32

00:02:06,620 --> 00:02:04,830

33

00:02:09,680 --> 00:02:06,630

outlander me know as well bringing

38

00:02:22,520 --> 00:02:19,560

outlandish topics to the forefront

39

00:02:25,340 --> 00:02:22,530

40

00:02:27,800 --> 00:02:25,350

43

00:02:34,730 --> 00:02:33,270

too so because I'm not afraid to talk

44

00:02:36,650 --> 00:02:34,740

about such things a lot of people are

45

00:02:38,630 --> 00:02:36,660

really hesitant like they're afraid that

46

00:02:40,580 --> 00:02:38,640

people are going to think oh they're

47

00:02:43,370 --> 00:02:40,590

religious bible thumpers they talk about

48

00:02:46,190 --> 00:02:43,380

that stuff i'm not i'm not afraid on but

49

00:02:47,690 --> 00:02:46,200

i want to tell you guys about me too if

50

00:02:50,540 --> 00:02:47,700

you don't know who I am when it comes to

51
00:02:52,970 --> 00:02:50,550
the outlandish all the above that I just

52
00:02:53,900 --> 00:02:52,980
talked about personally I'm someone who

53
00:02:55,550 --> 00:02:53,910

54
00:02:58,160 --> 00:02:55,560

00:03:03,350 --> 00:03:00,990

64

00:03:28,130 --> 00:03:26,700

with an s up and calm okay because that

65

00:03:32,200 --> 00:03:28,140

is going to be shooting out into the

66

00:03:35,390 --> 00:03:32,210

ASAP okay go there check it out like it

68

00:03:39,860 --> 00:03:37,560

check out the book series 2 i've got a

69

00:03:41,570 --> 00:03:39,870

couple of books out on it what is that

70

00:03:44,840 --> 00:03:41,580

serious graphic novel series talking

71

00:03:47,690 --> 00:03:44,850

about everything that i do but in a

72

00:03:49,370 --> 00:03:47,700

graphic novel type uh-huh since i'm a

73

00:03:51,590 --> 00:03:49,380

cartoonist to people i've nothing of

74

00:03:54,470 --> 00:03:51,600

that but that's my drawings up in there

75

00:03:57,260 --> 00:03:54,480

and if you go too fickle finders calm

76

00:04:00,080 --> 00:03:57,270

you will see all of that stuff on there

77

00:04:02,510 --> 00:04:00,090

and they are tackling different topics

78

00:04:04,970 --> 00:04:02,520

in the book so anyways I want to tell

79

00:04:07,550 --> 00:04:04,980

you guys go get the iron app it's

80

00:04:09,500 --> 00:04:07,560

awesome it works most you do listen to

81

00:04:13,190 --> 00:04:09,510

the show I believe through the app

82

00:04:15,080 --> 00:04:13,200

because I just know like hear from a lot

83

00:04:17,840 --> 00:04:15,090

of you guys to its kind of fun I'm like

84

00:04:19,580 --> 00:04:17,850

Heidi oh my gosh jalisa to old time I

85

00:04:24,430 --> 00:04:19,590

listed to like five shows in the room

86

00:04:27,050 --> 00:04:24,440

like five that's a that's a whole day it

87

00:04:29,990 --> 00:04:27,060

metsä that's awesome oh and then you can

88

00:04:35,330 --> 00:04:30,000

also you could just call like a number

89

00:04:36,830 --> 00:04:35,340

to listen to the show so 40 1283 6700

90

00:04:38,840 --> 00:04:36,840

that cool that's on my parents listed to

91

00:04:40,400 --> 00:04:38,850

this show they just like dial because I

92

00:04:42,409 --> 00:04:40,410

don't like to do that app stuff they're

93

00:04:45,980 --> 00:04:42,419

just old school it and just put me on

94

00:04:47,180 --> 00:04:45,990

speakerphone and listen and holler at it

95

00:04:49,700 --> 00:04:47,190

sometimes sometimes they've tried

96

00:04:53,170 --> 00:04:49,710

calling in here you think I don't know

97

00:04:56,750 --> 00:04:53,180

this but I've seen my area code pop up

98

00:04:59,210 --> 00:04:56,760

mm-hmm they're funny and also feel free

99

00:05:01,700 --> 00:04:59,220

tonight tonight because it is my

100

00:05:04,370 --> 00:05:01,710

two-year anniversary that's all about

101

00:05:07,629 --> 00:05:04,380

you and me sitting here talking just

102

00:05:12,159 --> 00:05:07,639

chewin the fat so go

103

00:05:15,309 --> 00:05:12,169

1 888 91 92 355 or go to skype look for

104

00:05:17,769 --> 00:05:15,319

inception radio network and you could

105

00:05:19,839 --> 00:05:17,779

just like totally just talk I mean it's

106

00:05:22,029 --> 00:05:19,849

okay so I want to hear your stories i

107

00:05:25,420 --> 00:05:22,039

want you to share what's going on your

108

00:05:27,550 --> 00:05:25,430

mind what you've experienced if you have

109

00:05:30,040 --> 00:05:27,560

an issue if there's a conspiracy theory

110

00:05:31,570 --> 00:05:30,050

if there's a Bigfoot if there's a ghost

111

00:05:35,320 --> 00:05:31,580

if there's a demon if there's a shadow

112

00:05:37,929 --> 00:05:35,330

people ruining your life call it let's

113

00:05:41,309 --> 00:05:37,939

talk i'm also going to be taken all of

114

00:05:44,320 --> 00:05:41,319

your emails so it's nothing but the

115

00:05:46,570 --> 00:05:44,330

outlandish corner what's the outlandish

116

00:05:52,119 --> 00:05:46,580

corner that special effect just blows my

117

00:05:53,950 --> 00:05:52,129

mind isn't it awesome you know landish

118

00:05:55,149 --> 00:05:53,960

corner this is where i read off your

119

00:05:57,969 --> 00:05:55,159

stories because a lot of people are

120

00:05:59,649 --> 00:05:57,979

bashful which I don't blame him I never

121

00:06:03,640 --> 00:05:59,659

liked calling into shows I mean it's a

122

00:06:06,189 --> 00:06:03,650

little freaky so I take a lot of the

123

00:06:09,159 --> 00:06:06,199

emails that gets sent to me and I just

124

00:06:12,820 --> 00:06:09,169

read them off and you can write to me at

125

00:06:14,890 --> 00:06:12,830

dusts outlander at gmail com and you

126

00:06:16,929 --> 00:06:14,900

know what tonight I'm taking just like

127

00:06:19,540 --> 00:06:16,939

the all the stories that I get on

128

00:06:22,240 --> 00:06:19,550

facebook alone go to my facebook page or

129

00:06:24,010 --> 00:06:22,250

in my radio chatter some of your stories

130

00:06:26,679 --> 00:06:24,020

I'm going to go buy those tonight

131

00:06:29,860 --> 00:06:26,689

because a lot of times I get so many of

132

00:06:33,159 --> 00:06:29,870

those they tend to not get to me as

133

00:06:36,369 --> 00:06:33,169

directly as an email does so messages

134

00:06:38,409 --> 00:06:36,379

get scattered through out the internet

135

00:06:42,749 --> 00:06:38,419

on Facebook there to me I don't know why

136

00:06:45,760 --> 00:06:42,759

it's just harder to track maybe it's me

137

00:06:48,219 --> 00:06:45,770

so I just lump them all I just totally

138

00:06:51,339 --> 00:06:48,229

went into the message box on one of my

139

00:06:53,079 --> 00:06:51,349

pages I'm like dessert tonight this is

140

00:06:55,990 --> 00:06:53,089

what's gonna happen tonight we're just

141

00:06:58,589 --> 00:06:56,000

gonna go over these so there we're gonna

142

00:07:01,300 --> 00:06:58,599

go over these all right so i am going to

143

00:07:03,249 --> 00:07:01,310

get over to the outlet ish corner but i

144

00:07:05,619 --> 00:07:03,259

want to tell you guys something okay cuz

145

00:07:09,639 --> 00:07:05,629

i like keeping my ear to the ground and

146

00:07:12,100 --> 00:07:09,649

you know I'm here in Chicago and whoa

147

00:07:15,309 --> 00:07:12,110

boy people have been protesting of

148

00:07:20,020 --> 00:07:15,319

course with you know the two different

149

00:07:24,499 --> 00:07:20,030

shootings and well not shootings police

150

00:07:27,020 --> 00:07:24,509

essentially putting the some lives to an

151
00:07:29,779 --> 00:07:27,030
end of two gentlemen who were

152
00:07:32,210 --> 00:07:29,789
african-american so they've been like

153
00:07:35,960 --> 00:07:32,220
protesting here in Chicago quite a bit

154
00:07:37,820 --> 00:07:35,970
and I like to listen to NPR news and

155
00:07:39,649 --> 00:07:37,830
this is this just blew my mind this is

156
00:07:43,159 --> 00:07:39,659
conspiracy theory for you people right

157
00:07:45,830 --> 00:07:43,169
here in PR today said something that was

158
00:07:48,170 --> 00:07:45,840
just just a little bit my blowing I

159
00:07:52,040 --> 00:07:48,180
really did not know that that this took

160
00:07:56,839 --> 00:07:52,050
place but I should have known but the

161
00:07:58,550 --> 00:07:56,849
protesters the police okay are utilizing

162
00:08:00,589 --> 00:07:58,560
and here i even have i even have a

163
00:08:03,939 --> 00:08:00,599

little clipping about this on one second

164

00:08:07,670 --> 00:08:03,949

where did i put you where are you ah

165

00:08:09,529 --> 00:08:07,680

well okay so anyways i'm gonna add a

166

00:08:13,339 --> 00:08:09,539

little because i cannot locate where i

167

00:08:19,100 --> 00:08:13,349

put this little story but anyways the

168

00:08:21,409 --> 00:08:19,110

police are able to track you through

169

00:08:24,680 --> 00:08:21,419

your cell phone if you're one of the

170

00:08:27,140 --> 00:08:24,690

protesters they know that you're one of

171

00:08:30,890 --> 00:08:27,150

the protesters who you are what you're

172

00:08:34,010 --> 00:08:30,900

doing and why you're doing it what part

173

00:08:36,589 --> 00:08:34,020

of the protesting you're in perhaps I

174

00:08:41,089 --> 00:08:36,599

don't know but it's some sort of

175

00:08:45,079 --> 00:08:41,099

military tracking technology that

176

00:08:46,760 --> 00:08:45,089

they're using and what I read is also

177

00:08:50,090 --> 00:08:46,770

and I heard it on NPR and then I looked

178

00:08:53,060 --> 00:08:50,100

it up a little bit is that they're

179

00:08:55,850 --> 00:08:53,070

taking advantage of old privacy laws

180

00:08:58,670 --> 00:08:55,860

that are out there and just making use

181

00:09:00,350 --> 00:08:58,680

of it and like well we got this person

182

00:09:01,310 --> 00:09:00,360

we know who wear that why are there at

183

00:09:03,740 --> 00:09:01,320

what they're doing and they're

184

00:09:05,180 --> 00:09:03,750

protesting downtown and all over here

185

00:09:07,430 --> 00:09:05,190

and all over there they literally like

186

00:09:09,829 --> 00:09:07,440

protested right onto Lake Shore Drive

187

00:09:13,040 --> 00:09:09,839

which surrounds it the whole city here

188

00:09:15,439 --> 00:09:13,050

along the lake and you know stop traffic

189

00:09:18,199 --> 00:09:15,449

both directions and then they went to

190

00:09:21,860 --> 00:09:18,209

the magnificent mile which is Michigan

191

00:09:24,050 --> 00:09:21,870

Avenue downtown Chicago and blocked that

192

00:09:25,310 --> 00:09:24,060

area did like these what do they call

193

00:09:26,689 --> 00:09:25,320

those when they just lie down in the

194

00:09:29,030 --> 00:09:26,699

middle of intersections and they all

195

00:09:32,240 --> 00:09:29,040

pause and then I get back up and they

196

00:09:33,650 --> 00:09:32,250

did this for miles so you know good on

197

00:09:36,830 --> 00:09:33,660

them for you know Express

198

00:09:40,480 --> 00:09:36,840

their First Amendment rights only to

199

00:09:43,790 --> 00:09:40,490

find that they're being tracked and

200

00:09:46,250 --> 00:09:43,800

their name and number and all their

201
00:09:54,500 --> 00:09:46,260
information is being given to the police

202
00:09:57,130 --> 00:09:54,510
officers what oh my gosh oh my gosh can

203
00:10:00,710 --> 00:09:57,140
you believe that they're doing that I

204
00:10:02,630 --> 00:10:00,720
was stunned that's that's just a little

205
00:10:06,110 --> 00:10:02,640
shocking so so say you're getting pulled

206
00:10:08,660 --> 00:10:06,120
over I mean is there a little dink on

207
00:10:11,300 --> 00:10:08,670
your record not just to let the cop note

208
00:10:14,510 --> 00:10:11,310
this person protested and not during

209
00:10:16,820 --> 00:10:14,520
that riot of protesting when when a cop

210
00:10:19,280 --> 00:10:16,830
got punched her spit on or something and

211
00:10:21,680 --> 00:10:19,290
and though I have to say they kept it

212
00:10:23,660 --> 00:10:21,690
fully peaceful here and they you know

213
00:10:25,100 --> 00:10:23,670

what it did they have a little dink and

214

00:10:27,770 --> 00:10:25,110

then they know to be you know a little

215

00:10:30,350 --> 00:10:27,780

bit little bit more hesitant to be as

216

00:10:32,570 --> 00:10:30,360

courteous when they pull you over you

217

00:10:34,430 --> 00:10:32,580

know I'm gonna make you wonder how long

218

00:10:36,920 --> 00:10:34,440

has conspiracy theories right I don't

219

00:10:40,580 --> 00:10:36,930

usually talk about those but i just that

220

00:10:41,780 --> 00:10:40,590

one just shook my head it shook my head

221

00:10:45,830 --> 00:10:41,790

for me I didn't even have to shake my

222

00:10:49,220 --> 00:10:45,840

head oh I mean cos you can't be

223

00:10:52,100 --> 00:10:49,230

anonymous he can't be anonymous so what

224

00:10:55,400 --> 00:10:52,110

are we to do shut our phones down turn

225

00:10:58,910 --> 00:10:55,410

them off before you protest to use you

226

00:11:01,340 --> 00:10:58,920

know your freedom of speech gosh man

227

00:11:03,440 --> 00:11:01,350

that's something just feels a little

228

00:11:04,760 --> 00:11:03,450

wrong about that so I just thought

229

00:11:06,830 --> 00:11:04,770

everybody should know that that they

230

00:11:10,010 --> 00:11:06,840

know you're out there that's something

231

00:11:13,370 --> 00:11:10,020

that's not something okay so anyways all

232

00:11:15,440 --> 00:11:13,380

right I am gonna get to the outlandish

233

00:11:17,270 --> 00:11:15,450

corner I just had to share that that's

234

00:11:19,310 --> 00:11:17,280

just let just blew my mind and again I

235

00:11:22,790 --> 00:11:19,320

want to invite you guys to call in at

236

00:11:25,760 --> 00:11:22,800

any point during the show 1 888 919 2355

237

00:11:27,770 --> 00:11:25,770

238

00:11:30,080 --> 00:11:27,780

network on there and some of your

239

00:11:33,260 --> 00:11:30,090

questions comments even if you want to

240

00:11:36,560 --> 00:11:33,270

call a say i do my god that's cool are

241

00:11:39,560 --> 00:11:36,570

242

00:11:41,420 --> 00:11:39,570

it's my two-year anniversary so like I'm

243

00:11:45,010 --> 00:11:41,430

just I'm just loving it just loving it

244

00:11:48,130 --> 00:11:45,020

it's awesome all right this is der ID

245

00:11:49,720 --> 00:11:48,140

oh that's me okay so this one is this

246

00:11:53,200 --> 00:11:49,730

one's a bit of a choppy story that was

247

00:11:55,090 --> 00:11:53,210

sent to me and on facebook cuz everybody

248

00:11:57,940 --> 00:11:55,100

knows how those facebook conversations

249

00:12:00,070 --> 00:11:57,950

can go so this is your Heidi it's been a

250

00:12:01,810 --> 00:12:00,080

while since i messaged you my life has

251

00:12:04,750 --> 00:12:01,820

been crazy ever since I tried to tell

252

00:12:06,700 --> 00:12:04,760

you my story and I haven't read this in

253

00:12:11,560 --> 00:12:06,710

a long time just so you know this is it

254

00:12:14,350 --> 00:12:11,570

this was a while back that this person

255

00:12:16,060 --> 00:12:14,360

wrote me so I have seen the hat man

256

00:12:18,340 --> 00:12:16,070

three or four times and the shadowpeople

257

00:12:20,860 --> 00:12:18,350

numerous time since I was four years old

258

00:12:23,880 --> 00:12:20,870

I feel they have singled me out because

259

00:12:26,770 --> 00:12:23,890

of my spiritual upbringing he and they

260

00:12:31,030 --> 00:12:26,780

leave only when you know you are

261

00:12:35,040 --> 00:12:31,040

spiritually stronger than it okay the

262

00:12:38,020 --> 00:12:35,050

name of Jesus not only peeves them off I

263

00:12:40,510 --> 00:12:38,030

had to edit that one peeves him off but

264

00:12:44,500 --> 00:12:40,520

he will stalk you and wait for your

265

00:12:46,810 --> 00:12:44,510

weakest moments now this is this is the

266

00:12:49,870 --> 00:12:46,820

part this is the part where I'm sharing

267

00:12:52,030 --> 00:12:49,880

this this message here the story with

268

00:12:55,240 --> 00:12:52,040

you guys because I have never heard this

269

00:13:00,820 --> 00:12:55,250

before so get this get this part I have

270

00:13:05,710 --> 00:13:00,830

seen my ex turn into a hat man when he

271

00:13:09,040 --> 00:13:05,720

got drunk and started choking me I am

272

00:13:11,500 --> 00:13:09,050

NOT crazy I truly believe this it has

273

00:13:14,380 --> 00:13:11,510

revealed himself to another friend of

274

00:13:18,360 --> 00:13:14,390

mine and had said the same thing through

275

00:13:20,770 --> 00:13:18,370

our abusers what's the matter dollface

276

00:13:23,230 --> 00:13:20,780

anybody else get chills because that

277

00:13:25,330 --> 00:13:23,240

gives me the freaky chills so this is my

278

00:13:27,880 --> 00:13:25,340

response to this person Oh yikes please

279

00:13:31,360 --> 00:13:27,890

do give more details if you can your ex

280

00:13:32,920 --> 00:13:31,370

was looking dazed and you SAT up and he

281

00:13:35,950 --> 00:13:32,930

changed me for your eyes or what

282

00:13:38,220 --> 00:13:35,960

happened I said and I'm telling him I

283

00:13:40,750 --> 00:13:38,230

never heard of this thing so this person

284

00:13:42,550 --> 00:13:40,760

starts to write again when I was four I

285

00:13:45,250 --> 00:13:42,560

saw the two shadow people outside my

286

00:13:46,720 --> 00:13:45,260

grandmother's kitchen window I remember

287

00:13:49,150 --> 00:13:46,730

being too scared to go to the bathroom

288

00:13:50,830 --> 00:13:49,160

and wetting myself and telling my mom

289

00:13:53,380 --> 00:13:50,840

that there were two bald heads with long

290

00:13:56,879 --> 00:13:53,390

arms in the window when i was 10 i had

291

00:14:03,030 --> 00:14:00,359

many of us that grew up in the 1980s I

292

00:14:06,929 --> 00:14:03,040

was a latchkey kid I was alone a lot

293

00:14:08,549 --> 00:14:06,939

parents at work at least and I was an

294

00:14:10,919 --> 00:14:08,559

only child I don't know what all that

295

00:14:13,619 --> 00:14:10,929

means okay so I'd come home from school

296

00:14:14,909 --> 00:14:13,629

was early spring in Ohio I this person

297

00:14:17,369 --> 00:14:14,919

is going off into a different story

298

00:14:19,819 --> 00:14:17,379

though I asked what on earth happened

299

00:14:22,319 --> 00:14:19,829

with your ex turning into the hat man

300

00:14:25,889 --> 00:14:22,329

frustrating okay it's frustrating I know

301
00:14:28,019 --> 00:14:25,899
um I had come home from school it was

302
00:14:30,780 --> 00:14:28,029
early spring in Ohio still cold and gray

303
00:14:32,669 --> 00:14:30,790
outside mom and dad were still at work I

304
00:14:34,079 --> 00:14:32,679
was just about to turn on the radio when

305
00:14:36,809 --> 00:14:34,089
there was a loud knocking at the front

306
00:14:39,210 --> 00:14:36,819
door and went to my room quietly because

307
00:14:42,960 --> 00:14:39,220
I had been taught not to answer when no

308
00:14:45,269 --> 00:14:42,970
one was home the knocking was persistent

309
00:14:47,369 --> 00:14:45,279
for what seemed like forever I heard the

310
00:14:49,859 --> 00:14:47,379
footsteps leaving the front walkway I

311
00:14:52,949 --> 00:14:49,869
went to my window and peeked out of the

312
00:14:54,949 --> 00:14:52,959
bottom of the many slides mini blinds

313
00:14:58,340 --> 00:14:54,959

that's what you mean not many slides

314

00:15:02,220 --> 00:14:58,350

there was a tall man across the street

315

00:15:05,159 --> 00:15:02,230

with a gaucho hat and I'm burgundy mid

316

00:15:07,289 --> 00:15:05,169

length coat he looked right at me I

317

00:15:09,799 --> 00:15:07,299

jumped back startled I got the nerve to

318

00:15:13,650 --> 00:15:09,809

look again and he was gone and my

319

00:15:16,949 --> 00:15:13,660

parents were pulling in I leaned in a I

320

00:15:19,169 --> 00:15:16,959

leaned in a panic to them dad and I even

321

00:15:23,879 --> 00:15:19,179

went for a ride to look for him I have

322

00:15:26,819 --> 00:15:23,889

no access to a computer okay I don't

323

00:15:28,590 --> 00:15:26,829

know what this is about um boo boo boo

324

00:15:31,889 --> 00:15:28,600

boo and see you know how it is jumpy on

325

00:15:34,439 --> 00:15:31,899

facebook so then she continues to say I

326

00:15:37,159 --> 00:15:34,449

am not scared of him but I know now with

327

00:15:41,429 --> 00:15:37,169

your help that I'm not crazy thank you

328

00:15:43,439 --> 00:15:41,439

shantal okie dokie um Wow I'll try to

329

00:15:45,659 --> 00:15:43,449

get more details on this one because I

330

00:15:48,359 --> 00:15:45,669

have not heard of that before have you

331

00:15:51,539 --> 00:15:48,369

guys ever heard me talk about somebody

332

00:15:54,389 --> 00:15:51,549

experiencing the hat man after their

333

00:15:57,809 --> 00:15:54,399

person in their life transformed into

334

00:16:01,039 --> 00:15:57,819

him how crazy is that I've never ever

335

00:16:03,689 --> 00:16:01,049

ever ever heard of such a thing ever

336

00:16:07,109 --> 00:16:03,699

ever

337

00:16:08,489 --> 00:16:07,119

I just have it this is crazy that's just

338

00:16:10,829 --> 00:16:08,499

crazy and she didn't go in a pork

339

00:16:12,809 --> 00:16:10,839

detailed it's like please tell me more

340

00:16:14,280 --> 00:16:12,819

and some of the people you know if I get

341

00:16:16,559 --> 00:16:14,290

a chance and I read through some of

342

00:16:18,449 --> 00:16:16,569

these things prior and I try to ask for

343

00:16:20,639 --> 00:16:18,459

more information I generally do not get

344

00:16:22,379 --> 00:16:20,649

more so I am sorry that you guys are

345

00:16:25,530 --> 00:16:22,389

left hanging just as much as I am on

346

00:16:29,699 --> 00:16:25,540

that one but holy cannoli right that is

347

00:16:32,280 --> 00:16:29,709

like wow and you know something that's

348

00:16:34,829 --> 00:16:32,290

important here to note and for those of

349

00:16:38,150 --> 00:16:34,839

you who may have checked out my book the

350

00:16:41,729 --> 00:16:38,160

hat man true story of evil encounters

351

00:16:45,629 --> 00:16:41,739

there is a section in there where I talk

352

00:16:50,429 --> 00:16:45,639

about the hat man not always coming in a

353

00:16:54,449 --> 00:16:50,439

black suit black hat black tie black

354

00:16:58,139 --> 00:16:54,459

jacket trench coat he can mix it up like

355

00:17:00,119 --> 00:16:58,149

this person saw him being very tall

356

00:17:03,419 --> 00:17:00,129

which is which is very common at him in

357

00:17:04,860 --> 00:17:03,429

a gaucho hat in a burgundy mid length

358

00:17:08,639 --> 00:17:04,870

coat I have heard of him having

359

00:17:11,669 --> 00:17:08,649

pinstripes and they're crazy very very

360

00:17:13,199 --> 00:17:11,679

very creepy but I'm so glad that I'm

361

00:17:19,049 --> 00:17:13,209

able to help you realize that you're not

362

00:17:21,269 --> 00:17:19,059

crazy because man it is super duper

363

00:17:22,829 --> 00:17:21,279

isolating when you've experienced

364

00:17:24,049 --> 00:17:22,839

something that you know is real and

365

00:17:28,199 --> 00:17:24,059

other people are sitting there going

366

00:17:29,639 --> 00:17:28,209

smoke too many bad things yeah you're

367

00:17:32,220 --> 00:17:29,649

not crazy it's all good you're among

368

00:17:33,419 --> 00:17:32,230

friends like I always say you truly

369

00:17:34,889 --> 00:17:33,429

among friends and for those of you who

370

00:17:38,009 --> 00:17:34,899

could hear it in my voice I'm getting

371

00:17:39,090 --> 00:17:38,019

over the freaking flu I mean gosh I feel

372

00:17:41,549 --> 00:17:39,100

like there's a target on my back

373

00:17:46,399 --> 00:17:41,559

somebody's just throwing things like I

374

00:17:49,830 --> 00:17:46,409

don't know tomatoes full of the flu

375

00:17:52,649 --> 00:17:49,840

unbelievable unbelievable so don't mind

376

00:17:57,570 --> 00:17:52,659

me if I have to mute myself here as I

377

00:18:02,159 --> 00:17:57,580

cough and then there I go Oh MJ's

378

00:18:07,259 --> 00:18:02,169

telling me that beer helps as he's

379

00:18:10,440 --> 00:18:07,269

drinking from his 20 year old mug 20

380

00:18:12,779 --> 00:18:10,450

year old mug who keeps a beer mug I mean

381

00:18:15,350 --> 00:18:12,789

if that beer mug could talk all right

382

00:18:23,000 --> 00:18:15,360

I'm telling you

383

00:18:25,580 --> 00:18:23,010

oh my goodness okay he's LOL like me so

384

00:18:28,400 --> 00:18:25,590

anyways I'm gonna go on to the next one

385

00:18:29,870 --> 00:18:28,410

okay this is a just a big one oh no it's

386

00:18:33,770 --> 00:18:29,880

not that huge okay says dear Heidi

387

00:18:36,860 --> 00:18:33,780

that's me I ran across your website and

388

00:18:38,570 --> 00:18:36,870

I was reading some of your stuff so let

389

00:18:40,490 --> 00:18:38,580

me tell you my experience when I was 14

390

00:18:42,289 --> 00:18:40,500

years old I had a dream now this is from

391

00:18:46,490 --> 00:18:42,299

facebook again just so you guys know but

392

00:18:48,500 --> 00:18:46,500

this one is not choppy yeah when I was

393

00:18:51,560 --> 00:18:48,510

14 years old I had a dream of the hat

394

00:18:53,539 --> 00:18:51,570

man I live in Northern California and at

395

00:18:56,120 --> 00:18:53,549

the time my older sister came to stay

396

00:18:59,330 --> 00:18:56,130

with us well since I was younger I had

397

00:19:01,760 --> 00:18:59,340

to give up my room so I was relocated

398

00:19:05,000 --> 00:19:01,770

into the dining room of the house that's

399

00:19:06,770 --> 00:19:05,010

just wrong from where my bed was

400

00:19:08,990 --> 00:19:06,780

positioned I could see the back door

401
00:19:12,260 --> 00:19:09,000
which led out to the washroom the

402
00:19:15,169 --> 00:19:12,270
washroom patio which it was a Victorian

403
00:19:18,650 --> 00:19:15,179
house and on to the back door so one

404
00:19:24,830 --> 00:19:18,660
night I went to be I went to be ok you

405
00:19:28,789 --> 00:19:24,840
mean you went to bed I thought it was a

406
00:19:30,320 --> 00:19:28,799
poor way of spelling p um but be okay

407
00:19:34,130 --> 00:19:30,330
you went to bed in the middle of the

408
00:19:36,650 --> 00:19:34,140
night and you woke up ok I went to bed

409
00:19:39,590 --> 00:19:36,660
the middle night I woke out in my dream

410
00:19:41,750 --> 00:19:39,600
hmm I woke out my dream I could see this

411
00:19:44,180 --> 00:19:41,760
man coming up my stairs then to the

412
00:19:46,580 --> 00:19:44,190
washroom well the hat man had a P that's

413
00:19:48,820 --> 00:19:46,590

weird by this time I'm really frightened

414

00:19:51,230 --> 00:19:48,830

and trying to run out but can't I'm

415

00:19:53,270 --> 00:19:51,240

paralyzed with in my dream he proceeds

416

00:19:55,549 --> 00:19:53,280

to the kitchen door opens it by this

417

00:19:59,090 --> 00:19:55,559

time I'm screaming bloody murder for my

418

00:20:02,770 --> 00:19:59,100

mom but all I can hear her saying in a

419

00:20:05,960 --> 00:20:02,780

low distance voice yes Peter what is it

420

00:20:09,080 --> 00:20:05,970

whoo I got chills he continues to

421

00:20:11,990 --> 00:20:09,090

approach me and then sits at the foot of

422

00:20:14,270 --> 00:20:12,000

my bed and stares at me I don't see a

423

00:20:17,630 --> 00:20:14,280

face but the direction is definitely

424

00:20:20,330 --> 00:20:17,640

towards me this lasted for what seemed

425

00:20:23,900 --> 00:20:20,340

like forever but actually was about a

426
00:20:27,680 --> 00:20:23,910
minute or two when the person set up I

427
00:20:28,460 --> 00:20:27,690
could feel my bed rise up he turns for

428
00:20:30,260 --> 00:20:28,470
the kitchen instead

429
00:20:34,570 --> 00:20:30,270
heading out when he finally reached the

430
00:20:38,690 --> 00:20:34,580
back door and closed it that was polite

431
00:20:41,539 --> 00:20:38,700
he closed it that's when I awoke and ran

432
00:20:44,870 --> 00:20:41,549
to my mom's bed and jumped in white as a

433
00:20:47,870 --> 00:20:44,880
ghost my mom asked me what was wrong but

434
00:20:50,539 --> 00:20:47,880
I could not speak she said if you're

435
00:20:53,840 --> 00:20:50,549
going to sleep in my room that go turn

436
00:21:01,510 --> 00:20:53,850
off the light all I could do is shake my

437
00:21:07,250 --> 00:21:05,480
that is really hard okay I was a

438
00:21:10,730 --> 00:21:07,260

freshman in high school but I was afraid

439

00:21:13,039 --> 00:21:10,740

like a little girl in preschool mmm yeah

440

00:21:15,620 --> 00:21:13,049

that's that's the appeal of the hat man

441

00:21:19,190 --> 00:21:15,630

and does something make a grown man cry

442

00:21:21,590 --> 00:21:19,200

oh yes and they do well the story did

443

00:21:25,250 --> 00:21:21,600

not end there after my visit I started

444

00:21:27,860 --> 00:21:25,260

to dream and more vividly I started to

445

00:21:31,100 --> 00:21:27,870

see shadows and fill spirits in certain

446

00:21:34,460 --> 00:21:31,110

areas I had dreams like nightmares on

447

00:21:35,690 --> 00:21:34,470

Elm Street ooh ok that's icky everybody

448

00:21:38,090 --> 00:21:35,700

knows Freddy Krueger right raise your

449

00:21:40,310 --> 00:21:38,100

hand raised her hands mm-hmm raised her

450

00:21:45,590 --> 00:21:40,320

hands you know what I'm saying razor

451
00:21:48,190 --> 00:21:45,600
raised ok anyways yeah razor blades for

452
00:21:50,870 --> 00:21:48,200
fingers it was it was awesome um

453
00:21:53,180 --> 00:21:50,880
nightmare on elm street where you're

454
00:21:55,220 --> 00:21:53,190
dreaming and is so real that when I was

455
00:21:58,430 --> 00:21:55,230
young I couldn't tell the difference but

456
00:22:01,580 --> 00:21:58,440
i can now I had dreams of things that

457
00:22:03,860 --> 00:22:01,590
come to pass I know it was not deja vu

458
00:22:06,799 --> 00:22:03,870
because I would realize that would

459
00:22:09,799 --> 00:22:06,809
change that the change would be an

460
00:22:12,919 --> 00:22:09,809
outcome ok for years I would have dreams

461
00:22:15,080 --> 00:22:12,929
that paralyzed me and it would scare the

462
00:22:17,690 --> 00:22:15,090
heck out of me until I learned how to

463
00:22:20,690 --> 00:22:17,700

get out of them I'm talking years and

464

00:22:22,399 --> 00:22:20,700

years of dreams that paralyze me I found

465

00:22:24,350 --> 00:22:22,409

out that if I just calm down on my

466

00:22:26,570 --> 00:22:24,360

dreams and tell myself I'm dreaming and

467

00:22:28,700 --> 00:22:26,580

go back to sleep with in my dream I

468

00:22:31,669 --> 00:22:28,710

could and would snap out of it and

469

00:22:34,430 --> 00:22:31,679

awaken quickly I have so much more that

470

00:22:35,720 --> 00:22:34,440

goes on and now it does not scare me my

471

00:22:38,299 --> 00:22:35,730

family thinks that I'm crazy because

472

00:22:40,669 --> 00:22:38,309

I'll go in the basement at night or out

473

00:22:42,280 --> 00:22:40,679

in the dark and I'm not afraid I've seen

474

00:22:44,770 --> 00:22:42,290

spirits and felt them

475

00:22:46,870 --> 00:22:44,780

but I'm still no longer afraid just

476
00:22:52,630 --> 00:22:46,880
wanted to share my experience thanks for

477
00:22:56,770 --> 00:22:52,640
your time Peter well Peter thank you so

478
00:22:58,180 --> 00:22:56,780
much for sharing because that is that's

479
00:23:00,310 --> 00:22:58,190
interesting and I have to tell you

480
00:23:08,290 --> 00:23:00,320
something okay okay I get a swig because

481
00:23:11,050 --> 00:23:08,300
my voice is dying okay um you know you

482
00:23:13,390 --> 00:23:11,060
know Peter he's a rotten

483
00:23:16,540 --> 00:23:13,400
good-for-nothing isn't he I need to make

484
00:23:19,450 --> 00:23:16,550
a teenage boy run to his mother's bed

485
00:23:21,160 --> 00:23:19,460
shaking like a preschool girl like like

486
00:23:25,540 --> 00:23:21,170
you said which was pretty hilarious i

487
00:23:28,030 --> 00:23:25,550
have to say Peter but um it's it's sad I

488
00:23:29,710 --> 00:23:28,040

mean it's really sad I mean I have had

489

00:23:31,810 --> 00:23:29,720

those moments of being absolutely

490

00:23:33,610 --> 00:23:31,820

terrified so I'm truly not laughing at

491

00:23:35,880 --> 00:23:33,620

your um I'm laughing with you because

492

00:23:39,400 --> 00:23:35,890

I've had this moment where it's like

493

00:23:42,540 --> 00:23:39,410

well I am about to lose my bladder

494

00:23:45,490 --> 00:23:42,550

aren't I and this is not gonna be cool

495

00:23:47,560 --> 00:23:45,500

so I know those moments I'm it's

496

00:23:50,560 --> 00:23:47,570

horrible it's horrible it shakes up a

497

00:23:52,360 --> 00:23:50,570

person's reality and then it's like you

498

00:23:56,140 --> 00:23:52,370

know here you're a growing boy and you

499

00:23:58,300 --> 00:23:56,150

jump in the bed your mommy I mean she's

500

00:24:00,970 --> 00:23:58,310

talking about humbling in and see you

501
00:24:04,060 --> 00:24:00,980
know this is what I don't get your big

502
00:24:06,700 --> 00:24:04,070
kid doing this and moms like oh um

503
00:24:10,000 --> 00:24:06,710
that's just nuts that's not true that's

504
00:24:12,670 --> 00:24:10,010
not happening I mean wow I'm gonna give

505
00:24:15,520 --> 00:24:12,680
people credit that that was embarrassing

506
00:24:17,650 --> 00:24:15,530
and totally not something that he

507
00:24:20,080 --> 00:24:17,660
planned and I don't think he would

508
00:24:22,360 --> 00:24:20,090
continue to lie about such a thing so

509
00:24:24,220 --> 00:24:22,370
many years later so I think that's where

510
00:24:26,530 --> 00:24:24,230
the proof the proof is in the pudding

511
00:24:28,180 --> 00:24:26,540
you know when you know stands the test

512
00:24:30,730 --> 00:24:28,190
of time that a person is still saying

513
00:24:33,130 --> 00:24:30,740

yep it happen hey it happened oh by the

514

00:24:36,400 --> 00:24:33,140

way hey that happened have it changed my

515

00:24:41,260 --> 00:24:36,410

story since I was four okay look there

516

00:24:43,390 --> 00:24:41,270

you go but um you know one thing i have

517

00:24:45,460 --> 00:24:43,400

to tell you though Peter what I really

518

00:24:48,040 --> 00:24:45,470

really am intrigued about with your

519

00:24:50,680 --> 00:24:48,050

story here are these really really

520

00:24:53,620 --> 00:24:50,690

really really really like dreams because

521

00:24:55,660 --> 00:24:53,630

oh my gosh have I had those those types

522

00:24:57,520 --> 00:24:55,670

were you feel like

523

00:25:00,430 --> 00:24:57,530

you're in Nightmare on Elm Street it's

524

00:25:02,980 --> 00:25:00,440

so real and you're like whoa I'm like

525

00:25:04,750 --> 00:25:02,990

I'm here and and I don't know how to get

526

00:25:08,230 --> 00:25:04,760

out i'm going to share with you one of

527

00:25:09,940 --> 00:25:08,240

my really real horror stories that it

528

00:25:13,630 --> 00:25:09,950

seemed to be kind of a place that I

529

00:25:16,060 --> 00:25:13,640

always seem to go to it was like this it

530

00:25:18,640 --> 00:25:16,070

almost felt like an abandoned city of a

531

00:25:20,470 --> 00:25:18,650

basement that went on forever like the

532

00:25:23,800 --> 00:25:20,480

sewers of a place but it was more like a

533

00:25:29,800 --> 00:25:23,810

basement and it just went on and on and

534

00:25:31,420 --> 00:25:29,810

on and it smelled like feet um people's

535

00:25:34,900 --> 00:25:31,430

dirty underwear I don't know just

536

00:25:39,940 --> 00:25:34,910

horrible things horrible horrible things

537

00:25:42,220 --> 00:25:39,950

really bad shoes people didn't wash

538

00:25:44,320 --> 00:25:42,230

their hair much you know you know get

539

00:25:49,360 --> 00:25:44,330

you get the gist of it just stinky

540

00:25:55,510 --> 00:25:49,370

stinky stuff okay um and I'm in this

541

00:25:57,870 --> 00:25:55,520

place and it's like it wasn't wet but it

542

00:26:03,450 --> 00:25:57,880

gave the impression of being dank and

543

00:26:07,630 --> 00:26:03,460

icky the walls being like cement blocks

544

00:26:10,300 --> 00:26:07,640

wet damp those were damp and just

545

00:26:13,360 --> 00:26:10,310

complete blackness in thing's dragging

546

00:26:16,750 --> 00:26:13,370

their feet around just slopping around

547

00:26:20,560 --> 00:26:16,760

and you just knew you just knew there

548

00:26:22,990 --> 00:26:20,570

were monsters they're not potentially

549

00:26:26,230 --> 00:26:23,000

but there were monsters and they were

550

00:26:29,440 --> 00:26:26,240

coming for you and it was not good and

551
00:26:33,760 --> 00:26:29,450
you were essentially stuck and screwed

552
00:26:37,270 --> 00:26:33,770
with such a thing and so I had those

553
00:26:39,820 --> 00:26:37,280
moments of trudging on and running and

554
00:26:42,280 --> 00:26:39,830
hitting a wall and oh I bumped into a

555
00:26:44,020 --> 00:26:42,290
nasty gross creature and I'd run and I'm

556
00:26:46,510 --> 00:26:44,030
running and and I just felt this

557
00:26:48,840 --> 00:26:46,520
darkness coming for me and I would be in

558
00:26:51,040 --> 00:26:48,850
such a panic in such a rush and I'm like

559
00:26:53,380 --> 00:26:51,050
gosh I keeping it up in this rotten

560
00:26:56,650 --> 00:26:53,390
stinking hole you know what am I gonna

561
00:26:58,660 --> 00:26:56,660
do and I started doing what you

562
00:27:00,760 --> 00:26:58,670
mentioned i started going hold on hold

563
00:27:02,020 --> 00:27:00,770

on hold on i catch your breath catch

564

00:27:03,280 --> 00:27:02,030

breath away up your hands wipe your

565

00:27:04,990 --> 00:27:03,290

hands on your pants from that nasty

566

00:27:06,400 --> 00:27:05,000

thing he just ran into the smell like

567

00:27:08,680 --> 00:27:06,410

feet

568

00:27:13,150 --> 00:27:08,690

and take holy yourself take hold take

569

00:27:15,130 --> 00:27:13,160

old and look for a light look for a

570

00:27:18,250 --> 00:27:15,140

light tidy there's got to be a light

571

00:27:21,580 --> 00:27:18,260

here and if there isn't a light you are

572

00:27:23,170 --> 00:27:21,590

going to imagine that light and I would

573

00:27:25,720 --> 00:27:23,180

literally you ever be in a basement

574

00:27:27,820 --> 00:27:25,730

seriously a basement and you're like

575

00:27:30,280 --> 00:27:27,830

going around and you're you're you're

576

00:27:34,090 --> 00:27:30,290

feeling in the dark and you reach it for

577

00:27:36,220 --> 00:27:34,100

the string you know to hit it because

578

00:27:38,410 --> 00:27:36,230

like my sister's like to soon as I would

579

00:27:41,350 --> 00:27:38,420

go down the basement turn the lights off

580

00:27:43,330 --> 00:27:41,360

on me we had a big basement and I dis

581

00:27:47,290 --> 00:27:43,340

swinging around trying to grab the

582

00:27:50,080 --> 00:27:47,300

freaking string oh they were evil I'm

583

00:27:53,920 --> 00:27:50,090

still mean I have six sisters there's

584

00:27:58,660 --> 00:27:53,930

several of them that were mean that's

585

00:28:00,580 --> 00:27:58,670

okay I survived um so but you know and

586

00:28:02,890 --> 00:28:00,590

I'm like and I would feel around for

587

00:28:04,540 --> 00:28:02,900

that light switch and you know what i

588

00:28:05,860 --> 00:28:04,550

would get that light switch and do you

589

00:28:08,680 --> 00:28:05,870

know the second that i would turn that

590

00:28:12,340 --> 00:28:08,690

light on i saw it was just a basement

591

00:28:15,820 --> 00:28:12,350

and almost as if like you know the Sun

592

00:28:19,510 --> 00:28:15,830

parting through the clouds oh I was it

593

00:28:21,100 --> 00:28:19,520

was done the dream ended and then it got

594

00:28:22,810 --> 00:28:21,110

to be the point where you know every

595

00:28:24,550 --> 00:28:22,820

time I would end up in this basement I

596

00:28:27,610 --> 00:28:24,560

just reached for the string I didn't run

597

00:28:32,160 --> 00:28:27,620

I stood firmly and I'm like the flights

598

00:28:35,500 --> 00:28:32,170

which is right here reach click Add out

599

00:28:37,930 --> 00:28:35,510

so i dunno what you're talking about

600

00:28:40,930 --> 00:28:37,940

because there is a way to take charge

601
00:28:43,300 --> 00:28:40,940
those lucid vivid dreams that seem to

602
00:28:46,690 --> 00:28:43,310
take hold of a person's life as they

603
00:28:48,760 --> 00:28:46,700

604
00:28:50,440 --> 00:28:48,770
it you know and these rotten

605
00:28:54,790 --> 00:28:50,450
good-for-nothing lowdown scoundrel

606
00:28:58,900 --> 00:28:54,800

607
00:29:00,640 --> 00:28:58,910

608
00:29:03,160 --> 00:29:00,650
because they do like to come at you in

609
00:29:05,410 --> 00:29:03,170
your dreams if they can't get you in you

610
00:29:07,690 --> 00:29:05,420

611
00:29:09,880 --> 00:29:07,700
way to take charge know that you can

612

613
00:29:15,340 --> 00:29:12,350

name is carrie hey carrie what's up

749

00:36:46,650 --> 00:36:44,440

what's going on i was doing research on

750

00:36:50,489 --> 00:36:46,660

the hat man and found you well I'll be

751

00:36:53,130 --> 00:36:50,499

darned I have seen him I lived with him

752

00:36:55,620 --> 00:36:53,140

in my home what did this dude pay rent

753

00:36:57,450 --> 00:36:55,630

that's just crazy I have seen him and I

754

00:36:59,190 --> 00:36:57,460

lived with him in my home on and off for

755

00:37:01,650 --> 00:36:59,200

about six years it sounds like a bad

756

00:37:05,249 --> 00:37:01,660

relationship I thought at first I was

757

00:37:08,910 --> 00:37:05,259

imagining him as he watched me but it

758

00:37:11,309 --> 00:37:08,920

became apparent he was very real we

759

00:37:14,279 --> 00:37:11,319

purchased a house built in 1910 here in

760

00:37:16,920 --> 00:37:14,289

Spokane Washington and were the third

761

00:37:18,720 --> 00:37:16,930

owners of the house our house was the

762

00:37:20,880 --> 00:37:18,730

first house and what later became our

763

00:37:23,789 --> 00:37:20,890

neighborhood anyways our second day in

764

00:37:26,940 --> 00:37:23,799

our house we were caught off guard by a

765

00:37:30,329 --> 00:37:26,950

banging under our feet coming from the

766

00:37:34,019 --> 00:37:30,339

unfinished basement oh I got chills I

767

00:37:36,960 --> 00:37:34,029

got chills that hurts that's crazy dude

768

00:37:38,609 --> 00:37:36,970

that's like a nightmare you gonna stand

769

00:37:42,930 --> 00:37:38,619

there it's an unfinished basement of

770

00:37:45,569 --> 00:37:42,940

pound pound pound Oh No I'd be moving

771

00:37:49,440 --> 00:37:45,579

out second day that's second day my foot

772

00:37:52,349 --> 00:37:49,450

okay um literally felt like someone had

773

00:37:55,859 --> 00:37:52,359

taken a broom and was banging on the

774

00:37:57,509 --> 00:37:55,869

ceiling below us we found nothing and

775

00:37:59,640 --> 00:37:57,519

shook it off come on now you don't shake

776

00:38:02,130 --> 00:37:59,650

that off that was wrong that was wrong

777

00:38:04,200 --> 00:38:02,140

to shake off those really wrong first I

778

00:38:08,190 --> 00:38:04,210

must tell you the hat man was not our

779

00:38:10,799 --> 00:38:08,200

only entity in her house after about a

780

00:38:14,430 --> 00:38:10,809

week of living there we begin hearing a

781

00:38:17,009 --> 00:38:14,440

child's jack-in-the-box music playing

782

00:38:20,069 --> 00:38:17,019

from the basement although we could

783

00:38:24,900 --> 00:38:20,079

never find one anywhere and we did not

784

00:38:27,210 --> 00:38:24,910

have children yet gosh we heard this on

785

00:38:29,430 --> 00:38:27,220

many occasion I kept telling my husband

786

00:38:31,769 --> 00:38:29,440

that I felt like someone was watching me

787

00:38:34,650 --> 00:38:31,779

as like a fielder presence and would see

788

00:38:38,249 --> 00:38:34,660

the shadow out to the corner of my eye

789

00:38:39,210 --> 00:38:38,259

quite often hmm I too thought maybe I

790

00:38:42,540 --> 00:38:39,220

was scaring my

791

00:38:45,150 --> 00:38:42,550

off and that was until I saw hat man

792

00:38:47,370 --> 00:38:45,160

clear as day one night as I tried

793

00:38:48,780 --> 00:38:47,380

falling asleep I close my eyes and

794

00:38:51,210 --> 00:38:48,790

suddenly felt like someone was watching

795

00:38:53,760 --> 00:38:51,220

me it at first thought my husband was

796

00:38:56,640 --> 00:38:53,770

messing with me so I SAT up and told him

797

00:39:00,390 --> 00:38:56,650

it wasn't funny but then clear as day

798

00:39:03,810 --> 00:39:00,400

there he was the hat man a tall shadow

799

00:39:07,620 --> 00:39:03,820

figure with a rimmed hat stood beside my

800

00:39:09,690 --> 00:39:07,630

bed not moving at all I freaked out

801
00:39:13,320 --> 00:39:09,700
pulled the blankets over my face and

802
00:39:18,540 --> 00:39:13,330
said please go away as I looked again he

803
00:39:21,210 --> 00:39:18,550
was still there hahaha oh gosh he was

804
00:39:24,120 --> 00:39:21,220
still there so again I hid under the

805
00:39:28,320 --> 00:39:24,130
blankets like a child and pray to God

806
00:39:30,810 --> 00:39:28,330
and when I looked again he was gone this

807
00:39:35,250 --> 00:39:30,820
was just the beginning who everybody get

808
00:39:39,599 --> 00:39:35,260
the popcorn okay um it became pretty

809
00:39:41,760 --> 00:39:39,609
much an everyday thing for me oh no for

810
00:39:44,609 --> 00:39:41,770
me to catch a glimpse of shadowy figures

811
00:39:46,890 --> 00:39:44,619
that seemed to watch me and disappear

812
00:39:49,620 --> 00:39:46,900
when I would try to see them completely

813
00:39:51,900 --> 00:39:49,630

my husband didn't believe me for a while

814

00:39:55,470 --> 00:39:51,910

until we both found ourselves on the

815

00:39:57,570 --> 00:39:55,480

couch one evening surrounded by voices

816

00:40:02,400 --> 00:39:57,580

right in our ears as though they were

817

00:40:05,070 --> 00:40:02,410

circling us oh this just like the

818

00:40:06,900 --> 00:40:05,080

makings of a real Horror Story everybody

819

00:40:11,160 --> 00:40:06,910

like I would go pay money to see this

820

00:40:14,609 --> 00:40:11,170

one this is crazy this is crazy circling

821

00:40:17,430 --> 00:40:14,619

us it was scary well no crap I hope it

822

00:40:19,530 --> 00:40:17,440

was scary because if it wasn't dude

823

00:40:22,380 --> 00:40:19,540

something's wrong with you but okay I

824

00:40:25,890 --> 00:40:22,390

got it um then we began hearing

825

00:40:28,349 --> 00:40:25,900

footsteps running in circles right in

826

00:40:32,310 --> 00:40:28,359

front of us on occasion yet we saw

827

00:40:34,530 --> 00:40:32,320

nothing this happened many times when

828

00:40:38,640 --> 00:40:34,540

our daughter was born we would wake up

829

00:40:40,859 --> 00:40:38,650

to toys being strewn all over her room

830

00:40:44,310 --> 00:40:40,869

although she couldn't even get out of

831

00:40:46,800 --> 00:40:44,320

her crib toys went off at night a lot

832

00:40:48,630 --> 00:40:46,810

when she began talking she told us about

833

00:40:51,030 --> 00:40:48,640

this little boy that would play with her

834

00:40:52,960 --> 00:40:51,040

especially at night we thought she was

835

00:40:56,200 --> 00:40:52,970

telling stories really how could you

836

00:40:59,320 --> 00:40:56,210

what it's live in the pits of hell how

837

00:41:01,210 --> 00:40:59,330

oh nevermind um we thought she was

838

00:41:05,010 --> 00:41:01,220

telling stories until we heard her

839

00:41:08,770 --> 00:41:05,020

talking to someone over the monitor and

840

00:41:12,870 --> 00:41:08,780

when we went to see her in her crib and

841

00:41:15,790 --> 00:41:12,880

the toys were all over her room again

842

00:41:18,640 --> 00:41:15,800

the prior owner showed up one day to see

843

00:41:22,290 --> 00:41:18,650

the house or so they said the first

844

00:41:24,790 --> 00:41:22,300

thing they asked was if we had any odd

845

00:41:26,830 --> 00:41:24,800

experiences yet you know what right that

846

00:41:30,520 --> 00:41:26,840

I would have clobbered them just just a

847

00:41:33,220 --> 00:41:30,530

quick clobber pal you sold us knowing

848

00:41:36,280 --> 00:41:33,230

this place with the pits of hell I mean

849

00:41:38,380 --> 00:41:36,290

shoot give me my money back little

850

00:41:40,000 --> 00:41:38,390

conversation here please can I pull you

851
00:41:41,740 --> 00:41:40,010
to the side you want to visit the

852
00:41:44,230 --> 00:41:41,750
basement you want stay in the basement I

853
00:41:46,720 --> 00:41:44,240
don't know I would oh gosh okay so

854
00:41:49,240 --> 00:41:46,730
anyways the first thing to ask we had

855
00:41:53,260 --> 00:41:49,250
any odd experiences yet and I played

856
00:41:55,510 --> 00:41:53,270
dumb what opportunity oh gosh I played

857
00:41:58,420 --> 00:41:55,520
dumb and they told us how there was a

858
00:42:01,540 --> 00:41:58,430
man that watched the wife in a little

859
00:42:05,320 --> 00:42:01,550
boy that played with the kids and caused

860
00:42:07,150 --> 00:42:05,330
mischief my mouth dropped open well

861
00:42:10,109 --> 00:42:07,160
finally did it say anything your mouth

862
00:42:15,280 --> 00:42:10,119
drops open i hope you said wow my god

863
00:42:16,870 --> 00:42:15,290

okay the odd thing is ever since what

864

00:42:18,790 --> 00:42:16,880

you did what which is skipping forward

865

00:42:21,220 --> 00:42:18,800

really you didn't go off you didn't say

866

00:42:24,579 --> 00:42:21,230

oh my gosh you have really good control

867

00:42:27,160 --> 00:42:24,589

really really good okay the odd thing is

868

00:42:38,589 --> 00:42:27,170

ever since then we since we moved there

869

00:42:42,520 --> 00:42:38,599

it was like we were cursed oh my really

870

00:42:45,460 --> 00:42:42,530

you feel I I feel you're cursed I just

871

00:42:47,500 --> 00:42:45,470

I'm just okay I'm breathing and

872

00:42:51,520 --> 00:42:47,510

breathing felt like we were cursed we

873

00:42:54,060 --> 00:42:51,530

went from rich to poor healthy to lots

874

00:42:57,640 --> 00:42:54,070

of unexplained health problems including

875

00:42:59,859 --> 00:42:57,650

multiple miscarriages they couldn't

876

00:43:02,440 --> 00:42:59,869

explain depression I was in a car

877

00:43:04,720 --> 00:43:02,450

accident at 60 miles per hour that left

878

00:43:06,640 --> 00:43:04,730

me with permanent back injuries two days

879

00:43:10,780 --> 00:43:06,650

after receiving my college degree

880

00:43:13,510 --> 00:43:10,790

wow that's horrible one night as we sat

881

00:43:19,000 --> 00:43:13,520

on the couch I felt a tug on my hair and

882

00:43:24,600 --> 00:43:19,010

found it had a chunk cut off what the

883

00:43:27,970 --> 00:43:24,610

worst was yet to come oh come on come on

884

00:43:30,850 --> 00:43:27,980

who is this who is this who's writing me

885

00:43:32,320 --> 00:43:30,860

this is just this can't happen a chunk

886

00:43:34,840 --> 00:43:32,330

of your hair though those are fighting

887

00:43:37,720 --> 00:43:34,850

words for us ladies you'll touch my hair

888

00:43:40,510 --> 00:43:37,730

it's on like Donkey Kong okay we're

889

00:43:43,300 --> 00:43:40,520

gonna go down like me and mario and

890

00:43:45,190 --> 00:43:43,310

luigi just swinging punches and it's

891

00:43:47,620 --> 00:43:45,200

just gonna be all over the place just

892

00:43:51,790 --> 00:43:47,630

like you know pieces of Bowser and all

893

00:43:55,930 --> 00:43:51,800

just just mental just crazy mental okay

894

00:43:58,600 --> 00:43:55,940

that's what cut your hair a girlfriend

895

00:44:04,960 --> 00:43:58,610

that was it that's my that's my line I'm

896

00:44:07,120 --> 00:44:04,970

out peace okay all right I was put on

897

00:44:09,580 --> 00:44:07,130

progesterone supplements to help me

898

00:44:12,000 --> 00:44:09,590

maintain pregnancy and it worked baby

899

00:44:15,610 --> 00:44:12,010

number two was born at birth he required

900

00:44:19,420 --> 00:44:15,620

three CPR attempts as he had aspirated

901
00:44:21,850 --> 00:44:19,430
they sent us home saying all was well at

902
00:44:25,900 --> 00:44:21,860
age four months he began having seizures

903
00:44:29,920 --> 00:44:25,910
and ended up requiring brain surgery as

904
00:44:32,740 --> 00:44:29,930
he had brain hemorrhaging oh my gosh

905
00:44:37,410 --> 00:44:32,750
they accused us of shaken baby syndrome

906
00:44:40,030 --> 00:44:37,420
oh boy this is absolutely not the case

907
00:44:42,880 --> 00:44:40,040
and even most of the doctors and nurses

908
00:44:45,910 --> 00:44:42,890
disagreed and said this was a very

909
00:44:48,340 --> 00:44:45,920
unusual case he had no bruising no bone

910
00:44:50,170 --> 00:44:48,350
fractures no signs of abuse period they

911
00:44:52,420 --> 00:44:50,180
sent him home with two large incisions

912
00:44:55,540 --> 00:44:52,430
on his head two weeks later he

913
00:44:57,820 --> 00:44:55,550

hemorrhaged again requiring another

914

00:45:00,510 --> 00:44:57,830

surgery oh my heart is breaking they

915

00:45:05,280 --> 00:45:00,520

sent him home two weeks later again oh

916

00:45:08,560 --> 00:45:05,290

my gosh he had hemorrhaging again and

917

00:45:10,390 --> 00:45:08,570

finally they placed two shunts he

918

00:45:12,460 --> 00:45:10,400

hemorrhaged again right in the hospital

919

00:45:15,310 --> 00:45:12,470

and they were all baffled they never

920

00:45:17,800 --> 00:45:15,320

figured it out and told me he would be a

921

00:45:20,260 --> 00:45:17,810

vegetable for life as he also suffered

922

00:45:23,590 --> 00:45:20,270

suffered multiple strokes that left him

923

00:45:25,510 --> 00:45:23,600

paralyzed on one side and he had retinal

924

00:45:28,960 --> 00:45:25,520

hemorrhages in his eyes causing lazy

925

00:45:30,640 --> 00:45:28,970

eyes we were devastated especially

926

00:45:33,460 --> 00:45:30,650

because of the accusations and the lack

927

00:45:36,940 --> 00:45:33,470

of answers we went through hell with

928

00:45:42,220 --> 00:45:36,950

detectives and CPS but even they doubted

929

00:45:44,410 --> 00:45:42,230

the child abuse oh my gosh my heart is

930

00:45:47,620 --> 00:45:44,420

just crushed right now we were we are

931

00:45:49,900 --> 00:45:47,630

now we were now losing our home to when

932

00:45:52,870 --> 00:45:49,910

I brought our son home from the hospital

933

00:45:56,410 --> 00:45:52,880

it was like a battle of good versus evil

934

00:45:59,500 --> 00:45:56,420

broke out our cross flew off the wall as

935

00:46:01,420 --> 00:45:59,510

well as a picture of our son landing

936

00:46:04,840 --> 00:46:01,430

across the room I heard the crash and

937

00:46:06,910 --> 00:46:04,850

found it myself it was really I was

938

00:46:09,730 --> 00:46:06,920

really scared now as I knew good

939

00:46:12,580 --> 00:46:09,740

entities wouldn't be thrown throwing

940

00:46:15,160 --> 00:46:12,590

crosses that night as I watched my son

941

00:46:17,830 --> 00:46:15,170

on our video monitor I began seeing

942

00:46:19,930 --> 00:46:17,840

multiple white orbs hovering over his

943

00:46:22,660 --> 00:46:19,940

bed has everybody seen this movie in

944

00:46:26,290 --> 00:46:22,670

their head I mean wow I'm getting a big

945

00:46:27,910 --> 00:46:26,300

old movie in my head this is just just

946

00:46:30,040 --> 00:46:27,920

just crazy do you know what this is

947

00:46:33,010 --> 00:46:30,050

still going on people this is a big

948

00:46:34,870 --> 00:46:33,020

email all right let's go on what's going

949

00:46:36,640 --> 00:46:34,880

that night as I watched my son on our

950

00:46:39,010 --> 00:46:36,650

video monitor I began seeing multiple

951
00:46:41,970 --> 00:46:39,020
white or hovering over his head it was

952
00:46:45,670 --> 00:46:41,980
not dust or bugs these were clearly

953
00:46:47,560 --> 00:46:45,680
hovering over him and circling him as I

954
00:46:50,080 --> 00:46:47,570
watched in amazement the screen began to

955
00:46:52,540 --> 00:46:50,090
flicker and when it stopped I was

956
00:46:55,060 --> 00:46:52,550
staring straight at a woman with long

957
00:46:59,500 --> 00:46:55,070
wavy hair staring right back at me as

958
00:47:02,500 --> 00:46:59,510
though she knew I was watching oh I

959
00:47:04,270 --> 00:47:02,510
froze oh my gosh I just have chills over

960
00:47:06,730 --> 00:47:04,280
and over i'm feeling for its people this

961
00:47:11,080 --> 00:47:06,740
is just oh my gosh anybody got an

962
00:47:14,440 --> 00:47:11,090
exorcist nearby okay it was just my son

963
00:47:16,240 --> 00:47:14,450

and I at home and has it and i

964

00:47:18,150 --> 00:47:16,250

hesitantly entered his fruit I would

965

00:47:21,340 --> 00:47:18,160

hesitantly under his room too i

966

00:47:23,230 --> 00:47:21,350

hesitantly entered his room to see only

967

00:47:26,200 --> 00:47:23,240

the orbs for a moment before they

968

00:47:29,290 --> 00:47:26,210

vanished our house became extremely

969

00:47:31,150 --> 00:47:29,300

active following him coming home voices

970

00:47:32,950 --> 00:47:31,160

loudly saying our names as though they

971

00:47:34,010 --> 00:47:32,960

were right in our ears things breaking

972

00:47:36,620 --> 00:47:34,020

things missing

973

00:47:39,310 --> 00:47:36,630

things being moved I was even locked out

974

00:47:42,470 --> 00:47:39,320

at one point leaving my son inside alone

975

00:47:44,510 --> 00:47:42,480

the reason I feel it was like a battle

976
00:47:47,240 --> 00:47:44,520
of good versus evil because it seemed

977
00:47:49,490 --> 00:47:47,250
like the bad entities didn't want him

978
00:47:51,650 --> 00:47:49,500
better in fact I think they causes

979
00:47:53,540 --> 00:47:51,660
injuries and yet he proved to be a

980
00:47:56,540 --> 00:47:53,550
miracle as he did therapy he went from

981
00:47:59,690 --> 00:47:56,550
being one being way behind to coming out

982
00:48:02,120 --> 00:47:59,700
seven months ahead cognitively well a

983
00:48:04,220 --> 00:48:02,130
man's sister the therapist had never

984
00:48:06,260 --> 00:48:04,230
seen this kind of turnaround even with

985
00:48:09,260 --> 00:48:06,270
babies that had lesser brain damage than

986
00:48:12,500 --> 00:48:09,270
he did his entire brain had damaged and

987
00:48:16,520 --> 00:48:12,510
atrophy and was not growing yet one year

988
00:48:19,250 --> 00:48:16,530

after we moved his brain has grown and

989

00:48:22,280 --> 00:48:19,260

completely healed again the neurosurgeon

990

00:48:25,900 --> 00:48:22,290

had never seen this happen ever the

991

00:48:28,640 --> 00:48:25,910

healing began after we moved when we had

992

00:48:31,070 --> 00:48:28,650

obviously when we had begun packing to

993

00:48:33,590 --> 00:48:31,080

move I think we upset the bad entities

994

00:48:36,860 --> 00:48:33,600

because everything that could stop us

995

00:48:38,690 --> 00:48:36,870

for moving did eventually we were

996

00:48:40,550 --> 00:48:38,700

finally able to get out and it seems

997

00:48:43,850 --> 00:48:40,560

ever since we did things have turned

998

00:48:46,130 --> 00:48:43,860

around I was found to have a tumor on my

999

00:48:49,220 --> 00:48:46,140

left ovary and recently had it removed

1000

00:48:51,080 --> 00:48:49,230

it seems I may I may be able to have

1001
00:48:52,820 --> 00:48:51,090
successful pregnancies again the doctor

1002
00:48:54,710 --> 00:48:52,830
said it was odd they hadn't seen the

1003
00:48:58,460 --> 00:48:54,720
tumor before so we had yet another odd

1004
00:49:00,230 --> 00:48:58,470
health ailment ailment while we lived in

1005
00:49:02,510 --> 00:49:00,240
that house we change we became so

1006
00:49:05,060 --> 00:49:02,520
depressed at the point we almost a voice

1007
00:49:07,430 --> 00:49:05,070
divorce but once we moved it was like a

1008
00:49:10,040 --> 00:49:07,440
light switch our daughters nightmares

1009
00:49:12,200 --> 00:49:10,050
went away and so did mine thank God

1010
00:49:13,340 --> 00:49:12,210
because mine were straight out of a

1011
00:49:15,920 --> 00:49:13,350
horror film what are you talking about

1012
00:49:18,620 --> 00:49:15,930
your nightmares a girlfriend this day so

1013
00:49:21,770 --> 00:49:18,630

your life was a nightmare this is a

1014

00:49:24,290 --> 00:49:21,780

horror big time right here this no need

1015

00:49:25,610 --> 00:49:24,300

to go to the movies okay um thank God

1016

00:49:27,470 --> 00:49:25,620

because mine was straight out of a

1017

00:49:30,410 --> 00:49:27,480

horror film and my daughter was

1018

00:49:34,100 --> 00:49:30,420

suffering from lack of sleep also one

1019

00:49:36,260 --> 00:49:34,110

more thing to note gosh I can't take no

1020

00:49:40,520 --> 00:49:36,270

more there were numbers that showed up

1021

00:49:45,080 --> 00:49:40,530

on our walls in a few spots and a name

1022

00:49:46,370 --> 00:49:45,090

as well one of them said the code is and

1023

00:49:48,410 --> 00:49:46,380

then some numbers

1024

00:49:50,240 --> 00:49:48,420

anyways I know I have left some things

1025

00:49:53,320 --> 00:49:50,250

out but there are too many to remember

1026
00:49:56,090 --> 00:49:53,330
yeah like that code and the name hello

1027
00:49:58,310 --> 00:49:56,100
this is a very true story and I pray

1028
00:49:59,900 --> 00:49:58,320
that hat man and whatever other bad

1029
00:50:02,480 --> 00:49:59,910
entities haunted us leave us alone for

1030
00:50:04,670 --> 00:50:02,490
good I still have some experiences here

1031
00:50:07,220 --> 00:50:04,680
at our new place but nothing bad yet and

1032
00:50:09,860 --> 00:50:07,230
I feel like I am in touch with entities

1033
00:50:12,470 --> 00:50:09,870
more than most as we gain at a young age

1034
00:50:14,810 --> 00:50:12,480
for my sister used to see a man in the

1035
00:50:18,980 --> 00:50:14,820
Hat in her window as a child it would

1036
00:50:20,290 --> 00:50:18,990
scream almost every night okay but we

1037
00:50:23,090 --> 00:50:20,300
all thought she was having nightmares

1038
00:50:25,160 --> 00:50:23,100

mine began at a friend's house where

1039

00:50:28,520 --> 00:50:25,170

there were multiple men in hats in her

1040

00:50:31,160 --> 00:50:28,530

attic they moved after our discovery

1041

00:50:33,050 --> 00:50:31,170

what that was crazy that's just crazy

1042

00:50:35,540 --> 00:50:33,060

please tell me what you think us I know

1043

00:50:38,840 --> 00:50:35,550

this was real is the man in the Hat

1044

00:50:44,750 --> 00:50:38,850

known to wreak havoc on those he watches

1045

00:50:46,460 --> 00:50:44,760

oh oh girl yes they did okay so anyways

1046

00:50:49,160 --> 00:50:46,470

do you think he could be the cause of

1047

00:50:51,890 --> 00:50:49,170

our son's injuries doctors have no

1048

00:50:54,020 --> 00:50:51,900

answers but I believe I do our house has

1049

00:50:55,760 --> 00:50:54,030

been up for auction multiple times and

1050

00:50:58,580 --> 00:50:55,770

still no one has bought it that's

1051
00:51:00,200 --> 00:50:58,590
because the neighbors know those navels

1052
00:51:03,050 --> 00:51:00,210
night know they know what's going on I

1053
00:51:04,280 --> 00:51:03,060
feel like I should come with a warning I

1054
00:51:06,590 --> 00:51:04,290
feel like it should come with a warning

1055
00:51:13,280 --> 00:51:06,600
label please tell me your opinion thank

1056
00:51:17,270 --> 00:51:13,290
you for listening Carrie what what oh em

1057
00:51:18,350 --> 00:51:17,280
gee everybody everybody everybody are

1058
00:51:20,480 --> 00:51:18,360
you still breathing out there because

1059
00:51:24,440 --> 00:51:20,490
this is really this is this is a

1060
00:51:28,970 --> 00:51:24,450
jacked-up story if I have ever heard of

1061
00:51:32,000 --> 00:51:28,980
10 that is crazy that's crazy I mean I

1062
00:51:34,430 --> 00:51:32,010
went from you know just this can't be

1063
00:51:36,620 --> 00:51:34,440

real too oh my gosh they're attacking a

1064

00:51:38,360 --> 00:51:36,630

baby too oh my goodness he's healed oh

1065

00:51:41,420 --> 00:51:38,370

gosh all this stuff is going on that's

1066

00:51:44,120 --> 00:51:41,430

good for you I just carry my goodness

1067

00:51:46,610 --> 00:51:44,130

this is like this is a horror movie this

1068

00:51:49,340 --> 00:51:46,620

is a horror movie so I don't even know

1069

00:51:53,180 --> 00:51:49,350

where to begin there's just so much this

1070

00:51:56,210 --> 00:51:53,190

house sounds like it was literally based

1071

00:51:59,640 --> 00:51:56,220

on a portal that filtered nothing but

1072

00:52:02,570 --> 00:51:59,650

baddies because I didn't hear anything

1073

00:52:06,200 --> 00:52:02,580

coming from this place I mean my gosh

1074

00:52:09,450 --> 00:52:06,210

what the heck what the heck but you know

1075

00:52:12,420 --> 00:52:09,460

this is okay this is what I what I see

1076
00:52:16,050 --> 00:52:12,430
is lacking here in your story that's

1077
00:52:19,200 --> 00:52:16,060
lacking I mean you're experiencing some

1078
00:52:23,160 --> 00:52:19,210
crazy things but I don't see once that

1079
00:52:25,770 --> 00:52:23,170
you mentioned that you turned and you

1080
00:52:28,140 --> 00:52:25,780
know said hey god help me out here what

1081
00:52:30,750 --> 00:52:28,150
hold on I don't say anything I don't see

1082
00:52:32,100 --> 00:52:30,760
a prayer third prayer did I miss that I

1083
00:52:36,290 --> 00:52:32,110
didn't see a prayer did you guys raise

1084
00:52:44,250 --> 00:52:41,760
dupe I don't say anything um I mean wow

1085
00:52:47,100 --> 00:52:44,260
no wonder this thing went on it was out

1086
00:52:49,470 --> 00:52:47,110
of control there was no filter no filter

1087
00:52:51,780 --> 00:52:49,480
was placed on the cap of the no cap was

1088
00:52:54,540 --> 00:52:51,790

placed on the there's no portal just I'm

1089

00:52:57,150 --> 00:52:54,550

the pair that it was just going before

1090

00:52:59,700 --> 00:52:57,160

the portal was just pouring out was

1091

00:53:01,740 --> 00:52:59,710

oozing it was the factory down the river

1092

00:53:03,840 --> 00:53:01,750

that was oozing out waste without

1093

00:53:06,810 --> 00:53:03,850

anybody protesting and carrying a sign

1094

00:53:10,200 --> 00:53:06,820

to say quit do it man do you hear me do

1095

00:53:12,390 --> 00:53:10,210

you hear me I mean wow that's messed up

1096

00:53:14,100 --> 00:53:12,400

I mean this thing went after you went

1097

00:53:15,780 --> 00:53:14,110

after your kids it went after the

1098

00:53:17,610 --> 00:53:15,790

husband he went after your health I went

1099

00:53:21,620 --> 00:53:17,620

after your your sanity I went after your

1100

00:53:26,670 --> 00:53:21,630

dreams that went after it had no filter

1101
00:53:29,310 --> 00:53:26,680
what a piece of work that is I mean wow

1102
00:53:30,660 --> 00:53:29,320
I don't you know I have to ask you

1103
00:53:33,120 --> 00:53:30,670
because I know I grew up in a haunted

1104
00:53:36,420 --> 00:53:33,130
house and I know what it feels like to

1105
00:53:38,790 --> 00:53:36,430
feel like really really this is what

1106
00:53:41,790 --> 00:53:38,800
really that uh no really that's gonna

1107
00:53:45,300 --> 00:53:41,800
happen too oh yes it's going oh there we

1108
00:53:48,030 --> 00:53:45,310
go when you went to go see horror movies

1109
00:53:50,790 --> 00:53:48,040
i wonder if you did carry but when you

1110
00:53:53,520 --> 00:53:50,800
went to go see horror movies did it

1111
00:53:57,300 --> 00:53:53,530
bring you comfort knowing you weren't

1112
00:54:00,450 --> 00:53:57,310
alone even in theory or in a fictional

1113
00:54:02,010 --> 00:54:00,460

movie because I know for myself and my

1114

00:54:05,040 --> 00:54:02,020

family that's how we felt we would watch

1115

00:54:06,900 --> 00:54:05,050

these things were like occ right there

1116

00:54:08,910 --> 00:54:06,910

right there this isn't that what you did

1117

00:54:11,280 --> 00:54:08,920

once didn't you run oh hold on we did

1118

00:54:13,050 --> 00:54:11,290

not kick the monster no no we did not

1119

00:54:13,530 --> 00:54:13,060

kick the monster to make sure it was

1120

00:54:16,800 --> 00:54:13,540

dead weed

1121

00:54:19,470 --> 00:54:16,810

ran yeah yeah no but I mean I just had

1122

00:54:22,080 --> 00:54:19,480

to ask you because that's crazy I just

1123

00:54:27,540 --> 00:54:22,090

can't even imagine I mean I would have

1124

00:54:30,330 --> 00:54:27,550

been done day to day two I mean

1125

00:54:33,060 --> 00:54:30,340

something got a broom and pounded to

1126

00:54:36,510 --> 00:54:33,070

tell you to keep it down it introduced

1127

00:54:38,640 --> 00:54:36,520

itself it was like we're here we're in

1128

00:54:40,800 --> 00:54:38,650

the basement oh I'm gonna play with this

1129

00:54:43,550 --> 00:54:40,810

child's jack-in-the-box anything

1130

00:54:45,840 --> 00:54:43,560

childlike I am gone especially because

1131

00:54:47,400 --> 00:54:45,850

it was rotten good-for-nothing lowdown

1132

00:54:48,390 --> 00:54:47,410

creatures they love to pretend like

1133

00:54:52,200 --> 00:54:48,400

there's something sweet and innocent

1134

00:54:53,670 --> 00:54:52,210

because it like allows us to put our

1135

00:54:56,130 --> 00:54:53,680

guard down a little bit or something

1136

00:54:59,040 --> 00:54:56,140

like oh there's a baby ghost in here Wow

1137

00:55:01,710 --> 00:54:59,050

just a little baby that's got claws I

1138

00:55:04,230 --> 00:55:01,720

don't know what the heck it's just crazy

1139

00:55:05,660 --> 00:55:04,240

but my goodness and then you guys had

1140

00:55:09,720 --> 00:55:05,670

all these whispers and stuff corner on

1141

00:55:13,140 --> 00:55:09,730

was there any background in a face base

1142

00:55:16,410 --> 00:55:13,150

of some sort to throw that holy book at

1143

00:55:19,880 --> 00:55:16,420

it because that's what you need that's

1144

00:55:23,340 --> 00:55:19,890

what you need and my goodness I mean I

1145

00:55:24,810 --> 00:55:23,350

just you know I don't know how long it

1146

00:55:26,280 --> 00:55:24,820

took for you to realize that this

1147

00:55:28,590 --> 00:55:26,290

negative stuff going on your home and

1148

00:55:31,710 --> 00:55:28,600

these these creatures and whatnot was

1149

00:55:33,210 --> 00:55:31,720

the the hell bent cause of everything I

1150

00:55:37,860 --> 00:55:33,220

don't know when I took place but the

1151
00:55:40,890 --> 00:55:37,870
second it clicked in you I I wonder what

1152
00:55:42,660 --> 00:55:40,900
kept you there I don't know if you watch

1153
00:55:44,250 --> 00:55:42,670
some of these shows like Oh haunting or

1154
00:55:48,000 --> 00:55:44,260
the haunted and labella bruh bruh

1155
00:55:50,400 --> 00:55:48,010
there's been several people who had

1156
00:55:54,930 --> 00:55:50,410
houses that only had half of what you're

1157
00:55:58,310 --> 00:55:54,940
talking about here half half who left

1158
00:56:02,880 --> 00:55:58,320
their house and left their underwear

1159
00:56:06,780 --> 00:56:02,890
their their pictures and everything in

1160
00:56:09,600 --> 00:56:06,790
its place and never step foot again in

1161
00:56:13,290 --> 00:56:09,610
the house because they felt their very

1162
00:56:15,960 --> 00:56:13,300
souls were at risk everyone I'm reading

1163
00:56:17,490 --> 00:56:15,970

here this is what was going on this

1164

00:56:19,770 --> 00:56:17,500

city's things we're reaching into your

1165

00:56:23,460 --> 00:56:19,780

baby's brain and the hemorrhaging things

1166

00:56:25,840 --> 00:56:23,470

Oh No mama bears going to bring the

1167

00:56:29,590 --> 00:56:25,850

claws out and that thing is going down

1168

00:56:31,960 --> 00:56:29,600

or I'm moving out so I just wonder I

1169

00:56:36,430 --> 00:56:31,970

wish that oh please write me back

1170

00:56:39,790 --> 00:56:36,440

because when did you did you try to do

1171

00:56:42,670 --> 00:56:39,800

something did you call upon someone did

1172

00:56:45,070 --> 00:56:42,680

I mean I don't see i'ma bounce anything

1173

00:56:46,690 --> 00:56:45,080

in here saying that but you do say that

1174

00:56:50,470 --> 00:56:46,700

you know you felt like it was a battle

1175

00:56:53,470 --> 00:56:50,480

between good versus evil alright good

1176

00:56:55,780 --> 00:56:53,480

versus evil what I was here okay till

1177

00:56:58,030 --> 00:56:55,790

your voices and editor you know I'm

1178

00:57:00,280 --> 00:56:58,040

gonna tell you this Oh hold on hold on

1179

00:57:06,730 --> 00:57:00,290

oh you know you thank God that you're

1180

00:57:08,530 --> 00:57:06,740

okay with are all right um oh and I pray

1181

00:57:11,890 --> 00:57:08,540

oh you do pray that the hat man never

1182

00:57:12,910 --> 00:57:11,900

comes back you know Carrie there's

1183

00:57:15,490 --> 00:57:12,920

things that are going on your house

1184

00:57:18,460 --> 00:57:15,500

right now I these things came into your

1185

00:57:20,950 --> 00:57:18,470

nightmares they came into your dreams so

1186

00:57:22,390 --> 00:57:20,960

I'm very very very very concerned that

1187

00:57:23,950 --> 00:57:22,400

this thing may indeed follow you because

1188

00:57:27,370 --> 00:57:23,960

the thing is with a hat man the shadow

1189

00:57:30,180 --> 00:57:27,380

people they don't see doors nope LT

1190

00:57:33,720 --> 00:57:30,190

doors they to see opportunities and

1191

00:57:35,650 --> 00:57:33,730

anybody and everybody is not just like

1192

00:57:38,230 --> 00:57:35,660

possible that they'll have something

1193

00:57:39,730 --> 00:57:38,240

like this come their way it's a threat

1194

00:57:43,840 --> 00:57:39,740

that it's going to be coming their way

1195

00:57:45,280 --> 00:57:43,850

it's terrible but it's true and I'm so

1196

00:57:48,880 --> 00:57:45,290

sorry that you've dealt with this in

1197

00:57:51,520 --> 00:57:48,890

your children I mean hat man loves to

1198

00:57:53,410 --> 00:57:51,530

pick on babies oh gosh that's like his

1199

00:57:56,380 --> 00:57:53,420

favorite midnight snack or something or

1200

00:57:59,170 --> 00:57:56,390

three IM snack i think he comes he likes

1201

00:58:01,390 --> 00:57:59,180

babies he likes to torture kids he likes

1202

00:58:03,280 --> 00:58:01,400

to mess with kids and yes when you're in

1203

00:58:07,330 --> 00:58:03,290

the pit of something evil and negative

1204

00:58:08,920 --> 00:58:07,340

it affects your health I've always been

1205

00:58:11,380 --> 00:58:08,930

you know people suspect because I've had

1206

00:58:13,360 --> 00:58:11,390

some crazy health stuff gone but you

1207

00:58:16,180 --> 00:58:13,370

know I'm okay I'm holding it together

1208

00:58:20,770 --> 00:58:16,190

look look see I'm talking I'm talking

1209

00:58:22,330 --> 00:58:20,780

I'm walking um but it's like everybody's

1210

00:58:24,160 --> 00:58:22,340

suspected oh how do you talk about those

1211

00:58:25,840 --> 00:58:24,170

shadow people and a half an o and those

1212

00:58:27,970 --> 00:58:25,850

evil aliens I'm everybody got all that

1213

00:58:29,740 --> 00:58:27,980

stuff these things are coming after you

1214

00:58:32,290 --> 00:58:29,750

because you talk about that stuff and

1215

00:58:37,570 --> 00:58:32,300

it's like [h__h] but Jesus is a bit

1216

00:58:39,670 --> 00:58:37,580

stronger in my life so Chum I you know I

1217

00:58:43,000 --> 00:58:39,680

think that none of us

1218

00:58:45,040 --> 00:58:43,010

are fully 100% like you know I got this

1219

00:58:46,859 --> 00:58:45,050

this isn't gonna mess with me I mean

1220

00:58:50,170 --> 00:58:46,869

could it be doing messing with me

1221

00:58:53,290 --> 00:58:50,180

potentially but i I'm I'm not concerned

1222

00:58:56,530 --> 00:58:53,300

to that extent because I feel closer to

1223

00:58:59,290 --> 00:58:56,540

God Jesus and then the hat man evil

1224

00:59:03,640 --> 00:58:59,300

rotten stinky footed people shadow

1225

00:59:05,049 --> 00:59:03,650

people I'm sorry um just I just don't I

1226

00:59:08,950 --> 00:59:05,059

just don't I don't give them the credit

1227

00:59:10,359 --> 00:59:08,960

how's about that but these things sound

1228

00:59:12,790 --> 00:59:10,369

like they were really really knocking on

1229

00:59:14,950 --> 00:59:12,800

your door I hope that you take it upon

1230

00:59:17,170 --> 00:59:14,960

yourself to look to the light you saw

1231

00:59:20,290 --> 00:59:17,180

the darkness straight up in your face

1232

00:59:21,730 --> 00:59:20,300

and in your kids lives please take the

1233

00:59:23,680 --> 00:59:21,740

time to bless your home because they

1234

00:59:25,390 --> 00:59:23,690

there already started over in your new

1235

00:59:28,450 --> 00:59:25,400

place you don't want it to get out of

1236

00:59:30,400 --> 00:59:28,460

control so please please bless your home

1237

00:59:32,650 --> 00:59:30,410

bless your home check out my book the

1238

00:59:34,930 --> 00:59:32,660

hat man because I have in there how you

1239

00:59:38,829 --> 00:59:34,940

can get rid of these things and it is

1240

00:59:42,099 --> 00:59:38,839

quite in depth but it's easy when you

1241

00:59:45,579 --> 00:59:42,109

got Jesus and God on your side oh yes I

1242

00:59:47,589 --> 00:59:45,589

said it because it's just what it is and

1243

00:59:50,109 --> 00:59:47,599

I'm just keeping it real here people ok

1244

00:59:51,789 --> 00:59:50,119

1245

00:59:54,069 --> 00:59:51,799

so much and everybody else please feel

00:59:56,410 --> 00:59:54,079

free to write as much as you want on

1247

00:59:57,670 --> 00:59:56,420

these stories because the more that we

1248

00:59:58,900 --> 00:59:57,680

get the better we can understand it

1249

01:00:00,339 --> 00:59:58,910

book the hat man book that I wrote

1337

01:05:16,950 --> 01:05:15,730

because it's man I just don't want him

1338

01:05:19,140 --> 01:05:16,960

to come back into your life either

1339

01:05:21,300 --> 01:05:19,150

because that is it just sounds like he

1340

01:05:24,330 --> 01:05:21,310

was the initiator and the instigator

1341

01:05:27,060 --> 01:05:24,340

just a bit and anything that's dark it's

1342

01:05:29,640 --> 01:05:27,070

all related who cares so who cares who

1343

01:05:32,430 --> 01:05:29,650

cares what his name may be or what you

1344

01:05:33,780 --> 01:05:32,440

know what entity it is you don't have to

1345

01:05:35,610 --> 01:05:33,790

figure out what entity it is it's just

1346

01:05:37,110 --> 01:05:35,620

gotta know how to get rid of it that's

1347

01:05:39,690 --> 01:05:37,120

that's all I'm saying that's that's it

1348

01:05:41,280 --> 01:05:39,700

so anyways I'm going to continue into

1349

01:05:44,190 --> 01:05:41,290

the outlandish corner answering you guys

1350

01:05:47,370 --> 01:05:44,200

email because you guys have some juice

1351

01:05:50,190 --> 01:05:47,380

really juicy juicy stories tonight um I

1352

01:05:54,320 --> 01:05:50,200

get to a shorter one what is this one

1353

01:06:03,270 --> 01:05:54,330

what does that one okay did I read um

1354

01:06:05,190 --> 01:06:03,280

mm-hmm is this what's that okay okay not

1355

01:06:08,400 --> 01:06:05,200

that one okay I'm gonna do this one it

1356

01:06:10,590 --> 01:06:08,410

says dear Heidi I have a story well cool

1357

01:06:12,990 --> 01:06:10,600

I have a story that maybe you could shed

1358

01:06:14,130 --> 01:06:13,000

some light on for me okay cool I was

1359

01:06:16,290 --> 01:06:14,140

talking to a friend of mine last night

1360

01:06:19,170 --> 01:06:16,300

and I talked to him about a thing I saw

1361

01:06:21,990 --> 01:06:19,180

when I was 11 or 12 it was a man wearing

1362

01:06:26,880 --> 01:06:22,000

a brimmed hat oh why can't we get some

1363

01:06:30,300 --> 01:06:26,890

positive stories oh that's okay I wasn't

1364

01:06:33,060 --> 01:06:30,310

awoken by him or it but I was just about

1365

01:06:35,400 --> 01:06:33,070

to go to sleep he approached the base of

1366

01:06:38,310 --> 01:06:35,410

my bed he may have had a trench coat on

1367

01:06:41,160 --> 01:06:38,320

it was hard to tell he had reddish eyes

1368

01:06:41,970 --> 01:06:41,170

but won't they weren't glowing how could

1369

01:06:43,590 --> 01:06:41,980

you tell them

1370

01:06:47,220 --> 01:06:43,600

he stood at the base of my bed and

1371

01:06:49,050 --> 01:06:47,230

leaned in and stared for a few minutes I

1372

01:06:50,820 --> 01:06:49,060

thought it may be one of my brothers

1373

01:06:52,349 --> 01:06:50,830

playing games with me why do people

1374

01:06:54,450 --> 01:06:52,359

always have these cruel men in their

1375

01:06:58,530 --> 01:06:54,460

lives their husband their brothers just

1376
01:06:59,820 --> 01:06:58,540
messing with people whoo okay I thought

1377
01:07:02,070 --> 01:06:59,830
it may be one of my brothers playing

1378
01:07:05,160 --> 01:07:02,080
games with me so I called out my

1379
01:07:07,830 --> 01:07:05,170
brother's names and nothing no that's

1380
01:07:11,160 --> 01:07:07,840
disturbing after a couple more minutes

1381
01:07:12,780 --> 01:07:11,170
he just walked away slowly in the middle

1382
01:07:15,150 --> 01:07:12,790
of my telling my friend does he stopped

1383
01:07:17,820 --> 01:07:15,160
me and said I was scaring the crap out

1384
01:07:21,030 --> 01:07:17,830
of him he then said do you have any idea

1385
01:07:23,880 --> 01:07:21,040
of what you're explaining to me the hat

1386
01:07:25,410 --> 01:07:23,890
man I didn't know anything about it till

1387
01:07:27,030 --> 01:07:25,420
he mentioned it thanks for reading this

1388
01:07:31,830 --> 01:07:27,040

message me back with anything you can

1389

01:07:35,130 --> 01:07:31,840

add jeff you Jeffrey Jeffrey Jeffrey

1390

01:07:38,280 --> 01:07:35,140

Jeffrey you know I just I don't know I

1391

01:07:40,530 --> 01:07:38,290

don't know that's um that's a that's a

1392

01:07:42,930 --> 01:07:40,540

hat man yeah that was him um I don't

1393

01:07:44,340 --> 01:07:42,940

know why he does what he does I don't

1394

01:07:45,540 --> 01:07:44,350

know why he's there I don't know why he

1395

01:07:48,109 --> 01:07:45,550

likes hats I don't know what's up with

1396

01:07:52,050 --> 01:07:48,119

this dude okay I do have some insight I

1397

01:07:54,330 --> 01:07:52,060

do have some it is complicated it's a

1398

01:07:58,320 --> 01:07:54,340

long story I put in a book hat man okay

1399

01:08:02,760 --> 01:07:58,330

um but no I wanted to just say in regard

1400

01:08:07,410 --> 01:08:02,770

to this story because ah I don't know

1401

01:08:09,960 --> 01:08:07,420

why he people feel he leans in and I

1402

01:08:12,960 --> 01:08:09,970

always always think of this time when I

1403

01:08:17,130 --> 01:08:12,970

I was met with quite a few little grey

1404

01:08:18,870 --> 01:08:17,140

alien beings yeah there about nine of

1405

01:08:21,210 --> 01:08:18,880

them they don't like me very much and I

1406

01:08:23,249 --> 01:08:21,220

hate their guts so it's okay um so like

1407

01:08:27,210 --> 01:08:23,259

I picked one up and choked one and I

1408

01:08:29,340 --> 01:08:27,220

think they got mad I did and then I like

1409

01:08:31,110 --> 01:08:29,350

put it back down after I choked it and I

1410

01:08:33,559 --> 01:08:31,120

put it back down and I turned around and

1411

01:08:36,780 --> 01:08:33,569

his buddies had come at the door and

1412

01:08:38,519 --> 01:08:36,790

they're all standing there straight

1413

01:08:40,170 --> 01:08:38,529

straight up you know looking at me I'm

1414

01:08:44,670 --> 01:08:40,180

like oh crap what are these ugly little

1415

01:08:48,349 --> 01:08:44,680

grey creatures what and I swear they

1416

01:08:53,550 --> 01:08:48,359

like altogether leaned forward as if

1417

01:08:55,829 --> 01:08:53,560

they threw like a net of stinky nasty

1418

01:09:00,539 --> 01:08:55,839

alien juice at me or something

1419

01:09:03,120 --> 01:09:00,549

and when you know like that lean does

1420

01:09:04,320 --> 01:09:03,130

something you know like you know you you

1421

01:09:06,059 --> 01:09:04,330

ever see somebody with the chicken neck

1422

01:09:08,280 --> 01:09:06,069

that's going off and then I told you and

1423

01:09:09,419 --> 01:09:08,290

then you would've did it again and you

1424

01:09:11,099 --> 01:09:09,429

know it's something that's some power in

1425

01:09:13,709 --> 01:09:11,109

the neck okay there's some power and

1426

01:09:17,099 --> 01:09:13,719

it's slapping their necks forward and

1427

01:09:21,780 --> 01:09:17,109

then lean and in some people do this to

1428

01:09:24,990 --> 01:09:21,790

the rhythm of some music however just

1429

01:09:29,999 --> 01:09:25,000

messin with you guys okay so but the hat

1430

01:09:32,370 --> 01:09:30,009

man in the aliens lean forward you know

1431

01:09:33,749 --> 01:09:32,380

people will see them and then this lean

1432

01:09:35,550 --> 01:09:33,759

or they look like they're leaning

1433

01:09:39,450 --> 01:09:35,560

forward like they're pointing their

1434

01:09:41,459 --> 01:09:39,460

nasty stinking rotten energy at you to

1435

01:09:45,439 --> 01:09:41,469

toss their nasty stinking rotten net

1436

01:09:48,629 --> 01:09:45,449

over you that's what's so odd to me

1437

01:09:51,689 --> 01:09:48,639

really odd I'm like what it what's in

1438

01:09:56,899 --> 01:09:51,699

that lean it's a mean lean not like a

1439

01:10:01,979 --> 01:09:56,909

pimp but you know something worse it oh

1440

01:10:04,080 --> 01:10:01,989

lord help me a mean lean up a pimp what

1441

01:10:06,359 --> 01:10:04,090

did that come from I don't know but it's

1442

01:10:09,300 --> 01:10:06,369

my second year anniversary on accession

1443

01:10:16,350 --> 01:10:09,310

Radio Network yes it's going crazy okay

1444

01:10:19,080 --> 01:10:16,360

so anyways um okay but you know this is

1445

01:10:20,609 --> 01:10:19,090

weird okay it wasn't it was in the dark

1446

01:10:23,010 --> 01:10:20,619

that you saw this guy cuz he was at the

1447

01:10:25,410 --> 01:10:23,020

foot of your bed and you said his eyes

1448

01:10:29,160 --> 01:10:25,420

were reddish but they weren't glowing

1449

01:10:30,450 --> 01:10:29,170

how could you see them I mean I couldn't

1450

01:10:32,790 --> 01:10:30,460

tell if somebody's eyes were blue at

1451

01:10:35,010 --> 01:10:32,800

night I mean unless they were maybe

1452

01:10:42,180 --> 01:10:35,020

glowing blue you know like the movie

1453

01:10:44,609 --> 01:10:42,190

dune I was a little movie okay um yeah

1454

01:10:46,859 --> 01:10:44,619

that's just weird but anyways um that's

1455

01:10:49,439 --> 01:10:46,869

me shedding light on your story I don't

1456

01:10:52,830 --> 01:10:49,449

know what what else what and I mean I

1457

01:10:55,620 --> 01:10:52,840

don't read the hat man book and yeah hat

1458

01:10:56,970 --> 01:10:55,630

man exists and it's you not the only one

1459

01:11:00,209 --> 01:10:56,980

to be hearing this stuff out of nowhere

1460

01:11:01,800 --> 01:11:00,219

that oh my gosh he's for real I get him

1461

01:11:03,600 --> 01:11:01,810

a lot I said get him probably once a

1462

01:11:05,520 --> 01:11:03,610

week I get one that's like oh my gosh

1463

01:11:09,080 --> 01:11:05,530

he's real really he's real he's really

1464

01:11:10,879 --> 01:11:09,090

real real for real yeah he's for real

1465

01:11:14,030 --> 01:11:10,889

I'm so sorry I hate to be the one to

1466

01:11:15,800 --> 01:11:14,040

break it to you and but it's it's okay

1467

01:11:17,870 --> 01:11:15,810

you can handle him you could take him on

1468

01:11:19,879 --> 01:11:17,880

not-not-not don't don't challenge him

1469

01:11:22,220 --> 01:11:19,889

don't be crazy now we're not going to do

1470

01:11:24,109 --> 01:11:22,230

that no we're just just putting the word

1471

01:11:27,080 --> 01:11:24,119

on him to know that his stinky rotten

1472

01:11:28,520 --> 01:11:27,090

self is wandering around playing with

1473

01:11:31,100 --> 01:11:28,530

people's feet at night at the foot of

1474

01:11:32,720 --> 01:11:31,110

their bed okay because sometimes he does

1475

01:11:34,910 --> 01:11:32,730

tickle people's feet now it was wrong

1476

01:11:38,359 --> 01:11:34,920

he's got a foot fetish foot of the bed

1477

01:11:40,640 --> 01:11:38,369

foot fetish it doesn't mess with ya okay

1478

01:11:43,010 --> 01:11:40,650

so anyways we're gonna move on to the

1479

01:11:46,580 --> 01:11:43,020

next one I'm in just read this one did I

1480

01:11:47,810 --> 01:11:46,590

know hello Heidi my name is Mackenzie

1481

01:11:50,149 --> 01:11:47,820

well hello Mackenzie what's up

1482

01:11:52,879 --> 01:11:50,159

girlfriend a few months ago I began

1483

01:11:55,820 --> 01:11:52,889

seeing these shadow people at first I

1484

01:11:57,560 --> 01:11:55,830

thought it was my imagination oh that

1485

01:12:00,050 --> 01:11:57,570

darn emerged imagination of those people

1486

01:12:02,120 --> 01:12:00,060

you know first left that was my

1487

01:12:03,700 --> 01:12:02,130

imagination thinking I just saw

1488

01:12:07,100 --> 01:12:03,710

something out of the corner of my eye

1489

01:12:09,709 --> 01:12:07,110

then became more frequent and and clear

1490

01:12:13,879 --> 01:12:09,719

I saw a man that was most

1491

01:12:17,689 --> 01:12:13,889

distinguishable oh man I keep getting

1492

01:12:19,729 --> 01:12:17,699

these nasty people nasty man people i

1493

01:12:22,640 --> 01:12:19,739

should say that's not nasty people of

1494

01:12:26,629 --> 01:12:22,650

days he had me he wore a hat and a long

1495

01:12:28,970 --> 01:12:26,639

trench coat huh but everything about him

1496

01:12:32,060 --> 01:12:28,980

was black and shadow like which made me

1497

01:12:34,399 --> 01:12:32,070

think he was just a clearer shadow

1498

01:12:36,770 --> 01:12:34,409

person upon doing research on these

1499

01:12:39,169 --> 01:12:36,780

shadow people i saw a link that said hat

1500

01:12:41,419 --> 01:12:39,179

man so i clicked on it and it brought me

1501

01:12:44,060 --> 01:12:41,429

to your website will I'll be darned the

1502

01:12:46,490 --> 01:12:44,070

picture illustrated was exactly the hat

1503

01:12:49,430 --> 01:12:46,500

man I've been seeing he always seemed to

1504

01:12:52,070 --> 01:12:49,440

just be staring almost as if he was

1505

01:12:55,459 --> 01:12:52,080

trying to blend in with a crowd that

1506

01:12:57,350 --> 01:12:55,469

wasn't there and then he'd go away with

1507

01:13:00,589 --> 01:12:57,360

further reading of your article I saw

1508

01:13:04,100 --> 01:13:00,599

that it also said you or someone close

1509

01:13:07,160 --> 01:13:04,110

to you will die soon mm-hmm tell you

1510

01:13:09,350 --> 01:13:07,170

that potentially um and then we got a

1511

01:13:12,020 --> 01:13:09,360

phone call that my grandmother's

1512

01:13:14,149 --> 01:13:12,030

terminal cancer has taken a turn for the

1513

01:13:16,459 --> 01:13:14,159

worse and she was expected to go soon

1514

01:13:18,169 --> 01:13:16,469

I'm sorry to hear that my parents have

1515

01:13:21,439 --> 01:13:18,179

since flown to Oregon to be with her

1516

01:13:22,530 --> 01:13:21,449

until her passing my question for you is

1517

01:13:24,300 --> 01:13:22,540

this

1518

01:13:26,760 --> 01:13:24,310

what do I do about these shadow people

1519

01:13:28,770 --> 01:13:26,770

following me are they a threat to my

1520

01:13:31,440 --> 01:13:28,780

well-being I hope to hear from you soon

1521

01:13:35,240 --> 01:13:31,450

if not with answers at least with advice

1522

01:13:37,920 --> 01:13:35,250

or information Thank You McKenzie Oh

1523

01:13:41,300 --> 01:13:37,930

Mackenzie Mackenzie Mackenzie that is

1524

01:13:43,560 --> 01:13:41,310

just that's horrible that's just wrong

1525

01:13:45,300 --> 01:13:43,570

his rotten good friend of the self

1526

01:13:47,160 --> 01:13:45,310

showing up the way that he does does not

1527

01:13:49,260 --> 01:13:47,170

always mean somebody's going to die um

1528

01:13:52,320 --> 01:13:49,270

he just like to hang out just before

1529

01:13:55,290 --> 01:13:52,330

somebody passes sometimes um he does

1530

01:13:57,000 --> 01:13:55,300

encourage horrible things he does help

1531

01:14:01,050 --> 01:13:57,010

horrible things to go along I don't know

1532

01:14:06,210 --> 01:14:01,060

why I don't know why he's just horrible

1533

01:14:09,870 --> 01:14:06,220

to begin with um why is he staring at

1534

01:14:12,630 --> 01:14:09,880

you why is he staring at you is he it

1535

01:14:15,510 --> 01:14:12,640

you're asking what do you do about them

1536

01:14:17,610 --> 01:14:15,520

following you well it doesn't feel good

1537

01:14:22,290 --> 01:14:17,620

it does not feel good right a kiss bad

1538

01:14:25,080 --> 01:14:22,300

is bad bad news so put some good news on

1539

01:14:27,750 --> 01:14:25,090

it oh the Bible uh you know whatever it

1540

01:14:31,350 --> 01:14:27,760

is that you know you interpret as being

1541

01:14:34,970 --> 01:14:31,360

good and following the one God you know

1542

01:14:39,210 --> 01:14:34,980

what I'm saying throw that at them okay

1543

01:14:43,250 --> 01:14:39,220

find it in you to throw the good news

1544

01:14:46,710 --> 01:14:43,260

Adam ok because it's things horrible

1545

01:14:48,480 --> 01:14:46,720

they're horrible hey I don't know it's

1546

01:14:51,030 --> 01:14:48,490

like I get these questions like what do

1547

01:14:54,570 --> 01:14:51,040

I do about them they're staring at

1548

01:14:56,370 --> 01:14:54,580

something it's not your your purse or

1549

01:14:58,590 --> 01:14:56,380

your shoes I don't think they're envious

1550

01:15:01,380 --> 01:14:58,600

in that sense so they're looking to live

1551

01:15:05,220 --> 01:15:01,390

deeper just a little bit so if they're

1552

01:15:09,030 --> 01:15:05,230

looking deeper and staring at it they're

1553

01:15:13,380 --> 01:15:09,040

staring at something in you I mean is it

1554

01:15:16,650 --> 01:15:13,390

the light in you if it is yay yeah it's

1555

01:15:21,060 --> 01:15:16,660

the light because that helps to propel

1556

01:15:23,010 --> 01:15:21,070

and repel the freaking thing too because

1557

01:15:25,710 --> 01:15:23,020

sometimes people are just so darn

1558

01:15:27,210 --> 01:15:25,720

positive they just sit there and want to

1559

01:15:29,880 --> 01:15:27,220

figure out how they come find a weak

1560

01:15:32,820 --> 01:15:29,890

spot so I know how could I think I'm not

1561

01:15:35,370 --> 01:15:32,830

going to put this okay say like you

1562

01:15:36,340 --> 01:15:35,380

really really like cookies perhaps

1563

01:15:37,600 --> 01:15:36,350

you're the cookie monster

1564

01:15:40,030 --> 01:15:37,610

and you're all blue and fuzzy and

1565

01:15:42,850 --> 01:15:40,040

everything I don't know and like so

1566

01:15:46,090 --> 01:15:42,860

there's like this cookie shop down the

1567

01:15:48,790 --> 01:15:46,100

street but there's always somebody in

1568

01:15:50,950 --> 01:15:48,800

that darn cookie shop I mean like jay-z

1569

01:15:52,780 --> 01:15:50,960

just can't get in there cuz you'll have

1570

01:15:55,120 --> 01:15:52,790

any money by the way cookie monster has

1571

01:15:57,580 --> 01:15:55,130

no pockets to go and pay for his cookies

1572

01:16:01,210 --> 01:15:57,590

okay so you're just looking for that

1573

01:16:03,090 --> 01:16:01,220

opportunity for someone to you know kind

1574

01:16:06,130 --> 01:16:03,100

of go away from the counter for a minute

1575

01:16:07,720 --> 01:16:06,140

so you can slide behind the counter and

1576

01:16:09,850 --> 01:16:07,730

grabbed the cookie of your choice

1577

01:16:12,550 --> 01:16:09,860

perhaps you'll take all the cookies if

1578

01:16:14,410 --> 01:16:12,560

you have the opportunity in the time you

1579

01:16:16,840 --> 01:16:14,420

know you might just browse around and

1580

01:16:20,590 --> 01:16:16,850

grab all the good ones and then right

1581

01:16:23,170 --> 01:16:20,600

out the door so does that paint a

1582

01:16:25,840 --> 01:16:23,180

picture I think he's waiting for an

1583

01:16:27,580 --> 01:16:25,850

opportunity to get in he's waiting for

1584

01:16:29,740 --> 01:16:27,590

somebody to step away from the counter

1585

01:16:32,920 --> 01:16:29,750

are you keeping an eye on him at all

1586

01:16:34,470 --> 01:16:32,930

times because if not perhaps you should

1587

01:16:37,720 --> 01:16:34,480

call on God to do that for you because

1588

01:16:39,420 --> 01:16:37,730

we can't stay awake all night he comes

1589

01:16:42,550 --> 01:16:39,430

like a thief in the night for a reason

1590

01:16:44,320 --> 01:16:42,560

he likes to sit there and stare when he

1591

01:16:46,600 --> 01:16:44,330

thinks nobody's looking because he's

1592

01:16:49,300 --> 01:16:46,610

looking for that chance he's looking for

1593

01:16:50,740 --> 01:16:49,310

that chance no I I like to get into

1594

01:16:52,240 --> 01:16:50,750

something here and there's something I

1595

01:16:55,480 --> 01:16:52,250

wanted to bring up this evening because

1596

01:16:57,940 --> 01:16:55,490

oh boy this is something that I write

1597

01:17:00,610 --> 01:16:57,950

about in my book the secret war the true

1598

01:17:03,820 --> 01:17:00,620

story of a real alien war and shadow

1599

01:17:07,930 --> 01:17:03,830

people this is the first book to name

1600

01:17:09,550 --> 01:17:07,940

the phenomena of shadow people and why I

1601

01:17:11,260 --> 01:17:09,560

put that out there is because there

1602

01:17:12,490 --> 01:17:11,270

wasn't anything out there I was

1603

01:17:14,190 --> 01:17:12,500

something I was dealing with I was

1604

01:17:16,330 --> 01:17:14,200

seeing and it was just it was horrible

1605

01:17:20,080 --> 01:17:16,340

nobody could give me any answers nobody

1606

01:17:22,540 --> 01:17:20,090

knew what the stuff was and we have I

1607

01:17:24,370 --> 01:17:22,550

had some help from above in two

1608

01:17:27,460 --> 01:17:24,380

different senses of the word let's put

1609

01:17:33,600 --> 01:17:27,470

it that way check the book out it's a

1610

01:17:36,730 --> 01:17:33,610

long story but but anyways yeah so

1611

01:17:39,370 --> 01:17:36,740

imagine this and this is this is a

1612

01:17:42,760 --> 01:17:39,380

scenario that I've had explained to me

1613

01:17:45,130 --> 01:17:42,770

and then I had happen to me and I again

1614

01:17:47,470 --> 01:17:45,140

and again and now not so much because I

1615

01:17:49,720 --> 01:17:47,480

think I got a good handle on things but

1616

01:17:53,500 --> 01:17:49,730

imagine this so

1617

01:17:55,780 --> 01:17:53,510

you have this dream and there's an alien

1618

01:17:58,360 --> 01:17:55,790

invasion going on and you are run and

1619

01:18:00,580 --> 01:17:58,370

run and run and run and run and boy oh

1620

01:18:03,729 --> 01:18:00,590

boy and this this is something to happen

1621

01:18:08,520 --> 01:18:03,739

to me and you see it really ugly alien

1622

01:18:11,380 --> 01:18:08,530

just disgusting just like slimy uh

1623

01:18:13,660 --> 01:18:11,390

stinky yes stinky we're gonna throw

1624

01:18:16,210 --> 01:18:13,670

stinky don't remember this thing was

1625

01:18:19,060 --> 01:18:16,220

stinky but all I know is like I had the

1626

01:18:20,920 --> 01:18:19,070

upper hand of this one alien I mean

1627

01:18:23,950 --> 01:18:20,930

literally I had my hands wrapped around

1628

01:18:26,530 --> 01:18:23,960

its throat as it was trying to kill

1629

01:18:30,010 --> 01:18:26,540

people and mange people and all this

1630

01:18:33,310 --> 01:18:30,020

stuff I'm holding on to him and I'm like

1631

01:18:35,830 --> 01:18:33,320

no you are not going to push me around

1632

01:18:37,330 --> 01:18:35,840

you are not going to injure me you are

1633

01:18:39,760 --> 01:18:37,340

not going to do any of these things but

1634

01:18:41,800 --> 01:18:39,770

it is done this is it that's the power

1635

01:18:43,870 --> 01:18:41,810

of Heidi right there pal right in your

1636

01:18:48,090 --> 01:18:43,880

face type of thing and then this

1637

01:18:51,040 --> 01:18:48,100

creature he paused any changed his face

1638

01:18:52,300 --> 01:18:51,050

and he now see he was gross enough he's

1639

01:18:55,229 --> 01:18:52,310

like reptilian or something then he

1640

01:18:58,479 --> 01:18:55,239

changed his face again he just got so

1641

01:19:02,440 --> 01:18:58,489

wretched and crackity and crotchety

1642

01:19:05,020 --> 01:19:02,450

gross nasty Oh dripping in my hand is

1643

01:19:07,840 --> 01:19:05,030

touching him okay and I'm like I'm

1644

01:19:11,380 --> 01:19:07,850

watching this change go on and I'm like

1645

01:19:15,370 --> 01:19:11,390

that's it you win I came up and I ran

1646

01:19:18,370 --> 01:19:15,380

because I didn't want to be around this

1647

01:19:22,240 --> 01:19:18,380

nasty thing anymore in my hand was

1648

01:19:27,310 --> 01:19:22,250

filthy from holding him back and so I

1649

01:19:29,770 --> 01:19:27,320

was done I was done I ran wouldn't gos

1650

01:19:32,110 --> 01:19:29,780

this is nasty you know I felt confident

1651

01:19:34,450 --> 01:19:32,120

enough that I could take them but my he

1652

01:19:37,270 --> 01:19:34,460

found my weakness I don't want to touch

1653

01:19:43,270 --> 01:19:37,280

some boogers not face which is what it

1654

01:19:46,420 --> 01:19:43,280

was it was nasty okay and and you know

1655

01:19:48,550 --> 01:19:46,430

what so the dream stopped it's like a

1656

01:19:51,670 --> 01:19:48,560

real like dream you know this is like

1657

01:19:53,380 --> 01:19:51,680

who I'm like exhausted oh my gosh i

1658

01:19:54,820 --> 01:19:53,390

can't believe i mean i woke up at the

1659

01:19:57,160 --> 01:19:54,830

end of it Mike was everyone took a lot

1660

01:19:59,260 --> 01:19:57,170

out of me because who he was just a

1661

01:20:01,750 --> 01:19:59,270

nasty looking creature so I'm like okay

1662

01:20:03,459 --> 01:20:01,760

I'm gonna go back to sleep now and do

1663

01:20:08,109 --> 01:20:03,469

you know I

1664

01:20:12,370 --> 01:20:08,119

went right back to the same dream the

1665

01:20:17,109 --> 01:20:12,380

same scenario and the same thing played

1666

01:20:20,620 --> 01:20:17,119

out and I'm like oh really Dow I it's

1667

01:20:23,979 --> 01:20:20,630

like you need to tell me I've gotta deal

1668

01:20:28,509 --> 01:20:23,989

with this nasty buggers not creature yet

1669

01:20:30,729 --> 01:20:28,519

again oh and I knew better I knew better

1670

01:20:33,910 --> 01:20:30,739

because I had had many of these types of

1671

01:20:35,979 --> 01:20:33,920

dreams where end of the world case in

1672

01:20:37,660 --> 01:20:35,989

their video or something's getting you

1673

01:20:40,719 --> 01:20:37,670

something smack and you've read

1674

01:20:44,500 --> 01:20:40,729

something's trying to get at you and I

1675

01:20:47,830 --> 01:20:44,510

had to learn the right reaction the

1676

01:20:51,520 --> 01:20:47,840

right response or I had to repeat it

1677

01:20:56,229 --> 01:20:51,530

again and again and again until I got it

1678

01:20:58,979 --> 01:20:56,239

right and neck something talked about

1679

01:21:01,689 --> 01:20:58,989

having a hold of boogers not alien back

1680

01:21:05,020 --> 01:21:01,699

it's just wrong is wrong in so many ways

1681

01:21:08,169 --> 01:21:05,030

but i had to find the courage in myself

1682

01:21:10,810 --> 01:21:08,179

to disregard the cleanliness of my hands

1683

01:21:15,819 --> 01:21:10,820

and my stomach turning to look at this

1684

01:21:20,379 --> 01:21:15,829

thing and deal with it and deal with it

1685

01:21:22,270 --> 01:21:20,389

so i think also like when the hat man

1686

01:21:24,370 --> 01:21:22,280

and these rotten good-for-nothing

1687

01:21:27,160 --> 01:21:24,380

lowdown dark creatures and they're

1688

01:21:28,750 --> 01:21:27,170

watching you sleep and you're making the

1689

01:21:30,419 --> 01:21:28,760

wrong decisions and they so-called

1690

01:21:33,549 --> 01:21:30,429

dreams that they're helping to inspire

1691

01:21:35,830 --> 01:21:33,559

sometimes i think they're what they're

1692

01:21:38,919 --> 01:21:35,840

hoping to encourage you to take and make

1693

01:21:42,399 --> 01:21:38,929

the wrong decision to coward out to run

1694

01:21:44,919 --> 01:21:42,409

to do whatever it takes and then and

1695

01:21:47,200 --> 01:21:44,929

it's like a testing of who you are if

1696

01:21:51,219 --> 01:21:47,210

you're strong enough you feel bad enough

1697

01:21:53,830 --> 01:21:51,229

to take them on and take them down you

1698

01:21:58,419 --> 01:21:53,840

know what I'm saying because from what I

1699

01:22:01,239 --> 01:21:58,429

was taught and told by some different

1700

01:22:03,750 --> 01:22:01,249

beings oh yes Heidi has been through

1701

01:22:07,120 --> 01:22:03,760

some stuff let me put it that way and

1702

01:22:11,200 --> 01:22:07,130

the powers that be you know it's just

1703

01:22:13,419 --> 01:22:11,210

that it's not it there's a lot of tests

1704

01:22:15,609 --> 01:22:13,429

being given out there there's a lot of

1705

01:22:16,060 --> 01:22:15,619

tests there's a lot of training being

1706

01:22:17,770 --> 01:22:16,070

given

1707

01:22:20,230 --> 01:22:17,780

through our dreams why do we have to go

1708

01:22:22,660 --> 01:22:20,240

to sleep at night well as though some of

1709

01:22:25,840 --> 01:22:22,670

those dreams are not just dreams I mean

1710

01:22:27,640 --> 01:22:25,850

I i wake up from those tests dreams like

1711

01:22:29,680 --> 01:22:27,650

I feel like I just went through a test

1712

01:22:32,410 --> 01:22:29,690

and I had to repeat the darn thing till

1713

01:22:35,410 --> 01:22:32,420

I did it right because i think they're

1714

01:22:38,400 --> 01:22:35,420

getting us ready for taking on some of

1715

01:22:41,770 --> 01:22:38,410

these big baddies of the world out there

1716

01:22:44,020 --> 01:22:41,780

why because what is that it's in

1717

01:22:46,060 --> 01:22:44,030

Revelations and the end times your young

1718

01:22:49,750 --> 01:22:46,070

men and your man will dream dreams of

1719

01:22:53,560 --> 01:22:49,760

the end and these n dreams are

1720

01:22:55,600 --> 01:22:53,570

cataclysmic events there floods there's

1721

01:22:59,440 --> 01:22:55,610

earthquakes there's all sorts of things

1722

01:23:01,510 --> 01:22:59,450

and so many people are in its alien

1723

01:23:04,630 --> 01:23:01,520

invasion it's it's all sorts of

1724

01:23:06,010 --> 01:23:04,640

different scenarios and I love hearing

1725

01:23:08,940 --> 01:23:06,020

these stories so feel free to write me

1726

01:23:11,710 --> 01:23:08,950

about them because they are unbelievable

1727

01:23:13,960 --> 01:23:11,720

what people are being seen and shown and

1728

01:23:15,370 --> 01:23:13,970

they're so real to people that they

1729

01:23:18,100 --> 01:23:15,380

can't believe that they didn't actually

1730

01:23:21,070 --> 01:23:18,110

take place like you wake up and it's

1731

01:23:22,960 --> 01:23:21,080

it's like you know wow this really

1732

01:23:25,150 --> 01:23:22,970

happened or you know let me go check it

1733

01:23:28,690 --> 01:23:25,160

that flood outside my window you know

1734

01:23:30,640 --> 01:23:28,700

it's it's that real and it's so real

1735

01:23:33,670 --> 01:23:30,650

that you feel like it that that

1736

01:23:38,700 --> 01:23:33,680

experience that so-called dream gets

1737

01:23:42,970 --> 01:23:38,710

categorized in your head as a memory a

1738

01:23:46,390 --> 01:23:42,980

learning experience not as a dream it

1739

01:23:48,910 --> 01:23:46,400

gets filed away in a different area like

1740

01:23:51,160 --> 01:23:48,920

I swear I wake up with PTSD little

1741

01:23:54,460 --> 01:23:51,170

post-traumatic stress disorder because I

1742

01:23:56,500 --> 01:23:54,470

have so it I feel exhausted I feel

1743

01:23:58,390 --> 01:23:56,510

devastated sometimes by some of the

1744

01:24:00,220 --> 01:23:58,400

things I've witness and that I lost and

1745

01:24:02,650 --> 01:24:00,230

the and the boogers not that I got on my

1746

01:24:05,350 --> 01:24:02,660

hand and you know getting up wash my

1747

01:24:07,900 --> 01:24:05,360

hands and and then you think you picked

1748

01:24:10,690 --> 01:24:07,910

asleep whoa glad that one's over nope

1749

01:24:12,630 --> 01:24:10,700

boom right back in it I have been

1750

01:24:16,000 --> 01:24:12,640

through I feel like I've been through

1751

01:24:17,380 --> 01:24:16,010

five different endings of the world five

1752

01:24:19,690 --> 01:24:17,390

different scenarios I've seen the

1753

01:24:23,650 --> 01:24:19,700

earthquake one the flooding one daily an

1754

01:24:25,990 --> 01:24:23,660

invasion one demon once everybody being

1755

01:24:28,900 --> 01:24:26,000

thrown into the pits of Hell one oh gosh

1756

01:24:29,920 --> 01:24:28,910

I mean it's so many of them I mean I'm

1757

01:24:31,450 --> 01:24:29,930

just like what

1758

01:24:32,590 --> 01:24:31,460

what more could you throw at me and I'm

1759

01:24:35,260 --> 01:24:32,600

not going to ask that question I don't

1760

01:24:37,900 --> 01:24:35,270

want more thrown at me but uh you know

1761

01:24:40,210 --> 01:24:37,910

I've had heard so many cool ones too and

1762

01:24:42,850 --> 01:24:40,220

people are like why would I dream that

1763

01:24:44,470 --> 01:24:42,860

that's like why wouldn't any of us so

1764

01:24:46,000 --> 01:24:44,480

many of us are having these dreams and I

1765

01:24:49,030 --> 01:24:46,010

want to encourage you guys to speak

1766

01:24:51,040 --> 01:24:49,040

about it please speak about it share

1767

01:24:52,930 --> 01:24:51,050

these case scenarios and and what's

1768

01:24:55,420 --> 01:24:52,940

being shown to us I think these are

1769

01:24:58,180 --> 01:24:55,430

lessons to be learned and to be taught

1770

01:25:00,370 --> 01:24:58,190

so when it happens if I get a booger

1771

01:25:02,770 --> 01:25:00,380

snot alien drooling on my hand guess

1772

01:25:05,350 --> 01:25:02,780

what I could take them I feel I've been

1773

01:25:08,740 --> 01:25:05,360

through it before it's a it's a learning

1774

01:25:11,170 --> 01:25:08,750

experience to say the least I feel I

1775

01:25:12,460 --> 01:25:11,180

could take on a whole slew of boogers

1776

01:25:14,290 --> 01:25:12,470

not aliens though I do not wish to

1777

01:25:17,740 --> 01:25:14,300

nobody put that out there don't say that

1778

01:25:19,300 --> 01:25:17,750

I said it okay because that's what's the

1779

01:25:23,320 --> 01:25:19,310

boogers not aliens of the world I'll

1780

01:25:24,910 --> 01:25:23,330

come my way now dang it uh don't want to

1781

01:25:26,980 --> 01:25:24,920

see you guys don't want to see them

1782

01:25:28,330 --> 01:25:26,990

they're horrible I don't know if

1783

01:25:30,400 --> 01:25:28,340

anybody's reported such a thing I've

1784

01:25:33,220 --> 01:25:30,410

never seen a story about him and let's

1785

01:25:37,900 --> 01:25:33,230

hope to god that nobody else even dreams

1786

01:25:39,730 --> 01:25:37,910

about them hello people in the chat room

1787

01:25:42,870 --> 01:25:39,740

cracked me up the Heidi series they were

1788

01:25:46,990 --> 01:25:42,880

trying to eat her the boogers not aliens

1789

01:25:49,450 --> 01:25:47,000

look her yes I don't want them so

1790

01:25:51,640 --> 01:25:49,460

anyways yes you know these case

1791

01:25:52,990 --> 01:25:51,650

scenarios Mackenzie yours and you're

1792

01:25:56,550 --> 01:25:53,000

talking about the hat man just staring

1793

01:25:59,440 --> 01:25:56,560

you know I just cannot help but to think

1794

01:26:01,900 --> 01:25:59,450

this is part of his stare game he's

1795

01:26:03,310 --> 01:26:01,910

waiting and he's watching what's her

1796

01:26:05,110 --> 01:26:03,320

decision going to be what's that

1797

01:26:08,970 --> 01:26:05,120

nightmare gonna play out what are they

1798

01:26:13,720 --> 01:26:08,980

gonna do Dana did it he's horrible he is

1799

01:26:15,250 --> 01:26:13,730

horrible that's all good slow and any

1800

01:26:18,910 --> 01:26:15,260

kind of case scenario that you can

1801

01:26:23,440 --> 01:26:18,920

imagine he would be part of yeah he's

1802

01:26:26,230 --> 01:26:23,450

doing it death illness anger you know

1803

01:26:29,050 --> 01:26:26,240

anything and everything and darkness is

1804

01:26:31,390 --> 01:26:29,060

darkness it is what it is but be on your

1805

01:26:34,540 --> 01:26:31,400

on your P's and Q's be on your toes and

1806

01:26:37,399 --> 01:26:34,550

don't give a rat's bottom a big old

1807

01:26:40,879 --> 01:26:37,409

nasty rats bottom

1808

01:26:44,359 --> 01:26:40,889

about what people think so what it

1809

01:26:45,919 --> 01:26:44,369

called me crazy oh boy who cares I've

1810

01:26:48,770 --> 01:26:45,929

been called crazy every five minutes

1811

01:26:51,229 --> 01:26:48,780

watch nope nobody called me crazy yet so

1812

01:26:53,419 --> 01:26:51,239

it's okay that's all right you're among

1813

01:26:57,020 --> 01:26:53,429

friends here you could just spent to me

1814

01:26:58,279 --> 01:26:57,030

it's all good so Mackenzie I I don't

1815

01:26:59,600 --> 01:26:58,289

know if there's some let's see what's

1816

01:27:00,679 --> 01:26:59,610

your question for me why are they

1817

01:27:02,600 --> 01:27:00,689

following you they're looking at

1818

01:27:04,219 --> 01:27:02,610

something try to put your foot in their

1819

01:27:05,209 --> 01:27:04,229

backside and tell them get the heck out

1820

01:27:06,799 --> 01:27:05,219

are they a threat to your well-being

1821

01:27:08,779 --> 01:27:06,809

heck yes they're a threat to everybody

1822

01:27:10,699 --> 01:27:08,789

well-being and i think that there's a

1823

01:27:12,529 --> 01:27:10,709

very good possibility they will visit

1824

01:27:17,299 --> 01:27:12,539

everybody on your friends list on

1825

01:27:20,750 --> 01:27:17,309

facebook sorry um I don't know what to

1826
01:27:22,609 --> 01:27:20,760
tell you but yeah yeah bless your home

1827
01:27:25,129 --> 01:27:22,619
bless your room if you don't own the

1828
01:27:27,350 --> 01:27:25,139
home if you don't it's a place that

1829
01:27:28,549 --> 01:27:27,360
you're renting is not you only have the

1830
01:27:30,709 --> 01:27:28,559
one room you know bless your whole

1831
01:27:32,569 --> 01:27:30,719
apartment whatever you know just bless

1832
01:27:34,549 --> 01:27:32,579
it put your foot down but just put some

1833
01:27:36,589 --> 01:27:34,559
faith into it too let's look put a

1834
01:27:38,089 --> 01:27:36,599
little you know little Bible coat paint

1835
01:27:40,339 --> 01:27:38,099
it on the bottom of your shoe and and

1836
01:27:44,810 --> 01:27:40,349
shove that in their backside that'll

1837
01:27:46,699 --> 01:27:44,820
hurt um no anything and everything do

1838
01:27:49,489 --> 01:27:46,709

not filter it just throw it out there

1839

01:27:51,350 --> 01:27:49,499

okay people need to get their faith back

1840

01:27:53,330 --> 01:27:51,360

1843

01:28:02,000 --> 01:27:59,729

1844

01:28:07,479 --> 01:28:02,010

things not to go and say come on man I

1845

01:28:10,250 --> 01:28:07,489

1846

01:28:12,560 --> 01:28:10,260

1847

01:28:14,569 --> 01:28:12,570

because it's so comfortable here I love

1848

01:28:16,699 --> 01:28:14,579

this spot and I wish you all could feel

1849

01:28:19,299 --> 01:28:16,709

it too cuz I feel pretty younger I sleep

1850

01:28:22,939 --> 01:28:19,309

good at night I don't sit there and

1851

01:28:25,850 --> 01:28:22,949

anticipate some foot fetish hat man at

1852

01:28:28,399 --> 01:28:25,860

the foot of my bed oh no no has he tried

1853

01:28:31,279 --> 01:28:28,409

oh yeah doesn't mean it works you know

1854

01:28:32,509 --> 01:28:31,289

I'm saying so anyways Mackenzie and the

1855

01:28:34,699 --> 01:28:32,519

1856

01:28:37,219 --> 01:28:34,709

1860

01:28:47,209 --> 01:28:44,820

of it it's so funny how emails have

1861

01:28:49,219 --> 01:28:47,219

changed over the years it was ghost then

1862

01:28:50,970 --> 01:28:49,229

it came a Lian's then it became shadow

1863

01:28:53,130 --> 01:28:50,980

people and we came the hat man

1864

01:28:56,100 --> 01:28:53,140

I get some on Jesus too I write books on

1865

01:28:58,229 --> 01:28:56,110

Jesus so please Jesus encounters visions

1866

01:29:00,330 --> 01:28:58,239

1870

01:29:11,630 --> 01:29:07,810

thing that's going to be going on with

1871

01:29:13,800 --> 01:29:11,640

that i dream of jeannie looking craft

1872

01:29:15,240 --> 01:29:13,810

that they're setting out there do you

1873

01:29:18,090 --> 01:29:15,250

think they'll come back with treat with

1874

01:29:19,560 --> 01:29:18,100

Jeannie because I I'm pretty sure that's

1875

01:29:21,150 --> 01:29:19,570

what they're going to find they are

1876

01:29:23,460 --> 01:29:21,160

probably more likely to say they found

1877

01:29:24,930 --> 01:29:23,470

Jeannie than an alien you know that i

1878

01:29:27,570 --> 01:29:24,940

dream of jeannie capsule was a called

1879

01:29:29,490 --> 01:29:27,580

1880

01:29:33,150 --> 01:29:29,500

your eyes peeled for dear Ryan and if it

1881

01:29:36,540 --> 01:29:33,160

lands on a beach and and they come back

1882

01:29:37,680 --> 01:29:36,550
