2
00:01:07,510 --> 00:01:05,290
the extraordinary phenomenon

3
00:01:08,410 --> 00:01:07,520
investigations council presents epic

4
00:01:10,930 --> 00:01:08,420
voyages

5
00:01:12,969 --> 00:01:10,940
come join us as we hitler and experience

6
00:02:03,330 --> 00:01:12,979
the great mysteries of the world with

7
00:02:09,580 --> 00:02:06,640
welcome aboard everybody to epic

8
00:02:13,150 --> 00:02:09,590
voyagers radio show this is inception

9
00:02:17,110 --> 00:02:13,160
Radio Network calm I am Laurel tag and

10
00:02:18,910 --> 00:02:17,120
my guest tonight is the inimitable Jim

11
00:02:23,620 --> 00:02:18,920
Marrs and we're going to be talking

12
00:02:26,190 --> 00:02:23,630
about his recently published revision of

13
00:02:29,110 --> 00:02:26,200

crossfire the plot that killed Kennedy

14

00:02:33,100 --> 00:02:29,120

I'm sure everybody out there listening

15

00:02:35,850 --> 00:02:33,110

tonight knows who Jim is Jim has been a

16

00:02:40,960 --> 00:02:35,860

an investigative reporter and an author

17

00:02:43,540 --> 00:02:40,970

speaker guest on many television shows

18

00:02:47,410 --> 00:02:43,550

and radio shows over the years

19

00:02:49,960 --> 00:02:47,420

Jim is particularly qualified for this

20

00:02:52,090 --> 00:02:49,970

exact topic because he's actually taught

21

00:02:54,130 --> 00:02:52,100

of course on the Kennedy assassination

22

00:02:58,120 --> 00:02:54,140

at the University of Texas at Arlington

23

00:03:00,130 --> 00:02:58,130

for 30 years so let's just get right

24

00:03:03,000 --> 00:03:00,140

down to it Jim happy birthday a little

25

00:03:06,190 --> 00:03:03,010

bit early yeah well thank you Laurel

26

00:03:09,430 --> 00:03:06,200

happy birthday to you too yes it comes

27

00:03:10,930 --> 00:03:09,440

around here you know in fact come to

28

00:03:16,050 --> 00:03:10,940

think of it it happened to me last year

29

00:03:18,940 --> 00:03:16,060

yeah yeah but you said something about

30

00:03:21,210 --> 00:03:18,950

the memory going as you get older and I

31

00:03:24,250 --> 00:03:21,220

think you're probably right about that

32

00:03:27,190 --> 00:03:24,260

well I'm saying the two sure signs of

33

00:03:35,949 --> 00:03:27,200

advancing senility are the loss of

34

00:03:41,949 --> 00:03:38,070

Scorpions have to stick together here

35

00:03:43,810 --> 00:03:41,959

well Jim this we're coming up on the

36

00:03:47,680 --> 00:03:43,820

fiftieth anniversary of the

37

00:03:50,470 --> 00:03:47,690

assassination and your book for those

38

00:03:53,050 --> 00:03:50,480

who aren't aware of this served as the

39

00:03:56,770 --> 00:03:53,060

basis back in the early 90s for the

40

00:03:58,420 --> 00:03:56,780

movie crossfire that Oliver Stone put

41

00:04:00,670 --> 00:03:58,430

together and released and you actually

42

00:04:04,060 --> 00:04:00,680

were a technical consultant weren't you

43

00:04:08,199 --> 00:04:04,070

on the information in that movie was

44

00:04:11,199 --> 00:04:08,209

called JFK right my book is crossfire

45

00:04:12,640 --> 00:04:11,209

right and the new release is also called

46

00:04:16,030 --> 00:04:12,650

crossfire

47

00:04:20,140 --> 00:04:16,040

same thing Yeah right and I noticed it

48

00:04:22,480 --> 00:04:20,150

it's available on Kindle yeah

49

00:04:25,060 --> 00:04:22,490

yeah it is and it's got new photographs

50

00:04:28,000 --> 00:04:25,070

in it including a blow-up of the

51
00:04:31,719 --> 00:04:28,010
supporter frame 3 14 where you can

52
00:04:34,240 --> 00:04:31,729
plainly see that the driver did not turn

53
00:04:35,980 --> 00:04:34,250
and shoot Kennedy so this dispatch with

54
00:04:40,210 --> 00:04:35,990
that particular theory

55
00:04:42,430 --> 00:04:40,220
Wow the the pruder film is is chilling

56
00:04:44,350 --> 00:04:42,440
and to say the least some of the frames

57
00:04:47,010 --> 00:04:44,360
of it honor I'll tell you that's true

58
00:04:50,890 --> 00:04:47,020
and but what you will learn in the new

59
00:04:55,000 --> 00:04:50,900
updated expanded version of cross bar is

60
00:04:57,070 --> 00:04:55,010
that it is now I think back in the 80s

61
00:04:58,900 --> 00:04:57,080
when I first published crossfire I

62
00:05:00,520 --> 00:04:58,910
alluded to the fact that some of the

63
00:05:03,670 --> 00:05:00,530

researchers are questioning the

64

00:05:05,200 --> 00:05:03,680

legitimacy of these proof em and there

65

00:05:07,960 --> 00:05:05,210

were those who said that had been

66

00:05:10,390 --> 00:05:07,970

tampered with but of course there was a

67

00:05:13,060 --> 00:05:10,400

huge argument against that saying that

68

00:05:15,490 --> 00:05:13,070

they didn't have the technology at that

69

00:05:17,920 --> 00:05:15,500

time well what you'll find in the new

70

00:05:20,740 --> 00:05:17,930

version of crossfire is yes they did

71

00:05:22,029 --> 00:05:20,750

have the technology yes it was at the

72

00:05:25,540 --> 00:05:22,039

national photographic interpretation

73

00:05:27,790 --> 00:05:25,550

center of the CIA the day after the

74

00:05:30,580 --> 00:05:27,800

assassination before it was ever turned

75

00:05:34,240 --> 00:05:30,590

over to time-life and that yes it's been

76

00:05:37,150 --> 00:05:34,250

tampered with and in fact I have 11

77

00:05:38,620 --> 00:05:37,160

Hollywood film and video experts who

78

00:05:41,290 --> 00:05:38,630

have all looked at it and said well this

79

00:05:44,409 --> 00:05:41,300

is a crude forgery and they have found

80

00:05:47,080 --> 00:05:44,419

places on the hollow screw film that we

81

00:05:50,110 --> 00:05:47,090

know there was six missing frames which

82

00:05:52,300 --> 00:05:50,120

throws the time frame completely off and

83

00:05:55,330 --> 00:05:52,310

what we now know thanks to Japanese

84

00:05:57,909 --> 00:05:55,340

network television because they managed

85

00:05:59,890 --> 00:05:57,919

to get a copy this Neuberger film that

86

00:06:02,260 --> 00:05:59,900

was intact did not have the missing

87

00:06:03,969 --> 00:06:02,270

frames and what we found is that the

88

00:06:06,279 --> 00:06:03,979

reason these frames are missing is

89

00:06:09,490 --> 00:06:06,289

because there's very clear evidence to

90

00:06:12,129 --> 00:06:09,500

shot hit the highway sign the students

91

00:06:14,890 --> 00:06:12,139

freeway sign there in didi Plaza well

92

00:06:16,719 --> 00:06:14,900

there's another extraneous bullet and of

93

00:06:19,300 --> 00:06:16,729

course trying to say that one person

94

00:06:22,029 --> 00:06:19,310

with a bolt-action rifle can fire three

95

00:06:25,149 --> 00:06:22,039

times in less than six seconds is

96

00:06:26,270 --> 00:06:25,159

pushing reality but when you get four

97

00:06:29,240 --> 00:06:26,280

shots and now

98

00:06:33,320 --> 00:06:29,250

five shots it's just you know it it

99

00:06:35,629 --> 00:06:33,330

becomes impossible yeah you know I want

100

00:06:39,010 --> 00:06:35,639

to take a second to tell everybody I've

101
00:06:42,830 --> 00:06:39,020
been really impressed with how many

102
00:06:47,260 --> 00:06:42,840
different documentaries and and research

103
00:06:51,110 --> 00:06:47,270
shows and not just movies in fiction but

104
00:06:53,690 --> 00:06:51,120
real research have been on the

105
00:06:56,150 --> 00:06:53,700
television most of it's on National

106
00:06:58,220 --> 00:06:56,160
Geographic and military Channel and Nova

107
00:07:00,200 --> 00:06:58,230
and there's more coming up in the next

108
00:07:03,080 --> 00:07:00,210
two weeks so I'd encourage anybody who's

109
00:07:07,070 --> 00:07:03,090
interested in this to to Google JFK

110
00:07:09,170 --> 00:07:07,080
assassination November 2013 and see

111
00:07:11,270 --> 00:07:09,180
what's coming up but there was there was

112
00:07:13,490 --> 00:07:11,280
one on that I had been watching over the

113
00:07:15,710 --> 00:07:13,500

weekend called the missing bullet and I

114

00:07:17,930 --> 00:07:15,720

think it was on National Geographic and

115

00:07:20,210 --> 00:07:17,940

they were talking about that very thing

116

00:07:22,640 --> 00:07:20,220

that there were three casings that were

117

00:07:25,190 --> 00:07:22,650

found on the floor by the window in the

118

00:07:27,290 --> 00:07:25,200

school depository and yet many many

119

00:07:30,770 --> 00:07:27,300

witnesses said that they clearly heard

120

00:07:32,270 --> 00:07:30,780

four shots so where what happened to the

121

00:07:34,159 --> 00:07:32,280

fourth bullet and they were looking at

122

00:07:35,510 --> 00:07:34,169

not the mental highway sign as you were

123

00:07:39,260 --> 00:07:35,520

talking about but they were looking at

124

00:07:41,840 --> 00:07:39,270

the support that held up the traffic

125

00:07:44,480 --> 00:07:41,850

signal right there where Houston turns

126
00:07:46,909 --> 00:07:44,490
onto Elm Street because it was right in

127
00:07:50,029 --> 00:07:46,919
the path of the line of sight from that

128
00:07:51,469 --> 00:07:50,039
window but that's probably the bullet

129
00:07:53,450 --> 00:07:51,479
apparently there was a bullet that

130
00:07:57,170 --> 00:07:53,460
somehow ricocheted and not concrete

131
00:07:59,560 --> 00:07:57,180
loose off of a curb and clip some guy in

132
00:08:03,020 --> 00:07:59,570
the face that was over near the overpass

133
00:08:05,680 --> 00:08:03,030
right yeah absolutely in the here let me

134
00:08:08,420 --> 00:08:05,690
add to that because onion that actually

135
00:08:12,409 --> 00:08:08,430
they only found two shell casings on the

136
00:08:14,960 --> 00:08:12,419
sixth floor of the school okay in fact

137
00:08:17,810 --> 00:08:14,970
in the new updated version of crossfire

138
00:08:20,090 --> 00:08:17,820

I published the Warren Commission's

139

00:08:22,730 --> 00:08:20,100

version of the Dallas police evidence

140

00:08:26,630 --> 00:08:22,740

sheet and it shows a six point five

141

00:08:28,159 --> 00:08:26,640

millimeter spit rounds three okay well

142

00:08:30,290 --> 00:08:28,169

they were arguing that I was wall fired

143

00:08:33,320 --> 00:08:30,300

three shots and so therefore they found

144

00:08:36,380 --> 00:08:33,330

three shell cases right except in the

145

00:08:38,959 --> 00:08:36,390

early 90s I when they opened up the

146

00:08:39,920 --> 00:08:38,969

police files in Dallas I rushed over

147

00:08:41,600 --> 00:08:39,930

there and

148

00:08:44,209 --> 00:08:41,610

or through their files and I found the

149

00:08:46,579 --> 00:08:44,219

original Dallas police over machine that

150

00:08:50,150 --> 00:08:46,589

shows they only had found two shell

151
00:08:52,340 --> 00:08:50,160
casing okay and now to show how funny

152
00:08:54,769 --> 00:08:52,350
that is the National Archives has

153
00:08:57,290 --> 00:08:54,779
published a photograph of the three

154
00:08:59,720 --> 00:08:57,300
shell casings that were empty shell

155
00:09:02,269 --> 00:08:59,730
casings and the one one live round that

156
00:09:04,760 --> 00:09:02,279
they said was found still in the rifle

157
00:09:07,880 --> 00:09:04,770
and the live round and two of these

158
00:09:11,420 --> 00:09:07,890
shell casings show a very distinctive

159
00:09:15,410 --> 00:09:11,430
dent on the shoulder of the of the brass

160
00:09:19,550 --> 00:09:15,420
shell casing but the third shell casing

161
00:09:23,120 --> 00:09:19,560
does not show this dent which they said

162
00:09:27,680 --> 00:09:23,130
was a peculiarity of Oswald's rifle when

163
00:09:30,350 --> 00:09:27,690

you when you loaded a shell into the

164

00:09:32,240 --> 00:09:30,360

chamber it would dent the casing so that

165

00:09:34,370 --> 00:09:32,250

means the third casing that suddenly

166

00:09:36,620 --> 00:09:34,380

turned up and their explanation is that

167

00:09:38,449 --> 00:09:36,630

a Dallas police officer carried it

168

00:09:40,790 --> 00:09:38,459

around his pocket for a few days and

169

00:09:42,829 --> 00:09:40,800

somehow kind of forgot about it

170

00:09:45,440 --> 00:09:42,839

you know that it was important evidence

171

00:09:48,170 --> 00:09:45,450

and so it just suddenly turned up after

172

00:09:50,240 --> 00:09:48,180

a few days and this one hasn't does not

173

00:09:53,120 --> 00:09:50,250

have the dent which indicates it was

174

00:09:56,810 --> 00:09:53,130

never loaded in the Oswald rifle well

175

00:09:58,640 --> 00:09:56,820

that's a whole topic of go ahead yeah

176

00:10:03,920 --> 00:09:58,650

it's just the beginning let me let me

177

00:10:07,610 --> 00:10:03,930

see if I can cut to the chase here yes

178

00:10:10,340 --> 00:10:07,620

we're going to be inundated with books

179

00:10:12,130 --> 00:10:10,350

and articles and retrospectives and TV

180

00:10:14,269 --> 00:10:12,140

specials and everything else and

181

00:10:16,340 --> 00:10:14,279

basically all it's going to do probably

182

00:10:18,829 --> 00:10:16,350

to the average person to just keep them

183

00:10:20,780 --> 00:10:18,839

confused because you got one expert

184

00:10:22,040 --> 00:10:20,790

saying one thing another expert saying

185

00:10:25,370 --> 00:10:22,050

no there you got one claim a

186

00:10:27,980 --> 00:10:25,380

counterclaim one conspiracy theory be

187

00:10:30,949 --> 00:10:27,990

followed by another conspiracy theory so

188

00:10:33,890 --> 00:10:30,959

let me just cut through the whole thing

189

00:10:36,740 --> 00:10:33,900

in here here's the whole thing folks if

190

00:10:39,139 --> 00:10:36,750

you trust the government the federal

191

00:10:41,750 --> 00:10:39,149

government of the United States then you

192

00:10:45,500 --> 00:10:41,760

must trust their the evidence that they

193

00:10:48,350 --> 00:10:45,510

present and that evidence on the face of

194

00:10:50,720 --> 00:10:48,360

it seems pretty incriminating towards

195

00:10:53,030 --> 00:10:50,730

Lee Harvey Oswald and they build what

196

00:10:53,780 --> 00:10:53,040

seems like a pretty solid case that he

197

00:10:56,240 --> 00:10:53,790

did it

198

00:10:58,940 --> 00:10:56,250

with three shots from six Florida School

199

00:11:03,410 --> 00:10:58,950

Book Depository and case closed

200

00:11:07,370 --> 00:11:03,420

okay but if you doubt the government and

201
00:11:09,560 --> 00:11:07,380
even would consider that maybe they are

202
00:11:12,200 --> 00:11:09,570
presenting bad evidence then you look

203
00:11:14,390 --> 00:11:12,210
closer and you begin to actually study

204
00:11:18,310 --> 00:11:14,400
the evidence with a fine-tooth comb and

205
00:11:22,250 --> 00:11:18,320
you'll find it starts falling apart okay

206
00:11:25,580 --> 00:11:22,260
here's a classic example on Monday night

207
00:11:27,770 --> 00:11:25,590
following the Friday assassination the

208
00:11:30,290 --> 00:11:27,780
District Attorney of Dallas held a news

209
00:11:32,000 --> 00:11:30,300
conference and almost as an afterthought

210
00:11:35,150 --> 00:11:32,010
he said Oh have I mentioned we've got

211
00:11:37,700 --> 00:11:35,160
his fingerprints on the rifle well that

212
00:11:39,470 --> 00:11:37,710
pretty well you know seemed to tie the

213
00:11:42,410 --> 00:11:39,480

whole thing up for most people because

214

00:11:43,850 --> 00:11:42,420

hey they caught the guy and then they

215

00:11:46,520 --> 00:11:43,860

said he found his fingerprints on the

216

00:11:48,470 --> 00:11:46,530

rifle there took care of that except

217

00:11:51,260 --> 00:11:48,480

until you really begin to look at that

218

00:11:53,710 --> 00:11:51,270

issue and what you found is that on

219

00:11:57,020 --> 00:11:53,720

Friday night of the assassination

220

00:12:00,890 --> 00:11:57,030

totally against the law totally against

221

00:12:04,370 --> 00:12:00,900

procedures and based on pressure from

222

00:12:06,830 --> 00:12:04,380

high powers in Washington DC all of the

223

00:12:08,660 --> 00:12:06,840

evidence including the rifle were taken

224

00:12:10,970 --> 00:12:08,670

away from the doubts please who were

225

00:12:14,360 --> 00:12:10,980

trying to investigate it and shipped up

226

00:12:16,790 --> 00:12:14,370

to the FBI in Washington the next day in

227

00:12:19,760 --> 00:12:16,800

a document signed by none other than the

228

00:12:22,160 --> 00:12:19,770

director Jagger Hoover himself they said

229

00:12:24,710 --> 00:12:22,170

no usable fingerprints were found on the

230

00:12:27,380 --> 00:12:24,720

rifle or even the inner parts of the

231

00:12:29,870 --> 00:12:27,390

rifle on Sunday morning

232

00:12:32,390 --> 00:12:29,880

Oswald was killed by Jack Ruby in Dallas

233

00:12:35,090 --> 00:12:32,400

and that evening the rifle is hit back

234

00:12:37,580 --> 00:12:35,100

to Dallas and on Monday morning two FBI

235

00:12:39,620 --> 00:12:37,590

agents harrison and vincent drain

236

00:12:41,690 --> 00:12:39,630

carried the rifle over the middle

237

00:12:44,780 --> 00:12:41,700

funeral home and even the media reported

238

00:12:48,500 --> 00:12:44,790

that FBI with a crime lab crime scene

239

00:12:50,120 --> 00:12:48,510

kit spent a long time in the morgue well

240

00:12:53,240 --> 00:12:50,130

the funeral home director Paul rody

241

00:12:55,850 --> 00:12:53,250

years ago told me and it said publicly

242

00:12:59,330 --> 00:12:55,860

recently that he was there when the FBI

243

00:13:02,690 --> 00:12:59,340

agents put Oswald's dead hand on the

244

00:13:04,970 --> 00:13:02,700

rifle and they said they have and Paul

245

00:13:07,319 --> 00:13:04,980

Rudy said he had a hard time getting the

246

00:13:09,900 --> 00:13:07,329

fingerprint ink off of Oswald's dead

247

00:13:13,499 --> 00:13:09,910

and in time for the burial that

248

00:13:15,840 --> 00:13:13,509

afternoon I think you look closer and

249

00:13:19,949 --> 00:13:15,850

the so-called hard evidence starts

250

00:13:23,999 --> 00:13:19,959

falling apart well you can't ask for a

251
00:13:26,069 --> 00:13:24,009
story that has a few has more loopholes

252
00:13:29,160 --> 00:13:26,079
and twists and turns in it than this one

253
00:13:31,470 --> 00:13:29,170
does that's true that's true and they

254
00:13:34,139 --> 00:13:31,480
start with they start by telling one big

255
00:13:35,400 --> 00:13:34,149
lie which is Kennedy was shot through

256
00:13:37,829 --> 00:13:35,410
the neck okay

257
00:13:41,309 --> 00:13:37,839
Kennedy was never shot through the neck

258
00:13:43,379 --> 00:13:41,319
there was a puncture wound on the front

259
00:13:46,109 --> 00:13:43,389
of his neck at about the Adam's apple

260
00:13:48,269 --> 00:13:46,119
then all the middle of the medical

261
00:13:49,799 --> 00:13:48,279
people in Dallas said that was a it was

262
00:13:53,699 --> 00:13:49,809
a puncture wound it was an entrance

263
00:13:56,039 --> 00:13:53,709

wound so he shot from the front and but

264

00:13:59,100 --> 00:13:56,049

there was no exit wound in the back of

265

00:14:00,720 --> 00:13:59,110

the neck okay and they were working to

266

00:14:05,249 --> 00:14:00,730

save his life so they never really

267

00:14:07,799 --> 00:14:05,259

turned him over so but at the autopsy

268

00:14:11,189 --> 00:14:07,809

when they examined the body they found a

269

00:14:13,499 --> 00:14:11,199

puncture wound in the back below the

270

00:14:15,720 --> 00:14:13,509

shoulder blades about to about an inch

271

00:14:18,689 --> 00:14:15,730

or two to the right of the spinal column

272

00:14:20,309 --> 00:14:18,699

all right well now like number one they

273

00:14:21,929 --> 00:14:20,319

tried to probe that wound and it

274

00:14:24,419 --> 00:14:21,939

wouldn't probe they even tried to use a

275

00:14:27,090 --> 00:14:24,429

metal probe and it wouldn't probe so

276

00:14:28,829 --> 00:14:27,100

something had struck him in the back but

277

00:14:30,359 --> 00:14:28,839

neither working either somebody taking

278

00:14:31,619 --> 00:14:30,369

it out or it's worked its way out

279

00:14:33,509 --> 00:14:31,629

because there won't anything in there

280

00:14:35,519 --> 00:14:33,519

okay now wait a minute when you say it

281

00:14:37,499 --> 00:14:35,529

wouldn't probe what you're saying is and

282

00:14:39,389 --> 00:14:37,509

what I read is it they're not to the

283

00:14:41,189 --> 00:14:39,399

body right the one of the doctors

284

00:14:42,989 --> 00:14:41,199

actually stuck his little finger in that

285

00:14:45,780 --> 00:14:42,999

hole with love on and it didn't go

286

00:14:48,569 --> 00:14:45,790

anywhere it's already water right it's

287

00:14:50,999 --> 00:14:48,579

in connect okay now they are trying to

288

00:14:53,759 --> 00:14:51,009

say though that the back one connects is

289

00:14:56,609 --> 00:14:53,769

rotland well if it did that's an upward

290

00:14:57,449 --> 00:14:56,619

trajectory okay and I was with almost 60

291

00:15:00,720 --> 00:14:57,459

feet in the air

292

00:15:03,329 --> 00:15:00,730

supposedly in this own sixth floor so it

293

00:15:06,239 --> 00:15:03,339

just didn't even work so you know what

294

00:15:08,309 --> 00:15:06,249

are gonna do about that and well that

295

00:15:11,519 --> 00:15:08,319

was taken care of by Jarrell our Ford

296

00:15:13,470 --> 00:15:11,529

our only unelected president you know

297

00:15:14,699 --> 00:15:13,480

never ran for president nobody elected

298

00:15:17,579 --> 00:15:14,709

him to be President

299

00:15:20,340 --> 00:15:17,589

he was appointed president by Richard

300

00:15:21,900 --> 00:15:20,350

Nixon who had appointed him this is to

301

00:15:24,240 --> 00:15:21,910

be vice president

302

00:15:27,420 --> 00:15:24,250

we're in Spiro Agnew got in trouble and

303

00:15:29,940 --> 00:15:27,430

had to resign and of course the Nixon

304

00:15:32,570 --> 00:15:29,950

resigned and Gerald Ford pardoned him of

305

00:15:36,150 --> 00:15:32,580

all his crimes past present and future

306

00:15:38,010 --> 00:15:36,160

and obviously was put there to do it

307

00:15:40,260 --> 00:15:38,020

very thing well Gerald Ford had said on

308

00:15:42,150 --> 00:15:40,270

the Warren Commission and Gerald Ford it

309

00:15:44,610 --> 00:15:42,160

turns out thanks to the assassination

310

00:15:49,470 --> 00:15:44,620

records Review Board they came up with

311

00:15:51,120 --> 00:15:49,480

the memo that Gerald Ford had sent to

312

00:15:54,090 --> 00:15:51,130

the authors of the Warren Commission

313

00:15:56,280 --> 00:15:54,100

ordering them to change the wording from

314

00:15:58,850 --> 00:15:56,290

kitty who shot in the back which is the

315

00:16:01,980 --> 00:15:58,860

truth to Kennedy was shot in the neck

316

00:16:05,780 --> 00:16:01,990

which allowed them then to argue that

317

00:16:09,060 --> 00:16:05,790

this one bullet went through his neck

318

00:16:11,550 --> 00:16:09,070

did not strike any bone and continued

319

00:16:14,460 --> 00:16:11,560

downwards or strike Connally shattered

320

00:16:18,090 --> 00:16:14,470

his fifth rib exited out his right chest

321

00:16:20,070 --> 00:16:18,100

entered his right wrist and shattered

322

00:16:22,740 --> 00:16:20,080

the wrist bone one of the densest bones

323

00:16:25,200 --> 00:16:22,750

in the human body and then ended up over

324

00:16:28,950 --> 00:16:25,210

in his left thigh and then somehow work

325

00:16:31,970 --> 00:16:28,960

its way out and was found on a stretcher

326

00:16:34,710 --> 00:16:31,980

in Parkland Hospital that could not be

327

00:16:37,740 --> 00:16:34,720

definitively linked to either Kennedy or

328

00:16:39,450 --> 00:16:37,750

Connally and they said that's the bullet

329

00:16:41,550 --> 00:16:39,460

too did it the single bullet

330

00:16:43,470 --> 00:16:41,560

that's the magic last became the single

331

00:16:46,560 --> 00:16:43,480

Bullet theory and of course Arlen

332

00:16:48,990 --> 00:16:46,570

Specter did they now what's interesting

333

00:16:51,270 --> 00:16:49,000

also about that Jim all of that damage

334

00:16:52,829 --> 00:16:51,280

that if if that was a magic bullet and

335

00:16:54,990 --> 00:16:52,839

if that actually happened which I don't

336

00:16:58,650 --> 00:16:55,000

believe for a second it would have left

337

00:17:00,720 --> 00:16:58,660

metal debris in at least Connolly's body

338

00:17:03,240 --> 00:17:00,730

because it kept breaking bones as it was

339

00:17:05,760 --> 00:17:03,250

swarming around in there but the bullet

340

00:17:08,819 --> 00:17:05,770

that they found laying on the gurney was

341

00:17:10,890 --> 00:17:08,829

almost pristine wasn't it yes absolutely

342

00:17:12,780 --> 00:17:10,900

in fact that's how they describe the

343

00:17:15,569 --> 00:17:12,790

authorities described it it's pristine

344

00:17:18,929 --> 00:17:15,579

it was not deformed it was not flattened

345

00:17:20,610 --> 00:17:18,939

in fact the photograph that I have that

346

00:17:23,490 --> 00:17:20,620

I published in the new version of

347

00:17:26,160 --> 00:17:23,500

crossfire has only a small little nick

348

00:17:28,590 --> 00:17:26,170

out of the very nose of this bullet and

349

00:17:31,010 --> 00:17:28,600

that was where the FBI shipped off a

350

00:17:34,860 --> 00:17:31,020

little piece for spectrographic analysis

351

00:17:37,409 --> 00:17:34,870

in fact if you want the proof of

352

00:17:40,919 --> 00:17:37,419

of the errand sea of the single Bullet

353

00:17:44,610 --> 00:17:40,929

theory in my new updated crossfire I

354

00:17:47,489 --> 00:17:44,620

published Connolly's wrist x-ray okay

355

00:17:49,889 --> 00:17:47,499

and you can see where as the the main

356

00:17:52,529 --> 00:17:49,899

bone was broken and then set back into

357

00:17:55,739 --> 00:17:52,539

place you can also see bright pieces of

358

00:17:57,570 --> 00:17:55,749

metal still in his wrist at the time of

359

00:17:59,909 --> 00:17:57,580

his death and when they buried him

360

00:18:02,279 --> 00:17:59,919

so in other words there is more pieces

361

00:18:04,259 --> 00:18:02,289

of metal that was still in governor

362

00:18:05,940 --> 00:18:04,269

counties risk when they buried him Ben

363

00:18:08,820 --> 00:18:05,950

is missing from the bullet that they

364

00:18:11,279 --> 00:18:08,830

still claim caused the wound right right

365

00:18:15,090 --> 00:18:11,289

but then that's not any stranger than

366

00:18:18,590 --> 00:18:15,100

having a world war two almost antique

367

00:18:20,519 --> 00:18:18,600

rifle leave Dallas and go to DC with no

368

00:18:22,470 --> 00:18:20,529

fingerprints or anything on it and then

369

00:18:24,720 --> 00:18:22,480

return over the weekend and then all of

370

00:18:30,989 --> 00:18:24,730

a sudden it's got prints on it that's

371

00:18:34,799 --> 00:18:30,999

true tell me if you can hear this yep

372

00:18:38,789 --> 00:18:34,809

did you hear that yes okay I am holding

373

00:18:40,649 --> 00:18:38,799

a absolute duplicate of Oswald six point

374

00:18:43,769 --> 00:18:40,659

five millimeter mannlicher-carcano rifle

375

00:18:45,570 --> 00:18:43,779

I had it's a bolt-action rifle that's a

376

00:18:47,940 --> 00:18:45,580

world war two gun

377

00:18:51,720 --> 00:18:47,950

it's a shoddy piece of work actually in

378

00:18:53,180 --> 00:18:51,730

fact the lot that included the the one

379

00:18:56,279 --> 00:18:53,190

they said blown the house will always

380

00:18:58,499 --> 00:18:56,289

actually in a court battle at the time

381

00:19:01,560 --> 00:18:58,509

of the assassination because the buyer

382

00:19:03,749 --> 00:19:01,570

said that they were defective so but

383

00:19:05,970 --> 00:19:03,759

here's the point everybody and you've

384

00:19:09,779 --> 00:19:05,980

heard this to everybody who was a

385

00:19:12,029 --> 00:19:09,789

witness in Dealey Plaza described well

386

00:19:14,759 --> 00:19:12,039

some said three shots some said for some

387

00:19:18,239 --> 00:19:14,769

said six but generally they have agreed

388

00:19:20,519 --> 00:19:18,249

on three shots okay and what they what

389

00:19:22,529 --> 00:19:20,529

they've all told me and this is

390

00:19:24,330 --> 00:19:22,539

including senator Ralph Yarborough who

391

00:19:26,460 --> 00:19:24,340

was riding with Lyndon Johnson and

392

00:19:29,669 --> 00:19:26,470

former House Speaker Jim Wright who was

393

00:19:33,440 --> 00:19:29,679

in a car to back behind them they heard

394

00:19:36,029 --> 00:19:33,450

one shot a pause and then two shots just

395

00:19:40,799 --> 00:19:36,039

right on top of each other boom right

396

00:19:42,779 --> 00:19:40,809

kind of a bang bang bang okay now here's

397

00:19:45,749 --> 00:19:42,789

this mannlicher-carcano and I'm gonna

398

00:19:52,470 --> 00:19:45,759

rack the bolt and pull the trigger as

399

00:20:01,330 --> 00:19:58,360

there you get that I bang bang

400

00:20:03,250 --> 00:20:01,340

you cannot did a bang bang with a

401
00:20:05,590 --> 00:20:03,260
bolt-action rifle not with the same

402
00:20:10,440 --> 00:20:05,600
rifle you can not with the same rifle

403
00:20:12,820 --> 00:20:10,450
there had to be rifles at least exactly

404
00:20:16,510 --> 00:20:12,830
and where was the other rifle on the

405
00:20:20,770 --> 00:20:16,520
grassy know it and they even reported

406
00:20:23,980 --> 00:20:20,780
yeah even reported seeing smoke drifting

407
00:20:26,380 --> 00:20:23,990
down from the grassy knoll you know and

408
00:20:27,730 --> 00:20:26,390
the halls of these years if this is so

409
00:20:30,610 --> 00:20:27,740
wild because I just got through doing

410
00:20:31,570 --> 00:20:30,620
this for the Travel Channel they did

411
00:20:35,049 --> 00:20:31,580
something that should have been done

412
00:20:37,240 --> 00:20:35,059
fifty years ago they actually because

413
00:20:39,880 --> 00:20:37,250

all this time all these years the

414

00:20:41,169 --> 00:20:39,890

authorities have argued that they

415

00:20:43,990 --> 00:20:41,179

couldn't have seen a puff of smoke

416

00:20:47,260 --> 00:20:44,000

drifting off the grassy knoll because

417

00:20:47,919 --> 00:20:47,270

modern guns don't smoke and well yes

418

00:20:50,799 --> 00:20:47,929

they do

419

00:20:53,140 --> 00:20:50,809

okay and especially if they've been

420

00:20:55,270 --> 00:20:53,150

recently oil so what the Travel Channel

421

00:20:58,210 --> 00:20:55,280

did and it's on one of their programs

422

00:21:01,690 --> 00:20:58,220

that it's airing right now is they had a

423

00:21:04,810 --> 00:21:01,700

former CIA sniper and he and I went up

424

00:21:07,750 --> 00:21:04,820

into the railroad Tower that Lee Bowers

425

00:21:10,180 --> 00:21:07,760

was in it's behind in the parking area

426
00:21:14,370 --> 00:21:10,190
behind the picket fence on the grassy

427
00:21:18,310 --> 00:21:14,380
knoll and to see and they had a gun

428
00:21:20,110 --> 00:21:18,320
shooter with a rifle and he was standing

429
00:21:23,200 --> 00:21:20,120
behind the fence and he fired several

430
00:21:24,940 --> 00:21:23,210
times and the point of the exercise was

431
00:21:28,060 --> 00:21:24,950
to see if we could see a puff of smoke

432
00:21:30,310 --> 00:21:28,070
and we did each and every time he fired

433
00:21:33,100 --> 00:21:30,320
so Lee Bowers was telling the truth when

434
00:21:35,320 --> 00:21:33,110
he said he saw something catch his

435
00:21:37,930 --> 00:21:35,330
attention behind that fence either a

436
00:21:39,760 --> 00:21:37,940
flash or a puff of smoke and then you've

437
00:21:41,980 --> 00:21:39,770
got Nelly Connally who said she saw

438
00:21:43,960 --> 00:21:41,990

smoke you've got other people who said

439

00:21:46,450 --> 00:21:43,970

smoke was coming down from the grassy

440

00:21:49,000 --> 00:21:46,460

knoll and in fact in the new version of

441

00:21:51,490 --> 00:21:49,010

crossfire I published a frame from an

442

00:21:53,680 --> 00:21:51,500

NBC cameraman that shows the puff of

443

00:21:55,870 --> 00:21:53,690

smoke drifting off the grassy knoll so

444

00:21:58,419 --> 00:21:55,880

there's where the other gunman was but

445

00:22:02,050 --> 00:21:58,429

this is how crazy this whole thing is or

446

00:22:04,780 --> 00:22:02,060

is that since we now have a

447

00:22:06,760 --> 00:22:04,790

photograph of a man firing a rifle from

448

00:22:09,580 --> 00:22:06,770

behind the fence on the grassy knoll and

449

00:22:12,160 --> 00:22:09,590

since the majority witnesses and that

450

00:22:13,360 --> 00:22:12,170

end of the plaza there the shot came

451
00:22:15,610 --> 00:22:13,370
from behind the fence on the grassy

452
00:22:17,530 --> 00:22:15,620
knoll and since the House Select

453
00:22:20,170 --> 00:22:17,540
Committee on assassinations had two

454
00:22:23,050 --> 00:22:20,180
separate sets of acoustical scientists

455
00:22:26,620 --> 00:22:23,060
who said based on their studies that

456
00:22:29,620 --> 00:22:26,630
there was a shot from a gunman behind

457
00:22:32,140 --> 00:22:29,630
the fence on the grassy knoll you know

458
00:22:34,840 --> 00:22:32,150
if I tried to tell you there was nobody

459
00:22:36,940 --> 00:22:34,850
there you think I was an idiot but this

460
00:22:38,650 --> 00:22:36,950
is a Kennedy assassination and when I

461
00:22:39,340 --> 00:22:38,660
try to say there was a gunman on the

462
00:22:42,670 --> 00:22:39,350
grassy knoll

463
00:22:44,980 --> 00:22:42,680

I'm still the idiot well it's it's just

464

00:22:50,170 --> 00:22:44,990

an you can't make this kind of stuff up

465

00:22:52,870 --> 00:22:50,180

Jim this it's an amazing story and I I

466

00:22:54,940 --> 00:22:52,880

grew up in Dallas and was sitting in

467

00:22:58,450 --> 00:22:54,950

junior high school when he was

468

00:23:00,970 --> 00:22:58,460

assassinated so you would think someone

469

00:23:03,640 --> 00:23:00,980

who was there and must have heard an

470

00:23:06,250 --> 00:23:03,650

awful lot about things in general all

471

00:23:08,980 --> 00:23:06,260

these years I would know more about it

472

00:23:12,940 --> 00:23:08,990

but I I I highly recommend the book

473

00:23:14,980 --> 00:23:12,950

crossfire please check out amazon.com

474

00:23:17,140 --> 00:23:14,990

I've put the link up to it in the chat

475

00:23:19,900 --> 00:23:17,150

room here at Internet I'm sorry at

476

00:23:21,960 --> 00:23:19,910

inception radio network comm we're

477

00:23:24,910 --> 00:23:21,970

talking to Jim Marrs the author of

478

00:23:27,220 --> 00:23:24,920

crossfire the plot that killed Kennedy

479

00:23:30,720 --> 00:23:27,230

revised and updated brand-new out on

480

00:23:34,870 --> 00:23:30,730

October 22nd just a couple of weeks ago

481

00:23:37,300 --> 00:23:34,880

now this story just keeps on giving Jim

482

00:23:40,740 --> 00:23:37,310

let's let's talk about you mentioned the

483

00:23:44,440 --> 00:23:40,750

Warren Commission and also the the house

484

00:23:48,010 --> 00:23:44,450

special committee now I know there were

485

00:23:49,810 --> 00:23:48,020

some people involved back then let me

486

00:23:51,400 --> 00:23:49,820

let me just give you a list and you jump

487

00:23:53,650 --> 00:23:51,410

in and start with whoever you want to

488

00:23:56,500 --> 00:23:53,660

there were people for example Allen

489

00:23:58,510 --> 00:23:56,510

Dulles and as his brother John Foster

490

00:24:01,300 --> 00:23:58,520

Dulles John Foster was Secretary of

491

00:24:04,120 --> 00:24:01,310

State Allen was director of the CIA and

492

00:24:05,860 --> 00:24:04,130

Kennedy decided he wanted to completely

493

00:24:08,020 --> 00:24:05,870

dissolve the CIA because they

494

00:24:09,640 --> 00:24:08,030

double-crossed him over Cuba then there

495

00:24:12,300 --> 00:24:09,650

was J Edgar Hoover who didn't like

496

00:24:16,029 --> 00:24:12,310

Kennedy anyway there was Sam Giancana

497

00:24:17,320 --> 00:24:16,039

who was running the East Coast mafia LBJ

498

00:24:19,840 --> 00:24:17,330

found out he was going to be dropped

499

00:24:22,719 --> 00:24:19,850

from the ticket the next year in the

500

00:24:25,629 --> 00:24:22,729

election and then Nixon had a little

501
00:24:27,639 --> 00:24:25,639
run-in because the idea of the the Bay

502
00:24:30,940 --> 00:24:27,649
of Pigs operation was really his and

503
00:24:32,919 --> 00:24:30,950
Kennedy took it away from him was there

504
00:24:35,529 --> 00:24:32,929
anybody in that group that could have

505
00:24:38,919 --> 00:24:35,539
had anything to do with making this

506
00:24:44,529 --> 00:24:38,929
happen and then helping cover it up how

507
00:24:46,419 --> 00:24:44,539
about all of them see for years now I've

508
00:24:47,710 --> 00:24:46,429
been asked a question will we ever know

509
00:24:50,049 --> 00:24:47,720
the truth about the Kennedy

510
00:24:52,119 --> 00:24:50,059
assassination and I maintain that

511
00:24:54,279 --> 00:24:52,129
they're not asking the right question

512
00:24:56,320 --> 00:24:54,289
because the answer to that question is

513
00:24:58,239 --> 00:24:56,330

we already know the truth all right we

514

00:25:01,859 --> 00:24:58,249

know the truth now and what is that

515

00:25:05,200 --> 00:25:01,869

truth well that truth is is that is that

516

00:25:11,830 --> 00:25:05,210

why should the combined forces of the

517

00:25:17,139 --> 00:25:11,840

CIA FBI the NSA the DIA the the police

518

00:25:18,999 --> 00:25:17,149

forces in the military FBI what and and

519

00:25:20,950 --> 00:25:19,009

for 50 years and they can't figure out

520

00:25:23,320 --> 00:25:20,960

what really who really killed the

521

00:25:24,609 --> 00:25:23,330

president in United States and it makes

522

00:25:27,129 --> 00:25:24,619

no sense whatsoever

523

00:25:30,279 --> 00:25:27,139

why is it so confused why is it so mixed

524

00:25:32,919 --> 00:25:30,289

up okay so you have to consider that

525

00:25:37,330 --> 00:25:32,929

it's only that way because people in

526

00:25:40,930 --> 00:25:37,340

high positions created it that way okay

527

00:25:47,249 --> 00:25:40,940

anybody could have killed Kennedy KGB

528

00:25:50,919 --> 00:25:47,259

agents Castro hitmen CIA agents mafia

529

00:25:53,919 --> 00:25:50,929

assassins you know yes even the lone

530

00:25:56,979 --> 00:25:53,929

nut' couldn't kill Kennedy but who had

531

00:26:00,629 --> 00:25:56,989

the power to cover it up soon end up

532

00:26:03,369 --> 00:26:00,639

power to confuse and confound federal

533

00:26:08,139 --> 00:26:03,379

investigations all right who had the

534

00:26:13,379 --> 00:26:08,149

power to suppress evidence fabricate

535

00:26:16,950 --> 00:26:13,389

evidence and intimidate witnesses and

536

00:26:20,139 --> 00:26:16,960

this is all documented that's not just

537

00:26:22,989 --> 00:26:20,149

theory yes I could document each of

538

00:26:26,259 --> 00:26:22,999

those things in fact when you get right

539

00:26:29,349 --> 00:26:26,269

down to it that I can name you the two

540

00:26:30,670 --> 00:26:29,359

men who in a court of law would be found

541

00:26:33,430 --> 00:26:30,680

Gill

542

00:26:36,130 --> 00:26:33,440

in the Kennedy assassination and that is

543

00:26:38,260 --> 00:26:36,140

his successor Lyndon Baines Johnson and

544

00:26:41,650 --> 00:26:38,270

his next-door neighbor and old buddy

545

00:26:44,650 --> 00:26:41,660

FBI director Jagger Hoover now can I

546

00:26:47,290 --> 00:26:44,660

prove that those two men ordered or even

547

00:26:50,980 --> 00:26:47,300

orchestrated the Kennedy assassination

548

00:26:53,260 --> 00:26:50,990

no I cannot but what I can prove beyond

549

00:26:56,080 --> 00:26:53,270

any reasonable shadow of a doubt that

550

00:26:58,980 --> 00:26:56,090

those two men took actions that block

551
00:27:01,780 --> 00:26:58,990
and thwarted any kind of meaningful

552
00:27:04,360 --> 00:27:01,790
investigation as to the truth of what

553
00:27:07,030 --> 00:27:04,370
happened in davie Plaza this under our

554
00:27:10,930 --> 00:27:07,040
legal system makes them accessories

555
00:27:13,390 --> 00:27:10,940
after the fact and under the law an

556
00:27:16,360 --> 00:27:13,400
accessory is considered just as guilty

557
00:27:18,549 --> 00:27:16,370
as the person who pulls the trigger in

558
00:27:21,850 --> 00:27:18,559
fact we have executed people in Texas

559
00:27:24,040 --> 00:27:21,860
who the facts of the case show who did

560
00:27:25,930 --> 00:27:24,050
not kill anybody but they were there or

561
00:27:28,450 --> 00:27:25,940
they hid the gun or they drew those a

562
00:27:29,950 --> 00:27:28,460
car and they they were in accessory

563
00:27:32,680 --> 00:27:29,960

after the fact and they're considered

564

00:27:35,110 --> 00:27:32,690

just as guilty as the person who pulled

565

00:27:38,110 --> 00:27:35,120

the trigger so we need to quit being

566

00:27:40,120 --> 00:27:38,120

distracted by how many gunmen and how

567

00:27:42,430 --> 00:27:40,130

many shots were fired and who paid all

568

00:27:44,140 --> 00:27:42,440

the money and we need to just simply

569

00:27:46,390 --> 00:27:44,150

stop and say who are the accessories

570

00:27:48,640 --> 00:27:46,400

after the fact and you're going to find

571

00:27:51,040 --> 00:27:48,650

that it's Lyndon Johnson Jagger Hoover

572

00:27:54,240 --> 00:27:51,050

primarily and then following along

573

00:27:58,480 --> 00:27:54,250

behind them comes all inspector and and

574

00:28:01,120 --> 00:27:58,490

Gerald Ford and others who consciously

575

00:28:03,430 --> 00:28:01,130

or subconsciously went along with the

576

00:28:05,950 --> 00:28:03,440

cover-up and some of the people who

577

00:28:08,080 --> 00:28:05,960

participated in the cover-up did not do

578

00:28:11,650 --> 00:28:08,090

it for sinister reasons for example

579

00:28:13,870 --> 00:28:11,660

Chief Justice Earl Warren turned down

580

00:28:16,810 --> 00:28:13,880

the chairmanship of the Warren

581

00:28:19,930 --> 00:28:16,820

Commission three times until finally

582

00:28:22,450 --> 00:28:19,940

Linda Johnson called him in for a

583

00:28:25,000 --> 00:28:22,460

face-to-face meeting and told him said

584

00:28:27,430 --> 00:28:25,010

look you were a military officer in

585

00:28:29,770 --> 00:28:27,440

World War one and you've got to do your

586

00:28:31,810 --> 00:28:29,780

duty now and chair this committee and

587

00:28:34,450 --> 00:28:31,820

you got to find that Oswald was guilty

588

00:28:36,970 --> 00:28:34,460

and did it all by himself otherwise it

589

00:28:38,919 --> 00:28:36,980

might lead to World War three and you'd

590

00:28:42,430 --> 00:28:38,929

have the lives of 20 million Americans

591

00:28:43,630 --> 00:28:42,440

on your conscience and according to the

592

00:28:45,670 --> 00:28:43,640

reports

593

00:28:48,790 --> 00:28:45,680

Earl Warren left this meeting with tears

594

00:28:51,130 --> 00:28:48,800

in his eyes and very grudgingly chaired

595

00:28:53,620 --> 00:28:51,140

the Warren Commission which was about

596

00:28:56,410 --> 00:28:53,630

the saddest example of an investigation

597

00:28:59,470 --> 00:28:56,420

that you can conceive of well yes

598

00:29:02,350 --> 00:28:59,480

definitely why why are some of the

599

00:29:04,270 --> 00:29:02,360

documents the files on this not even

600

00:29:07,240 --> 00:29:04,280

going to be unlocked until twenty thirty

601
00:29:10,630 --> 00:29:07,250
nine Jim well because what I'm telling

602
00:29:13,210 --> 00:29:10,640
you is is that on November the 22nd 1963

603
00:29:16,720 --> 00:29:13,220
the United States of America suffered a

604
00:29:19,330 --> 00:29:16,730
coup d'etat okay they took over and a

605
00:29:21,790 --> 00:29:19,340
coup d'etat his dictionary definition is

606
00:29:24,490 --> 00:29:21,800
a change of government through a violent

607
00:29:29,140 --> 00:29:24,500
act and that's exactly what happened in

608
00:29:32,710 --> 00:29:29,150
Dallas in 1963 in fact they were well

609
00:29:35,920 --> 00:29:32,720
aware of this John J McCloy who had been

610
00:29:38,440 --> 00:29:35,930
a mentor to Allen Dulles a big member of

611
00:29:41,020 --> 00:29:38,450
the Council on Foreign Relations former

612
00:29:44,230 --> 00:29:41,030
CEO of City National Bank which is now

613
00:29:47,830 --> 00:29:44,240

city Corp was one of the largest lenders

614

00:29:49,870 --> 00:29:47,840

of money to Hitler the Nazis sat on the

615

00:29:52,300 --> 00:29:49,880

Warren Commission and during one of

616

00:29:55,030 --> 00:29:52,310

their sessions he says it is of the most

617

00:29:57,280 --> 00:29:55,040

paramount importance that we show the

618

00:29:59,590 --> 00:29:57,290

world that the United States is not just

619

00:30:02,260 --> 00:29:59,600

another Banana Republic where the

620

00:30:05,230 --> 00:30:02,270

government can be changed you know

621

00:30:07,390 --> 00:30:05,240

through a conspiracy but I'm here to

622

00:30:09,880 --> 00:30:07,400

tell you the sad truth is that we are

623

00:30:13,360 --> 00:30:09,890

just another Banana Republic and it

624

00:30:16,990 --> 00:30:13,370

that's what happened in 1963 that is the

625

00:30:18,940 --> 00:30:17,000

truth well and they I think I also read

626

00:30:22,810 --> 00:30:18,950

that they kind of modeled that whole

627

00:30:25,600 --> 00:30:22,820

protocol of the Patsy and multiple

628

00:30:28,230 --> 00:30:25,610

snipers and a triangulated shot they

629

00:30:31,330 --> 00:30:28,240

modeled that in a Guatemalan

630

00:30:34,870 --> 00:30:31,340

assassination didn't they oh oh yeah

631

00:30:37,720 --> 00:30:34,880

well it's it's you know a triangulation

632

00:30:42,490 --> 00:30:37,730

of fire in a ambush you know with

633

00:30:46,090 --> 00:30:42,500

snipers and then a scapegoat to throw

634

00:30:48,430 --> 00:30:46,100

the whole thing off false flags you know

635

00:30:51,430 --> 00:30:48,440

where you trying to lay the blame off on

636

00:30:52,810 --> 00:30:51,440

Castro from the Russians or on somebody

637

00:30:56,290 --> 00:30:52,820

else I mean that's just standard

638

00:30:57,460 --> 00:30:56,300

operating procedure you know it's just

639

00:31:00,549 --> 00:30:57,470

the way it works

640

00:31:02,919 --> 00:31:00,559

and in fact I think it works a well form

641

00:31:08,769 --> 00:31:02,929

that they used it again on September the

642

00:31:10,210 --> 00:31:08,779

11th 2001 ironically enough when they

643

00:31:12,759 --> 00:31:10,220

created the house

644

00:31:14,409 --> 00:31:12,769

assassinations record Review Board in

645

00:31:16,299 --> 00:31:14,419

the wake of the Oliver Stone movie

646

00:31:18,190 --> 00:31:16,309

because everybody said free the files

647

00:31:20,830 --> 00:31:18,200

and by the way they're still not free

648

00:31:22,480 --> 00:31:20,840

CIA and the Secret Service still have

649

00:31:24,310 --> 00:31:22,490

files pertaining the Kennedy

650

00:31:26,409 --> 00:31:24,320

assassination that they dragged their

651
00:31:30,009 --> 00:31:26,419
feet on and they're still not been made

652
00:31:33,570 --> 00:31:30,019
public but in their what they did find

653
00:31:36,759 --> 00:31:33,580
was a copy of the operation Northwoods

654
00:31:40,029 --> 00:31:36,769
which was devised by the Joint Chiefs of

655
00:31:42,549 --> 00:31:40,039
Staff back in 1962 following the

656
00:31:45,100 --> 00:31:42,559
ill-fated Bay of Pigs invasion and this

657
00:31:48,749 --> 00:31:45,110
plan are you ready for this set off

658
00:31:51,330 --> 00:31:48,759
bombs in American cities killed selected

659
00:31:54,580 --> 00:31:51,340
assassination targets in America

660
00:31:58,299 --> 00:31:54,590
hijacked planes and hijacked ships and

661
00:32:01,180 --> 00:31:58,309
then blame it all on Castro so that they

662
00:32:04,029 --> 00:32:01,190
could mount another invasion of Cuba

663
00:32:07,560 --> 00:32:04,039

with the support of the American people

664

00:32:11,379 --> 00:32:07,570

now this incredible plan was actually

665

00:32:14,200 --> 00:32:11,389

approved by the Joint Chiefs of Staff it

666

00:32:17,320 --> 00:32:14,210

was only Kennedy who said we don't play

667

00:32:19,299 --> 00:32:17,330

that game and he stopped it in fact

668

00:32:22,749 --> 00:32:19,309

ordered them to destroy all the copies

669

00:32:25,119 --> 00:32:22,759

of Northwoods but ironically enough at

670

00:32:27,430 --> 00:32:25,129

least one copy survived and a government

671

00:32:29,470 --> 00:32:27,440

file somewhere and who finds it but the

672

00:32:32,409 --> 00:32:29,480

assassination records Review Board in

673

00:32:36,850 --> 00:32:32,419

the early 90s created to find documents

674

00:32:42,940 --> 00:32:36,860

from the Kennedy time period and one of

675

00:32:45,639 --> 00:32:42,950

the schemes of Northwoods was to take an

676

00:32:49,119 --> 00:32:45,649

aircraft that was the same kind as a

677

00:32:53,019 --> 00:32:49,129

commercial airliner and painted up to

678

00:32:55,810 --> 00:32:53,029

look like a a airliner and then take a

679

00:32:58,240 --> 00:32:55,820

regularly scheduled flight land that and

680

00:33:01,990 --> 00:32:58,250

D playing the passengers and then take

681

00:33:03,970 --> 00:33:02,000

off again in this phony plane that was

682

00:33:07,149 --> 00:33:03,980

painted up and had the same tail numbers

683

00:33:11,139 --> 00:33:07,159

and it was flown remotely and they could

684

00:33:14,499 --> 00:33:11,149

do this in 1962 guys by remote control

685

00:33:17,649 --> 00:33:14,509

out over the Caribbean and then remotely

686

00:33:19,989 --> 00:33:17,659

trigger a broadcasting signal that says

687

00:33:23,889 --> 00:33:19,999

help help Mayday and we're under attack

688

00:33:26,320 --> 00:33:23,899

by Cuban Jets and then by remote-control

689

00:33:28,629 --> 00:33:26,330

trigger a bomb and blow the thing up and

690

00:33:30,669 --> 00:33:28,639

it sinks into the Caribbean and we blame

691

00:33:33,219 --> 00:33:30,679

it on Castro Wow

692

00:33:36,489 --> 00:33:33,229

and I think something very similar

693

00:33:38,079 --> 00:33:36,499

happened on the morning of 9/11 you have

694

00:33:42,779 --> 00:33:38,089

another book about that don't you

695

00:33:45,639 --> 00:33:42,789

yep the conspiracy revisited all right

696

00:33:50,609 --> 00:33:45,649

so what you need to do folks is go to

697

00:33:54,399 --> 00:33:50,619

amazon.com put in Jim Marrs ma RR s and

698

00:33:57,339 --> 00:33:54,409

get your little credit card out and with

699

00:33:59,320 --> 00:33:57,349

your nimble fingers select some books

700

00:34:03,430 --> 00:33:59,330

and put your number in and purchase them

701
00:34:05,680 --> 00:34:03,440
a couple people in the chat room Jim are

702
00:34:06,999 --> 00:34:05,690
talking about and I think I saw

703
00:34:08,769 --> 00:34:07,009
something about this a couple of weeks

704
00:34:12,819 --> 00:34:08,779
ago on one of these specials he Howard

705
00:34:16,000 --> 00:34:12,829
hunt a deathbed confession mmm-hmm what

706
00:34:19,950 --> 00:34:16,010
do you have to say about that well yeah

707
00:34:24,730 --> 00:34:19,960
I've met with his son st. John hunt and

708
00:34:30,099 --> 00:34:24,740
saw all of the material that he has and

709
00:34:32,409 --> 00:34:30,109
it certainly makes a lot of sense he

710
00:34:34,000 --> 00:34:32,419
said his father well of course Aaron

711
00:34:37,359 --> 00:34:34,010
hunt was right at the heart of all of

712
00:34:38,980 --> 00:34:37,369
this stuff without going into all the

713
00:34:41,019 --> 00:34:38,990

nuts and bolts of it let me just point

714

00:34:43,930 --> 00:34:41,029

out that it was the Howard hunt who

715

00:34:47,409 --> 00:34:43,940

blackmailed Richard Nixon all right on

716

00:34:51,639 --> 00:34:47,419

the Watergate tapes and they we learned

717

00:34:54,129 --> 00:34:51,649

that he heard hunt was asking Nixon for

718

00:34:56,710 --> 00:34:54,139

two million dollars or he would break

719

00:34:59,440 --> 00:34:56,720

open the whole Bay of Pigs thing and

720

00:35:02,710 --> 00:34:59,450

Nixon on the White House tape says well

721

00:35:03,430 --> 00:35:02,720

that would be bad for us oh and bad for

722

00:35:06,130 --> 00:35:03,440

the country

723

00:35:08,319 --> 00:35:06,140

you know nabe since he had installed the

724

00:35:11,039 --> 00:35:08,329

listening devices yes he suddenly

725

00:35:14,079 --> 00:35:11,049

realized he was probably being taped and

726

00:35:16,059 --> 00:35:14,089

there was other discussion saying yes we

727

00:35:19,240 --> 00:35:16,069

we can't go into that whole Bay of Pigs

728

00:35:21,370 --> 00:35:19,250

thing you know and then of course they

729

00:35:23,019 --> 00:35:21,380

he agreed he said pay me money and they

730

00:35:24,610 --> 00:35:23,029

got the two million dollars they paid it

731

00:35:26,980 --> 00:35:24,620

to Hunt's wife Dorothy

732

00:35:30,070 --> 00:35:26,990

but then she took a plane flight and the

733

00:35:33,370 --> 00:35:30,080

whole plane crashed and FBI agent showed

734

00:35:36,060 --> 00:35:33,380

up even before the paramedics and you

735

00:35:38,950 --> 00:35:36,070

know a bunch of stuff turned up missing

736

00:35:39,880 --> 00:35:38,960

but so what was the big deal about the

737

00:35:41,170 --> 00:35:39,890

Bay of Pigs

738

00:35:44,260 --> 00:35:41,180

what was that were they talking about

739

00:35:46,120 --> 00:35:44,270

the whole Bay of Pigs thing and because

740

00:35:48,790 --> 00:35:46,130

the Bay of Pigs of course was already

741

00:35:51,040 --> 00:35:48,800

over with and the invaders had been

742

00:35:54,070 --> 00:35:51,050

stopped and captured and it was a

743

00:35:58,060 --> 00:35:54,080

disaster and even though Kennedy was

744

00:35:59,470 --> 00:35:58,070

presented with a fait accompli he didn't

745

00:36:02,500 --> 00:35:59,480

even know there was going to be an

746

00:36:04,960 --> 00:36:02,510

invasion Cuba until after he got elected

747

00:36:05,740 --> 00:36:04,970

president and it was already a foregone

748

00:36:09,370 --> 00:36:05,750

conclusion

749

00:36:11,440 --> 00:36:09,380

you know they and and yet he came on

750

00:36:13,810 --> 00:36:11,450

television I can remember him saying

751

00:36:15,970 --> 00:36:13,820

that he was like the captain the ship

752

00:36:20,080 --> 00:36:15,980

and he had it was his responsibility and

753

00:36:22,720 --> 00:36:20,090

he would take the responsibility unlike

754

00:36:24,970 --> 00:36:22,730

our leaders today who are always saying

755

00:36:27,030 --> 00:36:24,980

in the opposition's and it is the fault

756

00:36:29,350 --> 00:36:27,040

you know they they did it they did it

757

00:36:32,560 --> 00:36:29,360

never taking responsibility for

758

00:36:36,700 --> 00:36:32,570

themselves and so what's the whole thing

759

00:36:39,370 --> 00:36:36,710

about the Bay of Pigs well I believe is

760

00:36:42,970 --> 00:36:39,380

Ehrlichman or no Haldeman HR Haldeman

761

00:36:44,950 --> 00:36:42,980

the aide to Richard Nixon wrote a book

762

00:36:47,290 --> 00:36:44,960

and in there he said he finally figured

763

00:36:49,000 --> 00:36:47,300

out that all these times that Nixon was

764

00:36:51,790 --> 00:36:49,010

talking about the whole Bay of Pigs

765

00:36:55,300 --> 00:36:51,800

thing he was actually talking about the

766

00:36:59,320 --> 00:36:55,310

Kennedy assassination so see there was

767

00:37:01,510 --> 00:36:59,330

just you have to understand Kennedy it's

768

00:37:03,430 --> 00:37:01,520

generally thought that he was just part

769

00:37:06,070 --> 00:37:03,440

of the liberal eastern money's

770

00:37:09,700 --> 00:37:06,080

establishment and in a certain way I

771

00:37:12,160 --> 00:37:09,710

guess he was but not really his dad Joe

772

00:37:14,790 --> 00:37:12,170

Kennedy was the son of a poor Irish

773

00:37:18,400 --> 00:37:14,800

immigrant and they had been dense

774

00:37:21,160 --> 00:37:18,410

discriminated against like any other of

775

00:37:24,940 --> 00:37:21,170

the minorities back in the 1800s and

776

00:37:28,450 --> 00:37:24,950

early 1900s and that was one reason Joe

777

00:37:30,310 --> 00:37:28,460

Kennedy wanted his sons to be powerful

778

00:37:31,930 --> 00:37:30,320

and maybe even get to be President in

779

00:37:34,480 --> 00:37:31,940

United States to simply prove to

780

00:37:38,050 --> 00:37:34,490

everyone that they were good as anyone

781

00:37:40,990 --> 00:37:38,060

else and maybe he could get a yes

782

00:37:46,510 --> 00:37:41,000

membership in the Boston Country Club or

783

00:37:48,010 --> 00:37:46,520

something and so he really was quite

784

00:37:50,740 --> 00:37:48,020

different from every other president

785

00:37:54,940 --> 00:37:50,750

we've ever had at forty five he was the

786

00:37:57,160 --> 00:37:54,950

youngest president in US history and he

787

00:38:00,400 --> 00:37:57,170

was also the first president born in the

788

00:38:03,130 --> 00:38:00,410

20th century he's one of the most highly

789

00:38:05,320 --> 00:38:03,140

educated of the presidents and plus his

790

00:38:08,350 --> 00:38:05,330

family had lots of money Joe was pretty

791

00:38:10,990 --> 00:38:08,360

rich and so he wasn't scrambling around

792

00:38:14,400 --> 00:38:11,000

trying to make money like some of the

793

00:38:18,790 --> 00:38:14,410

other presidents and so he had a

794

00:38:22,300 --> 00:38:18,800

intellectual and worldview that was

795

00:38:25,960 --> 00:38:22,310

overt above a lot of the other grubby

796

00:38:29,920 --> 00:38:25,970

politicians and even though I was not a

797

00:38:33,180 --> 00:38:29,930

big fan of Kennedys at the time and I

798

00:38:36,610 --> 00:38:33,190

have to grudgingly say that he was

799

00:38:39,070 --> 00:38:36,620

taking steps that at least he truly

800

00:38:43,890 --> 00:38:39,080

believed was in the best interest of the

801

00:38:49,300 --> 00:38:43,900

public of this country supporting

802

00:38:52,750 --> 00:38:49,310

integration and withdrawing withholding

803

00:38:55,270 --> 00:38:52,760

ground combat troops from Vietnam I am

804

00:38:58,360 --> 00:38:55,280

convinced now based on his national

805

00:39:00,420 --> 00:38:58,370

security action memorandum where he had

806

00:39:03,460 --> 00:39:00,430

agreed that we could pull out troops by

807

00:39:07,450 --> 00:39:03,470

1965 and in fact I'll not come to the

808

00:39:10,300 --> 00:39:07,460

11th 1963 in this memo he said make no

809

00:39:13,210 --> 00:39:10,310

formal announcement but begin their

810

00:39:21,910 --> 00:39:13,220

withdrawal of 1000 military advisers and

811

00:39:24,430 --> 00:39:21,920

then on Monday 24th of November ya know

812

00:39:26,440 --> 00:39:24,440

when Johnson took office right fifth

813

00:39:29,530 --> 00:39:26,450

Monday would be the 25th of November

814

00:39:31,960 --> 00:39:29,540

when Johnson is back in his own office

815

00:39:36,040 --> 00:39:31,970

he issues national security action

816

00:39:39,160 --> 00:39:36,050

memorandum 273 which buried in there

817

00:39:43,530 --> 00:39:39,170

says do not drop military or financial

818

00:39:46,210 --> 00:39:43,540

assistance to military to South Vietnam

819

00:39:47,740 --> 00:39:46,220

that would drop it below the levels of

820

00:39:50,530 --> 00:39:47,750

the diem government will the diem

821

00:39:50,880 --> 00:39:50,540

brothers were assassinated different

822

00:39:53,279 --> 00:39:50,890

rounds

823

00:39:56,700 --> 00:39:53,289

first of October 63 so that effectively

824

00:39:59,789 --> 00:39:56,710

stopped Kennedy's pullout orders okay

825

00:40:01,829 --> 00:39:59,799

the dr. Johnson's document goes on to

826

00:40:04,410 --> 00:40:01,839

talk about the plausibility of denial

827

00:40:06,690 --> 00:40:04,420

can we possibly deny we're doing all

828

00:40:09,480 --> 00:40:06,700

this drawing up war plans against

829

00:40:13,289 --> 00:40:09,490

layoffs prosecuting the war

830

00:40:15,390 --> 00:40:13,299

moving on to North Vietnam except etc so

831

00:40:17,789 --> 00:40:15,400

in other words that is what set us on

832

00:40:21,900 --> 00:40:17,799

the course to the full-blown Vietnam War

833

00:40:25,170 --> 00:40:21,910

now Laurel here's the clinker I managed

834

00:40:28,200 --> 00:40:25,180

to get a copy of the draft of Johnson's

835

00:40:30,990 --> 00:40:28,210

national security action memorandum 273

836

00:40:33,960 --> 00:40:31,000

from the Johnson library in Austin Texas

837

00:40:39,180 --> 00:40:33,970

and guess when this thing was being

838

00:40:42,359 --> 00:40:39,190

written on November the 21st 1963 so the

839

00:40:46,200 --> 00:40:42,369

day before Kennedy was assassinated

840

00:40:49,259 --> 00:40:46,210

they were completely changing his plans

841

00:40:52,079 --> 00:40:49,269

for Vietnam obviously they knew he was

842

00:40:55,710 --> 00:40:52,089

not going to be around to counter men

843

00:40:58,259 --> 00:40:55,720

these orders right do you know if anyone

844

00:41:00,779 --> 00:40:58,269

ever talked to the limousine drivers

845

00:41:03,749 --> 00:41:00,789

after all of this I mean surely someone

846

00:41:06,950 --> 00:41:03,759

interviewed them yes well judge Greer

847

00:41:09,210 --> 00:41:06,960

the driver of Kennedy's limousine

848

00:41:11,490 --> 00:41:09,220

testified to the Warren Commission and

849

00:41:13,650 --> 00:41:11,500

he said that he didn't even know the

850

00:41:17,519 --> 00:41:13,660

assassination happened that he never

851

00:41:19,109 --> 00:41:17,529

looked back and said all he the first

852

00:41:21,809 --> 00:41:19,119

thing he knew was when Roy Kellerman

853

00:41:23,970 --> 00:41:21,819

who's sitting next to him in the in the

854

00:41:26,400 --> 00:41:23,980

passenger seat said we're hit get us out

855

00:41:29,640 --> 00:41:26,410

of here okay and he said then he hit the

856

00:41:31,920 --> 00:41:29,650

accelerator as was the standard

857

00:41:35,519 --> 00:41:31,930

procedure for Secret Service security

858

00:41:36,089 --> 00:41:35,529

and they and he pulled on out of Dealey

859

00:41:38,309 --> 00:41:36,099

Plaza

860

00:41:40,859 --> 00:41:38,319

now the problem there is is that

861

00:41:43,289 --> 00:41:40,869

photographs and films show quite a

862

00:41:45,749 --> 00:41:43,299

different version try a show that after

863

00:41:48,089 --> 00:41:45,759

the first shots the brake lights come on

864

00:41:51,539 --> 00:41:48,099

the car and the presidential limousine

865

00:41:53,970 --> 00:41:51,549

came to almost a complete stop and if

866

00:41:56,730 --> 00:41:53,980

they in fact on that back Secret Service

867

00:41:59,339 --> 00:41:56,740

backup car almost bumped up on the rear

868

00:42:02,339 --> 00:41:59,349

bumper and that's when six urges agent

869

00:42:03,960 --> 00:42:02,349

Clint Hill jumped off and raced up and

870

00:42:06,960 --> 00:42:03,970

jumped on the back of

871

00:42:08,760 --> 00:42:06,970

chimneys limousine and it also in the

872

00:42:10,710 --> 00:42:08,770

Zapruder film you can plainly see that

873

00:42:13,040 --> 00:42:10,720

the driver turns his head to the right

874

00:42:16,050 --> 00:42:13,050

looks back over his right shoulder

875

00:42:17,700 --> 00:42:16,060

directly Kennedy until after the fatal

876

00:42:19,650 --> 00:42:17,710

head shot and then his head looks

877

00:42:21,690 --> 00:42:19,660

forward and then the old brake lights

878

00:42:26,160 --> 00:42:21,700

come off the car and it begins to

879

00:42:27,900 --> 00:42:26,170

accelerate out of the plaza right oh oh

880

00:42:30,210 --> 00:42:27,910

I think there's a lot of question of

881

00:42:32,910 --> 00:42:30,220

course what we also know is that the

882

00:42:35,760 --> 00:42:32,920

Secret Service detail the night before

883

00:42:38,430 --> 00:42:35,770

had gone they were in Fort Worth and

884

00:42:42,480 --> 00:42:38,440

while Kennedy was that the Texas Hotel

885

00:42:44,400 --> 00:42:42,490

they left some Fort Worth firemen to two

886

00:42:46,320 --> 00:42:44,410

guarding and all the Secret Service

887

00:42:48,510 --> 00:42:46,330

detachment went off to the Press Club

888

00:42:51,420 --> 00:42:48,520

started drinking and then about midnight

889

00:42:53,070 --> 00:42:51,430

when it was too late to bees and serving

890

00:42:55,560 --> 00:42:53,080

drinks thanks to the Liquor Control

891

00:42:58,110 --> 00:42:55,570

Board they moved a little party up to

892

00:43:01,470 --> 00:42:58,120

the Pat Kirkwood cellar where they were

893

00:43:04,310 --> 00:43:01,480

drinking and mixed drinks until about

894

00:43:07,740 --> 00:43:04,320

5:00 in the morning of the assassination

895

00:43:09,060 --> 00:43:07,750

unbelievable unbelievable listen Jim

896

00:43:11,310 --> 00:43:09,070

we're gonna we're coming up on a break

radio show we are listening to the one

987
00:47:47,609 --> 00:47:44,880
and only jim marris

988
00:47:50,880 --> 00:47:47,619

talking about his recently re-released

989

00:47:53,910 --> 00:47:50,890

an updated book crossfire the plot that

990

00:47:56,310 --> 00:47:53,920

killed Kennedy hot off the press as of

991

00:48:00,840 --> 00:47:56,320

October the 22nd just a couple of weeks

992

00:48:03,270 --> 00:48:00,850

ago and I tell you what we we got Jim on

993

00:48:05,750 --> 00:48:03,280

the on the line here with us five or so

994

00:48:08,040 --> 00:48:05,760

minutes before we started tonight and

995

00:48:10,290 --> 00:48:08,050

there hasn't it's been hard to get a

996

00:48:12,390 --> 00:48:10,300

word in edgewise here and it's too bad

997

00:48:14,010 --> 00:48:12,400

you weren't with us over the break but

998

00:48:16,650 --> 00:48:14,020

I'll try and bring up some of the topics

999

00:48:19,650 --> 00:48:16,660

so you can hear them let me give you the

1000

00:48:23,900 --> 00:48:19,660

radio call-in line it's eight eight

1001
00:48:28,080 --> 00:48:23,910
eight nine one nine two three five five

1002
00:48:29,760 --> 00:48:28,090
Jim you were talking several several

1003
00:48:30,830 --> 00:48:29,770
things I want to bring up here first of

1004
00:48:33,170 --> 00:48:30,840
all we're

1005
00:48:34,910 --> 00:48:33,180
about Kennedy really didn't want us

1006
00:48:38,090 --> 00:48:34,920
going into Vietnam he was planning on

1007
00:48:39,890 --> 00:48:38,100
bringing out the advisors and not

1008
00:48:41,420 --> 00:48:39,900
sending boots on the ground as they like

1009
00:48:43,370 --> 00:48:41,430
to call him now

1010
00:48:44,870 --> 00:48:43,380
somebody got rich off that war though

1011
00:48:46,730 --> 00:48:44,880
didn't they isn't that one of the main

1012
00:48:51,290 --> 00:48:46,740
reasons they were such a push to go into

1013
00:48:55,250 --> 00:48:51,300

it absolutely in fact when you stop and

1014

00:48:58,730 --> 00:48:55,260

look at it especially in Texas we did

1015

00:49:00,500 --> 00:48:58,740

quite well there in Vietnam or we had I

1016

00:49:02,990 --> 00:49:00,510

mean right up here in dallas-fort Worth

1017

00:49:05,330 --> 00:49:03,000

area we had General Dynamics and we had

1018

00:49:07,040 --> 00:49:05,340

the Fort Walters over Mineral Wells

1019

00:49:08,930 --> 00:49:07,050

where they're training the helicopter

1020

00:49:11,330 --> 00:49:08,940

pilots and helicopters being made at

1021

00:49:13,970 --> 00:49:11,340

Bell Helicopter which is between Dallas

1022

00:49:16,550 --> 00:49:13,980

and Fort Worth and lean Tim cobalt was

1023

00:49:19,910 --> 00:49:16,560

here Texas Instruments and not to

1024

00:49:22,220 --> 00:49:19,920

mention Brown and Root and the brown

1025

00:49:24,820 --> 00:49:22,230

brothers had put in Lyndon Johnson into

1026

00:49:27,980 --> 00:49:24,830

office back in the 40s to save a

1027

00:49:32,270 --> 00:49:27,990

electriss-- electrical dam project down

1028

00:49:34,070 --> 00:49:32,280

in South Texas and he saved that formed

1029

00:49:36,380 --> 00:49:34,080

and then they got him the contract to

1030

00:49:38,990 --> 00:49:36,390

build a Navy base at Corpus Christi and

1031

00:49:41,000 --> 00:49:39,000

and of course Brown & Root was major

1032

00:49:43,250 --> 00:49:41,010

contractors in Vietnam and built the

1033

00:49:45,260 --> 00:49:43,260

highways and runways and but you could

1034

00:49:49,220 --> 00:49:45,270

built the whole port of Cameron Bay and

1035

00:49:51,380 --> 00:49:49,230

so you know where everybody in Texas did

1036

00:49:52,970 --> 00:49:51,390

pretty well so that's why there were a

1037

00:49:54,440 --> 00:49:52,980

lot of people had nothing to do with the

1038

00:49:57,140 --> 00:49:54,450

assassination but they weren't too

1039

00:49:59,030 --> 00:49:57,150

inclined to try to look under the rocks

1040

00:50:01,220 --> 00:49:59,040

and find out what was actually going on

1041

00:50:03,530 --> 00:50:01,230

but I'll tell you I think the main

1042

00:50:05,650 --> 00:50:03,540

reason that so many people went along

1043

00:50:09,260 --> 00:50:05,660

with it well let me just put it this way

1044

00:50:11,390 --> 00:50:09,270

the polls show and I think anybody goes

1045

00:50:14,030 --> 00:50:11,400

travels around much and if you actually

1046

00:50:17,870 --> 00:50:14,040

get out of your own little clique in

1047

00:50:19,670 --> 00:50:17,880

circles you find that about half the

1048

00:50:24,080 --> 00:50:19,680

country right now

1049

00:50:25,400 --> 00:50:24,090

Loes President Obama okay and I think

1050

00:50:27,560 --> 00:50:25,410

it's growing now that everybody's

1051

00:50:29,480 --> 00:50:27,570

figured out that is Obamacare is not

1052

00:50:30,530 --> 00:50:29,490

anything like what it was cracked up to

1053

00:50:33,590 --> 00:50:30,540

be

1054

00:50:37,910 --> 00:50:33,600

but anyway and so I think in saying some

1055

00:50:40,280 --> 00:50:37,920

people are very anti Obama and then so

1056

00:50:42,740 --> 00:50:40,290

if tomorrow if it was suddenly announced

1057

00:50:44,100 --> 00:50:42,750

that Obama had been assassinated

1058

00:50:46,320 --> 00:50:44,110

you know all

1059

00:50:48,030 --> 00:50:46,330

half the country is going to go well you

1060

00:50:48,570 --> 00:50:48,040

know good maybe that's good for the

1061

00:50:51,300 --> 00:50:48,580

country

1062

00:50:54,750 --> 00:50:51,310

well that's today in a more

1063

00:50:59,820 --> 00:50:54,760

knowledgeable and a more open time

1064

00:51:04,290 --> 00:50:59,830

society in the calmer quieter yet more

1065

00:51:06,840 --> 00:51:04,300

provincial days 1963 you can multiply

1066

00:51:09,360 --> 00:51:06,850

those feelings by a factor of 10 and

1067

00:51:11,520 --> 00:51:09,370

there were those who dis detested

1068

00:51:14,760 --> 00:51:11,530

Kennedy and truly believed that he was a

1069

00:51:17,370 --> 00:51:14,770

threat and a danger to the country and

1070

00:51:19,560 --> 00:51:17,380

unfortunately these people who felt like

1071

00:51:22,140 --> 00:51:19,570

that what and felt that way we're not

1072

00:51:24,840 --> 00:51:22,150

your run-of-the-mill citizens or the man

1073

00:51:27,630 --> 00:51:24,850

on the street they were the captains of

1074

00:51:31,350 --> 00:51:27,640

industry and the officers of the

1075

00:51:33,450 --> 00:51:31,360

Pentagon and the intelligence chiefs and

1076
00:51:36,780 --> 00:51:33,460
these are all working hand in glove with

1077
00:51:39,720 --> 00:51:36,790
the mafia in fact they've kept the

1078
00:51:42,120 --> 00:51:39,730
researchers off balance for years by

1079
00:51:44,780 --> 00:51:42,130
trying to say well okay so who was

1080
00:51:48,180 --> 00:51:44,790
behind the assassination and once you

1081
00:51:51,510 --> 00:51:48,190
once you disregard the idea of a foreign

1082
00:51:53,670 --> 00:51:51,520
conspiracy even Russians or Castro or

1083
00:51:56,430 --> 00:51:53,680
whatever which has never been proven and

1084
00:51:59,520 --> 00:51:56,440
in fact there's a very obvious lack of

1085
00:52:01,260 --> 00:51:59,530
any hard evidence parting to pointing to

1086
00:52:03,000 --> 00:52:01,270
the involvement and besides that you

1087
00:52:05,610 --> 00:52:03,010
have to ask yourself could Castro or

1088
00:52:07,650 --> 00:52:05,620

could Khrushchev have blocked a federal

1089

00:52:09,630 --> 00:52:07,660

investigation could they have put phony

1090

00:52:12,180 --> 00:52:09,640

documents in the FBI files

1091

00:52:13,590 --> 00:52:12,190

could they have altered evidence while

1092

00:52:16,020 --> 00:52:13,600

it was in the hands of the federal

1093

00:52:19,050 --> 00:52:16,030

authorities and the answer is no so

1094

00:52:21,120 --> 00:52:19,060

you're back now to a domestic plot so

1095

00:52:24,180 --> 00:52:21,130

the question now becomes was at the CIA

1096

00:52:26,640 --> 00:52:24,190

was it the Mafia was it the anti-castro

1097

00:52:31,470 --> 00:52:26,650

Cubans was that the military was it the

1098

00:52:33,930 --> 00:52:31,480

FBI and the answer is yes yes yes all of

1099

00:52:36,480 --> 00:52:33,940

the above and where do you where do you

1100

00:52:39,900 --> 00:52:36,490

find all of those groups and

1101
00:52:42,540 --> 00:52:39,910
organizations intertwined in operation

1102
00:52:45,990 --> 00:52:42,550
Mongoose which was the secret war

1103
00:52:48,180 --> 00:52:46,000
against Fidel Castro headquartered out

1104
00:52:51,630 --> 00:52:48,190
of the gym wave station on the

1105
00:52:54,780 --> 00:52:51,640
University of Miami and they had offices

1106
00:52:56,290 --> 00:52:54,790
and operatives ranging around the

1107
00:52:59,320 --> 00:52:56,300
Caribbean

1108
00:53:02,350 --> 00:52:59,330
and of course Miami was the hotbed but

1109
00:53:06,270 --> 00:53:02,360
also Atlanta and also New Orleans New

1110
00:53:10,320 --> 00:53:06,280
Orleans although Dallas Texas and so

1111
00:53:13,480 --> 00:53:10,330
they're under operation monitors you had

1112
00:53:15,970 --> 00:53:13,490
people being trained to go against

1113
00:53:20,730 --> 00:53:15,980

Castro that included anti-castro Cubans

1114

00:53:23,440 --> 00:53:20,740

US military people CIA people FBI people

1115

00:53:25,720 --> 00:53:23,450

and so there and and my and they were

1116

00:53:29,470 --> 00:53:25,730

working hand in glove with the Mafia to

1117

00:53:31,960 --> 00:53:29,480

provide hitmen so I think well I think

1118

00:53:34,480 --> 00:53:31,970

what happened here was they simply

1119

00:53:36,610 --> 00:53:34,490

decided that before they could do

1120

00:53:38,620 --> 00:53:36,620

anything about the problem in Cuba they

1121

00:53:40,900 --> 00:53:38,630

had to do something about the problem in

1122

00:53:43,300 --> 00:53:40,910

Washington so they simply sent some of

1123

00:53:44,770 --> 00:53:43,310

the hit teams to Dallas and then they

1124

00:53:46,840 --> 00:53:44,780

were able to cover the whole thing up

1125

00:53:50,530 --> 00:53:46,850

because they control the investigation

1126
00:53:54,400 --> 00:53:50,540
from the very top and and there were

1127
00:53:56,890 --> 00:53:54,410
actually two other planned assassination

1128
00:54:00,790 --> 00:53:56,900
attempts in November of that year on him

1129
00:54:03,340 --> 00:54:00,800
one in Tampa and one in Chicago and one

1130
00:54:05,380 --> 00:54:03,350
of them he avoided the motorcade because

1131
00:54:08,320 --> 00:54:05,390
he decided he was pretty obsessed

1132
00:54:10,270 --> 00:54:08,330
already wasn't he with the fact that he

1133
00:54:13,030 --> 00:54:10,280
was probably going to be shot and killed

1134
00:54:16,570 --> 00:54:13,040
it wasn't he making comments like you

1135
00:54:18,460 --> 00:54:16,580
know he was rifle I wouldn't say he was

1136
00:54:20,590 --> 00:54:18,470
obsessed but yeah he was certainly aware

1137
00:54:23,020 --> 00:54:20,600
of that possibility and you're right

1138
00:54:24,940 --> 00:54:23,030

because he had told close friends he

1139

00:54:26,440 --> 00:54:24,950

said oh if they want to give me then get

1140

00:54:29,020 --> 00:54:26,450

me you know just put a guy on a rifle

1141

00:54:32,110 --> 00:54:29,030

with a rifle on a high building yeah and

1142

00:54:34,780 --> 00:54:32,120

the assassination attempt in Chicago to

1143

00:54:38,500 --> 00:54:34,790

me is especially interesting because

1144

00:54:41,290 --> 00:54:38,510

that involved the first black Secret

1145

00:54:44,130 --> 00:54:41,300

Service agent Abraham Bolden and I have

1146

00:54:48,670 --> 00:54:44,140

interviewed and spoken with Bolden and

1147

00:54:53,050 --> 00:54:48,680

he has a rough time because they they

1148

00:54:55,900 --> 00:54:53,060

they retaliated against him for blowing

1149

00:54:57,700 --> 00:54:55,910

the whistle on this Chicago plot and

1150

00:54:59,980 --> 00:54:57,710

saying they changed had to change stuff

1151

00:55:01,660 --> 00:54:59,990

up and it didn't happen but the thing

1152

00:55:05,170 --> 00:55:01,670

that's the most interesting to me is

1153

00:55:08,050 --> 00:55:05,180

that Bolden said that Chicago plot was

1154

00:55:09,550 --> 00:55:08,060

basically broken up because an FBI

1155

00:55:12,580 --> 00:55:09,560

informant

1156

00:55:15,070 --> 00:55:12,590

had bullied to word about what was going

1157

00:55:17,230 --> 00:55:15,080

to happen and it got out and so they

1158

00:55:20,170 --> 00:55:17,240

were forced to take steps and to prevent

1159

00:55:22,330 --> 00:55:20,180

it and he said he never learned the true

1160

00:55:26,470 --> 00:55:22,340

identity of this informant but he did

1161

00:55:29,260 --> 00:55:26,480

understand that his name was Lee uh and

1162

00:55:33,099 --> 00:55:29,270

this fits right in with what I have

1163

00:55:35,130 --> 00:55:33,109

determined in that Lee Harvey Oswald was

1164

00:55:37,450 --> 00:55:35,140

working as a low-level intelligence

1165

00:55:39,790 --> 00:55:37,460

operative for the United States

1166

00:55:42,490 --> 00:55:39,800

government just as his mother always

1167

00:55:45,430 --> 00:55:42,500

claimed yeah ok and I think that I think

1168

00:55:47,740 --> 00:55:45,440

originally he was picked up not officers

1169

00:55:50,020 --> 00:55:47,750

naval intelligence and then passed along

1170

00:55:52,510 --> 00:55:50,030

to the CIA and then after he came back

1171

00:55:54,640 --> 00:55:52,520

from Russia and was in Texas I think he

1172

00:55:57,250 --> 00:55:54,650

was picked up by the FBI and was being

1173

00:55:59,500 --> 00:55:57,260

run as an informant in fact Wagner Carr

1174

00:56:01,300 --> 00:55:59,510

the Attorney General of Texas went to

1175

00:56:03,640 --> 00:56:01,310

the Warren Commission and said that they

1176
00:56:07,359 --> 00:56:03,650
had information that Oswald was an FBI

1177
00:56:10,990 --> 00:56:07,369
informant and that isn't as a code name

1178
00:56:11,530 --> 00:56:11,000
was T 179 he was getting paid \$200 a

1179
00:56:16,359 --> 00:56:11,540
month

1180
00:56:18,430 --> 00:56:16,369
ok so Lee along inside and he learns of

1181
00:56:21,220 --> 00:56:18,440
assassination of plot in Chicago and

1182
00:56:24,220 --> 00:56:21,230
gets back to somebody who's not in on it

1183
00:56:26,170 --> 00:56:24,230
and he breaks that one up and then I

1184
00:56:29,200 --> 00:56:26,180
happen to know I can't prove this I

1185
00:56:32,470 --> 00:56:29,210
didn't put this in the in the book but I

1186
00:56:34,060 --> 00:56:32,480
know for a fact that a few weeks before

1187
00:56:36,760 --> 00:56:34,070
the assassination in Dallas the Dallas

1188
00:56:39,550 --> 00:56:36,770

police received a letter from an Alex

1189

00:56:41,589 --> 00:56:39,560

Jay Hidell warning that Kennedy was

1190

00:56:43,920 --> 00:56:41,599

going to be assassinated in Dallas and

1191

00:56:46,599 --> 00:56:43,930

that they should take extra precautions

1192

00:56:49,540 --> 00:56:46,609

this of course at the time they didn't

1193

00:56:52,660 --> 00:56:49,550

know who AJ Hidell was and they had no

1194

00:56:56,560 --> 00:56:52,670

idea if this was just a nut or if it was

1195

00:56:58,120 --> 00:56:56,570

real so it just got filed away about on

1196

00:57:00,430 --> 00:56:58,130

the Monday following the Friday

1197

00:57:02,170 --> 00:57:00,440

assassination the FBI went in Dallas

1198

00:57:04,060 --> 00:57:02,180

Police Headquarters and went through

1199

00:57:05,950 --> 00:57:04,070

everything they went through the lockers

1200

00:57:08,079 --> 00:57:05,960

and filing cabinets they went through

1201

00:57:10,390 --> 00:57:08,089

everything and it's snatching up

1202

00:57:11,980 --> 00:57:10,400

anything that they thought might have

1203

00:57:14,980 --> 00:57:11,990

something to do with the assassination

1204

00:57:16,630 --> 00:57:14,990

that was to even include the saddlebags

1205

00:57:19,450 --> 00:57:16,640

on the motorcycle officers and

1206

00:57:22,780 --> 00:57:19,460

motorcycles and needless to say this

1207

00:57:23,259 --> 00:57:22,790

letter from Alex Jay Hidell which was

1208

00:57:26,949 --> 00:57:23,269

also

1209

00:57:30,880 --> 00:57:26,959

bawls alias went missing and of course

1210

00:57:33,069 --> 00:57:30,890

has never been seen again tell me about

1211

00:57:35,589 --> 00:57:33,079

it isn't that the name that he used to

1212

00:57:39,669 --> 00:57:35,599

have the rifle delivered to him by US

1213

00:57:42,099 --> 00:57:39,679

Post yes in fact when he was in fact

1214

00:57:44,109 --> 00:57:42,109

here's a very telling thing see here's

1215

00:57:46,209 --> 00:57:44,119

the thing we're all told that

1216

00:57:48,009 --> 00:57:46,219

circumstantial evidence is not very good

1217

00:57:50,259 --> 00:57:48,019

that we want the hard evidence we want

1218

00:57:52,419 --> 00:57:50,269

the smoking gun we want the fingerprints

1219

00:57:55,059 --> 00:57:52,429

and yet actually if you think about it

1220

00:57:57,219 --> 00:57:55,069

the circumstantial evidence may be the

1221

00:58:00,399 --> 00:57:57,229

best evidence because the circumstances

1222

00:58:01,659 --> 00:58:00,409

are the circumstances you can't change

1223

00:58:03,969 --> 00:58:01,669

the circumstances

1224

00:58:06,909 --> 00:58:03,979

unlike the smoking gun or the

1225

00:58:10,059 --> 00:58:06,919

fingerprints which can be planted okay

1226

00:58:10,809 --> 00:58:10,069

and fabricated and falsified and what am

1227

00:58:15,339 --> 00:58:10,819

I talking about

1228

00:58:19,479 --> 00:58:15,349

well when Oswald was arrested about 150

1229

00:58:21,939 --> 00:58:19,489

about a quarter till two after the

1230

00:58:25,539 --> 00:58:21,949

assassination which took place at 12:30

1231

00:58:27,399 --> 00:58:25,549

p.m. on that Friday and then they took

1232

00:58:30,849 --> 00:58:27,409

him a while to get the dolly station

1233

00:58:32,679 --> 00:58:30,859

Polly 20 maybe in 30 minutes and so it

1234

00:58:34,839 --> 00:58:32,689

would have been close to 2:30 by the

1235

00:58:38,219 --> 00:58:34,849

time he got to Dallas Lee's headquarters

1236

00:58:40,899 --> 00:58:38,229

and they in on him they found two

1237

00:58:43,749 --> 00:58:40,909

different identifications one says he's

1238

00:58:46,629 --> 00:58:43,759

Alex James hydel the other says he's Lee

1239

00:58:49,509 --> 00:58:46,639

Harvey Oswald and they're saying okay

1240

00:58:52,269 --> 00:58:49,519

who are you and he's being uncooperative

1241

00:58:55,269 --> 00:58:52,279

he said you're the cops figure it out

1242

00:58:57,309 --> 00:58:55,279

and so two hours after the shooting the

1243

00:58:59,229 --> 00:58:57,319

Dallas police he had just received their

1244

00:59:02,019 --> 00:58:59,239

suspect and they weren't even sure of

1245

00:59:03,549 --> 00:59:02,029

who he was and yet at that exact time

1246

00:59:07,239 --> 00:59:03,559

according to documents that were

1247

00:59:09,519 --> 00:59:07,249

released in 1977 J Edgar Hoover head of

1248

00:59:11,199 --> 00:59:09,529

the FBI calls Bobby Kennedy and says we

1249

00:59:14,349 --> 00:59:11,209

have her man in Dallas it's Lee Harvey

1250

00:59:16,539 --> 00:59:14,359

Oswald his next marine a communist he's

1251

00:59:19,269 --> 00:59:16,549

pretty defected to Russia he is a

1252

00:59:22,089 --> 00:59:19,279

mean-spirited individual in the category

1253

00:59:24,849 --> 00:59:22,099

of a nut so he's already given out with

1254

00:59:28,229 --> 00:59:24,859

this lone nut' scenario and has a full

1255

00:59:30,429 --> 00:59:28,239

rundown on Lee Harvey Oswald when the

1256

00:59:32,019 --> 00:59:30,439

authorities at the scene weren't even

1257

00:59:35,400 --> 00:59:32,029

sure who they had in custody

1258

00:59:37,890 --> 00:59:35,410

and let me

1259

00:59:41,130 --> 00:59:37,900

to that gym that at almost exactly the

1260

00:59:44,250 --> 00:59:41,140

same time right around two o'clock LBJ

1261

00:59:47,130 --> 00:59:44,260

is getting sworn in on board Air Force

1262

00:59:48,839 --> 00:59:47,140

One with Kennedy's body there because

1263

00:59:50,099 --> 00:59:48,849

they took Kennedy they insisted on

1264

00:59:51,809 --> 00:59:50,109

taking him out of the middle of the

1265

00:59:54,150 --> 00:59:51,819

autopsy and wouldn't let him finish it

1266

00:59:57,539 --> 00:59:54,160

and put him on the airplane to take him

1267

01:00:00,359 --> 00:59:57,549

back up north front so they can evidence

1268

01:00:02,849 --> 01:00:00,369

and yes and that was totally against the

1269

01:00:05,120 --> 01:00:02,859

law by the way right because at that

1270

01:00:07,710 --> 01:00:05,130

time there was no law of federal law

1271

01:00:09,660 --> 01:00:07,720

regarding assassination of the president

1272

01:00:12,839 --> 01:00:09,670

United States so at that time legally

1273

01:00:16,140 --> 01:00:12,849

this was a Texas homicide and under the

1274

01:00:16,950 --> 01:00:16,150

law there had to be an inquest by a

1275

01:00:18,750 --> 01:00:16,960

coroner

1276

01:00:21,299 --> 01:00:18,760

before you could do anything with the

1277

01:00:24,089 --> 01:00:21,309

body and yet they pull guns and we're

1278

01:00:25,890 --> 01:00:24,099

cursing and pushing and shoving and they

1279

01:00:29,960 --> 01:00:25,900

pushed the Texas authorities out of the

1280

01:00:32,579 --> 01:00:29,970

way and they hauled Kennedy's body up to

1281

01:00:35,520 --> 01:00:32,589

Bethesda Naval Hospital for the autopsy

1282

01:00:37,829 --> 01:00:35,530

and they said this was on orders of his

1283

01:00:40,289 --> 01:00:37,839

successor Lyndon Johnson so in other

1284

01:00:42,930 --> 01:00:40,299

words one of the first actions that

1285

01:00:45,120 --> 01:00:42,940

Lyndon Johnson took upon becoming

1286

01:00:50,220 --> 01:00:45,130

president of the United States was to

1287

01:00:52,980 --> 01:00:50,230

violate the laws of his own State it's

1288

01:00:55,319 --> 01:00:52,990

it's just stunning to say something

1289

01:00:57,390 --> 01:00:55,329

about the Jack Ruby connection that's

1290

01:01:00,029 --> 01:00:57,400

that's another whole fascinating story

1291

01:01:04,019 --> 01:01:00,039

and how he's connected with the the mob

1292

01:01:07,529 --> 01:01:04,029

in New Orleans and he also knew and had

1293

01:01:10,140 --> 01:01:07,539

been seen with Oswald the months

1294

01:01:13,019 --> 01:01:10,150

preceding the assassination right that's

1295

01:01:14,730 --> 01:01:13,029

true in fact I had some of them I now

1296

01:01:16,319 --> 01:01:14,740

had been violently tough someone

1297

01:01:19,079 --> 01:01:16,329

probably a lot of probably dead by now

1298

01:01:21,720 --> 01:01:19,089

but at the time knowing what I know now

1299

01:01:23,819 --> 01:01:21,730

I could have produced more than 15

1300

01:01:26,339 --> 01:01:23,829

witnesses who could place Oswald and

1301
01:01:28,740 --> 01:01:26,349
Ruby together before the assassination

1302
01:01:30,870 --> 01:01:28,750
they were mixed up in this whole thing

1303
01:01:33,359 --> 01:01:30,880
together that's another thing let me

1304
01:01:37,170 --> 01:01:33,369
point out I'm trying to make the point

1305
01:01:39,150 --> 01:01:37,180
that Oswald was not just some innocent

1306
01:01:41,579 --> 01:01:39,160
Patsy just you know some guy off the

1307
01:01:43,500 --> 01:01:41,589
street that they picked up no he was

1308
01:01:44,849 --> 01:01:43,510
involved in this whole thing but I think

1309
01:01:47,650 --> 01:01:44,859
is a low-level

1310
01:01:51,819 --> 01:01:47,660
intelligence agent or

1311
01:01:54,940 --> 01:01:51,829
FBI informant okay and but I don't think

1312
01:01:57,460 --> 01:01:54,950
he did the shooting he was exactly what

1313
01:02:00,789 --> 01:01:57,470

he said he was the Patsy

1314

01:02:04,660 --> 01:02:00,799

and so in Jack Ruby played a role in

1315

01:02:08,200 --> 01:02:04,670

that for one thing there is a note that

1316

01:02:09,730 --> 01:02:08,210

surfaced that shows that in 1947 they

1317

01:02:11,950 --> 01:02:09,740

were having hearings of the

1318

01:02:14,309 --> 01:02:11,960

unamerican Activities Committee and they

1319

01:02:17,920 --> 01:02:14,319

were looking into organized crime and

1320

01:02:21,789 --> 01:02:17,930

the head of the committee got a note

1321

01:02:24,339 --> 01:02:21,799

that said that one Jacob Rubinstein

1322

01:02:26,559 --> 01:02:24,349

which was Jack Ruby's real name of

1323

01:02:30,220 --> 01:02:26,569

Chicago and that's where he was from I

1324

01:02:32,890 --> 01:02:30,230

said is there thinking about calling him

1325

01:02:34,809 --> 01:02:32,900

to testify before the house on American

1326

01:02:36,839 --> 01:02:34,819

Activities Committee and we're asking

1327

01:02:39,760 --> 01:02:36,849

that you not do that because he is

1328

01:02:42,370 --> 01:02:39,770

performing information functions for

1329

01:02:44,380 --> 01:02:42,380

congressman Richard Nixon so you got

1330

01:02:48,789 --> 01:02:44,390

Jack Ruby and Richard Nixon tied

1331

01:02:52,089 --> 01:02:48,799

together it's fall back as 1947 Wow Wow

1332

01:02:55,359 --> 01:02:52,099

and the key to rubies is shooting Oswald

1333

01:02:58,059 --> 01:02:55,369

obviously he got the word he was the guy

1334

01:03:00,010 --> 01:02:58,069

on the scene he was in and out he all

1335

01:03:02,680 --> 01:03:00,020

the cops knew him he knew all the cops

1336

01:03:04,960 --> 01:03:02,690

everybody came to his carousel club and

1337

01:03:07,450 --> 01:03:04,970

hang out and he gave him free drinks and

1338

01:03:10,359 --> 01:03:07,460

unlike that just like Pat Kirkwood did

1339

01:03:12,160 --> 01:03:10,369

over in Fort Worth and he was kind of

1340

01:03:15,190 --> 01:03:12,170

the go-between between the police and

1341

01:03:19,029 --> 01:03:15,200

them and the mobsters okay and he tried

1342

01:03:20,890 --> 01:03:19,039

to kind of play both sides and so he was

1343

01:03:23,829 --> 01:03:20,900

obvious choice to get into the Dallas

1344

01:03:26,470 --> 01:03:23,839

Police Department and kill Oswald and

1345

01:03:28,779 --> 01:03:26,480

silence him but of course they've argued

1346

01:03:31,450 --> 01:03:28,789

against that pretty successfully over

1347

01:03:33,069 --> 01:03:31,460

the years by saying well a few minutes

1348

01:03:35,410 --> 01:03:33,079

you know they were supposed to transfer

1349

01:03:37,870 --> 01:03:35,420

Oswald at 10 o'clock on that Sunday

1350

01:03:40,029 --> 01:03:37,880

morning and it was not until about 11:20

1351

01:03:42,220 --> 01:03:40,039

almost an hour and a half later before

1352

01:03:45,279 --> 01:03:42,230

they actually transferred him and just

1353

01:03:49,329 --> 01:03:45,289

about five or ten minutes before they

1354

01:03:52,180 --> 01:03:49,339

moved Oswald ruby was next door to

1355

01:03:55,569 --> 01:03:52,190

western union office sending a telegram

1356

01:03:58,000 --> 01:03:55,579

to one of his dancers and you know that

1357

01:04:00,039 --> 01:03:58,010

was clocked in so they know he was there

1358

01:04:01,450 --> 01:04:00,049

at that point and so that's why they

1359

01:04:03,700 --> 01:04:01,460

came up with this idea the

1360

01:04:05,980 --> 01:04:03,710

somehow he just strolled down the ramp

1361

01:04:07,839 --> 01:04:05,990

into the Dallas Police Station and just

1362

01:04:10,030 --> 01:04:07,849

happened to be there when they

1363

01:04:13,079 --> 01:04:10,040

transferred Oswald and just happened to

1364

01:04:15,970 --> 01:04:13,089

in a state of grief and not wanting to

1365

01:04:18,609 --> 01:04:15,980

have Mrs. Kennedy have to come back to

1366

01:04:22,120 --> 01:04:18,619

testify at a trial he just pulled out

1367

01:04:25,359 --> 01:04:22,130

his little 38 and he shot Oswald you

1368

01:04:29,310 --> 01:04:25,369

know all right as they is a great act of

1369

01:04:33,670 --> 01:04:29,320

vengeance and stuff and it's all hogwash

1370

01:04:34,690 --> 01:04:33,680

because the reality is is that even some

1371

01:04:37,599 --> 01:04:34,700

people in the Dallas Police Department

1372

01:04:40,060 --> 01:04:37,609

realize this today that he came down the

1373

01:04:42,609 --> 01:04:40,070

back alley and was let into the basement

1374

01:04:44,050 --> 01:04:42,619

of the dolly stations I some Dallas

1375

01:04:47,079 --> 01:04:44,060

police officer okay

1376

01:04:48,849 --> 01:04:47,089

now the key to it is is not that ruby

1377

01:04:51,490 --> 01:04:48,859

knew when they were going to transfer

1378

01:04:54,730 --> 01:04:51,500

Oswal in fact i suspect he was dragging

1379

01:04:56,980 --> 01:04:54,740

his feet you know he knew everybody they

1380

01:04:58,329 --> 01:04:56,990

had made public announcement that they

1381

01:05:01,000 --> 01:04:58,339

were going to move Oswald at ten o'clock

1382

01:05:03,160 --> 01:05:01,010

so you know he should have been in there

1383

01:05:04,510 --> 01:05:03,170

at ten o'clock but he wasn't dragged his

1384

01:05:06,070 --> 01:05:04,520

feet for almost an hour and a half

1385

01:05:09,609 --> 01:05:06,080

because he didn't really want to do that

1386

01:05:11,380 --> 01:05:09,619

but you don't say no to the Mafia you

1387

01:05:15,490 --> 01:05:11,390

know they say you do something you just

1388

01:05:18,640 --> 01:05:15,500

do it and so the key to the shooting of

1389

01:05:20,380 --> 01:05:18,650

Oswald is not that Ruby knew when they

1390

01:05:22,690 --> 01:05:20,390

were going to transfer Oswald but just

1391

01:05:25,120 --> 01:05:22,700

you just reverse it they didn't move

1392

01:05:28,750 --> 01:05:25,130

Oswal until ruby was in position to

1393

01:05:30,790 --> 01:05:28,760

shooting right right and like you were

1394

01:05:33,820 --> 01:05:30,800

talking about circumstantial evidence I

1395

01:05:36,990 --> 01:05:33,830

mean it how the pieces fit together so

1396

01:05:39,520 --> 01:05:37,000

tightly I don't know how you can deny it

1397

01:05:42,339 --> 01:05:39,530

did did you say anything about the

1398

01:05:46,780 --> 01:05:42,349

Secret Service washing down the car the

1399

01:05:48,780 --> 01:05:46,790

limo after at LBJ's insistence before it

1400

01:05:53,020 --> 01:05:48,790

can even be treated as a crime scene

1401

01:05:55,570 --> 01:05:53,030

well remember I said that Johnson and

1402

01:05:57,400 --> 01:05:55,580

Hoover were guilty as accessories that's

1403

01:05:59,710 --> 01:05:57,410

a fact and there's one there Johnson

1404

01:06:02,620 --> 01:05:59,720

ordered the car cleaned up and shipped

1405

01:06:05,020 --> 01:06:02,630

out and rebuilt and sent off and they

1406

01:06:08,099 --> 01:06:05,030

repainted it and and all before there

1407

01:06:10,780 --> 01:06:08,109

was any kind of forensic or ballistic

1408

01:06:13,329 --> 01:06:10,790

forensic check of the car that's

1409

01:06:15,350 --> 01:06:13,339

destruction of evidence if here I did

1410

01:06:18,050 --> 01:06:15,360

that in connection with a capital murder

1411

01:06:20,420 --> 01:06:18,060

we'd be thrown in jail well and I guess

1412

01:06:22,610 --> 01:06:20,430

their excuse would be well I mean we we

1413

01:06:24,350 --> 01:06:22,620

know he shot him and it's just too bad

1414

01:06:26,480 --> 01:06:24,360

somebody shot him before we could take

1415

01:06:27,650 --> 01:06:26,490

him to justice but there wasn't a crime

1416

01:06:31,310 --> 01:06:27,660

scene because we knew what happened

1417

01:06:33,170 --> 01:06:31,320

right right well now that's the case on

1418

01:06:34,490 --> 01:06:33,180

Ruby you know they could say well we

1419

01:06:36,710 --> 01:06:34,500

don't in you heavens everybody in the

1420

01:06:38,690 --> 01:06:36,720

world saw him get shot all right on deep

1421

01:06:41,150 --> 01:06:38,700

you know yeah but this was the

1422

01:06:43,010 --> 01:06:41,160

presidential limousine right this was I

1423

01:06:44,780 --> 01:06:43,020

mean you know just think about it the

1424

01:06:47,270 --> 01:06:44,790

president's riding in an open limousine

1425

01:06:50,210 --> 01:06:47,280

shots are fired nobody saw anybody

1426
01:06:51,890 --> 01:06:50,220
shooting nobody saw somebody fire from

1427
01:06:53,390 --> 01:06:51,900
the sixth floor nobody saw anything

1428
01:06:55,970 --> 01:06:53,400
there were shots

1429
01:06:58,280 --> 01:06:55,980
Kenny's hit you would think that that

1430
01:07:01,460 --> 01:06:58,290
limousine would become prime evidence

1431
01:07:03,890 --> 01:07:01,470
because you could then forensically

1432
01:07:05,660 --> 01:07:03,900
study the limousine and find out which

1433
01:07:07,640 --> 01:07:05,670
direct how many shots were fired in

1434
01:07:09,980 --> 01:07:07,650
which direction they came from Accessory

1435
01:07:13,100 --> 01:07:09,990
cetera yeah so by ordering the car

1436
01:07:15,500 --> 01:07:13,110
destroyed and rebuilt that was nothing

1437
01:07:17,720 --> 01:07:15,510
but blatant destruction of evidence yeah

1438
01:07:22,420 --> 01:07:17,730

same thing with governor Connolly's

1439

01:07:25,220 --> 01:07:22,430

clothes that was taken into position by

1440

01:07:28,970 --> 01:07:25,230

Congressman Henry Gonzales of Texas and

1441

01:07:31,580 --> 01:07:28,980

then cliff Carter Johnson's aide shows

1442

01:07:33,050 --> 01:07:31,590

up and says oh I'm here to get Governor

1443

01:07:35,840 --> 01:07:33,060

Connally clothing for the Warren

1444

01:07:37,580 --> 01:07:35,850

Commission and and he said well okay and

1445

01:07:40,130 --> 01:07:37,590

they turned them turned over Connolly's

1446

01:07:43,070 --> 01:07:40,140

clothes which could have shown you you

1447

01:07:45,740 --> 01:07:43,080

know the bullet holes in the clothes

1448

01:07:48,230 --> 01:07:45,750

could tell you where the shots came from

1449

01:07:49,970 --> 01:07:48,240

and and various you know you might even

1450

01:07:51,050 --> 01:07:49,980

pick up traces of the medals and things

1451

01:07:53,600 --> 01:07:51,060

like that

1452

01:07:55,760 --> 01:07:53,610

in other words forensic evidence and yet

1453

01:07:56,990 --> 01:07:55,770

when the college clothing is presented

1454

01:07:58,970 --> 01:07:57,000

the Warren Commission had been cleaned

1455

01:08:02,060 --> 01:07:58,980

and pressed that's amazing

1456

01:08:03,440 --> 01:08:02,070

destroyed the evidence amazing and and

1457

01:08:08,990 --> 01:08:03,450

that's not even talking about the

1458

01:08:14,030 --> 01:08:09,000

evidence in for example in the FBI filed

1459

01:08:17,650 --> 01:08:14,040

a document they released about 1968 was

1460

01:08:20,630 --> 01:08:17,660

an FBI report stating that paper

1461

01:08:23,570 --> 01:08:20,640

wrapping paper available in the scoober

1462

01:08:26,810 --> 01:08:23,580

depository matched paper that they said

1463

01:08:28,910 --> 01:08:26,820

was shaped into a shape of a gun case

1464

01:08:30,769 --> 01:08:28,920

that I was all used to smuggle

1465

01:08:32,990 --> 01:08:30,779

the rifle into the depository building

1466

01:08:36,829 --> 01:08:33,000

well that's pretty incriminating but in

1467

01:08:40,959 --> 01:08:36,839

1980 the the same looking document comes

1468

01:08:46,550 --> 01:08:40,969

out from a whole batch of FBI files same

1469

01:08:49,880 --> 01:08:46,560

report same agent same file number same

1470

01:08:52,789 --> 01:08:49,890

date and it says the paper did not match

1471

01:08:55,640 --> 01:08:52,799

the wrapping paper in the School Book

1472

01:08:58,010 --> 01:08:55,650

Depository well no wait a minute you got

1473

01:09:00,559 --> 01:08:58,020

two FBI reports and they say that

1474

01:09:03,289 --> 01:09:00,569

diametrically opposite what's going on

1475

01:09:05,959 --> 01:09:03,299

here well and bi was created about that

1476

01:09:08,300 --> 01:09:05,969

and the spokesman said well the document

1477

01:09:10,789 --> 01:09:08,310

that said they don't match it that's a

1478

01:09:12,860 --> 01:09:10,799

phony document well excuse me

1479

01:09:16,610 --> 01:09:12,870

how many phony documents are in the

1480

01:09:18,559 --> 01:09:16,620

hands of the FBI well then and who could

1481

01:09:20,990 --> 01:09:18,569

do that only only the most powerful

1482

01:09:23,209 --> 01:09:21,000

forces in the country right yeah and I

1483

01:09:27,140 --> 01:09:23,219

couldn't go up and slip a phony document

1484

01:09:30,769 --> 01:09:27,150

into the FBI father no and several of

1485

01:09:34,729 --> 01:09:30,779

the people who testified the day of the

1486

01:09:37,039 --> 01:09:34,739

shooting and and days afterwards claimed

1487

01:09:39,979 --> 01:09:37,049

that when they saw their final testimony

1488

01:09:41,749 --> 01:09:39,989

in the Warren Commission paperwork they

1489

01:09:43,340 --> 01:09:41,759

said it had been altered some of them

1490

01:09:46,370 --> 01:09:43,350

said that their testimonies weren't even

1491

01:09:48,410 --> 01:09:46,380

in there that's right it's exactly right

1492

01:09:52,010 --> 01:09:48,420

and in fact if you want to get real

1493

01:09:54,530 --> 01:09:52,020

blatant about it the Newman family who

1494

01:09:57,169 --> 01:09:54,540

were probably the closest to Kennedy at

1495

01:09:59,540 --> 01:09:57,179

the time of the fatal head shot they

1496

01:10:01,850 --> 01:09:59,550

were never even questioned by the Warren

1497

01:10:03,979 --> 01:10:01,860

Commission is why not because Bill

1498

01:10:06,080 --> 01:10:03,989

Newman was on Dallas television within

1499

01:10:08,150 --> 01:10:06,090

an hour or so of the shooting and he

1500

01:10:11,660 --> 01:10:08,160

said well the shots came from up behind

1501

01:10:13,220 --> 01:10:11,670

us on that Knoll okay Randall they're

1502

01:10:15,530 --> 01:10:13,230

already on the record saying the shots

1503

01:10:19,870 --> 01:10:15,540

came from the grassy knoll so the Warren

1504

01:10:24,200 --> 01:10:22,310

this is the father and the wife and the

1505

01:10:26,360 --> 01:10:24,210

two little kids and the the parents

1506

01:10:30,700 --> 01:10:26,370

threw their bodies over the kids on the

1507

01:10:34,070 --> 01:10:30,710

ground right right yeah very dramatic oh

1508

01:10:36,290 --> 01:10:34,080

my it's not like and it's not like you

1509

01:10:38,479 --> 01:10:36,300

couldn't find the Newman's he went into

1510

01:10:40,610 --> 01:10:38,489

the electrical contracting business and

1511

01:10:42,320 --> 01:10:40,620

they had Newman electric over in Dallas

1512

01:10:45,710 --> 01:10:42,330

he's in the phonebook

1513

01:10:47,900 --> 01:10:45,720

talked to him many times okay it's not

1514

01:10:50,780 --> 01:10:47,910

like they were unaccessible or couldn't

1515

01:10:52,880 --> 01:10:50,790

really could find them and they just

1516

01:10:54,710 --> 01:10:52,890

didn't want to hear from that back I'll

1517

01:10:59,300 --> 01:10:54,720

tell you another person do you know who

1518

01:11:01,370 --> 01:10:59,310

Evelyn Lincoln was yes yes Kennedy's

1519

01:11:03,710 --> 01:11:01,380

personal secretary uh-huh

1520

01:11:05,990 --> 01:11:03,720

and she was at his elbow day and night

1521

01:11:08,660 --> 01:11:06,000

and if anyone knew what was really going

1522

01:11:11,090 --> 01:11:08,670

on it would have been Evelyn Lincoln now

1523

01:11:13,040 --> 01:11:11,100

Laura let me ask you this how many times

1524

01:11:17,630 --> 01:11:13,050

you remember seeing an interview with

1525

01:11:20,060 --> 01:11:17,640

Evelyn Lincoln you've never seen one hey

1526

01:11:25,070 --> 01:11:20,070

no no you know why because I have a

1527

01:11:27,260 --> 01:11:25,080

letter from her dated about 1996 I think

1528

01:11:30,560 --> 01:11:27,270

she's passed away now but in this letter

1529

01:11:32,330 --> 01:11:30,570

she states I believe there was a

1530

01:11:35,210 --> 01:11:32,340

conspiracy because there were those that

1531

01:11:37,670 --> 01:11:35,220

wanted to get rid of him and you know

1532

01:11:39,680 --> 01:11:37,680

didn't didn't know any other way and she

1533

01:11:44,930 --> 01:11:39,690

said the five conspirators are Lyndon

1534

01:11:47,870 --> 01:11:44,940

Johnson Jagger Hoover the Mafia CIA and

1535

01:11:50,180 --> 01:11:47,880

the Cubans in Florida so Geoffrey well

1536

01:11:51,890 --> 01:11:50,190

had it nailed that yeah yeah and she

1537

01:11:53,210 --> 01:11:51,900

knew and that's why you never saw an

1538

01:11:54,260 --> 01:11:53,220

interview with her because she probably

1539

01:11:56,030 --> 01:11:54,270

tell you the truth

1540

01:11:59,650 --> 01:11:56,040

well as she probably knew that if she

1541

01:12:03,320 --> 01:12:02,090

which brings us to a question in the

1542

01:12:05,020 --> 01:12:03,330

chat room I've got a couple of other

1543

01:12:08,720 --> 01:12:05,030

questions too but

1544

01:12:11,030 --> 01:12:08,730

mysterious deaths this entire thing and

1545

01:12:12,710 --> 01:12:11,040

and now I'm thinking about the fella I

1546

01:12:16,130 --> 01:12:12,720

can't remember his name who was up in

1547

01:12:18,980 --> 01:12:16,140

the railroad dispatched our Lee Bowers

1548

01:12:20,600 --> 01:12:18,990

yeah he's only one of many but say

1549

01:12:23,990 --> 01:12:20,610

something about the mysterious death

1550

01:12:27,890 --> 01:12:24,000

that happened to witnesses well I don't

1551

01:12:29,960 --> 01:12:27,900

want to get trapped but by calling them

1552

01:12:32,570 --> 01:12:29,970

mysterious deaths because I've done the

1553

01:12:36,860 --> 01:12:32,580

hammered by the debunkers am I talking

1554

01:12:38,540 --> 01:12:36,870

about mysterious for one thing if you go

1555

01:12:41,450 --> 01:12:38,550

and check my book you'll find I don't

1556

01:12:44,720 --> 01:12:41,460

even refer to them as mysterious death I

1557

01:12:47,180 --> 01:12:44,730

simply call them convenient today okay

1558

01:12:49,550 --> 01:12:47,190

they were certainly convenient for

1559

01:12:53,300 --> 01:12:49,560

anyone who did not want the truth of the

1560

01:12:55,200 --> 01:12:53,310

assassination to come out and in fact I

1561

01:12:59,130 --> 01:12:55,210

had a complete listing of those

1562

01:13:01,169 --> 01:12:59,140

in crossfire and I paired some of that

1563

01:13:04,260 --> 01:13:01,179

down to get other information in but

1564

01:13:06,600 --> 01:13:04,270

still it's all there I think one of the

1565

01:13:08,160 --> 01:13:06,610

most telling things well the two things

1566

01:13:12,300 --> 01:13:08,170

first off within the first couple of

1567

01:13:14,160 --> 01:13:12,310

years there's like 25 people that could

1568

01:13:17,640 --> 01:13:14,170

have been critical material witnesses

1569

01:13:21,899 --> 01:13:17,650

who all died and most of them unnatural

1570

01:13:23,820 --> 01:13:21,909

deaths okay shot one car accidents a

1571

01:13:26,669 --> 01:13:23,830

heart attacks or whatever you know and

1572

01:13:29,430 --> 01:13:26,679

you never know but the one that really

1573

01:13:32,040 --> 01:13:29,440

got me was in 1977 when the House Select

1574

01:13:36,060 --> 01:13:32,050

Committee on assassinations was underway

1575

01:13:39,979 --> 01:13:36,070

they had subpoenaed seven believers

1576

01:13:42,570 --> 01:13:39,989

seven FBI officials who had all

1577

01:13:44,490 --> 01:13:42,580

participated in the FBI's investigation

1578

01:13:46,680 --> 01:13:44,500

of the Kennedy assassination and they

1579

01:13:48,959 --> 01:13:46,690

were all subpoenaed to come testify and

1580

01:13:51,300 --> 01:13:48,969

all of them died before they can testify

1581

01:13:54,330 --> 01:13:51,310

while including including William

1582

01:13:57,270 --> 01:13:54,340

Sullivan the third ranking man in the in

1583

01:14:00,600 --> 01:13:57,280

the FBI okay Wow

1584

01:14:03,300 --> 01:14:00,610

who was shot in his backyard by the son

1585

01:14:06,209 --> 01:14:03,310

of a New Hampshire State policeman and

1586

01:14:08,100 --> 01:14:06,219

the local sheriff said well I knew both

1587

01:14:11,340 --> 01:14:08,110

the policeman and his son I knew

1588

01:14:13,470 --> 01:14:11,350

Sullivan so he recused himself from the

1589

01:14:16,229 --> 01:14:13,480

investigation and turned it over to the

1590

01:14:19,260 --> 01:14:16,239

animal control officer not filled out a

1591

01:14:21,689 --> 01:14:19,270

form and when it said victim animal or

1592

01:14:23,640 --> 01:14:21,699

human check human and that was about the

1593

01:14:25,800 --> 01:14:23,650

extent of that investigation oh my

1594

01:14:29,490 --> 01:14:25,810

goodness did you say you've got a list

1595

01:14:31,020 --> 01:14:29,500

of all of these convenient yeah there's

1596

01:14:33,959 --> 01:14:31,030

a whole chain there's a whole chapter on

1597

01:14:37,290 --> 01:14:33,969

that and in crossfire oh my gosh

1598

01:14:40,649 --> 01:14:37,300

that's me now I didn't include everyone

1599

01:14:42,990 --> 01:14:40,659

because obviously after say 20 30 years

1600

01:14:45,090 --> 01:14:43,000

and then you're obviously you're going

1601
01:14:47,760 --> 01:14:45,100
to have some nutrition oh sure through

1602
01:14:50,700 --> 01:14:47,770
natural causes but I think now the

1603
01:14:54,630 --> 01:14:50,710
number of stretches up into the past a

1604
01:14:57,570 --> 01:14:54,640
hundred of people who knew things and

1605
01:14:59,790 --> 01:14:57,580
also what got me is once you start

1606
01:15:01,830 --> 01:14:59,800
studying these convenient deaths you

1607
01:15:05,040 --> 01:15:01,840
find that they they go into groupings

1608
01:15:06,689 --> 01:15:05,050
okay like I said the first 20 or 25

1609
01:15:08,560 --> 01:15:06,699
occurred within a couple of years and

1610
01:15:11,440 --> 01:15:08,570
they were mostly people in New Jack

1611
01:15:14,170 --> 01:15:11,450
Ruby I knew what was going on around the

1612
01:15:16,150 --> 01:15:14,180
Dallas underworld okay and there it's

1613
01:15:19,540 --> 01:15:16,160

suddenly they're all gone and then it

1614

01:15:21,310 --> 01:15:19,550

kind of died off and then around 68

1615

01:15:27,360 --> 01:15:21,320

around 68

1616

01:15:31,000 --> 01:15:27,370

you had the Gerson Kyle and David Ferrie

1617

01:15:33,580 --> 01:15:31,010

in his ex-roommate allow the old evolve

1618

01:15:35,590 --> 01:15:33,590

and several other people there and

1619

01:15:39,480 --> 01:15:35,600

connected in New Orleans they turned up

1620

01:15:42,010 --> 01:15:39,490

dead okay and so then it kind of went

1621

01:15:42,580 --> 01:15:42,020

quiet again for a while and then when

1622

01:15:45,250 --> 01:15:42,590

the house

1623

01:15:46,960 --> 01:15:45,260

assassinations committee came into being

1624

01:15:49,420 --> 01:15:46,970

and started subpoenaing people then

1625

01:15:51,340 --> 01:15:49,430

you've got George de Mohrenschildt the

1626

01:15:53,200 --> 01:15:51,350

last known close friend of Oswald he

1627

01:15:56,080 --> 01:15:53,210

could suddenly commit suicide you've got

1628

01:15:58,780 --> 01:15:56,090

Johnny Roselli found murdered and

1629

01:16:01,360 --> 01:15:58,790

stuffed in a in a kick barrel and Key

1630

01:16:03,340 --> 01:16:01,370

Biscayne you've got these seven FBI guys

1631

01:16:06,610 --> 01:16:03,350

you know and all these important people

1632

01:16:09,100 --> 01:16:06,620

oh and I love Sam Giancana the Mafia

1633

01:16:11,650 --> 01:16:09,110

bosses Chicago was under federal

1634

01:16:13,360 --> 01:16:11,660

protection but one night they stepped

1635

01:16:15,490 --> 01:16:13,370

out to get a sandwich and just in that

1636

01:16:18,220 --> 01:16:15,500

little time while they're gone somebody

1637

01:16:19,990 --> 01:16:18,230

comes in his house and kills him and so

1638

01:16:21,550 --> 01:16:20,000

you know all of a sudden all these

1639

01:16:23,370 --> 01:16:21,560

people are supposed to testify the house

1640

01:16:26,650 --> 01:16:23,380

committee they're all dead and gone and

1641

01:16:28,900 --> 01:16:26,660

and it just kind of goes on and on it's

1642

01:16:31,000 --> 01:16:28,910

it's really an amazing story and again

1643

01:16:33,760 --> 01:16:31,010

this is evidence oh they could they die

1644

01:16:35,590 --> 01:16:33,770

yeah that's very convenient no all of

1645

01:16:39,040 --> 01:16:35,600

that you just described is extremely

1646

01:16:40,990 --> 01:16:39,050

convenient a couple more questions I'm

1647

01:16:43,420 --> 01:16:41,000

going to give out that telephone number

1648

01:16:45,730 --> 01:16:43,430

one more time eight eight eight nine one

1649

01:16:47,890 --> 01:16:45,740

nine two three five five it's your

1650

01:16:49,930 --> 01:16:47,900

chance to talk to Jim Marrs in person

1651

01:16:53,830 --> 01:16:49,940

and ask him your question about the JFK

1652

01:16:56,980 --> 01:16:53,840

assassination two last questions I have

1653

01:16:58,960 --> 01:16:56,990

for you Jim unless something else comes

1654

01:17:02,590 --> 01:16:58,970

in what do you what do you have to say

1655

01:17:04,210 --> 01:17:02,600

about Lincoln Abraham Lincoln vs. JFK

1656

01:17:09,070 --> 01:17:04,220

have you spent any time thinking about

1657

01:17:10,660 --> 01:17:09,080

that over these years oh yeah there's a

1658

01:17:12,820 --> 01:17:10,670

big connection that I'm not sure

1659

01:17:15,030 --> 01:17:12,830

everybody's familiar with I think a lot

1660

01:17:18,220 --> 01:17:15,040

of people have seen these incredible

1661

01:17:20,500 --> 01:17:18,230

coincidences you know are the parallels

1662

01:17:23,450 --> 01:17:20,510

between the Kennedy assassination and

1663

01:17:27,209 --> 01:17:23,460

the Lincoln assassination exam

1664

01:17:30,750 --> 01:17:27,219

Lincoln had a kid he had a secretary

1665

01:17:33,750 --> 01:17:30,760

named Lincoln and Lincoln had a

1666

01:17:35,430 --> 01:17:33,760

secretary named Kennedy you know and it

1667

01:17:37,529 --> 01:17:35,440

just goes on and on and it's almost

1668

01:17:40,020 --> 01:17:37,539

enough to make you go wait a minute

1669

01:17:41,609 --> 01:17:40,030

something's going on here but I'll tell

1670

01:17:43,290 --> 01:17:41,619

you the thing that strikes me and I

1671

01:17:45,120 --> 01:17:43,300

think this is one of the key three

1672

01:17:48,569 --> 01:17:45,130

reasons that Kennedy was assassinated

1673

01:17:50,759 --> 01:17:48,579

and it wasn't just an assassination it

1674

01:17:52,529 --> 01:17:50,769

was a public execution and it was

1675

01:17:55,080 --> 01:17:52,539

carried out for the same reason that we

1676

01:17:58,379 --> 01:17:55,090

publicly execute criminals and that is

1677

01:18:00,120 --> 01:17:58,389

to serve as a deterrent to anyone who

1678

01:18:02,189 --> 01:18:00,130

would consider following in his

1679

01:18:08,459 --> 01:18:02,199

footsteps and doing the things he was

1680

01:18:10,410 --> 01:18:08,469

trying to do okay and so you the three

1681

01:18:12,540 --> 01:18:10,420

things I think that got Kennedy killed

1682

01:18:14,729 --> 01:18:12,550

was we've already touched on one which

1683

01:18:18,330 --> 01:18:14,739

was the fact that he was not going to

1684

01:18:21,810 --> 01:18:18,340

prosecute the Vietnam War as it came to

1685

01:18:24,029 --> 01:18:21,820

actually be I think I'm not sure if he

1686

01:18:26,040 --> 01:18:24,039

he was talking about pulling out but

1687

01:18:27,359 --> 01:18:26,050

even if he hadn't pulled out I'm pretty

1688

01:18:29,520 --> 01:18:27,369

convinced he would have never have

1689

01:18:32,189 --> 01:18:29,530

allowed the introduction of ground

1690

01:18:34,500 --> 01:18:32,199

combat troops in Vietnam and we would

1691

01:18:36,209 --> 01:18:34,510

not have had to be at Nam war as we did

1692

01:18:38,970 --> 01:18:36,219

but of course the military-industrial

1693

01:18:41,910 --> 01:18:38,980

complex as I've now called it they

1694

01:18:43,680 --> 01:18:41,920

wanted that war second thing the second

1695

01:18:46,169 --> 01:18:43,690

thing has to do with the money in the

1696

01:18:49,620 --> 01:18:46,179

bankers which was a big deal started in

1697

01:18:52,439 --> 01:18:49,630

2008 and the 1% and the new world order

1698

01:18:55,680 --> 01:18:52,449

okay and Wall Street and the fact that

1699

01:18:56,790 --> 01:18:55,690

we've been raped for billions of dollars

1700

01:18:59,970 --> 01:18:56,800

in this country

1701

01:19:02,189 --> 01:18:59,980

trillions actually and nobody's gone to

1702

01:19:04,379 --> 01:19:02,199

jail except Burning Man half and that

1703

01:19:08,430 --> 01:19:04,389

said because he was ripping off the

1704

01:19:13,700 --> 01:19:08,440

ripoff artists and so what we find out

1705

01:19:16,709 --> 01:19:13,710

is that in June of 1970 at 63 Kennedy

1706

01:19:20,729 --> 01:19:16,719

ordered the issuance of 4.2 billion

1707

01:19:23,490 --> 01:19:20,739

dollars in United States notes now these

1708

01:19:26,189 --> 01:19:23,500

are this is money that has produced not

1709

01:19:27,930 --> 01:19:26,199

to the interest-bearing Federal Reserve

1710

01:19:31,740 --> 01:19:27,940

System but through the Treasury

1711

01:19:36,090 --> 01:19:31,750

Department based on our silver reserves

1712

01:19:38,640 --> 01:19:36,100

and that's a silver back currency

1713

01:19:41,190 --> 01:19:38,650

so it's really not worth any more than a

1714

01:19:43,260 --> 01:19:41,200

Federal Reserve dollar except we don't

1715

01:19:45,360 --> 01:19:43,270

have to pay interest on it and that's

1716

01:19:47,490 --> 01:19:45,370

the national debt is all this interest

1717

01:19:49,620 --> 01:19:47,500

we have yes the international bankers

1718

01:19:53,130 --> 01:19:49,630

you know for all his money that we're

1719

01:19:55,320 --> 01:19:53,140

creating based on our debt and so he

1720

01:19:58,950 --> 01:19:55,330

bypassed the Federal Reserve System was

1721

01:20:00,960 --> 01:19:58,960

going to print his own money he became

1722

01:20:03,030 --> 01:20:00,970

the second president in US history to

1723

01:20:06,140 --> 01:20:03,040

try that and the first one was

1724

01:20:09,540 --> 01:20:06,150

interestingly enough Abraham Lincoln who

1725

01:20:11,460 --> 01:20:09,550

who SATA stated that he thought the

1726

01:20:13,050 --> 01:20:11,470

greatest creative power that government

1727

01:20:16,320 --> 01:20:13,060

has is the power to print its own money

1728

01:20:18,650 --> 01:20:16,330

and so he printed up greenbacks to

1729

01:20:21,330 --> 01:20:18,660

finance the War Between the States and

1730

01:20:23,130 --> 01:20:21,340

Laurel I'm here to tell you I don't

1731

01:20:25,410 --> 01:20:23,140

think it was just a coincidence that

1732

01:20:29,220 --> 01:20:25,420

both of those presidents were shot in

1733

01:20:31,170 --> 01:20:29,230

the head in public yeah yeah what what

1734

01:20:33,390 --> 01:20:31,180

we know I mean that's such a hot topic

1735

01:20:37,620 --> 01:20:33,400

right now and the circles that you and I

1736

01:20:40,590 --> 01:20:37,630

both know Jim about the the New World

1737

01:20:44,970 --> 01:20:40,600

Order and and the Rothschilds and the

1738

01:20:47,460 --> 01:20:44,980

bushes and all of those banking families

1739

01:20:50,490 --> 01:20:47,470

throughout time and there's way less

1740

01:20:52,500 --> 01:20:50,500

than 1% of them in terms of the

1741

01:20:55,980 --> 01:20:52,510

population of the earth oh they are just

1742

01:20:59,430 --> 01:20:55,990

about everything everything absolutely

1743

01:21:02,220 --> 01:20:59,440

and that's nothing - I've named Lyndon

1744

01:21:05,100 --> 01:21:02,230

Johnson and Jagger Hoover as guilty in

1745

01:21:07,080 --> 01:21:05,110

the Kennedy assassination not for

1746

01:21:08,430 --> 01:21:07,090

ordering or orchestrating it but for

1747

01:21:10,760 --> 01:21:08,440

simply because they were accessories

1748

01:21:13,530 --> 01:21:10,770

after the fact they helped cover it up

1749

01:21:15,900 --> 01:21:13,540

but and I'm here to tell you I am NOT

1750

01:21:17,040 --> 01:21:15,910

one of these who thinks that Lyndon

1751

01:21:18,960 --> 01:21:17,050

Johnson

1752

01:21:20,790 --> 01:21:18,970

you know ordered the whole thing and

1753

01:21:22,530 --> 01:21:20,800

concocted the whole thing there are some

1754

01:21:24,480 --> 01:21:22,540

books and some people out now claiming

1755

01:21:26,820 --> 01:21:24,490

this I don't particularly buy this

1756

01:21:28,320 --> 01:21:26,830

because it was Johnson murderers enough

1757

01:21:30,870 --> 01:21:28,330

to do that absolutely

1758

01:21:31,350 --> 01:21:30,880

would he have joined in on assassination

1759

01:21:34,470 --> 01:21:31,360

plot

1760

01:21:36,270 --> 01:21:34,480

yes but was he powerful enough to pull

1761

01:21:38,280 --> 01:21:36,280

something like that off by himself and

1762

01:21:40,230 --> 01:21:38,290

I'm paying it ain't I maintained no I

1763

01:21:41,850 --> 01:21:40,240

don't think he could have done nobody

1764

01:21:44,070 --> 01:21:41,860

could have moved against the president

1765

01:21:48,270 --> 01:21:44,080

unless Wall Street gave him to go ahead

1766

01:21:49,380 --> 01:21:48,280

yeah and and Plus Johnson had a lot of

1767

01:21:52,350 --> 01:21:49,390

his own enemies

1768

01:21:54,990 --> 01:21:52,360

and was thought of more as a almost a

1769

01:21:57,920 --> 01:21:55,000

thug and not so much a powerful man

1770

01:22:02,100 --> 01:21:57,930

except out of a thuggish kind of a way

1771

01:22:04,500 --> 01:22:02,110

exactly so it was just him equally

1772

01:22:08,190 --> 01:22:04,510

powerful people would have figured out a

1773

01:22:10,320 --> 01:22:08,200

way to to implicate him or get him out

1774

01:22:12,030 --> 01:22:10,330

of the way one way or another the fact

1775

01:22:15,180 --> 01:22:12,040

that they all got away with it and

1776

01:22:18,090 --> 01:22:15,190

Johnson kept his piece shows me or

1777

01:22:20,750 --> 01:22:18,100

indicates to me that there were powerful

1778

01:22:24,360 --> 01:22:20,760

supporters behind him and I'm thinking

1779

01:22:27,050 --> 01:22:24,370

wall street David Rockefeller for

1780

01:22:29,730 --> 01:22:27,060

example had published at his own expense

1781

01:22:32,510 --> 01:22:29,740

full-page ads in the New York Times of

1782

01:22:35,700 --> 01:22:32,520

blasting Kennedy's economic policies

1783

01:22:38,070 --> 01:22:35,710

they and they were all down on Kennedy

1784

01:22:42,380 --> 01:22:38,080

because he was he and his secretary of

1785

01:22:45,030 --> 01:22:42,390

the Treasury were trying to cut back and

1786

01:22:47,160 --> 01:22:45,040

the power of the Federal Reserve System

1787

01:22:50,400 --> 01:22:47,170

and you just don't mess with those

1788

01:22:53,460 --> 01:22:50,410

international bankers no you do not only

1789

01:22:55,800 --> 01:22:53,470

at your own peril Jim was in you're in

1790

01:22:58,050 --> 01:22:55,810

the movie who was can you tell us who

1791

01:23:03,090 --> 01:22:58,060

mr. X was supposed to be that was played

1792

01:23:06,470 --> 01:23:03,100

by Donald Sutherland yes okay actually

1793

01:23:09,540 --> 01:23:06,480

that was Colonel Fletcher Prouty

1794

01:23:12,990 --> 01:23:09,550

who I spoke with on several occasions a

1795

01:23:14,550 --> 01:23:13,000

great I hold him in very high regard but

1796

01:23:16,770 --> 01:23:14,560

here's the problem

1797

01:23:19,770 --> 01:23:16,780

as you know Oliver Stone caught so much

1798

01:23:22,200 --> 01:23:19,780

flak anyway for that movie and if he had

1799

01:23:26,040 --> 01:23:22,210

portrayed the guy and named him as a

1800

01:23:27,990 --> 01:23:26,050

colonel prouty the naysayers would have

1801

01:23:30,560 --> 01:23:28,000

been well he's just making stuff up

1802

01:23:32,700 --> 01:23:30,570

because Jim Garrison never met with

1803

01:23:36,110 --> 01:23:32,710

Colonel cloudy at the time of the

1804

01:23:39,000 --> 01:23:36,120

assassination or at the time of the

1805

01:23:42,090 --> 01:23:39,010

prosecution in New Orleans of Clay Shaw

1806

01:23:45,900 --> 01:23:42,100

and that's correct actually it was much

1807

01:23:47,880 --> 01:23:45,910

later that garrison wasn't got in touch

1808

01:23:50,460 --> 01:23:47,890

with proudly and got this inside view

1809

01:23:53,070 --> 01:23:50,470

but now at the time he did go to

1810

01:23:55,050 --> 01:23:53,080

Washington and he met with a military

1811

01:23:58,020 --> 01:23:55,060

intelligence operative named Richard

1812

01:24:01,410 --> 01:23:58,030

case Nagle and Nagel sitting down and

1813

01:24:02,080 --> 01:24:01,420

told him a lot of things so stone wanted

1814

01:24:05,770 --> 01:24:02,090

to you

1815

01:24:08,020 --> 01:24:05,780

a character who was an inside source a

1816

01:24:10,560 --> 01:24:08,030

deep throat if you will and he wanted to

1817

01:24:13,089 --> 01:24:10,570

give out the information that garrison

1818

01:24:15,339 --> 01:24:13,099

ultimately learned from Colonel proudiy

1819

01:24:16,930 --> 01:24:15,349

but he couldn't use proud his name

1820

01:24:19,000 --> 01:24:16,940

because they would say well that didn't

1821

01:24:21,180 --> 01:24:19,010

happen at that time period and so he's

1822

01:24:24,550 --> 01:24:21,190

just making stuff up so what he did was

1823

01:24:27,399 --> 01:24:24,560

yeah he made a composite character and

1824

01:24:29,649 --> 01:24:27,409

he called him mr. X but it was actually

1825

01:24:32,050 --> 01:24:29,659

Richard K smegal and Colonel Fletcher

1826

01:24:35,589 --> 01:24:32,060

Prouty and beautifully played by dollar

1827

01:24:37,629 --> 01:24:35,599

Donald Sutherland I must say exact and

1828

01:24:44,649 --> 01:24:37,639

everything stole everything Sullivan

1829

01:24:47,470 --> 01:24:44,659

says is is basically what proud he told

1830

01:24:51,040 --> 01:24:47,480

garrison but in later years huh

1831

01:24:53,370 --> 01:24:51,050

well Jim we we don't have but about five

1832

01:24:58,450 --> 01:24:53,380

minutes left and so here's here's the

1833

01:25:01,570 --> 01:24:58,460

climactic question in just a lesson two

1834

01:25:03,339 --> 01:25:01,580

weeks it's gonna be 50 years I mean a

1835

01:25:07,300 --> 01:25:03,349

lot of water a lot of water has gone

1836

01:25:10,240 --> 01:25:07,310

under the bridge in 50 years why why

1837

01:25:11,919 --> 01:25:10,250

will the powers that be whoever you want

1838

01:25:14,890 --> 01:25:11,929

to say that is why will no one

1839

01:25:18,580 --> 01:25:14,900

acknowledge this and claim yeah we did

1840

01:25:20,290 --> 01:25:18,590

this okay again I've been asked time and

1841

01:25:22,030 --> 01:25:20,300

time again over the years will ever

1842

01:25:23,919 --> 01:25:22,040

learn the truth about the Kennedy

1843

01:25:25,780 --> 01:25:23,929

assassination and again they're not

1844

01:25:28,030 --> 01:25:25,790

asking the right question because what

1845

01:25:29,919 --> 01:25:28,040

they're we know the truth now if you'll

1846

01:25:33,490 --> 01:25:29,929

study the evidence and you'll find that

1847

01:25:35,350 --> 01:25:33,500

there was cover-up obfuscation at the

1848

01:25:37,419 --> 01:25:35,360

highest level of federal government

1849

01:25:39,459 --> 01:25:37,429

which this is what turns what was

1850

01:25:40,839 --> 01:25:39,469

actually just a Texas homicide into a

1851

01:25:43,870 --> 01:25:40,849

national coup d'etat

1852

01:25:46,209 --> 01:25:43,880

but the reason but so what they're

1853

01:25:47,620 --> 01:25:46,219

actually asking is will there ever be a

1854

01:25:50,109 --> 01:25:47,630

day when they'll hold a news conference

1855

01:25:51,700 --> 01:25:50,119

and some federal official will get up

1856

01:25:53,890 --> 01:25:51,710

and go okay okay here's what really

1857

01:25:55,450 --> 01:25:53,900

happened to President Kennedy and I'm

1858

01:25:55,870 --> 01:25:55,460

here to tell you no that ain't going to

1859

01:25:58,270 --> 01:25:55,880

happen

1860

01:26:00,490 --> 01:25:58,280

and why not because there are too many

1861

01:26:03,160 --> 01:26:00,500

families too many companies too many

1862

01:26:05,320 --> 01:26:03,170

organizations too many relatives too

1863

01:26:07,629 --> 01:26:05,330

many people who thought it was probably

1864

01:26:10,479 --> 01:26:07,639

a good thing that Kennedy was taken out

1865

01:26:12,760 --> 01:26:10,489

and they're still around and they're our

1866

01:26:14,219 --> 01:26:12,770

sons daughters and offspring they're

1867

01:26:16,799 --> 01:26:14,229

still around

1868

01:26:20,819 --> 01:26:16,809

and they simply don't want to go through

1869

01:26:22,680 --> 01:26:20,829

the travail of saying yes okay here's

1870

01:26:25,350 --> 01:26:22,690

what really happened but I think the key

1871

01:26:27,390 --> 01:26:25,360

thing is this if they ever officially

1872

01:26:30,750 --> 01:26:27,400

admit that there was a coup d'etat in

1873

01:26:32,549 --> 01:26:30,760

this country in 1963 that means every

1874

01:26:34,649 --> 01:26:32,559

administration since the Johnson

1875

01:26:37,589 --> 01:26:34,659

administration is an illegal

1876

01:26:40,859 --> 01:26:37,599

illegitimate administration and you can

1877

01:26:43,319 --> 01:26:40,869

just imagine what a heyday the lawyers

1878

01:26:46,189 --> 01:26:43,329

would have by saying well this was a

1879

01:26:48,449 --> 01:26:46,199

this was a coup this was an illegitimate

1880

01:26:50,370 --> 01:26:48,459

government and so all the laws that's

1881

01:26:53,399 --> 01:26:50,380

been passed all the regulations have

1882

01:26:56,279 --> 01:26:53,409

been passed all of the government

1883

01:26:59,819 --> 01:26:56,289

policies you know the bombing and

1884

01:27:02,370 --> 01:26:59,829

droning killings everything's gone on

1885

01:27:04,949 --> 01:27:02,380

it's all illegal you know it would it

1886

01:27:06,750 --> 01:27:04,959

would throw everything into chaos and so

1887

01:27:08,069 --> 01:27:06,760

they just can't ever admit that they'll

1888

01:27:10,080 --> 01:27:08,079

never admit it

1889

01:27:12,899 --> 01:27:10,090

so it's going to end up kind of like

1890

01:27:15,239 --> 01:27:12,909

Pearl Harbor you know even as young man

1891

01:27:18,719 --> 01:27:15,249

even back in the 40s and 50s I heard

1892

01:27:21,270 --> 01:27:18,729

that Roosevelt and a handful of others

1893

01:27:23,279 --> 01:27:21,280

in Washington knew the Pearl Harbor was

1894

01:27:24,839 --> 01:27:23,289

going to be attacked on that Sunday

1895

01:27:26,520 --> 01:27:24,849

morning but they didn't do anything

1896

01:27:28,680 --> 01:27:26,530

about it they allowed it to happen

1897

01:27:31,379 --> 01:27:28,690

because it fit their political agenda

1898

01:27:33,629 --> 01:27:31,389

which was to get an aroused and United

1899

01:27:36,239 --> 01:27:33,639

American people in the World War two now

1900

01:27:38,549 --> 01:27:36,249

that's been a controversy all through

1901

01:27:40,770 --> 01:27:38,559

the years but by today the serious

1902

01:27:43,589 --> 01:27:40,780

researchers it's no longer a controversy

1903

01:27:45,060 --> 01:27:43,599

that's what happened okay but a lot of

1904

01:27:47,129 --> 01:27:45,070

people still don't realize that because

1905

01:27:49,589 --> 01:27:47,139

they don't just come out and tell you

1906

01:27:51,719 --> 01:27:49,599

that in the news it's old news now so

1907

01:27:54,089 --> 01:27:51,729

nobody knows about it except those who

1908

01:27:56,399 --> 01:27:54,099

study the history and this is what's

1909

01:27:57,899 --> 01:27:56,409

going to happen here another 50 years

1910

01:28:00,209 --> 01:27:57,909

everybody's going to talk about the coup

1911

01:28:01,560 --> 01:28:00,219

of 1963 and they're just going on like

1912

01:28:03,930 --> 01:28:01,570

well yeah I'm gonna stop that in school

1913

01:28:05,580 --> 01:28:03,940

I know about that it's only the people

1914

01:28:07,709 --> 01:28:05,590

like you and I who live through it and

1915

01:28:09,750 --> 01:28:07,719

who were told one thing and then it

1916

01:28:11,399 --> 01:28:09,760

struggled for 50 years to try to get our

1917

01:28:12,259 --> 01:28:11,409

heads around the idea that it was

1918

01:28:17,580 --> 01:28:12,269

something else

1919

01:28:19,890 --> 01:28:17,590

gosh well folks this is your last chance

1920

01:28:21,949 --> 01:28:19,900

if you want to call one more time we're

1921

01:28:24,660 --> 01:28:21,959

offering eight eight eight nine one nine

1922

01:28:27,990 --> 01:28:24,670

two three five five Jim I know you've

1923

01:28:30,660 --> 01:28:28,000

got a website Jim Marrs com

1924

01:28:35,070 --> 01:28:30,670

I've signed on there and I am very proud

1925

01:28:37,590 --> 01:28:35,080

to say I'm a Martian yeah I need to I

1926

01:28:40,560 --> 01:28:37,600

need to do more on that but as soon as I

1927

01:28:42,630 --> 01:28:40,570

figure out the some really inside dirt

1928

01:28:44,910 --> 01:28:42,640

I'll put it in the Martian Thanks

1929

01:28:47,100 --> 01:28:44,920

hey just out of curiosity just give me

1930

01:28:49,020 --> 01:28:47,110

an estimate how many pages are your

1931

01:28:51,870 --> 01:28:49,030

references your list of references for

1932

01:28:54,630 --> 01:28:51,880

this book oh we're just met I can tell

1933

01:28:58,350 --> 01:28:54,640

you it's got to be yeah I know that the

1934

01:29:00,660 --> 01:28:58,360

index runs to 30 pages oh my that's a

1935

01:29:03,320 --> 01:29:00,670

lot okay and let me see here the notes

1936

01:29:16,710 --> 01:29:03,330

run from I don't know how's your math

1937

01:29:21,840 --> 01:29:16,720

page 557 to 525 Oh No to 579 so 7a is 6n

1938

01:29:25,430 --> 01:29:21,850

717 yeah yeah about 30 pages of yeah

1939

01:29:30,210 --> 01:29:25,440

right Wow Wow in small print probably

1940

01:29:34,170 --> 01:29:30,220

yeah Wow absolutely well I know that you

1941

01:29:38,040 --> 01:29:34,180

are one of the highly attracted speakers

1942

01:29:40,500 --> 01:29:38,050

at the epic voyagers meetings they're in

1943

01:29:42,920 --> 01:29:40,510

Grapevine monthly and I know that

1944

01:29:46,530 --> 01:29:42,930

there's at least a few of your

1945

01:29:48,300 --> 01:29:46,540

presentations on YouTube right oh yeah

1946

01:29:50,160 --> 01:29:48,310

and I think this is going to be more and

1947

01:29:52,940 --> 01:29:50,170

also I'm putting fish and touches on a

1948

01:29:55,230 --> 01:29:52,950

video oh that would be available

1949

01:29:59,730 --> 01:29:55,240

wonderful and where will we find that

1950

01:30:02,970 --> 01:29:59,740

when it comes out it will be on my video

1951

01:30:05,300 --> 01:30:02,980

channel which i think is jim marrs I

1952

01:30:08,930 --> 01:30:05,310

think yeah I don't know I haven't

1953

01:30:11,640 --> 01:30:08,940

totally gotten into that yet okay okay

1954

01:30:13,800 --> 01:30:11,650

but in other words if we check with your

1955

01:30:16,640 --> 01:30:13,810

website Jim Marrs calm would be able to

1956

01:30:20,250 --> 01:30:16,650

find that yes yes I'm definitely gonna

1957

01:30:21,780 --> 01:30:20,260

inform everybody oh and and I'll tell

1958

01:30:23,700 --> 01:30:21,790

you what if you want to see some of this

1959

01:30:26,220 --> 01:30:23,710

evidence for yourself there's going to

1960

01:30:30,120 --> 01:30:26,230

be the epic meeting on December the 15th

1961

01:30:32,550 --> 01:30:30,130

of the grapevine Convention Center okay

1962

01:30:34,410 --> 01:30:32,560

and I forget what time about one o'clock

1963

01:30:36,780 --> 01:30:34,420

I think an afternoon on the Sunday

1964

01:30:40,620 --> 01:30:36,790

afternoon December 15 and I'll be

1965

01:30:41,609 --> 01:30:40,630

presenting my program to the epic group

1966

01:30:44,399 --> 01:30:41,619

there

1967

01:30:46,260 --> 01:30:44,409

yes that you and you then you don't have

1968

01:30:49,410 --> 01:30:46,270

to worry about do you want to believe me

1969

01:30:51,720 --> 01:30:49,420

you can see the evidence for yourself

1970

01:30:54,060 --> 01:30:51,730

folks anybody that's anywhere near North

1971

01:30:55,740 --> 01:30:54,070

Texas I know ken had Ken sherry the

1972

01:30:57,930 --> 01:30:55,750

president of epic had been talking about

1973

01:30:59,669 --> 01:30:57,940

trying to get you in I'm glad to hear

1974

01:31:02,010 --> 01:30:59,679

that he got you scheduled on that so

1975

01:31:07,350 --> 01:31:02,020

that's 12:15 which is a Sunday in

1976

01:31:12,570 --> 01:31:07,360

Grapevine go to epic voyagers EP icbo y

1977

01:31:13,890 --> 01:31:12,580

AG ers dot-com and you've got the map

1978

01:31:15,839 --> 01:31:13,900

and the instructions and everything

1979

01:31:17,490 --> 01:31:15,849

there that you can find the meeting

1980

01:31:21,899 --> 01:31:17,500

place it usually happens at 2:00 in the

1981

01:31:24,180 --> 01:31:21,909

afternoon and as I said check out Jim's

1982

01:31:26,339 --> 01:31:24,190

presentations through epic there on the

1983

01:31:30,450 --> 01:31:26,349

youtube channel just put in Jim Marrs

1984

01:31:32,490 --> 01:31:30,460

and he'll pop up we've got some pretty

1985

01:31:35,060 --> 01:31:32,500

good shows coming up here at epic

1986

1998

01:32:11,010 --> 01:32:08,830

talking about ancient paganism a

1999

01:32:14,459 --> 01:32:11,020

Christmas special about the Star of

2000

01:32:16,379 --> 01:32:14,469

Bethlehem and Mike McDaniels new book

2001

01:32:18,750 --> 01:32:16,389

about judging angels so we've got a

2002

01:32:20,629 --> 01:32:18,760

whole lot of really good shows lined up

2003

01:32:24,899 --> 01:32:20,639

for you here on Monday nights on

2004

01:32:27,089 --> 01:32:24,909

inception Radio Network comm Jim you

2005

01:32:29,070 --> 01:32:27,099

were wonderful absolutely a delight to

2006

01:32:32,399 --> 01:32:29,080

talk to Oh

2007

01:32:34,620 --> 01:32:32,409

Thank You Loren and don't trust me just

2008

01:32:36,510 --> 01:32:34,630

go study this for yourself you find out

2009

01:32:39,229 --> 01:32:36,520

everything I told you is true of course

2010

01:32:42,510 --> 01:32:39,239

obviously you've done your homework too

2011

01:32:44,430 --> 01:32:42,520

somewhat here is so excited will you

2012

01:32:49,439 --> 01:32:44,440

sign books if we buy them through Jim's

2013

01:32:51,930 --> 01:32:49,449

website well I'm not really set to do

2014

01:32:53,920 --> 01:32:51,940

that but if they can make it to the epic

2015

01:32:56,200 --> 01:32:53,930

meeting I'd be glad to sign them a book

2016

01:32:58,210 --> 01:32:56,210

yep I knew that so if you're anywhere

2017

01:33:00,310 --> 01:32:58,220

near North Texas or if you want to get

2018

01:33:03,430 --> 01:33:00,320

in touch with ken cherry through the

2019

01:33:06,700 --> 01:33:03,440

epic voyagers dot-com website we'll get

2020

01:33:09,310 --> 01:33:06,710

you one sign for sure so you go Jim

2021

01:33:13,090 --> 01:33:09,320

happy happy birthday a little early and

2022

01:33:15,850 --> 01:33:13,100

eat up in case of gooey cake for me all

2023

01:33:19,920 --> 01:33:15,860

right I will and thank you so much and I

2024

01:33:23,260 --> 01:33:19,930

just remember always question authority

2025

01:33:26,260 --> 01:33:23,270

yeah definitely probably I say disobey

2026

01:33:29,110 --> 01:33:26,270

but always question yes actually

2027

01:33:31,540 --> 01:33:29,120

absolutely I agree with that okay folks

2028

01:33:41,690 --> 01:33:31,550

we'll see you here next week

2029

01:33:46,140 --> 01:33:43,710

thank you for being with us tonight

2030

01:33:47,610 --> 01:33:46,150

please join us again next Monday evening

2031

01:33:50,370 --> 01:33:47,620

for extraordinary phenomenon

2032

01:33:53,430 --> 01:33:50,380

investigations Council's epic voyages
