23

00:01:49,200 --> 00:01:46,149

Patricia Ann Patricia hello darling I'm

24

00:01:52,290 --> 00:01:49,210

happy to be here tonight I'm excited oh

25

00:01:55,469 --> 00:01:52,300

yeah so this is your thing I mean you

26

00:01:58,529 --> 00:01:55,479

are our very own UFO abductees and as

27

00:02:02,279 --> 00:01:58,539

everybody knows in the audience we have

28

00:02:05,940 --> 00:02:02,289

a really terrific and unusual show

29

00:02:09,719 --> 00:02:05,950

tonight we have with us Helen Luttrell

30

00:02:13,530 --> 00:02:09,729

who is the author of Rachel's eyes now

31

00:02:17,699 --> 00:02:13,540

this is a strange but true case of a

32

00:02:20,280 --> 00:02:17,709

human-alien hybrid this is going to be

33

00:02:22,559 --> 00:02:20,290

fantastic we have a few things to talk

34

00:02:25,080 --> 00:02:22,569

about first before we bring Helen on to

35

00:02:27,510 --> 00:02:25,090

the show so let's start first of all

36

00:02:29,580 --> 00:02:27,520

with our numbers PK what do we got going

37

00:02:31,610 --> 00:02:29,590

on for tomorrow well we're in a brand

38

00:02:34,430 --> 00:02:31,620

new month which deals with family

39

00:02:37,229 --> 00:02:34,440

relationships wanting everything perfect

40

00:02:40,559 --> 00:02:37,239

alternative medicines which is a hot

41

00:02:43,470 --> 00:02:40,569

number right now and paying attention to

42

00:02:46,350 --> 00:02:43,480

alternative dieting meaning choice of

43

00:02:48,059 --> 00:02:46,360

foods etc which is excellent and

44

00:02:49,020 --> 00:02:48,069

tomorrow's in eight days that we're

45

00:02:51,509 --> 00:02:49,030

going to really feel like we're in

46

00:02:54,270 --> 00:02:51,519

charge of what we're doing that's going

47

00:02:56,400 --> 00:02:54,280

to be a nice change the most important

48

00:02:59,280 --> 00:02:56,410

part to think about for this month is as

49

00:03:00,900 --> 00:02:59,290

much as we want everything perfect we do

50

00:03:03,060 --> 00:03:00,910

need to allow others to make their own

51
00:03:06,150 --> 00:03:03,070
choices otherwise we're going to be

52
00:03:07,320 --> 00:03:06,160
considered meddlers and we don't want

53
00:03:10,890 --> 00:03:07,330
that one No

54
00:03:13,050 --> 00:03:10,900
no meddling for us to each his own right

55
00:03:14,640 --> 00:03:13,060
that's right well it sounds like pretty

56
00:03:19,110 --> 00:03:14,650
good energy coming in tomorrow for all

57
00:03:21,120 --> 00:03:19,120
of it great excellent well we also have

58
00:03:24,150 --> 00:03:21,130
a little bit of paranormal news and this

59
00:03:27,510 --> 00:03:24,160
ties in with our show tonight there is a

60
00:03:28,800 --> 00:03:27,520
neurologist dr. Michael B Russo in

61
00:03:31,880 --> 00:03:28,810
Hawaii

62
00:03:34,350 --> 00:03:31,890
and he was using a special

63
00:03:38,070 --> 00:03:34,360

electroencephalograph machine a dense

64

00:03:39,930 --> 00:03:38,080

array in supli graph is some of his

65

00:03:42,630 --> 00:03:39,940

patients who were complaining of

66

00:03:46,020 --> 00:03:42,640

headaches and things like that but they

67

00:03:48,540 --> 00:03:46,030

also shared a similar bond here they all

68

00:03:50,130 --> 00:03:48,550

felt they had been abducted by

69

00:03:52,920 --> 00:03:50,140

extraterrestrials

70

00:03:56,370 --> 00:03:52,930

so he started measuring their brainwaves

71

00:03:58,230 --> 00:03:56,380

and what he found was startling he

72

00:04:01,560 --> 00:03:58,240

actually found there were patterns

73

00:04:04,590 --> 00:04:01,570

across these patients in the parietal

74

00:04:06,840 --> 00:04:04,600

lobe it showed abnormal T's and

75

00:04:10,199 --> 00:04:06,850

abnormalities excuse me in brainwave

76

00:04:13,199 --> 00:04:10,209

activity now this is the first I have

77

00:04:15,110 --> 00:04:13,209

heard that any science has backed up

78

00:04:18,740 --> 00:04:15,120

that there's something going on with

79

00:04:22,260 --> 00:04:18,750

abductees brains so this is a very new

80

00:04:24,510 --> 00:04:22,270

subject that's coming up and it's I

81

00:04:26,310 --> 00:04:24,520

think wonderful for the abductees who

82

00:04:28,680 --> 00:04:26,320

have been afraid that they're all alone

83

00:04:30,870 --> 00:04:28,690

in this that they're hallucinating or

84

00:04:33,480 --> 00:04:30,880

imaginary this is all their imagination

85

00:04:36,090 --> 00:04:33,490

now they're finding out through this

86

00:04:39,659 --> 00:04:36,100

doctor that there is a change in their

87

00:04:41,700 --> 00:04:39,669

electrical brainwave activity and again

88

00:04:45,810 --> 00:04:41,710

across the board all of the alien

89

00:04:49,980 --> 00:04:45,820

abductee patients are very similar and

90

00:04:52,650 --> 00:04:49,990

they're also similar to people who have

91

00:04:55,950 --> 00:04:52,660

had traumatic brain injury which is also

92

00:04:58,620 --> 00:04:55,960

interesting so it's not so good but it

93

00:05:00,180 --> 00:04:58,630

is for abductees I think and Becky

94

00:05:01,950 --> 00:05:00,190

you'll have to join in on this one I

95

00:05:03,570 --> 00:05:01,960

think it's a good thing to know that

96

00:05:06,900 --> 00:05:03,580

there really is something going on with

97

00:05:10,110 --> 00:05:06,910

brain waves with abductees yes I think

98

00:05:11,969 --> 00:05:10,120

it's wonderful because that even shows

99

00:05:14,820 --> 00:05:11,979

the ETS

100

00:05:17,130 --> 00:05:14,830

tinkering with the body I mean it shows

101
00:05:19,620 --> 00:05:17,140
it science is finally stepping in and

102
00:05:21,459 --> 00:05:19,630
taking a step up and proving something

103
00:05:23,379 --> 00:05:21,469
and this could even go for

104
00:05:25,689 --> 00:05:23,389
this could really even go further and it

105
00:05:28,480 --> 00:05:25,699
would be amazing to be able to study

106
00:05:30,369 --> 00:05:28,490
that and and have people come forward

107
00:05:34,119 --> 00:05:30,379
and find out you know the different

108
00:05:36,279 --> 00:05:34,129
degrees of the brainwaves and I you know

109
00:05:37,749 --> 00:05:36,289
like someone who has been abducted all

110
00:05:40,510 --> 00:05:37,759
their life or someone who has just

111
00:05:42,189 --> 00:05:40,520
recently been abducted or someone who

112
00:05:44,920 --> 00:05:42,199
may not even know they have been and

113
00:05:47,860 --> 00:05:44,930

find out they have this is fascinating I

114

00:05:50,260 --> 00:05:47,870

love it yes it really is exciting news

115

00:05:51,510 --> 00:05:50,270

and again more validation for people

116

00:05:54,670 --> 00:05:51,520

like you have had these experiences

117

00:05:57,129 --> 00:05:54,680

throughout your whole life and it's

118

00:05:59,499 --> 00:05:57,139

again it's it's in a way it's comforting

119

00:06:03,339 --> 00:05:59,509

I think for our case to have this

120

00:06:05,800 --> 00:06:03,349

information well tonight I promised that

121

00:06:08,080 --> 00:06:05,810

I was going to give new information to

122

00:06:12,100 --> 00:06:08,090

our audience to all of our listeners

123

00:06:13,719 --> 00:06:12,110

about aliens among us know not only do

124

00:06:15,700 --> 00:06:13,729

we have Helen luttrell on the show

125

00:06:17,740 --> 00:06:15,710

tonight which is going to be a

126

00:06:19,689 --> 00:06:17,750

rip-roaring show I can't wait to get her

127

00:06:24,159 --> 00:06:19,699

on but I did want to share with

128

00:06:28,899 --> 00:06:24,169

everybody that many years ago I worked

129

00:06:31,749 --> 00:06:28,909

with a clinical psychologist who had top

130

00:06:34,450 --> 00:06:31,759

clearance and different levels of

131

00:06:37,629 --> 00:06:34,460

security worked with the CIA the FBI all

132

00:06:41,379 --> 00:06:37,639

the alphabet agencies and one day he

133

00:06:45,010 --> 00:06:41,389

confided in me that in fact there were

134

00:06:48,369 --> 00:06:45,020

aliens living among us now he told me

135

00:06:52,149 --> 00:06:48,379

that he was shown photographs of these

136

00:06:54,670 --> 00:06:52,159

aliens and he said many of them this is

137

00:06:57,219 --> 00:06:54,680

the part that really shocked him you

138

00:07:01,300 --> 00:06:57,229

couldn't tell them apart from us they

139

00:07:05,050 --> 00:07:01,310

looked completely human and he was told

140

00:07:07,779 --> 00:07:05,060

at that time by these people in the

141

00:07:09,990 --> 00:07:07,789

military that a lot of them had

142

00:07:12,159 --> 00:07:10,000

integrated themselves to our own

143

00:07:15,909 --> 00:07:12,169

neighborhoods and again we would never

144

00:07:17,920 --> 00:07:15,919

know that they were not from here now

145

00:07:19,899 --> 00:07:17,930

that clinical psychologist I'm going to

146

00:07:22,389 --> 00:07:19,909

tell you who it was because he's passed

147

00:07:24,399 --> 00:07:22,399

away been again he was a dear friend of

148

00:07:26,769 --> 00:07:24,409

mine and we worked closely together on

149

00:07:29,649 --> 00:07:26,779

certain projects his name was Bill Shull

150

00:07:32,889 --> 00:07:29,659

bill wrote a number of books about

151
00:07:34,879 --> 00:07:32,899
psychic events and also the pyramids but

152
00:07:38,689 --> 00:07:34,889
his background was clinical psychology

153
00:07:40,610 --> 00:07:38,699
and when he told me this I remember the

154
00:07:43,369 --> 00:07:40,620
moment that he shared this with me and

155
00:07:46,100 --> 00:07:43,379
he told me in great detail about all the

156
00:07:49,520 --> 00:07:46,110
photographs that he had been shown now

157
00:07:52,820 --> 00:07:49,530
he also said he saw a number of races it

158
00:07:55,189 --> 00:07:52,830
did not look human and they were also

159
00:07:57,679 --> 00:07:55,199
here on the planet some of them were

160
00:07:59,779 --> 00:07:57,689
very tall some of them were reptilian so

161
00:08:02,749 --> 00:07:59,789
again we've heard these things over and

162
00:08:05,300 --> 00:08:02,759
over again from a number of our guests

163
00:08:07,550 --> 00:08:05,310

but this is the first time that I've

164

00:08:10,490 --> 00:08:07,560

been on the radio with all of you guys

165

00:08:12,769 --> 00:08:10,500

my friends my audience members all of

166

00:08:16,159 --> 00:08:12,779

our listeners to share this with you

167

00:08:18,589 --> 00:08:16,169

this is what dr. Phil had to say so I'm

168

00:08:20,420 --> 00:08:18,599

sharing it with you tonight and if you

169

00:08:21,260 --> 00:08:20,430

don't think this stuff is real you

170

00:08:24,679 --> 00:08:21,270

better think again

171

00:08:28,999 --> 00:08:24,689

it is in the meantime we are going to

172

00:08:31,550 --> 00:08:29,009

introduce our guest Helen luttrell now

173

00:08:36,019 --> 00:08:31,560

Helen has had a remarkable experience

174

00:08:38,300 --> 00:08:36,029

with an alien hybrid and she is going to

175

00:08:40,310 --> 00:08:38,310

join us in a minute I really we all

176

00:08:44,240 --> 00:08:40,320

highly recommend her book which is

177

00:08:47,120 --> 00:08:44,250

called Rachel's eyes and Helen

178

00:08:51,410 --> 00:08:47,130

welcome to Supernatural girls yes what

179

00:08:53,840 --> 00:08:51,420

are you thank you so much pleasure to be

180

00:08:55,759 --> 00:08:53,850

on your program well thank you for

181

00:08:57,980 --> 00:08:55,769

coming on our show I mean you were

182

00:09:01,430 --> 00:08:57,990

living what you thought was a very kind

183

00:09:02,210 --> 00:09:01,440

of a normal life you were in an unhappy

184

00:09:04,370 --> 00:09:02,220

marriage

185

00:09:07,759 --> 00:09:04,380

and but you did have your daughter at

186

00:09:12,889 --> 00:09:07,769

home Arisa and she was in junior college

187

00:09:16,100 --> 00:09:12,899

and she moved out to start her life at

188

00:09:18,290 --> 00:09:16,110

college and her roommate was this very

189

00:09:19,519 --> 00:09:18,300

unusual person and my goodness it was

190

00:09:23,449 --> 00:09:19,529

like you were just thrown into the

191

00:09:27,550 --> 00:09:23,459

x-files so tell us about this how did

192

00:09:32,090 --> 00:09:27,560

this happen well I'm still not sure

193

00:09:34,250 --> 00:09:32,100

although I guess I'm more sure than I

194

00:09:37,519 --> 00:09:34,260

was at the time I thought it was just

195

00:09:40,670 --> 00:09:37,529

sort of a happy coincidence that the two

196

00:09:43,220 --> 00:09:40,680

girls got put together in the apartment

197

00:09:47,059 --> 00:09:43,230

because my daughter needed someone to

198

00:09:48,740 --> 00:09:47,069

help her out with the rent and utilities

199

00:09:53,000 --> 00:09:48,750

and that because she didn't have

200

00:09:56,180 --> 00:09:53,010

too much money on her own and this

201
00:09:59,690 --> 00:09:56,190
unusual looking person who turned out to

202
00:10:04,130 --> 00:09:59,700
be Rachel appeared almost instantly

203
00:10:06,590 --> 00:10:04,140
actually it was within a day or so of my

204
00:10:09,020 --> 00:10:06,600
daughter's asking for a roommate that

205
00:10:13,490 --> 00:10:09,030
could help out and in the room Nate

206
00:10:16,160 --> 00:10:13,500
looked very unusual but the father was

207
00:10:17,030 --> 00:10:16,170
with her the man who was supposed to be

208
00:10:20,200 --> 00:10:17,040
her father

209
00:10:23,030 --> 00:10:20,210
and he just agreed to taint of

210
00:10:25,840 --> 00:10:23,040
everything that was needed the half of

211
00:10:28,790 --> 00:10:25,850
the rent and all the utilities and so on

212
00:10:32,830 --> 00:10:28,800
and the girls just been hit it off

213
00:10:36,350 --> 00:10:32,840

immediately they got along very well but

214

00:10:38,210 --> 00:10:36,360

and I thought for years and years that

215

00:10:41,300 --> 00:10:38,220

that was just some sort of a coincidence

216

00:10:44,270 --> 00:10:41,310

that they got together like that but now

217

00:10:48,200 --> 00:10:44,280

I believe that they were put together

218

00:10:51,530 --> 00:10:48,210

this Rachel was placed with my daughter

219

00:10:55,670 --> 00:10:51,540

probably by the government because your

220

00:10:58,370 --> 00:10:55,680

daughter had diabetes and she also had a

221

00:11:02,000 --> 00:10:58,380

loss of vision so she didn't see very

222

00:11:04,610 --> 00:11:02,010

clearly no she didn't and she needed

223

00:11:07,160 --> 00:11:04,620

someone actually that could help her

224

00:11:08,960 --> 00:11:07,170

with the activities of daily living such

225

00:11:12,290 --> 00:11:08,970

as picking out her clothes because she

226

00:11:14,890 --> 00:11:12,300

couldn't she couldn't really see the

227

00:11:18,920 --> 00:11:14,900

colors that well and her vision

228

00:11:21,610 --> 00:11:18,930

fluctuated so much from time to time so

229

00:11:24,790 --> 00:11:21,620

she needed somebody that could help her

230

00:11:29,690 --> 00:11:24,800

and yes he had had childhood diabetes

231

00:11:33,350 --> 00:11:29,700

diagnosed at eight years old and and her

232

00:11:35,690 --> 00:11:33,360

vision went completely after that she

233

00:11:38,090 --> 00:11:35,700

really was the perfect roommate for

234

00:11:39,860 --> 00:11:38,100

Rachel who is rather odd-looking because

235

00:11:44,030 --> 00:11:39,870

your daughter would have been able to

236

00:11:45,770 --> 00:11:44,040

see that no she couldn't and if she did

237

00:11:47,570 --> 00:11:45,780

I don't think she would have paid much

238

00:11:50,020 --> 00:11:47,580

attention to it but I'm sure that she

239

00:11:52,940 --> 00:11:50,030

didn't see anything but the barest

240

00:11:56,540 --> 00:11:52,950

details you know that it was a person

241

00:11:59,900 --> 00:11:56,550

there and so it was really a good match

242

00:12:02,720 --> 00:11:59,910

and they got along well together there

243

00:12:04,939 --> 00:12:02,730

were these things about Rachel that

244

00:12:09,920 --> 00:12:04,949

would tell me that Rachel could not eat

245

00:12:12,410 --> 00:12:09,930

regular food and excuse me and that she

246

00:12:14,420 --> 00:12:12,420

couldn't drink regular water and these

247

00:12:17,210 --> 00:12:14,430

things were left outside the apartment

248

00:12:20,139 --> 00:12:17,220

door just about every two weeks it would

249

00:12:24,110 --> 00:12:20,149

be just before Rachel would run out and

250

00:12:26,240 --> 00:12:24,120

and so if she had been telling me little

251

00:12:29,210 --> 00:12:26,250

things like that and that sometimes

252

00:12:32,540 --> 00:12:29,220

Rachel picked out outfit didn't exactly

253

00:12:40,329 --> 00:12:32,550

match what you was told to her by her

254

00:12:43,009 --> 00:12:40,339

friend so they got along well and

255

00:12:46,189 --> 00:12:43,019

Marissa knew that Rachel was a little

256

00:12:48,889 --> 00:12:46,199

unusual but that didn't bother her

257

00:12:52,189 --> 00:12:48,899

because you raised a daughter who was so

258

00:12:54,920 --> 00:12:52,199

loving and accepting so even if she had

259

00:12:56,360 --> 00:12:54,930

seen what Rachel truly looked like it

260

00:12:59,360 --> 00:12:56,370

sounds like she would have accepted her

261

00:13:01,660 --> 00:12:59,370

anyways I think she would have I think

262

00:13:06,230 --> 00:13:01,670

she would have Marissa was like that she

263

00:13:07,879 --> 00:13:06,240

was just very accepting of people no

264

00:13:10,220 --> 00:13:07,889

matter what they looked like or what

265

00:13:13,160 --> 00:13:10,230

their ethnic background may have been or

266

00:13:14,449 --> 00:13:13,170

anything like that so they did get along

267

00:13:18,379 --> 00:13:14,459

really well

268

00:13:22,939 --> 00:13:18,389

the president was yes no to the problem

269

00:13:26,900 --> 00:13:22,949

was yeah when I had stopped to see my

270

00:13:28,670 --> 00:13:26,910

daughter and I had hoped to probably see

271

00:13:30,319 --> 00:13:28,680

Rachel because I knew she should be

272

00:13:32,840 --> 00:13:30,329

there at that time of the afternoon I

273

00:13:36,590 --> 00:13:32,850

stopped after my in in the afternoon

274

00:13:40,189 --> 00:13:36,600

after my job at an Air Force Base in the

275

00:13:42,650 --> 00:13:40,199

area and and so I had stayed as long as

276

00:13:45,519 --> 00:13:42,660

I could and I needed to get home so I'm

277

00:13:49,160 --> 00:13:45,529

standing in the doorway with my daughter

278

00:13:52,340 --> 00:13:49,170

and well I wish I could have seen sort

279

00:13:55,460 --> 00:13:52,350

of met Rachel and she just then we heard

280

00:13:57,530 --> 00:13:55,470

somebody coming up the stairs the girls

281

00:14:01,040 --> 00:13:57,540

had a second floor apartment right

282

00:14:04,220 --> 00:14:01,050

across the street from the junior

283

00:14:08,900 --> 00:14:04,230

college that they both went to and so I

284

00:14:11,990 --> 00:14:08,910

waited a minute and it was Rachel and

285

00:14:14,329 --> 00:14:12,000

yes she rushed back out towards the door

286

00:14:16,310 --> 00:14:14,339

with the papers that she'd gotten I

287

00:14:19,220 --> 00:14:16,320

could see that she was

288

00:14:21,500 --> 00:14:19,230

she had tripped and I'm not sure what on

289

00:14:25,100 --> 00:14:21,510

the carpet or something but anyway she

290

00:14:26,150 --> 00:14:25,110

was going to fall down and it looked

291

00:14:28,790 --> 00:14:26,160

like she was going to fall right

292

00:14:33,050 --> 00:14:28,800

straight forward and she hadn't made any

293

00:14:35,810 --> 00:14:33,060

effort to catch herself as we would we

294

00:14:37,820 --> 00:14:35,820

foiled our arms you know to catch

295

00:14:40,160 --> 00:14:37,830

yourselves on the chair or something but

296

00:14:42,530 --> 00:14:40,170

she didn't and so I reached out and

297

00:14:48,400 --> 00:14:42,540

grabbed her so she didn't fall right

298

00:14:52,750 --> 00:14:48,410

flat on her face and as I did her sleeve

299

00:14:57,590 --> 00:14:52,760

kind of pushed up on her on her arm and

300

00:15:00,680 --> 00:14:57,600

I found myself holding on to her arm and

301
00:15:01,700 --> 00:15:00,690
it did not feel like anything I had ever

302
00:15:05,000 --> 00:15:01,710
felt before

303
00:15:09,260 --> 00:15:05,010
it felt the flesh felt this one who

304
00:15:13,220 --> 00:15:09,270
can't hear - can you hear me and we can

305
00:15:15,110 --> 00:15:13,230
hear you in your finder yeah - call

306
00:15:16,730 --> 00:15:15,120
Becky and try to start this out but

307
00:15:19,370 --> 00:15:16,740
please continue I don't want to

308
00:15:22,250 --> 00:15:19,380
interrupt what you're saying okay

309
00:15:25,010 --> 00:15:22,260
I grabbed onto her forearm and her

310
00:15:27,770 --> 00:15:25,020
sleeve had pushed up and so I found

311
00:15:32,380 --> 00:15:27,780
myself holding on to her forearm which

312
00:15:36,410 --> 00:15:32,390
felt really cool and not at all like

313
00:15:38,540 --> 00:15:36,420

human flesh should feel and and it

314

00:15:41,980 --> 00:15:38,550

shouldn't have felt cool anyway because

315

00:15:47,000 --> 00:15:41,990

it was such a hot day very very hot and

316

00:15:49,690 --> 00:15:47,010

so anyway I hung on to her so she

317

00:15:52,730 --> 00:15:49,700

wouldn't fall down but that pulled her

318

00:15:56,780 --> 00:15:52,740

around so that we were sort of eyeball

319

00:15:59,450 --> 00:15:56,790

to eyeball and her at that point her

320

00:16:02,930 --> 00:15:59,460

glasses which were wraparound dark

321

00:16:06,530 --> 00:16:02,940

glasses they had slipped down on her

322

00:16:09,800 --> 00:16:06,540

face and I found myself looking into her

323

00:16:12,800 --> 00:16:09,810

eyes right straight face to face looking

324

00:16:15,260 --> 00:16:12,810

into her eyes and I had never seen

325

00:16:19,850 --> 00:16:15,270

anything like that before either what

326

00:16:21,950 --> 00:16:19,860

color were her eyes they were like they

327

00:16:26,870 --> 00:16:21,960

were a light green like the inside of an

328

00:16:29,420 --> 00:16:26,880

avocado not the the schema that put the

329

00:16:33,980 --> 00:16:29,430

inside of an avocado

330

00:16:36,260 --> 00:16:33,990

and the pupils were vertical black like

331

00:16:39,110 --> 00:16:36,270

a cat5 oh my goodness

332

00:16:41,930 --> 00:16:39,120

now did you did that scare you and you

333

00:16:42,620 --> 00:16:41,940

saw I mean that's a really unusual sight

334

00:16:44,210 --> 00:16:42,630

to see

335

00:16:47,990 --> 00:16:44,220

I mean somebody's eyes looking almost

336

00:16:50,769 --> 00:16:48,000

either cat-like or reptilian I didn't

337

00:16:53,210 --> 00:16:50,779

make you stop breathing for a second

338

00:16:54,949 --> 00:16:53,220

well I don't know about stop breathing

339

00:16:57,910 --> 00:16:54,959

but I certainly was scared for a few

340

00:17:01,340 --> 00:16:57,920

minutes or a few seconds I should say

341

00:17:06,230 --> 00:17:01,350

and I couldn't take my eyes off of her

342

00:17:09,590 --> 00:17:06,240

but I kept looking into her eyes I could

343

00:17:11,030 --> 00:17:09,600

see that she was really frightened way

344

00:17:17,049 --> 00:17:11,040

more than I was

345

00:17:20,689 --> 00:17:17,059

oh and so then we broke our gaze and

346

00:17:23,470 --> 00:17:20,699

then she said something like I have to

347

00:17:28,030 --> 00:17:23,480

hurry something like that and she spoke

348

00:17:31,820 --> 00:17:28,040

differently than we do to she spoke very

349

00:17:37,669 --> 00:17:31,830

no inflections on her words it was like

350

00:17:39,410 --> 00:17:37,679

I must hurry and so then she went and I

351
00:17:42,140 --> 00:17:39,420
sort of stood there for a minute because

352
00:17:46,820 --> 00:17:42,150
I was trying to get myself back together

353
00:17:50,030 --> 00:17:46,830
right yes and so then and actually my

354
00:17:53,180 --> 00:17:50,040
daughter didn't seem to be alarmed over

355
00:17:55,460 --> 00:17:53,190
this which seemed afterwards that she

356
00:18:00,020 --> 00:17:55,470
should have been a little bit but but

357
00:18:03,919 --> 00:18:00,030
she wasn't so anyway I went on home and

358
00:18:06,320 --> 00:18:03,929
that was how I first met Rachel what an

359
00:18:07,880 --> 00:18:06,330
incredible experience so you got to see

360
00:18:11,060 --> 00:18:07,890
her up close and personal you touched

361
00:18:13,580 --> 00:18:11,070
her skin and it was cool and it didn't

362
00:18:15,710 --> 00:18:13,590
feel like human skin and you look her in

363
00:18:18,710 --> 00:18:15,720

the eyes and you see these unusual

364

00:18:20,720 --> 00:18:18,720

cat-like or reptilian eyes she doesn't

365

00:18:25,790 --> 00:18:20,730

talk like a normal person she has this

366

00:18:27,799 --> 00:18:25,800

robotic inflection oh my goodness my

367

00:18:31,190 --> 00:18:27,809

goodness what in the world did you think

368

00:18:36,500 --> 00:18:31,200

after this incredible connection with

369

00:18:39,260 --> 00:18:36,510

her well I had already gotten a hint of

370

00:18:41,419 --> 00:18:39,270

what I might be going to meet ya

371

00:18:42,530 --> 00:18:41,429

eventually I had a friend who worked at

372

00:18:44,510 --> 00:18:42,540

the there for

373

00:18:48,050 --> 00:18:44,520

space there too he worked in security

374

00:18:50,000 --> 00:18:48,060

and since I hadn't been able to meet

375

00:18:51,770 --> 00:18:50,010

Rachel right away after I heard the

376

00:18:54,650 --> 00:18:51,780

stories from my daughter you know that

377

00:18:56,870 --> 00:18:54,660

she was kind of unusual I I contacted

378

00:18:59,920 --> 00:18:56,880

this man because he was high up in

379

00:19:02,480 --> 00:18:59,930

civilian security and I told him what

380

00:19:05,810 --> 00:19:02,490

what was going on with me and the

381

00:19:11,630 --> 00:19:05,820

daughter and so he checked it out for me

382

00:19:14,810 --> 00:19:11,640

and he he found that my suspicions were

383

00:19:19,280 --> 00:19:14,820

probably right he told me where her

384

00:19:22,520 --> 00:19:19,290

father the colonel Nadine had come from

385

00:19:25,790 --> 00:19:22,530

most recently and where he had acquired

386

00:19:27,380 --> 00:19:25,800

Rachel most probably and he said

387

00:19:31,190 --> 00:19:27,390

whatever you thinking

388

00:19:34,310 --> 00:19:31,200

is right but if you ever ask me again I

389

00:19:37,130 --> 00:19:34,320

will have to say that we have never had

390

00:19:38,690 --> 00:19:37,140

this conversation because I am not

391

00:19:40,670 --> 00:19:38,700

supposed to be giving out this

392

00:19:44,090 --> 00:19:40,680

information and I'm not supposed to be

393

00:19:48,380 --> 00:19:44,100

getting it in the first place so I

394

00:19:51,680 --> 00:19:48,390

wasn't really surprised when I actually

395

00:19:54,440 --> 00:19:51,690

saw her it just confirmed what I'd been

396

00:19:59,810 --> 00:19:54,450

told but it still didn't make it any

397

00:20:03,140 --> 00:19:59,820

easier to accept because that was not

398

00:20:07,040 --> 00:20:03,150

exactly what I was expecting in a

399

00:20:09,020 --> 00:20:07,050

roommate for my daughter exactly and I

400

00:20:10,910 --> 00:20:09,030

mean were you concerned for Marissa's

401
00:20:15,320 --> 00:20:10,920
safety were you worried about her after

402
00:20:18,950 --> 00:20:15,330
this encounter no and I wondered

403
00:20:21,380 --> 00:20:18,960
sometimes why I wasn't but actually they

404
00:20:25,610 --> 00:20:21,390
had been roommates for quite a while and

405
00:20:27,080 --> 00:20:25,620
well several weeks and the only thing

406
00:20:29,780 --> 00:20:27,090
that my daughter had ever said about

407
00:20:31,700 --> 00:20:29,790
Rachel accepted mismatched outfit was

408
00:20:32,750 --> 00:20:31,710
that they were getting along fine and

409
00:20:36,290 --> 00:20:32,760
they liked each other

410
00:20:38,890 --> 00:20:36,300
she liked Rachel so I thought well

411
00:20:41,990 --> 00:20:38,900
nothing's happened yet

412
00:20:44,240 --> 00:20:42,000
hopefully it's not going to and I didn't

413
00:20:46,580 --> 00:20:44,250

know what else I could do because I

414

00:20:48,530 --> 00:20:46,590

didn't have extra money to give her to

415

00:20:52,730 --> 00:20:48,540

live by herself and and she needed

416

00:20:55,910 --> 00:20:52,740

somebody to help her anyway so I just

417

00:20:57,950 --> 00:20:55,920

sort of let it go and you had to trust

418

00:20:59,780 --> 00:20:57,960

god I guess this is there were there

419

00:21:01,790 --> 00:20:59,790

were no other options and like you said

420

00:21:03,860 --> 00:21:01,800

the girls seem to get along just fine

421

00:21:06,470 --> 00:21:03,870

and there hadn't been any problems up to

422

00:21:09,650 --> 00:21:06,480

them so you were willing to let this

423

00:21:14,180 --> 00:21:09,660

proceed but you must have spent a few

424

00:21:18,560 --> 00:21:14,190

nights awake thinking about it yes I did

425

00:21:20,690 --> 00:21:18,570

I I did wonder about it but there was

426

00:21:23,350 --> 00:21:20,700

really nothing I could do I was in such

427

00:21:28,970 --> 00:21:23,360

a mess at home with my own life I

428

00:21:32,990 --> 00:21:28,980

couldn't take her back there it was just

429

00:21:37,160 --> 00:21:33,000

a situation that I look back on that's

430

00:21:39,740 --> 00:21:37,170

kind of crazy I didn't know that Rachel

431

00:21:43,100 --> 00:21:39,750

might you know as far as I knew Rachel

432

00:21:46,210 --> 00:21:43,110

could harm her but I didn't think she

433

00:21:49,130 --> 00:21:46,220

would since had nothing had happened yes

434

00:21:51,410 --> 00:21:49,140

and things seemed to be going along okay

435

00:21:54,470 --> 00:21:51,420

and as I said I could not take her back

436

00:21:55,970 --> 00:21:54,480

home yeah no you couldn't you know you

437

00:22:02,230 --> 00:21:55,980

had to get out of there myself

438

00:22:05,510 --> 00:22:02,240

right so I looking back everything was

439

00:22:08,270 --> 00:22:05,520

was not as it should have been but it

440

00:22:11,240 --> 00:22:08,280

all worked out okay well thank goodness

441

00:22:13,010 --> 00:22:11,250

and again as you talked about in great

442

00:22:14,570 --> 00:22:13,020

detail in your book and I give you a lot

443

00:22:16,280 --> 00:22:14,580

of credit because it's a hard thing to

444

00:22:18,440 --> 00:22:16,290

discuss I know

445

00:22:20,960 --> 00:22:18,450

PK and I were talking about this at

446

00:22:23,240 --> 00:22:20,970

length that it's so difficult to be in

447

00:22:25,610 --> 00:22:23,250

an abusive relationship and feel you

448

00:22:28,700 --> 00:22:25,620

have no resources nowhere to go and back

449

00:22:30,830 --> 00:22:28,710

then we didn't have the resources we

450

00:22:32,990 --> 00:22:30,840

have today for women who are in

451
00:22:37,540 --> 00:22:33,000
situations like that and your husband

452
00:22:41,360 --> 00:22:37,550
was just so nasty my goodness what up

453
00:22:43,490 --> 00:22:41,370
horrible well the thing was he was first

454
00:22:45,440 --> 00:22:43,500
a police officer and then he transferred

455
00:22:50,780 --> 00:22:45,450
to Sheriff's Department in that

456
00:22:52,580 --> 00:22:50,790
community we lived in and so his

457
00:22:55,850 --> 00:22:52,590
reaction was if I wanted to call the

458
00:22:58,010 --> 00:22:55,860
police go ahead I am the voice you know

459
00:23:00,590 --> 00:22:58,020
so it was that sort of an attitude that

460
00:23:02,240 --> 00:23:00,600
I was dealing with so I had to watch my

461
00:23:04,220 --> 00:23:02,250
chance and then get out as soon as I

462
00:23:05,720 --> 00:23:04,230
could I was gonna ask do you think you

463
00:23:09,220 --> 00:23:05,730

would have made the move the way you did

464

00:23:11,350 --> 00:23:09,230

had Rachel not gone forward

465

00:23:14,620 --> 00:23:11,360

I mean the wrist I had gone forward to

466

00:23:17,470 --> 00:23:14,630

make the move that she did by her

467

00:23:21,299 --> 00:23:17,480

leaving it gave you opportunity to

468

00:23:25,350 --> 00:23:21,309

rethink the situation and make choices I

469

00:23:28,390 --> 00:23:25,360

would have left him as soon as I could

470

00:23:34,450 --> 00:23:28,400

things along with her leaving when she

471

00:23:36,669 --> 00:23:34,460

did I I could not live that way any

472

00:23:39,039 --> 00:23:36,679

longer yeah it sounded like you really

473

00:23:41,470 --> 00:23:39,049

had come to the end of your rope long

474

00:23:44,890 --> 00:23:41,480

before but without the resources to move

475

00:23:48,010 --> 00:23:44,900

and get away from this guy who is so

476

00:23:49,960 --> 00:23:48,020

controlling and so abusive and you

477

00:23:52,390 --> 00:23:49,970

really didn't have any other choices and

478

00:23:55,210 --> 00:23:52,400

thank God you did finally get out I mean

479

00:23:56,950 --> 00:23:55,220

lots of applause to you Helen just for

480

00:23:58,840 --> 00:23:56,960

that very one thing I mean there's a lot

481

00:24:01,900 --> 00:23:58,850

of women who never get out alive but you

482

00:24:04,419 --> 00:24:01,910

did know I know they don't I know they

483

00:24:07,150 --> 00:24:04,429

don't and there was one time when I

484

00:24:10,090 --> 00:24:07,160

nearly did kill him because of something

485

00:24:13,570 --> 00:24:10,100

that he had done but in the last minute

486

00:24:22,390 --> 00:24:13,580

I decided not to do it god works in

487

00:24:23,740 --> 00:24:22,400

strange ways doesn't he yeah you didn't

488

00:24:26,350 --> 00:24:23,750

want that on your hands but you

489

00:24:28,720 --> 00:24:26,360

certainly needed to be free of it and

490

00:24:30,520 --> 00:24:28,730

thank God you found your way to make

491

00:24:32,680 --> 00:24:30,530

that happen I mean that's terrific now

492

00:24:35,890 --> 00:24:32,690

we've got some questions here from the

493

00:24:37,450 --> 00:24:35,900

chatroom this is from Skye 33 she would

494

00:24:39,850 --> 00:24:37,460

like to he or she would like to know

495

00:24:42,760 --> 00:24:39,860

could your daughter sense or feel

496

00:24:46,990 --> 00:24:42,770

something different about Rachel I think

497

00:24:48,310 --> 00:24:47,000

she did I think she did but I don't

498

00:24:54,430 --> 00:24:48,320

believe that she could quite put her

499

00:24:55,270 --> 00:24:54,440

finger on it because Rachel spoke so

500

00:25:00,010 --> 00:24:55,280

differently

501
00:25:02,860 --> 00:25:00,020
she spoke like a robot like like a robot

502
00:25:05,650 --> 00:25:02,870
you know no inflection no change in the

503
00:25:11,289 --> 00:25:05,660
tone of her voice and she used no

504
00:25:14,770 --> 00:25:11,299
contractions it's like she had never she

505
00:25:18,070 --> 00:25:14,780
hadn't spoken English for a very long

506
00:25:21,330 --> 00:25:18,080
time although she really had it was I

507
00:25:22,990 --> 00:25:21,340
think that manner of speaking was

508
00:25:24,700 --> 00:25:23,000
ingrained in her

509
00:25:28,930 --> 00:25:24,710
I'm not sure that she could have ever

510
00:25:33,190 --> 00:25:28,940
overcome that and well yeah and that you

511
00:25:36,180 --> 00:25:33,200
also described in the book from the

512
00:25:40,630 --> 00:25:36,190
Colonel's perspective Harry her father

513
00:25:43,150 --> 00:25:40,640

that it was difficult for hybrids to

514

00:25:45,520 --> 00:25:43,160

speak because their vocal cords were

515

00:25:48,370 --> 00:25:45,530

arranged differently their mouths were

516

00:25:51,310 --> 00:25:48,380

very narrow so there was a physical

517

00:25:55,600 --> 00:25:51,320

challenge to be able to speak they were

518

00:26:02,380 --> 00:25:55,610

really telepathic beings well and also

519

00:26:04,750 --> 00:26:02,390

many of them their noses were almost

520

00:26:09,610 --> 00:26:04,760

like two holes there to breathe through

521

00:26:11,860 --> 00:26:09,620

and with us we use our nose to speak

522

00:26:14,500 --> 00:26:11,870

that the sound comes through that too as

523

00:26:17,740 --> 00:26:14,510

well as drawing off that's true that's

524

00:26:21,310 --> 00:26:17,750

true so it was a physical challenge that

525

00:26:23,740 --> 00:26:21,320

she was taking on and and also just

526
00:26:26,350 --> 00:26:23,750
again getting inflection there's so much

527
00:26:28,960 --> 00:26:26,360
to speech and again being purely

528
00:26:31,270 --> 00:26:28,970
telepathic beings this sounded like was

529
00:26:34,750 --> 00:26:31,280
even for her frustrating that she

530
00:26:38,200 --> 00:26:34,760
couldn't master this I think so I think

531
00:26:41,860 --> 00:26:38,210
so and she had no fund of knowledge this

532
00:26:46,620 --> 00:26:41,870
is an ordinary teenager would have about

533
00:26:49,690 --> 00:26:46,630
oh I don't know singers or bands or

534
00:26:54,040 --> 00:26:49,700
movies or anything like that she seemed

535
00:26:56,950 --> 00:26:54,050
to be just unaware exactly now she also

536
00:26:58,750 --> 00:26:56,960
had longer arms you described in your

537
00:27:02,650 --> 00:26:58,760
book that her arms were longer than

538
00:27:05,080 --> 00:27:02,660

normal very spindly and longer right and

539

00:27:07,150 --> 00:27:05,090

her legs were sort of long it seems as

540

00:27:11,800 --> 00:27:07,160

though her body was shorter in

541

00:27:16,780 --> 00:27:11,810

comparison and she was sort of a thin

542

00:27:20,200 --> 00:27:16,790

thin body thin arms what about her

543

00:27:23,260 --> 00:27:20,210

fingers now did she wear gloves no I

544

00:27:28,360 --> 00:27:23,270

don't think she did I don't think she

545

00:27:33,250 --> 00:27:28,370

did but the thing was when during one of

546

00:27:35,500 --> 00:27:33,260

my regression and I was taken back to

547

00:27:36,800 --> 00:27:35,510

that first time that I saw her met her

548

00:27:41,330 --> 00:27:36,810

there in the doorway

549

00:27:43,850 --> 00:27:41,340

yes that the regression is testing back

550

00:27:47,510 --> 00:27:43,860

to where I could stand off and look at

551

00:27:50,630 --> 00:27:47,520

her and she only had four fingers on

552

00:27:52,520 --> 00:27:50,640

each hands just for now was she missing

553

00:27:57,230 --> 00:27:52,530

a thumb is that the one that was missing

554

00:27:59,300 --> 00:27:57,240

Oh sort of I guess I don't remember

555

00:28:03,500 --> 00:27:59,310

exactly how that was but they were

556

00:28:06,590 --> 00:28:03,510

pretty much I think she had what passed

557

00:28:08,920 --> 00:28:06,600

for somebody longer it was the four

558

00:28:13,490 --> 00:28:08,930

fingers were pretty much the same length

559

00:28:15,860 --> 00:28:13,500

on each very unusual well again this

560

00:28:18,050 --> 00:28:15,870

does fit it fits the description you

561

00:28:20,120 --> 00:28:18,060

know of a lot of things we've heard from

562

00:28:22,340 --> 00:28:20,130

people have come forward to say they've

563

00:28:24,980 --> 00:28:22,350

met someone like this but your

564

00:28:28,190 --> 00:28:24,990

experience is profoundly different and

565

00:28:30,320 --> 00:28:28,200

much more personal than most of what

566

00:28:32,990 --> 00:28:30,330

we've heard this is really an up-close

567

00:28:35,720 --> 00:28:33,000

and personal experience well everybody

607
00:30:36,669 --> 00:30:34,099
listener growth and Arbitron Edison

608
00:30:39,129 --> 00:30:36,679
survey shows that online radio boosts at

609
00:30:42,190 --> 00:30:39,139
least 33 million unique visitors each

610
00:30:44,709 --> 00:30:42,200
week and 54 million each month and that

611
00:30:46,299 --> 00:30:44,719
number amazingly continues to grow and

612
00:30:48,999 --> 00:30:46,309
these listeners are a part of many

613
00:30:51,249 --> 00:30:49,009

businesses core demographics and surveys

614

00:30:53,259 --> 00:30:51,259

have shown that internet radio listeners

615

00:30:54,789 --> 00:30:53,269

are far more likely than regular radio

616

00:30:56,919 --> 00:30:54,799

668

00:33:36,609 --> 00:33:34,909

so Helen again here you are now we've

669

00:33:38,259 --> 00:33:36,619

got Becky back on the air and I know she

670

00:33:41,560 --> 00:33:38,269

is just itching to ask you a million

671

00:33:43,419 --> 00:33:41,570

questions so it's again this amazing

672

00:33:45,940 --> 00:33:43,429

story this amazing experience here's

673

00:33:48,539 --> 00:33:45,950

your daughter living with a very unusual

674

00:33:52,289 --> 00:33:48,549

girl who you don't know yet is a hybrid

675

00:33:58,899 --> 00:33:52,299

but you eventually find out that she is

676
00:34:04,959 --> 00:33:58,909
yes I do at least pretty sure pretty

677
00:34:08,909 --> 00:34:04,969
sure he when she came to four corners

678
00:34:13,499 --> 00:34:08,919
and colonels rescued her her care was

679
00:34:18,999 --> 00:34:13,509
medical care was kind of taken over by

680
00:34:22,749 --> 00:34:19,009
hybrid or nearly 100% alien scientist

681
00:34:25,720 --> 00:34:22,759
named chicky who was there at that site

682
00:34:30,159 --> 00:34:25,730
at four corners working in the medical

683
00:34:33,249 --> 00:34:30,169
lab working with some of our scientists

684
00:34:35,950 --> 00:34:33,259
teaching us different things about

685
00:34:38,049 --> 00:34:35,960
cloning and and which wasn't really all

686
00:34:41,230 --> 00:34:38,059
that well known at that time because

687
00:34:45,930 --> 00:34:41,240
this was back in 1770s and seventy two

688
00:34:52,389 --> 00:34:45,940

and three and he determined that she was

689

00:34:55,250 --> 00:34:52,399

probably at least two-thirds hybrid and

690

00:34:58,940 --> 00:34:55,260

so he had to come up with a

691

00:35:00,320 --> 00:34:58,950

formula that she could eat and liquid

692

00:35:04,780 --> 00:35:00,330

that she could drink which turned out to

693

00:35:07,430 --> 00:35:04,790

be then what was provided for her

694

00:35:09,680 --> 00:35:07,440

outside of the apartment the girls lived

695

00:35:14,390 --> 00:35:09,690

in about every two weeks about it she

696

00:35:17,360 --> 00:35:14,400

was to run out so it was actually his

697

00:35:21,740 --> 00:35:17,370

determination as well as the Colonel's

698

00:35:25,250 --> 00:35:21,750

that he certainly wasn't he certainly

699

00:35:28,250 --> 00:35:25,260

wasn't all from here because he knew

700

00:35:31,190 --> 00:35:28,260

this because he rescued her from a craft

701
00:35:32,810 --> 00:35:31,200
that had crashed at four corners and she

702
00:35:35,330 --> 00:35:32,820
was the only survivor in that crash

703
00:35:37,640 --> 00:35:35,340
right right the other ones I don't

704
00:35:39,380 --> 00:35:37,650
remember now if there was two I think

705
00:35:40,640 --> 00:35:39,390
there were two other ones but they died

706
00:35:44,450 --> 00:35:40,650
on impact

707
00:35:46,460 --> 00:35:44,460
but she was the only one that was alive

708
00:35:48,860 --> 00:35:46,470
and she really wasn't hurt very much I

709
00:35:52,010 --> 00:35:48,870
think she had a big scratch on her arm

710
00:35:53,360 --> 00:35:52,020
but he knew how to heal that herself

711
00:35:59,870 --> 00:35:53,370
stop the bleeding

712
00:36:02,690 --> 00:35:59,880
and and heal it and so he took her back

713
00:36:04,370 --> 00:36:02,700

to the medical facility to have her

714

00:36:07,550 --> 00:36:04,380

checked out like Chesky because he knew

715

00:36:09,740 --> 00:36:07,560

he would know what to do he didn't know

716

00:36:15,050 --> 00:36:09,750

exactly what to do himself he knew she

717

00:36:17,840 --> 00:36:15,060

wasn't from here that healing that he

718

00:36:21,800 --> 00:36:17,850

used on her arm was something that she

719

00:36:25,310 --> 00:36:21,810

showed me how to do - unless it's an

720

00:36:29,300 --> 00:36:25,320

artery that cut I know how to do the

721

00:36:34,790 --> 00:36:29,310

healing - and I found that's a very

722

00:36:38,210 --> 00:36:34,800

valuable thing to know now she also had

723

00:36:42,230 --> 00:36:38,220

the ability not only to heal herself but

724

00:36:44,740 --> 00:36:42,240

to heal other people and she gave your

725

00:36:49,190 --> 00:36:44,750

daughter a gift can you talk about that

726

00:36:53,420 --> 00:36:49,200

yeah I got a phone call one day at work

727

00:36:56,000 --> 00:36:53,430

and from my daughter and she was just

728

00:36:59,000 --> 00:36:56,010

beside herself she had gone back to the

729

00:37:02,180 --> 00:36:59,010

apartment at noon and expected to find

730

00:37:05,000 --> 00:37:02,190

Rachel there which usually was because

731

00:37:07,310 --> 00:37:05,010

their schedules were different and she

732

00:37:08,900 --> 00:37:07,320

was walked in and there was no one there

733

00:37:12,710 --> 00:37:08,910

and she looked

734

00:37:15,050 --> 00:37:12,720

and felt around and her eyesight was not

735

00:37:17,300 --> 00:37:15,060

a hundred percent gone at that time but

736

00:37:18,980 --> 00:37:17,310

she couldn't see very well so she felt

737

00:37:22,150 --> 00:37:18,990

and looked around the best she could and

738

00:37:26,270 --> 00:37:22,160

there was none of Rachel's things there

739

00:37:28,850 --> 00:37:26,280

even bad was there and the mattress and

740

00:37:32,180 --> 00:37:28,860

the dresser but that was all it was

741

00:37:34,670 --> 00:37:32,190

there of Rachel's things so none of our

742

00:37:37,310 --> 00:37:34,680

food supplies or her water supplies that

743

00:37:40,610 --> 00:37:37,320

were so unusual no that was there either

744

00:37:42,560 --> 00:37:40,620

it was all gone it was all gone and she

745

00:37:45,050 --> 00:37:42,570

couldn't imagine how it was because the

746

00:37:47,330 --> 00:37:45,060

things the jugs of water were like I

747

00:37:49,340 --> 00:37:47,340

don't know how big they were exactly

748

00:37:52,010 --> 00:37:49,350

they were like five gallon jugs of water

749

00:37:53,450 --> 00:37:52,020

they were really big and heavy and she

750

00:37:57,410 --> 00:37:53,460

was pretty sure Rachel couldn't left

751
00:38:01,220 --> 00:37:57,420
them so anyway she looked around and

752
00:38:03,560 --> 00:38:01,230
nothing there and she said that she went

753
00:38:05,990 --> 00:38:03,570
around and around and looking for some

754
00:38:08,720 --> 00:38:06,000
little clue and there was nothing until

755
00:38:12,020 --> 00:38:08,730
she went back in a bedroom and there was

756
00:38:15,350 --> 00:38:12,030
a note taped to the dresser the newer on

757
00:38:20,140 --> 00:38:15,360
the dresser and she took it down and sat

758
00:38:25,670 --> 00:38:20,150
down under the empty bed and read it and

759
00:38:28,880 --> 00:38:25,680
it said I am sorry to leave you you were

760
00:38:29,510 --> 00:38:28,890
my best friend but I have left you a

761
00:38:34,220 --> 00:38:29,520
gift

762
00:38:36,440 --> 00:38:34,230
it was find love Rachel and then she

763
00:38:39,130 --> 00:38:36,450

realized that she had read the note

764

00:38:41,990 --> 00:38:39,140

something that she couldn't normally do

765

00:38:43,130 --> 00:38:42,000

without her magnifying glass and even

766

00:38:45,350 --> 00:38:43,140

then it would have been very difficult

767

00:38:48,530 --> 00:38:45,360

for her to do it but she didn't have the

768

00:38:53,060 --> 00:38:48,540

magnifying glass that led with her Frank

769

00:38:56,090 --> 00:38:53,070

at that time and so the gift that Rachel

770

00:38:58,940 --> 00:38:56,100

had left her was improved eyesight and

771

00:39:03,200 --> 00:38:58,950

it stayed improved until the day she

772

00:39:05,720 --> 00:39:03,210

died it wasn't a hundred percent but she

773

00:39:08,840 --> 00:39:05,730

could read street signs and she could

774

00:39:10,790 --> 00:39:08,850

read a lot of things and so that was the

775

00:39:13,850 --> 00:39:10,800

gift that Rachel had given her so I

776

00:39:18,260 --> 00:39:13,860

think that was a pretty big example of

777

00:39:20,560 --> 00:39:18,270

healing and what he does excuse me

778

00:39:23,470 --> 00:39:20,570

and what did you say that they

779

00:39:28,710 --> 00:39:23,480

err at four corners and other places

780

00:39:30,940 --> 00:39:28,720

dealing with these hybrid annuities that

781

00:39:33,580 --> 00:39:30,950

they have the knowledge and

782

00:39:36,460 --> 00:39:33,590

understanding of healing everything that

783

00:39:39,160 --> 00:39:36,470

we've got going on out here or 90% of

784

00:39:43,210 --> 00:39:39,170

everything yeah it's not really so it

785

00:39:44,860 --> 00:39:43,220

can be done to help those oh yes they

786

00:39:48,340 --> 00:39:44,870

had the knowledge and they were teaching

787

00:39:51,670 --> 00:39:48,350

us and risky and sometimes there would

788

00:39:54,310 --> 00:39:51,680

be another comrade of his from Zeta

789

00:39:56,620 --> 00:39:54,320

Reticuli would come and they would work

790

00:40:01,120 --> 00:39:56,630

with our scientists about different

791

00:40:03,790 --> 00:40:01,130

kinds of healing but as far as I know

792

00:40:05,620 --> 00:40:03,800

none of those methods came out until

793

00:40:08,800 --> 00:40:05,630

just the last few years and this was

794

00:40:14,350 --> 00:40:08,810

back in 1972 and probably going on

795

00:40:17,230 --> 00:40:14,360

before that but we weren't allowed to

796

00:40:19,330 --> 00:40:17,240

use those things and you weren't allowed

797

00:40:21,850 --> 00:40:19,340

to use them so they wanted them kept in

798

00:40:25,210 --> 00:40:21,860

secret they didn't want to get them out

799

00:40:27,220 --> 00:40:25,220

to the world to you know knock off these

800

00:40:29,380 --> 00:40:27,230

doctor bills and these doctors that keep

801
00:40:32,200 --> 00:40:29,390
on giving us stuff half the time that

802
00:40:36,520 --> 00:40:32,210
isn't right for us right all right yeah

803
00:40:39,070 --> 00:40:36,530
and that proves what you say also about

804
00:40:42,970 --> 00:40:39,080
emulsion because they happen to have

805
00:40:45,190 --> 00:40:42,980
some kind of loving emotion or not to

806
00:40:48,100 --> 00:40:45,200
hold this back and let people suffer out

807
00:40:51,700 --> 00:40:48,110
there and that's exactly what they're

808
00:40:54,120 --> 00:40:51,710
doing now and have them doing for a long

809
00:40:57,310 --> 00:40:54,130
time there's anger and emotion right

810
00:40:59,770 --> 00:40:57,320
yeah so are you saying Helen that

811
00:41:02,620 --> 00:40:59,780
they're they're holding back those

812
00:41:05,110 --> 00:41:02,630
feelings of compassion and so that

813
00:41:07,090 --> 00:41:05,120

allows us to continue to suffer and not

814

00:41:09,700 --> 00:41:07,100

receive healing from them is that what

815

00:41:12,220 --> 00:41:09,710

you're saying yep crying yeah I believe

816

00:41:13,750 --> 00:41:12,230

that I mean it's something Becky and I

817

00:41:17,260 --> 00:41:13,760

were talking about the other day we're

818

00:41:19,600 --> 00:41:17,270

like geez you know there are cures there

819

00:41:21,850 --> 00:41:19,610

are treatments there are all kinds of

820

00:41:26,530 --> 00:41:21,860

things that have been withheld we firmly

821

00:41:29,140 --> 00:41:26,540

believe this and it's extremely sad to

822

00:41:32,340 --> 00:41:29,150

know that there are other ways of

823

00:41:34,860 --> 00:41:32,350

dealing with illness and there are

824

00:41:38,370 --> 00:41:34,870

like Rachel maybe even more advanced and

825

00:41:40,500 --> 00:41:38,380

Rachel was they can offer right they're

826

00:41:41,760 --> 00:41:40,510

not allowed to or they choose not to I

827

00:41:44,670 --> 00:41:41,770

don't know which it is

828

00:41:48,750 --> 00:41:44,680

I think we're not allowed to I think

829

00:41:52,890 --> 00:41:48,760

because reading your your book it seemed

830

00:41:55,470 --> 00:41:52,900

to me that all these EPS or 90% 98% of

831

00:41:58,800 --> 00:41:55,480

them are given orders in other words

832

00:42:01,620 --> 00:41:58,810

they don't have emotion which is free

833

00:42:03,450 --> 00:42:01,630

will they don't have even in there you

834

00:42:04,260 --> 00:42:03,460

were stating something about them not

835

00:42:06,060 --> 00:42:04,270

having souls

836

00:42:07,680 --> 00:42:06,070

well it's to have a soul you have to

837

00:42:10,860 --> 00:42:07,690

have a choice yea or nay

838

00:42:12,690 --> 00:42:10,870

so it seems like they're getting told

839

00:42:15,060 --> 00:42:12,700

what to do and not releasing it so

840

00:42:19,110 --> 00:42:15,070

somebody at the talk is not showing

841

00:42:22,800 --> 00:42:19,120

compassion and I don't know if it's at

842

00:42:27,680 --> 00:42:22,810

the top of there and so on right for the

843

00:42:31,050 --> 00:42:27,690

top of ours right a lot a little both

844

00:42:34,140 --> 00:42:31,060

well right now I have a son who has

845

00:42:38,930 --> 00:42:34,150

hepatitis C and there is supposedly a

846

00:42:44,150 --> 00:42:38,940

new cure out that's 98% effective and

847

00:42:48,120 --> 00:42:44,160

he's under VA care but the medication is

848

00:42:50,810 --> 00:42:48,130

\$1,000 per pill yeah there you go look

849

00:42:55,470 --> 00:42:50,820

at that hey the VA won't give it to him

850

00:42:57,120 --> 00:42:55,480

because they only give it to those that

851
00:42:59,520 --> 00:42:57,130
are on their deathbed well what kind of

852
00:43:02,460 --> 00:42:59,530
sense is that that's right not on his

853
00:43:05,190 --> 00:43:02,470
deathbed he needs that medication he

854
00:43:08,040 --> 00:43:05,200
can't have it and we don't have the

855
00:43:11,880 --> 00:43:08,050
money to spend because I think it is 84

856
00:43:14,970 --> 00:43:11,890
or 85 treatments we don't have that kind

857
00:43:17,970 --> 00:43:14,980
of money right oh I don't believe all

858
00:43:20,700 --> 00:43:17,980
men would step forward and do something

859
00:43:23,160 --> 00:43:20,710
even my goodness look at you your life

860
00:43:25,470 --> 00:43:23,170
going through in Geylang with them if

861
00:43:28,290 --> 00:43:25,480
you had something wrong or even Marissa

862
00:43:30,780 --> 00:43:28,300
why didn't they heal it I mean you've

863
00:43:32,910 --> 00:43:30,790

you've sacrificed and opened up to work

864

00:43:35,580 --> 00:43:32,920

with them whether you're being told to

865

00:43:38,130 --> 00:43:35,590

or freely freewill work with them why

866

00:43:41,130 --> 00:43:38,140

aren't they helping I I just cannot

867

00:43:43,410 --> 00:43:41,140

imagine that that they would be so cruel

868

00:43:45,059 --> 00:43:43,420

not to help and

869

00:43:46,890 --> 00:43:45,069

sit you know there's a very good point

870

00:43:50,609 --> 00:43:46,900

in all of this and Helen in your book

871

00:43:52,890 --> 00:43:50,619

you talk about the deal that has been

872

00:43:55,770 --> 00:43:52,900

made between extraterrestrials and the

873

00:43:57,660 --> 00:43:55,780

government is something I believe is

874

00:43:59,880 --> 00:43:57,670

true because this is what I've said all

875

00:44:01,950 --> 00:43:59,890

along the reason the government doesn't

876

00:44:04,260 --> 00:44:01,960

want this to come out that

877

00:44:07,500 --> 00:44:04,270

extraterrestrials UFOs are real is

878

00:44:10,680 --> 00:44:07,510

because what would also come out is this

879

00:44:14,640 --> 00:44:10,690

deal was made which allowed ETS

880

00:44:18,420 --> 00:44:14,650

to abduct us experiment on us and use us

881

00:44:20,640 --> 00:44:18,430

for their own genetic purposes so right

882

00:44:23,520 --> 00:44:20,650

just think how people would react to

883

00:44:25,530 --> 00:44:23,530

that today I don't think people would be

884

00:44:28,170 --> 00:44:25,540

very happy to hear this and they

885

00:44:32,370 --> 00:44:28,180

shouldn't be because we've been sold out

886

00:44:34,740 --> 00:44:32,380

we've been sold out and that is where

887

00:44:37,410 --> 00:44:34,750

the big uproar would come with the

888

00:44:39,839 --> 00:44:37,420

people it's the fact that the government

889

00:44:40,500 --> 00:44:39,849

sold us out it's not that the ETS are

890

00:44:44,280 --> 00:44:40,510

here

891

00:44:46,710 --> 00:44:44,290

that would be way beside the point the

892

00:44:49,980 --> 00:44:46,720

thing is our government has sold us out

893

00:44:52,620 --> 00:44:49,990

is still doing it and has done it over

894

00:44:55,440 --> 00:44:52,630

and over and over I don't know how long

895

00:44:57,390 --> 00:44:55,450

it's been going on really but I believe

896

00:45:01,250 --> 00:44:57,400

it's been way back in the 50s probably

897

00:45:04,440 --> 00:45:01,260

before that probably back in the 40s and

898

00:45:07,109 --> 00:45:04,450

again this may be the crux of the matter

899

00:45:09,930 --> 00:45:07,119

so that when we're upset about the fact

900

00:45:11,579 --> 00:45:09,940

that they're withholding the ETS are

901
00:45:14,510 --> 00:45:11,589
withholding their own healing ability

902
00:45:17,970 --> 00:45:14,520
the government's withholding their new

903
00:45:19,980 --> 00:45:17,980
treatments etc but what the bottom line

904
00:45:21,720 --> 00:45:19,990
is here according to what you wrote in

905
00:45:24,180 --> 00:45:21,730
your book and I happen to think you're

906
00:45:26,880 --> 00:45:24,190
right we're just a bunch of lab rats to

907
00:45:29,130 --> 00:45:26,890
everybody both sides of this coin and

908
00:45:31,289 --> 00:45:29,140
that's why they don't care if we're

909
00:45:33,569 --> 00:45:31,299
suffering dying of cancer have

910
00:45:35,609 --> 00:45:33,579
autoimmune diseases what do they care

911
00:45:37,799 --> 00:45:35,619
we're just Lab Rats we're just all a

912
00:45:40,289 --> 00:45:37,809
part of their big genetic experiment do

913
00:45:41,990 --> 00:45:40,299

they care about us I don't think so and

914

00:45:45,630 --> 00:45:42,000

that's what you're saying in your book

915

00:45:49,620 --> 00:45:45,640

that's right that's right well if these

916

00:45:51,630 --> 00:45:49,630

ETS get off their ikki tails went out

917

00:45:54,089 --> 00:45:51,640

there and started talking with people

918

00:45:55,099 --> 00:45:54,099

and speed people I think they're they

919

00:45:58,009 --> 00:45:55,109

would create and

920

00:45:59,839 --> 00:45:58,019

motion and some compassion I'm telling

921

00:46:03,229 --> 00:45:59,849

you because it just emanates from the

922

00:46:04,729 --> 00:46:03,239

human being so and they absorb it

923

00:46:08,450 --> 00:46:04,739

different ones absorb it through their

924

00:46:10,609 --> 00:46:08,460

skin and even through their eyes I mean

925

00:46:14,299 --> 00:46:10,619

look it Isaac the doorway to the soul

926

00:46:17,029 --> 00:46:14,309

that's all you're known so that's not

927

00:46:19,130 --> 00:46:17,039

really under you decay we didn't

928

00:46:22,989 --> 00:46:19,140

understand the context of that exactly

929

00:46:25,370 --> 00:46:22,999

yeah we do you do Jackie yes thank you

930

00:46:28,910 --> 00:46:25,380

when you looked right into those eyes

931

00:46:31,819 --> 00:46:28,920

and right Oh everybody exactly know what

932

00:46:33,650 --> 00:46:31,829

we were seeing I mean we knew it was not

933

00:46:40,249 --> 00:46:33,660

of this world

934

00:46:42,259 --> 00:46:40,259

right we didn't know the depth of the

935

00:46:45,829 --> 00:46:42,269

meaning of what we were seeing that's

936

00:46:48,859 --> 00:46:45,839

right and it is great it is great what

937

00:46:50,749 --> 00:46:48,869

people and God bless you more people

938

00:46:52,849 --> 00:46:50,759

need to come out and tell their stories

939

00:46:55,249 --> 00:46:52,859

and let people know what is really going

940

00:46:58,099 --> 00:46:55,259

on because it will do nothing but

941

00:47:00,650 --> 00:46:58,109

benefit the earth I mean even if they

942

00:47:02,720 --> 00:47:00,660

knew this like a tall dark the taller

943

00:47:04,819 --> 00:47:02,730

greys you know some people say that

944

00:47:07,069 --> 00:47:04,829

they're good some say that they're bad

945

00:47:09,319 --> 00:47:07,079

well let people speak about it so that

946

00:47:11,779 --> 00:47:09,329

we really get a good you know get a good

947

00:47:13,940 --> 00:47:11,789

deal ear going and find out who do we

948

00:47:16,789 --> 00:47:13,950

trust who do we know what are their

949

00:47:18,499 --> 00:47:16,799

experiences and and then do something

950

00:47:18,890 --> 00:47:18,509

about it be able to do something about

951
00:47:25,339 --> 00:47:18,900
it

952
00:47:27,559 --> 00:47:25,349
really shameful because if you're if

953
00:47:29,539 --> 00:47:27,569
you're a real true human with a soul

954
00:47:32,509 --> 00:47:29,549
then you would love your brothers and

955
00:47:36,319 --> 00:47:32,519
sisters your humanity and even others

956
00:47:39,890 --> 00:47:36,329
that were created out there right but

957
00:47:42,589 --> 00:47:39,900
the thing is well it's not quite

958
00:47:47,749 --> 00:47:42,599
changing the subject here but look at

959
00:47:50,120 --> 00:47:47,759
how many years we were not well we were

960
00:47:52,249 --> 00:47:50,130
afraid to come forward right say

961
00:47:54,920 --> 00:47:52,259
anything about it then I'm sure your mom

962
00:47:58,279 --> 00:47:54,930
well yeah same way I'm not too familiar

963
00:48:02,269 --> 00:47:58,289

with her story I'm sorry to to say but

964

00:48:05,569 --> 00:48:02,279

but I am you know basically and I I'm

965

00:48:07,910 --> 00:48:05,579

sure that she didn't start talking to

966

00:48:09,250 --> 00:48:07,920

people about it for a while because the

967

00:48:14,109 --> 00:48:09,260

people would roll their

968

00:48:18,050 --> 00:48:14,119

right alright buddy Nolan Halsey mondo

969

00:48:20,420 --> 00:48:18,060

know more about really understanding but

970

00:48:22,670 --> 00:48:20,430

that was me for a long time yeah that

971

00:48:25,070 --> 00:48:22,680

was afraid I'd lose my job yeah well

972

00:48:25,730 --> 00:48:25,080

then how where'd that it that turned out

973

00:48:28,430 --> 00:48:25,740

to be

974

00:48:30,740 --> 00:48:28,440

I discovered that well this was just

975

00:48:31,820 --> 00:48:30,750

before I decided to write the book you

976

00:48:34,940 --> 00:48:31,830

know I was kind of back and forth

977

00:48:38,810 --> 00:48:34,950

whether I would do it or not and I'm

978

00:48:40,460 --> 00:48:38,820

sure that everybody you know they would

979

00:48:44,450 --> 00:48:40,470

think it was crazy and fire me

980

00:48:46,550 --> 00:48:44,460

welcome to find out there was probably

981

00:48:48,890 --> 00:48:46,560

at least 75% of the people that worked

982

00:48:50,480 --> 00:48:48,900

at that clinic but I was so concerned

983

00:48:51,950 --> 00:48:50,490

about they all believed in the same

984

00:48:53,930 --> 00:48:51,960

thing that they didn't dare say much

985

00:48:56,540 --> 00:48:53,940

about it right they were afraid they'd

986

00:48:58,580 --> 00:48:56,550

get fired well that won't be it they did

987

00:49:01,490 --> 00:48:58,590

over the years they installed fear in us

988

00:49:03,800 --> 00:49:01,500

and disinformation in us and things like

989

00:49:05,990 --> 00:49:03,810

that so when people come out and they

990

00:49:08,060 --> 00:49:06,000

let them know the truth the more that

991

00:49:10,099 --> 00:49:08,070

the truth comes out the more it cracks

992

00:49:11,870 --> 00:49:10,109

that darkness and the light is shining

993

00:49:14,420 --> 00:49:11,880

through and people will see and

994

00:49:16,670 --> 00:49:14,430

understand and learn and it's fantastic

995

00:49:19,730 --> 00:49:16,680

even even like this without saying too

996

00:49:21,829 --> 00:49:19,740

much with you and Marissa and Rachel and

997

00:49:24,500 --> 00:49:21,839

the kernel and even some of them at the

998

00:49:26,660 --> 00:49:24,510

base I mean if people really want to

999

00:49:29,030 --> 00:49:26,670

know the truth it's almost like a family

1000

00:49:31,820 --> 00:49:29,040

affair isn't it it's true didn't a

1001
00:49:35,300 --> 00:49:31,830
through the lines it's true humans here

1002
00:49:37,550 --> 00:49:35,310
because they're becoming part of us yeah

1003
00:49:39,410 --> 00:49:37,560
question is why you know why are they

1004
00:49:41,990 --> 00:49:39,420
experimenting on us like this and

1005
00:49:46,099 --> 00:49:42,000
they're certainly manipulating DNA

1006
00:49:48,349 --> 00:49:46,109
they're manipulating people and what is

1007
00:49:52,550 --> 00:49:48,359
what is the reason I mean is it for

1008
00:49:54,230 --> 00:49:52,560
their sake is it for our sake none of

1009
00:49:59,380 --> 00:49:54,240
this is clear to me do you have any

1010
00:50:02,839 --> 00:49:59,390
answers on that Helen not really because

1011
00:50:05,690 --> 00:50:02,849
any answer we come up with doesn't make

1012
00:50:09,380 --> 00:50:05,700
any sense if we say well it's to protect

1013
00:50:13,550 --> 00:50:09,390

us well we need the knowledge that they

1014

00:50:15,650 --> 00:50:13,560

could give us to help us and not keep it

1015

00:50:18,980 --> 00:50:15,660

from us I don't know what what the

1016

00:50:21,820 --> 00:50:18,990

answer is yeah it's it's a very strange

1017

00:50:26,030 --> 00:50:21,830

the whole thing is so strange and so

1018

00:50:28,640 --> 00:50:26,040

filled with again lots of fog here

1019

00:50:30,020 --> 00:50:28,650

there's not a lot of clarity and they've

1020

00:50:31,760 --> 00:50:30,030

done a good job at sending out

1021

00:50:35,270 --> 00:50:31,770

disinformation so we don't know what's

1022

00:50:37,070 --> 00:50:35,280

what but I think we need like a petition

1023

00:50:39,560 --> 00:50:37,080

or something a Facebook page something

1024

00:50:41,120 --> 00:50:39,570

that says stop the abductions until we

1025

00:50:42,500 --> 00:50:41,130

know what's going why are you abducting

1026
00:50:44,420 --> 00:50:42,510
us why are you taking us while you're

1027
00:50:48,230 --> 00:50:44,430
doing experiments why are you having our

1028
00:50:49,520 --> 00:50:48,240
our women give birth to your babies and

1029
00:50:51,230 --> 00:50:49,530
then you take them from these women

1030
00:50:55,340 --> 00:50:51,240
there's story after story after story

1031
00:50:57,710 --> 00:50:55,350
about this and what's the purpose of it

1032
00:51:00,050 --> 00:50:57,720
you know I have to say that with your

1033
00:51:02,810 --> 00:51:00,060
story with Rachel's eyes and again that

1034
00:51:04,340 --> 00:51:02,820
book is available on amazon.com you guys

1035
00:51:07,040 --> 00:51:04,350
if you're interested in this subject you

1036
00:51:08,930 --> 00:51:07,050
need to read it it's a great book filled

1037
00:51:11,110 --> 00:51:08,940
with a lot more information than we're

1038
00:51:13,790 --> 00:51:11,120

going to be able to get to tonight but

1039

00:51:18,760 --> 00:51:13,800

you're the first person to bring this

1040

00:51:22,460 --> 00:51:18,770

forward in a way that made Rachel's so I

1041

00:51:25,460 --> 00:51:22,470

guess human to me I really felt badly

1042

00:51:29,450 --> 00:51:25,470

for her you know that she was struggling

1043

00:51:32,750 --> 00:51:29,460

she was trying to to become more human

1044

00:51:35,780 --> 00:51:32,760

and more accepted to speak differently

1045

00:51:37,400 --> 00:51:35,790

walk differently and and I'm sure she

1046

00:51:39,710 --> 00:51:37,410

was filled with frustration from what

1047

00:51:42,590 --> 00:51:39,720

you even saw that she wasn't quite

1048

00:51:45,650 --> 00:51:42,600

making the mark no she wasn't

1049

00:51:49,460 --> 00:51:45,660

and I felt sorry for her and and I liked

1050

00:51:52,640 --> 00:51:49,470

her I felt some kind of a kinship with

1051

00:51:56,840 --> 00:51:52,650

her and I I truthfully can I tell you

1052

00:52:04,150 --> 00:51:56,850

why I would accept that I may have had a

1053

00:52:07,100 --> 00:52:04,160

part in her creation but I felt

1054

00:52:09,740 --> 00:52:07,110

compassion for her I guess that would be

1055

00:52:12,380 --> 00:52:09,750

a good thing a good way discrete emotion

1056

00:52:14,270 --> 00:52:12,390

yeah and it sounds like she she had that

1057

00:52:17,480 --> 00:52:14,280

for your daughter and that's why she

1058

00:52:19,880 --> 00:52:17,490

gave her that gift of her psyche being

1059

00:52:22,490 --> 00:52:19,890

returned to her now as Becky pointed out

1060

00:52:24,800 --> 00:52:22,500

she also did not heal her of the

1061

00:52:27,020 --> 00:52:24,810

diabetes which was a devastating disease

1062

00:52:29,420 --> 00:52:27,030

in her life that didn't she didn't

1063

00:52:32,900 --> 00:52:29,430

change that but she did give her her

1064

00:52:34,390 --> 00:52:32,910

sight back and maybe that was the best

1065

00:52:37,930 --> 00:52:34,400

that she could do

1066

00:52:41,800 --> 00:52:37,940

and right points I know yes Rachel could

1067

00:52:45,250 --> 00:52:41,810

do right right but that was a huge huge

1068

00:52:48,670 --> 00:52:45,260

improvement oh yeah I never met a girl

1069

00:52:51,820 --> 00:52:48,680

like that incredible illness never fully

1070

00:52:53,380 --> 00:52:51,830

sighted but it was to the point where

1071

00:52:57,010 --> 00:52:53,390

she could finish up her college

1072

00:53:01,420 --> 00:52:57,020

education and get the job that she was

1073

00:53:05,560 --> 00:53:01,430

seeking and she did just fine for a long

1074

00:53:07,540 --> 00:53:05,570

time a long time and so I do think

1075

00:53:12,430 --> 00:53:07,550

Rachel did the best that she could

1076

00:53:15,070 --> 00:53:12,440

yes and yes you know I feel good yeah as

1077

00:53:19,210 --> 00:53:15,080

a way that she died and was all Nina

1078

00:53:23,890 --> 00:53:19,220

father both had to be taken out you know

1079

00:53:26,830 --> 00:53:23,900

I mean not taken out isn't killed taken

1080

00:53:29,860 --> 00:53:26,840

out of the area to where everything went

1081

00:53:33,280 --> 00:53:29,870

and I have no idea where the colonel

1082

00:53:38,170 --> 00:53:33,290

might be these days even if he's alive I

1083

00:53:41,110 --> 00:53:38,180

don't know now you talk about Helen in

1084

00:53:42,850 --> 00:53:41,120

your book that Rachel was actually not

1085

00:53:46,890 --> 00:53:42,860

only did she die me she was murdered

1086

00:53:51,190 --> 00:53:46,900

yeah she was she was by our government

1087

00:53:53,890 --> 00:53:51,200

yes I mean she even made it at first

1088

00:53:57,240 --> 00:53:53,900

down here I mean a lot of the crashes

1089

00:53:59,830 --> 00:53:57,250

that were spoken of and the colonel

1090

00:54:01,260 --> 00:53:59,840

first was wondering what was going on

1091

00:54:04,000 --> 00:54:01,270

and then realized later

1092

00:54:05,770 --> 00:54:04,010

we're shooting them down so it's amazing

1093

00:54:09,670 --> 00:54:05,780

Rachel even made it at the very

1094

00:54:12,340 --> 00:54:09,680

beginning this is true and I realized

1095

00:54:15,820 --> 00:54:12,350

later I mean over the years intervening

1096

00:54:18,840 --> 00:54:15,830

here is that possibly some of those

1097

00:54:21,090 --> 00:54:18,850

crashes and maybe most of them were

1098

00:54:25,060 --> 00:54:21,100

result of interference with their

1099

00:54:27,880 --> 00:54:25,070

systems yeah by our radio the radio that

1100

00:54:29,590 --> 00:54:27,890

they had there at four corners I'm not

1101

00:54:32,230 --> 00:54:29,600

sure because probably some of them were

1102

00:54:35,610 --> 00:54:32,240

shot down but I do think probably the

1103

00:54:38,260 --> 00:54:35,620

radar just more or less innocently

1104

00:54:40,300 --> 00:54:38,270

interfered with it for yeah I was

1105

00:54:43,450 --> 00:54:40,310

thinking I couldn't date you know like

1106

00:54:45,130 --> 00:54:43,460

on the Jetsons the cartoonist put up a

1107

00:54:45,630 --> 00:54:45,140

knight without power and let him land

1108

00:54:48,569 --> 00:54:45,640

and come

1109

00:54:50,309 --> 00:54:48,579

some kind of elevator thing I really

1110

00:54:57,630 --> 00:54:50,319

would have enough brains to think about

1111

00:54:59,099 --> 00:54:57,640

that you would think yes but well I you

1112

00:55:01,519 --> 00:54:59,109

know and what I think it was Patricia

1113

00:55:04,430 --> 00:55:01,529

was reading about something during the

1114

00:55:09,930 --> 00:55:04,440

last part there or the other show is

1115

00:55:13,920 --> 00:55:09,940

reading about some aliens or hybrids

1116

00:55:16,349 --> 00:55:13,930

I guess that are here among us I mean in

1117

00:55:19,710 --> 00:55:16,359

my own town and afraid to tell anybody

1118

00:55:23,700 --> 00:55:19,720

because and I know they were because I

1119

00:55:25,979 --> 00:55:23,710

think lenses yeah yes yeah you know

1120

00:55:27,960 --> 00:55:25,989

there and recognize them right it's

1121

00:55:29,789 --> 00:55:27,970

still there that the consequences are

1122

00:55:31,920 --> 00:55:29,799

still there it hasn't been rectified yet

1123

00:55:34,410 --> 00:55:31,930

so that you know people aren't

1124

00:55:37,650 --> 00:55:34,420

threatened or hurt or all the things

1125

00:55:39,509 --> 00:55:37,660

come up missing I am in that totally and

1126

00:55:42,059 --> 00:55:39,519

that's what I'm saying that's the

1127

00:55:46,559 --> 00:55:42,069

greatest thing that they're using their

1128

00:55:49,200 --> 00:55:46,569

tool against humanity is fear I know and

1129

00:55:51,120 --> 00:55:49,210

now I step on it yeah here's the thing

1130

00:55:54,269 --> 00:55:51,130

how about this you know what I think

1131

00:55:56,880 --> 00:55:54,279

aliens extraterrestrials only the nice

1132

00:55:58,950 --> 00:55:56,890

ones she should come and make contact

1133

00:56:00,900 --> 00:55:58,960

with us individually we up until this

1134

00:56:03,420 --> 00:56:00,910

point it seems like when they make

1135

00:56:05,009 --> 00:56:03,430

contact with us then we're the lab rats

1136

00:56:07,440 --> 00:56:05,019

but what about instead of going through

1137

00:56:10,859 --> 00:56:07,450

the military who is not really friendly

1138

00:56:12,950 --> 00:56:10,869

to them in all ways what about coming to

1139

00:56:16,200 --> 00:56:12,960

us what about imparting knowledge

1140

00:56:18,809 --> 00:56:16,210

teaching us telepathy teaching us how to

1141

00:56:21,479 --> 00:56:18,819

heal ourselves with our minds the way

1142

00:56:23,400 --> 00:56:21,489

they can what about that how come that's

1143

00:56:25,680 --> 00:56:23,410

not being done everything being filtered

1144

00:56:28,559 --> 00:56:25,690

through the military and our government

1145

00:56:32,460 --> 00:56:28,569

is so problematic right because we could

1146

00:56:35,640 --> 00:56:32,470

pass it forward right right that's right

1147

00:56:37,079 --> 00:56:35,650

and for some reason either the

1148

00:56:39,599 --> 00:56:37,089

government well of course the government

1149

00:56:42,269 --> 00:56:39,609

does not want that to happen but for

1150

00:56:45,359 --> 00:56:42,279

some reason maybe the aliens don't want

1151
00:56:46,890 --> 00:56:45,369
to stay there or maybe it's maybe it's

1152
00:56:49,410 --> 00:56:46,900
some agreement they have with the

1153
00:56:52,079 --> 00:56:49,420
government I don't know sometimes when I

1154
00:56:55,349 --> 00:56:52,089
really stop and think about it then I

1155
00:56:59,340 --> 00:56:55,359
get totally confused what it could be

1156
00:57:01,260 --> 00:56:59,350
because there are so many possibilities

1157
00:57:03,390 --> 00:57:01,270
and some of them don't make any sense

1158
00:57:06,300 --> 00:57:03,400
that's right because they even told my

1159
00:57:08,760 --> 00:57:06,310
mom there's 70 different races coming

1160
00:57:11,340 --> 00:57:08,770
and going here on earth 70 different

1161
00:57:13,020 --> 00:57:11,350
races and you verified that with even

1162
00:57:14,400 --> 00:57:13,030
the word with the kernel saying all the

1163
00:57:16,230 --> 00:57:14,410

different types that were coming and

1164

00:57:18,600 --> 00:57:16,240

going some he liked some he didn't like

1165

00:57:22,250 --> 00:57:18,610

you know like that so I mean that even

1166

00:57:25,500 --> 00:57:22,260

verified what my mom was told long ago

1167

00:57:26,700 --> 00:57:25,510

well no excuse me I don't mean to

1168

00:57:28,410 --> 00:57:26,710

interrupt but we're gonna have to take a

1169

00:57:30,240 --> 00:57:28,420

break in just a couple of seconds here

1170

00:57:32,010 --> 00:57:30,250

but again I wanted to announce to our

1171

00:57:34,950 --> 00:57:32,020

audience if you have a question for

1172

00:57:37,650 --> 00:57:34,960

1268

01:02:52,109 --> 01:02:48,040

what do you think fabulous information

1269

01:02:55,120 --> 01:02:52,119

it's just so much going on all around us

1270

01:02:57,550 --> 01:02:55,130

involving us involving Becky and Becky's

1271

01:02:59,500 --> 01:02:57,560

family and Helen and Helen's family but

1272

01:03:03,640 --> 01:02:59,510

we got to move to the men in black Helen

1273

01:03:07,380 --> 01:03:03,650

what happened with a men in black well

1274

01:03:11,710 --> 01:03:07,390

one day I was going to visit the girls

1275

01:03:13,930 --> 01:03:11,720

specifically my daughter and I was going

1276

01:03:17,170 --> 01:03:13,940

up the stairs to their apartment and as

1277

01:03:21,190 --> 01:03:17,180

I was about halfway up the stairs I saw

1278

01:03:23,530 --> 01:03:21,200

coming down from the top three men in

1279

01:03:27,250 --> 01:03:23,540

black and I know that sounds kind of

1280

01:03:29,470 --> 01:03:27,260

hokey but they were the typical men and

1281

01:03:32,200 --> 01:03:29,480

black that was that we talk about they

1282

01:03:36,190 --> 01:03:32,210

were they just didn't look like they

1283

01:03:39,010 --> 01:03:36,200

belong in this timeframe somehow their

1284

01:03:42,870 --> 01:03:39,020

complexions were kind of white and tasty

1285

01:03:46,740 --> 01:03:42,880

looking and kind of fat old faces and

1286

01:03:49,270 --> 01:03:46,750

but they weren't fat men but they were

1287

01:03:52,480 --> 01:03:49,280

they were dressed all in black and they

1288

01:03:54,579 --> 01:03:52,490

had black fedoras on which is not the

1289

01:03:56,620 --> 01:03:54,589

style even in the 70s I don't know when

1290

01:03:59,980 --> 01:03:56,630

they were in spell but a long time

1291

01:04:03,849 --> 01:03:59,990

before that but they gave me

1292

01:04:06,070 --> 01:04:03,859

sign that they were going to somebody

1293

01:04:08,050 --> 01:04:06,080

step aside so that I could continue on

1294

01:04:11,170 --> 01:04:08,060

up the stairs they came down three

1295

01:04:15,040 --> 01:04:11,180

abreast and just stomping on down very

1296

01:04:18,130 --> 01:04:15,050

deliberately and they looked at me but

1297

01:04:21,609 --> 01:04:18,140

it seemed to me that they sort of looked

1298

01:04:24,940 --> 01:04:21,619

through me at the same time as like like

1299

01:04:26,320 --> 01:04:24,950

I wasn't really there but at any rate I

1300

01:04:28,930 --> 01:04:26,330

knew that they weren't going to move

1301

01:04:31,359 --> 01:04:28,940

aside for me so I had to turn sideways

1302

01:04:34,599 --> 01:04:31,369

and press up against the wall so that

1303

01:04:40,240 --> 01:04:34,609

they could go by me and I could continue

1304

01:04:42,700 --> 01:04:40,250

on up but they were they were not I just

1305

01:04:44,620 --> 01:04:42,710

didn't feel that they were exactly real

1306

01:04:47,800 --> 01:04:44,630

I don't know if they're hybrids or

1307

01:04:49,839 --> 01:04:47,810

they're robots or androids or what in

1308

01:04:54,250 --> 01:04:49,849

the world they were but they didn't look

1309

01:04:55,870 --> 01:04:54,260

like real people and yeah I think they I

1310

01:04:58,810 --> 01:04:55,880

think you're right they are from long

1311

01:05:01,000 --> 01:04:58,820

ago like when we were talking now I was

1312

01:05:03,760 --> 01:05:01,010

telling you what I felt about the men in

1313

01:05:06,660 --> 01:05:03,770

black were when the ETS came here long

1314

01:05:09,460 --> 01:05:06,670

ago they didn't probably understand

1315

01:05:10,930 --> 01:05:09,470

governments and people and the different

1316

01:05:12,280 --> 01:05:10,940

things going on until they learned a

1317

01:05:15,370 --> 01:05:12,290

little bit more and they needed their

1318

01:05:17,020 --> 01:05:15,380

own soldiers and I think that is what

1319

01:05:20,530 --> 01:05:17,030

the men in black are today they're

1320

01:05:24,490 --> 01:05:20,540

soldiers delivery boys soldiers whatever

1321

01:05:27,190 --> 01:05:24,500

is needed well they were sort of that

1322

01:05:29,260 --> 01:05:27,200

delivery boys or whatever or checkers

1323

01:05:32,460 --> 01:05:29,270

because they came every two or three

1324

01:05:38,500 --> 01:05:32,470

weeks to check on Rachel's progress and

1325

01:05:40,060 --> 01:05:38,510

when they came which she seemed to

1326

01:05:43,150 --> 01:05:40,070

always know when it would be but it

1327

01:05:44,740 --> 01:05:43,160

could be different times of day come at

1328

01:05:48,700 --> 01:05:44,750

me in the morning one time the afternoon

1329

01:05:52,180 --> 01:05:48,710

the next Marissa would have to leave

1330

01:05:54,400 --> 01:05:52,190

they would tell her and Rachel right

1331

01:05:57,880 --> 01:05:54,410

there that sounds like a form of a

1332

01:06:00,750 --> 01:05:57,890

soldier a command right and I don't know

1333

01:06:04,290 --> 01:06:00,760

what they did and she would never tell

1334

01:06:06,970 --> 01:06:04,300

Marissa exactly what they did but I I

1335

01:06:11,800 --> 01:06:06,980

don't know it was my assumption that

1336

01:06:13,300 --> 01:06:11,810

possibly they did some medical tests on

1337

01:06:16,360 --> 01:06:13,310

her or

1338

01:06:18,700 --> 01:06:16,370

I really don't know they the time that I

1339

01:06:21,100 --> 01:06:18,710

saw them they were not caring like any

1340

01:06:22,540 --> 01:06:21,110

medical kits or anything you weren't

1341

01:06:24,640 --> 01:06:22,550

carrying anything but they could have

1342

01:06:26,770 --> 01:06:24,650

had stuff in their pockets too right

1343

01:06:28,870 --> 01:06:26,780

under those big black coats I wouldn't

1344

01:06:30,850 --> 01:06:28,880

doubt it for one single minute and you

1345

01:06:32,710 --> 01:06:30,860

know what I just got as a piece of

1346

01:06:35,560 --> 01:06:32,720

information I'll share for what it's

1347

01:06:37,240 --> 01:06:35,570

worth is that they were checking to make

1348

01:06:39,910 --> 01:06:37,250

sure she hadn't revealed anything to

1349

01:06:44,740 --> 01:06:42,340

yeah because let's think about this if

1350

01:06:46,740 --> 01:06:44,750

you fast forward to the time when

1351

01:06:49,240 --> 01:06:46,750

Marissa comes back to the apartment and

1352

01:06:51,790 --> 01:06:49,250

Rachel's gone and there's no trace of

1353

01:06:55,270 --> 01:06:51,800

her that came on the heels of the

1354

01:06:57,790 --> 01:06:55,280

meeting you guys had with Rachel and her

1355

01:07:02,110 --> 01:06:57,800

father where things were revealed oh

1356

01:07:05,290 --> 01:07:02,120

yeah irrigation yeah so they must have

1357

01:07:06,670 --> 01:07:05,300

felt like that was a line across that

1358

01:07:08,500 --> 01:07:06,680

was crossed and they weren't going to

1359

01:07:10,810 --> 01:07:08,510

allow that and then remove the kernel

1360

01:07:13,810 --> 01:07:10,820

and Rachel was just too bad because

1361

01:07:15,790 --> 01:07:13,820

again they had Rachel had developed a

1362

01:07:18,520 --> 01:07:15,800

real personal relationship with you and

1363

01:07:21,760 --> 01:07:18,530

your daughter especially and the kid

1364

01:07:27,270 --> 01:07:21,770

sounds like that was frowned upon right

1365

01:07:31,120 --> 01:07:27,280

you're not supposed to be any level of

1366

01:07:35,640 --> 01:07:31,130

real friendship because I suppose if

1367

01:07:37,960 --> 01:07:35,650

that line was crossed then you might

1368

01:07:41,350 --> 01:07:37,970

accidentally or not reveal information

1369

01:07:43,990 --> 01:07:41,360

that you shouldn't so that's that's not

1370

01:07:46,270 --> 01:07:44,000

being able to handle or control emotion

1371

01:07:47,860 --> 01:07:46,280

in other words they may wonder is it too

1372

01:07:51,400 --> 01:07:47,870

much of that because then she may

1373

01:07:53,410 --> 01:07:51,410

overflow right and that was that was

1374

01:07:56,620 --> 01:07:53,420

that and yet she was supposed to achieve

1375

01:07:59,160 --> 01:07:56,630

a certain amount of emotion right but I

1376

01:08:03,330 --> 01:07:59,170

was never sure exactly how much that was

1377

01:08:08,290 --> 01:08:03,340

apparently you know she crossed the line

1378

01:08:10,950 --> 01:08:08,300

and the kernel too because he was he was

1379

01:08:15,790 --> 01:08:10,960

a friendly person and he he seems nice

1380

01:08:18,910 --> 01:08:15,800

to me you know interested in in both

1381

01:08:21,490 --> 01:08:18,920

girls and he really had a desire for her

1382

01:08:23,020 --> 01:08:21,500

to stay within the apartment right with

1383

01:08:26,500 --> 01:08:23,030

your daughter and he was just afraid

1384

01:08:26,949 --> 01:08:26,510

that now that your daughter knew Marisa

1385

01:08:29,859 --> 01:08:26,959

knew

1386

01:08:31,660 --> 01:08:29,869

something of the truth about Rachel that

1387

01:08:33,759 --> 01:08:31,670

she wouldn't want her there anymore but

1388

01:08:38,410 --> 01:08:33,769

in fact your daughter was so loving and

1389

01:08:40,660 --> 01:08:38,420

so open hearted that she let Rachel know

1390

01:08:44,649 --> 01:08:40,670

in no uncertain terms that she was

1391

01:08:48,729 --> 01:08:44,659

totally welcome there oh yeah and and

1392

01:08:51,009 --> 01:08:48,739

then she was removed so I you know they

1393

01:08:54,669 --> 01:08:51,019

put Rachel in an impossible situation

1394

01:08:56,289 --> 01:08:54,679

absolutely what a surprise I think that

1395

01:08:58,269 --> 01:08:56,299

they did that to her it's a horrible

1396

01:09:02,199 --> 01:08:58,279

horrible thing she could only fail

1397

01:09:04,029 --> 01:09:02,209

because the the parameters were were not

1398

01:09:06,249 --> 01:09:04,039

what they should have been and they

1399

01:09:08,559 --> 01:09:06,259

forced her into a corner there was no

1400

01:09:11,140 --> 01:09:08,569

way for her nowhere for her to turn how

1401

01:09:13,469 --> 01:09:11,150

sad for all of us that we missed out on

1402

01:09:16,149 --> 01:09:13,479

an opportunity with Rachel because of

1403

01:09:21,039 --> 01:09:16,159

these restrictions that were placed on

1404

01:09:24,099 --> 01:09:21,049

her these that are out among us now as

1405

01:09:26,679 --> 01:09:24,109

you say and others say I don't see them

1406

01:09:30,160 --> 01:09:26,689

coming to people and saying look I'm

1407

01:09:32,979 --> 01:09:30,170

really dis and showing our proof of of

1408

01:09:36,189 --> 01:09:32,989

it or whatever it's almost like you know

1409

01:09:38,229 --> 01:09:36,199

both sides are stopping both sides for

1410

01:09:41,309 --> 01:09:38,239

doing what they say they want to do but

1411

01:09:44,259 --> 01:09:41,319

they're not doing it yeah that's right

1412

01:09:46,769 --> 01:09:44,269

and the men in black it sounds like our

1413

01:09:49,569 --> 01:09:46,779

soldiers Becky like you said that are

1414

01:09:52,509 --> 01:09:49,579

keeping everybody in line and going and

1415

01:09:54,069 --> 01:09:52,519

because they've shown up I've had people

1416

01:09:56,649 --> 01:09:54,079

contact me and tell me about their

1417

01:10:00,429 --> 01:09:56,659

personal stories in fact Becky your mom

1418

01:10:02,770 --> 01:10:00,439

and and Bob had experiences with men in

1419

01:10:05,500 --> 01:10:02,780

black and they were not pleasant so

1420

01:10:09,029 --> 01:10:05,510

these guys are out to intimidate us and

1421

01:10:11,350 --> 01:10:09,039

scare us and put us off our game and

1422

01:10:12,759 --> 01:10:11,360

again the other thing that's weird that

1423

01:10:14,410 --> 01:10:12,769

I got to bring up because we talked

1424

01:10:17,799 --> 01:10:14,420

about this on the break around the

1425

01:10:19,660 --> 01:10:17,809

cement and black thing the black car can

1426

01:10:24,179 --> 01:10:19,670

you talk to us about that part is a

1427

01:10:27,819 --> 01:10:24,189

picture of any book yes there is and I

1428

01:10:31,270 --> 01:10:27,829

was just amazed when I saw this car at a

1429

01:10:33,549 --> 01:10:31,280

car show and local car show right in

1430

01:10:36,729 --> 01:10:33,559

this little town I couldn't believe it

1431

01:10:39,640 --> 01:10:36,739

and it was exactly the same thing and it

1432

01:10:40,600 --> 01:10:39,650

had funny-looking headlights that

1433

01:10:42,669 --> 01:10:40,610

doesn't

1434

01:10:46,120 --> 01:10:42,679

justic are the men in black drove up to

1435

01:10:52,899 --> 01:10:46,130

your daughter's apartment with yes okay

1436

01:10:54,640 --> 01:10:52,909

I had seen it there before but trying to

1437

01:10:59,169 --> 01:10:54,650

think when I did see I thought they are

1438

01:11:02,709 --> 01:10:59,179

two or three times before but I didn't

1439

01:11:06,729 --> 01:11:02,719

see the men in black those times whether

1440

01:11:10,419 --> 01:11:06,739

they were visiting someone else in the

1441

01:11:12,700 --> 01:11:10,429

complex my god I did I'd have thought of

1442

01:11:18,760 --> 01:11:12,710

that yeah it certainly could have been

1443

01:11:20,709 --> 01:11:18,770

yeah I had some clothes yeah it was it

1444

01:11:23,410 --> 01:11:20,719

was exactly the same car when I saw the

1445

01:11:25,930 --> 01:11:23,420

one at the car show and well maybe not

1446

01:11:31,479 --> 01:11:25,940

the identical one but but this one that

1447

01:11:34,060 --> 01:11:31,489

I saw at the show was the parks had a

1448

01:11:35,919 --> 01:11:34,070

serial number or date or something it

1449

01:11:39,970 --> 01:11:35,929

was a government car and it was

1450

01:11:43,720 --> 01:11:39,980

manufactured in the early 30s 31 or 32

1451

01:11:46,689 --> 01:11:43,730

and it was definitely a government car

1452

01:11:49,120 --> 01:11:46,699

it was just like brand-new beautiful

1453

01:11:51,399 --> 01:11:49,130

inside of course the owner maybe had

1454

01:11:56,350 --> 01:11:51,409

restored that I don't know but the

1455

01:11:58,870 --> 01:11:56,360

engine was original there was nothing

1456

01:12:01,810 --> 01:11:58,880

done to it so there couldn't have been

1457

01:12:05,109 --> 01:12:01,820

too many miles on it but I was talking

1458

01:12:09,209 --> 01:12:05,119

to the owner about sort of about the men

1459

01:12:12,070 --> 01:12:09,219

in black not too much detail but he said

1460

01:12:14,370 --> 01:12:12,080

that could all have been rebuilt and

1461

01:12:21,510 --> 01:12:14,380

made to look like it was the original

1462

01:12:24,609 --> 01:12:21,520

engine that's true so I don't know but

1463

01:12:30,850 --> 01:12:24,619

that in itself just gave me the chills

1464

01:12:33,010 --> 01:12:30,860

when I whenever I would see it you know

1465

01:12:35,500 --> 01:12:33,020

all of these things that there's just

1466

01:12:38,320 --> 01:12:35,510

not adding up as to what the endgame is

1467

01:12:40,870 --> 01:12:38,330

here and it feels like we're all pawns

1468

01:12:43,300 --> 01:12:40,880

you even found that you may have as you

1469

01:12:45,520 --> 01:12:43,310

mentioned and people will need to get

1470

01:12:47,530 --> 01:12:45,530

your book Rachael's eyes to get all the

1471

01:12:50,950 --> 01:12:47,540

details on this but that you may have

1472

01:12:53,480 --> 01:12:50,960

had abductions and your DNA may have

1473

01:12:56,330 --> 01:12:53,490

been altered oh yeah

1474

01:12:56,810 --> 01:12:56,340

had abductions I know I know that for

1475

01:13:02,030 --> 01:12:56,820

sure

1476

01:13:03,860 --> 01:13:02,040

and I I do not know but a friend of mine

1477

01:13:05,960 --> 01:13:03,870

brought it up to me just within the last

1478

01:13:11,030 --> 01:13:05,970

week that during the month one of my

1479

01:13:14,660 --> 01:13:11,040

last abductions I had a mark put on the

1480

01:13:17,780 --> 01:13:14,670

outside of my right lower leg just above

1481

01:13:20,390 --> 01:13:17,790

the ankle it was a square mark five

1482

01:13:27,110 --> 01:13:20,400

eighths of an inch square with little

1483

01:13:30,020 --> 01:13:27,120

tiny of pinpoint marks going pours from

1484

01:13:32,210 --> 01:13:30,030

corner to corner each each way so they

1485

01:13:35,540 --> 01:13:32,220

were going diagonally that's what I was

1486

01:13:39,290 --> 01:13:35,550

looking for and it didn't heal and

1487

01:13:41,270 --> 01:13:39,300

didn't heal it never hurt although it

1488

01:13:43,070 --> 01:13:41,280

was put on with something that felt like

1489

01:13:45,800 --> 01:13:43,080

a branding iron it was something

1490

01:13:48,770 --> 01:13:45,810

electrical I thought it took the skin

1491

01:13:51,410 --> 01:13:48,780

off and just left that red underlying

1492

01:13:54,730 --> 01:13:51,420

layer there that did not heal for a long

1493

01:13:59,060 --> 01:13:54,740

time but this friend of mine said that

1494

01:14:03,800 --> 01:13:59,070

possibly there was an implant put in

1495

01:14:07,250 --> 01:14:03,810

there somehow and maybe I was being

1496

01:14:10,280 --> 01:14:07,260

monitored through that implant I had not

1497

01:14:12,890 --> 01:14:10,290

really thought of that before I could

1498

01:14:15,560 --> 01:14:12,900

they yeah I think so at people that are

1499

01:14:17,420 --> 01:14:15,570

involved with the et world and and the

1500

01:14:21,080 --> 01:14:17,430

government and things like that I think

1501
01:14:23,210 --> 01:14:21,090
they're all implanted all of them I mean

1502
01:14:25,160 --> 01:14:23,220
how else is gonna keep track of them I

1503
01:14:27,920 --> 01:14:25,170
think they're implanted whether it's the

1504
01:14:29,600 --> 01:14:27,930
ET implant or a government implant I

1505
01:14:32,690 --> 01:14:29,610
think anyone involved with this

1506
01:14:34,490 --> 01:14:32,700
throughout their lives and and it starts

1507
01:14:36,080 --> 01:14:34,500
to come out and everything they want to

1508
01:14:39,500 --> 01:14:36,090
know what's going on want to know where

1509
01:14:42,050 --> 01:14:39,510
you were I want to know which ETS are

1510
01:14:45,110 --> 01:14:42,060
being in touch with you coming or going

1511
01:14:47,540 --> 01:14:45,120
or even in dimensions because it's not

1512
01:14:50,390 --> 01:14:47,550
only et's from other worlds as dimension

1513
01:14:52,750 --> 01:14:50,400

then they walk through you know so oh

1514

01:14:56,420 --> 01:14:52,760

yeah I think that's keep tabs on

1515

01:14:58,610 --> 01:14:56,430

absolutely on both sides and again that

1516

01:14:59,240 --> 01:14:58,620

brings us that brings us back to being

1517

01:15:01,670 --> 01:14:59,250

lab rats

1518

01:15:04,970 --> 01:15:01,680

I mean we're no different than a lab rat

1519

01:15:06,950 --> 01:15:04,980

with a tracking chip again let's you

1520

01:15:09,560 --> 01:15:06,960

except for people that

1521

01:15:12,350 --> 01:15:09,570

like if you don't really want it you

1522

01:15:15,320 --> 01:15:12,360

should have the free will given to us at

1523

01:15:18,260 --> 01:15:15,330

birth on this earth to say no and be

1524

01:15:26,180 --> 01:15:18,270

left alone but a lot of that what I've

1525

01:15:29,750 --> 01:15:26,190

been seeing isn't happening yeah I was

1526

01:15:32,180 --> 01:15:29,760

just taking and this was done to me and

1527

01:15:34,460 --> 01:15:32,190

then I was delivered back into my bed

1528

01:15:36,350 --> 01:15:34,470

yeah I think honey that's because it's

1529

01:15:38,540 --> 01:15:36,360

been in your DNA through your family

1530

01:15:41,000 --> 01:15:38,550

line down past through great

1531

01:15:44,060 --> 01:15:41,010

grandparents aunts uncles cousins all

1532

01:15:47,720 --> 01:15:44,070

the way down and they never lose track

1533

01:15:50,450 --> 01:15:47,730

of family lines they go up to they get a

1534

01:15:53,510 --> 01:15:50,460

human that has all the capabilities or

1535

01:15:56,420 --> 01:15:53,520

qualities they want and they go to them

1536

01:15:58,280 --> 01:15:56,430

and they're either freely involved or

1537

01:16:00,710 --> 01:15:58,290

they're not really they're made against

1538

01:16:02,750 --> 01:16:00,720

their will involved and I think it's

1539

01:16:04,520 --> 01:16:02,760

from that these families that have been

1540

01:16:07,100 --> 01:16:04,530

here since the beginning of time that

1541

01:16:10,190 --> 01:16:07,110

have been trapped you mentioned

1542

01:16:14,690 --> 01:16:10,200

something about the quality or what a

1543

01:16:17,260 --> 01:16:14,700

person has drawn towards what makes that

1544

01:16:20,780 --> 01:16:17,270

person different what makes that lineage

1545

01:16:24,980 --> 01:16:20,790

where they keep going back over the same

1546

01:16:28,550 --> 01:16:24,990

lineage what do you think draws that you

1547

01:16:30,830 --> 01:16:28,560

ask me really yes yeah I think it's

1548

01:16:33,530 --> 01:16:30,840

because at the the very beginning

1549

01:16:36,380 --> 01:16:33,540

whoever they chose first in our lineage

1550

01:16:39,440 --> 01:16:36,390

all the way back they have tampered with

1551

01:16:41,870 --> 01:16:39,450

the DNA so when you have children and so

1552

01:16:43,580 --> 01:16:41,880

on and so on and so on that DNA is and

1553

01:16:46,790 --> 01:16:43,590

still them built in you and they just

1554

01:16:49,310 --> 01:16:46,800

update it or they go in after looking at

1555

01:16:52,880 --> 01:16:49,320

it to see how you've developed through

1556

01:16:54,950 --> 01:16:52,890

the either the person or their family

1557

01:16:57,020 --> 01:16:54,960

lineage the children that are born to

1558

01:16:59,180 --> 01:16:57,030

them and so on and so on up to today's

1559

01:17:01,550 --> 01:16:59,190

date I think that's what's going on

1560

01:17:04,190 --> 01:17:01,560

there adopt dating or checking what's

1561

01:17:06,320 --> 01:17:04,200

going on have you used it is this child

1562

01:17:09,170 --> 01:17:06,330

have more DNA that we're looking for

1563

01:17:10,970 --> 01:17:09,180

than this child and that happens and I

1564

01:17:14,740 --> 01:17:10,980

think it's all kept in records and

1565

01:17:18,520 --> 01:17:14,750

tracked to be involved with the et's

1566

01:17:20,419 --> 01:17:18,530

well I hadn't talked about this before

1567

01:17:23,360 --> 01:17:20,429

with anyone

1568

01:17:24,860 --> 01:17:23,370

certainly not publicly well this is new

1569

01:17:26,990 --> 01:17:24,870

everybody listen up

1570

01:17:30,910 --> 01:17:27,000

yeah listen up it's new and supernatural

1571

01:17:38,510 --> 01:17:34,130

call about six months ago or something

1572

01:17:43,910 --> 01:17:38,520

like that I had a DNA test done by a

1573

01:17:46,910 --> 01:17:43,920

very very prestigious person and the

1574

01:17:49,459 --> 01:17:46,920

results finally came back they went to a

1575

01:17:56,570 --> 01:17:49,469

prestigious lab too but I finally got

1576

01:17:59,930 --> 01:17:56,580

the results back and my DNA is 99 point

1577

01:18:07,430 --> 01:17:59,940

something that fraction of that stuff

1578

01:18:12,520 --> 01:18:07,440

last point pure going back centuries

1579

01:18:16,580 --> 01:18:12,530

this is a matrilineal they going back

1580

01:18:19,490 --> 01:18:16,590

back so what you're saying is that

1581

01:18:21,919 --> 01:18:19,500

you're you have a matrilineal line that

1582

01:18:24,229 --> 01:18:21,929

is almost a hundred percent of what I

1583

01:18:24,560 --> 01:18:24,239

mean is it Eastern European or what is

1584

01:18:31,100 --> 01:18:24,570

it

1585

01:18:35,030 --> 01:18:31,110

European that's very interesting so you

1586

01:18:37,070 --> 01:18:35,040

don't have a mix knodel I have that

1587

01:18:40,250 --> 01:18:37,080

fraction of a point that's not accounted

1588

01:18:42,649 --> 01:18:40,260

for and that is unusual because I know

1589

01:18:44,930 --> 01:18:42,659

I've had my DNA done and many of my

1590

01:18:48,110 --> 01:18:44,940

friends have and so you're not a Heinz

1591

01:18:50,689 --> 01:18:48,120

57 you have almost 100 percent purity in

1592

01:18:53,660 --> 01:18:50,699

your genetic lineage that's really

1593

01:18:58,040 --> 01:18:53,670

unusual yes see there you go that shows

1594

01:19:01,160 --> 01:18:58,050

you something right there also yes yes

1595

01:19:03,530 --> 01:19:01,170

and then the unknown DNA even though

1596

01:19:05,540 --> 01:19:03,540

it's a little percentage well it's not

1597

01:19:11,270 --> 01:19:05,550

unknown just where it comes from visit

1598

01:19:15,290 --> 01:19:11,280

no it isn't yeah I think we're starting

1599

01:19:16,580 --> 01:19:15,300

to figure this out here hmm and I was

1600

01:19:19,729 --> 01:19:16,590

you know I had never even considered

1601

01:19:21,560 --> 01:19:19,739

having my DNA checked because I couldn't

1602

01:19:24,350 --> 01:19:21,570

afford it but this was a special deal

1603

01:19:26,990 --> 01:19:24,360

and it didn't cost me anything so I I

1604

01:19:28,520 --> 01:19:27,000

went ahead and had it done but that's

1605

01:19:32,149 --> 01:19:28,530

wonderful but that would give you that

1606

01:19:34,219 --> 01:19:32,159

gives you an answer it does you know a

1607

01:19:37,910 --> 01:19:34,229

while for the answer to think in

1608

01:19:40,759 --> 01:19:37,920

I mean I knew what it was I mean all I

1609

01:19:44,319 --> 01:19:40,769

understand how these things are but it

1610

01:19:48,649 --> 01:19:44,329

just I thought well it couldn't be me

1611

01:19:51,830 --> 01:19:48,659

but it is it is you and it explains a

1612

01:19:53,509 --> 01:19:51,840

lot doesn't it about you and Marissa and

1613

01:19:56,479 --> 01:19:53,519

Rachel and how all this came to be I

1614

01:19:59,779 --> 01:19:56,489

mean it was no coincidence no there were

1615

01:20:01,339 --> 01:19:59,789

no coincidences in this whole story and

1616

01:20:06,319 --> 01:20:01,349

but I didn't realize it at the time

1617

01:20:08,569 --> 01:20:06,329

right I don't know why and Becky I don't

1618

01:20:10,129 --> 01:20:08,579

know if you've been kind of unaware of

1619

01:20:13,069 --> 01:20:10,139

some of the stuff that happened to you

1620

01:20:16,689 --> 01:20:13,079

the main reason for it but I certainly

1621

01:20:20,089 --> 01:20:16,699

yes it just took time for me to think

1622

01:20:23,589 --> 01:20:20,099

well it was quite some time before I

1623

01:20:26,930 --> 01:20:23,599

could say I'm a nerd up and abductee I

1624

01:20:29,199 --> 01:20:26,940

couldn't say that I mean I knew I had

1625

01:20:33,589 --> 01:20:29,209

been abducted well what else would I be

1626
01:20:36,169 --> 01:20:33,599
but an abductee if you've been taken you

1627
01:20:38,859 --> 01:20:36,179
know but I couldn't say the words right

1628
01:20:41,540 --> 01:20:38,869
right well it can be traumatizing

1629
01:20:44,299 --> 01:20:41,550
especially if you're like no no no I

1630
01:20:46,609 --> 01:20:44,309
mean that that's something that is huge

1631
01:20:48,770 --> 01:20:46,619
and and then you can't tell anybody

1632
01:20:51,319 --> 01:20:48,780
because they know it's informed

1633
01:20:53,299 --> 01:20:51,329
everybody and made people who've had

1634
01:20:56,810 --> 01:20:53,309
experiences look like they were crazy

1635
01:21:01,250 --> 01:20:56,820
I mean I happen in the 1930s and

1636
01:21:03,319 --> 01:21:01,260
twenties a bunch a half of the hospitals

1637
01:21:05,299 --> 01:21:03,329
there but they were put in and mentally

1638
01:21:07,250 --> 01:21:05,309

disturbed they were not mentally

1639

01:21:10,459 --> 01:21:07,260

disturbed they were being visited I bet

1640

01:21:13,699 --> 01:21:10,469

you half of them were that oh well I

1641

01:21:15,049 --> 01:21:13,709

impossible the family that I lived was

1642

01:21:18,379 --> 01:21:15,059

threatened to have me committed

1643

01:21:21,140 --> 01:21:18,389

if I kept on talking about things that I

1644

01:21:25,580 --> 01:21:21,150

saw when I was there so I shut up for a

1645

01:21:27,799 --> 01:21:25,590

long time it happens to many hey we've

1646

01:21:29,660 --> 01:21:27,809

got a question for you Helen from the

1647

01:21:32,330 --> 01:21:29,670

chat room I'd like to ask it it's very

1648

01:21:34,660 --> 01:21:32,340

interesting Neutron has this question

1649

01:21:38,120 --> 01:21:34,670

for you I'd like to know if you've ever

1650

01:21:40,759 --> 01:21:38,130

recollected during an abduction the

1651
01:21:43,219 --> 01:21:40,769
appearance of a black box near you

1652
01:21:45,140 --> 01:21:43,229
followed by noise and then an

1653
01:21:47,050 --> 01:21:45,150
out-of-body experience where you see

1654
01:21:50,020 --> 01:21:47,060
your body on a table and a

1655
01:21:54,400 --> 01:21:50,030
next to you that's part one of this that

1656
01:21:57,010 --> 01:21:54,410
ever happened I have not had that

1657
01:21:59,650 --> 01:21:57,020
particular experience but this friend of

1658
01:22:04,840 --> 01:21:59,660
mine who thought I might have an a new

1659
01:22:09,060 --> 01:22:04,850
plant had a dream or something where he

1660
01:22:12,370 --> 01:22:09,070
saw me on an operating table with what

1661
01:22:14,190 --> 01:22:12,380
probably was a clone standing beside me

1662
01:22:16,420 --> 01:22:14,200
and doing different procedures

1663
01:22:18,460 --> 01:22:16,430

interesting well and here's the second

1664

01:22:26,110 --> 01:22:18,470

part of the question Neutron would like

1665

01:22:30,310 --> 01:22:26,120

to know are you Rh negative blood type I

1666

01:22:32,320 --> 01:22:30,320

don't think I am I don't think I am I am

1667

01:22:36,430 --> 01:22:32,330

NOT positive than that I'm sorry I can't

1668

01:22:38,260 --> 01:22:36,440

give it a definite answer on that no

1669

01:22:39,610 --> 01:22:38,270

that's okay Neutron you sound like you

1670

01:22:41,710 --> 01:22:39,620

know what you're talking about so thank

1671

01:22:44,950 --> 01:22:41,720

you for writing these questions in very

1672

01:22:48,250 --> 01:22:44,960

interesting questions I'm curious also

1673

01:22:50,890 --> 01:22:48,260

is yes is there a certain blood type

1674

01:22:53,340 --> 01:22:50,900

that they find more prevalent in those

1675

01:22:56,890 --> 01:22:53,350

that the that are considered abductees

1676

01:23:00,330 --> 01:22:56,900

yes there is and I'm not sure of that

1677

01:23:03,970 --> 01:23:00,340

either but it's pretty prevalent

1678

01:23:07,240 --> 01:23:03,980

probably like 80 percent well I could

1679

01:23:11,260 --> 01:23:07,250

find out my blood type hmm yeah I need

1680

01:23:13,390 --> 01:23:11,270

to go jacket too there are an awful lot

1681

01:23:15,880 --> 01:23:13,400

of us who are abducted that are in the

1682

01:23:17,680 --> 01:23:15,890

medical profession yeah you might

1683

01:23:22,840 --> 01:23:17,690

believe that I mean that's a perfect

1684

01:23:26,940 --> 01:23:22,850

place to be oh yeah yeah but I didn't

1685

01:23:30,010 --> 01:23:26,950

know that until just recently but Wow

1686

01:23:31,540 --> 01:23:30,020

what are we gonna be able to really put

1687

01:23:33,550 --> 01:23:31,550

our foot down about this I mean I'm

1688

01:23:36,310 --> 01:23:33,560

happy to talk to extraterrestrials

1689

01:23:39,750 --> 01:23:36,320

anytime they can come visit they can

1690

01:23:43,180 --> 01:23:39,760

come see me to my face but abductions

1691

01:23:46,510 --> 01:23:43,190

wiping my memory doing it so no that's

1692

01:23:48,460 --> 01:23:46,520

that's not okay yeah that part's a no-no

1693

01:23:50,620 --> 01:23:48,470

but the other part hey I'm all for it

1694

01:23:51,850 --> 01:23:50,630

too the other parts fine you know I we

1695

01:23:55,390 --> 01:23:51,860

can all have a nice friendly

1696

01:23:56,830 --> 01:23:55,400

conversation exchange information but I

1697

01:23:58,630 --> 01:23:56,840

don't want to be treated like a lab rat

1698

01:24:00,970 --> 01:23:58,640

and you know there's something about the

1699

01:24:04,270 --> 01:24:00,980

consciousness-raising

1700

01:24:05,229 --> 01:24:04,280

that whole concept to say no to being

1701

01:24:06,940 --> 01:24:05,239

treated like that

1702

01:24:08,470 --> 01:24:06,950

that I think may be part of our

1703

01:24:10,600 --> 01:24:08,480

evolution maybe it's time that we all

1704

01:24:13,150 --> 01:24:10,610

all of us who understand the truth of

1705

01:24:15,390 --> 01:24:13,160

this phenomenon really stand up to that

1706

01:24:17,380 --> 01:24:15,400

and we can invite these

1707

01:24:20,979 --> 01:24:17,390

extraterrestrials to visit if we want

1708

01:24:24,760 --> 01:24:20,989

but to say no to being manipulated being

1709

01:24:25,870 --> 01:24:24,770

used and being experimented on we're not

1710

01:24:28,810 --> 01:24:25,880

going to agree to that anymore

1711

01:24:31,450 --> 01:24:28,820

yeah they don't understand that because

1712

01:24:35,050 --> 01:24:31,460

it's an emotion it's a free will it's a

1713

01:24:37,870 --> 01:24:35,060

choice and there is is involved and

1714

01:24:39,760 --> 01:24:37,880

intertwined and emotion and they don't

1715

01:24:43,270 --> 01:24:39,770

seem to understand that I think that's

1716

01:24:45,100 --> 01:24:43,280

what's stopping a lot of this that could

1717

01:24:48,400 --> 01:24:45,110

very well be because they don't seem to

1718

01:24:51,040 --> 01:24:48,410

understand they don't care if you don't

1719

01:24:52,420 --> 01:24:51,050

want them to do some procedure on you

1720

01:24:55,120 --> 01:24:52,430

they don't care they just tie you down

1721

01:24:56,710 --> 01:24:55,130

and do it anyway hmm I don't think it's

1722

01:24:59,560 --> 01:24:56,720

a question that they don't care I just

1723

01:25:01,390 --> 01:24:59,570

think they don't know yeah they don't

1724

01:25:05,290 --> 01:25:01,400

understand emotion they're not feeling

1725

01:25:12,570 --> 01:25:05,300

it well I understand yes and no I mean

1726

01:25:18,070 --> 01:25:15,580

right within yes and no it's an actual

1727

01:25:21,640 --> 01:25:18,080

emotion when that's coming out yes or no

1728

01:25:23,590 --> 01:25:21,650

there's an actual vibration of emotion

1729

01:25:25,270 --> 01:25:23,600

coming out with it and they don't seem

1730

01:25:28,030 --> 01:25:25,280

to understand that that's why they were

1731

01:25:31,630 --> 01:25:28,040

so intrigued Dave until my parents that

1732

01:25:34,210 --> 01:25:31,640

and I dad they need to understand

1733

01:25:35,979 --> 01:25:34,220

emotion and that was long ago we were

1734

01:25:39,790 --> 01:25:35,989

told that long ago and I think that's

1735

01:25:42,490 --> 01:25:39,800

why that they're not able to step out

1736

01:25:43,990 --> 01:25:42,500

and go see all the people and deal with

1737

01:25:46,090 --> 01:25:44,000

that I mean you'd have all sorts of

1738

01:25:48,550 --> 01:25:46,100

emotions either yes I'd love to see you

1739

01:25:52,479 --> 01:25:48,560

or what the hair got you get out of here

1740

01:25:54,460 --> 01:25:52,489

thank you so sorry to interrupt but you

1741

01:25:57,550 --> 01:25:54,470

believe this we are out of time I feel

1742

01:25:59,229 --> 01:25:57,560

like we just got started here Helen we

1743

01:26:00,310 --> 01:25:59,239

may have to have you back on the show I

1744

01:26:03,370 --> 01:26:00,320
