EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

Jim Marrs 5.0

1
00:01:06,820 --> 00:00:03,290
you're listening to Ira the inception

2
00:01:11,210 --> 00:01:09,080
the extraordinary phenomenon

3
00:01:14,060 --> 00:01:11,220
investigations council presents epic

4
00:01:15,710 --> 00:01:14,070
voyages come join us as we enter an

5
00:02:02,529 --> 00:01:15,720
experience the great mysteries of the

6
00:02:08,479 --> 00:02:05,380
when all the young people had Britain

7
00:02:11,300 --> 00:02:08,489
started throwing tantrums and rioting in

8
00:02:14,930 --> 00:02:11,310
the streets The Washington Post tells us

9
00:02:17,330 --> 00:02:14,940
that they somewhat resembled the street

10
00:02:19,430 --> 00:02:17,340
uprisings in the Middle East but the

11
00:02:22,910 --> 00:02:19,440
British riders seem motivated more by

12
00:02:24,890 --> 00:02:22,920
greed than political fervor so in other

13
00:02:27,289 --> 00:02:24,900

words they don't have any problems with

14

00:02:33,069 --> 00:02:27,299

their political system is just greed

15

00:02:36,740 --> 00:02:33,079

okay kind of like when we our ancestors

16

00:02:39,080 --> 00:02:36,750

brought about a revolution to fight off

17

00:02:41,120 --> 00:02:39,090

the occupation of this country by

18

00:02:42,830 --> 00:02:41,130

British troops of course they were

19

00:02:45,470 --> 00:02:42,840

British citizens so actually it was

20

00:02:48,710 --> 00:02:45,480

their own troops but they held a

21

00:02:51,020 --> 00:02:48,720

revolution and they are still framed as

22

00:02:54,949 --> 00:02:51,030

Patriots and forefathers and founding

23

00:02:57,640 --> 00:02:54,959

fathers of the great American Republic

24

00:03:02,020 --> 00:02:57,650

home of the free land of the brave but

25

00:03:05,539 --> 00:03:02,030

when we look at people in places like

26
00:03:08,150 --> 00:03:05,549
Afghanistan or Iraq and when they try to

27
00:03:12,550 --> 00:03:08,160
throw off the occupying force while

28
00:03:15,890 --> 00:03:12,560
their insurgents are pro terrorists

29
00:03:18,949 --> 00:03:15,900
isn't it funny how words shipped around

30
00:03:22,370 --> 00:03:18,959
depending on who's using them and how

31
00:03:24,289 --> 00:03:22,380
they want to use him but we won't go

32
00:03:26,360 --> 00:03:24,299
into deep dark things than that because

33
00:03:31,659 --> 00:03:26,370
I'm sure most of you all are probably

34
00:03:34,699 --> 00:03:31,669
interested in the extraordinary and the

35
00:03:39,920 --> 00:03:34,709
anomalous I love that there's another

36
00:03:43,789 --> 00:03:39,930
word that I love anomaly anomaly anomaly

37
00:03:48,530 --> 00:03:43,799
is you know just a kind of a scientific

38
00:03:52,490 --> 00:03:48,540

term for WTF right what the heck is that

39

00:03:54,379 --> 00:03:52,500

I don't know it's an anomaly so when you

40

00:03:56,900 --> 00:03:54,389

hear somebody say well I'd synonymous

41

00:03:59,629 --> 00:03:56,910

then you know well they don't know what

42

00:04:02,629 --> 00:03:59,639

it is and that's okay too because I

43

00:04:04,250 --> 00:04:02,639

think all of us occasionally come across

44

00:04:07,100 --> 00:04:04,260

things we don't really quite know what

45

00:04:09,229 --> 00:04:07,110

it is but most of us are honest enough

46

00:04:11,899 --> 00:04:09,239

say what the heck I don't know what that

47

00:04:12,450 --> 00:04:11,909

is but a scientist you know it's kind of

48

00:04:14,490 --> 00:04:12,460

like a dark

49

00:04:16,770 --> 00:04:14,500

they can't admit that they don't know

50

00:04:20,940 --> 00:04:16,780

everything so they say well that's mine

51
00:04:23,880 --> 00:04:20,950
amelie okay I got it and speaking of

52
00:04:25,800 --> 00:04:23,890
anomalies I'm sure that on this program

53
00:04:29,390 --> 00:04:25,810
and many others some of the questions

54
00:04:35,520 --> 00:04:29,400
will be coming in will be asking about

55
00:04:38,940 --> 00:04:35,530
the ubiquitous you if oz identified

56
00:04:40,500 --> 00:04:38,950
flying objects you know and I we

57
00:04:43,440 --> 00:04:40,510
probably need to come up with another

58
00:04:47,430 --> 00:04:43,450
term because I'm point to the night sky

59
00:04:50,310 --> 00:04:47,440
and hanging and I see red green flashing

60
00:04:52,770 --> 00:04:50,320
lights and I know it's airplane but it's

61
00:04:56,030 --> 00:04:52,780
dark I can't see what kind it is so it's

62
00:04:58,620 --> 00:04:56,040
actually it's a identified flying object

63
00:05:02,580 --> 00:04:58,630

and of course we all know that a lot of

64

00:05:06,050 --> 00:05:02,590

things that are counted as UFOs probably

65

00:05:09,410 --> 00:05:06,060

have a mundane explanation satellites

66

00:05:12,930 --> 00:05:09,420

military test craft things like that

67

00:05:18,450 --> 00:05:12,940

that's why I really like to go back and

68

00:05:21,690 --> 00:05:18,460

look at old UFO incidents in fact I live

69

00:05:23,670 --> 00:05:21,700

very close to one right now I'm about

70

00:05:27,630 --> 00:05:23,680

eight miles down the road from little

71

00:05:30,500 --> 00:05:27,640

town called Aurora Texas and those of

72

00:05:33,600 --> 00:05:30,510

you who don't know about Aurora Texas

73

00:05:37,610 --> 00:05:33,610

there is even a state historical marker

74

00:05:42,000 --> 00:05:37,620

there that says legend has it that in

75

00:05:45,500 --> 00:05:42,010

1897 a spaceship crashed here in the

76

00:05:49,110 --> 00:05:45,510

pilot was buried in the local cemetery

77

00:05:54,350 --> 00:05:49,120

now what makes this story really special

78

00:05:58,740 --> 00:05:54,360

to me is that 1897 that's 66 years

79

00:06:00,450 --> 00:05:58,750

before the Wright brothers flew and this

80

00:06:04,380 --> 00:06:00,460

is before there was anything man-made in

81

00:06:08,550 --> 00:06:04,390

the air in fact there had been balloons

82

00:06:11,250 --> 00:06:08,560

but not free flying balloons during the

83

00:06:13,920 --> 00:06:11,260

War Between the States both sides would

84

00:06:15,750 --> 00:06:13,930

run up a balloon on a tether and have a

85

00:06:18,120 --> 00:06:15,760

guy out there with some binoculars and

86

00:06:21,810 --> 00:06:18,130

they would try to spot troop movements

87

00:06:25,710 --> 00:06:21,820

so balloons were nothing new but the

88

00:06:31,560 --> 00:06:25,720

first powered air ship

89

00:06:34,260 --> 00:06:31,570

in flight took place in 1904 the same

90

00:06:37,950 --> 00:06:34,270

years the Wright brothers flew and it

91

00:06:41,430 --> 00:06:37,960

was the California era so in 1897 there

92

00:06:43,470 --> 00:06:41,440

was no nothing man-made in the air and

93

00:06:45,960 --> 00:06:43,480

yet this story was covered in the

94

00:06:49,320 --> 00:06:45,970

newspapers in both Ellison forward and

95

00:06:51,840 --> 00:06:49,330

said a silver cigar-shaped object flying

96

00:06:54,090 --> 00:06:51,850

through the countryside struck a

97

00:06:55,800 --> 00:06:54,100

windmill at Aurora as it was settling

98

00:06:59,520 --> 00:06:55,810

towards Earth apparently under having

99

00:07:02,460 --> 00:06:59,530

some sort of difficulty exploded and the

100

00:07:06,240 --> 00:07:02,470

pieces went everywhere and it said the

101
00:07:09,110 --> 00:07:06,250
pilot the Dallas Morning News which is

102
00:07:12,210 --> 00:07:09,120
still in publication said the pilot

103
00:07:15,660 --> 00:07:12,220
enough of his remains were recovered to

104
00:07:20,520 --> 00:07:15,670
show that he was quote not an inhabitant

105
00:07:22,680 --> 00:07:20,530
of this world end quote now we'll we'll

106
00:07:24,120 --> 00:07:22,690
save Aurora there's a lot weeks a rap

107
00:07:26,159 --> 00:07:24,130
battle roar but we'll save that for

108
00:07:28,170 --> 00:07:26,169
another night but I simply want to and

109
00:07:30,540 --> 00:07:28,180
for those of you who know about the

110
00:07:34,560 --> 00:07:30,550
aurora story or have heard about it

111
00:07:36,120 --> 00:07:34,570
before that the debunkers they can't

112
00:07:39,450 --> 00:07:36,130
deny that this was covered in the

113
00:07:41,370 --> 00:07:39,460

newspaper at the time they kind of gloss

114

00:07:43,020 --> 00:07:41,380

over the fact that it was not only in

115

00:07:45,390 --> 00:07:43,030

the dallas morning news but also in the

116

00:07:48,450 --> 00:07:45,400

forward papers and has was also

117

00:07:51,110 --> 00:07:48,460

mentioned in some of the other local

118

00:07:54,840 --> 00:07:51,120

papers around here that I've dug into

119

00:07:57,719 --> 00:07:54,850

but their main charge seems to be that

120

00:07:59,880 --> 00:07:57,729

well it was just a hoax story the the

121

00:08:01,440 --> 00:07:59,890

little town was having a hard time and

122

00:08:04,440 --> 00:08:01,450

they were trying to build up some

123

00:08:07,200 --> 00:08:04,450

publicity and get people to come and

124

00:08:10,800 --> 00:08:07,210

move to little town which that always

125

00:08:12,540 --> 00:08:10,810

kind of strikes me as odd who would

126

00:08:15,659 --> 00:08:12,550

think that you say hey a spaceship

127

00:08:17,580 --> 00:08:15,669

crashing and a little space man was here

128

00:08:19,500 --> 00:08:17,590

what's they going to do to draw maybe

129

00:08:20,880 --> 00:08:19,510

maybe draw a crowd but I don't think

130

00:08:23,790 --> 00:08:20,890

it's going to draw anybody to live there

131

00:08:25,920 --> 00:08:23,800

but anyway that that's been the argument

132

00:08:28,110 --> 00:08:25,930

that it was simply a hoax story planted

133

00:08:30,020 --> 00:08:28,120

in the newspapers to try to draw

134

00:08:33,659 --> 00:08:30,030

attention to the little town of Aurora

135

00:08:35,730 --> 00:08:33,669

well I that sounds reasonable enough and

136

00:08:37,440 --> 00:08:35,740

I'll listen to that for a good number of

137

00:08:39,540 --> 00:08:37,450

years until I finally got hold of the

138

00:08:42,500 --> 00:08:39,550

entire front page of the doubt

139

00:08:47,610 --> 00:08:42,510

this morning news for April the 19th

140

00:08:49,740 --> 00:08:47,620

1897 there are 16 stories on that front

141

00:08:51,720 --> 00:08:49,750

page this back at the time when there

142

00:08:55,350 --> 00:08:51,730

were no pictures in the newspaper and

143

00:08:58,620 --> 00:08:55,360

eight columns little bitty type so you

144

00:09:01,430 --> 00:08:58,630

could get 16 stories on the front page

145

00:09:07,310 --> 00:09:01,440

plus two whole columns of little bitty

146

00:09:16,199 --> 00:09:14,190

all 16 of the stories on this edition of

147

00:09:18,180 --> 00:09:16,209

the Dallas Morning News every single one

148

00:09:20,699 --> 00:09:18,190

of them that we're coming from

149

00:09:23,579 --> 00:09:20,709

correspondence as far north as Oklahoma

150

00:09:25,440 --> 00:09:23,589

and as far south as Austin Texas every

151
00:09:27,449 --> 00:09:25,450
single one of them was talking about the

152
00:09:32,069 --> 00:09:27,459
silver cigar-shaped object flying

153
00:09:33,990 --> 00:09:32,079
through the skies of North Texas so even

154
00:09:36,569 --> 00:09:34,000
if you want to continue to argue that

155
00:09:40,740 --> 00:09:36,579
maybe it didn't crash in aurora there is

156
00:09:45,690 --> 00:09:40,750
no question that some type of object was

157
00:09:47,870 --> 00:09:45,700
flying in 1897 at the time six years

158
00:09:50,760 --> 00:09:47,880
before the Wright brothers ever flew

159
00:09:52,350 --> 00:09:50,770
while I'm on the bright brothers let me

160
00:09:55,470 --> 00:09:52,360
point out a little something that you

161
00:09:58,590 --> 00:09:55,480
may or may not know about that when the

162
00:10:01,889 --> 00:09:58,600
wright brothers flew at Kitty Hawk there

163
00:10:03,690 --> 00:10:01,899

were reporters from New York and

164

00:10:08,120 --> 00:10:03,700

Philadelphia and all of them up there

165

00:10:11,370 --> 00:10:08,130

this was south north carolina bleah and

166

00:10:14,460 --> 00:10:11,380

they were all there and they went back

167

00:10:17,639 --> 00:10:14,470

to the New York Times you're all the

168

00:10:19,380 --> 00:10:17,649

news that fits your newspaper of record

169

00:10:23,160 --> 00:10:19,390

and they told them the Wright brothers

170

00:10:27,510 --> 00:10:23,170

have flown this airplane the editors at

171

00:10:30,449 --> 00:10:27,520

The New York Times says I bushwa man was

172

00:10:32,850 --> 00:10:30,459

not meant to fly if God had meant us to

173

00:10:37,139 --> 00:10:32,860

fly he would have given us wings and

174

00:10:40,980 --> 00:10:37,149

they refused to run the story in fact it

175

00:10:43,019 --> 00:10:40,990

was about a year after the Wright

176
00:10:45,060 --> 00:10:43,029
brothers flew at Kitty Hawk the New York

177
00:10:47,819 --> 00:10:45,070
Times finally got around to actually

178
00:10:50,069 --> 00:10:47,829
printing a story about their feet and

179
00:10:52,860 --> 00:10:50,079
the only reason they did that was what I

180
00:10:54,960 --> 00:10:52,870
call back bad journalism you know one

181
00:10:57,060 --> 00:10:54,970
magpie they'd all be sitting on the

182
00:10:59,460 --> 00:10:57,070
fence you can even throw rocks at them

183
00:11:01,769 --> 00:10:59,470
and they just sit there but if you get

184
00:11:03,540 --> 00:11:01,779
one of those Magpies to fly off then the

185
00:11:06,530 --> 00:11:03,550
whole flock takes off after him and

186
00:11:10,650 --> 00:11:06,540
there they go finally after about a year

187
00:11:13,980 --> 00:11:10,660
the Wright brothers were welcomed in

188
00:11:15,960 --> 00:11:13,990

France and invited to come over there

189

00:11:18,860 --> 00:11:15,970

and demonstrate their flying machine

190

00:11:22,320 --> 00:11:18,870

which they did and the European media

191

00:11:24,990 --> 00:11:22,330

just made a out of it they went wild

192

00:11:27,510 --> 00:11:25,000

they printed big stories about wow man

193

00:11:30,480 --> 00:11:27,520

has finally developed heavier-than-air

194

00:11:34,260 --> 00:11:30,490

flight and the European media was

195

00:11:36,690 --> 00:11:34,270

finally full of the development of the

196

00:11:39,780 --> 00:11:36,700

Wright brothers and the good old New

197

00:11:42,720 --> 00:11:39,790

York Times finally followed suit about a

198

00:11:45,810 --> 00:11:42,730

year after their successful

199

00:11:47,190 --> 00:11:45,820

demonstration at Kitty Hawk now why

200

00:11:50,880 --> 00:11:47,200

would I bother you with that little

201
00:11:53,490 --> 00:11:50,890
piece of historical minutiae because

202
00:11:55,110 --> 00:11:53,500
folks just because it's not in the

203
00:11:57,960 --> 00:11:55,120
newspaper doesn't mean it's not

204
00:12:00,540 --> 00:11:57,970
happening okay same thing with today

205
00:12:04,040 --> 00:12:00,550
with television if just because you

206
00:12:08,670 --> 00:12:04,050
don't hear better on television doesn't

207
00:12:10,050 --> 00:12:08,680
mean that it doesn't happen so we're

208
00:12:11,699 --> 00:12:10,060
going to be talking about all kinds of

209
00:12:13,650 --> 00:12:11,709
good stuff like that and if you want no

210
00:12:17,070 --> 00:12:13,660
bore about Aurora I'll be glad to take

211
00:12:23,240 --> 00:12:17,080
calls for that as well as just about

212
00:12:28,050 --> 00:12:23,250
anything else but it's funny how time

213
00:12:32,880 --> 00:12:28,060

flies when you're having fun and time is

214

00:12:34,860 --> 00:12:32,890

a very funny thing I'm sure that most of

215

00:12:37,260 --> 00:12:34,870

you who have looked into the UFO issue

216

00:12:41,660 --> 00:12:37,270

you're well aware that one of the big

217

00:12:46,710 --> 00:12:41,670

issues involved in UFOs is missing time

218

00:12:49,530 --> 00:12:46,720

the fella says hey I saw this UFO would

219

00:12:52,110 --> 00:12:49,540

six o'clock and immediately went home

220

00:12:54,750 --> 00:12:52,120

but when I got home it was seven o'clock

221

00:12:57,360 --> 00:12:54,760

and only I was only ten minutes away

222

00:13:00,449 --> 00:12:57,370

from home you know I'm missing 50

223

00:13:04,670 --> 00:13:00,459

minutes missing time that's a big factor

224

00:13:06,720 --> 00:13:04,680

in the fo genre and in the literature

225

00:13:09,240 --> 00:13:06,730

was all happening well

226

00:13:13,199 --> 00:13:09,250

it means is is that we're dealing with

227

00:13:14,970 --> 00:13:13,209

yet another dimension when I was in

228

00:13:16,889 --> 00:13:14,980

school we were taught there's only three

229

00:13:18,780 --> 00:13:16,899

dimensions and then finally they got

230

00:13:22,430 --> 00:13:18,790

talking about time and they've kind of

231

00:13:24,870 --> 00:13:22,440

added that as a fourth and by now the

232

00:13:27,870 --> 00:13:24,880

quantum physicists are saying well you

233

00:13:30,600 --> 00:13:27,880

know could be as many as 12 dimensions

234

00:13:33,120 --> 00:13:30,610

and actually I think there's probably

235

00:13:35,430 --> 00:13:33,130

many more than that but we just hadn't

236

00:13:38,160 --> 00:13:35,440

got around to recognizing them yet or

237

00:13:42,269 --> 00:13:38,170

knowing that that's there but time seems

238

00:13:46,340 --> 00:13:42,279

to be one of these dimensions and so if

239

00:13:48,750 --> 00:13:46,350

that's the case then time is relative

240

00:13:53,699 --> 00:13:48,760

have you ever noticed when you're having

241

00:13:57,120 --> 00:13:53,709

fun time goes by real fast oh my I don't

242

00:13:59,160 --> 00:13:57,130

want to leave now I'm having fun but if

243

00:14:03,600 --> 00:13:59,170

you're not having a lot of fun for this

244

00:14:07,259 --> 00:14:03,610

party's awful boring well then time just

245

00:14:12,030 --> 00:14:07,269

drags so I think the time is obviously

246

00:14:16,259 --> 00:14:12,040

relative to the perceiver and possibly

247

00:14:18,900 --> 00:14:16,269

even to the its context within the

248

00:14:21,750 --> 00:14:18,910

dimensions for example I think we're all

249

00:14:25,379 --> 00:14:21,760

beginning to figure out that UFOs do not

250

00:14:28,139 --> 00:14:25,389

use ramjets okay they fly around on

251

00:14:30,840 --> 00:14:28,149

energy fields in energy fields and

252

00:14:33,720 --> 00:14:30,850

possibly flying along energy fields and

253

00:14:38,519 --> 00:14:33,730

and energy lines sometimes called ley

254

00:14:42,900 --> 00:14:38,529

lines along the earth and I think that's

255

00:14:44,790 --> 00:14:42,910

then we can see a big clue when in the

256

00:14:48,720 --> 00:14:44,800

literature you always hear that when you

257

00:14:50,879 --> 00:14:48,730

have 0 comes over the car stops and yet

258

00:14:53,340 --> 00:14:50,889

how many of you have talked to a witness

259

00:14:55,139 --> 00:14:53,350

or heard somebody saw UFO that said well

260

00:14:57,840 --> 00:14:55,149

then I put in the key and turn the

261

00:15:01,500 --> 00:14:57,850

ignition on I started the car again I

262

00:15:05,189 --> 00:15:01,510

know it's when that energy field comes

263

00:15:09,420 --> 00:15:05,199

over then it's not only negating gravity

264

00:15:12,240 --> 00:15:09,430

it's negating time and those Pistons

265

00:15:15,929 --> 00:15:12,250

just locked freeze and their time

266

00:15:18,120 --> 00:15:15,939

basically stands still and then when the

267

00:15:20,670 --> 00:15:18,130

energy field goes away then you're back

268

00:15:22,290 --> 00:15:20,680

into normal time the Pistons go back

269

00:15:24,990 --> 00:15:22,300

to banging the way the car is running

270

00:15:27,030 --> 00:15:25,000

and there you go and it's kind of

271

00:15:29,100 --> 00:15:27,040

interesting because I actually got

272

00:15:31,530 --> 00:15:29,110

backhanded confirmation of this one

273

00:15:35,820 --> 00:15:31,540

night on a talk show when I was talking

274

00:15:37,350 --> 00:15:35,830

along these lines and a fellow called in

275

00:15:41,070 --> 00:15:37,360

says well I'm not so sure about that

276

00:15:42,930 --> 00:15:41,080

says I Drive a truck and said me in this

277

00:15:46,440 --> 00:15:42,940

other fellow we saw this year folks is

278

00:15:48,750 --> 00:15:46,450

but our trucks didn't stop running and I

279

00:15:52,170 --> 00:15:48,760

said well sir I said chances are you'd

280

00:15:54,380 --> 00:15:52,180

have a diesel he said yep I do I said

281

00:15:57,900 --> 00:15:54,390

well there you go and said diesel

282

00:16:00,300 --> 00:15:57,910

engines run on compressed gas but all

283

00:16:02,670 --> 00:16:00,310

the other person all the other cars run

284

00:16:04,710 --> 00:16:02,680

on an electrical system and it's

285

00:16:06,900 --> 00:16:04,720

dependent on the spark plugs and the

286

00:16:09,090 --> 00:16:06,910

electricity so when the energy field

287

00:16:11,760 --> 00:16:09,100

comes along then it freezes up the

288

00:16:14,790 --> 00:16:11,770

electricity everything stops flowing in

289

00:16:16,920 --> 00:16:14,800

the car stops but for the diesel engine

290

00:16:18,780 --> 00:16:16,930

then that's not dependent on electricity

291

00:16:23,310 --> 00:16:18,790

is just running offered compressed gas

292

00:16:24,900 --> 00:16:23,320

so it keeps going interesting huh okay

293

00:16:26,310 --> 00:16:24,910

well we're Chi we're coming up on the

294

00:16:29,130 --> 00:16:26,320

half hour we're going to take a short

295

00:16:33,000 --> 00:16:29,140

break here in a few minutes and let me

296

00:16:35,490 --> 00:16:33,010

catch my win more win you know go to

297

00:16:37,500 --> 00:16:35,500

fill that bag it and then we're going to

298

00:16:40,260 --> 00:16:37,510

come back and hopefully we'll have some

299

00:16:48,300 --> 00:16:40,270

calls coming in and the number again is

300

00:16:50,220 --> 00:16:48,310

88 89 192 355 and for all you good folks

301

00:16:52,920 --> 00:16:50,230

out there on the chat room and I'm

302

00:16:57,260 --> 00:16:52,930

seeing some wild names up there I'm

303

00:17:02,430 --> 00:16:57,270

seeing aardvark and uncle head and mode

304

00:17:04,919 --> 00:17:02,440

Mozilla bunt or something and and Jamie

305

00:17:06,569 --> 00:17:04,929

and Buck mush and our man listen I'll

306

00:17:10,169 --> 00:17:06,579

tell you what we got some good folks

307

00:17:12,390 --> 00:17:10,179

here tonight so if you've got some

308

00:17:15,600 --> 00:17:12,400

questions be sure go ahead and type them

309

00:17:23,990 --> 00:17:15,610

in and I've been assured that they have

310

00:17:29,070 --> 00:17:24,000

a procedure for getting these messages

311

00:17:32,790 --> 00:17:29,080

over this newfangled invention so at

312

00:17:34,230 --> 00:17:32,800

this point was taken about a 23 minute

313

00:17:36,390 --> 00:17:34,240

break and

314

00:18:34,020 --> 00:17:36,400

then we'll take the calls when we come

315

00:18:36,270 --> 00:18:34,030

right back right after this epic is

316

00:18:39,210 --> 00:18:36,280

investigations and membership

330

00:19:14,370 --> 00:19:11,800

opportunities plus the epic voyagers

331

00:19:17,040 --> 00:19:14,380

program schedule all on the inception

332

00:19:20,040 --> 00:19:17,050

radio network thank you for joining us

333

00:19:23,840 --> 00:19:20,050

paddy we're back here on epic voyages

334

00:19:26,880 --> 00:19:23,850

and got a great surprise for me anyway

335

00:19:29,130 --> 00:19:26,890

we have already got a caller come in its

336

00:19:32,580 --> 00:19:29,140

none none other than our own chase

337

00:19:37,560 --> 00:19:32,590

clucky chase how are you this evening on

338

00:19:42,270 --> 00:19:37,570

Jim Hoey oh well if I was any better I

339

00:19:44,430 --> 00:19:42,280

just be delirious that's awesome welcome

340

00:19:47,940 --> 00:19:44,440

to inception radio network this is off

341

00:19:50,669 --> 00:19:47,950

this place to be but I have a question

342

00:19:53,190 --> 00:19:50,679

actually a two-parter okay we'll give me

343

00:19:57,269 --> 00:19:53,200

one at a time my brain only functions

344

00:20:00,990 --> 00:19:57,279

you know with slow pace okay out of all

345

00:20:03,960 --> 00:20:01,000

your research and discovery and you have

346

00:20:07,610 --> 00:20:03,970

a lot your book's cover a plethora of

347

00:20:11,269 --> 00:20:07,620

topics and theory and complicated

348

00:20:15,330 --> 00:20:11,279

situations and out of all of them Jim

349

00:20:17,909 --> 00:20:15,340

was there one point when you have an

350

00:20:20,039 --> 00:20:17,919

occupant or a piece of evidence that you

351

00:20:22,110 --> 00:20:20,049

uncovered that really they do kind of

352

00:20:26,340 --> 00:20:22,120

sit back in your chair with that oh my

353

00:20:29,519 --> 00:20:26,350

gosh you know kind of wow what was that

354

00:20:32,759 --> 00:20:29,529

other there's a document and all we are

355

00:20:37,200 --> 00:20:32,769

talking five okay are you ready for this

356

00:20:39,560 --> 00:20:37,210

yes I though you know I've covered

357

00:20:44,549 --> 00:20:39,570

Kennedy assassination government

358

00:20:46,710 --> 00:20:44,559

cover-ups UFOs alien abductions all this

359

00:20:48,720 --> 00:20:46,720

weird stuff but I want to tell you this

360

00:20:50,549 --> 00:20:48,730

one of the strangest incidents that I

361

00:20:53,009 --> 00:20:50,559

ever had happened to me was back when I

362

00:20:58,320 --> 00:20:53,019

was working the newspaper and I begin to

363

00:21:00,620 --> 00:20:58,330

investigate satanic cults and i was

364

00:21:02,850 --> 00:21:00,630

making inquiries I'm starting to do some

365

00:21:05,879 --> 00:21:02,860

checking around let's check with my

366

00:21:09,750 --> 00:21:05,889

police sources and I think the reason as

367

00:21:11,879 --> 00:21:09,760

I recall was this was back the 70s and I

368

00:21:14,759 --> 00:21:11,889

think the reason for this sudden

369

00:21:17,970 --> 00:21:14,769

interest was that the cattle mutilations

370

00:21:20,399 --> 00:21:17,980

and and they were claiming that it was

371

00:21:24,149 --> 00:21:20,409

the result of a satanic cult or whatever

372

00:21:25,820 --> 00:21:24,159

which I eventually decided is not the

373

00:21:29,340 --> 00:21:25,830

case and I think you know that as well

374

00:21:32,009 --> 00:21:29,350

but I did start digging into satanic

375

00:21:33,960 --> 00:21:32,019

cults and I and next thing I know I was

376

00:21:37,799 --> 00:21:33,970

getting these odd phone calls and people

377

00:21:39,710 --> 00:21:37,809

would hang up and and then one day I

378

00:21:44,669 --> 00:21:39,720

showed up at work and there was a little

379

00:21:50,220 --> 00:21:44,679

doll of me with pins sticking in it and

380

00:21:53,310 --> 00:21:50,230

I accused my fellow news men of pulling

381

00:21:55,590 --> 00:21:53,320

this gag on me but nobody ever confessed

382

00:21:57,029 --> 00:21:55,600

and you know after a while after six

383

00:21:59,610 --> 00:21:57,039

months a year you'd think somebody would

384

00:22:01,830 --> 00:21:59,620

finally say yeah okay I did that but

385

00:22:05,070 --> 00:22:01,840

nobody ever said that and I don't know

386

00:22:07,260 --> 00:22:05,080

pretty strange it was like like I think

387

00:22:11,399 --> 00:22:07,270

there are some warped individuals out

388

00:22:14,220 --> 00:22:11,409

there somewhere absolutely accepted part

389

00:22:15,600 --> 00:22:14,230

of my questions which is a totally

390

00:22:18,360 --> 00:22:15,610

different question but it comes with the

391

00:22:22,289 --> 00:22:18,370

same preference which is out of all your

392

00:22:26,310 --> 00:22:22,299

research and discovery what do you most

393

00:22:29,130 --> 00:22:26,320

hope is not true and what you hope both

394

00:22:33,240 --> 00:22:29,140

hope is true out of all you've uncovered

395

00:22:35,220 --> 00:22:33,250

oh man you're really asking some hard

396

00:22:38,970 --> 00:22:35,230

questions here well not hard questions

397

00:22:40,680 --> 00:22:38,980

but oh my god and national I stood in

398

00:22:42,659 --> 00:22:40,690

line for three days and could you get

399

00:22:44,580 --> 00:22:42,669

near you all your fans were surrounded

400

00:22:46,760 --> 00:22:44,590

you it's like this was my first camp I

401
00:22:49,740 --> 00:22:46,770
was so hot I called like three times

402
00:22:52,350 --> 00:22:49,750
well and these are great questions okay

403
00:22:54,810 --> 00:22:52,360
I'll take I'll tell you the thing that I

404
00:22:58,190 --> 00:22:54,820
hope is not true but I know it is is

405
00:23:01,590 --> 00:22:58,200
that our votes do not count anymore

406
00:23:04,080 --> 00:23:01,600
thanks to computer voter fraud I've

407
00:23:07,310 --> 00:23:04,090
studied that looked at that enough I can

408
00:23:10,680 --> 00:23:07,320
still recall that back and I think 2000

409
00:23:13,769 --> 00:23:10,690
even before we had the great crisis over

410
00:23:17,610 --> 00:23:13,779
a hanging Chad I thought it was a bomb

411
00:23:20,430 --> 00:23:17,620
yeah i think it was ABC they gave a

412
00:23:23,760 --> 00:23:20,440
housewife twelve dollars worth of

413
00:23:27,240 --> 00:23:23,770

software and she was able to hack into a

414

00:23:30,060 --> 00:23:27,250

voting machine okay it's that simple and

415

00:23:33,090 --> 00:23:30,070

of course they have people who can sit

416

00:23:36,299 --> 00:23:33,100

back and hack and go in and change up

417

00:23:38,159 --> 00:23:36,309

the basic codes and I don't I we haven't

418

00:23:40,139 --> 00:23:38,169

got time to go through the list of

419

00:23:42,750 --> 00:23:40,149

states that have had voting fraud

420

00:23:45,289 --> 00:23:42,760

problems and I know California and

421

00:23:47,820 --> 00:23:45,299

several other states have decertified

422

00:23:49,980 --> 00:23:47,830

certain of these machines and yet they

423

00:23:52,889 --> 00:23:49,990

just keep going out by more and more and

424

00:23:55,860 --> 00:23:52,899

more and I'm out here in rural Texas and

425

00:23:58,490 --> 00:23:55,870

just up until the last election you know

426

00:24:01,409 --> 00:23:58,500

we were still using paper ballots and

427

00:24:03,419 --> 00:24:01,419

and all of a sudden now we've got the

428

00:24:05,880 --> 00:24:03,429

touchstone computer thing of course I

429

00:24:08,519 --> 00:24:05,890

talked to the election judge down there

430

00:24:10,260 --> 00:24:08,529

good old boy and I said if you think

431

00:24:12,720 --> 00:24:10,270

that you think these things could be all

432

00:24:15,240 --> 00:24:12,730

no no they tell us that these things

433

00:24:17,160 --> 00:24:15,250

can't be hacked they're just fine

434

00:24:20,190 --> 00:24:17,170

yeah okay thanks a lot I'd sure

435

00:24:22,740 --> 00:24:20,200

appreciate that and I think that's thing

436

00:24:24,210 --> 00:24:22,750

scares me worst is that when we don't

437

00:24:27,690 --> 00:24:24,220

have a vote we don't have a democracy

438

00:24:30,840 --> 00:24:27,700

you know I hope that's not true I hope

439

00:24:33,450 --> 00:24:30,850

that's not true but I'm afraid it is and

440

00:24:36,750 --> 00:24:33,460

what do you most hope body your research

441

00:24:40,200 --> 00:24:36,760

is absolutely true I asked his question

442

00:24:44,760 --> 00:24:40,210

to Nick Redfern and he heard the alien

443

00:24:50,970 --> 00:24:44,770

that looks like Angelina Jolie well I

444

00:24:52,950 --> 00:24:50,980

suppose I I could handle that oh but now

445

00:24:56,730 --> 00:24:52,960

actually I was thinking along similar

446

00:25:00,630 --> 00:24:56,740

lines I think there is a huge universe

447

00:25:03,540 --> 00:25:00,640

out there and it's an energetic universe

448

00:25:05,760 --> 00:25:03,550

you know we're all we're all beings of

449

00:25:08,430 --> 00:25:05,770

energy but we don't know that because

450

00:25:11,250 --> 00:25:08,440

we're just trapped in these meat sacks

451
00:25:13,020 --> 00:25:11,260
right and then background and course the

452
00:25:15,710 --> 00:25:13,030
people who would like to control this

453
00:25:19,280 --> 00:25:15,720
world they have their hard at work

454
00:25:22,650 --> 00:25:19,290
trying to make us overweight

455
00:25:24,990 --> 00:25:22,660
undernourished and putting GMOs and our

456
00:25:27,570 --> 00:25:25,000
food spraying chemicals in there they're

457
00:25:30,300 --> 00:25:27,580
doing everything they can to physically

458
00:25:33,510 --> 00:25:30,310
debilitate us and yet if we ever

459
00:25:37,410 --> 00:25:33,520
understood that the physical body is not

460
00:25:40,380 --> 00:25:37,420
really what us it's it's our energy and

461
00:25:43,380 --> 00:25:40,390
the correlation that I point out is

462
00:25:45,660 --> 00:25:43,390
chase it's like your computer okay your

463
00:25:48,690 --> 00:25:45,670

computer's just plastic and cardboard

464

00:25:52,620 --> 00:25:48,700

and a little bit of solder you know few

465

00:25:55,800 --> 00:25:52,630

wires so physically it's not much but

466

00:25:57,210 --> 00:25:55,810

your computer can add subtract can

467

00:25:59,250 --> 00:25:57,220

actually come up with artificial

468

00:26:02,610 --> 00:25:59,260

intelligence can actually do a lot of

469

00:26:05,640 --> 00:26:02,620

neat things and it's because of the

470

00:26:07,290 --> 00:26:05,650

energy that's all those little bits in

471

00:26:08,880 --> 00:26:07,300

there that are jumping around you get a

472

00:26:10,860 --> 00:26:08,890

billion them together and you've got

473

00:26:13,170 --> 00:26:10,870

artificial intelligence and you've got a

474

00:26:17,760 --> 00:26:13,180

computer that really can do something

475

00:26:19,890 --> 00:26:17,770

well okay we're all bits of energy you

476
00:26:21,660 --> 00:26:19,900
you're surrounded by an energy field we

477
00:26:24,180 --> 00:26:21,670
know that I'm surrounded by an energy

478
00:26:27,270 --> 00:26:24,190
field and may be individually we're not

479
00:26:28,280 --> 00:26:27,280
so much but boy collectively you know we

480
00:26:31,940 --> 00:26:28,290
could do we could

481
00:26:34,970 --> 00:26:31,950
miracles and this is a wonderful planet

482
00:26:37,610 --> 00:26:34,980
we live on I think that's one reason

483
00:26:39,410 --> 00:26:37,620
that I think a lot of people from the

484
00:26:42,080 --> 00:26:39,420
neighborhood and maybe not from the

485
00:26:44,990 --> 00:26:42,090
neighborhood come around here to check

486
00:26:49,370 --> 00:26:45,000
us out because we have a beautiful world

487
00:26:53,000 --> 00:26:49,380
and that we're not doing right by it as

488
00:26:55,370 --> 00:26:53,010

I think you would agree and if we could

489

00:26:57,520 --> 00:26:55,380

ever just get our act together and quit

490

00:27:00,290 --> 00:26:57,530

listening to the people who control

491

00:27:03,350 --> 00:27:00,300

everything we see in here thanks to

492

00:27:05,900 --> 00:27:03,360

their ownership over the corporate mass

493

00:27:10,390 --> 00:27:05,910

media I think and just start operating

494

00:27:13,370 --> 00:27:10,400

is at local levels and now and as in

495

00:27:15,740 --> 00:27:13,380

communities you know we could turn this

496

00:27:19,340 --> 00:27:15,750

whole place into a paradise in fact hey

497

00:27:22,430 --> 00:27:19,350

chase consider this the United States of

498

00:27:25,850 --> 00:27:22,440

America right now today is still very

499

00:27:28,160 --> 00:27:25,860

very rich in resources we've still got

500

00:27:33,890 --> 00:27:28,170

clean water except maybe for the Gulf

501
00:27:37,730 --> 00:27:33,900
and we've got a lots of coal and oil gas

502
00:27:42,140 --> 00:27:37,740
and minerals and we got all resources we

503
00:27:45,530 --> 00:27:42,150
need and we have a reasonably educated

504
00:27:49,580 --> 00:27:45,540
workforce now can with that in

505
00:27:54,230 --> 00:27:49,590
consideration I ask you why should we be

506
00:27:58,400 --> 00:27:54,240
in financial difficulties and then the

507
00:28:01,270 --> 00:27:58,410
answer you ready well the answer is

508
00:28:04,160 --> 00:28:01,280
because somebody wants it that way I

509
00:28:06,440 --> 00:28:04,170
absolutely agree there's definitely

510
00:28:09,490 --> 00:28:06,450
bigger players pulling the puppet

511
00:28:12,470 --> 00:28:09,500
strings and you know and it goes back

512
00:28:14,450 --> 00:28:12,480
way further than just a last couple of

513
00:28:16,520 --> 00:28:14,460

elections that's for sure that's for

514

00:28:19,040 --> 00:28:16,530

sure and instead of pointing the finger

515

00:28:22,490 --> 00:28:19,050

at them or put them on trial we're

516

00:28:25,700 --> 00:28:22,500

paying them why we're giving a bailouts

517

00:28:29,870 --> 00:28:25,710

and stimulus packages are we nuts or

518

00:28:31,820 --> 00:28:29,880

what well i think you know we forgot to

519

00:28:34,310 --> 00:28:31,830

ask the questions and hold people

520

00:28:39,470 --> 00:28:34,320

accountable and throwing the word of

521

00:28:41,990 --> 00:28:39,480

sheep you know I know where we're just

522

00:28:44,810 --> 00:28:42,000

kind of going along and just concerned

523

00:28:46,910 --> 00:28:44,820

with some of our own issues and you know

524

00:28:48,530 --> 00:28:46,920

it doesn't affect my pocketbook you know

525

00:28:50,570 --> 00:28:48,540

with my brother's hungry whatever you

526

00:28:52,580 --> 00:28:50,580

know Astorino straight well you know in

527

00:28:53,990 --> 00:28:52,590

all my years as a journalist I can't

528

00:28:56,270 --> 00:28:54,000

tell you how many times I've heard

529

00:29:00,290 --> 00:28:56,280

somebody say well let Washington take

530

00:29:04,430 --> 00:29:00,300

care of that well folks say half and

531

00:29:06,620 --> 00:29:04,440

it's not a pretty picture thank you so

532

00:29:10,640 --> 00:29:06,630

much for taking my questions I you know

533

00:29:12,490 --> 00:29:10,650

really enjoy talking to you and this is

534

00:29:15,020 --> 00:29:12,500

awesome thank you for doing this

535

00:29:18,170 --> 00:29:15,030

anything else on your mind in that chase

536

00:29:19,700 --> 00:29:18,180

well I could ask 50 more questions but I

537

00:29:21,140 --> 00:29:19,710

don't want to hog the time and I know

538

00:29:25,130 --> 00:29:21,150

there's a lot of people who want to talk

539

00:29:27,980 --> 00:29:25,140

to you so as I learned an S so I just I

540

00:29:30,260 --> 00:29:27,990

wasn't joking about how many times I

541

00:29:32,690 --> 00:29:30,270

tried to you know get up to you know

542

00:29:35,540 --> 00:29:32,700

talk to Jim and completely surrounded at

543

00:29:38,150 --> 00:29:35,550

all times his fans and people I couldn't

544

00:29:41,060 --> 00:29:38,160

get near him it was crazy so this is a

545

00:29:44,030 --> 00:29:41,070

great opportunity even though ray before

546

00:29:48,230 --> 00:29:44,040

bed maybe i need the higher security

547

00:29:51,140 --> 00:29:48,240

guys up tonight I don't think but I

548

00:29:55,520 --> 00:29:51,150

think I see where you do that where you

549

00:29:58,280 --> 00:29:55,530

do that I what time come here all right

550

00:30:00,620 --> 00:29:58,290

there you go and then and then your

551
00:30:06,170 --> 00:30:00,630
payment will be you get to ask an extra

552
00:30:09,170 --> 00:30:06,180
question on your own oh thank you go

553
00:30:12,080 --> 00:30:09,180
mall or pothole thanks chase and this

554
00:30:17,870 --> 00:30:12,090
very well Chase is another one of these

555
00:30:21,560 --> 00:30:17,880
permanent timid temporary moving hosts

556
00:30:26,720 --> 00:30:21,570
on here on epic voyages so be sure and

557
00:30:31,130 --> 00:30:26,730
check her out she is a dynamo an A and a

558
00:30:33,440 --> 00:30:31,140
really sharp and thoughtful person okay

559
00:30:37,730 --> 00:30:33,450
do we have any more colors at the moment

560
00:30:41,810 --> 00:30:37,740
hello YUM yes yes this is Michael hey

561
00:30:44,090 --> 00:30:41,820
Michael how are you I'm Maude I'm cases

562
00:30:47,660 --> 00:30:44,100
co-hostess I ironic that I was able to

563
00:30:51,710 --> 00:30:47,670

get on right after her oh I a year in

564

00:30:54,320 --> 00:30:51,720

chaser double team in me here well I got

565

00:30:55,460 --> 00:30:54,330

a good one for you and I'm curious about

566

00:30:59,090 --> 00:30:55,470

your opinion on this

567

00:31:02,380 --> 00:30:59,100

uh you miss as we say in the JFK

568

00:31:06,110 --> 00:31:02,390

assassination research community shoot

569

00:31:09,399 --> 00:31:06,120

okay I you know you're aware of course

570

00:31:15,020 --> 00:31:09,409

of this asteroid that's coming into our

571

00:31:18,830 --> 00:31:15,030

galaxy and Ella vast yeah no yeah right

572

00:31:22,159 --> 00:31:18,840

which has past Pluto now and is heading

573

00:31:23,810 --> 00:31:22,169

in but the ironic thing about this you

574

00:31:25,700 --> 00:31:23,820

know it's not coming from the Kuiper

575

00:31:30,020 --> 00:31:25,710

belt because the Kuiper belt isn't out

576

00:31:33,230 --> 00:31:30,030

that far so do you have any ideas of

577

00:31:35,570 --> 00:31:33,240

what this is since we don't have any

578

00:31:38,720 --> 00:31:35,580

eyes out there really whether this is

579

00:31:43,399 --> 00:31:38,730

truly an asteroid or potentially

580

00:31:45,860 --> 00:31:43,409

something else oh boy you're trying to

581

00:31:47,779 --> 00:31:45,870

put me on the spot here no you don't

582

00:31:49,760 --> 00:31:47,789

have to answer it you really don't but I

583

00:31:52,460 --> 00:31:49,770

wanted to know your opinion I hey

584

00:31:56,120 --> 00:31:52,470

Michael actually I really I really can't

585

00:31:59,570 --> 00:31:56,130

because uh that whole issue is still in

586

00:32:01,610 --> 00:31:59,580

my file okay I've looked at I've looked

587

00:32:03,320 --> 00:32:01,620

at all the information coming down the

588

00:32:05,120 --> 00:32:03,330

pike from here there and everywhere and

589

00:32:08,090 --> 00:32:05,130

I just have scratched my head and say

590

00:32:10,640 --> 00:32:08,100

huh because but I'll tell you this I

591

00:32:16,310 --> 00:32:10,650

don't think we're getting paid of it

592

00:32:20,870 --> 00:32:16,320

from the experts that we would expect to

593

00:32:22,070 --> 00:32:20,880

get the stray account from for one thing

594

00:32:24,320 --> 00:32:22,080

there's several things that really

595

00:32:27,500 --> 00:32:24,330

bother me number one of course is the

596

00:32:30,220 --> 00:32:27,510

doomsday seed vault in Spitsbergen

597

00:32:34,490 --> 00:32:30,230

Norway where they salted away every

598

00:32:37,580 --> 00:32:34,500

heirloom seed on the planet in am in a

599

00:32:40,610 --> 00:32:37,590

air proof vault in a granite mountain

600

00:32:42,860 --> 00:32:40,620

you know and then you look and see who

601
00:32:46,159 --> 00:32:42,870
with the sponsors of that and we find

602
00:32:50,120 --> 00:32:46,169
its Bill Gates and it's the Rockefeller

603
00:32:53,320 --> 00:32:50,130
Foundation and in conjunction with the

604
00:32:55,789 --> 00:32:53,330
country of Norway and Monsanto and

605
00:32:58,000 --> 00:32:55,799
interesting and interestingly enough

606
00:33:01,250 --> 00:32:58,010
Monsanto's not putting any of their

607
00:33:03,289 --> 00:33:01,260
damned old Terminator seeds in there you

608
00:33:05,090 --> 00:33:03,299
know that you have to go back by every

609
00:33:07,850 --> 00:33:05,100
year there's they're putting heritage

610
00:33:09,410 --> 00:33:07,860
and heirloom seeds you got it we got

611
00:33:11,660 --> 00:33:09,420
that right

612
00:33:13,880 --> 00:33:11,670
we find out that the latest telescope

613
00:33:17,060 --> 00:33:13,890

our latest radio telescope is being

614

00:33:19,550 --> 00:33:17,070

built in Antarctica and then a Vatican

615

00:33:21,650 --> 00:33:19,560

that the Vatican is building a radio

616

00:33:22,970 --> 00:33:21,660

telescope in an arch again of course the

617

00:33:27,380 --> 00:33:22,980

people who've been trying to tell us

618

00:33:29,450 --> 00:33:27,390

about Planet X or the b-room wood or

619

00:33:31,250 --> 00:33:29,460

whatever you want to call it they all

620

00:33:34,220 --> 00:33:31,260

say it's going to be coming in from the

621

00:33:36,200 --> 00:33:34,230

south so that means Antarctica would be

622

00:33:39,530 --> 00:33:36,210

the ideal location to try to spot

623

00:33:41,690 --> 00:33:39,540

something like this coming in and I

624

00:33:43,850 --> 00:33:41,700

don't know there's just a lot of things

625

00:33:48,470 --> 00:33:43,860

going on that really bothered me and yet

626

00:33:50,780 --> 00:33:48,480

you ask you know the science guy or the

627

00:33:52,100 --> 00:33:50,790

guy on the TV or somebody at NASA they

628

00:33:55,420 --> 00:33:52,110

are gone I don't know where about

629

00:33:57,710 --> 00:33:55,430

everything's packed but of course I

630

00:33:59,690 --> 00:33:57,720

Michael I think you probably live long

631

00:34:01,610 --> 00:33:59,700

enough as I have to know that just

632

00:34:04,880 --> 00:34:01,620

because they tell you everything fans is

633

00:34:07,010 --> 00:34:04,890

not only eating that is bad because I

634

00:34:08,570 --> 00:34:07,020

hit you I can still remember when they

635

00:34:10,880 --> 00:34:08,580

told us there was light at the end of

636

00:34:13,580 --> 00:34:10,890

the tunnel in Vietnam we had that thing

637

00:34:15,470 --> 00:34:13,590

covered you know everything was good we

638

00:34:17,659 --> 00:34:15,480

were going to be able to pull out there

639

00:34:19,850 --> 00:34:17,669

and we had everything under control and

640

00:34:22,700 --> 00:34:19,860

of course then we got the Ted offenses

641

00:34:24,919 --> 00:34:22,710

and yeah that all went down the drain in

642

00:34:28,100 --> 00:34:24,929

a hurry I remember that six or seven

643

00:34:30,980 --> 00:34:28,110

more years of war so that right yeah

644

00:34:33,140 --> 00:34:30,990

well the interesting things Jim they're

645

00:34:35,540 --> 00:34:33,150

saying that you know this thing is going

646

00:34:37,580 --> 00:34:35,550

to come within 22 million miles now that

647

00:34:39,980 --> 00:34:37,590

sounds like a lot but when you consider

648

00:34:42,590 --> 00:34:39,990

the Sun is what 93 million miles away

649

00:34:44,360 --> 00:34:42,600

this thing is going to be huge in the

650

00:34:46,490 --> 00:34:44,370

sky and I think we're supposed to start

651
00:34:51,230 --> 00:34:46,500
seeing it like in January if i'm not

652
00:34:52,730 --> 00:34:51,240
mistaken maybe before i'd be yeah i

653
00:34:56,720 --> 00:34:52,740
think the thing we have to worry about

654
00:34:58,910 --> 00:34:56,730
is the mass and that that's what I can't

655
00:35:01,040 --> 00:34:58,920
seem to get a handle on first result

656
00:35:03,350 --> 00:35:01,050
it's an asteroid and then we're told no

657
00:35:06,610 --> 00:35:03,360
it's just a comet just this dirty ball

658
00:35:11,710 --> 00:35:06,620
of ice but you know even comets have

659
00:35:14,810 --> 00:35:11,720
some mass and or can pull a various

660
00:35:16,850 --> 00:35:14,820
asteroids and piece of space junk along

661
00:35:21,500 --> 00:35:16,860
with it and of course then we're told

662
00:35:22,880 --> 00:35:21,510
maybe it's a dwarf star or a dark star

663
00:35:24,559 --> 00:35:22,890

that's imploded if

664

00:35:28,009 --> 00:35:24,569

that's the case then you that could

665

00:35:30,680 --> 00:35:28,019

explain why we can't see much and yet

666

00:35:34,430 --> 00:35:30,690

and yet the mass could be incredible

667

00:35:37,279 --> 00:35:34,440

okay and if it's coming that close even

668

00:35:40,430 --> 00:35:37,289

with just a little bit of mass you know

669

00:35:43,430 --> 00:35:40,440

that it's going to cause disturbances on

670

00:35:45,680 --> 00:35:43,440

there just because of celestial

671

00:35:49,789 --> 00:35:45,690

mechanics and the stress of

672

00:35:53,380 --> 00:35:49,799

gravitational pull exactly and if it's a

673

00:35:56,089 --> 00:35:53,390

dark bar or a dark black hole or a

674

00:35:57,650 --> 00:35:56,099

another form of energy coming from outer

675

00:36:00,890 --> 00:35:57,660

space that we don't even have a clue

676
00:36:03,799 --> 00:36:00,900
about who really knows what this thing

677
00:36:06,170 --> 00:36:03,809
is going to be well i can tell you i can

678
00:36:13,099 --> 00:36:06,180
tell you right now with absolute surety

679
00:36:14,720 --> 00:36:13,109
okay in what it's an anomaly need to

680
00:36:19,370 --> 00:36:14,730
bring that we're back into this all

681
00:36:22,849 --> 00:36:19,380
tried to bring that back up yeah it is

682
00:36:25,579 --> 00:36:22,859
an anomaly anything is it it's okay

683
00:36:27,980 --> 00:36:25,589
folks it's okay no go back go back sleep

684
00:36:30,289 --> 00:36:27,990
is just an anomaly coming in that's

685
00:36:32,569 --> 00:36:30,299
enjoyed it it's one of those things that

686
00:36:33,799 --> 00:36:32,579
we have a strange word for but we don't

687
00:36:41,420 --> 00:36:33,809
even know what the meaning of the word

688
00:36:43,279 --> 00:36:41,430

is quick well I want to clog up the line

689

00:36:45,440 --> 00:36:43,289

Jim it's been great talking with you

690

00:36:48,079 --> 00:36:45,450

well thank you and I wait and you know

691

00:36:51,109 --> 00:36:48,089

it's a good question and I would pass

692

00:36:53,509 --> 00:36:51,119

everybody with half brain one I to keep

693

00:36:57,140 --> 00:36:53,519

an eye on this issue because there's

694

00:36:59,059 --> 00:36:57,150

something coming in and unless it really

695

00:37:02,359 --> 00:36:59,069

is just some kind of little bitty old

696

00:37:04,759 --> 00:37:02,369

copy with a few balls of ice it could

697

00:37:08,049 --> 00:37:04,769

cause some disturbances on this planet

698

00:37:11,329 --> 00:37:08,059

and so I would pay more attention to

699

00:37:15,680 --> 00:37:11,339

Elenin than I would is going to be

700

00:37:20,269 --> 00:37:15,690

Americans idol you got that right thank

701
00:37:27,980 --> 00:37:20,279
you thank you you bet all right all

702
00:37:31,549 --> 00:37:27,990
right now anybody else glad hi Jim all

703
00:37:34,970 --> 00:37:31,559
right hi it's Christine Dickie / Wilder

704
00:37:36,600 --> 00:37:34,980
on the state director for Arizona and I

705
00:37:40,710 --> 00:37:36,610
just wanted to add a

706
00:37:44,870 --> 00:37:40,720
went to the last topic that we you were

707
00:37:48,750 --> 00:37:44,880
talking about and back in 2009 in

708
00:37:51,030 --> 00:37:48,760
February I was taking a lot of photos

709
00:37:56,670 --> 00:37:51,040
going out at night setting up my nikon

710
00:38:02,280 --> 00:37:56,680
d90 on on tripod taking photos of stuff

711
00:38:04,710 --> 00:38:02,290
out here in arizona and i downloaded one

712
00:38:07,680 --> 00:38:04,720
of my my little chips on the computer

713
00:38:09,180 --> 00:38:07,690

and i was actually taking a picture of

714

00:38:12,000 --> 00:38:09,190

something else when there was this

715

00:38:16,620 --> 00:38:12,010

little gray object right in the middle

716

00:38:21,000 --> 00:38:16,630

of the the photo so i enlarge the object

717

00:38:26,220 --> 00:38:21,010

and lo and behold it's a rock it is a

718

00:38:28,080 --> 00:38:26,230

big rock I have a 300 millimeter lens on

719

00:38:31,650 --> 00:38:28,090

that thing so it can shoot way out in

720

00:38:34,740 --> 00:38:31,660

his face but I was gnarly what order so

721

00:38:37,440 --> 00:38:34,750

it's not a dirty snowball oh no sir it

722

00:38:39,990 --> 00:38:37,450

was it was actually being followed by

723

00:38:44,040 --> 00:38:40,000

three objects that were leaving an

724

00:38:45,930 --> 00:38:44,050

ionized trail row and they were domed

725

00:38:50,070 --> 00:38:45,940

objects so you tell me if those are

726

00:38:52,560 --> 00:38:50,080

dirty snowballs and i sent i sent that

727

00:38:54,990 --> 00:38:52,570

photo to National Geographic i sent it

728

00:38:57,570 --> 00:38:55,000

to university of arizona i sent it to

729

00:38:59,760 --> 00:38:57,580

new science magazine and a couple of

730

00:39:04,560 --> 00:38:59,770

others and never heard a peep from

731

00:39:07,500 --> 00:39:04,570

anybody well and what let's consider

732

00:39:10,160 --> 00:39:07,510

this and christine this then just to you

733

00:39:15,810 --> 00:39:10,170

this is everyone that's listening now

734

00:39:19,820 --> 00:39:15,820

and on and in the chat room if you came

735

00:39:23,520 --> 00:39:19,830

into evidence like you say you have

736

00:39:25,950 --> 00:39:23,530

there something really coming in and if

737

00:39:28,830 --> 00:39:25,960

it was something that you think might be

738

00:39:31,440 --> 00:39:28,840

a real awakening for the world i'm

739

00:39:34,530 --> 00:39:31,450

either either good because hey we're

740

00:39:38,370 --> 00:39:34,540

here your space for the savior or we're

741

00:39:42,180 --> 00:39:38,380

here to eat you whatever you like ya

742

00:39:45,420 --> 00:39:42,190

think yeah but think about it there is a

743

00:39:48,090 --> 00:39:45,430

responsibility on the people who have

744

00:39:49,970 --> 00:39:48,100

leadership positions they they don't

745

00:39:53,300 --> 00:39:49,980

want to cause

746

00:39:55,520 --> 00:39:53,310

chaos and panic among the population and

747

00:39:57,620 --> 00:39:55,530

you know where I'm speaking here with a

748

00:39:59,599 --> 00:39:57,630

group of people you guys have your eyes

749

00:40:01,640 --> 00:39:59,609

and ears and your minds open or you

750

00:40:03,170 --> 00:40:01,650

wouldn't be little again but think about

751

00:40:06,370 --> 00:40:03,180

everybody else don't we have an

752

00:40:09,470 --> 00:40:06,380

obligation to somehow tell them in a

753

00:40:13,780 --> 00:40:09,480

soft easy way that you know their their

754

00:40:16,340 --> 00:40:13,790

their worldview is fixing to change yeah

755

00:40:19,609 --> 00:40:16,350

but you know the remarkable thing is

756

00:40:22,910 --> 00:40:19,619

that these three UFOs were pushing that

757

00:40:25,099 --> 00:40:22,920

thing away from us we'll see there you

758

00:40:29,180 --> 00:40:25,109

go maybe it's a good thing what is more

759

00:40:32,359 --> 00:40:29,190

wonderful than that yeah yeah I mean

760

00:40:34,070 --> 00:40:32,369

they're watching out for us yeah well

761

00:40:39,320 --> 00:40:34,080

and I would and you know Christine I

762

00:40:41,359 --> 00:40:39,330

would suspect so because it you know if

763

00:40:43,970 --> 00:40:41,369

you go back and i'm sure you have most

764

00:40:45,830 --> 00:40:43,980

of the people lobe studied UFOs for

765

00:40:48,230 --> 00:40:45,840

years you know the history you know

766

00:40:51,140 --> 00:40:48,240

they've been here every since the big

767

00:40:54,170 --> 00:40:51,150

dawn of before we listed before we

768

00:40:57,320 --> 00:40:54,180

working okay so so if their objective

769

00:40:59,330 --> 00:40:57,330

was to take over the planet or kill us

770

00:41:02,660 --> 00:40:59,340

or eat us or something they would have

771

00:41:04,670 --> 00:41:02,670

done it long before now now i'm not one

772

00:41:06,650 --> 00:41:04,680

of these that thinks that they're our

773

00:41:08,540 --> 00:41:06,660

space brothers and sisters and they're

774

00:41:10,609 --> 00:41:08,550

going to come full our iron out of the

775

00:41:15,080 --> 00:41:10,619

fire I think you know when you make your

776

00:41:16,520 --> 00:41:15,090

bed you have to line it okay but but I

777

00:41:19,160 --> 00:41:16,530

don't think they're going to sit around

778

00:41:21,530 --> 00:41:19,170

and let us be destroyed particularly if

779

00:41:23,599 --> 00:41:21,540

it's something that we don't have the

780

00:41:25,130 --> 00:41:23,609

capability of doing anything about so

781

00:41:27,980 --> 00:41:25,140

what you're telling me is really quite

782

00:41:29,690 --> 00:41:27,990

fascinating me what is that skill yeah

783

00:41:31,460 --> 00:41:29,700

what if what if they are out there

784

00:41:34,310 --> 00:41:31,470

pushing something away from this a

785

00:41:37,040 --> 00:41:34,320

little bit so we don't you know that's a

786

00:41:39,620 --> 00:41:37,050

it's a real saying something it really

787

00:41:41,480 --> 00:41:39,630

is ready and I'd love to send this photo

788

00:41:44,540 --> 00:41:41,490

to you guys if you want it because it

789

00:41:47,540 --> 00:41:44,550

really shows a lot well please do i'd

790

00:41:50,210 --> 00:41:47,550

love see you then okay and our email by

791

00:41:52,910 --> 00:41:50,220

the way so oh no there you go send it by

792

00:41:56,000 --> 00:41:52,920

email and send a copy to ken cherry do

793

00:41:59,120 --> 00:41:56,010

oh well I cheese can you know there's so

794

00:42:01,520 --> 00:41:59,130

much I could talk about that anyway I'll

795

00:42:03,210 --> 00:42:01,530

let somebody else get online well

796

00:42:04,800 --> 00:42:03,220

alright let me hang on

797

00:42:07,380 --> 00:42:04,810

I want you to hang on this minute

798

00:42:11,400 --> 00:42:07,390

Christine I want to simply reiterate

799

00:42:16,530 --> 00:42:11,410

that this is epic voyages this is the

800

00:42:18,750 --> 00:42:16,540

radio format for the epic voyages which

801

00:42:22,140 --> 00:42:18,760

is the correct me if I'm wrong at

802

00:42:26,570 --> 00:42:22,150

extraordinary phenomenon investigations

803

00:42:29,370 --> 00:42:26,580

council I believe that's correct and we

804

00:42:31,760 --> 00:42:29,380

looking in all kinds of things and with

805

00:42:35,099 --> 00:42:31,770

me right now is Christine Dickey and

806

00:42:37,650 --> 00:42:35,109

Christine just very very briefly before

807

00:42:39,660 --> 00:42:37,660

you go reiterate what you just said for

808

00:42:43,830 --> 00:42:39,670

those who may be just joining in or

809

00:42:47,820 --> 00:42:43,840

didn't get to hear that bridge february

810

00:42:50,490 --> 00:42:47,830

19th i was at my backyard taking photos

811

00:42:52,500 --> 00:42:50,500

actually i saw an object between two

812

00:42:54,060 --> 00:42:52,510

houses and was going back and forth I

813

00:42:56,280 --> 00:42:54,070

didn't know what it was and I thought oh

814

00:42:58,530 --> 00:42:56,290

heck I was going to try out my new

815

00:43:01,349 --> 00:42:58,540

camera and take a photo and I took

816

00:43:02,880 --> 00:43:01,359

several but when i came back in and put

817

00:43:06,000 --> 00:43:02,890

them on the computer there was this

818

00:43:08,160 --> 00:43:06,010

anomalous gray object right in the

819

00:43:09,870 --> 00:43:08,170

middle of the photo and there was a

820

00:43:13,200 --> 00:43:09,880

bunch of little bunch like a whole

821

00:43:16,349 --> 00:43:13,210

cluster and so I enlarge that and lo

822

00:43:19,410 --> 00:43:16,359

behold it's definitely an asteroid there

823

00:43:23,160 --> 00:43:19,420

is no doubt in my mind and also there's

824

00:43:26,550 --> 00:43:23,170

three UFOs in this photo showing that

825

00:43:29,280 --> 00:43:26,560

they are accompanying this asteroid now

826

00:43:31,200 --> 00:43:29,290

probably more than likely to make sure

827

00:43:33,780 --> 00:43:31,210

that it doesn't smash into our planet

828

00:43:35,579 --> 00:43:33,790

well Christine what gives you an

829

00:43:37,740 --> 00:43:35,589

impression that they were trying to

830

00:43:41,820 --> 00:43:37,750

exert some influence on it i push it

831

00:43:44,099 --> 00:43:41,830

bullet or whatever well obviously they

832

00:43:46,040 --> 00:43:44,109

don't want to see us destroyed or they

833

00:43:51,210 --> 00:43:46,050

want at least keep it away from a

834

00:43:55,320 --> 00:43:51,220

population populated area my guess is

835

00:43:58,950 --> 00:43:55,330

that if this thing hit us it would be

836

00:44:02,940 --> 00:43:58,960

like the end of the dinosaurs over again

837

00:44:04,530 --> 00:44:02,950

oh yeah well maybe it maybe maybe they

838

00:44:08,370 --> 00:44:04,540

want to make sure they get to see the

839

00:44:10,079 --> 00:44:08,380

conclusion of Harry Potter maybe they

840

00:44:12,420 --> 00:44:10,089

just don't want to blow up so well they

841

00:44:14,790 --> 00:44:12,430

can come back right anyway all right

842

00:44:16,560 --> 00:44:14,800

well thank you so much for the call that

843

00:44:18,990 --> 00:44:16,570

was quite fascinating so now we have

844

00:44:27,550 --> 00:44:22,630

okay I think we have Thank You Christine

845

00:44:37,210 --> 00:44:27,560

um i think is james james are used on

846

00:44:41,710 --> 00:44:37,220

hold is james out there old deal all

847

00:44:43,510 --> 00:44:41,720

right who we got next on here alright

848

00:44:48,600 --> 00:44:43,520

well i think i'll tell you what let me

849

00:44:51,250 --> 00:44:48,610

an answer to fix alien i guess it is and

850

00:44:53,620 --> 00:44:51,260

since this is a Vick sale in i'm

851

00:44:56,710 --> 00:44:53,630

assuming this may be a female so i'm

852

00:45:00,310 --> 00:44:56,720

going to say she is asking do I think

853

00:45:02,440 --> 00:45:00,320

the Tunguska crash could have been a UFO

854

00:45:04,630 --> 00:45:02,450

and I want to taste something I've

855

00:45:08,440 --> 00:45:04,640

written about that and I've studied that

856

00:45:12,580 --> 00:45:08,450

for many years and the bottom line

857

00:45:16,180 --> 00:45:12,590

answer is yes and the reason I say that

858

00:45:20,050 --> 00:45:16,190

is because there is good evidence both

859

00:45:23,950 --> 00:45:20,060

eyewitness and and otherwise that the

860

00:45:28,980 --> 00:45:23,960

the object that created this giant

861

00:45:31,870 --> 00:45:28,990

explosion over Siberia beckon 1907 1909

862

00:45:35,260 --> 00:45:31,880

that was monitored all around the world

863

00:45:39,940 --> 00:45:35,270

that there was a course correction at

864

00:45:43,210 --> 00:45:39,950

the last moment and of course a meteor

865

00:45:45,940 --> 00:45:43,220

doesn't make a course correction and

866

00:45:48,210 --> 00:45:45,950

also I have reasonably that there's more

867

00:45:51,190 --> 00:45:48,220

to it than we know or have been told

868

00:45:53,920 --> 00:45:51,200

because of my dealing with the Army's

869

00:45:55,600 --> 00:45:53,930

remote viewing unit and some of them

870

00:45:58,210 --> 00:45:55,610

went to take a look at that and they

871

00:46:02,680 --> 00:45:58,220

said it was here comes that word again

872

00:46:06,940 --> 00:46:02,690

it was known on anonymous guy came

873

00:46:09,630 --> 00:46:06,950

saying that anonymous object so I think

874

00:46:13,180 --> 00:46:09,640

there was something going on there and

875

00:46:18,610 --> 00:46:13,190

we haven't been told the full straight

876

00:46:22,120 --> 00:46:18,620

of all of that and as as fix alien

877

00:46:25,120 --> 00:46:22,130

points out whatever blew up blew up

878

00:46:27,430 --> 00:46:25,130

before it hits ground because there's no

879

00:46:30,850 --> 00:46:27,440

crater and yet it it created an

880

00:46:31,330 --> 00:46:30,860

explosion that was tantamount to a low

881

00:46:35,800 --> 00:46:31,340

year

882

00:46:39,700 --> 00:46:35,810

nuclear explosion um okay we've got a

883

00:46:43,510 --> 00:46:39,710

question from just Sarah oh listen to

884

00:46:46,870 --> 00:46:43,520

come on Sarah is not just there it's d

885

00:46:49,780 --> 00:46:46,880

Sarah where else can find information on

886

00:46:51,960 --> 00:46:49,790

Aurora I'm what do research paper on it

887

00:46:57,010 --> 00:46:51,970

okay well come to Wise County you know

888

00:46:59,380 --> 00:46:57,020

i'll give you a tour aurora texas by the

889

00:47:04,510 --> 00:46:59,390

way is located about 20 miles north of

890

00:47:09,870 --> 00:47:04,520

fort worth it's on highway 114 just off

891

00:47:13,720 --> 00:47:09,880

287 find more information on Aurora

892

00:47:17,980 --> 00:47:13,730

mm-hmm well Oh what am I thinking of of

893

00:47:21,520 --> 00:47:17,990

course read alien agenda all right this

894

00:47:24,010 --> 00:47:21,530

is published back the 90s Publishers

895

00:47:26,290 --> 00:47:24,020

Weekly says the most entertaining and

896

00:47:30,540 --> 00:47:26,300

complete overview of flying saucers and

897

00:47:34,650 --> 00:47:30,550

their crew in years and of course that's

898

00:47:37,600 --> 00:47:34,660

alien agenda by jim marrs by my book and

899

00:47:39,700 --> 00:47:37,610

in there you will find i opened the

900

00:47:42,430 --> 00:47:39,710

whole thing up with my whole experiences

901
00:47:44,530 --> 00:47:42,440
newspaper reporter dealing with the

902
00:47:47,170 --> 00:47:44,540
Aurora spaceship story that'll be

903
00:47:52,840 --> 00:47:47,180
that'll give you plenty of good places

904
00:47:57,160 --> 00:47:52,850
to to start um we have Jamie on the line

905
00:48:00,400 --> 00:47:57,170
is there Jamie yeah that's me oh hey

906
00:48:02,110 --> 00:48:00,410
Jamie how's it going it's going great

907
00:48:04,420 --> 00:48:02,120
and I want to say it's an honor having

908
00:48:08,380 --> 00:48:04,430
you around and such an radio I'm one of

909
00:48:10,240 --> 00:48:08,390
the owners here and producers him I had

910
00:48:14,860 --> 00:48:10,250
a question for you since you're into

911
00:48:17,700 --> 00:48:14,870
conspiracy so much many of us i would

912
00:48:21,490 --> 00:48:17,710
say a great deal of us who explore

913
00:48:23,140 --> 00:48:21,500

conspiracy believe that the government

914

00:48:27,430 --> 00:48:23,150

does not run the world who do you

915

00:48:30,370 --> 00:48:27,440

believe actually calls but they call

916

00:48:34,950 --> 00:48:30,380

should we think is acting as the final

917

00:48:39,970 --> 00:48:34,960

say in what goes on in our government

918

00:48:43,060 --> 00:48:39,980

boy well you know Jamie the problem but

919

00:48:45,160 --> 00:48:43,070

the question like that is is that I've

920

00:48:47,319 --> 00:48:45,170

got two ways of answering

921

00:48:48,490 --> 00:48:47,329

can give you the 25 words or less in

922

00:48:50,020 --> 00:48:48,500

which case you're going to go where

923

00:48:53,859 --> 00:48:50,030

you're just nuts you know where'd you

924

00:48:56,710 --> 00:48:53,869

get that or I can background you to the

925

00:48:59,380 --> 00:48:56,720

point to where you go oh I see how that

926
00:49:01,299 --> 00:48:59,390
fits together but that would take hours

927
00:49:04,089 --> 00:49:01,309
and hours and you'd probably get bored

928
00:49:06,130 --> 00:49:04,099
and hang up go to sleep before I got

929
00:49:08,530 --> 00:49:06,140
finished with that so that's really a

930
00:49:12,030 --> 00:49:08,540
tough one but let me just say that the

931
00:49:15,520 --> 00:49:12,040
people we see in the mass media

932
00:49:18,520 --> 00:49:15,530
presidents prime ministers these are

933
00:49:22,390 --> 00:49:18,530
just sock puppets okay they are people

934
00:49:27,370 --> 00:49:22,400
who are allowed to be or put into those

935
00:49:31,150 --> 00:49:27,380
positions and there are financial powers

936
00:49:33,460 --> 00:49:31,160
and i would say finances because i think

937
00:49:36,640 --> 00:49:33,470
it was my Roth child who was quoted as

938
00:49:39,520 --> 00:49:36,650

saying i care not who makes the laws as

939

00:49:41,740 --> 00:49:39,530

long as i can control the money because

940

00:49:44,049 --> 00:49:41,750

whoever controls the money it's the

941

00:49:46,839 --> 00:49:44,059

golden rule you know whoever has the

942

00:49:49,000 --> 00:49:46,849

gold makes the rules and you know and

943

00:49:52,329 --> 00:49:49,010

you don't really hear about those people

944

00:49:55,589 --> 00:49:52,339

much okay and but they have front people

945

00:49:57,970 --> 00:49:55,599

they have the Rothschilds and the

946

00:50:01,930 --> 00:49:57,980

Rockefellers in the DuPont's and the

947

00:50:06,430 --> 00:50:01,940

morgans and these families who act as

948

00:50:08,559 --> 00:50:06,440

their administrators and and that

949

00:50:09,970 --> 00:50:08,569

doesn't mean they're all necessarily bad

950

00:50:12,400 --> 00:50:09,980

they're probably very capable

951
00:50:18,160 --> 00:50:12,410
administrators but they do not make the

952
00:50:20,650 --> 00:50:18,170
decisions even even linen who supposedly

953
00:50:24,099 --> 00:50:20,660
like was the dictator of communism in

954
00:50:26,710 --> 00:50:24,109
Russia he said sometimes you turn the

955
00:50:28,569 --> 00:50:26,720
wheel car doesn't go that way and it's

956
00:50:32,130 --> 00:50:28,579
so I think he began to realize that

957
00:50:36,099 --> 00:50:32,140
there are forces in play on this planet

958
00:50:38,079 --> 00:50:36,109
that whole much greater power than we

959
00:50:39,849 --> 00:50:38,089
even know about and if we don't even

960
00:50:41,620 --> 00:50:39,859
know about it then how can we talk about

961
00:50:43,510 --> 00:50:41,630
it if we can't talk about it then we

962
00:50:46,059 --> 00:50:43,520
can't do anything about it and that

963
00:50:47,980 --> 00:50:46,069

creates a real problem but Jamie I think

964

00:50:51,039 --> 00:50:47,990

you're I think you're thinking in the

965

00:50:54,520 --> 00:50:51,049

right direction and all I say all I can

966

00:50:56,859 --> 00:50:54,530

say is just keep studying yep just like

967

00:50:58,529 --> 00:50:56,869

the old saying money talks so thank you

968

00:51:02,109 --> 00:50:58,539

for taking my call

969

00:51:07,510 --> 00:51:02,119

well thank you thank you I appreciate it

970

00:51:11,620 --> 00:51:07,520

um I've got a question here online from

971

00:51:15,190 --> 00:51:11,630

bump mush okay says have you ever

972

00:51:17,319 --> 00:51:15,200

explored remote viewing yourself and as

973

00:51:19,900 --> 00:51:17,329

I am in fact that was quite an

974

00:51:23,620 --> 00:51:19,910

eye-opener for me because when I first

975

00:51:27,029 --> 00:51:23,630

heard the story about the US Army was

976
00:51:30,370 --> 00:51:27,039
using remote viewing to spy on the

977
00:51:33,069 --> 00:51:30,380
Soviets and the other potential enemies

978
00:51:36,490 --> 00:51:33,079
I jumped all over that story not because

979
00:51:39,819 --> 00:51:36,500
I felt remote doing work but because I

980
00:51:41,769 --> 00:51:39,829
thought what a waste of government money

981
00:51:44,680 --> 00:51:41,779
you know this is going to be a great

982
00:51:48,579 --> 00:51:44,690
story because here they are just

983
00:51:51,370 --> 00:51:48,589
frittering away the taxpayers money but

984
00:51:53,500 --> 00:51:51,380
then I find out after digging into it

985
00:51:56,170 --> 00:51:53,510
and and after being schooled in it

986
00:51:59,349 --> 00:51:56,180
myself and even being tested in it it

987
00:52:02,559 --> 00:51:59,359
really works and I will tell you about

988
00:52:05,620 --> 00:52:02,569

my personal experience the first time I

989

00:52:08,980 --> 00:52:05,630

tried remote viewing right after this

990

00:52:11,410 --> 00:52:08,990

break so everybody hold on to your

991

00:52:14,079 --> 00:52:11,420

keyboards and hold on to your telephones

992

00:52:15,549 --> 00:52:14,089

and hang in there and we're going to

993

00:52:18,460 --> 00:52:15,559

take a short break when we come back

994

00:52:56,590 --> 00:52:18,470

we're going to continue this view from

program schedule all on the inception

1012

00:54:03,039 --> 00:54:00,170

radio network thank you for joining us

1013

00:54:08,710 --> 00:54:03,049

how do you we're back here view from

1014

00:54:11,140 --> 00:54:08,720

Mars on epic voyages of speaker before I

1015

00:54:14,740 --> 00:54:11,150

forget about it anybody that's around

1016

00:54:19,120 --> 00:54:14,750

the Dallas forward theory on August the

1017

00:54:24,309 --> 00:54:19,130

28th I will be making a presentation to

1018

00:54:25,980 --> 00:54:24,319

the epic meeting here you go to that big

1019

00:54:30,160 --> 00:54:25,990

web statue find all the details

1020

00:54:31,720 --> 00:54:30,170

directions everything else and I don't

1021

00:54:33,460 --> 00:54:31,730

think you want to miss it when I'm only

1022

00:54:37,380 --> 00:54:33,470

going to talk about the hidden history

1023

00:54:40,660 --> 00:54:37,390

of the world and try to cover that in a

1024

00:54:42,519 --> 00:54:40,670

little more in an hour so that's kind of

1025

00:54:45,839 --> 00:54:42,529

like saying well you know hey take a

1026
00:54:49,089 --> 00:54:45,849
minute and tell me everything you know

1027
00:54:53,769 --> 00:54:49,099
okay and I want to mention also once

1028
00:54:57,730 --> 00:54:53,779
again the call in number is 8 8 8 9 19 2

1029
00:55:00,730 --> 00:54:57,740
3 55 and I'm almost dead certain that

1030
00:55:03,910 --> 00:55:00,740
that is a toll-free number so don't

1031
00:55:09,759 --> 00:55:03,920
hesitate as chase and I were talking

1032
00:55:14,140 --> 00:55:09,769
about we may have a wallflower contest

1033
00:55:15,519 --> 00:55:14,150
here to see who's the shyest person but

1034
00:55:16,150 --> 00:55:15,529
that's going to be a little difficult to

1035
00:55:18,010 --> 00:55:16,160
judge

1036
00:55:21,069 --> 00:55:18,020
I guess because the shyest person

1037
00:55:24,760 --> 00:55:21,079
probably won't call in but let's work on

1038
00:55:27,660 --> 00:55:24,770

it let's all just sticker chin out and

1039

00:55:31,270 --> 00:55:27,670

our best foot out and we're going to go

1040

00:55:35,549 --> 00:55:31,280

as I mentioned before we took the break

1041

00:55:38,559 --> 00:55:35,559

I will tell you briefly my first

1042

00:55:40,150 --> 00:55:38,569

experiment with remote viewing and for

1043

00:55:47,950 --> 00:55:40,160

those of you who don't know what promote

1044

00:55:51,370 --> 00:55:47,960

doing is that is seeing visualizing

1045

00:55:58,720 --> 00:55:51,380

people places things at a distance

1046

00:56:02,650 --> 00:55:58,730

without using the normal five senses in

1047

00:56:04,539 --> 00:56:02,660

other words it's a psychic ability and I

1048

00:56:07,480 --> 00:56:04,549

know there's probably a few of you out

1049

00:56:09,819 --> 00:56:07,490

there is going back because that's

1050

00:56:11,380 --> 00:56:09,829

exactly why I felt when I first heard

1051

00:56:13,809 --> 00:56:11,390

about it I thought this has got to be a

1052

00:56:19,620 --> 00:56:13,819

waste the taxpayers money so I'm gonna

1053

00:56:23,859 --> 00:56:19,630

dig into this story okay what you do is

1054

00:56:28,120 --> 00:56:23,869

you get in a very meditative state and

1055

00:56:34,120 --> 00:56:28,130

you allow your inner self to connect

1056

00:56:38,559 --> 00:56:34,130

with the universal energy grid and then

1057

00:56:41,289 --> 00:56:38,569

you can if you are allow yourself to and

1058

00:56:47,230 --> 00:56:41,299

if you're sensitive to it you can pick

1059

00:56:50,440 --> 00:56:47,240

up the very subtle and slight input that

1060

00:56:51,940 --> 00:56:50,450

will come I'm sure that all of y'all at

1061

00:56:54,309 --> 00:56:51,950

one time another have had the experience

1062

00:56:57,309 --> 00:56:54,319

of thinking hey I think my mom's going

1063

00:56:59,609 --> 00:56:57,319

to call and then a few minutes later an

1064

00:57:03,370 --> 00:56:59,619

hour later phone rings and it's your mom

1065

00:57:06,730 --> 00:57:03,380

we all have this ability in fact that

1066

00:57:08,890 --> 00:57:06,740

was determined at research that was done

1067

00:57:11,500 --> 00:57:08,900

at stanford research institute out in

1068

00:57:14,069 --> 00:57:11,510

California they found out some amazing

1069

00:57:17,500 --> 00:57:14,079

things that we all have this capability

1070

00:57:20,470 --> 00:57:17,510

and that it's not limited by time or

1071

00:57:23,140 --> 00:57:20,480

space you revoked you in the past you

1072

00:57:24,730 --> 00:57:23,150

can remote view in the future so anyway

1073

00:57:27,519 --> 00:57:24,740

when I first heard about it though I

1074

00:57:29,590 --> 00:57:27,529

wasn't I was pretty skeptical in fact I

1075

00:57:33,010 --> 00:57:29,600

was highly skeptical

1076

00:57:35,440 --> 00:57:33,020

and so I was slated to fly out to

1077

00:57:37,300 --> 00:57:35,450

Albuquerque and meet some of the guys

1078

00:57:40,060 --> 00:57:37,310

that have been in the Army's remote

1079

00:57:43,240 --> 00:57:40,070

Union it and they were trying to start

1080

00:57:44,950 --> 00:57:43,250

up a private business and I was told I

1081

00:57:47,920 --> 00:57:44,960

was going out to meet with them at their

1082

00:57:51,120 --> 00:57:47,930

headquarters so I'm thinking in terms of

1083

00:57:54,580 --> 00:57:51,130

an office building or whatever and so I

1084

00:57:57,850 --> 00:57:54,590

had a leg up on this whole thing because

1085

00:58:00,490 --> 00:57:57,860

back as a newspaper reporter I had done

1086

00:58:03,100 --> 00:58:00,500

a story on transcendental meditation and

1087

00:58:05,680 --> 00:58:03,110

in the course of preparing for that

1088

00:58:07,960 --> 00:58:05,690

story that I they had actually taken me

1089

00:58:11,680 --> 00:58:07,970

through a course and I'd learn how to

1090

00:58:14,560 --> 00:58:11,690

set down and relax and kind of clear my

1091

00:58:17,260 --> 00:58:14,570

mind and get in a meditative state so I

1092

00:58:20,080 --> 00:58:17,270

did that because that's one of the first

1093

00:58:21,610 --> 00:58:20,090

key steps and remote viewing and then I

1094

00:58:24,280 --> 00:58:21,620

said okay I won't know what this

1095

00:58:29,440 --> 00:58:24,290

headquarters going to look like well I

1096

00:58:31,540 --> 00:58:29,450

got a very definite impression of a not

1097

00:58:33,100 --> 00:58:31,550

a clear picture okay if you sit down and

1098

00:58:35,920 --> 00:58:33,110

close your eyes and you've got a very

1099

00:58:39,550 --> 00:58:35,930

clear picture of say a sassy island with

1100

00:58:42,400 --> 00:58:39,560

a grass hut then the seagulls going by

1101
00:58:46,150 --> 00:58:42,410
on the waves landing on the White shore

1102
00:58:48,460 --> 00:58:46,160
that's daydreaming okay this is a very

1103
00:58:51,280 --> 00:58:48,470
subtle signal but I got a very distinct

1104
00:58:57,310 --> 00:58:51,290
impression of this one-story strip

1105
00:59:00,220 --> 00:58:57,320
shopping center type place with a kind

1106
00:59:01,960 --> 00:59:00,230
of earthy dark earth tone but the

1107
00:59:03,880 --> 00:59:01,970
corners of the building were raised

1108
00:59:06,970 --> 00:59:03,890
somebody and there was something jutting

1109
00:59:09,940 --> 00:59:06,980
out and this is where I made my first

1110
00:59:12,700 --> 00:59:09,950
mistake I found out later this is called

1111
00:59:15,490 --> 00:59:12,710
analytic overlay it's when you begin to

1112
00:59:16,990 --> 00:59:15,500
try to consciously analyzing the

1113
00:59:18,390 --> 00:59:17,000

information that you're getting and

1114

00:59:21,370 --> 00:59:18,400

that's when you'll start making mistakes

1115

00:59:23,800 --> 00:59:21,380

in other words if you see something tall

1116

00:59:26,590 --> 00:59:23,810

and pointed and filled with people you

1117

00:59:29,440 --> 00:59:26,600

might say oh it's a rocket ship and then

1118

00:59:31,770 --> 00:59:29,450

no actually it's Washington money so you

1119

00:59:36,520 --> 00:59:31,780

have to be careful of analytic overlay

1120

00:59:39,000 --> 00:59:36,530

so I thought well since it's in

1121

00:59:42,250 --> 00:59:39,010

Albuquerque it was probably southwestern

1122

00:59:43,300 --> 00:59:42,260

architecture you know with the wooden

1123

00:59:46,090 --> 00:59:43,310

poles

1124

00:59:48,580 --> 00:59:46,100

sticking out the top building but then I

1125

00:59:51,220 --> 00:59:48,590

got also a very distinct impression of

1126
00:59:53,610 --> 00:59:51,230
the floor plan and I sketched it out the

1127
00:59:56,280 --> 00:59:53,620
complete to writing down entrance

1128
01:00:00,190 --> 00:59:56,290
reception area large conference room

1129
01:00:02,890 --> 01:00:00,200
hallway offices and saw took this with

1130
01:00:05,050 --> 01:00:02,900
me out to my visit in Albuquerque when I

1131
01:00:07,990 --> 01:00:05,060
got out there I realized that I probably

1132
01:00:11,170 --> 01:00:08,000
wasn't worth the durn because their

1133
01:00:12,790 --> 01:00:11,180
office turned out to be fellows home and

1134
01:00:16,690 --> 01:00:12,800
it was a ranch-style home there's

1135
01:00:18,610 --> 01:00:16,700
nothing like what I had seen so I kind

1136
01:00:21,640 --> 01:00:18,620
of tossed my drawings over to him I said

1137
01:00:26,740 --> 01:00:21,650
well I guess I'm not any good well a

1138
01:00:29,800 --> 01:00:26,750

year later I went back and it seems that

1139

01:00:31,660 --> 01:00:29,810

in an intervening year they had not had

1140

01:00:35,650 --> 01:00:31,670

the success they wanted with trying to

1141

01:00:38,500 --> 01:00:35,660

hire their services to companies but

1142

01:00:41,950 --> 01:00:38,510

they had had some success in training

1143

01:00:46,420 --> 01:00:41,960

people to do remote viewing and so they

1144

01:00:48,970 --> 01:00:46,430

had leased space in a brand new office

1145

01:00:50,350 --> 01:00:48,980

building they drove me to this office

1146

01:00:52,510 --> 01:00:50,360

building and when I pulled in the

1147

01:00:54,280 --> 01:00:52,520

parking lot I looked took one look and I

1148

01:00:57,700 --> 01:00:54,290

realized that's what I had been seen

1149

01:00:59,860 --> 01:00:57,710

because it was a one-level strip

1150

01:01:02,110 --> 01:00:59,870

shopping center tap place and the

1151

01:01:05,590 --> 01:01:02,120

corners were raised but instead of

1152

01:01:09,100 --> 01:01:05,600

wooden pole sticking out it was Lions

1153

01:01:10,900 --> 01:01:09,110

heads but there it was something jutting

1154

01:01:15,310 --> 01:01:10,910

out of the top of the Rays corner and

1155

01:01:18,940 --> 01:01:15,320

then they handed me the official for

1156

01:01:20,740 --> 01:01:18,950

plan from this office complex and I

1157

01:01:25,030 --> 01:01:20,750

looked at it and I was literally blown

1158

01:01:28,270 --> 01:01:25,040

away because it was 100% exactly what I

1159

01:01:31,630 --> 01:01:28,280

had drawn down to the writing with a

1160

01:01:34,630 --> 01:01:31,640

head labeled entrance reception area

1161

01:01:37,030 --> 01:01:34,640

large conference room and in fact I am

1162

01:01:40,180 --> 01:01:37,040

now the opinion that I probably did not

1163

01:01:42,490 --> 01:01:40,190

Remote View the actual inside the

1164

01:01:44,860 --> 01:01:42,500

building I think I remote viewed the

1165

01:01:47,290 --> 01:01:44,870

floor plan because my drawing was

1166

01:01:49,540 --> 01:01:47,300

absolutely one percent but this floor

1167

01:01:52,150 --> 01:01:49,550

plan was and the kicker the whole story

1168

01:01:54,910 --> 01:01:52,160

is is that when I did the drawing and

1169

01:01:56,310 --> 01:01:54,920

did the remote viewing this building had

1170

01:01:58,860 --> 01:01:56,320

not been completed yet

1171

01:02:01,860 --> 01:01:58,870

it hadn't even been built so apparently

1172

01:02:06,120 --> 01:02:01,870

I had remote viewed a little bit into

1173

01:02:08,940 --> 01:02:06,130

the future so that pretty well set me

1174

01:02:11,010 --> 01:02:08,950

back on my heels and that's when I got

1175

01:02:13,560 --> 01:02:11,020

serious about researching the history in

1176

01:02:15,660 --> 01:02:13,570

the science behind remote viewing and

1177

01:02:19,620 --> 01:02:15,670

for those of you who might be interested

1178

01:02:24,720 --> 01:02:19,630

in that then all of that is together in

1179

01:02:29,100 --> 01:02:24,730

my book sigh spies psi spies psychic

1180

01:02:31,050 --> 01:02:29,110

spies sigh spies I think it's the true

1181

01:02:34,110 --> 01:02:31,060

story of America's psychic warfare

1182

01:02:36,210 --> 01:02:34,120

program and it's published by new page

1183

01:02:39,390 --> 01:02:36,220

books and I would encourage you get it

1184

01:02:42,150 --> 01:02:39,400

they did a very good job and it's a fine

1185

01:02:47,280 --> 01:02:42,160

I still find it absolutely fascinating

1186

01:02:49,740 --> 01:02:47,290

subject and before I get to any more

1187

01:02:52,560 --> 01:02:49,750

questions I already see somebody asking

1188

01:02:56,340 --> 01:02:52,570

do they still do remote viewing in the

1189

01:02:59,460 --> 01:02:56,350

US government and my answer is yes and

1190

01:03:01,650 --> 01:02:59,470

no if you ask if you have a group of

1191

01:03:03,480 --> 01:03:01,660

people that are hired by the government

1192

01:03:06,960 --> 01:03:03,490

to do remote viewing they're going to

1193

01:03:09,150 --> 01:03:06,970

say no and that's probably the truth but

1194

01:03:10,950 --> 01:03:09,160

there are people remote viewers who have

1195

01:03:14,340 --> 01:03:10,960

been trained and remote viewing who

1196

01:03:17,130 --> 01:03:14,350

operate within various units within the

1197

01:03:20,460 --> 01:03:17,140

government as I understand it Special

1198

01:03:22,620 --> 01:03:20,470

Forces Rangers the Delta Force the Navy

1199

01:03:25,290 --> 01:03:22,630

SEALs they'll always have a remote

1200

01:03:28,320 --> 01:03:25,300

viewer along with them because even if

1201

01:03:29,880 --> 01:03:28,330

they're not a hundred sent any unit

1202

01:03:32,010 --> 01:03:29,890

commander would love to have somebody

1203

01:03:34,830 --> 01:03:32,020

who can tell them what might be going on

1204

01:03:36,750 --> 01:03:34,840

over the next hill so yeah they're

1205

01:03:39,120 --> 01:03:36,760

they're still using it although they

1206

01:03:44,430 --> 01:03:39,130

don't like to admit to that well let's

1207

01:03:46,230 --> 01:03:44,440

see where we are now the Avenger wants

1208

01:03:48,420 --> 01:03:46,240

to know if what I think about the

1209

01:03:53,870 --> 01:03:48,430

alleged Jackie O tapes and her

1210

01:03:58,080 --> 01:03:53,880

implication of LBJ and JFK's elimination

1211

01:04:00,930 --> 01:03:58,090

one elimination it wasn't assassination

1212

01:04:03,120 --> 01:04:00,940

it was an execution and they executed

1213

01:04:05,430 --> 01:04:03,130

Kennedy for the same reason that we

1214

01:04:09,450 --> 01:04:05,440
execute criminals to serve as a

1215

01:04:11,700 --> 01:04:09,460
deterrent to prevent any

1216

01:04:14,460 --> 01:04:11,710
one from following in his footsteps and

1217

01:04:17,220 --> 01:04:14,470
what was his footsteps well he was

1218

01:04:19,140 --> 01:04:17,230
trying to curtail the power of the US

1219

01:04:21,810 --> 01:04:19,150
corporations he was trying to curtail

1220

01:04:23,910 --> 01:04:21,820
the power of the intelligence community

1221

01:04:26,400 --> 01:04:23,920
threatened to splinter of the CIA into a

1222

01:04:29,130 --> 01:04:26,410
thousand pieces he was trying to curtail

1223

01:04:30,540 --> 01:04:29,140
the power of the FBI and he was trying

1224

01:04:33,510 --> 01:04:30,550
to curtail the power of the

1225

01:04:35,040 --> 01:04:33,520
military-industrial complex and in fact

1226

01:04:42,329 --> 01:04:35,050

had set us on the course for

1227

01:04:46,050 --> 01:04:42,339

disengagement in Vietnam so it was that

1228

01:04:49,589 --> 01:04:46,060

they had to stop him and so with the

1229

01:04:52,500 --> 01:04:49,599

coup of 1963 you know this country's

1230

01:04:54,660 --> 01:04:52,510

pretty well gone down the hill so when

1231

01:04:57,290 --> 01:04:54,670

Jackie O what they're talking about here

1232

01:04:59,640 --> 01:04:57,300

is that when Jackie Onassis passed away

1233

01:05:01,620 --> 01:04:59,650

it was actually mentioned in the

1234

01:05:04,410 --> 01:05:01,630

mainstream mass media that she had left

1235

01:05:07,740 --> 01:05:04,420

behind either a manuscript or a lot of

1236

01:05:09,780 --> 01:05:07,750

notes or some writings but that she said

1237

01:05:11,640 --> 01:05:09,790

they they were not to be made public

1238

01:05:14,579 --> 01:05:11,650

until after the death of all her

1239

01:05:17,609 --> 01:05:14,589

children which tells her that tells me

1240

01:05:19,620 --> 01:05:17,619

should tell it you that she had a

1241

01:05:22,950 --> 01:05:19,630

concern over the safety of her family

1242

01:05:25,740 --> 01:05:22,960

does that sound familiar let's think

1243

01:05:27,900 --> 01:05:25,750

back wasn't it h Ross Perot who was

1244

01:05:30,420 --> 01:05:27,910

starting to make a third party one for

1245

01:05:33,120 --> 01:05:30,430

the presidency and had a ground swell of

1246

01:05:35,640 --> 01:05:33,130

public support and then all of a sudden

1247

01:05:37,589 --> 01:05:35,650

he just dropped out and then when he

1248

01:05:39,720 --> 01:05:37,599

finally came back around again he said

1249

01:05:42,510 --> 01:05:39,730

well he said I was fearful for the

1250

01:05:44,670 --> 01:05:42,520

safety of my family but well wait a

1251

01:05:48,359 --> 01:05:44,680

minute he was a presidential candidate

1252

01:05:52,920 --> 01:05:48,369

doesn't that get him the some protection

1253

01:05:56,940 --> 01:05:52,930

from the FBI and the CIA and the US

1254

01:06:02,339 --> 01:05:56,950

military so who is he afraid of and I

1255

01:06:06,050 --> 01:06:02,349

submit them okay and Jackie O knew the

1256

01:06:09,000 --> 01:06:06,060

same thing so when she implicates LBJ

1257

01:06:10,950 --> 01:06:09,010

you know let's face it Jackie was in a

1258

01:06:14,160 --> 01:06:10,960

position to find out what's going on and

1259

01:06:17,400 --> 01:06:14,170

if she wasn't then her soon-to-be

1260

01:06:20,670 --> 01:06:17,410

husband aristotle onassis who was a arch

1261

01:06:22,820 --> 01:06:20,680

enemy of the CIA he was certainly in a

1262

01:06:26,100 --> 01:06:22,830

position to find out what was going on

1263

01:06:29,430 --> 01:06:26,110

now I'm going to tell you flat out folks

1264

01:06:31,560 --> 01:06:29,440

and I'll say it again LBJ is guilty in

1265

01:06:34,080 --> 01:06:31,570

the assassination of president john f

1266

01:06:37,200 --> 01:06:34,090

kennedy now can I prove that he ordered

1267

01:06:39,480 --> 01:06:37,210

it orchestrated it no but what I can't

1268

01:06:42,150 --> 01:06:39,490

prove and is beyond any reasonable

1269

01:06:45,780 --> 01:06:42,160

shadow of a doubt is that Lyndon Baines

1270

01:06:49,470 --> 01:06:45,790

Johnson took actions that blocked any

1271

01:06:52,590 --> 01:06:49,480

meaningful investigation of Kennedy's

1272

01:06:55,410 --> 01:06:52,600

assassination in including destruction

1273

01:06:58,050 --> 01:06:55,420

of evidence when he destroyed it had the

1274

01:07:00,060 --> 01:06:58,060

presidential limousine cleaned in Dallas

1275

01:07:02,520 --> 01:07:00,070

and then shipped the forward and then

1276

01:07:06,150 --> 01:07:02,530

stripped down and then rebuilt before

1277

01:07:08,160 --> 01:07:06,160

there was any forensics investigation

1278

01:07:11,490 --> 01:07:08,170

done that's destruction of evidence that

1279

01:07:14,700 --> 01:07:11,500

makes him an accessory after the fact

1280

01:07:17,670 --> 01:07:14,710

under our legal system and I know in

1281

01:07:20,430 --> 01:07:17,680

Texas we've executed accessories after

1282

01:07:23,040 --> 01:07:20,440

the fact in murder cases where the

1283

01:07:25,140 --> 01:07:23,050

evidence clearly shows they didn't pull

1284

01:07:27,570 --> 01:07:25,150

the different but they were there they

1285

01:07:30,060 --> 01:07:27,580

knew about it and they did not turn

1286

01:07:32,340 --> 01:07:30,070

anybody in in fact they tried to hide

1287

01:07:34,710 --> 01:07:32,350

the murder weapon or tried to stall the

1288

01:07:36,990 --> 01:07:34,720

investigation and under our legal system

1289

01:07:39,270 --> 01:07:37,000

that makes them as guilty as the person

1290

01:07:41,820 --> 01:07:39,280

that pulls the trigger so as an

1291

01:07:44,970 --> 01:07:41,830

accessory after the fact Lyndon Baines

1292

01:07:48,750 --> 01:07:44,980

Johnson is guilty period in the story

1293

01:07:51,570 --> 01:07:48,760

and we're winding down here so let's get

1294

01:07:55,080 --> 01:07:51,580

on here and I think Jackie O knew this

1295

01:07:57,680 --> 01:07:55,090

and so I think that she also knew that

1296

01:08:01,410 --> 01:07:57,690

there was a lot of political power

1297

01:08:04,170 --> 01:08:01,420

behind Johnson and that it was dangerous

1298

01:08:07,110 --> 01:08:04,180

to try to come out and say anything and

1299

01:08:08,790 --> 01:08:07,120

so that's why she stipulated that none

1300

01:08:10,980 --> 01:08:08,800

of her thoughts were to come out until

1301

01:08:13,770 --> 01:08:10,990

after the death of her children but I

1302

01:08:15,930 --> 01:08:13,780

understand Caroline Kennedy has relented

1303

01:08:17,849 --> 01:08:15,940

and said well okay and they're allowing

1304

01:08:20,519 --> 01:08:17,859

some of this stuff to come out now of

1305

01:08:23,610 --> 01:08:20,529

course Johnson labor to both dead now so

1306

01:08:26,910 --> 01:08:23,620

I guess you know once once they're dead

1307

01:08:29,309 --> 01:08:26,920

then it's okay to talk about it and this

1308

01:08:33,720 --> 01:08:29,319

is one of my pet peeves by the way folks

1309

01:08:35,579 --> 01:08:33,730

is that I'm tired of waiting 50 years to

1310

01:08:36,300 --> 01:08:35,589

find out what really happened which

1311

01:08:38,400 --> 01:08:36,310

still

1312

01:08:40,440 --> 01:08:38,410

finding out things that truly happened

1313

01:08:43,410 --> 01:08:40,450

in World War two that we didn't know at

1314

01:08:46,650 --> 01:08:43,420

the time or were denied and of course

1315

01:08:49,140 --> 01:08:46,660

here we are just ten years after 911 and

1316

01:08:51,750 --> 01:08:49,150

we're still being sold a bill of goods

1317

01:08:53,309 --> 01:08:51,760

about that I don't want to wait 50 years

1318

01:08:55,620 --> 01:08:53,319

to find out what am I want to find out

1319

01:08:57,599 --> 01:08:55,630

what happened now so that some action

1320

01:08:59,880 --> 01:08:57,609

can be taken and so justice can be

1321

01:09:01,920 --> 01:08:59,890

served and I'm sorry if that makes me

1322

01:09:05,610 --> 01:09:01,930

sound like some kind of weirdo but I'm

1323

01:09:08,610 --> 01:09:05,620

just I'm just enough of a old Texas boy

1324

01:09:10,829 --> 01:09:08,620

that I and and have that cowboy spirit I

1325

01:09:12,900 --> 01:09:10,839

think rights right and wrong is wrong

1326

01:09:15,510 --> 01:09:12,910

and if smoke commits wrong I think there

1327

01:09:18,480 --> 01:09:15,520

needs to be justice done to it and I

1328

01:09:21,300 --> 01:09:18,490

don't think I'm being unpatriotic in

1329

01:09:25,260 --> 01:09:21,310

fact I'm only following what I myself

1330

01:09:27,210 --> 01:09:25,270

heard President George W Bush say a day

1331

01:09:30,690 --> 01:09:27,220

or so after nine eleven he said

1332

01:09:32,670 --> 01:09:30,700

essentially we must not rest until we

1333

01:09:35,250 --> 01:09:32,680

find out who's responsible for this

1334

01:09:37,620 --> 01:09:35,260

crime and see that they're punished so

1335

01:09:42,180 --> 01:09:37,630

I'm just trying to do what he advocated

1336

01:09:44,220 --> 01:09:42,190

and sorry about that but we're now

1337

01:09:47,280 --> 01:09:44,230

finding out the train you know back in

1338

01:09:49,200 --> 01:09:47,290

the 60s and 70s I was trying to tell

1339

01:09:51,540 --> 01:09:49,210

people there was big conspiracy to kill

1340

01:09:54,000 --> 01:09:51,550

Kennedy and I was the nut and the

1341

01:09:57,390 --> 01:09:54,010

conspiracy theorist and today almost

1342

01:09:59,280 --> 01:09:57,400

everybody agrees with me and now there's

1343

01:10:02,040 --> 01:09:59,290

things being accepted as just

1344

01:10:04,980 --> 01:10:02,050

self-evident truth such as Jack Ruby is

1345

01:10:07,590 --> 01:10:04,990

connected to organized crime which for

1346

01:10:09,390 --> 01:10:07,600

20 years or more they say oh that's all

1347

01:10:11,580 --> 01:10:09,400

right when you get that you're making

1348

01:10:14,340 --> 01:10:11,590

that stuff up that can't be your death

1349

01:10:16,950 --> 01:10:14,350

not true you're just a conspiracy

1350

01:10:20,250 --> 01:10:16,960

theorist so anyway sorry to get on my

1351

01:10:26,640 --> 01:10:20,260

soapbox but I just get irritated when it

1352

01:10:28,800 --> 01:10:26,650

takes 50 years for truth to come out but

1353

01:10:30,840 --> 01:10:28,810

my salsa wants to know about the party

1354

01:10:33,390 --> 01:10:30,850

celebration the night before the Kennedy

1355

01:10:36,330 --> 01:10:33,400

assassination well I think what he's

1356

01:10:38,280 --> 01:10:36,340

referring to is the fact that the Secret

1357

01:10:42,240 --> 01:10:38,290

Service agents that were signed to

1358

01:10:45,030 --> 01:10:42,250

protect Kennedy we're all drinking first

1359

01:10:49,050 --> 01:10:45,040

at the Fort Worth Press Club which I was

1360

01:10:52,500 --> 01:10:49,060

a former president of and at

1361

01:10:55,650 --> 01:10:52,510

Pat Kirkwood cellar club in Fort Worth

1362

01:10:57,510 --> 01:10:55,660

and in fact the Secret Service agent

1363

01:10:59,550 --> 01:10:57,520

said the Texas hotel there in Fort Worth

1364

01:11:02,430 --> 01:10:59,560

that were supposed to be standing guard

1365

01:11:04,800 --> 01:11:02,440

for Kennedy they sneaked off to get a

1366

01:11:07,050 --> 01:11:04,810

drink and left a couple of Fort Worth

1367

01:11:10,380 --> 01:11:07,060

firemen to protect the President of the

1368

01:11:14,820 --> 01:11:10,390

United States that's fact how's that

1369

01:11:16,980 --> 01:11:14,830

grab you and at the cellar club they I

1370

01:11:20,160 --> 01:11:16,990

know people who I've been in the cellar

1371

01:11:23,730 --> 01:11:20,170

club and in fact I got to be friends

1372

01:11:27,320 --> 01:11:23,740

with Pat Kirkwood who the cops all told

1373

01:11:29,490 --> 01:11:27,330

me was the jack ruby of Fort Worth and

1374

01:11:31,530 --> 01:11:29,500

of course he told the warren commission

1375

01:11:33,420 --> 01:11:31,540

that they couldn't have been drinking

1376

01:11:36,510 --> 01:11:33,430

because he didn't have a liquor license

1377

01:11:38,910 --> 01:11:36,520

he was an after-hours Club every year go

1378

01:11:41,100 --> 01:11:38,920

there after you know the movies in your

1379

01:11:44,160 --> 01:11:41,110

day to you went to party nigo the cellar

1380

01:11:46,380 --> 01:11:44,170

and it's interesting because the cellar

1381

01:11:49,050 --> 01:11:46,390

started off in a basement it wasn't a

1382

01:11:51,030 --> 01:11:49,060

seller but then fairly quickly he moved

1383

01:11:52,740 --> 01:11:51,040

and I always thought it's funny because

1384

01:11:54,750 --> 01:11:52,750

they called it the seller but you had to

1385

01:11:57,260 --> 01:11:54,760

climb this huge flight of stairs go up

1386

01:12:03,000 --> 01:11:57,270

to the second floor to get to the cellar

1387

01:12:04,980 --> 01:12:03,010

but I do know people who were there news

1388

01:12:07,920 --> 01:12:04,990

people and they said that the Secret

1389

01:12:10,320 --> 01:12:07,930

Service they were not partying okay the

1390

01:12:12,960 --> 01:12:10,330

party going on they were sitting over by

1391

01:12:15,510 --> 01:12:12,970

themselves drinking heavily until like

1392

01:12:18,600 --> 01:12:15,520

five in the morning and they were

1393

01:12:20,970 --> 01:12:18,610

drinking because even though at kirkwood

1394

01:12:22,410 --> 01:12:20,980

mother said well he didn't have a liquor

1395

01:12:24,810 --> 01:12:22,420

license they couldn't have been drinking

1396

01:12:27,360 --> 01:12:24,820

they could and they did because let me

1397

01:12:29,940 --> 01:12:27,370

tell folks i was young kid but i had

1398

01:12:31,530 --> 01:12:29,950

been working part time to start telegram

1399

01:12:33,780 --> 01:12:31,540

do some of the reporters and i went in

1400

01:12:37,040 --> 01:12:33,790

there and I got liquor drinks okay

1401
01:12:40,350 --> 01:12:37,050
because if you were anybody a cop or a

1402
01:12:42,300 --> 01:12:40,360
city or county official then Pat

1403
01:12:44,760 --> 01:12:42,310
Kirkwood was trying to curry favor with

1404
01:12:47,820 --> 01:12:44,770
you you got a mixed drink and it was a

1405
01:12:49,440 --> 01:12:47,830
pretty stiff one too so once they kicked

1406
01:12:51,600 --> 01:12:49,450
the Secret Service agents out of the

1407
01:12:53,580 --> 01:12:51,610
press club because of it was after hours

1408
01:12:55,350 --> 01:12:53,590
and they were afraid they were going to

1409
01:12:57,330 --> 01:12:55,360
lose their liquor license they called up

1410
01:12:59,820 --> 01:12:57,340
at Kirkwood and said can we send these

1411
01:13:02,820 --> 01:12:59,830
secret service agents over to you he's

1412
01:13:03,270 --> 01:13:02,830
all yeah send them on over so he took

1413
01:13:04,770 --> 01:13:03,280

care of

1414

01:13:06,960 --> 01:13:04,780

them and they drank till five in the

1415

01:13:09,150 --> 01:13:06,970

morning and that's why the next day in

1416

01:13:11,910 --> 01:13:09,160

Dallas when shut started going off if

1417

01:13:13,950 --> 01:13:11,920

you'll notice there was only one Secret

1418

01:13:16,260 --> 01:13:13,960

Service agent that actually reacted

1419

01:13:18,840 --> 01:13:16,270

quickly and that was Clint Hill who

1420

01:13:20,010 --> 01:13:18,850

jumped off the follow-up car rushed up

1421

01:13:22,170 --> 01:13:20,020

and jumped on the back to the

1422

01:13:25,380 --> 01:13:22,180

presidential limousine now you're ready

1423

01:13:27,870 --> 01:13:25,390

for this Clint Hill was originally not

1424

01:13:30,660 --> 01:13:27,880

even supposed to be on that protection

1425

01:13:32,670 --> 01:13:30,670

detail and he was not assigned to

1426

01:13:34,980 --> 01:13:32,680

President Kennedy he was assigned to

1427

01:13:37,650 --> 01:13:34,990

Jackie Kennedy and at the last minute

1428

01:13:39,990 --> 01:13:37,660

she said oh I really like Clint Hill I

1429

01:13:43,350 --> 01:13:40,000

want him along so the last minute they

1430

01:13:46,320 --> 01:13:43,360

included Clint Hill in on the Service

1431

01:13:48,030 --> 01:13:46,330

protection unit there in Dallas and he

1432

01:13:50,610 --> 01:13:48,040

was the only one that reacted when the

1433

01:13:52,560 --> 01:13:50,620

shots went off just another little kid

1434

01:13:55,830 --> 01:13:52,570

bit of information for all you

1435

01:13:59,900 --> 01:13:55,840

conspiracy fans and it looks like that

1436

01:14:02,820 --> 01:13:59,910

we're about to run out of time here so

1437

01:14:05,280 --> 01:14:02,830

let me give you the number seen write it

1438

01:14:10,890 --> 01:14:05,290

down for next time it's aight aight

1439

01:14:16,530 --> 01:14:10,900

aight at 192 355 this is your permanent

1440

01:14:19,610 --> 01:14:16,540

temporary floating host Jim Marrs giving

1441

01:14:22,980 --> 01:14:19,620

you the view from Mars here on this

1442

01:14:26,310 --> 01:14:22,990

bamhi Monday night I say bomb me because

1443

01:14:29,370 --> 01:14:26,320

it only hit about 95 today here but

1444

01:14:34,710 --> 01:14:29,380

listen after 44 days of triple-digit

1445

01:14:39,060 --> 01:14:34,720

heat 95 seem pretty bombing so I thank

1446

01:14:41,280 --> 01:14:39,070

everyone for participating and be sure

1447

01:14:44,550 --> 01:14:41,290

and come catch my talk on the

1448

01:14:48,210 --> 01:14:44,560

twenty-eighth you can get the details at

1449

01:14:50,430 --> 01:14:48,220

the epic voyagers website be sure and

1450

01:14:54,810 --> 01:14:50,440

check out my new website it's coming up

1451

01:14:57,090 --> 01:14:54,820

I don't think it's quite there yet write

1452

01:14:58,800 --> 01:14:57,100

it down stick it your pocket in about a

1453

01:15:02,520 --> 01:14:58,810

week from now pull it out and then go

1454

01:15:06,240 --> 01:15:02,530

check it out but jim marris calm ji MMA

1455

01:15:08,070 --> 01:15:06,250

RRS comm check it out I've got a brand

1456

01:15:10,860 --> 01:15:08,080

new website coming out it's got all the

1457

01:15:14,520 --> 01:15:10,870

bells and whistles and floating things

1458

01:15:17,250 --> 01:15:14,530

and music and animation and nah man lots

1459

01:15:31,770 --> 01:15:17,260

of good stuff it and I always remember
