

Exposing the Truth, One Secret at a Time

NIGHTVISION

Host: René Barnett

RADIO

Freddy Silva

1
00:00:08,650 --> 00:00:02,240
you're locked into Inception Radio

2
00:00:15,690 --> 00:00:12,119
your tool in into night vision radio

3
00:00:18,490 --> 00:00:15,700
exposing the truth one secret at a time

4
00:00:20,980 --> 00:00:18,500
prepare yourself as we explore the

5
00:00:24,820 --> 00:00:20,990
shadow worlds of suppressed history

6
00:00:27,189 --> 00:00:24,830
secret knowledge forbidden religion and

7
00:01:10,060 --> 00:00:27,199
shine a light on the conspiracies to

8
00:01:10,070 --> 00:01:17,080
welcome to night-vision radio

9
00:01:22,310 --> 00:01:20,149
well hello everybody thank you for

10
00:01:24,830 --> 00:01:22,320
joining us tonight we've got an exciting

11
00:01:27,469 --> 00:01:24,840
show planned I would suggest that you

12
00:01:30,050 --> 00:01:27,479
fasten your seat belts because it could

13
00:01:32,480 --> 00:01:30,060

get a little controversial anyway but

14

00:01:34,850 --> 00:01:32,490

that's what we like isn't it something

15

00:01:36,230 --> 00:01:34,860

to stimulate our brains I just want to

16

00:01:38,630 --> 00:01:36,240

make a couple of quick little

17

00:01:41,929 --> 00:01:38,640

announcements before we get started with

18

00:01:44,359 --> 00:01:41,939

our guest tonight would love for you to

19

00:01:46,339 --> 00:01:44,369

stop by my facebook page just go to

20

00:01:49,130 --> 00:01:46,349

Renee Barnett I think there's a couple

21

00:01:51,199 --> 00:01:49,140

of us on Facebook but I'm the one that's

22

00:01:52,880 --> 00:01:51,209

standing there in the Derby hat waving

23

00:01:55,429 --> 00:01:52,890

so you can't really miss me

24

00:01:58,910 --> 00:01:55,439

also please would you go to the night

25

00:02:01,639 --> 00:01:58,920

vision radio page on Facebook and like

26
00:02:03,109 --> 00:02:01,649
us over there that helps us out and we

27
00:02:05,479 --> 00:02:03,119
really appreciate it and we'd love to

28
00:02:08,089 --> 00:02:05,489
hear from you be feel free to post on

29
00:02:10,999 --> 00:02:08,099
either page keep it clean though

30
00:02:13,729 --> 00:02:11,009
otherwise I'll delete ya but in any out

31
00:02:17,000 --> 00:02:13,739
thanks again for joining us now tonight

32
00:02:21,199 --> 00:02:17,010
I'm excited to have with us a returning

33
00:02:23,360 --> 00:02:21,209
guest have it had him on for probably

34
00:02:25,970 --> 00:02:23,370
about about a year it was before I

35
00:02:28,039 --> 00:02:25,980
arrived at inception radio so this is

36
00:02:30,289 --> 00:02:28,049
his first time here with me and I'm

37
00:02:34,520 --> 00:02:30,299
really excited to have author Freddie

38
00:02:38,030 --> 00:02:34,530

Silva hey Freddie how are you

39

00:02:41,449 --> 00:02:38,040

oh pretty good nice and warm and cozy

40

00:02:44,030 --> 00:02:41,459

and northern Maine yeah oh really how

41

00:02:46,490 --> 00:02:44,040

cozy is it over there it's not snowing

42

00:02:48,710 --> 00:02:46,500

that's what we mean by cozy well yeah I

43

00:02:51,680 --> 00:02:48,720

guess we were just hearing our producer

44

00:02:54,680 --> 00:02:51,690

MJ talking about having snow where he is

45

00:02:57,099 --> 00:02:54,690

it just I can't imagine it because it's

46

00:02:59,599 --> 00:02:57,109

been really summery here in Los Angeles

47

00:03:01,640 --> 00:02:59,609

except for the last couple days or so

48

00:03:03,379 --> 00:03:01,650

and we finally feel like we're getting a

49

00:03:05,120 --> 00:03:03,389

little bit of fall weather but I

50

00:03:07,910 --> 00:03:05,130

understand over the weekend it's

51
00:03:17,030 --> 00:03:07,920
supposed to get up to 80 so I guess

52
00:03:18,710 --> 00:03:17,040
that's not really fall-like I know I was

53
00:03:21,289 --> 00:03:18,720
you know telling someone the other day I

54
00:03:24,800 --> 00:03:21,299
can actually remember taking my kids to

55
00:03:26,720 --> 00:03:24,810
the beach on New Year's Day you know and

56
00:03:27,500 --> 00:03:26,730
actually going in the water it was that

57
00:03:29,570 --> 00:03:27,510
warm it's too

58
00:03:31,339 --> 00:03:29,580
it's really crazy I didn't grow up here

59
00:03:34,220 --> 00:03:31,349
and that's why I guess I really

60
00:03:38,780 --> 00:03:34,230
appreciate the weather other things like

61
00:03:41,059 --> 00:03:38,790
traffic not so much but anyhow I want to

62
00:03:44,110 --> 00:03:41,069
get right into if you don't mind Freddy

63
00:03:47,920 --> 00:03:44,120

talking about your new book resurrection

64

00:03:51,770 --> 00:03:47,930

because in it you're sort of calling out

65

00:03:54,979 --> 00:03:51,780

the standard interpretation of the

66

00:03:57,679 --> 00:03:54,989

meaning of resurrection and as they

67

00:04:00,349 --> 00:03:57,689

talked about the resurrection of Jesus

68

00:04:02,750 --> 00:04:00,359

or resurrecting people from the dead and

69

00:04:04,849 --> 00:04:02,760

you're saying we've got the wrong end of

70

00:04:06,770 --> 00:04:04,859

the stick if that's what we're thinking

71

00:04:12,589 --> 00:04:06,780

because that's not what they meant at

72

00:04:14,149 --> 00:04:12,599

all yeah a sort of a loose end after I

73

00:04:16,340 --> 00:04:14,159

finished my third book on the Knights

74

00:04:19,069 --> 00:04:16,350

Templar and I kept coming across these

75

00:04:20,930 --> 00:04:19,079

references to people being raised from

76

00:04:22,460 --> 00:04:20,940

the dead which you usually don't

77

00:04:25,400 --> 00:04:22,470

associate that phrase with the Knights

78

00:04:28,640 --> 00:04:25,410

Templar and I come across the same thing

79

00:04:31,520 --> 00:04:28,650

in my second book as well it kept being

80

00:04:34,730 --> 00:04:31,530

a recurring theme throughout ancient

81

00:04:36,680 --> 00:04:34,740

temples and sites of initiation and I

82

00:04:39,260 --> 00:04:36,690

just wondered for a second whether

83

00:04:42,740 --> 00:04:39,270

perhaps the story of Jesus that we've

84

00:04:46,010 --> 00:04:42,750

been said in the Western world but you

85

00:04:48,529 --> 00:04:46,020

there Christian framework the perhaps

86

00:04:50,000 --> 00:04:48,539

it's been misinterpreted and did a

87

00:04:52,879 --> 00:04:50,010

little bit of digging around and found

88

00:04:55,730 --> 00:04:52,889

that actually there was a rather default

89

00:04:58,760 --> 00:04:55,740

Pope about three centuries ago called

90

00:05:00,950 --> 00:04:58,770

hopefully an attempt who actually during

91

00:05:03,620 --> 00:05:00,960

one of his less drunken moments he

92

00:05:08,089 --> 00:05:03,630

actually revealed what could be

93

00:05:11,149 --> 00:05:08,099

history's biggest gap and I quote this

94

00:05:14,149 --> 00:05:11,159

fable of Christ has served that company

95

00:05:16,279 --> 00:05:14,159

very well and I wonder now that's coming

96

00:05:17,779 --> 00:05:16,289

from a pope and he thought that the

97

00:05:20,629 --> 00:05:17,789

whole thing the story of Jesus was a

98

00:05:23,000 --> 00:05:20,639

fable well you sort of backtrack a

99

00:05:25,909 --> 00:05:23,010

little bit and I began to look at sort

100

00:05:27,950 --> 00:05:25,919

of the Gospels that didn't are getting

101
00:05:29,960 --> 00:05:27,960
to the root in the official Canon of the

102
00:05:32,390 --> 00:05:29,970
church things like the Gospel of Thomas

103
00:05:35,450 --> 00:05:32,400
the Gospel of Philip the gospel of the

104
00:05:39,290 --> 00:05:35,460
great Seth these was found buried in a

105
00:05:40,820 --> 00:05:39,300
cave in 1947 and the church spent a lot

106
00:05:43,340 --> 00:05:40,830
of money trying to make sure the

107
00:05:46,280 --> 00:05:43,350
wouldn't be translated while they failed

108
00:05:47,690 --> 00:05:46,290
and in the last 20 years we have had

109
00:05:50,000 --> 00:05:47,700
those published and translated in

110
00:05:51,650 --> 00:05:50,010
various languages and that the Gospel of

111
00:05:54,170 --> 00:05:51,660
Thomas is particularly damning because

112
00:05:57,440 --> 00:05:54,180
he talks about how you know anyone who

113
00:05:59,930 --> 00:05:57,450

could look at the resurrection is

114

00:06:02,450 --> 00:05:59,940

actually or believes in the resurrection

115

00:06:05,360 --> 00:06:02,460

is actually confusing a spiritual truth

116

00:06:08,770 --> 00:06:05,370

with an actual event and I'm wondering

117

00:06:11,030 --> 00:06:08,780

now that's a very curious thing to say

118

00:06:13,370 --> 00:06:11,040

so I began to look into this sort of

119

00:06:17,450 --> 00:06:13,380

story of Jesus and found out that there

120

00:06:19,640 --> 00:06:17,460

was actually at least 1618 Jesus's

121

00:06:23,210 --> 00:06:19,650

throughout history that all precede

122

00:06:26,480 --> 00:06:23,220

Jesus the man himself turns out that

123

00:06:29,300 --> 00:06:26,490

Jesus in a story is really a reenactment

124

00:06:32,450 --> 00:06:29,310

of the story of Osiris the Egyptian god

125

00:06:34,460 --> 00:06:32,460

of resurrection as he is many other

126

00:06:37,640 --> 00:06:34,470

people throughout the Middle East and

127

00:06:41,780 --> 00:06:37,650

also in Asia for example in Tibet in

128

00:06:45,560 --> 00:06:41,790

about 1500 BC there is a crucified God

129

00:06:47,870 --> 00:06:45,570

who returns his safe from childhood from

130

00:06:50,240 --> 00:06:47,880

death he then spent 40 days in the

131

00:06:52,100 --> 00:06:50,250

wilderness comes back gets killed gets

132

00:06:55,310 --> 00:06:52,110

fixed to a wooden structure the ship of

133

00:06:58,640 --> 00:06:55,320

a cross and three days later on the 25th

134

00:07:00,710 --> 00:06:58,650

of December gets up truth then and that

135

00:07:02,900 --> 00:07:00,720

this story gets repeated again and again

136

00:07:04,970 --> 00:07:02,910

and again all the way right down to

137

00:07:07,780 --> 00:07:04,980

Greek times there's a God of the

138

00:07:11,390 --> 00:07:07,790

Caucasus Mountains which is between

139

00:07:14,240 --> 00:07:11,400

Russia and Turkey and there he too has

140

00:07:17,780 --> 00:07:14,250

this same problem where he is born of a

141

00:07:20,090 --> 00:07:17,790

divine virgin he escapes death goes

142

00:07:23,390 --> 00:07:20,100

walkabout for many years Noah knows what

143

00:07:26,600 --> 00:07:23,400

happens to him and then he comes back he

144

00:07:28,850 --> 00:07:26,610

tones he gets killed he gets fixed to a

145

00:07:31,550 --> 00:07:28,860

wooden cross and on the winter solstice

146

00:07:34,070 --> 00:07:31,560

again he gets out three days later and

147

00:07:35,870 --> 00:07:34,080

he's risen from the dead so it's quite

148

00:07:37,010 --> 00:07:35,880

clear that sir Jesus although he was a

149

00:07:39,470 --> 00:07:37,020

real person

150

00:07:43,550 --> 00:07:39,480

it turns out that Jesus was really a

151
00:07:45,740 --> 00:07:43,560
reenactment of a very old ritual called

152
00:07:47,600 --> 00:07:45,750
the raising of the Dead and there was

153
00:07:49,970 --> 00:07:47,610
something that was really left for

154
00:07:52,400 --> 00:07:49,980
people who took many years out of their

155
00:07:54,650 --> 00:07:52,410
life to join him in the brotherhood of

156
00:07:57,200 --> 00:07:54,660
initiates who were taught that bigger

157
00:07:59,480 --> 00:07:57,210
of life and they the final

158
00:08:01,670 --> 00:07:59,490
element in their ritual which sometimes

159
00:08:02,540 --> 00:08:01,680
could last as long as three years to

160
00:08:04,760 --> 00:08:02,550
live this stuff

161
00:08:07,160 --> 00:08:04,770
the final element that was that they

162
00:08:09,440 --> 00:08:07,170
were risen from the dead and the reason

163
00:08:11,480 --> 00:08:09,450

why they called himself this was because

164

00:08:13,880 --> 00:08:11,490

they had looked at ordinary people who

165

00:08:15,920 --> 00:08:13,890

walk through life as though they're

166

00:08:18,200 --> 00:08:15,930

asleep and it's totally unaware of the

167

00:08:20,390 --> 00:08:18,210

bigger picture of how they function in

168

00:08:23,030 --> 00:08:20,400

the world how their soul works in the

169

00:08:24,950 --> 00:08:23,040

world and also the mechanics of nature

170

00:08:28,190 --> 00:08:24,960

it totally unaware they seem to think

171

00:08:31,100 --> 00:08:28,200

that life is nothing more than a time

172

00:08:34,040 --> 00:08:31,110

when you are born you die your book

173

00:08:36,110 --> 00:08:34,050

ended by nothing but misery and pain and

174

00:08:38,390 --> 00:08:36,120

that's all there is to it

175

00:08:40,790 --> 00:08:38,400

but these people were different they saw

176

00:08:43,310 --> 00:08:40,800

the world was very different eyes that

177

00:08:47,090 --> 00:08:43,320

had been exposed to an initiation which

178

00:08:48,860 --> 00:08:47,100

left him with my eyes wide open and so

179

00:08:51,380 --> 00:08:48,870

they'd let classify themselves different

180

00:08:54,170 --> 00:08:51,390

from ordinary people and that's were who

181

00:08:56,570 --> 00:08:54,180

they describe as the dead whereas many

182

00:08:59,000 --> 00:08:56,580

who would actually experience something

183

00:09:00,140 --> 00:08:59,010

profound and spiritually profound call

184

00:09:02,330 --> 00:09:00,150

themselves the living

185

00:09:04,310 --> 00:09:02,340

so in essence and in the his small

186

00:09:05,900 --> 00:09:04,320

nutshell that's except so she would be

187

00:09:08,690 --> 00:09:05,910

at the book of the lost art of

188

00:09:12,340 --> 00:09:08,700

resurrection was about if the short sort

189

00:09:15,380 --> 00:09:12,350

of essay on how this very important

190

00:09:18,680 --> 00:09:15,390

initiation process was hijacked by the

191

00:09:20,600 --> 00:09:18,690

modern church and up until two thousand

192

00:09:22,070 --> 00:09:20,610

years ago people like Plato were

193

00:09:24,440 --> 00:09:22,080

claiming that it was the highest

194

00:09:27,170 --> 00:09:24,450

spiritual development that anyone could

195

00:09:29,450 --> 00:09:27,180

possibly experience which makes me

196

00:09:31,840 --> 00:09:29,460

wonder exactly why did the church banned

197

00:09:34,760 --> 00:09:31,850

his stuff in the first place absolutely

198

00:09:39,580 --> 00:09:34,770

and and isn't it true that these

199

00:09:44,330 --> 00:09:39,590

initiates these reborn people were also

200

00:09:46,840 --> 00:09:44,340

known as sons of God yes pretty much so

201
00:09:49,330 --> 00:09:46,850
in fact it was part of a level of grade

202
00:09:53,540 --> 00:09:49,340
when you entered went into these

203
00:09:55,190 --> 00:09:53,550
initiation I wanna say count because

204
00:09:58,820 --> 00:09:55,200
count is actually a very good word it

205
00:10:01,450 --> 00:09:58,830
just gets misused these counts basically

206
00:10:05,510 --> 00:10:01,460
had different layers of initiation and

207
00:10:07,900 --> 00:10:05,520
first of all you were declared a son of

208
00:10:11,920 --> 00:10:07,910
a man the next level

209
00:10:13,360 --> 00:10:11,930
the son of a woman and finally the

210
00:10:15,460 --> 00:10:13,370
people who actually made it for the

211
00:10:17,530 --> 00:10:15,470
entire initiation process and it was

212
00:10:19,720 --> 00:10:17,540
quite rigorous not just in terms of

213
00:10:22,450 --> 00:10:19,730

mental processing but also in what they

214

00:10:24,970 --> 00:10:22,460

had to prepare themselves to enjoy as a

215

00:10:26,680 --> 00:10:24,980

final stage of initiation which is kind

216

00:10:28,810 --> 00:10:26,690

of a near-death experience as most

217

00:10:30,850 --> 00:10:28,820

initiates describe it so it was very

218

00:10:32,980 --> 00:10:30,860

harrowing but the people who actually

219

00:10:37,150 --> 00:10:32,990

need to survive that eventually will

220

00:10:40,210 --> 00:10:37,160

describe as sons of sons of God which

221

00:10:42,250 --> 00:10:40,220

means in their technology that people

222

00:10:45,070 --> 00:10:42,260

have actually successfully crossed over

223

00:10:46,870 --> 00:10:45,080

into the other world and that they're

224

00:10:49,150 --> 00:10:46,880

able to mingle with the gods they're all

225

00:10:51,670 --> 00:10:49,160

to Ming with this kind of people they

226

00:10:54,130 --> 00:10:51,680

learn something of great profundity but

227

00:10:55,770 --> 00:10:54,140

they never discussed it but there's some

228

00:10:58,690 --> 00:10:55,780

of the myths that we were left with

229

00:11:02,230 --> 00:10:58,700

certainly allude to something very very

230

00:11:04,690 --> 00:11:02,240

spiritually profound and when they came

231

00:11:06,640 --> 00:11:04,700

back there basically had United with God

232

00:11:10,150 --> 00:11:06,650

and therefore they could be described as

233

00:11:13,750 --> 00:11:10,160

sons of God they literally come to meet

234

00:11:15,190 --> 00:11:13,760

their maker they essentially saw that

235

00:11:17,590 --> 00:11:15,200

have seen themselves in the mirror and

236

00:11:21,970 --> 00:11:17,600

they came back much bigger than the sum

237

00:11:26,110 --> 00:11:21,980

of their parts hmm you know I it sort of

238

00:11:29,080 --> 00:11:26,120

makes me recall conversations that I had

239

00:11:32,590 --> 00:11:29,090

with Michael Baigent the late Michael

240

00:11:36,150 --> 00:11:32,600

Baigent who was one of the authors of

241

00:11:39,460 --> 00:11:36,160

Holy Blood Holy Grail and also you know

242

00:11:40,870 --> 00:11:39,470

many subsequent books after that and I

243

00:11:46,300 --> 00:11:40,880

was working and actually with him on a

244

00:11:50,260 --> 00:11:46,310

project a few years ago and he had come

245

00:11:52,900 --> 00:11:50,270

across a document there was an

246

00:11:57,370 --> 00:11:52,910

antiquities collector and dealer in

247

00:12:01,050 --> 00:11:57,380

London and he had this cache of ancient

248

00:12:04,600 --> 00:12:01,060

documents in things and among them was a

249

00:12:09,780 --> 00:12:04,610

document that purported to be the

250

00:12:14,020 --> 00:12:09,790

handwritten account of Jesus himself and

251

00:12:17,190 --> 00:12:14,030

which it was he was on trial and it was

252

00:12:20,530 --> 00:12:17,200

his answer to the court and basically

253

00:12:24,730 --> 00:12:20,540

the Sanhedrin I guess in

254

00:12:28,390 --> 00:12:24,740

basically it said I am not the son of

255

00:12:31,990 --> 00:12:28,400

God I am a son of God now I I do not

256

00:12:34,600 --> 00:12:32,000

know whether that is absolutely you know

257

00:12:36,490 --> 00:12:34,610

been authenticated there was a book that

258

00:12:44,260 --> 00:12:36,500

Michael Baigent wrote about it called

259

00:12:45,790 --> 00:12:44,270

the Jesus papers and yeah and so that

260

00:12:48,550 --> 00:12:45,800

very much reminds me of what you're

261

00:12:50,950 --> 00:12:48,560

saying and when I read in your

262

00:12:53,650 --> 00:12:50,960

information about them being called sons

263

00:12:56,950 --> 00:12:53,660

of God it of course it took me right

264

00:13:00,120 --> 00:12:56,960

back to that and that's just another

265

00:13:03,640 --> 00:13:00,130

another tiny bit of corroboration there

266

00:13:06,190 --> 00:13:03,650

exactly in fact I actually drew of some

267

00:13:08,590 --> 00:13:06,200

of his work for my own book because he'd

268

00:13:11,440 --> 00:13:08,600

also pursue this sort of a parallel line

269

00:13:13,570 --> 00:13:11,450

of inquiry and went down a very similar

270

00:13:15,880 --> 00:13:13,580

path so I actually proved from that and

271

00:13:17,500 --> 00:13:15,890

then he helped me to actually expand on

272

00:13:20,350 --> 00:13:17,510

my own understanding of the whole

273

00:13:23,440 --> 00:13:20,360

subject minutes there was actually one

274

00:13:25,180 --> 00:13:23,450

of the agnostic Gospels I believe I'm

275

00:13:27,970 --> 00:13:25,190

not mistaken and it's late at night it's

276

00:13:29,650 --> 00:13:27,980

the gospel of the great steth there is

277

00:13:32,230 --> 00:13:29,660

actually a section which Jesus is

278

00:13:34,900 --> 00:13:32,240

actually addressing Peter watching is

279

00:13:37,090 --> 00:13:34,910

supposed to crucifixion and he's saying

280

00:13:39,400 --> 00:13:37,100

and he's saying it was not I it was

281

00:13:40,960 --> 00:13:39,410

another who they nailed to the cross it

282

00:13:44,140 --> 00:13:40,970

was another who took the goal and the

283

00:13:47,680 --> 00:13:44,150

vinegar and electron he says and I

284

00:13:49,540 --> 00:13:47,690

laughed at their ignorance so Jesus is

285

00:13:51,790 --> 00:13:49,550

actually watching himself not being

286

00:13:54,040 --> 00:13:51,800

crucified and this was a position that

287

00:13:56,500 --> 00:13:54,050

was actually taken up by the Quran as

288

00:14:00,120 --> 00:13:56,510

they as a seventh century where they

289

00:14:03,010 --> 00:14:00,130

actually mentioned him by name's Lisa

290

00:14:04,900 --> 00:14:03,020

Jesus in the Muslim brothers caught Lisa

291

00:14:07,600 --> 00:14:04,910

which is very interesting because that's

292

00:14:10,780 --> 00:14:07,610

actually the Egyptian name for Isis

293

00:14:13,870 --> 00:14:10,790

final vision any more of that and they

294

00:14:15,610 --> 00:14:13,880

actually even said that you know they

295

00:14:18,400 --> 00:14:15,620

that they actually did not nail their

296

00:14:20,700 --> 00:14:18,410

man to the cross they made they nailed

297

00:14:25,300 --> 00:14:20,710

someone else in his stead name was Simon

298

00:14:27,190 --> 00:14:25,310

of Cyrene II mean exactly the same thing

299

00:14:28,840 --> 00:14:27,200

so if Jesus wasn't nailed to a cross

300

00:14:32,080 --> 00:14:28,850

then it couldn't have been resurrected

301
00:14:34,400 --> 00:14:32,090
in the real sense so designer leave yeah

302
00:14:39,520 --> 00:14:34,410
I believe there's a good account of

303
00:14:42,860 --> 00:14:39,530
in the Gospel of Barnabas as well and

304
00:14:47,300 --> 00:14:42,870
yeah it's the evidence is out there I

305
00:14:50,090 --> 00:14:47,310
mean there's definitely evidence out

306
00:14:52,580 --> 00:14:50,100
there that does contradict the sort of

307
00:14:54,440 --> 00:14:52,590
standard interpretation of the

308
00:14:58,910 --> 00:14:54,450
Scriptures of the of the Bible of the

309
00:15:01,880 --> 00:14:58,920
canonical Gospels in and the Bible it

310
00:15:06,140 --> 00:15:01,890
would be interesting to know you know

311
00:15:09,770 --> 00:15:06,150
how many other Gospels or texts that are

312
00:15:12,500 --> 00:15:09,780
out there or even worse in the Vatican

313
00:15:15,590 --> 00:15:12,510

archives that we haven't been able to

314

00:15:18,830 --> 00:15:15,600

get access to like we have the Gnostic

315

00:15:21,110 --> 00:15:18,840

Gospels the NAG Hammadi library the Dead

316

00:15:23,330 --> 00:15:21,120

Sea Scrolls those sorts of things we've

317

00:15:25,730 --> 00:15:23,340

we've had some exposure to now but I

318

00:15:27,770 --> 00:15:25,740

wonder what else there may be that's

319

00:15:30,650 --> 00:15:27,780

gonna be popping up either that just

320

00:15:33,860 --> 00:15:30,660

hasn't been found yet or has been

321

00:15:36,490 --> 00:15:33,870

secreted away yes actually it makes me

322

00:15:39,440 --> 00:15:36,500

laugh actually that the Vatican

323

00:15:41,450 --> 00:15:39,450

basically stole everything that they

324

00:15:43,370 --> 00:15:41,460

could from the Library of Alexandria and

325

00:15:44,540 --> 00:15:43,380

so forth they've burned pretty much

326

00:15:48,050 --> 00:15:44,550

everything else they couldn't get their

327

00:15:50,480 --> 00:15:48,060

hands on and yet they want to be caught

328

00:15:53,150 --> 00:15:50,490

in the act they they've kept us so much

329

00:15:55,190 --> 00:15:53,160

this information hidden away it's as

330

00:15:56,780 --> 00:15:55,200

though they want to be caught it's the

331

00:16:00,710 --> 00:15:56,790

funniest thing watching this from the

332

00:16:02,680 --> 00:16:00,720

sidelines but again it's you go back to

333

00:16:04,520 --> 00:16:02,690

the time when constant time is sort of

334

00:16:06,170 --> 00:16:04,530

depending on your point of view he's

335

00:16:08,600 --> 00:16:06,180

being coerced or he was actually trying

336

00:16:10,580 --> 00:16:08,610

to create this new religion and even

337

00:16:12,770 --> 00:16:10,590

after that point the whole story of

338

00:16:15,290 --> 00:16:12,780

Jesus was well known to that medieval

339

00:16:17,300 --> 00:16:15,300

church that he was a sort of a living

340

00:16:21,140 --> 00:16:17,310

archetype who's following a certain

341

00:16:22,760 --> 00:16:21,150

ritual and initiatic tradition and to

342

00:16:24,860 --> 00:16:22,770

the point where the whole point of Jesus

343

00:16:27,020 --> 00:16:24,870

of Nazareth actually was a complete

344

00:16:28,700 --> 00:16:27,030

misnomer because you know Nazareth has

345

00:16:30,980 --> 00:16:28,710

been proved that it didn't actually

346

00:16:32,570 --> 00:16:30,990

exist in its heyday it was nothing more

347

00:16:34,850 --> 00:16:32,580

than a bunch of waffles and a few caves

348

00:16:37,160 --> 00:16:34,860

and even the synagogue that's listed

349

00:16:38,950 --> 00:16:37,170

indeed at the Bible did not exist or at

350

00:16:42,320 --> 00:16:38,960

least no trace of it they've been found

351
00:16:45,680 --> 00:16:42,330
so where did this Jesus of Nazareth come

352
00:16:48,380 --> 00:16:45,690
from well it turns out that master of

353
00:16:51,440 --> 00:16:48,390
the town itself wasn't really there

354
00:16:54,170 --> 00:16:51,450
because but the term masa right did

355
00:16:56,990 --> 00:16:54,180
exist and the mass arrived was a title

356
00:17:00,320 --> 00:16:57,000
given to an initiate of the mandiant

357
00:17:04,220 --> 00:17:00,330
order and it's the most famous person

358
00:17:05,540 --> 00:17:04,230
that was associated with the actual man

359
00:17:08,120 --> 00:17:05,550
the order was the course of John the

360
00:17:11,180 --> 00:17:08,130
Baptist who was a relative of Jesus and

361
00:17:13,670 --> 00:17:11,190
these two carry the title of mass Arai

362
00:17:16,040 --> 00:17:13,680
now a Nazarite was someone who'd spent

363
00:17:18,260 --> 00:17:16,050

three years in the inner brotherhood had

364

00:17:21,380 --> 00:17:18,270

actually gone into the bridal chamber

365

00:17:23,420 --> 00:17:21,390

which is the special secret chamber that

366

00:17:26,000 --> 00:17:23,430

the highest initiates would undertake

367

00:17:27,380 --> 00:17:26,010

their final Rite of initiation from

368

00:17:29,600 --> 00:17:27,390

which they were raised from the dead

369

00:17:31,340 --> 00:17:29,610

after spending either at night or three

370

00:17:33,410 --> 00:17:31,350

nights immersed in this other world

371

00:17:35,930 --> 00:17:33,420

where the soul actually left the body in

372

00:17:39,080 --> 00:17:35,940

in a sort of a near-death experience and

373

00:17:41,810 --> 00:17:39,090

it was only they who survived who were

374

00:17:44,120 --> 00:17:41,820

given the title and they were able to

375

00:17:48,740 --> 00:17:44,130

actually bring people into the dinner

376

00:17:50,180 --> 00:17:48,750

brotherhood of the of the earth of the

377

00:17:52,640 --> 00:17:50,190

living resurrection they could actually

378

00:17:54,530 --> 00:17:52,650

perform the living resurrection ritual

379

00:17:56,230 --> 00:17:54,540

now when you see it from that point of

380

00:18:00,140 --> 00:17:56,240

view things don't make a lot more sense

381

00:18:01,580 --> 00:18:00,150

because Jesus wasn't just you know risen

382

00:18:03,800 --> 00:18:01,590

from the dead himself he was also

383

00:18:06,830 --> 00:18:03,810

helping others do so and the story of

384

00:18:09,500 --> 00:18:06,840

Lazarus comes to mind where if you look

385

00:18:11,870 --> 00:18:09,510

at the the whole story from a slightly

386

00:18:14,360 --> 00:18:11,880

easier Terry point of view it's quite

387

00:18:16,040 --> 00:18:14,370

clear that Lazarus panicked you know

388

00:18:19,070 --> 00:18:16,050

Jesus gets called out in the middle of

389

00:18:19,670 --> 00:18:19,080

the night and he has to go out and roll

390

00:18:22,700 --> 00:18:19,680

away the stone

391

00:18:25,190 --> 00:18:22,710

poor Lazarus is sort of half awake half

392

00:18:27,080 --> 00:18:25,200

asleep he's not sure if he's coming in

393

00:18:29,240 --> 00:18:27,090

or out of the body and it's quite clear

394

00:18:31,820 --> 00:18:29,250

that this poor guy and actually panicked

395

00:18:33,380 --> 00:18:31,830

during his initiation ceremony and he

396

00:18:35,770 --> 00:18:33,390

was actually being initiated if you

397

00:18:39,710 --> 00:18:35,780

actually read the story quite carefully

398

00:18:43,010 --> 00:18:39,720

knowing the symbology associated with

399

00:18:45,410 --> 00:18:43,020

the initiation practices but even so the

400

00:18:47,660 --> 00:18:45,420

mandaeans were also falling on from very

401
00:18:50,240 --> 00:18:47,670
earlier traditions I mean for example I

402
00:18:52,870 --> 00:18:50,250
actually found one of the earliest

403
00:18:55,070 --> 00:18:52,880
traditions of a raisin ritual in Egypt

404
00:18:57,230 --> 00:18:55,080
everything eventually comes back to

405
00:18:59,720 --> 00:18:57,240
Egypt and there was one particular

406
00:19:00,250 --> 00:18:59,730
chamber in the pyramid of who knows

407
00:19:03,130 --> 00:19:00,260
which

408
00:19:05,490 --> 00:19:03,140
very unusual first of all this Pharaoh

409
00:19:08,560 --> 00:19:05,500
built himself a beautiful pyramid

410
00:19:10,920 --> 00:19:08,570
massive underground chambers a wonderful

411
00:19:14,590 --> 00:19:10,930
cause where the goes all the way to the

412
00:19:16,810 --> 00:19:14,600
third mile and yet his body was buried

413
00:19:18,760 --> 00:19:16,820

elsewhere so you could have started

414

00:19:21,070 --> 00:19:18,770

asking yourself a few questions if Miss

415

00:19:23,710 --> 00:19:21,080

Farrow spent so much time and effort and

416

00:19:26,710 --> 00:19:23,720

money Billy himself a mausoleum how come

417

00:19:28,660 --> 00:19:26,720

he buried himself somewhere else and the

418

00:19:31,690 --> 00:19:28,670

one thing that the Pyramid of Lunas is

419

00:19:34,270 --> 00:19:31,700

well known for is the Pyramid Texts it's

420

00:19:35,890 --> 00:19:34,280

like watching Neolithic wallpaper the

421

00:19:39,100 --> 00:19:35,900

whole chamber if you haven't been there

422

00:19:41,830 --> 00:19:39,110

is absolutely covered from head to toe

423

00:19:43,780 --> 00:19:41,840

from thanks to which with hundred lives

424

00:19:45,670 --> 00:19:43,790

and a couple of wonderful Danish

425

00:19:48,640 --> 00:19:45,680

gentlemen whose names I assume they

426
00:19:49,950 --> 00:19:48,650
cannot remember no and I wrote this in

427
00:19:52,750 --> 00:19:49,960
the book so I wouldn't forget

428
00:19:54,400 --> 00:19:52,760
they actually deciphered it and I was

429
00:19:56,980 --> 00:19:54,410
reading through their work and I thought

430
00:20:00,240 --> 00:19:56,990
wait a minute the Pyramid Texts actually

431
00:20:03,430 --> 00:20:00,250
referring to the experience of a person

432
00:20:05,620 --> 00:20:03,440
who is not going to be buried after he's

433
00:20:08,890 --> 00:20:05,630
dead but a person who's actually been

434
00:20:10,810 --> 00:20:08,900
interred inside this chamber is going

435
00:20:12,940 --> 00:20:10,820
into the Otherworld with specific

436
00:20:16,240 --> 00:20:12,950
instructions and how to overcome certain

437
00:20:19,030 --> 00:20:16,250
obstacles and he is expected to return

438
00:20:22,300 --> 00:20:19,040

fully alive back into his living body

439

00:20:24,220 --> 00:20:22,310

and that's why no one who has ever found

440

00:20:26,470 --> 00:20:24,230

buried in some of these pyramids there's

441

00:20:28,990 --> 00:20:26,480

another one next door to him in the

442

00:20:31,390 --> 00:20:29,000

pyramid of Teti and also the Turner's

443

00:20:33,070 --> 00:20:31,400

second head which was on a mouthful at

444

00:20:34,960 --> 00:20:33,080

this time at night yeah one of these

445

00:20:38,380 --> 00:20:34,970

people including took Moses the third

446

00:20:40,780 --> 00:20:38,390

one of these people who had the ritual

447

00:20:43,060 --> 00:20:40,790

chainsaw right more jury chambers built

448

00:20:45,910 --> 00:20:43,070

for them was found there in their own

449

00:20:47,830 --> 00:20:45,920

chambers it doesn't add up but the one

450

00:20:49,660 --> 00:20:47,840

thing they all have in common they had

451
00:20:52,030 --> 00:20:49,670
these Pyramid Texts and it gives some

452
00:20:55,450 --> 00:20:52,040
specific instruction on how to take the

453
00:20:58,840 --> 00:20:55,460
soul out of the body how to allow it to

454
00:21:00,340 --> 00:20:58,850
navigate in the Otherworld talk to the

455
00:21:02,350 --> 00:21:00,350
right people come up with the right

456
00:21:04,330 --> 00:21:02,360
information and come back into a living

457
00:21:06,940 --> 00:21:04,340
body and they were expected to go on

458
00:21:08,940 --> 00:21:06,950
living many years after and that I

459
00:21:11,530 --> 00:21:08,950
believe is one of the oldest

460
00:21:13,840 --> 00:21:11,540
explanations of this incredible ritual

461
00:21:16,660 --> 00:21:13,850
that was not necessary

462
00:21:19,660 --> 00:21:16,670
reserved for kings and queens it was

463
00:21:21,850 --> 00:21:19,670

also available to lay people and there's

464

00:21:25,900 --> 00:21:21,860

actually spirit door that was found in

465

00:21:28,030 --> 00:21:25,910

the chamber of teddy the first that's

466

00:21:31,240 --> 00:21:28,040

another Egyptian Sparrow who was buried

467

00:21:33,910 --> 00:21:31,250

on the next two units and this spirit

468

00:21:35,680 --> 00:21:33,920

door basic is a false door and it has a

469

00:21:38,260 --> 00:21:35,690

proclamation alleged and it's in the

470

00:21:42,160 --> 00:21:38,270

British Museum today and he actually

471

00:21:44,440 --> 00:21:42,170

talks about the this wonderful person

472

00:21:46,840 --> 00:21:44,450

who lived in the household of the

473

00:21:50,320 --> 00:21:46,850

Pharaoh he was basically a servant a

474

00:21:53,560 --> 00:21:50,330

manservant and he's is exclamation at

475

00:21:56,920 --> 00:21:53,570

being given privileged to go into the

476

00:21:59,200 --> 00:21:56,930

Pharaohs secret chamber and to be

477

00:22:01,810 --> 00:21:59,210

allowed to see the things of the other

478

00:22:03,910 --> 00:22:01,820

world and at the very end this very

479

00:22:07,150 --> 00:22:03,920

excited and very thankful and humble

480

00:22:09,910 --> 00:22:07,160

servant says and in this chamber I found

481

00:22:11,560 --> 00:22:09,920

the way now that might not mean anything

482

00:22:15,400 --> 00:22:11,570

to anyone until you actually start

483

00:22:17,800 --> 00:22:15,410

researching the Chinese towel and also

484

00:22:19,570 --> 00:22:17,810

the work of the Essenes who were cause

485

00:22:23,080 --> 00:22:19,580

to people who read the time of Jesus and

486

00:22:26,230 --> 00:22:23,090

but for those people have this wonderful

487

00:22:28,420 --> 00:22:26,240

secret Brotherhood who also took on an

488

00:22:30,580 --> 00:22:28,430

inner Brotherhood they taught them that

489

00:22:34,240 --> 00:22:30,590

the special secrets of raising the dead

490

00:22:37,120 --> 00:22:34,250

and they too were initiated into the

491

00:22:40,750 --> 00:22:37,130

cult of living resurrection and when

492

00:22:42,190 --> 00:22:40,760

they completed their apprenticeship they

493

00:22:45,490 --> 00:22:42,200

were declared risen from the dead and

494

00:22:47,560 --> 00:22:45,500

they declared I found the way

495

00:22:49,870 --> 00:22:47,570

in fact the ascends would call the

496

00:22:52,750 --> 00:22:49,880

followers of the way so all of these

497

00:22:55,960 --> 00:22:52,760

things are connected this is a very very

498

00:22:58,450 --> 00:22:55,970

long line of initiation because Ruth

499

00:23:00,460 --> 00:22:58,460

that's two to three thousand years of

500

00:23:01,930 --> 00:23:00,470

people who managed to get to the other

501
00:23:03,850 --> 00:23:01,940
side in this soul

502
00:23:05,860 --> 00:23:03,860
they managed to peruse the soul world

503
00:23:08,590 --> 00:23:05,870
and they came back very much

504
00:23:14,500 --> 00:23:08,600
Spiritualized and very much aware of the

505
00:23:18,010 --> 00:23:14,510
mechanics of nature well now are you I

506
00:23:19,990 --> 00:23:18,020
want to go back to those to the chambers

507
00:23:22,720 --> 00:23:20,000
that you're talking about and you know

508
00:23:24,910 --> 00:23:22,730
these these burial places are are I

509
00:23:26,169 --> 00:23:24,920
guess they were not burial places is

510
00:23:28,989 --> 00:23:26,179
what you're saying there

511
00:23:30,700 --> 00:23:28,999
they haven't found any bodies is because

512
00:23:33,310 --> 00:23:30,710
that's not what they were for

513
00:23:34,960 --> 00:23:33,320

exactly and yeah and they were very

514

00:23:37,119 --> 00:23:34,970

interesting places too a lot of them

515

00:23:38,889 --> 00:23:37,129

survived to this very day

516

00:23:42,090 --> 00:23:38,899

Beijing actually found one of them in

517

00:23:44,830 --> 00:23:42,100

Italy it was in the place called bhaiyya

518

00:23:47,139 --> 00:23:44,840

they used to call it heli in the old

519

00:23:49,149 --> 00:23:47,149

Greek days which is what hell comes from

520

00:23:51,840 --> 00:23:49,159

because the place literally smells like

521

00:23:54,489 --> 00:23:51,850

Satan's bottom I mean it really is quite

522

00:23:58,180 --> 00:23:54,499

you know it's like this horrible smell

523

00:23:59,609 --> 00:23:58,190

of sulfur and and not and the inside

524

00:24:02,259 --> 00:23:59,619

chambers

525

00:24:04,840 --> 00:24:02,269

behave like they look like beehives and

526

00:24:07,690 --> 00:24:04,850

I found this all around the world I was

527

00:24:10,210 --> 00:24:07,700

just in Peru it's saw star me where they

528

00:24:11,980 --> 00:24:10,220

had these things called troopers and

529

00:24:15,580 --> 00:24:11,990

people said that these are Inca burial

530

00:24:18,489 --> 00:24:15,590

sites well wrong first of all the they

531

00:24:21,669 --> 00:24:18,499

precede the Inca by many many hundreds

532

00:24:25,090 --> 00:24:21,679

of years and secondly to be inside a

533

00:24:27,399 --> 00:24:25,100

shape might be hires and the same thing

534

00:24:31,570 --> 00:24:27,409

happens in China in the Middle East in

535

00:24:32,980 --> 00:24:31,580

Island in England in Europe all of these

536

00:24:35,019 --> 00:24:32,990

places associated with living

537

00:24:38,169 --> 00:24:35,029

resurrection or initiation are all

538

00:24:40,840 --> 00:24:38,179

shaped like beehives and in many places

539

00:24:44,470 --> 00:24:40,850

they're also called the bridal chamber

540

00:24:47,320 --> 00:24:44,480

now the bridal chamber was a place where

541

00:24:50,499 --> 00:24:47,330

the initiate was expected to couple with

542

00:24:52,930 --> 00:24:50,509

his bride with one big exception to

543

00:24:55,239 --> 00:24:52,940

support that for the initiate was over

544

00:24:57,639 --> 00:24:55,249

her alive and secondly there was no

545

00:25:00,100 --> 00:24:57,649

flesh and bone bride ever involved

546

00:25:02,440 --> 00:25:00,110

because this bride that the initial

547

00:25:05,259 --> 00:25:02,450

negative word was nothing more than the

548

00:25:08,440 --> 00:25:05,269

goddess of nature she was the essential

549

00:25:10,869 --> 00:25:08,450

divine feminine the divine feminine for

550

00:25:14,200 --> 00:25:10,879

anybody who doesn't know it is the

551

00:25:16,359 --> 00:25:14,210

concept of the living the of living

552

00:25:20,230 --> 00:25:16,369

nature she's the personification of life

553

00:25:22,960 --> 00:25:20,240

itself how the universe is created she

554

00:25:24,850 --> 00:25:22,970

was eventually personified in Isis or

555

00:25:27,100 --> 00:25:24,860

the Black Madonna statues that you find

556

00:25:30,460 --> 00:25:27,110

throughout Europe and it was in these

557

00:25:32,830 --> 00:25:30,470

chambers where the initial it led to

558

00:25:35,919 --> 00:25:32,840

become a single man and again going back

559

00:25:38,430 --> 00:25:35,929

to Jesus he actually once talked about

560

00:25:40,169 --> 00:25:38,440

of becoming a single man which

561

00:25:41,940 --> 00:25:40,179

we're the church kind of took it very

562

00:25:43,409 --> 00:25:41,950

literally and said well Jesus was then

563

00:25:46,560 --> 00:25:43,419

never married because it talked about

564

00:25:48,990 --> 00:25:46,570

being a single man well a single man was

565

00:25:51,690 --> 00:25:49,000

actually one of most important features

566

00:25:54,180 --> 00:25:51,700

of the initiation ritual of goings in

567

00:25:57,049 --> 00:25:54,190

the Otherworld because that's when the

568

00:25:59,669 --> 00:25:57,059

person learned to harmonize his or her

569

00:26:03,090 --> 00:25:59,679

exterior with their interior as above so

570

00:26:05,580 --> 00:26:03,100

below and that's final coupling with the

571

00:26:08,519 --> 00:26:05,590

bride in the bridal chamber was

572

00:26:11,100 --> 00:26:08,529

essentially a sacred marriage this

573

00:26:13,919 --> 00:26:11,110

person became wedded to the divine

574

00:26:16,350 --> 00:26:13,929

virgin so that what they were trying to

575

00:26:18,180 --> 00:26:16,360

say in the language of the temple is

576

00:26:20,879 --> 00:26:18,190

that these initiates had learned the

577

00:26:22,560 --> 00:26:20,889

secrets of the mechanics of nature now

578

00:26:25,320 --> 00:26:22,570

that's big stuff because once you know

579

00:26:27,480 --> 00:26:25,330

the mechanics of nature you have a

580

00:26:29,909 --> 00:26:27,490

degree of control over the manifestation

581

00:26:31,789 --> 00:26:29,919

process and that's where the story of

582

00:26:34,830 --> 00:26:31,799

Jesus now takes on greater significance

583

00:26:37,200 --> 00:26:34,840

and people like him because they're able

584

00:26:40,409 --> 00:26:37,210

to do very unusual things they were in a

585

00:26:42,539 --> 00:26:40,419

chain warrens wine or water these are

586

00:26:44,279 --> 00:26:42,549

all suggestions that they're able to

587

00:26:47,430 --> 00:26:44,289

have a degree of control of the

588

00:26:49,379 --> 00:26:47,440

manifestation process so you put these

589

00:26:51,570 --> 00:26:49,389

pieces together and you wonder why do

590

00:26:53,970 --> 00:26:51,580

the church ban all this well because

591

00:26:55,919 --> 00:26:53,980

this information in the wrong hands you

592

00:26:58,889 --> 00:26:55,929

know now knowing what we know about the

593

00:27:00,539 --> 00:26:58,899

power of intent this information in the

594

00:27:04,409 --> 00:27:00,549

wrong hands can have very fine

595

00:27:06,090 --> 00:27:04,419

consequences and I believe that having

596

00:27:08,490 --> 00:27:06,100

read through smelling these extracts

597

00:27:10,860 --> 00:27:08,500

that this is the reason above all why

598

00:27:13,649 --> 00:27:10,870

these sects were very secret why they

599

00:27:16,110 --> 00:27:13,659

protected the initiates from any kind of

600

00:27:18,210 --> 00:27:16,120

outside influence why they protected

601
00:27:21,840 --> 00:27:18,220
their secret chambers and why they were

602
00:27:23,279 --> 00:27:21,850
very secret and because you didn't want

603
00:27:25,409 --> 00:27:23,289
the wrong people to go in there with the

604
00:27:26,999 --> 00:27:25,419
wrong intent bring back information from

605
00:27:29,850 --> 00:27:27,009
the Otherworld and then apply it on a

606
00:27:32,850 --> 00:27:29,860
human level to create all kind of havoc

607
00:27:34,860 --> 00:27:32,860
so that they do basically secret for

608
00:27:38,299 --> 00:27:34,870
very good reason you're protecting very

609
00:27:42,299 --> 00:27:38,309
important information in these chambers

610
00:27:46,200 --> 00:27:42,309
now do you think that it it would have

611
00:27:49,019 --> 00:27:46,210
been possible or is possible for a

612
00:27:50,019 --> 00:27:49,029
person with the wrong intention to get

613
00:27:53,830 --> 00:27:50,029

in there and I have this

614

00:27:57,369 --> 00:27:53,840

access to knowledge that you know a

615

00:28:01,299 --> 00:27:57,379

person who's going in you know as a an

616

00:28:04,680 --> 00:28:01,309

honest seeker would would have oh they

617

00:28:07,239 --> 00:28:04,690

had some great trials to make sure that

618

00:28:09,099 --> 00:28:07,249

there was a checks and balances in place

619

00:28:11,080 --> 00:28:09,109

to make sure that the right people stay

620

00:28:12,869 --> 00:28:11,090

on the right side of the fence or in

621

00:28:14,979 --> 00:28:12,879

this case the right side of the wall

622

00:28:18,669 --> 00:28:14,989

they basically went around like

623

00:28:23,190 --> 00:28:18,679

troubadours talking about certain

624

00:28:26,919 --> 00:28:23,200

spiritual truths very highly veiled in

625

00:28:30,070 --> 00:28:26,929

songs in parables and we know how

626

00:28:31,479 --> 00:28:30,080

important parables are in holy books to

627

00:28:32,829 --> 00:28:31,489

the point where they don't seem to make

628

00:28:34,329 --> 00:28:32,839

much sense

629

00:28:36,459 --> 00:28:34,339

well that's because to most people that

630

00:28:39,249 --> 00:28:36,469

read the parables or other parables or

631

00:28:41,739 --> 00:28:39,259

the songs they were in adored laypeople

632

00:28:43,209 --> 00:28:41,749

there was simple and for them it was

633

00:28:45,729 --> 00:28:43,219

nothing more than entertainment it's a

634

00:28:47,499 --> 00:28:45,739

fun story but then do it those few

635

00:28:49,570 --> 00:28:47,509

people in the crowd that would say well

636

00:28:52,359 --> 00:28:49,580

wait a minute there's something more to

637

00:28:54,039 --> 00:28:52,369

this story that meets the eye and it was

638

00:28:56,499 --> 00:28:54,049

those people that they were chosen out

639

00:28:59,169 --> 00:28:56,509

of the crowd that will allowed to come

640

00:29:01,959 --> 00:28:59,179

into these societies in secret sects and

641

00:29:05,289 --> 00:29:01,969

they were towards the first year under a

642

00:29:07,899 --> 00:29:05,299

period of observation as few sort of

643

00:29:10,869 --> 00:29:07,909

breadcrumbs about the the lesser

644

00:29:13,060 --> 00:29:10,879

mysteries about how the world really

645

00:29:15,579 --> 00:29:13,070

works and during that year of

646

00:29:18,489 --> 00:29:15,589

observation they were kept under tight

647

00:29:21,129 --> 00:29:18,499

scrutiny for their behavior for a

648

00:29:22,749 --> 00:29:21,139

possible deception but mostly for their

649

00:29:24,789 --> 00:29:22,759

honesty and their ability to be

650

00:29:26,709 --> 00:29:24,799

responsible with information that they

651
00:29:28,239 --> 00:29:26,719
were either receive and had of those

652
00:29:30,430 --> 00:29:28,249
people once this sort of out the

653
00:29:32,379 --> 00:29:30,440
elephants from the shoe it was those

654
00:29:34,359 --> 00:29:32,389
very very few people who then were

655
00:29:36,700 --> 00:29:34,369
allowed to become candidates for

656
00:29:39,999 --> 00:29:36,710
initiation and they were them given the

657
00:29:42,190 --> 00:29:40,009
mysteries of the greater mysteries in

658
00:29:44,169 --> 00:29:42,200
the parables were taken apart they were

659
00:29:46,659 --> 00:29:44,179
shown for what they were there were

660
00:29:49,209 --> 00:29:46,669
carriers of incredible spiritual truths

661
00:29:51,700 --> 00:29:49,219
so there were these huge checks and

662
00:29:54,700 --> 00:29:51,710
balances that went all the way up to the

663
00:29:57,190 --> 00:29:54,710

Greek era plus of Riviera but then

664

00:29:59,229 --> 00:29:57,200

something begins to fall apart around

665

00:30:01,440 --> 00:29:59,239

the time of the Romans show up Freddy

666

00:30:03,790 --> 00:30:01,450

can you can you hold that thought we

667

00:30:06,040 --> 00:30:03,800

need to take a quick break and

668

00:30:07,930 --> 00:30:06,050

we shall be right back stay tuned you're

669

00:31:03,110 --> 00:30:07,940

listening to night vision radio our

670

00:31:09,510 --> 00:31:06,540

hi Bob tarmac for MJ's healthy way calm

671

00:31:12,990 --> 00:31:09,520

are you two fighting as nutrition meal

672

00:31:15,270 --> 00:31:13,000

replacements health shakes keeping your

673

00:31:16,470 --> 00:31:15,280

body in good shape your internal engine

674

00:31:18,810 --> 00:31:16,480

going yeah

675

00:31:21,750 --> 00:31:18,820

why do I have a perfect place for you

676
00:31:23,940 --> 00:31:21,760
MJ's healthy way calm they offer the

677
00:31:25,410 --> 00:31:23,950
best service and products and they'll

678
00:31:27,180 --> 00:31:25,420
tell you anything you need to know about

679
00:31:29,700 --> 00:31:27,190
any part they I have to offer

680
00:31:32,520 --> 00:31:29,710
I get all my vitamins meal replacement

681
00:31:37,200 --> 00:31:32,530
shakes from MJ's healthy way calm that's

682
00:31:39,210 --> 00:31:37,210
spelled MJ s healthy way calm there's so

683
00:31:48,210 --> 00:31:39,220
much more at the website go check it out

684
00:31:54,909 --> 00:31:52,180
hello everyone Lorien Fenton here hosted

685
00:31:57,399 --> 00:31:54,919
the California MUFON radio show asking

686
00:31:59,980 --> 00:31:57,409
if you'd like special access to

687
00:32:03,700 --> 00:31:59,990
exclusive and amazing information about

688
00:32:07,060 --> 00:32:03,710

UFOs the paranormal and all things

689

00:32:10,659 --> 00:32:07,070

unexplained if you're nodding yes then

690

00:32:12,430 --> 00:32:10,669

join our ends insider Club as an insider

691

00:32:15,430 --> 00:32:12,440

Club member you'll get an all-access

692

00:32:19,810 --> 00:32:15,440

pass to premiere inception radio network

693

00:32:22,629 --> 00:32:19,820

content for only \$4.99 a month this

694

00:32:25,570 --> 00:32:22,639

includes live UFO and paranormal

695

00:32:28,749 --> 00:32:25,580

conferences live streaming UFO sky

696

00:32:31,840 --> 00:32:28,759

watches exclusive irn radio and TV

697

00:32:34,960 --> 00:32:31,850

productions and of course paying radio

698

00:32:35,560 --> 00:32:34,970

with MJ and Ken Storch so don't wait any

699

00:32:38,200 --> 00:32:35,570

longer

700

00:32:41,320 --> 00:32:38,210

visit inception radio network comm and

701
00:32:44,019 --> 00:32:41,330
click on member login to join higher

702
00:32:48,190 --> 00:32:44,029
ends insider club and get your VIP

703
00:32:50,529 --> 00:32:48,200
access today if you have a smartphone if

704
00:32:52,090 --> 00:32:50,539
so conception radio network is the best

705
00:32:55,330 --> 00:32:52,100
app for you available

706
00:32:56,109 --> 00:32:55,340
I choose Android Samsung and most other

707
00:32:59,049 --> 00:32:56,119
app stores

708
00:33:00,909 --> 00:32:59,059
just search inception radio network with

709
00:33:03,639 --> 00:33:00,919
the applicant listen live to check out

710
00:33:05,680 --> 00:33:03,649
podcasts of recent amp our show view our

711
00:33:08,619 --> 00:33:05,690
videos to see what shows are coming up

712
00:33:11,320 --> 00:33:08,629
who the guests are and via the chat room

713
00:33:12,369 --> 00:33:11,330

send live questions to those guests you

714

00:33:13,930 --> 00:33:12,379

know it makes sense

715

00:33:20,550 --> 00:33:13,940

check your apps door

716

00:33:25,960 --> 00:33:23,530

hey IRA listeners make sure you tune

717

00:33:27,850 --> 00:33:25,970

into night-vision radio with Renee

718

00:33:29,740 --> 00:33:27,860

Barnett where name will be exposing the

719

00:33:32,080 --> 00:33:29,750

truth one secret at a time when

720

00:33:35,020 --> 00:33:32,090

Thursday's every thursday 10:30 p.m.

721

00:33:41,320 --> 00:33:35,030

Eastern sub-30 p.m. Pacific their right

722

00:33:44,080 --> 00:33:41,330

ear I rap fine

723

00:33:47,830 --> 00:33:44,090

I'm John pain focused for the band Asia

724

00:33:48,700 --> 00:33:47,840

fjp and creator of Las Vegas is raiding

725

00:33:51,190 --> 00:33:48,710

the rock vault

726

00:33:53,320 --> 00:33:51,200

you know music provides the various

727

00:33:56,080 --> 00:33:53,330

soundtracks of our lives and has the

728

00:33:56,890 --> 00:33:56,090

power to in passion and inspire us like

729

00:33:58,900 --> 00:33:56,900

nothing else

730

00:34:01,540 --> 00:33:58,910

my friends at return of the troubadour

731

00:34:03,580 --> 00:34:01,550

calm understand that as well and that's

732

00:34:06,820 --> 00:34:03,590

why they're sponsoring a contest in

733

00:34:09,340 --> 00:34:06,830

search have a very special song a song

734

00:34:11,409 --> 00:34:09,350

that uplifts the heart and inspires the

735

00:34:13,390 --> 00:34:11,419

soul I'm very pleased to be sitting on

736

00:34:16,030 --> 00:34:13,400

the panel of distinguished contest

737

00:34:20,890 --> 00:34:16,040

judges and by the way the prizes are

738

00:34:23,440 --> 00:34:20,900

quite nice to go return of the

739

00:34:26,510 --> 00:34:23,450

troubadour com4 for the contest details

740

00:34:28,610 --> 00:34:26,520

and deadlines and send us your song

741

00:34:31,200 --> 00:34:28,620

can just be that special one that's

742

00:34:34,100 --> 00:34:31,210

returned if it's a widow phone call

743

00:34:36,920 --> 00:34:34,110

music can change the world

744

00:35:16,890 --> 00:34:36,930

you're locked into Inception Radio

745

00:35:22,180 --> 00:35:19,660

and we're back you're listening to night

746

00:35:25,210 --> 00:35:22,190

vision radio I'm your host Renee Barnett

747

00:35:28,960 --> 00:35:25,220

our guest this evening is author Freddy

748

00:35:31,630 --> 00:35:28,970

Silva we're talking about a little bit

749

00:35:34,870 --> 00:35:31,640

of a controversial subject we're talking

750

00:35:37,480 --> 00:35:34,880

about the interpretation of Resurrection

751

00:35:40,450 --> 00:35:37,490

have we had it all wrong all this time

752

00:35:42,640 --> 00:35:40,460

and Freddy you were in the middle of an

753

00:35:45,940 --> 00:35:42,650

explanation and a thought so I'd like

754

00:35:47,560 --> 00:35:45,950

for you to please continue that and then

755

00:35:49,450 --> 00:35:47,570

I have some questions I want to ask you

756

00:35:52,930 --> 00:35:49,460

about your own personal experiences oh

757

00:35:56,110 --> 00:35:52,940

sure yes boo get you two to the Roman

758

00:36:00,310 --> 00:35:56,120

era one of the Romans done for us as the

759

00:36:03,310 --> 00:36:00,320

old model - show goes well according to

760

00:36:05,470 --> 00:36:03,320

the initial on much because by the time

761

00:36:07,840 --> 00:36:05,480

the Romans show up things starts forming

762

00:36:09,100 --> 00:36:07,850

a little bit apart because the Romans

763

00:36:10,810 --> 00:36:09,110

had lost the plot they'll basically

764

00:36:13,990 --> 00:36:10,820

borrowing stuff from the Greeks which

765

00:36:15,100 --> 00:36:14,000

they had no idea of what they had really

766

00:36:17,110 --> 00:36:15,110

had with understanding of what the

767

00:36:19,330 --> 00:36:17,120

Greeks were doing and the Greeks

768

00:36:21,160 --> 00:36:19,340

basically if this had been underground

769

00:36:23,560 --> 00:36:21,170

they went even more on the ground

770

00:36:25,870 --> 00:36:23,570

because they realize that there were

771

00:36:27,610 --> 00:36:25,880

there were Roman leaders who really

772

00:36:34,170 --> 00:36:27,620

wanted to get their hands on what they

773

00:36:36,880 --> 00:36:34,180

had and I read that the Greeks were so

774

00:36:39,520 --> 00:36:36,890

protective about these preservation

775

00:36:42,040 --> 00:36:39,530

ceremonies that people were actually not

776

00:36:44,500 --> 00:36:42,050

allowed to talk about them in terms of

777

00:36:46,780 --> 00:36:44,510

what exactly happened during the final

778

00:36:49,630 --> 00:36:46,790

stages of initiation it's a train to be

779

00:36:51,700 --> 00:36:49,640

raised in the bed and it was actually a

780

00:36:53,680 --> 00:36:51,710

criminal offence for you to even discuss

781

00:36:57,250 --> 00:36:53,690

this with your closest friends because

782

00:36:59,290 --> 00:36:57,260

what you saw on the other side as a soul

783

00:37:02,470 --> 00:36:59,300

stayed with you this was very personal

784

00:37:05,680 --> 00:37:02,480

information it was for you to use this

785

00:37:08,050 --> 00:37:05,690

information in your baby life so when

786

00:37:09,940 --> 00:37:08,060

the Romans show up they basically have a

787

00:37:12,100 --> 00:37:09,950

sort of a like understanding of what was

788

00:37:13,270 --> 00:37:12,110

going on but it was recent official and

789

00:37:16,390 --> 00:37:13,280

this is where the whole thing really

790

00:37:18,520 --> 00:37:16,400

sort of part where the Emperor's who

791

00:37:20,560 --> 00:37:18,530

couldn't get all of the initiation

792

00:37:22,660 --> 00:37:20,570

secrets there basically started to tear

793

00:37:24,820 --> 00:37:22,670

down the temples and after that of

794

00:37:27,250 --> 00:37:24,830

course you have the incoming Catholic

795

00:37:28,190 --> 00:37:27,260

Church and they're basically they

796

00:37:31,370 --> 00:37:28,200

totally missed

797

00:37:33,200 --> 00:37:31,380

the idea of Resurrection or they

798

00:37:35,299 --> 00:37:33,210

basically hit the whole concept of

799

00:37:36,890 --> 00:37:35,309

Resurrection because I think they

800

00:37:38,960 --> 00:37:36,900

believed that there was something of

801

00:37:41,420 --> 00:37:38,970

enormous benefit for people people

802

00:37:43,910 --> 00:37:41,430

described being working out people like

803

00:37:46,339 --> 00:37:43,920

Plato and Pythagoras who themselves also

804

00:37:48,920 --> 00:37:46,349

were in ishes of the Greek mystery

805

00:37:51,140 --> 00:37:48,930

schools they described the raising of

806

00:37:53,450 --> 00:37:51,150

that ceremony is the greatest spiritual

807

00:37:55,010 --> 00:37:53,460

development of their careers and in fact

808

00:37:57,500 --> 00:37:55,020

Latham says that is an initiation

809

00:38:00,799 --> 00:37:57,510

experience when on the shape is

810

00:38:03,200 --> 00:38:00,809

philosophical movement so we're talking

811

00:38:05,270 --> 00:38:03,210

about people who the foundation of our

812

00:38:08,359 --> 00:38:05,280

Western thought who actually believed

813

00:38:10,880 --> 00:38:08,369

that this extraordinary out-of-body

814

00:38:13,520 --> 00:38:10,890

experience that they went through shaped

815

00:38:16,280 --> 00:38:13,530

their lives in so many ways right down

816

00:38:18,740 --> 00:38:16,290

to the point where even Isaac in Isaac

817

00:38:20,839 --> 00:38:18,750

Newton's time he too underwent this

818

00:38:24,740 --> 00:38:20,849

process and I believe he did that with

819

00:38:26,299 --> 00:38:24,750

the Freemasons who are still in one way

820

00:38:29,809 --> 00:38:26,309

or another depending on which prove you

821

00:38:32,599 --> 00:38:29,819

talking to still perform the ritual

822

00:38:35,539 --> 00:38:32,609

figuratively in the third degree when a

823

00:38:38,690 --> 00:38:35,549

candidate is raised from the figurative

824

00:38:40,069 --> 00:38:38,700

grave his blindfold is removed all her

825

00:38:42,440 --> 00:38:40,079

blank form because there are three

826

00:38:45,319 --> 00:38:42,450

different Masonic women and they are

827

00:38:48,319 --> 00:38:45,329

declared risen so Isaac Newton of course

828

00:38:50,539 --> 00:38:48,329

we're not to work with gravity and that

829

00:38:54,140 --> 00:38:50,549

he claims that he was his actual

830

00:38:56,690 --> 00:38:54,150

involvement in this initiation that led

831

00:38:59,150 --> 00:38:56,700

him to those discoveries so we can see

832

00:39:03,319 --> 00:38:59,160

here the trees fragments from history

833

00:39:05,390 --> 00:39:03,329

that people obviously drew enormous

834

00:39:07,190 --> 00:39:05,400

personal benefit from this experience

835

00:39:08,530 --> 00:39:07,200

which is why I felt compelled to write

836

00:39:10,930 --> 00:39:08,540

that book in the first place because

837

00:39:14,089 --> 00:39:10,940

this is not something that was done

838

00:39:16,339 --> 00:39:14,099

2,000 years ago has been forgotten it is

839

00:39:19,160 --> 00:39:16,349

a lost art but there are ways actually

840

00:39:21,500 --> 00:39:19,170

engaged with certain parts of the

841

00:39:24,260 --> 00:39:21,510

environment in order to actually have

842

00:39:27,069 --> 00:39:24,270

that sort of experience and once you

843

00:39:30,410 --> 00:39:27,079

have that experience believe me either

844

00:39:33,020 --> 00:39:30,420

well you know that sort of brings me to

845

00:39:35,150 --> 00:39:33,030

my next line of questioning here I

846

00:39:39,880 --> 00:39:35,160

wanted to find out had you ever done

847

00:39:42,090 --> 00:39:39,890

this initiation process and what about

848

00:39:45,900 --> 00:39:42,100

the rest of us Porsche

849

00:39:48,680 --> 00:39:45,910

that can't you know can't get to Egypt

850

00:39:50,880 --> 00:39:48,690

every other week and you know how

851

00:39:53,310 --> 00:39:50,890

certainly there must be more than one

852

00:39:57,570 --> 00:39:53,320

way to you know skin the proverbial cat

853

00:39:59,910 --> 00:39:57,580

and and have the you know me there can't

854

00:40:03,510 --> 00:39:59,920

just be one location where you can go to

855

00:40:05,910 --> 00:40:03,520

and get this divine experience I just

856

00:40:09,210 --> 00:40:05,920

can't I wouldn't be able to accept that

857

00:40:11,220 --> 00:40:09,220

please tell me that's not true you're

858

00:40:13,980 --> 00:40:11,230

correct yeah absolutely right in fact

859

00:40:16,680 --> 00:40:13,990

the hot spots are everywhere in fact

860

00:40:18,780 --> 00:40:16,690

they're even here in North America I've

861

00:40:22,370 --> 00:40:18,790

read many accounts from Native Americans

862

00:40:25,500 --> 00:40:22,380

before we killed them by some very

863

00:40:30,020 --> 00:40:25,510

astute American gentlemen the amount of

864

00:40:34,680 --> 00:40:30,030

West Connection wrote about there's

865

00:40:38,580 --> 00:40:36,540

Library of Congress which is the

866

00:40:40,770 --> 00:40:38,590

greatest bastion in this country as far

867

00:40:42,330 --> 00:40:40,780

as I'm concerned that has the most

868

00:40:45,330 --> 00:40:42,340

incredible information about these

869

00:40:47,430 --> 00:40:45,340

hotspots where people can under certain

870

00:40:49,830 --> 00:40:47,440

conditions actually have an out-of-body

871

00:40:53,400 --> 00:40:49,840

experience today we call them sacred

872

00:40:56,100 --> 00:40:53,410

sites so yes the Great Pyramid certainly

873

00:40:59,220 --> 00:40:56,110

one of those places there is of course

874

00:41:00,840 --> 00:40:59,230

Bell Rock and Sedona there is the holy

875

00:41:04,680 --> 00:41:00,850

mountain kochava which is on the

876

00:41:07,230 --> 00:41:04,690

frontier of California and Mexico all of

877

00:41:09,090 --> 00:41:07,240

these places around the world would need

878

00:41:13,650 --> 00:41:09,100

to be hotspots where the energy of the

879

00:41:16,290 --> 00:41:13,660

earth is such that the electromagnetism

880

00:41:18,750 --> 00:41:16,300

and the gravitational aspects of the

881

00:41:21,510 --> 00:41:18,760

location interact with your body and

882

00:41:22,230 --> 00:41:21,520

your mind to facilitate an out-of-body

883

00:41:26,340 --> 00:41:22,240

experience

884

00:41:30,900 --> 00:41:26,350

so without too much preparation you can

885

00:41:33,270 --> 00:41:30,910

have this kind of experience for example

886

00:41:35,880 --> 00:41:33,280

if you if you sort of meditate or you do

887

00:41:38,400 --> 00:41:35,890

Transcendental Meditation or even Kriya

888

00:41:40,770 --> 00:41:38,410

yoga and that kind of brings you into

889

00:41:43,770 --> 00:41:40,780

the approximants experience of an

890

00:41:46,740 --> 00:41:43,780

out-of-body state and not the degree I

891

00:41:50,370 --> 00:41:46,750

think with which the initiates describe

892

00:41:53,190 --> 00:41:50,380

the experience but certainly close to it

893

00:41:55,200 --> 00:41:53,200

and I was actually brought up the whole

894

00:41:55,800 --> 00:41:55,210

point of shamanism for example if we

895

00:41:58,440 --> 00:41:55,810

take

896

00:42:00,060 --> 00:41:58,450

enough ayahuasca and things like that do

897

00:42:01,860 --> 00:42:00,070

we have the same experience

898

00:42:04,710 --> 00:42:01,870

well I discovered in my research that

899

00:42:07,860 --> 00:42:04,720

it's a parallel experience when you use

900

00:42:10,110 --> 00:42:07,870

these drugs to leave they leave the body

901
00:42:12,990 --> 00:42:10,120
but to certain degree you are out of

902
00:42:14,940 --> 00:42:13,000
control unless of course you enough and

903
00:42:16,380 --> 00:42:14,950
with the right people out of the right

904
00:42:18,900 --> 00:42:16,390
circumstances because it can be

905
00:42:21,300 --> 00:42:18,910
dangerous but the big difference with

906
00:42:23,730 --> 00:42:21,310
the initiation ceremonies into the year

907
00:42:26,460 --> 00:42:23,740
into living resurrection was that the

908
00:42:28,650 --> 00:42:26,470
soul appears to have total control while

909
00:42:31,470 --> 00:42:28,660
it's out of the body and that's a big

910
00:42:35,310 --> 00:42:31,480
difference of shamanism so yes you can

911
00:42:37,500 --> 00:42:35,320
approximate it today using narcotics the

912
00:42:40,110 --> 00:42:37,510
initiate in the old days also used a

913
00:42:42,210 --> 00:42:40,120

very small narcotic just a number

914

00:42:44,070 --> 00:42:42,220

sensors of the unit's trepidation

915

00:42:45,510 --> 00:42:44,080

because if someone's about to tell you

916

00:42:48,600 --> 00:42:45,520

you know you're about to have an

917

00:42:50,010 --> 00:42:48,610

out-of-body experience you probably no

918

00:42:52,170 --> 00:42:50,020

matter how many years you've been sort

919

00:42:54,570 --> 00:42:52,180

of guided on this you're not going to

920

00:42:56,490 --> 00:42:54,580

feel very relaxed and I did find that

921

00:42:58,050 --> 00:42:56,500

there are many narcotics that were given

922

00:43:01,080 --> 00:42:58,060

to the initiatives before they actually

923

00:43:02,820 --> 00:43:01,090

fell into a state of deep sleep but it

924

00:43:04,980 --> 00:43:02,830

was just enough to knock them a lot and

925

00:43:06,630 --> 00:43:04,990

leave them in total control so that's

926

00:43:08,670 --> 00:43:06,640

the big difference between shamanism and

927

00:43:10,860 --> 00:43:08,680

the initiation ceremonies but certainly

928

00:43:13,320 --> 00:43:10,870

know there are hot spots all over the

929

00:43:16,730 --> 00:43:13,330

via where you can't do this it is there

930

00:43:20,160 --> 00:43:16,740

a way that you can sort of create that

931

00:43:22,890 --> 00:43:20,170

sort of energy for yourself in in an in

932

00:43:26,550 --> 00:43:22,900

a location I kind of reminding me like

933

00:43:29,340 --> 00:43:26,560

of the sweat lodge you know I grew up in

934

00:43:32,430 --> 00:43:29,350

Native America I grew up in Oklahoma and

935

00:43:34,560 --> 00:43:32,440

where you know a lot of tribes I grew up

936

00:43:37,770 --> 00:43:34,570

in the Choctaw Nation and I was just

937

00:43:42,450 --> 00:43:37,780

outside the Cherokee Nation and you know

938

00:43:45,810 --> 00:43:42,460

they would have these tribal ceremonies

939

00:43:47,970 --> 00:43:45,820

in going to the sweat lodge and it was

940

00:43:50,970 --> 00:43:47,980

sort of I understand I've never done it

941

00:43:53,070 --> 00:43:50,980

that it can kind of be an out-of-body

942

00:43:55,260 --> 00:43:53,080

experience and the other thing it was

943

00:43:58,680 --> 00:43:55,270

sort of reminding me of is is what they

944

00:44:01,830 --> 00:43:58,690

would call going on a Vision Quest and I

945

00:44:03,300 --> 00:44:01,840

think that in on those occasions that

946

00:44:07,310 --> 00:44:03,310

might have been when they might have

947

00:44:09,660 --> 00:44:07,320

used peyote or something of that nature

948

00:44:12,030 --> 00:44:09,670

to help

949

00:44:13,559 --> 00:44:12,040

facilitate that Vision Quest it's very

950

00:44:15,900 --> 00:44:13,569

similar yep

951
00:44:19,920 --> 00:44:15,910
so there is a relation between that that

952
00:44:22,890 --> 00:44:19,930
sort of thing so now I know you know

953
00:44:24,630 --> 00:44:22,900
that there definitely is energy you know

954
00:44:27,210 --> 00:44:24,640
flowing through the earth and I do know

955
00:44:30,390 --> 00:44:27,220
that there are locations around this

956
00:44:32,819 --> 00:44:30,400
planet that are just special there's

957
00:44:34,980 --> 00:44:32,829
just no two ways about my favorite spot

958
00:44:37,770 --> 00:44:34,990
in the world it's the longbow duck in

959
00:44:42,210 --> 00:44:37,780
France and I go down there is often as I

960
00:44:45,140 --> 00:44:42,220
possibly can and spent lots and lots of

961
00:44:49,440 --> 00:44:45,150
time there in the water there is amazing

962
00:44:53,400 --> 00:44:49,450
and very therapeutic and the the land

963
00:44:55,799 --> 00:44:53,410

itself I mean it's just buzzing with

964

00:44:58,500 --> 00:44:55,809

energy I think and it's measurable

965

00:45:00,539 --> 00:44:58,510

you know scientifically measurable the

966

00:45:05,849 --> 00:45:00,549

tell your recurrence are very strong

967

00:45:08,069 --> 00:45:05,859

there so is it necessary I guess it's at

968

00:45:09,510 --> 00:45:08,079

least better if you can get yourself to

969

00:45:13,440 --> 00:45:09,520

one of these locations and there

970

00:45:14,280 --> 00:45:13,450

probably are so they're closer than we

971

00:45:16,710 --> 00:45:14,290

might think

972

00:45:18,299 --> 00:45:16,720

absolutely if I'm where I'm speaking to

973

00:45:20,809 --> 00:45:18,309

you from right now under my building

974

00:45:22,980 --> 00:45:20,819

there's actually a network of the

975

00:45:25,920 --> 00:45:22,990

telluric currents that actually cross

976
00:45:31,319 --> 00:45:25,930
right in my bedroom in the girls leaving

977
00:45:38,700 --> 00:45:31,329
hysterics of course I think the reason

978
00:45:41,430 --> 00:45:38,710
for that I'm not the reason but I've

979
00:45:43,500 --> 00:45:41,440
actually no seriousness I do find that

980
00:45:46,559 --> 00:45:43,510
when I talk to people around the world I

981
00:45:47,789 --> 00:45:46,569
get to travel a lot that people who do

982
00:45:50,220 --> 00:45:47,799
this kind of work whether they're

983
00:45:52,980 --> 00:45:50,230
healers or searchers there are drawn to

984
00:45:55,620 --> 00:45:52,990
locations where they live where the

985
00:45:57,359 --> 00:45:55,630
Earth's energy is very strong I think

986
00:45:59,730 --> 00:45:57,369
that they're living off the grid and

987
00:46:01,829 --> 00:45:59,740
they're also feeding information back

988
00:46:03,299 --> 00:46:01,839

into the grid it's a two-way system and

989

00:46:04,829 --> 00:46:03,309

it's funny that you should have brought

990

00:46:06,960 --> 00:46:04,839

out the sweat lodge because when you go

991

00:46:08,339 --> 00:46:06,970

to occur to a Kiva I'd know whether

992

00:46:10,770 --> 00:46:08,349

you've noticed this but there's a fire

993

00:46:13,079 --> 00:46:10,780

pit and there's a small hole in the

994

00:46:15,480 --> 00:46:13,089

ground usually adjacent to the fire pit

995

00:46:17,819 --> 00:46:15,490

and Nan pays any attention to that

996

00:46:21,030 --> 00:46:17,829

little hole it's very important that's

997

00:46:21,839 --> 00:46:21,040

called as seen Appl and the negative

998

00:46:24,990 --> 00:46:21,849

culture

999

00:46:28,230 --> 00:46:25,000

describe this as a place where a tube of

1000

00:46:30,450 --> 00:46:28,240

energy connects to usually the Polestar

1001

00:46:33,029 --> 00:46:30,460

and it's the tube through which the

1002

00:46:34,769 --> 00:46:33,039

souls are allowed to come into the world

1003

00:46:36,120 --> 00:46:34,779

and through which the souls leave and

1004

00:46:38,160 --> 00:46:36,130

they always leave that section empty

1005

00:46:40,740 --> 00:46:38,170

when they're having a medicine man

1006

00:46:42,660 --> 00:46:40,750

ceremony in the Kiva's well the funny

1007

00:46:45,450 --> 00:46:42,670

thing is the exactly same tradition

1008

00:46:47,190 --> 00:46:45,460

exists in Persia where the sacred most

1009

00:46:50,309 --> 00:46:47,200

secretive mountains are said to be

1010

00:46:52,259 --> 00:46:50,319

connected through there's usually a cave

1011

00:46:54,480 --> 00:46:52,269

someone in the summit and those caves

1012

00:46:56,069 --> 00:46:54,490

are connected to a golden Reed that

1013

00:46:59,910 --> 00:46:56,079

connects to the Otherworld and I thought

1014

00:47:00,930 --> 00:46:59,920

that's an incredible similarity on the

1015

00:47:03,269 --> 00:47:00,940

other side of the world

1016

00:47:06,539 --> 00:47:03,279

now you fast forward this story into

1017

00:47:09,059 --> 00:47:06,549

2008 and NASA came out with the most

1018

00:47:13,289 --> 00:47:09,069

incredible press release they said and I

1019

00:47:16,470 --> 00:47:13,299

quote that the earth is linked to the

1020

00:47:20,009 --> 00:47:16,480

Sun through magnetic portals of energy

1021

00:47:22,829 --> 00:47:20,019

which open every eight minutes so there

1022

00:47:25,049 --> 00:47:22,839

is some some scientific basis to all of

1023

00:47:28,410 --> 00:47:25,059

this that these sacred sites appear to

1024

00:47:31,769 --> 00:47:28,420

be and I have put several minds into

1025

00:47:34,680 --> 00:47:31,779

NASA not yet responded that these sacred

1026

00:47:36,870 --> 00:47:34,690

places are indeed connected to something

1027

00:47:39,539 --> 00:47:36,880

else that's outside the planet and the

1028

00:47:41,640 --> 00:47:39,549

ancestors were drawing on that energy in

1029

00:47:45,240 --> 00:47:41,650

order to facilitate and help the soul

1030

00:47:47,579 --> 00:47:45,250

escaped that gravitational pull inside

1031

00:47:49,470 --> 00:47:47,589

the body so all of these things are very

1032

00:47:53,910 --> 00:47:49,480

much connected in what it's okay to have

1033

00:47:57,539 --> 00:47:53,920

that status out-of-body experience well

1034

00:48:02,430 --> 00:47:57,549

that is really interesting I wonder what

1035

00:48:06,779 --> 00:48:02,440

it is that has occurred that has made

1036

00:48:09,059 --> 00:48:06,789

these particular areas so amazing and so

1037

00:48:12,420 --> 00:48:09,069

energetic I wonder if it would have

1038

00:48:13,730 --> 00:48:12,430

anything to do with meteorite strikes or

1039

00:48:16,289 --> 00:48:13,740

anything like that

1040

00:48:19,470 --> 00:48:16,299

that you know especially these places

1041

00:48:22,589 --> 00:48:19,480

that have underground water and that we

1042

00:48:24,359 --> 00:48:22,599

could carry that energy well when I was

1043

00:48:26,730 --> 00:48:24,369

researching my second book the the

1044

00:48:28,890 --> 00:48:26,740

divine blueprint actually came across

1045

00:48:31,370 --> 00:48:28,900

this and took me 15 years to work it out

1046

00:48:34,630 --> 00:48:31,380

just by you know experience observation

1047

00:48:37,150 --> 00:48:34,640

reading that there were actually seven

1048

00:48:39,370 --> 00:48:37,160

principles to each statement site and

1049

00:48:41,980 --> 00:48:39,380

they always every second site in the

1050

00:48:45,460 --> 00:48:41,990

world including the Navajo Walter and

1051

00:48:47,620 --> 00:48:45,470

which is in Monument Valley there are

1052

00:48:50,200 --> 00:48:47,630

they are basically the focal points of

1053

00:48:52,569 --> 00:48:50,210

water whether it's nearby or on the

1054

00:48:54,430 --> 00:48:52,579

ground which creates a so that its own

1055

00:48:57,960 --> 00:48:54,440

electrical charge which it runs through

1056

00:49:01,329 --> 00:48:57,970

the right sort of rock they are

1057

00:49:04,000 --> 00:49:01,339

confluences of magnetism they are places

1058

00:49:05,890 --> 00:49:04,010

where certain geometrical aspects come

1059

00:49:09,009 --> 00:49:05,900

into play when people build the right

1060

00:49:11,890 --> 00:49:09,019

type of building they are using a

1061

00:49:13,750 --> 00:49:11,900

certain type of rock so you start layer

1062

00:49:15,880 --> 00:49:13,760

taking all of these things at the same

1063

00:49:17,920 --> 00:49:15,890

site and then of course at the seven

1064

00:49:19,809 --> 00:49:17,930

thing reading which the it goes the one

1065

00:49:22,210 --> 00:49:19,819

that eluded me the most and there is our

1066

00:49:24,490 --> 00:49:22,220

so obvious because all these places were

1067

00:49:25,960 --> 00:49:24,500

built for the end self-empowerment of

1068

00:49:29,019 --> 00:49:25,970

the individual and i thought well of

1069

00:49:31,029 --> 00:49:29,029

course the last ingredient is the person

1070

00:49:32,529 --> 00:49:31,039

itself because when you actually take

1071

00:49:34,359 --> 00:49:32,539

yourself in the city of prayer through

1072

00:49:37,390 --> 00:49:34,369

these sites and take your intent and

1073

00:49:39,849 --> 00:49:37,400

your intent is balanced and pure you

1074

00:49:42,339 --> 00:49:39,859

actually activate them glue these things

1075

00:49:44,559 --> 00:49:42,349

together and suddenly all these elements

1076
00:49:46,120 --> 00:49:44,569
come together under one influence and

1077
00:49:48,549 --> 00:49:46,130
you are holding these things together

1078
00:49:50,710 --> 00:49:48,559
and that's why it was so important to

1079
00:49:53,289 --> 00:49:50,720
put people there who had the highest

1080
00:49:55,990 --> 00:49:53,299
integrity because once you act as the

1081
00:49:58,420 --> 00:49:56,000
glue to these the disparate elements in

1082
00:50:00,390 --> 00:49:58,430
one location then of course the whole

1083
00:50:03,160 --> 00:50:00,400
thing acts as a unified whole and

1084
00:50:06,880 --> 00:50:03,170
suddenly the whole landscape becomes one

1085
00:50:08,859 --> 00:50:06,890
and indivisible organism with you so you

1086
00:50:11,380 --> 00:50:08,869
are totally immersed into the env body

1087
00:50:14,499 --> 00:50:11,390
of the divine virgin you become a single

1088
00:50:16,180 --> 00:50:14,509

man or a single woman in the literal

1089

00:50:19,450 --> 00:50:16,190

sense of the word you become totally

1090

00:50:21,160 --> 00:50:19,460

ingrained with a spirit of place now due

1091

00:50:23,829 --> 00:50:21,170

to that thousands of times over

1092

00:50:26,140 --> 00:50:23,839

thousands of years and of course all

1093

00:50:29,440 --> 00:50:26,150

that energy is going to be laying itself

1094

00:50:31,630 --> 00:50:29,450

on top of the other and that's why some

1095

00:50:33,970 --> 00:50:31,640

of these places are sacred sites because

1096

00:50:37,210 --> 00:50:33,980

you're actually drinking the prayers of

1097

00:50:39,700 --> 00:50:37,220

inversions but for you and the cost of

1098

00:50:42,430 --> 00:50:39,710

water in the sites or under them

1099

00:50:44,140 --> 00:50:42,440

remembers this and we now know from five

1100

00:50:46,450 --> 00:50:44,150

different laboratories around Europe

1101

00:50:47,079 --> 00:50:46,460

that home you hung up if they really

1102

00:50:48,160 --> 00:50:47,089

does work

1103

00:50:50,380 --> 00:50:48,170

despite what the skeptic

1104

00:50:53,050 --> 00:50:50,390

will tell you if five different

1105

00:50:56,110 --> 00:50:53,060

universities can say that yes water is

1106

00:50:58,360 --> 00:50:56,120

able to be imprinted just with the power

1107

00:50:59,470 --> 00:50:58,370

of intent then think about what what

1108

00:51:01,870 --> 00:50:59,480

you're doing when you get these sacred

1109

00:51:04,210 --> 00:51:01,880

sites they are really very powerful

1110

00:51:06,340 --> 00:51:04,220

places and you are remembering the

1111

00:51:09,040 --> 00:51:06,350

stories and the information that's been

1112

00:51:10,720 --> 00:51:09,050

laid there for thousands of years so it

1113

00:51:13,630 --> 00:51:10,730

gives you an idea of what these people

1114

00:51:15,340 --> 00:51:13,640

do when they connect these sites and

1115

00:51:17,920 --> 00:51:15,350

they've actually start to under the

1116

00:51:20,920 --> 00:51:17,930

right circumstances to extract important

1117

00:51:23,020 --> 00:51:20,930

information if you to extract important

1118

00:51:25,630 --> 00:51:23,030

knowledge which you then apply on a

1119

00:51:27,100 --> 00:51:25,640

practical basis in your life and I was

1120

00:51:29,080 --> 00:51:27,110

reading the stories of so many people

1121

00:51:31,480 --> 00:51:29,090

that had gone through initiation it

1122

00:51:32,830 --> 00:51:31,490

didn't reveal what they slit said but

1123

00:51:34,090 --> 00:51:32,840

you can tell from what from their

1124

00:51:36,310 --> 00:51:34,100

actions that they became enlightened

1125

00:51:39,280 --> 00:51:36,320

people who became great leaders or

1126

00:51:41,200 --> 00:51:39,290

extraordinary he lives or visionaries so

1127

00:51:43,360 --> 00:51:41,210

they obviously became very Christ it

1128

00:51:45,700 --> 00:51:43,370

they became much more than some of their

1129

00:51:48,640 --> 00:51:45,710

parts they were able to leave to leave

1130

00:51:50,040 --> 00:51:48,650

exemplary lives that showed others that

1131

00:51:53,440 --> 00:51:50,050

we don't have to just suffer in life

1132

00:51:56,440 --> 00:51:53,450

that's bookended by pain we can actually

1133

00:51:58,360 --> 00:51:56,450

make a life succumb to our particular

1134

00:52:00,790 --> 00:51:58,370

intent and we can have a certain degree

1135

00:52:04,390 --> 00:52:00,800

of control over our manifestation

1136

00:52:09,610 --> 00:52:04,400

process and organized religion that is

1137

00:52:12,190 --> 00:52:09,620

very dangerous well I'm afraid I have to

1138

00:52:17,230 --> 00:52:12,200

agree with you on that it's most people

1139

00:52:19,330 --> 00:52:17,240

know my feelings about that but now I

1140

00:52:21,490 --> 00:52:19,340

want it before we go too much further

1141

00:52:23,560 --> 00:52:21,500

because we're getting close to the end

1142

00:52:26,470 --> 00:52:23,570

of the show believe it or not I want to

1143

00:52:29,400 --> 00:52:26,480

let everyone know what your website is

1144

00:52:32,680 --> 00:52:29,410

how they can get your books

1145

00:52:38,220 --> 00:52:32,690

Freddie's website is invisible temple

1146

00:52:41,890 --> 00:52:38,230

comm and he's also an amazingly talented

1147

00:52:44,740 --> 00:52:41,900

photographic artist and you can check

1148

00:52:47,910 --> 00:52:44,750

that out at freddy Silva com

1149

00:52:51,720 --> 00:52:47,920

yeah I was on there sir oh my goodness

1150

00:52:54,640 --> 00:52:51,730

that is amazing it's just absolutely

1151

00:52:56,350 --> 00:52:54,650

images fool so what about evil side

1152

00:52:57,910 --> 00:52:56,360

distractions is doing fine art

1153

00:53:01,339 --> 00:52:57,920

photography whatever I can

1154

00:53:05,450 --> 00:53:01,349

oh it's just absolutely beautiful

1155

00:53:07,479 --> 00:53:05,460

beautiful but now also you you can you

1156

00:53:10,609 --> 00:53:07,489

can get lost art of resurrection on

1157

00:53:15,710 --> 00:53:10,619

invisible temple calm as well as the

1158

00:53:16,969 --> 00:53:15,720

divine blueprint which includes some of

1159

00:53:21,200 --> 00:53:16,979

the things we were just talking about

1160

00:53:24,799 --> 00:53:21,210

about power places and energy sites and

1161

00:53:27,650 --> 00:53:24,809

that sort of thing but now I'm gonna I'm

1162

00:53:30,710 --> 00:53:27,660

gonna really ask you to indulge me for

1163

00:53:34,579 --> 00:53:30,720

just a moment and go off-topic does the

1164

00:53:36,950 --> 00:53:34,589

tiny bit may cause maybe not you know I

1165

00:53:41,390 --> 00:53:36,960

know you wrote a book about about the

1166

00:53:43,609 --> 00:53:41,400

Templars and I was just wondering I mean

1167

00:53:45,650 --> 00:53:43,619

it's kind of known by you know people

1168

00:53:50,739 --> 00:53:45,660

that are into the Knights Templar that

1169

00:53:52,190 --> 00:53:50,749

they really weren't that into Jesus

1170

00:53:54,440 --> 00:53:52,200

that's all

1171

00:53:58,160 --> 00:53:54,450

however they were into Mary Magdalene

1172

00:54:01,370 --> 00:53:58,170

and they were into John the Baptist now

1173

00:54:04,160 --> 00:54:01,380

I kind of understand I guess how you

1174

00:54:04,759 --> 00:54:04,170

know maybe they were drawn to the Divine

1175

00:54:06,979 --> 00:54:04,769

Feminine

1176

00:54:09,049 --> 00:54:06,989

you know possibly goddess worship or

1177

00:54:11,739 --> 00:54:09,059

something like that so I can kind of

1178

00:54:15,620 --> 00:54:11,749

more understand the Mary Magdalene part

1179

00:54:18,049 --> 00:54:15,630

but why John the Baptist well John the

1180

00:54:20,479 --> 00:54:18,059

Baptist is still revered to this very

1181

00:54:23,089 --> 00:54:20,489

day by the Mandaeans who survived as a

1182

00:54:26,029 --> 00:54:23,099

small Gnostic Christian sect in southern

1183

00:54:29,539 --> 00:54:26,039

Iraq they honey persecuted the only

1184

00:54:31,099 --> 00:54:29,549

thing of value that they put any focus

1185

00:54:32,569 --> 00:54:31,109

on is the book of John

1186

00:54:34,759 --> 00:54:32,579

it's the Gospel of John the Baptist

1187

00:54:36,859 --> 00:54:34,769

which in which the Church of the night

1188

00:54:40,309 --> 00:54:36,869

does not exist well in which case

1189

00:54:42,559 --> 00:54:40,319

they're reading a very blank book they

1190

00:54:45,559 --> 00:54:42,569

still have it today and that John the

1191

00:54:47,959 --> 00:54:45,569

Baptist is essentially one day he was an

1192

00:54:50,749 --> 00:54:47,969

Azariah he was a priest at the highest

1193

00:54:52,880 --> 00:54:50,759

level of initiation he could do the

1194

00:54:55,009 --> 00:54:52,890

ritual bath person with living water and

1195

00:54:57,739 --> 00:54:55,019

he could also initiate people into the

1196

00:55:00,680 --> 00:54:57,749

cult of living resurrection and when you

1197

00:55:02,900 --> 00:55:00,690

trace the Templars back as I did in the

1198

00:55:04,219 --> 00:55:02,910

book and it's actually one of my I feel

1199

00:55:05,959 --> 00:55:04,229

is one of my greatest achievements this

1200

00:55:07,999 --> 00:55:05,969

little book because it's it talks about

1201
00:55:10,219 --> 00:55:08,009
something that other Templars of no one

1202
00:55:12,229 --> 00:55:10,229
else said you figured out and I thought

1203
00:55:13,789 --> 00:55:12,239
would rip everything about the Templars

1204
00:55:15,170 --> 00:55:13,799
that they caused possibly could be but

1205
00:55:17,450 --> 00:55:15,180
obviously the best part

1206
00:55:19,130 --> 00:55:17,460
the story has never been written and I

1207
00:55:20,360 --> 00:55:19,140
want to be able to backtrack the story

1208
00:55:23,450 --> 00:55:20,370
through John the Baptist of the

1209
00:55:25,400 --> 00:55:23,460
Mandaeans or something realized my god

1210
00:55:27,530 --> 00:55:25,410
if the Mandans ruins the living

1211
00:55:30,290 --> 00:55:27,540
resurrection and this was the one of the

1212
00:55:32,300 --> 00:55:30,300
purest counts at the time then the

1213
00:55:35,990 --> 00:55:32,310

Templars were simply tapping into this

1214

00:55:37,940 --> 00:55:36,000

very pure initiation process and they

1215

00:55:39,830 --> 00:55:37,950

were resurrecting the practice in the

1216

00:55:41,900 --> 00:55:39,840

medieval era and they could get away

1217

00:55:43,880 --> 00:55:41,910

with it because they have found that

1218

00:55:45,020 --> 00:55:43,890

none of the Clairvaux essentially

1219

00:55:46,550 --> 00:55:45,030

created the Templars

1220

00:55:49,760 --> 00:55:46,560

in fact most of the Templars were

1221

00:55:52,850 --> 00:55:49,770

Cistercian monks freedom I discovered

1222

00:55:55,250 --> 00:55:52,860

wretched Portuguese and they were

1223

00:55:56,870 --> 00:55:55,260

basically trying to create this Kingdom

1224

00:55:58,520 --> 00:55:56,880

within the kingdom they created the

1225

00:56:00,980 --> 00:55:58,530

Europe's first nation state called

1226
00:56:04,310 --> 00:56:00,990
Portugal and in this kingdom they began

1227
00:56:06,050 --> 00:56:04,320
to revitalize the whole concept of the

1228
00:56:09,350 --> 00:56:06,060
Resurrection ceremonies in secret

1229
00:56:12,920 --> 00:56:09,360
chambers and I actually have one of the

1230
00:56:16,370 --> 00:56:12,930
a copy of of one of the books that was

1231
00:56:19,070 --> 00:56:16,380
caught there was one template our master

1232
00:56:20,930 --> 00:56:19,080
was trying to outrun the Inquisition he

1233
00:56:22,910 --> 00:56:20,940
got caught with these this secret book

1234
00:56:24,920 --> 00:56:22,920
in his possession and it's because of

1235
00:56:27,620 --> 00:56:24,930
the Vatican archives that we found this

1236
00:56:30,170 --> 00:56:27,630
book and in in there it says quite

1237
00:56:32,090 --> 00:56:30,180
clearly the article 9 of the rule of the

1238
00:56:33,770 --> 00:56:32,100

brothers elects talks about how the

1239

00:56:36,590 --> 00:56:33,780

brothers should go about their meetings

1240

00:56:40,220 --> 00:56:36,600

to discuss the alchemical processes of

1241

00:56:42,680 --> 00:56:40,230

turning a base metal into gold who's an

1242

00:56:44,930 --> 00:56:42,690

old allegory for taking a base human

1243

00:56:47,060 --> 00:56:44,940

being and transforming him or her into

1244

00:56:50,180 --> 00:56:47,070

something much greater and this should

1245

00:56:52,910 --> 00:56:50,190

be done in secret chambers and during my

1246

00:56:54,260 --> 00:56:52,920

research into the early Templars I

1247

00:56:56,390 --> 00:56:54,270

actually came across many of those

1248

00:56:58,580 --> 00:56:56,400

chambers in in Portugal which is my

1249

00:57:00,800 --> 00:56:58,590

original country of birth so they

1250

00:57:01,760 --> 00:57:00,810

basically were following the old concept

1251
00:57:04,250 --> 00:57:01,770
of the mandaeans

1252
00:57:06,830 --> 00:57:04,260
who were whose head was John the Baptist

1253
00:57:08,960 --> 00:57:06,840
who basically was a figurehead and the

1254
00:57:11,870 --> 00:57:08,970
very symbol of the resurrection ritual

1255
00:57:14,120 --> 00:57:11,880
and all the brothers who were part of

1256
00:57:15,530 --> 00:57:14,130
the Templar inner Brotherhood after

1257
00:57:18,290 --> 00:57:15,540
going through a long period of

1258
00:57:20,110 --> 00:57:18,300
observation just like the Essenes they

1259
00:57:22,850 --> 00:57:20,120
were declared risen from the dead and

1260
00:57:25,610 --> 00:57:22,860
this in secret chambers all throughout

1261
00:57:27,320 --> 00:57:25,620
Europe and when the positions finally

1262
00:57:28,580 --> 00:57:27,330
caught up with them and they're the King

1263
00:57:31,190 --> 00:57:28,590

of France also

1264

00:57:32,660 --> 00:57:31,200

you know as we know Philip the fourth

1265

00:57:33,200 --> 00:57:32,670

was the one that put the mail in their

1266

00:57:35,570 --> 00:57:33,210

coffin

1267

00:57:38,000 --> 00:57:35,580

the only thing I valued that the

1268

00:57:40,190 --> 00:57:38,010

Inquisition was found in the preceptory

1269

00:57:44,450 --> 00:57:40,200

the Templars in Paris was a mummified

1270

00:57:46,100 --> 00:57:44,460

head which the this called the baffle

1271

00:57:48,410 --> 00:57:46,110

may which people have always sought is

1272

00:57:50,540 --> 00:57:48,420

some kind of devil well a little bit of

1273

00:57:53,510 --> 00:57:50,550

Arabic helps you is very well with this

1274

00:57:55,910 --> 00:57:53,520

because of Buffalo Villa may is actually

1275

00:57:58,850 --> 00:57:55,920

an Arabic word which means the source or

1276

00:58:00,290 --> 00:57:58,860

father of wisdom and this head of course

1277

00:58:03,050 --> 00:58:00,300

was the mummified head of John the

1278

00:58:05,450 --> 00:58:03,060

Baptist so they have it they were

1279

00:58:08,510 --> 00:58:05,460

protecting the very source of this

1280

00:58:11,690 --> 00:58:08,520

resurrection living resurrection ritual

1281

00:58:14,060 --> 00:58:11,700

which they basically discovered during

1282

00:58:17,540 --> 00:58:14,070

their time in the Middle East and there

1283

00:58:19,670 --> 00:58:17,550

were there were stories that from the

1284

00:58:21,920 --> 00:58:19,680

time that that this head would actually

1285

00:58:26,660 --> 00:58:21,930

talk to them do you think that was just

1286

00:58:33,140 --> 00:58:26,670

part of the you know whole Inquisition

1287

00:58:37,550 --> 00:58:33,150

in you know Vatican oh I know what you

1288

00:58:39,350 --> 00:58:37,560

say of yeah way of of putting it down so

1289

00:58:43,190 --> 00:58:39,360

that they seem like devil worshippers

1290

00:58:45,290 --> 00:58:43,200

and and all that or do you know was

1291

00:58:48,470 --> 00:58:45,300

there a way that they actually animated

1292

00:58:50,210 --> 00:58:48,480

this head well it was actually all these

1293

00:58:52,160 --> 00:58:50,220

shoes that's be seen in the figurative

1294

00:58:54,290 --> 00:58:52,170

context remember we're talking about

1295

00:58:57,980 --> 00:58:54,300

secrets secrets are always highly

1296

00:58:59,960 --> 00:58:57,990

availed within allegories and the double

1297

00:59:02,000 --> 00:58:59,970

meanings when they said that they could

1298

00:59:04,460 --> 00:59:02,010

actually make the head speak or speak

1299

00:59:06,500 --> 00:59:04,470

with the head it's actually it goes back

1300

00:59:09,290 --> 00:59:06,510

to an old concept of the cult of the

1301
00:59:12,830 --> 00:59:09,300
head which goes back at least 3,000

1302
00:59:15,100 --> 00:59:12,840
4,000 years where the head of or the

1303
00:59:18,140 --> 00:59:15,110
decapitated head of a spiritual leader

1304
00:59:20,330 --> 00:59:18,150
was usually buried in a sacred mount in

1305
00:59:22,610 --> 00:59:20,340
order for the energy that was held in

1306
00:59:25,010 --> 00:59:22,620
the head or believed to be residing in

1307
00:59:27,740 --> 00:59:25,020
the head which is the soul could be

1308
00:59:29,930 --> 00:59:27,750
maintained in its integrity at a special

1309
00:59:32,780 --> 00:59:29,940
spot where the nurse energies were very

1310
00:59:34,640 --> 00:59:32,790
potent okay so yes so then the whole

1311
00:59:36,090 --> 00:59:34,650
concept the vicarage talk yes you could

1312
00:59:39,860 --> 00:59:36,100
talk within there in of the

1313
00:59:42,810 --> 00:59:39,870

they can use it as a kind of totem Oh

1314

00:59:44,850 --> 00:59:42,820

Dennis Freddy Iowa I would love to keep

1315

00:59:47,400 --> 00:59:44,860

going and going but the music is playing

1316

00:59:48,420 --> 00:59:47,410

and we have to go for this evening you

1317

00:59:50,970 --> 00:59:48,430

got to come back

1318

00:59:53,370 --> 00:59:50,980

what oh my head thank you so much
