on just a hair behind schedule today due

28

00:01:18,440 --> 00:01:16,920

to some technical difficulties prior to

29

00:01:21,289 --> 00:01:18,450

getting onto the show but mark is here

30

00:01:24,320 --> 00:01:21,299

with me mark ii there i am here hey art

31

00:01:25,880 --> 00:01:24,330

how you doing doing well and we have a

32

00:01:27,469 --> 00:01:25,890

very special guest with us today then i

33

00:01:30,710 --> 00:01:27,479

guess we should just dive right in to do

34

00:01:32,569 --> 00:01:30,720

to our tardiness and why don't you

35

00:01:35,870 --> 00:01:32,579

introduce him and we can say hello and

36

00:01:38,090 --> 00:01:35,880

jump into a little sugar absolutely so i

37

00:01:41,719 --> 00:01:38,100

want to introduce everybody to rick

38

00:01:44,600 --> 00:01:41,729

fryer ricky is the author of a trilogy

39

00:01:47,990 --> 00:01:44,610

which you can get on amazon.com and

40

00:01:51,080 --> 00:01:48,000

barnesandnoble.com and book stores all

41

00:01:53,450 --> 00:01:51,090

around I the trilogy is called the

42

00:01:57,709 --> 00:01:53,460

peepers and it deals with all sorts of

43

00:02:00,069 --> 00:01:57,719

incredible science few future science

44

00:02:03,200 --> 00:02:00,079

fiction science fact is what he calls it

45

00:02:05,719 --> 00:02:03,210

and and we'll be talking to him today a

46

00:02:07,330 --> 00:02:05,729

lot about that so I like to welcome Rick

47

00:02:10,999 --> 00:02:07,340

to the show Rick how are you doing today

48

00:02:13,130 --> 00:02:11,009

good times guys glad to be here good I'm

49

00:02:16,940 --> 00:02:13,140

so sorry but I'm sober

50

00:02:19,760 --> 00:02:16,950

we add yeah well you know uh I was

51
00:02:22,850 --> 00:02:19,770
having technical difficulties both in

52
00:02:25,940 --> 00:02:22,860
retrieving some of the information I

53
00:02:28,760 --> 00:02:25,950
wanted to speak about today from my

54
00:02:31,520 --> 00:02:28,770
computer which was interesting earlier

55
00:02:33,920 --> 00:02:31,530
on and I do another business I'm on the

56
00:02:35,630 --> 00:02:33,930
business broker so I'm often on the web

57
00:02:38,150 --> 00:02:35,640
so I was doing all sorts of research and

58
00:02:41,660 --> 00:02:38,160
then every time I tried to gather data

59
00:02:43,670 --> 00:02:41,670
from the web that that had been lost on

60
00:02:46,580 --> 00:02:43,680
my computer today and all of a sudden

61
00:02:49,340 --> 00:02:46,590
would freeze up and it was very

62
00:02:51,110 --> 00:02:49,350
arbitrary and I could research any sort

63
00:02:53,960 --> 00:02:51,120

of thing except for for instance the

64

00:02:56,210 --> 00:02:53,970

Malaysian flight crashes James Holmes

65

00:02:58,430 --> 00:02:56,220

shootings things of this nature would

66

00:03:00,949 --> 00:02:58,440

all sudden frees up my computer very

67

00:03:03,229 --> 00:03:00,959

interesting how then we end the day with

68

00:03:05,300 --> 00:03:03,239

this little technical difficulty well

69

00:03:06,949 --> 00:03:05,310

there is a full moon on the day of this

70

00:03:08,390 --> 00:03:06,959

broadcast here this Wednesday of this

71

00:03:09,650 --> 00:03:08,400

week so that might have something to do

72

00:03:11,030 --> 00:03:09,660

with it and I might just have to do with

73

00:03:12,380 --> 00:03:11,040

the fact that you're getting you're

74

00:03:15,729 --> 00:03:12,390

putting your foot in pools they don't

75

00:03:18,199 --> 00:03:15,739

need to be in red I would get though

76

00:03:20,420 --> 00:03:18,209

also so what kind of things were you

77

00:03:21,800 --> 00:03:20,430

researching and researching them for the

78

00:03:26,420 --> 00:03:21,810

show or do you have a new book coming

79

00:03:28,670 --> 00:03:26,430

out for both upon being aware that I was

80

00:03:31,850 --> 00:03:28,680

going to be on the show I wanted to bone

81

00:03:36,470 --> 00:03:31,860

up on some of the key points that I've

82

00:03:40,550 --> 00:03:36,480

spoken of before both in my book or just

83

00:03:42,199 --> 00:03:40,560

in general you know you know to talking

84

00:03:45,380 --> 00:03:42,209

points I've done it speaking engagements

85

00:03:49,009 --> 00:03:45,390

and like and I was also boning up on you

86

00:03:51,470 --> 00:03:49,019

know the year of bizarre plane crashes

87

00:03:53,800 --> 00:03:51,480

that have occurred which while they

88

00:03:56,390 --> 00:03:53,810

peaked my interest extremely last year

89

00:03:59,420 --> 00:03:56,400

you know I I heard some recent news

90

00:04:02,479 --> 00:03:59,430

about andreas Lubitz the guy on

91

00:04:05,199 --> 00:04:02,489

Germanwings who crashed the plane

92

00:04:07,580 --> 00:04:05,209

supposedly on purpose as some sort of

93

00:04:10,039 --> 00:04:07,590

kamikaze mission to take out a bunch of

94

00:04:13,430 --> 00:04:10,049

people with them complain it completely

95

00:04:14,780 --> 00:04:13,440

inexplicable for the most part you know

96

00:04:17,800 --> 00:04:14,790

that's that adds up to four

97

00:04:20,390 --> 00:04:17,810

extraordinarily mysterious and

98

00:04:23,839 --> 00:04:20,400

controversial crashes within one year

99

00:04:26,180 --> 00:04:23,849

within twelve month period time very

100

00:04:28,520 --> 00:04:26,190

bizarre string of events

101
00:04:32,360 --> 00:04:28,530
and so I was looking into all that too

102
00:04:33,920 --> 00:04:32,370
perchance speak upon it today and my

103
00:04:35,210 --> 00:04:33,930
computer just would not allow me to do

104
00:04:36,620 --> 00:04:35,220
it nice and say I shouldn't say my

105
00:04:39,710 --> 00:04:36,630
computer i should say my computer my

106
00:04:41,990 --> 00:04:39,720
ipad my iphone matter what I looked on

107
00:04:43,790 --> 00:04:42,000
it would not allow me to research the

108
00:04:44,960 --> 00:04:43,800
subject well I'm so glad that you wanted

109
00:04:46,250 --> 00:04:44,970
to bring up this topic of conversation

110
00:04:48,140 --> 00:04:46,260
because this is something that we

111
00:04:49,700 --> 00:04:48,150
actually haven't touched much on with

112
00:04:52,130 --> 00:04:49,710
true thunders yet and it's something

113
00:04:55,370 --> 00:04:52,140

that I believe we should Andy right it

114

00:04:56,780 --> 00:04:55,380

is quite the remarkable ex you know set

115

00:04:58,400 --> 00:04:56,790

of events that have taken place

116

00:05:01,100 --> 00:04:58,410

especially looking back over the course

117

00:05:03,170 --> 00:05:01,110

of plane flights and crashes over the

118

00:05:05,660 --> 00:05:03,180

last 10 15 20 years nothing like this

119

00:05:07,670 --> 00:05:05,670

has happened yet no no there's there's

120

00:05:09,950 --> 00:05:07,680

been events where you know there's been

121

00:05:12,710 --> 00:05:09,960

for instance a plane that got shot down

122

00:05:16,180 --> 00:05:12,720

there was Korea air that got shot down

123

00:05:18,590 --> 00:05:16,190

over Russia in the 80s on accident

124

00:05:20,630 --> 00:05:18,600

there's been you know mysterious

125

00:05:22,670 --> 00:05:20,640

disappearances of planes but we're

126

00:05:27,410 --> 00:05:22,680

talking about these events usually

127

00:05:29,720 --> 00:05:27,420

happen at most once per decade and now

128

00:05:33,530 --> 00:05:29,730

we're talking about for that what would

129

00:05:35,360 --> 00:05:33,540

that happen within a 12-month period you

130

00:05:40,400 --> 00:05:35,370

know whether you have the first plane

131

00:05:44,960 --> 00:05:40,410

crash 370 that you know here's the facts

132

00:05:47,780 --> 00:05:44,970

the facts are is that someone shut down

133

00:05:51,260 --> 00:05:47,790

the radar now no one supposes that a

134

00:05:53,570 --> 00:05:51,270

lightning strike or whatnot destroyed

135

00:05:55,700 --> 00:05:53,580

all these redundant systems I mean I'm

136

00:05:57,590 --> 00:05:55,710

open-minded you know both for and again

137

00:06:00,230 --> 00:05:57,600

so being open-minded I understand that

138

00:06:03,170 --> 00:06:00,240

there there is a slight chance that some

139

00:06:05,750 --> 00:06:03,180

sort of catastrophic failure allowed for

140

00:06:08,180 --> 00:06:05,760

seemingly disconnected elements of the

141

00:06:10,940 --> 00:06:08,190

plane to all shut down but here's the

142

00:06:12,500 --> 00:06:10,950

facts and even the average you know

143

00:06:14,870 --> 00:06:12,510

people that understand the stuff the

144

00:06:17,420 --> 00:06:14,880

engineers and whatnot they say well this

145

00:06:19,610 --> 00:06:17,430

it appears that the pilot did it appears

146

00:06:22,310 --> 00:06:19,620

that the pilot first shut down their

147

00:06:25,310 --> 00:06:22,320

radar output that tells the world where

148

00:06:26,960 --> 00:06:25,320

they are and then they shut down certain

149

00:06:29,900 --> 00:06:26,970

other communication elements that tell

150

00:06:31,520 --> 00:06:29,910

them other aspects of you know where

151
00:06:32,990 --> 00:06:31,530
they are how they're doing and they and

152
00:06:34,760 --> 00:06:33,000
this happened within 20 minutes of each

153
00:06:37,180 --> 00:06:34,770
other so it does seem to be contrived

154
00:06:39,070 --> 00:06:37,190
and it does seem to be purposeful

155
00:06:41,439 --> 00:06:39,080
sabotage

156
00:06:43,719 --> 00:06:41,449
um however so we don't have any output

157
00:06:46,719 --> 00:06:43,729
radar from the plane and other things

158
00:06:48,820 --> 00:06:46,729
but we do have is two things one is the

159
00:06:52,360 --> 00:06:48,830
military in the area the move the

160
00:06:54,309 --> 00:06:52,370
Malaysian military was able to pick up

161
00:06:57,070 --> 00:06:54,319
some radar signatures where first they

162
00:06:58,270 --> 00:06:57,080
went up to 45,000 feet which is above

163
00:07:00,610 --> 00:06:58,280

what they're supposed to be able to go

164

00:07:04,749 --> 00:07:00,620

for that size of plane and then also

165

00:07:06,659 --> 00:07:04,759

made OV and then they took all these

166

00:07:09,520 --> 00:07:06,669

sharp turns that seemed inexplicable

167

00:07:12,640 --> 00:07:09,530

also the engines recorded even more

168

00:07:14,709 --> 00:07:12,650

intense altitude shifts where they went

169

00:07:17,890 --> 00:07:14,719

up beyond 45,000 feet and all of a

170

00:07:20,469 --> 00:07:17,900

sudden douve uh about 40,000 feet within

171

00:07:22,659 --> 00:07:20,479

one minute and the only thing you know

172

00:07:23,830 --> 00:07:22,669

the the people can say is well we

173

00:07:27,219 --> 00:07:23,840

shouldn't believe that because it makes

174

00:07:29,589 --> 00:07:27,229

no sense okay that is the reason that it

175

00:07:32,559 --> 00:07:29,599

doesn't make sense because planes are

176

00:07:34,869 --> 00:07:32,569

generally on autopilot and and a pilot

177

00:07:37,600 --> 00:07:34,879

does it necessarily control a lot of

178

00:07:40,269 --> 00:07:37,610

this direction or in this case that

179

00:07:41,730 --> 00:07:40,279

actually these changes are are actually

180

00:07:45,369 --> 00:07:41,740

because it's not physically possible

181

00:07:46,779 --> 00:07:45,379

according to them i mean it's it's very

182

00:07:49,059 --> 00:07:46,789

much on the verge of physical

183

00:07:50,619 --> 00:07:49,069

possibility they believe that there's a

184

00:07:53,080 --> 00:07:50,629

very good chance that the plane should

185

00:07:57,749 --> 00:07:53,090

have shattered at such a drop especially

186

00:08:00,040 --> 00:07:57,759

being that it picked up and thoughtful

187

00:08:02,920 --> 00:08:00,050

let me let me ask you i just want to

188

00:08:05,200 --> 00:08:02,930

take it a couple steps back your honor

189

00:08:07,089 --> 00:08:05,210

so so what were you trying to research

190

00:08:09,820 --> 00:08:07,099

or what what kind of ideas are you

191

00:08:12,760 --> 00:08:09,830

having about these four planes in the

192

00:08:14,559 --> 00:08:12,770

past year let go what's not your

193

00:08:17,680 --> 00:08:14,569

conspiracy i don't want to throw it that

194

00:08:19,420 --> 00:08:17,690

far but you know what what doing your

195

00:08:23,529 --> 00:08:19,430

research what kind of ideas are you

196

00:08:26,409 --> 00:08:23,539

starting to sum up in your head that was

197

00:08:29,409 --> 00:08:26,419

the cause of this or you know that they

198

00:08:30,850 --> 00:08:29,419

all have in common well tell you uh the

199

00:08:34,089 --> 00:08:30,860

vast majority of my writings are

200

00:08:36,909 --> 00:08:34,099

extremely based around conclusions and

201
00:08:38,740 --> 00:08:36,919
drawing conclusions that's the essence

202
00:08:41,800 --> 00:08:38,750
of everything i write i do have to say

203
00:08:44,170 --> 00:08:41,810
though in this particular case i have no

204
00:08:46,030 --> 00:08:44,180
exact conclusion all i know is that

205
00:08:48,160 --> 00:08:46,040
there's something extremely wrong and

206
00:08:51,130 --> 00:08:48,170
that goes to also the james holmes

207
00:08:52,600 --> 00:08:51,140
shooting the Sandy Hook shooting there's

208
00:08:55,150 --> 00:08:52,610
something extraordinaire

209
00:08:56,920 --> 00:08:55,160
early arrived uh you know things and

210
00:08:59,500 --> 00:08:56,930
this goes to andreas Lubitz all i know

211
00:09:01,000 --> 00:08:59,510
is that let's take let's take very

212
00:09:03,579 --> 00:09:01,010
specifically because we have no evidence

213
00:09:04,960 --> 00:09:03,589

from the three malaysian flight and by

214

00:09:07,180 --> 00:09:04,970

the way the third one was a malaysian

215

00:09:09,670 --> 00:09:07,190

flight it was uh you know connected with

216

00:09:11,560 --> 00:09:09,680

the Malaysia's they were they were part

217

00:09:13,060 --> 00:09:11,570

of a parent company with the Indonesian

218

00:09:15,460 --> 00:09:13,070

flight the third and final wanted last

219

00:09:16,870 --> 00:09:15,470

year let's just go to andreas Lubitz

220

00:09:18,880 --> 00:09:16,880

because we have a little more info on

221

00:09:22,750 --> 00:09:18,890

him we have the recordings for instance

222

00:09:25,600 --> 00:09:22,760

uh he was in the cockpit they have the

223

00:09:28,870 --> 00:09:25,610

recordings and they can hear and and

224

00:09:32,860 --> 00:09:28,880

they can hear a man that is absolutely

225

00:09:34,810 --> 00:09:32,870

inexplicable in his calmness this they

226

00:09:38,079 --> 00:09:34,820

did there's absolutely no explanation

227

00:09:40,750 --> 00:09:38,089

how someone can can maintain the type of

228

00:09:44,319 --> 00:09:40,760

meditative calmness now those recordings

229

00:09:46,210 --> 00:09:44,329

are always specifically chanta tuned up

230

00:09:48,400 --> 00:09:46,220

where they can hear everything including

231

00:09:49,720 --> 00:09:48,410

the person's breathing there that it's a

232

00:09:51,699 --> 00:09:49,730

very important element to be able to

233

00:09:54,100 --> 00:09:51,709

hear a pilot's breathing on the black

234

00:09:55,870 --> 00:09:54,110

box recording they can hear this

235

00:09:57,130 --> 00:09:55,880

breathing they can tune in to the fact

236

00:09:58,630 --> 00:09:57,140

that needless to say he's not having a

237

00:10:01,780 --> 00:09:58,640

heart attack or anything like that and

238

00:10:05,800 --> 00:10:01,790

in fact his breathing is so calm and so

239

00:10:07,600 --> 00:10:05,810

constant that he is behaving as if he is

240

00:10:08,680 --> 00:10:07,610

not hearing anything around him no

241

00:10:11,319 --> 00:10:08,690

matter how much of a sociopath

242

00:10:13,420 --> 00:10:11,329

psychopath you know how much you're

243

00:10:16,150 --> 00:10:13,430

trying to tune out things you will

244

00:10:18,910 --> 00:10:16,160

absolutely have a raise blood pressure

245

00:10:20,800 --> 00:10:18,920

and heart rate if people are screaming

246

00:10:22,810 --> 00:10:20,810

in the background as you hear on the on

247

00:10:25,990 --> 00:10:22,820

the recordings if you're 10 minutes away

248

00:10:28,930 --> 00:10:26,000

from crashing into a into a mountain and

249

00:10:30,730 --> 00:10:28,940

and this man doesn't change in any of

250

00:10:33,689 --> 00:10:30,740

his Diagnostics that can come from that

251
00:10:36,430 --> 00:10:33,699
recording absolutely absolutely bizarre

252
00:10:38,889 --> 00:10:36,440
no one can explain it and if any and

253
00:10:40,630 --> 00:10:38,899
they try to double back and say oh well

254
00:10:42,939 --> 00:10:40,640
this guy at you know mental issues and

255
00:10:44,769 --> 00:10:42,949
stuff there's actually not that much of

256
00:10:46,900 --> 00:10:44,779
a history of mental issues every single

257
00:10:48,550 --> 00:10:46,910
person that knew this man thought that

258
00:10:51,310 --> 00:10:48,560
he was a cheerful and good person in

259
00:10:54,009 --> 00:10:51,320
fact on the black box recordings he was

260
00:10:56,880 --> 00:10:54,019
shown to be extremely cheerful extremely

261
00:10:59,680 --> 00:10:56,890
reactive and all sudden just turns off

262
00:11:01,900 --> 00:10:59,690
and I'm not going to say that that can't

263
00:11:04,960 --> 00:11:01,910

ever happen I'm just saying that that

264

00:11:06,430 --> 00:11:04,970

has every marking of a person that has

265

00:11:08,380 --> 00:11:06,440

fallen into a trance f

266

00:11:10,360 --> 00:11:08,390

being struck with the trigger and see I

267

00:11:12,220 --> 00:11:10,370

know anything about those are you

268

00:11:13,660 --> 00:11:12,230

talking about mind control is that is

269

00:11:16,260 --> 00:11:13,670

that what you're saying absolutely

270

00:11:19,090 --> 00:11:16,270

absolutely MK ULTRA style mind control

271

00:11:20,860 --> 00:11:19,100

needless to say MKL tread never went

272

00:11:23,440 --> 00:11:20,870

away it didn't have to go away in any

273

00:11:26,170 --> 00:11:23,450

way shape or form you know the the

274

00:11:28,570 --> 00:11:26,180

directors of CIA in charge in the 70s

275

00:11:30,100 --> 00:11:28,580

it's a known fact you know to establish

276

00:11:32,740 --> 00:11:30,110

back from the Senate hearings that he

277

00:11:35,380 --> 00:11:32,750

burned thousands of pages just from the

278

00:11:39,120 --> 00:11:35,390

pages that came out on MK ULTRA it's an

279

00:11:42,690 --> 00:11:39,130

established fact that the government did

280

00:11:46,120 --> 00:11:42,700

did experiments on the average civilian

281

00:11:48,430 --> 00:11:46,130

using a thing from just LSD to just

282

00:11:51,280 --> 00:11:48,440

simply hypnosis and that they were set

283

00:11:52,810 --> 00:11:51,290

really successful so it with MK ULTRA

284

00:11:55,870 --> 00:11:52,820

you know there's a lot of people who

285

00:11:59,380 --> 00:11:55,880

let's say you are not of the paranormal

286

00:12:00,850 --> 00:11:59,390

world and you you're not familiar with a

287

00:12:03,130 --> 00:12:00,860

lot of the stuff and you listen right

288

00:12:06,100 --> 00:12:03,140

now you'd say mind control that's

289

00:12:09,070 --> 00:12:06,110

absolutely ridiculous like that's not

290

00:12:11,440 --> 00:12:09,080

real that can't happen so so what do you

291

00:12:14,650 --> 00:12:11,450

know and what would you say to somebody

292

00:12:16,090 --> 00:12:14,660

who who thinks that way um because a lot

293

00:12:18,370 --> 00:12:16,100

of the people in the paranormal well yes

294

00:12:20,350 --> 00:12:18,380

and I would I would also ask to is this

295

00:12:22,030 --> 00:12:20,360

something that's being done remotely via

296

00:12:24,460 --> 00:12:22,040

human being or is this something that's

297

00:12:26,620 --> 00:12:24,470

being done locally via device like how

298

00:12:30,070 --> 00:12:26,630

bad in your speculation how the [h__h] you

299

00:12:31,810 --> 00:12:30,080

even do this well it's actually it could

300

00:12:34,270 --> 00:12:31,820

be anything I mean that's actually how

301

00:12:36,490 --> 00:12:34,280

terrifying this is and it is interesting

302

00:12:38,350 --> 00:12:36,500

uh let me double back to just go from

303

00:12:39,970 --> 00:12:38,360

trying to explain to the lame man you

304

00:12:41,470 --> 00:12:39,980

know and I'll first start on stuff

305

00:12:44,170 --> 00:12:41,480

everyone knows and then I'll go into

306

00:12:45,910 --> 00:12:44,180

even evidence and then move forward the

307

00:12:48,280 --> 00:12:45,920

fact is is that we've all heard of

308

00:12:50,230 --> 00:12:48,290

hypnosis and I believe we've all seen in

309

00:12:51,640 --> 00:12:50,240

fact my own father was able to be

310

00:12:53,740 --> 00:12:51,650

hypnotized see a lot of people don't

311

00:12:55,210 --> 00:12:53,750

even believe that hypnosis a real until

312

00:12:58,090 --> 00:12:55,220

they see someone they know be hypnotized

313

00:13:01,420 --> 00:12:58,100

very real very very badly real yeah it's

314

00:13:03,850 --> 00:13:01,430

real i see yes and I I think honestly

315

00:13:06,250 --> 00:13:03,860

probably you know fifty percent of the

316

00:13:08,620 --> 00:13:06,260

lay man has seen someone who may trust

317

00:13:11,590 --> 00:13:08,630

be hypnotized you know that one of those

318

00:13:13,150 --> 00:13:11,600

shows or the like or has or have heard

319

00:13:15,190 --> 00:13:13,160

the story of someone that they trust

320

00:13:17,680 --> 00:13:15,200

being hypnotized where you know it's not

321

00:13:20,120 --> 00:13:17,690

like it's something that's that's uh you

322

00:13:23,960 --> 00:13:20,130

know far out the idea that a person

323

00:13:25,940 --> 00:13:23,970

can fall into a mental state where they

324

00:13:28,580 --> 00:13:25,950

are vulnerable to being told what to do

325

00:13:30,590 --> 00:13:28,590

by someone else and not even know it so

326

00:13:32,720 --> 00:13:30,600

that's all it is it's a mere extent and

327

00:13:35,030 --> 00:13:32,730

you know a lot of that a lot of that is

328

00:13:37,340 --> 00:13:35,040

pure concentration and I can imagine

329

00:13:39,440 --> 00:13:37,350

that if you're flying a plane and you're

330

00:13:42,110 --> 00:13:39,450

concentrating and you're just hearing

331

00:13:44,360 --> 00:13:42,120

the roar the cabin or whatever it might

332

00:13:48,020 --> 00:13:44,370

be that's almost the perfect state to

333

00:13:50,000 --> 00:13:48,030

fall into a trance well good point good

334

00:13:52,730 --> 00:13:50,010

point and there's no doubt that there's

335

00:13:55,550 --> 00:13:52,740

certain things that allow certain people

336

00:13:57,140 --> 00:13:55,560

uh to be more vulnerable to it and that

337

00:14:00,260 --> 00:13:57,150

can include the environment that they're

338

00:14:01,730 --> 00:14:00,270

in it certainly includes people I'd

339

00:14:05,720 --> 00:14:01,740

often includes people who are very much

340

00:14:08,390 --> 00:14:05,730

inside the box uh it doesn't it easily

341

00:14:11,510 --> 00:14:08,400

hypnotizable people are not people let's

342

00:14:12,860 --> 00:14:11,520

say like the the the audience here that

343

00:14:14,780 --> 00:14:12,870

believe in far out things the most

344

00:14:18,440 --> 00:14:14,790

easily hypnotizable people if you look

345

00:14:21,470 --> 00:14:18,450

at the CIA records are very inside the

346

00:14:23,810 --> 00:14:21,480

box people people who trust the

347

00:14:26,180 --> 00:14:23,820

government who trust the teaching system

348

00:14:28,130 --> 00:14:26,190

these are just symptomatic of a person

349

00:14:30,440 --> 00:14:28,140

that's just inside the box they don't

350

00:14:32,720 --> 00:14:30,450

lightly question things you know it

351
00:14:35,840 --> 00:14:32,730
makes me think about I remember hearing

352
00:14:39,770 --> 00:14:35,850
the news reports about the pilot who was

353
00:14:42,200 --> 00:14:39,780
flying the the Malaysian air flights and

354
00:14:44,780 --> 00:14:42,210
they said that they went to his house

355
00:14:47,030 --> 00:14:44,790
and they found flight simulations so

356
00:14:49,610 --> 00:14:47,040
this is kind of a two-parter for you

357
00:14:51,980 --> 00:14:49,620
Rick one do you think that running those

358
00:14:53,750 --> 00:14:51,990
flight simulations which a lot of a lot

359
00:14:56,450 --> 00:14:53,760
of pilots do I have a friend who's a

360
00:14:58,640 --> 00:14:56,460
pilot and he loves doing the simulations

361
00:15:02,540 --> 00:14:58,650
because it's it helps him improve his

362
00:15:04,370 --> 00:15:02,550
you know how to fly so do you think that

363
00:15:06,770 --> 00:15:04,380

they maybe they reached out or there's a

364

00:15:09,380 --> 00:15:06,780

program that they're able to influence

365

00:15:12,050 --> 00:15:09,390

the flight simulations at home that

366

00:15:16,040 --> 00:15:12,060

control or something and early on you're

367

00:15:18,530 --> 00:15:16,050

on top of that on top of that why wild

368

00:15:20,300 --> 00:15:18,540

okay I'll be honest dog sorry Rick

369

00:15:23,090 --> 00:15:20,310

you're a little muffled oh can you hear

370

00:15:24,920 --> 00:15:23,100

me now yeah okay see here's here's

371

00:15:26,750 --> 00:15:24,930

something and you know I don't want to

372

00:15:28,550 --> 00:15:26,760

go too far off on this because this is

373

00:15:30,020 --> 00:15:28,560

pure speculation I wanted to bring up

374

00:15:31,190 --> 00:15:30,030

first those flight things just to talk

375

00:15:33,800 --> 00:15:31,200

about it was something i was researching

376

00:15:37,670 --> 00:15:33,810

and it was far out that

377

00:15:39,200 --> 00:15:37,680

wasn't able to the computers or whatever

378

00:15:42,200 --> 00:15:39,210

i was using wasn't letting me get

379

00:15:45,110 --> 00:15:42,210

through and there is something there big

380

00:15:47,900 --> 00:15:45,120

time because it's far too suspicious so

381

00:15:49,640 --> 00:15:47,910

all i have is suspicious evidence i have

382

00:15:52,850 --> 00:15:49,650

not fully drawn a conclusion so let me

383

00:15:54,740 --> 00:15:52,860

just say that you know we have we have a

384

00:15:57,920 --> 00:15:54,750

string of absolutely suspicious events

385

00:16:01,040 --> 00:15:57,930

that i don't know fully the big

386

00:16:03,500 --> 00:16:01,050

conclusion but if i were to speculate

387

00:16:06,769 --> 00:16:03,510

and this goes to 911 this goes to a

388

00:16:10,190 --> 00:16:06,779

number of things okay it might sound

389

00:16:11,780 --> 00:16:10,200

silly at first but flight is one of the

390

00:16:14,540 --> 00:16:11,790

most amazing things that's ever happened

391

00:16:18,500 --> 00:16:14,550

to mankind what used to take months if

392

00:16:21,470 --> 00:16:18,510

not years to achieve to be able to go to

393

00:16:23,329 --> 00:16:21,480

the east coast or you know go all the

394

00:16:26,540 --> 00:16:23,339

way to Europe from the United States or

395

00:16:29,720 --> 00:16:26,550

go to Asia or go to Africa or go to

396

00:16:32,269 --> 00:16:29,730

South America what would take months if

397

00:16:33,710 --> 00:16:32,279

not years and if you were on the

398

00:16:36,620 --> 00:16:33,720

shipping lanes would be treacherous

399

00:16:38,960 --> 00:16:36,630

waters my mother came across from Europe

400

00:16:40,550 --> 00:16:38,970

on the Atlantic and absolutely

401
00:16:42,560 --> 00:16:40,560
treacherous waters and they were on a

402
00:16:44,690 --> 00:16:42,570
modern boat and that boat was listing so

403
00:16:47,780 --> 00:16:44,700
far that everyone had to get into their

404
00:16:50,060 --> 00:16:47,790
their life vests and and you know wrap

405
00:16:53,150 --> 00:16:50,070
the baby up in a special you know

406
00:16:54,590 --> 00:16:53,160
inflatable little baby basket and they

407
00:16:57,770 --> 00:16:54,600
were potentially going to have to jump

408
00:17:01,579 --> 00:16:57,780
into life rafts or or sink and this was

409
00:17:03,800 --> 00:17:01,589
in the 50s my point is is that travel in

410
00:17:05,929 --> 00:17:03,810
interaction with other humans that are

411
00:17:09,140 --> 00:17:05,939
you know far away from you and very

412
00:17:11,240 --> 00:17:09,150
different has been extremely hard in the

413
00:17:14,120 --> 00:17:11,250

distant past or I should say honestly

414

00:17:16,010 --> 00:17:14,130

the recent past now all of a sudden we

415

00:17:19,189 --> 00:17:16,020

have flight in flight was extremely

416

00:17:22,220 --> 00:17:19,199

expensive all of them though in the 90s

417

00:17:25,669 --> 00:17:22,230

we have we have air you know everything

418

00:17:28,189 --> 00:17:25,679

from the Cold War ending and the peace

419

00:17:31,340 --> 00:17:28,199

dividend and the quantum arrow was

420

00:17:34,070 --> 00:17:31,350

extremely empowering economically to the

421

00:17:37,190 --> 00:17:34,080

average you know American and all of a

422

00:17:40,430 --> 00:17:37,200

sudden and people statistically were

423

00:17:42,320 --> 00:17:40,440

traveling at a rate front you know that

424

00:17:44,030 --> 00:17:42,330

that had never been seen in human

425

00:17:45,740 --> 00:17:44,040

history and they were expanding their

426
00:17:47,630 --> 00:17:45,750
minds they were seeing different people

427
00:17:50,210 --> 00:17:47,640
and they were they were seeing how

428
00:17:52,760 --> 00:17:50,220
similar we are which by the way goes to

429
00:17:54,860 --> 00:17:52,770
my my ultimate conclusion that there's a

430
00:17:56,810 --> 00:17:54,870
very simple divided between the

431
00:17:58,730 --> 00:17:56,820
powers-that-be there's the warmongers

432
00:18:01,130 --> 00:17:58,740
and there's the peacemakers and the

433
00:18:04,310 --> 00:18:01,140
warmongers needless to say are on the

434
00:18:06,410 --> 00:18:04,320
side of of bringing us down because

435
00:18:08,600 --> 00:18:06,420
there is no war fundamentally that ever

436
00:18:10,880 --> 00:18:08,610
needed to be done and ever achieved

437
00:18:12,740 --> 00:18:10,890
anything good and and you know that's a

438
00:18:14,990 --> 00:18:12,750

very spiritual concept for the most part

439

00:18:17,000 --> 00:18:15,000

but uh if you actually look at it

440

00:18:19,250 --> 00:18:17,010

logistically there's a lot of reason to

441

00:18:21,620 --> 00:18:19,260

believe that you know from intelligence

442

00:18:23,990 --> 00:18:21,630

being a mitigator of war you know in

443

00:18:26,750 --> 00:18:24,000

terms of intelligence operation so all

444

00:18:29,000 --> 00:18:26,760

right with the foot oh yeah let me let

445

00:18:31,220 --> 00:18:29,010

me reel you back real quick so um so

446

00:18:33,920 --> 00:18:31,230

what was the point about travel so the

447

00:18:36,770 --> 00:18:33,930

point then is is that guess what I know

448

00:18:38,900 --> 00:18:36,780

people that haven't flown since 911 no

449

00:18:40,940 --> 00:18:38,910

joke because they're afraid the

450

00:18:42,890 --> 00:18:40,950

terrorists terrorists are going to take

451
00:18:45,140 --> 00:18:42,900
control the plane and the Bush

452
00:18:48,320 --> 00:18:45,150
administration always Rose those orange

453
00:18:51,380 --> 00:18:48,330
and red stripes also no one flying on

454
00:18:53,750 --> 00:18:51,390
planes and and and then it you know guy

455
00:18:55,610 --> 00:18:53,760
you know some imbecile jumps on a plane

456
00:18:57,950 --> 00:18:55,620
with a bomb in his underwear no one's

457
00:18:59,420 --> 00:18:57,960
going on plane someone has a bomb in

458
00:19:01,460 --> 00:18:59,430
their shoes and try to light it with a

459
00:19:04,700 --> 00:19:01,470
match no one's going on a plane you know

460
00:19:06,110 --> 00:19:04,710
uh if I had to speculate and I and I

461
00:19:08,510 --> 00:19:06,120
made it clear that does pure speculation

462
00:19:10,790 --> 00:19:08,520
i merely know that those four plane

463
00:19:14,600 --> 00:19:10,800

crashes in the past 12 months or just

464

00:19:16,850 --> 00:19:14,610

we're just way beyond coincidence but if

465

00:19:19,880 --> 00:19:16,860

i had to speculate i have seen a pattern

466

00:19:22,280 --> 00:19:19,890

where the ugly powers-that-be do not

467

00:19:24,320 --> 00:19:22,290

want us to fly do not want us to travel

468

00:19:25,790 --> 00:19:24,330

do not want us to be exposed to

469

00:19:27,260 --> 00:19:25,800

different human beings because if we are

470

00:19:29,450 --> 00:19:27,270

doing that we are expanding our mind

471

00:19:31,370 --> 00:19:29,460

beyond anything that can expand your

472

00:19:33,860 --> 00:19:31,380

mind traveling to far in distant land

473

00:19:35,480 --> 00:19:33,870

and seeing people from the government

474

00:19:37,220 --> 00:19:35,490

the ugly government not all the

475

00:19:39,320 --> 00:19:37,230

government wants us to bomb and kill

476

00:19:43,460 --> 00:19:39,330

that if I had to sum it up there that

477

00:19:46,730 --> 00:19:43,470

that's my speculation on that all right

478

00:19:48,500 --> 00:19:46,740

already there yeah i'm here i'm just

479

00:19:52,400 --> 00:19:48,510

taking all that in that's quite a bit of

480

00:19:54,110 --> 00:19:52,410

information it is loaded yeah it's quite

481

00:19:55,970 --> 00:19:54,120

it's it's an astronomical now and

482

00:19:58,460 --> 00:19:55,980

clearly yeah this is something that Rick

483

00:20:00,350 --> 00:19:58,470

you are heavily involved with in

484

00:20:01,450 --> 00:20:00,360

researching and just in fascination

485

00:20:03,580 --> 00:20:01,460

alone it's become

486

00:20:05,820 --> 00:20:03,590

of yours clearly hey let me ask you a

487

00:20:08,230 --> 00:20:05,830

question when when the first malaysian

488

00:20:09,760 --> 00:20:08,240

crash happened that really got everybody

489

00:20:11,289 --> 00:20:09,770

up in arms and then you know

490

00:20:12,460 --> 00:20:11,299

subsequently there's been another one

491

00:20:13,600 --> 00:20:12,470

and another one another one then it's

492

00:20:15,970 --> 00:20:13,610

been less and less pressed as time has

493

00:20:20,680 --> 00:20:15,980

gone on did you immediately know that

494

00:20:22,750 --> 00:20:20,690

this was not a typical cut-and-dry news

495

00:20:25,120 --> 00:20:22,760

story as soon as that happened and as

496

00:20:26,740 --> 00:20:25,130

the week's went on were you just proving

497

00:20:28,659 --> 00:20:26,750

yourself more and more right or is this

498

00:20:30,639 --> 00:20:28,669

was this kind of a slow build for you to

499

00:20:32,889 --> 00:20:30,649

in your and your interest in it as you

500

00:20:35,919 --> 00:20:32,899

saw or more details or lack thereof

501
00:20:39,310 --> 00:20:35,929
really coming in oh I would have to say

502
00:20:44,110 --> 00:20:39,320
uh I it didn't become a real thing for

503
00:20:47,169 --> 00:20:44,120
me come partner until uh 17 that was

504
00:20:49,360 --> 00:20:47,179
blown up over a Ukraine and I became

505
00:20:50,680 --> 00:20:49,370
fascinated i was i was interested i was

506
00:20:53,049 --> 00:20:50,690
like well you know just like every other

507
00:20:55,029 --> 00:20:53,059
person i was just fascinated i honestly

508
00:20:59,649 --> 00:20:55,039
didn't do much research into how bizarre

509
00:21:04,029 --> 00:20:59,659
the radar findings were until you know

510
00:21:06,370 --> 00:21:04,039
flight 17 happen and then i said i was

511
00:21:08,980 --> 00:21:06,380
like okay this is weird to malaysian

512
00:21:11,620 --> 00:21:08,990
flights go down in the most bizarre uh

513
00:21:13,240 --> 00:21:11,630

you know potato honestly it's not that

514

00:21:17,260 --> 00:21:13,250

far to say these might be the two most

515

00:21:19,330 --> 00:21:17,270

bizarre uh you know crashes at the very

516

00:21:20,950 --> 00:21:19,340

least in this appeared here obviously

517

00:21:22,600 --> 00:21:20,960

disappearances because we don't know

518

00:21:25,450 --> 00:21:22,610

necessarily if they if they did crash

519

00:21:26,830 --> 00:21:25,460

you're not well 17 there's enough

520

00:21:29,560 --> 00:21:26,840

evidence potentially to say the crash

521

00:21:31,960 --> 00:21:29,570

absolutely because you know people saw

522

00:21:33,970 --> 00:21:31,970

blow up people you know we do have some

523

00:21:35,169 --> 00:21:33,980

of the stuff you know albeit the russian

524

00:21:37,389 --> 00:21:35,179

government didn't want to let us have

525

00:21:38,860 --> 00:21:37,399

all that and by the way i'm not anti

526

00:21:40,720 --> 00:21:38,870

Russian at all on that statement that's

527

00:21:43,899 --> 00:21:40,730

a whole nother ball game to talk about

528

00:21:46,180 --> 00:21:43,909

what they may have not been anxious to

529

00:21:48,730 --> 00:21:46,190

let them do it so but the point is is I

530

00:21:52,810 --> 00:21:48,740

do believe 17 was shot down by a missile

531

00:21:56,139 --> 00:21:52,820

but that does not happen one but once

532

00:21:57,850 --> 00:21:56,149

every maybe 30 years so there's really

533

00:22:00,340 --> 00:21:57,860

not much evidence of it ever happening

534

00:22:02,139 --> 00:22:00,350

before the eighties so Rick it's it's

535

00:22:03,850 --> 00:22:02,149

evident and I mean I think everyone

536

00:22:07,419 --> 00:22:03,860

listening right now can totally hear

537

00:22:10,419 --> 00:22:07,429

your passion and is this a type of its

538

00:22:12,310 --> 00:22:10,429

kind of step back away from from even

539

00:22:15,039 --> 00:22:12,320

this and to kind of move into the

540

00:22:17,470 --> 00:22:15,049

creative part of

541

00:22:18,930 --> 00:22:17,480

of what you do it is this what you do

542

00:22:22,119 --> 00:22:18,940

you do a lot of research about

543

00:22:23,499 --> 00:22:22,129

particular things that is it and then

544

00:22:26,200 --> 00:22:23,509

you write about them is it something

545

00:22:28,720 --> 00:22:26,210

that moves you or X you that sort of

546

00:22:32,139 --> 00:22:28,730

forces you to create and and that's what

547

00:22:34,570 --> 00:22:32,149

you and that's what you do because your

548

00:22:36,970 --> 00:22:34,580

first series your first book is a lot

549

00:22:40,119 --> 00:22:36,980

about biomimicry and for those who don't

550

00:22:42,609 --> 00:22:40,129

know what biomimicry is it's a basically

551

00:22:45,759 --> 00:22:42,619

science imitating life is that correct

552

00:22:50,289 --> 00:22:45,769

yeah but exactly what is bio mimicry

553

00:22:53,560 --> 00:22:50,299

yeah so um and and the concepts of those

554

00:22:55,330 --> 00:22:53,570

books are are fascinating and for those

555

00:22:58,930 --> 00:22:55,340

of you listening right now you can check

556

00:23:01,749 --> 00:22:58,940

on amazon.com barnesandnoble.com you can

557

00:23:05,249 --> 00:23:01,759

type in the keepers World War three and

558

00:23:09,310 --> 00:23:05,259

you will find Rick's trilogy the keepers

559

00:23:10,930 --> 00:23:09,320

so so it's you know that and I really

560

00:23:12,999 --> 00:23:10,940

want to talk about some of the science

561

00:23:14,799 --> 00:23:13,009

that is in your first book because we

562

00:23:18,159 --> 00:23:14,809

can talk about DARPA we can talk about

563

00:23:19,989 --> 00:23:18,169

Google how that influenced a lot of what

564

00:23:21,820 --> 00:23:19,999

you wrote and then to see some of these

565

00:23:23,889 --> 00:23:21,830

things actually happen you kind of

566

00:23:25,509 --> 00:23:23,899

called it that's that's what I find so

567

00:23:29,379 --> 00:23:25,519

fascinating about your books is you

568

00:23:31,210 --> 00:23:29,389

write this this fiction but then you can

569

00:23:34,239 --> 00:23:31,220

kind of see the developments in years to

570

00:23:36,249 --> 00:23:34,249

come exactly what it is that you're you

571

00:23:39,099 --> 00:23:36,259

know talking about so with this stuff

572

00:23:40,960 --> 00:23:39,109

about the Malaysia plane flight is this

573

00:23:43,330 --> 00:23:40,970

a book that you're working on right now

574

00:23:45,789 --> 00:23:43,340

or is this just overall research you do

575

00:23:50,409 --> 00:23:45,799

for a potential idea down the road oh

576

00:23:53,919 --> 00:23:50,419

yeah well I am I am led to a creative

577

00:23:56,590 --> 00:23:53,929

story via my research I am driven to

578

00:24:00,340 --> 00:23:56,600

research it's a passion of mine I am

579

00:24:04,090 --> 00:24:00,350

driven in general to you know it's

580

00:24:08,049 --> 00:24:04,100

cliche know the truth more than the

581

00:24:09,580 --> 00:24:08,059

average person and it often then drives

582

00:24:11,019 --> 00:24:09,590

me to have a story I don't know what the

583

00:24:14,649 --> 00:24:11,029

story would be out of this I'm sure

584

00:24:18,190 --> 00:24:14,659

there would be one in general out of all

585

00:24:21,789 --> 00:24:18,200

my research and you know needless to say

586

00:24:24,359 --> 00:24:21,799

you know about two decades worth I have

587

00:24:28,960 --> 00:24:24,369

come to a multi-layer approach of

588

00:24:31,000 --> 00:24:28,970

reality now my my keepers trilogy

589

00:24:32,919 --> 00:24:31,010

did not approach uh the

590

00:24:35,190 --> 00:24:32,929

extra-terrestrial elam at least not the

591

00:24:37,000 --> 00:24:35,200

intellect you know intelligent life

592

00:24:39,520 --> 00:24:37,010

extraterrestrial and it did of course

593

00:24:43,960 --> 00:24:39,530

have extraterrestrials in it but that's

594

00:24:46,149 --> 00:24:43,970

a different story um but also historical

595

00:24:48,779 --> 00:24:46,159

the historical conspiracy and that's a

596

00:24:50,830 --> 00:24:48,789

cliche thing too but it's an apropos

597

00:24:53,799 --> 00:24:50,840

concept it's it's all the grand

598

00:24:55,419 --> 00:24:53,809

conspiracy extraterrestrial layer which

599

00:24:57,820 --> 00:24:55,429

is the old well I should say the

600

00:24:59,529 --> 00:24:57,830

spiritual layer is the final layer but

601
00:25:02,919 --> 00:24:59,539
if you're a theistic then it's the

602
00:25:05,890 --> 00:25:02,929
extra-terrestrial layer the historical

603
00:25:08,380 --> 00:25:05,900
layer and that goes back eons and eons

604
00:25:10,450 --> 00:25:08,390
but let's start Atlantis which was

605
00:25:12,820 --> 00:25:10,460
absolutely true and there's so much

606
00:25:14,710 --> 00:25:12,830
archaeology archaeological evidence to

607
00:25:17,440 --> 00:25:14,720
support that and I'm not talking about

608
00:25:20,909 --> 00:25:17,450
some far-out necessarily concept but but

609
00:25:22,930 --> 00:25:20,919
pretty far out uh you know internally

610
00:25:24,760 --> 00:25:22,940
let's talk about everything because I

611
00:25:26,440 --> 00:25:24,770
think Atlantis I mean for me anyways is

612
00:25:27,940 --> 00:25:26,450
a hot topic I mean should I could talk

613
00:25:29,049 --> 00:25:27,950

about it last for hours and hours and

614

00:25:30,820 --> 00:25:29,059

i'm sure that goes for a bunch of other

615

00:25:33,730 --> 00:25:30,830

people and you know there's been these

616

00:25:36,100 --> 00:25:33,740

weird every so often maybe every two or

617

00:25:38,110 --> 00:25:36,110

three years every three or four there's

618

00:25:39,549 --> 00:25:38,120

this peppering of Atlantis news stories

619

00:25:40,720 --> 00:25:39,559

that pop back up in the news and has

620

00:25:43,120 --> 00:25:40,730

something but discovered about last

621

00:25:44,970 --> 00:25:43,130

people want Atlantis you know to be real

622

00:25:47,529 --> 00:25:44,980

what is it that's stopping us from

623

00:25:49,029 --> 00:25:47,539

arriving to the point of like exposing

624

00:25:51,669 --> 00:25:49,039

Atlantis for being something that

625

00:25:53,830 --> 00:25:51,679

actually did exist oh well that's a

626

00:25:55,870 --> 00:25:53,840

simple simple answer it's the powers

627

00:25:56,950 --> 00:25:55,880

that be well I should say again the ugly

628

00:25:59,350 --> 00:25:56,960

powers that be because there are

629

00:26:01,210 --> 00:25:59,360

absolutely powers of white that are

630

00:26:05,950 --> 00:26:01,220

helping us otherwise we've all be dead

631

00:26:08,200 --> 00:26:05,960

meat and and you know you know you saw

632

00:26:10,060 --> 00:26:08,210

I'll drop down to Atlantis as a real

633

00:26:11,529 --> 00:26:10,070

quick drop down start first with the

634

00:26:14,500 --> 00:26:11,539

extra-terrestrial we're in a covert

635

00:26:16,659 --> 00:26:14,510

proxy war and just like all proxy wars

636

00:26:18,190 --> 00:26:16,669

were fought between two powers now

637

00:26:20,350 --> 00:26:18,200

forget who's the good guy and who's the

638

00:26:22,210 --> 00:26:20,360

bad guy ultimately it's irrelevant just

639

00:26:24,669 --> 00:26:22,220

like Vietnam I mean I love America

640

00:26:26,500 --> 00:26:24,679

ultimately you know but yeah I think

641

00:26:28,600 --> 00:26:26,510

it's a great country and honestly I'm

642

00:26:30,880 --> 00:26:28,610

not I wasn't that down on the Soviet

643

00:26:33,310 --> 00:26:30,890

Union it's a very nuanced debate but the

644

00:26:35,049 --> 00:26:33,320

point is they were horrific to everyone

645

00:26:36,850 --> 00:26:35,059

who got caught in between them the

646

00:26:38,860 --> 00:26:36,860

Vietnamese would say you know we

647

00:26:40,330 --> 00:26:38,870

slaughtered millions of them doesn't

648

00:26:42,549 --> 00:26:40,340

mean we're nice so it back at the point

649

00:26:45,340 --> 00:26:42,559

of it is that objectively speaking

650

00:26:47,259 --> 00:26:45,350

yeah totally objective we're not

651
00:26:49,299 --> 00:26:47,269
necessarily bad but subjective lead to

652
00:26:51,789 --> 00:26:49,309
the Vietnamese we're horrible at least

653
00:26:54,340 --> 00:26:51,799
during that period and that's like us

654
00:26:57,519 --> 00:26:54,350
caught between an extraterrestrial proxy

655
00:27:00,159 --> 00:26:57,529
war and it's mainly and in a covert

656
00:27:02,409 --> 00:27:00,169
espionage proxy war where that where

657
00:27:04,600 --> 00:27:02,419
they're trying to drive us to kill

658
00:27:07,389 --> 00:27:04,610
ourselves in so many words so that we

659
00:27:09,820 --> 00:27:07,399
don't rise to a point that we join the

660
00:27:11,739 --> 00:27:09,830
ranks of the you know for lack of better

661
00:27:14,019 --> 00:27:11,749
word galactic nations it sounds silly

662
00:27:16,389 --> 00:27:14,029
but I could go on for hours about that

663
00:27:18,549 --> 00:27:16,399

but let's go drop down to Atlantis the

664

00:27:23,200 --> 00:27:18,559

point is is that there was a point in

665

00:27:25,899 --> 00:27:23,210

time where humankind was reaching a

666

00:27:28,899 --> 00:27:25,909

zenith now this has happened a multitude

667

00:27:30,609 --> 00:27:28,909

of times and every single PI agreed that

668

00:27:32,649 --> 00:27:30,619

the human race is like time and time

669

00:27:35,649 --> 00:27:32,659

again risen and fallen timbers and falls

670

00:27:40,779 --> 00:27:35,659

yeah well as you know we got the story

671

00:27:43,749 --> 00:27:40,789

to some degree as in terms of very put

672

00:27:46,119 --> 00:27:43,759

into a structure from Plato and Plato

673

00:27:48,039 --> 00:27:46,129

that was his exact words as that

674

00:27:50,350 --> 00:27:48,049

humanity has constantly going through

675

00:27:52,779 --> 00:27:50,360

phases where it's reached a period of

676
00:27:54,580 --> 00:27:52,789
wisdom and then all of a sudden boom

677
00:27:56,379 --> 00:27:54,590
crashed down to being an infant again

678
00:27:58,090 --> 00:27:56,389
and forgets everything that was that was

679
00:28:00,730 --> 00:27:58,100
exactly his point of telling the story

680
00:28:03,519 --> 00:28:00,740
of Atlantis was talking about this grand

681
00:28:06,369 --> 00:28:03,529
time and to digress on that first split

682
00:28:08,109 --> 00:28:06,379
second his one of the biggest point to

683
00:28:11,159 --> 00:28:08,119
that story was that Atlantis went to war

684
00:28:14,289 --> 00:28:11,169
some grand world war and because of that

685
00:28:17,680 --> 00:28:14,299
their civilization fell both from

686
00:28:19,060 --> 00:28:17,690
logistical both from losing that war but

687
00:28:21,820 --> 00:28:19,070
you know it's very nuanced reason why

688
00:28:23,830 --> 00:28:21,830

they lost that war what they lost that

689

00:28:26,139 --> 00:28:23,840

war the moment they started that war so

690

00:28:29,230 --> 00:28:26,149

to speak and then of course they were

691

00:28:32,230 --> 00:28:29,240

damned by God so to speak the gods in

692

00:28:34,659 --> 00:28:32,240

his words uh in terms of having their

693

00:28:37,480 --> 00:28:34,669

their home nation collapse on they need

694

00:28:40,210 --> 00:28:37,490

to see but his fundamental point was

695

00:28:43,269 --> 00:28:40,220

that humanity had risen and fallen time

696

00:28:44,980 --> 00:28:43,279

and time again and one of the biggest

697

00:28:48,789 --> 00:28:44,990

reasons why was because of our violent

698

00:28:50,529 --> 00:28:48,799

nature and and because of war and hubris

699

00:28:53,409 --> 00:28:50,539

which music is that what do you think

700

00:28:55,180 --> 00:28:53,419

has happened to Atlantis absolutely that

701
00:28:56,350 --> 00:28:55,190
well that's what Plato said and that's a

702
00:28:58,270 --> 00:28:56,360
good starting point and

703
00:29:01,690 --> 00:28:58,280
absolutely everything shows that and and

704
00:29:04,750 --> 00:29:01,700
I I could okay let's start on that just

705
00:29:07,000 --> 00:29:04,760
just let's go back okay so the fact of

706
00:29:09,270 --> 00:29:07,010
the matter is as a humanity

707
00:29:11,770 --> 00:29:09,280
comprehension of history is so

708
00:29:14,020 --> 00:29:11,780
unbelievably flawed you know are

709
00:29:15,250 --> 00:29:14,030
including so you have the lay man who

710
00:29:17,200 --> 00:29:15,260
doesn't know what even the average

711
00:29:21,280 --> 00:29:17,210
archaeologists know well anything that

712
00:29:23,260 --> 00:29:21,290
and on top of that to you have the you

713
00:29:26,560 --> 00:29:23,270

know what they teach us in history class

714

00:29:29,190 --> 00:29:26,570

which is no like you know the history

715

00:29:33,640 --> 00:29:29,200

that they want you to learn in America

716

00:29:35,680 --> 00:29:33,650

it totally one-sided you know it feels

717

00:29:38,740 --> 00:29:35,690

like its broad but they don't teach you

718

00:29:40,750 --> 00:29:38,750

anything so there's so so many flaws

719

00:29:44,049 --> 00:29:40,760

like our history is almost like the

720

00:29:46,390 --> 00:29:44,059

Bible in many ways where it's like it's

721

00:29:49,210 --> 00:29:46,400

a good story and things like this happen

722

00:29:51,880 --> 00:29:49,220

but we don't really know what the facts

723

00:29:54,419 --> 00:29:51,890

are oh absolutely i mean let's look at

724

00:29:56,710 --> 00:29:54,429

at the 80s i was in elementary school

725

00:29:58,360 --> 00:29:56,720

christopher columbus was the european

726

00:30:00,760 --> 00:29:58,370

who found in america and his story and

727

00:30:03,100 --> 00:30:00,770

then all of a sudden 90s it's Leif

728

00:30:04,930 --> 00:30:03,110

Ericson the Viking and at first it's

729

00:30:07,510 --> 00:30:04,940

almost like an urban legend and it's

730

00:30:09,400 --> 00:30:07,520

like Noah no he really did leif ericson

731

00:30:11,799 --> 00:30:09,410

really found the new world before us and

732

00:30:14,710 --> 00:30:11,809

the vikings in general were widely

733

00:30:19,720 --> 00:30:14,720

populating northeast united states and

734

00:30:22,090 --> 00:30:19,730

canada in the around 1000 AD era and

735

00:30:24,750 --> 00:30:22,100

then you find all sorts of other things

736

00:30:27,340 --> 00:30:24,760

there's there's no mounting evidence

737

00:30:29,950 --> 00:30:27,350

that the Minoans and the Phoenicians

738

00:30:33,220 --> 00:30:29,960

were here from Phoenician anchors to the

739

00:30:35,380 --> 00:30:33,230

Minoan mines up in Minnesota the copper

740

00:30:37,810 --> 00:30:35,390

mines where the copper from that area

741

00:30:39,970 --> 00:30:37,820

and it's very easy to trace the the

742

00:30:42,850 --> 00:30:39,980

content of a particular type of metal

743

00:30:45,280 --> 00:30:42,860

and they found that the copper from

744

00:30:48,850 --> 00:30:45,290

those mines and Minnesota directly

745

00:30:50,520 --> 00:30:48,860

matches the Bronze Age copper of which

746

00:30:53,289 --> 00:30:50,530

the Minoans were the biggest by far

747

00:30:56,770 --> 00:30:53,299

traders of the coppers pretty rare to

748

00:31:00,730 --> 00:30:56,780

find and the Minoans were an awesome CH

749

00:31:02,350 --> 00:31:00,740

civilization around 3500 BC and they

750

00:31:05,350 --> 00:31:02,360

were trekking this stuff over from the

751
00:31:07,750 --> 00:31:05,360
Americas and the copper content that the

752
00:31:09,090 --> 00:31:07,760
different elements in it were absolutely

753
00:31:12,060 --> 00:31:09,100
exact

754
00:31:15,419 --> 00:31:12,070
to to uh that which was found in the

755
00:31:16,950 --> 00:31:15,429
huge three billion ton mine in in

756
00:31:19,620 --> 00:31:16,960
Minnesota that was find out three

757
00:31:22,409 --> 00:31:19,630
billion tons of copper ore that we find

758
00:31:26,700 --> 00:31:22,419
in all the different minoan traded goods

759
00:31:28,560 --> 00:31:26,710
so was it yeah I we we have people come

760
00:31:31,830 --> 00:31:28,570
typing in the chat room saying that it

761
00:31:34,830 --> 00:31:31,840
was michigan and south dakota was it

762
00:31:36,720 --> 00:31:34,840
also minnesota or was it mostly mission

763
00:31:40,260 --> 00:31:36,730

do you know if you know no they're right

764

00:31:42,750 --> 00:31:40,270

it's Michigan apologize apology cool

765

00:31:44,970 --> 00:31:42,760

just just you know but if we don't

766

00:31:47,070 --> 00:31:44,980

fact-check everyone listening will say

767

00:31:49,110 --> 00:31:47,080

absolutely no i got these i got the m

768

00:31:54,120 --> 00:31:49,120

gate mixed up you are absolutely correct

769

00:31:55,799 --> 00:31:54,130

listener so um okay so bringing us back

770

00:31:57,690 --> 00:31:55,809

to Atlantis in because i want to know we

771

00:31:58,890 --> 00:31:57,700

don't have much time to UM 20 minutes

772

00:32:00,570 --> 00:31:58,900

here i want to try and power through as

773

00:32:04,230 --> 00:32:00,580

much as we can because clearly root out

774

00:32:06,390 --> 00:32:04,240

we need way more time um what happens so

775

00:32:09,630 --> 00:32:06,400

the the fight that Atlantis fought with

776

00:32:12,570 --> 00:32:09,640

the gods so to speak extras i can put

777

00:32:13,770 --> 00:32:12,580

together it is this thing that we're

778

00:32:16,799 --> 00:32:13,780

doing to ourselves time and time and

779

00:32:19,380 --> 00:32:16,809

time again of war and you know greed and

780

00:32:20,669 --> 00:32:19,390

selfishness and wanting to kill one

781

00:32:21,899 --> 00:32:20,679

another and that's I mean where are we

782

00:32:23,310 --> 00:32:21,909

entering into that again are we good

783

00:32:26,159 --> 00:32:23,320

just be going through this vehicle for

784

00:32:28,380 --> 00:32:26,169

the 8 millionth time no no for the first

785

00:32:32,220 --> 00:32:28,390

time in forever we are not doing that

786

00:32:34,649 --> 00:32:32,230

world war one and two were uh the last

787

00:32:37,110 --> 00:32:34,659

time we did that I mean humanity was at

788

00:32:38,700 --> 00:32:37,120

a xenoc I mean there was a lot the

789

00:32:40,890 --> 00:32:38,710

little known fact is that Europe which

790

00:32:42,960 --> 00:32:40,900

was the power player at the time was was

791

00:32:44,880 --> 00:32:42,970

becoming incredibly spiritually

792

00:32:48,480 --> 00:32:44,890

empowered from everything from Rudolf

793

00:32:50,100 --> 00:32:48,490

Steiner to in general mysticism uh you

794

00:32:52,230 --> 00:32:50,110

know this is when Nostradamus really

795

00:32:53,669 --> 00:32:52,240

came into play and I'm not saying no sir

796

00:32:56,789 --> 00:32:53,679

thomas is an amazing person but the

797

00:32:59,159 --> 00:32:56,799

point is is that the the the idea of

798

00:33:02,130 --> 00:32:59,169

mysticism the idea not of religious

799

00:33:03,570 --> 00:33:02,140

spirituality spirituality but mystical

800

00:33:05,640 --> 00:33:03,580

spirituality the belief of the

801
00:33:08,190 --> 00:33:05,650
empowerment of the individual in their

802
00:33:09,419 --> 00:33:08,200
consciousness and their soul uh you know

803
00:33:11,279 --> 00:33:09,429
but you know just scientifically

804
00:33:12,720 --> 00:33:11,289
speaking their consciousness which as

805
00:33:15,360 --> 00:33:12,730
i'm sure you all know from quantum

806
00:33:18,450 --> 00:33:15,370
theory and the like physics has really

807
00:33:21,210 --> 00:33:18,460
empowered the idea of consciousness and

808
00:33:22,899 --> 00:33:21,220
and so many other elements health you

809
00:33:26,289 --> 00:33:22,909
know the Europeans at that air

810
00:33:28,539 --> 00:33:26,299
uh were so into health holistic healing

811
00:33:30,460 --> 00:33:28,549
and like this is when we have divided

812
00:33:32,979 --> 00:33:30,470
them in revolution you know I know some

813
00:33:34,180 --> 00:33:32,989

people are not huge yeah you know

814

00:33:35,560 --> 00:33:34,190

purveyor you know they've Eagle

815

00:33:37,269 --> 00:33:35,570

necessarily believe in vitamin saw this

816

00:33:40,180 --> 00:33:37,279

back off necessarily a specifics but

817

00:33:42,190 --> 00:33:40,190

I'll just say the fact is is that Europe

818

00:33:44,499 --> 00:33:42,200

during that period was ready to go

819

00:33:48,849 --> 00:33:44,509

through a huge period of mysticism of

820

00:33:51,609 --> 00:33:48,859

bodily health of of of not obeying the

821

00:33:54,099 --> 00:33:51,619

powers that be and and and all of a

822

00:33:55,989 --> 00:33:54,109

sudden were thrust into the ugliest

823

00:33:57,849 --> 00:33:55,999

period in humanity where people are

824

00:34:00,430 --> 00:33:57,859

slaughtering each other on math and

825

00:34:03,399 --> 00:34:00,440

having a mass dramatization of human

826

00:34:05,019 --> 00:34:03,409

consciousness so that it's very hard to

827

00:34:06,669 --> 00:34:05,029

think upon those things everyone comes

828

00:34:08,529 --> 00:34:06,679

home from war going I don't want to

829

00:34:10,720 --> 00:34:08,539

think all i want to do is go to my job

830

00:34:13,720 --> 00:34:10,730

come home how the beer watch the game

831

00:34:15,520 --> 00:34:13,730

and and now we were entering into that

832

00:34:18,669 --> 00:34:15,530

again we had the peace dividend after

833

00:34:21,419 --> 00:34:18,679

the Cold War we had wealth we had peace

834

00:34:24,490 --> 00:34:21,429

we had good feelings and all of a sudden

835

00:34:26,730 --> 00:34:24,500

comes along this period of extraordinary

836

00:34:30,039 --> 00:34:26,740

terror which is embodied by the

837

00:34:32,740 --> 00:34:30,049

Terrorism era of post 9-11 just terror

838

00:34:35,289 --> 00:34:32,750

just who raised you all supposed to be

839

00:34:39,220 --> 00:34:35,299

afraid now it's orange it's red be

840

00:34:41,379 --> 00:34:39,230

afraid be afraid negative negative and

841

00:34:43,629 --> 00:34:41,389

and we're absolutely heading towards

842

00:34:45,490 --> 00:34:43,639

there but thankfully for whatever reason

843

00:34:48,369 --> 00:34:45,500

whether it's the internet and the spread

844

00:34:50,279 --> 00:34:48,379

of beliefs or just the fact that you

845

00:34:53,829 --> 00:34:50,289

know we would you know we're no longer

846

00:34:55,750 --> 00:34:53,839

you know no matter how ugly America is

847

00:34:57,849 --> 00:34:55,760

in America is the power that be just

848

00:35:01,140 --> 00:34:57,859

like Europe was and world war one and

849

00:35:04,210 --> 00:35:01,150

two America is in the end a nation that

850

00:35:07,089 --> 00:35:04,220

fought itself to get rid of slavery that

851
00:35:10,180 --> 00:35:07,099
has constantly trying to done the right

852
00:35:12,609 --> 00:35:10,190
thing for the downtrodden whether it's

853
00:35:14,170 --> 00:35:12,619
women or immigrants or the poor yes

854
00:35:16,240 --> 00:35:14,180
there's at least a bad among us but in

855
00:35:18,910 --> 00:35:16,250
the end America if you look at the

856
00:35:21,579 --> 00:35:18,920
history of nation states is very unusual

857
00:35:23,799 --> 00:35:21,589
and in fact I would say is completely

858
00:35:26,740 --> 00:35:23,809
unique and this is what perhaps is

859
00:35:29,769 --> 00:35:26,750
sparing us uh we we have purged

860
00:35:31,990 --> 00:35:29,779
ourselves from negative cultural things

861
00:35:34,210 --> 00:35:32,000
over and over again so that when the

862
00:35:36,760 --> 00:35:34,220
time came that we were the powers that

863
00:35:39,130 --> 00:35:36,770

be we resisted

864

00:35:43,660 --> 00:35:39,140

the ugliness we resisted the propaganda

865

00:35:45,490 --> 00:35:43,670

and um you know as bad as the Terrorism

866

00:35:48,460 --> 00:35:45,500

era was under the previous

867

00:35:50,740 --> 00:35:48,470

administration I feel that it inoculated

868

00:35:52,240 --> 00:35:50,750

us and now we've all looked we all look

869

00:35:54,790 --> 00:35:52,250

back and no matter what side of the

870

00:35:56,950 --> 00:35:54,800

aisle we're on unless you're very far on

871

00:35:59,800 --> 00:35:56,960

the side of the Nile the average person

872

00:36:02,190 --> 00:35:59,810

has to know that that was a weird era I

873

00:36:04,330 --> 00:36:02,200

mean a narrow ass evoke our emotion

874

00:36:06,190 --> 00:36:04,340

absolutely so your perception big

875

00:36:07,690 --> 00:36:06,200

picture then and this is taking a step

876

00:36:10,390 --> 00:36:07,700

back and really looking at this from the

877

00:36:14,530 --> 00:36:10,400

bigger picture is that we are in

878

00:36:16,420 --> 00:36:14,540

actuality writing the course in such a

879

00:36:19,240 --> 00:36:16,430

way that humanity has never quite

880

00:36:22,360 --> 00:36:19,250

achieved yet and we're navigating new

881

00:36:25,870 --> 00:36:22,370

waters essentially that we may or may

882

00:36:27,580 --> 00:36:25,880

not be able to ultimately plow entirely

883

00:36:30,550 --> 00:36:27,590

through but at the end of the day we are

884

00:36:33,430 --> 00:36:30,560

somehow deep down inside it

885

00:36:35,470 --> 00:36:33,440

instinctually learning our lesson you

886

00:36:37,030 --> 00:36:35,480

know at the end of it at the end of this

887

00:36:39,010 --> 00:36:37,040

Graham I mean this is this is a

888

00:36:41,140 --> 00:36:39,020

millennia this has been going on so

889

00:36:43,060 --> 00:36:41,150

happy so exciting it's an exciting time

890

00:36:45,610 --> 00:36:43,070

to be alive and that's that's a really

891

00:36:48,430 --> 00:36:45,620

positive thing to hear especially in

892

00:36:49,810 --> 00:36:48,440

light of all of the you know things that

893

00:36:51,970 --> 00:36:49,820

we mentioned at the beginning of the

894

00:36:53,350 --> 00:36:51,980

show then going on but are you know

895

00:36:57,070 --> 00:36:53,360

events that are happening that are

896

00:36:58,570 --> 00:36:57,080

seemingly fishy for whatever reason be

897

00:37:00,250 --> 00:36:58,580

at the Sandy Hook or be at the Malaysian

898

00:37:03,040 --> 00:37:00,260

flight or things like that and and and

899

00:37:05,530 --> 00:37:03,050

how is it that i guess if even possible

900

00:37:06,910 --> 00:37:05,540

we can tie in those events that we're

901
00:37:08,350 --> 00:37:06,920
seeing happening to the conversation

902
00:37:10,390 --> 00:37:08,360
we've been having for last half an hour

903
00:37:13,600 --> 00:37:10,400
or so these are these are these

904
00:37:16,930 --> 00:37:13,610
attempts by the the ugly ones in power

905
00:37:19,270 --> 00:37:16,940
to to sort of direct us back away from

906
00:37:20,860 --> 00:37:19,280
from these you know this path that were

907
00:37:25,660 --> 00:37:20,870
on ER or how do you see it all working

908
00:37:29,050 --> 00:37:25,670
out together yeah I mean you know I am I

909
00:37:31,450 --> 00:37:29,060
I fundamentally to sum it up because you

910
00:37:35,110 --> 00:37:31,460
know i could go on ad infinitum but to

911
00:37:38,200 --> 00:37:35,120
sum it up in in a very succinctly what

912
00:37:43,020 --> 00:37:38,210
you said it is the ugly powers that be i

913
00:37:45,550 --> 00:37:43,030

want to create can you hear me hello I

914

00:37:47,220 --> 00:37:45,560

think mark might be having an issue just

915

00:37:50,560 --> 00:37:47,230

keep going he'll figure his way back up

916

00:37:53,620 --> 00:37:50,570

okay okay so I was going to say

917

00:37:55,690 --> 00:37:53,630

fundamentally I think it's it's trying

918

00:37:58,330 --> 00:37:55,700

to create ugliness you know killing uh

919

00:38:00,280 --> 00:37:58,340

you know as the Sandy Hook murderer did

920

00:38:03,010 --> 00:38:00,290

who by the way destroyed all of his

921

00:38:06,280 --> 00:38:03,020

computer hard drives before he committed

922

00:38:07,990 --> 00:38:06,290

his heinous act now I have to say that

923

00:38:10,150 --> 00:38:08,000

that's one of the most bizarre acts of a

924

00:38:11,830 --> 00:38:10,160

man who's about to cook you know commit

925

00:38:14,020 --> 00:38:11,840

one of the most heinous crimes that

926
00:38:16,120 --> 00:38:14,030
anyone could possibly imagine you know

927
00:38:18,310 --> 00:38:16,130
trying to kill a bunch of uh you know

928
00:38:20,380 --> 00:38:18,320
kindergartners and like and he's going

929
00:38:22,390 --> 00:38:20,390
to destroy his computers what what is

930
00:38:24,400 --> 00:38:22,400
what could we possibly find on there

931
00:38:26,110 --> 00:38:24,410
that that he would be afraid of us

932
00:38:28,960 --> 00:38:26,120
seeing when he's about to commit an act

933
00:38:30,520 --> 00:38:28,970
like that very bizarre behavior you know

934
00:38:31,600 --> 00:38:30,530
what did he not want us to see that goes

935
00:38:33,700 --> 00:38:31,610
to what Mark was talking about earlier

936
00:38:35,470 --> 00:38:33,710
about triggers you know what could he

937
00:38:36,700 --> 00:38:35,480
have been you know what could have been

938
00:38:39,400 --> 00:38:36,710

coming to his computer that was a

939

00:38:42,520 --> 00:38:39,410

trigger that then he needed as part of

940

00:38:44,860 --> 00:38:42,530

his you know his mission to destroy once

941

00:38:48,250 --> 00:38:44,870

he was triggered but anyway the point is

942

00:38:51,130 --> 00:38:48,260

is that creating ugliness you know you

943

00:38:53,320 --> 00:38:51,140

know what I'm a father and I went and

944

00:38:55,030 --> 00:38:53,330

picked up my child and there was no kids

945

00:38:57,220 --> 00:38:55,040

at school once I picked up my kid and

946

00:39:00,040 --> 00:38:57,230

that happened all around this nation why

947

00:39:03,370 --> 00:39:00,050

because every parent in this nation was

948

00:39:05,020 --> 00:39:03,380

terrified and regardless of rationale we

949

00:39:07,900 --> 00:39:05,030

all went and picked up our kid that day

950

00:39:09,850 --> 00:39:07,910

because we were scared because when when

951
00:39:13,510 --> 00:39:09,860
a man goes in and killed a bunch of kids

952
00:39:16,030 --> 00:39:13,520
in a school it terrifies every person in

953
00:39:17,590 --> 00:39:16,040
this country and that's what the ugly

954
00:39:21,490 --> 00:39:17,600
powers that be want to spread is

955
00:39:22,750 --> 00:39:21,500
negativity is anger is terror that's

956
00:39:24,820 --> 00:39:22,760
fundamentally what they want to do

957
00:39:27,490 --> 00:39:24,830
because that dramatizes the soul it

958
00:39:29,980 --> 00:39:27,500
traumatizes the psyche in it in it in it

959
00:39:33,490 --> 00:39:29,990
disallows empowerment because it's very

960
00:39:35,290 --> 00:39:33,500
hard to be Rene neck and and yet it's

961
00:39:36,820 --> 00:39:35,300
all based in fear and the spreading of

962
00:39:38,320 --> 00:39:36,830
fear and I want to talk about fear but

963
00:39:40,510 --> 00:39:38,330

really quickly Rick we need to take a

964

00:39:41,440 --> 00:39:40,520

short break and then when we get back I

965

00:39:43,030 --> 00:39:41,450

want to jump right back into that

966

00:39:44,140 --> 00:39:43,040

concept of fear because that is the one

967

00:39:45,370 --> 00:39:44,150

thing that at the end of the day I

968

00:39:47,500 --> 00:39:45,380

believe we are all here to learn

969

00:39:48,760 --> 00:39:47,510

inception radio network superior

1042

00:43:00,829 --> 00:42:56,279

Wisconsin truth thunders radio on the

1043

00:43:02,420 --> 00:43:00,839

inception radio network welcome back to

1044

00:43:04,729 --> 00:43:02,430

shoot spenders radio live on the

1045

00:43:06,710 --> 00:43:04,739

inception radio network we are with Rick

1046

00:43:08,450 --> 00:43:06,720

friar my name is our web at mark

1047

00:43:09,589 --> 00:43:08,460

Schwartz is my co-host we've got about

1048

00:43:11,960 --> 00:43:09,599

ten minutes left in this week's

1049

00:43:14,029 --> 00:43:11,970

unfortunately abbreviated program it has

1050

00:43:15,890 --> 00:43:14,039

been one of the most fascinating

1051

00:43:17,299 --> 00:43:15,900

riveting and engaging compelling

1052

00:43:18,920 --> 00:43:17,309

conversations I think we have had to

1053

00:43:20,509 --> 00:43:18,930

date I want to throw it out there very

1054

00:43:22,279 --> 00:43:20,519

quickly that we do have time to do one

1055

00:43:25,160 --> 00:43:22,289

or two phone calls if any of you would

1056

00:43:29,989 --> 00:43:25,170

like to jump on quickly it is 8 8 8 and

1057

00:43:31,549 --> 00:43:29,999

9 192 355 once again 8 8 8 9 192 355 is

1058

00:43:33,349 --> 00:43:31,559

the telephone number before we go to any

1059

00:43:34,970 --> 00:43:33,359

of your phone calls though I just want

1060

00:43:37,400 --> 00:43:34,980

to quickly wrap up on the subject of

1061

00:43:42,019 --> 00:43:37,410

fear Rick and that really being the

1062

00:43:43,910 --> 00:43:42,029

central kind of root in what it is that

1063

00:43:46,640 --> 00:43:43,920

the ugly powers that be utilized to

1064

00:43:47,960 --> 00:43:46,650

control us and fear being ultimately the

1065

00:43:50,690 --> 00:43:47,970

end of the day the one thing that we are

1066

00:43:51,950 --> 00:43:50,700

on this planet challenged to overcome

1067

00:43:53,450 --> 00:43:51,960

and to look

1068

00:43:56,120 --> 00:43:53,460

in the eyes and to tell itself to go

1069

00:43:57,859 --> 00:43:56,130

[h__h] off and walk right into it i mean

1070

00:43:59,500 --> 00:43:57,869

you know without trying to be too blue

1071

00:44:02,150 --> 00:43:59,510

about it that really is the case

1072

00:44:04,880 --> 00:44:02,160

absolutely I I could not agree more you

1073

00:44:06,349 --> 00:44:04,890

something absolutely perfectly uh you

1074

00:44:08,690 --> 00:44:06,359

know looking at it from a spiritual

1075

00:44:11,720 --> 00:44:08,700

perspective our souls were put here to

1076

00:44:13,970 --> 00:44:11,730

look it in the eye you you notice that

1077

00:44:17,030 --> 00:44:13,980

they only say nice guys finish last and

1078

00:44:19,670 --> 00:44:17,040

there is some truth to that because the

1079

00:44:22,760 --> 00:44:19,680

the connotation with nice guys is that

1080

00:44:24,260 --> 00:44:22,770

the cowards because the fact is yes you

1081

00:44:26,570 --> 00:44:24,270

have to be on the good side so you have

1082

00:44:28,790 --> 00:44:26,580

to be on the side of love they also have

1083

00:44:31,760 --> 00:44:28,800

to be on the side of power of courage

1084

00:44:34,190 --> 00:44:31,770

you know love and courage those are the

1085

00:44:35,630 --> 00:44:34,200

10 elements and confidence and belief

1086

00:44:38,380 --> 00:44:35,640

that good things will come to those that

1087

00:44:41,480 --> 00:44:38,390

yeah that out there you know exactly

1088

00:44:43,310 --> 00:44:41,490

exactly and and that is how the universe

1089

00:44:45,440 --> 00:44:43,320

tests you the universe does not just

1090

00:44:47,930 --> 00:44:45,450

test you for being nice the universe

1091

00:44:50,390 --> 00:44:47,940

tests you for being right which is nice

1092

00:44:52,609 --> 00:44:50,400

let's call that nice and on the side of

1093

00:44:55,099 --> 00:44:52,619

love on the side of goodness but also

1094

00:44:56,990 --> 00:44:55,109

courageous also willing to stand your

1095

00:45:00,410 --> 00:44:57,000

ground and not be walked all over and

1096

00:45:01,370 --> 00:45:00,420

and this you know plays out in every

1097

00:45:04,640 --> 00:45:01,380

different way whether it's in

1098

00:45:06,740 --> 00:45:04,650

relationships or in in terms of

1099

00:45:10,070 --> 00:45:06,750

defending you know yourself physically

1100

00:45:13,099 --> 00:45:10,080

or of course on a larger level in terms

1101
00:45:15,470 --> 00:45:13,109
of standing up for yourself against you

1102
00:45:17,900 --> 00:45:15,480
know what I constantly fur as the the

1103
00:45:21,760 --> 00:45:17,910
negative powers that be to see what

1104
00:45:24,290 --> 00:45:21,770
they're up to and to say no longer uh

1105
00:45:25,970 --> 00:45:24,300
you know that's just the way it is and

1106
00:45:28,010 --> 00:45:25,980
to not give a damn what anybody else

1107
00:45:29,420 --> 00:45:28,020
thinks about you because yeah the day

1108
00:45:31,130 --> 00:45:29,430
you need to stand up for what you

1109
00:45:33,680 --> 00:45:31,140
believe in to be white which hopefully

1110
00:45:36,440 --> 00:45:33,690
is the righteous thing and that a lot of

1111
00:45:39,530 --> 00:45:36,450
the times is going to encompass going

1112
00:45:42,260 --> 00:45:39,540
against the flow of society and what you

1113
00:45:44,660 --> 00:45:42,270

know ducking down into just the traffic

1114

00:45:46,400 --> 00:45:44,670

pattern might be and blending in a lot

1115

00:45:48,560 --> 00:45:46,410

of the times that courageousness and

1116

00:45:51,530 --> 00:45:48,570

that and that facing a fear requires one

1117

00:45:53,089 --> 00:45:51,540

to stand up and yell loudly that they

1118

00:45:56,030 --> 00:45:53,099

were against whatever it is that they

1119

00:45:58,700 --> 00:45:56,040

see going on around them and that is one

1120

00:46:00,829 --> 00:45:58,710

of the most influential and essential

1121

00:46:02,420 --> 00:46:00,839

elements of living a lifestyle like that

1122

00:46:05,329 --> 00:46:02,430

that that you can really point out I

1123

00:46:05,930 --> 00:46:05,339

think and you male bill on ahead wanna

1124

00:46:09,410 --> 00:46:05,940

break

1125

00:46:11,030 --> 00:46:09,420

a little bit because we had so much

1126

00:46:11,990 --> 00:46:11,040

stuff to cover on this episode but we

1127

00:46:14,630 --> 00:46:12,000

didn't get a chance to do everything

1128

00:46:17,450 --> 00:46:14,640

maybe just like a three or four minute

1129

00:46:19,609 --> 00:46:17,460

intro a little bit about what's going on

1130

00:46:21,380 --> 00:46:19,619

right now read your books the keepers

1131

00:46:23,480 --> 00:46:21,390

they deal a lot with biomimicry as we

1132

00:46:29,690 --> 00:46:23,490

talked about earlier robots that are

1133

00:46:32,180 --> 00:46:29,700

built to imitate animals and and the you

1134

00:46:34,339 --> 00:46:32,190

know from from hummingbirds and and

1135

00:46:37,250 --> 00:46:34,349

warlike machines that are built to to

1136

00:46:39,770 --> 00:46:37,260

mimic you know modern day animal life

1137

00:46:42,319 --> 00:46:39,780

because in some ways you know that's

1138

00:46:46,460 --> 00:46:42,329

that is the perfect life and so what's

1139

00:46:50,180 --> 00:46:46,470

easy to use it to you know to the best

1140

00:46:52,309 --> 00:46:50,190

abilities that we can you have there's a

1141

00:46:53,900 --> 00:46:52,319

lot going on with DARPA right now and I

1142

00:46:56,630 --> 00:46:53,910

know that you did a lot of research with

1143

00:46:58,160 --> 00:46:56,640

DARPA for your book and at the time that

1144

00:47:01,520 --> 00:46:58,170

you are doing your research there was a

1145

00:47:04,309 --> 00:47:01,530

robot called big dog which was a pack

1146

00:47:08,630 --> 00:47:04,319

mule and it basically was a four-legged

1147

00:47:11,930 --> 00:47:08,640

creature that could deliver supplies to

1148

00:47:14,930 --> 00:47:11,940

two people in to our soldiers in

1149

00:47:17,329 --> 00:47:14,940

Afghanistan or you know go through snow

1150

00:47:19,460 --> 00:47:17,339

and go through desert landscape and no

1151
00:47:21,530 --> 00:47:19,470
matter what it encountered it was just

1152
00:47:24,170 --> 00:47:21,540
these robots with four legs they look

1153
00:47:28,819 --> 00:47:24,180
like dogs like huge horses almost that

1154
00:47:30,730 --> 00:47:28,829
could walk and carry a carry supplies to

1155
00:47:33,920 --> 00:47:30,740
the destination that they needed to go

1156
00:47:36,290 --> 00:47:33,930
so now DARPA's building new stuff they

1157
00:47:38,390 --> 00:47:36,300
just built a cheetah that can run like I

1158
00:47:41,450 --> 00:47:38,400
don't know it maybe it's 75 miles per

1159
00:47:43,670 --> 00:47:41,460
hour maybe yeah more um what other

1160
00:47:45,680 --> 00:47:43,680
things Wildcat they coming up with ya

1161
00:47:47,660 --> 00:47:45,690
what kind of research are you seeing and

1162
00:47:50,300 --> 00:47:47,670
where do you see the future going with

1163
00:47:52,250 --> 00:47:50,310

some of these creatures also I'd like to

1164

00:47:55,040 --> 00:47:52,260

point out that google has just purchased

1165

00:47:58,069 --> 00:47:55,050

DARPA which was kind of your line or

1166

00:48:00,230 --> 00:47:58,079

hurt yeah yeah that I was very good for

1167

00:48:03,400 --> 00:48:00,240

me um and so what do you think maybe

1168

00:48:07,490 --> 00:48:03,410

google plans to do with DARPA technology

1169

00:48:08,900 --> 00:48:07,500

honest I i I'd o partner I saw i just

1170

00:48:12,859 --> 00:48:08,910

had owned us all because it seems like

1171

00:48:15,190 --> 00:48:12,869

the day yeah um is that their purpose I

1172

00:48:19,760 --> 00:48:15,200

don't know I gotta say it's a very odd

1173

00:48:23,440 --> 00:48:19,770

acquisition needless to say but Google

1174

00:48:27,410 --> 00:48:23,450

for me um I almost had this nation

1175

00:48:28,760 --> 00:48:27,420

google has has made weird acquisitions

1176

00:48:30,650 --> 00:48:28,770

before and has gone in two different

1177

00:48:32,480 --> 00:48:30,660

places and it makes sense eventually

1178

00:48:34,280 --> 00:48:32,490

such as the google maps and all that

1179

00:48:37,370 --> 00:48:34,290

with satellites so i'm not going to say

1180

00:48:40,160 --> 00:48:37,380

it is for sure conspiracy on there and

1181

00:48:43,760 --> 00:48:40,170

what i will say is that it's the perfect

1182

00:48:46,280 --> 00:48:43,770

storm for a terminator style Armageddon

1183

00:48:47,720 --> 00:48:46,290

Skynet situation where if you know

1184

00:48:50,390 --> 00:48:47,730

anything about how they're developing

1185

00:48:52,970 --> 00:48:50,400

artificial intelligence you would know

1186

00:48:55,430 --> 00:48:52,980

that they're finding that you there's no

1187

00:48:58,070 --> 00:48:55,440

program to make artificial intelligence

1188

00:48:59,600 --> 00:48:58,080

because guess what that's a program and

1189

00:49:01,340 --> 00:48:59,610

that's the opposite of artificial

1190

00:49:03,410 --> 00:49:01,350

intelligence and consciousness there's

1191

00:49:05,180 --> 00:49:03,420

plenty of beans that are conscious that

1192

00:49:08,020 --> 00:49:05,190

not that aren't necessarily as

1193

00:49:10,940 --> 00:49:08,030

intelligent in a way in terms of

1194

00:49:12,830 --> 00:49:10,950

calculating concepts as a program that's

1195

00:49:14,270 --> 00:49:12,840

not the relevant matters everything

1196

00:49:16,340 --> 00:49:14,280

under everything on the planet is

1197

00:49:19,480 --> 00:49:16,350

conscious honestly be it wide berth like

1198

00:49:21,770 --> 00:49:19,490

that yeah yes you know life life force

1199

00:49:23,870 --> 00:49:21,780

goes through all things especially of

1200

00:49:26,090 --> 00:49:23,880

course the more more living it is from

1201
00:49:27,680 --> 00:49:26,100
vegetative on and but but I would argue

1202
00:49:28,910 --> 00:49:27,690
through everything because I agree with

1203
00:49:31,400 --> 00:49:28,920
that because consciousness they're

1204
00:49:33,500 --> 00:49:31,410
finding is a fundamental uh you know

1205
00:49:35,150 --> 00:49:33,510
state you know physics is now

1206
00:49:37,010 --> 00:49:35,160
understanding that more and more and

1207
00:49:41,780 --> 00:49:37,020
even perhaps as a particle relating to

1208
00:49:43,490 --> 00:49:41,790
it but the the the thing is is that in

1209
00:49:45,920 --> 00:49:43,500
terms of humans creating artificial

1210
00:49:47,840 --> 00:49:45,930
intelligence a very advanced theory has

1211
00:49:50,600 --> 00:49:47,850
been going on for at least ten years and

1212
00:49:52,910 --> 00:49:50,610
and resonates with me is the idea of

1213
00:49:54,290 --> 00:49:52,920

dating for instance it started with them

1214

00:49:56,480 --> 00:49:54,300

saying you know what we gotta let them

1215

00:49:58,430 --> 00:49:56,490

create their own program that's the

1216

00:50:00,830 --> 00:49:58,440

essence of free will and consciousness

1217

00:50:02,660 --> 00:50:00,840

is letting something generate itself so

1218

00:50:04,850 --> 00:50:02,670

what they created was all these like

1219

00:50:07,220 --> 00:50:04,860

almost robot like partly insect-like

1220

00:50:08,900 --> 00:50:07,230

little bug robots that could interact

1221

00:50:11,180 --> 00:50:08,910

with each other and had very basic

1222

00:50:13,910 --> 00:50:11,190

programming but the programming enabled

1223

00:50:16,280 --> 00:50:13,920

them to learn and and learn how to

1224

00:50:18,200 --> 00:50:16,290

interact with each other and and how to

1225

00:50:20,660 --> 00:50:18,210

learn from each other and how to pass on

1226

00:50:23,000 --> 00:50:20,670

information because they think that

1227

00:50:24,320 --> 00:50:23,010

there will be the singularity for lack

1228

00:50:28,220 --> 00:50:24,330

of a better word that that will be

1229

00:50:32,180 --> 00:50:28,230

reached that works will get up army Ray

1230

00:50:33,540 --> 00:50:32,190

Kurzweil exactly exactly exactly so

1231

00:50:36,180 --> 00:50:33,550

guess what now you got

1232

00:50:40,230 --> 00:50:36,190

go got google which you know is is

1233

00:50:43,020 --> 00:50:40,240

seeing all this emotion and interaction

1234

00:50:44,910 --> 00:50:43,030

you know between human beings across the

1235

00:50:48,210 --> 00:50:44,920

planet you know whether it's a chat room

1236

00:50:51,150 --> 00:50:48,220

whether it's uh you know everything else

1237

00:50:53,040 --> 00:50:51,160

that's looked up on google and that's

1238

00:50:55,560 --> 00:50:53,050

all being passed through some now

1239

00:50:58,110 --> 00:50:55,570

imagine some sort of virus or some other

1240

00:51:00,600 --> 00:50:58,120

may be purposeful program that makes its

1241

00:51:03,270 --> 00:51:00,610

way into the servers and starts acting

1242

00:51:05,940 --> 00:51:03,280

as an observer of some kind it's a

1243

00:51:09,720 --> 00:51:05,950

perfect storm the idea the idea that a

1244

00:51:12,750 --> 00:51:09,730

search engine that has that has you know

1245

00:51:14,910 --> 00:51:12,760

uh the ability to see so much going on

1246

00:51:18,990 --> 00:51:14,920

in the world is the perfect state if you

1247

00:51:23,040 --> 00:51:19,000

looked at advanced AI theory to become a

1248

00:51:25,890 --> 00:51:23,050

I itself and now hello wow I'm traveling

1249

00:51:27,780 --> 00:51:25,900

what a good point I never considered it

1250

00:51:30,930 --> 00:51:27,790

like that uh you know what honestly Rick

1251
00:51:32,790 --> 00:51:30,940
I want to keep going on this so much but

1252
00:51:34,020 --> 00:51:32,800
we are pretty much out of time here and

1253
00:51:34,980 --> 00:51:34,030
I don't want to just interrupt you in

1254
00:51:36,990 --> 00:51:34,990
the middle of a thought so i think

1255
00:51:38,430 --> 00:51:37,000
that's know how tall a good place to

1256
00:51:39,990 --> 00:51:38,440
wrap but would you please consider

1257
00:51:42,870 --> 00:51:40,000
coming back on within the next couple

1258
00:51:44,910 --> 00:51:42,880
weeks or shout this conversation of

1259
00:51:47,820 --> 00:51:44,920
course thank you as long as Markel

1260
00:51:49,530 --> 00:51:47,830
Abbott yeah absolutely and Rick can you

1261
00:51:51,810 --> 00:51:49,540
can you tell people or get people to

1262
00:51:54,870 --> 00:51:51,820
link where they can find her website and

1263
00:51:57,210 --> 00:51:54,880

your book absolutely well in terms of

1264

00:52:00,080 --> 00:51:57,220

keywords you know you can find me on

1265

00:52:02,580 --> 00:52:00,090

amazon my my books are the keepers

1266

00:52:03,900 --> 00:52:02,590

trilogy by Rick fryer now since I

1267

1268

00:52:08,520 --> 00:52:06,520

keepers have come out funny enough so

1269

00:52:11,220 --> 00:52:08,530

often you have to look up the keepers

1270

00:52:12,960 --> 00:52:11,230

fryer the keepers Rick fryer the three

1271

00:52:16,260 --> 00:52:12,970
