

Exposing the Truth, One Secret at a Time

# NIGHT VISION

Host: René Barnett

# RADIO

# Mary Joyce

1  
00:00:09,180 --> 00:00:02,419  
you're locked into inception radio

2  
00:00:16,380 --> 00:00:12,810  
you're tuned in to night vision radio

3  
00:00:19,179 --> 00:00:16,390  
exposing the truth one secret at a time

4  
00:00:21,640 --> 00:00:19,189  
prepare yourself as we explore the

5  
00:00:25,300 --> 00:00:21,650  
shadow worlds of suppressed history

6  
00:00:27,880 --> 00:00:25,310  
secret knowledge forbidden religion and

7  
00:00:48,950 --> 00:00:27,890  
shine a light on the conspiracies to

8  
00:00:48,960 --> 00:00:56,480  
when I can

9  
00:01:10,700 --> 00:00:57,990  
wanna be

10  
00:01:10,710 --> 00:01:17,430  
welcome to night vision radio

11  
00:01:21,640 --> 00:01:19,870  
hey I hear the secrets that you keep

12  
00:01:24,249 --> 00:01:21,650  
well tonight we're going to be revealing

13  
00:01:26,440 --> 00:01:24,259

some secrets but first let me take care

14

00:01:29,260 --> 00:01:26,450

of a couple little housekeeping items as

15

00:01:31,389 --> 00:01:29,270

you know night vision is broadcast live

16

00:01:34,420 --> 00:01:31,399

every Thursday at ten thirty p.m.

17

00:01:36,609 --> 00:01:34,430

eastern on inception radio network com

18

00:01:39,550 --> 00:01:36,619

and if you'd like to listen to this show

19

00:01:43,510 --> 00:01:39,560

again or catch up on any past show that

20

00:01:46,149 --> 00:01:43,520

shows are archived on inception as well

21

00:01:48,010 --> 00:01:46,159

as on iTunes and stitcher soon they're

22

00:01:50,200 --> 00:01:48,020

also going to be available on our new

23

00:01:52,870 --> 00:01:50,210

website Renee Barnett calm which is

24

00:01:54,580 --> 00:01:52,880

being built as we speak finally it's

25

00:01:59,499 --> 00:01:54,590

going to launch and I want to really

26

00:02:02,620 --> 00:01:59,509

thank my special a web designer and

27

00:02:04,480 --> 00:02:02,630

fellow Rennie and he knows who he is and

28

00:02:07,210 --> 00:02:04,490

we're going to out him in the weeks to

29

00:02:10,419 --> 00:02:07,220

come but he's doing a great job and we

30

00:02:13,150 --> 00:02:10,429

really really appreciate the help in the

31

00:02:15,970 --> 00:02:13,160

meantime please drop by and like us on

32

00:02:19,120 --> 00:02:15,980

night vision radio on Facebook all that

33

00:02:21,280 --> 00:02:19,130

helps us all those little things just

34

00:02:23,289 --> 00:02:21,290

sort of help us keep keep this show

35

00:02:25,420 --> 00:02:23,299

going and we really appreciate it and

36

00:02:28,330 --> 00:02:25,430

also I'd love it if you would feel free

37

00:02:30,340 --> 00:02:28,340

to recommend topics and guests for

38

00:02:32,890 --> 00:02:30,350

future shows we definitely want to give

39

00:02:37,420 --> 00:02:32,900

our listeners what they want which of

40

00:02:39,490 --> 00:02:37,430

course leads us to tonight and mary

41

00:02:42,009 --> 00:02:39,500

joyce is an author a journalist a

42

00:02:45,490 --> 00:02:42,019

teacher and a veritable renaissance

43

00:02:47,830 --> 00:02:45,500

woman tonight she reveals the secrets of

44

00:02:50,380 --> 00:02:47,840

the underground military bases in North

45

00:02:52,030 --> 00:02:50,390

Carolina in the hidden history of Jesus

46

00:02:54,099 --> 00:02:52,040

and so much more I think we're going to

47

00:02:56,890 --> 00:02:54,109

even maybe get into some Bigfoot which

48

00:02:59,500 --> 00:02:56,900

is one of my favorites as well so thank

49

00:03:01,720 --> 00:02:59,510

you so much for making the time to join

50

00:03:03,819 --> 00:03:01,730

us tonight Mary well thank you i

51  
00:03:06,610 --> 00:03:03,829  
appreciate being invited on the program

52  
00:03:09,220 --> 00:03:06,620  
well you know so many of us are

53  
00:03:11,289 --> 00:03:09,230  
especially if we hung around the UFO

54  
00:03:12,970 --> 00:03:11,299  
subject for as many years as I have

55  
00:03:16,509 --> 00:03:12,980  
which is of course more than I'd like to

56  
00:03:19,449 --> 00:03:16,519  
admit to we've all kind of been familiar

57  
00:03:22,300 --> 00:03:19,459  
with the idea of underground military

58  
00:03:25,119 --> 00:03:22,310  
bases and when you know will you hear

59  
00:03:28,120 --> 00:03:25,129  
that you sort of think of area 51 and

60  
00:03:31,390 --> 00:03:28,130  
you think of doll sea bass

61  
00:03:34,150 --> 00:03:31,400  
in New Mexico but you're talking about

62  
00:03:35,740 --> 00:03:34,160  
something that I had not heard that much

63  
00:03:37,570 --> 00:03:35,750

about and I don't think other people

64

00:03:40,000 --> 00:03:37,580

have but you've covered this very well

65

00:03:42,490 --> 00:03:40,010

in your new book so could you just kind

66

00:03:45,070 --> 00:03:42,500

of give us a little bit of a clue of how

67

00:03:48,100 --> 00:03:45,080

you got on to these underground bases in

68

00:03:51,160 --> 00:03:48,110

North Carolina well it sounds like you

69

00:03:53,410 --> 00:03:51,170

have both got us started both of us I

70

00:03:57,970 --> 00:03:53,420

have a website that I edit it's called

71

00:03:59,890 --> 00:03:57,980

Sky ships over cashiers calm and we deal

72

00:04:02,830 --> 00:03:59,900

with cutting-edge subjects and people

73

00:04:06,520 --> 00:04:02,840

began to come to me with these reports

74

00:04:10,090 --> 00:04:06,530

and over a number of years I first heard

75

00:04:13,540 --> 00:04:10,100

about it in 2009 I've been collecting

76  
00:04:16,110 --> 00:04:13,550  
information from mostly people that have

77  
00:04:19,030 --> 00:04:16,120  
military law enforcement backgrounds and

78  
00:04:20,800 --> 00:04:19,040  
I've learned about underground bases

79  
00:04:24,730 --> 00:04:20,810  
here in the mountains of North Carolina

80  
00:04:27,130 --> 00:04:24,740  
and most people don't know about them

81  
00:04:29,650 --> 00:04:27,140  
they know about the ones out west but

82  
00:04:31,480 --> 00:04:29,660  
they don't know about these I looked all

83  
00:04:33,940 --> 00:04:31,490  
over couldn't find anything written

84  
00:04:37,080 --> 00:04:33,950  
about them and at that point I decided

85  
00:04:40,180 --> 00:04:37,090  
to write the book and hugges is titled

86  
00:04:43,540 --> 00:04:40,190  
underground military bases hidden in

87  
00:04:45,850 --> 00:04:43,550  
North Carolina mountains now these these

88  
00:04:47,680 --> 00:04:45,860

people that you said that you had spoken

89

00:04:50,080 --> 00:04:47,690

with an interview you know it sounds

90

00:04:53,350 --> 00:04:50,090

like you said a lot of official types

91

00:04:55,900 --> 00:04:53,360

law enforcement military people or

92

00:05:00,010 --> 00:04:55,910

former military were these people able

93

00:05:01,870 --> 00:05:00,020

to come out publicly I mean do you are

94

00:05:04,570 --> 00:05:01,880

you able to name their names in your

95

00:05:09,370 --> 00:05:04,580

book or is it giant I have to protect

96

00:05:10,900 --> 00:05:09,380

them but they have proven to those of us

97

00:05:14,170 --> 00:05:10,910

here at the website that they are

98

00:05:16,600 --> 00:05:14,180

legitimate one man i had known over

99

00:05:19,210 --> 00:05:16,610

several years at the place where i was

100

00:05:21,250 --> 00:05:19,220

working at the time and it was a long

101  
00:05:23,400 --> 00:05:21,260  
time before he revealed that he knew

102  
00:05:27,460 --> 00:05:23,410  
something about this he actually

103  
00:05:30,190 --> 00:05:27,470  
responded to another witness that we had

104  
00:05:32,800 --> 00:05:30,200  
posted on the website and he wrote a

105  
00:05:34,720 --> 00:05:32,810  
statement and he was very careful about

106  
00:05:37,210 --> 00:05:34,730  
how he wrote it because he didn't want

107  
00:05:41,270 --> 00:05:37,220  
his fingerprint on it so he didn't even

108  
00:05:44,330 --> 00:05:41,280  
write in his normal style of writing and

109  
00:05:46,490 --> 00:05:44,340  
he even had it delivered through

110  
00:05:48,200 --> 00:05:46,500  
somebody else to make sure that nobody

111  
00:05:51,409 --> 00:05:48,210  
could see him turning over this

112  
00:05:56,560 --> 00:05:51,419  
information and nobody who i believe is

113  
00:05:59,629 --> 00:05:56,570

still in a high-security position and

114

00:06:01,430 --> 00:05:59,639

see you know I can definitely that that

115

00:06:03,530 --> 00:06:01,440

would be understandable if they're you

116

00:06:06,050 --> 00:06:03,540

know these bases exist and they're meant

117

00:06:08,120 --> 00:06:06,060

to be kept secret obviously people

118

00:06:12,320 --> 00:06:08,130

aren't going to be banding about that

119

00:06:14,990 --> 00:06:12,330

they've told but what can you give us an

120

00:06:17,360 --> 00:06:15,000

idea of when you started getting

121

00:06:19,640 --> 00:06:17,370

information what kind of tips were you

122

00:06:21,500 --> 00:06:19,650

getting for instance this gentleman that

123

00:06:23,840 --> 00:06:21,510

you said you worked with over time who

124

00:06:26,570 --> 00:06:23,850

finally felt comfortable enough to come

125

00:06:31,070 --> 00:06:26,580

forward to you what kind of information

126  
00:06:32,390 --> 00:06:31,080  
was he able to share with you now some

127  
00:06:34,250 --> 00:06:32,400  
of the information begins to run

128  
00:06:37,040 --> 00:06:34,260  
together in my mind but from what I

129  
00:06:41,300 --> 00:06:37,050  
remember from his report was he said

130  
00:06:45,080 --> 00:06:41,310  
there was a six-story deep facility

131  
00:06:48,650 --> 00:06:45,090  
under something we know locally around

132  
00:06:52,810 --> 00:06:48,660  
here is pairing and it's PA are I it

133  
00:06:57,320 --> 00:06:52,820  
stands for tisca astronomical research

134  
00:07:00,620 --> 00:06:57,330  
institute and it was a cold war

135  
00:07:03,830 --> 00:07:00,630  
monitoring station and then after the

136  
00:07:07,370 --> 00:07:03,840  
Cold War it eventually supposedly was

137  
00:07:11,990 --> 00:07:07,380  
shut down and the surface level is now

138  
00:07:15,070 --> 00:07:12,000

an astronomical really an educational

139

00:07:17,719 --> 00:07:15,080

place but it's an odd educational place

140

00:07:19,700 --> 00:07:17,729

you can only get in there by appointment

141

00:07:22,520 --> 00:07:19,710

certain page you can just drive in and

142

00:07:26,360 --> 00:07:22,530

there's no problem other days you will

143

00:07:29,930 --> 00:07:26,370

see people or men dressed in swat type

144

00:07:32,840 --> 00:07:29,940

outfits it's a very strange place to be

145

00:07:35,570 --> 00:07:32,850

near whenever I've gotten close to it

146

00:07:38,860 --> 00:07:35,580

it's like I don't have a real good word

147

00:07:42,110 --> 00:07:38,870

for it but it's almost like electrical

148

00:07:44,960 --> 00:07:42,120

vibration that kind of doesn't feel good

149

00:07:48,890 --> 00:07:44,970

and anytime I've gotten close to it

150

00:07:52,159 --> 00:07:48,900

that's what I experienced one all one of

151  
00:07:54,500 --> 00:07:52,169  
the people that first reported all this

152  
00:07:57,330 --> 00:07:54,510  
at that particular place

153  
00:08:00,240 --> 00:07:57,340  
was the child of somebody involved with

154  
00:08:02,670 --> 00:08:00,250  
top-secret projects back in the 50s and

155  
00:08:05,730 --> 00:08:02,680  
she started to learn about some of these

156  
00:08:07,980 --> 00:08:05,740  
things way back then and the thing that

157  
00:08:11,100 --> 00:08:07,990  
makes it kind of creepy at the Perry

158  
00:08:15,840 --> 00:08:11,110  
facility and that's not the only one but

159  
00:08:19,379 --> 00:08:15,850  
there seems to be experiments going on

160  
00:08:23,219 --> 00:08:19,389  
there seems to be an interaction with

161  
00:08:26,400 --> 00:08:23,229  
ETS and not the necessarily the good

162  
00:08:30,020 --> 00:08:26,410  
ones there seems to be experimentation

163  
00:08:33,540 --> 00:08:30,030

of all sorts we even had a report from

164

00:08:36,600 --> 00:08:33,550

somebody in social services who said

165

00:08:40,820 --> 00:08:36,610

that there were satanic reports of

166

00:08:42,990 --> 00:08:40,830

children coming out of that area and

167

00:08:45,560 --> 00:08:43,000

when he reported it to the authorities

168

00:08:48,510 --> 00:08:45,570

it was like I believe you used the word

169

00:08:51,230 --> 00:08:48,520

shoved under the rug and it wasn't dealt

170

00:08:55,140 --> 00:08:51,240

with in a you know proper procedure

171

00:08:57,390 --> 00:08:55,150

years ago there was a man who was a

172

00:09:00,449 --> 00:08:57,400

young man at the time and there were

173

00:09:02,910 --> 00:09:00,459

reports of caged animals being taken

174

00:09:05,190 --> 00:09:02,920

into this place so that kind of fuels

175

00:09:09,170 --> 00:09:05,200

the idea that experimentation is going

176

00:09:11,880 --> 00:09:09,180

on jeez that doesn't sound good now when

177

00:09:14,250 --> 00:09:11,890

you say the night let me let me give a

178

00:09:17,010 --> 00:09:14,260

balance on this there's okay several

179

00:09:18,600 --> 00:09:17,020

different facilities ironically i guess

180

00:09:21,240 --> 00:09:18,610

ironically isn't the right word but

181

00:09:24,060 --> 00:09:21,250

strangely they're all close to

182

00:09:27,300 --> 00:09:24,070

well-known tourist places in Western

183

00:09:29,579 --> 00:09:27,310

North Carolina the most recent one is

184

00:09:32,400 --> 00:09:29,589

under the Great Smoky Mountains National

185

00:09:34,560 --> 00:09:32,410

Park there's one under mount mitchell

186

00:09:37,019 --> 00:09:34,570

which is the tallest mountain east of

187

00:09:39,720 --> 00:09:37,029

the Mississippi there's one near Devils

188

00:09:43,560 --> 00:09:39,730

courthouse which is off the Blue Ridge

189

00:09:45,990 --> 00:09:43,570

Parkway of parkway there's one on sugar

190

00:09:48,570 --> 00:09:46,000

sugar loaf mountain which is near

191

00:09:52,250 --> 00:09:48,580

chimney rock another tourist place and

192

00:09:54,720 --> 00:09:52,260

another one is in the linville gorge and

193

00:09:57,690 --> 00:09:54,730

these are all places that tourists go

194

00:10:00,300 --> 00:09:57,700

and as one of the men told me he said

195

00:10:03,630 --> 00:10:00,310

there is an entrance into Mount Mitchell

196

00:10:07,290 --> 00:10:03,640

and the entrance is so camouflaged it

197

00:10:08,100 --> 00:10:07,300

looks like the side of a mountain I've

198

00:10:10,470 --> 00:10:08,110

heard that

199

00:10:12,630 --> 00:10:10,480

about different locations as well so

200

00:10:15,030 --> 00:10:12,640

there must be some way that they they're

201  
00:10:18,750 --> 00:10:15,040  
able to do that really camouflage the

202  
00:10:21,600 --> 00:10:18,760  
location but when you said they were

203  
00:10:24,360 --> 00:10:21,610  
working and we're doing experimentation

204  
00:10:28,319 --> 00:10:24,370  
with you know some of the ETS and not

205  
00:10:31,680 --> 00:10:28,329  
the good ones in your experience in your

206  
00:10:34,710 --> 00:10:31,690  
research who are the bad ones are Arthur

207  
00:10:37,980 --> 00:10:34,720  
good ones and bad ones in different

208  
00:10:42,750 --> 00:10:37,990  
species or they are certain species that

209  
00:10:46,079 --> 00:10:42,760  
are bad any of the ones that are doing

210  
00:10:49,560 --> 00:10:46,089  
the abductions of people I don't want to

211  
00:10:52,740 --> 00:10:49,570  
be around them I think violation I think

212  
00:10:56,460 --> 00:10:52,750  
you're violating universal laws of

213  
00:10:59,100 --> 00:10:56,470

behavior they typically are grays and

214

00:11:04,500 --> 00:10:59,110

reptilians that are doing this type of

215

00:11:06,810 --> 00:11:04,510

thing you know I just I would be very

216

00:11:09,150 --> 00:11:06,820

careful you know and there may be some

217

00:11:11,730 --> 00:11:09,160

good ones I do not know I think some of

218

00:11:16,170 --> 00:11:11,740

them are humanoid type robots that do

219

00:11:19,829 --> 00:11:16,180

certain kinds of projects I don't know

220

00:11:23,400 --> 00:11:19,839

if there's a simple answer so the people

221

00:11:25,769 --> 00:11:23,410

that do have contact with the

222

00:11:29,069 --> 00:11:25,779

filiaelians and the Arcturians and the

223

00:11:32,130 --> 00:11:29,079

ones that are much more compassionate

224

00:11:35,790 --> 00:11:32,140

and do not abduct people and communicate

225

00:11:38,069 --> 00:11:35,800

telepathically and are very positive you

226

00:11:39,870 --> 00:11:38,079

know those you know nobody should be

227

00:11:42,930 --> 00:11:39,880

afraid of those but i think the other

228

00:11:45,930 --> 00:11:42,940

you need to be very very cautious that's

229

00:11:48,030 --> 00:11:45,940

that's really wild you know that the

230

00:11:49,949 --> 00:11:48,040

Arcturians just keep coming up again and

231

00:11:52,170 --> 00:11:49,959

again this past couple weeks when you

232

00:11:53,790 --> 00:11:52,180

said that a lot oh no those Arcturians

233

00:11:56,340 --> 00:11:53,800

again there must be something I'm

234

00:11:59,430 --> 00:11:56,350

supposed to look at in terms of the

235

00:12:01,170 --> 00:11:59,440

arcturians but now I you know we're

236

00:12:04,860 --> 00:12:01,180

talking about North Carolina here which

237

00:12:07,769 --> 00:12:04,870

of course is Cherokee country and it's

238

00:12:11,430 --> 00:12:07,779

the original land of the Cherokees

239

00:12:16,040 --> 00:12:11,440

before they so many were pushed out and

240

00:12:21,600 --> 00:12:16,050

into Oklahoma which is my home state but

241

00:12:21,960 --> 00:12:21,610

what do the Indians of the region there

242

00:12:25,499 --> 00:12:21,970

that

243

00:12:27,990 --> 00:12:25,509

Cherokee's and I say Indians and I hope

244

00:12:30,900 --> 00:12:28,000

I don't mean any offense by that term

245

00:12:33,360 --> 00:12:30,910

but where I come from that's what the

246

00:12:35,369 --> 00:12:33,370

Indians call that's what the Native

247

00:12:39,059 --> 00:12:35,379

Americans call themselves is Indian so I

248

00:12:41,490 --> 00:12:39,069

use it you know from my for my locale

249

00:12:43,679 --> 00:12:41,500

but I certainly mean no disrespect by

250

00:12:46,379 --> 00:12:43,689

the Indian people do that here too so

251  
00:12:48,360 --> 00:12:46,389  
don't worry about it good but what do

252  
00:12:50,639 --> 00:12:48,370  
they have to say about these underground

253  
00:12:54,660 --> 00:12:50,649  
bases I can't imagine that you didn't

254  
00:12:57,269 --> 00:12:54,670  
get some kind of input first of all

255  
00:12:59,790 --> 00:12:57,279  
hardly anybody knows about this I mean

256  
00:13:01,319 --> 00:12:59,800  
when I say this is a brand-new book and

257  
00:13:02,970 --> 00:13:01,329  
it's the first time it's out there for

258  
00:13:05,879 --> 00:13:02,980  
the public to know about it I mean it's

259  
00:13:08,309 --> 00:13:05,889  
really the first time and I can find

260  
00:13:09,809 --> 00:13:08,319  
nothing about it so you can't assume

261  
00:13:13,369 --> 00:13:09,819  
just because people live in this area

262  
00:13:17,509 --> 00:13:13,379  
that most people have some inkling of it

263  
00:13:20,610 --> 00:13:17,519

many of them have seen foreign troops

264

00:13:24,809 --> 00:13:20,620

operating in the National Forest around

265

00:13:26,699 --> 00:13:24,819

here and wonder why and I've heard that

266

00:13:29,220 --> 00:13:26,709

from both the Indians and from the white

267

00:13:31,920 --> 00:13:29,230

people in this area began to hear that

268

00:13:33,509 --> 00:13:31,930

when I first moved here in 98 and I

269

00:13:37,439 --> 00:13:33,519

started talking to people who were

270

00:13:40,230 --> 00:13:37,449

hikers or hunters or you know and they

271

00:13:42,900 --> 00:13:40,240

would occasionally run into typically

272

00:13:46,590 --> 00:13:42,910

Germans Russians and what they call the

273

00:13:50,160 --> 00:13:46,600

blue hats or the United Nations and this

274

00:13:53,929 --> 00:13:50,170

is actually I think a cause that's going

275

00:13:56,879 --> 00:13:53,939

to to come forward because of this book

276

00:13:59,309 --> 00:13:56,889

everybody wonders why that's allowed why

277

00:14:02,910 --> 00:13:59,319

are these foreign troops allowed to have

278

00:14:04,799 --> 00:14:02,920

free rein in our national forests and I

279

00:14:06,809 --> 00:14:04,809

found out through the grapevine that

280

00:14:09,470 --> 00:14:06,819

there is a treaty it's called the world

281

00:14:12,269 --> 00:14:09,480

heritage treaty it was signed back in

282

00:14:15,059 --> 00:14:12,279

1972 during the Nixon administration and

283

00:14:19,350 --> 00:14:15,069

the purpose for it may have been very

284

00:14:22,170 --> 00:14:19,360

very good very very legitimate and it

285

00:14:24,720 --> 00:14:22,180

was to turn over our some of our

286

00:14:27,840 --> 00:14:24,730

national parks and our historic sites to

287

00:14:30,720 --> 00:14:27,850

the United Nations and I had to go and

288

00:14:32,970 --> 00:14:30,730

check that myself to find out that this

289

00:14:35,490 --> 00:14:32,980

really did happen and it's still in

290

00:14:37,440 --> 00:14:35,500

effect and that's why

291

00:14:40,050 --> 00:14:37,450

these foreign troops can operate freely

292

00:14:44,100 --> 00:14:40,060

because we have relinquished as a

293

00:14:47,070 --> 00:14:44,110

country our rights to certain land

294

00:14:52,040 --> 00:14:47,080

within our country the Mount Mitchell

295

00:14:56,160 --> 00:14:52,050

facility which the military guy who

296

00:14:58,050 --> 00:14:56,170

revealed that to me he says it's 20

297

00:15:02,400 --> 00:14:58,060

story Steve and that one he says is

298

00:15:03,990 --> 00:15:02,410

controlled by the United Nations and one

299

00:15:08,240 --> 00:15:04,000

time when they were out there during

300

00:15:11,520 --> 00:15:08,250

surveillance of the mountains they saw

301

00:15:15,330 --> 00:15:11,530

tanks being brought from a train station

302

00:15:18,840 --> 00:15:15,340

in one of the nearby towns and they took

303

00:15:20,340 --> 00:15:18,850

them between 20 and 25 tanks up the road

304

00:15:23,700 --> 00:15:20,350

that goes to the top of mount mitchell

305

00:15:26,340 --> 00:15:23,710

and the truck never came down in the you

306

00:15:28,650 --> 00:15:26,350

know the few roads should go up there so

307

00:15:32,400 --> 00:15:28,660

they were being unloaded underground

308

00:15:34,350 --> 00:15:32,410

somehow that's a whole that's why I'm

309

00:15:36,270 --> 00:15:34,360

saying there's all the Perry thing is

310

00:15:39,200 --> 00:15:36,280

associated with these experiment things

311

00:15:42,300 --> 00:15:39,210

I haven't heard that as the other places

312

00:15:45,150 --> 00:15:42,310

that may be happening I don't know but

313

00:15:48,870 --> 00:15:45,160

the UN's associated very very much with

314

00:15:53,760 --> 00:15:48,880

the Mount Mitchell wow that's really

315

00:15:57,570 --> 00:15:53,770

interesting now is this the same area

316

00:16:00,450 --> 00:15:57,580

that you know has a lot of UFO activity

317

00:16:02,370 --> 00:16:00,460

and then we also discussed there seem to

318

00:16:06,030 --> 00:16:02,380

be other anomalies around or at least

319

00:16:09,450 --> 00:16:06,040

what we think may be anomalies in with

320

00:16:12,329 --> 00:16:09,460

Bigfoot creatures in the area ok let's

321

00:16:15,270 --> 00:16:12,339

go start with the the ufos there's a lot

322

00:16:17,160 --> 00:16:15,280

of UFO sightings in this area some of

323

00:16:19,260 --> 00:16:17,170

them are probably man-made I'm always

324

00:16:23,040 --> 00:16:19,270

slightly suspicious of the ones that are

325

00:16:25,620 --> 00:16:23,050

small triangular one but we have them in

326

00:16:28,770 --> 00:16:25,630

every form we have them you know round

327

00:16:33,120 --> 00:16:28,780

globe we have them in rainbow colors we

328

00:16:36,270 --> 00:16:33,130

have them making strange streaks through

329

00:16:39,750 --> 00:16:36,280

the air and most recently we've had a

330

00:16:42,930 --> 00:16:39,760

very odd phenomena and this these are

331

00:16:46,500 --> 00:16:42,940

UFOs that you can see with your eyes at

332

00:16:48,660 --> 00:16:46,510

night we've got pictures of them on our

333

00:16:51,750 --> 00:16:48,670

website and again that skies

334

00:16:54,420 --> 00:16:51,760

Joker cashiers calm and under the guise

335

00:16:56,910 --> 00:16:54,430

of photo section there's pictures of

336

00:16:58,880 --> 00:16:56,920

these UFOs that look like asteroids it's

337

00:17:01,470 --> 00:16:58,890

like they're trying to camouflage and

338

00:17:03,090 --> 00:17:01,480

they're not lit up I mean you can see

339

00:17:06,510 --> 00:17:03,100

them but they're not lit up and they

340

00:17:09,540 --> 00:17:06,520

really do look like answer it ground

341

00:17:11,220 --> 00:17:09,550

opens it to the sky let's continue this

342

00:17:13,740 --> 00:17:11,230

conversation after the break we're going

343

00:17:15,210 --> 00:17:13,750

to take a short one now and when we come

344

00:17:18,540 --> 00:17:15,220

back we're going to hear more from mary

345

00:17:57,470 --> 00:17:18,550

joyce and the strange goings-on in north

346

00:18:03,300 --> 00:18:00,870

hello everyone Laurieann Fenton here

347

00:18:06,630 --> 00:18:03,310

hosted the California MUFON radio show

348

00:18:09,660 --> 00:18:06,640

asking if you'd like special access to

349

00:18:13,020 --> 00:18:09,670

exclusive and amazing information about

350

00:18:16,260 --> 00:18:13,030

UFOs the paranormal and all things

351  
00:18:19,890 --> 00:18:16,270  
unexplained if you're nodding yes then

352  
00:18:21,690 --> 00:18:19,900  
join our ends insider club as an insider

353  
00:18:24,660 --> 00:18:21,700  
club member you'll get an all-access

354  
00:18:27,060 --> 00:18:24,670  
pass to premier inception radio network

355  
00:18:29,610 --> 00:18:27,070  
content for only four dollars and

356  
00:18:33,450 --> 00:18:29,620  
ninety-nine cents a month this includes

357  
00:18:36,780 --> 00:18:33,460  
live UFO and paranormal conferences live

358  
00:18:39,480 --> 00:18:36,790  
streaming UFO sky watches exclusive I

359  
00:18:42,420 --> 00:18:39,490  
are in radio and TV productions and of

360  
00:18:45,150 --> 00:18:42,430  
course paying radio with MJ and Ken

361  
00:18:48,060 --> 00:18:45,160  
Storch so don't wait any longer visit

362  
00:18:51,150 --> 00:18:48,070  
inception radio network calm and click

363  
00:18:55,010 --> 00:18:51,160

on member login to join I our ends and

364

00:18:57,930 --> 00:18:55,020

cider club and get your VIP access today

365

00:19:00,090 --> 00:18:57,940

are you a final inception radio network

366

00:19:02,460 --> 00:19:00,100

do you reckon it's the best alternative

367

00:19:04,680 --> 00:19:02,470

talk radio station on the planet well if

368

00:19:07,710 --> 00:19:04,690

you do head to facebook.com forward

369

00:19:10,230 --> 00:19:07,720

slash inception radio network like your

370

00:19:14,130 --> 00:19:10,240

page tell your friends spread the word

371

00:19:19,269 --> 00:19:17,440

you have a smartphone if so conception

372

00:19:22,810 --> 00:19:19,279

radio network is the best app for you

373

00:19:24,909 --> 00:19:22,820

available itunes android samsung and

374

00:19:27,639 --> 00:19:24,919

most of the rap storms just search

375

00:19:30,310 --> 00:19:27,649

inception radio network with the app you

376

00:19:33,039 --> 00:19:30,320

can listen live check out podcast recent

377

00:19:34,990 --> 00:19:33,049

and past showed you our videos see what

378

00:19:37,539 --> 00:19:35,000

shows are coming up who the guests are

379

00:19:39,909 --> 00:19:37,549

and via the chat room send live

380

00:19:41,919 --> 00:19:39,919

questions to those guests you know it

381

00:19:50,320 --> 00:19:41,929

makes sense check your app store now

382

00:19:52,509 --> 00:19:50,330

inception radio network sees it hey I RN

383

00:19:54,970 --> 00:19:52,519

listeners make sure you tune in to night

384

00:19:57,220 --> 00:19:54,980

vision radio with Renee Barnett Renee

385

00:19:59,620 --> 00:19:57,230

will be exposing the truth one secret at

386

00:20:02,710 --> 00:19:59,630

a time when Thursdays every Thursday

387

00:20:08,860 --> 00:20:02,720

1030pm eastern 730 p.m. pacific air

388

00:20:11,680 --> 00:20:08,870

right here IRA hello Irene listeners

389

00:20:13,629 --> 00:20:11,690

this is MJ saying hello and sharing us

390

00:20:16,930 --> 00:20:13,639

and secret i discovered it's called

391

00:20:19,120 --> 00:20:16,940

dream lodge calm fresh raw organic

392

00:20:21,519 --> 00:20:19,130

ingredients are used to create all their

393

00:20:23,560 --> 00:20:21,529

products they are made in very small

394

00:20:27,399 --> 00:20:23,570

batches to ensure quality and freshness

395

00:20:28,480 --> 00:20:27,409

and made in the USA each product is

396

00:20:30,120 --> 00:20:28,490

created with

397

00:20:32,650 --> 00:20:30,130

and with the finest organic ingredients

398

00:20:35,470 --> 00:20:32,660

there are no preservatives dyes or

399

00:20:41,280 --> 00:20:35,480

chemicals in any product stop by dream

400

00:20:54,960 --> 00:20:41,290

lodge and laughs that's dr e am nua GE

401  
00:21:00,070 --> 00:20:57,460  
hello inception radio network listeners

402  
00:21:02,050 --> 00:21:00,080  
did you miss a show will guess what you

403  
00:21:03,880 --> 00:21:02,060  
can check us out on youtube go to

404  
00:21:05,680 --> 00:21:03,890  
youtube and search inception radio

405  
00:21:08,590 --> 00:21:05,690  
network to listen to the latest archives

406  
00:21:12,190 --> 00:21:08,600  
of all the shows on irn another way to

407  
00:21:14,860 --> 00:21:12,200  
listen to us anywhere anytime for IR and

408  
00:21:17,110 --> 00:21:14,870  
this is MJ and oh yeah right right

409  
00:21:21,190 --> 00:21:17,120  
remember to subscribe to hit the

410  
00:21:24,040 --> 00:21:21,200  
subscribe button you're locked into

411  
00:22:02,810 --> 00:21:24,050  
inception radio network superior

412  
00:22:07,229 --> 00:22:05,580  
welcome back night vision radio if

413  
00:22:10,560 --> 00:22:07,239

you're just joining us we're talking

414

00:22:12,979 --> 00:22:10,570

with author journalist mary joyce we're

415

00:22:17,519 --> 00:22:12,989

talking about underground military bases

416

00:22:19,970 --> 00:22:17,529

in North Carolina which is what mary

417

00:22:22,799 --> 00:22:19,980

joyce says latest book is all about

418

00:22:24,599 --> 00:22:22,809

she's also written other books on other

419

00:22:26,310 --> 00:22:24,609

really interesting subjects a lot of

420

00:22:28,259 --> 00:22:26,320

them dealing with that area in North

421

00:22:32,940 --> 00:22:28,269

Carolina and we've been talking about

422

00:22:37,710 --> 00:22:32,950

UFO sightings in the area and now is

423

00:22:40,529 --> 00:22:37,720

there are people reporting seeing like a

424

00:22:44,369 --> 00:22:40,539

craft going in and out of these places

425

00:22:46,169 --> 00:22:44,379

there's a lake that's just west of the

426

00:22:48,869 --> 00:22:46,179

Perry facility that we were talking

427

00:22:51,419 --> 00:22:48,879

about and it's called Wolf Lake and

428

00:22:53,909 --> 00:22:51,429

people have reported seeing obviously

429

00:22:59,190 --> 00:22:53,919

smaller UFOs that go in and out of that

430

00:23:02,129 --> 00:22:59,200

Lake hmm and like I said there we get

431

00:23:04,409 --> 00:23:02,139

lots of UFO stories you know we see them

432

00:23:07,919 --> 00:23:04,419

so often I can't even post them all oh

433

00:23:10,080 --> 00:23:07,929

my goodness we've repetitive you don't

434

00:23:13,289 --> 00:23:10,090

want to just keep having the same thing

435

00:23:15,210 --> 00:23:13,299

all the time right I saw a light zipping

436

00:23:18,419 --> 00:23:15,220

around yeah that kind of thing that gets

437

00:23:22,200 --> 00:23:18,429

boring after a while but you know you

438

00:23:25,070 --> 00:23:22,210

we've heard a lot over the past years

439

00:23:29,369 --> 00:23:25,080

you know from the conspiracy theorists

440

00:23:32,190 --> 00:23:29,379

about these places that they're readying

441

00:23:35,279 --> 00:23:32,200

for people to go people you know members

442

00:23:38,759 --> 00:23:35,289

of the elite and in other people to go

443

00:23:41,879 --> 00:23:38,769

when some apocalyptic event that

444

00:23:44,519 --> 00:23:41,889

everyone is expecting to come from the

445

00:23:46,769 --> 00:23:44,529

skies or something like that do you feel

446

00:23:50,820 --> 00:23:46,779

like there's a connection in any way

447

00:23:53,609 --> 00:23:50,830

with preparing a place to protect

448

00:23:56,340 --> 00:23:53,619

certain teacher I'm sure there's truth

449

00:23:58,310 --> 00:23:56,350

to that I mean if you do I'm sure you

450

00:24:00,570 --> 00:23:58,320

had a lot of research on the Internet

451  
00:24:02,639 --> 00:24:00,580  
you know they've done videos where they

452  
00:24:04,739 --> 00:24:02,649  
see trucks with food supplies and things

453  
00:24:08,099 --> 00:24:04,749  
like that going into these underground

454  
00:24:10,889 --> 00:24:08,109  
tunnels and the tunnels I think a pretty

455  
00:24:11,970 --> 00:24:10,899  
extensive one of the former air force

456  
00:24:15,539 --> 00:24:11,980  
man that I entered

457  
00:24:17,400 --> 00:24:15,549  
dude said that he was pretty confident

458  
00:24:19,320 --> 00:24:17,410  
that there is like a tunnel system that

459  
00:24:21,870 --> 00:24:19,330  
goes all the way from you know just

460  
00:24:25,530 --> 00:24:21,880  
outside DC all through the Appalachian

461  
00:24:27,000 --> 00:24:25,540  
chain all the way down to Atlanta I feel

462  
00:24:30,630 --> 00:24:27,010  
that from everything I've heard that

463  
00:24:35,940 --> 00:24:30,640

that's probably true we've had residents

464

00:24:37,710 --> 00:24:35,950

talk about experiencing grinding sounds

465

00:24:41,100 --> 00:24:37,720

underneath the ground and vibrations

466

00:24:43,860 --> 00:24:41,110

pounding sounds and they'll only last

467

00:24:48,000 --> 00:24:43,870

for maybe a couple of days or sometimes

468

00:24:49,770 --> 00:24:48,010

longer and then it quits and you're

469

00:24:52,549 --> 00:24:49,780

probably real familiar with these huge

470

00:24:55,500 --> 00:24:52,559

underground boring machines yes and

471

00:25:00,049 --> 00:24:55,510

depending on the density of them of the

472

00:25:04,020 --> 00:25:00,059

ground they can do seven miles in a day

473

00:25:06,570 --> 00:25:04,030

so these people a lot of them are along

474

00:25:09,930 --> 00:25:06,580

the balsam Ridge and they've experienced

475

00:25:13,560 --> 00:25:09,940

that for a time and then it stops the

476  
00:25:17,060 --> 00:25:13,570  
most recently constructed underground

477  
00:25:20,100 --> 00:25:17,070  
facility seems to be the one beneath the

478  
00:25:24,600 --> 00:25:20,110  
Smoky Mountain National Park and so

479  
00:25:28,250 --> 00:25:24,610  
we've had reports again from two great

480  
00:25:30,900 --> 00:25:28,260  
military witnesses and they've heard

481  
00:25:33,390 --> 00:25:30,910  
like major pounding like the kind of

482  
00:25:35,880 --> 00:25:33,400  
pounding when you're putting pylons in

483  
00:25:39,030 --> 00:25:35,890  
for a bridge that kind of sound and they

484  
00:25:41,460 --> 00:25:39,040  
can feel it roads of one particular Road

485  
00:25:43,950 --> 00:25:41,470  
that's close to what we perceive to be

486  
00:25:48,289 --> 00:25:43,960  
the entrance they had it closed down for

487  
00:25:51,060 --> 00:25:48,299  
two years and you know with some bogus

488  
00:25:54,299 --> 00:25:51,070

reason they've also stopped private

489

00:25:58,140 --> 00:25:54,309

flights over the park or at least

490

00:26:00,030 --> 00:25:58,150

certain parts of the park and they say

491

00:26:03,030 --> 00:26:00,040

it's because they don't want the elk

492

00:26:06,750 --> 00:26:03,040

disturbed because they have brought back

493

00:26:09,600 --> 00:26:06,760

the elk and one of the animal to thrive

494

00:26:12,980 --> 00:26:09,610

again here well that's really stupid

495

00:26:16,590 --> 00:26:12,990

because right outside one of the major

496

00:26:19,289 --> 00:26:16,600

visitor centers on the busiest road

497

00:26:21,030 --> 00:26:19,299

through the park they have elf that you

498

00:26:23,549 --> 00:26:21,040

can see right from the road so obviously

499

00:26:25,539 --> 00:26:23,559

the sound of traffic and claims and all

500

00:26:30,340 --> 00:26:25,549

that is not scaring me out

501  
00:26:33,100 --> 00:26:30,350  
so it's just a bogus excuse as ever as

502  
00:26:37,960 --> 00:26:33,110  
ever that's it that's really wild and

503  
00:26:40,720 --> 00:26:37,970  
then now is this also you know trying to

504  
00:26:42,340 --> 00:26:40,730  
picture the the scope of this area that

505  
00:26:45,279 --> 00:26:42,350  
we're talking about is this the same

506  
00:26:48,669 --> 00:26:45,289  
area where the tunnels were found where

507  
00:26:52,299 --> 00:26:48,679  
it's believed that that's the home of

508  
00:26:54,369 --> 00:26:52,309  
the Bigfoot creatures but the tunnels

509  
00:26:56,710 --> 00:26:54,379  
are small tunnels and they are

510  
00:26:59,200 --> 00:26:56,720  
associated with the Cherokee little

511  
00:27:02,019 --> 00:26:59,210  
people the little tunnels are not

512  
00:27:04,899 --> 00:27:02,029  
associated with the Bigfoot oh I see

513  
00:27:08,019 --> 00:27:04,909

okay and yes it's all in the same area

514

00:27:10,960 --> 00:27:08,029

we have Bigfoot we have I was going to

515

00:27:13,539 --> 00:27:10,970

say little feet but we have a well we

516

00:27:16,090 --> 00:27:13,549

have the UFOs we have the underground

517

00:27:19,149 --> 00:27:16,100

facilities and that seems to be a whole

518

00:27:21,999 --> 00:27:19,159

lot of interesting mystery you know it

519

00:27:25,119 --> 00:27:22,009

is interesting is it yogi yep we

520

00:27:29,349 --> 00:27:25,129

mentioned in our talk that we had on the

521

00:27:31,810 --> 00:27:29,359

phone yesterday that you know we have

522

00:27:34,869 --> 00:27:31,820

all the same kinds of phenomena

523

00:27:37,210 --> 00:27:34,879

occurring around Tahlequah Oklahoma

524

00:27:42,039 --> 00:27:37,220

which is you know the capital of the

525

00:27:45,430 --> 00:27:42,049

Cherokee Nation and there and except for

526  
00:27:48,999 --> 00:27:45,440  
the underground military bases however

527  
00:27:52,090 --> 00:27:49,009  
there are lots of tunnels around those

528  
00:27:54,399 --> 00:27:52,100  
areas in those mountains around near the

529  
00:27:58,779 --> 00:27:54,409  
cooks and hills and then over into the

530  
00:28:01,779 --> 00:27:58,789  
Ozarks what cattle well they seem to

531  
00:28:07,049 --> 00:28:01,789  
look like natural tunnels that have been

532  
00:28:10,299 --> 00:28:07,059  
worked inside and the bigger small

533  
00:28:12,399 --> 00:28:10,309  
pretty big pretty big enough for people

534  
00:28:15,430 --> 00:28:12,409  
to law are likely to be the big

535  
00:28:17,080 --> 00:28:15,440  
footprint well I'm not sure that I

536  
00:28:20,200 --> 00:28:17,090  
didn't hear anything associated with

537  
00:28:22,450 --> 00:28:20,210  
Bigfoot to do with the tunnels at the

538  
00:28:24,570 --> 00:28:22,460

time but what I did here and I and we

539

00:28:27,519 --> 00:28:24,580

interviewed someone I worked on

540

00:28:31,779 --> 00:28:27,529

conspiracy theory with jesse ventura and

541

00:28:34,090 --> 00:28:31,789

we covered this area and we had someone

542

00:28:37,239 --> 00:28:34,100

from the katoa Band of Cherokee Indians

543

00:28:38,899 --> 00:28:37,249

and actually she was the tribal

544

00:28:41,960 --> 00:28:38,909

historian at the time

545

00:28:44,960 --> 00:28:41,970

and she said that there it was well

546

00:28:48,409 --> 00:28:44,970

known among the people that you could

547

00:28:53,839 --> 00:28:48,419

enter the tunnels there and and walk all

548

00:28:56,930 --> 00:28:53,849

the way to to Denver Colorado through

549

00:29:00,129 --> 00:28:56,940

through this tunnel network now what's

550

00:29:03,080 --> 00:29:00,139

really kind of weird is that they've now

551  
00:29:05,629 --> 00:29:03,090  
blocked off all those tunnel entrances

552  
00:29:09,950 --> 00:29:05,639  
and you can't get in those caves and

553  
00:29:11,869 --> 00:29:09,960  
tunnels anymore and people you know fear

554  
00:29:14,239 --> 00:29:11,879  
that they're blocking them on for a

555  
00:29:16,759 --> 00:29:14,249  
reason so that there will be no escape

556  
00:29:18,830 --> 00:29:16,769  
should something happen that would be of

557  
00:29:20,419 --> 00:29:18,840  
course where the people would go would

558  
00:29:24,320 --> 00:29:20,429  
be in the tunnels and underground for

559  
00:29:27,049 --> 00:29:24,330  
refuge but interesting have the same

560  
00:29:29,599 --> 00:29:27,059  
elements the Bigfoot the UFOs the

561  
00:29:32,930 --> 00:29:29,609  
strange phenomena and it all is around

562  
00:29:34,580 --> 00:29:32,940  
this you know Cherokee Nation and then

563  
00:29:36,320 --> 00:29:34,590

of course you're in Cherokee country

564

00:29:38,269 --> 00:29:36,330

there I just wonder if there's if that's

565

00:29:40,549 --> 00:29:38,279

just well let me let me back up a little

566

00:29:42,799 --> 00:29:40,559

bit on this the Cherokee came to this

567

00:29:46,310 --> 00:29:42,809

area from the Great Lakes region so they

568

00:29:48,799 --> 00:29:46,320

did not originate here so when they

569

00:29:52,940 --> 00:29:48,809

arrived they found these little well

570

00:29:55,249 --> 00:29:52,950

tended gardens and they they didn't see

571

00:29:56,989 --> 00:29:55,259

any people eventually they saw these

572

00:29:58,849 --> 00:29:56,999

little people come out from underneath

573

00:30:02,599 --> 00:29:58,859

the ground and they would work the

574

00:30:04,489 --> 00:30:02,609

gardens at night and they originally the

575

00:30:09,289 --> 00:30:04,499

Cherokee originally called them the moon

576

00:30:13,279 --> 00:30:09,299

people mmm so the little people were

577

00:30:15,349 --> 00:30:13,289

here a long time ago and there is a rock

578

00:30:20,269 --> 00:30:15,359

in this area and it's called the

579

00:30:24,769 --> 00:30:20,279

judaculla rock it's probably 20 by 15

580

00:30:26,930 --> 00:30:24,779

feet has glyphs all over it but nobody

581

00:30:30,019 --> 00:30:26,940

has been able to decipher it makes no

582

00:30:32,330 --> 00:30:30,029

sense for the Cherokee and you know

583

00:30:34,190 --> 00:30:32,340

nobody's been able to figure it out the

584

00:30:37,989 --> 00:30:34,200

little people may very well have done

585

00:30:41,719 --> 00:30:37,999

those since they were here first hmm

586

00:30:45,440 --> 00:30:41,729

well that's interesting you know we we

587

00:30:48,229 --> 00:30:45,450

we've heard or you know about the little

588

00:30:51,109 --> 00:30:48,239

people but haven't heard much because as

589

00:30:52,580 --> 00:30:51,119

I think you and I talked about we you

590

00:30:54,980 --> 00:30:52,590

know a lot of people are reluctant

591

00:30:56,360 --> 00:30:54,990

to speak about the little people but you

592

00:31:00,049 --> 00:30:56,370

do hear different things from different

593

00:31:01,610 --> 00:31:00,059

people and you know I've heard that you

594

00:31:03,680 --> 00:31:01,620

know you don't want to speak about the

595

00:31:05,990 --> 00:31:03,690

little people because you will draw

596

00:31:08,720 --> 00:31:06,000

their attention towards you in that they

597

00:31:11,870 --> 00:31:08,730

can be very mischievous and I think you

598

00:31:13,279 --> 00:31:11,880

told me that you'd heard that someone

599

00:31:14,840 --> 00:31:13,289

say that you know if you talk about the

600

00:31:16,490 --> 00:31:14,850

little people you'll die but of course

601  
00:31:19,159 --> 00:31:16,500  
you've been talking about the little

602  
00:31:20,750 --> 00:31:19,169  
people he's been talking since he was 7

603  
00:31:23,690 --> 00:31:20,760  
years old about the little people and he

604  
00:31:26,330 --> 00:31:23,700  
didn't die until he was past 85 so you

605  
00:31:29,029 --> 00:31:26,340  
know his life in itself kind of blows a

606  
00:31:32,630 --> 00:31:29,039  
hole in that theory I hear things like

607  
00:31:35,720 --> 00:31:32,640  
that less and less and it originates

608  
00:31:38,029 --> 00:31:35,730  
with the Cherokee people but now I hear

609  
00:31:40,130 --> 00:31:38,039  
more of the Cherokee people telling me

610  
00:31:43,310 --> 00:31:40,140  
that the little people still exist and

611  
00:31:45,230 --> 00:31:43,320  
they try to protect them and the worst

612  
00:31:47,389 --> 00:31:45,240  
thing you've ever hear if it's

613  
00:31:49,730 --> 00:31:47,399

mischievous is that some of the

614

00:31:52,039 --> 00:31:49,740

cherokee we'll put to this day will put

615

00:31:54,710 --> 00:31:52,049

food out for the little people and if

616

00:31:57,769 --> 00:31:54,720

they forget to do it the roof might be

617

00:32:02,510 --> 00:31:57,779

pelted with little pebbles like hey you

618

00:32:06,560 --> 00:32:02,520

know where's my food oh I'm not hearing

619

00:32:09,100 --> 00:32:06,570

the fearful stories as much as I would

620

00:32:11,710 --> 00:32:09,110

have heard you know 10 or 15 years ago

621

00:32:15,500 --> 00:32:11,720

now were you telling me something about

622

00:32:17,960 --> 00:32:15,510

people had kind of stirred up was it the

623

00:32:20,299 --> 00:32:17,970

little people or was it Bigfoot where

624

00:32:23,930 --> 00:32:20,309

they were had to move out of the area

625

00:32:25,909 --> 00:32:23,940

because okay rats Bigfoot but let me

626

00:32:29,720 --> 00:32:25,919

just mention if somebody's really

627

00:32:31,010 --> 00:32:29,730

interested in the little people the book

628

00:32:33,889 --> 00:32:31,020

I've written about that is called

629

00:32:37,639 --> 00:32:33,899

Cherokee little people were real I've

630

00:32:40,370 --> 00:32:37,649

interviewed 11 Alzheimer's most of them

631

00:32:42,169 --> 00:32:40,380

nine of them worked on the early

632

00:32:44,539 --> 00:32:42,179

construction at Western Carolina

633

00:32:47,240 --> 00:32:44,549

University which again is in this area

634

00:32:50,539 --> 00:32:47,250

and when they cut into land that was

635

00:32:52,639 --> 00:32:50,549

supposedly virgin soil they would find

636

00:32:55,070 --> 00:32:52,649

these little tunnels and these tunnels

637

00:32:57,980 --> 00:32:55,080

are not like natural caves that have

638

00:33:00,980 --> 00:32:57,990

been extended all of them have been cut

639

00:33:03,320 --> 00:33:00,990

in this real dense red clay they tend to

640

00:33:06,080 --> 00:33:03,330

be about two feet across and three and a

641

00:33:08,090 --> 00:33:06,090

half feet tall they're square cut

642

00:33:10,850 --> 00:33:08,100

depth on the top and then around it and

643

00:33:13,090 --> 00:33:10,860

if you know anything about engineering

644

00:33:16,970 --> 00:33:13,100

that helps make the tunnel stronger

645

00:33:20,799 --> 00:33:16,980

those were found all over that campus as

646

00:33:24,159 --> 00:33:20,809

various things were being constructed a

647

00:33:27,080 --> 00:33:24,169

little skeleton say the best one was a

648

00:33:30,409 --> 00:33:27,090

child-size skull which one of the

649

00:33:32,360 --> 00:33:30,419

science teachers had on his desk kind of

650

00:33:35,360 --> 00:33:32,370

kind of like a decorative paper weight

651  
00:33:36,830 --> 00:33:35,370  
and another teacher came along one day

652  
00:33:39,139 --> 00:33:36,840  
and picked it up and looked at it

653  
00:33:42,260 --> 00:33:39,149  
carefully and said this is not a child's

654  
00:33:44,240 --> 00:33:42,270  
skull it has all its wisdom teeth so

655  
00:33:47,690 --> 00:33:44,250  
there's a whole lot of stories and in

656  
00:33:52,700 --> 00:33:47,700  
that book in any book that I do there's

657  
00:33:56,120 --> 00:33:52,710  
lots of photos lots of maps it's kind of

658  
00:33:58,700 --> 00:33:56,130  
a magazine-style way of presenting

659  
00:34:02,690 --> 00:33:58,710  
information we live in a very visual

660  
00:34:05,799 --> 00:34:02,700  
world and i think the visual plays a big

661  
00:34:08,450 --> 00:34:05,809  
role in in books and you get people

662  
00:34:11,780 --> 00:34:08,460  
people are interested in these kinds of

663  
00:34:13,760 --> 00:34:11,790

things but they don't generally have the

664

00:34:17,599 --> 00:34:13,770

time or the inclination to read these

665

00:34:21,290 --> 00:34:17,609

real thick academic research books and

666

00:34:25,010 --> 00:34:21,300

so I try to be the bridge that between

667

00:34:26,839 --> 00:34:25,020

the academics and all the rest of us and

668

00:34:29,000 --> 00:34:26,849

I try to write in a very condensed

669

00:34:32,389 --> 00:34:29,010

easy-to-read style so that more people

670

00:34:35,300 --> 00:34:32,399

can know this information that's really

671

00:34:38,180 --> 00:34:35,310

great now when you are talking or we're

672

00:34:40,820 --> 00:34:38,190

talking to these elders about the little

673

00:34:43,730 --> 00:34:40,830

people and about these little skeletons

674

00:34:46,010 --> 00:34:43,740

and etc all the people that you

675

00:34:50,089 --> 00:34:46,020

interviewed about these what was the

676  
00:34:51,980 --> 00:34:50,099  
general size range that we're talking

677  
00:34:54,290 --> 00:34:51,990  
about little people of the little people

678  
00:34:55,700 --> 00:34:54,300  
they've painted you about the most

679  
00:34:59,870 --> 00:34:55,710  
common report is about three and a half

680  
00:35:02,270 --> 00:34:59,880  
feet tall and that's an adult yeah it

681  
00:35:06,099 --> 00:35:02,280  
during half feet tall that's that's

682  
00:35:12,440 --> 00:35:10,130  
reported to be white skinned or do you

683  
00:35:14,450 --> 00:35:12,450  
know okay well let's just since we're

684  
00:35:16,910 --> 00:35:14,460  
making everything confusing tonight I

685  
00:35:18,920 --> 00:35:16,920  
get three different reports the most

686  
00:35:19,880 --> 00:35:18,930  
common one is assistant a lot like the

687  
00:35:22,610 --> 00:35:19,890  
Cherokee just

688  
00:35:25,250 --> 00:35:22,620

smaller versions that sounds common that

689

00:35:28,550 --> 00:35:25,260

seems to be what may still exist in this

690

00:35:30,320 --> 00:35:28,560

area in the more remote variants there's

691

00:35:34,550 --> 00:35:30,330

two other descriptions that are quite

692

00:35:37,000 --> 00:35:34,560

different one is more like a irish

693

00:35:39,740 --> 00:35:37,010

leprechaun that have red whiskers and

694

00:35:41,810 --> 00:35:39,750

the cherokee did not like the ones with

695

00:35:44,260 --> 00:35:41,820

the red whiskers and would try to kill

696

00:35:48,830 --> 00:35:44,270

them there may be truth to that because

697

00:35:51,290 --> 00:35:48,840

some moonshiners were way up on Cold

698

00:35:56,600 --> 00:35:51,300

Mountain Road lay off the road building

699

00:35:58,370 --> 00:35:56,610

them from a still bill and they came

700

00:36:01,100 --> 00:35:58,380

upon this big pile of little people

701  
00:36:02,750 --> 00:36:01,110  
bones which they covered up and didn't

702  
00:36:05,030 --> 00:36:02,760  
tell anybody about until after

703  
00:36:07,600 --> 00:36:05,040  
prohibition because they didn't want

704  
00:36:10,430 --> 00:36:07,610  
anybody to know about their still

705  
00:36:13,610 --> 00:36:10,440  
another thing that confirms that kind of

706  
00:36:17,210 --> 00:36:13,620  
imagery is one of the old-timers has

707  
00:36:19,880 --> 00:36:17,220  
them it's like a little medallion and it

708  
00:36:22,340 --> 00:36:19,890  
has a leprechaun tight face on each side

709  
00:36:26,270 --> 00:36:22,350  
he found it when he was five years old

710  
00:36:29,290 --> 00:36:26,280  
after a major major flood the kind that

711  
00:36:32,000 --> 00:36:29,300  
makes the history books around here and

712  
00:36:34,700 --> 00:36:32,010  
so much of the soil had been washed away

713  
00:36:36,530 --> 00:36:34,710

and that's when he found this and in the

714

00:36:40,820 --> 00:36:36,540

book I have a picture of that medallion

715

00:36:44,060 --> 00:36:40,830

and right next to it I have a drawing of

716

00:36:45,680 --> 00:36:44,070

a leprechaun and they look the same

717

00:36:48,110 --> 00:36:45,690

they've got the point of years with

718

00:36:52,040 --> 00:36:48,120

turned up nose and the you know the

719

00:36:55,340 --> 00:36:52,050

little whispers and and you go wow the

720

00:36:58,400 --> 00:36:55,350

third description is totally different

721

00:37:00,650 --> 00:36:58,410

and that is in the earliest reports

722

00:37:03,500 --> 00:37:00,660

supposedly when they first came here and

723

00:37:05,450 --> 00:37:03,510

saw the little Gardens when they first

724

00:37:07,130 --> 00:37:05,460

saw the people that came out of the

725

00:37:10,130 --> 00:37:07,140

ground they said they were blue skin

726

00:37:12,200 --> 00:37:10,140

with big eyes so here we are talking

727

00:37:17,060 --> 00:37:12,210

about little people with three totally

728

00:37:19,280 --> 00:37:17,070

different descriptions yeah do you think

729

00:37:21,110 --> 00:37:19,290

that that there some of them are just

730

00:37:23,930 --> 00:37:21,120

wrong or do you think that there might

731

00:37:25,370 --> 00:37:23,940

have been different looking ones well

732

00:37:28,340 --> 00:37:25,380

when you start doing research about

733

00:37:31,160 --> 00:37:28,350

little people around the world you find

734

00:37:33,740 --> 00:37:31,170

out that they have been all over the

735

00:37:37,740 --> 00:37:33,750

world and they don't all look

736

00:37:39,750 --> 00:37:37,750

that's absolutely true yeah what can I

737

00:37:43,020 --> 00:37:39,760

say we just man have them all here or

738

00:37:45,270 --> 00:37:43,030

had them all here I don't think that the

739

00:37:47,610 --> 00:37:45,280

blue ones and the big ones with the red

740

00:37:52,110 --> 00:37:47,620

whiskers still exist here you know

741

00:37:55,040 --> 00:37:52,120

that's yeah I never heard that before

742

00:37:59,430 --> 00:37:55,050

but I was reading something recently

743

00:38:01,230 --> 00:37:59,440

about you mentioned the moon people

744

00:38:02,910 --> 00:38:01,240

there's something called the moon I'd

745

00:38:04,650 --> 00:38:02,920

people i don't know if that's the same

746

00:38:06,690 --> 00:38:04,660

thing might be the same thing it would

747

00:38:09,840 --> 00:38:06,700

mean they were talking about they were

748

00:38:12,420 --> 00:38:09,850

kind of spindly and white skin and i was

749

00:38:14,670 --> 00:38:12,430

thinking oh my gosh these are the

750

00:38:16,340 --> 00:38:14,680

blue-skinned with the big eyes and of

751

00:38:19,920 --> 00:38:16,350

course if anybody's living underground

752

00:38:21,720 --> 00:38:19,930

over time the eyes would be bigger now

753

00:38:25,770 --> 00:38:21,730

one of the people that I interviewed for

754

00:38:28,350 --> 00:38:25,780

that book was when I first interviewers

755

00:38:33,810 --> 00:38:28,360

I interviewed her I only knew her by the

756

00:38:37,110 --> 00:38:33,820

name of ruth beck the original interview

757

00:38:39,240 --> 00:38:37,120

with her was back in 2000-2001 when i

758

00:38:42,330 --> 00:38:39,250

put this book together charity little

759

00:38:44,940 --> 00:38:42,340

people were real just a year ago I went

760

00:38:47,400 --> 00:38:44,950

back to find pictures and things to go

761

00:38:50,520 --> 00:38:47,410

with the original transcripts I was

762

00:38:53,340 --> 00:38:50,530

looking for hers and found her obituary

763

00:38:55,500 --> 00:38:53,350

and it was until then that I realized

764

00:39:00,030 --> 00:38:55,510

she was the great-great-granddaughter of

765

00:39:03,000 --> 00:39:00,040

folly who is an Eastern Band of Cherokee

766

00:39:05,160 --> 00:39:03,010

it's one of their heroes mm-hmm and she

767

00:39:07,980 --> 00:39:05,170

said that she felt the little people

768

00:39:10,470 --> 00:39:07,990

came from the stars which is not

769

00:39:14,270 --> 00:39:10,480

surprising because the Cherokee believed

770

00:39:21,240 --> 00:39:14,280

they originated from the Pleiades right

771

00:39:23,160 --> 00:39:21,250

yeah I and in what if they feel you know

772

00:39:27,810 --> 00:39:23,170

the people in your area about the

773

00:39:30,390 --> 00:39:27,820

Bigfoot creatures today you know in my

774

00:39:33,960 --> 00:39:30,400

area where where I grew up and where I

775

00:39:36,990 --> 00:39:33,970

did a documentary about but you know

776

00:39:39,480 --> 00:39:37,000

basically most of the older people the

777

00:39:42,180 --> 00:39:39,490

Indians just said you know they're there

778

00:39:44,250 --> 00:39:42,190

another tribe we don't bother them and

779

00:39:46,800 --> 00:39:44,260

they don't bother us and they don't like

780

00:39:48,870 --> 00:39:46,810

people bothering the

781

00:39:50,580 --> 00:39:48,880

the Bigfoot creatures either they the

782

00:39:53,580 --> 00:39:50,590

Indian a unique person that I've

783

00:39:55,800 --> 00:39:53,590

interviewed who's seen a Bigfoot wants

784

00:39:58,770 --> 00:39:55,810

to protect the Bigfoot they don't want

785

00:40:04,020 --> 00:39:58,780

me to tell people exactly where the

786

00:40:05,850 --> 00:40:04,030

Bigfoot are no all of them sense that

787

00:40:07,980 --> 00:40:05,860

they're certainly more than just you

788

00:40:10,320 --> 00:40:07,990

know another four-footed creature of

789

00:40:13,100 --> 00:40:10,330

some you know crawling in the woods yeah

790

00:40:16,470 --> 00:40:13,110

they sense a humanist about them oh

791

00:40:18,540 --> 00:40:16,480

absolutely i found that too and it

792

00:40:21,060 --> 00:40:18,550

really sucks everything i've read it

793

00:40:25,020 --> 00:40:21,070

seems like the the Bigfoot on the west

794

00:40:28,020 --> 00:40:25,030

coast are more sophisticated more

795

00:40:30,330 --> 00:40:28,030

educated more than what you get on the

796

00:40:32,970 --> 00:40:30,340

east coast and you were saying something

797

00:40:36,440 --> 00:40:32,980

about that the other day in you were

798

00:40:39,270 --> 00:40:36,450

talking about someone who actually was

799

00:40:41,220 --> 00:40:39,280

communicating with them you know writing

800

00:40:43,860 --> 00:40:41,230

notes back and forth that sort of thing

801  
00:40:47,550 --> 00:40:43,870  
can you expand on that a little bit

802  
00:40:50,390 --> 00:40:47,560  
because that was yeah her name is Joan

803  
00:40:52,710 --> 00:40:50,400  
ocean she is known worldwide for her

804  
00:40:55,710 --> 00:40:52,720  
expertise with the dolphins and she

805  
00:40:58,860 --> 00:40:55,720  
lives in Hawaii but I I don't remember

806  
00:41:01,740 --> 00:40:58,870  
the details anymore but when she was on

807  
00:41:05,760 --> 00:41:01,750  
the west coast of the continental United

808  
00:41:08,190 --> 00:41:05,770  
States she interacted with me with the

809  
00:41:10,710 --> 00:41:08,200  
Bigfoot and I think they sensed her

810  
00:41:14,510 --> 00:41:10,720  
energy which is a really nice wonderful

811  
00:41:17,220 --> 00:41:14,520  
gentle energy and she you know

812  
00:41:19,590 --> 00:41:17,230  
interacted with two specific ones and

813  
00:41:23,520 --> 00:41:19,600

one was a female that seemed to be like

814

00:41:25,710 --> 00:41:23,530

this like a healer Navy for the Bigfoot

815

00:41:29,100 --> 00:41:25,720

but they would write I mean it was

816

00:41:32,130 --> 00:41:29,110

primitive but they would write notes and

817

00:41:34,620 --> 00:41:32,140

stuff to her I can't tell you exactly

818

00:41:37,410 --> 00:41:34,630

how far back it is in the archives but

819

00:41:40,820 --> 00:41:37,420

we have a section on the Skyships /

820

00:41:43,950 --> 00:41:40,830

cashiers website that's devoted to

821

00:41:46,980 --> 00:41:43,960

Bigfoot and you know other kinds of

822

00:41:49,050 --> 00:41:46,990

creatures and first story is in the

823

00:41:51,960 --> 00:41:49,060

archives of that section going back a

824

00:41:54,690 --> 00:41:51,970

year or so ago and it's a really really

825

00:41:58,350 --> 00:41:54,700

good story and if you decide you want to

826  
00:42:00,039 --> 00:41:58,360  
do another documentary on Bigfoot she

827  
00:42:02,650 --> 00:42:00,049  
would be an excellent person to contact

828  
00:42:04,269 --> 00:42:02,660  
simply because she's so credible and has

829  
00:42:07,029 --> 00:42:04,279  
done such wonderful work with the

830  
00:42:11,739 --> 00:42:07,039  
dolphins well you know does she work

831  
00:42:14,559 --> 00:42:11,749  
with a the gentleman called kewanee laps

832  
00:42:17,140 --> 00:42:14,569  
right us no I mean if he does I'm

833  
00:42:18,789 --> 00:42:17,150  
unaware of it it seemed like it that I

834  
00:42:21,370 --> 00:42:18,799  
was seeing some kind of connection

835  
00:42:23,919 --> 00:42:21,380  
between the two of them on the internet

836  
00:42:27,749 --> 00:42:23,929  
and I had him on the show gosh several

837  
00:42:30,130 --> 00:42:27,759  
years ago and he was talking about a

838  
00:42:33,969 --> 00:42:30,140

family he wouldn't give me the location

839

00:42:36,099 --> 00:42:33,979

where they were who was having a lot of

840

00:42:37,569 --> 00:42:36,109

interaction with Bigfoot creatures and

841

00:42:38,890 --> 00:42:37,579

there was like little notes and little

842

00:42:42,400 --> 00:42:38,900

gifts and things that reminded me very

843

00:42:44,650 --> 00:42:42,410

much of what you were saying and you

844

00:42:47,669 --> 00:42:44,660

think do you remember at all what kind

845

00:42:54,789 --> 00:42:47,679

of notes that she got me what kind of

846

00:42:56,439 --> 00:42:54,799

messages were they mmm I don't think I

847

00:42:58,900 --> 00:42:56,449

can quote those right now but I mean

848

00:43:01,779 --> 00:42:58,910

that they're still on the internet and I

849

00:43:04,870 --> 00:43:01,789

can certainly you know very interested I

850

00:43:06,939 --> 00:43:04,880

can get into my archives and let you

851

00:43:08,529 --> 00:43:06,949

know at a later time so that you can

852

00:43:10,329 --> 00:43:08,539

read it because you just might want to

853

00:43:13,029 --> 00:43:10,339

do something with it later on sure

854

00:43:15,999 --> 00:43:13,039

absolutely and I'll you know I'll post

855

00:43:19,059 --> 00:43:16,009

them as well for other people to to read

856

00:43:21,219 --> 00:43:19,069

I'd love to see them but did she also

857

00:43:22,779 --> 00:43:21,229

feel that she because I know you said

858

00:43:25,900 --> 00:43:22,789

she worked with dolphins of course

859

00:43:27,729 --> 00:43:25,910

that's what she's known for and I would

860

00:43:30,390 --> 00:43:27,739

imagine there was some communication

861

00:43:33,789 --> 00:43:30,400

going on between her and the Dolphins

862

00:43:36,039 --> 00:43:33,799

think that that sort of helped her

863

00:43:38,620 --> 00:43:36,049

communicate with the Bigfoot absolutely

864

00:43:40,900 --> 00:43:38,630

f ND do you think there was some kind of

865

00:43:43,329 --> 00:43:40,910

telepathic thing going on as well yeah

866

00:43:45,939 --> 00:43:43,339

because they knew they used some words

867

00:43:48,729 --> 00:43:45,949

about referring to her like somebody

868

00:43:51,939 --> 00:43:48,739

from across the water and lightning but

869

00:43:53,650 --> 00:43:51,949

you know they couldn't meet with her

870

00:43:55,660 --> 00:43:53,660

because she was across the water I

871

00:43:59,169 --> 00:43:55,670

believe they called her the water lady

872

00:44:04,829 --> 00:43:59,179

and they seem to know that she was

873

00:44:07,870 --> 00:44:04,839

coming even when she didn't know wow

874

00:44:11,679 --> 00:44:07,880

that's interesting and so they would

875

00:44:13,750 --> 00:44:11,689

speak in their notes and telepathically

876

00:44:17,530 --> 00:44:13,760

she would hear it in English

877

00:44:20,440 --> 00:44:17,540

Shh no I mean they are they would just

878

00:44:22,960 --> 00:44:20,450

they would write in English well it was

879

00:44:25,450 --> 00:44:22,970

printed very simple but it was printed

880

00:44:28,330 --> 00:44:25,460

and they would leave gifts for I mean

881

00:44:29,920 --> 00:44:28,340

it's quite phenomenal and also what

882

00:44:34,420 --> 00:44:29,930

we've got going on right now is an

883

00:44:37,150 --> 00:44:34,430

ongoing investigation it's not again in

884

00:44:40,200 --> 00:44:37,160

this area and we were fortunate enough

885

00:44:42,940 --> 00:44:40,210

to get a very large lock of hair and

886

00:44:45,640 --> 00:44:42,950

without on Kirlian it's about six or

887

00:44:49,960 --> 00:44:45,650

seven inches in size and that has been

888

00:44:52,780 --> 00:44:49,970

sent off for DNA testing and if it if

889

00:44:55,240 --> 00:44:52,790

things go the way they're supposed to be

890

00:44:59,530 --> 00:44:55,250

for july's over we may get the results

891

00:45:02,470 --> 00:44:59,540

back on that now when this clump of hair

892

00:45:05,170 --> 00:45:02,480

was found that was associated with

893

00:45:09,210 --> 00:45:05,180

Bigfoot sightings right that's correct

894

00:45:13,090 --> 00:45:09,220

and so it's you know they're pretty sure

895

00:45:15,100 --> 00:45:13,100

that it came from this creature and now

896

00:45:17,500 --> 00:45:15,110

it doesn't seem to match up with other

897

00:45:20,170 --> 00:45:17,510

species so they're they're testing it

898

00:45:22,390 --> 00:45:20,180

now it's being tested and the reason as

899

00:45:26,260 --> 00:45:22,400

somebody who will come forward at

900

00:45:30,460 --> 00:45:26,270

another time is paying to have it tested

901  
00:45:32,410 --> 00:45:30,470  
they just based on what we showed on the

902  
00:45:35,560 --> 00:45:32,420  
website because the picture looks of the

903  
00:45:38,680 --> 00:45:35,570  
hair looks so authentic and so we'll

904  
00:45:40,360 --> 00:45:38,690  
just have to WoW is that an XP see

905  
00:45:43,330 --> 00:45:40,370  
what's going to happen is that an

906  
00:45:46,060 --> 00:45:43,340  
expensive thing to do I'm told at about

907  
00:45:50,590 --> 00:45:46,070  
two thousand dollars oh and it just an

908  
00:45:53,500 --> 00:45:50,600  
interested party wanted to wanted to

909  
00:45:56,650 --> 00:45:53,510  
help you guys facilitate that correct

910  
00:45:58,690 --> 00:45:56,660  
and paid for oh that's great it's really

911  
00:46:00,970 --> 00:45:58,700  
nice I don't think my budget would allow

912  
00:46:03,090 --> 00:46:00,980  
it yeah you know if there's so many

913  
00:46:05,710 --> 00:46:03,100

things like that they come up and then

914

00:46:07,900 --> 00:46:05,720

it's nice when someone steps forward and

915

00:46:09,430 --> 00:46:07,910

helps get those things accomplished

916

00:46:11,470 --> 00:46:09,440

because they were all sitting here

917

00:46:13,810 --> 00:46:11,480

waiting with bated breath you know find

918

00:46:16,810 --> 00:46:13,820

out what it what it says have you

919

00:46:20,230 --> 00:46:16,820

received any preliminary results at all

920

00:46:22,510 --> 00:46:20,240

or no I'm just waiting and how long do

921

00:46:24,280 --> 00:46:22,520

you think it's going to take i'm told

922

00:46:27,079 --> 00:46:24,290

that maybe by the end of this month we

923

00:46:29,420 --> 00:46:27,089

might have some results oh wow

924

00:46:31,130 --> 00:46:29,430

we just don't know until we get it yeah

925

00:46:33,259 --> 00:46:31,140

keep us posted that would be really

926

00:46:34,849 --> 00:46:33,269

great and love to and if people are

927

00:46:37,969 --> 00:46:34,859

interested in that they can periodically

928

00:46:40,009 --> 00:46:37,979

check in on the Skyships / cashiers

929

00:46:43,249 --> 00:46:40,019

website because we certainly will you

930

00:46:45,200 --> 00:46:43,259

know post developments and there's an

931

00:46:48,920 --> 00:46:45,210

uncle I mean the most recent complete

932

00:46:52,519 --> 00:46:48,930

report is their income including first

933

00:46:55,299 --> 00:46:52,529

scribbles and then writing on the walls

934

00:46:59,380 --> 00:46:55,309

if there's one house that's in this

935

00:47:04,339 --> 00:46:59,390

remote valley where the Bigfoot are and

936

00:47:07,400 --> 00:47:04,349

if you can see the evolution of attempts

937

00:47:12,140 --> 00:47:07,410

at drawing and writing even though they

938

00:47:14,870 --> 00:47:12,150

did it on the house walls oh that's

939

00:47:17,209 --> 00:47:14,880

amazing well I they happened the way it

940

00:47:19,370 --> 00:47:17,219

happened was quite interesting because

941

00:47:22,549 --> 00:47:19,380

there's a pond on this it's a

942

00:47:25,969 --> 00:47:22,559

bowl-shaped Valley surrounded by forests

943

00:47:30,289 --> 00:47:25,979

ridges the people have had the property

944

00:47:32,479 --> 00:47:30,299

for I think like 17 years the woman who

945

00:47:36,200 --> 00:47:32,489

allowed us to go onto the property said

946

00:47:37,940 --> 00:47:36,210

that she has often sense that something

947

00:47:40,549 --> 00:47:37,950

was kind of watching her from the forest

948

00:47:44,089 --> 00:47:40,559

but nothing she never saw anything she

949

00:47:46,729 --> 00:47:44,099

never felt in danger in any way and when

950

00:47:48,559 --> 00:47:46,739

they went to repair the pond or the dam

951  
00:47:50,900 --> 00:47:48,569  
for the pond they used the jackhammer

952  
00:47:53,180 --> 00:47:50,910  
and when they were drilling into the

953  
00:47:56,989 --> 00:47:53,190  
ground they came upon something hollow

954  
00:47:59,859 --> 00:47:56,999  
and from that point on they began to

955  
00:48:03,229 --> 00:47:59,869  
have trouble with the Bigfoot she

956  
00:48:04,940 --> 00:48:03,239  
surmises that they cut into a cave where

957  
00:48:07,219 --> 00:48:04,950  
they were living because she says there

958  
00:48:09,739 --> 00:48:07,229  
are caves in the ridges around their

959  
00:48:12,499 --> 00:48:09,749  
Valley and she thinks those are the

960  
00:48:15,859 --> 00:48:12,509  
homes for them so once that happened

961  
00:48:17,959 --> 00:48:15,869  
they started it evolved they started you

962  
00:48:19,880 --> 00:48:17,969  
know messing with their cars and then

963  
00:48:22,219 --> 00:48:19,890

they started getting their hand prints

964

00:48:25,999 --> 00:48:22,229

and stuff all over the doors and then

965

00:48:27,650 --> 00:48:26,009

they finally broke in and at this point

966

00:48:30,920 --> 00:48:27,660

the people have been out of that house

967

00:48:34,329 --> 00:48:30,930

for two years they go back almost every

968

00:48:38,420 --> 00:48:34,339

day and often see something quite new

969

00:48:39,920 --> 00:48:38,430

the first time this is the second time

970

00:48:42,500 --> 00:48:39,930

I've been there twice

971

00:48:45,730 --> 00:48:42,510

and one time one of those times when we

972

00:48:49,100 --> 00:48:45,740

walked up to the front door there was a

973

00:48:51,740 --> 00:48:49,110

rag that had been kind of shaped into a

974

00:48:53,480 --> 00:48:51,750

basket there were three old coins and

975

00:48:57,230 --> 00:48:53,490

something that was kind of goldish brown

976

00:48:59,330 --> 00:48:57,240

in it almost like a basket or a bird's

977

00:49:00,830 --> 00:48:59,340

nest right in front of the door you

978

00:49:04,790 --> 00:49:00,840

couldn't miss it and she said it hadn't

979

00:49:07,130 --> 00:49:04,800

been there the day before and I kind of

980

00:49:11,000 --> 00:49:07,140

had the feeling maybe it was a peace

981

00:49:13,550 --> 00:49:11,010

offering because but are known for

982

00:49:17,300 --> 00:49:13,560

leaving gifts for people they will leave

983

00:49:19,190 --> 00:49:17,310

pretty stones or flowers or in certain

984

00:49:21,080 --> 00:49:19,200

situations they will bring people up

985

00:49:26,270 --> 00:49:21,090

bring people fish that have just been

986

00:49:29,030 --> 00:49:26,280

caught you know quite intriguing it

987

00:49:32,150 --> 00:49:29,040

really is you know there are some

988

00:49:34,610 --> 00:49:32,160

amazing stories and I mean you know talk

989

00:49:38,030 --> 00:49:34,620

to many people myself about the Bigfoot

990

00:49:40,850 --> 00:49:38,040

and you know talk to people from all

991

00:49:45,050 --> 00:49:40,860

different walks of life you know bankers

992

00:49:50,810 --> 00:49:45,060

teachers doctors nurses truck drivers

993

00:49:55,550 --> 00:49:50,820

and you know they just tell it with such

994

00:49:58,700 --> 00:49:55,560

an viction that a you know I was talking

995

00:50:01,640 --> 00:49:58,710

to a nurse in i believe it was an a to

996

00:50:03,740 --> 00:50:01,650

oklahoma and she stepped out of the

997

00:50:08,570 --> 00:50:03,750

hospital to give us an interview and

998

00:50:10,340 --> 00:50:08,580

talked about how she as a child she said

999

00:50:12,110 --> 00:50:10,350

oh yes we played with the little ones in

1000

00:50:15,260 --> 00:50:12,120

the forest they lived you know in a

1001  
00:50:16,610 --> 00:50:15,270  
cabin in the forest and that the little

1002  
00:50:19,430 --> 00:50:16,620  
ones would come around and play with the

1003  
00:50:22,880 --> 00:50:19,440  
kids and it was just very matter-of-fact

1004  
00:50:26,450 --> 00:50:22,890  
and you know nothing shocking about it

1005  
00:50:29,150 --> 00:50:26,460  
to them at all a lot of the drawings on

1006  
00:50:30,620 --> 00:50:29,160  
this house you know are done in the

1007  
00:50:35,510 --> 00:50:30,630  
bedrooms for the children used to live

1008  
00:50:37,990 --> 00:50:35,520  
and I had the feeling and perhaps some

1009  
00:50:40,070 --> 00:50:38,000  
evidence that it was the juvenile

1010  
00:50:42,470 --> 00:50:40,080  
Bigfoot that we're doing these things

1011  
00:50:44,690 --> 00:50:42,480  
number one a lot of drawings were done

1012  
00:50:47,540 --> 00:50:44,700  
below the light switches and I would

1013  
00:50:52,190 --> 00:50:47,550

think of a full-grown Bigfoot would not

1014

00:50:53,750 --> 00:50:52,200

get down and draw know and then that's

1015

00:50:57,140 --> 00:50:53,760

where you see the evolution

1016

00:50:59,300 --> 00:50:57,150

going from scribbles two attempts at

1017

00:51:04,100 --> 00:50:59,310

drawing something and then attempts that

1018

00:51:06,770 --> 00:51:04,110

look like trying to impersonate a you

1019

00:51:09,100 --> 00:51:06,780

know rat writing or printing and it

1020

00:51:14,720 --> 00:51:09,110

looks like an educational process a

1021

00:51:18,230 --> 00:51:14,730

system dumb no apparently not it's just

1022

00:51:22,820 --> 00:51:18,240

amazing it really is you know because I

1023

00:51:26,990 --> 00:51:22,830

do think that they are not animals

1024

00:51:29,690 --> 00:51:27,000

anymore than we are I mean just from

1025

00:51:32,690 --> 00:51:29,700

what I hear from people that have had

1026

00:51:34,610 --> 00:51:32,700

these very close encounters that they

1027

00:51:36,770 --> 00:51:34,620

said you know I said were you looking at

1028

00:51:40,490 --> 00:51:36,780

an animal or were you looking at a

1029

00:51:42,440 --> 00:51:40,500

person in a book that I did Cherokee

1030

00:51:44,540 --> 00:51:42,450

little people were real I do have

1031

00:51:46,190 --> 00:51:44,550

something in there about one of the

1032

00:51:49,490 --> 00:51:46,200

Bigfoot stories and the reason it's in

1033

00:51:52,490 --> 00:51:49,500

there is because it the story took place

1034

00:51:54,050 --> 00:51:52,500

very close to that judaculla rock that i

1035

00:51:58,070 --> 00:51:54,060

mentioned that has all the hieroglyphs

1036

00:51:59,810 --> 00:51:58,080

on it yes judaculla and that's the

1037

00:52:02,800 --> 00:51:59,820

English version I don't know how to say

1038

00:52:07,790 --> 00:52:02,810

it in cherokee but judaculla was a

1039

00:52:11,330 --> 00:52:07,800

legendary giant well this story that I

1040

00:52:14,630 --> 00:52:11,340

have in that book is about the Bigfoot

1041

00:52:16,670 --> 00:52:14,640

family not that far from that rock so

1042

00:52:18,530 --> 00:52:16,680

maybe when they were talking about the

1043

00:52:22,670 --> 00:52:18,540

judaculla giant maybe it really was a

1044

00:52:27,890 --> 00:52:22,680

Bigfoot hey that makes a lot of sense it

1045

00:52:29,660 --> 00:52:27,900

sure could be sure could be look at that

1046

00:52:31,340 --> 00:52:29,670

books a good guidebook for people who

1047

00:52:34,100 --> 00:52:31,350

want to have a different kind of

1048

00:52:36,440 --> 00:52:34,110

vacation in explorer North Carolina and

1049

00:52:38,750 --> 00:52:36,450

you know with the maps and the photos

1050

00:52:41,150 --> 00:52:38,760

it'll at least be a starting place to

1051  
00:52:43,970 --> 00:52:41,160  
perhaps get lucky and see some of these

1052  
00:52:46,490 --> 00:52:43,980  
mysteries it's also on the website it

1053  
00:52:48,860 --> 00:52:46,500  
tells you where you can you know where a

1054  
00:52:51,410 --> 00:52:48,870  
lot of the UFO sightings have been we've

1055  
00:52:55,880 --> 00:52:51,420  
actually had one UFO that somebody saw a

1056  
00:52:59,270 --> 00:52:55,890  
small and land in a field so well in

1057  
00:53:02,990 --> 00:52:59,280  
your site is Skyships over the cashiers

1058  
00:53:06,080 --> 00:53:03,000  
and cashiers sky field over cashiers

1059  
00:53:07,990 --> 00:53:06,090  
calm Skyships over cashiers and it's

1060  
00:53:10,630 --> 00:53:08,000  
cashiers is spelled like cash

1061  
00:53:12,700 --> 00:53:10,640  
years it is it is that they pronounce it

1062  
00:53:16,870 --> 00:53:12,710  
cashiers that's right a high mountain

1063  
00:53:19,690 --> 00:53:16,880

community that doubles in size during

1064

00:53:22,390 --> 00:53:19,700

the summer on all the Flatlanders from

1065

00:53:27,550 --> 00:53:22,400

the hot country come up here to cool off

1066

00:53:30,700 --> 00:53:27,560

oh nice very nice lots of waterfalls and

1067

00:53:32,650 --> 00:53:30,710

you know it's a very pretty area well

1068

00:53:34,630 --> 00:53:32,660

there's so much going on over there you

1069

00:53:37,090 --> 00:53:34,640

know that'd be a great place to go and

1070

00:53:39,850 --> 00:53:37,100

just explore and check out these

1071

00:53:43,240 --> 00:53:39,860

different sites now is there any

1072

00:53:47,860 --> 00:53:43,250

evidence that one could see about these

1073

00:53:50,020 --> 00:53:47,870

underground bases that you know I mean

1074

00:53:55,360 --> 00:53:50,030

if you came there if I came to North

1075

00:53:58,420 --> 00:53:55,370

Carolina would I see anything um hmm

1076

00:54:00,940 --> 00:53:58,430

there could be well you can go to Perry

1077

00:54:03,130 --> 00:54:00,950

I mean the you know fine door open you

1078

00:54:05,740 --> 00:54:03,140

can go there you're not going to see the

1079

00:54:09,010 --> 00:54:05,750

facility because they hide that beneath

1080

00:54:11,740 --> 00:54:09,020

it what's on top i call it a capstone

1081

00:54:15,010 --> 00:54:11,750

cover you know like on a pyramid sure

1082

00:54:16,390 --> 00:54:15,020

most of the stuff is beneath it you can

1083

00:54:19,330 --> 00:54:16,400

certainly go to the top of Mount

1084

00:54:21,010 --> 00:54:19,340

Mitchell but that doesn't mean you're

1085

00:54:25,960 --> 00:54:21,020

going to find that hidden entrance to

1086

00:54:27,850 --> 00:54:25,970

get in there yeah you know and in that

1087

00:54:30,120 --> 00:54:27,860

book and I'll mention the title again

1088

00:54:33,040 --> 00:54:30,130

it's called underground military bases

1089

00:54:37,480 --> 00:54:33,050

hidden in North Carolina mountains and

1090

00:54:39,990 --> 00:54:37,490

again it's my my mo there's lots of

1091

00:54:43,120 --> 00:54:40,000

photos there's lots of location maps and

1092

00:54:45,430 --> 00:54:43,130

so people can really have a starting

1093

00:54:49,330 --> 00:54:45,440

point if they want to start to find some

1094

00:54:54,130 --> 00:54:49,340

of these things are you going to give

1095

00:54:56,650 --> 00:54:54,140

any events out that way I do lectures I

1096

00:54:58,960 --> 00:54:56,660

haven't done any events that would be

1097

00:55:00,790 --> 00:54:58,970

great I you know do you have anything

1098

00:55:03,630 --> 00:55:00,800

coming up the people happen to be in

1099

00:55:07,000 --> 00:55:03,640

your area any talks scheduled on

1100

00:55:09,150 --> 00:55:07,010

Saturday July eleventh which is a week

1101  
00:55:13,000 --> 00:55:09,160  
from Saturday I'll be speaking at the

1102  
00:55:14,290 --> 00:55:13,010  
Henderson County Heritage Museum which

1103  
00:55:18,340 --> 00:55:14,300  
is right on Main Street in

1104  
00:55:21,010 --> 00:55:18,350  
Hendersonville and I'd spoken there

1105  
00:55:21,290 --> 00:55:21,020  
about the Cherokee little people and God

1106  
00:55:23,150 --> 00:55:21,300  
of

1107  
00:55:25,700 --> 00:55:23,160  
really good turnout and since

1108  
00:55:27,640 --> 00:55:25,710  
Hendersonville is so close to many of

1109  
00:55:30,830 --> 00:55:27,650  
these things I think there might be

1110  
00:55:32,930 --> 00:55:30,840  
quite a bit of interest in it mmm

1111  
00:55:37,250 --> 00:55:32,940  
anybody's around it'll be two o'clock on

1112  
00:55:39,550 --> 00:55:37,260  
July eleventh two o'clock on July 11

1113  
00:55:43,850 --> 00:55:39,560

yeah is that information on your website

1114

00:55:46,010 --> 00:55:43,860

yeah if you look under editors corner

1115

00:55:48,380 --> 00:55:46,020

that's the only place where I allow

1116

00:55:51,740 --> 00:55:48,390

myself to put myself in the foreground

1117

00:55:55,700 --> 00:55:51,750

and I will list the upcoming radio shows

1118

00:55:59,990 --> 00:55:55,710

and lectures and i also have podcasts

1119

00:56:01,970 --> 00:56:00,000

and videos and my books all of the stuff

1120

00:56:05,480 --> 00:56:01,980

that's just me is in that one little

1121

00:56:08,780 --> 00:56:05,490

section I try to stay out of the picture

1122

00:56:11,030 --> 00:56:08,790

and the rest of the website oh I say

1123

00:56:13,220 --> 00:56:11,040

okay great well we want to keep track of

1124

00:56:14,780 --> 00:56:13,230

you you know with you know you may be

1125

00:56:16,460 --> 00:56:14,790

having some things coming up so we'll

1126  
00:56:18,860 --> 00:56:16,470  
check back on your website for that and

1127  
00:56:21,800 --> 00:56:18,870  
also on this evidence that you're going

1128  
00:56:23,570 --> 00:56:21,810  
to be bringing forward about the testing

1129  
00:56:25,640 --> 00:56:23,580  
on the Bigfoot hair that's going to be

1130  
00:56:27,590 --> 00:56:25,650  
amazing but we're going to take another

1131  
00:56:29,120 --> 00:56:27,600  
quick break right now and then we're

1132  
00:56:33,700 --> 00:56:29,130  
going to head into the last half hour

1133  
00:56:35,990 --> 00:56:33,710  
and we're going to get into Jesus and

1134  
00:56:39,080 --> 00:56:36,000  
evidence of Jesus that he left behind

1135  
00:56:40,910 --> 00:56:39,090  
force to find so I'm really interested

1136  
00:56:43,430 --> 00:56:40,920  
in that subject as and all the listeners

1137  
00:57:06,810 --> 00:56:43,440  
are and will be back in just a few

1138  
00:57:12,670 --> 00:57:10,240

hello everyone Lori and Fenton here

1139

00:57:16,000 --> 00:57:12,680

hosted the California MUFON radio show

1140

00:57:19,030 --> 00:57:16,010

asking if you'd like special access to

1141

00:57:22,300 --> 00:57:19,040

exclusive and amazing information about

1142

00:57:25,630 --> 00:57:22,310

UFOs the paranormal and all things

1143

00:57:29,260 --> 00:57:25,640

unexplained if you're nodding yes then

1144

00:57:31,060 --> 00:57:29,270

join I rn's insider club as an insider

1145

00:57:34,030 --> 00:57:31,070

club member you'll get an all-access

1146

00:57:36,430 --> 00:57:34,040

pass to premier inception radio network

1147

00:57:38,950 --> 00:57:36,440

content for only four dollars and

1148

00:57:42,820 --> 00:57:38,960

ninety-nine cents a month this includes

1149

00:57:46,120 --> 00:57:42,830

live UFO and paranormal conferences live

1150

00:57:48,820 --> 00:57:46,130

streaming UFO sky watches exclusive I

1151  
00:57:51,790 --> 00:57:48,830  
are in radio and TV productions and of

1152  
00:57:54,520 --> 00:57:51,800  
course paying radio with MJ and Ken

1153  
00:57:57,430 --> 00:57:54,530  
starch so don't wait any longer visit

1154  
00:58:00,760 --> 00:57:57,440  
inception radio network calm and click

1155  
00:58:05,500 --> 00:58:00,770  
on member login to join I rn's insider

1156  
00:58:07,960 --> 00:58:05,510  
club and get your VIP access today are

1157  
00:58:09,550 --> 00:58:07,970  
you a fan of inception radio network do

1158  
00:58:11,950 --> 00:58:09,560  
you reckon it's the best alternative

1159  
00:58:14,170 --> 00:58:11,960  
talk radio station on the planet well if

1160  
00:58:17,170 --> 00:58:14,180  
you do head to facebook.com forward

1161  
00:58:19,720 --> 00:58:17,180  
slash conception radio network like the

1162  
00:58:23,660 --> 00:58:19,730  
page tell your friends spread the word

1163  
00:58:28,830 --> 00:58:26,849

you have a smartphone if so inception

1164

00:58:32,370 --> 00:58:28,840

radio network is the best app for you

1165

00:58:34,440 --> 00:58:32,380

available itunes android samsung and

1166

00:58:37,170 --> 00:58:34,450

most of the rap storms just search

1167

00:58:39,390 --> 00:58:37,180

inception radio network with the app you

1168

00:58:41,790 --> 00:58:39,400

can listen live check out more cast of

1169

00:58:44,040 --> 00:58:41,800

recent and past shows view our videos

1170

00:58:46,859 --> 00:58:44,050

see what shows are coming up through the

1171

00:58:49,320 --> 00:58:46,869

guests are and via the chat room send

1172

00:58:51,450 --> 00:58:49,330

live questions to those guests you know

1173

00:58:54,359 --> 00:58:51,460

it makes sense check your App Store now

1174

00:59:00,840 --> 00:58:54,369

inception radio network I'll see you

1175

00:59:03,510 --> 00:59:00,850

there hey IRA listeners make sure you

1176

00:59:05,370 --> 00:59:03,520

tune in to night vision radio with Renee

1177

00:59:07,980 --> 00:59:05,380

Barnett where name will be exposing the

1178

00:59:11,070 --> 00:59:07,990

truth one secret at a time when Thursday

1179

00:59:17,310 --> 00:59:11,080

every Thursday 1030pm eastern sub 30

1180

00:59:20,130 --> 00:59:17,320

p.m. pacific we're right here IRA hello

1181

00:59:22,349 --> 00:59:20,140

Irene listeners this is MJ saying hello

1182

00:59:25,980 --> 00:59:22,359

and sharing awesome secret I discovered

1183

00:59:27,900 --> 00:59:25,990

it's called dream lodge calm fresh raw

1184

00:59:30,780 --> 00:59:27,910

organic ingredients are used to create

1185

00:59:32,790 --> 00:59:30,790

all their products they are made in very

1186

00:59:36,120 --> 00:59:32,800

small batches to ensure quality and

1187

00:59:37,960 --> 00:59:36,130

freshness handmade in the USA each

1188

00:59:39,540 --> 00:59:37,970

product is created with King

1189

00:59:42,040 --> 00:59:39,550

and with the finest organic ingredients

1190

00:59:44,859 --> 00:59:42,050

there are no preservatives dyes or

1191

00:59:51,720 --> 00:59:44,869

chemicals in any product stop by dream

1192

00:59:53,499 --> 00:59:51,730

lodge and legs that's dream nua GE com

1193

01:00:04,420 --> 00:59:53,509

simple

1194

01:00:09,530 --> 01:00:06,920

hello inception radio network listeners

1195

01:00:11,510 --> 01:00:09,540

did you miss a show will guess what you

1196

01:00:13,339 --> 01:00:11,520

can check us out on youtube go to

1197

01:00:15,140 --> 01:00:13,349

youtube and search inception radio

1198

01:00:18,020 --> 01:00:15,150

network to listen to the latest archives

1199

01:00:21,650 --> 01:00:18,030

of all the shows on irn another way to

1200

01:00:24,319 --> 01:00:21,660

listen to us anywhere anytime for IR and

1201

01:00:26,569 --> 01:00:24,329

this is MJ and oh yeah right right

1202

01:00:30,530 --> 01:00:26,579

remember to subscribe to hit the

1203

01:00:33,349 --> 01:00:30,540

subscribe button you're locked into

1204

01:01:18,570 --> 01:00:33,359

inception radio network superior

1205

01:01:18,580 --> 01:01:47,410

but I think

1206

01:01:51,560 --> 01:01:49,790

you're listening to night vision radio

1207

01:01:54,620 --> 01:01:51,570

I'm your host Renee Barnett we're

1208

01:01:58,910 --> 01:01:54,630

talking tonight with author researcher

1209

01:02:02,000 --> 01:01:58,920

and journalist mary joyce and she's been

1210

01:02:04,760 --> 01:02:02,010

talking about all kinds of anomalous

1211

01:02:08,210 --> 01:02:04,770

goings-on in north carolina including

1212

01:02:09,980 --> 01:02:08,220

underground secret military bases we've

1213

01:02:12,290 --> 01:02:09,990

been talking about Bigfoot creatures

1214

01:02:16,460 --> 01:02:12,300

we've been talking about the Cherokee

1215

01:02:19,340 --> 01:02:16,470

little people and now I'd like to get

1216

01:02:22,280 --> 01:02:19,350

into during this last half hour into

1217

01:02:27,530 --> 01:02:22,290

another book in a field of research that

1218

01:02:31,310 --> 01:02:27,540

Mary got into on Jesus and the evidence

1219

01:02:33,200 --> 01:02:31,320

that was left behind so what are you

1220

01:02:39,590 --> 01:02:33,210

what if you found and where did you find

1221

01:02:42,020 --> 01:02:39,600

it Mary I consider myself a bridge

1222

01:02:44,390 --> 01:02:42,030

between the researchers and the

1223

01:02:47,000 --> 01:02:44,400

archaeologists and all of the rest of us

1224

01:02:49,580 --> 01:02:47,010

and these researchers come upon

1225

01:02:52,340 --> 01:02:49,590

incredible information but they bury it

1226

01:02:54,770 --> 01:02:52,350

in these big thick books with lots and

1227

01:02:56,480 --> 01:02:54,780

lots of words and most people will not

1228

01:02:58,520 --> 01:02:56,490

take the time to read it even though

1229

01:03:01,910 --> 01:02:58,530

they might find the topic interesting

1230

01:03:04,130 --> 01:03:01,920

and what I do is I wade through this

1231

01:03:07,160 --> 01:03:04,140

stuff and boil it down to its essence

1232

01:03:10,310 --> 01:03:07,170

try to put it in just an easy-to-read

1233

01:03:13,280 --> 01:03:10,320

form and then find the photos and the

1234

01:03:18,140 --> 01:03:13,290

maps and the subtotal with it to amplify

1235

01:03:21,470 --> 01:03:18,150

the words so that anybody can you know

1236

01:03:23,720 --> 01:03:21,480

find out fascinating information the

1237

01:03:26,690 --> 01:03:23,730

information about Jesus is quite in

1238

01:03:29,480 --> 01:03:26,700

quite incredible really and it goes far

1239

01:03:31,790 --> 01:03:29,490

beyond what's in the Bible now know you

1240

01:03:35,030 --> 01:03:31,800

talked about you know the travels of

1241

01:03:38,750 --> 01:03:35,040

Jesus and you know some of us have heard

1242

01:03:42,620 --> 01:03:38,760

about you know the travels to India that

1243

01:03:45,880 --> 01:03:42,630

I had a friend paul davids who did a

1244

01:03:49,940 --> 01:03:45,890

documentary called jesus in india that

1245

01:03:52,280 --> 01:03:49,950

was quite popular where they followed

1246

01:03:57,590 --> 01:03:52,290

the trail of Jesus to Kashmir in India

1247

01:04:01,010 --> 01:03:57,600

and but you're talking about other place

1248

01:04:03,410 --> 01:04:01,020

is that that Jesus was thought to have

1249

01:04:08,300 --> 01:04:03,420

traveled including the United States

1250

01:04:09,110 --> 01:04:08,310

which is really interesting you launched

1251

01:04:11,210 --> 01:04:09,120

me on a whole bunch of different

1252

01:04:15,650 --> 01:04:11,220

directions let me see well you just pick

1253

01:04:19,460 --> 01:04:15,660

one year I want to pick Joseph of

1254

01:04:22,760 --> 01:04:19,470

Armathea and love it okay he is the

1255

01:04:24,860 --> 01:04:22,770

only mentioned as the rich man who

1256

01:04:26,960 --> 01:04:24,870

claimed the body of Jesus after the

1257

01:04:29,270 --> 01:04:26,970

crucifixion and provided to tune form

1258

01:04:32,200 --> 01:04:29,280

that's basically all we know about him

1259

01:04:38,450 --> 01:04:32,210

but when I've done the research with the

1260

01:04:41,570 --> 01:04:38,460

old Eastern Christianity I began to find

1261

01:04:48,370 --> 01:04:41,580

out that he was the great uncle of Jesus

1262

01:04:52,160 --> 01:04:48,380

when Joseph the carpenter died Mary's

1263

01:04:55,270 --> 01:04:52,170

uncle took over the responsibility of

1264

01:04:58,190 --> 01:04:55,280

the family when Jesus was still young

1265

01:05:01,400 --> 01:04:58,200

Joseph so that's one connection another

1266

01:05:02,930 --> 01:05:01,410

connection when somebody is crucified

1267

01:05:05,690 --> 01:05:02,940

I'm just jumping around on this theme

1268

01:05:10,100 --> 01:05:05,700

when somebody was crucified at that time

1269

01:05:12,290 --> 01:05:10,110

they would be thrown into a pit but if a

1270

01:05:14,450 --> 01:05:12,300

next of kin came and claimed the body

1271

01:05:17,420 --> 01:05:14,460

than they could take the body well only

1272

01:05:21,520 --> 01:05:17,430

a next of kin could claim the body so

1273

01:05:24,200 --> 01:05:21,530

Joseph of Arimathea was able to do that

1274

01:05:26,690 --> 01:05:24,210

it's you know there's there's a whole

1275

01:05:29,720 --> 01:05:26,700

lot more about him but he was a very

1276

01:05:33,710 --> 01:05:29,730

well-known man at that time Joseph of

1277

01:05:37,280 --> 01:05:33,720

Arimathea had a title called in noblesse

1278

01:05:42,230 --> 01:05:37,290

de correo he was in charge of the ten

1279

01:05:44,600 --> 01:05:42,240

mines in southwestern England and that

1280

01:05:46,850 --> 01:05:44,610

was a very prestigious position he was a

1281

01:05:49,340 --> 01:05:46,860

very rich man he was in charge of the

1282

01:05:52,480 --> 01:05:49,350

ships that would go from you know

1283

01:05:55,670 --> 01:05:52,490

eastern Mediterranean to England and

1284

01:05:59,600 --> 01:05:55,680

haul these back and forth well he took

1285

01:06:05,810 --> 01:05:59,610

Jesus with him on at least one trip if

1286

01:06:08,270 --> 01:06:05,820

not more and there are crosses in that

1287

01:06:11,450 --> 01:06:08,280

region of England's that are very

1288

01:06:14,120 --> 01:06:11,460

ancient that show Jesus as a

1289

01:06:18,590 --> 01:06:14,130

boy in a tunic on a cross and they're

1290

01:06:21,530 --> 01:06:18,600

called tunic crosses there is a well

1291

01:06:23,920 --> 01:06:21,540

that was called the Jesus well and it

1292

01:06:27,010 --> 01:06:23,930

was right by the camel river where

1293

01:06:31,760 --> 01:06:27,020

Joseph Arimathea was known to stop and

1294

01:06:34,250 --> 01:06:31,770

to get water for the ship and the later

1295

01:06:38,090 --> 01:06:34,260

they built a little tiny stone covered

1296

01:06:41,750 --> 01:06:38,100

chapel over it to protect the well it's

1297

01:06:44,300 --> 01:06:41,760

still there ironically it is where a

1298

01:06:48,260 --> 01:06:44,310

golf course is now so the golf course

1299

01:06:52,640 --> 01:06:48,270

goes on and there is this square cut

1300

01:06:57,230 --> 01:06:52,650

hole in in the in the golf course so you

1301  
01:07:00,380 --> 01:06:57,240  
can still see the chapel and wow I know

1302  
01:07:03,650 --> 01:07:00,390  
it's fascinating and because those of

1303  
01:07:06,020 --> 01:07:03,660  
the verra mathea was such a traveler it

1304  
01:07:10,030 --> 01:07:06,030  
is suspected that he may have played a

1305  
01:07:12,860 --> 01:07:10,040  
role in helping Jesus make his journeys

1306  
01:07:16,910 --> 01:07:12,870  
to the far east because there were well

1307  
01:07:20,750 --> 01:07:16,920  
known trade routes at that time and by

1308  
01:07:22,370 --> 01:07:20,760  
sea and by land and the story about him

1309  
01:07:25,040 --> 01:07:22,380  
being in India is much more

1310  
01:07:30,260 --> 01:07:25,050  
controversial than about him being in

1311  
01:07:33,410 --> 01:07:30,270  
the Himalayas and I have information in

1312  
01:07:35,660 --> 01:07:33,420  
there about some well known people who

1313  
01:07:40,280 --> 01:07:35,670

have gone up to the old him as monastery

1314

01:07:42,230 --> 01:07:40,290

in Tibet which is way way up there it's

1315

01:07:46,130 --> 01:07:42,240

like it was a major voyage to go up

1316

01:07:48,650 --> 01:07:46,140

there voyage is the wrong word and one

1317

01:07:50,390 --> 01:07:48,660

of the people that went was Elizabeth

1318

01:07:55,040 --> 01:07:50,400

guess I'm probably going to say her name

1319

01:07:57,380 --> 01:07:55,050

wrong Elizabeth Cass Barry and she was

1320

01:07:59,990 --> 01:07:57,390

the person who started the Montessori

1321

01:08:03,010 --> 01:08:00,000

schools in the United States and she

1322

01:08:06,230 --> 01:08:03,020

went with a group of world faiths

1323

01:08:10,520 --> 01:08:06,240

tourists up to this monastery and while

1324

01:08:13,130 --> 01:08:10,530

she was up there they eventually met the

1325

01:08:16,010 --> 01:08:13,140

head librarian the chief librarian he

1326

01:08:20,390 --> 01:08:16,020

came down one day with three parchment

1327

01:08:22,730 --> 01:08:20,400

books that he presented to them and said

1328

01:08:24,450 --> 01:08:22,740

here is evidence or here's proof here

1329

01:08:27,479 --> 01:08:24,460

Jesus was here

1330

01:08:30,990 --> 01:08:27,489

and then William Douglas who was a

1331

01:08:33,749 --> 01:08:31,000

Supreme Court judge 40 30 for at least

1332

01:08:35,970 --> 01:08:33,759

30 years maybe longer and he made a trip

1333

01:08:40,860 --> 01:08:35,980

up there and and had a similar

1334

01:08:42,749 --> 01:08:40,870

experience it seems that he learned

1335

01:08:46,979 --> 01:08:42,759

quite a bit there that he may very well

1336

01:08:50,789 --> 01:08:46,989

have gone there to study you know the

1337

01:08:55,829 --> 01:08:50,799

ancient religions hmm did you in your

1338

01:09:00,360 --> 01:08:55,839

research into the crucifixion did you

1339

01:09:03,269 --> 01:09:00,370

find anything I know that normally when

1340

01:09:05,970 --> 01:09:03,279

a person was crucified for one thing

1341

01:09:08,749 --> 01:09:05,980

their legs were broken and that they

1342

01:09:12,599 --> 01:09:08,759

would have been left up on the cross for

1343

01:09:17,789 --> 01:09:12,609

several days but Jesus was taken down

1344

01:09:21,150 --> 01:09:17,799

after about six hours and he was his

1345

01:09:24,809 --> 01:09:21,160

legs were not broken did you find

1346

01:09:26,370 --> 01:09:24,819

anything on that and if side not

1347

01:09:30,289 --> 01:09:26,380

anything that would clarify it any

1348

01:09:33,809 --> 01:09:30,299

better than what you just said I see

1349

01:09:35,519 --> 01:09:33,819

instead of following speculation I have

1350

01:09:40,440 --> 01:09:35,529

followed things that have some

1351

01:09:41,729 --> 01:09:40,450

concreteness to them sure I just

1352

01:09:46,140 --> 01:09:41,739

wondered if we were able to corroborate

1353

01:09:49,410 --> 01:09:46,150

that in any way other than just hearing

1354

01:09:52,590 --> 01:09:49,420

that as well not exactly the way you're

1355

01:09:54,420 --> 01:09:52,600

asking it but there's a man named he's

1356

01:09:59,310 --> 01:09:54,430

no longer living his name is ron wyatt

1357

01:10:02,130 --> 01:09:59,320

and he was doing archaeology where he

1358

01:10:05,610 --> 01:10:02,140

thought the crucifixion probably

1359

01:10:09,120 --> 01:10:05,620

occurred and over all these years the

1360

01:10:12,959 --> 01:10:09,130

time of Jesus is like 20 feet below the

1361

01:10:15,570 --> 01:10:12,969

surface of what we had today and many of

1362

01:10:18,060 --> 01:10:15,580

the people who have homes in Israel if

1363

01:10:21,510 --> 01:10:18,070

they can go down into their basement and

1364

01:10:23,850 --> 01:10:21,520

cut down and get to the old city so the

1365

01:10:27,660 --> 01:10:23,860

time of Jesus is hidden well beneath

1366

01:10:30,540 --> 01:10:27,670

the ground and he did a major dig and

1367

01:10:33,240 --> 01:10:30,550

found something that appeared to be a

1368

01:10:37,720 --> 01:10:33,250

chapel that was built around the

1369

01:10:39,910 --> 01:10:37,730

crucifixion site and see

1370

01:10:43,479 --> 01:10:39,920

he found the foundation that was about 1

1371

01:10:46,570 --> 01:10:43,489

think it was 22 x 40 feet rectangular

1372

01:10:48,840 --> 01:10:46,580

and up at the front there's like a

1373

01:10:51,430 --> 01:10:48,850

little thing that juts out from the

1374

01:10:55,270 --> 01:10:51,440

cliff walls it looks like a little altar

1375

01:10:57,940 --> 01:10:55,280

there are three post holes in a row and

1376

01:11:00,580 --> 01:10:57,950

one behind it elevated slightly and

1377

01:11:02,110 --> 01:11:00,590

these post holes were permanently cut

1378

01:11:04,240 --> 01:11:02,120

into the rock and they were about like a

1379

01:11:06,370 --> 01:11:04,250

foot square and they would put a stone

1380

01:11:09,670 --> 01:11:06,380

cap on them so that dirt and stuff

1381

01:11:12,880 --> 01:11:09,680

wouldn't fall into them and so these are

1382

01:11:17,170 --> 01:11:12,890

good sized post holes square cut there's

1383

01:11:19,090 --> 01:11:17,180

also a round circular rolling stones

1384

01:11:22,960 --> 01:11:19,100

that would have been used to cover a

1385

01:11:27,100 --> 01:11:22,970

tomb and it's 13 feet by 2 feet thick

1386

01:11:30,610 --> 01:11:27,110

that's within this church frame and it

1387

01:11:35,860 --> 01:11:30,620

seems to be an early church built around

1388

01:11:37,540 --> 01:11:35,870

the crucifixion site wow so that's what

1389

01:11:40,720 --> 01:11:37,550

I mean I try to go for the concrete

1390

01:11:44,830 --> 01:11:40,730

rather than spending time on speculation

1391

01:11:47,950 --> 01:11:44,840

that we can't easily prove sure sure now

1392

01:11:50,290 --> 01:11:47,960

there are you know documents and texts

1393

01:11:52,720 --> 01:11:50,300

and artifacts and things that seem to be

1394

01:11:55,090 --> 01:11:52,730

just popping up out of the ground all

1395

01:11:56,979 --> 01:11:55,100

the time to substantiate some of these

1396

01:12:00,280 --> 01:11:56,989

things now do you feel that same way

1397

01:12:02,740 --> 01:12:00,290

about any information regarding a

1398

01:12:04,780 --> 01:12:02,750

possible marriage for Jesus I'm

1399

01:12:09,070 --> 01:12:04,790

absolutely convinced he was married for

1400

01:12:11,200 --> 01:12:09,080

several different reasons it real

1401

01:12:13,810 --> 01:12:11,210

briefly in order to be a rabbi during

1402

01:12:15,880 --> 01:12:13,820

his time you had to be married in order

1403

01:12:17,830 --> 01:12:15,890

for a man to teach children you had to

1404

01:12:20,979 --> 01:12:17,840

be married and he was definitely called

1405

01:12:23,350 --> 01:12:20,989

rabbi that's a real simple answer to it

1406

01:12:27,310 --> 01:12:23,360

yeah some of the more fantastic

1407

01:12:31,540 --> 01:12:27,320

archaeological information was presented

1408

01:12:34,390 --> 01:12:31,550

by James Tabor was the head of religion

1409

01:12:36,250 --> 01:12:34,400

at 0 are you familiar with him yes I am

1410

01:12:39,130 --> 01:12:36,260

that's the University of North Carolina

1411

01:12:42,250 --> 01:12:39,140

and I think he's on the Jesus Seminar as

1412

01:12:45,400 --> 01:12:42,260

well that group that studies Jesus young

1413

01:12:47,320 --> 01:12:45,410

but let me see if I can create a picture

1414

01:12:50,170 --> 01:12:47,330

here at the time of Jesus they would

1415

01:12:51,340 --> 01:12:50,180

create tombs in the side of hills and so

1416

01:12:53,110 --> 01:12:51,350

there would be an insurance

1417

01:12:56,230 --> 01:12:53,120

and you would go in and then there would

1418

01:12:58,840 --> 01:12:56,240

be a square shaped like entrance area

1419

01:13:00,640 --> 01:12:58,850

and on the other three walls there would

1420

01:13:03,100 --> 01:13:00,650

be niches and that's where they would

1421

01:13:05,830 --> 01:13:03,110

bury people but if they would just bury

1422

01:13:08,230 --> 01:13:05,840

their bones in what they call ossuaries

1423

01:13:10,420 --> 01:13:08,240

or bone boxes and they actually had a

1424

01:13:12,430 --> 01:13:10,430

two-step burial system they would leave

1425

01:13:16,180 --> 01:13:12,440

them out to dry so to speak in the

1426

01:13:17,950 --> 01:13:16,190

center of the tomb for a year and after

1427

01:13:19,630 --> 01:13:17,960

all the soft tissue would disappeared

1428

01:13:22,240 --> 01:13:19,640

they go in and collect the bones and put

1429

01:13:24,820 --> 01:13:22,250

them in an ossuary then these are weary

1430

01:13:27,460 --> 01:13:24,830

or stone boxes would be put into the

1431

01:13:30,850 --> 01:13:27,470

niches in the wall well the one that

1432

01:13:33,430 --> 01:13:30,860

they call the Jesus family tomb in the

1433

01:13:35,440 --> 01:13:33,440

place of honor which is the first Mitch

1434

01:13:40,750 --> 01:13:35,450

to the right as you walk into the tomb

1435

01:13:43,780 --> 01:13:40,760

there are three ossuaries one says Jesus

1436

01:13:47,020 --> 01:13:43,790

son of Joseph fun and I'm obviously

1437

01:13:50,890 --> 01:13:47,030

going to do it in English one has the

1438

01:13:55,480 --> 01:13:50,900

very familiar or nickname or loving name

1439

01:14:00,340 --> 01:13:55,490

of Mary along with the feminine title of

1440

01:14:02,920 --> 01:14:00,350

Lord or master and that is Mara mar

1441

01:14:07,720 --> 01:14:02,930

would be like a lord for a man mara is

1442

01:14:11,890 --> 01:14:07,730

for a woman man the third one says Judah

1443

01:14:15,370 --> 01:14:11,900

son of Jesus that alone is very very

1444

01:14:17,260 --> 01:14:15,380

thought-provoking now this is the tale

1445

01:14:22,150 --> 01:14:17,270

pyaar to him I'm assuming we're talking

1446

01:14:23,830 --> 01:14:22,160

about that it must be what did uses all

1447

01:14:25,990 --> 01:14:23,840

share they wrote of that they wrote

1448

01:14:28,990 --> 01:14:26,000

about that early on with none of what

1449

01:14:31,750 --> 01:14:29,000

I'm saying right now and then they found

1450

01:14:35,560 --> 01:14:31,760

this other information later and and

1451

01:14:38,070 --> 01:14:35,570

it's quite fascinating and I put that

1452

01:14:40,030 --> 01:14:38,080

information in a form that's much more

1453

01:14:43,120 --> 01:14:40,040

comprehensible than what I'm spitting

1454

01:14:47,320 --> 01:14:43,130

out to you right now I can write better

1455

01:14:49,600 --> 01:14:47,330

than I talk well you're doing a

1456

01:14:51,340 --> 01:14:49,610

wonderful job and I really appreciate

1457

01:14:54,580 --> 01:14:51,350

you sharing all this information with us

1458

01:14:58,140 --> 01:14:54,590

it's it's it's a great interest to me

1459

01:15:03,160 --> 01:14:58,150

and I know it is all our listeners so

1460

01:15:05,150 --> 01:15:03,170

now the you said you've you know

1461

01:15:06,350 --> 01:15:05,160

convinced yourself that you know

1462

01:15:09,350 --> 01:15:06,360

for a number of reasons of course it

1463

01:15:13,460 --> 01:15:09,360

would have been extremely unusual for a

1464

01:15:18,800 --> 01:15:13,470

man especially a rabbi to be unmarried

1465

01:15:21,920 --> 01:15:18,810

well we know that in no evidence of that

1466

01:15:23,990 --> 01:15:21,930

is with them let's say she's a professor

1467

01:15:28,220 --> 01:15:24,000

at Harvard Divinity School Karen king

1468

01:15:30,620 --> 01:15:28,230

and he has authenticated a piece of

1469

01:15:33,080 --> 01:15:30,630

parchment with raw ancient writing on it

1470

01:15:37,610 --> 01:15:33,090

and it's been authenticated in several

1471

01:15:41,960 --> 01:15:37,620

ways and it quotes Jesus as it's just a

1472

01:15:44,870 --> 01:15:41,970

partial piece but he says he prefers to

1473

01:15:46,550 --> 01:15:44,880

his wife yes yes I've seen that that's

1474

01:15:50,090 --> 01:15:46,560

amazing and I love that she actually

1475

01:15:52,880 --> 01:15:50,100

announced that across the street from

1476

01:15:55,160 --> 01:15:52,890

the Vatican you know it was actually a

1477

01:15:56,510 --> 01:15:55,170

Vatican building I think that she was in

1478

01:15:58,700 --> 01:15:56,520

when she made the announcement she

1479

01:16:01,210 --> 01:15:58,710

announced it in Rome I think that was

1480

01:16:04,550 --> 01:16:01,220

about three or four years ago yeah I got

1481

01:16:08,180 --> 01:16:04,560

2012 i think and i just happened to be

1482

01:16:12,410 --> 01:16:08,190

in rennes-le-château France when that

1483

01:16:14,630 --> 01:16:12,420

announcement came out and the I was in

1484

01:16:17,330 --> 01:16:14,640

the restaurant at the up there in the

1485

01:16:22,760 --> 01:16:17,340

village the de Chardin they were renamed

1486

01:16:25,880 --> 01:16:22,770

after Mary Magdalene and when I heard

1487

01:16:28,310 --> 01:16:25,890

about it is somebody had texted me about

1488

01:16:31,220 --> 01:16:28,320

it and I announced it there in the

1489

01:16:34,190 --> 01:16:31,230

restaurant in the owners immediately

1490

01:16:35,930 --> 01:16:34,200

popped out the champagne and they served

1491

01:16:38,690 --> 01:16:35,940

everyone champagne and they weren't

1492

01:16:40,160 --> 01:16:38,700

celebrating it was really wonderful my

1493

01:16:42,500 --> 01:16:40,170

brother at this I played for the right

1494

01:16:44,030 --> 01:16:42,510

time on that it was amazing I couldn't

1495

01:16:47,540 --> 01:16:44,040

believe it and they brought back out

1496

01:16:49,430 --> 01:16:47,550

this big huge leather-bound book where

1497

01:16:51,800 --> 01:16:49,440

they kept recorded you know certain

1498

01:16:54,620 --> 01:16:51,810

events and things that happened there

1499

01:16:56,690 --> 01:16:54,630

and they had me write in the book you

1500

01:16:58,910 --> 01:16:56,700

know what it occurred on that date and

1501

01:17:01,070 --> 01:16:58,920

how we were all celebrating so it's

1502

01:17:02,660 --> 01:17:01,080

really great I'm going to go back in

1503

01:17:04,910 --> 01:17:02,670

September I can't wait to get back

1504

01:17:07,850 --> 01:17:04,920

because I have not been focusing their

1505

01:17:10,730 --> 01:17:07,860

xabec from that is still in that area

1506

01:17:13,820 --> 01:17:10,740

it's the oldest and they believe it's

1507

01:17:17,990 --> 01:17:13,830

the oldest gospel or book from Christian

1508

01:17:19,040 --> 01:17:18,000

times and it's called the the beloved

1509

01:17:23,630 --> 01:17:19,050

companion

1510

01:17:27,290 --> 01:17:23,640

and it's was written by Mary Magdalene

1511

01:17:29,780 --> 01:17:27,300

when they had to flee Israel when the

1512

01:17:34,940 --> 01:17:29,790

wrong when the Romans began to go at war

1513

01:17:38,510 --> 01:17:34,950

with the Jews in 66 AD they fled to the

1514

01:17:43,160 --> 01:17:38,520

south of France and she wrote this while

1515

01:17:45,200 --> 01:17:43,170

she was there now later on from what I

1516

01:17:48,860 --> 01:17:45,210

can piece together she was brought back

1517

01:17:52,580 --> 01:17:48,870

to the original tomb you know family

1518

01:17:55,400 --> 01:17:52,590

tomb at a much later time but she

1519

01:17:57,290 --> 01:17:55,410

definitely was there and this books the

1520

01:18:01,400 --> 01:17:57,300

original was preserved by the Cathars

1521

01:18:04,280 --> 01:18:01,410

who were very much persecuted by the

1522

01:18:07,040 --> 01:18:04,290

Catholic Church and a splinter group or

1523

01:18:11,540 --> 01:18:07,050

a remnant of the Cathars has saved this

1524

01:18:13,190 --> 01:18:11,550

document and it was just translated for

1525

01:18:16,640 --> 01:18:13,200

the rest of the world to read about it i

1526

01:18:17,990 --> 01:18:16,650

think in 2010 and it's very well worth

1527

01:18:19,460 --> 01:18:18,000

reading if you haven't read it

1528

01:18:22,310 --> 01:18:19,470

especially if you're going back to that

1529

01:18:23,930 --> 01:18:22,320

part of the world oh I haven't read it

1530

01:18:26,720 --> 01:18:23,940

it's just a beloved companion you're

1531

01:18:28,670 --> 01:18:26,730

talking about uh-huh oh I'd love it

1532

01:18:31,640 --> 01:18:28,680

every day eps i think it's the gospel of

1533

01:18:34,520 --> 01:18:31,650

the beloved companion all the gospel of

1534

01:18:37,100 --> 01:18:34,530

Mary Magdalene I know no that's done

1535

01:18:40,700 --> 01:18:37,110

it's been well it definitely felt

1536

01:18:44,630 --> 01:18:40,710

beloved companion so this is not part of

1537

01:18:47,240 --> 01:18:44,640

the dena stood so-called Gnostic Gospels

1538

01:18:49,220 --> 01:18:47,250

are the non Hammadi library another one

1539

01:18:52,070 --> 01:18:49,230

that's attributed to her and this is not

1540

01:18:54,500 --> 01:18:52,080

the same thing Wow oh I definitely gotta

1541

01:18:57,170 --> 01:18:54,510

gotta track that down that sounds really

1542

01:19:01,220 --> 01:18:57,180

good yeah I plan to go back in September

1543

01:19:04,790 --> 01:19:01,230

and I'm part of a Henry Lincoln archive

1544

01:19:06,710 --> 01:19:04,800

project where I don't know if you're

1545

01:19:09,590 --> 01:19:06,720

familiar with mr. Henry Lincoln but he's

1546

01:19:11,180 --> 01:19:09,600

pretty much responsible for the hundreds

1547

01:19:16,700 --> 01:19:11,190

of thousands of people that have trucked

1548

01:19:18,800 --> 01:19:16,710

trek down to Rennes le Chateau and and

1549

01:19:20,960 --> 01:19:18,810

also for The Da Vinci Code and a lot of

1550

01:19:24,260 --> 01:19:20,970

books that followed the book that he

1551

01:19:27,470 --> 01:19:24,270

co-authored in 1982 called Holy Blood

1552

01:19:32,100 --> 01:19:27,480

Holy Grail but we are preserving all his

1553

01:19:34,120 --> 01:19:32,110

archives Henry's 85 now he's amazing

1554

01:19:36,399 --> 01:19:34,130

so I'm going to go over to do a little

1555

01:19:38,439 --> 01:19:36,409

work on the archives going to take some

1556

01:19:41,680 --> 01:19:38,449

people on a little private tour while

1557

01:19:43,299 --> 01:19:41,690

I'm there and then get back over here to

1558

01:19:46,839 --> 01:19:43,309

Southern California but I can't wait to

1559

01:19:49,870 --> 01:19:46,849

get over there and I might mention too I

1560

01:19:52,149 --> 01:19:49,880

do have room for one more person if

1561

01:19:54,370 --> 01:19:52,159

anybody wants to go I'm keeping this

1562

01:19:56,740 --> 01:19:54,380

group small because I want to kind of

1563

01:20:00,459 --> 01:19:56,750

keep it friendly intimate and we can

1564

01:20:02,770 --> 01:20:00,469

also be free to sort of on a consensus

1565

01:20:04,120 --> 01:20:02,780

say hey let's go here today let's go

1566

01:20:07,240 --> 01:20:04,130

there today so we aren't going to be

1567

01:20:09,220 --> 01:20:07,250

super rigid and have to stick to an

1568

01:20:11,830 --> 01:20:09,230

itinerary we kind of want to let things

1569

01:20:14,560 --> 01:20:11,840

happen as they seem to do over there in

1570

01:20:17,529 --> 01:20:14,570

southern France southwest France but

1571

01:20:19,589 --> 01:20:17,539

where of course I must say the presence

1572

01:20:22,540 --> 01:20:19,599

of Jesus and Mary Magdalene is

1573

01:20:28,209 --> 01:20:22,550

everywhere you know the people in that

1574

01:20:29,950 --> 01:20:28,219

area just take it for granted that you

1575

01:20:31,959 --> 01:20:29,960

know they were there they lived there

1576

01:20:36,819 --> 01:20:31,969

they had children that played in the

1577

01:20:39,370 --> 01:20:36,829

meadow and Joseph of Arimathea was on

1578

01:20:41,859 --> 01:20:39,380

the boat along with Mary Magdalene and a

1579

01:20:44,350 --> 01:20:41,869

number of other people and when that war

1580

01:20:47,830 --> 01:20:44,360

broke out with the Romans they were set

1581

01:20:49,390 --> 01:20:47,840

sail in a ship without oars thinking

1582

01:20:50,979 --> 01:20:49,400

that that would get rid of them that

1583

01:20:52,569 --> 01:20:50,989

they would die at sea but they wouldn't

1584

01:20:55,930 --> 01:20:52,579

have to kill them and cause more

1585

01:20:59,069 --> 01:20:55,940

controversy they survived that and and

1586

01:21:02,919 --> 01:20:59,079

ended up landing in the South of France

1587

01:21:04,689 --> 01:21:02,929

yeah and people you know say all the

1588

01:21:08,020 --> 01:21:04,699

time how could they have gotten to

1589

01:21:10,750 --> 01:21:08,030

France well it was easy mhm people were

1590

01:21:13,779 --> 01:21:10,760

doing it all the time it wasn't a huge

1591

01:21:16,390 --> 01:21:13,789

trip across the Mediterranean and this

1592

01:21:18,279 --> 01:21:16,400

was a very you know I guess the this

1593

01:21:21,580 --> 01:21:18,289

story goes that they landed it you know

1594

01:21:25,540 --> 01:21:21,590

samurai delamare and where they have

1595

01:21:27,910 --> 01:21:25,550

every year Mary Magdalene festival on on

1596

01:21:30,149 --> 01:21:27,920

Madeline feast day and they claim that

1597

01:21:33,490 --> 01:21:30,159

they have the skull of Mary Magdalene

1598

01:21:38,459 --> 01:21:33,500

there and they bring it out and it's in

1599

01:21:41,620 --> 01:21:38,469

this gilded golden encasement in the

1600

01:21:43,810 --> 01:21:41,630

reliquary I guess and they paraded

1601  
01:21:45,180 --> 01:21:43,820  
around through the town and I don't know

1602  
01:21:46,770 --> 01:21:45,190  
if that is the

1603  
01:21:48,920 --> 01:21:46,780  
the real skull of Mary Magdalene because

1604  
01:21:52,830 --> 01:21:48,930  
I know the relic business can be very

1605  
01:21:56,130 --> 01:21:52,840  
lucrative yeah yeah there's lots of true

1606  
01:21:58,290 --> 01:21:56,140  
crosses and there's lots of body parts

1607  
01:22:00,180 --> 01:21:58,300  
and lots of foreskins of Jesus according

1608  
01:22:03,450 --> 01:22:00,190  
to Tim Wallace Murphy who I had on the

1609  
01:22:06,750 --> 01:22:03,460  
show a few weeks ago guess what

1610  
01:22:08,760 --> 01:22:06,760  
everybody wants exactly exactly yeah but

1611  
01:22:12,390 --> 01:22:08,770  
anyhow so I guess you have to be a

1612  
01:22:14,430 --> 01:22:12,400  
little bit skeptical about the I'm very

1613  
01:22:18,900 --> 01:22:14,440

discerning about the about the relic

1614

01:22:22,350 --> 01:22:18,910

business but anyhow this what when you

1615

01:22:24,390 --> 01:22:22,360

when you went into this research into

1616

01:22:26,310 --> 01:22:24,400

Jesus what prompted that because it's

1617

01:22:28,890 --> 01:22:26,320

kind of a departure from some of your

1618

01:22:30,660 --> 01:22:28,900

other oh yeah none of my books have

1619

01:22:33,390 --> 01:22:30,670

anything in common other than the format

1620

01:22:35,250 --> 01:22:33,400

which is convinced writing easy to read

1621

01:22:36,990 --> 01:22:35,260

with lots of visuals to go with them

1622

01:22:39,959 --> 01:22:37,000

that's that's the only thing that's

1623

01:22:43,260 --> 01:22:39,969

common about them the Jesus thing was

1624

01:22:45,510 --> 01:22:43,270

quite different I was awakened at on in

1625

01:22:49,979 --> 01:22:45,520

the early morning hours of oktoberfest

1626  
01:22:52,740 --> 01:22:49,989  
2013 with an image of Jesus and told to

1627  
01:22:56,850 --> 01:22:52,750  
write this book and he wanted it done in

1628  
01:22:59,250 --> 01:22:56,860  
a month time and he wanted it to be so

1629  
01:23:01,290 --> 01:22:59,260  
that people who are so busy and don't

1630  
01:23:03,150 --> 01:23:01,300  
have time to read would had time to read

1631  
01:23:06,810 --> 01:23:03,160  
this because he wanted to reach as many

1632  
01:23:08,400 --> 01:23:06,820  
people as possible so just the way that

1633  
01:23:12,840 --> 01:23:08,410  
book came about is certainly a departure

1634  
01:23:15,360 --> 01:23:12,850  
from the other two yeah absolutely now

1635  
01:23:21,360 --> 01:23:15,370  
once again let's give out your website

1636  
01:23:24,030 --> 01:23:21,370  
it's got Skyships / cashiers.com.com and

1637  
01:23:25,320 --> 01:23:24,040  
that spelled well as cashiers which is

1638  
01:23:29,250 --> 01:23:25,330

that it's the correct local

1639

01:23:31,950 --> 01:23:29,260

pronunciation but it spells cas h IE RS

1640

01:23:35,189 --> 01:23:31,960

and want everybody to know and be able

1641

01:23:37,740 --> 01:23:35,199

to get onto your site see what's coming

1642

01:23:41,939 --> 01:23:37,750

up are you going to be posting those

1643

01:23:44,370 --> 01:23:41,949

Bigfoot results the hair results on that

1644

01:23:46,290 --> 01:23:44,380

same side we oh yeah anything that we do

1645

01:23:50,550 --> 01:23:46,300

will be at that website will be the

1646

01:23:52,470 --> 01:23:50,560

place where you can learn about it and I

1647

01:23:55,320 --> 01:23:52,480

will give the information on the books

1648

01:23:58,470 --> 01:23:55,330

but you can always go to the editors

1649

01:23:59,160 --> 01:23:58,480

corner on that website and the

1650

01:24:01,110 --> 01:23:59,170

information of

1651

01:24:05,040 --> 01:24:01,120

the books is at the end of that section

1652

01:24:07,140 --> 01:24:05,050

but the three titles are tangible

1653

01:24:10,169 --> 01:24:07,150

evidence of Jesus that's the short title

1654

01:24:13,560 --> 01:24:10,179

long title is tangible of evidence of

1655

01:24:16,530 --> 01:24:13,570

Jesus left behind for us to find the

1656

01:24:19,410 --> 01:24:16,540

other book is Cherokee little people

1657

01:24:22,709 --> 01:24:19,420

were real and the most recent one that

1658

01:24:25,890 --> 01:24:22,719

just came out his underground military

1659

01:24:29,840 --> 01:24:25,900

bases hidden in North Carolina mountains

1660

01:24:32,160 --> 01:24:29,850

all three books are available on Amazon

1661

01:24:34,350 --> 01:24:32,170

some people like to support the

1662

01:24:37,860 --> 01:24:34,360

independent bookstores if you're one of

1663

01:24:41,939 --> 01:24:37,870

those people you can simply type in city

1664

01:24:45,810 --> 01:24:41,949

lights NC calm the NC stands for north

1665

01:24:48,660 --> 01:24:45,820

carolina city lights NC calm and you can

1666

01:24:52,050 --> 01:24:48,670

type in the books in their search area

1667

01:24:54,840 --> 01:24:52,060

and order through them so those are the

1668

01:24:57,240 --> 01:24:54,850

ways you can get the book great that's

1669

01:25:00,030 --> 01:24:57,250

that's wonderful you know before we

1670

01:25:02,520 --> 01:25:00,040

close out we just got you know cause 2

1671

01:25:05,100 --> 01:25:02,530

minutes left at the most I wanted to be

1672

01:25:07,560 --> 01:25:05,110

sure and thank Mark Eddie for his help

1673

01:25:10,709 --> 01:25:07,570

in connecting this show together tonight

1674

01:25:13,979 --> 01:25:10,719

for connecting me with you Mary and I

1675

01:25:17,220 --> 01:25:13,989

appreciate that you're a wonderful guest

1676  
01:25:20,220 --> 01:25:17,230  
and you've got great information and I

1677  
01:25:22,200 --> 01:25:20,230  
love you all your areas of study even

1678  
01:25:23,610 --> 01:25:22,210  
though you as you said some of them are

1679  
01:25:25,140 --> 01:25:23,620  
not connected but some of them really

1680  
01:25:27,180 --> 01:25:25,150  
kind of are a lot of them are connected

1681  
01:25:29,400 --> 01:25:27,190  
to certainly that geographical area

1682  
01:25:32,189 --> 01:25:29,410  
where you are which is really

1683  
01:25:34,770 --> 01:25:32,199  
interesting i haven't spent much time in

1684  
01:25:36,510 --> 01:25:34,780  
that area and i think you know it would

1685  
01:25:38,280 --> 01:25:36,520  
be a good place to go nice little trip

1686  
01:25:39,959 --> 01:25:38,290  
nice little summer vacation trip

1687  
01:25:44,340 --> 01:25:39,969  
especially somebody who's living out in

1688  
01:25:46,740 --> 01:25:44,350

drought land absolutely anywhere is

1689

01:25:48,390 --> 01:25:46,750

better than here right now what's really

1690

01:25:50,760 --> 01:25:48,400

weird is that we're having a lot of

1691

01:25:52,800 --> 01:25:50,770

humidity which we're not used to hear I

1692

01:25:55,590 --> 01:25:52,810

was used to it in Oklahoma one of the

1693

01:25:57,750 --> 01:25:55,600

reasons that I wanted to leave but you

1694

01:26:00,870 --> 01:25:57,760

know this is supposed to be dragged out

1695

01:26:04,020 --> 01:26:00,880

supposed to be dry heat not sticky

1696

01:26:06,300 --> 01:26:04,030

clammy sweaty heat but anyway I want to

1697

01:26:08,700 --> 01:26:06,310

thank everybody for listening and I hear

1698

01:26:10,270 --> 01:26:08,710

the music is rolling and next week join

1699

01:26:11,950 --> 01:26:10,280

us we're gonna have Stanton freedom

1700

01:26:15,790 --> 01:26:11,960

we're going to be talking about UFOs and

1701

01:26:31,330 --> 01:26:15,800

more join us thanks mary joyce thank you
