

Center of Light

HOST
KEITA ANTHONY BLANCHARD

Radio

Vanessa Lamorte

1
00:00:12,660 --> 00:00:03,290
you're listening to Ira the inception

2
00:00:12,670 --> 00:01:02,650
you

3
00:01:09,170 --> 00:01:06,470
she inside see the light

4
00:01:11,810 --> 00:01:09,180
welcome to centre of light radio with

5
00:01:14,330 --> 00:01:11,820
spiritual teacher intuitive musician

6
00:01:16,580 --> 00:01:14,340
composer and best-selling author of the

7
00:01:19,250 --> 00:01:16,590
Divine Principle anchoring heaven on

8
00:01:21,410 --> 00:01:19,260
earth your host Keith Anthony Blanchard

9
00:01:25,040 --> 00:01:21,420
center of light radio center of divine

10
00:01:26,510 --> 00:01:25,050
unfoldment and reinforcements our love

11
00:01:29,120 --> 00:01:26,520
that trace I've been using it for a long

12
00:01:33,440 --> 00:01:29,130
time it's just so me and everything I'm

13
00:01:37,880 --> 00:01:33,450

about strap in all the spiritual astral

14

00:01:40,550 --> 00:01:37,890

knots as we launch for inner space once

15

00:01:44,210 --> 00:01:40,560

again I want to announce that Swansea

16

00:01:47,720 --> 00:01:44,220

this way yogi God realized man he is

17

00:01:50,780 --> 00:01:47,730

plugged into the cosmic dialogue he is

18

00:01:53,240 --> 00:01:50,790

plugged into cosmic consciousness he is

19

00:01:55,700 --> 00:01:53,250

the embodiment of cosmic consciousness

20

00:01:57,650 --> 00:01:55,710

he's going to be here in august i

21

00:02:00,710 --> 00:01:57,660

believe it's the 14th or whatever monday

22

00:02:03,380 --> 00:02:00,720

that is in that particular part of our

23

00:02:05,150 --> 00:02:03,390

is the closest date to that I think it's

24

00:02:07,250 --> 00:02:05,160

the 14th he's going to be here and we're

25

00:02:10,280 --> 00:02:07,260

gonna be discussing what's going on the

26
00:02:13,000 --> 00:02:10,290
world what do we need to do you know we

27
00:02:15,560 --> 00:02:13,010
have many ideas but we're gonna ask God

28
00:02:16,880 --> 00:02:15,570
I'm going to ask God literally and you

29
00:02:19,880 --> 00:02:16,890
can bet that I'm going to take some time

30
00:02:21,860 --> 00:02:19,890
and do lots of meditation and be very

31
00:02:24,260 --> 00:02:21,870
very particular about the questions I am

32
00:02:27,440 --> 00:02:24,270
going to ask I'm going to use this

33
00:02:30,680 --> 00:02:27,450
opportunity with this self-realized

34
00:02:33,740 --> 00:02:30,690
divine man to find out where we are as

35
00:02:37,370 --> 00:02:33,750
human species and what can we do in the

36
00:02:38,780 --> 00:02:37,380
sense of urgency oh man to get rid of

37
00:02:41,449 --> 00:02:38,790
some of this stuff that's just been

38
00:02:42,830 --> 00:02:41,459

happening you know this is a center of

39

00:02:44,300 --> 00:02:42,840

light I'll never go into the dark stuff

40

00:02:46,520 --> 00:02:44,310

so if ever you talk about that stuff

41

00:02:49,640 --> 00:02:46,530

know that it's from to create an

42

00:02:51,500 --> 00:02:49,650

awareness perspective unawareness

43

00:02:54,199 --> 00:02:51,510

perspective it's not about bringing up

44

00:02:56,870 --> 00:02:54,209

the energy and dwelling on it it's about

45

00:03:00,410 --> 00:02:56,880

bringing up the situation so it can be

46

00:03:03,050 --> 00:03:00,420

brought to light so we can all make

47

00:03:05,750 --> 00:03:03,060

changes accordingly and have things

48

00:03:09,070 --> 00:03:05,760

level out I'm so ready for things to

49

00:03:12,740 --> 00:03:09,080

level out you know on it's always been a

50

00:03:15,020 --> 00:03:12,750

learning of mine that when the pot gets

51
00:03:16,610 --> 00:03:15,030
shaken and things begin to move things

52
00:03:17,930 --> 00:03:16,620
get a little funky things get a little

53
00:03:20,300 --> 00:03:17,940
crazy to use a word

54
00:03:22,310 --> 00:03:20,310
but it's all for the good it's you know

55
00:03:25,670 --> 00:03:22,320
the pod has to be stirred so we can

56
00:03:31,430 --> 00:03:25,680
scoop out the bad quote stuff and be

57
00:03:33,890 --> 00:03:31,440
left with all the goodies alright let's

58
00:03:37,250 --> 00:03:33,900
get down to some stuff here okay um also

59
00:03:41,960 --> 00:03:37,260
nucleus 8 has not yet confirmed my

60
00:03:45,440 --> 00:03:41,970
alien-human hybrid friend who is 4735

61
00:03:48,200 --> 00:03:45,450
plus years old alien-human hybrid

62
00:03:50,240 --> 00:03:48,210
nucleus 8 has not yet confirmed that he

63
00:03:53,360 --> 00:03:50,250

is going to be on the show but and

64

00:03:54,920 --> 00:03:53,370

knowing new clients he will also the

65

00:03:56,690 --> 00:03:54,930

other night and this is all going to set

66

00:03:59,870 --> 00:03:56,700

up the show really nicely my guest today

67

00:04:02,960 --> 00:03:59,880

is Vanessa la morte the other night um

68

00:04:07,040 --> 00:04:02,970

when I get out and about in a cosmic

69

00:04:09,590 --> 00:04:07,050

sense during sleep sleep states of

70

00:04:11,300 --> 00:04:09,600

consciousness I become very aware many

71

00:04:14,780 --> 00:04:11,310

dimensions I become very we're being on

72

00:04:17,360 --> 00:04:14,790

many many different ships even hanging

73

00:04:19,610 --> 00:04:17,370

out with nucleus a even hanging out with

74

00:04:22,250 --> 00:04:19,620

the Clarion's and the pleadings all it

75

00:04:24,890 --> 00:04:22,260

the other night um I find myself in a

76

00:04:30,470 --> 00:04:24,900

ship and I was so conscious I was just

77

00:04:33,020 --> 00:04:30,480

beside myself I was like whoa I said

78

00:04:35,570 --> 00:04:33,030

dude I can't begin to express to you how

79

00:04:38,480 --> 00:04:35,580

grateful I am because its consciousness

80

00:04:40,659 --> 00:04:38,490

as I have always been I have never been

81

00:04:43,790 --> 00:04:40,669

this full blown conscious it's like I'm

82

00:04:46,159 --> 00:04:43,800

even more so than I am talking to you on

83

00:04:47,240 --> 00:04:46,169

this radio right now I was truly that

84

00:04:48,530 --> 00:04:47,250

conscious and so we're going to be

85

00:04:51,050 --> 00:04:48,540

getting into a lot of the cosmic

86

00:04:53,300 --> 00:04:51,060

energies on during the show and I'm so

87

00:04:54,830 --> 00:04:53,310

looking forward to that make sure you go

88

00:04:57,380 --> 00:04:54,840

to sin of light radio website there

89

00:04:59,200 --> 00:04:57,390

you'll find the archives of all my shows

90

00:05:01,909 --> 00:04:59,210

you can jump seat from center of light

91

00:05:04,370 --> 00:05:01,919

radio website to Keith Anthony blanchett

92

00:05:06,320 --> 00:05:04,380

you can find all my creations all my

93

00:05:08,540 --> 00:05:06,330

books my movie do what you love a path

94

00:05:13,190 --> 00:05:08,550

to passionately ring living empowering

95

00:05:15,680 --> 00:05:13,200

you yes you with the tools you need so

96

00:05:18,500 --> 00:05:15,690

that you can create the life that you

97

00:05:20,960 --> 00:05:18,510

are here to do your best life you're

98

00:05:23,090 --> 00:05:20,970

passionate life you live in passion the

99

00:05:25,310 --> 00:05:23,100

energy of passion and creativity the

100

00:05:27,230 --> 00:05:25,320

world becomes consumed with your passion

101
00:05:30,189 --> 00:05:27,240
your love and your bliss and that makes

102
00:05:33,200 --> 00:05:30,199
many many changes begin to have

103
00:05:35,839 --> 00:05:33,210
also at keith's anthony blanchard calm

104
00:05:39,140 --> 00:05:35,849
you can find my anchoring heaven on

105
00:05:41,059 --> 00:05:39,150
earth audio meditation highly suggested

106
00:05:42,799 --> 00:05:41,069
using headphones and there's a lot of

107
00:05:44,809 --> 00:05:42,809
stereo imaging happening stink things

108
00:05:47,869 --> 00:05:44,819
move from left to right some subliminals

109
00:05:49,909 --> 00:05:47,879
very well done it'll help you create

110
00:05:52,489 --> 00:05:49,919
that space to ship into that space that

111
00:05:54,019 --> 00:05:52,499
exists within all of us where it's it's

112
00:05:56,089 --> 00:05:54,029
a system of lease effort you don't have

113
00:05:57,799 --> 00:05:56,099

to go out and struggle for your life you

114

00:05:59,649 --> 00:05:57,809

can create from this particular place

115

00:06:02,149 --> 00:05:59,659

but also the serenity that will happen

116

00:06:04,549 --> 00:06:02,159

being plugged into the cosmic dialogue

117

00:06:11,149 --> 00:06:04,559

just takes miles off of your spiritual

118

00:06:14,360 --> 00:06:11,159

journey homeward ok and also um make

119

00:06:15,739 --> 00:06:14,370

sure that you let's see notes notes

120

00:06:17,570 --> 00:06:15,749

notes always about notes and of course I

121

00:06:20,119 --> 00:06:17,580

got a fan blowing so let's just

122

00:06:22,159 --> 00:06:20,129

scattered on the floor let me get my

123

00:06:27,379 --> 00:06:22,169

placement here oh yeah to call it to the

124

00:06:31,189 --> 00:06:27,389

show live you dial 8 8 8 9 192 355

125

00:06:33,019 --> 00:06:31,199

that's triple 8 9 192 355 remember if

126
00:06:35,360 --> 00:06:33,029
you're not at home by your computer and

127
00:06:37,429 --> 00:06:35,370
you want to hear your fav all right show

128
00:06:40,040 --> 00:06:37,439
you can go to the App Store on your

129
00:06:43,939 --> 00:06:40,050
phone and download the inception radio

130
00:06:46,159 --> 00:06:43,949
network app for free everything is right

131
00:06:49,369 --> 00:06:46,169
there at your fingertips chatroom listen

132
00:06:51,679 --> 00:06:49,379
live link news podcasts much much more

133
00:06:54,619 --> 00:06:51,689
there are many many many ways to connect

134
00:07:00,290 --> 00:06:54,629
to center of light radio and inception

135
00:07:02,869 --> 00:07:00,300
radial network for sure now it is time

136
00:07:07,189 --> 00:07:02,879
to get down to center of light radio

137
00:07:10,070 --> 00:07:07,199
business on my show today my guess is

138
00:07:13,790 --> 00:07:10,080

vanessa la morte and we will be

139

00:07:16,309 --> 00:07:13,800

discussing the star people and cosmic

140

00:07:19,339 --> 00:07:16,319

updates and I think we're also going to

141

00:07:23,299 --> 00:07:19,349

talk a little bit about her light

142

00:07:26,149 --> 00:07:23,309

language that she that was with I guess

143

00:07:30,639 --> 00:07:26,159

we can call it that Vanessa says I am a

144

00:07:34,100 --> 00:07:30,649

visionary ancient wisdoms teacher and

145

00:07:37,489 --> 00:07:34,110

healer reiki master musician and an

146

00:07:39,589 --> 00:07:37,499

interdimensional channeler I hold a

147

00:07:42,860 --> 00:07:39,599

Master of Arts and transpersonal

148

00:07:45,950 --> 00:07:42,870

psychology my work with sound

149

00:07:49,070 --> 00:07:45,960

and light language augments my healing

150

00:07:53,240 --> 00:07:49,080

practice and adds depth to my teaching

151

00:07:56,990 --> 00:07:53,250

style the Lyran Syrian council a gull

152

00:07:59,320 --> 00:07:57,000

active a galactic collective or a

153

00:08:01,760 --> 00:07:59,330

benevolent group of star beings that aid

154

00:08:04,490 --> 00:08:01,770

my professional work and bring new

155

00:08:09,700 --> 00:08:04,500

updates and insights my wish is to

156

00:08:13,730 --> 00:08:09,710

support inspire and guide you and

157

00:08:17,990 --> 00:08:13,740

reclaiming your star light you can find

158

00:08:25,430 --> 00:08:18,000

Vanessa's website at WWDC la morte

159

00:08:28,250 --> 00:08:25,440

that's va en es si el a mor te com

160

00:08:31,820 --> 00:08:28,260

Vanessa LaMontagne com welcome to the

161

00:08:34,160 --> 00:08:31,830

center of light Vanessa hi thank you so

162

00:08:38,030 --> 00:08:34,170

much for having me it's great to have

163

00:08:41,360 --> 00:08:38,040

you back and talk to you again on my

164

00:08:45,410 --> 00:08:41,370

show well have good conversations yeah

165

00:08:48,290 --> 00:08:45,420

it's always fun um you know Vanessa this

166

00:08:49,160 --> 00:08:48,300

is a new platform for me um and so we

167

00:08:52,760 --> 00:08:49,170

have a different listening audience

168

00:08:55,490 --> 00:08:52,770

would you tell me again refresh my mind

169

00:08:57,680 --> 00:08:55,500

but also um enlighten our listening

170

00:09:00,470 --> 00:08:57,690

audience how this all started for you

171

00:09:02,870 --> 00:09:00,480

and not only your schooling but also

172

00:09:07,750 --> 00:09:02,880

just getting on the spiritual path and

173

00:09:11,230 --> 00:09:07,760

more so plugging into cosmic energies

174

00:09:13,310 --> 00:09:11,240

absolutely absolutely I'm a lifelong

175

00:09:16,760 --> 00:09:13,320

contact d I'll put it that way I

176

00:09:18,950 --> 00:09:16,770

wouldn't say abductee because all of my

177

00:09:22,160 --> 00:09:18,960

cosmic experiences have been very

178

00:09:23,060 --> 00:09:22,170

benevolent so when I was around four

179

00:09:24,740 --> 00:09:23,070

years old that's my earliest

180

00:09:28,820 --> 00:09:24,750

recollection I remember being visited by

181

00:09:31,400 --> 00:09:28,830

Andromedan people and they would take me

182

00:09:33,440 --> 00:09:31,410

to see the moonlight um in my house

183

00:09:35,480 --> 00:09:33,450

they'd opened the windows and we just

184

00:09:37,010 --> 00:09:35,490

gaze at the moon one time my parents

185

00:09:39,430 --> 00:09:37,020

found me on the sidewalk and we were

186

00:09:43,010 --> 00:09:39,440

just I remember holding the hand of my

187

00:09:46,100 --> 00:09:43,020

guide and we were just gazing at the

188

00:09:48,500 --> 00:09:46,110

moon on and I look at that as you know

189

00:09:50,210 --> 00:09:48,510

early early training for my mission now

190

00:09:51,470 --> 00:09:50,220

so throughout my life I've had

191

00:09:53,330 --> 00:09:51,480

experiences like that and other

192

00:09:55,250 --> 00:09:53,340

paranormal experiences working with the

193

00:09:56,600 --> 00:09:55,260

spirit realm and the elementals like

194

00:09:58,460 --> 00:09:56,610

fairies and do

195

00:10:01,639 --> 00:09:58,470

corns and all kinds of things so it's

196

00:10:04,790 --> 00:10:01,649

been a lifelong journey both on earth

197

00:10:06,319 --> 00:10:04,800

and being you know able to talk two

198

00:10:11,449 --> 00:10:06,329

things beyond the realms and the

199

00:10:14,000 --> 00:10:11,459

dimensions mm I studied psychology in my

200

00:10:16,790 --> 00:10:14,010

undergrad because I was very interested

201
00:10:19,420 --> 00:10:16,800
in human behavior and really getting to

202
00:10:22,040 --> 00:10:19,430
understand consciousness and the psyche

203
00:10:24,019 --> 00:10:22,050
because of my experiences really and

204
00:10:27,319 --> 00:10:24,029
then I chose to do my masters in

205
00:10:28,639 --> 00:10:27,329
transpersonal psychology because it was

206
00:10:31,310 --> 00:10:28,649
a little bit more refined a little bit

207
00:10:32,900 --> 00:10:31,320
more focused transpersonal psychology it

208
00:10:35,780 --> 00:10:32,910
really is spiritual psychology or the

209
00:10:38,680 --> 00:10:35,790
study of consciousness and we focused a

210
00:10:42,920 --> 00:10:38,690
lot on how to get to know the self and

211
00:10:44,660 --> 00:10:42,930
how to have a spiritual practice in a

212
00:10:47,960 --> 00:10:44,670
spiritual life and how to create meaning

213
00:10:51,800 --> 00:10:47,970

for ourselves so comprehensively that's

214

00:10:53,690 --> 00:10:51,810

me and then now professionally I'm

215

00:10:59,000 --> 00:10:53,700

blending everything so I work mostly

216

00:11:02,990 --> 00:10:59,010

with people who have experiences with

217

00:11:08,000 --> 00:11:03,000

star beings and I use my channeling

218

00:11:12,040 --> 00:11:08,010

abilities to help them figure out who's

219

00:11:14,870 --> 00:11:12,050

contacting them why life purpose mission

220

00:11:16,670 --> 00:11:14,880

anything really that comes up for them

221

00:11:19,220 --> 00:11:16,680

but it's usually guidance for star seeds

222

00:11:20,750 --> 00:11:19,230

and people who have contact experiences

223

00:11:22,610 --> 00:11:20,760

but I also do work with a large number

224

00:11:24,530 --> 00:11:22,620

of people who haven't had those kinds of

225

00:11:26,420 --> 00:11:24,540

experiences and are just looking to find

226

00:11:29,509 --> 00:11:26,430

themselves and embark on their own self

227

00:11:31,220 --> 00:11:29,519

discovery so that's my professional work

228

00:11:32,900 --> 00:11:31,230

and then of course there's light

229

00:11:36,170 --> 00:11:32,910

language and we'll talk about that in

230

00:11:37,910 --> 00:11:36,180

depth little later in the show here

231

00:11:39,920 --> 00:11:37,920

right absolutely when you were

232

00:11:42,380 --> 00:11:39,930

discussing when you are talking about

233

00:11:43,790 --> 00:11:42,390

the andromeda and you would have any did

234

00:11:46,160 --> 00:11:43,800

then i understand you right just saying

235

00:11:48,290 --> 00:11:46,170

that you were physically there or were

236

00:11:52,699 --> 00:11:48,300

you there in spirit I was physically

237

00:11:54,259 --> 00:11:52,709

there yeah I was physically on earth and

238

00:11:55,699 --> 00:11:54,269

they were physically in my house well

239

00:11:57,170 --> 00:11:55,709

put it that way I see I see I thought

240

00:11:58,819 --> 00:11:57,180

you had shifted to some place with them

241

00:12:00,199 --> 00:11:58,829

understood while I'm thinking about it

242

00:12:02,449 --> 00:12:00,209

we're gonna be talking about like

243

00:12:04,910 --> 00:12:02,459

language whenever it unfolds but if you

244

00:12:08,210 --> 00:12:04,920

would listening audience go to center of

245

00:12:08,970 --> 00:12:08,220

light radio.com in this moment if you

246

00:12:11,579 --> 00:12:08,980

have that ability

247

00:12:14,819 --> 00:12:11,589

center of light radio com click on

248

00:12:17,150 --> 00:12:14,829

upcoming guest you're going to see a

249

00:12:19,710 --> 00:12:17,160

beautiful star being my guest today

250

00:12:21,689 --> 00:12:19,720

Nestle morte you're gonna see her

251
00:12:23,189 --> 00:12:21,699
picture click on that picture when you

252
00:12:25,319 --> 00:12:23,199
click on that picture is going to take

253
00:12:29,879 --> 00:12:25,329
you to a web page and you're going to

254
00:12:32,040 --> 00:12:29,889
see thumbnail sized images of light

255
00:12:33,840 --> 00:12:32,050
language but also know that when you

256
00:12:35,550 --> 00:12:33,850
click on those thumbnails are going to

257
00:12:38,430 --> 00:12:35,560
expand into a full size and we're going

258
00:12:43,620 --> 00:12:38,440
to start talking about well let's do it

259
00:12:45,629 --> 00:12:43,630
now let me go there with you um Vanessa

260
00:12:47,790 --> 00:12:45,639
forever since I've been knowing you the

261
00:12:51,269 --> 00:12:47,800
brief time I've just been fascinated

262
00:12:52,740 --> 00:12:51,279
truly fascinated with this light

263
00:12:55,889 --> 00:12:52,750

language that you do I've heard you

264

00:12:57,689 --> 00:12:55,899

speak it very impressive not that you

265

00:12:59,879 --> 00:12:57,699

are trying to prove anything or not that

266

00:13:01,379 --> 00:12:59,889

I needed you to prove it to me it's

267

00:13:03,900 --> 00:13:01,389

impressive in the sense that you're

268

00:13:07,230 --> 00:13:03,910

cadences are amazing the depth are

269

00:13:09,150 --> 00:13:07,240

amazing um your conviction what you're

270

00:13:12,930 --> 00:13:09,160

doing is amazing it's all just truly

271

00:13:15,689 --> 00:13:12,940

really solid for me um then Vanessa are

272

00:13:20,579 --> 00:13:15,699

you at the website with me at this point

273

00:13:25,730 --> 00:13:20,589

I am yes okay I'm looking at this first

274

00:13:27,990 --> 00:13:25,740

image mm-hmm um can you give me the

275

00:13:29,699 --> 00:13:28,000

overview of what it is that we're

276

00:13:32,009 --> 00:13:29,709

looking at is this a message is just

277

00:13:33,240 --> 00:13:32,019

pictures or is it just an encrypted and

278

00:13:35,430 --> 00:13:33,250

what is what you were looking at here

279

00:13:37,819 --> 00:13:35,440

yeah so first let's define light

280

00:13:41,009 --> 00:13:37,829

language so light language itself is a

281

00:13:44,759 --> 00:13:41,019

universal heart-centered communication

282

00:13:46,500 --> 00:13:44,769

system and we can call it both cosmic

283

00:13:49,500 --> 00:13:46,510

star language as well as angelic

284

00:13:52,139 --> 00:13:49,510

language I actually wrote my master's

285

00:13:54,329 --> 00:13:52,149

thesis on light language so it's you

286

00:13:55,949 --> 00:13:54,339

know there's a wealth of information in

287

00:13:59,069 --> 00:13:55,959

my brain here just you know through

288

00:14:01,259 --> 00:13:59,079

history with light language some may

289

00:14:03,780 --> 00:14:01,269

know white language as glossolalia or

290

00:14:06,809 --> 00:14:03,790

speaking in tongues and or Xena wah wah

291

00:14:10,139 --> 00:14:06,819

you know so um the difference there is

292

00:14:12,720 --> 00:14:10,149

that glossolalia is the idea that we're

293

00:14:15,150 --> 00:14:12,730

speaking we're voluntary involuntarily

294

00:14:20,040 --> 00:14:15,160

and or voluntarily speaking a language

295

00:14:21,630 --> 00:14:20,050

that is on earth but it's not our native

296

00:14:22,860 --> 00:14:21,640

tongue so maybe you know your native

297

00:14:25,260 --> 00:14:22,870

tongue is English but your

298

00:14:26,820 --> 00:14:25,270

taking Hebrew or bits of Hebrew or maybe

299

00:14:29,370 --> 00:14:26,830

it's mixed could be Hebrew Greek and

300

00:14:32,490 --> 00:14:29,380

bounce all around Xena lalia is actually

301
00:14:33,870 --> 00:14:32,500
at Z no means alien sociology is when

302
00:14:36,329 --> 00:14:33,880
we're speaking a language unbeknownst

303
00:14:38,960 --> 00:14:36,339
earth not on earth so could be a cosmic

304
00:14:41,670 --> 00:14:38,970
star language arm or an angelic language

305
00:14:44,940 --> 00:14:41,680
what you're seeing here viewers and

306
00:14:48,540 --> 00:14:44,950
Keith the symbols are you written

307
00:14:51,000 --> 00:14:48,550
versions of spoken light language the

308
00:14:54,390 --> 00:14:51,010
light language is not a cognitive

309
00:14:56,700 --> 00:14:54,400
language so it's always very interesting

310
00:14:58,560 --> 00:14:56,710
when we get into the specific character

311
00:15:02,010 --> 00:14:58,570
people want to know what each symbol

312
00:15:06,000 --> 00:15:02,020
means and it each symbol has so much

313
00:15:09,140 --> 00:15:06,010

meaning um a definite don't archetype

314

00:15:14,340 --> 00:15:09,150

you know because it's accessing um

315

00:15:16,350 --> 00:15:14,350

beyond our normal 3d cognitive logical

316

00:15:19,470 --> 00:15:16,360

brain you know so let me ask you this

317

00:15:21,210 --> 00:15:19,480

real quick I don't rub it this for

318

00:15:22,590 --> 00:15:21,220

example not only this but all these

319

00:15:24,420 --> 00:15:22,600

different images that we're going to be

320

00:15:26,390 --> 00:15:24,430

looking at here this is not necessarily

321

00:15:29,070 --> 00:15:26,400

a language from a particular

322

00:15:31,380 --> 00:15:29,080

civilization this is actually a default

323

00:15:35,579 --> 00:15:31,390

language that P beings of higher

324

00:15:38,070 --> 00:15:35,589

consciousness or able to use to

325

00:15:39,840 --> 00:15:38,080

communicate would that be true I would

326

00:15:41,699 --> 00:15:39,850

say that's true because there are many i

327

00:15:45,150 --> 00:15:41,709

would say dialects of light language

328

00:15:48,630 --> 00:15:45,160

sometimes and it's my specialty to

329

00:15:50,910 --> 00:15:48,640

understand and I understand the energy

330

00:15:54,390 --> 00:15:50,920

signatures behind spoken languages and

331

00:15:56,790 --> 00:15:54,400

written codes so sometimes coding and

332

00:15:59,820 --> 00:15:56,800

languages come from Sirius the star

333

00:16:03,210 --> 00:15:59,830

system or lie bruh and they have you

334

00:16:06,690 --> 00:16:03,220

know these characteristic sounds and

335

00:16:08,640 --> 00:16:06,700

characteristic looking inscriptions

336

00:16:14,220 --> 00:16:08,650

though yes I would say that it is a

337

00:16:16,079 --> 00:16:14,230

completely universal language so if I

338

00:16:18,019 --> 00:16:16,089

were to speak let's say for example if I

339

00:16:19,949 --> 00:16:18,029

were to speak in a cosmic language

340

00:16:21,780 --> 00:16:19,959

because it is a higher dimensional

341

00:16:24,090 --> 00:16:21,790

higher frequency heart-centered language

342

00:16:26,940 --> 00:16:24,100

to let's say an angel the angel one

343

00:16:29,100 --> 00:16:26,950

hundred percent understand the message I

344

00:16:32,800 --> 00:16:29,110

was trying to convey because it is a

345

00:16:38,140 --> 00:16:35,530

is is this a particular message this

346

00:16:40,420 --> 00:16:38,150

first one that we're looking at this is

347

00:16:43,750 --> 00:16:40,430

actually those are actually my energy

348

00:16:47,740 --> 00:16:43,760

codes mats my energy signature put into

349

00:16:53,350 --> 00:16:47,750

image so I did you know play with it a

350

00:16:55,240 --> 00:16:53,360

little bit in a photo editing it wasn't

351

00:16:56,710 --> 00:16:55,250

Photoshop it was a different one but

352

00:17:00,130 --> 00:16:56,720

like I thought about any app is what I

353

00:17:02,170 --> 00:17:00,140

was going to say so with the star

354

00:17:04,000 --> 00:17:02,180

background but each inscription there is

355

00:17:05,910 --> 00:17:04,010

a symbol that represents an aspect of

356

00:17:09,640 --> 00:17:05,920

myself that's why i said it's it's acts

357

00:17:13,449 --> 00:17:09,650

accessing many many meanings at once so

358

00:17:15,100 --> 00:17:13,459

that first one is my energy signature or

359

00:17:16,929 --> 00:17:15,110

my star name or however you want to put

360

00:17:21,250 --> 00:17:16,939

that but it's my essence it's your

361

00:17:24,520 --> 00:17:21,260

autograph yeah lovely let's move on to

362

00:17:26,620 --> 00:17:24,530

number two blowing this thing up very

363

00:17:29,050 --> 00:17:26,630

crop circle like very mandala like um

364

00:17:31,150 --> 00:17:29,060

and even you know there's there's so

365

00:17:32,740 --> 00:17:31,160

much balance in there is this a

366

00:17:35,530 --> 00:17:32,750

particular message what is this one

367

00:17:37,060 --> 00:17:35,540

entail thank you i actually channeled

368

00:17:41,740 --> 00:17:37,070

this one from the council the Lyran

369

00:17:43,240 --> 00:17:41,750

syrian council back in march were late

370

00:17:45,370 --> 00:17:43,250

march or early april Kember the exact

371

00:17:48,010 --> 00:17:45,380

date but we were having a lot of Solar

372

00:17:51,700 --> 00:17:48,020

Flare activity so exactly what you said

373

00:17:53,500 --> 00:17:51,710

balancing this code was for helping

374

00:17:57,760 --> 00:17:53,510

others to recalibrate their own energy

375

00:17:59,620 --> 00:17:57,770

fields to manage those harsh energies or

376

00:18:02,710 --> 00:17:59,630

you know the sensitivities that they

377

00:18:04,480 --> 00:18:02,720

might be experiencing as well as i would

378

00:18:06,220 --> 00:18:04,490

call it a galactic key because it really

379

00:18:07,720 --> 00:18:06,230

spins it spins both clockwise and

380

00:18:10,710 --> 00:18:07,730

counterclockwise to adjust the

381

00:18:13,750 --> 00:18:10,720

frequencies and I see these things

382

00:18:15,820 --> 00:18:13,760

holographically multi-dimensional II and

383

00:18:19,210 --> 00:18:15,830

then I just put them into 2d as best I

384

00:18:20,860 --> 00:18:19,220

can so this one is actually you know

385

00:18:26,620 --> 00:18:20,870

helping people do that on a personal

386

00:18:30,910 --> 00:18:26,630

level as well as coding for grid work so

387

00:18:33,430 --> 00:18:30,920

it was able to anchor starlight and

388

00:18:35,080 --> 00:18:33,440

divine pure love into different grid

389

00:18:37,570 --> 00:18:35,090

points so that we could work with Gaia

390

00:18:39,700 --> 00:18:37,580

as well because as much as we know

391

00:18:40,990 --> 00:18:39,710

you're on our own our own journeys and

392

00:18:43,120 --> 00:18:41,000

you know doing our self work we're also

393

00:18:45,610 --> 00:18:43,130

doing it for the planet and for the the

394

00:18:47,099 --> 00:18:45,620

greater humanity in the universe so it

395

00:18:49,989 --> 00:18:47,109

was both

396

00:18:52,239 --> 00:18:49,999

not only your description but also in

397

00:18:54,579 --> 00:18:52,249

appearance it's very Stargate light it's

398

00:18:57,579 --> 00:18:54,589

very portal like and also followed by

399

00:19:00,999 --> 00:18:57,589

the one just below it looking at it this

400

00:19:03,219 --> 00:19:01,009

one seems somewhat similar but this one

401
00:19:05,409 --> 00:19:03,229
has more of an actual that like there's

402
00:19:08,619 --> 00:19:05,419
an event horizon and it's pulling you in

403
00:19:11,649 --> 00:19:08,629
I can definitely see the kaleidoscope

404
00:19:13,869 --> 00:19:11,659
the the the spinning of this one what is

405
00:19:16,089 --> 00:19:13,879
this one in particular absolutely yes

406
00:19:19,569 --> 00:19:16,099
this middle one here was actually a

407
00:19:21,699 --> 00:19:19,579
client's so this is no in an example of

408
00:19:24,749 --> 00:19:21,709
what one of my sessions actually looks

409
00:19:29,199 --> 00:19:24,759
like this is my call it a nebula reading

410
00:19:30,969 --> 00:19:29,209
and I you know right the codes that come

411
00:19:33,339 --> 00:19:30,979
through from spirit guides and the

412
00:19:35,199 --> 00:19:33,349
council and then I it's kind of like a

413
00:19:37,899 --> 00:19:35,209

galactic prescription if you will and

414

00:19:39,609 --> 00:19:37,909

then I tell about what it is so and what

415

00:19:44,680 --> 00:19:39,619

came through in hand how to shift so

416

00:19:47,949 --> 00:19:44,690

this one is specifically for the higher

417

00:19:51,459 --> 00:19:47,959

heart cosmic higher heart and Anahata

418

00:19:53,769 --> 00:19:51,469

the no regular heart chakra since we

419

00:19:56,939 --> 00:19:53,779

have both the green the emeralds colors

420

00:20:00,999 --> 00:19:56,949

the frequencies there and the pink and

421

00:20:04,569 --> 00:20:01,009

helping to express from those centers so

422

00:20:07,029 --> 00:20:04,579

we have the blue there that really talks

423

00:20:08,829 --> 00:20:07,039

to the throat chakra and expression but

424

00:20:10,959 --> 00:20:08,839

basically exactly what you said it's

425

00:20:13,149 --> 00:20:10,969

kind of like a Stargate and more looking

426

00:20:15,369 --> 00:20:13,159

into the chakra we're looking into the

427

00:20:18,249 --> 00:20:15,379

portal and how to access that there so

428

00:20:21,249 --> 00:20:18,259

this was no example of how star codes

429

00:20:24,189 --> 00:20:21,259

can help to work with the energy field

430

00:20:26,559 --> 00:20:24,199

and how we can recalibrate and heal and

431

00:20:28,509 --> 00:20:26,569

release congestion in the chakras it

432

00:20:31,119 --> 00:20:28,519

definitely looks very galaxy like for

433

00:20:33,669 --> 00:20:31,129

sure um you know I didn't I didn't think

434

00:20:35,739 --> 00:20:33,679

of and I thank you for enlightening me I

435

00:20:37,539 --> 00:20:35,749

thought the colors that you chose were

436

00:20:39,639 --> 00:20:37,549

you know you had a lot of markers around

437

00:20:41,019 --> 00:20:39,649

you just so happen to grab that one but

438

00:20:43,689 --> 00:20:41,029

you did this on purpose there's and

439

00:20:46,029 --> 00:20:43,699

there is um an intention here that you

440

00:20:48,309 --> 00:20:46,039

grab certain colors here because certain

441

00:20:51,219 --> 00:20:48,319

colors have certain vibrational

442

00:20:55,419 --> 00:20:51,229

frequencies and properties that express

443

00:20:59,079 --> 00:20:55,429

the idea of being um there um right more

444

00:21:00,430 --> 00:20:59,089

to the plan so color and and color

445

00:21:02,200 --> 00:21:00,440

frequency is really really

446

00:21:04,210 --> 00:21:02,210

in this work because the light codes

447

00:21:06,430 --> 00:21:04,220

hold so much information just in the

448

00:21:09,040 --> 00:21:06,440

color they each resonate with a

449

00:21:10,510 --> 00:21:09,050

different ray of consciousness and its

450

00:21:12,400 --> 00:21:10,520

front chakra and you know it has a

451
00:21:14,710 --> 00:21:12,410
multitude of different meanings I don't

452
00:21:16,660 --> 00:21:14,720
choose the colors I just listened to the

453
00:21:18,640 --> 00:21:16,670
channeling I listened to the guides and

454
00:21:22,810 --> 00:21:18,650
what they want for my clients and for

455
00:21:24,910 --> 00:21:22,820
myself in and so on so it's it's very

456
00:21:28,560 --> 00:21:24,920
different it is a creative expression um

457
00:21:30,910 --> 00:21:28,570
in a way because it's accessing that

458
00:21:34,960 --> 00:21:30,920
same part of the psyche same part of the

459
00:21:36,580 --> 00:21:34,970
brain but I'm not really choosing what

460
00:21:39,070 --> 00:21:36,590
I'd like to put in there I'm really

461
00:21:40,570 --> 00:21:39,080
listening typically to the the beings at

462
00:21:41,980 --> 00:21:40,580
least for client sessions when I'm doing

463
00:21:45,970 --> 00:21:41,990

it for myself there's a little bit more

464

00:21:47,830 --> 00:21:45,980

control but so so you or let me ask you

465

00:21:49,420 --> 00:21:47,840

this are you receiving it did it does it

466

00:21:51,280 --> 00:21:49,430

feel to you that you're receiving it and

467

00:21:53,170 --> 00:21:51,290

you're mimicking what you're seeing

468

00:21:56,980 --> 00:21:53,180

inside or is the energy moving through

469

00:21:58,960 --> 00:21:56,990

you and doing it in you on Idol both

470

00:22:01,660 --> 00:21:58,970

comprehensively so yes I'm seeing in my

471

00:22:04,690 --> 00:22:01,670

third eye but I'm also feeling all of

472

00:22:07,120 --> 00:22:04,700

the energy entering through my upper

473

00:22:09,400 --> 00:22:07,130

chakras and then moving through my hands

474

00:22:11,320 --> 00:22:09,410

and my hand chakras as the codes come

475

00:22:15,460 --> 00:22:11,330

through so it's it's really you know

476

00:22:17,680 --> 00:22:15,470

it's yeah soul star crown third eye hand

477

00:22:19,450 --> 00:22:17,690

chakra heart chakra like that's just

478

00:22:23,170 --> 00:22:19,460

kind of like the flow that I feel that

479

00:22:26,290 --> 00:22:23,180

that really works when the written coats

480

00:22:27,670 --> 00:22:26,300

are coming through very awesome let's

481

00:22:30,310 --> 00:22:27,680

move to the next one this is going to be

482

00:22:32,440 --> 00:22:30,320

1 2 3 the fourth one in the lot and this

483

00:22:35,890 --> 00:22:32,450

is the purple pink and white one not to

484

00:22:38,890 --> 00:22:35,900

me I'm doing my best i want to go before

485

00:22:41,920 --> 00:22:38,900

you so i can validate you ever see how

486

00:22:43,690 --> 00:22:41,930

good I am at like language myself this

487

00:22:45,580 --> 00:22:43,700

one looks like a message to me like

488

00:22:48,090 --> 00:22:45,590

something you would see on social media

489

00:22:50,680 --> 00:22:48,100

Facebook like someone saying you know um

490

00:22:52,360 --> 00:22:50,690

keep calm and spread the light or

491

00:22:54,370 --> 00:22:52,370

whatever the message but this one looks

492

00:22:57,340 --> 00:22:54,380

like an actual billboard message like

493

00:23:01,030 --> 00:22:57,350

it's conveying an idea yes no awesome

494

00:23:05,080 --> 00:23:01,040

yes so actually use this symbol or these

495

00:23:06,880 --> 00:23:05,090

symbols for my light language course the

496

00:23:09,580 --> 00:23:06,890

guides were like you need to really

497

00:23:11,200 --> 00:23:09,590

bring in the community so this was I'm

498

00:23:13,010 --> 00:23:11,210

just laughing because it's like wow

499

00:23:15,260 --> 00:23:13,020

you're you're on point and

500

00:23:17,150 --> 00:23:15,270

everyone listening everyone can speak

501
00:23:18,650 --> 00:23:17,160
light language right light language is

502
00:23:20,650 --> 00:23:18,660
just about accessing that part of

503
00:23:23,270 --> 00:23:20,660
yourself so this isn't like a special

504
00:23:25,310 --> 00:23:23,280
capability I'm not you know I'm not

505
00:23:26,810 --> 00:23:25,320
special this is just I access that part

506
00:23:30,380 --> 00:23:26,820
of myself and it came out so you can do

507
00:23:32,660 --> 00:23:30,390
it too and I teach I teach that in my

508
00:23:34,900 --> 00:23:32,670
courses but this one specifically was

509
00:23:37,700 --> 00:23:34,910
about bringing the community together to

510
00:23:40,340 --> 00:23:37,710
access their own light language and to

511
00:23:42,770 --> 00:23:40,350
access their own inner frequencies there

512
00:23:44,690 --> 00:23:42,780
and and their inner bliss so just by

513
00:23:49,130 --> 00:23:44,700

looking at these images you're receiving

514

00:23:52,640 --> 00:23:49,140

the coding for for those purposes so I

515

00:23:54,470 --> 00:23:52,650

just I'm just astounded that Union it's

516

00:23:59,210 --> 00:23:54,480

awesome that's a picture you would find

517

00:24:01,490 --> 00:23:59,220

in the cosmic Facebook moving down to

518

00:24:04,670 --> 00:24:01,500

the next image we have one to me that

519

00:24:07,040 --> 00:24:04,680

appears to be very cetacean like

520

00:24:14,210 --> 00:24:07,050

cetacean meaning whales dolphins aqua

521

00:24:16,180 --> 00:24:14,220

blue water Caribbean help me exactly

522

00:24:18,560 --> 00:24:16,190

this actually came from the Syrian

523

00:24:20,990 --> 00:24:18,570

merpeople so I'm serious we have four

524

00:24:22,940 --> 00:24:21,000

main groups we have humanoids we had the

525

00:24:25,010 --> 00:24:22,950

Syrian elves kind of like Lauren's elves

526

00:24:27,530 --> 00:24:25,020

we have the merpeople like mermaids and

527

00:24:29,300 --> 00:24:27,540

only have creatures like and animals

528

00:24:35,270 --> 00:24:29,310

like the dolphins and the whales so your

529

00:24:39,200 --> 00:24:35,280

100% on point again so I'm serious be

530

00:24:40,850 --> 00:24:39,210

you need a partner in business he is

531

00:24:42,890 --> 00:24:40,860

just showing that everyone its psychic

532

00:24:44,480 --> 00:24:42,900

you can do it it also came from the

533

00:24:49,610 --> 00:24:44,490

cetaceans which are the dolphins and the

534

00:24:51,740 --> 00:24:49,620

whales so this actually was a set of

535

00:24:54,380 --> 00:24:51,750

codes that I created when I channel they

536

00:24:55,880 --> 00:24:54,390

all three grid points for the ocean

537

00:24:59,390 --> 00:24:55,890

there are three ocean grid points and

538

00:25:01,670 --> 00:24:59,400

the council wanted me to ask people who

539

00:25:04,160 --> 00:25:01,680

were called to do the mission with me to

540

00:25:07,520 --> 00:25:04,170

just anchor in love and light to work

541

00:25:09,920 --> 00:25:07,530

with the waters the bodies of water on

542

00:25:11,990 --> 00:25:09,930

this planet so basically this coding

543

00:25:14,950 --> 00:25:12,000

here was specifically for water healing

544

00:25:19,550 --> 00:25:14,960

and just bringing in those those

545

00:25:23,210 --> 00:25:19,560

frequencies for the planet and finally

546

00:25:26,710 --> 00:25:23,220

the last one I saw floating around the

547

00:25:29,680 --> 00:25:26,720

social media stream today this one looks

548

00:25:33,530 --> 00:25:29,690

hieroglyphic to me very Egyptian like

549

00:25:35,960 --> 00:25:33,540

mm-hmm I can feel that as well with this

550

00:25:37,610 --> 00:25:35,970

one um this is a huge painting that I

551
00:25:42,380 --> 00:25:37,620
actually just use me it feels very

552
00:25:47,150 --> 00:25:42,390
tablet like Maurice yet actually prime

553
00:25:50,600 --> 00:25:47,160
was like um it's 22 feet wide by four

554
00:25:52,789 --> 00:25:50,610
feet tall it says a painting i actually

555
00:25:55,520 --> 00:25:52,799
did for my home so it's sitting in my

556
00:25:58,190 --> 00:25:55,530
living room because i wanted to so

557
00:26:01,130 --> 00:25:58,200
basically you can code for light

558
00:26:03,680 --> 00:26:01,140
language so we can put intention in the

559
00:26:05,240 --> 00:26:03,690
work and then we can also channel the

560
00:26:07,250 --> 00:26:05,250
works and sometimes it's a combination

561
00:26:09,110 --> 00:26:07,260
of both so this one definitely is a

562
00:26:11,240 --> 00:26:09,120
combination of both what the council and

563
00:26:14,570 --> 00:26:11,250

my guides wanted and what i wanted so i

564

00:26:19,120 --> 00:26:14,580

used the background color to bring in

565

00:26:22,090 --> 00:26:19,130

the watery aspect the intuition calming

566

00:26:25,190 --> 00:26:22,100

just all of the very tranquil

567

00:26:26,539 --> 00:26:25,200

frequencies and then i used gold so it

568

00:26:29,810 --> 00:26:26,549

kind of appears yellow here but it's

569

00:26:33,289 --> 00:26:29,820

actually a very shimmery gold for the

570

00:26:35,390 --> 00:26:33,299

coding because I the first symbols I

571

00:26:37,850 --> 00:26:35,400

ever actually saw in my mind's eye work

572

00:26:41,690 --> 00:26:37,860

gold so there's coding here from Lyra

573

00:26:45,169 --> 00:26:41,700

serious Andromeda Pegasus which is a

574

00:26:48,680 --> 00:26:45,179

constellation and camel up artists that

575

00:26:51,500 --> 00:26:48,690

I cover them all yes so those are it's

576

00:26:53,750 --> 00:26:51,510

really it's me so in a lot of ways this

577

00:26:56,270 --> 00:26:53,760

is me it's from I was channeled for my

578

00:26:58,310 --> 00:26:56,280

house and you know my partner and I that

579

00:27:01,010 --> 00:26:58,320

live here when he looked at it was like

580

00:27:03,620 --> 00:27:01,020

he was like whoa that's really big but

581

00:27:06,020 --> 00:27:03,630

just pushing through all this starlight

582

00:27:07,430 --> 00:27:06,030

and I definitely can feel the tablet

583

00:27:10,340 --> 00:27:07,440

because what came up for me was the

584

00:27:13,340 --> 00:27:10,350

Emerald Tablet channeled by Thor created

585

00:27:17,560 --> 00:27:13,350

by both so we've got music of spheres

586

00:27:20,270 --> 00:27:17,570

fact ality we have be medicine just like

587

00:27:21,860 --> 00:27:20,280

dimensional gate keepers and there's

588

00:27:25,700 --> 00:27:21,870

just an in the coding here so there's a

589

00:27:28,010 --> 00:27:25,710

lot in the coding and it's just speaking

590

00:27:29,390 --> 00:27:28,020

to all of my personal downloads and

591

00:27:32,480 --> 00:27:29,400

missions that are going on in my life

592

00:27:33,980 --> 00:27:32,490

right now so I'm excited to see what

593

00:27:36,470 --> 00:27:33,990

happens with it because I'm still

594

00:27:38,440 --> 00:27:36,480

digesting it it's very new it came in

595

00:27:40,900 --> 00:27:38,450

last night so

596

00:27:44,320 --> 00:27:40,910

the picture behind your light language

597

00:27:46,900 --> 00:27:44,330

images of the person person lying on the

598

00:27:49,330 --> 00:27:46,910

galaxy when I was surfing the web to

599

00:27:51,370 --> 00:27:49,340

create this page to drop your images

600

00:27:53,830 --> 00:27:51,380

there i saw that and immediately felt

601
00:27:57,490 --> 00:27:53,840
like you being created by galactic

602
00:27:59,590 --> 00:27:57,500
energy oh it just thought about liking

603
00:28:00,700 --> 00:27:59,600
we about to be at the bottom of the hour

604
00:28:03,730 --> 00:28:00,710
and i do want to get on to the other

605
00:28:07,390 --> 00:28:03,740
subjects which is the star people as

606
00:28:09,760 --> 00:28:07,400
well as cosmic updates um would you give

607
00:28:14,920 --> 00:28:09,770
us a sample of your light language and

608
00:28:16,870 --> 00:28:14,930
go as long as you like sure so first a

609
00:28:18,700 --> 00:28:16,880
message that we need a message that

610
00:28:23,010 --> 00:28:18,710
might impart something to us from a

611
00:28:26,050 --> 00:28:23,020
higher reality that that we need to hear

612
00:28:27,910 --> 00:28:26,060
absolutely so just bring your awareness

613
00:28:29,650 --> 00:28:27,920

into your heart space before we start

614

00:28:35,010 --> 00:28:29,660

just to open the hearts you can fully

615

00:28:41,770 --> 00:28:38,890

odhav re mera oh sorry Kira you to do

616

00:28:44,560 --> 00:28:41,780

irri to show so hi mera hulu totally

617

00:28:48,250 --> 00:28:44,570

terrific show so Mike Rotolo ready boom

618

00:28:51,730 --> 00:28:48,260

rato y be a minha mãe de usar hey here

619

00:28:55,950 --> 00:28:51,740

curitiba routine russia so many a la

620

00:28:59,520 --> 00:28:55,960

terapia more episodes OC amici Alera

621

00:29:03,400 --> 00:28:59,530

amana et vous chose ahem Aguirre Umbra

622

00:29:06,670 --> 00:29:03,410

Azula true vichitra emirati un bateau

623

00:29:12,100 --> 00:29:06,680

shah sahib nikita la un borracho de

624

00:29:15,400 --> 00:29:12,110

méxico sahara Kiara the main message

625

00:29:20,320 --> 00:29:15,410

with this the coding hair was directly

626

00:29:22,210 --> 00:29:20,330

going to the heart chakra is really

627

00:29:25,180 --> 00:29:22,220

helping you to remember your own bliss

628

00:29:26,760 --> 00:29:25,190

and your authenticity and to be a clear

629

00:29:30,970 --> 00:29:26,770

mirror for yourself and for others

630

00:29:32,980 --> 00:29:30,980

because when we hold our our soul we

631

00:29:37,180 --> 00:29:32,990

hold our potency we hold our frequencies

632

00:29:38,980 --> 00:29:37,190

in our body with so much integrity we're

633

00:29:42,100 --> 00:29:38,990

able to be clear mirrors for both

634

00:29:45,760 --> 00:29:42,110

ourselves ourselves and for others so

635

00:29:47,920 --> 00:29:45,770

that they too can be in their bliss and

636

00:29:50,530 --> 00:29:47,930

their authenticity so this is very much

637

00:29:52,060 --> 00:29:50,540

so about finding yourself and being in

638

00:29:53,830 --> 00:29:52,070

your in your light in New York

639

00:29:58,120 --> 00:29:53,840

and helping others encouraging others to

640

00:30:01,750 --> 00:29:58,130

do that as well amazing i'm sitting here

641

00:30:04,210 --> 00:30:01,760

taking that in and it's like I you know

642

00:30:08,140 --> 00:30:04,220

I like you said I can feel it it makes

643

00:30:10,690 --> 00:30:08,150

sense to me it's is very appealing to

644

00:30:13,840 --> 00:30:10,700

listen to with the ears but it's more

645

00:30:16,660 --> 00:30:13,850

delicious because it stimulates the

646

00:30:19,450 --> 00:30:16,670

heart i can i can truly feel your

647

00:30:23,050 --> 00:30:19,460

connection in my connection to in with

648

00:30:25,540 --> 00:30:23,060

you as you were speaking this particular

649

00:30:29,530 --> 00:30:25,550

language is very very cool it's almost

650

00:30:31,510 --> 00:30:29,540

like a sole massage absolutely i can i

651
00:30:34,330 --> 00:30:31,520
can agree with that and that came from

652
00:30:39,580 --> 00:30:34,340
Sirius so just to give you well it's

653
00:30:41,650 --> 00:30:39,590
liars I'm serious Vanessa way at the

654
00:30:43,540 --> 00:30:41,660
bottom of the hour would you please give

655
00:30:44,860 --> 00:30:43,550
out your contact information so the

656
00:30:47,950 --> 00:30:44,870
centre of light listening audience could

657
00:30:51,790 --> 00:30:47,960
find more about you and your delicious

658
00:30:59,440 --> 00:30:51,800
work absolutely okay so first my website

659
00:31:01,180 --> 00:30:59,450
is wwan SI la mort mort a calm and you

660
00:31:03,190 --> 00:31:01,190
can find me on instagram i post a lot on

661
00:31:06,040 --> 00:31:03,200
instagram because the images and all of

662
00:31:08,800 --> 00:31:06,050
my star writing so my instagram is at

663
00:31:11,290 --> 00:31:08,810

Vanessa la morte you can also find me on

664

00:31:16,330 --> 00:31:11,300

facebook just viewing my name or you

665

00:31:18,010 --> 00:31:16,340

know through Keith's um friend list but

666

00:31:23,440 --> 00:31:18,020

I'd like to get to the cosmic updates

667

00:31:26,140 --> 00:31:23,450

are we ready I am I am thoroughly okay

668

00:31:29,200 --> 00:31:26,150

awesome so talking with Larry and Syrian

669

00:31:32,430 --> 00:31:29,210

council this morning they were very very

670

00:31:34,780 --> 00:31:32,440

adamant about me sharing that from now

671

00:31:39,790 --> 00:31:34,790

so going into july until about

672

00:31:42,310 --> 00:31:39,800

mid-september is a very very um i think

673

00:31:44,470 --> 00:31:42,320

the word the best word is concentrated

674

00:31:46,990 --> 00:31:44,480

and potent time for everyone

675

00:31:50,160 --> 00:31:47,000

energetically so if you've noticed we've

676

00:31:52,390 --> 00:31:50,170

had a lot of increased solar activity

677

00:31:54,750 --> 00:31:52,400

because there's a lot of codes and

678

00:31:58,060 --> 00:31:54,760

energy coming from the central sun and

679

00:32:01,810 --> 00:31:58,070

when the solar activity comes in it's

680

00:32:04,090 --> 00:32:01,820

really important to be hyper aware of

681

00:32:05,500 --> 00:32:04,100

yourself and others because sometimes it

682

00:32:09,340 --> 00:32:05,510

can be very aggravating or

683

00:32:11,110 --> 00:32:09,350

it can be very triggering because the

684

00:32:13,240 --> 00:32:11,120

solar energy is coming in is just really

685

00:32:15,010 --> 00:32:13,250

toasting a lot of the junk DNA and the

686

00:32:17,860 --> 00:32:15,020

frequencies in the body that no longer

687

00:32:21,670 --> 00:32:17,870

serve your highest good so being very

688

00:32:24,130 --> 00:32:21,680

aware of yourself and you know how you

689

00:32:27,910 --> 00:32:24,140

may be responding versus may be reacting

690

00:32:31,990 --> 00:32:27,920

to others is important and they also

691

00:32:33,460 --> 00:32:32,000

really wanted to mention that there's

692

00:32:35,280 --> 00:32:33,470

going to be a lot of evaluation of

693

00:32:36,910 --> 00:32:35,290

values and belief systems and

694

00:32:40,780 --> 00:32:36,920

encouraging you to know where you stand

695

00:32:44,860 --> 00:32:40,790

with yourself and where you are there's

696

00:32:47,860 --> 00:32:44,870

just a lot of I guess recalibration is a

697

00:32:51,220 --> 00:32:47,870

good word or reevaluation of of where we

698

00:32:53,500 --> 00:32:51,230

are so this can be just an aggravating

699

00:32:55,840 --> 00:32:53,510

time because sometimes we have to dig

700

00:32:58,630 --> 00:32:55,850

through our own psyche and our own being

701
00:33:00,850 --> 00:32:58,640
and it can be a little dark night of the

702
00:33:03,880 --> 00:33:00,860
soul ish not to say that it has to be

703
00:33:07,360 --> 00:33:03,890
that way but just knowing that it's

704
00:33:09,490 --> 00:33:07,370
going to get kind of intense and just

705
00:33:11,320 --> 00:33:09,500
keeping holding your frequency and

706
00:33:13,120 --> 00:33:11,330
holding your your light is really

707
00:33:15,760 --> 00:33:13,130
important right now describe in detail

708
00:33:17,590 --> 00:33:15,770
if you would describe intense you said

709
00:33:20,410 --> 00:33:17,600
it's going to be intense what do you

710
00:33:22,390 --> 00:33:20,420
mean by intense sure by intensity I mean

711
00:33:27,250 --> 00:33:22,400
increased synchronicity so you might

712
00:33:29,830 --> 00:33:27,260
start seeing repeating numbers so maybe

713
00:33:33,640 --> 00:33:29,840

1 1 1 333 the 555 so increasing

714

00:33:37,230 --> 00:33:33,650

chronicity with numbers symbols I do

715

00:33:39,810 --> 00:33:37,240

sense a lot of dream work happening and

716

00:33:42,310 --> 00:33:39,820

increasing from now until mid-september

717

00:33:44,380 --> 00:33:42,320

so just really pay attention to the

718

00:33:47,260 --> 00:33:44,390

dreams so you might have you know people

719

00:33:49,210 --> 00:33:47,270

visiting you beings visiting you if

720

00:33:50,500 --> 00:33:49,220

you're ready for it only benevolent

721

00:33:54,580 --> 00:33:50,510

beings will visit you when you're ready

722

00:33:57,730 --> 00:33:54,590

for it just a heads up i do i do know

723

00:33:59,650 --> 00:33:57,740

that they're there will be more galactic

724

00:34:01,660 --> 00:33:59,660

people on the earth both

725

00:34:03,490 --> 00:34:01,670

inter-dimensionally and just walking

726

00:34:07,360 --> 00:34:03,500

amongst us a lot of them are humanoid

727

00:34:08,889 --> 00:34:07,370

and the Lyran syrian council was talking

728

00:34:11,440 --> 00:34:08,899

about how it's it's important to be

729

00:34:15,580 --> 00:34:11,450

embracing that aspect of ourselves so

730

00:34:16,990 --> 00:34:15,590

that we can work with them galactic

731

00:34:19,119 --> 00:34:17,000

beings never like Glocks it beings they

732

00:34:22,839 --> 00:34:19,129

don't intervene because that would be

733

00:34:24,999 --> 00:34:22,849

gation of our will so calling upon them

734

00:34:28,869 --> 00:34:25,009

and asking them for a system assistance

735

00:34:30,519 --> 00:34:28,879

ISM is important so that we can get the

736

00:34:32,319 --> 00:34:30,529

information we can do the work but

737

00:34:34,960 --> 00:34:32,329

they're not going to negate our well so

738

00:34:36,759 --> 00:34:34,970

we have to ask that's one aspect to this

739

00:34:38,559 --> 00:34:36,769

and then they're also saying that

740

00:34:41,369 --> 00:34:38,569

there's going to be people who are

741

00:34:44,799 --> 00:34:41,379

having increased downloads in our

742

00:34:46,389 --> 00:34:44,809

channelings so again pay paying

743

00:34:49,569 --> 00:34:46,399

attention to your process paying

744

00:34:50,919 --> 00:34:49,579

attention to your dreams because a lot

745

00:34:52,749 --> 00:34:50,929

of downloads come through dreams and by

746

00:34:56,019 --> 00:34:52,759

downloads I just mean maybe seemingly

747

00:34:57,670 --> 00:34:56,029

random information but really holds a

748

00:34:59,740 --> 00:34:57,680

lot of meaning or but because you can

749

00:35:02,829 --> 00:34:59,750

feel it because there's an energy behind

750

00:35:05,799 --> 00:35:02,839

it so just document your process and be

751
00:35:07,120 --> 00:35:05,809
hyper aware of it but the reason why

752
00:35:08,109 --> 00:35:07,130
there's a lot of downloads coming is

753
00:35:09,039 --> 00:35:08,119
because they're giving us the

754
00:35:11,559 --> 00:35:09,049
information they're feeding us

755
00:35:13,900 --> 00:35:11,569
information so that you know everyone

756
00:35:17,049 --> 00:35:13,910
here who lives on earth is an ambassador

757
00:35:18,940 --> 00:35:17,059
for the planet so that they can do the

758
00:35:21,490 --> 00:35:18,950
work and carry out the mission for the

759
00:35:23,650 --> 00:35:21,500
greater good of the universe so just

760
00:35:24,849 --> 00:35:23,660
being very aware of what's going on so

761
00:35:28,269 --> 00:35:24,859
that's what i mean by intense a lot

762
00:35:30,249 --> 00:35:28,279
going on cosmically there's a lot

763
00:35:32,980 --> 00:35:30,259

shifting in our on our planet right now

764

00:35:35,019 --> 00:35:32,990

and just being in our love and light so

765

00:35:39,009 --> 00:35:35,029

that we can we can have the most

766

00:35:42,370 --> 00:35:39,019

graceful experience also it's a time of

767

00:35:44,380 --> 00:35:42,380

self-study so if there's a particular

768

00:35:47,499 --> 00:35:44,390

subject they said that you are looking

769

00:35:49,029 --> 00:35:47,509

to study they they are saying that

770

00:35:51,700 --> 00:35:49,039

collectively people are really being

771

00:35:54,069 --> 00:35:51,710

encouraged to look at these subjects and

772

00:35:56,499 --> 00:35:54,079

get into them read books watch videos

773

00:35:57,759 --> 00:35:56,509

and really educate yourself so I know

774

00:36:02,289 --> 00:35:57,769

that seems kind of general but there's

775

00:36:04,630 --> 00:36:02,299

like a very increased potency and

776

00:36:06,069 --> 00:36:04,640

increased energy behind this right now

777

00:36:08,230 --> 00:36:06,079

because it's just going to continue to

778

00:36:11,499 --> 00:36:08,240

ramp up post-september I don't I don't

779

00:36:12,700 --> 00:36:11,509

think things are going to quiet down but

780

00:36:14,470 --> 00:36:12,710

they just wanted me to look at that

781

00:36:15,640 --> 00:36:14,480

specific window of time because they're

782

00:36:18,059 --> 00:36:15,650

like that's what we need to focus on now

783

00:36:20,890 --> 00:36:18,069

and then we'll talk about the rest later

784

00:36:23,200 --> 00:36:20,900

full moon in Capricorn July first

785

00:36:25,749 --> 00:36:23,210

peaking at seven-thirty pacific standard

786

00:36:28,720 --> 00:36:25,759

time so that might be 1030 eastern time

787

00:36:32,900 --> 00:36:28,730

if you're interested in leaving the full

788

00:36:35,240 --> 00:36:32,910

moon and then we have the venus conjunct

789

00:36:39,140 --> 00:36:35,250

Jupiter on the 30th which is tomorrow

790

00:36:40,730 --> 00:36:39,150

I'm glad you brought that up awesome has

791

00:36:44,330 --> 00:36:40,740

it happened for 2,000 years so very

792

00:36:45,440 --> 00:36:44,340

important pay attention to mmm let me

793

00:36:47,000 --> 00:36:45,450

ask you this real quick from the chat

794

00:36:50,210 --> 00:36:47,010

room Neutron wants to ask a question

795

00:36:52,220 --> 00:36:50,220

this question is can vanessa tell us any

796

00:36:53,750 --> 00:36:52,230

signals from are curious and I said what

797

00:36:55,610 --> 00:36:53,760

do you mean by signals he said message

798

00:36:57,770 --> 00:36:55,620

is there a message that you can tap into

799

00:36:59,060 --> 00:36:57,780

the audience in this moment or even

800

00:37:02,450 --> 00:36:59,070

impression whatever it is you feel

801
00:37:05,270 --> 00:37:02,460
anything they would bring forth um via

802
00:37:06,530 --> 00:37:05,280
neutrons asking I'm so happy they

803
00:37:07,580 --> 00:37:06,540
brought up the experience I kind of

804
00:37:08,960 --> 00:37:07,590
forget about them because their

805
00:37:12,320 --> 00:37:08,970
collective that I don't work with as

806
00:37:16,280 --> 00:37:12,330
often as the Andromeda and siren Syrians

807
00:37:17,840 --> 00:37:16,290
and and so forth but actually last week

808
00:37:21,290 --> 00:37:17,850
I was working with the arcturians and

809
00:37:24,350 --> 00:37:21,300
their main message was um knowing that

810
00:37:25,760 --> 00:37:24,360
we're all soul architects and like

811
00:37:28,040 --> 00:37:25,770
building the life that we want and

812
00:37:30,200 --> 00:37:28,050
knowing that like we're building we're

813
00:37:31,880 --> 00:37:30,210

building the astral lives in the etheric

814

00:37:33,620 --> 00:37:31,890

labs like it's already created out there

815

00:37:35,630 --> 00:37:33,630

in the upper dimensions and it's really

816

00:37:37,100 --> 00:37:35,640

about grounding and bringing it down so

817

00:37:40,730 --> 00:37:37,110

they're focused last week and their

818

00:37:42,290 --> 00:37:40,740

messages were about grounding and being

819

00:37:43,700 --> 00:37:42,300

very present in the body so like getting

820

00:37:46,940 --> 00:37:43,710

into the physical body taking care of

821

00:37:48,830 --> 00:37:46,950

your health your diet getting you know

822

00:37:49,940 --> 00:37:48,840

high cardio in and under weight lifting

823

00:37:52,130 --> 00:37:49,950

if you're called to do that but it's

824

00:37:54,050 --> 00:37:52,140

like really getting into your physical

825

00:37:57,050 --> 00:37:54,060

body and grounding the frequencies in

826

00:38:00,770 --> 00:37:57,060

the body I love our experience because

827

00:38:02,600 --> 00:38:00,780

they're very knowledge-based they're

828

00:38:05,450 --> 00:38:02,610

kind of like librarians in a lot of ways

829

00:38:07,280 --> 00:38:05,460

because they hold so much information so

830

00:38:09,710 --> 00:38:07,290

if anybody is interested in like tapping

831

00:38:12,320 --> 00:38:09,720

in their kind of like the Akashic

832

00:38:13,670 --> 00:38:12,330

records but it's different but they hold

833

00:38:16,550 --> 00:38:13,680

a lot of information a lot of libraries

834

00:38:18,380 --> 00:38:16,560

so if you're interested ask them ask the

835

00:38:20,210 --> 00:38:18,390

Arcturians to come forward to give you

836

00:38:24,830 --> 00:38:20,220

the information because they're very

837

00:38:26,540 --> 00:38:24,840

book warmish and they're healers so

838

00:38:28,370 --> 00:38:26,550

they'll give you the information there's

839

00:38:29,720 --> 00:38:28,380

an increased amount of our Katrien on

840

00:38:31,400 --> 00:38:29,730

the planet right this minute so I feel

841

00:38:34,550 --> 00:38:31,410

like that's a synchronicity for the

842

00:38:37,940 --> 00:38:34,560

question so thank you for asking because

843

00:38:40,040 --> 00:38:37,950

I fantastic fantastic I already know the

844

00:38:43,310 --> 00:38:40,050

answer to a degree but I want to ask you

845

00:38:46,240 --> 00:38:43,320

how it feels to you which way would be

846

00:38:49,120 --> 00:38:46,250

more true I think they're probably both

847

00:38:55,750 --> 00:38:49,130

true these beings that your contact with

848

00:38:57,490 --> 00:38:55,760

artyrians the council is it more from

849

00:39:00,280 --> 00:38:57,500

the perspective that they're helping

850

00:39:06,850 --> 00:39:00,290

because they love us and want to see us

851
00:39:08,920 --> 00:39:06,860
expand or is it because what we do helps

852
00:39:11,260 --> 00:39:08,930
them expand on I'm sure both are true

853
00:39:15,280 --> 00:39:11,270
but me because they're already quote

854
00:39:19,480 --> 00:39:15,290
there where we want to be but does it

855
00:39:21,820 --> 00:39:19,490
help in their expansion as well I would

856
00:39:23,140 --> 00:39:21,830
say yes definitely both are true you're

857
00:39:26,530 --> 00:39:23,150
you're one hundred percent correct

858
00:39:28,570 --> 00:39:26,540
they're the biggest mission of the star

859
00:39:29,740 --> 00:39:28,580
people and why they're contacting I get

860
00:39:30,760 --> 00:39:29,750
this ass this whole time why did they

861
00:39:32,110 --> 00:39:30,770
contact us if they could do it

862
00:39:33,460 --> 00:39:32,120
themselves why don't if they're so

863
00:39:37,060 --> 00:39:33,470

advanced why don't they just do it

864

00:39:38,590 --> 00:39:37,070

themselves and what's really important

865

00:39:41,140 --> 00:39:38,600

to realize is that Earth is a very

866

00:39:42,460 --> 00:39:41,150

unique place to be incarnated we have a

867

00:39:44,410 --> 00:39:42,470

lot of very unique conditions and it's

868

00:39:46,660 --> 00:39:44,420

very very special to be incarnated here

869

00:39:47,980 --> 00:39:46,670

so everyone that lives on earth that's

870

00:39:52,270 --> 00:39:47,990

listening to this you're very very

871

00:39:53,590 --> 00:39:52,280

special so know that why they're

872

00:39:55,870 --> 00:39:53,600

contacting us and giving us information

873

00:39:57,790 --> 00:39:55,880

is because we kind of are the missing

874

00:39:59,320 --> 00:39:57,800

piece in a lot of ways not to say we're

875

00:40:02,200 --> 00:39:59,330

the only one and that were like the

876

00:40:03,670 --> 00:40:02,210

chosen people but um because I know that

877

00:40:05,710 --> 00:40:03,680

they are working with other galaxies and

878

00:40:07,180 --> 00:40:05,720

other other systems to do similar things

879

00:40:10,240 --> 00:40:07,190

you know a lot all the groups are

880

00:40:13,720 --> 00:40:10,250

working together right now but earth

881

00:40:17,140 --> 00:40:13,730

holds a specific frequency and by coming

882

00:40:18,910 --> 00:40:17,150

together in light and love and you know

883

00:40:20,880 --> 00:40:18,920

raising the frequencies together we can

884

00:40:23,500 --> 00:40:20,890

provide that missing puzzle piece and

885

00:40:26,590 --> 00:40:23,510

continue to expand so its expansion on

886

00:40:29,320 --> 00:40:26,600

our part its expansion for all of the

887

00:40:31,780 --> 00:40:29,330

other collectives and for the universe

888

00:40:33,220 --> 00:40:31,790

it's just about bringing in more more

889

00:40:35,770 --> 00:40:33,230

love and actually getting closer to

890

00:40:37,210 --> 00:40:35,780

source whatever that is for each of you

891

00:40:38,790 --> 00:40:37,220

because I know that we can get into

892

00:40:41,440 --> 00:40:38,800

different religions and different

893

00:40:42,940 --> 00:40:41,450

doctrines and ideas but it's really

894

00:40:45,070 --> 00:40:42,950

about calling going back to source and

895

00:40:48,250 --> 00:40:45,080

you know being in that space in that

896

00:40:51,970 --> 00:40:48,260

bliss space so earth holds that's that

897

00:40:55,360 --> 00:40:51,980

special key and by helping us we're

898

00:40:57,840 --> 00:40:55,370

helping them and vice versa you know

899

00:41:01,500 --> 00:40:57,850

yeah the idea that what we

900

00:41:02,820 --> 00:41:01,510

do can help them expand to greater

901
00:41:04,380 --> 00:41:02,830
levels it's like well if they already

902
00:41:06,480 --> 00:41:04,390
there they definitely can do this

903
00:41:09,000 --> 00:41:06,490
without us but you know is there

904
00:41:12,030 --> 00:41:09,010
possibly greater levels of bliss to be

905
00:41:15,000 --> 00:41:12,040
obtained absolutely you know God is

906
00:41:18,060 --> 00:41:15,010
infinite so there many many it's

907
00:41:19,830 --> 00:41:18,070
infinite degrees I wouldn't say

908
00:41:22,980 --> 00:41:19,840
necessarily levels it should be a right

909
00:41:25,410 --> 00:41:22,990
word but degrees of bliss they would

910
00:41:27,480 --> 00:41:25,420
have to be endless and coming from my

911
00:41:30,120 --> 00:41:27,490
best cell of the Divine Principle that

912
00:41:34,770 --> 00:41:30,130
particular work says that Earth is so

913
00:41:36,570 --> 00:41:34,780

special that we are a star literally the

914

00:41:40,230 --> 00:41:36,580

planet is a star I don't mean like in

915

00:41:42,600 --> 00:41:40,240

the form of a celestial planetary system

916

00:41:46,140 --> 00:41:42,610

but it's a star as in like Hollywood the

917

00:41:48,450 --> 00:41:46,150

entire gaze is on us and what we do not

918

00:41:51,030 --> 00:41:48,460

only for ourselves because this place is

919

00:41:53,130 --> 00:41:51,040

an experiment you know all these coming

920

00:41:55,200 --> 00:41:53,140

together of these different races of

921

00:41:58,430 --> 00:41:55,210

being throughout the galaxies with RNA

922

00:42:01,950 --> 00:41:58,440

DNA they quote made the human species

923

00:42:04,880 --> 00:42:01,960

but they want to find out what we're

924

00:42:08,450 --> 00:42:04,890

doing how we doing it how it's working

925

00:42:13,860 --> 00:42:08,460

how other civilizations can expand from

926

00:42:20,310 --> 00:42:13,870

what we do with all this but also the

927

00:42:23,960 --> 00:42:20,320

fact that all beings in the universe can

928

00:42:28,050 --> 00:42:23,970

aspire to human hood and there's a long

929

00:42:31,610 --> 00:42:28,060

line whitford for souls waiting to be

930

00:42:34,920 --> 00:42:31,620

born but it is only through human birth

931

00:42:38,430 --> 00:42:34,930

that God can be fully realized now this

932

00:42:39,840 --> 00:42:38,440

is not saying that all these cosmic

933

00:42:41,220 --> 00:42:39,850

beings all these galactic beings all

934

00:42:44,100 --> 00:42:41,230

these different energies be at whatever

935

00:42:45,900 --> 00:42:44,110

particular galactic civilization maybe

936

00:42:48,480 --> 00:42:45,910

this is not saying they're like many

937

00:42:52,920 --> 00:42:48,490

many many rungs up on the spiritual

938

00:42:56,130 --> 00:42:52,930

ladder and consciousness but that it is

939

00:42:59,700 --> 00:42:56,140

only through human birth that divine

940

00:43:01,590 --> 00:42:59,710

realization can happen so you know why

941

00:43:05,280 --> 00:43:01,600

we here we met as might as well making

942

00:43:09,090 --> 00:43:05,290

it the best shot that we have absolutely

943

00:43:11,690 --> 00:43:09,100

mm-hmm I think that it's most important

944

00:43:14,630 --> 00:43:11,700

to realize that being in our humanity

945

00:43:16,760 --> 00:43:14,640

and our bliss whatever that means for

946

00:43:18,710 --> 00:43:16,770

each of you is the most it is the

947

00:43:23,020 --> 00:43:18,720

mission of everyone here what it looks

948

00:43:25,520 --> 00:43:23,030

like is different for everybody but

949

00:43:27,950 --> 00:43:25,530

taking a very integrated and balanced

950

00:43:29,930 --> 00:43:27,960

view is like well because a lot of Star

951
00:43:32,210 --> 00:43:29,940
seats will be completely left wing and

952
00:43:35,920 --> 00:43:32,220
they'll get very very excited by the

953
00:43:38,839 --> 00:43:35,930
cosmic aspect and psychic ability and

954
00:43:40,690 --> 00:43:38,849
telepathy and all of these superhuman

955
00:43:43,040 --> 00:43:40,700
are quote unquote super human

956
00:43:45,079 --> 00:43:43,050
capabilities and what I think a lot of

957
00:43:47,900 --> 00:43:45,089
people fail to realize is that actually

958
00:43:51,440 --> 00:43:47,910
accessing all of that accessing the

959
00:43:56,540 --> 00:43:51,450
universe that is you accessing yourself

960
00:44:00,260 --> 00:43:56,550
and the universe y.o.u and I ve RS e is

961
00:44:03,319 --> 00:44:00,270
that we were called to be in our

962
00:44:05,930 --> 00:44:03,329
humanity and be balanced and and it's

963
00:44:11,060 --> 00:44:05,940

accessing that state that were able to

964

00:44:15,200 --> 00:44:11,070

do everything so um the biggest thing

965

00:44:18,260 --> 00:44:15,210

that we can do is be who were meant to

966

00:44:20,930 --> 00:44:18,270

be which is authentic where we were born

967

00:44:22,819 --> 00:44:20,940

to be and follow and just continuously

968

00:44:25,160 --> 00:44:22,829

follow that with every single thing that

969

00:44:28,819 --> 00:44:25,170

we do it's all frequency so you know if

970

00:44:30,410 --> 00:44:28,829

today you choose to be authentic you're

971

00:44:31,940 --> 00:44:30,420

going to get more authenticity more

972

00:44:34,099 --> 00:44:31,950

authentic opportunities and you're going

973

00:44:35,900 --> 00:44:34,109

to constantly send that out as you are

974

00:44:38,720 --> 00:44:35,910

also receiving it and just going to be

975

00:44:40,640 --> 00:44:38,730

this awesome cycle and then it's all

976

00:44:42,200 --> 00:44:40,650

about the other thing too that is that

977

00:44:45,109 --> 00:44:42,210

it's all about choice so should you

978

00:44:48,410 --> 00:44:45,119

choose to maybe take a an experience or

979

00:44:49,700 --> 00:44:48,420

opportunity that's not so authentic to

980

00:44:51,079 --> 00:44:49,710

you and maybe you're going to

981

00:44:54,609 --> 00:44:51,089

continuously get more of that so it's

982

00:44:56,930 --> 00:44:54,619

just more intensive just to be in your

983

00:44:58,130 --> 00:44:56,940

complete bliss in your authenticity and

984

00:45:00,410 --> 00:44:58,140

we can go into law of attraction but

985

00:45:02,240 --> 00:45:00,420

that'll take a long time but just the

986

00:45:03,920 --> 00:45:02,250

very basic you you get what you put out

987

00:45:05,000 --> 00:45:03,930

of it my dad told me that long time ago

988

00:45:07,220 --> 00:45:05,010

I don't think he was thinking about

989

00:45:09,370 --> 00:45:07,230

frequencies and a lot of attraction but

990

00:45:11,750 --> 00:45:09,380

it you know to me it's really simple

991

00:45:14,240 --> 00:45:11,760

with everything that you do if you can

992

00:45:18,380 --> 00:45:14,250

stay in that state you're going to get

993

00:45:19,970 --> 00:45:18,390

more of it not about 15 minutes left to

994

00:45:21,950 --> 00:45:19,980

Center of light radio for today every

995

00:45:23,540 --> 00:45:21,960

Monday night 6 p.m. eastern daylight

996

00:45:24,920 --> 00:45:23,550

time you can bet I have the most

997

00:45:28,579 --> 00:45:24,930

phenomenal guests

998

00:45:29,750 --> 00:45:28,589

and today just produced that if you want

999

00:45:33,319 --> 00:45:29,760

to call into the show still have a few

1000

00:45:38,630 --> 00:45:33,329

minutes left triple 8 9 19 2 3 5 5 8 8 8

1001
00:45:41,839 --> 00:45:38,640
9 19 2 3 5 5 my guess is vanessa l'amour

1002
00:45:46,130 --> 00:45:41,849
take Vanessa let me ask you is does all

1003
00:45:47,240 --> 00:45:46,140
these cosmic beings do they talk to each

1004
00:45:51,200 --> 00:45:47,250
other I mean okay you're in touch with

1005
00:45:52,940 --> 00:45:51,210
the Valerians and this Syrians and you

1006
00:45:55,520 --> 00:45:52,950
know on all these different galactic

1007
00:45:57,410 --> 00:45:55,530
forms are they aware that that one is

1008
00:45:59,510 --> 00:45:57,420
talking to you and that one is talking

1009
00:46:01,430 --> 00:45:59,520
to you and do they ever converse among

1010
00:46:03,859 --> 00:46:01,440
themselves are you able to eavesdrop and

1011
00:46:05,870 --> 00:46:03,869
hear them dialoguing I mean how does

1012
00:46:08,630 --> 00:46:05,880
that work from your perspective of being

1013
00:46:11,390 --> 00:46:08,640

a channel that's wide open to the cosmic

1014

00:46:13,430 --> 00:46:11,400

language absolutely so I have a lot of

1015

00:46:16,880 --> 00:46:13,440

ship visitation and by location

1016

00:46:19,160 --> 00:46:16,890

experiences so Lions the Lyran Syrian

1017

00:46:21,109 --> 00:46:19,170

Council has its own ship and we have a

1018

00:46:22,790 --> 00:46:21,119

lot of visitors like good visitors so

1019

00:46:25,190 --> 00:46:22,800

sometimes we're hosting different

1020

00:46:27,829 --> 00:46:25,200

Andromedan people's the collective the

1021

00:46:30,079 --> 00:46:27,839

council itself is very diverse so we do

1022

00:46:31,460 --> 00:46:30,089

have they're not they call it the liar

1023

00:46:33,109 --> 00:46:31,470

in Syrian council because the ship

1024

00:46:35,329 --> 00:46:33,119

actually you know bounces between liar

1025

00:46:37,700 --> 00:46:35,339

and serious and there's a lot of lions

1026
00:46:39,410 --> 00:46:37,710
and Syrians on the council but we also

1027
00:46:42,849 --> 00:46:39,420
happen drama tins and pleadings and

1028
00:46:45,710 --> 00:46:42,859
Arcturians so it's very comprehensive in

1029
00:46:48,799 --> 00:46:45,720
global they are aware of you know the

1030
00:46:52,309 --> 00:46:48,809
multiple beings are speaking with me and

1031
00:46:54,950 --> 00:46:52,319
i would i would venture to say that this

1032
00:47:00,609 --> 00:46:54,960
goes into the information about galactic

1033
00:47:05,240 --> 00:47:03,079
collective I would say the Galactic

1034
00:47:09,230 --> 00:47:05,250
Federation is just a very general term

1035
00:47:10,609 --> 00:47:09,240
for all of the star people and

1036
00:47:15,829 --> 00:47:10,619
civilizations that are working for

1037
00:47:18,680 --> 00:47:15,839
benevolence and they understand that

1038
00:47:20,900 --> 00:47:18,690

it's a very it's kind of like just

1039

00:47:22,250 --> 00:47:20,910

becoming a big melting pot you know

1040

00:47:24,020 --> 00:47:22,260

everything's just coming together and

1041

00:47:26,329 --> 00:47:24,030

everyone's talking to each other and it

1042

00:47:28,190 --> 00:47:26,339

doesn't really matter i distinguish it

1043

00:47:29,630 --> 00:47:28,200

because it's easy for me to distinguish

1044

00:47:31,460 --> 00:47:29,640

okay this one comes from Sirius and this

1045

00:47:34,670 --> 00:47:31,470

comes from here but it really is it's

1046

00:47:36,710 --> 00:47:34,680

all the same in its own way that's all a

1047

00:47:38,390 --> 00:47:36,720

fractal so it's like you know it's all

1048

00:47:40,370 --> 00:47:38,400

representative of the whole

1049

00:47:41,750 --> 00:47:40,380

just has a different flavor I guess so

1050

00:47:43,640 --> 00:47:41,760

that's why I use the different terms I

1051
00:47:45,380 --> 00:47:43,650
want to ask you the same question and

1052
00:47:47,950 --> 00:47:45,390
again differently and I mean I mean it

1053
00:47:51,710 --> 00:47:47,960
sincerely I mean it flip it at all as

1054
00:47:55,430 --> 00:47:51,720
above so below we have facebook there is

1055
00:47:57,019 --> 00:47:55,440
a stream and everyone is able to see

1056
00:48:01,299 --> 00:47:57,029
that stream everyone is able to

1057
00:48:05,630 --> 00:48:01,309
participate if as above so below is

1058
00:48:08,359 --> 00:48:05,640
there a cosmic Facebook meaning is there

1059
00:48:09,799 --> 00:48:08,369
a conscious but there is but in the

1060
00:48:16,849 --> 00:48:09,809
sense that I'm asking a question is

1061
00:48:18,380 --> 00:48:16,859
there a stream that you are able meaning

1062
00:48:20,329 --> 00:48:18,390
you because you have the ability not

1063
00:48:23,240 --> 00:48:20,339

that everyone doesn't have it years is

1064

00:48:24,680 --> 00:48:23,250

just an active do you is there a cosmic

1065

00:48:26,900 --> 00:48:24,690

stream that when you want to play in a

1066

00:48:29,029 --> 00:48:26,910

cosmic facebook that you can just shift

1067

00:48:33,289 --> 00:48:29,039

your awareness through simple intention

1068

00:48:34,789 --> 00:48:33,299

or will and just pick up frequencies and

1069

00:48:37,069 --> 00:48:34,799

energies and information and

1070

00:48:40,160 --> 00:48:37,079

conversations I mean is it is that how

1071

00:48:44,230 --> 00:48:40,170

it is for you somewhat to some degree it

1072

00:48:48,289 --> 00:48:44,240

really is i call it data streaming so um

1073

00:48:50,870 --> 00:48:48,299

the it's a little i guess it is just as

1074

00:48:53,750 --> 00:48:50,880

simple as facebook but just reminding

1075

00:48:55,519 --> 00:48:53,760

yourself and keeping in mind that what

1076

00:48:58,460 --> 00:48:55,529

is integrity for you and discernment

1077

00:49:00,140 --> 00:48:58,470

because just like on facebook you can

1078

00:49:01,880 --> 00:49:00,150

see wonderful quotes and messages and

1079

00:49:05,000 --> 00:49:01,890

inspirations from your friends and then

1080

00:49:07,099 --> 00:49:05,010

you can also see really not so nice

1081

00:49:08,720 --> 00:49:07,109

messages and things that that come

1082

00:49:11,599 --> 00:49:08,730

through that data stream so basically

1083

00:49:13,339 --> 00:49:11,609

yeah my channel works just just like

1084

00:49:14,269 --> 00:49:13,349

facebook i guess if you want to put it

1085

00:49:15,769 --> 00:49:14,279

that way I never thought of it like that

1086

00:49:17,930 --> 00:49:15,779

but yeah it works like that where you

1087

00:49:21,289 --> 00:49:17,940

know I'm just I can I can glean what I

1088

00:49:24,589 --> 00:49:21,299

need from any council and I can tune in

1089

00:49:26,299 --> 00:49:24,599

wherever I need to but being I'm careful

1090

00:49:30,380 --> 00:49:26,309

to say this because I want people to

1091

00:49:32,510 --> 00:49:30,390

have a very safe experience because you

1092

00:49:34,010 --> 00:49:32,520

can you can tap into other energies that

1093

00:49:36,920 --> 00:49:34,020

maybe wouldn't be in your highest best

1094

00:49:38,450 --> 00:49:36,930

interest so just ask your guides and the

1095

00:49:40,789 --> 00:49:38,460

universe to give you what's in your

1096

00:49:41,960 --> 00:49:40,799

highest best interest and what's an

1097

00:49:45,309 --> 00:49:41,970

integrity for you and just use

1098

00:49:48,410 --> 00:49:45,319

discernment with it but yeah it's very

1099

00:49:50,059 --> 00:49:48,420

accessible and as we go through this

1100

00:49:51,650 --> 00:49:50,069

time period from now and still September

1101

00:49:52,140 --> 00:49:51,660

the veils and the dimensions are going

1102

00:49:54,059 --> 00:49:52,150

to become

1103

00:49:55,740 --> 00:49:54,069

very the veils are coming becoming very

1104

00:49:59,099 --> 00:49:55,750

thin and the dimensions are a lot easier

1105

00:50:03,150 --> 00:49:59,109

to access right now I wanted to mention

1106

00:50:06,779 --> 00:50:03,160

really quickly the B people & B medicine

1107

00:50:09,569 --> 00:50:06,789

and how important it is to really not

1108

00:50:13,410 --> 00:50:09,579

spray pesticides both on like on earth

1109

00:50:15,660 --> 00:50:13,420

because the bees here actually have

1110

00:50:18,269 --> 00:50:15,670

their galactic and interdimensional

1111

00:50:19,799 --> 00:50:18,279

collectives out there so not that we're

1112

00:50:22,769 --> 00:50:19,809

killing the galette the collective ones

1113

00:50:26,370 --> 00:50:22,779

but we need them on earth so it's

1114

00:50:28,319 --> 00:50:26,380

important to just be aware of how you're

1115

00:50:30,750 --> 00:50:28,329

getting your produce to is why eat

1116

00:50:32,910 --> 00:50:30,760

organic I know it's it's expensive

1117

00:50:34,710 --> 00:50:32,920

sometimes for some people but just so

1118

00:50:36,890 --> 00:50:34,720

just an idea that to have in your mind

1119

00:50:39,329 --> 00:50:36,900

because bees are actually the

1120

00:50:41,069 --> 00:50:39,339

interdimensional gatekeepers and they do

1121

00:50:43,140 --> 00:50:41,079

the pollinating both on a cosmic level

1122

00:50:48,059 --> 00:50:43,150

and on a very earthly level so they're

1123

00:50:50,490 --> 00:50:48,069

very instrumental for both and it's

1124

00:50:54,230 --> 00:50:50,500

really the same thing but for both ideas

1125

00:50:58,170 --> 00:50:54,240

or concepts and access points but

1126

00:51:00,390 --> 00:50:58,180

psychic ability is very very it's a very

1127

00:51:03,390 --> 00:51:00,400

intrinsic process my best advice to

1128

00:51:05,970 --> 00:51:03,400

anyone who is interested in increasing

1129

00:51:08,640 --> 00:51:05,980

their intuition is to be open to

1130

00:51:10,829 --> 00:51:08,650

yourself because it really starts from

1131

00:51:13,079 --> 00:51:10,839

the self so just be open and aware of

1132

00:51:15,120 --> 00:51:13,089

your body and what's going on on a very

1133

00:51:17,069 --> 00:51:15,130

personal level what you're thinking what

1134

00:51:18,839 --> 00:51:17,079

you're feeling how your body feels being

1135

00:51:20,700 --> 00:51:18,849

in your body and then from there

1136

00:51:23,279 --> 00:51:20,710

everything else is very simple actually

1137

00:51:24,480 --> 00:51:23,289

just everything else expands but if you

1138

00:51:26,700 --> 00:51:24,490

know what you're thinking and you know

1139

00:51:28,799 --> 00:51:26,710

how you're feeling then you can expand

1140

00:51:30,510 --> 00:51:28,809

that and know how other people are

1141

00:51:33,809 --> 00:51:30,520

thinking and feeling and in getting

1142

00:51:35,930 --> 00:51:33,819

information beyond yourself again

1143

00:51:39,120 --> 00:51:35,940

question from the chat room from Neutron

1144

00:51:42,809 --> 00:51:39,130

does Van Slyke does Vanessa get a

1145

00:51:45,210 --> 00:51:42,819

certain short physical feeling just

1146

00:51:49,920 --> 00:51:45,220

before receiving a message from the

1147

00:51:52,319 --> 00:51:49,930

collective hmm i guess i'm not sure what

1148

00:51:54,420 --> 00:51:52,329

short means i'm sometimes i'll explain

1149

00:51:58,349 --> 00:51:54,430

i'll explain two things that sometimes i

1150

00:52:03,000 --> 00:51:58,359

feel sometimes when specific beings come

1151
00:52:05,250 --> 00:52:03,010
in I experience like a the frequencies

1152
00:52:05,670 --> 00:52:05,260
of their of there being like next minute

1153
00:52:07,350 --> 00:52:05,680
fuel

1154
00:52:08,880 --> 00:52:07,360
short like in stature so maybe it feels

1155
00:52:10,260 --> 00:52:08,890
like two to three feet tall and that

1156
00:52:12,750 --> 00:52:10,270
would give me an indication of like the

1157
00:52:14,580 --> 00:52:12,760
beam coming in so if you mean short as

1158
00:52:16,440 --> 00:52:14,590
far as like electrical short sometimes

1159
00:52:20,280 --> 00:52:16,450
it does feel like a like a short or a

1160
00:52:21,990 --> 00:52:20,290
surge of energy so so both but it just

1161
00:52:23,790 --> 00:52:22,000
brings different awareness sometimes you

1162
00:52:26,190 --> 00:52:23,800
know it's about a being and in this

1163
00:52:27,990 --> 00:52:26,200

specific being that wants to speak

1164

00:52:30,600 --> 00:52:28,000

that's going forward sometimes it's just

1165

00:52:33,240 --> 00:52:30,610

a surge of energy what's important I

1166

00:52:35,310 --> 00:52:33,250

think to talk about really quickly to is

1167

00:52:37,050 --> 00:52:35,320

the frequencies and buzzing and

1168

00:52:40,350 --> 00:52:37,060

vibrations that happen in the ears with

1169

00:52:42,060 --> 00:52:40,360

galactic energy Yeah right you know if

1170

00:52:43,410 --> 00:52:42,070

you're getting buzzing a lot of times

1171

00:52:45,210 --> 00:52:43,420

people get in the left ear I've noticed

1172

00:52:47,760 --> 00:52:45,220

through my research and talking to

1173

00:52:52,230 --> 00:52:47,770

people it's the left ear many people

1174

00:52:54,480 --> 00:52:52,240

yeah I should retire absolutely but it's

1175

00:52:56,430 --> 00:52:54,490

like buzzing or frequencies or beeping

1176

00:52:58,350 --> 00:52:56,440

and it happened you can feel it it's

1177

00:52:59,610 --> 00:52:58,360

different it's different than hearing

1178

00:53:02,960 --> 00:52:59,620

something outside yourself it's

1179

00:53:05,880 --> 00:53:02,970

happening on an inner ear level it's not

1180

00:53:07,620 --> 00:53:05,890

tinnitus i think is the word so it's not

1181

00:53:09,840 --> 00:53:07,630

it's not just ringing in the air it's

1182

00:53:11,460 --> 00:53:09,850

it's like a specific frequency shift and

1183

00:53:12,660 --> 00:53:11,470

sometimes it's like boop boop boop it's

1184

00:53:15,720 --> 00:53:12,670

sometimes it'll just toggle between

1185

00:53:18,600 --> 00:53:15,730

sounds so again that hyper awareness of

1186

00:53:19,710 --> 00:53:18,610

the body and the self will help give you

1187

00:53:21,840 --> 00:53:19,720

information about the ringing in your

1188

00:53:23,700 --> 00:53:21,850

ear as well so then you know it's that's

1189

00:53:26,510 --> 00:53:23,710

why i said it's just pretty easy from

1190

00:53:28,890 --> 00:53:26,520

there if you have the self-awareness

1191

00:53:31,020 --> 00:53:28,900

neutron just to give you an idea when I

1192

00:53:32,700 --> 00:53:31,030

was channeling for eight years the

1193

00:53:36,810 --> 00:53:32,710

Divine Principle the information for me

1194

00:53:38,970 --> 00:53:36,820

I was very very high was none like I

1195

00:53:40,500 --> 00:53:38,980

have experienced in my life at least to

1196

00:53:43,680 --> 00:53:40,510

that point and when I would go into

1197

00:53:46,440 --> 00:53:43,690

these channeling modalities to recite

1198

00:53:48,090 --> 00:53:46,450

into a tape recorder the raw data that

1199

00:53:50,250 --> 00:53:48,100

was going to form the Divine Principle I

1200

00:53:51,810 --> 00:53:50,260

would go into crying spells probably for

1201
00:53:55,980 --> 00:53:51,820
like a minute sometimes a little longer

1202
00:53:58,170 --> 00:53:55,990
it's because my body had no idea what to

1203
00:54:00,480 --> 00:53:58,180
do with this energy in this information

1204
00:54:03,000 --> 00:54:00,490
it was so new to me and because it felt

1205
00:54:06,030 --> 00:54:03,010
kind of stuffed and bloated to use a

1206
00:54:07,680 --> 00:54:06,040
word um I had to cry it out I had to

1207
00:54:09,750 --> 00:54:07,690
burn it off and it was the only way that

1208
00:54:11,940 --> 00:54:09,760
I can get comfortable in fact the crying

1209
00:54:13,440 --> 00:54:11,950
spells were beyond my own my own will

1210
00:54:16,050 --> 00:54:13,450
they would just take over me and happen

1211
00:54:17,760 --> 00:54:16,060
once again from the chat room I would

1212
00:54:18,920 --> 00:54:17,770
like to ask you a question from kali she

1213
00:54:20,569 --> 00:54:18,930

wants to know

1214

00:54:23,000 --> 00:54:20,579

is there a connection between the

1215

00:54:29,240 --> 00:54:23,010

elementals and Galacta lactic beings

1216

00:54:33,859 --> 00:54:29,250

perhaps it's just a thin veil mmm very

1217

00:54:36,319 --> 00:54:33,869

good question i would say um yes because

1218

00:54:40,640 --> 00:54:36,329

there are elemental beings both on earth

1219

00:54:43,370 --> 00:54:40,650

on ships on Pegasus I've seen some Orion

1220

00:54:45,530 --> 00:54:43,380

there's like I mean they're just a

1221

00:54:46,790 --> 00:54:45,540

different frequency and they have a

1222

00:54:52,790 --> 00:54:46,800

different mission than maybe other

1223

00:54:55,720 --> 00:54:52,800

galactic groups so thinking about the

1224

00:54:57,980 --> 00:54:55,730

thin veil on earth and accessing them

1225

00:55:00,470 --> 00:54:57,990

that's actually a very interesting

1226

00:55:03,680 --> 00:55:00,480

access point that you could practice

1227

00:55:05,240 --> 00:55:03,690

with psychic development and intuition

1228

00:55:06,589 --> 00:55:05,250

which I actually use in a lot of my

1229

00:55:09,349 --> 00:55:06,599

courses as well as just getting out in

1230

00:55:11,530 --> 00:55:09,359

nature and talking to trees or you know

1231

00:55:13,730 --> 00:55:11,540

plant communication those are elementals

1232

00:55:16,760 --> 00:55:13,740

you're accessing the elements will realm

1233

00:55:20,089 --> 00:55:16,770

that way so you know there's that aspect

1234

00:55:23,089 --> 00:55:20,099

in psychic development the thin veil

1235

00:55:26,569 --> 00:55:23,099

that you're able to you know move

1236

00:55:28,730 --> 00:55:26,579

between because we're we're here it's

1237

00:55:30,170 --> 00:55:28,740

accessible and everything else is

1238

00:55:32,620 --> 00:55:30,180

accessible to is just it's just a

1239

00:55:34,730 --> 00:55:32,630

frequency shift but I think that maybe

1240

00:55:37,970 --> 00:55:34,740

just more refined what I'm trying to say

1241

00:55:41,599 --> 00:55:37,980

is that the elementals are and the bees

1242

00:55:45,410 --> 00:55:41,609

are like a gateway they're there the the

1243

00:55:50,120 --> 00:55:45,420

gatekeepers so they hold the the keys to

1244

00:55:52,339 --> 00:55:50,130

vail not communication but being able to

1245

00:55:54,620 --> 00:55:52,349

move between dimensions and things so I

1246

00:55:58,270 --> 00:55:54,630

hope that answers your question Kali

1247

00:56:00,140 --> 00:55:58,280

also know this my friend nucleus 8

1248

00:56:02,510 --> 00:56:00,150

alien-human hybrid I hung out with the

1249

00:56:03,680 --> 00:56:02,520

four years he's the real deal grabs my

1250

00:56:05,710 --> 00:56:03,690

hand and waking states of consciousness

1251

00:56:09,470 --> 00:56:05,720

Yanks me under my body brings me to his

1252

00:56:11,809 --> 00:56:09,480

planetary station mothership to 27,000

1253

00:56:13,000 --> 00:56:11,819

whatever light-years away I had an

1254

00:56:16,130 --> 00:56:13,010

experience with him a few months ago

1255

00:56:19,670 --> 00:56:16,140

fully conscious aboard his craft and not

1256

00:56:22,490 --> 00:56:19,680

only do the elementals and the cosmic

1257

00:56:23,990 --> 00:56:22,500

beings overlap or somewhat they actually

1258

00:56:26,180 --> 00:56:24,000

hang out together because when i was on

1259

00:56:29,270 --> 00:56:26,190

nucleus eight ship toward the end of

1260

00:56:32,069 --> 00:56:29,280

this very full blown not yet experienced

1261

00:56:34,440 --> 00:56:32,079

i met two fairies and one

1262

00:56:36,390 --> 00:56:34,450

was there her name was halo and she

1263

00:56:37,799 --> 00:56:36,400

began to wave her arms through my energy

1264

00:56:39,299 --> 00:56:37,809

and I asked her what she was doing and

1265

00:56:41,489 --> 00:56:39,309

she was saying she was cleaning up some

1266

00:56:43,039 --> 00:56:41,499

of the negativity that I had collected

1267

00:56:45,989 --> 00:56:43,049

in fact she said I'm making you clear

1268

00:56:47,699 --> 00:56:45,999

yes very much so these two dimensional

1269

00:56:50,640 --> 00:56:47,709

frequencies that they do somewhat

1270

00:56:52,319 --> 00:56:50,650

overlap and they're actually able to

1271

00:56:55,049 --> 00:56:52,329

play with each other to use a word so

1272

00:56:57,900 --> 00:56:55,059

they do hang out oh Vanessa I really

1273

00:57:00,299 --> 00:56:57,910

appreciate and just delighted and in in

1274

00:57:02,759 --> 00:57:00,309

awe and humbled by your presence here in

1275

00:57:03,959 --> 00:57:02,769

center of light radio today two things

1276

00:57:05,910 --> 00:57:03,969

would you leave us with a closing

1277

00:57:07,559 --> 00:57:05,920

message for the listening audience and

1278

00:57:09,630 --> 00:57:07,569

would you also leave us with another

1279

00:57:12,359 --> 00:57:09,640

tidbit of light language that would just

1280

00:57:17,309 --> 00:57:12,369

be so awesome for me sure let's start

1281

00:57:18,420 --> 00:57:17,319

with a light language so um specifically

1282

00:57:21,599 --> 00:57:18,430

I'm already getting that this is coming

1283

00:57:25,680 --> 00:57:21,609

from camel parties the giraffe / camo

1284

00:57:28,380 --> 00:57:25,690

constellation a rotatory DSS he took or

1285

00:57:31,739 --> 00:57:28,390

authoritative hora su Rio Nero to vit

1286

00:57:34,079 --> 00:57:31,749

quadrate o Shahi 802 Tiki titi today I

1287

00:57:36,150 --> 00:57:34,089

so so so many k2 turret or rats so so

1288

00:57:38,069 --> 00:57:36,160

uniquely trata you toe to toe I take a

1289

00:57:40,109 --> 00:57:38,079

to Tata SI c'était UN protic ett tiara

1290

00:57:43,019 --> 00:57:40,119

yo ro to educate uchiko to tow ready

1291

00:57:45,390 --> 00:57:43,029

Toto TT two tosses SI improvy am pray

1292

00:57:48,089 --> 00:57:45,400

new dosa embryo to reptilian day

1293

00:57:50,880 --> 00:57:48,099

yosemite karate moretti to eat eat otay

1294

00:57:53,370 --> 00:57:50,890

a la grotte odm choses en seis seis de

1295

00:57:56,459 --> 00:57:53,380

hombre que dijo un de patata SI SE se

1296

00:57:58,439 --> 00:57:56,469

llaman actually the message that came

1297

00:58:01,259 --> 00:57:58,449

through that which is very interesting

1298

00:58:04,819 --> 00:58:01,269

to me um and almost seemingly random but

1299

00:58:10,349 --> 00:58:06,989

aware of the jewelry that you're wearing

1300

00:58:14,099 --> 00:58:10,359

in the metals that you are interacting

1301

00:58:15,420 --> 00:58:14,109

with so like silver and gold like

1302

00:58:17,160 --> 00:58:15,430

wearing silver and gold so they're

1303

00:58:18,660 --> 00:58:17,170

saying like wear silver and gold because

1304

00:58:20,359 --> 00:58:18,670

like the frequencies and the silver and

1305

00:58:22,819 --> 00:58:20,369

the gold are going to help these people

1306

00:58:25,650 --> 00:58:22,829

get what they need whatever that may be

1307

00:58:27,390 --> 00:58:25,660

and then just being aware of like other

1308

00:58:30,269 --> 00:58:27,400

metals like in the body maybe through

1309

00:58:32,430 --> 00:58:30,279

what you're eating and detoxing heavy

1310

00:58:35,489 --> 00:58:32,440

metals so it was all about metal and

1311

00:58:38,050 --> 00:58:35,499

using metal wisely for your own inner

1312

00:58:41,440 --> 00:58:38,060

alchemical process

1313

00:58:44,350 --> 00:58:41,450

oh that was just lovely I absolutely

1314

00:58:46,690 --> 00:58:44,360

enjoyed that I did and I'll take that as

1315

00:58:49,120 --> 00:58:46,700

your final thought Vanessa I want to say

1316

00:58:51,670 --> 00:58:49,130

thank you if you would please announce

1317

00:58:52,990 --> 00:58:51,680

your contact information once again for

1318

00:58:55,990 --> 00:58:53,000

the sin of light radio listening

1319

00:59:00,370 --> 00:58:56,000

audience absolutely thank you so much

1320

00:59:04,720 --> 00:59:00,380

for having me again my website is www

1321

00:59:06,340 --> 00:59:04,730

lamort a calm and my instagram is at

1322

00:59:10,630 --> 00:59:06,350

Vanessa mort's you can follow me there

1323

00:59:14,560 --> 00:59:10,640

as well as on facebook the door always

1324

00:59:16,060 --> 00:59:14,570

swings open to you girl thank you so

1325

00:59:18,010 --> 00:59:16,070

much I really appreciate you having me

1326
00:59:22,330 --> 00:59:18,020
here it's been a lot of fun please come

1327
00:59:24,340 --> 00:59:22,340
back chat soon all right bye everyone

1328
00:59:26,170 --> 00:59:24,350
loved it Vanessa lamorte a here on the

1329
00:59:29,950 --> 00:59:26,180
center of light radio wow what a

1330
00:59:33,610 --> 00:59:29,960
fantastic show I man i really dig that

1331
00:59:35,260 --> 00:59:33,620
cost next up it's just who i am and she

1332
00:59:36,700 --> 00:59:35,270
seems to be a little more fluent in that

1333
00:59:38,680 --> 00:59:36,710
field it's kind of like these

1334
00:59:41,020 --> 00:59:38,690
experiences happen to me when I sleep

1335
00:59:42,370 --> 00:59:41,030
and also waking States of constables but

1336
00:59:45,400 --> 00:59:42,380
it's like that is definitely her

1337
00:59:46,990 --> 00:59:45,410
conscious path for sure and she just

1338
00:59:49,210 --> 00:59:47,000

busted me wide open today I really

1339

00:59:50,440 --> 00:59:49,220

really doubt that she'll make sure that

1340

00:59:52,510 --> 00:59:50,450

you come back too soon of light radio

1341

00:59:54,040 --> 00:59:52,520

every Monday night 6pm each and daylight

1342

00:59:56,620 --> 00:59:54,050

time also go to the center of light

1343

01:00:01,450 --> 00:59:56,630

radio com Keith Anthony Blanchard calm

1344

01:00:03,130 --> 01:00:01,460

for all that cool stuff that I do the

1345

01:00:04,300 --> 01:00:03,140

sea and I want to close with the show

1346

01:00:06,100 --> 01:00:04,310

with something that I wrote yesterday

1347

01:00:07,900 --> 01:00:06,110

and I put it on social meeting this kind

1348

01:00:09,550 --> 01:00:07,910

of echoes what the message was talking

1349

01:00:13,930 --> 01:00:09,560

about when she was giving the definition

1350

01:00:17,460 --> 01:00:13,940

of universe God is omnipresent in all

1351

01:00:21,700 --> 01:00:17,470

places at all times the light light is

1352

01:00:25,420 --> 01:00:21,710

everywhere the whole is imbued in every

1353

01:00:29,950 --> 01:00:25,430

fragment throughout the universe yoon

1354

01:00:32,470 --> 01:00:29,960

means 1 and verse means song everything

1355

01:00:35,560 --> 01:00:32,480

is one song sung by the Angels calling

1356

01:00:37,200 --> 01:00:35,570

out to all listening hearts to join in

1357

01:00:40,830 --> 01:00:37,210

the universal

1358

01:00:45,030 --> 01:00:40,840

it is all the same as above so below all

1359

01:00:46,800 --> 01:00:45,040

there is is God loving light sphere is

1360

01:00:53,460 --> 01:00:46,810

the illusion that blinds one from the

1361

01:00:55,140 --> 01:00:53,470

truth I've ever seen in being singer of

1362

01:00:56,700 --> 01:00:55,150

the light radio keep Anthony blanchett

1363

01:00:59,850 --> 01:00:56,710

here thanks for joining I look forward

1364

01:01:01,980 --> 01:00:59,860

to you coming back next Monday help me

1365

01:01:04,830 --> 01:01:01,990

grow my center of light family your

1366

01:01:07,140 --> 01:01:04,840

center of like famine a highway super

1367

01:01:08,310 --> 01:01:07,150

hydrate for love and light information

1368

01:01:11,700 --> 01:01:08,320

to change this world that we're living

1369

01:01:15,200 --> 01:01:11,710

in as our contribution remember when you

1370

01:01:18,270 --> 01:01:15,210

lay down at night you have nothing to do

1371

01:01:21,090 --> 01:01:18,280

might as well do something and that

1372

01:01:22,710 --> 01:01:21,100

something could be breathing we might

1373

01:01:25,470 --> 01:01:22,720

say we keep our breathe already oh yes

1374

01:01:27,720 --> 01:01:25,480

you do but now you're conscious of it

1375

01:01:31,530 --> 01:01:27,730

and that changes the ball game company

1376

01:01:34,170 --> 01:01:31,540

you let me chase that breath you

1377

01:01:36,600 --> 01:01:34,180

grateful for that breath that breath

1378

01:01:39,330 --> 01:01:36,610

tastes like God that's the place you

1379

01:01:42,090 --> 01:01:39,340

breathe from that inner space when you

1380

01:01:44,610 --> 01:01:42,100

do that you will connect to the

1381

01:01:48,720 --> 01:01:44,620

authentic need or the real youth and the

1382

01:01:51,270 --> 01:01:48,730

you that never left home can you likely
