

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

William Henry

1
00:00:06,290 --> 00:00:03,290
you're listening to IRA the inception

2
00:00:22,900 --> 00:00:14,360
[Music]

3
00:00:29,460 --> 00:00:24,110
[Applause]

4
00:01:08,320 --> 00:00:34,820
[Music]

5
00:01:10,510 --> 00:01:08,330
the extraordinary phenomenon

6
00:01:11,440 --> 00:01:10,520
investigations council presents epic

7
00:01:13,300 --> 00:01:11,450
voyages

8
00:01:15,160 --> 00:01:13,310
come join us as we hit her and

9
00:01:29,420 --> 00:01:15,170
experience the great mysteries of the

10
00:01:50,830 --> 00:01:38,790
[Music]

11
00:02:01,070 --> 00:01:53,780
now

12
00:02:01,080 --> 00:02:06,680
[Music]

13
00:02:13,170 --> 00:02:09,960

hello and welcome to epic voyagers radio

14

00:02:15,390 --> 00:02:13,180

here on the inception radio network I am

15

00:02:17,850 --> 00:02:15,400

your guest host this evening Jon Capello

16

00:02:20,340 --> 00:02:17,860

and I want to welcome all of you to our

17

00:02:24,390 --> 00:02:20,350

program and thank you for joining us we

18

00:02:27,870 --> 00:02:24,400

are a unique program that discusses

19

00:02:30,360 --> 00:02:27,880

things about the paranormal and our

20

00:02:32,720 --> 00:02:30,370

group the extraordinary paranormal

21

00:02:36,660 --> 00:02:32,730

investigations Council likes to

22

00:02:39,780 --> 00:02:36,670

investigate things about UFO sightings

23

00:02:42,150 --> 00:02:39,790

and any other type of paranormal event

24

00:02:44,310 --> 00:02:42,160

that might come up and if you're new to

25

00:02:47,310 --> 00:02:44,320

the program we always have an

26

00:02:50,130 --> 00:02:47,320

interesting guests come on talking about

27

00:02:53,850 --> 00:02:50,140

things that are metaphysical in a sense

28

00:02:56,840 --> 00:02:53,860

but but also things that people have

29

00:03:05,880 --> 00:02:56,850

experienced through their Imperial

30

00:03:08,699 --> 00:03:05,890

empirical actions or experiences and and

31

00:03:11,190 --> 00:03:08,709

so tonight we are going to have a very

32

00:03:13,560 --> 00:03:11,200

special guest with us and I hope that

33

00:03:15,780 --> 00:03:13,570

you'll stay with us for the entire two

34

00:03:18,600 --> 00:03:15,790

hours tonight because it's going to be a

35

00:03:20,850 --> 00:03:18,610

very fascinating program before we go to

36

00:03:23,400 --> 00:03:20,860

our guests though I just want to let you

37

00:03:25,650 --> 00:03:23,410

know that I'm a psychic medium from the

38

00:03:30,060 --> 00:03:25,660

North Texas area and I travel around the

39

00:03:32,580 --> 00:03:30,070

country and you may see see me in your

40

00:03:34,710 --> 00:03:32,590

town one of these days and if you do I

41

00:03:36,960 --> 00:03:34,720

hope that you'll come out for one of my

42

00:03:40,380 --> 00:03:36,970

spirit galleries or maybe get a private

43

00:03:43,440 --> 00:03:40,390

reading I'm also an author I have a book

44

00:03:46,110 --> 00:03:43,450

out open the mind exorcise the soul and

45

00:03:48,030 --> 00:03:46,120

I have my own radio program here on the

46

00:03:52,140 --> 00:03:48,040

inception radio network it's called

47

00:03:55,500 --> 00:03:52,150

beyond metaphysics and and so so I'm

48

00:03:58,170 --> 00:03:55,510

very pleased that epic asked me to be a

49

00:04:00,660 --> 00:03:58,180

part of their their family here on the

50

00:04:02,790 --> 00:04:00,670

inception radio network now what I

51
00:04:05,550 --> 00:04:02,800
wanted to tell you was is that this

52
00:04:07,940 --> 00:04:05,560
program is also rebroadcast on another

53
00:04:10,440 --> 00:04:07,950
network the dark matter radio network

54
00:04:13,800 --> 00:04:10,450
it'll probably be on tomorrow night I

55
00:04:18,420 --> 00:04:13,810
believe and you can also download the

56
00:04:21,270 --> 00:04:18,430
program after it has concluded and you

57
00:04:23,659 --> 00:04:21,280
can keep it in your records if you if

58
00:04:26,760 --> 00:04:23,669
you'd like to listen to it again or have

59
00:04:30,150 --> 00:04:26,770
someone else hear the program if they're

60
00:04:32,340 --> 00:04:30,160
not able to do that this evening but

61
00:04:34,440 --> 00:04:32,350
it's like I say what we want to do is we

62
00:04:37,650 --> 00:04:34,450
want to get to our guests as quickly as

63
00:04:42,870 --> 00:04:37,660

we can this evening our guest tonight is

64

00:04:48,180 --> 00:04:42,880

mr. William Henry and William is is a

65

00:04:53,610 --> 00:04:48,190

well-known person that is is often on on

66

00:04:56,300 --> 00:04:53,620

ancient aliens and okay let me see here

67

00:04:59,790 --> 00:04:56,310

they're telling me to mute my chat okay

68

00:05:02,010 --> 00:04:59,800

so I don't know how to do that but we'll

69

00:05:05,010 --> 00:05:02,020

we'll take care of it the best way we

70

00:05:07,920 --> 00:05:05,020

can okay that should do it but mr.

71

00:05:12,409 --> 00:05:07,930

William Henry is a very well-known

72

00:05:15,390 --> 00:05:12,419

person he is an author he is a

73

00:05:18,750 --> 00:05:15,400

investigative mythologists he's a host

74

00:05:21,719 --> 00:05:18,760

of revelations radio and he's a regular

75

00:05:26,400 --> 00:05:21,729

guest presenter on ancient aliens he's

76
00:05:29,960 --> 00:05:26,410
also a star of arc Arcanum TV and he's

77
00:05:33,529 --> 00:05:29,970
he's a guide he's a person that is

78
00:05:37,290 --> 00:05:33,539
teaching others about about

79
00:05:40,260 --> 00:05:37,300
transformations and about ancient aliens

80
00:05:42,570 --> 00:05:40,270
and about how they affect our lives

81
00:05:44,520 --> 00:05:42,580
today and so what I want to do is I want

82
00:05:47,070 --> 00:05:44,530
to bring William into the program

83
00:05:49,590 --> 00:05:47,080
William are you there yes I'm here John

84
00:05:52,260 --> 00:05:49,600
well thank you very much for joining us

85
00:05:54,810 --> 00:05:52,270
this evening we really appreciate you

86
00:05:56,969 --> 00:05:54,820
being here and what we want to do is we

87
00:05:59,129 --> 00:05:56,979
want to kind of get started by asking

88
00:06:02,370 --> 00:05:59,139

you a little bit about yourself and

89

00:06:06,330 --> 00:06:02,380

about how you got started into this and

90

00:06:08,060 --> 00:06:06,340

and how this became your passion can you

91

00:06:11,969 --> 00:06:08,070

tell us a little bit about that sure

92

00:06:15,960 --> 00:06:11,979

excuse me yeah I started on my path of

93

00:06:18,960 --> 00:06:15,970

research in 1982 I had moved from

94

00:06:21,330 --> 00:06:18,970

Detroit where I grew up to Nashville

95

00:06:23,730 --> 00:06:21,340

where I presently live I was going to be

96

00:06:26,130 --> 00:06:23,740

an entertainment lawyer and we're trying

97

00:06:27,420 --> 00:06:26,140

to work on music row here in Nashville

98

00:06:30,090 --> 00:06:27,430

maybe go to Hollywood who

99

00:06:32,970 --> 00:06:30,100

anything like that I loved music and I'm

100

00:06:34,860 --> 00:06:32,980

a musician and wanted to have a career

101
00:06:38,070 --> 00:06:34,870
in the music business and so I came to

102
00:06:41,250 --> 00:06:38,080
this small Southern Baptist College here

103
00:06:42,990 --> 00:06:41,260
in Nashville that offered this

104
00:06:46,020 --> 00:06:43,000
entertainment music business program

105
00:06:47,820 --> 00:06:46,030
that the courses were taught by music

106
00:06:51,750 --> 00:06:47,830
industry professionals and so you got to

107
00:06:53,550 --> 00:06:51,760
know the people very well and you would

108
00:06:55,860 --> 00:06:53,560
open up opportunities to work in the

109
00:06:57,720 --> 00:06:55,870
business but the catch was because it

110
00:07:00,540 --> 00:06:57,730
was a Baptist College he had to take

111
00:07:03,210 --> 00:07:00,550
Bible study classes and I knew I knew

112
00:07:05,640 --> 00:07:03,220
nothing about the Bible my family was

113
00:07:07,830 --> 00:07:05,650

not particularly religious we went to

114

00:07:11,640 --> 00:07:07,840

church on Christmas and Easter that's

115

00:07:15,420 --> 00:07:11,650

about it and so I was kind of hitting it

116

00:07:17,700 --> 00:07:15,430

could had no real preconceived ideas or

117

00:07:21,240 --> 00:07:17,710

anything and lo and behold I'm in a

118

00:07:23,820 --> 00:07:21,250

sophomore sociology class and the

119

00:07:25,790 --> 00:07:23,830

professor assigns us to review a book

120

00:07:27,960 --> 00:07:25,800

whose implications would impact

121

00:07:30,840 --> 00:07:27,970

Christianity and write a three-page

122

00:07:33,360 --> 00:07:30,850

review about it so off to the bookstore

123

00:07:36,980 --> 00:07:33,370

I go and I find this brand new book

124

00:07:39,360 --> 00:07:36,990

called Holy Blood Holy Grail and I start

125

00:07:42,030 --> 00:07:39,370

start thumbing through it and it says

126

00:07:43,950 --> 00:07:42,040

the crucifixion was a hoax Jesus and

127

00:07:47,040 --> 00:07:43,960

Mary Magdalene were married they had

128

00:07:48,780 --> 00:07:47,050

children they left sacred secrets and a

129

00:07:51,270 --> 00:07:48,790

remote hilltop village in southern

130

00:07:54,990 --> 00:07:51,280

France called Rennes le Chateau and I

131

00:07:56,790 --> 00:07:55,000

was hooked instantly and I I don't know

132

00:07:59,040 --> 00:07:56,800

what it was about that book but

133

00:08:00,780 --> 00:07:59,050

listeners are probably familiar with it

134

00:08:02,550 --> 00:08:00,790

through the life of like Dan Brown who

135

00:08:04,950 --> 00:08:02,560

wrote his book Da Vinci Code based on

136

00:08:06,780 --> 00:08:04,960

that book and sold 85 million plus

137

00:08:09,810 --> 00:08:06,790

copies of the book there was something

138

00:08:12,480 --> 00:08:09,820

in that that hooked me as well as a lot

139

00:08:14,310 --> 00:08:12,490

of other people and it caused me to

140

00:08:17,340 --> 00:08:14,320

really do some serious some serious

141

00:08:19,830 --> 00:08:17,350

questioning I ended up writing a 44 page

142

00:08:22,070 --> 00:08:19,840

review about the book and I was actually

143

00:08:24,600 --> 00:08:22,080

invited to continue my education

144

00:08:26,880 --> 00:08:24,610

elsewhere because the professor asked me

145

00:08:28,200 --> 00:08:26,890

if I actually believed any of the stuff

146

00:08:30,930 --> 00:08:28,210

that was in the book and I said as a

147

00:08:32,910 --> 00:08:30,940

matter of fact I think the author's made

148

00:08:35,640 --> 00:08:32,920

a pretty good case for what they what

149

00:08:38,490 --> 00:08:35,650

they were saying and that was the end of

150

00:08:40,800 --> 00:08:38,500

my college career at that Baptist

151

00:08:43,110 --> 00:08:40,810

College but it wasn't the end of my

152

00:08:45,700 --> 00:08:43,120

investigation into the mysteries of

153

00:08:47,620 --> 00:08:45,710

Christianity the esoteric mysteries of

154

00:08:50,200 --> 00:08:47,630

Christianity and I've continued

155

00:08:52,390 --> 00:08:50,210

researching them for the 30 years since

156

00:08:55,770 --> 00:08:52,400

then mmm

157

00:08:59,890 --> 00:08:55,780

well I noticed that you have some some

158

00:09:04,000 --> 00:08:59,900

interesting things to say about angels

159

00:09:07,270 --> 00:09:04,010

and and that you have studied different

160

00:09:12,160 --> 00:09:07,280

art from like the medieval time period

161

00:09:16,270 --> 00:09:12,170

and is there as in its it seems that you

162

00:09:21,300 --> 00:09:16,280

are mainly working on areas where angels

163

00:09:25,300 --> 00:09:21,310

may have fallen from heaven or how they

164

00:09:29,140 --> 00:09:25,310

are in that trance that transformation

165

00:09:33,160 --> 00:09:29,150

and how they are reacting to us does

166

00:09:34,540 --> 00:09:33,170

that make sense yeah I don't like to use

167

00:09:36,730 --> 00:09:34,550

the word I don't like to use the word

168

00:09:39,120 --> 00:09:36,740

fallen in relation to angels that sounds

169

00:09:41,620 --> 00:09:39,130

into religious that's too dogmatic and

170

00:09:43,210 --> 00:09:41,630

people talk about fallen angels they

171

00:09:45,040 --> 00:09:43,220

really don't know what that word means

172

00:09:48,370 --> 00:09:45,050

most of the time so I just talk about

173

00:09:50,950 --> 00:09:48,380

angels period and I'm fascinated by why

174

00:09:53,710 --> 00:09:50,960

would would beings that are so much more

175

00:09:56,890 --> 00:09:53,720

advanced than humanity willingly leave a

176
00:09:59,710 --> 00:09:56,900
place of perfect light and love to take

177
00:10:03,790 --> 00:09:59,720
on a human physical incarnation to take

178
00:10:06,370 --> 00:10:03,800
on human bodies and M that's kind of the

179
00:10:08,410 --> 00:10:06,380
core question that I'm presently working

180
00:10:11,710 --> 00:10:08,420
on I wrote a book about The Watcher

181
00:10:14,620 --> 00:10:11,720
angels the the the the angels that sit

182
00:10:17,670 --> 00:10:14,630
on the the divine council of God and the

183
00:10:22,090 --> 00:10:17,680
heavenly Sion and just utterly

184
00:10:24,010 --> 00:10:22,100
transfixed by by this story and have

185
00:10:25,660 --> 00:10:24,020
tried to go beyond a lot of when a lot

186
00:10:27,790 --> 00:10:25,670
of people talk about the Watchers and

187
00:10:29,950 --> 00:10:27,800
the Fallen Angels again they're they're

188
00:10:32,260 --> 00:10:29,960

kind of reacting or they're just they're

189

00:10:35,800 --> 00:10:32,270

they're repeating what they've been told

190

00:10:38,770 --> 00:10:35,810

by by a preacher or a pastor and they've

191

00:10:41,860 --> 00:10:38,780

never really done done extensive

192

00:10:43,750 --> 00:10:41,870

research about the context in which the

193

00:10:45,610 --> 00:10:43,760

stories about the Fallen Angels the

194

00:10:46,810 --> 00:10:45,620

Watchers were written and that that's

195

00:10:49,810 --> 00:10:46,820

something that really started to

196

00:10:52,660 --> 00:10:49,820

interest me mm-hmm well you know you

197

00:10:54,700 --> 00:10:52,670

were you were talking about in your new

198

00:10:57,210 --> 00:10:54,710

book something about

199

00:11:00,820 --> 00:10:57,220

I am angels are or do you acknowledge

200

00:11:05,560 --> 00:11:00,830

different types of angels or sure what

201
00:11:09,310 --> 00:11:05,570
what and how do you how our angels in a

202
00:11:12,010 --> 00:11:09,320
way organized in your mind and and then

203
00:11:13,330 --> 00:11:12,020
also you know I hate to just jump into

204
00:11:19,540 --> 00:11:13,340
angels because I know you get into

205
00:11:22,690 --> 00:11:19,550
ancient aliens as well but how how in in

206
00:11:25,450 --> 00:11:22,700
your philosophy our angels organized or

207
00:11:28,480 --> 00:11:25,460
do they have a hierarchy or do they have

208
00:11:31,120 --> 00:11:28,490
a way of doing things and you mentioned

209
00:11:33,790 --> 00:11:31,130
Sion can you can you explain to us a

210
00:11:36,790 --> 00:11:33,800
little bit more about Sion yeah sure

211
00:11:39,250 --> 00:11:36,800
when you go into for example the New

212
00:11:41,260 --> 00:11:39,260
Testament book of Hebrews you're going

213
00:11:43,210 --> 00:11:41,270

to be introduced to a place called Sion

214

00:11:45,820 --> 00:11:43,220

as the name of the heavenly throne of

215

00:11:48,040 --> 00:11:45,830

Christ it no one knows where it is

216

00:11:49,900 --> 00:11:48,050

kabbalists think it's perhaps in the

217

00:11:52,960 --> 00:11:49,910

center of the universe or the center of

218

00:11:54,400 --> 00:11:52,970

reality somewhere the Mormons actually

219

00:11:57,010 --> 00:11:54,410

believe it's the center of the Milky Way

220

00:11:58,720 --> 00:11:57,020

galaxy for whatever that's worth but

221

00:12:01,120 --> 00:11:58,730

it's described in Hebrews as an

222

00:12:04,510 --> 00:12:01,130

inhabited location it's the throne of

223

00:12:08,050 --> 00:12:04,520

Christ and it's inhabited by angels

224

00:12:12,340 --> 00:12:08,060

gathered in joyful assembly and also

225

00:12:14,800 --> 00:12:12,350

just humans made perfect and when I

226
00:12:16,990 --> 00:12:14,810
started thinking about who who are these

227
00:12:19,630 --> 00:12:17,000
people these these just humans made

228
00:12:22,060 --> 00:12:19,640
perfect how did they get to be that way

229
00:12:24,400 --> 00:12:22,070
how did they get to go dwell in this

230
00:12:28,090 --> 00:12:24,410
heavenly Jerusalem this this place

231
00:12:31,300 --> 00:12:28,100
called Sion and what do I need to do in

232
00:12:33,280 --> 00:12:31,310
order to join them these became really

233
00:12:36,850 --> 00:12:33,290
important questions in my research and I

234
00:12:40,000 --> 00:12:36,860
don't pretend to have full answers to

235
00:12:42,850 --> 00:12:40,010
those questions but I am in pursuit of

236
00:12:45,340 --> 00:12:42,860
that and and following this story of

237
00:12:47,530 --> 00:12:45,350
these these angelic beings the Seraphim

238
00:12:49,810 --> 00:12:47,540

this highest order of angels and just

239

00:12:52,600 --> 00:12:49,820

briefly yes they do describe an angelic

240

00:12:55,120 --> 00:12:52,610

hierarchy but to me it seems like it's

241

00:12:58,180 --> 00:12:55,130

more based on a spiral instead of a

242

00:12:59,860 --> 00:12:58,190

vertical ladder so in other words

243

00:13:01,510 --> 00:12:59,870

there's just kind of different

244

00:13:04,870 --> 00:13:01,520

gradations it's sort of more like a

245

00:13:07,270 --> 00:13:04,880

color wheel in a way of the various

246

00:13:07,570 --> 00:13:07,280

powers that these angels possess but at

247

00:13:41,800 --> 00:13:07,580

the

248

00:13:44,530 --> 00:13:41,810

human incarnation and caused in some

249

00:13:46,660 --> 00:13:44,540

cases tremendous havoc as a result of

250

00:13:49,210 --> 00:13:46,670

that but in other cases they left a

251
00:13:50,950 --> 00:13:49,220
tremendous gift to humanity of the

252
00:13:55,060 --> 00:13:50,960
actual secrets of heaven as they're

253
00:13:58,330 --> 00:13:55,070
described of humans can transform into

254
00:14:00,990 --> 00:13:58,340
angels mm-hmm Wow well you know the

255
00:14:04,720 --> 00:14:01,000
seraphim is considered like you said

256
00:14:08,410 --> 00:14:04,730
from from i guess other other traditions

257
00:14:11,440 --> 00:14:08,420
or other philosophies as the the highest

258
00:14:14,320 --> 00:14:11,450
or the closest angel to god they're

259
00:14:18,100 --> 00:14:14,330
generally looked upon as being huge and

260
00:14:21,910 --> 00:14:18,110
and i feel like i've seen seraphim

261
00:14:24,720 --> 00:14:21,920
angels in my work because people have

262
00:14:27,340 --> 00:14:24,730
seraphim's around them and even even

263
00:14:30,190 --> 00:14:27,350

some of my clients will tell me that

264

00:14:32,380 --> 00:14:30,200

they had a huge angel around them that

265

00:14:34,960 --> 00:14:32,390

to me that's a buzz for the for the

266

00:14:37,810 --> 00:14:34,970

actual Seraphim but I was going to ask

267

00:14:40,240 --> 00:14:37,820

you other types of angels like the

268

00:14:43,630 --> 00:14:40,250

cherubs are do you work with them or do

269

00:14:48,400 --> 00:14:43,640

you have any any yeah you know okay no

270

00:14:52,180 --> 00:14:48,410

not so much that the cherub in in my

271

00:14:54,580 --> 00:14:52,190

area of research are often interchanged

272

00:14:56,350 --> 00:14:54,590

with the Seraphim for example when I've

273

00:14:58,840 --> 00:14:56,360

written a book about the Ark of the

274

00:15:00,400 --> 00:14:58,850

Covenant and and they're thought to be

275

00:15:03,040 --> 00:15:00,410

the Angels the cherub are thought to be

276

00:15:05,020 --> 00:15:03,050

the Angels the that guard the Ark of the

277

00:15:07,390 --> 00:15:05,030

Covenant but then when you get into the

278

00:15:09,490 --> 00:15:07,400

research you realized that most people

279

00:15:11,080 --> 00:15:09,500

think well it's probably incorrect to

280

00:15:13,390 --> 00:15:11,090

say it's the cherubim it's more likely

281

00:15:14,680 --> 00:15:13,400

the Seraphim that are guardians of the

282

00:15:17,020 --> 00:15:14,690

Ark of the Covenant and I've just kind

283

00:15:18,730 --> 00:15:17,030

of zeroed in on the Seraphim and part of

284

00:15:21,460 --> 00:15:18,740

the reason why is I

285

00:15:24,430 --> 00:15:21,470

on this I was in the Philadelphia Museum

286

00:15:28,230 --> 00:15:24,440

of Art one day and I walked up to a

287

00:15:31,570 --> 00:15:28,240

painting and I saw what I described is a

288

00:15:33,750 --> 00:15:31,580

butterfly Jesus and I'm looking at this

289

00:15:36,720 --> 00:15:33,760

painting I'm coming why does Jesus have

290

00:15:40,000 --> 00:15:36,730

butterfly wings I mean you never see

291

00:15:43,330 --> 00:15:40,010

references to Jesus being a Christ

292

00:15:46,540 --> 00:15:43,340

angel or referred to even as an angel

293

00:15:47,890 --> 00:15:46,550

and so it prompted me to do some

294

00:15:50,680 --> 00:15:47,900

research and it turned out that the

295

00:15:53,620 --> 00:15:50,690

painting was by one of the great masters

296

00:15:56,920 --> 00:15:53,630

John Van Dyck the subject was the this

297

00:15:59,260 --> 00:15:56,930

was Saint Francis of Assisi who is

298

00:16:00,910 --> 00:15:59,270

receiving the stigmata wounds the wounds

299

00:16:07,320 --> 00:16:00,920

of the crucifixion the five wounds of

300

00:16:12,310 --> 00:16:07,330

crucifixion from Christ as a seraph hmm

301

00:16:13,930 --> 00:16:12,320

yeah that that of course there's a lot

302

00:16:15,370 --> 00:16:13,940

to be said about Saint Francis but

303

00:16:18,160 --> 00:16:15,380

that's interesting that Christ would

304

00:16:21,400 --> 00:16:18,170

appear as a Seraphim yes and that wasn't

305

00:16:24,550 --> 00:16:21,410

the first time I I was in the nubian

306

00:16:27,160 --> 00:16:24,560

museum in aswan egypt and i in my books

307

00:16:29,530 --> 00:16:27,170

I show a fourth century depiction of

308

00:16:32,050 --> 00:16:29,540

Christ as a seraph and it got me

309

00:16:34,900 --> 00:16:32,060

wondering if maybe that is actually the

310

00:16:38,680 --> 00:16:34,910

form that the Christ might even take

311

00:16:42,760 --> 00:16:38,690

when he manifests in our 3d world mm-hmm

312

00:16:46,200 --> 00:16:42,770

so so you just so you are basically like

313

00:16:50,080 --> 00:16:46,210

I say that working with the the the

314

00:16:52,450 --> 00:16:50,090

Seraphim and and you're saying that

315

00:16:57,070 --> 00:16:52,460

sometimes Christ takes the form of a

316

00:16:59,170 --> 00:16:57,080

Seraphim yeah and the the Seraphim of

317

00:17:01,420 --> 00:16:59,180

course like we were saying were the the

318

00:17:05,140 --> 00:17:01,430

most powerful angels and the reason why

319

00:17:08,170 --> 00:17:05,150

I brought up the cherubs is because the

320

00:17:10,690 --> 00:17:08,180

cherubs are known to be the second

321

00:17:14,500 --> 00:17:10,700

highest in the in the hierarchy of

322

00:17:17,920 --> 00:17:14,510

angels but they are the angels of all

323

00:17:22,150 --> 00:17:17,930

knowledge and wisdom and and the most

324

00:17:23,980 --> 00:17:22,160

famous cherub is Lucifer Lucifer could

325

00:17:28,810 --> 00:17:23,990

also be interpreted as a seraph as well

326

00:17:31,720 --> 00:17:28,820

mm-hmm because he's a watcher okay okay

327

00:17:32,350 --> 00:17:31,730

well because I you know I've only known

328

00:17:37,539 --> 00:17:32,360

him as

329

00:17:39,910 --> 00:17:37,549

cherub and and so your it just seemed

330

00:17:42,580 --> 00:17:39,920

like you're you're starting to you are

331

00:17:46,210 --> 00:17:42,590

able to mix all of them in with the

332

00:17:51,100 --> 00:17:46,220

Seraphim so there's I s I guess in my in

333

00:17:53,289 --> 00:17:51,110

my tradition I'm just trying to - to get

334

00:17:56,020 --> 00:17:53,299

this segmented so that I can understand

335

00:17:59,080 --> 00:17:56,030

it because in the in the hierarchy a

336

00:18:02,230 --> 00:17:59,090

higher the higher level or higher realm

337

00:18:04,240 --> 00:18:02,240

of the angelic hierarchy you have the

338

00:18:08,740 --> 00:18:04,250

throne angels the cherubs and you have

339

00:18:13,270 --> 00:18:08,750

the seraphim and and so concentrating on

340

00:18:17,289 --> 00:18:13,280

the Seraphim is is fine it's it's a very

341

00:18:20,380 --> 00:18:17,299

unique but I'm just wondering how it

342

00:18:24,820 --> 00:18:20,390

kind of relates to the other so-called

343

00:18:27,970 --> 00:18:24,830

angels and in this hierarchy as as some

344

00:18:31,180 --> 00:18:27,980

of us understand it so when you talk

345

00:18:33,760 --> 00:18:31,190

about Lucifer in the scene techs in the

346

00:18:36,610 --> 00:18:33,770

book of the Watchers and or the texts

347

00:18:39,070 --> 00:18:36,620

related to the Watchers Lucifer is a

348

00:18:41,590 --> 00:18:39,080

shapeshifter he is he's able to take on

349

00:18:43,990 --> 00:18:41,600

the form of the serpent especially the

350

00:18:46,120 --> 00:18:44,000

winged serpent and that is the very

351
00:18:49,419 --> 00:18:46,130
definition of the word sareth the winged

352
00:18:51,460 --> 00:18:49,429
serpents or the burning ones so based on

353
00:18:54,220 --> 00:18:51,470
that I'm pretty comfortable in saying

354
00:18:57,039 --> 00:18:54,230
yeah well well you might traditionally

355
00:18:59,710 --> 00:18:57,049
think of Lucifer as a cherub he does

356
00:19:02,049 --> 00:18:59,720
manifest the characteristics of of the

357
00:19:05,200 --> 00:19:02,059
Seraphim mm-hmm well another thing about

358
00:19:09,490 --> 00:19:05,210
the Seraphim is that they are known to

359
00:19:13,000 --> 00:19:09,500
have six wings exactly and the six wing

360
00:19:14,830 --> 00:19:13,010
angel that's another way of saying well

361
00:19:19,780 --> 00:19:14,840
that's a Seraphim not only because of

362
00:19:21,610 --> 00:19:19,790
their their huge presence but the fact

363
00:19:25,030 --> 00:19:21,620

that they do have these six wings which

364

00:19:28,539 --> 00:19:25,040

makes them unique and the cherub is

365

00:19:31,210 --> 00:19:28,549

pretty much opposite of the Seraphim

366

00:19:34,510 --> 00:19:31,220

it's from once again from my perspective

367

00:19:36,130 --> 00:19:34,520

it's the little dots you see a lot of

368

00:19:40,290 --> 00:19:36,140

times when you're going to bed you see a

369

00:19:42,790 --> 00:19:40,300

lot of times little colored colored dots

370

00:19:45,670 --> 00:19:42,800

and a lot of times that they're say that

371

00:19:47,740 --> 00:19:45,680

that's the fairies or that's the cherubs

372

00:19:51,310 --> 00:19:47,750

around you because they are tiny they

373

00:19:54,460 --> 00:19:51,320

are tiny entities and they're the the

374

00:19:57,820 --> 00:19:54,470

little fairies that are little angels

375

00:19:59,620 --> 00:19:57,830

that you might see in the Sistine Chapel

376

00:20:05,890 --> 00:19:59,630

they look like sometimes they look like

377

00:20:07,600 --> 00:20:05,900

babies but a very powerful angel and and

378

00:20:10,180 --> 00:20:07,610

so you're saying that a lot of times the

379

00:20:12,700 --> 00:20:10,190

cherubs and Seraphim kind of morph into

380

00:20:14,710 --> 00:20:12,710

one another is that makes sense they

381

00:20:16,600 --> 00:20:14,720

seem to I mean that's what the stories

382

00:20:18,640 --> 00:20:16,610

indicate and so I'm not that's why I say

383

00:20:21,220 --> 00:20:18,650

I'm not that concerned about about the

384

00:20:22,390 --> 00:20:21,230

hierarchy so much I mean at that level

385

00:20:26,140 --> 00:20:22,400

it's kind of like the difference between

386

00:20:28,450 --> 00:20:26,150

purple and indigo in a way mm-hmm there

387

00:20:30,370 --> 00:20:28,460

is a difference but there there's very

388

00:20:32,950 --> 00:20:30,380

strikingly similar and it's a kind of a

389

00:20:36,010 --> 00:20:32,960

matter of vibration in a way mm-hmm well

390

00:20:40,780 --> 00:20:36,020

another thing is is that if they are

391

00:20:43,570 --> 00:20:40,790

depicting Christ as a seraph and Christ

392

00:20:48,130 --> 00:20:43,580

is part of the holy trinity a part of

393

00:20:51,040 --> 00:20:48,140

God then wouldn't it be kind of an easy

394

00:20:55,240 --> 00:20:51,050

leap to say that that the seraphs are

395

00:20:58,180 --> 00:20:55,250

kind of a part of the the God the God

396

00:20:59,710 --> 00:20:58,190

energy yeah I mean absolutely uh perhaps

397

00:21:02,470 --> 00:20:59,720

that's why they sit on God's divine

398

00:21:05,050 --> 00:21:02,480

counsel mm-hmm and are often portrayed

399

00:21:07,480 --> 00:21:05,060

and in Christian art as the as the

400

00:21:10,510 --> 00:21:07,490

guardians of the of the throne of Christ

401

00:21:13,120 --> 00:21:10,520

or the guardians of Sion yes they're

402

00:21:17,220 --> 00:21:13,130

they're considered the the guardians and

403

00:21:21,580 --> 00:21:17,230

the the ones Cup course closest to God

404

00:21:23,980 --> 00:21:21,590

but it just seems that you you are

405

00:21:26,800 --> 00:21:23,990

basing a lot of the information from

406

00:21:30,460 --> 00:21:26,810

Hebrews is that is that right oh that's

407

00:21:32,830 --> 00:21:30,470

a starting place no a lot of it is I

408

00:21:34,870 --> 00:21:32,840

mean again I was fascinated by that

409

00:21:37,290 --> 00:21:34,880

statement and Hebrews about the

410

00:21:40,140 --> 00:21:37,300

celestial Sion is this inhabited

411

00:21:42,940 --> 00:21:40,150

celestial location that's inhabited by

412

00:21:44,980 --> 00:21:42,950

angels gathered and joyful assembly who

413

00:21:48,580 --> 00:21:44,990

are the the Watchers and the Seraphim

414

00:21:51,220 --> 00:21:48,590

and also these just humans made perfect

415

00:21:54,460 --> 00:21:51,230

this other this seemingly set apart

416

00:21:56,350 --> 00:21:54,470

class of humans that somehow were able

417

00:21:58,180 --> 00:21:56,360

to gain access to this celestial

418

00:22:00,730 --> 00:21:58,190

location

419

00:22:05,139 --> 00:22:00,740

well so you're saying that that humans

420

00:22:07,210 --> 00:22:05,149

can once they once they pass from this

421

00:22:10,960 --> 00:22:07,220

life to the next that they can become

422

00:22:14,139 --> 00:22:10,970

Seraphim or seraphim's come come to the

423

00:22:19,600 --> 00:22:14,149

earth as humans they take human form yes

424

00:22:22,119 --> 00:22:19,610

exactly exactly and now the the the it's

425

00:22:25,659 --> 00:22:22,129

interesting too that you say some serifs

426

00:22:27,129 --> 00:22:25,669

or seraphim's some are would you say

427

00:22:29,619 --> 00:22:27,139

evil and some are good

428

00:22:33,249 --> 00:22:29,629

I don't do the good and evil thing

429

00:22:35,440 --> 00:22:33,259

necessarily because it's that's all a

430

00:22:37,480 --> 00:22:35,450

matter of interpretation and perspective

431

00:22:39,340 --> 00:22:37,490

I mean what's he good to use might not

432

00:22:41,139 --> 00:22:39,350

be good for somebody else what's evil to

433

00:22:43,450 --> 00:22:41,149

you might not be evil to somebody else I

434

00:22:45,279 --> 00:22:43,460

mean generally how can it being a pure

435

00:22:47,320 --> 00:22:45,289

light and pure love be construed as evil

436

00:22:50,019 --> 00:22:47,330

to begin with and I don't see the

437

00:22:52,869 --> 00:22:50,029

Seraphim so much being as going around

438

00:22:55,499 --> 00:22:52,879

to making trouble for humankind they

439

00:22:58,840 --> 00:22:55,509

seem to be here on a mission to awaken

440

00:23:01,749 --> 00:22:58,850

humanity to our our godlike potential

441

00:23:03,129 --> 00:23:01,759

and our ability to morph into Seraphim I

442

00:23:05,289 --> 00:23:03,139

mean that was one of the the

443

00:23:06,999 --> 00:23:05,299

foundational beliefs of the of the

444

00:23:09,399 --> 00:23:07,009

Renaissance that produced so much of the

445

00:23:12,759 --> 00:23:09,409

art of featuring the Seraphim is that

446

00:23:15,249 --> 00:23:12,769

humans could transform into Seraphim in

447

00:23:19,330 --> 00:23:15,259

fact that is our our highest human ideal

448

00:23:22,240 --> 00:23:19,340

is to become like these angels mm-hmm

449

00:23:25,509 --> 00:23:22,250

well another if so-called if you want to

450

00:23:29,080 --> 00:23:25,519

call it a conflict is for metaphysics

451

00:23:31,990 --> 00:23:29,090

and psychics is that a lot is being as

452

00:23:35,919 --> 00:23:32,000

long a lot has been said that angels do

453

00:23:40,419 --> 00:23:35,929

not become human and and so you're

454

00:23:42,940 --> 00:23:40,429

you're breaking new ground from from my

455

00:23:47,379 --> 00:23:42,950

perspective as a psychic because so many

456

00:23:52,299 --> 00:23:47,389

psychics say that that guides are are

457

00:23:54,909 --> 00:23:52,309

usually people but but angels usually do

458

00:23:57,490 --> 00:23:54,919

not take human form so it's interesting

459

00:24:00,100 --> 00:23:57,500

that you are saying that the seraphim

460

00:24:04,210 --> 00:24:00,110

who is the highest of all of the angels

461

00:24:05,940 --> 00:24:04,220

is a morrison - are you there with are

462

00:24:09,070 --> 00:24:05,950

you familiar with the Dead Sea Scrolls a

463

00:24:11,619 --> 00:24:09,080

little bit not as much I guess as you

464

00:24:12,010 --> 00:24:11,629

would be but they're still being

465

00:24:14,170 --> 00:24:12,020

revealed

466

00:24:15,850 --> 00:24:14,180

I think aren't they yeah they are

467

00:24:18,550 --> 00:24:15,860

they're pretty pretty direct and pretty

468

00:24:20,560 --> 00:24:18,560

explicit about the the Angels becoming

469

00:24:22,570 --> 00:24:20,570

humans and coming here to teach humans

470

00:24:24,550 --> 00:24:22,580

to become angels that's the the

471

00:24:27,760 --> 00:24:24,560

foundation of what's known as asine

472

00:24:31,000 --> 00:24:27,770

mysticism the the Jewish mystics who

473

00:24:32,740 --> 00:24:31,010

lived in about 180 BC up until the time

474

00:24:34,780 --> 00:24:32,750

of Jesus some people even think Jesus

475

00:24:37,870 --> 00:24:34,790

John the Baptist Mary were all Essenes

476

00:24:41,590 --> 00:24:37,880

and their foundational belief was that

477

00:24:44,650 --> 00:24:41,600

humans inherently are divine or angelic

478

00:24:46,990 --> 00:24:44,660

beings that have kind of sort of lost

479

00:24:49,150 --> 00:24:47,000

our way we've forgotten who we are

480

00:24:52,240 --> 00:24:49,160

and they're they believe that their

481

00:24:55,870 --> 00:24:52,250

community was in communion with the

482

00:24:58,450 --> 00:24:55,880

Angels in hopes of creating a community

483

00:25:00,730 --> 00:24:58,460

whereby everybody could affect the

484

00:25:04,390 --> 00:25:00,740

transformation from a human into an

485

00:25:08,110 --> 00:25:04,400

angelic light being so in a way humans

486

00:25:10,570 --> 00:25:08,120

are trying to perfect themselves so they

487

00:25:14,260 --> 00:25:10,580

can become perfect like the Seraphim

488

00:25:16,840 --> 00:25:14,270

that's correct okay okay so I just I'm

489

00:25:20,740 --> 00:25:16,850

just trying to understand how this is

490

00:25:23,860 --> 00:25:20,750

all working now I wanted to ask you and

491

00:25:27,790 --> 00:25:23,870

now I I think everybody watches ancient

492

00:25:30,760 --> 00:25:27,800

aliens from time to time is when when

493

00:25:34,240 --> 00:25:30,770

you're on the ancient aliens do you

494

00:25:36,670 --> 00:25:34,250

mainly get into this particular area as

495

00:25:40,150 --> 00:25:36,680

far as the seraphim's are concerned or

496

00:25:43,210 --> 00:25:40,160

no I've been on the show for five years

497

00:25:46,060 --> 00:25:43,220

now and typically when we do that the

498

00:25:48,100 --> 00:25:46,070

seasons will will often I'll usually do

499

00:25:51,670 --> 00:25:48,110

two to three sometimes four rounds of

500

00:25:54,330 --> 00:25:51,680

interviews and each round of interview

501
00:25:57,130 --> 00:25:54,340
might have as many as 60 questions

502
00:25:59,050 --> 00:25:57,140
sometimes more could be a hum questions

503
00:26:02,320 --> 00:25:59,060
about everything from the Sphinx to

504
00:26:05,290 --> 00:26:02,330
caves and aliens you name it whatever

505
00:26:09,040 --> 00:26:05,300
the topic of the show is so I have to go

506
00:26:12,280 --> 00:26:09,050
research all the questions and very

507
00:26:14,440 --> 00:26:12,290
often I present story ideas myself

508
00:26:17,650 --> 00:26:14,450
they've probably done I don't know 10 or

509
00:26:21,190 --> 00:26:17,660
12 different episodes based on research

510
00:26:23,350 --> 00:26:21,200
original research that I've done know

511
00:26:26,030 --> 00:26:23,360
well because every time I've seen you on

512
00:26:29,480 --> 00:26:26,040
the program I haven't heard you talking

513
00:26:31,280 --> 00:26:29,490

seraphim's no it's a subject I keep

514

00:26:34,310 --> 00:26:31,290

trying to push them into some of these

515

00:26:36,770 --> 00:26:34,320

more spiritual directions and they're

516

00:26:38,630 --> 00:26:36,780

they're kind of following it's a it's a

517

00:26:42,790 --> 00:26:38,640

mainstream show it's a History Channel

518

00:26:45,350 --> 00:26:42,800

show it's aimed at angry angry males and

519

00:26:47,090 --> 00:26:45,360

you know they like to break things apart

520

00:26:49,820 --> 00:26:47,100

and put them back together and figure

521

00:26:52,280 --> 00:26:49,830

things out and so you know that's kind

522

00:26:54,680 --> 00:26:52,290

of the the the perspective right off the

523

00:26:57,200 --> 00:26:54,690

bat and so it's not a spiritual show

524

00:26:58,880 --> 00:26:57,210

although they're constantly touching on

525

00:27:00,830 --> 00:26:58,890

spiritual subjects and when they're

526
00:27:02,290 --> 00:27:00,840
talking about angels or excuse me when

527
00:27:04,940 --> 00:27:02,300
they're talking about angels they might

528
00:27:08,090 --> 00:27:04,950
actually be talking about angels or

529
00:27:10,160 --> 00:27:08,100
avatars or some of the depths of the

530
00:27:12,560 --> 00:27:10,170
past and thinking of them as aliens

531
00:27:14,780 --> 00:27:12,570
mm-hmm well a lot of times they seem to

532
00:27:17,450 --> 00:27:14,790
kind of go into the like you well maybe

533
00:27:21,590 --> 00:27:17,460
it's to appeal to angry males they go

534
00:27:24,200 --> 00:27:21,600
into the negative about maybe demons or

535
00:27:27,830 --> 00:27:24,210
or how things were negatively affected

536
00:27:29,600 --> 00:27:27,840
and and so it's it's it's it's just an

537
00:27:34,130 --> 00:27:29,610
interesting perspective that they

538
00:27:38,090 --> 00:27:34,140

present but when you when you do talk

539

00:27:40,700 --> 00:27:38,100

about ancient aliens would you say that

540

00:27:44,720 --> 00:27:40,710

seraphim's influence some of the ancient

541

00:27:47,350 --> 00:27:44,730

cultures that that were on earth like

542

00:27:50,090 --> 00:27:47,360

the Egyptians or some of the other

543

00:27:53,900 --> 00:27:50,100

famous ancient cultures that we look at

544

00:27:56,960 --> 00:27:53,910

yeah I think that if you if you accept

545

00:28:00,410 --> 00:27:56,970

that the word Seraph means winged

546

00:28:02,210 --> 00:28:00,420

serpent as it does I mean there's a

547

00:28:04,850 --> 00:28:02,220

couple of different definitions winged

548

00:28:07,280 --> 00:28:04,860

serpents burning ones or the typically

549

00:28:10,460 --> 00:28:07,290

the ones that are offered and in your

550

00:28:13,190 --> 00:28:10,470

Bible commentaries then you say okay

551
00:28:17,240 --> 00:28:13,200
well I've seen lots of winged serpents

552
00:28:20,750 --> 00:28:17,250
in Sumerian art in Egyptian art I've

553
00:28:23,260 --> 00:28:20,760
seen them in Hindu art so it raises the

554
00:28:25,880 --> 00:28:23,270
question are these the same beings that

555
00:28:28,280 --> 00:28:25,890
are appearing in these various cultures

556
00:28:29,630 --> 00:28:28,290
and so then you follow up that question

557
00:28:32,450 --> 00:28:29,640
by looking about what were the winged

558
00:28:34,730 --> 00:28:32,460
serpents concerned with in ancient Egypt

559
00:28:36,320 --> 00:28:34,740
for example when they what they were

560
00:28:39,340 --> 00:28:36,330
concerned with was human transformation

561
00:28:41,020 --> 00:28:39,350
into celestial beings star beings well

562
00:28:43,060 --> 00:28:41,030
sounds pretty close to me that's like

563
00:28:45,820 --> 00:28:43,070

the mission of the Seraphim in the in

564

00:28:49,060 --> 00:28:45,830

the in the Old Testament and you even

565

00:28:50,620 --> 00:28:49,070

look to people like Moses Moses lifted

566

00:28:54,760 --> 00:28:50,630

the serpent of healing in the wilderness

567

00:28:56,770 --> 00:28:54,770

and he actually made or identified a

568

00:29:00,250 --> 00:28:56,780

winged serpent one of the burning ones

569

00:29:02,950 --> 00:29:00,260

so you have Moses caught in the act of

570

00:29:05,200 --> 00:29:02,960

somehow interacting with the Seraphim

571

00:29:07,570 --> 00:29:05,210

and it ultimately having a healing and

572

00:29:10,270 --> 00:29:07,580

transformative effect on the Israelites

573

00:29:12,310 --> 00:29:10,280

so it looks to me like maybe it's

574

00:29:13,899 --> 00:29:12,320

possible that you could make a at least

575

00:29:15,430 --> 00:29:13,909

you could raise the question did Moses

576

00:29:16,720 --> 00:29:15,440

learn about the Seraphim while he was

577

00:29:19,510 --> 00:29:16,730

training in all the wisdom of the

578

00:29:21,669 --> 00:29:19,520

Egyptians it's a good possibility mm-hmm

579

00:29:24,789 --> 00:29:21,679

well you know the the thing about it is

580

00:29:28,020 --> 00:29:24,799

is that study in the Mayan culture as

581

00:29:31,000 --> 00:29:28,030

well tattoo akan are you familiar with

582

00:29:33,370 --> 00:29:31,010

yeah I'm sitting in Cato coatl the

583

00:29:36,930 --> 00:29:33,380

feathered serpent mm-hmm and it just

584

00:29:40,600 --> 00:29:36,940

seems like the reptilians as far as the

585

00:29:44,649 --> 00:29:40,610

some of these extraterrestrials they

586

00:29:47,740 --> 00:29:44,659

don't necessarily have wings but but the

587

00:29:50,230 --> 00:29:47,750

one that is most famous for the the

588

00:29:56,409 --> 00:29:50,240

Mayans and the I believe it's the

589

00:30:00,310 --> 00:29:56,419

Toltecs they seem to have that image of

590

00:30:03,430 --> 00:30:00,320

a winged serpent or a winged reptilian

591

00:30:06,909 --> 00:30:03,440

as part of one of their their rituals

592

00:30:08,860 --> 00:30:06,919

and and and so I was wondering that do

593

00:30:11,440 --> 00:30:08,870

you get into Mayan culture or do you get

594

00:30:13,690 --> 00:30:11,450

into a snake culture no but when you're

595

00:30:15,840 --> 00:30:13,700

describing that reptilian aspect you're

596

00:30:19,120 --> 00:30:15,850

you're probably familiar of course with

597

00:30:20,649 --> 00:30:19,130

Moses's father Imran and his eyewitness

598

00:30:23,799 --> 00:30:20,659

account of his encounter with the

599

00:30:26,409 --> 00:30:23,809

Archangel Michael and Melchizedek or

600

00:30:29,260 --> 00:30:26,419

Melchizedek and one of the Watcher

601
00:30:31,299 --> 00:30:29,270
angels one of the Seraphim Belial and he

602
00:30:34,810 --> 00:30:31,309
describes them explicitly as having a

603
00:30:36,970 --> 00:30:34,820
serpentine face so you so from this you

604
00:30:38,680 --> 00:30:36,980
get a you get a first look at the

605
00:30:40,840 --> 00:30:38,690
Seraphim is in fact being winged

606
00:30:44,590 --> 00:30:40,850
serpents and in fact being reptilian

607
00:30:45,490 --> 00:30:44,600
type creatures so that that's very very

608
00:30:47,530 --> 00:30:45,500
interesting it's kind of disconcerting

609
00:30:49,350 --> 00:30:47,540
to people to think that you've got some

610
00:30:52,360 --> 00:30:49,360
kind of reptilian beings running around

611
00:30:52,700 --> 00:30:52,370
talking to Moses's father and perhaps in

612
00:30:55,880 --> 00:30:52,710
flu

613
00:30:57,440 --> 00:30:55,890

in these other cultures but I don't feel

614

00:30:59,570 --> 00:30:57,450

a particularly you know weird

615

00:31:01,909 --> 00:30:59,580

sensitivity to the possibility of there

616

00:31:03,019 --> 00:31:01,919

being reptilian-type beings out there

617

00:31:04,370 --> 00:31:03,029

and that they could in fact be

618

00:31:07,250 --> 00:31:04,380

benevolent beings

619

00:31:09,529 --> 00:31:07,260

oh no I I think that they can be

620

00:31:11,210 --> 00:31:09,539

benevolent beings it's just that that

621

00:31:15,230 --> 00:31:11,220

when you talk about the seraphs as

622

00:31:17,539 --> 00:31:15,240

having kind of reptilian form it

623

00:31:22,789 --> 00:31:17,549

immediately think brought me to the

624

00:31:24,880 --> 00:31:22,799

Mayans because the the Mayans had that

625

00:31:28,940 --> 00:31:24,890

when when they when they merged with

626

00:31:32,000 --> 00:31:28,950

with the other other tribes and in like

627

00:31:34,789 --> 00:31:32,010

northern Mexico and it's interesting

628

00:31:37,100 --> 00:31:34,799

that you you would you'd bring up star

629

00:31:38,990 --> 00:31:37,110

people because the the Mayans thought

630

00:31:41,779 --> 00:31:39,000

that they just said that they were star

631

00:31:44,930 --> 00:31:41,789

people they came from Pleiades right yes

632

00:31:50,169 --> 00:31:44,940

yes they and they they were very good

633

00:31:52,519 --> 00:31:50,179

with math they they had a good idea of

634

00:31:55,220 --> 00:31:52,529

astronomy and just so many so many

635

00:31:57,200 --> 00:31:55,230

different things and we studied where we

636

00:32:00,590 --> 00:31:57,210

talked a lot about the Mayans because of

637

00:32:03,080 --> 00:32:00,600

the 2012 and all the loot like all of

638

00:32:05,269 --> 00:32:03,090

the end of the world things and which

639

00:32:09,139 --> 00:32:05,279

kind of brings me to another topic and

640

00:32:11,299 --> 00:32:09,149

that is the topic of Ascension because I

641

00:32:16,430 --> 00:32:11,309

believe you get into that as well is

642

00:32:19,549 --> 00:32:16,440

that right yes I do and and so what they

643

00:32:21,740 --> 00:32:19,559

were saying was at the end of 2012 they

644

00:32:24,200 --> 00:32:21,750

were talking about December 21st 2012

645

00:32:26,720 --> 00:32:24,210

and how that was going to be the day of

646

00:32:28,460 --> 00:32:26,730

Ascension and there were a lot of

647

00:32:30,169 --> 00:32:28,470

youtubes out there there were a lot of

648

00:32:32,539 --> 00:32:30,179

different things out there were saying

649

00:32:35,990 --> 00:32:32,549

saying that people were going to be

650

00:32:39,680 --> 00:32:36,000

ascended and purified and when they did

651
00:32:42,680 --> 00:32:39,690
they would be like what 20 feet tall or

652
00:32:43,549 --> 00:32:42,690
something like that and what they were

653
00:32:47,029 --> 00:32:43,559
in a way I guess

654
00:32:50,810 --> 00:32:47,039
describing Sarah seraphim's because the

655
00:32:53,630 --> 00:32:50,820
once again the huge the huge figure that

656
00:32:56,120 --> 00:32:53,640
they become and so it would make sense

657
00:32:59,360 --> 00:32:56,130
or it follows that what you're what

658
00:33:03,260 --> 00:32:59,370
you're talking about as far as humans

659
00:33:05,629 --> 00:33:03,270
becoming seraphim's and so from from

660
00:33:06,549 --> 00:33:05,639
like I say from what what we have been

661
00:33:08,889 --> 00:33:06,559
talking about

662
00:33:11,350 --> 00:33:08,899
or oh I guess the cup past couple of

663
00:33:14,200 --> 00:33:11,360

years and about the Ascension kind of

664

00:33:16,930 --> 00:33:14,210

falls in line with what you wouldn't you

665

00:33:19,869 --> 00:33:16,940

were talking about as far as humans

666

00:33:23,560 --> 00:33:19,879

morphing into the higher being but what

667

00:33:25,480 --> 00:33:23,570

can you tell us about ascension well let

668

00:33:28,090 --> 00:33:25,490

me I yeah just want to make a comment on

669

00:33:30,700 --> 00:33:28,100

that but Maya 2012 business because I

670

00:33:33,039 --> 00:33:30,710

was like you kind of very intrigued by

671

00:33:37,139 --> 00:33:33,049

it and locked onto it and tracking it

672

00:33:39,220 --> 00:33:37,149

for a while the key image that I enjoyed

673

00:33:42,009 --> 00:33:39,230

researching and continued to research

674

00:33:44,080 --> 00:33:42,019

actually was the Mayan image of

675

00:33:46,919 --> 00:33:44,090

Quetzalcoatl the feathered serpent who

676

00:33:50,830 --> 00:33:46,929

who could be a seraph or a Seraphim

677

00:33:52,629 --> 00:33:50,840

descending from the 8r8 star which the

678

00:33:55,690 --> 00:33:52,639

Mayans identified as the center of the

679

00:33:57,700 --> 00:33:55,700

Milky Way galaxy and he was descending

680

00:34:00,700 --> 00:33:57,710

upon what the Mayans described as a

681

00:34:03,580 --> 00:34:00,710

serpent rope some kind of a cosmic

682

00:34:05,440 --> 00:34:03,590

conduit that I interpreted based on the

683

00:34:08,230 --> 00:34:05,450

work of John Major Jenkins and others as

684

00:34:09,730 --> 00:34:08,240

a as a wormhole and got to thinking well

685

00:34:12,040 --> 00:34:09,740

you know what if these what are these

686

00:34:15,579 --> 00:34:12,050

Seraphim actually travel the galaxy

687

00:34:17,649 --> 00:34:15,589

through stargates and and wormholes and

688

00:34:20,470 --> 00:34:17,659

what if that's part of what they're here

689

00:34:24,280 --> 00:34:20,480

to do is to to hook us up in a way to

690

00:34:25,809 --> 00:34:24,290

the to the cosmic highway that's kind of

691

00:34:29,050 --> 00:34:25,819

segues into your question about

692

00:34:33,250 --> 00:34:29,060

ascension and that's some work I've been

693

00:34:36,909 --> 00:34:33,260

doing for I don't know probably directly

694

00:34:39,730 --> 00:34:36,919

since 2006-2007 somewhere in there it

695

00:34:42,339 --> 00:34:39,740

was kind of interesting I was at a UFO

696

00:34:44,859 --> 00:34:42,349

conference in San Jose big conference a

697

00:34:47,319 --> 00:34:44,869

couple comes up to me and and asks me

698

00:34:48,579 --> 00:34:47,329

first thing yet they introduced

699

00:34:50,919 --> 00:34:48,589

themselves and they said that they had

700

00:34:54,099 --> 00:34:50,929

both had PhDs from the Harvard Divinity

701
00:34:56,740 --> 00:34:54,109
School they they worked with the Dalai

702
00:34:58,870 --> 00:34:56,750
Lama they translated Tibetan text their

703
00:35:00,730 --> 00:34:58,880
specialty was the rainbow body of light

704
00:35:01,990 --> 00:35:00,740
and they wanted to know if I knew

705
00:35:03,690 --> 00:35:02,000
anything about it I said no I've never

706
00:35:05,950 --> 00:35:03,700
heard of it and they said well

707
00:35:08,650 --> 00:35:05,960
essentially what the Tibetans teach is

708
00:35:11,950 --> 00:35:08,660
that the human body is designed to be

709
00:35:14,260 --> 00:35:11,960
spun into a vortex he's designed to be

710
00:35:16,390 --> 00:35:14,270
accelerated and spun into a vortex that

711
00:35:19,180 --> 00:35:16,400
ultimately manifests is five colored

712
00:35:20,320 --> 00:35:19,190
rainbow light leaving behind only hair

713
00:35:24,070 --> 00:35:20,330

toe and fingernails

714

00:35:26,860 --> 00:35:24,080

have no nerves to be transmuted and what

715

00:35:29,530 --> 00:35:26,870

they said is that my work answered for

716

00:35:31,840 --> 00:35:29,540

them my work in ancient Egyptian

717

00:35:34,840 --> 00:35:31,850

Stargate metaphysics answered for them a

718

00:35:36,610 --> 00:35:34,850

question that the Tibetans wouldn't

719

00:35:39,280 --> 00:35:36,620

answer because they said it was secret

720

00:35:40,930 --> 00:35:39,290

or they simply didn't know what the

721

00:35:43,300 --> 00:35:40,940

answer to the question was and that was

722

00:35:45,730 --> 00:35:43,310

the Tibetans teach that once you attain

723

00:35:49,180 --> 00:35:45,740

this this glory body or resurrection

724

00:35:53,440 --> 00:35:49,190

body this rainbow body of life then

725

00:35:55,930 --> 00:35:53,450

you're able to travel to an additional

726

00:35:58,870 --> 00:35:55,940

12 or 13 star systems where this

727

00:36:02,950 --> 00:35:58,880

teaching is taught and what they wanted

728

00:36:05,550 --> 00:36:02,960

to know was how do you get there I mean

729

00:36:07,900 --> 00:36:05,560

once you pop into your rainbow body and

730

00:36:09,940 --> 00:36:07,910

you can go to these other star systems

731

00:36:11,920 --> 00:36:09,950

how do you get there and then they said

732

00:36:13,540 --> 00:36:11,930

they're watching my presentation star

733

00:36:15,070 --> 00:36:13,550

walkers and the dimension of the blessed

734

00:36:18,220 --> 00:36:15,080

which is about ancient Egyptian

735

00:36:19,960 --> 00:36:18,230

Resurrection teachings which I I show in

736

00:36:22,270 --> 00:36:19,970

there that when the when the ancient

737

00:36:23,860 --> 00:36:22,280

Egyptian gods are ascended when they've

738

00:36:26,440 --> 00:36:23,870

left their human form and then their

739

00:36:28,360 --> 00:36:26,450

celestial form they can now they can now

740

00:36:29,920 --> 00:36:28,370

travel on what's called the Ark of the

741

00:36:33,640 --> 00:36:29,930

millions of years or the ship of

742

00:36:35,410 --> 00:36:33,650

eternity and what I observed is that the

743

00:36:38,800 --> 00:36:35,420

way the ancient Egyptians portrayed that

744

00:36:41,620 --> 00:36:38,810

our core ship matches precisely the way

745

00:36:43,630 --> 00:36:41,630

modern science portrays a wormhole so I

746

00:36:44,920 --> 00:36:43,640

went out on a limb and said hey look it

747

00:36:46,570 --> 00:36:44,930

looks like you know it's possible that

748

00:36:48,940 --> 00:36:46,580

these ancient Egyptian gods these

749

00:36:51,910 --> 00:36:48,950

ancient aliens could be Stargate

750

00:36:54,790 --> 00:36:51,920

traveling or wormhole travelers and so

751
00:36:56,470 --> 00:36:54,800
that really resonated with this couple

752
00:36:58,900 --> 00:36:56,480
and they said this is what we see

753
00:37:01,360 --> 00:36:58,910
happening is that once you attain the

754
00:37:04,630 --> 00:37:01,370
resurrection body or glory body your

755
00:37:07,570 --> 00:37:04,640
body then effectively becomes the

756
00:37:09,400 --> 00:37:07,580
wormhole and you can travel through the

757
00:37:12,280 --> 00:37:09,410
stars as a celestial being

758
00:37:14,740 --> 00:37:12,290
and and so they started feeding these

759
00:37:17,050 --> 00:37:14,750
various PhD dissertations and other

760
00:37:20,350 --> 00:37:17,060
research that kind of became the the

761
00:37:22,870 --> 00:37:20,360
cornerstone of my work on Ascension and

762
00:37:25,240 --> 00:37:22,880
what I've started to do since then is I

763
00:37:27,730 --> 00:37:25,250

call it playing tic-tac-toe I linked

764

00:37:29,590 --> 00:37:27,740

together the the Tibetan which is really

765

00:37:33,070 --> 00:37:29,600

an extraterrestrial teaching it doesn't

766

00:37:34,060 --> 00:37:33,080

come from Earth it's probably from a you

767

00:37:37,530 --> 00:37:34,070

know pick a star

768

00:37:40,270 --> 00:37:37,540

system Sirius Orion Pleiades Ursa Major

769

00:37:42,640 --> 00:37:40,280

Arcturus they're all involved they're

770

00:37:44,830 --> 00:37:42,650

all and we have beings coming and going

771

00:37:47,890 --> 00:37:44,840

from these star systems in in sacred

772

00:37:50,530 --> 00:37:47,900

myth and tradition and so I started

773

00:37:52,660 --> 00:37:50,540

linking the Tibetan the ancient Egyptian

774

00:37:56,400 --> 00:37:52,670

resurrection mysteries with the Essenes

775

00:37:59,710 --> 00:37:56,410

/ Christian resurrection mysteries and

776

00:38:02,200 --> 00:37:59,720

people really enjoy it because they get

777

00:38:04,870 --> 00:38:02,210

to they get a sense that okay this is a

778

00:38:07,570 --> 00:38:04,880

true cosmic teaching here and we're

779

00:38:11,050 --> 00:38:07,580

ultimately went for me is I started

780

00:38:13,840 --> 00:38:11,060

comparing the way that the the Tibetans

781

00:38:16,600 --> 00:38:13,850

would show the rainbow body these fluid

782

00:38:18,850 --> 00:38:16,610

vortex shaped bodies that are rainbow

783

00:38:21,700 --> 00:38:18,860

colored light and I started comparing

784

00:38:24,790 --> 00:38:21,710

those with the fluid vortex shaped

785

00:38:27,610 --> 00:38:24,800

bodies of the Seraphim and Christian art

786

00:38:30,220 --> 00:38:27,620

mm-hmm and what do you know they match

787

00:38:32,650 --> 00:38:30,230

they match and so that that opened up

788

00:38:34,810 --> 00:38:32,660

this idea that with the Tibetans called

789

00:38:37,120 --> 00:38:34,820

the the rainbow body is technically

790

00:38:39,520 --> 00:38:37,130

called dou Chen or the great perfection

791

00:38:41,440 --> 00:38:39,530

and so I started to use that word

792

00:38:43,090 --> 00:38:41,450

perfect as sort of like a needle and

793

00:38:44,980 --> 00:38:43,100

thread to weave my way through these

794

00:38:47,440 --> 00:38:44,990

traditions just always looking for that

795

00:38:50,260 --> 00:38:47,450

magic word because they all talk about

796

00:38:53,260 --> 00:38:50,270

humans attaining perfection but what

797

00:38:54,580 --> 00:38:53,270

what does that mean well in the Tibetan

798

00:38:56,830 --> 00:38:54,590

tradition you know you're a perfect

799

00:38:59,470 --> 00:38:56,840

being when you have spun yourself into

800

00:39:02,590 --> 00:38:59,480

this vortex and you you manifest your

801
00:39:04,450 --> 00:39:02,600
rainbow body well this is exactly how

802
00:39:07,570 --> 00:39:04,460
Christ is portrayed in his resurrected

803
00:39:09,760 --> 00:39:07,580
form the Egyptians portray Osiris and

804
00:39:12,580 --> 00:39:09,770
his resurrected form in a similar

805
00:39:14,860 --> 00:39:12,590
fashion and it's a way of linking these

806
00:39:19,300 --> 00:39:14,870
traditions well I want to ask you a

807
00:39:22,060 --> 00:39:19,310
question now is everyone on earth going

808
00:39:25,420 --> 00:39:22,070
to morph into being a seraph because you

809
00:39:29,940 --> 00:39:25,430
just said that a lot of other systems

810
00:39:33,730 --> 00:39:29,950
are there other oh I guess of a

811
00:39:36,120 --> 00:39:33,740
extraterrestrials come here so is this

812
00:39:41,110 --> 00:39:36,130
kind of a melting pot for the universe

813
00:39:43,450 --> 00:39:41,120

or an interdimensional melting pot where

814

00:39:46,840 --> 00:39:43,460

you have seraphim's dealing with other

815

00:39:47,950 --> 00:39:46,850

beings or or are we all going to be

816

00:39:52,390 --> 00:39:47,960

Sarah

817

00:39:54,520 --> 00:39:52,400

well that's a very powerful question

818

00:39:57,339 --> 00:39:54,530

really complex question I don't know all

819

00:40:00,280 --> 00:39:57,349

the answers but what I've observed in in

820

00:40:01,930 --> 00:40:00,290

brief is the Tibetans for example teach

821

00:40:05,410 --> 00:40:01,940

that you're not getting off this rock

822

00:40:07,180 --> 00:40:05,420

until you attain your perfect body until

823

00:40:09,069 --> 00:40:07,190

you attain your resurrection body your

824

00:40:10,569 --> 00:40:09,079

rainbow body of life and they tell you

825

00:40:13,599 --> 00:40:10,579

you're going to go round and round and

826

00:40:15,339 --> 00:40:13,609

round and many people have they also

827

00:40:17,530 --> 00:40:15,349

tell you in other words you're going to

828

00:40:19,420 --> 00:40:17,540

reincarnate over and over again until

829

00:40:22,170 --> 00:40:19,430

you do attain it but they also tell you

830

00:40:25,210 --> 00:40:22,180

that you can attain it in one lifetime

831

00:40:28,329 --> 00:40:25,220

now so that's that suggest that maybe

832

00:40:30,730 --> 00:40:28,339

we're you know we're out here on way out

833

00:40:33,720 --> 00:40:30,740

here on the Orion Arm of our galaxy were

834

00:40:37,390 --> 00:40:33,730

in them we're in no-man's land in a way

835

00:40:39,670 --> 00:40:37,400

but maybe were we're here to to bring

836

00:40:42,099 --> 00:40:39,680

this this teaching to this part of the

837

00:40:44,319 --> 00:40:42,109

part of the galaxy you know I mean I

838

00:40:48,099 --> 00:40:44,329

always love that image where when you

839

00:40:50,470 --> 00:40:48,109

you look at the galaxy from face-on and

840

00:40:53,410 --> 00:40:50,480

you recognize that all the stars that we

841

00:40:56,319 --> 00:40:53,420

see in the night sky are just a tiny

842

00:40:57,970 --> 00:40:56,329

little dot in the Milky Way and so

843

00:40:59,410 --> 00:40:57,980

there's an awful lot of life out there

844

00:41:01,120 --> 00:40:59,420

and so who's to say that these beings

845

00:41:03,400 --> 00:41:01,130

aren't coming and going through

846

00:41:07,210 --> 00:41:03,410

stargates and wormholes but there are

847

00:41:09,609 --> 00:41:07,220

not all seraphim's well see now this is

848

00:41:12,520 --> 00:41:09,619

that's that's a question that I you know

849

00:41:14,319 --> 00:41:12,530

can't answer with any certainty but it

850

00:41:17,470 --> 00:41:14,329

suggests to me and this is just my

851
00:41:19,329 --> 00:41:17,480
personal belief I'm fairly dogmatic

852
00:41:21,520 --> 00:41:19,339
about it you know there's a hit movie

853
00:41:23,170 --> 00:41:21,530
out right now called interstellar with

854
00:41:24,579 --> 00:41:23,180
Matthew McConaughey I haven't seen it

855
00:41:27,010 --> 00:41:24,589
yet I've read about it I know the

856
00:41:29,200 --> 00:41:27,020
premise I know Kip Thorne's work he's

857
00:41:32,050 --> 00:41:29,210
Caltech physicist who came up with the

858
00:41:34,599 --> 00:41:32,060
idea of the traversable wormhole in the

859
00:41:37,960 --> 00:41:34,609
1980s he worked along with dr. Carl

860
00:41:41,260 --> 00:41:37,970
Sagan I think he was a PhD I know Kip

861
00:41:43,510 --> 00:41:41,270
Thorne is and they together they cooked

862
00:41:46,300 --> 00:41:43,520
up the idea of the movie contact the

863
00:41:48,430 --> 00:41:46,310

first of the novel contact and then the

864

00:41:50,050 --> 00:41:48,440

movie which inspired so many people with

865

00:41:52,599 --> 00:41:50,060

Jodie Foster where they build this

866

00:41:55,420 --> 00:41:52,609

machine and they effectively flushed

867

00:41:58,170 --> 00:41:55,430

Jodie Foster through these this plumbing

868

00:42:00,490 --> 00:41:58,180

system and the cosmos that is

869

00:42:02,110 --> 00:42:00,500

contradicted by every single

870

00:42:04,300 --> 00:42:02,120

story I've ever read in the ancient

871

00:42:08,020 --> 00:42:04,310

world of the Seraphim coming and going

872

00:42:09,550 --> 00:42:08,030

and also of ancient extraterrestrials

873

00:42:11,890 --> 00:42:09,560

the ancient aliens because they're not

874

00:42:14,710 --> 00:42:11,900

flying around in tin cans spaceships or

875

00:42:16,420 --> 00:42:14,720

warp drives flesh-and-blood can't

876

00:42:18,340 --> 00:42:16,430

inherit the kingdom of heaven is what

877

00:42:22,560 --> 00:42:18,350

we're told in the Bible when we get

878

00:42:24,970 --> 00:42:22,570

beyond the boundary of our star system

879

00:42:27,220 --> 00:42:24,980

in order to travel the stars we're going

880

00:42:29,740 --> 00:42:27,230

to do it not in a flesh-and-blood form

881

00:42:32,470 --> 00:42:29,750

not in a tin can form we're going to be

882

00:42:34,870 --> 00:42:32,480

light beings and so when movies like

883

00:42:36,490 --> 00:42:34,880

interstellar continue to show this idea

884

00:42:38,710 --> 00:42:36,500

that science says that we're going to be

885

00:42:40,570 --> 00:42:38,720

able to build a warp drive within the

886

00:42:42,880 --> 00:42:40,580

next hundred years and evacuate the

887

00:42:44,950 --> 00:42:42,890

planet yeah I wish him a lot of luck

888

00:42:47,200 --> 00:42:44,960

because I do believe that there there is

889

00:42:49,510 --> 00:42:47,210

a spiritual boundary that if they're

890

00:42:51,280 --> 00:42:49,520

going to ever kick in the warp drive or

891

00:42:52,840 --> 00:42:51,290

build wormhole drives they're going to

892

00:42:55,330 --> 00:42:52,850

have to kick in the spiritual drive

893

00:42:59,110 --> 00:42:55,340

first mm-hmm

894

00:43:02,020 --> 00:42:59,120

well you know it's I guess I'm I'm

895

00:43:06,400 --> 00:43:02,030

interested in the and the physical form

896

00:43:08,890 --> 00:43:06,410

that humans take we take a human form

897

00:43:12,430 --> 00:43:08,900

we're spiritual beings with a with a

898

00:43:15,880 --> 00:43:12,440

physical body that's that's what that

899

00:43:18,820 --> 00:43:15,890

that's I guess the philosophy as to why

900

00:43:21,370 --> 00:43:18,830

we are here because if we are spiritual

901
00:43:24,130 --> 00:43:21,380
beings or light beings you know why do

902
00:43:27,310 --> 00:43:24,140
we need the body you know why do we come

903
00:43:30,370 --> 00:43:27,320
down and or why do we allow ourselves to

904
00:43:32,740 --> 00:43:30,380
take this form if we are just going to

905
00:43:34,750 --> 00:43:32,750
go back to being a light being well

906
00:43:36,430 --> 00:43:34,760
that's where that's where the Gnostic

907
00:43:38,110 --> 00:43:36,440
perspective comes in and says that this

908
00:43:43,120 --> 00:43:38,120
is a punishment being in a body as a

909
00:43:44,770 --> 00:43:43,130
punishment when remember were Adam and

910
00:43:46,990 --> 00:43:44,780
Eve are evicted from the Garden of Eden

911
00:43:49,510 --> 00:43:47,000
the Old Testament God Yahweh Jehovah

912
00:43:51,130 --> 00:43:49,520
builds a gate at the East of Eden puts

913
00:43:52,930 --> 00:43:51,140

cherubim on either side of him in a

914

00:43:55,360 --> 00:43:52,940

flashing flaming sword in the center of

915

00:43:57,490 --> 00:43:55,370

the gate says don't come back and he

916

00:44:01,030 --> 00:43:57,500

does something else he makes for Adam

917

00:44:04,030 --> 00:44:01,040

and Eve human human 'ti coats of skin

918

00:44:06,010 --> 00:44:04,040

that the traditional interpretation is

919

00:44:08,290 --> 00:44:06,020

that these are some sort of animal skin

920

00:44:12,760 --> 00:44:08,300

but in the in the esoteric Jewish

921

00:44:13,809 --> 00:44:12,770

tradition the skin is human skin is that

922

00:44:16,269 --> 00:44:13,819

where you get

923

00:44:18,249 --> 00:44:16,279

the seraphim's are fallen they're fallen

924

00:44:20,079 --> 00:44:18,259

and they become human it's that's the

925

00:44:23,349 --> 00:44:20,089

definition of the word fallen they're no

926

00:44:25,180 --> 00:44:23,359

longer in their ethereal light being

927

00:44:27,249 --> 00:44:25,190

formed they've taken on flesh and blood

928

00:44:28,900 --> 00:44:27,259

that's the definition of fallen is the

929

00:44:31,620 --> 00:44:28,910

definition of evil it's also the

930

00:44:36,009 --> 00:44:31,630

definition of sin to be in a human body

931

00:44:39,969 --> 00:44:36,019

mm-hmm well because because it's so so

932

00:44:43,509 --> 00:44:39,979

all humans are basically the the Fallen

933

00:44:45,519 --> 00:44:43,519

seraphim's and you know they're I don't

934

00:44:47,529 --> 00:44:45,529

know that they're all Fallen Seraphim

935

00:44:50,979 --> 00:44:47,539

they're all that their fallen beings

936

00:44:53,439 --> 00:44:50,989

fallen light beings yeah and what that

937

00:44:57,009 --> 00:44:53,449

means to me is that we are not fallen

938

00:44:59,380 --> 00:44:57,019

and to be to be a fallen being into a

939

00:45:01,749 --> 00:44:59,390

being who lives in sin means you are not

940

00:45:06,969 --> 00:45:01,759

in your light body it means you're not

941

00:45:09,489 --> 00:45:06,979

in your glory body mm-hmm you know so so

942

00:45:13,329 --> 00:45:09,499

you live this life you pass away I mean

943

00:45:16,479 --> 00:45:13,339

your body dies and and you go to back go

944

00:45:19,660 --> 00:45:16,489

back to being a light being but you come

945

00:45:20,160 --> 00:45:19,670

back to be further purified is that

946

00:45:23,439 --> 00:45:20,170

right

947

00:45:27,370 --> 00:45:23,449

that's one way of viewing it yes okay

948

00:45:30,759 --> 00:45:27,380

okay well I'm just I'm trying to to get

949

00:45:32,289 --> 00:45:30,769

a handle on on a lot of the things that

950

00:45:35,349 --> 00:45:32,299

you're bringing up because I'm new to

951
00:45:38,529 --> 00:45:35,359
this but then you come back and you also

952
00:45:42,400 --> 00:45:38,539
talk about the the seraphs as being the

953
00:45:44,620 --> 00:45:42,410
Watchers so so are is that a different

954
00:45:48,189 --> 00:45:44,630
group of seraphim's or are we all

955
00:45:52,920 --> 00:45:48,199
Watchers or how does that work into this

956
00:45:57,699 --> 00:45:52,930
the Watchers is a name given to a

957
00:45:59,319 --> 00:45:57,709
specific group of angels the term as far

958
00:46:02,829 --> 00:45:59,329
as I can tell originates with the

959
00:46:04,660 --> 00:46:02,839
Essenes okay there so there with the

960
00:46:07,349 --> 00:46:04,670
escena that it originates with the

961
00:46:11,589 --> 00:46:07,359
Essenes the the group that produced

962
00:46:13,239 --> 00:46:11,599
mother Mary Christ and that and John the

963
00:46:14,289 --> 00:46:13,249

Baptist and that group is that right

964

00:46:16,150 --> 00:46:14,299

exactly

965

00:46:18,849 --> 00:46:16,160

okay are they part of an elite group

966

00:46:23,769 --> 00:46:18,859

that are supposed to be like leaders of

967

00:46:26,979 --> 00:46:23,779

humankind well yes I mean that's how we

968

00:46:27,220 --> 00:46:26,989

interpret them you have to remember kind

969

00:46:34,030 --> 00:46:27,230

of the

970

00:46:36,070 --> 00:46:34,040

Jewish mystics they were they were

971

00:46:38,440 --> 00:46:36,080

operating in there in the Temple of

972

00:46:41,349 --> 00:46:38,450

Solomon which had been newly refurbished

973

00:46:43,300 --> 00:46:41,359

and then it was taken over by the the

974

00:46:45,240 --> 00:46:43,310

Ptolemies who were the successors of

975

00:46:48,849 --> 00:46:45,250

Alexander the Great who began

976

00:46:51,580 --> 00:46:48,859

desecrating the temple and so part of

977

00:46:53,470 --> 00:46:51,590

the Essenes left and went to Egypt where

978

00:46:57,010 --> 00:46:53,480

they built the duplicate of Solomon's

979

00:47:00,490 --> 00:46:57,020

Temple and this is where they they in

980

00:47:03,460 --> 00:47:00,500

they started writing about a a super

981

00:47:05,740 --> 00:47:03,470

hero they called him Enoch the Trent the

982

00:47:08,320 --> 00:47:05,750

translated man he's mentioned one time

983

00:47:11,680 --> 00:47:08,330

and the in the Old Testament is saying

984

00:47:14,770 --> 00:47:11,690

that he was he walks with God and they

985

00:47:16,510 --> 00:47:14,780

took Enoch as a model of a human that

986

00:47:19,060 --> 00:47:16,520

could cross over the boundary between

987

00:47:23,200 --> 00:47:19,070

the earthly and the in the divine realm

988

00:47:25,330 --> 00:47:23,210

and so in addition to focusing on Enoch

989

00:47:27,660 --> 00:47:25,340

and this promise that humans could

990

00:47:30,700 --> 00:47:27,670

actually take it upon themselves to

991

00:47:33,070 --> 00:47:30,710

ascend to the throne of God with or

992

00:47:35,800 --> 00:47:33,080

without God's permission they also

993

00:47:39,010 --> 00:47:35,810

started writing about the Watchers as

994

00:47:42,550 --> 00:47:39,020

well as this group of fallen angels who

995

00:47:45,490 --> 00:47:42,560

are responsible for the flood they were

996

00:47:50,080 --> 00:47:45,500

they were responsible for all kinds of

997

00:47:52,390 --> 00:47:50,090

problems for Humanity and when scholars

998

00:47:53,890 --> 00:47:52,400

get into that they're they're confronted

999

00:47:55,810 --> 00:47:53,900

with a choice you have to either

1000

00:47:57,460 --> 00:47:55,820

interpret the watchers as a group of

1001
00:48:00,880 --> 00:47:57,470
angels who came from some celestial

1002
00:48:04,210 --> 00:48:00,890
region as some do or you interpret them

1003
00:48:06,460 --> 00:48:04,220
as the the priesthood of the temple who

1004
00:48:07,840 --> 00:48:06,470
desecrated the temple and were fallen

1005
00:48:10,240 --> 00:48:07,850
ones because of it and are letting

1006
00:48:12,550 --> 00:48:10,250
leading the people astray well but you

1007
00:48:16,030 --> 00:48:12,560
also said something here that the

1008
00:48:19,359 --> 00:48:16,040
Essenes were part of the Jews which to

1009
00:48:22,980 --> 00:48:19,369
common people the Jews were considered

1010
00:48:26,230 --> 00:48:22,990
the chosen ones or the chosen race is

1011
00:48:29,320 --> 00:48:26,240
are they still are they are they still

1012
00:48:32,470 --> 00:48:29,330
considered the chosen ones or or how

1013
00:48:35,050 --> 00:48:32,480

does that relate to to where we are now

1014

00:48:39,730 --> 00:48:35,060

because when Christ came of course

1015

00:48:41,050 --> 00:48:39,740

Christ wanted to expand the idea of the

1016

00:48:44,170 --> 00:48:41,060

chosen to

1017

00:48:48,210 --> 00:48:44,180

the Gentiles which was everybody else in

1018

00:48:52,150 --> 00:48:48,220

addition to the Jews so so the Jews and

1019

00:48:54,340 --> 00:48:52,160

have a a role as being kind of the

1020

00:48:58,210 --> 00:48:54,350

chosen ones is that is for that be a

1021

00:49:01,000 --> 00:48:58,220

fair statement at that time yeah I would

1022

00:49:02,620 --> 00:49:01,010

and certainly I know the Jewish people

1023

00:49:03,910 --> 00:49:02,630

still believe there they're the chosen

1024

00:49:07,150 --> 00:49:03,920

ones and I understand what you're saying

1025

00:49:10,240 --> 00:49:07,160

about about Jesus wanting to throw open

1026
00:49:12,940 --> 00:49:10,250
the gate of heaven to do everybody and

1027
00:49:16,090 --> 00:49:12,950
that's a that's actually a core piece of

1028
00:49:18,730 --> 00:49:16,100
the of the Essene work at that time is

1029
00:49:20,590 --> 00:49:18,740
that they were they were looking to that

1030
00:49:23,380 --> 00:49:20,600
what they had discovered is that that

1031
00:49:25,480 --> 00:49:23,390
that boundary that supposedly separated

1032
00:49:28,330 --> 00:49:25,490
the human in the divine was in fact

1033
00:49:30,610 --> 00:49:28,340
permeable and so through their stories

1034
00:49:32,950 --> 00:49:30,620
their ascension stories about Enoch

1035
00:49:35,620 --> 00:49:32,960
ascending to the heavenly throne they

1036
00:49:38,050 --> 00:49:35,630
were hoping to show that anyone could

1037
00:49:40,960 --> 00:49:38,060
actually go through this process of

1038
00:49:43,690 --> 00:49:40,970

ascension and become pure enough like

1039

00:49:46,150 --> 00:49:43,700

the Essenes and actually transform

1040

00:49:49,510 --> 00:49:46,160

themselves into an angelic being and

1041

00:49:52,720 --> 00:49:49,520

enter the heavenly realms mm-hmm so it

1042

00:49:56,620 --> 00:49:52,730

so the Jewish people and the scenes

1043

00:50:00,430 --> 00:49:56,630

which are like a sect of the Jewish

1044

00:50:03,490 --> 00:50:00,440

group or grew ish people they were

1045

00:50:06,340 --> 00:50:03,500

already more purified than the other

1046

00:50:07,900 --> 00:50:06,350

people is that right they believe so

1047

00:50:10,960 --> 00:50:07,910

yeah I mean they were they were more

1048

00:50:12,940 --> 00:50:10,970

obsessed with purity than others and the

1049

00:50:16,450 --> 00:50:12,950

reason why is what they were trying to

1050

00:50:19,600 --> 00:50:16,460

do was to transform their body into a

1051
00:50:22,390 --> 00:50:19,610
vehicle capable of holding what we would

1052
00:50:25,270 --> 00:50:22,400
today think of as the Christ energy and

1053
00:50:28,420 --> 00:50:25,280
so they were this they were they

1054
00:50:31,540 --> 00:50:28,430
segregated themselves they were obsessed

1055
00:50:35,160 --> 00:50:31,550
with purity they chanted they meditated

1056
00:50:38,560 --> 00:50:35,170
they ate pure food in hopes of

1057
00:50:40,420 --> 00:50:38,570
transforming their DNA literally into a

1058
00:50:43,090 --> 00:50:40,430
vehicle that would be capable of

1059
00:50:45,580 --> 00:50:43,100
manifesting this christ-like being that

1060
00:50:48,220 --> 00:50:45,590
we know of is is ultimately manifesting

1061
00:50:51,580 --> 00:50:48,230
as Jesus but it's Jesus yeah it was so

1062
00:50:54,410 --> 00:50:51,590
so in a way earth and being human is

1063
00:50:57,079 --> 00:50:54,420

kind of a purgatory you know

1064

00:51:00,470 --> 00:50:57,089

mean by that by purgatory it so it's a

1065

00:51:03,470 --> 00:51:00,480

cleansing time or it's a cleansing a way

1066

00:51:06,770 --> 00:51:03,480

for people to cleanse themselves their

1067

00:51:10,160 --> 00:51:06,780

souls so that they can reach a higher

1068

00:51:13,420 --> 00:51:10,170

realm yeah I would absolutely go along

1069

00:51:18,020 --> 00:51:13,430

with that okay so so the earth and and

1070

00:51:23,359 --> 00:51:18,030

humanity is part of that cleansing

1071

00:51:25,789 --> 00:51:23,369

because basically the human taking a

1072

00:51:27,770 --> 00:51:25,799

human form we got to work out the kinks

1073

00:51:29,809 --> 00:51:27,780

this is where we're working out kinks

1074

00:51:31,760 --> 00:51:29,819

and this is where we learned to be good

1075

00:51:34,160 --> 00:51:31,770

to one another or whatever so those

1076
00:51:37,339 --> 00:51:34,170
people so those people that are not good

1077
00:51:41,930 --> 00:51:37,349
like a serial killer or they got a long

1078
00:51:43,490 --> 00:51:41,940
way to go yeah you know the Tibetan so I

1079
00:51:45,200 --> 00:51:43,500
mean it's like what good is knowing

1080
00:51:48,260 --> 00:51:45,210
about the rainbow body the resurrection

1081
00:51:50,420 --> 00:51:48,270
body the the the glory body and the idea

1082
00:51:52,549 --> 00:51:50,430
is is that you're not going through this

1083
00:51:55,010 --> 00:51:52,559
process of Ascension necessarily to go

1084
00:51:58,309 --> 00:51:55,020
to another place but rather to transform

1085
00:52:01,339 --> 00:51:58,319
this place to glorify the earth to

1086
00:52:03,380 --> 00:52:01,349
glorify God by glorifying the God by

1087
00:52:06,319 --> 00:52:03,390
glorifying the earth and raising it to a

1088
00:52:10,430 --> 00:52:06,329

higher level of vibration itself mm-hmm

1089

00:52:15,069 --> 00:52:10,440

okay yeah because it just seems that it

1090

00:52:18,950 --> 00:52:15,079

seems like other entities may use this

1091

00:52:23,720 --> 00:52:18,960

this forum we call earth to work out

1092

00:52:24,890 --> 00:52:23,730

other issues and you know I it just what

1093

00:52:27,620 --> 00:52:24,900

you're doing is you're giving me a

1094

00:52:31,190 --> 00:52:27,630

different perspective of the Jewish

1095

00:52:36,620 --> 00:52:31,200

people of seraphim's and so on so forth

1096

00:52:39,859 --> 00:52:36,630

and it seems like this is a part of a

1097

00:52:42,230 --> 00:52:39,869

total picture now we're gonna take a

1098

00:52:46,150 --> 00:52:42,240

break here into a few minutes and so I

1099

00:52:50,180 --> 00:52:46,160

want to continue this particular line of

1100

00:52:54,289 --> 00:52:50,190

discussion but in our next hour I'd like

1101

00:52:59,480 --> 00:52:54,299

to get into the art and I'd like to get

1102

00:53:03,710 --> 00:52:59,490

into the artists that you use to use as

1103

00:53:04,940 --> 00:53:03,720

evidence of your philosophy and and then

1104

00:53:06,740 --> 00:53:04,950

talk a little bit more about the Dead

1105

00:53:08,270 --> 00:53:06,750

Sea Scrolls because I think that that's

1106

00:53:11,450 --> 00:53:08,280

very revealing I

1107

00:53:13,970 --> 00:53:11,460

when there was several of them found I

1108

00:53:16,010 --> 00:53:13,980

believe in the 70s and I know the

1109

00:53:17,599 --> 00:53:16,020

Catholic Church didn't want them didn't

1110

00:53:20,750 --> 00:53:17,609

want everything revealed all at once

1111

00:53:22,760 --> 00:53:20,760

from what I'm told but if you could tell

1112

00:53:24,920 --> 00:53:22,770

us some of that stuff and and of course

1113

00:53:28,430 --> 00:53:24,930

we want to know more about your book too

1114

00:53:30,410 --> 00:53:28,440

but from from what I'm gathering is is

1115

00:53:33,530 --> 00:53:30,420

that you're being very specific about

1116

00:53:37,640 --> 00:53:33,540

the seraphim's how the seraphim's who

1117

00:53:41,540 --> 00:53:37,650

are closest to God also use that God

1118

00:53:45,310 --> 00:53:41,550

energy while they take human form here

1119

00:53:50,570 --> 00:53:45,320

on earth and and it brings up a lot of

1120

00:53:51,950 --> 00:53:50,580

other issues as far as the status of

1121

00:53:55,010 --> 00:53:51,960

different people because you know we

1122

00:53:58,370 --> 00:53:55,020

have poor people we have middle class we

1123

00:53:59,690 --> 00:53:58,380

have the the we have rich people we have

1124

00:54:03,349 --> 00:53:59,700

different people that consider

1125

00:54:05,120 --> 00:54:03,359

themselves better than others and and so

1126

00:54:08,210 --> 00:54:05,130

it sounds like there are just different

1127

00:54:11,859 --> 00:54:08,220

levels of consciousness from what you're

1128

00:54:14,570 --> 00:54:11,869

talking about and and different ways of

1129

00:54:16,339 --> 00:54:14,580

learning to purify their spirit does

1130

00:54:19,400 --> 00:54:16,349

that make sense yeah it sure does

1131

00:54:21,380 --> 00:54:19,410

absolutely okay does your book get into

1132

00:54:23,690 --> 00:54:21,390

that I mean I from what I was reading

1133

00:54:27,920 --> 00:54:23,700

you you talked about Enoch and you

1134

00:54:30,970 --> 00:54:27,930

talked about the Watchers and I'm also

1135

00:54:36,079 --> 00:54:30,980

curious though about spirit guides and

1136

00:54:40,040 --> 00:54:36,089

entities that speak to us as humans what

1137

00:54:45,260 --> 00:54:40,050

is your take on that you know I I don't

1138

00:54:48,170 --> 00:54:45,270

really get that much into that I'm I I

1139

00:54:51,200 --> 00:54:48,180

do a little bit of thinking and and

1140

00:54:53,720 --> 00:54:51,210

research on the area of of the twin

1141

00:54:56,480 --> 00:54:53,730

concept that we that there's just a

1142

00:54:58,099 --> 00:54:56,490

small part of our self is is actually

1143

00:55:00,920 --> 00:54:58,109

having this human experience that we

1144

00:55:03,320 --> 00:55:00,930

have a our perfected light being self

1145

00:55:05,180 --> 00:55:03,330

already exists in and dwells in those

1146

00:55:08,359 --> 00:55:05,190

that perfect realm whether whether you

1147

00:55:10,370 --> 00:55:08,369

call it Sion or the Pure Land or

1148

00:55:14,720 --> 00:55:10,380

whatever term you you choose to use for

1149

00:55:17,060 --> 00:55:14,730

it and so that's about the extent of it

1150

00:55:19,040 --> 00:55:17,070

I don't I'm not don't do that much with

1151

00:55:21,380 --> 00:55:19,050

spirit guides and that sort of time oh

1152

00:55:21,910 --> 00:55:21,390

you don't okay well the reason why I say

1153

00:55:25,390 --> 00:55:21,920

that is the

1154

00:55:28,720 --> 00:55:25,400

because in my line of work I see spirit

1155

00:55:30,130 --> 00:55:28,730

all around me I mean my wife she wakes

1156

00:55:32,500 --> 00:55:30,140

up in the middle of the night and the

1157

00:55:35,349 --> 00:55:32,510

dog and I are watching these spirits and

1158

00:55:37,870 --> 00:55:35,359

as she goes what are you guys doing what

1159

00:55:39,819 --> 00:55:37,880

are you doing and they all clearly sees

1160

00:55:43,539 --> 00:55:39,829

them but I could clearly see it she just

1161

00:55:46,480 --> 00:55:43,549

thinks I'm just really strange but but

1162

00:55:49,510 --> 00:55:46,490

but but that I do that for a living I

1163

00:55:52,599 --> 00:55:49,520

see spirit and I speak to people who are

1164

00:55:54,789 --> 00:55:52,609

who congregate around other people you

1165

00:55:57,520 --> 00:55:54,799

know when a loved one passes away they

1166

00:56:01,780 --> 00:55:57,530

go to another dimension some people call

1167

00:56:04,539 --> 00:56:01,790

it heaven but but they certainly stay

1168

00:56:06,940 --> 00:56:04,549

with us or they stay around us and we

1169

00:56:11,020 --> 00:56:06,950

talk about moving and soul groups and we

1170

00:56:13,720 --> 00:56:11,030

talk about about about how our past

1171

00:56:16,030 --> 00:56:13,730

lives and how we work on different

1172

00:56:18,359 --> 00:56:16,040

issues that we may have may not have

1173

00:56:22,960 --> 00:56:18,369

completed working on in a previous

1174

00:56:24,520 --> 00:56:22,970

incarnation and and so it's just it's

1175

00:56:26,920 --> 00:56:24,530

just a little bit different perspective

1176
00:56:29,620 --> 00:56:26,930
from what what you're coming from but

1177
00:56:34,900 --> 00:56:29,630
what's your what you're saying fits it

1178
00:56:38,440 --> 00:56:34,910
just is it just allows the mind to go

1179
00:56:40,420 --> 00:56:38,450
into another area so which is which is

1180
00:56:42,900 --> 00:56:40,430
good which is good and that's what I

1181
00:56:45,910 --> 00:56:42,910
think that it's it's all about now

1182
00:56:49,030 --> 00:56:45,920
before we go to the next before we go to

1183
00:56:52,000 --> 00:56:49,040
break here now some people say that

1184
00:56:52,539 --> 00:56:52,010
ancient aliens are aliens are among us

1185
00:56:55,180 --> 00:56:52,549
right now

1186
00:56:58,839 --> 00:56:55,190
like the palladiums and and the greys

1187
00:57:02,200 --> 00:56:58,849
and and what what do you say about these

1188
00:57:05,770 --> 00:57:02,210

other entities that may be walking the

1189

00:57:08,740 --> 00:57:05,780

earth or maybe around us now what what

1190

00:57:12,309 --> 00:57:08,750

do you say about those well get out

1191

00:57:15,280 --> 00:57:12,319

there's AI not so much a researcher of

1192

00:57:17,670 --> 00:57:15,290

some of the current affairs in terms of

1193

00:57:21,970 --> 00:57:17,680

are in interaction with

1194

00:57:23,950 --> 00:57:21,980

extraterrestrials I kind of keep up with

1195

00:57:25,120 --> 00:57:23,960

it a little bit when you know people are

1196

00:57:29,440 --> 00:57:25,130

talking about interaction with

1197

00:57:33,210 --> 00:57:29,450

Pleiadians or other beings so much of

1198

00:57:35,680 --> 00:57:33,220

what I see in the kind of the disclosure

1199

00:57:37,780 --> 00:57:35,690

movement with the disclosure of

1200

00:57:42,250 --> 00:57:37,790

the extra-terrestrial presence seems to

1201
00:57:44,410 --> 00:57:42,260
be focused on technology and them them

1202
00:57:46,330 --> 00:57:44,420
giving to humanity free energy

1203
00:57:50,710 --> 00:57:46,340
technologies for example and things such

1204
00:57:52,810 --> 00:57:50,720
as that and part of my resistance to

1205
00:57:56,860 --> 00:57:52,820
really get delving into that more deeply

1206
00:57:59,440 --> 00:57:56,870
is there's just not enough of a

1207
00:58:02,710 --> 00:57:59,450
spiritual component to it for me I mean

1208
00:58:05,080 --> 00:58:02,720
people think that these all aliens just

1209
00:58:07,810 --> 00:58:05,090
write around and in Hardware spaceships

1210
00:58:08,830 --> 00:58:07,820
flying Toyotas basically that and that

1211
00:58:11,020 --> 00:58:08,840
they're maybe just a couple hundred

1212
00:58:14,080 --> 00:58:11,030
years in advance of us evolutionarily

1213
00:58:15,820 --> 00:58:14,090

and technologically speaking and from

1214

00:58:17,380 --> 00:58:15,830

what I've seen I think we're when we

1215

00:58:19,030 --> 00:58:17,390

like what we're talking about with some

1216

00:58:21,010 --> 00:58:19,040

of the biblical beings the Seraphim and

1217

00:58:24,040 --> 00:58:21,020

others we're talking about way more

1218

00:58:27,910 --> 00:58:24,050

advanced beings than that that offer the

1219

00:58:29,500 --> 00:58:27,920

promise of a spiritual transformation or

1220

00:58:31,690 --> 00:58:29,510

underpinning to the experience and

1221

00:58:33,790 --> 00:58:31,700

that's what I'm focused on okay all

1222

00:58:37,120 --> 00:58:33,800

right well we're going to take a break

1223

00:58:40,120 --> 00:58:37,130

now and then ask you to soar to rejoin

1224

00:58:42,880 --> 00:58:40,130

us here at the in our next hour you're

1225

00:58:45,310 --> 00:58:42,890

listening to epic voyagers radio here on

1226

00:58:47,560 --> 00:58:45,320

the inception radio network I'm your

1227

00:58:49,840 --> 00:58:47,570

guest host tonight psychic medium Jon

1228

00:58:53,500 --> 00:58:49,850

Capello and we're talking to William

1229

00:58:57,010 --> 00:58:53,510

Henry who is a pathologist and author

1230

00:58:59,620 --> 00:58:57,020

and a person who they were locked in to

1231

00:59:02,010 --> 00:58:59,630

inception radio network superior

1232

00:59:04,200 --> 00:59:02,020

Wisconsin

1233

00:59:06,060 --> 00:59:04,210

don't have a computer is your internet

1234

00:59:07,740 --> 00:59:06,070

connection down don't worry use your

1235

00:59:11,310 --> 00:59:07,750

trusty cell phone or landline and call

1236

00:59:13,200 --> 00:59:11,320

in to our listen line at 401 to a3 6700

1237

00:59:17,010 --> 00:59:13,210

to listen to the inception radio network

1238

00:59:19,380 --> 00:59:17,020

24/7 again that callin number is 401 to

1239

00:59:24,640 --> 00:59:19,390

a three six seven zero zero four the

1240

00:59:29,240 --> 00:59:27,529

are you a fan of Inception Radio Network

1241

00:59:32,059 --> 00:59:29,250

do you reckon it's the best alternative

1242

00:59:34,250 --> 00:59:32,069

talk radio station on the planet well if

1243

00:59:36,500 --> 00:59:34,260

you do head to facebook-dot-com

1244

00:59:39,650 --> 00:59:36,510

forward-slash Conception Radio Network

1245

00:59:46,609 --> 00:59:39,660

light page tell your friends spread the

1246

00:59:49,460 --> 00:59:46,619

word and keep listening to the best glow

1247

00:59:51,170 --> 00:59:49,470

irn listeners this is MJ saying hello

1248

00:59:54,009 --> 00:59:51,180

and sharing the boss and secret I

1249

00:59:56,870 --> 00:59:54,019

discovered it's called dream wash comm

1250

00:59:59,269 --> 00:59:56,880

fresh raw organic ingredients are used

1251

01:00:01,430 --> 00:59:59,279

to create all their products they are

1252

01:00:04,099 --> 01:00:01,440

made in very small batches to ensure

1253

01:00:07,190 --> 01:00:04,109

quality and freshness and made in the

1254

01:00:09,230 --> 01:00:07,200

USA each product is created with care

1255

01:00:11,359 --> 01:00:09,240

and with the finest organic ingredients

1256

01:00:13,849 --> 01:00:11,369

there are no preservatives dyes or

1257

01:00:18,170 --> 01:00:13,859

chemicals in any product and stop by

1258

01:00:21,020 --> 01:00:18,180

dream Lodge and laughs that's the REA M

1259

01:00:30,050 --> 01:00:21,030

nu AGM

1260

01:00:30,060 --> 01:00:34,970

[Music]

1261

01:00:39,500 --> 01:00:37,460

hello I'm Pat uh start inviting you to

1262

01:00:42,410 --> 01:00:39,510

tune into epic voyages every Monday

1263

01:00:45,680 --> 01:00:42,420

evening at 8 p.m. Central 9 p.m. Eastern

1264

01:00:47,750 --> 01:00:45,690

right here on inception radio network to

1265

01:00:51,020 --> 01:00:47,760

find out more about epic and how you can

1266

01:01:00,600 --> 01:00:51,030

become a member is in epic voyagers calm

1267

01:01:02,760 --> 01:01:00,610

[Music]

1268

01:01:04,920 --> 01:01:02,770

ethic is extraordinary phenomenon

1269

01:01:07,080 --> 01:01:04,930

investigations counselor the forum for

1270

01:01:09,150 --> 01:01:07,090

scholars experts and those fascinated by

1271

01:01:12,240 --> 01:01:09,160

and involved in study of ancient

1272

01:01:15,300 --> 01:01:12,250

civilizations conspiracies cryptozoology

1273

01:01:16,440 --> 01:01:15,310

ETS and UFOs fringe science the

1274

01:01:19,230 --> 01:01:16,450

paranormal in all manner of

1275

01:01:20,520 --> 01:01:19,240

extraordinary phenomena please join epic

1276
01:01:23,700 --> 01:01:20,530
as we examine the mysteries of the world

1277
01:01:25,500 --> 01:01:23,710
in beyond one epic voyage is calm and

1278
01:01:27,930 --> 01:01:25,510
for updates on the upcoming interactive

1279
01:01:30,120 --> 01:01:27,940
video presentations the latest news and

1280
01:01:32,100 --> 01:01:30,130
discussion on the epic form as well as

1281
01:01:32,970 --> 01:01:32,110
research investigations and membership

1282
01:01:35,430 --> 01:01:32,980
opportunities

1283
01:01:37,470 --> 01:01:35,440
epic voyages program schedule is on the

1284
01:01:47,490 --> 01:01:37,480
exception radio network thank you for

1285
01:01:50,580 --> 01:01:47,500
joining us howdy this Jamar's I'm

1286
01:01:54,660 --> 01:01:50,590
inviting you to tune in to epic voyages

1287
01:01:57,300 --> 01:01:54,670
8:00 p.m. central 9 p.m. Eastern Monday

1288
01:02:00,150 --> 01:01:57,310

nights right here on inception radio

1289

01:02:01,920 --> 01:02:00,160

network to find out more about epic and

1290

01:02:06,870 --> 01:02:01,930

how you can become a member

1291

01:02:14,520 --> 01:02:06,880

visit epic voyagers dot-com that's epi c

1292

01:02:17,370 --> 01:02:14,530

vo y AG e RS dot-com hello everyone

1293

01:02:20,280 --> 01:02:17,380

Lorien Fenton here hosted the California

1294

01:02:23,460 --> 01:02:20,290

MUFON radio show asking if you'd like

1295

01:02:26,970 --> 01:02:23,470

special access to exclusive and amazing

1296

01:02:30,120 --> 01:02:26,980

information about UFOs the paranormal

1297

01:02:33,240 --> 01:02:30,130

and all things unexplained if you're

1298

01:02:36,090 --> 01:02:33,250

nodding yes then join our ends insider

1299

01:02:38,280 --> 01:02:36,100

Club as an insider Club member you'll

1300

01:02:42,170 --> 01:02:38,290

get an all-access pass to premiere

1301
01:02:46,620 --> 01:02:42,180
inception radio network content for only

1302
01:02:49,110 --> 01:02:46,630
\$4.99 a month this includes live UFO and

1303
01:02:51,089 --> 01:02:49,120
paranormal conferences live-streaming

1304
01:02:53,940 --> 01:02:51,099
UFO sky watches

1305
01:02:57,359 --> 01:02:53,950
exclusive irn radio and TV productions

1306
01:02:59,969 --> 01:02:57,369
and of course paying radio with MJ and

1307
01:03:02,609 --> 01:02:59,979
Ken Storch so don't wait any longer

01:03:06,059 --> 01:03:02,619
visit inception radio network comm and

1309
01:03:09,150 --> 01:03:06,069
click on member login to join our ends

1310
01:03:13,799 --> 01:03:09,160
insider club and get your VIP access

1311
01:03:15,719 --> 01:03:13,809
today hello and welcome back to epic

1312
01:03:18,150 --> 01:03:15,729
voyageurs radio here on the inception

1313
01:03:20,910 --> 01:03:18,160

radio network I'm your guest host this

1314

01:03:24,120 --> 01:03:20,920

evening Jon Capello and I'm a psychic

1315

01:03:26,039 --> 01:03:24,130

medium from the North Texas area and I

1316

01:03:28,799 --> 01:03:26,049

have a favor to ask of the audience

1317

01:03:31,289 --> 01:03:28,809

tonight if they don't mind right now

1318

01:03:34,650 --> 01:03:31,299

there's a survey going on by the Times

1319

01:03:37,469 --> 01:03:34,660

Square press and they are doing a survey

1320

01:03:39,029 --> 01:03:37,479

of the top psychics and mediums in the

1321

01:03:42,299 --> 01:03:39,039

country in the United States and

1322

01:03:45,059 --> 01:03:42,309

actually in the world and currently I'm

1323

01:03:48,329 --> 01:03:45,069

ranked fourth and I'd appreciate it if

1324

01:03:53,370 --> 01:03:48,339

you might just put in a good word for me

1325

01:03:55,170 --> 01:03:53,380

just go to Times Square press calm /

1326

01:03:57,269 --> 01:03:55,180

lightworkers I'll put it in the chat

1327

01:03:59,729 --> 01:03:57,279

room for you and if you could vote for

1328

01:04:03,779 --> 01:03:59,739

me as a top medium and as taught as a

1329

01:04:06,509 --> 01:04:03,789

top psychic you can just send that vote

1330

01:04:08,519 --> 01:04:06,519

to this email address and so you might

1331

01:04:14,069 --> 01:04:08,529

want to write this down it's called New

1332

01:04:17,099 --> 01:04:14,079

York gate at aol.com it's New York Gate

1333

01:04:20,279 --> 01:04:17,109

at aol.com so if you could do that I'd

1334

01:04:25,440 --> 01:04:20,289

appreciate it I'm just expanding my work

1335

01:04:27,719 --> 01:04:25,450

and expanding the my sphere of influence

1336

01:04:28,789 --> 01:04:27,729

so if you could help me in that

1337

01:04:30,930 --> 01:04:28,799

particular

1338

01:04:32,609 --> 01:04:30,940

karol already has it on there that's

1339

01:04:36,150 --> 01:04:32,619

nice thank you Carol in the chat room

1340

01:04:38,700 --> 01:04:36,160

but with that I want to kind of get back

1341

01:04:41,789 --> 01:04:38,710

to our topic tonight tonight we're

1342

01:04:45,930 --> 01:04:41,799

talking to mr. William Henry of ancient

1343

01:04:50,039 --> 01:04:45,940

aliens and he is also an author a radio

1344

01:04:53,579 --> 01:04:50,049

talk-show host an expert on seraphim

1345

01:04:56,339 --> 01:04:53,589

angels and we've had quite the new quite

1346

01:04:58,920 --> 01:04:56,349

the discussion about seraphim's

1347

01:05:01,410 --> 01:04:58,930

throughout history about who they are

1348

01:05:04,829 --> 01:05:01,420

how we relate to them

1349

01:05:09,690 --> 01:05:04,839

what it means to be human as far as

1350

01:05:13,140 --> 01:05:09,700

being in in in this human form and and

1351

01:05:15,870 --> 01:05:13,150

I'm gonna let William to tell us a

1352

01:05:19,230 --> 01:05:15,880

little bit more about that but William

1353

01:05:21,900 --> 01:05:19,240

you were talking about how being a human

1354

01:05:24,650 --> 01:05:21,910

is I guess in a way you said punishment

1355

01:05:27,059 --> 01:05:24,660

or that we're kind of in a in a

1356

01:05:30,150 --> 01:05:27,069

purgatory would would you would you say

1357

01:05:32,670 --> 01:05:30,160

that William are you still there yes

1358

01:05:34,170 --> 01:05:32,680

thank you John yeah and thank you

1359

01:05:36,690 --> 01:05:34,180

everybody for coming back after the

1360

01:05:39,299 --> 01:05:36,700

break is that that is the Gnostic

1361

01:05:42,530 --> 01:05:39,309

perspective that this is a prison planet

1362

01:05:45,630 --> 01:05:42,540

it's a plantation planet that there are

1363

01:05:48,030 --> 01:05:45,640

predatory beings out there that feed off

1364

01:05:51,720 --> 01:05:48,040

human energy their primary interest

1365

01:05:54,030 --> 01:05:51,730

seems to be in in feeding off our

1366

01:05:57,000 --> 01:05:54,040

luminous light body this is something

1367

01:05:58,829 --> 01:05:57,010

that we all essentially have as our core

1368

01:06:01,140 --> 01:05:58,839

when we're born according to some

1369

01:06:03,780 --> 01:06:01,150

perspectives and these these predatory

1370

01:06:05,880 --> 01:06:03,790

beings call them archons or other terms

1371

01:06:09,200 --> 01:06:05,890

seem to feed off the human energy field

1372

01:06:13,500 --> 01:06:09,210

and part of what we need to do is to to

1373

01:06:15,839 --> 01:06:13,510

just stay away from to use a Christian

1374

01:06:18,510 --> 01:06:15,849

term sinful behavior from anger fear

1375

01:06:21,440 --> 01:06:18,520

jealousy disbelief all those sorts of

1376

01:06:24,299 --> 01:06:21,450

things that that keep our vibration

1377

01:06:26,870 --> 01:06:24,309

tuned to that that low those lower

1378

01:06:31,230 --> 01:06:26,880

frequencies are those lower domains and

1379

01:06:33,299 --> 01:06:31,240

build up our our light body is is as a

1380

01:06:36,630 --> 01:06:33,309

way of not only at shirring our own

1381

01:06:39,450 --> 01:06:36,640

individual ascension but also preserving

1382

01:06:43,410 --> 01:06:39,460

the entire planet in fact hmm so do you

1383

01:06:46,020 --> 01:06:43,420

come from a agnostic position I would

1384

01:06:51,839 --> 01:06:46,030

have to say I do I mean I lean towards

1385

01:06:53,309 --> 01:06:51,849

that I'm a bit of a hybrid and for some

1386

01:06:58,079 --> 01:06:53,319

people and it gets tough to handle

1387

01:07:00,930 --> 01:06:58,089

because I'm not I'm a believer in Christ

1388

01:07:03,059 --> 01:07:00,940

I believe that I believe most of the

1389

01:07:05,490 --> 01:07:03,069

Christian story about Christ and have

1390

01:07:08,190 --> 01:07:05,500

spent the past 25 years or so in fact

1391

01:07:11,099 --> 01:07:08,200

researching that story I'm fixated on on

1392

01:07:14,190 --> 01:07:11,109

the the resurrection the Transfiguration

1393

01:07:15,370 --> 01:07:14,200

and resurrection of Jesus as a not as an

1394

01:07:17,769 --> 01:07:15,380

ideal that one purse

1395

01:07:21,970 --> 01:07:17,779

accomplished but is one that all people

1396

01:07:24,999 --> 01:07:21,980

have the capability of fulfilling that

1397

01:07:29,019 --> 01:07:25,009

the Transfiguration and resurrection so

1398

01:07:31,299 --> 01:07:29,029

I'm I'm very very comfortable and in in

1399

01:07:33,460 --> 01:07:31,309

talking about those kinds of ideas which

1400

01:07:35,980 --> 01:07:33,470

are traditionally considered to be you

1401
01:07:38,769 --> 01:07:35,990
know Christian sacred cows but they're

1402
01:07:41,499 --> 01:07:38,779
really not in my opinion I mean that we

1403
01:07:43,240 --> 01:07:41,509
talk in terms of of Christ as a as a

1404
01:07:45,700 --> 01:07:43,250
being but we don't often get into the

1405
01:07:48,099 --> 01:07:45,710
the conversation of Christ as a as a

1406
01:07:51,400 --> 01:07:48,109
cosmic being as a star child as in fact

1407
01:07:54,609 --> 01:07:51,410
an alien being who came here and and

1408
01:07:56,650 --> 01:07:54,619
followed the story of his his emergence

1409
01:07:59,349 --> 01:07:56,660
into this world and the preparation that

1410
01:08:03,099 --> 01:07:59,359
was undergone in preparation for the

1411
01:08:04,960 --> 01:08:03,109
arrival of that being and then then the

1412
01:08:06,849 --> 01:08:04,970
ultimate mission and how the church took

1413
01:08:09,269 --> 01:08:06,859

it over and pretty much came up with its

1414

01:08:12,120 --> 01:08:09,279

own version of the story and what was

1415

01:08:16,059 --> 01:08:12,130

essentially lost is that the religion of

1416

01:08:17,530 --> 01:08:16,069

Jesus those those those first teachings

1417

01:08:19,539 --> 01:08:17,540

I mean you talk about primitive

1418

01:08:22,300 --> 01:08:19,549

Christianity and people usually have no

1419

01:08:24,519 --> 01:08:22,310

idea what you're talking about they just

1420

01:08:26,740 --> 01:08:24,529

don't have a an understanding of the

1421

01:08:29,189 --> 01:08:26,750

context out of which Christianity

1422

01:08:32,439 --> 01:08:29,199

emerged and how it was formulated and

1423

01:08:35,530 --> 01:08:32,449

transformed through the centuries mm-hmm

1424

01:08:39,370 --> 01:08:35,540

well you know you talk about Gnosticism

1425

01:08:41,590 --> 01:08:39,380

from from a person's another person's

1426
01:08:44,439 --> 01:08:41,600
perspective you might say a Christian

1427
01:08:46,899 --> 01:08:44,449
believes in God an atheist doesn't

1428
01:08:50,169 --> 01:08:46,909
believe in God and the agnostic

1429
01:08:52,479 --> 01:08:50,179
aren't quite sure actually I would put

1430
01:08:55,050 --> 01:08:52,489
it this way you know you're you're

1431
01:08:57,669 --> 01:08:55,060
talking most Christians talk theology

1432
01:09:01,030 --> 01:08:57,679
which is which is God talk they talk

1433
01:09:04,120 --> 01:09:01,040
about God a lot the Gnostics

1434
01:09:07,450 --> 01:09:04,130
Aarthi urges which means they do God's

1435
01:09:10,030 --> 01:09:07,460
work there's there's a big difference

1436
01:09:12,399 --> 01:09:10,040
between talking about God and doing

1437
01:09:14,800 --> 01:09:12,409
God's work well from what I remember in

1438
01:09:19,930 --> 01:09:14,810

Gnosticism started I think in northern

1439

01:09:24,399 --> 01:09:19,940

Africa and an Augustine was a was kind

1440

01:09:28,660 --> 01:09:24,409

of a an offshoot of the Gnostics which

1441

01:09:33,010 --> 01:09:28,670

were which were an intellectual group

1442

01:09:35,950 --> 01:09:33,020

yeah and a group that had an explanation

1443

01:09:39,490 --> 01:09:35,960

for for just about for a lot of things

1444

01:09:42,280 --> 01:09:39,500

and and then I've kind of morphed into

1445

01:09:45,520 --> 01:09:42,290

what appear to be a little more negative

1446

01:09:47,950 --> 01:09:45,530

later but to me it did but I'd encourage

1447

01:09:52,090 --> 01:09:47,960

you to go back to Plato as your source

1448

01:09:56,160 --> 01:09:52,100

well Plato is the idealist he's the one

1449

01:10:01,180 --> 01:09:56,170

that brings up the the idea of the soul

1450

01:10:05,010 --> 01:10:01,190

getting reincarnated and being being

1451

01:10:08,200 --> 01:10:05,020

kind of recycled if you want to call it

1452

01:10:10,810 --> 01:10:08,210

aristotle kind of change that he kind of

1453

01:10:12,970 --> 01:10:10,820

got to the point to where he said no the

1454

01:10:15,700 --> 01:10:12,980

soul doesn't come back and a

1455

01:10:19,120 --> 01:10:15,710

christianity adopted the Aristotelian

1456

01:10:21,970 --> 01:10:19,130

idea after thomas aquinas that's kind of

1457

01:10:24,150 --> 01:10:21,980

what I've been to I tell my my own my

1458

01:10:25,780 --> 01:10:24,160

listeners the flipping point of

1459

01:10:28,360 --> 01:10:25,790

Christianity because at one time

1460

01:10:32,170 --> 01:10:28,370

Christianity did believe in in the

1461

01:10:36,370 --> 01:10:32,180

platonic or idealistic philosophy of the

1462

01:10:37,810 --> 01:10:36,380

recycled soul so so I understand I

1463

01:10:41,020 --> 01:10:37,820

understand we can talk about Plato

1464

01:10:43,270 --> 01:10:41,030

because Plato believed in a priori as

1465

01:10:45,340 --> 01:10:43,280

opposed to a pasta or are you familiar

1466

01:10:49,860 --> 01:10:45,350

are you familiar with those terms

1467

01:10:53,430 --> 01:10:49,870

no okay a priori is the Latin term for

1468

01:10:58,960 --> 01:10:53,440

believing or knowing that the soul

1469

01:11:02,770 --> 01:10:58,970

existed prior to you being born and an

1470

01:11:05,560 --> 01:11:02,780

Aristotle believed a pasta re where the

1471

01:11:09,730 --> 01:11:05,570

soul crew was created at the spark of

1472

01:11:12,760 --> 01:11:09,740

life basically so so you are you are

1473

01:11:17,140 --> 01:11:12,770

talking about the a priori or the the

1474

01:11:20,830 --> 01:11:17,150

the the soul existing for eternity and

1475

01:11:25,630 --> 01:11:20,840

and it began somewhere if God created

1476

01:11:28,990 --> 01:11:25,640

the soul and then it took human form and

1477

01:11:31,540 --> 01:11:29,000

then and then it constantly remembers

1478

01:11:34,600 --> 01:11:31,550

it's a it's a it's a process of

1479

01:11:36,940 --> 01:11:34,610

remembering and and so that's that's

1480

01:11:40,360 --> 01:11:36,950

kind of the the philosophy that that I

1481

01:11:41,120 --> 01:11:40,370

have kind of worked from and and based a

1482

01:11:45,410 --> 01:11:41,130

lot of my

1483

01:11:47,030 --> 01:11:45,420

work from as well so it just it seems

1484

01:11:49,790 --> 01:11:47,040

like a lot of the stuff you're saying

1485

01:11:51,470 --> 01:11:49,800

fits fits into it it just comes from a

1486

01:11:54,590 --> 01:11:51,480

different just a slightly different

1487

01:11:56,210 --> 01:11:54,600

perspective yeah sure but while while

1488

01:12:00,500 --> 01:11:56,220

we're on that you know you hear a lot

1489

01:12:02,180 --> 01:12:00,510

about the Illuminati and how is your

1490

01:12:04,430 --> 01:12:02,190

work work

1491

01:12:09,140 --> 01:12:04,440

figure in with the Illuminati and and

1492

01:12:11,720 --> 01:12:09,150

that kind of protective idea of Christ

1493

01:12:14,570 --> 01:12:11,730

and and people who are part of that

1494

01:12:19,130 --> 01:12:14,580

group what is uh what is your take on

1495

01:12:21,530 --> 01:12:19,140

that you know I was thrown a sort of a

1496

01:12:23,180 --> 01:12:21,540

curveball one day when I went into

1497

01:12:25,490 --> 01:12:23,190

Webster's dictionary and I looked up the

1498

01:12:28,040 --> 01:12:25,500

word Illuminati and the earliest

1499

01:12:29,990 --> 01:12:28,050

reference to it was that the definition

1500

01:12:32,630 --> 01:12:30,000

of Illuminati was newly baptized

1501

01:12:34,490 --> 01:12:32,640

Christian initiate they called

1502

01:12:36,320 --> 01:12:34,500

themselves the Illuminati the illumine

1503

01:12:38,900 --> 01:12:36,330

once and there their symbol was a

1504

01:12:40,910 --> 01:12:38,910

lighted candle which represented their

1505

01:12:43,670 --> 01:12:40,920

illumination and the awakening of their

1506

01:12:45,710 --> 01:12:43,680

higher consciousness mm-hmm so I started

1507

01:12:47,270 --> 01:12:45,720

down this road and thinking well okay so

1508

01:12:49,520 --> 01:12:47,280

the first Christians were the first

1509

01:12:51,710 --> 01:12:49,530

Illuminati and then of course this term

1510

01:12:54,350 --> 01:12:51,720

like many of these terms gets adopted

1511

01:12:56,840 --> 01:12:54,360

and hijacked by by other groups and

1512

01:13:01,160 --> 01:12:56,850

pretty soon it's got a very clouded

1513

01:13:03,950 --> 01:13:01,170

meaning but that started me down a path

1514

01:13:06,950 --> 01:13:03,960

I wrote a book in 2003 called cloak of

1515

01:13:09,230 --> 01:13:06,960

the Illuminati that actually dovetails

1516

01:13:11,870 --> 01:13:09,240

with our conversation about the Watchers

1517

01:13:14,270 --> 01:13:11,880

because the Watchers are famous for

1518

01:13:17,270 --> 01:13:14,280

creating a hybrid race called the

1519

01:13:20,840 --> 01:13:17,280

Nephilim who were very often referred to

1520

01:13:24,470 --> 01:13:20,850

also as the fallen ones and this word

1521

01:13:26,120 --> 01:13:24,480

and a filum is far far from settled in

1522

01:13:27,830 --> 01:13:26,130

terms of its definition I mean the

1523

01:13:30,080 --> 01:13:27,840

meaning of Nephilim is completely

1524

01:13:32,420 --> 01:13:30,090

uncertain people think it's certain that

1525

01:13:34,370 --> 01:13:32,430

it means the fallen or the Giants or

1526

01:13:36,680 --> 01:13:34,380

things such as this but when you

1527

01:13:39,770 --> 01:13:36,690

actually get into some of the the Hebrew

1528

01:13:42,260 --> 01:13:39,780

and in English lexicons round driver

1529

01:13:46,070 --> 01:13:42,270

Briggs and others you find out that the

1530

01:13:49,520 --> 01:13:46,080

Nephilim it refers to angels who ride on

1531

01:13:51,170 --> 01:13:49,530

clouds and when I looked at that I'm

1532

01:13:54,140 --> 01:13:51,180

realizing that wait a minute the cloud

1533

01:13:54,830 --> 01:13:54,150

is simply a symbol for an elevated

1534

01:13:57,229 --> 01:13:54,840

consciousness

1535

01:13:59,660 --> 01:13:57,239

Christ rides around in a cloud you

1536

01:14:02,270 --> 01:13:59,670

wouldn't dare call Christ a fallen being

1537

01:14:04,550 --> 01:14:02,280

because he rides on a cloud so there's

1538

01:14:06,320 --> 01:14:04,560

there's various levels of these these

1539

01:14:08,959 --> 01:14:06,330

definitions but the point I was going to

1540

01:14:10,580 --> 01:14:08,969

make about them about the the Nephilim

1541

01:14:13,729 --> 01:14:10,590

is that they're often referred to as

1542

01:14:17,089 --> 01:14:13,739

giants and you have you have various

1543

01:14:19,700 --> 01:14:17,099

researchers out there that say that the

1544

01:14:21,470 --> 01:14:19,710

Giants exist the Nephilim exist and

1545

01:14:23,270 --> 01:14:21,480

they're out all around the world digging

1546

01:14:25,280 --> 01:14:23,280

up bones there they're looking for nine

1547

01:14:27,410 --> 01:14:25,290

and 12-foot skeletons and saying these

1548

01:14:29,839 --> 01:14:27,420

are these are the Giants these are the

1549

01:14:32,149 --> 01:14:29,849

the bones of the Nephilim and and that

1550

01:14:34,790 --> 01:14:32,159

could well be I don't have any way of

1551

01:14:35,479 --> 01:14:34,800

absolutely proving that that they are or

1552

01:14:39,500 --> 01:14:35,489

are not

1553

01:14:41,600 --> 01:14:39,510

but again in my research I was thrown a

1554

01:14:44,870 --> 01:14:41,610

curveball when I started really looking

1555

01:14:47,780 --> 01:14:44,880

into the Giants and then a film who are

1556

01:14:49,640 --> 01:14:47,790

also referred to as the mighty ones and

1557

01:14:51,560 --> 01:14:49,650

why were they called the mighty ones and

1558

01:14:52,850 --> 01:14:51,570

the answer was is because they were

1559

01:14:55,609 --> 01:14:52,860

called the mighty ones because they

1560

01:14:59,570 --> 01:14:55,619

possessed a cloak or a garment of light

1561

01:15:02,479 --> 01:14:59,580

that made them superhuman beings that

1562

01:15:04,970 --> 01:15:02,489

made them in fact glorious beings they

1563

01:15:06,020 --> 01:15:04,980

are also called the men of renown which

1564

01:15:08,240 --> 01:15:06,030

means glory

1565

01:15:13,100 --> 01:15:08,250

these are glorious beings and the word

1566

01:15:14,839 --> 01:15:13,110

glory means literally to glow rays so

1567

01:15:18,830 --> 01:15:14,849

what this is saying is that these

1568

01:15:21,290 --> 01:15:18,840

Nephilim these offspring of the Watchers

1569

01:15:24,649 --> 01:15:21,300

and the human females

1570

01:15:27,470 --> 01:15:24,659

then if we're beings that glowed rays

1571

01:15:30,260 --> 01:15:27,480

and possess this cloak or garment of

1572

01:15:33,620 --> 01:15:30,270

light that turns out according to the

1573

01:15:36,169 --> 01:15:33,630

stories was transmittable Adam Adam

1574

01:15:38,629 --> 01:15:36,179

possessed it Enoch possessed it

1575

01:15:40,070 --> 01:15:38,639

Nimrod possessed it John the Baptist

1576

01:15:42,109 --> 01:15:40,080

possessed it Elijah

1577

01:15:44,270 --> 01:15:42,119

possessed this it's passed along through

1578

01:15:47,930 --> 01:15:44,280

the generations and what it suggested to

1579

01:15:50,870 --> 01:15:47,940

me is that this garment of light is more

1580

01:15:54,800 --> 01:15:50,880

than likely a teaching about how we

1581

01:15:57,320 --> 01:15:54,810

attain our light body are glowing body

1582

01:15:59,209 --> 01:15:57,330

our resurrection body and this is why

1583

01:16:02,149 --> 01:15:59,219

they're called the mighty ones because

1584

01:16:04,790 --> 01:16:02,159

it gave them superhuman capabilities so

1585

01:16:07,160 --> 01:16:04,800

let me just finish here so there's what

1586

01:16:08,540 --> 01:16:07,170

I just wanted to say is that when you're

1587

01:16:09,979 --> 01:16:08,550

a researcher or

1588

01:16:11,990 --> 01:16:09,989

to all this year you're always

1589

01:16:13,700 --> 01:16:12,000

confronted with these crossroads how are

1590

01:16:16,149 --> 01:16:13,710

you going to define the word Illuminati

1591

01:16:19,879 --> 01:16:16,159

how are you gonna define the word

1592

01:16:23,209 --> 01:16:19,889

Nephilim or Giants if you're looking for

1593

01:16:26,270 --> 01:16:23,219

nine and 12-foot skeletons chances are

1594

01:16:28,669 --> 01:16:26,280

you're not looking for developing your

1595

01:16:32,180 --> 01:16:28,679

light body because you believe that the

1596

01:16:35,180 --> 01:16:32,190

Giants are extraordinarily tall beings

1597

01:16:37,490 --> 01:16:35,190

not beings with superhuman spiritual

1598

01:16:40,580 --> 01:16:37,500

capability or the ability to manifest

1599

01:16:42,319 --> 01:16:40,590

the the the glory body the resurrection

1600

01:16:44,450 --> 01:16:42,329

body or the rainbow body of light and

1601
01:16:46,459 --> 01:16:44,460
that's what I believe they were capable

1602
01:16:49,490 --> 01:16:46,469
of doing and that is the message of the

1603
01:16:51,859 --> 01:16:49,500
Watchers and then a filum well even in

1604
01:16:54,919 --> 01:16:51,869
the Old Testament you heard of people

1605
01:16:59,060 --> 01:16:54,929
living living like 500 years or also

1606
01:17:01,010 --> 01:16:59,070
being very very tall you know very very

1607
01:17:04,459 --> 01:17:01,020
tall beings yeah but John some of these

1608
01:17:07,640 --> 01:17:04,469
guys are 92 miles high well I mean

1609
01:17:10,129 --> 01:17:07,650
that's that I hadn't heard that that

1610
01:17:12,560 --> 01:17:10,139
before most people haven't there these

1611
01:17:14,799 --> 01:17:12,570
are obvious exaggerations to say they're

1612
01:17:17,419 --> 01:17:14,809
Giants because it means they're more

1613
01:17:19,609 --> 01:17:17,429

more than human they have more than

1614

01:17:22,310 --> 01:17:19,619

human capabilities now I realize there

1615

01:17:25,970 --> 01:17:22,320

are tall beings that they're digging up

1616

01:17:27,379 --> 01:17:25,980

around the world in Peru and in parts of

1617

01:17:30,740 --> 01:17:27,389

America even here in the Ohio Valley

1618

01:17:32,450 --> 01:17:30,750

where I live they're five miles from my

1619

01:17:35,419 --> 01:17:32,460

house there's all kinds of legends about

1620

01:17:37,370 --> 01:17:35,429

Giants graves so I understand that that

1621

01:17:39,319 --> 01:17:37,380

there's a possibility that those those

1622

01:17:42,140 --> 01:17:39,329

beings exist but are they than a feel

1623

01:17:47,030 --> 01:17:42,150

them I'm not so sure that they are well

1624

01:17:49,310 --> 01:17:47,040

is could it be that some of this this

1625

01:17:52,720 --> 01:17:49,320

could be a little metaphorical in the

1626

01:17:55,520 --> 01:17:52,730

sense that Giants could be people who

1627

01:17:59,930 --> 01:17:55,530

possess great intelligence like an

1628

01:18:03,709 --> 01:17:59,940

Einstein sure I guess so geniuses people

1629

01:18:05,060 --> 01:18:03,719

with extraordinary gifts might be part

1630

01:18:08,330 --> 01:18:05,070

of that group even though they don't

1631

01:18:10,760 --> 01:18:08,340

have the physical characteristic of

1632

01:18:12,950 --> 01:18:10,770

being nine foot tall and once again

1633

01:18:16,069 --> 01:18:12,960

we're getting back to to that idea of

1634

01:18:17,600 --> 01:18:16,079

when people ascend when they were saying

1635

01:18:20,209 --> 01:18:17,610

they ascend they were going to be nine

1636

01:18:22,129 --> 01:18:20,219

feet or 20 feet tall

1637

01:18:25,100 --> 01:18:22,139

no I've never heard ninety-two feet so

1638

01:18:26,950 --> 01:18:25,110

that's the 92 miles tall that you have

1639

01:18:29,509 --> 01:18:26,960

to be people to interact with like

1640

01:18:30,950 --> 01:18:29,519

there's all kinds of crazy numbers and

1641

01:18:32,540 --> 01:18:30,960

this is why they're omitted from most

1642

01:18:33,890 --> 01:18:32,550

conversations about the giantess because

1643

01:18:36,259 --> 01:18:33,900

no one would ever believe that the

1644

01:18:38,390 --> 01:18:36,269

beings could be that huge well I guess

1645

01:18:40,430 --> 01:18:38,400

you know if you look at the Bible too if

1646

01:18:43,310 --> 01:18:40,440

you look at someone like a Goliath when

1647

01:18:45,950 --> 01:18:43,320

you look at David versus Goliath was

1648

01:18:49,100 --> 01:18:45,960

maybe Goliath was part of that and a

1649

01:18:53,600 --> 01:18:49,110

film group I don't know because he was

1650

01:18:56,359 --> 01:18:53,610

considered a giant and and so but but

1651
01:19:01,459 --> 01:18:56,369
when you said that it and so many things

1652
01:19:03,080 --> 01:19:01,469
are metaphorical and and and that's why

1653
01:19:06,020 --> 01:19:03,090
I thought that those people that

1654
01:19:09,589 --> 01:19:06,030
possessed great intelligence like a

1655
01:19:12,979 --> 01:19:09,599
Steve Jobs or even a Leonardo da Vinci

1656
01:19:17,209 --> 01:19:12,989
or a Michelangelo those people or

1657
01:19:19,520 --> 01:19:17,219
certainly giants in their own way and I

1658
01:19:22,580 --> 01:19:19,530
guess that brings me to what I wouldn't

1659
01:19:25,819 --> 01:19:22,590
wanted to talk to you about because so

1660
01:19:32,029 --> 01:19:25,829
much of your work involves researching

1661
01:19:35,330 --> 01:19:32,039
art and and looking at how your work is

1662
01:19:38,600 --> 01:19:35,340
supported by ancient Christian art or at

1663
01:19:41,149 --> 01:19:38,610

least medieval art did the great ones

1664

01:19:43,489 --> 01:19:41,159

like the Raphael's and Michelangelo's

1665

01:19:46,009 --> 01:19:43,499

and Leonardo da Vinci's today

1666

01:19:51,080 --> 01:19:46,019

did they ever depict some of the

1667

01:19:53,270 --> 01:19:51,090

Seraphim energy or Seraphim role and

1668

01:19:56,209 --> 01:19:53,280

humanity that that you're talking about

1669

01:19:58,009 --> 01:19:56,219

they did yeah the inventor the the

1670

01:20:00,859 --> 01:19:58,019

person who's credited with the invention

1671

01:20:03,140 --> 01:20:00,869

of oil painting who was also a superspy

1672

01:20:06,410 --> 01:20:03,150

and an alchemist was named Jan van Eyck

1673

01:20:08,390 --> 01:20:06,420

and it was he who actually painted the

1674

01:20:10,640 --> 01:20:08,400

image that I saw in the Philadelphia

1675

01:20:13,219 --> 01:20:10,650

Museum of France st. Francis receiving

1676

01:20:16,879 --> 01:20:13,229

the stigmata from Christ as a seraph so

1677

01:20:18,500 --> 01:20:16,889

that's one good example and it kind of

1678

01:20:21,469 --> 01:20:18,510

started me on this path of really

1679

01:20:22,819 --> 01:20:21,479

researching sacred art and I've been

1680

01:20:25,750 --> 01:20:22,829

kind of running the gamut from

1681

01:20:28,339 --> 01:20:25,760

everything from a focus on

1682

01:20:32,810 --> 01:20:28,349

Transfiguration art and transfiguration

1683

01:20:33,890 --> 01:20:32,820

icons that the basic the the common

1684

01:20:37,580 --> 01:20:33,900

premise or

1685

01:20:40,330 --> 01:20:37,590

idea that you find in in sacred art

1686

01:20:43,580 --> 01:20:40,340

mystic art some of the great Renaissance

1687

01:20:46,760 --> 01:20:43,590

artists from Botticelli to DES Mikkel

1688

01:20:50,450 --> 01:20:46,770

Angelo to John van Eyck - you name it

1689

01:20:54,590 --> 01:20:50,460

Philippa lippy these guys had this

1690

01:20:58,580 --> 01:20:54,600

belief going back to the early Christian

1691

01:21:00,669 --> 01:20:58,590

alchemists - that their art was capable

1692

01:21:04,729 --> 01:21:00,679

of transmitting the vibration of

1693

01:21:08,030 --> 01:21:04,739

divinity so going back to the early

1694

01:21:11,450 --> 01:21:08,040

Christian iconography they would make a

1695

01:21:13,729 --> 01:21:11,460

an image an icon of the Transfiguration

1696

01:21:15,620 --> 01:21:13,739

of Jesus when he has taken the disciples

1697

01:21:19,700 --> 01:21:15,630

up to the top of the mountain teh boar

1698

01:21:23,590 --> 01:21:19,710

and morphs into his like being formed

1699

01:21:25,669 --> 01:21:23,600

they believed that those icons of the

1700

01:21:28,939 --> 01:21:25,679

Transfiguration were in their

1701

01:21:31,370 --> 01:21:28,949

terminology sacred portals in sacred

1702

01:21:34,220 --> 01:21:31,380

mirrors and they used Gnostic

1703

01:21:38,390 --> 01:21:34,230

terminology such as the image itself

1704

01:21:40,669 --> 01:21:38,400

will show you the way and enter through

1705

01:21:43,430 --> 01:21:40,679

the image this characterizes their

1706

01:21:46,189 --> 01:21:43,440

belief that you can enter the divine

1707

01:21:49,550 --> 01:21:46,199

world through these images because we

1708

01:21:53,120 --> 01:21:49,560

are after all made in the image of God

1709

01:21:57,169 --> 01:21:53,130

and so we are we are images connecting

1710

01:22:01,040 --> 01:21:57,179

with the divine realm through images now

1711

01:22:03,680 --> 01:22:01,050

what happened was Islam comes along the

1712

01:22:05,149 --> 01:22:03,690

Islamic scholars say hey y'all are a

1713

01:22:08,149 --> 01:22:05,159

bunch of idle look worshipping

1714

01:22:10,430 --> 01:22:08,159

hillbillies we won't even dream of

1715

01:22:12,110 --> 01:22:10,440

painting Muhammad's face let alone

1716

01:22:13,970 --> 01:22:12,120

portraying Allah and here you all are

1717

01:22:16,100 --> 01:22:13,980

standing in front of these panel icons

1718

01:22:18,050 --> 01:22:16,110

and claiming that you can receive the

1719

01:22:18,830 --> 01:22:18,060

Christ's light through a painting are

1720

01:22:21,439 --> 01:22:18,840

you nuts

1721

01:22:23,390 --> 01:22:21,449

when the unfortunately the Byzantium of

1722

01:22:25,910 --> 01:22:23,400

the Church Fathers in Byzantium nears to

1723

01:22:27,500 --> 01:22:25,920

the orthodox church fathers agreed with

1724

01:22:29,990 --> 01:22:27,510

them and we went through this period

1725

01:22:34,040 --> 01:22:30,000

where they literally destroyed these

1726

01:22:36,200 --> 01:22:34,050

icons and then icon making started to

1727

01:22:39,169 --> 01:22:36,210

make a comeback in the 13th and 14th

1728

01:22:42,229 --> 01:22:39,179

century then we have the Neo platanus

1729

01:22:45,830 --> 01:22:42,239

come along during the Renaissance period

1730

01:22:47,330 --> 01:22:45,840

and whole schools are now set up based

1731

01:22:51,620 --> 01:22:47,340

on the idea

1732

01:22:54,649 --> 01:22:51,630

that art can transmute or transmit the

1733

01:22:57,260 --> 01:22:54,659

vibration of divinity and this is the

1734

01:23:01,100 --> 01:22:57,270

foundational belief of Botticelli's

1735

01:23:03,169 --> 01:23:01,110

artwork of leonardo of you you name any

1736

01:23:05,450 --> 01:23:03,179

of the the top artists of the

1737

01:23:07,010 --> 01:23:05,460

Renaissance period they all believed

1738

01:23:11,000 --> 01:23:07,020

this because they all came out of the

1739

01:23:13,669 --> 01:23:11,010

same central school well they they did a

1740

01:23:17,270 --> 01:23:13,679

lot of their their depictions of the

1741

01:23:22,160 --> 01:23:17,280

human body were based on the Greeks and

1742

01:23:26,180 --> 01:23:22,170

the the I want to get back to this idea

1743

01:23:30,169 --> 01:23:26,190

of not painting divinity and from now I

1744

01:23:32,510 --> 01:23:30,179

know the the Muslims do not allow any

1745

01:23:35,120 --> 01:23:32,520

kind of depiction of the Prophet

1746

01:23:37,399 --> 01:23:35,130

Muhammad as a matter of fact if you do

1747

01:23:39,859 --> 01:23:37,409

what the depictions I've seen of him is

1748

01:23:42,470 --> 01:23:39,869

with his back turned and you just see

1749

01:23:46,000 --> 01:23:42,480

the head or you are if he's facing you

1750

01:23:49,430 --> 01:23:46,010

there's no there's no face exactly and

1751

01:23:55,550 --> 01:23:49,440

and it's just it's it's it's interesting

1752

01:23:58,520 --> 01:23:55,560

and but you just have to to do wonder

1753

01:24:02,810 --> 01:23:58,530

why because it seems like it would be a

1754

01:24:08,120 --> 01:24:02,820

good thing to emulate the deity or the

1755

01:24:11,330 --> 01:24:08,130

the the power or that Majesty or be able

1756

01:24:13,520 --> 01:24:11,340

to assimilate that energy like you were

1757

01:24:17,990 --> 01:24:13,530

saying from from some of these other

1758

01:24:21,820 --> 01:24:18,000

artists artists so how does Islam fit

1759

01:24:26,330 --> 01:24:21,830

into this idea of the seraphim's and and

1760

01:24:30,890 --> 01:24:26,340

the idea of the ascension are they just

1761

01:24:33,879 --> 01:24:30,900

another perspective of a larger larger

1762

01:24:37,399 --> 01:24:33,889

concept yeah well you have to remember

1763

01:24:41,629 --> 01:24:37,409

Muhammad himself ascended he ascended

1764

01:24:44,240 --> 01:24:41,639

from this very site of Solomon's Temple

1765

01:24:47,089 --> 01:24:44,250

in Jerusalem that's why that the Dome of

1766

01:24:49,280 --> 01:24:47,099

the rock site is sacred to to Muslims

1767

01:24:53,600 --> 01:24:49,290

because that's where he ascends aboard

1768

01:24:55,490 --> 01:24:53,610

his magic horse al Barak so there's lots

1769

01:24:59,270 --> 01:24:55,500

of ascension stories especially in this

1770

01:25:00,480 --> 01:24:59,280

in the mystic branch of Islam or Sufism

1771

01:25:04,500 --> 01:25:00,490

as it's also known

1772

01:25:07,380 --> 01:25:04,510

where they began to formulate many of

1773

01:25:10,620 --> 01:25:07,390

these ancient Gnostic ideas into a their

1774

01:25:12,930 --> 01:25:10,630

their mystical brand of Ascension mm-hmm

1775

01:25:14,670 --> 01:25:12,940

well in the Christian to this tradition

1776

01:25:20,130 --> 01:25:14,680

there's only been three ascensions

1777

01:25:22,770 --> 01:25:20,140

Elisha Mary and Christ and so so in the

1778

01:25:26,100 --> 01:25:22,780

Muslim tradition Allah Muhammad ascended

1779

01:25:27,450 --> 01:25:26,110

is that right that's correct and you

1780

01:25:29,610 --> 01:25:27,460

know it also in the Christian Enoch

1781

01:25:33,180 --> 01:25:29,620

ascended as well this is why Jesus so

1782

01:25:36,900 --> 01:25:33,190

often quoted the Book of Enoch hmm ok ok

1783

01:25:39,660 --> 01:25:36,910

I have to look at I didn't know that so

1784

01:25:43,680 --> 01:25:39,670

so that's I only knew of the of the

1785

01:25:47,910 --> 01:25:43,690

three but no it's it's it's fascinating

1786

01:25:51,030 --> 01:25:47,920

work but where can where can people find

1787

01:25:54,210 --> 01:25:51,040

some of this art on the web can you give

1788

01:25:57,030 --> 01:25:54,220

us a couple of wet websites that my

1789

01:26:00,570 --> 01:25:57,040

anxious audience are my group in the

1790

01:26:03,030 --> 01:26:00,580

chatroom can they can they can look it

1791

01:26:05,340 --> 01:26:03,040

up while while we're talking so I'll

1792

01:26:09,110 --> 01:26:05,350

give them some work to do you know what

1793

01:26:13,050 --> 01:26:09,120

I would do is I would just Google

1794

01:26:15,180 --> 01:26:13,060

Transfiguration Christ okay all right

1795

01:26:17,310 --> 01:26:15,190

and look at some of those images and

1796

01:26:19,950 --> 01:26:17,320

start to take a look at what you've got

1797

01:26:21,990 --> 01:26:19,960

going there you've got you've got Jesus

1798

01:26:25,290 --> 01:26:22,000

standing on top of a mountain with the

1799

01:26:28,590 --> 01:26:25,300

disciples in fear his messages rise and

1800

01:26:32,310 --> 01:26:28,600

do not be afraid Jesus is standing in

1801

01:26:34,650 --> 01:26:32,320

what is described as a cloud but too

1802

01:26:37,380 --> 01:26:34,660

many people's eyes modern eyes when you

1803

01:26:39,590 --> 01:26:37,390

see Jesus standing in front of a circle

1804

01:26:42,210 --> 01:26:39,600

or a gateway that's filled with stars

1805

01:26:46,320 --> 01:26:42,220

today we think of in terms of words like

1806

01:26:48,870 --> 01:26:46,330

Stargate or portal he's clearly standing

1807

01:26:52,080 --> 01:26:48,880

in front of a gateway into another realm

1808

01:26:55,380 --> 01:26:52,090

and he's wearing a bright white garment

1809

01:26:58,200 --> 01:26:55,390

that is symbolic of the purified light

1810

01:27:00,570 --> 01:26:58,210

body so I would encourage just to kind

1811

01:27:03,120 --> 01:27:00,580

of start focusing on some of the

1812

01:27:07,190 --> 01:27:03,130

Transfiguration icons and see if they

1813

01:27:10,620 --> 01:27:07,200

can connect with those because those are

1814

01:27:13,979 --> 01:27:10,630

extremely powerful images energetically

1815

01:27:16,560 --> 01:27:13,989

and it's also a call to our own

1816

01:27:19,440 --> 01:27:16,570

because the idea is is that we all have

1817

01:27:22,170 --> 01:27:19,450

this this light body within us we wear

1818

01:27:24,990 --> 01:27:22,180

it on the inside the the angels the

1819

01:27:28,040 --> 01:27:25,000

avatars the divine beings they wear on

1820

01:27:31,709 --> 01:27:28,050

the outside and the Transfiguration or

1821

01:27:34,190 --> 01:27:31,719

metamorphosis of Jesus is a there's a

1822

01:27:37,830 --> 01:27:34,200

very powerful story that talks about our

1823

01:27:42,900 --> 01:27:37,840

ability to to wear our light body

1824

01:27:46,170 --> 01:27:42,910

garment and also gives us a mirror of a

1825

01:27:48,300 --> 01:27:46,180

portal that we can enter into and begin

1826

01:27:51,330 --> 01:27:48,310

this process of that so if that's our

1827

01:27:54,180 --> 01:27:51,340

path or our calling mm-hmm well you know

1828

01:27:56,280 --> 01:27:54,190

when you talk about a matter of fact I

1829

01:27:59,459 --> 01:27:56,290

have pulled up on on the computer right

1830

01:28:02,910 --> 01:27:59,469

now a depiction of Christ

1831

01:28:06,270 --> 01:28:02,920

the Transfiguration just as you said

1832

01:28:08,880 --> 01:28:06,280

with Christ in white robes and it

1833

01:28:12,060 --> 01:28:08,890

appearing to be a portal but if you you

1834

01:28:13,979 --> 01:28:12,070

know I it it also depicts some other

1835

01:28:17,400 --> 01:28:13,989

things in there which I want to get your

1836

01:28:21,120 --> 01:28:17,410

comments about it depicts him kind of as

1837

01:28:23,520 --> 01:28:21,130

separating the good people from the evil

1838

01:28:25,260 --> 01:28:23,530

people and and if you've ever been to

1839

01:28:28,410 --> 01:28:25,270

the Sistine Chapel have you ever been

1840

01:28:31,380 --> 01:28:28,420

there yes okay you you know in the back

1841

01:28:35,580 --> 01:28:31,390

wall you have the Judgment Day and you

1842

01:28:38,010 --> 01:28:35,590

have Christ there ascending and you see

1843

01:28:40,110 --> 01:28:38,020

those that are rising with him and then

1844

01:28:43,140 --> 01:28:40,120

you see those that are that are fallen

1845

01:28:45,870 --> 01:28:43,150

weird with what is how does that fit

1846

01:28:49,380 --> 01:28:45,880

into is there is there a hell or is

1847

01:28:51,930 --> 01:28:49,390

there Judgment Day depictions because

1848

01:28:53,940 --> 01:28:51,940

they at that time the the choice was so

1849

01:28:56,520 --> 01:28:53,950

stark it was like these are there's

1850

01:28:58,560 --> 01:28:56,530

there's two paths but ultimately only

1851
01:29:01,410 --> 01:28:58,570
one choice that you can make and the

1852
01:29:03,959 --> 01:29:01,420
images that I particularly like are the

1853
01:29:07,380 --> 01:29:03,969
are the Last Judgment images where they

1854
01:29:09,810 --> 01:29:07,390
show the righteous ones the elect who

1855
01:29:12,120 --> 01:29:09,820
are ascending towards Christ and there

1856
01:29:15,229 --> 01:29:12,130
they're often portrayed as levitating

1857
01:29:17,280 --> 01:29:15,239
and the reason is because they think

1858
01:29:19,920 --> 01:29:17,290
elevated their consciousness they've

1859
01:29:22,740 --> 01:29:19,930
raised their vibration they've begun the

1860
01:29:24,810 --> 01:29:22,750
process of of metamorphosis they've had

1861
01:29:27,969 --> 01:29:24,820
the change of heart they've locked their

1862
01:29:30,459 --> 01:29:27,979
heart more focused on love than fear

1863
01:29:34,479 --> 01:29:30,469

and as a consequence there the path is

1864

01:29:36,129 --> 01:29:34,489

opening before them and this dark

1865

01:29:38,229 --> 01:29:36,139

contrast of course is that if we live

1866

01:29:40,419 --> 01:29:38,239

our lives in fear and anger and jealousy

1867

01:29:43,330 --> 01:29:40,429

and hatred then we are going to make

1868

01:29:46,419 --> 01:29:43,340

this a living hell for ourselves but

1869

01:29:49,149 --> 01:29:46,429

ultimate but ultimately redemption is is

1870

01:29:51,689 --> 01:29:49,159

a possibility for everyone but in my

1871

01:29:54,939 --> 01:29:51,699

opinion you kind of have to you have to

1872

01:29:56,799 --> 01:29:54,949

meet Christ halfway and that's the part

1873

01:29:59,080 --> 01:29:56,809

of the message that I see so often in

1874

01:30:00,910 --> 01:29:59,090

the in the Last Judgement images is that

1875

01:30:03,310 --> 01:30:00,920

these are the ones that have decided to

1876
01:30:04,779 --> 01:30:03,320
to walk the path of righteousness which

1877
01:30:06,520 --> 01:30:04,789
is a word we don't like to use these

1878
01:30:09,100 --> 01:30:06,530
days it just simply means to live in a

1879
01:30:10,509 --> 01:30:09,110
good in godly way which means you're

1880
01:30:12,279 --> 01:30:10,519
gonna you're gonna follow the

1881
01:30:14,199 --> 01:30:12,289
commandments love your neighbor as

1882
01:30:16,449 --> 01:30:14,209
yourself and love with you all your

1883
01:30:19,000 --> 01:30:16,459
heart all your mind all your soul that's

1884
01:30:21,910 --> 01:30:19,010
the key to the secret of eternal life

1885
01:30:24,040 --> 01:30:21,920
that's also the secret of of ancient

1886
01:30:27,879 --> 01:30:24,050
aliens stargate metaphysics that's the

1887
01:30:29,229 --> 01:30:27,889
universal law of one mm-hmm so it sounds

1888
01:30:32,589 --> 01:30:29,239

like like you said that there is a

1889

01:30:35,770 --> 01:30:32,599

spiritual or even a religious basis to

1890

01:30:39,910 --> 01:30:35,780

your work is there is there a particular

1891

01:30:44,830 --> 01:30:39,920

type of group or or besides the Gnostics

1892

01:30:51,129 --> 01:30:44,840

or is this a simply agnostic perspective

1893

01:30:54,009 --> 01:30:51,139

of reality or of spirituality norm stuff

1894

01:30:57,160 --> 01:30:54,019

you know what I what I talk about in

1895

01:31:00,819 --> 01:30:57,170

interviews is not coming from a church

1896

01:31:02,709 --> 01:31:00,829

it this is what I have gleaned from my

1897

01:31:04,930 --> 01:31:02,719

research and the Dead Sea Scrolls that

1898

01:31:08,410 --> 01:31:04,940

the NAG Hammadi library which are

1899

01:31:10,180 --> 01:31:08,420

Gnostic texts and this is the actual

1900

01:31:12,729 --> 01:31:10,190

beliefs I mean it's it's shocking to

1901

01:31:15,129 --> 01:31:12,739

people who have never actually read the

1902

01:31:17,399 --> 01:31:15,139

Dead Sea Scrolls especially Christians

1903

01:31:22,060 --> 01:31:17,409

who have never read the Dead Sea Scrolls

1904

01:31:25,390 --> 01:31:22,070

that they're missing out on an enormous

1905

01:31:29,799 --> 01:31:25,400

amount of insight into how Christianity

1906

01:31:32,469 --> 01:31:29,809

emerged and so I I read the Dead Sea

1907

01:31:35,949 --> 01:31:32,479

Scrolls I also read I spend a lot of my

1908

01:31:38,620 --> 01:31:35,959

time chasing around the the folks that

1909

01:31:41,000 --> 01:31:38,630

write from the ivory towers your PhDs

1910

01:31:42,589 --> 01:31:41,010

your academics because a lot of the

1911

01:31:44,660 --> 01:31:42,599

material about the death from the Dead

1912

01:31:48,229 --> 01:31:44,670

Sea Scrolls is yet to make it into the

1913

01:31:50,720 --> 01:31:48,239

popular or alternative presses and and

1914

01:31:53,839 --> 01:31:50,730

so when you get into some of this PhD

1915

01:31:56,240 --> 01:31:53,849

material it's absolutely astonishing and

1916

01:32:00,470 --> 01:31:56,250

how explicit the Dead Sea Scrolls were

1917

01:32:03,140 --> 01:32:00,480

about a our our inherent divine nature

1918

01:32:07,009 --> 01:32:03,150

that we are all as humans in effect

1919

01:32:10,189 --> 01:32:07,019

angels already into that angels come and

1920

01:32:12,410 --> 01:32:10,199

go from this planet routinely and that

1921

01:32:14,660 --> 01:32:12,420

in fact the Essene community at Qumran

1922

01:32:17,060 --> 01:32:14,670

when they were writing the the Dead Sea

1923

01:32:18,799 --> 01:32:17,070

Scrolls stories believe their community

1924

01:32:21,109 --> 01:32:18,809

to be a they believed they were

1925

01:32:24,020 --> 01:32:21,119

cohabiting with angels which means that

1926

01:32:25,669 --> 01:32:24,030

angels were on earth and so some people

1927

01:32:27,770 --> 01:32:25,679

don't like to use the word angel they

1928

01:32:30,620 --> 01:32:27,780

prefer to use the word alien or

1929

01:32:32,240 --> 01:32:30,630

extraterrestrial and if you if you feel

1930

01:32:34,759 --> 01:32:32,250

more comfortable with those words then

1931

01:32:38,080 --> 01:32:34,769

that's exactly what the Essenes were

1932

01:32:40,310 --> 01:32:38,090

describing happening in their community

1933

01:32:42,350 --> 01:32:40,320

mm-hmm-hmm that's very interesting you

1934

01:32:46,129 --> 01:32:42,360

know one of the things that I think said

1935

01:32:50,180 --> 01:32:46,139

I was also looking at while you were

1936

01:32:54,169 --> 01:32:50,190

while you were talking was that the role

1937

01:32:55,640 --> 01:32:54,179

of the Archangels and I kind of want to

1938

01:32:57,140 --> 01:32:55,650

bring things back a little bit to the

1939

01:33:01,370 --> 01:32:57,150

serpents because I know that that's a

1940

01:33:05,060 --> 01:33:01,380

big area that you you discuss in your

1941

01:33:08,120 --> 01:33:05,070

books as The Watcher you know we we

1942

01:33:11,379 --> 01:33:08,130

associate different personalities with

1943

01:33:15,229 --> 01:33:11,389

the Archangels are there specific

1944

01:33:19,399 --> 01:33:15,239

seraphim's that have names or certain

1945

01:33:22,040 --> 01:33:19,409

personalities or today do they highlight

1946

01:33:23,899 --> 01:33:22,050

certain energies for instance we we see

1947

01:33:26,569 --> 01:33:23,909

the Archangel Michael as being the

1948

01:33:29,209 --> 01:33:26,579

protector we see Raphael as kind of

1949

01:33:32,930 --> 01:33:29,219

being the doctor we see uh some of the

1950

01:33:36,649 --> 01:33:32,940

other other Archangels like Metatron

1951

01:33:39,500 --> 01:33:36,659

being a protector of children it seems

1952

01:33:42,640 --> 01:33:39,510

that some people talk about the

1953

01:33:45,859 --> 01:33:42,650

Archangels is as being leaders for the

1954

01:33:48,859 --> 01:33:45,869

for the for the seraphim's what what is

1955

01:33:51,200 --> 01:33:48,869

your take on that well you mentioned

1956

01:33:54,319 --> 01:33:51,210

Metatron he's considered to be the

1957

01:33:54,720 --> 01:33:54,329

leader of the Seraphim and you're I'm

1958

01:33:57,900 --> 01:33:54,730

sure you

1959

01:34:00,870 --> 01:33:57,910

that Metatron was once a human his name

1960

01:34:01,890 --> 01:34:00,880

was his name is Enoch oh so he's the

1961

01:34:03,660 --> 01:34:01,900

easy knock

1962

01:34:05,550 --> 01:34:03,670

he's Enoch yeah he was taken to heaven

1963

01:34:09,030 --> 01:34:05,560

by the Archangel Michael who is also a

1964

01:34:10,890 --> 01:34:09,040

seraph and a watcher and enroute Michael

1965

01:34:14,210 --> 01:34:10,900

takes him through several halls or holes

1966

01:34:16,830 --> 01:34:14,220

in space until he ultimately gets into

1967

01:34:19,710 --> 01:34:16,840

it see I kept members the third or the

1968

01:34:22,050 --> 01:34:19,720

seventh heaven where he anoints Enoch

1969

01:34:25,380 --> 01:34:22,060

with the the chrism oil the holy

1970

01:34:28,410 --> 01:34:25,390

anointing oil and it dissolves Enochs

1971

01:34:31,200 --> 01:34:28,420

body into glorious rainbow colored light

1972

01:34:33,840 --> 01:34:31,210

so he now matches the angels he matches

1973

01:34:36,000 --> 01:34:33,850

the Seraphim which suggests to me that

1974

01:34:39,000 --> 01:34:36,010

the Seraphim have rainbow bodies and

1975

01:34:41,430 --> 01:34:39,010

then Enoch is taken to the throne of God

1976

01:34:44,070 --> 01:34:41,440

and he's given a job he's becomes a

1977

01:34:46,140 --> 01:34:44,080

janitor he he sweeps up around the

1978

01:34:50,100 --> 01:34:46,150

throne of God he's given instruction

1979

01:34:52,500 --> 01:34:50,110

then he's returned to earth and given a

1980

01:34:54,870 --> 01:34:52,510

period of time 30 days usually that the

1981

01:34:56,430 --> 01:34:54,880

number that's mentioned to share this

1982

01:34:59,670 --> 01:34:56,440

heavenly knowledge with his friends and

1983

01:35:02,400 --> 01:34:59,680

family then Enoch has taken back up into

1984

01:35:05,820 --> 01:35:02,410

heaven and given a new job and a new

1985

01:35:09,030 --> 01:35:05,830

name his new name is Metatron and his

1986

01:35:12,030 --> 01:35:09,040

job his role as he is the guide and he's

1987

01:35:15,720 --> 01:35:12,040

now seeking humans who were like Enoch

1988

01:35:17,729 --> 01:35:15,730

who are on the path who are ready to to

1989

01:35:21,270 --> 01:35:17,739

take the next step in their ascension

1990

01:35:25,050 --> 01:35:21,280

and he is then he's now ready to assist

1991

01:35:27,840 --> 01:35:25,060

us in our transformation mmm-hmm so

1992

01:35:31,710 --> 01:35:27,850

Metatron is a pretty powerful angel now

1993

01:35:34,680 --> 01:35:31,720

he's not the the head of the Archangels

1994

01:35:36,930 --> 01:35:34,690

that's rock rug well he's the head of a

1995

01:35:41,160 --> 01:35:36,940

Seraphim he's a head of the Seraphim

1996

01:35:42,960 --> 01:35:41,170

okay but he's also an archangel yes and

1997

01:35:45,180 --> 01:35:42,970

this is where you know people can get

1998

01:35:48,900 --> 01:35:45,190

you can really kind of start to split

1999

01:35:51,479 --> 01:35:48,910

hairs here because the the same angels

2000

01:35:54,479 --> 01:35:51,489

that are referred to as Archangel are

2001

01:35:59,520 --> 01:35:54,489

also referred to as Watchers okay okay

2002

01:36:01,290 --> 01:35:59,530

because you know I I guess I don't want

2003

01:36:04,860 --> 01:36:01,300

to press the issue about the hierarchy

2004

01:36:08,770 --> 01:36:04,870

of angels but in the hierarchy of angels

2005

01:36:13,480 --> 01:36:08,780

the Archangels are really pretty low

2006

01:36:15,730 --> 01:36:13,490

they are they are the the upper realm of

2007

01:36:18,940 --> 01:36:15,740

the they are the upper part of the lower

2008

01:36:20,380 --> 01:36:18,950

realm yeah and that's kind of funny too

2009

01:36:23,020 --> 01:36:20,390

when you talk about Enoch you know

2010

01:36:24,730 --> 01:36:23,030

becoming going up to the throne of God

2011

01:36:26,770 --> 01:36:24,740

and becoming a janitor well that doesn't

2012

01:36:29,320 --> 01:36:26,780

sound like too much fun but hello he's

2013

01:36:31,840 --> 01:36:29,330

at the throne of God I mean come on and

2014

01:36:33,460 --> 01:36:31,850

then then he he's no longer a janitor

2015

01:36:39,090 --> 01:36:33,470

after it becomes Metatron now he's a

2016

01:36:41,890 --> 01:36:39,100

guide or you you know it's like what's

2017

01:36:44,680 --> 01:36:41,900

when you're talking at that level you're

2018

01:36:47,590 --> 01:36:44,690

still talking about a glorious being

2019

01:36:49,690 --> 01:36:47,600

mm-hmm well the thing is is that you

2020

01:36:51,460 --> 01:36:49,700

know you we're talking about seraphim's

2021

01:36:54,310 --> 01:36:51,470

and now we're kind of branching off to

2022

01:36:57,460 --> 01:36:54,320

some Archangels but there are other

2023

01:37:00,250 --> 01:36:57,470

angels that we haven't talked about and

2024

01:37:03,490 --> 01:37:00,260

and some of those are the principalities

2025

01:37:06,100 --> 01:37:03,500

the virtues and the dominions do you

2026

01:37:09,820 --> 01:37:06,110

ever do you ever how what is their role

2027

01:37:12,940 --> 01:37:09,830

or do they do they take also form as

2028

01:37:14,740 --> 01:37:12,950

seraphim's you know I don't spend I

2029

01:37:17,190 --> 01:37:14,750

haven't spent much time researching the

2030

01:37:20,140 --> 01:37:17,200

the principalities the powers other than

2031

01:37:21,610 --> 01:37:20,150

recognizing that they that they're there

2032

01:37:23,440 --> 01:37:21,620

that's that's basically it I've just

2033

01:37:25,360 --> 01:37:23,450

been kind of fixated on the on the

2034

01:37:27,460 --> 01:37:25,370

Seraphim on the Seraphim okay okay

2035

01:37:31,860 --> 01:37:27,470

because you know the principalities they

2036

01:37:36,000 --> 01:37:31,870

say that every country has its own and

2037

01:37:41,380 --> 01:37:36,010

and then the powers are the angels that

2038

01:37:44,380 --> 01:37:41,390

basically take care of the of the of the

2039

01:37:47,380 --> 01:37:44,390

wind and the weather and and and change

2040

01:37:50,110 --> 01:37:47,390

of seasons and things like that and then

2041

01:37:52,120 --> 01:37:50,120

the and then the virtues the powers I

2042

01:37:55,750 --> 01:37:52,130

guess are are also the dominions I'm I

2043

01:37:58,900 --> 01:37:55,760

gotta get my get my Angel's a strike and

2044

01:38:02,230 --> 01:37:58,910

then you have the the virtues the virtue

2045

01:38:04,090 --> 01:38:02,240

angels which I find very fascinating

2046

01:38:08,920 --> 01:38:04,100

because I think that they help people

2047

01:38:13,480 --> 01:38:08,930

with guidance on on how to be to live a

2048

01:38:16,390 --> 01:38:13,490

virtuous life so so these are they're

2049

01:38:21,020 --> 01:38:16,400

from my perspective they are used as

2050

01:38:25,340 --> 01:38:21,030

guides or tools to help us become better

2051

01:38:27,610 --> 01:38:25,350

better individuals so so to to get to

2052

01:38:29,840 --> 01:38:27,620

that higher realm where the Seraphim are

2053

01:38:31,970 --> 01:38:29,850

you have to kind of get through those

2054

01:38:35,870 --> 01:38:31,980

other angels or you got to at least

2055

01:38:38,150 --> 01:38:35,880

acknowledge them so that's that's just a

2056

01:38:41,570 --> 01:38:38,160

fascinating thing that I that I found

2057

01:38:43,430 --> 01:38:41,580

for from my meditations and from the

2058

01:38:46,070 --> 01:38:43,440

work I do because looks like I say with

2059

01:38:49,820 --> 01:38:46,080

when you're a medium you encounter all

2060

01:38:51,470 --> 01:38:49,830

kinds of entities and beings and and you

2061

01:38:54,110 --> 01:38:51,480

have to kind of understand their

2062

01:38:57,830 --> 01:38:54,120

frequencies and things like that at

2063

01:39:01,070 --> 01:38:57,840

least that's that's my experience so so

2064

01:39:03,950 --> 01:39:01,080

in your book the the Watchers you take

2065

01:39:07,880 --> 01:39:03,960

it another level from from where you

2066

01:39:09,830 --> 01:39:07,890

from from your other books yeah I would

2067

01:39:11,450 --> 01:39:09,840

say so I mean the the subtitle of the

2068

01:39:13,280 --> 01:39:11,460

book is Ascension resurrection

2069

01:39:15,350 --> 01:39:13,290

perfection lost secrets of the Watchers

2070

01:39:18,800 --> 01:39:15,360

ascension resurrection and perfection

2071

01:39:20,600 --> 01:39:18,810

and I'm just simply kind of starting off

2072

01:39:22,160 --> 01:39:20,610

from the point that we know that when

2073

01:39:25,310 --> 01:39:22,170

the Watchers came here they brought the

2074

01:39:27,170 --> 01:39:25,320

secrets of heaven with them mm-hmm what

2075

01:39:28,880 --> 01:39:27,180

are the secrets of heaven well to me

2076

01:39:30,710 --> 01:39:28,890

they're the lost secrets of Ascension

2077

01:39:33,260 --> 01:39:30,720

resurrection and perfection this is the

2078

01:39:35,510 --> 01:39:33,270

the the reason the Watchers came here

2079

01:39:38,240 --> 01:39:35,520

their their mission is to help us to

2080

01:39:40,970 --> 01:39:38,250

break through the boundary that

2081

01:39:44,090 --> 01:39:40,980

separates the human and divine realms

2082

01:39:45,280 --> 01:39:44,100

and to assist us in transforming the

2083

01:39:47,300 --> 01:39:45,290

planet I mean that could be a

2084

01:39:49,310 --> 01:39:47,310

oversimplified way of looking at it but

2085

01:39:53,920 --> 01:39:49,320

that's that's where I started with it

2086

01:39:56,750 --> 01:39:53,930

and then especially my focus is on

2087

01:40:00,650 --> 01:39:56,760

asking the question is it possible that

2088

01:40:05,000 --> 01:40:00,660

the that the when the Watchers are

2089

01:40:08,030 --> 01:40:05,010

portrayed as as these beings and we when

2090

01:40:10,340 --> 01:40:08,040

you read the descriptions of the of the

2091

01:40:12,710 --> 01:40:10,350

eyewitness accounts of beings of

2092

01:40:14,420 --> 01:40:12,720

individuals like Isaiah who actually saw

2093

01:40:17,360 --> 01:40:14,430

one of the Watcher angels as the

2094

01:40:21,440 --> 01:40:17,370

Seraphim he describes him as lightning

2095

01:40:23,300 --> 01:40:21,450

like rainbow like and I put all these

2096

01:40:25,250 --> 01:40:23,310

descriptions together and I match him up

2097

01:40:27,830 --> 01:40:25,260

with the tibetan rainbow body of light

2098

01:40:29,420 --> 01:40:27,840

and that the correspondence is really

2099

01:40:31,730 --> 01:40:29,430

pretty striking and no one's ever made

2100

01:40:33,830 --> 01:40:31,740

this before and so it's it's new

2101
01:40:34,500 --> 01:40:33,840
territory for researchers to follow this

2102
01:40:37,109 --> 01:40:34,510
path that

2103
01:40:38,520 --> 01:40:37,119
opened up in the watchers and so that's

2104
01:40:41,250 --> 01:40:38,530
that's where I'm coming from is it

2105
01:40:43,470 --> 01:40:41,260
possible that the Watchers as these

2106
01:40:46,560 --> 01:40:43,480
beings of light are what we think of as

2107
01:40:48,930 --> 01:40:46,570
having the rainbow body of light and is

2108
01:40:51,080 --> 01:40:48,940
this the essential teaching that they

2109
01:40:54,029 --> 01:40:51,090
they brought to earth and when Enoch

2110
01:40:57,379 --> 01:40:54,039
becomes their the the the hero of the

2111
01:41:00,930 --> 01:40:57,389
Essenes and he is the the man who's

2112
01:41:03,180 --> 01:41:00,940
translated from a human into a watcher

2113
01:41:06,859 --> 01:41:03,190

angel who has a glowing rainbow like

2114

01:41:09,029 --> 01:41:06,869

body is this in fact describing Enochs

2115

01:41:11,240 --> 01:41:09,039

transformation into the rainbow body of

2116

01:41:14,549 --> 01:41:11,250

light and then how influential

2117

01:41:16,919 --> 01:41:14,559

ultimately was that on on the Christian

2118

01:41:20,609 --> 01:41:16,929

story of Jesus's resurrection where he

2119

01:41:23,549 --> 01:41:20,619

to also manifests the glory body or the

2120

01:41:28,890 --> 01:41:23,559

rainbow body hmm

2121

01:41:31,620 --> 01:41:28,900

well the rainbow body now so as a person

2122

01:41:33,720 --> 01:41:31,630

we all have a rainbow body does that

2123

01:41:36,899 --> 01:41:33,730

make sense yes okay

2124

01:41:42,509 --> 01:41:36,909

and now another another thing that is a

2125

01:41:45,020 --> 01:41:42,519

correlation to my work that I feel like

2126

01:41:48,000 --> 01:41:45,030

I need to bring up is the human aura

2127

01:41:51,029 --> 01:41:48,010

because the human aura is made up of

2128

01:41:54,000 --> 01:41:51,039

different colors and the the chakras are

2129

01:41:56,100 --> 01:41:54,010

made up of different colors does that

2130

01:42:04,020 --> 01:41:56,110

relate to what you're talking about it

2131

01:42:06,240 --> 01:42:04,030

does in a way by analogy our body is the

2132

01:42:11,220 --> 01:42:06,250

cocoon and the rainbow body is the

2133

01:42:13,620 --> 01:42:11,230

butterfly so the the aura is is part of

2134

01:42:16,049 --> 01:42:13,630

the body but it is not the same as the

2135

01:42:19,410 --> 01:42:16,059

rainbow body of light oh it's not okay

2136

01:42:22,169 --> 01:42:19,420

okay okay because I was just curious

2137

01:42:24,180 --> 01:42:22,179

about that now we only have a few

2138

01:42:28,259 --> 01:42:24,190

minutes left in our program and so I

2139

01:42:31,350 --> 01:42:28,269

want to kind of have you tell the people

2140

01:42:34,379 --> 01:42:31,360

tell or over our audience about we're

2141

01:42:36,180 --> 01:42:34,389

you know your travels and some of the

2142

01:42:37,919 --> 01:42:36,190

thing other things that you do do you

2143

01:42:38,490 --> 01:42:37,929

mind doing that yeah be my pleasure

2144

01:42:42,209 --> 01:42:38,500

thank you

2145

01:42:44,700 --> 01:42:42,219

I actually just returned from 47 days on

2146

01:42:47,669 --> 01:42:44,710

the road my wife Claire and I were in

2147

01:42:48,260 --> 01:42:47,679

France we lead tours of sacred southern

2148

01:42:52,280 --> 01:42:48,270

France

2149

01:42:55,010 --> 01:42:52,290

following the the Cathar trail and we

2150

01:42:56,690 --> 01:42:55,020

came home from went back to London my

2151
01:42:58,640 --> 01:42:56,700
wife's British so we have family in

2152
01:43:02,630 --> 01:42:58,650
London's we frequently stay in London

2153
01:43:04,880 --> 01:43:02,640
sort of a second home we after being in

2154
01:43:07,070 --> 01:43:04,890
London we went to Egypt for two weeks

2155
01:43:09,560 --> 01:43:07,080
and led one of our legendary Stargate

2156
01:43:11,720 --> 01:43:09,570
Egypt tours which was absolutely

2157
01:43:15,620 --> 01:43:11,730
phenomenal in fact we're repeating the

2158
01:43:19,730 --> 01:43:15,630
the Egypt tour in March of 2015 and the

2159
01:43:21,800 --> 01:43:19,740
France tour in June of 2015 so we're

2160
01:43:25,130 --> 01:43:21,810
very excited about that and really happy

2161
01:43:27,320 --> 01:43:25,140
that things are back to normal in Egypt

2162
01:43:29,270 --> 01:43:27,330
all as well and in fact now is the time

2163
01:43:31,640 --> 01:43:29,280

to be there because the the tourists are

2164

01:43:34,670 --> 01:43:31,650

just now starting to come back oh that's

2165

01:43:38,870 --> 01:43:34,680

good news because it was such a shame

2166

01:43:41,930 --> 01:43:38,880

that so many things were were just just

2167

01:43:44,150 --> 01:43:41,940

drawn to a complete halt in Egypt there

2168

01:43:45,680 --> 01:43:44,160

their main focus of their economy is

2169

01:43:48,140 --> 01:43:45,690

tourism isn't it

2170

01:43:50,390 --> 01:43:48,150

well not know it's a small percentage of

2171

01:43:52,880 --> 01:43:50,400

their economy actually but it has a

2172

01:43:56,540 --> 01:43:52,890

dramatic effect when it dries up because

2173

01:43:59,150 --> 01:43:56,550

they they need dollars and for trade and

2174

01:44:00,590 --> 01:43:59,160

you know is it really if you is just

2175

01:44:03,110 --> 01:44:00,600

awful what happened Egypt was an

2176

01:44:06,680 --> 01:44:03,120

economic hit job I mean they they just

2177

01:44:09,200 --> 01:44:06,690

really devastated their their economy

2178

01:44:10,940 --> 01:44:09,210

and the people but now now the works out

2179

01:44:12,290 --> 01:44:10,950

that everything's fine and so

2180

01:44:15,140 --> 01:44:12,300

fortunately people are starting to come

2181

01:44:17,270 --> 01:44:15,150

back mm-hmm well that's great so you're

2182

01:44:19,130 --> 01:44:17,280

gonna be going to re-argue

2183

01:44:21,260 --> 01:44:19,140

did you say you're going to Egypt when

2184

01:44:22,820 --> 01:44:21,270

are you going to Egypt did you say March

2185

01:44:24,980 --> 01:44:22,830

of 2015

2186

01:44:28,310 --> 01:44:24,990

March oh so that's coming up pretty soon

2187

01:44:30,530 --> 01:44:28,320

yeah it is yeah can't wait so how do

2188

01:44:32,780 --> 01:44:30,540

people sign up for that they can go to

2189

01:44:35,180 --> 01:44:32,790

my website William Henry dotnet we'll

2190

01:44:36,740 --> 01:44:35,190

have all the tour information up here in

2191

01:44:39,470 --> 01:44:36,750

the next week or so but they can drop me

2192

01:44:41,090 --> 01:44:39,480

an email through my contact page if

2193

01:44:43,730 --> 01:44:41,100

they're interested in getting advanced

2194

01:44:45,440 --> 01:44:43,740

or early bird notice about the tour okay

2195

01:44:48,170 --> 01:44:45,450

that's great and the same is true for

2196

01:44:50,810 --> 01:44:48,180

France same as tour for same is true for

2197

01:44:52,460 --> 01:44:50,820

France as well we're also we're gonna do

2198

01:44:56,060 --> 01:44:52,470

something really special that the Shroud

2199

01:44:58,850 --> 01:44:56,070

of Turin is going on display for 67 days

2200

01:45:01,040 --> 01:44:58,860

from April until August of 2015 so we're

2201

01:45:01,879 --> 01:45:01,050

organizing a special tour to go see the

2202

01:45:05,090 --> 01:45:01,889

shroud

2203

01:45:08,899 --> 01:45:05,100

oh wow Wow I've seen it so I meet you

2204

01:45:10,459 --> 01:45:08,909

yeah it's great it's a it's a great

2205

01:45:12,800 --> 01:45:10,469

thing I lived in Europe for a little

2206

01:45:15,890 --> 01:45:12,810

while so when I was a kid or when I was

2207

01:45:18,229 --> 01:45:15,900

in college and I did a lot of stuff I

2208

01:45:23,229 --> 01:45:18,239

was able to go do a lot of wonderful

2209

01:45:26,270 --> 01:45:23,239

things that I can't do now awesome John

2210

01:45:28,850 --> 01:45:26,280

but no you do a lot of traveling around

2211

01:45:30,919 --> 01:45:28,860

the United States as well and I do

2212

01:45:34,040 --> 01:45:30,929

though so I'll be in Reading

2213

01:45:36,740 --> 01:45:34,050

Pennsylvania November 16th and November

2214

01:45:38,930 --> 01:45:36,750

21st I'm in Dallas Lewisville Texas at

2215

01:45:40,879 --> 01:45:38,940

miracles of joy and I've got details on

2216

01:45:44,270 --> 01:45:40,889

my website about both of those events oh

2217

01:45:46,580 --> 01:45:44,280

great well I hope to come to some of

2218

01:45:49,879 --> 01:45:46,590

your events when you're down here in my

2219

01:45:52,010 --> 01:45:49,889

area but you reside in Tennessee and is

2220

01:45:55,399 --> 01:45:52,020

there a particular place that you work

2221

01:45:57,439 --> 01:45:55,409

out of well in Tennessee what part of

2222

01:45:59,899 --> 01:45:57,449

Tennessee now a little or a lip yeah I

2223

01:46:02,780 --> 01:45:59,909

live in Nashville and actually I give

2224

01:46:05,000 --> 01:46:02,790

tours of Nashville we've got replicas of

2225

01:46:08,479 --> 01:46:05,010

two healing temples from the ancient

2226

01:46:11,260 --> 01:46:08,489

world we have a scale replica of the

2227

01:46:13,669 --> 01:46:11,270

Parthenon from ancient Athens yes

2228

01:46:15,709 --> 01:46:13,679

complete with the tallest indoor statue

2229

01:46:19,040 --> 01:46:15,719

in the Western world a 42 foot tall

2230

01:46:22,430 --> 01:46:19,050

statue of the goddess Athena completely

2231

01:46:24,800 --> 01:46:22,440

covered in gold then we have a 2,200

2232

01:46:26,959 --> 01:46:24,810

foot long magician's rod that is laid

2233

01:46:29,689 --> 01:46:26,969

out in growing at the base of our state

2234

01:46:36,109 --> 01:46:29,699

capital that's a absolutely just

2235

01:46:38,330 --> 01:46:36,119

extraordinary living temple well do you

2236

01:46:41,870 --> 01:46:38,340

live in Nashville because you had your

2237

01:46:44,270 --> 01:46:41,880

roots and music yeah I I had come down

2238

01:46:46,760 --> 01:46:44,280

here to go to college I was born and

2239

01:46:48,590 --> 01:46:46,770

raised in Detroit and ended up staying

2240

01:46:50,600 --> 01:46:48,600

here in Nashville I just really like it

2241

01:46:52,689 --> 01:46:50,610

it's a it's a beautiful place it's

2242

01:46:55,189 --> 01:46:52,699

really grounded and I've got the

2243

01:46:58,100 --> 01:46:55,199

Vanderbilt University Divinity Library

2244

01:47:00,950 --> 01:46:58,110

five minutes from my house no so you can

2245

01:47:03,379 --> 01:47:00,960

you have access to research exactly oh

2246

01:47:06,530 --> 01:47:03,389

well that's great that's great well

2247

01:47:08,810 --> 01:47:06,540

where can people find your book they can

2248

01:47:11,479 --> 01:47:08,820

get my books from I've got the secret of

2249

01:47:13,189 --> 01:47:11,489

Scion at amazon.com and my other books

2250

01:47:13,930 --> 01:47:13,199

are available from my website William

2251

01:47:16,660 --> 01:47:13,940

Henry

2252

01:47:18,130 --> 01:47:16,670

that mm-hmm okay well that's that's good

2253

01:47:20,650 --> 01:47:18,140

and and then of course you'll be

2254

01:47:21,939 --> 01:47:20,660

bringing some books with you when you

2255

01:47:23,050 --> 01:47:21,949

come to Texas is that all right

2256

01:47:25,590 --> 01:47:23,060

absolutely

2257

01:47:27,880 --> 01:47:25,600

yeah okay that's good that's good well

2258

01:47:29,229 --> 01:47:27,890

what are your what are some of your

2259

01:47:31,570 --> 01:47:29,239

final thoughts winter when are you gonna

2260

01:47:33,760 --> 01:47:31,580

be back on ancient aliens so we can kind

2261

01:47:36,430 --> 01:47:33,770

of mark that on our calendar well we're

2262

01:47:39,040 --> 01:47:36,440

in season seven right now the first two

2263

01:47:41,860 --> 01:47:39,050

episodes maybe three episodes of the

2264

01:47:45,700 --> 01:47:41,870

season have already aired and we'll have

2265

01:47:47,530 --> 01:47:45,710

16 episodes in total so you can watch

2266

01:47:49,300 --> 01:47:47,540

watch out for those I think they're

2267

01:47:52,150 --> 01:47:49,310

going to run them all continuously now

2268

01:47:54,850 --> 01:47:52,160

and until the first of the year which

2269

01:47:56,680 --> 01:47:54,860

would be nice they used to in the years

2270

01:47:58,570 --> 01:47:56,690

past they split the season a little bit

2271

01:48:00,640 --> 01:47:58,580

but this year but they're running them

2272

01:48:03,939 --> 01:48:00,650

continuously on h2

2273

01:48:06,660 --> 01:48:03,949

there's always ancient aliens marathons

2274

01:48:09,250 --> 01:48:06,670

- I mean it's amazing how much the show

2275

01:48:11,080 --> 01:48:09,260

how much airtime it gets and how well

2276

01:48:14,590 --> 01:48:11,090

people respond - I think it's absolutely

2277

01:48:16,090 --> 01:48:14,600

fantastic mm-hmm well when I was telling

2278

01:48:18,580 --> 01:48:16,100

people I was going to be doing this

2279

01:48:23,290 --> 01:48:18,590

program people were asking about the the

2280

01:48:27,580 --> 01:48:23,300

gentleman with the wild hair you know he

2281

01:48:29,110 --> 01:48:27,590

embarked I've met Georgie oh yeah I mean

2282

01:48:30,400 --> 01:48:29,120

isn't that something you know it's like

2283

01:48:31,780 --> 01:48:30,410

if you gotta you want to get your

2284

01:48:33,880 --> 01:48:31,790

message across you got to go duck

2285

01:48:36,130 --> 01:48:33,890

dynasty or have crazy hair or something

2286

01:48:38,860 --> 01:48:36,140

people just respond - it's kind of funny

2287

01:48:40,510 --> 01:48:38,870

be a little eccentric if I had enough

2288

01:48:43,870 --> 01:48:40,520

hair I guess I could try that but I

2289

01:48:46,720 --> 01:48:43,880

don't well you know I mean TV likes

2290

01:48:50,439 --> 01:48:46,730

characters right and I'm you know

2291

01:48:52,229 --> 01:48:50,449

Georgia character yeah so that's cool

2292

01:48:55,090 --> 01:48:52,239

more power to him you know he's usually

2293

01:48:56,290 --> 01:48:55,100

taking it and I mean good better and

2294

01:48:59,490 --> 01:48:56,300

different you can agree and disagree

2295

01:49:02,350 --> 01:48:59,500

with him on things and many people do

2296

01:49:05,590 --> 01:49:02,360

you know he's still done a good job of

2297

01:49:08,110 --> 01:49:05,600

doing what he does yeah he's yeah he's

2298

01:49:10,720 --> 01:49:08,120

great he really is he does a fabulous

2299

01:49:13,000 --> 01:49:10,730

job I was just just telling you that

2300

01:49:16,030 --> 01:49:13,010

that when people think of ancient aliens

2301
01:49:19,780 --> 01:49:16,040
he's one of the well that comes to mind

2302
01:49:22,410 --> 01:49:19,790
because it's hilarious nique yeah yeah

2303
01:49:24,910 --> 01:49:22,420
it's absolutely and you know it just as

2304
01:49:26,950 --> 01:49:24,920
the years progressed as the show grew

2305
01:49:27,430 --> 01:49:26,960
and as popularity his skin got oranger

2306
01:49:29,709 --> 01:49:27,440
and his hair

2307
01:49:31,900 --> 01:49:29,719
got higher so just you know it worked

2308
01:49:34,689 --> 01:49:31,910
for them it worked it sure did

2309
01:49:38,130 --> 01:49:34,699
yeah well thank you so much for being

2310
01:49:41,709 --> 01:49:38,140
part of our program we truly appreciate

2311
01:49:44,800 --> 01:49:41,719
having you you're one of our more famous

2312
01:49:47,979 --> 01:49:44,810
guests that we've had on the program and

2313
01:49:54,150 --> 01:49:47,989

we are just delighted now they put on

2314

01:49:57,610 --> 01:49:54,160

the on the on the chat a picture of

2315

01:50:01,660 --> 01:49:57,620

Giorgio so so that's a that's a good

2316

01:50:04,510 --> 01:50:01,670

thing so we have a few minutes left and

2317

01:50:09,340 --> 01:50:04,520

so let's let's just do kind of a recap

2318

01:50:12,670 --> 01:50:09,350

of our talk tonight your new book called

2319

01:50:14,350 --> 01:50:12,680

called the lost legends of the Watchers

2320

01:50:15,760 --> 01:50:14,360

is that right lost secrets of the

2321

01:50:18,220 --> 01:50:15,770

watchers that's right lost secrets

2322

01:50:20,740 --> 01:50:18,230

secrets of the Watchers and it mainly

2323

01:50:24,400 --> 01:50:20,750

concentrates on the role of the

2324

01:50:26,470 --> 01:50:24,410

seraphim's with humanity is that would

2325

01:50:29,560 --> 01:50:26,480

that kind of be part of it in a nutshell

2326

01:50:31,240 --> 01:50:29,570

or yes the Watchers I'm equating with

2327

01:50:34,180 --> 01:50:31,250

the Seraphim they brought the the

2328

01:50:35,740 --> 01:50:34,190

secrets of heaven to earth with them and

2329

01:50:38,500 --> 01:50:35,750

I believe that those secrets are about

2330

01:50:41,110 --> 01:50:38,510

human transformation into angels what we

2331

01:50:44,170 --> 01:50:41,120

refer to as ascension resurrection and

2332

01:50:49,660 --> 01:50:44,180

perfection now on your website you have

2333

01:50:53,470 --> 01:50:49,670

a brief summary of each of the chapters

2334

01:50:56,500 --> 01:50:53,480

of your of your new book and it's kind

2335

01:50:58,000 --> 01:50:56,510

of I guess is a teaser but it seems to

2336

01:51:00,729 --> 01:50:58,010

be very very interesting

2337

01:51:03,490 --> 01:51:00,739

and also before we leave I want to ask

2338

01:51:05,890 --> 01:51:03,500

you about art Arcanum what is Arcanum

2339

01:51:08,530 --> 01:51:05,900

what is that that is a show my wife

2340

01:51:11,229 --> 01:51:08,540

Claire and I did on Gaiam TV where we

2341

01:51:14,380 --> 01:51:11,239

explored the the esoteric secrets that

2342

01:51:17,110 --> 01:51:14,390

are encoded or embedded in sacred art we

2343

01:51:21,580 --> 01:51:17,120

did 12 episodes and were due to do

2344

01:51:23,340 --> 01:51:21,590

another second season of Arcana min in

2345

01:51:26,860 --> 01:51:23,350

the early part of 2015

2346

01:51:30,220 --> 01:51:26,870

okay okay so we can we can get that on

2347

01:51:34,780 --> 01:51:30,230

on Gaiam TV that's not available in all

2348

01:51:38,110 --> 01:51:34,790

places is it or is it its internet so

2349

01:51:41,080 --> 01:51:38,120

anybody around the world can can logon

2350

01:51:43,120 --> 01:51:41,090

you can watch all 12 episodes for free

2351

01:51:46,660 --> 01:51:43,130

you get 10 days free when you sign up

2352

01:51:50,530 --> 01:51:46,670

it's 998 a month after that and gyeom's

2353

01:51:53,080 --> 01:51:50,540

got just a wonderful offering of video

2354

01:51:56,290 --> 01:51:53,090

presentations and in other shows that

2355

01:51:58,959 --> 01:51:56,300

are available that are awesome now you

2356

01:52:01,780 --> 01:51:58,969

also have your own YouTube channel is

2357

01:52:03,760 --> 01:52:01,790

that right I haven't done enough with

2358

01:52:06,729 --> 01:52:03,770

the YouTube channel I'm intending to do

2359

01:52:08,140 --> 01:52:06,739

more in 2015 but right now it's it's

2360

01:52:10,689 --> 01:52:08,150

there's just a few things up there

2361

01:52:12,669 --> 01:52:10,699

mm-hmm well but you're getting your

2362

01:52:14,080 --> 01:52:12,679

message out there so that's that that's

2363

01:52:16,270 --> 01:52:14,090

a good thing

2364

01:52:20,229 --> 01:52:16,280

so you know you already have a lot

2365

01:52:22,570 --> 01:52:20,239

planned for 2015 I'm sure so are you

2366

01:52:25,750 --> 01:52:22,580

gonna be going to other areas around the

2367

01:52:28,930 --> 01:52:25,760

country besides Pennsylvania and Texas I

2368

01:52:32,010 --> 01:52:28,940

hope so I know I'll be out in Los

2369

01:52:36,310 --> 01:52:32,020

Angeles and I've had invitations for

2370

01:52:38,380 --> 01:52:36,320

Northern California but you know our

2371

01:52:40,180 --> 01:52:38,390

tour schedule is such that you know

2372

01:52:42,880 --> 01:52:40,190

we're spending a lot of time and in

2373

01:52:46,000 --> 01:52:42,890

Egypt France and Italy this year as well

2374

01:52:48,459 --> 01:52:46,010

as England oh wow well where do you go

2375

01:52:51,250 --> 01:52:48,469

in England do you do do a lot with

2376

01:52:54,070 --> 01:52:51,260

Stonehenge and yeah we're in the

2377

01:52:56,740 --> 01:52:54,080

Wiltshire area yeah sure

2378

01:52:58,300 --> 01:52:56,750

London and Wiltshire yeah and because

2379

01:53:01,360 --> 01:52:58,310

there's just so much that goes on of

2380

01:53:03,669 --> 01:53:01,370

course the Great Britain is a wonderful

2381

01:53:08,169 --> 01:53:03,679

place for metaphysics psychics

2382

01:53:10,240 --> 01:53:08,179

astrologers and they are just very

2383

01:53:13,870 --> 01:53:10,250

open-minded to to this type of

2384

01:53:17,890 --> 01:53:13,880

spirituality and and we learned so much

2385

01:53:20,740 --> 01:53:17,900

about about ancient cultures and the

2386

01:53:24,270 --> 01:53:20,750

Druids and people like that all the

2387

01:53:27,250 --> 01:53:24,280

insight that they had to to the

2388

01:53:30,040 --> 01:53:27,260

extraterrestrials because you know with

2389

01:53:33,610 --> 01:53:30,050

with Stonehenge being I guess

2390

01:53:36,910 --> 01:53:33,620

set up for the Sun to just strike it and

2391

01:53:40,450 --> 01:53:36,920

in specific ways does any of your work

2392

01:53:43,990 --> 01:53:40,460

have to do with ancient structures and

2393

01:53:46,959 --> 01:53:44,000

how they may communicate with the star

2394

01:53:51,280 --> 01:53:46,969

people to some extent yeah of course the

2395

01:53:52,750 --> 01:53:51,290

Egyptian temples and yeah I'm that's

2396

01:53:53,580 --> 01:53:52,760

something I'm getting more and more into

2397

01:53:55,890 --> 01:53:53,590

that I consider

2398

01:53:59,250 --> 01:53:55,900

more the hardware whereas I'm dealing

2399

01:54:00,450 --> 01:53:59,260

more with the software oh okay that's

2400

01:54:01,770 --> 01:54:00,460

the hardware and you're dealing with the

2401

01:54:02,400 --> 01:54:01,780

software that's a good way to put it

2402

01:54:04,440 --> 01:54:02,410

okay

2403

01:54:06,360 --> 01:54:04,450

they of course work together you can't

2404

01:54:07,770 --> 01:54:06,370

have one without the other so well

2405

01:54:09,930 --> 01:54:07,780

that's right that's right well we're

2406

01:54:13,890 --> 01:54:09,940

learning how sophisticated all of that

2407

01:54:16,860 --> 01:54:13,900

is or sure and to see all the different

2408

01:54:20,700 --> 01:54:16,870

things that they did and you know even

2409

01:54:24,900 --> 01:54:20,710

movies like Raiders of the Lost Ark they

2410

01:54:26,760 --> 01:54:24,910

would show how how the certain ways the

2411

01:54:29,250 --> 01:54:26,770

Sun would hit certain things and it

2412

01:54:33,390 --> 01:54:29,260

would point to where where things were

2413

01:54:35,790 --> 01:54:33,400

buried and and so on so forth so there's

2414

01:54:40,830 --> 01:54:35,800

always been that connection with the

2415

01:54:44,550 --> 01:54:40,840

celestial and with the Sun especially so

2416

01:54:46,560 --> 01:54:44,560

it's fascinating so once again I want to

2417

01:54:50,070 --> 01:54:46,570

thank you for being a part of our

2418

01:54:52,380 --> 01:54:50,080

program this is epic voyagers radio here

2419

01:54:53,910 --> 01:54:52,390

on the inception radio network and I

2420

01:54:58,080 --> 01:54:53,920

just want to let the audience know that

2421

01:55:01,530 --> 01:54:58,090

we have we the the show will be

2422

01:55:03,930 --> 01:55:01,540

available for downloading in a couple of

2423

01:55:06,540 --> 01:55:03,940

hours and you can also hear it again on

2424

01:55:07,920 --> 01:55:06,550

dark matters radio I believe tomorrow

2425

01:55:11,040 --> 01:55:07,930

night that the believe it will be

2426

01:55:13,890 --> 01:55:11,050

available then so we want to thank you

2427

01:55:16,410 --> 01:55:13,900

it's on Friday nights our engineer says

2428

01:55:18,960 --> 01:55:16,420

so we hope that you'll tune in again and

2429

01:55:22,650 --> 01:55:18,970

listen to our interview with mr. William

2430

01:55:25,050 --> 01:55:22,660

Henry thanks again for joining us this

2431

01:55:28,020 --> 01:55:25,060

this evening I hope I pleasure with you

2432

01:55:30,420 --> 01:55:28,030

I hope to be with you when you come to

2433

01:55:33,120 --> 01:55:30,430

Texas and hope to be with the audience

2434

01:55:34,140 --> 01:55:33,130

again sometime soon so take care and

2435

01:55:42,220 --> 01:55:34,150

that

2436

01:55:46,700 --> 01:55:44,270

thank you for being with us tonight

2437

01:55:48,140 --> 01:55:46,710

please join us again next Monday evening

2438

01:55:50,930 --> 01:55:48,150

for extraordinary phenomenon

2439

01:55:53,960 --> 01:55:50,940

investigations Council's epic voyages
