organized to get over there just yet but

63
00:03:10,819 --> 00:03:08,280

I will be there in a moment and yeah so

64

00:03:13,160 --> 00:03:10,829

65

00:03:15,350 --> 00:03:13,170

here you guys have no idea and I wanted

66

00:03:17,539 --> 00:03:15,360

to get you guys some very very

67

00:03:19,130 --> 00:03:17,549

interesting information but I just don't

68

00:03:21,039 --> 00:03:19,140

have it here hold on I'm gonna look up

69

00:03:25,460 --> 00:03:21,049

something here for you guys because I I

70

00:03:27,080 --> 00:03:25,470

have a treat a very very cool treat

71

00:03:29,330 --> 00:03:27,090

don't mind me I have a little bronc oh

72

00:03:31,550 --> 00:03:29,340

you just just a little bronchitis who

73

00:03:34,759 --> 00:03:31,560

gets a little bronchitis only me I'm

74

00:03:39,080 --> 00:03:34,769

just lucky like that I guess so get this

75

00:03:42,849 --> 00:03:39,090

I have been fortunate enough to be

76
00:03:46,039 --> 00:03:42,859
working with some very very cool people

77
00:03:47,270 --> 00:03:46,049
who are trying to bring attention to

78
00:03:50,509 --> 00:03:47,280
what I've been trying to bring attention

79
00:03:54,550 --> 00:03:50,519
to for eight years when it comes to

80
00:03:58,370 --> 00:03:54,560
those of us in you who have experienced

81
00:04:01,120 --> 00:03:58,380
horrible terrible nightmares sleep

82
00:04:03,500 --> 00:04:01,130
paralysis sleepwalking sleep deprivation

83
00:04:05,360 --> 00:04:03,510
being terrified to go to sleep because

84
00:04:09,619 --> 00:04:05,370
of the things that are going on in your

85
00:04:12,250 --> 00:04:09,629
sleep and the cool thing about this

86
00:04:15,740 --> 00:04:12,260
bringing attention to this and

87
00:04:18,879 --> 00:04:15,750
documenting this and also getting the

88
00:04:21,140 --> 00:04:18,889

help to you free of charge of course and

89

00:04:22,730 --> 00:04:21,150

talking to you about this stuff and

90

00:04:24,740 --> 00:04:22,740

seeing what we can do to help remedy

91

00:04:26,779 --> 00:04:24,750

these things it doesn't matter if you

92

00:04:29,089 --> 00:04:26,789

think there's a paranormal element to it

93

00:04:30,980 --> 00:04:29,099

or not or if it's just something that's

94

00:04:32,629 --> 00:04:30,990

going on I mean a lot of people that

95

00:04:34,040 --> 00:04:32,639

experience what you know people call

96

00:04:35,750 --> 00:04:34,050

night terrors sleep paralysis or

97

00:04:37,430 --> 00:04:35,760

whatever other people don't remember

98

00:04:39,290 --> 00:04:37,440

things that are going on but those in

99

00:04:42,400 --> 00:04:39,300

your life are laying in the bed going

100

00:04:44,839 --> 00:04:42,410

dude stop here what's going on you know

101
00:04:48,379 --> 00:04:44,849
smack in the area and all that stuff so

102
00:04:51,409 --> 00:04:48,389
I want to be able to hear from you guys

103
00:04:53,270 --> 00:04:51,419
that are experiencing these things yes

104
00:04:55,070 --> 00:04:53,280
if you're seeing shadow people yes if

105
00:04:57,230 --> 00:04:55,080
you're seeing hat man yes if you're

106
00:05:00,560 --> 00:04:57,240
having these night terrors nightmares

107
00:05:05,450 --> 00:05:00,570
whatever it is and feel free to write to

108
00:05:09,510 --> 00:05:05,460
me at dusts Outlander at gmail.com dee

109
00:05:11,879 --> 00:05:09,520
Outlander at gmail.com and send over

110
00:05:13,770 --> 00:05:11,889
your your information and how I could

111
00:05:16,290 --> 00:05:13,780
get a hold of you and let's chat for

112
00:05:18,930 --> 00:05:16,300
real like just you know and you will

113
00:05:21,059 --> 00:05:18,940

talk and I'll put you in touch with

114

00:05:23,249 --> 00:05:21,069

these people as well I mean they're

115

00:05:25,200 --> 00:05:23,259

really fantastic energetic and really

116

00:05:27,930 --> 00:05:25,210

positively trying to make a difference

117

00:05:29,610 --> 00:05:27,940

out there which is so needed and you

118

00:05:33,119 --> 00:05:29,620

know me I'm all about bringing attention

119

00:05:35,279 --> 00:05:33,129

to these topics because a lot of people

120

00:05:38,339 --> 00:05:35,289

just don't take it as serious as it as

121

00:05:40,110 --> 00:05:38,349

they need to I mean I feel when people

122

00:05:41,700 --> 00:05:40,120

are having these night terrors and these

123

00:05:44,159 --> 00:05:41,710

these horrible things going on in their

124

00:05:47,369 --> 00:05:44,169

sleep that they're battling an

125

00:05:49,050 --> 00:05:47,379

individual war honestly and hello that's

126

00:05:51,869 --> 00:05:49,060

why I call my first book the secret war

127

00:05:53,520 --> 00:05:51,879

I feel that people are struggling and

128

00:05:56,550 --> 00:05:53,530

they're they're they're really really

129

00:05:58,110 --> 00:05:56,560

trying to you know save their lives it's

130

00:05:59,459 --> 00:05:58,120

what it feels like honestly if you

131

00:06:01,409 --> 00:05:59,469

remember these things when they're when

132

00:06:02,670 --> 00:06:01,419

it's happening to you so let's make a

133

00:06:04,140 --> 00:06:02,680

difference and how do we make a

134

00:06:06,689 --> 00:06:04,150

difference is putting word out there

135

00:06:09,809 --> 00:06:06,699

putting a face to some of the phenomenon

136

00:06:11,999 --> 00:06:09,819

that's going on and you know put your

137

00:06:14,519 --> 00:06:12,009

name to it and let's do this you know

138

00:06:19,529 --> 00:06:14,529

what I'm saying so dust Outlander at

139

00:06:21,629 --> 00:06:19,539

gmail.com D as in David AAS Outlander at

140

00:06:23,159 --> 00:06:21,639

gmail.com so I would love to hear from

141

00:06:27,990 --> 00:06:23,169

you now

142

00:06:32,010 --> 00:06:28,000

now I want to invite my guests I will I

143

00:06:35,430 --> 00:06:32,020

will officially introduce her after the

144

00:06:36,510 --> 00:06:35,440

outlandish corner but first I want to

145

00:06:38,459 --> 00:06:36,520

get to that lineage quarter and I'm

146

00:06:41,610 --> 00:06:38,469

going to invite Mary Sutherland to join

147

00:06:42,749 --> 00:06:41,620

us my guest tonight and we're gonna go

148

00:06:44,369 --> 00:06:42,759

through that latest corner together

149

00:06:46,469 --> 00:06:44,379

because it's just so much fun

150

00:06:49,350 --> 00:06:46,479

I love these emails that you guys and

151
00:06:51,360 --> 00:06:49,360
trust me with to read over the airway so

152
00:06:53,430 --> 00:06:51,370
Mary you there you're listening you're

153
00:06:55,019 --> 00:06:53,440
listening you're ready to join me yep

154
00:07:02,459 --> 00:06:55,029
when I'm even trying to figure out this

155
00:07:05,100 --> 00:07:02,469
microphone good okay here we go all

156
00:07:07,140 --> 00:07:05,110
right what is this okay I don't read

157
00:07:08,519 --> 00:07:07,150
these ahead of time so I have no idea

158
00:07:11,159 --> 00:07:08,529
what's in these emails they're kind of

159
00:07:13,579 --> 00:07:11,169
fun alright so this one says it's dear

160
00:07:15,810 --> 00:07:13,589
Heidi that's me I'm writing to you

161
00:07:18,780 --> 00:07:15,820
regarding an interview that I just

162
00:07:22,110 --> 00:07:18,790
listened to on YouTube that you did

163
00:07:23,850 --> 00:07:22,120

with George Knapp Oh George Knapp okay

164

00:07:26,640 --> 00:07:23,860

January 18th of this year

165

00:07:29,130 --> 00:07:26,650

what chilled me to the bone was a hat

166

00:07:31,010 --> 00:07:29,140

meant experience that you described my

167

00:07:34,020 --> 00:07:31,020

son has had the exact same experience

168

00:07:36,720 --> 00:07:34,030

since nine years ago when he was six ooh

169

00:07:39,690 --> 00:07:36,730

that sounds like it's repeating I would

170

00:07:41,100 --> 00:07:39,700

love to tell you the experiences mainly

171

00:07:44,040 --> 00:07:41,110

because I haven't been able to talk to

172

00:07:46,830 --> 00:07:44,050

anyone about it that didn't think I was

173

00:07:48,750 --> 00:07:46,840

totally nuts hey join the club um they

174

00:07:50,370 --> 00:07:48,760

didn't say that but I'm sure you know

175

00:07:52,800 --> 00:07:50,380

the look oh I know that look girlfriend

176

00:07:54,690 --> 00:07:52,810

if you wish to hear the details and

177

00:07:57,020 --> 00:07:54,700

would like to contact me by phone is

178

00:07:59,820 --> 00:07:57,030

preferred oh we gotta get a phone number

179

00:08:02,070 --> 00:07:59,830

it's most efficient for conversation to

180

00:08:04,890 --> 00:08:02,080

me then email I live in Oregon any time

181

00:08:07,080 --> 00:08:04,900

you can call will be fine if this is

182

00:08:10,200 --> 00:08:07,090

somehow a weird request or you are now

183

00:08:11,550 --> 00:08:10,210

unable to talk I totally understand it

184

00:08:13,140 --> 00:08:11,560

would just be great to relates to

185

00:08:14,940 --> 00:08:13,150

someone who actually gets it thank you

186

00:08:17,520 --> 00:08:14,950

for sharing your experiences sincerely

187

00:08:19,860 --> 00:08:17,530

Robert oh that was really sweet

188

00:08:22,140 --> 00:08:19,870

Robert thank you for for you know it you

189

00:08:25,110 --> 00:08:22,150

know the way that these emails come

190

00:08:27,480 --> 00:08:25,120

across I I mean I am so touched in and I

191

00:08:29,250 --> 00:08:27,490

mean I just I feel so lucky that you

192

00:08:32,730 --> 00:08:29,260

know people would take the time to write

193

00:08:34,469 --> 00:08:32,740

and so such sincerity I mean and you

194

00:08:36,450 --> 00:08:34,479

know what I have to say Mary about this

195

00:08:38,130 --> 00:08:36,460

this letter I know you've been in this

196

00:08:40,500 --> 00:08:38,140

stuff for a long time too and it's like

197

00:08:42,870 --> 00:08:40,510

a lot of times when people's kids

198

00:08:46,290 --> 00:08:42,880

experience things they don't have an

199

00:08:48,660 --> 00:08:46,300

open mind to it and wow what kudos to

200

00:08:50,730 --> 00:08:48,670

this Robert when she say too trusting

201
00:08:54,570 --> 00:08:50,740
what his his kid has been saying for

202
00:08:57,210 --> 00:08:54,580
nine years you know that is one of the

203
00:08:59,580 --> 00:08:57,220
biggest concerns of mine is the fact

204
00:09:02,490 --> 00:08:59,590
that first of all the child is

205
00:09:06,510 --> 00:09:02,500
victimized by whatever they don't care

206
00:09:09,510 --> 00:09:06,520
whether it's you know an alien or a

207
00:09:12,510 --> 00:09:09,520
shadow purse or shadow being but then

208
00:09:16,050 --> 00:09:12,520
when they go to the only people that can

209
00:09:18,090 --> 00:09:16,060
help them which is their parents the

210
00:09:20,730 --> 00:09:18,100
parents have been conditioned not to

211
00:09:23,580 --> 00:09:20,740
believe in those so thus they send them

212
00:09:25,350 --> 00:09:23,590
right back to be victimized again so

213
00:09:29,130 --> 00:09:25,360

these poor little critters are just on

214

00:09:31,770 --> 00:09:29,140

their own you know it is terrifying

215

00:09:32,370 --> 00:09:31,780

because boredom there is no place for

216

00:09:36,360 --> 00:09:32,380

them to

217

00:09:39,240 --> 00:09:36,370

oh yeah that's that's awful and you know

218

00:09:41,550 --> 00:09:39,250

what another victim here is this Robert

219

00:09:44,610 --> 00:09:41,560

who feels like they have no one to turn

220

00:09:47,130 --> 00:09:44,620

to but you know to write somebody across

221

00:09:48,630 --> 00:09:47,140

the country and to say gosh I hope you

222

00:09:50,280 --> 00:09:48,640

call me because I would surely love to

223

00:09:53,100 --> 00:09:50,290

vent this I mean I feel like people are

224

00:09:55,110 --> 00:09:53,110

being victimized all over you know down

225

00:09:57,510 --> 00:09:55,120

down the line because they have no one

226

00:09:59,280 --> 00:09:57,520

to talk to without the eye roll and you

227

00:10:01,560 --> 00:09:59,290

know people totally shutting down I mean

228

00:10:03,330 --> 00:10:01,570

it this is what I mean about we need to

229

00:10:05,760 --> 00:10:03,340

start making a difference out there and

230

00:10:07,530 --> 00:10:05,770

speaking up and showing people that the

231

00:10:09,630 --> 00:10:07,540

paranormal is more normal it happens

232

00:10:14,010 --> 00:10:09,640

more often than people realize you know

233

00:10:16,620 --> 00:10:14,020

and so I just oh it's so it's

234

00:10:18,300 --> 00:10:16,630

frustrating to see in here that this is

235

00:10:22,710 --> 00:10:18,310

going on with so many different people I

236

00:10:25,350 --> 00:10:22,720

don't know but it means there needs to

237

00:10:28,050 --> 00:10:25,360

be more people out there doing what

238

00:10:31,020 --> 00:10:28,060

you're doing what I'm doing yeah because

239

00:10:34,290 --> 00:10:31,030

I mean we can only handle so many and

240

00:10:38,550 --> 00:10:34,300

there it is becoming more and more

241

00:10:40,590 --> 00:10:38,560

frequent all the time and and people

242

00:10:43,710 --> 00:10:40,600

like you know there are going to help

243

00:10:47,460 --> 00:10:43,720

people you know such as that gentleman

244

00:10:49,950 --> 00:10:47,470

that wrote in they have to learn I mean

245

00:10:51,750 --> 00:10:49,960

they just you know so many people just

246

00:10:54,300 --> 00:10:51,760

pick up a book and read and think that

247

00:10:57,960 --> 00:10:54,310

they can go out there and help well oh

248

00:10:59,670 --> 00:10:57,970

they need you know these people that are

249

00:11:02,460 --> 00:10:59,680

looking for help they need to come to

250

00:11:04,860 --> 00:11:02,470

people like us and have the experience

251
00:11:07,860 --> 00:11:04,870
and has some sort of understanding of

252
00:11:10,950 --> 00:11:07,870
how to deal with it yeah so sometimes

253
00:11:13,050 --> 00:11:10,960
they can just get in deeper trouble then

254
00:11:17,760 --> 00:11:13,060
if they would love to long subjects to

255
00:11:19,980 --> 00:11:17,770
Oh amen so very true I mean it's it's

256
00:11:22,170 --> 00:11:19,990
interesting to me remember way back in

257
00:11:23,460 --> 00:11:22,180
the day Mary when people didn't have

258
00:11:25,680 --> 00:11:23,470
this thing called the Internet and you

259
00:11:28,380 --> 00:11:25,690
actually had to get out the door and

260
00:11:30,480 --> 00:11:28,390
meet people physically to learn about

261
00:11:32,130 --> 00:11:30,490
these things and to get answers and yes

262
00:11:34,170 --> 00:11:32,140
you had to read not just one book but

263
00:11:35,940 --> 00:11:34,180

tons of books so you had a good

264

00:11:38,100 --> 00:11:35,950

perspective and and get out there and do

265

00:11:41,880 --> 00:11:38,110

the the lake working and research I mean

266

00:11:43,680 --> 00:11:41,890

it and now it's like gosh I wonder what

267

00:11:44,640 --> 00:11:43,690

Bigfoot's doing today Google what's

268

00:11:45,840 --> 00:11:44,650

Bigfoot doing today

269

00:11:49,680 --> 00:11:45,850

Bing there's the answer

270

00:11:52,500 --> 00:11:49,690

oh I'm done yeah I remember Heidi wear

271

00:11:55,020 --> 00:11:52,510

that USB for you and me but you know

272

00:11:56,610 --> 00:11:55,030

even the books were censored so we

273

00:11:58,740 --> 00:11:56,620

didn't have the internet we tried to

274

00:12:00,540 --> 00:11:58,750

find books on it and it was there there

275

00:12:02,820 --> 00:12:00,550

was very very few books on it because

276

00:12:05,820 --> 00:12:02,830

there wasn't any self-publishing yeah

277

00:12:08,280 --> 00:12:05,830

and the publishers you know they had a

278

00:12:10,200 --> 00:12:08,290

list of what they would publish and what

279

00:12:13,380 --> 00:12:10,210

they wouldn't then he had to go through

280

00:12:16,920 --> 00:12:13,390

a library and they censored the books as

281

00:12:18,570 --> 00:12:16,930

well so I mean we have so when we were

282

00:12:21,270 --> 00:12:18,580

out in the field which we're still doing

283

00:12:24,510 --> 00:12:21,280

I mean we've had to actually go out in

284

00:12:26,580 --> 00:12:24,520

the field and experience it and then try

285

00:12:33,210 --> 00:12:26,590

to have and then figure it out with our

286

00:12:34,710 --> 00:12:33,220

own brainpower honestly and you know

287

00:12:36,780 --> 00:12:34,720

it's the only reason why I wrote my

288

00:12:38,550 --> 00:12:36,790

first book cuz I could not find anything

289

00:12:41,280 --> 00:12:38,560

on shadow people what I was dealing with

290

00:12:44,250 --> 00:12:41,290

I'm like this is not something this has

291

00:12:47,100 --> 00:12:44,260

gotta be addressed I was going cuckoo

292

00:12:48,810 --> 00:12:47,110

you know I I just I don't know I was

293

00:12:50,460 --> 00:12:48,820

like well I guess since this is an out

294

00:12:52,260 --> 00:12:50,470

there I guess I better find a way to put

295

00:12:54,720 --> 00:12:52,270

it out there it took me two months to

296

00:12:56,970 --> 00:12:54,730

write that first book for years to get

297

00:12:58,050 --> 00:12:56,980

it published because I had publishers

298

00:12:59,760 --> 00:12:58,060

that were like oh this is very

299

00:13:02,220 --> 00:12:59,770

interesting yeah yeah we're gonna

300

00:13:05,010 --> 00:13:02,230

publish it drop it oh yeah we'll publish

301
00:13:08,910 --> 00:13:05,020
it drop it I mean man I wrote the book

302
00:13:10,830 --> 00:13:08,920
in 97 it's a 2001 to get it out I was it

303
00:13:13,710 --> 00:13:10,840
was really dismaying so difficult and

304
00:13:16,080 --> 00:13:13,720
then I had these other authors who had

305
00:13:18,210 --> 00:13:16,090
their own little publishing houses who

306
00:13:20,880 --> 00:13:18,220
would criticize there's no such thing as

307
00:13:23,340 --> 00:13:20,890
that and then you know not gonna publish

308
00:13:25,710 --> 00:13:23,350
this I'm like oh my gosh it was it was

309
00:13:27,570 --> 00:13:25,720
really it was really tough so you've

310
00:13:29,850 --> 00:13:27,580
been in this longer than myself so but

311
00:13:33,000 --> 00:13:29,860
and it's it's been I mean you've been

312
00:13:35,520 --> 00:13:33,010
writing forever I love it so we got to

313
00:13:37,350 --> 00:13:35,530

get into that though soon you know with

314

00:13:39,180 --> 00:13:37,360

you know it was with the ship

315

00:13:43,290 --> 00:13:39,190

well you coined the term shadow person

316

00:13:46,430 --> 00:13:43,300

yeah and the hat man and with myself you

317

00:13:48,060 --> 00:13:46,440

know I I fell into shooting

318

00:13:51,930 --> 00:13:48,070

interdimensional or multi-dimensional

319

00:13:54,840 --> 00:13:51,940

photos you know shooting what picked the

320

00:13:56,990 --> 00:13:54,850

pictures that I actually captured that

321

00:14:00,380 --> 00:13:57,000

people couldn't see

322

00:14:03,050 --> 00:14:00,390

and you know and of course there was

323

00:14:04,970 --> 00:14:03,060

Linda Godfrey you know oh yeah she

324

00:14:07,910 --> 00:14:04,980

brought forth you know the gray Road

325

00:14:09,920 --> 00:14:07,920

beast you know yes we were the pretty

326

00:14:19,690 --> 00:14:09,930

much the ground breakers of it all if I

327

00:14:21,080 --> 00:14:19,700

remember correctly and all women yes

328

00:14:23,000 --> 00:14:21,090

amen

329

00:14:26,590 --> 00:14:23,010

all right sure our men listeners will

330

00:14:29,270 --> 00:14:26,600

appreciate that but it's true I always

331

00:14:31,640 --> 00:14:29,280

I'd get a kick out of going out into the

332

00:14:33,760 --> 00:14:31,650

woods and watching the men run and us

333

00:14:36,380 --> 00:14:33,770

girls saying what's that what's that

334

00:14:37,400 --> 00:14:36,390

taking her like checking out what's

335

00:14:40,700 --> 00:14:37,410

behind those bushes

336

00:14:42,350 --> 00:14:40,710

you know we're curious I tell you you

337

00:14:45,310 --> 00:14:42,360

know guys just gonna start giving us

338

00:14:48,800 --> 00:14:45,320

more credit because still I get a lot of

339

00:14:50,330 --> 00:14:48,810

people going what you you came up with

340

00:14:50,840 --> 00:14:50,340

shadow people in the Hat man I'm like my

341

00:14:53,090 --> 00:14:50,850

goodness

342

00:14:54,890 --> 00:14:53,100

have you heard of it before yes well yes

343

00:14:56,240 --> 00:14:54,900

there's a there's a lady behind it

344

00:14:59,120 --> 00:14:56,250

believe it or not it's like I don't

345

00:15:02,930 --> 00:14:59,130

understand how that happens I just don't

346

00:15:05,660 --> 00:15:02,940

but whatever what can you do but you

347

00:15:08,210 --> 00:15:05,670

know in my latest book of haunted

348

00:15:13,030 --> 00:15:08,220

Burlington Wisconsin it's up from that

349

00:15:16,700 --> 00:15:13,040

history press of haunted us a series i

350

00:15:19,880 --> 00:15:16,710

we all I actually wrote about the hat

351

00:15:22,280 --> 00:15:19,890

man in Burlington oh did you okay yeah

352

00:15:25,820 --> 00:15:22,290

and and I didn't I at that point of time

353

00:15:27,500 --> 00:15:25,830

I didn't realize lan woman that was just

354

00:15:30,860 --> 00:15:27,510

about the time I think that you came up

355

00:15:33,260 --> 00:15:30,870

with the term hat man oh and I was white

356

00:15:35,180 --> 00:15:33,270

and I had written about it you know

357

00:15:38,720 --> 00:15:35,190

about this ghost that everybody was

358

00:15:40,040 --> 00:15:38,730

seeing and how he was dressed and I got

359

00:15:42,320 --> 00:15:40,050

a hold of your book and I was reading

360

00:15:45,100 --> 00:15:42,330

your book of it there oh my god right

361

00:15:47,720 --> 00:15:45,110

right he knows what this is

362

00:15:49,610 --> 00:15:47,730

did you know the Hat man so you know

363

00:15:52,730 --> 00:15:49,620

I've been referring to him every census

364

00:15:54,740 --> 00:15:52,740

they had man but he was a lot of people

365

00:15:58,430 --> 00:15:54,750

in Burlington that actually saw him

366

00:16:00,200 --> 00:15:58,440

basically you know it's it's an epic

367

00:16:03,560 --> 00:16:00,210

tale there today you know just uh

368

00:16:06,040 --> 00:16:03,570

there's a certain does there is uh Oh a

369

00:16:09,320 --> 00:16:06,050

little shopping center in Burlington and

370

00:16:10,790 --> 00:16:09,330

it seems like he visits each and every

371

00:16:12,620 --> 00:16:10,800

one of these stories every day

372

00:16:17,630 --> 00:16:12,630

just kind of walk through the walls oh

373

00:16:20,360 --> 00:16:17,640

yeah so and he wears a brown coat and a

374

00:16:22,370 --> 00:16:20,370

brown hat oh my goodness yeah he does

375

00:16:24,139 --> 00:16:22,380

change it up sometime so that's no

376

00:16:28,940 --> 00:16:24,149

that's interesting maybe I have to do a

377

00:16:33,500 --> 00:16:28,950

road trip well hopefully I know you've

378

00:16:35,240 --> 00:16:33,510

gotten so busy to just get a hold of me

379

00:16:37,100 --> 00:16:35,250

and I'll go with ya definitely

380

00:16:38,540 --> 00:16:37,110

definitely what let me get on over to

381

00:16:41,690 --> 00:16:38,550

this next email before we run out of

382

00:16:43,699 --> 00:16:41,700

time in this segment okay so this next

383

00:16:45,889 --> 00:16:43,709

one it says dear Heidi I read your

384

00:16:47,150 --> 00:16:45,899

shadow people book mmm probably the

385

00:16:49,190 --> 00:16:47,160

secret word I'm thinking there they're

386

00:16:51,860 --> 00:16:49,200

talking about thank you for writing it I

387

00:16:53,569 --> 00:16:51,870

had one of those experiences he was just

388

00:16:55,670 --> 00:16:53,579

like he described oh this must be the

389

00:16:57,019 --> 00:16:55,680

hat man book they're speaking of okay he

390

00:16:59,120 --> 00:16:57,029

was just like he described us stood at

391

00:17:02,180 --> 00:16:59,130

the foot of my bed and was driving nails

392

00:17:03,669 --> 00:17:02,190

into my feet oh that's horrible Heidi I

393

00:17:06,910 --> 00:17:03,679

am writing to see if you have any

394

00:17:09,710 --> 00:17:06,920

information about how to get alien

395

00:17:11,329 --> 00:17:09,720

interdimensional equipment removed from

396

00:17:14,449 --> 00:17:11,339

your body ah

397

00:17:16,429 --> 00:17:14,459

I discovered a hostile alien trying to

398

00:17:18,470 --> 00:17:16,439

possess me five years ago and I tried to

399

00:17:21,770 --> 00:17:18,480

throw him out of my aura for a couple of

400

00:17:24,620 --> 00:17:21,780

months he retaliated by installing

401

00:17:27,409 --> 00:17:24,630

invisible electrodes that go off

402

00:17:30,409 --> 00:17:27,419

constantly and they just feel exactly

403

00:17:32,960 --> 00:17:30,419

like they would be there in physical

404

00:17:36,470 --> 00:17:32,970

dimension okay they will sometimes make

405

00:17:38,570 --> 00:17:36,480

you keel over and hit the floor I try to

406

00:17:40,280 --> 00:17:38,580

find a shaman but so far and no one

407

00:17:43,610 --> 00:17:40,290

seems to know about this a whole lot

408

00:17:46,370 --> 00:17:43,620

thanks and they left it anonymous whew

409

00:17:48,890 --> 00:17:46,380

this is a doozy Mary um gosh

410

00:17:50,960 --> 00:17:48,900

interdimensional alien equipment you

411

00:17:53,720 --> 00:17:50,970

know I have heard of people feeling like

412

00:17:56,030 --> 00:17:53,730

they were tagged and they feel like

413

00:17:57,770 --> 00:17:56,040

they're being tracked they know that it

414

00:18:00,200 --> 00:17:57,780

affects their aura and affects their

415

00:18:02,870 --> 00:18:00,210

energy and they feel so out of sorts

416

00:18:06,169 --> 00:18:02,880

that they don't know what to do in

417

00:18:07,700 --> 00:18:06,179

regards to that this is this is really

418

00:18:09,049 --> 00:18:07,710

interesting I'm trying to figure out you

419

00:18:10,370 --> 00:18:09,059

know what this person is saying I read

420

00:18:11,659 --> 00:18:10,380

your shadow people book well I don't

421

00:18:14,450 --> 00:18:11,669

have a book that's just called shadow

422

00:18:15,680 --> 00:18:14,460

people and they're describing somebody

423

00:18:18,140 --> 00:18:15,690

standing at the foot of their bed

424

00:18:19,880 --> 00:18:18,150

driving nails in their feet so that man

425

00:18:23,120 --> 00:18:19,890

that shadow people is a big difference

426

00:18:24,680 --> 00:18:23,130

so I wish I knew better on that but with

427

00:18:26,510 --> 00:18:24,690

this alien connection

428

00:18:30,170 --> 00:18:26,520

with shadow people is a lot more direct

429

00:18:33,140 --> 00:18:30,180

than the hat man so when it comes to

430

00:18:36,290 --> 00:18:33,150

this interdimensional stuff I'm all

431

00:18:38,300 --> 00:18:36,300

about I mean I know I know a lot of

432

00:18:41,540 --> 00:18:38,310

people are not in this in this realm as

433

00:18:44,750 --> 00:18:41,550

I am but I'm a Christian and I believe

434

00:18:47,630 --> 00:18:44,760

that the power of God can take on most

435

00:18:49,730 --> 00:18:47,640

anything and though this may feel like a

436

00:18:52,160 --> 00:18:49,740

physical thing but you know it's not

437

00:18:54,680 --> 00:18:52,170

quite a physical thing that this is

438

00:18:56,270 --> 00:18:54,690

interdimensional I don't see that

439

00:18:59,480 --> 00:18:56,280

whatever it is that you believe to be

440

00:19:02,810 --> 00:18:59,490

real as far as the powers that be is to

441

00:19:05,390 --> 00:19:02,820

pray over it honestly and to have others

442

00:19:07,010 --> 00:19:05,400

you know sit with you and doing that you

443

00:19:08,900 --> 00:19:07,020

don't have to go to a shaman to do it I

444

00:19:10,400 --> 00:19:08,910

mean this is something that you know I

445

00:19:12,410 --> 00:19:10,410

think God gave us the gifts and the

446

00:19:14,360 --> 00:19:12,420

ability to be able to remedy these

447

00:19:16,010 --> 00:19:14,370

things and we put we doubt ourselves we

448

00:19:18,290 --> 00:19:16,020

think we have to go and you know get

449

00:19:21,920 --> 00:19:18,300

somebody else to it has more faith than

450

00:19:23,600 --> 00:19:21,930

you do it own it you know put your put

451
00:19:26,600 --> 00:19:23,610
your ethereal foot down and just be like

452
00:19:28,880 --> 00:19:26,610
look I'm gonna take this on and you know

453
00:19:31,790 --> 00:19:28,890
my husband wife whatever I don't know

454
00:19:32,900 --> 00:19:31,800
this is anonymous you know help him help

455
00:19:35,840 --> 00:19:32,910
you out with this

456
00:19:38,000 --> 00:19:35,850
and honestly I truly truly believe that

457
00:19:39,920 --> 00:19:38,010
we can rid ourselves of these types of

458
00:19:41,690 --> 00:19:39,930
things because it is a difficult thing

459
00:19:44,000 --> 00:19:41,700
in a dimensional alien equipment I mean

460
00:19:46,610 --> 00:19:44,010
who the heck who specializes in that you

461
00:19:49,220 --> 00:19:46,620
know I think that God is all-knowing and

462
00:19:52,520 --> 00:19:49,230
and I think that these are things that

463
00:19:55,550 --> 00:19:52,530

that can be done you know I I had a

464

00:19:58,250 --> 00:19:55,560

so-called horrific brain tumor at one

465

00:20:01,010 --> 00:19:58,260

point and I kid you not I kid you not

466

00:20:03,740 --> 00:20:01,020

this thing this thing was huge and was

467

00:20:05,330 --> 00:20:03,750

sticking outside of my neck and I'm like

468

00:20:06,890 --> 00:20:05,340

god this thing is still there I'd pray

469

00:20:09,490 --> 00:20:06,900

for it to go away it's still there and

470

00:20:12,080 --> 00:20:09,500

then I changed my prayer and I'm like

471

00:20:14,540 --> 00:20:12,090

God make it be anything else but this

472

00:20:17,030 --> 00:20:14,550

crazy brain tumor and wouldn't you know

473

00:20:19,550 --> 00:20:17,040

what my next follow-up visit oh my gosh

474

00:20:23,570 --> 00:20:19,560

it's not a tumor hmm it's a long story

475

00:20:25,490 --> 00:20:23,580

so I believe in the power of prayer work

476
00:20:27,890 --> 00:20:25,500
it out Mary what would you suggest to

477
00:20:30,320 --> 00:20:27,900
this person well I totally agree with

478
00:20:32,360 --> 00:20:30,330
you and you know if they feel

479
00:20:34,490 --> 00:20:32,370
comfortable with the shaman then you

480
00:20:36,920 --> 00:20:34,500
know by alright means you know use a

481
00:20:37,970 --> 00:20:36,930
shaman but you know for the Christians

482
00:20:44,750 --> 00:20:37,980
you know

483
00:20:47,930 --> 00:20:44,760
faith that you feel comfortable with but

484
00:20:49,880 --> 00:20:47,940
you know something tells me just by the

485
00:20:54,380 --> 00:20:49,890
way this was all described that this is

486
00:20:57,380 --> 00:20:54,390
nano technology right you know and uh

487
00:21:01,070 --> 00:20:57,390
and that's a whole new ballgame yeah

488
00:21:03,350 --> 00:21:01,080

yeah and and I know that you know and I

489

00:21:05,690 --> 00:21:03,360

suggest that whoever this is that's

490

00:21:09,020 --> 00:21:05,700

writing this do a little bit of Google

491

00:21:10,940 --> 00:21:09,030

search on nano technology and how it's

492

00:21:14,090 --> 00:21:10,950

being even used by your own government

493

00:21:15,500 --> 00:21:14,100

as well as aliens yes and you know what

494

00:21:16,760 --> 00:21:15,510

I've heard too and people try to cut

495

00:21:20,450 --> 00:21:16,770

some of these things out they'll move

496

00:21:22,850 --> 00:21:20,460

yeah so it's like yeah it seems like

497

00:21:27,340 --> 00:21:22,860

they have a intelligence of their own

498

00:21:29,659 --> 00:21:27,350

right but they you know it is just a

499

00:21:32,030 --> 00:21:29,669

futuristic you know for us it's a

500

00:21:33,919 --> 00:21:32,040

futuristic technology but that doesn't

501
00:21:36,590 --> 00:21:33,929
mean it's a futuristic technology for

502
00:21:39,049 --> 00:21:36,600
the aliens yep there you go all right

503
00:21:41,270 --> 00:21:39,059
you're very right so I hope that that

504
00:21:43,100 --> 00:21:41,280
was helpful to you um so we got another

505
00:21:44,419 --> 00:21:43,110
quickie here we got throwing real quick

506
00:21:46,159 --> 00:21:44,429
it says dear Heidi I am currently

507
00:21:48,710 --> 00:21:46,169
reading your book the secret war

508
00:21:50,240 --> 00:21:48,720
I am very well-versed on these shadow

509
00:21:52,820 --> 00:21:50,250
people as I've dealt with them my whole

510
00:21:54,830 --> 00:21:52,830
life only started to really understand

511
00:21:57,049 --> 00:21:54,840
the event about ten or so years ago when

512
00:21:59,270 --> 00:21:57,059
I started meditating and really opened

513
00:22:01,549 --> 00:21:59,280

up my perspective your book is great to

514

00:22:04,159 --> 00:22:01,559

say the least I live in Australia oh hi

515

00:22:04,760 --> 00:22:04,169

there might we have to live down there I

516

00:22:07,940 --> 00:22:04,770

loved it

517

00:22:10,430 --> 00:22:07,950

I've seen oh yeah oh my gosh beautiful

518

00:22:12,230 --> 00:22:10,440

country nice people I've seen a dealt

519

00:22:14,390 --> 00:22:12,240

with shadow people and gray aliens I've

520

00:22:15,710 --> 00:22:14,400

seen one in my house and chased it out

521

00:22:18,830 --> 00:22:15,720

oh good on you mate

522

00:22:21,350 --> 00:22:18,840

and kept it and its mates out for the

523

00:22:23,900 --> 00:22:21,360

rest of the night I worked as a career

524

00:22:27,200 --> 00:22:23,910

for a man with Lyme disease a few years

525

00:22:29,840 --> 00:22:27,210

back with a group of healers I am one

526

00:22:32,539 --> 00:22:29,850

too I am one too okay I'm a group of

527

00:22:34,610 --> 00:22:32,549

heal okay how many Euler just not as out

528

00:22:36,230 --> 00:22:34,620

there practicing but a shadow being was

529

00:22:38,360 --> 00:22:36,240

taken over the body of the person we

530

00:22:40,400 --> 00:22:38,370

were looking after I even got to see

531

00:22:42,919 --> 00:22:40,410

UFOs up close and personal during that

532

00:22:45,190 --> 00:22:42,929

time worst part is all persons whom

533

00:22:48,620 --> 00:22:45,200

worked with this person had many things

534

00:22:51,169 --> 00:22:48,630

negatively happening to them anyways

535

00:22:51,800 --> 00:22:51,179

it's a long story and too long waited

536

00:22:54,560 --> 00:22:51,810

for here

537

00:22:56,870 --> 00:22:54,570

I've seen oh I've seen a hundred and

538

00:22:59,420 --> 00:22:56,880

sixteen UFOs to date Wow

539

00:23:01,010 --> 00:22:59,430

I have the scars the implants blah blah

540

00:23:03,320 --> 00:23:01,020

blah I don't give up the fight

541

00:23:05,540 --> 00:23:03,330

I don't deliberately go out and wage

542

00:23:08,090 --> 00:23:05,550

energetic battles with these beings

543

00:23:10,190 --> 00:23:08,100

anymore like calf says in your book they

544

00:23:12,290 --> 00:23:10,200

try to take you out lucky for me I have

545

00:23:14,750 --> 00:23:12,300

a great friend whom helped me out your

546

00:23:17,300 --> 00:23:14,760

book is an inspiration I'm used to being

547

00:23:19,040 --> 00:23:17,310

looked upon as the fool or someone whom

548

00:23:21,770 --> 00:23:19,050

is [h__h] when I share these

549

00:23:23,510 --> 00:23:21,780

experiences and sad to say have seen

550

00:23:25,430 --> 00:23:23,520

many friends and loved ones be pushed or

551

00:23:27,650 --> 00:23:25,440

rather pulled to the influences of the

552

00:23:29,060 --> 00:23:27,660

shadow people very sad I just want you

553

00:23:32,050 --> 00:23:29,070

to know there are people out there who

554

00:23:35,030 --> 00:23:32,060

are not bending regards Scottie wow

555

00:23:37,010 --> 00:23:35,040

that's really that's wow that's that's

556

00:23:38,750 --> 00:23:37,020

it's so touching when you hear from

557

00:23:41,000 --> 00:23:38,760

somebody I mean that's opposite side of

558

00:23:44,000 --> 00:23:41,010

the planet that you know something that

559

00:23:45,920 --> 00:23:44,010

you you you worked on is helping I mean

560

00:23:48,950 --> 00:23:45,930

it's that's just so rewarding I'm glad

561

00:23:51,710 --> 00:23:48,960

to hear that you know you're keeping up

562

00:23:53,030 --> 00:23:51,720

the positive fight out there because so

563

00:23:56,330 --> 00:23:53,040

many people I think that they they

564

00:23:58,400 --> 00:23:56,340

tremble in the face of seeing beings

565

00:23:59,750 --> 00:23:58,410

that they think are you know the Wizard

566

00:24:01,340 --> 00:23:59,760

of Oz or something and they they don't

567

00:24:03,050 --> 00:24:01,350

know how to how to take it on like oh

568

00:24:05,300 --> 00:24:03,060

gosh this thing traveled a long distance

569

00:24:07,790 --> 00:24:05,310

so he must be a lot smarter than me he

570

00:24:10,970 --> 00:24:07,800

could do so much more to me and I'm just

571

00:24:12,290 --> 00:24:10,980

gonna cave just let it be and I hear

572

00:24:14,690 --> 00:24:12,300

this all the time you know like you know

573

00:24:16,550 --> 00:24:14,700

oh you can't stop an abduction or you

574

00:24:18,350 --> 00:24:16,560

can't do this I'm like I don't know that

575

00:24:20,900 --> 00:24:18,360

word can't you know I think that there's

576

00:24:23,840 --> 00:24:20,910

always a way to get around these things

577

00:24:25,790 --> 00:24:23,850

and you know don't doubt yourself

578

00:24:28,760 --> 00:24:25,800

I think the second that a little element

579

00:24:31,520 --> 00:24:28,770

of doubt comes within your mind there's

580

00:24:33,590 --> 00:24:31,530

there's a way in there there you go you

581

00:24:35,750 --> 00:24:33,600

know it's like so I you're an

582

00:24:37,880 --> 00:24:35,760

inspiration Scotty I I mean honestly

583

00:24:40,700 --> 00:24:37,890

because it's I'm just one person that

584

00:24:42,980 --> 00:24:40,710

just decided to put their their name out

585

00:24:46,910 --> 00:24:42,990

there and do this even though my dad

586

00:24:49,250 --> 00:24:46,920

told me to use a pen name because I told

587

00:24:51,500 --> 00:24:49,260

my dad you didn't have any sons dad so

588

00:24:53,810 --> 00:24:51,510

I'm gonna abuse your last name to its

589

00:25:00,140 --> 00:24:53,820

fullest and so I am and it sounds so

590

00:25:01,940 --> 00:25:00,150

good with the name Heidi so thanks so so

591

00:25:03,710 --> 00:25:01,950

you know and keep putting your keep keep

592

00:25:04,640 --> 00:25:03,720

the fight up out over there or down

593

00:25:06,470 --> 00:25:04,650

under and

594

00:25:09,409 --> 00:25:06,480

you know we'll do our end over here too

595

00:25:11,600 --> 00:25:09,419

so what's your thoughts on it Mary there

596

00:25:13,340 --> 00:25:11,610

was a there was an article I was reading

597

00:25:16,240 --> 00:25:13,350

actually they got something on YouTube

598

00:25:22,340 --> 00:25:16,250

as well you ever heard of the black goo

599

00:25:25,039 --> 00:25:22,350

the black goo black goo G oh no I had

600

00:25:26,960 --> 00:25:25,049

neither and anyhow if you know like us

601
00:25:29,330 --> 00:25:26,970
you know with if we're not out there in

602
00:25:33,740 --> 00:25:29,340
the field we're researching anyhow I

603
00:25:38,299 --> 00:25:33,750
came across this YouTube on this black

604
00:25:41,600 --> 00:25:38,309
blue or goo and they favors this man he

605
00:25:44,539 --> 00:25:41,610
was talking about how these areas are

606
00:25:51,159 --> 00:25:44,549
trying to you know take over the earth

607
00:25:54,380 --> 00:25:51,169
by by using up but how will I say it

608
00:25:57,980 --> 00:25:54,390
they're dropping this black goo and it

609
00:26:01,580 --> 00:25:57,990
gets into the earth somehow and it it

610
00:26:03,889 --> 00:26:01,590
shuts down the consciousness and our

611
00:26:06,769 --> 00:26:03,899
inner connection with Mother Earth and

612
00:26:09,080 --> 00:26:06,779
replaces the our consciousness our

613
00:26:12,340 --> 00:26:09,090

original consciousness with the alien

614

00:26:15,919 --> 00:26:12,350

consciousness which is a very negative

615

00:26:20,299 --> 00:26:15,929

consciousness yeah and anyhow somehow

616

00:26:23,930 --> 00:26:20,309

this has been a contributing factor with

617

00:26:27,200 --> 00:26:23,940

all the negativity that we have been

618

00:26:32,210 --> 00:26:27,210

going through you know for it maybe even

619

00:26:34,279 --> 00:26:32,220

2000 years but if anyhow it kind of made

620

00:26:37,460 --> 00:26:34,289

sense and of course they said that the

621

00:26:40,120 --> 00:26:37,470

only way to really fight it is by what

622

00:26:44,120 --> 00:26:40,130

you said you know changing your attitude

623

00:26:46,700 --> 00:26:44,130

start living in a higher vibration but

624

00:26:48,980 --> 00:26:46,710

your mind to God or you know the source

625

00:26:51,289 --> 00:26:48,990

you know that you feel comfortable with

626

00:26:54,830 --> 00:26:51,299

as long as it's of a higher vibration

627

00:26:58,279 --> 00:26:54,840

and you can you can actually break free

628

00:27:02,029 --> 00:26:58,289

from this but because most people don't

629

00:27:04,100 --> 00:27:02,039

know about this replacement of calm a uh

630

00:27:05,620 --> 00:27:04,110

human consciousness or mother earth

631

00:27:08,570 --> 00:27:05,630

consciousness with this alien

632

00:27:10,279 --> 00:27:08,580

consciousness they are they don't know

633

00:27:11,750 --> 00:27:10,289

how to fight it you know you have to

634

00:27:16,789 --> 00:27:11,760

know there's an enemy out there before

635

00:27:18,529 --> 00:27:16,799

you can fight it and so anyhow it again

636

00:27:20,389 --> 00:27:18,539

go to you too

637

00:27:27,139 --> 00:27:20,399

and I think all you'd have to really do

638

00:27:29,689 --> 00:27:27,149

is type in black goo oh yeah that's

639

00:27:31,909 --> 00:27:29,699

really interesting yeah but yeah just

640

00:27:34,219 --> 00:27:31,919

try to make sense I don't know about the

641

00:27:37,359 --> 00:27:34,229

black goo or anything but it does make

642

00:27:40,749 --> 00:27:37,369

sense that there's a there's a negative

643

00:27:44,079 --> 00:27:40,759

consciousness of sorts taking over our

644

00:27:47,810 --> 00:27:44,089

minds you know I don't believe that

645

00:27:49,939 --> 00:27:47,820

people are as hateful you know as you

646

00:27:52,879 --> 00:27:49,949

know that they were meant to be I think

647

00:27:55,099 --> 00:27:52,889

that you know what you know they're they

648

00:27:57,829 --> 00:27:55,109

they were made up from God you know so I

649

00:28:00,319 --> 00:27:57,839

mean they should caring that within them

650

00:28:02,930 --> 00:28:00,329

that consciousness of love you know it's

651
00:28:04,309 --> 00:28:02,940
very true yeah somebody gonna get

652
00:28:06,079 --> 00:28:04,319
something simple 'when seing the

653
00:28:08,299 --> 00:28:06,089
consciousness yeah we got a good turn

654
00:28:09,709 --> 00:28:08,309
our first break here but you know i want

655
00:28:11,869 --> 00:28:09,719
to thank you guys for writing in and

656
00:28:13,249 --> 00:28:11,879
again anybody who has any experiences

657
00:28:14,749 --> 00:28:13,259
with anything out of the ordinary and

658
00:28:16,399 --> 00:28:14,759
especially right now i'm looking for

659
00:28:19,069 --> 00:28:16,409
those that are dealing with sleep

660
00:28:21,349 --> 00:28:19,079
paralysis night terror type episodes

661
00:28:23,629 --> 00:28:21,359
feel free to write me at dusk Outlander

662
00:28:25,039 --> 00:28:23,639

663
00:28:26,509 --> 00:28:25,049

how do you house the Outlander an

664

00:28:29,509 --> 00:28:26,519

00:28:56,299 --> 00:28:53,819

official introduction mary has recently

677

00:28:58,969 --> 00:28:56,309

retired from being the owner manager or

678

00:29:01,369 --> 00:28:58,979

Burlington Wisconsin sci-fi cafe which

679

00:29:04,069 --> 00:29:01,379

was an awesome place to devote more time

680

00:29:06,739 --> 00:29:04,079

to her research her most recent book is

681

00:29:08,269 --> 00:29:06,749

the red-haired Giants when she's not

682

00:29:10,729 --> 00:29:08,279

working on a book she is passionately

683

00:29:13,129 --> 00:29:10,739

researching America's prehistory at

684

00:29:15,680 --> 00:29:13,139

places like Rock Lake and leading her

685

00:29:18,139 --> 00:29:15,690

famous haunted woods tours which I have

686

00:29:19,999 --> 00:29:18,149

still got to go on and everybody check

687

00:29:22,129 --> 00:29:20,009

out her awesome website she's got a huge

688

00:29:25,339 --> 00:29:22,139

website which is Burlington news a

689

00:29:28,430 --> 00:29:25,349

dotnet everybody round of applause for

690

00:29:31,120 --> 00:29:28,440

my friend and you will love her too Mary

691

00:29:34,930 --> 00:29:33,100

my god Mary there's a red carpet it's

692

00:29:38,560 --> 00:29:34,940

rolling girlfriend well thank you

693

00:29:41,890 --> 00:29:38,570

everybody thank you

694

00:29:43,990 --> 00:29:41,900

of course oh my goodness you know what I

695

00:29:45,580 --> 00:29:44,000

have always enjoyed any kind of

696

00:29:47,440 --> 00:29:45,590

conversation I've ever had with you

697

00:29:50,920 --> 00:29:47,450

you always give off good vibes good

698

00:29:52,900 --> 00:29:50,930

advice and you know your cafe rocked I

699

00:29:54,340 --> 00:29:52,910

mean let's just be honest I mean but

700

00:29:56,740 --> 00:29:54,350

it's you're telling me during the break

701

00:29:58,420 --> 00:29:56,750

that it was starting to get to be a bit

702

00:30:00,910 --> 00:29:58,430

of a burden everything you were doing a

703

00:30:03,010 --> 00:30:00,920

lot at once so you just kind of took a

704

00:30:06,070 --> 00:30:03,020

break from that a little bit huh well

705

00:30:10,060 --> 00:30:06,080

yeah it was seven days a week and we did

706

00:30:12,160 --> 00:30:10,070

it for ten years and you know my heart

707

00:30:14,920 --> 00:30:12,170

and soul is in two you know field

708

00:30:16,840 --> 00:30:14,930

research and writing so and then of

709

00:30:19,030 --> 00:30:16,850

course with the radio station too and

710

00:30:21,430 --> 00:30:19,040

has just got to the point where you know

711

00:30:24,790 --> 00:30:21,440

I just couldn't I had to make a choice

712

00:30:26,590 --> 00:30:24,800

and besides that you know you know I

713

00:30:29,530 --> 00:30:26,600

needed to start spending some time on

714

00:30:34,000 --> 00:30:29,540

myself and you know and getting to Reno

715

00:30:37,480 --> 00:30:34,010

my husband you know that guy you

716

00:30:40,450 --> 00:30:37,490

remember Brad I do I do how's he doing I

717

00:30:42,700 --> 00:30:40,460

used to him really good he had since you

718

00:30:45,130 --> 00:30:42,710

met since last time you seen him he's

719

00:30:49,510 --> 00:30:45,140

went through two heart attacks and above

720

00:30:52,780 --> 00:30:49,520

the cancer and he's got yeah he's

721

00:30:55,090 --> 00:30:52,790

totally healthy now and you know he's

722

00:30:57,910 --> 00:30:55,100

like you and me you know it positive

723

00:31:00,880 --> 00:30:57,920

thinking you know we we both know that

724

00:31:04,810 --> 00:31:00,890

you know it's all about how you deal

725

00:31:07,720 --> 00:31:04,820

with things on a positive note and Brad

726

00:31:10,900 --> 00:31:07,730

beat the cancer and he hearts totally

727

00:31:14,320 --> 00:31:10,910

fine and and he's doing great

728

00:31:16,510 --> 00:31:14,330

you know he's I mean honestly I mean I

729

00:31:18,370 --> 00:31:16,520

remember him he posting about him

730

00:31:19,540 --> 00:31:18,380

pulling through that and my gosh you

731

00:31:23,320 --> 00:31:19,550

guys went through a lot had where's a

732

00:31:27,250 --> 00:31:23,330

fire and oh so much so much or was it

733

00:31:29,170 --> 00:31:27,260

yeah was he well knows well I felt sorry

734

00:31:30,790 --> 00:31:29,180

for this one kid you know he didn't have

735

00:31:33,490 --> 00:31:30,800

a job and somebody says watch give him a

736

00:31:36,160 --> 00:31:33,500

break so I did and he ended up you know

737

00:31:37,870 --> 00:31:36,170

he put together little gangs and one

738

00:31:39,940 --> 00:31:37,880

night when I was all doing a tour they

739

00:31:41,890 --> 00:31:39,950

managed to break into the cafe as a

740

00:31:42,390 --> 00:31:41,900

little bunch of things but it broke and

741

00:31:44,130 --> 00:31:42,400

that's

742

00:31:47,040 --> 00:31:44,140

was I know it was something that really

743

00:31:49,620 --> 00:31:47,050

took down your business Mike ah when it

744

00:31:52,380 --> 00:31:49,630

rains it pours you know luckily I had

745

00:31:54,720 --> 00:31:52,390

insurance thank God way to go my

746

00:31:56,970 --> 00:31:54,730

goodness hello otherwise that it could

747

00:31:59,460 --> 00:31:56,980

have done a lot of damage but I had the

748

00:32:06,390 --> 00:31:59,470

insurance so you know so everything was

749

00:32:09,060 --> 00:32:06,400

fine with it you know but actually Heidi

750

00:32:12,360 --> 00:32:09,070

there's an really interesting story that

751
00:32:14,640 --> 00:32:12,370
goes with that that robbery and a

752
00:32:16,650 --> 00:32:14,650
Bigfoot oh really

753
00:32:18,360 --> 00:32:16,660
want to hear it I want to hear this

754
00:32:19,230 --> 00:32:18,370
Bigfoot robbed your place or something

755
00:32:21,980 --> 00:32:19,240
that'd be cool

756
00:32:25,050 --> 00:32:21,990
well actually they saved the store

757
00:32:26,940 --> 00:32:25,060
because what had happened was I felt

758
00:32:28,560 --> 00:32:26,950
like I said I'd hired this kid and I

759
00:32:31,230 --> 00:32:28,570
always let his friends come in and visit

760
00:32:33,270 --> 00:32:31,240
with him and stuff like that and then I

761
00:32:37,080 --> 00:32:33,280
was I kind of had him under my wing and

762
00:32:40,620 --> 00:32:37,090
I I that night I had to do toriel in the

763
00:32:42,330 --> 00:32:40,630

haunted woods and I told him that he

764

00:32:45,060 --> 00:32:42,340

needed to come and help me you know work

765

00:32:47,730 --> 00:32:45,070

is it one of the guides so he went with

766

00:32:49,230 --> 00:32:47,740

me and I noticed that he was on his cell

767

00:32:52,890 --> 00:32:49,240

phone all the time

768

00:32:54,990 --> 00:32:52,900

and at one point in time he went way

769

00:32:57,480 --> 00:32:55,000

kind of deep into the woods you know to

770

00:32:59,820 --> 00:32:57,490

make this call and I thought well that's

771

00:33:01,650 --> 00:32:59,830

kind of unusual but I didn't think too

772

00:33:03,900 --> 00:33:01,660

much of it you know just kind of ticked

773

00:33:06,510 --> 00:33:03,910

me off a little bit you know but that

774

00:33:09,690 --> 00:33:06,520

was bought yeah but then right after he

775

00:33:12,180 --> 00:33:09,700

made that telephone call all of a sudden

776

00:33:16,790 --> 00:33:12,190

we started getting little pebbles thrown

777

00:33:20,100 --> 00:33:16,800

at us Oh pebbles turned into larger

778

00:33:22,770 --> 00:33:20,110

stones and finally we started getting a

779

00:33:24,690 --> 00:33:22,780

hit with stones about the size of a oh I

780

00:33:27,990 --> 00:33:24,700

don't know about the size of a football

781

00:33:29,340 --> 00:33:28,000

or a small basketball and we just were

782

00:33:33,240 --> 00:33:29,350

hitting us in all different directions

783

00:33:35,400 --> 00:33:33,250

and well I thought well maybe if I went

784

00:33:37,140 --> 00:33:35,410

because we had Bigfoot activity up there

785

00:33:39,480 --> 00:33:37,150

so I knew that they wasn't going to hit

786

00:33:42,180 --> 00:33:39,490

us or hurt us so I mean they just want

787

00:33:44,790 --> 00:33:42,190

us to move to another area so we went to

788

00:33:48,780 --> 00:33:44,800

a another little area but they kept it

789

00:33:50,670 --> 00:33:48,790

up and you know went by the that time

790

00:33:52,650 --> 00:33:50,680

the rocks were really coming fast and

791

00:33:54,840 --> 00:33:52,660

hard and I was afraid that somebody was

792

00:33:56,280 --> 00:33:54,850

going to get hit so I had to call off

793

00:33:58,290 --> 00:33:56,290

the tour

794

00:34:01,560 --> 00:33:58,300

get everybody out of there for safety

795

00:34:03,570 --> 00:34:01,570

and they threw those stones all the way

796

00:34:06,690 --> 00:34:03,580

from way back there where the sacred

797

00:34:08,610 --> 00:34:06,700

site area is they threw those stones

798

00:34:11,280 --> 00:34:08,620

until we actually got to the parking lot

799

00:34:13,530 --> 00:34:11,290

every time we stopped more stones would

800

00:34:15,570 --> 00:34:13,540

start coming at us oh my god like they

801
00:34:19,139 --> 00:34:15,580
were you know hurting us out of the

802
00:34:20,730 --> 00:34:19,149
woods well what had happened was now we

803
00:34:22,139 --> 00:34:20,740
had always gotten along with the Bigfoot

804
00:34:24,090 --> 00:34:22,149
up there in that area

805
00:34:25,230 --> 00:34:24,100
you know never had problems with them

806
00:34:27,330 --> 00:34:25,240
and I've known that they've been up in

807
00:34:30,690 --> 00:34:27,340
that area for years yeah but what

808
00:34:33,030 --> 00:34:30,700
happened was there was some Bigfoot back

809
00:34:36,389 --> 00:34:33,040
there in those woods and overheard his

810
00:34:40,050 --> 00:34:36,399
conversation this kid's conversation

811
00:34:42,960 --> 00:34:40,060
what the plan was to go out in the woods

812
00:34:45,419 --> 00:34:42,970
with me and once we got back up into the

813
00:34:48,060 --> 00:34:45,429

sacred circle he was he called his

814

00:34:51,090 --> 00:34:48,070

France a tome it was okay that it the

815

00:34:52,409 --> 00:34:51,100

you know it was safe to break in and he

816

00:34:54,180 --> 00:34:52,419

was telling them the things that he

817

00:34:57,510 --> 00:34:54,190

wanted them to grab while they were

818

00:35:01,860 --> 00:34:57,520

there and so the Bigfoot actually heard

819

00:35:03,080 --> 00:35:01,870

this and realized that you know the cafe

820

00:35:07,080 --> 00:35:03,090

was being robbed

821

00:35:11,490 --> 00:35:07,090

yeah so they got together and actually

822

00:35:13,650 --> 00:35:11,500

herded us out and so we can so when he

823

00:35:16,050 --> 00:35:13,660

the kid got to the parking lot he called

824

00:35:19,710 --> 00:35:16,060

these guys again to tell them to get out

825

00:35:22,800 --> 00:35:19,720

of there and luckily you know the

826

00:35:24,420 --> 00:35:22,810

Bigfoot got us out of there in time you

827

00:35:26,610 --> 00:35:24,430

know maybe there is about seven thousand

828

00:35:28,890 --> 00:35:26,620

dollars worth of merchandise stolen but

829

00:35:31,890 --> 00:35:28,900

I had a lot of glass counters there in

830

00:35:33,180 --> 00:35:31,900

class shows and things yeah and you know

831

00:35:35,340 --> 00:35:33,190

they could have done a lot of

832

00:35:37,800 --> 00:35:35,350

destruction you know smashing my glass

833

00:35:42,090 --> 00:35:37,810

cases to get into jewelry and things

834

00:35:44,700 --> 00:35:42,100

like that so the Bigfoot actually did us

835

00:35:47,700 --> 00:35:44,710

a favor and saved my saved our cafe

836

00:35:50,070 --> 00:35:47,710

session that I was yeah I was amazing

837

00:35:52,860 --> 00:35:50,080

but I was so freaked over it well we had

838

00:35:55,740 --> 00:35:52,870

this one girl she was so Schiphol I was

839

00:35:57,540 --> 00:35:55,750

scared too you know when they cuz I mean

840

00:36:00,690 --> 00:35:57,550

when you got big rocks coming out of

841

00:36:02,610 --> 00:36:00,700

heart you know you know oh steadies the

842

00:36:04,770 --> 00:36:02,620

speed at you you know then they're

843

00:36:06,360 --> 00:36:04,780

whizzing by your head you know I mean if

844

00:36:08,760 --> 00:36:06,370

those rocks would hit anybody could have

845

00:36:10,080 --> 00:36:08,770

popped their head like watermelon so you

846

00:36:11,580 --> 00:36:10,090

know I'm really

847

00:36:14,130 --> 00:36:11,590

nervous over this I'm trying to get

848

00:36:16,440 --> 00:36:14,140

everybody off to safety but then the

849

00:36:18,720 --> 00:36:16,450

next day or the next time I went out

850

00:36:21,030 --> 00:36:18,730

there with Brad and another groom I made

851
00:36:26,790 --> 00:36:21,040
Brad go the store and buy hard hats for

852
00:36:29,670 --> 00:36:26,800
everybody party favor ones either but

853
00:36:32,250 --> 00:36:29,680
the real hard that's because I'm

854
00:36:35,280 --> 00:36:32,260
thinking because I'm thinking that they

855
00:36:38,790 --> 00:36:35,290
did this you know to save the store you

856
00:36:40,320 --> 00:36:38,800
know but again I could be wrong so I

857
00:36:42,120 --> 00:36:40,330
thought well you know there is no way

858
00:36:45,150 --> 00:36:42,130
I'm gonna take anybody out there you

859
00:36:46,980 --> 00:36:45,160
know unless they got hard hats and it

860
00:36:48,720 --> 00:36:46,990
was really comical for the first couple

861
00:36:49,950 --> 00:36:48,730
tours afterwards so you know I took

862
00:36:51,770 --> 00:36:49,960
pictures and you can see these people

863
00:36:54,210 --> 00:36:51,780

with heart health

864

00:36:55,650 --> 00:36:54,220

the Big Foot never did it again

865

00:36:57,750 --> 00:36:55,660

you know they went back to their normal

866

00:36:59,400 --> 00:36:57,760

thing of throwing little pebbles around

867

00:37:01,350 --> 00:36:59,410

us you know just let us know that they

868

00:37:04,280 --> 00:37:01,360

were there even though we're talking on

869

00:37:07,350 --> 00:37:04,290

the tree or making some you know noises

870

00:37:09,540 --> 00:37:07,360

you know it's so funny because for those

871

00:37:12,330 --> 00:37:09,550

who do not know but this is this is a

872

00:37:14,610 --> 00:37:12,340

Bigfoot thing they will throw rocks and

873

00:37:17,130 --> 00:37:14,620

I'll show real quick what happened to me

874

00:37:18,960 --> 00:37:17,140

with a Bigfoot I mean I was at this UFO

875

00:37:22,100 --> 00:37:18,970

conference in the Ozarks and I was there

876

00:37:24,900 --> 00:37:22,110

to speak on shadow people stuff and

877

00:37:27,450 --> 00:37:24,910

there is this lady who had a farm not

878

00:37:29,040 --> 00:37:27,460

too far away and and she's like oh I've

879

00:37:31,200 --> 00:37:29,050

got a lot of Bigfoot on my property and

880

00:37:33,180 --> 00:37:31,210

then they have babies and you know I'm

881

00:37:35,130 --> 00:37:33,190

like sure okay yeah you know you hear

882

00:37:36,240 --> 00:37:35,140

these stores like sure she said you know

883

00:37:38,730 --> 00:37:36,250

so she's like you want to come out and

884

00:37:40,500 --> 00:37:38,740

see and I have a lot of orbs and I mean

885

00:37:42,810 --> 00:37:40,510

so we go out there's really nice lady

886

00:37:44,010 --> 00:37:42,820

and and oh my goodness I've never seen

887

00:37:45,840 --> 00:37:44,020

so many orbs crowd and somebody's

888

00:37:47,610 --> 00:37:45,850

property before in my life she had a lot

889

00:37:50,700 --> 00:37:47,620

of activity and she had this little

890

00:37:52,530 --> 00:37:50,710

stream that went along her property and

891

00:37:53,940 --> 00:37:52,540

we're walking along and she's like you

892

00:37:55,890 --> 00:37:53,950

know if we and she's talking quietly

893

00:37:58,200 --> 00:37:55,900

she's like oh the the Bigfoots babies

894

00:38:00,510 --> 00:37:58,210

are over here and if we get too close

895

00:38:02,070 --> 00:38:00,520

they might throw a rock or two don't be

896

00:38:05,190 --> 00:38:02,080

nervous about it it won't here it won't

897

00:38:08,580 --> 00:38:05,200

hurt you or hit you we're like huh okay

898

00:38:10,170 --> 00:38:08,590

whatever walking along I'm the last in

899

00:38:13,830 --> 00:38:10,180

the group of people there's probably

900

00:38:17,490 --> 00:38:13,840

like seven eight of us and I'm not

901
00:38:21,210 --> 00:38:17,500
kidding you I'm walking and I had a

902
00:38:22,960 --> 00:38:21,220
boulder hurled into the water next to me

903
00:38:26,320 --> 00:38:22,970
I don't know where

904
00:38:28,930 --> 00:38:26,330
and I'm like what you know she is in the

905
00:38:31,750 --> 00:38:28,940
ladies just she stops you go oh gosh

906
00:38:33,700 --> 00:38:31,760
we're closed oh well we have to pick up

907
00:38:35,650 --> 00:38:33,710
the pace a little bit they're getting a

908
00:38:38,680 --> 00:38:35,660
little I'm like you said pebbles that

909
00:38:40,810 --> 00:38:38,690
was a boulder hurled at me where did it

910
00:38:42,610 --> 00:38:40,820
come from it's like where does it come

911
00:38:45,460 --> 00:38:42,620
I don't know where this rock came from

912
00:38:47,770 --> 00:38:45,470
and their aim is fantastic because man

913
00:38:50,110 --> 00:38:47,780

it landed right near my myself I mean

914

00:38:52,840 --> 00:38:50,120

just unbelievable but this is something

915

00:38:55,710 --> 00:38:52,850

they do to ward you off and apparently

916

00:38:59,740 --> 00:38:55,720

to help you prevent theft

917

00:39:02,380 --> 00:38:59,750

well we last year we I was taking some

918

00:39:06,010 --> 00:39:02,390

people up on Tori in the in the woods of

919

00:39:09,670 --> 00:39:06,020

Burlington and usually I take people up

920

00:39:11,980 --> 00:39:09,680

on Saturday as you know but this year or

921

00:39:13,630 --> 00:39:11,990

last year well I think it was last year

922

00:39:16,780 --> 00:39:13,640

yeah I'm pretty sure it was last year

923

00:39:18,520 --> 00:39:16,790

yeah I was but anyhow I these people

924

00:39:22,450 --> 00:39:18,530

could come in and they wanted to do a

925

00:39:24,250 --> 00:39:22,460

tour on Friday okay so now Bigfoot okay

926

00:39:25,780 --> 00:39:24,260

it's doing their thing because they know

927

00:39:28,450 --> 00:39:25,790

I don't have a too far going on right

928

00:39:30,850 --> 00:39:28,460

and when we got up into the woods we

929

00:39:32,860 --> 00:39:30,860

seen them and I have never seen this but

930

00:39:35,380 --> 00:39:32,870

that particular night there was all

931

00:39:39,040 --> 00:39:35,390

these Turtles out on the path they've

932

00:39:40,840 --> 00:39:39,050

been laying eggs and so anyhow that was

933

00:39:43,720 --> 00:39:40,850

kind of fun you know look looking for

934

00:39:45,100 --> 00:39:43,730

turtles but we went up and did her thing

935

00:39:49,810 --> 00:39:45,110

in the woods and we were coming back

936

00:39:52,570 --> 00:39:49,820

going down this hill and all of a sudden

937

00:39:56,590 --> 00:39:52,580

I had a big I think he had been at least

938

00:39:59,020 --> 00:39:56,600

ten foot big mail comes charging off the

939

00:40:04,000 --> 00:39:59,030

top of the hill down at us got about 20

940

00:40:06,310 --> 00:40:04,010

foot from me and he was yelling and some

941

00:40:09,910 --> 00:40:06,320

like those mountain eep's ha ha ha

942

00:40:11,440 --> 00:40:09,920

Lois anyhow he is screaming at me and he

943

00:40:14,740 --> 00:40:11,450

was running down that hill he was

944

00:40:17,170 --> 00:40:14,750

breaking trees and he got about 20 foot

945

00:40:20,310 --> 00:40:17,180

from me and then just stopped and

946

00:40:24,460 --> 00:40:20,320

stepped over into this a bunch of brush

947

00:40:27,550 --> 00:40:24,470

and disappeared and I mean I couldn't

948

00:40:29,590 --> 00:40:27,560

move Heidi I could not move he could

949

00:40:34,180 --> 00:40:29,600

have came all the way knocked me over

950

00:40:36,070 --> 00:40:34,190

and Ill was gross I was paralyzed and so

951

00:40:36,940 --> 00:40:36,080

a bunch of the group they said well

952

00:40:39,790 --> 00:40:36,950

let's go after

953

00:40:42,670 --> 00:40:39,800

and I says what I said I'm not going

954

00:40:44,320 --> 00:40:42,680

maybe we'll come on I said very honest

955

00:40:45,610 --> 00:40:44,330

key question he says yeah I said what

956

00:40:50,950 --> 00:40:45,620

the hell are you gonna do it this thing

957

00:40:53,320 --> 00:40:50,960

when you catch up yeah no luckily though

958

00:40:55,590 --> 00:40:53,330

he disappeared so he must have stepped

959

00:40:59,800 --> 00:40:55,600

into a dimensional portal that was there

960

00:41:01,570 --> 00:40:59,810

but but then we went up there was a

961

00:41:03,250 --> 00:41:01,580

bunch of the girls what they wanted to

962

00:41:04,870 --> 00:41:03,260

do is just hurry up get out of the woods

963

00:41:06,880 --> 00:41:04,880

they didn't want to walk with us anymore

964

00:41:09,430 --> 00:41:06,890

which was understandable so they took

965

00:41:11,590 --> 00:41:09,440

off ahead of us and all of a sudden

966

00:41:14,230 --> 00:41:11,600

we're hearing screams from them and

967

00:41:16,000 --> 00:41:14,240

they're running back they popov me over

968

00:41:19,240 --> 00:41:16,010

to get you know to where Brad was

969

00:41:22,300 --> 00:41:19,250

standing and if there was they had run

970

00:41:24,700 --> 00:41:22,310

into another small group of Bigfoot so I

971

00:41:27,460 --> 00:41:24,710

think what had happened that night was

972

00:41:29,260 --> 00:41:27,470

one they didn't know we were coming so

973

00:41:31,710 --> 00:41:29,270

and I think that they were - they were

974

00:41:36,250 --> 00:41:31,720

out there collecting those turtle eggs

975

00:41:38,500 --> 00:41:36,260

and so we got in between that group that

976

00:41:42,790 --> 00:41:38,510

pod or whatever you want to call them

977

00:41:45,220 --> 00:41:42,800

and so that male you know shaped right

978

00:41:46,450 --> 00:41:45,230

tried to chase us off you know to

979

00:41:49,600 --> 00:41:46,460

protect his family

980

00:41:52,000 --> 00:41:49,610

wow that's amazing you know get in the

981

00:41:54,460 --> 00:41:52,010

net yeah and then see it rained really

982

00:41:55,840 --> 00:41:54,470

good that night so you know the trail

983

00:41:58,600 --> 00:41:55,850

you know was muddy

984

00:42:00,850 --> 00:41:58,610

so I told everybody says we're just

985

00:42:03,430 --> 00:42:00,860

leaving now and I says tomorrow we'll

986

00:42:05,710 --> 00:42:03,440

come back so the next day we went back

987

00:42:07,750 --> 00:42:05,720

and there was a you know because I knew

988

00:42:11,500 --> 00:42:07,760

we'd be able to find you know evidence

989

00:42:13,660 --> 00:42:11,510

in the mud and so anyhow we went back

990

00:42:16,480 --> 00:42:13,670

there and just as you step on to the

991

00:42:19,330 --> 00:42:16,490

into the woods on the right-hand side of

992

00:42:21,730 --> 00:42:19,340

the path there was a beautiful big

993

00:42:25,330 --> 00:42:21,740

footprint showing the five toes the pole

994

00:42:28,090 --> 00:42:25,340

it was all so I don't know I'm not there

995

00:42:31,330 --> 00:42:28,100

let's see maybe about I don't know 18 to

996

00:42:33,850 --> 00:42:31,340

20 inches long in about I don't know 10

997

00:42:36,250 --> 00:42:33,860

inches wide something like that and

998

00:42:38,740 --> 00:42:36,260

anyhow it was a perfect print now so I

999

00:42:41,140 --> 00:42:38,750

took some pictures of it then we went up

1000

00:42:44,890 --> 00:42:41,150

there were you know that Bigfoot rushed

1001
00:42:47,440 --> 00:42:44,900
us and there was you could see where he

1002
00:42:48,490 --> 00:42:47,450
had he had been sitting up there you

1003
00:42:49,630 --> 00:42:48,500
know cuz there's whole bunch of leaves

1004
00:42:50,710 --> 00:42:49,640
up there in the woods

1005
00:42:53,500 --> 00:42:50,720
you could see where

1006
00:42:55,570 --> 00:42:53,510
but was head set down into those leaves

1007
00:42:58,540 --> 00:42:55,580
then you could see how the leaves were

1008
00:43:01,900 --> 00:42:58,550
disturbed as he ran down that hill plus

1009
00:43:04,270 --> 00:43:01,910
there was a book and we took pictures of

1010
00:43:05,589 --> 00:43:04,280
the trees that he snapped as he was

1011
00:43:09,520 --> 00:43:05,599
coming to off that hill

1012
00:43:12,339 --> 00:43:09,530
Wow why I was a close encounter but I

1013
00:43:15,760 --> 00:43:12,349

never had I'd never all the years I

1014

00:43:18,099 --> 00:43:15,770

think I've I've known about Bigfoot up

1015

00:43:20,470 --> 00:43:18,109

there I don't know maybe six seven years

1016

00:43:22,359 --> 00:43:20,480

you know but they've out but they've

1017

00:43:24,130 --> 00:43:22,369

never ever shown themselves you know

1018

00:43:27,310 --> 00:43:24,140

they've just thrown them you know the

1019

00:43:31,180 --> 00:43:27,320

nuts or you know or stones or something

1020

00:43:34,000 --> 00:43:31,190

like that I actually saw that is wild

1021

00:43:37,930 --> 00:43:34,010

you know i I've seen one once and it

1022

00:43:40,089 --> 00:43:37,940

wasn't outside I don't even know how do

1023

00:43:42,609 --> 00:43:40,099

I share did a few times on the show here

1024

00:43:44,530 --> 00:43:42,619

but I I saw it inside of somebody's home

1025

00:43:46,630 --> 00:43:44,540

I mean it's it's the craziest thing it

1026

00:43:49,480 --> 00:43:46,640

looked like cousin it and and it wasn't

1027

00:43:50,640 --> 00:43:49,490

that that tall it was really weird but

1028

00:43:52,690 --> 00:43:50,650

it let me know that they're definitely

1029

00:43:53,740 --> 00:43:52,700

interdimensional things and they could

1030

00:43:57,880 --> 00:43:53,750

come and go as they please and

1031

00:43:59,950 --> 00:43:57,890

apparently don't always need a door but

1032

00:44:01,780 --> 00:43:59,960

I have a question for you because I've

1033

00:44:04,359 --> 00:44:01,790

heard over the years some really

1034

00:44:07,150 --> 00:44:04,369

interesting perspectives from people

1035

00:44:11,650 --> 00:44:07,160

including some Bigfoot hunters that I

1036

00:44:13,570 --> 00:44:11,660

that I work with on another show just

1037

00:44:17,020 --> 00:44:13,580

you know I've heard Bigfoot being seen

1038

00:44:22,630 --> 00:44:17,030

next to UFOs and I've even heard some

1039

00:44:27,070 --> 00:44:22,640

people attribute them to raping their

1040

00:44:30,640 --> 00:44:27,080

cows I am Tony I mean really it's like

1041

00:44:33,040 --> 00:44:30,650

okay they're cow molesters and I've

1042

00:44:35,440 --> 00:44:33,050

heard them be called demons I mean what

1043

00:44:41,220 --> 00:44:35,450

do you think they are well have you ever

1044

00:44:44,470 --> 00:44:41,230

I think it's the earliest report a

1045

00:44:46,000 --> 00:44:44,480

Bigfoot what you can find right in the

1046

00:44:49,089 --> 00:44:46,010

Epic of Gilgamesh

1047

00:44:52,320 --> 00:44:49,099

the you know the Sumerian history yeah

1048

00:44:56,760 --> 00:44:52,330

and they called him inky do inky do

1049

00:45:02,260 --> 00:44:56,770

uh-huh he do and he was the friend of

1050

00:45:04,480 --> 00:45:02,270

the King Gilgamesh and they you know

1051

00:45:09,130 --> 00:45:04,490

they

1052

00:45:12,640 --> 00:45:09,140

happened the battle was lost or

1053

00:45:14,290 --> 00:45:12,650

something and the Enki do said that they

1054

00:45:17,770 --> 00:45:14,300

were going underground and they would

1055

00:45:20,290 --> 00:45:17,780

never live among people again and I

1056

00:45:23,680 --> 00:45:20,300

really do think well Enki do was

1057

00:45:26,650 --> 00:45:23,690

described as the wild hairy man of the

1058

00:45:30,790 --> 00:45:26,660

forest then he was job was to watch over

1059

00:45:34,270 --> 00:45:30,800

nature and and he was described you know

1060

00:45:36,910 --> 00:45:34,280

just how how we describe a Bigfoot today

1061

00:45:39,910 --> 00:45:36,920

you know with all that hair you know all

1062

00:45:42,490 --> 00:45:39,920

over their body and try think that I

1063

00:45:49,030 --> 00:45:42,500

think that if it's a type of a humanoid

1064

00:45:52,930 --> 00:45:49,040

that uh that they evolved right along

1065

00:45:55,870 --> 00:45:52,940

with the Adamic man and and they also

1066

00:45:59,350 --> 00:45:55,880

evolved or what the Giants because of

1067

00:46:02,350 --> 00:45:59,360

the Gilgamesh was a giant so you know I

1068

00:46:04,540 --> 00:46:02,360

think that the Yankee do or you the

1069

00:46:07,000 --> 00:46:04,550

Indians call the Enkidu the first people

1070

00:46:09,720 --> 00:46:07,010

and it's very very possible to be at

1071

00:46:12,370 --> 00:46:09,730

work and still are the first people

1072

00:46:14,740 --> 00:46:12,380

interesting I just found an article a

1073

00:46:16,300 --> 00:46:14,750

pretty interesting website about the

1074

00:46:17,830 --> 00:46:16,310

relationship between Gilgamesh and

1075

00:46:19,599 --> 00:46:17,840

Enkidu I'm gonna post it in the chat

1076

00:46:21,340 --> 00:46:19,609

room I'm always in a chatroom people if

1077

00:46:25,300 --> 00:46:21,350

you ever want to pop in there that's

1078

00:46:27,160 --> 00:46:25,310

interesting Wow oh that's what happens

1079

00:46:30,220 --> 00:46:27,170

with do you know you do a lot of

1080

00:46:32,770 --> 00:46:30,230

research right yeah you know this stuff

1081

00:46:34,270 --> 00:46:32,780

just comes to us you know I mean like I

1082

00:46:37,420 --> 00:46:34,280

said if I'm not out in the field and

1083

00:46:40,300 --> 00:46:37,430

write books I'm researching salt yeah I

1084

00:46:42,760 --> 00:46:40,310

was really glad to come up or found that

1085

00:46:45,670 --> 00:46:42,770

you know those characters of the epic of

1086

00:46:47,380 --> 00:46:45,680

gilgamesh because it is it to me and

1087

00:46:49,359 --> 00:46:47,390

I've even been thinking about when I

1088

00:46:51,460 --> 00:46:49,369

write about Bigfoot because I never did

1089

00:46:53,680 --> 00:46:51,470

like named Bigfoot I don't like hearing

1090

00:46:55,570 --> 00:46:53,690

man either so I think what I'm just

1091

00:46:58,510 --> 00:46:55,580

gonna start doing I've been kind of

1092

00:47:00,700 --> 00:46:58,520

tossing it around I think right now just

1093

00:47:02,650 --> 00:47:00,710

based off why I told you I think I'm

1094

00:47:03,040 --> 00:47:02,660

gonna start doing is calling them dinky

1095

00:47:05,320 --> 00:47:03,050

doo

1096

00:47:07,390 --> 00:47:05,330

that's a good one yeah I have a question

1097

00:47:11,190 --> 00:47:07,400

here from the chatroom from Lorraine

1098

00:47:13,780 --> 00:47:11,200

she's asking how tall do you suspect

1099

00:47:16,510 --> 00:47:13,790

Bigfoot to usually be how big was the

1100

00:47:17,930 --> 00:47:16,520

one you saw well the one I saw was about

1101

00:47:20,299 --> 00:47:17,940

ten foot

1102

00:47:23,660 --> 00:47:20,309

oh I would not go look over that mother

1103

00:47:26,990 --> 00:47:23,670

he was proportioned accordingly you know

1104

00:47:30,170 --> 00:47:27,000

he was a big boy you know you got to

1105

00:47:34,220 --> 00:47:30,180

remember that you know that they have

1106

00:47:37,279 --> 00:47:34,230

babies you know yeah what 2 foot 3 foot

1107

00:47:39,890 --> 00:47:37,289

tall and then they grow into toddlers

1108

00:47:43,099 --> 00:47:39,900

and they grow into young adulthood you

1109

00:47:46,190 --> 00:47:43,109

know so they could be maybe 12 foot but

1110

00:47:49,609 --> 00:47:46,200

you know or maybe even taller but it

1111

00:47:51,859 --> 00:47:49,619

wouldn't be that unreasonable to assume

1112

00:47:54,200 --> 00:47:51,869

that you know you're also gonna see

1113

00:47:56,420 --> 00:47:54,210

Bigfoot out there there's only five foot

1114

00:48:00,380 --> 00:47:56,430

if they're you know if they're a young

1115

00:48:03,049 --> 00:48:00,390

one you know they're still growing but I

1116

00:48:04,880 --> 00:48:03,059

think that the standard size would

1117

00:48:08,329 --> 00:48:04,890

probably be anywhere between 10 and 12

1118

00:48:10,960 --> 00:48:08,339

foot what do you think Heidi you know I

1119

00:48:15,319 --> 00:48:10,970

I haven't the one that I saw was

1120

00:48:17,150 --> 00:48:15,329

probably five five yeah so it was a it

1121

00:48:19,460 --> 00:48:17,160

was probably a young one you know a

1122

00:48:20,960 --> 00:48:19,470

teenager so yeah that have wandered into

1123

00:48:22,760 --> 00:48:20,970

this lady's house she felt like her

1124

00:48:26,720 --> 00:48:22,770

house was haunted was her apartment

1125

00:48:28,339 --> 00:48:26,730

actually and it's for some reason people

1126

00:48:29,779 --> 00:48:28,349

think if you're involved in this stuff

1127

00:48:32,089 --> 00:48:29,789

that you're automatically psychic I'm

1128

00:48:33,980 --> 00:48:32,099

not maybe a little sensitive to seeing

1129

00:48:38,299 --> 00:48:33,990

and feeling stuff but I don't I don't

1130

00:48:40,069 --> 00:48:38,309

use it to help in that sense but I'm

1131

00:48:41,329 --> 00:48:40,079

sorry she invited me to go over or hang

1132

00:48:42,740 --> 00:48:41,339

out at her place and I'm sitting there

1133

00:48:45,380 --> 00:48:42,750

hanging with one of my friends and we

1134

00:48:48,890 --> 00:48:45,390

both saw this thing manifest in her

1135

00:48:50,240 --> 00:48:48,900

kitchen I jumped up screaming Bigfoot my

1136

00:48:53,690 --> 00:48:50,250

friend jumped up at the same time

1137

00:48:55,430 --> 00:48:53,700

screaming werewolf and it just shimmied

1138

00:48:57,710 --> 00:48:55,440

out of right before our eyes just

1139

00:49:01,760 --> 00:48:57,720

shimmied out of our sight I'm like what

1140

00:49:03,620 --> 00:49:01,770

there's a Bigfoot loosen your apartment

1141

00:49:06,289 --> 00:49:03,630

and maybe the little guy got away from

1142

00:49:08,990 --> 00:49:06,299

mom and dad's watchful gaze or something

1143

00:49:13,220 --> 00:49:09,000

I don't know it was weird yeah I know

1144

00:49:15,769 --> 00:49:13,230

dumb when I lived in Burlington before I

1145

00:49:17,690 --> 00:49:15,779

had a site by cafe I had that other

1146

00:49:21,049 --> 00:49:17,700

little building across the street do you

1147

00:49:23,450 --> 00:49:21,059

remember that yeah so anyhow I'm down

1148

00:49:26,390 --> 00:49:23,460

there and I'm doing some research in my

1149

00:49:28,960 --> 00:49:26,400

office and this woman calls me she was

1150

00:49:31,850 --> 00:49:28,970

some sort of a psychic from Canada a

1151

00:49:34,670 --> 00:49:31,860

healer and she's close

1152

00:49:36,710 --> 00:49:34,680

Mindi goal and so anyhow she called me

1153

00:49:38,450 --> 00:49:36,720

and she says Mary she says I feel that

1154

00:49:40,190 --> 00:49:38,460

you're out of balaam she says would you

1155

00:49:44,390 --> 00:49:40,200

mind if I worked on you on the table and

1156

00:49:47,240 --> 00:49:44,400

I says no go for it so anyhow here I'm

1157

00:49:49,430 --> 00:49:47,250

standing with the telephone and she's

1158

00:49:52,790 --> 00:49:49,440

having me go that through the ohms in

1159

00:49:55,100 --> 00:49:52,800

the ohms and you know and adjusting

1160

00:49:57,230 --> 00:49:55,110

myself you know doing some yoga type you

1161

00:49:59,630 --> 00:49:57,240

know stances and things like that and

1162

00:50:03,800 --> 00:49:59,640

the next thing I know I look up and

1163

00:50:07,280 --> 00:50:03,810

there's this great alien about five what

1164

00:50:12,170 --> 00:50:07,290

for and I'm he totally physical standing

1165

00:50:15,320 --> 00:50:12,180

uh vote oh I don't know about 20 maybe

1166

00:50:17,810 --> 00:50:15,330

you know about 20 foot from me he seemed

1167

00:50:19,340 --> 00:50:17,820

like he was standing in like a circle

1168

00:50:22,400 --> 00:50:19,350

because I notice that he kept his feet

1169

00:50:25,250 --> 00:50:22,410

very still you know and you know not to

1170

00:50:27,170 --> 00:50:25,260

step out of that circle but his body you

1171

00:50:29,690 --> 00:50:27,180

know he twisted and he turned it and he

1172

00:50:31,130 --> 00:50:29,700

was looking at me because he couldn't

1173

00:50:33,590 --> 00:50:31,140

share what was being said on the other

1174

00:50:34,280 --> 00:50:33,600

side you know on the on the other side

1175

00:50:36,770 --> 00:50:34,290

of the phone

1176

00:50:40,190 --> 00:50:36,780

the other conversation all I could see

1177

00:50:42,770 --> 00:50:40,200

was me standing there you know gyrating

1178

00:50:45,340 --> 00:50:42,780

you know and he and it was he was so

1179

00:50:48,950 --> 00:50:45,350

curious I think what he did is he

1180

00:50:50,750 --> 00:50:48,960

dropped his attention you know because I

1181

00:50:53,630 --> 00:50:50,760

think what they do is they create like a

1182

00:50:58,040 --> 00:50:53,640

cloud of invisibility and they do this

1183

00:51:00,170 --> 00:50:58,050

by using their mind you know and as long

1184

00:51:02,960 --> 00:51:00,180

as they could stay focused they can keep

1185

00:51:05,990 --> 00:51:02,970

this cloud of invisibility up but you

1186

00:51:07,220 --> 00:51:06,000

see when he see me doing this cuz

1187

00:51:09,680 --> 00:51:07,230

apparently he had been in there

1188

00:51:12,740 --> 00:51:09,690

observing me and but when he seen me

1189

00:51:14,090 --> 00:51:12,750

doing all this crazy motions and all you

1190

00:51:17,600 --> 00:51:14,100

know I'm the omens in the ohms

1191

00:51:21,110 --> 00:51:17,610

he got so curious he dropped his focus

1192

00:51:24,410 --> 00:51:21,120

on keeping up that shield it dropped and

1193

00:51:26,180 --> 00:51:24,420

there he stood so I said to the woman I

1194

00:51:29,210 --> 00:51:26,190

said you not gonna believe this but I

1195

00:51:30,140 --> 00:51:29,220

says I got an alien standing looking at

1196

00:51:32,180 --> 00:51:30,150

right now

1197

00:51:33,890 --> 00:51:32,190

she's wild you owe me send it to the

1198

00:51:35,750 --> 00:51:33,900

other realm or something because I think

1199

00:51:39,290 --> 00:51:35,760

she probably didn't even believe me tell

1200

00:51:42,680 --> 00:51:39,300

you true but I says no I says he's fine

1201
00:51:45,470 --> 00:51:42,690
and the thing was about it Heidi is

1202
00:51:47,180 --> 00:51:45,480
usually you know we're talking about

1203
00:51:48,500 --> 00:51:47,190
three o'clock in the morning here and

1204
00:51:51,470 --> 00:51:48,510
I'm down there by myself

1205
00:51:53,780 --> 00:51:51,480
and this alien standing there you know

1206
00:51:58,130 --> 00:51:53,790
and usually I would have flipped out

1207
00:52:01,099 --> 00:51:58,140
over this you know but for some reason

1208
00:52:04,130 --> 00:52:01,109
my camera I just felt that he was just

1209
00:52:06,290 --> 00:52:04,140
the cutest little guy I ever seen yeah I

1210
00:52:08,300 --> 00:52:06,300
don't care whatsoever well but we gonna

1211
00:52:11,090 --> 00:52:08,310
get to our next break here but I'd hate

1212
00:52:13,970 --> 00:52:11,100
to cut you off but I think it would my

1213
00:52:16,190 --> 00:52:13,980

bladder right there but I just see this

1214

00:52:18,770 --> 00:52:16,200

masseuse you realize I saw him just in a

1215

00:52:20,359 --> 00:52:18,780

blink of an eye he was gone amazing and

1216

00:52:22,280 --> 00:52:20,369

my bladder would have dropped still so

1217

00:52:23,780 --> 00:52:22,290

you guys are listed to me anyhow the

1218

00:52:26,300 --> 00:52:23,790

love this stuff I mean Mary I always

1250

00:53:45,050 --> 00:53:42,750

tell people if I could do this in my

1251
00:53:52,580 --> 00:53:45,060
sleep I would I probably do for all I

1252
00:53:54,380 --> 00:53:52,590
know you know some days you wake up and

1253
00:53:56,570 --> 00:53:54,390
you're just so exhausted

1254
00:53:58,580 --> 00:53:56,580
you shouldn't be exhausted after eight

1255
00:54:00,500 --> 00:53:58,590
hours sleep those are the

1256
00:54:02,630 --> 00:54:00,510
I know I've been working honestly I'm

1257
00:54:04,970 --> 00:54:02,640
honestly through my sleep and it's a

1258
00:54:07,640 --> 00:54:04,980
strange thing to say but you know

1259
00:54:10,760 --> 00:54:07,650
there's another process that's going on

1260
00:54:13,130 --> 00:54:10,770
sometimes and yeah it happens and it's

1261
00:54:15,320 --> 00:54:13,140
just it's very interesting when it does

1262
00:54:18,080 --> 00:54:15,330
but so I have some questions for you

1263
00:54:20,720 --> 00:54:18,090

because you you cover so many topics and

1264

00:54:24,530 --> 00:54:20,730

I have to say I've always wanted to do a

1265

00:54:28,040 --> 00:54:24,540

book or research on giants I think the

1266

00:54:30,050 --> 00:54:28,050

topic is so fascinating because there be

1267

00:54:31,310 --> 00:54:30,060

giants in them there hills I mean this

1268

00:54:33,740 --> 00:54:31,320

stuff has been they've been around

1269

00:54:35,870 --> 00:54:33,750

they've been documented I mean this is

1270

00:54:38,120 --> 00:54:35,880

just a fact of nature and the rows of

1271

00:54:40,070 --> 00:54:38,130

teeth that some of them have and I mean

1272

00:54:42,560 --> 00:54:40,080

there's there's bones that are that are

1273

00:54:44,390 --> 00:54:42,570

hidden in the Smithsonian of giants that

1274

00:54:46,610 --> 00:54:44,400

have been recovered and you know it's

1275

00:54:49,430 --> 00:54:46,620

it's just crazy so I want to hear about

1276

00:54:52,910 --> 00:54:49,440

the red hair giants the the work that

1277

00:54:55,880 --> 00:54:52,920

you've done so passionately well I

1278

00:54:58,520 --> 00:54:55,890

remember when well it's like with you in

1279

00:55:01,100 --> 00:54:58,530

the shadow people you know well is it 12

1280

00:55:04,400 --> 00:55:01,110

years ago I'm talking about red haired

1281

00:55:06,320 --> 00:55:04,410

raises the red-haired race of giants and

1282

00:55:08,870 --> 00:55:06,330

all the researchers are rolling their

1283

00:55:11,690 --> 00:55:08,880

eyes saying Mary's gone nuts you know I

1284

00:55:14,180 --> 00:55:11,700

mean how dare her even bring up the idea

1285

00:55:16,700 --> 00:55:14,190

that there's such a race you know and

1286

00:55:19,670 --> 00:55:16,710

and you know I stuck to my guns because

1287

00:55:21,110 --> 00:55:19,680

I really believed in it and that's

1288

00:55:22,670 --> 00:55:21,120

something you research has got to

1289

00:55:24,320 --> 00:55:22,680

realize if you really believe in

1290

00:55:25,910 --> 00:55:24,330

something you got the passion for it

1291

00:55:29,180 --> 00:55:25,920

doesn't make any difference what anybody

1292

00:55:32,270 --> 00:55:29,190

else has to say go for it right I did it

1293

00:55:34,790 --> 00:55:32,280

Heidi did it and you know and now you

1294

00:55:36,670 --> 00:55:34,800

type in red-haired race or red-haired

1295

00:55:40,160 --> 00:55:36,680

Giants and you have over a million

1296

00:55:42,620 --> 00:55:40,170

millions of websites you know mentioning

1297

00:55:45,290 --> 00:55:42,630

the red-haired Giants and now we have

1298

00:55:49,460 --> 00:55:45,300

other authors out there writing about it

1299

00:55:52,310 --> 00:55:49,470

I think on earthing what is that called

1300

00:55:56,690 --> 00:55:52,320

unearthing America I think he's done

1301
00:56:00,140 --> 00:55:56,700
something on on the Giants as well but

1302
00:56:02,270 --> 00:56:00,150
I'm but most of what you're seeing you

1303
00:56:06,800 --> 00:56:02,280
know in other books is there still and

1304
00:56:09,230 --> 00:56:06,810
approve out Giants and on my book I

1305
00:56:12,410 --> 00:56:09,240
proved out the Giants but I took it

1306
00:56:14,930 --> 00:56:12,420
further because I wanted people to

1307
00:56:17,840 --> 00:56:14,940
know who they were what their traditions

1308
00:56:23,510 --> 00:56:17,850
were how did the how did they come to be

1309
00:56:28,160 --> 00:56:23,520
here in North America how why the hows

1310
00:56:30,620 --> 00:56:28,170
and whys of their extermination tel and

1311
00:56:33,320 --> 00:56:30,630
then showing that these people how they

1312
00:56:36,560 --> 00:56:33,330
you know they started downsizing in size

1313
00:56:37,190 --> 00:56:36,570

and and they became the the Toltecs that

1314

00:56:39,980 --> 00:56:37,200

we know of

1315

00:56:43,820 --> 00:56:39,990

they were the precursors of the the

1316

00:56:46,610 --> 00:56:43,830

Aztec and the Mayans you know and so

1317

00:56:50,810 --> 00:56:46,620

basically this is what I wanted to do is

1318

00:56:54,860 --> 00:56:50,820

let the people I know the evidence is

1319

00:56:58,460 --> 00:56:54,870

there to prove they exist but my job is

1320

00:57:01,520 --> 00:56:58,470

now to teach people who these people

1321

00:57:04,490 --> 00:57:01,530

were you know there were some good guys

1322

00:57:07,070 --> 00:57:04,500

and there was some bad guys and even in

1323

00:57:10,030 --> 00:57:07,080

my book I showed that even Noah was a

1324

00:57:13,550 --> 00:57:10,040

giant people and that during that time

1325

00:57:15,710 --> 00:57:13,560

era of a different size the earth would

1326

00:57:20,600 --> 00:57:15,720

look very very different than it looks

1327

00:57:23,300 --> 00:57:20,610

today you know and I through geology

1328

00:57:27,470 --> 00:57:23,310

reports I was able to show that after

1329

00:57:30,650 --> 00:57:27,480

the flood that the first dry land

1330

00:57:33,200 --> 00:57:30,660

according to geology reports the first

1331

00:57:35,030 --> 00:57:33,210

trial and when Europe was underwater and

1332

00:57:37,490 --> 00:57:35,040

all the rest of Earth was in underwater

1333

00:57:41,150 --> 00:57:37,500

the first dry land was right here in

1334

00:57:45,410 --> 00:57:41,160

North America you know so if this is the

1335

00:57:48,380 --> 00:57:45,420

first dry land the the nude the the the

1336

00:57:51,470 --> 00:57:48,390

people you know that came to be that we

1337

00:57:54,020 --> 00:57:51,480

know now or you know slightly in the

1338

00:57:57,400 --> 00:57:54,030

past they had to have started right here

1339

00:58:00,170 --> 00:57:57,410

in North America been migrated outwards

1340

00:58:03,650 --> 00:58:00,180

everybody else is saying migration came

1341

00:58:06,860 --> 00:58:03,660

from outside the North America then came

1342

00:58:11,090 --> 00:58:06,870

here to North America and in my book I

1343

00:58:13,760 --> 00:58:11,100

give scientific data of the truth that

1344

00:58:16,010 --> 00:58:13,770

there is more than enough reports out

1345

00:58:18,980 --> 00:58:16,020

there geology reports anthropology

1346

00:58:21,620 --> 00:58:18,990

reports you name it it bets show that

1347

00:58:23,510 --> 00:58:21,630

these people these jut the home of the

1348

00:58:25,870 --> 00:58:23,520

Giants was right here in North America

1349

00:58:28,270 --> 00:58:25,880

you know so amazing it

1350

00:58:30,970 --> 00:58:28,280

it's been an interesting voyage for me

1351
00:58:33,460 --> 00:58:30,980
trying to prove out this because you

1352
00:58:36,160 --> 00:58:33,470
know I'm I'm going against what

1353
00:58:37,450 --> 00:58:36,170
everybody else is saying you know that's

1354
00:58:38,320 --> 00:58:37,460
why you gotta be like you said you

1355
00:58:40,090 --> 00:58:38,330
believe in that game

1356
00:58:42,150 --> 00:58:40,100
you know you roll with it the evidence

1357
00:58:45,370 --> 00:58:42,160
is there though I did not know that

1358
00:58:47,530 --> 00:58:45,380
about Noah but my goodness how did this

1359
00:58:52,600 --> 00:58:47,540
man hurt these animals I maybe he just

1360
00:58:57,220 --> 00:58:52,610
grabbed him Russell demand it was I'm

1361
00:59:00,610 --> 00:58:57,230
thinking it was DNA because if you go

1362
00:59:03,430 --> 00:59:00,620
back into the you know ancient Egypt

1363
00:59:07,120 --> 00:59:03,440

you'll find inscriptions on their walls

1364

00:59:12,430 --> 00:59:07,130

you know in their temples of helicopters

1365

00:59:15,310 --> 00:59:12,440

fighter planes submarines you know they

1366

00:59:17,110 --> 00:59:15,320

had technology in those days and even in

1367

00:59:19,810 --> 00:59:17,120

my book thread here Giants I talked

1368

00:59:23,440 --> 00:59:19,820

about the Vimanas the flying machines of

1369

00:59:26,110 --> 00:59:23,450

the Giants you know of you know that

1370

00:59:29,710 --> 00:59:26,120

there the mahabharata talks about you

1371

00:59:33,300 --> 00:59:29,720

know the ancient vedic texts but it's

1372

00:59:36,040 --> 00:59:33,310

you know so we know even in cording to

1373

00:59:39,250 --> 00:59:36,050

ancient egypt that they're they were

1374

00:59:42,970 --> 00:59:39,260

already doing things that were just now

1375

00:59:47,560 --> 00:59:42,980

discovering so you know i'm pretty sure

1376

00:59:50,320 --> 00:59:47,570

that they had they understood DNA and I

1377

00:59:53,350 --> 00:59:50,330

think that the animals in pairs were

1378

00:59:56,140 --> 00:59:53,360

actually sent the DNA samples of all

1379

00:59:58,300 --> 00:59:56,150

these different animals and birds that's

1380

01:00:01,540 --> 00:59:58,310

a lot easier to take in a boat that's

1381

01:00:03,910 --> 01:00:01,550

for sure yeah a little swab you're there

1382

01:00:06,130 --> 01:00:03,920

and you know I've heard that number

1383

01:00:08,680 --> 01:00:06,140

I can't remember where it is now Heidi

1384

01:00:10,480 --> 01:00:08,690

but I know that our government or maybe

1385

01:00:12,100 --> 01:00:10,490

it's even the governments of the world I

1386

01:00:14,110 --> 01:00:12,110

think it's up and I don't know

1387

01:00:17,380 --> 01:00:14,120

Antarctica or some darn place like that

1388

01:00:21,460 --> 01:00:17,390

but they have a facility that they're

1389

01:00:23,950 --> 01:00:21,470

already collecting DNA samples and know

1390

01:00:25,660 --> 01:00:23,960

that they've got an ark of a sort yes

1391

01:00:28,120 --> 01:00:25,670

yeah they've out they've been doing this

1392

01:00:29,080 --> 01:00:28,130

for years you know another thing that

1393

01:00:32,170 --> 01:00:29,090

I've heard though from a lot of

1394

01:00:34,030 --> 01:00:32,180

experiences of the alien sort of the

1395

01:00:36,100 --> 01:00:34,040

more positive alien beings that you know

1396

01:00:37,780 --> 01:00:36,110

people think everything is abductions

1397

01:00:39,849 --> 01:00:37,790

but there are some good guys out there

1398

01:00:42,519 --> 01:00:39,859

that go around

1399

01:00:44,470 --> 01:00:42,529

collecting the DNA and different samples

1400

01:00:46,779 --> 01:00:44,480

of different plant life and whatnot and

1401

01:00:49,479 --> 01:00:46,789

and they pass along the message to those

1402

01:00:51,400 --> 01:00:49,489

that spot them out that well you know

1403

01:00:52,720 --> 01:00:51,410

your earth is going to be destroyed some

1404

01:00:54,700 --> 01:00:52,730

point and we're trying to you know

1405

01:00:56,890 --> 01:00:54,710

collect things so there it doesn't

1406

01:00:59,289 --> 01:00:56,900

become extinct essentially so like

1407

01:01:01,299 --> 01:00:59,299

there's an arc of a sort from an alien

1408

01:01:04,900 --> 01:01:01,309

perspective so so yeah that's

1409

01:01:07,359 --> 01:01:04,910

fascinating yeah I it makes sense

1410

01:01:10,720 --> 01:01:07,369

doesn't it Heidi it does because we're

1411

01:01:12,849 --> 01:01:10,730

sure doing a heck next job of keeping

1412

01:01:13,979 --> 01:01:12,859

things together here on this planet we

1413

01:01:20,130 --> 01:01:13,989

need a little help

1414

01:01:22,870 --> 01:01:20,140

well I I don't like saying we you know

1415

01:01:25,960 --> 01:01:22,880

there's this out there's a source

1416

01:01:29,529 --> 01:01:25,970

outside of us you know the I call the

1417

01:01:32,470 --> 01:01:29,539

controllers you know they like they work

1418

01:01:34,630 --> 01:01:32,480

for somebody I you know that is in the

1419

01:01:37,180 --> 01:01:34,640

shadows whether it be the reptilians or

1420

01:01:40,989 --> 01:01:37,190

not I don't know but they're working for

1421

01:01:43,690 --> 01:01:40,999

some higher power as not of God do you

1422

01:01:45,940 --> 01:01:43,700

know what I attribute in my book the

1423

01:01:48,489 --> 01:01:45,950

secret war as the shadow people doing

1424

01:01:51,069 --> 01:01:48,499

because I mean who would be hell-bent on

1425

01:01:53,589 --> 01:01:51,079

destroying themselves on purpose it's

1426

01:01:54,880 --> 01:01:53,599

not us it is a negative influence and

1427

01:01:56,710 --> 01:01:54,890

it's a strange thing to say the devil

1428

01:01:58,509 --> 01:01:56,720

made me do it but you know what

1429

01:02:01,420 --> 01:01:58,519

sometimes there's a little something to

1430

01:02:03,249 --> 01:02:01,430

that but there is there's something

1431

01:02:06,249 --> 01:02:03,259

pulling people's strings why they choose

1432

01:02:08,170 --> 01:02:06,259

a instead of B yeah I totally believe

1433

01:02:11,499 --> 01:02:08,180

that our consciousness right at this

1434

01:02:14,559 --> 01:02:11,509

point of time is being taken over by an

1435

01:02:18,339 --> 01:02:14,569

outside source what that outside source

1436

01:02:20,859 --> 01:02:18,349

is alien or not I don't know these

1437

01:02:23,849 --> 01:02:20,869

reptilians may not be alien they could

1438

01:02:27,220 --> 01:02:23,859

be earth born you know just like the

1439

01:02:29,890 --> 01:02:27,230

just like the let's call the Enkidu or

1440

01:02:33,069 --> 01:02:29,900

the Bigfoot you know they could be a

1441

01:02:35,829 --> 01:02:33,079

species that evolved from the reptiles

1442

01:02:39,249 --> 01:02:35,839

you know during the days of dinosaur you

1443

01:02:41,380 --> 01:02:39,259

know you know we're discovering all

1444

01:02:44,229 --> 01:02:41,390

these different Hammad's you know I mean

1445

01:02:48,039 --> 01:02:44,239

look at your merpeople you know I mean

1446

01:02:51,579 --> 01:02:48,049

so it could be some sort of book I'm

1447

01:02:53,760 --> 01:02:51,589

thinking it's a what whatever it is it's

1448

01:02:55,800 --> 01:02:53,770

cold blooded

1449

01:02:57,810 --> 01:02:55,810

yeah oh and yeah just why there's been

1450

01:02:59,760 --> 01:02:57,820

governments around the world trying to

1451

01:03:04,260 --> 01:02:59,770

destroy the rainforests and things like

1452

01:03:08,400 --> 01:03:04,270

that to build up heat you know because

1453

01:03:11,970 --> 01:03:08,410

you know and decrease oxygen because

1454

01:03:15,270 --> 01:03:11,980

they're preparing for another type of a

1455

01:03:17,910 --> 01:03:15,280

species that that the oxygen or the

1456

01:03:21,150 --> 01:03:17,920

environment here on earth would be more

1457

01:03:25,470 --> 01:03:21,160

adaptable to them not for us but for

1458

01:03:28,620 --> 01:03:25,480

them exactly exactly you know it oh my

1459

01:03:30,510 --> 01:03:28,630

gosh the strings run deep let's put it

1460

01:03:32,550 --> 01:03:30,520

that way you know I wanted to get on to

1461

01:03:34,410 --> 01:03:32,560

you you were involved in so many

1462

01:03:36,900 --> 01:03:34,420

different things and something that is

1463

01:03:40,380 --> 01:03:36,910

truly fascinating that right there in

1464

01:03:43,320 --> 01:03:40,390

the heartland Rock Lake and Wisconsin

1465

01:03:44,880 --> 01:03:43,330

I mean tell us a little bit about Rock

1466

01:03:46,770 --> 01:03:44,890

Lake and what's going on there because a

1467

01:03:51,120 --> 01:03:46,780

lot of people are not very familiar with

1468

01:03:53,970 --> 01:03:51,130

this little finding the geologists that

1469

01:03:58,320 --> 01:03:53,980

hit bomb pit well we were out there one

1470

01:04:00,450 --> 01:03:58,330

time and this guy who works for the DNR

1471

01:04:02,940 --> 01:04:00,460

he comes out because we're not a pontoon

1472

01:04:05,370 --> 01:04:02,950

right in anyhow he comes out with one of

1473

01:04:08,100 --> 01:04:05,380

those little ski boats or whatever and

1474

01:04:09,510 --> 01:04:08,110

wasn't know what we're doing and trying

1475

01:04:12,210 --> 01:04:09,520

to find an excuse to give us a few

1476

01:04:13,770 --> 01:04:12,220

tickets right and so anyhow we told them

1477

01:04:17,670 --> 01:04:13,780

that we're looking for underwater

1478

01:04:19,980 --> 01:04:17,680

structures and now if people watch

1479

01:04:22,290 --> 01:04:19,990

documentaries on TV they're still

1480

01:04:25,680 --> 01:04:22,300

arguing over the point of one pyramid

1481

01:04:27,960 --> 01:04:25,690

but this guy he says let me show you

1482

01:04:30,330 --> 01:04:27,970

something so he goes back to shore

1483

01:04:32,670 --> 01:04:30,340

gets in his car comes back out and guilt

1484

01:04:35,280 --> 01:04:32,680

shows us this map to DNR had put

1485

01:04:39,120 --> 01:04:35,290

together and he says we have discovered

1486

01:04:41,040 --> 01:04:39,130

over 1,100 structures and he showed us

1487

01:04:42,990 --> 01:04:41,050

the map and pointed to them he says

1488

01:04:46,770 --> 01:04:43,000

there's there's you can look here here

1489

01:04:48,780 --> 01:04:46,780

here here here there and so we want a l

1490

01:04:50,370 --> 01:04:48,790

asked nice as well is there a chance we

1491

01:04:52,230 --> 01:04:50,380

could have a copy of it of course I got

1492

01:04:54,840 --> 01:04:52,240

back a snicker and say no this is for

1493

01:04:57,930 --> 01:04:54,850

our eyes only but he says this is what

1494

01:05:00,090 --> 01:04:57,940

you got and so he had suggested you know

1495

01:05:02,160 --> 01:05:00,100

that we go to this one spot you know and

1496

01:05:03,990 --> 01:05:02,170

go and take take a look but we decided

1497

01:05:05,830 --> 01:05:04,000

since he pointed one direction we're

1498

01:05:08,230 --> 01:05:05,840

gonna go another direction

1499

01:05:09,490 --> 01:05:08,240

and of course we had our scuba diving

1500

01:05:12,160 --> 01:05:09,500

equipment and everything but we were

1501

01:05:14,950 --> 01:05:12,170

just about out of oxygen because we've

1502

01:05:17,470 --> 01:05:14,960

been out there for some time and so

1503

01:05:20,980 --> 01:05:17,480

anyhow we got but we had an underwater

1504

01:05:23,380 --> 01:05:20,990

cameras at the end of the day and we had

1505

01:05:25,390 --> 01:05:23,390

this underwater camera and we're kind of

1506

01:05:27,930 --> 01:05:25,400

just sitting back watching the you know

1507

01:05:31,900 --> 01:05:27,940

what you know watching the monitor and

1508

01:05:35,710 --> 01:05:31,910

the camera gets up against something and

1509

01:05:37,570 --> 01:05:35,720

we look at it and bounced off hit it

1510

01:05:39,940 --> 01:05:37,580

again and we pulled back the camera a

1511

01:05:43,770 --> 01:05:39,950

little bit so we get a full view it was

1512

01:05:49,120 --> 01:05:43,780

Heidi I kid you not it was a black

1513

01:05:53,410 --> 01:05:49,130

obsidian type pyramid and the capstone

1514

01:05:54,910 --> 01:05:53,420

had gold engraving on it and I know I

1515

01:05:57,760 --> 01:05:54,920

have been something like obsidian

1516

01:06:01,270 --> 01:05:57,770

because it there was no algae growing on

1517

01:06:03,160 --> 01:06:01,280

it it was like glass oh my gosh give me

1518

01:06:04,630 --> 01:06:03,170

one second MJ are you seeing this that

1519

01:06:10,480 --> 01:06:04,640

they're having issues and hearing this

1520

01:06:13,329 --> 01:06:10,490

show he's gonna fix it I hope I think I

1521

01:06:14,589 --> 01:06:13,339

can turn my uh oh no you're fine no

1522

01:06:18,010 --> 01:06:14,599

there's there's something else that's

1523

01:06:19,440 --> 01:06:18,020

going on so let's see if we can get oh I

1524

01:06:22,839 --> 01:06:19,450

know what it is

1525

01:06:26,650 --> 01:06:22,849

remind me no no oh no you're fine

1526

01:06:28,030 --> 01:06:26,660

no you're fine no it's not I can mute no

1527

01:06:32,620 --> 01:06:28,040

you're good you're good

1528

01:06:34,960 --> 01:06:32,630

give me two seconds but I had my mic on

1529

01:06:35,980 --> 01:06:34,970

mute and I don't know how long no no I

1530

01:06:38,650 --> 01:06:35,990

could hear you just fine

1531

01:06:40,599 --> 01:06:38,660

I know but could they yes they can hear

1532

01:06:42,670 --> 01:06:40,609

you just fine yeah no it's nothing on

1533

01:06:45,400 --> 01:06:42,680

your end at all or just trying to fix up

1534

01:06:48,089 --> 01:06:45,410

something here alright so um no it's

1535

01:06:50,770 --> 01:06:48,099

it's it's really really interesting oh

1536

01:06:52,960 --> 01:06:50,780

let me tell you the whole story so okay

1537

01:06:54,220 --> 01:06:52,970

he found this underwater pyramid and

1538

01:06:57,190 --> 01:06:54,230

they know that it had been something

1539

01:06:59,320 --> 01:06:57,200

like glass because or had been something

1540

01:07:03,040 --> 01:06:59,330

like obsidian because algae wasn't even

1541

01:07:04,990 --> 01:07:03,050

growing on it and anyhow we took

1542

01:07:07,390 --> 01:07:05,000

pictures of it there was about oh I

1543

01:07:10,990 --> 01:07:07,400

don't know maybe eight nine of us that

1544

01:07:13,089 --> 01:07:11,000

saw this right and so anyhow we took it

1545

01:07:15,700 --> 01:07:13,099

or you know we took pictures for two

1546

01:07:17,109 --> 01:07:15,710

located because we didn't have any at

1547

01:07:19,520 --> 01:07:17,119

the time we were just about out of

1548

01:07:22,300 --> 01:07:19,530

oxygen and everything so we couldn't guy

1549

01:07:25,100 --> 01:07:22,310

anymore but we went back we've been

1550

01:07:26,870 --> 01:07:25,110

working at documenting all this stuff

1551

01:07:29,180 --> 01:07:26,880

for the last five years no cuz this have

1552

01:07:33,230 --> 01:07:29,190

about five or six years at all oh but

1553

01:07:35,930 --> 01:07:33,240

anyhow get this I put something out on

1554

01:07:40,700 --> 01:07:35,940

the internet about it get a call from

1555

01:07:43,250 --> 01:07:40,710

this Mayan elder and she tells me

1556

01:07:44,720 --> 01:07:43,260

because now remember the Mayans supposed

1557

01:07:46,370 --> 01:07:44,730

to be done in Central America South

1558

01:07:49,790 --> 01:07:46,380

America that's where their homeland was

1559

01:07:53,300 --> 01:07:49,800

right so anyhow she calls me off because

1560

01:07:55,970 --> 01:07:53,310

the Mayan is the matriarchal so anyhow

1561

01:07:58,370 --> 01:07:55,980

the the Elder was a woman she calls me

1562

01:07:59,930 --> 01:07:58,380

up and she tells me she says were you

1563

01:08:03,140 --> 01:07:59,940

the one that found that black pyramid

1564

01:08:05,450 --> 01:08:03,150

over by Rock Lake missus yeah and she

1565

01:08:07,430 --> 01:08:05,460

says well you know and she says yeah I

1566

01:08:10,450 --> 01:08:07,440

want to tell you a story about that

1567

01:08:15,200 --> 01:08:10,460

because she says only us Mayan elders

1568

01:08:18,440 --> 01:08:15,210

know this prophecy and she says when we

1569

01:08:21,680 --> 01:08:18,450

saw what you had found we knew that the

1570

01:08:24,770 --> 01:08:21,690

prophecy had been fulfilled and she said

1571

01:08:27,620 --> 01:08:24,780

that there was a very secret prophecy

1572

01:08:30,829 --> 01:08:27,630

that the you know the the changing of

1573

01:08:33,890 --> 01:08:30,839

the time would begin when the black

1574

01:08:45,320 --> 01:08:33,900

pyramid of their homeland was found oh

1575

01:08:47,630 --> 01:08:45,330

my yeah Wow yeah so they wanted me to go

1576

01:08:50,809 --> 01:08:47,640

down so they all joined you that they

1577

01:08:53,870 --> 01:08:50,819

came from all over the nation at a

1578

01:08:56,960 --> 01:08:53,880

specific time and then they went down to

1579

01:09:00,170 --> 01:08:56,970

Rock Lake to do ceremony you know in

1580

01:09:01,400 --> 01:09:00,180

honor of the prophecy but of course at

1581

01:09:03,559 --> 01:09:01,410

that point the time cuz they they

1582

01:09:05,980 --> 01:09:03,569

invited me there they were they they

1583

01:09:08,930 --> 01:09:05,990

said that you know give me the honor of

1584

01:09:11,720 --> 01:09:08,940

initiating me into the elders but of

1585

01:09:13,849 --> 01:09:11,730

course I had the cafe change chained to

1586

01:09:15,710 --> 01:09:13,859

that cafe and there's just there's no

1587

01:09:18,440 --> 01:09:15,720

way I could make it and just kind of

1588

01:09:21,770 --> 01:09:18,450

hurt you know ya know I couldn't you

1589

01:09:23,960 --> 01:09:21,780

know I I totally understand how that you

1590

01:09:25,730 --> 01:09:23,970

know you feel obligated and that you

1591

01:09:27,710 --> 01:09:25,740

need to you know hold things together

1592

01:09:31,010 --> 01:09:27,720

you can't just abandon it I mean it and

1593

01:09:33,050 --> 01:09:31,020

it was really quite a kind of an anchor

1594

01:09:34,760 --> 01:09:33,060

for the area a lot of people knew

1595

01:09:37,430 --> 01:09:34,770

if you wanted to learn about something

1596

01:09:40,000 --> 01:09:37,440

out of the ordinary or spiritual go

1597

01:09:42,950 --> 01:09:40,010

there I mean you really put a mark and

1598

01:09:47,720 --> 01:09:42,960

Burlington Wisconsin I mean people knew

1599

01:09:52,490 --> 01:09:47,730

this is where you go yeah what a legacy

1600

01:09:54,950 --> 01:09:52,500

to have you know well I think you know I

1601

01:09:57,470 --> 01:09:54,960

think that we've both done our blood

1602

01:10:01,250 --> 01:09:57,480

sweat and tears you know it hasn't been

1603

01:10:05,330 --> 01:10:01,260

an easy trip or you know for myself you

1604

01:10:08,240 --> 01:10:05,340

know and you know we both are we we're

1605

01:10:10,070 --> 01:10:08,250

pioneers you know we're out there before

1606

01:10:13,940 --> 01:10:10,080

the Internet we just went with our gut

1607

01:10:17,330 --> 01:10:13,950

you know and learning how to see you

1608

01:10:20,030 --> 01:10:17,340

know and listen and you know and it's

1609

01:10:22,940 --> 01:10:20,040

it's not a solo thing that you can do

1610

01:10:25,580 --> 01:10:22,950

it's like I got the strength of so many

1611

01:10:28,610 --> 01:10:25,590

people behind me the the I you know I

1612

01:10:31,820 --> 01:10:28,620

wanted to mention tonight that there's a

1613

01:10:34,100 --> 01:10:31,830

group called the light side and what my

1614

01:10:38,330 --> 01:10:34,110

dear friends from the group passed away

1615

01:10:41,540 --> 01:10:38,340

sadly July 3rd Sandi Hansen and you know

1616

01:10:46,010 --> 01:10:41,550

she along with another good friend Russ

1617

01:10:50,270 --> 01:10:46,020

and Bonnie and and Kathy and Diane and I

1618

01:10:53,030 --> 01:10:50,280

mean so many people that that that

1619

01:10:55,610 --> 01:10:53,040

helped me do what it is that I'm doing

1620

01:10:59,380 --> 01:10:55,620

now that that drove with me across the

1621

01:11:01,280 --> 01:10:59,390

country in a packed van hopping into

1622

01:11:03,320 --> 01:11:01,290

conferences you know these conferences

1623

01:11:05,690 --> 01:11:03,330

don't pay for you to go you pay your way

1624

01:11:08,570 --> 01:11:05,700

to go and you're going to in hopes of

1625

01:11:11,300 --> 01:11:08,580

opening up eyes and you know I really

1626

01:11:14,090 --> 01:11:11,310

want to you know send my condolences and

1627

01:11:16,820 --> 01:11:14,100

thank-yous to my friend sandy was sadly

1628

01:11:19,010 --> 01:11:16,830

it's passed away and it's you know and

1629

01:11:20,210 --> 01:11:19,020

if we build each other up in this

1630

01:11:23,900 --> 01:11:20,220

lifetime and look what we've achieved

1631

01:11:27,320 --> 01:11:23,910

everybody I mean I I honestly give kudos

1632

01:11:29,750 --> 01:11:27,330

and thanks to my dear friends I mean

1633

01:11:32,540 --> 01:11:29,760

this is this is a group effort this is a

1634

01:11:34,850 --> 01:11:32,550

group effort you know and it's it's

1635

01:11:37,370 --> 01:11:34,860

something that it's an ongoing process I

1636

01:11:39,740 --> 01:11:37,380

always fall back still on these good

1637

01:11:41,450 --> 01:11:39,750

friends of mine you know and and know

1638

01:11:43,400 --> 01:11:41,460

that everything that they've told me and

1639

01:11:46,730 --> 01:11:43,410

taught me and and shown me over the

1640

01:11:48,980 --> 01:11:46,740

years and and helped pull together it

1641

01:11:52,370 --> 01:11:48,990

you know gods take a note let's put it

1642

01:11:53,960 --> 01:11:52,380

that way well the light side is just

1643

01:11:57,680 --> 01:11:53,970

incredible I don't think that there's

1644

01:12:01,130 --> 01:11:57,690

any group out there that could ever you

1645

01:12:02,900 --> 01:12:01,140

know match up to their generosity their

1646

01:12:04,220 --> 01:12:02,910

support because they've done the same

1647

01:12:07,070 --> 01:12:04,230

thing for me too

1648

01:12:09,800 --> 01:12:07,080

yeah and you know sandy was an

1649

01:12:10,010 --> 01:12:09,810

incredible lady you know yeah look at

1650

01:12:11,750 --> 01:12:10,020

that

1651

01:12:15,340 --> 01:12:11,760

and while all of them with the best

1652

01:12:18,020 --> 01:12:15,350

hearts oh gosh can't beat them no no

1653

01:12:20,630 --> 01:12:18,030

love so in case you guys are listening

1654

01:12:23,150 --> 01:12:20,640

we Heidi and I love you love you love

1655

01:12:26,930 --> 01:12:23,160

you love you big time other Russell's in

1656

01:12:31,730 --> 01:12:26,940

the chat room he's always there he's

1657

01:12:34,450 --> 01:12:31,740

awesome my goodness so it's a it you

1658

01:12:37,670 --> 01:12:34,460

know it's it's really been interesting a

1659

01:12:39,950 --> 01:12:37,680

serious love affair for these topics to

1660

01:12:42,530 --> 01:12:39,960

do what we're doing it and you know even

1661

01:12:45,260 --> 01:12:42,540

though it's been rough it's it's not

1662

01:12:46,910 --> 01:12:45,270

anything I would ever want to stop and

1663

01:12:48,860 --> 01:12:46,920

it's nothing I'd ever want to change I

1664

01:12:51,200 --> 01:12:48,870

mean I will do this to my last breath

1665

01:12:54,400 --> 01:12:51,210

because it's I know the importance of it

1666

01:12:57,800 --> 01:12:54,410

and I know that you feel the same way

1667

01:12:59,360 --> 01:12:57,810

well Linda you know I kind of well I'm

1668

01:13:02,360 --> 01:12:59,370

still doing the tour so it takes me two

1669

01:13:04,430 --> 01:13:02,370

hours to drive to Burlington two hours

1670

01:13:07,730 --> 01:13:04,440

to drive back but I faithfully go there

1671

01:13:10,190 --> 01:13:07,740

every week you know because people need

1672

01:13:12,110 --> 01:13:10,200

to know they need to understand that the

1673

01:13:15,470 --> 01:13:12,120

world is you know there's things out

1674

01:13:19,610 --> 01:13:15,480

there that's made look seem invisible

1675

01:13:26,290 --> 01:13:19,620

but it is that invisible world is packed

1676

01:13:29,570 --> 01:13:26,300

with strange entities and you know the

1677

01:13:34,490 --> 01:13:29,580

species that we don't have a clue on you

1678

01:13:39,290 --> 01:13:34,500

know plant life you know the animal life

1679

01:13:43,550 --> 01:13:39,300

bird life past present future

1680

01:13:46,400 --> 01:13:43,560

you know alternate realities I I mean is

1681

01:13:50,000 --> 01:13:46,410

teeming with life that we just don't see

1682

01:13:53,480 --> 01:13:50,010

but we're getting closer and closer with

1683

01:13:56,300 --> 01:13:53,490

new technology and the determination you

1684

01:13:59,210 --> 01:13:56,310

know the light side you and myself and

1685

01:14:00,169 --> 01:13:59,220

people like Linda Godfrey and that you

1686

01:14:01,910 --> 01:14:00,179

know

1687

01:14:05,600 --> 01:14:01,920

we're getting it done we're getting the

1688

01:14:08,030 --> 01:14:05,610

word out and you know I think we're

1689

01:14:10,419 --> 01:14:08,040

doing a pretty good job yeah I think

1690

01:14:12,919 --> 01:14:10,429

when you look at millions of websites

1691

01:14:13,939 --> 01:14:12,929

referring to our work we must be doing

1692

01:14:15,740 --> 01:14:13,949

something right

1693

01:14:17,270 --> 01:14:15,750

something's going on you know I want to

1694

01:14:20,450 --> 01:14:17,280

give the website to the light side at

1695

01:14:21,950 --> 01:14:20,460

the light side dot o-r-g so people check

1696

01:14:23,990 --> 01:14:21,960

it out and you know we only got a couple

1697

01:14:26,149 --> 01:14:24,000

of minutes left Mary this went so fast I

1698

01:14:27,680 --> 01:14:26,159

want you to put your website out there

1699

01:14:29,360 --> 01:14:27,690

the names of your books and how people

1700

01:14:31,970 --> 01:14:29,370

get ahold of you and what your next

1701

01:14:35,600 --> 01:14:31,980

speaking engagements are well if you

1702

01:14:39,050 --> 01:14:35,610

want to learn about the paranormal in

1703

01:14:42,530 --> 01:14:39,060

this area I put out a book called

1704

01:14:44,720 --> 01:14:42,540

haunted Burlington Wisconsin and I'm not

1705

01:14:47,090 --> 01:14:44,730

really happy with the theme or you know

1706

01:14:50,600 --> 01:14:47,100

the title because it doesn't do it

1707

01:14:52,760 --> 01:14:50,610

justice it limits it you know for the

1708

01:14:56,540 --> 01:14:52,770

reader to think it's just Burlington but

1709

01:15:02,140 --> 01:14:56,550

it's not it I use Burlington as my you

1710

01:15:04,820 --> 01:15:02,150

know as the the home but I go into

1711

01:15:08,870 --> 01:15:04,830

explaining the paranormal

1712

01:15:11,930 --> 01:15:08,880

you know Hawaiian happens how it happens

1713

01:15:14,959 --> 01:15:11,940

we're to tell stories of their hatman

1714

01:15:18,140 --> 01:15:14,969

and uh and I think you're even mentioned

1715

01:15:21,620 --> 01:15:18,150

in there Heidi by the way I gave you

1716

01:15:24,229 --> 01:15:21,630

credit for the Hat man yeah and so

1717

01:15:26,479 --> 01:15:24,239

anyhow it's a great book

1718

01:15:29,840 --> 01:15:26,489

you know haunted Burlington Wisconsin

1719

01:15:33,649 --> 01:15:29,850

and you can buy it on Amazon and then I

1720

01:15:36,200 --> 01:15:33,659

finished my book read here Giants it's a

1721

01:15:38,149 --> 01:15:36,210

five book series and that's the second

1722

01:15:40,970 --> 01:15:38,159

book of it because I had so much

1723

01:15:43,790 --> 01:15:40,980

information on my research on insert in

1724

01:15:45,979 --> 01:15:43,800

search of ancient man that the only way

1725

01:15:49,220 --> 01:15:45,989

I could actually put it out was to break

1726

01:15:50,720 --> 01:15:49,230

it down into books well yeah my goodness

1727

01:15:52,130 --> 01:15:50,730

well I want to thank you so much for

1728

01:15:53,780 --> 01:15:52,140

coming on the show tonight this was a

1729

01:15:57,520 --> 01:15:53,790

lot of fun and we definitely have to do

1730

01:15:59,630 --> 01:15:57,530

it again oh I hope so

1731

01:16:02,030 --> 01:15:59,640

is this the only way I'm gonna be able

1732

01:16:03,950 --> 01:16:02,040

to make contact with you anymore I will

1733

01:16:06,919 --> 01:16:03,960
