47

00:02:32,750 --> 00:02:30,900

I think what the heck is she doing so

48

00:02:34,130 --> 00:02:32,760

anyways I have to tell you guys some

49

00:02:37,460 --> 00:02:34,140

really really interesting news because

50

00:02:39,020 --> 00:02:37,470

this past Tuesday I was on the

51  
00:02:41,500 --> 00:02:39,030  
unexplained files

52  
00:02:44,330 --> 00:02:41,510  
talking about guess what shadow people

53  
00:02:47,570 --> 00:02:44,340  
mm-hmm yeah it was fun it was

54  
00:02:49,040 --> 00:02:47,580  
interesting however I didn't know I was

55  
00:02:51,470 --> 00:02:49,050  
gonna be on Tuesday I was like oh

56  
00:02:53,210 --> 00:02:51,480  
staying with Kevin and for those who

57  
00:02:56,210 --> 00:02:53,220  
don't know I co-host on the Kevin cook

58  
00:02:58,190 --> 00:02:56,220  
show as well every Tuesday and spring

59  
00:03:01,670 --> 00:02:58,200  
this show awesome people of the chatroom

60  
00:03:04,820 --> 00:03:01,680  
go Heidi I'm watching you an HD what it

61  
00:03:07,130 --> 00:03:04,830  
was like never told me when I was coming

62  
00:03:08,450 --> 00:03:07,140  
on so it was kind of funny so you know

63  
00:03:12,880 --> 00:03:08,460

it was a lot of calls like hey everybody

64

00:03:15,380 --> 00:03:12,890

tune in go look it was hilarious but

65

00:03:16,910 --> 00:03:15,390

interesting interesting stuff you know

66

00:03:20,150 --> 00:03:16,920

there's that lovely thing called editing

67

00:03:22,370 --> 00:03:20,160

and it was just funny to me because they

68

00:03:24,830 --> 00:03:22,380

asked me how many how many cases of

69

00:03:28,240 --> 00:03:24,840

shadow people have you looked into I'm

70

00:03:31,550 --> 00:03:28,250

like it's been like 18 years now people

71

00:03:34,580 --> 00:03:31,560

thousands I told him Oh thousands yeah

72

00:03:37,540 --> 00:03:34,590

yeah I've got thousands of them they put

73

00:03:40,250 --> 00:03:37,550

dozens on the show a dozens and dozens

74

00:03:42,440 --> 00:03:40,260

Heidi Hollis has investigated doesn't

75

00:03:43,940 --> 00:03:42,450

doesn't Wow and across the country its

76

00:03:46,220 --> 00:03:43,950

worldwide people it's a worldwide

77

00:03:49,970 --> 00:03:46,230

phenomenon and it is not slowing down

78

00:03:51,440 --> 00:03:49,980

and neither am i because it is just

79

00:03:53,720 --> 00:03:51,450

crazy if there was something else on

80

00:03:54,860 --> 00:03:53,730

there that was kind of funny oh they

81

00:03:56,960 --> 00:03:54,870

said that I said there's never been

82

00:03:59,060 --> 00:03:56,970

photos taken of shadow people there have

83

00:04:01,760 --> 00:03:59,070

been tons I'm just not like qualified to

84

00:04:04,340 --> 00:04:01,770

say nope that doesn't exist that's not

85

00:04:06,500 --> 00:04:04,350

real I'm just I am just not into that I

86

00:04:08,840 --> 00:04:06,510

like to like to take people's word for

87

00:04:11,150 --> 00:04:08,850

stuff what a concept we could testify in

88

00:04:12,890 --> 00:04:11,160

court but we can't say I saw a shadow

89

00:04:15,260 --> 00:04:12,900

person here's the picture this really

90

00:04:16,640 --> 00:04:15,270

happened I'd come on if you took a

91

00:04:18,590 --> 00:04:16,650

picture of a murder would they say it

92

00:04:20,660 --> 00:04:18,600

was Photoshop I mean really

93

00:04:22,790 --> 00:04:20,670

most of these paranormal shows I mean

94

00:04:24,500 --> 00:04:22,800

they should start calling them debunking

95

00:04:28,010 --> 00:04:24,510

shells because that's what gets all the

96

00:04:30,740 --> 00:04:28,020

airtime but enough of that because it

97

00:04:32,600 --> 00:04:30,750

was fun it was fun I love doing this

98

00:04:36,350 --> 00:04:32,610

kind of stuff I will do it in my sleep

99

00:04:38,659 --> 00:04:36,360

if I could in fact I'm sleeping now it's

100

00:04:41,720 --> 00:04:38,669

kidding I'm losing my mind

101  
00:04:43,580 --> 00:04:41,730  
okay it's okay um but you know what you

102  
00:04:46,610 --> 00:04:43,590  
guys you're used to me for the first 30

103  
00:04:48,440 --> 00:04:46,620  
minutes of the program answering all of

104  
00:04:50,840 --> 00:04:48,450  
your many many many many many many many

105  
00:04:54,140 --> 00:04:50,850  
emails in regard to your paranormal and

106  
00:04:56,540 --> 00:04:54,150  
odd and holy encounter stuff but and

107  
00:04:57,950 --> 00:04:56,550  
that's called the outlet corner and I

108  
00:04:59,840 --> 00:04:57,960  
welcome you guys to continue sending

109  
00:05:01,580 --> 00:04:59,850  
your emails on over I have hordes of

110  
00:05:02,420 --> 00:05:01,590  
them to dust

111  
00:05:04,730 --> 00:05:02,430  
Outlander Edge

112  
00:05:06,530 --> 00:05:04,740  
milcom or you could find me on Facebook

113  
00:05:09,620 --> 00:05:06,540

just put a 1 in front my name so 1 Heidi

114

00:05:11,660 --> 00:05:09,630

Hollis and also Twitter I do get some

115

00:05:15,230 --> 00:05:11,670

messages there so at 1 Heidi Hollis as

116

00:05:17,210 --> 00:05:15,240

well and I'll continue to answer your

117

00:05:19,130 --> 00:05:17,220

your lovely emails but today is a

118

00:05:21,740 --> 00:05:19,140

special day it's a special day

119

00:05:24,890 --> 00:05:21,750

it truly is because hold on I gotta get

120

00:05:28,010 --> 00:05:24,900

the red carpet oh ok there we go

121

00:05:29,750 --> 00:05:28,020

red carpet is real whoo that was hard ok

122

00:05:31,220 --> 00:05:29,760

so anyways you guys every sit down

123

00:05:32,600 --> 00:05:31,230

because I'm I'm just thrilled I'm

124

00:05:34,520 --> 00:05:32,610

absolutely thrilled you guys have no

125

00:05:36,950 --> 00:05:34,530

idea who's on the show tonight I am

126

00:05:39,260 --> 00:05:36,960

going to forego that outlandish corner

127

00:05:41,360 --> 00:05:39,270

because Linda Moulton Howe who is a

128

00:05:42,980 --> 00:05:41,370

world-renowned investigative reporter at

129

00:05:46,820 --> 00:05:42,990

national international conferences and

130

00:05:48,560 --> 00:05:46,830

symposiums including NASA's Space Flight

131

00:05:51,080 --> 00:05:48,570

Center and has been interviewed on Larry

132

00:05:53,270 --> 00:05:51,090

King CNN O'Reilly oh my goodness she

133

00:05:57,170 --> 00:05:53,280

survived that Fox sighting strange

134

00:05:59,060 --> 00:05:57,180

reverse of the other side BBC Discovery

135

00:06:00,620 --> 00:05:59,070

Channel I mean everything in anything

136

00:06:02,210 --> 00:06:00,630

that you can imagine this lady has done

137

00:06:04,210 --> 00:06:02,220

it and she's been there so I've been

138

00:06:07,490 --> 00:06:04,220

there done that seen that too I see the

139

00:06:09,620 --> 00:06:07,500

similarities going on here and even with

140

00:06:11,150 --> 00:06:09,630

all that said and tons more that I could

141

00:06:14,030 --> 00:06:11,160

just add and through an era she is a

142

00:06:16,150 --> 00:06:14,040

freaking darn nice person who has kicked

143

00:06:19,610 --> 00:06:16,160

down the paranormal walls for all people

144

00:06:21,890 --> 00:06:19,620

most especially for us ladies she has

145

00:06:25,280 --> 00:06:21,900

been absolutely an inspiration to myself

146

00:06:26,270 --> 00:06:25,290

and mentor to me personally and I think

147

00:06:28,100 --> 00:06:26,280

she knows it and if she doesn't she

148

00:06:33,440 --> 00:06:28,110

knows now everybody round of applause

149

00:06:37,130 --> 00:06:33,450

I'm standing up are going nuts Linda

150

00:06:40,460 --> 00:06:37,140

nice good well Heidi thank you I

151  
00:06:44,890 --> 00:06:40,470  
remember years ago we met at the Eureka

152  
00:06:48,020 --> 00:06:44,900  
Springs conference in the Ozarks and

153  
00:06:50,750 --> 00:06:48,030  
they I remember talking with you about

154  
00:06:53,120 --> 00:06:50,760  
the whole issue of animal mutilations of

155  
00:06:55,150 --> 00:06:53,130  
the human abduction syndrome and the

156  
00:06:57,500 --> 00:06:55,160  
whole relationship to other

157  
00:07:00,860 --> 00:06:57,510  
intelligences interacting with the

158  
00:07:03,830 --> 00:07:00,870  
planet and that there is this eerie

159  
00:07:07,340 --> 00:07:03,840  
cycle that seems to continue in life

160  
00:07:11,129 --> 00:07:07,350  
that there it was a least 35 years ago

161  
00:07:14,999 --> 00:07:11,139  
in September of 79 that

162  
00:07:16,920 --> 00:07:15,009  
I began trying to investigate why there

163  
00:07:18,450 --> 00:07:16,930

were all of these animals that were

164

00:07:23,219 --> 00:07:18,460

being found whether they were cattle

165

00:07:26,489 --> 00:07:23,229

horses goats sheep dogs cats a variety

166

00:07:29,969 --> 00:07:26,499

in Colorado in the surrounding region in

167

00:07:32,939 --> 00:07:29,979

the summer going into the fall of 79 and

168

00:07:35,369 --> 00:07:32,949

that's where I was director of special

169

00:07:38,070 --> 00:07:35,379

projects at the CBS station in Denver

170

00:07:41,159 --> 00:07:38,080

and my job was to do two or three

171

00:07:44,339 --> 00:07:41,169

documentary films every year live studio

172

00:07:48,059 --> 00:07:44,349

programs with audiences and news updates

173

00:07:50,399 --> 00:07:48,069

and so I wanted to get to the bottom of

174

00:07:52,230 --> 00:07:50,409

headlines that were appearing in the

175

00:07:56,519 --> 00:07:52,240

Denver Post and the Rocky Mountain News

176

00:08:00,179 --> 00:07:56,529

and the Nebraska Wyoming Utah New Mexico

177

00:08:03,329 --> 00:08:00,189

area that summer and I started with my

178

00:08:06,689 --> 00:08:03,339

very first phone calls to ranchers into

179

00:08:09,689 --> 00:08:06,699

various sheriff's and one of them was

180

00:08:13,730 --> 00:08:09,699

then Sheriff Tex graze in Logan County

181

00:08:16,649 --> 00:08:13,740

Colorado where they had had about 200

182

00:08:19,399 --> 00:08:16,659

offense reports written up meaning they

183

00:08:22,559 --> 00:08:19,409

were formal and investigated cases of

184

00:08:24,959 --> 00:08:22,569

the bloodless trackless mutilation

185

00:08:28,260 --> 00:08:24,969

phenomena they had had at least 200 in

186

00:08:30,779 --> 00:08:28,270

about 12 to 18 months that gives you an

187

00:08:33,540 --> 00:08:30,789

idea of one County how many mutilated

188

00:08:36,630 --> 00:08:33,550

animals and you take 20 or 30 counties

189

00:08:39,209 --> 00:08:36,640

in a state and multiply that times a

190

00:08:41,430 --> 00:08:39,219

bunch each County and there were

191

00:08:44,670 --> 00:08:41,440

hundreds and hundreds and hundreds of

192

00:08:47,460 --> 00:08:44,680

these bloodless trackless mutilations

193

00:08:50,130 --> 00:08:47,470

taking place in Colorado and the

194

00:08:53,069 --> 00:08:50,140

surrounding region and when I drove up

195

00:08:55,380 --> 00:08:53,079

to see sheriff Tech's graves and looked

196

00:08:58,050 --> 00:08:55,390

at photographs looked at our offense

197

00:09:01,620 --> 00:08:58,060

reports and started talking with him

198

00:09:04,680 --> 00:09:01,630

about this subject that seems so bizarre

199

00:09:07,650 --> 00:09:04,690

he looked at me and he said Linda I'll

200

00:09:10,590 --> 00:09:07,660

save you some time we know that the

201  
00:09:15,030 --> 00:09:10,600  
perpetrators of these mutilated animals

202  
00:09:19,559 --> 00:09:15,040  
are creatures from outer space Wow at

203  
00:09:22,439 --> 00:09:19,569  
that moment in September of 79 it really

204  
00:09:23,660 --> 00:09:22,449  
was one of those where you remember the

205  
00:09:26,810 --> 00:09:23,670  
physical feeling

206  
00:09:29,750 --> 00:09:26,820  
on your skin that somebody in authority

207  
00:09:33,680 --> 00:09:29,760  
is saying something to you that shocks

208  
00:09:36,860 --> 00:09:33,690  
you and I was not prepared for that on

209  
00:09:40,130 --> 00:09:36,870  
that first day of research and what

210  
00:09:42,680 --> 00:09:40,140  
began to happen in the last 35 years

211  
00:09:45,410 --> 00:09:42,690  
from that moment going forward to

212  
00:09:48,230 --> 00:09:45,420  
sitting here talking to you tonight was

213  
00:09:51,320 --> 00:09:48,240

essentially going through an Alice in

214

00:09:55,670 --> 00:09:51,330

Wonderland mirror leaving the normal

215

00:09:58,580 --> 00:09:55,680

world that had a nine-to-five working

216

00:10:00,860 --> 00:09:58,590

existence at a TV station and having a

217

00:10:04,280 --> 00:10:00,870

husband and child and animals and

218

00:10:09,170 --> 00:10:04,290

everything was normal could unclosed

219

00:10:13,630 --> 00:10:09,180

and then having to begin to start

220

00:10:17,390 --> 00:10:13,640

traveling with a crew to go into very

221

00:10:20,030 --> 00:10:17,400

isolated areas by ourselves filming

222

00:10:22,040 --> 00:10:20,040

these strange animals hearing from

223

00:10:26,840 --> 00:10:22,050

ranchers who had seen with their own

224

00:10:29,990 --> 00:10:26,850

eyes a glowing circle in the sky over a

225

00:10:33,230 --> 00:10:30,000

pasture had seen a beam come down into

226

00:10:36,020 --> 00:10:33,240

the pasture sometimes people had seen

227

00:10:38,600 --> 00:10:36,030

animals in the beams dropped to the

228

00:10:42,200 --> 00:10:38,610

ground in leaving a crater under their

229

00:10:44,780 --> 00:10:42,210

body or there were a few who had seen an

230

00:10:47,450 --> 00:10:44,790

animal rising from a pasture up in a

231

00:10:50,540 --> 00:10:47,460

beam of light and that right from the

232

00:10:54,080 --> 00:10:50,550

beginning here I was a hardener science

233

00:10:56,960 --> 00:10:54,090

medicine environment reporter TV

234

00:10:59,090 --> 00:10:56,970

producer that's what I had been since I

235

00:11:01,190 --> 00:10:59,100

graduated from Stanford University in

236

00:11:03,920 --> 00:11:01,200

Palo Alto California with a master's

237

00:11:07,100 --> 00:11:03,930

degree in communication and my DEET at

238

00:11:10,270 --> 00:11:07,110

TV stations had always been science

239

00:11:13,880 --> 00:11:10,280

environment in medicine and so I am

240

00:11:16,610 --> 00:11:13,890

trying to go after hard physical

241

00:11:18,260 --> 00:11:16,620

forensic evidence that would relate to

242

00:11:21,140 --> 00:11:18,270

what the sheriff's and law-enforcement

243

00:11:24,530 --> 00:11:21,150

were telling the AUSA record and what I

244

00:11:26,150 --> 00:11:24,540

would say to them I need you to stand in

245

00:11:28,910 --> 00:11:26,160

front of a camera because this is

246

00:11:31,730 --> 00:11:28,920

television I need you to talk to me on

247

00:11:34,100 --> 00:11:31,740

camera they would all say no you're

248

00:11:37,190 --> 00:11:34,110

going to have to find somebody else but

249

00:11:41,270 --> 00:11:37,200

Linda that this is what the truth is

250

00:11:43,070 --> 00:11:41,280

finally it was in October of 79 and the

251  
00:11:46,220 --> 00:11:43,080  
crew and I were down in Trinidad

252  
00:11:48,830 --> 00:11:46,230  
Colorado in southern Colorado and I was

253  
00:11:52,820 --> 00:11:48,840  
interviewing he had just been appointed

254  
00:11:55,250 --> 00:11:52,830  
to be the district attorney the district

255  
00:11:55,910 --> 00:11:55,260  
attorney in Trinidad had appointed lugar

256  
00:11:59,210 --> 00:11:55,920  
Otto

257  
00:12:01,190 --> 00:11:59,220  
to be their chief investigator of animal

258  
00:12:04,070 --> 00:12:01,200  
mutilations because in southern Colorado

259  
00:12:06,710 --> 00:12:04,080  
in northern New Mexico they were having

260  
00:12:10,100 --> 00:12:06,720  
so many cases and they were having

261  
00:12:12,920 --> 00:12:10,110  
ranchers going to law enforcement and to

262  
00:12:14,900 --> 00:12:12,930  
attorneys and to state senators and to

263  
00:12:17,420 --> 00:12:14,910

anybody who would listen and say we need

264

00:12:19,670 --> 00:12:17,430

help we can't afford to have these

265

00:12:21,680 --> 00:12:19,680

animals dying like this we don't have

266

00:12:25,160 --> 00:12:21,690

insurance for it and these were

267

00:12:28,640 --> 00:12:25,170

happening in big numbers so the crew and

268

00:12:31,150 --> 00:12:28,650

I could only get in to loser rodas

269

00:12:33,140 --> 00:12:31,160

office at 10:00 p.m. mountain time

270

00:12:35,870 --> 00:12:33,150

because like us

271

00:12:38,120 --> 00:12:35,880

Lucia roto was running pasture to

272

00:12:40,490 --> 00:12:38,130

pasture rancher to rancher where they

273

00:12:42,910 --> 00:12:40,500

were having mutilations and the crew and

274

00:12:48,410 --> 00:12:42,920

I met him at 10 o'clock at night and

275

00:12:52,700 --> 00:12:48,420

with our camera running when I asked Lou

276

00:12:55,700 --> 00:12:52,710

Jurado chief of the animal mutilation

277

00:12:58,430 --> 00:12:55,710

investigation for the DA's office who or

278

00:13:00,950 --> 00:12:58,440

what do you think is killing and

279

00:13:03,740 --> 00:13:00,960

mutilating all of these animals he

280

00:13:07,070 --> 00:13:03,750

looked straight at me and he said well

281

00:13:08,960 --> 00:13:07,080

I'll tell you other investigators and I

282

00:13:10,670 --> 00:13:08,970

have come to the conclusion that we're

283

00:13:13,790 --> 00:13:10,680

dealing with creatures from outer space

284

00:13:16,220 --> 00:13:13,800

and he said the reason is we talked with

285

00:13:19,670 --> 00:13:16,230

ranchers who see these orange red

286

00:13:22,520 --> 00:13:19,680

spheres of light coming at them or in

287

00:13:26,810 --> 00:13:22,530

above the pastures or in over the barn

288

00:13:29,480 --> 00:13:26,820

and or in the sky and those red orange

289

00:13:33,230 --> 00:13:29,490

lights seem to show up every time

290

00:13:35,990 --> 00:13:33,240

there's a mutilation and he said we have

291

00:13:39,140 --> 00:13:36,000

lots of reports from people who say that

292

00:13:42,410 --> 00:13:39,150

they are seeing what they say looks like

293

00:13:45,860 --> 00:13:42,420

a helicopter a dark black helicopter

294

00:13:49,120 --> 00:13:45,870

over there pasture and then they see the

295

00:13:50,809 --> 00:13:49,130

helicopter turn into a cloud that

296

00:13:53,779 --> 00:13:50,819

disappears

297

00:13:56,449 --> 00:13:53,789

and he said to me on film we don't

298

00:14:00,349 --> 00:13:56,459

understand how helicopters that can

299

00:14:03,829 --> 00:14:00,359

disappear into clouds can be terrestrial

300

00:14:06,529 --> 00:14:03,839

and you combine that with the beams of

301  
00:14:09,889 --> 00:14:06,539  
light and the red orange lights and the

302  
00:14:13,099 --> 00:14:09,899  
strange excisions no blood no tracks

303  
00:14:15,979 --> 00:14:13,109  
around any of these animals not even

304  
00:14:18,949 --> 00:14:15,989  
where the ground is like face powder

305  
00:14:22,639 --> 00:14:18,959  
it's so dry and dusty and you find a

306  
00:14:25,759 --> 00:14:22,649  
2,000 pound bull lying with an ear eye

307  
00:14:28,159 --> 00:14:25,769  
tongue jaw genitals and rectum cored out

308  
00:14:30,439 --> 00:14:28,169  
and there's not a drop of blood the

309  
00:14:33,049 --> 00:14:30,449  
incisions are absolutely perfect and

310  
00:14:36,349 --> 00:14:33,059  
there's not a single track around that

311  
00:14:41,269 --> 00:14:36,359  
big body lying on that face powder dust

312  
00:14:44,389 --> 00:14:41,279  
not even the animals own foot marks and

313  
00:14:46,939 --> 00:14:44,399

that's why law enforcement over and over

314

00:14:50,629 --> 00:14:46,949

said to me Linda there's only one

315

00:14:54,559 --> 00:14:50,639

possibility whatever is doing this has

316

00:14:58,069 --> 00:14:54,569

to be coming from the sky getting the

317

00:15:00,199 --> 00:14:58,079

animal taking the animal returning the

318

00:15:04,489 --> 00:15:00,209

animal from the sky because there are no

319

00:15:07,460 --> 00:15:04,499

tracks no struggle marks and that is so

320

00:15:11,269 --> 00:15:07,470

common what I just said to you you could

321

00:15:13,549 --> 00:15:11,279

go back through almost a century now of

322

00:15:15,949 --> 00:15:13,559

animal mutilations around the world in

323

00:15:20,299 --> 00:15:15,959

both hemispheres and that is the one

324

00:15:23,619 --> 00:15:20,309

common denominator no tracks around the

325

00:15:27,409 --> 00:15:23,629

animals thousands of animals over

326

00:15:28,939 --> 00:15:27,419

century that law enforcement finally

327

00:15:31,090 --> 00:15:28,949

said we have to be dealing with

328

00:15:33,799 --> 00:15:31,100

something coming from the sky and

329

00:15:37,309 --> 00:15:33,809

privately they would say creatures from

330

00:15:40,429 --> 00:15:37,319

outer space Linda I just I love hearing

331

00:15:43,669 --> 00:15:40,439

like the the stories that got people you

332

00:15:45,769 --> 00:15:43,679

know hot for pursuing these topics and

333

00:15:49,609 --> 00:15:45,779

and this this just takes a cake I just

334

00:15:52,129 --> 00:15:49,619

cannot imagine in 1979 when it surely

335

00:15:53,559 --> 00:15:52,139

was not very popular at the time for

336

00:15:57,289 --> 00:15:53,569

people to be talking about such things

337

00:15:58,840 --> 00:15:57,299

and and here you're you know this is

338

00:16:02,389 --> 00:15:58,850

just blowing your mind

339

00:16:03,910 --> 00:16:02,399

you got to remember it by 79 I had

340

00:16:07,119 --> 00:16:03,920

already won like a

341

00:16:10,329 --> 00:16:07,129

and regional emmy is a national Emmy

342

00:16:13,749 --> 00:16:10,339

nomination I was a medical science

343

00:16:15,460 --> 00:16:13,759

producer in a Peabody Award at the ABC

344

00:16:18,340 --> 00:16:15,470

station in Boston where I had worked

345

00:16:21,249 --> 00:16:18,350

before Denver and the reason why I bring

346

00:16:25,059 --> 00:16:21,259

up all these journalism awards I was

347

00:16:29,019 --> 00:16:25,069

known and awarded and written about in

348

00:16:32,859 --> 00:16:29,029

the newspapers as this science medical

349

00:16:35,139 --> 00:16:32,869

and environment TV producer who kept

350

00:16:37,989 --> 00:16:35,149

winning all of these awards meaning I

351  
00:16:40,569 --> 00:16:37,999  
was doing hard journalism my

352  
00:16:43,179 --> 00:16:40,579  
documentaries were hard journalism my

353  
00:16:45,489 --> 00:16:43,189  
live studio shows or the audiences were

354  
00:16:48,069 --> 00:16:45,499  
hard journalism and when I did news

355  
00:16:50,470 --> 00:16:48,079  
reports they were always about hard

356  
00:16:52,509 --> 00:16:50,480  
physical evidence that I was pursuing

357  
00:16:54,549 --> 00:16:52,519  
and whatever the subjects were in news

358  
00:16:58,449 --> 00:16:54,559  
that related to my documentaries or the

359  
00:17:01,349 --> 00:16:58,459  
live studio shows so when I took this

360  
00:17:05,289 --> 00:17:01,359  
subject on you've got to remember

361  
00:17:11,279 --> 00:17:05,299  
hundreds that not dozens hundreds of

362  
00:17:17,289 --> 00:17:11,289  
cases of the same bloodless excisions in

363  
00:17:21,429 --> 00:17:17,299

cattle horses sheep goats dogs cats deer

364

00:17:25,840 --> 00:17:21,439

and elk were being reported all over

365

00:17:28,629 --> 00:17:25,850

that not only just Colorado but the in

366

00:17:32,080 --> 00:17:28,639

every state in the United States now and

367

00:17:34,330 --> 00:17:32,090

every province of Canada literally has

368

00:17:36,779 --> 00:17:34,340

had animal mutilation reports of the

369

00:17:41,080 --> 00:17:36,789

type I'm describing every single one and

370

00:17:44,200 --> 00:17:41,090

that the the physical evidence of what

371

00:17:49,419 --> 00:17:44,210

was occurring in September of 79 is why

372

00:17:53,250 --> 00:17:49,429

I took it on so how can I be a medical

373

00:17:56,830 --> 00:17:53,260

science and environment reporter who has

374

00:17:58,389 --> 00:17:56,840

constantly been getting awards for doing

375

00:18:00,549 --> 00:17:58,399

investigations that have been on

376

00:18:04,930 --> 00:18:00,559

television in areas having to do with

377

00:18:07,509 --> 00:18:04,940

pollution and water contamination and

378

00:18:09,370 --> 00:18:07,519

all of that and then try to get to the

379

00:18:13,019 --> 00:18:09,380

bottom of what is happening to all of

380

00:18:16,029 --> 00:18:13,029

these physically visible forensically

381

00:18:17,170 --> 00:18:16,039

examined by veterinarian animals

382

00:18:19,930 --> 00:18:17,180

it was happening ever

383

00:18:23,320 --> 00:18:19,940

where that's hard that there's nothing

384

00:18:25,720 --> 00:18:23,330

about it that is that is anything but

385

00:18:28,600 --> 00:18:25,730

hard physical evidence so I'm bringing

386

00:18:30,610 --> 00:18:28,610

to bear the same investigative

387

00:18:32,580 --> 00:18:30,620

journalism that I was using at Stanford

388

00:18:35,080 --> 00:18:32,590

## University and other television programs

389

00:18:36,820 --> 00:18:35,090

to try to get to the bottom of what was

390

00:18:41,680 --> 00:18:36,830

happening with all these animals the

391

00:18:45,820 --> 00:18:41,690

surprise was that I did not know in

392

00:18:49,690 --> 00:18:45,830

September of 79 that in March and April

393

00:18:52,540 --> 00:18:49,700

and May of 1980 that I would be sitting

394

00:18:54,460 --> 00:18:52,550

with people like Lea sprinkle who was

395

00:18:56,830 --> 00:18:54,470

director of counseling and testing at

396

00:18:58,300 --> 00:18:56,840

the University of Wyoming and he was

397

00:18:59,650 --> 00:18:58,310

working with people in the human

398

00:19:04,300 --> 00:18:59,660

abduction syndrome

399

00:19:07,030 --> 00:19:04,310

one of which Judy Doherty we flew to do

400

00:19:10,060 --> 00:19:07,040

a hypnosis session for my documentary

401  
00:19:12,970 --> 00:19:10,070  
that I called a strange harvest and she

402  
00:19:15,310 --> 00:19:12,980  
and her daughter were picked up in a

403  
00:19:17,260 --> 00:19:15,320  
pail beam of yellow light just like

404  
00:19:20,260 --> 00:19:17,270  
people had described happening to

405  
00:19:23,080 --> 00:19:20,270  
animals and they are picked up and you

406  
00:19:28,450 --> 00:19:23,090  
know some sort of a craft outside of

407  
00:19:33,190 --> 00:19:28,460  
Houston and both saw and watched small

408  
00:19:35,830 --> 00:19:33,200  
gray entities excise tissue from a calf

409  
00:19:38,830 --> 00:19:35,840  
that they both saw rising in a beam of

410  
00:19:43,030 --> 00:19:38,840  
light that is one of the most grounded

411  
00:19:45,580 --> 00:19:43,040  
detailed I would say in in terms of the

412  
00:19:47,650 --> 00:19:45,590  
human abduction syndrome investigations

413  
00:19:49,300 --> 00:19:47,660

that I've ever done was the mother and

414

00:19:51,310 --> 00:19:49,310

the daughter that were picked up in a

415

00:19:53,890 --> 00:19:51,320

beam of light and they watched the

416

00:19:57,610 --> 00:19:53,900

excisions from a calf that they saw

417

00:20:00,550 --> 00:19:57,620

arise in the beam of light well what did

418

00:20:03,250 --> 00:20:00,560

they both learn and this is so important

419

00:20:06,310 --> 00:20:03,260

to communicate tonight because a lot of

420

00:20:09,010 --> 00:20:06,320

people say well isn't this just so scary

421

00:20:10,960 --> 00:20:09,020

how could you possibly go out into the

422

00:20:14,950 --> 00:20:10,970

world by yourself and go into these

423

00:20:19,450 --> 00:20:14,960

pastures and investigate I don't know of

424

00:20:21,190 --> 00:20:19,460

a single example anywhere where there

425

00:20:24,010 --> 00:20:21,200

have been animal mutilations that

426  
00:20:25,900 --> 00:20:24,020  
anything has happened to humans and in

427  
00:20:28,360 --> 00:20:25,910  
the case of Judy Dougherty and her

428  
00:20:30,830 --> 00:20:28,370  
daughter Cindy when they were taken up

429  
00:20:34,070 --> 00:20:30,840  
in a beam of light into some kind of a

430  
00:20:36,370 --> 00:20:34,080  
room where it was almost as if the gray

431  
00:20:39,770 --> 00:20:36,380  
entities that had vertical pupil eyes

432  
00:20:42,950 --> 00:20:39,780  
underneath their lenses that they were

433  
00:20:46,010 --> 00:20:42,960  
showing and seemingly wanted wanting to

434  
00:20:48,370 --> 00:20:46,020  
communicate to the mother and the

435  
00:20:51,800 --> 00:20:48,380  
daughter that there was something very

436  
00:20:54,770 --> 00:20:51,810  
important and urgent about the work that

437  
00:20:57,680 --> 00:20:54,780  
they were doing that humans wouldn't

438  
00:21:01,220 --> 00:20:57,690

understand that that it had to do with

439

00:21:05,500 --> 00:21:01,230

contamination of our planet and that day

440

00:21:08,960 --> 00:21:05,510

themselves were trying to find a way to

441

00:21:10,760 --> 00:21:08,970

prevent some kind of contamination so

442

00:21:13,690 --> 00:21:10,770

this was the first time that I was

443

00:21:16,280 --> 00:21:13,700

exposed to the concept that we are

444

00:21:17,930 --> 00:21:16,290

definitely we have extraterrestrial

445

00:21:20,150 --> 00:21:17,940

intelligences interacting with this

446

00:21:22,250 --> 00:21:20,160

planet and they have been for millions

447

00:21:25,280 --> 00:21:22,260

of years the government people say and

448

00:21:27,830 --> 00:21:25,290

that there are always monitoring they're

449

00:21:30,200 --> 00:21:27,840

always working genetically they may

450

00:21:33,230 --> 00:21:30,210

harvest some material for sustenance

451  
00:21:36,380 --> 00:21:33,240  
meaning food but then a lot of it has to

452  
00:21:39,740 --> 00:21:36,390  
do with tracking and monitoring and

453  
00:21:44,150 --> 00:21:39,750  
trying to constantly be doing something

454  
00:21:48,740 --> 00:21:44,160  
to help this planet and even though in

455  
00:21:51,950 --> 00:21:48,750  
by 2014 there have been equally it

456  
00:21:54,860 --> 00:21:51,960  
sounds like dangerous stories that maybe

457  
00:21:57,380 --> 00:21:54,870  
not all nonhumans interacting with the

458  
00:21:59,420 --> 00:21:57,390  
planet have the same agendas that some

459  
00:22:02,240 --> 00:21:59,430  
of them may be in conflict with each

460  
00:22:05,750 --> 00:22:02,250  
other that it's quite complicated there

461  
00:22:08,780 --> 00:22:05,760  
still is no evidence today that the

462  
00:22:11,900 --> 00:22:08,790  
ranchers are being hurt in any way and

463  
00:22:13,730 --> 00:22:11,910

I'm proof that I have been it's I don't

464

00:22:18,110 --> 00:22:13,740

know how many hundreds of miles in this

465

00:22:20,750 --> 00:22:18,120

story and I'm still here but I want to I

466

00:22:23,510 --> 00:22:20,760

want to give one more piece that I think

467

00:22:26,120 --> 00:22:23,520

is very important for people who are

468

00:22:28,730 --> 00:22:26,130

listening to understand that we are

469

00:22:31,610 --> 00:22:28,740

dealing with some kind of intelligence

470

00:22:33,850 --> 00:22:31,620

that has some reason for why it is

471

00:22:37,910 --> 00:22:33,860

mutilating animals and abducting humans

472

00:22:41,180 --> 00:22:37,920

and but it seems to have some I'm always

473

00:22:43,650 --> 00:22:41,190

going to say sense of humor but you know

474

00:22:48,540 --> 00:22:43,660

it almost is like humans paid

475

00:22:53,640 --> 00:22:48,550

attention one year ago in September of

476  
00:22:56,400 --> 00:22:53,650  
2013 it was about a hundred and ninety

477  
00:23:00,030 --> 00:22:56,410  
miles straight east of Denver you come

478  
00:23:03,390 --> 00:23:00,040  
to the corner of Nebraska Kansas in

479  
00:23:07,500 --> 00:23:03,400  
Colorado right there is a little

480  
00:23:11,580 --> 00:23:07,510  
ranching town called Hagler H AIG I ER

481  
00:23:15,450 --> 00:23:11,590  
Haigler Nebraska and a year ago the

482  
00:23:17,670 --> 00:23:15,460  
owner of the windmill Angus ranch his

483  
00:23:20,520 --> 00:23:17,680  
name is Alex Peterson he got ahold of me

484  
00:23:23,730 --> 00:23:20,530  
because he had half a dozen mutilations

485  
00:23:27,510 --> 00:23:23,740  
of his prized Angus cattle and they were

486  
00:23:29,220 --> 00:23:27,520  
all pregnant and there are a lot of

487  
00:23:33,330 --> 00:23:29,230  
things that happened that were highly

488  
00:23:37,530 --> 00:23:33,340

strange but the strangest was the August

489

00:23:41,310 --> 00:23:37,540

first mutilation about a 1,300 to 1,700

490

00:23:44,060 --> 00:23:41,320

pound big pregnant cow after he had had

491

00:23:49,190 --> 00:23:44,070

three or four others leading up to her

492

00:23:51,390 --> 00:23:49,200

and he said when he called me he said I

493

00:23:54,150 --> 00:23:51,400

have been told that you have

494

00:23:56,580 --> 00:23:54,160

investigated the mutilation of animals

495

00:23:58,950 --> 00:23:56,590

around the world and he said I want to

496

00:24:03,150 --> 00:23:58,960

know if you've ever investigated a case

497

00:24:07,140 --> 00:24:03,160

or a big large pregnant cow has been

498

00:24:10,740 --> 00:24:07,150

dropped straight down nose down first

499

00:24:14,160 --> 00:24:10,750

into a small hole into a pasture leaving

500

00:24:17,160 --> 00:24:14,170

the pregnant body to flop over on to the

501  
00:24:19,050 --> 00:24:17,170  
pasture girl well and I told him I said

502  
00:24:22,680 --> 00:24:19,060  
I don't think I've ever heard of such a

503  
00:24:26,550 --> 00:24:22,690  
thing can you send me photos and he did

504  
00:24:29,930 --> 00:24:26,560  
and at my news website earthfiles calm

505  
00:24:33,260 --> 00:24:29,940  
in the first week of August one year ago

506  
00:24:36,120 --> 00:24:33,270  
there is a whole series of photographs

507  
00:24:38,490 --> 00:24:36,130  
showing this pregnant cow with her nose

508  
00:24:42,030 --> 00:24:38,500  
down in this hole the whole rest of the

509  
00:24:45,090 --> 00:24:42,040  
body all with the same mutilations of

510  
00:24:48,060 --> 00:24:45,100  
all other animals who are usually found

511  
00:24:51,480 --> 00:24:48,070  
lying on their side and Alex Peterson

512  
00:24:56,040 --> 00:24:51,490  
the rancher said to me Linda we had to

513  
00:24:57,600 --> 00:24:56,050

go get a big truck and we had to winter

514

00:24:59,760 --> 00:24:57,610

we had to drag her away

515

00:25:04,200 --> 00:24:59,770

we couldn't do it ourselves - too much

516

00:25:08,360 --> 00:25:04,210

weight when they dragged a ciao pregnant

517

00:25:11,910 --> 00:25:08,370

big beautiful Angus cow with these

518

00:25:15,330 --> 00:25:11,920

excisions that seem to show evidences of

519

00:25:17,580 --> 00:25:15,340

high heat away from that hole Alex

520

00:25:20,010 --> 00:25:17,590

Peterson the rancher said when I looked

521

00:25:23,550 --> 00:25:20,020

down in that hole I couldn't believe it

522

00:25:27,450 --> 00:25:23,560

he said I'm looking at a spiderweb that

523

00:25:30,390 --> 00:25:27,460

had to be right below the cow's nostril

524

00:25:34,620 --> 00:25:30,400

and he said that proved to me that cow

525

00:25:38,280 --> 00:25:34,630

was dropped dead not breathing and not

526

00:25:41,430 --> 00:25:38,290

struggling nose down into this small

527

00:25:42,930 --> 00:25:41,440

hole otherwise her breathing and her

528

00:25:46,230 --> 00:25:42,940

struggling would have destroyed that

529

00:25:49,380 --> 00:25:46,240

spiderweb these are the kind of details

530

00:25:51,950 --> 00:25:49,390

that you find in this strange phenomena

531

00:25:54,690 --> 00:25:51,960

in which extraterrestrial biological

532

00:25:58,050 --> 00:25:54,700

entities for reasons that are not

533

00:26:01,350 --> 00:25:58,060

entirely clear year after year after

534

00:26:02,040 --> 00:26:01,360

year are taking animals from around this

535

00:26:05,970 --> 00:26:02,050

planet

536

00:26:09,500 --> 00:26:05,980

they are subjecting them to some kind of

537

00:26:12,540 --> 00:26:09,510

excision collection genetic collection

538

00:26:14,970 --> 00:26:12,550

protein collections there probably are a

539

00:26:18,570 --> 00:26:14,980

lot of reasons why this is happening

540

00:26:21,300 --> 00:26:18,580

but there is not a single year since I

541

00:26:25,800 --> 00:26:21,310

started working with a crew in September

542

00:26:29,580 --> 00:26:25,810

of 1979 to 2014 that there has not been

543

00:26:32,940 --> 00:26:29,590

at least a dozen or more cases somewhere

544

00:26:36,270 --> 00:26:32,950

in the world each year and the same

545

00:26:36,930 --> 00:26:36,280

ranch same rancher he called me one

546

00:26:40,800 --> 00:26:36,940

month ago

547

00:26:44,010 --> 00:26:40,810

Linda it's happened again and all of you

548

00:26:48,480 --> 00:26:44,020

listening can go to earth files.com I

549

00:26:50,910 --> 00:26:48,490

filed this under environment and it is

550

00:26:54,900 --> 00:26:50,920

another bizarre pregnant cow mutilation

551  
00:27:00,480 --> 00:26:54,910  
in Haigler Nebraska and in this one it

552  
00:27:02,550 --> 00:27:00,490  
is a when you look at this one the only

553  
00:27:07,920 --> 00:27:02,560  
difference from a year ago and the half

554  
00:27:09,840 --> 00:27:07,930  
dozen is that the sky facing head

555  
00:27:11,160 --> 00:27:09,850  
it's lying on its right side to the left

556  
00:27:13,290 --> 00:27:11,170  
is up

557  
00:27:16,560 --> 00:27:13,300  
mutilations have always had the sky

558  
00:27:20,280 --> 00:27:16,570  
facing side of the body where an ear is

559  
00:27:23,100 --> 00:27:20,290  
missing I and so forth rarely has there

560  
00:27:26,190 --> 00:27:23,110  
been the underneath ear taken but in

561  
00:27:29,730 --> 00:27:26,200  
this one both ears were taken from this

562  
00:27:31,110 --> 00:27:29,740  
cow goodness right I hate you out there

563  
00:27:32,460 --> 00:27:31,120

but we got to get to our first break

564

00:27:34,200 --> 00:27:32,470

here you guys feel okay

565

00:27:35,810 --> 00:27:34,210

566

00:27:38,040 --> 00:27:35,820

radio network um we'll be right back

567

568

00:27:40,920 --> 00:27:38,920

to me honey house

569

00:27:42,330 --> 00:27:40,930

the Outlander remembering always if it's

570

00:27:45,150 --> 00:27:42,340

weird we're here and we're giving you

571

00:27:48,690 --> 00:27:45,160

advice and insight on outlandish topics

572

00:27:51,270 --> 00:27:48,700

and I have the fabulous Linda Moulton

573

00:27:54,110 --> 00:27:51,280

Howe we are talking about cattle

574

00:27:58,010 --> 00:27:54,120

mutilations and here is speaking about

575

00:28:01,860 --> 00:27:58,020

that this cow that was found and

576

00:28:04,440 --> 00:28:01,870

Nebraska facedown in a hole and now a

577

00:28:06,300 --> 00:28:04,450

complete year later you're about to

578

00:28:08,220 --> 00:28:06,310

finish up the story and what happened to

579

00:28:11,220 --> 00:28:08,230

yet another cow in a very similar

580

00:28:13,470 --> 00:28:11,230

situation well this is the same Rancher

581

00:28:17,490 --> 00:28:13,480

and the cow that I'm talking about that

582

00:28:25,130 --> 00:28:17,500

he reported to me in just September 10th

583

00:28:28,820 --> 00:28:25,140

I it was found 150 feet only 150 feet

584

00:28:31,710 --> 00:28:28,830

north of where three of his pregnant

585

00:28:34,650 --> 00:28:31,720

mutilated Angus were placed a year ago

586

00:28:37,230 --> 00:28:34,660

he doesn't understand what is it about

587

00:28:39,690 --> 00:28:37,240

this one location all now it would be

588

00:28:42,570 --> 00:28:39,700

seven mutilated animals in 12 months

589

00:28:44,880 --> 00:28:42,580

have all been in the same area of this

590

00:28:47,580 --> 00:28:44,890

big Angus ranch that has been there in

591

00:28:50,640 --> 00:28:47,590

hey go and Nebraska for 50 years

592

00:28:53,640 --> 00:28:50,650

his family its well-respected they

593

00:28:57,750 --> 00:28:53,650

raised the highest-quality Angus and

594

00:29:00,870 --> 00:28:57,760

suddenly after 50 years but in 12 months

595

00:29:02,460 --> 00:29:00,880

they have had seven mutilated animals

596

00:29:03,930 --> 00:29:02,470

and the one that I'm talking about now

597

00:29:07,650 --> 00:29:03,940

that he found Wednesday morning

598

00:29:10,170 --> 00:29:07,660

September 10th it had the classic sky

599

00:29:13,890 --> 00:29:10,180

facing left side of the jaw missing with

600

00:29:18,270 --> 00:29:13,900

both ears taken the eye sky facing out

601  
00:29:21,360 --> 00:29:18,280  
three of the four teats were taken one

602  
00:29:23,910 --> 00:29:21,370  
is perfectly untouched when you come

603  
00:29:27,120 --> 00:29:23,920  
down to the dewclaws these

604  
00:29:31,890 --> 00:29:27,130  
if you look at the four hoods of any

605  
00:29:33,960 --> 00:29:31,900  
cattle or deer ungulates they have what

606  
00:29:36,300 --> 00:29:33,970  
are called dewclaws up usually three or

607  
00:29:39,120 --> 00:29:36,310  
four inches up above the hoof there on

608  
00:29:42,450 --> 00:29:39,130  
the back there's a pair and they stick

609  
00:29:46,470 --> 00:29:42,460  
out there like nodules in this September

610  
00:29:49,560 --> 00:29:46,480  
10th mutilated Angus not only are they

611  
00:29:52,650 --> 00:29:49,570  
severed it is so clean and that the

612  
00:29:55,050 --> 00:29:52,660  
edges of where the dewclaws were removed

613  
00:29:57,600 --> 00:29:55,060

look clearly as if they have been done

614

00:30:00,120 --> 00:29:57,610

with heat that melted the collagen and

615

00:30:03,900 --> 00:30:00,130

the tissue that's what Alex Peterson

616

00:30:06,090 --> 00:30:03,910

thought - and throughout 35 years of

617

00:30:09,600 --> 00:30:06,100

investigating hundreds and hundreds of

618

00:30:12,660 --> 00:30:09,610

mutilated animals only about a half a

619

00:30:15,420 --> 00:30:12,670

dozen times have I had cases where the

620

00:30:18,540 --> 00:30:15,430

dewclaws had been excised and this is

621

00:30:21,570 --> 00:30:18,550

the cleanest most remarkable like they

622

00:30:22,650 --> 00:30:21,580

were melted off that I personally have

623

00:30:25,860 --> 00:30:22,660

ever seen

624

00:30:29,390 --> 00:30:25,870

well now we're so we're in this ranch in

625

00:30:31,980 --> 00:30:29,400

the very far southwest corner of

626  
00:30:35,490 --> 00:30:31,990  
Nebraska near the Colorado and Kansas

627  
00:30:37,440 --> 00:30:35,500  
lines and you've got this ranch to spend

628  
00:30:40,770 --> 00:30:37,450  
there for 50 years nothing like this has

629  
00:30:42,810 --> 00:30:40,780  
ever happened and last year they they

630  
00:30:48,000 --> 00:30:42,820  
have half a dozen and now they have had

631  
00:30:51,690 --> 00:30:48,010  
this one well this year unlike last year

632  
00:30:54,300 --> 00:30:51,700  
did not have this part right after on

633  
00:30:59,820 --> 00:30:54,310  
around when they found this mutilated

634  
00:31:02,850 --> 00:30:59,830  
Angus pregnant cow on September 10th the

635  
00:31:07,230 --> 00:31:02,860  
Alex Peterson at night after midnight

636  
00:31:08,190 --> 00:31:07,240  
was out in the area where the cows were

637  
00:31:12,090 --> 00:31:08,200  
mutilated

638  
00:31:15,780 --> 00:31:12,100

and someone something came up on his

639

00:31:18,810 --> 00:31:15,790

bumper and it was an SUV and it was

640

00:31:20,550 --> 00:31:18,820

going very he was doing 80 and he said

641

00:31:23,820 --> 00:31:20,560

this came up and stayed on his bumper

642

00:31:27,300 --> 00:31:23,830

and when it went past it looked like two

643

00:31:30,030 --> 00:31:27,310

men with a computer in between them with

644

00:31:33,240 --> 00:31:30,040

equipment up on the dashboard the way

645

00:31:37,350 --> 00:31:33,250

you think of police or military no

646

00:31:42,810 --> 00:31:37,360

license plates were visible then it

647

00:31:45,620 --> 00:31:42,820

only it was September 18th and 19th so

648

00:31:48,120 --> 00:31:45,630

that would have been one week later a

649

00:31:50,340 --> 00:31:48,130

temporary hired hand named Michael

650

00:31:54,240 --> 00:31:50,350

Knight I interviewed him on the record

651  
00:31:58,440 --> 00:31:54,250  
about all of this he was driving home

652  
00:32:01,590 --> 00:31:58,450  
past Alex Peterson's ranch again it was

653  
00:32:05,280 --> 00:32:01,600  
after midnight and he looks out and sees

654  
00:32:07,200 --> 00:32:05,290  
a beam of light coming from a light in

655  
00:32:09,660 --> 00:32:07,210  
the sky you can see the beam coming down

656  
00:32:11,580 --> 00:32:09,670  
it's right over the area where the

657  
00:32:14,880 --> 00:32:11,590  
mutilated animals had been found the

658  
00:32:18,300 --> 00:32:14,890  
last 12 months he even sees something

659  
00:32:21,030 --> 00:32:18,310  
black what appears to be rising in the

660  
00:32:23,460 --> 00:32:21,040  
beam when I asked him could it be a been

661  
00:32:26,070 --> 00:32:23,470  
an animal being taken up he said yeah it

662  
00:32:28,230 --> 00:32:26,080  
might have been he said it stayed this

663  
00:32:30,540 --> 00:32:28,240

beam stayed on for three to five minutes

664

00:32:36,270 --> 00:32:30,550

and then it just disappeared light and

665

00:32:40,230 --> 00:32:36,280

demon all and then he realized when the

666

00:32:45,840 --> 00:32:40,240

beam and the light disappeared three all

667

00:32:48,450 --> 00:32:45,850

black Suburbans to pass him one comes

668

00:32:51,540 --> 00:32:48,460

right up to his bumper just like it did

669

00:32:55,320 --> 00:32:51,550

with Alex Peterson Wow and the this guy

670

00:32:58,020 --> 00:32:55,330

says it's after midnight I'm doing 70

671

00:32:59,790 --> 00:32:58,030

miles an hour two of these SUVs passed

672

00:33:02,400 --> 00:32:59,800

me like I wasn't even moving

673

00:33:05,220 --> 00:33:02,410

and the third suburban got right behind

674

00:33:08,970 --> 00:33:05,230

me and stayed behind me for about a mile

675

00:33:12,570 --> 00:33:08,980

before it passed me and he said I could

676  
00:33:15,270 --> 00:33:12,580  
not see any license plates but just like

677  
00:33:17,790 --> 00:33:15,280  
with Alex when the third one passed him

678  
00:33:19,830 --> 00:33:17,800  
he could see what looked like two men

679  
00:33:24,690 --> 00:33:19,840  
with a computer that computer screen

680  
00:33:27,420 --> 00:33:24,700  
light in the front now Alex said to me

681  
00:33:29,870 --> 00:33:27,430  
Linda this obviously this has all the

682  
00:33:34,110 --> 00:33:29,880  
earmarks of the government I said yeah

683  
00:33:35,850 --> 00:33:34,120  
30 years ago 35 years ago there were

684  
00:33:38,460 --> 00:33:35,860  
ranchers that were calling sheriff's

685  
00:33:42,660 --> 00:33:38,470  
offices in Colorado and reporting all

686  
00:33:44,760 --> 00:33:42,670  
white vans no license plates parked

687  
00:33:47,940 --> 00:33:44,770  
around their pastures where the

688  
00:33:50,060 --> 00:33:47,950

mutilated animals were and 35 years ago

689

00:33:52,740 --> 00:33:50,070

everybody came to the same

690

00:33:55,799 --> 00:33:52,750

conclusion that Alex Peterson and his

691

00:33:58,680 --> 00:33:55,809

ranch hands are beginning to wonder that

692

00:34:01,620 --> 00:33:58,690

the government was monitoring whatever

693

00:34:03,720 --> 00:34:01,630

was doing the animal mutilations the

694

00:34:06,810 --> 00:34:03,730

government doesn't do the animal

695

00:34:09,540 --> 00:34:06,820

mutilations the government monitors and

696

00:34:13,740 --> 00:34:09,550

that what has been going on in Haigler

697

00:34:18,330 --> 00:34:13,750

Nebraska suddenly here are what has to

698

00:34:21,629 --> 00:34:18,340

be government operation SUV's out in

699

00:34:23,820 --> 00:34:21,639

those ranch lands after midnight means

700

00:34:27,360 --> 00:34:23,830

they're monitoring something that is

701  
00:34:29,850 --> 00:34:27,370  
going on in the dark and what goes on in

702  
00:34:32,399 --> 00:34:29,860  
the dark the mutilations almost always

703  
00:34:34,440 --> 00:34:32,409  
happen during the night hours and are

704  
00:34:37,950 --> 00:34:34,450  
found in the early morning that is the

705  
00:34:40,919 --> 00:34:37,960  
case in all of Alex Pearson's so it

706  
00:34:44,940 --> 00:34:40,929  
comes down to this still this question

707  
00:34:46,740 --> 00:34:44,950  
who or what is mutilating these and

708  
00:34:50,909 --> 00:34:46,750  
killing these animals all over the

709  
00:34:53,790 --> 00:34:50,919  
planet and why there's no question it is

710  
00:34:55,409 --> 00:34:53,800  
non-human intelligence from my point of

711  
00:34:59,760 --> 00:34:55,419  
view in law enforcement point of view

712  
00:35:04,260 --> 00:34:59,770  
and the reason seems to fall into these

713  
00:35:07,050 --> 00:35:04,270

various categories of possibly keeping

714

00:35:10,590 --> 00:35:07,060

track of some sort of contamination on

715

00:35:13,620 --> 00:35:10,600

the earth and for sustenance and for

716

00:35:17,150 --> 00:35:13,630

genetic manipulation all of which the

717

00:35:21,060 --> 00:35:17,160

government thinks that you I and

718

00:35:25,890 --> 00:35:21,070

humanity cannot hear this truth without

719

00:35:28,230 --> 00:35:25,900

panicking I don't - malarkey true that

720

00:35:29,940 --> 00:35:28,240

we all deserve the truth and that's what

721

00:35:31,710 --> 00:35:29,950

I've been trying to report all these

722

00:35:35,760 --> 00:35:31,720

years and you know what I could hear

723

00:35:38,430 --> 00:35:35,770

just outright passion behind your words

724

00:35:42,750 --> 00:35:38,440

your actions and all that you do and

725

00:35:44,520 --> 00:35:42,760

it's it's such a I don't know how to say

726

00:35:47,040 --> 00:35:44,530

it's it's one of those battles where

727

00:35:50,130 --> 00:35:47,050

it's like people don't realize how deep

728

00:35:52,980 --> 00:35:50,140

in the trenches it takes to be to be

729

00:35:54,450 --> 00:35:52,990

able to pull this up you know and put it

730

00:35:56,880 --> 00:35:54,460

out there in the right way and you just

731

00:35:59,610 --> 00:35:56,890

want to pull out the picture book and

732

00:36:01,710 --> 00:35:59,620

say look this is in your face this isn't

733

00:36:03,079 --> 00:36:01,720

like oh somebody snapped a picture you

734

00:36:05,180 --> 00:36:03,089

could put your hand inside the

735

00:36:08,150 --> 00:36:05,190

carcass of these beasts if you wanted to

736

00:36:11,299 --> 00:36:08,160

it's right there in your face and it's

737

00:36:13,660 --> 00:36:11,309

just not hitting the public the way it

738

00:36:16,910 --> 00:36:13,670

shouldn't it like so frustrating

739

00:36:19,880 --> 00:36:16,920

government has had a policy of denial

740

00:36:21,739 --> 00:36:19,890

they have worked overtime to keep this

741

00:36:24,140 --> 00:36:21,749

from the public in the media and one

742

00:36:26,930 --> 00:36:24,150

government guy even said to me Linda you

743

00:36:29,299 --> 00:36:26,940

have broad sighted that was his verb you

744

00:36:31,999 --> 00:36:29,309

have broad sighted the US government on

745

00:36:34,609 --> 00:36:32,009

animal mutilations they never expected

746

00:36:37,219 --> 00:36:34,619

that a credible TV producer and reporter

747

00:36:39,589 --> 00:36:37,229

would take on this subject or my god

748

00:36:40,489 --> 00:36:39,599

it's hard physical evidence all around

749

00:36:42,829 --> 00:36:40,499

the world

750

00:36:44,599 --> 00:36:42,839

everyone should be paying attention to

751  
00:36:46,910 --> 00:36:44,609  
what is happening to these mutilated

752  
00:36:48,410 --> 00:36:46,920  
animals way to go and that's it you

753  
00:36:51,529 --> 00:36:48,420  
really were one of the first to bring

754  
00:36:53,959 --> 00:36:51,539  
credibility to such things I mean and

755  
00:36:56,390 --> 00:36:53,969  
this outright I mean mutilations this is

756  
00:36:56,779 --> 00:36:56,400  
this was your gig I mean you brought it

757  
00:36:59,509 --> 00:36:56,789  
up

758  
00:37:01,160 --> 00:36:59,519  
you found the answers and you put it in

759  
00:37:03,170 --> 00:37:01,170  
people's faces what do you think it's

760  
00:37:04,940 --> 00:37:03,180  
gonna take for us to like take some of

761  
00:37:06,469 --> 00:37:04,950  
these carcasses I live in Chicago and

762  
00:37:10,039 --> 00:37:06,479  
drag it right in the middle of Michigan

763  
00:37:12,829 --> 00:37:10,049

Avenue one and say look people here it

764

00:37:16,009 --> 00:37:12,839

is you tell me what this is I mean what

765

00:37:20,239 --> 00:37:16,019

is it going to take well I have really

766

00:37:24,620 --> 00:37:20,249

tried to make it accessible in I just

767

00:37:27,200 --> 00:37:24,630

gotten well ten days ago a new updated

768

00:37:30,739 --> 00:37:27,210

second edition of my very first book an

769

00:37:33,349 --> 00:37:30,749

alien harvest I've done four and this is

770

00:37:37,489 --> 00:37:33,359

the eight and a half by eleven format

771

00:37:40,039 --> 00:37:37,499

with 480 pages with color photographs

772

00:37:45,709 --> 00:37:40,049

and black and white and documents and

773

00:37:48,799 --> 00:37:45,719

maps throughout and it is a book that I

774

00:37:51,349 --> 00:37:48,809

wish everybody would have because when

775

00:37:54,170 --> 00:37:51,359

you go through an alien harvest and my

776

00:37:56,569 --> 00:37:54,180

subtitle is further evidence linking

777

00:37:59,120 --> 00:37:56,579

animal mutilations inhuman abductions so

778

00:38:01,549 --> 00:37:59,130

alien life forms and the four words are

779

00:38:04,420 --> 00:38:01,559

by Jacques Vallee and Jim Mars two

780

00:38:08,229 --> 00:38:04,430

longtime friends and colleagues of mine

781

00:38:12,349 --> 00:38:08,239

then you are seeing for yourself

782

00:38:15,680 --> 00:38:12,359

photographs from sheriff's offices with

783

00:38:16,339 --> 00:38:15,690

offense reports with pathology reports

784

00:38:25,130 --> 00:38:16,349

with

785

00:38:28,519 --> 00:38:25,140

descriptions that come from ranchers

786

00:38:32,150 --> 00:38:28,529

that I think I have a hundred and ten

787

00:38:35,120 --> 00:38:32,160

newspaper headlines articles stories

788

00:38:39,769 --> 00:38:35,130

that are woven throughout this big book

789

00:38:42,109 --> 00:38:39,779

that show from the 70s to 2014

790

00:38:46,029 --> 00:38:42,119

there's updates on every single page

791

00:38:48,559 --> 00:38:46,039

that are current from this year and that

792

00:38:51,620 --> 00:38:48,569

when you realize that you're holding

793

00:38:54,289 --> 00:38:51,630

four hundred and eighty pages with so

794

00:38:56,299 --> 00:38:54,299

much evidence from the standpoint of

795

00:38:58,190 --> 00:38:56,309

these being authentic ors and

796

00:39:01,870 --> 00:38:58,200

photographs and documents and lab

797

00:39:06,079 --> 00:39:01,880

reports and maps and illustrations of

798

00:39:08,809 --> 00:39:06,089

something that is real and that it is as

799

00:39:11,150 --> 00:39:08,819

relevant today in this brand-new second

800

00:39:14,420 --> 00:39:11,160

edition of an alien harvest that I've

801  
00:39:19,460 --> 00:39:14,430  
done as it was when it came out in 1989

802  
00:39:22,120 --> 00:39:19,470  
and that this is a phenomena that keeps

803  
00:39:25,489 --> 00:39:22,130  
on going that people should know about

804  
00:39:28,150 --> 00:39:25,499  
that policies of lies in denial about

805  
00:39:30,529 --> 00:39:28,160  
the presence of another intelligence

806  
00:39:33,529 --> 00:39:30,539  
interacting with this planet should not

807  
00:39:37,969 --> 00:39:33,539  
be denied from the seven billion people

808  
00:39:40,729 --> 00:39:37,979  
on the planet and that this is the this

809  
00:39:43,759 --> 00:39:40,739  
is the reason why I think there is such

810  
00:39:48,400 --> 00:39:43,769  
a strong disconnect now also between the

811  
00:39:52,099 --> 00:39:48,410  
99% and the 1% on this planet because

812  
00:39:53,539 --> 00:39:52,109  
everyone everywhere in every country is

813  
00:39:55,759 --> 00:39:53,549

facing the same issue

814

00:39:57,890 --> 00:39:55,769

no one believes their governments

815

00:40:01,130 --> 00:39:57,900

anymore because governments have been

816

00:40:04,249 --> 00:40:01,140

defining themselves and with policies of

817

00:40:07,400 --> 00:40:04,259

denial in life since World War two and

818

00:40:11,019 --> 00:40:07,410

that is crazy to be on a planet where

819

00:40:13,910 --> 00:40:11,029

everything that is going on related to

820

00:40:16,910 --> 00:40:13,920

extraterrestrial presences is lied about

821

00:40:19,729 --> 00:40:16,920

we are told they don't exist we're alone

822

00:40:23,509 --> 00:40:19,739

in the universe and it's it's a it were

823

00:40:25,160 --> 00:40:23,519

on a concocted planet so I'm hoping that

824

00:40:27,079 --> 00:40:25,170

all of the work that I have done it

825

00:40:29,040 --> 00:40:27,089

started with the hard physical evidence

826

00:40:30,900 --> 00:40:29,050

of animal mutilations and

827

00:40:34,290 --> 00:40:30,910

evolved through the human abduction

828

00:40:36,510 --> 00:40:34,300

syndrome and went to government policies

829

00:40:38,700 --> 00:40:36,520

of denial and what military people have

830

00:40:42,480 --> 00:40:38,710

told me what people who have worked for

831

00:40:44,850 --> 00:40:42,490

the CIA NSA dia have told me on up

832

00:40:48,480 --> 00:40:44,860

through crop formations which are some

833

00:40:51,660 --> 00:40:48,490

sort of I think a relationship to

834

00:40:53,910 --> 00:40:51,670

something out there but perhaps not the

835

00:40:54,780 --> 00:40:53,920

same that is involved with the

836

00:40:57,270 --> 00:40:54,790

mutilations

837

00:40:59,460 --> 00:40:57,280

but coming up to this current day I

838

00:41:02,910 --> 00:40:59,470

don't see how we're going to get past

839

00:41:06,000 --> 00:41:02,920

another five years without finally every

840

00:41:08,900 --> 00:41:06,010

newspaper television radio around the

841

00:41:11,970 --> 00:41:08,910

world finally having the big headline

842

00:41:15,570 --> 00:41:11,980

scientists now report we're not alone in

843

00:41:18,090 --> 00:41:15,580

the universe and once that is finally

844

00:41:20,610 --> 00:41:18,100

established then maybe all the rest of

845

00:41:22,590 --> 00:41:20,620

this truth can come out I so hope that

846

00:41:24,870 --> 00:41:22,600

you're right I just keep thinking and

847

00:41:27,330 --> 00:41:24,880

hoping and praying that it's this year

848

00:41:29,550 --> 00:41:27,340

it's this year but it just I don't know

849

00:41:33,260 --> 00:41:29,560

boy they're powerful they're they're

850

00:41:36,300 --> 00:41:33,270

words of I don't know denial and and

851

00:41:38,070 --> 00:41:36,310

misdirecting all of us it's working and

852

00:41:39,480 --> 00:41:38,080

it makes no sense to me and they're like

853

00:41:41,340 --> 00:41:39,490

oh we can't handle it I'm like well

854

00:41:43,410 --> 00:41:41,350

who's in the government human beings

855

00:41:45,210 --> 00:41:43,420

they're handling it just fine and some

856

00:41:48,060 --> 00:41:45,220

of them are speaking they're telling

857

00:41:49,980 --> 00:41:48,070

their stories but it's just not getting

858

00:41:52,200 --> 00:41:49,990

out there fully in the right way I don't

859

00:41:54,840 --> 00:41:52,210

know it's hiding our intelligence

860

00:41:58,250 --> 00:41:54,850

counters that's what the weather balloon

861

00:42:01,290 --> 00:41:58,260

report was about in 1947 that is what

862

00:42:04,320 --> 00:42:01,300

CGI and Photoshop is used just like

863

00:42:07,350 --> 00:42:04,330

weather balloons 50 years ago everything

864

00:42:09,180 --> 00:42:07,360

that comes out that is real and related

865

00:42:11,180 --> 00:42:09,190

directly to extraterrestrial

866

00:42:14,220 --> 00:42:11,190

interactions with this planet

867

00:42:19,230 --> 00:42:14,230

counterintelligence jumps on it and

868

00:42:21,150 --> 00:42:19,240

comes up with it's a hoax it's CGI or 50

869

00:42:24,510 --> 00:42:21,160

years ago it's a weather balloon those

870

00:42:27,390 --> 00:42:24,520

are lies utterly frustrating oh you know

871

00:42:28,920 --> 00:42:27,400

I you know it wasn't that long ago where

872

00:42:30,540 --> 00:42:28,930

this lovely thing called the internet

873

00:42:33,690 --> 00:42:30,550

didn't exist you had to get off your

874

00:42:36,420 --> 00:42:33,700

Duff get out there get your hands dirty

875

00:42:38,190 --> 00:42:36,430

and look into this stuff now people go

876

00:42:40,740 --> 00:42:38,200

boy I really have a really deep question

877

00:42:42,109 --> 00:42:40,750

here let me google it I'm done they'll

878

00:42:43,940 --> 00:42:42,119

get out and they don't

879

00:42:46,099 --> 00:42:43,950

try to find these answers they just

880

00:42:48,739 --> 00:42:46,109

believe everything that's bed to them it

881

00:42:53,450 --> 00:42:48,749

gets like Holly here's a problem with

882

00:42:57,170 --> 00:42:53,460

relying on Google and the web's that if

883

00:42:59,839 --> 00:42:57,180

we are googling every day

884

00:43:02,779 --> 00:42:59,849

the government is full of intelligent

885

00:43:05,450 --> 00:43:02,789

counter Intel agents who know that and

886

00:43:09,170 --> 00:43:05,460

so what do they do they salt

887

00:43:11,989 --> 00:43:09,180

it's called salting they salt websites

888

00:43:15,319 --> 00:43:11,999

they salt Wikipedia they solve

889

00:43:18,650 --> 00:43:15,329

everything with whatever it is that they

890

00:43:21,190 --> 00:43:18,660

want to divert public attention from to

891

00:43:24,589 --> 00:43:21,200

something that is phony and concocted

892

00:43:27,739 --> 00:43:24,599

they can do it so easily because the web

893

00:43:30,680 --> 00:43:27,749

does not have any editorial reality

894

00:43:32,569 --> 00:43:30,690

checked you have to find I hope

895

00:43:34,279 --> 00:43:32,579

everybody I at least get lots of emails

896

00:43:36,680 --> 00:43:34,289

telling me that people really love

897

00:43:38,900 --> 00:43:36,690

earthfiles because I really work at

898

00:43:42,410 --> 00:43:38,910

trying to do reality checks and facts

899

00:43:44,660 --> 00:43:42,420

and and stay grounded with facts and I'm

900

00:43:47,539 --> 00:43:44,670

reporting science medicine environment

901  
00:43:50,269 --> 00:43:47,549  
in addition to real x-files and you have

902  
00:43:52,670 --> 00:43:50,279  
to go to places like The Guardian The

903  
00:43:55,999 --> 00:43:52,680  
Guardian in England boy do I trust that

904  
00:43:58,519 --> 00:43:56,009  
that is a media and newspaper that I

905  
00:44:01,849 --> 00:43:58,529  
think is one of the best in the world

906  
00:44:03,079 --> 00:44:01,859  
and the New York Times and The

907  
00:44:05,049 --> 00:44:03,089  
Washington Post of the Wall Street

908  
00:44:07,910 --> 00:44:05,059  
Journal are still considered the three

909  
00:44:09,319 --> 00:44:07,920  
most powerful in the United States I

910  
00:44:12,200 --> 00:44:09,329  
don't think they always tell the truth

911  
00:44:14,479 --> 00:44:12,210  
though go figure I don't know how that

912  
00:44:16,099 --> 00:44:14,489  
happens my goodness there's so much to

913  
00:44:17,989 --> 00:44:16,109

cover with you you know I'm getting some

914

00:44:20,569 --> 00:44:17,999

questions here in the chat room don't

915

00:44:22,370 --> 00:44:20,579

worry they're asking about these

916

00:44:24,140 --> 00:44:22,380

mysterious booms that you've been

917

00:44:26,479 --> 00:44:24,150

investigating all over the country do

918

00:44:30,049 --> 00:44:26,489

tell what's going on with that well it

919

00:44:33,470 --> 00:44:30,059

started my very first emails and reports

920

00:44:36,920 --> 00:44:33,480

and phone calls were January 2011 after

921

00:44:42,739 --> 00:44:36,930

some of your listeners might remember it

922

00:44:47,180 --> 00:44:42,749

was Beebe Arkansas and they it was one

923

00:44:49,759 --> 00:44:47,190

hour before New Year's Eve fireworks

924

00:44:53,029 --> 00:44:49,769

this is very important time lines are

925

00:44:55,069 --> 00:44:53,039

critical always this is an hour before

926

00:44:57,979 --> 00:44:55,079

everybody listening knows

927

00:45:02,930 --> 00:44:57,989

New Year's Eve at midnight that's when

928

00:45:06,039 --> 00:45:02,940

fireworks go off not 11 p.m. so at 11

929

00:45:10,120 --> 00:45:06,049

p.m. in Beebe Arkansas there were huge

930

00:45:15,440 --> 00:45:10,130

loud explosions hundreds of people heard

931

00:45:17,019 --> 00:45:15,450

then that night in that hour before the

932

00:45:20,029 --> 00:45:17,029

New Year's Eve

933

00:45:22,370 --> 00:45:20,039

it was I think the final number was

934

00:45:26,749 --> 00:45:22,380

something like seven thousand one

935

00:45:30,469 --> 00:45:26,759

hundred red-winged blackbirds fell out

936

00:45:34,039 --> 00:45:30,479

of the sky covering the ground in like a

937

00:45:37,130 --> 00:45:34,049

carpet in Beebe Arkansas never happened

938

00:45:40,190 --> 00:45:37,140

before everybody was wondering I ended

939

00:45:44,150 --> 00:45:40,200

up talking to some ornithologist about

940

00:45:47,150 --> 00:45:44,160

it the very next day it happened further

941

00:45:53,120 --> 00:45:47,160

south a Beebe Arkansas and for the whole

942

00:45:56,180 --> 00:45:53,130

month of January 2011 from that night we

943

00:45:59,630 --> 00:45:56,190

kept getting reports of loud booms

944

00:46:02,029 --> 00:45:59,640

it went beyond the United States started

945

00:46:04,969 --> 00:46:02,039

being everywhere all around the world

946

00:46:10,009 --> 00:46:04,979

people were reporting loud booms and the

947

00:46:13,969 --> 00:46:10,019

deaths of birds marine animals all kinds

948

00:46:19,699 --> 00:46:13,979

of things fish everything well by the

949

00:46:22,339 --> 00:46:19,709

summer the first six months of a lot of

950

00:46:28,459 --> 00:46:22,349

animal deaths associated with loud boom

951  
00:46:31,549 --> 00:46:28,469  
started shifting and by December I had

952  
00:46:33,709 --> 00:46:31,559  
had reports from many different states

953  
00:46:36,709 --> 00:46:33,719  
of people saying that the windows

954  
00:46:37,549 --> 00:46:36,719  
rattled their doors rattled garage doors

955  
00:46:40,249 --> 00:46:37,559  
rattled

956  
00:46:43,449 --> 00:46:40,259  
it was a huge boom some cases it woke

957  
00:46:45,949 --> 00:46:43,459  
people up but when they ran outside

958  
00:46:49,609 --> 00:46:45,959  
expecting that there was a bomb or an

959  
00:46:51,769 --> 00:46:49,619  
explosion there's nothing totally silent

960  
00:46:54,799 --> 00:46:51,779  
after these booms that would wake up

961  
00:46:56,569 --> 00:46:54,809  
people or they would go out and to

962  
00:47:01,539 --> 00:46:56,579  
standing in the dáil they did happen

963  
00:47:06,249 --> 00:47:01,549

some times in the day well by January

964

00:47:07,459 --> 00:47:06,259

going from New Year's Eve 2011 to 2012

965

00:47:08,049 --> 00:47:07,469

darn

966

00:47:10,089 --> 00:47:08,059

if the

967

00:47:13,359 --> 00:47:10,099

same thing didn't happen again in the

968

00:47:15,459 --> 00:47:13,369

new year's period more blooms more

969

00:47:19,929 --> 00:47:15,469

thousands of birds dropped out of the

970

00:47:26,229 --> 00:47:19,939

sky in that period before New Year's Eve

971

00:47:32,459 --> 00:47:26,239

of 2012 going loving to 12 and by

972

00:47:35,249 --> 00:47:32,469

January of 2012 for the very first time

973

00:47:39,519 --> 00:47:35,259

people had begun to put together

974

00:47:43,599 --> 00:47:39,529

montages at YouTube listen to these

975

00:47:45,459 --> 00:47:43,609

booms listen to these trumpets listen to

976  
00:47:48,400 --> 00:47:45,469  
these metallic and it was the first time

977  
00:47:51,880 --> 00:47:48,410  
that I became aware of what is called

978  
00:47:53,829 --> 00:47:51,890  
the Kiev Ukraine 12-minute videotape

979  
00:47:58,319 --> 00:47:53,839  
that was taken by a woman standing on

980  
00:48:02,049 --> 00:47:58,329  
her balcony in Kiev Ukraine in August of

981  
00:48:04,959 --> 00:48:02,059  
2011 so it never got to the public for

982  
00:48:08,709 --> 00:48:04,969  
about six months and that was the eerie

983  
00:48:11,289 --> 00:48:08,719  
eerie 12 minutes of trumpet sound oh

984  
00:48:14,199 --> 00:48:11,299  
yeah there after that that's wicked one

985  
00:48:17,380 --> 00:48:14,209  
they then trumpet people began all over

986  
00:48:19,539 --> 00:48:17,390  
Canada the United States Mexico Central

987  
00:48:21,759 --> 00:48:19,549  
America South America these trumpet

988  
00:48:24,279 --> 00:48:21,769

sounds started coming with people saying

989

00:48:27,969 --> 00:48:24,289

it must be the apocalypse this is

990

00:48:31,539 --> 00:48:27,979

scaring me and all of that then the

991

00:48:34,059 --> 00:48:31,549

sounds changed to metallic scrapings

992

00:48:38,499 --> 00:48:34,069

everybody said that it sounded like a

993

00:48:40,630 --> 00:48:38,509

road grader on metal and now in 2014 all

994

00:48:44,439 --> 00:48:40,640

of the above everything I've just told

995

00:48:47,979 --> 00:48:44,449

you has been reported in 2014 trumpets

996

00:48:50,410 --> 00:48:47,989

the metallic sounds the loud booms the

997

00:48:53,849 --> 00:48:50,420

shaking of windows and the most recent

998

00:48:56,739 --> 00:48:53,859

reports of the shaking of windows doors

999

00:49:01,089 --> 00:48:56,749

sidewalks everything has been just in

1000

00:49:05,410 --> 00:49:01,099

the last month what it is the closest

1001

00:49:07,499 --> 00:49:05,420

that I can bring to anything is that 18

1002

00:49:10,779 --> 00:49:07,509

months ago I did an interview with the

1003

00:49:13,059 --> 00:49:10,789

geophysicist Stanford University and it

1004

00:49:15,339 --> 00:49:13,069

had to do with a paper that she and

1005

00:49:17,919 --> 00:49:15,349

others had worked on about the fact that

1006

00:49:21,130 --> 00:49:17,929

the core of our planet is changing shape

1007

00:49:21,710 --> 00:49:21,140

and they now know that the mantle of

1008

00:49:27,070 --> 00:49:21,720

this flight

1009

00:49:30,260 --> 00:49:27,080

it has excuse me has more water h<sub>2</sub>o in

1010

00:49:33,589 --> 00:49:30,270

hydrogen/oxygen not water flowing like a

1011

00:49:39,520 --> 00:49:33,599

river but that the molecular structure

1012

00:49:42,740 --> 00:49:39,530

of h<sub>2</sub>o there is more h<sub>2</sub>o molecular

1013

00:49:46,370 --> 00:49:42,750

molecular presence in the mantle below

1014

00:49:50,210 --> 00:49:46,380

our feet this is hard to grasp but its

1015

00:49:53,810 --> 00:49:50,220

fact that according to science has more

1016

00:49:56,390 --> 00:49:53,820

h2o than you would find in all the

1017

00:49:59,990 --> 00:49:56,400

oceans and seas put together on the

1018

00:50:05,060 --> 00:50:00,000

surface of the earth now if there is

1019

00:50:08,930 --> 00:50:05,070

that much fluidity in the mantle from

1020

00:50:12,220 --> 00:50:08,940

which volcanic eruptions come and the

1021

00:50:15,950 --> 00:50:12,230

center of our earth is changing shape

1022

00:50:19,700 --> 00:50:15,960

then something fundamental is going on

1023

00:50:23,810 --> 00:50:19,710

that may be related to these changes

1024

00:50:26,630 --> 00:50:23,820

inside of our planet and that it ties to

1025

00:50:29,240 --> 00:50:26,640

a new report from a very prestigious

1026  
00:50:31,010 --> 00:50:29,250  
scientists only two weeks ago and one of

1027  
00:50:34,910 --> 00:50:31,020  
the most prestigious science journals

1028  
00:50:37,310 --> 00:50:34,920  
they did a study of something like 2700

1029  
00:50:41,599 --> 00:50:37,320  
sites on the earth and they have

1030  
00:50:43,849 --> 00:50:41,609  
concluded our earth the plate tectonics

1031  
00:50:50,470 --> 00:50:43,859  
of the continents of planet Earth right

1032  
00:50:53,510 --> 00:50:50,480  
now in 2014 is more active than it was 2

1033  
00:50:55,820 --> 00:50:53,520  
billion years ago they thought they were

1034  
00:50:57,589 --> 00:50:55,830  
going to find the opposite they thought

1035  
00:51:01,609 --> 00:50:57,599  
they were going to find that the earth

1036  
00:51:04,520 --> 00:51:01,619  
was becoming basically inert that

1037  
00:51:06,829 --> 00:51:04,530  
everything was cooling down and slowing

1038  
00:51:09,380 --> 00:51:06,839

down it's the opposite now the

1039

00:51:12,890 --> 00:51:09,390

implications are we may have more

1040

00:51:16,130 --> 00:51:12,900

seismic events more volcanoes and what

1041

00:51:17,210 --> 00:51:16,140

does that mean for the future of our

1042

00:51:21,140 --> 00:51:17,220

planet

1043

00:51:24,310 --> 00:51:21,150

if things head toward more volcanoes and

1044

00:51:27,980 --> 00:51:24,320

more earthquakes that is a real

1045

00:51:31,400 --> 00:51:27,990

scientific question today and how it

1046

00:51:33,740 --> 00:51:31,410

relates to the booms I could it would

1047

00:51:35,480 --> 00:51:33,750

take another hour people can read about

1048

00:51:38,360 --> 00:51:35,490

this that are files by just

1049

00:51:41,780 --> 00:51:38,370

and doing a quick search at earthfiles

1050

00:51:44,060 --> 00:51:41,790

under the quick search space and just

1051  
00:51:45,980 --> 00:51:44,070  
writing boons i think it's a hundred and

1052  
00:51:48,380 --> 00:51:45,990  
ten reports that I've done and some of

1053  
00:51:49,220 --> 00:51:48,390  
it is about this new geophysics my

1054  
00:51:51,200 --> 00:51:49,230  
goodness

1055  
00:51:53,210 --> 00:51:51,210  
you know it makes sense because I mean

1056  
00:51:56,380 --> 00:51:53,220  
it has to be something within our the

1057  
00:52:00,140 --> 00:51:56,390  
core of this planet something has to be

1058  
00:52:02,480 --> 00:52:00,150  
ultimately shifting ultimately wrong and

1059  
00:52:05,360 --> 00:52:02,490  
altering things I mean it's the the

1060  
00:52:07,490 --> 00:52:05,370  
weather patterns are changing the crust

1061  
00:52:09,800 --> 00:52:07,500  
relates are shifting I mean it's just

1062  
00:52:14,420 --> 00:52:09,810  
there's so much going on well we've got

1063  
00:52:16,640 --> 00:52:14,430

an advisory how much how much might

1064

00:52:19,190 --> 00:52:16,650

truly be related to the presence of

1065

00:52:21,230 --> 00:52:19,200

non-human intelligences that are

1066

00:52:24,200 --> 00:52:21,240

manipulating and terraforming the planet

1067

00:52:26,180 --> 00:52:24,210

without our knowing it oh you know what

1068

00:52:29,210 --> 00:52:26,190

I'd love to get into that because I've

1069

00:52:31,430 --> 00:52:29,220

got some insight on that myself so we're

1070

00:52:32,600 --> 00:52:31,440

gonna get to our next break here you

1071

00:52:34,220 --> 00:52:32,610

guys are listening to me honey how is

1072

00:52:37,610 --> 00:52:34,230

the D outlander an inception radio

1073

00:52:39,140 --> 00:52:37,620

network on would be right back welcome

1074

00:52:41,030 --> 00:52:39,150

back everybody you listen to me honey

1075

00:52:43,040 --> 00:52:41,040

Hollis the Outlander remembering always

1076

00:52:45,470 --> 00:52:43,050

if it's weird we're here and so are you

1077

00:52:46,880 --> 00:52:45,480

so it's okay we're talking with Linda

1078

00:52:49,940 --> 00:52:46,890

Moulton Howe and my goodness everybody

1079

00:52:52,490 --> 00:52:49,950

should be like in awe as I am I have

1080

00:52:54,800 --> 00:52:52,500

like wanted to get this lovely lady on

1081

00:52:56,630 --> 00:52:54,810

here forever she is absolutely awesome

1082

00:52:58,820 --> 00:52:56,640

and I know you guys have been biting at

1083

00:53:00,440 --> 00:52:58,830

the bit to get some questions in here

1084

00:53:02,720 --> 00:53:00,450

and but I know most you guys are

1085

00:53:05,720 --> 00:53:02,730

listening through your apps which is

1086

00:53:06,920 --> 00:53:05,730

okay so I am going to get to some of the

1087

00:53:10,100 --> 00:53:06,930

questions that are being thrown up here

1088

00:53:13,400 --> 00:53:10,110

on the chat room and who okay here we go

1089

00:53:15,530 --> 00:53:13,410

okay if someone was asking Russell he

1090

00:53:17,720 --> 00:53:15,540

was asking if some of these animal

1091

00:53:20,060 --> 00:53:17,730

mutilations that you're you've been

1092

00:53:23,030 --> 00:53:20,070

coming across if some of these animals

1093

00:53:25,880 --> 00:53:23,040

have been dropped in trees and I want to

1094

00:53:28,220 --> 00:53:25,890

ask you also I could have sworn I've

1095

00:53:31,700 --> 00:53:28,230

seen you speak on human mutilation at

1096

00:53:34,040 --> 00:53:31,710

least one case ya know what I have said

1097

00:53:37,610 --> 00:53:34,050

about human mutilations is that this guy

1098

00:53:40,550 --> 00:53:37,620

AJ Gabbar down in Brazil without any

1099

00:53:43,880 --> 00:53:40,560

proof without any forensic evidence no

1100

00:53:48,849 --> 00:53:43,890

knee crosby no autopsy presented a

1101

00:53:53,160 --> 00:53:48,859

photograph at a it was what is that

1102

00:53:56,769 --> 00:53:53,170

it's it was Bob wood and Wendell Stevens

1103

00:54:01,989 --> 00:53:56,779

Laughlin Laughlin Nevada going back

1104

00:54:05,289 --> 00:54:01,999

around 1992 and this guy presented at

1105

00:54:08,289 --> 00:54:05,299

that conference and said on stage here

1106

00:54:12,099 --> 00:54:08,299

is what happened to a human in Brazil

1107

00:54:14,890 --> 00:54:12,109

like Linda Moulton Howe investigates in

1108

00:54:18,160 --> 00:54:14,900

the animal mutilations it was not true

1109

00:54:20,979 --> 00:54:18,170

he never talked to me he never had any

1110

00:54:23,019 --> 00:54:20,989

proof on those photos those photos are

1111

00:54:25,059 --> 00:54:23,029

on the web if you put in human

1112

00:54:27,910 --> 00:54:25,069

mutilation they always come up as this

1113

00:54:30,339 --> 00:54:27,920

case in Brazil now to me it's

1114

00:54:32,079 --> 00:54:30,349

frustrating because I got the same

1115

00:54:33,699 --> 00:54:32,089

photos that he presented at the

1116

00:54:35,859 --> 00:54:33,709

conference and took it to a medical

1117

00:54:39,249 --> 00:54:35,869

doctor which I didn't say anything I

1118

00:54:43,839 --> 00:54:39,259

just said I wanted to have a meeting to

1119

00:54:45,699 --> 00:54:43,849

show some strange excisions on a human

1120

00:54:47,620 --> 00:54:45,709

body and I just wanted the doctor to

1121

00:54:49,989 --> 00:54:47,630

tell me what he thought happened and

1122

00:54:55,239 --> 00:54:49,999

when I put down those those photographs

1123

00:54:57,729 --> 00:54:55,249

that any of you can find on Google the

1124

00:55:00,249 --> 00:54:57,739

doctor immediately said oh yeah I saw a

1125

00:55:01,930 --> 00:55:00,259

lot of that in Vietnam and I said what

1126  
00:55:05,459 --> 00:55:01,940  
do you mean and he said that's what

1127  
00:55:08,170 --> 00:55:05,469  
Agent Orange does to skin it makes

1128  
00:55:10,180 --> 00:55:08,180  
perfect holes that have black rings

1129  
00:55:12,160 --> 00:55:10,190  
around them there's just probably a

1130  
00:55:14,920 --> 00:55:12,170  
revenge murder and somebody did it with

1131  
00:55:17,769 --> 00:55:14,930  
Agent Orange so that was a medical

1132  
00:55:19,150 --> 00:55:17,779  
doctors reaction to the photographs that

1133  
00:55:21,279 --> 00:55:19,160  
are out there on the web and were

1134  
00:55:23,650 --> 00:55:21,289  
presented at that conference by somebody

1135  
00:55:26,170 --> 00:55:23,660  
red not any proof just stood up on a

1136  
00:55:28,979 --> 00:55:26,180  
stage and said this is a human

1137  
00:55:31,930 --> 00:55:28,989  
mutilation like what Linda Moulton Howe

1138  
00:55:35,370 --> 00:55:31,940

investigates in the animals I'm not true

1139

00:55:38,259 --> 00:55:35,380

now not true at all if you looked at a

1140

00:55:38,920 --> 00:55:38,269

thousand photographs of mutilated

1141

00:55:42,370 --> 00:55:38,930

animals

1142

00:55:45,459 --> 00:55:42,380

nothing will resemble what was in those

1143

00:55:47,140 --> 00:55:45,469

photos so they so set that aside I'm

1144

00:55:48,759 --> 00:55:47,150

glad I'm glad that I brought that up

1145

00:55:50,769 --> 00:55:48,769

because I'm like I could have sworn I

1146

00:55:53,019 --> 00:55:50,779

heard your name associated with and

1147

00:55:55,870 --> 00:55:53,029

that's what it was okay another question

1148

00:55:58,689 --> 00:55:55,880

that's a question about dropped the

1149

00:56:01,509 --> 00:55:58,699

dropped animals Oh tremendous amounts of

1150

00:56:02,980 --> 00:56:01,519

physical evidence I did a television

1151

00:56:06,400 --> 00:56:02,990

show

1152

00:56:11,110 --> 00:56:06,410

in Montana it was about ten years ago

1153

00:56:14,050 --> 00:56:11,120

and we had a big animal the crater was

1154

00:56:15,550 --> 00:56:14,060

there the animal was lying outside of

1155

00:56:18,850 --> 00:56:15,560

the crater meaning the animal had

1156

00:56:20,740 --> 00:56:18,860

bounced we were able to get soil take it

1157

00:56:23,290 --> 00:56:20,750

to a biophysicist they did soil

1158

00:56:25,960 --> 00:56:23,300

compression tests they were be able to

1159

00:56:28,690 --> 00:56:25,970

absolutely mathematically soil

1160

00:56:32,230 --> 00:56:28,700

compression is a hard physics and they

1161

00:56:35,290 --> 00:56:32,240

were able to back up from the hole and

1162

00:56:38,560 --> 00:56:35,300

the compression in the soil and say that

1163

00:56:41,470 --> 00:56:38,570

this the pounder the estimated 1700

1164

00:56:43,870 --> 00:56:41,480

pounds of this animal was dropped from a

1165

00:56:48,150 --> 00:56:43,880

distance of shorter feet in the air to

1166

00:56:51,190 --> 00:56:48,160

the ground hit made the first crater and

1167

00:56:55,240 --> 00:56:51,200

landed where it was found with it your

1168

00:56:58,150 --> 00:56:55,250

eye tongue genitals and so forth missing

1169

00:57:00,280 --> 00:56:58,160

so I've done a lot of work on that I've

1170

00:57:03,220 --> 00:57:00,290

been in a lot of crater cases and I have

1171

00:57:06,580 --> 00:57:03,230

talked with ranchers one was in Sand

1172

00:57:10,750 --> 00:57:06,590

Springs Oregon and he stood out and

1173

00:57:13,870 --> 00:57:10,760

watched a light and a beam come down and

1174

00:57:17,320 --> 00:57:13,880

heard the breaking of branches in the

1175

00:57:19,810 --> 00:57:17,330

trees and it scared him so much that he

1176  
00:57:23,110 --> 00:57:19,820  
went back into his trailer where he was

1177  
00:57:25,720 --> 00:57:23,120  
out taking care of animals out in Sand

1178  
00:57:28,630 --> 00:57:25,730  
Springs and he stayed in his trailer

1179  
00:57:31,270 --> 00:57:28,640  
scared and when the Sun came up

1180  
00:57:36,040 --> 00:57:31,280  
he walked to where the trees were and

1181  
00:57:38,500 --> 00:57:36,050  
there were seven animals dropped to the

1182  
00:57:41,110 --> 00:57:38,510  
ground with broken branches around them

1183  
00:57:42,430 --> 00:57:41,120  
each one mutilated goodness do you think

1184  
00:57:44,560 --> 00:57:42,440  
that these animals I mean is there

1185  
00:57:46,900 --> 00:57:44,570  
evidence to show that they are in

1186  
00:57:47,800 --> 00:57:46,910  
distress they're in pain from what the

1187  
00:57:51,010 --> 00:57:47,810  
beings are doing

1188  
00:57:53,710 --> 00:57:51,020

oh yeah the most important case and I

1189

00:57:55,810 --> 00:57:53,720

show one of the photos in the new second

1190

00:57:57,370 --> 00:57:55,820

edition of my book an alien harvest

1191

00:58:00,180 --> 00:57:57,380

harvest that's out and anybody

1192

00:58:03,430 --> 00:58:00,190

interested hearing about all of this I

1193

00:58:07,990 --> 00:58:03,440

can't recommend this new book high

1194

00:58:11,470 --> 00:58:08,000

enough do is go to earth Files shop and

1195

00:58:14,800 --> 00:58:11,480

it's there and in it I did not have this

1196

00:58:16,230 --> 00:58:14,810

photo in the first edition in 89 I put

1197

00:58:19,800 --> 00:58:16,240

it in this one

1198

00:58:22,650 --> 00:58:19,810

it was a bull that had its head in a

1199

00:58:26,630 --> 00:58:22,660

hole eight inches deep where the rest of

1200

00:58:31,620 --> 00:58:26,640

its body the legs were perfectly laid on

1201  
00:58:34,500 --> 00:58:31,630  
powdery soil not no signs of struggle no

1202  
00:58:37,170 --> 00:58:34,510  
signs of anything moving ear eye tongue

1203  
00:58:41,280 --> 00:58:37,180  
jaw slash genitals and rectum court out

1204  
00:58:44,430 --> 00:58:41,290  
no blood and when I said to the sheriff

1205  
00:58:48,150 --> 00:58:44,440  
what what why does this bull have its

1206  
00:58:50,250 --> 00:58:48,160  
head in a hole he said well you know

1207  
00:58:53,250 --> 00:58:50,260  
Linda the deputy and I approached this

1208  
00:58:55,890 --> 00:58:53,260  
animal and we did it slowly we were

1209  
00:58:57,720 --> 00:58:55,900  
looking for tracks we couldn't find any

1210  
00:59:00,210 --> 00:58:57,730  
tracks we couldn't find the bulls tracks

1211  
00:59:02,970 --> 00:59:00,220  
and we stood there looking at that head

1212  
00:59:04,470 --> 00:59:02,980  
and the only thing we could figure is

1213  
00:59:08,550 --> 00:59:04,480

that we're dealing with something that

1214

00:59:12,390 --> 00:59:08,560

had the ability to paralyze everything

1215

00:59:15,270 --> 00:59:12,400

on that that bull while it took the

1216

00:59:19,200 --> 00:59:15,280

excision meaning it's on the ground when

1217

00:59:22,440 --> 00:59:19,210

the incisions were made and they had for

1218

00:59:26,520 --> 00:59:22,450

reasons perhaps of experimentation like

1219

00:59:28,830 --> 00:59:26,530

a science project was left to move while

1220

00:59:31,170 --> 00:59:28,840

the rest of the body was paralyzed and

1221

00:59:33,990 --> 00:59:31,180

that was the sheriff who said we think

1222

00:59:37,410 --> 00:59:34,000

it was the agony of what was happening

1223

00:59:42,420 --> 00:59:37,420

to the body that the animal dug the hole

1224

00:59:47,280 --> 00:59:42,430

with its own head oh no awful that is

1225

00:59:51,000 --> 00:59:47,290

that hit me as unbelievably cruel but do

1226

00:59:53,400 --> 00:59:51,010

I find evidence of that anywhere else

1227

00:59:56,310 --> 00:59:53,410

that's the only case like that that I

1228

00:59:58,320 --> 00:59:56,320

know so what are we dealing with how

1229

01:00:00,420 --> 00:59:58,330

many different types of intelligences

1230

01:00:03,570 --> 01:00:00,430

are there different ones doing

1231

01:00:06,870 --> 01:00:03,580

mutilations is there just one what

1232

01:00:08,970 --> 01:00:06,880

exactly are the agendas I'm sure that

1233

01:00:11,610 --> 01:00:08,980

the governments of the United States and

1234

01:00:14,070 --> 01:00:11,620

England and their allies from World War

1235

01:00:16,650 --> 01:00:14,080

to Australia and Canada and New Zealand

1236

01:00:19,650 --> 01:00:16,660

probably have some answers

1237

01:00:21,690 --> 01:00:19,660

that are based on 60 years of keeping

1238

01:00:23,400 --> 01:00:21,700

all of this from the public while they

1239

01:00:26,250 --> 01:00:23,410

were gathering hard evidence and they

1240

01:00:29,130 --> 01:00:26,260

probably could contribute I have been

1241

01:00:29,819 --> 01:00:29,140

doing this as an American journalist

1242

01:00:31,380 --> 01:00:29,829

with the

1243

01:00:34,170 --> 01:00:31,390

idea that I am protected by the

1244

01:00:38,160 --> 01:00:34,180

Constitution and the Bill of Rights to

1245

01:00:40,709 --> 01:00:38,170

go and do forensic investigations

1246

01:00:42,749 --> 01:00:40,719

interview ranchers interview law

1247

01:00:44,880 --> 01:00:42,759

enforcement interview government

1248

01:00:47,209 --> 01:00:44,890

whistleblowers interview military

1249

01:00:52,620 --> 01:00:47,219

whistleblowers all of which I have done

1250

01:00:56,579 --> 01:00:52,630

trying to tell the truth in a government

1251

01:01:00,029 --> 01:00:56,589

that once upon a time was of by and for

1252

01:01:03,449 --> 01:01:00,039

the people and the government was

1253

01:01:07,049 --> 01:01:03,459

defined as servants of the people

1254

01:01:10,650 --> 01:01:07,059

instead of today it's all turned upside

1255

01:01:13,289 --> 01:01:10,660

down and the NSA and the CIA and the

1256

01:01:16,289 --> 01:01:13,299

alphabet soups run the country the

1257

01:01:19,650 --> 01:01:16,299

president is like a figurehead and we

1258

01:01:22,589 --> 01:01:19,660

are treated like we're just taxpayers

1259

01:01:25,979 --> 01:01:22,599

that give them the money to keep the

1260

01:01:28,410 --> 01:01:25,989

truth from us I resent it I think it's

1261

01:01:31,920 --> 01:01:28,420

wrong I think if the United States of

1262

01:01:33,979 --> 01:01:31,930

America is going to survive everybody

1263

01:01:35,910 --> 01:01:33,989

deserves the truth about

1264

01:01:38,880 --> 01:01:35,920

extraterrestrials interacting with this

1265

01:01:41,699 --> 01:01:38,890

planet all the truth that our government

1266

01:01:43,890 --> 01:01:41,709

knows and who better a warrior to step

1267

01:01:47,640 --> 01:01:43,900

forward and set him straight but Linda

1268

01:01:50,849 --> 01:01:47,650

Moulton Howe I'm trying I am really

1269

01:01:53,269 --> 01:01:50,859

trying and I frankly think that the old

1270

01:01:56,039 --> 01:01:53,279

rubric well everybody will panic and

1271

01:02:00,390 --> 01:01:56,049

society will collapse I don't think

1272

01:02:03,539 --> 01:02:00,400

that's true anymore and who what caused

1273

01:02:07,739 --> 01:02:03,549

Wall Street to collapse the greedy

1274

01:02:10,459 --> 01:02:07,749

bankers hmm I mean what I'm saying is

1275

01:02:13,319 --> 01:02:10,469

the greedy bankers of this planet

1276

01:02:15,449 --> 01:02:13,329

destroyed Wall Street for a period of

1277

01:02:16,829 --> 01:02:15,459

time and took everybody else down with

1278

01:02:20,219 --> 01:02:16,839

it and that had nothing to do with

1279

01:02:22,529 --> 01:02:20,229

extraterrestrials so when they when they

1280

01:02:24,569 --> 01:02:22,539

throw out those things they might as

1281

01:02:28,439 --> 01:02:24,579

well the government's might as well look

1282

01:02:31,140 --> 01:02:28,449

at their own so-called barter system and

1283

01:02:35,699 --> 01:02:31,150

say well when when they lie and cheat

1284

01:02:38,009 --> 01:02:35,709

they bring down everybody all right you

1285

01:02:40,199 --> 01:02:38,019

know what it is so very true and it's

1286

01:02:43,569 --> 01:02:40,209

ongoing and I wish there was an outright

1287

01:02:45,759 --> 01:02:43,579

way that we could just put an end to it

1288

01:02:48,969 --> 01:02:45,769

but it takes the people to come together

1289

01:02:52,569 --> 01:02:48,979

and to rise up and get active everybody

1290

01:02:54,839 --> 01:02:52,579

say yes yeah let me suggest that you and

1291

01:02:58,749 --> 01:02:54,849

all of your listeners go to earthfiles

1292

01:03:02,880 --> 01:02:58,759

start seeing how much is there and it's

1293

01:03:06,489 --> 01:03:02,890

it's all based on multiple eyewitnesses

1294

01:03:09,219 --> 01:03:06,499

whistleblowers all kinds of I think hard

1295

01:03:12,640 --> 01:03:09,229

material that is absolutely true is

1296

01:03:14,499 --> 01:03:12,650

there at earthfiles calm and if people

1297

01:03:16,509 --> 01:03:14,509

who no longer believe the government

1298

01:03:18,279 --> 01:03:16,519

about anything would start looking at

1299

01:03:20,410 --> 01:03:18,289

the work of some of us who have really

1300

01:03:22,900 --> 01:03:20,420

been trying to report what

1301

01:03:24,940 --> 01:03:22,910

whistleblowers are saying Edward Snowden

1302

01:03:27,039 --> 01:03:24,950

is a whistleblower you wouldn't know

1303

01:03:29,589 --> 01:03:27,049

anything about what the NSA had been

1304

01:03:31,749 --> 01:03:29,599

doing if Edward Snowden hadn't talked he

1305

01:03:34,539 --> 01:03:31,759

was alarmed you surprised for a reason

1306

01:03:37,180 --> 01:03:34,549

yeah and I've had dozens and dozens of

1307

01:03:38,949 --> 01:03:37,190

leaks and I have reported them at

1308

01:03:42,249 --> 01:03:38,959

earthfiles calm

1309

01:03:45,519 --> 01:03:42,259

so hopefully you and your audience will

1310

01:03:48,579 --> 01:03:45,529

go and see what is there what continues

1311

01:03:51,549 --> 01:03:48,589

to unfold and that a year from now I can

1312

01:03:53,289 --> 01:03:51,559

come back and report even more Oh a year

1313

01:03:55,539 --> 01:03:53,299

from now everybody heard that right I

1314

01:03:57,519 --> 01:03:55,549

heard it because Linda will be coming

1315

01:04:00,189 --> 01:03:57,529

back in a year this is a busy lady and

1316

01:04:02,049 --> 01:04:00,199

she really did awesome favor for her my

1317

01:04:03,579 --> 01:04:02,059

comeback show to come on here and I

1318

01:04:05,589 --> 01:04:03,589

really want to thank you so much and

1319

01:04:07,509 --> 01:04:05,599

your books are the best for people who

1320

01:04:09,999 --> 01:04:07,519

have not picked up these big beautiful

1321

01:04:12,370 --> 01:04:10,009

books of yours I don't know why because

1322

01:04:16,029 --> 01:04:12,380

they are awesome I mean yeah and they're

1323

01:04:18,489 --> 01:04:16,039

always at earthfiles calm for the same

1324

01:04:21,329 --> 01:04:18,499

price that they have been for at least

1325

01:04:25,029 --> 01:04:21,339

two decades and I understand that

1326

01:04:27,279 --> 01:04:25,039

amazon.com who I don't like to work with

1327

01:04:29,650 --> 01:04:27,289

that they will get them and put them up

1328

01:04:32,469 --> 01:04:29,660

for hundreds of dollars and I always

1329

01:04:34,719 --> 01:04:32,479

just absolutely shocked me because my

1330

01:04:37,689 --> 01:04:34,729

work has always been for the same price

1331

01:04:39,880 --> 01:04:37,699

at the earthfiles shop for years what a

1332

01:04:41,949 --> 01:04:39,890

service you've done for all of us for

1333

01:04:44,349 --> 01:04:41,959

all of humanity and you know what one

1334

01:04:46,390 --> 01:04:44,359

day everybody is going to realize what

1335

01:04:48,519 --> 01:04:46,400

you've been doing and I mean I really

1336

01:04:51,069 --> 01:04:48,529

want to thank you I you have been truly

1337

01:04:53,499 --> 01:04:51,079

a pioneer in this field and in many

1338

01:04:55,420 --> 01:04:53,509

other fields you are such a busy lady

1339

01:04:57,250 --> 01:04:55,430

thank you so much Linda Moulton Howe for

1340

01:05:00,580 --> 01:04:57,260

coming on tonight well

1341

01:05:03,100 --> 01:05:00,590

Thank You Heidi keep on truckin and

1342

01:05:08,230 --> 01:05:03,110

thank you for letting I now have to

1343

01:05:10,920 --> 01:05:08,240

segue to doing a long interview for

1344

01:05:13,360 --> 01:05:10,930

having to do with a research project and

1345

01:05:15,970 --> 01:05:13,370

someday maybe I'll be reporting that

1346

01:05:18,550 --> 01:05:15,980

publicly and in the meantime god bless

1347

01:05:21,300 --> 01:05:18,560

everyone in this time of increasing

1348

01:05:25,360 --> 01:05:21,310

chaos on a planet that feels dangerous

1349

01:05:28,240 --> 01:05:25,370

but if you ground yourself that there is

1350

01:05:31,930 --> 01:05:28,250

a divine field which I truly believe and

1351

01:05:35,470 --> 01:05:31,940

that going after truth is the most

1352

01:05:39,040 --> 01:05:35,480

fundamental thing that we can do then we

1353

01:05:40,990 --> 01:05:39,050

have more to unfold and more to get us

1354

01:05:44,740 --> 01:05:41,000

through what seems like a chaotic time

1355

01:05:45,220 --> 01:05:44,750

so take care and in a year I'll see you

1356

01:05:46,990 --> 01:05:45,230

again

1357

01:05:49,690 --> 01:05:47,000

what a beautiful person you truly are I

1358

01:05:51,790 --> 01:05:49,700

mean god bless you and I mean if anybody

1359

01:05:54,400 --> 01:05:51,800

hasn't seen you speak live they are

1360

01:05:57,310 --> 01:05:54,410

missing out if you leave with goosebumps

1361

01:05:58,960 --> 01:05:57,320

I always do Thank You Linda so much I

1362

01:06:01,330 --> 01:05:58,970

have an awesome evening and we'll be

1363

01:06:04,720 --> 01:06:01,340

talking again Oh a year from now all

1364

01:06:08,200 --> 01:06:04,730

right take care bye bye

1365

01:06:11,860 --> 01:06:08,210

oh my goodness everybody is everybody

1366

01:06:15,340 --> 01:06:11,870

has an oo as I am I am just absolutely

1367

01:06:17,710 --> 01:06:15,350

floored Linda Moulton Howe she is

1368

01:06:20,170 --> 01:06:17,720

someone that I've spoken to for years

1369

01:06:21,970 --> 01:06:20,180

when I would go to the Ozark UFO

1370

01:06:24,790 --> 01:06:21,980

conference which I believe is the best

1371

01:06:26,830 --> 01:06:24,800

in the country and I'm not kidding you

1372

01:06:30,280 --> 01:06:26,840

she and I have chatted clear up to like

1373

01:06:32,350 --> 01:06:30,290

4:00 in the morning just [h\_\_h] docking

1374

01:06:34,450 --> 01:06:32,360

doggy Doo The Girl Talk not really Girl

1375

01:06:36,250 --> 01:06:34,460

Talk we were talking on everything that

1376

01:06:39,790 --> 01:06:36,260

you can imagine and this is a spirited

1377

01:06:42,850 --> 01:06:39,800

woman that is driven and so passionate

1378

01:06:45,190 --> 01:06:42,860

about what she does I mean she's been

1379

01:06:47,680 --> 01:06:45,200

doing this for a very long time and what

1380

01:06:49,420 --> 01:06:47,690

I don't understand I mean my goodness

1381

01:06:51,310 --> 01:06:49,430

when you're when you're in this field

1382

01:06:55,660 --> 01:06:51,320

I've been doing this for a long time I I

1383

01:06:58,780 --> 01:06:55,670

I know I'm young but I did that since I

1384

01:07:02,110 --> 01:06:58,790

was a kid okay okay that's alright but

1385

01:07:04,300 --> 01:07:02,120

it's it's just it's something that you

1386

01:07:06,400 --> 01:07:04,310

just you dream about you think about you

1387

01:07:10,120 --> 01:07:06,410

you eat thinking about it it's just

1388

01:07:10,599 --> 01:07:10,130

always on your mind and you're like what

1389

01:07:12,579 --> 01:07:10,609

better

1390

01:07:14,470 --> 01:07:12,589

way this is what I think I'll tell what

1391

01:07:16,599 --> 01:07:14,480

better way can I get the word out there

1392

01:07:18,400 --> 01:07:16,609

what better way can I do this what

1393

01:07:22,210 --> 01:07:18,410

better way can I do that and and I'm

1394

01:07:25,599 --> 01:07:22,220

telling you there is not a way to do any

1395

01:07:27,640 --> 01:07:25,609

of this without some faith behind you

1396

01:07:29,319 --> 01:07:27,650

okay you heard Linda say god bless that

1397

01:07:32,819 --> 01:07:29,329

that doesn't that doesn't come lightly

1398

01:07:37,180 --> 01:07:32,829

from from the scientific reporter here I

1399

01:07:40,269 --> 01:07:37,190

mean truly she is and she's passionate

1400

01:07:42,009 --> 01:07:40,279

about absolutely everything in regard to

1401

01:07:43,180 --> 01:07:42,019

the human plight and trying to get

1402

01:07:46,150 --> 01:07:43,190

answers out there

1403

01:07:48,880 --> 01:07:46,160

trust me I've talked her I know and it

1404

01:07:52,900 --> 01:07:48,890

she really inspired me early on and

1405

01:07:54,279 --> 01:07:52,910

trying to you know be Who I am and talk

1406

01:07:55,829 --> 01:07:54,289

about this stuff from the heart and when

1407

01:07:59,200 --> 01:07:55,839

you talk about this stuff from the heart

1408

01:08:00,910 --> 01:07:59,210

it's something else takes over I mean as

1409

01:08:02,140 --> 01:08:00,920

long as she's been doing this and here

1410

01:08:04,029 --> 01:08:02,150

she is about to go do another interview

1411

01:08:06,729 --> 01:08:04,039

and she does three hour long interviews

1412

01:08:09,819 --> 01:08:06,739

on coast-to-coast and she's constantly

1413

01:08:11,440 --> 01:08:09,829

just go go go go go go and it's like

1414

01:08:15,039 --> 01:08:11,450

how do you keep that umph

1415

01:08:18,459 --> 01:08:15,049

still behind there it's because she has

1416

01:08:20,919 --> 01:08:18,469

that from the faith portion she said

1417

01:08:23,349 --> 01:08:20,929

divine what's divine God hello

1418

01:08:25,990 --> 01:08:23,359

I mean it's just it just what it is and

1419

01:08:27,490 --> 01:08:26,000

you know it's here we are talking I'm

1420

01:08:31,780 --> 01:08:27,500

talking about aliens & cattle

1421

01:08:34,539 --> 01:08:31,790

mutilations and and whatnot but who it's

1422

01:08:38,079 --> 01:08:34,549

it's all it's driven from the heart and

1423

01:08:41,379 --> 01:08:38,089

driven from a spirited angle trust me

1424

01:08:43,120 --> 01:08:41,389

trust me always and only I would not be

1425

01:08:45,820 --> 01:08:43,130

able to do any of this stuff that I do

1426

01:08:49,899 --> 01:08:45,830

had I not had the Jesus encounters that

1427

01:08:52,629 --> 01:08:49,909

I had because have I mentioned this on

1428

01:08:54,970 --> 01:08:52,639

the show I think I have I was scared

1429

01:08:57,059 --> 01:08:54,980

poopless I don't want to swear because

1430

01:08:59,680 --> 01:08:57,069

this just might hit the airwaves like

1431

01:09:04,769 --> 01:08:59,690

you know terrestrial for all I know

1432

01:09:10,539 --> 01:09:08,169

I mean it's a talk in front of people I

1433

01:09:13,209 --> 01:09:10,549

have given up grades in college and I

1434

01:09:17,169 --> 01:09:13,219

was in a very difficult program you

1435

01:09:20,740 --> 01:09:17,179

don't give up grades because because

1436

01:09:22,479 --> 01:09:20,750

it's just you know I just I just didn't

1437

01:09:24,130 --> 01:09:22,489

have it in me and Here I am talking to

1438

01:09:27,880 --> 01:09:24,140

you what a quarter million

1439

01:09:30,910 --> 01:09:27,890

you guys right now yeah I don't know so

1440

01:09:34,090 --> 01:09:30,920

it's something like that and up it is

1441

01:09:35,860 --> 01:09:34,100

just something that when you have that

1442

01:09:38,710 --> 01:09:35,870

behind you it makes it a whole lot

1443

01:09:40,690 --> 01:09:38,720

easier so I'm not afraid to say that you

1444

01:09:43,870 --> 01:09:40,700

know God's on my side Jesus is pretty

1445

01:09:46,510 --> 01:09:43,880

cool too how about that you know

1446

01:09:49,240 --> 01:09:46,520

something that I wanted to tell you guy

1447

01:09:50,860 --> 01:09:49,250

is it because you know she was

1448

01:09:52,690 --> 01:09:50,870

mentioning the the human mutilation

1449

01:09:54,280 --> 01:09:52,700

story and I don't know if I have told

1450

01:09:56,410 --> 01:09:54,290

you guys the story but everybody sit

1451

01:09:58,780 --> 01:09:56,420

down get it get it get get some cocoa

1452

01:10:01,470 --> 01:09:58,790

and cookies cuz I really want to get

1453

01:10:04,240 --> 01:10:01,480

something out cuz I just part of it

1454

01:10:06,220 --> 01:10:04,250

because I'm a little mental it's okay

1455

01:10:08,530 --> 01:10:06,230

okay no I got coffee okay now all right

1456

01:10:10,120 --> 01:10:08,540

there we go I'm good enough um hold on I

1457

01:10:13,900 --> 01:10:10,130

gotta kick the red carpet out of the way

1458

01:10:19,810 --> 01:10:13,910

I rolled out the Lunda all right okay so

1459

01:10:23,170 --> 01:10:19,820

I met this gentleman once and he told me

1460

01:10:26,050 --> 01:10:23,180

how he had a clearance level that was

1461

01:10:27,520 --> 01:10:26,060

umpteen times this that I don't recall

1462

01:10:29,560 --> 01:10:27,530

the level because I just don't have that

1463

01:10:31,120 --> 01:10:29,570

kind of memory but he told me what the

1464

01:10:32,260 --> 01:10:31,130

clearance level was of the president and

1465

01:10:34,210 --> 01:10:32,270

then he told me what his clearance level

1466

01:10:36,330 --> 01:10:34,220

was it was like two steps above or

1467

01:10:39,970 --> 01:10:36,340

something and he was involved in

1468

01:10:43,090 --> 01:10:39,980

investigating just odd things you know

1469

01:10:45,310 --> 01:10:43,100

and keeping it you know quiet well he

1470

01:10:49,680 --> 01:10:45,320

couldn't go out to investigate this

1471

01:10:52,120 --> 01:10:49,690

plane crash during the Vietnam War and

1472

01:10:54,670 --> 01:10:52,130

so he asked his partner to go do it

1473

01:10:56,830 --> 01:10:54,680

his partner did it and was partner came

1474

01:10:58,390 --> 01:10:56,840

back he hadn't seen him for a long time

1475

01:11:01,240 --> 01:10:58,400

and he's like you know dude what's

1476

01:11:03,610 --> 01:11:01,250

happening what's going on dude dude

1477

01:11:08,140 --> 01:11:03,620

wasn't it the 1760s and stuff so he's

1478

01:11:11,290 --> 01:11:08,150

probably stoned dude I haven't seen you

1479

01:11:14,650 --> 01:11:11,300

how was the airplane crash I'm just

1480

01:11:16,060 --> 01:11:14,660

gonna stop now and the guy was stressed

1481

01:11:17,710 --> 01:11:16,070

out it I believe he said he met him in a

1482

01:11:20,860 --> 01:11:17,720

bar and he was really stressed out

1483

01:11:22,330 --> 01:11:20,870

didn't know you know like what to think

1484

01:11:26,170 --> 01:11:22,340

about what he had witnessed there and he

1485

01:11:28,510 --> 01:11:26,180

went on to describe to him how he found

1486

01:11:32,380 --> 01:11:28,520

the plane it was in the middle of the

1487

01:11:33,670 --> 01:11:32,390

jungle and it was not it was like

1488

01:11:36,850 --> 01:11:33,680

different personnel it wasn't military

1489

01:11:37,970 --> 01:11:36,860

wasn't a military personnel that was on

1490

01:11:41,270 --> 01:11:37,980

this plane it

1491

01:11:44,870 --> 01:11:41,280

on the plane as if it were placed in the

1492

01:11:47,450 --> 01:11:44,880

jungle like trees weren't broken there

1493

01:11:49,100 --> 01:11:47,460

was no you know crash pattern through

1494

01:11:50,660 --> 01:11:49,110

the tree is it just looked like it was

1495

01:11:54,560 --> 01:11:50,670

placed there it was in one piece they

1496

01:11:56,990 --> 01:11:54,570

had to open the plane and lo and behold

1497

01:12:00,700 --> 01:11:57,000

everybody was still inside still in

1498

01:12:06,620 --> 01:12:00,710

their seats but they were all dead and

1499

01:12:09,860 --> 01:12:06,630

they all had certain body parts cut with

1500

01:12:12,170 --> 01:12:09,870

perfect precision as if cauterized out

1501

01:12:14,360 --> 01:12:12,180

of different parts of their bodies their

1502

01:12:20,150 --> 01:12:14,370

jaw their eyes their ears or genitalia

1503

01:12:23,870 --> 01:12:20,160

and everybody's still buckled in so what

1504

01:12:26,510 --> 01:12:23,880

is that what is that oh you guys are

1505

01:12:32,690 --> 01:12:26,520

funny I'm reading Rose grabs on to hide

1506

01:12:37,430 --> 01:12:32,700

his leg of won't let go funny but I was

1507

01:12:39,620 --> 01:12:37,440

a little silly it's all good but anyways

1508

01:12:42,320 --> 01:12:39,630

yeah isn't that crazy

1509

01:12:44,690 --> 01:12:42,330

so that was a human mutilation story and

1510

01:12:47,000 --> 01:12:44,700

and caught him in mid-flight maybe they

1511

01:12:49,640 --> 01:12:47,010

bumped into him you know in the UFO and

1512

01:12:51,530 --> 01:12:49,650

they're like dude can't believe you guys

1513

01:12:53,780 --> 01:12:51,540

did that here I'm gonna take my laser

1514

01:12:54,860 --> 01:12:53,790

out and chop you to pieces but I'm gonna

1515

01:12:57,050 --> 01:12:54,870

leave you in your seatbelts

1516

01:12:58,250 --> 01:12:57,060

I mean how weird is that so I wanted to

1517

01:13:00,860 --> 01:12:58,260

bring that up with Linda but she had to

1518

01:13:02,060 --> 01:13:00,870

go but while she brought forward some

1519

01:13:05,780 --> 01:13:02,070

things that I think a lot of us have

1520

01:13:08,510 --> 01:13:05,790

heard of those those dying off patterns

1521

01:13:09,740 --> 01:13:08,520

that that she mentioned as far as like a

1522

01:13:13,040 --> 01:13:09,750

bunch of birds dropped out of the sky a

1523

01:13:15,229 --> 01:13:13,050

bunch of fish came ashore I did not hear

1524

01:13:17,090 --> 01:13:15,239

about the booms being associated with

1525

01:13:19,970 --> 01:13:17,100

that that she's been investigating what

1526

01:13:23,479 --> 01:13:19,980

you say there's 110 reports of that on

1527

01:13:26,840 --> 01:13:23,489

there under earthfiles calm that's

1528

01:13:29,570 --> 01:13:26,850

amazing I did not hear about that but I

1529

01:13:31,430 --> 01:13:29,580

have heard those videos of the trumpet

1530

01:13:33,410 --> 01:13:31,440

sounds blowing and everybody's like hold

1531

01:13:35,540 --> 01:13:33,420

on seven trumpets are supposed to play

1532

01:13:37,430 --> 01:13:35,550

that's like in the Book of Revelations

1533

01:13:39,020 --> 01:13:37,440

for those who do not know I don't know

1534

01:13:43,250 --> 01:13:39,030

maybe you could google it revelations

1535

01:13:46,850 --> 01:13:43,260

trumpets and those sounds when I first

1536

01:13:51,350 --> 01:13:46,860

heard it I got the chills it they are

1537

01:13:54,290 --> 01:13:51,360

such a a bellowing who you know sound

1538

01:13:57,649 --> 01:13:54,300

go to youtube and type in trumpet sounds

1539

01:13:59,330 --> 01:13:57,659

or boom sounds and Canada has had such

1540

01:14:01,129 --> 01:13:59,340

an issue and on like the government's

1541

01:14:03,800 --> 01:14:01,139

been investigating because people have

1542

01:14:06,200 --> 01:14:03,810

been woken up things are rattling I

1543

01:14:10,790 --> 01:14:06,210

believe some glasses a glass windows

1544

01:14:13,459 --> 01:14:10,800

have been broken I mean it is crazy it

1545

01:14:15,200 --> 01:14:13,469

is crazy what's going on and you could

1546

01:14:18,020 --> 01:14:15,210

everybody could see that though though

1547

01:14:21,200 --> 01:14:18,030

the weather patterns are going nuts they

1548

01:14:23,350 --> 01:14:21,210

are nuts I mean California I mean if you

1549

01:14:26,180 --> 01:14:23,360

could probably make a big living in

1550

01:14:28,729 --> 01:14:26,190

California if you like would bring a

1551

01:14:30,950 --> 01:14:28,739

couple of bottles of water with you it's

1552

01:14:33,340 --> 01:14:30,960

just like a thousand dollars each

1553

01:14:36,919 --> 01:14:33,350

bottled water because those people are

1554

01:14:41,359 --> 01:14:36,929

shipping water in to do their lawn I saw

1555

01:14:42,859 --> 01:14:41,369

a guy had changed his ol on to be a fake

1556

01:14:47,149 --> 01:14:42,869

law and I mean what do you call that

1557

01:14:50,270 --> 01:14:47,159

turf just funny like well that's in

1558

01:14:52,129 --> 01:14:50,280

desperation going on there but it's it's

1559

01:14:53,479 --> 01:14:52,139

really something is going on and I do

1560

01:14:56,149 --> 01:14:53,489

hope that people are paying attention

1561

01:14:57,740 --> 01:14:56,159

and you know I have to tell you guys

1562

01:14:58,310 --> 01:14:57,750

something too you know my book the Hat

1563

01:14:59,990 --> 01:14:58,320

man

1564

01:15:04,310 --> 01:15:00,000

the true story of evil encounters is

1565

01:15:06,200 --> 01:15:04,320

still going strong on Amazon and all

1566

01:15:10,129 --> 01:15:06,210

over the place and my book the secret

1567

01:15:13,129 --> 01:15:10,139

war true story about war between aliens

1568

01:15:16,189 --> 01:15:13,139

and shadow people you have got to go

1569

01:15:19,070 --> 01:15:16,199

check them out because the phenomenon of

1570

01:15:22,760 --> 01:15:19,080

shadow people in the Hat man is going up

1571

01:15:24,740 --> 01:15:22,770

astronomically I am still being

1572

01:15:26,510 --> 01:15:24,750

bombarded nearly on a daily basis with

1573

01:15:28,220 --> 01:15:26,520

people going I thought I was the only

1574

01:15:30,290 --> 01:15:28,230

one that it's witnessed this that is

1575

01:15:33,260 --> 01:15:30,300

dealt with these demonic like entities

1576

01:15:35,689 --> 01:15:33,270

so the earth is shaking the birds are

1577

01:15:38,629 --> 01:15:35,699

falling out of the sky and demons are

1578

01:15:41,180 --> 01:15:38,639

showing up two people that can also make

1579

01:15:43,550 --> 01:15:41,190

themselves look like alien beings and

1580

01:15:46,700 --> 01:15:43,560

they are loving that they're pulling the

1581

01:15:49,310 --> 01:15:46,710

wool over our eyes people people please

1582

01:15:51,979 --> 01:15:49,320

pay attention I you know I hear that

1583

01:15:53,899 --> 01:15:51,989

passion and Linda and I I'm like I feel

1584

01:15:56,930 --> 01:15:53,909

this woman because I feel like this - I

1585

01:15:58,669 --> 01:15:56,940

am I am a one-woman show I'm sitting on

1586

01:16:00,410 --> 01:15:58,679

my computer night and day I'm like let

1587

01:16:01,879 --> 01:16:00,420

me fix my website oh here let me write

1588

01:16:03,950 --> 01:16:01,889

another book here let me put another

1589

01:16:05,100 --> 01:16:03,960

post up on Facebook here let me try to

1590

01:16:07,020 --> 01:16:05,110

chat with somebody you know

1591

01:16:09,780 --> 01:16:07,030

to help them out here let me answer

1592

01:16:13,620 --> 01:16:09,790

smaller emails and it's just it's such a

1593

01:16:16,979 --> 01:16:13,630

drive and it's not something that you

1594

01:16:19,109 --> 01:16:16,989

retire on it does not pay big people

1595

01:16:21,959 --> 01:16:19,119

people think like oh you got books you

1596

01:16:24,060 --> 01:16:21,969

must be loaded I am NOT Stephen King it

1597

01:16:26,520 --> 01:16:24,070

I highly doubt I'll ever get to such a

1598

01:16:28,970 --> 01:16:26,530

level I am still a practicing therapist

1599

01:16:31,590 --> 01:16:28,980

okay I'm talking to you all right now I

1600

01:16:33,030 --> 01:16:31,600

am giving you all Sarah P for all you

1601

01:16:34,620 --> 01:16:33,040

know I'm not that kind of therapist an

1602

01:16:36,120 --> 01:16:34,630

occupational therapist but we do deal

1603

01:16:39,080 --> 01:16:36,130

with psychological stuff so if you got

1604

01:16:41,520 --> 01:16:39,090

issues please go to psychologists but

1605

01:16:44,609 --> 01:16:41,530

but I mean it's just one of those things

1606

01:16:46,379 --> 01:16:44,619

that you are driven and it's for your

1607

01:16:48,330 --> 01:16:46,389

fellow mankind because you really want

1608

01:16:48,840 --> 01:16:48,340

to see them get this stuff before it's

1609

01:16:50,910 --> 01:16:48,850

too late

1610

01:16:52,620 --> 01:16:50,920

you know I heard somebody telling me and

1611

01:16:53,879 --> 01:16:52,630

I always hear this you know boy can't

1612

01:16:56,459 --> 01:16:53,889

wait to the end of the world happens

1613

01:16:59,729 --> 01:16:56,469

because this place is big old stinker

1614

01:17:02,040 --> 01:16:59,739

I'm like no no no no no because if it

1615

01:17:04,740 --> 01:17:02,050

ends right now we're gonna lose way too

1616

01:17:07,229 --> 01:17:04,750

many people we have got to wake them up

1617

01:17:09,570 --> 01:17:07,239

right now and people get your face

1618

01:17:12,000 --> 01:17:09,580

straight because it needs to be done

1619

01:17:13,740 --> 01:17:12,010

okay I don't care what you believe in as

1620

01:17:15,450 --> 01:17:13,750

long as it's for the good okay I'm
