

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

A History of Evil

1
00:01:01,810 --> 00:00:03,290
you're listening to Ira the inception

2
00:01:01,820 --> 00:01:06,770
Oh

3
00:01:11,190 --> 00:01:08,999
the extraordinary phenomenon

4
00:01:13,980 --> 00:01:11,200
investigations council presents epic

5
00:01:15,840 --> 00:01:13,990
voyages come join us as we hitter and

6
00:01:18,149 --> 00:01:15,850
experience the great mysteries of the

7
00:01:54,310 --> 00:01:18,159
world with tonight's host with me haul

8
00:02:02,749 --> 00:01:58,510
good evening it's our special for our

9
00:02:05,270 --> 00:02:02,759
halloween extravaganza on epic voyages

10
00:02:07,669 --> 00:02:05,280
on the inception radio network I'm

11
00:02:11,029 --> 00:02:07,679
Whitney the wit stir Whitney hall and

12
00:02:13,610 --> 00:02:11,039
tonight maverick joins me dr. Aaron

13
00:02:15,920 --> 00:02:13,620

Judkins and we will be having a two

14

00:02:18,890 --> 00:02:15,930

different guests as well during this

15

00:02:22,100 --> 00:02:18,900

four hour period so grab your candy corn

16

00:02:24,979 --> 00:02:22,110

your apple cider it's time to have some

17

00:02:28,309 --> 00:02:24,989

fun as we are gearing up for Halloween

18

00:02:29,900 --> 00:02:28,319

coming up later this week and Aaron it's

19

00:02:32,180 --> 00:02:29,910

great to have you with me tonight it's

20

00:02:34,400 --> 00:02:32,190

going to be lots of fun yes it is i'm so

21

00:02:36,949 --> 00:02:34,410

excited to do a show with you Whitney

22

00:02:39,949 --> 00:02:36,959

because this is a first to be able to

23

00:02:41,180 --> 00:02:39,959

kind of double team up on a show yeah

24

00:02:43,160 --> 00:02:41,190

I'm going to just kind of sit in the

25

00:02:45,830 --> 00:02:43,170

background and chime in every now and

26
00:02:48,830 --> 00:02:45,840
then but what a wonderful lineup we have

27
00:02:50,449 --> 00:02:48,840
for you tonight oh and you get the hot

28
00:02:52,789 --> 00:02:50,459
chocolate out you need to get ready

29
00:02:54,530 --> 00:02:52,799
curled up on the couch whatever it is

30
00:02:58,190 --> 00:02:54,540
you're doing now I realize the Cowboys

31
00:02:59,840 --> 00:02:58,200
are on I'm just saying but you need to

32
00:03:01,580 --> 00:02:59,850
Tunis and tell your friends because this

33
00:03:03,680 --> 00:03:01,590
is going to be an awesome awesome

34
00:03:05,810 --> 00:03:03,690
halloween special show here on epic

35
00:03:06,920 --> 00:03:05,820
voyages I know as you curl up on the

36
00:03:10,370 --> 00:03:06,930
couch you might want to grab a blanket

37
00:03:11,960 --> 00:03:10,380
just to cover up from the crazy like

38
00:03:14,300 --> 00:03:11,970

boogeyman scary stuff that might come

39

00:03:16,370 --> 00:03:14,310

it's gonna be it's gonna be kind of

40

00:03:17,930 --> 00:03:16,380

scary and due to its graphic content I

41

00:03:19,670 --> 00:03:17,940

would say that it's not suitable for

42

00:03:22,250 --> 00:03:19,680

young children we're going to be talking

43

00:03:23,509 --> 00:03:22,260

about some heavy stuff tonight so if

44

00:03:25,250 --> 00:03:23,519

you're listening maybe pop in some

45

00:03:28,250 --> 00:03:25,260

earbuds or something cuz we don't want

46

00:03:31,330 --> 00:03:28,260

to scare the kiddies but tonight we're

47

00:03:34,670 --> 00:03:31,340

going to be talking about vampires

48

00:03:36,500 --> 00:03:34,680

werewolves and evil archaeology the

49

00:03:39,349 --> 00:03:36,510

first two hours were going to be talking

50

00:03:42,199 --> 00:03:39,359

with bill snellen and followed by dr.

51
00:03:45,289 --> 00:03:42,209
heather Lynn now both of us have talked

52
00:03:46,860 --> 00:03:45,299
with these guests in recent few weeks

53
00:03:48,869 --> 00:03:46,870
have passed

54
00:03:51,899 --> 00:03:48,879
earlier with different topics on epic

55
00:03:54,869 --> 00:03:51,909
voyages I talked with Bill about his

56
00:03:56,850 --> 00:03:54,879
cancer wars DVD and alternative

57
00:03:57,990 --> 00:03:56,860
treatments to cancer and Erin you talked

58
00:04:01,320 --> 00:03:58,000
with heather Lynn not too long ago

59
00:04:03,750 --> 00:04:01,330
that's right we we did another topic on

60
00:04:05,970 --> 00:04:03,760
the samaritan controversy tonight's

61
00:04:08,970 --> 00:04:05,980
going to be totally different new topic

62
00:04:12,000 --> 00:04:08,980
new subjects all the way around it's

63
00:04:14,309 --> 00:04:12,010

going to be so much fun yeah it is going

64

00:04:18,930 --> 00:04:14,319

to be great well first off we have bill

65

00:04:20,490 --> 00:04:18,940

snugglin and i grew up not celebrating

66

00:04:22,590 --> 00:04:20,500

Halloween coming from a Christian

67

00:04:24,060 --> 00:04:22,600

household we saw it as the devil's

68

00:04:26,400 --> 00:04:24,070

holiday although we would do some like

69

00:04:27,840 --> 00:04:26,410

you know fall festival type things Erin

70

00:04:31,350 --> 00:04:27,850

did you grow up trick-or-treating as a

71

00:04:34,400 --> 00:04:31,360

kid well initially I did at some point

72

00:04:37,800 --> 00:04:34,410

my parents moved away from that and and

73

00:04:41,159 --> 00:04:37,810

and we stopped doing it somewhere around

74

00:04:42,810 --> 00:04:41,169

junior high but uh and then we started

75

00:04:46,400 --> 00:04:42,820

kind of doing something different you

76

00:04:49,200 --> 00:04:46,410

know for for the Fall Festival but I

77

00:04:52,950 --> 00:04:49,210

originally did early on in my my

78

00:04:55,020 --> 00:04:52,960

youngster years and then yeah it was a

79

00:04:57,900 --> 00:04:55,030

it's something now remember doing with

80

00:05:00,540 --> 00:04:57,910

my sister you know yeah yeah get some

81

00:05:01,980 --> 00:05:00,550

candy um this seems kind of innocent you

82

00:05:03,839 --> 00:05:01,990

know get some candy knock on the

83

00:05:05,250 --> 00:05:03,849

neighbors doors but tonight we're going

84

00:05:07,350 --> 00:05:05,260

to be talking about maybe some of the

85

00:05:09,629 --> 00:05:07,360

hidden things that you weren't aware of

86

00:05:12,020 --> 00:05:09,639

about Halloween and just kind of what

87

00:05:15,060 --> 00:05:12,030

stepping into all that darkness can do

88

00:05:16,980 --> 00:05:15,070

tonight's guest Bilson Evelyn he grew up

89

00:05:20,100 --> 00:05:16,990

trick-or-treating isn't that right bill

90

00:05:21,960 --> 00:05:20,110

yeah absolutely i l'm course l'm

91

00:05:25,529 --> 00:05:21,970

probably older than either of you but l

92

00:05:27,089 --> 00:05:25,539

was raised in the 50s and yeah l went

93

00:05:31,230 --> 00:05:27,099

out trick-or-treating faithfully every

94

00:05:33,000 --> 00:05:31,240

year there i say religiously and you

95

00:05:35,790 --> 00:05:33,010

know cuz i like candy as much as the

96

00:05:38,339 --> 00:05:35,800

next kid yeah yeah what you know there's

97

00:05:40,830 --> 00:05:38,349

this element of you know being spooky

98

00:05:43,200 --> 00:05:40,840

and you get a little thrill and you know

99

00:05:45,680 --> 00:05:43,210

all of that and you know and of course

100

00:05:48,300 --> 00:05:45,690

back then you didn't hear anything

101
00:05:51,839 --> 00:05:48,310
against Halloween I mean at least not in

102
00:05:54,330 --> 00:05:51,849
our circles mm-hmm you know I was glad

103
00:05:55,589 --> 00:05:54,340
yeah and then then one of the main

104
00:05:57,810 --> 00:05:55,599
things that we heard about was the

105
00:05:59,760 --> 00:05:57,820
people were putting razor blades and

106
00:06:00,390 --> 00:05:59,770
apples that they handed out to kids so

107
00:06:02,700 --> 00:06:00,400
it wasn't

108
00:06:04,469 --> 00:06:02,710
safe even to get the candy and I mean

109
00:06:06,749 --> 00:06:04,479
that's just one little look at what's

110
00:06:08,460 --> 00:06:06,759
going on but it was it was initially a

111
00:06:10,110 --> 00:06:08,470
Halloween night that kind of sparked

112
00:06:12,120 --> 00:06:10,120
your interest in the occult is that

113
00:06:14,640 --> 00:06:12,130

right we'll talk about that later yes

114

00:06:16,950 --> 00:06:14,650

yes and that kind of escalated

115

00:06:20,159 --> 00:06:16,960

throughout the years your interest in

116

00:06:21,900 --> 00:06:20,169

like the supernatural the occult to the

117

00:06:24,330 --> 00:06:21,910

point that that it turned you into one

118

00:06:25,710 --> 00:06:24,340

of the most gruesome characters that

119

00:06:28,680 --> 00:06:25,720

many of you listening tonight may have

120

00:06:30,719 --> 00:06:28,690

dressed up for Halloween and it's it's

121

00:06:33,930 --> 00:06:30,729

been fact it's been fictionalized by the

122

00:06:38,400 --> 00:06:33,940

name is Dracula Edward Cullen we're

123

00:06:42,180 --> 00:06:38,410

talking about vampires yes yes bill you

124

00:06:43,920 --> 00:06:42,190

were a vampire well you're jumping right

125

00:06:48,750 --> 00:06:43,930

into the deep end of the pool there but

126
00:06:52,770 --> 00:06:48,760
yeah I yeah I did you know get involved

127
00:06:56,040 --> 00:06:52,780
with a group a kind of a cult thing that

128
00:06:58,260 --> 00:06:56,050
that basically we drink blood and we

129
00:07:00,420 --> 00:06:58,270
believe that by doing so we would we

130
00:07:02,909 --> 00:07:00,430
would live forever and that when I

131
00:07:04,770 --> 00:07:02,919
finally you know died that I would be

132
00:07:06,629 --> 00:07:04,780
coming this immortal being kind of like

133
00:07:08,700 --> 00:07:06,639
what you see in some of the movies

134
00:07:10,680 --> 00:07:08,710
although a lot of what's in the movies

135
00:07:13,800 --> 00:07:10,690
is total nonsense you know like so many

136
00:07:16,740 --> 00:07:13,810
things but yes yes that was in the late

137
00:07:18,480 --> 00:07:16,750
70s Wow I know some of you listening

138
00:07:22,439 --> 00:07:18,490

right now by God might beat chuckling

139

00:07:23,670 --> 00:07:22,449

going haha yeah right that was the

140

00:07:25,560 --> 00:07:23,680

reaction I got when I was telling

141

00:07:27,659 --> 00:07:25,570

someone last week about tonight's show

142

00:07:29,279 --> 00:07:27,669

and she proceeded to tell me about a man

143

00:07:31,740 --> 00:07:29,289

that she had encountered a new lines who

144

00:07:34,379 --> 00:07:31,750

had his his teeth filed the pointy fangs

145

00:07:36,120 --> 00:07:34,389

and and she said he seemed nice to

146

00:07:39,120 --> 00:07:36,130

normal as she talked to him he wasn't

147

00:07:40,409 --> 00:07:39,130

you know Ravis Lee salivating to bite

148

00:07:44,760 --> 00:07:40,419

her in the neck and suck her blood he

149

00:07:47,100 --> 00:07:44,770

seemed like a normal guy uh I myself

150

00:07:49,890 --> 00:07:47,110

watch the twilight saga of films which

151
00:07:51,420 --> 00:07:49,900
we'll talk about more tonight because

152
00:07:54,089 --> 00:07:51,430
I've been told that you know vampires

153
00:07:55,620 --> 00:07:54,099
are just fantasies it's not real that's

154
00:07:58,290 --> 00:07:55,630
why you may be laughing tonight it's

155
00:07:59,700 --> 00:07:58,300
just made up Aaron have you seen the

156
00:08:02,310 --> 00:07:59,710
Twilight films or other vampire

157
00:08:06,750 --> 00:08:02,320
favorites that you've watched I have to

158
00:08:08,850 --> 00:08:06,760
say I haven't I know I I don't because

159
00:08:10,740 --> 00:08:08,860
of my time and it for me it just

160
00:08:13,500 --> 00:08:10,750
wouldn't be entertainment for me I know

161
00:08:14,370 --> 00:08:13,510
that's very popular though with the

162
00:08:18,270 --> 00:08:14,380
youth and

163
00:08:21,090 --> 00:08:18,280

and you know the culture today it's you

164

00:08:23,070 --> 00:08:21,100

know zombies vampires very popular I've

165

00:08:25,290 --> 00:08:23,080

been hearing about it I haven't seen any

166

00:08:30,780 --> 00:08:25,300

of it but I've heard quite a bit about

167

00:08:32,640 --> 00:08:30,790

it yeah yeah yeah it's very popular in

168

00:08:35,460 --> 00:08:32,650

pop culture it seems like in the past

169

00:08:37,700 --> 00:08:35,470

maybe century or so vampires were Rolf's

170

00:08:40,100 --> 00:08:37,710

grown and popular entertainment like uh

171

00:08:42,839 --> 00:08:40,110

actually there's a movie out called

172

00:08:45,330 --> 00:08:42,849

dracula untold bill have you heard about

173

00:08:48,570 --> 00:08:45,340

that one it's in thesis that's the

174

00:08:52,500 --> 00:08:48,580

latest installment of what i call the

175

00:08:56,100 --> 00:08:52,510

vampire as Messiah oh okay it's like a

176
00:08:58,020 --> 00:08:56,110
sub-genre Oh as Dracula's the hero as

177
00:09:01,260 --> 00:08:58,030
you well not really a hero but an

178
00:09:03,750 --> 00:09:01,270
antihero and in someone who literally

179
00:09:05,670 --> 00:09:03,760
you know and I haven't seen this movie I

180
00:09:08,940 --> 00:09:05,680
don't even tend to see it but you know

181
00:09:10,860 --> 00:09:08,950
as I understand it basically he he you

182
00:09:12,990 --> 00:09:10,870
know to say cuz what people may or may

183
00:09:16,560 --> 00:09:13,000
not understand is the Dracula the

184
00:09:21,300 --> 00:09:16,570
character is based on a real historical

185
00:09:23,970 --> 00:09:21,310
figure Vlad tepish who was like he was

186
00:09:26,910 --> 00:09:23,980
like a warlord in an ancient Romania

187
00:09:29,730 --> 00:09:26,920
well an ancient like 500 years ago yeah

188
00:09:31,290 --> 00:09:29,740

he's regarded by his people kinda like

189

00:09:34,830 --> 00:09:31,300

the way we in America think of George

190

00:09:37,110 --> 00:09:34,840

Washington he was a patriot he was a

191

00:09:39,750 --> 00:09:37,120

hero he was also very brutal and very

192

00:09:41,640 --> 00:09:39,760

savage and it's probably why you know

193

00:09:45,680 --> 00:09:41,650

Bram Stoker the guy who created the

194

00:09:47,970 --> 00:09:45,690

literary Dracula uh picked up the name

195

00:09:51,240 --> 00:09:47,980

because the name literally means son of

196

00:09:55,110 --> 00:09:51,250

the Dragon yeah his see his father the

197

00:09:58,410 --> 00:09:55,120

real duelist Vlad guy uh his real father

198

00:10:00,390 --> 00:09:58,420

was that are cool which means dragon and

199

00:10:02,670 --> 00:10:00,400

he was given that name because he joined

200

00:10:05,970 --> 00:10:02,680

this order of the Dragon which was

201
00:10:07,890 --> 00:10:05,980
actually a papal order you know from the

202
00:10:10,440 --> 00:10:07,900
papacy it was like a knighthood order

203
00:10:13,200 --> 00:10:10,450
that he was conferred conferred upon him

204
00:10:15,120 --> 00:10:13,210
for the purpose of fighting the infidels

205
00:10:17,310 --> 00:10:15,130
fighting there was the Turks and the

206
00:10:19,890 --> 00:10:17,320
Muslims mainly which is oddly enough

207
00:10:22,860 --> 00:10:19,900
what we're getting into today but anyway

208
00:10:24,960 --> 00:10:22,870
you know the more things change the more

209
00:10:26,820 --> 00:10:24,970
things they say the same but but in any

210
00:10:27,290 --> 00:10:26,830
event so this guy was in the order of

211
00:10:30,740 --> 00:10:27,300
the dre

212
00:10:34,550 --> 00:10:30,750
and so his son of Vlad tepish came to be

213
00:10:35,990 --> 00:10:34,560

known as Dracula because you know he was

214

00:10:38,600 --> 00:10:36,000

the son of the Dragon and also because

215

00:10:40,820 --> 00:10:38,610

he was very savage guy who would he did

216

00:10:42,769 --> 00:10:40,830

in his life historically he did some

217

00:10:44,660 --> 00:10:42,779

very unspeakable things you know first

218

00:10:47,030 --> 00:10:44,670

it was a different time and you know

219

00:10:48,310 --> 00:10:47,040

this is like you know obviously 200

220

00:10:51,500 --> 00:10:48,320

years before the American Revolution

221

00:10:54,440 --> 00:10:51,510

making I'm very glad the Impaler yeah

222

00:10:57,050 --> 00:10:54,450

that's why wish me with ya yeah we don't

223

00:10:59,600 --> 00:10:57,060

need anybody going to all AB you know he

224

00:11:00,949 --> 00:10:59,610

was he was a very nasty guy and and so

225

00:11:03,560 --> 00:11:00,959

the premise of this movie as I

226

00:11:07,850 --> 00:11:03,570

understand it is it he basically to save

227

00:11:10,040 --> 00:11:07,860

his people to save his nation from the

228

00:11:14,680 --> 00:11:10,050

invading Turks or whatever it might be

229

00:11:18,530 --> 00:11:14,690

magyars he he went and got these awesome

230

00:11:21,710 --> 00:11:18,540

occult / vampiric powers from this evil

231

00:11:23,930 --> 00:11:21,720

old you know vampire and so it's like

232

00:11:27,650 --> 00:11:23,940

okay he's like this Messiah figure who

233

00:11:29,480 --> 00:11:27,660

came to save his people and and this is

234

00:11:33,350 --> 00:11:29,490

not the first time this has come up i

235

00:11:36,290 --> 00:11:33,360

mean even even in a book dracula there's

236

00:11:39,590 --> 00:11:36,300

a heavy you know subtext of him being

237

00:11:41,420 --> 00:11:39,600

kind of this dark messiah you know the

238

00:11:43,400 --> 00:11:41,430

idea that that you know at one point

239

00:11:47,720 --> 00:11:43,410

he's and this has been in many of the

240

00:11:50,510 --> 00:11:47,730

movies this scene where he dracula he

241

00:11:52,670 --> 00:11:50,520

seduces this woman usually in the book

242

00:11:54,680 --> 00:11:52,680

it's mina harker but in the movies it's

243

00:11:57,380 --> 00:11:54,690

different people and he actually you

244

00:11:59,990 --> 00:11:57,390

know seduces her and tells her if she

245

00:12:01,970 --> 00:12:00,000

drinks his blood that you know she will

246

00:12:06,019 --> 00:12:01,980

live forever and he actually cuts open

247

00:12:08,060 --> 00:12:06,029

his chest and has her drink blood from

248

00:12:10,670 --> 00:12:08,070

his side and he actually says you are

249

00:12:12,560 --> 00:12:10,680

boning my bone and flesh of my flesh oh

250

00:12:14,750 --> 00:12:12,570

that's nasty you know and I mean it's

251
00:12:16,490 --> 00:12:14,760
like this weird dark communion service

252
00:12:19,040 --> 00:12:16,500
yeah and of course there's this

253
00:12:21,800 --> 00:12:19,050
long-standing in in the Roman Catholic

254
00:12:24,769 --> 00:12:21,810
Church there's this long-standing I

255
00:12:28,819 --> 00:12:24,779
Connor or symbolism if you will of a

256
00:12:30,610 --> 00:12:28,829
pelican is a symbol of Messiah gouging

257
00:12:33,590 --> 00:12:30,620
opened its breast to feed its young

258
00:12:36,590 --> 00:12:33,600
which is a metaphor of course for the

259
00:12:38,840 --> 00:12:36,600
fact that you know when Messiah was

260
00:12:40,560 --> 00:12:38,850
killed on the cross his side was pierced

261
00:12:43,290 --> 00:12:40,570
with you know

262
00:12:45,900 --> 00:12:43,300
the spear and blood and water flowed out

263
00:12:48,500 --> 00:12:45,910

of his sight and you know and of course

264

00:12:52,110 --> 00:12:48,510

it's that blood that gives us as

265

00:12:54,270 --> 00:12:52,120

Christians eternal life so it's like the

266

00:12:56,460 --> 00:12:54,280

the Bram Stoker and a lot of the other

267

00:12:58,020 --> 00:12:56,470

filmmakers down through the last it's

268

00:13:00,540 --> 00:12:58,030

been about a hundred and hundred and

269

00:13:03,590 --> 00:13:00,550

thirty years you know have created this

270

00:13:06,150 --> 00:13:03,600

kind of dark Christ figure who offers

271

00:13:08,730 --> 00:13:06,160

supposedly eternal life and it's very

272

00:13:11,430 --> 00:13:08,740

seductive and it used to be I mean if

273

00:13:13,230 --> 00:13:11,440

you look at the history and I in my book

274

00:13:15,540 --> 00:13:13,240

you know romancing death which is a

275

00:13:18,000 --> 00:13:15,550

whole survey of this issue of the

276

00:13:22,080 --> 00:13:18,010

vampire in popular culture and its

277

00:13:26,370 --> 00:13:22,090

spiritual dangers you know it is very

278

00:13:29,430 --> 00:13:26,380

very critical to understand that there's

279

00:13:31,670 --> 00:13:29,440

this like seduction involved where

280

00:13:34,740 --> 00:13:31,680

originally there was this movie Oh

281

00:13:37,350 --> 00:13:34,750

probably 100 years ago called Nosferatu

282

00:13:39,300 --> 00:13:37,360

a symphony of terror there was a silent

283

00:13:41,190 --> 00:13:39,310

film it was the first film version

284

00:13:44,340 --> 00:13:41,200

Dracula they changed the name of the guy

285

00:13:47,550 --> 00:13:44,350

to avoid getting sued and and in it the

286

00:13:51,570 --> 00:13:47,560

vampire looks like a human rap I mean

287

00:13:54,690 --> 00:13:51,580

he's this really ugly you know guy with

288

00:13:57,180 --> 00:13:54,700

big pointy ears and teeth like a rat

289

00:13:58,830 --> 00:13:57,190

like a rodent I mean to none like the

290

00:14:02,490 --> 00:13:58,840

vampires you see today to they have like

291

00:14:05,090 --> 00:14:02,500

you know their canine teeth and he was

292

00:14:10,890 --> 00:14:05,100

just hideous and it's really a very

293

00:14:13,530 --> 00:14:10,900

scary film and um you know but now down

294

00:14:15,450 --> 00:14:13,540

to the centuries Dracula and the other

295

00:14:18,080 --> 00:14:15,460

vampires not through centuries which of

296

00:14:21,690 --> 00:14:18,090

the decades has become more and more

297

00:14:23,010 --> 00:14:21,700

sexy yeah I mean Edward Cullen I mean

298

00:14:25,320 --> 00:14:23,020

that's like he was on the cover of all

299

00:14:26,880 --> 00:14:25,330

the magazines every girl you know it was

300

00:14:29,610 --> 00:14:26,890

like this it was his romance in the

301

00:14:31,680 --> 00:14:29,620

Twilight series you know he was he was

302

00:14:34,770 --> 00:14:31,690

attractive and so was I mean come on and

303

00:14:36,690 --> 00:14:34,780

the movies Brad Pitt and Tom Cruise

304

00:14:38,670 --> 00:14:36,700

interview with a vampire hello those are

305

00:14:42,180 --> 00:14:38,680

the biggest you know heartthrobs around

306

00:14:45,210 --> 00:14:42,190

and johnny depp in dark shadows mm-hmm

307

00:14:48,930 --> 00:14:45,220

oh yeah yeah and even back as far back

308

00:14:50,310 --> 00:14:48,940

as 99 was 78 Frank Langella who of

309

00:14:53,760 --> 00:14:50,320

course is now kind of an elder statesman

310

00:14:54,120 --> 00:14:53,770

in Hollywood he was quite sexy back then

311

00:14:57,210 --> 00:14:54,130

you know

312

00:14:59,820 --> 00:14:57,220

he played Dracula an apt ation of the

313

00:15:02,240 --> 00:14:59,830

stage play and you know he was really

314

00:15:05,160 --> 00:15:02,250

the first very very you know

315

00:15:07,230 --> 00:15:05,170

romantic-looking vampire and ever since

316

00:15:08,970 --> 00:15:07,240

then it's been getting more so and of

317

00:15:12,660 --> 00:15:08,980

course that's because you know frankly

318

00:15:16,230 --> 00:15:12,670

Hollywood is no you know friend of the

319

00:15:17,790 --> 00:15:16,240

gospel I mean they basically are not

320

00:15:19,290 --> 00:15:17,800

very usually although I know everybody

321

00:15:21,000 --> 00:15:19,300

saying oh this is the year of the Bible

322

00:15:22,830 --> 00:15:21,010

and there's all these more vital

323

00:15:25,910 --> 00:15:22,840

friendly films this particular year but

324

00:15:29,040 --> 00:15:25,920

that's kind of an anomaly and so there

325

00:15:31,440 --> 00:15:29,050

most of the films they've created have

326

00:15:34,190 --> 00:15:31,450

been too kind of accentuate the idea of

327

00:15:37,350 --> 00:15:34,200

the vampire as being this dark sexy

328

00:15:39,570 --> 00:15:37,360

antihero mm-hmm and especially you

329

00:15:42,210 --> 00:15:39,580

mentioned the twilight series and that's

330

00:15:44,160 --> 00:15:42,220

it to me especially worrisome because

331

00:15:46,580 --> 00:15:44,170

those are books that are oriented toward

332

00:15:51,000 --> 00:15:46,590

adolescent especially adolescent females

333

00:15:53,370 --> 00:15:51,010

and you know if you read those books and

334

00:15:54,900 --> 00:15:53,380

I when I wrote my book I had to suffer

335

00:15:56,490 --> 00:15:54,910

through reading all off because they're

336

00:16:00,630 --> 00:15:56,500

giant books I mean they're like six or

337

00:16:02,910 --> 00:16:00,640

seven pages long and you know it's very

338

00:16:06,810 --> 00:16:02,920

seductive because if you're a young girl

339

00:16:08,640 --> 00:16:06,820

you know 15 16 17 years old and you're

340

00:16:12,330 --> 00:16:08,650

reading these books and you have all the

341

00:16:14,580 --> 00:16:12,340

insecurities the the adolescent females

342

00:16:16,590 --> 00:16:14,590

and our culture have about their their

343

00:16:19,920 --> 00:16:16,600

body image about will I get a boyfriend

344

00:16:22,190 --> 00:16:19,930

you know all by my popular I am I a

345

00:16:24,780 --> 00:16:22,200

klutz you know all of these things

346

00:16:26,250 --> 00:16:24,790

that's right there in the book and it's

347

00:16:29,250 --> 00:16:26,260

like here's this you mentioned this

348

00:16:32,460 --> 00:16:29,260

Edward Cullen who's this gorgeous Greek

349

00:16:34,380 --> 00:16:32,470

god like you know vampire and he

350

00:16:38,700 --> 00:16:34,390

basically falls in love with this go key

351

00:16:41,460 --> 00:16:38,710

teenage girl Bella and you know it's

352

00:16:45,030 --> 00:16:41,470

like every girl's fantasy because here's

353

00:16:47,970 --> 00:16:45,040

this gorgeous guy who loves me and he

354

00:16:49,470 --> 00:16:47,980

can make me you know sexy and whatever

355

00:16:51,930 --> 00:16:49,480

you know and he can make me young

356

00:16:54,210 --> 00:16:51,940

forever because that's that's what these

357

00:16:56,550 --> 00:16:54,220

these vampire things promise is that

358

00:17:00,570 --> 00:16:56,560

you'll be forever young and of course

359

00:17:02,670 --> 00:17:00,580

it's a lie but yet you know adolescents

360

00:17:04,439 --> 00:17:02,680

as we know sometimes have trouble

361

00:17:06,780 --> 00:17:04,449

discerning truths from air especially

362

00:17:07,890 --> 00:17:06,790

when it comes to romance and so that's

363

00:17:09,270 --> 00:17:07,900

the danger of this

364

00:17:11,760 --> 00:17:09,280

I mean if you want we can even talk

365

00:17:13,770 --> 00:17:11,770

about how how bad a role model this

366

00:17:17,310 --> 00:17:13,780

Bella is in terms of being an

367

00:17:19,410 --> 00:17:17,320

independent intelligent woman figure you

368

00:17:21,950 --> 00:17:19,420

know in today's world you know she's not

369

00:17:25,500 --> 00:17:21,960

I mean she's basically a whiny

370

00:17:28,650 --> 00:17:25,510

adolescent who like clings to this guy

371

00:17:31,170 --> 00:17:28,660

like a you know like a leech part knee

372

00:17:33,810 --> 00:17:31,180

action and I mean she's like totally

373

00:17:36,450 --> 00:17:33,820

like fixated on him and it's it's not

374

00:17:39,270 --> 00:17:36,460

the kind of behavior that you would want

375

00:17:42,780 --> 00:17:39,280

your daughter you know to emulate and

376

00:17:45,750 --> 00:17:42,790

yet she's she's like an iconic hero in

377

00:17:48,240 --> 00:17:45,760

in the culture of the first the first

378

00:17:49,680 --> 00:17:48,250

decade of this century yeah it's really

379

00:17:51,480 --> 00:17:49,690

really sad you know because a lot of

380

00:17:53,640 --> 00:17:51,490

girls are running around saying oh I got

381

00:17:55,740 --> 00:17:53,650

to find somebody like Edward Cullen to

382

00:17:57,420 --> 00:17:55,750

bite me in the neck and and here's the

383

00:17:59,130 --> 00:17:57,430

point I think we need to make because

384

00:18:01,740 --> 00:17:59,140

you mention know everybody thinks this

385

00:18:04,920 --> 00:18:01,750

is just fantasy but you know actually

386

00:18:08,190 --> 00:18:04,930

there really are people out there you

387

00:18:12,210 --> 00:18:08,200

know so the question asks our vampires

388

00:18:15,270 --> 00:18:12,220

real yes well that i'd have to say

389

00:18:16,950 --> 00:18:15,280

qualified yes yeah not necessarily like

390

00:18:19,530 --> 00:18:16,960

you see in hollywood where they they

391

00:18:21,330 --> 00:18:19,540

turn into bats and they you know fly

392

00:18:23,180 --> 00:18:21,340

around or they turn into mist and seep

393

00:18:26,370 --> 00:18:23,190

under your door and things like that no

394

00:18:29,220 --> 00:18:26,380

but are there really people out there

395

00:18:33,300 --> 00:18:29,230

that drink blood and and there's this

396

00:18:36,630 --> 00:18:33,310

kind of cultic religious sexual overtone

397

00:18:39,210 --> 00:18:36,640

to it yes there are and all you have to

398

00:18:41,970 --> 00:18:39,220

do I mean there's there's the you know

399

00:18:44,010 --> 00:18:41,980

vampire church there's there's all these

400

00:18:46,800 --> 00:18:44,020

websites devoted to different like

401
00:18:49,440 --> 00:18:46,810
there's even denominations now a vampire

402
00:18:51,960 --> 00:18:49,450
ism there's the sanguinary in vampires

403
00:18:54,420 --> 00:18:51,970
that drink blood and there's the psychic

404
00:18:57,090 --> 00:18:54,430
vampires that just live off of soul

405
00:18:58,950 --> 00:18:57,100
force you know things like that and then

406
00:19:00,030 --> 00:18:58,960
there's even subdivisions with that and

407
00:19:01,970 --> 00:19:00,040
they have all these philosophical

408
00:19:04,290 --> 00:19:01,980
discussions of course they also have

409
00:19:07,500 --> 00:19:04,300
sectarian fights between them about

410
00:19:10,050 --> 00:19:07,510
which is the true vampire and it's it's

411
00:19:12,840 --> 00:19:10,060
craziness but yes and and many of these

412
00:19:14,640 --> 00:19:12,850
people are kind of deviant individuals I

413
00:19:16,650 --> 00:19:14,650

mean because you can't here's the

414

00:19:18,360 --> 00:19:16,660

problem scene from a Bible perspective

415

00:19:19,560 --> 00:19:18,370

and I'm a person minister of the gospel

416

00:19:21,180 --> 00:19:19,570

now

417

00:19:25,260 --> 00:19:21,190

I should maybe make that clear I no

418

00:19:27,330 --> 00:19:25,270

longer do these things and you know the

419

00:19:29,730 --> 00:19:27,340

problem is is it from the Bible's

420

00:19:32,310 --> 00:19:29,740

perspective it's a sin to drink blood I

421

00:19:33,810 --> 00:19:32,320

mean that that's that's given in you

422

00:19:35,670 --> 00:19:33,820

know like in the Old Testament it's

423

00:19:38,520 --> 00:19:35,680

given in the law of Moses and it's even

424

00:19:40,110 --> 00:19:38,530

also in the books of Acts chapter 15 you

425

00:19:41,940 --> 00:19:40,120

know this is this is something that is

426

00:19:43,710 --> 00:19:41,950

dangerous spiritually to drink blood

427

00:19:45,690 --> 00:19:43,720

this ain't nothing of hygienic Lee and

428

00:19:48,120 --> 00:19:45,700

health-wise dangerous I mean you look at

429

00:19:51,480 --> 00:19:48,130

all of the weird diseases we have now

430

00:19:53,490 --> 00:19:51,490

floating around you know in society I

431

00:19:55,500 --> 00:19:53,500

mean Ebola is just the latest one to be

432

00:19:57,840 --> 00:19:55,510

on the public radar you know you don't

433

00:20:00,150 --> 00:19:57,850

want to be drinking blood you know and

434

00:20:03,180 --> 00:20:00,160

and it says in in the Torah and the

435

00:20:05,850 --> 00:20:03,190

Bible thou shalt not drink blood because

436

00:20:07,320 --> 00:20:05,860

the blood is the life of the soul and of

437

00:20:09,030 --> 00:20:07,330

course we all understand that I mean

438

00:20:11,460 --> 00:20:09,040

obviously if you had no blood you'd be

439

00:20:14,010 --> 00:20:11,470

dead so you know where did regard that

440

00:20:16,100 --> 00:20:14,020

is sacred and not drinking in fact you

441

00:20:19,560 --> 00:20:16,110

know you may even know that to this day

442

00:20:22,320 --> 00:20:19,570

Orthodox Jews if they eat meat they they

443

00:20:25,890 --> 00:20:22,330

have special kosher meat you know like

444

00:20:27,810 --> 00:20:25,900

beef or chicken that has been as much as

445

00:20:29,520 --> 00:20:27,820

possible drained of blood before it's

446

00:20:31,650 --> 00:20:29,530

delivered to the store to be to be

447

00:20:33,900 --> 00:20:31,660

bought because they don't want to even

448

00:20:36,690 --> 00:20:33,910

accidentally get a little blood in their

449

00:20:38,610 --> 00:20:36,700

meat when they cook it so you know this

450

00:20:41,220 --> 00:20:38,620

is something that's serious and and so

451

00:20:44,250 --> 00:20:41,230

when if you um you know if you're a

452

00:20:49,140 --> 00:20:44,260

young woman and you find some some

453

00:20:51,480 --> 00:20:49,150

velocity some weirdo that is trying to

454

00:20:53,460 --> 00:20:51,490

be a vampire and they say I'll drink

455

00:20:55,710 --> 00:20:53,470

your blood and you'll live forever you

456

00:20:57,300 --> 00:20:55,720

know when you allow that to happen and I

457

00:20:58,890 --> 00:20:57,310

don't care if they bite the person in

458

00:21:00,690 --> 00:20:58,900

the neck because some people some of

459

00:21:03,720 --> 00:21:00,700

these vampires do that some of them have

460

00:21:06,240 --> 00:21:03,730

a razor blade or a scalpel and they'll

461

00:21:08,640 --> 00:21:06,250

they'll cut a vein in the person's arm

462

00:21:12,180 --> 00:21:08,650

and dreamer I heard somebody was telling

463

00:21:16,200 --> 00:21:12,190

me about the like richest of the rich in

464

00:21:17,430 --> 00:21:16,210

the Dallas area that they like I don't

465

00:21:20,040 --> 00:21:17,440

know if it's every year or something

466

00:21:22,680 --> 00:21:20,050

they ran out the big reunion tower in

467

00:21:24,150 --> 00:21:22,690

dallas which is this big ball it has a

468

00:21:26,880 --> 00:21:24,160

restaurant at the top of it it's like

469

00:21:28,770 --> 00:21:26,890

expensive you know nice restaurant they

470

00:21:31,530 --> 00:21:28,780

rent it out and that they have people

471

00:21:33,180 --> 00:21:31,540

come that sign documents you know saying

472

00:21:35,190 --> 00:21:33,190

whatever they don't have disease

473

00:21:36,510 --> 00:21:35,200

and then they cut them and drain the

474

00:21:38,850 --> 00:21:36,520

blood and they mix it with alcohol and

475

00:21:40,800 --> 00:21:38,860

drink it as like some high-class thing

476

00:21:43,920 --> 00:21:40,810

yeah I hadn't heard about I'd wouldn't

477

00:21:45,210 --> 00:21:43,930

surprise me though there in like LA I

478

00:21:47,340 --> 00:21:45,220

know because I've talked to police

479

00:21:49,350 --> 00:21:47,350

officers that have told me about it they

480

00:21:51,840 --> 00:21:49,360

have they have kind of underground night

481

00:21:54,600 --> 00:21:51,850

clubs that are devote that are devoted

482

00:21:56,610 --> 00:21:54,610

to the consumption of human blood people

483

00:22:00,540 --> 00:21:56,620

go there to kind of hook up and drink

484

00:22:03,030 --> 00:22:00,550

each other's blood ok so there's so

485

00:22:05,280 --> 00:22:03,040

these people say I mean anybody could

486

00:22:07,910 --> 00:22:05,290

say oh I drink blood therefore I'm a

487

00:22:11,370 --> 00:22:07,920

vampire and you know want to be vampires

488

00:22:14,580 --> 00:22:11,380

so there's like the self-proclaimed ones

489

00:22:18,800 --> 00:22:14,590

versus like are there actually like

490

00:22:21,170 --> 00:22:18,810

demon-possessed vampires which you know

491

00:22:23,280 --> 00:22:21,180

explain that to me the difference

492

00:22:25,110 --> 00:22:23,290

self-proclaimed versus like demon

493

00:22:27,270 --> 00:22:25,120

possessed yeah and my humble opinion

494

00:22:29,880 --> 00:22:27,280

anybody the drinks human blood has

495

00:22:33,450 --> 00:22:29,890

probably got some demonic problems you

496

00:22:36,180 --> 00:22:33,460

know but but there are people within you

497

00:22:39,210 --> 00:22:36,190

know within Satanism who have chosen

498

00:22:41,330 --> 00:22:39,220

that path you know just like you know in

499

00:22:43,470 --> 00:22:41,340

any in any kind of ecclesiastical

500

00:22:45,780 --> 00:22:43,480

situation there are people like for

501
00:22:48,060 --> 00:22:45,790
example in you know you know high church

502
00:22:50,040 --> 00:22:48,070
setting like the Roman Church of the

503
00:22:51,420 --> 00:22:50,050
Anglican Church you have people that are

504
00:22:52,680 --> 00:22:51,430
nuns you have people that are brothers

505
00:22:54,180 --> 00:22:52,690
you have people that are priests and

506
00:22:56,670 --> 00:22:54,190
your people to lay people in the same

507
00:23:00,360 --> 00:22:56,680
way in Satanism you have some people

508
00:23:03,420 --> 00:23:00,370
take this path of becoming a vampire and

509
00:23:06,180 --> 00:23:03,430
to do that you are you have to holy give

510
00:23:09,120 --> 00:23:06,190
yourself over to the demonic realm you

511
00:23:12,150 --> 00:23:09,130
have to be basically up to your eyeballs

512
00:23:14,580 --> 00:23:12,160
and demons you know and you invite them

513
00:23:16,380 --> 00:23:14,590

in and I unfortunately I'm sad to say i

514

00:23:19,140 --> 00:23:16,390

used to do that i would literally invite

515

00:23:22,800 --> 00:23:19,150

i have a little chapel in the home i

516

00:23:25,620 --> 00:23:22,810

lived in this dark room full of candles

517

00:23:27,990 --> 00:23:25,630

and stuff and various occult stuff and i

518

00:23:29,460 --> 00:23:28,000

would kneel there and i would beg demons

519

00:23:34,140 --> 00:23:29,470

to come into me to give me more power

520

00:23:36,570 --> 00:23:34,150

and it wasn't until Jesus Yeshua that's

521

00:23:38,370 --> 00:23:36,580

what we call him is our Hebrew he

522

00:23:40,530 --> 00:23:38,380

actually was a you know Israelite he

523

00:23:44,010 --> 00:23:40,540

wasn't that wasn't really his historic

524

00:23:46,659 --> 00:23:44,020

name his name was you who shua until he

525

00:23:48,489 --> 00:23:46,669

sent me free really you know

526

00:23:50,169 --> 00:23:48,499

I was really trapped in this in because

527

00:23:53,499 --> 00:23:50,179

it is I'll tell you this much it's very

528

00:23:56,529 --> 00:23:53,509

addictive magic is addictive the occult

529

00:23:58,599 --> 00:23:56,539

is addictive and and blood is very

530

00:24:00,879 --> 00:23:58,609

addictive I mean you know there-there's

531

00:24:03,310 --> 00:24:00,889

actually studies about people to become

532

00:24:05,409 --> 00:24:03,320

just like you have heroin addicts or

533

00:24:07,119 --> 00:24:05,419

cocaine addicts you have people are

534

00:24:08,529 --> 00:24:07,129

actually addicted to drinking blood and

535

00:24:11,529 --> 00:24:08,539

if they don't get it they go into

536

00:24:13,899 --> 00:24:11,539

withdrawal hmm it's a kind of well in

537

00:24:15,810 --> 00:24:13,909

psychology and I should mention I have a

538

00:24:18,549 --> 00:24:15,820

master's degree in counseling psychology

539

00:24:21,580 --> 00:24:18,559

and it's called in psychology a

540

00:24:25,060 --> 00:24:21,590

paraphilia you know which means a kind

541

00:24:27,580 --> 00:24:25,070

of weird sexual perversion to be aroused

542

00:24:29,769 --> 00:24:27,590

by either the sight of blood or drinking

543

00:24:31,690 --> 00:24:29,779

blood and yet there's thousands of

544

00:24:35,470 --> 00:24:31,700

people that are doing it and my concern

545

00:24:37,539 --> 00:24:35,480

is that is the parents or other people

546

00:24:41,070 --> 00:24:37,549

that are kind of in charge of our

547

00:24:43,659 --> 00:24:41,080

adolescent or even younger population

548

00:24:46,330 --> 00:24:43,669

think okay all this is just good clean

549

00:24:48,580 --> 00:24:46,340

fun you know it's fantasy and they don't

550

00:24:51,190 --> 00:24:48,590

realize there are predatory individuals

551
00:24:52,450 --> 00:24:51,200
in both the sexual sense but also just

552
00:24:54,849 --> 00:24:52,460
in a sense of what we're talking about

553
00:24:57,789 --> 00:24:54,859
here there'll be more than happy to play

554
00:25:01,299 --> 00:24:57,799
on your child's fascination with these

555
00:25:04,149 --> 00:25:01,309
dark things and draw them in and drink

556
00:25:05,529 --> 00:25:04,159
their blood and you know horrible other

557
00:25:08,560 --> 00:25:05,539
things that we weren't even you know

558
00:25:10,269 --> 00:25:08,570
want to talk about I mean more and more

559
00:25:13,419 --> 00:25:10,279
weird stuff is going on in this world

560
00:25:16,090 --> 00:25:13,429
and that's my concern is that we don't

561
00:25:18,070 --> 00:25:16,100
underestimate the peril of these things

562
00:25:20,049 --> 00:25:18,080
because we know this is like tinkerbelle

563
00:25:22,330 --> 00:25:20,059

or something we'll know it it's not like

564

00:25:24,609 --> 00:25:22,340

tinkerbell yeah I like the line that you

565

00:25:26,560 --> 00:25:24,619

said in your book Romancing jet that you

566

00:25:29,769 --> 00:25:26,570

were talking about how parents might

567

00:25:31,989 --> 00:25:29,779

think that you know wizards and chingon

568

00:25:33,700 --> 00:25:31,999

Tooth Fairy and stuff is just fantasy

569

00:25:34,930 --> 00:25:33,710

and you're like well and goblins you're

570

00:25:37,210 --> 00:25:34,940

like well I don't know about the first

571

00:25:40,419 --> 00:25:37,220

two but the last one I know Wizards

572

00:25:43,810 --> 00:25:40,429

because I was one I mean there's really

573

00:25:46,210 --> 00:25:43,820

no arguing with that and the same thing

574

00:25:47,619 --> 00:25:46,220

with you I mean wizardry in advance to

575

00:25:52,389 --> 00:25:47,629

your vampire stage which we'll talk

576

00:25:55,359 --> 00:25:52,399

about your your spiritual journey still

577

00:25:57,279 --> 00:25:55,369

ahead tonight on epic voyages and we'll

578

00:25:59,779 --> 00:25:57,289

also be taking calls later tonight on

579

00:26:03,739 --> 00:25:59,789

epic voyages so if you have a great why

580

00:26:06,200 --> 00:26:03,749

shin you can call in coming up in about

581

00:26:08,960 --> 00:26:06,210

45 minutes we'll be taking calls and you

582

00:26:11,539 --> 00:26:08,970

can also get on the chat room and a post

583

00:26:13,940 --> 00:26:11,549

questions there as well to talk to our

584

00:26:15,680 --> 00:26:13,950

guest Phil snellen you can call later

585

00:26:16,909 --> 00:26:15,690

tonight when we when we asked for the

586

00:26:23,499 --> 00:26:16,919

calls the number to go ahead and have

587

00:26:26,060 --> 00:26:23,509

ready is 88 89 192 355 again 888 91 92

588

00:26:30,919 --> 00:26:26,070

355 if you're listening this Monday

589

00:26:33,200 --> 00:26:30,929

night the 27th and so now bill why I

590

00:26:35,509 --> 00:26:33,210

mentioned earlier the the demonic

591

00:26:38,509 --> 00:26:35,519

possession and stuff and we're talking

592

00:26:40,460 --> 00:26:38,519

about the spiritual world manifesting

593

00:26:43,729 --> 00:26:40,470

itself in the physical world in like a

594

00:26:47,989 --> 00:26:43,739

tangible physical sense the Bible

595

00:26:52,099 --> 00:26:47,999

records angels appearing to to humans it

596

00:26:57,979 --> 00:26:52,109

also records demon possession and Jesus

597

00:26:59,719 --> 00:26:57,989

rescuing one man from that so you made

598

00:27:01,909 --> 00:26:59,729

it pretty clear that you were not just a

599

00:27:03,799 --> 00:27:01,919

self-proclaimed vampire of some kid who

600

00:27:07,129 --> 00:27:03,809

likes the golf see you somebody like the

601
00:27:09,200 --> 00:27:07,139
goth scene and maybe had your teeth

602
00:27:11,719 --> 00:27:09,210
filed by dentist and like to drink blood

603
00:27:14,330 --> 00:27:11,729
but you were actually had this spiritual

604
00:27:17,659 --> 00:27:14,340
world manifesting itself in you in a

605
00:27:20,509 --> 00:27:17,669
demonic control and powers that right oh

606
00:27:23,029 --> 00:27:20,519
yes yes and I should just point out this

607
00:27:25,639 --> 00:27:23,039
is before as far as I can recall there

608
00:27:28,339 --> 00:27:25,649
was a goth scene I mean I think that

609
00:27:32,690 --> 00:27:28,349
sort of came up in the 80s and this was

610
00:27:35,210 --> 00:27:32,700
back in the 70s so you know it wasn't

611
00:27:36,950 --> 00:27:35,220
like I was following a trend yeah

612
00:27:40,099 --> 00:27:36,960
unfortunately I was kind of ahead of the

613
00:27:43,009 --> 00:27:40,109

curve on this but um you know yeah you

614

00:27:45,019 --> 00:27:43,019

see people need to understand there are

615

00:27:48,469 --> 00:27:45,029

just like there there there are saints

616

00:27:50,599 --> 00:27:48,479

if you will holy people within the body

617

00:27:53,629 --> 00:27:50,609

of Christ you know that are really

618

00:27:56,299 --> 00:27:53,639

really sold out for him well in the same

619

00:27:59,089 --> 00:27:56,309

way there are there are people within

620

00:28:01,999 --> 00:27:59,099

the dark realms that are equally sold

621

00:28:05,479 --> 00:28:02,009

out to the devil that are litters elet's

622

00:28:08,509 --> 00:28:05,489

that will basically do anything for for

623

00:28:11,720 --> 00:28:08,519

Satan and and I unfortunately was one of

624

00:28:14,000 --> 00:28:11,730

those people at one point and you know

625

00:28:15,740 --> 00:28:14,010

when they when you are asked okay do you

626

00:28:18,020 --> 00:28:15,750

want to be if you want to progress

627

00:28:20,780 --> 00:28:18,030

further in this you have to do such and

628

00:28:24,020 --> 00:28:20,790

such a thing and I said yes and so I

629

00:28:27,140 --> 00:28:24,030

went through this process and and it was

630

00:28:29,360 --> 00:28:27,150

very arduous and and not a lot of fun

631

00:28:31,220 --> 00:28:29,370

but and of course I was promised all

632

00:28:33,530 --> 00:28:31,230

these wonderful things it was a total

633

00:28:36,380 --> 00:28:33,540

lie you know that's the thing I need to

634

00:28:38,450 --> 00:28:36,390

emphasize when big surprise oh yeah when

635

00:28:40,190 --> 00:28:38,460

you see all of these things in these

636

00:28:42,470 --> 00:28:40,200

Hollywood movies and everything looks

637

00:28:44,090 --> 00:28:42,480

really wonderful and romantic and you

638

00:28:45,920 --> 00:28:44,100

know like Bella and it we're gonna live

639

00:28:48,440 --> 00:28:45,930

happily ever after for a thousand years

640

00:28:52,250 --> 00:28:48,450

you know blah blah blah well actually

641

00:28:54,950 --> 00:28:52,260

that's a total lie and and the people

642

00:28:56,780 --> 00:28:54,960

that get into these fantasy things and

643

00:28:58,880 --> 00:28:56,790

I'm not saying everybody that sees these

644

00:29:01,880 --> 00:28:58,890

movies is going to do that but the

645

00:29:03,890 --> 00:29:01,890

danger is there especially because with

646

00:29:05,750 --> 00:29:03,900

young people you know either men or

647

00:29:07,790 --> 00:29:05,760

women young men or women are more

648

00:29:11,510 --> 00:29:07,800

susceptible to these kind of romantic

649

00:29:13,400 --> 00:29:11,520

occultic fantasies and that's the danger

650

00:29:16,220 --> 00:29:13,410

is that is that they're going to draw on

651
00:29:18,680 --> 00:29:16,230
it be drawn in and I'm reminded of the

652
00:29:21,020 --> 00:29:18,690
verse second Corinthians 211 in the

653
00:29:23,120 --> 00:29:21,030
Bible mentions talking about in order

654
00:29:26,090 --> 00:29:23,130
that Satan might not outwit us for we

655
00:29:27,650 --> 00:29:26,100
are not unaware of his schemes and

656
00:29:29,660 --> 00:29:27,660
that's kind of what we're trying to do

657
00:29:33,800 --> 00:29:29,670
tonight is kind of blow the whistle kind

658
00:29:36,410 --> 00:29:33,810
of unroll the blueprint so of the devil

659
00:29:38,210 --> 00:29:36,420
of the evil the dark side so that we

660
00:29:41,870 --> 00:29:38,220
won't be unaware of it so that we can

661
00:29:44,540 --> 00:29:41,880
stand our ground Ephesians 6 chapter 6

662
00:29:46,760 --> 00:29:44,550
verse 11 put on the full armor of God so

663
00:29:49,370 --> 00:29:46,770

that you can take your stand against the

664

00:29:52,610 --> 00:29:49,380

devil's schemes for our struggle is not

665

00:29:54,950 --> 00:29:52,620

against flesh and blood but against the

666

00:29:57,110 --> 00:29:54,960

rulers against the authorities against

667

00:30:00,050 --> 00:29:57,120

the powers of this dark world and

668

00:30:03,080 --> 00:30:00,060

against the spiritual forces of evil in

669

00:30:04,700 --> 00:30:03,090

the heavenly realms and then it goes on

670

00:30:07,700 --> 00:30:04,710

to tell us to put on the full armor of

671

00:30:11,540 --> 00:30:07,710

God so as we continue to kind of unmask

672

00:30:15,080 --> 00:30:11,550

this this quote-unquote fantasy of

673

00:30:18,530 --> 00:30:15,090

vampires tell us your experience what

674

00:30:20,750 --> 00:30:18,540

you've learned as far as we mentioned

675

00:30:22,520 --> 00:30:20,760

earlier the fiction of vampires and

676

00:30:25,430 --> 00:30:22,530

you're saying some of this stuff is not

677

00:30:27,830 --> 00:30:25,440

true tell us what exactly is

678

00:30:30,710 --> 00:30:27,840

higher compared to what a lot of these

679

00:30:32,090 --> 00:30:30,720

fictional things you know say that

680

00:30:33,950 --> 00:30:32,100

vampires are like how would you define

681

00:30:36,740 --> 00:30:33,960

we're talking about a demon-possessed

682

00:30:40,159 --> 00:30:36,750

vampire not just a self-proclaimed one

683

00:30:45,619 --> 00:30:40,169

well I can just speak to the few people

684

00:30:50,450 --> 00:30:45,629

I knew and myself we we were stronger

685

00:30:52,159 --> 00:30:50,460

than normal you know but I for example I

686

00:30:54,529 --> 00:30:52,169

could not go on the sunlight for more

687

00:30:57,169 --> 00:30:54,539

than a few minutes without having like

688

00:30:59,240 --> 00:30:57,179

either a broad-brimmed hat or you know

689

00:31:00,499 --> 00:30:59,250

my arms completely covered and actually

690

00:31:02,480 --> 00:31:00,509

wearing gloves right I'd actually get

691

00:31:04,789 --> 00:31:02,490

blisters on my skin from the sunlight

692

00:31:06,590 --> 00:31:04,799

hmm this is after going through this

693

00:31:11,149 --> 00:31:06,600

change this wasn't the way I was before

694

00:31:14,960 --> 00:31:11,159

and additionally I really I couldn't eat

695

00:31:17,029 --> 00:31:14,970

and that was a total bummer I mean

696

00:31:19,369 --> 00:31:17,039

imagine going a year and a half without

697

00:31:21,200 --> 00:31:19,379

ever being able to eat is that how long

698

00:31:24,529 --> 00:31:21,210

you were a vampire you're in a sickly

699

00:31:26,210 --> 00:31:24,539

yeah mm-hmm and the only reason I got

700

00:31:29,029 --> 00:31:26,220

out of that whole thing was because a

701

00:31:31,580 --> 00:31:29,039

Christian lady started praying for me

702

00:31:34,249 --> 00:31:31,590

and we can talk more about that later

703

00:31:37,899 --> 00:31:34,259

but that's the power of prayer but you

704

00:31:40,549 --> 00:31:37,909

know so you know you can only drink

705

00:31:42,680 --> 00:31:40,559

blood I mean I couldn't even drink water

706

00:31:46,009 --> 00:31:42,690

if I drank water it would just sit in my

707

00:31:48,190 --> 00:31:46,019

stomach oh and I you know like it

708

00:31:50,480 --> 00:31:48,200

wouldn't even go in you know and so um

709

00:31:54,200 --> 00:31:50,490

and people might wonder well where did

710

00:31:56,149 --> 00:31:54,210

you get the blood well I had um I was

711

00:32:00,169 --> 00:31:56,159

the head of a coven of actually several

712

00:32:02,419 --> 00:32:00,179

covens of witches and I had about four

713

00:32:06,289 --> 00:32:02,429

or five women who were more than happy

714

00:32:08,600 --> 00:32:06,299

to let me bite them in the neck and take

715

00:32:11,480 --> 00:32:08,610

some blood yeah because they thought is

716

00:32:13,879 --> 00:32:11,490

some erotic thing romantic thing like we

717

00:32:15,740 --> 00:32:13,889

talked about earlier yes exactly that it

718

00:32:17,450 --> 00:32:15,750

was some sort of a weird turn on and of

719

00:32:20,810 --> 00:32:17,460

course also they thought they'd get a

720

00:32:24,110 --> 00:32:20,820

cult power from it somehow and you know

721

00:32:28,269 --> 00:32:24,120

so so I do a different one every other

722

00:32:31,700 --> 00:32:28,279

night or so and then you know basically

723

00:32:34,279 --> 00:32:31,710

that was how I survived but you see like

724

00:32:36,350 --> 00:32:34,289

any other addiction you need more you

725

00:32:38,050 --> 00:32:36,360

know just like if you talk to anybody

726

00:32:40,300 --> 00:32:38,060

who's been involved in either

727

00:32:42,970 --> 00:32:40,310

addiction or alcoholism you know or a

728

00:32:44,530 --> 00:32:42,980

treatment there of which I was a drug

729

00:32:48,790 --> 00:32:44,540

treatment guy for five years in the

730

00:32:51,580 --> 00:32:48,800

secular agency you need more to get the

731

00:32:53,830 --> 00:32:51,590

same buzz and it's true of bear it's

732

00:32:57,190 --> 00:32:53,840

true whiskey it's true of heroin and

733

00:32:59,680 --> 00:32:57,200

it's also true of blood and so I began

734

00:33:01,270 --> 00:32:59,690

needing more and then I began needing

735

00:33:03,880 --> 00:33:01,280

more and I would I had to get a job

736

00:33:05,710 --> 00:33:03,890

where I would work at night so I got it

737

00:33:07,570 --> 00:33:05,720

and it's funny to think of a vampire

738

00:33:11,640 --> 00:33:07,580

having to have a job but I I needed a

739

00:33:14,200 --> 00:33:11,650

job you know it and so you could pay the

740

00:33:17,140 --> 00:33:14,210

utilities yeah well all the mundane

741

00:33:20,500 --> 00:33:17,150

stuff yeah you know yeah and so they say

742

00:33:22,570 --> 00:33:20,510

you wouldn't have to buy food no no we

743

00:33:24,640 --> 00:33:22,580

ended up you know I got a job working in

744

00:33:26,560 --> 00:33:24,650

a third shift of the newspaper putting

745

00:33:29,380 --> 00:33:26,570

newspapers in boxes you know those tin

746

00:33:30,760 --> 00:33:29,390

boxes you see on street corners and so I

747

00:33:33,460 --> 00:33:30,770

was out in the middle of the night you

748

00:33:35,320 --> 00:33:33,470

know riding around and I'd see how bout

749

00:33:37,050 --> 00:33:35,330

you friendly mailman coming to all

750

00:33:39,790 --> 00:33:37,060

everybody's house that's super-creepy

751

00:33:41,290 --> 00:33:39,800

well yeah yeah in fact I would do that

752

00:33:42,910 --> 00:33:41,300

some nights they would they would have

753

00:33:45,850 --> 00:33:42,920

me actually deliver papers like if a

754

00:33:47,320 --> 00:33:45,860

paper carrier was sick you know the one

755

00:33:49,720 --> 00:33:47,330

of the adolescent kids they have

756

00:33:52,780 --> 00:33:49,730

delivering papers I'd have to go do it

757

00:33:53,980 --> 00:33:52,790

you know and yeah you know and yeah

758

00:33:55,300 --> 00:33:53,990

you're right it's a little creepy to

759

00:33:57,160 --> 00:33:55,310

think you've got a vampire to living

760

00:33:59,560 --> 00:33:57,170

your newspaper take you coming to your

761

00:34:01,600 --> 00:33:59,570

doorstep every day yeah yeah well we

762

00:34:03,280 --> 00:34:01,610

never did that we just we drag him up on

763

00:34:06,940 --> 00:34:03,290

a thing and toss him over the fence you

764

00:34:08,920 --> 00:34:06,950

know but anyway the point was you know I

765

00:34:11,380 --> 00:34:08,930

would sometimes be driving around and

766

00:34:14,140 --> 00:34:11,390

I'd see an isolated you know like street

767

00:34:16,180 --> 00:34:14,150

person or prostitute or something and I

768

00:34:19,150 --> 00:34:16,190

would really feel this this bloodlust

769

00:34:22,030 --> 00:34:19,160

you know rising up with imeon and like

770

00:34:24,550 --> 00:34:22,040

you know I I never killed anybody thank

771

00:34:28,660 --> 00:34:24,560

goodness you know but I felt this urge

772

00:34:30,910 --> 00:34:28,670

to do it and I would fight it off um but

773

00:34:33,010 --> 00:34:30,920

you know it was only by the grace of the

774

00:34:35,080 --> 00:34:33,020

almighty that I didn't end up like in a

775

00:34:37,510 --> 00:34:35,090

nut house or something you know oh why

776

00:34:41,650 --> 00:34:37,520

even bother fighting it off I mean well

777

00:34:44,410 --> 00:34:41,660

because I was you know this is the real

778

00:34:47,140 --> 00:34:44,420

world it's not Hollywood and you know I

779

00:34:50,260 --> 00:34:47,150

was afraid that I would make a mistake

780

00:34:51,520 --> 00:34:50,270

and I get caught by the police and I'd

781

00:34:55,330 --> 00:34:51,530

end up either you know

782

00:34:56,710 --> 00:34:55,340

we'll put in the mental hospital or sent

783

00:34:58,870 --> 00:34:56,720

to prison or something and I had a

784

00:35:01,450 --> 00:34:58,880

family and you know friends and you know

785

00:35:04,270 --> 00:35:01,460

what noddin I just I didn't want to make

786

00:35:06,280 --> 00:35:04,280

that make that happen you know I cared

787

00:35:08,500 --> 00:35:06,290

too much and I didn't want to do it you

788

00:35:11,590 --> 00:35:08,510

know I there was still humanity in me

789

00:35:14,020 --> 00:35:11,600

and I know that's because you know an

790

00:35:16,690 --> 00:35:14,030

early age I'd had some experiences with

791

00:35:18,670 --> 00:35:16,700

the almighty and you know I know he had

792

00:35:21,010 --> 00:35:18,680

his hand on me he protected me even when

793

00:35:22,810 --> 00:35:21,020

I was stupid enough to get into some of

794

00:35:25,750 --> 00:35:22,820

these things he always had his hand on

795

00:35:27,880 --> 00:35:25,760

me cuz he he knew he knew the future and

796

00:35:30,460 --> 00:35:27,890

he knew that at some point I would come

797

00:35:33,730 --> 00:35:30,470

back to him at some point I would give

798

00:35:36,070 --> 00:35:33,740

my life holy over to him and that I

799

00:35:39,130 --> 00:35:36,080

would be serving him but you know in the

800

00:35:42,430 --> 00:35:39,140

meantime I was you know I was being

801
00:35:44,860 --> 00:35:42,440
stupid you know and you that that was

802
00:35:47,530 --> 00:35:44,870
that's the bottom line of it so you know

803
00:35:49,390 --> 00:35:47,540
anyway getting back to that I mean you

804
00:35:52,450 --> 00:35:49,400
basically have to stay indoors during

805
00:35:54,730 --> 00:35:52,460
the daytime and you can't get anywhere

806
00:35:57,880 --> 00:35:54,740
near garlic and we just forget garlic

807
00:36:00,070 --> 00:35:57,890
you know what you well see garlic

808
00:36:04,090 --> 00:36:00,080
herbally speaking as a blood purifier

809
00:36:06,850 --> 00:36:04,100
and you know I had it was explaining me

810
00:36:09,720 --> 00:36:06,860
this way the vampirism is an effect kind

811
00:36:12,640 --> 00:36:09,730
of viral thing a virus that's

812
00:36:16,660 --> 00:36:12,650
transmitted because I drank the blood of

813
00:36:19,090 --> 00:36:16,670

this being and initiated me and and so

814

00:36:20,650 --> 00:36:19,100

because of that if I got if I if I go to

815

00:36:22,600 --> 00:36:20,660

the grocery store like in the produce

816

00:36:24,760 --> 00:36:22,610

section there'd be this big pile of

817

00:36:27,400 --> 00:36:24,770

garlic sitting there 10 feet away my

818

00:36:30,850 --> 00:36:27,410

skin would start the edge hmm and five

819

00:36:33,250 --> 00:36:30,860

feet away forget it you know so no more

820

00:36:35,380 --> 00:36:33,260

Italian food for me you know back then I

821

00:36:37,180 --> 00:36:35,390

mean I wasn't eating food anyway but and

822

00:36:38,650 --> 00:36:37,190

I'll tell you people don't you know they

823

00:36:40,960 --> 00:36:38,660

think it's all it's so romantic to be a

824

00:36:43,570 --> 00:36:40,970

vampire but imagine never being able to

825

00:36:47,260 --> 00:36:43,580

eat food mm-hmm imagine having this

826

00:36:49,600 --> 00:36:47,270

boring diet of nothing but blood you

827

00:36:51,820 --> 00:36:49,610

know that's that's pretty pathetic you

828

00:36:55,270 --> 00:36:51,830

know you know at the time it's a thrill

829

00:36:58,600 --> 00:36:55,280

but yet you're caught in this trap and

830

00:37:00,370 --> 00:36:58,610

there's no way out that you can see you

831

00:37:02,890 --> 00:37:00,380

know because I was really afraid I was

832

00:37:04,570 --> 00:37:02,900

going to kill somebody and I didn't want

833

00:37:05,080 --> 00:37:04,580

to do that you know there was enough

834

00:37:07,990 --> 00:37:05,090

there

835

00:37:10,990 --> 00:37:08,000

enough of the old me still they're

836

00:37:12,880 --> 00:37:11,000

fighting to get out that that I was able

837

00:37:16,750 --> 00:37:12,890

to hold off on that until like I said

838

00:37:19,540 --> 00:37:16,760

this that he started praying for me um

839

00:37:21,850 --> 00:37:19,550

so so you're saying you can't go out in

840

00:37:25,660 --> 00:37:21,860

the Sun you have to exclusively drink

841

00:37:28,570 --> 00:37:25,670

blood you couldn't get near garlic

842

00:37:30,190 --> 00:37:28,580

mm-hmm what other physical changes are

843

00:37:33,850 --> 00:37:30,200

things you had to do well if I said I

844

00:37:35,290 --> 00:37:33,860

had very good night vision oh yeah and

845

00:37:37,810 --> 00:37:35,300

you said you were actually also very

846

00:37:39,640 --> 00:37:37,820

strong too yeah strong girl I mean not

847

00:37:41,470 --> 00:37:39,650

not like you see in the movies where

848

00:37:42,940 --> 00:37:41,480

you're picking up people and throwing

849

00:37:45,700 --> 00:37:42,950

them across the room and stuff but I

850

00:37:47,530 --> 00:37:45,710

could tell I was more you know and of

851
00:37:50,080 --> 00:37:47,540
course because I was full of the demonic

852
00:37:51,970 --> 00:37:50,090
I mean you look in the Bible you see it

853
00:37:55,090 --> 00:37:51,980
talks about how demon possessed people

854
00:37:57,250 --> 00:37:55,100
uh you know like the gathering demoniac

855
00:37:59,890 --> 00:37:57,260
that says that they would tear apart the

856
00:38:01,930 --> 00:37:59,900
chains and then nobody can hold them you

857
00:38:04,900 --> 00:38:01,940
know actually I have that that pulled up

858
00:38:06,610 --> 00:38:04,910
mark five a man was possessed it says

859
00:38:08,560 --> 00:38:06,620
this man lived among the burial caves

860
00:38:10,600 --> 00:38:08,570
and could no longer be restrained even

861
00:38:12,970 --> 00:38:10,610
with a chain whenever he was put into

862
00:38:14,740 --> 00:38:12,980
chains and shackles as he often was he

863
00:38:17,200 --> 00:38:14,750

snapped the chains from his wrists and

864

00:38:19,720 --> 00:38:17,210

smashed the shackles no one was strong

865

00:38:21,430 --> 00:38:19,730

enough to subdue him day and night he

866

00:38:22,990 --> 00:38:21,440

wandered among the burial caves and in

867

00:38:25,240 --> 00:38:23,000

the hills howling and cutting himself

868

00:38:27,400 --> 00:38:25,250

with sharp stones this man i'm seriously

869

00:38:29,110 --> 00:38:27,410

oppressed and seriously in a lot of

870

00:38:31,570 --> 00:38:29,120

anguish because of these demons at

871

00:38:35,530 --> 00:38:31,580

wembley mark five so yeah oh yeah yeah

872

00:38:37,330 --> 00:38:35,540

in fact I you know when I worked in this

873

00:38:39,880 --> 00:38:37,340

substance abuse agency because they knew

874

00:38:42,040 --> 00:38:39,890

I was a minister they'd often send

875

00:38:44,590 --> 00:38:42,050

people to me who believe they have

876

00:38:46,660 --> 00:38:44,600

devils and there was this one fellow

877

00:38:51,070 --> 00:38:46,670

that came to us and they had they had

878

00:38:53,110 --> 00:38:51,080

this guy was so full of demons that they

879

00:38:55,630 --> 00:38:53,120

had pumped him full of enough Thorazine

880

00:38:57,360 --> 00:38:55,640

to knock over an elephant and he was

881

00:39:00,100 --> 00:38:57,370

still throwing people around the room

882

00:39:01,690 --> 00:39:00,110

you know and they finally subdued him

883

00:39:03,490 --> 00:39:01,700

and got him into you know restraints and

884

00:39:06,760 --> 00:39:03,500

stuff they had to put a double layer of

885

00:39:09,310 --> 00:39:06,770

these letter things on him and and I was

886

00:39:11,860 --> 00:39:09,320

able to help lead him to Messiah and

887

00:39:13,270 --> 00:39:11,870

then help get him delivered you know on

888

00:39:15,580 --> 00:39:13,280

that and because of that that's why they

889

00:39:17,740 --> 00:39:15,590

kept sending these people to me even

890

00:39:18,690 --> 00:39:17,750

though this was a secular you know drug

891

00:39:20,640 --> 00:39:18,700

abuse agency

892

00:39:23,190 --> 00:39:20,650

because obviously there's a lot of

893

00:39:24,930 --> 00:39:23,200

demons in in the addiction you know

894

00:39:28,050 --> 00:39:24,940

world i mean people that have addictions

895

00:39:29,400 --> 00:39:28,060

so you know this is very real even

896

00:39:32,550 --> 00:39:29,410

though it sounds like something out of a

897

00:39:35,130 --> 00:39:32,560

Hollywood movie the demonic is very real

898

00:39:38,370 --> 00:39:35,140

and yes you get a limited amount of

899

00:39:41,790 --> 00:39:38,380

power from it but it's all a loser e

900

00:39:43,980 --> 00:39:41,800

because you're ultimately a slave to

901
00:39:47,099 --> 00:39:43,990
these evil desires you can control

902
00:39:49,470 --> 00:39:47,109
yourself and then at some point you see

903
00:39:51,060 --> 00:39:49,480
that all of this is a lie and that's

904
00:39:54,089 --> 00:39:51,070
what i discovered i discovered it the

905
00:39:56,099 --> 00:39:54,099
whole thing was a lie you know and but i

906
00:39:59,310 --> 00:39:56,109
had at that point no way out of it until

907
00:40:00,960 --> 00:39:59,320
this woman started praying for me some

908
00:40:02,579 --> 00:40:00,970
people listening tonight to epic voyages

909
00:40:04,589 --> 00:40:02,589
still might have trouble believing your

910
00:40:06,089 --> 00:40:04,599
story maybe they are saying okay we're

911
00:40:08,069 --> 00:40:06,099
talking about drugs this guy was

912
00:40:11,310 --> 00:40:08,079
obviously on cocaine and seeing things

913
00:40:13,500 --> 00:40:11,320

or maybe he had schizophrenia I mean how

914

00:40:15,630 --> 00:40:13,510

do you how do you deal with that

915

00:40:18,390 --> 00:40:15,640

obviously I've know you talked about

916

00:40:20,069 --> 00:40:18,400

like you did use cocaine stuff when you

917

00:40:22,980 --> 00:40:20,079

were a vampire I'm not losing part of

918

00:40:24,510 --> 00:40:22,990

your initiation rite yes yeah yeah but I

919

00:40:26,730 --> 00:40:24,520

had once I did it once I actually

920

00:40:29,220 --> 00:40:26,740

crossed over that threshold I no longer

921

00:40:31,050 --> 00:40:29,230

did it and you know I understand that

922

00:40:34,260 --> 00:40:31,060

what I'm saying is is a little bit hard

923

00:40:35,970 --> 00:40:34,270

to believe but you know the thing I all

924

00:40:38,099 --> 00:40:35,980

I can say is I mean there there there

925

00:40:41,819 --> 00:40:38,109

are people walking around you know who

926

00:40:44,339 --> 00:40:41,829

can were there with me who would testify

927

00:40:47,370 --> 00:40:44,349

that this actually happened and you know

928

00:40:48,510 --> 00:40:47,380

I mean beyond that there are plenty of

929

00:40:50,099 --> 00:40:48,520

other people out there and you've

930

00:40:53,599 --> 00:40:50,109

actually had other people that we have

931

00:40:55,589 --> 00:40:53,609

led to Christ out of the vampiric

932

00:40:58,380 --> 00:40:55,599

lifestyle you know if I can call it that

933

00:41:00,210 --> 00:40:58,390

the vampiric cult so you know it's not

934

00:41:02,940 --> 00:41:00,220

like I'm the only person saying this is

935

00:41:04,680 --> 00:41:02,950

out there but on the other hand you know

936

00:41:06,089 --> 00:41:04,690

all you have to do is get on the

937

00:41:09,450 --> 00:41:06,099

internet you will see there's all these

938

00:41:13,829 --> 00:41:09,460

weird vampire churches and vampire this

939

00:41:16,710 --> 00:41:13,839

and vampire that and you know it's

940

00:41:19,140 --> 00:41:16,720

become very much i mean it's become out

941

00:41:22,349 --> 00:41:19,150

of the coffin shall we say I mean back

942

00:41:24,650 --> 00:41:22,359

in my day when I was involved in the 70s

943

00:41:26,910 --> 00:41:24,660

it was very much totally underground

944

00:41:28,920 --> 00:41:26,920

nowadays of course there was no internet

945

00:41:31,500 --> 00:41:28,930

back then obviously but nowadays I mean

946

00:41:32,580 --> 00:41:31,510

it's very much out in the open I mean

947

00:41:33,570 --> 00:41:32,590

you can see

948

00:41:36,330 --> 00:41:33,580

was about it on the history channel

949

00:41:38,130 --> 00:41:36,340

whether interviewing people that are

950

00:41:42,660 --> 00:41:38,140

practicing vampires and they're proud of

951

00:41:44,070 --> 00:41:42,670

it you know and that this is and I you

952

00:41:46,890 --> 00:41:44,080

know and again I'm not saying all these

953

00:41:48,690 --> 00:41:46,900

people are full blown you know the kind

954

00:41:50,970 --> 00:41:48,700

of thing that I was maybe they are maybe

955

00:41:53,460 --> 00:41:50,980

they aren't but I do know it's very

956

00:41:55,290 --> 00:41:53,470

dangerous because again if you drink

957

00:41:58,220 --> 00:41:55,300

blood up earning the Bible you open

958

00:42:01,710 --> 00:41:58,230

yourself up to demonic attack and you

959

00:42:04,830 --> 00:42:01,720

don't want to invite these things into

960

00:42:07,410 --> 00:42:04,840

you because they're there you would not

961

00:42:08,940 --> 00:42:07,420

believe what a demonic bondage can do to

962

00:42:10,380 --> 00:42:08,950

an individual I mean you were talking

963

00:42:13,200 --> 00:42:10,390

about a moment ago with this gathering

964

00:42:15,480 --> 00:42:13,210

demoniac you know your ear in anguish

965

00:42:17,670 --> 00:42:15,490

you're in misery and toward the end of

966

00:42:20,790 --> 00:42:17,680

this time of my sojourning in the dark

967

00:42:22,680 --> 00:42:20,800

side yes I was miserable because there

968

00:42:25,040 --> 00:42:22,690

was a part of me that was still wanting

969

00:42:28,650 --> 00:42:25,050

to do good and it was just like

970

00:42:31,500 --> 00:42:28,660

enchained and in torment because you

971

00:42:33,990 --> 00:42:31,510

know this this vampiric black magical

972

00:42:36,360 --> 00:42:34,000

side of me was rebelling in what it had

973

00:42:39,870 --> 00:42:36,370

you know on what it could do and you

974

00:42:44,090 --> 00:42:39,880

know until the Lord set me free I was

975

00:42:46,620 --> 00:42:44,100

really very very miserable mm-hmm

976

00:42:48,360 --> 00:42:46,630

fascinating fascinating it's epic

977

00:42:50,730 --> 00:42:48,370

voyages we're talking with bill snivelin

978

00:42:54,270 --> 00:42:50,740

about vampires we're also talk about

979

00:42:57,090 --> 00:42:54,280

werewolves coming up and Aaron Judkins

980

00:42:59,310 --> 00:42:57,100

who was with us as well hey Aaron hello

981

00:43:03,120 --> 00:42:59,320

he's gonna be talking with dr. heather

982

00:43:05,730 --> 00:43:03,130

Lynn we're also be taking your calls

983

00:43:08,670 --> 00:43:05,740

later on in the evening if you have

984

00:43:12,630 --> 00:43:08,680

questions for bill about vampires or

985

00:43:14,220 --> 00:43:12,640

werewolves 8 8 8 9 192 355 will be

986

00:43:16,130 --> 00:43:14,230

asking for that number for you to call

987

00:43:19,910 --> 00:43:16,140

that number coming up later tonight

988

00:43:22,980 --> 00:43:19,920

maybe in about half an hour 888 91 92

989

00:43:24,840 --> 00:43:22,990

355 you guys have also been chatting it

990

00:43:26,400 --> 00:43:24,850

up in the chat room will be taking maybe

991

00:43:29,010 --> 00:43:26,410

some of those chat room questions that

992

00:43:30,300 --> 00:43:29,020

you may have as well Aaron have you been

993

00:43:33,810 --> 00:43:30,310

looking at any of those chatroom

994

00:43:35,820 --> 00:43:33,820

questions well there's certainly been in

995

00:43:38,130 --> 00:43:35,830

the chat room no questions that I see

996

00:43:41,520 --> 00:43:38,140

that's come up yet so if you had a

997

00:43:44,490 --> 00:43:41,530

question and you wanted to go on the air

998

00:43:46,080 --> 00:43:44,500

just go to inception radio network com

999

00:43:48,060 --> 00:43:46,090

go to the light chat room type your

1000

00:43:52,770 --> 00:43:48,070

question and that will get it on the air

1001
00:43:55,980 --> 00:43:52,780
yeah okay so bill um we talked about

1002
00:43:57,840 --> 00:43:55,990
kind of the the climax of your journey

1003
00:44:00,900 --> 00:43:57,850
there and finally where you are today

1004
00:44:03,120 --> 00:44:00,910
being a Christian and we talked about

1005
00:44:05,940 --> 00:44:03,130
early on that Halloween night that kind

1006
00:44:09,780 --> 00:44:05,950
of started your your interest in the

1007
00:44:11,430 --> 00:44:09,790
occult let's let's kind of walk us

1008
00:44:13,380 --> 00:44:11,440
through the different beliefs you

1009
00:44:15,270 --> 00:44:13,390
embraced on your spirit or journey to

1010
00:44:18,210 --> 00:44:15,280
where you are today I know there's a lot

1011
00:44:20,880 --> 00:44:18,220
in there you've got the the nine-hour

1012
00:44:22,050 --> 00:44:20,890
video of interview with an ex vampire

1013
00:44:25,110 --> 00:44:22,060

that you have available on your website

1014

00:44:28,740 --> 00:44:25,120

with one Accord org that's with one

1015

00:44:30,630 --> 00:44:28,750

Accord org for for that but just kind of

1016

00:44:32,690 --> 00:44:30,640

briefly tell us all the different stages

1017

00:44:37,080 --> 00:44:32,700

and what led to each of those different

1018

00:44:40,200 --> 00:44:37,090

advancements sure well I mean I was

1019

00:44:42,300 --> 00:44:40,210

raised a very devout Catholic and you

1020

00:44:44,610 --> 00:44:42,310

know I was really really I wanted to be

1021

00:44:46,470 --> 00:44:44,620

a priest and was very very development

1022

00:44:47,910 --> 00:44:46,480

of course as I mentioned back then

1023

00:44:50,010 --> 00:44:47,920

nobody had an inkling that there is

1024

00:44:51,570 --> 00:44:50,020

anything wrong with Halloween his are

1025

00:44:55,620 --> 00:44:51,580

here I go out trick-or-treating with my

1026
00:44:58,020 --> 00:44:55,630
friend and you know anyway this one year

1027
00:44:59,400 --> 00:44:58,030
this life-changing event happened i was

1028
00:45:02,270 --> 00:44:59,410
out trick-or-treating minding my own

1029
00:45:05,430 --> 00:45:02,280
business is beautiful October night and

1030
00:45:07,650 --> 00:45:05,440
um walking down the street and I looked

1031
00:45:10,350 --> 00:45:07,660
up and there's been this clear sky you

1032
00:45:12,360 --> 00:45:10,360
know I could just see the stars and all

1033
00:45:15,630 --> 00:45:12,370
of a sudden I looked up on an impulse

1034
00:45:17,940 --> 00:45:15,640
and the sky was just black with these

1035
00:45:20,820 --> 00:45:17,950
leathery things like the the arch of the

1036
00:45:23,460 --> 00:45:20,830
heavens was if you will covered with

1037
00:45:25,020 --> 00:45:23,470
these black leathery shapes and it's

1038
00:45:27,180 --> 00:45:25,030

kind of closed I could say as years

1039

00:45:29,250 --> 00:45:27,190

later I went through a cave and one of

1040

00:45:31,080 --> 00:45:29,260

those tourists tours you know and there

1041

00:45:33,750 --> 00:45:31,090

was this cave that was full of bats that

1042

00:45:37,410 --> 00:45:33,760

were sleeping and it looked kind of like

1043

00:45:39,270 --> 00:45:37,420

that okay very very frightening and all

1044

00:45:41,580 --> 00:45:39,280

of a sudden as I was staring cuz I just

1045

00:45:43,860 --> 00:45:41,590

was transfixed by this is I'd mind you

1046

00:45:45,960 --> 00:45:43,870

this was like probably 1960 at the

1047

00:45:49,740 --> 00:45:45,970

latest I never seen a horror movie I

1048

00:45:53,430 --> 00:45:49,750

never read a horror book I know you know

1049

00:45:55,560 --> 00:45:53,440

context into which to to put this you

1050

00:45:57,630 --> 00:45:55,570

know because back then really there were

1051
00:45:58,630 --> 00:45:57,640
very few movies like that in my mother

1052
00:46:02,320 --> 00:45:58,640
and father when let me

1053
00:46:04,420 --> 00:46:02,330
watch them you know so here this these

1054
00:46:07,750 --> 00:46:04,430
things had eyes in there I started to

1055
00:46:10,330 --> 00:46:07,760
open and they're released ruby red eyes

1056
00:46:12,940 --> 00:46:10,340
and they kind of bored into me and I

1057
00:46:15,120 --> 00:46:12,950
felt this thrill go through me and I

1058
00:46:17,350 --> 00:46:15,130
didn't know what their I I had no

1059
00:46:19,330 --> 00:46:17,360
nothing I could name this he could

1060
00:46:23,200 --> 00:46:19,340
adjust it felt somehow unclean and I

1061
00:46:25,360 --> 00:46:23,210
felt somehow defiled and I I look my

1062
00:46:27,400 --> 00:46:25,370
friend who'd kept on walking he wasn't

1063
00:46:28,960 --> 00:46:27,410

looking up at the sky heater on and say

1064

00:46:31,030 --> 00:46:28,970

hey Bill come on what are you doing you

1065

00:46:33,490 --> 00:46:31,040

know he wanted to get more candy and I

1066

00:46:35,830 --> 00:46:33,500

looked at him no back up in the sky and

1067

00:46:40,480 --> 00:46:35,840

the sky was normal whatever this was it

1068

00:46:44,890 --> 00:46:40,490

had had left and I went on my way but I

1069

00:46:46,960 --> 00:46:44,900

was like cold sweat all over me you know

1070

00:46:49,780 --> 00:46:46,970

I just I didn't know what to make of all

1071

00:46:51,400 --> 00:46:49,790

this and I didn't want to tell my my

1072

00:46:52,480 --> 00:46:51,410

mother about it because I thought then

1073

00:46:54,310 --> 00:46:52,490

she'd say oh you can't go out

1074

00:46:56,500 --> 00:46:54,320

trick-or-treating anymore you know you

1075

00:46:59,890 --> 00:46:56,510

know how kids are yeah and from that

1076
00:47:02,770 --> 00:46:59,900
point on I can kind of track a gradual

1077
00:47:04,630 --> 00:47:02,780
trajectory of of getting first of all it

1078
00:47:07,120 --> 00:47:04,640
was you know getting involved in

1079
00:47:09,420 --> 00:47:07,130
interest in UFOs interest in the

1080
00:47:12,490 --> 00:47:09,430
paranormal interest in haunted houses

1081
00:47:14,830 --> 00:47:12,500
interested in ESP all this in high

1082
00:47:16,750 --> 00:47:14,840
school and this the button that you know

1083
00:47:18,580 --> 00:47:16,760
nowadays that's not uncommon but you got

1084
00:47:21,430 --> 00:47:18,590
to realize this is like in the 60s and

1085
00:47:22,990 --> 00:47:21,440
you know not many people even knew this

1086
00:47:25,720 --> 00:47:23,000
stuff existed in the people that did

1087
00:47:27,880 --> 00:47:25,730
were regarded as basically whack jobs

1088
00:47:31,060 --> 00:47:27,890

you know and here I was studying these

1089

00:47:33,190 --> 00:47:31,070

things and you know by the time I got

1090

00:47:36,430 --> 00:47:33,200

into college because I still I still

1091

00:47:39,280 --> 00:47:36,440

wanted to be a Catholic priest I had a

1092

00:47:41,860 --> 00:47:39,290

theologian a professor of theology was a

1093

00:47:43,810 --> 00:47:41,870

priest tell me you know if you want to

1094

00:47:46,810 --> 00:47:43,820

be christ-like you have to do it what

1095

00:47:50,890 --> 00:47:46,820

you know what Jesus did and study the

1096

00:47:52,840 --> 00:47:50,900

occult and he told me this lie which now

1097

00:47:55,690 --> 00:47:52,850

is there's actually books out about this

1098

00:47:58,180 --> 00:47:55,700

topic that he went to India that our

1099

00:47:59,950 --> 00:47:58,190

award went to India and studied with the

1100

00:48:02,650 --> 00:47:59,960

gurus and he went to the vet and study

1101
00:48:04,960 --> 00:48:02,660
with the Dalai Lama and he went to Egypt

1102
00:48:06,730 --> 00:48:04,970
and studied with the with the Sorcerer's

1103
00:48:07,370 --> 00:48:06,740
in Egypt and that's how he was able to

1104
00:48:09,200 --> 00:48:07,380
do

1105
00:48:11,690 --> 00:48:09,210
the miracles he did is that he was

1106
00:48:15,079 --> 00:48:11,700
actually a magician you know there's a

1107
00:48:17,569 --> 00:48:15,089
magician yeah there's even a book out by

1108
00:48:19,940 --> 00:48:17,579
written by a reasonably respectable

1109
00:48:22,640 --> 00:48:19,950
scholar martin smith called Jesus the

1110
00:48:24,740 --> 00:48:22,650
magician you know but that wasn't out

1111
00:48:26,749 --> 00:48:24,750
when I went through all this that came

1112
00:48:30,230 --> 00:48:26,759
out like and I think in the in the 80s

1113
00:48:31,819 --> 00:48:30,240

and so I believe this guy I mean he was

1114

00:48:33,769 --> 00:48:31,829

a priest he was a professor of theology

1115

00:48:36,349 --> 00:48:33,779

why wouldn't I believe him I was like 19

1116

00:48:40,150 --> 00:48:36,359

and so I started reading up on the

1117

00:48:43,130 --> 00:48:40,160

occult and by the time you know the I

1118

00:48:44,390 --> 00:48:43,140

graduated I I had written a guy in

1119

00:48:46,549 --> 00:48:44,400

England it was the king of the witches

1120

00:48:49,190 --> 00:48:46,559

and he had connected me to some people

1121

00:48:52,609 --> 00:48:49,200

over here in America and I got initiated

1122

00:48:56,299 --> 00:48:52,619

as a witch and you know and of course

1123

00:48:58,940 --> 00:48:56,309

Wicca is is which is which is the old

1124

00:49:00,430 --> 00:48:58,950

English word for which is is the

1125

00:49:03,019 --> 00:49:00,440

religion there's there's you know

1126

00:49:04,999 --> 00:49:03,029

thousands of witches of Wiccans in

1127

00:49:07,130 --> 00:49:05,009

America yeah that's what was so

1128

00:49:09,259 --> 00:49:07,140

interesting to me is one time I found

1129

00:49:11,809 --> 00:49:09,269

myself working at a store and one of my

1130

00:49:15,170 --> 00:49:11,819

co-workers said she you know I'd grown

1131

00:49:16,579 --> 00:49:15,180

up Baptist but now she was a witch she

1132

00:49:21,829 --> 00:49:16,589

was like I'm just a nice which i just

1133

00:49:25,009 --> 00:49:21,839

read tarot cards and stuff what okay but

1134

00:49:26,690 --> 00:49:25,019

I went and walked to the food court with

1135

00:49:28,730 --> 00:49:26,700

the erk as we worked in the mall and as

1136

00:49:30,499 --> 00:49:28,740

we walked bought back she said there's a

1137

00:49:32,870 --> 00:49:30,509

lot of witches she was like there's one

1138

00:49:35,599 --> 00:49:32,880

that works in that store and over there

1139

00:49:39,380 --> 00:49:35,609

and she and I was just blown away she's

1140

00:49:40,700 --> 00:49:39,390

like yeah there's a lot of them and they

1141

00:49:44,180 --> 00:49:40,710

was around Christmas time and she gave

1142

00:49:45,529 --> 00:49:44,190

me like a quote it wasn't a Christmas

1143

00:49:47,269 --> 00:49:45,539

present but she gave her present to me

1144

00:49:50,390 --> 00:49:47,279

on the 21st which was the day that you

1145

00:49:53,749 --> 00:49:50,400

know the pagans and celebrate yo you all

1146

00:49:55,309 --> 00:49:53,759

I call it you uh we call it Yuletide but

1147

00:49:58,339 --> 00:49:55,319

that actually comes from a pagan feast

1148

00:50:03,339 --> 00:49:58,349

called you well that was my former last

1149

00:50:06,109 --> 00:50:03,349

name you'll owe my maiden name so yay

1150

00:50:08,210 --> 00:50:06,119

Whitney what what does that mean you're

1151
00:50:10,549 --> 00:50:08,220
your foot your last your last name was

1152
00:50:11,930 --> 00:50:10,559
Yul you I just thought Yuletide like the

1153
00:50:14,830 --> 00:50:11,940
Christmas time but yeah I guess it is

1154
00:50:17,050 --> 00:50:14,840
like pagan Christmas I don't know

1155
00:50:19,270 --> 00:50:17,060
okay all right is that like was that

1156
00:50:21,760 --> 00:50:19,280
like Scandinavian or something or I

1157
00:50:25,150 --> 00:50:21,770
Scottish yeah oh really oh yeah

1158
00:50:29,620 --> 00:50:25,160
interesting yeah but but anyway I was

1159
00:50:31,120 --> 00:50:29,630
like it was so fascinating too and that

1160
00:50:34,890 --> 00:50:31,130
even in my small little town she was

1161
00:50:38,800 --> 00:50:34,900
like yeah there's lots of witches and so

1162
00:50:40,540 --> 00:50:38,810
yeah how many vampires are there are we

1163
00:50:43,510 --> 00:50:40,550

talking here well i would say

1164

00:50:45,400 --> 00:50:43,520

considerably less i mean and and and

1165

00:50:49,030 --> 00:50:45,410

mind you let me let me just say

1166

00:50:51,550 --> 00:50:49,040

something here Wiccans are basically

1167

00:50:54,400 --> 00:50:51,560

nice people for the most part they're

1168

00:50:56,800 --> 00:50:54,410

not she wasn't gelling babies they're

1169

00:50:59,080 --> 00:50:56,810

not you know the they they're what we

1170

00:51:02,620 --> 00:50:59,090

call white witches of course they're

1171

00:51:04,480 --> 00:51:02,630

lost they need the Lord they're they're

1172

00:51:06,730 --> 00:51:04,490

they're committing idolatry but they're

1173

00:51:08,110 --> 00:51:06,740

they're they're mostly innocent people

1174

00:51:12,610 --> 00:51:08,120

that have been to see just like I was

1175

00:51:14,560 --> 00:51:12,620

when I was in my 20s I I thought Wicca

1176

00:51:17,050 --> 00:51:14,570

was a good thing I thought you know that

1177

00:51:22,090 --> 00:51:17,060

that it was this nice nature religion

1178

00:51:23,410 --> 00:51:22,100

and all of that and you know um so on

1179

00:51:24,940 --> 00:51:23,420

the other hand you asked about how many

1180

00:51:28,270 --> 00:51:24,950

you know compared obviously I would say

1181

00:51:31,690 --> 00:51:28,280

probably there's only you know like one

1182

00:51:34,600 --> 00:51:31,700

vampire for every ten witches in America

1183

00:51:37,750 --> 00:51:34,610

you know it's comparatively a very small

1184

00:51:40,840 --> 00:51:37,760

subset of the larger occult community

1185

00:51:43,660 --> 00:51:40,850

because it is more extreme you know very

1186

00:51:44,860 --> 00:51:43,670

very few people i mean most witches if

1187

00:51:48,160 --> 00:51:44,870

you would say would you like to be a

1188

00:51:50,380 --> 00:51:48,170

vampire they look at you funny and you

1189

00:51:53,410 --> 00:51:50,390

know but the thing let me say something

1190

00:51:55,660 --> 00:51:53,420

here hmm CS lewis the famous you know

1191

00:51:56,770 --> 00:51:55,670

Christian writer and also novelist you

1192

00:52:00,640 --> 00:51:56,780

know he wrote The Chronicles of Narnia

1193

00:52:04,180 --> 00:52:00,650

and right screwtape letters he talked

1194

00:52:07,210 --> 00:52:04,190

about the idea of the occult awakening

1195

00:52:09,340 --> 00:52:07,220

kind of spiritual lust and he himself

1196

00:52:11,650 --> 00:52:09,350

had dabbled in the occult before he was

1197

00:52:13,360 --> 00:52:11,660

saved because he was like a professor at

1198

00:52:17,050 --> 00:52:13,370

Oxford you know four years before he

1199

00:52:20,020 --> 00:52:17,060

finally found found Christ and you know

1200

00:52:22,810 --> 00:52:20,030

it he warned he said it just like you

1201
00:52:24,820 --> 00:52:22,820
know the physical issue of lust and then

1202
00:52:27,430 --> 00:52:24,830
once you're defiled by it once you're

1203
00:52:27,680 --> 00:52:27,440
touched by it you need to just cut it

1204
00:52:29,450 --> 00:52:27,690
off

1205
00:52:31,430 --> 00:52:29,460
right away because otherwise we'll kind

1206
00:52:33,410 --> 00:52:31,440
of grow throughout the day we hear

1207
00:52:36,079 --> 00:52:33,420
people that are you know addicted to

1208
00:52:37,460 --> 00:52:36,089
pornography or you know sex addicts or

1209
00:52:40,819 --> 00:52:37,470
whatever you wanted how everyone to

1210
00:52:43,579 --> 00:52:40,829
characterize it it grows on you and the

1211
00:52:45,410 --> 00:52:43,589
addiction of the occult you start out

1212
00:52:48,559 --> 00:52:45,420
with something innocent like I did you

1213
00:52:50,780 --> 00:52:48,569

know let's look at Zener cards ESP cards

1214

00:52:52,309 --> 00:52:50,790

or you know whatever and then you get

1215

00:52:54,349 --> 00:52:52,319

into haunted houses and getting all

1216

00:52:56,870 --> 00:52:54,359

these other things and before you know

1217

00:52:58,670 --> 00:52:56,880

it your pedestal like witchcraft and

1218

00:53:00,530 --> 00:52:58,680

then once you're into witchcraft and in

1219

00:53:03,170 --> 00:53:00,540

my case getting back to my personal

1220

00:53:05,780 --> 00:53:03,180

story I was led by the guy who ran the

1221

00:53:07,609 --> 00:53:05,790

occult bookstore in the community i was

1222

00:53:09,470 --> 00:53:07,619

in to look into the church of satan and

1223

00:53:10,970 --> 00:53:09,480

of course at the time i said oh i don't

1224

00:53:12,260 --> 00:53:10,980

believe in that stuff which is don't

1225

00:53:14,120 --> 00:53:12,270

even believe in the devil because that's

1226

00:53:15,470 --> 00:53:14,130

typically a witch will tell you that a

1227

00:53:17,329 --> 00:53:15,480

white which will say oh we don't even

1228

00:53:19,130 --> 00:53:17,339

believe in the devil the Christians made

1229

00:53:20,930 --> 00:53:19,140

up the devil which is of course not true

1230

00:53:25,040 --> 00:53:20,940

because the Devils in the Old Testament

1231

00:53:27,290 --> 00:53:25,050

but anyway you know and and so I joined

1232

00:53:29,839 --> 00:53:27,300

an adjoining Church of Satan because

1233

00:53:32,599 --> 00:53:29,849

stuff in the Satanic Bible made sense to

1234

00:53:35,870 --> 00:53:32,609

me because my mind was gradually being

1235

00:53:38,210 --> 00:53:35,880

corrupted hmm I was getting in my mind

1236

00:53:40,400 --> 00:53:38,220

was being increasingly darkened the more

1237

00:53:42,079 --> 00:53:40,410

I stepped into these things the further

1238

00:53:44,540 --> 00:53:42,089

away I was getting from the light of

1239

00:53:47,630 --> 00:53:44,550

Christ and the closer I was getting to

1240

00:53:50,660 --> 00:53:47,640

this dark you know addictive deception

1241

00:53:53,120 --> 00:53:50,670

and so I went through you know

1242

00:53:56,170 --> 00:53:53,130

everything from Freemasonry I went in to

1243

00:54:00,530 --> 00:53:56,180

us the Church of Satan into hardcore

1244

00:54:03,410 --> 00:54:00,540

Satanism and finally you know what

1245

00:54:06,140 --> 00:54:03,420

happened was I was getting pretty

1246

00:54:08,569 --> 00:54:06,150

desperate as I mentioned you know a few

1247

00:54:09,920 --> 00:54:08,579

minutes ago because I knew eventually I

1248

00:54:12,500 --> 00:54:09,930

was getting up doing something really

1249

00:54:16,370 --> 00:54:12,510

nasty and I'd end up you know behind

1250

00:54:18,290 --> 00:54:16,380

bars or something and every year I had

1251

00:54:20,690 --> 00:54:18,300

written a check to the Church of Satan

1252

00:54:24,290 --> 00:54:20,700

to pay my dues you know like any other

1253

00:54:26,839 --> 00:54:24,300

organization and I got the check back

1254

00:54:28,490 --> 00:54:26,849

from the bank in San Francisco which is

1255

00:54:32,900 --> 00:54:28,500

where the true Satan was at that time

1256

00:54:34,910 --> 00:54:32,910

and some lady from the bank had written

1257

00:54:38,030 --> 00:54:34,920

on the check I'll be praying for you in

1258

00:54:39,829 --> 00:54:38,040

Jesus name and of course you know at the

1259

00:54:40,480 --> 00:54:39,839

time I just laughed I thought this is

1260

00:54:41,770 --> 00:54:40,490

stupid

1261

00:54:43,480 --> 00:54:41,780

you know this lady is some ignorant

1262

00:54:45,130 --> 00:54:43,490

born-again Christian know what does she

1263

00:54:47,010 --> 00:54:45,140

know and I through the check in the

1264

00:54:49,570 --> 00:54:47,020

drawer and forgot about it well anyway

1265

00:54:53,080 --> 00:54:49,580

literally within a day or two something

1266

00:54:55,810 --> 00:54:53,090

just knocked me on my face I mean I I

1267

00:54:59,650 --> 00:54:55,820

was shattered I lost all my occult power

1268

00:55:03,550 --> 00:54:59,660

I lost all my vampiric power I lost my

1269

00:55:05,650 --> 00:55:03,560

job you know I mean I I felt sick as a

1270

00:55:07,840 --> 00:55:05,660

dog it's like I was going through

1271

00:55:10,840 --> 00:55:07,850

withdrawal from the occult I was like

1272

00:55:13,570 --> 00:55:10,850

it's like you know the almighty the Most

1273

00:55:17,470 --> 00:55:13,580

High had picked me up and throw me into

1274

00:55:20,200 --> 00:55:17,480

spiritual rehab without even asking and

1275

00:55:23,560 --> 00:55:20,210

I bet you're a ticked well yeah I

1276

00:55:26,590 --> 00:55:23,570

actually you know I went into my dark

1277

00:55:28,450 --> 00:55:26,600

temple and cried out to Lucifer for a

1278

00:55:31,480 --> 00:55:28,460

sign I said what's going on here you

1279

00:55:33,790 --> 00:55:31,490

know I mean I had I'd signed my soul

1280

00:55:35,590 --> 00:55:33,800

over the devil and done all these things

1281

00:55:37,359 --> 00:55:35,600

and I was supposed to get all his power

1282

00:55:41,350 --> 00:55:37,369

and here I was I felt like something the

1283

00:55:44,050 --> 00:55:41,360

cat dragged in and essentially you know

1284

00:55:46,830 --> 00:55:44,060

I cried out to this to Lucifer why I

1285

00:55:50,230 --> 00:55:46,840

thought was the true you know daddy and

1286

00:55:53,170 --> 00:55:50,240

the almighty came along kindly excuse me

1287

00:55:57,190 --> 00:55:53,180

I'll take this call and he answered my

1288

00:55:59,650 --> 00:55:57,200

prayer and what was amazing you want to

1289

00:56:01,750 --> 00:55:59,660

talk about I'm little miracle the very

1290

00:56:03,849 --> 00:56:01,760

next day I got a phone call from these

1291

00:56:06,190 --> 00:56:03,859

two teenage girls from Chicago at this

1292

00:56:07,840 --> 00:56:06,200

time i was living in milwaukee so they

1293

00:56:10,240 --> 00:56:07,850

were only a little over an hour away and

1294

00:56:13,540 --> 00:56:10,250

they said we've heard about you can we

1295

00:56:14,770 --> 00:56:13,550

come up and see you and I thought what

1296

00:56:17,470 --> 00:56:14,780

you know whatever they were like

1297

00:56:20,080 --> 00:56:17,480

Satanist groupies and so they came up

1298

00:56:22,930 --> 00:56:20,090

you know and when they came in to see me

1299

00:56:26,020 --> 00:56:22,940

they they had brought with them to

1300

00:56:29,740 --> 00:56:26,030

Christian comic books now think about

1301

00:56:32,050 --> 00:56:29,750

this how bizarre is it that Satanists

1302

00:56:33,849 --> 00:56:32,060

would bring me to Christian comic books

1303

00:56:35,830 --> 00:56:33,859

about the occult one is called

1304

00:56:38,440 --> 00:56:35,840

spellbound and one was called angel of

1305

00:56:39,670 --> 00:56:38,450

light and they said at the time we

1306

00:56:42,550 --> 00:56:39,680

wanted you to see these because they're

1307

00:56:45,160 --> 00:56:42,560

so dumb you know they're funny you know

1308

00:56:46,840 --> 00:56:45,170

you gotta run thank you today making fun

1309

00:56:48,280 --> 00:56:46,850

of them you know what I love the

1310

00:56:51,550 --> 00:56:48,290

Doublemint yant through in the drawer

1311

00:56:54,340 --> 00:56:51,560

and forgot about him well that was what

1312

00:56:58,030 --> 00:56:54,350

that was the almighty reaching out to me

1313

00:56:59,320 --> 00:56:58,040

and I just was too prideful still even

1314

00:57:02,170 --> 00:56:59,330

though I was in the middle of this

1315

00:57:05,200 --> 00:57:02,180

horrible situation I was too proud

1316

00:57:08,230 --> 00:57:05,210

because the ego is where you know Satan

1317

00:57:10,600 --> 00:57:08,240

camp out is in the ego hmm and I was

1318

00:57:13,240 --> 00:57:10,610

too proud to admit that maybe these

1319

00:57:15,940 --> 00:57:13,250

Christians could be right so anyhow the

1320

00:57:17,590 --> 00:57:15,950

next day there is a knock on the door I

1321

00:57:21,310 --> 00:57:17,600

open the door and it's to Mormon

1322

00:57:23,620 --> 00:57:21,320

missionary standing there and there's

1323

00:57:27,160 --> 00:57:23,630

lots of knocks yeah yeah this this might

1324

00:57:29,740 --> 00:57:27,170

surprise your listeners but I had been

1325

00:57:33,160 --> 00:57:29,750

told a few years earlier by the Grand

1326

00:57:35,170 --> 00:57:33,170

Master druid of North America that if I

1327

00:57:37,420 --> 00:57:35,180

ever got in spiritual trouble I should

1328

00:57:41,470 --> 00:57:37,430

join the Mormon Church now how's that

1329

00:57:43,000 --> 00:57:41,480

for an endorsement Grand Master druid of

1330

00:57:45,790 --> 00:57:43,010

North America joining the Mormon Church

1331

00:57:50,290 --> 00:57:45,800

and this guy had actually been a Mormon

1332

00:57:52,990 --> 00:57:50,300

Bishop you know and anyway so I thought

1333

00:57:54,850 --> 00:57:53,000

this is the sign we're supposed to join

1334

00:57:56,860 --> 00:57:54,860

the Mormon Church because this this

1335

00:57:59,200 --> 00:57:56,870

druid guy had told me that the guided

1336

00:58:03,010 --> 00:57:59,210

fount of the Mormon Church was a druid

1337

00:58:05,110 --> 00:58:03,020

and Anna sorcerer and that he designed

1338

00:58:08,860 --> 00:58:05,120

the Mormon Church d a place where where

1339

00:58:11,380 --> 00:58:08,870

people like me could hang out not true

1340

00:58:13,900 --> 00:58:11,390

did you fall actually later on after i

1341

00:58:16,530 --> 00:58:13,910

got saved I went back and did the

1342

00:58:21,550 --> 00:58:16,540

research and there is a part of me a

1343

00:58:22,870 --> 00:58:21,560

Mormon historian a PhD in history used

1344

00:58:26,230 --> 00:58:22,880

to be a professor at brigham young

1345

00:58:27,910 --> 00:58:26,240

university until they fired him anyway

1346

00:58:30,040 --> 00:58:27,920

and he wrote a book called early

1347

00:58:33,220 --> 00:58:30,050

Mormonism in the magic world view this

1348

00:58:35,530 --> 00:58:33,230

is back in 1987 and in that book he

1349

00:58:38,470 --> 00:58:35,540

documents how Joseph Smith was the

1350

00:58:41,110 --> 00:58:38,480

founder of the Mormon Church practiced a

1351

00:58:43,990 --> 00:58:41,120

occult he did he did like you know

1352

00:58:45,850 --> 00:58:44,000

occult rituals and cemeteries he in fact

1353

00:58:48,460 --> 00:58:45,860

you know right up to the day of his

1354

00:58:52,360 --> 00:58:48,470

death when he was shot by a mob in

1355

00:58:53,470 --> 00:58:52,370

Carthage Illinois and in 1844 when they

1356

00:58:56,260 --> 00:58:53,480

when they you know went through his

1357

00:58:58,870 --> 00:58:56,270

personal effects on his body at the you

1358

00:59:01,150 --> 00:58:58,880

know jail or whatever they found that he

1359

00:59:03,100 --> 00:59:01,160

had an occult talisman a Jupiter

1360

00:59:06,779 --> 00:59:03,110

talisman in his pocket which like is a

1361

00:59:10,289 --> 00:59:06,789

magical charm fascinating alright soon

1362

00:59:13,079 --> 00:59:10,299

power over women well we'll talk more

1363

00:59:15,479 --> 00:59:13,089

about your personal journey in just a

1364

00:59:17,779 --> 00:59:15,489

few moments we'll take a take a breather

1365

00:59:20,249 --> 00:59:17,789

here and we'll be back with more

1366

00:59:22,829 --> 00:59:20,259

vampires and werewolves talk on this

1367

00:59:25,229 --> 00:59:22,839

halloween special of epic voyages here

1368

00:59:28,439 --> 00:59:25,239

on the inception radio network epic

1369

00:59:30,809 --> 00:59:28,449

voyages special Halloween show I'm

1370

00:59:33,689 --> 00:59:30,819

Whitney would stir here with maverick

1371

00:59:36,359 --> 00:59:33,699

hello maverick hello however you go guys

1372

00:59:38,999 --> 00:59:36,369

we're continuing our discussion tonight

1373

00:59:41,339 --> 00:59:39,009

about vampires and werewolves very

1374

00:59:46,019 --> 00:59:41,349

Halloween fitting and we're talking with

1375

00:59:47,939 --> 00:59:46,029

our guest bill snugglin and bill if you

1376
00:59:50,400 --> 00:59:47,949
haven't been listening to the first hour

1377
00:59:53,219 --> 00:59:50,410
of the show bill was a vampire let's

1378
00:59:55,559 --> 00:59:53,229
just cut to the chase there and we're

1379
00:59:58,229 --> 00:59:55,569
just diving in with the gory details so

1380
01:00:01,919 --> 00:59:58,239
to speak and bill was telling us about

1381
01:00:03,809 --> 01:00:01,929
his spiritual journey and what beliefs

1382
01:00:06,359 --> 01:00:03,819
he embraced on to where he is today

1383
01:00:09,689 --> 01:00:06,369
today is a Christian he's no longer a

1384
01:00:13,469 --> 01:00:09,699
vampire we talked about how he you

1385
01:00:16,620 --> 01:00:13,479
started kind of started it as a witch

1386
01:00:21,390 --> 01:00:16,630
wicca stuff you also join the church of

1387
01:00:22,859 --> 01:00:21,400
satan and became vampire and just any

1388
01:00:26,249 --> 01:00:22,869

other details you want to add in about

1389

01:00:28,380 --> 01:00:26,259

your journey there bill well we kind of

1390

01:00:30,149 --> 01:00:28,390

picked it off at the end there about

1391

01:00:32,729 --> 01:00:30,159

when i went through five years of being

1392

01:00:35,459 --> 01:00:32,739

in a mormon church and basically that's

1393

01:00:37,439 --> 01:00:35,469

what you know the Lord used me use that

1394

01:00:40,799 --> 01:00:37,449

to bring me to point where is reading

1395

01:00:42,870 --> 01:00:40,809

the Bible and you know actually really

1396

01:00:45,419 --> 01:00:42,880

trying to figure out what's going on

1397

01:00:49,829 --> 01:00:45,429

within the Bible and the Holy Spirit

1398

01:00:52,739 --> 01:00:49,839

spoke to me and essentially I ended up

1399

01:00:54,809 --> 01:00:52,749

you know understanding that there were

1400

01:00:58,759 --> 01:00:54,819

things in the Bible that were not really

1401

01:01:02,640 --> 01:00:58,769

coherent with Mormon theology and so I

1402

01:01:05,759 --> 01:01:02,650

get i ended up getting born again at the

1403

01:01:07,829 --> 01:01:05,769

foot of my bed in 1984 just kneeling and

1404

01:01:09,929 --> 01:01:07,839

praying to heaven I didn't have to have

1405

01:01:13,199 --> 01:01:09,939

a minister anybody there just me in the

1406

01:01:16,829 --> 01:01:13,209

Holy Spirit and I got gloriously saved

1407

01:01:20,880 --> 01:01:16,839

on jun 22nd 1984

1408

01:01:23,430 --> 01:01:20,890

set free at that point from a lot of

1409

01:01:25,349 --> 01:01:23,440

dark stuff which five years in the

1410

01:01:28,589 --> 01:01:25,359

Mormon Church not been able to do much

1411

01:01:31,079 --> 01:01:28,599

for and again that's basically because

1412

01:01:33,599 --> 01:01:31,089

they have a different spirit there there

1413

01:01:35,549 --> 01:01:33,609

they have a different theology and a

1414

01:01:37,079 --> 01:01:35,559

different thing that is really not part

1415

01:01:38,579 --> 01:01:37,089

of the Bible even though they're they're

1416

01:01:41,370 --> 01:01:38,589

good people and they appear to be

1417

01:01:43,709 --> 01:01:41,380

Christians they're not because see this

1418

01:01:46,979 --> 01:01:43,719

is what the devil does the devil creates

1419

01:01:49,769 --> 01:01:46,989

these nice white light looking things

1420

01:01:52,620 --> 01:01:49,779

like Wicca like Mormonism like

1421

01:01:54,390 --> 01:01:52,630

spiritualism you know all the other isms

1422

01:01:56,789 --> 01:01:54,400

that are out there and they're like

1423

01:01:58,829 --> 01:01:56,799

counterfeits and what's the point of a

1424

01:02:02,249 --> 01:01:58,839

counterfeit I just needed to address

1425

01:02:05,400 --> 01:02:02,259

this thrown a counterfeit twenty-dollar

1426

01:02:08,190 --> 01:02:05,410

bill is worthless if the picture on it

1427

01:02:10,440 --> 01:02:08,200

is Mickey Mouse mm-hmm you know it's got

1428

01:02:13,650 --> 01:02:10,450

to look like a real twenty-dollar bill

1429

01:02:15,989 --> 01:02:13,660

it's got to look so real that almost

1430

01:02:19,019 --> 01:02:15,999

anybody except like a Treasury agent

1431

01:02:20,670 --> 01:02:19,029

could tell nobody could tell I mean now

1432

01:02:23,009 --> 01:02:20,680

they have special dies and things they

1433

01:02:26,670 --> 01:02:23,019

can use but you know my point the same

1434

01:02:29,279 --> 01:02:26,680

way the Evil One will create these

1435

01:02:31,589 --> 01:02:29,289

counterfeit religions that if you'll

1436

01:02:34,709 --> 01:02:31,599

pardon the metaphor they're like

1437

01:02:36,839 --> 01:02:34,719

spiritual rat poison I mean rat poison

1438

01:02:39,479 --> 01:02:36,849

is ninety-five percent good food and

1439

01:02:41,700 --> 01:02:39,489

five percent poison because otherwise

1440

01:02:44,849 --> 01:02:41,710

the rats that are very smart won't eat

1441

01:02:49,319 --> 01:02:44,859

it in the same way things like you know

1442

01:02:52,529 --> 01:02:49,329

Mormonism and Wicca are 95% good ideas

1443

01:02:55,559 --> 01:02:52,539

and even in the case of Mormonism you

1444

01:02:58,019 --> 01:02:55,569

know idea is taken from the Bible but

1445

01:03:00,359 --> 01:02:58,029

then there's that five percent the once

1446

01:03:03,509 --> 01:03:00,369

you ingested once you take it into your

1447

01:03:06,479 --> 01:03:03,519

heart and make a steady diet of it it

1448

01:03:08,759 --> 01:03:06,489

can spiritually kill you and that's what

1449

01:03:12,209 --> 01:03:08,769

nearly happened to me but like I said I

1450

01:03:14,430 --> 01:03:12,219

started reading the Bible and and it

1451

01:03:17,339 --> 01:03:14,440

just liberated me to the point that I

1452

01:03:19,709 --> 01:03:17,349

was able to at one point finally be

1453

01:03:23,160 --> 01:03:19,719

humble enough to kneel at the foot of my

1454

01:03:25,620 --> 01:03:23,170

bed and and pray a prayer and ask the

1455

01:03:28,739 --> 01:03:25,630

Lord to save me for my sins and be the

1456

01:03:29,609 --> 01:03:28,749

Lord of my life in a dad moment yahushua

1457

01:03:32,099 --> 01:03:29,619

Jesus came

1458

01:03:35,730 --> 01:03:32,109

into my heart and kicked the evil one

1459

01:03:37,710 --> 01:03:35,740

out and you know now I did have to go

1460

01:03:40,620 --> 01:03:37,720

through some subsequent prayers from

1461

01:03:42,749 --> 01:03:40,630

minister to have some of the demons

1462

01:03:44,789 --> 01:03:42,759

kicked out of me but that was sort of

1463

01:03:47,069 --> 01:03:44,799

just a formality i mean i was in the

1464

01:03:49,380 --> 01:03:47,079

kingdom of darkness and in one moment

1465

01:03:50,609 --> 01:03:49,390

after praying i was translated and

1466

01:03:52,769 --> 01:03:50,619

that's the word that's used in the Bible

1467

01:03:55,410 --> 01:03:52,779

from the kingdom of darkness into the

1468

01:03:57,420 --> 01:03:55,420

kingdom of light and then about a year

1469

01:03:58,950 --> 01:03:57,430

later the Lord called me in the ministry

1470

01:04:02,910 --> 01:03:58,960

and I've been basically ministering

1471

01:04:06,329 --> 01:04:02,920

since 1986 Wow quite a transition there

1472

01:04:09,660 --> 01:04:06,339

it's amazing from one extreme to the

1473

01:04:11,339 --> 01:04:09,670

other talk about that yeah one thing

1474

01:04:13,559 --> 01:04:11,349

that I thought was rather fascinating

1475

01:04:15,989 --> 01:04:13,569

was I through all this time as a

1476

01:04:19,859 --> 01:04:15,999

Satanist even you were still a Catholic

1477

01:04:22,950 --> 01:04:19,869

priest is that right well for most of

1478

01:04:25,049 --> 01:04:22,960

that same period yes yes I kind of lay a

1479

01:04:26,220 --> 01:04:25,059

slit aside that when i became a mormon

1480

01:04:28,140 --> 01:04:26,230

because the Mormons have their own

1481

01:04:30,299 --> 01:04:28,150

priesthood you know they call it the

1482

01:04:33,440 --> 01:04:30,309

Holy Melchizedek Priesthood but yeah I

1483

01:04:38,190 --> 01:04:33,450

had been ordained the Catholic priest in

1484

01:04:40,349 --> 01:04:38,200

1976 in the old Roman Rite and basically

1485

01:04:43,380 --> 01:04:40,359

I was yeah I was doing that along with

1486

01:04:44,910 --> 01:04:43,390

all the other things and people like

1487

01:04:47,309 --> 01:04:44,920

scratch their heads and think how could

1488

01:04:49,019 --> 01:04:47,319

anybody be involved in all these

1489

01:04:50,789 --> 01:04:49,029

different things and not find something

1490

01:04:52,799 --> 01:04:50,799

some goody there yeah how could you be a

1491

01:04:54,120 --> 01:04:52,809

Satanist and a vampire and a Catholic

1492

01:04:57,239 --> 01:04:54,130

priests at the same time how does that

1493

01:04:58,529 --> 01:04:57,249

work well the funny thing is is that you

1494

01:05:01,440 --> 01:04:58,539

know if you look at the history of

1495

01:05:04,499 --> 01:05:01,450

Satanism almost all the high level Satan

1496

01:05:06,210 --> 01:05:04,509

is for Catholic priest hmm even Anton

1497

01:05:07,729 --> 01:05:06,220

LaVey this is not well known but the guy

1498

01:05:11,249 --> 01:05:07,739

who was the head of the Church of Satan

1499

01:05:15,210 --> 01:05:11,259

he actually went to a Greek Orthodox

1500

01:05:19,319 --> 01:05:15,220

Bishop and got consecrated a priest and

1501
01:05:21,479 --> 01:05:19,329
a bishop by this Orthodox Bishop uh so

1502
01:05:24,509 --> 01:05:21,489
he could function more effectively as a

1503
01:05:26,489 --> 01:05:24,519
satanic high priest now that's not well

1504
01:05:29,460 --> 01:05:26,499
known but it is an historical fact and

1505
01:05:32,700 --> 01:05:29,470
in the same way the greatest best known

1506
01:05:36,059 --> 01:05:32,710
black magician of the 19th century who

1507
01:05:39,479 --> 01:05:36,069
went by the pen-name elife is Levi his

1508
01:05:41,940 --> 01:05:39,489
real name was a bale Vosloo cole slaw he

1509
01:05:43,220 --> 01:05:41,950
was a French priest a French Catholic

1510
01:05:46,700 --> 01:05:43,230
priest

1511
01:05:49,040 --> 01:05:46,710
so even though it seems like this

1512
01:05:51,230 --> 01:05:49,050
doesn't really make sense you know

1513
01:05:54,440 --> 01:05:51,240

they're there is this correlation there

1514

01:05:56,180 --> 01:05:54,450

because quite often you know the whole

1515

01:05:58,700 --> 01:05:56,190

idea of Satanism is you have to have a

1516

01:06:02,300 --> 01:05:58,710

black mass and you can't have a mass

1517

01:06:05,090 --> 01:06:02,310

without having a priest you know and I

1518

01:06:07,849 --> 01:06:05,100

mean I know it sounds very weird but

1519

01:06:10,910 --> 01:06:07,859

that's how it works and so what's the

1520

01:06:15,140 --> 01:06:10,920

black mass well the black mass is

1521

01:06:18,050 --> 01:06:15,150

basically an inversion of the Catholic

1522

01:06:21,380 --> 01:06:18,060

Mass and in there's many different

1523

01:06:24,200 --> 01:06:21,390

versions of it you know but basically

1524

01:06:26,150 --> 01:06:24,210

it's it's you you call on the devil

1525

01:06:29,359 --> 01:06:26,160

instead of you know the almighty of

1526

01:06:31,580 --> 01:06:29,369

course and and naked woman is used as

1527

01:06:33,980 --> 01:06:31,590

the altar and it's full of all kinds of

1528

01:06:36,440 --> 01:06:33,990

blasphemous stuff and in hardcore

1529

01:06:40,070 --> 01:06:36,450

Satanism it frequently involves either

1530

01:06:42,320 --> 01:06:40,080

you know child abuse or animal sacrifice

1531

01:06:45,349 --> 01:06:42,330

or even you know yeah forbid human

1532

01:06:47,330 --> 01:06:45,359

sacrifices but that stuff that I

1533

01:06:50,300 --> 01:06:47,340

fortunately was pulled out of there by

1534

01:06:55,760 --> 01:06:50,310

the Holy Spirit before I ever got that

1535

01:06:58,220 --> 01:06:55,770

deep and in any event you know so the

1536

01:07:01,070 --> 01:06:58,230

idea what I let least explain one of the

1537

01:07:03,040 --> 01:07:01,080

things see in the Catholic Church they

1538

01:07:05,510 --> 01:07:03,050

have this doctrine it's called

1539

01:07:08,840 --> 01:07:05,520

transubstantiation in real presence and

1540

01:07:12,320 --> 01:07:08,850

the idea being that that the quote

1541

01:07:14,150 --> 01:07:12,330

unquote Jesus lives in this host this

1542

01:07:16,870 --> 01:07:14,160

little wafer you know looks like a

1543

01:07:20,750 --> 01:07:16,880

little white circle of bread yeah and so

1544

01:07:24,080 --> 01:07:20,760

the the Satanists think okay if I can

1545

01:07:27,710 --> 01:07:24,090

get these hosts and if I abuse the host

1546

01:07:30,410 --> 01:07:27,720

it's like I'm torturing Christ so they

1547

01:07:32,660 --> 01:07:30,420

they thought oh that's why I don't even

1548

01:07:34,340 --> 01:07:32,670

understand this but historically back in

1549

01:07:37,880 --> 01:07:34,350

the Middle Ages they started to have to

1550

01:07:40,310 --> 01:07:37,890

have locks on the tabernacle in Catholic

1551

01:07:42,740 --> 01:07:40,320

churches because Satanists would break

1552

01:07:45,200 --> 01:07:42,750

in and steal the hosts these little

1553

01:07:47,480 --> 01:07:45,210

communion wafers and one off of them and

1554

01:07:49,340 --> 01:07:47,490

use them for their rituals and they

1555

01:07:51,020 --> 01:07:49,350

would do like they'd stamp on them or

1556

01:07:52,160 --> 01:07:51,030

urinate on them or whatever and by doing

1557

01:07:55,340 --> 01:07:52,170

that they would think that they would

1558

01:07:55,770 --> 01:07:55,350

they were you know somehow abusing the

1559

01:07:58,500 --> 01:07:55,780

massage

1560

01:08:01,350 --> 01:07:58,510

well anyway you know I mean it's this is

1561

01:08:03,600 --> 01:08:01,360

all kind of dark superstitious junk well

1562

01:08:05,190 --> 01:08:03,610

anyhow somewhere in the in the Middle

1563

01:08:07,020 --> 01:08:05,200

Ages the fifteen and sixteen hundreds

1564

01:08:09,150 --> 01:08:07,030

they got the idea well let's just let's

1565

01:08:10,500 --> 01:08:09,160

just get Catholic priests to do it so

1566

01:08:13,590 --> 01:08:10,510

we'll have our own priest he want to

1567

01:08:15,990 --> 01:08:13,600

break down tabernacle doors anymore and

1568

01:08:19,289 --> 01:08:16,000

so they they'd find a priest it could be

1569

01:08:22,950 --> 01:08:19,299

corrupted and they dry min and and as we

1570

01:08:24,690 --> 01:08:22,960

know historically today you know there's

1571

01:08:26,130 --> 01:08:24,700

a lot of corrupt priests out their

1572

01:08:28,320 --> 01:08:26,140

priests that are involved in you know

1573

01:08:30,300 --> 01:08:28,330

pedophilia and and all the horrible

1574

01:08:34,770 --> 01:08:30,310

things that have emerged in the last 20

1575

01:08:38,849 --> 01:08:34,780

years or so and the devil is really good

1576

01:08:41,730 --> 01:08:38,859

at playing on people's vices and playing

1577

01:08:44,280 --> 01:08:41,740

on people's weaknesses and so there

1578

01:08:45,599 --> 01:08:44,290

began to be this fusion between now mind

1579

01:08:48,420 --> 01:08:45,609

you I'm certainly not saying that all

1580

01:08:50,130 --> 01:08:48,430

Catholic priests are pedophiles or the

1581

01:08:52,260 --> 01:08:50,140

all Catholic priests are Satanists know

1582

01:08:55,110 --> 01:08:52,270

that I'm saying that some of them are

1583

01:08:57,780 --> 01:08:55,120

and I was such a one you know because I

1584

01:09:01,950 --> 01:08:57,790

it was like you know two sides of the

1585

01:09:07,140 --> 01:09:01,960

same coin hmm and when you were a

1586

01:09:09,539 --> 01:09:07,150

vampire you would do the communion which

1587

01:09:11,640 --> 01:09:09,549

in the Catholic belief would turn the

1588

01:09:13,800 --> 01:09:11,650

the wafer into the body of Jesus and the

1589

01:09:15,660 --> 01:09:13,810

blood and then the wine into the blood

1590

01:09:18,120 --> 01:09:15,670

of Jesus and so you would do that as

1591

01:09:20,460 --> 01:09:18,130

part of your your blood diet so that you

1592

01:09:22,380 --> 01:09:20,470

could drink blood yes I wasn't sure if

1593

01:09:24,630 --> 01:09:22,390

you know you'd want to get into that but

1594

01:09:27,300 --> 01:09:24,640

yeah that's exactly what I did and that

1595

01:09:30,450 --> 01:09:27,310

way because he in in Roman Catholic

1596

01:09:33,599 --> 01:09:30,460

theology the idea is that within the the

1597

01:09:36,809 --> 01:09:33,609

cup and the wafer is the entire body

1598

01:09:40,920 --> 01:09:36,819

blood soul and divinity of yahushua of

1599

01:09:42,809 --> 01:09:40,930

jesus and so you know by taking that

1600

01:09:44,670 --> 01:09:42,819

you're in effect drinking however many

1601
01:09:48,000 --> 01:09:44,680
pints of blood or in a human being and

1602
01:09:50,340 --> 01:09:48,010
that was how for a while at least I was

1603
01:09:53,010 --> 01:09:50,350
able to fulfill my cravings for blood

1604
01:09:55,290 --> 01:09:53,020
now was it was it wine that you drank or

1605
01:09:57,900 --> 01:09:55,300
did actually born in to blow well one

1606
01:09:59,490 --> 01:09:57,910
time and I think if you've read some of

1607
01:10:01,140 --> 01:09:59,500
the books you know about this one time I

1608
01:10:03,910 --> 01:10:01,150
actually had an occasion when I was

1609
01:10:07,540 --> 01:10:03,920
doing a liturgy amass

1610
01:10:10,570 --> 01:10:07,550
and it literally turned into blood the

1611
01:10:12,729 --> 01:10:10,580
the the wine did and there were three

1612
01:10:15,070 --> 01:10:12,739
witnesses there that saw this and I

1613
01:10:17,169 --> 01:10:15,080

actually took some of it and gave it to

1614

01:10:19,630 --> 01:10:17,179

a friend of mine who was a chemist and

1615

01:10:21,189 --> 01:10:19,640

he sent it off to a lab and interesting

1616

01:10:24,130 --> 01:10:21,199

enough when they sent back the report

1617

01:10:26,200 --> 01:10:24,140

they said it was human blood but of a

1618

01:10:28,720 --> 01:10:26,210

type absolutely unknown it wasn't like

1619

01:10:31,600 --> 01:10:28,730

oh or B or a B or whatever it was like

1620

01:10:33,250 --> 01:10:31,610

human blood that of a type unknown and

1621

01:10:35,439 --> 01:10:33,260

this was again in the 70s I mean it

1622

01:10:38,229 --> 01:10:35,449

didn't have like you know DNA testing

1623

01:10:40,720 --> 01:10:38,239

like we have more recently so that was

1624

01:10:44,020 --> 01:10:40,730

all I could do but yes I I had a few

1625

01:10:46,900 --> 01:10:44,030

dark miracles like that happen in the

1626

01:10:52,360 --> 01:10:46,910

course of my career and that's what kind

1627

01:10:54,669 --> 01:10:52,370

of keeps you going hmm Wow so I like the

1628

01:10:56,470 --> 01:10:54,679

part in the in your book romancing death

1629

01:10:58,030 --> 01:10:56,480

where you talk about your vampire stuff

1630

01:11:01,000 --> 01:10:58,040

and you talk about Twilight and and

1631

01:11:02,680 --> 01:11:01,010

things that you talked about how you

1632

01:11:05,890 --> 01:11:02,690

were able to justify having so many

1633

01:11:07,870 --> 01:11:05,900

different allegiances at once was that a

1634

01:11:09,280 --> 01:11:07,880

spiritual guide that you had been

1635

01:11:11,890 --> 01:11:09,290

consulting because you were also a

1636

01:11:14,439 --> 01:11:11,900

medium told you that they were like

1637

01:11:16,000 --> 01:11:14,449

blades of a grass and in a field

1638

01:11:18,990 --> 01:11:16,010

different you see the different blades

1639

01:11:22,390 --> 01:11:19,000

but they all have the same route mm-hmm

1640

01:11:24,189 --> 01:11:22,400

and I have to say that well thats that

1641

01:11:26,169 --> 01:11:24,199

guide probably was telling you the truth

1642

01:11:28,209 --> 01:11:26,179

on that one because the Satanism stuff

1643

01:11:30,760 --> 01:11:28,219

and all that stuff has the same route

1644

01:11:32,979 --> 01:11:30,770

although it may have different different

1645

01:11:35,290 --> 01:11:32,989

blade that all is stemming from the same

1646

01:11:37,150 --> 01:11:35,300

thing and that's how they were like how

1647

01:11:39,610 --> 01:11:37,160

the devil was ok with you doing all of

1648

01:11:41,200 --> 01:11:39,620

that is I just found that quite

1649

01:11:43,300 --> 01:11:41,210

fascinating that they are actually kind

1650

01:11:44,740 --> 01:11:43,310

of told you the truth well yeah and

1651

01:11:48,189 --> 01:11:44,750

that's the thing the devil will tell you

1652

01:11:51,550 --> 01:11:48,199

nine truths to slide one lie across the

1653

01:11:54,310 --> 01:11:51,560

plate the same fashion and that's very

1654

01:11:57,070 --> 01:11:54,320

perceptive remark you know because

1655

01:11:59,860 --> 01:11:57,080

they're like all streams from the same

1656

01:12:01,540 --> 01:11:59,870

satanic river it just they'll package

1657

01:12:04,209 --> 01:12:01,550

things differently you know because the

1658

01:12:06,820 --> 01:12:04,219

devil is subtle and he knows okay this

1659

01:12:08,560 --> 01:12:06,830

person might like this kind of thing and

1660

01:12:10,300 --> 01:12:08,570

this person might like Wicca and this

1661

01:12:13,000 --> 01:12:10,310

person might like Freemasonry and

1662

01:12:15,310 --> 01:12:13,010

whatever you know and in doing so you

1663

01:12:17,290 --> 01:12:15,320

know he has like this smorgasbord of

1664

01:12:19,720 --> 01:12:17,300

things to detract

1665

01:12:23,290 --> 01:12:19,730

distract people from the truth of the

1666

01:12:27,640 --> 01:12:23,300

Bible mm-hmm tell me about when you were

1667

01:12:31,750 --> 01:12:27,650

a witch and you were a medium a spirit

1668

01:12:35,020 --> 01:12:31,760

guide how they guided you into different

1669

01:12:38,799 --> 01:12:35,030

things and and you thought that they

1670

01:12:41,200 --> 01:12:38,809

were they were of the light mm-hmm well

1671

01:12:43,780 --> 01:12:41,210

yeah I was ordained in 1972 to be a

1672

01:12:48,310 --> 01:12:43,790

spirit spiritualist or Spiritist medium

1673

01:12:51,399 --> 01:12:48,320

and basically the these were these

1674

01:12:54,100 --> 01:12:51,409

beings that would come and and

1675

01:12:57,819 --> 01:12:54,110

supposedly they were see we believed in

1676

01:13:00,430 --> 01:12:57,829

reincarnation spiritualists do and sort

1677

01:13:02,049 --> 01:13:00,440

of witches for that matter so the idea

1678

01:13:04,120 --> 01:13:02,059

is these were beings that had gone

1679

01:13:07,330 --> 01:13:04,130

through many lifetimes and they were

1680

01:13:09,299 --> 01:13:07,340

like ascended master stayed they kind of

1681

01:13:12,700 --> 01:13:09,309

got to the point they shuffled off the

1682

01:13:15,399 --> 01:13:12,710

the having need to have a body and they

1683

01:13:17,709 --> 01:13:15,409

were just pure beings of light and they

1684

01:13:19,810 --> 01:13:17,719

were very wise and they were of her

1685

01:13:21,850 --> 01:13:19,820

supposedly servants of the ultimate

1686

01:13:23,530 --> 01:13:21,860

light but of course we weren't allowed

1687

01:13:25,479 --> 01:13:23,540

to know what that ultimate light was and

1688

01:13:28,660 --> 01:13:25,489

people forget in the midst of all this

1689

01:13:31,299 --> 01:13:28,670

that Lucifer means light bringer you

1690

01:13:34,600 --> 01:13:31,309

know Light Bearer so and in second

1691

01:13:37,959 --> 01:13:34,610

Corinthians 11 14 it says and no wonder

1692

01:13:40,959 --> 01:13:37,969

for satan himself masquerades as an

1693

01:13:43,689 --> 01:13:40,969

angel of light it is not surprising then

1694

01:13:46,540 --> 01:13:43,699

if his servants also masquerade as

1695

01:13:49,089 --> 01:13:46,550

servants of righteousness therein will

1696

01:13:50,680 --> 01:13:49,099

be what their actions deserve so there

1697

01:13:53,819 --> 01:13:50,690

masquerading as a light in there

1698

01:13:57,189 --> 01:13:53,829

masquerading as these good people and

1699

01:14:00,609 --> 01:13:57,199

it's just so messed up well yeah it is

1700

01:14:02,200 --> 01:14:00,619

and again because the devil understands

1701

01:14:04,030 --> 01:14:02,210

that ninety-nine percent of the people

1702

01:14:07,750 --> 01:14:04,040

out there are not going to fall into

1703

01:14:10,060 --> 01:14:07,760

something that's manifestly evil so he's

1704

01:14:13,120 --> 01:14:10,070

going to present these things in a very

1705

01:14:15,939 --> 01:14:13,130

benign positive light I mean if you were

1706

01:14:17,680 --> 01:14:15,949

to go into a into a spiritualist church

1707

01:14:19,810 --> 01:14:17,690

service for examples and we're talking

1708

01:14:21,939 --> 01:14:19,820

about that they sing all these

1709

01:14:24,069 --> 01:14:21,949

old-fashioned Christian hymns about the

1710

01:14:27,100 --> 01:14:24,079

old rugged cross and walking in the

1711

01:14:29,589 --> 01:14:27,110

garden an amazing grace and all this you

1712

01:14:31,360 --> 01:14:29,599

know and it's it's like kind of being in

1713

01:14:33,040 --> 01:14:31,370

a Protestant church except

1714

01:14:35,200 --> 01:14:33,050

the preacher if you will if you want to

1715

01:14:38,830 --> 01:14:35,210

call them that gets up and he goes into

1716

01:14:40,150 --> 01:14:38,840

a trance and then some spirit speaks

1717

01:14:42,820 --> 01:14:40,160

through and what what people need to

1718

01:14:45,430 --> 01:14:42,830

understand when they see these like

1719

01:14:49,000 --> 01:14:45,440

mediums or trance channelers like on

1720

01:14:51,310 --> 01:14:49,010

television or in various settings you

1721

01:14:53,350 --> 01:14:51,320

know that what they're what these people

1722

01:14:55,800 --> 01:14:53,360

have speaking through them are actually

1723

01:15:00,250 --> 01:14:55,810

demons there what the Bible calls

1724

01:15:02,650 --> 01:15:00,260

familiar spirits and they are not your

1725

01:15:04,060 --> 01:15:02,660

friend and again like we mentioned a

1726

01:15:08,140 --> 01:15:04,070

couple minutes ago they will tell you

1727

01:15:10,540 --> 01:15:08,150

nine truths to get one lie into your

1728

01:15:13,660 --> 01:15:10,550

heart because people are deceived enough

1729

01:15:15,940 --> 01:15:13,670

to think oh well like let's say we used

1730

01:15:18,760 --> 01:15:15,950

to do this we'd have a service of

1731

01:15:21,520 --> 01:15:18,770

spiritualist stuff and this someone come

1732

01:15:24,940 --> 01:15:21,530

all my dear departed father you know can

1733

01:15:27,100 --> 01:15:24,950

I talk to it well of course the demons

1734

01:15:30,730 --> 01:15:27,110

are immortal beings just think about

1735

01:15:34,300 --> 01:15:30,740

this for a moment you know they they

1736

01:15:35,890 --> 01:15:34,310

know who this guy's father is you know

1737

01:15:37,570 --> 01:15:35,900

what doesn't matter what a reason heaven

1738

01:15:40,240 --> 01:15:37,580

or in hell they're gonna know details

1739

01:15:42,190 --> 01:15:40,250

about this guy's life okay and they're

1740

01:15:43,690 --> 01:15:42,200

going to be able to say oh yes my son I

1741

01:15:45,280 --> 01:15:43,700

remember when you fell off the bicycle

1742

01:15:48,160 --> 01:15:45,290

when you were eight years old and I

1743

01:15:51,790 --> 01:15:48,170

picked you up and of course when this

1744

01:15:55,960 --> 01:15:51,800

medium has the spirit sameness to this

1745

01:16:00,240 --> 01:15:55,970

individual they allow it's really my dad

1746

01:16:02,410 --> 01:16:00,250

and they start believing in the lie of

1747

01:16:05,080 --> 01:16:02,420

spiritualism instead of trusting in

1748

01:16:08,320 --> 01:16:05,090

Christ because these people the

1749

01:16:11,350 --> 01:16:08,330

Spiritualist for example they they teach

1750

01:16:13,900 --> 01:16:11,360

that quote unquote Jesus is just another

1751

01:16:16,750 --> 01:16:13,910

ascended master he's like one of the

1752

01:16:18,580 --> 01:16:16,760

greatest ascended masters but he's no

1753

01:16:21,820 --> 01:16:18,590

better ultimately he's just slightly

1754

01:16:23,470 --> 01:16:21,830

better than say Buddha or Zoroaster or

1755

01:16:25,540 --> 01:16:23,480

whatever and I can ever go into it was

1756

01:16:27,430 --> 01:16:25,550

when I was a minister going to a

1757

01:16:29,260 --> 01:16:27,440

spiritualist camp in the middle of

1758

01:16:32,050 --> 01:16:29,270

indiana of all places right in a

1759

01:16:34,540 --> 01:16:32,060

heartland of america and they had this

1760

01:16:37,030 --> 01:16:34,550

big monument where they had like busts

1761

01:16:41,200 --> 01:16:37,040

it was like a park out new sunshine you

1762

01:16:43,570 --> 01:16:41,210

know like about 20 or 25 bus of great

1763

01:16:45,110 --> 01:16:43,580

spiritual figures you know lout zoo

1764

01:16:48,290 --> 01:16:45,120

confucius buddha

1765

01:16:50,930 --> 01:16:48,300

you know Hamid whatever and in the

1766

01:16:54,890 --> 01:16:50,940

middle was this slightly larger picture

1767

01:16:58,160 --> 01:16:54,900

of quote-unquote Jesus and but yet he is

1768

01:17:01,520 --> 01:16:58,170

more than an ascended master he is the

1769

01:17:03,410 --> 01:17:01,530

almighty come in the flesh and the trick

1770

01:17:06,530 --> 01:17:03,420

that we were taught as spiritualist now

1771

01:17:08,480 --> 01:17:06,540

listen to this how facile this is we

1772

01:17:10,640 --> 01:17:08,490

were told okay when a spirit comes to

1773

01:17:13,790 --> 01:17:10,650

you and you're a medium you asked that

1774

01:17:16,490 --> 01:17:13,800

spirit do you stand in the light yes the

1775

01:17:21,020 --> 01:17:16,500

spirit says yes then oh it's a good

1776

01:17:22,850 --> 01:17:21,030

spirit but whoever wrote that rule never

1777

01:17:24,890 --> 01:17:22,860

read the passage you just quoted out of

1778

01:17:26,780 --> 01:17:24,900

Corinthians you know that the Satan

1779

01:17:29,930 --> 01:17:26,790

comes as an angel of light and at

1780

01:17:33,620 --> 01:17:29,940

Lucifer and you know as a f-14 is the

1781

01:17:35,240 --> 01:17:33,630

Light Bearer so you know just to ask do

1782

01:17:36,950 --> 01:17:35,250

you stand and light that doesn't prove

1783

01:17:39,710 --> 01:17:36,960

anything what do you need if you have a

1784

01:17:42,890 --> 01:17:39,720

spirit come to you you know you need to

1785

01:17:46,400 --> 01:17:42,900

ask that spirit who is Yeshua who is

1786

01:17:49,700 --> 01:17:46,410

Jesus Christ to you and if the spirit

1787

01:17:52,550 --> 01:17:49,710

doesn't say he is the almighty creator

1788

01:17:55,520 --> 01:17:52,560

of the universe come in the flesh you

1789

01:17:59,780 --> 01:17:55,530

know then command it to leave in the

1790

01:18:01,730 --> 01:17:59,790

name of Yeshua so you know and if you

1791

01:18:03,650 --> 01:18:01,740

say Jesus that's fine you know but we

1792

01:18:07,000 --> 01:18:03,660

prefer to say yahushua are you sure

1793

01:18:09,830 --> 01:18:07,010

because it's Hebrew and the thing is is

1794

01:18:11,870 --> 01:18:09,840

that you know because people again it

1795

01:18:15,500 --> 01:18:11,880

Hosea 46 says my people are destroyed

1796

01:18:17,780 --> 01:18:15,510

for lack of knowledge and people wander

1797

01:18:22,040 --> 01:18:17,790

into these things because they appear to

1798

01:18:23,930 --> 01:18:22,050

be white light wonderfulness goodness

1799

01:18:25,910 --> 01:18:23,940

you know like believe it or not the

1800

01:18:29,420 --> 01:18:25,920

woman in whose home we would host these

1801

01:18:32,330 --> 01:18:29,430

meetings was the wife of a professor of

1802

01:18:36,310 --> 01:18:32,340

theology at a lutheran seminary wow

1803

01:18:39,290 --> 01:18:36,320

that's how easily people can be deceived

1804

01:18:42,290 --> 01:18:39,300

because they think oh this is all nice

1805

01:18:45,320 --> 01:18:42,300

and we sing hymns and you know and they

1806

01:18:46,820 --> 01:18:45,330

quote just enough Bible to make it seem

1807

01:18:50,480 --> 01:18:46,830

like it's good but underneath the

1808

01:18:54,500 --> 01:18:50,490

surface it's very dark mmm he's a liar

1809

01:18:57,260 --> 01:18:54,510

and the father of lies yes Oh so I

1810

01:18:58,940 --> 01:18:57,270

thought it was quite interesting that in

1811

01:19:02,300 --> 01:18:58,950

your book you also talked about

1812

01:19:03,890 --> 01:19:02,310

you got a degree a Catholic your degree

1813

01:19:06,470 --> 01:19:03,900

in your Catholic school without even

1814

01:19:08,690 --> 01:19:06,480

ever happening to open a Bible in it and

1815

01:19:11,150 --> 01:19:08,700

that it was when you finally got in

1816

01:19:12,380 --> 01:19:11,160

there and read the Bible at the finally

1817

01:19:15,290 --> 01:19:12,390

have you gone through all this stuff is

1818

01:19:17,600 --> 01:19:15,300

when you actually when it actually hit

1819

01:19:19,310 --> 01:19:17,610

and when the truth actually came through

1820

01:19:22,070 --> 01:19:19,320

is that right you never actually read

1821

01:19:23,900 --> 01:19:22,080

the whole Bible I i I'll tell you one

1822

01:19:25,400 --> 01:19:23,910

thing I mean I never read much of the

1823

01:19:28,940 --> 01:19:25,410

Bible I mean in the in the Catholic

1824

01:19:30,740 --> 01:19:28,950

Church to be fair they then in the mass

1825

01:19:33,500 --> 01:19:30,750

they have a place for a little bit of

1826

01:19:35,240 --> 01:19:33,510

the epistles of Paul or read and then a

1827

01:19:37,910 --> 01:19:35,250

little bit of the gospel is red so you

1828

01:19:39,860 --> 01:19:37,920

do get the gospel but you don't get that

1829

01:19:43,460 --> 01:19:39,870

much of it you don't get enough of it to

1830

01:19:45,770 --> 01:19:43,470

kind of you know really understand the

1831

01:19:48,590 --> 01:19:45,780

full picture because I was a smart kid

1832

01:19:51,740 --> 01:19:48,600

but you know when you're in any of these

1833

01:19:53,720 --> 01:19:51,750

groups okay the Mormons the Catholics

1834

01:19:56,780 --> 01:19:53,730

whatever or the Spiritualist for that

1835

01:19:58,520 --> 01:19:56,790

matter you are never delighted when I

1836

01:20:00,590 --> 01:19:58,530

was a child we were told don't read the

1837

01:20:02,360 --> 01:20:00,600

Bible you're not allowed to read the

1838

01:20:06,740 --> 01:20:02,370

Bible let the priests read the Bible and

1839

01:20:09,710 --> 01:20:06,750

in for you and so I I briefly I begged

1840

01:20:12,110 --> 01:20:09,720

my CIA when I was probably oh let me see

1841

01:20:13,850 --> 01:20:12,120

seven or eight years old I saw the Ten

1842

01:20:17,150 --> 01:20:13,860

Commandments in the theater you know

1843

01:20:19,010 --> 01:20:17,160

child nest in the whole deal and I went

1844

01:20:21,320 --> 01:20:19,020

on and I begged my father I gotta have a

1845

01:20:23,090 --> 01:20:21,330

Bible this is why do you want a Bible

1846

01:20:25,070 --> 01:20:23,100

you know we had a big family Bible it

1847

01:20:27,740 --> 01:20:25,080

SAT there was like this Janoris Bible

1848

01:20:29,600 --> 01:20:27,750

that was covered in dust never opened it

1849

01:20:31,940 --> 01:20:29,610

just looked good and then when someone

1850

01:20:33,530 --> 01:20:31,950

would get married or get baptized or die

1851

01:20:36,140 --> 01:20:33,540

we'd write their name it that was the

1852

01:20:38,540 --> 01:20:36,150

only really reason it was there and so

1853

01:20:40,190 --> 01:20:38,550

we got me a a Monsignor Knox

1854

01:20:41,780 --> 01:20:40,200

confraternity of christian doctrine

1855

01:20:44,980 --> 01:20:41,790

Bible I can still see the thing in my

1856

01:20:47,660 --> 01:20:44,990

mind and I started reading in Genesis

1857

01:20:49,190 --> 01:20:47,670

but once I got into Exodus I started

1858

01:20:52,250 --> 01:20:49,200

getting bogged down I was only 10 years

1859

01:20:55,460 --> 01:20:52,260

old I wanted to explain it to me and

1860

01:20:59,240 --> 01:20:55,470

numbers yeah y al Libi ghats everything

1861

01:21:00,890 --> 01:20:59,250

so anyway that was it and even getting

1862

01:21:03,350 --> 01:21:00,900

like you mentioned a master's degree in

1863

01:21:05,900 --> 01:21:03,360

theology we never had to read the Bible

1864

01:21:09,710 --> 01:21:05,910

reread books about the Bible is so crazy

1865

01:21:11,840 --> 01:21:09,720

to me Kierkegaard reread born calm we

1866

01:21:13,790 --> 01:21:11,850

read you know Karl Rahner

1867

01:21:15,740 --> 01:21:13,800

all these theologians and Jesuits and

1868

01:21:18,380 --> 01:21:15,750

stuff like that but we never actually

1869

01:21:22,100 --> 01:21:18,390

went to the source text except for brief

1870

01:21:24,350 --> 01:21:22,110

little proof text you know and and so as

1871

01:21:26,090 --> 01:21:24,360

a result it wasn't until ironically i

1872

01:21:28,490 --> 01:21:26,100

joined the mormon church at at least

1873

01:21:30,440 --> 01:21:28,500

they got me reading the bible because we

1874

01:21:32,630 --> 01:21:30,450

were supposed to there was a five-year

1875

01:21:34,190 --> 01:21:32,640

plan where you know one year you read

1876

01:21:36,110 --> 01:21:34,200

the Old Testament the next year you read

1877

01:21:37,940 --> 01:21:36,120

the New Testament the next year you read

1878

01:21:40,330 --> 01:21:37,950

the book of Mormon and so on well I

1879

01:21:43,130 --> 01:21:40,340

started with the Bible fortunately and

1880

01:21:45,650 --> 01:21:43,140

so I finally actually read the Bible and

1881

01:21:47,810 --> 01:21:45,660

that's when the holy spirit began to

1882

01:21:50,300 --> 01:21:47,820

work on me and when i read romans and

1883

01:21:52,250 --> 01:21:50,310

when i read Galatians especially in all

1884

01:21:55,580 --> 01:21:52,260

I Galatians one where you know it says

1885

01:21:59,270 --> 01:21:55,590

if if I don't or an angel from heaven

1886

01:22:01,280 --> 01:21:59,280

preach any other gospel than the one

1887

01:22:06,560 --> 01:22:01,290

that I for example Paul in this case

1888

01:22:09,860 --> 01:22:06,570

preach let him be accursed and that kind

1889

01:22:12,050 --> 01:22:09,870

of put a stop in my Mormonism right

1890

01:22:14,210 --> 01:22:12,060

there because of course supposedly

1891

01:22:16,280 --> 01:22:14,220

Joseph Smith got the golden plates that

1892

01:22:19,820 --> 01:22:16,290

end up being the Book of Mormon from an

1893

01:22:21,860 --> 01:22:19,830

angel and yet you look at the gospel at

1894

01:22:25,550 --> 01:22:21,870

Paul preach which in first Corinthians

1895

01:22:28,070 --> 01:22:25,560

15 it's basically that you know the Lord

1896

01:22:31,520 --> 01:22:28,080

died on the cross rose from the dead was

1897

01:22:34,370 --> 01:22:31,530

seen of many and that's the gospel you

1898

01:22:36,020 --> 01:22:34,380

know and and none of that you know that

1899

01:22:37,850 --> 01:22:36,030

yeah the Mormons believe he rose from

1900

01:22:39,650 --> 01:22:37,860

the dead but they they add all this

1901

01:22:40,940 --> 01:22:39,660

other stuff to it they say oh you've got

1902

01:22:42,770 --> 01:22:40,950

to go to the temple and you've got to

1903

01:22:44,780 --> 01:22:42,780

where the magical underwear and you've

1904

01:22:46,310 --> 01:22:44,790

got to do a journal you've got to do

1905

01:22:48,320 --> 01:22:46,320

your genealogy and you've got to do your

1906

01:22:50,420 --> 01:22:48,330

home teaching and they have like four

1907

01:22:52,640 --> 01:22:50,430

thousand Commandments you know you have

1908

01:22:56,360 --> 01:22:52,650

to keep in order to be a good faithful

1909

01:22:58,760 --> 01:22:56,370

Mormon now we'll talk about the warm in

1910

01:23:00,350 --> 01:22:58,770

connection with the twilight series if

1911

01:23:05,420 --> 01:23:00,360

you have any questions that you want to

1912

01:23:07,010 --> 01:23:05,430

call an ask bill former vampire Joan

1913

01:23:09,050 --> 01:23:07,020

tonight's halloween special the lines

1914

01:23:12,620 --> 01:23:09,060

are open at eight eight eight nine one

1915

01:23:14,540 --> 01:23:12,630

nine 2355 your for listening this night

1916

01:23:20,150 --> 01:23:14,550

this october twenty seven eight eight

1917

01:23:21,980 --> 01:23:20,160

eight nine one nine 2355 want to talk

1918

01:23:23,540 --> 01:23:21,990

about somebody was asking the chatroom

1919

01:23:25,549 --> 01:23:23,550

how you became a witch but i would like

1920

01:23:28,159 --> 01:23:25,559

to you to talk about how you behave

1921

01:23:34,389 --> 01:23:28,169

hire people want to know like the juicy

1922

01:23:40,669 --> 01:23:37,849

basically as i mentioned you know i was

1923

01:23:43,189 --> 01:23:40,679

involved in Satanism and i was told a

1924

01:23:46,309 --> 01:23:43,199

certain point and i'm going to progress

1925

01:23:48,559 --> 01:23:46,319

any further that I had it was like a

1926

01:23:50,770 --> 01:23:48,569

fork in the road so to speak and I could

1927

01:23:54,079 --> 01:23:50,780

either choose to be a lycanthrope a

1928

01:23:56,659 --> 01:23:54,089

shape-shifter like a werewolf or I could

1929

01:23:58,909 --> 01:23:56,669

choose to be a vampire and I knew

1930

01:24:02,509 --> 01:23:58,919

someone at the time who was a

1931

01:24:06,559 --> 01:24:02,519

lycanthrope the shapeshifter and he

1932

01:24:08,209 --> 01:24:06,569

warned me that it's really painful it's

1933

01:24:09,739 --> 01:24:08,219

not something that you want to do if

1934

01:24:11,119 --> 01:24:09,749

you're faint of heart and I I'd already

1935

01:24:13,609 --> 01:24:11,129

been kind of intrigued by the whole

1936

01:24:16,189 --> 01:24:13,619

vampire thing already because it seemed

1937

01:24:17,659 --> 01:24:16,199

kind of dark and sexy whereas really you

1938

01:24:19,699 --> 01:24:17,669

know werewolves are dark but they're not

1939

01:24:21,439 --> 01:24:19,709

really very sexy and they're big and

1940

01:24:23,629 --> 01:24:21,449

smelling and hairy and everything and

1941

01:24:26,179 --> 01:24:23,639

you know so I thought what the hell go

1942

01:24:28,429 --> 01:24:26,189

the route of the vampire so because of

1943

01:24:30,319 --> 01:24:28,439

that you know I don't want to do all

1944

01:24:32,270 --> 01:24:30,329

give all the details I don't want you

1945

01:24:34,520 --> 01:24:32,280

know don't try this at home children you

1946

01:24:38,779 --> 01:24:34,530

know that kind of fact i will say this i

1947

01:24:43,790 --> 01:24:38,789

was given by my mentors a a concoction

1948

01:24:46,129 --> 01:24:43,800

of herbs and cocaine to use and to take

1949

01:24:47,540 --> 01:24:46,139

increasingly large and lime you want to

1950

01:24:53,809 --> 01:24:47,550

believe how much cocaine i was going

1951

01:24:57,319 --> 01:24:53,819

through and finally one night the what

1952

01:25:00,109 --> 01:24:57,329

happened was this being came to me it

1953

01:25:01,879 --> 01:25:00,119

was supposedly a vampire i really

1954

01:25:05,779 --> 01:25:01,889

believe now it was a fallen angel in

1955

01:25:08,509 --> 01:25:05,789

retrospect not a vampire and he sliced

1956

01:25:11,389 --> 01:25:08,519

open his chest and i drank the blood

1957

01:25:13,250 --> 01:25:11,399

from his chest and part of my training i

1958

01:25:16,879 --> 01:25:13,260

should mention was to build this special

1959

01:25:18,679 --> 01:25:16,889

coffin and we give the details and

1960

01:25:20,509 --> 01:25:18,689

everything of it in this DVD set

1961

01:25:23,029 --> 01:25:20,519

interview with the next vampire that you

1962

01:25:26,929 --> 01:25:23,039

mentioned earlier but you know basically

1963

01:25:28,699 --> 01:25:26,939

it was designed to be by incubator so I

1964

01:25:31,129 --> 01:25:28,709

drank the blood and I crawled into this

1965

01:25:33,259 --> 01:25:31,139

coffin it was like you know my mind was

1966

01:25:37,309 --> 01:25:33,269

just going crazy and I had to basically

1967

01:25:38,900 --> 01:25:37,319

spend the whole day in this coffin and

1968

01:25:42,820 --> 01:25:38,910

emerge at sunset

1969

01:25:46,180 --> 01:25:42,830

and when I came out of that coffin my

1970

01:25:49,100 --> 01:25:46,190

DNA had been somehow transformed by this

1971

01:25:52,340 --> 01:25:49,110

demonic / viral thing that I had

1972

01:25:56,900 --> 01:25:52,350

consumed hmmm and it actually changed

1973

01:26:01,430 --> 01:25:56,910

the Rh factor of my blood that's pretty

1974

01:26:06,650 --> 01:26:01,440

bizarre but it did so anyway uh that's

1975

01:26:09,140 --> 01:26:06,660

how it was done and so and you slept in

1976

01:26:10,040 --> 01:26:09,150

the coffin every night well no that was

1977

01:26:13,040 --> 01:26:10,050

a little that would be a little

1978

01:26:15,350 --> 01:26:13,050

uncomfortable oh it's during the day cuz

1979

01:26:17,110 --> 01:26:15,360

you're out at night well you slept in

1980

01:26:20,780 --> 01:26:17,120

the coffin during the day instead of red

1981

01:26:23,930 --> 01:26:20,790

no I did that occasionally but mostly I

1982

01:26:25,730 --> 01:26:23,940

I had a room where there were light

1983

01:26:27,980 --> 01:26:25,740

tight curtains you know really thick

1984

01:26:30,530 --> 01:26:27,990

drapes over the one window in the room

1985

01:26:32,510 --> 01:26:30,540

and I stayed there except maybe once or

1986

01:26:34,850 --> 01:26:32,520

twice a week I'd have to go and do the

1987

01:26:36,320 --> 01:26:34,860

the coffin thing but it was not it was

1988

01:26:38,840 --> 01:26:36,330

not real comfortable it's kind of

1989

01:26:40,640 --> 01:26:38,850

claustrophobic and you know you can

1990

01:26:42,890 --> 01:26:40,650

imagine imagine sleeping you know with a

1991

01:26:44,480 --> 01:26:42,900

with a with a cough in a coffin I mean

1992

01:26:47,630 --> 01:26:44,490

you know it's not all it's cracked up to

1993

01:26:51,260 --> 01:26:47,640

be well and you were married to so your

1994

01:26:55,070 --> 01:26:51,270

wife would have missed you yeah yeah um

1995

01:26:56,630 --> 01:26:55,080

and in the twilight saga okay edward the

1996

01:26:58,550 --> 01:26:56,640

vampire for those of you who aren't

1997

01:27:00,290 --> 01:26:58,560

familiar with it Edward is a vampire he

1998

01:27:03,950 --> 01:27:00,300

falls in love with a human they get

1999

01:27:05,780 --> 01:27:03,960

married and they end up consummating the

2000

01:27:08,450 --> 01:27:05,790

relationship and she gets pregnant and

2001
01:27:11,090 --> 01:27:08,460
has this like half vampire child now you

2002
01:27:12,770 --> 01:27:11,100
were married to a lady and she didn't

2003
01:27:14,990 --> 01:27:12,780
turn into a vampire was this ever a

2004
01:27:17,060 --> 01:27:15,000
thing like could there be a half-vampire

2005
01:27:19,880 --> 01:27:17,070
person like did you ever have to worry

2006
01:27:23,660 --> 01:27:19,890
about something like that no not really

2007
01:27:26,420 --> 01:27:23,670
you know there's a main part of the

2008
01:27:30,590 --> 01:27:26,430
glass movie no I know I know and the

2009
01:27:34,780 --> 01:27:30,600
funny thing is that I don't know how to

2010
01:27:38,420 --> 01:27:34,790
say this delicately but basically

2011
01:27:43,640 --> 01:27:38,430
vampires don't do that they can't they

2012
01:27:46,960 --> 01:27:43,650
can't procreate male vampires cannot you

2013
01:27:50,300 --> 01:27:46,970

know have relations oh so they're like

2014

01:27:51,939 --> 01:27:50,310

just a lot of biting of the neck right

2015

01:27:54,339 --> 01:27:51,949

right yeah

2016

01:27:57,370 --> 01:27:54,349

that-that-that's totally tranced what he

2017

01:28:01,719 --> 01:27:57,380

want to call it transmuted that desire

2018

01:28:04,870 --> 01:28:01,729

into into the desire for blood wow so

2019

01:28:07,270 --> 01:28:04,880

that's even like really really ravenous

2020

01:28:09,669 --> 01:28:07,280

yeah yeah are you hungry but you're

2021

01:28:12,009 --> 01:28:09,679

sexually hungry and just well yeah yeah

2022

01:28:14,080 --> 01:28:12,019

and add that makes it even worse you

2023

01:28:15,779 --> 01:28:14,090

know and that's what the devil does you

2024

01:28:18,669 --> 01:28:15,789

know just like there there are some

2025

01:28:21,969 --> 01:28:18,679

psychotropic drugs that make you

2026

01:28:24,640 --> 01:28:21,979

extremely you know lustful well in the

2027

01:28:27,339 --> 01:28:24,650

same way this kind of a cult stuff can

2028

01:28:29,319 --> 01:28:27,349

make you extremely lustful so it's it's

2029

01:28:31,270 --> 01:28:29,329

a it's a bad thing all the way around

2030

01:28:35,169 --> 01:28:31,280

because it it combines the worst

2031

01:28:37,930 --> 01:28:35,179

features of the worst appetites of both

2032

01:28:43,000 --> 01:28:37,940

the human and the animal nature into one

2033

01:28:45,629 --> 01:28:43,010

horrible package mmhmm yeah um I have a

2034

01:28:48,189 --> 01:28:45,639

question from those true yeah okay I

2035

01:28:50,229 --> 01:28:48,199

have a question from the chat room when

2036

01:28:52,569 --> 01:28:50,239

you no longer enjoyed living the vamp

2037

01:28:54,910 --> 01:28:52,579

lifestyle and couldn't could not eat

2038

01:28:56,949 --> 01:28:54,920

food why did you not seek medical

2039

01:28:58,839 --> 01:28:56,959

attention and that kind of ties in with

2040

01:29:01,239 --> 01:28:58,849

a question that i have like what sort of

2041

01:29:03,609 --> 01:29:01,249

long-term physical effects did a blood

2042

01:29:05,560 --> 01:29:03,619

diet have on your body I know last time

2043

01:29:07,779 --> 01:29:05,570

we talked about how you're like kind of

2044

01:29:10,719 --> 01:29:07,789

a health nut quote-unquote now and you

2045

01:29:12,939 --> 01:29:10,729

know is that kind of what I mean tell me

2046

01:29:15,189 --> 01:29:12,949

about your diet and your body and the

2047

01:29:17,439 --> 01:29:15,199

changes of that and did you seek a

2048

01:29:19,270 --> 01:29:17,449

medical attention well no because first

2049

01:29:23,799 --> 01:29:19,280

of all I was afraid of what a doctor

2050

01:29:25,779 --> 01:29:23,809

would find hmm you know I not I've never

2051

01:29:27,129 --> 01:29:25,789

been real fun and don't take this

2052

01:29:29,739 --> 01:29:27,139

personally anybody out that it's a

2053

01:29:32,729 --> 01:29:29,749

doctor but you know I like most guys I

2054

01:29:35,859 --> 01:29:32,739

don't really like going to doctors and

2055

01:29:38,140 --> 01:29:35,869

you know so and back in those days I

2056

01:29:39,669 --> 01:29:38,150

mean I didn't I was marginally employed

2057

01:29:41,859 --> 01:29:39,679

you know so I didn't even have medical

2058

01:29:43,479 --> 01:29:41,869

insurance of any kind so I just know I

2059

01:29:46,299 --> 01:29:43,489

never even thought of that I knew this

2060

01:29:47,799 --> 01:29:46,309

was an occult issue you know I didn't

2061

01:29:50,919 --> 01:29:47,809

think I had that there is this weird

2062

01:29:54,459 --> 01:29:50,929

disease porphyria which has a lot of the

2063

01:29:57,189 --> 01:29:54,469

same qualities as vampirism does and I

2064

01:29:59,399 --> 01:29:57,199

knew that I knew that back then but you

2065

01:30:02,169 --> 01:29:59,409

know no I never sought medical attention

2066

01:30:05,750 --> 01:30:02,179

oddly enough on this diet you know you

2067

01:30:08,540 --> 01:30:05,760

asked about it I I I never lost weight

2068

01:30:12,979 --> 01:30:08,550

no hmm I never gain weight either you

2069

01:30:16,459 --> 01:30:12,989

know but no I I did okay physically said

2070

01:30:21,620 --> 01:30:16,469

it was excruciating Lee boring plus you

2071

01:30:26,240 --> 01:30:21,630

you smell you see evil stinks hmm I mean

2072

01:30:27,410 --> 01:30:26,250

I hate LA so / no Justin I mean you know

2073

01:30:31,399 --> 01:30:27,420

let's just put it this way had to brush

2074

01:30:34,459 --> 01:30:31,409

my teeth a lot and let's be delicate you

2075

01:30:35,930 --> 01:30:34,469

know party teeth did you have fangs yeah

2076

01:30:39,350 --> 01:30:35,940

but I don't have to go to a dentist and

2077

01:30:41,419 --> 01:30:39,360

have them made me about that and I would

2078

01:30:43,459 --> 01:30:41,429

when I would what do you want to call it

2079

01:30:45,740 --> 01:30:43,469

when I would be in the presence of

2080

01:30:48,500 --> 01:30:45,750

somebody and I was let's just say

2081

01:30:51,049 --> 01:30:48,510

thirsty I could actually hear their

2082

01:30:55,040 --> 01:30:51,059

heart breed across the room ooh super

2083

01:30:58,490 --> 01:30:55,050

sensitive and I i would if i was you

2084

01:31:02,990 --> 01:30:58,500

know hungry shall we say my teeth would

2085

01:31:04,910 --> 01:31:03,000

grow a little and I would you know be

2086

01:31:06,890 --> 01:31:04,920

kind of in a place at that time when I

2087

01:31:09,140 --> 01:31:06,900

could you know all the things situation

2088

01:31:12,589 --> 01:31:09,150

was right I could you know bite them in

2089

01:31:17,000 --> 01:31:12,599

the neck you know but that isn't you

2090

01:31:18,919 --> 01:31:17,010

know that is not you know you don't have

2091

01:31:20,479 --> 01:31:18,929

to you don't have to dwell on that stuff

2092

01:31:24,049 --> 01:31:20,489

but that's that's basically what would

2093

01:31:26,089 --> 01:31:24,059

happen so you know when you talked about

2094

01:31:27,649 --> 01:31:26,099

in your interview with the vampire like

2095

01:31:30,140 --> 01:31:27,659

you went to the dentist and your saliva

2096

01:31:32,839 --> 01:31:30,150

it actually changed too oh well yeah

2097

01:31:34,910 --> 01:31:32,849

yeah that that's a different matter but

2098

01:31:37,430 --> 01:31:34,920

the fact of the matter is that the

2099

01:31:45,169 --> 01:31:37,440

vampire bat there really is a vampire

2100

01:31:47,450 --> 01:31:45,179

bat and the the fact of the matter is

2101
01:31:50,390 --> 01:31:47,460
that they have a cocaine like substance

2102
01:31:53,209 --> 01:31:50,400
these baths that they secrete they land

2103
01:31:56,810 --> 01:31:53,219
on like a cow or some other large mammal

2104
01:31:59,209 --> 01:31:56,820
and uh they bite them and inject this

2105
01:32:01,430 --> 01:31:59,219
this the substance which is like cocaine

2106
01:32:04,700 --> 01:32:01,440
and some of your listeners might know

2107
01:32:07,009 --> 01:32:04,710
cocaine is a topical anesthetic so it

2108
01:32:08,750 --> 01:32:07,019
doesn't hurt so the cow could just sit

2109
01:32:10,729 --> 01:32:08,760
there out in the field and be all sleepy

2110
01:32:13,669 --> 01:32:10,739
and not even realize this vampire is

2111
01:32:15,950 --> 01:32:13,679
vampire bat rather is drinking you know

2112
01:32:17,779 --> 01:32:15,960
several leaders of their blood because

2113
01:32:19,590 --> 01:32:17,789

these little bats drinking amazing

2114

01:32:23,190 --> 01:32:19,600

amount of blood so anyway

2115

01:32:26,250 --> 01:32:23,200

I in the same way that happened to me

2116

01:32:27,900 --> 01:32:26,260

and so when I went to the dentist one

2117

01:32:29,040 --> 01:32:27,910

time this this fellow was a friend of

2118

01:32:30,510 --> 01:32:29,050

mine he was a dental student at

2119

01:32:32,850 --> 01:32:30,520

Marquette University School of Dentistry

2120

01:32:34,590 --> 01:32:32,860

and he started working on my teeth and

2121

01:32:36,570 --> 01:32:34,600

he said you have this weird saliva it's

2122

01:32:39,600 --> 01:32:36,580

really thick and then he discovered his

2123

01:32:41,340 --> 01:32:39,610

fingers had gone numb hmm they actually

2124

01:32:44,100 --> 01:32:41,350

it's like he says this is like I got

2125

01:32:45,780 --> 01:32:44,110

cocaine not cocaine novacane which is a

2126

01:32:48,300 --> 01:32:45,790

purse kind of a chemical derivative of

2127

01:32:50,820 --> 01:32:48,310

cocaine on my fingers and of course

2128

01:32:52,830 --> 01:32:50,830

that's what's dennis use to numb your

2129

01:32:54,780 --> 01:32:52,840

yeah and you're like oh really and you

2130

01:32:57,480 --> 01:32:54,790

didn't tell ya so he end up no I didn't

2131

01:33:00,030 --> 01:32:57,490

see and then he put on gloves you know

2132

01:33:03,060 --> 01:33:00,040

this is before aids showed up and all

2133

01:33:06,720 --> 01:33:03,070

Dennis now wear gloves but yeah it's

2134

01:33:08,520 --> 01:33:06,730

bizarre it really is Wow now what is it

2135

01:33:10,680 --> 01:33:08,530

think we're gonna talk about werewolves

2136

01:33:13,860 --> 01:33:10,690

here briefly but what is it through all

2137

01:33:16,620 --> 01:33:13,870

this that kept you that that was your

2138

01:33:19,740 --> 01:33:16,630

goal that kept you wanting more like

2139

01:33:23,130 --> 01:33:19,750

what was it well for me it was the idea

2140

01:33:25,740 --> 01:33:23,140

of wisdom this this wisdom that nobody

2141

01:33:27,540 --> 01:33:25,750

else knows you know that's what the word

2142

01:33:30,690 --> 01:33:27,550

of cult means it literally means hidden

2143

01:33:32,190 --> 01:33:30,700

and this is the seduction of all this

2144

01:33:34,790 --> 01:33:32,200

let me just talk about this for a minute

2145

01:33:38,600 --> 01:33:34,800

because I think it's an important point

2146

01:33:42,120 --> 01:33:38,610

young people are drawn to the occult

2147

01:33:45,750 --> 01:33:42,130

because they see its mystery and its

2148

01:33:48,060 --> 01:33:45,760

promise of either power or wisdom the

2149

01:33:50,900 --> 01:33:48,070

idea of knowing stuff that nobody else

2150

01:33:54,990 --> 01:33:50,910

knows I mean kids love that stuff and

2151

01:33:56,910 --> 01:33:55,000

you know the danger is is that if you

2152

01:33:59,250 --> 01:33:56,920

have not introduced them to Christ if

2153

01:34:01,980 --> 01:33:59,260

you have not shared with them the power

2154

01:34:04,110 --> 01:34:01,990

of the Holy Spirit and taught them about

2155

01:34:08,460 --> 01:34:04,120

this stuff that when they go out into

2156

01:34:10,290 --> 01:34:08,470

the culture at large they end up you

2157

01:34:13,050 --> 01:34:10,300

know being to see by these things

2158

01:34:15,930 --> 01:34:13,060

because I remember thinking as as a

2159

01:34:17,790 --> 01:34:15,940

young man in my 20s you know this is

2160

01:34:20,100 --> 01:34:17,800

much more exciting what I was seeing in

2161

01:34:22,350 --> 01:34:20,110

the Catholic Church you know and I'm

2162

01:34:24,210 --> 01:34:22,360

sure some young people think that way

2163

01:34:26,100 --> 01:34:24,220

about you know what are their Baptists

2164

01:34:28,530 --> 01:34:26,110

are Pentecostal whatever because you

2165

01:34:30,690 --> 01:34:28,540

know they're there is no vitality

2166

01:34:33,550 --> 01:34:30,700

present in a lot of churches nowadays

2167

01:34:36,880 --> 01:34:33,560

the churches nowadays have lost a lot of

2168

01:34:39,640 --> 01:34:36,890

fire and young people want that fire
