

EPIC VOYAGES RADIO

EXTRAORDINARY PHENOMENA INVESTIGATIONS COUNCIL

Gary Wayne

1
00:01:07,100 --> 00:00:03,290
you're listening to IRA the inception

2
00:01:13,260 --> 00:01:11,160
are you ready for an epic journey the

3
00:01:15,960 --> 00:01:13,270
extraordinary phenomenon investigations

4
00:01:18,540 --> 00:01:15,970
Council presents epic voyages

5
00:01:20,640 --> 00:01:18,550
come join us as we enter and experience

6
00:02:04,370 --> 00:01:20,650
their great mysteries of the world with

7
00:02:10,529 --> 00:02:07,410
and we are on the air here at epic

8
00:02:13,740 --> 00:02:10,539
voyages radio sorry for the delay we are

9
00:02:15,390 --> 00:02:13,750
live from the Texas Hill Country in the

10
00:02:18,060 --> 00:02:15,400
valley of the Giants I am maverick your

11
00:02:20,460 --> 00:02:18,070
host for tonight with our special guest

12
00:02:23,370 --> 00:02:20,470
Gary Wayne author of the Genesis 6

13
00:02:25,770 --> 00:02:23,380

conspiracy how secret societies and the

14

00:02:30,920 --> 00:02:25,780

descendants of the Giants plan to

15

00:02:37,500 --> 00:02:30,930

enslave mankind gary is a author who has

16

00:02:41,100 --> 00:02:37,510

a real passion for prophecy history and

17

00:02:45,270 --> 00:02:41,110

mythology his extensive studies has took

18

00:02:50,210 --> 00:02:45,280

him all the way to research the Giants

19

00:02:53,720 --> 00:02:50,220

of Genesis 6 and studying other sources

20

00:02:58,229 --> 00:02:53,730

such as the ancient epic of gilgamesh

21

00:03:02,400 --> 00:02:58,239

the ancient epic of gilgamesh there he

22

00:03:05,340 --> 00:03:02,410

goes the Gnostic scriptures all kinds of

23

00:03:09,210 --> 00:03:05,350

ancient epics he is well rounded well

24

00:03:14,220 --> 00:03:09,220

researched and tonight we have Gary

25

00:03:19,020 --> 00:03:14,230

Wayne on we are experiencing some level

26

00:03:24,030 --> 00:03:19,030

of difficulty with Gary but we are on

27

00:03:26,729 --> 00:03:24,040

the air and Gary is live in Canada Gary

28

00:03:29,430 --> 00:03:26,739

are you on the air I am here I'm very

29

00:03:33,259 --> 00:03:29,440

happy to be here Aaron okay

30

00:03:39,590 --> 00:03:33,269

welcome to epic voyages radio thank you

31

00:03:43,289 --> 00:03:39,600

Gary what got you interested in doing a

32

00:03:44,759 --> 00:03:43,299

book on on the Genesis six Giants you've

33

00:03:48,479 --> 00:03:44,769

had other things that you've done in the

34

00:03:51,090 --> 00:03:48,489

past how did how did you get involved

35

00:03:55,430 --> 00:03:51,100

with doing this research well I got

36

00:03:58,979 --> 00:03:55,440

involved by doing a lot of research on

37

00:04:01,920 --> 00:03:58,989

Bible prophecy and as I was breaking

38

00:04:05,729 --> 00:04:01,930

down you know every book of the Bible

39

00:04:09,360 --> 00:04:05,739

the Genesis six thing kind of stuck out

40

00:04:11,310 --> 00:04:09,370

in Giants kept cropping up and I was

41

00:04:12,720 --> 00:04:11,320

filing everything away in two different

42

00:04:16,830 --> 00:04:12,730

components to write different books

43

00:04:17,970 --> 00:04:16,840

about prophecy down the road and these

44

00:04:23,010 --> 00:04:17,980

giants just

45

00:04:24,870 --> 00:04:23,020

kept coming up and so after I done all

46

00:04:28,530 --> 00:04:24,880

of the research on the prophecy and had

47

00:04:30,000 --> 00:04:28,540

everything sort of put in files and set

48

00:04:31,890 --> 00:04:30,010

up the way that I wanted to I thought

49

00:04:35,550 --> 00:04:31,900

you know what I want to I want to look

50

00:04:37,770 --> 00:04:35,560

at maybe doing my shortest book which

51
00:04:40,500 --> 00:04:37,780
turned out to probably be the longest

52
00:04:42,750 --> 00:04:40,510
book and I thought I want to follow this

53
00:04:45,210 --> 00:04:42,760
story of the Giants and see where it

54
00:04:49,770 --> 00:04:45,220
takes takes me and my thought was that

55
00:04:54,840 --> 00:04:49,780
it has this connection to the end time

56
00:04:58,620 --> 00:04:54,850
and so I started from a and looked at Z

57
00:04:59,430 --> 00:04:58,630
and said how do I start to put this

58
00:05:01,770 --> 00:04:59,440
together

59
00:05:04,080 --> 00:05:01,780
and then I started you know probably

60
00:05:06,740 --> 00:05:04,090
another 8 or 10 years worth of research

61
00:05:10,140 --> 00:05:06,750
and writing to put the book together

62
00:05:13,920 --> 00:05:10,150
Gary what kind of research did you do to

63
00:05:17,040 --> 00:05:13,930

write to write this well I wanted to go

64

00:05:19,050 --> 00:05:17,050

beyond the Bible so I knew the Bible

65

00:05:22,680 --> 00:05:19,060

very very well but I wanted to know

66

00:05:25,680 --> 00:05:22,690

whether or not the subject came up in

67

00:05:28,500 --> 00:05:25,690

other mythologies and were they related

68

00:05:32,100 --> 00:05:28,510

to the Nephilim story because people

69

00:05:36,770 --> 00:05:32,110

hear stories about the Anunnaki and the

70

00:05:40,050 --> 00:05:36,780

Titans and various names of giants

71

00:05:43,470 --> 00:05:40,060

throughout mythology and and ancient

72

00:05:44,670 --> 00:05:43,480

stories of superheroes and so I wanted

73

00:05:47,490 --> 00:05:44,680

to know whether or not there was any

74

00:05:50,700 --> 00:05:47,500

sort of relationship there and I also

75

00:05:54,660 --> 00:05:50,710

wanted to know whether or not other

76
00:05:58,350 --> 00:05:54,670
religions recorded anything about giants

77
00:06:00,690 --> 00:05:58,360
and as I was doing this research I began

78
00:06:02,640 --> 00:06:00,700
to learn that not only was this in

79
00:06:06,480 --> 00:06:02,650
mythologies and not only whether it was

80
00:06:09,630 --> 00:06:06,490
it in other religions historians had

81
00:06:14,520 --> 00:06:09,640
written about giants and in this concept

82
00:06:16,350 --> 00:06:14,530
of demigods in in prehistory in I what

83
00:06:18,060 --> 00:06:16,360
really sort of stunned me that really

84
00:06:20,570 --> 00:06:18,070
took me into a completely different

85
00:06:24,390 --> 00:06:20,580
direction what I thought was is that

86
00:06:26,250 --> 00:06:24,400
Giants are totally related along with a

87
00:06:31,650 --> 00:06:26,260
couple other interesting things at a

88
00:06:34,050 --> 00:06:31,660

prehistory to secret societies and so

89

00:06:36,660 --> 00:06:34,060

I started to research all different

90

00:06:38,940 --> 00:06:36,670

aspects about that so I bring in whether

91

00:06:41,760 --> 00:06:38,950

it's the Gnostic religions or the Popol

92

00:06:44,910 --> 00:06:41,770

Vuh out of the Mayan culture or the

93

00:06:47,040 --> 00:06:44,920

Vedas out of the Indian culture or the

94

00:06:48,600 --> 00:06:47,050

various Gnostic literature I bring all

95

00:06:51,060 --> 00:06:48,610

of that in but I also bring in the

96

00:06:55,050 --> 00:06:51,070

legends and the mythologies from around

97

00:06:57,720 --> 00:06:55,060

the world and I came across many many

98

00:07:01,710 --> 00:06:57,730

legends to do with Freemasonry in their

99

00:07:04,380 --> 00:07:01,720

ancient pre-flood beginnings in the

100

00:07:07,140 --> 00:07:04,390

relationship to the mystical religions

101

00:07:09,150 --> 00:07:07,150

and from that point I just started to

102

00:07:11,040 --> 00:07:09,160

continue to do more research in each of

103

00:07:13,350 --> 00:07:11,050

those categories and found out that

104

00:07:16,260 --> 00:07:13,360

everything was interconnected and

105

00:07:19,100 --> 00:07:16,270

started putting those dots together so

106

00:07:21,390 --> 00:07:19,110

what turned out was a 6,000 year

107

00:07:23,370 --> 00:07:21,400

investigation a 6,000 year

108

00:07:27,290 --> 00:07:23,380

connect-the-dots investigation to the

109

00:07:30,660 --> 00:07:27,300

descendants of giants around the globe

110

00:07:34,290 --> 00:07:30,670

in how they grew up with secret

111

00:07:36,330 --> 00:07:34,300

societies and mystical religions we see

112

00:07:39,330 --> 00:07:36,340

Gary the Giants

113

00:07:42,480 --> 00:07:39,340

you said you kept seeing them pop up and

114

00:07:45,450 --> 00:07:42,490

in your research I experienced the same

115

00:07:47,400 --> 00:07:45,460

thing when when doing some research in

116

00:07:50,659 --> 00:07:47,410

the ancient past and these these

117

00:07:54,060 --> 00:07:50,669

Nephilim Giants were were certainly

118

00:07:57,210 --> 00:07:54,070

something that I encountered in my

119

00:07:59,760 --> 00:07:57,220

research as well it's interesting

120

00:08:02,100 --> 00:07:59,770

because it goes against what we've been

121

00:08:04,140 --> 00:08:02,110

taught that that you know there

122

00:08:09,090 --> 00:08:04,150

shouldn't be any Giants in ancient past

123

00:08:11,880 --> 00:08:09,100

what is the genesis 6 conspiracy about

124

00:08:14,100 --> 00:08:11,890

the secret societies what what is what

125

00:08:17,460 --> 00:08:14,110

is the conspiracy about well the

126

00:08:19,770 --> 00:08:17,470

conspiracy is is how did the descendants

127

00:08:22,890 --> 00:08:19,780

from the Giants of Genesis 6 where they

128

00:08:24,690 --> 00:08:22,900

were created how they grew up with the

129

00:08:29,250 --> 00:08:24,700

secret societies before the flood and

130

00:08:31,830 --> 00:08:29,260

the mysticism and how they impacted the

131

00:08:33,959 --> 00:08:31,840

Anti diluvian world which is another

132

00:08:36,270 --> 00:08:33,969

name for the pre-flood era how they

133

00:08:37,770 --> 00:08:36,280

affected all of those civilizations and

134

00:08:39,420 --> 00:08:37,780

again what you get outside the

135

00:08:41,360 --> 00:08:39,430

Christians are a doctrine you learned

136

00:08:45,449 --> 00:08:41,370

that there were several civilizations

137

00:08:48,100 --> 00:08:45,459

around not just the biblical

138

00:08:51,130 --> 00:08:48,110

civilization which was probably amongst

139

00:08:54,190 --> 00:08:51,140

the Sumerians but there was Atlantis and

140

00:08:57,340 --> 00:08:54,200

the reality of that continent and all of

141

00:09:04,870 --> 00:08:57,350

those mythologies and mu and perhaps

142

00:09:10,480 --> 00:09:04,880

even a fourth civilization and so what

143

00:09:13,240 --> 00:09:10,490

these three sort of actions combined

144

00:09:17,410 --> 00:09:13,250

with two other factions the descendants

145

00:09:19,780 --> 00:09:17,420

of Cain in the Dark Angels or the Fallen

146

00:09:21,760 --> 00:09:19,790

Angels who were the parents of the

147

00:09:23,590 --> 00:09:21,770

Giants and I can make a reference I'll

148

00:09:25,389 --> 00:09:23,600

come back to that in a second how that's

149

00:09:27,820 --> 00:09:25,399

a similar story and all the other

150

00:09:31,240 --> 00:09:27,830

mythologies around the world they

151

00:09:34,630 --> 00:09:31,250

partnered to totally influence the ant

152

00:09:38,790 --> 00:09:34,640

alluvion age and they took it to a very

153

00:09:43,650 --> 00:09:38,800

high level of Technology and knowledge

154

00:09:48,010 --> 00:09:43,660

but these giants they did not remain as

155

00:09:51,430 --> 00:09:48,020

judicial or kind or benevolent kings

156

00:09:54,510 --> 00:09:51,440

they did usurp the king chips but they

157

00:09:57,370 --> 00:09:54,520

turned the world into this very violent

158

00:09:58,780 --> 00:09:57,380

place and they rebelled in the Bible

159

00:10:04,150 --> 00:09:58,790

against God and other mythologies

160

00:10:07,000 --> 00:10:04,160

against the gods and that rebellion in

161

00:10:08,620 --> 00:10:07,010

the violence that continued caused the

162

00:10:11,889 --> 00:10:08,630

flood so the gods and the mythologies

163

00:10:14,680 --> 00:10:11,899

around the world got together and caused

164

00:10:18,579 --> 00:10:14,690

the flood and this is a mythology that

165

00:10:21,460 --> 00:10:18,589

is constant on every continent it is

166

00:10:24,400 --> 00:10:21,470

constant in every culture that there was

167

00:10:27,400 --> 00:10:24,410

a flood story and the Giants were

168

00:10:30,900 --> 00:10:27,410

directly connected to the flood story

169

00:10:33,970 --> 00:10:30,910

now coming back to how the Fallen Angels

170

00:10:36,430 --> 00:10:33,980

created the Giants they calculated with

171

00:10:39,240 --> 00:10:36,440

the daughters of men in Genesis 6 and

172

00:10:42,370 --> 00:10:39,250

they created demigods and these initial

173

00:10:44,980 --> 00:10:42,380

Giants were actually immortal although

174

00:10:48,819 --> 00:10:44,990

again in Genesis 6 life was retracted

175

00:10:51,880 --> 00:10:48,829

back to 120 years so the descendants

176

00:10:55,079 --> 00:10:51,890

there didn't live as long and then over

177

00:10:57,490 --> 00:10:55,089

time as the bloodlines diluted they

178

00:10:58,480 --> 00:10:57,500

became more like the lifespans of

179

00:11:00,400 --> 00:10:58,490

humankind

180

00:11:03,790 --> 00:11:00,410

if you go over to different mythology's

181

00:11:07,720 --> 00:11:03,800

let's say the Greek mythology mythology

182

00:11:13,090 --> 00:11:07,730

for example the gods of Mount Olympus

183

00:11:15,579 --> 00:11:13,100

they copulated with females of the human

184

00:11:18,610 --> 00:11:15,589

race as well so the most common one from

185

00:11:21,280 --> 00:11:18,620

Greek mythology is Atlantis and so

186

00:11:23,590 --> 00:11:21,290

Poseidon in this case fathered with

187

00:11:25,180 --> 00:11:23,600

climene and a few other names and

188

00:11:27,460 --> 00:11:25,190

different mythologies because there's

189

00:11:31,480 --> 00:11:27,470

several Greek mythology's when it comes

190

00:11:35,010 --> 00:11:31,490

to Atlantis father 10 giant twins that

191

00:11:37,930 --> 00:11:35,020

were the ten kings of the antique

192

00:11:39,550 --> 00:11:37,940

Atlantis Empire so you can see there's a

193

00:11:42,370 --> 00:11:39,560

similar story and if you get into the

194

00:11:46,660 --> 00:11:42,380

Sumerian mythology with the Anunnaki

195

00:11:50,079 --> 00:11:46,670

again gods copulated with female humans

196

00:11:52,269 --> 00:11:50,089

and created Giants and if you go around

197

00:11:54,070 --> 00:11:52,279

the world whether it's in India it's the

198

00:11:55,840 --> 00:11:54,080

same thing if it's in China it's in the

199

00:11:58,240 --> 00:11:55,850

same thing if you get into the Mayan

200

00:12:01,420 --> 00:11:58,250

culture it's the same thing so the

201
00:12:05,610 --> 00:12:01,430
difference is is the monotheistic belief

202
00:12:08,079 --> 00:12:05,620
from the Bible is about fallen angels

203
00:12:10,840 --> 00:12:08,089
but they're called gods and other

204
00:12:13,540 --> 00:12:10,850
religions but in this exact thing that's

205
00:12:16,960 --> 00:12:13,550
exactly what we're seeing in and they

206
00:12:20,829 --> 00:12:16,970
should pass is these these Greek Titans

207
00:12:24,910 --> 00:12:20,839
that that come up and even the Romans

208
00:12:29,530 --> 00:12:24,920
worshipped these demigods and we we know

209
00:12:33,280 --> 00:12:29,540
that this goes all the way back way back

210
00:12:35,440 --> 00:12:33,290
before even the New Testament was

211
00:12:38,139 --> 00:12:35,450
written this was this was known

212
00:12:40,660 --> 00:12:38,149
throughout the you know throughout the

213
00:12:44,800 --> 00:12:40,670

ancient world that that these things and

214

00:12:47,430 --> 00:12:44,810

you're saying Gary that as a result of

215

00:12:51,069 --> 00:12:47,440

the Fallen Angels

216

00:12:54,190 --> 00:12:51,079

having intercourse with human women the

217

00:12:56,050 --> 00:12:54,200

results became Nephilim Giants yes and

218

00:12:57,519 --> 00:12:56,060

these Giants are now scattered

219

00:13:02,050 --> 00:12:57,529

throughout the world let me ask you this

220

00:13:04,930 --> 00:13:02,060

because we see we know about that the

221

00:13:08,800 --> 00:13:04,940

just the story of Genesis 6 about the

222

00:13:11,860 --> 00:13:08,810

Giants right and these guys were you

223

00:13:14,710 --> 00:13:11,870

know they lit lived

224

00:13:17,320 --> 00:13:14,720

you know before the flood what about the

225

00:13:19,030 --> 00:13:17,330

Giants that came back after after the

226

00:13:22,660 --> 00:13:19,040

flood we see these guys popping up again

227

00:13:25,540 --> 00:13:22,670

how do you explain that they came back

228

00:13:27,970 --> 00:13:25,550

after they were wiped out initially yeah

229

00:13:31,390 --> 00:13:27,980

let me answer that I want to just come

230

00:13:34,060 --> 00:13:31,400

back to one thing is that when we see

231

00:13:36,579 --> 00:13:34,070

Super Heroes today whether or not it's

232

00:13:42,360 --> 00:13:36,589

Batman or it's Superman

233

00:13:45,220 --> 00:13:42,370

or the whole host of superheroes in

234

00:13:48,240 --> 00:13:45,230

entertainment today that is a reflection

235

00:13:49,480 --> 00:13:48,250

that is a memory of these ancient

236

00:13:53,140 --> 00:13:49,490

demigods

237

00:13:55,420 --> 00:13:53,150

and if you look at the word hero as in

238

00:13:58,120 --> 00:13:55,430

superhero at the end and you look up at

239

00:14:02,079 --> 00:13:58,130

the definition of the word hero and you

240

00:14:04,900 --> 00:14:02,089

take the ancient application in meaning

241

00:14:08,800 --> 00:14:04,910

for that name it was a superhuman or

242

00:14:10,420 --> 00:14:08,810

demigod and so what we're seeing in

243

00:14:12,490 --> 00:14:10,430

entertainment and we see it all through

244

00:14:15,730 --> 00:14:12,500

throughout entertainment whether it's

245

00:14:18,579 --> 00:14:15,740

what the fairy culture or the Dragons or

246

00:14:21,550 --> 00:14:18,589

the snakes and vampires these are all

247

00:14:27,730 --> 00:14:21,560

memories of this forgotten age before

248

00:14:30,250 --> 00:14:27,740

the flood so when we talk about immortal

249

00:14:32,490 --> 00:14:30,260

and then demigods where they live for

250

00:14:36,930 --> 00:14:32,500

long periods of time they had a

251
00:14:43,210 --> 00:14:36,940
significant you know legal Genesis say

252
00:14:45,400 --> 00:14:43,220
yeah there are is the possibility how

253
00:14:47,280 --> 00:14:45,410
Bob ups that and then I'll come and I'll

254
00:14:50,230 --> 00:14:47,290
talk about what some of the other

255
00:14:54,280 --> 00:14:50,240
cultures talk about how they cross the

256
00:14:56,199 --> 00:14:54,290
flow so in Genesis 6 that says that the

257
00:15:00,340 --> 00:14:56,209
Nephilim were both before and after the

258
00:15:02,949 --> 00:15:00,350
flood fortunately it doesn't say how

259
00:15:05,290 --> 00:15:02,959
that is because most Christians and most

260
00:15:07,510 --> 00:15:05,300
people understand from Christian belief

261
00:15:11,590 --> 00:15:07,520
that everybody who was wiped out during

262
00:15:15,120 --> 00:15:11,600
the flood so that means if they were all

263
00:15:19,269 --> 00:15:15,130

wiped out how did they survive the flood

264

00:15:22,060 --> 00:15:19,279

well either some did which matches up

265

00:15:23,770 --> 00:15:22,070

quite well with other mythologies and I

266

00:15:25,630 --> 00:15:23,780

can come back to that how that matches

267

00:15:28,300 --> 00:15:25,640

up biblically as well

268

00:15:33,069 --> 00:15:28,310

or you're saying the other these guys

269

00:15:34,720 --> 00:15:33,079

may have survived the flood or they were

270

00:15:39,610 --> 00:15:34,730

wiped out but if they survived how do

271

00:15:42,069 --> 00:15:39,620

they survive yeah and so that's when you

272

00:15:46,199 --> 00:15:42,079

take into the accounts of the other

273

00:15:49,240 --> 00:15:46,209

mythology's to help answer that and so

274

00:15:52,449 --> 00:15:49,250

if they if they didn't survive then they

275

00:15:54,519 --> 00:15:52,459

had to be recreated by dark angels but

276

00:15:56,230 --> 00:15:54,529

the first dark angels were put into the

277

00:15:59,170 --> 00:15:56,240

abyss and they were locked away for

278

00:16:01,480 --> 00:15:59,180

their crimes against creation so either

279

00:16:02,889 --> 00:16:01,490

the Fallen Angels that had rebelled who

280

00:16:04,900 --> 00:16:02,899

weren't impassioned and there was a

281

00:16:08,319 --> 00:16:04,910

limited number of seraphim angels that

282

00:16:10,990 --> 00:16:08,329

did it then the ones that were still

283

00:16:13,269 --> 00:16:11,000

around decided that weren't in the abyss

284

00:16:16,690 --> 00:16:13,279

that had not copulated with them and

285

00:16:18,490 --> 00:16:16,700

women more of them did it or they

286

00:16:21,579 --> 00:16:18,500

somehow survived the flood and if you

287

00:16:24,940 --> 00:16:21,589

get into other mythologies you have like

288

00:16:28,930 --> 00:16:24,950

the epic of gilgamesh you have de Coulee

289

00:16:31,480 --> 00:16:28,940

on and Pyrrha in the Greek mythology you

290

00:16:34,050 --> 00:16:31,490

have mythologies around the world

291

00:16:37,240 --> 00:16:34,060

whether they survived on an ark on a log

292

00:16:41,439 --> 00:16:37,250

went to the mountaintop but there is

293

00:16:44,829 --> 00:16:41,449

recorded in all cultures survival of the

294

00:16:47,470 --> 00:16:44,839

Giants and so if you look also in the

295

00:16:50,730 --> 00:16:47,480

Greek mythology when there was the

296

00:16:54,610 --> 00:16:50,740

rebellion against the gods once the

297

00:16:57,550 --> 00:16:54,620

Titans were defeated they were locked in

298

00:17:00,430 --> 00:16:57,560

a place called Tartarus and Tartarus is

299

00:17:02,470 --> 00:17:00,440

known in mythology as the Otherworld

300

00:17:05,140 --> 00:17:02,480

netherworld some people call it the bist

301
00:17:08,409 --> 00:17:05,150
some people say underground but there's

302
00:17:11,169 --> 00:17:08,419
a place where they were locked away and

303
00:17:13,539 --> 00:17:11,179
it's not yeah either in this dimension

304
00:17:16,120 --> 00:17:13,549
or would have been safe from the flood

305
00:17:18,549 --> 00:17:16,130
and so I'll actually get to the point

306
00:17:22,299 --> 00:17:18,559
where I'll bring back Tartarus as one of

307
00:17:24,340 --> 00:17:22,309
the possibilities for the Giants

308
00:17:27,909 --> 00:17:24,350
surviving the flood but again if you

309
00:17:33,340 --> 00:17:27,919
look at Epic of Gilgamesh this is not a

310
00:17:37,480 --> 00:17:33,350
Noah account if you look at who the main

311
00:17:39,720 --> 00:17:37,490
characters are you have Gilgamesh who is

312
00:17:43,320 --> 00:17:39,730
telling the story to Anika

313
00:17:46,060 --> 00:17:43,330

Gilgamesh is a demigod and a giant

314

00:17:48,730 --> 00:17:46,070

what's interesting about Gilgamesh as

315

00:17:51,990 --> 00:17:48,740

well is he is a survivor of the flood

316

00:17:55,630 --> 00:17:52,000

and if you get into the books of Enoch

317

00:17:57,610 --> 00:17:55,640

Enoch actually mentions Gilgamesh as a

318

00:18:01,390 --> 00:17:57,620

giant who was forewarned of the flood

319

00:18:03,940 --> 00:18:01,400

and Gilgamesh was told that there was no

320

00:18:07,330 --> 00:18:03,950

way to survive the flood and a Cadman

321

00:18:12,670 --> 00:18:07,340

was created after the flood as a

322

00:18:15,190 --> 00:18:12,680

counterbalance to Gilgamesh in the

323

00:18:17,470 --> 00:18:15,200

Gilgamesh epic here but they became very

324

00:18:19,570 --> 00:18:17,480

very good friends but again he was

325

00:18:20,980 --> 00:18:19,580

created in the same manner so in the

326

00:18:23,650 --> 00:18:20,990

same manner is the Nephilim in the

327

00:18:26,260 --> 00:18:23,660

Anunnaki and he was at iñaki and he was

328

00:18:32,080 --> 00:18:26,270

also a demigod and a fierce warrior as

329

00:18:33,670 --> 00:18:32,090

well and so now when we get back to the

330

00:18:35,950 --> 00:18:33,680

people that actually survived on the

331

00:18:38,550 --> 00:18:35,960

flood and we take it that Gilgamesh was

332

00:18:42,460 --> 00:18:38,560

also on the flood on on the ark in the

333

00:18:47,380 --> 00:18:42,470

Sumerian version then whether or not

334

00:18:49,060 --> 00:18:47,390

we're talking about the king that was on

335

00:18:50,530 --> 00:18:49,070

there I'm struggling for the name off

336

00:18:54,030 --> 00:18:50,540

the top of my head but there's two names

337

00:18:59,920 --> 00:18:54,040

one assume Mara and one is a cat

338

00:19:01,840 --> 00:18:59,930

Akkadian and he was what was known and

339

00:19:04,330 --> 00:19:01,850

it's right in the preamble again with an

340

00:19:08,770 --> 00:19:04,340

academy and with Gilgamesh was an

341

00:19:11,560 --> 00:19:08,780

archetypical Anunnaki and he was a

342

00:19:13,990 --> 00:19:11,570

warrior and he was everything Noah was

343

00:19:17,230 --> 00:19:14,000

not so what I'm getting at with this is

344

00:19:20,680 --> 00:19:17,240

is this is a description of a parallel

345

00:19:23,530 --> 00:19:20,690

account on an arc of how the giant

346

00:19:26,830 --> 00:19:23,540

survived the flood yeah gary is this is

347

00:19:30,010 --> 00:19:26,840

this account older the babylonian

348

00:19:32,590 --> 00:19:30,020

account is that an older version of the

349

00:19:36,640 --> 00:19:32,600

of the biblical account or is it a

350

00:19:41,050 --> 00:19:36,650

version after the biblical account well

351
00:19:43,480 --> 00:19:41,060
from an archaeological the Gilgamesh

352
00:19:46,810 --> 00:19:43,490
account is the oldest surviving account

353
00:19:49,090 --> 00:19:46,820
that's out there now does that mean the

354
00:19:52,570 --> 00:19:49,100
Bible was based on the Bible account was

355
00:19:53,350 --> 00:19:52,580
based on the Gilgamesh account possibly

356
00:19:56,140 --> 00:19:53,360
or

357
00:19:58,000 --> 00:19:56,150
the Gilgamesh account is just the oldest

358
00:19:59,920 --> 00:19:58,010
surviving account and the oral

359
00:20:03,010 --> 00:19:59,930
traditions or accounts that may have

360
00:20:05,620 --> 00:20:03,020
been written down about the the Noah

361
00:20:08,200 --> 00:20:05,630
flood story just haven't been found yet

362
00:20:10,810 --> 00:20:08,210
it's yeah it's my perspective that

363
00:20:13,000 --> 00:20:10,820

they're two separate accounts because on

364

00:20:15,760 --> 00:20:13,010

the macro level they're similar but when

365

00:20:17,770 --> 00:20:15,770

you get into the details of the two two

366

00:20:20,080 --> 00:20:17,780

stories they're talking about the same

367

00:20:24,220 --> 00:20:20,090

event but talking about two different

368

00:20:28,090 --> 00:20:24,230

racers and you know we see this at least

369

00:20:31,090 --> 00:20:28,100

five hundred ubiquitous flood legends

370

00:20:33,790 --> 00:20:31,100

around the world and they that the

371

00:20:35,500 --> 00:20:33,800

central theme is all the same they all

372

00:20:38,860 --> 00:20:35,510

have their own Noah they all have their

373

00:20:43,090 --> 00:20:38,870

own you know boat they all have a family

374

00:20:45,390 --> 00:20:43,100

that survives you know on on an ark but

375

00:20:48,070 --> 00:20:45,400

but the story the details are different

376

00:20:51,850 --> 00:20:48,080

which is which is pretty interesting but

377

00:20:55,120 --> 00:20:51,860

we see this it when I went to Peru they

378

00:20:58,720 --> 00:20:55,130

they had this this flood legend from the

379

00:21:01,780 --> 00:20:58,730

Incas that even they believed that the

380

00:21:03,520 --> 00:21:01,790

world was flooded by water and they had

381

00:21:06,730 --> 00:21:03,530

a stone I went to Machu Picchu

382

00:21:09,070 --> 00:21:06,740

they had a stone there and that stone

383

00:21:14,050 --> 00:21:09,080

was said to have tied the earth to the

384

00:21:15,640 --> 00:21:14,060

Sun so it would stabilize the earth so

385

00:21:17,890 --> 00:21:15,650

it would never be flooded again that's

386

00:21:19,540 --> 00:21:17,900

the flood story that's it's it's very

387

00:21:21,880 --> 00:21:19,550

interesting so you believe there was a

388

00:21:26,620 --> 00:21:21,890

second occurs on which which could have

389

00:21:29,140 --> 00:21:26,630

brought these giants back and or are

390

00:21:35,760 --> 00:21:29,150

they survived or they survived and

391

00:21:38,650 --> 00:21:35,770

that's really I think a very plausible

392

00:21:43,000 --> 00:21:38,660

theory when you go back and look and see

393

00:21:45,480 --> 00:21:43,010

these you know archaeological evidence

394

00:21:47,890 --> 00:21:45,490

some of it is circumstantial but other

395

00:21:50,290 --> 00:21:47,900

evidence that we know of like the name

396

00:21:53,770 --> 00:21:50,300

of Goliath being found on pottery shards

397

00:21:56,410 --> 00:21:53,780

I have a copy of one of those pieces of

398

00:22:01,450 --> 00:21:56,420

pottery with the name Goliath written in

399

00:22:03,780 --> 00:22:01,460

paleo Hebrew in my office so it's quite

400

00:22:06,940 --> 00:22:03,790

interesting that archaeological

401
00:22:07,660 --> 00:22:06,950
archaeology is confirming now some of

402
00:22:14,560 --> 00:22:07,670
the

403
00:22:18,430 --> 00:22:14,570
absolutely and I will connect in my book

404
00:22:21,160 --> 00:22:18,440
that Goliath was Raphael and ref am is

405
00:22:24,070 --> 00:22:21,170
one of the names of the Aboriginal

406
00:22:26,500 --> 00:22:24,080
Giants that come out of nowhere in the

407
00:22:27,040 --> 00:22:26,510
Bible that do not belong to the table of

408
00:22:29,860 --> 00:22:27,050
Nations

409
00:22:32,260 --> 00:22:29,870
there are many nations that are listed

410
00:22:36,880 --> 00:22:32,270
in the Old Testament after the flood

411
00:22:40,090 --> 00:22:36,890
that have no history other than their

412
00:22:42,790 --> 00:22:40,100
just inserted names inserted and there

413
00:22:45,160 --> 00:22:42,800

are so many nations and so many names

414

00:22:47,200 --> 00:22:45,170

that don't go into the table of nations

415

00:22:49,450 --> 00:22:47,210

that don't come from Noah for the people

416

00:22:51,820 --> 00:22:49,460

who aren't familiar with the table

417

00:22:54,430 --> 00:22:51,830

nations that's recorded in Genesis and

418

00:22:56,170 --> 00:22:54,440

first chronicles that these names come

419

00:22:58,990 --> 00:22:56,180

out of nowhere and even with the

420

00:23:02,950 --> 00:22:59,000

descendants of Esau when he marries into

421

00:23:04,450 --> 00:23:02,960

and moves into Syria moves he moves in

422

00:23:07,150 --> 00:23:04,460

with the people from seer and these

423

00:23:10,390 --> 00:23:07,160

lords of Edom the people of Syria and

424

00:23:12,690 --> 00:23:10,400

the [h__\h] writes they have no record in

425

00:23:14,980 --> 00:23:12,700

the Bible so where did they come from

426
00:23:17,890 --> 00:23:14,990
exactly Gary we're gonna stop here and

427
00:23:20,470 --> 00:23:17,900
go to break we got off to a late start

428
00:23:22,680 --> 00:23:20,480
but we are back live on air tonight on

429
00:23:25,150 --> 00:23:22,690
epic voyages radio with Gary Wayne so

430
00:23:27,520 --> 00:23:25,160
we're gonna break here don't go anywhere

431
00:23:29,770 --> 00:23:27,530
we'll be back and we are back here on

432
00:23:32,320 --> 00:23:29,780
epic voyages radio I am maverick your

433
00:23:34,570 --> 00:23:32,330
host for tonight we are live coming to

434
00:23:36,610 --> 00:23:34,580
you from the Texas Hill Country in the

435
00:23:39,220 --> 00:23:36,620
valley of the Giants our special guest

436
00:23:41,830 --> 00:23:39,230
tonight is Gary Wayne author of the

437
00:23:44,290 --> 00:23:41,840
Genesis 6 conspiracy how secret

438
00:23:47,650 --> 00:23:44,300

societies and the descendants of Giants

439

00:23:50,020 --> 00:23:47,660

plan to enslave mankind thanks for

440

00:23:53,920 --> 00:23:50,030

tuning in tonight remember you can

441

00:23:57,100 --> 00:23:53,930

always go to our website at epic

442

00:23:59,740 --> 00:23:57,110

voyageurs dot-com to check out the show

443

00:24:02,470 --> 00:23:59,750

we have lots of interviews from the past

444

00:24:05,770 --> 00:24:02,480

you can log in to the YouTube channel

445

00:24:08,590 --> 00:24:05,780

anytime 24/7 as a matter of fact and

446

00:24:09,250 --> 00:24:08,600

listen to any interview we've ever done

447

00:24:11,080 --> 00:24:09,260

in the past

448

00:24:13,810 --> 00:24:11,090

download free shows and the archives

449

00:24:16,240 --> 00:24:13,820

it's free to be a member so no

450

00:24:18,850 --> 00:24:16,250

obligation for you that is epic

451
00:24:19,810 --> 00:24:18,860
voyageurs com make sure you go to our

452
00:24:21,400 --> 00:24:19,820
YouTube channel

453
00:24:24,670 --> 00:24:21,410
epic voyagers

454
00:24:26,980 --> 00:24:24,680
book Instagram we have it all at Epic

455
00:24:35,380 --> 00:24:26,990
voyageurs so make sure you go check that

456
00:24:36,610 --> 00:24:35,390
out also we have a very and we have an

457
00:24:40,870 --> 00:24:36,620
announcement

458
00:24:43,180 --> 00:24:40,880
very soon coming for finding Noah so if

459
00:24:46,510 --> 00:24:43,190
you are interested in that make sure you

460
00:24:50,200 --> 00:24:46,520
stay up-to-date finding Noah calm the

461
00:24:51,400 --> 00:24:50,210
release of the film the the special

462
00:24:54,760 --> 00:24:51,410
announcement will be coming out very

463
00:24:56,980 --> 00:24:54,770

soon but I can tell you this the release

464

00:25:00,400 --> 00:24:56,990

date will be month will be in October

465

00:25:05,380 --> 00:25:00,410

October 2015 finding Noah will be coming

466

00:25:08,590 --> 00:25:05,390

to a theater near you so because of the

467

00:25:11,380 --> 00:25:08,600

the delayed on there start tonight I

468

00:25:14,290 --> 00:25:11,390

wanted to mention that along with the

469

00:25:17,380 --> 00:25:14,300

epic voyagers website alright so getting

470

00:25:21,280 --> 00:25:17,390

back to Gary Wayne Gary before the break

471

00:25:23,740 --> 00:25:21,290

we were talking about your book and in

472

00:25:26,230 --> 00:25:23,750

the Nephilim Giants and and how you kept

473

00:25:28,390 --> 00:25:26,240

finding these in your research they were

474

00:25:31,930 --> 00:25:28,400

all over literature in the ancient

475

00:25:33,730 --> 00:25:31,940

literature throughout and especially in

476

00:25:34,300 --> 00:25:33,740

the babylonian account of the epic of

477

00:25:38,980 --> 00:25:34,310

gilgamesh

478

00:25:40,930 --> 00:25:38,990

what makes your book gary the Genesis

479

00:25:42,520 --> 00:25:40,940

six conspiracy what

480

00:25:44,740 --> 00:25:42,530

what makes that unique compared to the

481

00:25:48,220 --> 00:25:44,750

other books it's been written about on

482

00:25:53,340 --> 00:25:48,230

on the Genesis Giants well what makes my

483

00:25:55,900 --> 00:25:53,350

book unique is I come at it from a

484

00:25:58,630 --> 00:25:55,910

position where I weigh everything

485

00:26:02,740 --> 00:25:58,640

against what is written in the Bible and

486

00:26:04,390 --> 00:26:02,750

what I find is when we do that consensus

487

00:26:06,730 --> 00:26:04,400

comes through all of the various

488

00:26:08,740 --> 00:26:06,740

information that is coming in from

489

00:26:13,120 --> 00:26:08,750

around the world and so most people when

490

00:26:15,610 --> 00:26:13,130

they will write and about the the Giants

491

00:26:19,450 --> 00:26:15,620

they tend not to do it from a Christian

492

00:26:23,530 --> 00:26:19,460

perspective but secondly is as I bring

493

00:26:26,670 --> 00:26:23,540

in historians like Josephus or what many

494

00:26:32,100 --> 00:26:26,680

of the Greek historians had to say about

495

00:26:35,970 --> 00:26:32,110

the Giants of prehistory and modern

496

00:26:39,460 --> 00:26:35,980

historians as to what they say about the

497

00:26:42,700 --> 00:26:39,470

murky demigods that sort of continually

498

00:26:45,130 --> 00:26:42,710

bobble up to their surface in all of the

499

00:26:47,290 --> 00:26:45,140

different societies ancient societies

500

00:26:49,360 --> 00:26:47,300

around the world and then I also bring

501
00:26:52,600 --> 00:26:49,370
in the testimonies from the insiders

502
00:26:54,820 --> 00:26:52,610
from the secret societies who and in in

503
00:26:56,890 --> 00:26:54,830
case people didn't realize this that

504
00:27:00,430 --> 00:26:56,900
most people don't use is that the

505
00:27:03,550 --> 00:27:00,440
Freemason organization for example they

506
00:27:06,070 --> 00:27:03,560
have legends like you wouldn't believe

507
00:27:09,040 --> 00:27:06,080
that have been kept for thousands of

508
00:27:11,860 --> 00:27:09,050
years that they talk about both before

509
00:27:14,650 --> 00:27:11,870
and after the flood and how their

510
00:27:18,250 --> 00:27:14,660
ancient society came about and they

511
00:27:20,740 --> 00:27:18,260
again tell another parallel story and so

512
00:27:25,240 --> 00:27:20,750
as the whole story sort of works through

513
00:27:27,580 --> 00:27:25,250

not only do we talk about how the Giants

514

00:27:30,310 --> 00:27:27,590

survived the descendants of the Giants

515

00:27:33,460 --> 00:27:30,320

but I carry that through into how they

516

00:27:36,130 --> 00:27:33,470

usurp the king ships both before and

517

00:27:37,960 --> 00:27:36,140

after the flood how they partnered with

518

00:27:40,480 --> 00:27:37,970

the mystical religions and the secret

519

00:27:43,480 --> 00:27:40,490

societies that housed what is known as

520

00:27:45,580 --> 00:27:43,490

the seven sacred Sciences that took the

521

00:27:46,990 --> 00:27:45,590

end of alluvion world to such a high

522

00:27:49,810 --> 00:27:47,000

level of Technology

523

00:27:53,080 --> 00:27:49,820

how that also crossed the flood how that

524

00:27:55,360 --> 00:27:53,090

repart nerd with these giants and that

525

00:28:00,970 --> 00:27:55,370

they established the major kingships of

526

00:28:03,580 --> 00:28:00,980

the world with bloodlines that are still

527

00:28:08,370 --> 00:28:03,590

in effect today and so as I follow that

528

00:28:11,200 --> 00:28:08,380

I follow the impact that these

529

00:28:15,040 --> 00:28:11,210

descendants had on history and bring

530

00:28:18,040 --> 00:28:15,050

that into the present time and how the

531

00:28:22,210 --> 00:28:18,050

descendants of Giants working still with

532

00:28:24,220 --> 00:28:22,220

mysticism and secret societies how

533

00:28:26,260 --> 00:28:24,230

they're applauding world government and

534

00:28:28,750 --> 00:28:26,270

then I move that forward into the future

535

00:28:31,090 --> 00:28:28,760

to match that up with endtime prophecy

536

00:28:34,270 --> 00:28:31,100

what all of these various factions have

537

00:28:36,610 --> 00:28:34,280

to say other religious prophecies on how

538

00:28:39,160 --> 00:28:36,620

they are going to bring about the end

539

00:28:42,550 --> 00:28:39,170

time with a world government Universal

540

00:28:44,770 --> 00:28:42,560

religion and the government that is in

541

00:28:46,750 --> 00:28:44,780

leaders that are dominated by the

542

00:28:48,520 --> 00:28:46,760

descendants by the bloodlines of the

543

00:28:49,290 --> 00:28:48,530

Giants and how they're connected to the

544

00:28:51,060 --> 00:28:49,300

ant

545

00:28:53,100 --> 00:28:51,070

okay Gary let's let's stop right there

546

00:28:55,040 --> 00:28:53,110

and go back because you said something I

547

00:28:58,560 --> 00:28:55,050

think we need to touch on and that is

548

00:29:01,250 --> 00:28:58,570

the seven sacred Sciences that you just

549

00:29:04,320 --> 00:29:01,260

refer to what is so important about

550

00:29:06,810 --> 00:29:04,330

about the seven sacred Sciences and what

551
00:29:09,810 --> 00:29:06,820
what is that exactly so the seven sacred

552
00:29:13,560 --> 00:29:09,820
science is obviously broken into seven

553
00:29:16,290 --> 00:29:13,570
Sciences in even though they have some

554
00:29:20,930 --> 00:29:16,300
fairly mundane names like arithmetic or

555
00:29:23,790 --> 00:29:20,940
music or geometry which is also called

556
00:29:26,400 --> 00:29:23,800
masonry which is the fifth science it's

557
00:29:29,610 --> 00:29:26,410
the level of this information that was

558
00:29:35,250 --> 00:29:29,620
developed in the ancient world and this

559
00:29:36,870 --> 00:29:35,260
information was given to humankind as a

560
00:29:39,870 --> 00:29:36,880
gift from the gods

561
00:29:43,290 --> 00:29:39,880
at least from the Freemasonry

562
00:29:45,450 --> 00:29:43,300
perspective from the Christian

563
00:29:48,150 --> 00:29:45,460

perspective it would be you know from

564

00:29:51,870 --> 00:29:48,160

the Fallen Angels and they also received

565

00:29:54,950 --> 00:29:51,880

other illicit knowledge from heaven that

566

00:29:57,810 --> 00:29:54,960

was forbidden and so it was the

567

00:30:00,240 --> 00:29:57,820

development of this knowledge that was

568

00:30:02,850 --> 00:30:00,250

allowed to bring technologies that you

569

00:30:05,580 --> 00:30:02,860

see in in the various mythologies the

570

00:30:07,830 --> 00:30:05,590

ability to to possibly even cross

571

00:30:10,320 --> 00:30:07,840

pollinate DNA and create all of these

572

00:30:13,890 --> 00:30:10,330

mythical creatures to build things like

573

00:30:17,790 --> 00:30:13,900

the pyramids for examples in to a level

574

00:30:20,010 --> 00:30:17,800

that we can only imagine but we can get

575

00:30:23,940 --> 00:30:20,020

a feel for it based on these different

576

00:30:26,130 --> 00:30:23,950

mythologies and free masonry records how

577

00:30:28,170 --> 00:30:26,140

they got this knowledge well I was going

578

00:30:31,920 --> 00:30:28,180

to ask you did are you saying that the

579

00:30:35,700 --> 00:30:31,930

free masonry knowledge came from the

580

00:30:40,440 --> 00:30:35,710

Giants no I'm not saying that I'm saying

581

00:30:43,740 --> 00:30:40,450

that this knowledge went to the second

582

00:30:45,810 --> 00:30:43,750

line of Adam which is the lineage of

583

00:30:49,260 --> 00:30:45,820

Cain as opposed to the lineage of Seth

584

00:30:51,270 --> 00:30:49,270

and even though the south Knights could

585

00:30:54,450 --> 00:30:51,280

because it was originally given in a

586

00:30:56,580 --> 00:30:54,460

pure sense in in Eden with Adam this

587

00:30:58,320 --> 00:30:56,590

knowledge was corrupted and then taken

588

00:31:00,210 --> 00:30:58,330

to a whole new level in partnership with

589

00:31:02,640 --> 00:31:00,220

the fallen angels in the sixth

590

00:31:05,370 --> 00:31:02,650

generation of the Enoch Line

591

00:31:07,740 --> 00:31:05,380

they're the people that produce the

592

00:31:11,700 --> 00:31:07,750

daughters of women to mate with fallen

593

00:31:15,420 --> 00:31:11,710

angels to add the Nephilim or add the

594

00:31:18,780 --> 00:31:15,430

new race into the mix and they partnered

595

00:31:21,150 --> 00:31:18,790

with this new race with the knowledge in

596

00:31:25,170 --> 00:31:21,160

with the mystical religions that they

597

00:31:27,720 --> 00:31:25,180

developed alongside of this knowledge

598

00:31:30,000 --> 00:31:27,730

because in mysticism it's all about

599

00:31:32,250 --> 00:31:30,010

secrets and secret knowledge and gnosis

600

00:31:34,770 --> 00:31:32,260

yeah to become gods and this is all

601
00:31:37,530 --> 00:31:34,780
related and they use this to enslave the

602
00:31:41,030 --> 00:31:37,540
ant eluvian world and so they took it

603
00:31:44,490 --> 00:31:41,040
from a Christian perspective from a

604
00:31:47,610 --> 00:31:44,500
monotheistic to a polytheistic religion

605
00:31:51,030 --> 00:31:47,620
that was completely contrary to what God

606
00:31:53,610 --> 00:31:51,040
had taught Adam in ascetics and he ended

607
00:31:55,790 --> 00:31:53,620
up dominating the South Nights and if

608
00:31:57,960 --> 00:31:55,800
you expand this to other civilizations

609
00:32:00,780 --> 00:31:57,970
and again they'll do the parallel

610
00:32:04,320 --> 00:32:00,790
accounts where this happened in all of

611
00:32:06,930 --> 00:32:04,330
the various civilizations now you're

612
00:32:09,390 --> 00:32:06,940
you're saying Gary that they partnered

613
00:32:11,910 --> 00:32:09,400

with them yes like there was like there

614

00:32:14,700 --> 00:32:11,920

was a like some kind of an agreement a

615

00:32:18,060 --> 00:32:14,710

partnership that they they work together

616

00:32:20,910 --> 00:32:18,070

to to do this have you interviewed any

617

00:32:23,130 --> 00:32:20,920

of the the Freemasons to to see what

618

00:32:25,140 --> 00:32:23,140

their take I know you reference to their

619

00:32:27,870 --> 00:32:25,150

writings but have you interviewed anyone

620

00:32:30,419 --> 00:32:27,880

in regarding your book about what they

621

00:32:35,190 --> 00:32:30,429

say that the origins of all that came

622

00:32:38,040 --> 00:32:35,200

from sure they don't go on the record

623

00:32:41,190 --> 00:32:38,050

for the most part and there are

624

00:32:45,360 --> 00:32:41,200

certainly a lot of writers out there

625

00:32:47,280 --> 00:32:45,370

that teach not only the Masons but

626
00:32:49,500 --> 00:32:47,290
they'll teach outside people about some

627
00:32:55,580 --> 00:32:49,510
of the history if you go into it but I

628
00:32:59,340 --> 00:32:55,590
did talk to a 33 degree illuminated

629
00:33:03,720 --> 00:32:59,350
adept and he was very much interested in

630
00:33:07,500 --> 00:33:03,730
research that I was doing and so he was

631
00:33:10,049 --> 00:33:07,510
quizzing me on what I knew and he said

632
00:33:10,820 --> 00:33:10,059
I'll tell you what he says I'm wearing a

633
00:33:13,980 --> 00:33:10,830
ring

634
00:33:15,730 --> 00:33:13,990
and if you can tell me what the symbol

635
00:33:19,000 --> 00:33:15,740
on that ring means

636
00:33:22,810 --> 00:33:19,010
you can ask me anything you want

637
00:33:24,670 --> 00:33:22,820
oh no kiddin so he's gonna make you he's

638
00:33:25,840 --> 00:33:24,680

gonna make you guess what this symbol is

639

00:33:28,270 --> 00:33:25,850

did you know what it was

640

00:33:32,290 --> 00:33:28,280

well I'll tell you what it was it was a

641

00:33:35,530 --> 00:33:32,300

ring in in you know you know a jewel in

642

00:33:38,590 --> 00:33:35,540

a ring and in it it hadn't carved sort

643

00:33:41,830 --> 00:33:38,600

of a line or a stick and two dots on

644

00:33:43,930 --> 00:33:41,840

either side so he said you know tell me

645

00:33:44,590 --> 00:33:43,940

what that means and you can ask some

646

00:33:48,250 --> 00:33:44,600

questions

647

00:33:50,500 --> 00:33:48,260

Wow okay well very cryptic well you have

648

00:33:53,830 --> 00:33:50,510

to know that Freemasonry is all about

649

00:33:55,780 --> 00:33:53,840

allegories and symbolisms and things

650

00:33:57,910 --> 00:33:55,790

like that so that's perfectly part of

651
00:34:00,580 --> 00:33:57,920
what they do so you know at first glance

652
00:34:03,400 --> 00:34:00,590
I was thinking you know I I don't have a

653
00:34:05,110 --> 00:34:03,410
clue and this was an elderly gentleman

654
00:34:06,430 --> 00:34:05,120
and he was Scottish to nature and he

655
00:34:12,070 --> 00:34:06,440
said I take your time it was a long

656
00:34:14,080 --> 00:34:12,080
flight and and so I said okay I went

657
00:34:18,850 --> 00:34:14,090
back I said I'm really not all that sure

658
00:34:22,060 --> 00:34:18,860
but I said I think that's a stick or it

659
00:34:24,130 --> 00:34:22,070
might be a king and I said those two

660
00:34:28,000 --> 00:34:24,140
dots that could be circles that could be

661
00:34:32,980 --> 00:34:28,010
dots or they could be two balls and I

662
00:34:35,260 --> 00:34:32,990
said could it be two ball King he said

663
00:34:37,540 --> 00:34:35,270

you were absolutely correct no kiddin

664

00:34:40,000 --> 00:34:37,550

you get it right what what what is the

665

00:34:44,440 --> 00:34:40,010

two ball King well two ball King

666

00:34:47,260 --> 00:34:44,450

Oh tubal-cain from yes from the King the

667

00:34:51,160 --> 00:34:47,270

lineage who is one of the patriarchs in

668

00:34:53,410 --> 00:34:51,170

our Freemasonry he was a artificer of

669

00:34:56,530 --> 00:34:53,420

the highest level in terms of dealing in

670

00:34:58,600 --> 00:34:56,540

metals right yeah and when I said it

671

00:35:00,790 --> 00:34:58,610

then it did it rained you probably saw

672

00:35:03,510 --> 00:35:00,800

the light come on on the radio but it

673

00:35:06,570 --> 00:35:03,520

finally I connected the dots tubal-cain

674

00:35:09,340 --> 00:35:06,580

interesting right and and so he answered

675

00:35:11,190 --> 00:35:09,350

some easy questions in the beginning and

676

00:35:13,750 --> 00:35:11,200

confirming that it is their belief that

677

00:35:16,750 --> 00:35:13,760

all this information went back and as

678

00:35:19,090 --> 00:35:16,760

they got deeper and deeper into it he he

679

00:35:22,380 --> 00:35:19,100

quickly shut me down he said no you are

680

00:35:23,620 --> 00:35:22,390

asking questions were just not gonna oh

681

00:35:25,810 --> 00:35:23,630

so you

682

00:35:27,700 --> 00:35:25,820

he asked you this cryptic riddle you

683

00:35:28,850 --> 00:35:27,710

know the million dollar question you

684

00:35:33,050 --> 00:35:28,860

don't know what it is but you

685

00:35:35,810 --> 00:35:33,060

nail it which I love well I didn't get

686

00:35:37,610 --> 00:35:35,820

the right asking questions and then he's

687

00:35:40,220 --> 00:35:37,620

like oh no now you're asking too much

688

00:35:41,750 --> 00:35:40,230

yeah I don't think he expected me to get

689

00:35:45,340 --> 00:35:41,760

it right and you also have to remember

690

00:35:48,610 --> 00:35:45,350

that at the adept level in Freemasonry

691

00:35:51,380 --> 00:35:48,620

when you start asking the very very

692

00:35:54,590 --> 00:35:51,390

important questions they're sworn to

693

00:35:56,210 --> 00:35:54,600

secrecy on an oath of death now whether

694

00:35:59,240 --> 00:35:56,220

or not they still actually carry that

695

00:36:01,490 --> 00:35:59,250

out or not that is speculative that is

696

00:36:04,820 --> 00:36:01,500

the oath so he thinks you're just some

697

00:36:08,300 --> 00:36:04,830

guy that's just gonna ask you know why

698

00:36:11,030 --> 00:36:08,310

is the sky blue yeah and you'd you just

699

00:36:13,220 --> 00:36:11,040

threw this home Ryan you know question

700

00:36:15,320 --> 00:36:13,230

after question you get up the plate you

701
00:36:15,680 --> 00:36:15,330
knock a home run I mean it's a grand

702
00:36:26,390 --> 00:36:15,690
slam

703
00:36:29,030 --> 00:36:26,400
and he goes game over yeah he said

704
00:36:30,620 --> 00:36:29,040
continued your work because you know

705
00:36:32,780 --> 00:36:30,630
from what it sounds like you're doing

706
00:36:34,970 --> 00:36:32,790
you're onto stuff and you're you're

707
00:36:36,770 --> 00:36:34,980
researching in the right areas but no

708
00:36:39,200 --> 00:36:36,780
there was gonna be no more information

709
00:36:41,870 --> 00:36:39,210
from from their depth forthcoming but

710
00:36:44,780 --> 00:36:41,880
you know the the book the legends of the

711
00:36:47,300 --> 00:36:44,790
craft was written by Albert Mackey and

712
00:36:52,160 --> 00:36:47,310
in the 1800's to coalesce all of these

713
00:36:55,430 --> 00:36:52,170

legends and it's it's still used today

714

00:36:59,660 --> 00:36:55,440

and so I will use insiders like this or

715

00:37:03,170 --> 00:36:59,670

I also referenced a an author a prolific

716

00:37:05,120 --> 00:37:03,180

author out there who has titles like are

717

00:37:07,730 --> 00:37:05,130

unbelievable titles that are all

718

00:37:10,400 --> 00:37:07,740

absolutely relative to my book and his

719

00:37:12,680 --> 00:37:10,410

name is Lawrence Garth Gardner and again

720

00:37:15,650 --> 00:37:12,690

he he is also a freemason and he's wrote

721

00:37:18,860 --> 00:37:15,660

several books and he is a self acclaimed

722

00:37:23,240 --> 00:37:18,870

genealogist of the House of Stuart and

723

00:37:27,680 --> 00:37:23,250

Royal bloodlines and so I use a lot of

724

00:37:29,750 --> 00:37:27,690

information from insiders lomas and

725

00:37:30,890 --> 00:37:29,760

night might be some another author that

726

00:37:35,090 --> 00:37:30,900

people known

727

00:37:37,880 --> 00:37:35,100

lomis is is a renowned freemason

728

00:37:41,060 --> 00:37:37,890

historian expert several books of

729

00:37:42,440 --> 00:37:41,070

lectures I also have some seditious

730

00:37:45,200 --> 00:37:42,450

documents that Iraq

731

00:37:47,870 --> 00:37:45,210

and so on and so I but what I do is I

732

00:37:50,599 --> 00:37:47,880

let the secret societies speak for

733

00:37:52,460 --> 00:37:50,609

themselves I don't make anything up I

734

00:37:54,770 --> 00:37:52,470

only put in the book what they actually

735

00:37:56,480 --> 00:37:54,780

say and it's very clear what it's what

736

00:37:59,359 --> 00:37:56,490

it's what they're saying what they've

737

00:38:01,910 --> 00:37:59,369

done what they continue to do and what

738

00:38:05,299 --> 00:38:01,920

they intend to do and again that matches

739

00:38:06,740 --> 00:38:05,309

up perfectly with prophecy okay Gary I

740

00:38:09,500 --> 00:38:06,750

got a question in the chat room from

741

00:38:12,289 --> 00:38:09,510

someone does Gary know if there is a

742

00:38:14,930 --> 00:38:12,299

genetic marker that might point to

743

00:38:17,390 --> 00:38:14,940

lineage from the Nephilim and the

744

00:38:20,569 --> 00:38:17,400

daughters of man who made it with them

745

00:38:22,789 --> 00:38:20,579

is there a genetic marker well I think

746

00:38:24,530 --> 00:38:22,799

you know I think the bloodlines have

747

00:38:26,450 --> 00:38:24,540

been so intermixed and change down the

748

00:38:29,420 --> 00:38:26,460

road that you know wouldn't be surprised

749

00:38:32,569 --> 00:38:29,430

that you know a lot of people have some

750

00:38:34,849 --> 00:38:32,579

sort of Nephilim DNA in them there's a

751

00:38:39,470 --> 00:38:34,859

lot of speculation out there today that

752

00:38:41,390 --> 00:38:39,480

the RH bloodline is is the marker yeah

753

00:38:43,730 --> 00:38:41,400

and this what I think that's what she's

754

00:38:45,890 --> 00:38:43,740

asking about too because that they seem

755

00:38:47,780 --> 00:38:45,900

to indicate that some at least some are

756

00:38:50,599 --> 00:38:47,790

saying that the Rh negative would be

757

00:38:52,490 --> 00:38:50,609

that genetic marker yeah there's nothing

758

00:38:55,870 --> 00:38:52,500

conclusive there that I found I think

759

00:38:59,329 --> 00:38:55,880

it's a very interesting theory I think

760

00:39:05,329 --> 00:38:59,339

within the Royal bloodlines you if you

761

00:39:07,819 --> 00:39:05,339

did an extensive study on DNA and and on

762

00:39:10,039 --> 00:39:07,829

blood research I think you would find

763

00:39:14,120 --> 00:39:10,049

those because if you are going to find

764

00:39:16,510 --> 00:39:14,130

the DNA the consistency or the marker

765

00:39:19,220 --> 00:39:16,520

it's going to be in the Royal bloodlines

766

00:39:21,470 --> 00:39:19,230

now you keep singing the saying the

767

00:39:23,390 --> 00:39:21,480

Royal bloodlines are you saying that

768

00:39:25,460 --> 00:39:23,400

there's a particular bloodline that's

769

00:39:28,099 --> 00:39:25,470

Nephilim that's traced back through a

770

00:39:32,089 --> 00:39:28,109

certain royal family that's still in

771

00:39:34,370 --> 00:39:32,099

existence today yes several several

772

00:39:39,069 --> 00:39:34,380

families and I'll cover all of that off

773

00:39:41,720 --> 00:39:39,079

in the book we can talk about it tonight

774

00:39:44,000 --> 00:39:41,730

well yeah can't without giving away the

775

00:39:47,539 --> 00:39:44,010

scoop I mean obviously but what can you

776

00:39:49,160 --> 00:39:47,549

touch on how did you what why do you

777

00:39:52,789 --> 00:39:49,170

think there's an ancient bloodline or a

778

00:39:56,030 --> 00:39:52,799

royal bloodline that that's that ties

779

00:39:59,270 --> 00:39:56,040

into this because

780

00:40:01,040 --> 00:39:59,280

if you look at any of the I'll start in

781

00:40:04,220 --> 00:40:01,050

a little bit of history here and I'll

782

00:40:06,620 --> 00:40:04,230

work towards some of the modern families

783

00:40:09,200 --> 00:40:06,630

and it won't take long so if you look at

784

00:40:13,490 --> 00:40:09,210

any of the Kings whether it was in Egypt

785

00:40:18,770 --> 00:40:13,500

or if it was in Babylon or if it was in

786

00:40:21,880 --> 00:40:18,780

tier or it was in Norway with the Norse

787

00:40:25,220 --> 00:40:21,890

or if it was anywhere around the world

788

00:40:30,800 --> 00:40:25,230

all of those ancient king chips they

789

00:40:33,290 --> 00:40:30,810

kept genealogies and they always said

790

00:40:35,510 --> 00:40:33,300

and believed and documented it back that

791

00:40:40,220 --> 00:40:35,520

they descended from the gods and so they

792

00:40:41,680 --> 00:40:40,230

were a choice in bloodline true over the

793

00:40:44,690 --> 00:40:41,690

mundane humans

794

00:40:49,310 --> 00:40:44,700

well these Royal bloodlines have

795

00:40:51,440 --> 00:40:49,320

survived in if you were to look at

796

00:40:56,000 --> 00:40:51,450

whether it's the House of Windsor today

797

00:40:58,820 --> 00:40:56,010

or the Hapsburgs or any of the Royal

798

00:41:02,420 --> 00:40:58,830

bloodlines that survived even as kings

799

00:41:07,300 --> 00:41:02,430

into the 20th century and even today

800

00:41:10,580 --> 00:41:07,310

whether it's the Stuart line they will

801
00:41:12,640 --> 00:41:10,590
they have the ability to produce their

802
00:41:16,520 --> 00:41:12,650
genealogies that go back into prehistory

803
00:41:18,260 --> 00:41:16,530
they believe they descended from those

804
00:41:21,440 --> 00:41:18,270
early kings and they have the

805
00:41:23,210 --> 00:41:21,450
genealogies to prove it and it will be

806
00:41:26,090 --> 00:41:23,220
one of the things that they will produce

807
00:41:27,830 --> 00:41:26,100
in the end time

808
00:41:31,790 --> 00:41:27,840
what do you mean that they would produce

809
00:41:35,000 --> 00:41:31,800
they they intend to produce their

810
00:41:40,240 --> 00:41:35,010
records to prove the pedigree of or the

811
00:41:43,880 --> 00:41:40,250
Antichrist will come from oh hey Wow

812
00:41:47,390 --> 00:41:43,890
okay that's interesting because that's

813
00:41:50,620 --> 00:41:47,400

how you're tying in your subtitle how

814

00:41:55,130 --> 00:41:50,630

secret societies and the descendents

815

00:41:56,750 --> 00:41:55,140

plan to slay enslave mankind mm-hmm and

816

00:42:00,080 --> 00:41:56,760

you're saying that they're gonna use

817

00:42:03,470 --> 00:42:00,090

this to to usher in this this whole end

818

00:42:05,900 --> 00:42:03,480

time scenario yes and so there are many

819

00:42:09,420 --> 00:42:05,910

many bloodlines that are out there some

820

00:42:11,850 --> 00:42:09,430

more in noble than others

821

00:42:14,220 --> 00:42:11,860

and there is a set number of families

822

00:42:18,840 --> 00:42:14,230

that have this very exclusive

823

00:42:21,600 --> 00:42:18,850

ennoble bloodlines who also without not

824

00:42:24,060 --> 00:42:21,610

without coincidence are the ones that

825

00:42:26,520 --> 00:42:24,070

control the secret societies to this day

826
00:42:27,810 --> 00:42:26,530
they're not necessarily the people that

827
00:42:32,760 --> 00:42:27,820
you would see out there that you think

828
00:42:34,680 --> 00:42:32,770
are the face of the modern conspiracy

829
00:42:37,860 --> 00:42:34,690
theories so I mean people look at the

830
00:42:39,870 --> 00:42:37,870
Rothschilds for example yes have they

831
00:42:41,700 --> 00:42:39,880
married into the bloodline absolutely

832
00:42:43,800 --> 00:42:41,710
but the Rothschilds came out of Germany

833
00:42:48,960 --> 00:42:43,810
in about the 1500s as the Bauer family

834
00:42:51,270 --> 00:42:48,970
and their blood wasn't a noble they have

835
00:42:54,210 --> 00:42:51,280
married in they just were raised up as

836
00:42:56,310 --> 00:42:54,220
the banking arm to these families to

837
00:42:58,200 --> 00:42:56,320
replace the Knights Templar and all

838
00:43:00,120 --> 00:42:58,210

document through my book all of these

839

00:43:03,090 --> 00:43:00,130

different organizations and how they're

840

00:43:05,010 --> 00:43:03,100

interrelated they're the true and Noble

841

00:43:07,890 --> 00:43:05,020

bloodlines the ones that they keep as

842

00:43:10,410 --> 00:43:07,900

pure as possible you don't see a whole

843

00:43:15,690 --> 00:43:10,420

bunch of them but they're there and I'll

844

00:43:18,090 --> 00:43:15,700

name 13 families that are connected to

845

00:43:19,590 --> 00:43:18,100

it from a European perspective there's a

846

00:43:22,260 --> 00:43:19,600

lot of research out there that there's

847

00:43:23,340 --> 00:43:22,270

another very important bloodline that

848

00:43:26,100 --> 00:43:23,350

comes out of China

849

00:43:28,560 --> 00:43:26,110

the red dragon bloodline as some people

850

00:43:32,280 --> 00:43:28,570

call it I haven't gone down that path I

851
00:43:35,190 --> 00:43:32,290
focused more on European pure bloodline

852
00:43:38,760 --> 00:43:35,200
that would go back through the

853
00:43:40,890 --> 00:43:38,770
plantation a of England and France that

854
00:43:43,050 --> 00:43:40,900
go would date back to the founders of

855
00:43:46,400 --> 00:43:43,060
the Knights Templar that go back to the

856
00:43:49,740 --> 00:43:46,410
Merovingians that go back through the

857
00:43:52,560 --> 00:43:49,750
the kings of Camelot that go back to

858
00:43:55,890 --> 00:43:52,570
Joseph of Arimathea that married into

859
00:43:58,020 --> 00:43:55,900
the Tuatha dé nan and you can see how

860
00:44:00,990 --> 00:43:58,030
far I'm going with us and from going

861
00:44:03,240 --> 00:44:01,000
forward I will connect how the Egypt's

862
00:44:05,460 --> 00:44:03,250
of Pharaoh are connected in their the

863
00:44:07,440 --> 00:44:05,470

Babylonian and iñaki kings and the king

864

00:44:10,110 --> 00:44:07,450

ships of Nimrod are all connected in

865

00:44:13,320 --> 00:44:10,120

there and all demonstrate that bloodline

866

00:44:17,060 --> 00:44:13,330

all the way through the book that is

867

00:44:20,280 --> 00:44:17,070

that is incredible and are they working

868

00:44:21,840 --> 00:44:20,290

number one do they they know that

869

00:44:23,310 --> 00:44:21,850

they're the bloodline and it's not like

870

00:44:26,400 --> 00:44:23,320

I said that they they don't

871

00:44:29,070 --> 00:44:26,410

they know yes they know and I think are

872

00:44:31,280 --> 00:44:29,080

they are they partnering with other

873

00:44:36,060 --> 00:44:31,290

families I mean is this one big giant

874

00:44:37,950 --> 00:44:36,070

what really yes what is your agenda do

875

00:44:39,260 --> 00:44:37,960

you think Gary what what's the endgame

876

00:44:42,390 --> 00:44:39,270

here for them

877

00:44:45,720 --> 00:44:42,400

well if it's all related to the original

878

00:44:50,630 --> 00:44:45,730

rebellion of the Fallen Angels and

879

00:44:54,660 --> 00:44:50,640

rebellion before the flood and so their

880

00:44:57,510 --> 00:44:54,670

main end goal is is to enslave the human

881

00:44:59,790 --> 00:44:57,520

kinda descendants that came from from

882

00:45:03,630 --> 00:44:59,800

Adam in through the Seth line and

883

00:45:05,100 --> 00:45:03,640

obviously Nek Knights that may have

884

00:45:07,230 --> 00:45:05,110

survived the flood and that's a very

885

00:45:09,270 --> 00:45:07,240

good possibility and I will also talk

886

00:45:12,330 --> 00:45:09,280

about how the other races survived the

887

00:45:15,300 --> 00:45:12,340

flood as well in the book but they

888

00:45:18,840 --> 00:45:15,310

consider their bloodlines is superior

889

00:45:23,310 --> 00:45:18,850

demigods godlike in that they are to

890

00:45:29,760 --> 00:45:23,320

rule over the mundane humans and if the

891

00:45:34,050 --> 00:45:29,770

mundane humans cannot resist and stay

892

00:45:38,610 --> 00:45:34,060

loyal to the God of the Bible that their

893

00:45:42,360 --> 00:45:38,620

inheritance promised to Adam as as the

894

00:45:45,480 --> 00:45:42,370

inheritor of all things they that we

895

00:45:47,910 --> 00:45:45,490

will as a race either go into oblivion

896

00:45:52,380 --> 00:45:47,920

and will be replaced with the preferred

897

00:45:54,330 --> 00:45:52,390

race which is the Nephilim race and they

898

00:45:57,390 --> 00:45:54,340

want to replace the human race with the

899

00:46:00,510 --> 00:45:57,400

Nephilim race yes why would they want to

900

00:46:03,230 --> 00:46:00,520

do that because we are considered

901
00:46:06,210 --> 00:46:03,240
mundane and they consider themselves

902
00:46:09,330 --> 00:46:06,220
demigods they believe themselves as

903
00:46:11,270 --> 00:46:09,340
superior even the Nephilim they want

904
00:46:13,710 --> 00:46:11,280
they want to bring back the nepheline

905
00:46:15,630 --> 00:46:13,720
well that's a it's a very distinct

906
00:46:18,600 --> 00:46:15,640
possibility and again I'll talk about

907
00:46:23,040 --> 00:46:18,610
that in my book so when you get into the

908
00:46:25,470 --> 00:46:23,050
end days the Angels that were imprisoned

909
00:46:27,960 --> 00:46:25,480
into the abyss they will be released as

910
00:46:29,190 --> 00:46:27,970
recorded in Revelation so there's a

911
00:46:33,300 --> 00:46:29,200
possibility that you could have that

912
00:46:34,920 --> 00:46:33,310
copulation again there's other things

913
00:46:36,930 --> 00:46:34,930

that are going on out there today that

914

00:46:40,259 --> 00:46:36,940

may create

915

00:46:43,109 --> 00:46:40,269

an improved type of Nephilim if you

916

00:46:46,019 --> 00:46:43,119

heard improve type of human a new type

917

00:46:49,589 --> 00:46:46,029

of Nephilim so to speak so you could

918

00:46:52,920 --> 00:46:49,599

have DNA manipulation you could have

919

00:46:54,509 --> 00:46:52,930

even more blood and normaling by the

920

00:46:56,430 --> 00:46:54,519

science that we have to even make

921

00:46:58,049 --> 00:46:56,440

stronger bloodlines of the original

922

00:47:00,569 --> 00:46:58,059

bloodlines to create another enough Ilem

923

00:47:02,700 --> 00:47:00,579

or then there's the alien Methos out

924

00:47:04,920 --> 00:47:02,710

there that is doing hybrids which is

925

00:47:06,660 --> 00:47:04,930

also sort of interconnected into this

926
00:47:09,299 --> 00:47:06,670
whole thing although all have a

927
00:47:12,630 --> 00:47:09,309
different perspective on how the aliens

928
00:47:16,380 --> 00:47:12,640
mix in that opposed to what the alien

929
00:47:19,319 --> 00:47:16,390
mythos is yeah wow this is okay this is

930
00:47:21,239 --> 00:47:19,329
a new one for me I have to say this is

931
00:47:23,700 --> 00:47:21,249
this is intriguing you know I haven't

932
00:47:26,880 --> 00:47:23,710
heard this before so very interesting

933
00:47:29,339 --> 00:47:26,890
and that's why we have guests on epic

934
00:47:32,069 --> 00:47:29,349
voyages radio like Gary Wayne because I

935
00:47:35,400 --> 00:47:32,079
want to bring you the the newest and the

936
00:47:37,229 --> 00:47:35,410
latest and the cutting-edge and and

937
00:47:40,019 --> 00:47:37,239
that's what old maverick does here on

938
00:47:43,079 --> 00:47:40,029

epic voyages radio we put it out there

939

00:47:44,549 --> 00:47:43,089

and we talk about this very fascinating

940

00:47:46,410 --> 00:47:44,559

topic we got a run to break right now

941

00:47:48,959 --> 00:47:46,420

but we'll be back after the top of the

942

00:47:51,239 --> 00:47:48,969

hour here on epic voyages radio and

943

00:47:53,569 --> 00:47:51,249

welcome back here to epic voyages radio

944

00:47:56,309 --> 00:47:53,579

this is maverick and we are live tonight

945

00:48:00,779 --> 00:47:56,319

with our special guest Gary Wayne

946

00:48:03,509 --> 00:48:00,789

talking about the Genesis 6 Giants what

947

00:48:07,559 --> 00:48:03,519

a fascinating topic Gary before we went

948

00:48:10,079 --> 00:48:07,569

to break we were talking about the

949

00:48:12,420 --> 00:48:10,089

secret societies and earlier you had

950

00:48:13,650 --> 00:48:12,430

mentioned something about key ships can

951
00:48:18,120 --> 00:48:13,660
you talk to us a little bit more about

952
00:48:20,969 --> 00:48:18,130
that yeah so the king chips

953
00:48:22,709 --> 00:48:20,979
the Nephilim usurped all of the king

954
00:48:25,259 --> 00:48:22,719
chips and were the rulers of the ancient

955
00:48:26,660 --> 00:48:25,269
world after the flood again they usurped

956
00:48:29,459 --> 00:48:26,670
all of the king chips

957
00:48:32,489 --> 00:48:29,469
shortly after from a Christian

958
00:48:34,079 --> 00:48:32,499
perspective after Babel originally king

959
00:48:36,539 --> 00:48:34,089
chip started off with humankind but

960
00:48:39,660 --> 00:48:36,549
because these giants were so much bigger

961
00:48:42,599 --> 00:48:39,670
and so much stronger they were easily

962
00:48:45,349 --> 00:48:42,609
able to be the leaders of the ancient

963
00:48:48,269 --> 00:48:45,359

world and from these ancient king chips

964

00:48:49,160 --> 00:48:48,279

they started the new bloodlines again

965

00:48:51,769 --> 00:48:49,170

after

966

00:48:53,779 --> 00:48:51,779

the flood even though you can make a

967

00:48:55,549 --> 00:48:53,789

very good argument and I demonstrate in

968

00:48:58,279 --> 00:48:55,559

the book that many of these bloodlines

969

00:49:01,009 --> 00:48:58,289

will go back to the original descendants

970

00:49:04,160 --> 00:49:01,019

of Cain and the Nephilim the hen and

971

00:49:06,620 --> 00:49:04,170

Archangels what was when I was

972

00:49:09,650 --> 00:49:06,630

connecting these Kings ships to rear

973

00:49:13,490 --> 00:49:09,660

eyes in the end time the end of days for

974

00:49:15,440 --> 00:49:13,500

those who may have not be familiar with

975

00:49:17,539 --> 00:49:15,450

Biblical prophecy there is a key

976

00:49:20,120 --> 00:49:17,549

relationship here in terms of the

977

00:49:23,420 --> 00:49:20,130

kingship sand in Atlantean mythology

978

00:49:26,019 --> 00:49:23,430

there was 10 Kings that dominated what

979

00:49:29,599 --> 00:49:26,029

they call the helm of world government

980

00:49:32,240 --> 00:49:29,609

well these secret societies want to

981

00:49:33,759 --> 00:49:32,250

create a new Atlantis and it's one of

982

00:49:37,220 --> 00:49:33,769

the reasons why you see Atlantis

983

00:49:40,039 --> 00:49:37,230

mythologies kept alive in in the world

984

00:49:42,349 --> 00:49:40,049

today and all throughout history is is

985

00:49:44,660 --> 00:49:42,359

because it's this it's this conspiracy

986

00:49:46,220 --> 00:49:44,670

that they want to keep alive and what

987

00:49:48,440 --> 00:49:46,230

they're going to rebuild it actually

988

00:49:51,529 --> 00:49:48,450

foretold that they're going to rebuild

989

00:49:53,539 --> 00:49:51,539

the New Age it's the New Age of Atlantis

990

00:49:58,870 --> 00:49:53,549

and a new thousand-year reign of this

991

00:50:02,839 --> 00:49:58,880

Age of Aquarius the Club of Rome in 1972

992

00:50:05,180 --> 00:50:02,849

which is one of the higher secret

993

00:50:07,670 --> 00:50:05,190

societies and some of your listeners may

994

00:50:09,440 --> 00:50:07,680

be aware of the Club of Rome but they're

995

00:50:12,079 --> 00:50:09,450

they're not the highest but they're

996

00:50:16,160 --> 00:50:12,089

they're quite high up there and what

997

00:50:20,589 --> 00:50:16,170

they did in 1972 at the formation I

998

00:50:23,809 --> 00:50:20,599

think they were formed in 1968 but 1972

999

00:50:26,210 --> 00:50:23,819

can answer some of the world problems

1000

00:50:28,549 --> 00:50:26,220

and to help guide where they want to go

1001
00:50:32,480 --> 00:50:28,559
is they have to divide the world up into

1002
00:50:33,349 --> 00:50:32,490
ten empires and those really by empires

1003
00:50:36,710 --> 00:50:33,359
yes

1004
00:50:40,069 --> 00:50:36,720
and so those aren't really ten countries

1005
00:50:44,210 --> 00:50:40,079
those are as I will demonstrate in my

1006
00:50:47,630 --> 00:50:44,220
book ten zones ten trading blocks ten

1007
00:50:49,609 --> 00:50:47,640
spheres of influence ten economic zones

1008
00:50:52,940 --> 00:50:49,619
whatever you want to call it but the

1009
00:50:54,769 --> 00:50:52,950
world has been neatly slid into ten and

1010
00:50:57,019 --> 00:50:54,779
if you get into Bible prophecy whether

1011
00:50:59,960 --> 00:50:57,029
it's revelation or Daniel it talks about

1012
00:51:01,890 --> 00:50:59,970
the ten horn the ten King the ten Empire

1013
00:51:04,620 --> 00:51:01,900

yeah exactly

1014

00:51:06,540 --> 00:51:04,630

that will be usurped by the Antichrist

1015

00:51:08,820 --> 00:51:06,550

at the midpoint of the tribulation yes

1016

00:51:12,780 --> 00:51:08,830

it's a very fascinating number because

1017

00:51:16,530 --> 00:51:12,790

of that it's a it's a tie that I think

1018

00:51:18,840 --> 00:51:16,540

is not by mistake it is by design and

1019

00:51:19,890 --> 00:51:18,850

again follow the common thread here

1020

00:51:22,920 --> 00:51:19,900

we're talking about secret societies

1021

00:51:24,990 --> 00:51:22,930

that were in the ant alluvion age that

1022

00:51:28,110 --> 00:51:25,000

are planning this and the exact same

1023

00:51:30,660 --> 00:51:28,120

number and that the Royal bloodlines and

1024

00:51:32,700 --> 00:51:30,670

the descendants of the Giants are the

1025

00:51:36,030 --> 00:51:32,710

kings and the Ponte tights that they

1026
00:51:40,080 --> 00:51:36,040
want to put back in leadership of those

1027
00:51:41,340 --> 00:51:40,090
10 empires of the end time and it's all

1028
00:51:43,050 --> 00:51:41,350
going to be done through these Royal

1029
00:51:45,270 --> 00:51:43,060
bloodlines the secret societies and

1030
00:51:47,850 --> 00:51:45,280
they're going to introduce their

1031
00:51:51,480 --> 00:51:47,860
mystical religion as universal one-world

1032
00:51:54,270 --> 00:51:51,490
religion as we approach that it's all

1033
00:51:56,490 --> 00:51:54,280
connected Wow okay this is this is

1034
00:51:58,740 --> 00:51:56,500
really interesting one question in the

1035
00:52:00,300 --> 00:51:58,750
chat room before I get to that question

1036
00:52:02,220 --> 00:52:00,310
let me throw out the phone number here

1037
00:52:05,370 --> 00:52:02,230
phone lines are open here for Gary Wayne

1038
00:52:08,460 --> 00:52:05,380

one triple eight nine one nine two three

1039

00:52:10,140 --> 00:52:08,470

five five if you want to call in and ask

1040

00:52:13,080 --> 00:52:10,150

Gary your question we are live on the

1041

00:52:15,960 --> 00:52:13,090

air Monday night here on epic voyages

1042

00:52:19,110 --> 00:52:15,970

Radio one triple eight nine one nine two

1043

00:52:21,720 --> 00:52:19,120

three five five Gary the question was is

1044

00:52:26,100 --> 00:52:21,730

your source coming from the Sumerian

1045

00:52:30,540 --> 00:52:26,110

accounts or from stitchin I I did some

1046

00:52:34,890 --> 00:52:30,550

research on stitchin he has certainly

1047

00:52:37,650 --> 00:52:34,900

done a lot of work on ancient Sumerian

1048

00:52:40,530 --> 00:52:37,660

archaeology and translation and is known

1049

00:52:43,770 --> 00:52:40,540

certainly as an expert in his field his

1050

00:52:45,930 --> 00:52:43,780

books kind of vary significantly

1051
00:52:48,510 --> 00:52:45,940
some people take him seriously some

1052
00:52:51,300 --> 00:52:48,520
people don't I make a few references the

1053
00:52:55,080 --> 00:52:51,310
stitching in my book but I don't use him

1054
00:53:00,290 --> 00:52:55,090
primarily he's more of a alien Methos

1055
00:53:03,180 --> 00:53:00,300
writer where the earth was populated by

1056
00:53:06,060 --> 00:53:03,190
or not populated by but visited by

1057
00:53:09,030 --> 00:53:06,070
aliens in the past and that they were

1058
00:53:11,910 --> 00:53:09,040
the actual Anunnaki and they had bases

1059
00:53:14,850 --> 00:53:11,920
on Mars and through DNA manipulation

1060
00:53:17,880 --> 00:53:14,860
they created hybrid humans to work for

1061
00:53:20,790 --> 00:53:17,890
these aliens and to mine gold and things

1062
00:53:23,010 --> 00:53:20,800
like that so it's a very similar type of

1063
00:53:26,190 --> 00:53:23,020

story - what's told so again when we

1064

00:53:29,280 --> 00:53:26,200

talk about the alien Methos it's kind of

1065

00:53:32,550 --> 00:53:29,290

another version once we go back into

1066

00:53:34,410 --> 00:53:32,560

prehistory of the same story again okay

1067

00:53:43,020 --> 00:53:34,420

I was just corrected on the chatroom

1068

00:53:45,630 --> 00:53:43,030

it's not stitching its Sitchin yes okay

1069

00:53:47,550 --> 00:53:45,640

well sorry about that guys I knew what I

1070

00:53:48,810 --> 00:53:47,560

was saying in my mind it didn't come out

1071

00:53:51,480 --> 00:53:48,820

that way

1072

00:53:56,610 --> 00:53:51,490

I think stitching is kind of cool maybe

1073

00:53:58,440 --> 00:53:56,620

I'll do something called stitching okay

1074

00:54:00,630 --> 00:53:58,450

I had to laugh at myself sometimes so

1075

00:54:03,870 --> 00:54:00,640

thank you for correcting me guys in the

1076

00:54:08,460 --> 00:54:03,880

chat room and that's what it's all about

1077

00:54:11,760 --> 00:54:08,470

fun here at epic voyages radio so Gary

1078

00:54:15,720 --> 00:54:11,770

did tell us about what you think is

1079

00:54:19,950 --> 00:54:15,730

ancient Nephilim looked like sure so

1080

00:54:25,200 --> 00:54:19,960

these were not just tall humans and

1081

00:54:28,100 --> 00:54:25,210

these were people of such size in such a

1082

00:54:32,100 --> 00:54:28,110

different look that they were

1083

00:54:33,930 --> 00:54:32,110

frightening just to look at and the

1084

00:54:35,670 --> 00:54:33,940

sounds that they could make like the

1085

00:54:38,550 --> 00:54:35,680

bells of Atlas and a mountain were

1086

00:54:40,620 --> 00:54:38,560

absolutely astonishing so let's talk

1087

00:54:45,150 --> 00:54:40,630

about what that means when I talk about

1088

00:54:47,670 --> 00:54:45,160

how different they were so Josephus who

1089

00:54:50,960 --> 00:54:47,680

wrote the history of the Jewish people

1090

00:54:55,080 --> 00:54:50,970

after the destruction of Rome and

1091

00:54:57,690 --> 00:54:55,090

destruction of Jerusalem in 70 CE II was

1092

00:55:00,030 --> 00:54:57,700

commissioned to write the history of the

1093

00:55:03,360 --> 00:55:00,040

Jewish people so that it wouldn't be

1094

00:55:06,810 --> 00:55:03,370

lost to history and so he recorded that

1095

00:55:09,960 --> 00:55:06,820

the bones and the anatomy of these

1096

00:55:13,320 --> 00:55:09,970

Nephilim these giants from after the

1097

00:55:16,080 --> 00:55:13,330

flood were kept on display up till that

1098

00:55:19,670 --> 00:55:16,090

period of time and that they were of

1099

00:55:23,100 --> 00:55:19,680

such different engineering that they

1100

00:55:25,740 --> 00:55:23,110

astonished people to view all of the

1101

00:55:28,020 --> 00:55:25,750

time so he doesn't give a lot of detail

1102

00:55:28,710 --> 00:55:28,030

of what that bone Anatomy looked like

1103

00:55:31,500 --> 00:55:28,720

but

1104

00:55:33,120 --> 00:55:31,510

was a wonder to look at so let's now

1105

00:55:35,970 --> 00:55:33,130

fill in some of the blanks so when we

1106

00:55:39,540 --> 00:55:35,980

talk about the size of one of these

1107

00:55:41,010 --> 00:55:39,550

original Nephilim and even when we get

1108

00:55:44,130 --> 00:55:41,020

into Goliath

1109

00:55:46,680 --> 00:55:44,140

this was a large being in so people in

1110

00:55:49,200 --> 00:55:46,690

the Goliath story they're familiar that

1111

00:55:51,330 --> 00:55:49,210

he was somewhere between who's telling

1112

00:55:53,160 --> 00:55:51,340

the story eight feet and nine feet tall

1113

00:55:57,930 --> 00:55:53,170

well that's used that's only if you use

1114

00:55:59,640 --> 00:55:57,940

a common span if you use a royal span in

1115

00:56:01,680 --> 00:55:59,650

the book I'll connect on how he was of

1116

00:56:05,670 --> 00:56:01,690

royal blood and goes back to the ref am

1117

00:56:09,900 --> 00:56:05,680

which go back to the Nephilim he would

1118

00:56:12,440 --> 00:56:09,910

have been more closer to 11 feet six to

1119

00:56:16,710 --> 00:56:12,450

eight inches so now we're talking a very

1120

00:56:18,990 --> 00:56:16,720

sizable human in OGG King OGG in the

1121

00:56:23,010 --> 00:56:19,000

Bible had a bed that was 13 feet long

1122

00:56:26,700 --> 00:56:23,020

and and yes he did and made people look

1123

00:56:28,560 --> 00:56:26,710

like grasshoppers beside amuse of such

1124

00:56:31,410 --> 00:56:28,570

great size so one would presume he was

1125

00:56:33,540 --> 00:56:31,420

at least probably 12 feet tall well if

1126

00:56:35,970 --> 00:56:33,550

we talk about there the Nephilim that

1127

00:56:38,070 --> 00:56:35,980

were before that oh and there's some

1128

00:56:40,320 --> 00:56:38,080

speculation and and the Bible leaves it

1129

00:56:42,180 --> 00:56:40,330

open that dog may have actually survived

1130

00:56:46,560 --> 00:56:42,190

the flood but that's that's an another

1131

00:56:47,790 --> 00:56:46,570

little bit of rabbit trail but if you go

1132

00:56:49,170 --> 00:56:47,800

back to the original ones

1133

00:56:52,829 --> 00:56:49,180

there's estimates that they were

1134

00:56:55,109 --> 00:56:52,839

anywhere from 16 feet to 40 feet tall so

1135

00:57:00,720 --> 00:56:55,119

these were monsters wait wait wait wait

1136

00:57:05,240 --> 00:57:00,730

you said 16 to 44 zero yes ooh so it

1137

00:57:09,450 --> 00:57:05,250

warden yeah I find that personally

1138

00:57:11,160 --> 00:57:09,460

probably an exaggeration but there are

1139

00:57:12,870 --> 00:57:11,170

people that will even say that they were

1140

00:57:15,900 --> 00:57:12,880

a larger depending on when you get into

1141

00:57:17,550 --> 00:57:15,910

the book Enoch and people are trying to

1142

00:57:21,599 --> 00:57:17,560

define how much Intel was and there's a

1143

00:57:24,540 --> 00:57:21,609

lot of there's a lot of serve ambiguity

1144

00:57:27,270 --> 00:57:24,550

on what that length is but certainly 16

1145

00:57:29,430 --> 00:57:27,280

to 20 feet would have not been out of

1146

00:57:31,920 --> 00:57:29,440

the realm of what the sort of common

1147

00:57:36,780 --> 00:57:31,930

conclusion would be now these weren't

1148

00:57:39,900 --> 00:57:36,790

just tall they were very very broad so

1149

00:57:41,109 --> 00:57:39,910

if you look at odds dimension for

1150

00:57:46,950 --> 00:57:41,119

example he

1151

00:57:49,420 --> 00:57:46,960

his height to breath ratio is two to one

1152

00:57:53,890 --> 00:57:49,430

whereas the average human is more like

1153

00:58:00,059 --> 00:57:53,900

three to one so he was 1/3 wider so

1154

00:58:03,519 --> 00:58:00,069

these were stocky huge military warrior

1155

00:58:11,190 --> 00:58:03,529

superheroes that were more akin to what

1156

00:58:17,370 --> 00:58:14,019

something of that sort of magnitude or a

1157

00:58:21,989 --> 00:58:17,380

huge lineman these were not scrawny

1158

00:58:24,849 --> 00:58:21,999

beings now the parents the fathers were

1159

00:58:29,349 --> 00:58:24,859

from a particular order and the Greeks

1160

00:58:31,299 --> 00:58:29,359

would call him Grigory but we would know

1161

00:58:33,700 --> 00:58:31,309

them from a Christian perspective as

1162

00:58:36,579 --> 00:58:33,710

Seraphim and I only mentioned the word

1163

00:58:38,349 --> 00:58:36,589

Seraphim as Seraphim Watchers as what

1164

00:58:40,509 --> 00:58:38,359
they would be called in so many

1165

00:58:42,720 --> 00:58:40,519
societies ancient societies and again

1166

00:58:46,420 --> 00:58:42,730
back to the Book of Enoch

1167

00:58:50,589 --> 00:58:46,430
now this order of Seraphim angels they

1168

00:58:53,079 --> 00:58:50,599
were the seven gods of the Builder gods

1169

00:58:55,509 --> 00:58:53,089
of the ancient world and so they had

1170

00:58:57,489 --> 00:58:55,519
these dynasties that their territories

1171

00:58:59,190 --> 00:58:57,499
around the world and these King ships

1172

00:59:03,640 --> 00:58:59,200
answered to them

1173

00:59:06,940 --> 00:59:03,650
now these Seraphim angels they had the

1174

00:59:12,329 --> 00:59:06,950
face of a snake or a Viper

1175

00:59:17,499 --> 00:59:12,339
so you can imagine this glowing winged

1176

00:59:19,989 --> 00:59:17,509

serpent like being that would be akin to

1177

00:59:21,880 --> 00:59:19,999

a dragon okay okay hold it right there

1178

00:59:22,839 --> 00:59:21,890

Gary because you're saying that these

1179

00:59:27,579 --> 00:59:22,849

seraphim's

1180

00:59:31,150 --> 00:59:27,589

I always thought they had six weeks they

1181

00:59:32,620 --> 00:59:31,160

had six wings at that that's given

1182

00:59:35,950 --> 00:59:32,630

throughout some ancient scripture that

1183

00:59:39,099 --> 00:59:35,960

I've read but I'd never heard about the

1184

00:59:41,470 --> 00:59:39,109

face of a reptilian I've always heard

1185

00:59:44,019 --> 00:59:41,480

that they they had four didn't they have

1186

00:59:45,819 --> 00:59:44,029

four faces or was that another here they

1187

00:59:48,460 --> 00:59:45,829

if you're thinking of a true business

1188

00:59:50,170 --> 00:59:48,470

the cherubim okay that the the the

1189

00:59:52,390 --> 00:59:50,180

Seraphim you're saying has a face of a

1190

00:59:54,940 --> 00:59:52,400

reptilian yes

1191

00:59:58,569 --> 00:59:54,950

now some Seraphin angels do

1192

01:00:01,029 --> 00:59:58,579

more than one set of wings but this

1193

01:00:04,480 --> 01:00:01,039

particular order of Seraphim that word

1194

01:00:09,190 --> 01:00:04,490

was governing the earth in the pre-flood

1195

01:00:12,279 --> 01:00:09,200

area and in the order of gregoria and

1196

01:00:14,200 --> 01:00:12,289

from the same order of the Fallen Angels

1197

01:00:17,890 --> 01:00:14,210

that Archangels that copulated with

1198

01:00:21,190 --> 01:00:17,900

humans yes they had a face of a snake

1199

01:00:23,549 --> 01:00:21,200

the Seraphim serpents yes so the word

1200

01:00:26,230 --> 01:00:23,559

serif doesn't pop up in the Bible very

1201

01:00:29,740 --> 01:00:26,240

often except in Isaiah where it's

1202

01:00:34,000 --> 01:00:29,750

connected in references to snakes but I

1203

01:00:36,910 --> 01:00:34,010

will bring from other aspects that are

1204

01:00:40,000 --> 01:00:36,920

closely related to the Bible to what it

1205

01:00:43,200 --> 01:00:40,010

says in the Bible to other religions and

1206

01:00:48,099 --> 01:00:43,210

mythologies that these gods and their

1207

01:00:51,759 --> 01:00:48,109

offspring had the face of a snake Wow

1208

01:00:55,329 --> 01:00:51,769

wow that's that's interesting that

1209

01:00:58,150 --> 01:00:55,339

reminds me back when I co-authored my

1210

01:01:02,470 --> 01:00:58,160

book with dr. McDaniel on alien agenda

1211

01:01:06,069 --> 01:01:02,480

the return of the Nephilim my colleague

1212

01:01:09,490 --> 01:01:06,079

wrote about an account of of an

1213

01:01:15,519 --> 01:01:09,500

encounter about this man who said he he

1214

01:01:17,529 --> 01:01:15,529

witnessed a UFO event and basically

1215

01:01:18,999 --> 01:01:17,539

you'll just you'd have to get the book

1216

01:01:21,309 --> 01:01:19,009

to read it again because I can't

1217

01:01:24,999 --> 01:01:21,319

remember all the details of it but what

1218

01:01:27,819 --> 01:01:25,009

I do remember is that he had a personal

1219

01:01:31,269 --> 01:01:27,829

encounter where he was face to face with

1220

01:01:34,329 --> 01:01:31,279

one of these things and it was wearing

1221

01:01:36,430 --> 01:01:34,339

some kind of an outfit I don't know what

1222

01:01:40,269 --> 01:01:36,440

it was but one of the emblems that he

1223

01:01:44,109 --> 01:01:40,279

noticed on there was a was like a winged

1224

01:01:47,799 --> 01:01:44,119

serpent and I know because I'm an

1225

01:01:51,039 --> 01:01:47,809

archaeologist I know that in in the

1226

01:01:54,759 --> 01:01:51,049

ancient accounts even though you know

1227

01:01:58,809 --> 01:01:54,769

the Mayans we in Egypt we see the winged

1228

01:02:00,640 --> 01:01:58,819

disc or the winged serpent crop up all

1229

01:02:02,829 --> 01:02:00,650

over the place I mean this thing is is

1230

01:02:05,440 --> 01:02:02,839

coming out of the woodwork the winged

1231

01:02:06,849 --> 01:02:05,450

serpent or the winged disc does that

1232

01:02:08,650 --> 01:02:06,859

have anything to do with what you're

1233

01:02:13,359 --> 01:02:08,660

talking about on these serums

1234

01:02:15,880 --> 01:02:13,369

serpents yeah so that let's be clear the

1235

01:02:21,460 --> 01:02:15,890

Nephilim didn't have wings because they

1236

01:02:24,549 --> 01:02:21,470

were beings that were large but the

1237

01:02:27,069 --> 01:02:24,559

parents were fallen angels who were

1238

01:02:29,230 --> 01:02:27,079

certain serifs they had wings and they

1239

01:02:33,430 --> 01:02:29,240

they would be akin to one type of

1240

01:02:37,870 --> 01:02:33,440

dragons and so when you get into the

1241

01:02:40,089 --> 01:02:37,880

dragon aspect of the mythology is as two

1242

01:02:43,450 --> 01:02:40,099

things one is is a the dragon can't

1243

01:02:44,980 --> 01:02:43,460

prove to us today at least from the

1244

01:02:47,470 --> 01:02:44,990

records that I've been able to find that

1245

01:02:49,390 --> 01:02:47,480

it ever existed but it's one of those

1246

01:02:51,849 --> 01:02:49,400

things that's in absolutely every

1247

01:02:53,710 --> 01:02:51,859

culture around the world so when you

1248

01:02:55,390 --> 01:02:53,720

start looking at that as a coincidence

1249

01:02:58,660 --> 01:02:55,400

you start to think hmm maybe there's

1250

01:03:01,589 --> 01:02:58,670

something more to that and so when you

1251

01:03:04,599 --> 01:03:01,599

start introducing this idea that perhaps

1252

01:03:06,880 --> 01:03:04,609

seraphim angel was one type of dragon

1253

01:03:09,220 --> 01:03:06,890

and then you bring in the Eden incident

1254

01:03:13,380 --> 01:03:09,230

alongside of it where the serpent

1255

01:03:16,660 --> 01:03:13,390

deceived Eve and then and then Adam that

1256

01:03:19,480 --> 01:03:16,670

this serpent isn't the snake that we

1257

01:03:22,990 --> 01:03:19,490

think of today this was a serpent that

1258

01:03:25,750 --> 01:03:23,000

walked on two legs who was taller than

1259

01:03:29,710 --> 01:03:25,760

any human being was an intelligent being

1260

01:03:33,220 --> 01:03:29,720

and was the head of in in certainly in

1261

01:03:36,460 --> 01:03:33,230

the Gnostic religions and and genitive

1262

01:03:42,640 --> 01:03:36,470

sort of mythology's was at the top of

1263

01:03:45,579 --> 01:03:42,650

the the animal chain before humans came

1264

01:03:47,980 --> 01:03:45,589

along the people of day six and again

1265

01:03:51,339 --> 01:03:47,990

that's a whole nother topic but and

1266

01:03:54,400 --> 01:03:51,349

later Adam and Eve which started the

1267

01:03:59,769 --> 01:03:54,410

descendants of Cain and and Seth so when

1268

01:04:01,839 --> 01:03:59,779

this serpent was punished all serpents

1269

01:04:04,329 --> 01:04:01,849

were punished and they had the voice the

1270

01:04:07,210 --> 01:04:04,339

language taken away the arms and the

1271

01:04:10,569 --> 01:04:07,220

wings and some aspects because before

1272

01:04:12,849 --> 01:04:10,579

the Eden incident there was serpents

1273

01:04:16,240 --> 01:04:12,859

that flew and there was serpents that

1274

01:04:17,769 --> 01:04:16,250

walked and so the arms and the wings and

1275

01:04:21,519 --> 01:04:17,779

the legs were hacked off and again

1276

01:04:22,870 --> 01:04:21,529

through the Gnostic Gospels this is a

1277

01:04:30,220 --> 01:04:22,880

well

1278

01:04:31,810 --> 01:04:30,230

Eden that were not all that familiar

1279

01:04:34,980 --> 01:04:31,820

with except that we get some of those

1280

01:04:38,170 --> 01:04:34,990

details in Genesis and I'll give that

1281

01:04:41,410 --> 01:04:38,180

stunning account from one of the gnostic

1282

01:04:45,310 --> 01:04:41,420

gospels in in my book and so you have to

1283

01:04:48,460 --> 01:04:45,320

now start to understand why dragons and

1284

01:04:51,250 --> 01:04:48,470

of course vampires are just another form

1285

01:04:53,200 --> 01:04:51,260

of the dragon allegory and if you look

1286

01:04:55,360 --> 01:04:53,210

at the vampire I know I'm straying a

1287

01:04:57,790 --> 01:04:55,370

little bit here but this is an immortal

1288

01:04:59,860 --> 01:04:57,800

being they have to drink blood to stay

1289

01:05:02,140 --> 01:04:59,870

immortal they got the fangs of a Cobra

1290

01:05:05,500 --> 01:05:02,150

and Dracula

1291

01:05:08,530 --> 01:05:05,510

which is the main vampire that people

1292

01:05:12,610 --> 01:05:08,540

know today that name is just a form of

1293

01:05:16,110 --> 01:05:12,620

Dragon and so the the connection on the

1294

01:05:19,450 --> 01:05:16,120

blood drinking is is that a Nephilim

1295

01:05:22,180 --> 01:05:19,460

were blood drinkers and after God had

1296

01:05:25,030 --> 01:05:22,190

restricted life to have 120 years in

1297

01:05:27,850 --> 01:05:25,040

Genesis 6 after these immortal giants

1298

01:05:29,440 --> 01:05:27,860

were created the descendants were no

1299

01:05:31,840 --> 01:05:29,450

longer permitted to have that

1300

01:05:37,330 --> 01:05:31,850

immortality so they started to drink the

1301

01:05:39,460 --> 01:05:37,340

blood of humans to try and enhance their

1302

01:05:41,350 --> 01:05:39,470

immune systems and to live longer so

1303

01:05:43,960 --> 01:05:41,360

what you're seeing is through the

1304

01:05:46,060 --> 01:05:43,970

vampire tails again this allegory and

1305

01:05:51,280 --> 01:05:46,070

these genealogies and that's all

1306

01:05:53,590 --> 01:05:51,290

throughout so much of literature in

1307

01:05:58,150 --> 01:05:53,600

entertainment throughout the years and

1308

01:06:00,490 --> 01:05:58,160

so dragon is a main main allegory that

1309

01:06:03,370 --> 01:06:00,500

people need to keep in mind and what the

1310

01:06:05,910 --> 01:06:03,380

dragon allegory essentially means as you

1311

01:06:10,180 --> 01:06:05,920

go through the genealogies is that's the

1312

01:06:13,810 --> 01:06:10,190

patriarchal or the male bloodline faerie

1313

01:06:16,720 --> 01:06:13,820

is the matriarchal bloodline and

1314

01:06:19,330 --> 01:06:16,730

connected to the twelfth ITAT Danann of

1315

01:06:21,970 --> 01:06:19,340

Ireland both before and after the flood

1316

01:06:23,860 --> 01:06:21,980

and also to the Pharaohs of Egypt and

1317

01:06:25,930 --> 01:06:23,870

again I'll show that the connection

1318

01:06:28,960 --> 01:06:25,940

between the name Pharaoh and faerie and

1319

01:06:30,520 --> 01:06:28,970

all of the mythologies that go along

1320

01:06:32,620 --> 01:06:30,530

with that and so when we're talking

1321

01:06:34,880 --> 01:06:32,630

about these ennobled bloodlines we're

1322

01:06:37,970 --> 01:06:34,890

talking a matriarchal bloodline

1323

01:06:42,170 --> 01:06:37,980

patriarchal bloodline and those two

1324

01:06:45,079 --> 01:06:42,180

aspects the fairies and the dragon are

1325

01:06:47,690 --> 01:06:45,089

the two main allegories that are used

1326

01:06:50,630 --> 01:06:47,700

throughout history and again snakes

1327

01:06:53,569 --> 01:06:50,640

whether it's cobra or snakes and dragons

1328

01:06:55,970 --> 01:06:53,579

whether or not it's and the Aztec and

1329

01:06:56,809 --> 01:06:55,980

the Mayan culture or in the Chinese

1330

01:06:59,630 --> 01:06:56,819

culture

1331

01:07:04,279 --> 01:06:59,640

this is everywhere and it goes through

1332

01:07:09,620 --> 01:07:04,289

the royal families everywhere and so in

1333

01:07:12,430 --> 01:07:09,630

their plot to enslave humankind is to

1334

01:07:14,180 --> 01:07:12,440

present the Dragon Messiah which will be

1335

01:07:18,470 --> 01:07:14,190

the Antichrist

1336

01:07:21,769 --> 01:07:18,480

oh no kiddin okay so there's this whole

1337

01:07:27,529 --> 01:07:21,779

I guess agenda that they're trying to

1338

01:07:29,210 --> 01:07:27,539

brusher in deliberately yes and wow this

1339

01:07:32,870 --> 01:07:29,220

is this is very interesting because I've

1340

01:07:35,079 --> 01:07:32,880

never heard it beat you know being tied

1341

01:07:38,180 --> 01:07:35,089

in this way

1342

01:07:41,089 --> 01:07:38,190

Wow are you saying Gary that the

1343

01:07:44,299 --> 01:07:41,099

seraphim's equal the Fallen Angels and

1344

01:07:49,069 --> 01:07:44,309

that those guys are the Enki or the NL

1345

01:07:52,789 --> 01:07:49,079

the of the Anunnaki as as all those guys

1346

01:07:55,220 --> 01:07:52,799

the same they are the same ooh and I'll

1347

01:07:58,069 --> 01:07:55,230

connect all of that I will spend section

1348

01:08:00,980 --> 01:07:58,079

two of my book just recounting all of

1349

01:08:03,769 --> 01:08:00,990

the not all of them but enough of the

1350

01:08:06,710 --> 01:08:03,779

testimony of the other races and it

1351

01:08:10,900 --> 01:08:06,720

tells exactly the same story right

1352

01:08:15,200 --> 01:08:10,910

through from the creation of the Giants

1353

01:08:16,999 --> 01:08:15,210

to usurp and control humankind and to

1354

01:08:19,579 --> 01:08:17,009

have them work for them and the

1355

01:08:21,680 --> 01:08:19,589

rebellion and the flood and how they

1356

01:08:23,959 --> 01:08:21,690

survive the flood and how they usurp

1357

01:08:26,689 --> 01:08:23,969

kingship again after the flood and

1358

01:08:27,769 --> 01:08:26,699

started the royal dynasties I'll tell

1359

01:08:30,559 --> 01:08:27,779

you well you've really done your

1360

01:08:33,590 --> 01:08:30,569

homework on this I tell you that I

1361

01:08:35,689 --> 01:08:33,600

haven't read the book but you have got

1362

01:08:38,030 --> 01:08:35,699

be so interested in this now kids this

1363

01:08:40,010 --> 01:08:38,040

is stuff that I haven't heard of and

1364

01:08:43,729 --> 01:08:40,020

I've done a lot of research on this but

1365

01:08:46,849 --> 01:08:43,739

not like you have with this angle and

1366

01:08:48,260 --> 01:08:46,859

that's what I love about about looking

1367

01:08:51,620 --> 01:08:48,270

at new reefs

1368

01:08:53,420 --> 01:08:51,630

surge in and getting to hear new authors

1369

01:08:56,480 --> 01:08:53,430

and and what their research is about

1370

01:08:58,190 --> 01:08:56,490

because it brings new angles and you

1371

01:09:00,410 --> 01:08:58,200

know and when you sit back and put

1372

01:09:02,329 --> 01:09:00,420

another piece of the puzzle in and then

1373

01:09:03,650 --> 01:09:02,339

look at the bigger picture then you're

1374

01:09:06,769 --> 01:09:03,660

going to out well that fits in really

1375

01:09:08,240 --> 01:09:06,779

really kind of neat right here and I

1376

01:09:10,880 --> 01:09:08,250

think that's what you're doing with with

1377

01:09:13,309 --> 01:09:10,890

your blood I think you've just added to

1378

01:09:16,130 --> 01:09:13,319

the general knowledge bank on this whole

1379

01:09:19,940 --> 01:09:16,140

issue but I really like how you're tying

1380

01:09:22,160 --> 01:09:19,950

it in like I said I've never heard this

1381

01:09:24,800 --> 01:09:22,170

particular angle before but I think it's

1382

01:09:28,099 --> 01:09:24,810

very fascinating it's a very it's a very

1383

01:09:31,099 --> 01:09:28,109

complex and intricate angle is like it's

1384

01:09:33,230 --> 01:09:31,109

it's a it's a long book to sort of

1385

01:09:35,150 --> 01:09:33,240

follow this and chart it what I'm

1386

01:09:37,130 --> 01:09:35,160

getting feedback from my readers are is

1387

01:09:40,269 --> 01:09:37,140

as they're hearing and reading things

1388

01:09:42,800 --> 01:09:40,279

that they have not heard of before and

1389

01:09:44,660 --> 01:09:42,810

connecting so many dots that haven't

1390

01:09:47,390 --> 01:09:44,670

been connected and filling in so many

1391

01:09:50,180 --> 01:09:47,400

blanks that haven't been filled in

1392

01:09:51,769 --> 01:09:50,190

before so getting very good feedback for

1393

01:09:55,310 --> 01:09:51,779

some of the reasons that you're talking

1394

01:10:00,050 --> 01:09:55,320

about how how big is your book by the

1395

01:10:01,760 --> 01:10:00,060

way it is 800 pages no way well over a

1396

01:10:05,990 --> 01:10:01,770

hundred pages of endnotes

1397

01:10:07,970 --> 01:10:06,000

I have 98 chapters and a preface and an

1398

01:10:10,580 --> 01:10:07,980

epilogue the good news is is because

1399

01:10:12,290 --> 01:10:10,590

it's a long book is as I did write it in

1400

01:10:14,030 --> 01:10:12,300

that many segments knowing that

1401

01:10:16,220 --> 01:10:14,040

somebody's not going to be able to read

1402

01:10:18,650 --> 01:10:16,230

this book all at once so every chapter

1403

01:10:20,600 --> 01:10:18,660

is a story within a story that leads

1404

01:10:22,220 --> 01:10:20,610

into the next one and then legions of

1405

01:10:24,440 --> 01:10:22,230

the next one and then all the

1406

01:10:26,630 --> 01:10:24,450

information will just keep coming up and

1407

01:10:29,570 --> 01:10:26,640

the information just keeps coming at you

1408

01:10:31,400 --> 01:10:29,580

hot and heavy and there's no way you can

1409

01:10:33,410 --> 01:10:31,410

do it in one read and the information

1410

01:10:36,410 --> 01:10:33,420

will overload you how long did it take

1411

01:10:37,820 --> 01:10:36,420

you to reap took to write I imagine how

1412

01:10:39,860 --> 01:10:37,830

long it takes you to read it how long

1413

01:10:43,810 --> 01:10:39,870

did it take you to write it well I

1414

01:10:47,300 --> 01:10:43,820

started writing it about 12 years ago

1415

01:10:49,570 --> 01:10:47,310

and it took me about eight years to put

1416

01:10:52,520 --> 01:10:49,580

it together and then a couple years -

1417

01:10:55,580 --> 01:10:52,530

yeah because there's so many doors that

1418

01:10:59,150 --> 01:10:55,590

were opening up that I was not expecting

1419

01:11:00,560 --> 01:10:59,160

to write about and I just you know kept

1420

01:11:02,149 --> 01:11:00,570

doing more and more and more because it

1421

01:11:03,950 --> 01:11:02,159

was just taking me in so many

1422

01:11:07,340 --> 01:11:03,960

interesting directions at some point I

1423

01:11:09,860 --> 01:11:07,350

just had to cut it off and before I sent

1424

01:11:13,189 --> 01:11:09,870

it in I did my own first edit and I took

1425

01:11:16,490 --> 01:11:13,199

out 25% because I knew it was just too

1426

01:11:19,729 --> 01:11:16,500

long and even this book is very long but

1427

01:11:24,350 --> 01:11:19,739

in order to tell the story we thought we

1428

01:11:28,129 --> 01:11:24,360

couldn't split it up so I had to do I

1429

01:11:29,990 --> 01:11:28,139

think I had to do a unique job inviting

1430

01:11:32,149 --> 01:11:30,000

people into a quest and keep inviting

1431

01:11:33,890 --> 01:11:32,159

them into the quest and keep giving them

1432

01:11:35,750 --> 01:11:33,900

new stuff so that they're going to want

1433

01:11:37,310 --> 01:11:35,760

to read more and more and more and get

1434

01:11:39,020 --> 01:11:37,320

through the book because it keeps coming

1435

01:11:42,050 --> 01:11:39,030

right to the last chapter

1436

01:11:45,470 --> 01:11:42,060

let's we're near the bottom of the hour

1437

01:11:47,810 --> 01:11:45,480

but just real quick and we got another

1438

01:11:49,430 --> 01:11:47,820

30 minutes here with Gary Wayne but I

1439

01:11:51,290 --> 01:11:49,440

want you to go ahead and tell people how

1440

01:11:54,260 --> 01:11:51,300

to get your book where do they find that

1441

01:11:58,240 --> 01:11:54,270

app well there's several places you can

1442

01:12:02,510 --> 01:11:58,250

go the first one is WWE Genesis 6

1443

01:12:04,850 --> 01:12:02,520

conspiracy dot-com and if somebody is

1444

01:12:07,010 --> 01:12:04,860

wanting an autographed copy from myself

1445

01:12:10,700 --> 01:12:07,020

it's available on there and the price of

1446

01:12:12,379 --> 01:12:10,710

shipping that's available and also on

1447

01:12:18,140 --> 01:12:12,389

the website there's connections to

1448

01:12:22,570 --> 01:12:18,150

amazon.com amazon.ca Barnes & Noble and

1449

01:12:27,320 --> 01:12:22,580

it is also available through Amazon UK

1450

01:12:29,510 --> 01:12:27,330

Amazon Diane amazon.com au all the

1451

01:12:32,959 --> 01:12:29,520

Amazon online outlets around the world

1452

01:12:35,600 --> 01:12:32,969

it's available on most online book

1453

01:12:38,060 --> 01:12:35,610

retail box stores in Canada and the US

1454

01:12:41,990 --> 01:12:38,070

and it is also being distributed through

1455

01:12:43,760 --> 01:12:42,000

Christian retailers STL and engrams are

1456

01:12:45,290 --> 01:12:43,770

supplying the stores with the books so

1457

01:12:48,649 --> 01:12:45,300

if it's not a shelf they can get

1458

01:12:50,209 --> 01:12:48,659

brick-and-mortar well I love it also is

1459

01:12:53,840 --> 01:12:50,219

it brick-and-mortar at Barnes & Nobles

1460

01:12:57,080 --> 01:12:53,850

as well not not yet just online at this

1461

01:12:59,689 --> 01:12:57,090

point Wow okay wow this is this is

1462

01:13:02,479 --> 01:12:59,699

really great okay we are headed to break

1463

01:13:04,970 --> 01:13:02,489

here at the bottom of the hour hold on

1464

01:13:07,490 --> 01:13:04,980

for another 30 minutes here with Gary

1465

01:13:09,320 --> 01:13:07,500

Wayne because we are not done

1466

01:13:12,140 --> 01:13:09,330

yeah and we are back here on epic

1467

01:13:15,830 --> 01:13:12,150

voyages radio live here with old

1468

01:13:18,290 --> 01:13:15,840

maverick back at the helm and our

1469

01:13:21,290 --> 01:13:18,300

special guest is Gary Wayne author of

1470

01:13:23,660 --> 01:13:21,300

the Genesis 6 conspiracy how secret

1471

01:13:29,570 --> 01:13:23,670

societies and the descendants of Giants

1472

01:13:31,370 --> 01:13:29,580

plan to enslave mankind if you've missed

1473

01:13:34,130 --> 01:13:31,380

this show you're missing out because we

1474

01:13:38,450 --> 01:13:34,140

have gone through a lot of information

1475

01:13:40,730 --> 01:13:38,460

for you and it's just impossible to

1476

01:13:43,520 --> 01:13:40,740

touch on this whole thing because after

1477

01:13:47,540 --> 01:13:43,530

all your book area is 800 something

1478

01:13:51,830 --> 01:13:47,550

pages long just a astronomical worthy of

1479

01:13:54,520 --> 01:13:51,840

a master's thesis for sure but very

1480

01:13:57,620 --> 01:13:54,530

interesting I've made some ties and some

1481

01:14:00,320 --> 01:13:57,630

some some angles here on this subject

1482

01:14:02,450 --> 01:14:00,330

that that I think is interesting I've

1483

01:14:04,220 --> 01:14:02,460

never heard of those before so it's

1484

01:14:06,440 --> 01:14:04,230

really piqued my interest you keep

1485

01:14:08,060 --> 01:14:06,450

talking about you know in the last

1486

01:14:09,920 --> 01:14:08,070

half-hour we were talking about the

1487

01:14:11,540 --> 01:14:09,930

dragons and the fairies and the snakes

1488

01:14:15,590 --> 01:14:11,550

and how they were connected to the

1489

01:14:19,610 --> 01:14:15,600

descendants of the Giants and I was

1490

01:14:23,660 --> 01:14:19,620

aware of the dragons but I wasn't aware

1491

01:14:26,330 --> 01:14:23,670

of the fairies so much tell me about

1492

01:14:29,420 --> 01:14:26,340

more about how the fairies are connected

1493

01:14:32,510 --> 01:14:29,430

so the fairies have a very ancient

1494

01:14:34,190 --> 01:14:32,520

connection metaphorical connection a

1495

01:14:36,920 --> 01:14:34,200

bloodline connection that we talked

1496

01:14:40,850 --> 01:14:36,930

about the matriarchal bloodline of the

1497

01:14:44,590 --> 01:14:40,860

fairies and it has a connection into the

1498

01:14:48,080 --> 01:14:44,600

aliens that you know so dominate our

1499

01:14:51,730 --> 01:14:48,090

conversations and modern Methos today

1500

01:14:55,700 --> 01:14:51,740

and let me make some connections here so

1501

01:14:58,640 --> 01:14:55,710

if you look at Tolkien's Lord of the

1502

01:15:00,800 --> 01:14:58,650

Rings and so there's that's another

1503

01:15:02,630 --> 01:15:00,810

story of prehistory and of course the

1504

01:15:05,090 --> 01:15:02,640

Lord of the Rings are really telling the

1505

01:15:08,360 --> 01:15:05,100

story of the ring Lords of the Nephilim

1506

01:15:10,580 --> 01:15:08,370

or the Anunnaki in the prehistory world

1507

01:15:12,620 --> 01:15:10,590

and of course you have wizards in there

1508

01:15:15,320 --> 01:15:12,630

just like you have in Atlantis and

1509

01:15:17,150 --> 01:15:15,330

that's the the religious side the

1510

01:15:21,259 --> 01:15:17,160

ancient religion and the secret

1511

01:15:22,699 --> 01:15:21,269

knowledge that that they had as well but

1512

01:15:26,109 --> 01:15:22,709

if you also look in there there are

1513

01:15:30,379 --> 01:15:26,119

different types of elves and fairies and

1514

01:15:32,929 --> 01:15:30,389

little people and so that is another

1515

01:15:35,809 --> 01:15:32,939

type of species that they're keeping

1516

01:15:37,849 --> 01:15:35,819

alive that perhaps existed before the

1517

01:15:40,489 --> 01:15:37,859

flood so I'm going to come back to these

1518

01:15:42,469 --> 01:15:40,499

little people in these fairies in a

1519

01:15:45,049 --> 01:15:42,479

couple of minutes so now let's move

1520

01:15:47,719 --> 01:15:45,059

forward into the matriarchal bloodline

1521

01:15:50,629 --> 01:15:47,729

of the fairies and let's connect and

1522

01:15:53,299 --> 01:15:50,639

also the Tuatha dé Danann out of Ireland

1523

01:15:56,479 --> 01:15:53,309

which were mythological giants known as

1524

01:15:59,000 --> 01:15:56,489

the fair folk or the fairy folk and so

1525

01:16:00,889 --> 01:15:59,010

this was a bloodline again of the

1526

01:16:03,709 --> 01:16:00,899

matriarchal bloodline so I'll make those

1527

01:16:06,500 --> 01:16:03,719

connections on how the the matriarchy

1528

01:16:09,889 --> 01:16:06,510

was exported to the Tuatha dé nan

1529

01:16:12,319 --> 01:16:09,899

through a couple of bloodlines one in

1530

01:16:14,179 --> 01:16:12,329

particular comes from the Akhenaten and

1531

01:16:16,849 --> 01:16:14,189

the our mana dynasty so if you want to

1532

01:16:18,679 --> 01:16:16,859

know why they dominate the news there's

1533

01:16:20,479 --> 01:16:18,689

a reason there is keeping the bloodlines

1534

01:16:22,669 --> 01:16:20,489

alive and they focused on that was a

1535

01:16:25,849 --> 01:16:22,679

very important turning point destiny but

1536

01:16:28,789 --> 01:16:25,859

that bloodline will go through Ireland

1537

01:16:31,039 --> 01:16:28,799

and back into England through the kings

1538

01:16:33,369 --> 01:16:31,049

of Camelot and so when you talk about

1539

01:16:36,199 --> 01:16:33,379

the Holy Grail which is again another

1540

01:16:38,479 --> 01:16:36,209

piece of literature that has encoded

1541

01:16:41,599 --> 01:16:38,489

genealogies we have a marriage of the

1542

01:16:43,729 --> 01:16:41,609

fairy bloodline into the bloodline of

1543

01:16:47,389 --> 01:16:43,739

the houses of Camelot which are

1544

01:16:50,929 --> 01:16:47,399

connected to Joseph of Arimathea

1545

01:16:55,789 --> 01:16:50,939

and there's another bloodline that has

1546

01:17:00,229 --> 01:16:55,799

been mingled in there that from the

1547

01:17:02,329 --> 01:17:00,239

Gnostic side will suggest that it came

1548

01:17:05,119 --> 01:17:02,339

back from Jesus who from the Gnostic

1549

01:17:07,429 --> 01:17:05,129

perspective was mortal and wasn't taken

1550

01:17:09,859 --> 01:17:07,439

to back to heaven and raised from the

1551

01:17:12,139 --> 01:17:09,869

dead that is actually survived off the

1552

01:17:14,569 --> 01:17:12,149

cross and you saw this in The Da Vinci

1553

01:17:16,519 --> 01:17:14,579

Code so not much new there but this is

1554

01:17:18,649 --> 01:17:16,529

the bloodline that's mixing in with the

1555

01:17:20,659 --> 01:17:18,659

faerie bloodline so when you from

1556

01:17:23,209 --> 01:17:20,669

Ireland and dated back through Egypt

1557

01:17:24,679 --> 01:17:23,219

which is connected to the Sumerian

1558

01:17:27,919 --> 01:17:24,689

bloodlines which I'll connect in the

1559

01:17:29,929 --> 01:17:27,929

book as well so now you have these

1560

01:17:32,329 --> 01:17:29,939

bloodlines coming together and they're

1561

01:17:33,840 --> 01:17:32,339

marrying back up into a patriarchal

1562

01:17:36,420 --> 01:17:33,850

bloodline which and

1563

01:17:38,460 --> 01:17:36,430

gonna complicate at this point in time

1564

01:17:40,950 --> 01:17:38,470

but this is the fairy bloodline so we

1565

01:17:44,850 --> 01:17:40,960

talked about the Holy Grail in King

1566

01:17:48,390 --> 01:17:44,860

Arthur and the kings of Camelot you have

1567

01:17:50,580 --> 01:17:48,400

all of these fairies in there so like

1568

01:17:52,440 --> 01:17:50,590

the fairy mother or one of your was a

1569

01:17:55,910 --> 01:17:52,450

fairy folk person the queen of the

1570

01:17:59,840 --> 01:17:55,920

fairies and the ladies of the lake and

1571

01:18:04,220 --> 01:17:59,850

these this is fairy allegory that's Nets

1572

01:18:06,900 --> 01:18:04,230

is connecting the matriarchal bloodline

1573

01:18:08,730 --> 01:18:06,910

and so if you also look at King Arthur

1574

01:18:10,680 --> 01:18:08,740

you have the round table again like the

1575

01:18:14,130 --> 01:18:10,690

Lord of the Rings so this is another

1576

01:18:18,420 --> 01:18:14,140

allegory and encoded history of the past

1577

01:18:21,360 --> 01:18:18,430

and so you have King Arthur and Queen

1578

01:18:25,260 --> 01:18:21,370

Guinevere and that's almost like an

1579

01:18:26,820 --> 01:18:25,270

Osiris and Isis allegory which again if

1580

01:18:28,380 --> 01:18:26,830

you're into the mystical side that's

1581

01:18:32,250 --> 01:18:28,390

that the actual connection that they're

1582

01:18:35,730 --> 01:18:32,260

going to make and so we have this fairy

1583

01:18:38,310 --> 01:18:35,740

allegory that now moves into fairy tales

1584

01:18:40,200 --> 01:18:38,320

and you have like Cinderella and Peter

1585

01:18:42,660 --> 01:18:40,210

Pan and you've got all these other

1586

01:18:45,150 --> 01:18:42,670

different types of fairies that are in

1587

01:18:48,000 --> 01:18:45,160

these kids stories that again is

1588

01:18:51,000 --> 01:18:48,010

encoding all of this stuff all the way

1589

01:18:53,580 --> 01:18:51,010

through I know intermarry it's it's in

1590

01:18:55,680 --> 01:18:53,590

it but I know Peter Pan

1591

01:18:59,310 --> 01:18:55,690

most people don't know but Pan is based

1592

01:19:02,070 --> 01:18:59,320

off of the god Pan Am yes that was

1593

01:19:05,100 --> 01:19:02,080

actually worshiped in the ancient past I

1594

01:19:09,420 --> 01:19:05,110

when I was over in Israel over in

1595

01:19:13,050 --> 01:19:09,430

Caesarea Philippi is where they had the

1596

01:19:15,570 --> 01:19:13,060

the temple set up to the god of pan yes

1597

01:19:19,260 --> 01:19:15,580

and I went there and checked that that

1598

01:19:21,180 --> 01:19:19,270

place out what but the fairy the fairies

1599

01:19:23,460 --> 01:19:21,190

though I didn't know that the fairies

1600

01:19:27,780 --> 01:19:23,470

had anything to do with it and I think

1601

01:19:29,790 --> 01:19:27,790

that's interesting okay and as you get

1602

01:19:34,290 --> 01:19:29,800

into it I mean whether or not it's the

1603

01:19:37,230 --> 01:19:34,300

and win of King Arthur or it's the land

1604

01:19:41,880 --> 01:19:37,240

of the youth in Peter Pan or its

1605

01:19:43,500 --> 01:19:41,890

Tartarus or it's the Otherworld and

1606

01:19:46,230 --> 01:19:43,510

whether or not they go through portals

1607

01:19:47,730 --> 01:19:46,240

or the Shea's and the fairy culture or

1608

01:19:50,220 --> 01:19:47,740

gateways and start

1609

01:19:52,260 --> 01:19:50,230

et's is another thing I'll talk about

1610

01:19:54,960 --> 01:19:52,270

in my book a little bit we're talking

1611

01:19:58,680 --> 01:19:54,970

about going to another location which is

1612

01:20:00,960 --> 01:19:58,690

where the Nephilim who died out are said

1613

01:20:03,300 --> 01:20:00,970

to have went and again I'll talk about

1614

01:20:05,790 --> 01:20:03,310

who the immortal Nephilim are in the

1615

01:20:08,250 --> 01:20:05,800

book in I will I rule refer to their

1616

01:20:10,140 --> 01:20:08,260

when their bodies died they didn't but

1617

01:20:11,640 --> 01:20:10,150

and their immortal spirit kept on there

1618

01:20:14,040 --> 01:20:11,650

the demons that we know of in the world

1619

01:20:16,110 --> 01:20:14,050

but again we start to go down another

1620

01:20:19,410 --> 01:20:16,120

trail that's part of the book I want to

1621

01:20:21,960 --> 01:20:19,420

continue with the the fairy allegory so

1622

01:20:24,540 --> 01:20:21,970

now let's bring that into the modern

1623

01:20:27,060 --> 01:20:24,550

side with the alien connection so in the

1624

01:20:28,980 --> 01:20:27,070

very culture of the world if you go back

1625

01:20:32,880 --> 01:20:28,990

there's four different classifications

1626

01:20:36,900 --> 01:20:32,890

of fairies in with fairies there are the

1627

01:20:38,490 --> 01:20:36,910

winged opalescent fairies that come from

1628

01:20:41,070 --> 01:20:38,500

a different world and they're more

1629

01:20:43,440 --> 01:20:41,080

spiritual these are the fallen angels

1630

01:20:45,660 --> 01:20:43,450

that they talk about and they do believe

1631

01:20:48,930 --> 01:20:45,670

in the fairy culture that they're

1632

01:20:50,490 --> 01:20:48,940

descendants of the the fallen angels

1633

01:20:54,690 --> 01:20:50,500

that rebelled with Lucifer in the

1634

01:20:56,760 --> 01:20:54,700

beginning so these these stories show up

1635

01:20:58,500 --> 01:20:56,770

in all other different aspects around

1636

01:21:02,940 --> 01:20:58,510

the world that's written in the Bible

1637

01:21:05,370 --> 01:21:02,950

and then you move into another class of

1638

01:21:07,650 --> 01:21:05,380

fairy and they're the earthbound fairy

1639

01:21:10,080 --> 01:21:07,660

and this earthbound fairy is a shining

1640

01:21:11,760 --> 01:21:10,090

being as what the Nephilim Sean and

1641

01:21:14,220 --> 01:21:11,770

glowed their eyes glowed and that

1642

01:21:16,620 --> 01:21:14,230

Anunnaki glowed and they were known in

1643

01:21:19,080 --> 01:21:16,630

the Middle East as the shining ones and

1644

01:21:21,540 --> 01:21:19,090

so the fairy people were also known as

1645

01:21:23,580 --> 01:21:21,550

the shining ones the the demigods that

1646

01:21:26,010 --> 01:21:23,590

were created through the copulation

1647

01:21:28,190 --> 01:21:26,020

again in the fairy mythology that goes

1648

01:21:32,460 --> 01:21:28,200

way back in the two off it and then

1649

01:21:35,220 --> 01:21:32,470

mythologies were the gods of the earth

1650

01:21:38,190 --> 01:21:35,230

like the Nephilim there were the rulers

1651
01:21:40,680 --> 01:21:38,200
and then you get into a few classes of

1652
01:21:42,480 --> 01:21:40,690
smaller fairies and the fourth the third

1653
01:21:44,280 --> 01:21:42,490
class of fairies is what they call the

1654
01:21:47,550 --> 01:21:44,290
little people and inside the little

1655
01:21:51,030 --> 01:21:47,560
people there are things like leprechauns

1656
01:21:52,650 --> 01:21:51,040
and gnomes and good looking fairies and

1657
01:21:55,350 --> 01:21:52,660
bad looking very similar to what you see

1658
01:21:58,770 --> 01:21:55,360
in Lord of the Rings

1659
01:22:02,850 --> 01:21:58,780
but there is one fairy that's called the

1660
01:22:05,550 --> 01:22:02,860
gray neighbor and the grey knave

1661
01:22:07,110 --> 01:22:05,560
had flying machines and they came out of

1662
01:22:09,870 --> 01:22:07,120
portals and they would call it in the

1663
01:22:13,890 --> 01:22:09,880

fairy mythology two shaves so this is

1664

01:22:16,560 --> 01:22:13,900

now becoming very very similar to alien

1665

01:22:19,229 --> 01:22:16,570

mythos is all about and so these little

1666

01:22:20,070 --> 01:22:19,239

grades they looked exactly like the

1667

01:22:21,780 --> 01:22:20,080

little greys

1668

01:22:24,150 --> 01:22:21,790

they had flying machines great

1669

01:22:26,580 --> 01:22:24,160

technology great knowledge they would

1670

01:22:29,940 --> 01:22:26,590

kidnap people and then they would return

1671

01:22:32,040 --> 01:22:29,950

the people after a fortnight as that

1672

01:22:34,290 --> 01:22:32,050

would be called in in in the tales and

1673

01:22:37,760 --> 01:22:34,300

if you ever read and I'll give an

1674

01:22:40,830 --> 01:22:37,770

example in my book of what a fairy

1675

01:22:43,680 --> 01:22:40,840

abduction and a fairy gray neighbor

1676
01:22:46,860 --> 01:22:43,690
looks like you're gonna say that's an

1677
01:22:49,740 --> 01:22:46,870
alien encounter and so if you start

1678
01:22:52,890 --> 01:22:49,750
tonight if you start connecting the dots

1679
01:22:56,130 --> 01:22:52,900
again that some of this that we might be

1680
01:22:58,709 --> 01:22:56,140
seeing no one has the little greys and

1681
01:23:00,030 --> 01:22:58,719
the aliens might be beings that might

1682
01:23:03,000 --> 01:23:00,040
have been around before the flood

1683
01:23:05,370 --> 01:23:03,010
inserted through these portals or shades

1684
01:23:06,870 --> 01:23:05,380
into the other world okay let's let me

1685
01:23:08,729 --> 01:23:06,880
give up the phone number again we got

1686
01:23:12,570 --> 01:23:08,739
just a few minutes remaining one triple

1687
01:23:16,380 --> 01:23:12,580
eight nine one nine two three five five

1688
01:23:18,450 --> 01:23:16,390

if you have a question for Gary Wayne

1689

01:23:20,760 --> 01:23:18,460

our Cullen numbers one triple eight two

1690

01:23:23,100 --> 01:23:20,770

nine one nine two three five five now

1691

01:23:25,010 --> 01:23:23,110

would be a great time to do that phone

1692

01:23:28,530 --> 01:23:25,020

lines are open

1693

01:23:30,990 --> 01:23:28,540

Gary how does the Nephilim play into the

1694

01:23:32,640 --> 01:23:31,000

end times here are they are those guys

1695

01:23:34,950 --> 01:23:32,650

coming back and is that going to lead

1696

01:23:39,209 --> 01:23:34,960

into this whole you know Battle of

1697

01:23:41,130 --> 01:23:39,219

Armageddon mm-hmm yes so these royal

1698

01:23:43,380 --> 01:23:41,140

bloodlines these descendants they're

1699

01:23:46,650 --> 01:23:43,390

still in control today

1700

01:23:48,510 --> 01:23:46,660

even though we see government's the real

1701
01:23:50,610 --> 01:23:48,520
power behind the secret societies that

1702
01:23:54,180 --> 01:23:50,620
control the government's behind the

1703
01:23:58,229 --> 01:23:54,190
banking system are these very very

1704
01:24:00,240 --> 01:23:58,239
powerful and rich bloodlines and

1705
01:24:01,890 --> 01:24:00,250
families and they would control of the

1706
01:24:03,570 --> 01:24:01,900
Rothschilds for example and the

1707
01:24:05,640 --> 01:24:03,580
Rothschilds everybody's familiar with

1708
01:24:06,930 --> 01:24:05,650
because they want us to be familiar with

1709
01:24:08,729 --> 01:24:06,940
them they're the ones that are sort of

1710
01:24:12,330 --> 01:24:08,739
out there and they'll take the heat

1711
01:24:14,490 --> 01:24:12,340
through the banking arms or and so the

1712
01:24:15,330 --> 01:24:14,500
the Freemasonry organization the

1713
01:24:19,320 --> 01:24:15,340

Rosicrucian

1714

01:24:21,770 --> 01:24:19,330

the Council of 300 these are the Club of

1715

01:24:25,800 --> 01:24:21,780

Rome the Bilderbergers these are all

1716

01:24:28,290 --> 01:24:25,810

organizations controlled by these 13

1717

01:24:30,330 --> 01:24:28,300

families and the 13 families reside

1718

01:24:33,990 --> 01:24:30,340

above in the hierarchy of all of these

1719

01:24:37,620 --> 01:24:34,000

secret organizations that counts till

1720

01:24:41,189 --> 01:24:37,630

300 and so they're going to a point and

1721

01:24:42,780 --> 01:24:41,199

as descendants with in noble bloodlines

1722

01:24:44,820 --> 01:24:42,790

from the past they're going to be the

1723

01:24:47,820 --> 01:24:44,830

Ponte tights that are going to rule the

1724

01:24:50,820 --> 01:24:47,830

ten governments of the end times

1725

01:24:53,609 --> 01:24:50,830

so yes they're coming back but we also

1726

01:24:56,220 --> 01:24:53,619

know that the Fallen Angels the ones who

1727

01:24:58,470 --> 01:24:56,230

originally copulated to create these

1728

01:25:01,080 --> 01:24:58,480

Nephilim are going to be released in the

1729

01:25:03,060 --> 01:25:01,090

end time as well at the beginning of the

1730

01:25:05,220 --> 01:25:03,070

of the tribulation or the last seven

1731

01:25:07,919 --> 01:25:05,230

years so what impact will they have

1732

01:25:10,410 --> 01:25:07,929

other than mayhem and havoc they may

1733

01:25:15,180 --> 01:25:10,420

create another form of Nephilim at that

1734

01:25:18,180 --> 01:25:15,190

time another form of Nephilim yes like

1735

01:25:22,890 --> 01:25:18,190

like what kind of form well just

1736

01:25:26,370 --> 01:25:22,900

procreate and or fast-track more of

1737

01:25:31,229 --> 01:25:26,380

their types of hybrids I guess you would

1738

01:25:33,270 --> 01:25:31,239

call them and I will go ahead well it

1739

01:25:36,060 --> 01:25:33,280

what it sounds like is this this whole

1740

01:25:40,140 --> 01:25:36,070

thing that's you know that ancient

1741

01:25:43,770 --> 01:25:40,150

prophecy and not just in the biblical

1742

01:25:50,609 --> 01:25:43,780

sense but throughout many cultures and

1743

01:25:52,979 --> 01:25:50,619

other texts other writings there even in

1744

01:25:56,220 --> 01:25:52,989

Islam they believe that there is an end

1745

01:25:57,660 --> 01:25:56,230

time scenario so it's not just a you

1746

01:26:02,030 --> 01:25:57,670

know a Western mindset

1747

01:26:05,879 --> 01:26:02,040

it is my point but it it sounds like

1748

01:26:09,540 --> 01:26:05,889

indeed Gary that this may be the Lord of

1749

01:26:12,270 --> 01:26:09,550

the Rings movie coming to coming to

1750

01:26:15,000 --> 01:26:12,280

reality in this whole end time scenario

1751

01:26:18,750 --> 01:26:15,010

I mean we got it we got Nephilim and get

1752

01:26:21,450 --> 01:26:18,760

Giants and you know dragons and and you

1753

01:26:24,720 --> 01:26:21,460

know God knows what and these other form

1754

01:26:27,330 --> 01:26:24,730

of Nephilim it's really gonna be the

1755

01:26:29,130 --> 01:26:27,340

Lord of the Rings isn't it it is and if

1756

01:26:32,910 --> 01:26:29,140

you look at

1757

01:26:34,320 --> 01:26:32,920

whether or not it's the Nazi regime in

1758

01:26:37,380 --> 01:26:34,330

World War two where they're trying to

1759

01:26:41,400 --> 01:26:37,390

create the new man or this constant move

1760

01:26:44,400 --> 01:26:41,410

to try and create the superhuman somehow

1761

01:26:47,520 --> 01:26:44,410

some way it's going to be just like it

1762

01:26:49,740 --> 01:26:47,530

was in the days of Noah just as Jesus

1763

01:26:51,830 --> 01:26:49,750

said it would be not only will there be

1764

01:26:55,200 --> 01:26:51,840

a second apocalypse this time by fire

1765

01:26:57,000 --> 01:26:55,210

but it will be very similar to what

1766

01:27:00,000 --> 01:26:57,010

happened in the days of Noah and if

1767

01:27:03,320 --> 01:27:00,010

that's the case which if you're a

1768

01:27:07,020 --> 01:27:03,330

Christian in your Messiah your Redeemer

1769

01:27:10,250 --> 01:27:07,030

your creator says that's going to be

1770

01:27:13,200 --> 01:27:10,260

like the days of Noah one presumes that

1771

01:27:16,410 --> 01:27:13,210

not only the Nephilim are going to be

1772

01:27:19,950 --> 01:27:16,420

involved but the secret societies in the

1773

01:27:22,860 --> 01:27:19,960

original mystical religion will also

1774

01:27:25,170 --> 01:27:22,870

play a part in the end time and if you

1775

01:27:26,580 --> 01:27:25,180

want it's kind of one of the points of

1776

01:27:29,190 --> 01:27:26,590

the book if you want to understand

1777

01:27:30,900 --> 01:27:29,200

endtime prophecy and you're correct

1778

01:27:33,600 --> 01:27:30,910

all the other religions have an end time

1779

01:27:36,060 --> 01:27:33,610

scenario you have to understand

1780

01:27:38,310 --> 01:27:36,070

prehistory because all of the allegories

1781

01:27:40,800 --> 01:27:38,320

all the information that you need to

1782

01:27:43,800 --> 01:27:40,810

understand what's going on today is in

1783

01:27:46,290 --> 01:27:43,810

history and prehistory ok let me ask you

1784

01:27:48,030 --> 01:27:46,300

about the World Federation Society if

1785

01:27:51,540 --> 01:27:48,040

you know anything about that is that

1786

01:27:54,979 --> 01:27:51,550

part of the secret society and what

1787

01:27:59,250 --> 01:27:54,989

about the Georgia Guidestones that

1788

01:28:02,610 --> 01:27:59,260

that list is population control what

1789

01:28:05,100 --> 01:28:02,620

they're tied to both of those mm-hmm so

1790

01:28:06,390 --> 01:28:05,110

the Georgia Guidestones for example are

1791

01:28:10,620 --> 01:28:06,400

thought to be put there by the

1792

01:28:14,310 --> 01:28:10,630

Rosicrucians and it is part of the

1793

01:28:17,400 --> 01:28:14,320

secret societies belief that a there is

1794

01:28:18,840 --> 01:28:17,410

too many people here so in let's go back

1795

01:28:21,479 --> 01:28:18,850

to what I said a little bit earlier in

1796

01:28:23,430 --> 01:28:21,489

1972 of the Club of Rome they said

1797

01:28:24,900 --> 01:28:23,440

there's three major problems and that's

1798

01:28:27,360 --> 01:28:24,910

what we're going to use the cattle herd

1799

01:28:29,490 --> 01:28:27,370

people into the end time one being peak

1800

01:28:31,940 --> 01:28:29,500

oil we're seeing what's happening with

1801

01:28:34,020 --> 01:28:31,950

lots of oil these days second being

1802

01:28:36,870 --> 01:28:34,030

overpopulation and the third being the

1803

01:28:39,150 --> 01:28:36,880

ever-popular global warming even though

1804

01:28:41,820 --> 01:28:39,160

at that time the predominant theory was

1805

01:28:43,530 --> 01:28:41,830

is is the ice age so they use that

1806

01:28:46,800 --> 01:28:43,540

there those are all things that they're

1807

01:28:50,310 --> 01:28:46,810

doing to sort of cattle herd everybody

1808

01:28:54,180 --> 01:28:50,320

in cross borders with ideas to to bring

1809

01:28:57,800 --> 01:28:54,190

about an end time scenario where you've

1810

01:29:00,570 --> 01:28:57,810

got ten Federation's of the world or ten

1811

01:29:04,470 --> 01:29:00,580

empires are the role of 10-x economic

1812

01:29:06,690 --> 01:29:04,480

zones now in their world is is that if

1813

01:29:08,640 --> 01:29:06,700

you don't have these genetic markers

1814

01:29:11,280 --> 01:29:08,650

that people were talking about earlier

1815

01:29:14,550 --> 01:29:11,290

if you don't have the the bloodlines if

1816

01:29:17,820 --> 01:29:14,560

you're not deemed to be part of the

1817

01:29:20,610 --> 01:29:17,830

superior new man that the nazis talked

1818

01:29:25,400 --> 01:29:20,620

about which is the same language in the

1819

01:29:30,570 --> 01:29:25,410

same belief system you will be either

1820

01:29:32,970 --> 01:29:30,580

slaughtered imprisoned or enslaved and

1821

01:29:36,000 --> 01:29:32,980

therefore if you are looked upon like

1822

01:29:39,600 --> 01:29:36,010

cattle you will be dealt with like

1823

01:29:42,150 --> 01:29:39,610

cattle so yes they will intend on

1824

01:29:45,920 --> 01:29:42,160

getting rid of those not worthy to

1825

01:29:49,110 --> 01:29:45,930

evolve into the new age of aquarius and

1826

01:29:50,580 --> 01:29:49,120

who is considered worthy and who is not

1827

01:29:53,370 --> 01:29:50,590

considered worthy who makes that

1828

01:29:56,190 --> 01:29:53,380

decision they make that decision based

1829

01:29:57,990 --> 01:29:56,200

on their belief is is that they have the

1830

01:30:00,660 --> 01:29:58,000

spark of the divine that's been planted

1831

01:30:02,670 --> 01:30:00,670

in the descendants of the Nephilim

1832

01:30:04,950 --> 01:30:02,680

across the earth and they need world

1833

01:30:08,790 --> 01:30:04,960

government to get this you've heard of

1834

01:30:14,340 --> 01:30:08,800

this harmonic conversion to vibrate and

1835

01:30:16,530 --> 01:30:14,350

to to evolve into a high level of being

1836

01:30:18,300 --> 01:30:16,540

this is their belief system that that

1837

01:30:20,190 --> 01:30:18,310

spark of the divine in that mark of

1838

01:30:22,980 --> 01:30:20,200

whatever DNA or bloodline that they're

1839

01:30:25,910 --> 01:30:22,990

going to use once it's United will allow

1840

01:30:32,820 --> 01:30:25,920

them to evolve into a demigod against

1841

01:30:36,270 --> 01:30:32,830

and so I just lost my train of thought

1842

01:30:40,550 --> 01:30:36,280

there for a second so what they're

1843

01:30:44,670 --> 01:30:40,560

trying to do is to say we only need

1844

01:30:46,590 --> 01:30:44,680

people to serve us and so the population

1845

01:30:48,780 --> 01:30:46,600

that's going to be laughed is is only

1846

01:30:55,260 --> 01:30:48,790

these deem worthy that believe in what

1847

01:30:58,200 --> 01:30:55,270

we do or who will serve us okay that's

1848

01:31:02,370 --> 01:30:58,210

yeah well that's that's very disturbing

1849

01:31:06,840 --> 01:31:02,380

Gary that that you know if this comes to

1850

01:31:08,430 --> 01:31:06,850

fruition and this happens and that

1851
01:31:14,430 --> 01:31:08,440
Georgia Guidestones

1852
01:31:17,640 --> 01:31:14,440
you know whatever that is if that thing

1853
01:31:20,700 --> 01:31:17,650
gets implemented and the secret

1854
01:31:26,280 --> 01:31:20,710
societies you know begin to implement

1855
01:31:29,180 --> 01:31:26,290
their evil plan that that is really

1856
01:31:34,530 --> 01:31:29,190
disturbing because of life as we know it

1857
01:31:38,550 --> 01:31:34,540
it's done there's there's no more what

1858
01:31:42,030 --> 01:31:38,560
we know there's no more you know no more

1859
01:31:45,560 --> 01:31:42,040
that there is no individuality there is

1860
01:31:51,570 --> 01:31:45,570
no freedom there's no Liberty there is

1861
01:31:53,520 --> 01:31:51,580
control and that's that is disturbing it

1862
01:31:56,070 --> 01:31:53,530
is disturbing and it is what they're

1863
01:31:59,010 --> 01:31:56,080

applauding that means that these guys

1864

01:32:03,180 --> 01:31:59,020

are so powerful that the United States

1865

01:32:06,410 --> 01:32:03,190

of America as we know it is no longer

1866

01:32:09,180 --> 01:32:06,420

the United States of America it is I

1867

01:32:10,800 --> 01:32:09,190

don't know it's something else is it's

1868

01:32:12,480 --> 01:32:10,810

it's not the land of the free and home

1869

01:32:15,300 --> 01:32:12,490

of the brave anymore that's certainly

1870

01:32:18,030 --> 01:32:15,310

for sure how in the world do we count

1871

01:32:20,730 --> 01:32:18,040

does this happen how was this how could

1872

01:32:22,620 --> 01:32:20,740

anything like this ever happen well

1873

01:32:24,570 --> 01:32:22,630

let's start with the United States for

1874

01:32:27,000 --> 01:32:24,580

example and again I'll talk about this

1875

01:32:30,920 --> 01:32:27,010

in the book and and make the connections

1876

01:32:34,590 --> 01:32:30,930

is is the United States was created by

1877

01:32:39,570 --> 01:32:34,600

the from the dream of the Knights

1878

01:32:43,710 --> 01:32:39,580

Templar to create United States that

1879

01:32:46,710 --> 01:32:43,720

would work and it was carried on by the

1880

01:32:48,420 --> 01:32:46,720

Freemason area organization that after

1881

01:32:52,850 --> 01:32:48,430

the Templars collapsed that they were

1882

01:32:55,680 --> 01:32:52,860

restarted in Scotland and kept on with

1883

01:32:57,480 --> 01:32:55,690

the dream to create the new Atlantis and

1884

01:32:59,040 --> 01:32:57,490

the new Atlantis was going to be started

1885

01:33:00,830 --> 01:32:59,050

with a new model country that they knew

1886

01:33:04,170 --> 01:33:00,840

about even before it was discovered

1887

01:33:06,600 --> 01:33:04,180

across the sea in America and so the

1888

01:33:09,000 --> 01:33:06,610

United States was created as a role

1889

01:33:11,940 --> 01:33:09,010

model of States

1890

01:33:15,210 --> 01:33:11,950

with some Authority working together in

1891

01:33:19,800 --> 01:33:15,220

a Commonwealth as a model for the New

1892

01:33:22,110 --> 01:33:19,810

Atlantis or world government and so even

1893

01:33:25,290 --> 01:33:22,120

though it appears that the United States

1894

01:33:28,710 --> 01:33:25,300

was created for the home of the free and

1895

01:33:31,680 --> 01:33:28,720

the Mavericks it has always been

1896

01:33:33,450 --> 01:33:31,690

controlled by secret societies right

1897

01:33:36,120 --> 01:33:33,460

from the beginning and again people have

1898

01:33:38,940 --> 01:33:36,130

seen over and over and over all how much

1899

01:33:41,190 --> 01:33:38,950

effect the Freemasons had on the

1900

01:33:43,320 --> 01:33:41,200

Constitution on the creation of the

1901

01:33:45,300 --> 01:33:43,330

country and again I'll talk about more

1902

01:33:46,620 --> 01:33:45,310

on that in my book but there's lots and

1903

01:33:48,930 --> 01:33:46,630

lots and lots of material out there

1904

01:33:52,020 --> 01:33:48,940

about that you know the icons on the

1905

01:33:55,170 --> 01:33:52,030

American dollar it is controlled by the

1906

01:33:57,030 --> 01:33:55,180

secret societies I name all of the

1907

01:33:59,220 --> 01:33:57,040

presidents that were freemasons it's an

1908

01:34:02,700 --> 01:33:59,230

astounding number all of the connections

1909

01:34:04,530 --> 01:34:02,710

to the CFR and all of the organizations

1910

01:34:06,930 --> 01:34:04,540

controlled by Freemasonry and the

1911

01:34:10,440 --> 01:34:06,940

Rosicrucians on the Illuminati and just

1912

01:34:13,440 --> 01:34:10,450

so people understand the order is is the

1913

01:34:15,690 --> 01:34:13,450

Adept of the Freemasonry organization

1914

01:34:18,300 --> 01:34:15,700

are drafted in they are illuminated and

1915

01:34:21,570 --> 01:34:18,310

so they become the Illuminati and then

1916

01:34:23,550 --> 01:34:21,580

the the most illuminated and I would

1917

01:34:26,040 --> 01:34:23,560

presume some that are start at having

1918

01:34:28,530 --> 01:34:26,050

some of the the noble bloodlines will be

1919

01:34:31,470 --> 01:34:28,540

drafted into the Rosicrucians and then

1920

01:34:32,880 --> 01:34:31,480

within that Rosicrucians there's going

1921

01:34:35,280 --> 01:34:32,890

to be some pure bloodlines that are

1922

01:34:37,590 --> 01:34:35,290

representing the 13 families to help

1923

01:34:39,810 --> 01:34:37,600

control all these organizations oh wait

1924

01:34:41,870 --> 01:34:39,820

hold on hold on we got a caller on the

1925

01:34:44,070 --> 01:34:41,880

line I need to get to run at a time

1926

01:34:46,800 --> 01:34:44,080

color what is your name and where you

1927

01:34:49,530 --> 01:34:46,810

come from hello Esther time

1928

01:34:53,400 --> 01:34:49,540

hi Gary thank you very much great guest

1929

01:34:55,350 --> 01:34:53,410

quick question who did an you assigned

1930

01:34:57,780 --> 01:34:55,360

to the Age of Aquarius ruling would it

1931

01:35:00,270 --> 01:34:57,790

be mark to your findings or who do you

1932

01:35:02,190 --> 01:35:00,280

suspect there you get about one minute

1933

01:35:05,280 --> 01:35:02,200

or so okay give me the question again

1934

01:35:07,590 --> 01:35:05,290

who did a new assigned who did a new

1935

01:35:11,910 --> 01:35:07,600

assigned to rule the Age of Aquarius of

1936

01:35:14,040 --> 01:35:11,920

the Council of 12 would be Marduk yeah

1937

01:35:17,490 --> 01:35:14,050

Marduk would be would be my best guess

1938

01:35:20,390 --> 01:35:17,500

on that absolutely I mean Marduk mean

1939

01:35:22,299 --> 01:35:20,400
you have three or four different

1940

01:35:24,250 --> 01:35:22,309
languages whether it's

1941

01:35:26,439 --> 01:35:24,260
and cultures between the Babylonians and

1942

01:35:28,899 --> 01:35:26,449
their canyons are all talking about the

1943

01:35:30,609 --> 01:35:28,909
same God but Marduk would be the most

1944

01:35:35,410 --> 01:35:30,619
common name amongst all of those

1945

01:35:39,160 --> 01:35:35,420
cultures thank you very much okay thanks

1946

01:35:41,740 --> 01:35:39,170
for the coal we are quickly running out

1947

01:35:45,220 --> 01:35:41,750
of time here Gary tell us how to get

1948

01:35:47,939 --> 01:35:45,230
your book your website and what you got

1949

01:35:54,490 --> 01:35:47,949
in the works next if you got anything

1950

01:35:56,169 --> 01:35:54,500
well I'm still writing another book I'm

1951

01:35:58,330 --> 01:35:56,179

spending most of my time these days just

1952

01:36:02,950 --> 01:35:58,340

promoting my book and again that's

1953

01:36:06,220 --> 01:36:02,960

available on WWE know six conspiracy

1954

01:36:07,720 --> 01:36:06,230

calm my new book will go into a little

1955

01:36:10,959 --> 01:36:07,730

bit different direction it will begin

1956

01:36:15,700 --> 01:36:10,969

with the Nephilim but we'll go into more

1957

01:36:17,979 --> 01:36:15,710

prophecy and the the second Exodus in

1958

01:36:19,689 --> 01:36:17,989

the end time so it'll have some

1959

01:36:22,149 --> 01:36:19,699

mythology and I'll have a lot of history

1960

01:36:24,250 --> 01:36:22,159

it'll have similar things but it's a

1961

01:36:24,700 --> 01:36:24,260

it's really pretty much in a different

1962

01:36:26,919 --> 01:36:24,710

direction

1963

01:36:29,709 --> 01:36:26,929

okay everybody make sure you go to

1964

01:36:33,729 --> 01:36:29,719

Gary's website Genesis six the number

1965

01:36:35,589 --> 01:36:33,739

six Genesis six conspiracy calm Gary

1966

01:36:37,689 --> 01:36:35,599

thanks for coming on epic voyages radio

1967

01:36:40,029 --> 01:36:37,699

tonight thank you

1968

01:36:43,390 --> 01:36:40,039

I was a very much of my pleasure to be

1969

01:36:46,240 --> 01:36:43,400

here and I hope the audience enjoyed the

1970

01:36:49,149 --> 01:36:46,250

discussion oh we did it was a great

1971

01:36:51,370 --> 01:36:49,159

discussion new insights into Genesis and

1972

01:36:53,200 --> 01:36:51,380

the Genesis six and the Nephilim make

1973

01:36:56,970 --> 01:36:53,210

sure you go to Genesis six conspiracy

1974

01:37:00,819 --> 01:36:56,980

dot-com pick up the book 800 pages of

1975

01:37:04,479 --> 01:37:00,829

reading material at your disposal in

1976

01:37:07,270 --> 01:37:04,489

your hands I highly recommend it based

1977

01:37:09,580 --> 01:37:07,280

on the the interview tonight I can't

1978

01:37:11,439 --> 01:37:09,590

wait to get my copy okay guys that's it

1979

01:37:13,180 --> 01:37:11,449

for us remember in a time of universal

1980

01:37:15,250 --> 01:37:13,190

deceit telling the truth is a

1981

01:37:17,589 --> 01:37:15,260

revolutionary act good night from all of

1982

01:37:19,959 --> 01:37:17,599

us here for my producer Joe champion ken

1983

01:37:21,609 --> 01:37:19,969

cherry from epic voyages radio and Keith

1984

01:37:24,370 --> 01:37:21,619

Roland from the dark matter digital

1985

01:37:27,430 --> 01:37:24,380

network you're listening to epic voyages

1986

01:37:34,899 --> 01:37:27,440

radio and until next time the truth is

1987

01:37:39,160 --> 01:37:36,729

thank you for being with us tonight

1988

01:37:40,629 --> 01:37:39,170

please join us again next Monday evening

1989

01:37:43,419 --> 01:37:40,639

for extraordinary phenomenon

1990

01:37:44,530 --> 01:37:43,429

investigations Council's epic voyagers
