

PANG Radio

Mike Lucas & Ken Storch

Dick & Marilyn Carlson 2.0

1
00:00:04,190 --> 00:00:02,180
everybody I'm Bill burns yeah nancy

2
00:00:07,340 --> 00:00:04,200
burns here I work in future theater and

3
00:00:13,700 --> 00:00:07,350
you know we like to listen to mmm radio

4
00:00:15,140 --> 00:00:13,710
on sunday nights at 9pm 9pm what o.o the

5
00:00:18,080 --> 00:00:15,150
best network on the whole entire

6
00:00:20,660 --> 00:00:18,090
internet inception radio network you're

7
00:00:28,779 --> 00:00:20,670
locked into inception radio network

8
00:01:17,890 --> 00:01:07,200
you

9
00:01:23,160 --> 00:01:20,230
good evening folks welcome to paying

10
00:01:27,130 --> 00:01:23,170
radio tonight is Sunday October fifth

11
00:01:28,870 --> 00:01:27,140
2014 and we have a very very good show

12
00:01:30,550 --> 00:01:28,880
tonight it's kind of like a

13
00:01:32,440 --> 00:01:30,560

groundbreaking show information never

14

00:01:35,170 --> 00:01:32,450
released so it's it's it's it's a good

15

00:01:38,680 --> 00:01:35,180
one to be listening tonight and with me

16

00:01:40,870 --> 00:01:38,690
tonight is my co-host ken can storage

17

00:01:42,850 --> 00:01:40,880
how you doing Ken hello people how you

18

00:01:46,810 --> 00:01:42,860
doing tonight yeah you're right MJ we're

19

00:01:48,610 --> 00:01:46,820
going to have a yeah groundbreaking show

20

00:01:50,080 --> 00:01:48,620
I guess is a good way of putting it you

21

00:01:53,560 --> 00:01:50,090
know if we're going to we're going to

22

00:01:55,600 --> 00:01:53,570
dwell in to elaine Douglasses files yam

23

00:01:59,080 --> 00:01:55,610
and we hear there's uh there's there's a

24

00:02:02,109 --> 00:01:59,090
lot of files a lot of pages and I don't

25

00:02:04,800 --> 00:02:02,119
think Marilyn and Dick have even match

26
00:02:08,160 --> 00:02:04,810
the circus massive massive amounts of

27
00:02:12,220 --> 00:02:08,170
massive amounts of information and and

28
00:02:14,470 --> 00:02:12,230
she was a she passed away here about I'm

29
00:02:19,270 --> 00:02:14,480
not really sure maybe six months ago but

30
00:02:21,460 --> 00:02:19,280
she was an avid researcher a very dogged

31
00:02:26,860 --> 00:02:21,470
in her pursuits and a research and some

32
00:02:30,880 --> 00:02:26,870
pretty insight information concerning

33
00:02:34,210 --> 00:02:30,890
flying saucers and the US government so

34
00:02:37,890 --> 00:02:34,220
it should be interesting yeah she uh she

35
00:02:40,420 --> 00:02:37,900
was the head of jars and that is the

36
00:02:42,220 --> 00:02:40,430
journal of abduction encounter research

37
00:02:45,699 --> 00:02:42,230
and she said on a quarterly magazine so

38
00:02:47,560 --> 00:02:45,709

she was a deep into out GM yeah she was

39

00:02:49,120 --> 00:02:47,570

into it big time and I believe her

40

00:02:50,410 --> 00:02:49,130

website is still active I'm going to

41

00:02:52,449 --> 00:02:50,420

check that quick and I'll throw it in

42

00:02:54,640 --> 00:02:52,459

chat I believe it is I'm sure someone's

43

00:02:57,370 --> 00:02:54,650

running it with for her right now yeah

44

00:03:00,699 --> 00:02:57,380

you can our listeners if you go to the

45

00:03:02,380 --> 00:03:00,709

type in Oklahoma UFO paranormal research

46

00:03:04,750 --> 00:03:02,390

group they've put up a bunch of her

47

00:03:07,560 --> 00:03:04,760

files and you can access them and

48

00:03:09,670 --> 00:03:07,570

there's some interesting interesting

49

00:03:12,340 --> 00:03:09,680

information and we're going to talk

50

00:03:14,530 --> 00:03:12,350

about two cases that we just pulled out

51
00:03:16,539 --> 00:03:14,540
and studied for the past couple of weeks

52
00:03:18,460 --> 00:03:16,549
so I think our listeners are going to

53
00:03:21,729 --> 00:03:18,470
find them very interesting and

54
00:03:23,590 --> 00:03:21,739
insightful so you bet hey I got a couple

55
00:03:26,110 --> 00:03:23,600
of shout outs if we got time nor MJ oh

56
00:03:28,660 --> 00:03:26,120
go ahead i have a few myself excellent

57
00:03:30,410 --> 00:03:28,670
well i want to say hello to aaron and

58
00:03:32,420 --> 00:03:30,420
Carrie I know they're driving

59
00:03:33,710 --> 00:03:32,430
back to tishomingo Oklahoma I was

60
00:03:35,240 --> 00:03:33,720
talking to him earlier this afternoon

61
00:03:37,490 --> 00:03:35,250
and they're going to be listening and

62
00:03:39,740 --> 00:03:37,500
you guys be safe on the highway and

63
00:03:42,470 --> 00:03:39,750

thanks again for your patronage and

64

00:03:45,170 --> 00:03:42,480

listening and all your questions and the

65

00:03:47,570 --> 00:03:45,180

other one is to Lorna hunter of lipid

66

00:03:50,000 --> 00:03:47,580

and I want to thank you Lorna for all

67

00:03:52,640 --> 00:03:50,010

your hard work and turning us on to some

68

00:03:55,400 --> 00:03:52,650

really good guest well done i'm going to

69

00:03:57,830 --> 00:03:55,410

be a guest for them tomorrow evening so

70

00:04:00,020 --> 00:03:57,840

i'm looking forward to that so once

71

00:04:02,120 --> 00:04:00,030

again Lorna thanks yeah and Lorna's

72

00:04:05,120 --> 00:04:02,130

learn is definitely helping us line up

73

00:04:06,380 --> 00:04:05,130

some good guess too and we're not going

74

00:04:08,360 --> 00:04:06,390

to say who we're going to have that

75

00:04:11,300 --> 00:04:08,370

we're gonna definitely have some great

76

00:04:13,250 --> 00:04:11,310

great people in the field on yep I think

77

00:04:15,350 --> 00:04:13,260

people will be very pleased absolutely

78

00:04:17,330 --> 00:04:15,360

my shoutouts go to of course my favorite

79

00:04:20,240 --> 00:04:17,340

other mother debra anderson in duluth

80

00:04:22,099 --> 00:04:20,250

minnesota and today i decided to throw

81

00:04:23,540 --> 00:04:22,109

up a little post on facebook to see

82

00:04:26,900 --> 00:04:23,550

where everybody's listening to tonight

83

00:04:28,520 --> 00:04:26,910

so tonight we have Sean God arou go to

84

00:04:30,350 --> 00:04:28,530

room sorry Sean ahem hatching in it a

85

00:04:32,450 --> 00:04:30,360

name he's call it he's listening in New

86

00:04:34,790 --> 00:04:32,460

Orleans Louisiana and then we have

87

00:04:38,810 --> 00:04:34,800

engagin yep Dean Rhaegar listening from

88

00:04:41,750 --> 00:04:38,820

peacehaven south east england Oh jolly

89
00:04:43,430 --> 00:04:41,760
good yes yes I mean he must be stayed up

90
00:04:47,870 --> 00:04:43,440
pretty late to listen to us yeah

91
00:04:49,279 --> 00:04:47,880
appreciate that thank you thought that

92
00:04:50,810 --> 00:04:49,289
was eluding so I'm gonna little vacation

93
00:04:53,180 --> 00:04:50,820
this week and I think later in the week

94
00:04:55,250 --> 00:04:53,190
I hi I'm a little bit behind on my MUFON

95
00:04:57,469 --> 00:04:55,260
cases can so I'm gonna have to do some

96
00:04:59,779 --> 00:04:57,479
catching up and some calling and I'll

97
00:05:02,390 --> 00:04:59,789
just for listeners there was a quite

98
00:05:04,760 --> 00:05:02,400
excitement in Breckenridge Colorado here

99
00:05:08,480 --> 00:05:04,770
at last couple of days the police

100
00:05:10,490 --> 00:05:08,490
department got involved some strange

101
00:05:13,580 --> 00:05:10,500
lights in broad daylight actually it was

102
00:05:16,190 --> 00:05:13,590
early morning but it was daylight over

103
00:05:18,230 --> 00:05:16,200
Bald Mountain and Breckenridge and there

104
00:05:20,390 --> 00:05:18,240
were three unidentified objects that

105
00:05:23,210 --> 00:05:20,400
people were seeing and they were doing

106
00:05:25,250 --> 00:05:23,220
some pretty spectacular flying they've

107
00:05:28,520 --> 00:05:25,260
formed a circle a triangle and a

108
00:05:29,930 --> 00:05:28,530
straight line and the Breckenridge and

109
00:05:32,900 --> 00:05:29,940
the summit county sheriff's department

110
00:05:36,230 --> 00:05:32,910
was inundated with calls with the people

111
00:05:37,640 --> 00:05:36,240
up in Breckenridge Colorado got a good

112
00:05:39,439 --> 00:05:37,650
brewery up there I don't think the

113
00:05:41,119 --> 00:05:39,449

brewery had anything to do with it

114

00:05:43,369 --> 00:05:41,129

you know you know can't kid i ran across

115

00:05:45,379 --> 00:05:43,379

that that in my feed to a story i'll

116

00:05:47,089 --> 00:05:45,389

post that in a inception radio networks

117

00:05:48,950 --> 00:05:47,099

Facebook page for everybody to read but

118

00:05:50,989 --> 00:05:48,960

I thought about you too when I was

119

00:05:52,670 --> 00:05:50,999

reading that so I I'd seen the case

120

00:05:55,459 --> 00:05:52,680

myself come across the feed late earlier

121

00:05:59,149 --> 00:05:55,469

today too yeah I had a I've got a friend

122

00:06:01,070 --> 00:05:59,159

that works for summit county s oh and he

123

00:06:04,070 --> 00:06:01,080

emailed me say hey where are you we need

124

00:06:06,559 --> 00:06:04,080

you and is that a whole lot I can do

125

00:06:10,959 --> 00:06:06,569

about lights in the sky but speaking of

126

00:06:15,469 --> 00:06:10,969

which did you get those pictures that

127

00:06:18,379 --> 00:06:15,479

dick sent you of the craft that that I

128

00:06:19,820 --> 00:06:18,389

was sent to me yeah I did I did get them

129

00:06:21,709 --> 00:06:19,830

in my email there's some very good

130

00:06:24,260 --> 00:06:21,719

pictures there on what we'll have to do

131

00:06:26,420 --> 00:06:24,270

is I will I will create a folder on my

132

00:06:28,670 --> 00:06:26,430

photobucket and then i will give people

133

00:06:30,079 --> 00:06:28,680

access to the photobucket to take a look

134

00:06:33,139 --> 00:06:30,089

at them photos if that's okay with you

135

00:06:34,760 --> 00:06:33,149

guys oh absolutely and if that doesn't

136

00:06:38,089 --> 00:06:34,770

work they can once again I think dick

137

00:06:42,439 --> 00:06:38,099

has got them posted up on the Oklahoma

138

00:06:45,409 --> 00:06:42,449

UFO paranormal page and there's some

139

00:06:47,899 --> 00:06:45,419

comments about and folks these are taken

140

00:06:50,389 --> 00:06:47,909

with 35 millimeters that's not

141

00:06:54,709 --> 00:06:50,399

photoshopped they aren't digital they're

142

00:06:58,730 --> 00:06:54,719

taken during the 50 60s and 70s I have

143

00:07:01,159 --> 00:06:58,740

not seen any of these on the internet or

144

00:07:04,219 --> 00:07:01,169

in any of the books that I have over the

145

00:07:06,529 --> 00:07:04,229

years these are new different

146

00:07:08,480 --> 00:07:06,539

photographs and they're not just lights

147

00:07:12,260 --> 00:07:08,490

in the sky these were taken like I said

148

00:07:13,699 --> 00:07:12,270

with someone with telephoto lens some of

149

00:07:16,459 --> 00:07:13,709

them were taken from a Coast Guard

150

00:07:17,899 --> 00:07:16,469

Cutter ship out in the Pacific Ocean I

151
00:07:20,989 --> 00:07:17,909
think there's like three or four

152
00:07:22,760 --> 00:07:20,999
that'll just jaw-dropping okay they're

153
00:07:25,279 --> 00:07:22,770
not let's put it this way they weren't

154
00:07:27,589 --> 00:07:25,289
photoshopped and they weren't hubcaps

155
00:07:34,159 --> 00:07:27,599
thrown up in the air and snapshot okay

156
00:07:38,059 --> 00:07:34,169
these were taken by a variety of of

157
00:07:42,079 --> 00:07:38,069
authors but somehow they were sent to me

158
00:07:45,199 --> 00:07:42,089
and from a contact that I met up in

159
00:07:48,130 --> 00:07:45,209
Alaska about three years ago and he or

160
00:07:51,140 --> 00:07:48,140
she was still active duty and

161
00:07:52,730 --> 00:07:51,150
they said they would send me something

162
00:07:54,950 --> 00:07:52,740
special and they did and I think there's

163
00:07:56,390 --> 00:07:54,960

more on the way MJ there's I'm trying to

164

00:07:58,220 --> 00:07:56,400

get the negatives is when I'm trying to

165

00:07:59,690 --> 00:07:58,230

drive so you know right right and and

166

00:08:01,670 --> 00:07:59,700

they're black and white to a lot of them

167

00:08:03,290 --> 00:08:01,680

so I mean it there's just some lot of

168

00:08:05,150 --> 00:08:03,300

them aren't color and there is one of a

169

00:08:06,980 --> 00:08:05,160

cobb tovar the is it over the Kremlin oh

170

00:08:09,830 --> 00:08:06,990

it's over some type of Nazi building

171

00:08:14,000 --> 00:08:09,840

soul that's over that was taken in 1933

172

00:08:16,100 --> 00:08:14,010

was a naval attache a at the right stack

173

00:08:19,880 --> 00:08:16,110

in I'm not pronouncing that right I

174

00:08:23,090 --> 00:08:19,890

don't have right stock in Berlin in 1933

175

00:08:26,420 --> 00:08:23,100

and yeah you can see the Nazi flags the

176
00:08:28,670 --> 00:08:26,430
swastika in the windows of the buildings

177
00:08:29,990 --> 00:08:28,680
but here's this dome shaped object and

178
00:08:31,670 --> 00:08:30,000
if you look closely you can see the

179
00:08:33,950 --> 00:08:31,680
people in the parking lot looking up at

180
00:08:37,040 --> 00:08:33,960
it yeah man this is and this is pre I

181
00:08:40,640 --> 00:08:37,050
mean Roswell stuff so oh yeah yeah yeah

182
00:08:43,990 --> 00:08:40,650
yeah hey there's no way that that object

183
00:08:46,070 --> 00:08:44,000
ok is hoax that's the real deal you know

184
00:08:48,230 --> 00:08:46,080
1933 give me a break and it's a

185
00:08:50,750 --> 00:08:48,240
black-and-white photograph I do not know

186
00:08:53,690 --> 00:08:50,760
the author of it it is suspected that it

187
00:08:56,720 --> 00:08:53,700
was taken by a naval officer United

188
00:08:59,840 --> 00:08:56,730

States Navy that was on attached to the

189

00:09:02,750 --> 00:08:59,850

embassy there so it's pretty

190

00:09:04,100 --> 00:09:02,760

extraordinary I urge our listeners to

191

00:09:06,710 --> 00:09:04,110

take a look at it I think they'll find

192

00:09:09,140 --> 00:09:06,720

it very compelling what i'll do is i

193

00:09:11,570 --> 00:09:09,150

will put them in blocks of 5 on

194

00:09:13,730 --> 00:09:11,580

inception radio network and that way i

195

00:09:15,350 --> 00:09:13,740

mean i mean i think there was about 20

196

00:09:17,690 --> 00:09:15,360

in my one email but do i'll do them in

197

00:09:18,950 --> 00:09:17,700

blocks of 5 and let you guys let the

198

00:09:21,260 --> 00:09:18,960

listeners see it on inception radio

199

00:09:22,910 --> 00:09:21,270

network so just look at yeah yeah and

200

00:09:25,550 --> 00:09:22,920

and you know what's interesting about

201
00:09:28,190 --> 00:09:25,560
the MJ is that you know so often people

202
00:09:29,990 --> 00:09:28,200
say oh you know it's just a light in the

203
00:09:31,940 --> 00:09:30,000
sky it could be anything and then when

204
00:09:33,740 --> 00:09:31,950
you show a really good photograph it's

205
00:09:36,440 --> 00:09:33,750
automatically well it has to be hoaxes

206
00:09:38,570 --> 00:09:36,450
it's photoshop well what's what's good

207
00:09:40,700 --> 00:09:38,580
about these photographs okay is that

208
00:09:42,410 --> 00:09:40,710
they were taken with 35 millimeter and

209
00:09:43,910 --> 00:09:42,420
there's a lot in a lot of the

210
00:09:46,310 --> 00:09:43,920
photographs there's a lot of background

211
00:09:48,710 --> 00:09:46,320
definition that gives you perspective of

212
00:09:51,320 --> 00:09:48,720
where the object is and how big it is

213
00:09:54,770 --> 00:09:51,330

and you can realize that it's not it's

214

00:09:56,540 --> 00:09:54,780

not hoaxed you know especially the ones

215

00:09:59,000 --> 00:09:56,550

taken from the airplanes i find those

216

00:10:00,770 --> 00:09:59,010

fascinating okay

217

00:10:03,170 --> 00:10:00,780

get out of an aircraft window and it

218

00:10:05,570 --> 00:10:03,180

okay well tell me how you threw a hubcap

219

00:10:07,400 --> 00:10:05,580

out there okay and these these are very

220

00:10:11,090 --> 00:10:07,410

definitive photographs I mean they show

221

00:10:12,860 --> 00:10:11,100

an object of material ya what I'll do is

222

00:10:14,660 --> 00:10:12,870

I'll pulse the first five after the show

223

00:10:17,540 --> 00:10:14,670

for our listeners will take a look there

224

00:10:19,130 --> 00:10:17,550

and share them with whoever but this is

225

00:10:23,540 --> 00:10:19,140

some pretty girl make breaking a

226

00:10:27,050 --> 00:10:23,550

photography to that yeah yeah I you know

227

00:10:30,500 --> 00:10:27,060

I get questions all the time you know

228

00:10:35,540 --> 00:10:30,510

the photographic evidence and I think

229

00:10:38,480 --> 00:10:35,550

not that these are a cure-all for for

230

00:10:40,790 --> 00:10:38,490

the flying saucer or UFO phenomena but

231

00:10:43,280 --> 00:10:40,800

you know once again you look at the time

232

00:10:44,780 --> 00:10:43,290

frame you can see pictures of vehicles

233

00:10:46,430 --> 00:10:44,790

in the car and you can tell it was a

234

00:10:48,670 --> 00:10:46,440

nineteen sixty Chevrolet or an

235

00:10:51,020 --> 00:10:48,680

Oldsmobile or whatever I did notice that

236

00:10:54,140 --> 00:10:51,030

and the hair styles of some of the

237

00:10:56,420 --> 00:10:54,150

people and like the 1933 in Berlin of

238

00:10:58,070 --> 00:10:56,430

you know in Germany that's pretty

239

00:10:59,420 --> 00:10:58,080

compelling I think that's what that's

240

00:11:01,130 --> 00:10:59,430

what caught my eye was the age of the

241

00:11:04,400 --> 00:11:01,140

vehicles too and some of the photography

242

00:11:09,500 --> 00:11:04,410

yes oh yeah well can and and I'd like I

243

00:11:11,060 --> 00:11:09,510

urge your listeners oh yeah yeah go

244

00:11:12,890 --> 00:11:11,070

ahead well can't go ahead and I

245

00:11:15,980 --> 00:11:12,900

introduce our guests they are on the

246

00:11:21,740 --> 00:11:15,990

line okay tonight we are fortunate to

247

00:11:26,150 --> 00:11:21,750

have Maryland and dick Carlson they were

248

00:11:31,850 --> 00:11:26,160

able to acquire elaine Douglasses UFO

249

00:11:34,460 --> 00:11:31,860

files and I just for our listeners who

250

00:11:37,220 --> 00:11:34,470

didn't really know who Elaine Douglas

251

00:11:40,850 --> 00:11:37,230

was or her background I'll let Dickon

252

00:11:43,640 --> 00:11:40,860

and Marilyn address that but it is very

253

00:11:46,660 --> 00:11:43,650

interesting so dick into Maryland

254

00:11:51,530 --> 00:11:46,670

welcome to paying radio and to our show

255

00:11:53,480 --> 00:11:51,540

thanks hi hey we're on hey wanted to

256

00:11:55,400 --> 00:11:53,490

give them our listeners a little

257

00:11:56,990 --> 00:11:55,410

background on the lane Douglas you you

258

00:11:59,210 --> 00:11:57,000

know her better than I did I met her

259

00:12:01,160 --> 00:11:59,220

several times but you guys interacted

260

00:12:04,790 --> 00:12:01,170

with her a lot more than I did so go

261

00:12:08,860 --> 00:12:04,800

ahead uh well I originally worked with

262

00:12:10,150 --> 00:12:08,870

her on committee to reform move fun and

263

00:12:14,740 --> 00:12:10,160

make

264

00:12:18,309 --> 00:12:14,750

tact with her when we both were relieved

265

00:12:20,819 --> 00:12:18,319

of our duties as state directors for

266

00:12:26,829 --> 00:12:20,829

MUFON I was state director of Oklahoma

267

00:12:30,429 --> 00:12:26,839

she was state director of Utah and so we

268

00:12:34,840 --> 00:12:30,439

we did some working together and in the

269

00:12:37,869 --> 00:12:34,850

meantime she she had been diagnosed with

270

00:12:41,889 --> 00:12:37,879

breast cancer before and it came back

271

00:12:44,410 --> 00:12:41,899

with a vengeance and and so after she

272

00:12:50,290 --> 00:12:44,420

passed away towards the end of January

273

00:12:53,439 --> 00:12:50,300

of this year um we got a call from Brad

274

00:12:59,110 --> 00:12:53,449

wise who helped her with the journal for

275

00:13:05,129 --> 00:12:59,120

abduction research magazine and by the

276

00:13:15,129 --> 00:13:10,650

access to to that magazine and he's

277

00:13:18,579 --> 00:13:15,139

maintaining that and anyway Brad Weis

278

00:13:21,300 --> 00:13:18,589

asked us if we we wanted her files and

279

00:13:25,210 --> 00:13:21,310

we said give us two weeks we'll be there

280

00:13:26,439 --> 00:13:25,220

long extender rupture how extensive or

281

00:13:31,629 --> 00:13:26,449

her files what how many are we talking

282

00:13:34,780 --> 00:13:31,639

about oh well we have a total of 378

283

00:13:37,300 --> 00:13:34,790

files okay and there in eight boxes

284

00:13:39,460 --> 00:13:37,310

there's thousands and thousands and

285

00:13:44,679 --> 00:13:39,470

thousands of pages you've seen them can

286

00:13:47,829 --> 00:13:44,689

yeah I know and our website is Elaine

287

00:13:50,620 --> 00:13:47,839

Douglas files calm as here they are and

288

00:13:55,540 --> 00:13:50,630

on the white website we have 113 of the

289

00:14:00,040 --> 00:13:55,550

files listed out of that 378 and so far

290

00:14:02,499 --> 00:14:00,050

we've uploaded 51 so you go into

291

00:14:05,530 --> 00:14:02,509

everything is in blue is and correct me

292

00:14:07,900 --> 00:14:05,540

if I'm not if I'm not wrong but some

293

00:14:10,240 --> 00:14:07,910

very extensive research and not only the

294

00:14:14,619 --> 00:14:10,250

abduction field but in the field of

295

00:14:16,629 --> 00:14:14,629

ufology and and the government in fact

296

00:14:18,549 --> 00:14:16,639

we're going to talk about a couple of

297

00:14:20,470 --> 00:14:18,559

the cases we're going to pick we pick

298

00:14:22,720 --> 00:14:20,480

two cases tonight folks to talk about

299

00:14:23,590 --> 00:14:22,730

they came out of her files and and some

300

00:14:26,559 --> 00:14:23,600

of that information

301
00:14:29,290 --> 00:14:26,569
and was very revealing to me I had no

302
00:14:33,970 --> 00:14:29,300
idea that some of the stuff was going on

303
00:14:40,210 --> 00:14:33,980
so we didn't either yeah I but she was

304
00:14:42,340 --> 00:14:40,220
uh she was very I had told MJ's my my

305
00:14:44,590 --> 00:14:42,350
interaction with her was somewhat

306
00:14:45,790 --> 00:14:44,600
caustic in nature just the way she you

307
00:14:49,840 --> 00:14:45,800
know approached me and how she came

308
00:14:51,999 --> 00:14:49,850
across but very intelligent she was

309
00:14:54,189 --> 00:14:52,009
basically a no-nonsense researcher I

310
00:14:57,689 --> 00:14:54,199
mean she you know she was very dogged

311
00:15:01,269 --> 00:14:57,699
and specific in her research and and and

312
00:15:04,300 --> 00:15:01,279
from what I looked at in the files wow

313
00:15:06,069 --> 00:15:04,310

she she was one hell of a researcher I

314

00:15:08,050 --> 00:15:06,079

mean she did her job she did she did her

315

00:15:10,420 --> 00:15:08,060

homework yes she didn't really know what

316

00:15:13,960 --> 00:15:10,430

to expect when we got there we didn't we

317

00:15:16,480 --> 00:15:13,970

never really visited her in Moab so we

318

00:15:19,990 --> 00:15:16,490

didn't know you know if what if Excel

319

00:15:23,910 --> 00:15:20,000

going to be but just like her they were

320

00:15:28,110 --> 00:15:23,920

meticulously done I mean very little has

321

00:15:30,490 --> 00:15:28,120

even she Brad also offered us her books

322

00:15:31,960 --> 00:15:30,500

in there said oh man we're gonna have to

323

00:15:33,730 --> 00:15:31,970

go through this whole library and pick

324

00:15:36,639 --> 00:15:33,740

all these books up home we got there

325

00:15:40,420 --> 00:15:36,649

here's a sign up on on the edge of the

326

00:15:42,579 --> 00:15:40,430

book it says UFO books yeah she had him

327

00:15:45,970 --> 00:15:42,589

she had him separated out from her other

328

00:15:48,340 --> 00:15:45,980

books about law other subjects that she

329

00:15:50,470 --> 00:15:48,350

might she had an interest in so it was

330

00:15:53,590 --> 00:15:50,480

easy for us to pull the bookshop off the

331

00:15:56,710 --> 00:15:53,600

shelf we ended up with the 12 boxes of

332

00:16:00,040 --> 00:15:56,720

stuff yes but doing the books and the

333

00:16:02,650 --> 00:16:00,050

files yes the books what most of them be

334

00:16:05,499 --> 00:16:02,660

sent over to butch because he was going

335

00:16:07,990 --> 00:16:05,509

to set up a library and we didn't have

336

00:16:09,879 --> 00:16:08,000

any room for that we left a few with her

337

00:16:15,340 --> 00:16:09,889

brother because he wanted some to read

338

00:16:18,910 --> 00:16:15,350

so um and we anyway which got him

339

00:16:22,090 --> 00:16:18,920

because he has a library set up that's

340

00:16:26,259 --> 00:16:22,100

open to the public so we that was a good

341

00:16:29,290 --> 00:16:26,269

place for all those books to go and well

342

00:16:31,360 --> 00:16:29,300

why don't we go ahead say what why don't

343

00:16:33,129 --> 00:16:31,370

we go into two of the cases out of her

344

00:16:36,460 --> 00:16:33,139

file that we talked about since we've

345

00:16:37,030 --> 00:16:36,470

yeah one of the things that we've been

346

00:16:41,050 --> 00:16:37,040

we do not

347

00:16:44,139 --> 00:16:41,060

to have these posted up on on the

348

00:16:47,259 --> 00:16:44,149

website 800 use the flight TWA flight

349

00:16:52,420 --> 00:16:47,269

800 is but the John Ford and the loof on

350

00:16:58,689 --> 00:16:52,430

files are not and we're withholding

351

00:17:01,600 --> 00:16:58,699

those for a little bit until we can make

352

00:17:04,360 --> 00:17:01,610

a decision on how how to handle handle

353

00:17:06,760 --> 00:17:04,370

these files because there's names

354

00:17:09,069 --> 00:17:06,770

there's people mentioned that I know

355

00:17:12,010 --> 00:17:09,079

people have reported and written and

356

00:17:16,960 --> 00:17:12,020

there's been up TV programs that have

357

00:17:20,860 --> 00:17:16,970

been done about a John Ford and and the

358

00:17:22,780 --> 00:17:20,870

Long Island your foe crash but there are

359

00:17:26,020 --> 00:17:22,790

some things that he Lane had her in her

360

00:17:28,240 --> 00:17:26,030

file that none of the researchers have

361

00:17:32,260 --> 00:17:28,250

ever seen before yeah it's pretty

362

00:17:35,950 --> 00:17:32,270

telling absolutely very telling hey just

363

00:17:40,570 --> 00:17:35,960

for the update our listeners and and the

364

00:17:43,570 --> 00:17:40,580

possible UFO connection with TWA flight

365

00:17:45,549 --> 00:17:43,580

800 just for our listeners especially

366

00:17:51,220 --> 00:17:45,559

those on the other side of the of the

367

00:17:55,060 --> 00:17:51,230

marble flight TWA 800 crashed are off

368

00:17:56,860 --> 00:17:55,070

long island new york when was that 1999

369

00:17:58,600 --> 00:17:56,870

was that is that when i went down now a

370

00:18:01,450 --> 00:17:58,610

widow i think it would don't know after

371

00:18:03,720 --> 00:18:01,460

the towers i can't recall right off him

372

00:18:06,510 --> 00:18:03,730

the exact date but there was some

373

00:18:10,000 --> 00:18:06,520

allegation that it had been shot down

374

00:18:13,659 --> 00:18:10,010

yep well if you look at the fire her

375

00:18:17,919 --> 00:18:13,669

file no she she kept every newspaper

376

00:18:21,760 --> 00:18:17,929

report of that it's in her file of that

377

00:18:23,830 --> 00:18:21,770

flight 800 and i mean it is when all the

378

00:18:25,870 --> 00:18:23,840

different twists and turns you know the

379

00:18:29,049 --> 00:18:25,880

government did this and covered up that

380

00:18:33,280 --> 00:18:29,059

and by the reports of they were you know

381

00:18:35,620 --> 00:18:33,290

rockets that took it down and and hills

382

00:18:37,690 --> 00:18:35,630

right the beginning of when they when

383

00:18:40,060 --> 00:18:37,700

they first went down they people made

384

00:18:42,820 --> 00:18:40,070

those claims on Long Island that they

385

00:18:45,039 --> 00:18:42,830

saw three missiles a total of three

386

00:18:50,500 --> 00:18:45,049

missiles go up and hit that airplane I

387

00:18:53,620 --> 00:18:50,510

saw a interview on CBS

388

00:18:56,440 --> 00:18:53,630

news within about two days after flight

389

00:19:00,940 --> 00:18:56,450

800 went down it was on national news I

390

00:19:04,480 --> 00:19:00,950

never saw the broadcast again but they

391

00:19:08,050 --> 00:19:04,490

were interviewing two passengers on

392

00:19:11,380 --> 00:19:08,060

another flight that saw the streaks come

393

00:19:14,230 --> 00:19:11,390

up from the ocean and then there was

394

00:19:15,700 --> 00:19:14,240

this giant fireball in the sky now

395

00:19:19,240 --> 00:19:15,710

what's interesting about these two

396

00:19:20,950 --> 00:19:19,250

eyewitnesses is that they were very

397

00:19:23,200 --> 00:19:20,960

credible and the reason why they were

398

00:19:27,130 --> 00:19:23,210

very credible because they were active

399

00:19:30,940 --> 00:19:27,140

duty Air Force fighter pilots and they

400

00:19:33,430 --> 00:19:30,950

were had flown combat missions in in the

401
00:19:35,530 --> 00:19:33,440
Gulf War and they were very familiar

402
00:19:37,390 --> 00:19:35,540
with missile launches and both of them

403
00:19:39,310 --> 00:19:37,400
were adamant and they didn't know each

404
00:19:41,260 --> 00:19:39,320
other they were sitting in different

405
00:19:44,500 --> 00:19:41,270
parts of the plane and they saw these

406
00:19:46,150 --> 00:19:44,510
streaks rise up from the ocean and then

407
00:19:48,480 --> 00:19:46,160
there was this giant fireball in the sky

408
00:19:51,100 --> 00:19:48,490
so I thought that was very telling and

409
00:19:53,020 --> 00:19:51,110
they never never heard that testimony

410
00:19:56,530 --> 00:19:53,030
again they were never called to testify

411
00:19:59,110 --> 00:19:56,540
you never saw a replay of that interview

412
00:20:01,690 --> 00:19:59,120
there's actually a documentary where we

413
00:20:04,510 --> 00:20:01,700

saw here i think on netflix it was about

414

00:20:08,140 --> 00:20:04,520

flight 800 and they actually even had

415

00:20:09,820 --> 00:20:08,150

the one of the NTSB guys that was

416

00:20:13,000 --> 00:20:09,830

involved in it in some of the stories

417

00:20:14,560 --> 00:20:13,010

they came up with my sarah me myself i

418

00:20:15,850 --> 00:20:14,570

don't really know if there was a missile

419

00:20:17,950 --> 00:20:15,860

or not all i can tell you is what's in

420

00:20:19,630 --> 00:20:17,960

the file but you know I'm an

421

00:20:26,520 --> 00:20:19,640

investigator but that's too long ago did

422

00:20:28,990 --> 00:20:26,530

well and according to the TWA 800

423

00:20:34,450 --> 00:20:29,000

Netflix program if any of you have

424

00:20:37,900 --> 00:20:34,460

netflix there was a cover-up and it went

425

00:20:40,960 --> 00:20:37,910

all the way up to the like the Secretary

426
00:20:42,700 --> 00:20:40,970
of the Navy yeah usually I guess in a

427
00:20:48,280 --> 00:20:42,710
crash from what the NTSB guy says

428
00:20:51,430 --> 00:20:48,290
usually NTSB takes control and in they

429
00:20:54,460 --> 00:20:51,440
had a little bit of control over the

430
00:20:56,470 --> 00:20:54,470
flight 800 parts and pieces and that

431
00:20:59,800 --> 00:20:56,480
sort of thing but they didn't have full

432
00:21:02,890 --> 00:20:59,810
control the FBI and other people came in

433
00:21:04,060 --> 00:21:02,900
and took pieces and change they had a

434
00:21:05,470 --> 00:21:04,070
thing where

435
00:21:07,360 --> 00:21:05,480
if it was in a certain place in the

436
00:21:08,770 --> 00:21:07,370
ocean it was red it was a certain place

437
00:21:11,980 --> 00:21:08,780
in the ocean it was yo in a certain

438
00:21:14,200 --> 00:21:11,990

place in the ocean it was blue and so

439

00:21:18,070 --> 00:21:14,210

they tagged us so they can see the the

440

00:21:19,990 --> 00:21:18,080

you know the debris field and people

441

00:21:23,860 --> 00:21:20,000

came in and actually changed those tags

442

00:21:26,110 --> 00:21:23,870

and the NTSB guy said hey you can't be

443

00:21:28,120 --> 00:21:26,120

changing those tags and they said you

444

00:21:30,460 --> 00:21:28,130

know you can just leave right now yeah

445

00:21:34,900 --> 00:21:30,470

your services are no longer needed oh

446

00:21:40,150 --> 00:21:34,910

yeah so well in and how this may or may

447

00:21:42,520 --> 00:21:40,160

not tie into ufology but correct me if

448

00:21:45,840 --> 00:21:42,530

I'm wrong dick marilyn is that this

449

00:21:52,240 --> 00:21:45,850

crash occurred not too far away from

450

00:21:55,750 --> 00:21:52,250

Montauk and you're in & John Ford was he

451
00:21:58,630 --> 00:21:55,760
not working on the Montauk Project which

452
00:22:00,490 --> 00:21:58,640
they were not what he what he was worked

453
00:22:03,900 --> 00:22:00,500
well he was probably trying to

454
00:22:06,850 --> 00:22:03,910
investigate the montauk project but he

455
00:22:10,360 --> 00:22:06,860
he had an organization called the Long

456
00:22:15,250 --> 00:22:10,370
Island UFO network or Lou fun if you

457
00:22:16,870 --> 00:22:15,260
will and they were working on that small

458
00:22:22,810 --> 00:22:16,880
group of people were working on

459
00:22:25,270 --> 00:22:22,820
investigating that crash and there was

460
00:22:30,100 --> 00:22:25,280
politics involved with with the crash

461
00:22:33,550 --> 00:22:30,110
and he accused uh some some of the

462
00:22:36,760 --> 00:22:33,560
townspeople of purposely setting the

463
00:22:40,660 --> 00:22:36,770

woods on fire near Montauk to to cover

464

00:22:45,280 --> 00:22:40,670

up the crash and and evidence and so

465

00:22:52,710 --> 00:22:45,290

forth and he ended up being set up in

466

00:22:55,690 --> 00:22:52,720

some way uh that he was accused of

467

00:23:00,430 --> 00:22:55,700

attempted murder that was the original

468

00:23:05,920 --> 00:23:00,440

charge on him of attempted murder of a

469

00:23:08,740 --> 00:23:05,930

politician that was in the county and he

470

00:23:10,600 --> 00:23:08,750

a Marilyn before we go any further and I

471

00:23:12,520 --> 00:23:10,610

just want to clarify something for our

472

00:23:15,760 --> 00:23:12,530

listeners and that is de menthe one of

473

00:23:17,830 --> 00:23:15,770

the speculation that was going on at the

474

00:23:20,830 --> 00:23:17,840

time of flight TWA 800

475

00:23:22,779 --> 00:23:20,840

and the Montauk Project is that the US

476

00:23:25,480 --> 00:23:22,789

government was working on a particle

477

00:23:27,130 --> 00:23:25,490

beam that could be this is kind of

478

00:23:28,720 --> 00:23:27,140

interesting that could be used as an

479

00:23:31,029 --> 00:23:28,730

anti-missile defense to knock down

480

00:23:34,690 --> 00:23:31,039

missiles out of the air directed energy

481

00:23:37,299 --> 00:23:34,700

a directed energy being correct and I

482

00:23:39,669 --> 00:23:37,309

find it fascinating that there is I

483

00:23:42,909 --> 00:23:39,679

witnesses and some physical evidence

484

00:23:44,409 --> 00:23:42,919

indicate that the plane was hit by a

485

00:23:47,140 --> 00:23:44,419

missile and I'm just wondering if they

486

00:23:49,149 --> 00:23:47,150

didn't testify our missile and either

487

00:23:50,590 --> 00:23:49,159

the particle beam caught the plane or

488

00:23:52,690 --> 00:23:50,600

the missile caught the plane but it was

489

00:23:54,250 --> 00:23:52,700

strictly an accident it wasn't it wasn't

490

00:23:56,919 --> 00:23:54,260

like they were shooting at the plane per

491

00:23:59,139 --> 00:23:56,929

se yes that's one of the things that on

492

00:24:00,940 --> 00:23:59,149

that documentary they said is it was

493

00:24:02,680 --> 00:24:00,950

probably one missile was accident the

494

00:24:05,080 --> 00:24:02,690

other two were shot up to try to knock

495

00:24:11,470 --> 00:24:05,090

down that one missile but that button

496

00:24:15,159 --> 00:24:11,480

maybe it it accidentally hit TWA 800 so

497

00:24:18,250 --> 00:24:15,169

and anyway going back to John Ford he

498

00:24:22,600 --> 00:24:18,260

was looking into Montauk and the co and

499

00:24:26,260 --> 00:24:22,610

the Flying Saucer crash I and I believe

500

00:24:28,930 --> 00:24:26,270

he was set up uh according to according

501
00:24:32,049 --> 00:24:28,940
to Elaine Douglasses files it sounds like

502
00:24:36,970 --> 00:24:32,059
it yeah it was really interested in

503
00:24:40,750 --> 00:24:36,980
Brookhaven National Laboratory in fact

504
00:24:42,580 --> 00:24:40,760
is one of the gals there who was like

505
00:24:46,450 --> 00:24:42,590
those receptionist what's her name here

506
00:24:48,310 --> 00:24:46,460
anyway Oh Mona row was her name and he

507
00:24:50,380 --> 00:24:48,320
kept calling her up and you know saying

508
00:24:52,539 --> 00:24:50,390
well you got UFO and you got bodies out

509
00:24:54,549 --> 00:24:52,549
there and so she actually invited him to

510
00:24:56,230 --> 00:24:54,559
come out for a tour and she said you can

511
00:24:58,960 --> 00:24:56,240
open any door you want allow your own

512
00:25:00,399 --> 00:24:58,970
experts to search the UFO evidence she

513
00:25:01,690 --> 00:25:00,409

said she had nothing to hide but of

514

00:25:04,990 --> 00:25:01,700

course he never made it to the lab

515

00:25:06,730 --> 00:25:05,000

because he was the rest goddamned he was

516

00:25:09,010 --> 00:25:06,740

accused of attempted murder and want to

517

00:25:12,610 --> 00:25:09,020

tell ya yeah this is interesting yeah

518

00:25:14,230 --> 00:25:12,620

yeah and hey MJ does this not tie in a

519

00:25:16,060 --> 00:25:14,240

little bit about what read on nick

520

00:25:18,750 --> 00:25:16,070

redfern was talking about last week it

521

00:25:23,289 --> 00:25:18,760

does definitely damn you know with the

522

00:25:24,320 --> 00:25:23,299

with the fatalities and all the other

523

00:25:26,779 --> 00:25:24,330

stuff that was going

524

00:25:28,220 --> 00:25:26,789

new ufology field oh yeah yep that would

525

00:25:36,049 --> 00:25:28,230

have tied in well with this book follows

526

00:25:38,120 --> 00:25:36,059

yes you know uh John Ford is still in

527

00:25:42,620 --> 00:25:38,130

the mental health institution in New

528

00:25:46,190 --> 00:25:42,630

York okay and we actually have an

529

00:25:50,000 --> 00:25:46,200

examination report of his yeah Elaine

530

00:25:51,860 --> 00:25:50,010

had it he Lane had it in the box huh and

531

00:25:53,600 --> 00:25:51,870

why don't you once you tell her

532

00:25:56,840 --> 00:25:53,610

listeners he was accused of attempted

533

00:26:00,950 --> 00:25:56,850

murder I wanted to distance just to give

534

00:26:03,710 --> 00:26:00,960

an idea how outlandish and how far the

535

00:26:06,289 --> 00:26:03,720

government will go to squash someone

536

00:26:09,799 --> 00:26:06,299

that may be on the right trail what was

537

00:26:12,230 --> 00:26:09,809

the what was the murder weapon dick it

538

00:26:14,360 --> 00:26:12,240

was a what kind of would happen if you

539

00:26:15,769 --> 00:26:14,370

read the newspaper account from the

540

00:26:19,129 --> 00:26:15,779

Washington Post which of course they're

541

00:26:22,580 --> 00:26:19,139

always correct right one of his buddies

542

00:26:27,830 --> 00:26:22,590

in his group in the Lulu phone group

543

00:26:29,649 --> 00:26:27,840

yeah I guess they got together and but

544

00:26:32,629 --> 00:26:29,659

John had problems with the local

545

00:26:34,460 --> 00:26:32,639

Republican Committee I guess he ran for

546

00:26:37,250 --> 00:26:34,470

office or something I got rejected and

547

00:26:41,090 --> 00:26:37,260

so anyway he was going to supposedly

548

00:26:43,430 --> 00:26:41,100

take these guys out so what does one guy

549

00:26:45,830 --> 00:26:43,440

that was part of his group said well I

550

00:26:50,840 --> 00:26:45,840

can get a hold of some radioactive

551
00:26:52,519 --> 00:26:50,850
material and so I guess he did it wasn't

552
00:26:54,740 --> 00:26:52,529
enough to do anything well they didn't

553
00:26:57,019 --> 00:26:54,750
know that at the time but now anyway

554
00:27:00,950 --> 00:26:57,029
they put a wire the police put a wire on

555
00:27:03,110 --> 00:27:00,960
him and of course because he reported it

556
00:27:06,139 --> 00:27:03,120
you know he's going to give you this

557
00:27:08,000 --> 00:27:06,149
reflective material and so they put a

558
00:27:10,009 --> 00:27:08,010
wire on him and he went to John and of

559
00:27:11,629 --> 00:27:10,019
course you know John says yeah I want to

560
00:27:13,730 --> 00:27:11,639
take that stuff and stick it under the

561
00:27:15,289 --> 00:27:13,740
seat of the truck and you know they're

562
00:27:17,029 --> 00:27:15,299
going to be dead in three days I want to

563
00:27:18,919 --> 00:27:17,039

put it in her toothpaste and os or a

564

00:27:21,049 --> 00:27:18,929

thing but ya know people say crazy

565

00:27:24,769 --> 00:27:21,059

things yeah and that was part of the

566

00:27:29,930 --> 00:27:24,779

part of the deal of course in the DEA

567

00:27:32,120 --> 00:27:29,940

course was hard over to to make John you

568

00:27:34,310 --> 00:27:32,130

know the bad guy and they actually

569

00:27:37,159 --> 00:27:34,320

arrested him and arrested his buddy that

570

00:27:37,370 --> 00:27:37,169

got the gut to radioactive material the

571

00:27:39,610 --> 00:27:37,380

rain

572

00:27:42,620 --> 00:27:39,620

active material was like hospital

573

00:27:44,540 --> 00:27:42,630

quality stuff for doing tests and that

574

00:27:46,460 --> 00:27:44,550

sort of thing so you know he could have

575

00:27:48,440 --> 00:27:46,470

spread under this seat of the truck and

576

00:27:51,290 --> 00:27:48,450

you know the guy would have died of old

577

00:27:56,140 --> 00:27:51,300

age never would have really made any

578

00:27:59,840 --> 00:27:56,150

difference but anyway it it's set him up

579

00:28:03,710 --> 00:27:59,850

and as a result of that setup he ended

580

00:28:05,750 --> 00:28:03,720

up in court obviously yes it and did

581

00:28:07,370 --> 00:28:05,760

they do a psych evaluation of them is

582

00:28:08,720 --> 00:28:07,380

that how they kid and I'm going to I'm

583

00:28:12,980 --> 00:28:08,730

going to read right here from the

584

00:28:15,020 --> 00:28:12,990

examination report go in 1993 he retired

585

00:28:17,360 --> 00:28:15,030

from his job after an energy injury on

586

00:28:20,450 --> 00:28:17,370

the job he has a master's degree in

587

00:28:23,330 --> 00:28:20,460

public administration you he was

588

00:28:26,810 --> 00:28:23,340

circumstantial mood was depressed and

589

00:28:29,810 --> 00:28:26,820

effect was constricted he was delusional

590

00:28:32,080 --> 00:28:29,820

de nights and he denied suicidal

591

00:28:35,060 --> 00:28:32,090

homicidal ideas or hallucinations

592

00:28:38,600 --> 00:28:35,070

diagnosis major depression single

593

00:28:40,790 --> 00:28:38,610

episode with psychosis prognosis good

594

00:28:43,460 --> 00:28:40,800

with treatment recommendations patient

595

00:28:46,280 --> 00:28:43,470

as psychotic chose delusional influence

596

00:28:49,070 --> 00:28:46,290

and as lacking capacity to understand or

597

00:28:51,230 --> 00:28:49,080

assist in his own defense it is

598

00:28:52,790 --> 00:28:51,240

recommended that John Ford be placed in

599

00:28:54,710 --> 00:28:52,800

the custody the Commissioner of mental

600

00:28:59,600 --> 00:28:54,720

health for inpatient psychiatric

601
00:29:01,760 --> 00:28:59,610
treatment and he's still there what your

602
00:29:05,710 --> 00:29:01,770
are we talking about Dino wait that lets

603
00:29:12,280 --> 00:29:05,720
see if there's a date on this report uh

604
00:29:14,630 --> 00:29:12,290
810 that's his birthday ah gonna be you

605
00:29:18,910 --> 00:29:14,640
just so you know I was listening to that

606
00:29:25,550 --> 00:29:18,920
evaluation i'm thinking i could fit that

607
00:29:28,670 --> 00:29:25,560
jun 16 1997 okay and the reason he was

608
00:29:30,260 --> 00:29:28,680
depressed his mother was extremely ill

609
00:29:32,840 --> 00:29:30,270
he no longer could take care of her and

610
00:29:37,940 --> 00:29:32,850
had to put her into a nursing home that

611
00:29:40,340 --> 00:29:37,950
would do it yeah and uh but you know

612
00:29:42,890 --> 00:29:40,350
that would depress a lot of people you

613
00:29:46,310 --> 00:29:42,900

know well sure and probably because he

614

00:29:50,000 --> 00:29:46,320

believed in UFOs and he was it you know

615

00:29:51,080 --> 00:29:50,010

back back in 97 if you believed in UFOs

616

00:29:53,150 --> 00:29:51,090

are

617

00:29:55,310 --> 00:29:53,160

government did a huge thing to make

618

00:29:58,660 --> 00:29:55,320

everybody look like they were nutcases

619

00:30:00,860 --> 00:29:58,670

if they believe that UFOs existed I

620

00:30:04,130 --> 00:30:00,870

think they still do that to someone

621

00:30:07,640 --> 00:30:04,140

think they probably do and so therefore

622

00:30:09,710 --> 00:30:07,650

I'm a nut case you're in that case dicks

623

00:30:13,340 --> 00:30:09,720

in that case sometimes you feel like a

624

00:30:15,320 --> 00:30:13,350

nut sometimes you gotta yeah and his

625

00:30:19,790 --> 00:30:15,330

buddy the one who got him the radium

626

00:30:22,820 --> 00:30:19,800

stuff but he outed John to on the stand

627

00:30:24,920 --> 00:30:22,830

so i think he got three years from what

628

00:30:26,900 --> 00:30:24,930

I can find and of course John went off

629

00:30:28,700 --> 00:30:26,910

to the mental institute so you know

630

00:30:33,770 --> 00:30:28,710

that's like a you could that could be a

631

00:30:36,770 --> 00:30:33,780

lifetime I do want to say that in

632

00:30:41,360 --> 00:30:36,780

Elaine's files there were very personal

633

00:30:44,480 --> 00:30:41,370

and private letters from John to her and

634

00:30:48,140 --> 00:30:44,490

by reading those personal letters there

635

00:30:51,950 --> 00:30:48,150

was absolutely no indication that this

636

00:30:53,270 --> 00:30:51,960

man was crazy you know and I just want

637

00:30:56,180 --> 00:30:53,280

to point something out and this is you

638

00:30:58,280 --> 00:30:56,190

know this is a cop coming out in me and

639

00:31:00,290 --> 00:30:58,290

that is you know we can all sit around

640

00:31:04,430 --> 00:31:00,300

and talk about taking somebody out and

641

00:31:07,670 --> 00:31:04,440

be and be angry or upset okay but there

642

00:31:10,370 --> 00:31:07,680

has to be a substantial step taken at

643

00:31:11,990 --> 00:31:10,380

least in the eyes of the law and i just

644

00:31:15,320 --> 00:31:12,000

want to point this out the fact that his

645

00:31:17,780 --> 00:31:15,330

friend went in acquired that radioactive

646

00:31:20,300 --> 00:31:17,790

material i can see where the prosecutor

647

00:31:24,320 --> 00:31:20,310

could say well that was the substantial

648

00:31:27,530 --> 00:31:24,330

step what I did wire what's that then he

649

00:31:30,770 --> 00:31:27,540

put the wire on him yes yeah yeah

650

00:31:33,950 --> 00:31:30,780

however is there any indication that

651
00:31:35,690 --> 00:31:33,960
that john told this guy to go get the

652
00:31:37,520 --> 00:31:35,700
stuff or did this guy just show up with

653
00:31:40,550 --> 00:31:37,530
it and no i think they talked about it

654
00:31:43,640 --> 00:31:40,560
and the the guy works for grumman at the

655
00:31:46,120 --> 00:31:43,650
time and we could because he could act

656
00:31:50,240 --> 00:31:46,130
get access he showed up with this little

657
00:31:52,400 --> 00:31:50,250
you know lead container that had the

658
00:31:54,440 --> 00:31:52,410
stuff inside of it in fact the DEA

659
00:31:57,620 --> 00:31:54,450
brought the lid container out i guess to

660
00:31:59,300 --> 00:31:57,630
show everybody but oh great sign it was

661
00:32:03,260 --> 00:31:59,310
in the back of his truck when the cops

662
00:32:04,549 --> 00:32:03,270
showed up well you know in retrospect i

663
00:32:06,289 --> 00:32:04,559

can see where the DEA

664

00:32:08,869 --> 00:32:06,299

would think that they would have a case

665

00:32:12,379 --> 00:32:08,879

I mean I think it's pretty weak at this

666

00:32:15,049 --> 00:32:12,389

point but you know it I can see where

667

00:32:17,869 --> 00:32:15,059

the DA was you know especially if there

668

00:32:20,299 --> 00:32:17,879

was a an agent and within the government

669

00:32:24,379 --> 00:32:20,309

behind it saying go ahead and prosecute

670

00:32:27,710 --> 00:32:24,389

him yes exactly and I think there that

671

00:32:29,149 --> 00:32:27,720

was exactly the case that that um we

672

00:32:30,889 --> 00:32:29,159

don't care how flimsy it is all we need

673

00:32:32,779 --> 00:32:30,899

to do is get him in court and once they

674

00:32:35,299 --> 00:32:32,789

did that then they could they could have

675

00:32:37,009 --> 00:32:35,309

the judge sign off on an eval and I

676

00:32:40,430 --> 00:32:37,019

really think looking through the files

677

00:32:44,149 --> 00:32:40,440

what happened is that their case was a

678

00:32:47,779 --> 00:32:44,159

little bit too flimsy and so they went

679

00:32:50,419 --> 00:32:47,789

for the gusto and had him declared a

680

00:32:51,590 --> 00:32:50,429

psychotic right that's what I'm getting

681

00:32:54,859 --> 00:32:51,600

written that's what I was saying is I

682

00:32:57,769 --> 00:32:54,869

say that can be a life sentence oh it

683

00:33:00,049 --> 00:32:57,779

sounds like it yeah guys it was every

684

00:33:02,210 --> 00:33:00,059

time he comes up for eval if there's an

685

00:33:04,369 --> 00:33:02,220

outside force that is pulling the

686

00:33:06,409 --> 00:33:04,379

strings he's going to continue to need

687

00:33:08,509 --> 00:33:06,419

further treatment and incarceration

688

00:33:10,549 --> 00:33:08,519

that's right ken I'm gonna do a quick

689

00:33:12,499 --> 00:33:10,559

station break you're listening to paying

690

00:33:14,899 --> 00:33:12,509

radio on the inception radio network

691

00:33:16,909 --> 00:33:14,909

tonight we have on Marilyn and dick

692

00:33:18,529 --> 00:33:16,919

Carlson talking about the Elaine Douglas

693

00:33:21,549 --> 00:33:18,539

files and right now we're digging into

694

00:33:25,970 --> 00:33:21,559

the John Ford case so take it away guys

695

00:33:28,220 --> 00:33:25,980

well I I you know I it seems to me and

696

00:33:30,799 --> 00:33:28,230

this is based upon talking with you guys

697

00:33:35,180 --> 00:33:30,809

and you guys reading in the Elaine's

698

00:33:37,820 --> 00:33:35,190

files about this is that it was a and

699

00:33:39,950 --> 00:33:37,830

I'm once again this is the cop speak in

700

00:33:43,850 --> 00:33:39,960

it it seemed like a pretty flimsy

701
00:33:45,470 --> 00:33:43,860
criminal case ok I think now any defense

702
00:33:50,649 --> 00:33:45,480
attorney could have successfully

703
00:33:53,539 --> 00:33:50,659
defended it and and not had the charges

704
00:33:55,519 --> 00:33:53,549
sustained against John Ford but what I

705
00:33:59,779 --> 00:33:55,529
find fascinating a couple different

706
00:34:03,200 --> 00:33:59,789
attorneys by the way trying to overturn

707
00:34:06,919 --> 00:34:03,210
his diagnosis well that's the part

708
00:34:10,490 --> 00:34:06,929
that's really baffling is that this the

709
00:34:12,500 --> 00:34:10,500
psych eval that they did they never do

710
00:34:15,200 --> 00:34:12,510
he was never convicted of the charges

711
00:34:17,090 --> 00:34:15,210
they did it on the on his evaluation

712
00:34:19,100 --> 00:34:17,100
that he was psychotic right that's right

713
00:34:23,510 --> 00:34:19,110

that's exactly right he was never ever

714

00:34:28,850 --> 00:34:23,520

that convicted I think tuna being living

715

00:34:31,310 --> 00:34:28,860

in a small town like it is and you know

716

00:34:34,520 --> 00:34:31,320

he's really he was very hard over on

717

00:34:37,250 --> 00:34:34,530

UFOs so they kind of you know put him in

718

00:34:40,730 --> 00:34:37,260

that category aware and you know at in

719

00:34:43,190 --> 00:34:40,740

had in a tin foil hat knowing it for

720

00:34:45,590 --> 00:34:43,200

sure did the the the stage had already

721

00:34:47,720 --> 00:34:45,600

been set yeah by the mere fact that he

722

00:34:51,770 --> 00:34:47,730

was investigating the Long Island crash

723

00:34:54,590 --> 00:34:51,780

and he was pursuing you know the along

724

00:34:57,290 --> 00:34:54,600

the Montauk Project yeah they that what

725

00:34:59,270 --> 00:34:57,300

a perfect opportunity especially and

726

00:35:02,120 --> 00:34:59,280

here's i think is the kicker if he was

727

00:35:04,550 --> 00:35:02,130

getting close well that and then you

728

00:35:07,610 --> 00:35:04,560

know he was digging up all kinds of

729

00:35:09,650 --> 00:35:07,620

stuff on these three Republican which he

730

00:35:12,910 --> 00:35:09,660

was a Republican but I guess he decided

731

00:35:16,100 --> 00:35:12,920

that because he didn't make it or

732

00:35:18,440 --> 00:35:16,110

something so he was there's a lot of

733

00:35:21,530 --> 00:35:18,450

hatred that he had against those those

734

00:35:24,950 --> 00:35:21,540

three people so you know a lot of

735

00:35:28,220 --> 00:35:24,960

politics here well usually there always

736

00:35:30,710 --> 00:35:28,230

is and in a situation like that Marilyn

737

00:35:34,210 --> 00:35:30,720

a dick has any of his family pursued any

738

00:35:42,200 --> 00:35:34,220

type of you know he never married okay

739

00:35:45,650 --> 00:35:42,210

so um he he all they don't know if it

740

00:35:47,990 --> 00:35:45,660

was a perceived relationship with Elaine

741

00:35:49,850 --> 00:35:48,000

or if it was there were a lot of letters

742

00:35:54,290 --> 00:35:49,860

there was a lot of letters mostly from

743

00:35:56,090 --> 00:35:54,300

John yes um I wish I could see her

744

00:35:58,610 --> 00:35:56,100

letters that she answered back to him

745

00:36:04,610 --> 00:35:58,620

but in reading these letters it looks

746

00:36:08,150 --> 00:36:04,620

like she answered in a would I say a

747

00:36:10,940 --> 00:36:08,160

friendly way so I mean she was really

748

00:36:14,060 --> 00:36:10,950

fighting to do she undo the wrong you

749

00:36:17,000 --> 00:36:14,070

out you know you deaf to know Elaine

750

00:36:19,280 --> 00:36:17,010

really yes and what should she got ahold

751
00:36:21,950 --> 00:36:19,290
of something and then she believed in it

752
00:36:24,350 --> 00:36:21,960
she was not gonna let it go she was like

753
00:36:27,020 --> 00:36:24,360
a bulldog I mean I had a little bit of

754
00:36:29,270 --> 00:36:27,030
an inner face with her once myself yeah

755
00:36:30,759 --> 00:36:29,280
she was I don't know if I wonder she won

756
00:36:34,969 --> 00:36:30,769
but

757
00:36:37,569 --> 00:36:34,979
she was deeply involved with a group

758
00:36:41,870 --> 00:36:37,579
that was called Operation right to know

759
00:36:46,519 --> 00:36:41,880
yeah and the head of that was at

760
00:36:52,309 --> 00:36:46,529
cormorant and she she was very very

761
00:36:55,309 --> 00:36:52,319
involved in it and we on her uh the

762
00:36:57,979 --> 00:36:55,319
website that we set up elane of files

763
00:37:01,999 --> 00:36:57,989

com Elaine Douglas files calm I'm sorry

764

00:37:04,819 --> 00:37:02,009

um we have pictures of her were there in

765

00:37:07,039 --> 00:37:04,829

Washington DC and they're picketing in

766

00:37:08,960 --> 00:37:07,049

front of the White House and the

767

00:37:10,370 --> 00:37:08,970

Pentagon damn that 10 i guess they did

768

00:37:12,589 --> 00:37:10,380

they were going to set up to do the

769

00:37:14,029 --> 00:37:12,599

Pentagon by reading her notes they're

770

00:37:15,710 --> 00:37:14,039

going to set up to do the Pentagon but

771

00:37:19,599 --> 00:37:15,720

for some reason they didn't they didn't

772

00:37:23,269 --> 00:37:19,609

do it I don't know more yeah but uh um

773

00:37:28,549 --> 00:37:23,279

anyway she she elaine was truly an

774

00:37:32,150 --> 00:37:28,559

activist and she became a strong

775

00:37:35,650 --> 00:37:32,160

activist for John Ford because she felt

776

00:37:39,200 --> 00:37:35,660

very strongly that he had been wronged

777

00:37:40,700 --> 00:37:39,210

well I you know from what I've read and

778

00:37:43,339 --> 00:37:40,710

from what I know it sounds like he was

779

00:37:47,390 --> 00:37:43,349

railroaded into the mental institute

780

00:37:50,900 --> 00:37:47,400

yeah yes well I are you looking at the

781

00:37:52,759 --> 00:37:50,910

files I believe that was that's true and

782

00:37:56,599 --> 00:37:52,769

it makes you wonder if they're still

783

00:38:00,349 --> 00:37:56,609

holding on to him um I it makes you

784

00:38:02,359 --> 00:38:00,359

wondered what he uncovered I mean you

785

00:38:05,749 --> 00:38:02,369

know what was it that they were afraid

786

00:38:11,299 --> 00:38:05,759

of that if he was allowed to continue to

787

00:38:14,239 --> 00:38:11,309

pursue his angle concerning the Montauk

788

00:38:15,950 --> 00:38:14,249

crash the Long Island crash I don't

789

00:38:19,069 --> 00:38:15,960

really know it that was so long ago to

790

00:38:21,440 --> 00:38:19,079

by now you would think that you know

791

00:38:22,999 --> 00:38:21,450

they're just well a little bit you know

792

00:38:26,269 --> 00:38:23,009

what dick and I'm just going to throw

793

00:38:29,509 --> 00:38:26,279

this out on the table because I wonder

794

00:38:34,089 --> 00:38:29,519

if there is a connection a string if you

795

00:38:36,589 --> 00:38:34,099

will that ties it to the TWA 800 crash

796

00:38:43,099 --> 00:38:36,599

and and they can't afford to have that

797

00:38:44,580 --> 00:38:43,109

yeah it very possibly could and I don't

798

00:38:48,070 --> 00:38:44,590

know it's

799

00:38:52,450 --> 00:38:48,080

it's a quandary oh why they're still

800

00:38:55,210 --> 00:38:52,460

holding them um I don't know if I had if

801
00:38:57,520 --> 00:38:55,220
I had the funding let me tell you I

802
00:38:59,650 --> 00:38:57,530
would fly to New York and go to the the

803
00:39:01,840 --> 00:38:59,660
Mental Health Institute ask if I can

804
00:39:04,000 --> 00:39:01,850
come in as a visitor and sit down and

805
00:39:06,220 --> 00:39:04,010
talk with the guy how was it Hinkle that

806
00:39:07,750 --> 00:39:06,230
shot that shot Ronald Reagan that

807
00:39:09,910 --> 00:39:07,760
they've they've already let him out

808
00:39:12,190 --> 00:39:09,920
they've already letting up no well and

809
00:39:14,650 --> 00:39:12,200
he had more money than John for it won't

810
00:39:17,740 --> 00:39:14,660
flow yeah and course he wasn't a beat

811
00:39:21,790 --> 00:39:17,750
John is out we don't know yeah that

812
00:39:24,430 --> 00:39:21,800
could very well be yeah yeah but um and

813
00:39:27,670 --> 00:39:24,440

then the other thing that elaine was

814

00:39:31,450 --> 00:39:27,680

very involved with was abductions and

815

00:39:35,800 --> 00:39:31,460

military abductions my labs is what they

816

00:39:40,090 --> 00:39:35,810

they're referred to as and she was very

817

00:39:47,020 --> 00:39:40,100

interested in abductees and starting a

818

00:39:50,440 --> 00:39:47,030

support group for abductees and there

819

00:39:55,030 --> 00:39:50,450

was an effort made through um the fund

820

00:39:57,880 --> 00:39:55,040

for UFO research and at that time she

821

00:40:01,510 --> 00:39:57,890

was a member of MUFON by the way no she

822

00:40:04,360 --> 00:40:01,520

she approached me with my military and

823

00:40:06,700 --> 00:40:04,370

what happened with me at Strategic Air

824

00:40:12,100 --> 00:40:06,710

Command and she asked me that question

825

00:40:15,160 --> 00:40:12,110

that the Chief did I feel that I had

826

00:40:18,520 --> 00:40:15,170

been abducted or that I had any missing

827

00:40:20,440 --> 00:40:18,530

time to reprogram and he keep out any

828

00:40:22,540 --> 00:40:20,450

more information than what I observed

829

00:40:24,730 --> 00:40:22,550

when I was in the Strategic Air Command

830

00:40:27,100 --> 00:40:24,740

yeah you know and I and I told her I

831

00:40:29,230 --> 00:40:27,110

said LA and I said I I don't you know I

832

00:40:31,420 --> 00:40:29,240

don't have any missing time I don't have

833

00:40:35,080 --> 00:40:31,430

any reference or occurrences that would

834

00:40:38,590 --> 00:40:35,090

indicate to me that I had been you know

835

00:40:40,120 --> 00:40:38,600

I remember everything you know from that

836

00:40:42,190 --> 00:40:40,130

incident I don't I certainly don't

837

00:40:44,080 --> 00:40:42,200

remember you know waking up and thinking

838

00:40:45,370 --> 00:40:44,090

I was dreaming or anything like that at

839

00:40:48,580 --> 00:40:45,380

least based upon my limited knowledge

840

00:40:51,370 --> 00:40:48,590

about abductees you're right well she

841

00:40:54,700 --> 00:40:51,380

she did a lot to try and work with and

842

00:40:58,089 --> 00:40:54,710

do a research and there was a something

843

00:41:02,380 --> 00:40:58,099

called the abduction project

844

00:41:04,269 --> 00:41:02,390

uh that was she she had tried tried to

845

00:41:07,710 --> 00:41:04,279

get started watching she did get it

846

00:41:10,599 --> 00:41:07,720

started and from what I saw she had like

847

00:41:13,989 --> 00:41:10,609

what they would do is they would try to

848

00:41:18,339 --> 00:41:13,999

find some real good candidates that were

849

00:41:23,549 --> 00:41:18,349

abducted and then they went for a PhD

850

00:41:26,979 --> 00:41:23,559

psychologist that would hypnotize the

851
00:41:29,829 --> 00:41:26,989
any of the subject and then they would

852
00:41:31,380 --> 00:41:29,839
but she could hit these files you start

853
00:41:34,450 --> 00:41:31,390
seeing all these things well the

854
00:41:37,690 --> 00:41:34,460
psychiatrists wanted you know hundred

855
00:41:39,940 --> 00:41:37,700
dollars an hour and they didn't want to

856
00:41:43,870 --> 00:41:39,950
give any that any of the information out

857
00:41:45,999 --> 00:41:43,880
at but what the hypnosis person did the

858
00:41:47,890 --> 00:41:46,009
person that got hypnotized didn't like

859
00:41:50,289 --> 00:41:47,900
this one and didn't like that one and

860
00:41:53,890 --> 00:41:50,299
finally quit and I mean is you getting

861
00:41:57,400 --> 00:41:53,900
these files it is just unbelievable it's

862
00:41:59,319 --> 00:41:57,410
just like life today you know I mean you

863
00:42:00,940 --> 00:41:59,329

know this happens that happens and this

864

00:42:02,890 --> 00:42:00,950

happens and that happens but they start

865

00:42:04,650 --> 00:42:02,900

out really good you know well I think

866

00:42:07,660 --> 00:42:04,660

that's just some simple medical

867

00:42:09,459 --> 00:42:07,670

physiology as a whole i mean you know

868

00:42:12,849 --> 00:42:09,469

you're talking about a subject first of

869

00:42:15,609 --> 00:42:12,859

all that is not only controversial but

870

00:42:19,239 --> 00:42:15,619

it has all of these stigmas attached to

871

00:42:21,279 --> 00:42:19,249

it okay and so I mean those are some of

872

00:42:24,039 --> 00:42:21,289

the roadblocks MJ you know that from

873

00:42:29,309 --> 00:42:24,049

trying to investigate cases including

874

00:42:32,680 --> 00:42:29,319

people beginning the her plan was just

875

00:42:35,769 --> 00:42:32,690

absolutely the right thing to do well oh

876

00:42:38,200 --> 00:42:35,779

yeah there's a file called abduction

877

00:42:40,660 --> 00:42:38,210

project and if you'll go up on the

878

00:42:44,079 --> 00:42:40,670

website there's many pages to it

879

00:42:46,599 --> 00:42:44,089

actually and so you first are

880

00:42:52,209 --> 00:42:46,609

categorized and you know well now stuff

881

00:42:57,719 --> 00:42:52,219

no but and it turns out that there was

882

00:43:00,849 --> 00:42:57,729

some people involved that sort of led to

883

00:43:04,989 --> 00:43:00,859

the possibilities that they were being

884

00:43:09,999 --> 00:43:04,999

infiltrated by government in some way

885

00:43:12,450 --> 00:43:10,009

and so there was there was a accusations

886

00:43:16,950 --> 00:43:12,460

and there was

887

00:43:21,670 --> 00:43:16,960

we've got a file called a CB scott jones

888

00:43:26,620 --> 00:43:21,680

and a gentleman by the name of Bob

889

00:43:30,690 --> 00:43:26,630

Durant wrote a stinging article about CB

890

00:43:33,940 --> 00:43:30,700

scott jones and his involvement with um

891

00:43:35,560 --> 00:43:33,950

abductees and his involvement with sup

892

00:43:38,109 --> 00:43:35,570

but everything a little bit of

893

00:43:44,530 --> 00:43:38,119

everything para not just paranormal but

894

00:43:50,380 --> 00:43:44,540

but uh um kind of psyops kind of thing

895

00:43:52,630 --> 00:43:50,390

remote viewing and and there was there

896

00:43:58,300 --> 00:43:52,640

was a lot of questions and accusations

897

00:44:00,910 --> 00:43:58,310

about how you know a CD scott jones

898

00:44:03,550 --> 00:44:00,920

apparently was a spy according to what

899

00:44:07,080 --> 00:44:03,560

i'm reading that was at written and he

900

00:44:10,900 --> 00:44:07,090

was a spy who came in the from the cold

901
00:44:13,810 --> 00:44:10,910
editor a movie like that i myself had a

902
00:44:15,609 --> 00:44:13,820
situation where i met him and was

903
00:44:19,930 --> 00:44:15,619
invited to participate one of his

904
00:44:22,810 --> 00:44:19,940
programs and I declined yeah but if you

905
00:44:25,660 --> 00:44:22,820
read he was like the like the garbage

906
00:44:27,849 --> 00:44:25,670
man you know whenever but he was he knew

907
00:44:30,490 --> 00:44:27,859
the real high up people yes he had his

908
00:44:33,570 --> 00:44:30,500
fingers in everything and you know and

909
00:44:37,720 --> 00:44:33,580
the in the investigation world in

910
00:44:39,849 --> 00:44:37,730
Congress governor Pell was he was kind

911
00:44:42,460 --> 00:44:39,859
of his right-hand man yeah he was one of

912
00:44:44,380 --> 00:44:42,470
the guys that was offered to listen to

913
00:44:46,480 --> 00:44:44,390

the rest of this interview please go to

914

00:44:48,880 --> 00:44:46,490

inception radio network com and

915

00:44:50,800 --> 00:44:48,890

registered for the insider's club what

916

00:44:52,930 --> 00:44:50,810

is the insider's club the insider's club

917

00:44:55,450 --> 00:44:52,940

is our premium content what you've just

918

00:44:59,410 --> 00:44:55,460

listened to now what you just listen to

919

00:45:01,330 --> 00:44:59,420

is a preview of that premium content the

920

00:45:04,450 --> 00:45:01,340

insider's club is how we pay the bills

921

00:45:07,599 --> 00:45:04,460

that's how you support higher and you

922

00:45:09,970 --> 00:45:07,609

joined forces with irn to get the truth

923

00:45:11,890 --> 00:45:09,980

out there now a lot of our content is

924

00:45:16,150 --> 00:45:11,900

free i mean most of our content industry

925

00:45:18,280 --> 00:45:16,160

all of our lives shows are free if you

926

00:45:20,890 --> 00:45:18,290

go to our archives the vast majority of

927

00:45:23,140 --> 00:45:20,900

our archives are for free but to pay the

928

00:45:26,560 --> 00:45:23,150

bills to help make sure this

929

00:45:29,560 --> 00:45:26,570

network stays alive stays viable we

930

00:45:32,260 --> 00:45:29,570

offer those who really love our radio

931

00:45:35,170 --> 00:45:32,270

station or network and our shows an

932

00:45:38,740 --> 00:45:35,180

ability to support our network and

933

00:45:41,350 --> 00:45:38,750

become a part of Eire n actually joined

934

00:45:43,120 --> 00:45:41,360

forces and helping us get the truth out

935

00:45:46,570 --> 00:45:43,130

there now how do you do this again you

936

00:45:49,090 --> 00:45:46,580

go to inception radio network com and

937

00:45:51,580 --> 00:45:49,100

you subscribe for the insider's club and

938

00:45:53,830 --> 00:45:51,590

you would you'll have access to all of

939

00:45:55,870 --> 00:45:53,840

our archives including this show the

940

00:45:57,940 --> 00:45:55,880

rest of the show a faster way of getting

941

00:46:00,580 --> 00:45:57,950

there go to the description below this

942

00:46:02,800 --> 00:46:00,590

video and click on the link and like I

943

00:46:05,110 --> 00:46:02,810

said you'll be joining forces with irn

944

00:46:07,780 --> 00:46:05,120

you'll have availability of all of our

945

00:46:19,360 --> 00:46:07,790

content and we really appreciate your

946

00:46:21,700 --> 00:46:19,370

support thank you hello everyone Lori

947

00:46:24,640 --> 00:46:21,710

and Fenton here hosted the California

948

00:46:27,790 --> 00:46:24,650

MUFON radio show asking if you'd like

949

00:46:31,300 --> 00:46:27,800

special access to exclusive and amazing

950

00:46:34,450 --> 00:46:31,310

information about UFOs the paranormal

951
00:46:37,570 --> 00:46:34,460
and all things unexplained if you're

952
00:46:40,420 --> 00:46:37,580
nodding yes then join I rn's insider

953
00:46:42,610 --> 00:46:40,430
glove as an insider club member you'll

954
00:46:45,490 --> 00:46:42,620
get an all-access pass to premier

955
00:46:47,650 --> 00:46:45,500
inception radio network content for only

956
00:46:50,950 --> 00:46:47,660
four dollars and ninety-nine cents a

957
00:46:53,440 --> 00:46:50,960
month this includes live UFO and

958
00:46:55,430 --> 00:46:53,450
paranormal conferences live streaming

959
00:46:58,280 --> 00:46:55,440
UFO sky watches

960
00:47:01,700 --> 00:46:58,290
exclusive irn radio and TV productions

961
00:47:03,890 --> 00:47:01,710
and of course paying radio with MJ and

962
00:47:06,980 --> 00:47:03,900
Ken Storch so don't wait any longer

963
00:47:10,400 --> 00:47:06,990

visit inception radio network com and

964

00:47:13,490 --> 00:47:10,410

click on member login to join our ends

965

00:47:17,630 --> 00:47:13,500

insider club and get your VIP access

966

00:47:19,940 --> 00:47:17,640

today to listen to the rest of this

967

00:47:22,220 --> 00:47:19,950

interview please go to inception radio

968

00:47:24,200 --> 00:47:22,230

network com and register for the

969

00:47:26,300 --> 00:47:24,210

insider's club what is the insider's

970

00:47:28,880 --> 00:47:26,310

club the insider's club is our premium

971

00:47:31,609 --> 00:47:28,890

content what you've just listened to now

972

00:47:34,460 --> 00:47:31,619

what you just listen to is a preview of

973

00:47:36,980 --> 00:47:34,470

that premium content the insider's club

974

00:47:40,280 --> 00:47:36,990

is how we pay the bills that's how you

975

00:47:43,550 --> 00:47:40,290

support ire and you joined forces with

976
00:47:45,740 --> 00:47:43,560
irn to get the truth out there now a lot

977
00:47:47,569 --> 00:47:45,750
of our content is free i mean most of

978
00:47:51,620 --> 00:47:47,579
our content industry all of our lives

979
00:47:53,809 --> 00:47:51,630
shows are free if you go to our archives

980
00:47:56,270 --> 00:47:53,819
the vast majority of our archives are

981
00:47:59,839 --> 00:47:56,280
for free but to pay the bills to help

982
00:48:03,470 --> 00:47:59,849
make sure this network stays alive stays

983
00:48:05,839 --> 00:48:03,480
viable we offer those who really love

984
00:48:09,589 --> 00:48:05,849
our radio station or network and our

985
00:48:12,920 --> 00:48:09,599
shows an ability to support our network

986
00:48:15,530 --> 00:48:12,930
and become a part of Eire n actually

987
00:48:17,059 --> 00:48:15,540
joined forces and helping us get the

988
00:48:19,880 --> 00:48:17,069

truth out there now how do you do this

989

00:48:23,240 --> 00:48:19,890

again you go to inception radio network

990

00:48:25,339 --> 00:48:23,250

com and you subscribe for the insider's

991

00:48:28,130 --> 00:48:25,349

club and you will you'll have access to

992

00:48:30,109 --> 00:48:28,140

all of our archives including this show

993

00:48:31,849 --> 00:48:30,119

the rest of the show a faster way of

994

00:48:34,099 --> 00:48:31,859

getting there go to the description

995

00:48:36,559 --> 00:48:34,109

below this video and click on the link

996

00:48:39,230 --> 00:48:36,569

and like I said you'll be joining forces

997

00:48:41,569 --> 00:48:39,240

with irn you'll have availability of all

998

00:48:51,559 --> 00:48:41,579

of our content and we really appreciate

999

00:48:57,390 --> 00:48:54,960

hello everyone Laurieann Fenton here

1000

00:49:00,720 --> 00:48:57,400

hosted the California MUFON radio show

1001
00:49:03,750 --> 00:49:00,730
asking if you'd like special access to

1002
00:49:07,019 --> 00:49:03,760
exclusive and amazing information about

1003
00:49:10,349 --> 00:49:07,029
UFOs the paranormal and all things

1004
00:49:13,980 --> 00:49:10,359
unexplained if you're nodding yes then

1005
00:49:15,779 --> 00:49:13,990
join I rn's insider club as an insider

1006
00:49:18,750 --> 00:49:15,789
club member you'll get an all-access

1007
00:49:21,150 --> 00:49:18,760
pass to premier inception radio network

1008
00:49:23,700 --> 00:49:21,160
content for only four dollars and

1009
00:49:27,539 --> 00:49:23,710
ninety-nine cents a month this includes

1010
00:49:31,200 --> 00:49:27,549
live UFO and paranormal conferences live

1011
00:49:33,839 --> 00:49:31,210
streaming UFO sky watches exclusive irr

1012
00:49:37,620 --> 00:49:33,849
radio and TV productions and of course

1013
00:49:39,900 --> 00:49:37,630

paying radio with MJ and Ken Storch so

1014

00:49:43,049 --> 00:49:39,910

don't wait any longer visit inception

1015

00:49:46,170 --> 00:49:43,059

radio network calm and click on member

1016

00:49:51,660 --> 00:49:46,180

login to join I rn's insider club and

1017

00:49:53,549 --> 00:49:51,670

get your VIP access today to listen to

1018

00:49:55,650 --> 00:49:53,559

the rest of this interview please go to

1019

00:49:58,200 --> 00:49:55,660

inception radio network calm and

1020

00:50:00,359 --> 00:49:58,210

register for the insider's club what is

1021

00:50:02,130 --> 00:50:00,369

the insider's club the insider's club is

1022

00:50:04,650 --> 00:50:02,140

our premium content what you've just

1023

00:50:08,579 --> 00:50:04,660

listened to now what you just listen to

1024

00:50:10,500 --> 00:50:08,589

is a preview of that premium content the

1025

00:50:13,620 --> 00:50:10,510

insider's club is how we pay the bills

1026

00:50:16,799 --> 00:50:13,630

that's how you support ire and you

1027

00:50:19,170 --> 00:50:16,809

joined forces with irn to get the truth

1028

00:50:21,059 --> 00:50:19,180

out there now a lot of our content is

1029

00:50:25,319 --> 00:50:21,069

free i mean most of our content industry

1030

00:50:27,480 --> 00:50:25,329

all of our lives shows are free if you

1031

00:50:30,059 --> 00:50:27,490

go to our archives the vast majority of

1032

00:50:32,970 --> 00:50:30,069

our archives are for free but to pay the

1033

00:50:36,960 --> 00:50:32,980

bills to help make sure this network

1034

00:50:39,420 --> 00:50:36,970

stays alive stays viable we offer those

1035

00:50:42,329 --> 00:50:39,430

who really love our radio station or

1036

00:50:45,690 --> 00:50:42,339

network and our shows an ability to

1037

00:50:49,529 --> 00:50:45,700

support our network and become a part of

1038

00:50:51,240 --> 00:50:49,539

our n actually joined forces and helping

1039

00:50:53,069 --> 00:50:51,250

us get the truth out there now how do

1040

00:50:56,760 --> 00:50:53,079

you do this again you go to inception

1041

00:50:58,270 --> 00:50:56,770

radio network com and you subscribe for

1042

00:51:01,090 --> 00:50:58,280

the insider's club

1043

00:51:03,400 --> 00:51:01,100

anyway you'll have access to all of our

1044

00:51:05,230 --> 00:51:03,410

archives including this show the rest of

1045

00:51:07,330 --> 00:51:05,240

the show a faster way of getting there

1046

00:51:09,850 --> 00:51:07,340

go to the description below this video

1047

00:51:12,370 --> 00:51:09,860

and click on the link and like I said

1048

00:51:14,740 --> 00:51:12,380

you'll be joining forces with irn you'll

1049

00:51:17,020 --> 00:51:14,750

have availability of all of our content

1050

00:51:29,230 --> 00:51:17,030

and we really appreciate your support

1051
00:51:31,690 --> 00:51:29,240
thank you hello everyone lorien Fenton

1052
00:51:35,020 --> 00:51:31,700
here hosted the California MUFON radio

1053
00:51:37,720 --> 00:51:35,030
show asking if you'd like special access

1054
00:51:41,620 --> 00:51:37,730
to exclusive and amazing information

1055
00:51:44,920 --> 00:51:41,630
about UFOs the paranormal and all things

1056
00:51:48,580 --> 00:51:44,930
unexplained if you're nodding yes then
