00:04:40,670 --> 00:04:36,330

I am here doing the show alive Friday

87

00:04:42,650 --> 00:04:40,680

Friday night laughs um I will take a

88

00:04:44,480 --> 00:04:42,660

look at that put it all in caps it's

89

00:04:48,890 --> 00:04:44,490

just so much easier for me to spot those

90

00:04:50,779 --> 00:04:48,900

out and go from there so yeah um and you

91

00:04:53,029 --> 00:04:50,789

know there is something that I love to

92

00:04:56,810 --> 00:04:53,039

do and honestly my most favorite shows

93

00:04:59,420 --> 00:04:56,820

to do our when I just take all your

94

00:05:02,839 --> 00:04:59,430

calls and your stories and I do the

95

00:05:04,459 --> 00:05:02,849

outlandish corner wrong

96

00:05:09,139 --> 00:05:04,469

ended corner um what is the outlandish

97

00:05:14,359 --> 00:05:09,149

corner as it is where I essentially take

98

00:05:16,790 --> 00:05:14,369

all your stories your emails and address

99

00:05:18,859 --> 00:05:16,800

them a lot of people are shy to call in

100

00:05:20,689 --> 00:05:18,869

so people like to write and then i'll

101

00:05:22,699 --> 00:05:20,699

just say listen for your story and

102

00:05:26,059 --> 00:05:22,709

you'll go right and give you some honest

103

00:05:27,980 --> 00:05:26,069

advice when and if i configure or muster

104

00:05:30,799 --> 00:05:27,990

something in my head that will help I

105

00:05:37,399 --> 00:05:30,809

don't know so yeah I'll give me second

106

00:05:40,159 --> 00:05:37,409

i'm i'm trying to do some here mmm that

107

00:05:43,600 --> 00:05:40,169

working okay yay all right so I'm gonna

108

00:05:46,129 --> 00:05:43,610

get into the chat room here just

109

00:05:49,959 --> 00:05:46,139

dilly-dallying I got a little bit of

110

00:05:53,389 --> 00:05:49,969

bronchitis so if I choke god help me a

111

00:05:55,639 --> 00:05:53,399

whoo-ha okay I'm breathing I'm breathing

112

00:05:59,899 --> 00:05:55,649

the way this humid weather does not help

113

00:06:01,999 --> 00:05:59,909

alright so i am going to go to the

114

00:06:05,059 --> 00:06:02,009

Outlands corner and i'm gonna look

115

00:06:10,009 --> 00:06:05,069

through some of these lovely lovely

116

00:06:15,980 --> 00:06:10,019

email such you guys have set me hmm

117

00:06:20,179 --> 00:06:15,990

let's see um no same no no okay that the

118

00:06:23,299 --> 00:06:20,189

big one all right okay I think I've got

119

00:06:29,569 --> 00:06:23,309

one I think I've got one all right this

120

00:06:31,219 --> 00:06:29,579

one says oh boy okay dear Heidi okay all

121

00:06:32,839 --> 00:06:31,229

right dear Heidi my first experience

122

00:06:35,029 --> 00:06:32,849

with the hat man was when I was six

123

00:06:37,399 --> 00:06:35,039

years old I saw him for the first time

124

00:06:40,149 --> 00:06:37,409

standing at the end of my bed staring at

125

00:06:43,129 --> 00:06:40,159

me funny thing was I wasn't afraid I was

126

00:06:45,919 --> 00:06:43,139

startled but not afraid of this guy even

127

00:06:48,290 --> 00:06:45,929

at the tender age of six I had seen and

128

00:06:50,629 --> 00:06:48,300

heard my fair share of scary things and

129

00:06:52,939 --> 00:06:50,639

to me this man was not one of them he

130

00:06:55,279 --> 00:06:52,949

brought me comfort oh boy here we go I

131

00:06:56,719 --> 00:06:55,289

could hear him walking up the stairs in

132

00:06:58,969 --> 00:06:56,729

her house almost nightly and I knew he

133

00:07:01,730 --> 00:06:58,979

was standing in the hallway I would get

134

00:07:03,230 --> 00:07:01,740

up and open the door and wait for him I

135

00:07:06,019 --> 00:07:03,240

got the distinct feeling that he was

136

00:07:08,480 --> 00:07:06,029

there to protect me the house I grew up

137

00:07:09,829 --> 00:07:08,490

in had many entities living there there

138

00:07:11,540 --> 00:07:09,839

was a man in black that lurked around

139

00:07:13,579 --> 00:07:11,550

all parts of the house and there was a

140

00:07:15,480 --> 00:07:13,589

woman i'd like to turn the water on and

141

00:07:18,360 --> 00:07:15,490

all the sinks

142

00:07:19,710 --> 00:07:18,370

go active house I really thought almost

143

00:07:21,510 --> 00:07:19,720

all my life that everyone in the house

144

00:07:22,710 --> 00:07:21,520

had similar things going on I lived in

145

00:07:25,559 --> 00:07:22,720

the house with my two younger brothers

146

00:07:27,510 --> 00:07:25,569

and my mom and stepdad nothing was ever

147

00:07:29,700 --> 00:07:27,520

said about the hat man or the man in

148

00:07:33,059 --> 00:07:29,710

black hmm until my mom was diagnosed

149

00:07:34,710 --> 00:07:33,069

with MS oh that's horrible and thought

150

00:07:36,809 --> 00:07:34,720

she was going crazy because she could

151  
00:07:40,320 --> 00:07:36,819  
see these guys and then it all came out

152  
00:07:42,990 --> 00:07:40,330  
at our family meeting that all of us saw

153  
00:07:47,520 --> 00:07:43,000  
them and that wasn't until I was 22

154  
00:07:51,480 --> 00:07:47,530  
years old holy cannoli that's supper how

155  
00:07:54,230 --> 00:07:51,490  
long does a long time to to be in the

156  
00:07:57,930 --> 00:07:54,240  
dark so anyways where were you all right

157  
00:07:59,279 --> 00:07:57,940  
when I was weren't hold on when I was 26

158  
00:08:01,499 --> 00:07:59,289  
years old and Mary my husband I bought a

159  
00:08:04,110 --> 00:08:01,509  
house and they're here I was introduced

160  
00:08:06,089 --> 00:08:04,120  
to the not so nice and comforting that's

161  
00:08:08,100 --> 00:08:06,099  
a nice and comforting I don't know what

162  
00:08:12,719 --> 00:08:08,110  
that means but not so nice and

163  
00:08:13,830 --> 00:08:12,729

comforting um okay at first glance and

164

00:08:16,230 --> 00:08:13,840

walking to the house I didn't feel

165

00:08:18,059 --> 00:08:16,240

anything that made me feel unsafe but

166

00:08:20,790 --> 00:08:18,069

the longer I lived here the more the

167

00:08:23,310 --> 00:08:20,800

ghosts shadows blackness and entities

168

00:08:25,020 --> 00:08:23,320

that talked made their appearance and it

169

00:08:28,080 --> 00:08:25,030

wasn't just inside the house either

170

00:08:29,909 --> 00:08:28,090

there are others outside also I had my

171

00:08:31,709 --> 00:08:29,919

first son when I was 29 years old and

172

00:08:33,810 --> 00:08:31,719

when he was little he would talk about

173

00:08:37,949 --> 00:08:33,820

the lady who like to sit in the chair in

174

00:08:39,480 --> 00:08:37,959

his room at night okay he also told me

175

00:08:41,430 --> 00:08:39,490

about the men that would stand in the

176

00:08:43,589 --> 00:08:41,440

hallway and just stare at him he said

177

00:08:45,630 --> 00:08:43,599

that I needed to make that bad man leave

178

00:08:47,130 --> 00:08:45,640

and so I consulted friend of mine who's

179

00:08:50,130 --> 00:08:47,140

a medium to come to the house and tell

180

00:08:52,230 --> 00:08:50,140

me what I was dealing with she said they

181

00:08:55,050 --> 00:08:52,240

were so much going on here that it was

182

00:09:00,750 --> 00:08:55,060

hard to pinpoint what was visiting and

183

00:09:02,340 --> 00:09:00,760

what was part of the house what what was

184

00:09:04,380 --> 00:09:02,350

visiting and what was part of the house

185

00:09:06,690 --> 00:09:04,390

oh and that's your kitchen floor and

186

00:09:08,340 --> 00:09:06,700

here's your kitchen cabinet oh there

187

00:09:10,710 --> 00:09:08,350

goes a little ghost and we're going to

188

00:09:15,240 --> 00:09:10,720

skip on over here to the foyer oh okay

189

00:09:18,780 --> 00:09:15,250

um that that's that's that's hilarious

190

00:09:21,870 --> 00:09:18,790

okay um Oh hold on Oh hold on hold on

191

00:09:26,090 --> 00:09:21,880

here did you juju juju juju oh this

192

00:09:27,530 --> 00:09:26,100

is this is this is weird okay hold on

193

00:09:30,499 --> 00:09:27,540

hmm

194

00:09:31,879 --> 00:09:30,509

okay I ended up saying out loud to these

195

00:09:35,269 --> 00:09:31,889

beings that they could show themselves

196

00:09:37,939 --> 00:09:35,279

to me but never to my child and after

197

00:09:40,759 --> 00:09:37,949

kidding my that clear my son didn't see

198

00:09:42,530 --> 00:09:40,769

much of them again but I did I saw them

199

00:09:44,480 --> 00:09:42,540

I heard them I felt them I wanted to

200

00:09:47,139 --> 00:09:44,490

know what was in my house and of course

201  
00:09:49,790 --> 00:09:47,149  
as you well know nothing says the same

202  
00:09:52,069 --> 00:09:49,800  
nothing stays the same okay I think you

203  
00:09:55,340 --> 00:09:52,079  
meant stays the same it either elevates

204  
00:09:57,110 --> 00:09:55,350  
or it fades away I had my second son

205  
00:09:59,030 --> 00:09:57,120  
when I was 34 and by then I had a pretty

206  
00:10:00,920 --> 00:09:59,040  
good handle on what was lurking in my

207  
00:10:02,420 --> 00:10:00,930  
house is the big email everybody i

208  
00:10:04,490 --> 00:10:02,430  
thought this little one but it's just

209  
00:10:06,350 --> 00:10:04,500  
going on and on but that's okay my

210  
00:10:08,809 --> 00:10:06,360  
husband started changing from a loving

211  
00:10:10,850 --> 00:10:08,819  
man to a raging alcoholic and the

212  
00:10:13,430 --> 00:10:10,860  
elevation of seeing and hearing dark

213  
00:10:15,499 --> 00:10:13,440

entities started again black mist in the

214

00:10:17,870 --> 00:10:15,509

stairways and hallways black shadows in

215

00:10:19,759 --> 00:10:17,880

the corners of the ceilings creepers the

216

00:10:22,759 --> 00:10:19,769

ones that stand behind you and talk in

217

00:10:24,829 --> 00:10:22,769

your ear yeah the hat man came back but

218

00:10:29,090 --> 00:10:24,839

this time he was not comforting go

219

00:10:31,040 --> 00:10:29,100

figure he was evil no I just I've never

220

00:10:33,019 --> 00:10:31,050

heard of such thing on when my youngest

221

00:10:38,230 --> 00:10:33,029

son was two years old he said that he

222

00:10:41,420 --> 00:10:38,240

had his brother and I were the light huh

223

00:10:44,780 --> 00:10:41,430

what and we were the light I like that

224

00:10:47,120 --> 00:10:44,790

and the dark bad men were demons I asked

225

00:10:50,059 --> 00:10:47,130

how he knew this and he said the angels

226

00:10:51,860 --> 00:10:50,069

who visit me at night told him this I am

227

00:10:53,689 --> 00:10:51,870

an open-minded person so i had no reason

228

00:10:55,879 --> 00:10:53,699

to doubt him even at his young age I

229

00:10:57,439 --> 00:10:55,889

decided that it was time to try to get

230

00:10:59,840 --> 00:10:57,449

rid of all this darkness that was

231

00:11:02,420 --> 00:10:59,850

plaguing my house and everything around

232

00:11:04,910 --> 00:11:02,430

me so I called my medium friend and she

233

00:11:07,460 --> 00:11:04,920

brought two others along with her and a

234

00:11:09,530 --> 00:11:07,470

pastor they blessed my house and the

235

00:11:12,019 --> 00:11:09,540

land unsalted everything and we prayed

236

00:11:15,860 --> 00:11:12,029

and guess what the dark ones are still

237

00:11:18,319 --> 00:11:15,870

here I'm not surprised um it have been

238

00:11:20,030 --> 00:11:18,329

quiet and not so much chaotic but

239

00:11:22,100 --> 00:11:20,040

they're still here over the years I

240

00:11:24,800 --> 00:11:22,110

believe that there is an ongoing war

241

00:11:26,509 --> 00:11:24,810

between the darkness and light in two

242

00:11:28,429 --> 00:11:26,519

different dimensions and my house just

243

00:11:30,889 --> 00:11:28,439

happens to be the middle of it it's only

244

00:11:32,090 --> 00:11:30,899

way I could make sense of it thank you

245

00:11:33,620 --> 00:11:32,100

for taking the time to read my story

246

00:11:36,079 --> 00:11:33,630

actually feel better just kidding it out

247

00:11:39,259 --> 00:11:36,089

LOL i know i'm not alone in the freaky

248

00:11:40,639 --> 00:11:39,269

deaky seeing of otherworldly things but

249

00:11:41,330 --> 00:11:40,649

it sure is nice to share it with someone

250

00:11:45,410 --> 00:11:41,340

else who under

251

00:11:49,220 --> 00:11:45,420

stanced blessed be Melissa Melissa hey

252

00:11:52,640 --> 00:11:49,230

girlfriend how's it going girl um you

253

00:11:54,680 --> 00:11:52,650

know it's interesting that what you're

254

00:11:57,740 --> 00:11:54,690

what you're sharing here in regards to

255

00:12:00,170 --> 00:11:57,750

you know you have experienced some odd

256

00:12:01,820 --> 00:12:00,180

things since you're a kid and it didn't

257

00:12:04,780 --> 00:12:01,830

spook you out as much in the beginning

258

00:12:08,120 --> 00:12:04,790

and then it did later on and you know

259

00:12:11,780 --> 00:12:08,130

sometimes I mean I do find that and when

260

00:12:14,180 --> 00:12:11,790

somebody is a kid that they don't always

261

00:12:15,920 --> 00:12:14,190

get terrified not always i mean but i

262

00:12:18,650 --> 00:12:15,930

think you know even adults a lot of them

263

00:12:23,600 --> 00:12:18,660

don't get absolutely terrified but it

264

00:12:25,760 --> 00:12:23,610

does happen but in your case what's

265

00:12:27,290 --> 00:12:25,770

interesting to me and and i guess this

266

00:12:29,990 --> 00:12:27,300

is more of a pattern that i see when it

267

00:12:36,020 --> 00:12:30,000

comes to those who don't get freaked out

268

00:12:37,850 --> 00:12:36,030

is um the kid the the you know it is the

269

00:12:39,620 --> 00:12:37,860

light like you're saying your child said

270

00:12:41,690 --> 00:12:39,630

oh you're the light and the darkness is

271

00:12:43,100 --> 00:12:41,700

this is the demons they're trying to

272

00:12:45,260 --> 00:12:43,110

stomp out your light so they didn't want

273

00:12:46,820 --> 00:12:45,270

to freak you out in and have you go

274

00:12:48,530 --> 00:12:46,830

running to mommy and daddy down the

275

00:12:50,540 --> 00:12:48,540

hallway you know like this thing is

276

00:12:52,940 --> 00:12:50,550

horrible you know instead it gave you

277

00:12:55,130 --> 00:12:52,950

that comforting feeling like I'm okay

278

00:12:56,810 --> 00:12:55,140

look look I have a nice suit on how are

279

00:13:00,050 --> 00:12:56,820

you doing I'm gonna just creep up your

280

00:13:03,230 --> 00:13:00,060

stairs and I don't don't bother I mean

281

00:13:05,570 --> 00:13:03,240

I'm good you're good we're all good so I

282

00:13:08,060 --> 00:13:05,580

mean so yeah it's like your defenses are

283

00:13:12,050 --> 00:13:08,070

down when you're not as afraid I you

284

00:13:13,460 --> 00:13:12,060

know fear is a way of surviving and you

285

00:13:15,650 --> 00:13:13,470

didn't fill in danger I'm gonna fill out

286

00:13:17,500 --> 00:13:15,660

risk but it obviously watched you all

287

00:13:19,670 --> 00:13:17,510

these years you think that your house is

288

00:13:22,400 --> 00:13:19,680

the thing that's at the crossroads

289

00:13:26,360 --> 00:13:22,410

between the battle of good and evil but

290

00:13:28,070 --> 00:13:26,370

I think it's you I think if you picked

291

00:13:29,780 --> 00:13:28,080

up and walked away from that house I

292

00:13:33,770 --> 00:13:29,790

think that you would still have these

293

00:13:35,720 --> 00:13:33,780

issues going on so I don't think that it

294

00:13:40,400 --> 00:13:35,730

would be a I don't think it make any

295

00:13:44,330 --> 00:13:40,410

difference so anyways I I think what is

296

00:13:47,330 --> 00:13:44,340

important to know here is that yeah this

297

00:13:49,210 --> 00:13:47,340

thing obviously it's it's like here hey

298

00:13:51,680 --> 00:13:49,220

let's do this okay I want to sing like

299

00:13:53,400 --> 00:13:51,690

Janet Jackson song that's the way love

300

00:13:55,889 --> 00:13:53,410

goes like a

301  
00:13:58,829 --> 00:13:55,899  
lock to the fire burned by the flame you

302  
00:14:03,449 --> 00:13:58,839  
know you can't you have two equivalent

303  
00:14:05,819 --> 00:14:03,459  
it to equal it to being a bud coming to

304  
00:14:08,579 --> 00:14:05,829  
a light that's I mean it's attracted to

305  
00:14:11,100 --> 00:14:08,589  
you it really is I mean it it likes what

306  
00:14:12,210 --> 00:14:11,110  
it sees and it wants to stomp it out so

307  
00:14:16,019 --> 00:14:12,220  
I don't know if it once it puts its

308  
00:14:18,329 --> 00:14:16,029  
dirty fly guts and block out the light

309  
00:14:21,119 --> 00:14:18,339  
all on you but sometimes I have to

310  
00:14:22,470 --> 00:14:21,129  
wonder because they do they do that they

311  
00:14:24,509 --> 00:14:22,480  
do that sort of thing I don't know what

312  
00:14:28,679 --> 00:14:24,519  
it is don't know what it is really don't

313  
00:14:30,900 --> 00:14:28,689

but they do um but you know why I said I

314

00:14:35,189 --> 00:14:30,910

wasn't surprised when like yeah this

315

00:14:37,350 --> 00:14:35,199

whole this whole team of people that

316

00:14:40,499 --> 00:14:37,360

came into your place to bless your house

317

00:14:42,840 --> 00:14:40,509

and and the pastor and they did their

318

00:14:44,189 --> 00:14:42,850

holy shenanigans and I shouldn't call a

319

00:14:46,470 --> 00:14:44,199

shenanigan that they there there did

320

00:14:49,530 --> 00:14:46,480

their thing okay they tried they tried

321

00:14:51,030 --> 00:14:49,540

to help that's awesome you know but I am

322

00:14:55,800 --> 00:14:51,040

NOT surprised that it did not work for

323

00:14:58,679 --> 00:14:55,810

you because often times when uh somebody

324

00:15:02,189 --> 00:14:58,689

comes in to stand up for your faith I

325

00:15:04,110 --> 00:15:02,199

mean it's not gonna work no because it's

326

00:15:08,759 --> 00:15:04,120

kind of your responsibility I hate to

327

00:15:11,069 --> 00:15:08,769

say because it is so um I think that

328

00:15:13,019 --> 00:15:11,079

it's important to know you do not have

329

00:15:14,790 --> 00:15:13,029

to put up with it just because well gosh

330

00:15:16,650 --> 00:15:14,800

I had like five people in here blessing

331

00:15:20,220 --> 00:15:16,660

this house and it did not work you've

332

00:15:22,559 --> 00:15:20,230

got to you know get your holy ethers in

333

00:15:24,090 --> 00:15:22,569

an uproar and you bless that house you

334

00:15:25,790 --> 00:15:24,100

know are there such things as Holy

335

00:15:27,960 --> 00:15:25,800

ethers I don't know I was at a

336

00:15:29,610 --> 00:15:27,970

multitasking everybody so don't mind me

337

00:15:32,670 --> 00:15:29,620

I'm like so I'm a little scatterbrained

338

00:15:35,939 --> 00:15:32,680

here boot okay all right so yeah so I

339

00:15:37,319 --> 00:15:35,949

would say you know whatever faith will

340

00:15:39,809 --> 00:15:37,329

hell these you had a pastor in there so

341

00:15:41,840 --> 00:15:39,819

I assume that you're Christian you know

342

00:15:44,519 --> 00:15:41,850

go through your home and bless it and

343

00:15:46,920 --> 00:15:44,529

you know we could follow what they did

344

00:15:50,280 --> 00:15:46,930

or you could do something all on your

345

00:15:52,740 --> 00:15:50,290

own it's all up to you and just take to

346

00:15:55,110 --> 00:15:52,750

it it's interesting that you know gosh

347

00:15:56,460 --> 00:15:55,120

that man and all those other little

348

00:15:58,860 --> 00:15:56,470

demonic little creatures have been

349

00:16:02,179 --> 00:15:58,870

working a heck of a long time on you

350

00:16:04,439 --> 00:16:02,189

that is something else that is that is a

351

00:16:07,020 --> 00:16:04,449

that tells me you're real bright light

352

00:16:09,530 --> 00:16:07,030

real bright light the air so trying

353

00:16:12,510 --> 00:16:09,540

beat their bat wings to cover you up uh

354

00:16:15,360 --> 00:16:12,520

that's that's just something else take

355

00:16:16,860 --> 00:16:15,370

it as a compliment I always do um but

356

00:16:20,610 --> 00:16:16,870

I'm a little weirder than the next

357

00:16:22,500 --> 00:16:20,620

person so be disturbed get angry and you

358

00:16:24,450 --> 00:16:22,510

know tell them told me to get take a

359

00:16:26,880 --> 00:16:24,460

hike that you're you're done you're not

360

00:16:29,880 --> 00:16:26,890

gonna deal with this crapola anymore

361

00:16:31,680 --> 00:16:29,890

because you don't have to play in a

362

00:16:33,810 --> 00:16:31,690

simple I think it's finest up well I

363

00:16:39,060 --> 00:16:33,820

don't know but that that's how I feel

364

00:16:40,410 --> 00:16:39,070

about it anyways so do that and let me

365

00:16:43,200 --> 00:16:40,420

have a look here I'm gonna grab another

366

00:16:50,010 --> 00:16:43,210

one I'm grabbing a random email here

367

00:16:54,330 --> 00:16:50,020

everybody all right here we go 2 2 2 20

368

00:16:56,940 --> 00:16:54,340

this is a oh boy that's huh ok this is

369

00:17:00,090 --> 00:16:56,950

really deep those deep I don't know I

370

00:17:02,190 --> 00:17:00,100

don't know this one's let's hold on good

371

00:17:03,900 --> 00:17:02,200

point no okay alright well we'll do this

372

00:17:05,490 --> 00:17:03,910

all right this is this something

373

00:17:07,290 --> 00:17:05,500

different because I could just tell from

374

00:17:11,430 --> 00:17:07,300

the the title of this one that this

375

00:17:15,270 --> 00:17:11,440

one's gonna be a big doozy all right

376

00:17:17,550 --> 00:17:15,280

this is your Heidi and hold on hold on

377

00:17:19,890 --> 00:17:17,560

spark up hold on I tell you never

378

00:17:25,640 --> 00:17:19,900

multitask when your brain has tried from

379

00:17:27,840 --> 00:17:25,650

bronchitis or just fried in general okay

380

00:17:29,550 --> 00:17:27,850

all right is your head you have some

381

00:17:32,250 --> 00:17:29,560

scary things happening to me for a while

382

00:17:34,920 --> 00:17:32,260

now sob some back history is my brother

383

00:17:36,750 --> 00:17:34,930

killed himself I had open-heart surgery

384

00:17:38,280 --> 00:17:36,760

and died they brought me back ever since

385

00:17:40,080 --> 00:17:38,290

then things have been going on even

386

00:17:41,940 --> 00:17:40,090

before then I can remember as a child

387

00:17:44,610 --> 00:17:41,950

seeing things well what happened to me

388

00:17:46,650 --> 00:17:44,620

is I always was trying to fall asleep

389

00:17:48,150 --> 00:17:46,660

then I had this feeling of being watched

390

00:17:50,280 --> 00:17:48,160

so I'd opened my eyes and there was a

391

00:17:53,280 --> 00:17:50,290

dark mass floating above me while I was

392

00:17:55,080 --> 00:17:53,290

lying in my bed I was filled with fear I

393

00:17:57,450 --> 00:17:55,090

have never been so scared in my life I

394

00:18:00,810 --> 00:17:57,460

tried to shout out I try to get up and

395

00:18:02,790 --> 00:18:00,820

run I tried to move and I couldn't I was

396

00:18:04,860 --> 00:18:02,800

yelling please please please wake me up

397

00:18:08,010 --> 00:18:04,870

wake me up the mask came closer and

398

00:18:10,080 --> 00:18:08,020

closer to me and it was my brother he

399

00:18:14,400 --> 00:18:10,090

looked at me then got right in my face

400

00:18:19,320 --> 00:18:14,410

and turned into this nasty scary mean

401  
00:18:20,700 --> 00:18:19,330  
old woman maybe even a witch she was

402  
00:18:24,210 --> 00:18:20,710  
just so

403  
00:18:28,019 --> 00:18:24,220  
Oh scary and she was mocking me saying

404  
00:18:30,149 --> 00:18:28,029  
wake up wake up and laughing okay

405  
00:18:33,029 --> 00:18:30,159  
anybody else got chills then she was

406  
00:18:35,190 --> 00:18:33,039  
trying to suck the breath out of me I

407  
00:18:38,010 --> 00:18:35,200  
thought she was trying to kill me I

408  
00:18:41,700 --> 00:18:38,020  
thought I was dying well I finally woke

409  
00:18:43,919 --> 00:18:41,710  
up screaming and crying scared so I

410  
00:18:46,350 --> 00:18:43,929  
walked to my kitchen to get some water I

411  
00:18:48,630 --> 00:18:46,360  
grabbed a cup go to the sink then all of

412  
00:18:50,700 --> 00:18:48,640  
a sudden I'm back in my bed sleeping so

413  
00:18:52,320 --> 00:18:50,710

I woke myself up again scared wondering

414

00:18:53,970 --> 00:18:52,330

what was going on go to the kitchen and

415

00:18:56,159 --> 00:18:53,980

then again I'm back in my bed has

416

00:18:58,470 --> 00:18:56,169

happened a few more times okay I'm tired

417

00:19:00,450 --> 00:18:58,480

by then then the last time I went to

418

00:19:03,360 --> 00:19:00,460

walk in the kitchen and there was this

419

00:19:08,299 --> 00:19:03,370

black mass again I was so scared I tried

420

00:19:11,519 --> 00:19:08,309

to run then I woke up in my bed again ok

421

00:19:13,409 --> 00:19:11,529

when I woke up for real I turned to my

422

00:19:15,840 --> 00:19:13,419

boyfriend and asked him if I was really

423

00:19:19,200 --> 00:19:15,850

awake or if I was just still dreaming I

424

00:19:21,570 --> 00:19:19,210

was crying and scared he told me I was

425

00:19:23,909 --> 00:19:21,580

just it was all just a bad dream and to

426

00:19:26,549 --> 00:19:23,919

go back to bed so a few months pass

427

00:19:28,950 --> 00:19:26,559

without it happening then one night I go

428

00:19:32,130 --> 00:19:28,960

to bed try to get some sleep and all of

429

00:19:34,889 --> 00:19:32,140

a sudden I hear it again then this

430

00:19:38,120 --> 00:19:34,899

happens I hear like I don't know how to

431

00:19:41,850 --> 00:19:38,130

explain the sound womp womp womp womp

432

00:19:45,899 --> 00:19:41,860

louder and louder I knew it was coming I

433

00:19:48,269 --> 00:19:45,909

couldn't move scream yell nothing for my

434

00:19:51,529 --> 00:19:48,279

boyfriend awake me i look at the door

435

00:19:55,980 --> 00:19:51,539

and there were three black masses

436

00:19:59,669 --> 00:19:55,990

standing there shadows they jump on me

437

00:20:03,330 --> 00:19:59,679

and tried to drag me down into the bed

438

00:20:05,639 --> 00:20:03,340

like make me sink so it's so hard to

439

00:20:08,460 --> 00:20:05,649

breathe it feels like they are trying to

440

00:20:12,990 --> 00:20:08,470

take me to hell to kill me and take my

441

00:20:15,060 --> 00:20:13,000

soul oh my gosh I'm lashing and trying

442

00:20:18,690 --> 00:20:15,070

to fight back and screaming for help but

443

00:20:21,419 --> 00:20:18,700

no one can hear me I can feel myself lay

444

00:20:23,100 --> 00:20:21,429

there and try to even mumble so my

445

00:20:25,649 --> 00:20:23,110

boyfriend can wake me up but when I

446

00:20:27,899 --> 00:20:25,659

finally can move I asked him why didn't

447

00:20:30,330 --> 00:20:27,909

he wake me he says he didn't know I

448

00:20:34,680 --> 00:20:30,340

didn't move and that he knows because he

449

00:20:37,740 --> 00:20:34,690

was sleeping these things happen more

450

00:20:40,410 --> 00:20:37,750

now and these shadows are trying to take

451  
00:20:43,170 --> 00:20:40,420  
me I don't know where they are trying to

452  
00:20:46,230 --> 00:20:43,180  
take me but I know that someday they

453  
00:20:47,850 --> 00:20:46,240  
will kill me and take my soul I wish I

454  
00:20:50,640 --> 00:20:47,860  
knew how to make them go away it's so

455  
00:20:52,290 --> 00:20:50,650  
scary sometimes I can't even sleep there

456  
00:20:55,260 --> 00:20:52,300  
are so many things that they do to me I

457  
00:21:01,560 --> 00:20:55,270  
can't move or even fight them off thanks

458  
00:21:03,990 --> 00:21:01,570  
Jen whoo oh my goodness you know I saw

459  
00:21:07,260 --> 00:21:04,000  
this title and saying you know this was

460  
00:21:09,090 --> 00:21:07,270  
a shadow people old woman and hello

461  
00:21:11,100 --> 00:21:09,100  
everybody I know you think an old hag

462  
00:21:14,850 --> 00:21:11,110  
syndrome right what is the old hag

463  
00:21:19,560 --> 00:21:14,860

syndrome that is where this ratchet and

464

00:21:23,430 --> 00:21:19,570

wretched old lady um does exactly what

465

00:21:27,240 --> 00:21:23,440

Jen describes here just if people feel

466

00:21:30,030 --> 00:21:27,250

like this little nasty creepy thing and

467

00:21:32,610 --> 00:21:30,040

you know I've heard she's really short

468

00:21:34,170 --> 00:21:32,620

like she's got almost stubby legs all

469

00:21:36,000 --> 00:21:34,180

right she doesn't describe that as being

470

00:21:37,200 --> 00:21:36,010

the case here but but I've heard that

471

00:21:41,880 --> 00:21:37,210

she's got almost like stump she's

472

00:21:44,130 --> 00:21:41,890

wandering around on and and and just

473

00:21:45,390 --> 00:21:44,140

very sinister like like a horror movies

474

00:21:47,820 --> 00:21:45,400

of witches that you could ever imagine

475

00:21:51,500 --> 00:21:47,830

rolled up into a nasty little disgusting

476

00:21:54,840 --> 00:21:51,510

grey skinned little woman and that is

477

00:21:56,310 --> 00:21:54,850

trying to kill you and like has the

478

00:21:58,020 --> 00:21:56,320

wicked witch laughs and everything you

479

00:22:01,170 --> 00:21:58,030

know I wonder if like the demons the

480

00:22:04,170 --> 00:22:01,180

powers that be are like oh boy those

481

00:22:07,170 --> 00:22:04,180

humans they have created the perfect

482

00:22:09,480 --> 00:22:07,180

creature for us to truly develop here we

483

00:22:12,870 --> 00:22:09,490

have an opportunity to take advantage of

484

00:22:15,600 --> 00:22:12,880

let's make a really really nasty old egg

485

00:22:18,240 --> 00:22:15,610

that comes to you at night and and

486

00:22:19,800 --> 00:22:18,250

threatens to throw you into a pot and

487

00:22:22,230 --> 00:22:19,810

eat you or something like Hansel and

488

00:22:26,010 --> 00:22:22,240

Gretel I mean truly I mean this this

489

00:22:29,120 --> 00:22:26,020

thing is just like that it's nasty I

490

00:22:31,620 --> 00:22:29,130

mean it's just a nasty thing and

491

00:22:35,610 --> 00:22:31,630

everything that I've heard in regards to

492

00:22:37,050 --> 00:22:35,620

her is just it's it's nothing cute it's

493

00:22:40,350 --> 00:22:37,060

nothing sweet to nothing like Wizard of

494

00:22:43,800 --> 00:22:40,360

Oz cute or which he cute me no those are

495

00:22:46,020 --> 00:22:43,810

that's a cute witch yeah i mean it's

496

00:22:47,850 --> 00:22:46,030

it's just really bizarre so and the

497

00:22:50,970 --> 00:22:47,860

thing is that that's uh

498

00:22:54,690 --> 00:22:50,980

also very concerning when I hear these

499

00:22:58,380 --> 00:22:54,700

reports of her is the the the how can I

500

00:23:00,450 --> 00:22:58,390

say the conversation it's like the the

501

00:23:02,220 --> 00:23:00,460

interaction that's it the interaction is

502

00:23:06,539 --> 00:23:02,230

so immediate like like she was mocking

503

00:23:09,270 --> 00:23:06,549

her way good wake up haha you know it's

504

00:23:12,860 --> 00:23:09,280

like she takes a special pleasure in

505

00:23:16,140 --> 00:23:12,870

knowing that you feel helpless and

506

00:23:18,419 --> 00:23:16,150

mocking I mean wow I mean she knows that

507

00:23:21,360 --> 00:23:18,429

you're struggling and she tends to laugh

508

00:23:24,419 --> 00:23:21,370

I mean I have heard this quite a bit so

509

00:23:25,799 --> 00:23:24,429

wow you know hat men and could get a

510

00:23:29,789 --> 00:23:25,809

good chuckle in every once in a while to

511

00:23:32,549 --> 00:23:29,799

tip his hat and like you got me um Wow a

512

00:23:35,400 --> 00:23:32,559

wicked witch laughs I mean good lord I

513

00:23:37,919 --> 00:23:35,410

mean what what we're thinking you can

514

00:23:42,060 --> 00:23:37,929

you throw at a person unless you want to

515

00:23:46,140 --> 00:23:42,070

throw in a clown i mean really hate

516

00:23:48,659 --> 00:23:46,150

clowns um so I I don't know I mean it's

517

00:23:50,730 --> 00:23:48,669

just a it's just really bizarre right

518

00:23:52,470 --> 00:23:50,740

now I'm thinking that that's really

519

00:23:54,690 --> 00:23:52,480

concerning to though you're talking

520

00:23:58,140 --> 00:23:54,700

about this horrible horrible horrible

521

00:24:01,380 --> 00:23:58,150

feeling and knowing that this thing is

522

00:24:06,409 --> 00:24:01,390

going to get you one day and drag you to

523

00:24:10,530 --> 00:24:06,419

hell and take your soul Jen I mean I

524

00:24:13,230 --> 00:24:10,540

just I i I'm when something gets this

525

00:24:18,539 --> 00:24:13,240

close to a person I am really concerned

526

00:24:21,860 --> 00:24:18,549

because it's physically draining you and

527

00:24:23,970 --> 00:24:21,870

it's messing with your sense of time and

528

00:24:28,230 --> 00:24:23,980

honestly you know you had a near-death

529

00:24:30,270 --> 00:24:28,240

experience and for some reason those who

530

00:24:32,820 --> 00:24:30,280

have had these close calls with death

531

00:24:34,799 --> 00:24:32,830

come back with some people call them

532

00:24:36,780 --> 00:24:34,809

gifts other people go to hell with that

533

00:24:38,580 --> 00:24:36,790

that's a curse who wants to see these

534

00:24:40,620 --> 00:24:38,590

things i want to do with this stuff you

535

00:24:44,400 --> 00:24:40,630

know up so it's just it's stuff that

536

00:24:47,039 --> 00:24:44,410

happens to people and um it's it's

537

00:24:48,780 --> 00:24:47,049

it's difficult and you know a lot of

538

00:24:50,669 --> 00:24:48,790

people believe it or not who have had a

539

00:24:53,250 --> 00:24:50,679

near-death experience deal with

540

00:24:54,990 --> 00:24:53,260

depression sounds strange you know you

541

00:24:58,260 --> 00:24:55,000

think oh I got a new lease on life but

542

00:25:00,120 --> 00:24:58,270

I'm life but some people feel like wow

543

00:25:01,560 --> 00:25:00,130

nobody wants me not even heaven heaven

544

00:25:04,190 --> 00:25:01,570

sent me back

545

00:25:08,340 --> 00:25:04,200

thats thats could be a really crazy

546

00:25:10,530 --> 00:25:08,350

feeling in a sense um but I'd never

547

00:25:13,050 --> 00:25:10,540

thought of that way but I have heard

548

00:25:15,060 --> 00:25:13,060

more and more people talk about that and

549

00:25:19,410 --> 00:25:15,070

now i have personally seen the other

550

00:25:22,320 --> 00:25:19,420

side and I think the sense that hit me

551

00:25:24,630 --> 00:25:22,330

the most was oh I miss it I can't wait

552

00:25:26,850 --> 00:25:24,640

to get back there so that's the type of

553

00:25:28,890 --> 00:25:26,860

sense that i got like I was just so

554

00:25:30,660 --> 00:25:28,900

beautiful and this place sucks in

555

00:25:32,820 --> 00:25:30,670

comparison but I surely didn't feel

556

00:25:35,160 --> 00:25:32,830

rejected I felt like gosh I have a lot

557

00:25:36,120 --> 00:25:35,170

to do yet so I don't know if you came

558

00:25:39,000 --> 00:25:36,130

back with a little bit of depression

559

00:25:41,370 --> 00:25:39,010

that made you open vulnerable to these

560

00:25:44,970 --> 00:25:41,380

dark things or your lights shone so

561

00:25:47,550 --> 00:25:44,980

freakin bright play through old hag at

562

00:25:55,620 --> 00:25:47,560

you oh she's easy to hurl she's tiny

563

00:25:57,690 --> 00:25:55,630

I've heard um oh boy um so I I mean

564

00:26:02,190 --> 00:25:57,700

honestly I understand this is a horrible

565

00:26:03,990 --> 00:26:02,200

thing I I think what you need to do okay

566

00:26:06,290 --> 00:26:04,000

I know what you need to do to get rid of

567

00:26:09,690 --> 00:26:06,300

this rotten lowdown good-for-nothing

568

00:26:12,630 --> 00:26:09,700

negativity in the form of any nasty

569

00:26:16,440 --> 00:26:12,640

little witch or big ol tall hat man or

570

00:26:18,540 --> 00:26:16,450

whatever it is is you know I have to

571

00:26:20,190 --> 00:26:18,550

call it your ethereal foot you need to

572

00:26:24,150 --> 00:26:20,200

put it in their backside I don't know

573

00:26:27,000 --> 00:26:24,160

one size fits all usually um a punch it

574

00:26:30,450 --> 00:26:27,010

I don't know it but as long as faith has

575

00:26:33,330 --> 00:26:30,460

written all over it it'll work so clean

576

00:26:35,520 --> 00:26:33,340

out your house they say to a house

577

00:26:38,100 --> 00:26:35,530

cleansing um unless you're Native

578

00:26:40,410 --> 00:26:38,110

American I don't smudge this stuff

579

00:26:42,150 --> 00:26:40,420

called water works great that's what

580

00:26:45,900 --> 00:26:42,160

they use in the church I'm Christian

581

00:26:47,970 --> 00:26:45,910

what I use but I have heard some people

582

00:26:52,680 --> 00:26:47,980

have been successful with that but bless

583

00:26:54,180 --> 00:26:52,690

your home bless your home and I'll you

584

00:26:55,830 --> 00:26:54,190

know I'm gonna write you also in

585

00:26:59,220 --> 00:26:55,840

particular hug you can get some of that

586

00:27:00,720 --> 00:26:59,230

done in a good timely fashion you know

587

00:27:02,730 --> 00:27:00,730

it doesn't take long to bless your home

588

00:27:05,040 --> 00:27:02,740

and if you want to get some sleep and

589

00:27:07,530 --> 00:27:05,050

and have some peace and quiet I mean

590

00:27:10,530 --> 00:27:07,540

honestly I don't I would have never ever

591

00:27:11,820 --> 00:27:10,540

been able to sleep ever again with some

592

00:27:14,370 --> 00:27:11,830

of the things that I have dealt with I

593

00:27:15,810 --> 00:27:14,380

can't even tell you the things that just

594

00:27:18,060 --> 00:27:15,820

love to come when your guard is down

595

00:27:21,210 --> 00:27:18,070

when you're really trying to you know

596

00:27:22,680 --> 00:27:21,220

recharge your soul what a thought it

597

00:27:25,020 --> 00:27:22,690

recharge your soul why did why do we

598

00:27:27,570 --> 00:27:25,030

need sleep you know I'm sure our bodies

599

00:27:30,150 --> 00:27:27,580

get tired but I mean it's like a reboot

600

00:27:31,890 --> 00:27:30,160

like your soul needs to go and be

601  
00:27:33,660 --> 00:27:31,900  
someplace else for a little bit too and

602  
00:27:36,660 --> 00:27:33,670  
come right back and you know these

603  
00:27:40,530 --> 00:27:36,670  
things are trying to interject with just

604  
00:27:43,470 --> 00:27:40,540  
sucky so um we're not going to let that

605  
00:27:44,970 --> 00:27:43,480  
happen anymore so i suggest to bless

606  
00:27:47,010 --> 00:27:44,980  
your house do it yourself don't have a

607  
00:27:50,370 --> 00:27:47,020  
whole army of people come over there to

608  
00:27:52,500 --> 00:27:50,380  
do it either those who live with you can

609  
00:27:54,180 --> 00:27:52,510  
join in that makes it more powerful

610  
00:27:56,460 --> 00:27:54,190  
because then everybody's responsible for

611  
00:27:58,830 --> 00:27:56,470  
you know make sure the house is safe so

612  
00:28:00,780 --> 00:27:58,840  
a lot of people just I don't know then a

613  
00:28:02,250 --> 00:28:00,790

lot of people try to pawn it off to the

614

00:28:05,910 --> 00:28:02,260

next person sometimes with these

615

00:28:07,860 --> 00:28:05,920

blessings it was just interesting to me

616

00:28:09,810 --> 00:28:07,870

everybody could be experiencing like a

617

00:28:11,310 --> 00:28:09,820

haunting or something dark going on and

618

00:28:13,380 --> 00:28:11,320

it's like well you need to bless your

619

00:28:16,800 --> 00:28:13,390

home loan I'm gonna do it here i'll pass

620

00:28:18,960 --> 00:28:16,810

it on to the wife it's like hold on the

621

00:28:21,540 --> 00:28:18,970

wife is going to be probably a little

622

00:28:23,010 --> 00:28:21,550

bit more protected than you are you know

623

00:28:25,290 --> 00:28:23,020

kids of course you know under the

624

00:28:28,230 --> 00:28:25,300

protection of a parent that's that's

625

00:28:30,030 --> 00:28:28,240

cool but when you're like an equal adult

626  
00:28:32,850 --> 00:28:30,040  
in the house and you're passing the buck

627  
00:28:35,190 --> 00:28:32,860  
to be like she take care of this no put

628  
00:28:38,820 --> 00:28:35,200  
your blessings both together in combo to

629  
00:28:41,550 --> 00:28:38,830  
cover the household what a thought put

630  
00:28:44,550 --> 00:28:41,560  
it together and do that so and i'm going

631  
00:28:45,990 --> 00:28:44,560  
to write you also here jenn and try to

632  
00:28:47,520 --> 00:28:46,000  
give you some more tips in regards to

633  
00:28:51,240 --> 00:28:47,530  
that so anyways i hope that was helpful

634  
00:28:53,220 --> 00:28:51,250  
to you guys and my goodness i swear

635  
00:28:54,870 --> 00:28:53,230

636  
00:28:56,850 --> 00:28:54,880  
such a backlog I have to get through

637  
00:28:59,550 --> 00:28:56,860

638  
00:29:00,930 --> 00:28:59,560

and I really appreciate it so everybody

682

00:30:49,070 --> 00:30:47,160

going mental Mary I cannot believe I'm

683

00:30:52,430 --> 00:30:49,080

talking to you you have quite the

684

00:30:55,010 --> 00:30:52,440

background thank you that was a nice

685

00:30:57,710 --> 00:30:55,020

introduction I appreciate it yeah my god

686

00:30:59,570 --> 00:30:57,720

I'm just tickled I mean I was just

687

00:31:01,070 --> 00:30:59,580

saying just for me came on here I'm like

688

00:31:03,230 --> 00:31:01,080

you know I've got the background and

689

00:31:06,020 --> 00:31:03,240

cartooning all I ever wanted to do

690

00:31:07,940 --> 00:31:06,030

growing up was be a comic strip artist

691

00:31:10,670 --> 00:31:07,950

that that was my whole goal in life and

692

00:31:14,030 --> 00:31:10,680

I got to do it for 12 college newspapers

693

00:31:15,770 --> 00:31:14,040

and while i was in college i had an

694

00:31:19,010 --> 00:31:15,780

opportunity to get syndicated let's put

695

00:31:21,110 --> 00:31:19,020

it that way and I I made the cut was

696

00:31:23,660 --> 00:31:21,120

going to happen distributors failed me I

697

00:31:25,520 --> 00:31:23,670

was in college I had I was going to be

698

00:31:28,490 --> 00:31:25,530

an occupational therapist which I am now

699

00:31:30,530 --> 00:31:28,500

and I was just so busy wouldn't you know

700

00:31:32,180 --> 00:31:30,540

things fell through and somehow i wrote

701  
00:31:34,250 --> 00:31:32,190  
my first book in college and just stayed

702  
00:31:35,750 --> 00:31:34,260  
writing and gave up my cartooning and

703  
00:31:39,380 --> 00:31:35,760  
now i'm back to it and now i'm going

704  
00:31:40,010 --> 00:31:39,390  
like mental with it i love visual arts

705  
00:31:42,200 --> 00:31:40,020  
so

706  
00:31:44,900 --> 00:31:42,210  
I'm just floored and of course i love

707  
00:31:47,660 --> 00:31:44,910  
the he own language the communication

708  
00:31:49,730 --> 00:31:47,670  
stuff do so your background my goodness

709  
00:31:54,320 --> 00:31:49,740  
how does a person do all that you've

710  
00:31:56,510 --> 00:31:54,330  
done that takes a bunch of years you

711  
00:31:59,030 --> 00:31:56,520  
pile him up since you're interested in

712  
00:32:01,310 --> 00:31:59,040  
cartooning when i worked at the orlando

713  
00:32:03,560 --> 00:32:01,320

sentinel i worked in the car tuning

714

00:32:07,340 --> 00:32:03,570

department and the one name that you

715

00:32:09,110 --> 00:32:07,350

would probably know would be Wagner who

716

00:32:12,770 --> 00:32:09,120

took over grin and Barrett which is one

717

00:32:14,510 --> 00:32:12,780

of the old classic ones and he had to

718

00:32:17,570 --> 00:32:14,520

learn the style of the original

719

00:32:21,110 --> 00:32:17,580

cartoonist in order to continue that

720

00:32:22,520 --> 00:32:21,120

that strip and being with cartoonist on

721

00:32:24,530 --> 00:32:22,530

a regular basis was kind of fun because

722

00:32:27,950 --> 00:32:24,540

their humor was always just a little bit

723

00:32:30,440 --> 00:32:27,960

quirky oh gosh yes yes I mean it you

724

00:32:33,170 --> 00:32:30,450

have to look at the world through such a

725

00:32:35,030 --> 00:32:33,180

different I know colored glass it's it

726

00:32:36,710 --> 00:32:35,040

but I i mean i don't know i guess i

727

00:32:38,630 --> 00:32:36,720

think in cartoons that's just how i live

728

00:32:40,280 --> 00:32:38,640

and will combine combine the right

729

00:32:42,320 --> 00:32:40,290

combine the riding with the cartoons

730

00:32:44,600 --> 00:32:42,330

that's a great idea i have actually done

731

00:32:47,330 --> 00:32:44,610

that already i have a couple of books

732

00:32:49,370 --> 00:32:47,340

i'm trying to get out there huh very

733

00:32:51,320 --> 00:32:49,380

good on the topic of faith that they're

734

00:32:54,320 --> 00:32:51,330

both called the other F word one of them

735

00:32:56,300 --> 00:32:54,330

is out for the kids but self-published

736

00:32:58,310 --> 00:32:56,310

it because you know something about

737

00:33:00,710 --> 00:32:58,320

writing about the paranormal and then

738

00:33:03,860 --> 00:33:00,720

trying to reach into a genre of

739

00:33:05,870 --> 00:33:03,870

something like faith God and if you

740

00:33:08,300 --> 00:33:05,880

don't speak from a pulpit these

741

00:33:09,410 --> 00:33:08,310

publishers really shun you so I'm like

742

00:33:10,970 --> 00:33:09,420

you know what I'm gonna put this out

743

00:33:12,200 --> 00:33:10,980

there and I'm just going to do it you

744

00:33:14,540 --> 00:33:12,210

know how to follow your passion right

745

00:33:16,730 --> 00:33:14,550

some of the most interesting books are

746

00:33:18,920 --> 00:33:16,740

being self published today and there's

747

00:33:21,410 --> 00:33:18,930

you know it's just much easier to do

748

00:33:24,200 --> 00:33:21,420

than it used to be oh yeah oh yeah for

749

00:33:26,090 --> 00:33:24,210

sure and you know it's it's been an

750

00:33:28,040 --> 00:33:26,100

interesting journey but look I want to

751  
00:33:32,030 --> 00:33:28,050  
get onto your journey my goodness you

752  
00:33:34,670 --> 00:33:32,040  
are you cover so many different topics

753  
00:33:37,340 --> 00:33:34,680  
tell us what drives you to do what

754  
00:33:41,180 --> 00:33:37,350  
you're doing today right now simple

755  
00:33:42,800 --> 00:33:41,190  
curiosity with the newspaper background

756  
00:33:44,380 --> 00:33:42,810  
I always like to dig into things and

757  
00:33:47,300 --> 00:33:44,390  
find out where the truth is and

758  
00:33:50,090 --> 00:33:47,310  
curiosity always gets me started so

759  
00:33:52,280 --> 00:33:50,100  
that's in a real simple answer you know

760  
00:33:53,840 --> 00:33:52,290  
I a lot of people know that's cool

761  
00:33:56,360 --> 00:33:53,850  
that's very cool a lot

762  
00:33:57,740 --> 00:33:56,370  
people come from you know why experience

763  
00:34:00,350 --> 00:33:57,750

something out of the ordinary did you

764

00:34:01,520 --> 00:34:00,360

did you have something that sparked your

765

00:34:05,120 --> 00:34:01,530

interest from a personal perspective

766

00:34:06,320 --> 00:34:05,130

like that mmm you're talking about

767

00:34:10,760 --> 00:34:06,330

something like dropping out of the

768

00:34:13,730 --> 00:34:10,770

clouds ah not not really i'd seen UFOs

769

00:34:15,889 --> 00:34:13,740

from a distance but nothing as dramatic

770

00:34:19,369 --> 00:34:15,899

as people who've seen them land right in

771

00:34:20,899 --> 00:34:19,379

front of them but it's interesting to

772

00:34:23,030 --> 00:34:20,909

talk to the people who had those kind of

773

00:34:25,490 --> 00:34:23,040

experiences and as a writer as a

774

00:34:26,930 --> 00:34:25,500

journalist current you don't always want

775

00:34:29,930 --> 00:34:26,940

to be talking about yourself you'd

776

00:34:32,810 --> 00:34:29,940

rather be asking the questions and

777

00:34:37,040 --> 00:34:32,820

getting other people's stories out right

778

00:34:38,419 --> 00:34:37,050

right yeah okay so what's fascinating to

779

00:34:41,450 --> 00:34:38,429

me it's like I don't know it's like you

780

00:34:44,000 --> 00:34:41,460

have like such polar opposite seeming

781

00:34:47,000 --> 00:34:44,010

topics with the you know the underground

782

00:34:49,220 --> 00:34:47,010

bases and the Cherokee little people so

783

00:34:53,540 --> 00:34:49,230

I'm like it weird it worded where to

784

00:34:56,659 --> 00:34:53,550

dive where to die what well we can start

785

00:34:59,000 --> 00:34:56,669

with the website since 2008 I've been

786

00:35:02,030 --> 00:34:59,010

the editor of Sky ships over cashiers

787

00:35:04,040 --> 00:35:02,040

calm it started out because we had so

788

00:35:06,710 --> 00:35:04,050

many and still continue to have so many

789

00:35:08,690 --> 00:35:06,720

UFO sightings in and around cashiers

790

00:35:11,030 --> 00:35:08,700

North Carolina now where I'm located

791

00:35:14,990 --> 00:35:11,040

right now is in the mountains of western

792

00:35:17,480 --> 00:35:15,000

north carolina and cashiers is a town at

793

00:35:18,859 --> 00:35:17,490

the top of one of these mountains it's

794

00:35:20,599 --> 00:35:18,869

one of those places where the

795

00:35:24,050 --> 00:35:20,609

Flatlanders come in when the weather

796

00:35:26,030 --> 00:35:24,060

gets too hot and a beautiful place lots

797

00:35:30,170 --> 00:35:26,040

of waterfalls lots of lots of scenery

798

00:35:32,840 --> 00:35:30,180

and lots of mysterious activity variant

799

00:35:36,410 --> 00:35:32,850

but because of that website people began

800

00:35:39,620 --> 00:35:36,420

to contact me and eventually

801  
00:35:41,300 --> 00:35:39,630  
whistleblowers began to reach out to us

802  
00:35:44,630 --> 00:35:41,310  
at the website because they had

803  
00:35:47,510 --> 00:35:44,640  
information they felt people had a right

804  
00:35:49,220 --> 00:35:47,520  
to know and needed to know and we had

805  
00:35:52,010 --> 00:35:49,230  
apparently proved ourselves to be

806  
00:35:55,460 --> 00:35:52,020  
credible so they chose to open up with

807  
00:35:57,920 --> 00:35:55,470  
us and we've done our best to protect

808  
00:35:59,900 --> 00:35:57,930  
them and the best we can do to present

809  
00:36:02,359 --> 00:35:59,910  
what they think the world needs to know

810  
00:36:05,540 --> 00:36:02,369  
about so that's how I began to learn

811  
00:36:08,750 --> 00:36:05,550  
about let's say the underground bases I

812  
00:36:11,420 --> 00:36:08,760  
I'm where we are right here there are

813  
00:36:14,440 --> 00:36:11,430

five that we have learned about and

814

00:36:17,150 --> 00:36:14,450

they're all under major tourist

815

00:36:19,490 --> 00:36:17,160

attractions there's one under the Smoky

816

00:36:21,650 --> 00:36:19,500

Mountains National Park one under mount

817

00:36:24,140 --> 00:36:21,660

mittell which is the tallest mountain

818

00:36:27,740 --> 00:36:24,150

east of the Mississippi one in the

819

00:36:31,070 --> 00:36:27,750

linville gorge one on the Blue Ridge

820

00:36:35,840 --> 00:36:31,080

Parkway near Devils courthouse which is

821

00:36:38,570 --> 00:36:35,850

a well-known rock formation and one near

822

00:36:40,760 --> 00:36:38,580

our underneath Sugarloaf Mountain which

823

00:36:42,800 --> 00:36:40,770

is near chimney rock state park so I

824

00:36:45,950 --> 00:36:42,810

find it very interesting that every

825

00:36:48,650 --> 00:36:45,960

single one of those is close to some

826

00:36:51,350 --> 00:36:48,660

kind of a park of some sort or a tourist

827

00:36:54,020 --> 00:36:51,360

attraction huh and and they're all under

828

00:36:57,680 --> 00:36:54,030

mountains uh yeah everything here is

829

00:36:59,660 --> 00:36:57,690

mountains yeah but I mean I don't know I

830

00:37:02,000 --> 00:36:59,670

mean that it I was talking to you

831

00:37:04,640 --> 00:37:02,010

briefly I'd had a couple of run-ins with

832

00:37:07,250 --> 00:37:04,650

underground bases and I'll get into that

833

00:37:09,230 --> 00:37:07,260

a little bit later but one of them was

834

00:37:12,020 --> 00:37:09,240

under a mountain as well so it's just

835

00:37:15,860 --> 00:37:12,030

that I know for sure the the first one

836

00:37:18,170 --> 00:37:15,870

I'm not so certain but what do you think

837

00:37:19,850 --> 00:37:18,180

okay so that the people came forward and

838

00:37:22,190 --> 00:37:19,860

they felt like it was important that

839

00:37:24,380 --> 00:37:22,200

they they needed to reach out so so

840

00:37:26,360 --> 00:37:24,390

somebody new so what were some of the

841

00:37:29,570 --> 00:37:26,370

first things that people were expressing

842

00:37:31,790 --> 00:37:29,580

concern about that reached out of the

843

00:37:34,040 --> 00:37:31,800

five places that we have learned about

844

00:37:38,600 --> 00:37:34,050

the one that I find the most concerning

845

00:37:41,480 --> 00:37:38,610

is near the devil's courthouse off the

846

00:37:45,230 --> 00:37:41,490

Blue Ridge Parkway but beneath that into

847

00:37:49,760 --> 00:37:45,240

the west of that is a place called the

848

00:37:52,210 --> 00:37:49,770

Perry center it's an acronym that stands

849

00:37:54,770 --> 00:37:52,220

for the Pisgah astronomical research

850

00:37:58,760 --> 00:37:54,780

institute so it's just known as Perry

851

00:38:02,240 --> 00:37:58,770

and during the Cold War it was a

852

00:38:04,610 --> 00:38:02,250

satellite monitoring station after the

853

00:38:09,800 --> 00:38:04,620

Cold War they supposedly closed it down

854

00:38:12,350 --> 00:38:09,810

and today again supposedly it is an

855

00:38:16,760 --> 00:38:12,360

astronomical research place where

856

00:38:19,140 --> 00:38:16,770

students can come and but everything

857

00:38:21,600 --> 00:38:19,150

that we've learned that's just a cover

858

00:38:25,380 --> 00:38:21,610

and one of our most credible witnesses

859

00:38:27,930 --> 00:38:25,390

who has high security clearance in fact

860

00:38:30,450 --> 00:38:27,940

to that have the high-security

861

00:38:33,450 --> 00:38:30,460

backgrounds have said that that is a

862

00:38:36,570 --> 00:38:33,460

city-sized facility that six stories

863

00:38:38,280 --> 00:38:36,580

deep it's totally self-sufficient with

864

00:38:41,640 --> 00:38:38,290

you know water and electricity and

865

00:38:44,520 --> 00:38:41,650

everything that you need and the reason

866

00:38:47,460 --> 00:38:44,530

I say it's it's one that concerns me the

867

00:38:50,430 --> 00:38:47,470

most is that the first witness who told

868

00:38:52,620 --> 00:38:50,440

us about the place talked about they had

869

00:38:55,710 --> 00:38:52,630

the power there to erase human memories

870

00:38:59,580 --> 00:38:55,720

that human experiments were going on

871

00:39:03,450 --> 00:38:59,590

there I find those kind of things rather

872

00:39:05,280 --> 00:39:03,460

unsettling one of the the men told me

873

00:39:08,460 --> 00:39:05,290

that when he was a young man he worked

874

00:39:11,100 --> 00:39:08,470

for a brief time at a Christmas tree

875

00:39:14,010 --> 00:39:11,110

farm not far from this facility and that

876

00:39:16,740 --> 00:39:14,020

people there had seen animals in cages

877

00:39:19,050 --> 00:39:16,750

being taken into this facility which

878

00:39:21,270 --> 00:39:19,060

gives support to the idea that you know

879

00:39:24,930 --> 00:39:21,280

experimentation may indeed be going on

880

00:39:27,650 --> 00:39:24,940

and then one day when at a place where I

881

00:39:31,290 --> 00:39:27,660

was working at the time there was a

882

00:39:34,770 --> 00:39:31,300

Rubicon Jeep that came up and parked

883

00:39:37,560 --> 00:39:34,780

real close to my front door and it had

884

00:39:38,960 --> 00:39:37,570

tags for I don't have the right words

885

00:39:45,120 --> 00:39:38,970

right now but it was the psychological

886

00:39:47,340 --> 00:39:45,130

division out of Colorado and it you know

887

00:39:50,730 --> 00:39:47,350

it's not easy to get to Perry and yet I

888

00:39:53,370 --> 00:39:50,740

saw it take off in that direction so all

889

00:39:55,470 --> 00:39:53,380

the pieces begin to fall together and

890

00:39:58,320 --> 00:39:55,480

you have to wonder you know exactly

891

00:40:03,510 --> 00:39:58,330

what's going on there plus we see a lot

892

00:40:06,210 --> 00:40:03,520

of UFOs around that facility okay and do

893

00:40:09,690 --> 00:40:06,220

you think those UFOs are more related to

894

00:40:13,170 --> 00:40:09,700

alien or our own crafts in this area I

895

00:40:16,260 --> 00:40:13,180

think we have both but many of us are

896

00:40:20,040 --> 00:40:16,270

very suspicious that there is a working

897

00:40:23,250 --> 00:40:20,050

relationship with some aspect of our

898

00:40:27,000 --> 00:40:23,260

military and some aspect of the et world

899

00:40:28,830 --> 00:40:27,010

I suspect that the ones involved are not

900

00:40:30,440 --> 00:40:28,840

necessarily the ones you want to team up

901  
00:40:32,630 --> 00:40:30,450  
with

902  
00:40:35,480 --> 00:40:32,640  
and that seems to be a common theme for

903  
00:40:36,920 --> 00:40:35,490  
some reason a lot of people think you

904  
00:40:38,210 --> 00:40:36,930  
know if they come from outer space I

905  
00:40:39,859 --> 00:40:38,220  
mean they must have you no good

906  
00:40:41,720 --> 00:40:39,869  
intentions because they're smarter than

907  
00:40:43,640 --> 00:40:41,730  
us I'm like we we had the good the bad

908  
00:40:46,040 --> 00:40:43,650  
and the ugly on up there and down here

909  
00:40:48,380 --> 00:40:46,050  
to thank you yes that's how I feel

910  
00:40:51,609 --> 00:40:48,390  
honestly because uh my gosh I not

911  
00:40:55,310 --> 00:40:51,619  
everybody is made of sugar and spice um

912  
00:40:57,349 --> 00:40:55,320  
that's for sure but it's so okay so the

913  
00:40:59,410 --> 00:40:57,359

people of that we're coming forward

914

00:41:02,060 --> 00:40:59,420

they're saying experimentations going on

915

00:41:04,160 --> 00:41:02,070

but at the purpose okay so they're

916

00:41:06,170 --> 00:41:04,170

wiping memories what are they what's the

917

00:41:08,930 --> 00:41:06,180

purpose of wanting to wipe the memory of

918

00:41:12,290 --> 00:41:08,940

a human being what what seems to be the

919

00:41:15,200 --> 00:41:12,300

goal of the actions going on underground

920

00:41:16,880 --> 00:41:15,210

there now I can tell you what people

921

00:41:19,130 --> 00:41:16,890

have observed you know around these

922

00:41:21,319 --> 00:41:19,140

places I cannot get into these people's

923

00:41:24,620 --> 00:41:21,329

heads I don't know for certain what

924

00:41:27,859 --> 00:41:24,630

they're doing one of the former Air

925

00:41:30,829 --> 00:41:27,869

Force officers who was also curious

926

00:41:33,410 --> 00:41:30,839

about this place was keeping tabs on it

927

00:41:35,990 --> 00:41:33,420

for at least a while and he said you

928

00:41:38,660 --> 00:41:36,000

know sometimes you can you know drive

929

00:41:43,550 --> 00:41:38,670

right into this facility he said at

930

00:41:46,329 --> 00:41:43,560

another time or two he has seen guards

931

00:41:49,099 --> 00:41:46,339

in swat type outfits at the gate

932

00:41:52,609 --> 00:41:49,109

sometimes you can get into Perry very

933

00:41:55,700 --> 00:41:52,619

easily sometimes you can't it seems to

934

00:42:00,829 --> 00:41:55,710

be more like by invitation or on certain

935

00:42:04,790 --> 00:42:00,839

days ah that's interesting so okay have

936

00:42:12,050 --> 00:42:04,800

any of the people actually seen other

937

00:42:14,780 --> 00:42:12,060

beings I'm trying to think of the people

938

00:42:16,660 --> 00:42:14,790

that I've talked to the closest I would

939

00:42:19,520 --> 00:42:16,670

have would people who've seen

940

00:42:24,020 --> 00:42:19,530

apparitions which may very well have

941

00:42:26,089 --> 00:42:24,030

been Holograms again it seems to branch

942

00:42:28,790 --> 00:42:26,099

off into a hold total different

943

00:42:32,990 --> 00:42:28,800

direction one of the women who lives at

944

00:42:35,690 --> 00:42:33,000

the top of the mountain in cashiers was

945

00:42:38,599 --> 00:42:35,700

seen lots of UFOs to the point where she

946

00:42:40,910 --> 00:42:38,609

kind of became blase about them and one

947

00:42:42,740 --> 00:42:40,920

day she was stretched out on her I think

948

00:42:43,800 --> 00:42:42,750

it was her couch where she could look up

949

00:42:46,790 --> 00:42:43,810

at the sky and

950

00:42:48,810 --> 00:42:46,800

saw UFO way off in the distance and

951  
00:42:50,580 --> 00:42:48,820  
didn't think much of it and then

952  
00:42:53,250 --> 00:42:50,590  
suddenly there was a beam of light that

953  
00:42:55,530 --> 00:42:53,260  
went from that UFO all the way down and

954  
00:42:58,650 --> 00:42:55,540  
hit the parking area in front of her

955  
00:43:00,480 --> 00:42:58,660  
home and then she heard this big bang on

956  
00:43:03,300 --> 00:43:00,490  
the side of her house and it startled

957  
00:43:06,120 --> 00:43:03,310  
her she said it she froze for a second

958  
00:43:09,300 --> 00:43:06,130  
and then when she turned her head she

959  
00:43:12,660 --> 00:43:09,310  
saw this giant hologram apparition of

960  
00:43:15,450 --> 00:43:12,670  
Jesus and she said it was about 35 feet

961  
00:43:16,680 --> 00:43:15,460  
tall Wow she knew the height of it

962  
00:43:21,450 --> 00:43:16,690  
because she knew the height of her house

963  
00:43:24,110 --> 00:43:21,460

and it lasted for about 20 minutes she

964

00:43:27,690 --> 00:43:24,120

said and she described him rather

965

00:43:31,740 --> 00:43:27,700

vividly said his hair was more of a

966

00:43:33,990 --> 00:43:31,750

lighter tint and it flowed in she said

967

00:43:38,820 --> 00:43:34,000

it looked like fresh washed dried hair

968

00:43:40,740 --> 00:43:38,830

that just gently went in the breeze but

969

00:43:44,400 --> 00:43:40,750

what I found the most interesting of her

970

00:43:47,850 --> 00:43:44,410

description was that he had a thong

971

00:43:50,700 --> 00:43:47,860

necklace on or with a little pouch on it

972

00:43:53,460 --> 00:43:50,710

and in any depiction I've seen of Jesus

973

00:43:55,650 --> 00:43:53,470

I have never seen one with a pouch

974

00:43:57,450 --> 00:43:55,660

around his neck and yet they did not

975

00:43:59,790 --> 00:43:57,460

seem to be too good at pockets at that

976

00:44:03,660 --> 00:43:59,800

time and they needed money maybe that's

977

00:44:05,790 --> 00:44:03,670

the way they carried it but as far as

978

00:44:10,890 --> 00:44:05,800

seeing little grey aliens and things

979

00:44:13,830 --> 00:44:10,900

around here I've had one woman who was

980

00:44:16,370 --> 00:44:13,840

involved in one of our major Bigfoot

981

00:44:21,630 --> 00:44:16,380

stories who said she saw this little

982

00:44:25,530 --> 00:44:21,640

white alien dude but the description

983

00:44:27,660 --> 00:44:25,540

didn't quite match greys it was a little

984

00:44:32,190 --> 00:44:27,670

bit more a cross between a grey and

985

00:44:35,820 --> 00:44:32,200

maybe Casper the Friendly Ghost that's

986

00:44:37,620 --> 00:44:35,830

interesting because I I know these tall

987

00:44:41,100 --> 00:44:37,630

whites that you're speaking of and and

988

00:44:43,200 --> 00:44:41,110

for some reason I don't know I've heard

989

00:44:46,020 --> 00:44:43,210

more positive things about those ones oh

990

00:44:49,230 --> 00:44:46,030

absolutely yeah in fact I've never heard

991

00:44:53,730 --> 00:44:49,240

anyone described as a tall as a

992

00:44:57,180 --> 00:44:53,740

pleiadian or a Nordic with the light

993

00:45:00,020 --> 00:44:57,190

features they always seem to be positive

994

00:45:02,510 --> 00:45:00,030

oh I have heard of some Nordics being

995

00:45:08,280 --> 00:45:02,520

negative but like these tall white like

996

00:45:09,839 --> 00:45:08,290

thin alien types I saw one once I don't

997

00:45:11,849 --> 00:45:09,849

even know I don't even know how to say

998

00:45:14,430 --> 00:45:11,859

but uh are you talking about the kind

999

00:45:18,089 --> 00:45:14,440

like I can only think of his last name

1000

00:45:20,040 --> 00:45:18,099

Hall out in Nevada or are you not

1001

00:45:22,530 --> 00:45:20,050

familiar with him oh that sounds

1002

00:45:25,170 --> 00:45:22,540

familiar but I'm not it's not coming to

1003

00:45:27,420 --> 00:45:25,180

the time yeah yeah I you know I I

1004

00:45:30,890 --> 00:45:27,430

personally had like I've had so many odd

1005

00:45:35,400 --> 00:45:30,900

experiences and I'd seen a tall white

1006

00:45:37,859 --> 00:45:35,410

alien once that was like a flash in in

1007

00:45:39,770 --> 00:45:37,869

like old robes like in the biblical

1008

00:45:42,210 --> 00:45:39,780

times that was actually preaching

1009

00:45:44,250 --> 00:45:42,220

absolutely as really bizarre I don't

1010

00:45:46,170 --> 00:45:44,260

know what to think of it but um you know

1011

00:45:50,130 --> 00:45:46,180

so that's that's fascinating about this

1012

00:45:52,950 --> 00:45:50,140

this projection of Jesus now you've got

1013

00:45:56,670 --> 00:45:52,960

this other book tangible evidence of

1014

00:45:59,160 --> 00:45:56,680

Jesus left behind for us to find what is

1015

00:46:01,950 --> 00:45:59,170

your take in in you know this lady uh

1016

00:46:06,900 --> 00:46:01,960

you know sharing this experience I mean

1017

00:46:08,520 --> 00:46:06,910

it's kind of kind of different um first

1018

00:46:10,500 --> 00:46:08,530

of all her I'll get in the book in a

1019

00:46:13,230 --> 00:46:10,510

second but I found it interesting that

1020

00:46:15,720 --> 00:46:13,240

the the woman's mother raised her Jewish

1021

00:46:18,540 --> 00:46:15,730

so she wasn't somebody who would be

1022

00:46:22,319 --> 00:46:18,550

naturally concocting images of Jesus

1023

00:46:26,430 --> 00:46:22,329

just because you know so I found that

1024

00:46:29,120 --> 00:46:26,440

that made her story more credible even

1025

00:46:32,370 --> 00:46:29,130

though I have dealt very

1026

00:46:34,109 --> 00:46:32,380

journalistically with you know two of

1027

00:46:36,270 --> 00:46:34,119

the books I've done that Cherokee little

1028

00:46:38,849 --> 00:46:36,280

people were real and the one about the

1029

00:46:42,030 --> 00:46:38,859

underground bases the Jesus book

1030

00:46:44,430 --> 00:46:42,040

happened in a very very different way it

1031

00:46:46,859 --> 00:46:44,440

was not a book I intended to write but I

1032

00:46:53,370 --> 00:46:46,869

was awakened in the early morning hours

1033

00:46:55,650 --> 00:46:53,380

in the fall of 2013 and Jesus appeared

1034

00:46:59,250 --> 00:46:55,660

and asked me to write this book and he

1035

00:47:02,430 --> 00:46:59,260

wanted it done in a month's time which

1036

00:47:04,980 --> 00:47:02,440

just made me choke but I had out of my

1037

00:47:07,980 --> 00:47:04,990

own curiosity done an awful lot of the

1038

00:47:10,790 --> 00:47:07,990

research without knowing it and I just

1039

00:47:14,270 --> 00:47:10,800

basically focused totally on that

1040

00:47:17,250 --> 00:47:14,280

for a month and and and got it done and

1041

00:47:19,680 --> 00:47:17,260

the purpose he said was that he said

1042

00:47:23,070 --> 00:47:19,690

people are so busy that they will not

1043

00:47:25,590 --> 00:47:23,080

take time to read you know thick books

1044

00:47:27,450 --> 00:47:25,600

and he had information he wanted more

1045

00:47:30,150 --> 00:47:27,460

people to have and he wanted it in a

1046

00:47:32,520 --> 00:47:30,160

form that was easy to digest and he

1047

00:47:35,670 --> 00:47:32,530

wanted lots of images to go with it also

1048

00:47:39,020 --> 00:47:35,680

so the book really has a magazine type

1049

00:47:43,320 --> 00:47:39,030

style there's lots of photos

1050

00:47:48,840 --> 00:47:43,330

illustrations maps so it's it's I call

1051  
00:47:50,580 --> 00:47:48,850  
it an adult picture book but he had

1052  
00:47:53,630 --> 00:47:50,590  
information he wanted out there to give

1053  
00:47:57,300 --> 00:47:53,640  
a more complete idea of what he was like

1054  
00:48:01,560 --> 00:47:57,310  
that is so that so sounds like him and

1055  
00:48:05,250 --> 00:48:01,570  
as you know I'm you read I mentioned no

1056  
00:48:07,140 --> 00:48:05,260  
joke yeah I read that right after you

1057  
00:48:08,850 --> 00:48:07,150  
extended the invitation to be on your

1058  
00:48:11,160 --> 00:48:08,860  
show and I was looking at books that you

1059  
00:48:14,130 --> 00:48:11,170  
had written and I chose that one because

1060  
00:48:15,600 --> 00:48:14,140  
of my own experiences yeah yeah and it

1061  
00:48:18,240 --> 00:48:15,610  
did a good job it should help a lot of

1062  
00:48:21,210 --> 00:48:18,250  
people would she thinks but but he's got

1063  
00:48:25,140 --> 00:48:21,220

a sense of humor and does its he does

1064

00:48:28,740 --> 00:48:25,150

but it's not it's not it's not a haha

1065

00:48:30,480 --> 00:48:28,750

type of humor no no that's not but when

1066

00:48:33,330 --> 00:48:30,490

when the man asked you to do something

1067

00:48:36,990 --> 00:48:33,340

it's just something that's like I better

1068

00:48:39,630 --> 00:48:37,000

get this stuff that I did get it done by

1069

00:48:43,230 --> 00:48:39,640

the way it was a month to the day that I

1070

00:48:44,940 --> 00:48:43,240

got it he came to the right person well

1071

00:48:46,650 --> 00:48:44,950

the newspaper background helps because

1072

00:48:48,870 --> 00:48:46,660

you're used to working under deadlines

1073

00:48:50,880 --> 00:48:48,880

so you know you got a deadline you gotta

1074

00:48:52,710 --> 00:48:50,890

meet it that's true but you know what

1075

00:48:56,370 --> 00:48:52,720

I'm I got goosebumps when you said it's

1076

00:48:58,590 --> 00:48:56,380

like an adult picture book I ok I i'm

1077

00:49:01,110 --> 00:48:58,600

doing a boat it's complete it's the

1078

00:49:03,090 --> 00:49:01,120

other F word it's it's a book it's an

1079

00:49:06,300 --> 00:49:03,100

adult picture book that I have complete

1080

00:49:09,810 --> 00:49:06,310

sense that I cartooned and what not to

1081

00:49:11,760 --> 00:49:09,820

help people get a different level to

1082

00:49:15,090 --> 00:49:11,770

their faith you know because I felt

1083

00:49:17,640 --> 00:49:15,100

pushed by him hello to skip that I done

1084

00:49:20,130 --> 00:49:17,650

and I'm like okay everybody here it is

1085

00:49:21,150 --> 00:49:20,140

and you know publishers are being odd so

1086

00:49:24,390 --> 00:49:21,160

I'm like you know what I'm gonna do it

1087

00:49:24,600 --> 00:49:24,400

on my own and it's he wants it up there

1088

00:49:27,750 --> 00:49:24,610

I'm

1089

00:49:30,030 --> 00:49:27,760

not gonna argue with them and once you

1090

00:49:32,640 --> 00:49:30,040

agree to do it it flows very smoothly

1091

00:49:34,620 --> 00:49:32,650

oh gosh yeah it's been done for a little

1092

00:49:36,870 --> 00:49:34,630

bit actually and I'm like you know what

1093

00:49:39,150 --> 00:49:36,880

I really really really just have to put

1094

00:49:41,220 --> 00:49:39,160

it out and just you know do what what's

1095

00:49:42,450 --> 00:49:41,230

needed because uh so I totally I mean

1096

00:49:44,040 --> 00:49:42,460

I'm just saying I could totally relate

1097

00:49:46,290 --> 00:49:44,050

so where you're coming from and I just

1098

00:49:49,800 --> 00:49:46,300

love that he put that fire in you that's

1099

00:49:52,650 --> 00:49:49,810

just awesome that's great it's great to

1100

00:49:56,520 --> 00:49:52,660

hear so I mean okay hold on hold on so

1101

00:49:57,990 --> 00:49:56,530

in 2013 he comes in it's a strolls on in

1102

00:50:00,210 --> 00:49:58,000

it's like hey how's it going there Mary

1103

00:50:03,090 --> 00:50:00,220

I what did he look like what did he do I

1104

00:50:07,140 --> 00:50:03,100

mean what was the feeling I just love

1105

00:50:08,820 --> 00:50:07,150

hearing these stories um well I guess it

1106

00:50:10,860 --> 00:50:08,830

was the early morning hours I just

1107

00:50:14,640 --> 00:50:10,870

awakened in the you know it was still

1108

00:50:16,680 --> 00:50:14,650

dark out and I don't know if it wasn't

1109

00:50:19,020 --> 00:50:16,690

anything startling it was just like you

1110

00:50:22,470 --> 00:50:19,030

know here he was and here's what we need

1111

00:50:24,840 --> 00:50:22,480

to do and it was really that simple Wow

1112

00:50:31,010 --> 00:50:24,850

I mean did he look stereotypical to you

1113

00:50:34,050 --> 00:50:31,020

did he have flowing robes and my he is

1114

00:50:37,080 --> 00:50:34,060

more light featured than than many

1115

00:50:38,700 --> 00:50:37,090

people think of he has instead of

1116

00:50:41,640 --> 00:50:38,710

quoting me let me quote somebody else

1117

00:50:45,020 --> 00:50:41,650

there in that book I have a letter that

1118

00:50:49,710 --> 00:50:45,030

was written by Pontius Pilate to Caesar

1119

00:50:54,060 --> 00:50:49,720

and at that time Jesus was causing quite

1120

00:50:56,280 --> 00:50:54,070

a bit of attention and Caesars often a

1121

00:50:57,990 --> 00:50:56,290

different part of the world and he

1122

00:51:00,090 --> 00:50:58,000

wanted to know about this person so

1123

00:51:03,210 --> 00:51:00,100

Pontius Pilate wrote this letter and it

1124

00:51:06,630 --> 00:51:03,220

is in the Congressional library of

1125

00:51:08,940 --> 00:51:06,640

records and he describes Jesus as being

1126  
00:51:15,750 --> 00:51:08,950  
lighter featured than those around him

1127  
00:51:18,150 --> 00:51:15,760  
and being very he saw him talking to a

1128  
00:51:20,430 --> 00:51:18,160  
group of people and described him just

1129  
00:51:23,940 --> 00:51:20,440  
leaning against a tree very relaxed and

1130  
00:51:26,070 --> 00:51:23,950  
had the audience captivated Pontius

1131  
00:51:28,830 --> 00:51:26,080  
Pilate left his secretary behind to

1132  
00:51:32,910 --> 00:51:28,840  
listen to you know the entire

1133  
00:51:35,220 --> 00:51:32,920  
presentation I would guess but that

1134  
00:51:37,450 --> 00:51:35,230  
people really liked him and Pontius

1135  
00:51:41,680 --> 00:51:37,460  
Pilate

1136  
00:51:45,700 --> 00:51:41,690  
see him as an enemy of the Romans he

1137  
00:51:47,859 --> 00:51:45,710  
said it was the the more elite of the

1138  
00:51:49,570 --> 00:51:47,869

Jewish people that had a problem with

1139

00:51:52,240 --> 00:51:49,580

them because the humble Jews are the

1140

00:51:55,300 --> 00:51:52,250

regular people responded very well to

1141

00:51:58,030 --> 00:51:55,310

him but he had the lighter eyes and then

1142

00:52:02,829 --> 00:51:58,040

that same kind of description comes up

1143

00:52:05,170 --> 00:52:02,839

when you read the legends that predate

1144

00:52:07,960 --> 00:52:05,180

the arrival of the white man in the

1145

00:52:10,359 --> 00:52:07,970

Western Hemisphere and the different

1146

00:52:14,140 --> 00:52:10,369

tribes who didn't have direct connection

1147

00:52:16,240 --> 00:52:14,150

with each other all describe Jesus as

1148

00:52:19,089 --> 00:52:16,250

having the lighter eyes that would

1149

00:52:21,550 --> 00:52:19,099

change like the ocean and that he had

1150

00:52:25,900 --> 00:52:21,560

copper tents in his hair if the Sun hit

1151

00:52:28,450 --> 00:52:25,910

it and many of the stories that are in

1152

00:52:32,470 --> 00:52:28,460

the New Testament are told in a

1153

00:52:35,320 --> 00:52:32,480

different form in these ancient legends

1154

00:52:38,620 --> 00:52:35,330

for example the little lost lamb becomes

1155

00:52:43,780 --> 00:52:38,630

the little loss Lama and this research

1156

00:52:47,050 --> 00:52:43,790

was done by person by the last name of

1157

00:52:48,579 --> 00:52:47,060

Taylor who spent 25 years researching

1158

00:52:51,910 --> 00:52:48,589

this with the different tribes

1159

00:52:53,829 --> 00:52:51,920

throughout the Western Hemisphere wow

1160

00:52:55,089 --> 00:52:53,839

that is amazing my goodness well you

1161

00:52:56,770 --> 00:52:55,099

know I want everybody to check out that

1162

00:52:58,930 --> 00:52:56,780

she's my people way beyond anything it

1181

00:53:40,630 --> 00:53:38,780

you can imagine the things that us girls

1182

00:53:42,700 --> 00:53:40,640

are talking about during the break you

1183

00:53:46,420 --> 00:53:42,710

would just be floored I mean that this

1184

00:53:49,240 --> 00:53:46,430

is just is so very cool so mary joyce is

1185

00:53:50,150 --> 00:53:49,250

talking about Jesus encounters that

1186

00:53:53,150 --> 00:53:50,160

she's had

1187

00:53:54,799 --> 00:53:53,160

talking about underground bases talking

1188

00:53:59,510 --> 00:53:54,809

about how she almost became an OT like

1189

00:54:01,549 --> 00:53:59,520

myself it's just so i made my goodness

1190

00:54:02,329 --> 00:54:01,559

and talking about cherokee little people

1191

00:54:05,150 --> 00:54:02,339

military bases hidden in North Carolina

1196

00:54:17,329 --> 00:54:13,859

mountains Cherokee little people wore

1197

00:54:20,410 --> 00:54:17,339

real and tangible evidence of Jesus left

1198

00:54:22,630 --> 00:54:20,420

behind for us to find I mean fantastic

1199

00:54:25,930 --> 00:54:22,640

excuse me all those books are available

1202  
00:54:32,690 --> 00:54:30,480  
on Amazon and some people like to

1203  
00:54:35,779 --> 00:54:32,700  
support the independent bookstores and

1204  
00:54:40,130 --> 00:54:35,789  
if people can also get the book through

1205  
00:54:42,500 --> 00:54:40,140  
city lights NC calm and city lights is

1206

1208  
00:54:49,809 --> 00:54:47,910  
so it's city lights NC calm if you want

1209  
00:54:52,700 --> 00:54:49,819  
to support the independent bookstores

1210  
00:54:56,359 --> 00:54:52,710  
that sounds fantastic so my goodness

1211  
00:55:00,019 --> 00:54:56,369  
alright so let's tiptoe on over into the

1212  
00:55:01,880 --> 00:55:00,029  
Cherokee little people I am wait wait

1213  
00:55:03,920 --> 00:55:01,890

before we do can I just add one more

1214

00:55:08,660 --> 00:55:03,930

thing because it's like a cause that I

1215

00:55:12,260 --> 00:55:08,670

have when I first moved to Western North

1216

00:55:15,950 --> 00:55:12,270

Carolina in 1998 I began to hear these

1217

00:55:19,130 --> 00:55:15,960

stories about foreign military troops in

1218

00:55:22,579 --> 00:55:19,140

the forest around here and they talked

1219

00:55:25,519 --> 00:55:22,589

about Germans and Russians and United

1220

00:55:27,859 --> 00:55:25,529

Nations doing practices and the question

1221

00:55:30,980 --> 00:55:27,869

always was how can they do that how can

1222

00:55:33,319 --> 00:55:30,990

that be allowed and after one of the

1223

00:55:35,720 --> 00:55:33,329

whistleblowers told me about the UN

1224

00:55:39,380 --> 00:55:35,730

having a major facility under mount

1225

00:55:42,950 --> 00:55:39,390

mittell I really began to try to get to

1226

00:55:46,190 --> 00:55:42,960

the bottom of it and there is a treaty

1227

00:55:49,279 --> 00:55:46,200

that our country signed in 1972 called

1228

00:55:51,920 --> 00:55:49,289

the world heritage treaty and we turned

1229

00:55:54,230 --> 00:55:51,930

over we as a country turned over the

1230

00:55:58,640 --> 00:55:54,240

rights to some of our national parks and

1231

00:56:01,760 --> 00:55:58,650

forests and so it's no longer under our

1232

00:56:05,090 --> 00:56:01,770

control even though our

1233

00:56:06,920 --> 00:56:05,100

axes pay for it and I think this is

1234

00:56:10,180 --> 00:56:06,930

probably something that shouldn't exist

1235

00:56:13,130 --> 00:56:10,190

i think it is a treaty that we ought to

1236

00:56:14,630 --> 00:56:13,140

get out of and i just wanted to throw

1237

00:56:16,760 --> 00:56:14,640

that out to people because there might

1238

00:56:20,840 --> 00:56:16,770

be somebody out there who has the

1239

00:56:23,390 --> 00:56:20,850

wherewithal to maybe begin to make that

1240

00:56:25,940 --> 00:56:23,400

a cause anyhow there's there's my pitch

1241

00:56:27,470 --> 00:56:25,950

now didn't go to little people it's a

1242

00:56:32,060 --> 00:56:27,480

little people living underground basis

1243

00:56:35,060 --> 00:56:32,070

I'm just kidding um Janice I know they

1244

00:56:37,430 --> 00:56:35,070

don't oh darn okay well you know they do

1245

00:56:41,690 --> 00:56:37,440

live they do live or they I don't know

1246

00:56:44,840 --> 00:56:41,700

they do live underground and the the

1247

00:56:47,750 --> 00:56:44,850

reason I got into that book was a man

1248

00:56:50,690 --> 00:56:47,760

who was well respected in the community

1249

00:56:53,690 --> 00:56:50,700

I live in was very elderly at the time

1250

00:56:56,830 --> 00:56:53,700

and well respected he was a World War 2

1251

00:57:00,200 --> 00:56:56,840

hero he was a pastor for over 40 years

1252

00:57:02,740 --> 00:57:00,210

people just respected him and I'd had

1253

00:57:05,390 --> 00:57:02,750

many conversations with them and one day

1254

00:57:07,610 --> 00:57:05,400

the subject of the little people came up

1255

00:57:10,070 --> 00:57:07,620

and I'd never paid much attention to the

1256

00:57:12,770 --> 00:57:10,080

the whole idea and he said no they were

1257

00:57:15,050 --> 00:57:12,780

real and he said after World War Two he

1258

00:57:17,630 --> 00:57:15,060

was involved with a construction crew at

1259

00:57:20,870 --> 00:57:17,640

Western Carolina University which is

1260

00:57:22,910 --> 00:57:20,880

here in Western North Carolina and when

1261

00:57:26,750 --> 00:57:22,920

they would dig into land that supposedly

1262

00:57:32,090 --> 00:57:26,760

was a virgin land they would find these

1263

00:57:34,970 --> 00:57:32,100

little tunnels cut out of red solid clay

1264

00:57:38,470 --> 00:57:34,980

and they were square cut with a round

1265

00:57:43,820 --> 00:57:38,480

top typically about three and a half

1266

00:57:45,890 --> 00:57:43,830

maybe four feet tall and they as time

1267

00:57:49,520 --> 00:57:45,900

went on these different construction

1268

00:57:52,570 --> 00:57:49,530

people would find these tunnels in many

1269

00:57:55,880 --> 00:57:52,580

places on that campus they also found

1270

00:57:58,700 --> 00:57:55,890

little skeletons and one of the stories

1271

00:58:02,390 --> 00:57:58,710

that stands out in my mind was that

1272

00:58:04,660 --> 00:58:02,400

there was a child-size skull sitting on

1273

00:58:07,480 --> 00:58:04,670

the desk of one of the science teachers

1274

00:58:10,910 --> 00:58:07,490

kind of like a decorative paper weight

1275

00:58:14,160 --> 00:58:10,920

and he just said it was you know a child

1276

00:58:16,080 --> 00:58:14,170

skull from a mound in the area

1277

00:58:17,910 --> 00:58:16,090

one of the teachers came up and picked

1278

00:58:21,240 --> 00:58:17,920

it up and looked at it more closely and

1279

00:58:32,090 --> 00:58:21,250

said no this skull has its all its

1280

00:58:39,540 --> 00:58:35,280

are you still there I'm here okay all

1281

00:58:42,000 --> 00:58:39,550

right so there's many many stories about

1282

00:58:44,160 --> 00:58:42,010

the little people when I wrote the book

1283

00:58:47,580 --> 00:58:44,170

I didn't think that any of them were

1284

00:58:50,730 --> 00:58:47,590

still existing but after the book came

1285

00:58:53,550 --> 00:58:50,740

out and after more the Cherokee Cherokee

1286

00:58:56,540 --> 00:58:53,560

people began to talk to me they assured

1287

00:59:00,330 --> 00:58:56,550

me that in the remote parts of the

1288

00:59:02,310 --> 00:59:00,340

Cherokee community they say the little

1289

00:59:04,380 --> 00:59:02,320

people still exist some of the people

1290

00:59:07,560 --> 00:59:04,390

will put food out for them occasionally

1291

00:59:09,000 --> 00:59:07,570

at night and if they don't they say the

1292

00:59:11,850 --> 00:59:09,010

little people will throw pebbles on the

1293

00:59:15,330 --> 00:59:11,860

roof as if to remind them to you know

1294

00:59:18,570 --> 00:59:15,340

put out the snack so they may they may

1295

00:59:20,340 --> 00:59:18,580

very well still exist so get this okay

1296

00:59:23,760 --> 00:59:20,350

talking about the little pebble this

1297

00:59:25,920 --> 00:59:23,770

this is fascinating um I don't know if

1298

00:59:29,130 --> 00:59:25,930

you know of the spook lights of Joplin

1299

00:59:30,600 --> 00:59:29,140

Missouri where you go to this road and

1300

00:59:32,910 --> 00:59:30,610

like these weird lights show up down

1301

00:59:36,870 --> 00:59:32,920

this road and they seemed to come out of

1302

00:59:39,840 --> 00:59:36,880

nowhere and and whatnot and I had a

1303

00:59:42,000 --> 00:59:39,850

friend that took me down there and we

1304

00:59:43,860 --> 00:59:42,010

were in a hotel we got up at three in

1305

00:59:46,350 --> 00:59:43,870

the morning so we could see what we

1306

00:59:49,440 --> 00:59:46,360

could see to go down this little gravel

1307

00:59:50,880 --> 00:59:49,450

road for the Joplin spook lights and as

1308

00:59:53,940 --> 00:59:50,890

we're driving along she's like oh by the

1309

00:59:57,120 --> 00:59:53,950

way you know there are said to be little

1310

01:00:00,330 --> 00:59:57,130

people that live along the path here and

1311

01:00:04,350 --> 01:00:00,340

they might throw pebbles at the car or

1312

01:00:06,150 --> 01:00:04,360

at you know anybody and you know I heard

1313

01:00:08,040 --> 01:00:06,160

I heard a couple of tinks on the car

1314

01:00:10,220 --> 01:00:08,050

this is like no way no as do that just

1315

01:00:13,880 --> 01:00:10,230

didn't happen it that wasn't the major

1316

01:00:17,850 --> 01:00:13,890

thing that really blew my mind um

1317

01:00:19,500 --> 01:00:17,860

because we're standing on the road and

1318

01:00:21,470 --> 01:00:19,510

this little gravel road myself and

1319

01:00:24,420 --> 01:00:21,480

probably bought five other friends and

1320

01:00:26,130 --> 01:00:24,430

over with our flashlights and and we're

1321

01:00:27,960 --> 01:00:26,140

waiting for spook lights to show up and

1322

01:00:32,370 --> 01:00:27,970

we hear a couple of pebbles that

1323

01:00:34,410 --> 01:00:32,380

that hit the road I mean we heard it and

1324

01:00:35,790 --> 01:00:34,420

I'm like this is so weird and I'm like

1325

01:00:37,710 --> 01:00:35,800

further down the road than than

1326

01:00:39,599 --> 01:00:37,720

everybody else cuz I'm just bowled like

1327

01:00:42,180 --> 01:00:39,609

that you know and so I'm just like

1328

01:00:44,400 --> 01:00:42,190

doo-doo-doo looking around and I heard

1329

01:00:46,470 --> 01:00:44,410

us two steps in front of me I mean like

1330

01:00:48,300 --> 01:00:46,480

little steps and I'm like with my

1331

01:00:52,680 --> 01:00:48,310

flashlight like you know cuz he can hear

1332

01:00:54,540 --> 01:00:52,690

it on this it was finally a grain gravel

1333

01:00:56,040 --> 01:00:54,550

on this road and I'm like put my

1334

01:00:58,410 --> 01:00:56,050

flashlight don't see anything I'm like I

1335

01:01:00,030 --> 01:00:58,420

hear two more steps and I'm like whoa

1336

01:01:01,800 --> 01:01:00,040

something's right in front of me but I

1337

01:01:04,470 --> 01:01:01,810

couldn't see it and I'm flashing my

1338

01:01:06,060 --> 01:01:04,480

light and tink tink tink tink to

1339

01:01:08,099 --> 01:01:06,070

end then it's coming towards me and I

1340

01:01:10,020 --> 01:01:08,109

mean it starts running towards me and

1341

01:01:11,940 --> 01:01:10,030

I'm like I'm backing up i'm with my

1342

01:01:13,260 --> 01:01:11,950

flash then like i don't see this and my

1343

01:01:14,700 --> 01:01:13,270

friends are like what what's going on

1344

01:01:16,020 --> 01:01:14,710

i'm like something's coming something's

1345

01:01:19,170 --> 01:01:16,030

coming and they're all with their

1346

01:01:21,660 --> 01:01:19,180

flashlights we don't see anything and I

1347

01:01:25,650 --> 01:01:21,670

mean I finally turn around and do a

1348

01:01:28,859 --> 01:01:25,660

full-on run to the car jump in tuc rogue

1349

01:01:31,859 --> 01:01:28,869

slammed the door in this I'll followed

1350

01:01:34,349 --> 01:01:31,869

me all the way to the car and but I

1351

01:01:36,240 --> 01:01:34,359

couldn't see it I couldn't see it in the

1352

01:01:38,430 --> 01:01:36,250

strangest thing though the thing that

1353

01:01:41,040 --> 01:01:38,440

came to my head and to the others that

1354

01:01:43,740 --> 01:01:41,050

heard the footsteps they were so pointed

1355

01:01:47,250 --> 01:01:43,750

these little steps that we thought of

1356

01:01:49,200 --> 01:01:47,260

hubs tiny homes like pan you know well

1357

01:01:51,270 --> 01:01:49,210

but this was the place that you know

1358

01:01:55,320 --> 01:01:51,280

little people are said to be and um I

1359

01:01:57,420 --> 01:01:55,330

don't know have you heard of regular

1360

01:01:59,280 --> 01:01:57,430

everyday people that have seen and

1361

01:02:02,550 --> 01:01:59,290

there's even some videos on on YouTube

1362

01:02:06,180 --> 01:02:02,560

that have seen little people like gnomes

1363

01:02:08,070 --> 01:02:06,190

almost walking by getting caught on

1364

01:02:10,380 --> 01:02:08,080

video and but of course how do you know

1365

01:02:12,180 --> 01:02:10,390

if it's for real or not but I mean I've

1366

01:02:13,980 --> 01:02:12,190

heard stories and I had an experience

1367

01:02:15,839 --> 01:02:13,990

that was a little out of the ordinary so

1368

01:02:17,430 --> 01:02:15,849

I'm just curious have you got any side

1369

01:02:22,130 --> 01:02:17,440

stories like that that have been sent

1370

01:02:27,960 --> 01:02:22,140

your way the book itself focused on

1371

01:02:30,270 --> 01:02:27,970

flesh and blood little people I hear

1372

01:02:33,260 --> 01:02:30,280

stories about the fairies and the little

1373

01:02:35,609 --> 01:02:33,270

tiny creatures they're told with great

1374

01:02:39,120 --> 01:02:35,619

conviction that people have actually

1375

01:02:40,410 --> 01:02:39,130

seen them but I chose in this book to

1376

01:02:41,520 --> 01:02:40,420

deal with something where there is

1377

01:02:43,920 --> 01:02:41,530

actual concrete

1378

01:02:45,930 --> 01:02:43,930

evidence attitudes little people

1379

01:02:48,900 --> 01:02:45,940

actually existed it's a little harder to

1380

01:02:51,750 --> 01:02:48,910

prove that with the little fairies yes

1381

01:02:56,070 --> 01:02:51,760

yes okay so all right so the the native

1382

01:02:58,320 --> 01:02:56,080

Cherokee what is the story behind I mean

1383

01:03:00,450 --> 01:02:58,330

so there's just generations of them but

1384

01:03:02,580 --> 01:03:00,460

why did these what's the story behind

1385

01:03:05,610 --> 01:03:02,590

them living out down and its separate

1386

01:03:07,770 --> 01:03:05,620

like that okay the Cherokee originally

1387

01:03:09,840 --> 01:03:07,780

were from the Great Lakes region and

1388

01:03:13,490 --> 01:03:09,850

they moved to the mountains at some

1389

01:03:16,050 --> 01:03:13,500

point when they got here they saw a

1390

01:03:18,780 --> 01:03:16,060

well-tended gardens but they didn't see

1391

01:03:20,670 --> 01:03:18,790

any people eventually they saw these

1392

01:03:23,940 --> 01:03:20,680

little people come out from the ground

1393

01:03:26,310 --> 01:03:23,950

and take intend the gardens at at night

1394

01:03:27,960 --> 01:03:26,320

by the light of the moon so the Cherokee

1395

01:03:30,540 --> 01:03:27,970

originally called them the moon people

1396

01:03:33,810 --> 01:03:30,550

and they were here before the Cherokee

1397

01:03:35,760 --> 01:03:33,820

were here and in the same area of

1398

01:03:38,640 --> 01:03:35,770

western north carolina there is a

1399

01:03:43,790 --> 01:03:38,650

mysterious rock called judaculla rock it

1400

01:03:46,440 --> 01:03:43,800

it's about 20 by 15 feet in size has

1401

01:03:49,680 --> 01:03:46,450

glyphs or something all over it that

1402

01:03:52,230 --> 01:03:49,690

nobody has been able to decipher some

1403

01:03:53,940 --> 01:03:52,240

people speculate that that rock may have

1404

01:03:56,160 --> 01:03:53,950

been carved by the little people since

1405

01:03:58,620 --> 01:03:56,170

it was here before the Cherokee and

1406

01:04:02,660 --> 01:03:58,630

nobody can make sense of it but to add

1407

01:04:08,040 --> 01:04:02,670

to our many many mysteries in this area

1408

01:04:11,610 --> 01:04:08,050

judaculla was a legendary giant among

1409

01:04:13,620 --> 01:04:11,620

the Cherokee and in the same area where

1410

01:04:16,110 --> 01:04:13,630

this rock is that's called judaculla

1411

01:04:19,230 --> 01:04:16,120

rock I have interviewed people who have

1412

01:04:23,390 --> 01:04:19,240

seen Bigfoot so my own working theory is

1413

01:04:26,010 --> 01:04:23,400

that Bigfoot inspired the judaculla rock

1414

01:04:28,200 --> 01:04:26,020

legends now I have no way of proving

1415

01:04:31,520 --> 01:04:28,210

that but the fact that they're so close

1416

01:04:36,240 --> 01:04:31,530

in the same area you have to wonder oh

1417

01:04:37,680 --> 01:04:36,250

my goodness okay so nobody like wait

1418

01:04:40,230 --> 01:04:37,690

wait wait I got one more thing to yeah

1419

01:04:42,630 --> 01:04:40,240

yeah we have something that's we're

1420

01:04:45,570 --> 01:04:42,640

looking forward to getting the results

1421

01:04:47,850 --> 01:04:45,580

on we had a story that your listeners

1422

01:04:52,080 --> 01:04:47,860

might want to read on the Skyships over

1423

01:04:55,410 --> 01:04:52,090

cashiers website and it's called Valley

1424

01:05:00,510 --> 01:04:55,420

of the Bigfoot and the little alien dude

1425

01:05:03,329 --> 01:05:00,520

and it's a very involved story we got a

1426

01:05:06,329 --> 01:05:03,339

very good sample of what we believe to

1427

01:05:09,299 --> 01:05:06,339

be Bigfoot hear that story includes a

1428

01:05:15,059 --> 01:05:09,309

photo of that I'll call it a locket of

1429

01:05:17,309 --> 01:05:15,069

hair and it was so convincing that we

1430

01:05:19,319 --> 01:05:17,319

were contacted by somebody in California

1431

01:05:21,359 --> 01:05:19,329

who was willing to put up the money to

1432

01:05:25,109 --> 01:05:21,369

have it DNA tested because he thought it

1433

01:05:27,180 --> 01:05:25,119

looked that authentic so we we're

1434

01:05:30,230 --> 01:05:27,190

waiting to see what kind of results we

1435

01:05:32,789 --> 01:05:30,240

get but it's a really interesting story

1436

01:05:37,799 --> 01:05:32,799

like I said probably too involved it's

1437

01:05:39,589 --> 01:05:37,809

to tell tonight but but it's interesting

1438

01:05:42,690 --> 01:05:39,599

so I will touch it just a little bit

1439

01:05:44,970 --> 01:05:42,700

these people live in a valley that's

1440

01:05:47,370 --> 01:05:44,980

totally surrounded by ridges or

1441

01:05:49,620 --> 01:05:47,380

mountains and it's not easy to access

1442

01:05:53,780 --> 01:05:49,630

but when you get down to the end of this

1443

01:05:57,569 --> 01:05:53,790

narrow road which is wedged between two

1444

01:06:00,650 --> 01:05:57,579

bridges this valley opens up and there's

1445

01:06:04,049 --> 01:06:00,660

two houses there and a horse barn and

1446

01:06:06,809 --> 01:06:04,059

these people had a pond there and with a

1447

01:06:07,950 --> 01:06:06,819

dam and it needed to be repaired and

1448

01:06:12,510 --> 01:06:07,960

when they were out there with

1449

01:06:15,329 --> 01:06:12,520

jackhammers you know pounding away they

1450

01:06:19,190 --> 01:06:15,339

suddenly hit something that was open or

1451  
01:06:23,670 --> 01:06:19,200  
hollow and after that they began to have

1452  
01:06:26,250 --> 01:06:23,680  
Bigfoot episodes they suspect that they

1453  
01:06:28,440 --> 01:06:26,260  
may have busted into a cave that the

1454  
01:06:32,210 --> 01:06:28,450  
Bigfoot were living in and it didn't it

1455  
01:06:34,829 --> 01:06:32,220  
all please them and part of that

1456  
01:06:37,140 --> 01:06:34,839  
guesswork is that there are other caves

1457  
01:06:40,520 --> 01:06:37,150  
in the ridges surrounding this little

1458  
01:06:43,680 --> 01:06:40,530  
Valley and after that the Bigfoot began

1459  
01:06:46,829 --> 01:06:43,690  
you know eventually breaking into the

1460  
01:06:49,530 --> 01:06:46,839  
house the people no longer live there

1461  
01:06:53,579 --> 01:06:49,540  
but they check on it on an almost daily

1462  
01:06:59,640 --> 01:06:53,589  
basis and there's big footprints and all

1463  
01:07:01,470 --> 01:06:59,650

over the place and there are avid rinds

1464

01:07:03,930 --> 01:07:01,480

or the writing that they have attempted

1465

01:07:07,250 --> 01:07:03,940

to do on the walls in the house it looks

1466

01:07:10,200 --> 01:07:07,260

like maybe juvenile

1467

01:07:15,920 --> 01:07:10,210

Bigfoot have done some of that but you

1468

01:07:19,920 --> 01:07:15,930

can see it evolved from scribbles right

1469

01:07:24,210 --> 01:07:19,930

bad teenagers yeah but it's evolved from

1470

01:07:25,770 --> 01:07:24,220

scribbles with a felt tip to stuff that

1471

01:07:28,010 --> 01:07:25,780

looks like attempts at drawing and

1472

01:07:31,200 --> 01:07:28,020

writing and so if anybody's interested

1473

01:07:34,290 --> 01:07:31,210

on the homepage of the Skyships website

1474

01:07:36,540 --> 01:07:34,300

on the right hand side we have the 25

1475

01:07:39,750 --> 01:07:36,550

most recent postings and you can scroll

1476

01:07:41,880 --> 01:07:39,760

down there and find the title and again

1477

01:07:44,280 --> 01:07:41,890

it's called Valley of the Bigfoot and

1478

01:07:46,440 --> 01:07:44,290

the little alien dude my gosh I'm gonna

1479

01:07:48,090 --> 01:07:46,450

check that out that's sounds fascinating

1480

01:07:49,500 --> 01:07:48,100

you know what's what's really

1481

01:07:50,820 --> 01:07:49,510

interesting you know they talking about

1482

01:07:54,090 --> 01:07:50,830

the little people talking about Bigfoot

1483

01:07:56,730 --> 01:07:54,100

and both of them are known for hurling

1484

01:07:58,920 --> 01:07:56,740

rocks because it's just ruin they will

1485

01:08:01,710 --> 01:07:58,930

throw boulders I had one hurled at me

1486

01:08:03,540 --> 01:08:01,720

once and I couldn't believe it but the

1487

01:08:06,840 --> 01:08:03,550

little stones I mean I guess you know

1488

01:08:09,120 --> 01:08:06,850

what's-what's handy I mean just throw it

1489

01:08:11,070 --> 01:08:09,130

at him it's like goodness they wouldn't

1490

01:08:13,830 --> 01:08:11,080

like if we threw well you know our books

1491

01:08:15,780 --> 01:08:13,840

Adam or something I don't know but but

1492

01:08:17,340 --> 01:08:15,790

it's interesting because it's like I

1493

01:08:20,700 --> 01:08:17,350

haven't heard of anybody being really

1494

01:08:23,460 --> 01:08:20,710

pelted badly by these these attacks

1495

01:08:26,940 --> 01:08:23,470

never you I never hear stories about

1496

01:08:29,789 --> 01:08:26,950

either of those species actually her

1497

01:08:32,430 --> 01:08:29,799

hurting people no yeah I haven't either

1498

01:08:35,999 --> 01:08:32,440

that's really wild but it's oh my

1499

01:08:40,440 --> 01:08:36,009

goodness ok so the these Cherokee little

1500

01:08:41,910 --> 01:08:40,450

people they were real and for the most

1501

01:08:43,890 --> 01:08:41,920

part though they have gone so far

1502

01:08:45,870 --> 01:08:43,900

underground that you know only the

1503

01:08:47,579 --> 01:08:45,880

Native Americans are aware of their

1504

01:08:50,309 --> 01:08:47,589

presence I mean you know I think I don't

1505

01:08:51,900 --> 01:08:50,319

think there's that many left I think at

1506

01:08:54,360 --> 01:08:51,910

one time there there must have been a

1507

01:08:57,240 --> 01:08:54,370

whole lot more in this area but there

1508

01:09:00,570 --> 01:08:57,250

are some that you know apparently the

1509

01:09:02,789 --> 01:09:00,580

Cherokee say still exists here it you

1510

01:09:04,710 --> 01:09:02,799

know it was interesting to me when you

1511

01:09:07,800 --> 01:09:04,720

said that you know they were found

1512

01:09:09,720 --> 01:09:07,810

tending to gardens one of my former

1513

01:09:14,579 --> 01:09:09,730

really good friends that I knew some

1514

01:09:17,730 --> 01:09:14,589

time ago she was down Sedona was a was

1515

01:09:20,120 --> 01:09:17,740

exiting her hotel her motel room and and

1516

01:09:23,300 --> 01:09:20,130

there was a little person like

1517

01:09:27,410 --> 01:09:23,310

tending to this plant outside and she

1518

01:09:30,110 --> 01:09:27,420

just froze wow I just like and she

1519

01:09:34,039 --> 01:09:30,120

walked really slow God her friend said

1520

01:09:36,410 --> 01:09:34,049

look out the window they both saw this

1521

01:09:40,129 --> 01:09:36,420

perfectly proportioned proportion little

1522

01:09:43,399 --> 01:09:40,139

person like tending to the plants and

1523

01:09:45,110 --> 01:09:43,409

just Hina uh you know bent down and then

1524

01:09:47,209 --> 01:09:45,120

just never rose back up again they

1525

01:09:49,760 --> 01:09:47,219

they're like they she's like I saw this

1526

01:09:52,070 --> 01:09:49,770

little person I'm like well okay so it's

1527

01:09:54,620 --> 01:09:52,080

really interesting do you know how big

1528

01:09:57,050 --> 01:09:54,630

or how tall the little person was I

1529

01:09:59,419 --> 01:09:57,060

wanna say I want to say it with a couple

1530

01:10:02,030 --> 01:09:59,429

of feet yeah that's about what I hear

1531

01:10:03,770 --> 01:10:02,040

hear yeah so at that that was just

1532

01:10:06,740 --> 01:10:03,780

mind-blowing but she was just blown away

1533

01:10:08,510 --> 01:10:06,750

and how it you know when it dipped down

1534

01:10:10,610 --> 01:10:08,520

and she couldn't see it anymore and as

1535

01:10:12,320 --> 01:10:10,620

she like took a couple steps out to see

1536

01:10:15,260 --> 01:10:12,330

where it went and it was gone you know

1537

01:10:16,970 --> 01:10:15,270

it's like where'd it go well the whole

1538

01:10:20,240 --> 01:10:16,980

topic of the little people in this area

1539

01:10:22,720 --> 01:10:20,250

gets a little bit complicated because

1540

01:10:26,899 --> 01:10:22,730

I've gotten three different descriptions

1541

01:10:28,760 --> 01:10:26,909

the first one that I mentioned with the

1542

01:10:32,300 --> 01:10:28,770

gardens they were described as having

1543

01:10:33,500 --> 01:10:32,310

blue tinted skin and large eyes and of

1544

01:10:34,850 --> 01:10:33,510

course any creature this living

1545

01:10:37,939 --> 01:10:34,860

underground is going to probably have

1546

01:10:39,830 --> 01:10:37,949

large eyes there is also a description

1547

01:10:42,290 --> 01:10:39,840

of little people which is the most

1548

01:10:44,290 --> 01:10:42,300

common and they simply look like a

1549

01:10:47,870 --> 01:10:44,300

smaller version of the Cherokee people

1550

01:10:50,570 --> 01:10:47,880

there's a third version and they are

1551

01:10:54,860 --> 01:10:50,580

described as having red whiskers and

1552

01:10:58,850 --> 01:10:54,870

looking much more like a leprechaun one

1553

01:11:03,470 --> 01:10:58,860

of the old-timers that you know was in

1554

01:11:06,050 --> 01:11:03,480

the book had found a little medallion

1555

01:11:08,000 --> 01:11:06,060

that has a face on each side of it that

1556

01:11:10,250 --> 01:11:08,010

looks like a leprechaun in fact in the

1557

01:11:13,970 --> 01:11:10,260

book I have a leprechaun's profile next

1558

01:11:16,250 --> 01:11:13,980

to this medallion and he found that back

1559

01:11:19,430 --> 01:11:16,260

in nineteen forty when there was a very

1560

01:11:23,300 --> 01:11:19,440

historic flood here and tons of topsoil

1561

01:11:26,720 --> 01:11:23,310

or land was washed away and that's when

1562

01:11:29,750 --> 01:11:26,730

this showed up and he's you know he's

1563

01:11:32,630 --> 01:11:29,760

still living today and he says he called

1564

01:11:36,700 --> 01:11:32,640

he calls it is his lead head

1565

01:11:40,540 --> 01:11:36,710

to tie it even more in another way a

1566

01:11:44,360 --> 01:11:40,550

number of moonshiners back in the 1930s

1567

01:11:46,880 --> 01:11:44,370

were building their still way at the top

1568

01:11:48,770 --> 01:11:46,890

of one of the mountains and of course

1569

01:11:50,600 --> 01:11:48,780

they didn't want to be discovered but

1570

01:11:53,150 --> 01:11:50,610

when they were preparing their their

1571

01:11:56,420 --> 01:11:53,160

still site they came across the pile of

1572

01:11:58,160 --> 01:11:56,430

little bones or little people bones they

1573

01:11:59,600 --> 01:11:58,170

didn't tell anybody about it during the

1574

01:12:03,170 --> 01:11:59,610

Prohibition because they didn't want

1575

01:12:04,760 --> 01:12:03,180

their site revealed but the Cherokee of

1576

01:12:06,830 --> 01:12:04,770

this ties together was something else

1577

01:12:09,350 --> 01:12:06,840

because the Cherokee at that time did

1578

01:12:11,120 --> 01:12:09,360

not like the little people with the red

1579

01:12:13,940 --> 01:12:11,130

whiskers and they would try to kill them

1580

01:12:16,310 --> 01:12:13,950

so here's a pile of these a pile of

1581

01:12:18,500 --> 01:12:16,320

these little people bones and you

1582

01:12:20,120 --> 01:12:18,510

combine that with the story of them not

1583

01:12:23,270 --> 01:12:20,130

liking the ones with the red whiskers

1584

01:12:26,810 --> 01:12:23,280

and the little medallion and you go hmm

1585

01:12:28,850 --> 01:12:26,820

this is very multifaceted the Fighting

1586

01:12:33,170 --> 01:12:28,860

Irish maybe they had a bad temper could

1587

01:12:36,470 --> 01:12:33,180

be good dude goodness that's interesting

1588

01:12:38,270 --> 01:12:36,480

so wow I wonder what the what their TIFF

1589

01:12:41,210 --> 01:12:38,280

was you know what was going on with that

1590

01:12:43,520 --> 01:12:41,220

that I can't answer that is fascinating

1591

01:12:44,990 --> 01:12:43,530

it you know I've been hearing you know

1592

01:12:47,000 --> 01:12:45,000

they scattered little stories and

1593

01:12:49,220 --> 01:12:47,010

findings even over in Ireland somewhere

1594

01:12:51,800 --> 01:12:49,230

of you know somebody found a little cave

1595

01:12:53,720 --> 01:12:51,810

with a little furniture down it and it's

1596

01:12:55,940 --> 01:12:53,730

like you know why is this here you know

1597

01:12:59,630 --> 01:12:55,950

is it a practical joke you know it's

1598

01:13:02,740 --> 01:12:59,640

just I wish that people could be true to

1599

01:13:05,090 --> 01:13:02,750

their findings and be upfront and

1600

01:13:07,130 --> 01:13:05,100

indirect because I just think there's so

1601  
01:13:09,710 --> 01:13:07,140  
much to be found and unearthed out there

1602  
01:13:13,370 --> 01:13:09,720  
but you know with so many you know

1603  
01:13:14,840 --> 01:13:13,380  
potential falsehoods I I mean people

1604  
01:13:17,060 --> 01:13:14,850  
just question everything I'm like I

1605  
01:13:18,560 --> 01:13:17,070  
think one of the most powerful things is

1606  
01:13:21,080 --> 01:13:18,570  
taking our neighbors word for something

1607  
01:13:23,390 --> 01:13:21,090  
if you know the person that's reporting

1608  
01:13:25,850 --> 01:13:23,400  
or somebody you know it's just just

1609  
01:13:28,700 --> 01:13:25,860  
trying to have that backing and be able

1610  
01:13:30,290 --> 01:13:28,710  
to stand strong and in their convictions

1611  
01:13:31,760 --> 01:13:30,300  
and what it is that they're witnessing

1612  
01:13:34,070 --> 01:13:31,770  
and what they're bringing forward I

1613  
01:13:35,840 --> 01:13:34,080

think that that's a powerful thing and I

1614

01:13:38,260 --> 01:13:35,850

think that we need to get back to that

1615

01:13:41,270 --> 01:13:38,270

because there's so much that may be

1616

01:13:43,610 --> 01:13:41,280

overlooked and what do we do what do we

1617

01:13:46,190 --> 01:13:43,620

do about that what do you suggest well

1618

01:13:46,520 --> 01:13:46,200

when I've interviewed I think about five

1619

01:13:48,649 --> 01:13:46,530

or so

1620

01:13:51,049 --> 01:13:48,659

different people who you know had

1621

01:13:53,359 --> 01:13:51,059

experiences with Bigfoot and every

1622

01:13:56,779 --> 01:13:53,369

single one of them has wanted to protect

1623

01:13:58,490 --> 01:13:56,789

the Bigfoot you know they don't want the

1624

01:14:00,220 --> 01:13:58,500

public to know exactly where they're

1625

01:14:03,680 --> 01:14:00,230

located where they where they are

1626  
01:14:05,240 --> 01:14:03,690  
because they don't want them to be you

1627  
01:14:07,939 --> 01:14:05,250  
know bothered they don't want the the

1628  
01:14:11,750 --> 01:14:07,949  
local Bigfoot hunters to come out and

1629  
01:14:14,839 --> 01:14:11,760  
find them and one of the guys that I

1630  
01:14:16,939 --> 01:14:14,849  
interviewed he said referring to one of

1631  
01:14:18,770 --> 01:14:16,949  
the shows that hunts down the Bigfoot he

1632  
01:14:20,899 --> 01:14:18,780  
said now how would you like it if

1633  
01:14:24,950 --> 01:14:20,909  
somebody pulled up in your yard and

1634  
01:14:27,200 --> 01:14:24,960  
started blasting loud rock music from

1635  
01:14:29,689 --> 01:14:27,210  
their car and flashing their lights he

1636  
01:14:31,310 --> 01:14:29,699  
said you'd be throwing rocks too and he

1637  
01:14:34,669 --> 01:14:31,320  
was referring to the way that they're

1638  
01:14:36,770 --> 01:14:34,679

out there blasting Bigfoot calls and you

1639

01:14:41,330 --> 01:14:36,780

know doing all this kind of stuff trying

1640

01:14:43,129 --> 01:14:41,340

to capture a Bigfoot and as much as I

1641

01:14:45,470 --> 01:14:43,139

would like the truth of the Bigfoot to

1642

01:14:48,379 --> 01:14:45,480

come out I don't like the way it's being

1643

01:14:50,510 --> 01:14:48,389

done and I don't think that we should

1644

01:14:52,580 --> 01:14:50,520

put the Bigfoot or the little people in

1645

01:14:55,430 --> 01:14:52,590

jeopardy so that's part of the reason

1646

01:14:57,950 --> 01:14:55,440

that people don't totally come forward

1647

01:15:00,290 --> 01:14:57,960

with all the information in a public way

1648

01:15:03,620 --> 01:15:00,300

yeah that makes sense it you know I

1649

01:15:05,930 --> 01:15:03,630

wanted to touch quickly upon a topic

1650

01:15:09,200 --> 01:15:05,940

with the underground bases because I I

1651

01:15:12,799 --> 01:15:09,210

mentioned briefly that I'd had I don't

1652

01:15:14,299 --> 01:15:12,809

know I was grabbed I lived alone i woke

1653

01:15:16,910 --> 01:15:14,309

up an underground facility being

1654

01:15:19,040 --> 01:15:16,920

questioned by military personnel being

1655

01:15:21,529 --> 01:15:19,050

asked where are they you got to help us

1656

01:15:24,939 --> 01:15:21,539

find them and I knew what they were

1657

01:15:28,010 --> 01:15:24,949

speaking of being alien beings and

1658

01:15:30,680 --> 01:15:28,020

seeing that was one of the one of the

1659

01:15:33,680 --> 01:15:30,690

occasions and then having another

1660

01:15:36,799 --> 01:15:33,690

encounter where I mean I was kind of

1661

01:15:40,250 --> 01:15:36,809

rendered like a puppet walking through a

1662

01:15:43,790 --> 01:15:40,260

facility and there being a line of other

1663

01:15:46,790 --> 01:15:43,800

people in their pajamas mmm you know and

1664

01:15:49,339 --> 01:15:46,800

I was and I was wide awake and I'm all I

1665

01:15:51,919 --> 01:15:49,349

had a control over what were my eyes and

1666

01:15:53,450 --> 01:15:51,929

I'm I'm I was probably standing there

1667

01:15:56,270 --> 01:15:53,460

for a good couple hours or more and I'm

1668

01:15:58,729 --> 01:15:56,280

like this is happening I am here holy

1669

01:16:00,200 --> 01:15:58,739

smokes why do they have me here you know

1670

01:16:02,780 --> 01:16:00,210

and watching guys

1671

01:16:05,690 --> 01:16:02,790

full camouflage rifles pacing back and

1672

01:16:07,370 --> 01:16:05,700

forth and oh my tell I tell you I I

1673

01:16:11,510 --> 01:16:07,380

smacked one of them and everything it

1674

01:16:14,180 --> 01:16:11,520

was it was a great thrill so when you

1675

01:16:15,709 --> 01:16:14,190

hear of these these underground bases

1676

01:16:17,720 --> 01:16:15,719

and a talk about the experiments and

1677

01:16:19,490 --> 01:16:17,730

their ability to be able to wipe a

1678

01:16:21,020 --> 01:16:19,500

person's memory like I don't know how I

1679

01:16:23,030 --> 01:16:21,030

got there I don't know how I got back I

1680

01:16:24,650 --> 01:16:23,040

know I was there I know that it happened

1681

01:16:28,550 --> 01:16:24,660

I know that I had one that happened

1682

01:16:31,040 --> 01:16:28,560

someplace else that was um in a mountain

1683

01:16:32,420 --> 01:16:31,050

range and it was it was invasive add

1684

01:16:35,479 --> 01:16:32,430

anything and everything that I've ever

1685

01:16:37,550 --> 01:16:35,489

had happen or experience nothing is made

1686

01:16:39,440 --> 01:16:37,560

me more angry than having our own

1687

01:16:43,280 --> 01:16:39,450

so-called people who are here to protect

1688

01:16:44,959 --> 01:16:43,290

us at betrayus so I think that should

1689

01:16:47,420 --> 01:16:44,969

get a lot of people in an uproar I mean

1690

01:16:49,040 --> 01:16:47,430

and taking another person's word for

1691

01:16:52,130 --> 01:16:49,050

having experienced some of these

1692

01:16:53,959 --> 01:16:52,140

horrible things you know if one person

1693

01:16:55,790 --> 01:16:53,969

gets abducted that's one to one person

1694

01:16:58,040 --> 01:16:55,800

too many and people get ticked when they

1695

01:16:59,390 --> 01:16:58,050

hear about it but then you say something

1696

01:17:02,180 --> 01:16:59,400

so far-fetched it's just not quite

1697

01:17:04,340 --> 01:17:02,190

believed but I wanted you to get that or

1698

01:17:08,000 --> 01:17:04,350

not you're not the only one who's

1699

01:17:09,830 --> 01:17:08,010

afforded that there are military people

1700

01:17:11,690 --> 01:17:09,840

involved with aliens with some of these

1701

01:17:13,670 --> 01:17:11,700

abductions and they have seen both at

1702

01:17:16,160 --> 01:17:13,680

the same time oh yeah yeah in your own

1703

01:17:18,740 --> 01:17:16,170

mind do you have any idea why you were

1704

01:17:20,870 --> 01:17:18,750

all right i think you know i do i do

1705

01:17:22,400 --> 01:17:20,880

something i can i wish i could get into

1706

01:17:23,780 --> 01:17:22,410

it but we have less than a minute and i

1707

01:17:25,000 --> 01:17:23,790

want you to have the chance to tell

1708

01:17:28,280 --> 01:17:25,010

people how they could get a hold of you

1709

01:17:32,090 --> 01:17:28,290

okay the website is Skyships over

1710

01:17:35,150 --> 01:17:32,100

mountains and one is tangible evidence

1715

01:17:50,390 --> 01:17:47,610
