

PANG Radio

Mike Lucas & Ken Storch

UFOs & Other Things

1
00:00:04,519 --> 00:00:02,510
hi everybody I'm bill burns yeah nancy

2
00:00:07,670 --> 00:00:04,529
burns here I work in future theater and

3
00:00:14,030 --> 00:00:07,680
you know we like to listen to mm radio

4
00:00:15,470 --> 00:00:14,040
on sunday nights at 9pm 9pm what o.o the

5
00:00:18,290 --> 00:00:15,480
best network on the whole entire

6
00:00:20,840 --> 00:00:18,300
internet inception radio network you're

7
00:01:07,440 --> 00:00:20,850
locked into inception radio network

8
00:01:18,560 --> 00:01:11,490
that'll get rid of your radio goes to

9
00:01:24,630 --> 00:01:21,330
welcome folks to paying radio tonight is

10
00:01:26,340 --> 00:01:24,640
Sunday October 12 2014 thank you for the

11
00:01:27,750 --> 00:01:26,350
calendar on the corner of my computer

12
00:01:29,430 --> 00:01:27,760
for reminding me of that because i

13
00:01:31,590 --> 00:01:29,440

looked up quicken like what day is it

14

00:01:33,870 --> 00:01:31,600

it's sunday welcome to paying radio

15

00:01:36,690 --> 00:01:33,880

tonight i'm here with my co-host Ken

16

00:01:37,800 --> 00:01:36,700

Storch in tonight we have a kind of a

17

00:01:40,410 --> 00:01:37,810

special treat tonight we're going to

18

00:01:42,330 --> 00:01:40,420

have open lines so you can call in with

19

00:01:43,980 --> 00:01:42,340

really anything on your mind or

20

00:01:47,190 --> 00:01:43,990

something strange it happen to you I

21

00:01:48,870 --> 00:01:47,200

mean anyway from goes to UFOs or the

22

00:01:51,300 --> 00:01:48,880

floor is pretty much open you can call

23

00:01:54,240 --> 00:01:51,310

in also through our skype if you add

24

00:01:56,700 --> 00:01:54,250

inception radio network one word you're

25

00:01:58,530 --> 00:01:56,710

able to watch for the add-on you can

26
00:01:59,700 --> 00:01:58,540
call us via skype if you're overseas and

27
00:02:02,100 --> 00:01:59,710
you want to talk about something so

28
00:02:04,469 --> 00:02:02,110
definitely like to chime in with our

29
00:02:06,930 --> 00:02:04,479
international listeners to got a lot

30
00:02:08,430 --> 00:02:06,940
over in England and my co-host Ken

31
00:02:11,430 --> 00:02:08,440
Storch is with me tonight good evening

32
00:02:13,770 --> 00:02:11,440
can hey thanks for having me on and good

33
00:02:16,110 --> 00:02:13,780
evening to our listeners and it's cold

34
00:02:18,690 --> 00:02:16,120
and wet here in northeast Oklahoma and

35
00:02:21,960 --> 00:02:18,700
it's my kind of weather football weather

36
00:02:24,060 --> 00:02:21,970
there you go yeah we had a 65 degrees

37
00:02:25,560 --> 00:02:24,070
almost today so it got really nice up

38
00:02:28,979 --> 00:02:25,570

here it's kind of I can tell this is our

39

00:02:30,900 --> 00:02:28,989

Indian summer here yeah absolutely hey I

40

00:02:32,370 --> 00:02:30,910

got a couple of shout outs to Aaron and

41

00:02:36,030 --> 00:02:32,380

Carrie I once again I know they're

42

00:02:38,550 --> 00:02:36,040

driving and listening and George and dug

43

00:02:40,110 --> 00:02:38,560

in Missouri I want to thank them for

44

00:02:45,890 --> 00:02:40,120

tuning in George how you doing big guy

45

00:02:48,660 --> 00:02:45,900

and to a couple of people in Colorado so

46

00:02:50,610 --> 00:02:48,670

welcome to paying radio inception radio

47

00:02:52,410 --> 00:02:50,620

network very cool and I have a shout out

48

00:02:54,330 --> 00:02:52,420

to my favorite listener again in Duluth

49

00:02:57,990 --> 00:02:54,340

debra anderson and we got a shout out

50

00:03:01,229 --> 00:02:58,000

from it looks like Martin Jackson he

51
00:03:03,720 --> 00:03:01,239
listens to us in my Kron micronesia

52
00:03:05,490 --> 00:03:03,730
Lincoln UK so another UK listener

53
00:03:07,620 --> 00:03:05,500
chiming in on Facebook thanks for

54
00:03:08,910 --> 00:03:07,630
listening Martin and spread the word

55
00:03:10,259 --> 00:03:08,920
over there new cane we love you guys

56
00:03:12,120 --> 00:03:10,269
over there because you're a big part of

57
00:03:14,030 --> 00:03:12,130
the network and you do support us and a

58
00:03:17,670 --> 00:03:14,040
lot of fun people and chat from the UK

59
00:03:20,430 --> 00:03:17,680
cool yeah thanks Bart for tuning in we

60
00:03:22,080 --> 00:03:20,440
appreciate it so there are many ways to

61
00:03:23,940 --> 00:03:22,090
listen to the inception radio network

62
00:03:26,220 --> 00:03:23,950
got to go through this guy's to pay the

63
00:03:29,099 --> 00:03:26,230

bills you we do have our apps on the

64

00:03:31,860 --> 00:03:29,109

android and iphones you can also call in

65

00:03:36,149 --> 00:03:31,870

to our listen line at 4 01 28 36

66

00:03:40,649 --> 00:03:36,159

700 hit one for the regular irn feed hit

67

00:03:41,850 --> 00:03:40,659

22 content or to listen to i RN + + 0 to

68

00:03:45,149 --> 00:03:41,860

talk to the show host if you have a

69

00:03:47,070 --> 00:03:45,159

question for whoever's on the show at

70

00:03:48,180 --> 00:03:47,080

the moment so we definitely can listen

71

00:03:51,869 --> 00:03:48,190

to you there and there are numerous

72

00:03:53,460 --> 00:03:51,879

other apps like tunein radio lives 365

73

00:03:56,250 --> 00:03:53,470

you can listen to iron pretty much

74

00:03:59,039 --> 00:03:56,260

anywhere in a row roku box to apple TV

75

00:04:00,600 --> 00:03:59,049

we're everywhere so you can put us on in

76

00:04:02,250 --> 00:04:00,610

every room or out mowing the lawn or

77

00:04:06,479 --> 00:04:02,260

however you want to listen to us there's

78

00:04:07,860 --> 00:04:06,489

plenty of ways definitely so we got a

79

00:04:11,339 --> 00:04:07,870

great show tonight we're going to have

80

00:04:14,520 --> 00:04:11,349

open lines the number would be 88 89 192

81

00:04:17,610 --> 00:04:14,530

355 if you have anything for can or i

82

00:04:18,930 --> 00:04:17,620

just call in and let us know what's on

83

00:04:21,029 --> 00:04:18,940

your mind or if you had something

84

00:04:24,540 --> 00:04:21,039

strange happen spotted an object in the

85

00:04:26,219 --> 00:04:24,550

sky had a strange shadow creature in

86

00:04:27,900 --> 00:04:26,229

your bedroom i mean there's a lot of

87

00:04:30,840 --> 00:04:27,910

there's a lot of unknown out there and

88

00:04:32,460 --> 00:04:30,850

if you want to talk about it we'll do

89

00:04:33,930 --> 00:04:32,470

our best to while well we'll definitely

90

00:04:35,390 --> 00:04:33,940

listen to you and we'll do our best to

91

00:04:38,339 --> 00:04:35,400

figure out what the hell you seem

92

00:04:41,010 --> 00:04:38,349

definitely so ken is going to take over

93

00:04:44,040 --> 00:04:41,020

for a little bit doc as we know ken does

94

00:04:47,610 --> 00:04:44,050

investigate animal harvesting cases and

95

00:04:48,810 --> 00:04:47,620

he's researching on a case right now but

96

00:04:50,940 --> 00:04:48,820

he was going to kind of go into it for

97

00:04:52,800 --> 00:04:50,950

the listeners and let you guys know on

98

00:04:57,080 --> 00:04:52,810

update us on some stuff so can take it

99

00:04:59,730 --> 00:04:57,090

away hey I want to thank Lorne for

100

00:05:02,100 --> 00:04:59,740

Senate I was not aware of this until

101
00:05:07,589 --> 00:05:02,110
just recently and she sent me a email

102
00:05:14,969 --> 00:05:07,599
and Lorna hunter is director of love Pig

103
00:05:17,700 --> 00:05:14,979
and there was a animal mutilation I you

104
00:05:21,180 --> 00:05:17,710
know MJ you called it animal harvesting

105
00:05:24,150 --> 00:05:21,190
and I think that's the preferred term

106
00:05:25,740 --> 00:05:24,160
that I that I use but in this case I'm I

107
00:05:27,990 --> 00:05:25,750
don't know a whole lot about it right

108
00:05:30,089 --> 00:05:28,000
now and and it happened in Utah and

109
00:05:33,029 --> 00:05:30,099
apparently deputies in this great state

110
00:05:37,350 --> 00:05:33,039
of Utah are investigating a case in

111
00:05:42,180 --> 00:05:37,360
which a number of cows were mutilated

112
00:05:44,540 --> 00:05:42,190
postmortem means after death and I guess

113
00:05:47,930 --> 00:05:44,550

there was some strange cuts and

114

00:05:50,000 --> 00:05:47,940

and some strange mutilation to the

115

00:05:52,130 --> 00:05:50,010

animals I really don't know a whole lot

116

00:05:54,080 --> 00:05:52,140

beyond that so if anybody that's

117

00:05:56,030 --> 00:05:54,090

listening out there has more information

118

00:05:57,830 --> 00:05:56,040

wonder if you're listening and you have

119

00:06:01,850 --> 00:05:57,840

additional information feel free to fill

120

00:06:03,980 --> 00:06:01,860

us in but you know once again it's one

121

00:06:06,710 --> 00:06:03,990

of those areas where it just won't go

122

00:06:10,070 --> 00:06:06,720

away and it seems its ongoing and if

123

00:06:12,350 --> 00:06:10,080

indeed this is truly a animal harvesting

124

00:06:13,810 --> 00:06:12,360

case and and hopefully we'll find out

125

00:06:15,860 --> 00:06:13,820

and the authorities that are

126

00:06:17,630 --> 00:06:15,870

investigating it will be forthcoming

127

00:06:19,520 --> 00:06:17,640

with additional information because I

128

00:06:22,100 --> 00:06:19,530

think they put out a call for help they

129

00:06:24,440 --> 00:06:22,110

they were asking for anybody that had

130

00:06:27,200 --> 00:06:24,450

additional information to contact their

131

00:06:29,150 --> 00:06:27,210

office and you know MJ I thought I would

132

00:06:30,650 --> 00:06:29,160

wait until tomorrow or Tuesday and I'll

133

00:06:32,450 --> 00:06:30,660

shoot them off an email and see what I

134

00:06:34,370 --> 00:06:32,460

get there you go and and I'm going to

135

00:06:36,290 --> 00:06:34,380

throw that link up in chat if you're

136

00:06:38,540 --> 00:06:36,300

listening at the iron chat if you're in

137

00:06:41,030 --> 00:06:38,550

chat or kind of hanging on the back end

138

00:06:42,800 --> 00:06:41,040

of it also throw that link up on our

139

00:06:47,240 --> 00:06:42,810

Facebook page if you want to take a look

140

00:06:49,430 --> 00:06:47,250

uh yeah it's pretty strange can yep but

141

00:06:53,990 --> 00:06:49,440

I hey I kind of like to talk about a

142

00:06:56,240 --> 00:06:54,000

case that I really been kind of rolling

143

00:06:57,830 --> 00:06:56,250

around inside my pea brain as to whether

144

00:07:00,320 --> 00:06:57,840

or not it would even go down this road

145

00:07:02,570 --> 00:07:00,330

on the radio and basically in the last

146

00:07:05,570 --> 00:07:02,580

20 minutes I decided to go ahead and

147

00:07:07,460 --> 00:07:05,580

talk about it I want our listeners to

148

00:07:10,240 --> 00:07:07,470

understand that it is an ongoing case

149

00:07:14,180 --> 00:07:10,250

and there are certain areas and

150

00:07:16,310 --> 00:07:14,190

information that i do have that I I

151

00:07:20,540 --> 00:07:16,320

don't want to release at least not just

152

00:07:23,860 --> 00:07:20,550

yet but and some and some of the people

153

00:07:25,880 --> 00:07:23,870

that are listening tonight have

154

00:07:27,980 --> 00:07:25,890

information because I talked to him

155

00:07:30,140 --> 00:07:27,990

about it and basically to get their

156

00:07:36,170 --> 00:07:30,150

feedback and see what they thought but

157

00:07:41,810 --> 00:07:36,180

here it goes a back in back in Desert

158

00:07:46,610 --> 00:07:41,820

Storm in 1990 and 91 if you remember

159

00:07:49,910 --> 00:07:46,620

general Schwarzkopf was the supreme

160

00:07:54,320 --> 00:07:49,920

Allied commander that led the coalition

161

00:07:56,300 --> 00:07:54,330

against Iraq if we remember george bush

162

00:07:58,940 --> 00:07:56,310

senior was a president

163

00:08:02,090 --> 00:07:58,950

and he said that the invasion of Kuwait

164

00:08:05,090 --> 00:08:02,100

will not stand and that we had to drive

165

00:08:07,670 --> 00:08:05,100

the Iraqi army and Sodom Hussein out of

166

00:08:12,080 --> 00:08:07,680

there that's just a brief thumbnail of

167

00:08:16,760 --> 00:08:12,090

where this investigation starts one of

168

00:08:18,530 --> 00:08:16,770

the battle plans and this is a fact I

169

00:08:23,800 --> 00:08:18,540

mean we now know that this is how

170

00:08:26,690 --> 00:08:23,810

Schwarzkopf subsequently defeated the

171

00:08:29,840 --> 00:08:26,700

vaulted Republican Guard remember there

172

00:08:31,940 --> 00:08:29,850

was a lot of press regarding the

173

00:08:33,910 --> 00:08:31,950

Republican Guard and how tenacious and

174

00:08:36,800 --> 00:08:33,920

trained and equipped they were and

175

00:08:41,480 --> 00:08:36,810

basically the desert storm was over

176

00:08:44,870 --> 00:08:41,490

within 72 hours Schwarzkopf shredded the

177

00:08:50,830 --> 00:08:44,880

Republican Guard and part of that battle

178

00:08:54,410 --> 00:08:50,840

plan was that he had special forces

179

00:08:56,630 --> 00:08:54,420

dropped in behind the Republican

180

00:08:59,510 --> 00:08:56,640

defensive positions Republican Guard

181

00:09:03,500 --> 00:08:59,520

defensive position in Iraq and Kuwait

182

00:09:07,160 --> 00:09:03,510

and so that when his armored units broke

183

00:09:10,790 --> 00:09:07,170

through the defensive line they would

184

00:09:14,180 --> 00:09:10,800

race across the desert approximately 200

185

00:09:15,890 --> 00:09:14,190

miles was the range of the m1a abram

186

00:09:19,130 --> 00:09:15,900

tanks and the bradley fighting machines

187

00:09:22,160 --> 00:09:19,140

and so these special forces had set up

188

00:09:25,400 --> 00:09:22,170

fuel depots out in the desert so that

189

00:09:27,920 --> 00:09:25,410

they could resupply and refuel these

190

00:09:30,050 --> 00:09:27,930

armored columns that would break through

191

00:09:34,100 --> 00:09:30,060

the rib to the republican lines and

192

00:09:35,930 --> 00:09:34,110

basically in trap and cut off the iraqi

193

00:09:38,680 --> 00:09:35,940

army and that's exactly what happened if

194

00:09:40,970 --> 00:09:38,690

for those that are listening you can see

195

00:09:42,650 --> 00:09:40,980

you can go and research that and

196

00:09:45,140 --> 00:09:42,660

essentially that's what happened it was

197

00:09:47,690 --> 00:09:45,150

swift and decisive like i said though

198

00:09:50,470 --> 00:09:47,700

the war i think was really over in 72

199

00:09:53,350 --> 00:09:50,480

hours but another it was 120 hours and

200

00:09:55,820 --> 00:09:53,360

bush declared a cease to hostilities

201
00:09:59,450 --> 00:09:55,830
well that's where this investigation

202
00:10:02,270 --> 00:09:59,460
begins because one of those special ops

203
00:10:05,840 --> 00:10:02,280
if you will that dropped in behind the

204
00:10:07,910 --> 00:10:05,850
republican defensive positions and set

205
00:10:13,310 --> 00:10:07,920
up one of the fuel depots

206
00:10:17,440 --> 00:10:13,320
a gentleman that I had been in contact

207
00:10:21,019 --> 00:10:17,450
with was a part of that special ops and

208
00:10:24,639 --> 00:10:21,029
he was also if you remember about two

209
00:10:28,970 --> 00:10:24,649
years ago there was a helicopter with 34

210
00:10:32,689 --> 00:10:28,980
Green Berets Special Forces and seal

211
00:10:34,610 --> 00:10:32,699
team 6 that went down on killed 36 or 38

212
00:10:36,500 --> 00:10:34,620
that we're on a helicopter in northern

213
00:10:38,389 --> 00:10:36,510

Afghanistan do you remember that yes

214

00:10:40,460 --> 00:10:38,399

they do yeah yeah I think it was about

215

00:10:42,290 --> 00:10:40,470

two years ago well this gentleman was

216

00:10:46,250 --> 00:10:42,300

supposed to have been on that hill a

217

00:10:48,949 --> 00:10:46,260

copter but he had apparently broken his

218

00:10:51,110 --> 00:10:48,959

leg and a training accident two weeks

219

00:10:54,019 --> 00:10:51,120

prior training for this particular

220

00:10:59,439 --> 00:10:54,029

mission and so he wasn't on that chopper

221

00:11:04,550 --> 00:10:59,449

and there for about 15 or 16 of his

222

00:11:07,639 --> 00:11:04,560

close group were killed now his claim to

223

00:11:10,400 --> 00:11:07,649

fame was that going back to Desert Storm

224

00:11:15,380 --> 00:11:10,410

when they were dropped in behind the

225

00:11:17,120 --> 00:11:15,390

Republican Guard his particular squad if

226

00:11:19,550 --> 00:11:17,130

you will was dropped off in the Iraqi

227

00:11:21,800 --> 00:11:19,560

desert and they set up their fuel depot

228

00:11:26,240 --> 00:11:21,810

and communication system and they were

229

00:11:29,300 --> 00:11:26,250

unable to communicate they couldn't get

230

00:11:33,170 --> 00:11:29,310

out on sat nav none of their GPS systems

231

00:11:35,480 --> 00:11:33,180

worked they had trouble keeping their

232

00:11:38,509 --> 00:11:35,490

generators running and it's at that time

233

00:11:40,910 --> 00:11:38,519

that they noticed according to him that

234

00:11:45,910 --> 00:11:40,920

there was a humming sound and it seemed

235

00:11:49,699 --> 00:11:45,920

like the ground was vibrating and it was

236

00:11:58,030 --> 00:11:49,709

and I'm going by what he was saying okay

237

00:12:01,519 --> 00:11:58,040

and they apparently found part of a

238

00:12:06,079 --> 00:12:01,529

pyramid sticking out of the desert floor

239

00:12:08,059 --> 00:12:06,089

and the vibration and humming sound was

240

00:12:11,000 --> 00:12:08,069

coming under the ground and particularly

241

00:12:15,050 --> 00:12:11,010

from this particular what appeared to be

242

00:12:18,740 --> 00:12:15,060

a pyramid now he he claimed that he had

243

00:12:20,950 --> 00:12:18,750

maps gps coordinates and pictures of

244

00:12:24,190 --> 00:12:20,960

what I'm saying and he

245

00:12:27,240 --> 00:12:24,200

was terrified to the point of being

246

00:12:30,400 --> 00:12:27,250

paranoid that his life was in danger and

247

00:12:32,800 --> 00:12:30,410

I was trying to convince him MJ to come

248

00:12:36,390 --> 00:12:32,810

on the radio and tell a story in fact I

249

00:12:40,540 --> 00:12:36,400

was working on it when paradigm unhinged

250

00:12:42,750 --> 00:12:40,550

was up and running and I'd have

251
00:12:47,980 --> 00:12:42,760
communication with the gentleman but he

252
00:12:51,280 --> 00:12:47,990
was real difficult to convince let's to

253
00:12:54,610 --> 00:12:51,290
say the least to come public and talk

254
00:12:57,790 --> 00:12:54,620
about his story now I can tell you a

255
00:13:00,040 --> 00:12:57,800
little bit I was able to substantiate on

256
00:13:03,040 --> 00:13:00,050
a story he according to his discharge

257
00:13:06,250 --> 00:13:03,050
papers his DD 214 for those of us that

258
00:13:09,850 --> 00:13:06,260
have been in the military those are your

259
00:13:11,680 --> 00:13:09,860
discharge papers and it has on it your

260
00:13:13,750 --> 00:13:11,690
assignment your rank and where you did

261
00:13:17,590 --> 00:13:13,760
training apparently he was who he said

262
00:13:21,400 --> 00:13:17,600
he was he was a Special Forces trained

263
00:13:27,070 --> 00:13:21,410

he was over in Iraq in the first Desert

264

00:13:31,840 --> 00:13:27,080

Storm um he was part of a special ops

265

00:13:36,640 --> 00:13:31,850

unit and the second operation against

266

00:13:40,560 --> 00:13:36,650

Saddam Hussein and it was assigned to

267

00:13:43,690 --> 00:13:40,570

like I said Special Forces and had been

268

00:13:49,560 --> 00:13:43,700

received Purple Heart and had been

269

00:13:52,900 --> 00:13:49,570

decorated in Desert Storm but he was

270

00:13:54,340 --> 00:13:52,910

paranoid I guess that's the only way I

271

00:13:58,120 --> 00:13:54,350

can describe it and it was really

272

00:14:00,220 --> 00:13:58,130

difficult I he would get a hold of me I

273

00:14:06,070 --> 00:14:00,230

had difficulty in getting hold of him

274

00:14:07,660 --> 00:14:06,080

anyway he was found this week with two

275

00:14:13,440 --> 00:14:07,670

bullets in the back of his head in an

276

00:14:18,160 --> 00:14:13,450

alley in Denver whoo and I have somebody

277

00:14:23,550 --> 00:14:18,170

that is working on getting the Denver

278

00:14:26,470 --> 00:14:23,560

Police Department report I do have a

279

00:14:30,790 --> 00:14:26,480

contact with the first officer that was

280

00:14:33,549 --> 00:14:30,800

on scene the body of this gentleman was

281

00:14:35,900 --> 00:14:33,559

found in an alley and he had

282

00:14:37,369 --> 00:14:35,910

apparently been executed with two

283

00:14:40,069 --> 00:14:37,379

bullets in the back of the head and I

284

00:14:42,530 --> 00:14:40,079

don't know if he was killed in the alley

285

00:14:46,369 --> 00:14:42,540

or if the body was dropped off in the

286

00:14:48,079 --> 00:14:46,379

alley I suspect that the latter is the

287

00:14:52,639 --> 00:14:48,089

case that he was killed somewhere else

288

00:14:56,509 --> 00:14:52,649

and his body dumped in the alley I can

289

00:15:04,999 --> 00:14:56,519

tell you and our listeners that there

290

00:15:08,299 --> 00:15:05,009

are indicators that I know of to show

291

00:15:13,100 --> 00:15:08,309

that he indeed was on to something now

292

00:15:16,069 --> 00:15:13,110

according to his statement that the

293

00:15:20,809 --> 00:15:16,079

reason why we went into Iraq the second

294

00:15:25,429 --> 00:15:20,819

time if you recall it was seen Bush

295

00:15:27,559 --> 00:15:25,439

Senior George was at George Walker Bush

296

00:15:31,729 --> 00:15:27,569

the old man is the one that stopped

297

00:15:34,069 --> 00:15:31,739

schwarzkopf about 85 miles from going

298

00:15:36,109 --> 00:15:34,079

into Baghdad and Schwarzkopf wanted to

299

00:15:42,350 --> 00:15:36,119

go in there and apparently there was a

300

00:15:44,809 --> 00:15:42,360

big confrontation in terms of verbal

301
00:15:47,989 --> 00:15:44,819
argument between general Schwarzkopf and

302
00:15:50,119 --> 00:15:47,999
the Bush administration and Bush bush

303
00:15:52,909 --> 00:15:50,129
was concerned that the coalition of the

304
00:15:54,409 --> 00:15:52,919
Arab states wouldn't hold together if

305
00:15:57,259 --> 00:15:54,419
they pushed out into Baghdad and

306
00:15:59,569 --> 00:15:57,269
apparently Schwarzkopf said that's okay

307
00:16:01,309 --> 00:15:59,579
let him sit on the sidelines he

308
00:16:02,869 --> 00:16:01,319
understood the air of mind and he wanted

309
00:16:07,309 --> 00:16:02,879
to make a statement he goes now is the

310
00:16:09,799 --> 00:16:07,319
time to depose of Saddam Hussein well of

311
00:16:13,609 --> 00:16:09,809
course as everybody knows that did not

312
00:16:18,619 --> 00:16:13,619
happen right right okay but the second

313
00:16:21,769 --> 00:16:18,629

invasion of Iraq by George Jr Bush was a

314

00:16:24,379 --> 00:16:21,779

result of if you remember we established

315

00:16:29,179 --> 00:16:24,389

a no-fly zone over the southern part of

316

00:16:33,169 --> 00:16:29,189

the Iraqi desert and Kuwait and if Iraq

317

00:16:35,059 --> 00:16:33,179

put up any helicopters or aircraft you

318

00:16:37,609 --> 00:16:35,069

know our forces was going to shoot him

319

00:16:41,199 --> 00:16:37,619

down it was a no-fly zone now according

320

00:16:43,699 --> 00:16:41,209

to this gentleman that a serious

321

00:16:46,650 --> 00:16:43,709

archaeological dig was underway where

322

00:16:49,230 --> 00:16:46,660

that where this pyramid had been dis

323

00:16:53,189 --> 00:16:49,240

bird in there in the Iraqi desert now

324

00:16:56,369 --> 00:16:53,199

let me stop right there hmm I had a very

325

00:17:00,780 --> 00:16:56,379

good friend her name was Judy orsatti

326

00:17:06,510 --> 00:17:00,790

and she was a board member of the mutual

327

00:17:10,590 --> 00:17:06,520

UFO network I was real good friends with

328

00:17:12,360 --> 00:17:10,600

Judi newer for 12 14 years and she was

329

00:17:15,630 --> 00:17:12,370

on the board of directors for the mutual

330

00:17:18,929 --> 00:17:15,640

UFO network now what's interesting is

331

00:17:22,159 --> 00:17:18,939

that Judy was a entrepreneur a very

332

00:17:25,710 --> 00:17:22,169

successful businesswoman in Denver and

333

00:17:28,799 --> 00:17:25,720

she got a contract she was involved with

334

00:17:31,529 --> 00:17:28,809

Centennial auto lease leasing and they

335

00:17:34,710 --> 00:17:31,539

did leasing for companies worldwide it

336

00:17:36,810 --> 00:17:34,720

was a they would lease whatever you

337

00:17:39,270 --> 00:17:36,820

needed it wasn't just automobiles if you

338

00:17:43,320 --> 00:17:39,280

needed a crane Centennial leasing would

339

00:17:45,840 --> 00:17:43,330

get it for you and they she had been

340

00:17:48,799 --> 00:17:45,850

approached are you ready for this mm-hmm

341

00:17:51,539 --> 00:17:48,809

by a representative from kellogg brune

342

00:17:53,490 --> 00:17:51,549

do you know who they are I'm not

343

00:17:55,680 --> 00:17:53,500

familiar can let us yeah and probably

344

00:17:58,440 --> 00:17:55,690

not most of our listeners are either and

345

00:18:03,260 --> 00:17:58,450

I wasn't until Judy turned me on to them

346

00:18:05,610 --> 00:18:03,270

Kellogg brune is a big-time government

347

00:18:10,080 --> 00:18:05,620

subcontractor they are an integral part

348

00:18:13,409 --> 00:18:10,090

of Halliburton how about that okay do

349

00:18:15,330 --> 00:18:13,419

you know who Helen Burton is um not too

350

00:18:18,419 --> 00:18:15,340

shiny vice president yeah Burton oil

351

00:18:21,149 --> 00:18:18,429

yeah yeah okay okay well Kelly Kellogg

352

00:18:24,630 --> 00:18:21,159

brune is or was I don't know if they are

353

00:18:27,930 --> 00:18:24,640

now but they were a aves an integral

354

00:18:30,810 --> 00:18:27,940

part of Halliburton and a friend of hers

355

00:18:35,750 --> 00:18:30,820

that had graduated from the University

356

00:18:38,640 --> 00:18:35,760

of Colorado there in boulder and had his

357

00:18:40,350 --> 00:18:38,650

master's degree in archaeology and Judy

358

00:18:42,690 --> 00:18:40,360

had her master's degree by the way in

359

00:18:46,980 --> 00:18:42,700

business he was one of the

360

00:18:53,090 --> 00:18:46,990

representatives that had contacted Judy

361

00:18:56,070 --> 00:18:53,100

to supply them with four-wheel drive

362

00:18:59,370 --> 00:18:56,080

vehicles that were to be desert

363

00:19:00,300 --> 00:18:59,380

camouflage hmm to the tune of about a

364

00:19:05,490 --> 00:19:00,310

hundred to two hundred

365

00:19:09,000 --> 00:19:05,500

vehicles and I from what I gather and

366

00:19:11,610 --> 00:19:09,010

talking with Judy orsatti there was they

367

00:19:14,790 --> 00:19:11,620

were headed out into somewhere in the

368

00:19:17,790 --> 00:19:14,800

Iraqi desert on a archaeological dig

369

00:19:22,020 --> 00:19:17,800

that had recently been discovered now he

370

00:19:25,350 --> 00:19:22,030

did not know any more than just that all

371

00:19:28,380 --> 00:19:25,360

right but it somewhat verifies what this

372

00:19:30,150 --> 00:19:28,390

gentleman was telling me about what had

373

00:19:36,390 --> 00:19:30,160

been uncovered in the Iraqi desert

374

00:19:38,700 --> 00:19:36,400

concerning a a pyramid and judy was

375

00:19:41,870 --> 00:19:38,710

getting more information from her

376

00:19:44,790 --> 00:19:41,880
contact with kellogg brune and

377

00:19:47,820 --> 00:19:44,800
subsequently she was killed in a

378

00:19:51,120 --> 00:19:47,830
motorcycle accident in in littleton

379

00:19:53,850 --> 00:19:51,130
colorado now whether or not that has

380

00:19:55,950 --> 00:19:53,860
anything to do with what i'm talking

381

00:19:57,930 --> 00:19:55,960
about tonight I have no idea all i know

382

00:20:00,690 --> 00:19:57,940
is that she was on the back of a Harley

383

00:20:04,140 --> 00:20:00,700
her husband was driving it and they were

384

00:20:08,670 --> 00:20:04,150
ran off the road and she hit a tree and

385

00:20:10,410 --> 00:20:08,680
died at the scene of the accident geez

386

00:20:12,300 --> 00:20:10,420
cut this kind of what's that this kind

387

00:20:14,310 --> 00:20:12,310
of goes back to nick redfern stuffing

388

00:20:17,370 --> 00:20:14,320

well you know what i was just getting

389

00:20:19,530 --> 00:20:17,380

just going to say that that when Nick

390

00:20:23,400 --> 00:20:19,540

Redfern and when we were talking with

391

00:20:25,170 --> 00:20:23,410

Maryland and dick last week this story

392

00:20:27,810 --> 00:20:25,180

was coming I mean I was sitting there

393

00:20:30,570 --> 00:20:27,820

thinking my gosh I'm I know a little bit

394

00:20:32,400 --> 00:20:30,580

about this because of what has occurred

395

00:20:35,790 --> 00:20:32,410

and what is occurring now the gentleman

396

00:20:39,240 --> 00:20:35,800

was alive ok when Marilyn and Dick were

397

00:20:41,640 --> 00:20:39,250

on and and Nick Redfern was on he he was

398

00:20:48,120 --> 00:20:41,650

just found murdered here this week in

399

00:20:51,870 --> 00:20:48,130

Denver and I I have additional

400

00:20:53,490 --> 00:20:51,880

information I I just don't want to go

401
00:20:55,500 --> 00:20:53,500
into it at this point because like I

402
00:20:58,200 --> 00:20:55,510
said it's an ongoing investigation and I

403
00:21:01,410 --> 00:20:58,210
don't want to contaminate it I'm waiting

404
00:21:05,940 --> 00:21:01,420
for some I'm waiting for the police

405
00:21:08,610 --> 00:21:05,950
report I requested a copy of that and I

406
00:21:12,330 --> 00:21:08,620
want to wait and see about the coroner's

407
00:21:13,560 --> 00:21:12,340
report in regards to any toxicology

408
00:21:15,420 --> 00:21:13,570
tests and was the

409
00:21:18,030 --> 00:21:15,430
he dropped off in the alley or was he

410
00:21:19,530 --> 00:21:18,040
shot and killed in the alley I suspect

411
00:21:21,120 --> 00:21:19,540
it's going to show that he was dropped

412
00:21:22,950 --> 00:21:21,130
off he was probably shot somewhere else

413
00:21:27,750 --> 00:21:22,960

I mean that's my gut instinct anyway

414

00:21:33,150 --> 00:21:27,760

mm-hmm okay now I get him back to this

415

00:21:36,270 --> 00:21:33,160

individual he he wore a Kevlar

416

00:21:39,900 --> 00:21:36,280

bulletproof vest 24-7 in fact the

417

00:21:42,420 --> 00:21:39,910

responding officer states that he he had

418

00:21:47,880 --> 00:21:42,430

the vest on when when they found him in

419

00:21:51,540 --> 00:21:47,890

the alley yeah and as I said the

420

00:21:53,670 --> 00:21:51,550

gentleman was you know I it's one of

421

00:21:56,550 --> 00:21:53,680

those things were you know when you

422

00:21:59,790 --> 00:21:56,560

initially hear the story you go yeah

423

00:22:01,350 --> 00:21:59,800

okay but as you go further and further

424

00:22:03,150 --> 00:22:01,360

down this path and more and more

425

00:22:05,520 --> 00:22:03,160

information comes to light that you're

426

00:22:09,630 --> 00:22:05,530

able to verify like for instance is DD

427

00:22:15,810 --> 00:22:09,640

214 you know he was discharged from the

428

00:22:18,090 --> 00:22:15,820

Army as a special forces a sergeant in

429

00:22:20,130 --> 00:22:18,100

the Special Forces he was the United

430

00:22:23,430 --> 00:22:20,140

States Army you know you know green

431

00:22:26,370 --> 00:22:23,440

beret he was who he said he was he had

432

00:22:30,660 --> 00:22:26,380

served in Desert Storm he had was in

433

00:22:33,600 --> 00:22:30,670

Iraq the on the second invasion he was

434

00:22:37,020 --> 00:22:33,610

active in the military in the army and

435

00:22:42,510 --> 00:22:37,030

special forces in in the Middle East so

436

00:22:47,490 --> 00:22:42,520

you know there was verification as to

437

00:22:50,390 --> 00:22:47,500

who he was up to that point I I was

438

00:22:54,060 --> 00:22:50,400

trying to convince him to come he was

439

00:22:56,940 --> 00:22:54,070

really paranoid he said that he lived in

440

00:22:59,910 --> 00:22:56,950

a weekly hotel a paid by the week and he

441

00:23:01,350 --> 00:22:59,920

would move once a week and he would call

442

00:23:03,420 --> 00:23:01,360

him I never knew what kind of number he

443

00:23:06,330 --> 00:23:03,430

would have one of those throwaway phones

444

00:23:09,750 --> 00:23:06,340

that you buy yeah and so the number

445

00:23:12,600 --> 00:23:09,760

would constantly change I had difficulty

446

00:23:17,190 --> 00:23:12,610

and staying in contact with them and you

447

00:23:19,800 --> 00:23:17,200

know the last communication that was

448

00:23:23,100 --> 00:23:19,810

going on I was trying to convince him to

449

00:23:26,400 --> 00:23:23,110

come on the radio and tell his story as

450

00:23:27,510 --> 00:23:26,410

a way of protecting him because I I told

451
00:23:29,430 --> 00:23:27,520
him I said if

452
00:23:32,280 --> 00:23:29,440
if you would go public and go on the

453
00:23:37,260 --> 00:23:32,290
radio it would there are no guarantees

454
00:23:39,720 --> 00:23:37,270
but it would go a long way in shining

455
00:23:42,780 --> 00:23:39,730
the light on this subject and give him

456
00:23:44,580 --> 00:23:42,790
you know some type of of protection

457
00:23:46,950 --> 00:23:44,590
because his story would be out there in

458
00:23:49,410 --> 00:23:46,960
in the case of something happening to

459
00:23:54,270 --> 00:23:49,420
him well you know something did happen

460
00:24:00,150 --> 00:23:54,280
to him and he was adamant that he had

461
00:24:04,160 --> 00:24:00,160
maps photographs coordinates and other

462
00:24:07,470 --> 00:24:04,170
documentation to show where this

463
00:24:09,920 --> 00:24:07,480

archaeological dig was taking place I do

464

00:24:14,520 --> 00:24:09,930

not know where those are at the moment I

465

00:24:19,620 --> 00:24:14,530

know that he had family in Seattle I'm

466

00:24:23,280 --> 00:24:19,630

hoping that that they might be able to

467

00:24:25,590 --> 00:24:23,290

shed some light I I you know one of

468

00:24:26,940 --> 00:24:25,600

somebody that was that is familiar with

469

00:24:28,710 --> 00:24:26,950

the story said weekend don't be

470

00:24:30,600 --> 00:24:28,720

surprised if a package shows up at your

471

00:24:36,150 --> 00:24:30,610

door and that's a distinct possibility i

472

00:24:38,180 --> 00:24:36,160

I don't know that but that was one of

473

00:24:41,610 --> 00:24:38,190

the things that I had talked to had

474

00:24:43,020 --> 00:24:41,620

conveyed to him that he needed to do was

475

00:24:46,470 --> 00:24:43,030

you know let's let's put that

476

00:24:49,470 --> 00:24:46,480

information out and it'll take some of

477

00:24:52,410 --> 00:24:49,480

the heat off of them can't can't hit a

478

00:24:54,090 --> 00:24:52,420

couple questions from chat uh i think it

479

00:24:55,710 --> 00:24:54,100

was from american road warrior let me

480

00:25:02,340 --> 00:24:55,720

grab when's the last time you talked to

481

00:25:04,350 --> 00:25:02,350

him that was um I was going through

482

00:25:07,350 --> 00:25:04,360

another party I just don't want to

483

00:25:09,330 --> 00:25:07,360

mention their name right now but the

484

00:25:13,430 --> 00:25:09,340

last time I had communication with this

485

00:25:16,290 --> 00:25:13,440

individual was about ten days ago okay

486

00:25:21,810 --> 00:25:16,300

about two weeks that'd be yeah it'll be

487

00:25:25,890 --> 00:25:21,820

two weeks on tuesday another question

488

00:25:28,080 --> 00:25:25,900

from George PD what's that his name is

489

00:25:30,780 --> 00:25:28,090

George PD he's in chat I think new

490

00:25:33,060 --> 00:25:30,790

listener he's wondering if there's any

491

00:25:34,830 --> 00:25:33,070

more information on the pyramid that has

492

00:25:38,040 --> 00:25:34,840

gone public have you heard anything or

493

00:25:41,410 --> 00:25:38,050

seen anything no I haven't

494

00:25:45,580 --> 00:25:41,420

there there is another individual that

495

00:25:48,850 --> 00:25:45,590

can somewhat verify part of what Judy

496

00:25:52,840 --> 00:25:48,860

orsatti told me this individual was

497

00:25:57,220 --> 00:25:52,850

stationed at Ramadi as a subcontractor

498

00:25:59,200 --> 00:25:57,230

private contractor I don't want to say

499

00:26:02,500 --> 00:25:59,210

what his job was because I don't have

500

00:26:05,950 --> 00:26:02,510

permission to say that it was relatively

501
00:26:08,500 --> 00:26:05,960
secret but he was working through a

502
00:26:12,670 --> 00:26:08,510
private company that was contracted by

503
00:26:15,010 --> 00:26:12,680
our government to do some work in the

504
00:26:20,470 --> 00:26:15,020
Middle East and he was stationed in

505
00:26:24,760 --> 00:26:20,480
Ramadi and he and three other gentlemen

506
00:26:28,150 --> 00:26:24,770
were flying back in a in a charter plane

507
00:26:31,000 --> 00:26:28,160
and he was looking out the window and he

508
00:26:32,770 --> 00:26:31,010
saw off in the distance out in the

509
00:26:35,470 --> 00:26:32,780
middle of the desert he wasn't really

510
00:26:39,340 --> 00:26:35,480
sure where it was but he certainly knew

511
00:26:43,120 --> 00:26:39,350
the direction and he saw a lot of what

512
00:26:46,030 --> 00:26:43,130
he described as strange activity a lot

513
00:26:48,910 --> 00:26:46,040

of vehicles some military but mostly

514

00:26:50,980 --> 00:26:48,920

appeared to be civilian vehicles out in

515

00:26:53,080 --> 00:26:50,990

the desert and so when they landed at

516

00:26:58,060 --> 00:26:53,090

Ramadi his curiosity him and another

517

00:27:01,750 --> 00:26:58,070

gentleman rented a Land Rover and they

518

00:27:03,280 --> 00:27:01,760

he drove out into the desert he said

519

00:27:07,120 --> 00:27:03,290

about an hour and a half maybe two hours

520

00:27:10,360 --> 00:27:07,130

outside of Ramadi and they were driving

521

00:27:11,890 --> 00:27:10,370

down this desert road and when they came

522

00:27:15,940 --> 00:27:11,900

up over this little rise they were

523

00:27:18,130 --> 00:27:15,950

stopped by gentleman armed they were in

524

00:27:21,370 --> 00:27:18,140

civilian clothes but they had heavy

525

00:27:24,040 --> 00:27:21,380

weapons by heavy weapons means they had

526

00:27:27,340 --> 00:27:24,050

a machine gun mounted on a Humvee and

527

00:27:29,440 --> 00:27:27,350

they were armed with with weapons and

528

00:27:31,240 --> 00:27:29,450

basically told him they couldn't go any

529

00:27:34,000 --> 00:27:31,250

further and to turn around and go back

530

00:27:37,600 --> 00:27:34,010

the same way they came and that is as

531

00:27:42,040 --> 00:27:37,610

close as they got to what he observed in

532

00:27:45,780 --> 00:27:42,050

the airplane of this activity so once

533

00:27:47,680 --> 00:27:45,790

again it's a you know it's a smoke

534

00:27:50,350 --> 00:27:47,690

nothing definite but it certainly

535

00:27:51,570 --> 00:27:50,360

indicates that that there was something

536

00:27:57,630 --> 00:27:51,580

going on in

537

00:27:59,670 --> 00:27:57,640

the Iraqi desert and goes a little bit

538

00:28:02,040 --> 00:27:59,680

towards what this gentleman was telling

539

00:28:04,730 --> 00:28:02,050

me about what happened to them when they

540

00:28:08,490 --> 00:28:04,740

dropped in behind the Republican Guard

541

00:28:10,440 --> 00:28:08,500

so he he was adamant that it was a

542

00:28:12,270 --> 00:28:10,450

pyramid he saw it in fact he took a

543

00:28:15,510 --> 00:28:12,280

photograph several of them and he had

544

00:28:19,320 --> 00:28:15,520

him of this tip of this pyramid sticking

545

00:28:22,440 --> 00:28:19,330

out of the sand not too can not go ahead

546

00:28:24,330 --> 00:28:22,450

not to compare us to what Germany was

547

00:28:26,940 --> 00:28:24,340

working on during the war with all this

548

00:28:29,850 --> 00:28:26,950

research but it's almost seems like we

549

00:28:32,700 --> 00:28:29,860

went into a country and you know almost

550

00:28:34,590 --> 00:28:32,710

did the same thing it just sounds weird

551

00:28:35,940 --> 00:28:34,600

I mean ha just looking for all this this

552

00:28:38,160 --> 00:28:35,950

archaeological find where they're

553

00:28:40,700 --> 00:28:38,170

thinking people are thinking and chat it

554

00:28:43,380 --> 00:28:40,710

may be a star gate or some type of I

555

00:28:46,350 --> 00:28:43,390

don't know I mean I know some of that

556

00:28:49,500 --> 00:28:46,360

has been thrown out on the table I've

557

00:28:53,090 --> 00:28:49,510

always felt that the that the pyramids

558

00:28:58,230 --> 00:28:53,100

at least the ones that we see were not

559

00:29:00,270 --> 00:28:58,240

for burial they weren't a temple of

560

00:29:03,230 --> 00:29:00,280

worship I was more of the opinion that

561

00:29:06,300 --> 00:29:03,240

they housed some type of machinery and

562

00:29:09,660 --> 00:29:06,310

I've always felt that the pyramids were

563

00:29:11,880 --> 00:29:09,670

built and modified by the Egyptians but

564

00:29:14,700 --> 00:29:11,890

they certainly weren't built with the

565

00:29:17,490 --> 00:29:14,710

intent that the Egyptians led us to

566

00:29:21,410 --> 00:29:17,500

believe that there was a whole nother

567

00:29:24,960 --> 00:29:21,420

purpose to the pyramids and to hear him

568

00:29:26,520 --> 00:29:24,970

you know talk about just the tip of this

569

00:29:32,340 --> 00:29:26,530

pyramid sticking out of the sand and

570

00:29:34,320 --> 00:29:32,350

then it was emitting energy that was

571

00:29:35,670 --> 00:29:34,330

able to neutralize their communication

572

00:29:37,410 --> 00:29:35,680

equipment that they weren't able to get

573

00:29:39,090 --> 00:29:37,420

out that the that they'd look to a

574

00:29:41,670 --> 00:29:39,100

magnetic field was strong enough to

575

00:29:44,220 --> 00:29:41,680

dampen any type of signal that they

576

00:29:45,840 --> 00:29:44,230

weren't able to transmit that I don't

577

00:29:49,260 --> 00:29:45,850

know I you know it really piqued my

578

00:29:52,530 --> 00:29:49,270

interest and then given what Judy

579

00:29:54,870 --> 00:29:52,540

orsatti had told me mm-hmm and this

580

00:29:57,270 --> 00:29:54,880

other gentleman that was stationed in

581

00:29:59,310 --> 00:29:57,280

Ramadi what he told me I mean it's like

582

00:30:01,290 --> 00:29:59,320

putting the pieces of a puzzle together

583

00:30:02,550 --> 00:30:01,300

and you start to say well wait a minute

584

00:30:04,810 --> 00:30:02,560

you know you've got three different

585

00:30:06,490 --> 00:30:04,820

people talking about something

586

00:30:08,560 --> 00:30:06,500

that's happening out in the desert and

587

00:30:10,539 --> 00:30:08,570

you don't have a clear picture but it's

588

00:30:14,740 --> 00:30:10,549

you know it's enough to really arouse

589

00:30:18,009 --> 00:30:14,750

your curiosity and according to this

590

00:30:21,340 --> 00:30:18,019

gentleman the reason that they went back

591

00:30:23,919 --> 00:30:21,350

in on the Second Gulf War they the

592

00:30:27,930 --> 00:30:23,929

weapons of mass destruction was just a

593

00:30:30,909 --> 00:30:27,940

ruse to get the American military

594

00:30:34,450 --> 00:30:30,919

reengaged is because the Russians and

595

00:30:36,009 --> 00:30:34,460

the Chinese had gotten wind of what was

596

00:30:37,720 --> 00:30:36,019

going on in the desert and they were

597

00:30:42,940 --> 00:30:37,730

starting to wheel and deal with Saddam

598

00:30:45,070 --> 00:30:42,950

Hussein oh and apparently the powers to

599

00:30:46,690 --> 00:30:45,080

be couldn't risk that so you know we

600

00:30:49,360 --> 00:30:46,700

came up with this and I'm just going

601
00:30:51,580 --> 00:30:49,370
about what he was telling me that you

602
00:30:53,470 --> 00:30:51,590
know they had come up with this weapons

603
00:30:55,810 --> 00:30:53,480
of mass destruction and that they had to

604
00:30:59,110 --> 00:30:55,820
go in and take down the regime of Saddam

605
00:31:02,529 --> 00:30:59,120
Hussein and and invade Iraq and you know

606
00:31:06,580 --> 00:31:02,539
basically you know go into Baghdad but

607
00:31:08,560 --> 00:31:06,590
his claim was that it was because the

608
00:31:11,590 --> 00:31:08,570
Russians and the Chinese had gotten wind

609
00:31:14,440 --> 00:31:11,600
of what the Americans had stumbled

610
00:31:16,240 --> 00:31:14,450
across and that they were starting to

611
00:31:18,159 --> 00:31:16,250
wheel and deal was how I was saying and

612
00:31:20,139 --> 00:31:18,169
so to solidify whatever it was that they

613
00:31:22,210 --> 00:31:20,149

were working on in desert and I

614

00:31:24,369 --> 00:31:22,220

apparently hadn't quite finished

615

00:31:26,649 --> 00:31:24,379

excavating whatever it was they were

616

00:31:28,389 --> 00:31:26,659

digging out during the desert so you

617

00:31:30,730 --> 00:31:28,399

know the cover story is we got to go in

618

00:31:35,649 --> 00:31:30,740

for weapons of mass destruction mm-hmm

619

00:31:38,139 --> 00:31:35,659

and you know that and that wouldn't be

620

00:31:43,560 --> 00:31:38,149

the first time that something like that

621

00:31:45,580 --> 00:31:43,570

has been used to engage the military

622

00:31:48,669 --> 00:31:45,590

Adolf Hitler did it when he invaded

623

00:31:52,629 --> 00:31:48,679

Poland mm-hmm okay I mean he dressed up

624

00:31:53,980 --> 00:31:52,639

14 Jews and in German uniforms and shot

625

00:31:56,440 --> 00:31:53,990

him and claimed that the polls had

626
00:32:00,220 --> 00:31:56,450
executed a German outpost and that was

627
00:32:02,110 --> 00:32:00,230
his pretense for invading Poland yeah I

628
00:32:03,460 --> 00:32:02,120
mean there's a people go back through

629
00:32:07,450 --> 00:32:03,470
history there's a number of examples

630
00:32:13,930 --> 00:32:07,460
where governments have used a an excuse

631
00:32:18,019 --> 00:32:13,940
like that to invade or crush the

632
00:32:21,769 --> 00:32:18,029
opposing forces as a result of

633
00:32:23,899 --> 00:32:21,779
having a an excuse so I don't know I

634
00:32:27,560 --> 00:32:23,909
mean that could very well have been the

635
00:32:29,209 --> 00:32:27,570
excuse I don't know what like I said

636
00:32:32,570 --> 00:32:29,219
there are some still things that I'm

637
00:32:35,659 --> 00:32:32,580
waiting for to come in that and I will

638
00:32:36,680 --> 00:32:35,669

keep our listeners posted as information

639

00:32:39,919 --> 00:32:36,690

comes in on this particular

640

00:32:42,080 --> 00:32:39,929

investigation but and i think that

641

00:32:45,469 --> 00:32:42,090

there's going to be more mmm you know

642

00:32:48,769 --> 00:32:45,479

the i don't think that whatever whatever

643

00:32:54,560 --> 00:32:48,779

he was paranoid of apparently had good

644

00:32:56,599 --> 00:32:54,570

reason to be scared and I from what

645

00:32:59,779 --> 00:32:56,609

little I know about this individual he

646

00:33:03,109 --> 00:32:59,789

was very meticulous I suspect that he

647

00:33:05,839 --> 00:33:03,119

does have written documentation of sorts

648

00:33:07,969 --> 00:33:05,849

and that whether or not they were able

649

00:33:10,519 --> 00:33:07,979

to catch him with that or he put it in a

650

00:33:14,659 --> 00:33:10,529

safe deposit box or he mailed it

651
00:33:17,359 --> 00:33:14,669
somewhere I remains to be seen right I

652
00:33:20,779 --> 00:33:17,369
I'm thinking of this the possible size

653
00:33:23,539 --> 00:33:20,789
of this pyramid one thing I question how

654
00:33:28,190 --> 00:33:23,549
would they hide it from intelligence

655
00:33:29,749 --> 00:33:28,200
satellites well yeah it's a good

656
00:33:33,799 --> 00:33:29,759
question I wanted like I mean I'm sure

657
00:33:35,180 --> 00:33:33,809
the they have some type of device I mean

658
00:33:40,129 --> 00:33:35,190
there's stuff that that the military

659
00:33:46,869 --> 00:33:40,139
uses we have no clue about well I you

660
00:33:57,019 --> 00:33:53,899
you know mapping google earth and in

661
00:34:00,499 --> 00:33:57,029
satellite photography if you google

662
00:34:04,969 --> 00:34:00,509
earth you can google Dugway which is no

663
00:34:09,440 --> 00:34:04,979

quiller county in utah and I have

664

00:34:12,769 --> 00:34:09,450

photographs of stuff Bob Tarzan and I

665

00:34:14,389 --> 00:34:12,779

have photographs of stuff in Doug way

666

00:34:17,059 --> 00:34:14,399

that will not show up on Google Earth

667

00:34:18,559 --> 00:34:17,069

and I mean Bob and I look at each other

668

00:34:20,269 --> 00:34:18,569

and go in it that's pretty well because

669

00:34:22,069 --> 00:34:20,279

you can google earth and zoom in and

670

00:34:24,470 --> 00:34:22,079

some of the stuff that we have 35

671

00:34:28,099 --> 00:34:24,480

millimeter film of does it show up on on

672

00:34:30,349 --> 00:34:28,109

the satellite right right right so I i

673

00:34:31,580 --> 00:34:30,359

mean III just ruled that out there as an

674

00:34:33,020 --> 00:34:31,590

explanation I

675

00:34:43,100 --> 00:34:33,030

I don't have an answer for you would

676

00:34:47,060 --> 00:34:43,110

think that that this structure this

677

00:34:48,590 --> 00:34:47,070

compound if it was emitting energy one

678

00:34:51,680 --> 00:34:48,600

of the questions I wanted to know and I

679

00:34:54,410 --> 00:34:51,690

never received an answer was that was it

680

00:34:56,900 --> 00:34:54,420

a constant or was it just intermittent

681

00:34:58,490 --> 00:34:56,910

or was it activated because you know

682

00:34:59,630 --> 00:34:58,500

these guys happen to drop in and they

683

00:35:02,180 --> 00:34:59,640

starting to set up their community

684

00:35:04,250 --> 00:35:02,190

communication equipment and it and it

685

00:35:05,990 --> 00:35:04,260

activated you know the power source

686

00:35:08,270 --> 00:35:06,000

those were quite all questions I wanted

687

00:35:13,520 --> 00:35:08,280

to know because I would think that if it

688

00:35:16,510 --> 00:35:13,530

was if it was powerful enough to jam or

689

00:35:19,460 --> 00:35:16,520

mute radio equipment and stuff like that

690

00:35:22,820 --> 00:35:19,470

that they would be able to pinpoint that

691

00:35:24,470 --> 00:35:22,830

on and register that on other equipment

692

00:35:26,360 --> 00:35:24,480

so it may have been something that just

693

00:35:29,300 --> 00:35:26,370

came on intermittently it may not have

694

00:35:32,360 --> 00:35:29,310

been a constant I don't know interesting

695

00:35:35,300 --> 00:35:32,370

it's almost like a ancient structure was

696

00:35:37,550 --> 00:35:35,310

activated somehow well you know I'm one

697

00:35:40,340 --> 00:35:37,560

of those people that I truly believe

698

00:35:42,790 --> 00:35:40,350

that there are other pyramids around the

699

00:35:45,230 --> 00:35:42,800

globe that we haven't we haven't found I

700

00:35:49,040 --> 00:35:45,240

mean you look at what's going on in

701
00:35:51,860 --> 00:35:49,050
Bosnia and I think that huh yup they've

702
00:35:54,620 --> 00:35:51,870
also they've also found one in Wisconsin

703
00:35:59,630 --> 00:35:54,630
in the lake too yeah I heard that yet

704
00:36:02,210 --> 00:35:59,640
mm-hmm and I also heard that there there

705
00:36:05,090 --> 00:36:02,220
suspect that there's a pyramid structure

706
00:36:10,370 --> 00:36:05,100
off the coast of Japan mm-hmm you know

707
00:36:13,340 --> 00:36:10,380
underwater so I you know I and once

708
00:36:16,430 --> 00:36:13,350
again you know we're back to why

709
00:36:18,590 --> 00:36:16,440
pyramids I mean that's a very funny for

710
00:36:21,830 --> 00:36:18,600
ancient you know I'm one of these people

711
00:36:26,960 --> 00:36:21,840
that have a hard time believing that a

712
00:36:29,690 --> 00:36:26,970
civilization that used bone and was not

713
00:36:34,700 --> 00:36:29,700

of the Copper Age was able to construct

714

00:36:38,120 --> 00:36:34,710

and carve intricate stone monoliths to

715

00:36:39,770 --> 00:36:38,130

the magnitude that we see today okay I

716

00:36:41,840 --> 00:36:39,780

just have a hard time you know that

717

00:36:43,130 --> 00:36:41,850

these ancient civilizations were able to

718

00:36:47,180 --> 00:36:43,140

move to

719

00:36:48,890 --> 00:36:47,190

ton blocks right miles from a quarry and

720

00:36:51,020 --> 00:36:48,900

then construct them and build these

721

00:36:53,990 --> 00:36:51,030

massive pyramids you know whether it's

722

00:36:56,360 --> 00:36:54,000

in South America or in China or in the

723

00:37:01,190 --> 00:36:56,370

Middle East or in you know Eastern

724

00:37:03,920 --> 00:37:01,200

Europe I i I'm nobody's really come up

725

00:37:06,440 --> 00:37:03,930

with a halfway decent explanation at

726

00:37:08,870 --> 00:37:06,450

least mainstream archeology hasn't as to

727

00:37:12,350 --> 00:37:08,880

how these were quarried transported and

728

00:37:15,170 --> 00:37:12,360

then put into place yeah I watched a

729

00:37:19,000 --> 00:37:15,180

watches special on the mounds two of the

730

00:37:21,620 --> 00:37:19,010

United States and Casey pretty much

731

00:37:23,620 --> 00:37:21,630

figured out that there was no land

732

00:37:25,790 --> 00:37:23,630

bridge coming across by the

733

00:37:27,830 --> 00:37:25,800

archaeological finds and ages of stuff

734

00:37:31,280 --> 00:37:27,840

so I don't know mainstream science

735

00:37:39,340 --> 00:37:31,290

really needs to do an overhaul can well

736

00:37:43,790 --> 00:37:39,350

yeah and you know I i I'm a big fan of

737

00:37:45,320 --> 00:37:43,800

ancient aliens and and you know I read

738

00:37:48,130 --> 00:37:45,330

the chariot of the Gods when it first

739

00:37:50,060 --> 00:37:48,140

came out band Anakin and he asks

740

00:37:53,300 --> 00:37:50,070

questions that have not yet been

741

00:37:54,710 --> 00:37:53,310

answered and i think it's a it's an

742

00:37:57,110 --> 00:37:54,720

embarrassment to mainstream archeology

743

00:38:00,020 --> 00:37:57,120

and mainstream science because there

744

00:38:03,500 --> 00:38:00,030

really are pertinent questions that have

745

00:38:05,870 --> 00:38:03,510

answers but we just don't have them hmm

746

00:38:08,540 --> 00:38:05,880

and and and mainstream science has a

747

00:38:11,120 --> 00:38:08,550

tendency to ignore that or overlooked it

748

00:38:13,670 --> 00:38:11,130

like well you know it's not really

749

00:38:18,590 --> 00:38:13,680

important well you look at some of the

750

00:38:22,160 --> 00:38:18,600

rooms in peru and at you know the ruins

751

00:38:24,860 --> 00:38:22,170

that are 10,000 feet and they didn't

752

00:38:27,320 --> 00:38:24,870

there's no trees up there right ok and

753

00:38:30,650 --> 00:38:27,330

how where did they quarried those stones

754

00:38:33,790 --> 00:38:30,660

and how did an ancient people move them

755

00:38:36,440 --> 00:38:33,800

across rivers and valleys and mountains

756

00:38:38,240 --> 00:38:36,450

okay right out the wheel in the pulley

757

00:38:40,490 --> 00:38:38,250

and they keep in mind even if they did

758

00:38:43,190 --> 00:38:40,500

have the wheel in the pulley we today

759

00:38:46,300 --> 00:38:43,200

would be incapable of moving you know

760

00:38:51,230 --> 00:38:46,310

200 tons of stone across the mountain

761

00:38:54,830 --> 00:38:51,240

without making roads first right this

762

00:38:57,019 --> 00:38:54,840

planet definitely had a past history of

763

00:38:58,870 --> 00:38:57,029

a race that

764

00:39:01,459 --> 00:38:58,880

was pretty technical eg a

765

00:39:03,140 --> 00:39:01,469

technologically advanced but I guess

766

00:39:05,209 --> 00:39:03,150

that's something maybe mainstream

767

00:39:07,399 --> 00:39:05,219

science knows but they're hiding you

768

00:39:10,939 --> 00:39:07,409

think well you know yeah I mean Giorgio

769

00:39:14,380 --> 00:39:10,949

tsoukalos you know he's a spokesman for

770

00:39:19,370 --> 00:39:14,390

in search of aliens or a junt aliens and

771

00:39:21,380 --> 00:39:19,380

you know I like the guy he he asks the

772

00:39:24,829 --> 00:39:21,390

same questions that I've been asking for

773

00:39:30,729 --> 00:39:24,839

years and years and years and I you know

774

00:39:33,559 --> 00:39:30,739

I how do why why would an ancient

775

00:39:37,219 --> 00:39:33,569

culture separate it by time and distance

776

00:39:39,979 --> 00:39:37,229

all over this planet choose to build a

777

00:39:42,979 --> 00:39:39,989

pyramid mm-hmm I mean that's a very

778

00:39:46,399 --> 00:39:42,989

complex structure that requires geometry

779

00:39:49,880 --> 00:39:46,409

okay much less a lot of muscle and sweat

780

00:39:54,199 --> 00:39:49,890

and and and to move and place these

781

00:39:57,499 --> 00:39:54,209

blocks in such precision and and they're

782

00:39:58,909 --> 00:39:57,509

still standing today you know thousands

783

00:40:00,380 --> 00:39:58,919

of years later you still have these

784

00:40:04,359 --> 00:40:00,390

structures that are standing that

785

00:40:07,699 --> 00:40:04,369

supposedly you know that ancient

786

00:40:09,380 --> 00:40:07,709

ancestors you know through slave labor

787

00:40:11,479 --> 00:40:09,390

or whatever we're able to put in place

788

00:40:14,569 --> 00:40:11,489

but there has never been a satisfactory

789

00:40:16,069 --> 00:40:14,579

explanation on how they move those

790

00:40:19,009 --> 00:40:16,079

blocks put them in place and for what

791

00:40:22,370 --> 00:40:19,019

purpose in all the precision cuts out of

792

00:40:24,620 --> 00:40:22,380

each object in circles you know perfect

793

00:40:27,559 --> 00:40:24,630

round circles built into stone I mean

794

00:40:32,089 --> 00:40:27,569

there is just no way oh are those what

795

00:40:34,939 --> 00:40:32,099

is it puku puku the toga you know the

796

00:40:38,870 --> 00:40:34,949

stones are so precision they're like

797

00:40:42,679 --> 00:40:38,880

Lincoln Logs they fit together yep yeah

798

00:40:45,439 --> 00:40:42,689

okay well you don't do that with a stone

799

00:40:51,799 --> 00:40:45,449

hammer and a piece of antler okay and

800

00:40:54,109 --> 00:40:51,809

chisel it out okay okay I mean no it it

801

00:40:57,229 --> 00:40:54,119

it doesn't work that way and when you

802

00:41:00,529 --> 00:40:57,239

have modern-day Masons that are that are

803

00:41:03,759 --> 00:41:00,539

at would have difficulty and duplicating

804

00:41:09,550 --> 00:41:03,769

those cuts using high-tech high-tech

805

00:41:20,200 --> 00:41:15,040

I don't see that happening with with a

806

00:41:22,360 --> 00:41:20,210

culture that basically did not

807

00:41:23,860 --> 00:41:22,370

understand geometry or didn't understand

808

00:41:29,950 --> 00:41:23,870

the wheel and the pulley or the Volk

809

00:41:33,510 --> 00:41:29,960

fulcrum I mean those are all knowledge

810

00:41:36,040 --> 00:41:33,520

that we acquired in the last supposedly

811

00:41:38,680 --> 00:41:36,050

okay in the last what five hundred years

812

00:41:40,600 --> 00:41:38,690

and you were talking about civilization

813

00:41:44,110 --> 00:41:40,610

that were three to five thousand years

814

00:41:45,730 --> 00:41:44,120
ago maybe longer I know there's one

815

00:41:47,650 --> 00:41:45,740
archeologist as is finally coming

816

00:41:49,810 --> 00:41:47,660
forward and and he thinks that some of

817

00:41:52,900 --> 00:41:49,820
those rooms are way off data that

818

00:41:56,890 --> 00:41:52,910
they're much much much older than what

819

00:41:58,540 --> 00:41:56,900
mainstream is saying another current one

820

00:42:01,270 --> 00:41:58,550
to you can think of ken is the court the

821

00:42:04,120 --> 00:42:01,280
coral castle two down in Don in Florida

822

00:42:06,160 --> 00:42:04,130
I've been there all tell it tell me

823

00:42:07,810 --> 00:42:06,170
about it I want to go there that's it

824

00:42:09,640 --> 00:42:07,820
that's on my bucket list that's

825

00:42:11,680 --> 00:42:09,650
incredible and it what's really

826

00:42:13,240 --> 00:42:11,690

interesting MJ is I tell you what I

827

00:42:20,020 --> 00:42:13,250

found fascinating is there's this

828

00:42:22,300 --> 00:42:20,030

massive massive door that is hinged okay

829

00:42:24,220 --> 00:42:22,310

and you can open them by just pushing on

830

00:42:27,190 --> 00:42:24,230

it with your little finger and you're

831

00:42:30,720 --> 00:42:27,200

talking about a door that weighs 50 60

832

00:42:33,850 --> 00:42:30,730

tons I mean it pivots and swings open

833

00:42:36,970 --> 00:42:33,860

now you're talking about a man one man

834

00:42:39,790 --> 00:42:36,980

did that by himself right and the

835

00:42:42,880 --> 00:42:39,800

pictures i think he was Hungarian I mean

836

00:42:44,260 --> 00:42:42,890

he's he weighs 125 pounds soaking wet I

837

00:42:45,550 --> 00:42:44,270

mean I don't care if he looked like

838

00:42:49,000 --> 00:42:45,560

Arnold Schwarzenegger he's not going to

839

00:42:52,090 --> 00:42:49,010

move it by himself right right okay and

840

00:42:55,480 --> 00:42:52,100

yet no one knows how he did all this

841

00:42:58,390 --> 00:42:55,490

work at night nobody saw him moving the

842

00:43:00,100 --> 00:42:58,400

stones there isn't any record there's

843

00:43:02,470 --> 00:43:00,110

only a couple of photographs of him

844

00:43:05,860 --> 00:43:02,480

standing next to these blocks as he's as

845

00:43:09,940 --> 00:43:05,870

he's put him in place but no one has

846

00:43:12,130 --> 00:43:09,950

recorded how he moved him and in the

847

00:43:15,460 --> 00:43:12,140

precise alignment with the stars too I

848

00:43:18,940 --> 00:43:15,470

mean oh hey and he did yeah and and they

849

00:43:22,870 --> 00:43:18,950

were precision cuts do I mean these this

850

00:43:23,170 --> 00:43:22,880

wasn't haphazard and there is some type

851

00:43:25,780 --> 00:43:23,180

of

852

00:43:28,870 --> 00:43:25,790

vice located in that castle and in that

853

00:43:31,089 --> 00:43:28,880

in that area there that possibly maybe

854

00:43:32,620 --> 00:43:31,099

in the levitation device he used but no

855

00:43:35,500 --> 00:43:32,630

one really I don't think anybody's been

856

00:43:37,510 --> 00:43:35,510

in to figure it out well in in several

857

00:43:41,290 --> 00:43:37,520

of the photographs of him it shows a

858

00:43:43,599 --> 00:43:41,300

wooden tripod okay like a teepee and

859

00:43:46,299 --> 00:43:43,609

he's standing underneath of it and on

860

00:43:50,170 --> 00:43:46,309

top of this wooden tripod is a black box

861

00:43:52,180 --> 00:43:50,180

and in several of the photographs in and

862

00:43:54,549 --> 00:43:52,190

around these stones at black boxes

863

00:43:56,950 --> 00:43:54,559

visible and yet nobody knows what the

864

00:43:58,599 --> 00:43:56,960

black box was what it contained right or

865

00:44:00,430 --> 00:43:58,609

what the purpose of it was and nobody

866

00:44:03,760 --> 00:44:00,440

found it after his death they don't know

867

00:44:06,040 --> 00:44:03,770

where it went yeah American road warrior

868

00:44:09,220 --> 00:44:06,050

made a good point too I forget the name

869

00:44:11,530 --> 00:44:09,230

of the researcher that he he has been on

870

00:44:13,420 --> 00:44:11,540

a few shows on irn but they said that

871

00:44:15,549 --> 00:44:13,430

kids walking by would see stones

872

00:44:17,170 --> 00:44:15,559

levitating like from over the wall or

873

00:44:19,120 --> 00:44:17,180

from beyond the wall looking them they'd

874

00:44:22,390 --> 00:44:19,130

see that see stones floating around so

875

00:44:23,950 --> 00:44:22,400

and and I heard stories from people that

876

00:44:27,190 --> 00:44:23,960

were in the area that at night they

877

00:44:33,760 --> 00:44:27,200

would hear a low hum that there was a

878

00:44:35,980 --> 00:44:33,770

low hum and vibrations and and that then

879

00:44:37,559 --> 00:44:35,990

the next morning the the stones would

880

00:44:43,030 --> 00:44:37,569

have been moved and they were in place

881

00:44:45,339 --> 00:44:43,040

right so to listen to the rest of this

882

00:44:47,620 --> 00:44:45,349

interview please go to inception radio

883

00:44:49,599 --> 00:44:47,630

network com and register for the

884

00:44:51,700 --> 00:44:49,609

insider's club what is the insider's

885

00:44:54,280 --> 00:44:51,710

club the insider's club is our premium

886

00:44:57,010 --> 00:44:54,290

content what you've just listened to now

887

00:44:59,859 --> 00:44:57,020

what you just listen to is a preview of

888

00:45:02,380 --> 00:44:59,869

that premium content the insider's club

889

00:45:05,380 --> 00:45:02,390

is how we pay the bills that's how you

890

00:45:08,559 --> 00:45:05,390

support higher and you joined forces

891

00:45:11,020 --> 00:45:08,569

with irn to get the truth out there now

892

00:45:12,970 --> 00:45:11,030

a lot of our content is free i mean most

893

00:45:17,020 --> 00:45:12,980

of our content industry all of our lives

894

00:45:19,210 --> 00:45:17,030

shows are free if you go to our archives

895

00:45:21,700 --> 00:45:19,220

the vast majority of our archives are

896

00:45:25,240 --> 00:45:21,710

for free but to pay the bills to help

897

00:45:26,500 --> 00:45:25,250

make sure this network stays alive stays

898

00:45:29,560 --> 00:45:26,510

viable

899

00:45:32,260 --> 00:45:29,570

we offer those who really love our radio

900

00:45:35,170 --> 00:45:32,270

station or network and our shows an

901
00:45:38,740 --> 00:45:35,180
ability to support our network and

902
00:45:41,350 --> 00:45:38,750
become a part of Eire n actually joined

903
00:45:43,120 --> 00:45:41,360
forces and helping us get the truth out

904
00:45:46,570 --> 00:45:43,130
there now how do you do this again you

905
00:45:49,090 --> 00:45:46,580
go to inception radio network com and

906
00:45:51,550 --> 00:45:49,100
you subscribe for the insider's club and

907
00:45:53,830 --> 00:45:51,560
you would you'll have access to all of

908
00:45:55,870 --> 00:45:53,840
our archives including this show the

909
00:45:57,940 --> 00:45:55,880
rest of the show a faster way of getting

910
00:46:00,580 --> 00:45:57,950
there go to the description below this

911
00:46:02,800 --> 00:46:00,590
video and click on the link and like I

912
00:46:05,110 --> 00:46:02,810
said you'll be joining forces with irn

913
00:46:07,780 --> 00:46:05,120

you'll have availability of all of our

914

00:46:19,570 --> 00:46:07,790

content and we really appreciate your

915

00:46:22,060 --> 00:46:19,580

support thank you hello everyone lorien

916

00:46:25,330 --> 00:46:22,070

fenton here hosted the California MUFON

917

00:46:27,790 --> 00:46:25,340

radio show asking if you'd like special

918

00:46:31,300 --> 00:46:27,800

access to exclusive and amazing

919

00:46:34,450 --> 00:46:31,310

information about UFOs the paranormal

920

00:46:37,570 --> 00:46:34,460

and all things unexplained if you're

921

00:46:40,420 --> 00:46:37,580

nodding yes then join I rn's insider

922

00:46:42,610 --> 00:46:40,430

club as an insider club member you'll

923

00:46:45,490 --> 00:46:42,620

get an all-access pass to premier

924

00:46:47,650 --> 00:46:45,500

inception radio network content for only

925

00:46:50,950 --> 00:46:47,660

four dollars and ninety-nine cents a

926
00:46:53,440 --> 00:46:50,960
month this includes live UFO and

927
00:46:55,670 --> 00:46:53,450
paranormal conferences live streaming

928
00:46:58,549 --> 00:46:55,680
UFO sky watches

929
00:47:01,910 --> 00:46:58,559
elusive irn radio and TV productions and

930
00:47:04,640 --> 00:47:01,920
of course paying radio with MJ and Ken

931
00:47:07,579 --> 00:47:04,650
Storch so don't wait any longer visit

932
00:47:11,270 --> 00:47:07,589
inception radio network com and click on

933
00:47:16,970 --> 00:47:11,280
member login to join I rn's insider club

934
00:47:18,890 --> 00:47:16,980
and get your VIP access today to listen

935
00:47:21,049 --> 00:47:18,900
to the rest of this interview please go

936
00:47:23,599 --> 00:47:21,059
to inception radio network com and

937
00:47:25,760 --> 00:47:23,609
register for the insider's club what is

938
00:47:27,530 --> 00:47:25,770

the insider's club the insider's club is

939

00:47:30,049 --> 00:47:27,540

our premium content what you've just

940

00:47:34,010 --> 00:47:30,059

listened to now what you just listen to

941

00:47:35,900 --> 00:47:34,020

is a preview of that premium content the

942

00:47:39,020 --> 00:47:35,910

insider's club is how we pay the bills

943

00:47:42,200 --> 00:47:39,030

that's how you support ire and you

944

00:47:44,569 --> 00:47:42,210

joined forces with irn to get the truth

945

00:47:46,640 --> 00:47:44,579

out there now a lot of our content is

946

00:47:50,750 --> 00:47:46,650

free i mean most of our content is free

947

00:47:52,880 --> 00:47:50,760

all of our lives shows are free if you

948

00:47:55,460 --> 00:47:52,890

go to our archives the vast majority of

949

00:47:58,370 --> 00:47:55,470

our archives are for free but to pay the

950

00:48:02,390 --> 00:47:58,380

bills to help make sure this network

951
00:48:04,819 --> 00:48:02,400
stays alive stays viable we offer those

952
00:48:07,599 --> 00:48:04,829
who really love our radio station or

953
00:48:11,120 --> 00:48:07,609
network and our shows an ability to

954
00:48:14,329 --> 00:48:11,130
support our network and become a part of

955
00:48:16,430 --> 00:48:14,339
Eire n actually joined forces and

956
00:48:17,930 --> 00:48:16,440
helping us get the truth out there now

957
00:48:21,380 --> 00:48:17,940
how do you do this again you go to

958
00:48:23,870 --> 00:48:21,390
inception radio network com and you

959
00:48:26,510 --> 00:48:23,880
subscribe for the insider's club and you

960
00:48:28,819 --> 00:48:26,520
will you'll have access to all of our

961
00:48:30,620 --> 00:48:28,829
archives including this show the rest of

962
00:48:32,750 --> 00:48:30,630
the show a faster way of getting there

963
00:48:35,240 --> 00:48:32,760

go to the description below this video

964

00:48:37,760 --> 00:48:35,250

and click on the link and like I said

965

00:48:40,130 --> 00:48:37,770

you'll be joining forces with irn you'll

966

00:48:42,410 --> 00:48:40,140

have availability of all of our content

967

00:48:51,550 --> 00:48:42,420

and we really appreciate your support

968

00:48:57,380 --> 00:48:54,950

hello everyone Laurie and Fenton here

969

00:49:00,740 --> 00:48:57,390

hosted the California MUFON radio show

970

00:49:03,770 --> 00:49:00,750

asking if you'd like special access to

971

00:49:07,100 --> 00:49:03,780

exclusive and amazing information about

972

00:49:10,340 --> 00:49:07,110

UFOs the paranormal and all things

973

00:49:13,970 --> 00:49:10,350

unexplained if you're nodding yes then

974

00:49:15,770 --> 00:49:13,980

join I rn's insider club as an insider

975

00:49:18,740 --> 00:49:15,780

club member you'll get an all-access

976
00:49:21,170 --> 00:49:18,750
pass to premier inception radio network

977
00:49:23,690 --> 00:49:21,180
content for only four dollars and

978
00:49:27,560 --> 00:49:23,700
ninety-nine cents a month this includes

979
00:49:30,860 --> 00:49:27,570
live UFO and paranormal conferences live

980
00:49:33,560 --> 00:49:30,870
streaming UFO sky watches exclusive I

981
00:49:36,500 --> 00:49:33,570
are in radio and TV productions and of

982
00:49:39,260 --> 00:49:36,510
course paying radio with MJ and Ken

983
00:49:42,140 --> 00:49:39,270
Storch so don't wait any longer visit

984
00:49:45,500 --> 00:49:42,150
inception radio network calm and click

985
00:49:51,230 --> 00:49:45,510
on member login to join I rn's insider

986
00:49:52,520 --> 00:49:51,240
club and get your VIP access today to

987
00:49:54,890 --> 00:49:52,530
listen to the rest of this interview

988
00:49:57,320 --> 00:49:54,900

please go to inception radio network

989

00:49:59,960 --> 00:49:57,330

calm and register for the insider's club

990

00:50:02,090 --> 00:49:59,970

what is the insider's club the insider's

991

00:50:04,160 --> 00:50:02,100

club is our premium content what you've

992

00:50:07,700 --> 00:50:04,170

just listened to now what you just

993

00:50:10,130 --> 00:50:07,710

listen to is a preview of that premium

994

00:50:13,460 --> 00:50:10,140

content the insider's club is how we pay

995

00:50:16,580 --> 00:50:13,470

the bills that's how you support ire and

996

00:50:18,920 --> 00:50:16,590

you joined forces with irn to get the

997

00:50:21,080 --> 00:50:18,930

truth out there now a lot of our content

998

00:50:25,160 --> 00:50:21,090

is free i mean most of our content is

999

00:50:26,900 --> 00:50:25,170

free all of our lives shows are free if

1000

00:50:29,840 --> 00:50:26,910

you go to our archives the vast majority

1001

00:50:32,990 --> 00:50:29,850

of our archives are for free but to pay

1002

00:50:36,980 --> 00:50:33,000

the bills to help make sure this network

1003

00:50:39,410 --> 00:50:36,990

stays alive stays viable we offer those

1004

00:50:42,320 --> 00:50:39,420

who really love our radio station or

1005

00:50:45,710 --> 00:50:42,330

network and our shows an ability to

1006

00:50:49,520 --> 00:50:45,720

support our network and become a part of

1007

00:50:51,230 --> 00:50:49,530

our n actually joined forces and helping

1008

00:50:53,060 --> 00:50:51,240

us get the truth out there now how do

1009

00:50:55,740 --> 00:50:53,070

you do this again you go to inception

1010

00:50:57,870 --> 00:50:55,750

radio network com

1011

00:51:00,300 --> 00:50:57,880

and you subscribe for the insider's club

1012

00:51:03,030 --> 00:51:00,310

and you will you'll have access to all

1013

00:51:05,070 --> 00:51:03,040

of our archives including the show the

1014

00:51:07,140 --> 00:51:05,080

rest of the show a faster way of getting

1015

00:51:09,780 --> 00:51:07,150

there go to the description below this

1016

00:51:11,970 --> 00:51:09,790

video and click on the link and like I

1017

00:51:14,310 --> 00:51:11,980

said you'll be joining forces with irn

1018

00:51:16,950 --> 00:51:14,320

you'll have availability of all of our

1019

00:51:27,740 --> 00:51:16,960

content and we really appreciate your

1020

00:51:30,180 --> 00:51:27,750

support thank you hello everyone

1021

00:51:33,060 --> 00:51:30,190

Laurieann fenton here hosted the

1022

00:51:35,580 --> 00:51:33,070

California MUFON radio show asking if

1023

00:51:39,690 --> 00:51:35,590

you'd like special access to exclusive

1024

00:51:42,960 --> 00:51:39,700

and amazing information about UFOs the

1025

00:51:46,020 --> 00:51:42,970

paranormal and all things unexplained if

1026
00:51:49,320 --> 00:51:46,030
you're nodding yes then join our ends

1027
00:51:51,810 --> 00:51:49,330
insider club as an insider club member

1028
00:51:54,690 --> 00:51:51,820
you'll get an all-access pass to premier

1029
00:51:56,850 --> 00:51:54,700
inception radio network content for only

1030
00:52:00,120 --> 00:51:56,860
four dollars and ninety-nine cents a

1031
00:52:02,640 --> 00:52:00,130
month this includes live UFO and

1032
00:52:04,849 --> 00:52:02,650
paranormal conferences live streaming

1033
00:52:06,680 --> 00:52:04,859
UFO sky watches x

1034
00:52:09,769 --> 00:52:06,690
elusive I are in radio and TV

1035
00:52:12,799 --> 00:52:09,779
productions and of course paying radio

1036
00:52:15,799 --> 00:52:12,809
with MJ and Ken starch so don't wait any

1037
00:52:19,130 --> 00:52:15,809
longer visit inception radio network com

1038
00:52:22,130 --> 00:52:19,140

and click on member login to join our
