# Truth Funders Radio

**HOSTS: Art Webb & Mark Schwartz**

1  
00:00:15,849 --> 00:00:02,450  
you're locked into inception radio

2  
00:00:19,189 --> 00:00:15,859  
network superior Wisconsin this is

3  
00:00:21,950 --> 00:00:19,199  
funders radio on the inception radio

4  
00:00:23,660 --> 00:00:21,960  
network a weekly audio Safari that

5  
00:00:25,670 --> 00:00:23,670  
features the newest and paranormal

6  
00:00:28,310 --> 00:00:25,680  
discoveries while highlighting the

7  
00:00:31,550 --> 00:00:28,320  
latest and not to be missed truth funder

8  
00:00:33,830 --> 00:00:31,560  
com projects for truth seekers and true

9  
00:00:38,780 --> 00:00:33,840  
believers this week's truth funders

10  
00:00:42,080 --> 00:00:38,790  
starts now greetings bunch hola welcome

11  
00:00:44,810 --> 00:00:42,090  
hello to you this is the live show on

12  
00:00:46,940 --> 00:00:44,820  
the inception or radio network my name

13  
00:00:48,950 --> 00:00:46,950

is art web i am your host for this

14

00:00:50,840 --> 00:00:48,960

weekly look at truth funders calm and

15

00:00:54,319 --> 00:00:50,850

everything that is the paranormal

16

00:00:56,990 --> 00:00:54,329

metaphysical universal and essentially

17

00:01:00,260 --> 00:00:57,000

good it's all about the light here each

18

00:01:02,420 --> 00:01:00,270

and every week 6 p.m. pacific 9 p.m.

19

00:01:03,979 --> 00:01:02,430

eastern live on the inception radio

20

00:01:05,450 --> 00:01:03,989

network tune in and join us we would

21

00:01:07,310 --> 00:01:05,460

love to have you interact on the

22

00:01:08,750 --> 00:01:07,320

telephone on the chatter did you know

23

00:01:10,399 --> 00:01:08,760

it's 2015 there's so many ways to

24

00:01:12,530 --> 00:01:10,409

interact now that you have your choice

25

00:01:14,179 --> 00:01:12,540

so we encourage you to join us for the

26  
00:01:16,249 --> 00:01:14,189  
live show each and every wednesday here

27  
00:01:18,230 --> 00:01:16,259  
on I our den thanks so much for joining

28  
00:01:21,320 --> 00:01:18,240  
us this week as always with me is the

29  
00:01:22,999 --> 00:01:21,330  
CEO and the man behind all of the glory

30  
00:01:25,370 --> 00:01:23,009  
that is truth finders calmed without

31  
00:01:27,800 --> 00:01:25,380  
without him there is no me I mean

32  
00:01:29,270 --> 00:01:27,810  
literally if he wasn't on this plane of

33  
00:01:30,590 --> 00:01:29,280  
existence I probably would never been

34  
00:01:31,910 --> 00:01:30,600  
born his name is mark schwartz and

35  
00:01:34,100 --> 00:01:31,920  
markets like to welcome you to the show

36  
00:01:35,780 --> 00:01:34,110  
once again hello my dad thank you are

37  
00:01:38,630 --> 00:01:35,790  
yes without me you would never have been

38  
00:01:40,910 --> 00:01:38,640

born um yeah you know it was immaculate

39

00:01:43,120 --> 00:01:40,920

conception that you were brought into

40

00:01:45,889 --> 00:01:43,130

this earth and that's not all my deal

41

00:01:48,020 --> 00:01:45,899

not sure i know that for a fact i do

42

00:01:51,020 --> 00:01:48,030

Harry scream very strange way to

43

00:01:53,420 --> 00:01:51,030

introduce me this week I have to say you

44

00:01:55,429 --> 00:01:53,430

know I just I say what comes to me

45

00:01:58,100 --> 00:01:55,439

whatever I you know I let the I let the

46

00:01:59,630 --> 00:01:58,110

words flow through me like in a water

47

00:02:01,490 --> 00:01:59,640

off a duck's back or however you want to

48

00:02:02,870 --> 00:02:01,500

say it but then the energy just speaks

49

00:02:04,100 --> 00:02:02,880

to me and the words come out don't ask

50

00:02:07,340 --> 00:02:04,110

me where they come from they just come

51  
00:02:09,080 --> 00:02:07,350  
all right i'll make sure to know that

52  
00:02:11,600 --> 00:02:09,090  
the top of the show here i want to

53  
00:02:13,100 --> 00:02:11,610  
remind anybody that uh well I want to I

54  
00:02:13,700 --> 00:02:13,110  
guess not remind but I want to fill in

55  
00:02:15,950 --> 00:02:13,710  
all of

56  
00:02:18,380 --> 00:02:15,960  
you crazy happening listeners out there

57  
00:02:20,390 --> 00:02:18,390  
that mark and I were a guest on another

58  
00:02:22,100 --> 00:02:20,400  
irn show earlier this week and if you'd

59  
00:02:24,050 --> 00:02:22,110  
missed that we would love for you to

60  
00:02:25,250 --> 00:02:24,060  
check out the podcast I don't know if

61  
00:02:27,470 --> 00:02:25,260  
that's available or not is that of it

62  
00:02:30,440 --> 00:02:27,480  
what what show will Rihanna get it is

63  
00:02:33,800 --> 00:02:30,450

available and we were on the wonderful

64

00:02:36,950 --> 00:02:33,810

show psychology's outer limits with host

65

00:02:38,930 --> 00:02:36,960

Eric Williams Eric's the man we really I

66

00:02:40,400 --> 00:02:38,940

you know I did you did half an hour with

67

00:02:42,200 --> 00:02:40,410

them and I Jake came on and I did the

68

00:02:44,060 --> 00:02:42,210

last half hour both you guys and that

69

00:02:45,320 --> 00:02:44,070

flew for me I mean we barely scratched

70

00:02:46,610 --> 00:02:45,330

the surface of things that I could have

71

00:02:48,680 --> 00:02:46,620

talked for hours about but that was a

72

00:02:50,120 --> 00:02:48,690

lot of fun yeah well you know whenever

73

00:02:51,920 --> 00:02:50,130

whenever we start talking about

74

00:02:54,050 --> 00:02:51,930

paranormal radio and sort of the

75

00:02:57,110 --> 00:02:54,060

behind-the-scenes look at you know the

76

00:02:59,690 --> 00:02:57,120

different facets of it all it's it's

77

00:03:01,580 --> 00:02:59,700

pretty those things just seem to flow

78

00:03:03,260 --> 00:03:01,590

and fly because we just were so

79

00:03:04,880 --> 00:03:03,270

passionate about it but that was a lot

80

00:03:06,950 --> 00:03:04,890

of fun we did get to discuss a lot of

81

00:03:08,690 --> 00:03:06,960

things on Eric showed that we definitely

82

00:03:10,190 --> 00:03:08,700

don't ever you know have the time to

83

00:03:12,530 --> 00:03:10,200

discuss on this show and it was

84

00:03:14,660 --> 00:03:12,540

certainly a opportunity to provide a

85

00:03:16,610 --> 00:03:14,670

little bit different side of you and I

86

00:03:17,810 --> 00:03:16,620

so I encourage everybody to go download

87

00:03:19,070 --> 00:03:17,820

that podcast if you have not yet

88

00:03:21,080 --> 00:03:19,080

especially just because Eric's the man

89

00:03:22,670 --> 00:03:21,090

like he's such a smart dude and he

90

00:03:24,800 --> 00:03:22,680

clearly gets it in so many ways and he's

91

00:03:26,840 --> 00:03:24,810

so genuinely nice that it's hard to like

92

00:03:28,550 --> 00:03:26,850

say anything about this guy negative

93

00:03:32,720 --> 00:03:28,560

whatsoever he's a teacher he's doing the

94

00:03:36,170 --> 00:03:32,730

Lord's work yeah absolutely he's a he is

95

00:03:38,090 --> 00:03:36,180

fantastic and I i definitely recommend

96

00:03:40,120 --> 00:03:38,100

everyone if you if you haven't heard a

97

00:03:42,650 --> 00:03:40,130

show check it out it's sunday nights at

98

00:03:44,510 --> 00:03:42,660

four o'clock pacific standard time I

99

00:03:46,850 --> 00:03:44,520

believe that's right and that MJ can

100

00:03:49,130 --> 00:03:46,860

correct me if I'm wrong but yeah it's

101  
00:03:52,250 --> 00:03:49,140  
it's a great show and Eric's a really

102  
00:03:54,980 --> 00:03:52,260  
great guy by the way you can download I

103  
00:03:56,300 --> 00:03:54,990  
rn's amazing app they got the IRA app

104  
00:03:58,100 --> 00:03:56,310  
you just go into the App Store the

105  
00:03:59,960 --> 00:03:58,110  
google android market search inception

106  
00:04:01,940 --> 00:03:59,970  
radio network or irn download the app

107  
00:04:04,460 --> 00:04:01,950  
such as much it's an easier way to

108  
00:04:06,620 --> 00:04:04,470  
listen by all accounts I mean you just

109  
00:04:08,240 --> 00:04:06,630  
pop that sucker on and it's just your

110  
00:04:10,220 --> 00:04:08,250  
streaming and going I mean kind of the

111  
00:04:12,260 --> 00:04:10,230  
BS trying to open safari or whatever and

112  
00:04:13,370 --> 00:04:12,270  
type in and not just do the app so I

113  
00:04:15,830 --> 00:04:13,380

mean I got the app you got the app

114

00:04:17,120 --> 00:04:15,840

pretty much everyone s yeah yeah the app

115

00:04:19,610 --> 00:04:17,130

is great you can also go to iTunes

116

00:04:20,960 --> 00:04:19,620

download everything there but the app I

117

00:04:22,430 --> 00:04:20,970

mean really that's the way to go if

118

00:04:24,050 --> 00:04:22,440

you're listening to this now and you're

119

00:04:26,990 --> 00:04:24,060

streaming it and you just you know

120

00:04:29,150 --> 00:04:27,000

clicked on the link go get the app

121

00:04:30,830 --> 00:04:29,160

cuz app has all these awesome shows and

122

00:04:33,230 --> 00:04:30,840

you can listen to them they pop up new

123

00:04:35,510 --> 00:04:33,240

shows every single night and that's the

124

00:04:37,160 --> 00:04:35,520

end of my promo for it but I it's

125

00:04:39,530 --> 00:04:37,170

amazing i render some really great stuff

126

00:04:41,240 --> 00:04:39,540

and we are proud to be a part of it yep

127

00:04:43,730 --> 00:04:41,250

let's quit burying the lead here we've

128

00:04:46,340 --> 00:04:43,740

got a really spectacular show no should

129

00:04:47,990 --> 00:04:46,350

say spooktacular show lined up for this

130

00:04:49,580 --> 00:04:48,000

evening I mean I there anything we need

131

00:04:51,140 --> 00:04:49,590

to really catch up on from the week here

132

00:04:53,690 --> 00:04:51,150

in terms of the news apparent normal

133

00:04:55,460 --> 00:04:53,700

idle think I saw a whole lot going on we

134

00:04:57,650 --> 00:04:55,470

got some heavy hitter guests here so

135

00:05:00,980 --> 00:04:57,660

maybe we should just jump into that yeah

136

00:05:03,950 --> 00:05:00,990

let's go ahead and do that so tonight on

137

00:05:07,010 --> 00:05:03,960

the show we have some amazing guests and

138

00:05:10,430 --> 00:05:07,020

for those of you who listen to the

139

00:05:12,350 --> 00:05:10,440

darkness radio I first heard our guest

140

00:05:14,510 --> 00:05:12,360

on darkness radio and they intrigue me

141

00:05:16,520 --> 00:05:14,520

so much that I really wanted to reach

142

00:05:18,380 --> 00:05:16,530

out to them and a lot of times on truth

143

00:05:20,270 --> 00:05:18,390

funders radio we have people who create

144

00:05:21,980 --> 00:05:20,280

projects on the truth funders website

145

00:05:23,690 --> 00:05:21,990

and we talked to them and we learn about

146

00:05:26,420 --> 00:05:23,700

you know what they're trying to get

147

00:05:28,520 --> 00:05:26,430

funded for their paranormal projects and

148

00:05:30,650 --> 00:05:28,530

what's going on there this week we're

149

00:05:33,590 --> 00:05:30,660

taking a break from that and we're just

150

00:05:36,290 --> 00:05:33,600

gonna talk to our amazing guests and

151  
00:05:38,870 --> 00:05:36,300  
those amazing guests are Robert Mager

152  
00:05:42,500 --> 00:05:38,880  
who is a clinical hypnotherapist in San

153  
00:05:45,500 --> 00:05:42,510  
Diego and his sister Antoinette bender

154  
00:05:47,590 --> 00:05:45,510  
and so what's amazing about them is that

155  
00:05:49,940 --> 00:05:47,600  
they are able to detect and remove

156  
00:05:53,090 --> 00:05:49,950  
attachments or possessions from people

157  
00:05:56,510 --> 00:05:53,100  
so they also seal the energetic openings

158  
00:05:58,730 --> 00:05:56,520  
that these attachments entered from so

159  
00:06:00,710 --> 00:05:58,740  
according to many questions so many

160  
00:06:03,320 --> 00:06:00,720  
questions that oh then that one sentence

161  
00:06:05,719 --> 00:06:03,330  
alone and I know it's good man just that

162  
00:06:08,000 --> 00:06:05,729  
alone is about keep going please all

163  
00:06:09,880 --> 00:06:08,010

right so according to Robert attachments

164

00:06:12,620 --> 00:06:09,890

have been here as long as mankind

165

00:06:14,360 --> 00:06:12,630

they're generally spirits of men and

166

00:06:16,490 --> 00:06:14,370

women who fail to return to the light

167

00:06:18,380 --> 00:06:16,500

and instead chose to return to their

168

00:06:20,750 --> 00:06:18,390

earthly lives using some weakened

169

00:06:23,150 --> 00:06:20,760

individuals their host most times people

170

00:06:26,330 --> 00:06:23,160

don't even realize that they're attached

171

00:06:29,030 --> 00:06:26,340

and you know they're this invading

172

00:06:30,290 --> 00:06:29,040

spirit wants it to be that way they want

173

00:06:32,210 --> 00:06:30,300

us to think that they're devils and

174

00:06:34,610 --> 00:06:32,220

demons so we're afraid to confront them

175

00:06:36,800 --> 00:06:34,620

and this way they are free to manipulate

176

00:06:39,200 --> 00:06:36,810

in influence and sometimes sick in the

177

00:06:40,670 --> 00:06:39,210

person without repercussions clues will

178

00:06:43,610 --> 00:06:40,680

be long bouts of depression

179

00:06:45,529 --> 00:06:43,620

and unexplained physical ailments a bad

180

00:06:48,950 --> 00:06:45,539

feeling about oneself that lingers on

181

00:06:50,930 --> 00:06:48,960

and on and Robert and Antoinette have

182

00:06:53,090 --> 00:06:50,940

seen many strange things from doing this

183

00:06:54,680 --> 00:06:53,100

work but according to Robert one thing

184

00:06:56,570 --> 00:06:54,690

that they can assure you is that they do

185

00:06:58,159 --> 00:06:56,580

know how to remove them which we're

186

00:07:01,370 --> 00:06:58,169

going to get into tonight you know what

187

00:07:03,350 --> 00:07:01,380

we'll talk at length about this not all

188

00:07:06,200 --> 00:07:03,360

attachments want to destroy you they say

189

00:07:08,810 --> 00:07:06,210

but no matter what these are energy

190

00:07:10,700 --> 00:07:08,820

robbers they're like energy vampires you

191

00:07:12,650 --> 00:07:10,710

know that sucked the life out of you and

192

00:07:14,839 --> 00:07:12,660

have no right to do what they're doing

193

00:07:16,730 --> 00:07:14,849

no we got no right to do that at all but

194

00:07:20,510 --> 00:07:16,740

really they they have no right they

195

00:07:24,290 --> 00:07:20,520

don't let's get him out of here um so

196

00:07:27,980 --> 00:07:24,300

more austin-based get out sorry more

197

00:07:29,960 --> 00:07:27,990

often than not they lived ruinous lives

198

00:07:32,060 --> 00:07:29,970

and will continue that path by ruining

199

00:07:34,279 --> 00:07:32,070

the lives of others this phenomenon is

200

00:07:36,350 --> 00:07:34,289

much more common than we realize and

201  
00:07:39,170 --> 00:07:36,360  
there are a few who truly know how to

202  
00:07:41,120 --> 00:07:39,180  
combat them and Robert Antoinette know

203  
00:07:42,800 --> 00:07:41,130  
how so you can learn more about them

204  
00:07:44,689 --> 00:07:42,810  
today on the Shan the truth blenders

205  
00:07:48,200 --> 00:07:44,699  
radio interview or you can visit their

206  
00:07:51,260 --> 00:07:48,210  
website by going to ww ghost remover

207  
00:07:53,960 --> 00:07:51,270  
calm so now i would like to welcome to

208  
00:07:57,110 --> 00:07:53,970  
the show robert & Antle nut welcome to

209  
00:08:00,710 --> 00:07:57,120  
truth hunters radio okay we glad to be

210  
00:08:04,240 --> 00:08:00,720  
here we are glad to be here yeah well no

211  
00:08:06,950 --> 00:08:04,250  
I do you guys yeah okay seriously I I

212  
00:08:08,930 --> 00:08:06,960  
heard you and it just it was like a

213  
00:08:12,649 --> 00:08:08,940

beacon of light when I heard you guys on

214

00:08:15,950 --> 00:08:12,659

darkness radio I thought we have to get

215

00:08:19,640 --> 00:08:15,960

these two on truth funders radio because

216

00:08:22,070 --> 00:08:19,650

there was so much more so many questions

217

00:08:23,629 --> 00:08:22,080

I had lingering that that I thought you

218

00:08:26,689 --> 00:08:23,639

know the world needs to know this they

219

00:08:28,909 --> 00:08:26,699

need to hear about this I think a lot of

220

00:08:30,770 --> 00:08:28,919

people out there you know might have

221

00:08:32,959 --> 00:08:30,780

thought if especially if they're into

222

00:08:36,380 --> 00:08:32,969

the paranormal that maybe they do have

223

00:08:38,089 --> 00:08:36,390

an attachment or you know then there's a

224

00:08:40,930 --> 00:08:38,099

lot of people who have no idea what an

225

00:08:43,579 --> 00:08:40,940

attachment is so if you're out of mind

226

00:08:45,440 --> 00:08:43,589

no do actually mine mark if I jump in

227

00:08:47,090 --> 00:08:45,450

here and at least the first question

228

00:08:49,280 --> 00:08:47,100

because I think coming from other

229

00:08:51,019 --> 00:08:49,290

listeners perspective this is where I

230

00:08:53,060 --> 00:08:51,029

would be sitting right now I've you know

231

00:08:53,879 --> 00:08:53,070

I'm very unfamiliar with the concept of

232

00:08:56,819 --> 00:08:53,889

attachments

233

00:08:58,489 --> 00:08:56,829

being attached to humans and possessions

234

00:09:02,039 --> 00:08:58,499

and all this stuff is all new to me um

235

00:09:04,199 --> 00:09:02,049

visually in my head what I see when when

236

00:09:06,539 --> 00:09:04,209

the this topic of attachments is brought

237

00:09:09,479 --> 00:09:06,549

up is like the blue whale sharks or you

238

00:09:11,220 --> 00:09:09,489

know these these larger like sharks did

239

00:09:12,359 --> 00:09:11,230

have the little Suckerfish attached to

240

00:09:14,699 --> 00:09:12,369

their back and they just live there

241

00:09:16,549 --> 00:09:14,709

permanently is that what it's like in

242

00:09:18,749 --> 00:09:16,559

any way shape or form or is that a

243

00:09:22,559 --> 00:09:18,759

completely like an appropriate analogy

244

00:09:24,840 --> 00:09:22,569

all together for how a unless that's a

245

00:09:26,519 --> 00:09:24,850

creative analogy but where's that little

246

00:09:29,099 --> 00:09:26,529

guy he's not hurting that shark that

247

00:09:32,579 --> 00:09:29,109

much what we do with it somebody you

248

00:09:34,379 --> 00:09:32,589

could take you over so they consume you

249

00:09:38,519 --> 00:09:34,389

all together they swallow you up in a

250

00:09:41,939 --> 00:09:38,529

sense that's exactly they did you your

251  
00:09:44,309 --> 00:09:41,949  
physical body becomes them what you do

252  
00:09:46,949 --> 00:09:44,319  
is you're driving an automobile we are

253  
00:09:51,960 --> 00:09:46,959  
all energetic beings we have to start

254  
00:09:54,509 --> 00:09:51,970  
from that perception the says we are

255  
00:09:56,579 --> 00:09:54,519  
that this this car and we all get to

256  
00:09:58,439 --> 00:09:56,589  
have the design we want to drive through

257  
00:10:01,129 --> 00:09:58,449  
life and we're going to have a great

258  
00:10:05,369 --> 00:10:01,139  
time with it we're born we live we die

259  
00:10:08,669 --> 00:10:05,379  
well there's a darkness out there who'd

260  
00:10:11,179 --> 00:10:08,679  
like to hijack your car occasionally and

261  
00:10:13,590 --> 00:10:11,189  
if you leave the door open somehow

262  
00:10:16,379 --> 00:10:13,600  
they're going to hop in there maybe

263  
00:10:21,659 --> 00:10:16,389

they'll be a backseat driver sometimes

264

00:10:23,759 --> 00:10:21,669

they take the wheel so so when they do

265

00:10:25,409 --> 00:10:23,769

like where do they come from where where

266

00:10:28,229 --> 00:10:25,419

do these attachments come from and how

267

00:10:30,059 --> 00:10:28,239

the day are they sound like this just do

268

00:10:31,499 --> 00:10:30,069

people send them to you or are you just

269

00:10:34,499 --> 00:10:31,509

walking along the street and they

270

00:10:37,710 --> 00:10:34,509

randomly pick you off yeah they're

271

00:10:40,429 --> 00:10:37,720

everywhere what we have here is we have

272

00:10:44,129 --> 00:10:40,439

a we're living in multiple dimensions

273

00:10:46,470 --> 00:10:44,139

we're around us we have we have most

274

00:10:48,059 --> 00:10:46,480

around us every day there is you can't

275

00:10:50,340 --> 00:10:48,069

you really can't see them because

276

00:10:53,669 --> 00:10:50,350

they're out of your perception but

277

00:10:56,999 --> 00:10:53,679

through the work that I do with hypnosis

278

00:11:03,059 --> 00:10:57,009

we can heighten your awareness and in

279

00:11:05,369 --> 00:11:03,069

trance we've been able to to a super

280

00:11:06,749 --> 00:11:05,379

consciousness so to speak where when

281

00:11:07,350 --> 00:11:06,759

you're in trance you can see them

282

00:11:09,569 --> 00:11:07,360

certain

283

00:11:14,960 --> 00:11:09,579

people can and that's what my sister can

284

00:11:18,540 --> 00:11:14,970

do so how did this power or this gift

285

00:11:21,829 --> 00:11:18,550

come come along how did you antonette

286

00:11:25,440 --> 00:11:21,839

realize that you have this special gift

287

00:11:28,889 --> 00:11:25,450

I've always known I was gifted actually

288

00:11:31,410 --> 00:11:28,899

probably since nine with physically

289

00:11:33,000 --> 00:11:31,420

seeing yet up ghosts and things like

290

00:11:35,910 --> 00:11:33,010

that and having a little interaction

291

00:11:37,920 --> 00:11:35,920

then but then it kind of went away and

292

00:11:41,190 --> 00:11:37,930

came back over a period of time and then

293

00:11:43,800 --> 00:11:41,200

you know you get to where you ignore the

294

00:11:45,660 --> 00:11:43,810

you know you ignore it pretty much and

295

00:11:48,269 --> 00:11:45,670

just kind of you see things you like n l

296

00:11:50,940 --> 00:11:48,279

probably didn't see it but there came a

297

00:11:54,389 --> 00:11:50,950

time at my home where there was toys

298

00:11:56,819 --> 00:11:54,399

going all over the floor that were my

299

00:12:00,120 --> 00:11:56,829

sense when he was a baby and he is now l

300

00:12:02,009 --> 00:12:00,130

think 11 or something at that point so l

301  
00:12:03,780 --> 00:12:02,019  
said to him hey why you keep leaving

302  
00:12:07,009 --> 00:12:03,790  
your toys out he's like mom I never took

303  
00:12:09,449 --> 00:12:07,019  
them out so basically some bread

304  
00:12:10,980 --> 00:12:09,459  
levitated by the microwaves there was

305  
00:12:12,870 --> 00:12:10,990  
all these different things happening and

306  
00:12:16,050 --> 00:12:12,880  
hit him and head and then we ran out of

307  
00:12:19,290 --> 00:12:16,060  
the house were like oh my god well so

308  
00:12:21,420 --> 00:12:19,300  
Bob had said hey let me let me put you

309  
00:12:23,400 --> 00:12:21,430  
in gnosis and let's see how far down you

310  
00:12:26,340 --> 00:12:23,410  
can go and see if we can see who's in

311  
00:12:28,680 --> 00:12:26,350  
here I mean that's the thing so that's

312  
00:12:32,009 --> 00:12:28,690  
how it started and it would happen to be

313  
00:12:34,439 --> 00:12:32,019

a little boy inside my hell and then

314

00:12:38,550 --> 00:12:34,449

that stories that story is actually

315

00:12:40,290 --> 00:12:38,560

really incredible and so that's that

316

00:12:43,439 --> 00:12:40,300

part of the story and then there's a

317

00:12:44,850 --> 00:12:43,449

even it gets heavier bigger bigger and

318

00:12:47,910 --> 00:12:44,860

then all the sudden I just have this

319

00:12:49,980 --> 00:12:47,920

gift I have you know I can I talk to

320

00:12:51,840 --> 00:12:49,990

spirit guides I have animal

321

00:12:54,060 --> 00:12:51,850

communication i have i can remove

322

00:12:56,220 --> 00:12:54,070

attachments i have all this really cool

323

00:12:58,170 --> 00:12:56,230

gifts now and i'm pretty excited about

324

00:13:01,259 --> 00:12:58,180

it and so now i'm curious what you did

325

00:13:03,030 --> 00:13:01,269

prior to this becoming a parents in your

326

00:13:04,829 --> 00:13:03,040

life and really making this transition

327

00:13:08,850 --> 00:13:04,839

into where you're at now what were you

328

00:13:11,790 --> 00:13:08,860

doing with your life before that oh like

329

00:13:15,689 --> 00:13:11,800

raising my son i'ma i was a military

330

00:13:17,370 --> 00:13:15,699

contractor wow that's just something

331

00:13:18,870 --> 00:13:17,380

everyday life you were involved with any

332

00:13:20,940 --> 00:13:18,880

of this you know anything paranormal

333

00:13:23,850 --> 00:13:20,950

essentially outside no I

334

00:13:26,580 --> 00:13:23,860

I've never been involved I mean I've

335

00:13:28,950 --> 00:13:26,590

always like I said I know I see the

336

00:13:31,590 --> 00:13:28,960

ghost you know when I just kind of chose

337

00:13:33,750 --> 00:13:31,600

to be like whatever but then you

338

00:13:36,930 --> 00:13:33,760

sometimes you just gotta listen yeah

339

00:13:40,950 --> 00:13:36,940

well there I'll say the key that you

340

00:13:43,830 --> 00:13:40,960

know sometimes it's a domino effect my

341

00:13:48,140 --> 00:13:43,840

sister was caregiver for her nephew who

342

00:13:52,620 --> 00:13:48,150

had had a bicycle accident we became a

343

00:13:55,860 --> 00:13:52,630

paraplegic almost quadriplegic and one

344

00:13:58,020 --> 00:13:55,870

time we were doing some trance work and

345

00:14:00,420 --> 00:13:58,030

as my sister wasn't ransom voice came

346

00:14:02,640 --> 00:14:00,430

through her and she says you know I

347

00:14:05,910 --> 00:14:02,650

would like to speak with you but I have

348

00:14:07,740 --> 00:14:05,920

to have permission would that be okay if

349

00:14:09,240 --> 00:14:07,750

I can speak with you I said yes it would

350

00:14:12,300 --> 00:14:09,250

be she goes okay I have to go get

351

00:14:14,610 --> 00:14:12,310

permission how I will return and this is

352

00:14:18,420 --> 00:14:14,620

the first incident with a spirit guide

353

00:14:20,490 --> 00:14:18,430

by the way right my very first whoa how

354

00:14:22,860 --> 00:14:20,500

long ago is this by the way that this

355

00:14:24,870 --> 00:14:22,870

happened with Stewart guys yeah yeah 17

356

00:14:26,250 --> 00:14:24,880

years ago okay so do you guys have been

357

00:14:27,570 --> 00:14:26,260

doing you've been out to swim a little

358

00:14:29,640 --> 00:14:27,580

bit what little while now this wasn't

359

00:14:32,970 --> 00:14:29,650

two years ago really oh no we've been

360

00:14:35,580 --> 00:14:32,980

doing this for a very long time and the

361

00:14:37,620 --> 00:14:35,590

spirit guide her name was rob she said

362

00:14:40,440 --> 00:14:37,630

you know the person you're taken care of

363

00:14:45,630 --> 00:14:40,450

right now was my husband 700 years ago

364

00:14:48,990 --> 00:14:45,640

in India and he he basically recreated

365

00:14:52,760 --> 00:14:49,000

the injuries that he had when he when he

366

00:14:56,490 --> 00:14:52,770

was and alive on earth earth before and

367

00:14:58,560 --> 00:14:56,500

she was his personal spirit guide and

368

00:14:59,970 --> 00:14:58,570

she said if you can help me I don't like

369

00:15:01,830 --> 00:14:59,980

the way he's really being treated at

370

00:15:06,000 --> 00:15:01,840

home and I need those things to change

371

00:15:08,430 --> 00:15:06,010

and if you could do that I always be

372

00:15:10,620 --> 00:15:08,440

glad to come back on a weekly basis and

373

00:15:12,900 --> 00:15:10,630

teach you a lot of things we have

374

00:15:14,820 --> 00:15:12,910

basically cut off communication to the

375

00:15:21,390 --> 00:15:14,830

human race because we've given up on

376

00:15:24,180 --> 00:15:21,400

them and I said okay let's do that so we

377

00:15:26,910 --> 00:15:24,190

met every twice a week actually for the

378

00:15:29,180 --> 00:15:26,920

first time yet for years and years and

379

00:15:31,740 --> 00:15:29,190

we're doing incredible work and and

380

00:15:34,500 --> 00:15:31,750

discovering about the crudeness about

381

00:15:37,590 --> 00:15:34,510

who we really are with your spirit

382

00:15:39,240 --> 00:15:37,600

being there in Wow David he was this out

383

00:15:41,130 --> 00:15:39,250

there with this open with you I mean in

384

00:15:43,230 --> 00:15:41,140

forthcoming because i personally have

385

00:15:46,470 --> 00:15:43,240

had a very like in significant

386

00:15:48,360 --> 00:15:46,480

interaction or how do i say a brief

387

00:15:50,640 --> 00:15:48,370

moment with my scary guy that was

388

00:15:52,680 --> 00:15:50,650

nowhere near what you guys are

389

00:15:54,810 --> 00:15:52,690

describing here what what was so special

390

00:15:56,370 --> 00:15:54,820

about your situation that you think they

391

00:15:57,780 --> 00:15:56,380

were willing to be so forthcoming after

392

00:16:01,500 --> 00:15:57,790

essentially giving up on the human race

393

00:16:04,260 --> 00:16:01,510

as you say i'm probably going to say

394

00:16:06,930 --> 00:16:04,270

because she's me she's kind of like a

395

00:16:09,120 --> 00:16:06,940

head spirit guide but there's a lot over

396

00:16:10,980 --> 00:16:09,130

there but she's just one of them now i'm

397

00:16:13,770 --> 00:16:10,990

going to say the reason why i'm so

398

00:16:16,500 --> 00:16:13,780

special probably is because as my i'm

399

00:16:19,740 --> 00:16:16,510

very caring and I was caring for her

400

00:16:21,840 --> 00:16:19,750

husband from a past life so she probably

401

00:16:23,850 --> 00:16:21,850

saw how well I was doing that that's

402

00:16:26,850 --> 00:16:23,860

what I believe and she really loves us

403

00:16:28,650 --> 00:16:26,860

actually and then they're just we met

404

00:16:31,920 --> 00:16:28,660

all kinds of spirit guides or was it

405

00:16:36,540 --> 00:16:31,930

became comical sometimes if he can it's

406

00:16:38,610 --> 00:16:36,550

pretty great I mean so how so comical

407

00:16:41,130 --> 00:16:38,620

like what was an experience that was a

408

00:16:42,420 --> 00:16:41,140

sort of a funny funny experience or

409

00:16:46,740 --> 00:16:42,430

interaction you have with the spirit

410

00:16:50,760 --> 00:16:46,750

guide okay so there's one from there's

411

00:16:53,070 --> 00:16:50,770

one from Alaska Incas and he went by the

412

00:16:55,290 --> 00:16:53,080

state's name I think resort you know and

413

00:16:56,940 --> 00:16:55,300

that was a name he had taken on but

414

00:17:00,600 --> 00:16:56,950

every time he would arrive you it just

415

00:17:03,750 --> 00:17:00,610

smelled like fish in the world and it

416

00:17:07,199 --> 00:17:03,760

was very comical and he happened to be I

417

00:17:09,449 --> 00:17:07,209

think I believe he's an Eskimo yesterday

418

00:17:12,900 --> 00:17:09,459

and he was a spirit guide so we've met

419

00:17:17,010 --> 00:17:12,910

him with many I think he's a Chinese or

420

00:17:19,920 --> 00:17:17,020

Japanese warrior why am i a musical

421

00:17:21,630 --> 00:17:19,930

samurai yeah he was a samurai so I mean

422

00:17:25,079 --> 00:17:21,640

there's so many different ones but we're

423

00:17:27,060 --> 00:17:25,089

talking like 1400 we're meeting these

424

00:17:30,750 --> 00:17:27,070

people who used to roam the earth living

425

00:17:32,430 --> 00:17:30,760

you know long long years ago and are

426

00:17:34,500 --> 00:17:32,440

they steer guys now when they're

427

00:17:36,480 --> 00:17:34,510

speaking with you because of having gone

428

00:17:38,160 --> 00:17:36,490

through the reincarnation cycle so many

429

00:17:40,350 --> 00:17:38,170

times and gone through the journey that

430

00:17:43,440 --> 00:17:40,360

they have reached in line actually okay

431

00:17:45,800 --> 00:17:43,450

you can draw look one time on earth and

432

00:17:48,330 --> 00:17:45,810

then she decided to stay over there bud

433

00:17:50,340 --> 00:17:48,340

so I mean you get to come

434

00:17:52,200 --> 00:17:50,350

as many times as you want to have this

435

00:17:54,930 --> 00:17:52,210

adventure but it's supposed to be an

436

00:17:58,230 --> 00:17:54,940

adventure it's not supposed to be no

437

00:18:00,539 --> 00:17:58,240

yeah I absolutely agree yeah not to

438

00:18:02,519 --> 00:18:00,549

become ordeal so as spirit guides

439

00:18:04,740 --> 00:18:02,529

essentially could could your solar my

440

00:18:06,750 --> 00:18:04,750

soul or marks or internet soul when we

441

00:18:08,399 --> 00:18:06,760

pass on and move back on could we be

442

00:18:11,669 --> 00:18:08,409

spirit guides at that point if we so

443

00:18:14,390 --> 00:18:11,679

chose to be so with you my toy you it's

444

00:18:16,919 --> 00:18:14,400

a gift it depends how you live your life

445

00:18:19,950 --> 00:18:16,929

yeah you have to live your life pretty

446

00:18:21,930 --> 00:18:19,960

darn good like doing good things make

447

00:18:23,789 --> 00:18:21,940

beautifying things because that's really

448

00:18:25,380 --> 00:18:23,799

what it was supposed to be about nah

449

00:18:26,519 --> 00:18:25,390

[h\_\_h] that's with this and that's what

450

00:18:27,630 --> 00:18:26,529

this show is all about essentially i

451  
00:18:29,880 --> 00:18:27,640  
mean you're talking to two people here

452  
00:18:31,860 --> 00:18:29,890  
that we fundamentally like when our

453  
00:18:34,620 --> 00:18:31,870  
lives based on these types of morals so

454  
00:18:37,260 --> 00:18:34,630  
we're with you guys i I have a quick

455  
00:18:39,210 --> 00:18:37,270  
question so um then what is the

456  
00:18:42,389 --> 00:18:39,220  
fundamental difference so there's these

457  
00:18:44,610 --> 00:18:42,399  
attachments and you know they're men or

458  
00:18:46,590 --> 00:18:44,620  
women who have died and have not gone to

459  
00:18:49,080 --> 00:18:46,600  
the light they've decided to stay back

460  
00:18:51,840 --> 00:18:49,090  
and then there's a spirit guide who you

461  
00:18:54,779 --> 00:18:51,850  
know he's done really good fit or she

462  
00:18:57,389 --> 00:18:54,789  
has done really good in life and tried

463  
00:19:00,090 --> 00:18:57,399

to beautify things and then they decide

464

00:19:02,760 --> 00:19:00,100

to stay back and help people so you know

465

00:19:04,919 --> 00:19:02,770

get difference there between being a

466

00:19:06,750 --> 00:19:04,929

spirit guide and then being an

467

00:19:09,299 --> 00:19:06,760

attachment I mean is that there's

468

00:19:11,909 --> 00:19:09,309

obviously a big difference between one

469

00:19:13,320 --> 00:19:11,919

or the other and you choose if you're an

470

00:19:16,980 --> 00:19:13,330

attachment is that something that you

471

00:19:18,690 --> 00:19:16,990

choose as well no no we're talking

472

00:19:22,260 --> 00:19:18,700

darkness we're talking light and

473

00:19:24,960 --> 00:19:22,270

darkness darkness is when you do not go

474

00:19:27,060 --> 00:19:24,970

to the light now the spirit eyes all of

475

00:19:30,330 --> 00:19:27,070

them have have gone to the light and

476

00:19:33,539 --> 00:19:30,340

then what they do is they're given task

477

00:19:36,870 --> 00:19:33,549

to look after various people everyone

478

00:19:41,490 --> 00:19:36,880

has to hear or garden angel but the

479

00:19:43,200 --> 00:19:41,500

darkness exists here and when we ask the

480

00:19:46,169 --> 00:19:43,210

spirit guides if somebody is attached

481

00:19:48,570 --> 00:19:46,179

they can tell because there is like a

482

00:19:51,120 --> 00:19:48,580

cocoon or a spider web around that

483

00:19:53,970 --> 00:19:51,130

energetic field so all of a sudden

484

00:19:55,740 --> 00:19:53,980

they're not attached to be to the

485

00:19:57,389 --> 00:19:55,750

communication any longer and they're

486

00:20:01,740 --> 00:19:57,399

trying to cut off and you're out of

487

00:20:05,730 --> 00:20:01,750

touch it's such a really

488

00:20:07,860 --> 00:20:05,740

great visual that you just gave me it

489

00:20:11,070 --> 00:20:07,870

really helped to explain it so with

490

00:20:14,910 --> 00:20:11,080

somebody oh sorry mark oh no just this

491

00:20:17,970 --> 00:20:14,920

this dark cocoon this web where so the

492

00:20:20,760 --> 00:20:17,980

spirit guide can't can't reach somebody

493

00:20:23,520 --> 00:20:20,770

is that sort of where the web now you

494

00:20:25,710 --> 00:20:23,530

can't really communicate with it with it

495

00:20:28,110 --> 00:20:25,720

because they're trapped off and now the

496

00:20:30,510 --> 00:20:28,120

darkness kind of like is running and

497

00:20:33,510 --> 00:20:30,520

they're influencing this person and

498

00:20:36,960 --> 00:20:33,520

they're causing that person to act out

499

00:20:39,750 --> 00:20:36,970

as they want them to act out and our

500

00:20:41,940 --> 00:20:39,760

stories with our people that we have

501  
00:20:44,670 --> 00:20:41,950  
taken attachments off or anything of

502  
00:20:48,750 --> 00:20:44,680  
really incredible by the way there and

503  
00:20:51,990 --> 00:20:48,760  
how they go from you know point a which

504  
00:20:54,240 --> 00:20:52,000  
is attached to not attached anymore and

505  
00:20:58,080 --> 00:20:54,250  
its really nice to for us to do that

506  
00:21:00,360 --> 00:20:58,090  
kind of work what and I can't wait to

507  
00:21:02,610 --> 00:21:00,370  
get into that I know we're like this is

508  
00:21:05,880 --> 00:21:02,620  
what art and I do every week we get our

509  
00:21:07,560 --> 00:21:05,890  
charitable guess and we uh we fight in

510  
00:21:09,120 --> 00:21:07,570  
battle for like the next question

511  
00:21:12,120 --> 00:21:09,130  
because this is I special it's

512  
00:21:14,580 --> 00:21:12,130  
especially a match it's a special

513  
00:21:16,470 --> 00:21:14,590

relationship reebok were boxing it's

514

00:21:18,810 --> 00:21:16,480

boxing on the air I wanted to ask um if

515

00:21:20,280 --> 00:21:18,820

you guys could then maybe elaborate a

516

00:21:21,360 --> 00:21:20,290

little bit further on I'm assuming these

517

00:21:23,130 --> 00:21:21,370

attachments have been around for

518

00:21:26,010 --> 00:21:23,140

millennia just as like human beings and

519

00:21:27,600 --> 00:21:26,020

spirit guides all that how before you

520

00:21:29,880 --> 00:21:27,610

know we're talking hundreds of years ago

521

00:21:32,070 --> 00:21:29,890

did one detach themselves from an

522

00:21:34,050 --> 00:21:32,080

attachment what sorts of ways would you

523

00:21:35,730 --> 00:21:34,060

would it happen would they go about even

524

00:21:37,530 --> 00:21:35,740

doing this if they're completely unaware

525

00:21:39,690 --> 00:21:37,540

that they're attached are their helpers

526

00:21:41,340 --> 00:21:39,700

on the other side that work to break

527

00:21:45,720 --> 00:21:41,350

these things down with you or what's the

528

00:21:49,650 --> 00:21:45,730

process with that well you need you mean

529

00:21:53,010 --> 00:21:49,660

how hundreds of years ago I mean we

530

00:21:56,370 --> 00:21:53,020

don't know her blood if you want to go

531

00:22:00,810 --> 00:21:56,380

biblical it's biblical you know Mary

532

00:22:02,820 --> 00:22:00,820

Magdalene has seven on her and so they

533

00:22:04,740 --> 00:22:02,830

tell us you know back when Christ came

534

00:22:07,320 --> 00:22:04,750

what was here he was taking him off a

535

00:22:09,260 --> 00:22:07,330

lot of people and I don't know where

536

00:22:11,760 --> 00:22:09,270

sent my people who set my people free

537

00:22:14,040 --> 00:22:11,770

but I I think that's what

538

00:22:18,060 --> 00:22:14,050

we can we say a set these people free

539

00:22:20,220 --> 00:22:18,070

it's their life these attachments you

540

00:22:23,910 --> 00:22:20,230

can somebody could die tomorrow you

541

00:22:26,430 --> 00:22:23,920

don't have to be here millennion ago as

542

00:22:28,440 --> 00:22:26,440

an attachment somebody could die die

543

00:22:30,600 --> 00:22:28,450

right now and they could go out and

544

00:22:34,740 --> 00:22:30,610

attached to somebody but they're

545

00:22:37,500 --> 00:22:34,750

crossing a spiritual line and once they

546

00:22:39,750 --> 00:22:37,510

do that they can lose their soul for

547

00:22:42,180 --> 00:22:39,760

that because it's one of the biggest no

548

00:22:44,520 --> 00:22:42,190

nose you just do not allowed to do it

549

00:22:47,280 --> 00:22:44,530

this is your gift this is your life and

550

00:22:48,960 --> 00:22:47,290

then that's our premise we come in and

551  
00:22:51,780 --> 00:22:48,970  
we say hey let's give these people their

552  
00:22:54,360 --> 00:22:51,790  
lives back to them you have no right to

553  
00:22:55,860 --> 00:22:54,370  
what you're doing but really a lot of

554  
00:22:58,680 --> 00:22:55,870  
people will just live the rest of their

555  
00:23:01,440 --> 00:22:58,690  
lives and die with the attachment the

556  
00:23:03,360 --> 00:23:01,450  
gathering around Niklaus and maybe that

557  
00:23:07,460 --> 00:23:03,370  
attachment will grab that person at the

558  
00:23:10,880 --> 00:23:07,470  
end of their life and and make a little

559  
00:23:13,440 --> 00:23:10,890  
army at with them we've seen where

560  
00:23:15,840 --> 00:23:13,450  
because what people are attacking them

561  
00:23:18,360 --> 00:23:15,850  
they can have 50 attachments but there's

562  
00:23:22,350 --> 00:23:18,370  
basically one two or three leaders of

563  
00:23:26,610 --> 00:23:22,360

all those attachments yep we had a we

564

00:23:30,720 --> 00:23:26,620

had a kid who was attached with 44 right

565

00:23:35,460 --> 00:23:30,730

and this kid he was only 25 I believe

566

00:23:36,840 --> 00:23:35,470

and we he was a heroin addict so strange

567

00:23:39,210 --> 00:23:36,850

and his mom couldn't get him in to see

568

00:23:42,120 --> 00:23:39,220

us because the attachments what they do

569

00:23:44,370 --> 00:23:42,130

is they make sure that he doesn't go so

570

00:23:45,840 --> 00:23:44,380

either they take over where they're not

571

00:23:47,430 --> 00:23:45,850

going to have any communication with the

572

00:23:50,820 --> 00:23:47,440

parent who's trying to get them to our

573

00:23:53,100 --> 00:23:50,830

office or anybody who's good they'll sit

574

00:23:57,030 --> 00:23:53,110

around with all the other people and you

575

00:24:00,030 --> 00:23:57,040

know do things like that now he in fact

576

00:24:03,450 --> 00:24:00,040

his mom somehow got him to the office we

577

00:24:05,700 --> 00:24:03,460

took 44 attachments up this young boy he

578

00:24:09,420 --> 00:24:05,710

weighed he was five I think he's 52 any

579

00:24:11,220 --> 00:24:09,430

weight 120 when he got there and after

580

00:24:14,250 --> 00:24:11,230

we took the attachments off she was able

581

00:24:16,260 --> 00:24:14,260

to get him to detox before you know the

582

00:24:19,020 --> 00:24:16,270

drug takes over in the body because

583

00:24:22,230 --> 00:24:19,030

before he wouldn't go and he got detox

584

00:24:24,940 --> 00:24:22,240

now this kid is a whole new guy he's

585

00:24:28,420 --> 00:24:24,950

beautiful he's back to its normal way

586

00:24:31,270 --> 00:24:28,430

and that's just a fraction of what we

587

00:24:33,280 --> 00:24:31,280

did remember now like attracts like so

588

00:24:35,410 --> 00:24:33,290

most of those attachments were actually

589

00:24:37,660 --> 00:24:35,420

heroin addicts in their in their life

590

00:24:39,670 --> 00:24:37,670

here on earth so they they actually

591

00:24:44,320 --> 00:24:39,680

compound the issue that's why a lot of

592

00:24:46,330 --> 00:24:44,330

people who go in for rehab and and detox

593

00:24:47,770 --> 00:24:46,340

and whatever they're not successful

594

00:24:49,870 --> 00:24:47,780

because once they get out the

595

00:24:52,150 --> 00:24:49,880

attachments are still on them and they

596

00:24:54,130 --> 00:24:52,160

caused them to go right back to what

597

00:24:57,210 --> 00:24:54,140

they were doing and they have really no

598

00:24:59,920 --> 00:24:57,220

choice at all as humans in that moment

599

00:25:02,410 --> 00:24:59,930

whatsoever in how they're going to be

600

00:25:05,290 --> 00:25:02,420

able to respond to this attachment it is

601  
00:25:07,840 --> 00:25:05,300  
out of our hands entirely well you know

602  
00:25:10,240 --> 00:25:07,850  
if you look at my stuff I mean it is

603  
00:25:13,030 --> 00:25:10,250  
there has to be a break in the energetic

604  
00:25:16,090 --> 00:25:13,040  
field for the attachment to get in and I

605  
00:25:18,720 --> 00:25:16,100  
had a friend where he gets some ecstasy

606  
00:25:21,580 --> 00:25:18,730  
on Iran of July 4th all of a sudden

607  
00:25:24,580 --> 00:25:21,590  
these attachments totally took this guy

608  
00:25:26,770 --> 00:25:24,590  
over he said he and he they were hobos

609  
00:25:29,410 --> 00:25:26,780  
they were like three hobo's from the 40s

610  
00:25:31,710 --> 00:25:29,420  
jumped on this guy day he was a

611  
00:25:34,600 --> 00:25:31,720  
successful engineer for one of these big

612  
00:25:37,300 --> 00:25:34,610  
telecommunication companies and they got

613  
00:25:39,280 --> 00:25:37,310

him to give away all of this worldly

614

00:25:41,410 --> 00:25:39,290

possessions he cleared out his bank

615

00:25:44,140 --> 00:25:41,420

account gave all his money away gave

616

00:25:47,400 --> 00:25:44,150

away all his furniture David automobile

617

00:25:51,940 --> 00:25:47,410

away he tried to give away his our home

618

00:25:54,280 --> 00:25:51,950

okay and then I went to his house

619

00:25:56,890 --> 00:25:54,290

because while he was in actually David

620

00:25:59,320 --> 00:25:56,900

three days after they let him out cami

621

00:26:02,080 --> 00:25:59,330

mental health I was dude i said hey Mike

622

00:26:04,690 --> 00:26:02,090

I said what's going on he goes Mike's

623

00:26:08,050 --> 00:26:04,700

not here he goes I'm running the show

624

00:26:10,540 --> 00:26:08,060

now so it was like a possession like it

625

00:26:11,950 --> 00:26:10,550

actually took over but they are all

626  
00:26:15,340 --> 00:26:11,960  
possession but they're in different

627  
00:26:17,860 --> 00:26:15,350  
degrees there's our inventor and there

628  
00:26:22,270 --> 00:26:17,870  
is and I want two attachments in there

629  
00:26:26,370 --> 00:26:22,280  
they start to influence and then and

630  
00:26:28,180 --> 00:26:26,380  
then they go for a full control issue

631  
00:26:29,890 --> 00:26:28,190  
but that's not to say every time

632  
00:26:31,810 --> 00:26:29,900  
somebody takes ecstasy for example

633  
00:26:35,110 --> 00:26:31,820  
they're going to be attached immediately

634  
00:26:37,120 --> 00:26:35,120  
does it oh no but but believe me if the

635  
00:26:37,940 --> 00:26:37,130  
energetic fields open and then you got

636  
00:26:40,700 --> 00:26:37,950  
an attack

637  
00:26:43,100 --> 00:26:40,710  
hanging around or read somebody who

638  
00:26:45,950 --> 00:26:43,110

wants to attach guess what your it's

639

00:26:47,330 --> 00:26:45,960

like fishing okay we have to take a

640

00:26:50,180 --> 00:26:47,340

break I got to interrupt you right here

641

00:26:52,100 --> 00:26:50,190

uh this is so far in one of the probably

642

00:26:53,600 --> 00:26:52,110

most interesting shows we've done i'm

643

00:26:56,180 --> 00:26:53,610

super excited by this mark you've done

644

00:27:00,019 --> 00:26:56,190

phenomenal work here booking both of

645

00:27:01,430 --> 00:27:00,029

these guys uh know it okay sir you're

646

00:27:03,350 --> 00:27:01,440

listening to truth fighters radio live

647

00:27:05,180 --> 00:27:03,360

on the inception radio network and we

648

00:27:09,560 --> 00:27:05,190

will be back in a couple of minutes when

649

00:27:11,060 --> 00:27:09,570

we get back I want to know if um when I

650

00:27:12,590 --> 00:27:11,070

need to formulate this question actually

651

00:27:14,840 --> 00:27:12,600

some of the weight I have so many

652

00:27:16,820 --> 00:27:14,850

questions yeah you got to Seoul it will

653

00:27:18,259 --> 00:27:16,830

take a break we'll have a quick breather

654

00:27:19,549 --> 00:27:18,269

here marking out trying to figure out a

655

00:27:20,659 --> 00:27:19,559

way to get out rhythm better so that

656

00:27:22,310 --> 00:27:20,669

we're actually talking over each other

657

00:27:23,810 --> 00:27:22,320

more because I know that's what you want

658

00:27:26,840 --> 00:27:23,820

as listeners it's just just be could be

659

00:27:28,519 --> 00:27:26,850

running into each other railroad but you

660

00:27:29,750 --> 00:27:28,529

listening to two thunders radio live on

661

00:27:31,700 --> 00:27:29,760

the inception radio network my name is

662

00:27:34,159 --> 00:27:31,710

art web and we will be this after back

663

00:27:37,789 --> 00:27:34,169

you're locked into inception radio

664

00:27:43,159 --> 00:27:37,799

network superior Wisconsin truth funders

665

00:27:44,779 --> 00:27:43,169

radio on the inception radio network you

666

00:27:46,909 --> 00:27:44,789

are listening to the truth funders of

667

00:27:49,970 --> 00:27:46,919

live radio show on the inception of

668

00:27:52,820 --> 00:27:49,980

radio network and the state very lively

669

00:27:54,110 --> 00:27:52,830

conversation attachments were talking

670

00:27:55,549 --> 00:27:54,120

about spirit guides talking about all

671

00:27:57,649 --> 00:27:55,559

the things that are not talked about

672

00:27:59,629 --> 00:27:57,659

enough in everyday society at all

673

00:28:01,399 --> 00:27:59,639

because these are things that inflict

674

00:28:02,899 --> 00:28:01,409

and off like every single one of us well

675

00:28:05,000 --> 00:28:02,909

maybe not every single one of us but I

676

00:28:06,769 --> 00:28:05,010

think the vast majority of us at least

677

00:28:08,029 --> 00:28:06,779

know somebody who has been inflicted by

678

00:28:10,519 --> 00:28:08,039

something like this and Mark you had the

679

00:28:11,810 --> 00:28:10,529

first question so go ahead yeah so if

680

00:28:13,519 --> 00:28:11,820

you're just joining us now from the

681

00:28:15,950 --> 00:28:13,529

break we are talking to Robert and

682

00:28:18,200 --> 00:28:15,960

Antoinette and they are they have a

683

00:28:21,110 --> 00:28:18,210

website ghost remover calm and what they

684

00:28:24,950 --> 00:28:21,120

do is they remove attachments from you

685

00:28:28,100 --> 00:28:24,960

or from people that that feel weighed

686

00:28:30,470 --> 00:28:28,110

down or might have some bad mojo sort of

687

00:28:34,789 --> 00:28:30,480

following them or around them stopping

688

00:28:37,730 --> 00:28:34,799

them from having a positive life so I

689

00:28:40,279 --> 00:28:37,740

wanted to ask you know these attachments

690

00:28:42,110 --> 00:28:40,289

that come after people do they go do

691

00:28:44,120 --> 00:28:42,120

they only go after people who are

692

00:28:47,090 --> 00:28:44,130

feeling depressed or you know is someone

693

00:28:49,009 --> 00:28:47,100

that I'll bring it back a second a

694

00:28:51,740 --> 00:28:49,019

couple weeks ago we had heidi hollis on

695

00:28:54,050 --> 00:28:51,750

our show and she's really connected

696

00:28:57,140 --> 00:28:54,060

with the other side and she was saying

697

00:28:59,150 --> 00:28:57,150

that when someone becomes possessed that

698

00:29:02,780 --> 00:28:59,160

a lot of times they like to go after

699

00:29:04,820 --> 00:29:02,790

somebody who is a light source or

700

00:29:07,070 --> 00:29:04,830

someone who is really positive and full

701  
00:29:10,160 --> 00:29:07,080  
of light because the that sort of like a

702  
00:29:12,500 --> 00:29:10,170  
bigger prize that these demons can take

703  
00:29:16,130 --> 00:29:12,510  
over now when the attachments they're

704  
00:29:18,700 --> 00:29:16,140  
not necessarily demons they're there a

705  
00:29:22,640 --> 00:29:18,710  
little bit different than that that it

706  
00:29:26,930 --> 00:29:22,650  
now i will i give you our take on it

707  
00:29:32,080 --> 00:29:26,940  
sure when and throughout time when the

708  
00:29:36,290 --> 00:29:32,090  
ghost ghost so what well as time goes by

709  
00:29:38,840 --> 00:29:36,300  
they lose the humanist and of form

710  
00:29:41,510 --> 00:29:38,850  
because as we're doing the transfer my

711  
00:29:43,850 --> 00:29:41,520  
sister is able to see the ghost so if

712  
00:29:47,330 --> 00:29:43,860  
it's a fresh ghost then they still have

713  
00:29:50,720 --> 00:29:47,340

a human form about them what as time

714

00:29:53,750 --> 00:29:50,730

goes by 300 400 500 years they become

715

00:29:56,540 --> 00:29:53,760

distorted and they become grotesque so i

716

00:29:59,030 --> 00:29:56,550

think back in time there must have been

717

00:30:01,790 --> 00:29:59,040

some trans people doing the same same

718

00:30:03,590 --> 00:30:01,800

kind of thing and seeing them and not

719

00:30:05,810 --> 00:30:03,600

really putting the two and two together

720

00:30:09,770 --> 00:30:05,820

that they were still humans at one time

721

00:30:15,080 --> 00:30:09,780

and to continue on your question about

722

00:30:17,840 --> 00:30:15,090

going after the powerful one no they can

723

00:30:19,730 --> 00:30:17,850

you because that's if you're positive

724

00:30:22,250 --> 00:30:19,740

and you have this force field there's no

725

00:30:24,470 --> 00:30:22,260

way they can break it it has to be a

726

00:30:26,030 --> 00:30:24,480

broken person and that was going to be

727

00:30:27,800 --> 00:30:26,040

my question to that was exacting

728

00:30:30,410 --> 00:30:27,810

question was gonna have strong people

729

00:30:33,680 --> 00:30:30,420

are less susceptible to it and yeah they

730

00:30:36,980 --> 00:30:33,690

connect it in it's like a it's like you

731

00:30:40,700 --> 00:30:36,990

you have a safe and you can you can't

732

00:30:43,010 --> 00:30:40,710

crack the combination yeah if you're ten

733

00:30:48,260 --> 00:30:43,020

points again troubled I'm going to have

734

00:30:50,450 --> 00:30:48,270

you have great a great great imagery

735

00:30:52,850 --> 00:30:50,460

it's great imagery for radio a safe that

736

00:30:55,250 --> 00:30:52,860

you can't crack i love that if people

737

00:30:57,260 --> 00:30:55,260

shield on a daily basis as well you know

738

00:30:59,300 --> 00:30:57,270

I mean game you know just going about

739

00:31:01,250 --> 00:30:59,310

that you'll actually like visualizing

740

00:31:04,160 --> 00:31:01,260

themselves shielding does that help the

741

00:31:05,200 --> 00:31:04,170

process at all keep them away I i think

742

00:31:07,840 --> 00:31:05,210

if you you

743

00:31:11,769 --> 00:31:07,850

maintain a healthy outlook in life and

744

00:31:16,560 --> 00:31:11,779

then you eat properly and you exercise

745

00:31:21,880 --> 00:31:16,570

and you you you do the right things I

746

00:31:25,120 --> 00:31:21,890

then they're not going to want that that

747

00:31:26,889 --> 00:31:25,130

they will avoid positive things they

748

00:31:29,799 --> 00:31:26,899

only want the negative because that's

749

00:31:34,180 --> 00:31:29,809

what they feed they feed on the negative

750

00:31:38,950 --> 00:31:34,190

they cannot feed on positive let me know

751  
00:31:42,610 --> 00:31:38,960  
I don't think there's a difference

752  
00:31:45,010 --> 00:31:42,620  
between an attachment and as go just to

753  
00:31:46,180 --> 00:31:45,020  
let you know that's a okay let's go

754  
00:31:50,019 --> 00:31:46,190  
ahead and find that because that is

755  
00:31:51,279 --> 00:31:50,029  
important right okay so if somebody goes

756  
00:31:54,010 --> 00:31:51,289  
you have every right in the world to

757  
00:31:55,990 --> 00:31:54,020  
ghost no big deal we cannot remove ghost

758  
00:31:57,880 --> 00:31:56,000  
if they're not causing a problem they

759  
00:32:01,419 --> 00:31:57,890  
have every right to ghost but once they

760  
00:32:04,169 --> 00:32:01,429  
cross the line and they attach then then

761  
00:32:09,549 --> 00:32:04,179  
we have every right to go after them now

762  
00:32:12,909 --> 00:32:09,559  
when being not all the tasman czar bad

763  
00:32:15,490 --> 00:32:12,919

and have bad intentions like a lot if

764

00:32:17,440 --> 00:32:15,500

you go on in your listeners this is this

765

00:32:20,980 --> 00:32:17,450

one just go on to youtube and look up

766

00:32:24,549 --> 00:32:20,990

Beyonce at the Super Bowl hey Mark and

767

00:32:27,970 --> 00:32:24,559

she Morrison to this being then it's in

768

00:32:29,980 --> 00:32:27,980

a 1 1 minute and 54 seconds or something

769

00:32:32,200 --> 00:32:29,990

and we know that she picked up that

770

00:32:37,180 --> 00:32:32,210

attachment in France at the cannes film

771

00:32:40,950 --> 00:32:37,190

festival in 2011 no not got in but it's

772

00:32:45,340 --> 00:32:40,960

in there she calls it sasha fierce and

773

00:32:48,100 --> 00:32:45,350

so so so can you remove that from

774

00:32:51,630 --> 00:32:48,110

Beyonce from where you are and what does

775

00:32:54,370 --> 00:32:51,640

that procedure is is it so you couldn't

776

00:32:55,899 --> 00:32:54,380

why why wouldn't you be able to do you

777

00:32:59,260 --> 00:32:55,909

need her permission do you actually need

778

00:33:02,560 --> 00:32:59,270

to talk to her or what's the there is no

779

00:33:04,539 --> 00:33:02,570

good remote removal yeah people say I

780

00:33:07,210 --> 00:33:04,549

can do or ebook I want to meet that

781

00:33:10,269 --> 00:33:07,220

person because you can't we need to grab

782

00:33:13,659 --> 00:33:10,279

on the energy and pull it out yes it's a

783

00:33:17,640 --> 00:33:13,669

contact when we do this we actually

784

00:33:20,820 --> 00:33:17,650

enter their world and when she goes into

785

00:33:22,830 --> 00:33:20,830

I I and I put the other person into a

786

00:33:26,580 --> 00:33:22,840

trance now we're entering their world

787

00:33:29,280 --> 00:33:26,590

and that's all these are dangerous that

788

00:33:31,440 --> 00:33:29,290

sounds in cutting-edge SuperDuper

789

00:33:34,710 --> 00:33:31,450

dangerous I've been attacked a few times

790

00:33:38,250 --> 00:33:34,720

and almost run over by a driverless car

791

00:33:41,430 --> 00:33:38,260

so even ensure that either you know it's

792

00:33:43,680 --> 00:33:41,440

that's difficult for you guys patch man

793

00:33:45,840 --> 00:33:43,690

yeah but we'll get that attachment it

794

00:33:50,190 --> 00:33:45,850

might be a bottle at first depending how

795

00:33:52,430 --> 00:33:50,200

how malevolent it is and and we like

796

00:33:54,630 --> 00:33:52,440

again not all of them are are are

797

00:33:58,200 --> 00:33:54,640

killers but there's a lot of them out

798

00:34:01,050 --> 00:33:58,210

there the kids I we know that so much

799

00:34:03,450 --> 00:34:01,060

evil is done by the attachment the kid

800

00:34:07,200 --> 00:34:03,460

he went into the church he was attached

801  
00:34:12,149 --> 00:34:07,210  
by killers the guy who just got

802  
00:34:14,399 --> 00:34:12,159  
convicted oh yeah homes he was he's

803  
00:34:16,290 --> 00:34:14,409  
attached I had a really good friend who

804  
00:34:19,800 --> 00:34:16,300  
got attached he end up killing his mom

805  
00:34:23,130 --> 00:34:19,810  
and killing himself these are actually

806  
00:34:26,340 --> 00:34:23,140  
solving it so then are you able to see

807  
00:34:28,740 --> 00:34:26,350  
the attachment like remotely but you're

808  
00:34:31,460 --> 00:34:28,750  
not able to actually remove the

809  
00:34:35,639 --> 00:34:31,470  
attachment remotely is that I want right

810  
00:34:37,620 --> 00:34:35,649  
as we get the information if that person

811  
00:34:39,750 --> 00:34:37,630  
is attached this is a spirit the spirit

812  
00:34:41,610 --> 00:34:39,760  
guides remember we we have a team here

813  
00:34:44,850 --> 00:34:41,620

and then there's an incredible team on

814

00:34:50,010 --> 00:34:44,860

the other side that work with us and it

815

00:34:52,620 --> 00:34:50,020

takes everybody to do this job it's a

816

00:34:55,560 --> 00:34:52,630

it's pretty it's pretty awesome it's

817

00:34:58,080 --> 00:34:55,570

pretty incredible and amazing I'm you

818

00:35:00,180 --> 00:34:58,090

know one thing and I I want to come back

819

00:35:02,250 --> 00:35:00,190

to where we are because there's so much

820

00:35:04,320 --> 00:35:02,260

talk about here but something that I

821

00:35:06,630 --> 00:35:04,330

just have to ask real quick because I'm

822

00:35:09,750 --> 00:35:06,640

a little you know a DD as we are here on

823

00:35:12,690 --> 00:35:09,760

to thunders radio is that Antoinette you

824

00:35:15,330 --> 00:35:12,700

said that you can talk to animals or you

825

00:35:18,420 --> 00:35:15,340

can communicate with animals I'd really

826

00:35:21,090 --> 00:35:18,430

like to know more than that like what is

827

00:35:23,580 --> 00:35:21,100

my dog saying is that something that I

828

00:35:25,350 --> 00:35:23,590

could learn as like a listener or is

829

00:35:27,630 --> 00:35:25,360

that something that you just are born

830

00:35:29,310 --> 00:35:27,640

with and can you can you hear what the

831

00:35:31,020 --> 00:35:29,320

dog is saying or do you just understand

832

00:35:34,380 --> 00:35:31,030

by feeling it and

833

00:35:37,350 --> 00:35:34,390

sort of seeing imagery it just gets it

834

00:35:39,660 --> 00:35:37,360

just is the communication I give from

835

00:35:43,770 --> 00:35:39,670

all animals I've got on them all by the

836

00:35:45,780 --> 00:35:43,780

way all animals they have their own

837

00:35:48,210 --> 00:35:45,790

language but it's able to get

838

00:35:50,540 --> 00:35:48,220

interpreted to me and they're not like

839

00:35:53,760 --> 00:35:50,550

10 hi how are you they're not doing that

840

00:35:56,910 --> 00:35:53,770

the communications sometimes is

841

00:35:59,670 --> 00:35:56,920

telepathic as I'm under I have to be in

842

00:36:04,950 --> 00:35:59,680

a deep trance in order to really get the

843

00:36:07,590 --> 00:36:04,960

you know get the communication from them

844

00:36:09,750 --> 00:36:07,600

like I need to when I'm down under I

845

00:36:12,240 --> 00:36:09,760

can't even sing it for it one my there's

846

00:36:15,960 --> 00:36:12,250

a space as well there's like a mini

847

00:36:18,390 --> 00:36:15,970

vortex and then once that's created then

848

00:36:20,190 --> 00:36:18,400

the dog can understand us and we can

849

00:36:23,490 --> 00:36:20,200

understand the dog and they're super

850

00:36:26,100 --> 00:36:23,500

funny by the way oh I am so jealous

851

00:36:27,870 --> 00:36:26,110

that's something that I wish I had you

852

00:36:29,280 --> 00:36:27,880

know I feel like sometimes I really

853

00:36:33,780 --> 00:36:29,290

understand my dog and then other times

854

00:36:36,480 --> 00:36:33,790

I'm thinking what are you thinking dogs

855

00:36:39,780 --> 00:36:36,490

are by nature what are cats by nature I

856

00:36:43,950 --> 00:36:39,790

just have to know ah dear supreme being

857

00:36:46,260 --> 00:36:43,960

yeah they are above us right is my firm

858

00:36:50,070 --> 00:36:46,270

belief that they are above I do not talk

859

00:36:52,320 --> 00:36:50,080

and sometimes they'll warn you Bob how

860

00:36:54,750 --> 00:36:52,330

to fight with a strange cat that I

861

00:36:57,170 --> 00:36:54,760

brought home from the base it was about

862

00:36:59,040 --> 00:36:57,180

to be killed but I brought it home and

863

00:37:00,840 --> 00:36:59,050

he's going to tell you this story

864

00:37:03,900 --> 00:37:00,850

because it's called larious his name was

865

00:37:07,350 --> 00:37:03,910

Nolan and he was a giant Tiny's go ahead

866

00:37:10,290 --> 00:37:07,360

tell it is so and a lot of times when

867

00:37:13,170 --> 00:37:10,300

we're when we're in this this space and

868

00:37:15,330 --> 00:37:13,180

I'm checking for people for attachments

869

00:37:18,480 --> 00:37:15,340

and we're finding out if a place is on

870

00:37:20,520 --> 00:37:18,490

it and who's in that place at the same

871

00:37:24,390 --> 00:37:20,530

time any animal who's in our vicinity

872

00:37:26,910 --> 00:37:24,400

can speak so here this cat is in the

873

00:37:29,370 --> 00:37:26,920

back room and he's gone man I'm not

874

00:37:31,560 --> 00:37:29,380

really down with this you just you know

875

00:37:34,800 --> 00:37:31,570

I wish you would just leave and I can

876

00:37:38,520 --> 00:37:34,810

quiet or be quiet okay don't you're not

877

00:37:40,440 --> 00:37:38,530

going to control the situation and

878

00:37:42,120 --> 00:37:40,450

and I got aggravated a little bit

879

00:37:45,120 --> 00:37:42,130

because yeah well I'll come out there

880

00:37:47,280 --> 00:37:45,130

right now and I'll show you something so

881

00:37:49,380 --> 00:37:47,290

what that's doing here on this plane and

882

00:37:51,240 --> 00:37:49,390

are they here as just watching what are

883

00:37:53,160 --> 00:37:51,250

they doing I mean I I'm a cat person I

884

00:37:54,720 --> 00:37:53,170

have two cats I love them they're the

885

00:37:57,240 --> 00:37:54,730

best what the hell are they doing you

886

00:37:59,460 --> 00:37:57,250

but lesbian wait effective so he's

887

00:38:00,540 --> 00:37:59,470

telling this cat just you you're not

888

00:38:02,430 --> 00:38:00,550

going to come around here and do

889

00:38:06,210 --> 00:38:02,440

anything and he goes on yeah but cat did

890

00:38:08,100 --> 00:38:06,220

and tell me within three seconds here

891

00:38:10,650 --> 00:38:08,110

comes his cat around the corner right

892

00:38:15,090 --> 00:38:10,660

out at me at full speed like he's going

893

00:38:18,960 --> 00:38:15,100

to get me and I'm like whoa holy mode so

894

00:38:22,020 --> 00:38:18,970

the communication is that direct yeah

895

00:38:24,150 --> 00:38:22,030

but normally cats will not you know

896

00:38:25,560 --> 00:38:24,160

engage in a conversation with you it has

897

00:38:28,170 --> 00:38:25,570

to be a pretty special I don't think

898

00:38:31,110 --> 00:38:28,180

I've ever spoke to a cat who with oh hey

899

00:38:32,730 --> 00:38:31,120

are you doing no no no yeah no I'm very

900

00:38:35,820 --> 00:38:32,740

effective they don't want you to know

901  
00:38:39,570 --> 00:38:35,830  
that they're as you know supreme as they

902  
00:38:41,040 --> 00:38:39,580  
are but did yeah that is their attitude

903  
00:38:43,890 --> 00:38:41,050  
though they are they feel they are the

904  
00:38:46,260 --> 00:38:43,900  
Supreme One and their been to the dog

905  
00:38:49,080 --> 00:38:46,270  
and we don't really know the big thing

906  
00:38:52,410 --> 00:38:49,090  
is we don't need you we can point I can

907  
00:38:54,030 --> 00:38:52,420  
take care of myself need be so it's all

908  
00:38:56,280 --> 00:38:54,040  
I need is somebody to open the door when

909  
00:38:58,380 --> 00:38:56,290  
I want them to feed me when I want and

910  
00:39:00,300 --> 00:38:58,390  
that's that's it yeah I can't wait baby

911  
00:39:02,690 --> 00:39:00,310  
a gap personally I mean that's the

912  
00:39:05,130 --> 00:39:02,700  
ultimate life it's interesting because

913  
00:39:08,970 --> 00:39:05,140

cats also just to finish the thought

914

00:39:11,340 --> 00:39:08,980

have a biology and anatomy that is

915

00:39:12,750 --> 00:39:11,350

unique only to itself on the planet

916

00:39:15,060 --> 00:39:12,760

earth everybody else can be linked and

917

00:39:16,500 --> 00:39:15,070

kind of you know shown as bit having

918

00:39:19,110 --> 00:39:16,510

broken one off the other somehow but

919

00:39:20,520 --> 00:39:19,120

cats are all on their own and nobody

920

00:39:22,350 --> 00:39:20,530

knows where they came from or how they

921

00:39:24,060 --> 00:39:22,360

got here when they show that it cats are

922

00:39:26,340 --> 00:39:24,070

just fascinating we can there not get

923

00:39:30,030 --> 00:39:26,350

some you need and it will give you that

924

00:39:33,570 --> 00:39:30,040

information give up any info and are

925

00:39:36,660 --> 00:39:33,580

there ever attachments on our pets as

926

00:39:40,980 --> 00:39:36,670

well like them and if there are is it a

927

00:39:42,990 --> 00:39:40,990

cat attachment that the dog the dog

928

00:39:47,460 --> 00:39:43,000

breed that is the attachment of choice

929

00:39:50,220 --> 00:39:47,470

is the pit bull so okay if you're going

930

00:39:51,010 --> 00:39:50,230

to attach to an animal you're then you

931

00:39:54,730 --> 00:39:51,020

have e

932

00:39:57,040 --> 00:39:54,740

evil designs you're going to go you're

933

00:39:58,960 --> 00:39:57,050

not going to take the chihuahua want to

934

00:40:02,170 --> 00:39:58,970

know if it's like an animal to animal or

935

00:40:04,210 --> 00:40:02,180

all doing it Oh it'll be a little from

936

00:40:06,880 --> 00:40:04,220

what we understand it is I haven't seen

937

00:40:09,670 --> 00:40:06,890

a dog attach a dog to it we haven't seen

938

00:40:12,310 --> 00:40:09,680

it yet but I we have seen where a ghost

939

00:40:13,690 --> 00:40:12,320

can attach the dog you know and that

940

00:40:16,120 --> 00:40:13,700

would make sense about the pit bulls

941

00:40:19,380 --> 00:40:16,130

because i was reading it somewhere it's

942

00:40:23,350 --> 00:40:19,390

like sixty or eighty percent of all

943

00:40:28,330 --> 00:40:23,360

attacks by dogs are from the pit bull

944

00:40:29,980 --> 00:40:28,340

breed so i think i can see that so let

945

00:40:33,010 --> 00:40:29,990

me tell you a really funny story really

946

00:40:35,920 --> 00:40:33,020

quick okay so i'm in the office and this

947

00:40:40,570 --> 00:40:35,930

lady brings her dog in there and the dog

948

00:40:43,780 --> 00:40:40,580

said it was a cat before before but it's

949

00:40:45,700 --> 00:40:43,790

in a dog body and he and she's like oh

950

00:40:48,520 --> 00:40:45,710

come on now she's like no you're not

951  
00:40:51,220 --> 00:40:48,530  
he's like I am and this little dog

952  
00:40:53,470 --> 00:40:51,230  
sprung from the support all the way up

953  
00:40:56,800 --> 00:40:53,480  
to our cabinet like a cat and just stood

954  
00:40:58,650 --> 00:40:56,810  
there right after the animal told her

955  
00:41:01,300 --> 00:40:58,660  
that yeah so they reincarnate

956  
00:41:04,210 --> 00:41:01,310  
reincarnate also and they basically stay

957  
00:41:07,300 --> 00:41:04,220  
within their I mean right and we've also

958  
00:41:09,640 --> 00:41:07,310  
had like a guy who got had to be a dog

959  
00:41:12,070 --> 00:41:09,650  
because he was a dog in the 60s he's

960  
00:41:14,710 --> 00:41:12,080  
like a hippie dog and he was super funny

961  
00:41:18,060 --> 00:41:14,720  
but those kind of things like it goes on

962  
00:41:20,200 --> 00:41:18,070  
and on there's no end to what we do ya

963  
00:41:22,230 --> 00:41:20,210

question what she's saying is the guy

964

00:41:26,290 --> 00:41:22,240

who acted like a dog he was a womanizer

965

00:41:28,450 --> 00:41:26,300

so the penalty as being a womanizer so

966

00:41:33,640 --> 00:41:28,460

you want to act like a dog you can be a

967

00:41:37,060 --> 00:41:33,650

dog this life let's guess and you have a

968

00:41:39,430 --> 00:41:37,070

lot to say have you ever had to remove

969

00:41:42,250 --> 00:41:39,440

and this will be my last pet question

970

00:41:45,400 --> 00:41:42,260

it's a segue and back into attachments

971

00:41:47,920 --> 00:41:45,410

and people but have you ever had to

972

00:41:50,440 --> 00:41:47,930

remove an attachment from a pet has

973

00:41:54,250 --> 00:41:50,450

anybody ever asked you to do that no

974

00:41:55,810 --> 00:41:54,260

nope because we don't believe that we

975

00:41:57,280 --> 00:41:55,820

don't believe animals attached to

976

00:42:00,490 --> 00:41:57,290

animals is that what you're saying yeah

977

00:42:02,850 --> 00:42:00,500

well or ghostly attachment yeah we don't

978

00:42:04,770 --> 00:42:02,860

it's something that that

979

00:42:07,170 --> 00:42:04,780

not really prevalent they didn't exist

980

00:42:10,050 --> 00:42:07,180

but a lot of things may exist out there

981

00:42:12,360 --> 00:42:10,060

but will tell you in 17 years and this

982

00:42:17,150 --> 00:42:12,370

is what we're covering today can ask us

983

00:42:24,540 --> 00:42:21,530

I mean we talk to horses we talked to

984

00:42:28,080 --> 00:42:24,550

yeah we talked to his name frog yeah

985

00:42:29,400 --> 00:42:28,090

Prime yeah ya well what what has been

986

00:42:31,230 --> 00:42:29,410

the most like you know interesting

987

00:42:33,210 --> 00:42:31,240

animal that you've spoken to just in

988

00:42:36,120 --> 00:42:33,220

terms of surprising personality or

989

00:42:40,200 --> 00:42:36,130

anything is a one eat well and memory

990

00:42:42,660 --> 00:42:40,210

now you're nita with the frog it was it

991

00:42:45,120 --> 00:42:42,670

was a penalty it was a man who acted

992

00:42:48,210 --> 00:42:45,130

like he was a female so he was kind of

993

00:42:50,100 --> 00:42:48,220

living male and female lives at the same

994

00:42:53,040 --> 00:42:50,110

time are you saying Caitlyn Jenner's

995

00:42:56,280 --> 00:42:53,050

coming back as a frog well yeah yeah I

996

00:42:57,960 --> 00:42:56,290

want to talk about yeah that let me tell

997

00:43:02,070 --> 00:42:57,970

you Caitlyn Jenner he's attached by two

998

00:43:03,870 --> 00:43:02,080

women ok so those two women I ran in him

999

00:43:06,090 --> 00:43:03,880

and he was tryna back if you guys

1000

00:43:07,980 --> 00:43:06,100

physically see that when you see him or

1001  
00:43:09,390 --> 00:43:07,990  
her / her speaking on television or what

1002  
00:43:11,940 --> 00:43:09,400  
I was not something you can pick up on I

1003  
00:43:14,960 --> 00:43:11,950  
wasn't as vicious before he even made

1004  
00:43:17,490 --> 00:43:14,970  
that and then we'd just put him in the

1005  
00:43:19,380 --> 00:43:17,500  
same way that I do everything I found

1006  
00:43:21,300 --> 00:43:19,390  
his name at birth and his birthday and I

1007  
00:43:23,700 --> 00:43:21,310  
gave it to the spirit guide and they

1008  
00:43:27,050 --> 00:43:23,710  
said yes he's attached he's got women on

1009  
00:43:29,610 --> 00:43:27,060  
him and it basically taking him over a

1010  
00:43:38,060 --> 00:43:29,620  
new women were evil no it's no son sense

1011  
00:43:45,800 --> 00:43:40,620  
don't sell this yeah most other things I

1012  
00:43:48,650 --> 00:43:45,810  
suppose so so then um you know what is

1013  
00:43:51,060 --> 00:43:48,660

when you do remove these these

1014

00:43:53,220 --> 00:43:51,070

attachments from people you know is it

1015

00:43:55,260 --> 00:43:53,230

something that that would hurt the

1016

00:43:58,560 --> 00:43:55,270

person when they are in the trance do

1017

00:44:01,350 --> 00:43:58,570

they feel it is there a physical quality

1018

00:44:05,490 --> 00:44:01,360

at that that hurts them or does it feel

1019

00:44:08,630 --> 00:44:05,500

good what is the side effect if any what

1020

00:44:11,460 --> 00:44:08,640

you'll have some residual sometimes they

1021

00:44:13,770 --> 00:44:11,470

they have an emptiness because they're

1022

00:44:15,390 --> 00:44:13,780

so used to it's like they've had a party

1023

00:44:15,910 --> 00:44:15,400

going off before a long time and all of

1024

00:44:18,370 --> 00:44:15,920

a sudden

1025

00:44:20,890 --> 00:44:18,380

everybody the party's over and then they

1026

00:44:23,860 --> 00:44:20,900

sit there [h\_\_h] Wow what's all the

1027

00:44:26,230 --> 00:44:23,870

solitude but now we have done removals

1028

00:44:29,950 --> 00:44:26,240

where people will go with a second is it

1029

00:44:31,990 --> 00:44:29,960

in my burning on my stomach um are you

1030

00:44:33,610 --> 00:44:32,000

guys holding a candle on my head what

1031

00:44:35,140 --> 00:44:33,620

else is there well they can feel the

1032

00:44:37,750 --> 00:44:35,150

energy they can feel the attention

1033

00:44:40,270 --> 00:44:37,760

trying to escape shifting I guess that

1034

00:44:43,030 --> 00:44:40,280

for the duration and also wherever there

1035

00:44:47,830 --> 00:44:43,040

is that's what resides in the body they

1036

00:44:49,840 --> 00:44:47,840

can have physical ailments there we've

1037

00:44:52,360 --> 00:44:49,850

removed them in all of a sudden physical

1038

00:44:55,270 --> 00:44:52,370

ailments leave back pain had been their

1039

00:44:58,600 --> 00:44:55,280

persistent product for 15 years we do

1040

00:45:00,670 --> 00:44:58,610

the removal no more back pain so we're

1041

00:45:02,440 --> 00:45:00,680

not saying everybody who has physical

1042

00:45:05,050 --> 00:45:02,450

ailments has the attachment but we do

1043

00:45:10,030 --> 00:45:05,060

know wherever they're residing there

1044

00:45:16,600 --> 00:45:10,040

creating problems and so um so what is

1045

00:45:19,630 --> 00:45:16,610

the V I guess you know for somebody m

1046

00:45:21,970 --> 00:45:19,640

okay here it is how often do you get

1047

00:45:23,740 --> 00:45:21,980

called upon for a removal is it

1048

00:45:25,420 --> 00:45:23,750

something that happens on a weekly basis

1049

00:45:27,460 --> 00:45:25,430

do you get five of them a week do you

1050

00:45:28,900 --> 00:45:27,470

get one of them a month is it like only

1051  
00:45:30,400 --> 00:45:28,910  
a couple are you swimming in them and

1052  
00:45:33,280 --> 00:45:30,410  
you're so backed up that there's no way

1053  
00:45:36,250 --> 00:45:33,290  
you could ever get to all of them well

1054  
00:45:40,360 --> 00:45:36,260  
if we set up shop we would have a

1055  
00:45:43,630 --> 00:45:40,370  
never-ending line seven days a week 24

1056  
00:45:46,840 --> 00:45:43,640  
hours a day that's how village it's an

1057  
00:45:50,140 --> 00:45:46,850  
epidemic and we and a lot of times

1058  
00:45:51,910 --> 00:45:50,150  
spirit guides direct their these people

1059  
00:45:54,280 --> 00:45:51,920  
to us I have a story on the website

1060  
00:45:58,540 --> 00:45:54,290  
where this girl Maria walks out of her

1061  
00:46:02,470 --> 00:45:58,550  
alone in San Diego walks over a mile to

1062  
00:46:04,720 --> 00:46:02,480  
a I never had a neighborhood stops in

1063  
00:46:06,310 --> 00:46:04,730

front of a house where woman is watering

1064

00:46:08,770 --> 00:46:06,320

the lawn and says you know I don't want

1065

00:46:11,260 --> 00:46:08,780

to startle you or scare you but I have a

1066

00:46:14,590 --> 00:46:11,270

voice telling me that you know a man

1067

00:46:17,650 --> 00:46:14,600

named Robert who can help me and I knew

1068

00:46:20,110 --> 00:46:17,660

the woman water in the lawn yeah so they

1069

00:46:21,940 --> 00:46:20,120

are guided to us so a lot of times if

1070

00:46:23,380 --> 00:46:21,950

they have relatives on the other side

1071

00:46:25,870 --> 00:46:23,390

the relatives knows that they're

1072

00:46:28,970 --> 00:46:25,880

attached and they will guide that person

1073

00:46:31,430 --> 00:46:28,980

to us and you're what ya will we can do

1074

00:46:34,880 --> 00:46:31,440

I think that most we've done is like 30

1075

00:46:37,190 --> 00:46:34,890

in a month and then you know this is

1076  
00:46:40,160 --> 00:46:37,200  
something to that we can we can touch on

1077  
00:46:43,220 --> 00:46:40,170  
you know I do you get paid for this

1078  
00:46:45,380 --> 00:46:43,230  
because I think during the break we are

1079  
00:46:47,000 --> 00:46:45,390  
talking about that a little bit and just

1080  
00:46:49,190 --> 00:46:47,010  
for the audience out there if they if

1081  
00:46:51,290 --> 00:46:49,200  
they want this done if they think there

1082  
00:46:54,109 --> 00:46:51,300  
is something attached them I guess

1083  
00:46:57,680 --> 00:46:54,119  
there's three questions here for you one

1084  
00:47:00,109 --> 00:46:57,690  
is how often do people say that they're

1085  
00:47:02,030 --> 00:47:00,119  
attached and they're not attached sort

1086  
00:47:04,670 --> 00:47:02,040  
of what's that percentage ratio I'm

1087  
00:47:06,680 --> 00:47:04,680  
question number two would be you know if

1088  
00:47:08,660 --> 00:47:06,690

if they are attached how much would

1089

00:47:11,690 --> 00:47:08,670

something like this cost somebody is

1090

00:47:13,880 --> 00:47:11,700

there a price there it's priceless let

1091

00:47:15,230 --> 00:47:13,890

me tell you that we know that and we

1092

00:47:17,540 --> 00:47:15,240

don't want to come in and I don't want

1093

00:47:20,630 --> 00:47:17,550

to be like these these guys out there

1094

00:47:22,340 --> 00:47:20,640

but yeah if you have a donation to us

1095

00:47:23,960 --> 00:47:22,350

and you can help me pay for that office

1096

00:47:26,270 --> 00:47:23,970

my sister is not working right now she

1097

00:47:28,790 --> 00:47:26,280

has it health issues I mean we're but

1098

00:47:31,130 --> 00:47:28,800

it's not what you know there's a value

1099

00:47:33,770 --> 00:47:31,140

and it's not what you can pay it's just

1100

00:47:36,740 --> 00:47:33,780

like we just like your nations for the

1101

00:47:39,200 --> 00:47:36,750

office put it that way yeah I keep it

1102

00:47:42,109 --> 00:47:39,210

might love day yeah you're right what is

1103

00:47:44,150 --> 00:47:42,119

this pit yeah may make it so big that we

1104

00:47:47,090 --> 00:47:44,160

could set up a school make it so big

1105

00:47:49,550 --> 00:47:47,100

that I we could just you know I work I

1106

00:47:52,430 --> 00:47:49,560

work 40 hours a week and another job and

1107

00:47:54,440 --> 00:47:52,440

here I I'm kind of relegated to doing

1108

00:47:57,320 --> 00:47:54,450

this on weekends because I don't have

1109

00:47:58,730 --> 00:47:57,330

the time during the day during bag if

1110

00:48:01,130 --> 00:47:58,740

you were making a decent living from

1111

00:48:03,440 --> 00:48:01,140

doing this essentially you could you

1112

00:48:06,560 --> 00:48:03,450

could have so much more time to dedicate

1113

00:48:10,160 --> 00:48:06,570

towards providing nervous I mean thinks

1114

00:48:11,840 --> 00:48:10,170

it's unfathomable right you know it's

1115

00:48:15,050 --> 00:48:11,850

kind of like spider-man you know Peter

1116

00:48:17,990 --> 00:48:15,060

Parker you know you happy it's a secret

1117

00:48:20,780 --> 00:48:18,000

identity and it has great power comes

1118

00:48:23,120 --> 00:48:20,790

great responsibility yeah we've been

1119

00:48:26,930 --> 00:48:23,130

looked at by four different times with

1120

00:48:29,720 --> 00:48:26,940

big production companies to get our show

1121

00:48:31,670 --> 00:48:29,730

going like a reality show of some sort

1122

00:48:34,250 --> 00:48:31,680

blood while we've been looked at we've

1123

00:48:36,470 --> 00:48:34,260

been felt we film sizzles we've done

1124

00:48:38,840 --> 00:48:36,480

this and then when it gets to up there

1125

00:48:41,560 --> 00:48:38,850

all of them they're like oh my gosh you

1126

00:48:44,230 --> 00:48:41,570

know it it's too much for too heavy

1127

00:48:46,720 --> 00:48:44,240

really and so can you tell us a story

1128

00:48:48,310 --> 00:48:46,730

about that like what have you done baby

1129

00:48:50,980 --> 00:48:48,320

event own documentary is what you guys

1130

00:48:53,230 --> 00:48:50,990

need yeah right we tried to get in with

1131

00:48:55,000 --> 00:48:53,240

Lisa Ling and because I thought she

1132

00:48:56,860 --> 00:48:55,010

could do doobie you know what we can

1133

00:48:59,260 --> 00:48:56,870

work with you see all these army guys

1134

00:49:02,440 --> 00:48:59,270

are the military guys coming back from

1135

00:49:05,650 --> 00:49:02,450

from from Iraq they're attached by the

1136

00:49:07,690 --> 00:49:05,660

people they killed or maybe some of the

1137

00:49:10,690 --> 00:49:07,700

relatives they've killed uh you know

1138

00:49:13,630 --> 00:49:10,700

what I mean like how do you explain it

1139

00:49:15,610 --> 00:49:13,640

like you would be like coming back and

1140

00:49:16,930 --> 00:49:15,620

you're like depressed in these are the

1141

00:49:18,490 --> 00:49:16,940

military guys and they're killing

1142

00:49:20,950 --> 00:49:18,500

themselves towards an opening fire on

1143

00:49:23,320 --> 00:49:20,960

other people you know yeah they did in

1144

00:49:25,060 --> 00:49:23,330

the Chris Kyle guy when when he died the

1145

00:49:26,980 --> 00:49:25,070

person we know the guy who killed him

1146

00:49:29,260 --> 00:49:26,990

was totally attached no he's he's

1147

00:49:30,670 --> 00:49:29,270

attached by an Iraqi guess what that guy

1148

00:49:34,300 --> 00:49:30,680

who was weak enough he was depressed

1149

00:49:36,850 --> 00:49:34,310

enough where data that that person could

1150

00:49:38,530 --> 00:49:36,860

take him over and he'd shoot him so so

1151  
00:49:41,680 --> 00:49:38,540  
here is a guy takes the blame for but

1152  
00:49:44,410 --> 00:49:41,690  
was actually an energetic being that

1153  
00:49:45,520 --> 00:49:44,420  
actually caused the his demise so we

1154  
00:49:47,410 --> 00:49:45,530  
know that these guys are filming

1155  
00:49:49,630 --> 00:49:47,420  
themselves a trait every day I have

1156  
00:49:51,730 --> 00:49:49,640  
people secretly coming to us from the

1157  
00:49:53,530 --> 00:49:51,740  
military and they're saying can you do

1158  
00:49:55,270 --> 00:49:53,540  
it can you do it but you can't tell them

1159  
00:49:57,610 --> 00:49:55,280  
it's like this they'll never believe it

1160  
00:49:59,680 --> 00:49:57,620  
I go we'll listen there's a truth factor

1161  
00:50:01,240 --> 00:49:59,690  
here we have to be honest about this

1162  
00:50:03,370 --> 00:50:01,250  
they're not going to come in here we're

1163  
00:50:05,860 --> 00:50:03,380

not going to do some smoke screens I'm

1164

00:50:07,540 --> 00:50:05,870

going to tell them who's on you and I'm

1165

00:50:08,800 --> 00:50:07,550

going to take it off in here and we're

1166

00:50:11,830 --> 00:50:08,810

going to send you out you're going to go

1167

00:50:13,540 --> 00:50:11,840

back to your life and your families and

1168

00:50:17,860 --> 00:50:13,550

you're going to live a life you're not

1169

00:50:19,390 --> 00:50:17,870

going to end up suicidal I think that's

1170

00:50:21,940 --> 00:50:19,400

great and it's positive and you know a

1171

00:50:24,790 --> 00:50:21,950

lot of what we do at truth blunders you

1172

00:50:27,520 --> 00:50:24,800

know our website we help people that

1173

00:50:29,200 --> 00:50:27,530

have paranormal projects out there maybe

1174

00:50:32,440 --> 00:50:29,210

they're trying to do research maybe

1175

00:50:35,020 --> 00:50:32,450

they're creating books or writing books

1176  
00:50:38,260 --> 00:50:35,030  
or want to make dvds or documentaries

1177  
00:50:40,300 --> 00:50:38,270  
and it's it's crowdfunding so they come

1178  
00:50:42,070 --> 00:50:40,310  
to us and they create a project on our

1179  
00:50:43,860 --> 00:50:42,080  
site and they say they're trying to

1180  
00:50:46,510 --> 00:50:43,870  
raise you know a thousand dollars

1181  
00:50:48,850 --> 00:50:46,520  
\$10,000 whatever it might be and then

1182  
00:50:51,820 --> 00:50:48,860  
they offer you know you know if for your

1183  
00:50:53,680 --> 00:50:51,830  
\$25 donation you get a shirt for your

1184  
00:50:54,740 --> 00:50:53,690  
fifty dollar donation you'll get a

1185  
00:50:57,170 --> 00:50:54,750  
credit in the

1186  
00:50:59,570 --> 00:50:57,180  
in the movie when it comes out different

1187  
00:51:02,360 --> 00:50:59,580  
things like that and so it's a it's a

1188  
00:51:03,890 --> 00:51:02,370

donation system and you know people

1189

00:51:07,660 --> 00:51:03,900

donate but they get something in return

1190

00:51:10,460 --> 00:51:07,670

and and that way it's sort of like a

1191

00:51:12,860 --> 00:51:10,470

it's it's part of the community to so

1192

00:51:15,470 --> 00:51:12,870

other people who see those projects up

1193

00:51:17,870 --> 00:51:15,480

up there you know other radio show hosts

1194

00:51:19,910 --> 00:51:17,880

they contact us a lot of the time they

1195

00:51:22,010 --> 00:51:19,920

say truth lenders can you get us in

1196

00:51:23,450 --> 00:51:22,020

touch with that particular person that

1197

00:51:25,790 --> 00:51:23,460

has that project I'd love to interview

1198

00:51:28,190 --> 00:51:25,800

them on on our show and we try to help

1199

00:51:30,290 --> 00:51:28,200

them sort of get out there and raise the

1200

00:51:32,270 --> 00:51:30,300

money but it's it's a topic we talked

1201

00:51:35,450 --> 00:51:32,280

about on the show a lot because you know

1202

00:51:38,330 --> 00:51:35,460

on one on one hand a lot of people think

1203

00:51:41,180 --> 00:51:38,340

oh well just because you're you know if

1204

00:51:43,280 --> 00:51:41,190

you ask for money it means you're fake

1205

00:51:44,990 --> 00:51:43,290

or that you're a fraud but that's not

1206

00:51:46,490 --> 00:51:45,000

necessarily true a lot of times people

1207

00:51:48,590 --> 00:51:46,500

are trying to raise money because they

1208

00:51:51,500 --> 00:51:48,600

want to just make the project happen

1209

00:51:55,940 --> 00:51:51,510

they just need you know that funding to

1210

00:52:00,410 --> 00:51:55,950

move forward or two of it baby you can't

1211

00:52:04,430 --> 00:52:00,420

work yes demoscene okay so they got to

1212

00:52:06,590 --> 00:52:04,440

get over it it's not like I'm here China

1213

00:52:08,420 --> 00:52:06,600

somebody says well what if they call it

1214

00:52:10,430 --> 00:52:08,430

whatever some people say you're a show

1215

00:52:12,170 --> 00:52:10,440

and I said well if I am I'm pretty bad

1216

00:52:14,330 --> 00:52:12,180

one well look I think more than anything

1217

00:52:17,120 --> 00:52:14,340

what you guys need is awareness and

1218

00:52:19,250 --> 00:52:17,130

discussion and jobs they are public like

1219

00:52:21,860 --> 00:52:19,260

knowledge of what you guys are doing I

1220

00:52:24,140 --> 00:52:21,870

think if there was more general just

1221

00:52:26,450 --> 00:52:24,150

attention going in your direction you

1222

00:52:28,610 --> 00:52:26,460

would have no problems finding funding

1223

00:52:30,470 --> 00:52:28,620

especially if you're getting the results

1224

00:52:32,450 --> 00:52:30,480

that you you know that you have clearly

1225

00:52:34,820 --> 00:52:32,460

like logged and all that uh it's just

1226

00:52:36,350 --> 00:52:34,830

it's a matter of getting the name out

1227

00:52:38,180 --> 00:52:36,360

there and really the information and

1228

00:52:40,700 --> 00:52:38,190

that's that's that's why we wanted to

1229

00:52:43,010 --> 00:52:40,710

get our show going and get it out there

1230

00:52:45,890 --> 00:52:43,020

because if it did get out there it's so

1231

00:52:48,710 --> 00:52:45,900

crazy it would absolutely be the best

1232

00:52:50,690 --> 00:52:48,720

show on the planet yeah I have no no

1233

00:52:52,610 --> 00:52:50,700

doubt about that all right you need to

1234

00:52:53,720 --> 00:52:52,620

take action sorry guys we gotta take a

1235

00:52:55,520 --> 00:52:53,730

quick break we're at the top of the hour

1236

00:52:58,370 --> 00:52:55,530

here this show is just flying by this

1237

00:53:00,110 --> 00:52:58,380

week and it's it's a good one and this

1238

00:53:01,700 --> 00:53:00,120

has been nothing but fun and in this

1239

00:53:04,820 --> 00:53:01,710

last half hour here we always encourage

1240

00:53:06,710 --> 00:53:04,830

you as listeners to call in engage

1241

00:53:08,359 --> 00:53:06,720

interact speak with answer that she's

1242

00:53:09,980 --> 00:53:08,369

got you know because she sees

1243

00:53:11,660 --> 00:53:09,990

she sees them maybe you see ghosts I

1244

00:53:13,609 --> 00:53:11,670

know my mom she goes my mom sees them on

1245

00:53:15,470 --> 00:53:13,619

a daily basis always seeing ghosts I'm

1246

00:53:17,690 --> 00:53:15,480

actually seeing goes yeah and we have

1247

00:53:20,390 --> 00:53:17,700

gifts this week if you if you call in

1248

00:53:21,980 --> 00:53:20,400

and want to talk to Robert and

1249

00:53:24,499 --> 00:53:21,990

Antoinette about you know potentially

1250

00:53:26,180 --> 00:53:24,509

there's maybe there's an attachment that

1251

00:53:28,700 --> 00:53:26,190

you think you have we'd love to hear why

1252

00:53:31,009 --> 00:53:28,710

and we also have gifts to give away

1253

00:53:32,089 --> 00:53:31,019

truth Thunder schwag so go ahead what's

1254

00:53:33,440 --> 00:53:32,099

the phone number marking the phone

1255

00:53:36,609 --> 00:53:33,450

number now so they can write it down and

1256

00:53:43,009 --> 00:53:36,619

dial up during the break sure it's 88 89

1257

00:53:45,140 --> 00:53:43,019

192 355 that's 8 8 8 9 192 355 and

1258

00:53:47,660 --> 00:53:45,150

that's a free call and you will get free

1259

00:53:49,430 --> 00:53:47,670

stuff from truth funders as well as some

1260

00:53:51,079 --> 00:53:49,440

great advice from Robert and Antoinette

1261

00:53:52,460 --> 00:53:51,089

if you want mark and I to sign it will

1262

00:53:55,339 --> 00:53:52,470

do that too and no it won't be worth

1263

00:53:57,140 --> 00:53:55,349

this much but we will do it 88 91 92 355

1264

00:53:58,670 --> 00:53:57,150

is the telephone number we will be right

1265

00:54:00,289 --> 00:53:58,680

back here on true thunders radio my name

1266

00:54:02,210 --> 00:54:00,299

is our web with Marsh once on the

1267

00:54:04,700 --> 00:54:02,220

inception radio network we'll talk to

1268

00:54:08,359 --> 00:54:04,710

you you're locked into inception radio

1269

00:54:13,460 --> 00:54:08,369

network superior Wisconsin true funders

1270

00:54:16,069 --> 00:54:13,470

radio on the inception radio network we

1271

00:54:18,410 --> 00:54:16,079

are back live you're on inception radio

1272

00:54:20,299 --> 00:54:18,420

network this is true funders radio- our

1273

00:54:22,670 --> 00:54:20,309

web here with mark schwartz and we are

1274

00:54:24,470 --> 00:54:22,680

talking with robin major and his sister

1275

00:54:27,289 --> 00:54:24,480

Antoinette about everything that is

1276

00:54:29,380 --> 00:54:27,299

ghost attachments and spirit guides all

1277

00:54:31,549 --> 00:54:29,390

really everything that is essential

1278

00:54:33,890 --> 00:54:31,559

conversation that we should be having as

1279

00:54:36,349 --> 00:54:33,900

a society and populous in general that

1280

00:54:38,809 --> 00:54:36,359

for some reason nobody is paying any

1281

00:54:40,729 --> 00:54:38,819

attention to because somehow someway all

1282

00:54:44,420 --> 00:54:40,739

of these things that are universal

1283

00:54:47,749 --> 00:54:44,430

energy have been just you know funneled

1284

00:54:50,599 --> 00:54:47,759

into this superstition type of almost

1285

00:54:52,789 --> 00:54:50,609

witchcraft sort of you know taboo the

1286

00:54:54,229 --> 00:54:52,799

the puritanical values that this country

1287

00:54:55,729 --> 00:54:54,239

was founded on just completely

1288

00:54:57,529 --> 00:54:55,739

eradicated any possibility for these

1289

00:55:00,470 --> 00:54:57,539

conversations but over the course of

1290

00:55:01,640 --> 00:55:00,480

time you know the truth will rise as it

1291

00:55:03,739 --> 00:55:01,650

always does and we're in the middle of

1292

00:55:06,259 --> 00:55:03,749

rising that truth right here on truth

1293

00:55:07,460 --> 00:55:06,269

finders radio we have so many things

1294

00:55:08,690 --> 00:55:07,470

that we wanted to get into before the

1295

00:55:10,190 --> 00:55:08,700

end of the show so we should start off

1296

00:55:11,539 --> 00:55:10,200

now with the lightning round you guys

1297

00:55:14,049 --> 00:55:11,549

said during the break you wanted to tell

1298

00:55:16,489 --> 00:55:14,059

story about a child quickly can it be

1299

00:55:19,819 --> 00:55:16,499

catchin be passed from parent to child

1300

00:55:22,160 --> 00:55:19,829

and you know if a mother gives birth can

1301

00:55:24,350 --> 00:55:22,170

that attachment just move

1302

00:55:27,860 --> 00:55:24,360

on or even split a part of itself off to

1303

00:55:29,870 --> 00:55:27,870

that child okay well I have sense that

1304

00:55:31,700 --> 00:55:29,880

you asked that question so three weeks

1305

00:55:35,240 --> 00:55:31,710

ago we had a whole family come out from

1306

00:55:39,260 --> 00:55:35,250

Houston and the young child was autistic

1307

00:55:41,900 --> 00:55:39,270

with oz burgers uh 12 years old or so

1308

00:55:43,700 --> 00:55:41,910

but crazy just crazy out there they

1309

00:55:45,800 --> 00:55:43,710

asked to check we said yeah that child

1310

00:55:47,900 --> 00:55:45,810

is attached so they go after the

1311

00:55:50,600 --> 00:55:47,910

weakened ones so the whole family comes

1312

00:55:54,890 --> 00:55:50,610

out come to find out that they're

1313

00:55:58,550 --> 00:55:54,900

attached by a clan from Scotland where

1314

00:56:00,800 --> 00:55:58,560

this man lived 3,000 years ago and he

1315

00:56:03,440 --> 00:56:00,810

had massacred a village he had taken

1316

00:56:05,330 --> 00:56:03,450

part in the massacre and he killed all

1317

00:56:09,230 --> 00:56:05,340

the women all the children everybody in

1318

00:56:11,770 --> 00:56:09,240

the village those those souls ghosted

1319

00:56:15,770 --> 00:56:11,780

and they were searching for this man for

1320

00:56:17,390 --> 00:56:15,780

3,000 years and they found him and they

1321

00:56:20,330 --> 00:56:17,400

found him when they found him they

1322

00:56:23,210 --> 00:56:20,340

attached to his entire family and their

1323

00:56:28,310 --> 00:56:23,220

only intention was to destroy his family

1324

00:56:30,950 --> 00:56:28,320

like he had destroyed there's Wow so so

1325

00:56:33,520 --> 00:56:30,960

what happens oh you're the remaini

1326  
00:56:36,080 --> 00:56:33,530  
attached to does heal after the child

1327  
00:56:40,160 --> 00:56:36,090  
although there is more there the child

1328  
00:56:42,500 --> 00:56:40,170  
had like what 12 1999 19 attachment so

1329  
00:56:45,050 --> 00:56:42,510  
she says she's like overloaded she's

1330  
00:56:48,440 --> 00:56:45,060  
causing all the rest in the family the

1331  
00:56:50,570 --> 00:56:48,450  
older sister is depressed yeah i mean at

1332  
00:56:52,940 --> 00:56:50,580  
14 going to see psychiatrist for

1333  
00:56:55,400 --> 00:56:52,950  
depression Holly's met him and all these

1334  
00:56:57,560 --> 00:56:55,410  
medicines the dads attached to mom's got

1335  
00:57:00,860 --> 00:56:57,570  
attachments and and there's just no

1336  
00:57:02,570 --> 00:57:00,870  
peace in this household so I don't know

1337  
00:57:04,940 --> 00:57:02,580  
how prevalent but I what an interesting

1338  
00:57:08,360 --> 00:57:04,950

story that was for us because only hold

1339

00:57:10,610 --> 00:57:08,370

it they told us the time period uh what

1340

00:57:12,410 --> 00:57:10,620

was in the name of them the beakers they

1341

00:57:14,570 --> 00:57:12,420

said yeah you is it part of the beakers

1342

00:57:16,910 --> 00:57:14,580

and we go ahead and we get on the

1343

00:57:19,610 --> 00:57:16,920

internet and research the time periods

1344

00:57:22,280 --> 00:57:19,620

and it's always an alignment they said

1345

00:57:26,780 --> 00:57:22,290

it was BCE and I said I never heard of

1346

00:57:31,370 --> 00:57:26,790

BCE go ahead and Google BCE there is so

1347

00:57:33,560 --> 00:57:31,380

so did it so this was the this the

1348

00:57:35,480 --> 00:57:33,570

spirits were telling you that it was bc

1349

00:57:37,700 --> 00:57:35,490

e or was it the

1350

00:57:40,070 --> 00:57:37,710

only telling you what it was yeah he has

1351

00:57:42,440 --> 00:57:40,080

no knowledge the spirit guides that I

1352

00:57:45,500 --> 00:57:42,450

deal with who comes through me when I'm

1353

00:57:48,340 --> 00:57:45,510

in trance he's the one who detailed who

1354

00:57:51,290 --> 00:57:48,350

they were and where they came from

1355

00:57:53,450 --> 00:57:51,300

sometimes people ask that question so we

1356

00:57:55,730 --> 00:57:53,460

try to clarify who they are where they

1357

00:57:57,859 --> 00:57:55,740

came from so and how long it's been on

1358

00:58:00,470 --> 00:57:57,869

and they always do that too sweet that's

1359

00:58:02,240 --> 00:58:00,480

what we can do care for measurements you

1360

00:58:04,670 --> 00:58:02,250

guys user how are you how are you able

1361

00:58:06,410 --> 00:58:04,680

to quantify difference between 19

1362

00:58:08,090 --> 00:58:06,420

attachments or 40 attachments of 12

1363

00:58:10,430 --> 00:58:08,100

attachments out what all of the essence

1364

00:58:13,100 --> 00:58:10,440

is that oh you know I can tell by the

1365

00:58:16,190 --> 00:58:13,110

darkness in a person's eyes that I go to

1366

00:58:18,859 --> 00:58:16,200

every day I see attached people going

1367

00:58:21,200 --> 00:58:18,869

through life and it's kind of it's it's

1368

00:58:23,000 --> 00:58:21,210

kind of like too bad i mean because when

1369

00:58:24,350 --> 00:58:23,010

they get to that level they're not going

1370

00:58:27,680 --> 00:58:24,360

to come in and see us those attachments

1371

00:58:30,020 --> 00:58:27,690

are basically kind of compromise that

1372

00:58:33,310 --> 00:58:30,030

individual and therefore Bob and I we

1373

00:58:35,750 --> 00:58:33,320

really don't shake too many hands

1374

00:58:37,460 --> 00:58:35,760

jumpers jumper there's all kinds of

1375

00:58:40,070 --> 00:58:37,470

different attachments so we don't really

1376

00:58:42,650 --> 00:58:40,080

write in didn't they send out a little

1377

00:58:44,930 --> 00:58:42,660

hit squad after us you know it we

1378

00:58:47,210 --> 00:58:44,940

understand darn it it's big because

1379

00:58:49,130 --> 00:58:47,220

guess what this is the problem with the

1380

00:58:52,090 --> 00:58:49,140

earth must be such a prime target like

1381

00:58:54,590 --> 00:58:52,100

you must be the you know the number one

1382

00:58:55,849 --> 00:58:54,600

most wanted list of attachments you guys

1383

00:58:57,260 --> 00:58:55,859

must be sitting right at the top they

1384

00:58:59,240 --> 00:58:57,270

must be coming up to you oh yeah we know

1385

00:59:01,580 --> 00:58:59,250

that and we know there's a danger here

1386

00:59:04,460 --> 00:59:01,590

and we could easily I mean we've been

1387

00:59:08,120 --> 00:59:04,470

attacks at the time right and but it's

1388

00:59:11,510 --> 00:59:08,130

kind of like well you know your life is

1389

00:59:14,840 --> 00:59:11,520

this is just a transitory time you you

1390

00:59:16,130 --> 00:59:14,850

exactly you you you live forever so make

1391

00:59:18,650 --> 00:59:16,140

the best out of your life live a

1392

00:59:20,990 --> 00:59:18,660

significant life do do great things help

1393

00:59:24,560 --> 00:59:21,000

animals help children help old people do

1394

00:59:25,730 --> 00:59:24,570

something and this is what we do what I

1395

00:59:27,530 --> 00:59:25,740

think it's that attitude right there

1396

00:59:29,630 --> 00:59:27,540

that ultimately will always keep you

1397

00:59:32,120 --> 00:59:29,640

guys on the side of you not being

1398

00:59:34,430 --> 00:59:32,130

overcome by these attacks they're just

1399

00:59:36,140 --> 00:59:34,440

never gonna break that barrier because

1400

00:59:38,150 --> 00:59:36,150

you're coming at it from such a strong

1401

00:59:39,470 --> 00:59:38,160

willed heart and you're aware of that

1402

00:59:43,010 --> 00:59:39,480

strongly willed hard and you're keeping

1403

00:59:45,320 --> 00:59:43,020

it is the number one uh shield to

1404

00:59:47,000 --> 00:59:45,330

towards against them that it just seems

1405

00:59:48,039 --> 00:59:47,010

to me like you really doing the day

1406

00:59:51,370 --> 00:59:48,049

don't have any more

1407

00:59:54,099 --> 00:59:51,380

about oh really hahaha that's super

1408

00:59:57,609 --> 00:59:54,109

funny can I guess we've been attacked

1409

00:59:58,809 --> 00:59:57,619

several must be powerful attacks in

1410

01:00:01,749 --> 00:59:58,819

because you know like you were saying

1411

01:00:04,299 --> 01:00:01,759

earlier on the program the real battle I

1412

01:00:05,919 --> 01:00:04,309

was doing an interview at the at the

1413

01:00:07,900 --> 01:00:05,929

hilton in mission valley here in san

1414

01:00:09,549 --> 01:00:07,910

diego and while i'm at the in the

1415

01:00:13,329 --> 01:00:09,559

interview and they're getting ready to

1416

01:00:16,419 --> 01:00:13,339

set up the the filipino yeah that for

1417

01:00:19,059 --> 01:00:16,429

one of the sizzles the Murphy bed fall

1418

01:00:22,509 --> 01:00:19,069

comes down off the wall full force right

1419

01:00:23,529 --> 01:00:22,519

on my head a city physically attacked

1420

01:00:25,870 --> 01:00:23,539

you're not even being attacked in

1421

01:00:28,089 --> 01:00:25,880

subconscious planes on this level you

1422

01:00:30,669 --> 01:00:28,099

are being attacked it is why we're

1423

01:00:32,890 --> 01:00:30,679

talking and they have physical abilities

1424

01:00:35,410 --> 01:00:32,900

so here they release that Murphy bed and

1425

01:00:37,419 --> 01:00:35,420

we're talking some serious G's coming

1426

01:00:39,160 --> 01:00:37,429

down off of that wall item got having

1427

01:00:43,539 --> 01:00:39,170

all the doctors and I and then read

1428

01:00:45,309 --> 01:00:43,549

rehabbing for a year my maggot I just

1429

01:00:47,650 --> 01:00:45,319

think it's changed by a driverless cars

1430

01:00:51,969 --> 01:00:47,660

tried to take her out she has been

1431

01:00:56,890 --> 01:00:51,979

choked out with hands on her neck I mean

1432

01:00:58,419 --> 01:00:56,900

it is a kind of uh yeah it is the kind

1433

01:01:00,609 --> 01:00:58,429

of a questionable thing a lot of you

1434

01:01:03,099 --> 01:01:00,619

says welcome you so then why do you keep

1435

01:01:04,689 --> 01:01:03,109

doing it I mean if you're if you're fit

1436

01:01:06,939 --> 01:01:04,699

and I know I already know your answer I

1437

01:01:09,370 --> 01:01:06,949

can hardly tell and it's a good night of

1438

01:01:11,049 --> 01:01:09,380

break not afraid of them yeah we're not

1439

01:01:13,689 --> 01:01:11,059

afraid of them about when you do not

1440

01:01:16,779 --> 01:01:13,699

wear that wait a second at first I way

1441

01:01:20,289 --> 01:01:16,789

and don't think I was it I was like oh

1442

01:01:22,089 --> 01:01:20,299

I'm not doing this but I just Bob just

1443

01:01:24,519 --> 01:01:22,099

like come on we're gonna do this we can

1444

01:01:28,349 --> 01:01:24,529

we can do this and help you yeah and I

1445

01:01:39,999 --> 01:01:31,479

he just we just kept on I'm like Vince

1446

01:01:42,339 --> 01:01:40,009

Lombardi you can do this well i'm sure

1447

01:01:45,459 --> 01:01:42,349

you guys feel a responsibility honestly

1448

01:01:47,319 --> 01:01:45,469

to time with the other gift that you've

1449

01:01:49,599 --> 01:01:47,329

been given to take that gift and then

1450

01:01:52,150 --> 01:01:49,609

apply it however you possibly can i mean

1451

01:01:54,039 --> 01:01:52,160

i'm sure i could ignore it aldi for so

1452

01:01:56,919 --> 01:01:54,049

long before it starts to eat away at you

1453

01:02:00,749 --> 01:01:56,929

and ultimately one of a choice what was

1454

01:02:01,900 --> 01:02:00,759

the what was the scariest or hardest

1455

01:02:04,089 --> 01:02:01,910

attached

1456

01:02:09,760 --> 01:02:04,099

remove all that that you guys have ever

1457

01:02:12,160 --> 01:02:09,770

seen in your 17 years Abram well i would

1458

01:02:13,750 --> 01:02:12,170

say Mike Mike was the one where the

1459

01:02:17,200 --> 01:02:13,760

guy's totally take them over the hobos

1460

01:02:18,970 --> 01:02:17,210

and when we went to get them I mean that

1461

01:02:21,520 --> 01:02:18,980

spirit guide says here I'm going to let

1462

01:02:23,500 --> 01:02:21,530

him talk to you and that's that and and

1463

01:02:26,980 --> 01:02:23,510

we'll bleep this one out but that that

1464

01:02:29,680 --> 01:02:26,990

dang guy starts talking English who the

1465

01:02:33,099 --> 01:02:29,690

bleep in a bleep do you think you are

1466

01:02:35,410 --> 01:02:33,109

and then hear that voice and knowing

1467

01:02:39,609 --> 01:02:35,420

saying holy cow don't have fear here

1468

01:02:41,859 --> 01:02:39,619

because here you can break you so the

1469

01:02:45,789 --> 01:02:41,869

bed back i gay I didn't hear that that

1470

01:02:48,640 --> 01:02:45,799

didn't bother me but yeah okay then

1471

01:02:51,279 --> 01:02:48,650

there was April April was talking really

1472

01:02:53,980 --> 01:02:51,289

strange wit and thinking of the room

1473

01:02:56,380 --> 01:02:53,990

they stink sometimes yeah detachment

1474

01:03:00,250 --> 01:02:56,390

smell though not all of them but some do

1475

01:03:02,140 --> 01:03:00,260

and then what is the smell made it

1476

01:03:05,559 --> 01:03:02,150

depends we had old lady she smelled like

1477

01:03:07,690 --> 01:03:05,569

rose perfume I mean we're just pulling

1478

01:03:11,380 --> 01:03:07,700

the old lady are out of the girl out of

1479

01:03:15,670 --> 01:03:11,390

a young woman and you know we got stinky

1480

01:03:18,789 --> 01:03:15,680

sewer one smelling like yeah that was

1481

01:03:21,130 --> 01:03:18,799

that April oh yeah yeah so tell us this

1482

01:03:23,829 --> 01:03:21,140

April story um so she smelled really

1483

01:03:26,200 --> 01:03:23,839

badly and what uh what else was it about

1484

01:03:28,900 --> 01:03:26,210

her that made it such a hard removal

1485

01:03:32,620 --> 01:03:28,910

yeah he started to rip this is in the

1486

01:03:35,620 --> 01:03:32,630

early time of removal right so she was

1487

01:03:38,019 --> 01:03:35,630

ripping you have her on audio oh right

1488

01:03:41,549 --> 01:03:38,029

right yeah before I just did taste yeah

1489

01:03:45,190 --> 01:03:41,559

but now he's got her on audio but she is

1490

01:03:47,769 --> 01:03:45,200

actually really creepy I mean she sounds

1491

01:03:50,380 --> 01:03:47,779

kind of like The Exorcist I guess that

1492

01:03:52,930 --> 01:03:50,390

voice box like that and we're all going

1493

01:03:55,630 --> 01:03:52,940

oh man and the storm inside the house

1494

01:03:58,240 --> 01:03:55,640

uh-huh we had a storm inside the house

1495

01:04:00,760 --> 01:03:58,250

yep that was our first removed that was

1496

01:04:02,349 --> 01:04:00,770

our yeah it was a very first removal and

1497

01:04:04,150 --> 01:04:02,359

we're all like in his friends are like

1498

01:04:05,620 --> 01:04:04,160

oh we want to see this you should have

1499

01:04:07,960 --> 01:04:05,630

seen everybody running for the door

1500

01:04:10,390 --> 01:04:07,970

inside the console wind starts blowing

1501  
01:04:12,250 --> 01:04:10,400  
and there's no windows open and the

1502  
01:04:15,070 --> 01:04:12,260  
windows are vibrating Pam yeah

1503  
01:04:19,780 --> 01:04:15,080  
yeah well everybody ran for the door to

1504  
01:04:21,300 --> 01:04:19,790  
the same time including me it's like to

1505  
01:04:24,370 --> 01:04:21,310  
get back here you have to remove this

1506  
01:04:30,070 --> 01:04:24,380  
don't we can get out can everybody with

1507  
01:04:33,310 --> 01:04:30,080  
claudia vegas trip so then sew sew

1508  
01:04:36,880 --> 01:04:33,320  
together that's a lot to take on um do

1509  
01:04:39,400 --> 01:04:36,890  
you ever do you ever think that you know

1510  
01:04:42,090 --> 01:04:39,410  
it's has there ever been like a really

1511  
01:04:45,610 --> 01:04:42,100  
funny and I know that sounds strange but

1512  
01:04:47,380 --> 01:04:45,620  
some sort of comedic type attachment

1513  
01:04:49,860 --> 01:04:47,390

where some like you couldn't believe

1514

01:04:52,420 --> 01:04:49,870

this or it made you laugh out loud or

1515

01:04:54,550 --> 01:04:52,430

does is that is it just all pure

1516

01:04:56,710 --> 01:04:54,560

darkness there's no there's no it's not

1517

01:04:58,420 --> 01:04:56,720

thank you feel for him sometimes there

1518

01:05:01,930 --> 01:04:58,430

was a kid there is a black kid who got

1519

01:05:04,300 --> 01:05:01,940

killed in in East LA at the age of 13 he

1520

01:05:07,330 --> 01:05:04,310

want to be a basketball star and he

1521

01:05:10,240 --> 01:05:07,340

attached to this guy and he wanted to

1522

01:05:12,070 --> 01:05:10,250

continue his life and it was like you

1523

01:05:14,710 --> 01:05:12,080

know he says hey Manny cuz I'm not doing

1524

01:05:16,810 --> 01:05:14,720

anything he goes I feel so bad you know

1525

01:05:19,000 --> 01:05:16,820

I I didn't want to do this but i didn't

1526

01:05:21,400 --> 01:05:19,010

i didn't get to live my life he goes

1527

01:05:23,920 --> 01:05:21,410

please don't take me off you know i'm

1528

01:05:25,330 --> 01:05:23,930

not doing anything to the guy and then

1529

01:05:27,280 --> 01:05:25,340

with the guy yeah with the guys

1530

01:05:29,260 --> 01:05:27,290

permission says well if you're okay with

1531

01:05:33,730 --> 01:05:29,270

him still hanging with you I think I

1532

01:05:36,280 --> 01:05:33,740

said yeah I'm okay no you didn't follow

1533

01:05:39,340 --> 01:05:36,290

well I go yeah I me not well he's never

1534

01:05:43,030 --> 01:05:39,350

met haha funny no o the Irish kid maybe

1535

01:05:45,640 --> 01:05:43,040

a happy feet oh happy Piazza drunk yeah

1536

01:05:47,110 --> 01:05:45,650

Adam drunk Irishman on him and he didn't

1537

01:05:48,460 --> 01:05:47,120

want the drunk Irishman to go cuz he

1538

01:05:51,070 --> 01:05:48,470

thought he was going to lose a sense of

1539

01:05:53,080 --> 01:05:51,080

humor right just one guy so we're yeah

1540

01:05:55,600 --> 01:05:53,090

we have that one but I believe we have

1541

01:05:58,570 --> 01:05:55,610

funny anything really and then were you

1542

01:06:01,210 --> 01:05:58,580

gonna crack up and yeah and do people

1543

01:06:03,790 --> 01:06:01,220

like if if you have an attachment let's

1544

01:06:05,740 --> 01:06:03,800

say i had an attachment would I be the

1545

01:06:08,260 --> 01:06:05,750

one who would reach out to you or do

1546

01:06:11,920 --> 01:06:08,270

attachment stop someone from reaching

1547

01:06:14,500 --> 01:06:11,930

out to you to try remove it yeah well

1548

01:06:17,110 --> 01:06:14,510

stop the person know that cause mental

1549

01:06:18,580 --> 01:06:17,120

breakdown or car breakdowns or say

1550

01:06:20,650 --> 01:06:18,590

you're on the way we've got people on

1551

01:06:23,140 --> 01:06:20,660

their way to us right and they're like

1552

01:06:24,710 --> 01:06:23,150

man trying to get there and somehow

1553

01:06:26,720 --> 01:06:24,720

something always happens

1554

01:06:28,760 --> 01:06:26,730

right we've had that yeah yeah sometimes

1555

01:06:31,970 --> 01:06:28,770

they go the wrong direction they can't

1556

01:06:34,040 --> 01:06:31,980

figure out their GPS I change so

1557

01:06:35,839 --> 01:06:34,050

somebody can still reach out to you with

1558

01:06:37,310 --> 01:06:35,849

an attachment saying hey get this off

1559

01:06:41,480 --> 01:06:37,320

they still have the power to do that

1560

01:06:43,609 --> 01:06:41,490

yeah I did it hey and if they can then

1561

01:06:45,980 --> 01:06:43,619

they're too far gone and it's like well

1562

01:06:47,780 --> 01:06:45,990

I wanted to help us one guy and he was

1563

01:06:49,580 --> 01:06:47,790

told he had so many on him but he was

1564

01:06:51,920 --> 01:06:49,590

totally gone they said he's not even

1565

01:06:53,450 --> 01:06:51,930

there anymore we're trying it was though

1566

01:06:55,820 --> 01:06:53,460

the guy who will the homeless guy

1567

01:06:57,589 --> 01:06:55,830

walking up and down the woman now yeah

1568

01:07:00,470 --> 01:06:57,599

he's a woman now used to be this great

1569

01:07:02,150 --> 01:07:00,480

athlete no coach for high school coach

1570

01:07:04,370 --> 01:07:02,160

to high school team always said he gets

1571

01:07:07,130 --> 01:07:04,380

attached had known him forever and he

1572

01:07:08,990 --> 01:07:07,140

pushed a car and I said man we knew he

1573

01:07:11,300 --> 01:07:09,000

had ten on him I said come on come on

1574

01:07:15,140 --> 01:07:11,310

come and see us and he wouldn't he asked

1575

01:07:16,880 --> 01:07:15,150

me if i was crazy and then he gets Denny

1576

01:07:19,490 --> 01:07:16,890

then the women take over now the guys

1577

01:07:23,210 --> 01:07:19,500

wearing Marilyn Marilyn Monroe wigs and

1578

01:07:27,260 --> 01:07:23,220

he and basic gym shorts and I'm sending

1579

01:07:30,140 --> 01:07:27,270

the wall come so yeah well whoever runs

1580

01:07:33,109 --> 01:07:30,150

the show kind of runs the show and they

1581

01:07:34,849 --> 01:07:33,119

don't it's like they always don't stay

1582

01:07:39,140 --> 01:07:34,859

with the person sometimes they move on

1583

01:07:42,140 --> 01:07:39,150

and I mean some sad sad stories a school

1584

01:07:44,359 --> 01:07:42,150

teacher gets attached by a woman out of

1585

01:07:47,930 --> 01:07:44,369

the insane asylum all of a sudden she

1586

01:07:51,200 --> 01:07:47,940

goes crazy and it just sold her life

1587

01:07:52,730 --> 01:07:51,210

life from her and those are my idea

1588

01:07:54,079 --> 01:07:52,740

because I can't physically grabbed them

1589

01:07:57,170 --> 01:07:54,089

i wish i could go up with a little bit

1590

01:08:08,720 --> 01:07:57,180

of chloroform me go boss and take that

1591

01:08:10,670 --> 01:08:08,730

off yeah it yes the darkness is big man

1592

01:08:12,650 --> 01:08:10,680

we're just barely touching the tip of

1593

01:08:15,770 --> 01:08:12,660

the iceberg but we need people to know

1594

01:08:17,539 --> 01:08:15,780

about it but I have you know a couple of

1595

01:08:18,860 --> 01:08:17,549

questions for you before we're done here

1596

01:08:20,990 --> 01:08:18,870

we only have about five more minutes

1597

01:08:24,140 --> 01:08:21,000

left then we're going to go ahead and

1598

01:08:25,849 --> 01:08:24,150

and shut down the show but I really want

1599

01:08:27,140 --> 01:08:25,859

to thank you guys for coming on today

1600

01:08:29,539 --> 01:08:27,150

because you know there are so many

1601  
01:08:31,430 --> 01:08:29,549  
questions that that we have and I know

1602  
01:08:33,200 --> 01:08:31,440  
that there's people out there that are

1603  
01:08:35,660 --> 01:08:33,210  
listening that might be dealing with

1604  
01:08:37,930 --> 01:08:35,670  
stuff you know and sure some of it is

1605  
01:08:40,720 --> 01:08:37,940  
you know could be just natural and

1606  
01:08:42,910 --> 01:08:40,730  
science based in Psychological but then

1607  
01:08:44,890 --> 01:08:42,920  
there might be something else there

1608  
01:08:48,579 --> 01:08:44,900  
might be some sort of paranormal cider

1609  
01:08:50,349 --> 01:08:48,589  
or something attaching to them so what

1610  
01:08:52,840 --> 01:08:50,359  
kind of advice do you have for those

1611  
01:08:55,900 --> 01:08:52,850  
people and and what would you say to

1612  
01:08:57,939 --> 01:08:55,910  
them how can they get help or can they

1613  
01:09:01,570 --> 01:08:57,949

reach out to you well what's that

1614

01:09:04,570 --> 01:09:01,580

process sort of entail well again I like

1615

01:09:07,269 --> 01:09:04,580

Robert afterlife Robert afterlife @

1616

01:09:09,249 --> 01:09:07,279

gmail.com we'll send me your full name

1617

01:09:11,110 --> 01:09:09,259

at birth and your birthday we give it to

1618

01:09:12,999 --> 01:09:11,120

the spirit world they'll check and see

1619

01:09:14,559 --> 01:09:13,009

if there's a cocoon around your not if

1620

01:09:16,360 --> 01:09:14,569

there's not i'm going to tell you not

1621

01:09:19,030 --> 01:09:16,370

attached and whatever problems you have

1622

01:09:21,039 --> 01:09:19,040

you have medical issues and go see a

1623

01:09:23,349 --> 01:09:21,049

doctor but if you are attached i say

1624

01:09:24,999 --> 01:09:23,359

come and see us we'll take your

1625

01:09:27,760 --> 01:09:25,009

attachment off and now we'll see what

1626

01:09:31,959 --> 01:09:27,770

happens we know that world leaders are

1627

01:09:35,050 --> 01:09:31,969

attached we know it is gone it's an

1628

01:09:38,260 --> 01:09:35,060

epidemic and guess what they don't want

1629

01:09:40,479 --> 01:09:38,270

it to be known because they're ruling

1630

01:09:43,059 --> 01:09:40,489

this place they've been here thousands

1631

01:09:44,769 --> 01:09:43,069

of years and we're new visa every time

1632

01:09:46,689 --> 01:09:44,779

around and we're just kind of like

1633

01:09:48,849 --> 01:09:46,699

frolicking in the daisies thinking

1634

01:09:51,970 --> 01:09:48,859

everything's all right and it's not all

1635

01:09:55,270 --> 01:09:51,980

right and how does it make you feel when

1636

01:09:57,430 --> 01:09:55,280

you know you see a world leader attached

1637

01:09:59,380 --> 01:09:57,440

or you know you said Beyonce earlier in

1638

01:10:02,050 --> 01:09:59,390

the show or there's just someone you're

1639

01:10:04,270 --> 01:10:02,060

walking by and maybe you you sense that

1640

01:10:07,630 --> 01:10:04,280

they're attached and you can't do

1641

01:10:09,430 --> 01:10:07,640

anything about it what what do you how

1642

01:10:11,860 --> 01:10:09,440

does that make you feel or like is there

1643

01:10:13,600 --> 01:10:11,870

any way that you have to sort of deal

1644

01:10:17,380 --> 01:10:13,610

with that because i'm sure it causes

1645

01:10:19,750 --> 01:10:17,390

some sort of anxiety yeah i mean we do

1646

01:10:22,270 --> 01:10:19,760

our best that's all we can do we do the

1647

01:10:24,280 --> 01:10:22,280

best weekend and I reached out to Bruce

1648

01:10:27,280 --> 01:10:24,290

Jenner's agent before he did the sex

1649

01:10:32,470 --> 01:10:27,290

change would be come on man don't get I

1650

01:10:35,170 --> 01:10:32,480

Mencia it happened but now so he's gone

1651

01:10:37,150 --> 01:10:35,180

we know Robin Williams had nine on them

1652

01:10:39,400 --> 01:10:37,160

and they were all causing a big

1653

01:10:42,939 --> 01:10:39,410

depression on the poor man if we hang

1654

01:10:46,419 --> 01:10:42,949

its you know he lived just down the

1655

01:10:47,950 --> 01:10:46,429

street from where I'm located oh not

1656

01:10:49,689 --> 01:10:47,960

just down the street but i would say at

1657

01:10:51,510 --> 01:10:49,699

least a few blocks away but really

1658

01:10:53,700 --> 01:10:51,520

really close here and it's

1659

01:10:55,620 --> 01:10:53,710

uh yeah that was a shame you know a

1660

01:10:58,140 --> 01:10:55,630

shame the day we lost him and and

1661

01:11:01,140 --> 01:10:58,150

definitely you know he he had some

1662

01:11:02,940 --> 01:11:01,150

demons that's for sure and do you think

1663

01:11:04,890 --> 01:11:02,950

that they're demons are they there

1664

01:11:07,170 --> 01:11:04,900

attachments they're not big enough to be

1665

01:11:08,940 --> 01:11:07,180

drink very good alright we go with the

1666

01:11:11,940 --> 01:11:08,950

demons I know people would like to hear

1667

01:11:14,010 --> 01:11:11,950

that but we've never met a demon we just

1668

01:11:16,200 --> 01:11:14,020

haven't been 17 years we haven't met a

1669

01:11:19,170 --> 01:11:16,210

demon we've met some really bad bad

1670

01:11:20,490 --> 01:11:19,180

attachments now we like the reach out if

1671

01:11:23,190 --> 01:11:20,500

you know him maybe you know the guy who

1672

01:11:27,180 --> 01:11:23,200

does let's make a deal yeah I mean that

1673

01:11:30,090 --> 01:11:27,190

guy he's got a bunch of of them and Wow

1674

01:11:32,550 --> 01:11:30,100

and who else what are some other people

1675

01:11:34,980 --> 01:11:32,560

can you can you mention any celebrities

1676

01:11:38,580 --> 01:11:34,990

are there that actress yeah we know that

1677

01:11:40,830 --> 01:11:38,590

Pierce Brosnan has one but but he's an

1678

01:11:42,750 --> 01:11:40,840

actor that's attached to him and we know

1679

01:11:45,510 --> 01:11:42,760

that these people because they want to

1680

01:11:49,830 --> 01:11:45,520

be in these attachments what would you

1681

01:11:52,140 --> 01:11:49,840

rather a hop on Beyonce or poor guy or a

1682

01:11:54,450 --> 01:11:52,150

poor guy I know you're gonna you're

1683

01:11:57,270 --> 01:11:54,460

gonna want to go for for the gust 0

1684

01:11:59,400 --> 01:11:57,280

because yeah yeah so a lot of those

1685

01:12:02,640 --> 01:11:59,410

people in Hollywood you know we know we

1686

01:12:06,420 --> 01:12:02,650

know they got him so what about sports

1687

01:12:09,540 --> 01:12:06,430

celebrities yeah yeah there's a couple

1688

01:12:11,190 --> 01:12:09,550

of them that guy Halladay I when he was

1689

01:12:13,470 --> 01:12:11,200

having all those mental issues a guy

1690

01:12:15,270 --> 01:12:13,480

from Texas I think I tried to get in

1691

01:12:16,830 --> 01:12:15,280

touch with his wife and say hey man we

1692

01:12:19,830 --> 01:12:16,840

can help him out we know he's attached

1693

01:12:22,230 --> 01:12:19,840

and we always look for certain behaviors

1694

01:12:23,550 --> 01:12:22,240

when something happens it's totally out

1695

01:12:26,100 --> 01:12:23,560

of the ordinary all of a sudden that

1696

01:12:29,010 --> 01:12:26,110

person was ok ok ok and now he's no

1697

01:12:32,190 --> 01:12:29,020

longer ok that's what we look for so Bob

1698

01:12:35,010 --> 01:12:32,200

always has reached out king he'll reach

1699

01:12:37,170 --> 01:12:35,020

out that key budding star anything and

1700

01:12:38,760 --> 01:12:37,180

tell them that's their attention we

1701

01:12:40,020 --> 01:12:38,770

never hear anything back and we think it

1702

01:12:43,380 --> 01:12:40,030

was funny cuz they think we're probably

1703

01:12:45,780 --> 01:12:43,390

some cuckoos telling him stuff you know

1704

01:12:48,030 --> 01:12:45,790

we would like to get another and he

1705

01:12:50,640 --> 01:12:48,040

doesn't care he'll still tell him he'll

1706

01:12:53,520 --> 01:12:50,650

he'll fill do all that he gets in touch

1707

01:12:55,320 --> 01:12:53,530

with people yeah you know even if

1708

01:12:57,000 --> 01:12:55,330

somebody dies and say they showed up and

1709

01:12:58,470 --> 01:12:57,010

we want and wanted to talk to us he'll

1710

01:13:00,740 --> 01:12:58,480

get in touch with their parents are oh

1711

01:13:03,270 --> 01:13:00,750

yeah he's done that quite a few times

1712

01:13:04,010 --> 01:13:03,280

yeah it's a lot of times girls come to

1713

01:13:06,110 --> 01:13:04,020

us and they want

1714

01:13:07,900 --> 01:13:06,120

help and they want to reach out I do my

1715

01:13:10,700 --> 01:13:07,910

best you know that's all I can tell you

1716

01:13:12,380 --> 01:13:10,710

well it's great and you guys you know

1717

01:13:14,780 --> 01:13:12,390

thank you so much for coming on the show

1718

01:13:17,600 --> 01:13:14,790

today art and I both really appreciate

1719

01:13:19,340 --> 01:13:17,610

it and you know everyone out there

1720

01:13:21,410 --> 01:13:19,350

listening if you feel that you have an

1721

01:13:24,680 --> 01:13:21,420

attachment and you need help you can go

1722

01:13:27,650 --> 01:13:24,690

ahead and email Robert at Robert

1723

01:13:29,810 --> 01:13:27,660

afterlife @ gmail.com and Antoinette

1724

01:13:32,030 --> 01:13:29,820

Robert I just once again from the bottom

1725

01:13:34,400 --> 01:13:32,040

bottom of my heart thank you I'll be in

1726

01:13:36,590 --> 01:13:34,410

touch with you guys I have a couple of

1727

01:13:37,970 --> 01:13:36,600

follow-up questions and I'd actually

1728

01:13:39,650 --> 01:13:37,980

like to get you back on the show

1729

01:13:41,120 --> 01:13:39,660

sometime in the future and just kind of

1730

01:13:44,450 --> 01:13:41,130

check in with you and see how things are

1731

01:13:46,190 --> 01:13:44,460

going yeah yeah I do have you know as

1732

01:13:48,850 --> 01:13:46,200

you talking we have week without made

1733

01:13:52,330 --> 01:13:48,860

goats remove your hat sorry oh great

1734

01:13:56,210 --> 01:13:52,340

come on yeah maybe we'll take you up oh

1735

01:13:58,130 --> 01:13:56,220

you can absolutely absolutely and is

1736

01:14:01,580 --> 01:13:58,140

there any where people can donate to can

1737

01:14:04,100 --> 01:14:01,590

they just go to the website wws removal

1738

01:14:06,770 --> 01:14:04,110

calm and find a way to donate or do they

1739

01:14:08,450 --> 01:14:06,780

just email you as well I think you would

1740

01:14:12,860 --> 01:14:08,460

email me if they really feel that way

1741

01:14:15,970 --> 01:14:12,870

its most removed were not get all my

1742

01:14:22,400 --> 01:14:15,980

apologies ghost remover and calm that's

1743

01:14:24,950 --> 01:14:22,410

just remove are calm all right I thank

1744

01:14:27,680 --> 01:14:24,960

you both you are fantastic as well I

1745

01:14:29,570 --> 01:14:27,690

can't believe truth funders radio went

1746

01:14:33,590 --> 01:14:29,580

by that click today there's just so much

1747

01:14:36,020 --> 01:14:33,600

to talk about so I'm great yeah thank

1748

01:14:38,180 --> 01:14:36,030

you guys anything any last things you

1749

01:14:41,180 --> 01:14:38,190

want to say state of the world scream to

1750

01:14:44,960 --> 01:14:41,190

everyone and let them know stay strong

1751

01:14:47,390 --> 01:14:44,970

stay clear yeah yeah and that's it enjoy

1752

01:14:50,090 --> 01:14:47,400

your life and do some good things that's

1753

01:14:52,220 --> 01:14:50,100

what we think all right well thanks a

1754

01:14:55,250 --> 01:14:52,230

lot everybody we're going to go ahead

1755

01:14:57,080 --> 01:14:55,260

and put the website up on our Facebook

1756

01:15:00,380 --> 01:14:57,090

page you can visit us at truth funders

1757

01:15:03,020 --> 01:15:00,390

on facebook you could go to ww funders

1758

01:15:05,090 --> 01:15:03,030

calm and as always you can listen to our

1759

01:15:06,710 --> 01:15:05,100

archive of previous shows or if you just

1760

01:15:08,360 --> 01:15:06,720

heard a piece of today's show and want

1761

01:15:10,070 --> 01:15:08,370

to hear the rest it will be up in the

1762

01:15:13,130 --> 01:15:10,080

next day and you can download the

1763

01:15:15,650 --> 01:15:13,140

inception radio app go out to the apple

1764

01:15:17,360 --> 01:15:15,660

itunes store or google and you can go

1765

01:15:17,930 --> 01:15:17,370

ahead and download that puppy it's a

1766

01:15:20,030 --> 01:15:17,940

great app

1767

01:15:22,160 --> 01:15:20,040

to have you can also download us on

1768

01:15:24,830 --> 01:15:22,170

iTunes and we will be back next week

1769

01:15:29,420 --> 01:15:24,840

where we are going to be talking to a

1770

01:15:31,610 --> 01:15:29,430

very special musician who was in touch

1771

01:15:33,200 --> 01:15:31,620

with aliens and extraterrestrials in

1772

01:15:34,910 --> 01:15:33,210

order to write some of the songs that

1773

01:15:36,740 --> 01:15:34,920

him and his band have come up with so

1774

01:15:40,690 --> 01:15:36,750

we'll be talking about that next week

1775

01:15:43,970 --> 01:15:40,700

and everyone for art's web and myself

1776

01:15:47,090 --> 01:15:43,980

take care stay safe and we will see you
