prepare yourself as we explore the

5
00:00:25,140 --> 00:00:21,490
shadow worlds of suppressed history

6
00:00:27,510 --> 00:00:25,150
secret knowledge forbidden religion and

7
00:00:45,730 --> 00:00:27,520
shine a light on the conspiracies to

8
00:00:45,740 --> 00:01:10,330
I mean

9
00:01:10,340 --> 00:01:16,270
welcome to night vision radio

10
00:01:22,700 --> 00:01:19,010
well the year was nineteen seventy-seven

11
00:01:24,920 --> 00:01:22,710
and it was a hot and sultry summer in

12
00:01:27,980 --> 00:01:24,930
Oklahoma sort of much like it's been

13
00:01:29,720 --> 00:01:27,990

this week in in California and in other

14

00:01:32,630 --> 00:01:29,730

states as I'm hearing from my friends

15

00:01:34,760 --> 00:01:32,640

across the country but that night I was

16

00:01:37,040 --> 00:01:34,770

embarking on a big adventure one of the

17

00:01:40,520 --> 00:01:37,050

biggest adventures of my life as I left

18

00:01:44,750 --> 00:01:40,530

my hometown of Tulsa Oklahoma to head

19

00:01:46,520 --> 00:01:44,760

for Los Angeles to parts unknown to I

20

00:01:49,460 --> 00:01:46,530

didn't know what my future was going to

21

00:01:51,920 --> 00:01:49,470

hold but I just knew that I wanted to I

22

00:01:54,410 --> 00:01:51,930

wanted to be on the west coast so I

23

00:01:56,780 --> 00:01:54,420

headed out in my 10 year old station

24

00:01:59,990 --> 00:01:56,790

wagon and as I got out in the middle of

25

00:02:04,970 --> 00:02:00,000

nowhere that night across the car radio

26
00:02:07,970 --> 00:02:04,980
came a news story that shook me to the

27
00:02:10,790 --> 00:02:07,980
core it was they announced that there

28
00:02:13,970 --> 00:02:10,800
had been a triple homicide three little

29
00:02:16,400 --> 00:02:13,980
girl scouts were found murdered at girls

30
00:02:19,670 --> 00:02:16,410
camp a Girl Scout camp following the

31
00:02:22,520 --> 00:02:19,680
first night of their encampment there of

32
00:02:24,040 --> 00:02:22,530
course it was i was horrified as I you

33
00:02:26,300 --> 00:02:24,050
know drove along through the night

34
00:02:27,949 --> 00:02:26,310
listening to them as they would repeat

35
00:02:30,440 --> 00:02:27,959
this story every time the news would

36
00:02:33,380 --> 00:02:30,450
come back on and then when I got to

37
00:02:36,290 --> 00:02:33,390
California I kept on top of the story

38
00:02:40,610 --> 00:02:36,300

through my family my mother and my

39

00:02:43,190 --> 00:02:40,620

sister in fact my sister was the one who

40

00:02:45,830 --> 00:02:43,200

mainly kept me apprised of the details

41

00:02:48,020 --> 00:02:45,840

and it just so happens that tonight is

42

00:02:49,820 --> 00:02:48,030

my big sister's birthday and I know

43

00:02:51,560 --> 00:02:49,830

she's going to listen to this show so I

44

00:02:54,140 --> 00:02:51,570

want to say happy birthday to her and

45

00:02:57,380 --> 00:02:54,150

thank you for keeping me on top of the

46

00:02:59,750 --> 00:02:57,390

updates of this most notorious murder

47

00:03:01,940 --> 00:02:59,760

case in Oklahoma history as far as I'm

48

00:03:06,490 --> 00:03:01,950

concerned and I think my two guests

49

00:03:09,860 --> 00:03:06,500

might agree tonight I have with me too

50

00:03:12,979 --> 00:03:09,870

OSBI agents one is still with the OSBI

51
00:03:15,830 --> 00:03:12,989
his name is Harvey Pratt you might also

52
00:03:17,390 --> 00:03:15,840
recognize him through his artwork that

53
00:03:19,750 --> 00:03:17,400
you may have seen on the internet and on

54
00:03:22,610 --> 00:03:19,760
my facebook page i posted some of it

55
00:03:26,810 --> 00:03:22,620
it's a Native American Heart work he's

56
00:03:28,280 --> 00:03:26,820
giant arapahoe and sue I find out it's

57
00:03:32,360 --> 00:03:28,290
with us joining us tonight

58
00:03:34,099 --> 00:03:32,370
and he was on the case that still sparks

59
00:03:36,229 --> 00:03:34,109
so much controversy in Oklahoma you

60
00:03:38,059 --> 00:03:36,239
can't bring it up without somebody

61
00:03:39,920 --> 00:03:38,069
getting hot under the collar either

62
00:03:42,440 --> 00:03:39,930
coming down on one side or the other

63
00:03:45,890 --> 00:03:42,450

also joining us tonight is Arthur

64

00:03:48,770 --> 00:03:45,900

Linville who was the CIA investing see

65

00:03:50,240 --> 00:03:48,780

CSI investigator I should say not CIA I

66

00:03:53,929 --> 00:03:50,250

don't want to put you in another agency

67

00:03:56,949 --> 00:03:53,939

Arthur CSI investigator the crime scene

68

00:03:59,770 --> 00:03:56,959

investigator who arrived on the scene to

69

00:04:04,789 --> 00:03:59,780

examine all the evidence and to

70

00:04:07,159 --> 00:04:04,799

memorialize it for processing later now

71

00:04:09,740 --> 00:04:07,169

Harvey and Arthur thanks so much for

72

00:04:15,020 --> 00:04:09,750

joining me tonight I really appreciate

73

00:04:17,240 --> 00:04:15,030

you coming on board you bet and also now

74

00:04:19,159 --> 00:04:17,250

we were supposed to as you two guys know

75

00:04:22,310 --> 00:04:19,169

we were supposed to have Mike Wilkerson

76
00:04:24,469 --> 00:04:22,320
with us and Mike in his brother I mean

77
00:04:28,010 --> 00:04:24,479
dick Wilkerson and Mike dick and his

78
00:04:29,990 --> 00:04:28,020
brother Mike were also agents on the

79
00:04:32,719 --> 00:04:30,000
case dick was actually the chief

80
00:04:35,570 --> 00:04:32,729
investigator on that case who sort of

81
00:04:38,510 --> 00:04:35,580
pulled together the team on the Girl

82
00:04:41,600 --> 00:04:38,520
Scout murder case and he and his brother

83
00:04:44,379 --> 00:04:41,610
Mike after the murders wrote a book

84
00:04:46,790 --> 00:04:44,389
called someone cry for the children

85
00:04:48,649 --> 00:04:46,800
about the murders now that book is

86
00:04:50,689 --> 00:04:48,659
really rare now and I tried to look it

87
00:04:52,820 --> 00:04:50,699
up and I see in some places they're

88
00:04:56,450 --> 00:04:52,830

getting three hundred dollars for a copy

89

00:04:57,740 --> 00:04:56,460

of that book but the good news is a dick

90

00:05:01,159 --> 00:04:57,750

told me today that they're going to

91

00:05:02,810 --> 00:05:01,169

republish the book so I'm hoping that

92

00:05:05,360 --> 00:05:02,820

they do that sooner rather than later

93

00:05:07,070 --> 00:05:05,370

they're going to add a few details and a

94

00:05:11,149 --> 00:05:07,080

little bit of follow-on about how the

95

00:05:13,100 --> 00:05:11,159

case winds up today but you guys if

96

00:05:14,960 --> 00:05:13,110

you'll just indulge me for a minute I

97

00:05:17,960 --> 00:05:14,970

just I'll just share a little bit about

98

00:05:19,939 --> 00:05:17,970

how the case came about and then when it

99

00:05:22,010 --> 00:05:19,949

comes to the part when the investigators

100

00:05:25,100 --> 00:05:22,020

arrived i'm going to rely on you guys

101
00:05:26,360 --> 00:05:25,110
for all the details but what had

102
00:05:28,070 --> 00:05:26,370
happened this was the first night of

103
00:05:31,040 --> 00:05:28,080
girl scout camp and the girls were all

104
00:05:34,129 --> 00:05:31,050
picked up in school buses in tulsa and

105
00:05:36,350 --> 00:05:34,139
driven to grand lake and to an

106
00:05:39,170 --> 00:05:36,360
encampment the Girl Scout camp called

107
00:05:41,810 --> 00:05:39,180
Camp Scott at the time it was the first

108
00:05:45,260 --> 00:05:41,820
night of the encampment

109
00:05:48,260 --> 00:05:45,270
when they arrived they were all allowed

110
00:05:50,060 --> 00:05:48,270
to choose their own tent mates there

111
00:05:52,190 --> 00:05:50,070
were tents set up and they were all on

112
00:05:56,900 --> 00:05:52,200
platforms so the head floors or little

113
00:05:59,480 --> 00:05:56,910

foundations in tents on top and all the

114

00:06:01,760 --> 00:05:59,490

girls shows their friends who of course

115

00:06:04,250 --> 00:06:01,770

they would choose to be their tent mates

116

00:06:06,200 --> 00:06:04,260

and when all the choosing up was done

117

00:06:09,290 --> 00:06:06,210

there were three little girls that were

118

00:06:12,350 --> 00:06:09,300

left over those three girls who did not

119

00:06:14,480 --> 00:06:12,360

know each other before this night we're

120

00:06:17,420 --> 00:06:14,490

going to be tent mates they were placed

121

00:06:19,150 --> 00:06:17,430

in tent number eight which there were

122

00:06:21,290 --> 00:06:19,160

only eight tents in this particular

123

00:06:24,680 --> 00:06:21,300

encampment it was called Kiowa camp

124

00:06:26,600 --> 00:06:24,690

after the Kiowa Indian tribe and they

125

00:06:29,810 --> 00:06:26,610

were tent number eight which was the

126
00:06:33,680 --> 00:06:29,820
farthest out and the closest to the edge

127
00:06:35,000 --> 00:06:33,690
of the woods the next morning well I

128
00:06:37,190 --> 00:06:35,010
guess during the night there was some

129
00:06:40,340 --> 00:06:37,200
odd sounds heard one of the counselors

130
00:06:42,500 --> 00:06:40,350
got up and she saw a dim light moving

131
00:06:45,560 --> 00:06:42,510
through the woods but when she shined

132
00:06:48,410 --> 00:06:45,570
her flashlight on it it would keep go

133
00:06:53,090 --> 00:06:48,420
out and then she began to hear some

134
00:06:55,910 --> 00:06:53,100
strange guttural groan xand grunts and

135
00:06:57,910 --> 00:06:55,920
strange animal-like sounds through the

136
00:07:00,650 --> 00:06:57,920
night that she kept trying to identify

137
00:07:02,360 --> 00:07:00,660
she couldn't until she finally she said

138
00:07:04,970 --> 00:07:02,370

they just became a part of her sleep

139

00:07:07,130 --> 00:07:04,980

they went on and on and on the next

140

00:07:09,320 --> 00:07:07,140

morning I believe it was that same

141

00:07:11,120 --> 00:07:09,330

counselor who got up and out on the

142

00:07:14,480 --> 00:07:11,130

trail which was called cookie trail

143

00:07:15,860 --> 00:07:14,490

there was found us there was a sleeping

144

00:07:17,570 --> 00:07:15,870

bag laying out in the middle of the

145

00:07:19,850 --> 00:07:17,580

trail and so of course she's thinking

146

00:07:22,000 --> 00:07:19,860

what are these girls up to somebody left

147

00:07:24,710 --> 00:07:22,010

their sleeping bag out here on the road

148

00:07:26,510 --> 00:07:24,720

but went on closer inspection she

149

00:07:29,690 --> 00:07:26,520

realized that the sleeping bag was not

150

00:07:31,370 --> 00:07:29,700

empty at some point they started

151
00:07:33,590 --> 00:07:31,380
rounding up the girls and discovered

152
00:07:37,100 --> 00:07:33,600
that there were two other girls that

153
00:07:38,690 --> 00:07:37,110
were not in the right places or one of

154
00:07:40,580 --> 00:07:38,700
them I guess was in the tent but there

155
00:07:42,890 --> 00:07:40,590
were three little dead girls who had

156
00:07:47,840 --> 00:07:42,900
been brutally sexually assaulted and

157
00:07:51,400 --> 00:07:47,850
murdered and so began the biggest

158
00:07:54,830 --> 00:07:51,410
manhunt I guess in Oklahoma history and

159
00:07:55,580 --> 00:07:54,840
the case opened and the Oklahoma State

160
00:07:57,860 --> 00:07:55,590
Bureau of

161
00:08:00,020 --> 00:07:57,870
negation because of the complexity of

162
00:08:02,300 --> 00:08:00,030
the case because of the high-profile

163
00:08:03,890 --> 00:08:02,310

nature of the case in the heinous nature

164

00:08:07,010 --> 00:08:03,900

of the case and the fact that it

165

00:08:09,230 --> 00:08:07,020

involved three little girls the OSBI was

166

00:08:12,620 --> 00:08:09,240

called in I also would like to

167

00:08:15,440 --> 00:08:12,630

acknowledge the look the families of the

168

00:08:19,010 --> 00:08:15,450

little girls tonight because having lost

169

00:08:21,590 --> 00:08:19,020

a child myself ten years ago not to

170

00:08:24,110 --> 00:08:21,600

murder thank God but having lost a child

171

00:08:26,060 --> 00:08:24,120

I realized that they missed those little

172

00:08:30,410 --> 00:08:26,070

girls still to this day every single day

173

00:08:33,770 --> 00:08:30,420

so I want to give extreme reverence to

174

00:08:38,960 --> 00:08:33,780

their feelings those families and also

175

00:08:41,120 --> 00:08:38,970

to the Cherokee community because in

176

00:08:44,420 --> 00:08:41,130

Oklahoma you know we're proud of our

177

00:08:46,520 --> 00:08:44,430

native american heritage you know as I

178

00:08:48,050 --> 00:08:46,530

was telling one of the guys earlier you

179

00:08:50,060 --> 00:08:48,060

know that it seems like you know

180

00:08:52,670 --> 00:08:50,070

everyone I knew growing up was either

181

00:08:55,310 --> 00:08:52,680

Indian part Indian married to an Indian

182

00:08:57,410 --> 00:08:55,320

or claiming to be an Indian so it's

183

00:08:59,780 --> 00:08:57,420

something that we hold dear in Oklahoma

184

00:09:03,530 --> 00:08:59,790

not as dearly as we should I might say

185

00:09:07,070 --> 00:09:03,540

but certainly it's something that I have

186

00:09:09,350 --> 00:09:07,080

a great deal of respect for so because

187

00:09:12,590 --> 00:09:09,360

this story contains Native American

188

00:09:14,420 --> 00:09:12,600

elements on both sides of the law I want

189

00:09:18,020 --> 00:09:14,430

to say that you know we want to maintain

190

00:09:21,380 --> 00:09:18,030

our respect for the tribal people so

191

00:09:24,140 --> 00:09:21,390

we'll start from there now Arthur you

192

00:09:27,080 --> 00:09:24,150

got the call that morning right after

193

00:09:28,910 --> 00:09:27,090

the girls were found I would imagine I'm

194

00:09:31,700 --> 00:09:28,920

not sure when they were found they were

195

00:09:34,160 --> 00:09:31,710

found as I understand it whether we

196

00:09:37,340 --> 00:09:34,170

found by people to camp obviously the

197

00:09:40,880 --> 00:09:37,350

first law enforcement on the scene I

198

00:09:44,060 --> 00:09:40,890

believe was a highway patrol trooper and

199

00:09:47,540 --> 00:09:44,070

then followed by possibly Pete Weaver

200

00:09:49,360 --> 00:09:47,550

and or share a deputy sheriff so Pete

201
00:09:51,830 --> 00:09:49,370
Weaver was the sheriff of mayes county

202
00:09:54,260 --> 00:09:51,840
where the murder took place that's right

203
00:09:57,230 --> 00:09:54,270
okay but I got to call that morning at

204
00:10:01,840 --> 00:09:57,240
seven forty-five am I notes reflect and

205
00:10:04,850 --> 00:10:01,850
i happen to be a pilot as was a dick and

206
00:10:07,800 --> 00:10:04,860
we did not have an aircraft at that time

207
00:10:10,900 --> 00:10:07,810
later did but not at that time and so

208
00:10:13,900 --> 00:10:10,910
he announced to me that the three Girl

209
00:10:15,670 --> 00:10:13,910
Scouts had been murdered and asked if I

210
00:10:18,730 --> 00:10:15,680
could get my hands on an airplane which

211
00:10:21,460 --> 00:10:18,740
I could and did in flew from chickasha

212
00:10:26,590 --> 00:10:21,470
where I live too well used to be an

213
00:10:28,360 --> 00:10:26,600

error experience way airpark strip which

214

00:10:32,170 --> 00:10:28,370

is no longer in existence and there I

215

00:10:34,389 --> 00:10:32,180

picked up crime scene technicians and by

216

00:10:36,370 --> 00:10:34,399

the way I'm not a crime crime scene

217

00:10:39,280 --> 00:10:36,380

technician I was always an investigative

218

00:10:42,780 --> 00:10:39,290

agent but mainly because I was a pilot I

219

00:10:46,210 --> 00:10:42,790

flew paul s qin aldo and Larry Mullins

220

00:10:50,199 --> 00:10:46,220

to prior where we were picked up I

221

00:10:53,980 --> 00:10:50,209

believed by OHP trooper Newton as I

222

00:10:57,579 --> 00:10:53,990

recall and driven to the crime scene and

223

00:10:59,500 --> 00:10:57,589

what I did simply was to oversee the

224

00:11:02,079 --> 00:10:59,510

collection of the evidence at the crime

225

00:11:08,650 --> 00:11:02,089

scene the body had already been removed

226

00:11:13,180 --> 00:11:08,660

I see and Harvey did you arrive that

227

00:11:18,370 --> 00:11:13,190

same morning no I did not uh I actually

228

00:11:21,250 --> 00:11:18,380

was involved in special projects and was

229

00:11:23,100 --> 00:11:21,260

about a resident agent or around a field

230

00:11:26,680 --> 00:11:23,110

inch and I was involved in special

231

00:11:30,009 --> 00:11:26,690

special operations and so was not called

232

00:11:34,840 --> 00:11:30,019

in for her about a week before I would

233

00:11:39,210 --> 00:11:34,850

actually ask you to come in hmm well I

234

00:11:43,300 --> 00:11:39,220

know that shortly after these murders

235

00:11:45,519 --> 00:11:43,310

there was a cave located nearby where

236

00:11:49,600 --> 00:11:45,529

there's some evidence that was directly

237

00:11:53,040 --> 00:11:49,610

linked to the crime scene Arthur could

238

00:11:55,780 --> 00:11:53,050

you tell us what was found in the cave

239

00:11:57,670 --> 00:11:55,790

well there were squirrel hunters and it

240

00:12:01,870 --> 00:11:57,680

was more there were two caves involved

241

00:12:03,639 --> 00:12:01,880

in the case and I think Harvey knows

242

00:12:05,889 --> 00:12:03,649

more about the other one than I do but

243

00:12:10,449 --> 00:12:05,899

the one that he and I have discussed it

244

00:12:12,699 --> 00:12:10,459

was more like a cellar area and it was a

245

00:12:15,309 --> 00:12:12,709

very remote location and our

246

00:12:21,500 --> 00:12:15,319

understanding is that it was a childhood

247

00:12:24,080 --> 00:12:21,510

haunt if you will of heart but anyway we

248

00:12:28,200 --> 00:12:24,090

confident the squirrel hunters had found

249

00:12:30,660 --> 00:12:28,210

this and we accompanied I believe still

250

00:12:33,420 --> 00:12:30,670

trooper Newton if i'm not mistaken to

251
00:12:36,420 --> 00:12:33,430
the top of the cave and as memory serves

252
00:12:38,579 --> 00:12:36,430
me and again i'm going to qualify I'll

253
00:12:40,019 --> 00:12:38,589
qualify it once all this subject of my

254
00:12:45,570 --> 00:12:40,029
memory it's been a long long time ago

255
00:12:48,750 --> 00:12:45,580
but I know for sure we found a roll of

256
00:12:51,990 --> 00:12:48,760
masking tape and it was as I recall

257
00:12:54,390 --> 00:12:52,000
vividly it was an odd width it's not a

258
00:12:56,880 --> 00:12:54,400
standard three quarter or one inch width

259
00:12:59,400 --> 00:12:56,890
but anyway later it was matched but torn

260
00:13:02,340 --> 00:12:59,410
edge of that roll of masking tape at the

261
00:13:06,750 --> 00:13:02,350
cave site were heart used to frequent as

262
00:13:09,510 --> 00:13:06,760
a kid it was it matched microscopically

263
00:13:13,950 --> 00:13:09,520

to the torn edge of the masking tape

264

00:13:19,140 --> 00:13:13,960

used on the flashlight that was you

265

00:13:21,269 --> 00:13:19,150

found at the crime scene and the masking

266

00:13:25,380 --> 00:13:21,279

tape on the flashlight was holding a

267

00:13:27,990 --> 00:13:25,390

plastic cover not unlike trash bag green

268

00:13:30,930 --> 00:13:28,000

as remember little hole in it we

269

00:13:36,300 --> 00:13:30,940

understand heart was a knife blind but

270

00:13:40,890 --> 00:13:36,310

so that tied without doubt the cave with

271

00:13:44,820 --> 00:13:40,900

the murder scene also I found a

272

00:13:47,610 --> 00:13:44,830

newspaper that had been used by someone

273

00:13:50,940 --> 00:13:47,620

as tissue paper toilet paper if you will

274

00:13:53,940 --> 00:13:50,950

in the field and i ran across the date

275

00:13:56,310 --> 00:13:53,950

on that I think it's April 217 it's a

276

00:13:59,760 --> 00:13:56,320

Tulsa newspaper and that became relevant

277

00:14:03,270 --> 00:13:59,770

later because the play flight which I

278

00:14:09,270 --> 00:14:03,280

just referred was is one of these square

279

00:14:12,030 --> 00:14:09,280

batteries and inside and it was it had a

280

00:14:15,510 --> 00:14:12,040

loose connection and someone had wadded

281

00:14:17,910 --> 00:14:15,520

up newspaper and put it in the back of

282

00:14:20,280 --> 00:14:17,920

it to force the battery to the contact

283

00:14:23,699 --> 00:14:20,290

to get a good contact well long story

284

00:14:25,980 --> 00:14:23,709

short we later determined in fact I

285

00:14:30,030 --> 00:14:25,990

remember reading this April the 17th

286

00:14:32,010 --> 00:14:30,040

date on this Tulsa newspaper and so I

287

00:14:34,569 --> 00:14:32,020

remember speaking to someone at the Home

288

00:14:37,389 --> 00:14:34,579

Office once I got back to

289

00:14:39,689 --> 00:14:37,399

trailer and I think it was Dick it might

290

00:14:43,299 --> 00:14:39,699

have been someone else but I asked them

291

00:14:46,259 --> 00:14:43,309

the date of the newspaper that they had

292

00:14:49,989 --> 00:14:46,269

removed and we're processing for prints

293

00:14:53,079 --> 00:14:49,999

that was found inside the flashlight and

294

00:14:56,470 --> 00:14:53,089

it was able to 17th it's the exact same

295

00:15:00,220 --> 00:14:56,480

newspaper whether we so again that too

296

00:15:03,369 --> 00:15:00,230

tied at the scene and Harvey you may

297

00:15:07,689 --> 00:15:03,379

recall may not I believe we found a pair

298

00:15:09,970 --> 00:15:07,699

of glasses there in fact on reading some

299

00:15:14,859 --> 00:15:09,980

of my personal noticeably we found a

300

00:15:19,119 --> 00:15:14,869

pair of eyeglasses there as well but

301

00:15:22,479 --> 00:15:19,129

definitely the newspaper with and in the

302

00:15:26,949 --> 00:15:22,489

masking tape roll will yet and and there

303

00:15:29,710 --> 00:15:26,959

was a photograph there yeah he came well

304

00:15:33,789 --> 00:15:29,720

there was and there's where my memory

305

00:15:39,369 --> 00:15:33,799

fades I don't recall whether the trooper

306

00:15:42,129 --> 00:15:39,379

or someone prior to me found that I

307

00:15:44,319 --> 00:15:42,139

ended up with it because what I'm doing

308

00:15:46,329 --> 00:15:44,329

is flying back and forth I my notes

309

00:15:47,739 --> 00:15:46,339

reflect that I flew to oklahoma city

310

00:15:49,449 --> 00:15:47,749

picked up mullins an excellent although

311

00:15:51,159 --> 00:15:49,459

and then flew to prior and then went

312

00:15:53,699 --> 00:15:51,169

back to oklahoma city and i'm flying

313

00:15:57,929 --> 00:15:53,709

back and forth constantly with evidence

314

00:16:02,499 --> 00:15:57,939

but whether i actually found the

315

00:16:05,859 --> 00:16:02,509

photographs i don't recall now the

316

00:16:09,309 --> 00:16:05,869

photograph was was the photograph of a

317

00:16:13,479 --> 00:16:09,319

wedding and I know that you were trying

318

00:16:15,909 --> 00:16:13,489

to figure out who those people were

319

00:16:18,729 --> 00:16:15,919

because you were trying because the

320

00:16:21,819 --> 00:16:18,739

evidence in the cave linked directly to

321

00:16:26,859 --> 00:16:21,829

the crime scene but you needed to know

322

00:16:29,619 --> 00:16:26,869

who the cave was linked to and so what

323

00:16:31,590 --> 00:16:29,629

ended up happening was that picture was

324

00:16:34,829 --> 00:16:31,600

published in the Tulsa World newspaper

325

00:16:40,389 --> 00:16:34,839

asking the public for assistance and

326

00:16:42,789 --> 00:16:40,399

saying you know what you know just if

327

00:16:45,669 --> 00:16:42,799

anyone knows these people and this is

328

00:16:48,249 --> 00:16:45,679

where I want to ask Harvey so when you

329

00:16:52,239 --> 00:16:48,259

guys were out in them in the mobile

330

00:16:54,909 --> 00:16:52,249

unit I know the guys at one point looked

331

00:16:57,999 --> 00:16:54,919

up and you had walked down to the water

332

00:17:01,859 --> 00:16:58,009

can you tell me about that story do you

333

00:17:06,220 --> 00:17:01,869

know what which one I'm talking about oh

334

00:17:09,159 --> 00:17:06,230

let me put and say that when they

335

00:17:12,509 --> 00:17:09,169

finally asked me to come become involved

336

00:17:16,360 --> 00:17:12,519

in investigation they asked me to

337

00:17:21,730 --> 00:17:16,370

transport photographs of Jeanne Moreau

338

00:17:23,919 --> 00:17:21,740

hard as a possible suspect and so I was

339

00:17:31,330 --> 00:17:23,929

in my car and drove from Oklahoma City

340

00:17:34,419 --> 00:17:31,340

to focus Grove area and I had I remember

341

00:17:38,799 --> 00:17:34,429

thinking I know I hope this is not an

342

00:17:40,539 --> 00:17:38,809

Indian who has killed his children that

343

00:17:43,090 --> 00:17:40,549

was my first thoughts I just I just

344

00:17:45,129 --> 00:17:43,100

didn't want it to be an Indian to be

345

00:17:48,879 --> 00:17:45,139

involved in and killing these children

346

00:17:52,600 --> 00:17:48,889

so we we got there and when I got there

347

00:17:55,389 --> 00:17:52,610

I was stopped at the gate by Sid wise

348

00:17:57,759 --> 00:17:55,399

and and should told me because I was I

349

00:18:00,879 --> 00:17:57,769

was a actually I was working undercover

350

00:18:05,430 --> 00:18:00,889

into some other other investigations and

351

00:18:08,230 --> 00:18:05,440

I was driving an unmarked car and and I

352

00:18:10,149 --> 00:18:08,240

didn't look like a OSBI agent like the

353

00:18:13,840 --> 00:18:10,159

other guys look pop out I had long hair

354

00:18:15,909 --> 00:18:13,850

and and Sid stopped me and told me that

355

00:18:17,529 --> 00:18:15,919

I wasn't RAB down during I just said

356

00:18:19,990 --> 00:18:17,539

well thank you and I just going on and

357

00:18:21,580 --> 00:18:20,000

he chased me down into the camp all the

358

00:18:25,389 --> 00:18:21,590

way the camp but when I got out of the

359

00:18:28,869 --> 00:18:25,399

car the workers and others were standing

360

00:18:31,980 --> 00:18:28,879

there and they they saw him to get out

361

00:18:35,619 --> 00:18:31,990

of the car and they were faced started

362

00:18:39,360 --> 00:18:35,629

teasing me you know and Sid jumped out

363

00:18:41,919 --> 00:18:39,370

was chasing the end and so they face

364

00:18:45,340 --> 00:18:41,929

they had to cool him down and tell him

365

00:18:48,610 --> 00:18:45,350

that I was in a whiskey agent and I can

366

00:18:51,909 --> 00:18:48,620

I gave into pictures so that was my

367

00:18:53,470 --> 00:18:51,919

initial contact with with the area and I

368

00:18:58,419 --> 00:18:53,480

noticed that it was there was a lot of

369

00:19:01,060 --> 00:18:58,429

heavy growth there at the camp and there

370

00:19:04,120 --> 00:19:01,070

were trails but

371

00:19:06,639 --> 00:19:04,130

it misses if when I failed it was

372

00:19:08,830 --> 00:19:06,649

extremely dark there because there was

373

00:19:11,980 --> 00:19:08,840

no life out there and people don't

374

00:19:14,289 --> 00:19:11,990

realize because they live in towns that

375

00:19:16,840 --> 00:19:14,299

there's a lot of light pollution but

376

00:19:20,740 --> 00:19:16,850

when you get out in the country like

377

00:19:22,990 --> 00:19:20,750

that where there are hardly any life at

378

00:19:25,810 --> 00:19:23,000

all and all you see is the stars in the

379

00:19:27,789 --> 00:19:25,820

heaven you see all you can see the milky

380

00:19:31,289 --> 00:19:27,799

way in all the constellations and and

381

00:19:33,759 --> 00:19:31,299

people just don't see that anymore and

382

00:19:39,190 --> 00:19:33,769

Bingley really dark and not being able

383

00:19:42,180 --> 00:19:39,200

to even see in that wooded area off the

384

00:19:46,869 --> 00:19:42,190

trails you couldn't hardly see anything

385

00:19:50,259 --> 00:19:46,879

it was a people just don't understand

386

00:19:54,399 --> 00:19:50,269

the circumstances of being out there at

387

00:19:58,629 --> 00:19:54,409

night so you almost have to be familiar

388

00:20:01,330 --> 00:19:58,639

with where you are if you are stranger

389

00:20:05,440 --> 00:20:01,340

you're lost and the drift stranger you

390

00:20:07,690 --> 00:20:05,450

have no idea where you're going and and

391

00:20:09,009 --> 00:20:07,700

by that time we had we had several

392

00:20:10,899 --> 00:20:09,019

options in there they were doing

393

00:20:13,480 --> 00:20:10,909

searches of the area we were looking for

394

00:20:16,269 --> 00:20:13,490

for anything that we could find where

395

00:20:18,310 --> 00:20:16,279

they had and often talked about about

396

00:20:20,710 --> 00:20:18,320

the dogs and and some of the things that

397

00:20:25,299 --> 00:20:20,720

we we were searching the areas and they

398

00:20:27,159 --> 00:20:25,309

were cliffs and that we had to climb up

399

00:20:29,440 --> 00:20:27,169

into the caves into the end of these

400

00:20:32,139 --> 00:20:29,450

clips and and the search the cliffs out

401
00:20:36,490 --> 00:20:32,149
and they were full thence cliffs and

402
00:20:39,039 --> 00:20:36,500
locks were full of buzzards and and you

403
00:20:41,619 --> 00:20:39,049
would crawl up these ledges and it would

404
00:20:44,860 --> 00:20:41,629
be would be a half a dozen measures in

405
00:20:47,350 --> 00:20:44,870
there and they would come out and they

406
00:20:48,909 --> 00:20:47,360
were just nasty and and crawl up through

407
00:20:50,499 --> 00:20:48,919
the rocks and all of a sudden the

408
00:20:52,330 --> 00:20:50,509
Buzzard would come out of the rocks it

409
00:20:54,789 --> 00:20:52,340
was there was a lot of a lot of things

410
00:20:59,259 --> 00:20:54,799
that people weren't not familiar with

411
00:21:01,570 --> 00:20:59,269
doing so what I discovered that and the

412
00:21:04,990 --> 00:21:01,580
focus was on Native American and we

413
00:21:07,869 --> 00:21:05,000

started hearing stories from the local

414

00:21:11,200 --> 00:21:07,879

populace about Native American legends

415

00:21:13,940 --> 00:21:11,210

and natham air connect people and what

416

00:21:16,549 --> 00:21:13,950

they were doing and and Deborah

417

00:21:21,700 --> 00:21:16,559

the officers were talking about comments

418

00:21:29,289 --> 00:21:21,710

that were made by one of the suspects

419

00:21:36,080 --> 00:21:29,299

gene Leroy heart I became very nervous

420

00:21:39,350 --> 00:21:36,090

about about being confronted by a Native

421

00:21:45,080 --> 00:21:39,360

American who was using Native American

422

00:21:47,629 --> 00:21:45,090

culture in a way and and I'm uh I come

423

00:21:51,620 --> 00:21:47,639

from very traditional family I found

424

00:21:53,840 --> 00:21:51,630

these very traditional people and echo

425

00:21:56,990 --> 00:21:53,850

that go way back and I've always been

426

00:22:00,320 --> 00:21:57,000

involved in listen to stories of

427

00:22:05,240 --> 00:22:00,330

medicine and what people were capable of

428

00:22:06,950 --> 00:22:05,250

doing and so I I was concerned about my

429

00:22:09,980 --> 00:22:06,960

safety and the guys that I was working

430

00:22:13,159 --> 00:22:09,990

with so that particular night I went to

431

00:22:15,379 --> 00:22:13,169

the one of cedar trees out there and and

432

00:22:18,830 --> 00:22:15,389

I went around the cedar tree and I

433

00:22:24,289 --> 00:22:18,840

picked the cedar from the full size of a

434

00:22:27,259 --> 00:22:24,299

tree and was going to go smoke myself so

435

00:22:31,220 --> 00:22:27,269

that smoke myself off so that having be

436

00:22:33,860 --> 00:22:31,230

a kind of fans myself and purify myself

437

00:22:35,659 --> 00:22:33,870

game down and and when you say smoke

438

00:22:41,509 --> 00:22:35,669

yourself a lot of people are familiar

439

00:22:44,629 --> 00:22:41,519

out here with the term smudging in in

440

00:22:47,120 --> 00:22:44,639

back you know where we're from the

441

00:22:50,930 --> 00:22:47,130

native people you know call it smoke em

442

00:22:52,009 --> 00:22:50,940

on the smoke myself and so that's what

443

00:22:53,450 --> 00:22:52,019

you're referring to I just want to make

444

00:22:56,450 --> 00:22:53,460

that clear to anybody who might not know

445

00:22:58,490 --> 00:22:56,460

that practice what but yes so you have

446

00:23:01,580 --> 00:22:58,500

to understand it there are 39 tribes in

447

00:23:04,220 --> 00:23:01,590

Oklahoma yes there are 39 cards and and

448

00:23:06,740 --> 00:23:04,230

all these tribes have their own personal

449

00:23:12,460 --> 00:23:06,750

beliefs their personal things that they

450

00:23:18,259 --> 00:23:12,470

do and I come from the Plains tribes and

451
00:23:22,960 --> 00:23:18,269
I'm from China Rocco and Sue and I'm a

452
00:23:25,129 --> 00:23:22,970
I'm a a mate French and I make English

453
00:23:27,350 --> 00:23:25,139
actually I'm an eight on the sixteenth

454
00:23:31,070 --> 00:23:27,360
French in the 16th Spanish

455
00:23:33,260 --> 00:23:31,080
that's interesting that and the and the

456
00:23:35,660 --> 00:23:33,270
rest of the eye on my brother is a

457
00:23:40,460 --> 00:23:35,670
business is Sioux and Cheyenne my father

458
00:23:43,700 --> 00:23:40,470
was a rapaho triannon and so we have our

459
00:23:49,190 --> 00:23:43,710
own customs as all of these tribes do

460
00:23:51,200 --> 00:23:49,200
and so I I was going to go build a

461
00:23:53,419 --> 00:23:51,210
little fire and smoke myself off and I

462
00:23:55,610 --> 00:23:53,429
had some things that but I that I

463
00:23:59,390 --> 00:23:55,620

normally carry with me for for those

464

00:24:01,370 --> 00:23:59,400

reasons Oh being trying to follow

465

00:24:03,980 --> 00:24:01,380

traditional ways and especially when I'm

466

00:24:10,070 --> 00:24:03,990

involved with Native Americans I I try

467

00:24:12,740 --> 00:24:10,080

to to focus on those things that will

468

00:24:16,640 --> 00:24:12,750

not only protect and guide me and make

469

00:24:18,799 --> 00:24:16,650

me a better person and so that's what I

470

00:24:22,789 --> 00:24:18,809

was doing that since some of my some of

471

00:24:24,620 --> 00:24:22,799

my local my double agents coffees and

472

00:24:26,090 --> 00:24:24,630

they said what are you doing and they

473

00:24:27,860 --> 00:24:26,100

could work what are you doing and I said

474

00:24:32,680 --> 00:24:27,870

well I'm going to smoke myself tonight

475

00:24:35,690 --> 00:24:32,690

I've been ridiculed in my lifetime from

476
00:24:38,360 --> 00:24:35,700
non-indians about using think that we do

477
00:24:41,840 --> 00:24:38,370
and so I was very cautious and I under

478
00:24:44,980 --> 00:24:41,850
cautious about what I say about certain

479
00:24:48,919 --> 00:24:44,990
things in about traditional things and

480
00:24:51,710 --> 00:24:48,929
because I I don't want to be confronted

481
00:24:53,960 --> 00:24:51,720
and be ridiculed and and and i refuse

482
00:24:56,409 --> 00:24:53,970
you to convene all saying because i've

483
00:24:59,810 --> 00:24:56,419
had those in casting on my entire life

484
00:25:01,580 --> 00:24:59,820
so and ida what these guys confronted me

485
00:25:03,200 --> 00:25:01,590
and one of the melon icing well can we

486
00:25:05,870 --> 00:25:03,210
be part of this can you do these for us

487
00:25:08,210 --> 00:25:05,880
so why i smoked them up i have blessed

488
00:25:11,330 --> 00:25:08,220

them all you know that we would we would

489

00:25:14,090 --> 00:25:11,340

we would have a clarity and we would be

490

00:25:16,460 --> 00:25:14,100

honest and we would be truthful about

491

00:25:19,039 --> 00:25:16,470

what we were going to do it and seek the

492

00:25:22,909 --> 00:25:19,049

truth and and that's what we did and

493

00:25:25,940 --> 00:25:22,919

then i also by that time I had received

494

00:25:28,880 --> 00:25:25,950

some medicine for my from a medicine man

495

00:25:30,950 --> 00:25:28,890

that my mother sent me to and he had

496

00:25:33,500 --> 00:25:30,960

given me some medicine and said this

497

00:25:37,220 --> 00:25:33,510

will this will help you seek the truth

498

00:25:39,590 --> 00:25:37,230

and and it will it will find somebody to

499

00:25:40,940 --> 00:25:39,600

help you and so I put that in the end of

500

00:25:43,560 --> 00:25:40,950

the fire that night

501
00:25:46,470 --> 00:25:43,570
part of that medicine in the fire I said

502
00:25:47,850 --> 00:25:46,480
this is the smoke will go up into the

503
00:25:49,440 --> 00:25:47,860
into the heavens and it will touch

504
00:25:52,019 --> 00:25:49,450
somebody and they will come to us and

505
00:25:53,519 --> 00:25:52,029
that's when the photographs 15 minutes

506
00:25:57,659 --> 00:25:53,529
later the photographs were identified

507
00:26:01,350 --> 00:25:57,669
the phone rang at your mobile camp there

508
00:26:04,320 --> 00:26:01,360
and it was either the guy or someone

509
00:26:06,720 --> 00:26:04,330
telling you that the photograph had been

510
00:26:10,320 --> 00:26:06,730
I been identified by a photographer who

511
00:26:12,409 --> 00:26:10,330
had taken those wedding photos and it so

512
00:26:16,500 --> 00:26:12,419
happened that that same photographer

513
00:26:19,250 --> 00:26:16,510

taught a class at Macalester state

514

00:26:23,490 --> 00:26:19,260

prison the big prison in Oklahoma and

515

00:26:26,220 --> 00:26:23,500

one of the inmates had actually

516

00:26:29,610 --> 00:26:26,230

developed those photographs and that

517

00:26:34,350 --> 00:26:29,620

inmate was identified as gene Leroy

518

00:26:38,539 --> 00:26:34,360

heart who then became the suspect in

519

00:26:41,820 --> 00:26:38,549

this case and Jean Hart at this time was

520

00:26:46,110 --> 00:26:41,830

aside from being you know a local

521

00:26:48,240 --> 00:26:46,120

football hero was a convicted felon he

522

00:26:53,580 --> 00:26:48,250

was in prison doing a couple hundred

523

00:26:56,880 --> 00:26:53,590

years or something for a kidnapping rape

524

00:27:00,120 --> 00:26:56,890

and I don't know but definitely

525

00:27:04,889 --> 00:27:00,130

kidnapping and rape and because he had

526

00:27:08,490 --> 00:27:04,899

earlier kidnapped two teenage young

527

00:27:11,820 --> 00:27:08,500

pregnant women in tulsa and taken them

528

00:27:16,260 --> 00:27:11,830

out to the woods where he tried to bury

529

00:27:21,240 --> 00:27:16,270

him tied them up raped and sodomized

530

00:27:23,190 --> 00:27:21,250

them and then left them there and was

531

00:27:25,080 --> 00:27:23,200

going to come back and they managed

532

00:27:28,320 --> 00:27:25,090

somehow to escape and he was convicted

533

00:27:30,720 --> 00:27:28,330

on that sent to Macalester where he was

534

00:27:33,389 --> 00:27:30,730

incarcerated for a time and then he

535

00:27:35,430 --> 00:27:33,399

escaped and that was his status at the

536

00:27:39,210 --> 00:27:35,440

time of these murderers was he was an

537

00:27:42,060 --> 00:27:39,220

escaped convict and he was from that

538

00:27:44,310 --> 00:27:42,070

general area grew up in that general

539

00:27:46,980 --> 00:27:44,320

area he was Cherokee Indian and his

540

00:27:50,930 --> 00:27:46,990

mother a lady by the name of LM a

541

00:27:53,760 --> 00:27:50,940

buckskin lived very near to camp Scott

542

00:27:54,300 --> 00:27:53,770

yes they lived in the next section

543

00:27:57,060 --> 00:27:54,310

probably

544

00:28:00,120 --> 00:27:57,070

a half a mile away that's right and

545

00:28:05,220 --> 00:28:00,130

Renee to embellish a little bit or

546

00:28:06,630 --> 00:28:05,230

expand upon the photographs I want to

547

00:28:10,520 --> 00:28:06,640

say something to the effect that there

548

00:28:14,930 --> 00:28:10,530

were hundreds of suspects we had more

549

00:28:20,280 --> 00:28:14,940

child molesters with people with

550

00:28:23,040 --> 00:28:20,290

convictions of child molestation in that

551
00:28:24,600 --> 00:28:23,050
area within a 30-mile radius I think

552
00:28:26,820 --> 00:28:24,610
than i've ever seen and i'm not

553
00:28:28,410 --> 00:28:26,830
disparaging the community is just that

554
00:28:31,350 --> 00:28:28,420
it was more prevalent than i would have

555
00:28:34,200 --> 00:28:31,360
dreamed at a time my point being is that

556
00:28:37,290 --> 00:28:34,210
i'm not sure how it was given to me but

557
00:28:39,420 --> 00:28:37,300
either wilkerson or someone i was

558
00:28:42,930 --> 00:28:39,430
assigned to the heart lead and they said

559
00:28:45,180 --> 00:28:42,940
all it was and back to what Harvey was

560
00:28:47,790 --> 00:28:45,190
referring to on the photographs and what

561
00:28:51,030 --> 00:28:47,800
how you'd characterize Renee the

562
00:28:53,190 --> 00:28:51,040
situation at the prison he was an inmate

563
00:28:57,120 --> 00:28:53,200

heart was an inmate it granted at the

564

00:29:00,240 --> 00:28:57,130

time all granite yes and when he yeah

565

00:29:04,080 --> 00:29:00,250

and when these photographs came into

566

00:29:06,150 --> 00:29:04,090

existence again from the cave site they

567

00:29:09,540 --> 00:29:06,160

were it was a photograph for the

568

00:29:11,970 --> 00:29:09,550

listening audience of a wedding

569

00:29:14,490 --> 00:29:11,980

reception in retrospect we found that to

570

00:29:16,980 --> 00:29:14,500

be the case it was the ladies were

571

00:29:19,350 --> 00:29:16,990

dressed very well and there's a girl

572

00:29:22,230 --> 00:29:19,360

sitting at a piano playing and another

573

00:29:24,900 --> 00:29:22,240

one standing apparently about to sing

574

00:29:27,780 --> 00:29:24,910

and then it was a third photograph and I

575

00:29:30,630 --> 00:29:27,790

believe at that time that it bore that

576

00:29:33,510 --> 00:29:30,640

woman bought a remarkable resemblance to

577

00:29:36,810 --> 00:29:33,520

a photograph that also had of Hearts

578

00:29:40,950 --> 00:29:36,820

ex-wife and I invited and I interviewed

579

00:29:44,280 --> 00:29:40,960

her later extensively but and I was

580

00:29:46,770 --> 00:29:44,290

certainly not the one who had developed

581

00:29:49,230 --> 00:29:46,780

the lead at granite but when these

582

00:29:51,300 --> 00:29:49,240

photographs were released the public as

583

00:29:54,120 --> 00:29:51,310

you had correctly pointed out we got a

584

00:29:56,160 --> 00:29:54,130

call from the participants of that

585

00:29:57,960 --> 00:29:56,170

wedding in fact maybe the right for all

586

00:30:02,480 --> 00:29:57,970

I know or maybe the lady that was in the

587

00:30:05,220 --> 00:30:02,490

picture see ya and so what happened uh

588

00:30:07,680 --> 00:30:05,230

and I do believe I interviewed her

589

00:30:09,659 --> 00:30:07,690

because we we determined

590

00:30:12,600 --> 00:30:09,669

and party man i'm not sure but we

591

00:30:16,070 --> 00:30:12,610

determined that there were that that

592

00:30:19,289 --> 00:30:16,080

this family for these photographs that

593

00:30:21,749 --> 00:30:19,299

founded the crime scene or at the case

594

00:30:26,009 --> 00:30:21,759

aight connected to the crime scene with

595

00:30:30,360 --> 00:30:26,019

the paper and the tape the newspaper and

596

00:30:33,330 --> 00:30:30,370

the tape they had retained or hired

597

00:30:36,240 --> 00:30:33,340

their photographer for the wedding was a

598

00:30:39,119 --> 00:30:36,250

man who I remember as I remember it was

599

00:30:41,190 --> 00:30:39,129

a full-time photographers and would

600

00:30:43,259 --> 00:30:41,200

shoot mug shots in this and that of the

601
00:30:47,820 --> 00:30:43,269
inmates that were being processed in

602
00:30:53,759 --> 00:30:47,830
into at granted now and he moonlighted

603
00:30:55,919 --> 00:30:53,769
as a wedding photographer with so but

604
00:30:58,919 --> 00:30:55,929
they pointed out in were adamant in the

605
00:31:02,759 --> 00:30:58,929
entire time the family that they had two

606
00:31:06,419 --> 00:31:02,769
copies of the photographs and the

607
00:31:09,090 --> 00:31:06,429
negative and so and they had never

608
00:31:11,940 --> 00:31:09,100
disseminated copies of those photographs

609
00:31:13,769 --> 00:31:11,950
anywhere else and as it turned out

610
00:31:15,659 --> 00:31:13,779
through good investigative effort and

611
00:31:20,490 --> 00:31:15,669
I'm again I I wish I knew who do

612
00:31:24,899 --> 00:31:20,500
attribute this to it was not me but the

613
00:31:27,869 --> 00:31:24,909

bureau we learned that heart was the

614

00:31:30,869 --> 00:31:27,879

photographer's assistant he worked in

615

00:31:34,019 --> 00:31:30,879

the dark room at granite which gave him

616

00:31:36,240 --> 00:31:34,029

ready access obviously to these

617

00:31:38,789 --> 00:31:36,250

negatives so because I don't doubt that

618

00:31:42,419 --> 00:31:38,799

the photographer's soup them out there

619

00:31:46,230 --> 00:31:42,429

if they had a dark room and I've always

620

00:31:48,509 --> 00:31:46,240

believed that his reason for carrying

621

00:31:53,549 --> 00:31:48,519

these photographs and again when he was

622

00:31:56,669 --> 00:31:53,559

booked into jail and I think what a good

623

00:31:58,139 --> 00:31:56,679

close friend of his it was common

624

00:32:00,090 --> 00:31:58,149

knowledge that he had these photographs

625

00:32:04,590 --> 00:32:00,100

in his billfold when we carried him

626
00:32:07,590 --> 00:32:04,600
constantly and I I am of the belief that

627
00:32:10,080 --> 00:32:07,600
he did so by virtue of the remarkable

628
00:32:12,539 --> 00:32:10,090
resemblance what I believed at least be

629
00:32:14,430 --> 00:32:12,549
the remarkable resemblance to one of the

630
00:32:18,659 --> 00:32:14,440
ladies in the photograph to his ex-wife

631
00:32:21,010 --> 00:32:18,669
yes yes I remember that but this

632
00:32:25,270 --> 00:32:21,020
actually the identification

633
00:32:29,380 --> 00:32:25,280
shin of that suspect actually came just

634
00:32:34,530 --> 00:32:29,390
moments after the smoking down by the

635
00:32:37,780 --> 00:32:34,540
water and that was what was so amazing

636
00:32:39,850 --> 00:32:37,790
Harvey you sent the smoke out and said

637
00:32:43,240 --> 00:32:39,860
it's gonna it's going to fall on someone

638
00:32:45,610 --> 00:32:43,250

who's going to help us a few minutes

639

00:32:49,630 --> 00:32:45,620

later the phone rings you've got your ID

640

00:32:51,970 --> 00:32:49,640

you know or the beginning of identifying

641

00:32:53,290 --> 00:32:51,980

the suspect you know it's we're a little

642

00:32:55,780 --> 00:32:53,300

bit late but we're going to take a quick

643

00:32:59,080 --> 00:32:55,790

break and we'll be back in just a few

644

00:33:02,920 --> 00:32:59,090

minutes with more of the Oklahoma Girl

645

00:33:05,110 --> 00:33:02,930

Scout murders and all the mystery and

646

00:33:07,780 --> 00:33:05,120

magic that went with it we'll be right

647

00:33:09,940 --> 00:33:07,790

back you're listening the night vision

648

00:33:13,060 --> 00:33:09,950

radio I'm your host Renee Barnett if

649

00:33:18,460 --> 00:33:13,070

you're just tuning in we are talking

650

00:33:21,910 --> 00:33:18,470

with agents from the OSBI both current

651
00:33:24,250 --> 00:33:21,920
and former who were who worked on the

652
00:33:27,430 --> 00:33:24,260
notorious Oklahoma Girl Scout murder

653
00:33:32,500 --> 00:33:27,440
case that occurred in the summer in June

654
00:33:35,470 --> 00:33:32,510
of 1977 it became you know full of

655
00:33:41,170 --> 00:33:35,480
controversy and all kinds of an unusual

656
00:33:43,300 --> 00:33:41,180
twists and turns part of it due to some

657
00:33:46,750 --> 00:33:43,310
of the Native American culture that was

658
00:33:49,290 --> 00:33:46,760
brought into the investigation are

659
00:33:52,060 --> 00:33:49,300
brought into the case by the suspect and

660
00:33:56,260 --> 00:33:52,070
also later by the agents themselves as

661
00:33:59,560 --> 00:33:56,270
we just heard from Harvey Pratt he sort

662
00:34:03,220 --> 00:33:59,570
of was always living in a traditional

663
00:34:05,620 --> 00:34:03,230

Indian family and so was used to

664

00:34:09,490 --> 00:34:05,630

practicing some of the what called the

665

00:34:11,470 --> 00:34:09,500

ways or the old ways and was found by

666

00:34:14,169 --> 00:34:11,480

some of the other agents to be smoking

667

00:34:18,659 --> 00:34:14,179

himself as as we call it down by the

668

00:34:22,060 --> 00:34:18,669

water and decided to send out that smoke

669

00:34:24,460 --> 00:34:22,070

to get some help in solving this case

670

00:34:26,620 --> 00:34:24,470

identifying a suspect they got an

671

00:34:28,450 --> 00:34:26,630

immediate response we were able to

672

00:34:30,340 --> 00:34:28,460

identify a suspect due to some

673

00:34:34,330 --> 00:34:30,350

information they received immediately

674

00:34:35,820 --> 00:34:34,340

and then the chase was on but you were

675

00:34:38,530 --> 00:34:35,830

also I imagined

676
00:34:42,250 --> 00:34:38,540
checking out other suspects at the same

677
00:34:45,369 --> 00:34:42,260
time while you initially started your

678
00:34:47,320 --> 00:34:45,379
manhunt for Jean Hart which I think

679
00:34:51,790 --> 00:34:47,330
became like the biggest manhunt in

680
00:34:55,480 --> 00:34:51,800
Oklahoma history did you have other

681
00:34:57,670 --> 00:34:55,490
suspects during that timer once you once

682
00:35:00,630 --> 00:34:57,680
you kind of drill down on Jean Hart with

683
00:35:03,250 --> 00:35:00,640
that photograph in the physical evidence

684
00:35:05,920 --> 00:35:03,260
was that pretty much your course of

685
00:35:09,849 --> 00:35:05,930
action was to just search him out in

686
00:35:12,880 --> 00:35:09,859
order to investigate him I I was a

687
00:35:18,720 --> 00:35:12,890
resounding no to that I mean there's a

688
00:35:25,000 --> 00:35:22,150

is a suspect for the small s if you will

689

00:35:28,150 --> 00:35:25,010

and then the prime suspect and when I

690

00:35:30,520 --> 00:35:28,160

said hundreds dick was always fond of

691

00:35:34,330 --> 00:35:30,530

saying that the investigation is defined

692

00:35:36,970 --> 00:35:34,340

as the process of elimination and you

693

00:35:40,570 --> 00:35:36,980

never good investigative technique is

694

00:35:42,670 --> 00:35:40,580

never to focus on any one individual and

695

00:35:48,400 --> 00:35:42,680

try to build a case against that person

696

00:35:51,400 --> 00:35:48,410

because with the resources applied you

697

00:35:53,560 --> 00:35:51,410

can spend countless days or months and

698

00:35:56,109 --> 00:35:53,570

and then all of a sudden eliminate him

699

00:35:59,530 --> 00:35:56,119

so you do it in a reverse we try to

700

00:36:02,650 --> 00:35:59,540

eliminate individuals as suspects by

701
00:36:04,780 --> 00:36:02,660
alibis by fingerprints later by DNA

702
00:36:07,900 --> 00:36:04,790
which we do not have available to us at

703
00:36:10,150 --> 00:36:07,910
that time but we're I'm looking at some

704
00:36:16,000 --> 00:36:10,160
of I've got about two or three inches

705
00:36:20,140 --> 00:36:16,010
thick of items that we had processed

706
00:36:22,120 --> 00:36:20,150
from the crime scene and submitted to

707
00:36:26,830 --> 00:36:22,130
the laboratory and we're talking about

708
00:36:29,650 --> 00:36:26,840
hair fiber just every piece of trace

709
00:36:32,230 --> 00:36:29,660
evidence that you can imagine and you

710
00:36:35,830 --> 00:36:32,240
know we're taking trace evidence from

711
00:36:39,099 --> 00:36:35,840
all of the individuals at the camp and

712
00:36:42,730 --> 00:36:39,109
every suspect PJ Pat Wilkerson and I

713
00:36:45,790 --> 00:36:42,740

another brother we flew to Colorado one

714

00:36:49,360 --> 00:36:45,800

time to interview a guy who is a suspect

715

00:36:52,980 --> 00:36:49,370

and so no not buying

716

00:36:55,810 --> 00:36:52,990

I don't even know at what point we

717

00:37:02,920 --> 00:36:55,820

believe that heart was the prime suspect

718

00:37:04,870 --> 00:37:02,930

but certainly we the Bureau agents we

719

00:37:06,460 --> 00:37:04,880

felt strongly about it as did the

720

00:37:08,470 --> 00:37:06,470

district attorney's office with the

721

00:37:11,790 --> 00:37:08,480

evidence that we had ultimately accrued

722

00:37:14,620 --> 00:37:11,800

against him that bear in mind that we

723

00:37:18,880 --> 00:37:14,630

charges were filed against Gino Larry

724

00:37:22,810 --> 00:37:18,890

heart when all of us knew he had had a

725

00:37:27,360 --> 00:37:22,820

vasectomy yet we had sperm spermatozoa

726

00:37:30,940 --> 00:37:27,370

in the girls and and we knew also that

727

00:37:35,860 --> 00:37:30,950

the doctor hit the form that for the

728

00:37:37,920 --> 00:37:35,870

sectomy was elderly and I'm not saying

729

00:37:40,330 --> 00:37:37,930

that would necessarily go with a botched

730

00:37:42,250 --> 00:37:40,340

the second me but there is such a thing

731

00:37:43,960 --> 00:37:42,260

as a botched affected me and that's what

732

00:37:48,550 --> 00:37:43,970

we felt had happened and it's what

733

00:37:52,780 --> 00:37:48,560

proved to be true because going back to

734

00:37:54,850 --> 00:37:52,790

probably adding to the evidence was his

735

00:37:58,210 --> 00:37:54,860

sexual appetite was such again I

736

00:38:01,450 --> 00:37:58,220

interviewed his wife and without going

737

00:38:03,640 --> 00:38:01,460

into the details it was somewhat

738

00:38:07,210 --> 00:38:03,650

stunning how she would account his

739

00:38:10,690 --> 00:38:07,220

actions in that regard just but but my

740

00:38:14,410 --> 00:38:10,700

point is and Harvey you may remember

741

00:38:18,640 --> 00:38:14,420

even more about this and I do but we

742

00:38:20,620 --> 00:38:18,650

were stymied I was visiting with buddy

743

00:38:25,120 --> 00:38:20,630

foul us and we were stymied as to how we

744

00:38:30,000 --> 00:38:25,130

can collect legally sperm from heart to

745

00:38:33,310 --> 00:38:30,010

compare with the sperm from the case and

746

00:38:35,230 --> 00:38:33,320

you can't exactly do things that one

747

00:38:37,030 --> 00:38:35,240

might imagine that would to say the

748

00:38:40,330 --> 00:38:37,040

least shock the conscience of the court

749

00:38:43,660 --> 00:38:40,340

and I remember we discussed the finger

750

00:38:46,410 --> 00:38:43,670

wave but that I was told by a medical

751
00:38:51,040 --> 00:38:46,420
person would not produce sperm only a

752
00:38:53,830 --> 00:38:51,050
the fluid and so I'm not being facetious

753
00:38:58,390 --> 00:38:53,840
when I say that the law books are full

754
00:39:00,790 --> 00:38:58,400
of cases which will allow and the exact

755
00:39:03,370 --> 00:39:00,800
language I'm about to say police

756
00:39:07,749 --> 00:39:03,380
officers can use trickery

757
00:39:10,420 --> 00:39:07,759
such a few and defeat yep in cases and I

758
00:39:12,609 --> 00:39:10,430
guess we applied that legal concept if

759
00:39:14,109 --> 00:39:12,619
you will because I don't know who came

760
00:39:18,279 --> 00:39:14,119
up with the idea and maybe you remember

761
00:39:21,609 --> 00:39:18,289
Harvey but the idea came was to provide

762
00:39:23,140 --> 00:39:21,619
him with fresh underwear and the first

763
00:39:27,400 --> 00:39:23,150

time it came a big lightning and

764

00:39:30,549 --> 00:39:27,410

thunderstorm the agents obtained all the

765

00:39:36,670 --> 00:39:30,559

sperm samples they could say grace over

766

00:39:40,480 --> 00:39:36,680

and it proved those proved to be the

767

00:39:45,460 --> 00:39:40,490

same deformity the sperm deformity as

768

00:39:49,359 --> 00:39:45,470

was in the girls that's right there was

769

00:39:52,779 --> 00:39:49,369

some weird mutation about that sperm

770

00:39:55,450 --> 00:39:52,789

that made it easier to identify and I

771

00:40:00,249 --> 00:39:55,460

believed that they were able to identify

772

00:40:02,349 --> 00:40:00,259

that at some point as being from a

773

00:40:03,999 --> 00:40:02,359

native american and eliminating

774

00:40:06,190 --> 00:40:04,009

something like ninety-nine point nine

775

00:40:08,829 --> 00:40:06,200

percent of the Native American male

776

00:40:10,930 --> 00:40:08,839

population we may be speaking about the

777

00:40:13,870 --> 00:40:10,940

hair fiber there do you think that would

778

00:40:15,940 --> 00:40:13,880

be right Harvey you know I think I think

779

00:40:18,130 --> 00:40:15,950

that each other's in here oh okay so it

780

00:40:20,829 --> 00:40:18,140

was the hair sample that what they were

781

00:40:24,880 --> 00:40:20,839

able to eliminate like ninety-nine

782

00:40:29,160 --> 00:40:24,890

percent of all Native American males but

783

00:40:33,279 --> 00:40:29,170

Jean Hart I don't recall it that way

784

00:40:37,059 --> 00:40:33,289

that would be and again you based on

785

00:40:38,859 --> 00:40:37,069

what you've studied you may be more

786

00:40:42,759 --> 00:40:38,869

knowledgeable at this time at this late

787

00:40:47,589 --> 00:40:42,769

date than myself but the hair follicle

788

00:40:50,620 --> 00:40:47,599

the examinations proved to be fairly

789

00:40:53,740 --> 00:40:50,630

unreliable they were not it was not

790

00:40:56,259 --> 00:40:53,750

where we could exclude any particular

791

00:40:58,299 --> 00:40:56,269

individual as I remember it the only

792

00:41:00,970 --> 00:40:58,309

thing the hair fiber said that it was

793

00:41:05,319 --> 00:41:00,980

from the Native American individual and

794

00:41:11,140 --> 00:41:05,329

yes go ahead yeah if you if you did it

795

00:41:13,120 --> 00:41:11,150

on a national basis it was it was it was

796

00:41:15,840 --> 00:41:13,130

pretty limited but if you narrowed it

797

00:41:20,040 --> 00:41:15,850

down in that area the

798

00:41:22,240 --> 00:41:20,050

the possibility became slimmer hmm

799

00:41:25,650 --> 00:41:22,250

depending on the database is what you're

800

00:41:27,880 --> 00:41:25,660

saying yeah yeah I'm just yeah but right

801
00:41:29,740 --> 00:41:27,890
did you just look to that area that

802
00:41:32,740 --> 00:41:29,750
there would be more if you went

803
00:41:36,130 --> 00:41:32,750
nationally that it would be less City an

804
00:41:39,460 --> 00:41:36,140
actor Harrison terrible and Percy you

805
00:41:42,520 --> 00:41:39,470
like it yeah pursuant to what you said

806
00:41:45,400 --> 00:41:42,530
Arthur about you know by no means was

807
00:41:48,220 --> 00:41:45,410
Jean Hart your only suspect when I

808
00:41:50,440 --> 00:41:48,230
talked to dick Wilkerson earlier who as

809
00:41:53,170 --> 00:41:50,450
we mentioned before was the chief

810
00:41:57,730 --> 00:41:53,180
investigator on the case or the lead

811
00:42:00,100 --> 00:41:57,740
investigator he said that his words were

812
00:42:03,790 --> 00:42:00,110
when he first heard to her Jean hearts

813
00:42:05,890 --> 00:42:03,800

name was go clear this guy or hang him

814

00:42:08,440 --> 00:42:05,900

get rid of him one way or the other

815

00:42:10,900 --> 00:42:08,450

clear him if he's innocent hang him if

816

00:42:13,330 --> 00:42:10,910

he's guilty and with no preference

817

00:42:17,170 --> 00:42:13,340

either way just find out the truth of

818

00:42:19,240 --> 00:42:17,180

what it was so it wasn't a case of okay

819

00:42:21,010 --> 00:42:19,250

we've got this guy now let's pin it on

820

00:42:23,980 --> 00:42:21,020

somebody so we can close this case

821

00:42:26,620 --> 00:42:23,990

immediately it was too important of a

822

00:42:29,190 --> 00:42:26,630

case to be done that way in too much

823

00:42:31,630 --> 00:42:29,200

media scrutiny I mean this case made

824

00:42:33,010 --> 00:42:31,640

national news it could have made world

825

00:42:36,430 --> 00:42:33,020

news for all I know but I definitely

826

00:42:38,890 --> 00:42:36,440

know it made national news at the time

827

00:42:41,980 --> 00:42:38,900

it was highly controversial and

828

00:42:45,280 --> 00:42:41,990

especially because of the of the three

829

00:42:49,180 --> 00:42:45,290

little girls and how heinous the crime

830

00:42:52,660 --> 00:42:49,190

was now what you had a sort of

831

00:42:55,570 --> 00:42:52,670

identified a gene heart as a suspect

832

00:42:58,960 --> 00:42:55,580

whether he was the only suspect or not I

833

00:43:00,880 --> 00:42:58,970

know that in the book written by the two

834

00:43:04,000 --> 00:43:00,890

brothers Mike and dick Wilkerson called

835

00:43:07,680 --> 00:43:04,010

someone cry for the children I remember

836

00:43:10,420 --> 00:43:07,690

reading a story Harvey about one time

837

00:43:13,330 --> 00:43:10,430

when well Mike I'm getting ahead of

838

00:43:17,740 --> 00:43:13,340

myself I know that it was at some point

839

00:43:21,640 --> 00:43:17,750

where you know you went to go see a

840

00:43:23,440 --> 00:43:21,650

medicine man and I'm trying to remember

841

00:43:25,330 --> 00:43:23,450

whether or not it was the medicine man

842

00:43:27,970 --> 00:43:25,340

who told you that Jean Hart was being

843

00:43:29,620 --> 00:43:27,980

helped by a very powerful medicine man

844

00:43:32,170 --> 00:43:29,630

or did you go see them

845

00:43:36,370 --> 00:43:32,180

the man because you knew that Jean Hart

846

00:43:38,740 --> 00:43:36,380

was used in medicine well I had you know

847

00:43:41,470 --> 00:43:38,750

we had heard all these rumors about the

848

00:43:45,789 --> 00:43:41,480

various things that were occurring and

849

00:43:47,920 --> 00:43:45,799

that there was something kind of

850

00:43:50,319 --> 00:43:47,930

supernatural about what was going on

851
00:43:54,400 --> 00:43:50,329
well people said he was a shape-shifter

852
00:43:55,779 --> 00:43:54,410
yes you know one thing's Atlas that was

853
00:44:00,480 --> 00:43:55,789
brought up that he was a shape shifter

854
00:44:03,880 --> 00:44:00,490
and I I visited with very very powerful

855
00:44:09,789 --> 00:44:03,890
Native Americans man that's involved in

856
00:44:12,039 --> 00:44:09,799
in using those powers and you know and

857
00:44:13,990 --> 00:44:12,049
I've got nothing to say you know that

858
00:44:17,019 --> 00:44:14,000
people have been blessed by God over the

859
00:44:18,640 --> 00:44:17,029
years to have certain abilities and God

860
00:44:20,559 --> 00:44:18,650
gives you certain abilities but if you

861
00:44:22,630 --> 00:44:20,569
use those abilities they become stronger

862
00:44:25,180 --> 00:44:22,640
some people never recognize their

863
00:44:27,670 --> 00:44:25,190

abilities and then never use it and some

864

00:44:30,849 --> 00:44:27,680

of us do and you go back into into

865

00:44:34,779 --> 00:44:30,859

history and and we're have been powerful

866

00:44:37,329 --> 00:44:34,789

people throughout history throughout the

867

00:44:43,630 --> 00:44:37,339

Bible you know Daniel in the lion's den

868

00:44:45,730 --> 00:44:43,640

you had the Moses you know who had a lot

869

00:44:47,650 --> 00:44:45,740

of things happen and mana from the sky

870

00:44:50,829 --> 00:44:47,660

and all sorts of things they had hours

871

00:44:54,789 --> 00:44:50,839

and they had gifts from God in and why

872

00:44:57,849 --> 00:44:54,799

would why would the people be restricted

873

00:45:00,190 --> 00:44:57,859

from having those abilities because they

874

00:45:01,809 --> 00:45:00,200

were from another race you know you had

875

00:45:05,499 --> 00:45:01,819

Randall from all different races that

876
00:45:08,620 --> 00:45:05,509
had powers in and Indian people had had

877
00:45:11,980 --> 00:45:08,630
those people that that that had special

878
00:45:16,990 --> 00:45:11,990
powers and I asked this man this man I

879
00:45:19,289 --> 00:45:17,000
stood up do you think that this gmail or

880
00:45:22,269 --> 00:45:19,299
heart has the capabilities of

881
00:45:24,970 --> 00:45:22,279
shape-shifting yell Ken can he do these

882
00:45:27,960 --> 00:45:24,980
things can he change and transform

883
00:45:30,549 --> 00:45:27,970
himself to do in the animals and a

884
00:45:32,859 --> 00:45:30,559
possessor possessed their their

885
00:45:35,410 --> 00:45:32,869
abilities to get away and he said you

886
00:45:36,940 --> 00:45:35,420
know Harvey you said there's nobody in

887
00:45:39,430 --> 00:45:36,950
this area that can be that there's

888
00:45:43,150 --> 00:45:39,440

nobody down here that can do that it

889

00:45:46,840 --> 00:45:43,160

takes a long time to at

890

00:45:48,850 --> 00:45:46,850

a lot of work and a lot of sacrifice to

891

00:45:51,160 --> 00:45:48,860

be able to be capable of doing certain

892

00:45:53,620 --> 00:45:51,170

things he said it took me a long time to

893

00:45:56,830 --> 00:45:53,630

get to where I am and he was an elderly

894

00:45:59,200 --> 00:45:56,840

man if it takes a while to do those

895

00:46:02,560 --> 00:45:59,210

things if you know you have to really be

896

00:46:04,720 --> 00:46:02,570

blessed by God to have certain abilities

897

00:46:08,260 --> 00:46:04,730

and he said and I just don't think that

898

00:46:10,060 --> 00:46:08,270

this man who has been accused of all

899

00:46:13,330 --> 00:46:10,070

these things and made charged with all

900

00:46:16,380 --> 00:46:13,340

these abuses has taken a time and the

901
00:46:18,880 --> 00:46:16,390
sacrifice now we got people that do

902
00:46:22,030 --> 00:46:18,890
religious ceremonies and they go through

903
00:46:24,730 --> 00:46:22,040
a lot of ceremony and a lot of time to

904
00:46:28,150 --> 00:46:24,740
get to a certain point to become an

905
00:46:31,810 --> 00:46:28,160
arrow people to become a Sundance priest

906
00:46:34,510 --> 00:46:31,820
it takes effort and a long time and I

907
00:46:38,020 --> 00:46:34,520
just didn't I history I wasn't sure but

908
00:46:39,670 --> 00:46:38,030
I was I couldn't be sure but I wanted to

909
00:46:41,170 --> 00:46:39,680
make sure that we were protected I

910
00:46:42,850 --> 00:46:41,180
wanted to make sure that we were

911
00:46:46,210 --> 00:46:42,860
protected and I had my brother with me

912
00:46:49,000 --> 00:46:46,220
and I wanted to make sure that that we

913
00:46:51,340 --> 00:46:49,010

had to have these protections that it in

914

00:46:56,950 --> 00:46:51,350

the event that we were out there in

915

00:46:58,930 --> 00:46:56,960

nature doing things that we were we were

916

00:47:01,660 --> 00:46:58,940

going to be protected and not just walk

917

00:47:10,000 --> 00:47:01,670

out there and be at the mercy of

918

00:47:11,650 --> 00:47:10,010

somebody so it's a we did I asked him to

919

00:47:13,780 --> 00:47:11,660

give me certain protections you know to

920

00:47:16,210 --> 00:47:13,790

help me do these things and and when

921

00:47:18,850 --> 00:47:16,220

they give you those things there's there

922

00:47:20,980 --> 00:47:18,860

are ceremonies and there's a things that

923

00:47:23,290 --> 00:47:20,990

you have to do and sacrifices that you

924

00:47:26,260 --> 00:47:23,300

have to make in order to have these

925

00:47:28,390 --> 00:47:26,270

towers to have this strength and so it's

926

00:47:30,400 --> 00:47:28,400

not just you just don't give somebody

927

00:47:32,350 --> 00:47:30,410

something without a sacrifice and

928

00:47:35,080 --> 00:47:32,360

without having to go through

929

00:47:39,190 --> 00:47:35,090

something we don't believe that the

930

00:47:41,530 --> 00:47:39,200

Creator it's okay to pray but if you

931

00:47:43,540 --> 00:47:41,540

make a sacrifice and do something to

932

00:47:45,910 --> 00:47:43,550

show that you are you're really serious

933

00:47:50,710 --> 00:47:45,920

about about whatever you're asking the

934

00:47:52,210 --> 00:47:50,720

Creator God to do to help you in like a

935

00:47:53,890 --> 00:47:52,220

God looks down on just says you're

936

00:47:55,300 --> 00:47:53,900

making a bigger sacrifice rather than

937

00:47:57,250 --> 00:47:55,310

just praying and a sleep or something

938

00:47:59,920 --> 00:47:57,260

you're giving something

939

00:48:03,220 --> 00:47:59,930

you're making an effort so that's what

940

00:48:05,080 --> 00:48:03,230

we do so I just don't think now I just

941

00:48:07,150 --> 00:48:05,090

don't think that genes new your heart

942

00:48:10,000 --> 00:48:07,160

could do those things because he didn't

943

00:48:12,790 --> 00:48:10,010

have I didn't think he had the stamina

944

00:48:14,800 --> 00:48:12,800

or the conviction to do them but at that

945

00:48:18,280 --> 00:48:14,810

particular time I was I was concerned

946

00:48:21,790 --> 00:48:18,290

about it so I ash forgot medicines to

947

00:48:24,640 --> 00:48:21,800

help us into to make this in make us

948

00:48:26,650 --> 00:48:24,650

invisible and we have we have people now

949

00:48:29,650 --> 00:48:26,660

Native American people that are overseas

950

00:48:31,720 --> 00:48:29,660

in war that got medicine from their

951
00:48:34,600 --> 00:48:31,730
people to make them invisible at certain

952
00:48:37,720 --> 00:48:34,610
times and you give them strength and and

953
00:48:39,670 --> 00:48:37,730
I got to I got I've always used when I

954
00:48:41,980 --> 00:48:39,680
was in Vietnam I had medicine health a

955
00:48:44,410 --> 00:48:41,990
stick if I believe something's going to

956
00:48:46,450 --> 00:48:44,420
help me and if I believe I have a

957
00:48:48,490 --> 00:48:46,460
certain power do you not think that that

958
00:48:51,910 --> 00:48:48,500
makes me a stronger person if I believed

959
00:48:54,580 --> 00:48:51,920
it yes I said I have the power to run

960
00:48:57,010 --> 00:48:54,590
faster at a high to be more powerful a

961
00:48:59,620 --> 00:48:57,020
type of power the bear or the power of

962
00:49:01,690 --> 00:48:59,630
the leper or something and and can I

963
00:49:05,010 --> 00:49:01,700

believe that that I had makes me a

964

00:49:08,350 --> 00:49:05,020

stronger person and that's the way it is

965

00:49:10,930 --> 00:49:08,360

so we had these different things I have

966

00:49:12,280 --> 00:49:10,940

it we had an invisible medicine that he

967

00:49:16,390 --> 00:49:12,290

gave her said and we had to use a

968

00:49:17,680 --> 00:49:16,400

certain way and that we could if we used

969

00:49:20,230 --> 00:49:17,690

it properly and we had a proper

970

00:49:22,840 --> 00:49:20,240

sacrifice that we did we were able to be

971

00:49:26,470 --> 00:49:22,850

invisible and that's what I believe we

972

00:49:28,420 --> 00:49:26,480

had medicine to attract interactive

973

00:49:30,670 --> 00:49:28,430

medicine he said if you get close to him

974

00:49:32,260 --> 00:49:30,680

you said you put this down until never

975

00:49:34,540 --> 00:49:32,270

get away from you you'll be a bit of

976

00:49:37,930 --> 00:49:34,550

duty didn't you give you medicine for

977

00:49:39,880 --> 00:49:37,940

your bullets yes you could put on your

978

00:49:43,660 --> 00:49:39,890

boat so they would go to the right place

979

00:49:45,280 --> 00:49:43,670

only so they would they would not go

980

00:49:47,470 --> 00:49:45,290

anywhere else where they're supposed to

981

00:49:49,450 --> 00:49:47,480

go they would not harm anybody else they

982

00:49:51,160 --> 00:49:49,460

would be just for for what you were

983

00:49:53,860 --> 00:49:51,170

supposed to do to protect yourself and

984

00:49:57,220 --> 00:49:53,870

others and so I and I still had that I

985

00:50:00,550 --> 00:49:57,230

still have that in my possession I you

986

00:50:03,910 --> 00:50:00,560

know I know when I went to visit Mike

987

00:50:07,180 --> 00:50:03,920

Wilkerson in Tulsa back you know 15 20

988

00:50:09,380 --> 00:50:07,190

years ago he had his medicine bag that

989

00:50:12,470 --> 00:50:09,390

he got at the time

990

00:50:18,140 --> 00:50:12,480

and he still carried it he still had it

991

00:50:22,210 --> 00:50:18,150

still had it now yeah I agree that you

992

00:50:25,370 --> 00:50:22,220

know Jean Hart was probably not uh

993

00:50:28,150 --> 00:50:25,380

didn't have those abilities because

994

00:50:31,790 --> 00:50:28,160

isn't there also something that you know

995

00:50:35,120 --> 00:50:31,800

wouldn't he I mean doing the heinous

996

00:50:37,660 --> 00:50:35,130

things that he was doing and you know

997

00:50:41,560 --> 00:50:37,670

hurting people the way that he was

998

00:50:46,280 --> 00:50:41,570

wouldn't that affect his ability

999

00:50:49,970 --> 00:50:46,290

abilities to use medicine like can you

1000

00:50:53,480 --> 00:50:49,980

use medicine for evil purposes well yeah

1001
00:50:55,610 --> 00:50:53,490
sure absolutely you know you have which

1002
00:50:57,140 --> 00:50:55,620
is he healthy Boston with you hear

1003
00:50:58,940 --> 00:50:57,150
people brought throughout this can they

1004
00:51:01,310 --> 00:50:58,950
talk about which is using speaking

1005
00:51:04,280 --> 00:51:01,320
things to deceive and to take advantage

1006
00:51:07,340 --> 00:51:04,290
of people to make them do things and so

1007
00:51:10,910 --> 00:51:07,350
you have it and and uh you know this is

1008
00:51:14,150 --> 00:51:10,920
the enterprise nation army isn't there

1009
00:51:16,790 --> 00:51:14,160
isn't there a price that you pay if you

1010
00:51:20,240 --> 00:51:16,800
use a medicine man's power for evil

1011
00:51:22,160 --> 00:51:20,250
purposes or that you know it seems like

1012
00:51:26,750 --> 00:51:22,170
I recall something about this story

1013
00:51:30,470 --> 00:51:26,760

where what they wanted it sure the

1014

00:51:34,120 --> 00:51:30,480

turkey should go if it's good that they

1015

00:51:37,400 --> 00:51:34,130

themselves if you use the power for evil

1016

00:51:40,070 --> 00:51:37,410

you'll die it could come back on you

1017

00:51:42,290 --> 00:51:40,080

come back on you right yeah see so

1018

00:51:47,480 --> 00:51:42,300

that's you have to be careful if you use

1019

00:51:49,790 --> 00:51:47,490

something to harm somebody that it could

1020

00:51:51,620 --> 00:51:49,800

come back on you that could the country

1021

00:51:53,570 --> 00:51:51,630

versus my Methodist medicine men that I

1022

00:51:56,090 --> 00:51:53,580

want to say that people would always

1023

00:51:59,090 --> 00:51:56,100

send step to him and he had a certain he

1024

00:52:00,980 --> 00:51:59,100

had a certain medicine and ceremony that

1025

00:52:03,290 --> 00:52:00,990

he used at the reverse ensena fact

1026

00:52:07,970 --> 00:52:03,300

whoever sent it to him so you have that

1027

00:52:12,290 --> 00:52:07,980

you know kid attraction oh now I believe

1028

00:52:14,810 --> 00:52:12,300

oh sorry go ahead oh he told me that he

1029

00:52:16,640 --> 00:52:14,820

had that he had a certain sermon that he

1030

00:52:19,340 --> 00:52:16,650

did to protect his property and someone

1031

00:52:23,630 --> 00:52:19,350

came to harm him that it went across his

1032

00:52:30,020 --> 00:52:23,640

point across his uh is a lying

1033

00:52:33,560 --> 00:52:30,030

that it would die so yeah you do that

1034

00:52:36,590 --> 00:52:33,570

you know so we were my whole life Renee

1035

00:52:39,410 --> 00:52:36,600

my whole life I've I listened to these

1036

00:52:42,230 --> 00:52:39,420

these stories from my dad calls were

1037

00:52:44,000 --> 00:52:42,240

born in 1870 and he told me all kinds of

1038

00:52:46,340 --> 00:52:44,010

stories my mother told me stories she

1039

00:52:48,830 --> 00:52:46,350

was an interpreter when she was a little

1040

00:52:50,810 --> 00:52:48,840

girl or medicine man it and so I've

1041

00:52:56,030 --> 00:52:50,820

heard these stories my entire life so I

1042

00:52:57,710 --> 00:52:56,040

grew up with it as had many many Indian

1043

00:53:03,950 --> 00:52:57,720

people in Oklahoma have grown up to

1044

00:53:05,450 --> 00:53:03,960

these stories the leech and I am yes

1045

00:53:10,070 --> 00:53:05,460

I've heard I heard a lot of those

1046

00:53:13,460 --> 00:53:10,080

growing up and you know you're right

1047

00:53:16,640 --> 00:53:13,470

they're very very interesting and you

1048

00:53:19,850 --> 00:53:16,650

know I have seen some things in the

1049

00:53:23,300 --> 00:53:19,860

presence of a medicine man that I could

1050

00:53:28,070 --> 00:53:23,310

not explain and you will not change my

1051
00:53:30,830 --> 00:53:28,080
mind that something supernatural you

1052
00:53:34,520 --> 00:53:30,840
know happened it was I saw they go to

1053
00:53:36,970 --> 00:53:34,530
some kind of power here is there is

1054
00:53:39,530 --> 00:53:36,980
something now we're going to take

1055
00:53:41,450 --> 00:53:39,540
another quick break and then come back

1056
00:53:44,570 --> 00:53:41,460
for the final now Bauer my gosh this is

1057
00:53:46,790 --> 00:53:44,580
going so fast when we come back Harvey

1058
00:53:48,890 --> 00:53:46,800
and Arthur pardon me I'm going to

1059
00:53:52,490 --> 00:53:48,900
definitely get back to you but I wanted

1060
00:53:54,860 --> 00:53:52,500
you to tell us about the story when you

1061
00:53:56,420 --> 00:53:54,870
had got went and got the medicine and I

1062
00:53:57,980 --> 00:53:56,430
believe you were wearing it around your

1063
00:54:01,040 --> 00:53:57,990

neck and you and your brother were out

1064

00:54:04,130 --> 00:54:01,050

camping out during the course of this

1065

00:54:06,320 --> 00:54:04,140

manhunt and what happened so when we

1066

00:54:08,090 --> 00:54:06,330

come back if you don't mind Harvey I'm

1067

00:54:11,630 --> 00:54:08,100

going to impose on you for that story

1068

00:54:14,240 --> 00:54:11,640

and we'll get to the final outcome of

1069

00:54:15,950 --> 00:54:14,250

Scout murders in all the strange aspects

1075

00:54:33,050 --> 00:54:31,140

of that case including the conclusion

1076

00:54:35,780 --> 00:54:33,060

1090

00:55:11,420 --> 00:55:09,270

want to tune in next Wednesday night for

1091

00:55:13,160 --> 00:55:11,430

and then supernatural girls it's going

1093

00:55:17,870 --> 00:55:15,750

to cover the same subject matter so it's

1094

00:55:21,050 --> 00:55:17,880

going to be a good one I may have

1095

00:55:23,510 --> 00:55:21,060

something down the line also from

1096

00:55:25,670 --> 00:55:23,520

another one of inception radio shows

1097

00:55:28,460 --> 00:55:25,680

that method is involved in investigating

1098

00:55:30,980 --> 00:55:28,470

this case so my goodness it just so

1099

00:55:33,620 --> 00:55:30,990

happened that we all figured out that we

1100

00:55:36,680 --> 00:55:33,630

had a common interest in this story so

1101

00:55:40,940 --> 00:55:36,690

please join us as we repeat this show on

1102

00:55:44,030 --> 00:55:40,950

Wednesday up so Harvey back to the

1103

00:55:45,880 --> 00:55:44,040

medicine in you and your brother I'm

1104

00:55:50,930 --> 00:55:45,890

sorry I don't know your brother's name

1105

00:55:54,020 --> 00:55:50,940

OD in and lower out there in the Tony

1106

00:55:55,910 --> 00:55:54,030

were out there in the woods and you were

1107

00:56:00,320 --> 00:55:55,920

camping out and just basically looking

1108

00:56:02,360 --> 00:56:00,330

like two guys out on a camping trip you

1109

00:56:06,860 --> 00:56:02,370

know / hope hoping to portray that image

1110

00:56:08,600 --> 00:56:06,870

to indian guys yeah my brother is a was

1111

00:56:12,740 --> 00:56:08,610

a Midwest he was a police officer from

1112

00:56:16,120 --> 00:56:12,750

municipal government and i asked him

1113

00:56:19,310 --> 00:56:16,130

came to let him send him the closest of

1114

00:56:21,470 --> 00:56:19,320

being out and dealing with me with this

1115

00:56:25,010 --> 00:56:21,480

folklore in 8th american and I'm tonight

1116

00:56:28,130 --> 00:56:25,020

I wanted him to be with me and and so

1117

00:56:30,050 --> 00:56:28,140

they let him they transferred him to for

1118

00:56:32,240 --> 00:56:30,060

my agency and we were at we work

1119

00:56:34,910 --> 00:56:32,250

together for about two weeks so

1120

00:56:37,790 --> 00:56:34,920

throughout that whole area in the woods

1121

00:56:41,740 --> 00:56:37,800

again some bars and just try to pick up

1122

00:56:44,120 --> 00:56:41,750

anything we could and and that we had

1123

00:56:45,980 --> 00:56:44,130

several years earlier I had given him

1124

00:56:48,539 --> 00:56:45,990

some some medicine from the same

1125

00:56:52,829 --> 00:56:48,549

medicine man and and I had

1126

00:56:55,349 --> 00:56:52,839

I had told them he told me so now there

1127

00:56:56,910 --> 00:56:55,359

are certain things you have to do in

1128

00:56:58,890 --> 00:56:56,920

order for this medicine working a

1129

00:57:00,419 --> 00:56:58,900

getting certain guidelines and rules and

1130

00:57:03,239 --> 00:57:00,429

he said and you can't let it touch the

1131

00:57:05,069 --> 00:57:03,249

ground aust you know sighs okay so I had

1132

00:57:07,529 --> 00:57:05,079

three pieces I gave one to Tony wonder

1133

00:57:13,199 --> 00:57:07,539

myself and wonder my two mentioned

1134

00:57:14,609 --> 00:57:13,209

earlier Jack and I dropped one and when

1135

00:57:17,640 --> 00:57:14,619

I picked it up I just mix them all up

1136

00:57:20,370 --> 00:57:17,650

and I didn't and I didn't know which who

1137

00:57:26,309 --> 00:57:20,380

got what and so my my brother got it and

1138

00:57:28,109 --> 00:57:26,319

he he worked and disappear and so he's

1139

00:57:29,699 --> 00:57:28,119

getting eaten away he said I'm exactly

1140

00:57:33,509 --> 00:57:29,709

just experience out of what happened in

1141

00:57:34,919 --> 00:57:33,519

I was outside water on it and so he told

1142

00:57:37,979 --> 00:57:34,929

me he couldn't find it so I went back to

1143

00:57:39,390 --> 00:57:37,989

to this man that gave it to us and I

1144

00:57:40,439 --> 00:57:39,400

told him what happened he started

1145

00:57:41,640 --> 00:57:40,449

laughing he said we'll come back

1146

00:57:43,589 --> 00:57:41,650

tomorrow and I'll have another one for

1147

00:57:46,679 --> 00:57:43,599

you said I told you not to mother cuts

1148

00:57:49,650 --> 00:57:46,689

the grass and as one of the rooms yeah

1149

00:57:52,289 --> 00:57:49,660

so we so we carry the same sentence

1150

00:57:56,130 --> 00:57:52,299

protections to help protect us from from

1151
00:57:59,640 --> 00:57:56,140
harm and so we're out and we had heard

1152
00:58:01,289 --> 00:57:59,650
all these stories about about an Indian

1153
00:58:03,509 --> 00:58:01,299
who was doing all these things he may

1154
00:58:08,009 --> 00:58:03,519
possibly be the killer so and that he

1155
00:58:10,169 --> 00:58:08,019
had was uh he was a he told a long in

1156
00:58:12,749 --> 00:58:10,179
dec when they were looking for me he was

1157
00:58:14,880 --> 00:58:12,759
above and that he was below I don't know

1158
00:58:18,209 --> 00:58:14,890
what he means by that but I'll just

1159
00:58:20,459 --> 00:58:18,219
assume that that he could have assumed

1160
00:58:23,910 --> 00:58:20,469
you know if he was a shape changer he

1161
00:58:26,699 --> 00:58:23,920
siemens he was assuming some some other

1162
00:58:33,150 --> 00:58:26,709
animal that that we could really see as

1163
00:58:34,890 --> 00:58:33,160

a it's just a maker mm-hmm so we had

1164

00:58:38,099 --> 00:58:34,900

been out and we had actually we had gone

1165

00:58:40,439 --> 00:58:38,109

out and boxer mom lifting devices they

1166

00:58:43,769 --> 00:58:40,449

were vibratory devices that we strung

1167

00:58:45,890 --> 00:58:43,779

along the trails that if someone walked

1168

00:58:47,789 --> 00:58:45,900

then I had a receiver that would show

1169

00:58:49,559 --> 00:58:47,799

vibration that someone is walking

1170

00:58:52,229 --> 00:58:49,569

through the woods and so we had strung

1171

00:58:56,579 --> 00:58:52,239

these all out along the area there was

1172

00:59:00,809 --> 00:58:56,589

also a military group out there also

1173

00:59:02,010 --> 00:59:00,819

that was laying out kind of capture

1174

00:59:06,240 --> 00:59:02,020

somebody and they were

1175

00:59:08,100 --> 00:59:06,250

Special Forces guys about 45 and so they

1176

00:59:10,530 --> 00:59:08,110

were down down by the creek another way

1177

00:59:12,270 --> 00:59:10,540

and we were up this way and we told me

1178

00:59:18,210 --> 00:59:12,280

in our strong these devices at him and

1179

00:59:19,920 --> 00:59:18,220

we had gone gone away and and we had

1180

00:59:22,050 --> 00:59:19,930

been out for quite a while and we differ

1181

00:59:23,910 --> 00:59:22,060

very small fire and we were sitting

1182

00:59:25,680 --> 00:59:23,920

there and and someone actually said

1183

00:59:27,630 --> 00:59:25,690

around why did you build a possible is

1184

00:59:31,650 --> 00:59:27,640

not for the waters for the comfort of

1185

00:59:34,680 --> 00:59:31,660

fire it was just fire it just it was

1186

00:59:38,370 --> 00:59:34,690

just it was a comfort and so we were

1187

00:59:43,890 --> 00:59:38,380

there and out of them out of nowhere a

1188

00:59:45,510 --> 00:59:43,900

cat landed in my lap and just just

1189

00:59:49,020 --> 00:59:45,520

wanted out of the dark and landing in

1190

00:59:51,030 --> 00:59:49,030

Manhattan and it startled me I grabbed

1191

00:59:53,520 --> 00:59:51,040

it cleared away and and we were just

1192

00:59:56,670 --> 00:59:53,530

lured you're shocked and right away of

1193

00:59:59,040 --> 00:59:56,680

personal injury thought was that could

1194

01:00:01,620 --> 00:59:59,050

this be somebody who had shaped changed

1195

01:00:04,350 --> 01:00:01,630

and the shapeshifter an end and then

1196

01:00:07,080 --> 01:00:04,360

come to tease us and then tour business

1197

01:00:09,090 --> 01:00:07,090

and that's what we that's what I my

1198

01:00:11,820 --> 01:00:09,100

immediate thoughts were that and then

1199

01:00:15,090 --> 01:00:11,830

with Emily the whole night and in that

1200

01:00:18,450 --> 01:00:15,100

morning dawn came we got it from the

1201

01:00:21,810 --> 01:00:18,460

ground okay that is so dark out there it

1202

01:00:24,180 --> 01:00:21,820

is year old dark in those woods and the

1203

01:00:27,420 --> 01:00:24,190

canopy of the trees you could barely see

1204

01:00:30,690 --> 01:00:27,430

the sea the stars and and you could walk

1205

01:00:32,190 --> 01:00:30,700

somewhere and summer can be you can walk

1206

01:00:34,950 --> 01:00:32,200

by somebody and not even know they were

1207

01:00:37,500 --> 01:00:34,960

there so that morning we went by to

1208

01:00:40,320 --> 01:00:37,510

retrieve our are listening devices and

1209

01:00:43,740 --> 01:00:40,330

we ran into those Special Forces guys

1210

01:00:45,870 --> 01:00:43,750

and we said in the we had a vision

1211

01:00:48,330 --> 01:00:45,880

weekend for 30 minutes or so and then

1212

01:00:50,970 --> 01:00:48,340

everybody stood up to win our way but I

1213

01:00:54,690 --> 01:00:50,980

never forgot about that checking out and

1214

01:00:58,440 --> 01:00:54,700

not right just ever know what kind of a

1215

01:01:04,740 --> 01:00:58,450

cat was it you know it was a I think it

1216

01:01:07,290 --> 01:01:04,750

was a feral cat it was just like a

1217

01:01:09,390 --> 01:01:07,300

little noise like a bobcat and not like

1218

01:01:14,150 --> 01:01:09,400

a bobcat or a mountain when it was like

1219

01:01:15,900 --> 01:01:14,160

a just a ferret fair big investor change

1220

01:01:18,529 --> 01:01:15,910

well welcome

1221

01:01:24,980 --> 01:01:18,539

strange just jumped right in your lap

1222

01:01:28,620 --> 01:01:24,990

yes to my left that is really weird now

1223

01:01:31,170 --> 01:01:28,630

Arthur I know that there was you know as

1224

01:01:36,049 --> 01:01:31,180

I said it was like at the time and maybe

1225

01:01:40,069 --> 01:01:36,059

to this day was the biggest manhunt in

1226

01:01:42,870 --> 01:01:40,079

Oklahoma history there were all kinds of

1227

01:01:46,670 --> 01:01:42,880

helicopters and planes brought in and

1228

01:01:49,370 --> 01:01:46,680

different agencies were involved and

1229

01:01:52,079 --> 01:01:49,380

then they brought in these special

1230

01:01:56,760 --> 01:01:52,089

tracking dogs from Pennsylvania i

1231

01:01:58,020 --> 01:01:56,770

believe it was egg can you tell us a

1232

01:01:59,640 --> 01:01:58,030

little bit about what happened with

1233

01:02:02,760 --> 01:01:59,650

those dogs that was another strange

1234

01:02:07,349 --> 01:02:02,770

story well the dog handler was a

1235

01:02:09,150 --> 01:02:07,359

charlatan he was a fake he just being

1236

01:02:13,529 --> 01:02:09,160

criminally prosecuted and may have been

1237

01:02:15,599 --> 01:02:13,539

I have since testified at two hearings

1238

01:02:18,599 --> 01:02:15,609

regarding two separate murders one in

1239

01:02:21,480 --> 01:02:18,609

Phoenix Arizona the other in Florida

1240

01:02:26,039 --> 01:02:21,490

where people had been convicted based on

1241

01:02:29,549 --> 01:02:26,049

this man's testimony and he was Helen

1242

01:02:32,579 --> 01:02:29,559

told dispute with with any people that

1243

01:02:34,019 --> 01:02:32,589

dog handlers with legitimate bloodhounds

1244

01:02:36,269 --> 01:02:34,029

and things like that and he was a

1245

01:02:37,950 --> 01:02:36,279

showman I can't even recall the man's

1246

01:02:40,890 --> 01:02:37,960

name I've tried to put it out of my

1247

01:02:43,289 --> 01:02:40,900

memory but the ludicrous e of it was

1248

01:02:45,210 --> 01:02:43,299

that when I recall one of the days that

1249

01:02:48,870 --> 01:02:45,220

I arrived again I'm flying back and

1250

01:02:52,079 --> 01:02:48,880

forth from Oklahoma City a lot but with

1251

01:02:54,059 --> 01:02:52,089

evidence but when I arrived there I

1252

01:02:56,940 --> 01:02:54,069

never will forget it reminded me of the

1253

01:03:01,279 --> 01:02:56,950

movie of North by Northwest and we and I

1254

01:03:04,859 --> 01:03:01,289

believe it might have been biplanes

1255

01:03:06,559 --> 01:03:04,869

because of her crop dusters and trying

1256

01:03:09,750 --> 01:03:06,569

to think of the plane I should know that

1257

01:03:11,700 --> 01:03:09,760

but a Stearman that may or may not have

1258

01:03:13,890 --> 01:03:11,710

been but they were they were treetop

1259

01:03:16,859 --> 01:03:13,900

level a little above and and they were

1260

01:03:18,870 --> 01:03:16,869

spraying the entire camp with water and

1261

01:03:21,599 --> 01:03:18,880

I recall there were two of them and

1262

01:03:24,299 --> 01:03:21,609

making pass after path I learned later

1263

01:03:28,140 --> 01:03:24,309

that this was at the request of the dog

1264

01:03:31,890 --> 01:03:28,150

handler who was wanting to push

1265

01:03:35,789 --> 01:03:31,900

this moisture the scent of the tracks of

1266

01:03:38,099 --> 01:03:35,799

the perpetrator of these crimes down

1267

01:03:40,109 --> 01:03:38,109

from the leaves and the trees back to

1268

01:03:42,809 --> 01:03:40,119

the ground or he could then follow them

1269

01:03:49,859 --> 01:03:42,819

with his dogs you just can't make it up

1270

01:03:53,029 --> 01:03:49,869

and so and then I I witnessed him in the

1271

01:03:56,370 --> 01:03:53,039

dog in the front of the canoe in a pond

1272

01:04:00,240 --> 01:03:56,380

where this dog handler was saying he was

1273

01:04:02,760 --> 01:04:00,250

snipping the pond for the murder weapon

1274

01:04:04,410 --> 01:04:02,770

or a murderer weapon or any evidence

1275

01:04:06,480 --> 01:04:04,420

that might have been thrown into the

1276

01:04:11,700 --> 01:04:06,490

pond that was at the bottom of the pond

1277

01:04:15,599 --> 01:04:11,710

and I got crossways with him because I

1278

01:04:18,150 --> 01:04:15,609

recall when we had the box full of all

1279

01:04:20,339 --> 01:04:18,160

of the evidence and we had gloves and

1280

01:04:24,079 --> 01:04:20,349

included these newspapers coming back

1281

01:04:26,609 --> 01:04:24,089

from the cave where incontrovertible

1282

01:04:29,880 --> 01:04:26,619

incontrovertibly was what was linked to

1283

01:04:31,589 --> 01:04:29,890

the crime scene my gosh the the leading

1284

01:04:36,089 --> 01:04:31,599

edge of the tape at the scene of the

1285

01:04:38,730 --> 01:04:36,099

crime scene matched the torn edge of the

1286

01:04:42,210 --> 01:04:38,740

tape used to put the to diffuse the

1287

01:04:47,640 --> 01:04:42,220

light with a plastic the newspaper was

1288

01:04:50,849 --> 01:04:47,650

exactly the same edition in April 217 a

1289

01:04:54,480 --> 01:04:50,859

same edition is funding the paper of the

1290

01:04:56,490 --> 01:04:54,490

the Tulsa paper and then the photographs

1291

01:04:59,039 --> 01:04:56,500

at the crime scene later but even before

1292

01:05:01,109 --> 01:04:59,049

then there's no doubt on earth that any

1293

01:05:03,779 --> 01:05:01,119

investigator would realize instantly

1294

01:05:07,410 --> 01:05:03,789

that the crime that whoever perpetrated

1295

01:05:10,260 --> 01:05:07,420

the crime the crime scene was connected

1296

01:05:12,539 --> 01:05:10,270

to k vice versa and now the dog handler

1297

01:05:14,880 --> 01:05:12,549

took his dogs up there and took one

1298

01:05:16,980 --> 01:05:14,890

sniff of this and came back and readily

1299

01:05:23,010 --> 01:05:16,990

announced that that none of this

1300

01:05:27,210 --> 01:05:23,020

evidence from the cave site was

1301
01:05:28,769 --> 01:05:27,220
connected to the crime and I got in hot

1302
01:05:30,599 --> 01:05:28,779
water because I'm asking one of my

1303
01:05:32,370 --> 01:05:30,609
supervisors you know whether we're

1304
01:05:34,950 --> 01:05:32,380
running the investigation of this dog

1305
01:05:37,260 --> 01:05:34,960
handler or maybe even the dog I didn't

1306
01:05:40,349 --> 01:05:37,270
actually say that but I drew a lot of

1307
01:05:42,089 --> 01:05:40,359
heat for that but it was just it was

1308
01:05:46,140 --> 01:05:42,099
comical and it was a

1309
01:05:48,979 --> 01:05:46,150
run to the investigation and I strongly

1310
01:05:52,769 --> 01:05:48,989
believe that outcome I haven't been

1311
01:05:56,789 --> 01:05:52,779
different but had it not have been for

1312
01:06:01,079 --> 01:05:56,799
them but you know and and while we're

1313
01:06:03,809 --> 01:06:01,089

talking about the evidence I I happen to

1314

01:06:06,630 --> 01:06:03,819

been in charge of well the largest mass

1315

01:06:08,670 --> 01:06:06,640

murders at its time in Oklahoma murder

1316

01:06:12,559 --> 01:06:08,680

of nine individuals a family of three

1317

01:06:15,269 --> 01:06:12,569

and then later six at a steakhouse and

1318

01:06:18,029 --> 01:06:15,279

if there had been a popular vote before

1319

01:06:20,789 --> 01:06:18,039

the preliminary hearing of either that

1320

01:06:24,450 --> 01:06:20,799

man roger dale stafford or flee jeanne

1321

01:06:27,029 --> 01:06:24,460

very heart there's no doubt in my mind

1322

01:06:29,219 --> 01:06:27,039

at the general election a popular

1323

01:06:32,249 --> 01:06:29,229

popular vote of guilt or innocence would

1324

01:06:35,390 --> 01:06:32,259

have exonerated heart at the time I mean

1325

01:06:38,609 --> 01:06:35,400

before preliminary hearing and found a

1326

01:06:40,829 --> 01:06:38,619

ROG Dale Stafford guilty and you

1327

01:06:43,109 --> 01:06:40,839

characterized it earlier and I read a

1328

01:06:45,029 --> 01:06:43,119

newspaper account as I was reviewing my

1329

01:06:48,239 --> 01:06:45,039

case here where they would it would

1330

01:06:52,579 --> 01:06:48,249

incessantly be referred to as former

1331

01:06:56,579 --> 01:06:52,589

Locust Grove football star yes and I

1332

01:06:58,650 --> 01:06:56,589

think dick and Mike pointed out that

1333

01:07:00,269 --> 01:06:58,660

when you have neighbors or someone you

1334

01:07:01,709 --> 01:07:00,279

know real well and you've seen them on

1335

01:07:03,839 --> 01:07:01,719

the football field and they're at the

1336

01:07:06,120 --> 01:07:03,849

hamburger joint and all you don't think

1337

01:07:08,759 --> 01:07:06,130

of them as a mad dog killer or rapist

1338

01:07:10,709 --> 01:07:08,769

you think of that he didn't match the

1339

01:07:13,140 --> 01:07:10,719

prototype if you will of a Charlie

1340

01:07:15,120 --> 01:07:13,150

Manson but it didn't match the prototype

1341

01:07:16,859 --> 01:07:15,130

either of the ROG Dale Stafford because

1342

01:07:20,190 --> 01:07:16,869

he was portrayed by the same news

1343

01:07:22,440 --> 01:07:20,200

media's my dog killer from Alabama and I

1344

01:07:26,309 --> 01:07:22,450

guess what I'm saying is the news media

1345

01:07:28,680 --> 01:07:26,319

bias in this case in my opinion was just

1346

01:07:35,910 --> 01:07:28,690

astounding and it was someone of a

1347

01:07:39,109 --> 01:07:35,920

precursor in my opinion to the oj

1348

01:07:42,420 --> 01:07:39,119

simpson case because we had a minority

1349

01:07:46,650 --> 01:07:42,430

defendant there and the news media bias

1350

01:07:49,109 --> 01:07:46,660

in his paper was astronomical but the

1351

01:07:53,579 --> 01:07:49,119

other evidence that i would be remiss I

1352

01:07:55,530 --> 01:07:53,589

didn't address is that of this abduction

1353

01:07:57,030 --> 01:07:55,540

and rape of these two girls

1354

01:08:00,840 --> 01:07:57,040

going to hold off on reading any of

1355

01:08:04,380 --> 01:08:00,850

these excerpt success let guy if we

1356

01:08:06,750 --> 01:08:04,390

don't mind let me just because we've

1357

01:08:08,430 --> 01:08:06,760

only got about ten minutes left let me

1358

01:08:10,290 --> 01:08:08,440

just wrap something up real quick and

1359

01:08:12,750 --> 01:08:10,300

then I do want you to address that

1360

01:08:17,190 --> 01:08:12,760

evidence and in what you have there

1361

01:08:20,970 --> 01:08:17,200

before we close out the show just what

1362

01:08:24,450 --> 01:08:20,980

ended up happening was Jean Hart was

1363

01:08:26,849 --> 01:08:24,460

eventually captured by the OSBI and he

1364

01:08:32,010 --> 01:08:26,859

was found in the cooks and Hills deep in

1365

01:08:35,700 --> 01:08:32,020

the woods at the cabin of his so-called

1366

01:08:38,880 --> 01:08:35,710

medicine man or elder named Sam pigeon

1367

01:08:42,630 --> 01:08:38,890

there Ken yeah and so he was caught

1368

01:08:45,270 --> 01:08:42,640

there brought in when he was caught he

1369

01:08:48,720 --> 01:08:45,280

was found to he was found to have been

1370

01:08:52,140 --> 01:08:48,730

wearing women's glasses and those

1371

01:08:54,210 --> 01:08:52,150

glasses were also matched to the crime

1372

01:08:57,450 --> 01:08:54,220

scene they were stolen the night of the

1373

01:09:00,059 --> 01:08:57,460

murders out of one of the tents and he

1374

01:09:02,430 --> 01:09:00,069

came out of the the cabin wearing those

1375

01:09:06,780 --> 01:09:02,440

glasses and was taken into custody in

1376

01:09:11,280 --> 01:09:06,790

those glasses ultimately he was tried

1377

01:09:13,740 --> 01:09:11,290

and although there was this evidences

1378

01:09:16,559 --> 01:09:13,750

were going to lay out for you again that

1379

01:09:19,370 --> 01:09:16,569

basically had him dead to rights tied

1380

01:09:24,750 --> 01:09:19,380

the cave directly to the crime scene

1381

01:09:30,680 --> 01:09:24,760

tied to and the cave tied to the suspect

1382

01:09:36,180 --> 01:09:33,780

acquitted him and some people were in

1383

01:09:38,760 --> 01:09:36,190

shock and other people were overjoyed

1384

01:09:43,200 --> 01:09:38,770

because they're you know football hero

1385

01:09:47,520 --> 01:09:43,210

had been exonerated now of course he had

1386

01:09:49,380 --> 01:09:47,530

to return to prison because as Arthur

1387

01:09:51,840 --> 01:09:49,390

said I think he was serving about a

1388

01:09:54,540 --> 01:09:51,850

hundred and forty-four years for the

1389

01:09:59,010 --> 01:09:54,550

brutal kidnapping and rape of two

1390

01:10:02,850 --> 01:09:59,020

teenage pregnant girls in Tulsa he was

1391

01:10:05,520 --> 01:10:02,860

an escaped convict on these charges when

1392

01:10:08,790 --> 01:10:05,530

these Girl Scout murders were committed

1393

01:10:12,359 --> 01:10:08,800

same type of crime exactly

1394

01:10:15,899 --> 01:10:12,369

and anyhow he was acquitted sent back to

1395

01:10:18,589 --> 01:10:15,909

prison in just about a month later he

1396

01:10:22,339 --> 01:10:18,599

was jogging around the prison yard and

1397

01:10:25,580 --> 01:10:22,349

inexplicably collapsed and died an

1398

01:10:29,189 --> 01:10:25,590

autopsy was performed and they were

1399

01:10:32,010 --> 01:10:29,199

unable to come up with any reason why

1400

01:10:36,030 --> 01:10:32,020

his heart simply stopped and I believe

1401

01:10:37,919 --> 01:10:36,040

gene heart at the time according to the

1402

01:10:40,770 --> 01:10:37,929

autopsy was a perfect physical specimen

1403

01:10:45,540 --> 01:10:40,780

and I believe he was about 27 years old

1404

01:10:49,799 --> 01:10:45,550

and he was there physically human

1405

01:10:52,560 --> 01:10:49,809

physical individual yes so he just

1406

01:10:55,589 --> 01:10:52,570

leaves a massive looking man and so I go

1407

01:10:58,620 --> 01:10:55,599

back to the medicine man's power and hmm

1408

01:11:01,129 --> 01:10:58,630

maybe he misused it and maybe he paid

1409

01:11:04,470 --> 01:11:01,139

the ultimate price even though he wasn't

1410

01:11:07,649 --> 01:11:04,480

convicted he ended up paying for those

1411

01:11:09,990 --> 01:11:07,659

crimes anyway but Arthur before we close

1412

01:11:13,830 --> 01:11:10,000

out we have about seven minutes to go

1413

01:11:17,549 --> 01:11:13,840

could you just review some of the very

1414

01:11:20,069 --> 01:11:17,559

strongest evidence on that the bureau

1415

01:11:22,620 --> 01:11:20,079

was able to collect well I will just

1416

01:11:25,620 --> 01:11:22,630

kind of summarize it and add to what

1417

01:11:27,839 --> 01:11:25,630

we've not yet discussed a lot I and my

1418

01:11:29,069 --> 01:11:27,849

memory is that and again I'm not saying

1419

01:11:31,709 --> 01:11:29,079

that it might not have been an

1420

01:11:34,890 --> 01:11:31,719

intervention but my memory is that he

1421

01:11:36,359 --> 01:11:34,900

had a heart failure and it had prior

1422

01:11:39,000 --> 01:11:36,369

heart attacks I think it's what the

1423

01:11:41,100 --> 01:11:39,010

autopsy revealed but there's no lab

1424

01:11:43,770 --> 01:11:41,110

prism that I'm fond of it says it's

1425

01:11:46,859 --> 01:11:43,780

immoral to suspect someone when you

1426

01:11:50,040 --> 01:11:46,869

assure their guilt and I've never minced

1427

01:11:52,410 --> 01:11:50,050

words about my belief that he was guilty

1428

01:11:55,680 --> 01:11:52,420

of his difference in legal guilt and

1429

01:11:58,290 --> 01:11:55,690

moral guilt and my reference to the

1430

01:12:01,950 --> 01:11:58,300

other homicide is that I believe that

1431

01:12:05,189 --> 01:12:01,960

the case against heart was stronger than

1432

01:12:09,149 --> 01:12:05,199

the case against Stafford staffers been

1433

01:12:12,240 --> 01:12:09,159

executed since and we had a witness his

1434

01:12:15,479 --> 01:12:12,250

wife testified against him but uh to

1435

01:12:18,120 --> 01:12:15,489

summarize this well Ella me back up well

1436

01:12:21,330 --> 01:12:18,130

let me summarize that we got the the

1437

01:12:22,620 --> 01:12:21,340

cave is connected to the crime scene

1438

01:12:24,810 --> 01:12:22,630

without doubt but

1439

01:12:26,760 --> 01:12:24,820
of the tape and the leading edge

1440

01:12:28,860 --> 01:12:26,770
matching the tape on the flashlight at

1441

01:12:31,860 --> 01:12:28,870
the crime scene and the same type of

1442

01:12:34,740 --> 01:12:31,870
plastic that was there the newspaper

1443

01:12:37,200 --> 01:12:34,750
being the same date April the 17th it

1444

01:12:39,540 --> 01:12:37,210
was used as toilet paper at the cave

1445

01:12:42,689 --> 01:12:39,550
site that same portions of that

1446

01:12:45,419 --> 01:12:42,699
newspaper was used to help the battery

1447

01:12:48,419 --> 01:12:45,429
make contact the photos the photographs

1448

01:12:52,470 --> 01:12:48,429
at the cryptic at the cave which was a

1449

01:12:56,610 --> 01:12:52,480
childhood favorite a place where heart

1450

01:13:00,060 --> 01:12:56,620
would go we know was developed by him

1451

01:13:02,280 --> 01:13:00,070

those photographs and we know through

1452

01:13:04,200 --> 01:13:02,290

independent witnesses who testified at

1453

01:13:07,229 --> 01:13:04,210

the trial that he would always carry

1454

01:13:10,110 --> 01:13:07,239

them with him my belief once again is

1455

01:13:12,660 --> 01:13:10,120

the resemblance to his ex-wife we have

1456

01:13:16,379 --> 01:13:12,670

the mutated sperm and the girl's heart

1457

01:13:20,610 --> 01:13:16,389

sperm was mutated in part I suppose by

1458

01:13:22,970 --> 01:13:20,620

virtue of the botched vasectomy and then

1459

01:13:26,129 --> 01:13:22,980

the prior crime that we've not addressed

1460

01:13:27,959 --> 01:13:26,139

extensively but to synopsise that the

1461

01:13:30,180 --> 01:13:27,969

two girls to him you'd referred were

1462

01:13:33,000 --> 01:13:30,190

abducted they were tied up they would

1463

01:13:35,550 --> 01:13:33,010

put in the trunk and in reading it would

1464

01:13:37,560 --> 01:13:35,560

be comical if it wasn't so sad but in

1465

01:13:39,300 --> 01:13:37,570

reading this he would talk about they

1466

01:13:43,020 --> 01:13:39,310

didn't object they went along with it

1467

01:13:45,209 --> 01:13:43,030

well he he gagged tied to put duct tape

1468

01:13:47,970 --> 01:13:45,219

on their face and he tied them up with

1469

01:13:53,220 --> 01:13:47,980

one quarter inch I don't know this nylon

1470

01:13:56,729 --> 01:13:53,230

or court cotton I think nylon rope and I

1471

01:13:59,550 --> 01:13:56,739

photographed those and the knots are the

1472

01:14:02,220 --> 01:13:59,560

exact knots it's the same size core the

1473

01:14:04,379 --> 01:14:02,230

same size not and the same type of knot

1474

01:14:07,229 --> 01:14:04,389

so that the girls at the girls counts

1475

01:14:10,310 --> 01:14:07,239

were tied up with and this man has never

1476

01:14:13,620 --> 01:14:10,320

I beg your pardon in the same manner

1477

01:14:15,689 --> 01:14:13,630

yeah you got it exactly exactly in the

1478

01:14:18,270 --> 01:14:15,699

same manner thank you very much tied in

1479

01:14:21,390 --> 01:14:18,280

the same manner with the same size it's

1480

01:14:24,149 --> 01:14:21,400

the same MO period and so here he had

1481

01:14:26,490 --> 01:14:24,159

abducted Rhett tied up and raped these

1482

01:14:28,620 --> 01:14:26,500

two women left him for dead because he

1483

01:14:30,780 --> 01:14:28,630

left him tied up in a creek that had it

1484

01:14:34,669 --> 01:14:30,790

rain they could have drowned because of

1485

01:14:36,930 --> 01:14:34,679

suffocated I think he put a gag them and

1486

01:14:39,660 --> 01:14:36,940

so again the

1487

01:14:43,830 --> 01:14:39,670

evidence i just think was overwhelming

1488

01:14:46,560 --> 01:14:43,840

now in fairness to the jury and i bought

1489

01:14:51,120 --> 01:14:46,570

for many years I felt the jury had

1490

01:14:54,930 --> 01:14:51,130

succumbed to the bias and they were home

1491

01:14:57,390 --> 01:14:54,940

town local football star and all that

1492

01:15:00,360 --> 01:14:57,400

but I really don't fault the the judge

1493

01:15:05,100 --> 01:15:00,370

at all did a masterful job I think or

1494

01:15:07,890 --> 01:15:05,110

the jury or Garvin Isaacs uh who was the

1495

01:15:10,500 --> 01:15:07,900

defense attorney exactly and he did a

1496

01:15:13,200 --> 01:15:10,510

stellar job I have to grudgingly say

1497

01:15:16,500 --> 01:15:13,210

because we're only on the side of it but

1498

01:15:18,540 --> 01:15:16,510

you know as a young man you young OSBI

1499

01:15:20,400 --> 01:15:18,550

agent i viewed defense attorneys backed

1500

01:15:22,680 --> 01:15:20,410

in is the enemy if you will they're not

1501

01:15:25,170 --> 01:15:22,690

defense attorneys job is to force the

1502

01:15:26,910 --> 01:15:25,180

state to meet the burden of proof and we

1503

01:15:29,850 --> 01:15:26,920

have to give credit where credit is due

1504

01:15:31,890 --> 01:15:29,860

because Garvin isaacs did a very good if

1505

01:15:34,800 --> 01:15:31,900

not masterful job of doing that and

1506

01:15:37,950 --> 01:15:34,810

really where the jury is concerned we as

1507

01:15:40,170 --> 01:15:37,960

agents were sure of hearts guilt but we

1508

01:15:42,870 --> 01:15:40,180

were armed with the knowledge not

1509

01:15:45,090 --> 01:15:42,880

available to the jury we knew about the

1510

01:15:47,130 --> 01:15:45,100

kidnapping rape and leaving four dead of

1511

01:15:51,180 --> 01:15:47,140

these two women tied up with the same

1512

01:15:53,040 --> 01:15:51,190

chords same manner same MO exactly is

1513

01:15:55,920 --> 01:15:53,050

the same not used to tie up the Girl

1514

01:15:59,340 --> 01:15:55,930

Scouts but the judge disallowed that

1515

01:16:03,209 --> 01:15:59,350

testimony because uh it's prejudicial

1516

01:16:06,380 --> 01:16:03,219

effect outweighs its probative values

1517

01:16:09,600 --> 01:16:06,390

and you know it seems like today you

1518

01:16:13,439 --> 01:16:09,610

could say you know that you could they

1519

01:16:18,240 --> 01:16:13,449

would allow it because it is represents

1520

01:16:21,570 --> 01:16:18,250

a similar mo well you need and we argued

1521

01:16:24,270 --> 01:16:21,580

that as the common scheme and design and

1522

01:16:26,910 --> 01:16:24,280

the mo would be the same but it was it

1523

01:16:30,090 --> 01:16:26,920

again the judge ruled that it was that

1524

01:16:32,610 --> 01:16:30,100

that value is the judge recognized and

1525

01:16:35,040 --> 01:16:32,620

have that value but it did not outweigh

1526

01:16:37,170 --> 01:16:35,050

the prejudicial effect because as you

1527

01:16:41,970 --> 01:16:37,180

know you can't introduce evidence of a

1528

01:16:44,360 --> 01:16:41,980

prior crime to a jury at that stage if

1529

01:16:46,950 --> 01:16:44,370

it had been convicted and to enhance the

1530

01:16:49,830 --> 01:16:46,960

punishment you can do that but there's

1531

01:16:52,710 --> 01:16:49,840

no way had the judge done that

1532

01:16:55,200 --> 01:16:52,720

had had the jury known about this prior

1533

01:16:57,960 --> 01:16:55,210

act exactly the same MO with the knots

1534

01:17:00,600 --> 01:16:57,970

and and the cord leaving them for dead

1535

01:17:02,400 --> 01:17:00,610

they may have convicted him but I

1536

01:17:04,500 --> 01:17:02,410

there's no doubt in my mind it would

1537

01:17:07,680 --> 01:17:04,510

have been reversed by the Oklahoma Court

1538

01:17:09,690 --> 01:17:07,690

of Criminal Appeals because based on

1539

01:17:12,000 --> 01:17:09,700

judicial error I don't think there's a

1540

01:17:14,700 --> 01:17:12,010

way in the world that He they would have

1541

01:17:17,790 --> 01:17:14,710

he could have allowed it in exactly and

1542

01:17:22,290 --> 01:17:17,800

and so you know it's just one of these

1543

01:17:25,590 --> 01:17:22,300

things it was an anomaly and you get

1544

01:17:27,720 --> 01:17:25,600

into burden of proof that's not a fixed

1545

01:17:30,510 --> 01:17:27,730

thing you can paint green and define

1546

01:17:32,940 --> 01:17:30,520

well the burden of proof i think is like

1547

01:17:36,270 --> 01:17:32,950

snowflakes there's never been to juror

1548

01:17:39,510 --> 01:17:36,280

that juries apply it exactly in the same

1549

01:17:41,190 --> 01:17:39,520

manner not one of 12 jurors would kind

1550

01:17:44,310 --> 01:17:41,200

of have the same opinions and he's put

1551

01:17:48,330 --> 01:17:44,320

all 12 together the burden of proof is

1552

01:17:51,090 --> 01:17:48,340

very fluid and I do believe that the

1553

01:17:55,050 --> 01:17:51,100

jury placed an unreasonably high burden

1554

01:17:59,040 --> 01:17:55,060

on the state of Oklahoma in this case I

1555

01:18:01,860 --> 01:17:59,050

would like to have the state ask for a

1556

01:18:04,830 --> 01:18:01,870

change of venue all right fire strong

1557

01:18:06,660 --> 01:18:04,840

you know and I know that was impossible

1558

01:18:08,700 --> 01:18:06,670

because law enforcement can't ask you to

1559

01:18:11,610 --> 01:18:08,710

change man you only the defendant can

1560

01:18:13,320 --> 01:18:11,620

well that I was ever going to happen but

1561

01:18:15,840 --> 01:18:13,330

you know what the music is rolling I'm

1562

01:18:17,880 --> 01:18:15,850

sorry run out of time thank you so much

1563

01:18:20,430 --> 01:18:17,890

again I want to acknowledge the three

1564

01:18:22,890 --> 01:18:20,440

missed them to this day I want to thank

1568

and putting this show together and for
