to talk with Larry if this is just so

16

00:01:26,270 --> 00:01:24,000

exciting this is an exciting show that

17

00:01:28,249 --> 00:01:26,280

we have planned tonight Larry Holcomb

18

00:01:32,569 --> 00:01:28,259

has generously offered to come on our

19

00:01:34,310 --> 00:01:32,579

show with his incredible book my god we

20

00:01:37,160 --> 00:01:34,320

were both just talking about it we

21

00:01:41,779 --> 00:01:37,170

couldn't put it down the presidents and

22

00:01:43,969 --> 00:01:41,789

UFOs oh my gosh look everybody in the

23

00:01:47,240 --> 00:01:43,979

audience you've got to run out and you

24

00:01:49,249 --> 00:01:47,250

got to get this book it is terrific it's

25

00:01:50,749 --> 00:01:49,259

filled with excellent information we're

26

00:01:53,240 --> 00:01:50,759

going to be talking about all of this

27

00:01:55,190 --> 00:01:53,250

stuff tonight will be taking calls from

28

00:01:57,349 --> 00:01:55,200

the audience and taking questions from

29

00:02:02,050 --> 00:01:57,359

people in the chat room hey if you want

30

00:02:08,900 --> 00:02:02,060

to call in here's the number it's 88 89

31

00:02:10,940 --> 00:02:08,910

1923 55 and again that's 8 8 8 9 192 355

32

00:02:13,130 --> 00:02:10,950

know when you call in to ask a question

33

00:02:14,900 --> 00:02:13,140

do remember to turn your sound all the

34

00:02:17,300 --> 00:02:14,910

way off so we don't get any feedback and

35

00:02:20,660 --> 00:02:17,310

we can hear you loud and clear but this

36

00:02:23,570 --> 00:02:20,670

is going to be one exciting show right

37

00:02:25,850 --> 00:02:23,580

PK o not a doubt in my mind I'm so

38

00:02:28,670 --> 00:02:25,860

excited about it all I couldn't put the

39

00:02:30,309 --> 00:02:28,680

book down could not put it down yes it's

40

00:02:33,520 --> 00:02:30,319

excellent he's done an incredible

41

00:02:36,520 --> 00:02:33,530

job so but let's talk a little bit about

42

00:02:40,809 --> 00:02:36,530

paranormal news now I went looking for

43

00:02:43,270 --> 00:02:40,819

some UFO stories and believe me the UFOs

44

00:02:46,360 --> 00:02:43,280

in the news today are not hard to find

45

00:02:48,280 --> 00:02:46,370

there's a lot of sightings going on did

46

00:02:51,640 --> 00:02:48,290

you see all of those sightings that i

47

00:02:53,800 --> 00:02:51,650

sent you today yes I did oh my gosh well

48

00:02:57,819 --> 00:02:53,810

this one really caught my eye it was a

49

00:03:01,390 --> 00:02:57,829

massive alien spacecraft around the size

50

00:03:04,030 --> 00:03:01,400

of the US state of idaho and it was

51  
00:03:08,020 --> 00:03:04,040  
spotted near the sun by UF ologist in

52  
00:03:11,439 --> 00:03:08,030  
recent NASA pictures they say the object

53  
00:03:13,390 --> 00:03:11,449  
definitely has a structure so this is

54  
00:03:17,409 --> 00:03:13,400  
not just a light in the sky up there

55  
00:03:19,539 --> 00:03:17,419  
it's a structure and they're saying that

56  
00:03:22,720 --> 00:03:19,549  
every time they ask NASA about these

57  
00:03:24,849 --> 00:03:22,730  
UFOs they're seeing they get ignored I

58  
00:03:26,649 --> 00:03:24,859  
wonder why we're going to find out when

59  
00:03:29,589 --> 00:03:26,659  
we talk to Larry Holcomb our guests are

60  
00:03:31,059 --> 00:03:29,599  
for sure they don't like us to know

61  
00:03:32,470 --> 00:03:31,069  
anything and isn't it wonderful that

62  
00:03:34,059 --> 00:03:32,480  
we've got people like Larry that's

63  
00:03:36,009 --> 00:03:34,069

bringing it all out in the open for the

64

00:03:38,920 --> 00:03:36,019

rest of us to understand that's right

65

00:03:41,770 --> 00:03:38,930

thank God people like Larry we do need

66

00:03:43,629 --> 00:03:41,780

to know we should know all about this it

67

00:03:45,640 --> 00:03:43,639

shouldn't be kept from us now there was

68

00:03:47,199 --> 00:03:45,650

another photograph i sent you and I got

69

00:03:49,929 --> 00:03:47,209

to put this up on our website because it

70

00:03:53,039 --> 00:03:49,939

made me laugh out loud the newscasters

71

00:03:55,390 --> 00:03:53,049

in South America did you see that one I

72

00:03:57,460 --> 00:03:55,400

got a chance to look at it but I didn't

73

00:03:59,349 --> 00:03:57,470

can't get a chance to thoroughly go over

74

00:04:01,270 --> 00:03:59,359

well it's funny because they're facing

75

00:04:04,089 --> 00:04:01,280

each other and they're talking about the

76  
00:04:08,379 --> 00:04:04,099  
news and right in the background is this

77  
00:04:10,629 --> 00:04:08,389  
huge UFO a ship right behind him it was

78  
00:04:11,800 --> 00:04:10,639  
hilarious made me laugh out loud so I'm

79  
00:04:13,929 --> 00:04:11,810  
gonna have to post that one for

80  
00:04:18,099 --> 00:04:13,939  
everybody to see that was just too good

81  
00:04:20,229 --> 00:04:18,109  
too good but next week well actually let

82  
00:04:21,909 --> 00:04:20,239  
me start with tomorrow night because we

83  
00:04:26,040 --> 00:04:21,919  
have a two-part show we are

84  
00:04:28,899 --> 00:04:26,050  
participating in with another host from

85  
00:04:31,600 --> 00:04:28,909  
inception radio network and that is

86  
00:04:34,719 --> 00:04:31,610  
Renee Barnett who is the host of night

87  
00:04:38,010 --> 00:04:34,729  
vision radio it's a great show it's on

88  
00:04:40,990 --> 00:04:38,020

every Thursday night now tomorrow night

89

00:04:44,140 --> 00:04:41,000

she's going to kick off the first part

90

00:04:47,410 --> 00:04:44,150

in our series on the

91

00:04:52,030 --> 00:04:47,420

a Girl Scout murders you may wonder why

92

00:04:55,300 --> 00:04:52,040

to paranormal shows are doing a story on

93

00:04:57,370 --> 00:04:55,310

this and it's because this story besides

94

00:05:00,130 --> 00:04:57,380

it ripped our hearts out we got to tell

95

00:05:02,560 --> 00:05:00,140

you it's an incredibly difficult story

96

00:05:07,380 --> 00:05:02,570

to report on because of the tragic

97

00:05:11,770 --> 00:05:07,390

circumstances however it is filled with

98

00:05:13,720 --> 00:05:11,780

paranormal events and so Renee is going

99

00:05:16,270 --> 00:05:13,730

to come on her show tomorrow night she's

100

00:05:18,880 --> 00:05:16,280

got her guests lined up that were

101  
00:05:22,390 --> 00:05:18,890  
involved in the initial investigation

102  
00:05:25,480 --> 00:05:22,400  
and Renee herself is one of the very few

103  
00:05:29,290 --> 00:05:25,490  
people who knows all of the intimate

104  
00:05:31,900 --> 00:05:29,300  
details about the paranormal events with

105  
00:05:34,300 --> 00:05:31,910  
it involving the Oklahoma Girl Scout

106  
00:05:36,700 --> 00:05:34,310  
murder so don't miss it that's going to

107  
00:05:40,600 --> 00:05:36,710  
be part one tomorrow night on inception

108  
00:05:43,720 --> 00:05:40,610  
radio network now next week PK and I

109  
00:05:46,020 --> 00:05:43,730  
will be back with part two and we will

110  
00:05:48,250 --> 00:05:46,030  
have Renee Barnett on the show with us

111  
00:05:52,030 --> 00:05:48,260  
Michael Bastien a Native American

112  
00:05:54,550 --> 00:05:52,040  
medicine man and also psychic medium

113  
00:05:56,040 --> 00:05:54,560

george lugo so we're going to take this

114

00:05:58,450 --> 00:05:56,050

in a little bit of a different direction

115

00:06:02,140 --> 00:05:58,460

we're going to find out what's

116

00:06:04,630 --> 00:06:02,150

underneath all of these events these are

117

00:06:06,190 --> 00:06:04,640

two shows you've met you just make sure

118

00:06:10,210 --> 00:06:06,200

you listen they're going to be

119

00:06:13,630 --> 00:06:10,220

incredible this is the this this is just

120

00:06:16,930 --> 00:06:13,640

the ultimate battle between the light

121

00:06:19,540 --> 00:06:16,940

and the darkness sets for sure that is

122

00:06:21,700 --> 00:06:19,550

for sure it's incredible to think that

123

00:06:23,650 --> 00:06:21,710

all of this is going to be brought

124

00:06:26,050 --> 00:06:23,660

together with to the two parts that

125

00:06:27,280 --> 00:06:26,060

we're going to put out oh yeah it's it's

126  
00:06:28,930 --> 00:06:27,290  
really going to be great because Renee

127  
00:06:31,180 --> 00:06:28,940  
is going to go through the actual facts

128  
00:06:33,070 --> 00:06:31,190  
of the case what happened with the

129  
00:06:35,080 --> 00:06:33,080  
investigators she's bringing on her show

130  
00:06:36,730 --> 00:06:35,090  
tomorrow night and then we're going to

131  
00:06:39,010 --> 00:06:36,740  
bring in the psychic elements with

132  
00:06:42,040 --> 00:06:39,020  
George and also the Native American

133  
00:06:45,100 --> 00:06:42,050  
Madison aspect with Michael Bastien and

134  
00:06:48,160 --> 00:06:45,110  
Renee will be here with us also to fill

135  
00:06:50,770 --> 00:06:48,170  
in the rest of the details about this

136  
00:06:52,360 --> 00:06:50,780  
case it's going to be a blockbuster so

137  
00:06:55,900 --> 00:06:52,370  
be sure to tune in to both shows

138  
00:06:57,839 --> 00:06:55,910

everybody now let's say we've got

139

00:07:01,290 --> 00:06:57,849

numbers PK

140

00:07:03,209 --> 00:07:01,300

us play into us well what's going to

141

00:07:04,529 --> 00:07:03,219

happen tomorrow is everybody it's it's

142

00:07:07,169 --> 00:07:04,539

going to be about partnerships

143

00:07:09,719 --> 00:07:07,179

relationships and sensitivity the month

144

00:07:12,480 --> 00:07:09,729

is all about family family situations

145

00:07:13,739 --> 00:07:12,490

our pets things of that nature but

146

00:07:16,889 --> 00:07:13,749

tomorrow we're going to be overly

147

00:07:19,859 --> 00:07:16,899

sensitive to everything ongoing it the

148

00:07:22,499 --> 00:07:19,869

both the day and the month the numbers

149

00:07:26,279 --> 00:07:22,509

of which are deal with relationships

150

00:07:28,589 --> 00:07:26,289

partnerships and marriage love divorce

151  
00:07:31,169 --> 00:07:28,599  
all of that good stuff so if you're

152  
00:07:33,509 --> 00:07:31,179  
walking on the edge stay away from your

153  
00:07:38,279 --> 00:07:33,519  
partner for the day give yourself a

154  
00:07:40,469 --> 00:07:38,289  
break have my summer if you want to

155  
00:07:42,059 --> 00:07:40,479

156  
00:07:44,129 --> 00:07:42,069  
gusto because you're gonna have every

157  
00:07:49,439 --> 00:07:44,139  
opportunity to to make your side of it

158  
00:07:51,299 --> 00:07:49,449  
known nice wow so partnerships here we

159  
00:07:54,749 --> 00:07:51,309  
come that's gonna be all day tomorrow

160  
00:07:58,199 --> 00:07:54,759  
huh sure okay I gotta decide where I'm

161  
00:07:59,999 --> 00:07:58,209

we mentioned we have assistant

176

00:08:40,139 --> 00:08:38,110

incredible we've got an a-lister let's

177

00:08:42,929 --> 00:08:40,149

face it we got an a-lister guest tonight

178

00:08:45,600 --> 00:08:42,939

definitely definitely that oops I just

179

00:08:48,509 --> 00:08:45,610

dropped his beautiful book Larry Holcomb

180

00:08:51,150 --> 00:08:48,519

is with us he is the author of the

181

00:08:54,210 --> 00:08:51,160

presidents and UFOs Larry's an

182

00:08:57,540 --> 00:08:54,220

investigator and he is an expert in this

183

00:08:59,879 --> 00:08:57,550

field and we are going to hear all the

184

00:09:01,259 --> 00:08:59,889

stuff that we need to hear and summon

185

00:09:04,470 --> 00:09:01,269

sup we probably don't want to hear but

186

00:09:07,530 --> 00:09:04,480

it's true and larry has dug deep for

187

00:09:10,140 --> 00:09:07,540

everybody and here he is Larry welcome

188

00:09:12,660 --> 00:09:10,150

to the show

189

00:09:17,910 --> 00:09:12,670

well delighted to be here ladies uh

190

00:09:20,490 --> 00:09:17,920

that's quite a buildup I hope I can hold

191

00:09:24,990 --> 00:09:20,500

up to it oh you will and Ned sup I'm

192

00:09:27,000 --> 00:09:25,000

sure yes so Larry do tell us please in

193

00:09:29,520 --> 00:09:27,010

our audience we all want to know how did

194

00:09:34,280 --> 00:09:29,530

you get involved in this what started

195

00:09:40,220 --> 00:09:34,290

off your journey on the UFO highway well

196

00:09:48,320 --> 00:09:40,230

to tell you that is going to expose my

197

00:09:54,470 --> 00:09:48,330

my elder years but by my exposure to

198

00:09:59,070 --> 00:09:54,480

flying saucers as I like to refer to was

199

00:10:01,710 --> 00:09:59,080

junior in high school in 1960 so as I

200

00:10:06,660 --> 00:10:01,720

said I'm I'm exposed my age but that's

201  
00:10:09,900 --> 00:10:06,670  
alright you're a youngster I read Donald

202  
00:10:12,690 --> 00:10:09,910  
Kehoe to of Donald Kehoe's books that I

203  
00:10:15,180 --> 00:10:12,700  
got in my high school library the one

204  
00:10:17,550 --> 00:10:15,190  
thing I love to do and in high school

205  
00:10:20,790 --> 00:10:17,560  
was read I love literature that was

206  
00:10:24,540 --> 00:10:20,800  
about the only thing I like to do but in

207  
00:10:26,190 --> 00:10:24,550  
high school but I I truly loved

208  
00:10:30,900 --> 00:10:26,200  
literature and I was fascinated with

209  
00:10:35,430 --> 00:10:30,910  
aircraft and and the subject of flying

210  
00:10:38,510 --> 00:10:35,440  
saucers was had really become very well

211  
00:10:43,370 --> 00:10:38,520  
known in those days from the late 40s

212  
00:10:51,480 --> 00:10:43,380  
50s and into the 60s and I was

213  
00:10:55,620 --> 00:10:51,490

captivated by bike hijos passion in his

214

00:10:57,930 --> 00:10:55,630

writings that the Air Force was deeply

215

00:11:01,520 --> 00:10:57,940

involved in the Flying Saucer issue

216

00:11:04,680 --> 00:11:01,530

which is what it was known as then and

217

00:11:10,620 --> 00:11:04,690

that they were concealing evidence that

218

00:11:13,740 --> 00:11:10,630

they had Kehoe was a retired Marine

219

00:11:16,800 --> 00:11:13,750

Corps aviator major retired major Marine

220

00:11:19,590 --> 00:11:16,810

Corps aviator and had been doing

221

00:11:22,230 --> 00:11:19,600

freelance writing for a number of

222

00:11:22,830 --> 00:11:22,240

publications one of which was true

223

00:11:24,660 --> 00:11:22,840

maggots

224

00:11:30,120 --> 00:11:24,670

in which was at those those days was

225

00:11:32,550 --> 00:11:30,130

primarily a men's magazine he was called

226

00:11:35,550 --> 00:11:32,560

Washington or called in New York by the

227

00:11:39,180 --> 00:11:35,560

editor of true magazine ken w pretty and

228

00:11:42,360 --> 00:11:39,190

pretty I told him that he wanted him to

229

00:11:45,350 --> 00:11:42,370

go and investigate this new Flying

230

00:11:48,450 --> 00:11:45,360

Saucer issue that was making headlines

231

00:11:52,980 --> 00:11:48,460

had been making headlines around the

232

00:11:55,170 --> 00:11:52,990

world and killed in 20 parts of it

233

00:11:56,850 --> 00:11:55,180

really he didn't like the idea thought

234

00:12:00,330 --> 00:11:56,860

it was pure baloney didn't want to get

235

00:12:02,040 --> 00:12:00,340

involved in it but pretty convinced him

236

00:12:06,830 --> 00:12:02,050

that he had out knowing that he had

237

00:12:09,150 --> 00:12:06,840

high-level contacts in the Pentagon to

238

00:12:14,130 --> 00:12:09,160

Gordon investigate it and write an

239

00:12:18,990 --> 00:12:14,140

article and so kyo reluctantly accepted

240

00:12:22,680 --> 00:12:19,000

the would occur pretty requested and

241

00:12:26,990 --> 00:12:22,690

within a year he went from a skeptic to

242

00:12:31,260 --> 00:12:27,000

a true believer after interviewing

243

00:12:33,900 --> 00:12:31,270

numbers of Air Force pilots people

244

00:12:37,950 --> 00:12:33,910

within the Pentagon who had investigated

245

00:12:39,600 --> 00:12:37,960

the subject from the old project sign

246

00:12:45,180 --> 00:12:39,610

which was the first Air Force

247

00:12:47,700 --> 00:12:45,190

investigation of flying saucers which

248

00:12:54,390 --> 00:12:47,710

then evolved into project grudge which

249

00:12:58,560 --> 00:12:54,400

was really nothing but a propaganda the

250

00:13:00,330 --> 00:12:58,570

outfit propaganda I was that one of the

251  
00:13:03,840 --> 00:13:00,340  
ones that was kind of covering things up

252  
00:13:08,690 --> 00:13:03,850  
and finding like some excuse projects on

253  
00:13:13,530 --> 00:13:11,270  
project grudge came about because

254  
00:13:16,520 --> 00:13:13,540  
projects signed the personnel and

255  
00:13:22,980 --> 00:13:16,530  
project sign actually did in the late

256  
00:13:25,440 --> 00:13:22,990  
1940s did investigations into the you of

257  
00:13:28,190 --> 00:13:25,450  
all the flying saucer phenomenon as it

258  
00:13:32,690 --> 00:13:28,200  
was called in and

259  
00:13:34,580 --> 00:13:32,700  
they ended up after I think the thing

260  
00:13:38,780 --> 00:13:34,590  
that sort of pushed them over the cliff

261  
00:13:41,840 --> 00:13:38,790  
was the famous child's whited eastern

262  
00:13:46,460 --> 00:13:41,850  
airline event over southeastern United

263  
00:13:49,240 --> 00:13:46,470

States over Alabama I think it was the

264

00:13:52,100 --> 00:13:49,250

date of which escapes me but in any case

265

00:13:55,940 --> 00:13:52,110

that pushed him over the edge and they

266

00:13:58,670 --> 00:13:55,950

wrote an estimate of the situation which

267

00:14:01,790 --> 00:13:58,680

ended up saying that from their research

268

00:14:05,750 --> 00:14:01,800

that these objects that were being seen

269

00:14:12,650 --> 00:14:05,760

by pilots military pilots and civilian

270

00:14:16,700 --> 00:14:12,660

pilots and in airline pilots most likely

271

00:14:19,160 --> 00:14:16,710

were extraterrestrial in origin and this

272

00:14:20,810 --> 00:14:19,170

estimate of the situation was passed up

273

00:14:22,850 --> 00:14:20,820

like a hot potato through the chain of

274

00:14:27,280 --> 00:14:22,860

command and the Pentagon and ended up on

275

00:14:31,040 --> 00:14:27,290

general Hoyt Vandenberg's desk and

276

00:14:32,360 --> 00:14:31,050

Vandenberg said in essence hell no we're

277

00:14:34,580 --> 00:14:32,370

not going to do this we're going to this

278

00:14:37,610 --> 00:14:34,590

is this is not this is not going public

279

00:14:46,730 --> 00:14:37,620

I'll bat it back down and redo it take

280

00:14:50,120 --> 00:14:46,740

this this extraterrestrial information

281

00:14:53,150 --> 00:14:50,130

or reference to extraterrestrials out of

282

00:14:54,650 --> 00:14:53,160

it we don't have enough evidence that's

283

00:14:58,070 --> 00:14:54,660

what it is but we're not going public

284

00:15:02,270 --> 00:14:58,080

with this so that really spelled the

285

00:15:08,510 --> 00:15:02,280

demise for project sign which was really

286

00:15:10,760 --> 00:15:08,520

the truly only investigative office

287

00:15:14,030 --> 00:15:10,770

within the Air Force that did any real

288

00:15:17,230 --> 00:15:14,040

true UFO investigations except for the

289

00:15:21,440 --> 00:15:17,240

early years of Project Blue Book and an

290

00:15:24,710 --> 00:15:21,450

Deborah Pelt but so you found this all

291

00:15:27,290 --> 00:15:24,720

very intriguing as we all have to it's

292

00:15:29,600 --> 00:15:27,300

it's just an intriguing situation but

293

00:15:32,120 --> 00:15:29,610

then it gets frustrating because in your

294

00:15:34,580 --> 00:15:32,130

book is and in other books but your book

295

00:15:37,850 --> 00:15:34,590

especially there's a mountain of

296

00:15:40,490 --> 00:15:37,860

evidence a mountain at least one maybe

297

00:15:42,110 --> 00:15:40,500

ten mountains of evidence that are

298

00:15:43,579 --> 00:15:42,120

pointing to the

299

00:15:47,120 --> 00:15:43,589

the truth that these things are real

300

00:15:50,230 --> 00:15:47,130

they existed they visited us for for

301  
00:15:53,930 --> 00:15:50,240  
many many years but something happened

302  
00:15:56,720 --> 00:15:53,940  
with Truman can you tell us exactly how

303  
00:15:58,610 --> 00:15:56,730  
this started because as you went as I

304  
00:16:01,430 --> 00:15:58,620  
went through the book and PK went to the

305  
00:16:03,800 --> 00:16:01,440  
book we were amazed to see there was

306  
00:16:06,560 --> 00:16:03,810  
some presidents in the know and some not

307  
00:16:08,690 --> 00:16:06,570  
but with Truman he kind of took it out

308  
00:16:11,300 --> 00:16:08,700  
of the government's hands in those

309  
00:16:14,900 --> 00:16:11,310  
government as we know it and he put it

310  
00:16:17,960 --> 00:16:14,910  
with another another group can you tell

311  
00:16:23,870 --> 00:16:17,970  
us what happened there the straw that

312  
00:16:26,269 --> 00:16:23,880  
broke the camel's back was in 1952 with

313  
00:16:29,329 --> 00:16:26,279

the great Washington merry-go-round as

314

00:16:34,040 --> 00:16:29,339

it's been called and this is when a

315

00:16:36,260 --> 00:16:34,050

numbers of UFOs overflew Washington and

316

00:16:38,900 --> 00:16:36,270

respected the restricted airspace over

317

00:16:44,180 --> 00:16:38,910

the Capitol and the White House for that

318

00:16:49,820 --> 00:16:44,190

matter on to weekend nights in July the

319

00:16:55,400 --> 00:16:49,830

dates of which were I think July 19th

320

00:16:56,960 --> 00:16:55,410

and 20th in the 26 and 27 to Saturday

321

00:16:59,810 --> 00:16:56,970

nights that went into the Sunday

322

00:17:02,990 --> 00:16:59,820

mornings where these these craft showed

323

00:17:05,750 --> 00:17:03,000

up on radar these these objects showed

324

00:17:08,059 --> 00:17:05,760

up on radar jets were scrambled on the

325

00:17:11,150 --> 00:17:08,069

first weekend night and when they

326

00:17:14,030 --> 00:17:11,160

arrived over Washington with the Jets

327

00:17:16,760 --> 00:17:14,040

arrived over Washington the objects took

328

00:17:19,689 --> 00:17:16,770

off when the Jets went back to the base

329

00:17:23,059 --> 00:17:19,699

the objects returned and this one on

330

00:17:26,809 --> 00:17:23,069

from almost eight o'clock at night until

331

00:17:31,700 --> 00:17:26,819

dawn the next morning the same thing

332

00:17:34,400 --> 00:17:31,710

happened on the next Saturday night into

333

00:17:38,390 --> 00:17:34,410

Sunday morning the difference was jeff's

334

00:17:42,950 --> 00:17:38,400

jets were scrambled and at the request

335

00:17:44,750 --> 00:17:42,960

of al chop who was Air Force public

336

00:17:46,520 --> 00:17:44,760

relations head of Air Force public

337

00:17:48,560 --> 00:17:46,530

relations at the time he was in the

338

00:17:51,140 --> 00:17:48,570

control tower at Washington National

339

00:17:54,470 --> 00:17:51,150

Airport and he requested jets to be

340

00:17:55,460 --> 00:17:54,480

scramble that second night when the Jets

341

00:17:58,520 --> 00:17:55,470

arrived

342

00:18:03,649 --> 00:17:58,530

the objects didn't leave they stayed

343

00:18:06,500 --> 00:18:03,659

there and one jet had a number of

344

00:18:09,789 --> 00:18:06,510

objects five or six or seven however

345

00:18:13,580 --> 00:18:09,799

many started to converge on the jet and

346

00:18:16,580 --> 00:18:13,590

surround the jet and close in on it the

347

00:18:19,610 --> 00:18:16,590

pilot really was panicking and he

348

00:18:22,010 --> 00:18:19,620

radioed what should i do what do you

349

00:18:25,970 --> 00:18:22,020

want me to do meaning should I fire on

350

00:18:29,029 --> 00:18:25,980

right at that instant the objects took

351  
00:18:31,970 --> 00:18:29,039  
off and they were some of the recorded

352  
00:18:34,279 --> 00:18:31,980  
speeds was its 7,000 miles an hour

353  
00:18:36,950 --> 00:18:34,289  
obviously we didn't have our craft in

354  
00:18:41,270 --> 00:18:36,960  
those days that comply 7,000 miles an

355  
00:18:43,700 --> 00:18:41,280  
hour that prompted President Truman that

356  
00:18:46,760 --> 00:18:43,710  
made headlines big headlines around the

357  
00:18:49,460 --> 00:18:46,770  
world and that made Truman who was

358  
00:18:53,240 --> 00:18:49,470  
pretty crusty as people low with his

359  
00:18:56,930 --> 00:18:53,250  
language and all do tell his military

360  
00:18:59,210 --> 00:18:56,940  
aid Air Force aid general Landry just to

361  
00:19:02,320 --> 00:18:59,220  
find out what the hell's going on get

362  
00:19:07,399 --> 00:19:02,330  
out there and find out I want answers

363  
00:19:10,130 --> 00:19:07,409

from that uh doubles the news conference

364

00:19:12,020 --> 00:19:10,140

hell trying to get through this quickly

365

00:19:15,049 --> 00:19:12,030

there was a news conference held one of

366

00:19:17,480 --> 00:19:15,059

the largest news conference the Air

367

00:19:21,950 --> 00:19:17,490

Force had held since the Second World

368

00:19:24,919 --> 00:19:21,960

War and a general Samford was in charge

369

00:19:27,110 --> 00:19:24,929

of the press conference and he went

370

00:19:29,950 --> 00:19:27,120

through a lot of rigmarole and said a

371

00:19:35,149 --> 00:19:29,960

lot of nothing but ended up by saying

372

00:19:37,010 --> 00:19:35,159

that what the radar operators saw and

373

00:19:39,350 --> 00:19:37,020

this was not only washington national

374

00:19:41,270 --> 00:19:39,360

but Andrews Air Force Base was seeing

375

00:19:42,789 --> 00:19:41,280

the same thing all their radars and they

376

00:19:45,440 --> 00:19:42,799

were talking back and forth between

377

00:19:51,470 --> 00:19:45,450

Andrews Air Force Base and Washington

378

00:19:54,350 --> 00:19:51,480

National tower see now this is I think a

379

00:19:56,330 --> 00:19:54,360

perfect example of you know when people

380

00:19:57,860 --> 00:19:56,340

say well why don't they land on the

381

00:20:02,510 --> 00:19:57,870

White House lawn well they kind of

382

00:20:05,210 --> 00:20:02,520

already did and we have witnesses we

383

00:20:09,320 --> 00:20:05,220

have radar reports from more than look

384

00:20:13,400 --> 00:20:09,330

place and so it has already happened

385

00:20:14,570 --> 00:20:13,410

and yet people still are in the dark

386

00:20:16,370 --> 00:20:14,580

they're saying well we don't know if

387

00:20:20,630 --> 00:20:16,380

it's really how could this not be real

388

00:20:22,910 --> 00:20:20,640

in 1952 these these flying saucers we're

389

00:20:24,290 --> 00:20:22,920

going 7,000 miles an hour and then when

390

00:20:26,270 --> 00:20:24,300

as you mentioned the jets were scrambled

391

00:20:28,430 --> 00:20:26,280

they played a game of cat and mouse they

392

00:20:31,210 --> 00:20:28,440

disappear they'd reappear I mean all of

393

00:20:34,220 --> 00:20:31,220

these things point to the reality of

394

00:20:39,100 --> 00:20:34,230

spaceships UFOs little green men this

395

00:20:42,020 --> 00:20:39,110

these ships were not from here well

396

00:20:43,940 --> 00:20:42,030

general Sanford said they attend the

397

00:20:48,650 --> 00:20:43,950

conference that they were temperature

398

00:20:50,210 --> 00:20:48,660

inversions which was completely oh one

399

00:20:54,950 --> 00:20:50,220

of the people that came out and said

400

00:20:58,130 --> 00:20:54,960

it's absolute stupidity was uh dr. James

401  
00:21:01,670 --> 00:20:58,140  
E McDonald he's one of my heroes in UFO

402  
00:21:04,640 --> 00:21:01,680  
research dr. McDonald's as you do all

403  
00:21:06,920 --> 00:21:04,650  
I'm sure you all know famed atmospheric

404  
00:21:10,400 --> 00:21:06,930  
physicists that university of arizona

405  
00:21:13,670 --> 00:21:10,410  
and and study the subject for some six

406  
00:21:18,190 --> 00:21:13,680  
years i think it ended up resulting in

407  
00:21:23,720 --> 00:21:21,110  
MacDonald said it was ridiculous the the

408  
00:21:27,500 --> 00:21:23,730  
controllers in the tower were incensed

409  
00:21:31,010 --> 00:21:27,510  
that the Air Force put out a report that

410  
00:21:33,140 --> 00:21:31,020  
they who had the lives of civilians in

411  
00:21:35,090 --> 00:21:33,150  
their hundreds and thousands of

412  
00:21:36,470 --> 00:21:35,100  
civilians in their hands couldn't tell

413  
00:21:40,850 --> 00:21:36,480

the difference between the temperature

414

00:21:43,910 --> 00:21:40,860

inversion and a hard target so but the

415

00:21:47,600 --> 00:21:43,920

pep the press as they have over and over

416

00:21:52,430 --> 00:21:47,610

and over again bought the story case

417

00:21:56,180 --> 00:21:52,440

closed and then we get into the

418

00:22:01,580 --> 00:21:56,190

Robertson panel which ended up was a

419

00:22:04,430 --> 00:22:01,590

result of this event and ended up saying

420

00:22:07,070 --> 00:22:04,440

that UFOs should be debunked to the

421

00:22:09,260 --> 00:22:07,080

public this was all done in secret that

422

00:22:13,040 --> 00:22:09,270

UFOs should be debunked to the public

423

00:22:15,890 --> 00:22:13,050

that the CIA the intelligence community

424

00:22:18,520 --> 00:22:15,900

and the government should debunk these

425

00:22:20,530 --> 00:22:18,530

reports and civilian

426  
00:22:24,010 --> 00:22:20,540  
oops that are interested in them should

427  
00:22:25,900 --> 00:22:24,020  
be closely monitored so she you know

428  
00:22:30,040 --> 00:22:25,910  
you've got you but you've got the

429  
00:22:33,870 --> 00:22:30,050  
beginnings of a real real cover up that

430  
00:22:37,150 --> 00:22:33,880  
continues today and has exploded

431  
00:22:40,240 --> 00:22:37,160  
exponentially but yes because I mean

432  
00:22:43,210 --> 00:22:40,250  
it's where it started with Truman and

433  
00:22:46,960 --> 00:22:43,220  
how he brought this more to a level of

434  
00:22:49,330 --> 00:22:46,970  
high security and whatever alphabet

435  
00:22:51,640 --> 00:22:49,340  
agencies he decided to involve in this I

436  
00:22:55,720 --> 00:22:51,650  
don't know but he certainly did move

437  
00:22:58,260 --> 00:22:55,730  
this step many steps closer to the hands

438  
00:23:02,500 --> 00:22:58,270

of those agencies and away from the

439

00:23:07,140 --> 00:23:02,510

president's well let me let me I skipped

440

00:23:10,180 --> 00:23:07,150

over something yeah go ahead the Truman

441

00:23:12,420 --> 00:23:10,190

and this is debated within with you o

442

00:23:15,940 --> 00:23:12,430

Allah gist but I believe it's a fact

443

00:23:18,940 --> 00:23:15,950

Truman established a group of people

444

00:23:24,510 --> 00:23:18,950

called majestic 12 mj-12 which was a

445

00:23:29,950 --> 00:23:24,520

group of six high-level the top notch

446

00:23:36,370 --> 00:23:29,960

scientists and six very highly esteemed

447

00:23:42,750 --> 00:23:36,380

military field officer of general

448

00:23:46,870 --> 00:23:42,760

officers and admirals and majestic 12

449

00:23:51,130 --> 00:23:46,880

was the group The Truman set up to

450

00:23:55,420 --> 00:23:51,140

investigate you of flying saucers or

451  
00:23:59,800 --> 00:23:55,430  
UFOs and report back to the president

452  
00:24:02,200 --> 00:23:59,810  
that was there charged that the is it

453  
00:24:05,530 --> 00:24:02,210  
said of a Truman the buck stops here he

454  
00:24:07,510 --> 00:24:05,540  
wanted all information all UFO all

455  
00:24:10,120 --> 00:24:07,520  
flying saucer information to be

456  
00:24:11,860 --> 00:24:10,130  
controlled by the president the

457  
00:24:16,000 --> 00:24:11,870  
president would have absolute control

458  
00:24:21,130 --> 00:24:16,010  
over this information this moved forward

459  
00:24:25,180 --> 00:24:21,140  
into the Eisenhower administration but

460  
00:24:26,620 --> 00:24:25,190  
it is my belief going back to boy we've

461  
00:24:29,100 --> 00:24:26,630  
got to skip around here a bit but going

462  
00:24:31,880 --> 00:24:29,110  
back to Roswell I think we have

463  
00:24:35,840 --> 00:24:31,890

recovered extraterrestrial

464

00:24:38,780 --> 00:24:35,850

craft of some fashion I definitely I

465

00:24:42,320 --> 00:24:38,790

personally believe the craft were probes

466

00:24:46,190 --> 00:24:42,330

I think they were expendable probes sent

467

00:24:48,830 --> 00:24:46,200

from if you will motherships just like

468

00:24:51,290 --> 00:24:48,840

we send probes to the moon under Mars of

469

00:24:53,600 --> 00:24:51,300

the Venus or wherever I think these were

470

00:24:58,990 --> 00:24:53,610

probes and these probes were expendable

471

00:25:04,190 --> 00:24:59,000

I think they had some type of living

472

00:25:06,920 --> 00:25:04,200

being in them that was probably part of

473

00:25:08,780 --> 00:25:06,930

the craft these were engineered beings

474

00:25:14,930 --> 00:25:08,790

these were living beings but they were

475

00:25:18,950 --> 00:25:14,940

engineered beings and can I back that up

476  
00:25:21,170 --> 00:25:18,960  
with hard fact no but after doing a

477  
00:25:23,240 --> 00:25:21,180  
great deal of research and spending a

478  
00:25:24,920 --> 00:25:23,250  
lot of time in presidential libraries I

479  
00:25:28,520 --> 00:25:24,930  
think that I think that's the most

480  
00:25:31,520 --> 00:25:28,530  
logical answer and these beings and the

481  
00:25:34,370 --> 00:25:31,530  
probes that they were in or that they

482  
00:25:37,070 --> 00:25:34,380  
were part of were expendable that's why

483  
00:25:41,420 --> 00:25:37,080  
they weren't come the the the the the

484  
00:25:43,640 --> 00:25:41,430  
people that were handling them that were

485  
00:25:46,250 --> 00:25:43,650  
controlling them didn't come and pick

486  
00:25:48,920 --> 00:25:46,260  
them up I mean perhaps they wanted us to

487  
00:25:54,440 --> 00:25:48,930  
have them perhaps it was the beginning

488  
00:25:57,440 --> 00:25:54,450

of a long term of disclosure I don't

489

00:25:59,840 --> 00:25:57,450

know that's that's pure speculation but

490

00:26:04,310 --> 00:25:59,850

I thought I think I think these were

491

00:26:08,990 --> 00:26:04,320

expendable probes and thing and I think

492

00:26:11,480 --> 00:26:09,000

that's I think we had this material and

493

00:26:14,540 --> 00:26:11,490

I think this material was turned over to

494

00:26:17,930 --> 00:26:14,550

the intelligence community and from that

495

00:26:20,660 --> 00:26:17,940

to the military-industrial complex for

496

00:26:26,720 --> 00:26:20,670

study and I think a great deal of money

497

00:26:29,570 --> 00:26:26,730

was was given to the study of these

498

00:26:32,810 --> 00:26:29,580

these artifacts and where you have a lot

499

00:26:36,020 --> 00:26:32,820

of money you start amassing a lot of

500

00:26:38,570 --> 00:26:36,030

power and I think that in the later

501  
00:26:42,710 --> 00:26:38,580  
years of the of the Eisenhower

502  
00:26:45,170 --> 00:26:42,720  
administration the power that Truman

503  
00:26:49,720 --> 00:26:45,180  
envisioned the president having

504  
00:26:53,420 --> 00:26:49,730  
over this issue was wrenched away from

505  
00:26:56,540 --> 00:26:53,430  
the White House and the end the

506  
00:27:00,320 --> 00:26:56,550  
president and taken into the hands of

507  
00:27:02,990 --> 00:27:00,330  
the intelligence community and at the

508  
00:27:05,960 --> 00:27:03,000  
very highest highest levels the

509  
00:27:08,000 --> 00:27:05,970  
military-industrial complex and I think

510  
00:27:11,780 --> 00:27:08,010  
that's where it's gone today I think

511  
00:27:14,920 --> 00:27:11,790  
today President Snow really very little

512  
00:27:20,800 --> 00:27:14,930  
about the subject I think that it's

513  
00:27:24,140 --> 00:27:20,810

controlled deep within the the the black

514

00:27:26,300 --> 00:27:24,150

operations of our government and the

515

00:27:29,780 --> 00:27:26,310

intelligence community and there are

516

00:27:34,070 --> 00:27:29,790

very few people i call them the keepers

517

00:27:37,220 --> 00:27:34,080

of the secret who make the decision on

518

00:27:42,140 --> 00:27:37,230

what President Snow and what presidents

519

00:27:45,290 --> 00:27:42,150

don't know depending on how they view

520

00:27:47,270 --> 00:27:45,300

the particular person how they view the

521

00:27:50,450 --> 00:27:47,280

person that's occupying the White House

522

00:27:54,770 --> 00:27:50,460

and how much he or she will be briefed

523

00:27:58,040 --> 00:27:54,780

on this subject so that's in a nutshell

524

00:27:59,720 --> 00:27:58,050

I think where we are yeah and I totally

525

00:28:02,200 --> 00:27:59,730

agree with you I think that's a really

526

00:28:05,600 --> 00:28:02,210

good assessment of what's happening and

527

00:28:08,930 --> 00:28:05,610

at the same time it's uh it's it's a

528

00:28:11,210 --> 00:28:08,940

little bit disconcerting that so much of

529

00:28:14,270 --> 00:28:11,220

this is in the hands of people who are

530

00:28:16,700 --> 00:28:14,280

not accountable to us as citizens and

531

00:28:19,550 --> 00:28:16,710

also you must be talking about security

532

00:28:21,920 --> 00:28:19,560

clearances that go far above the

533

00:28:24,950 --> 00:28:21,930

President's head I've heard there's like

534

00:28:27,740 --> 00:28:24,960

35 security clearances that go above the

535

00:28:30,980 --> 00:28:27,750

president have you heard that yeah top

536

00:28:34,460 --> 00:28:30,990

secret top secret clearance is really is

537

00:28:37,400 --> 00:28:34,470

really nothing it's uh you've got you've

538

00:28:41,540 --> 00:28:37,410

got security clearances of all types

539

00:28:44,480 --> 00:28:41,550

that are above top secret you know we

540

00:28:46,790 --> 00:28:44,490

hear of top secret altro II we hear of

541

00:28:50,480 --> 00:28:46,800

all sorts of levels but they're all

542

00:28:54,950 --> 00:28:50,490

they're all there are many levels above

543

00:28:57,740 --> 00:28:54,960

top secret that involve various things

544

00:29:00,920 --> 00:28:57,750

be the experimental

545

00:29:03,550 --> 00:29:00,930

craft such as the stealth aircraft that

546

00:29:06,080 --> 00:29:03,560

was secret for 20 years people say that

547

00:29:09,860 --> 00:29:06,090

the government can't keep secrets that's

548

00:29:14,390 --> 00:29:09,870

baloney you know I think the government

549

00:29:17,780 --> 00:29:14,400

may not be able to keep political

550

00:29:20,750 --> 00:29:17,790

secrets mm-hmm but they can very well

551

00:29:23,660 --> 00:29:20,760

keep secrets that are that involved

552

00:29:25,280 --> 00:29:23,670

national security and national defense

553

00:29:28,700 --> 00:29:25,290

and that's two different things

554

00:29:33,920 --> 00:29:28,710

altogether political secrets are or just

555

00:29:37,450 --> 00:29:33,930

that they they are politicians of

556

00:29:40,250 --> 00:29:37,460

blabbermouths true and and and

557

00:29:43,040 --> 00:29:40,260

bureaucrats deep within the government

558

00:29:48,370 --> 00:29:43,050

are very accustomed to keeping secrets

559

00:29:50,600 --> 00:29:48,380

as are the very high level officials of

560

00:29:53,090 --> 00:29:50,610

corporations that operate within the

561

00:29:55,850 --> 00:29:53,100

military industrial complex we've got to

562

00:29:56,930 --> 00:29:55,860

go to a commercial break Larry but again

563

00:30:00,290 --> 00:29:56,940

Larry Holcomb who is the author of a

575

00:30:34,580 --> 00:30:32,280

terrific book if you don't have it you

got to get a copy you'll be like we were

577

00:30:42,110 --> 00:30:36,750

we couldn't put it down the presidents

578

00:30:44,870 --> 00:30:42,120

and UFOs a secret history from FDR to

579

00:30:47,390 --> 00:30:44,880

Obama and Larry you got some big news

580

00:30:50,990 --> 00:30:47,400

that we want to have you share with our

581

00:30:56,570 --> 00:30:51,000

audience tonight about your book it was

582

00:31:00,770 --> 00:30:56,580

just optioned for a movie well yeah oh

583

00:31:05,090 --> 00:31:00,780

yeah I appreciate you asking yes I just

584

00:31:07,310 --> 00:31:05,100

got final word from my agent this

585

00:31:09,420 --> 00:31:07,320

afternoon that the deal is done and

586

00:31:12,650 --> 00:31:09,430

signed and sealed and the

587

00:31:18,260 --> 00:31:12,660

sending me the documents to sign Sony

588

00:31:22,650 --> 00:31:21,030

congratulations that is so exciting and

589

00:31:25,350 --> 00:31:22,660

so many people are going to want to see

590

00:31:27,930 --> 00:31:25,360

this movie because again we're all

591

00:31:30,120 --> 00:31:27,940

hungry for the real facts we want to

592

00:31:32,880 --> 00:31:30,130

know what's going on and you've put them

593

00:31:34,680 --> 00:31:32,890

all together beautifully in your book so

594

00:31:37,410 --> 00:31:34,690

now people will get to watch it as well

595

00:31:40,560 --> 00:31:37,420

congratulations thank you thank you

596

00:31:43,440 --> 00:31:40,570

we're pretty excited about excited about

597

00:31:46,320 --> 00:31:43,450

I don't know now what Sony's going to do

598

00:31:50,580 --> 00:31:46,330

with it they have the option and I

599

00:31:54,390 --> 00:31:50,590

understand that I have from my agent

600

00:31:58,920 --> 00:31:54,400

that they already their options started

601  
00:32:00,600 --> 00:31:58,930  
actually about six weeks ago and that

602  
00:32:04,410 --> 00:32:00,610  
they are looking for screenwriters so

603  
00:32:09,780 --> 00:32:04,420  
whether it's going to be an actual film

604  
00:32:13,910 --> 00:32:09,790  
made whether it will be a miniseries for

605  
00:32:17,790 --> 00:32:13,920  
television such as the miniseries on HBO

606  
00:32:21,900 --> 00:32:17,800  
I don't know oh there's they're all

607  
00:32:23,940 --> 00:32:21,910  
sorts of yeah there's all kinds of

608  
00:32:25,830 --> 00:32:23,950  
broadcast outlets today for something

609  
00:32:28,170 --> 00:32:25,840  
like this but I'll tell you what we're

610  
00:32:30,930 --> 00:32:28,180  
outside to put this it's going to be

611  
00:32:33,540 --> 00:32:30,940  
watched by millions that's for sure it's

612  
00:32:35,910 --> 00:32:33,550  
so intriguing it's just incredible to

613  
00:32:41,880 --> 00:32:35,920

think all of this is taking place well

614

00:32:45,360 --> 00:32:41,890

we're alive yes well I I tried to in

615

00:32:49,230 --> 00:32:45,370

writing the book I wanted to appeal or I

616

00:32:51,630 --> 00:32:49,240

wanted to direct the book to you all

617

00:32:55,590 --> 00:32:51,640

read the book and you know that I called

618

00:32:58,320 --> 00:32:55,600

folks the casual observer that is the

619

00:33:01,470 --> 00:32:58,330

person that that has an interest in the

620

00:33:05,370 --> 00:33:01,480

subject and i think that there's a huge

621

00:33:07,920 --> 00:33:05,380

amount of folks around the world that

622

00:33:10,230 --> 00:33:07,930

have an interest in this subject but

623

00:33:13,740 --> 00:33:10,240

really know very little about it they

624

00:33:16,020 --> 00:33:13,750

they only know there was some of the

625

00:33:17,640 --> 00:33:16,030

silly stuff that you see on television

626

00:33:21,510 --> 00:33:17,650

some of the

627

00:33:23,190 --> 00:33:21,520

ridiculous things that you see some of

628

00:33:26,760 --> 00:33:23,200

these documentaries that come over to

629

00:33:29,040 --> 00:33:26,770

come out and that just drive me crazy

630

00:33:31,950 --> 00:33:29,050

because they are they are inaccurate

631

00:33:34,680 --> 00:33:31,960

their facts are not accurate and they

632

00:33:38,520 --> 00:33:34,690

are making assumptions that they

633

00:33:42,990 --> 00:33:38,530

shouldn't be making but i wanted so i

634

00:33:48,290 --> 00:33:43,000

wanted a book that would sort of be a

635

00:33:53,550 --> 00:33:48,300

textbook 101 if you would for modern-day

636

00:33:56,400 --> 00:33:53,560

UFO g from the 1940s from the Roosevelt

637

00:33:58,470 --> 00:33:56,410

era forward and what really went on

638

00:34:00,810 --> 00:33:58,480

behind the scenes what really went on

639

00:34:03,660 --> 00:34:00,820

with in the Air Force and how much

640

00:34:05,670 --> 00:34:03,670

discord there was for instance as you

641

00:34:11,490 --> 00:34:05,680

all read in the book within the Air

642

00:34:14,130 --> 00:34:11,500

Force in the 1940s in the 1950s and and

643

00:34:16,620 --> 00:34:14,140

and how many blows the Air Force took

644

00:34:19,740 --> 00:34:16,630

over and over again when they would come

645

00:34:23,909 --> 00:34:19,750

out and make statements of fact that

646

00:34:27,240 --> 00:34:23,919

turned out to be blatant lies and let me

647

00:34:31,740 --> 00:34:27,250

make it clear here to all the listeners

648

00:34:34,230 --> 00:34:31,750

that I have the greatest respect in the

649

00:34:36,320 --> 00:34:34,240

world for the military I really do and

650

00:34:39,240 --> 00:34:36,330

the Air Force I think the Air Force is a

651  
00:34:41,820 --> 00:34:39,250  
marvelous branch of service and all of

652  
00:34:47,610 --> 00:34:41,830  
the people in service Harvey Navy

653  
00:34:51,419 --> 00:34:47,620  
Marines Coast Guard they they all do a

654  
00:34:54,169 --> 00:34:51,429  
fantastic job and and and so many

655  
00:34:58,290 --> 00:34:54,179  
have given their lives for our country

656  
00:35:01,490 --> 00:34:58,300  
but I think in the Air Force and the

657  
00:35:05,310 --> 00:35:01,500  
government's handling of the UFO issue

658  
00:35:09,750 --> 00:35:05,320  
their handling of it has been idiotic

659  
00:35:12,840 --> 00:35:09,760  
and despicable oh yeah we with you

660  
00:35:16,380 --> 00:35:12,850  
because it makes they point fingers at

661  
00:35:18,630 --> 00:35:16,390  
people who are highly trained at people

662  
00:35:21,450 --> 00:35:18,640  
who work on radar as you mentioned every

663  
00:35:23,340 --> 00:35:21,460

day and they they make them look or

664

00:35:24,690 --> 00:35:23,350

sound stupid like they don't know what

665

00:35:26,720 --> 00:35:24,700

they're talking about nothing could be

666

00:35:30,900 --> 00:35:26,730

further from the truth they are

667

00:35:31,530 --> 00:35:30,910

disparaging to abductees also they go on

668

00:35:34,320 --> 00:35:31,540

a big

669

00:35:37,740 --> 00:35:34,330

campaign against these people who have

670

00:35:40,320 --> 00:35:37,750

suffered through abductions and all of

671

00:35:43,950 --> 00:35:40,330

this is I agree we agree this is

672

00:35:47,810 --> 00:35:43,960

despicable this is not fair treatment of

673

00:35:53,280 --> 00:35:47,820

the American public I don't know

674

00:35:56,490 --> 00:35:53,290

abduction is is not my strong suit my my

675

00:36:02,070 --> 00:35:56,500

background really involves the study of

676  
00:36:06,840 --> 00:36:02,080  
flying saucers and UFOs and not even so

677  
00:36:09,060 --> 00:36:06,850  
much of who occupies them but just the

678  
00:36:11,610 --> 00:36:09,070  
craft themselves and what they do and

679  
00:36:14,160 --> 00:36:11,620  
because you have to specialize in an

680  
00:36:17,790 --> 00:36:14,170  
earlier you we're talking about when you

681  
00:36:20,910 --> 00:36:17,800  
talk about UFOs you're talking about a

682  
00:36:24,240 --> 00:36:20,920  
subject that is that has so many roots

683  
00:36:26,840 --> 00:36:24,250  
and branches running from it that you

684  
00:36:30,870 --> 00:36:26,850  
could we could spend hours discussing

685  
00:36:35,370 --> 00:36:30,880  
why the the media doesn't cover it

686  
00:36:38,310 --> 00:36:35,380  
properly oh why who the the debunkers

687  
00:36:40,650 --> 00:36:38,320  
are and why they debunk it and so on and

688  
00:36:43,380 --> 00:36:40,660

so forth it goes on forever and ever so

689

00:36:46,830 --> 00:36:43,390

you have to focus on one thing but

690

00:36:49,530 --> 00:36:46,840

abductions is a very important part of

691

00:36:55,380 --> 00:36:49,540

it and i think the abductees have been

692

00:37:00,060 --> 00:36:55,390

treated in many cases terribly i am good

693

00:37:05,430 --> 00:37:00,070

friends with kathleen martin who is head

694

00:37:08,520 --> 00:37:05,440

of muffins abduction division if you

695

00:37:11,850 --> 00:37:08,530

will think I'm sure that's not Kathy's

696

00:37:14,370 --> 00:37:11,860

exact title but that's that's that is

697

00:37:16,560 --> 00:37:14,380

odd but that's what she's in charge over

698

00:37:18,630 --> 00:37:16,570

this axis she was on our show Larry she

699

00:37:22,140 --> 00:37:18,640

was delightful and very oh is that right

700

00:37:25,830 --> 00:37:22,150

yes I was just with Kathy and Stan

701  
00:37:30,890 --> 00:37:25,840  
freedom at Roswell a couple weeks ago

702  
00:37:33,510 --> 00:37:30,900  
and and Kathy if you know the book

703  
00:37:36,360 --> 00:37:33,520  
helped me out greatly in the abduction

704  
00:37:38,460 --> 00:37:36,370  
chapter because I don't know abductions

705  
00:37:40,950 --> 00:37:38,470  
but I thought that they were so

706  
00:37:42,810 --> 00:37:40,960  
important the topic was so important

707  
00:37:46,560 --> 00:37:42,820  
that it needed to be covered my boy

708  
00:37:48,690 --> 00:37:46,570  
can I ask Kathy to include if she would

709  
00:37:51,330 --> 00:37:48,700  
help me with it which he did she sent me

710  
00:37:54,990 --> 00:37:51,340  
a paper that she had had written

711  
00:37:59,070 --> 00:37:55,000  
previously she could not get into it

712  
00:38:03,330 --> 00:37:59,080  
actively then because she was just her

713  
00:38:05,280 --> 00:38:03,340

new book with the nice toner had just

714

00:38:08,160 --> 00:38:05,290

been released and she was turning around

715

00:38:10,230 --> 00:38:08,170

the country promoting that book but she

716

00:38:14,810 --> 00:38:10,240

did a great deal for me and I'm indebted

717

00:38:18,630 --> 00:38:14,820

to Kathy in she is she's a fine person

718

00:38:21,000 --> 00:38:18,640

delightful person and yeah and she

719

00:38:22,470 --> 00:38:21,010

explains it very well in that chapter in

720

00:38:26,100 --> 00:38:22,480

your book it's it's a very well-written

721

00:38:27,930 --> 00:38:26,110

chapter on abduction and it just goes

722

00:38:29,880 --> 00:38:27,940

through a lot of different things about

723

00:38:34,860 --> 00:38:29,890

it but certainly this is part and parcel

724

00:38:37,170 --> 00:38:34,870

as you mention of a huge huge area and

725

00:38:38,610 --> 00:38:37,180

it's again I just want to urge everybody

726

00:38:41,160 --> 00:38:38,620

to buy your book again it's the

727

00:38:44,550 --> 00:38:41,170

presidents and UFOs a secret history

728

00:38:48,120 --> 00:38:44,560

from FDR to Obama because it is very

729

00:38:51,600 --> 00:38:48,130

clear you have written a book that is so

730

00:38:54,720 --> 00:38:51,610

clear and so easy to read and understand

731

00:38:56,970 --> 00:38:54,730

how things progress the way they did and

732

00:38:59,970 --> 00:38:56,980

again this is based on as much

733

00:39:03,660 --> 00:38:59,980

information as you could garner in this

734

00:39:06,120 --> 00:39:03,670

whole this whole just long history of

735

00:39:09,030 --> 00:39:06,130

secrecy you did a great job but there's

736

00:39:12,240 --> 00:39:09,040

still a lot of Secrets now one of the

737

00:39:15,600 --> 00:39:12,250

things I want to ask you Larry is you

738

00:39:17,310 --> 00:39:15,610

know why why did they feel they have to

739

00:39:20,960 --> 00:39:17,320

keep it secret from the American public

740

00:39:24,540 --> 00:39:20,970

what's your opinion on that technology

741

00:39:26,130 --> 00:39:24,550

the google word and technology this that

742

00:39:29,130 --> 00:39:26,140

you know everybody's got a theory about

743

00:39:32,960 --> 00:39:29,140

it that the the world economy would

744

00:39:36,860 --> 00:39:32,970

collapse a religion would collapse I

745

00:39:39,570 --> 00:39:36,870

don't behind of that a you know we've

746

00:39:42,780 --> 00:39:39,580

what Truman did after the Second World

747

00:39:45,150 --> 00:39:42,790

War as I say in the book was I think

748

00:39:49,260 --> 00:39:45,160

perfectly reasonable we were a country

749

00:39:53,410 --> 00:39:49,270

we were a world that was torn apart by a

750

00:40:01,010 --> 00:39:56,840

we had what was it 50 million people

751

00:40:06,110 --> 00:40:01,020

died sixteen hundred cities were

752

00:40:08,360 --> 00:40:06,120

destroyed the the fabric of the

753

00:40:10,370 --> 00:40:08,370

population of the world not only our

754

00:40:13,190 --> 00:40:10,380

country but the world was for it was

755

00:40:17,990 --> 00:40:13,200

very fragile and to come out and say

756

00:40:19,970 --> 00:40:18,000

that their mystery craft that flying in

757

00:40:22,280 --> 00:40:19,980

and out of our airspace and I our

758

00:40:25,610 --> 00:40:22,290

atmosphere at will and we can't do

759

00:40:27,470 --> 00:40:25,620

anything about them that would be that

760

00:40:30,560 --> 00:40:27,480

would be a very smart thing to do so i

761

00:40:33,440 --> 00:40:30,570

think what Truman did in concealing it

762

00:40:36,680 --> 00:40:33,450

then was proper I think that as time

763

00:40:41,630 --> 00:40:36,690

went on and we got into the Atomic Age

764

00:40:43,820 --> 00:40:41,640

and people lived under the fear of mass

765

00:40:51,680 --> 00:40:43,830

destruction or mutually assured

766

00:40:54,770 --> 00:40:51,690

destruction which was called mad and we

767

00:40:57,530 --> 00:40:54,780

saw the advances in space and and and

768

00:41:00,620 --> 00:40:57,540

people landing on the moon we became a

769

00:41:05,270 --> 00:41:00,630

more sophisticated people so today I

770

00:41:09,140 --> 00:41:05,280

think that the people if the news came

771

00:41:12,130 --> 00:41:09,150

out and said well yeah it's been proven

772

00:41:14,420 --> 00:41:12,140

that we have been visited by

773

00:41:17,000 --> 00:41:14,430

extraterrestrial visitors people would

774

00:41:20,420 --> 00:41:17,010

say gee that's really something then

775

00:41:23,120 --> 00:41:20,430

they go about their lives of business

776

00:41:26,480 --> 00:41:23,130

sir you know and I I think that we've

777

00:41:31,550 --> 00:41:26,490

become that sophisticated so to go back

778

00:41:37,720 --> 00:41:31,560

to your original question why because we

779

00:41:40,640 --> 00:41:37,730

have gotten artifacts that lead to

780

00:41:43,250 --> 00:41:40,650

advances great advances in technology

781

00:41:47,090 --> 00:41:43,260

and we don't want to share that with

782

00:41:52,010 --> 00:41:47,100

anybody friend or foe other countries

783

00:41:54,140 --> 00:41:52,020

have also i think gotten this technology

784

00:41:57,820 --> 00:41:54,150

I think that I think the Russians have

785

00:42:00,560 --> 00:41:57,830

gotten it the English have gotten

786

00:42:05,630 --> 00:42:00,570

probably South American countries China

787

00:42:07,609 --> 00:42:05,640

they've had crashes reported crashes I

788

00:42:11,210 --> 00:42:07,619

that they all have it and I think that's

789

00:42:16,069 --> 00:42:11,220

why it's it's it's has been concealed

790

00:42:18,319 --> 00:42:16,079

for so long although I see some of these

791

00:42:23,390 --> 00:42:18,329

countries starting to open up like

792

00:42:27,140 --> 00:42:23,400

France with a Camaro report becoming

793

00:42:29,690 --> 00:42:27,150

more open but yet they say the United

794

00:42:32,680 --> 00:42:29,700

States standing alone like this stupid

795

00:42:36,740 --> 00:42:32,690

ostrich with his head stuck in the sand

796

00:42:39,230 --> 00:42:36,750

but we just don't like everything yeah

797

00:42:41,660 --> 00:42:39,240

and you know here's my question to to

798

00:42:45,589 --> 00:42:41,670

you about that then this is where the

799

00:42:47,120 --> 00:42:45,599

abductees come into play do you think do

800

00:42:49,490 --> 00:42:47,130

you believe from the research you've

801  
00:42:53,230 --> 00:42:49,500  
done that it's pointing in the direction

802  
00:42:56,450 --> 00:42:53,240  
that a deal was made for

803  
00:42:59,720 --> 00:42:56,460  
extraterrestrials to take human subjects

804  
00:43:01,789 --> 00:42:59,730  
at will and return them as they saw fit

805  
00:43:07,309 --> 00:43:01,799  
I mean was there a deal made like that

806  
00:43:12,249 --> 00:43:07,319  
do you think let me say that that's in

807  
00:43:17,779 --> 00:43:12,259  
my dubious final this I've done a lot of

808  
00:43:22,089 --> 00:43:17,789  
research into President Eisenhower's

809  
00:43:29,690 --> 00:43:22,099  
supposed meeting with extraterrestrials

810  
00:43:31,430 --> 00:43:29,700  
in 1954 at muir of the old Muroc Air

811  
00:43:33,589 --> 00:43:31,440  
Force Base which is now Edwards Air

812  
00:43:39,019 --> 00:43:33,599  
Force Base while vacationing in Palm

813  
00:43:40,759 --> 00:43:39,029

Springs I don't bind to that story for a

814

00:43:42,710 --> 00:43:40,769

couple reasons first of all it said that

815

00:43:45,859 --> 00:43:42,720

he was out of the public view 48 hours

816

00:43:47,390 --> 00:43:45,869

or from eight o'clock that night until

817

00:43:50,210 --> 00:43:47,400

he went to church at nine o'clock the

818

00:43:55,279 --> 00:43:50,220

next morning he played golf that day

819

00:43:58,309 --> 00:43:55,289

would Ben Hogan and had lunch I think at

820

00:43:59,599 --> 00:43:58,319

the burning forget what to not the

821

00:44:01,370 --> 00:43:59,609

burning tree club they knew it doesn't

822

00:44:05,029 --> 00:44:01,380

make any difference he had lunch in Palm

823

00:44:08,059 --> 00:44:05,039

Springs with the golfers and it's very

824

00:44:09,680 --> 00:44:08,069

hard for me to believe first of all they

825

00:44:12,109 --> 00:44:09,690

said he was out of sight of the public

826

00:44:14,509 --> 00:44:12,119

and it had chipped a tooth eating fried

827

00:44:18,230 --> 00:44:14,519

chicken and had to have a emergency

828

00:44:19,170 --> 00:44:18,240

dental work done late that night well

829

00:44:21,780 --> 00:44:19,180

that's I don't

830

00:44:23,520 --> 00:44:21,790

find anything particularly unusual about

831

00:44:25,770 --> 00:44:23,530

the president united states mean into

832

00:44:27,900 --> 00:44:25,780

the public view from eight o'clock one

833

00:44:30,240 --> 00:44:27,910

night until nine o'clock the next

834

00:44:32,430 --> 00:44:30,250

morning when he went to church i mean my

835

00:44:34,170 --> 00:44:32,440

god they don't have television cameras

836

00:44:39,780 --> 00:44:34,180

in the president's bedroom to watch him

837

00:44:42,450 --> 00:44:39,790

all night long so that that instance is

838

00:44:46,349 --> 00:44:42,460

is a pill and the fact that he played

839

00:44:48,960 --> 00:44:46,359

golf with some famous golfers and then

840

00:44:51,690 --> 00:44:48,970

flew to Muroc and had a meeting with

841

00:44:54,089 --> 00:44:51,700

extraterrestrials and then came back and

842

00:44:58,890 --> 00:44:54,099

went to church the next morning and then

843

00:45:03,240 --> 00:44:58,900

had a big reception that evening I just

844

00:45:05,220 --> 00:45:03,250

don't buy that story however in 1955 he

845

00:45:09,329 --> 00:45:05,230

was on a quail hunting shrimp went on a

846

00:45:13,380 --> 00:45:09,339

quail hunting trip to Georgia and in

847

00:45:17,910 --> 00:45:13,390

February in February of 1955 i think it

848

00:45:19,859 --> 00:45:17,920

was and his press secretary haggerty

849

00:45:23,059 --> 00:45:19,869

said he came down with James Hagerty

850

00:45:26,670 --> 00:45:23,069

said he came down with the sniffles and

851  
00:45:28,200 --> 00:45:26,680  
so he'd be just having hot toddies with

852  
00:45:30,539 --> 00:45:28,210  
Mamie and her mother and playing

853  
00:45:34,859 --> 00:45:30,549  
Scrabble and what happened and what i

854  
00:45:36,660 --> 00:45:34,869  
sees under public you for 48 hours well

855  
00:45:39,079 --> 00:45:36,670  
it's perfectly reasonable to think that

856  
00:45:48,390 --> 00:45:39,089  
he could have gotten on columbine three

857  
00:45:53,760 --> 00:45:48,400  
his plane and flown to a boy I bet my

858  
00:45:56,910 --> 00:45:53,770  
old mind escape radio but Apple space

859  
00:45:58,829 --> 00:45:56,920  
that do Mexico up anyway Holloman Air

860  
00:46:00,510 --> 00:45:58,839  
Force Base he always made so you don't

861  
00:46:04,260 --> 00:46:00,520  
think that there was a deal made to

862  
00:46:06,299 --> 00:46:04,270  
allow it is to take people let me let me

863  
00:46:08,940 --> 00:46:06,309

say this I think that he did go to home

864

00:46:12,450 --> 00:46:08,950

on our floor space secretly high and

865

00:46:19,289 --> 00:46:12,460

I'll there are reports that they were

866

00:46:21,750 --> 00:46:19,299

flying discs very oh I think substantial

867

00:46:25,230 --> 00:46:21,760

reports very very good reports that

868

00:46:28,140 --> 00:46:25,240

they're worse one or two or more flying

869

00:46:30,150 --> 00:46:28,150

discs that showed up at Holloman Air

870

00:46:33,000 --> 00:46:30,160

Force Base and I think Eisenhower was

871

00:46:35,490 --> 00:46:33,010

there and some very strange things have

872

00:46:37,350 --> 00:46:35,500

his plane landed on the runway and

873

00:46:40,890 --> 00:46:37,360

turned around and stopped on the runway

874

00:46:42,840 --> 00:46:40,900

which in essence closed the runway while

875

00:46:48,120 --> 00:46:42,850

he was there he didn't taxi to the

876  
00:46:52,590 --> 00:46:48,130  
tarmac and there were reports that there

877  
00:46:54,660 --> 00:46:52,600  
were flying discs there now there are

878  
00:46:57,510 --> 00:46:54,670  
people that say that he got out of his

879  
00:47:02,210 --> 00:46:57,520  
plane and walked across the runway and

880  
00:47:06,780 --> 00:47:02,220  
got into this UFO and had a meeting arm

881  
00:47:08,880 --> 00:47:06,790  
ladies that stretches my belief a bit

882  
00:47:11,250 --> 00:47:08,890  
that the Secret Service was let the

883  
00:47:13,560 --> 00:47:11,260  
president the United States walk out of

884  
00:47:17,940 --> 00:47:13,570  
an airplane and get into a flying saucer

885  
00:47:21,570 --> 00:47:17,950  
from where album that could whisk him

886  
00:47:25,560 --> 00:47:21,580  
off to goodness knows where that that

887  
00:47:30,140 --> 00:47:25,570  
stretches the solution is for me however

888  
00:47:33,210 --> 00:47:30,150

I think that he may have met with

889

00:47:36,780 --> 00:47:33,220

extraterrestrials or he may have been

890

00:47:39,180 --> 00:47:36,790

there to view craft that were developed

891

00:47:45,330 --> 00:47:39,190

that were extraterrestrial craft that

892

00:47:47,730 --> 00:47:45,340

were flown by our own test pilots or had

893

00:47:53,910 --> 00:47:47,740

been back engine craft that had been

894

00:47:58,200 --> 00:47:53,920

back engineered and built arm but so did

895

00:47:59,420 --> 00:47:58,210

he make a treaty I don't know I mean how

896

00:48:04,050 --> 00:47:59,430

do you make a treaty with

897

00:48:06,540 --> 00:48:04,060

extraterrestrials who can enforce it

898

00:48:08,700 --> 00:48:06,550

well that's the thing I mean that's what

899

00:48:11,340 --> 00:48:08,710

we've heard from from some of our other

900

00:48:13,340 --> 00:48:11,350

guests exactly that that it was if there

901  
00:48:16,860 --> 00:48:13,350  
was a treaty it was unenforceable and

902  
00:48:18,630 --> 00:48:16,870  
the agreement to take people and wipe

903  
00:48:19,890 --> 00:48:18,640  
their memories of the event or whatever

904  
00:48:21,870 --> 00:48:19,900  
it just wasn't happening the way they

905  
00:48:25,260 --> 00:48:21,880  
said it was happening what was going to

906  
00:48:27,900 --> 00:48:25,270  
happen and it created a lot of issues

907  
00:48:30,630 --> 00:48:27,910  
that the military or the alphabet

908  
00:48:32,610 --> 00:48:30,640  
agencies felt they had to clean up so

909  
00:48:35,100 --> 00:48:32,620  
you see here's here's what the way I

910  
00:48:37,560 --> 00:48:35,110  
think about this the technology part of

911  
00:48:39,420 --> 00:48:37,570  
this I understand what you're saying and

912  
00:48:42,420 --> 00:48:39,430  
certainly I think most people could

913  
00:48:44,190 --> 00:48:42,430

understand that that we want this

914

00:48:46,109 --> 00:48:44,200

technology for ourselves we don't want

915

00:48:50,999 --> 00:48:46,119

to share it with anybody so sir

916

00:48:52,829 --> 00:48:51,009

can understand secrecy however if there

917

00:48:55,470 --> 00:48:52,839

was some agreement made that in return

918

00:48:58,200 --> 00:48:55,480

you get to take people and do whatever

919

00:49:01,529 --> 00:48:58,210

you want to them I think it's just my

920

00:49:04,589 --> 00:49:01,539

opinion but I think that people would be

921

00:49:06,390 --> 00:49:04,599

pretty upset about that they would feel

922

00:49:08,970 --> 00:49:06,400

that their government turned on them

923

00:49:11,999 --> 00:49:08,980

that the government didn't protect them

924

00:49:16,380 --> 00:49:12,009

all of those things i could see leading

925

00:49:20,309 --> 00:49:16,390

to a massive uprising that I could see

926

00:49:23,430 --> 00:49:20,319

San and and and the reason that the

927

00:49:28,109 --> 00:49:23,440

government wants to continue to contain

928

00:49:34,019 --> 00:49:28,119

the to continue to cover the story up

929

00:49:36,960 --> 00:49:34,029

with such a deep secrecy because if it

930

00:49:39,930 --> 00:49:36,970

was revealed it would be so detrimental

931

00:49:46,319 --> 00:49:39,940

to the government and I agree with you

932

00:49:49,739 --> 00:49:46,329

that that that the reason that we are we

933

00:49:52,829 --> 00:49:49,749

continue the United States continues as

934

00:49:56,299 --> 00:49:52,839

i said to bury its hand like a head like

935

00:49:59,549 --> 00:49:56,309

a stupid ostrich is because to reveal

936

00:50:02,339 --> 00:49:59,559

what they really know and what is really

937

00:50:06,120 --> 00:50:02,349

known deep within the research recesses

938

00:50:10,950 --> 00:50:06,130

of our government would be so damning to

939

00:50:13,309 --> 00:50:10,960

the government oh so hurtful for what

940

00:50:17,190 --> 00:50:13,319

they've done in the past that they can't

941

00:50:20,729 --> 00:50:17,200

they just they they can't let the truth

942

00:50:24,900 --> 00:50:20,739

out oh I think that's a very real

943

00:50:27,359 --> 00:50:24,910

possibility and and there's no question

944

00:50:32,720 --> 00:50:27,369

in my mind that that many many laws have

945

00:50:36,690 --> 00:50:32,730

been broken in in this this subject

946

00:50:40,499 --> 00:50:36,700

possibly murders created lettuce has

947

00:50:44,910 --> 00:50:40,509

said happened and although a lot of

948

00:50:49,229 --> 00:50:44,920

people that are involved in those events

949

00:50:53,130 --> 00:50:49,239

in past history have long since gone it

950

00:50:57,749 --> 00:50:53,140

would still reflect terribly negatively

951  
00:50:59,640 --> 00:50:57,759  
on our government um which has a lot of

952  
00:51:06,510 --> 00:50:59,650  
things reflecting negatively on

953  
00:51:09,930 --> 00:51:06,520  
today you know oh yes sure oh yeah I

954  
00:51:16,440 --> 00:51:09,940  
just I I think that I i think the

955  
00:51:22,590 --> 00:51:16,450  
disclosure Stephen Bassett who I respect

956  
00:51:26,280 --> 00:51:22,600  
highly police disclosure is imminent I

957  
00:51:30,480 --> 00:51:26,290  
think Steve is a is a very smart fellow

958  
00:51:33,360 --> 00:51:30,490  
oh but I don't agree with I don't think

959  
00:51:38,010 --> 00:51:33,370  
the disclosure is imminent because I

960  
00:51:43,440 --> 00:51:38,020  
think it would be too which is I say too

961  
00:51:45,900 --> 00:51:43,450  
hurtful to the government there would be

962  
00:51:47,640 --> 00:51:45,910  
no benefit to them to reveal any of this

963  
00:51:49,470 --> 00:51:47,650

what's the benefit to them I mean

964

00:51:52,470 --> 00:51:49,480

certainly be a benefit to all of us but

965

00:51:54,750 --> 00:51:52,480

we're not even considered well that's it

966

00:51:56,880 --> 00:51:54,760

that's you that's exactly right that's

967

00:51:59,190 --> 00:51:56,890

the point I bring up in many of my

968

00:52:02,880 --> 00:51:59,200

interviews that that people ask you know

969

00:52:06,540 --> 00:52:02,890

what do you think of a disclosure that I

970

00:52:09,030 --> 00:52:06,550

of a president's presidential disclosure

971

00:52:10,590 --> 00:52:09,040

if the president's know anything what

972

00:52:14,130 --> 00:52:10,600

would be the benefit in them telling

973

00:52:17,460 --> 00:52:14,140

right it would be the the benefit is is

974

00:52:21,210 --> 00:52:17,470

practically nil and and and the

975

00:52:26,070 --> 00:52:21,220

negatives would be extremely high and so

976

00:52:29,160 --> 00:52:26,080

so why even come close to stay away from

977

00:52:31,200 --> 00:52:29,170

it don't tell me about it you know yeah

978

00:52:33,960 --> 00:52:31,210

i think that's that's accurate again the

979

00:52:36,210 --> 00:52:33,970

benefit would be to us and as citizens

980

00:52:38,690 --> 00:52:36,220

to know the truth it would not be to the

981

00:52:40,740 --> 00:52:38,700

government to divulge any of that so

982

00:52:43,590 --> 00:52:40,750

unfortunately we're in an Oscar them

983

00:52:46,320 --> 00:52:43,600

situation with this issue and others and

984

00:52:48,330 --> 00:52:46,330

it's it's very unfortunate I think

985

00:52:50,790 --> 00:52:48,340

because any place where their secrecy

986

00:52:53,160 --> 00:52:50,800

where these things are being hidden it's

987

00:52:56,430 --> 00:52:53,170

really not for our benefit let's face it

988

00:53:01,470 --> 00:52:56,440

it's not for our benefit no no no it's

989

00:53:04,410 --> 00:53:01,480

not oh they make they may be people that

990

00:53:07,170 --> 00:53:04,420

say that it is but but no I don't think

991

00:53:08,970 --> 00:53:07,180

it is no it really is and I've got a lot

992

00:53:11,510 --> 00:53:08,980

of questions that are backing up here in

993

00:53:13,620 --> 00:53:11,520

the chat room but I I'm just enjoying

994

00:53:16,769 --> 00:53:13,630

talking to you so much layer

995

00:53:18,269 --> 00:53:16,779

I haven't given them a chance so here's

996

00:53:21,390 --> 00:53:18,279

one quick question if we can answer

997

00:53:24,779 --> 00:53:21,400

before the break somebody's written in

998

00:53:27,210 --> 00:53:24,789

neutron is the name and neutron says was

999

00:53:29,730 --> 00:53:27,220

the UFO phenomenon responsible for the

1000

00:53:32,130 --> 00:53:29,740

contention and ongoing power struggles

1001  
00:53:36,269 --> 00:53:32,140  
between the Navy Army and later the Air

1002  
00:53:39,599 --> 00:53:36,279  
Force uh in some respects yes it was

1003  
00:53:42,859 --> 00:53:39,609  
especially nearly years in the in the

1004  
00:53:46,529 --> 00:53:42,869  
40s and 50s there was a great deal of

1005  
00:53:49,289 --> 00:53:46,539  
discord not only within the Air Force

1006  
00:53:53,940 --> 00:53:49,299  
but within the Navy the Navy got very

1007  
00:53:56,609 --> 00:53:53,950  
very upset with the air force over a

1008  
00:54:00,019 --> 00:53:56,619  
couple of events which remote I won't go

1009  
00:54:03,930 --> 00:54:00,029  
into but the Navy they finally said nuts

1010  
00:54:06,870 --> 00:54:03,940  
will will will take this up we have an

1011  
00:54:09,599 --> 00:54:06,880  
office of naval intelligence will will

1012  
00:54:11,999 --> 00:54:09,609  
take the subject on ourselves and I

1013  
00:54:15,680 --> 00:54:12,009

think they did and I think the Navy

1014

00:54:19,950 --> 00:54:15,690

today probably knows as much or more

1015

00:54:22,589 --> 00:54:19,960

about the whole UFO story then the Air

1016

00:54:26,130 --> 00:54:22,599

Force does i think the Navy is deeply

1017

00:54:29,970 --> 00:54:26,140

involved in it and this goes into the

1018

00:54:31,470 --> 00:54:29,980

story of on to see UFOs and and and but

1019

00:54:34,440 --> 00:54:31,480

i didn't know i think that there's been

1020

00:54:37,859 --> 00:54:34,450

a great deal of discord well within the

1021

00:54:41,430 --> 00:54:37,869

services primarily between the the Air

1022

00:54:43,079 --> 00:54:41,440

Force and the Navy interesting well and

1023

00:54:45,269 --> 00:54:43,089

I've got a piece to share with you that

1024

00:54:47,599 --> 00:54:45,279

I also learned about the Navy's

1025

00:54:50,160 --> 00:54:47,609

involvement from dr. Andrea pucharich--

1026  
00:54:52,920 --> 00:54:50,170  
because he said the same thing you did

1027  
00:54:54,720 --> 00:54:52,930  
that the involvement from the Navy's

1028  
00:54:56,519 --> 00:54:54,730  
perspective was greater than any of the

1029  
00:54:58,740 --> 00:54:56,529  
other agencies so we're going to talk

1030  
00:55:01,200 --> 00:54:58,750  
about that but right now we've got to

1031  
00:55:03,720 --> 00:55:01,210  
take a short break everybody what an

1032  
00:55:05,279 --> 00:55:03,730  
exciting show if you'd like to ask your

1033  
00:55:08,759 --> 00:55:05,289  
question in the chat room feel free to

1034  
00:55:14,999 --> 00:55:08,769  
do that otherwise you can call in at 8 8

1035  
00:55:17,220 --> 00:55:15,009

00:55:23,460 --> 00:55:20,579

00:56:14,190 --> 00:56:12,280

1057  
00:56:17,160 --> 00:56:14,200  
great stories that you've reported on

1058  
00:56:24,840 --> 00:56:17,170  
like Nixon and Jackie Gleason can you

1059  
00:56:27,120 --> 00:56:24,850  
tell us about that well the the Nixon

1060  
00:56:34,020 --> 00:56:27,130  
Gleason story has been around for a long

1061  
00:56:39,840 --> 00:56:34,030  
time I put it in the book because it's

1062  
00:56:43,980 --> 00:56:39,850  
there it exists is it true we have

1063  
00:56:47,820 --> 00:56:43,990

Gleason's ex-wife Beverly McKittrick

1064

00:56:52,490 --> 00:56:47,830

Gleason I think it was that was writing

1065

00:56:56,160 --> 00:56:52,500

an article after she and glisan

1066

00:57:00,930 --> 00:56:56,170

separated or divorced and as the story

1067

00:57:03,750 --> 00:57:00,940

goes they were still good friends but

1068

00:57:06,780 --> 00:57:03,760

she was going to write a book about her

1069

00:57:14,300 --> 00:57:06,790

life with gleason and in the book she

1070

00:57:20,100 --> 00:57:14,310

wrote that Gleason who without question

1071

00:57:22,440 --> 00:57:20,110

had a great interest in UFOs were flying

1072

00:57:24,780 --> 00:57:22,450

saucers and the paranormal as a matter

1073

00:57:27,450 --> 00:57:24,790

of fact when he died he donated or he

1074

00:57:32,010 --> 00:57:27,460

did donate but his wife donated some

1075

00:57:36,510 --> 00:57:32,020

1,600 volumes of books that he had to

1076

00:57:40,150 --> 00:57:36,520

the University of Miami library and I

1077

00:57:42,839 --> 00:57:40,160

have photographs of Gleason's hose

1078

00:57:46,450 --> 00:57:42,849

in I think it speaks killed New York

1079

00:57:49,569 --> 00:57:46,460

before he moved to Miami that was built

1080

00:57:52,990 --> 00:57:49,579

in the shape of a flying saucer her man

1081

00:57:56,799 --> 00:57:53,000

and and outbuildings that he called

1082

00:58:00,130 --> 00:57:56,809

Scout ships that were built that look

1083

00:58:01,990 --> 00:58:00,140

like flying saucers he had the architect

1084

00:58:05,319 --> 00:58:02,000

design them this way because he was he

1085

00:58:07,809 --> 00:58:05,329

was so fascinated by the subject then

1086

00:58:09,880 --> 00:58:07,819

I've got pictures that are someone read

1087

00:58:13,839 --> 00:58:09,890

my book I had snuck onto the property

1088

00:58:16,420 --> 00:58:13,849

after Gleason didn't own and any longer

1089

00:58:18,849 --> 00:58:16,430

and had taken pictures of the houses and

1090

00:58:20,500 --> 00:58:18,859

their buildings I if I had him at the

1091

00:58:25,270 --> 00:58:20,510

time they would have been in my book but

1092

00:58:28,930 --> 00:58:25,280

anyway yeah Gleason Gleason was very

1093

00:58:33,120 --> 00:58:28,940

good friends with Richard Nixon Nixon to

1094

00:58:35,670 --> 00:58:33,130

make this very short as I can Nixon

1095

00:58:37,960 --> 00:58:35,680

people look on today as a villain

1096

00:58:41,020 --> 00:58:37,970

because of Watergate and what have you

1097

00:58:43,089 --> 00:58:41,030

but it a Nixon in his first term is

1098

00:58:46,390 --> 00:58:43,099

extremely popular and if people remember

1099

00:58:49,150 --> 00:58:46,400

he was elected by reelected by almost a

1100

00:58:52,059 --> 00:58:49,160

historic majority of the popular vote

1101  
00:58:53,740 --> 00:58:52,069  
and the reason being was he had done

1102  
00:58:57,150 --> 00:58:53,750  
some dramatic things in foreign affairs

1103  
00:59:00,609 --> 00:58:57,160  
he had opened up relations with China

1104  
00:59:02,940 --> 00:59:00,619  
which had been a closed country he had

1105  
00:59:06,819 --> 00:59:02,950  
established to talk with the Russians

1106  
00:59:10,210 --> 00:59:06,829  
other foreign affairs achievements of

1107  
00:59:16,839 --> 00:59:10,220  
that probably or arguably made the world

1108  
00:59:19,059 --> 00:59:16,849  
a safer place for a while and if Nixon

1109  
00:59:23,019 --> 00:59:19,069  
could have added some level of

1110  
00:59:26,650 --> 00:59:23,029  
disclosure to his resume as president he

1111  
00:59:29,559 --> 00:59:26,660  
would have been a historic president as

1112  
00:59:36,789 --> 00:59:29,569  
it was Watergate reared its ugly head

1113  
00:59:39,579 --> 00:59:36,799

and Nixon's idea and inside of the heart

1114

00:59:43,960 --> 00:59:39,589

of the book was the documentary that was

1115

00:59:50,099 --> 00:59:43,970

made by Robert Emma nagger that Nixon

1116

00:59:53,920 --> 00:59:50,109

was going to use a for disclosure and

1117

00:59:56,890 --> 00:59:53,930

that I think that that's all

1118

00:59:59,230 --> 00:59:56,900

logical and reasonable because he was

1119

01:00:02,530 --> 00:59:59,240

such close friends with Jackie Gleason

1120

01:00:06,220 --> 01:00:02,540

Jackie Gleason was a strong believer in

1121

01:00:08,410 --> 01:00:06,230

an extraterrestrial presence and it

1122

01:00:10,569 --> 01:00:08,420

datura Blee irritated that the

1123

01:00:13,240 --> 01:00:10,579

government would continue to conceal

1124

01:00:16,690 --> 01:00:13,250

what it knew about it and so it's it's

1125

01:00:20,079 --> 01:00:16,700

it's beyond the pale to believe that

1126

01:00:21,549 --> 01:00:20,089

this man Gleason this entertainer close

1127

01:00:25,210 --> 01:00:21,559

friends with the President of the United

1128

01:00:30,790 --> 01:00:25,220

States would have not have bent Nixon's

1129

01:00:34,569 --> 01:00:30,800

ear to disclose or some level of

1130

01:00:37,000 --> 01:00:34,579

disclosure or of UFOs or an

1131

01:00:39,849 --> 01:00:37,010

extraterrestrial presence yes makes

1132

01:00:41,620 --> 01:00:39,859

sense it really does I had no idea until

1133

01:00:44,349 --> 01:00:41,630

I read your book that Jackie Gleason was

1134

01:00:46,480 --> 01:00:44,359

so interested in the paranormal I

1135

01:00:50,589 --> 01:00:46,490

probably liked our show but any was

1136

01:00:51,849 --> 01:00:50,599

reward oh yeah loyal listener may be on

1137

01:00:54,069 --> 01:00:51,859

the other side he's listening tonight

1138

01:00:55,690 --> 01:00:54,079

but it's just one of those strange

1139

01:00:59,740 --> 01:00:55,700

stories that really caught my attention

1140

01:01:01,210 --> 01:00:59,750

that he Jackie Gleason may have we're

1141

01:01:02,710 --> 01:01:01,220

not sure as you mentioned in your book

1142

01:01:05,230 --> 01:01:02,720

you're not sure if it's true or not but

1143

01:01:07,359 --> 01:01:05,240

he may have gotten to see some of the

1144

01:01:11,200 --> 01:01:07,369

alien bodies that were being kept at

1145

01:01:12,940 --> 01:01:11,210

homestead Air Force Base Nixon it is the

1146

01:01:18,910 --> 01:01:12,950

one president that could have done this

1147

01:01:21,490 --> 01:01:18,920

I I believe that because Nixon was vice

1148

01:01:24,190 --> 01:01:21,500

president under Eisenhower for eight

1149

01:01:26,710 --> 01:01:24,200

years and Eisenhower was deeply involved

1150

01:01:29,740 --> 01:01:26,720

in this subject so it's it's reasonable

1151

01:01:33,309 --> 01:01:29,750

to think that Nixon was brought into it

1152

01:01:37,589 --> 01:01:33,319

at some level so uh and he had a great

1153

01:01:41,079 --> 01:01:37,599

interest in it so the pieces seem to fit

1154

01:01:44,380 --> 01:01:41,089

whether he whether Nixon slipped away

1155

01:01:46,390 --> 01:01:44,390

from the Secret Service got in the car

1156

01:01:48,730 --> 01:01:46,400

and drove over and picked leasing up and

1157

01:01:53,260 --> 01:01:48,740

took him to homestead Air Force Base to

1158

01:01:56,710 --> 01:01:53,270

show him alien artifacts we can only go

1159

01:01:59,440 --> 01:01:56,720

by what his ex-wife says but it's a it's

1160

01:02:02,470 --> 01:01:59,450

an interesting story and and and there

1161

01:02:04,290 --> 01:02:02,480

are enough dots that are connectable in

1162

01:02:07,740 --> 01:02:04,300

this story

1163

01:02:10,140 --> 01:02:07,750

to make it really quite interesting yeah

1164

01:02:12,300 --> 01:02:10,150

I found that to be fascinating and then

1165

01:02:16,350 --> 01:02:12,310

his ex-wife also said that it affected

1166

01:02:18,660 --> 01:02:16,360

Jackie Gleason so profoundly that he

1167

01:02:22,140 --> 01:02:18,670

started to drink a lot more and he was

1168

01:02:24,780 --> 01:02:22,150

very upset that it couldn't eat and he

1169

01:02:27,450 --> 01:02:24,790

was very upset that people did not know

1170

01:02:29,670 --> 01:02:27,460

about this that there wasn't disclosure

1171

01:02:31,590 --> 01:02:29,680

it really bothered him that's hard to

1172

01:02:36,000 --> 01:02:31,600

believe the Gleason could drive only did

1173

01:02:38,940 --> 01:02:36,010

no but I say that I should have said

1174

01:02:41,010 --> 01:02:38,950

that because I personnel like Gleason a

1175

01:02:44,820 --> 01:02:41,020

lot he was a great entertainer yeah but

1176

01:02:49,590 --> 01:02:44,830

uh but uh yeah he did have a reputation

1177

01:02:51,300 --> 01:02:49,600

for room uh dippin is quite a bit yes

1178

01:02:53,160 --> 01:02:51,310

you did well now the other story that

1179

01:02:55,620 --> 01:02:53,170

caught my attention there's so many in

1180

01:02:58,800 --> 01:02:55,630

your book they're all really intriguing

1181

01:03:01,020 --> 01:02:58,810

but the one about Carter because as you

1182

01:03:03,540 --> 01:03:01,030

bring out the book there are some

1183

01:03:07,350 --> 01:03:03,550

presidents that have been given more

1184

01:03:10,260 --> 01:03:07,360

information than others now Carter was

1185

01:03:13,680 --> 01:03:10,270

briefed by someone called I believe you

1186

01:03:17,420 --> 01:03:13,690

called him the Guardian no that was that

1187

01:03:21,060 --> 01:03:17,430

was Carter was briefed by George HW Bush

1188

01:03:24,450 --> 01:03:21,070

who was who was ahead of Central

1189

01:03:27,740 --> 01:03:24,460

Intelligence at that time and a lot of

1190

01:03:31,170 --> 01:03:27,750

stories about you know people say that

1191

01:03:33,060 --> 01:03:31,180

that George HW Bush went and said mr.

1192

01:03:35,790 --> 01:03:33,070

president you don't have the need to

1193

01:03:37,710 --> 01:03:35,800

know for this information I don't know

1194

01:03:39,930 --> 01:03:37,720

if those stories are true or not I don't

1195

01:03:41,820 --> 01:03:39,940

know why as I say in the book that he

1196

01:03:44,850 --> 01:03:41,830

would have done that the the person

1197

01:03:48,690 --> 01:03:44,860

you're referring to to keep the oh I

1198

01:03:53,430 --> 01:03:48,700

contra what was his name really cool but

1199

01:03:57,780 --> 01:03:53,440

uh uh that he briefed the story is that

1200

01:04:03,060 --> 01:03:57,790

he he briefed Reagan he moved uh that

1201

01:04:06,360 --> 01:04:03,070

was that was the caretaker I think his

1202

01:04:12,480 --> 01:04:06,370

name was he was Chris Oh second he and

1203

01:04:16,140 --> 01:04:12,490

yeah and he briefed Reagan again that

1204

01:04:18,330 --> 01:04:16,150

story is in my dubious file however I

1205

01:04:21,540 --> 01:04:18,340

have listened to it and I've read

1206

01:04:24,450 --> 01:04:21,550

transcripts of it and the thing that I

1207

01:04:28,260 --> 01:04:24,460

find fascinating about it is that it's

1208

01:04:33,930 --> 01:04:28,270

very Reagan esque in in Reagan's replies

1209

01:04:37,740 --> 01:04:33,940

it sounds like Reagan and and you know

1210

01:04:40,110 --> 01:04:37,750

all of these documents that I talked

1211

01:04:42,120 --> 01:04:40,120

about that are not official documents

1212

01:04:47,570 --> 01:04:42,130

that have been released through foyer

1213

01:04:52,260 --> 01:04:47,580

but documents that are documents that

1214

01:04:56,160 --> 01:04:52,270

have been leaked you have to read the

1215

01:04:59,490 --> 01:04:56,170

documents and and and most of them are

1216

01:05:01,620 --> 01:04:59,500

photocopies so they're not on paper then

1217

01:05:04,050 --> 01:05:01,630

I don't know they don't have original

1218

01:05:06,480 --> 01:05:04,060

inks that can you can do forensic

1219

01:05:11,040 --> 01:05:06,490

testing on and what have you so you have

1220

01:05:17,990 --> 01:05:11,050

to read the documents and and and see if

1221

01:05:21,560 --> 01:05:18,000

the pros matches the pros that would be

1222

01:05:24,240 --> 01:05:21,570

written in in that particular time frame

1223

01:05:26,070 --> 01:05:24,250

quite a detective when you go through

1224

01:05:29,520 --> 01:05:26,080

all of the stuff you've got to put all

1225

01:05:31,020 --> 01:05:29,530

the pieces together I know it's again as

1226

01:05:32,730 --> 01:05:31,030

I'm so impressed by the amount of work

1227

01:05:34,680 --> 01:05:32,740

you've done to create this book for all

1228

01:05:37,440 --> 01:05:34,690

of us to read but I want to go back to

1229

01:05:39,390 --> 01:05:37,450

Carter for a second because in the book

1230

01:05:41,880 --> 01:05:39,400

it's reported and I've also heard this

1231

01:05:44,850 --> 01:05:41,890

story elsewhere that after he was

1232

01:05:47,940 --> 01:05:44,860

briefed he went into his office put his

1233

01:05:51,810 --> 01:05:47,950

hands in his hand excuse me his head in

1234

01:05:54,960 --> 01:05:51,820

his hands and started sobbing now what

1235

01:05:57,060 --> 01:05:54,970

in the world was he told we can only I

1236

01:06:02,010 --> 01:05:57,070

guess imagine what in the world would

1237

01:06:04,860 --> 01:06:02,020

would strike him so deeply that he would

1238

01:06:10,560 --> 01:06:04,870

just start crying

1239

01:06:13,090 --> 01:06:10,570

well that it opens up a lot of questions

1240

01:06:15,490 --> 01:06:13,100

first of all did it actually happen we

1241

01:06:20,920 --> 01:06:15,500

don't know for sure that happen but if

1242

01:06:26,230 --> 01:06:20,930

it did happen then it goes back to some

1243

01:06:29,680 --> 01:06:26,240

people's theory that that the reason we

1244

01:06:33,430 --> 01:06:29,690

are not being told the truth is that the

1245

01:06:38,560 --> 01:06:33,440

truth is too terrible for the people to

1246

01:06:42,130 --> 01:06:38,570

know I don't personally by that but I

1247

01:06:44,680 --> 01:06:42,140

don't discount it either you know you

1248

01:06:50,170 --> 01:06:44,690

can't you've got to have an open mind in

1249

01:06:52,000 --> 01:06:50,180

in in the discussions of UFOs and your

1250

01:06:54,430 --> 01:06:52,010

volunteers you have to have an open mind

1251

01:07:04,770 --> 01:06:54,440

but you also have to have a skeptical

1252

01:07:09,730 --> 01:07:04,780

mind and and so if that story is true Oh

1253

01:07:17,700 --> 01:07:09,740

what could be so terrible perhaps there

1254

01:07:23,260 --> 01:07:17,710

is some very sinister background to this

1255

01:07:27,330 --> 01:07:23,270

UFO story but the facts don't seem to

1256

01:07:31,870 --> 01:07:27,340

indicate that because I think that that

1257

01:07:34,390 --> 01:07:31,880

we have been visited for hundreds of

1258

01:07:37,530 --> 01:07:34,400

thousands of years perhaps prebuilt

1259

01:07:41,800 --> 01:07:37,540

times yeah I agree with that and and and

1260

01:07:45,760 --> 01:07:41,810

if they wanted to do us harm they could

1261

01:07:50,350 --> 01:07:45,770

have done it a long time ago now maybe

1262

01:07:55,960 --> 01:07:50,360

they are some out there that are not so

1263

01:08:01,060 --> 01:07:55,970

benevolent but maybe we do have maybe we

1264

01:08:04,270 --> 01:08:01,070

are the ancestors our ancestors are a

1265

01:08:06,940 --> 01:08:04,280

race of extraterrestrials that are very

1266

01:08:10,030 --> 01:08:06,950

benevolent and that look after us and

1267

01:08:12,490 --> 01:08:10,040

protect us that's another you know

1268

01:08:15,190 --> 01:08:12,500

that's yeah that's a possibility highly

1269

01:08:17,070 --> 01:08:15,200

speculative yes but I think we have to

1270

01:08:20,340 --> 01:08:17,080

go down that road because we

1271

01:08:22,410 --> 01:08:20,350

don't really have the truth from from

1272

01:08:24,090 --> 01:08:22,420

these people directly but I'm thinking

1273

01:08:25,590 --> 01:08:24,100

could Carter have done this a he seems

1274

01:08:28,230 --> 01:08:25,600

like he would be the type that would

1275

01:08:30,270 --> 01:08:28,240

something affected him emotionally he

1276

01:08:32,460 --> 01:08:30,280

would do something like you would let it

1277

01:08:35,099 --> 01:08:32,470

out he would have an emotional outburst

1278

01:08:37,110 --> 01:08:35,109

of just sobbing about it now what I

1279

01:08:42,360 --> 01:08:37,120

think it fits yeah I think it fits the

1280

01:08:45,210 --> 01:08:42,370

the the Carter mold uh if Carter Carter

1281

01:08:47,370 --> 01:08:45,220

was you know he was he was very

1282

01:08:50,040 --> 01:08:47,380

religious son school teacher and what

1283

01:08:53,670 --> 01:08:50,050

have you and I could see that that this

1284

01:08:57,360 --> 01:08:53,680

could affect him greatly if if that was

1285

01:09:00,360 --> 01:08:57,370

true that he would be he he would

1286

01:09:02,910 --> 01:09:00,370

certainly be a president that would fit

1287

01:09:06,420 --> 01:09:02,920

into that into that picture where some

1288

01:09:09,150 --> 01:09:06,430

of us wouldn't yes exactly now what I

1289

01:09:11,099 --> 01:09:09,160

was thinking about today was what would

1290

01:09:14,220 --> 01:09:11,109

make him do that and there's what came

1291

01:09:16,829 --> 01:09:14,230

to my mind what if he was told something

1292

01:09:19,560 --> 01:09:16,839

along these lines that the truth about

1293

01:09:24,090 --> 01:09:19,570

the human race is this we are a genetic

1294

01:09:28,590 --> 01:09:24,100

experiment of alien birth I mean it's we

1295

01:09:31,020 --> 01:09:28,600

are their experiment I think about the

1296

01:09:33,660 --> 01:09:31,030

impact it would have on religions think

1297

01:09:35,820 --> 01:09:33,670

about the impact that would have on so

1298

01:09:37,470 --> 01:09:35,830

many faith-based situations and

1299

01:09:41,190 --> 01:09:37,480

certainly as you mentioned Carter was

1300

01:09:45,060 --> 01:09:41,200

very religious so that it to me this is

1301

01:09:48,240 --> 01:09:45,070

something that piece of information it's

1302

01:09:51,200 --> 01:09:48,250

not sinister but the implications would

1303

01:09:54,450 --> 01:09:51,210

be much greater if that was the case

1304

01:09:57,650 --> 01:09:54,460

absolutely i mean a as i said you've got

1305

01:10:02,300 --> 01:09:57,660

to have an open mind to be able to

1306

01:10:06,500 --> 01:10:02,310

accept all possibilities and and that's

1307

01:10:10,320 --> 01:10:06,510

that's great that's quite possible i

1308

01:10:13,860 --> 01:10:10,330

would you know you've you've raised my

1309

01:10:16,230 --> 01:10:13,870

interests on Carter and in that one

1310

01:10:19,680 --> 01:10:16,240

event and I want to do more research on

1311

01:10:24,200 --> 01:10:19,690

that okay I will I won't i won't look

1312

01:10:27,270 --> 01:10:24,210

into that in more depth because that

1313

01:10:33,089 --> 01:10:27,280

you've raised you've raised

1314

01:10:35,010 --> 01:10:33,099

you've raised a real ? in my mind and I

1315

01:10:38,939 --> 01:10:35,020

appreciate you thank you oh good well

1316

01:10:40,919 --> 01:10:38,949

I'm as interested as I am in that

1317

01:10:44,850 --> 01:10:40,929

because that was my question what would

1318

01:10:47,700 --> 01:10:44,860

precipitate that type of experience for

1319

01:10:50,760 --> 01:10:47,710

Carter to go into his his office and do

1320

01:10:52,609 --> 01:10:50,770

that so yeah that there's something that

1321

01:10:55,020 --> 01:10:52,619

we need to know and certainly that

1322

01:10:57,899 --> 01:10:55,030

theory that hypothesis would go along

1323

01:10:59,850 --> 01:10:57,909

with why they take people why they

1324

01:11:02,490 --> 01:10:59,860

abduct people why they do all of these

1325

01:11:04,439 --> 01:11:02,500

cattle mutilations those types of thing

1326

01:11:06,930 --> 01:11:04,449

it would kind of fit into that another

1327

01:11:09,240 --> 01:11:06,940

piece in that puzzle you know you have

1328

01:11:12,359 --> 01:11:09,250

to you go back and look at the

1329

01:11:15,629 --> 01:11:12,369

president's that had a great interest in

1330

01:11:18,629 --> 01:11:15,639

in UFOs modern presidents and you go

1331

01:11:21,899 --> 01:11:18,639

back to Jerry Ford when he was a

1332

01:11:24,209 --> 01:11:21,909

congressman from Michigan and they had a

1333

01:11:26,879 --> 01:11:24,219

great UFO flap in Michigan and he wrote

1334

01:11:29,899 --> 01:11:26,889

a number of letters one I have a copy of

1335

01:11:33,089 --> 01:11:29,909

two mental rubbers to have congressional

1336

01:11:35,669 --> 01:11:33,099

investigations into this UFO phenomena

1337

01:11:39,120 --> 01:11:35,679

because of what occurred in his his

1338

01:11:42,540 --> 01:11:39,130

content constituents were hammering him

1339

01:11:44,399 --> 01:11:42,550

to find out what was going on you had

1340

01:11:46,169 --> 01:11:44,409

James Jimmy Carter that had his own

1341

01:11:49,979 --> 01:11:46,179

sighting and said when he got into

1342

01:11:53,819 --> 01:11:49,989

office he would he would release all UFO

1343

01:11:59,029 --> 01:11:53,829

information you had Ronald Reagan that

1344

01:12:02,669 --> 01:11:59,039

had sightings Bill Clinton said that

1345

01:12:07,229 --> 01:12:02,679

when he got into office he was going to

1346

01:12:08,700 --> 01:12:07,239

investigate the UFO issue you take all

1347

01:12:11,100 --> 01:12:08,710

these presidents and once they got into

1348

01:12:13,620 --> 01:12:11,110

office you really heard nothing that's

1349

01:12:16,890 --> 01:12:13,630

right you heard nothing and you have to

1350

01:12:20,430 --> 01:12:16,900

wonder what shut him down right why did

1351

01:12:23,430 --> 01:12:20,440

they not talk now Reagan it's reported

1352

01:12:26,939 --> 01:12:23,440

that Reagan that his advisers or

1353

01:12:30,810 --> 01:12:26,949

handlers if you feel had to put a had

1354

01:12:33,270 --> 01:12:30,820

had to keep him close watch on Reagan to

1355

01:12:36,479 --> 01:12:33,280

keep him from saying too much because he

1356

01:12:38,370 --> 01:12:36,489

he had I think Reagan was really

1357

01:12:40,140 --> 01:12:38,380

interested and he brought the he brought

1358

01:12:40,590 --> 01:12:40,150

the subject up and I think he probably I

1359

01:12:44,300 --> 01:12:40,600

think

1360

01:12:48,800 --> 01:12:44,310

Reagan probably knew a lot more than

1361

01:12:54,470 --> 01:12:48,810

than other presidents of in that era and

1362

01:12:57,420 --> 01:12:54,480

he wanted to to let it out uh and they

1363

01:13:03,750 --> 01:12:57,430

his people kind of had to keep the lid

1364

01:13:06,570 --> 01:13:03,760

on him a bit but it is interesting that

1365

01:13:08,340 --> 01:13:06,580

all these presidents that said there was

1366

01:13:10,410 --> 01:13:08,350

that had such great interest in it

1367

01:13:12,480 --> 01:13:10,420

before they got into office once they

1368

01:13:15,900 --> 01:13:12,490

got into office they basically became a

1369

01:13:17,550 --> 01:13:15,910

clam that's right they just they acted

1370

01:13:19,230 --> 01:13:17,560

like they had no more interest in it so

1371

01:13:21,390 --> 01:13:19,240

yeah something had to be shared with

1372

01:13:24,630 --> 01:13:21,400

them that made them change their opinion

1373

01:13:32,180 --> 01:13:24,640

about disclosure something happened yeah

1374

01:13:35,100 --> 01:13:32,190

yeah yeah who knows how you how and

1375

01:13:38,880 --> 01:13:35,110

someone from the CIA sat down and said

1376

01:13:41,670 --> 01:13:38,890

in essence mr. president here's some

1377

01:13:45,270 --> 01:13:41,680

basic facts keep your mouth shut in a

1378

01:13:47,130 --> 01:13:45,280

nice way right right and then again

1379

01:13:48,450 --> 01:13:47,140

there's some question as you mentioned

1380

01:13:51,060 --> 01:13:48,460

in your book and you go through some

1381

01:13:53,730 --> 01:13:51,070

possibilities was Kennedy assassinated

1382

01:13:58,620 --> 01:13:53,740

because he was digging into this and he

1383

01:14:00,690 --> 01:13:58,630

wasn't backing off the Kennedy chapter

1384

01:14:03,990 --> 01:14:00,700

was the hardest chapter I had to write

1385

01:14:10,680 --> 01:14:04,000

and I state that in the book because it

1386

01:14:16,290 --> 01:14:10,690

I was drawn into the conspiracy theory

1387

01:14:18,120 --> 01:14:16,300

of Kennedy's assassination and I don't

1388

01:14:20,250 --> 01:14:18,130

really care who pulled the trigger I

1389

01:14:22,800 --> 01:14:20,260

don't care whether it was Lee Harvey

1390

01:14:24,750 --> 01:14:22,810

Oswald or whether there was a half a

1391

01:14:27,240 --> 01:14:24,760

dozen people out there to pull the

1392

01:14:30,750 --> 01:14:27,250

trigger at the same time that's not my

1393

01:14:35,190 --> 01:14:30,760

interest my interest is what was behind

1394

01:14:40,520 --> 01:14:35,200

it what was the the the the conspiracy

1395

01:14:51,060 --> 01:14:40,530

and and and was Kennedy's association

1396

01:14:54,270 --> 01:14:51,070

with a certain people dr. Wenzel part

1397

01:14:56,790 --> 01:14:54,280

Lundahl we great photo interpretation

1398

01:14:58,470 --> 01:14:56,800

specialist that was involved in the

1399

01:15:01,290 --> 01:14:58,480

Cuban Missile Crisis who along with

1400

01:15:03,600 --> 01:15:01,300

Kelly Johnson were convinced that ufos

1401

01:15:09,120 --> 01:15:03,610

or extraterrestrial and was an adviser

1402

01:15:12,690 --> 01:15:09,130

to Kennedy James Jesus Angleton the very

1403

01:15:15,330 --> 01:15:12,700

shadowy deputy director of the CIA head

1404

01:15:19,950 --> 01:15:15,340

of counterintelligence all these people

1405

01:15:25,410 --> 01:15:19,960

fit into the into the picture and Donald

1406

01:15:28,740 --> 01:15:25,420

Menzel who was a wrote books debunking

1407

01:15:32,070 --> 01:15:28,750

UFOs but was said to be a member of the

1408

01:15:34,140 --> 01:15:32,080

original majestic-12 group was an

1409

01:15:38,570 --> 01:15:34,150

advisor to Kennedy I've got a letter

1410

01:15:44,940 --> 01:15:38,580

that I got out of the Kennedy Library

1411

01:15:48,420 --> 01:15:44,950

from Donald Menzel that addressed the

1412

01:15:50,760 --> 01:15:48,430

president is Jack dear jack you don't

1413

01:15:52,470 --> 01:15:50,770

address a sitting president by his first

1414

01:15:56,760 --> 01:15:52,480

name and they seem pretty close to him

1415

01:15:59,370 --> 01:15:56,770

yeah so that's all in the book and I

1416

01:16:01,350 --> 01:15:59,380

just say here's the here's the

1417

01:16:05,370 --> 01:16:01,360

information here's the information on

1418

01:16:08,490 --> 01:16:05,380

the burn memo as you've all read in the

1419

01:16:10,590 --> 01:16:08,500

book right oh the final the final tab

1420

01:16:13,980 --> 01:16:10,600

page of the burn memo which goes into

1421

01:16:18,210 --> 01:16:13,990

the operation must become wet which is a

1422

01:16:21,080 --> 01:16:18,220

code word for assassinations these are

1423

01:16:24,270 --> 01:16:21,090

the facts as they exist are they true

1424

01:16:27,030 --> 01:16:24,280

can you connect the dots it's up to you

1425

01:16:28,980 --> 01:16:27,040

the reader to look into this and see if

1426

01:16:32,370 --> 01:16:28,990

you think these docs are dots are

1427

01:16:34,170 --> 01:16:32,380

connectable exactly and again you you

1428

01:16:35,490 --> 01:16:34,180

present a very compelling case I don't

1429

01:16:37,530 --> 01:16:35,500

think anybody could read your book and

1430

01:16:41,100 --> 01:16:37,540

walk away from it thinking that UFOs do

1431

01:16:43,140 --> 01:16:41,110

not exist they obviously do and I've

1432

01:16:45,840 --> 01:16:43,150

known this for years in opk you've known

1433

01:16:48,120 --> 01:16:45,850

this for years and it's just that your

1434

01:16:52,170 --> 01:16:48,130

book is so well done and you also bring

1435

01:16:53,460 --> 01:16:52,180

up the Obama administration and again

1436

01:16:55,980 --> 01:16:53,470

it's all they're all full of hot air

1437

01:16:59,700 --> 01:16:55,990

everybody talks a good game till they

1438

01:17:04,260 --> 01:16:59,710

become president and then they're there

1439

01:17:08,340 --> 01:17:04,270

to stay act is interested well oh

1440

01:17:10,560 --> 01:17:08,350

Patricia I'm when I wrote the book you

1441

01:17:12,660 --> 01:17:10,570

know and that's current affairs and

1442

01:17:15,120 --> 01:17:12,670

things change when I wrote the book I

1443

01:17:18,420 --> 01:17:15,130

really didn't think Obama new hardly

1444

01:17:20,580 --> 01:17:18,430

anything Oh fearful that you yes ah

1445

01:17:22,860 --> 01:17:20,590

however after he's been on Jimmy Kimmel

1446

01:17:25,830 --> 01:17:22,870

and he's made the statements that he

1447

01:17:28,470 --> 01:17:25,840

made on Jimmy Kimmel I'm starting to

1448

01:17:31,140 --> 01:17:28,480

reassess that opinion and say that maybe

1449

01:17:33,240 --> 01:17:31,150

he was briefed more than I thought he

1450

01:17:35,700 --> 01:17:33,250

was briefed and when he made the

1451

01:17:38,820 --> 01:17:35,710

statement in kind of laughing but it was

1452

01:17:41,760 --> 01:17:38,830

a nervous laugh that they don't let us

1453

01:17:44,520 --> 01:17:41,770

talk about that uh-huh maybe maybe he's

1454

01:17:47,850 --> 01:17:44,530

telling the truth you know maybe they

1455

01:17:51,690 --> 01:17:47,860

may be they are brief and I believe they

1456

01:17:55,260 --> 01:17:51,700

are to a certain level but they are told

1457

01:17:57,540 --> 01:17:55,270

that you know presidents under security

1458

01:17:59,010 --> 01:17:57,550

glances like everybody else that's in

1459

01:18:01,140 --> 01:17:59,020

government they have a security

1460

01:18:05,960 --> 01:18:01,150

clearance that they're bound to keep

1461

01:18:14,310 --> 01:18:12,150

I think that that Obama may know more

1462

01:18:17,190 --> 01:18:14,320

than I thought he do when I wrote the

1463

01:18:18,690 --> 01:18:17,200

book mm-hmm that's quite possible but it

1464

01:18:22,500 --> 01:18:18,700

sounds like from everybody wrote about

1465

01:18:25,830 --> 01:18:22,510

Nixon knew the most would you say ah i

1466

01:18:28,380 --> 01:18:25,840

would say the dixon in the modern era

1467

01:18:33,570 --> 01:18:28,390

but i think that that's probably true

1468

01:18:37,680 --> 01:18:33,580

minh and Eisenhower were deeply involved

1469

01:18:39,960 --> 01:18:37,690

in it and and and i think the Nixon has

1470

01:18:42,390 --> 01:18:39,970

an offshoot of that being vice president

1471

01:18:45,410 --> 01:18:42,400

under eyes now for eight years I think

1472

01:18:51,170 --> 01:18:45,420

it comes into that that fold too so

1473

01:18:54,690 --> 01:18:51,180

Lyndon Johnson that's a little squirrely

1474

01:18:57,560 --> 01:18:54,700

but I think that that he was in the mix

1475

01:19:01,320 --> 01:18:57,570

also but I think after Nixon it got

1476

01:19:06,270 --> 01:19:01,330

they'd really what presidents knew was

1477

01:19:11,190 --> 01:19:06,280

really closely monitored and and and

1478

01:19:13,680 --> 01:19:11,200

their knowledge was was stripped or cut

1479

01:19:15,120 --> 01:19:13,690

back greatly yes it does seem that way

1480

01:19:17,530 --> 01:19:15,130

it sounds like they were much more

1481

01:19:19,720 --> 01:19:17,540

restricted after Nixon

1482

01:19:21,490 --> 01:19:19,730

and so things were not given as freely

1483

01:19:24,220 --> 01:19:21,500

as they have been in the past to the

1484

01:19:26,500 --> 01:19:24,230

president's so you talk a little bit too

1485

01:19:29,950 --> 01:19:26,510

in your book Larry about what we can do

1486

01:19:31,840 --> 01:19:29,960

to try to get disclosure to happen I

1487

01:19:34,270 --> 01:19:31,850

don't know if we're going to be powerful

1488

01:19:36,640 --> 01:19:34,280

enough as a group to do that but

1489

01:19:39,060 --> 01:19:36,650

certainly as you say in your book it is

1490

01:19:41,380 --> 01:19:39,070

important to make your voice heard and

1491

01:19:42,970 --> 01:19:41,390

send your letters your representatives

1492

01:19:45,070 --> 01:19:42,980

and things like that and make a stink

1493

01:19:48,370 --> 01:19:45,080

about it that why are we being kept in

1494

01:19:51,070 --> 01:19:48,380

the dark so that is something we can do

1495

01:19:53,140 --> 01:19:51,080

yes you can talk about it yes you should

1496

01:19:55,480 --> 01:19:53,150

there are so many people that have

1497

01:19:59,230 --> 01:19:55,490

sightings that are legitimate people

1498

01:20:02,470 --> 01:19:59,240

that that that are you know everyday

1499

01:20:05,730 --> 01:20:02,480

folks but they they they have legitimate

1500

01:20:12,070 --> 01:20:05,740

sightings and they should report them I

1501  
01:20:14,890 --> 01:20:12,080  
I write about a young lady that was had

1502  
01:20:18,280 --> 01:20:14,900  
a I think an astounding sighting and I

1503  
01:20:21,310 --> 01:20:18,290  
believe her completely in in California

1504  
01:20:24,790 --> 01:20:21,320  
in San from California and she had not

1505  
01:20:29,440 --> 01:20:24,800  
told anyone about her sighting until my

1506  
01:20:31,980 --> 01:20:29,450  
book came out and my my agent put me in

1507  
01:20:35,260 --> 01:20:31,990  
contact with her and we talked about

1508  
01:20:37,660 --> 01:20:35,270  
possibilities for my book but I found

1509  
01:20:40,360 --> 01:20:37,670  
out that she had had a sighting that was

1510  
01:20:42,670 --> 01:20:40,370  
a remarkable and I put it in the book

1511  
01:20:44,620 --> 01:20:42,680  
but she never reported it yeah the

1512  
01:20:46,210 --> 01:20:44,630  
reason the reason she didn't report it

1513  
01:20:48,580 --> 01:20:46,220

was she thought he would hurt her career

1514

01:20:50,920 --> 01:20:48,590

she had a very high-profile job in

1515

01:20:53,080 --> 01:20:50,930

Hollywood that's the thing that that's

1516

01:20:55,540 --> 01:20:53,090

what people face unfortunately and

1517

01:20:57,670 --> 01:20:55,550

that's not the way it should be but

1518

01:20:59,560 --> 01:20:57,680

Larry I we can't thank you enough for

1519

01:21:01,600 --> 01:20:59,570

coming on the show this hour and a half

1520

01:21:03,190 --> 01:21:01,610

went in the blink of an eye we're going

1521

01:21:04,750 --> 01:21:03,200

to have to have you back there's still a

1522

01:21:06,970 --> 01:21:04,760

whole bunch of other things we haven't

1523

01:21:09,730 --> 01:21:06,980

talked about with you but good luck with

1524

01:21:11,380 --> 01:21:09,740

your movie and and oh my goodness thank

1525

01:21:14,400 --> 01:21:11,390
