

PANG Radio

Mike Lucas & Ken Storch

David Marler

1
00:00:04,249 --> 00:00:02,270
hi everybody I'm bill burns yeah nancy

2
00:00:07,400 --> 00:00:04,259
burns here I work in future theater and

3
00:00:13,190 --> 00:00:07,410
you know we like to listen to mmm radio

4
00:00:15,230 --> 00:00:13,200
on sunday nights at 9pm 9pm whatever 00

5
00:00:48,730 --> 00:00:15,240
the best network on the whole entire

6
00:01:13,460 --> 00:01:02,959
you

7
00:01:18,660 --> 00:01:16,740
we are live from Ireland yields north in

8
00:01:21,300 --> 00:01:18,670
northern Wisconsin with a hundred and

9
00:01:23,160 --> 00:01:21,310
six degree heat index welcome to paying

10
00:01:26,760 --> 00:01:23,170
radio tonight we have a good show for

11
00:01:29,400 --> 00:01:26,770
you it is july 26 2015 sunday night for

12
00:01:32,010 --> 00:01:29,410
our special spectacular show I have my

13
00:01:34,050 --> 00:01:32,020

co-host Ken Storch you beat me by four

14

00:01:35,790 --> 00:01:34,060

degrees hey Ken yeah it's a hundred and

15

00:01:38,310 --> 00:01:35,800

ten here in northeast Oklahoma in the

16

00:01:40,290 --> 00:01:38,320

Ozark Mountains and it's cooking oh boy

17

00:01:42,140 --> 00:01:40,300

that's that's cooking you want to talk a

18

00:01:44,790 --> 00:01:42,150

little bit of our guest tonight to Ken

19

00:01:47,280 --> 00:01:44,800

yeah we're really fortunate we have

20

00:01:52,980 --> 00:01:47,290

David Marlin am i pronouncing that right

21

00:01:55,530 --> 00:01:52,990

Marler yep marker yeah on tonight he has

22

00:01:56,850 --> 00:01:55,540

a written a book and we're going to

23

00:01:57,780 --> 00:01:56,860

discuss that tonight folks I think

24

00:02:01,230 --> 00:01:57,790

you're gonna find this extremely

25

00:02:03,450 --> 00:02:01,240

interesting i have read the book twice

26

00:02:06,060 --> 00:02:03,460

it's fascinating it's a good read and i

27

00:02:09,749 --> 00:02:06,070

would highly recommend if you're into

28

00:02:11,130 --> 00:02:09,759

flying saucers and et i suggest that you

29

00:02:13,590 --> 00:02:11,140

read this book because it's well

30

00:02:16,259 --> 00:02:13,600

researched well written very cool can

31

00:02:19,170 --> 00:02:16,269

you have any shoutouts for i do you know

32

00:02:23,820 --> 00:02:19,180

the usual suspects George and Patty and

33

00:02:25,890 --> 00:02:23,830

moszer and Doug you know Lynn and Bob in

34

00:02:29,340 --> 00:02:25,900

albuquerque new mexico and your neck of

35

00:02:31,759 --> 00:02:29,350

the woods david and one other one is

36

00:02:34,710 --> 00:02:31,769

marilyn and dick carlson down in

37

00:02:36,420 --> 00:02:34,720

oklahoma city there you go and you

38

00:02:38,930 --> 00:02:36,430

stole one for me because Marilyn just

39

00:02:41,460 --> 00:02:38,940

did a shout out on her facebook page and

40

00:02:42,979 --> 00:02:41,470

another shout-out to my buddy joshua

41

00:02:45,660 --> 00:02:42,989

grams he's in Rochester Minnesota

42

00:02:48,390 --> 00:02:45,670

Rochester is not as normal home he's a

43

00:02:50,520 --> 00:02:48,400

local up here to superior Wisconsin but

44

00:02:51,870 --> 00:02:50,530

he's going through a battle in where

45

00:02:53,370 --> 00:02:51,880

we're sending out her prayers to him his

46

00:02:55,500 --> 00:02:53,380

daughter young daughter needs a heart

47

00:02:58,289 --> 00:02:55,510

transplant so we're hoping that a donor

48

00:02:59,729 --> 00:02:58,299

comes very soon and prayers going out to

49

00:03:02,070 --> 00:02:59,739

you Josh and thanks for supporting and

50

00:03:05,100 --> 00:03:02,080

listening to paying radio so yeah it's a

51
00:03:06,030 --> 00:03:05,110
tough situation there for Josh what do

52
00:03:10,670 --> 00:03:06,040
you think of them pictures of Pluto

53
00:03:14,490 --> 00:03:10,680
there Rock n pretty fascinating uh I

54
00:03:16,560 --> 00:03:14,500
confused now is Pluto a planet or is it

55
00:03:19,259 --> 00:03:16,570
not have they decided I mean I know they

56
00:03:20,580 --> 00:03:19,269
it was and then it wasn't I think

57
00:03:24,030 --> 00:03:20,590
they're still calling in a dwarf planet

58
00:03:25,620 --> 00:03:24,040
a dwarf planet yeah but it was some

59
00:03:28,110 --> 00:03:25,630
fascinating pictures I mean

60
00:03:30,720 --> 00:03:28,120
now it it's out there in the solar

61
00:03:32,970 --> 00:03:30,730
system and supposedly there's one other

62
00:03:36,450 --> 00:03:32,980
one beyond that you know Planet X or

63
00:03:37,650 --> 00:03:36,460

knee brew or what yeah yeah yeah that

64
00:03:40,050 --> 00:03:37,660
one that's supposed to come around every

65
00:03:42,570 --> 00:03:40,060
10,000 years or fourteen thousand years

66
00:03:44,490 --> 00:03:42,580
something like that some like that very

67
00:03:46,230 --> 00:03:44,500
cool well you know what let's let's get

68
00:03:48,360 --> 00:03:46,240
into the show tonight well actually get

69
00:03:50,730 --> 00:03:48,370
a few more announcements you can listen

70
00:03:52,830 --> 00:03:50,740
to youtube or excuse me i RN on youtube

71
00:03:54,720 --> 00:03:52,840
we just hit 800 subscribers today thank

72
00:03:56,130 --> 00:03:54,730
you for all the support if you want to

73
00:03:58,260 --> 00:03:56,140
listen to all our shows on the network

74
00:04:00,270 --> 00:03:58,270
subscribe to YouTube you can listen to

75
00:04:02,790 --> 00:04:00,280
the podcast anywhere anytime you can

76

00:04:04,980 --> 00:04:02,800

listen to us on our apps on Apple and

77

00:04:07,350 --> 00:04:04,990

Android store also we're in the Amazon

78

00:04:10,020 --> 00:04:07,360

store for a few of you users using that

79

00:04:13,290 --> 00:04:10,030

Amazon fire phone also you can listen to

80

00:04:14,940 --> 00:04:13,300

us by our irn app and now various other

81

00:04:17,340 --> 00:04:14,950

things so it's going to be going to be a

82

00:04:19,740 --> 00:04:17,350

many different ways to listen but

83

00:04:22,740 --> 00:04:19,750

tonight let me get to David Marr leurs

84

00:04:25,170 --> 00:04:22,750

biol here David marler has a has it had

85

00:04:27,120 --> 00:04:25,180

a lifelong interesting subject to UFOs

86

00:04:29,610 --> 00:04:27,130

he joined the mutual UFO network in

87

00:04:31,170 --> 00:04:29,620

1990s a field investigator trainee since

88

00:04:33,360 --> 00:04:31,180

then he has served as a field

89

00:04:35,880 --> 00:04:33,370

investigator states section director and

90

00:04:38,010 --> 00:04:35,890

as well as state director Illinois State

91

00:04:40,650 --> 00:04:38,020

Director excuse me David is currently an

92

00:04:42,750 --> 00:04:40,660

independent UFO researcher david has an

93

00:04:45,000 --> 00:04:42,760

exclusive personal library of UFO books

94

00:04:46,920 --> 00:04:45,010

journals magazines newspapers and Case

95

00:04:49,560 --> 00:04:46,930

Files from around the world that covers

96

00:04:53,190 --> 00:04:49,570

the last 65 years very extensive very

97

00:04:55,140 --> 00:04:53,200

cool with this he has been examining the

98

00:04:57,150 --> 00:04:55,150

details in history of UFO sighting

99

00:04:59,310 --> 00:04:57,160

reports related to patterns recent

100

00:05:01,320 --> 00:04:59,320

evidence of his historical research in

101
00:05:04,200 --> 00:05:01,330
his newly published book triangular UFOs

102
00:05:06,420 --> 00:05:04,210
an estimate of the situation here he has

103
00:05:09,000 --> 00:05:06,430
provided a comprehensive analysis of

104
00:05:10,230 --> 00:05:09,010
triangular UFOs so David we like to

105
00:05:12,810 --> 00:05:10,240
welcome to the show tonight thanks for

106
00:05:14,700 --> 00:05:12,820
coming on thank you very much it's great

107
00:05:16,470 --> 00:05:14,710
to be I always like to start out with a

108
00:05:17,970 --> 00:05:16,480
question on her show and all that can we

109
00:05:19,920 --> 00:05:17,980
kind of go back and forth and we'll get

110
00:05:21,570 --> 00:05:19,930
some listener questions to from chat but

111
00:05:25,260 --> 00:05:21,580
but David what got you interested in the

112
00:05:27,030 --> 00:05:25,270
UFO you know phenomena well actually

113
00:05:29,550 --> 00:05:27,040

goes way back to nineteen seventy three

114

00:05:31,350 --> 00:05:29,560

and I was five years old at the time and

115

00:05:34,080 --> 00:05:31,360

that was my first recollection of being

116

00:05:38,130 --> 00:05:34,090

exposed to UFO phenomenon or even

117

00:05:39,600 --> 00:05:38,140

hearing the term UFO my father grew up

118

00:05:41,909 --> 00:05:39,610

in a small town call

119

00:05:45,360 --> 00:05:41,919

the mill spring Missouri which is just

120

00:05:48,089 --> 00:05:45,370

outside yet other small town in

121

00:05:50,040 --> 00:05:48,099

Southeast Missouri called Piedmont and

122

00:05:51,510 --> 00:05:50,050

there was a famous wave of UFO sightings

123

00:05:54,480 --> 00:05:51,520

that occurred there starting in the

124

00:05:58,770 --> 00:05:54,490

spring of 1973 that continued for quite

125

00:06:00,839 --> 00:05:58,780

a few years and I remember my father and

126

00:06:03,029 --> 00:06:00,849

my sister my older brothers piling in

127

00:06:04,619 --> 00:06:03,039

the car heading down from st. Louis

128

00:06:07,589 --> 00:06:04,629

which is the area I lived in at the time

129

00:06:09,570 --> 00:06:07,599

and remember the excitement excitement

130

00:06:10,950 --> 00:06:09,580

the anticipation the thermoses of coffee

131

00:06:13,589 --> 00:06:10,960

being loaded up in the car the

132

00:06:15,089 --> 00:06:13,599

binoculars yeah they never observed

133

00:06:17,159 --> 00:06:15,099

anything themselves but they came back

134

00:06:19,920 --> 00:06:17,169

with these stories of people that they

135

00:06:23,850 --> 00:06:19,930

had spoken to you we had seen unusual

136

00:06:25,769 --> 00:06:23,860

lights and things in the sky and in

137

00:06:28,140 --> 00:06:25,779

subsequent years it was investigated by

138

00:06:29,640 --> 00:06:28,150

dr. harley rutledge who was the physics

139

00:06:32,670 --> 00:06:29,650

professor at Southeast Missouri State

140

00:06:34,170 --> 00:06:32,680

University and he ultimately wrote a

141

00:06:37,830 --> 00:06:34,180

book which is now a collector's item

142

00:06:39,929 --> 00:06:37,840

called project identification and he

143

00:06:42,059 --> 00:06:39,939

went in as a skeptic but came away as a

144

00:06:44,360 --> 00:06:42,069

used the term but for the sake of

145

00:06:47,790 --> 00:06:44,370

argument quote-unquote UFO believer

146

00:06:50,909 --> 00:06:47,800

after his investigations and in fact

147

00:06:53,399 --> 00:06:50,919

that Ken and I we attended an

148

00:06:56,999 --> 00:06:53,409

anniversary that they held in Piedmont

149

00:06:58,999 --> 00:06:57,009

Missouri back in 2011 cool yeah we sure

150

00:07:03,180 --> 00:06:59,009

did i'm in fact i'm looking at the book

151
00:07:05,999 --> 00:07:03,190
operate a project identification and you

152
00:07:10,320 --> 00:07:06,009
know it is it's a phenomenal book and

153
00:07:13,379 --> 00:07:10,330
the data that Professor harley rutledge

154
00:07:15,570 --> 00:07:13,389
and his group collected david is pretty

155
00:07:19,829 --> 00:07:15,580
astounding when you when you look at it

156
00:07:21,480 --> 00:07:19,839
and it cracks me up when when a skeptic

157
00:07:24,269 --> 00:07:21,490
say well there isn't any scientific

158
00:07:26,249 --> 00:07:24,279
proof that UFO exist and yet here you

159
00:07:27,929 --> 00:07:26,259
have a physics he was a head of the

160
00:07:30,450 --> 00:07:27,939
physics department at Southeast Missouri

161
00:07:34,860 --> 00:07:30,460
State and he collected quite a bit of

162
00:07:36,839 --> 00:07:34,870
scientific data absolutely in numerous

163
00:07:38,730 --> 00:07:36,849

newspaper articles that I have from the

164

00:07:41,550 --> 00:07:38,740

time i have an extent that file on that

165

00:07:43,800 --> 00:07:41,560

case in numerous st. louis area

166

00:07:46,170 --> 00:07:43,810

newspapers and southern missouri

167

00:07:48,300 --> 00:07:46,180

newspapers as well as in some singulis

168

00:07:50,129 --> 00:07:48,310

radio interviews which i have converted

169

00:07:53,310 --> 00:07:50,139

from old reel-to-reel Zinj assess the

170

00:07:55,890 --> 00:07:53,320

mp3's dr. Harley

171

00:07:57,300 --> 00:07:55,900

repeatedly made the statement that when

172

00:07:58,680 --> 00:07:57,310

all this was going on it was in the

173

00:08:00,240 --> 00:07:58,690

newspapers and my colleagues in the

174

00:08:01,740 --> 00:08:00,250

physics department University were

175

00:08:03,450 --> 00:08:01,750

telling me oh you're a physics professor

176
00:08:05,100 --> 00:08:03,460
go down there and investigate it and he

177
00:08:07,560 --> 00:08:05,110
would continually tell people at the

178
00:08:09,110 --> 00:08:07,570
time I told my colleagues I wouldn't

179
00:08:12,630 --> 00:08:09,120
touch that subject with a ten-foot pole

180
00:08:14,820 --> 00:08:12,640
yeah but over time the sightings

181
00:08:17,700 --> 00:08:14,830
continued and he decided you know

182
00:08:19,770 --> 00:08:17,710
chickens point I'm a scientist I should

183
00:08:21,330 --> 00:08:19,780
be investigating this and you know in

184
00:08:22,530 --> 00:08:21,340
addition to myself the rest of the

185
00:08:24,810 --> 00:08:22,540
scientific community should be

186
00:08:27,390 --> 00:08:24,820
investigating this so you know I really

187
00:08:30,510 --> 00:08:27,400
give him credit for his objective

188
00:08:33,330 --> 00:08:30,520

analysis but you know sticking his neck

189

00:08:36,390 --> 00:08:33,340

out his career on the line especially in

190

00:08:37,940 --> 00:08:36,400

1973 now we see more scientists coming

191

00:08:40,290 --> 00:08:37,950

on board looking at the subject but in

192

00:08:41,909 --> 00:08:40,300

1973 you know we still had that

193

00:08:44,730 --> 00:08:41,919

invisible college as it was often

194

00:08:46,620 --> 00:08:44,740

referred to all these PhD college

195

00:08:48,960 --> 00:08:46,630

professors that were researching the

196

00:08:51,930 --> 00:08:48,970

subject but were you know for the most

197

00:08:54,020 --> 00:08:51,940

part in the closet David is there a

198

00:08:58,350 --> 00:08:54,030

specific reason why you chose to

199

00:09:00,060 --> 00:08:58,360

research triangular UFOs well like

200

00:09:03,570 --> 00:09:00,070

everyone else that's interested in the

201
00:09:06,240 --> 00:09:03,580
subject around 1989 1990 that was

202
00:09:08,100 --> 00:09:06,250
prevalent in the newspapers it was

203
00:09:11,010 --> 00:09:08,110
prevalent in the UFO periodicals and

204
00:09:13,860 --> 00:09:11,020
journals specifically the Belgian wave

205
00:09:16,020 --> 00:09:13,870
of triangular UFO sightings you know

206
00:09:18,840 --> 00:09:16,030
starting in november 20 november 29th

207
00:09:21,570 --> 00:09:18,850
1989 all the way into spring and 1991

208
00:09:24,440 --> 00:09:21,580
and I was captivated by that it's one

209
00:09:27,120 --> 00:09:24,450
thing to describe seeing a 30-foot

210
00:09:29,850 --> 00:09:27,130
silver disc that shoots across the sky

211
00:09:32,280 --> 00:09:29,860
but these sightings were a complete

212
00:09:35,100 --> 00:09:32,290
departure from that traditional mindset

213
00:09:38,100 --> 00:09:35,110

that classic stereotypical flying saucer

214

00:09:39,420 --> 00:09:38,110

imagery we have large objects estimated

215

00:09:41,820 --> 00:09:39,430

to be two to three hundred feet in

216

00:09:44,610 --> 00:09:41,830

length and by no means were they just

217

00:09:46,470 --> 00:09:44,620

leaving sightings these objects were

218

00:09:49,620 --> 00:09:46,480

hovering stationary for long periods of

219

00:09:50,940 --> 00:09:49,630

time and it wasn't just one witness or

220

00:09:53,130 --> 00:09:50,950

two witnesses we had hundreds of

221

00:09:55,920 --> 00:09:53,140

witnesses throughout Belgium that were

222

00:09:58,620 --> 00:09:55,930

observing these objects and subsequent

223

00:10:01,980 --> 00:09:58,630

to that way we had a series of other

224

00:10:05,070 --> 00:10:01,990

incidents across the world and I started

225

00:10:07,199 --> 00:10:05,080

gathering my UFO data in 1990 when I

226

00:10:09,179 --> 00:10:07,209

became involved with MUFON you

227

00:10:11,009 --> 00:10:09,189

and Ken was over recently in March when

228

00:10:14,879 --> 00:10:11,019

he spoke to the New Mexico MUFON group

229

00:10:17,009 --> 00:10:14,889

and yet the the the fortune to come over

230

00:10:18,419 --> 00:10:17,019

afterwards is he had a chance to you

231

00:10:20,009 --> 00:10:18,429

know see the library that i have here

232

00:10:21,989 --> 00:10:20,019

i'll let him speak to that later if he

233

00:10:25,199 --> 00:10:21,999

wins very cool i started collecting all

234

00:10:26,910 --> 00:10:25,209

this data and what was amazing me was

235

00:10:30,929 --> 00:10:26,920

the fact that statements were being made

236

00:10:32,850 --> 00:10:30,939

not by UFO researchers alone but

237

00:10:34,049 --> 00:10:32,860

skeptics and UFO researchers saying well

238

00:10:36,090 --> 00:10:34,059

these triangles are something new

239

00:10:37,949 --> 00:10:36,100

therefore they must be military I'm

240

00:10:40,230 --> 00:10:37,959

sitting on hundreds of newspaper

241

00:10:42,629 --> 00:10:40,240

clippings if not thousands and I'm

242

00:10:47,819 --> 00:10:42,639

finding reports going back to the 1950s

243

00:10:50,340 --> 00:10:47,829

the 1960s 1940s and really wanted to set

244

00:10:52,919 --> 00:10:50,350

the record straight really paint a

245

00:10:54,359 --> 00:10:52,929

historical overview of these reports the

246

00:10:57,840 --> 00:10:54,369

fact that they're not just distributed

247

00:11:00,090 --> 00:10:57,850

over time but geographically there are

248

00:11:02,400 --> 00:11:00,100

similarities common characteristics

249

00:11:05,179 --> 00:11:02,410

which I outline in the book and really

250

00:11:08,519 --> 00:11:05,189

decided that despite the prevalence of

251
00:11:10,530 --> 00:11:08,529
stories and articles no one had written

252
00:11:12,720 --> 00:11:10,540
a comprehensive book on this subset of

253
00:11:14,819 --> 00:11:12,730
UFO reports which when you look at the

254
00:11:17,850 --> 00:11:14,829
national UFO Reporting Center it's the

255
00:11:20,549 --> 00:11:17,860
largest geometric shape object being

256
00:11:21,689 --> 00:11:20,559
reported the only other category if you

257
00:11:23,429 --> 00:11:21,699
look at the national UFO Reporting

258
00:11:25,470 --> 00:11:23,439
Center statistics the only one that

259
00:11:26,939 --> 00:11:25,480
rates higher is the amorphous category

260
00:11:29,730 --> 00:11:26,949
of lights which I think we can all agree

261
00:11:32,100 --> 00:11:29,740
that could be a satellite a star on a

262
00:11:34,230 --> 00:11:32,110
planet but as far as geometric shapes

263
00:11:36,059 --> 00:11:34,240

the triangle is the number one recorded

264

00:11:39,359 --> 00:11:36,069

object based on the national UFO

265

00:11:41,939 --> 00:11:39,369

Reporting Center statistics hmm thank

266

00:11:44,699 --> 00:11:41,949

you hey David I you know in your book

267

00:11:47,179 --> 00:11:44,709

and this is I found really quite

268

00:11:49,499 --> 00:11:47,189

fascinating is that the first reported

269

00:11:51,030 --> 00:11:49,509

and there may have been other sightings

270

00:11:53,759 --> 00:11:51,040

but the one that was documented goes

271

00:11:56,549 --> 00:11:53,769

back to the 1800s is that correct it

272

00:11:59,429 --> 00:11:56,559

does in fact I'll clarify this for the

273

00:12:01,799 --> 00:11:59,439

first time on any show I recently did a

274

00:12:04,259 --> 00:12:01,809

yes myth Sonia channel documentary and

275

00:12:07,379 --> 00:12:04,269

they did a very good job i might add it

276

00:12:09,689 --> 00:12:07,389

it's a UFOs declassified the episode is

277

00:12:11,429 --> 00:12:09,699

black triangles it's still scheduled to

278

00:12:13,980 --> 00:12:11,439

air here in the state deserved in canada

279

00:12:15,629 --> 00:12:13,990

in the UK but they did a fascinating job

280

00:12:17,519 --> 00:12:15,639

of covering not only the modern-day

281

00:12:19,230 --> 00:12:17,529

accounts such as the southern illinois

282

00:12:21,070 --> 00:12:19,240

case i investigated which we might be

283

00:12:22,750 --> 00:12:21,080

able to talk about later as well

284

00:12:23,830 --> 00:12:22,760

the Belgian wave but they actually went

285

00:12:27,100 --> 00:12:23,840

back and looked at some of the

286

00:12:29,920 --> 00:12:27,110

historical cases that I covered and you

287

00:12:31,930 --> 00:12:29,930

know to Ken's point the earliest account

288

00:12:34,660 --> 00:12:31,940

I had which I've lectured on was 1882

289

00:12:37,960 --> 00:12:34,670

but in point of fact I recently acquired

290

00:12:39,550 --> 00:12:37,970

the original Scientific American which I

291

00:12:42,070 --> 00:12:39,560

had stumbled across in my research

292

00:12:44,500 --> 00:12:42,080

through the works of Charles sport where

293

00:12:46,480 --> 00:12:44,510

he quotes scientific american and states

294

00:12:48,900 --> 00:12:46,490

that the case and this particular case

295

00:12:52,420 --> 00:12:48,910

occurred in eighteen eighty two however

296

00:12:54,310 --> 00:12:52,430

once i obtained an original 1882 copy of

297

00:12:56,320 --> 00:12:54,320

Scientific American with this article

298

00:12:57,760 --> 00:12:56,330

because the one thing I like to do is go

299

00:12:59,200 --> 00:12:57,770

back to the source I don't like to take

300

00:13:00,790 --> 00:12:59,210

people's word for it I like to go back

301
00:13:04,300 --> 00:13:00,800
to the original source material if at

302
00:13:06,430 --> 00:13:04,310
all possible the the Scientific American

303
00:13:09,010 --> 00:13:06,440
was actually published in January of

304
00:13:11,380 --> 00:13:09,020
1882 and it references the case in April

305
00:13:13,900 --> 00:13:11,390
so in actuality at the risk of

306
00:13:16,150 --> 00:13:13,910
embarrassing myself the account that i

307
00:13:19,840 --> 00:13:16,160
have listed as 1882 was actually April

308
00:13:21,150 --> 00:13:19,850
at.1881 hmm so that even one one year

309
00:13:24,910 --> 00:13:21,160
earlier than what I had originally

310
00:13:28,270 --> 00:13:24,920
bought that's even before the the

311
00:13:31,150 --> 00:13:28,280
airships of the 1890s whoa lutely yeah

312
00:13:32,770 --> 00:13:31,160
1896 1897 airship sightings which I

313
00:13:34,780 --> 00:13:32,780

think when Ken was Harry saw some of my

314

00:13:36,280 --> 00:13:34,790

original newspapers that document some

315

00:13:39,400 --> 00:13:36,290

of the airship sightings were met those

316

00:13:40,960 --> 00:13:39,410

years yeah and by the way I just want to

317

00:13:44,680 --> 00:13:40,970

tell our listeners I did have an

318

00:13:47,770 --> 00:13:44,690

opportunity to to visit David at his

319

00:13:49,900 --> 00:13:47,780

house in his library and folks its

320

00:13:53,050 --> 00:13:49,910

outstanding it's very very extensive

321

00:13:55,060 --> 00:13:53,060

very well organized and David you're

322

00:13:59,470 --> 00:13:55,070

you're one hell of a researcher man I'm

323

00:14:00,820 --> 00:13:59,480

impressed well I appreciate that and you

324

00:14:07,360 --> 00:14:00,830

know praise from the praiseworthy is

325

00:14:09,370 --> 00:14:07,370

always the best something only that I

326

00:14:11,650 --> 00:14:09,380

think I can go ahead and just mention

327

00:14:13,240 --> 00:14:11,660

your briefly and this is something I

328

00:14:16,150 --> 00:14:13,250

haven't publicly discussed we're in the

329

00:14:18,010 --> 00:14:16,160

final stages of negotiation but you know

330

00:14:21,490 --> 00:14:18,020

in reference use a library that I've

331

00:14:23,350 --> 00:14:21,500

gathered here as far as the material one

332

00:14:26,140 --> 00:14:23,360

of the things that i haven't mentioned

333

00:14:28,030 --> 00:14:26,150

ken is that you yet is the fact that the

334

00:14:31,690 --> 00:14:28,040

last few weeks up in a negotiation with

335

00:14:34,270 --> 00:14:31,700

the zimmerman library at UNM university

336

00:14:35,020 --> 00:14:34,280

of new mexico here in Albuquerque and I

337

00:14:36,460 --> 00:14:35,030

have to pay

338

00:14:39,280 --> 00:14:36,470

for sitting right here in front of me on

339

00:14:40,780 --> 00:14:39,290

my desk we're in final negotiations so

340

00:14:43,720 --> 00:14:40,790

I'm going to be putting a will together

341

00:14:48,940 --> 00:14:43,730

and whenever I shuffle off this mortal

342

00:14:51,610 --> 00:14:48,950

coil hopefully not too soon yeah don't

343

00:14:53,500 --> 00:14:51,620

leave us anytime soon okay yeah I'd like

344

00:14:56,320 --> 00:14:53,510

beer for at least another few decades if

345

00:14:59,320 --> 00:14:56,330

at all possible but UNM has graciously

346

00:15:03,670 --> 00:14:59,330

come over spend time reviewed my library

347

00:15:05,560 --> 00:15:03,680

and they are in agreement that when

348

00:15:06,730 --> 00:15:05,570

something happens to me and I will state

349

00:15:09,580 --> 00:15:06,740

this in my will and we'll have some

350

00:15:12,130 --> 00:15:09,590

contracts they want to incorporate my

351

00:15:14,680 --> 00:15:12,140

entire UFO research library into the

352

00:15:17,530 --> 00:15:14,690

Zimmerman join em library here at UNM

353

00:15:20,410 --> 00:15:17,540

unit in Albuquerque New Mexico so i'll

354

00:15:22,510 --> 00:15:20,420

stay i'm very cool first I publicly

355

00:15:25,210 --> 00:15:22,520

acknowledged that will be signing the

356

00:15:26,530 --> 00:15:25,220

final papers here very soon but all of

357

00:15:29,680 --> 00:15:26,540

this historical material will be

358

00:15:32,200 --> 00:15:29,690

maintained for perpetuity at UNM library

359

00:15:33,960 --> 00:15:32,210

so future generations will be able to

360

00:15:37,240 --> 00:15:33,970

benefit from the separate we're all gone

361

00:15:38,770 --> 00:15:37,250

very cool very cool no David do you

362

00:15:41,650 --> 00:15:38,780

think there's any correlation with the

363

00:15:43,240 --> 00:15:41,660

advancement in aviation technology and

364

00:15:44,530 --> 00:15:43,250

the sightings of these triangular UFOs

365

00:15:47,620 --> 00:15:44,540

is that kind of what your research is

366

00:15:50,350 --> 00:15:47,630

about I do actually when I when I give

367

00:15:52,270 --> 00:15:50,360

my presentations across the country the

368

00:15:54,190 --> 00:15:52,280

question always comes up well you know

369

00:15:56,260 --> 00:15:54,200

okay let's assume for the sake of

370

00:15:58,120 --> 00:15:56,270

argument Dave that these triangles are

371

00:15:59,560 --> 00:15:58,130

real or do you believe it's something

372

00:16:02,320 --> 00:15:59,570

that we manufactured or do you think

373

00:16:04,780 --> 00:16:02,330

anyone elses technology and my answer to

374

00:16:06,850 --> 00:16:04,790

that is yes I think that we're dealing

375

00:16:09,400 --> 00:16:06,860

with probably a combination of people

376

00:16:12,370 --> 00:16:09,410

seeing advanced aircraft far beyond

377

00:16:14,950 --> 00:16:12,380

anything that that is reminiscent of the

378

00:16:17,710 --> 00:16:14,960

b-2 stealth bomber or f-117a stealth

379

00:16:20,530 --> 00:16:17,720

fighter I think that some people are

380

00:16:23,350 --> 00:16:20,540

observing these these craft and they are

381

00:16:24,820 --> 00:16:23,360

military in origin partly due to the

382

00:16:27,850 --> 00:16:24,830

prevalence there's so many of these

383

00:16:30,790 --> 00:16:27,860

reports now but when you look back at

384

00:16:34,900 --> 00:16:30,800

the history the performance of some of

385

00:16:37,600 --> 00:16:34,910

these modern-day triangular UFOs are

386

00:16:40,210 --> 00:16:37,610

extremely reminiscent of cases that I've

387

00:16:43,690 --> 00:16:40,220

documented from the 1950s and 60s and

388

00:16:45,550 --> 00:16:43,700

going back even further and if you're

389

00:16:47,110 --> 00:16:45,560

willing to accept the fact that the

390

00:16:48,700 --> 00:16:47,120

modern-day accounts are legitimate I

391

00:16:48,940 --> 00:16:48,710

don't think you can summarily discount

392

00:16:52,060 --> 00:16:48,950

the

393

00:16:53,620 --> 00:16:52,070

cases from decades before uh and

394

00:16:56,490 --> 00:16:53,630

especially when you start to see

395

00:16:58,810 --> 00:16:56,500

commonalities that go beyond the simple

396

00:17:01,030 --> 00:16:58,820

triangular shape we have lighting

397

00:17:03,580 --> 00:17:01,040

characteristics that are eerily similar

398

00:17:06,189 --> 00:17:03,590

we have flight dynamics the way that

399

00:17:09,460 --> 00:17:06,199

these objects maneuver that are eerily

400

00:17:11,230 --> 00:17:09,470

similar so it you know as an educator

401
00:17:13,510 --> 00:17:11,240
and what I'd like to consider myself a

402
00:17:16,420 --> 00:17:13,520
semi educated semi rational individual

403
00:17:18,370 --> 00:17:16,430
I'm forced to conclude that these people

404
00:17:21,780 --> 00:17:18,380
are describing essentially the same

405
00:17:24,490 --> 00:17:21,790
thing right but it to your question

406
00:17:26,590 --> 00:17:24,500
mixed in with that I think we are seeing

407
00:17:29,320 --> 00:17:26,600
advanced military aircraft at the same

408
00:17:33,010 --> 00:17:29,330
time so yeah you know trying to tease

409
00:17:35,740 --> 00:17:33,020
those two groups of objects out of this

410
00:17:38,020 --> 00:17:35,750
the noise of the reports that we're

411
00:17:40,510 --> 00:17:38,030
receiving right that's that's where the

412
00:17:43,300 --> 00:17:40,520
hard part comes into play hey David and

413
00:17:46,690 --> 00:17:43,310

I and I tend to agree with your analysis

414

00:17:49,300 --> 00:17:46,700

that you know in the modern-day world

415

00:17:52,600 --> 00:17:49,310

that some of what people are seeing are

416

00:17:55,780 --> 00:17:52,610

our military or examples of our

417

00:17:59,380 --> 00:17:55,790

technology and my question to you is why

418

00:18:01,780 --> 00:17:59,390

the triangle if the military is is

419

00:18:04,120 --> 00:18:01,790

duplicating or reverse engineering them

420

00:18:08,350 --> 00:18:04,130

but what is it about the triangle do you

421

00:18:11,890 --> 00:18:08,360

think that would as an airfoil or craft

422

00:18:16,330 --> 00:18:11,900

would be more advantageous than the

423

00:18:18,310 --> 00:18:16,340

classic saucer shape yeah well I've

424

00:18:20,620 --> 00:18:18,320

talked to some aviation experts in that

425

00:18:23,470 --> 00:18:20,630

regard those that worked at Boeing

426
00:18:25,090 --> 00:18:23,480
McConnell blacklist professor John Allen

427
00:18:27,970 --> 00:18:25,100
from British Aerospace who I interviewed

428
00:18:29,590 --> 00:18:27,980
in the book I talked to a number of

429
00:18:32,500 --> 00:18:29,600
these individuals and the triangular

430
00:18:37,080 --> 00:18:32,510
shape does when to as you mentioned a

431
00:18:40,270 --> 00:18:37,090
very sleek airfoil or plan form design

432
00:18:42,070 --> 00:18:40,280
what's interesting though is the fact

433
00:18:44,740 --> 00:18:42,080
that you look at some of the flight

434
00:18:46,780 --> 00:18:44,750
dynamics in a number of these cases and

435
00:18:49,810 --> 00:18:46,790
candy recently reviewed the book again a

436
00:18:51,910 --> 00:18:49,820
number of these cases especially one

437
00:18:54,310 --> 00:18:51,920
from 1960 I remember from Project Blue

438
00:18:57,160 --> 00:18:54,320

Book that comes to mind they described

439

00:19:00,070 --> 00:18:57,170

and sketched this equilateral triangle

440

00:19:02,830 --> 00:19:00,080

with a bright light at each point moving

441

00:19:05,740 --> 00:19:02,840

with the flat side as the leading edge

442

00:19:07,570 --> 00:19:05,750

now that defies conventional aerodynamic

443

00:19:09,370 --> 00:19:07,580

principles as we know it you know any

444

00:19:12,610 --> 00:19:09,380

type of aircraft that even has any

445

00:19:15,670 --> 00:19:12,620

slight delta wing shape or configuration

446

00:19:19,150 --> 00:19:15,680

you assume that the point is the leading

447

00:19:21,640 --> 00:19:19,160

edge and unfortunately or fortunately

448

00:19:23,680 --> 00:19:21,650

and in some of these cases that's not

449

00:19:25,600 --> 00:19:23,690

what we see the flat side is the leading

450

00:19:28,900 --> 00:19:25,610

edge and the apex of the triangle is

451
00:19:31,180 --> 00:19:28,910
trailing behind so it with some of these

452
00:19:32,980 --> 00:19:31,190
reports again I keep qualifying that

453
00:19:35,380 --> 00:19:32,990
with some of these reports we're dealing

454
00:19:38,350 --> 00:19:35,390
with something beyond conventional you

455
00:19:40,060 --> 00:19:38,360
know combustion jet engines we must be

456
00:19:42,480 --> 00:19:40,070
if these reports are valid if what

457
00:19:45,640 --> 00:19:42,490
people are describing is is accurate

458
00:19:49,120 --> 00:19:45,650
we're dealing with some radical new type

459
00:19:51,310 --> 00:19:49,130
of propulsion technology yeah you know I

460
00:19:56,920 --> 00:19:51,320
read an article and it's probably been

461
00:20:00,570 --> 00:19:56,930
20 years and it had referenced that the

462
00:20:05,260 --> 00:20:00,580
United States Navy was working on a

463
00:20:08,110 --> 00:20:05,270

super super blimp if you will and it

464

00:20:09,970 --> 00:20:08,120

config its configuration was in in the

465

00:20:12,520 --> 00:20:09,980

form of a triangle you familiar with

466

00:20:13,750 --> 00:20:12,530

that absolutely there's that one and

467

00:20:16,150 --> 00:20:13,760

there was another one that the name

468

00:20:19,840 --> 00:20:16,160

escapes me right now over in the UK that

469

00:20:22,480 --> 00:20:19,850

was being developed and if it absolutely

470

00:20:26,380 --> 00:20:22,490

takes on it looks like a very large

471

00:20:29,110 --> 00:20:26,390

triangular shape and in fact even some

472

00:20:31,270 --> 00:20:29,120

of the earlier cases not not to that

473

00:20:33,790 --> 00:20:31,280

degree there were some reports in

474

00:20:37,360 --> 00:20:33,800

project google files there was one from

475

00:20:39,880 --> 00:20:37,370

the Russian military files of triangular

476
00:20:43,060 --> 00:20:39,890
UFOs that I did not include in the book

477
00:20:44,830 --> 00:20:43,070
I even be a special point to state I did

478
00:20:47,500 --> 00:20:44,840
not include these reports and this is

479
00:20:49,240 --> 00:20:47,510
why back in the 50s in the 60s there

480
00:20:51,550 --> 00:20:49,250
were high altitude research balloons

481
00:20:54,700 --> 00:20:51,560
which once they were at a high altitude

482
00:20:56,830 --> 00:20:54,710
observe from the ground it looked if you

483
00:21:00,580 --> 00:20:56,840
observed it as you were directly below

484
00:21:04,510 --> 00:21:00,590
it it looks like a delta for triangular

485
00:21:07,330 --> 00:21:04,520
shaped object but they're extremely

486
00:21:10,720 --> 00:21:07,340
light reflective sometimes some

487
00:21:12,400 --> 00:21:10,730
described as semi-transparent and there

488
00:21:14,020 --> 00:21:12,410

was a famous case from the Drude Spain

489

00:21:15,580 --> 00:21:14,030

where hundreds of people have served

490

00:21:16,730 --> 00:21:15,590

this triangular object there were

491

00:21:18,740 --> 00:21:16,740

photographs

492

00:21:20,690 --> 00:21:18,750

numerous newspapers from all across the

493

00:21:23,180 --> 00:21:20,700

country in the world that document is

494

00:21:25,940 --> 00:21:23,190

deciding but when you look at it it

495

00:21:27,710 --> 00:21:25,950

looks eerily similar to the high

496

00:21:30,950 --> 00:21:27,720

altitude research balloons that were

497

00:21:33,680 --> 00:21:30,960

being launched at that time and can most

498

00:21:35,810 --> 00:21:33,690

recently these larger blimp or

499

00:21:37,610 --> 00:21:35,820

dirigibles are in fact taking on that

500

00:21:40,910 --> 00:21:37,620

triangular appearance and have actually

501
00:21:42,320 --> 00:21:40,920
for some time and that's why because you

502
00:21:44,930 --> 00:21:42,330
can appreciate going through these

503
00:21:48,680 --> 00:21:44,940
thousands of trying to our UFO reports I

504
00:21:51,140 --> 00:21:48,690
try to you know properly vet these cases

505
00:21:53,600 --> 00:21:51,150
and try to eliminate reports where

506
00:21:57,049 --> 00:21:53,610
people just saw a large triangular

507
00:21:58,820 --> 00:21:57,059
object stationary or moving slowly the

508
00:22:02,000 --> 00:21:58,830
ones that really impressed me were the

509
00:22:04,190 --> 00:22:02,010
ones where witnesses would describe a

510
00:22:07,190 --> 00:22:04,200
large triangular object with lighting

511
00:22:08,870 --> 00:22:07,200
configurations hovering and then in the

512
00:22:11,570 --> 00:22:08,880
blink of an eye it's rapidly

513
00:22:13,940 --> 00:22:11,580

accelerating and in some cases with the

514

00:22:15,710 --> 00:22:13,950

complete absence of a sonic boom so

515

00:22:17,210 --> 00:22:15,720

these are the ones that definitely get

516

00:22:20,090 --> 00:22:17,220

into that category of more high

517

00:22:23,270 --> 00:22:20,100

strangeness whereas general observing a

518

00:22:25,310 --> 00:22:23,280

triangular object in the sky you know it

519

00:22:28,880 --> 00:22:25,320

could possibly be a dirigible or

520

00:22:31,010 --> 00:22:28,890

something of this nature and the January

521

00:22:33,350 --> 00:22:31,020

50,000 psi investigated in southern

522

00:22:35,570 --> 00:22:33,360

Illinois were all these Illinois police

523

00:22:38,380 --> 00:22:35,580

officers and a couple civilians that

524

00:22:40,549 --> 00:22:38,390

observed this triangular shaped object

525

00:22:42,169 --> 00:22:40,559

it couldn't be explained away as a

526

00:22:44,450 --> 00:22:42,179

balloon simply because it would be

527

00:22:46,790 --> 00:22:44,460

hovering stationary and then rapidly

528

00:22:49,520 --> 00:22:46,800

accelerate in some cases hundreds of

529

00:22:52,580 --> 00:22:49,530

miles an hour and any type of lighter

530

00:22:55,130 --> 00:22:52,590

lighter than air brain blimp.org

531

00:22:57,650 --> 00:22:55,140

original simply couldn't withstand the

532

00:22:59,360 --> 00:22:57,660

amount of G's and that's not me saying

533

00:23:01,520 --> 00:22:59,370

this this is the aviation expert for

534

00:23:03,470 --> 00:23:01,530

that consulted and ask them you know

535

00:23:06,049 --> 00:23:03,480

with regard to you know their knowledge

536

00:23:07,910 --> 00:23:06,059

could this be at the left and it was an

537

00:23:09,950 --> 00:23:07,920

air opinion that no it couldn't have

538

00:23:12,500 --> 00:23:09,960

been it had the capability to make those

539

00:23:14,240 --> 00:23:12,510

rapid acceleration hmm interesting no

540

00:23:16,400 --> 00:23:14,250

David you kind of explain it a little

541

00:23:18,500 --> 00:23:16,410

bit about what what size have these what

542

00:23:20,960 --> 00:23:18,510

size variation have these triangles came

543

00:23:23,840 --> 00:23:20,970

in as reports I mean from real Mount go

544

00:23:26,120 --> 00:23:23,850

ahead yeah they do Barry I mean most

545

00:23:29,600 --> 00:23:26,130

often we hear about the larger ones and

546

00:23:30,380 --> 00:23:29,610

again and I know ken will back me up on

547

00:23:32,600 --> 00:23:30,390

this one

548

00:23:35,300 --> 00:23:32,610

the hardest things for UFO eyewitnesses

549

00:23:36,950 --> 00:23:35,310

to accurately document our sizes of

550

00:23:39,350 --> 00:23:36,960

these objects because by definition they

551
00:23:41,090 --> 00:23:39,360
are unidentified flying object we don't

552
00:23:42,830 --> 00:23:41,100
really know how large they are we can

553
00:23:44,480 --> 00:23:42,840
only describe the appearance you know

554
00:23:46,430 --> 00:23:44,490
and hopefully we have some objects in

555
00:23:48,770 --> 00:23:46,440
the foreground or background to help

556
00:23:51,020 --> 00:23:48,780
gauge that but you know if you don't

557
00:23:53,240 --> 00:23:51,030
know how big a 747 is standing next to

558
00:23:54,680 --> 00:23:53,250
it and you see it a mile away you really

559
00:23:56,990 --> 00:23:54,690
have a hard time gauging what the true

560
00:23:58,880 --> 00:23:57,000
size is something like that is and so

561
00:24:00,560 --> 00:23:58,890
too you know we find that with these UFO

562
00:24:03,590 --> 00:24:00,570
eyewitnesses that they're trying to give

563
00:24:06,170 --> 00:24:03,600

us the best estimate however I will say

564

00:24:07,910 --> 00:24:06,180

this even though you can skeptics will

565

00:24:10,880 --> 00:24:07,920

argue that well people are describing

566

00:24:12,740 --> 00:24:10,890

size they really don't have any idea let

567

00:24:14,750 --> 00:24:12,750

me just add this one of the best

568

00:24:17,630 --> 00:24:14,760

descriptions I've ever heard with regard

569

00:24:20,690 --> 00:24:17,640

to one of these triangular UFOs was by a

570

00:24:22,940 --> 00:24:20,700

30-year retired law enforcement officer

571

00:24:27,050 --> 00:24:22,950

who I've come to know over the last 13

572

00:24:29,330 --> 00:24:27,060

15 years quite well he personally relate

573

00:24:32,240 --> 00:24:29,340

to me the sighting of a large triangular

574

00:24:35,750 --> 00:24:32,250

object north of st. Louis in ironically

575

00:24:38,180 --> 00:24:35,760

enough November of 2000 several months

576

00:24:40,160 --> 00:24:38,190

after the January 50,000 incident in

577

00:24:43,640 --> 00:24:40,170

southern Illinois across the Mississippi

578

00:24:47,120 --> 00:24:43,650

and he and several friends some of whom

579

00:24:52,370 --> 00:24:47,130

were law enforcement one actually worked

580

00:24:53,840 --> 00:24:52,380

at Boeing in st. Louis they were sitting

581

00:24:56,150 --> 00:24:53,850

there and they had done this many times

582

00:24:58,400 --> 00:24:56,160

there was one of their many outings out

583

00:25:00,230 --> 00:24:58,410

into the woods where they would

584

00:25:02,630 --> 00:25:00,240

basically spend you know the day and the

585

00:25:06,200 --> 00:25:02,640

into the evening hunting and then

586

00:25:09,140 --> 00:25:06,210

barbecuing out on an open fire the area

587

00:25:12,080 --> 00:25:09,150

in question was a wooded area but there

588

00:25:13,640 --> 00:25:12,090

was a large open field roughly I believe

589

00:25:16,190 --> 00:25:13,650

two to three hundred yards if memory

590

00:25:18,530 --> 00:25:16,200

serves the size of this is this field

591

00:25:20,180 --> 00:25:18,540

that they were next to and one of the

592

00:25:21,590 --> 00:25:20,190

gentlemen walked out and was just

593

00:25:23,720 --> 00:25:21,600

looking up at the sky and suddenly

594

00:25:26,330 --> 00:25:23,730

yelled hey guys what is this what is

595

00:25:28,430 --> 00:25:26,340

this what the you know what is this and

596

00:25:31,360 --> 00:25:28,440

so they all run out to the clearing and

597

00:25:35,120 --> 00:25:31,370

look up and they saw this large

598

00:25:37,850 --> 00:25:35,130

triangular or wedge shaped object craft

599

00:25:40,250 --> 00:25:37,860

if you will and the description that

600

00:25:42,440 --> 00:25:40,260

this is this gentleman John laid to me

601
00:25:44,270 --> 00:25:42,450
was one of the best descriptive because

602
00:25:45,830 --> 00:25:44,280
I think even though there is that amber

603
00:25:49,010 --> 00:25:45,840
when we're trying to determine size on

604
00:25:52,130 --> 00:25:49,020
these UFOs he told me he goes Dave you

605
00:25:54,980 --> 00:25:52,140
couldn't look at it you had to can your

606
00:25:58,550 --> 00:25:54,990
head from left to right to see the

607
00:26:00,350 --> 00:25:58,560
entire thing regardless of altitude I

608
00:26:03,500 --> 00:26:00,360
think we'll agree that's a large object

609
00:26:04,670 --> 00:26:03,510
oh yeah oh yeah yeah I would say that

610
00:26:07,130 --> 00:26:04,680
would definitely get your attention

611
00:26:08,960 --> 00:26:07,140
that's for sure but I think that's one

612
00:26:11,930 --> 00:26:08,970
of the best descriptions I've heard that

613
00:26:13,910 --> 00:26:11,940

really that really you know lends some

614

00:26:15,860 --> 00:26:13,920

credence to how large are an

615

00:26:19,160 --> 00:26:15,870

appreciation of how large these objects

616

00:26:21,470 --> 00:26:19,170

are well and just a dovetail what you

617

00:26:23,990 --> 00:26:21,480

were speaking on the the Phoenix lights

618

00:26:26,660 --> 00:26:24,000

there were several excellent witnesses

619

00:26:29,420 --> 00:26:26,670

that saw this craft and if they

620

00:26:32,180 --> 00:26:29,430

described it as a chevron absolute

621

00:26:35,270 --> 00:26:32,190

shaved and it was huge i mean there was

622

00:26:36,770 --> 00:26:35,280

a United Airlines pilot that was on the

623

00:26:38,480 --> 00:26:36,780

ground one and I guess it went literally

624

00:26:42,010 --> 00:26:38,490

over the top of this house with him and

625

00:26:45,080 --> 00:26:42,020

his wife stander and he was able able to

626
00:26:48,140 --> 00:26:45,090
describe this Chevron and he said it was

627
00:26:50,210 --> 00:26:48,150
several hundred yards across yeah and

628
00:26:51,860 --> 00:26:50,220
you know we talked you're absolutely

629
00:26:54,020 --> 00:26:51,870
right and we talked about the Phoenix

630
00:26:56,210 --> 00:26:54,030
lights case but the one thing I also try

631
00:26:57,830 --> 00:26:56,220
to you know him still in the audience's

632
00:27:00,620 --> 00:26:57,840
that I lecture 2 and in the book as well

633
00:27:03,650 --> 00:27:00,630
is the Phoenix life is the most dramatic

634
00:27:05,120 --> 00:27:03,660
well documented case there are so many

635
00:27:07,970 --> 00:27:05,130
others we of course have the famous

636
00:27:10,730 --> 00:27:07,980
Hudson Valley break that described a

637
00:27:13,310 --> 00:27:10,740
very similar object a chevron or B or

638
00:27:16,370 --> 00:27:13,320

wing shape and some cases they describe

639

00:27:18,140 --> 00:27:16,380

triangular shaped objects we have that

640

00:27:20,510 --> 00:27:18,150

we also have an incident that occurred

641

00:27:23,330 --> 00:27:20,520

over the state of Missouri in November

642

00:27:25,430 --> 00:27:23,340

of 1980 and even though it was over the

643

00:27:27,620 --> 00:27:25,440

course of just one night there were

644

00:27:29,510 --> 00:27:27,630

hundreds of witnesses and this was

645

00:27:31,850 --> 00:27:29,520

thoroughly written up and investigated

646

00:27:34,490 --> 00:27:31,860

by veteran UFO researcher and journalist

647

00:27:37,940 --> 00:27:34,500

pop crap and I included that in the book

648

00:27:41,240 --> 00:27:37,950

as well and of course the Belgian wave

649

00:27:43,040 --> 00:27:41,250

we can't forget that one as well so

650

00:27:44,930 --> 00:27:43,050

there have been these incidents and then

651
00:27:47,450 --> 00:27:44,940
there was also a case involving multiple

652
00:27:51,590 --> 00:27:47,460
law enforcement officers over a Memphis

653
00:27:53,210 --> 00:27:51,600
Tennessee in 1977 so that was the one

654
00:27:54,560 --> 00:27:53,220
thing I really tried to do with the book

655
00:27:57,890 --> 00:27:54,570
one of the reasons I wanted to write the

656
00:27:59,750 --> 00:27:57,900
book I had all these disparate cases

657
00:28:02,570 --> 00:27:59,760
but when you put it all together I think

658
00:28:05,600 --> 00:28:02,580
it makes a very strong argument that you

659
00:28:08,180 --> 00:28:05,610
have to be the ultimate cynic to read my

660
00:28:11,090 --> 00:28:08,190
book and read these cases from credible

661
00:28:13,160 --> 00:28:11,100
news sources and declassified government

662
00:28:15,770 --> 00:28:13,170
documents you have to be the ultimate

663
00:28:18,950 --> 00:28:15,780

Senate to sit there and say all of these

664

00:28:23,300 --> 00:28:18,960

people are hallucinating and or lying

665

00:28:25,970 --> 00:28:23,310

and or you know simply you know

666

00:28:27,350 --> 00:28:25,980

misconstruing things it's just you have

667

00:28:29,360 --> 00:28:27,360

to be the ultimate CENTAC to just

668

00:28:30,680 --> 00:28:29,370

summarily discount all this and the

669

00:28:32,720 --> 00:28:30,690

other thing in addition to the

670

00:28:34,070 --> 00:28:32,730

eyewitness testimony is we do have radar

671

00:28:36,860 --> 00:28:34,080

confirmation and the number of these

672

00:28:38,600 --> 00:28:36,870

days very cool now David let's take our

673

00:28:40,610 --> 00:28:38,610

first break that's a good stopping point

674

00:28:42,980 --> 00:28:40,620

we'll talk about some radar cases and

675

00:28:44,780 --> 00:28:42,990

other triangle UFOs we'll be right back

676
00:28:46,850 --> 00:28:44,790
on paying radio with David marler hang

677
00:28:48,320 --> 00:28:46,860
in there welcome back to paying radio

678
00:28:50,900 --> 00:28:48,330
tonight we're talking with David marler

679
00:28:53,270 --> 00:28:50,910
and triangular UFO is a great subject

680
00:28:54,860 --> 00:28:53,280
it's been an awesome show so far no

681
00:28:58,130 --> 00:28:54,870
David have you had any good radar

682
00:29:00,110 --> 00:28:58,140
evidence in your research well relative

683
00:29:02,420 --> 00:29:00,120
to the number of actual sightings it's

684
00:29:04,940 --> 00:29:02,430
few but we do have some very well

685
00:29:08,270 --> 00:29:04,950
documented cases some of these are from

686
00:29:10,550 --> 00:29:08,280
the military files that he classified

687
00:29:12,140 --> 00:29:10,560
military files there was one that was

688
00:29:14,060 --> 00:29:12,150

featured recently on the Smithsonian

689

00:29:16,940 --> 00:29:14,070

Channel documentary I mentioned that

690

00:29:19,910 --> 00:29:16,950

they recreated actually quite well and

691

00:29:22,160 --> 00:29:19,920

this involved an f-86 Sabre jet pilot

692

00:29:25,700 --> 00:29:22,170

that was flying over albania georgia on

693

00:29:28,400 --> 00:29:25,710

january twenty eight 1953 so again we're

694

00:29:31,850 --> 00:29:28,410

going back we're not talking 1980s 1990s

695

00:29:35,330 --> 00:29:31,860

we're talking 1953 Wow and this fact was

696

00:29:38,030 --> 00:29:35,340

a flying a solo mission at night and he

697

00:29:40,670 --> 00:29:38,040

observed this bright star or lights in

698

00:29:42,770 --> 00:29:40,680

the sky he thought it was a star but he

699

00:29:45,530 --> 00:29:42,780

was impressed by the fact that it had

700

00:29:47,840 --> 00:29:45,540

this extremely sharp circular outline it

701
00:29:50,270 --> 00:29:47,850
didn't have that fuzzy or twinkling or

702
00:29:52,490 --> 00:29:50,280
scintillating look that many stars in

703
00:29:54,320 --> 00:29:52,500
planets have when you look up in the

704
00:29:56,420 --> 00:29:54,330
night sky so he thought it was very

705
00:29:58,970 --> 00:29:56,430
strange and decided well I'll increase

706
00:30:00,200 --> 00:29:58,980
my altitude if the object gets larger

707
00:30:02,630 --> 00:30:00,210
than my windscreen that obvious

708
00:30:04,070 --> 00:30:02,640
obviously something in the atmosphere if

709
00:30:06,020 --> 00:30:04,080
it doesn't change perspectives and

710
00:30:09,320 --> 00:30:06,030
obviously it's something astronomical a

711
00:30:11,150 --> 00:30:09,330
star or planet he increases altitude and

712
00:30:11,779 --> 00:30:11,160
very quickly and this is all documented

713
00:30:13,849 --> 00:30:11,789

in the

714

00:30:15,560 --> 00:30:13,859
chikhloo book report so this is coming

715

00:30:17,090 --> 00:30:15,570
from a credible source this isn't you

716

00:30:20,029 --> 00:30:17,100
know tabloid material we're talking

717

00:30:22,340 --> 00:30:20,039
about as he increased altitude he very

718

00:30:25,090 --> 00:30:22,350
quickly noticed that the light that was

719

00:30:28,159 --> 00:30:25,100
above his jet aircraft was now below him

720

00:30:31,879 --> 00:30:28,169
so he immediately realized that this is

721

00:30:34,549 --> 00:30:31,889
not a stalker class there's a clue he

722

00:30:36,289 --> 00:30:34,559
decided at this point to try to close in

723

00:30:38,389 --> 00:30:36,299
to get better visual of whatever this

724

00:30:42,049 --> 00:30:38,399
this aircraft was for lack of a better

725

00:30:46,190 --> 00:30:42,059
term and as he closed in towards the

726

00:30:48,440 --> 00:30:46,200

light the light which was I alternating

727

00:30:50,659 --> 00:30:48,450

now at this point white orange white

728

00:30:53,299 --> 00:30:50,669

orange it did that several times in

729

00:30:56,029 --> 00:30:53,309

rapid succession and then in the project

730

00:30:58,869 --> 00:30:56,039

blue book report he states the light

731

00:31:02,089 --> 00:30:58,879

then turned into a perfect equilateral

732

00:31:03,950 --> 00:31:02,099

triangle now mind you this is an f-86

733

00:31:06,169 --> 00:31:03,960

Sabre jet pilot closing in on this

734

00:31:07,899 --> 00:31:06,179

object or this light and now it's

735

00:31:10,460 --> 00:31:07,909

suddenly transforms into a solid

736

00:31:13,009 --> 00:31:10,470

triangular object that he's observing

737

00:31:14,930 --> 00:31:13,019

within seconds is it that's not enough

738

00:31:16,669 --> 00:31:14,940

to wrap your mind around in 1953

739

00:31:20,389 --> 00:31:16,679

observing something like this in the

740

00:31:22,609 --> 00:31:20,399

skies over Georgia he then relays in the

741

00:31:25,279 --> 00:31:22,619

project blue book report file the

742

00:31:28,849 --> 00:31:25,289

triangle then divided into two equal

743

00:31:32,269 --> 00:31:28,859

lateral triangle which quickly moved off

744

00:31:35,509 --> 00:31:32,279

and disappeared now long answer to your

745

00:31:38,330 --> 00:31:35,519

question uh the Blue Book investigators

746

00:31:40,159 --> 00:31:38,340

talk to him and the final conclusion

747

00:31:42,879 --> 00:31:40,169

that blue book report was that this was

748

00:31:46,009 --> 00:31:42,889

a visual sighting of the planet Venus oh

749

00:31:48,440 --> 00:31:46,019

my god that really stretches the

750

00:31:50,029 --> 00:31:48,450

imagination well that's always Venus

751
00:31:53,690 --> 00:31:50,039
it's always venusaur weather balloons

752
00:31:57,320 --> 00:31:53,700
you yeah he get for weather balloon

753
00:31:59,690 --> 00:31:57,330
right guys yeah but this is the most

754
00:32:01,190 --> 00:31:59,700
important thing if you can't believe his

755
00:32:03,710 --> 00:32:01,200
testimony if you think he was just

756
00:32:06,349 --> 00:32:03,720
hallucinating or his mind with wild the

757
00:32:09,049 --> 00:32:06,359
albany georgia airport was tracking a

758
00:32:11,180 --> 00:32:09,059
primary unknown target at the same

759
00:32:13,639 --> 00:32:11,190
location at the same time of the pilot

760
00:32:16,789 --> 00:32:13,649
sightings oh there you go right there

761
00:32:18,680 --> 00:32:16,799
yeah so there's there's one radar case

762
00:32:21,799 --> 00:32:18,690
that we have through very official

763
00:32:23,659 --> 00:32:21,809

sources i mentioned the sighting that

764

00:32:25,640 --> 00:32:23,669

occurred in november of 1980 during at

765

00:32:28,280 --> 00:32:25,650

one night over the state of

766

00:32:32,540 --> 00:32:28,290

Zuri it was a that object had been

767

00:32:34,190 --> 00:32:32,550

tracked on radar and I actually spoke to

768

00:32:37,310 --> 00:32:34,200

a witness who contacted me who read my

769

00:32:40,280 --> 00:32:37,320

book and stated that they observed the

770

00:32:42,290 --> 00:32:40,290

triangle on that particular night and he

771

00:32:44,600 --> 00:32:42,300

was in Kirksville Missouri the

772

00:32:46,910 --> 00:32:44,610

Kirksville Missouri airport that tracked

773

00:32:48,410 --> 00:32:46,920

a primary target where the UFO was being

774

00:32:50,840 --> 00:32:48,420

sighted at the time so that was another

775

00:32:52,970 --> 00:32:50,850

one in 1980 and of course I think the

776

00:32:54,470 --> 00:32:52,980

most popular case involving triangular

777

00:32:58,580 --> 00:32:54,480

UFOs being tracked was of course the

778

00:33:00,860 --> 00:32:58,590

Belgian wave where they had for supper

779

00:33:03,050 --> 00:33:00,870

ground-based radar tracking stations

780

00:33:05,600 --> 00:33:03,060

tracking this unknown trying to a UFO

781

00:33:08,150 --> 00:33:05,610

while we had multiple ground observers

782

00:33:10,730 --> 00:33:08,160

observing it and then of course we had

783

00:33:13,310 --> 00:33:10,740

the two f-16s dispatched to try to

784

00:33:15,440 --> 00:33:13,320

identify what this object was one of the

785

00:33:18,350 --> 00:33:15,450

f-16s was able to lock on repeatedly

786

00:33:19,970 --> 00:33:18,360

with the triangular UFO but every time

787

00:33:22,190 --> 00:33:19,980

they achieved lock on the object could

788

00:33:25,070 --> 00:33:22,200

pull away at tremendous speeds and make

789

00:33:27,500 --> 00:33:25,080

these acute turns that the f-16s do not

790

00:33:30,500 --> 00:33:27,510

keep up with and before I forget I'm

791

00:33:33,710 --> 00:33:30,510

very happy and proud to say that about a

792

00:33:36,500 --> 00:33:33,720

month ago I had the honor of having mr.

793

00:33:38,360 --> 00:33:36,510

Patrick farrance the head of so veps the

794

00:33:41,630 --> 00:33:38,370

head of the Belgian UFO organization

795

00:33:43,220 --> 00:33:41,640

here at my library and he was making a

796

00:33:45,380 --> 00:33:43,230

tour of the United States and we've been

797

00:33:47,270 --> 00:33:45,390

skyping since my books been published

798

00:33:49,190 --> 00:33:47,280

and exchanging triangular UFO case

799

00:33:50,900 --> 00:33:49,200

material I'm very up to say I finally

800

00:33:53,780 --> 00:33:50,910

had the opportunity to spend time and

801
00:33:56,390 --> 00:33:53,790
discuss some of these cases from Belgium

802
00:33:59,780 --> 00:33:56,400
as well as other locales with they be

803
00:34:04,550 --> 00:33:59,790
expert over froth from Belgium that's

804
00:34:07,700 --> 00:34:04,560
that's awesome that is very cool hey hey

805
00:34:09,919 --> 00:34:07,710
Dave yeah you know we we talked about

806
00:34:11,330 --> 00:34:09,929
this during the break and just for our

807
00:34:14,210 --> 00:34:11,340
listeners one of the questions that I

808
00:34:18,500 --> 00:34:14,220
asked dave is that Eddie had any reports

809
00:34:20,630 --> 00:34:18,510
where there were landings by any of the

810
00:34:22,399 --> 00:34:20,640
triangular craft and as far as you know

811
00:34:23,600 --> 00:34:22,409
there has not been any that doesn't mean

812
00:34:24,889 --> 00:34:23,610
it hasn't happened you just don't have

813
00:34:28,280 --> 00:34:24,899

any reports of that as I correct

814

00:34:30,020 --> 00:34:28,290

absolutely i qualified statement by

815

00:34:32,090 --> 00:34:30,030

saying you know I can only speak to what

816

00:34:34,010 --> 00:34:32,100

I found or what I've uncovered as far as

817

00:34:36,980 --> 00:34:34,020

you know in the newspaper archives and

818

00:34:38,389 --> 00:34:36,990

military archives and that's as we were

819

00:34:40,099 --> 00:34:38,399

discussing can

820

00:34:42,500 --> 00:34:40,109

it's always interesting to look for

821

00:34:44,839 --> 00:34:42,510

patterns to see what is there in these

822

00:34:46,849 --> 00:34:44,849

reports not just triangular but all UFO

823

00:34:48,470 --> 00:34:46,859

reports but it's also interesting to

824

00:34:50,809 --> 00:34:48,480

take a step back and say well what don't

825

00:34:53,659 --> 00:34:50,819

we see and when you compare the

826

00:34:55,940 --> 00:34:53,669

triangular case files to the saucer or

827

00:34:58,460 --> 00:34:55,950

flying disk or flying saucer reports

828

00:35:01,099 --> 00:34:58,470

over the last several decades where we

829

00:35:03,589 --> 00:35:01,109

have had landings we have had saucer

830

00:35:06,890 --> 00:35:03,599

nests we have had compress irradiated

831

00:35:11,450 --> 00:35:06,900

soil I have yet to find one accounts of

832

00:35:14,420 --> 00:35:11,460

any sighting or a you know report

833

00:35:16,789 --> 00:35:14,430

involving a triangular UFO touching

834

00:35:19,220 --> 00:35:16,799

ground actually landing or touching

835

00:35:22,760 --> 00:35:19,230

ground or affecting yeah you know

836

00:35:24,529 --> 00:35:22,770

vegetation or soil on the ground and

837

00:35:26,390 --> 00:35:24,539

that's it's interesting it again it's

838

00:35:29,720 --> 00:35:26,400

one of those things that raises more

839

00:35:33,380 --> 00:35:29,730

questions than it answers all right hey

840

00:35:37,400 --> 00:35:33,390

and just so that we from my own

841

00:35:38,809 --> 00:35:37,410

edification most of in fact the ones

842

00:35:42,260 --> 00:35:38,819

that I've read and including in your

843

00:35:45,160 --> 00:35:42,270

book these crafts have been relatively

844

00:35:48,980 --> 00:35:45,170

big huge do you know of anywhere there's

845

00:35:50,329 --> 00:35:48,990

small you know I like the classic saucer

846

00:35:55,220 --> 00:35:50,339

shape you hear it referred to as a

847

00:35:57,980 --> 00:35:55,230

sports model okay okay but but in in the

848

00:36:00,470 --> 00:35:57,990

triangular category have you heard of

849

00:36:03,529 --> 00:36:00,480

the smaller version of the large

850

00:36:05,950 --> 00:36:03,539

triangle yes and that's a good if you

851
00:36:08,299 --> 00:36:05,960
can really focus so much on the larger

852
00:36:10,370 --> 00:36:08,309
reports and quite often those get more

853
00:36:13,789 --> 00:36:10,380
notoriety just because of the dramatic

854
00:36:16,069 --> 00:36:13,799
nature but they do vary in size a number

855
00:36:18,950 --> 00:36:16,079
of cases from a project blue book as

856
00:36:20,690 --> 00:36:18,960
well as some of the Ministry of Defense

857
00:36:22,460 --> 00:36:20,700
files from the UK which i reviewed all

858
00:36:26,420 --> 00:36:22,470
of their declassified files which was no

859
00:36:28,490 --> 00:36:26,430
small task let me tell you they involved

860
00:36:30,200 --> 00:36:28,500
in some cases smaller trying to order

861
00:36:32,920 --> 00:36:30,210
objects some that were described as the

862
00:36:37,069 --> 00:36:32,930
size of a car or the size of a van so

863
00:36:39,200 --> 00:36:37,079

there are some smaller triangular craft

864

00:36:41,450 --> 00:36:39,210

or objects that have been reported and

865

00:36:43,730 --> 00:36:41,460

one that that quite often is brought up

866

00:36:45,260 --> 00:36:43,740

in my lectures by audience members is of

867

00:36:47,900 --> 00:36:45,270

course Rendlesham the Bentwaters

868

00:36:49,730 --> 00:36:47,910

incident from december 1980 where

869

00:36:52,280 --> 00:36:49,740

sergeant Jim Penniston described seeing

870

00:36:54,260 --> 00:36:52,290

a roughly triangular shaped object all

871

00:36:56,780 --> 00:36:54,270

it was somewhat faceted in almost

872

00:36:59,660 --> 00:36:56,790

pyramidal in shape it had that height as

873

00:37:01,130 --> 00:36:59,670

well as length and width some people

874

00:37:04,070 --> 00:37:01,140

have said well don't you think that's a

875

00:37:06,320 --> 00:37:04,080

triangular UFO well you know from a

876

00:37:09,050 --> 00:37:06,330

strictly geometric standpoint yes it's

877

00:37:10,880 --> 00:37:09,060

certainly not circular so some people

878

00:37:15,770 --> 00:37:10,890

are inclined to maybe even include that

879

00:37:17,270 --> 00:37:15,780

in the mix and I'm willing to do that in

880

00:37:19,810 --> 00:37:17,280

fact I mentioned it briefly in my book

881

00:37:22,760 --> 00:37:19,820

just yet so I don't completely omit that

882

00:37:24,590 --> 00:37:22,770

so there are these variations now this

883

00:37:26,120 --> 00:37:24,600

is where it gets really hairy we're

884

00:37:27,890 --> 00:37:26,130

talking about triangular objects we're

885

00:37:29,840 --> 00:37:27,900

talking about different sizes and we're

886

00:37:32,270 --> 00:37:29,850

comparing it to somebody to the flying

887

00:37:34,490 --> 00:37:32,280

saucer flying disk reports this is where

888

00:37:38,060 --> 00:37:34,500

things get really bizarre quite often

889

00:37:40,040 --> 00:37:38,070

these trying to pose and can you may

890

00:37:44,030 --> 00:37:40,050

recall some of these cases that i had my

891

00:37:48,490 --> 00:37:44,040

book are seen with other UFOs non

892

00:37:51,590 --> 00:37:48,500

triangular UFOs yeah there but go ahead

893

00:37:54,530 --> 00:37:51,600

well and it again we just begin to this

894

00:37:57,800 --> 00:37:54,540

area a very high strangeness where we

895

00:38:00,710 --> 00:37:57,810

have accounts in fact one of the most

896

00:38:02,870 --> 00:38:00,720

dramatic cases that I uncovered that I

897

00:38:04,670 --> 00:38:02,880

had never heard really discussed or

898

00:38:07,700 --> 00:38:04,680

lectured about with regard to these

899

00:38:09,320 --> 00:38:07,710

triangular UFOs was not just one

900

00:38:12,500 --> 00:38:09,330

sighting not just several but an entire

901
00:38:15,500 --> 00:38:12,510
wave of sightings that swept the country

902
00:38:20,600 --> 00:38:15,510
of Denmark from the fall of nineteen

903
00:38:24,710 --> 00:38:20,610
fifty-seven into 1958 and they described

904
00:38:26,840 --> 00:38:24,720
in detail that all over Denmark people

905
00:38:28,730 --> 00:38:26,850
were reporting these large triangular

906
00:38:31,730 --> 00:38:28,740
and I always qualified us when I do my

907
00:38:33,530 --> 00:38:31,740
lectures triangular spaceships that's

908
00:38:35,270 --> 00:38:33,540
that's the words that they used in the

909
00:38:37,790 --> 00:38:35,280
newspapers at the time That's not me

910
00:38:40,040 --> 00:38:37,800
trying to read things into the story how

911
00:38:41,990 --> 00:38:40,050
they describe triangular spaceships and

912
00:38:44,240 --> 00:38:42,000
it actually states in one of the

913
00:38:47,450 --> 00:38:44,250

newspapers this was from the Danish

914

00:38:50,270 --> 00:38:47,460

newspaper BTW there April sixteenth 1958

915

00:38:51,920 --> 00:38:50,280

edition it stated triangular space ships

916

00:38:54,020 --> 00:38:51,930

have also now appeared in the southern

917

00:38:55,700 --> 00:38:54,030

part of Jutland from every port come

918

00:38:58,130 --> 00:38:55,710

reports of mysterious phenomenon in the

919

00:38:59,630 --> 00:38:58,140

sky sports late evening all witnesses

920

00:39:02,660 --> 00:38:59,640

state with certainty that conventional

921

00:39:04,520 --> 00:39:02,670

aircraft are not involved now it goes on

922

00:39:06,140 --> 00:39:04,530

describing further detail about these

923

00:39:08,599 --> 00:39:06,150

large black triangle

924

00:39:11,569 --> 00:39:08,609

but I also came across a Reuters news

925

00:39:14,589 --> 00:39:11,579

service article that basically backed up

926
00:39:17,569 --> 00:39:14,599
just this news account and this was a

927
00:39:19,339 --> 00:39:17,579
dated april nineteen and the title of

928
00:39:21,769 --> 00:39:19,349
the reuters news service article was

929
00:39:24,109 --> 00:39:21,779
spaceship over denmark it doesn't get

930
00:39:26,990 --> 00:39:24,119
better than that and it describes a

931
00:39:30,109 --> 00:39:27,000
woman that on april fifteenth in the

932
00:39:33,019 --> 00:39:30,119
town of grow here in denmark described a

933
00:39:35,690 --> 00:39:33,029
low-flying triangular object as big and

934
00:39:38,029 --> 00:39:35,700
black and she further noted as it

935
00:39:40,760 --> 00:39:38,039
hungered over the village again this

936
00:39:44,299 --> 00:39:40,770
idea of the covering stationary she

937
00:39:48,019 --> 00:39:44,309
described a number of who got a lot of

938
00:39:50,390 --> 00:39:48,029

thunder here apologized it describes a

939

00:39:52,460 --> 00:39:50,400

number of horseshoe shaped objects each

940

00:39:57,019 --> 00:39:52,470

emitting a strong light that emerged

941

00:39:58,640 --> 00:39:57,029

from the large triangular craft now it's

942

00:40:01,039 --> 00:39:58,650

interesting at the very end of the new

943

00:40:02,510 --> 00:40:01,049

service article Reuters states that they

944

00:40:04,490 --> 00:40:02,520

were able to track down approximately

945

00:40:06,890 --> 00:40:04,500

twenty other witnesses in the village

946

00:40:10,490 --> 00:40:06,900

that testified to the same thing and

947

00:40:13,849 --> 00:40:10,500

corroborated the woman's testimony wow

948

00:40:16,160 --> 00:40:13,859

very well Christy yes that's an account

949

00:40:19,579 --> 00:40:16,170

of objects coming out we also have

950

00:40:21,769 --> 00:40:19,589

accounts of UFOs entering in to the

951
00:40:23,690 --> 00:40:21,779
triangular objects we had Disney made

952
00:40:26,450 --> 00:40:23,700
objects that were reportedly seeing

953
00:40:28,099 --> 00:40:26,460
entering into a large triangular object

954
00:40:31,730 --> 00:40:28,109
after they had been seen flying

955
00:40:36,019 --> 00:40:31,740
alongside a large triangular UFO this

956
00:40:39,319 --> 00:40:36,029
was cited by a BOAC strata cruiser by

957
00:40:42,230 --> 00:40:39,329
the pilot captain Howard and the his

958
00:40:44,000 --> 00:40:42,240
chief officer Lee Boyd and they observed

959
00:40:46,339 --> 00:40:44,010
this for 15 minutes flying alongside

960
00:40:49,789 --> 00:40:46,349
their commercial airliner over Labrador

961
00:40:51,920 --> 00:40:49,799
in 1954 and at one point captain Howard

962
00:40:54,559 --> 00:40:51,930
his attention got distracted and he

963
00:40:56,660 --> 00:40:54,569

turned back to look at the the UFO the

964

00:40:59,480 --> 00:40:56,670

large UFO that was being flanked by the

965

00:41:02,599 --> 00:40:59,490

smaller circular disk shaped objects and

966

00:41:04,670 --> 00:41:02,609

he asked the question quizzically he

967

00:41:07,849 --> 00:41:04,680

said where did the smaller objects go

968

00:41:09,260 --> 00:41:07,859

and leave oi responded by saying I it

969

00:41:13,730 --> 00:41:09,270

looked like they went into the larger

970

00:41:16,609 --> 00:41:13,740

one and so we have accounts of that then

971

00:41:19,190 --> 00:41:16,619

we have at least two to three accounts

972

00:41:20,050 --> 00:41:19,200

of these triangular objects being seen

973

00:41:24,170 --> 00:41:20,060

with large

974

00:41:26,390 --> 00:41:24,180

rectangular UFOs I know this just you

975

00:41:28,670 --> 00:41:26,400

know just when you think it's crazy will

976
00:41:34,340 --> 00:41:28,680
raise it a bar will go a little crazier

977
00:41:36,110 --> 00:41:34,350
here Elgin waves on the DfE first night

978
00:41:40,880 --> 00:41:36,120
that really started the Belgian wave

979
00:41:42,440 --> 00:41:40,890
November 29th 1989 the two police

980
00:41:45,170 --> 00:41:42,450
officers are John's arms that were

981
00:41:47,510 --> 00:41:45,180
reporting this were Heinrich Nico and

982
00:41:50,000 --> 00:41:47,520
the other officers name was von Ponte

983
00:41:52,370 --> 00:41:50,010
key they were reporting back to Albert

984
00:41:55,700 --> 00:41:52,380
Kreutz who was in the loop on village

985
00:41:57,620 --> 00:41:55,710
police station and they were describing

986
00:41:59,780 --> 00:41:57,630
what they were seeing and Albert crux

987
00:42:02,030 --> 00:41:59,790
was kind of laughing it off and he

988
00:42:04,100 --> 00:42:02,040

stepped out on the balcony off of the

989

00:42:06,350 --> 00:42:04,110

dispatchers office there and he looked

990

00:42:07,730 --> 00:42:06,360

out and not far away from where they

991

00:42:10,190 --> 00:42:07,740

were having their sighting of these two

992

00:42:13,160 --> 00:42:10,200

triangular UFOs he observed this

993

00:42:15,770 --> 00:42:13,170

rectangular object and he sketched it I

994

00:42:18,470 --> 00:42:15,780

have to sketch in the book and he has a

995

00:42:22,010 --> 00:42:18,480

large light at each corner of the

996

00:42:24,800 --> 00:42:22,020

rectangle and side-by-side with that I

997

00:42:26,840 --> 00:42:24,810

compared that to a sighting in the 1980s

998

00:42:28,940 --> 00:42:26,850

that was investigated by a pro aerial

999

00:42:31,550 --> 00:42:28,950

phenomenon research organization in

1000

00:42:34,430 --> 00:42:31,560

upstate New York where a woman and

1001
00:42:36,290 --> 00:42:34,440
daughter were returning home saw a large

1002
00:42:38,450 --> 00:42:36,300
triangular object that disappeared

1003
00:42:40,100 --> 00:42:38,460
behind the tree line and shortly

1004
00:42:42,800 --> 00:42:40,110
thereafter just a matter of minutes 0

1005
00:42:46,880 --> 00:42:42,810
seconds or minutes later they then saw a

1006
00:42:49,040 --> 00:42:46,890
large rectangular UFO dark with a large

1007
00:42:51,650 --> 00:42:49,050
bright light at each corner of the

1008
00:42:53,120 --> 00:42:51,660
rectangle and when you and as I did in

1009
00:42:54,830 --> 00:42:53,130
the book if you look at these sketches

1010
00:42:58,100 --> 00:42:54,840
side by side you would swear they saw

1011
00:43:00,080 --> 00:42:58,110
the same thing and edit to that the

1012
00:43:01,280 --> 00:43:00,090
January fifth two thousand case in

1013
00:43:03,650 --> 00:43:01,290

southern Illinois were these police

1014

00:43:06,670 --> 00:43:03,660

officers we had witnesses come forward

1015

00:43:09,530 --> 00:43:06,680

stating they saw a rectangular UFO

1016

00:43:12,710 --> 00:43:09,540

seeing at the same time as the

1017

00:43:14,090 --> 00:43:12,720

triangular UFO was being reported crazy

1018

00:43:15,770 --> 00:43:14,100

I'm going to get a little more crazier

1019

00:43:18,760 --> 00:43:15,780

David have you have you had any reports

1020

00:43:21,650 --> 00:43:18,770

of entities in the craft being view

1021

00:43:23,720 --> 00:43:21,660

there have been some reports in the

1022

00:43:26,960 --> 00:43:23,730

historical accounts where people

1023

00:43:28,850 --> 00:43:26,970

observed a you know a humanoid shape I

1024

00:43:31,190 --> 00:43:28,860

really don't have any detail they

1025

00:43:33,770 --> 00:43:31,200

describe the humanoid shape they thought

1026

00:43:36,770 --> 00:43:33,780

they saw in a window of one

1027

00:43:38,480 --> 00:43:36,780

these triangular objects now subsequent

1028

00:43:40,070 --> 00:43:38,490

to the book being published I'll be

1029

00:43:42,080 --> 00:43:40,080

honest with you I was rather naive when

1030

00:43:44,120 --> 00:43:42,090

I published this book my attitude was

1031

00:43:46,370 --> 00:43:44,130

set the record straight get the

1032

00:43:48,080 --> 00:43:46,380

information out there so people can see

1033

00:43:49,700 --> 00:43:48,090

there's a rich history of these accounts

1034

00:43:51,320 --> 00:43:49,710

and let people make up their own minds

1035

00:43:53,060 --> 00:43:51,330

as to what they think the origin of them

1036

00:43:54,530 --> 00:43:53,070

are although i think the historical

1037

00:43:58,130 --> 00:43:54,540

argument really begs the question it

1038

00:44:00,500 --> 00:43:58,140

might be somebody else's but I had a

1039

00:44:03,560 --> 00:44:00,510

number of people contact me one was a

1040

00:44:06,650 --> 00:44:03,570

30-year retired law enforcement officer

1041

00:44:08,630 --> 00:44:06,660

from the UK who contacted me and stated

1042

00:44:11,390 --> 00:44:08,640

I've never reported this publicly to

1043

00:44:13,910 --> 00:44:11,400

anyone but for approximately three hours

1044

00:44:16,160 --> 00:44:13,920

I interviewed him by phone and he

1045

00:44:19,520 --> 00:44:16,170

described seeing this large triangular

1046

00:44:21,050 --> 00:44:19,530

UFO with a very detailed sketch on my

1047

00:44:25,430 --> 00:44:21,060

dad quite often we get very crude

1048

00:44:28,250 --> 00:44:25,440

sketches he was very very talented in

1049

00:44:30,590 --> 00:44:28,260

the sketch that he provided to me and he

1050

00:44:33,050 --> 00:44:30,600

stated in the narrative of his report

1051
00:44:35,300 --> 00:44:33,060
and it was documented in the sketch he

1052
00:44:37,190 --> 00:44:35,310
could see humanoid figures in the window

1053
00:44:38,750 --> 00:44:37,200
and he said he goes I'll be honest with

1054
00:44:40,760 --> 00:44:38,760
you I wasn't close enough where i could

1055
00:44:43,040 --> 00:44:40,770
see facial characteristics I couldn't

1056
00:44:45,350 --> 00:44:43,050
tell you to listen to the rest of this

1057
00:44:47,600 --> 00:44:45,360
interview please go to inception radio

1058
00:44:49,610 --> 00:44:47,610
network calm and register for the

1059
00:44:51,710 --> 00:44:49,620
insider's club what is the insider's

1060
00:44:54,290 --> 00:44:51,720
club the insider's club is our premium

1061
00:44:57,020 --> 00:44:54,300
content what you just listened to now

1062
00:44:59,870 --> 00:44:57,030
what you just listen to is a preview of

1063
00:45:02,390 --> 00:44:59,880

that premium content the insider's club

1064

00:45:05,660 --> 00:45:02,400

is how we pay the bills that's how you

1065

00:45:08,990 --> 00:45:05,670

support ire and you joined forces with

1066

00:45:11,150 --> 00:45:09,000

irn to get the truth out there now a lot

1067

00:45:12,980 --> 00:45:11,160

of our content is free i mean most of

1068

00:45:17,030 --> 00:45:12,990

our content is free all of our lives

1069

00:45:19,220 --> 00:45:17,040

shows are free if you go to our archives

1070

00:45:21,680 --> 00:45:19,230

the vast majority of our archives are

1071

00:45:25,250 --> 00:45:21,690

for free but to pay the bills to help

1072

00:45:28,880 --> 00:45:25,260

make sure this network stays alive stays

1073

00:45:31,220 --> 00:45:28,890

viable we offer those who really love

1074

00:45:35,000 --> 00:45:31,230

our radio station or network and our

1075

00:45:37,230 --> 00:45:35,010

shows an ability to support our network

1076

00:45:40,530 --> 00:45:37,240

and become a part of iron

1077

00:45:42,180 --> 00:45:40,540

and actually join forces and helping us

1078

00:45:44,640 --> 00:45:42,190

get the truth out there now how do you

1079

00:45:47,910 --> 00:45:44,650

do this again you go to inception radio

1080

00:45:50,190 --> 00:45:47,920

network com and you subscribe for the

1081

00:45:52,620 --> 00:45:50,200

insider's club and you would you'll have

1082

00:45:55,350 --> 00:45:52,630

access to all of our archives including

1083

00:45:56,730 --> 00:45:55,360

this show the rest of the show a faster

1084

00:45:58,950 --> 00:45:56,740

way of getting there go to the

1085

00:46:01,320 --> 00:45:58,960

description below this video and click

1086

00:46:03,390 --> 00:46:01,330

on the link and like I said you'll be

1087

00:46:05,760 --> 00:46:03,400

joining forces with irn you'll have

1088

00:46:08,790 --> 00:46:05,770

availability of all of our content and

1089

00:46:20,370 --> 00:46:08,800

we really appreciate your support thank

1090

00:46:22,800 --> 00:46:20,380

you hello everyone lorien Fenton here

1091

00:46:26,130 --> 00:46:22,810

hosted the California MUFON radio show

1092

00:46:29,160 --> 00:46:26,140

asking if you'd like special access to

1093

00:46:32,450 --> 00:46:29,170

exclusive and amazing information about

1094

00:46:35,760 --> 00:46:32,460

UFOs the paranormal and all things

1095

00:46:39,390 --> 00:46:35,770

unexplained if you're nodding yes then

1096

00:46:41,190 --> 00:46:39,400

join I rn's insider club as an insider

1097

00:46:44,160 --> 00:46:41,200

club member you'll get an all-access

1098

00:46:46,560 --> 00:46:44,170

pass to premier inception radio network

1099

00:46:49,109 --> 00:46:46,570

content for only four dollars and

1100

00:46:52,950 --> 00:46:49,119

ninety-nine cents a month this includes

1101
00:46:55,690 --> 00:46:52,960
live UFO and paranormal conferences live

1102
00:46:58,569 --> 00:46:55,700
streaming UFO sky watches x

1103
00:47:01,900 --> 00:46:58,579
elusive irn radio and TV productions and

1104
00:47:04,660 --> 00:47:01,910
of course paying radio with MJ and Ken

1105
00:47:07,569 --> 00:47:04,670
starch so don't wait any longer visit

1106
00:47:11,260 --> 00:47:07,579
inception radio network com and click on

1107
00:47:16,990 --> 00:47:11,270
member login to join I rn's insider club

1108
00:47:18,910 --> 00:47:17,000
and get your VIP access today to listen

1109
00:47:21,040 --> 00:47:18,920
to the rest of this interview please go

1110
00:47:23,589 --> 00:47:21,050
to inception radio network com and

1111
00:47:25,780 --> 00:47:23,599
register for the insider's club what is

1112
00:47:27,520 --> 00:47:25,790
the insider's club the insider's club is

1113
00:47:30,069 --> 00:47:27,530

our premium content what you've just

1114

00:47:34,000 --> 00:47:30,079

listened to now what you just listen to

1115

00:47:35,920 --> 00:47:34,010

is a preview of that premium content the

1116

00:47:39,040 --> 00:47:35,930

insider's club is how we pay the bills

1117

00:47:42,160 --> 00:47:39,050

that's how you support ire and you

1118

00:47:44,560 --> 00:47:42,170

joined forces with irn to get the truth

1119

00:47:46,480 --> 00:47:44,570

out there now a lot of our content is

1120

00:47:50,740 --> 00:47:46,490

free i mean most of our content industry

1121

00:47:52,870 --> 00:47:50,750

all of our lives shows are free if you

1122

00:47:55,480 --> 00:47:52,880

go to our archives the vast majority of

1123

00:47:58,390 --> 00:47:55,490

our archives are for free but to pay the

1124

00:48:02,380 --> 00:47:58,400

bills to help make sure this network

1125

00:48:04,809 --> 00:48:02,390

stays alive stays viable we offer those

1126

00:48:07,589 --> 00:48:04,819

who really love our radio station or

1127

00:48:11,109 --> 00:48:07,599

network and our shows an ability to

1128

00:48:14,319 --> 00:48:11,119

support our network and become a part of

1129

00:48:16,420 --> 00:48:14,329

Eire n actually joined forces and

1130

00:48:17,920 --> 00:48:16,430

helping us get the truth out there now

1131

00:48:21,370 --> 00:48:17,930

how do you do this again you go to

1132

00:48:23,859 --> 00:48:21,380

inception radio network com and you

1133

00:48:26,500 --> 00:48:23,869

subscribe for the insider's club and you

1134

00:48:28,809 --> 00:48:26,510

will you'll have access to all of our

1135

00:48:30,640 --> 00:48:28,819

archives including this show the rest of

1136

00:48:32,740 --> 00:48:30,650

the show a faster way of getting there

1137

00:48:35,260 --> 00:48:32,750

go to the description below this video

1138

00:48:37,780 --> 00:48:35,270

and click on the link and like I said

1139

00:48:40,120 --> 00:48:37,790

you'll be joining forces with irn you'll

1140

00:48:42,579 --> 00:48:40,130

have availability of all of our content

1141

00:48:51,539 --> 00:48:42,589

and we really appreciate your support

1142

00:48:57,400 --> 00:48:54,970

hello everyone Laurieann fenton here

1143

00:49:00,490 --> 00:48:57,410

hosted the California MUFON radio show

1144

00:49:03,760 --> 00:49:00,500

asking if you'd like special access to

1145

00:49:07,029 --> 00:49:03,770

exclusive and amazing information about

1146

00:49:10,329 --> 00:49:07,039

UFOs the paranormal and all things

1147

00:49:13,990 --> 00:49:10,339

unexplained if you're nodding yes then

1148

00:49:15,760 --> 00:49:14,000

join I rn's insider club as an insider

1149

00:49:18,760 --> 00:49:15,770

club member you'll get an all-access

1150

00:49:21,160 --> 00:49:18,770

pass to premier inception radio network

1151

00:49:23,680 --> 00:49:21,170

content for only four dollars and

1152

00:49:27,549 --> 00:49:23,690

ninety-nine cents a month this includes

1153

00:49:30,849 --> 00:49:27,559

live UFO and paranormal conferences live

1154

00:49:33,549 --> 00:49:30,859

streaming UFO sky watches exclusive I

1155

00:49:36,520 --> 00:49:33,559

are in radio and TV productions and of

1156

00:49:39,250 --> 00:49:36,530

course paying radio with MJ and Ken

1157

00:49:42,130 --> 00:49:39,260

Storch so don't wait any longer visit

1158

00:49:45,490 --> 00:49:42,140

inception radio network calm and click

1159

00:49:51,250 --> 00:49:45,500

on member login to join our ends insider

1160

00:49:52,510 --> 00:49:51,260

club and get your VIP access today to

1161

00:49:54,880 --> 00:49:52,520

listen to the rest of this interview

1162

00:49:57,309 --> 00:49:54,890

please go to inception radio network

1163

00:49:59,980 --> 00:49:57,319

calm and register for the insider's club

1164

00:50:02,079 --> 00:49:59,990

what is the insider's club the insider's

1165

00:50:04,089 --> 00:50:02,089

club is our premium content what you've

1166

00:50:07,720 --> 00:50:04,099

just listened to now what you just

1167

00:50:10,150 --> 00:50:07,730

listen to is a preview of that premium

1168

00:50:13,480 --> 00:50:10,160

content the insider's club is how we pay

1169

00:50:16,569 --> 00:50:13,490

the bills that's how you support ire and

1170

00:50:18,910 --> 00:50:16,579

you joined forces with irn to get the

1171

00:50:20,829 --> 00:50:18,920

truth out there now a lot of our content

1172

00:50:24,180 --> 00:50:20,839

is free i mean most of our content

1173

00:50:26,769 --> 00:50:24,190

industry all of our lives shows are free

1174

00:50:28,809 --> 00:50:26,779

if you go to our archives the vast

1175

00:50:31,630 --> 00:50:28,819

majority of our archives are for free

1176

00:50:35,740 --> 00:50:31,640

but to pay the bills to help make sure

1177

00:50:38,769 --> 00:50:35,750

this network stays alive stays viable we

1178

00:50:41,440 --> 00:50:38,779

offer those who really love our radio

1179

00:50:44,319 --> 00:50:41,450

station or network and our shows an

1180

00:50:47,920 --> 00:50:44,329

ability to support our network and

1181

00:50:50,529 --> 00:50:47,930

become a part of our n actually joined

1182

00:50:52,299 --> 00:50:50,539

forces and helping us get the truth out

1183

00:50:55,749 --> 00:50:52,309

there now how do you do this again you

1184

00:50:57,849 --> 00:50:55,759

go to inception radio network com

1185

00:51:00,099 --> 00:50:57,859

and you subscribe for the insider's club

1186

00:51:03,009 --> 00:51:00,109

and you would you'll have access to all

1187

00:51:05,079 --> 00:51:03,019

of our archives including the show the

1188

00:51:07,149 --> 00:51:05,089

rest of the show a faster way of getting

1189

00:51:09,789 --> 00:51:07,159

there go to the description below this

1190

00:51:11,979 --> 00:51:09,799

video and click on the link and like I

1191

00:51:14,319 --> 00:51:11,989

said you'll be joining forces with irn

1192

00:51:16,959 --> 00:51:14,329

you'll have availability of all of our

1193

00:51:27,749 --> 00:51:16,969

content and we really appreciate your

1194

00:51:30,189 --> 00:51:27,759

support thank you hello everyone

1195

00:51:33,069 --> 00:51:30,199

Laurieann fenton here hosted the

1196

00:51:35,589 --> 00:51:33,079

California MUFON radio show asking if

1197

00:51:39,669 --> 00:51:35,599

you'd like special access to exclusive

1198

00:51:42,969 --> 00:51:39,679

and amazing information about UFOs the

1199

00:51:45,999 --> 00:51:42,979

paranormal and all things unexplained if

1200

00:51:49,329 --> 00:51:46,009

you're nodding yes then join I rn's

1201
00:51:51,789 --> 00:51:49,339
insider club as an insider club member
