

PANG Radio

Mike Lucas & Ken Storch

Nick Redfern 2.0

1
00:00:04,100 --> 00:00:02,270
hi everybody I'm bill burns yeah nancy

2
00:00:06,590 --> 00:00:04,110
burns here and worth in future theater

3
00:00:11,480 --> 00:00:06,600
and you know we like to listen to hmm

4
00:00:14,570 --> 00:00:11,490
radio on sunday nights at 9pm at 9pm

5
00:00:17,510 --> 00:00:14,580
what easier oh the best network on the

6
00:00:19,400 --> 00:00:17,520
whole entire internet inception radio

7
00:00:28,340 --> 00:00:19,410
network you're locked into inception

8
00:00:28,350 --> 00:00:59,960
me

9
00:01:18,070 --> 00:01:06,740
you

10
00:01:24,140 --> 00:01:20,990
welcome folks to paying radio tonight is

11
00:01:26,810 --> 00:01:24,150
Sunday September 28th 2014 welcome to

12
00:01:28,400 --> 00:01:26,820
the show we have a hell of a good show

13
00:01:29,690 --> 00:01:28,410

in store tonight for you we got nick

14

00:01:32,210 --> 00:01:29,700

redfern what talking about his book

15

00:01:34,490 --> 00:01:32,220

Close Encounters of the fatal kind it's

16

00:01:37,550 --> 00:01:34,500

going to be a good angle and my co-host

17

00:01:39,110 --> 00:01:37,560

ken has actually worked on a case in the

18

00:01:41,930 --> 00:01:39,120

book pretty close so it's going to be a

19

00:01:44,680 --> 00:01:41,940

great show a lot of insight on what's

20

00:01:47,090 --> 00:01:44,690

really going on in you you apology with

21

00:01:49,310 --> 00:01:47,100

basically people dying in that that no

22

00:01:52,610 --> 00:01:49,320

information but ken welcome to the show

23

00:01:54,440 --> 00:01:52,620

hey welcome to all of our listeners and

24

00:01:56,360 --> 00:01:54,450

this is good i think going to be a

25

00:01:59,810 --> 00:01:56,370

really really good show i've been

26

00:02:02,180 --> 00:01:59,820

looking forward to interacting with nick

27

00:02:03,920 --> 00:02:02,190

redfern and discussing the book you're

28

00:02:07,070 --> 00:02:03,930

right i have worked on at least one of

29

00:02:08,660 --> 00:02:07,080

the cases in the book and we could do

30

00:02:10,669 --> 00:02:08,670

dwell in to that when we have him on

31

00:02:13,790 --> 00:02:10,679

cool very cool you got any shoutouts as

32

00:02:18,820 --> 00:02:13,800

we can yeah i just wanted to shout out

33

00:02:22,010 --> 00:02:18,830

to George and Patty and Doug and and

34

00:02:24,290 --> 00:02:22,020

Larry and chance he still owes me 10

35

00:02:27,229 --> 00:02:24,300

minutes he hasn't paid off his debt yet

36

00:02:28,880 --> 00:02:27,239

but that's okay I'll get him there you

37

00:02:31,910 --> 00:02:28,890

go there you go and I'm gonna do a

38

00:02:33,979 --> 00:02:31,920

shuttle to uh my other mother Deborah

39

00:02:35,510 --> 00:02:33,989

Anderson over in Duluth Minnesota she's

40

00:02:36,949 --> 00:02:35,520

listening intensely she loves Nick

41

00:02:39,170 --> 00:02:36,959

Redfern too so it's going to be a great

42

00:02:41,360 --> 00:02:39,180

show tonight any other shuttles shuttle

43

00:02:44,300 --> 00:02:41,370

it's out there arm my friend Chris hazel

44

00:02:47,660 --> 00:02:44,310

over in England is working on setting up

45

00:02:49,610 --> 00:02:47,670

cameras near near where he lives can to

46

00:02:52,070 --> 00:02:49,620

try to capture some possible crop

47

00:02:54,770 --> 00:02:52,080

circles so he's going to start some type

48

00:02:57,470 --> 00:02:54,780

of uh I forget what he messaged me

49

00:02:58,970 --> 00:02:57,480

earlier some funding to help him record

50

00:03:01,340 --> 00:02:58,980

and get them videos on if he can capture

51
00:03:02,690 --> 00:03:01,350
any actual crop circles being formed

52
00:03:04,490 --> 00:03:02,700
over in England so that'd be neat if he

53
00:03:06,170 --> 00:03:04,500
catches something Oh that'd be excellent

54
00:03:08,180 --> 00:03:06,180
I I you know I don't know what to make

55
00:03:10,790 --> 00:03:08,190
of crop circles I guess in my case the

56
00:03:13,670 --> 00:03:10,800
jury's still out but I would like to get

57
00:03:15,110 --> 00:03:13,680
somebody on that has investigated them

58
00:03:16,580 --> 00:03:15,120
and knows you know more about it

59
00:03:18,170 --> 00:03:16,590
obviously than I do it because I would

60
00:03:20,000 --> 00:03:18,180
like to be able to discuss it and 12

61
00:03:21,740 --> 00:03:20,010
into it I don't know what to make of

62
00:03:24,170 --> 00:03:21,750
them I like i said the jury's still out

63
00:03:26,690 --> 00:03:24,180

in my case yeah i mean there are a lot

64

00:03:29,600 --> 00:03:26,700

of hidden clues in them by the different

65

00:03:30,200 --> 00:03:29,610

shapes and messages i mean we are the

66

00:03:33,980 --> 00:03:30,210

aliens trying

67

00:03:35,210 --> 00:03:33,990

contact us warn us of our our fate what

68

00:03:37,220 --> 00:03:35,220

you know we're destroying the planet who

69

00:03:39,290 --> 00:03:37,230

knows but someday that that may be

70

00:03:41,300 --> 00:03:39,300

figured out and they have captured I've

71

00:03:42,740 --> 00:03:41,310

seen one video of orbs of light forming

72

00:03:44,900 --> 00:03:42,750

one in a field over in England and then

73

00:03:46,640 --> 00:03:44,910

they just take off floating and that's

74

00:03:49,070 --> 00:03:46,650

the only evidence we have if it's real

75

00:03:50,750 --> 00:03:49,080

evidence or not we don't know yeah well

76

00:03:52,400 --> 00:03:50,760

Lauren Lorna if you're listening I know

77

00:03:54,770 --> 00:03:52,410

you have contacts out there and if you

78

00:04:00,070 --> 00:03:54,780

can think of anybody shipping more way

79

00:04:03,560 --> 00:04:00,080

I'd like I said I you know I don't I'd I

80

00:04:05,570 --> 00:04:03,570

just get i get really befuddled when to

81

00:04:11,060 --> 00:04:05,580

think that you know aliens would

82

00:04:13,310 --> 00:04:11,070

communicate with us by scribing you know

83

00:04:15,650 --> 00:04:13,320

pictures in a wheat field or barley

84

00:04:19,580 --> 00:04:15,660

field or a cornfield I mean there I

85

00:04:23,570 --> 00:04:19,590

don't know I and you look at some of the

86

00:04:25,220 --> 00:04:23,580

ancient scribblings on cave walls and

87

00:04:28,580 --> 00:04:25,230

stuff and some of those crop circles

88

00:04:30,620 --> 00:04:28,590

emulate that yeah yeah yeah and I was I

89

00:04:33,340 --> 00:04:30,630

was watching a documentary this week on

90

00:04:36,410 --> 00:04:33,350

the inka inka stones um some some pretty

91

00:04:38,600 --> 00:04:36,420

weird stuff to with you know men with

92

00:04:41,750 --> 00:04:38,610

telescopes looking up in the sky carved

93

00:04:43,730 --> 00:04:41,760

on these rocks um you know yeah yeah

94

00:04:48,980 --> 00:04:43,740

what's up with that I yeah and I like I

95

00:04:51,500 --> 00:04:48,990

said I it it befuddled me to to to get

96

00:04:53,450 --> 00:04:51,510

on crop circles it's one of those

97

00:04:55,850 --> 00:04:53,460

enigmas that I really don't know a whole

98

00:04:58,640 --> 00:04:55,860

lot i want to know more want somebody to

99

00:05:01,010 --> 00:04:58,650

come on that knows a lot more so that we

100

00:05:02,660 --> 00:05:01,020

can discuss it and maybe enlighten me so

101
00:05:04,520 --> 00:05:02,670
if your friend over there in England can

102
00:05:06,260 --> 00:05:04,530
capture something being made that would

103
00:05:07,790 --> 00:05:06,270
be pretty cool yeah well that would be

104
00:05:10,220 --> 00:05:07,800
neat and if any of our listeners have

105
00:05:12,860 --> 00:05:10,230
any ideas for crop circle researchers

106
00:05:15,740 --> 00:05:12,870
you can email us at inception radio

107
00:05:17,420 --> 00:05:15,750
network at gmail com or email us at

108
00:05:20,440 --> 00:05:17,430
paying radio gmail com if you have any

109
00:05:23,330 --> 00:05:20,450
ideas or actually have contacts of

110
00:05:24,590 --> 00:05:23,340
researchers I mean sometimes you know

111
00:05:26,720 --> 00:05:24,600
you have your well known researcher to

112
00:05:28,250 --> 00:05:26,730
sometimes that that that guy that's out

113
00:05:31,040 --> 00:05:28,260

there that really doesn't want to be

114

00:05:33,830 --> 00:05:31,050

known sometimes finds some evidence that

115

00:05:36,740 --> 00:05:33,840

he's just not willing to share but maybe

116

00:05:38,930 --> 00:05:36,750

we could you know you know break into

117

00:05:43,430 --> 00:05:38,940

something brand new yeah yeah absolutely

118

00:05:44,119 --> 00:05:43,440

and you know it's a lot of it is just

119

00:05:46,100 --> 00:05:44,129

getting your

120

00:05:48,499 --> 00:05:46,110

boots on and going out and doing the leg

121

00:05:50,869 --> 00:05:48,509

work in the field work and examining

122

00:05:53,059 --> 00:05:50,879

what kind of evidence that you have you

123

00:05:55,009 --> 00:05:53,069

know that empirical evidence is out

124

00:05:56,389 --> 00:05:55,019

there it's a matter of just like I say

125

00:05:59,269 --> 00:05:56,399

putting on your shoes and going and

126

00:06:01,549 --> 00:05:59,279

doing it mm-hmm and speaking of that to

127

00:06:03,799 --> 00:06:01,559

Ken few years back you uh you were up in

128

00:06:05,320 --> 00:06:03,809

Pennsylvania and you um you had your

129

00:06:08,089 --> 00:06:05,330

little encounter with what the so-called

130

00:06:12,109 --> 00:06:08,099

Sasquatch or Bigfoot didn't ya yeah you

131

00:06:17,209 --> 00:06:12,119

know MJ I you know that was one of those

132

00:06:20,149 --> 00:06:17,219

things that I spend an awful my entire

133

00:06:22,369 --> 00:06:20,159

life I have spent probably ninety eight

134

00:06:25,790 --> 00:06:22,379

percent of it outdoors I'm a big outdoor

135

00:06:29,509 --> 00:06:25,800

I like to hunt and fish I like to be

136

00:06:32,449 --> 00:06:29,519

outside and up until that point I was

137

00:06:35,209 --> 00:06:32,459

one of those and you know there's never

138

00:06:37,249 --> 00:06:35,219

been a body found and and I've never

139

00:06:40,159 --> 00:06:37,259

seen anything in all of my [h__\h] ins

140

00:06:42,139 --> 00:06:40,169

across Canada Alaska the Rocky Mountains

141

00:06:44,509 --> 00:06:42,149

the Grand Tetons Northern California

142

00:06:46,429 --> 00:06:44,519

Washington Oregon I've camped out in all

143

00:06:51,230 --> 00:06:46,439

those places I never heard or seen

144

00:06:54,379 --> 00:06:51,240

anything to indicate to me that a a

145

00:06:57,079 --> 00:06:54,389

critter of the sorts existed and then I

146

00:07:00,529 --> 00:06:57,089

go to western Pennsylvania and it wasn't

147

00:07:02,209 --> 00:07:00,539

even that wasn't even in the reason why

148

00:07:05,149 --> 00:07:02,219

we were there I mean we were I was there

149

00:07:08,659 --> 00:07:05,159

to investigate a huge flying triangle

150

00:07:11,149 --> 00:07:08,669

that had been seen by 25 30 people one

151
00:07:15,290 --> 00:07:11,159
of the witnesses was a Pennsylvania

152
00:07:16,939 --> 00:07:15,300
state trooper so I was I was going to go

153
00:07:18,769 --> 00:07:16,949
interview him I mean that was the reason

154
00:07:20,449 --> 00:07:18,779
for me going to be honest with you

155
00:07:22,549 --> 00:07:20,459
because there was a lot of aerial

156
00:07:25,129 --> 00:07:22,559
activity going on and you're right i

157
00:07:29,689 --> 00:07:25,139
stumbled into something that i now know

158
00:07:36,350 --> 00:07:29,699
that there is at least a a critter out

159
00:07:38,209 --> 00:07:36,360
there that I I don't know if Sasquatch

160
00:07:41,540 --> 00:07:38,219
is the proper name because what I saw

161
00:07:43,569 --> 00:07:41,550
was more human than 8 mm and what you

162
00:07:45,980 --> 00:07:43,579
and what you said Ken too by the way he

163
00:07:50,569 --> 00:07:45,990

ran the other way he was taking very

164

00:07:54,350 --> 00:07:50,579

very large steps oh hey I I would love

165

00:07:56,179 --> 00:07:54,360

to get that boy into the NFL okay okay

166

00:07:57,900 --> 00:07:56,189

there are some teams that could use a

167

00:08:00,690 --> 00:07:57,910

running back like that why

168

00:08:02,730 --> 00:08:00,700

within 12 feet of them mm-hmm and we had

169

00:08:06,480 --> 00:08:02,740

I mean we were eyeball to eyeball

170

00:08:09,090 --> 00:08:06,490

basically for about you know 20 seconds

171

00:08:12,750 --> 00:08:09,100

yeah it was interesting about that

172

00:08:15,900 --> 00:08:12,760

encounter MJ is that to this day and I

173

00:08:18,090 --> 00:08:15,910

say he I do not know if that's the

174

00:08:20,820 --> 00:08:18,100

correct Anatomy I didn't see anything to

175

00:08:25,500 --> 00:08:20,830

indicate male or female so you know it's

176

00:08:32,040 --> 00:08:25,510

just my bias mail coming out when I say

177

00:08:34,709 --> 00:08:32,050

he but he he was just as surprised to

178

00:08:37,890 --> 00:08:34,719

see me as I was him we caught each other

179

00:08:39,990 --> 00:08:37,900

I mean basically with her pants down it

180

00:08:43,670 --> 00:08:40,000

was a one of those freak chance

181

00:08:47,610 --> 00:08:43,680

encounters and it was like holy [h__h]

182

00:08:50,730 --> 00:08:47,620

right right and I still I relived that

183

00:08:52,770 --> 00:08:50,740

experience probably 10,000 times and I

184

00:08:56,940 --> 00:08:52,780

look at the drawing that we had a

185

00:09:00,570 --> 00:08:56,950

forensic FBI artists Maryland and dick

186

00:09:04,260 --> 00:09:00,580

set that up and so she sketched in did a

187

00:09:06,420 --> 00:09:04,270

damn good job of what I saw and I I look

188

00:09:09,900 --> 00:09:06,430

at that picture at least probably once a

189

00:09:12,030 --> 00:09:09,910

day I got it hanging up and I I go by

190

00:09:14,190 --> 00:09:12,040

and look at it and I often think I

191

00:09:18,900 --> 00:09:14,200

wonder where he's at now what he's doing

192

00:09:21,920 --> 00:09:18,910

no you know so there's no doubt in my

193

00:09:24,660 --> 00:09:21,930

mind I mean that there's there's a

194

00:09:26,550 --> 00:09:24,670

creature out there critter whatever you

195

00:09:29,370 --> 00:09:26,560

want to refer to him as and whether or

196

00:09:32,010 --> 00:09:29,380

not that was sasquatch you know real

197

00:09:34,590 --> 00:09:32,020

quickly I've done some research and you

198

00:09:37,920 --> 00:09:34,600

know the the Indians back in the in

199

00:09:41,190 --> 00:09:37,930

Kentucky and Ohio and Pennsylvania back

200

00:09:45,330 --> 00:09:41,200

in the 1800s and early 1900s refer to

201
00:09:50,520 --> 00:09:45,340
him as a Yahweh which means wild man of

202
00:09:55,050 --> 00:09:50,530
the forest and that's what I saw was a

203
00:09:57,240 --> 00:09:55,060
wild man I mean I don't it was but yeah

204
00:10:00,120 --> 00:09:57,250
you're right he could run he could flat

205
00:10:02,070 --> 00:10:00,130
pick him up and I used to be a pretty

206
00:10:03,300 --> 00:10:02,080
fair runner myself George I know you're

207
00:10:06,600 --> 00:10:03,310
listening and we used to run together

208
00:10:08,700 --> 00:10:06,610
and and I wasn't a speedster but I could

209
00:10:11,400 --> 00:10:08,710
go the distance but it didn't take long

210
00:10:11,610 --> 00:10:11,410
for this for this creature to disappear

211
00:10:14,329 --> 00:10:11,620
to

212
00:10:17,910 --> 00:10:14,339
on the Narrows Creek it you know it

213
00:10:20,370 --> 00:10:17,920

really like I said there's a couple of

214

00:10:22,620 --> 00:10:20,380

NFL teams that could use him there you

215

00:10:24,960 --> 00:10:22,630

go there you go well i'm going to read

216

00:10:26,910 --> 00:10:24,970

can't i'm in i'm gonna read Nix Nix pile

217

00:10:29,700 --> 00:10:26,920

here for our listeners arrow Nick of

218

00:10:31,680 --> 00:10:29,710

course is uh he's definitely all over TV

219

00:10:33,630 --> 00:10:31,690

and he's writing books at a at a rapid

220

00:10:35,070 --> 00:10:33,640

pace I'd say four to five a year at

221

00:10:37,590 --> 00:10:35,080

least but Nick Redfern works full-time

222

00:10:39,090 --> 00:10:37,600

as an author lecture and journalists he

223

00:10:41,250 --> 00:10:39,100

writes about a wide range of unsolved

224

00:10:43,380 --> 00:10:41,260

mysteries including Bigfoot UFOs the

225

00:10:45,510 --> 00:10:43,390

Loch Ness monster alien encounters and

226

00:10:47,730 --> 00:10:45,520

government conspiracies his previous

227

00:10:49,710 --> 00:10:47,740

books include monster files the world's

228

00:10:52,230 --> 00:10:49,720

weirdest places the pyramids and the

229

00:10:55,290 --> 00:10:52,240

Pentagon keep out the real men in black

230

00:10:57,960 --> 00:10:55,300

the NASA conspiracies contactees and

231

00:10:59,760 --> 00:10:57,970

memoirs of a monster hunter he writes

232

00:11:02,940 --> 00:10:59,770

for many publications including UFO

233

00:11:04,740 --> 00:11:02,950

magazine fate and 14 times nick has also

234

00:11:07,290 --> 00:11:04,750

appeared on numerous television shows

235

00:11:10,170 --> 00:11:07,300

including fox news the History Channel's

236

00:11:11,700 --> 00:11:10,180

ancient aliens monsterQuest was one of

237

00:11:14,820 --> 00:11:11,710

my personal favorites that used to be on

238

00:11:17,310 --> 00:11:14,830

UFO hunters another favorite vh1's

239

00:11:20,040 --> 00:11:17,320

legend hunters national Geographics

240

00:11:22,070 --> 00:11:20,050

channel's the truth about UFOs and

241

00:11:25,170 --> 00:11:22,080

paranormal bc's out of this world and

242

00:11:27,900 --> 00:11:25,180

finally MSNBC's countdown and sci-fi

243

00:11:29,519 --> 00:11:27,910

channel proof positive so what we'll do

244

00:11:30,900 --> 00:11:29,529

is I'm going to do a little station

245

00:11:32,490 --> 00:11:30,910

break here with some music we're going

246

00:11:34,829 --> 00:11:32,500

to bring Nick in and we'll be live so

247

00:11:37,890 --> 00:11:34,839

get your questions ready in chat or call

248

00:11:40,769 --> 00:11:37,900

in to 88 89 1923 55 and we'll definitely

249

00:11:41,850 --> 00:11:40,779

try to squeeze you in and you know get

250

00:11:43,650 --> 00:11:41,860

you on the air and have a question for

251
00:11:46,620 --> 00:11:43,660
Nick so hang in there folks and we'll be

252
00:11:48,780 --> 00:11:46,630
right back and welcome back to paying

253
00:11:51,030 --> 00:11:48,790
radio tonight we are blessed to have

254
00:11:54,720 --> 00:11:51,040
nick redfern on the air well welcome to

255
00:11:56,760 --> 00:11:54,730
the show Nick hey guys oh you bet oh

256
00:11:58,110 --> 00:11:56,770
it's going to be a good show Nick thanks

257
00:11:59,760 --> 00:11:58,120
for coming on tonight we're talking

258
00:12:02,670 --> 00:11:59,770
about your book Close Encounters of the

259
00:12:05,340 --> 00:12:02,680
fatal kind suspicious deaths mystery

260
00:12:07,949 --> 00:12:05,350
murders and bizarre disappearances in

261
00:12:12,660 --> 00:12:07,959
the UFO history Nick what got you

262
00:12:15,000 --> 00:12:12,670
interested in this type of mystery well

263
00:12:18,090 --> 00:12:15,010

I guess when you still write books on

264

00:12:19,800 --> 00:12:18,100

unsolved mysteries over two UFOs or big

265

00:12:22,440 --> 00:12:19,810

for any other stuff a lot that I write

266

00:12:24,690 --> 00:12:22,450

about you always want to try and sort of

267

00:12:25,380 --> 00:12:24,700

bring something new to the Raiders

268

00:12:27,510 --> 00:12:25,390

that's one of them

269

00:12:28,650 --> 00:12:27,520

things I always think about when I'm

270

00:12:30,390 --> 00:12:28,660

writing a book you know you don't want

271

00:12:32,040 --> 00:12:30,400

to just go over all ground so the

272

00:12:34,650 --> 00:12:32,050

challenge is to come up with something a

273

00:12:37,500 --> 00:12:34,660

bit different and we're not sort of

274

00:12:39,750 --> 00:12:37,510

casting around for ideas this is

275

00:12:42,150 --> 00:12:39,760

probably going back about 18 months or

276
00:12:44,640 --> 00:12:42,160
so now I figured well you know what I'm

277
00:12:46,230 --> 00:12:44,650
going to do for the next book and then

278
00:12:48,690 --> 00:12:46,240
it just occurred to be reading an

279
00:12:51,900 --> 00:12:48,700
article one day actually an old article

280
00:12:53,660 --> 00:12:51,910
from the early 70s on mysterious deaths

281
00:12:57,120 --> 00:12:53,670
in the UFO field and I thought well

282
00:13:00,390 --> 00:12:57,130
yang-gon this article's like 44 years

283
00:13:02,520 --> 00:13:00,400
old and on top of that nobody's ever

284
00:13:06,240 --> 00:13:02,530
really done a book but under one cover

285
00:13:08,760 --> 00:13:06,250
covered as many of the sort of strange

286
00:13:11,250 --> 00:13:08,770
deaths in ufology as was possible so

287
00:13:13,260 --> 00:13:11,260
what I did I thought about you know I'll

288
00:13:16,260 --> 00:13:13,270

do sort of a few months research seeing

289

00:13:19,230 --> 00:13:16,270

how many cases the were what the cases

290

00:13:22,830 --> 00:13:19,240

were how valid incredible they were and

291

00:13:24,030 --> 00:13:22,840

so on so that's what I did and then sort

292

00:13:26,580 --> 00:13:24,040

of realize that you know there were a

293

00:13:29,340 --> 00:13:26,590

lot of good quality cases and more

294

00:13:31,140 --> 00:13:29,350

importantly many that either had hadn't

295

00:13:33,480 --> 00:13:31,150

been very well investigated or where I

296

00:13:36,180 --> 00:13:33,490

was able to add sort of significant no

297

00:13:38,730 --> 00:13:36,190

material to the cases so that that was

298

00:13:40,730 --> 00:13:38,740

basically the the idea that sort of

299

00:13:46,320 --> 00:13:40,740

prompt you know the writing of the book

300

00:13:48,440 --> 00:13:46,330

go ahead Ken well I know Nick I have for

301
00:13:51,870 --> 00:13:48,450
years and years and years and years

302
00:13:54,650 --> 00:13:51,880
whenever I gave a talk or was talking to

303
00:13:58,200 --> 00:13:54,660
people I always stressed the point that

304
00:14:02,310 --> 00:13:58,210
having a encounter with an alien craft

305
00:14:06,510 --> 00:14:02,320
is not a canoe is not necessarily a

306
00:14:08,520 --> 00:14:06,520
benign situation that there have been

307
00:14:12,540 --> 00:14:08,530
people that have been seriously injured

308
00:14:17,400 --> 00:14:12,550
and or have been killed or gone missing

309
00:14:21,030 --> 00:14:17,410
and your book I mean really epitomizes

310
00:14:23,250 --> 00:14:21,040
just that that this is not something you

311
00:14:25,440 --> 00:14:23,260
know like going out and photographing

312
00:14:27,300 --> 00:14:25,450
butterflies okay this is something that

313
00:14:31,800 --> 00:14:27,310

if you haven't encountered there's a

314

00:14:35,430 --> 00:14:31,810

risk involved yeah I think when you look

315

00:14:36,750 --> 00:14:35,440

at the cases overall I think I mean

316

00:14:38,910 --> 00:14:36,760

obviously you know we haven't been sort

317

00:14:40,759 --> 00:14:38,920

of widespread

318

00:14:45,120 --> 00:14:40,769

and wiped out or anything like that

319

00:14:47,250 --> 00:14:45,130

however in saying that I think that what

320

00:14:49,470 --> 00:14:47,260

some of these cases demonstrates in

321

00:14:53,430 --> 00:14:49,480

terms of the UFO angle of you know the

322

00:14:56,730 --> 00:14:53,440

phenomena itself be responsible I think

323

00:14:59,100 --> 00:14:56,740

it shows sort of a like a district not

324

00:15:01,800 --> 00:14:59,110

necessarily a deliberate disregard in

325

00:15:03,329 --> 00:15:01,810

terms of being evil but just you know

326

00:15:05,879 --> 00:15:03,339

it's kind of like somebody steps on an

327

00:15:09,090 --> 00:15:05,889

ant that kind of thing mething purchased

328

00:15:12,600 --> 00:15:09,100

an ant and I think it's kind of like

329

00:15:14,699 --> 00:15:12,610

that that the what we perceive maybe is

330

00:15:17,670 --> 00:15:14,709

hostility because the ends up with

331

00:15:19,740 --> 00:15:17,680

people dead may actually just be total

332

00:15:23,189 --> 00:15:19,750

disregard because I really don't think

333

00:15:25,920 --> 00:15:23,199

of us you know beyond whatever purpose

334

00:15:27,990 --> 00:15:25,930

they have for you know you really put us

335

00:15:32,939 --> 00:15:28,000

down on the totem pole din your neck and

336

00:15:34,170 --> 00:15:32,949

aunt yeah it's kinda like human a ego

337

00:15:37,259 --> 00:15:34,180

you know we always think we're the

338

00:15:39,689 --> 00:15:37,269

biggest I know that's about it and you

339

00:15:42,360 --> 00:15:39,699

know in reality we may be a long way

340

00:15:46,350 --> 00:15:42,370

down you know the license oh yeah I

341

00:15:49,829 --> 00:15:46,360

suspect that we are you know if given

342

00:15:52,500 --> 00:15:49,839

their actions and I'm speaking of you

343

00:15:54,660 --> 00:15:52,510

know the ones that come here and abduct

344

00:15:56,130 --> 00:15:54,670

our citizens at will that's pretty

345

00:15:57,600 --> 00:15:56,140

arrogant on their part I mean they come

346

00:16:00,480 --> 00:15:57,610

and go as they please and they do as

347

00:16:03,150 --> 00:16:00,490

they please well yeah I mean you make a

348

00:16:06,569 --> 00:16:03,160

good point there because we're abductees

349

00:16:08,220 --> 00:16:06,579

often told that what's done is for their

350

00:16:11,340 --> 00:16:08,230

own good and for the greater good of

351

00:16:14,780 --> 00:16:11,350

everybody else but I often wonder if

352

00:16:17,490 --> 00:16:14,790

that is the case why is he done so

353

00:16:19,350 --> 00:16:17,500

stealthily you know why is he done in

354

00:16:22,319 --> 00:16:19,360

the dead of night why people's minds

355

00:16:26,340 --> 00:16:22,329

sort of wiped clean to try my even

356

00:16:28,110 --> 00:16:26,350

forget about the incident I know a lot

357

00:16:30,949 --> 00:16:28,120

of people have spoken abductees have a

358

00:16:33,870 --> 00:16:30,959

very positive feeling about their

359

00:16:36,300 --> 00:16:33,880

abduction scenarios but I can't help

360

00:16:38,730 --> 00:16:36,310

having me sort of nagging feeling that

361

00:16:41,790 --> 00:16:38,740

it's actually more for their benefit

362

00:16:45,930 --> 00:16:41,800

than ours and might not really be to any

363

00:16:48,210 --> 00:16:45,940

of us benefit if you were if you read

364

00:16:50,850 --> 00:16:48,220

any of the Betty and Barney Hill they

365

00:16:52,590 --> 00:16:50,860

they were frightened that there wasn't

366

00:16:55,650 --> 00:16:52,600

anything in that encounter

367

00:16:59,189 --> 00:16:55,660

put them at ease now and I sometimes

368

00:17:02,100 --> 00:16:59,199

think the situation where people reports

369

00:17:04,409 --> 00:17:02,110

a positive experience I sometimes wonder

370

00:17:06,000 --> 00:17:04,419

if it's kind of like when people get

371

00:17:07,470 --> 00:17:06,010

kidnapped you know there's this

372

00:17:10,049 --> 00:17:07,480

particular sin job I forget what it's

373

00:17:12,179 --> 00:17:10,059

called now where people start grab it

374

00:17:14,370 --> 00:17:12,189

yeah that's right yeah where people

375

00:17:16,650 --> 00:17:14,380

gravitate towards their kidnapers and

376

00:17:19,049 --> 00:17:16,660

they kind of have a weird bond with them

377

00:17:21,590 --> 00:17:19,059

and I think it could be something along

378

00:17:23,669 --> 00:17:21,600

those lines that you know they're very

379

00:17:26,250 --> 00:17:23,679

the entities themselves in very

380

00:17:28,799 --> 00:17:26,260

emotional as and work like well and

381

00:17:31,260 --> 00:17:28,809

people it's the exact opposite sometimes

382

00:17:33,990 --> 00:17:31,270

yeah see here's the here's the cop side

383

00:17:38,130 --> 00:17:34,000

in me now and and that's my background

384

00:17:40,340 --> 00:17:38,140

nick is you know 31 years and questions

385

00:17:43,320 --> 00:17:40,350

pop into my mind and what if they're

386

00:17:45,000 --> 00:17:43,330

those that those encounters where people

387

00:17:46,710 --> 00:17:45,010

think that it's benign that they're here

388

00:17:49,560 --> 00:17:46,720

for the benefit of mankind and they come

389

00:17:51,840 --> 00:17:49,570

away with a positive feeling since we do

390

00:17:53,850 --> 00:17:51,850

not know what their agenda and they're

391

00:17:57,960 --> 00:17:53,860

being ET we don't know what their agenda

392

00:18:00,029 --> 00:17:57,970

is that might be just a front I mean

393

00:18:01,799 --> 00:18:00,039

they may be being a furious as hell okay

394

00:18:03,659 --> 00:18:01,809

all right Abby they may have something

395

00:18:06,720 --> 00:18:03,669

up their sleeve that you and I and a

396

00:18:08,760 --> 00:18:06,730

rest of us may not like well you make a

397

00:18:10,470 --> 00:18:08,770

good point there because I mean people

398

00:18:12,659 --> 00:18:10,480

often say why doesn't the government

399

00:18:15,870 --> 00:18:12,669

tell the truth by UFOs but my argument

400

00:18:18,270 --> 00:18:15,880

is well you know if you want to question

401
00:18:19,560 --> 00:18:18,280
someone or have criticisms why not

402
00:18:21,600 --> 00:18:19,570
pointed in the direction of the

403
00:18:23,880 --> 00:18:21,610
phenomena because they're not doing

404
00:18:26,130 --> 00:18:23,890
anything to show themselves either right

405
00:18:27,560 --> 00:18:26,140
now I mean the idea of sort of skulkin

406
00:18:29,789 --> 00:18:27,570
around in the middle of the night

407
00:18:33,539 --> 00:18:29,799
kidnapping people all these stores at

408
00:18:36,110 --> 00:18:33,549
genetic experiments and DNA taken and

409
00:18:38,549 --> 00:18:36,120
things like this and testing out our

410
00:18:40,500 --> 00:18:38,559
defenses and shutting down missile

411
00:18:42,029 --> 00:18:40,510
systems some people think this is all

412
00:18:45,440 --> 00:18:42,039
positive oh you know they're going to do

413
00:18:47,279 --> 00:18:45,450

it so can never start a nuclear war but

414

00:18:49,470 --> 00:18:47,289

when you look at it from the other

415

00:18:52,320 --> 00:18:49,480

perspective as well that you can't you

416

00:18:54,240 --> 00:18:52,330

can't take like a sinister suspicious

417

00:18:58,260 --> 00:18:54,250

angle towards it you know well I know

418

00:19:02,760 --> 00:18:58,270

for a at least having a little bit of a

419

00:19:04,669 --> 00:19:02,770

insight several objects almost did start

420

00:19:06,180 --> 00:19:04,679

a nuclear war and that was back there in

421

00:19:07,560 --> 00:19:06,190

1974 Vaako

422

00:19:09,889 --> 00:19:07,570

where I was working in the communication

423

00:19:16,139 --> 00:19:09,899

center for the Strategic Air Command and

424

00:19:18,090 --> 00:19:16,149

we went on and well one alert below were

425

00:19:20,279 --> 00:19:18,100

they let's put it this way the Bombers

426

00:19:24,060 --> 00:19:20,289

were going to their failsafe failsafe

427

00:19:26,850 --> 00:19:24,070

points and the missile silos the hatches

428

00:19:28,649 --> 00:19:26,860

had been opened and launch codes were

429

00:19:31,440 --> 00:19:28,659

being given out I mean that's how

430

00:19:33,810 --> 00:19:31,450

serious this situation was and the

431

00:19:35,310 --> 00:19:33,820

objects that came into our airspace and

432

00:19:36,960 --> 00:19:35,320

flew out of our earth space really

433

00:19:38,129 --> 00:19:36,970

didn't give a rat's ass if we were going

434

00:19:40,680 --> 00:19:38,139

to go to at least that was my impression

435

00:19:42,240 --> 00:19:40,690

but I was just a sergeant and I'm i was

436

00:19:43,980 --> 00:19:42,250

on the low end of the totem pole but i

437

00:19:48,119 --> 00:19:43,990

happen to be in the communications room

438

00:19:50,039 --> 00:19:48,129

when that happened and but i mean if

439

00:19:52,470 --> 00:19:50,049

somebody higher up the food chain hadn't

440

00:19:55,169 --> 00:19:52,480

had more information and had more

441

00:19:57,330 --> 00:19:55,179

insight into it maybe they they knew

442

00:20:00,480 --> 00:19:57,340

something obviously that i did but we

443

00:20:03,330 --> 00:20:00,490

still went on that high alert ok these

444

00:20:05,039 --> 00:20:03,340

are gonna trade yeah so that's a good

445

00:20:07,200 --> 00:20:05,049

point i mean these things seem to come

446

00:20:08,430 --> 00:20:07,210

and go and i do their own thing and like

447

00:20:10,529 --> 00:20:08,440

i said they always say it's for our

448

00:20:13,860 --> 00:20:10,539

benefit elites of a good of the future

449

00:20:15,840 --> 00:20:13,870

but to me I don't really see what

450

00:20:17,279 --> 00:20:15,850

they've done to help us so far maybe

451

00:20:20,730 --> 00:20:17,289

I've not seen the bigger picture but I

452

00:20:22,529 --> 00:20:20,740

mean you know the world today he's like

453

00:20:26,490 --> 00:20:22,539

as unsafe as it was in the Second World

454

00:20:29,039 --> 00:20:26,500

War you know this is a deep end of

455

00:20:32,490 --> 00:20:29,049

respect is even worse this is an eyelet

456

00:20:37,139 --> 00:20:32,500

marble I mean there is there's a there's

457

00:20:39,330 --> 00:20:37,149

a a lot of crap going on I don't think

458

00:20:41,340 --> 00:20:39,340

there's a continent that it doesn't have

459

00:20:43,259 --> 00:20:41,350

some type of armed conflict going on it

460

00:20:45,749 --> 00:20:43,269

maybe the Arctic I don't know but don't

461

00:20:47,850 --> 00:20:45,759

but I mean it seems like there's

462

00:20:50,009 --> 00:20:47,860

fighting going on which given the type

463

00:20:52,950 --> 00:20:50,019

of toys that we have nowadays compared

464

00:20:55,590 --> 00:20:52,960

what we had in World War two these are

465

00:20:57,149 --> 00:20:55,600

some pretty dangerous times well you're

466

00:20:59,159 --> 00:20:57,159

right i mean you look back at the Second

467

00:21:01,350 --> 00:20:59,169

World War yes the entire planet was at

468

00:21:04,169 --> 00:21:01,360

war but we didn't have the ability then

469

00:21:06,930 --> 00:21:04,179

to destroy the entire planet now we do

470

00:21:08,490 --> 00:21:06,940

you know if you look at everything as I

471

00:21:10,619 --> 00:21:08,500

said in terms of what are they doing

472

00:21:12,990 --> 00:21:10,629

versus what they're not doing well I

473

00:21:16,460 --> 00:21:13,000

mean you look at fact that we never feel

474

00:21:19,710 --> 00:21:16,470

like overpopulation on a massive scale

475

00:21:20,100 --> 00:21:19,720

you know all the strange stuff going on

476

00:21:25,860 --> 00:21:20,110

with the

477

00:21:29,400 --> 00:21:25,870

whether walls viruses you know ice caps

478

00:21:32,430 --> 00:21:29,410

that kind of thing and you know that the

479

00:21:34,230 --> 00:21:32,440

whole issue of young kids today you know

480

00:21:35,910 --> 00:21:34,240

that their Health's not what it should

481

00:21:38,520 --> 00:21:35,920

be you know more and more becoming

482

00:21:41,820 --> 00:21:38,530

diabetic at an early an earlier age and

483

00:21:44,250 --> 00:21:41,830

and so in that sense there's a lot of

484

00:21:46,080 --> 00:21:44,260

negativity that the aliens have been

485

00:21:48,390 --> 00:21:46,090

telling us for 50 years oh you know

486

00:21:50,940 --> 00:21:48,400

we're going to put it all right oh great

487

00:21:53,190 --> 00:21:50,950

cake wait you know that I all-powerful

488

00:21:56,130 --> 00:21:53,200

how long does it actually take to put

489

00:21:58,320 --> 00:21:56,140

things right well and once again we're

490

00:22:01,560 --> 00:21:58,330

back to their motive and their agenda if

491

00:22:03,060 --> 00:22:01,570

it may not you know I'm of the opinion

492

00:22:05,539 --> 00:22:03,070

that the one of the races that are

493

00:22:07,650 --> 00:22:05,549

coming here has a vested interest in us

494

00:22:09,419 --> 00:22:07,660

okay and I'm one of those people that

495

00:22:12,450 --> 00:22:09,429

think there's more than one species

496

00:22:14,280 --> 00:22:12,460

coming into the solar system but you

497

00:22:17,430 --> 00:22:14,290

know be that as its may we still don't

498

00:22:18,900 --> 00:22:17,440

know what the true agenda is and you

499

00:22:20,700 --> 00:22:18,910

know there may be a race here that could

500

00:22:22,409 --> 00:22:20,710

give a rat's ass like I said whether or

501
00:22:24,120 --> 00:22:22,419
not we destroy ourselves or not as long

502
00:22:26,220 --> 00:22:24,130
as they get what they are looking for or

503
00:22:28,860 --> 00:22:26,230
what they're after on this planet for

504
00:22:30,630 --> 00:22:28,870
some reason yeah i think you know when

505
00:22:32,880 --> 00:22:30,640
you people say all that good or bad i

506
00:22:35,370 --> 00:22:32,890
don't think it's that black and white

507
00:22:37,860 --> 00:22:35,380
you know people aren't good or bad we

508
00:22:39,780 --> 00:22:37,870
all for the most part try and do the

509
00:22:42,270 --> 00:22:39,790
right thing you know most of us don't

510
00:22:43,620 --> 00:22:42,280
rob banks or murder people not because

511
00:22:45,539 --> 00:22:43,630
we don't think we're not going to get

512
00:22:47,310 --> 00:22:45,549
away we do because we know we shouldn't

513
00:22:51,240 --> 00:22:47,320

do it you know that's not right you

514

00:22:53,789 --> 00:22:51,250

murder people but everybody has be a

515

00:22:55,260 --> 00:22:53,799

girly to kill you know I'm if so he

516

00:22:58,169 --> 00:22:55,270

breaks into your house and threatens

517

00:23:00,390 --> 00:22:58,179

your wife husband children whatever you

518

00:23:02,100 --> 00:23:00,400

know if you've got a gun sometimes it

519

00:23:05,039 --> 00:23:02,110

gets used and it's in self-defense the

520

00:23:07,320 --> 00:23:05,049

person might still feel you know that it

521

00:23:09,900 --> 00:23:07,330

sort of plays on the mind that they shot

522

00:23:12,090 --> 00:23:09,910

someone but that was for you know a

523

00:23:15,600 --> 00:23:12,100

reason valid reason or if it's on the

524

00:23:18,539 --> 00:23:15,610

battlefield that kind of thing but so in

525

00:23:21,000 --> 00:23:18,549

other words well survivals and very good

526

00:23:23,430 --> 00:23:21,010

and bad on I don't think you can sort of

527

00:23:26,549 --> 00:23:23,440

delineate in one or the other you know

528

00:23:28,260 --> 00:23:26,559

it's one of those situations that one

529

00:23:30,480 --> 00:23:28,270

person's good if somebody else is bad

530

00:23:33,570 --> 00:23:30,490

and we're all capable of somewhere in

531

00:23:33,960 --> 00:23:33,580

between as well can we had a couple good

532

00:23:37,020 --> 00:23:33,970

question

533

00:23:39,660 --> 00:23:37,030

in chat correlating to to the book to do

534

00:23:41,400 --> 00:23:39,670

you think that bill from New York asks

535

00:23:44,550 --> 00:23:41,410

if this may explain why people are

536

00:23:46,920 --> 00:23:44,560

disappearing with all the trees well you

537

00:23:48,960 --> 00:23:46,930

had such a good question i mean every

538

00:23:52,170 --> 00:23:48,970

year i mean the number of people who

539

00:23:54,420 --> 00:23:52,180

vanish is huge now of course some of

540

00:23:56,100 --> 00:23:54,430

them you know the bad marriages or

541

00:23:58,230 --> 00:23:56,110

whatever and they just want to escape or

542

00:24:00,330 --> 00:23:58,240

somebody's got money problems and huge

543

00:24:03,090 --> 00:24:00,340

debts and things like that they vanish

544

00:24:06,570 --> 00:24:03,100

and i'm sure most of the reports have

545

00:24:10,320 --> 00:24:06,580

down-to-earth explanations however it's

546

00:24:12,240 --> 00:24:10,330

saying that I think you know we can look

547

00:24:14,400 --> 00:24:12,250

at the bigger scale and see that some

548

00:24:17,340 --> 00:24:14,410

people just vanish and do not come back

549

00:24:19,320 --> 00:24:17,350

and you put that on account and you put

550

00:24:22,200 --> 00:24:19,330

that on a global scale you're talking a

551

00:24:24,030 --> 00:24:22,210

lot of people a lot of humans yeah well

552

00:24:25,710 --> 00:24:24,040

you know a lot of focus has being made

553

00:24:29,370 --> 00:24:25,720

in the last few years on the whole issue

554

00:24:32,790 --> 00:24:29,380

of but national forests in the United

555

00:24:35,370 --> 00:24:32,800

States of people just go and mess in and

556

00:24:38,130 --> 00:24:35,380

stories of government agencies knowing

557

00:24:41,250 --> 00:24:38,140

something about it and this sort of huge

558

00:24:44,460 --> 00:24:41,260

cover-up of like a sort of an

559

00:24:46,080 --> 00:24:44,470

unacknowledged mystery but nobody seems

560

00:24:49,650 --> 00:24:46,090

to want to talk about but there is

561

00:24:51,720 --> 00:24:49,660

clearly on going and I think it's sort

562

00:24:53,610 --> 00:24:51,730

of a fascinating one but in some

563

00:24:55,860 --> 00:24:53,620

respects not completely in some respects

564

00:24:57,410 --> 00:24:55,870

ties in with some of these rumors that I

565

00:25:01,080 --> 00:24:57,420

talk about in the book of so-called

566

00:25:03,000 --> 00:25:01,090

human mutilation similar to the cattle

567

00:25:06,810 --> 00:25:03,010

mutilations where there are a number of

568

00:25:09,000 --> 00:25:06,820

stories of relating to sort of human

569

00:25:12,210 --> 00:25:09,010

bodies found in the woods and forests

570

00:25:14,340 --> 00:25:12,220

where your organs have gone the lips

571

00:25:17,550 --> 00:25:14,350

have been removed their eyeballs their

572

00:25:19,650 --> 00:25:17,560

tongue the sexual organs but not done in

573

00:25:21,150 --> 00:25:19,660

a fashion that sounds like he was done

574

00:25:25,200 --> 00:25:21,160

by like a grizzly bear or a mountain

575

00:25:29,190 --> 00:25:25,210

lion but with some sort of intelligence

576

00:25:31,860 --> 00:25:29,200

behind it now thankfully those reports

577

00:25:33,210 --> 00:25:31,870

are few and far between but equally we

578

00:25:35,880 --> 00:25:33,220

could argue the reason they're few and

579

00:25:37,410 --> 00:25:35,890

far between is because whoever's doing

580

00:25:39,600 --> 00:25:37,420

it was ever making these people

581

00:25:42,960 --> 00:25:39,610

disappear he's actually covering their

582

00:25:45,210 --> 00:25:42,970

tracks really well in oh yeah right up

583

00:25:47,610 --> 00:25:45,220

your alley can with the harvesting well

584

00:25:49,440 --> 00:25:47,620

you know I it's funny because well

585

00:25:55,830 --> 00:25:49,450

was talking I was thinking exactly that

586

00:25:57,960 --> 00:25:55,840

I well it's something something that you

587

00:26:01,470 --> 00:25:57,970

I'm back to the to the agenda to the

588

00:26:04,380 --> 00:26:01,480

motive you know I to me that I think if

589

00:26:08,850 --> 00:26:04,390

we if we were able to specifically nail

590

00:26:11,160 --> 00:26:08,860

down one of their agenda okay that it

591

00:26:14,280 --> 00:26:11,170

would go a long way obviously and

592

00:26:16,230 --> 00:26:14,290

telling us what's going on and and

593

00:26:18,030 --> 00:26:16,240

that's the eye and that's the rub i

594

00:26:21,020 --> 00:26:18,040

think is that you know we we don't have

595

00:26:23,940 --> 00:26:21,030

that information we don't have we have

596

00:26:26,040 --> 00:26:23,950

glimpses all right okay and trying to

597

00:26:27,750 --> 00:26:26,050

put it together as a puzzle is very

598

00:26:29,970 --> 00:26:27,760

difficult if you don't have the Keystone

599

00:26:31,950 --> 00:26:29,980

i think i think the agenda is the

600

00:26:34,020 --> 00:26:31,960

keystone i think one of the problems

601
00:26:37,080 --> 00:26:34,030
when we look at the agenda is that we

602
00:26:38,820 --> 00:26:37,090
always think again from our three go

603
00:26:41,669 --> 00:26:38,830
perspective that if they're coming here

604
00:26:44,880 --> 00:26:41,679
the main role or the main reason has to

605
00:26:46,919 --> 00:26:44,890
be to do with us well maybe we're sort

606
00:26:49,710 --> 00:26:46,929
of tangential maybe it's the planet may

607
00:26:51,780 --> 00:26:49,720
be thrown on the planet you know i mean

608
00:26:55,980 --> 00:26:51,790
we know that in our solar system at

609
00:26:58,140 --> 00:26:55,990
least the Earth's pretty unique well

610
00:26:59,760 --> 00:26:58,150
maybe places like the earth granted its

611
00:27:02,460 --> 00:26:59,770
theoretical maybe place like the earth

612
00:27:04,020 --> 00:27:02,470
are really rare you know i mean people

613
00:27:06,030 --> 00:27:04,030

talk about well what if every solar

614

00:27:08,520 --> 00:27:06,040

systems inhabited that could be billions

615

00:27:10,560 --> 00:27:08,530

of different species but blood on you

616

00:27:13,080 --> 00:27:10,570

then what if i only one in a million

617

00:27:16,530 --> 00:27:13,090

solar systems have life supporting

618

00:27:19,500 --> 00:27:16,540

worlds in that sense you know we could

619

00:27:21,900 --> 00:27:19,510

be a rarity so perhaps it's the planet

620

00:27:23,880 --> 00:27:21,910

that they have a vested interested maybe

621

00:27:26,900 --> 00:27:23,890

the vested interest is biding their time

622

00:27:31,200 --> 00:27:26,910

till we wipe ourselves out or we're gon

623

00:27:33,870 --> 00:27:31,210

find the planet well I mean yeah but you

624

00:27:35,610 --> 00:27:33,880

only had CT destroyed us in fact to wipe

625

00:27:38,400 --> 00:27:35,620

out if they had to do the pro's and

626
00:27:40,500 --> 00:27:38,410
wiping us out chances are he might do a

627
00:27:42,840 --> 00:27:40,510
huge amount of damage to the planet to

628
00:27:45,660 --> 00:27:42,850
get rid of us all but if as a way of

629
00:27:47,280 --> 00:27:45,670
getting rid of us which keeps the planet

630
00:27:51,000 --> 00:27:47,290
intact you know something like a virus

631
00:27:54,120 --> 00:27:51,010
maybe then that would allow them to take

632
00:27:56,070 --> 00:27:54,130
over you know as they saw fit some maybe

633
00:27:59,340 --> 00:27:56,080
maybe something like that maybe it's

634
00:28:01,560 --> 00:27:59,350
just a case of waiting until you know we

635
00:28:03,930 --> 00:28:01,570
do it ourselves or

636
00:28:06,180 --> 00:28:03,940
we're more vulnerable and you know not

637
00:28:10,790 --> 00:28:06,190
in a position to sort of combat like a

638
00:28:16,980 --> 00:28:10,800

vibrator or something hmm interesting

639

00:28:19,290 --> 00:28:16,990

well I the you know that I I just get

640

00:28:21,210 --> 00:28:19,300

uneasy when when people say well you

641

00:28:23,550 --> 00:28:21,220

know they're here they're they're there

642

00:28:24,900 --> 00:28:23,560

they won't let us fail kind of attitude

643

00:28:27,360 --> 00:28:24,910

that they're here to know it's kind of

644

00:28:33,420 --> 00:28:27,370

like our guardian angel and I don't see

645

00:28:36,350 --> 00:28:33,430

that at all maybe you know the the let

646

00:28:39,120 --> 00:28:36,360

me ask you Nick are you familiar with a

647

00:28:41,850 --> 00:28:39,130

theory that's called the war gene that

648

00:28:45,750 --> 00:28:41,860

that we all carry have you heard of that

649

00:28:49,080 --> 00:28:45,760

now I happen well it's a theory that you

650

00:28:52,560 --> 00:28:49,090

know that the species human species has

651
00:28:55,590 --> 00:28:52,570
this DNA cork in it in which we have to

652
00:28:58,080 --> 00:28:55,600
combat it we have to have physical you

653
00:29:00,150 --> 00:28:58,090
know and it was put there by ET and that

654
00:29:02,310 --> 00:29:00,160
they sit back and watch us fight among

655
00:29:04,230 --> 00:29:02,320
ourselves knowing full well that you

656
00:29:06,090 --> 00:29:04,240
know eventually we're going to go down

657
00:29:08,790 --> 00:29:06,100
the path where we exterminate one

658
00:29:11,610 --> 00:29:08,800
another but it's called the war gene and

659
00:29:13,290 --> 00:29:11,620
I I don't know if I necessarily buy into

660
00:29:16,560 --> 00:29:13,300
it but I just keep thinking about all of

661
00:29:20,070 --> 00:29:16,570
these conflicts and we're talking major

662
00:29:21,870 --> 00:29:20,080
in terms of human life and casualties

663
00:29:24,450 --> 00:29:21,880

that are going on right now and if they

664

00:29:26,580 --> 00:29:24,460

were really here and cared about us okay

665

00:29:30,420 --> 00:29:26,590

in terms of our well-being and our

666

00:29:32,220 --> 00:29:30,430

development may be technologically we've

667

00:29:35,040 --> 00:29:32,230

gone up the ladder but I think we're

668

00:29:36,600 --> 00:29:35,050

still pretty basic primitive you know

669

00:29:39,660 --> 00:29:36,610

creatures because our favorite bat

670

00:29:42,060 --> 00:29:39,670

pastime is war yeah hey right i mean

671

00:29:43,740 --> 00:29:42,070

great yeah granted our weapons are sort

672

00:29:45,840 --> 00:29:43,750

of more powerful more technologically

673

00:29:48,090 --> 00:29:45,850

advanced but i mean there's really not

674

00:29:51,090 --> 00:29:48,100

that much difference in terms of what

675

00:29:53,310 --> 00:29:51,100

goes on between say the war in iraq and

676

00:29:56,430 --> 00:29:53,320

the first world war and then going back

677

00:29:59,280 --> 00:29:56,440

to let the crusades organs open you know

678

00:30:02,160 --> 00:29:59,290

it's all basically oh let's attack

679

00:30:04,470 --> 00:30:02,170

somebody else no in there and if you

680

00:30:05,700 --> 00:30:04,480

look back also the fact that you know

681

00:30:08,730 --> 00:30:05,710

when people start talking about the

682

00:30:10,050 --> 00:30:08,740

ancient astronaut scenario well if

683

00:30:13,920 --> 00:30:10,060

they've been watching us fight and

684

00:30:14,890 --> 00:30:13,930

squabble since 4 or 5,000 6,000 years

685

00:30:17,500 --> 00:30:14,900

ago

686

00:30:20,800 --> 00:30:17,510

then it makes me wonder if they'll ever

687

00:30:23,380 --> 00:30:20,810

intervene you know maybe we assume they

688

00:30:26,350 --> 00:30:23,390

will intervene because they're here but

689

00:30:28,510 --> 00:30:26,360

if they think they are so definitively

690

00:30:31,830 --> 00:30:28,520

alien and don't even necessarily think

691

00:30:34,420 --> 00:30:31,840

like us there could be multiple agendas

692

00:30:37,000 --> 00:30:34,430

the way I'm thought of that really have

693

00:30:40,660 --> 00:30:37,010

nothing to do with outright contact you

694

00:30:42,550 --> 00:30:40,670

knew right yeah exactly well especially

695

00:30:44,350 --> 00:30:42,560

if you put them on you got us on the

696

00:30:46,810 --> 00:30:44,360

scale of an ant compared to them they

697

00:30:49,000 --> 00:30:46,820

would it be like us trying to talk to a

698

00:30:51,220 --> 00:30:49,010

nap I mean how do you communicate you

699

00:30:53,470 --> 00:30:51,230

step on a boy lay it's like we don't

700

00:30:56,110 --> 00:30:53,480

bother chronic it's not matter we can

701

00:30:58,030 --> 00:30:56,120

current contact and so it's not in our

702

00:31:00,460 --> 00:30:58,040

interest right we just don't even bother

703

00:31:03,100 --> 00:31:00,470

it might get a similar thing sure that

704

00:31:05,050 --> 00:31:03,110

they can contact or comp made the effort

705

00:31:06,370 --> 00:31:05,060

they just don't want to be bothered to

706

00:31:09,400 --> 00:31:06,380

make the effort you know we're just a

707

00:31:11,860 --> 00:31:09,410

commodity perhaps sure yeah I can see

708

00:31:14,560 --> 00:31:11,870

that you know but not what I think a lot

709

00:31:18,850 --> 00:31:14,570

of people in ufology don't want to hear

710

00:31:21,480 --> 00:31:18,860

they want some sort of resolution and

711

00:31:24,310 --> 00:31:21,490

I'd like resolution but I'm also

712

00:31:26,020 --> 00:31:24,320

open-minded enough to think that we're

713

00:31:28,450 --> 00:31:26,030

not that important from their

714

00:31:30,850 --> 00:31:28,460

perspective that resolution is what we

715

00:31:33,550 --> 00:31:30,860

want they may just be happy to carry on

716

00:31:37,090 --> 00:31:33,560

with whatever virgin tourism you know we

717

00:31:42,730 --> 00:31:37,100

never ever find out right and then again

718

00:31:44,440 --> 00:31:42,740

we may be food I'll be joking aside some

719

00:31:47,530 --> 00:31:44,450

people this gets into sort of

720

00:31:49,060 --> 00:31:47,540

controversial areas where you know on

721

00:31:52,630 --> 00:31:49,070

the one hand you talk they talk about

722

00:31:55,480 --> 00:31:52,640

all these hybrids being hybrid babies

723

00:31:58,660 --> 00:31:55,490

and so on well who's to say that's not

724

00:32:00,820 --> 00:31:58,670

the food you know then on the other hand

725

00:32:03,220 --> 00:32:00,830

you have the really controversial theory

726

00:32:06,580 --> 00:32:03,230

where some people have suggested that

727

00:32:08,320 --> 00:32:06,590

they there somehow Vito get this gets

728

00:32:10,230 --> 00:32:08,330

really controversial but a number of

729

00:32:12,480 --> 00:32:10,240

abductees have suggested that the

730

00:32:14,830 --> 00:32:12,490

so-called Grey's were far less

731

00:32:18,880 --> 00:32:14,840

interested in them physically than in

732

00:32:21,580 --> 00:32:18,890

some of the human soul yeah I'm not best

733

00:32:23,950 --> 00:32:21,590

interests it sort of rain like

734

00:32:27,370 --> 00:32:23,960

extracting the soul which suppose it

735

00:32:28,720 --> 00:32:27,380

contains some sort of energy I heard

736

00:32:30,730 --> 00:32:28,730

that from one of their

737

00:32:33,970 --> 00:32:30,740

fascinated with the fact that we have a

738

00:32:36,130 --> 00:32:33,980

soul and they don't yeah but you kind of

739

00:32:38,799 --> 00:32:36,140

that series kind of like in the matrix

740

00:32:41,140 --> 00:32:38,809

movies where we're all sort of living in

741

00:32:43,930 --> 00:32:41,150

this world where we think it's reality

742

00:32:45,909 --> 00:32:43,940

but you know we're all being bled drive

743

00:32:47,560 --> 00:32:45,919

electricity we like all lining these

744

00:32:49,930 --> 00:32:47,570

millions of pods you know that the

745

00:32:51,190 --> 00:32:49,940

machines are bleeding us dry from and we

746

00:32:54,100 --> 00:32:51,200

don't realize we're living in like a

747

00:32:56,830 --> 00:32:54,110

dream existence and it's kind of like

748

00:32:59,710 --> 00:32:56,840

that the idea that what if they sold

749

00:33:03,370 --> 00:32:59,720

somehow sort of recycle or use souls as

750

00:33:04,810 --> 00:33:03,380

a fourth form of energy sure look at

751

00:33:06,930 --> 00:33:04,820

look a food source which again is

752

00:33:09,880 --> 00:33:06,940

controversial which one that has sort of

753

00:33:12,130 --> 00:33:09,890

circulating food well until you can

754

00:33:16,270 --> 00:33:12,140

disprove it I mean it has its place with

755

00:33:18,130 --> 00:33:16,280

any other theory okay and and hey I'm

756

00:33:20,500 --> 00:33:18,140

one of those I could see where that

757

00:33:22,990 --> 00:33:20,510

might be a possibility if these

758

00:33:24,970 --> 00:33:23,000

creatures are even though they're

759

00:33:27,010 --> 00:33:24,980

technologically so far above us are

760

00:33:32,760 --> 00:33:27,020

fascinated by the fact that we have this

761

00:33:36,310 --> 00:33:32,770

inner being within us our soul and the

762

00:33:37,930 --> 00:33:36,320

difference between a lot of these alien

763

00:33:40,510 --> 00:33:37,940

entities is that they all seem very

764

00:33:43,750 --> 00:33:40,520

one-dimensional is no character to them

765

00:33:47,169 --> 00:33:43,760

as no individuality which oh I'm in

766

00:33:51,400 --> 00:33:47,179

trouble no sense of humor open I'm in

767

00:33:53,049 --> 00:33:51,410

big trouble no Nick Nick we had a

768

00:33:55,270 --> 00:33:53,059

question from chat today this is

769

00:33:57,580 --> 00:33:55,280

something we can relate to the book do

770

00:33:59,440 --> 00:33:57,590

you know of any UFOs are sure that have

771

00:34:00,789 --> 00:33:59,450

shot down any aircraft or space program

772

00:34:03,280 --> 00:34:00,799

vehicle did you cover anything in the

773

00:34:06,100 --> 00:34:03,290

book yeah actually talked about quite a

774

00:34:09,820 --> 00:34:06,110

few cases in the book of aircraft

775

00:34:12,780 --> 00:34:09,830

disappearances and sort of vanishing

776

00:34:15,399 --> 00:34:12,790

acts and things like this and certainly

777

00:34:18,760 --> 00:34:15,409

I without doubt one of the most

778

00:34:24,550 --> 00:34:18,770

fascinating cases was one that occurred

779

00:34:29,200 --> 00:34:24,560

in November 1953 and this involved an

780

00:34:32,560 --> 00:34:29,210

f-89 aircraft piloted my guy named first

781

00:34:36,490 --> 00:34:32,570

lieutenant Felix moncla and each of our

782

00:34:41,379 --> 00:34:36,500

from a base called tro field now that's

783

00:34:42,610 --> 00:34:41,389

TR aux and basically what happened was

784

00:34:45,100 --> 00:34:42,620

that he

785

00:34:49,990 --> 00:34:45,110

vectored on to some sort of unknown

786

00:34:52,240 --> 00:34:50,000

target flying over lake superior and he

787

00:34:54,700 --> 00:34:52,250

couldn't see anything visually but

788

00:34:58,450 --> 00:34:54,710

ground personnel were tracking this

789

00:35:01,120 --> 00:34:58,460

object on radar and as moncler got

790

00:35:04,270 --> 00:35:01,130

closer to the object he study was able

791

00:35:06,190 --> 00:35:04,280

to track it on radar as well and the

792

00:35:08,110 --> 00:35:06,200

ground crew back to him close and said

793

00:35:09,730 --> 00:35:08,120

okay just intercept it and see what it

794

00:35:12,220 --> 00:35:09,740

is I mean it was it was a stretch but

795

00:35:14,590 --> 00:35:12,230

there was a concern one having some sort

796

00:35:16,570 --> 00:35:14,600

of Russian spy plane that it sort of

797

00:35:18,490 --> 00:35:16,580

drifted off course or worse was it

798

00:35:22,180 --> 00:35:18,500

something you know a penetrating our

799

00:35:24,670 --> 00:35:22,190

defenses or whatever and what happened

800

00:35:27,570 --> 00:35:24,680

was that the two blips on the radar at

801
00:35:31,090 --> 00:35:27,580
the base actually merged into one and

802
00:35:33,130 --> 00:35:31,100
the initial thought was they collided

803
00:35:36,300 --> 00:35:33,140
but well that was the obvious thought

804
00:35:39,490 --> 00:35:36,310
and calm down in Lake Superior so

805
00:35:42,270 --> 00:35:39,500
literally immediately an emergency

806
00:35:47,710 --> 00:35:42,280
response team of aircraft was sent out

807
00:35:51,250 --> 00:35:47,720
we powerful flashlights and beams etc

808
00:35:53,470 --> 00:35:51,260
and ships and boats that are on the lake

809
00:35:54,850 --> 00:35:53,480
were asked to sort of help as well and

810
00:35:57,640 --> 00:35:54,860
you know just look around can you see

811
00:36:01,060 --> 00:35:57,650
any wreckage anything like that nothing

812
00:36:05,050 --> 00:36:01,070
was actually ever found no told telltale

813
00:36:08,020 --> 00:36:05,060

wreckage no like gasoline or oil slicks

814

00:36:10,090 --> 00:36:08,030

on the surface of the lake no wreckage

815

00:36:12,400 --> 00:36:10,100

nothing came floating to the surface at

816

00:36:15,310 --> 00:36:12,410

all for all intents and purposes the

817

00:36:17,410 --> 00:36:15,320

aircraft was literally gone the crew

818

00:36:20,650 --> 00:36:17,420

were gone and the other blick whatever

819

00:36:23,740 --> 00:36:20,660

it was was gone as well now what makes

820

00:36:25,930 --> 00:36:23,750

this really weird is that I mentioned

821

00:36:30,580 --> 00:36:25,940

this occurred on the night of November

822

00:36:32,140 --> 00:36:30,590

23rd 1953 a markless plane took off from

823

00:36:34,900 --> 00:36:32,150

this place called troll field which is

824

00:36:37,690 --> 00:36:34,910

in Madison Wisconsin well it turns out

825

00:36:41,650 --> 00:36:37,700

that that was actually the second event

826

00:36:44,290 --> 00:36:41,660

of the day on the morning of the 23rd an

827

00:36:46,830 --> 00:36:44,300

identical play in an f-89 scorpion

828

00:36:49,960 --> 00:36:46,840

aircraft flying out of the same base

829

00:36:53,020 --> 00:36:49,970

plummeting to the ground and killed the

830

00:36:56,500 --> 00:36:53,030

pilot and the radar operator actually

831

00:37:00,040 --> 00:36:56,510

crashed it like a swampy pool like

832

00:37:03,040 --> 00:37:00,050

type area a number of people reported

833

00:37:07,420 --> 00:37:03,050

seeing a flying saucer in the direct

834

00:37:09,130 --> 00:37:07,430

vicinity at the time and obviously that

835

00:37:12,370 --> 00:37:09,140

you know the plane wasn't taken away the

836

00:37:15,190 --> 00:37:12,380

crew and kidnapped but it's sort of to

837

00:37:17,950 --> 00:37:15,200

me at least beyond coincidence should

838

00:37:20,080 --> 00:37:17,960

have been two incidents across 12 hours

839

00:37:22,150 --> 00:37:20,090

for the same basis ain't other aircraft

840

00:37:23,890 --> 00:37:22,160

one in which the crew were killed and

841

00:37:25,900 --> 00:37:23,900

the other one in which the crew just

842

00:37:28,780 --> 00:37:25,910

vanished so that that's sort of for me

843

00:37:30,700 --> 00:37:28,790

it's one of the best not best in terms

844

00:37:32,950 --> 00:37:30,710

of over to the clue but best in terms of

845

00:37:36,580 --> 00:37:32,960

credibility of showing that there have

846

00:37:38,710 --> 00:37:36,590

been cases where planes do see two

847

00:37:40,570 --> 00:37:38,720

disappeared at the hands of UFOs yeah

848

00:37:42,730 --> 00:37:40,580

that's right in my backyard I am on the

849

00:37:44,500 --> 00:37:42,740

western side of Lake Superior and that

850

00:37:46,840 --> 00:37:44,510

happened over on the eastern side I

851
00:37:49,930 --> 00:37:46,850
believe it wasn't a Canadian part of the

852
00:37:52,000 --> 00:37:49,940
lake I think Nick yeah one theory that

853
00:37:53,770 --> 00:37:52,010
what off me what explanation that was

854
00:37:56,110 --> 00:37:53,780
put forward was that could it have been

855
00:37:58,300 --> 00:37:56,120
some sort of Canadian plane and that was

856
00:37:59,950 --> 00:37:58,310
mooted until the Canadian someone died

857
00:38:02,440 --> 00:37:59,960
you say he was one of our planes and

858
00:38:04,930 --> 00:38:02,450
ratchet he'd never plane in the area and

859
00:38:08,140 --> 00:38:04,940
even if we did you know why aren't we

860
00:38:10,180 --> 00:38:08,150
missing one and where's the wreckage got

861
00:38:11,650 --> 00:38:10,190
means they've had divers you know going

862
00:38:14,440 --> 00:38:11,660
down to the extent that they could to

863
00:38:17,020 --> 00:38:14,450

try and you see if anything could be

864

00:38:19,540 --> 00:38:17,030

seen at all and there was just not a

865

00:38:21,670 --> 00:38:19,550

single thing so the very very weird

866

00:38:25,000 --> 00:38:21,680

cases still hasn't been resolved so

867

00:38:26,620 --> 00:38:25,010

there's e61 years later I was thinking

868

00:38:28,300 --> 00:38:26,630

we were talking was it I'm not

869

00:38:30,910 --> 00:38:28,310

pronouncing his name right problem but

870

00:38:34,030 --> 00:38:30,920

Freddy Valentich bala-tik out of

871

00:38:39,790 --> 00:38:34,040

Australia black [h__h] molec teach ya out

872

00:38:41,200 --> 00:38:39,800

of Australia you know that was a that's

873

00:38:42,850 --> 00:38:41,210

a good one I mean that that's like a

874

00:38:46,990 --> 00:38:42,860

classical on Frederick lens which this

875

00:38:49,180 --> 00:38:47,000

young pilots who actually got his

876

00:38:53,350 --> 00:38:49,190

pilot's license as a teenage and he's

877

00:38:55,270 --> 00:38:53,360

only 21 when he vanished in 1978 and he

878

00:38:59,950 --> 00:38:55,280

was making a nighttime flight over the

879

00:39:02,050 --> 00:38:59,960

Australia's best rates and the he was in

880

00:39:04,930 --> 00:39:02,060

contact pretty much until the time he

881

00:39:07,360 --> 00:39:04,940

vanished with the ground personnel and

882

00:39:10,160 --> 00:39:07,370

everything was going fine until the

883

00:39:12,710 --> 00:39:10,170

latex said he could see these we

884

00:39:15,320 --> 00:39:12,720

lights flying under in which the reason

885

00:39:17,060 --> 00:39:15,330

he called the the ground control people

886

00:39:18,440 --> 00:39:17,070

was because you know if you see an

887

00:39:20,960 --> 00:39:18,450

aircraft for the most part it's like a

888

00:39:23,540 --> 00:39:20,970

green red and white combination of

889

00:39:26,270 --> 00:39:23,550

lights and you're they're flashing off

890

00:39:28,850 --> 00:39:26,280

and on and so forth well this object had

891

00:39:30,350 --> 00:39:28,860

a number of just like white lights and

892

00:39:31,670 --> 00:39:30,360

there was no sort of flashing or

893

00:39:34,550 --> 00:39:31,680

anything like that at all he couldn't

894

00:39:37,130 --> 00:39:34,560

figure out what configuration of the

895

00:39:39,140 --> 00:39:37,140

lights were or what sort of our God

896

00:39:41,720 --> 00:39:39,150

would have lights like that all he could

897

00:39:43,640 --> 00:39:41,730

make out for why was the lights but then

898

00:39:45,740 --> 00:39:43,650

he said the object closed in on him

899

00:39:47,480 --> 00:39:45,750

almost like playing a game of cat and

900

00:39:50,840 --> 00:39:47,490

mouse and toying with them and got very

901
00:39:52,580 --> 00:39:50,850
close at one point it was however if

902
00:39:54,290 --> 00:39:52,590
he'd appear to be hovering over him what

903
00:39:56,870 --> 00:39:54,300
he was actually doing was keeping an

904
00:39:58,940 --> 00:39:56,880
identical speed with him and that's when

905
00:40:03,170 --> 00:39:58,950
Valenti's got really sort of frightened

906
00:40:04,640 --> 00:40:03,180
and and again said to the grand personal

907
00:40:06,890 --> 00:40:04,650
you know are you tracking this and they

908
00:40:08,750 --> 00:40:06,900
said no we're just tracking you then

909
00:40:12,440 --> 00:40:08,760
suddenly there was this weird like a

910
00:40:15,410 --> 00:40:12,450
metallic almost screeching or groaning

911
00:40:16,970 --> 00:40:15,420
kind of thing down the the lines and

912
00:40:19,100 --> 00:40:16,980
that was the last that was heard of

913
00:40:21,920 --> 00:40:19,110

valenta CH his plane was never found he

914

00:40:26,810 --> 00:40:21,930

was never found again like with the 53

915

00:40:31,100 --> 00:40:26,820

case no wreckage on the on the ocean no

916

00:40:34,250 --> 00:40:31,110

oil no gasoline nothing and so the only

917

00:40:36,380 --> 00:40:34,260

saving grace is that a couple years ago

918

00:40:39,140 --> 00:40:36,390

through Australia's freed of Information

919

00:40:41,510 --> 00:40:39,150

Act the entire file on the villains each

920

00:40:44,960 --> 00:40:41,520

case was Declassified enemies a huge

921

00:40:47,260 --> 00:40:44,970

fire inches thick and I said the only

922

00:40:49,340 --> 00:40:47,270

saving grace is it shows that the

923

00:40:52,160 --> 00:40:49,350

Australian Department of Transport

924

00:40:53,690 --> 00:40:52,170

really did the best they could to try

925

00:40:55,250 --> 00:40:53,700

and solve it you know for the sake of

926

00:40:56,720 --> 00:40:55,260

the family and so on you know there

927

00:40:58,970 --> 00:40:56,730

wasn't a cover up anything like that it

928

00:41:00,590 --> 00:40:58,980

was just you know I tried their best but

929

00:41:03,140 --> 00:41:00,600

there was just nothing it was just a big

930

00:41:07,330 --> 00:41:03,150

mystery but that that case of a early

931

00:41:09,590 --> 00:41:07,340

kind of parallels the lake superior 1

932

00:41:11,210 --> 00:41:09,600

i'm going to throw another case at you

933

00:41:13,940 --> 00:41:11,220

Nick two from the book of the cash

934

00:41:16,340 --> 00:41:13,950

Landrum incident and mr. storage sure

935

00:41:17,930 --> 00:41:16,350

has done quite a bit of work on that

936

00:41:21,230 --> 00:41:17,940

himself so can go ahead I'm going to

937

00:41:23,870 --> 00:41:21,240

turn it over to you and go at it well

938

00:41:27,289 --> 00:41:23,880

the I reinvestigated the

939

00:41:29,960 --> 00:41:27,299

Betty cash Vickie Landrum and I want to

940

00:41:34,759 --> 00:41:29,970

say i had the opportunity to interview

941

00:41:38,690 --> 00:41:34,769

both ladies about six hours apiece in

942

00:41:42,499 --> 00:41:38,700

their own home and and they were they

943

00:41:45,470 --> 00:41:42,509

were upstanding righteous women and i

944

00:41:47,539 --> 00:41:45,480

believe 110% of them that they

945

00:41:50,930 --> 00:41:47,549

encountered something out there on the

946

00:41:52,519 --> 00:41:50,940

texas farm to market road a two-lane

947

00:41:54,950 --> 00:41:52,529

blacktop highway out in the middle of

948

00:41:57,529 --> 00:41:54,960

nowhere and they were irradiated this

949

00:41:58,970 --> 00:41:57,539

this was not you know a nick was really

950

00:42:01,940 --> 00:41:58,980

interesting is that when I was

951
00:42:04,430 --> 00:42:01,950
interviewing Vicki land our excuse me

952
00:42:05,990 --> 00:42:04,440
Betty cash and she was sitting on her

953
00:42:07,249 --> 00:42:06,000
couch and she looked at me and she goes

954
00:42:10,009 --> 00:42:07,259
you know as she kept calling me

955
00:42:13,490 --> 00:42:10,019
detective Ken and she goes detective

956
00:42:15,319 --> 00:42:13,500
Kent she said and I was active law

957
00:42:18,549 --> 00:42:15,329
enforcement at the time but she said it

958
00:42:21,440 --> 00:42:18,559
was the most beautiful thing I had ever

959
00:42:23,269 --> 00:42:21,450
saw and she looked right into my eyes

960
00:42:25,069 --> 00:42:23,279
she goes I truly thought it was the

961
00:42:27,109 --> 00:42:25,079
second coming of Christ I thought it was

962
00:42:29,089 --> 00:42:27,119
Jesus Christ coming back it was a

963
00:42:31,130 --> 00:42:29,099

brilliant white diamond she got she's

964

00:42:35,839 --> 00:42:31,140

the reason why that's the reason why she

965

00:42:41,269 --> 00:42:35,849

got out of the car okay and she got

966

00:42:43,460 --> 00:42:41,279

severely irradiated yeah yeah and go

967

00:42:44,749 --> 00:42:43,470

ahead I'm sorry no no just going to say

968

00:42:46,370 --> 00:42:44,759

you're right i mean that's sort of a

969

00:42:48,499 --> 00:42:46,380

fascinating case because you've got

970

00:42:50,420 --> 00:42:48,509

credible witnesses it wasn't that long

971

00:42:53,599 --> 00:42:50,430

ago you know within cell the people

972

00:42:55,609 --> 00:42:53,609

could be interviewed and he has so many

973

00:42:57,980 --> 00:42:55,619

weird aspects to it you know the fact

974

00:43:00,980 --> 00:42:57,990

that the shape of the object for stella

975

00:43:02,900 --> 00:43:00,990

this weird diamond glowing object was

976

00:43:04,579 --> 00:43:02,910

almost was a unique but you know it

977

00:43:06,980 --> 00:43:04,589

wasn't sort of the average thing and

978

00:43:10,549 --> 00:43:06,990

then you have this report of a squadron

979

00:43:12,349 --> 00:43:10,559

of double rotor helicopters almost

980

00:43:14,859 --> 00:43:12,359

immediately in the vicinity if they were

981

00:43:19,420 --> 00:43:14,869

searching for it or chase in it or on a

982

00:43:22,730 --> 00:43:19,430

rainy in so to speak and then the the

983

00:43:26,839 --> 00:43:22,740

irradiation and the ill health of the

984

00:43:29,839 --> 00:43:26,849

the witnesses and attempts to try and

985

00:43:33,769 --> 00:43:29,849

identify all these helicopters belong to

986

00:43:35,779 --> 00:43:33,779

and I mean it sounds it sounds like if

987

00:43:37,370 --> 00:43:35,789

you know perfect story for the x-files

988

00:43:40,550 --> 00:43:37,380

but something was you know

989

00:43:42,020 --> 00:43:40,560

one hundred percent true and you know it

990

00:43:44,630 --> 00:43:42,030

just it just we thought that I sort of

991

00:43:47,330 --> 00:43:44,640

classic cases like Rendlesham or Roswell

992

00:43:49,580 --> 00:43:47,340

there are so many strands and credible

993

00:43:52,550 --> 00:43:49,590

aspects to it that you know you know

994

00:43:56,180 --> 00:43:52,560

something clearly significant and weird

995

00:43:58,630 --> 00:43:56,190

happened and and just so for the benefit

996

00:44:02,510 --> 00:43:58,640

of our listeners that it severely

997

00:44:04,070 --> 00:44:02,520

affected the health of all the witnesses

998

00:44:06,170 --> 00:44:04,080

that were involved in fact Betty cash

999

00:44:08,510 --> 00:44:06,180

and Vickie Landrum succumb to their

1000

00:44:11,900 --> 00:44:08,520

radiation poisoning they're both passed

1001
00:44:14,240 --> 00:44:11,910
away you know yeah that's that's one of

1002
00:44:16,280 --> 00:44:14,250
the aspects of the case you know is why

1003
00:44:18,110 --> 00:44:16,290
I'm entering the book because you know

1004
00:44:21,220 --> 00:44:18,120
the illness is and then Betty cash death

1005
00:44:24,530 --> 00:44:21,230
and so on it was a very ominous case

1006
00:44:27,020 --> 00:44:24,540
yeah yeah wasn't it certainly when you

1007
00:44:29,360 --> 00:44:27,030
know I go back to you know my statement

1008
00:44:31,940 --> 00:44:29,370
earlier in the show that you know UFO

1009
00:44:34,100 --> 00:44:31,950
encounters are not necessarily benign I

1010
00:44:35,420 --> 00:44:34,110
in fact there's a lot more to indicate

1011
00:44:37,820 --> 00:44:35,430
that it could be hazardous to your

1012
00:44:42,050 --> 00:44:37,830
health I think and and we only know of

1013
00:44:43,340 --> 00:44:42,060

those cases that have come to light to

1014

00:44:45,710 --> 00:44:43,350

listen to the rest of this interview

1015

00:44:48,140 --> 00:44:45,720

please go to inception radio network

1016

00:44:50,780 --> 00:44:48,150

calm and register for the insider's club

1017

00:44:52,910 --> 00:44:50,790

what is the insider's club the insider's

1018

00:44:54,980 --> 00:44:52,920

club is our premium content what you've

1019

00:44:58,520 --> 00:44:54,990

just listened to now what you just

1020

00:45:00,950 --> 00:44:58,530

listen to is a preview of that premium

1021

00:45:03,740 --> 00:45:00,960

content the insider's club is how we pay

1022

00:45:07,280 --> 00:45:03,750

the bills that's how you support higher

1023

00:45:09,230 --> 00:45:07,290

and you joined forces with irn to get

1024

00:45:11,300 --> 00:45:09,240

the truth out there now a lot of our

1025

00:45:13,310 --> 00:45:11,310

content is free i mean most of our

1026

00:45:17,300 --> 00:45:13,320

content is free all of our live shows

1027

00:45:19,400 --> 00:45:17,310

are free if you go to our archives the

1028

00:45:22,130 --> 00:45:19,410

vast majority of our archives are for

1029

00:45:25,250 --> 00:45:22,140

free but to pay the bills to help make

1030

00:45:28,880 --> 00:45:25,260

sure this network stays alive stays

1031

00:45:31,220 --> 00:45:28,890

viable we offer those who really love

1032

00:45:35,000 --> 00:45:31,230

our radio station or network and our

1033

00:45:38,330 --> 00:45:35,010

shows an ability to support our network

1034

00:45:40,940 --> 00:45:38,340

and become a part of Eire n actually

1035

00:45:42,440 --> 00:45:40,950

joined forces and helping us get the

1036

00:45:45,260 --> 00:45:42,450

truth out there now how do you do this

1037

00:45:46,490 --> 00:45:45,270

again you go to inception radio network

1038

00:45:48,680 --> 00:45:46,500

com

1039

00:45:50,930 --> 00:45:48,690

and you subscribe for the insider's club

1040

00:45:53,840 --> 00:45:50,940

and you will you'll have access to all

1041

00:45:55,880 --> 00:45:53,850

of our archives including this show the

1042

00:45:57,950 --> 00:45:55,890

rest of the show a faster way of getting

1043

00:46:00,590 --> 00:45:57,960

there go to the description below this

1044

00:46:02,810 --> 00:46:00,600

video and click on the link and like I

1045

00:46:05,120 --> 00:46:02,820

said you'll be joining forces with irn

1046

00:46:07,760 --> 00:46:05,130

you'll have availability of all of our

1047

00:46:18,550 --> 00:46:07,770

content and we really appreciate your

1048

00:46:20,990 --> 00:46:18,560

support thank you hello everyone

1049

00:46:23,900 --> 00:46:21,000

Laurieann fenton here hosted the

1050

00:46:26,390 --> 00:46:23,910

California MUFON radio show asking if

1051
00:46:30,500 --> 00:46:26,400
you'd like special access to exclusive

1052
00:46:33,770 --> 00:46:30,510
and amazing information about UFOs the

1053
00:46:36,830 --> 00:46:33,780
paranormal and all things unexplained if

1054
00:46:40,160 --> 00:46:36,840
you're nodding yes then join I rn's

1055
00:46:42,620 --> 00:46:40,170
insider glove as an insider club member

1056
00:46:45,500 --> 00:46:42,630
you'll get an all-access pass to premier

1057
00:46:47,660 --> 00:46:45,510
inception radio network content for only

1058
00:46:50,930 --> 00:46:47,670
four dollars and ninety-nine cents a

1059
00:46:53,450 --> 00:46:50,940
month this includes live UFO and

1060
00:46:57,290 --> 00:46:53,460
paranormal conferences live streaming

1061
00:47:00,020 --> 00:46:57,300
UFO sky watches exclusive irn radio and

1062
00:47:03,230 --> 00:47:00,030
TV productions and of course paying

1063
00:47:05,660 --> 00:47:03,240

radio with MJ and Ken Storch so don't

1064

00:47:08,690 --> 00:47:05,670

wait any longer visit inception radio

1065

00:47:12,110 --> 00:47:08,700

network calm and click on member login

1066

00:47:17,180 --> 00:47:12,120

to join our ends insider club and get

1067

00:47:18,950 --> 00:47:17,190

your VIP access today to listen to the

1068

00:47:21,050 --> 00:47:18,960

rest of this interview please go to

1069

00:47:23,600 --> 00:47:21,060

inception radio network calm and

1070

00:47:25,760 --> 00:47:23,610

register for the insider's club what is

1071

00:47:27,530 --> 00:47:25,770

the insider's club the insider's club is

1072

00:47:30,050 --> 00:47:27,540

our premium content what you've just

1073

00:47:34,010 --> 00:47:30,060

listened to now what you just listen to

1074

00:47:35,900 --> 00:47:34,020

is a preview of that premium content the

1075

00:47:39,050 --> 00:47:35,910

insider's club is how we pay the bills

1076

00:47:42,200 --> 00:47:39,060

that's how you support ire and you

1077

00:47:44,570 --> 00:47:42,210

joined forces with irn to get the truth

1078

00:47:46,640 --> 00:47:44,580

out there now a lot of our content is

1079

00:47:50,750 --> 00:47:46,650

free i mean most of our content is free

1080

00:47:52,880 --> 00:47:50,760

all of our lives shows are free if you

1081

00:47:55,460 --> 00:47:52,890

go to our archives the vast majority of

1082

00:47:57,570 --> 00:47:55,470

our archives are for free but to pay the

1083

00:48:01,170 --> 00:47:57,580

bills to help make sure

1084

00:48:04,170 --> 00:48:01,180

network stays alive stays viable we

1085

00:48:06,840 --> 00:48:04,180

offer those who really love our radio

1086

00:48:09,750 --> 00:48:06,850

station or network and our shows an

1087

00:48:13,260 --> 00:48:09,760

ability to support our network and

1088

00:48:15,930 --> 00:48:13,270

become a part of Eire n actually join

1089

00:48:17,700 --> 00:48:15,940

forces and helping us get the truth out

1090

00:48:21,150 --> 00:48:17,710

there now how do you do this again you

1091

00:48:23,670 --> 00:48:21,160

go to inception radio network com and

1092

00:48:26,160 --> 00:48:23,680

you subscribe for the insider's club and

1093

00:48:28,620 --> 00:48:26,170

you will you'll have access to all of

1094

00:48:30,480 --> 00:48:28,630

our archives including the show the rest

1095

00:48:32,550 --> 00:48:30,490

of the show a faster way of getting

1096

00:48:35,190 --> 00:48:32,560

there go to the description below this

1097

00:48:37,380 --> 00:48:35,200

video and click on the link and like I

1098

00:48:39,720 --> 00:48:37,390

said you'll be joining forces with irn

1099

00:48:42,360 --> 00:48:39,730

you'll have availability of all of our

1100

00:48:53,970 --> 00:48:42,370

content and we really appreciate your

1101
00:48:56,280 --> 00:48:53,980
support thank you hello everyone Lori

1102
00:48:59,220 --> 00:48:56,290
and Fenton here hosted the California

1103
00:49:02,370 --> 00:48:59,230
MUFON radio show asking if you'd like

1104
00:49:05,910 --> 00:49:02,380
special access to exclusive and amazing

1105
00:49:09,030 --> 00:49:05,920
information about UFOs the paranormal

1106
00:49:12,150 --> 00:49:09,040
and all things unexplained if you're

1107
00:49:15,000 --> 00:49:12,160
nodding yes then join our ends insider

1108
00:49:17,220 --> 00:49:15,010
club as an insider club member you'll

1109
00:49:20,100 --> 00:49:17,230
get an all-access pass to premier

1110
00:49:22,260 --> 00:49:20,110
inception radio network content for only

1111
00:49:25,530 --> 00:49:22,270
four dollars and ninety-nine cents a

1112
00:49:28,050 --> 00:49:25,540
month this includes live UFO and

1113
00:49:30,250 --> 00:49:28,060

paranormal conferences live streaming

1114

00:49:33,160 --> 00:49:30,260

UFO sky watches

1115

00:49:36,520 --> 00:49:33,170

elusive irn radio and TV productions and

1116

00:49:39,250 --> 00:49:36,530

of course paying radio with MJ and Ken

1117

00:49:42,160 --> 00:49:39,260

starch so don't wait any longer visit

1118

00:49:45,490 --> 00:49:42,170

inception radio network com and click on

1119

00:49:51,250 --> 00:49:45,500

member login to join our ends insider

1120

00:49:52,510 --> 00:49:51,260

club and get your VIP access today to

1121

00:49:55,390 --> 00:49:52,520

listen to the rest of this interview

1122

00:49:58,060 --> 00:49:55,400

please go to inception radio network com

1123

00:50:00,040 --> 00:49:58,070

and register for the insider's club what

1124

00:50:02,110 --> 00:50:00,050

is the insider's club the insider's club

1125

00:50:04,660 --> 00:50:02,120

is our premium content what you've just

1126

00:50:08,590 --> 00:50:04,670

listened to now what you just listen to

1127

00:50:10,510 --> 00:50:08,600

is a preview of that premium content the

1128

00:50:13,630 --> 00:50:10,520

insider's club is how we pay the bills

1129

00:50:16,750 --> 00:50:13,640

that's how you support ire and you

1130

00:50:19,150 --> 00:50:16,760

joined forces with irn to get the truth

1131

00:50:21,070 --> 00:50:19,160

out there now a lot of our content is

1132

00:50:25,330 --> 00:50:21,080

free i mean most of our content industry

1133

00:50:27,490 --> 00:50:25,340

all of our lives shows are free if you

1134

00:50:30,070 --> 00:50:27,500

go to our archives the vast majority of

1135

00:50:32,980 --> 00:50:30,080

our archives are for free but to pay the

1136

00:50:36,970 --> 00:50:32,990

bills to help make sure this network

1137

00:50:39,400 --> 00:50:36,980

stays alive stays viable we offer those

1138

00:50:42,210 --> 00:50:39,410

who really love our radio station or

1139

00:50:45,700 --> 00:50:42,220

network and our shows an ability to

1140

00:50:49,540 --> 00:50:45,710

support our network and become a part of

1141

00:50:51,250 --> 00:50:49,550

Eire n actually join forces and helping

1142

00:50:53,050 --> 00:50:51,260

us get the truth out there now how do

1143

00:50:57,070 --> 00:50:53,060

you do this again you go to inception

1144

00:50:59,170 --> 00:50:57,080

radio network com and you subscribe for

1145

00:51:01,600 --> 00:50:59,180

the insider's club and you will you'll

1146

00:51:03,730 --> 00:51:01,610

have access to all of our archives

1147

00:51:05,890 --> 00:51:03,740

including this show the rest of the show

1148

00:51:08,140 --> 00:51:05,900

a faster way of getting there go to the

1149

00:51:10,390 --> 00:51:08,150

description below this video and click

1150

00:51:12,580 --> 00:51:10,400

on the link and like I said you'll be

1151

00:51:14,950 --> 00:51:12,590

joining forces with irn you'll have

1152

00:51:17,980 --> 00:51:14,960

availability of all of our content and

1153

00:51:26,150 --> 00:51:17,990

we really appreciate your support thank

1154

00:51:31,980 --> 00:51:29,550

hello everyone Laurieann Fenton here

1155

00:51:35,309 --> 00:51:31,990

hosted the California MUFON radio show

1156

00:51:38,339 --> 00:51:35,319

asking if you'd like special access to

1157

00:51:41,630 --> 00:51:38,349

exclusive and amazing information about

1158

00:51:44,940 --> 00:51:41,640

UFOs the paranormal and all things

1159

00:51:48,569 --> 00:51:44,950

unexplained if you're nodding yes then

1160

00:51:50,370 --> 00:51:48,579

join our ends insider club as an insider

1161

00:51:53,339 --> 00:51:50,380

club member you'll get an all-access
