way with our E and E VAR n ET tee but

00:02:23,349 --> 00:02:21,170

you'll notice my picture I'm got on a

34

00:02:25,240 --> 00:02:23,359

vision radio page on Facebook for us it

38

00:02:36,339 --> 00:02:34,220

39

00:02:38,680 --> 00:02:36,349

going so I appreciate that I'd love to

40

00:02:40,569 --> 00:02:38,690

see you on Facebook and I'd love to be

41

00:02:43,629 --> 00:02:40,579

your friend of Facebook I don't have

42

00:02:45,610 --> 00:02:43,639

that many slots left in my friendship

43

00:02:47,349 --> 00:02:45,620

thing I think you can only have 5,000

44

00:02:51,339 --> 00:02:47,359

friends and I'm almost there but I would

45

00:02:53,890 --> 00:02:51,349

love to have you guys join me so we can

46

00:02:56,289 --> 00:02:53,900

talk and I can hear your stories you can

47

00:02:58,629 --> 00:02:56,299

keep on top of what's going on on night

48

00:03:01,240 --> 00:02:58,639

vision and you know you've heard me talk

49

00:03:05,020 --> 00:03:01,250

now if you've listened to the show for

50

00:03:08,920 --> 00:03:05,030

several weeks or actually months I guess

51
00:03:11,530 --> 00:03:08,930
now about the Facebook page or the

52
00:03:13,599 --> 00:03:11,540
website return of the troubadour calm

53
00:03:15,670 --> 00:03:13,609
and about the songwriting contest that

54
00:03:17,289 --> 00:03:15,680
they're having it's really cool it's a

55
00:03:21,699 --> 00:03:17,299
great in this great grand prize I think

56
00:03:24,430 --> 00:03:21,709
it's \$5,000 in gold so they're looking

57
00:03:26,860 --> 00:03:24,440
for a song that is you know uplifting

58
00:03:28,240 --> 00:03:26,870
something that inspires Humanity in a

59
00:03:30,460 --> 00:03:28,250
positive way

60
00:03:32,920 --> 00:03:30,470
and if you've got a song or if you're a

61
00:03:34,720 --> 00:03:32,930
songwriter I think there's still time to

62
00:03:37,330 --> 00:03:34,730
get your work in I believe the deadline

63
00:03:38,920 --> 00:03:37,340

is like December 15th but what I really

64

00:03:42,220 --> 00:03:38,930

wanted to say didn't mean to go on so

65

00:03:44,500 --> 00:03:42,230

long about it because at the break a

66

00:03:47,860 --> 00:03:44,510

good friend of mine is going to talk

67

00:03:50,620 --> 00:03:47,870

about the contest and he can do a whole

68

00:03:52,750 --> 00:03:50,630

lot better job than I can and he's a

69

00:03:56,140 --> 00:03:52,760

rock star so you got to listen to him

70

00:03:58,840 --> 00:03:56,150

personal friend of mine anyway I'm

71

00:04:01,449 --> 00:03:58,850

excited about tonight's show I had a

72

00:04:03,670 --> 00:04:01,459

great conversation yesterday with our

73

00:04:05,770 --> 00:04:03,680

guests that are coming on and I had just

74

00:04:09,160 --> 00:04:05,780

had to bite my tongue to keep from

75

00:04:12,340 --> 00:04:09,170

asking like a zillion questions because

76

00:04:15,040 --> 00:04:12,350

the the story is so interesting and I

77

00:04:17,860 --> 00:04:15,050

remember it from a long time ago when

78

00:04:21,009 --> 00:04:17,870

the book came out by Raymond Fowler

79

00:04:24,280 --> 00:04:21,019

called the Andreas and affair and it was

80

00:04:27,960 --> 00:04:24,290

one of the well and still to this day is

81

00:04:32,200 --> 00:04:27,970

one of the best investigated and best

82

00:04:34,409 --> 00:04:32,210

documented cases of alien abduction that

83

00:04:37,330 --> 00:04:34,419

there's ever been and what's really

84

00:04:40,480 --> 00:04:37,340

interesting about it as well is that it

85

00:04:44,260 --> 00:04:40,490

happened back in the 60s and and even

86

00:04:46,120 --> 00:04:44,270

before so that was before we had all the

87

00:04:48,010 --> 00:04:46,130

books about alien abduction before the

88

00:04:50,380 --> 00:04:48,020

movies were all out before everybody

89

00:04:53,320 --> 00:04:50,390

knew what grey's looked like all that

90

00:04:56,110 --> 00:04:53,330

stuff so this was pure information that

91

00:05:00,159 --> 00:04:56,120

was coming out and not you know put into

92

00:05:02,740 --> 00:05:00,169

Betty's consciousness by something that

93

00:05:03,490 --> 00:05:02,750

you know she had read or seen on TV or

94

00:05:05,110 --> 00:05:03,500

in the movies

95

00:05:08,140 --> 00:05:05,120

it just wasn't even happening at the

96

00:05:11,140 --> 00:05:08,150

time so I want to welcome my guest

97

00:05:13,540 --> 00:05:11,150

tonight I have betty andreas and luca

98

00:05:16,510 --> 00:05:13,550

and her husband bob look on the phone

99

00:05:24,250 --> 00:05:16,520

thank you so much and welcome to the

100

00:05:26,440 --> 00:05:24,260

show guys well Betty I mean you know

101
00:05:27,969 --> 00:05:26,450
it's amazing you know that I finally got

102
00:05:32,290 --> 00:05:27,979
a chance to speak with you after reading

103
00:05:35,620 --> 00:05:32,300
that book so many years ago and to this

104
00:05:38,950 --> 00:05:35,630
day you know I've been involved with a

105
00:05:41,080 --> 00:05:38,960
lot of alien abduction cases I've met a

106
00:05:42,189 --> 00:05:41,090
lot of people who feel they've had that

107
00:05:45,820 --> 00:05:42,199
experience

108
00:05:48,820 --> 00:05:45,830
I was fortunate to get to know Betty

109
00:05:54,610 --> 00:05:48,830
hill of the famous other Betty Betty and

110
00:05:56,589 --> 00:05:54,620
be couple and Travis Walton and there

111
00:05:58,480 --> 00:05:56,599
are some really really good cases out

112
00:06:02,050 --> 00:05:58,490
there like those that I just mentioned

113
00:06:04,330 --> 00:06:02,060

and yours you know other times it's it's

114

00:06:06,189 --> 00:06:04,340

been a little bit fuzzy but these are

115

00:06:09,489 --> 00:06:06,199

the cases that really stand out in my

116

00:06:12,369 --> 00:06:09,499

mind as thinking okay there's something

117

00:06:15,730 --> 00:06:12,379

here this is real

118

00:06:17,800 --> 00:06:15,740

these people are genuine and so I gotta

119

00:06:20,920 --> 00:06:17,810

say you know when I got a chance to talk

120

00:06:23,439 --> 00:06:20,930

with you yesterday that I was really

121

00:06:27,809 --> 00:06:23,449

excited and it was really nice to hear

122

00:06:30,309 --> 00:06:27,819

the actual people behind the story so

123

00:06:34,059 --> 00:06:30,319

I'm gonna start with you Betty if it's

124

00:06:36,040 --> 00:06:34,069

okay and let's talk about you know I

125

00:06:39,730 --> 00:06:36,050

know you had some experiences in

126

00:06:41,980 --> 00:06:39,740

childhood but can we focus on that big

127

00:06:44,230 --> 00:06:41,990

incident that was sort of the

128

00:06:46,149 --> 00:06:44,240

culminating event with your entire

129

00:06:49,360 --> 00:06:46,159

family involved I think you had seven

130

00:06:55,059 --> 00:06:49,370

kids and your mother and father were

131

00:06:56,829 --> 00:06:55,069

also in the house at the same time right

132

00:06:59,649 --> 00:06:56,839

they were they were there with me

133

00:07:03,550 --> 00:06:59,659

because my husband had had an accident

134

00:07:06,639 --> 00:07:03,560

and so he was in the hospital for quite

135

00:07:10,929 --> 00:07:06,649

a while and with the seven kids trying

136

00:07:13,329 --> 00:07:10,939

to make things go strong and right my

137

00:07:16,959 --> 00:07:13,339

mother and father came to stay with me

138

00:07:22,619 --> 00:07:16,969

and it was during that time they also

139

00:07:30,309 --> 00:07:28,179

with my what happened was the lights we

140

00:07:32,110 --> 00:07:30,319

had though the power was going the kids

141

00:07:33,610 --> 00:07:32,120

were watching television my mother and

142

00:07:37,089 --> 00:07:33,620

father were sitting in the living room

143

00:07:40,269 --> 00:07:37,099

with him and I was fair and suddenly the

144

00:07:43,450 --> 00:07:40,279

power went off and we started to see a

145

00:07:45,939 --> 00:07:43,460

reddish orange light coming in through

146

00:07:48,879 --> 00:07:45,949

the kitchen window towards the pantry

147

00:07:52,300 --> 00:07:48,889

and we thought oh there must be a fire

148

00:07:54,670 --> 00:07:52,310

or a police are out there or something

149

00:07:57,760 --> 00:07:54,680

my father had rushed

150

00:08:00,640 --> 00:07:57,770

that's me and went into the kitchen and

151

00:08:02,920 --> 00:08:00,650

actually he was the first to see what

152

00:08:05,770 --> 00:08:02,930

was going on he was looking out the

153

00:08:08,620 --> 00:08:05,780

window to see if it was a the police or

154

00:08:12,969 --> 00:08:08,630

fire truck but making the red light

155

00:08:15,939 --> 00:08:12,979

happened and he happen to see these

156

00:08:18,279 --> 00:08:15,949

little small beings coming down the hill

157

00:08:22,510 --> 00:08:18,289

and he thought that they were kids

158

00:08:27,430 --> 00:08:22,520

dressed up in Halloween costumes as Moon

159

00:08:29,529 --> 00:08:27,440

Man that's what he said and then what

160

00:08:33,420 --> 00:08:29,539

happened was I was out in the kitchen

161

00:08:38,440 --> 00:08:33,430

and at that time and all of a sudden

162

00:08:41,290 --> 00:08:38,450

five beams entered my house right

163

00:08:43,810 --> 00:08:41,300

through the door they did not open it

164

00:08:46,660 --> 00:08:43,820

they just came right through the door

165

00:08:49,360 --> 00:08:46,670

and I spit they're astonished because

166

00:08:54,240 --> 00:08:49,370

wondering what is going on what is this

167

00:08:58,900 --> 00:08:54,250

however in my mind I thought scripture

168

00:09:02,410 --> 00:08:58,910

you know to help me not fear so much and

169

00:09:05,890 --> 00:09:02,420

I heard entertain the strangers but they

170

00:09:08,050 --> 00:09:05,900

may be angels unawares and Who am I to

171

00:09:10,150 --> 00:09:08,060

say what angels are supposed to looked

172

00:09:14,910 --> 00:09:10,160

like it it didn't look like an angel to

173

00:09:18,640 --> 00:09:14,920

me but it did help me to calm down and

174

00:09:23,110 --> 00:09:18,650

as I said the beings were standing there

175

00:09:26,440 --> 00:09:23,120

and the leader was talking to me through

176
00:09:30,190 --> 00:09:26,450
the mind and I'm wondering well what do

177
00:09:32,769 --> 00:09:30,200
they want and what I heard more or less

178
00:09:37,030 --> 00:09:32,779
through the mind was that they wanted

179
00:09:41,380 --> 00:09:37,040
some food and that's what I was thinking

180
00:09:44,230 --> 00:09:41,390
what it was and so I got some meat from

181
00:09:47,410 --> 00:09:44,240
the refrigerator put it on the stove and

182
00:09:50,860 --> 00:09:47,420
I started to cook it and as I did the

183
00:09:52,900 --> 00:09:50,870
smoke came up from the meat and all of a

184
00:09:55,690 --> 00:09:52,910
sudden the beings jumped back like

185
00:09:59,019 --> 00:09:55,700
straddled what what's going on and then

186
00:10:02,920 --> 00:09:59,029
he again talked with me through the mind

187
00:10:05,860 --> 00:10:02,930
and he says no no we don't want that

188
00:10:07,510 --> 00:10:05,870

tried by fire we want knowledge tried by

189

00:10:11,139 --> 00:10:07,520

fire

190

00:10:14,199 --> 00:10:11,149

so I thought whoa what could that be and

191

00:10:16,449 --> 00:10:14,209

then I thought well maybe the Bible I've

192

00:10:18,639 --> 00:10:16,459

got the Bible in the other room that's

193

00:10:21,579 --> 00:10:18,649

been around for a long time so it's like

194

00:10:26,380 --> 00:10:21,589

it's been tried by fire too to be able

195

00:10:29,590 --> 00:10:26,390

to last hundreds of years and so we went

196

00:10:32,680 --> 00:10:29,600

into the living room and when we got

197

00:10:35,500 --> 00:10:32,690

into the living room I looked over at

198

00:10:38,230 --> 00:10:35,510

the couch and all my children plus my

199

00:10:43,120 --> 00:10:38,240

mother were sitting there as if they

200

00:10:45,699 --> 00:10:43,130

were just suspended in animation was

201
00:10:49,230 --> 00:10:45,709
going on they weren't moving at all and

202
00:10:52,210 --> 00:10:49,240
this kind of worried me at that time and

203
00:10:55,870 --> 00:10:52,220
what happened was that beings came in

204
00:10:58,840 --> 00:10:55,880
and stood there with me and I I took the

205
00:11:01,329 --> 00:10:58,850
Bible off the end table and passed it to

206
00:11:04,600 --> 00:11:01,339
the leader and when he reached out his

207
00:11:07,900 --> 00:11:04,610
hand I could see three fingers so I was

208
00:11:10,660 --> 00:11:07,910
seeing what he looked like he had her on

209
00:11:13,750 --> 00:11:10,670
a blue suit and they had a golden

210
00:11:16,810 --> 00:11:13,760
colored belt with a sash on it and I

211
00:11:19,960 --> 00:11:16,820
noticed also they had like an eagle

212
00:11:23,500 --> 00:11:19,970
emblem on their the upper part of their

213
00:11:27,579 --> 00:11:23,510

arm on their suits and what I did was I

214

00:11:29,680 --> 00:11:27,589

cast him that Bible and he in turn put

215

00:11:32,470 --> 00:11:29,690

it in his hand and he waved his hand

216

00:11:36,310 --> 00:11:32,480

over it and on top of it came three

217

00:11:39,010 --> 00:11:36,320

other small books and he passed them to

218

00:11:42,699 --> 00:11:39,020

the three other beings that were beside

219

00:11:46,600 --> 00:11:42,709

so so so what happened was he was able

220

00:11:48,720 --> 00:11:46,610

to swipe his hand over the the book the

221

00:11:54,250 --> 00:11:48,730

Bible book that you handed him and

222

00:11:56,560 --> 00:11:54,260

instantly copies were manifested and he

223

00:11:58,720 --> 00:11:56,570

was passing them along to his colleagues

224

00:12:02,019 --> 00:11:58,730

there and they were three of the world

225

00:12:04,690 --> 00:12:02,029

to him but what the other one evidently

226
00:12:07,300 --> 00:12:04,700
had gone over to where my father was in

227
00:12:10,449 --> 00:12:07,310
the pantry area there was a half wall

228
00:12:13,960 --> 00:12:10,459
there and then the kitchen area inside

229
00:12:16,300 --> 00:12:13,970
there and I did not see him at that time

230
00:12:19,600 --> 00:12:16,310
so evidently the being had been left

231
00:12:22,540 --> 00:12:19,610
there with him when they came in when

232
00:12:24,250 --> 00:12:22,550
came into the living room and he passed

233
00:12:28,810 --> 00:12:24,260
him to the three beings that were

234
00:12:30,850 --> 00:12:28,820
standing beside him and they the pages

235
00:12:32,710 --> 00:12:30,860
just moved one after another after

236
00:12:35,200 --> 00:12:32,720
another and it would look like white

237
00:12:39,220 --> 00:12:35,210
light I didn't see any writing on it

238
00:12:44,440 --> 00:12:39,230

just white light was going at it has

239

00:12:47,590 --> 00:12:44,450

each page moved and I don't know what

240

00:12:51,160 --> 00:12:47,600

they were doing there was no words there

241

00:12:53,500 --> 00:12:51,170

so I don't know exactly how he was able

242

00:12:56,380 --> 00:12:53,510

to transform the Bible into those three

243

00:13:00,580 --> 00:12:56,390

send books but that's what he did and

244

00:13:02,890 --> 00:13:00,590

then I was really worried with everybody

245

00:13:05,800 --> 00:13:02,900

just Stan you know sitting on the couch

246

00:13:07,540 --> 00:13:05,810

they are not moving at all and so the

247

00:13:09,880 --> 00:13:07,550

leader saw that I was a little bit

248

00:13:13,000 --> 00:13:09,890

nervous about that and he took my

249

00:13:16,870 --> 00:13:13,010

daughter Becky out of that state and she

250

00:13:19,960 --> 00:13:16,880

stood up and she was watching what was

251
00:13:25,240 --> 00:13:19,970
going on but she was just standing there

252
00:13:27,940 --> 00:13:25,250
and he gave me a thin blue book to hold

253
00:13:30,160 --> 00:13:27,950
on to and he said to me that you're

254
00:13:33,400 --> 00:13:30,170
allowed to keep this for ten days and

255
00:13:36,010 --> 00:13:33,410
then I will take it back but I think it

256
00:13:38,350 --> 00:13:36,020
was some type of initiation whatever was

257
00:13:43,510 --> 00:13:38,360
in it I was supposed to grasp as much

258
00:13:48,640 --> 00:13:43,520
information from it now how big was that

259
00:13:52,690 --> 00:13:48,650
book anyway what did it look like it was

260
00:13:57,700 --> 00:13:52,700
like a flat cover to it it was very

261
00:14:05,310 --> 00:13:57,710
small oh I'd say about five five inches

262
00:14:12,550 --> 00:14:09,310
and and you said when you looked in it

263
00:14:15,790 --> 00:14:12,560

you couldn't recognize what it said

264

00:14:21,120 --> 00:14:15,800

right well I was seeing some pictures in

265

00:14:24,190 --> 00:14:21,130

there and it was some strange writing so

266

00:14:27,490 --> 00:14:24,200

when I was drawing from it was because

267

00:14:30,310 --> 00:14:27,500

of the pictures you know being an

268

00:14:32,920 --> 00:14:30,320

amateur artist I was trying to figure

269

00:14:37,060 --> 00:14:32,930

out what are these things you know

270

00:14:40,930 --> 00:14:37,070

and so I kept on looking at it but then

271

00:14:43,690 --> 00:14:40,940

after that I put the small book down on

272

00:14:45,400 --> 00:14:43,700

the end table and I don't know what

273

00:14:48,370 --> 00:14:45,410

happened to the Bible if they took it

274

00:14:55,480 --> 00:14:48,380

with them or not that was Becky's Bible

275

00:14:59,430 --> 00:14:55,490

and it wasn't there any longer hmm now

276
00:15:03,910 --> 00:14:59,440
you mentioned you know Becky because

277
00:15:07,900 --> 00:15:03,920
they had actually sort of let her come

278
00:15:11,350 --> 00:15:07,910
back to animation when you had given

279
00:15:13,269 --> 00:15:11,360
them I guess did you say something to

280
00:15:15,340 --> 00:15:13,279
indicate that you know you were upset

281
00:15:18,460 --> 00:15:15,350
about seeing your family in that state

282
00:15:20,829 --> 00:15:18,470
or did they just sense it from you that

283
00:15:22,690 --> 00:15:20,839
you know that bothered you that you were

284
00:15:25,660 --> 00:15:22,700
seeing your kids and your mom sitting

285
00:15:28,900 --> 00:15:25,670
there you know basically like stones you

286
00:15:32,560 --> 00:15:28,910
know yeah I think that the leaders sense

287
00:15:35,579 --> 00:15:32,570
that I was upset to see them just

288
00:15:38,640 --> 00:15:35,589

standing and sitting there you know so

289

00:15:41,440 --> 00:15:38,650

to assure me that they were all right

290

00:15:44,579 --> 00:15:41,450

that's why I think they took Becky out

291

00:15:48,970 --> 00:15:44,589

of that status in suspended animation

292

00:15:51,910 --> 00:15:48,980

hmm and you know it's funny because I

293

00:15:54,760 --> 00:15:51,920

don't know your other children I I do

294

00:15:58,449 --> 00:15:54,770

know Betty and I know that she has some

295

00:16:01,210 --> 00:15:58,459

you know kind of extra abilities and do

296

00:16:04,870 --> 00:16:01,220

you think that because she was the one

297

00:16:08,650 --> 00:16:04,880

that you know had the encounter in that

298

00:16:10,630 --> 00:16:08,660

way that she that added to her abilities

299

00:16:12,730 --> 00:16:10,640

in some way or do you think they chose

300

00:16:21,870 --> 00:16:12,740

her because she already had those

301

00:16:26,980 --> 00:16:21,880

abilities well the thing is Becky had

302

00:16:31,269 --> 00:16:26,990

dream I had after the experience I had

303

00:16:33,550 --> 00:16:31,279

just memory of one of the beings being

304

00:16:36,220 --> 00:16:33,560

there and I knew what it looked like

305

00:16:40,150 --> 00:16:36,230

with a large head the big black eyes and

306

00:16:43,000 --> 00:16:40,160

everything and that memory I had and the

307

00:16:46,390 --> 00:16:43,010

thing was Becky came to me about three

308

00:16:49,600 --> 00:16:46,400

or four days after and she says mommy

309

00:16:53,200 --> 00:16:49,610

I'm having a terrible dream and she

310

00:16:56,740 --> 00:16:53,210

explained what it was that she saw these

311

00:17:00,700 --> 00:16:56,750

strange people in her house and with the

312

00:17:03,400 --> 00:17:00,710

big eyes and the big head and I realized

313

00:17:06,670 --> 00:17:03,410

oh something happened you know and I

314

00:17:09,040 --> 00:17:06,680

remembered the thin book I had that I

315

00:17:11,500 --> 00:17:09,050

had hidden in the closet because they

316

00:17:13,750 --> 00:17:11,510

told me I had it for 10 days and I

317

00:17:15,730 --> 00:17:13,760

didn't want it you know just laying

318

00:17:19,060 --> 00:17:15,740

around there so I had put it in my

319

00:17:22,900 --> 00:17:19,070

closet and and I was remembering just

320

00:17:26,350 --> 00:17:22,910

the one being at first you know after it

321

00:17:29,260 --> 00:17:26,360

all had happened and the thing was is

322

00:17:31,930 --> 00:17:29,270

she told me well I had a dream and I'm

323

00:17:34,900 --> 00:17:31,940

afraid you know it's okay honey I'm

324

00:17:37,960 --> 00:17:34,910

going to show you something but don't

325

00:17:40,480 --> 00:17:37,970

you tell anybody and so I went into the

326

00:17:45,280 --> 00:17:40,490

bedroom with her and I got the thin blue

327

00:17:48,820 --> 00:17:45,290

book down from the closet and I held it

328

00:17:52,330 --> 00:17:48,830

out and she put her hand on it and when

329

00:17:55,180 --> 00:17:52,340

she did all of a sudden she had sparkles

330

00:17:57,820 --> 00:17:55,190

all over her hand now I don't know if

331

00:18:01,540 --> 00:17:57,830

she received some kind of a touch from

332

00:18:08,650 --> 00:18:01,550

the book at that point or what happened

333

00:18:11,650 --> 00:18:08,660

but she is green was it when you said

334

00:18:16,300 --> 00:18:11,660

sparkles was it like like an electrical

335

00:18:20,050 --> 00:18:16,310

thing or was it like fairy dust or what

336

00:18:22,540 --> 00:18:20,060

was it like well I would think it would

337

00:18:26,950 --> 00:18:22,550

be more like a dust with but they were

338

00:18:30,220 --> 00:18:26,960

very sparkly on her hand and you know it

339

00:18:35,380 --> 00:18:30,230

amazed me I mean when I held it I I

340

00:18:38,530 --> 00:18:35,390

think it sparkly things on me but Becky

341

00:18:40,840 --> 00:18:38,540

did and I said now don't please don't

342

00:18:42,400 --> 00:18:40,850

tell anything and don't tell the your

343

00:18:44,590 --> 00:18:42,410

brothers and sisters because I don't

344

00:18:48,310 --> 00:18:44,600

want you to frighten them you know and

345

00:18:51,540 --> 00:18:48,320

as I said afterwards after the whole

346

00:18:55,360 --> 00:18:51,550

experience I went through what I had

347

00:18:58,780 --> 00:18:55,370

remembered was just one being with the

348

00:18:59,470 --> 00:18:58,790

big eyes and the big hit and at that

349

00:19:03,640 --> 00:18:59,480

time

350

00:19:06,610 --> 00:19:03,650

I had seen an article now this is quite

351

00:19:10,080 --> 00:19:06,620

a few years after I had seen an article

352

00:19:13,750 --> 00:19:10,090

that dr. Hynek had put in a newspaper

353

00:19:17,950 --> 00:19:13,760

asking if anything anyone has seen any

354

00:19:21,150 --> 00:19:17,960

strange things - please write to him and

355

00:19:24,100 --> 00:19:21,160

this is what I did I drew a picture of

356

00:19:27,940 --> 00:19:24,110

one of the beings that I had seen and

357

00:19:30,640 --> 00:19:27,950

drew all the description of it and I

358

00:19:34,900 --> 00:19:30,650

sent it in to the Center for UFO studies

359

00:19:38,260 --> 00:19:34,910

and it was three years later it took

360

00:19:42,160 --> 00:19:38,270

three years before anybody started to

361

00:19:46,000 --> 00:19:42,170

work with it and there was a team of

362

00:19:49,570 --> 00:19:46,010

investigators in Massachusetts that were

363

00:19:52,900 --> 00:19:49,580

looking for anything concerning a hybrid

364

00:19:56,290 --> 00:19:52,910

and so they got in touch with dr. Hynek

365

00:19:58,720 --> 00:19:56,300

and he in turn sent him my letter that

366

00:20:00,940 --> 00:19:58,730

he had filed away for three years and

367

00:20:03,970 --> 00:20:00,950

that's when they got in touch with me

368

00:20:06,430 --> 00:20:03,980

and asked me if I would undergo

369

00:20:08,710 --> 00:20:06,440

regressive hypnosis to see what had

370

00:20:11,020 --> 00:20:08,720

happened hmm

371

00:20:17,470 --> 00:20:11,030

and was there a hybrid aspect to your

372

00:20:22,090 --> 00:20:17,480

story well I know that they checked me I

373

00:20:23,740 --> 00:20:22,100

was taken aboard the craft and they

374

00:20:26,350 --> 00:20:23,750

checked me with me told us of

375

00:20:28,930 --> 00:20:26,360

procreation and they were kind of

376

00:20:31,120 --> 00:20:28,940

stunned they pulled out like a spool

377

00:20:34,180 --> 00:20:31,130

with some kind of material on it like

378

00:20:36,600 --> 00:20:34,190

web-like material on it and it seemed as

379

00:20:39,490 --> 00:20:36,610

if they were reading it or something and

380

00:20:44,020 --> 00:20:39,500

they spend more or less that something

381

00:20:52,930 --> 00:20:44,030

was missing and what it was is I had had

382

00:20:56,410 --> 00:20:52,940

a hysterectomy oh wow hmm so you think

383

00:20:59,080 --> 00:20:56,420

if that had not happened that might have

384

00:21:03,250 --> 00:20:59,090

been part of what they were going to do

385

00:21:11,670 --> 00:21:03,260

with you it's a possibility yes there's

386

00:21:12,850 --> 00:21:11,680

a very big possibility mmm and now did

387

00:21:16,299 --> 00:21:12,860

when

388

00:21:19,570 --> 00:21:16,309

you're on the craft you nobody else from

389

00:21:26,590 --> 00:21:19,580

your family was in there right no no one

390

00:21:30,970 --> 00:21:26,600

but just me and being and when was it

391

00:21:34,720 --> 00:21:30,980

that you got to the point was it on this

392

00:21:37,840 --> 00:21:34,730

particular occasion that you were taken

393

00:21:41,970 --> 00:21:37,850

to see the being that you or that they

394

00:21:44,919 --> 00:21:41,980

termed the one it was during this

395

00:21:50,200 --> 00:21:44,929

experience yes I was taken before the

396

00:21:52,030 --> 00:21:50,210

one and it was Brian you described that

397

00:21:55,090 --> 00:21:52,040

that part of the experience

398

00:21:57,159 --> 00:21:55,100

sure well first of all they had me

399

00:22:00,250 --> 00:21:57,169

aboard the craft and we went through

400

00:22:02,500 --> 00:22:00,260

this green atmosphere and we were on a

401
00:22:05,230 --> 00:22:02,510
track there was two beings it was one in

402
00:22:07,180 --> 00:22:05,240
front of me and one in back of me and we

403
00:22:10,900 --> 00:22:07,190
had gone through some other areas and

404
00:22:12,549 --> 00:22:10,910
they had a black hood on their heads for

405
00:22:15,580 --> 00:22:12,559
some reason they didn't give me any

406
00:22:17,980 --> 00:22:15,590
because I had dark long hair and we're

407
00:22:20,560 --> 00:22:17,990
riding along walking on I shouldn't say

408
00:22:23,409 --> 00:22:20,570
walking with is more like riding we were

409
00:22:26,140 --> 00:22:23,419
standing and moving along and it was a

410
00:22:31,840 --> 00:22:26,150
green atmosphere and it was like a green

411
00:22:34,930 --> 00:22:31,850
ocean underneath the track that ran

412
00:22:37,450 --> 00:22:34,940
along and I looked off to the left-hand

413
00:22:41,560 --> 00:22:37,460

side first of all I saw something that

414

00:22:43,900 --> 00:22:41,570

looked like it looked like a plane of

415

00:22:45,909 --> 00:22:43,910

some kind and you're playing or

416

00:22:48,880 --> 00:22:45,919

something of some flying kind in the

417

00:22:52,120 --> 00:22:48,890

green atmosphere but as we moved along I

418

00:22:56,740 --> 00:22:52,130

looked over to the left and there was a

419

00:23:00,669 --> 00:22:56,750

city there with large domes in pinnacle

420

00:23:03,669 --> 00:23:00,679

of light and the tracks were running in

421

00:23:06,130 --> 00:23:03,679

and out of the city it was quite a

422

00:23:10,000 --> 00:23:06,140

distance from where the track was that

423

00:23:12,880 --> 00:23:10,010

we were on and we're right in mid air

424

00:23:16,390 --> 00:23:12,890

right you know moving along on this

425

00:23:20,040 --> 00:23:16,400

track and the thing is we kept on moving

426

00:23:24,900 --> 00:23:20,050

and then all of a sudden I also saw

427

00:23:27,910 --> 00:23:24,910

pyramid type buildings on some land and

428

00:23:33,300 --> 00:23:27,920

there was like a

429

00:23:35,950 --> 00:23:33,310

like a Gyptian head with this kind of

430

00:23:39,520 --> 00:23:35,960

headpiece they would wear like a

431

00:23:42,250 --> 00:23:39,530

kerchief and that was a bull on top of a

432

00:23:44,410 --> 00:23:42,260

three-sided pyramid only this

433

00:23:48,700 --> 00:23:44,420

three-sided parent Mendel is strange

434

00:23:52,270 --> 00:23:48,710

because it had like white siding on the

435

00:23:56,050 --> 00:23:52,280

side of it and flat in the front and

436

00:23:57,910 --> 00:23:56,060

then indented and and and dented on the

437

00:24:01,360 --> 00:23:57,920

other side to make the other two sides

438

00:24:04,330 --> 00:24:01,370

so it was a three-sided pyramid and then

439

00:24:08,070 --> 00:24:04,340

that head was on the top of it we

440

00:24:12,180 --> 00:24:08,080

continue to move and as we moved along

441

00:24:15,880 --> 00:24:12,190

it was getting very bright and beautiful

442

00:24:19,270 --> 00:24:15,890

it the atmosphere was just beautiful

443

00:24:24,190 --> 00:24:19,280

green and as we moved along I could see

444

00:24:27,850 --> 00:24:24,200

also these beautiful crystals in mid-air

445

00:24:31,000 --> 00:24:27,860

they were just there in midair and we're

446

00:24:33,670 --> 00:24:31,010

moving toward them and as we move toward

447

00:24:36,130 --> 00:24:33,680

them I could see they were different

448

00:24:39,790 --> 00:24:36,140

colors were shining all around from them

449

00:24:43,720 --> 00:24:39,800

it's really beautiful and by the way I

450

00:24:46,840 --> 00:24:43,730

have experienced that once again but

451
00:24:51,700 --> 00:24:46,850
anyway we move through that area and

452
00:24:54,820 --> 00:24:51,710
move closer toward very very bright

453
00:24:59,020 --> 00:24:54,830
light and the light as we move toward

454
00:25:03,100 --> 00:24:59,030
that bright light I know this may sound

455
00:25:05,620 --> 00:25:03,110
so unusual and crazy but this is what

456
00:25:11,080 --> 00:25:05,630
happened all I can do is explain it and

457
00:25:14,410 --> 00:25:11,090
up ahead was this huge bird a huge look

458
00:25:16,810 --> 00:25:14,420
like an eagle and it had its wings down

459
00:25:19,540 --> 00:25:16,820
and I could see the fluttering of the

460
00:25:21,810 --> 00:25:19,550
feathers on the wings as it was the

461
00:25:26,020 --> 00:25:21,820
wings were down almost like it was

462
00:25:28,270 --> 00:25:26,030
protecting somehow because there was

463
00:25:29,980 --> 00:25:28,280

bright light in back of it that kept

464

00:25:32,830 --> 00:25:29,990

streaking out in all different

465

00:25:38,430 --> 00:25:32,840

directions real bright white light and

466

00:25:40,540 --> 00:25:38,440

it was like that ego the huge bird was

467

00:25:44,140 --> 00:25:40,550

helping to keep it

468

00:25:48,790 --> 00:25:44,150

down from getting too bright and it

469

00:25:52,630 --> 00:25:48,800

became extremely warm and as I move

470

00:25:56,350 --> 00:25:52,640

closer the two smaller beings moved to

471

00:25:58,900 --> 00:25:56,360

the side off the track and took the

472

00:26:01,480 --> 00:25:58,910

hoods off of their head and I was

473

00:26:04,090 --> 00:26:01,490

supposed to go up closer to the Eagle

474

00:26:07,150 --> 00:26:04,100

that was there but it was getting so hot

475

00:26:09,700 --> 00:26:07,160

I could barely stand it and they were

476

00:26:12,850 --> 00:26:09,710

all sparks of light flying all over the

477

00:26:13,360 --> 00:26:12,860

place besides a bright light in back of

478

00:26:21,160 --> 00:26:13,370

it

479

00:26:24,070 --> 00:26:21,170

from that bright light getting to me or

480

00:26:27,820 --> 00:26:24,080

something it was just strange with all

481

00:26:31,390 --> 00:26:27,830

the lights you know all around like that

482

00:26:34,180 --> 00:26:31,400

and then suddenly it was getting so so

483

00:26:37,780 --> 00:26:34,190

warm I don't know what happened if I

484

00:26:42,180 --> 00:26:37,790

passed out or what happened but the next

485

00:26:46,419 --> 00:26:42,190

thing I remember waking and there's a

486

00:26:49,630 --> 00:26:46,429

huge pile gray pile of ashes that were

487

00:26:53,260 --> 00:26:49,640

still burning and I'm wondering you know

488

00:26:58,330 --> 00:26:53,270

what is going on this is so strange and

489

00:27:04,240 --> 00:26:58,340

out of those ashes was a huge thick grey

490

00:27:08,350 --> 00:27:04,250

worm that came forth and then the light

491

00:27:12,549 --> 00:27:08,360

was all around and all of a sudden I

492

00:27:16,240 --> 00:27:12,559

heard somebody call my name and he

493

00:27:19,000 --> 00:27:16,250

called my name very again and I'm

494

00:27:21,549 --> 00:27:19,010

wondering what is going on I'm fearful

495

00:27:24,250 --> 00:27:21,559

at that point because the light is so

496

00:27:26,970 --> 00:27:24,260

bright and someone is talking to me but

497

00:27:32,490 --> 00:27:26,980

I can't see any figure or form just

498

00:27:39,790 --> 00:27:32,500

extremely bright light and the farm the

499

00:27:44,290 --> 00:27:39,800

boy said to me Betty Betty I have chosen

500

00:27:47,770 --> 00:27:44,300

you to show the world and then after I

501

00:27:52,780 --> 00:27:47,780

thought what is what is this is it God

502

00:27:54,170 --> 00:27:52,790

is what is this that is happening and he

503

00:27:57,260 --> 00:27:54,180

said you have seen

504

00:28:00,050 --> 00:27:57,270

and you have heard do you understand and

505

00:28:03,920 --> 00:28:00,060

I said no I don't understand I don't

506

00:28:08,990 --> 00:28:03,930

even know why I am here and at that

507

00:28:13,940 --> 00:28:09,000

point I thought it must be the Lord that

508

00:28:18,440 --> 00:28:13,950

is there and it just was such a strange

509

00:28:20,600 --> 00:28:18,450

experience it's very hard to explain it

510

00:28:27,100 --> 00:28:20,610

because I feel it each time I do try to

511

00:28:31,400 --> 00:28:27,110

explain how how extremely unusual it was

512

00:28:33,740 --> 00:28:31,410

after that I went back with two small

513

00:28:38,500 --> 00:28:33,750

beings that were dressed in silver suits

514

00:28:41,660 --> 00:28:38,510

at that time they had been in the the

515

00:28:44,960 --> 00:28:41,670

room where I had been examined and

516

00:28:49,220 --> 00:28:44,970

everything and those beings were wearing

517

00:28:51,970 --> 00:28:49,230

just a silver suit and someone had been

518

00:28:57,020 --> 00:28:51,980

in front of me a one in back of me and

519

00:29:01,040 --> 00:28:57,030

we started back to through the green

520

00:29:05,480 --> 00:29:01,050

atmosphere and from the green atmosphere

521

00:29:09,260 --> 00:29:05,490

we went into this area it was a swirling

522

00:29:11,660 --> 00:29:09,270

wind like and we moved right through it

523

00:29:13,970 --> 00:29:11,670

the beans are those two beings had put

524

00:29:17,770 --> 00:29:13,980

the black hoods back on their heads and

525

00:29:21,350 --> 00:29:17,780

we moved into this red atmosphere it was

526
00:29:24,700 --> 00:29:21,360
vibrating red we had been in there when

527
00:29:26,750 --> 00:29:24,710
we came through in the first place and

528
00:29:29,090 --> 00:29:26,760
there were these strange little

529
00:29:30,920 --> 00:29:29,100
creatures crawling all over and there

530
00:29:33,620 --> 00:29:30,930
were some buildings there but there was

531
00:29:37,070 --> 00:29:33,630
no vegetation at all in this area it was

532
00:29:40,850 --> 00:29:37,080
just square buildings with wood windows

533
00:29:42,830 --> 00:29:40,860
just openings like a window and they

534
00:29:45,320 --> 00:29:42,840
were crawling all over the place and

535
00:29:48,500 --> 00:29:45,330
they looked very strange they were

536
00:29:50,330 --> 00:29:48,510
bright red they had two stalks right by

537
00:29:53,180 --> 00:29:50,340
the neck they had two stalks that came

538
00:29:57,190 --> 00:29:53,190

up and their eyes were on the ends of

539

00:30:00,950 --> 00:29:57,200

those stalks and they were very fearful

540

00:30:03,680 --> 00:30:00,960

to me because I thought well they could

541

00:30:06,830 --> 00:30:03,690

you know the beans had these silver

542

00:30:07,740 --> 00:30:06,840

suits on plus the black hoods but they

543

00:30:09,900 --> 00:30:07,750

didn't provide

544

00:30:12,300 --> 00:30:09,910

me with anything like that you know no

545

00:30:14,700 --> 00:30:12,310

good to cover myself and it seemed like

546

00:30:17,130 --> 00:30:14,710

they were covering themselves because of

547

00:30:20,280 --> 00:30:17,140

this red atmosphere and these creatures

548

00:30:24,360 --> 00:30:20,290

that we were passing through to get to

549

00:30:26,880 --> 00:30:24,370

the other side oh my gosh this is all so

550

00:30:29,040 --> 00:30:26,890

amazing Betty we're gonna have to take a

551
00:30:30,390 --> 00:30:29,050
break but we're going to continue with

552
00:30:32,130 --> 00:30:30,400
this story and I want to hear a little

553
00:30:35,520 --> 00:30:32,140
bit more about that one when we get back

554
00:30:38,370 --> 00:30:35,530
but also I think we ought to give Bob a

555
00:30:40,700 --> 00:30:38,380
chance to talk and but if you don't tell

556
00:30:44,190 --> 00:30:40,710
us a little bit about his experience and

557
00:30:46,440 --> 00:30:44,200
also what happened you know what's

558
00:30:49,200 --> 00:30:46,450
happened with the two of you since all

559
00:30:50,730 --> 00:30:49,210
this went on so including some

560
00:30:52,680 --> 00:30:50,740
harassment that you've had to undergo

561
00:30:54,960 --> 00:30:52,690
which is it's really quite terrible it

562
00:30:57,210 --> 00:30:54,970
but it seems to be ongoing so we're

563
00:30:59,250 --> 00:30:57,220

gonna take a break right now you're

564

00:31:01,860 --> 00:30:59,260

listening to night vision radio with

565

00:31:04,010 --> 00:31:01,870

betty andreas and luca and bob luca and

566

00:31:06,480 --> 00:31:04,020

myself renee burnett we'll be right back

567

00:31:08,040 --> 00:31:06,490

hey thanks for hanging in there with us

568

00:31:11,100 --> 00:31:08,050

and if you're just joining us you're

569

00:31:13,380 --> 00:31:11,110

listening to night vision radio and i'm

570

00:31:16,950 --> 00:31:13,390

renee barnett your host tonight my

571

00:31:19,560 --> 00:31:16,960

guests betty andreas and luca and bob

572

00:31:22,940 --> 00:31:19,570

Luca they're talking with us about their

573

00:31:25,770 --> 00:31:22,950

experiences with alien abduction and

574

00:31:27,630 --> 00:31:25,780

subsequent issues that have come into

575

00:31:30,890 --> 00:31:27,640

play since then

576

00:31:35,400 --> 00:31:30,900

in other words harassment by certain

577

00:31:39,170 --> 00:31:35,410

agencies and other shadowy people so but

578

00:31:41,520 --> 00:31:39,180

before we get into the bad stuff Betty

579

00:31:45,360 --> 00:31:41,530

could you tell us a little bit more when

580

00:31:48,750 --> 00:31:45,370

you were in the presence of who you

581

00:31:52,110 --> 00:31:48,760

called the one can you tell me what it

582

00:31:54,210 --> 00:31:52,120

was that you were feeling I know before

583

00:31:55,680 --> 00:31:54,220

you you had been afraid because you

584

00:31:57,810 --> 00:31:55,690

didn't know what was going on here was

585

00:32:01,140 --> 00:31:57,820

this gigantic bird and all this stuff

586

00:32:04,350 --> 00:32:01,150

going on in this bright light and then

587

00:32:07,820 --> 00:32:04,360

but once you got in the presence of that

588

00:32:11,970 --> 00:32:07,830

being what was your feeling an emotion

589

00:32:14,910 --> 00:32:11,980

well after he said I have chosen you to

590

00:32:18,570 --> 00:32:14,920

show the world I'm just wondering what

591

00:32:21,510 --> 00:32:18,580

is going on you know I'm just just a

592

00:32:25,889 --> 00:32:21,520

young young woman

593

00:32:28,980 --> 00:32:25,899

how can I be use to show the world

594

00:32:31,649 --> 00:32:28,990

something and as time went by I had many

595

00:32:35,070 --> 00:32:31,659

more encounters as you know this in five

596

00:32:37,529 --> 00:32:35,080

books written I've got Bob and I are

597

00:32:40,139 --> 00:32:37,539

working on the sixth or because I've had

598

00:32:41,669 --> 00:32:40,149

another experience with the one and I

599

00:32:46,980 --> 00:32:41,679

think it's more of a personal experience

600

00:32:52,139 --> 00:32:46,990

where it was directed directly to me but

601
00:32:56,149 --> 00:32:52,149
you know it's it has been hard and as we

602
00:33:02,190 --> 00:32:56,159
get older it's hard for me to remember

603
00:33:06,090 --> 00:33:02,200
oh well isn't that true for all of us is

604
00:33:10,980 --> 00:33:06,100
extremely important and yes I think I

605
00:33:13,620 --> 00:33:10,990
fear because of the now I know and I

606
00:33:16,200 --> 00:33:13,630
believe I know because I was given

607
00:33:24,510 --> 00:33:16,210
something that I will be putting into

608
00:33:26,010 --> 00:33:24,520
the book how great the one is mm-hmm

609
00:33:29,130 --> 00:33:26,020
when you say you were given something

610
00:33:35,130 --> 00:33:29,140
you mean in terms of knowledge in terms

611
00:33:39,769 --> 00:33:35,140
of yes knowledge and also in being an

612
00:33:44,519 --> 00:33:39,779
amateur artist I started off with a

613
00:33:47,610 --> 00:33:44,529

picture and asking the one to please

614

00:33:50,370 --> 00:33:47,620

show me what it is all about and it

615

00:33:52,649 --> 00:33:50,380

started to expand and expand and expand

616

00:33:56,580 --> 00:33:52,659

and it opened up more and more to me and

617

00:34:01,049 --> 00:33:56,590

that's what I hope might be extremely

618

00:34:03,990 --> 00:34:01,059

helpful for the world oh that's that's

619

00:34:07,019 --> 00:34:04,000

good you know I wanted to ask you if you

620

00:34:10,169 --> 00:34:07,029

felt that they'd given you any

621

00:34:13,919 --> 00:34:10,179

information that you know the rest of us

622

00:34:15,780 --> 00:34:13,929

need to know that would help us or do

623

00:34:18,599 --> 00:34:15,790

you feel like they aren't here to help

624

00:34:20,669 --> 00:34:18,609

us or because it sounds like your

625

00:34:25,230 --> 00:34:20,679

experience was generally positive it's

626

00:34:28,200 --> 00:34:25,240

strange but it was very positive yeah it

627

00:34:31,680 --> 00:34:28,210

was very positive it's just that when

628

00:34:34,379 --> 00:34:31,690

you're in and with the unknown you know

629

00:34:35,250 --> 00:34:34,389

you tend to fear somewhat you know

630

00:34:36,829 --> 00:34:35,260

because

631

00:34:43,109 --> 00:34:36,839

you don't know what's going to happen

632

00:34:47,339 --> 00:34:43,119

we're just human he did give some things

633

00:34:49,559 --> 00:34:47,349

he spoke about where they're those

634

00:34:52,139 --> 00:34:49,569

particular beings are keepers of nature

635

00:34:54,419 --> 00:34:52,149

and all natural form so evidently they

636

00:34:56,760 --> 00:34:54,429

watch over the earth and what's

637

00:34:59,220 --> 00:34:56,770

happening and can see the problems that

638

00:35:03,870 --> 00:34:59,230

we have you know and what we're doing to

639

00:35:07,650 --> 00:35:03,880

the planet so a lot of these things they

640

00:35:10,019 --> 00:35:07,660

were showing you know for me to

641

00:35:13,920 --> 00:35:10,029

understand that we're in trouble right

642

00:35:20,670 --> 00:35:13,930

now you know but things can change if we

643

00:35:25,260 --> 00:35:20,680

can change do you feel like they're able

644

00:35:29,039 --> 00:35:25,270

to intervene in any way they doing some

645

00:35:30,870 --> 00:35:29,049

respect because being keeps us in nature

646

00:35:34,710 --> 00:35:30,880

and all-natural from they've been here

647

00:35:37,859 --> 00:35:34,720

since our very beginning and so know a

648

00:35:43,589 --> 00:35:37,869

lot of people think well those are

649

00:35:45,809 --> 00:35:43,599

angels the thing is what else is there

650

00:35:49,019 --> 00:35:45,819

you know and a lot of people don't

651
00:35:53,160 --> 00:35:49,029
realize that God has made many things

652
00:35:57,809 --> 00:35:53,170
and many the human race the angelic race

653
00:36:01,200 --> 00:35:57,819
the beings being angelic race could have

654
00:36:04,710 --> 00:36:01,210
different looks and different degrees of

655
00:36:10,279 --> 00:36:04,720
what their jobs are to do we you know

656
00:36:19,559 --> 00:36:16,170
right well you know it would it would be

657
00:36:20,940 --> 00:36:19,569
I guess in a way if something happened I

658
00:36:24,390 --> 00:36:20,950
mean I would think if something like

659
00:36:27,839 --> 00:36:24,400
that happened to me then later I might

660
00:36:28,829 --> 00:36:27,849
start to question you know was you know

661
00:36:32,760 --> 00:36:28,839
was I dreaming

662
00:36:35,789 --> 00:36:32,770
did you know am I going crazy but what

663
00:36:40,230 --> 00:36:35,799

you had was a real gift in that because

664

00:36:42,390 --> 00:36:40,240

they did allow Becky to sort of come

665

00:36:44,819 --> 00:36:42,400

back to consciousness as well during the

666

00:36:46,380 --> 00:36:44,829

incident you never had to really

667

00:36:47,810 --> 00:36:46,390

question whether something really

668

00:36:49,890 --> 00:36:47,820

happened or not

669

00:36:52,560 --> 00:36:49,900

because there was always this other

670

00:36:58,880 --> 00:36:52,570

person that it happened to as well so it

671

00:37:01,890 --> 00:36:58,890

wasn't like okay I'm not crazy I mean

672

00:37:04,920 --> 00:37:01,900

what happened when she was a baby she

673

00:37:09,750 --> 00:37:04,930

was just about two or three years old

674

00:37:15,720 --> 00:37:09,760

and the thing was she we were living in

675

00:37:18,630 --> 00:37:15,730

the apartment ground apartment and I was

676
00:37:20,940 --> 00:37:18,640
home with the children and the two were

677
00:37:24,540 --> 00:37:20,950
born at that time which was back in and

678
00:37:28,680 --> 00:37:24,550
my son Jimmy and she was taken out of

679
00:37:33,870 --> 00:37:28,690
the house and somebody came knocking at

680
00:37:36,180 --> 00:37:33,880
the door and I had I was waiting for the

681
00:37:38,130 --> 00:37:36,190
kids to wake up and so I laid down for

682
00:37:40,170 --> 00:37:38,140
her briefly and I must have fallen

683
00:37:42,660 --> 00:37:40,180
asleep somebody was knocking on the door

684
00:37:45,480 --> 00:37:42,670
and I went to the door and it was a

685
00:37:49,020 --> 00:37:45,490
woman who I did not know but she said

686
00:37:52,830 --> 00:37:49,030
your child is up in the sandbox playing

687
00:37:54,930 --> 00:37:52,840
and she is naked so I rushed out of the

688
00:37:59,070 --> 00:37:54,940

house and scooped her up and brought her

689

00:38:01,080 --> 00:37:59,080

into the house and the thing was there

690

00:38:03,180 --> 00:38:01,090

was no way she could get out of two

691

00:38:06,330 --> 00:38:03,190

locked doors and then all the windows

692

00:38:09,390 --> 00:38:06,340

were closed and talked for her age to be

693

00:38:11,990 --> 00:38:09,400

able to get out of her crib and and go

694

00:38:16,260 --> 00:38:12,000

out there to play in the sandbox

695

00:38:20,520 --> 00:38:16,270

something happened and her experiences

696

00:38:23,040 --> 00:38:20,530

are written in the Andreasen legacy she

697

00:38:24,930 --> 00:38:23,050

also underwent regressive hypnosis and

698

00:38:27,810 --> 00:38:24,940

that's when we found out what had

699

00:38:32,720 --> 00:38:27,820

happened she was taken out of the house

700

00:38:37,380 --> 00:38:32,730

and a lot of people when they have had a

701
00:38:40,320 --> 00:38:37,390
UFO experience a lot of times it follows

702
00:38:43,080 --> 00:38:40,330
in the family lines so that other

703
00:38:47,100 --> 00:38:43,090
members of the family also have things

704
00:38:48,230 --> 00:38:47,110
happening to them that's right I've

705
00:38:51,030 --> 00:38:48,240
heard that it you know it can be

706
00:38:53,070 --> 00:38:51,040
generational you know it happens and

707
00:38:55,380 --> 00:38:53,080
then it it will have happened to your

708
00:39:00,930 --> 00:38:55,390
parents and your grandparents and and

709
00:39:03,530 --> 00:39:00,940
that sort of thing now

710
00:39:06,180 --> 00:39:03,540
at some point after this major

711
00:39:13,950 --> 00:39:06,190
experience that involved your your whole

712
00:39:15,450 --> 00:39:13,960
family you ended up I at some point I

713
00:39:19,319 --> 00:39:15,460

guess you weren't married anymore to

714

00:39:23,579 --> 00:39:19,329

your to your husband and you you you

715

00:39:27,420 --> 00:39:23,589

went and did you move away from where

716

00:39:30,569 --> 00:39:27,430

you were living from the house that I

717

00:39:34,200 --> 00:39:30,579

had the first experience yes we we moved

718

00:39:37,380 --> 00:39:34,210

from there and it was later we had built

719

00:39:42,210 --> 00:39:37,390

a large home and I had all seven

720

00:39:43,920 --> 00:39:42,220

children with me and unfortunately my

721

00:39:48,569 --> 00:39:43,930

ex-husband he had a problem with

722

00:39:51,780 --> 00:39:48,579

drinking and hmm a lot of stuff that

723

00:39:57,359 --> 00:39:51,790

happened that he's you know disappeared

724

00:40:01,349 --> 00:39:57,369

and so forth it was I've handled a lot

725

00:40:02,720 --> 00:40:01,359

of hard times through my life like I'm

726

00:40:07,079 --> 00:40:02,730

fine

727

00:40:10,800 --> 00:40:07,089

yeah yeah now but at some point you met

728

00:40:13,200 --> 00:40:10,810

your husband Bob and Bob you know I know

729

00:40:15,329 --> 00:40:13,210

we were talking yesterday about how that

730

00:40:18,480 --> 00:40:15,339

actually happened and it was kind of

731

00:40:20,609 --> 00:40:18,490

strange how it came about so I think you

732

00:40:22,950 --> 00:40:20,619

were driving clear cross country headed

733

00:40:25,650 --> 00:40:22,960

like for New York or something and then

734

00:40:27,270 --> 00:40:25,660

you ended up just suddenly for no reason

735

00:40:30,150 --> 00:40:27,280

deciding to head straight to Florida

736

00:40:31,380 --> 00:40:30,160

instead yeah was something that was

737

00:40:33,900 --> 00:40:31,390

totally unplanned

738

00:40:36,569 --> 00:40:33,910

you know there's something that I'm sure

739

00:40:38,700 --> 00:40:36,579

a lot of your listeners probably want to

740

00:40:42,930 --> 00:40:38,710

know and that he didn't bring up so I

741

00:40:47,150 --> 00:40:42,940

will first before this place was ever

742

00:40:50,010 --> 00:40:47,160

written there were extensive

743

00:40:52,710 --> 00:40:50,020

investigations done on everything from

744

00:40:55,920 --> 00:40:52,720

her background to things that happened

745

00:40:59,339 --> 00:40:55,930

while she was this was supposedly going

746

00:41:01,020 --> 00:40:59,349

on like the power failure The Electric

747

00:41:02,910 --> 00:41:01,030

Company said yes there was a power

748

00:41:06,900 --> 00:41:02,920

failure at that time but they couldn't

749

00:41:09,540 --> 00:41:06,910

verify why it happened also bet he went

750

00:41:14,120 --> 00:41:09,550

through lie-detector tests psychological

751

00:41:16,069 --> 00:41:14,130

examination psychiatric examination

752

00:41:18,289 --> 00:41:16,079

as a matter of fact at one point the

753

00:41:20,839 --> 00:41:18,299

psychiatrist was visiting us and stayed

754

00:41:23,990 --> 00:41:20,849

with us first till about five o'clock in

755

00:41:26,240 --> 00:41:24,000

the morning and we were outside he was

756

00:41:29,289 --> 00:41:26,250

ready to go home and a large cigar

757

00:41:33,259 --> 00:41:29,299

shaped cloud stopped over the house and

758

00:41:36,950 --> 00:41:33,269

he looked up and he noticed it and

759

00:41:38,509 --> 00:41:36,960

finally he said did you see that and I

760

00:41:44,839 --> 00:41:38,519

said yes but I wasn't gonna say anything

761

00:41:48,109 --> 00:41:44,849

until after you know this but anyway

762

00:41:52,519 --> 00:41:48,119

what happened with how we met I had had

763

00:41:53,870 --> 00:41:52,529

an experience in 1944 and in 1967 as

764

00:41:56,870 --> 00:41:53,880

well Wow

765

00:42:00,710 --> 00:41:56,880

67 I was also taking aboard the craft I

766

00:42:03,529 --> 00:42:00,720

was given a physical examination a good

767

00:42:05,329 --> 00:42:03,539

deal of it I remembered consciously up

768

00:42:14,329 --> 00:42:05,339

to the point where they took me aboard

769

00:42:17,690 --> 00:42:14,339

the craft for the exam and excuse me not

770

00:42:20,329 --> 00:42:17,700

just memories of that I had well as I

771

00:42:22,759 --> 00:42:20,339

was I was on my way to the beach and I

772

00:42:24,529 --> 00:42:22,769

got to an area called the trap Rock and

773

00:42:26,779 --> 00:42:24,539

there was a railroad spur that went into

774

00:42:29,180 --> 00:42:26,789

that trap rock for this so they could

775

00:42:31,640 --> 00:42:29,190

haul the crushed stone and so forth out

776

00:42:34,039 --> 00:42:31,650

there were five men working on that

777

00:42:37,220 --> 00:42:34,049

railroad spur none of them were working

778

00:42:39,680 --> 00:42:37,230

they were all looking up in the sky so I

779

00:42:43,160 --> 00:42:39,690

looked up to see what it was that had

780

00:42:47,259 --> 00:42:43,170

attracted their attention and I saw two

781

00:42:49,759 --> 00:42:47,269

huge cigar shaped objects that were

782

00:42:52,759 --> 00:42:49,769

brilliant I'm just like highly polished

783

00:42:55,690 --> 00:42:52,769

chrome reflecting in the sunlight and it

784

00:42:59,569 --> 00:42:55,700

was a beautiful clear day that was very

785

00:43:01,519 --> 00:42:59,579

hardly a cloud in the sky well just a

786

00:43:03,170 --> 00:43:01,529

little ways down from where they were

787

00:43:05,839 --> 00:43:03,180

there was an area where I could pull off

788

00:43:07,490 --> 00:43:05,849

the road which I did and I started

789

00:43:09,829 --> 00:43:07,500

watching these two things

790

00:43:11,720 --> 00:43:09,839

it was amazing there was no wings no

791

00:43:14,690 --> 00:43:11,730

tail suction they obviously were not

792

00:43:17,809 --> 00:43:14,700

airplanes there was no exhaust no jet

793

00:43:19,490 --> 00:43:17,819

engines no noise so I watched them as

794

00:43:23,870 --> 00:43:19,500

they were headed toward New Haven

795

00:43:27,770 --> 00:43:23,880

Connecticut from where I was and a short

796

00:43:30,200 --> 00:43:27,780

time later after I stopped to small

797

00:43:31,970 --> 00:43:30,210

disc-shaped objects dropped out at the

798

00:43:35,450 --> 00:43:31,980

bottom of these things one out of each

799

00:43:38,330 --> 00:43:35,460

one one went toward New Haven one went

800

00:43:40,640 --> 00:43:38,340

in the exact opposite directions so I

801
00:43:42,590 --> 00:43:40,650
still sat and I watched over to larger

802
00:43:45,190 --> 00:43:42,600
ones were out of sight thinking wow that

803
00:43:47,840 --> 00:43:45,200
was quite a thing whatever it was

804
00:43:50,180 --> 00:43:47,850
started on my way to the beach again got

805
00:43:54,200 --> 00:43:50,190
a few miles down the road and this was a

806
00:43:56,240 --> 00:43:54,210
very rural area and all of a sudden I

807
00:43:58,750 --> 00:43:56,250
saw one of these smaller disc shaped

808
00:44:01,520 --> 00:43:58,760
craft coming down to the left of me and

809
00:44:04,370 --> 00:44:01,530
it was kind of floating down like with a

810
00:44:06,440 --> 00:44:04,380
falling leaf motion and it got to a

811
00:44:10,910 --> 00:44:06,450
point several feet above the ground and

812
00:44:13,640 --> 00:44:10,920
it just stopped that is strange

813
00:44:15,890 --> 00:44:13,650

and I'm looking at this thing and all of

814

00:44:18,710 --> 00:44:15,900

a sudden there was a brilliant flash of

815

00:44:21,560 --> 00:44:18,720

red light like I could only compare it

816

00:44:24,800 --> 00:44:21,570

to like a Ruby rhod laser very very

817

00:44:28,010 --> 00:44:24,810

intense red light and the next thing I

818

00:44:31,820 --> 00:44:28,020

know I'm not in my car anymore come

819

00:44:34,730 --> 00:44:31,830

inside this thing and it's totally

820

00:44:38,840 --> 00:44:34,740

strange because for one thing everything

821

00:44:41,420 --> 00:44:38,850

is lit brightly with there are no

822

00:44:43,790 --> 00:44:41,430

shadows but I cannot see one light bulb

823

00:44:46,190 --> 00:44:43,800

or fluorescent light or anything but

824

00:44:49,010 --> 00:44:46,200

it's almost as if the actual atmosphere

825

00:44:51,740 --> 00:44:49,020

was lit inside there and there was one

826

00:44:54,740 --> 00:44:51,750

of these little grey beings very similar

827

00:44:58,940 --> 00:44:54,750

to what Betty had seen except these guys

828

00:45:01,040 --> 00:44:58,950

had on skin tight red uniforms with a

829

00:45:02,600 --> 00:45:01,050

lightning bolt on the left-hand side of

830

00:45:05,600 --> 00:45:02,610

the chest or what looked like a

831

00:45:08,060 --> 00:45:05,610

lightning bolt but they had the large

832

00:45:12,050 --> 00:45:08,070

gray bulbous heads in the huge black

833

00:45:15,800 --> 00:45:12,060

eyes and so on I was told to undress

834

00:45:18,620 --> 00:45:15,810

which I did mostly out of fear and I was

835

00:45:21,230 --> 00:45:18,630

put on a very odd table and and I say

836

00:45:23,960 --> 00:45:21,240

odd because there were no straps or

837

00:45:26,690 --> 00:45:23,970

restraints on this table but once they

838

00:45:28,460 --> 00:45:26,700

put me on it I could not move it was

839

00:45:31,220 --> 00:45:28,470

almost like somebody put superglue up

840

00:45:34,450 --> 00:45:31,230

and down my back I've had a little moon

841

00:45:39,210 --> 00:45:34,460

my head in my eyes and that was about it

842

00:45:41,609 --> 00:45:39,220

they took samples of fingernail skin

843

00:45:43,070 --> 00:45:41,619

my ankles they moved my head in

844

00:45:46,440 --> 00:45:43,080

different directions

845

00:45:49,920 --> 00:45:46,450

another thing that was really totally

846

00:45:53,849 --> 00:45:49,930

blew my mind as one of them was walking

847

00:45:59,430 --> 00:45:53,859

by me he turned from a solid physical

848

00:46:02,040 --> 00:45:59,440

being into a being of just life it was

849

00:46:07,530 --> 00:46:02,050

just a color just faded out of them and

850

00:46:10,200 --> 00:46:07,540

that kind of you know got my mind and I

851

00:46:13,290 --> 00:46:10,210

in a real tizzy because I didn't know

852

00:46:14,730 --> 00:46:13,300

what to expect and I wanted to get out

853

00:46:17,160 --> 00:46:14,740

of there

854

00:46:19,230 --> 00:46:17,170

in the worst way I wanted to get out if

855

00:46:22,170 --> 00:46:19,240

I if I told you I wasn't afraid I'd be

856

00:46:24,599 --> 00:46:22,180

lying and they told me don't worry we're

857

00:46:26,130 --> 00:46:24,609

not gonna hurt you and all I'm thinking

858

00:46:28,080 --> 00:46:26,140

yeah you're not gonna hurt me but here

859

00:46:30,630 --> 00:46:28,090

I'm stuck on this table I can't move

860

00:46:33,390 --> 00:46:30,640

and that's I've never since that point

861

00:46:36,060 --> 00:46:33,400

I've been a little claustrophobic but

862

00:46:37,980 --> 00:46:36,070

anyway when they finished the last thing

863

00:46:41,760 --> 00:46:37,990

they did was scan me from head to foot

864

00:46:45,300 --> 00:46:41,770

with something like an x-ray machine I

865

00:46:48,290 --> 00:46:45,310

guess you'd call it and it gave off a

866

00:46:51,630 --> 00:46:48,300

pinkish white light very strange light

867

00:46:53,400 --> 00:46:51,640

that they scanned me and then when they

868

00:46:57,270 --> 00:46:53,410

were done with me I was put back in my

869

00:47:00,359 --> 00:46:57,280

car and headed to the beach now the last

870

00:47:03,630 --> 00:47:00,369

thing I remember consciously was seeing

871

00:47:05,220 --> 00:47:03,640

this brilliant flash of red light it

872

00:47:07,910 --> 00:47:05,230

should have taken me about a half hour

873

00:47:13,380 --> 00:47:07,920

to get to the beach but when I got there

874

00:47:17,040 --> 00:47:13,390

I was hungry I went to a restaurant two

875

00:47:19,920 --> 00:47:17,050

and a half hours had passed and I never

876

00:47:23,820 --> 00:47:19,930

knew where that name had gone until I

877

00:47:28,700 --> 00:47:23,830

had went with the investigators in

878

00:47:31,800 --> 00:47:28,710

Connecticut and under what hypnosis so

879

00:47:35,099 --> 00:47:31,810

did you feel like though that something

880

00:47:39,359 --> 00:47:35,109

had happened or you know did you feel

881

00:47:41,670 --> 00:47:39,369

like uneasy yeah I knew something was

882

00:47:42,150 --> 00:47:41,680

wrong I mean it that part of my life was

883

00:47:45,000 --> 00:47:42,160

gone

884

00:47:47,099 --> 00:47:45,010

I mean it's just you know I knew the

885

00:47:50,310 --> 00:47:47,109

drive I'd done it a thousand times and

886

00:47:52,050 --> 00:47:50,320

it takes a half hour or so and yeah two

887

00:47:53,490 --> 00:47:52,060

and a half hours in my life I couldn't

888

00:47:56,109 --> 00:47:53,500

account for

889

00:47:58,120 --> 00:47:56,119

and then and of course you couple that

890

00:48:00,010 --> 00:47:58,130

with remembering seeing the two big

891

00:48:01,990 --> 00:48:00,020

cigar shaped things and then the smaller

892

00:48:05,140 --> 00:48:02,000

disk shaped crap

893

00:48:07,359 --> 00:48:05,150

and okay you get you've got a problem

894

00:48:09,940 --> 00:48:07,369

here but what is it I didn't know four

895

00:48:11,829 --> 00:48:09,950

years until I under what hypnosis and I

896

00:48:14,410 --> 00:48:11,839

didn't tell anybody even when I saw

897

00:48:16,630 --> 00:48:14,420

those things I told my parents and I

898

00:48:19,870 --> 00:48:16,640

told my best friend who was a police

899

00:48:21,849 --> 00:48:19,880

officer in town at the time I didn't

900

00:48:24,280 --> 00:48:21,859

tell anybody else cuz I didn't want to

901
00:48:28,180 --> 00:48:24,290
end up in a rubber room to be honest

902
00:48:32,799 --> 00:48:28,190
with you how did your parents react to

903
00:48:36,250 --> 00:48:32,809
it well actually it was a little

904
00:48:38,079 --> 00:48:36,260
shocking to me as my mother actually had

905
00:48:42,130 --> 00:48:38,089
had a sighting and she said she

906
00:48:44,470 --> 00:48:42,140
remembered the inside of a craft but she

907
00:48:46,870 --> 00:48:44,480
would never until the day she died she

908
00:48:49,000 --> 00:48:46,880
would never undergo hypnosis or pursue

909
00:48:54,809 --> 00:48:49,010
it in any way she was fearful of it

910
00:48:58,870 --> 00:48:54,819
my dad he was in the aerospace industry

911
00:49:01,630 --> 00:48:58,880
and he was very closed mouth till the

912
00:49:04,920 --> 00:49:01,640
day he died he rarely I mean he just

913
00:49:09,549 --> 00:49:04,930

didn't discuss it with me you know I

914

00:49:13,329 --> 00:49:09,559

what he knew from his position and his

915

00:49:26,680 --> 00:49:13,339

job I don't know but he just talked

916

00:49:28,809 --> 00:49:26,690

about it so yeah this is where yeah so

917

00:49:32,559 --> 00:49:28,819

this is you've gone through all this and

918

00:49:36,700 --> 00:49:32,569

then subsequent to that was this really

919

00:49:38,829 --> 00:49:36,710

bugging you because at some point you

920

00:49:41,440 --> 00:49:38,839

did you did figure out you know what had

921

00:49:43,450 --> 00:49:41,450

happened and then but you didn't really

922

00:49:48,609 --> 00:49:43,460

have many people to talk to about it

923

00:49:52,030 --> 00:49:48,619

right you just talked to your parents he

924

00:49:54,280 --> 00:49:52,040

told your best friend but you they

925

00:49:59,200 --> 00:49:54,290

couldn't really relate so much to what

926
00:50:02,740 --> 00:49:59,210
you'd experienced no and so how did that

927
00:50:06,670 --> 00:50:02,750
lead us to to Betty well a friend of

928
00:50:07,359 --> 00:50:06,680
mine and I had a camp trailer and work

929
00:50:09,549 --> 00:50:07,369
was a little

930
00:50:11,650 --> 00:50:09,559
low in Connecticut so we were taking a

931
00:50:14,589 --> 00:50:11,660
ride around the country to look for work

932
00:50:16,509 --> 00:50:14,599
in different areas and we had been down

933
00:50:18,640 --> 00:50:16,519
to the southern portion of the country

934
00:50:21,579 --> 00:50:18,650
were in Texas in California and Oregon

935
00:50:25,900 --> 00:50:21,589
and then we had started home along the

936
00:50:29,739 --> 00:50:25,910
northern tier of the country coming back

937
00:50:33,640 --> 00:50:29,749
to Connecticut and kind of spur the

938
00:50:36,730 --> 00:50:33,650

moment I think Eddy suggested that we go

939

00:50:39,549 --> 00:50:36,740

to Florida so just yeah we just went

940

00:50:42,700 --> 00:50:39,559

period so that's this is several

941

00:50:45,130 --> 00:50:42,710

thousand miles out of our way and we got

942

00:50:48,099 --> 00:50:45,140

the Florida and parked our camp trailer

943

00:50:51,519 --> 00:50:48,109

on his sister-in-laws lon

944

00:50:53,620 --> 00:50:51,529

and during the course of dinner one

945

00:50:57,130 --> 00:50:53,630

evening she mentioned she worked with a

946

00:50:59,769 --> 00:50:57,140

woman that had had a UFO experience and

947

00:51:02,819 --> 00:50:59,779

I said Wow I have to talk to this woman

948

00:51:04,900 --> 00:51:02,829

so I went down to her betty was working

949

00:51:08,349 --> 00:51:04,910

and she wouldn't talk to me

950

00:51:11,259 --> 00:51:08,359

the investigators his mother beware of

951
00:51:13,420 --> 00:51:11,269
reporters she thought I was a reporter

952
00:51:15,430 --> 00:51:13,430
and boy if she gave me a hard time I

953
00:51:18,819 --> 00:51:15,440
mean there's no she just wasn't going to

954
00:51:20,950 --> 00:51:18,829
talk so I kept it up and kept it up and

955
00:51:24,549 --> 00:51:20,960
finally I got her to agree to to have

956
00:51:26,319 --> 00:51:24,559
lunch with me the next day and from that

957
00:51:31,479 --> 00:51:26,329
point on I've been buying her lunch spot

958
00:51:33,700 --> 00:51:31,489
ever since you know I could talk to her

959
00:51:36,759 --> 00:51:33,710
I wasn't afraid of being ridiculed

960
00:51:40,539 --> 00:51:36,769
she knew what what I felt because she

961
00:51:42,339 --> 00:51:40,549
already had these experiences so we got

962
00:51:45,279 --> 00:51:42,349
along you know right from the beginning

963
00:51:49,539 --> 00:51:45,289

we got along terrific and we still do

964

00:51:53,979 --> 00:51:49,549

for some reason it's amazing no that is

965

00:51:57,309 --> 00:51:53,989

amazing in this day and age Betty when

966

00:52:01,839 --> 00:51:57,319

he tortures yeah oh I know

967

00:52:09,430 --> 00:52:01,849

congratulations on that Betty was 2

968

00:52:14,579 --> 00:52:09,440

years and then I got very new boss and

969

00:52:17,529 --> 00:52:14,589

it's been 35 years yeah that is amazing

970

00:52:21,250 --> 00:52:17,539

when he was telling you about his story

971

00:52:23,260 --> 00:52:21,260

Betty were you recognizing thing

972

00:52:24,970 --> 00:52:23,270

in his story that you could relate to

973

00:52:30,270 --> 00:52:24,980

and I mean did you feel like he was

974

00:52:37,000 --> 00:52:34,150

really great I mean you know you could

975

00:52:40,300 --> 00:52:37,010

see he was serious you know so that made

976
00:52:42,970 --> 00:52:40,310
me feel good to know that he really was

977
00:52:46,720 --> 00:52:42,980
trying to find out to what was going on

978
00:52:49,000 --> 00:52:46,730
you know so that that was really good

979
00:52:52,300 --> 00:52:49,010
and but there were so many things that

980
00:52:55,900 --> 00:52:52,310
were happening Rene that it's time to

981
00:52:59,530 --> 00:52:55,910
recall everything because there were

982
00:53:02,530 --> 00:52:59,540
times that we we went through some

983
00:53:05,230 --> 00:53:02,540
really difficult times not our marriage

984
00:53:10,690 --> 00:53:05,240
but with things happening in our

985
00:53:13,330 --> 00:53:10,700
household and also it seems like the

986
00:53:16,630 --> 00:53:13,340
government surveillance and everything

987
00:53:20,370 --> 00:53:16,640
we went through followed by unmarked

988
00:53:23,080 --> 00:53:20,380

cars our telephone was constantly bugged

989

00:53:27,220 --> 00:53:23,090

Barba's better off telling you all those

990

00:53:29,350 --> 00:53:27,230

things he kept track of a lot of it well

991

00:53:32,020 --> 00:53:29,360

we definitely we're going to get into

992

00:53:34,350 --> 00:53:32,030

that after the next break which we're

993

00:53:39,670 --> 00:53:34,360

going to take in just a couple minutes

994

00:53:41,350 --> 00:53:39,680

but so you guys basically once you

995

00:53:43,990 --> 00:53:41,360

really figured out that you were both

996

00:53:47,680 --> 00:53:44,000

having the same genuine type of

997

00:53:50,200 --> 00:53:47,690

experience then it wasn't too long where

998

00:53:53,370 --> 00:53:50,210

you guys were just together and ended up

999

00:53:55,720 --> 00:53:53,380

getting married and then did you have

1000

00:53:56,200 --> 00:53:55,730

continuing experiences after you got

1001
00:53:58,930 --> 00:53:56,210
married

1002
00:54:05,230 --> 00:53:58,940
yeah or did you have any experiences

1003
00:54:09,670 --> 00:54:05,240
together together yes and did you

1004
00:54:12,310 --> 00:54:09,680
remember remember any of those or did

1005
00:54:14,800 --> 00:54:12,320
you just kind of know oh something's

1006
00:54:19,890 --> 00:54:14,810
happen again we better go and see what

1007
00:54:27,130 --> 00:54:23,080
parts parts were remembered prior to the

1008
00:54:31,590 --> 00:54:27,140
hypnosis we did yes and no physical

1009
00:54:34,720 --> 00:54:31,600
evidence traces left at different times

1010
00:54:39,370 --> 00:54:34,730
and it's very unusual

1011
00:54:42,970 --> 00:54:39,380
not only the UFO phenomena but

1012
00:54:47,380 --> 00:54:42,980
paranormal things were going on you know

1013
00:54:49,930 --> 00:54:47,390

that you couldn't explain and usually

1014

00:54:52,420 --> 00:54:49,940

the paranormal is so much harder to

1015

00:54:54,580 --> 00:54:52,430

explain then you know when you set

1016

00:54:57,099 --> 00:54:54,590

beings in the air with you

1017

00:54:58,930 --> 00:54:57,109

and things are going on and you can you

1018

00:55:01,240 --> 00:54:58,940

know they're they're testing you and

1019

00:55:03,609 --> 00:55:01,250

checking you well you know exactly

1020

00:55:05,560 --> 00:55:03,619

what's happening but a lot of the

1021

00:55:07,150 --> 00:55:05,570

paranormal things just all of a sudden

1022

00:55:09,910 --> 00:55:07,160

are there and happening and you're

1023

00:55:13,420 --> 00:55:09,920

wondering oh what is this why is this

1024

00:55:16,590 --> 00:55:13,430

happening but I think we're open oh dear

1025

00:55:20,620 --> 00:55:16,600

it that's what it is you know and and

1026

00:55:22,990 --> 00:55:20,630

life is all around us it's just that our

1027

00:55:25,450 --> 00:55:23,000

eyes do not see that our eyes are closed

1028

00:55:28,330 --> 00:55:25,460

and probably for the best for our eyes

1029

00:55:34,320 --> 00:55:28,340

to be closed because probably people

1030

00:55:36,910 --> 00:55:34,330

would be an extreme skier yeah I mean

1031

00:55:40,690 --> 00:55:36,920

but I wonder if there'll be a time when

1032

00:55:44,680 --> 00:55:40,700

we're ready for at all yeah but being

1033

00:55:48,760 --> 00:55:44,690

told me that that I would have to ring

1034

00:55:56,290 --> 00:55:48,770

my 1967 encounter that I would have to

1035

00:55:59,710 --> 00:55:56,300

forget what had happened until my race

1036

00:56:02,530 --> 00:55:59,720

which leads me then it would start to

1037

00:56:04,750 --> 00:56:02,540

open up and I guess that is when a lot

1038

00:56:06,820 --> 00:56:04,760

of the information started to come out

1039

00:56:09,820 --> 00:56:06,830

because the investigators were

1040

00:56:12,450 --> 00:56:09,830

interested and of course that's showing

1041

00:56:15,310 --> 00:56:12,460

that the people are starting to awake to

1042

00:56:18,450 --> 00:56:15,320

you know what else is around in our

1043

00:56:22,240 --> 00:56:18,460

world even though our eyes absolutely

1044

00:56:24,580 --> 00:56:22,250

and I think even I think now it's even

1045

00:56:27,160 --> 00:56:24,590

more so so it's funny that now you're

1046

00:56:28,930 --> 00:56:27,170

you know sort of reimburse back into the

1047

00:56:30,460 --> 00:56:28,940

public eye but we're going to have to

1048

00:56:32,560 --> 00:56:30,470

take another quick break and when we

1049

00:56:34,240 --> 00:56:32,570

come back I want to hear about some of

1050

00:56:36,240 --> 00:56:34,250

the paranormal activities I know that

1051

00:56:39,190 --> 00:56:36,250

our listeners would like to hear and

1052

00:56:41,200 --> 00:56:39,200

also about the harassment that you've

1053

00:56:43,540 --> 00:56:41,210

undergone will finally get into that

1054

00:56:45,090 --> 00:56:43,550

dark stuff alright we're going to be

1055

00:56:47,820 --> 00:56:45,100

right back in just a few minute

1056

00:56:49,800 --> 00:56:47,830

with Betty andreas and Luca and Bob Luca

1057

00:56:52,380 --> 00:56:49,810

please stay tuned we'll be right back

1058

00:56:54,300 --> 00:56:52,390

welcome back back to night vision radio

1059

00:56:56,370 --> 00:56:54,310

on your host Renee Barnett we're talking

1060

00:56:59,310 --> 00:56:56,380

with Betty andreas and Luca and Bob

1061

00:57:03,930 --> 00:56:59,320

Luca about their strange alien

1062

00:57:05,460 --> 00:57:03,940

abduction experiences and subsequent

1063

00:57:08,340 --> 00:57:05,470

occurrences we'll just put it that way

1064

00:57:11,580 --> 00:57:08,350

now Betty before the break you were

1065

00:57:14,100 --> 00:57:11,590

talking and in in Bob feel free to jump

1066

00:57:15,690 --> 00:57:14,110

in any time because I imagine you've

1067

00:57:18,090 --> 00:57:15,700

been a witness to some of this stuff too

1068

00:57:20,130 --> 00:57:18,100

but you were talking about subsequent to

1069

00:57:22,650 --> 00:57:20,140

your experiences you started having a

1070

00:57:27,980 --> 00:57:22,660

lot of paranormal activity in the house

1071

00:57:37,140 --> 00:57:33,600

we've had different voices in the house

1072

00:57:40,380 --> 00:57:37,150

like there's a party going on and we

1073

00:57:46,080 --> 00:57:40,390

don't know where what's doing it we've

1074

00:57:50,540 --> 00:57:46,090

had two psychic say that we have portals

1075

00:57:53,430 --> 00:57:50,550

open in our basement one under the

1076

00:57:56,190 --> 00:57:53,440

cellar stairs and the other is our way

1077

00:58:02,310 --> 00:57:56,200

on the opposite side we on the right

1078

00:58:05,100 --> 00:58:02,320

there in the same area but on the

1079

00:58:07,500 --> 00:58:05,110

opposite side of it another portal is

1080

00:58:10,410 --> 00:58:07,510

open and we've had a lot of strange

1081

00:58:14,280 --> 00:58:10,420

things but we've also had the girls had

1082

00:58:17,790 --> 00:58:14,290

seen a pearl shadow person more than

1083

00:58:20,280 --> 00:58:17,800

once in the house and I chased up what I

1084

00:58:23,250 --> 00:58:20,290

thought was a man that had entered our

1085

00:58:25,980 --> 00:58:23,260

basement there was only one way out I

1086

00:58:29,460 --> 00:58:25,990

followed this guy down into the basement

1087

00:58:33,540 --> 00:58:29,470

and when I got there I was the only one

1088

00:58:35,310 --> 00:58:33,550

there we also had problems with lights

1089

00:58:38,730 --> 00:58:35,320

that would go on and off by themselves

1090

00:58:43,020 --> 00:58:38,740

in the house one morning we came down

1091

00:58:46,650 --> 00:58:43,030

and in the kitchen the kitchen had crown

1092

00:58:49,410 --> 00:58:46,660

molding all of the crown molding was on

1093

00:58:53,280 --> 00:58:49,420

the floor and all of the finishing nails

1094

00:58:56,280 --> 00:58:53,290

were still in the wall and at the same

1095

00:58:58,440 --> 00:58:56,290

time there was a big stainless steel pot

1096

00:59:00,510 --> 00:58:58,450

which has a roll

1097

00:59:04,530 --> 00:59:00,520

top edge and stainless steel is very

1098

00:59:07,200 --> 00:59:04,540

tough that pot split right through the

1099

00:59:09,300 --> 00:59:07,210

rolled edge and was also what looked

1100

00:59:12,960 --> 00:59:09,310

like itching on some of our drinking

1101

00:59:15,200 --> 00:59:12,970

glasses and this was photographed by a

1102

00:59:19,859 --> 00:59:15,210

professional photographer from

1103

00:59:23,550 --> 00:59:19,869

Massachusetts the neighborhood kids were

1104

00:59:25,770 --> 00:59:23,560

over one time dancing with the two girls

1105

00:59:31,770 --> 00:59:25,780

the lights started going off and on in

1106

00:59:34,230 --> 00:59:31,780

the house the kids took off around after

1107

00:59:37,770 --> 00:59:34,240

another like that for a long period of

1108

00:59:40,050 --> 00:59:37,780

time even the investigators the police

1109

00:59:42,710 --> 00:59:40,060

officer Larry for us it was at our house

1110

00:59:45,630 --> 00:59:42,720

with his wife we were having dinner and

1111

00:59:47,760 --> 00:59:45,640

we had an out of here with glass shelves

1112

00:59:48,750 --> 00:59:47,770

and on that glass shelf was a glass

1113

00:59:51,930 --> 00:59:48,760

dinner bell

1114

00:59:54,089 --> 00:59:51,940

well the Bell started to ring to Larry

1115

00:59:57,480 --> 00:59:54,099

the police officer jumped up and ran

1116

01:00:01,290 --> 00:59:57,490

over real quick to look at it there was

1117

01:00:03,180 --> 01:00:01,300

also liquor on that same shelf the

1118

01:00:05,670 --> 01:00:03,190

liquor was not moving it was not

1119

01:00:07,890 --> 01:00:05,680

disturbed in any way and yet that Dell

1120

01:00:09,930 --> 01:00:07,900

was ringing and that's just you know a

1121

01:00:12,000 --> 01:00:09,940

couple of examples of different types of

1122

01:00:14,940 --> 01:00:12,010

things that we'd experience we came home

1123

01:00:17,130 --> 01:00:14,950

one evening and from the movies I think

1124

01:00:20,309 --> 01:00:17,140

it was in Barb and I were sitting on the

1125

01:00:22,980 --> 01:00:20,319

chairs in the kitchen and all of a

1126

01:00:26,700 --> 01:00:22,990

sudden that was like a choir of angels

1127

01:00:35,549 --> 01:00:26,710

singing it was the most beautiful music

1128

01:01:26,560 --> 01:00:42,549

was it coming from the window it was

1129

01:01:36,880 --> 01:01:29,140

we're seeing them or going through them

1130

01:01:39,850 --> 01:01:36,890

but they're there well now why do you

1131

01:01:43,620 --> 01:01:39,860

think or do you have any any opinion as

1132

01:01:49,680 --> 01:01:43,630

to why that might be happening i

1133

01:01:52,900 --> 01:01:49,690

subsequent to your experiences because

1134

01:01:55,990 --> 01:01:52,910

you know there's more than just this

1135

01:01:59,410 --> 01:01:56,000

what we see with our eyes well we looked

1136

01:02:02,130 --> 01:01:59,420

at it a little bit differently I look at

1137

01:02:04,570 --> 01:02:02,140

it as we are living in an

1138

01:02:07,480 --> 01:02:04,580

interdimensional or multi-dimensional

1139

01:02:10,450 --> 01:02:07,490

universe and I think that the veil

1140

01:02:14,050 --> 01:02:10,460

between these dimensions has been

1141

01:02:16,450 --> 01:02:14,060

growing thinner as time passes and also

1142

01:02:19,360 --> 01:02:16,460

many people who have been involved in

1143

01:02:22,180 --> 01:02:19,370

the UFO phenomena have had this almost

1144

01:02:26,620 --> 01:02:22,190

like poltergeist activity that seems to

1145

01:02:29,620 --> 01:02:26,630

follow for some reason well that's only

1146

01:02:31,360 --> 01:02:29,630

my opinion that's I can't prove and the

1147

01:02:35,380 --> 01:02:31,370

book that's interesting we are writing

1148

01:02:37,870 --> 01:02:35,390

together the the title in is lifting the

1149

01:02:41,040 --> 01:02:37,880

veil we're going to try and show some of

1150

01:02:43,750 --> 01:02:41,050

those other things that had occurred Oh

1151

01:02:46,270 --> 01:02:43,760

that'll be interesting now you said that

1152

01:02:48,130 --> 01:02:46,280

you had photographed some of the some of

1153

01:02:52,030 --> 01:02:48,140

the things or had them photographed will

1154

01:02:55,030 --> 01:02:52,040

there be any pictures in in the book of

1155

01:02:59,500 --> 01:02:55,040

any of that paranormal that seeing any

1156

01:03:01,360 --> 01:02:59,510

of that pictures they'll be drawing so

1157

01:03:03,640 --> 01:03:01,370

I'll be doing some line drawing

1158

01:03:06,490 --> 01:03:03,650

structure because the picture in front

1159

01:03:09,160 --> 01:03:06,500

of you because you look better idea of

1160

01:03:12,520 --> 01:03:09,170

what is happening you know and I guess

1161

01:03:15,160 --> 01:03:12,530

that's what the investigators were happy

1162

01:03:17,620 --> 01:03:15,170

over because it helped them to also see

1163

01:03:20,440 --> 01:03:17,630

about the craft all the different the

1164

01:03:24,010 --> 01:03:20,450

machinery I saw you know I think that

1165

01:03:27,310 --> 01:03:24,020

might be partly why the government has

1166

01:03:33,250 --> 01:03:27,320

been interested in us because somebody

1167

01:03:35,590 --> 01:03:33,260

broke into our real one time and nothing

1168

01:03:37,330 --> 01:03:35,600

was taken there was expensive stuff in

1169

01:03:39,420 --> 01:03:37,340

there but nothing was taken but some

1170

01:03:45,779 --> 01:03:39,430

drawings that I had

1171

01:03:49,019 --> 01:03:45,789

which pertain to a craft the drawings

1172

01:03:51,480 --> 01:03:49,029

were taken yeah they were taken yep we

1173

01:03:53,880 --> 01:03:51,490

were going to a lecture and we were away

1174

01:04:00,210 --> 01:03:53,890

and when we came home the door had been

1175

01:04:03,269 --> 01:04:00,220

broken in and the interesting thing and

1176

01:04:05,279 --> 01:04:03,279

this happened more than once but we

1177

01:04:07,289 --> 01:04:05,289

lived in it was in a rural area and a

1178

01:04:09,660 --> 01:04:07,299

campground so we had to have a local

1179

01:04:11,519 --> 01:04:09,670

state trooper come up to do the

1180

01:04:14,759 --> 01:04:11,529

paperwork so I could get the insurance

1181

01:04:16,589 --> 01:04:14,769

to replace the door and we told them

1182

01:04:18,509 --> 01:04:16,599

straight out that we thought it was a

1183

01:04:20,579 --> 01:04:18,519

government agency involved that we were

1184

01:04:24,089 --> 01:04:20,589

heavily involved in the UFO phenomena

1185

01:04:25,980 --> 01:04:24,099

and the man was pretty good he said well

1186

01:04:28,980 --> 01:04:25,990

look he said if I find anything out he

1187

01:04:32,640 --> 01:04:28,990

said I will tell you the following week

1188

01:04:35,549 --> 01:04:32,650

I went down to the troopers office to

1189

01:04:38,430 --> 01:04:35,559

talk to him and he had been transferred

1190

01:04:41,579 --> 01:04:38,440

out of the area and he couldn't tell me

1191

01:04:44,309 --> 01:04:41,589

where he went and this also happened to

1192

01:04:46,170 --> 01:04:44,319

me with an FAA official that came all

1193

01:04:49,170 --> 01:04:46,180

the way down to our house from the

1194

01:04:52,349 --> 01:04:49,180

Boston area because of the black pellet

1195

01:04:54,900 --> 01:04:52,359

because of the black helicopters he left

1196

01:04:57,059 --> 01:04:54,910

a note on the weekend and Tuesday when I

1197

01:05:00,989 --> 01:04:57,069

called I was told he had been

1198

01:05:03,029 --> 01:05:00,999

transferred and they didn't they didn't

1199

01:05:05,039 --> 01:05:03,039

have a forwarding address they couldn't

1200

01:05:07,710 --> 01:05:05,049

tell me where he went yeah but anyway

1201

01:05:10,440 --> 01:05:07,720

the government got really interested

1202

01:05:12,420 --> 01:05:10,450

after when the first book came out first

1203

01:05:15,180 --> 01:05:12,430

we started noticing these black

1204

01:05:16,950 --> 01:05:15,190

helicopters over the house and they got

1205

01:05:19,549 --> 01:05:16,960

more and more frequent and lower and

1206

01:05:22,559 --> 01:05:19,559

lower until one of our neighbors a City

1207

01:05:24,720 --> 01:05:22,569

Councilwoman started to document the

1208

01:05:26,160 --> 01:05:24,730

times and base of these flights because

1209

01:05:29,160 --> 01:05:26,170

they were so low the windows would

1210

01:05:33,239 --> 01:05:29,170

rattle in the house where we moved from

1211

01:05:35,279 --> 01:05:33,249

there the Cheshire Connecticut and lo

1212

01:05:37,019 --> 01:05:35,289

and behold the flight stopped and neared

1213

01:05:39,479 --> 01:05:37,029

him and they started in Cheshire where

1214

01:05:41,599 --> 01:05:39,489

we work not only did we have the

1215

01:05:44,640 --> 01:05:41,609

helicopter flights which were black

1216

01:05:49,410 --> 01:05:44,650

unmarked helicopters which I took many

1217

01:05:51,479 --> 01:05:49,420

photos of with the IRS got well let's

1218

01:05:53,130 --> 01:05:51,489

say they wanted to help us because every

1219

01:05:55,829 --> 01:05:53,140

year for several years

1220

01:05:57,359 --> 01:05:55,839

all this in for an audit so you know

1221

01:05:58,740 --> 01:05:57,369

that they could keep our finances

1222

01:06:02,160 --> 01:05:58,750

straight for us and we wouldn't have to

1223

01:06:04,559 --> 01:06:02,170

worry about it so we have your audits

1224

01:06:07,769 --> 01:06:04,569

when the IRS we had these helicopters

1225

01:06:09,690 --> 01:06:07,779

which I checked with everyone every

1226

01:06:12,480 --> 01:06:09,700

single Department of the military the

1227

01:06:15,450 --> 01:06:12,490

CIA the FBI the helicopter manufacturer

1228

01:06:17,579 --> 01:06:15,460

is a Federal Aviation Administration no

1229

01:06:21,390 --> 01:06:17,589

one could tell us whose helicopters they

1230

01:06:23,190 --> 01:06:21,400

were and they flew illegally low over

1231

01:06:26,250 --> 01:06:23,200

our house because I was taking flying

1232

01:06:28,500 --> 01:06:26,260

lessons at the time and the regulations

1233

01:06:30,870 --> 01:06:28,510

say yes a helicopter can fly low but it

1234

01:06:32,759 --> 01:06:30,880

has to be 500 feet laterally away from

1235

01:06:34,980 --> 01:06:32,769

your house well these things had come

1236

01:06:36,930 --> 01:06:34,990

right over and low enough where I could

1237

01:06:39,900 --> 01:06:36,940

take a baseball if I water than hit up

1238

01:06:44,339 --> 01:06:39,910

would not be a problem then we started

1239

01:06:46,650 --> 01:06:44,349

to be followed every place we went we

1240

01:06:48,720 --> 01:06:46,660

were these cars would be behind us and

1241

01:06:52,019 --> 01:06:48,730

that was almost obvious they weren't

1242

01:06:54,240 --> 01:06:52,029

very good at it and as a young fella I

1243

01:06:55,769 --> 01:06:54,250

used to build race cars and I used to

1244

01:06:59,309 --> 01:06:55,779

race on the street because there was no

1245

01:07:01,200 --> 01:06:59,319

racetracks where we live so several

1246

01:07:03,180 --> 01:07:01,210

times I was able to get behind these

1247

01:07:06,240 --> 01:07:03,190

cars and get the license plates

1248

01:07:08,849 --> 01:07:06,250

I gave them to police lieutenant Larry

1249

01:07:13,680 --> 01:07:08,859

Fawcett and when he ran the plates they

1250

01:07:15,960 --> 01:07:13,690

came back as unissued so you know who's

1251

01:07:23,700 --> 01:07:15,970

driving plates with unissued I mean

1252

01:07:25,740 --> 01:07:23,710

tires without issues exactly whether we

1253

01:07:27,799 --> 01:07:25,750

were in Florida Connecticut New

1254

01:07:31,980 --> 01:07:27,809

Hampshire didn't matter where we were

1255

01:07:33,720 --> 01:07:31,990

and the government knew I don't know if

1256

01:07:35,930 --> 01:07:33,730

they had our house bugged oh I'm gonna

1257

01:07:38,880 --> 01:07:35,940

give you one example you know Patricia

1258

01:07:41,130 --> 01:07:38,890

we were doing the Trisha Baker yeah and

1259

01:07:43,079 --> 01:07:41,140

I wanted to thank you for reminding me

1260

01:07:45,240 --> 01:07:43,089

because I wanted to thank Patricia on

1261

01:07:49,920 --> 01:07:45,250

the air she's actually been a past guest

1262

01:07:52,200 --> 01:07:49,930

on my show a couple years ago and she's

1263

01:07:55,400 --> 01:07:52,210

working with the two of you in promoting

1264

01:07:58,019 --> 01:07:55,410

your book and in subsequent projects

1265

01:08:00,660 --> 01:07:58,029

yeah and I really wanted to thank her

1266

01:08:04,799 --> 01:08:00,670

for arranging this for us because it's

1267

01:08:06,930 --> 01:08:04,809

been just great now go ahead Bob sorry

1268

01:08:10,170 --> 01:08:06,940

okay we were doing a private

1269

01:08:12,930 --> 01:08:10,180

to her home and Betty had just finished

1270

01:08:14,339 --> 01:08:12,940

talking about Earth experiences and I

1271

01:08:17,070 --> 01:08:14,349

started to talk about the black

1272

01:08:19,349 --> 01:08:17,080

helicopters and all of a sudden the

1273

01:08:21,660 --> 01:08:19,359

noise came the window started to rattle

1274

01:08:23,939 --> 01:08:21,670

everyone looked out the windows and

1275

01:08:26,370 --> 01:08:23,949

there was the black helicopter passing

1276

01:08:27,539 --> 01:08:26,380

over the house now you might say

1277

01:08:29,729 --> 01:08:27,549

coincidence

1278

01:08:31,349 --> 01:08:29,739

few weeks later we were doing another

1279

01:08:32,249 --> 01:08:31,359

private lecture in New Britain

1280

01:08:34,349 --> 01:08:32,259

Connecticut

1281

01:08:36,599 --> 01:08:34,359

Betty finished talking about our

1282

01:08:40,079 --> 01:08:36,609

experiences I started talking about the

1283

01:08:41,970 --> 01:08:40,089

helicopters along comes a helicopter

1284

01:08:44,400 --> 01:08:41,980

over New Britain over this was

1285

01:08:47,820 --> 01:08:44,410

Adventists home that we were doing a

1286

01:08:50,090 --> 01:08:47,830

lecture and two weeks after that we were

1287

01:08:54,209 --> 01:08:50,100

doing a lecture at the house of a

1288

01:08:57,240 --> 01:08:54,219

contractor same exact thing they knew

1289

01:09:00,479 --> 01:08:57,250

where we were what was happening because

1290

01:09:03,539 --> 01:09:00,489

what happened was I was receiving some

1291

01:09:05,280 --> 01:09:03,549

messages from the beings at times and I

1292

01:09:07,890 --> 01:09:05,290

would write them down right away

1293

01:09:13,410 --> 01:09:07,900

whatever I was spoken to me I would

1294

01:09:15,059 --> 01:09:13,420

write down and for some reason as soon

1295

01:09:17,640 --> 01:09:15,069

as I started receiving those messages

1296

01:09:19,709 --> 01:09:17,650

and writing them down and evidently they

1297

01:09:21,300 --> 01:09:19,719

were listening into the house because

1298

01:09:24,689 --> 01:09:21,310

all of a sudden we heard the [h__\h] [h__\h] [h__\h]

1299

01:09:26,670 --> 01:09:24,699

[h__\h] up those helicopters copter coming

1300

01:09:29,039 --> 01:09:26,680

to the house evidently they were trying

1301

01:09:34,410 --> 01:09:29,049

to hone in thinking they were gonna find

1302

01:09:37,229 --> 01:09:34,420

out where it was coming from and you

1303

01:09:39,749 --> 01:09:37,239

hear about these oh sorry you hear about

1304

01:09:42,360 --> 01:09:39,759

these black helicopters you know a lot

1305

01:09:44,550 --> 01:09:42,370

in around the UFO subject and around

1306

01:09:47,430 --> 01:09:44,560

people that have had experiences or that

1307

01:09:50,249 --> 01:09:47,440

are looking into certain certain cases

1308

01:09:52,550 --> 01:09:50,259

or something I mean what do you think

1309

01:09:55,200 --> 01:09:52,560

those are all about are they because

1310

01:09:58,020 --> 01:09:55,210

they obviously see them you think

1311

01:10:00,240 --> 01:09:58,030

they're just intimidating or well we

1312

01:10:02,760 --> 01:10:00,250

were doing a lecture in Phoenix and a

1313

01:10:04,770 --> 01:10:02,770

man came over to me during the

1314

01:10:07,410 --> 01:10:04,780

intermission and he was to me he was

1315

01:10:09,800 --> 01:10:07,420

obviously military had very short cut

1316

01:10:13,140 --> 01:10:09,810

hair it was foul in his mid thirties

1317

01:10:13,920 --> 01:10:13,150

shiny black shoes a shirt buttoned down

1318

01:10:17,220 --> 01:10:13,930

the front

1319

01:10:19,560 --> 01:10:17,230

exactly even with his belt buckle to me

1320

01:10:20,550 --> 01:10:19,570

this was military or or something and he

1321

01:10:27,500 --> 01:10:20,560

said

1322

01:10:32,550 --> 01:10:27,510

helicopters so we don't have to hurt you

1323

01:10:34,140 --> 01:10:32,560

that's what he said and so my reply was

1324

01:10:35,300 --> 01:10:34,150

well I guess you're gonna have to hurt

1325

01:10:40,170 --> 01:10:35,310

me

1326

01:10:42,330 --> 01:10:40,180

it's were intimidation and we've had

1327

01:10:44,970 --> 01:10:42,340

been driving along the road like in

1328

01:10:48,150 --> 01:10:44,980

northern parts of Massachusetts on Route

1329

01:10:51,300 --> 01:10:48,160

two it had two Huey helicopters takeoff

1330

01:10:54,480 --> 01:10:51,310

from a field cross right over our car in

1331

01:10:56,730 --> 01:10:54,490

a rural area at less than 50 feet and if

1332

01:10:59,790 --> 01:10:56,740

you don't think that's intimidating and

1333

01:11:01,980 --> 01:10:59,800

you ought to try hit something but if if

1334

01:11:04,320 --> 01:11:01,990

someone wants to see them they they can

1335

01:11:05,250 --> 01:11:04,330

go on our website and race an affair

1336

01:11:08,580 --> 01:11:05,260

dot-com

1337

01:11:10,940 --> 01:11:08,590

and I have a number of photos there of

1338

01:11:13,830 --> 01:11:10,950

helicopters that I took over different

1339

01:11:17,460 --> 01:11:13,840

residences that we were in over a period

1340

01:11:20,400 --> 01:11:17,470

of many years they harassed us in that

1341

01:11:23,430 --> 01:11:20,410

manner I was in a bank shot and I was

1342

01:11:24,990 --> 01:11:23,440

sitting outside in the car and all of a

1343

01:11:27,930 --> 01:11:25,000

sudden he was looking at I don't know

1344

01:11:30,720 --> 01:11:27,940

what you're kind of buying an ar-15 yeah

1345

01:11:33,090 --> 01:11:30,730

and all of a sudden the black helicopter

1346

01:11:36,780 --> 01:11:33,100

showed up in the it was hovering over

1347

01:11:38,250 --> 01:11:36,790

the back side of the shop I don't know

1348

01:11:42,320 --> 01:11:38,260

what they could hear it or not but it

1349

01:11:45,440 --> 01:11:42,330

was loud and there was a also of

1350

01:11:49,830 --> 01:11:45,450

reporters right from the Meriden record

1351

01:11:52,620 --> 01:11:49,840

that seen it all so I've been in I was

1352

01:11:54,540 --> 01:11:52,630

in a store looking at a wallpaper

1353

01:11:56,970 --> 01:11:54,550

because we were refurbishing the house

1354

01:11:59,760 --> 01:11:56,980

and the thing was is they had all

1355

01:12:03,180 --> 01:11:59,770

windows in the front and I was they've

1356

01:12:05,280 --> 01:12:03,190

got like like a book a large book where

1357

01:12:07,350 --> 01:12:05,290

you can check all the different types of

1358

01:12:10,410 --> 01:12:07,360

wallpaper and so I was turning the pages

1359

01:12:13,770 --> 01:12:10,420

all of us and a helicopter came over in

1360

01:12:17,870 --> 01:12:13,780

front and the guy had a camera and he

1361

01:12:20,490 --> 01:12:17,880

had his foot on the lower bars of the

1362

01:12:23,460 --> 01:12:20,500

helicopter and was taking pictures of me

1363

01:12:25,950 --> 01:12:23,470

the the clerk came running in and says

1364

01:12:32,040 --> 01:12:25,960

Otis they're taking pictures of our

1365

01:12:34,110 --> 01:12:32,050

store so another occasion which this was

1366

01:12:36,410 --> 01:12:34,120

funny we had gone to four

1367

01:12:39,360 --> 01:12:36,420

Christmas campground in Florida and

1368

01:12:42,630 --> 01:12:39,370

there's a lot of pines there and we had

1369

01:12:44,790 --> 01:12:42,640

got a lot that was in a clearing and we

1370

01:12:47,100 --> 01:12:44,800

pulled our trailer in and we were just

1371

01:12:49,800 --> 01:12:47,110

parking it and the small helicopter came

1372

01:12:52,950 --> 01:12:49,810

along stopped right over the clearing

1373

01:12:54,960 --> 01:12:52,960

and the man was taking our picture

1374

01:12:57,060 --> 01:12:54,970

so I quick got my camera out of the

1375

01:13:05,760 --> 01:12:57,070

trailer and while he was taking our

1376

01:13:07,320 --> 01:13:05,770

picture I took his photo well I'm gonna

1377

01:13:09,030 --> 01:13:07,330

be on the lookout now that I've been

1378

01:13:10,710 --> 01:13:09,040

talking to you guys I'm gonna be on the

1379

01:13:12,350 --> 01:13:10,720

lookout for those black helicopters

1380

01:13:20,070 --> 01:13:12,360

hovering around my house

1381

01:13:22,500 --> 01:13:20,080

I'm gonna call you if I see him not only

1382

01:13:24,870 --> 01:13:22,510

did we see them the police officer

1383

01:13:26,370 --> 01:13:24,880

Fawcett witnessed them a reporter from

1384

01:13:29,250 --> 01:13:26,380

The Hartford Courant that came to our

1385

01:13:31,470 --> 01:13:29,260

home to interview us yeah I had seen

1386

01:13:33,300 --> 01:13:31,480

them our neighbors had seen them and

1387

01:13:38,310 --> 01:13:33,310

documented him it's not like it's just

1388

01:13:42,480 --> 01:13:38,320

us but saying that we've seen them they

1389

01:13:48,720 --> 01:13:42,490

were witnessed by many many people it's

1390

01:13:51,630 --> 01:13:48,730

just really really wild because you

1391

01:13:53,610 --> 01:13:51,640

wonder what net you know when we were

1392

01:13:55,770 --> 01:13:53,620

down in Florida also we were at the

1393

01:13:57,810 --> 01:13:55,780

laundromat and with all windows in their

1394

01:14:00,720 --> 01:13:57,820

front and there was one lady there

1395

01:14:03,450 --> 01:14:00,730

sitting at a desk and all of a sudden a

1396

01:14:06,000 --> 01:14:03,460

man came in with his car he jumped out

1397

01:14:08,910 --> 01:14:06,010

came and we were in the front I was

1398

01:14:11,550 --> 01:14:08,920

doing the wash and one of the machines

1399

01:14:15,020 --> 01:14:11,560

in front of the window there he started

1400

01:14:17,760 --> 01:14:15,030

taking pictures and I saw we were in

1401

01:14:19,530 --> 01:14:17,770

washing our clothes and were wondering

1402

01:14:21,570 --> 01:14:19,540

what in the world was going on and I

1403

01:14:25,200 --> 01:14:21,580

asked a woman do you have this place up

1404

01:14:30,510 --> 01:14:25,210

for sale or something well Bob luckily

1405

01:14:33,060 --> 01:14:30,520

he got the number of the car when the

1406

01:14:35,910 --> 01:14:33,070

man took off and he gave it to Larry

1407

01:14:42,780 --> 01:14:35,920

Fawcett again and it was unissued so you

1408

01:14:44,400 --> 01:14:42,790

know that it's the government why I just

1409

01:14:46,790 --> 01:14:44,410

don't understand you know the

1410

01:14:50,060 --> 01:14:46,800

intimidation I guess

1411

01:14:54,560 --> 01:14:50,070

what information are they afraid that

1412

01:14:56,830 --> 01:14:54,570

you're going to give out that that you

1413

01:14:59,030 --> 01:14:56,840

haven't already given

1414

01:15:00,919 --> 01:14:59,040

they spent a ton of money for nothing

1415

01:15:02,270 --> 01:15:00,929

because if they had come and asked us in

1416

01:15:05,410 --> 01:15:02,280

a nice way we would have told them

1417

01:15:07,729 --> 01:15:05,420

pretty much what they wanted to know but

1418

01:15:10,189 --> 01:15:07,739

one other thing that happened to us was

1419

01:15:12,470 --> 01:15:10,199

really funny we were up in New Hampshire

1420

01:15:15,439 --> 01:15:12,480

and it was a little cool and we were

1421

01:15:17,419 --> 01:15:15,449

tempting so we put our tent down and we

1422

01:15:19,069 --> 01:15:17,429

had a large German Shepherd I put a

1423

01:15:21,470 --> 01:15:19,079

stake in the ground and put him right

1424

01:15:23,479 --> 01:15:21,480

outside the tent and the guy that was

1425

01:15:27,109 --> 01:15:23,489

following us which was more than likely

1426

01:15:30,350 --> 01:15:27,119

FBI came and parked directly across from

1427

01:15:32,479 --> 01:15:30,360

us with his SUV and he gets out his tent

1428

01:15:34,580 --> 01:15:32,489

and the tent poles and all and he

1429

01:15:37,129 --> 01:15:34,590

couldn't put the thing together he was

1430

01:15:38,870 --> 01:15:37,139

cursing a blue streak and he finally

1431

01:15:44,540 --> 01:15:38,880

went in and slept in his car during the

1432

01:15:46,220 --> 01:15:44,550

night and the FBI I'm one occasion Betty

1433

01:15:47,990 --> 01:15:46,230

and I left for Florida in the middle of

1434

01:15:50,479 --> 01:15:48,000

night without telling anyone and that

1435

01:15:53,330 --> 01:15:50,489

was on like a Saturday evening and

1436

01:15:56,629 --> 01:15:53,340

Tuesday two FBI agents with photo ID

1437

01:15:59,450 --> 01:15:56,639

showed up at my job and they questioned

1438

01:16:01,250 --> 01:15:59,460

my co-workers and my supervisor so they

1439

01:16:05,689 --> 01:16:01,260

lost track of us because we left earnest

1440

01:16:08,240 --> 01:16:05,699

what kind of oh they were asking about

1441

01:16:10,160 --> 01:16:08,250

where you were yeah yeah they lost track

1442

01:16:11,660 --> 01:16:10,170

of us because we left about 2:30 in the

1443

01:16:17,149 --> 01:16:11,670

morning we got up hooked up our little

1444

01:16:20,540 --> 01:16:17,159

treasure and went oh my goodness they

1445

01:16:22,970 --> 01:16:20,550

were sleeping on the job I guess we're

1446

01:16:24,859 --> 01:16:22,980

all over the place we used to be anyway

1447

01:16:33,830 --> 01:16:24,869

now that we've gotten older a little

1448

01:16:35,959 --> 01:16:33,840

more settled oh man when they win it in

1449

01:16:38,959 --> 01:16:35,969

question you're your co-workers an

1450

01:16:40,970 --> 01:16:38,969

employer who did they say they were did

1451

01:16:47,299 --> 01:16:40,980

they say they were the FBI oh yeah they

1452

01:16:49,430 --> 01:16:47,309

had photo ID but Betty and I did when we

1453

01:16:51,680 --> 01:16:49,440

got back from Florida we did go the FBI

1454

01:16:53,299 --> 01:16:51,690

office and they said they could neither

1455

01:16:55,100 --> 01:16:53,309

confirm nor deny

1456

01:16:57,470 --> 01:16:55,110

and I asked him why we were there I said

1457

01:17:00,260 --> 01:16:57,480

why you tapping our telephone and he

1458

01:17:00,680 --> 01:17:00,270

said well in your case it's not us as

1459

01:17:03,260 --> 01:17:00,690

there

1460

01:17:06,230 --> 01:17:03,270

intelligence the telephone was really

1461

01:17:09,470 --> 01:17:06,240

magic my mother was sick and and what

1462

01:17:12,530 --> 01:17:09,480

happened was I went to call to see that

1463

01:17:14,540 --> 01:17:12,540

she was alright and they had the line to

1464

01:17:16,940 --> 01:17:14,550

open Isis please get off the phone

1465

01:17:19,670 --> 01:17:16,950

because my mother's ill I've got to call

1466

01:17:22,010 --> 01:17:19,680

her and then they hung right up and and

1467

01:17:25,070 --> 01:17:22,020

I was able to get her and another time

1468

01:17:27,980 --> 01:17:25,080

was I had lifted up the phone and I

1469

01:17:31,100 --> 01:17:27,990

heard a woman say the directors office

1470

01:17:31,790 --> 01:17:31,110

and I said director of what and she hung

1471

01:17:38,480 --> 01:17:31,800

up

1472

01:17:41,960 --> 01:17:38,490

directory at one time and the man who

1473

01:17:45,710 --> 01:17:41,970

sells the city directory was always on

1474

01:17:48,560 --> 01:17:45,720

his job away from the shop and he would

1475

01:17:51,320 --> 01:17:48,570

call in off and on to see what had to be

1476

01:17:54,050 --> 01:17:51,330

done and everything well he called in

1477

01:17:56,870 --> 01:17:54,060

and he cut the Pentagon and he signed a

1478

01:18:00,290 --> 01:17:56,880

paper for me and told exactly he called

1479

01:18:08,270 --> 01:18:00,300

that number daily and yet he got the

1480

01:18:10,850 --> 01:18:08,280

Pentagon well that is just too wild you

1481

01:18:14,450 --> 01:18:10,860

know what the music starting to play and

1482

01:18:17,450 --> 01:18:14,460

we're all out of time I want to thank

1483

01:18:20,320 --> 01:18:17,460

you both Betty andreasson Lucca and Bob

1484

01:18:24,680 --> 01:18:20,330

1485

01:18:26,720 --> 01:18:24,690

1487

01:18:31,130 --> 01:18:30,060

and I cannot wait to see the new book

1488

01:18:33,680 --> 01:18:31,140

because it's going to have some

1489

01:18:37,040 --> 01:18:33,690

information again like Betty you said

1490

01:18:40,540 --> 01:18:37,050

it's important for all of us so I can't
