it is going to be exciting and it's a

18

00:01:29,450 --> 00:01:25,800

real heart-wrenching show yeah but it's

19

00:01:32,810 --> 00:01:29,460

one we have to do we absolutely have to

20

00:01:35,690 --> 00:01:32,820

do this show tonight and I want to

21

00:01:38,810 --> 00:01:35,700

introduce everybody first off to our

22

00:01:41,900 --> 00:01:38,820

guests who are all amazing and talented

23

00:01:45,200 --> 00:01:41,910

people who are with us this evening we

24

00:01:47,540 --> 00:01:45,210

have Renee Barnett Renee is the host of

25

00:01:50,150 --> 00:01:47,550

night vision radio which is another

26

00:01:53,210 --> 00:01:50,160

great show on inception radio network

27

00:01:55,460 --> 00:01:53,220

her show airs Thursday evening at 10:30

28

00:01:56,719 --> 00:01:55,470

Eastern don't miss it she's got a great

29

00:01:59,749 --> 00:01:56,729

show every week

30

00:02:03,710 --> 00:01:59,759

Renee is also a television and film

31

00:02:07,520 --> 00:02:03,720

producer in LA and she's an expert on

32

00:02:10,550 --> 00:02:07,530

the facts of this case the Oklahoma Girl

33

00:02:11,990 --> 00:02:10,560

Scout murders and it was Renee who

34

00:02:14,780 --> 00:02:12,000

brought this to our attention

35

00:02:16,790 --> 00:02:14,790

piqué and you and I know when we heard

36

00:02:21,650 --> 00:02:16,800

this case it just about ripped our

37

00:02:24,920 --> 00:02:21,660

hearts out it is a very very tragic case

38

00:02:29,000 --> 00:02:24,930

it's devastating to know the facts of it

39

00:02:32,000 --> 00:02:29,010

but what we all knew instantly is that

40

00:02:34,850 --> 00:02:32,010

this is about a battle between the light

41

00:02:36,800 --> 00:02:34,860

and the darkness that's what this is

42

00:02:40,369 --> 00:02:36,810

about and we wanted to have this show

43

00:02:43,369 --> 00:02:40,379

and shed some light on the paranormal

44

00:02:46,550 --> 00:02:43,379

aspects of this on the Native American

45

00:02:50,690 --> 00:02:46,560

medicine involved in this how things

46

00:02:53,930 --> 00:02:50,700

went wrong and of course our hearts go

47

00:02:57,020 --> 00:02:53,940

out still to the families who lost their

48

00:03:00,800 --> 00:02:57,030

beautiful little girls and this horrible

49

00:03:03,500 --> 00:03:00,810

horrible murder and we also have Michael

50

00:03:07,099 --> 00:03:03,510

51  
00:03:08,720 --> 00:03:07,109

- matt baer anderson Tuscarora medicine

54

man one of the most unusual and

55  
00:03:21,530 --> 00:03:18,120  
well-known medicine man he really was

56  
00:03:23,390 --> 00:03:21,540  
known globally and michael was his

57  
00:03:28,040 --> 00:03:23,400  
apprentice and michael's with us tonight

58  
00:03:32,780 --> 00:03:28,050  
we also have world-renowned psychic

59  
00:03:34,520 --> 00:03:32,790  
medium-- george lugo now George has

60  
00:03:37,789 --> 00:03:34,530  
worked with a number of investigators

61  
00:03:40,729 --> 00:03:37,799  
including Scotland Yard and we all know

62  
00:03:43,130 --> 00:03:40,739  
George he's extremely talented very

63  
00:03:45,199 --> 00:03:43,140

detailed in his readings and his

64

00:03:47,780 --> 00:03:45,209

communication with the other side he is

65

00:03:50,979 --> 00:03:47,790

going to be speaking to the other side

66

00:03:57,770 --> 00:03:50,989

tonight about what happened in Oklahoma

67

00:03:58,220 --> 00:03:57,780

that night in 1977 so Rene welcome to

68

00:04:00,589 --> 00:03:58,230

the show

69

00:04:03,680 --> 00:04:00,599

let's start with you I know you have all

70

00:04:05,930 --> 00:04:03,690

the facts on this case and you know all

71

00:04:08,780 --> 00:04:05,940

of the paranormal intrigue that occurred

72

00:04:11,780 --> 00:04:08,790

can you tell us a little bit about what

73

00:04:14,180 --> 00:04:11,790

happened and how the paranormal played

74

00:04:17,779 --> 00:04:14,190

into this sure first of all thanks for

75

00:04:19,610 --> 00:04:17,789

having me in hi everyone I don't know

76

00:04:22,370 --> 00:04:19,620

that I would call myself an expert on

77

00:04:25,550 --> 00:04:22,380

the case but I guess I do know as much

78

00:04:27,680 --> 00:04:25,560

about it as as a lot as probably very

79

00:04:28,850 --> 00:04:27,690

few people a few other people do besides

80

00:04:31,210 --> 00:04:28,860

the people that were involved in the

81

00:04:34,279 --> 00:04:31,220

case because it's been sort of an

82

00:04:36,890 --> 00:04:34,289

obsession of mine ever since it happened

83

00:04:38,750 --> 00:04:36,900

I heard about it that night after the

84

00:04:40,570 --> 00:04:38,760

little girls were discovered on the car

85

00:04:43,700 --> 00:04:40,580

radio as I was driving across country

86

00:04:47,570 --> 00:04:43,710

leaving my home in Oklahoma to come to

87

00:04:49,400 --> 00:04:47,580

Los Angeles and of course what what

88

00:04:51,890 --> 00:04:49,410

happened was three little girl scouts

89

00:04:55,129 --> 00:04:51,900

were murdered on the first night of

90

00:04:57,620 --> 00:04:55,139

their encampment at a Girl Scout camp

91

00:05:01,820 --> 00:04:57,630

known as Camp Scott on Grand Lake in

92

00:05:03,379 --> 00:05:01,830

eastern Oklahoma it was really

93

00:05:06,350 --> 00:05:03,389

interesting I don't know how many people

94

00:05:09,409 --> 00:05:06,360

heard my show last week which was

95

00:05:11,510 --> 00:05:09,419

rebroadcast just before this show but it

96

00:05:14,210 --> 00:05:11,520

kind of laid out more of the facts of

97

00:05:17,899 --> 00:05:14,220

the case last week and then prior to the

98

00:05:20,360 --> 00:05:17,909

show but just briefly the the major

99

00:05:22,399 --> 00:05:20,370

suspect ultimately turned out to be a

100

00:05:26,809 --> 00:05:22,409

man by the name of Jean Lee

101  
00:05:29,929 --> 00:05:26,819  
Roy Hart who was also happened to be a

102  
00:05:30,829 --> 00:05:29,939  
Cherokee Indian he was a local football

103  
00:05:34,879 --> 00:05:30,839  
hero

104  
00:05:37,189 --> 00:05:34,889  
and you know a strapping young man so

105  
00:05:39,169 --> 00:05:37,199  
nobody kind of wanted to believe that

106  
00:05:41,239 --> 00:05:39,179  
someone like that especially the

107  
00:05:43,339 --> 00:05:41,249  
Cherokee people didn't want to believe

108  
00:05:46,519 --> 00:05:43,349  
one of their own could have committed

109  
00:05:48,829 --> 00:05:46,529  
this crime and so he was able to evade

110  
00:05:51,619 --> 00:05:48,839  
law enforcement for a long time he

111  
00:05:54,619 --> 00:05:51,629  
became the biggest manhunt in Oklahoma

112  
00:05:56,749 --> 00:05:54,629  
history and was only ultimately were

113  
00:05:59,449 --> 00:05:56,759

able to track him and bring him in once

114

00:06:03,319 --> 00:05:59,459

the Oklahoma State Bureau of

115

00:06:06,790 --> 00:06:03,329

Investigation agents sort of returned

116

00:06:09,139 --> 00:06:06,800

their own native heritage they even

117

00:06:13,609 --> 00:06:09,149

acquired the help of their own medicine

118

00:06:16,489 --> 00:06:13,619

man who gave them medicine too for them

119

00:06:17,779 --> 00:06:16,499

to wear for protection for themselves to

120

00:06:19,369 --> 00:06:17,789

put on their bullets and to put on the

121

00:06:23,739 --> 00:06:19,379

track and we can go into more that later

122

00:06:26,179 --> 00:06:23,749

but basically it was controversial case

123

00:06:29,209 --> 00:06:26,189

gene heart was said to have had the help

124

00:06:33,079 --> 00:06:29,219

of a powerful medicine man and he was

125

00:06:36,939 --> 00:06:33,089

ultimately acquitted by a jury in to the

126

00:06:39,980 --> 00:06:36,949

shock of of many people later DNA

127

00:06:44,480 --> 00:06:39,990

confirmed because this case happened in

128

00:06:47,959 --> 00:06:44,490

1977 there was no DNA but later a and

129

00:06:52,509 --> 00:06:47,969

they did confirm that it was consistent

130

00:06:56,569 --> 00:06:52,519

with his his DNA and also the sperm was

131

00:06:57,829 --> 00:06:56,579

was unusual so they were able to connect

132

00:07:02,629 --> 00:06:57,839

him to the crime scene by physical

133

00:07:05,529 --> 00:07:02,639

evidence and by DNA evidence now also

134

00:07:08,929 --> 00:07:05,539

wasn't he an escapee from prison was

135

00:07:13,189 --> 00:07:08,939

yeah that was that was the other thing

136

00:07:15,649 --> 00:07:13,199

he was already a convict he was escaped

137

00:07:17,239 --> 00:07:15,659

from McAllister or I'm sorry granite

138

00:07:20,629 --> 00:07:17,249

prison as I was corrected the other

139

00:07:23,179 --> 00:07:20,639

night prison in Granite Oklahoma where

140

00:07:27,669 --> 00:07:23,189

he was serving a hundred and forty-four

141

00:07:32,019 --> 00:07:27,679

years for raping and kidnapping two

142

00:07:36,480 --> 00:07:32,029

teenaged pregnant girls from Tulsa and

143

00:07:38,309 --> 00:07:36,490

he had taken them out in the woods some

144

00:07:40,080 --> 00:07:38,319

same evidence matched the evidence that

145

00:07:42,240 --> 00:07:40,090

the Girl Scout camp the same types of

146

00:07:44,960 --> 00:07:42,250

knots were tied the same exact he used

147

00:07:47,610 --> 00:07:44,970

the same MO all the way around and

148

00:07:48,930 --> 00:07:47,620

actually tried to bury these girls but

149

00:07:51,150 --> 00:07:48,940

it was in the winter time and the ground

150

00:07:54,300 --> 00:07:51,160

was too hard for him to get very far he

151

00:07:56,550 --> 00:07:54,310

partially buried things yes left them

152

00:08:00,570 --> 00:07:56,560

tied in the woods and was going to come

153

00:08:03,360 --> 00:08:00,580

back later and I don't doubt at all that

154

00:08:06,740 --> 00:08:03,370

he was going to come back and attack

155

00:08:09,120 --> 00:08:06,750

them again and then kill them but

156

00:08:12,420 --> 00:08:09,130

somehow one of the managed to get free

157

00:08:15,689 --> 00:08:12,430

they escaped and he was actually brought

158

00:08:18,680 --> 00:08:15,699

to trial and convicted of that crime so

159

00:08:22,439 --> 00:08:18,690

to me it wasn't that big of a stretch

160

00:08:26,249 --> 00:08:22,449

that he could be guilty of this crime

161

00:08:28,879 --> 00:08:26,259

which was very similar and of course a

162

00:08:32,370 --> 00:08:28,889

lot of times you know as we know a

163

00:08:35,579 --> 00:08:32,380

serial rapist will you know initially

164

00:08:38,550 --> 00:08:35,589

just start out with the physical attack

165

00:08:40,829 --> 00:08:38,560

at the violation in the rape but then if

166

00:08:44,400 --> 00:08:40,839

they get convicted the next time they do

167

00:08:46,769 --> 00:08:44,410

it they don't leave witnesses so I think

168

00:08:48,600 --> 00:08:46,779

you know and also killers crimes

169

00:08:51,120 --> 00:08:48,610

escalate so I think that may have been

170

00:08:53,840 --> 00:08:51,130

what was going on but but that was it

171

00:08:56,639 --> 00:08:53,850

but the what ensued were in the

172

00:09:01,470 --> 00:08:56,649

paranormal aspects of everything that

173

00:09:03,019 --> 00:09:01,480

went on was just amazing and I don't

174

00:09:05,940 --> 00:09:03,029

know how you want me to get into that

175

00:09:08,100 --> 00:09:05,950

before you do I'm going to just take a

176

00:09:10,050 --> 00:09:08,110

take a break for a second from all of

177

00:09:12,660 --> 00:09:10,060

this information which is is very

178

00:09:14,970 --> 00:09:12,670

important for our listeners to know and

179

00:09:18,000 --> 00:09:14,980

understand I'm going to move over to

180

00:09:20,550 --> 00:09:18,010

piqué and piqué I want to talk about

181

00:09:24,540 --> 00:09:20,560

what you found because what PK did is

182

00:09:28,319 --> 00:09:24,550

she took a look at this man's numerology

183

00:09:30,900 --> 00:09:28,329

and his birth date who was he so from

184

00:09:32,190 --> 00:09:30,910

that perspective PK tell us a little bit

185

00:09:33,870 --> 00:09:32,200

about what you found I thought I was

186

00:09:35,970 --> 00:09:33,880

fascinating I know Renee wants to hear

187

00:09:39,000 --> 00:09:35,980

this oh my god taking notes right now

188

00:09:41,460 --> 00:09:39,010

got my bangs on paper I've taken notes

189

00:09:44,010 --> 00:09:41,470

for you - Renee all right this is

190

00:09:45,689 --> 00:09:44,020

interesting the the fact is this young

191

00:09:48,780 --> 00:09:45,699

man was born into have issues with

192

00:09:50,160 --> 00:09:48,790

females so it started with his mother he

193

00:09:52,259 --> 00:09:50,170

couldn't get over that

194

00:09:54,420 --> 00:09:52,269

he had a destiny that was a 19-1 which

195

00:09:57,810 --> 00:09:54,430

means that he he felt abandoned and

196

00:10:01,710 --> 00:09:57,820

alone clear up to his early 20s so he

197

00:10:04,889 --> 00:10:01,720

felt unable to connect with anything he

198

00:10:08,519 --> 00:10:04,899

had very low self-esteem he was not a

199

00:10:11,129 --> 00:10:08,529

rule maker he found rules absolutely

200

00:10:14,100 --> 00:10:11,139

horrible to have to deal with yet any

201  
00:10:16,230 --> 00:10:14,110  
change he ever made was restricted he

202  
00:10:19,680 --> 00:10:16,240  
was extremely intelligent but very

203  
00:10:21,600 --> 00:10:19,690  
fearful of the light and the dark this

204  
00:10:24,420 --> 00:10:21,610  
is a man that had the boogeyman carrying

205  
00:10:26,069 --> 00:10:24,430  
with him most of his life but I found it

206  
00:10:31,439 --> 00:10:26,079  
very interesting when I'm looking at all

207  
00:10:35,670 --> 00:10:31,449  
this is that he when he passed away it

208  
00:10:37,860 --> 00:10:35,680  
was a 27 nine day 29 ins things ending

209  
00:10:39,780 --> 00:10:37,870  
of old issues in a month that would have

210  
00:10:42,870 --> 00:10:39,790  
dealt with a heart problem for him which

211  
00:10:45,509 --> 00:10:42,880  
is exactly what happened and the date

212  
00:10:51,689 --> 00:10:45,519  
that he was when this event took place

213  
00:10:53,699 --> 00:10:51,699

in 1977 it was a twenty four six six is

214

00:10:56,400 --> 00:10:53,709

all about family and universe and

215

00:11:00,569 --> 00:10:56,410

wanting things to be perfect and it was

216

00:11:02,370 --> 00:11:00,579

a nine achievement so the way of making

217

00:11:04,319 --> 00:11:02,380

it work and put together was very

218

00:11:08,069 --> 00:11:04,329

difficult it was dealing with endings

219

00:11:12,269 --> 00:11:08,079

and unable to pull things together he

220

00:11:14,790 --> 00:11:12,279

died in a universal eighth year we are

221

00:11:18,120 --> 00:11:14,800

in a universal eighth year again today

222

00:11:23,400 --> 00:11:18,130

is a universal and it's it's a universal

223

00:11:25,439 --> 00:11:23,410

eighth day so it's combination of things

224

00:11:28,350 --> 00:11:25,449

dealing with the female side the family

225

00:11:31,410 --> 00:11:28,360

side and the wanting of being perfect

226

00:11:34,710 --> 00:11:31,420

and his feelings of inadequacy

227

00:11:37,769 --> 00:11:34,720

I would I would probably have to say

228

00:11:41,009 --> 00:11:37,779

that he tended to go from impotency to

229

00:11:46,079 --> 00:11:41,019

way off the other side that's why he

230

00:11:49,530 --> 00:11:46,089

this was so much a draw for him well a

231

00:11:51,629 --> 00:11:49,540

lot of that is oh I'm sorry also said

232

00:11:53,519 --> 00:11:51,639

something about he had no conscience

233

00:11:55,319 --> 00:11:53,529

well that has something else on the

234

00:11:58,620 --> 00:11:55,329

numbers well that's why I said look

235

00:12:01,139 --> 00:11:58,630

taking a look at it his he was extremely

236

00:12:03,350 --> 00:12:01,149

intelligent but very fearful of what he

237

00:12:05,120 --> 00:12:03,360

knew he did

238

00:12:07,759 --> 00:12:05,130

truly believed there was a boogeyman er

239

00:12:10,490 --> 00:12:07,769

uh somebody bigger than he that would

240

00:12:13,880 --> 00:12:10,500

take away his powers he tried to be

241

00:12:16,430 --> 00:12:13,890

powerful but his low self-esteem created

242

00:12:19,240 --> 00:12:16,440

such major issues for him then the into

243

00:12:24,230 --> 00:12:19,250

the intimacy or lack thereof with women

244

00:12:26,569 --> 00:12:24,240

gave him that need to be more in charge

245

00:12:28,310 --> 00:12:26,579

to control them and the only way he

246

00:12:32,930 --> 00:12:28,320

could control them was to take away

247

00:12:35,630 --> 00:12:32,940

their dignity by rape well that that is

248

00:12:37,819 --> 00:12:35,640

fairly consistent with what I know I

249

00:12:40,400 --> 00:12:37,829

don't know everything about his personal

250

00:12:43,100 --> 00:12:40,410

life but I do know that he had an

251  
00:12:44,690 --> 00:12:43,110  
absentee father so that right away you

252  
00:12:47,900 --> 00:12:44,700  
know brings in some abandonment issues

253  
00:12:50,930 --> 00:12:47,910  
definitely he lived with his mother who

254  
00:12:52,660 --> 00:12:50,940  
lived nearby camp Scott in fact you know

255  
00:12:55,850 --> 00:12:52,670  
that was one of the reasons that he

256  
00:12:57,410 --> 00:12:55,860  
initially became a suspect because his

257  
00:12:59,630 --> 00:12:57,420  
mother lives so nearby

258  
00:13:03,470 --> 00:12:59,640  
I don't know was relationship like was

259  
00:13:06,829 --> 00:13:03,480  
was like with her I know that he was

260  
00:13:11,780 --> 00:13:06,839  
estranged from his wife and that he had

261  
00:13:14,660 --> 00:13:11,790  
also molested his own child and I think

262  
00:13:16,689 --> 00:13:14,670  
attacked his own wife so I know that at

263  
00:13:19,579 --> 00:13:16,699

least be you know due to the molestation

264

00:13:22,699 --> 00:13:19,589

that they split up and it might have

265

00:13:25,370 --> 00:13:22,709

also been a tax on her as well but it

266

00:13:28,990 --> 00:13:25,380

seems like also just generally that when

267

00:13:31,759 --> 00:13:29,000

you find guys that are child molesters

268

00:13:36,290 --> 00:13:31,769

mm-hmm doesn't that sort of suggest an

269

00:13:38,540 --> 00:13:36,300

inadequacy with normal women or fear of

270

00:13:41,439 --> 00:13:38,550

rejection they want someone that they

271

00:13:44,329 --> 00:13:41,449

can overpower and feel bigger than and

272

00:13:46,819 --> 00:13:44,339

definitely and in his case because he

273

00:13:49,340 --> 00:13:46,829

was very much a rule breaker and felt

274

00:13:51,920 --> 00:13:49,350

such low self-esteem for himself it's

275

00:13:54,860 --> 00:13:51,930

enforced when the out numbers are always

276

00:13:56,990 --> 00:13:54,870

karmic they have a karmic impact and as

277

00:13:58,519 --> 00:13:57,000

I said earlier it was an eight universal

278

00:14:01,840 --> 00:13:58,529

year and when we're going through all

279

00:14:05,389 --> 00:14:01,850

this and the girls were in 10th eighth

280

00:14:07,460 --> 00:14:05,399

well yes that's right they should yeah

281

00:14:09,319 --> 00:14:07,470

so everything to do with the 8th the

282

00:14:14,300 --> 00:14:09,329

year that it was in what was going on

283

00:14:16,680 --> 00:14:14,310

within him very much a pervert that I

284

00:14:18,420 --> 00:14:16,690

mean that's the nicest way I can put it

285

00:14:20,910 --> 00:14:18,430

because and also Patricia it's so

286

00:14:22,890 --> 00:14:20,920

interesting that here we are again with

287

00:14:26,040 --> 00:14:22,900

an 8 and we are talking about this case

288

00:14:29,100 --> 00:14:26,050

exactly example is kind of coming to

289

00:14:31,110 --> 00:14:29,110

another full circle here it has done a

290

00:14:33,270 --> 00:14:31,120

great job looking at this guy can

291

00:14:35,910 --> 00:14:33,280

certainly see from Renee what you shared

292

00:14:37,980 --> 00:14:35,920

and piqué what you shared this looks

293

00:14:40,410 --> 00:14:37,990

like the man who did it even though he

294

00:14:43,110 --> 00:14:40,420

was not he was found not guilty which is

295

00:14:46,050 --> 00:14:43,120

unbelievable to so many but you know I

296

00:14:49,140 --> 00:14:46,060

have to share with you all I had a phone

297

00:14:50,670 --> 00:14:49,150

call today from a dear friend of mine I

298

00:14:54,360 --> 00:14:50,680

hadn't heard from her in a long time

299

00:14:57,360 --> 00:14:54,370

name is Kelly and Kelly said I had to

300

00:15:00,420 --> 00:14:57,370

call you because I saw your post about

301  
00:15:04,740 --> 00:15:00,430  
the Oklahoma Girl Scout murders she said

302  
00:15:08,490 --> 00:15:04,750  
I was a Girl Scout then and I remember

303  
00:15:10,980 --> 00:15:08,500  
that case and I was scared to death I

304  
00:15:15,270 --> 00:15:10,990  
didn't want to go to camp my mother made

305  
00:15:18,540 --> 00:15:15,280  
me go but she said this case this these

306  
00:15:21,540 --> 00:15:18,550  
murders just shook me to my core she

307  
00:15:23,670 --> 00:15:21,550  
said when I saw the post I thought the

308  
00:15:26,370 --> 00:15:23,680  
same way I did back then you know

309  
00:15:29,610 --> 00:15:26,380  
there's something about this case and

310  
00:15:32,190 --> 00:15:29,620  
this experience that intuitive sensitive

311  
00:15:35,450 --> 00:15:32,200  
people know there is so much more to

312  
00:15:38,580 --> 00:15:35,460  
this from the dark side of magic from

313  
00:15:40,110 --> 00:15:38,590

these demonic beings that he called

314

00:15:42,330 --> 00:15:40,120

fourths which we're going to get into

315

00:15:45,290 --> 00:15:42,340

that with Michael Bastien and with

316

00:15:48,630 --> 00:15:45,300

george lugo tonight this is what

317

00:15:50,580 --> 00:15:48,640

continues to scare people to this day

318

00:15:52,110 --> 00:15:50,590

there's a very powerful phone call from

319

00:15:54,270 --> 00:15:52,120

Kelly and I really appreciate that she

320

00:15:58,260 --> 00:15:54,280

called I know she's not alone in her

321

00:16:00,840 --> 00:15:58,270

feelings about this case you know when

322

00:16:03,750 --> 00:16:00,850

we take a little how intelligent the

323

00:16:06,120 --> 00:16:03,760

young man was but what is intelligence

324

00:16:10,530 --> 00:16:06,130

it's a border line between reality and

325

00:16:13,620 --> 00:16:10,540

insanity hmm yeah he was 10 - a very

326

00:16:16,380 --> 00:16:13,630

well well read and listen to classical

327

00:16:20,610 --> 00:16:16,390

music and and that sort of thing so yeah

328

00:16:22,800 --> 00:16:20,620

you're right about that and that he was

329

00:16:25,829 --> 00:16:22,810

able to somehow convince a medicine man

330

00:16:28,590 --> 00:16:25,839

to train him and work with him so that

331

00:16:29,610 --> 00:16:28,600

somewhere a medicine man must have felt

332

00:16:33,120 --> 00:16:29,620

he had

333

00:16:34,680 --> 00:16:33,130

ability which is unfortunate because it

334

00:16:35,610 --> 00:16:34,690

brought him to a whole new level of

335

00:16:38,040 --> 00:16:35,620

power

336

00:16:39,720 --> 00:16:38,050

well the medicine man believed him you

337

00:16:43,800 --> 00:16:39,730

know believed that he was being

338

00:16:46,880 --> 00:16:43,810

railroaded in both cases so he he helped

339

00:16:50,490 --> 00:16:46,890

him but unfortunately I think Shinar

340

00:16:53,190 --> 00:16:50,500

misused those powers but you know we'll

341

00:16:55,310 --> 00:16:53,200

get into what happened later on but you

342

00:16:57,630 --> 00:16:55,320

can't use yeah just use the powers

343

00:16:59,910 --> 00:16:57,640

exactly exactly

344

00:17:02,790 --> 00:16:59,920

odd thing well and I also want to just

345

00:17:05,309 --> 00:17:02,800

you know at least honor these girls

346

00:17:06,870 --> 00:17:05,319

memories it was other names Laurie Lee

347

00:17:08,939 --> 00:17:06,880

farmer who was 8

348

00:17:10,319 --> 00:17:08,949

Michelle Goose am I saying that

349

00:17:14,250 --> 00:17:10,329

correctly yay

350

00:17:17,460 --> 00:17:14,260

moons 9 and Doris Denis Mitchell who was

351

00:17:20,370 --> 00:17:17,470

10 that's a Christmas actually her last

352

00:17:22,290 --> 00:17:20,380

name was Milner I saw that same typo on

353

00:17:24,660 --> 00:17:22,300

some website but her name was Denise

354

00:17:25,199 --> 00:17:24,670

Milner Miller estores Denise Mellie

355

00:17:27,390 --> 00:17:25,209

thank you

356

00:17:28,770 --> 00:17:27,400

Milner and then you know you know her

357

00:17:30,270 --> 00:17:28,780

little sister was the one that had a

358

00:17:32,940 --> 00:17:30,280

premonition about all this

359

00:17:35,520 --> 00:17:32,950

yeah let's now talk about that Renee

360

00:17:37,440 --> 00:17:35,530

because you know all of the paranormal

361

00:17:39,360 --> 00:17:37,450

things that happened so do you want to

362

00:17:41,250 --> 00:17:39,370

share that with us what happened during

363

00:17:45,419 --> 00:17:41,260

this case it's so many twists and turns

364

00:17:48,660 --> 00:17:45,429

to this thing well I mean to me it NPK

365

00:17:51,480 --> 00:17:48,670

you may have something to say about this

366

00:17:54,390 --> 00:17:51,490

about the sort of numerology of it I

367

00:17:55,980 --> 00:17:54,400

don't know but it just seems so odd you

368

00:17:57,450 --> 00:17:55,990

know they all arrived at Camp when

369

00:18:01,919 --> 00:17:57,460

blesses most of them were from

370

00:18:05,310 --> 00:18:01,929

metropolitan Tulsa area and once they

371

00:18:07,440 --> 00:18:05,320

got there they aide and they were

372

00:18:10,380 --> 00:18:07,450

getting ready to you know get to their

373

00:18:14,760 --> 00:18:10,390

their tents the the camp was set up with

374

00:18:17,190 --> 00:18:14,770

these wooden floors that were there all

375

00:18:19,530 --> 00:18:17,200

year long and they were quite up off the

376

00:18:20,730 --> 00:18:19,540

ground and then the tents were on top of

377

00:18:23,700 --> 00:18:20,740

the floor so they were on like little

378

00:18:26,940 --> 00:18:23,710

foundations the girls were allowed to

379

00:18:28,710 --> 00:18:26,950

pick their own tent mates and of course

380

00:18:31,080 --> 00:18:28,720

most of the girls chose their

381

00:18:34,020 --> 00:18:31,090

girlfriends that they had come with and

382

00:18:35,520 --> 00:18:34,030

hadn't made plans to come with and so

383

00:18:38,550 --> 00:18:35,530

they all chose up and there were four

384

00:18:40,710 --> 00:18:38,560

girls to each tent and once the choosing

385

00:18:43,080 --> 00:18:40,720

was all done there were three little

386

00:18:47,840 --> 00:18:43,090

girls that were left over

387

00:18:50,460 --> 00:18:47,850

and that was a Denise Lori and Michelle

388

00:18:54,030 --> 00:18:50,470

they didn't know each other at all

389

00:18:55,800 --> 00:18:54,040

and Denise had really not wanted to go

390

00:18:57,060 --> 00:18:55,810

and she begged her mother all please

391

00:18:58,950 --> 00:18:57,070

please you know I don't want to go I

392

00:19:02,040 --> 00:18:58,960

don't want to go and her mom says we'll

393

00:19:03,840 --> 00:19:02,050

listen just go I think you'll have a

394

00:19:05,580 --> 00:19:03,850

good time once you're there and once you

395

00:19:07,770 --> 00:19:05,590

get there if you still don't want to be

396

00:19:09,720 --> 00:19:07,780

there call me and I'll come and pick you

397

00:19:13,320 --> 00:19:09,730

up I think it's only about an hour drive

398

00:19:14,640 --> 00:19:13,330

from Tulsa and so she asked the

399

00:19:17,400 --> 00:19:14,650

counselor she said all I want to call my

400

00:19:21,180 --> 00:19:17,410

mom and the counselor said I tell you

401

00:19:23,430 --> 00:19:21,190

what let's have dinner go to our cabins

402

00:19:25,850 --> 00:19:23,440

write letters to our parents and if you

403

00:19:28,050 --> 00:19:25,860

still want to call her in the morning

404

00:19:28,770 --> 00:19:28,060

you know I'll let you call her we'll of

405

00:19:31,760 --> 00:19:28,780

course

406

00:19:36,180 --> 00:19:31,770

Denise nor the other two girls made it

407

00:19:37,980 --> 00:19:36,190

alive to the next morning but it was

408

00:19:40,430 --> 00:19:37,990

interesting Denise familiares month

409

00:19:42,710 --> 00:19:40,440

Milner's mother tells a story about

410

00:19:47,100 --> 00:19:42,720

Denise's little five-year-old sister

411

00:19:49,410 --> 00:19:47,110

Kathy who that very evening came up to

412

00:19:53,580 --> 00:19:49,420

her mom and said mom why do people die

413

00:19:55,650 --> 00:19:53,590

and the mother said well you know that's

414

00:19:58,500 --> 00:19:55,660

the cycle of life you know people are

415

00:20:00,780 --> 00:19:58,510

dying all the time but babies are being

416

00:20:03,630 --> 00:20:00,790

born all the time that's the way you

417

00:20:05,520 --> 00:20:03,640

know that it works and the little girl

418

00:20:09,120 --> 00:20:05,530

said well tonight everybody's going to

419

00:20:12,480 --> 00:20:09,130

die and I thought that it was quite

420

00:20:14,280 --> 00:20:12,490

strange yeah very much so that was kind

421

00:20:17,100 --> 00:20:14,290

of a shadow of things to come in terms

422

00:20:19,410 --> 00:20:17,110

of these uh these energies were already

423

00:20:21,960 --> 00:20:19,420

bleeding through and here this little

424

00:20:24,090 --> 00:20:21,970

five year old girl was picking up on the

425

00:20:26,610 --> 00:20:24,100

tragedy about to befall their family I

426

00:20:29,220 --> 00:20:26,620

mean it is is a good example of how

427

00:20:30,300 --> 00:20:29,230

powerful these energies were and how

428

00:20:34,830 --> 00:20:30,310

they were already in place

429

00:20:37,650 --> 00:20:34,840

even before the event yeah absolutely

430

00:20:40,590 --> 00:20:37,660

but it was you know there was the all

431

00:20:42,600 --> 00:20:40,600

the it was being reported in the

432

00:20:45,720 --> 00:20:42,610

newspapers you know the activities of

433

00:20:47,610 --> 00:20:45,730

the medicine men the idea that J that

434

00:20:51,660 --> 00:20:47,620

gene Hart was a shapeshifter

435

00:20:54,090 --> 00:20:51,670

and that's how he was able to evade the

436

00:20:55,680 --> 00:20:54,100

agents for so long it you know I think

437

00:20:56,400 --> 00:20:55,690

the manhunt was something like three

438

00:20:58,310 --> 00:20:56,410

years

439

00:21:01,800 --> 00:20:58,320

was the big you know because manhunt in

440

00:21:04,560 --> 00:21:01,810

Oklahoma history and they had you know

441

00:21:09,330 --> 00:21:04,570

helicopters and several different law

442

00:21:11,970 --> 00:21:09,340

enforcement agencies volunteers these

443

00:21:14,940 --> 00:21:11,980

amazing distracting going to stomp

444

00:21:17,760 --> 00:21:14,950

dances being seen in public everywhere

445

00:21:19,380 --> 00:21:17,770

yeah yet the investigators would get

446

00:21:21,750 --> 00:21:19,390

there and he would disappear into thin

447

00:21:23,850 --> 00:21:21,760

air they couldn't find him yeah

448

00:21:26,880 --> 00:21:23,860

absolutely well you know that was he

449

00:21:28,320 --> 00:21:26,890

would go right into town you know they

450

00:21:31,050 --> 00:21:28,330

would he'd be seen on the streets of

451  
00:21:34,020 --> 00:21:31,060  
Locust Grove but no one would say

452  
00:21:35,730 --> 00:21:34,030  
anything it was it was really wild how

453  
00:21:38,370 --> 00:21:35,740  
he was able just to move about freely

454  
00:21:40,080 --> 00:21:38,380  
and then he was moving about a lot at

455  
00:21:41,970 --> 00:21:40,090  
night and they thought you know that he

456  
00:21:44,580 --> 00:21:41,980  
was burglarizing places which I believe

457  
00:21:48,450 --> 00:21:44,590  
they subsequently proved that he was in

458  
00:21:50,580 --> 00:21:48,460  
fact he had been to the camp a couple of

459  
00:21:55,530 --> 00:21:50,590  
days before and they found a rip in one

460  
00:21:57,930 --> 00:21:55,540  
of the tents when they arrived so it was

461  
00:21:59,910 --> 00:21:57,940  
like he was getting ready to you know

462  
00:22:04,350 --> 00:21:59,920  
break in there he knew the Girl Scouts

463  
00:22:06,330 --> 00:22:04,360

were going to arrive and so he was

464

00:22:09,450 --> 00:22:06,340

already making a way to get inside one

465

00:22:12,030 --> 00:22:09,460

of the tents but they found it on

466

00:22:15,900 --> 00:22:12,040

arrival and they they fixed it somebody

467

00:22:18,180 --> 00:22:15,910

stitched it up before that night so it

468

00:22:19,710 --> 00:22:18,190

became tent number 8 there was a couple

469

00:22:21,330 --> 00:22:19,720

of tents that got broken into that night

470

00:22:23,900 --> 00:22:21,340

things stolen a pair of glasses

471

00:22:26,940 --> 00:22:23,910

different things

472

00:22:29,160 --> 00:22:26,950

the pair of women's glasses which of

473

00:22:31,770 --> 00:22:29,170

course he was subsequently seen to have

474

00:22:33,330 --> 00:22:31,780

on his face when he was arrested he was

475

00:22:36,120 --> 00:22:33,340

wearing that pair of women's glasses

476

00:22:39,180 --> 00:22:36,130

that he stole that night my goodness how

477

00:22:42,120 --> 00:22:39,190

bold now you talked you talked on your

478

00:22:44,790 --> 00:22:42,130

show a little bit about Harvey Pratt and

479

00:22:47,040 --> 00:22:44,800

how he turned this case around by

480

00:22:48,960 --> 00:22:47,050

smoking himself at the water's edge and

481

00:22:51,600 --> 00:22:48,970

when you say smoking himself what we

482

00:22:53,760 --> 00:22:51,610

know to be smudging right but he calls

483

00:22:54,900 --> 00:22:53,770

smoking himself and so can you tell us

484

00:22:57,540 --> 00:22:54,910

what happened because they were really

485

00:23:00,630 --> 00:22:57,550

having a hard time get anywhere on this

486

00:23:03,150 --> 00:23:00,640

case until Harvey did this they they had

487

00:23:06,750 --> 00:23:03,160

found a cave nearby that had a lot of

488

00:23:09,690 --> 00:23:06,760

evidence they were able to tie the cave

489

00:23:12,480 --> 00:23:09,700

to the crime scene so they knew that

490

00:23:15,450 --> 00:23:12,490

had been in that cave was the murderer

491

00:23:17,340 --> 00:23:15,460

or was involved in the murder and so

492

00:23:19,950 --> 00:23:17,350

they were trying to figure out who it

493

00:23:22,259 --> 00:23:19,960

was and they couldn't figure out who it

494

00:23:26,850 --> 00:23:22,269

was that had been staying in that cave

495

00:23:30,570 --> 00:23:26,860

well they had set up a camp you know out

496

00:23:33,570 --> 00:23:30,580

in the out in the woods a mobile mobile

497

00:23:35,279 --> 00:23:33,580

headquarters for the OSBI and they were

498

00:23:37,049 --> 00:23:35,289

all down there one evening and they were

499

00:23:39,779 --> 00:23:37,059

working and talking and they looked up

500

00:23:42,180 --> 00:23:39,789

and they noticed that Harvey was gone

501  
00:23:45,120 --> 00:23:42,190  
and they saw him down by though down by

502  
00:23:48,810 --> 00:23:45,130  
the water so a couple of them walked

503  
00:23:52,200 --> 00:23:48,820  
down there and Harvey was burning cedar

504  
00:23:55,649 --> 00:23:52,210  
branches which is you know what a lot of

505  
00:23:58,860 --> 00:23:55,659  
the native tribes burned in Oklahoma

506  
00:24:01,649 --> 00:23:58,870  
area I know a lot of people do sage but

507  
00:24:05,190 --> 00:24:01,659  
cedar is very very common and very very

508  
00:24:07,139 --> 00:24:05,200  
revered in that area and in fact my mom

509  
00:24:11,610 --> 00:24:07,149  
still you know sends me a bundle of

510  
00:24:15,000 --> 00:24:11,620  
cedar branches sometimes in the mail but

511  
00:24:16,799 --> 00:24:15,010  
but anyhow he was down there and he was

512  
00:24:18,960 --> 00:24:16,809  
you know putting the smoke on himself

513  
00:24:20,399 --> 00:24:18,970

and they came down and said you know

514

00:24:22,049 --> 00:24:20,409

what are you doing and he says well I

515

00:24:24,450 --> 00:24:22,059

will tell you but you better not laugh

516

00:24:28,409 --> 00:24:24,460

you know god this is very serious to me

517

00:24:30,539 --> 00:24:28,419

and they said no we won't laugh and he

518

00:24:33,450 --> 00:24:30,549

says well I'm pure off' eyeing myself

519

00:24:36,149 --> 00:24:33,460

I'm cleansing myself so that I will be

520

00:24:39,120 --> 00:24:36,159

worthy to you know go on this hunt so

521

00:24:40,529 --> 00:24:39,130

that I'll do the right thing and helping

522

00:24:43,320 --> 00:24:40,539

these families that have lost these

523

00:24:45,930 --> 00:24:43,330

little girls and he said do you want me

524

00:24:49,139 --> 00:24:45,940

to smoke you as well and they said yes

525

00:24:51,000 --> 00:24:49,149

so he smoked the other two agents and

526

00:24:52,980 --> 00:24:51,010

then he says now we're going to send

527

00:24:55,019 --> 00:24:52,990

this smoke out and it's going to it's

528

00:24:57,480 --> 00:24:55,029

going to go out and it's going to fall

529

00:24:59,220 --> 00:24:57,490

on someone who's going to be able to

530

00:25:03,990 --> 00:24:59,230

help us who's going to be able to help

531

00:25:06,960 --> 00:25:04,000

us identify who this monster is it

532

00:25:09,029 --> 00:25:06,970

wasn't but just a few minutes and the

533

00:25:12,139 --> 00:25:09,039

phone rang back at the mobile campsite

534

00:25:15,990 --> 00:25:12,149

they ran up and answered it and it was a

535

00:25:18,149 --> 00:25:16,000

photographer who had identified a

536

00:25:20,669 --> 00:25:18,159

picture that was published in the Tulsa

537

00:25:24,090 --> 00:25:20,679

paper a picture that they had found in

538

00:25:26,880 --> 00:25:24,100

the cave and it looked like a wedding

539

00:25:28,230 --> 00:25:26,890

and so they finally published it in the

540

00:25:29,220 --> 00:25:28,240

paper and said does anybody know who

541

00:25:30,690 --> 00:25:29,230

these people are

542

00:25:32,400 --> 00:25:30,700

the photographer calls and says well I

543

00:25:34,680 --> 00:25:32,410

know who that is that's a wedding I took

544

00:25:36,900 --> 00:25:34,690

the pictures as it turns out that

545

00:25:39,510 --> 00:25:36,910

photographer was also teaching a

546

00:25:42,660 --> 00:25:39,520

photography class at Granite prison and

547

00:25:46,410 --> 00:25:42,670

Jean Hart was the one who had developed

548

00:25:49,770 --> 00:25:46,420

that roll of film and they believed that

549

00:25:52,200 --> 00:25:49,780

Jean Hart stole that picture because the

550

00:25:55,860 --> 00:25:52,210

woman in it looked just like his

551  
00:25:59,250 --> 00:25:55,870  
estranged wife oh my gosh and it's just

552  
00:26:02,660 --> 00:25:59,260  
an incredible heartfelt experience that

553  
00:26:06,120 --> 00:26:02,670  
Harvey Pratt took on by doing the smoke

554  
00:26:08,430 --> 00:26:06,130  
inviting his fellow investigators they

555  
00:26:10,890 --> 00:26:08,440  
agreed to come in with him and then from

556  
00:26:13,410 --> 00:26:10,900  
with all their heart that smoke went out

557  
00:26:15,630 --> 00:26:13,420  
and they were able to turn the case

558  
00:26:17,550 --> 00:26:15,640  
around because from everything you've

559  
00:26:19,890 --> 00:26:17,560  
told me Renee and from what I've seen in

560  
00:26:21,930 --> 00:26:19,900  
the documentary and from the book this

561  
00:26:24,540 --> 00:26:21,940  
case was going nowhere fast and these

562  
00:26:27,690 --> 00:26:24,550  
investigators were scared too this was a

563  
00:26:30,540 --> 00:26:27,700

frightening experience to have this guy

564

00:26:33,300 --> 00:26:30,550

be so elusive to have so many people in

565

00:26:35,660 --> 00:26:33,310

the community beyond his side and to

566

00:26:39,780 --> 00:26:35,670

know that there was strong medicine

567

00:26:41,520 --> 00:26:39,790

behind him that is a scary thing for all

568

00:26:43,920 --> 00:26:41,530

of those investigators and all the

569

00:26:47,160 --> 00:26:43,930

people and the families involved in this

570

00:26:49,980 --> 00:26:47,170

case but thank goodness that that Harvey

571

00:26:53,670 --> 00:26:49,990

saw a way through this to use good

572

00:26:55,650 --> 00:26:53,680

medicine to really send that out so he'd

573

00:26:57,780 --> 00:26:55,660

really did a the right thing and that

574

00:27:01,770 --> 00:26:57,790

was there's other things to talk about

575

00:27:07,350 --> 00:27:01,780

those dogs we had high fancy tracking

576

00:27:09,080 --> 00:27:07,360

dogs and yeah absolutely they had

577

00:27:11,940 --> 00:27:09,090

brought in some tracking dogs some

578

00:27:13,530 --> 00:27:11,950

world-famous you know tracking dogs from

579

00:27:16,320 --> 00:27:13,540

Pennsylvania that was supposed to be

580

00:27:19,170 --> 00:27:16,330

highly trained and all this and they

581

00:27:21,960 --> 00:27:19,180

brought them out and I mean almost

582

00:27:23,340 --> 00:27:21,970

instant there was almost instantly one

583

00:27:24,780 --> 00:27:23,350

of them just broke loose and ran right

584

00:27:25,860 --> 00:27:24,790

out in the middle of the highway one was

585

00:27:28,530 --> 00:27:25,870

hit by a truck and killed

586

00:27:30,750 --> 00:27:28,540

I guess crisi and the second one died

587

00:27:32,490 --> 00:27:30,760

like a couple days later of heating heat

588

00:27:37,020 --> 00:27:32,500

exhaustion

589

00:27:39,210 --> 00:27:37,030

and but I understand that you know

590

00:27:41,250 --> 00:27:39,220

there's a story that was told in the

591

00:27:43,200 --> 00:27:41,260

book and I don't know if the agents

592

00:27:44,880 --> 00:27:43,210

witnesses or not but someone said that

593

00:27:47,040 --> 00:27:44,890

there was a medicine man there when they

594

00:27:49,530 --> 00:27:47,050

brought the dogs out and that he was

595

00:27:53,250 --> 00:27:49,540

just standing off and he was staring you

596

00:27:55,170 --> 00:27:53,260

know at the dogs so they I don't know

597

00:27:57,060 --> 00:27:55,180

who that medicine man was but if it was

598

00:27:58,710 --> 00:27:57,070

him staring at the dogs and he was

599

00:28:00,690 --> 00:27:58,720

trying to do something with them then

600

00:28:04,410 --> 00:28:00,700

obviously it was someone that was

601  
00:28:06,360 --> 00:28:04,420  
working on the suspects behalf and but

602  
00:28:09,030 --> 00:28:06,370  
it was when it was only when they went

603  
00:28:11,640 --> 00:28:09,040  
to visit their own medicine man that he

604  
00:28:13,890 --> 00:28:11,650  
told them you know they said we're

605  
00:28:17,130 --> 00:28:13,900  
seeking someone who murdered these girls

606  
00:28:18,540 --> 00:28:17,140  
and you know and he you know looked into

607  
00:28:21,120 --> 00:28:18,550  
it you know metaphysically or

608  
00:28:24,060 --> 00:28:21,130  
psychically and he said you know the man

609  
00:28:27,630 --> 00:28:24,070  
you're seeking has the help of a

610  
00:28:29,340 --> 00:28:27,640  
powerful medicine man and the these guys

611  
00:28:31,470 --> 00:28:29,350  
said well wait a minute I thought you

612  
00:28:34,470 --> 00:28:31,480  
couldn't misuse the medicine man's power

613  
00:28:36,540 --> 00:28:34,480

for evil purposes he said you can and

614

00:28:38,330 --> 00:28:36,550

Michael will be able to tell us more

615

00:28:41,850 --> 00:28:38,340

about this I'm sure I'm really hoping

616

00:28:43,470 --> 00:28:41,860

you can use the medicine man's power for

617

00:28:45,030 --> 00:28:43,480

evil purposes if the medicine man

618

00:28:45,960 --> 00:28:45,040

believes you and believes that he's

619

00:28:48,630 --> 00:28:45,970

doing good

620

00:28:51,570 --> 00:28:48,640

but if you misuse the medicine man's

621

00:28:54,780 --> 00:28:51,580

power look out it's going to get you

622

00:28:56,370 --> 00:28:54,790

623

00:28:59,220 --> 00:28:56,380

00:29:44,400 --> 00:29:40,210

war and this is for real this case will

640

00:29:45,500 --> 00:29:44,410

back everyone you are listening to

645

00:30:00,799 --> 00:29:58,380

Supernatural girls on radio I am your

646

00:30:04,039 --> 00:30:00,809

host Patricia Baker and I'm here with my

647

00:30:07,610 --> 00:30:04,049

co-host PK and very very special guests

648

00:30:11,480 --> 00:30:07,620

Renaee Barnett Michael Bastien and george

649

00:30:14,900 --> 00:30:11,490

lugo we are talking about the Oklahoma

650

00:30:16,880 --> 00:30:14,910

Girl Scout murders from the side of the

651  
00:30:18,890 --> 00:30:16,890  
paranormal we are talking about the

652  
00:30:22,130 --> 00:30:18,900  
paranormal events that surrounded this

653  
00:30:26,060 --> 00:30:22,140  
case and made it so very puzzling to all

654  
00:30:28,430 --> 00:30:26,070  
of us this is a case of evil versus good

655  
00:30:31,280 --> 00:30:28,440  
and that's the way we're talking about

656  
00:30:34,310 --> 00:30:31,290  
this tonight this is not about religion

657  
00:30:36,110 --> 00:30:34,320  
this is not about ethnicity this isn't

658  
00:30:38,780 --> 00:30:36,120  
about color it's about none of those

659  
00:30:41,450 --> 00:30:38,790  
things it's about the light versus the

660  
00:30:43,159 --> 00:30:41,460  
darkness and if you didn't believe that

661  
00:30:45,500 --> 00:30:43,169  
the light and the dark have their

662  
00:30:49,100 --> 00:30:45,510  
battles then you will after tonight's

663  
00:30:51,200 --> 00:30:49,110

show so Renee let's go back to what you

664

00:30:54,320 --> 00:30:51,210

were sharing let's see we can wrap up

665

00:30:57,350 --> 00:30:54,330

this part of the paranormal experiences

666

00:30:59,659 --> 00:30:57,360

there there was a time when a big cat

667

00:31:05,299 --> 00:30:59,669

jumped into Harvey's lab what was that

668

00:31:09,530 --> 00:31:05,309

about well Harvey who is to this day an

669

00:31:13,130 --> 00:31:09,540

OSBI agent is also Cheyenne Arapaho

670

00:31:15,710 --> 00:31:13,140

Sioux Indian and he is as you mentioned

671

00:31:19,960 --> 00:31:15,720

earlier he was brought up in the old

672

00:31:22,520 --> 00:31:19,970

ways and practiced those and they had

673

00:31:24,409 --> 00:31:22,530

you know tried everything they went to

674

00:31:28,390 --> 00:31:24,419

see their medicine man and were given

675

00:31:30,950 --> 00:31:28,400

medicine to wear around their necks and

676  
00:31:34,010 --> 00:31:30,960  
there was medicine to make them

677  
00:31:37,100 --> 00:31:34,020  
invisible the medicine man said walk for

678  
00:31:39,440 --> 00:31:37,110  
a part and if you can get in between you

679  
00:31:41,120 --> 00:31:39,450  
he won't be able to see you

680  
00:31:43,730 --> 00:31:41,130  
he gave the medicine to put on their

681  
00:31:46,039 --> 00:31:43,740  
bullets so that they would only go to

682  
00:31:48,289 --> 00:31:46,049  
the guilty person and he gave them

683  
00:31:50,960 --> 00:31:48,299  
medicine to put on the trail so that if

684  
00:31:52,850 --> 00:31:50,970  
they pick up his track they won't loose

685  
00:31:55,970 --> 00:31:52,860  
it if they put the medicine down at the

686  
00:31:57,830 --> 00:31:55,980  
start of where they they found it and so

687  
00:31:59,770 --> 00:31:57,840  
they decided to go out and Harvey and

688  
00:32:01,970 --> 00:31:59,780

his brother Tony who was

689

00:32:04,669 --> 00:32:01,980

another police officer from another

690

00:32:06,980 --> 00:32:04,679

agency who just decided to go and help

691

00:32:09,980 --> 00:32:06,990

her be out they decided just to go camp

692

00:32:12,290 --> 00:32:09,990

out at night in the woods and as Harvey

693

00:32:14,930 --> 00:32:12,300

said to me just you know two Indians out

694

00:32:17,720 --> 00:32:14,940

in the woods you know hunting or doing

695

00:32:19,820 --> 00:32:17,730

whatever and so they were out in the

696

00:32:24,680 --> 00:32:19,830

middle of nowhere and I mean those woods

697

00:32:26,960 --> 00:32:24,690

can be remote in Oklahoma and they were

698

00:32:29,440 --> 00:32:26,970

sitting there by the fire they had made

699

00:32:32,210 --> 00:32:29,450

a fire and Harvey said it wasn't even a

700

00:32:34,010 --> 00:32:32,220

cold night they didn't have it for the

701  
00:32:36,919 --> 00:32:34,020  
warmth I just had it more just for the

702  
00:32:38,419 --> 00:32:36,929  
comfort of sitting by the fire it made

703  
00:32:40,400 --> 00:32:38,429  
them feel more comfortable because it

704  
00:32:43,040 --> 00:32:40,410  
was sure it was quite spooky out there

705  
00:32:45,680 --> 00:32:43,050  
yeah and they were sitting there and

706  
00:32:48,350 --> 00:32:45,690  
they were taking turns and staying awake

707  
00:32:51,110 --> 00:32:48,360  
being on watch and I guess it was

708  
00:32:55,400 --> 00:32:51,120  
Harvey's turn and I think he just nodded

709  
00:32:58,100 --> 00:32:55,410  
off and suddenly this cat jumps out of

710  
00:33:01,160 --> 00:32:58,110  
the darkness from nowhere right into his

711  
00:33:03,230 --> 00:33:01,170  
lap and then it jumps off it he's

712  
00:33:06,860 --> 00:33:03,240  
flinging it off and it's screeching and

713  
00:33:08,840 --> 00:33:06,870

he's throwing it off you know and at the

714

00:33:10,850 --> 00:33:08,850

same time and of course it led them to

715

00:33:13,100 --> 00:33:10,860

think well wait a minute you know they

716

00:33:15,200 --> 00:33:13,110

say gene heart's a shape-shifter you

717

00:33:17,690 --> 00:33:15,210

know could that have been gene heart or

718

00:33:20,480 --> 00:33:17,700

someone else that was you know working

719

00:33:24,830 --> 00:33:20,490

on his behalf or some other dark force

720

00:33:26,960 --> 00:33:24,840

you know turning into an animal so that

721

00:33:30,020 --> 00:33:26,970

was pretty scary

722

00:33:32,150 --> 00:33:30,030

there was let me ask you about this too

723

00:33:34,760 --> 00:33:32,160

because again we have all these dark

724

00:33:36,950 --> 00:33:34,770

forces in play and certainly they spook

725

00:33:38,990 --> 00:33:36,960

the investigators they were scared I

726  
00:33:40,520 --> 00:33:39,000  
even heard him on your show they still

727  
00:33:43,070 --> 00:33:40,530  
sounded scared as they were talking

728  
00:33:45,650 --> 00:33:43,080  
about all of this so we have these dark

729  
00:33:48,110 --> 00:33:45,660  
forces working to obfuscate everything

730  
00:33:51,260 --> 00:33:48,120  
to make people think that he's innocent

731  
00:33:54,110 --> 00:33:51,270  
when he's truly guilty to make sure that

732  
00:33:55,970 --> 00:33:54,120  
he can come and go as he pleases even

733  
00:33:57,890 --> 00:33:55,980  
though he's an escapee and he's already

734  
00:34:00,110 --> 00:33:57,900  
been convicted of this other these other

735  
00:34:03,380 --> 00:34:00,120  
crimes he's walking around free as a

736  
00:34:05,120 --> 00:34:03,390  
bird and the dogs died and this

737  
00:34:07,549 --> 00:34:05,130  
supposedly there was a Native American

738  
00:34:11,480 --> 00:34:07,559

medicine man who may have had a hand in

739

00:34:13,000 --> 00:34:11,490

that is terrible and then we have a

740

00:34:16,030 --> 00:34:13,010

Native American medicine

741

00:34:18,760 --> 00:34:16,040

and who is helping the investigators now

742

00:34:22,720 --> 00:34:18,770

he did a rare ritual tell us about that

743

00:34:24,490 --> 00:34:22,730

oh well that was really interesting well

744

00:34:27,580 --> 00:34:24,500

according to this medicine man whose

745

00:34:30,250 --> 00:34:27,590

real name I to this day do not know I

746

00:34:34,840 --> 00:34:30,260

tried to wrench it out of Harvey but of

747

00:34:39,490 --> 00:34:34,850

course he he rightly did not divulge the

748

00:34:42,700 --> 00:34:39,500

name but anyway uh he's in the

749

00:34:45,940 --> 00:34:42,710

documentary that one of the agents made

750

00:34:48,310 --> 00:34:45,950

after after the trial I just should

751  
00:34:52,800 --> 00:34:48,320  
quickly mention that when Jean Hart was

752  
00:34:56,770 --> 00:34:52,810  
acquitted the agency the OSBI was so

753  
00:34:59,500 --> 00:34:56,780  
downtrodden and so disheartened by this

754  
00:35:01,750 --> 00:34:59,510  
case because they had all this evidence

755  
00:35:04,470 --> 00:35:01,760  
they were all and to this day are

756  
00:35:07,030 --> 00:35:04,480  
absolutely sure they had the right guy

757  
00:35:08,770 --> 00:35:07,040  
but he was acquitted anyway I think

758  
00:35:10,270 --> 00:35:08,780  
there was something like and I might be

759  
00:35:12,570 --> 00:35:10,280  
wrong about these numbers but it's close

760  
00:35:15,070 --> 00:35:12,580  
to this there was something like 36

761  
00:35:18,070 --> 00:35:15,080  
agents on the bureau at the time and I

762  
00:35:21,010 --> 00:35:18,080  
believe thirty of them quit as a result

763  
00:35:24,510 --> 00:35:21,020

of that trial as well as the district

764

00:35:28,510 --> 00:35:24,520

attorney who was the biggest legendary

765

00:35:30,940 --> 00:35:28,520

prosecutor in Oklahoma history that was

766

00:35:35,050 --> 00:35:30,950

the very last case he ever tried and

767

00:35:37,600 --> 00:35:35,060

it's the only one he ever lost it was a

768

00:35:39,910 --> 00:35:37,610

big it was a really big deal yes nothing

769

00:35:41,230 --> 00:35:39,920

so horrible that this guy was acquitted

770

00:35:42,790 --> 00:35:41,240

I mean I can see why they would turn

771

00:35:45,390 --> 00:35:42,800

their badges in what's the point of all

772

00:35:47,890 --> 00:35:45,400

this yeah that's the way I walk away

773

00:35:50,440 --> 00:35:47,900

most of them left law enforcement all

774

00:35:53,410 --> 00:35:50,450

together Harvey was the one that stayed

775

00:35:55,030 --> 00:35:53,420

and you know continues to to work to try

776

00:35:58,480 --> 00:35:55,040

to help the people of Oklahoma with

777

00:36:01,630 --> 00:35:58,490

their crime problems but the other guys

778

00:36:04,660 --> 00:36:01,640

went on to do other businesses one of

779

00:36:06,850 --> 00:36:04,670

the authors of the book went on to

780

00:36:10,510 --> 00:36:06,860

become an Oklahoma State Senator for

781

00:36:13,180 --> 00:36:10,520

many years so these guys were you know

782

00:36:16,000 --> 00:36:13,190

sharp guys in any way when they went to

783

00:36:18,430 --> 00:36:16,010

see their own medicine man he explained

784

00:36:20,860 --> 00:36:18,440

to them that there was a ceremony that

785

00:36:23,350 --> 00:36:20,870

he said and I'm hoping that Michael

786

00:36:25,660 --> 00:36:23,360

Bastien will be able to tell me about

787

00:36:26,800 --> 00:36:25,670

this if he knows about this particular

788

00:36:30,310 --> 00:36:26,810

thing but

789

00:36:33,880 --> 00:36:30,320

they said there's this old tobacco grown

790

00:36:37,270 --> 00:36:33,890

in a primeval forest and there's just

791

00:36:41,860 --> 00:36:37,280

very tiny bits of it left they call it

792

00:36:44,800 --> 00:36:41,870

the ancient one and according to this

793

00:36:47,560 --> 00:36:44,810

this elder he said that a medicine man

794

00:36:49,870 --> 00:36:47,570

can live his whole life and go through

795

00:36:52,300 --> 00:36:49,880

all these ceremonies and never ever use

796

00:36:54,760 --> 00:36:52,310

the ancient one because it's so rare and

797

00:36:58,060 --> 00:36:54,770

it's so important so it's only used in

798

00:36:59,680 --> 00:36:58,070

very very dire circumstances and this

799

00:37:04,300 --> 00:36:59,690

Mazda man felt that this case was

800

00:37:07,060 --> 00:37:04,310

important enough to use this ceremony I

801  
00:37:09,520 --> 00:37:07,070  
don't know what it's comprised of he

802  
00:37:14,130 --> 00:37:09,530  
would only share that it involved moving

803  
00:37:17,230 --> 00:37:14,140  
water and in the end the ancient tobacco

804  
00:37:19,750 --> 00:37:17,240  
so he performed the ceremony and he said

805  
00:37:22,060 --> 00:37:19,760  
basically the ceremony says the ancient

806  
00:37:25,480 --> 00:37:22,070  
one says that whoever killed these

807  
00:37:28,300 --> 00:37:25,490  
little girls be it gene heart or someone

808  
00:37:32,200 --> 00:37:28,310  
else stands on the blood of these

809  
00:37:34,810 --> 00:37:32,210  
children and they will die and that's

810  
00:37:38,530 --> 00:37:34,820  
what the ceremony was of the ancient one

811  
00:37:42,130 --> 00:37:38,540  
Wow and then he after he was acquitted

812  
00:37:43,990 --> 00:37:42,140  
he was jogging around the prison yard we

813  
00:37:46,360 --> 00:37:44,000

had to go back to present because he was

814

00:37:49,210 --> 00:37:46,370

he still had to go back and serve 144

815

00:37:53,290 --> 00:37:49,220

years for the rape and kidnapping of the

816

00:37:55,540 --> 00:37:53,300

two tulsa girls and yeah it was a month

817

00:37:59,800 --> 00:37:55,550

later he was jogging around the prison

818

00:38:02,560 --> 00:37:59,810

yard and he simply dropped dead at 26 of

819

00:38:07,690 --> 00:38:02,570

a heart attack so I would say the

820

00:38:10,060 --> 00:38:07,700

ancient one worked yep is it I brought

821

00:38:13,060 --> 00:38:10,070

in scuse me I just wanna say isn't it

822

00:38:17,020 --> 00:38:13,070

ironic that the 26 is also an 8 yes

823

00:38:20,020 --> 00:38:17,030

today it's his age yes yes that's right

824

00:38:22,210 --> 00:38:20,030

oh my goodness yeah but yes it might

825

00:38:25,870 --> 00:38:22,220

have been the ancient one or it might

826

00:38:27,490 --> 00:38:25,880

have been the misuse of the power of his

827

00:38:30,130 --> 00:38:27,500

own medicine man or it could have been

828

00:38:32,230 --> 00:38:30,140

those things together he just it was too

829

00:38:33,100 --> 00:38:32,240

much and you know it the power went back

830

00:38:35,050 --> 00:38:33,110

on him

831

00:38:37,630 --> 00:38:35,060

basically the medicine man's power if

832

00:38:40,180 --> 00:38:37,640

you misuse it Harvey said that it will

833

00:38:42,490 --> 00:38:40,190

come back on you well that makes sense

834

00:38:45,160 --> 00:38:42,500

and that's a perfect introduction here

835

00:38:47,319 --> 00:38:45,170

for our next guest who is Michael

836

00:38:49,390 --> 00:38:47,329

Bastien Michael is an algonquian

837

00:38:52,569 --> 00:38:49,400

medicine man and as I mentioned

838

00:38:54,579 --> 00:38:52,579

previously he was an apprentice to the

839

00:38:57,190 --> 00:38:54,589

Tuscarora medicine man matt baer

840

00:38:59,740 --> 00:38:57,200

Anderson so Michael welcome to the show

841

00:39:03,250 --> 00:38:59,750

Thank You Patricia it's an honor to be

842

00:39:06,870 --> 00:39:03,260

here and it's very interesting and very

843

00:39:11,559 --> 00:39:06,880

accurate about the things that are being

844

00:39:13,359 --> 00:39:11,569

depicted from that time period and the

845

00:39:16,630 --> 00:39:13,369

things that are being brought together

846

00:39:19,300 --> 00:39:16,640

and see how we can merge all of these

847

00:39:21,550 --> 00:39:19,310

things and I thank you for the

848

00:39:25,480 --> 00:39:21,560

compliment of calling me a medicine man

849

00:39:28,569 --> 00:39:25,490

but I'm nowhere near the age where you

850

00:39:31,270 --> 00:39:28,579

can accept a title like that and even

851

00:39:33,490 --> 00:39:31,280

I'm not sure if I will ever reach that

852

00:39:36,880 --> 00:39:33,500

point where I can accept that title but

853

00:39:40,930 --> 00:39:36,890

I'm certainly working on trying to find

854

00:39:44,380 --> 00:39:40,940

out and work with these elements and as

855

00:39:48,849 --> 00:39:44,390

I have spoken to you off air that things

856

00:39:50,859 --> 00:39:48,859

keep being revealed to me as I go

857

00:39:54,430 --> 00:39:50,869

through time and that tells me that I'm

858

00:39:57,460 --> 00:39:54,440

staying on the correct path and using

859

00:40:01,990 --> 00:39:57,470

these teachings in the highest way for

860

00:40:03,640 --> 00:40:02,000

the the best of all life and that's why

861

00:40:05,950 --> 00:40:03,650

we want to do on the show Michael

862

00:40:07,839 --> 00:40:05,960

because we know your integrity I mean

863

00:40:10,990 --> 00:40:07,849

you're just one of the most Integrity's

864

00:40:14,859 --> 00:40:11,000

people we know and you do walk the path

865

00:40:18,430 --> 00:40:14,869

of light and again hearing this whole

866

00:40:22,300 --> 00:40:18,440

experience obviously there was a big

867

00:40:23,740 --> 00:40:22,310

abuse of Native American medicine and I

868

00:40:26,920 --> 00:40:23,750

know even when we've talked previously

869

00:40:30,609 --> 00:40:26,930

you talked how about how people had come

870

00:40:33,910 --> 00:40:30,619

after matt baer with bad bad medicine

871

00:40:37,150 --> 00:40:33,920

and witchcraft and he had his ways of

872

00:40:39,160 --> 00:40:37,160

dealing with that but this case is has

873

00:40:42,190 --> 00:40:39,170

so many twists and turns as I mentioned

874

00:40:44,109 --> 00:40:42,200

and so so much heartache to it what do

875

00:40:46,990 --> 00:40:44,119

you what do you feel about this what is

876

00:40:50,829 --> 00:40:47,000

your thought on on this case and what

877

00:40:53,800 --> 00:40:50,839

happened well I think this is one of the

878

00:40:56,860 --> 00:40:53,810

best examples to teach from

879

00:40:59,860 --> 00:40:56,870

and for people to understand that if you

880

00:41:02,920 --> 00:40:59,870

become a practitioner and you claim

881

00:41:05,620 --> 00:41:02,930

you're doing the work of the creator but

882

00:41:08,770 --> 00:41:05,630

the things that you seem to get involved

883

00:41:13,660 --> 00:41:08,780

with don't prove out or say exactly

884

00:41:16,920 --> 00:41:13,670

those words then there is no immunity to

885

00:41:21,340 --> 00:41:16,930

the people who are participating in

886

00:41:24,400 --> 00:41:21,350

using or misusing the sacred elements

887

00:41:27,250 --> 00:41:24,410

that have been handed down and taught so

888

00:41:29,980 --> 00:41:27,260

this is why it is really crucial and I

889

00:41:33,490 --> 00:41:29,990

think so far I have done an excellent

890

00:41:37,330 --> 00:41:33,500

job of presenting the evidence and

891

00:41:41,830 --> 00:41:37,340

showing the interaction and how someone

892

00:41:44,440 --> 00:41:41,840

can use these elements to evade or to in

893

00:41:48,760 --> 00:41:44,450

one sense there are things that can be

894

00:41:51,760 --> 00:41:48,770

done to muddy up or cloud that situation

895

00:41:55,590 --> 00:41:51,770

so it makes it more difficult to try to

896

00:41:59,590 --> 00:41:55,600

get through to find who is at the source

897

00:42:02,800 --> 00:41:59,600

you may not find the exact teacher who

898

00:42:06,250 --> 00:42:02,810

was giving this information to someone

899

00:42:09,130 --> 00:42:06,260

who they hadn't screamed enough and

900

00:42:12,670 --> 00:42:09,140

that's why I said I took almost three

901  
00:42:17,290 --> 00:42:12,680  
years of me almost living with matt baer

902  
00:42:20,650 --> 00:42:17,300  
before you gain that not only trust it's

903  
00:42:24,490 --> 00:42:20,660  
more than trust it's it's demonstrating

904  
00:42:27,190 --> 00:42:24,500  
that you will not deviate you won't

905  
00:42:32,320 --> 00:42:27,200  
allow emotion you won't allow other

906  
00:42:35,800 --> 00:42:32,330  
human elements to come in to to play a

907  
00:42:38,650 --> 00:42:35,810  
part of how you're going to learn and

908  
00:42:41,020 --> 00:42:38,660  
then demonstrate how you're going to use

909  
00:42:43,060 --> 00:42:41,030  
these things and there were a few

910  
00:42:46,360 --> 00:42:43,070  
incidents early on where mad bear I

911  
00:42:48,670 --> 00:42:46,370  
would be reluctant to do something and

912  
00:42:51,850 --> 00:42:48,680  
he would do the encouragement and say

913  
00:42:54,670 --> 00:42:51,860

it's okay you go ahead and you know how

914

00:42:57,750 --> 00:42:54,680

to do it he would actually instruct me

915

00:43:01,030 --> 00:42:57,760

to do things and that's the part where

916

00:43:04,030 --> 00:43:01,040

when you hear that instruction or you

917

00:43:06,530 --> 00:43:04,040

hear someone give you that confidence

918

00:43:08,810 --> 00:43:06,540

that says yeah

919

00:43:11,750 --> 00:43:08,820

using the words they're saying you're

920

00:43:13,850 --> 00:43:11,760

ready we he wanted to see it

921

00:43:17,150 --> 00:43:13,860

demonstrated he wanted to see me

922

00:43:19,280 --> 00:43:17,160

actually go and do the task or the

923

00:43:25,010 --> 00:43:19,290

action of getting involved with these

924

00:43:28,460 --> 00:43:25,020

things so these are crucial for the the

925

00:43:30,980 --> 00:43:28,470

teacher or the mentor to observe because

926  
00:43:34,280 --> 00:43:30,990  
you're going to see a response after you

927  
00:43:39,230 --> 00:43:34,290  
do the task and if the the response is

928  
00:43:43,490 --> 00:43:39,240  
not humility or one that is accepting on

929  
00:43:47,510 --> 00:43:43,500  
a very humble level then you would be

930  
00:43:50,090 --> 00:43:47,520  
very cautious to say I think maybe this

931  
00:43:53,030 --> 00:43:50,100  
may not be someone who we should go any

932  
00:43:55,310 --> 00:43:53,040  
further with exactly and it sounds like

933  
00:43:56,890 --> 00:43:55,320  
I mean from looking at all of this and

934  
00:43:59,570 --> 00:43:56,900  
all of the events that took place

935  
00:44:02,210 --> 00:43:59,580  
whoever the medicine man was that

936  
00:44:05,900 --> 00:44:02,220  
apprenticed jean-loup boy heart did not

937  
00:44:08,870 --> 00:44:05,910  
screen him thoroughly and really taught

938  
00:44:13,180 --> 00:44:08,880

him some powerful things that gene then

939

00:44:16,610 --> 00:44:13,190

used for evil and then when we see it

940

00:44:21,110 --> 00:44:16,620

demonstrated and we see that it is being

941

00:44:24,680 --> 00:44:21,120

used for the the wrong intent with all

942

00:44:27,650 --> 00:44:24,690

the other factors in this case you see

943

00:44:30,980 --> 00:44:27,660

that it comes out to have there's

944

00:44:33,700 --> 00:44:30,990

there's an equation and that equation is

945

00:44:37,160 --> 00:44:33,710

you start using even if they would have

946

00:44:39,860 --> 00:44:37,170

started using numerology back in that

947

00:44:43,010 --> 00:44:39,870

time I believe with the right people

948

00:44:45,760 --> 00:44:43,020

they could have found him much sooner

949

00:44:49,400 --> 00:44:45,770

and they could have prevented that from

950

00:44:51,410 --> 00:44:49,410

this this event from happening but

951  
00:44:54,650 --> 00:44:51,420  
because of the fact that they didn't

952  
00:44:57,500 --> 00:44:54,660  
access the help on the medicine level

953  
00:45:01,070 --> 00:44:57,510  
soon enough and they waited till this

954  
00:45:04,720 --> 00:45:01,080  
last event to occur that when I was

955  
00:45:08,840 --> 00:45:04,730  
looking into this from this other

956  
00:45:11,890 --> 00:45:08,850  
perspective which is not using the

957  
00:45:16,820 --> 00:45:11,900  
videos it's not using anything from

958  
00:45:19,940 --> 00:45:16,830  
other human accounts that's when I I did

959  
00:45:23,780 --> 00:45:19,950  
make an offering with and we do

960  
00:45:26,420 --> 00:45:23,790  
and use what is been referred to earlier

961  
00:45:30,470 --> 00:45:26,430  
in the program the sacred tobacco it's

962  
00:45:31,609 --> 00:45:30,480  
just used for ceremony it's not used for

963  
00:45:34,730 --> 00:45:31,619

anything else

964

00:45:38,480 --> 00:45:34,740

and when I made that offering these

965

00:45:41,870 --> 00:45:38,490

things started to be revealed that it

966

00:45:45,890 --> 00:45:41,880

could have been prevented if they could

967

00:45:50,359 --> 00:45:45,900

have accessed that medicine man earlier

968

00:45:53,120 --> 00:45:50,369

that helped the law enforcement to not

969

00:45:55,970 --> 00:45:53,130

only protect themselves because that's

970

00:45:59,240 --> 00:45:55,980

the part that I observed from matt baer

971

00:46:02,750 --> 00:45:59,250

is he was very cautious about not

972

00:46:05,900 --> 00:46:02,760

letting his guard down and he knew if he

973

00:46:08,839 --> 00:46:05,910

was going to venture into these areas he

974

00:46:11,870 --> 00:46:08,849

had to have the assistance of other

975

00:46:13,730 --> 00:46:11,880

people with him even if we didn't know

976

00:46:16,339 --> 00:46:13,740

the purpose of what he was doing

977

00:46:18,440 --> 00:46:16,349

it's what matt baer would say is the

978

00:46:21,020 --> 00:46:18,450

goodness in you and the goodness in you

979

00:46:23,120 --> 00:46:21,030

and the goodness is knew he would have

980

00:46:26,900 --> 00:46:23,130

people just present that would be

981

00:46:30,920 --> 00:46:26,910

willing just to be there and just having

982

00:46:34,819 --> 00:46:30,930

that available to him it gave him the

983

00:46:37,370 --> 00:46:34,829

ability to go beyond what he could do on

984

00:46:39,099 --> 00:46:37,380

his own he just needed the collective

985

00:46:42,620 --> 00:46:39,109

and it didn't have to be a large number

986

00:46:45,770 --> 00:46:42,630

just a few that would be willing to

987

00:46:48,740 --> 00:46:45,780

participate and they actually were able

988

00:46:51,160 --> 00:46:48,750

and I inadvertently I mean I was a part

989

00:46:53,750 --> 00:46:51,170

of that but I found out many years later

990

00:46:57,220 --> 00:46:53,760

what matt baer was doing and he was

991

00:46:59,990 --> 00:46:57,230

trying to reveal or have someone reveal

992

00:47:03,980 --> 00:47:00,000

that who they were it was someone who

993

00:47:07,099 --> 00:47:03,990

was doing some behind-the-scenes work to

994

00:47:11,569 --> 00:47:07,109

really create some havoc with the elders

995

00:47:13,430 --> 00:47:11,579

and he identified the individual and it

996

00:47:16,130 --> 00:47:13,440

was because of the ceremony that I

997

00:47:18,980 --> 00:47:16,140

happened to be a part of with a few

998

00:47:21,200 --> 00:47:18,990

other people but we I didn't make those

999

00:47:25,460 --> 00:47:21,210

connections until maybe 20 years later

1000

00:47:28,849 --> 00:47:25,470

so you start to see that it has to be

1001  
00:47:31,160 --> 00:47:28,859  
done in the proper context and he knew

1002  
00:47:33,740 --> 00:47:31,170  
he was venturing into a very dangerous

1003  
00:47:36,290 --> 00:47:33,750  
and and he could be vulnerable so

1004  
00:47:40,430 --> 00:47:36,300  
he needed a couple other helpers just to

1005  
00:47:42,980 --> 00:47:40,440  
be around and through that it got him

1006  
00:47:45,350 --> 00:47:42,990  
the information he needed and that's why

1007  
00:47:49,550 --> 00:47:45,360  
I say if they would have accessed this

1008  
00:47:53,060 --> 00:47:49,560  
this helper before after they knew he

1009  
00:47:55,190 --> 00:47:53,070  
was out for three years they should have

1010  
00:47:57,550 --> 00:47:55,200  
been accessing the other help knowing

1011  
00:48:00,950 --> 00:47:57,560  
that there was native connections and

1012  
00:48:04,490 --> 00:48:00,960  
they would have been able to catch him

1013  
00:48:07,910 --> 00:48:04,500

sooner but it just goes to show that if

1014

00:48:11,930 --> 00:48:07,920

we eventually get to the right people we

1015

00:48:16,040 --> 00:48:11,940

will find that the goodness will always

1016

00:48:19,130 --> 00:48:16,050

overcome and they cannot override the

1017

00:48:21,800 --> 00:48:19,140

goodness when you implement that in the

1018

00:48:23,690 --> 00:48:21,810

correct way so glad to hear you say that

1019

00:48:26,180 --> 00:48:23,700

Michael because that's my belief to the

1020

00:48:30,050 --> 00:48:26,190

light always wins but what a journey

1021

00:48:32,000 --> 00:48:30,060

here because it looks like with gene Roy

1022

00:48:34,790 --> 00:48:32,010

Hart and the medicine he was using it

1023

00:48:37,760 --> 00:48:34,800

really overpowered the community it

1024

00:48:38,960 --> 00:48:37,770

overpowered the legal system the star

1025

00:48:41,090 --> 00:48:38,970

prosecutor

1026

00:48:43,130 --> 00:48:41,100

I mean people walked away from this

1027

00:48:45,140 --> 00:48:43,140

turning in their badges and shaking

1028

00:48:47,750 --> 00:48:45,150

their heads how could this happen this

1029

00:48:49,720 --> 00:48:47,760

was some powerful dark magic that he was

1030

00:48:55,040 --> 00:48:49,730

involved with would you say absolutely

1031

00:48:58,940 --> 00:48:55,050

and that's that is why it is so key that

1032

00:49:03,650 --> 00:48:58,950

anyone who has interest in this area and

1033

00:49:07,250 --> 00:49:03,660

I would just recommend to someone ask

1034

00:49:10,580 --> 00:49:07,260

the internal voice that would say why

1035

00:49:14,360 --> 00:49:10,590

and if they can't and if you can't come

1036

00:49:17,240 --> 00:49:14,370

up with an answer to that or even get an

1037

00:49:19,640 --> 00:49:17,250

implication from the people who are

1038

00:49:22,790 --> 00:49:19,650

inquiring that they want to learn about

1039

00:49:25,550 --> 00:49:22,800

those things then it's not to be done

1040

00:49:28,430 --> 00:49:25,560

and it really has to be handled in that

1041

00:49:31,880 --> 00:49:28,440

that rigid and that strict of a manner

1042

00:49:35,480 --> 00:49:31,890

or it's you were going to see more of

1043

00:49:38,930 --> 00:49:35,490

these problems arise and that's why I'm

1044

00:49:42,350 --> 00:49:38,940

I've been very cautious had many

1045

00:49:45,620 --> 00:49:42,360

inquiries over the years and I you just

1046

00:49:46,609 --> 00:49:45,630

can't open that door you just say well

1047

00:49:49,970 --> 00:49:46,619

we'll we'll

1048

00:49:52,460 --> 00:49:49,980

talk about it in a few days or maybe in

1049

00:49:57,109 --> 00:49:52,470

a few months and you let things pass and

1050

00:50:01,099 --> 00:49:57,119

if nothing develops from it I just say

1051  
00:50:04,700 --> 00:50:01,109  
it really we have to be so cautious and

1052  
00:50:08,960 --> 00:50:04,710  
this I think is the most perfect example

1053  
00:50:11,620 --> 00:50:08,970  
or the model to say here's look what can

1054  
00:50:14,870 --> 00:50:11,630  
happen yeah this went so horribly

1055  
00:50:17,539 --> 00:50:14,880  
horribly wrong I mean this these poor

1056  
00:50:20,960 --> 00:50:17,549  
little girls their families it's a scar

1057  
00:50:22,849 --> 00:50:20,970  
that will never go away and it's a again

1058  
00:50:25,940 --> 00:50:22,859  
an example like you said a perfect

1059  
00:50:29,269 --> 00:50:25,950  
example of things gone wrong and it does

1060  
00:50:32,390 --> 00:50:29,279  
it does say these energies are real and

1061  
00:50:35,839 --> 00:50:32,400  
it's not forces that he was messing with

1062  
00:50:38,359 --> 00:50:35,849  
and trying to get in to do what he

1063  
00:50:41,059 --> 00:50:38,369

wanted turned around and used him and at

1064

00:50:43,700 --> 00:50:41,069

the end it cost him his life which it

1065

00:50:45,289 --> 00:50:43,710

should when somebody's on a dark path

1066

00:50:48,499 --> 00:50:45,299

like that would you agree with that

1067

00:50:51,019 --> 00:50:48,509

absolutely and that's why I say when you

1068

00:50:52,700 --> 00:50:51,029

do cross that line when you start

1069

00:50:56,630 --> 00:50:52,710

implementing and you put those things

1070

00:51:00,670 --> 00:50:56,640

out there there is no immunity and those

1071

00:51:03,259 --> 00:51:00,680

who cross the line have to pay the price

1072

00:51:05,509 --> 00:51:03,269

well you know something really

1073

00:51:07,640 --> 00:51:05,519

interesting a little note to what

1074

00:51:12,829 --> 00:51:07,650

Michael that you said a few minutes ago

1075

00:51:15,079 --> 00:51:12,839

about using that kind of thing to model

1076

00:51:19,640 --> 00:51:15,089

people's thinking or to confuse the

1077

00:51:22,970 --> 00:51:19,650

ideas or create chaos and the Tulsa

1078

00:51:25,789 --> 00:51:22,980

newspapers reported during the trial you

1079

00:51:28,640 --> 00:51:25,799

know on which medicine men were present

1080

00:51:30,559 --> 00:51:28,650

at the courthouse on what days and I

1081

00:51:32,989 --> 00:51:30,569

remember reading one account that there

1082

00:51:34,729 --> 00:51:32,999

was a medicine man seen burning

1083

00:51:36,920 --> 00:51:34,739

something at the four corners of the

1084

00:51:40,069 --> 00:51:36,930

courthouse and it was said that it was

1085

00:51:41,979 --> 00:51:40,079

to confuse the jury or to influence the

1086

00:51:44,839 --> 00:51:41,989

jury sorry influenced the jury

1087

00:51:48,229 --> 00:51:44,849

absolutely which goes to the idea that

1088

00:51:53,569 --> 00:51:48,239

you are saying and it works and this is

1089

00:51:56,989 --> 00:51:53,579

why people need to be very aware and if

1090

00:51:59,849 --> 00:51:56,999

they could have kept that individual at

1091

00:52:02,130 --> 00:51:59,859

a further distance from the

1092

00:52:05,729 --> 00:52:02,140

courthouse they wouldn't have been able

1093

00:52:09,749 --> 00:52:05,739

to infuse that element into that that

1094

00:52:12,390 --> 00:52:09,759

case and I have in the past used tobacco

1095

00:52:15,269 --> 00:52:12,400

for the right thing when I've been in

1096

00:52:18,930 --> 00:52:15,279

court and basically what you do is you

1097

00:52:22,499 --> 00:52:18,940

project that when the right thing was

1098

00:52:25,559 --> 00:52:22,509

done but they say because you didn't

1099

00:52:30,420 --> 00:52:25,569

have a permit or some other legal part

1100

00:52:33,059 --> 00:52:30,430

of it that when we project there is no

1101

00:52:35,339 --> 00:52:33,069

case here and it's just been recent and

1102

00:52:38,910 --> 00:52:35,349

I we actually had the district attorney

1103

00:52:43,499 --> 00:52:38,920

get up and cross-examine a native man

1104

00:52:46,380 --> 00:52:43,509

that I've known for 20 years and the DA

1105

00:52:48,809 --> 00:52:46,390

said at the end of his statement there

1106

00:52:51,150 --> 00:52:48,819

are no bad people in this courtroom and

1107

00:52:53,460 --> 00:52:51,160

I just said that's because we had no

1108

00:52:56,819 --> 00:52:53,470

case and they should not have ever

1109

00:52:58,759 --> 00:52:56,829

brought this man into court but these

1110

00:53:01,890 --> 00:52:58,769

are how we can use it for the good and

1111

00:53:04,859 --> 00:53:01,900

unfortunately there are others who have

1112

00:53:10,140 --> 00:53:04,869

used it for not so good and they cross

1113

00:53:12,059 --> 00:53:10,150

that line and what about Michael the the

1114

00:53:14,329 --> 00:53:12,069

ancient one have you heard of that I

1115

00:53:18,930 --> 00:53:14,339

know Renee wanted to ask that question

1116

00:53:22,109 --> 00:53:18,940

yes the ancient one is the element that

1117

00:53:27,120 --> 00:53:22,119

is referred to to that sacred tobacco

1118

00:53:31,079 --> 00:53:27,130

and each nation has their own version or

1119

00:53:34,799 --> 00:53:31,089

their own particular variety of tobacco

1120

00:53:38,999 --> 00:53:34,809

which is not used for anything other

1121

00:53:41,759 --> 00:53:39,009

than ceremony and the way matt baer

1122

00:53:42,509 --> 00:53:41,769

explained i asked Mia bear I said white

1123

00:53:44,970 --> 00:53:42,519

aback Oh

1124

00:53:47,160 --> 00:53:44,980

after looking outside and seeing all the

1125

00:53:50,460 --> 00:53:47,170

variety of plants I said why this

1126

00:53:53,940 --> 00:53:50,470

particular tobacco and he said do you

1127

00:53:57,599 --> 00:53:53,950

recall in history time when the earth

1128

00:54:01,109 --> 00:53:57,609

was purified and it was done with water

1129

00:54:02,940 --> 00:54:01,119

and he said at the story or the legend

1130

00:54:04,589 --> 00:54:02,950

that was handed down to the native

1131

00:54:07,380 --> 00:54:04,599

people he said while they were doing

1132

00:54:10,440 --> 00:54:07,390

cleanup these little sprouts came up

1133

00:54:13,590 --> 00:54:10,450

through the silt and when it got seen

1134

00:54:16,470 --> 00:54:13,600

and expressed amongst the people

1135

00:54:18,390 --> 00:54:16,480

medicine people came down they stopped

1136

00:54:20,970 --> 00:54:18,400

the cleanup they brought everyone to

1137

00:54:23,280 --> 00:54:20,980

where those plants were and they made it

1138

00:54:25,830 --> 00:54:23,290

very clear they said because this is the

1139

00:54:29,970 --> 00:54:25,840

first plant to return to the humans

1140

00:54:33,570 --> 00:54:29,980

after the purification then they said

1141

00:54:36,750 --> 00:54:33,580

this plant will be used to talk to the

1142

00:54:41,310 --> 00:54:36,760

Creator to offer for plants for medicine

1143

00:54:44,010 --> 00:54:41,320

to give this communication that plant

1144

00:54:46,350 --> 00:54:44,020

was the sacred one well thank you for

1145

00:54:49,950 --> 00:54:46,360

1172

00:56:03,750 --> 00:56:00,520

many investigators including Scotland

1173

00:56:08,160 --> 00:56:03,760

Yard George welcome to the show thank

1174

00:56:10,230 --> 00:56:08,170

you boy what a case yeah I kept myself

1175

00:56:11,760 --> 00:56:10,240

out of the listen all I'm doing is

1176

00:56:13,740 --> 00:56:11,770

listening to all of this I haven't done

1177

00:56:16,760 --> 00:56:13,750

any reading on this I want to have a

1178

00:56:20,580 --> 00:56:16,770

nice clean slate to see what I pick up

1179

00:56:24,230 --> 00:56:20,590

Michael really great explaining all of

1180

00:56:26,720 --> 00:56:24,240

that you know you did a great job arm

1181

00:56:31,070 --> 00:56:26,730

Harvey

1182

00:56:33,950 --> 00:56:31,080

I did the smoke yes I get this very

1183

00:56:35,870 --> 00:56:33,960

organic feeling with this man and and

1184

00:56:38,570 --> 00:56:35,880

when he did that that was a very brave

1185

00:56:41,660 --> 00:56:38,580

thing and how the smoke works and all of

1186

00:56:45,020 --> 00:56:41,670

that that was just an amazing the one

1187

00:56:47,720 --> 00:56:45,030

thing I heard in all of this a couple of

1188

00:56:48,940 --> 00:56:47,730

things I heard a little girl say number

1189

00:56:55,040 --> 00:56:48,950

eight ah

1190

00:56:58,370 --> 00:56:55,050

so um um and I think it's the than the

1191

00:57:00,320 --> 00:56:58,380

number of a tenth the were the dwelling

1192

00:57:02,450 --> 00:57:00,330

that they were all in I just heard

1193

00:57:04,490 --> 00:57:02,460

somebody say eight eight they were in a

1194

00:57:06,200 --> 00:57:04,500

tent number eight yeah and I think they

1195

00:57:08,030 --> 00:57:06,210

were affecting you

1196

00:57:10,160 --> 00:57:08,040

piqué because you kept bringing up eight

1197

00:57:11,690 --> 00:57:10,170

this an eighth that and all this and I

1198

00:57:14,300 --> 00:57:11,700

think they were trying to get it through

1199

00:57:18,560 --> 00:57:14,310

that that's real significant that number

1200

00:57:24,500 --> 00:57:18,570

eight um I I also got a little girl

1201

00:57:26,810 --> 00:57:24,510

saying um my mother uh-huh um her health

1202

00:57:29,690 --> 00:57:26,820

has gone down because what happened this

1203

00:57:34,040 --> 00:57:29,700

happened in 77 is that right yes yeah

1204

00:57:36,560 --> 00:57:34,050

yeah and I and I got this um saying Shay

1205

00:57:38,540 --> 00:57:36,570

I think she said sherry or yeah I think

1206

00:57:42,140 --> 00:57:38,550

it was sherry she mentioned sherry and

1207

00:57:44,420 --> 00:57:42,150

she and she said mom mom and then she

1208

00:57:45,800 --> 00:57:44,430

said sherry and then she said I'm okay

1209

00:57:47,960 --> 00:57:45,810

like I'm alright

1210

00:57:51,109 --> 00:57:47,970

the feeling that I that was that's what

1211

00:57:55,190 --> 00:57:51,119

I got out of all of this is so much to

1212

00:57:59,000 --> 00:57:55,200

be said but as far as do any of you know

1213

00:58:02,060 --> 00:57:59,010

the parents at all I don't know them I

1214

00:58:06,800 --> 00:58:02,070

do know who they are I'm trying to

1215

00:58:08,630 --> 00:58:06,810

remember if it was any of the parents

1216

00:58:13,910 --> 00:58:08,640

it would have been Laurie farmer's

1217

00:58:16,430 --> 00:58:13,920

mother I think I think I got that right

1218

00:58:18,620 --> 00:58:16,440

she was saying sherry because I was kind

1219

00:58:20,480 --> 00:58:18,630

of asking her with myself just like who

1220

00:58:22,910 --> 00:58:20,490

do you mean who do you mean and I just

1221

00:58:26,330 --> 00:58:22,920

heard I think it was sherry or cherry

1222

00:58:28,400 --> 00:58:26,340

but I think it was sherry um definitely

1223

00:58:28,970 --> 00:58:28,410

look for that while we're talking here

1224

00:58:31,280 --> 00:58:28,980

okay

1225

00:58:36,200 --> 00:58:31,290

yeah because I don't at home yeah so I

1226

00:58:37,230 --> 00:58:36,210

just I got that now as far as II as far

1227

00:58:44,100 --> 00:58:37,240

as

1228

00:58:45,810 --> 00:58:44,110

feel that Patricia you did a really

1229

00:58:48,030 --> 00:58:45,820

great description of him through the

1230

00:58:50,130 --> 00:58:48,040

numbers low self-esteem

1231

00:58:54,690 --> 00:58:50,140

you know fatherless family this kind of

1232

00:58:56,250 --> 00:58:54,700

thing and very strong um I I feel that

1233

00:59:01,530 --> 00:58:56,260

he was a fully good looking guy too and

1234

00:59:05,430 --> 00:59:01,540

well trusted but dabbled into spiritual

1235

00:59:07,050 --> 00:59:05,440

things and used I believe what I think

1236

00:59:08,730 --> 00:59:07,060

Michael was talking about those medicine

1237

00:59:11,609 --> 00:59:08,740

man or someone that taught him some

1238

00:59:15,480 --> 00:59:11,619

stuff but he had like a side like the

1239

00:59:17,940 --> 00:59:15,490

medicine man I don't feel was cautious

1240

00:59:19,530 --> 00:59:17,950

enough well Michael was complex and that

1241

00:59:23,730 --> 00:59:19,540

Michael is his name Michael no his name

1242

00:59:27,930 --> 00:59:23,740

is uh Jean Jean Jean Jean is a complex

1243

00:59:30,090 --> 00:59:27,940

person and even though he may not have

1244

00:59:34,140 --> 00:59:30,100

come across as the sharpest blade in the

1245

00:59:35,820 --> 00:59:34,150

pile he was actually very kind of like

1246

00:59:37,560 --> 00:59:35,830

second thought like everything had a

1247

00:59:40,410 --> 00:59:37,570

double meaning to it and he kind of

1248

00:59:42,180 --> 00:59:40,420

chose what he I felt that he was cloaked

1249

00:59:44,910 --> 00:59:42,190

and to be able to walk around the

1250

00:59:47,040 --> 00:59:44,920

community freeddy like that I feel that

1251  
00:59:50,700 --> 00:59:47,050  
you know he had help but I feel it was a

1252  
00:59:53,970 --> 00:59:50,710  
darker force with him and could

1253  
00:59:59,070 --> 00:59:53,980  
recognize the cracks in his personality

1254  
01:00:01,710 --> 00:59:59,080  
and do a sort of um I don't want to say

1255  
01:00:03,900 --> 01:00:01,720  
possession exactly but a touching of him

1256  
01:00:06,300 --> 01:00:03,910  
to make him think this way to make him

1257  
01:00:09,060 --> 01:00:06,310  
do these things up and then he could

1258  
01:00:12,570 --> 01:00:09,070  
pull out of it but I feel that this

1259  
01:00:15,840 --> 01:00:12,580  
darker force kind of cloaked him so he

1260  
01:00:19,440 --> 01:00:15,850  
could walk freely amongst people I also

1261  
01:00:20,849 --> 01:00:19,450  
feel that there was a younger medicine

1262  
01:00:24,630 --> 01:00:20,859  
man that taught him some things right

1263  
01:00:27,150 --> 01:00:24,640

was he in his 40s or so uh you know I'm

1264

01:00:30,150 --> 01:00:27,160

not sure now the medicine man that he

1265

01:00:32,849 --> 01:00:30,160

was captured at at the medicine man's

1266

01:00:35,190 --> 01:00:32,859

cabin he was an old man he's an old man

1267

01:00:37,560 --> 01:00:35,200

but there would have been others you

1268

01:00:39,359 --> 01:00:37,570

know I feel that he learned something

1269

01:00:41,940 --> 01:00:39,369

from the old man but there's somebody

1270

01:00:45,050 --> 01:00:41,950

who seems to be like in their mid-40s

1271

01:00:49,109 --> 01:00:45,060

that he was associated with that that uh

1272

01:00:50,609 --> 01:00:49,119

show Jean how to do a lot of things but

1273

01:00:54,299 --> 01:00:50,619

mostly for good

1274

01:00:57,569 --> 01:00:54,309

but gene being pulled and taunted by

1275

01:01:01,229 --> 01:00:57,579

this darker side of himself turned it

1276

01:01:04,529 --> 01:01:01,239

into the things that he did and now the

1277

01:01:07,650 --> 01:01:04,539

medicine man that the agents used he was

1278

01:01:10,680 --> 01:01:07,660

around 40 he was in his 40s at the time

1279

01:01:13,499 --> 01:01:10,690

and he of course he was obviously

1280

01:01:16,499 --> 01:01:13,509

working for the good and by the way

1281

01:01:21,329 --> 01:01:16,509

Laurie farmer's mother's name is Shari

1282

01:01:26,009 --> 01:01:21,339

oh wow hi yeah good that's good to know

1283

01:01:27,569 --> 01:01:26,019

hmm yeah yeah that's that's right did

1284

01:01:30,209 --> 01:01:27,579

she say anything else or is there a

1285

01:01:31,799 --> 01:01:30,219

message or anything but that that's you

1286

01:01:33,870 --> 01:01:31,809

that she's around her mother that she

1287

01:01:35,579 --> 01:01:33,880

actually the other girls are doing fine

1288

01:01:36,930 --> 01:01:35,589

that they're all there they're all in

1289

01:01:39,959 --> 01:01:36,940

the light they're all fine they're

1290

01:01:46,890 --> 01:01:39,969

innocent so innocent and uh they just

1291

01:01:48,839 --> 01:01:46,900

make me feel like um their families have

1292

01:01:51,059 --> 01:01:48,849

suffered so much their families have

1293

01:01:53,339 --> 01:01:51,069

suffered still are suffering it's more

1294

01:01:55,769 --> 01:01:53,349

of a coping than anything else yeah

1295

01:01:59,579 --> 01:01:55,779

they're babies they're abate yeah

1296

01:02:00,719 --> 01:01:59,589

they're just little babies and um the

1297

01:02:02,700 --> 01:02:00,729

object is made me feel like they're

1298

01:02:04,229 --> 01:02:02,710

still attached to their families and for

1299

01:02:05,519 --> 01:02:04,239

them not to worry that they're all in

1300

01:02:08,819 --> 01:02:05,529

the light they made it you know that

1301

01:02:11,430 --> 01:02:08,829

there was no ifs ands or buts about it

1302

01:02:13,349 --> 01:02:11,440

they just went into that world they are

1303

01:02:20,029 --> 01:02:13,359

kind of making me feel what they went

1304

01:02:24,359 --> 01:02:20,039

through yeah hmm um but honest yeah it's

1305

01:02:26,309 --> 01:02:24,369

pretty horrible but the this guy gene I

1306

01:02:27,989 --> 01:02:26,319

just feel like you know Patricia oh

1307

01:02:29,579 --> 01:02:27,999

right on with the numbers man that was

1308

01:02:32,999 --> 01:02:29,589

like so close that's the feelings that I

1309

01:02:36,359 --> 01:02:33,009

was getting about this person no I feel

1310

01:02:38,069 --> 01:02:36,369

that people that it he was able to kind

1311

01:02:40,319 --> 01:02:38,079

of like fool people did he have this

1312

01:02:42,989 --> 01:02:40,329

cloaking thing about himself and that's

1313

01:02:44,989 --> 01:02:42,999

why he keep getting this feeling I also

1314

01:02:48,469 --> 01:02:44,999

feel that he's still dangerous

1315

01:02:52,609 --> 01:02:48,479

yeah I still feel that he can cross

1316

01:02:56,160 --> 01:02:52,619

cross here I know that he's being um I

1317

01:02:58,950 --> 01:02:56,170

don't know like like contained in a

1318

01:03:01,890 --> 01:02:58,960

sense but he is able to move freely but

1319

01:03:03,980 --> 01:03:01,900

can't really do anything like you know

1320

01:03:06,620 --> 01:03:03,990

to anyone but can do

1321

01:03:08,930 --> 01:03:06,630

was done to him as far as like finding

1322

01:03:11,690 --> 01:03:08,940

somebody with low self-esteem right

1323

01:03:15,140 --> 01:03:11,700

getting into them influencing them so I

1324

01:03:17,990 --> 01:03:15,150

feel he still kind of has that I feel

1325

01:03:19,730 --> 01:03:18,000

like he's walking the earth in his town

1326

01:03:22,520 --> 01:03:19,740

and it's interesting you mentioned to

1327

01:03:25,790 --> 01:03:22,530

cave I felt that that was one of the

1328

01:03:29,660 --> 01:03:25,800

places that he was staying in located in

1329

01:03:32,810 --> 01:03:29,670

a cave and then just a lot of he makes

1330

01:03:34,760 --> 01:03:32,820

me feel himself personally in yeah real

1331

01:03:38,090 --> 01:03:34,770

tortured person spent a lot of time

1332

01:03:41,420 --> 01:03:38,100

alone spent a lot of time with God I

1333

01:03:43,730 --> 01:03:41,430

feel like wanting to use a knife I don't

1334

01:03:47,570 --> 01:03:43,740

know if he did use knives but wanting to

1335

01:03:50,330 --> 01:03:47,580

and but but didn't didn't do it the guy

1336

01:03:52,609 --> 01:03:50,340

had some skill different definitely had

1337

01:03:54,350 --> 01:03:52,619

some skills but as far as it's a

1338

01:03:58,190 --> 01:03:54,360

spiritual world yeah it was very

1339

01:04:00,620 --> 01:03:58,200

distorted I get a lot of static with it

1340

01:04:02,960 --> 01:04:00,630

I am trying to figure it out in him

1341

01:04:05,480 --> 01:04:02,970

having to deal with it and like

1342

01:04:07,010 --> 01:04:05,490

adrenaline rush the human part of him is

1343

01:04:09,440 --> 01:04:07,020

the adrenaline rush of doing these

1344

01:04:13,760 --> 01:04:09,450

things and then the other part of him is

1345

01:04:15,740 --> 01:04:13,770

very sad inside I feel um and in some

1346

01:04:17,930 --> 01:04:15,750

ways remorseful but then pull away from

1347

01:04:20,060 --> 01:04:17,940

that as soon as he found another target

1348

01:04:23,030 --> 01:04:20,070

whatever that is you know breaking into

1349

01:04:26,440 --> 01:04:23,040

a place or killing someone or that type

1350

01:04:29,330 --> 01:04:26,450

of thing I just felt that he was pretty

1351

01:04:32,720 --> 01:04:29,340

but all put together in a fairly good

1352

01:04:35,000 --> 01:04:32,730

package you naming so he can yeah and so

1353

01:04:38,390 --> 01:04:35,010

he could full people he was really good

1354

01:04:39,770 --> 01:04:38,400

at that um and I get this I guess

1355

01:04:41,359 --> 01:04:39,780

somebody's saying yeah he can never go

1356

01:04:43,330 --> 01:04:41,369

back and I don't know what they mean by

1357

01:04:46,580 --> 01:04:43,340

that but like he could never go back so

1358

01:04:48,710 --> 01:04:46,590

maybe maybe have another earthly round

1359

01:04:53,330 --> 01:04:48,720

or something I'm not sure exactly but I

1360

01:04:58,160 --> 01:04:53,340

just feel like that um we don't run it

1361

01:04:59,690 --> 01:04:58,170

back God him back where he is I think

1362

01:05:02,660 --> 01:04:59,700

they're trying to tell me that he is

1363

01:05:04,970 --> 01:05:02,670

maybe tried to come back but he can't so

1364

01:05:06,710 --> 01:05:04,980

he's trying to influence someone like

1365

01:05:09,740 --> 01:05:06,720

him and it might even be in the same

1366

01:05:12,500 --> 01:05:09,750

town so you know it's something else

1367

01:05:14,510 --> 01:05:12,510

like this occurs again I feel that he

1368

01:05:16,490 --> 01:05:14,520

may have some kind of influence in it I

1369

01:05:17,930 --> 01:05:16,500

mean I'm not exactly sure that's kind of

1370

01:05:21,980 --> 01:05:17,940

what it feels like to me

1371

01:05:27,010 --> 01:05:21,990

um and then also the knowing you know he

1372

01:05:30,109 --> 01:05:27,020

knows a lot and I get the feeling of the

1373

01:05:32,569 --> 01:05:30,119

overpowering of someone and and having

1374

01:05:35,990 --> 01:05:32,579

that person's life in your hands and can

1375

01:05:37,970 --> 01:05:36,000

fully controlling it and taking it when

1376

01:05:40,250 --> 01:05:37,980

they want and I just get that it's like

1377

01:05:42,140 --> 01:05:40,260

a I get this kind of adrenaline rush

1378

01:05:44,059 --> 01:05:42,150

with this and I just feel like that was

1379

01:05:48,140 --> 01:05:44,069

kind of what he was doing with these

1380

01:05:52,579 --> 01:05:48,150

little girls arm also prison life for

1381

01:05:54,559 --> 01:05:52,589

him was not good he was on guard and all

1382

01:05:57,020 --> 01:05:54,569

the time because of what he his crimes

1383

01:05:59,359 --> 01:05:57,030

and he had to look over his shoulder and

1384

01:06:02,510 --> 01:05:59,369

I also feel that he practiced some of

1385

01:06:05,150 --> 01:06:02,520

the things that he knew there also may

1386

01:06:06,470 --> 01:06:05,160

be quietly or behind the scenes but you

1387

01:06:08,660 --> 01:06:06,480

know because he needed protection while

1388

01:06:10,940 --> 01:06:08,670

he was there that they still got him

1389

01:06:13,670 --> 01:06:10,950

they still took him out yeah I mean that

1390

01:06:16,309 --> 01:06:13,680

heart attack is that right yeah yes so I

1391

01:06:18,500 --> 01:06:16,319

think they did an autopsy and they there

1392

01:06:21,230 --> 01:06:18,510

was no explanation he was the perfect

1393

01:06:24,620 --> 01:06:21,240

physical specimen he was an athlete he

1394

01:06:27,349 --> 01:06:24,630

was 26 years old yeah and I just feel

1395

01:06:29,599 --> 01:06:27,359

like uh but I also feel that in prison

1396

01:06:33,050 --> 01:06:29,609

he was like develop like he was really

1397

01:06:36,260 --> 01:06:33,060

strong so he wasn't like working out or

1398

01:06:39,200 --> 01:06:36,270

something like this gentleman but I feel

1399

01:06:42,280 --> 01:06:39,210

that they it was time for him to go the

1400

01:06:46,280 --> 01:06:42,290

forces that are out there you know good

1401

01:06:48,290 --> 01:06:46,290

over takes everything just about but but

1402

01:06:50,599 --> 01:06:48,300

things slip through the cracks and he

1403

01:06:51,559 --> 01:06:50,609

was one of them and uh but it finally

1404

01:06:54,559 --> 01:06:51,569

caught up with him

1405

01:06:56,120 --> 01:06:54,569

and it took him go ahead I'm sorry I was

1406

01:06:57,859 --> 01:06:56,130

gonna say George did you find that

1407

01:07:00,470 --> 01:06:57,869

because he was such a terrible rule

1408

01:07:02,809 --> 01:07:00,480

breaker and he lived in his head most of

1409

01:07:06,050 --> 01:07:02,819

the time yeah people thought his quiet

1410

01:07:08,270 --> 01:07:06,060

side was condoning things that were

1411

01:07:10,280 --> 01:07:08,280

going on so he was mr. nice guy when

1412

01:07:13,700 --> 01:07:10,290

instead he was really brewing something

1413

01:07:15,710 --> 01:07:13,710

in the head to take out somebody else at

1414

01:07:18,859 --> 01:07:15,720

another way because of this restriction

1415

01:07:21,020 --> 01:07:18,869

this foursquare his angers at things not

1416

01:07:22,849 --> 01:07:21,030

being given to him the way he thought

1417

01:07:24,530 --> 01:07:22,859

they should be yeah I thought that

1418

01:07:26,270 --> 01:07:24,540

everything out of his mouth was kind of

1419

01:07:27,920 --> 01:07:26,280

like a double speak as like a forked

1420

01:07:30,500 --> 01:07:27,930

tongue as it has a double meaning

1421

01:07:31,259 --> 01:07:30,510

and so yeah I would caution cautious

1422

01:07:33,179 --> 01:07:31,269

about everything

1423

01:07:36,809 --> 01:07:33,189

he did the way he walked the way

1424

01:07:38,939 --> 01:07:36,819

presented himself uh you know I seem

1425

01:07:40,380 --> 01:07:38,949

like a normal average person you know

1426

01:07:42,539 --> 01:07:40,390

kind of doing that but kind of like us

1427

01:07:44,249 --> 01:07:42,549

almost like in like you said athletic

1428

01:07:46,799 --> 01:07:44,259

you know he was sort of I kind of

1429

01:07:47,999 --> 01:07:46,809

outgoing that way but kind of quiet and

1430

01:07:51,839 --> 01:07:48,009

it's very hard

1431

01:07:55,649 --> 01:07:51,849

he had an arrogance about him that you

1432

01:07:57,239 --> 01:07:55,659

know probably bolide that inadequacy

1433

01:07:59,009 --> 01:07:57,249

thing pique yeah right

1434

01:08:00,659 --> 01:07:59,019

usually people have that common

1435

01:08:02,519 --> 01:08:00,669

arrogance it's usually covering up the

1436

01:08:04,769 --> 01:08:02,529

opposite oh yeah they carry that john

1437

01:08:07,409 --> 01:08:04,779

waite walk when they have nothing there

1438

01:08:09,719 --> 01:08:07,419

to make back it up with yourself guy had

1439

01:08:12,029 --> 01:08:09,729

no vitamins at all right yeah like you

1440

01:08:15,569 --> 01:08:12,039

had an absolutely eye doughnut and um

1441

01:08:18,419 --> 01:08:15,579

but it was fragile and and the people

1442

01:08:21,479 --> 01:08:18,429

that knew him well he would stay away

1443

01:08:24,059 --> 01:08:21,489

from and so yeah and so he would just

1444

01:08:26,459 --> 01:08:24,069

constantly kind of on the prowl kind of

1445

01:08:30,180 --> 01:08:26,469

scoping things out you know just always

1446

01:08:33,240 --> 01:08:30,190

kind of doing that and and in very

1447

01:08:35,459 --> 01:08:33,250

tormented in his head and in his soul

1448

01:08:37,079 --> 01:08:35,469

but a lot of things that Michael said

1449

01:08:38,220 --> 01:08:37,089

was right on the money - I mean was just

1450

01:08:39,809 --> 01:08:38,230

really good stuff that he was talking

1451

01:08:44,640 --> 01:08:39,819

about you know medicine and this kind of

1452

01:08:46,439 --> 01:08:44,650

thing um um he abused yeah like yeah you

1453

01:08:47,970 --> 01:08:46,449

know he's gone now the girls are fine

1454

01:08:49,410 --> 01:08:47,980

the girls are perfect and there's

1455

01:08:51,839 --> 01:08:49,420

nothing wrong with them at all I get

1456

01:08:54,539 --> 01:08:51,849

nothing all I got was my mother is

1457

01:08:57,299 --> 01:08:54,549

suffering or has been suffering they all

1458

01:08:59,370 --> 01:08:57,309

have and but but they just kept hearing

1459

01:09:02,309 --> 01:08:59,380

mom mom mom

1460

01:09:04,019 --> 01:09:02,319

and then I heard Nate like 10th a or

1461

01:09:06,359 --> 01:09:04,029

number eight and it seemed like a

1462

01:09:09,269 --> 01:09:06,369

dwelling of some sort and then I just

1463

01:09:11,180 --> 01:09:09,279

heard and I was asking her who are you

1464

01:09:16,019 --> 01:09:11,190

talking about you know she said sherry

1465

01:09:18,299 --> 01:09:16,029

so so it was sherry how it was okay and

1466

01:09:21,749 --> 01:09:18,309

uh to let her know that she's okay

1467

01:09:23,430 --> 01:09:21,759

sherry still around yeah yeah okay cuz I

1468

01:09:25,649 --> 01:09:23,440

don't feel her yeah you know I only get

1469

01:09:26,819 --> 01:09:25,659

people that have crossed and um yeah

1470

01:09:31,890 --> 01:09:26,829

she's still around

1471

01:09:35,819 --> 01:09:31,900

um her parents are probably might be

1472

01:09:37,289 --> 01:09:35,829

around you know in their 60s and you

1473

01:09:39,660 --> 01:09:37,299

know they're not that old her father is

1474

01:09:43,209 --> 01:09:39,670

still a practicing physician in Tulsa

1475

01:09:45,309 --> 01:09:43,219

and her mother started a

1476

01:09:48,549 --> 01:09:45,319

the Oklahoma chapter of parents of

1477

01:09:50,620 --> 01:09:48,559

Murdered Children you know well wonder

1478

01:09:52,359 --> 01:09:50,630

this were all stepping up because the

1479

01:09:57,310 --> 01:09:52,369

the feeling is like she's you know very

1480

01:09:59,649 --> 01:09:57,320

proud of her family and just actually in

1481

01:10:01,479 --> 01:09:59,659

a bad way turned out to be a good thing

1482

01:10:03,910 --> 01:10:01,489

because a mother's doing this now means

1483

01:10:07,239 --> 01:10:03,920

so out of all this horror something

1484

01:10:09,850 --> 01:10:07,249

positive came out of it but yeah it took

1485

01:10:11,680 --> 01:10:09,860

a toll on her and she makes me feel like

1486

01:10:14,709 --> 01:10:11,690

her mom working with this organization

1487

01:10:18,969 --> 01:10:14,719

is sort of like therapy for her to in a

1488

01:10:20,080 --> 01:10:18,979

sense to her go through other parents

1489

01:10:21,489 --> 01:10:20,090

and what they've gone through and this

1490

01:10:23,649 --> 01:10:21,499

kind of thing

1491

01:10:25,290 --> 01:10:23,659

there is a was direct oh you probably

1492

01:10:28,419 --> 01:10:25,300

don't know but I feel like there was

1493

01:10:32,560 --> 01:10:28,429

like trees planted for these girls or

1494

01:10:35,410 --> 01:10:32,570

some sort of memorial for these girls um

1495

01:10:38,319 --> 01:10:35,420

did you say Laurie was her name yeah

1496

01:10:39,520 --> 01:10:38,329

yeah was really don't know this but I

1497

01:10:41,649 --> 01:10:39,530

thought there was a some kind of a

1498

01:10:44,169 --> 01:10:41,659

monument erected maybe with their names

1499

01:10:47,169 --> 01:10:44,179

on it or a children's park she makes me

1500

01:10:49,629 --> 01:10:47,179

feel like there's like a park or a wall

1501  
01:10:51,700 --> 01:10:49,639  
with murdered children on it and then

1502  
01:10:53,620 --> 01:10:51,710  
like a playground right next to it like

1503  
01:10:55,569 --> 01:10:53,630  
but things that kids can climb on and

1504  
01:10:56,919 --> 01:10:55,579  
all that feels kind of like this I don't

1505  
01:11:01,689 --> 01:10:56,929  
know if that exists or not but this kind

1506  
01:11:03,040 --> 01:11:01,699  
of what she's showing me oh yeah so yeah

1507  
01:11:05,169 --> 01:11:03,050  
I don't know but she makes me feel like

1508  
01:11:07,540 --> 01:11:05,179  
this what her mother's doing is also a

1509  
01:11:09,430 --> 01:11:07,550  
very good thing for other parents even

1510  
01:11:13,810 --> 01:11:09,440  
though it's a sad thing it's a way to

1511  
01:11:15,339 --> 01:11:13,820  
cope and deal and heal so um yeah that's

1512  
01:11:18,160 --> 01:11:15,349  
what that's what I'm getting out of all

1513  
01:11:20,830 --> 01:11:18,170

of this the Boy George let me just ask

1514

01:11:22,750 --> 01:11:20,840

you a quest to because Laurie comes

1515

01:11:24,609 --> 01:11:22,760

across to me anyways as the eternal

1516

01:11:28,089 --> 01:11:24,619

optimist but much more contemplative

1517

01:11:31,000 --> 01:11:28,099

about this event then Michelle or Denise

1518

01:11:33,250 --> 01:11:31,010

do you pick up something similar about

1519

01:11:36,310 --> 01:11:33,260

her I mean she seems still kind of

1520

01:11:38,910 --> 01:11:36,320

mulling this over and trying to go

1521

01:11:41,799 --> 01:11:38,920

deeper with it about an understanding uh

1522

01:11:45,459 --> 01:11:41,809

this is Denise this is a dead child no

1523

01:11:47,259 --> 01:11:45,469

this is Laurie Oh Laurie Oh Laurie's to

1524

01:11:52,779 --> 01:11:47,269

me Laurie came across as being very

1525

01:11:54,729 --> 01:11:52,789

bright um a doer you know like you know

1526

01:11:56,680 --> 01:11:54,739

I mean like I feel like she you know

1527

01:11:58,479 --> 01:11:56,690

Souls cannot change a life path it can

1528

01:12:01,209 --> 01:11:58,489

mess around with your journey but they

1529

01:12:03,820 --> 01:12:01,219

can nudge and I feel like her light with

1530

01:12:07,080 --> 01:12:03,830

her mother is very very special and and

1531

01:12:09,459 --> 01:12:07,090

so she's able to help her mother or

1532

01:12:11,439 --> 01:12:09,469

bring things to her mother and her

1533

01:12:13,900 --> 01:12:11,449

mother has to be sensitive enough to

1534

01:12:16,120 --> 01:12:13,910

recognize it and go with it but her

1535

01:12:19,270 --> 01:12:16,130

mother has a lot of tenacity she says

1536

01:12:21,729 --> 01:12:19,280

her mother has a lot of tenacity and and

1537

01:12:24,640 --> 01:12:21,739

a lot of things have fallen into place

1538

01:12:28,270 --> 01:12:24,650

and a lot of help has come to her but

1539

01:12:31,360 --> 01:12:28,280

she's got the the the oomph to kind of

1540

01:12:32,830 --> 01:12:31,370

get it done and she makes me feel like

1541

01:12:36,400 --> 01:12:32,840

her mom's gone through a lot of red tape

1542

01:12:38,290 --> 01:12:36,410

and to get things done but has done it I

1543

01:12:40,270 --> 01:12:38,300

don't know I mean I feel like there's a

1544

01:12:42,310 --> 01:12:40,280

Memorial Park you know some sort of like

1545

01:12:44,500 --> 01:12:42,320

a little section of a main part that

1546

01:12:46,300 --> 01:12:44,510

that like a Children's Memorial Park or

1547

01:12:48,670 --> 01:12:46,310

something something like that it might

1548

01:12:51,189 --> 01:12:48,680

be in the works or it's already done but

1549

01:12:53,800 --> 01:12:51,199

I also feel like a plant eyes yeah I

1550

01:12:56,560 --> 01:12:53,810

also feel like a planting my planting of

1551

01:12:59,140 --> 01:12:56,570

trees and bushes dedicated to kids or

1552

01:13:00,820 --> 01:12:59,150

one to her for sure but I also get

1553

01:13:02,950 --> 01:13:00,830

flowers and this type of thing when I

1554

01:13:05,050 --> 01:13:02,960

get people like benches or people can

1555

01:13:06,700 --> 01:13:05,060

sit and you know I have a conversation

1556

01:13:10,540 --> 01:13:06,710

with their children that kind of thing

1557

01:13:16,660 --> 01:13:10,550

so yeah um I wouldn't be a bit surprised

1558

01:13:20,500 --> 01:13:16,670

yeah and then um um now it has genes

1559

01:13:24,750 --> 01:13:20,510

mother crossed over yes okay because I

1560

01:13:28,930 --> 01:13:24,760

get three women and I feel that this is

1561

01:13:31,510 --> 01:13:28,940

probably his they seem to be elders um

1562

01:13:33,340 --> 01:13:31,520

and I don't know there's something about

1563

01:13:35,410 --> 01:13:33,350

you know talking to him about all this

1564

01:13:38,590 --> 01:13:35,420

and he's gone through a lot he has he

1565

01:13:42,939 --> 01:13:38,600

has to feel and continuously feel the

1566

01:13:45,550 --> 01:13:42,949

pain that he's created um here back here

1567

01:13:48,910 --> 01:13:45,560

with the the parents and this and the

1568

01:13:51,130 --> 01:13:48,920

family members that basically paid them

1569

01:13:53,439 --> 01:13:51,140

you know and and I know that there's

1570

01:13:56,920 --> 01:13:53,449

some forgiveness involved here and he's

1571

01:13:58,240 --> 01:13:56,930

all about trying to correct all that but

1572

01:14:00,640 --> 01:13:58,250

he just makes me feel that he just had a

1573

01:14:02,740 --> 01:14:00,650

really rough time of it he tried to make

1574

01:14:04,900 --> 01:14:02,750

sense out of a gene trying to make sense

1575

01:14:06,850 --> 01:14:04,910

out of everything but it was just once

1576

01:14:08,779 --> 01:14:06,860

after his first kill and all that it was

1577

01:14:10,850 --> 01:14:08,789

just like it was overpowering

1578

01:14:13,040 --> 01:14:10,860

and then whatever this dark forest was

1579

01:14:14,689 --> 01:14:13,050

just kind of had them you know he wasn't

1580

01:14:16,810 --> 01:14:14,699

like it wasn't like a full possession it

1581

01:14:19,220 --> 01:14:16,820

was just like this nudging this this

1582

01:14:21,200 --> 01:14:19,230

partial thing that would get into him

1583

01:14:24,229 --> 01:14:21,210

and you know he could feel himself kind

1584

01:14:26,660 --> 01:14:24,239

of surging inside and then select his

1585

01:14:30,290 --> 01:14:26,670

target he also makes me feel that he was

1586

01:14:32,660 --> 01:14:30,300

relaxed at times and things would show

1587

01:14:34,580 --> 01:14:32,670

up almost like light up for him and then

1588

01:14:37,310 --> 01:14:34,590

he'd go oh that's the next one right

1589

01:14:39,740 --> 01:14:37,320

there or he get methodical about who he

1590

01:14:41,240 --> 01:14:39,750

was going to do next so but so you know

1591

01:14:44,750 --> 01:14:41,250

but it's over I mean that whole thing is

1592

01:14:46,339 --> 01:14:44,760

over and he is where he is um I know

1593

01:14:48,169 --> 01:14:46,349

this is gonna sound really crazy I don't

1594

01:14:50,209 --> 01:14:48,179

feel like he's like burning in hell

1595

01:14:53,859 --> 01:14:50,219

anything like that he's just in the

1596

01:14:56,540 --> 01:14:53,869

further he's just in this other world

1597

01:14:59,600 --> 01:14:56,550

trying to make a difference I really

1598

01:15:02,299 --> 01:14:59,610

kind of feel that he's trying to correct

1599

01:15:04,100 --> 01:15:02,309

his wrongs but that urge is still pretty

1600

01:15:06,080 --> 01:15:04,110

strong in him and he's kind of in a

1601  
01:15:08,540 --> 01:15:06,090  
different place than most souls that I

1602  
01:15:10,759 --> 01:15:08,550  
see so let's go to this place that he's

1603  
01:15:15,200 --> 01:15:10,769  
in is is like in a place where he's sort

1604  
01:15:18,950 --> 01:15:15,210  
of stuck not limbo but just kind of like

1605  
01:15:20,509 --> 01:15:18,960  
has to feel these things that these

1606  
01:15:22,549 --> 01:15:20,519  
people that are left behind with all

1607  
01:15:24,620 --> 01:15:22,559  
this pain he has to feel it constantly

1608  
01:15:27,049 --> 01:15:24,630  
and I know he's trying to change to turn

1609  
01:15:28,819 --> 01:15:27,059  
things around and change things but it's

1610  
01:15:31,069 --> 01:15:28,829  
a long haul for him I don't know it just

1611  
01:15:32,750 --> 01:15:31,079  
feels like that I also feel that people

1612  
01:15:34,399 --> 01:15:32,760  
in that town you know remember what

1613  
01:15:38,209 --> 01:15:34,409

happened and there are some people that

1614

01:15:41,299 --> 01:15:38,219

during that period of time feel almost

1615

01:15:45,529 --> 01:15:41,309

him like walking by like the almost seen

1616

01:15:47,689 --> 01:15:45,539

one street still so hmm is a strong

1617

01:15:50,479 --> 01:15:47,699

energy they're strong strong thing there

1618

01:15:53,419 --> 01:15:50,489

anyway yes but I got you know George

1619

01:15:55,220 --> 01:15:53,429

this is really good information and I

1620

01:15:58,160 --> 01:15:55,230

think what people need to understand

1621

01:16:01,129 --> 01:15:58,170

about these dark entities is that they

1622

01:16:03,140 --> 01:16:01,139

can be very seductive and absolutely you

1623

01:16:04,430 --> 01:16:03,150

know they can they can tell you well do

1624

01:16:06,589 --> 01:16:04,440

this I mean they don't come out and say

1625

01:16:08,660 --> 01:16:06,599

do this but that's that nudging you talk

1626

01:16:11,000 --> 01:16:08,670

about the pushing people in a certain

1627

01:16:13,279 --> 01:16:11,010

direction to act in a certain way with

1628

01:16:14,959 --> 01:16:13,289

promises of power or superiority or

1629

01:16:18,290 --> 01:16:14,969

whatever the heck it is they're into

1630

01:16:21,350 --> 01:16:18,300

right that's how they they continue

1631

01:16:22,439 --> 01:16:21,360

along this relationship path with people

1632

01:16:25,740 --> 01:16:22,449

like Jean

1633

01:16:27,600 --> 01:16:25,750

very heart and they hook them in and

1634

01:16:29,040 --> 01:16:27,610

like you said it wasn't a full

1635

01:16:31,200 --> 01:16:29,050

possession I believe you're absolutely

1636

01:16:34,439 --> 01:16:31,210

right about that this was more of a

1637

01:16:37,919 --> 01:16:34,449

partnership but that entity definitely

1638

01:16:40,410 --> 01:16:37,929

had the upper hand so it's again a good

1639

01:16:43,350 --> 01:16:40,420

example of not getting involved in these

1640

01:16:46,740 --> 01:16:43,360

these types of energies it's something

1641

01:16:49,800 --> 01:16:46,750

to stay long way away from and yeah

1642

01:16:52,620 --> 01:16:49,810

those darker forces are those darker

1643

01:16:55,950 --> 01:16:52,630

forces are always looking for a crack up

1644

01:16:58,169 --> 01:16:55,960

for like a weakness in you yeah that's

1645

01:17:00,630 --> 01:16:58,179

exactly what they're looking for

1646

01:17:02,820 --> 01:17:00,640

yeah and yeah that's absolutely right

1647

01:17:04,950 --> 01:17:02,830

and oh my goodness is there anything

1648

01:17:07,500 --> 01:17:04,960

else that you pick up on the overall

1649

01:17:09,510 --> 01:17:07,510

issue of this entity and how it was

1650

01:17:10,860 --> 01:17:09,520

using gene and how it overpowered the

1651  
01:17:12,810 --> 01:17:10,870  
system I mean this is a very powerful

1652  
01:17:15,780 --> 01:17:12,820  
entity yeah well I think that Michael

1653  
01:17:17,880 --> 01:17:15,790  
was saying about clouding and sort of

1654  
01:17:20,100 --> 01:17:17,890  
like cloaking things and all of that

1655  
01:17:22,740 --> 01:17:20,110  
yeah I was absolutely accurate I really

1656  
01:17:24,930 --> 01:17:22,750  
felt that I feel like this he was able

1657  
01:17:27,060 --> 01:17:24,940  
to travel in the area that he lived in

1658  
01:17:30,209 --> 01:17:27,070  
or wherever this was but the cave was

1659  
01:17:34,520 --> 01:17:30,219  
and his town and all that and there's

1660  
01:17:37,260 --> 01:17:34,530  
just kind of a haze almost that that

1661  
01:17:39,300 --> 01:17:37,270  
anyone who knew him or suspected him

1662  
01:17:41,160 --> 01:17:39,310  
they were kind of fearful and not say

1663  
01:17:46,080 --> 01:17:41,170

anything I also feel like there was

1664

01:17:48,330 --> 01:17:46,090

somebody else involved dad had um oh man

1665

01:17:51,840 --> 01:17:48,340

some type of medicine were where they

1666

01:17:54,330 --> 01:17:51,850

could arm I don't know I just feel like

1667

01:17:56,550 --> 01:17:54,340

somebody is crying but almost like a

1668

01:17:59,100 --> 01:17:56,560

medicine man that is crying because they

1669

01:18:01,250 --> 01:17:59,110

had something to do with his learning

1670

01:18:03,479 --> 01:18:01,260

and maybe doing it prematurely or

1671

01:18:05,430 --> 01:18:03,489

something of that and he wasn't ready

1672

01:18:07,560 --> 01:18:05,440

even though he's seemed to be ready I

1673

01:18:10,020 --> 01:18:07,570

feel that he could win you over I feel

1674

01:18:11,850 --> 01:18:10,030

that gene can win you over pretty easily

1675

01:18:14,180 --> 01:18:11,860

you know it seemed like a all right guy

1676

01:18:17,400 --> 01:18:14,190

and whoever took him on to teach him I

1677

01:18:19,950 --> 01:18:17,410

feel is sort of sad because of you know

1678

01:18:22,410 --> 01:18:19,960

didn't it was too premature and didn't

1679

01:18:25,890 --> 01:18:22,420

see it you know or gene was able to snow

1680

01:18:28,830 --> 01:18:25,900

him or the note he's not everybody in

1681

01:18:30,720 --> 01:18:28,840

Patricia you remarked on you know there

1682

01:18:33,720 --> 01:18:30,730

was like a thousand or more people at

1683

01:18:35,489 --> 01:18:33,730

his funeral it was he was very supported

1684

01:18:39,719 --> 01:18:35,499

people were raising money

1685

01:18:41,939 --> 01:18:39,729

- for his defense it was crazy yeah it

1686

01:18:44,399 --> 01:18:41,949

was slackening well yeah it was crazy

1687

01:18:47,549 --> 01:18:44,409

the hard part is when you take a look at

1688

01:18:49,589 --> 01:18:47,559

somebody like him he's like pancake he's

1689

01:18:52,379 --> 01:18:49,599

got the two sides to him depends on what

1690

01:18:55,500 --> 01:18:52,389

side he's trying to show people this man

1691

01:18:57,209 --> 01:18:55,510

was extremely intelligent but he knew

1692

01:18:59,009 --> 01:18:57,219

how to manipulate people he would live

1693

01:19:01,169 --> 01:18:59,019

in his head to watch what others did and

1694

01:19:04,439 --> 01:19:01,179

he would turn around and use it against

1695

01:19:06,089 --> 01:19:04,449

them this a lot of us came across thank

1696

01:19:09,839 --> 01:19:06,099

you for giving me Rene his mother's

1697

01:19:11,850 --> 01:19:09,849

birthday because his mother had major

1698

01:19:14,640 --> 01:19:11,860

issues with men in her lifetime and she

1699

01:19:17,100 --> 01:19:14,650

had many things to say which actually

1700

01:19:20,489 --> 01:19:17,110

tormented him throughout his life and

1701

01:19:22,529 --> 01:19:20,499

the ironic part is she died in her four

1702

01:19:24,270 --> 01:19:22,539

year which dealt with some major health

1703

01:19:27,350 --> 01:19:24,280

issues that she was never able to

1704

01:19:30,299 --> 01:19:27,360

release because of him mm-hmm

1705

01:19:33,089 --> 01:19:30,309

interesting oh my gosh

1706

01:19:35,489 --> 01:19:33,099

oh god yes I mean this is a wonderful

1707

01:19:37,859 --> 01:19:35,499

discussion to have on a very difficult

1708

01:19:39,479 --> 01:19:37,869

difficult subject and George we heard

1709

01:19:43,290 --> 01:19:39,489

the emotion in your voice as you

1710

01:19:45,870 --> 01:19:43,300

contacted Lorie and Michelle and Denis

1711

01:19:47,459 --> 01:19:45,880

and and again yeah thank you enough I

1712

01:19:49,709 --> 01:19:47,469

know how hard that is when you're

1713

01:19:53,430 --> 01:19:49,719

talking to people on the side who had a

1714

01:19:55,589 --> 01:19:53,440

very traumatic passing such as this and

1715

01:19:57,629 --> 01:19:55,599

it's not easy I know yeah it's how I

1716

01:20:00,930 --> 01:19:57,639

could be kind of difficult at times I

1717

01:20:04,290 --> 01:20:00,940

feel a lot of it you know I just uh so

1718

01:20:06,779 --> 01:20:04,300

yeah these are hard ones I bet yeah yeah

1719

01:20:09,149 --> 01:20:06,789

it's it's very difficult and I just want

1720

01:20:12,419 --> 01:20:09,159

to keep honoring their memory over this

1721

01:20:15,810 --> 01:20:12,429

absolutely because they are the light

1722

01:20:18,209 --> 01:20:15,820

they are the innocent little girls in

1723

01:20:20,339 --> 01:20:18,219

this that we always have to remember the

1724

01:20:22,939 --> 01:20:20,349

light always wins and as you mentioned

1725

01:20:25,469 --> 01:20:22,949

they are in the light and lorries is

1726

01:20:27,719 --> 01:20:25,479

specifically is still with her mother

1727

01:20:31,100 --> 01:20:27,729

and helping her mother on her journey

1728

01:20:34,529 --> 01:20:31,110

even now and and that's that's a very

1729

01:20:36,989 --> 01:20:34,539

beautiful thing to know but the rest of

1730

01:20:37,649 --> 01:20:36,999

this my goodness I can't thank all of

1731

01:20:41,640 --> 01:20:37,659

you enough

1732

01:20:45,120 --> 01:20:41,650

Renee Michael George P K for all of your

1733

01:20:48,180 --> 01:20:45,130

insights and all of the deeper messages

1734

01:20:48,990 --> 01:20:48,190

of this this is the battle the light and

1735

01:20:51,630 --> 01:20:49,000

the darkness

1736

01:20:54,210 --> 01:20:51,640

how conscious do you want to be and can

1737

01:20:55,290 --> 01:20:54,220

you be and can you live your life with

1738

01:20:59,460 --> 01:20:55,300

an open heart

1739

01:21:01,500 --> 01:20:59,470

can you walk the path with a heart as we

1740

01:21:03,540 --> 01:21:01,510

all are able to contact more and more of

1741

01:21:06,480 --> 01:21:03,550

these energies we need to ask ourselves

1742

01:21:09,750 --> 01:21:06,490

that question can we walk the path with

1743

01:21:12,630 --> 01:21:09,760

a heart thank you everybody for this

1744

01:21:14,910 --> 01:21:12,640

evenings discussion on the Oklahoma Girl

1745

01:21:18,060 --> 01:21:14,920

Scout murders thank you for joining us

1746

01:21:20,700 --> 01:21:18,070

and we will be back next week in the
