

Supernatural **GIRLZ**

WHERE PARANORMAL IS NORMAL

Host **PATRICIA BAKER**

Dr. William Tiller

1
00:00:23,750 --> 00:00:03,290
you're listening to IRA the inception

2
00:00:29,880 --> 00:00:27,840
archangels ghosts and Bigfoot oh hi it's

3
00:00:33,270 --> 00:00:29,890
just another night for Supernatural

4
00:00:35,430 --> 00:00:33,280
girls real stories real answers to

5
00:00:39,060 --> 00:00:35,440
life's biggest supernatural mysteries

6
00:00:41,910 --> 00:00:39,070
and a loser exciting with paranormal

7
00:00:58,520 --> 00:00:41,920
experts in this world and others here's

8
00:01:02,430 --> 00:00:58,530
your host welcome everyone to another

9
00:01:03,600 --> 00:01:02,440
exciting episode of Supernatural girls I

10
00:01:06,149 --> 00:01:03,610
am your host

11
00:01:10,230 --> 00:01:06,159
Patricia Baker and I am here with my

12
00:01:14,219 --> 00:01:10,240
fabulous numerology expert and co-host

13
00:01:17,730 --> 00:01:14,229

PK hai PK how are you tonight absolutely

14

00:01:20,149 --> 00:01:17,740

fabulous it's only 107 here today oh my

15

00:01:23,880 --> 00:01:20,159

gosh doesn't it make you melt

16

00:01:26,190 --> 00:01:23,890

I'm losing weight really quick Wow I

17

00:01:33,139 --> 00:01:26,200

guess that's one way to do it huh you

18

00:01:39,240 --> 00:01:36,270

so tonight oh my goodness so many

19

00:01:42,660 --> 00:01:39,250

exciting things to talk about we have an

20

00:01:45,599 --> 00:01:42,670

extraordinary gasps dr. William Teller

21

00:01:48,230 --> 00:01:45,609

and he is from the tiller Institute and

22

00:01:52,020 --> 00:01:48,240

he's is going to talk to us tonight

23

00:01:54,060 --> 00:01:52,030

about the power of intention now we've

24

00:01:56,039 --> 00:01:54,070

heard about the power of intention and

25

00:01:59,010 --> 00:01:56,049

what you think you create and all of

26

00:02:01,080 --> 00:01:59,020

those things but bill is going to get

27

00:02:02,849 --> 00:02:01,090

down to brass tacks with us and share

28

00:02:05,760 --> 00:02:02,859

with us some of his scientific research

29

00:02:07,469 --> 00:02:05,770

and what he has found

30

00:02:09,060 --> 00:02:07,479

it's remarkable you and I've been

31

00:02:12,540 --> 00:02:09,070

reading all the white papers on this

32

00:02:15,780 --> 00:02:12,550

watching the videos it's really exciting

33

00:02:17,450 --> 00:02:15,790

work and I'm so glad we're able to talk

34

00:02:20,990 --> 00:02:17,460

with him tonight so our audience can

35

00:02:25,050 --> 00:02:21,000

hear all of this it is groundbreaking

36

00:02:28,710 --> 00:02:25,060

yes yes so we're gonna bring bill on in

37

00:02:30,300 --> 00:02:28,720

just a few minutes but first I wanted to

38

00:02:32,100 --> 00:02:30,310

go back to our show for a minute

39

00:02:35,670 --> 00:02:32,110

last week we talked about the Oklahoma

40

00:02:37,979 --> 00:02:35,680

Girl Scout murders mmm we had a really

41

00:02:40,100 --> 00:02:37,989

terrific lineup of guests and one of

42

00:02:42,780 --> 00:02:40,110

them was Native American medicine man

43

00:02:45,240 --> 00:02:42,790

Michael Bastien who's a good friend of

44

00:02:48,059 --> 00:02:45,250

ours very close to us and a wonderful

45

00:02:49,949 --> 00:02:48,069

human being and one of the things he

46

00:02:54,000 --> 00:02:49,959

said I want to bring back around is

47

00:02:57,509 --> 00:02:54,010

about your ability PK to work with the

48

00:03:01,530 --> 00:02:57,519

numbers and really assess a personality

49

00:03:03,030 --> 00:03:01,540

what this person is capable of and on

50

00:03:04,680 --> 00:03:03,040

down the line because what we were

51
00:03:06,660 --> 00:03:04,690
talking about last week if you haven't

52
00:03:08,070 --> 00:03:06,670
heard the show everybody go back and

53
00:03:12,630 --> 00:03:08,080
listen to it in the archives it was

54
00:03:16,470 --> 00:03:12,640
amazing but Michael said if the medicine

55
00:03:21,539 --> 00:03:16,480
man who had trained the alleged murderer

56
00:03:23,550 --> 00:03:21,549
and all of these types of magic from

57
00:03:27,120 --> 00:03:23,560
Native American tradition if he had had

58
00:03:30,390 --> 00:03:27,130
access to piqué and piqué what you could

59
00:03:32,940 --> 00:03:30,400
have told him about this alleged

60
00:03:35,160 --> 00:03:32,950
murderer then Michael said all of this

61
00:03:38,789 --> 00:03:35,170
may have been avoided it was a very

62
00:03:41,009 --> 00:03:38,799
powerful state very powerful and again

63
00:03:44,670 --> 00:03:41,019

knowledge is power and PK you're able to

64

00:03:47,520 --> 00:03:44,680

really offer that type of deep insight

65

00:03:49,410 --> 00:03:47,530

about personalities and this is

66

00:03:51,780 --> 00:03:49,420

something that Michael said medicine men

67

00:03:53,729 --> 00:03:51,790

and women need to be very cautious of

68

00:03:55,170 --> 00:03:53,739

when they take on an apprentice they

69

00:03:58,680 --> 00:03:55,180

need to make sure they're working with a

70

00:04:01,170 --> 00:03:58,690

stable individual and unfortunately that

71

00:04:03,720 --> 00:04:01,180

didn't happen and these three little

72

00:04:06,240 --> 00:04:03,730

girls but it costs them their lives

73

00:04:09,420 --> 00:04:06,250

so anyways but again I want to

74

00:04:11,580 --> 00:04:09,430

acknowledge you PK for your ability to

75

00:04:14,340 --> 00:04:11,590

assess personality and to also provide

76

00:04:18,599 --> 00:04:14,350

insight into people's lives so if you

77

00:04:22,020 --> 00:04:18,609

want to reach out to PK her website is

78

00:04:25,020 --> 00:04:22,030

Patricia Kirkman dot-com and Patricia

79

00:04:26,640 --> 00:04:25,030

you offer readings and all kinds of

80

00:04:28,529 --> 00:04:26,650

insight about business and things like

81

00:04:30,120 --> 00:04:28,539

that but I just wanted to bring that

82

00:04:33,420 --> 00:04:30,130

back around it was a really important

83

00:04:35,219 --> 00:04:33,430

statement that Michael made and it was a

84

00:04:37,320 --> 00:04:35,229

great show everybody so go back and

85

00:04:40,589 --> 00:04:37,330

listen if you missed it our archives are

86

00:04:43,590 --> 00:04:40,599

on our website supernatural girls with a

87

00:04:47,010 --> 00:04:43,600

Z comm they are also on inception ray

88

00:04:50,370 --> 00:04:47,020

network.com so you can listen at your

89

00:04:52,320 --> 00:04:50,380

leisure and inception also offers apps

90

00:04:54,600 --> 00:04:52,330

for your smartphone again every

91

00:04:57,180 --> 00:04:54,610

everything so convenient these days it's

92

00:04:59,130 --> 00:04:57,190

amazing I love it so be sure to also

93

00:05:01,320 --> 00:04:59,140

sign up for our newsletter the fringe

94

00:05:03,960 --> 00:05:01,330

files which you can find at supernatural

95

00:05:05,670 --> 00:05:03,970

girls comm you'll get a weekly just a

96

00:05:08,790 --> 00:05:05,680

once a week newsletter updating you on

97

00:05:11,370 --> 00:05:08,800

the show any new paranormal stuff going

98

00:05:13,080 --> 00:05:11,380

on and it's well worth spending a few

99

00:05:14,580 --> 00:05:13,090

minutes just giving us your email

100

00:05:17,850 --> 00:05:14,590

address you can cancel it at any time

101

00:05:20,760 --> 00:05:17,860

but it's there if you would like to join

102

00:05:22,560 --> 00:05:20,770

our community so Patricia what's going

103

00:05:24,570 --> 00:05:22,570

on for the numbers tomorrow what do we

104

00:05:26,070 --> 00:05:24,580

got happening well you might just as

105

00:05:27,180 --> 00:05:26,080

well get your work clothes on because

106

00:05:29,730 --> 00:05:27,190

that's what it's all about

107

00:05:31,740 --> 00:05:29,740

putting things together working in

108

00:05:34,470 --> 00:05:31,750

clearing the deck for things that you've

109

00:05:36,240 --> 00:05:34,480

had ongoing for a while and it's a good

110

00:05:39,750 --> 00:05:36,250

time to take a good look at your overall

111

00:05:41,670 --> 00:05:39,760

feelings of well-being practice

112

00:05:43,560 --> 00:05:41,680

breathing it's gonna sound crazy but

113

00:05:45,240 --> 00:05:43,570

that's the best thing you can do because

114

00:05:46,830 --> 00:05:45,250

as you bring in that breath you clear

115

00:05:49,170 --> 00:05:46,840

out a lot of the negativity that you're

116

00:05:52,650 --> 00:05:49,180

holding on to but you're gonna find out

117

00:05:54,750 --> 00:05:52,660

that exercise is not what's what

118

00:05:57,000 --> 00:05:54,760

tomorrow is all about in fact get a

119

00:05:59,220 --> 00:05:57,010

shovel dig your flowers out do whatever

120

00:06:02,310 --> 00:05:59,230

you need to do that way but that's the

121

00:06:04,320 --> 00:06:02,320

best you can do clean a closet make it

122

00:06:06,330 --> 00:06:04,330

make it yourself feel good about what

123

00:06:07,830 --> 00:06:06,340

you're doing and you're gonna feel great

124

00:06:10,230 --> 00:06:07,840

the following day when you've got that

125

00:06:12,600 --> 00:06:10,240

spare time so it's all about

126
00:06:16,500 --> 00:06:12,610
accomplishing some tasks something

127
00:06:17,760 --> 00:06:16,510
whatever it is the good thing about it

128
00:06:20,250 --> 00:06:17,770
is what you're doing all that work

129
00:06:23,130 --> 00:06:20,260
you're able to stop and think and start

130
00:06:24,720 --> 00:06:23,140
using all these questions that are

131
00:06:27,420 --> 00:06:24,730
floating around in the mind everybody's

132
00:06:30,780 --> 00:06:27,430
read review and redoing because this

133
00:06:33,120 --> 00:06:30,790
month is a review of last year so kind

134
00:06:35,420 --> 00:06:33,130
of pick up what you lost and didn't keep

135
00:06:38,520 --> 00:06:35,430
track of and get it put back together

136
00:06:40,020 --> 00:06:38,530
it's a band-aid sounds like a good

137
00:06:42,540 --> 00:06:40,030
opportunity though it really it is

138
00:06:44,340 --> 00:06:42,550

definitely a good opportunity sounds

139

00:06:46,470 --> 00:06:44,350

good to review that well excellent well

140

00:06:48,720 --> 00:06:46,480

thank you so much for that that's great

141

00:06:50,780 --> 00:06:48,730

well know now what to do tomorrow how to

142

00:06:52,950 --> 00:06:50,790

use that energy to our best advantage

143

00:06:54,480 --> 00:06:52,960

and I will also wanted to mention we

144

00:06:56,370 --> 00:06:54,490

have just a little bit of paranormal

145

00:06:57,279 --> 00:06:56,380

news and it's you know normally don't

146

00:06:59,799 --> 00:06:57,289

talk about these

147

00:07:01,689 --> 00:06:59,809

the things with conspiracy type stuff we

148

00:07:05,439 --> 00:07:01,699

wait time to stay away from that right

149

00:07:09,489 --> 00:07:05,449

pk definitely but I have to mention this

150

00:07:11,109 --> 00:07:09,499

because it's so odd we have been reading

151
00:07:13,059 --> 00:07:11,119
this and following this the last couple

152
00:07:16,059 --> 00:07:13,069
weeks you and I that there have been a

153
00:07:19,450 --> 00:07:16,069
number of doctors that have been

154
00:07:24,429 --> 00:07:19,460
murdered in Florida diver missing eight

155
00:07:26,439 --> 00:07:24,439
are dead and some people that I've got

156
00:07:29,049 --> 00:07:26,449
this from some health news sites like

157
00:07:33,749 --> 00:07:29,059
health Ranger etc some people are

158
00:07:38,320 --> 00:07:33,759
linking it to these doctors knowledge of

159
00:07:41,649 --> 00:07:38,330
the nagare enzyme and how that is a big

160
00:07:46,809 --> 00:07:41,659
part of creating chronic disease cancer

161
00:07:48,969 --> 00:07:46,819
autism Alzheimer's and the product

162
00:07:50,829 --> 00:07:48,979
called GcMAF

163
00:07:52,299 --> 00:07:50,839

if you guys haven't heard about it get

164

00:07:54,790 --> 00:07:52,309

up on the internet and read about it it

165

00:07:57,939 --> 00:07:54,800

is fascinating product this was

166

00:08:01,089 --> 00:07:57,949

discovered by dr. Yamamoto in Japan

167

00:08:03,489 --> 00:08:01,099

years ago but his research was covered

168

00:08:05,619 --> 00:08:03,499

up and now it's coming back again

169

00:08:08,619 --> 00:08:05,629

doctors in Europe and in the United

170

00:08:11,139 --> 00:08:08,629

States are starting to use GcMAF to

171

00:08:13,320 --> 00:08:11,149

treat all kinds of things all the things

172

00:08:16,239 --> 00:08:13,330

I just mentioned that are so devastating

173

00:08:18,249 --> 00:08:16,249

getting good results and this is a

174

00:08:22,480 --> 00:08:18,259

natural product with no side effects so

175

00:08:24,459 --> 00:08:22,490

you can imagine you can easily connect

176

00:08:27,369 --> 00:08:24,469

the dots as to why some of these doctors

177

00:08:32,379 --> 00:08:27,379

might have been taken out I hate to

178

00:08:35,379 --> 00:08:32,389

think that way but pharmacology is big

179

00:08:36,819 --> 00:08:35,389

business or isn't it though you know

180

00:08:40,029 --> 00:08:36,829

they don't want cures they want

181

00:08:43,689 --> 00:08:40,039

customers I think so that's and I know

182

00:08:45,550 --> 00:08:43,699

you agree it's difficult we want to be

183

00:08:47,350 --> 00:08:45,560

good health consumers learn how to make

184

00:08:49,990 --> 00:08:47,360

better lifestyle choices take care of

185

00:08:52,840 --> 00:08:50,000

ourselves and but when something happens

186

00:08:55,900 --> 00:08:52,850

we'd like to have a treatment without

187

00:08:58,990 --> 00:08:55,910

all the side effects so this is a very

188

00:09:02,699 --> 00:08:59,000

strange story and it's worth following

189

00:09:05,829 --> 00:09:02,709

everybody and it is worth investigating

190

00:09:07,060 --> 00:09:05,839

GcMAF there is a lot of information on

191

00:09:09,640 --> 00:09:07,070

the internet about it

192

00:09:11,620 --> 00:09:09,650

right now it's almost like I think in

193

00:09:13,990 --> 00:09:11,630

some ways if there's somebody offering

194

00:09:15,520 --> 00:09:14,000

these doctors and it's working against

195

00:09:20,230 --> 00:09:15,530

them because it's just serving to bring

196

00:09:22,710 --> 00:09:20,240

more attention to GcMAF so look it up

197

00:09:25,150 --> 00:09:22,720

everybody it's a very interesting

198

00:09:27,930 --> 00:09:25,160

treatment and again with no side effects

199

00:09:32,230 --> 00:09:27,940

so that's something to check out

200

00:09:34,480 --> 00:09:32,240

it's not a scary part is that this has a

201
00:09:38,410 --> 00:09:34,490
month is a seven which deals with

202
00:09:40,450 --> 00:09:38,420
secrets or secretiveness so that adds

203
00:09:43,990 --> 00:09:40,460
even more to paying attention to what's

204
00:09:49,090 --> 00:09:44,000
really taking place okay so it is right

205
00:09:50,590 --> 00:09:49,100
in line mm-hmm yes so and we have to

206
00:09:52,240 --> 00:09:50,600
take our health into our own hands we

207
00:09:54,880 --> 00:09:52,250
decide my opinion you got to take

208
00:09:59,560 --> 00:09:54,890
responsibility and not just expect a

209
00:10:01,420 --> 00:09:59,570
single pill to be a magic you know cure

210
00:10:04,810 --> 00:10:01,430
sometimes it can be I'm sure but that's

211
00:10:06,580 --> 00:10:04,820
not the usual way we got dig our dig in

212
00:10:09,220 --> 00:10:06,590
and roll up our sleeves and find out

213
00:10:13,090 --> 00:10:09,230

what the best treatment is for us so

214

00:10:16,720 --> 00:10:13,100

anyways that's the news so let's move on

215

00:10:19,720 --> 00:10:16,730

because we have again an excellent guest

216

00:10:23,770 --> 00:10:19,730

tonight we're very honored to have with

217

00:10:27,610 --> 00:10:23,780

us dr. William tiller he is an expert in

218

00:10:29,320 --> 00:10:27,620

the field of psycho energetics and he's

219

00:10:31,120 --> 00:10:29,330

so many things and he's a hardcore

220

00:10:33,040 --> 00:10:31,130

scientist that's how he started out he

221

00:10:35,380 --> 00:10:33,050

was followed to the American Academy for

222

00:10:38,140 --> 00:10:35,390

the Advancement of science professor

223

00:10:40,030 --> 00:10:38,150

emeritus he's again bill teller of

224

00:10:43,020 --> 00:10:40,040

Stanford University's Department of

225

00:10:46,870 --> 00:10:43,030

material science spent 34 years in

226

00:10:49,470 --> 00:10:46,880

academia after nine years as an advisory

227

00:10:52,750 --> 00:10:49,480

physicist with the Westinghouse research

228

00:10:54,760 --> 00:10:52,760

laboratories he has published over 250

229

00:10:57,430 --> 00:10:54,770

conventional scientific papers three

230

00:10:59,920 --> 00:10:57,440

books and several patents well I could

231

00:11:01,600 --> 00:10:59,930

just go on and on about dr. tiller here

232

00:11:05,920 --> 00:11:01,610

but then we'd never get to talk to him

233

00:11:09,730 --> 00:11:05,930

so I think everybody you're getting the

234

00:11:12,720 --> 00:11:09,740

feel for who dr. tiller is bill welcome

235

00:11:16,690 --> 00:11:12,730

to the show nice to be here

236

00:11:19,550 --> 00:11:16,700

we're so lucky to have you tonight yes I

237

00:11:22,190 --> 00:11:19,560

think you need to understand

238

00:11:25,190 --> 00:11:22,200

that I questioned what you call

239

00:11:33,410 --> 00:11:25,200

paranormal girls because all girls are

240

00:11:35,420 --> 00:11:33,420

paranormal like oh he's a smart man give

241

00:11:37,910 --> 00:11:35,430

us the compliments that we want to hear

242

00:11:41,450 --> 00:11:37,920

right well thank you bill

243

00:11:43,310 --> 00:11:41,460

now you've had it's not just what you're

244

00:11:46,280 --> 00:11:43,320

sharing with us tonight it's who you are

245

00:11:48,890 --> 00:11:46,290

I mean you have made some very

246

00:11:50,810 --> 00:11:48,900

interesting choices and it really stuck

247

00:11:53,630 --> 00:11:50,820

your neck out in a lot of ways with

248

00:11:56,300 --> 00:11:53,640

psychoenergetic science tell us about

249

00:12:00,950 --> 00:11:56,310

you you started out as an Orthodox

250

00:12:04,100 --> 00:12:00,960

scientist what happened well it's an

251

00:12:06,140 --> 00:12:04,110

interesting adventure and of course my

252

00:12:08,540 --> 00:12:06,150

Stanford colleagues at the moment think

253

00:12:11,030 --> 00:12:08,550

of me as a heretic which is okay I

254

00:12:15,160 --> 00:12:11,040

suppose I am at least in this lifetime

255

00:12:19,910 --> 00:12:15,170

and probably have been another lifetimes

256

00:12:22,700 --> 00:12:19,920

in any event the the issue is there is

257

00:12:26,290 --> 00:12:22,710

today's Orthodox science which is stuck

258

00:12:31,690 --> 00:12:26,300

in the box of distance time only and

259

00:12:36,590 --> 00:12:31,700

they're trapped in that box we are

260

00:12:43,090 --> 00:12:36,600

moving towards a much greater aspect of

261

00:12:47,210 --> 00:12:43,100

understanding of nature and eventually

262

00:12:55,730 --> 00:12:47,220

you folks the people who pay the for the

263

00:12:57,380 --> 00:12:55,740

freight you will urge them strongly if

264

00:12:59,930 --> 00:12:57,390

you're wise to get out of the box

265

00:13:02,540 --> 00:12:59,940

because the universe is much bigger than

266

00:13:09,290 --> 00:13:02,550

they think it is anyway well how did I

267

00:13:10,990 --> 00:13:09,300

get to move in this direction yeah other

268

00:13:15,110 --> 00:13:11,000

than the fact that this stuff was always

269

00:13:19,550 --> 00:13:15,120

interesting to me and I thought of it as

270

00:13:23,019 --> 00:13:19,560

just not understood not scientifically

271

00:13:25,519 --> 00:13:23,029

understood and when gene and I left

272

00:13:27,770 --> 00:13:25,529

Westinghouse and I went we went to

273

00:13:30,410 --> 00:13:27,780

Stanford with our two kids in the back

274

00:13:32,920 --> 00:13:30,420

of the car as we were driving across the

275

00:13:35,920 --> 00:13:32,930

country gene said bill when we

276

00:13:39,160 --> 00:13:35,930

to California let's try to pull together

277

00:13:41,680 --> 00:13:39,170

our spiritual life I said sure that

278

00:13:46,750 --> 00:13:41,690

sounds fine let's try to do that so the

279

00:13:50,079 --> 00:13:46,760

way we we set out to do that was to get

280

00:13:53,560 --> 00:13:50,089

involved and come to an understanding of

281

00:13:56,380 --> 00:13:53,570

Edgar Cayce originally called the

282

00:13:57,850 --> 00:13:56,390

miracle man from Virginia Beach and of

283

00:14:00,930 --> 00:13:57,860

course I don't think of these things as

284

00:14:06,130 --> 00:14:00,940

miracles I think I'm just as new physics

285

00:14:09,720 --> 00:14:06,140

so in any event we started down this

286

00:14:13,449 --> 00:14:09,730

path by becoming daily meditators and

287

00:14:18,100 --> 00:14:13,459

that was a very powerful renewal in this

288

00:14:21,070 --> 00:14:18,110

lifetime for us and it was a joyful

289

00:14:23,650 --> 00:14:21,080

experience any particular type of

290

00:14:25,750 --> 00:14:23,660

meditation that you did we used Edgar

291

00:14:29,889 --> 00:14:25,760

Cayce this approach to it hit a very

292

00:14:35,139 --> 00:14:29,899

simple procedure and we followed his

293

00:14:41,670 --> 00:14:35,149

procedure and we would change it when we

294

00:14:47,230 --> 00:14:41,680

felt it needed more oomph or needed to

295

00:14:50,490 --> 00:14:47,240

move along in path with our growing

296

00:14:54,610 --> 00:14:50,500

level of consciousness by the

297

00:14:57,220 --> 00:14:54,620

experiences of our life as we dug deeper

298

00:14:59,829 --> 00:14:57,230

and deeper into this level of

299

00:15:06,100 --> 00:14:59,839

understanding which I call inner self

300

00:15:12,640 --> 00:15:06,110

management and I got sabbatical at the

301

00:15:18,000 --> 00:15:12,650

end of the 1960s and so I and my family

302

00:15:23,650 --> 00:15:18,010

went to England I was on a Fulbright

303

00:15:28,690 --> 00:15:26,020

as I got on the airplane I picked up

304

00:15:31,300 --> 00:15:28,700

this book psychic discovers behind the

305

00:15:34,360 --> 00:15:31,310

Iron Curtain by Austrian Durand Schroder

306

00:15:37,000 --> 00:15:34,370

ethically it's a great book I knew a

307

00:15:40,030 --> 00:15:37,010

great deal about that book or about the

308

00:15:43,840 --> 00:15:40,040

topics of that book I had been exploring

309

00:15:46,390 --> 00:15:43,850

this area of activity theoretically for

310

00:15:50,740 --> 00:15:46,400

some time and communicating with people

311

00:15:53,230 --> 00:15:50,750

around the world on this topic and as I

312

00:15:56,860 --> 00:15:53,240

was reading the book I was very

313

00:16:03,960 --> 00:15:56,870

impressed with what the Russians were

314

00:16:08,230 --> 00:16:03,970

doing they used the word psychoenergetic

315

00:16:09,520 --> 00:16:08,240

in order that their masters would think

316

00:16:14,290 --> 00:16:09,530

that they were doing something

317

00:16:17,500 --> 00:16:14,300

meaningful and useful and so I have

318

00:16:20,650 --> 00:16:17,510

picked up the use of that word that's

319

00:16:23,860 --> 00:16:20,660

where it came from for me but burnt way

320

00:16:28,030 --> 00:16:23,870

along this path I sort of had a thought

321

00:16:31,000 --> 00:16:28,040

in my head which indicated how might the

322

00:16:34,480 --> 00:16:31,010

universe be constructed to allow this

323

00:16:39,520 --> 00:16:34,490

crazy seeming kind of stuff to naturally

324

00:16:41,470 --> 00:16:39,530

coexist with the court the Orthodox

325

00:16:48,870 --> 00:16:41,480

science that I was doing every day at

326

00:16:53,590 --> 00:16:48,880

Stanford with my PhD students and to

327

00:16:55,920 --> 00:16:53,600

Oxford in England I basically started to

328

00:17:00,550 --> 00:16:55,930

write the books I had promised to write

329

00:17:03,040 --> 00:17:00,560

and about three weeks into that I kept

330

00:17:05,770 --> 00:17:03,050

having this thought how might the

331

00:17:09,130 --> 00:17:05,780

universe be constructed to allow this

332

00:17:12,310 --> 00:17:09,140

crazy seeming kind of stuff - naturally

333

00:17:16,950 --> 00:17:12,320

coexist with the Orthodox science I was

334

00:17:20,800 --> 00:17:16,960

doing every day and after a while I

335

00:17:24,880 --> 00:17:20,810

swore a little and said I'm gonna try to

336

00:17:28,990 --> 00:17:24,890

I'm gonna try to find out how this comes

337

00:17:31,480 --> 00:17:29,000

about and I spoke with Jane my wife and

338

00:17:35,160 --> 00:17:31,490

said I'd like us to do this in the

339

00:17:40,650 --> 00:17:35,170

morning I'd like to go into meditation

340

00:17:45,480 --> 00:17:40,660

and hold this statement as a brick in

341

00:17:49,680 --> 00:17:45,490

our as if we're supplicants and ask that

342

00:17:53,430 --> 00:17:49,690

question and see what materializes for

343

00:17:57,480 --> 00:17:53,440

us during the hour and so we did this in

344

00:17:59,250 --> 00:17:57,490

the first day well we came out of

345

00:18:02,610 --> 00:17:59,260

meditation there were of course lots of

346

00:18:06,210 --> 00:18:02,620

other questions and there was no

347

00:18:09,510 --> 00:18:06,220

definitive answer of course but it was a

348

00:18:12,090 --> 00:18:09,520

start and I spent the rest of the day

349

00:18:17,390 --> 00:18:12,100

asking myself questions up in my office

350

00:18:20,610 --> 00:18:17,400

to see if the stuff that came forward

351

00:18:23,750 --> 00:18:20,620

violated any experimental data that I

352

00:18:27,360 --> 00:18:23,760

knew of in nature or that I'd read about

353

00:18:30,890 --> 00:18:27,370

and there was nothing but there were a

354

00:18:35,430 --> 00:18:30,900

number more questions and the second day

355

00:18:38,040 --> 00:18:35,440

I went in we went into meditation I hold

356

00:18:40,770 --> 00:18:38,050

the original brick of the question and a

357

00:18:43,350 --> 00:18:40,780

whole bunch of other questions and by

358

00:18:47,490 --> 00:18:43,360

the end of the hour there was again some

359

00:18:49,770 --> 00:18:47,500

bit of enlightenment in this process and

360

00:18:52,290 --> 00:18:49,780

we would chat about it after coming out

361

00:18:55,530 --> 00:18:52,300

of meditation and she always had good

362

00:18:57,900 --> 00:18:55,540

insights and so I we would talk about it

363

00:19:00,930 --> 00:18:57,910

and then I would go to my study and and

364

00:19:04,610 --> 00:19:00,940

work trying to understand did it vile

365

00:19:07,710 --> 00:19:04,620

violate anything that was present in

366

00:19:10,020 --> 00:19:07,720

experimental data I didn't really care

367

00:19:13,260 --> 00:19:10,030

what people see arete achill data was

368

00:19:15,630 --> 00:19:13,270

doesn't mean it wasn't good but it and

369

00:19:19,800 --> 00:19:15,640

there in this particular topic it didn't

370

00:19:21,930 --> 00:19:19,810

ever seem to me meaningful and so I we

371

00:19:24,120 --> 00:19:21,940

did that every day for six months and at

372

00:19:29,160 --> 00:19:24,130

the end of the six months there was an

373

00:19:32,100 --> 00:19:29,170

answer to the question you're so lucky

374

00:19:34,770 --> 00:19:32,110

because you have you have a wonderful

375

00:19:37,380 --> 00:19:34,780

wife who was able to absolutely do this

376

00:19:40,470 --> 00:19:37,390

with you and I think it's so much more

377

00:19:44,160 --> 00:19:40,480

powerful when you can do this daily with

378

00:19:46,740 --> 00:19:44,170

a partner yes do you think so it's just

379

00:19:48,899 --> 00:19:46,750

absolutely I mean I I could not have

380

00:19:52,669 --> 00:19:48,909

done this without without Jeanne

381

00:19:56,339 --> 00:19:52,679

but the part you're gonna hear yeah

382

00:19:59,279 --> 00:19:56,349

commit commit sir pretty heavily and in

383

00:20:03,239 --> 00:19:59,289

any event the I came to the conclusion

384

00:20:05,789 --> 00:20:03,249

that this area of work was much more

385

00:20:06,599 --> 00:20:05,799

important to humanity than what I was

386

00:20:10,820 --> 00:20:06,609

doing every day

387

00:20:14,519 --> 00:20:10,830

with my PhD students at Stanford and I

388

00:20:16,200 --> 00:20:14,529

know it was risky but I decided well I

389

00:20:18,710 --> 00:20:16,210

first tried to see if I could get

390

00:20:21,330 --> 00:20:18,720

someone else to take on the task

391

00:20:24,479 --> 00:20:21,340

seriously work on this but I didn't

392

00:20:27,330 --> 00:20:24,489

really get any takers I finally decided

393

00:20:30,779 --> 00:20:27,340

it had to be me but I didn't have enough

394

00:20:32,249 --> 00:20:30,789

time to do it I mean I was chairman of

395

00:20:35,399 --> 00:20:32,259

the department I was doing my own

396

00:20:42,019 --> 00:20:35,409

research I had government committees I

397

00:20:48,269 --> 00:20:45,810

so the only thing I could think of to

398

00:20:50,759 --> 00:20:48,279

give me enough time to do this was first

399

00:20:53,430 --> 00:20:50,769

to get rid of my government committees

400

00:20:56,190 --> 00:20:53,440

get rid of my professional committees

401
00:21:00,450 --> 00:20:56,200
and give up being department chair in

402
00:21:03,149 --> 00:21:00,460
order to have time to do my Orthodox

403
00:21:06,950 --> 00:21:03,159
science and as well I do this other

404
00:21:09,960 --> 00:21:06,960
science in parallel and the way I

405
00:21:11,729 --> 00:21:09,970
started down that path of course I upset

406
00:21:17,249 --> 00:21:11,739
my colleagues and all that sort of thing

407
00:21:20,249 --> 00:21:17,259
but fortunately when I took on the post

408
00:21:22,529 --> 00:21:20,259
to Stanford I I joined as a full

409
00:21:26,430 --> 00:21:22,539
professor with tenure which means that

410
00:21:29,969 --> 00:21:26,440
so long as I do my day job and do it

411
00:21:33,210 --> 00:21:29,979
properly then I still had my job and I

412
00:21:35,789 --> 00:21:33,220
needed that to feed my family so anyway

413
00:21:38,820 --> 00:21:35,799

the way I used the extra time is I

414

00:21:44,279 --> 00:21:38,830

divided it into three boxes the first

415

00:21:47,099 --> 00:21:44,289

box was continued to experience all

416

00:21:52,529 --> 00:21:47,109

development of self that is inner self

417

00:21:54,899 --> 00:21:52,539

management the second was to continue to

418

00:21:58,979 --> 00:21:54,909

ask the question how is the universe

419

00:22:01,930 --> 00:21:58,989

constructed to allow all of this stuff -

420

00:22:04,389 --> 00:22:01,940

naturally coexist with Orthodox nine

421

00:22:07,330 --> 00:22:04,399

that is put it in the perspective of

422

00:22:09,810 --> 00:22:07,340

science and the third bird was to do

423

00:22:13,629 --> 00:22:09,820

experiments to keep the theory honest

424

00:22:16,389 --> 00:22:13,639

and I started that in 1971 and I'm still

425

00:22:18,190 --> 00:22:16,399

doing it oh my goodness and you've done

426

00:22:21,310 --> 00:22:18,200

a great job because the research is

427

00:22:24,070 --> 00:22:21,320

compelling and it's consistent as you've

428

00:22:26,200 --> 00:22:24,080

been able to reproduce this over and

429

00:22:29,440 --> 00:22:26,210

over again these really onto something

430

00:22:32,409 --> 00:22:29,450

oh yes I think I think it is the science

431

00:22:39,700 --> 00:22:32,419

of this century and at least the next

432

00:22:41,230 --> 00:22:39,710

century go ahead I wanted to ask you

433

00:22:44,590 --> 00:22:41,240

because Patricia and I pique and I were

434

00:22:47,799 --> 00:22:44,600

talking about this today you know so

435

00:22:49,990 --> 00:22:47,809

many people bill have heard over and

436

00:22:52,840 --> 00:22:50,000

over again that we create our own

437

00:22:54,820 --> 00:22:52,850

reality and if you just change your mind

438

00:22:58,529 --> 00:22:54,830

you'll change a reality and it really

439

00:23:02,379 --> 00:22:58,539

sounds good but all the people that have

440

00:23:04,810 --> 00:23:02,389

read the books listen to seminars etc

441

00:23:06,700 --> 00:23:04,820

etc when you check in with them you say

442

00:23:09,279 --> 00:23:06,710

well did you change your life a lot of

443

00:23:09,610 --> 00:23:09,289

them unfortunately have to say no not

444

00:23:13,120 --> 00:23:09,620

really

445

00:23:17,379 --> 00:23:13,130

so I know that there is tremendous power

446

00:23:19,389 --> 00:23:17,389

in intention and I know what your

447

00:23:21,759 --> 00:23:19,399

experiments are not about what I'm

448

00:23:23,560 --> 00:23:21,769

talking about right now but I do know

449

00:23:26,259 --> 00:23:23,570

that our listeners want to hear from you

450

00:23:28,629 --> 00:23:26,269

on this point it's like why doesn't this

451
00:23:30,669 --> 00:23:28,639
work sometimes when people think they're

452
00:23:32,560 --> 00:23:30,679
putting their intention on something and

453
00:23:34,600 --> 00:23:32,570
they're trying to make a change in their

454
00:23:38,259 --> 00:23:34,610
lives for the better and it just doesn't

455
00:23:40,720 --> 00:23:38,269
pull through well my response to that is

456
00:23:44,950 --> 00:23:40,730
you first have to realize that an

457
00:23:47,259 --> 00:23:44,960
intention is an act of creation it is

458
00:23:50,919 --> 00:23:47,269
not the same as a prayer a prayer is

459
00:23:56,889 --> 00:23:50,929
asking for something an intention is an

460
00:24:00,940 --> 00:23:56,899
act of creation and we all know what the

461
00:24:04,659 --> 00:24:00,950
fruit of working out in a normal gym is

462
00:24:08,110 --> 00:24:04,669
you want to be an athlete you have to do

463
00:24:12,850 --> 00:24:08,120

the exercise you have to do the work if

464

00:24:15,400 --> 00:24:12,860

you want to create you have to learn how

465

00:24:19,180 --> 00:24:15,410

to do it and you have to do the work

466

00:24:22,660 --> 00:24:19,190

I mean it's your job because you're

467

00:24:24,940 --> 00:24:22,670

trying to create something and to create

468

00:24:28,000 --> 00:24:24,950

it you've got to work at it it's not

469

00:24:31,000 --> 00:24:28,010

given to you if it is given to you then

470

00:24:35,080 --> 00:24:31,010

you're destroyed you you've got to

471

00:24:40,060 --> 00:24:35,090

become a creator okay the way I looked

472

00:24:42,760 --> 00:24:40,070

this from the beginning is first of all

473

00:24:45,730 --> 00:24:42,770

we're all spirits eternal and

474

00:24:50,170 --> 00:24:45,740

indestructible but we need a bio

475

00:24:52,150 --> 00:24:50,180

bodysuit in order to experience this

476
00:24:58,660 --> 00:24:52,160
domain of reality there's distance

477
00:25:03,310 --> 00:24:58,670
time'll plenty and you have to work at

478
00:25:05,740 --> 00:25:03,320
it our spiritual parents dress us in

479
00:25:08,650 --> 00:25:05,750
these bio body suits put us in this

480
00:25:12,310 --> 00:25:08,660
playpen that we call a universe in order

481
00:25:14,860 --> 00:25:12,320
to grow in coherence in order to vet to

482
00:25:17,230 --> 00:25:14,870
develop our gifts of intentionality in

483
00:25:19,870 --> 00:25:17,240
order to become what we were intended to

484
00:25:22,870 --> 00:25:19,880
become which is co-creators with our

485
00:25:25,180 --> 00:25:22,880
spiritual parents that's a big-time

486
00:25:28,840 --> 00:25:25,190
thing to become a co-creator with our

487
00:25:33,760 --> 00:25:28,850
spiritual parents and all of us can do

488
00:25:36,400 --> 00:25:33,770

it early or late but not without doing

489

00:25:42,150 --> 00:25:36,410

the exercises not without doing the work

490

00:25:47,950 --> 00:25:42,160

and the work is self self development

491

00:25:51,910 --> 00:25:47,960

okay the scribe experiments I mean the

492

00:25:55,120 --> 00:25:51,920

issue is so first of all let me yet

493

00:25:58,600 --> 00:25:55,130

answer the question about what does it

494

00:26:02,290 --> 00:25:58,610

mean to be coherent for example if you

495

00:26:02,650 --> 00:26:02,300

have a 90 watt light bulb in front of

496

00:26:06,760 --> 00:26:02,660

you

497

00:26:10,060 --> 00:26:06,770

there's some light that comes not a lot

498

00:26:12,610 --> 00:26:10,070

of light and not a lot because a lot of

499

00:26:17,500 --> 00:26:12,620

the photons interfere with each other

500

00:26:23,770 --> 00:26:17,510

the entangle and you destroy the light

501
00:26:26,200 --> 00:26:23,780
aspect but if you could have that same

502
00:26:28,509 --> 00:26:26,210
number of photons come out per unit time

503
00:26:31,180 --> 00:26:28,519
but to come out in phase

504
00:26:34,989 --> 00:26:31,190
each other and we can now technically do

505
00:26:38,169 --> 00:26:34,999
that then what you have is something

506
00:26:43,089 --> 00:26:38,179
very much like a loser and so huge

507
00:26:46,779 --> 00:26:43,099
energy densities come out and for that

508
00:26:50,349 --> 00:26:46,789
hundred watt light bulb the intensity of

509
00:26:54,969 --> 00:26:50,359
the energy maybe something is a hundred

510
00:27:00,149 --> 00:26:54,979
times the surface of the Sun a huge

511
00:27:05,609 --> 00:27:00,159
improvement exactly and now we're using

512
00:27:10,139 --> 00:27:05,619
LED lasers in their light bulbs of cars

513
00:27:13,959 --> 00:27:10,149

and other light bulbs so we can see how

514

00:27:16,199 --> 00:27:13,969

we're talking about physics here and

515

00:27:19,659 --> 00:27:16,209

that of course is a conventional physics

516

00:27:26,139 --> 00:27:19,669

many of the other things are not a

517

00:27:31,539 --> 00:27:26,149

conventional physics let me and and the

518

00:27:33,699 --> 00:27:31,549

issue is the development of our gifts of

519

00:27:36,430 --> 00:27:33,709

intentionality I mean that's what they

520

00:27:38,739 --> 00:27:36,440

are they're gifts of ours but just like

521

00:27:43,029 --> 00:27:38,749

all the other gifts but the other gifts

522

00:27:46,269 --> 00:27:43,039

are one kind there in the distance time

523

00:27:49,119 --> 00:27:46,279

level of reality bio bodysuit that we

524

00:27:52,359 --> 00:27:49,129

have has two levels the outermost level

525

00:27:56,019 --> 00:27:52,369

is the distance time domain of reality

526

00:27:59,199 --> 00:27:56,029

the inner level is the acupuncture

527

00:28:01,269 --> 00:27:59,209

meridian domain of reality that's mainly

528

00:28:03,219 --> 00:28:01,279

superluminal which means faster than the

529

00:28:07,089 --> 00:28:03,229

velocity of electromagnetic light

530

00:28:10,089 --> 00:28:07,099

whereas the electric atom molecule one

531

00:28:12,810 --> 00:28:10,099

is all subluminal slower than the

532

00:28:16,539 --> 00:28:12,820

velocity of electromagnetic light so

533

00:28:20,079 --> 00:28:16,549

this is this second level of reality

534

00:28:23,799 --> 00:28:20,089

let's talk about that a little bit in

535

00:28:27,899 --> 00:28:23,809

the 1970s I built this little device

536

00:28:32,019 --> 00:28:27,909

which was a gas discharge device which

537

00:28:35,949 --> 00:28:32,029

you could put a high voltage across it

538

00:28:38,529 --> 00:28:35,959

but maybe ten degrees below its normal

539

00:28:42,040 --> 00:28:38,539

breakdown voltage so it could stay quiet

540

00:28:45,430 --> 00:28:42,050

for a day or whatever

541

00:28:49,350 --> 00:28:45,440

and you could go up to it you put your

542

00:28:53,260 --> 00:28:49,360

arms around it and intend to focus your

543

00:28:56,290 --> 00:28:53,270

body's energies into this device and if

544

00:28:58,330 --> 00:28:56,300

you can do it effectively and what you

545

00:29:01,830 --> 00:28:58,340

start hearing is Berber Berber and

546

00:29:03,670 --> 00:29:01,840

flashes of light and you are igniting

547

00:29:05,860 --> 00:29:03,680

the discharge

548

00:29:08,170 --> 00:29:05,870

now you could you can go a little

549

00:29:13,720 --> 00:29:08,180

further let me just give you one more

550

00:29:16,930 --> 00:29:13,730

use of this section you put yourself in

551
00:29:20,500 --> 00:29:16,940
a big Faraday cage human size and you

552
00:29:23,080 --> 00:29:20,510
put this a Faraday cage around the this

553
00:29:26,290 --> 00:29:23,090
little gas discharge device and place it

554
00:29:30,940 --> 00:29:26,300
about 15 feet away from the big cage and

555
00:29:33,280 --> 00:29:30,950
from there you can intend to ignite the

556
00:29:36,160 --> 00:29:33,290
discharge and you can in fact do that

557
00:29:37,890 --> 00:29:36,170
and you can again you could hear burper

558
00:29:41,140 --> 00:29:37,900
purr purr purr you can go from zero

559
00:29:44,760 --> 00:29:41,150
counts per second to 50,000 pardon me

560
00:29:50,170 --> 00:29:48,490
you are now offering this device aids a

561
00:29:52,000 --> 00:29:50,180
similar device not the one you're just

562
00:30:01,120 --> 00:29:52,010
trying about for sale we're going to get

563
00:30:03,880 --> 00:30:01,130

into all of that that's the next when I

564

00:30:06,130 --> 00:30:03,890

was doing this I got a stop for a second

565

00:30:08,950 --> 00:30:06,140

here building do something okay we got a

566

00:30:10,450 --> 00:30:08,960

take a short break and we're gonna come

567

00:30:12,460 --> 00:30:10,460

back we're gonna talk finish up this

568

00:30:14,770 --> 00:30:12,470

conversation I we're gonna also get back

569

00:30:17,560 --> 00:30:14,780

to coherence and how that makes things

570

00:30:20,140 --> 00:30:17,570

happen or not and oh my gosh we got a

571

00:30:21,850 --> 00:30:20,150

lot to cover so everybody stay tuned you

572

00:30:25,450 --> 00:30:21,860

are listening to Supernatural girls

573

00:30:28,120 --> 00:30:25,460

radio and we are speaking with dr. bill

574

00:30:30,220 --> 00:30:28,130

teller about the power of attention how

575

00:30:33,160 --> 00:30:30,230

to create your own life for real guys

576

00:30:35,170 --> 00:30:33,170

this is for real guys and girls so if

577

00:30:38,560 --> 00:30:35,180

you have a question please call in and

578

00:30:41,620 --> 00:30:38,570

the number is eight eight eight nine one

579

00:30:43,299 --> 00:30:41,630

nine two three five five that number is

580

00:30:46,570 --> 00:30:43,309

eight eight eight nine eleven

581

00:30:52,680 --> 00:30:46,580

nine two three five five and we will be

582

00:30:57,400 --> 00:30:55,330

welcome back everyone to supernatural

583

00:30:59,650 --> 00:30:57,410

Girls radio I am your host

584

00:31:03,220 --> 00:30:59,660

Patricia Baker I am here with my co-host

585

00:31:06,700 --> 00:31:03,230

PK and our very excellent and

586

00:31:08,980 --> 00:31:06,710

interesting guest dr. bill tiller

587

00:31:11,230 --> 00:31:08,990

he's from the tiller Institute and we

588

00:31:13,180 --> 00:31:11,240

are talking about psycho energetics and

589

00:31:14,800 --> 00:31:13,190

not only are we talking about that we

590

00:31:15,780 --> 00:31:14,810

are talking about how guess what

591

00:31:18,400 --> 00:31:15,790

everybody

592

00:31:21,820 --> 00:31:18,410

paranormal is normal and we have a

593

00:31:23,650 --> 00:31:21,830

scientist here to back it up so PK you

594

00:31:28,780 --> 00:31:23,660

and I were on the cutting edge as usual

595

00:31:31,180 --> 00:31:28,790

and worse was a readout so bill we were

596

00:31:33,700 --> 00:31:31,190

talking on the break a little bit about

597

00:31:35,770 --> 00:31:33,710

the energy that was coming out of you

598

00:31:38,350 --> 00:31:35,780

that was actually perceived these subtle

599

00:31:40,780 --> 00:31:38,360

energies but before we go into that I

600

00:31:43,420 --> 00:31:40,790

just want to back up one minute because

601
00:31:45,250 --> 00:31:43,430
we were talking about intention and how

602
00:31:47,380 --> 00:31:45,260
so many people have read these self-help

603
00:31:49,510 --> 00:31:47,390
books and think why am I not able to

604
00:31:52,330 --> 00:31:49,520
create my life the way I want but you

605
00:31:55,840 --> 00:31:52,340
brought up a word that is critical and

606
00:31:57,850 --> 00:31:55,850
that word is coherence so yes when

607
00:31:59,740 --> 00:31:57,860
people are not in coherence so they

608
00:32:01,240 --> 00:31:59,750
haven't done enough clearing work on

609
00:32:04,000 --> 00:32:01,250
themselves emotionally mentally

610
00:32:06,250 --> 00:32:04,010
spiritually then it's kind of like that

611
00:32:09,430 --> 00:32:06,260
90 watt light bulb you talked about yeah

612
00:32:12,550 --> 00:32:09,440
that's that's that's where we are is

613
00:32:17,080 --> 00:32:12,560

generally in in consciousness of people

614

00:32:19,660 --> 00:32:17,090

there are not terribly well developed I

615

00:32:23,680 --> 00:32:19,670

think they've got a long way to go I

616

00:32:26,310 --> 00:32:23,690

mean we as humans will centuries down

617

00:32:31,690 --> 00:32:26,320

the road be able to do remarkable things

618

00:32:34,240 --> 00:32:31,700

ourselves but let's not kid ourselves it

619

00:32:37,720 --> 00:32:34,250

is a mistake if these things are given

620

00:32:42,400 --> 00:32:37,730

to us too easily let me give you an

621

00:32:47,190 --> 00:32:42,410

example but that you your people are

622

00:32:52,840 --> 00:32:47,200

facing let's suppose there are two

623

00:32:55,480 --> 00:32:52,850

individuals who like to run the hurdles

624

00:32:58,600 --> 00:32:55,490

and are very competent than running the

625

00:33:02,050 --> 00:32:58,610

low hurdles and they decide they want to

626

00:33:09,440 --> 00:33:06,170

personai starts and sets up the high

627

00:33:12,770 --> 00:33:09,450

hurdles now where he wants to be or she

628

00:33:15,890 --> 00:33:12,780

wants to be runs and knocks it down

629

00:33:18,290 --> 00:33:15,900

knocks them down puts them up again

630

00:33:20,180 --> 00:33:18,300

tries again knocks them down knocks them

631

00:33:23,420 --> 00:33:20,190

down puts them up again tries again

632

00:33:27,440 --> 00:33:23,430

knocks them down knocks them down and

633

00:33:30,770 --> 00:33:27,450

gave up the second individual wants to

634

00:33:33,800 --> 00:33:30,780

do the same put up the high hurdles ran

635

00:33:36,800 --> 00:33:33,810

them knock them down put them up again

636

00:33:39,980 --> 00:33:36,810

knock them down and then decided oh I

637

00:33:42,440 --> 00:33:39,990

perhaps put them up too high let me just

638

00:33:46,430 --> 00:33:42,450

put them a little higher than low

639

00:33:49,490 --> 00:33:46,440

hurdles random knock them down put them

640

00:33:53,870 --> 00:33:49,500

up again random found that they could do

641

00:33:56,180 --> 00:33:53,880

it and then practice and practice and

642

00:34:00,100 --> 00:33:56,190

practice through that level until til

643

00:34:02,300 --> 00:34:00,110

they regenerated their low hurdles skill

644

00:34:06,050 --> 00:34:02,310

and then they put them up a little

645

00:34:07,550 --> 00:34:06,060

higher and ran them knock them down ran

646

00:34:11,990 --> 00:34:07,560

them again set them up ran them again

647

00:34:14,000 --> 00:34:12,000

knocked them down again put them up and

648

00:34:16,850 --> 00:34:14,010

found that they could run them and then

649

00:34:20,330 --> 00:34:16,860

ran them a lot until they became smooth

650

00:34:23,450 --> 00:34:20,340

and effortless in it and then put them

651
00:34:26,419 --> 00:34:23,460
up a little higher and did this every

652
00:34:29,570 --> 00:34:26,429
step of the way until they got to the

653
00:34:36,020 --> 00:34:29,580
high hurdles I've learned eventually to

654
00:34:37,970 --> 00:34:36,030
run them with ease and grace and had the

655
00:34:41,890 --> 00:34:37,980
usual skills that they had with low

656
00:34:46,640 --> 00:34:41,900
hurdles that's the way we humans become

657
00:34:49,490 --> 00:34:46,650
as we try until we can do it because we

658
00:34:51,230 --> 00:34:49,500
are a creative perfect but that's a

659
00:34:53,480 --> 00:34:51,240
little difficult sometimes when you're

660
00:34:55,909 --> 00:34:53,490
dealing with the subtle energies now of

661
00:34:57,470 --> 00:34:55,919
course there are P I have a great story

662
00:35:00,920 --> 00:34:57,480
to share with you about the power of

663
00:35:03,940 --> 00:35:00,930

intention and this woman I knew many

664

00:35:07,730 --> 00:35:03,950

years ago she was an incredibly great

665

00:35:10,550 --> 00:35:07,740

therapist and she was able to focus her

666

00:35:12,770 --> 00:35:10,560

attention fairly easily and we had

667

00:35:14,630 --> 00:35:12,780

planned to organize everybody for this

668

00:35:15,270 --> 00:35:14,640

big workshop there were like 50 people

669

00:35:18,660 --> 00:35:15,280

come

670

00:35:22,980 --> 00:35:18,670

and it was at my home in Connecticut

671

00:35:29,010 --> 00:35:22,990

and one of the gas burners got stuck on

672

00:35:30,360 --> 00:35:29,020

on and that's that the knob came off but

673

00:35:33,180 --> 00:35:30,370

we were trying to turn the darn thing

674

00:35:36,090 --> 00:35:33,190

off it wouldn't turn off she walked over

675

00:35:40,800 --> 00:35:36,100

to it and you could see the look on her

676

00:35:44,340 --> 00:35:40,810

face it was totally one of focus she

677

00:35:48,270 --> 00:35:44,350

took a pair of pliers and closed her

678

00:35:51,210 --> 00:35:48,280

eyes and turned the knob the gas went

679

00:35:55,110 --> 00:35:51,220

off but it was a wonderful lesson for me

680

00:35:57,780 --> 00:35:55,120

to watch someone who had that very

681

00:36:00,060 --> 00:35:57,790

strong level of coherence

682

00:36:02,760 --> 00:36:00,070

she was single-minded she was focused

683

00:36:04,740 --> 00:36:02,770

and the power of intent she thought I'm

684

00:36:06,060 --> 00:36:04,750

going to envision myself turning this

685

00:36:10,940 --> 00:36:06,070

thing off and that's exactly what

686

00:36:17,490 --> 00:36:10,950

happened Joe okay and I think the issue

687

00:36:21,080 --> 00:36:17,500

that's important in that is practice

688

00:36:25,860 --> 00:36:21,090

meditation really practice meditation

689

00:36:31,190 --> 00:36:25,870

come become more coherent and then more

690

00:36:36,180 --> 00:36:31,200

and more and you'll find that and live a

691

00:36:38,610 --> 00:36:36,190

focused life a disciplined life and

692

00:36:43,140 --> 00:36:38,620

become something more and more and the

693

00:36:46,200 --> 00:36:43,150

more you do the more capable will you be

694

00:36:52,080 --> 00:36:46,210

in your ability to focus your mind and

695

00:36:54,420 --> 00:36:52,090

create things less probable and that was

696

00:36:57,000 --> 00:36:54,430

that's exactly what happened so and I

697

00:36:58,470 --> 00:36:57,010

know she was a meditator that's one of

698

00:37:01,110 --> 00:36:58,480

the things that she did do and I don't

699

00:37:02,760 --> 00:37:01,120

recall exactly what method to use and it

700

00:37:05,820 --> 00:37:02,770

probably didn't matter it doesn't really

701
00:37:11,370 --> 00:37:05,830
matter you just just find one that works

702
00:37:14,030 --> 00:37:11,380
for you and you know it's it's all you I

703
00:37:16,380 --> 00:37:14,040
mean just just keep trying

704
00:37:20,250 --> 00:37:16,390
keep making the effort keep believing

705
00:37:21,900 --> 00:37:20,260
you can do it and that's what happened I

706
00:37:23,460 --> 00:37:21,910
mean it was we were all in a panic the

707
00:37:24,840 --> 00:37:23,470
rest of us were like oh my god this

708
00:37:26,280 --> 00:37:24,850
thing's gonna burn the house down if we

709
00:37:28,740 --> 00:37:26,290
can't shut it off and you have all these

710
00:37:30,960 --> 00:37:28,750
people coming and she was just very calm

711
00:37:33,839 --> 00:37:30,970
and I'll never forget this moment of how

712
00:37:36,720 --> 00:37:33,849
this this happened it was great great

713
00:37:38,670 --> 00:37:36,730

lesson so again that that level of

714

00:37:41,099 --> 00:37:38,680

coherence how often does anybody have

715

00:37:43,349 --> 00:37:41,109

that we're so scattered and you can have

716

00:37:46,530 --> 00:37:43,359

it as much as we want if we make the

717

00:37:48,030 --> 00:37:46,540

effort that's true so it's not allowing

718

00:37:50,730 --> 00:37:48,040

these other things to kind of pull us in

719

00:37:52,680 --> 00:37:50,740

50 different directions right let me go

720

00:37:54,510 --> 00:37:52,690

to the second piece of information I

721

00:37:57,480 --> 00:37:54,520

want to give you in this intention

722

00:38:01,970 --> 00:37:57,490

progress the second one was like I

723

00:38:08,670 --> 00:38:01,980

received a gift from a philanthropist to

724

00:38:11,910 --> 00:38:08,680

do three years of work and it was big

725

00:38:15,570 --> 00:38:11,920

time and I decided that I would put it

726

00:38:21,109 --> 00:38:15,580

to work to test the decart experiment of

727

00:38:24,630 --> 00:38:21,119

the 1600s decart now remember that the

728

00:38:33,660 --> 00:38:24,640

transition from theocracy to science

729

00:38:37,250 --> 00:38:33,670

began about 1500 and and basically Eva

730

00:38:40,650 --> 00:38:37,260

even a century later there was great

731

00:38:45,510 --> 00:38:40,660

confusion because people were still

732

00:38:47,940 --> 00:38:45,520

embedded in religion not that religion

733

00:38:54,560 --> 00:38:47,950

is bad per se but it was getting in the

734

00:38:57,690 --> 00:38:54,570

way of the development of science and so

735

00:39:01,589 --> 00:38:57,700

what Descartes the assumption he made

736

00:39:03,900 --> 00:39:01,599

and as I'm just sort of I'm not saving

737

00:39:09,890 --> 00:39:03,910

exactly but something close to this he

738

00:39:14,040 --> 00:39:09,900

said no human quality of consciousness

739

00:39:16,950 --> 00:39:14,050

intention the emotion mind or spirit can

740

00:39:19,849 --> 00:39:16,960

significantly influence a well-designed

741

00:39:22,530 --> 00:39:19,859

target experiment in physical reality

742

00:39:25,530 --> 00:39:22,540

now that was a very powerful statement

743

00:39:27,870 --> 00:39:25,540

and it allowed in those days it allowed

744

00:39:31,890 --> 00:39:27,880

a very clear discrimination between

745

00:39:34,680 --> 00:39:31,900

science and religion but it never

746

00:39:39,150 --> 00:39:34,690

contestant never seriously been tested

747

00:39:41,750 --> 00:39:39,160

by by science and here we are four

748

00:39:43,730 --> 00:39:41,760

centuries later

749

00:39:47,470 --> 00:39:43,740

and I decided okay that's where I'll use

750

00:39:50,480 --> 00:39:47,480

the money I will I will test the decart

751

00:39:53,270 --> 00:39:50,490

experiment and as I will design for

752

00:39:55,610 --> 00:39:53,280

target experiments just like those that

753

00:40:00,470 --> 00:39:55,620

I designed for my PhD students at

754

00:40:05,380 --> 00:40:00,480

Stanford and before we're the first ones

755

00:40:09,110 --> 00:40:05,390

to take water and intend to increase its

756

00:40:13,010 --> 00:40:09,120

pH which means it's acid alkaline

757

00:40:15,590 --> 00:40:13,020

balance by one pH unit which in turn is

758

00:40:19,810 --> 00:40:15,600

a factor of ten in hydrogen ion

759

00:40:26,270 --> 00:40:19,820

concentrations and no chemical additions

760

00:40:30,050 --> 00:40:26,280

and and the second experiment was take

761

00:40:33,070 --> 00:40:30,060

the same water and reduce the pH by one

762

00:40:35,540 --> 00:40:33,080

full pH unit with no chemical additions

763

00:40:38,870 --> 00:40:35,550

both experiments turned out to be

764

00:40:41,870 --> 00:40:38,880

robustly successful the third experiment

765

00:40:47,690 --> 00:40:41,880

was to take a liver enzyme alkaline

766

00:40:50,860 --> 00:40:47,700

phosphatase called ALP and to condition

767

00:40:57,470 --> 00:40:50,870

the space with intention first and then

768

00:41:00,200 --> 00:40:57,480

just put a test tube full of the ALP

769

00:41:02,240 --> 00:41:00,210

into the space for 30 minutes and then

770

00:41:04,520 --> 00:41:02,250

take it out again and measure it before

771

00:41:08,660 --> 00:41:04,530

and measure it after and we found that

772

00:41:11,960 --> 00:41:08,670

in that 30 minutes the the activity in

773

00:41:16,580 --> 00:41:11,970

the chemical activity of the ALP and

774

00:41:19,190 --> 00:41:16,590

increased 30% very robustly successful

775

00:41:21,170 --> 00:41:19,200

p-values better than one chance in a

776

00:41:24,200 --> 00:41:21,180

thousand that it could have occurred by

777

00:41:25,820 --> 00:41:24,210

random chance when you did these

778

00:41:27,440 --> 00:41:25,830

experiments let me ask you because it

779

00:41:30,800 --> 00:41:27,450

wasn't clear to me from reading the

780

00:41:33,080 --> 00:41:30,810

material on in the white papers did you

781

00:41:37,190 --> 00:41:33,090

have a number of people putting intent

782

00:41:40,340 --> 00:41:37,200

into this experiment the very first

783

00:41:45,230 --> 00:41:40,350

experiment where four people all of us

784

00:41:48,260 --> 00:41:45,240

being meditators long time meditators

785

00:41:51,320 --> 00:41:48,270

and so there's a whole process of the

786

00:41:53,570 --> 00:41:51,330

intention process to do this yes and

787

00:41:55,920 --> 00:41:53,580

we've we've done it with six people

788

00:41:57,990 --> 00:41:55,930

we've done it with two pee

789

00:42:03,360 --> 00:41:58,000

we haven't done with one person we just

790

00:42:05,460 --> 00:42:03,370

were content with where we where it

791

00:42:07,650 --> 00:42:05,470

isn't important at this stage in our

792

00:42:11,250 --> 00:42:07,660

development that we know whether one can

793

00:42:13,830 --> 00:42:11,260

do it or two together can do it but it

794

00:42:18,560 --> 00:42:13,840

will be in time in time people will do

795

00:42:23,670 --> 00:42:18,570

that and we'll probably get through that

796

00:42:25,730 --> 00:42:23,680

one person can do it is we already know

797

00:42:32,220 --> 00:42:25,740

you already talked about the the

798

00:42:34,770 --> 00:42:32,230

paranormal girls let me let me say one

799

00:42:38,880 --> 00:42:34,780

more experiment because it it's

800

00:42:42,510 --> 00:42:38,890

important the forth experiment was to

801

00:42:45,660 --> 00:42:42,520

take fruit fly larvae living system and

802

00:42:51,180 --> 00:42:45,670

the intention was to increase the energy

803

00:42:53,670 --> 00:42:51,190

storage molecule ATP to ADP that is the

804

00:42:57,330 --> 00:42:53,680

that which normally has just two

805

00:43:01,440 --> 00:42:57,340

phosphorus in the larger molecule it is

806

00:43:06,630 --> 00:43:01,450

increased to three and that would make

807

00:43:10,380 --> 00:43:06,640

the larval development time more

808

00:43:12,630 --> 00:43:10,390

physically fit in their behavior and

809

00:43:15,720 --> 00:43:12,640

have a shorter larval development time

810

00:43:21,780 --> 00:43:15,730

because they're stronger and we found

811

00:43:25,440 --> 00:43:21,790

that we could increase the ATP to ADP by

812

00:43:29,640 --> 00:43:25,450

about 15% with p-value better than one

813

00:43:32,250 --> 00:43:29,650

part in a thousand and therefore we

814

00:43:36,020 --> 00:43:32,260

found that the larval development time

815

00:43:40,530 --> 00:43:36,030

to the adults fly stage wasn't normally

816

00:43:44,790 --> 00:43:40,540

28 days for this particular breed it was

817

00:43:47,820 --> 00:43:44,800

23 days so it was reduced about 25% with

818

00:43:50,400 --> 00:43:47,830

a p-value better point zero zero one so

819

00:43:54,140 --> 00:43:50,410

here are four well-designed target

820

00:43:57,690 --> 00:43:54,150

experiments robustly successful

821

00:44:00,350 --> 00:43:57,700

therefore in today's world and maybe

822

00:44:03,390 --> 00:44:00,360

even in his world but in today's world

823

00:44:05,310 --> 00:44:03,400

his assumption and therefore the

824

00:44:07,270 --> 00:44:05,320

assumption of today's Orthodox science

825

00:44:10,710 --> 00:44:07,280

and Orthodox medicine

826

00:44:13,810 --> 00:44:10,720

is wrong wrong wrong

827

00:44:17,500 --> 00:44:13,820

Wow well your colleagues must love here

828

00:44:21,510 --> 00:44:17,510

and that and you really can't they don't

829

00:44:24,990 --> 00:44:21,520

want to look at no they don't

830

00:44:28,830 --> 00:44:25,000

anyway that was the step two step three

831

00:44:32,470 --> 00:44:28,840

was we learned how to broadcast an

832

00:44:34,270 --> 00:44:32,480

intention to groups of people anywhere

833

00:44:38,460 --> 00:44:34,280

in the world just using their name and

834

00:44:44,620 --> 00:44:38,470

address and we applied this in the US

835

00:44:47,260 --> 00:44:44,630

over a distance of 1,500 miles to reduce

836

00:44:54,400 --> 00:44:47,270

depression and anxiety and people we did

837

00:45:00,280 --> 00:44:54,410

that in 2030 2003 205 a person got their

838

00:45:04,330 --> 00:45:00,290

PhD for that in a in polos university so

839

00:45:05,860 --> 00:45:04,340

that was I mean that's a depression is a

840

00:45:09,160 --> 00:45:05,870

kind of a tough thing to measure was it

841

00:45:13,600 --> 00:45:09,170

a subjective thing absolutely it is if

842

00:45:16,690 --> 00:45:13,610

there's a program called the zone

843

00:45:23,410 --> 00:45:16,700

program where you ask 20 questions and

844

00:45:25,870 --> 00:45:23,420

and its self induced a person that is

845

00:45:27,790 --> 00:45:25,880

asked this series of questions we do

846

00:45:30,760 --> 00:45:27,800

every month and we see where they are on

847

00:45:33,340 --> 00:45:30,770

it and then we gather the statistics and

848

00:45:36,280 --> 00:45:33,350

we found that they were able to do this

849

00:45:39,460 --> 00:45:36,290

again better than after eight months of

850

00:45:43,240 --> 00:45:39,470

continuously doing it better than one

851
00:45:47,080 --> 00:45:43,250
part at 1,000 feet a second experiment

852
00:45:48,610 --> 00:45:47,090
of the same type but now anywhere in the

853
00:45:55,030 --> 00:45:48,620
world

854
00:45:57,730 --> 00:45:55,040
was to treat simultaneously 39 autistic

855
00:46:00,490 --> 00:45:57,740
children and their parents

856
00:46:05,340 --> 00:46:00,500
so to intentioned statements in this

857
00:46:08,200 --> 00:46:05,350
case and they're in a well I'll give you

858
00:46:10,660 --> 00:46:08,210
first of all it was robustly successful

859
00:46:13,830 --> 00:46:10,670
in this case and the experiments running

860
00:46:18,340 --> 00:46:13,840
for a year we're better than one part in

861
00:46:19,650 --> 00:46:18,350
10,000 so experimental data was was

862
00:46:21,360 --> 00:46:19,660
terrific

863
00:46:24,780 --> 00:46:21,370

and does that mean in English I mean

864

00:46:27,180 --> 00:46:24,790

tell us so that everybody well let me

865

00:46:30,450 --> 00:46:27,190

give you two examples and adults say

866

00:46:33,570 --> 00:46:30,460

what you're asking we could on the 3rd

867

00:46:39,900 --> 00:46:33,580

of December 2013 was when I switched on

868

00:46:43,530 --> 00:46:39,910

the device in peace in Arizona on the

869

00:46:46,080 --> 00:46:43,540

4th of December 2013 I got a call from a

870

00:46:48,870 --> 00:46:46,090

lady in Australia who had a three year

871

00:46:50,850 --> 00:46:48,880

old daughter who had never spoken and

872

00:46:55,440 --> 00:46:50,860

thus was up at night and made it

873

00:46:58,320 --> 00:46:55,450

difficult for the household etc the and

874

00:47:00,750 --> 00:46:58,330

they that night both them both the

875

00:47:03,000 --> 00:47:00,760

mother and the daughter overslept the

876

00:47:04,980 --> 00:47:03,010

mother got up in the morning and quickly

877

00:47:07,560 --> 00:47:04,990

went and woke her daughter or daughter

878

00:47:10,680 --> 00:47:07,570

looked up at her lovingly and that day

879

00:47:16,230 --> 00:47:10,690

spoke twenty words all cognitive a

880

00:47:17,850 --> 00:47:16,240

cognitively in order the that let me

881

00:47:23,310 --> 00:47:17,860

give you another one another one of a

882

00:47:25,620 --> 00:47:23,320

young man from New York who was in grade

883

00:47:31,710 --> 00:47:25,630

five but functioning at kindergarten

884

00:47:33,840 --> 00:47:31,720

level and likewise didn't speak very

885

00:47:36,360 --> 00:47:33,850

poorly though was able to use a

886

00:47:38,160 --> 00:47:36,370

mechanical device to communicate

887

00:47:43,710 --> 00:47:38,170

information like like a sort of

888

00:47:47,510 --> 00:47:43,720

typewriter on October of 2012

889

00:47:50,640 --> 00:47:47,520

ten months later his report card

890

00:47:56,040 --> 00:47:50,650

indicated that he was functioning very

891

00:47:59,100 --> 00:47:56,050

well at every aspect of grade five

892

00:48:02,240 --> 00:47:59,110

that's critical to brief these are

893

00:48:04,530 --> 00:48:02,250

amazing results that everybody can now

894

00:48:08,340 --> 00:48:04,540

understand and relate to that this hair

895

00:48:10,800 --> 00:48:08,350

these are real-life results to tension

896

00:48:13,050 --> 00:48:10,810

on this yeah if you if you go to my

897

00:48:16,640 --> 00:48:13,060

website tool org you'll see all this

898

00:48:22,770 --> 00:48:16,650

data written up and available for you

899

00:48:27,500 --> 00:48:22,780

the it was really very impressive to me

900

00:48:37,110 --> 00:48:32,460

the again it's a similar self-assessment

901
00:48:41,520 --> 00:48:37,120
kind of study and the a tech was the one

902
00:48:44,820 --> 00:48:41,530
for the children again the zone for the

903
00:48:48,380 --> 00:48:44,830
parents but the a tech or have four

904
00:48:53,990 --> 00:48:48,390
skillsets one is communication skills

905
00:48:58,490 --> 00:48:54,000
second is sociability skills third are

906
00:49:02,430 --> 00:48:58,500
cognitive function skills and fourth our

907
00:49:05,400 --> 00:49:02,440
physical health skills and when I say

908
00:49:10,920 --> 00:49:05,410
what that in the data when we went

909
00:49:15,930 --> 00:49:10,930
through the statistics was that the data

910
00:49:19,920 --> 00:49:15,940
was positively beneficial that better

911
00:49:24,030 --> 00:49:19,930
than one chance in 10,000 that is a

912
00:49:25,770 --> 00:49:24,040
means one possibility in 10,000 that all

913
00:49:29,850 --> 00:49:25,780

of this could have occurred by random

914

00:49:35,580 --> 00:49:29,860

chance goodness so very robust a

915

00:49:37,380 --> 00:49:35,590

successful the fourth experiment and

916

00:49:38,250 --> 00:49:37,390

again I say you can go to my website you

917

00:49:39,990 --> 00:49:38,260

can read the data

918

00:49:45,180 --> 00:49:40,000

it's a white paper I think that was

919

00:49:50,100 --> 00:49:45,190

white paper 30 which means xxx it's

920

00:49:53,850 --> 00:49:50,110

Roman numerals and 31 and 32 the first

921

00:49:59,780 --> 00:49:53,860

one was white paper 16 and then the next

922

00:50:04,710 --> 00:49:59,790

experiment was to wean and this began a

923

00:50:07,440 --> 00:50:04,720

year ago year ago this past July to wean

924

00:50:09,360 --> 00:50:07,450

people away from self judgment and

925

00:50:11,160 --> 00:50:09,370

judgment of others

926

00:50:14,190 --> 00:50:11,170

to be self compassionate and

927

00:50:15,960 --> 00:50:14,200

compassionate with others and to

928

00:50:21,210 --> 00:50:15,970

recognize that they're part of the

929

00:50:24,480 --> 00:50:21,220

larger whole and that experiment was in

930

00:50:29,030 --> 00:50:24,490

two segments of six months each again

931

00:50:32,600 --> 00:50:29,040

went there are in this case there

932

00:50:36,180 --> 00:50:32,610

there's there's the Rosenberg program

933

00:50:39,120 --> 00:50:36,190

there's a there are four programs

934

00:50:44,580 --> 00:50:39,130

anyway the data again is better than one

935

00:50:46,440 --> 00:50:44,590

part in 10,000 so really beautiful work

936

00:50:49,830 --> 00:50:46,450

the feedback we've got about a hundred

937

00:50:52,380 --> 00:50:49,840

and fifty testimonials from these people

938

00:50:55,560 --> 00:50:52,390

but mostly in the all of them in the

939

00:50:57,990 --> 00:50:55,570

u.s. in fact and not only the people but

940

00:51:03,470 --> 00:50:58,000

also the dogs and cats in their hosts

941

00:51:05,700 --> 00:51:03,480

they they have all behaved remarkably

942

00:51:12,480 --> 00:51:05,710

they've changed their behavior patterns

943

00:51:16,460 --> 00:51:12,490

things come up they perform and then say

944

00:51:19,110 --> 00:51:16,470

I would never have performed that way I

945

00:51:21,780 --> 00:51:19,120

this is this is quite different kind of

946

00:51:24,900 --> 00:51:21,790

behavior for me so I don't understand it

947

00:51:28,800 --> 00:51:24,910

but it's great let's keep it on so the

948

00:51:31,290 --> 00:51:28,810

imitation spill for humanity with these

949

00:51:34,170 --> 00:51:31,300

two studies oh my gosh

950

00:51:37,170 --> 00:51:34,180

yes I mean I think we could broadcast to

951
00:51:43,830 --> 00:51:37,180
a hospital anywhere in the world baby

952
00:51:47,400 --> 00:51:43,840
ward etc to a jail to schools to all

953
00:51:49,860 --> 00:51:47,410
kinds of things it's really interesting

954
00:51:52,680 --> 00:51:49,870
now the one thing that we're doing which

955
00:51:54,990 --> 00:51:52,690
is an expansion of this and that is to

956
00:51:57,150 --> 00:51:55,000
increase consciousness in the world I

957
00:52:00,000 --> 00:51:57,160
think that's where the real problem with

958
00:52:03,330 --> 00:52:00,010
humanity is they're not very conscious

959
00:52:06,960 --> 00:52:03,340
and they are not willing to do the work

960
00:52:09,360 --> 00:52:06,970
most of them to become really conscious

961
00:52:13,490 --> 00:52:09,370
so we were in following David Hawkins

962
00:52:18,570 --> 00:52:13,500
work and his map of consciousness and

963
00:52:21,510 --> 00:52:18,580

we're getting great success growing the

964

00:52:22,289 --> 00:52:21,520

kids one of the it's interesting if I go

965

00:52:24,329 --> 00:52:22,299

back to

966

00:52:28,339 --> 00:52:24,339

doing this with the autistic children as

967

00:52:33,359 --> 00:52:28,349

well we found that say in February 2014

968

00:52:41,599 --> 00:52:33,369

the autistic children were they were at

969

00:52:47,130 --> 00:52:41,609

a David Hawkins scale level of about 320

970

00:52:53,669 --> 00:52:47,140

their parents were about 330 a year

971

00:52:58,199 --> 00:52:53,679

later they were at 435 and the parents

972

00:53:00,479 --> 00:52:58,209

were about 433 and the issue that was

973

00:53:05,069 --> 00:53:00,489

interesting in 2012

974

00:53:09,410 --> 00:53:05,079

for the children 5% of the children were

975

00:53:12,539 --> 00:53:09,420

at a David Hawkins scale above 500 and

976
00:53:16,529 --> 00:53:12,549
500 is the threshold of unconditional

977
00:53:19,130 --> 00:53:16,539
love and the parents where there were 7%

978
00:53:23,519 --> 00:53:19,140
of that

979
00:53:26,640 --> 00:53:23,529
so again above the 500 scale and a year

980
00:53:29,489 --> 00:53:26,650
later there were 25 percent of the

981
00:53:33,630 --> 00:53:29,499
children above 500 and there were 33

982
00:53:37,579 --> 00:53:33,640
percent of the parents above 500 so now

983
00:53:43,769 --> 00:53:37,589
it's interesting David Hawkins said that

984
00:53:46,859 --> 00:53:43,779
if there are 14 people at 700 or above

985
00:53:50,609 --> 00:53:46,869
then that's equivalent to one avatar at

986
00:53:54,559 --> 00:53:50,619
a thousand as far as their effect on the

987
00:53:57,949 --> 00:53:54,569
world and when I look at this data I

988
00:54:00,989 --> 00:53:57,959

begin to see that maybe in another

989

00:54:01,799 --> 00:54:00,999

continuing to broadcast this for two or

990

00:54:06,559 --> 00:54:01,809

three years

991

00:54:14,489 --> 00:54:11,179

every second incredible incredible yeah

992

00:54:20,939 --> 00:54:14,499

these are all possibilities for no I

993

00:54:23,519 --> 00:54:20,949

mean we remembered the data from who is

994

00:54:28,829 --> 00:54:23,529

the Guru famous one

995

00:54:30,890 --> 00:54:28,839

Maharishi he he put together about 45

996

00:54:34,530 --> 00:54:30,900

somewhere around that number of

997

00:54:42,900 --> 00:54:34,540

meditators in Washington and

998

00:54:48,450 --> 00:54:42,910

meditation was to diminish the banditry

999

00:54:51,240 --> 00:54:48,460

in Washington State and it was the data

1000

00:54:54,390 --> 00:54:51,250

support of that so this is indicating

1001

00:54:57,570 --> 00:54:54,400

similar sorts of things but in a more

1002

00:54:59,640 --> 00:54:57,580

powerful way I think and a much I think

1003

00:55:02,850 --> 00:54:59,650

so

1004

00:55:06,210 --> 00:55:02,860

bringing bringing people into a doing it

1005

00:55:07,800 --> 00:55:06,220

themselves trying the fact I mean we've

1006

00:55:13,620 --> 00:55:07,810

got to take another break here bill I

1007

00:55:15,990 --> 00:55:13,630

hate to tell you it's gonna get to the

1008

00:55:18,780 --> 00:55:16,000

domestic and actually by do this

1009

00:55:20,910 --> 00:55:18,790

themselves but in about two seconds we

1010

00:55:22,650 --> 00:55:20,920

got to go to break and this again is so

1011

00:55:25,440 --> 00:55:22,660

fascinating the implications are

1012

00:55:27,570 --> 00:55:25,450

enormous the whole world can change from

1013

00:55:30,870 --> 00:55:27,580

lighting up consciousness in this manner

1014

00:55:33,030 --> 00:55:30,880

and it's painless it's easy it's it's a

1015

00:55:34,680 --> 00:55:33,040

lot oh my god I just can't say enough

1016

00:55:36,270 --> 00:55:34,690

good things about this Phil I'm so glad

1017

00:55:38,910 --> 00:55:36,280

you're on the show well look everybody

1018

00:55:44,820 --> 00:55:38,920

you are listening to supernatural girls

1019

00:55:47,130 --> 00:55:44,830

radio and we will be right back welcome

1020

00:55:50,040 --> 00:55:47,140

back everyone to supernatural girls

1021

00:55:53,220 --> 00:55:50,050

radio I am your host Patricia Baker I'm

1022

00:55:56,100 --> 00:55:53,230

here with my co-host PK and our

1023

00:55:58,260 --> 00:55:56,110

extraordinary guest dr. bill teller from

1024

00:56:01,050 --> 00:55:58,270

the teller Institute we are talking

1025

00:56:02,430 --> 00:56:01,060

about some very profound things here and

1026
00:56:04,500 --> 00:56:02,440
how we're going to all change the world

1027
00:56:08,130 --> 00:56:04,510
we can all get on board you can go to

1028
00:56:11,490 --> 00:56:08,140
tiller Institute calm or totally killer

1029
00:56:13,020 --> 00:56:11,500
org and you can learn all about what

1030
00:56:15,300 --> 00:56:13,030
we're talking about tonight in greater

1031
00:56:18,480 --> 00:56:15,310
detail there's also access there two

1032
00:56:22,140 --> 00:56:18,490
books white papers videos original we

1033
00:56:24,870 --> 00:56:22,150
are on the air that's why I'm telling

1034
00:56:26,910 --> 00:56:24,880
everybody this is the place to go to

1035
00:56:28,830 --> 00:56:26,920
find out more information about what

1036
00:56:31,530 --> 00:56:28,840
we've been discussing the implications

1037
00:56:34,320 --> 00:56:31,540
are enormous not just raising

1038
00:56:36,930 --> 00:56:34,330

consciousness but actually affecting our

1039

00:56:38,880 --> 00:56:36,940

health our well-being and ultimately the

1040

00:56:42,660 --> 00:56:38,890

planet there's a lot of potential here

1041

00:56:45,450 --> 00:56:42,670

now bill you have invented a device that

1042

00:56:48,359 --> 00:56:45,460

is used in your experiments which are

1043

00:56:50,849 --> 00:56:48,369

also now offering it to the general

1044

00:56:53,789 --> 00:56:50,859

can you tell us about this device the

1045

00:56:57,420 --> 00:56:53,799

device that is being offered to the

1046

00:57:00,170 --> 00:56:57,430

general public is an intention host

1047

00:57:05,190 --> 00:57:00,180

device it's it's an onion printed

1048

00:57:08,999 --> 00:57:05,200

intention host device you if you buy it

1049

00:57:14,099 --> 00:57:09,009

the idea is play with it learn how to

1050

00:57:20,400 --> 00:57:14,109

play with it learn to meditate and play

1051

00:57:23,849 --> 00:57:20,410

with it and try to imprint try to pin pH

1052

00:57:25,079 --> 00:57:23,859

changes try to impinge other changes you

1053

00:57:28,589 --> 00:57:25,089

know you've got it there the homework

1054

00:57:30,809 --> 00:57:28,599

I'm not gonna do it for you the

1055

00:57:31,620 --> 00:57:30,819

broadcasting I am but those are

1056

00:57:38,880 --> 00:57:31,630

experiments

1057

00:57:41,339 --> 00:57:38,890

humans can do if we try now bill let's

1058

00:57:47,130 --> 00:57:41,349

say but PK and I buy one of these

1059

00:57:51,890 --> 00:57:47,140

devices and we want cost \$250 I think

1060

00:57:58,229 --> 00:57:55,380

electromagnetic shield around it for

1061

00:58:03,900 --> 00:57:58,239

shipping and all that stuff so that you

1062

00:58:06,390 --> 00:58:03,910

can store it when when we get this

1063

00:58:08,519 --> 00:58:06,400

device in our hands then it's not

1064

00:58:12,029 --> 00:58:08,529

imprinted so we can imprint it with our

1065

00:58:14,849 --> 00:58:12,039

own intention correct and so then what

1066

00:58:17,579 --> 00:58:14,859

do we do we put it in a room where it's

1067

00:58:20,160 --> 00:58:17,589

going to have kind of radiate out into

1068

00:58:22,499 --> 00:58:20,170

our environment basically if you look at

1069

00:58:25,920 --> 00:58:22,509

the issue the broadcast of what seems to

1070

00:58:28,339 --> 00:58:25,930

be happening is that we broadcast to

1071

00:58:34,079 --> 00:58:28,349

where the individual is in their house

1072

00:58:37,229 --> 00:58:34,089

anywhere in the world and just by using

1073

00:58:39,180 --> 00:58:37,239

their name and address and that we

1074

00:58:43,019 --> 00:58:39,190

continue with the broadcasting I like to

1075

00:58:46,289 --> 00:58:43,029

run them for a year after a couple of

1076

00:58:50,190 --> 00:58:46,299

months the room starts to be conditioned

1077

00:58:53,579 --> 00:58:50,200

the room itself appears to change that's

1078

00:58:56,010 --> 00:58:53,589

my inference from all the work that I've

1079

00:59:03,130 --> 00:58:56,020

been close to

1080

00:59:05,830 --> 00:59:03,140

and that then radiates to everyone in

1081

00:59:08,320 --> 00:59:05,840

the room in the house but particularly

1082

00:59:10,930 --> 00:59:08,330

those who are named I mean those who are

1083

00:59:13,839 --> 00:59:10,940

not named also get radiation not quite

1084

00:59:19,720 --> 00:59:13,849

as much as the individuals who are named

1085

00:59:22,210 --> 00:59:19,730

but and the animals do too so that's how

1086

00:59:25,060 --> 00:59:22,220

I can actually prove that at this point

1087

00:59:28,599 --> 00:59:25,070

answer's no it's a working hypothesis I

1088

00:59:32,050 --> 00:59:28,609

don't think we have the tools yet to to

1089

00:59:34,660 --> 00:59:32,060

experimentally prove it but I think

1090

00:59:36,839 --> 00:59:34,670

that's in our future but the data speaks

1091

00:59:40,630 --> 00:59:36,849

for itself the proof is in the pudding

1092

00:59:41,890 --> 00:59:40,640

these results are huge the feedback from

1093

00:59:44,410 --> 00:59:41,900

the people is huge

1094

00:59:47,560 --> 00:59:44,420

they're huge so we could put an intent

1095

00:59:49,990 --> 00:59:47,570

on this device you know something like

1096

00:59:51,700 --> 00:59:50,000

health and healing for the entire

1097

00:59:54,670 --> 00:59:51,710

household we could name the people in

1098

01:00:01,589 --> 00:59:54,680

the household and keep the device and

1099

01:00:07,630 --> 01:00:01,599

then oh you guys got to think it through

1100

01:00:09,880 --> 01:00:07,640

the issue is if you were gonna show your

1101
01:00:15,430 --> 01:00:09,890
route host two people would you leave it

1102
01:00:18,370 --> 01:00:15,440
unclean god no they're for you you have

1103
01:00:20,980 --> 01:00:18,380
to clean it but the question is we're

1104
01:00:23,339 --> 01:00:20,990
talking now about larger dimensions of

1105
01:00:26,859 --> 01:00:23,349
the universe than our distance time

1106
01:00:29,200 --> 01:00:26,869
level so you have to think twice and

1107
01:00:32,230 --> 01:00:29,210
three times but it would means what it

1108
01:00:38,680 --> 01:00:32,240
means to clean at those levels of

1109
01:00:40,570 --> 01:00:38,690
reality etc etc etc so you're you're

1110
01:00:42,760 --> 01:00:40,580
putting this intention for through all

1111
01:00:48,930 --> 01:00:42,770
dimensions of time and space not just

1112
01:00:53,589 --> 01:00:51,370
there's a there's a lot to it

1113
01:00:55,270 --> 01:00:53,599

yeah I'm fascinated by this aren't you

1114

01:00:58,450 --> 01:00:55,280

PK I want to get one of these things and

1115

01:01:00,220 --> 01:00:58,460

fracas I'm sitting here stunned thinking

1116

01:01:03,670 --> 01:01:00,230

all the things that could come from this

1117

01:01:08,010 --> 01:01:03,680

yeah it's incredible it will be I think

1118

01:01:10,109 --> 01:01:08,020

it will be our our future

1119

01:01:14,310 --> 01:01:10,119

and I think this new science is

1120

01:01:18,120 --> 01:01:14,320

developing will work well for us we are

1121

01:01:22,080 --> 01:01:18,130

on the threshold of moving from being

1122

01:01:24,870 --> 01:01:22,090

subluminal beings which we have been to

1123

01:01:29,040 --> 01:01:24,880

being superluminal beings which we will

1124

01:01:33,030 --> 01:01:29,050

be and imagine what is going to happen

1125

01:01:36,030 --> 01:01:33,040

as this new neurology grows in people

1126

01:01:40,800 --> 01:01:36,040

then they start to have cognitive

1127

01:01:43,500 --> 01:01:40,810

awareness of the superluminal reality as

1128

01:01:47,040 --> 01:01:43,510

well as the subluminal which they now

1129

01:01:49,290 --> 01:01:47,050

are and as time goes on slowly the

1130

01:01:52,080 --> 01:01:49,300

superluminal gets stronger and the

1131

01:01:55,160 --> 01:01:52,090

subluminal gets weaker and that may be

1132

01:01:59,420 --> 01:01:55,170

two centuries down the road all of us

1133

01:02:03,859 --> 01:01:59,430

are like that and what what we could

1134

01:02:09,000 --> 01:02:03,869

cognitively be aware of is our present

1135

01:02:10,980 --> 01:02:09,010

visual experience being totally changed

1136

01:02:12,240 --> 01:02:10,990

now though I'm going to ask you a

1137

01:02:14,970 --> 01:02:12,250

question and take you a little further

1138

01:02:18,890 --> 01:02:14,980

out into the esoteric world that PK and

1139

01:02:22,080 --> 01:02:18,900

specular I'm speculating now by the way

1140

01:02:24,780 --> 01:02:22,090

it's it's feedback that we get from a

1141

01:02:26,760 --> 01:02:24,790

lot of the autistic children that

1142

01:02:30,630 --> 01:02:26,770

they're already in there yeah they are

1143

01:02:33,750 --> 01:02:30,640

I'm sure here is my question

1144

01:02:36,090 --> 01:02:33,760

also because again a PK and I work a lot

1145

01:02:38,640 --> 01:02:36,100

with all kinds of different energies

1146

01:02:40,740 --> 01:02:38,650

entities portals we've had people on the

1147

01:02:43,650 --> 01:02:40,750

show that have worked with portals in

1148

01:02:45,540 --> 01:02:43,660

Europe and have Patrice Chaplin wasan

1149

01:02:47,730 --> 01:02:45,550

she's had some incredible things to say

1150

01:02:50,790 --> 01:02:47,740

about this stuff but what if is it

1151

01:02:52,290 --> 01:02:50,800

possible to take your device and work

1152

01:02:54,660 --> 01:02:52,300

with it in such a way that you're

1153

01:02:58,500 --> 01:02:54,670

opening all of those dimensions up that

1154

01:02:59,190 --> 01:02:58,510

you could have that let's let's be

1155

01:03:04,830 --> 01:02:59,200

careful

1156

01:03:09,300 --> 01:03:04,840

I mean I don't know that I do I haven't

1157

01:03:12,450 --> 01:03:09,310

pushed in that direction you know it's

1158

01:03:16,650 --> 01:03:12,460

just like an individual hoping you

1159

01:03:18,970 --> 01:03:16,660

opening up their chakras abruptly and

1160

01:03:21,250 --> 01:03:18,980

suddenly are in trouble

1161

01:03:30,069 --> 01:03:21,260

because they've gone too far too fast

1162

01:03:34,260 --> 01:03:30,079

and opening oneself up too quickly is

1163

01:03:37,210 --> 01:03:34,270

not a good idea because we've heard that

1164

01:03:39,609 --> 01:03:37,220

yeah and you probably have experienced

1165

01:03:41,230 --> 01:03:39,619

some things about nature and you've

1166

01:03:47,230 --> 01:03:41,240

experienced some people who have been

1167

01:03:50,050 --> 01:03:47,240

very hurt by that so again I would

1168

01:03:54,870 --> 01:03:50,060

recommend the advice I gave about the

1169

01:04:00,839 --> 01:03:54,880

person who wants to run the high hurdles

1170

01:04:10,230 --> 01:04:00,849

try start step by step little by little

1171

01:04:16,060 --> 01:04:10,240

success start too fast not success so we

1172

01:04:19,210 --> 01:04:16,070

humankind we're not yet built to create

1173

01:04:21,190 --> 01:04:19,220

stars and planets out of ourselves if we

1174

01:04:22,180 --> 01:04:21,200

ever will be I don't know it's a

1175

01:04:25,960 --> 01:04:22,190

possibility

1176

01:04:32,020 --> 01:04:25,970

we certainly I think play a role in the

1177

01:04:33,849 --> 01:04:32,030

qualities of such entities but not that

1178

01:04:37,140 --> 01:04:33,859

Orthodox science knows anything about

1179

01:04:41,109 --> 01:04:37,150

that nor will it for a long long time

1180

01:04:44,559 --> 01:04:41,119

well you talk a lot about the different

1181

01:04:46,030 --> 01:04:44,569

stages of our own human evolution and I

1182

01:04:49,599 --> 01:04:46,040

think that's an important thing to cover

1183

01:04:51,490 --> 01:04:49,609

in in light of what we're discussing you

1184

01:04:53,349 --> 01:04:51,500

start out with the first level which is

1185

01:04:55,839 --> 01:04:53,359

survival and then you go through several

1186

01:04:58,960 --> 01:04:55,849

levels until you come to the level at

1187

01:05:03,010 --> 01:04:58,970

the top which is one of service and it

1188

01:05:05,160 --> 01:05:03,020

sounds yes you are already at that level

1189

01:05:08,260 --> 01:05:05,170

with the technology that you're using

1190

01:05:10,960 --> 01:05:08,270

because maybe yes maybe no and the

1191

01:05:14,050 --> 01:05:10,970

question is I don't know how much the

1192

01:05:19,790 --> 01:05:17,150

right but it I mean it in the

1193

01:05:22,820 --> 01:05:19,800

experiments that you're doing these days

1194

01:05:28,010 --> 01:05:22,830

it is all geared towards helping other

1195

01:05:29,630 --> 01:05:28,020

people and yes helping people to

1196

01:05:31,340 --> 01:05:29,640

function better like the autistic

1197

01:05:34,040 --> 01:05:31,350

children and their families too which

1198

01:05:36,680 --> 01:05:34,050

are so good by us so it's uh it's

1199

01:05:39,860 --> 01:05:36,690

already in a service kind of a place

1200

01:05:42,590 --> 01:05:39,870

which is very inspiring and that's

1201

01:05:45,020 --> 01:05:42,600

something we can all hopefully achieve

1202

01:05:48,890 --> 01:05:45,030

in our own lives in different ways we

1203

01:05:52,430 --> 01:05:48,900

can all be kind to each other we can all

1204

01:05:58,130 --> 01:05:52,440

have the attention to radiate the best

1205

01:06:00,980 --> 01:05:58,140

that we are to our fellows you know all

1206

01:06:03,470 --> 01:06:00,990

of us to do that yes we can all make an

1207

01:06:05,120 --> 01:06:03,480

effort to do that now I have a question

1208

01:06:05,960 --> 01:06:05,130

too and I think everybody will find this

1209

01:06:09,230 --> 01:06:05,970

interesting

1210

01:06:11,690 --> 01:06:09,240

you talk about the conscious mind being

1211

01:06:15,230 --> 01:06:11,700

able to process information at a certain

1212

01:06:17,210 --> 01:06:15,240

speed and the unconscious mind can

1213

01:06:18,470 --> 01:06:17,220

process a certain speed can you tell us

1214

01:06:21,590 --> 01:06:18,480

a little bit more about that

1215

01:06:24,590 --> 01:06:21,600

well the experimental data that that I

1216

01:06:29,780 --> 01:06:24,600

have seen and there was a book written

1217

01:06:33,110 --> 01:06:29,790

by a man named of tor Nora trenders from

1218

01:06:36,980 --> 01:06:33,120

Denmark and the book's title I think was

1219

01:06:39,440 --> 01:06:36,990

something like cutting cutting

1220

01:06:41,960 --> 01:06:39,450

consciousness down to size but the data

1221

01:06:44,510 --> 01:06:41,970

that's relevant is the following the

1222

01:06:50,640 --> 01:06:44,520

conscious mind appears to have the

1223

01:06:56,350 --> 01:06:54,400

manipulating dealing with less than 50

1224

01:07:00,400 --> 01:06:56,360

bits of information per second and

1225

01:07:03,670 --> 01:07:00,410

perhaps less than 12 the unconscious

1226

01:07:08,170 --> 01:07:03,680

mind has appears to have the capability

1227

01:07:13,360 --> 01:07:08,180

of manipulating more than 50 million

1228

01:07:15,640 --> 01:07:13,370

bits of information per second huge

1229

01:07:18,820 --> 01:07:15,650

difference that's a huge difference and

1230

01:07:24,190 --> 01:07:18,830

so it says let us look at that carefully

1231

01:07:27,430 --> 01:07:24,200

it says that the unconscious is doing

1232

01:07:31,290 --> 01:07:27,440

all the work almost all the work if not

1233

01:07:37,590 --> 01:07:31,300

all the work you know making plots

1234

01:07:40,540 --> 01:07:37,600

making calculations making reports and

1235

01:07:43,810 --> 01:07:40,550

creating little putting together little

1236

01:07:47,340 --> 01:07:43,820

kernels of information which it feeds to

1237

01:07:54,040 --> 01:07:47,350

the conscious mind so the conscious mind

1238

01:07:57,040 --> 01:07:54,050

can feel and it's involved and alive but

1239

01:08:00,880 --> 01:07:57,050

the the only kind of data that gets sent

1240

01:08:04,210 --> 01:08:00,890

in this way is the data that the

1241

01:08:06,370 --> 01:08:04,220

conscious mind gives meaning to if the

1242

01:08:08,530 --> 01:08:06,380

conscious mind gives no meaning to it

1243

01:08:13,510 --> 01:08:08,540

then the information it appears to get

1244

01:08:16,240 --> 01:08:13,520

dumped so that's things what for us to

1245

01:08:19,900 --> 01:08:16,250

grow in consciousness it means we must

1246

01:08:25,210 --> 01:08:19,910

give more things meaning then and truly

1247

01:08:29,500 --> 01:08:25,220

and truly intend that that that

1248

01:08:32,770 --> 01:08:29,510

information is meaningful to us etc etc

1249

01:08:37,120 --> 01:08:32,780

I mean this again we can begin to see

1250

01:08:40,630 --> 01:08:37,130

the importance of intention yes for us

1251
01:08:42,820 --> 01:08:40,640
to gather this information because your

1252
01:08:45,820 --> 01:08:42,830
unconscious is doing huge amounts of

1253
01:08:50,530 --> 01:08:45,830
work for you if you allow it if you

1254
01:08:55,270 --> 01:08:52,980
that's part of the path that's why you

1255
01:08:58,030 --> 01:08:55,280
meditate that's why you're looking

1256
01:09:01,690 --> 01:08:58,040
deeper into nature deeper into the

1257
01:09:05,770 --> 01:09:01,700
universe and we're becoming we're

1258
01:09:10,060 --> 01:09:05,780
becoming more and more these are parts

1259
01:09:15,280 --> 01:09:10,070
of things that we need to do we all can

1260
01:09:21,370 --> 01:09:15,290
do it we're all part of the divine we're

1261
01:09:24,760 --> 01:09:21,380
all souls the connection between the

1262
01:09:28,450 --> 01:09:24,770
soul and what we call the body and that

1263
01:09:30,390 --> 01:09:28,460

body is just like a car it's just like a

1264

01:09:34,650 --> 01:09:30,400

diving bell to go down to the ocean

1265

01:09:37,240 --> 01:09:34,660

bottom of the ocean and do things the

1266

01:09:40,060 --> 01:09:37,250

the connection on one side of the

1267

01:09:45,700 --> 01:09:40,070

acupuncture meridian system is with the

1268

01:09:47,770 --> 01:09:45,710

soul self on the other side if Chi is

1269

01:09:51,490 --> 01:09:47,780

flowing through the acupuncture meridian

1270

01:09:53,920 --> 01:09:51,500

systems it is activating electric

1271

01:09:57,610 --> 01:09:53,930

currents in the electric atom molecule

1272

01:10:01,270 --> 01:09:57,620

body of the bio bodysuit so you can

1273

01:10:07,170 --> 01:10:01,280

begin to see how communication can occur

1274

01:10:11,200 --> 01:10:07,180

between our eternal and indivisible and

1275

01:10:14,770 --> 01:10:11,210

invisible pardon me our self the soul

1276

01:10:17,860 --> 01:10:14,780

self and all the way to the outermost

1277

01:10:21,490 --> 01:10:17,870

level of the bio bodysuit and all

1278

01:10:24,790 --> 01:10:21,500

between ultimately flow back and forth

1279

01:10:28,960 --> 01:10:24,800

of information giving meaning to these

1280

01:10:34,570 --> 01:10:28,970

pieces of information work on them and

1281

01:10:37,450 --> 01:10:34,580

make them just don't swallow the stuff

1282

01:10:40,420 --> 01:10:37,460

whole right and is I think it's so

1283

01:10:42,730 --> 01:10:40,430

important to when people want to put an

1284

01:10:44,890 --> 01:10:42,740

intention out there to tune into their

1285

01:10:47,410 --> 01:10:44,900

body to see how it feels because you

1286

01:10:49,240 --> 01:10:47,420

could really if you're sensitive and I

1287

01:10:51,330 --> 01:10:49,250

know most of our audience members if not

1288

01:10:54,460 --> 01:10:51,340

all are very tuned into themselves and

1289

01:10:57,160 --> 01:10:54,470

you can feel when you're not coherent

1290

01:10:58,810 --> 01:10:57,170

you can actually feel the energy kind of

1291

01:11:01,900 --> 01:10:58,820

splinter off in a different direction

1292

01:11:02,810 --> 01:11:01,910

when you put an intent out there and you

1293

01:11:05,980 --> 01:11:02,820

can

1294

01:11:09,370 --> 01:11:05,990

kill yourself anywhere in your body just

1295

01:11:13,570 --> 01:11:09,380

put your attention on it and intend that

1296

01:11:18,910 --> 01:11:15,470

consistent with the rest of your body

1297

01:11:21,680 --> 01:11:18,920

thank you with the rest of your body etc

1298

01:11:25,990 --> 01:11:21,690

yes I don't know I've no real expert but

1299

01:11:28,460 --> 01:11:26,000

I I have a lot of working hypotheses

1300

01:11:29,920 --> 01:11:28,470

experiment you're saying because you

1301

01:11:33,260 --> 01:11:29,930

know it's time to take the power back

1302

01:11:35,480 --> 01:11:33,270

it's time to to really take everything

1303

01:11:38,330 --> 01:11:35,490

inside and know that we are ultimately

1304

01:11:40,460 --> 01:11:38,340

responsible for our health for our

1305

01:11:43,100 --> 01:11:40,470

welfare and for the conditions on the

1306

01:11:45,530 --> 01:11:43,110

planet so it's really girl let me say

1307

01:11:49,340 --> 01:11:45,540

something yeah if I could say one

1308

01:11:54,080 --> 01:11:49,350

another thing relative to the David

1309

01:11:55,820 --> 01:11:54,090

Hawkins work the number 200 in

1310

01:11:57,860 --> 01:11:55,830

consciousness is an important one

1311

01:12:01,340 --> 01:11:57,870

because below 200

1312

01:12:04,460 --> 01:12:01,350

it means anti-life like what we might

1313

01:12:09,940 --> 01:12:04,470

think of Isis or ISIL in the Middle East

1314

01:12:16,460 --> 01:12:09,950

but above 500 is unconditional love and

1315

01:12:20,350 --> 01:12:16,470

a lot of humanity in at least the u.s.

1316

01:12:24,970 --> 01:12:20,360

world and many other worlds we've

1317

01:12:28,940 --> 01:12:24,980

something really important is going on

1318

01:12:33,050 --> 01:12:28,950

even 25 years ago David Hawkins made

1319

01:12:35,990 --> 01:12:33,060

certain statements and they are much

1320

01:12:39,140 --> 01:12:36,000

less than what we were able to do with

1321

01:12:40,550 --> 01:12:39,150

our broadcasting and I don't think it

1322

01:12:42,680 --> 01:12:40,560

means that he was wrong

1323

01:12:47,300 --> 01:12:42,690

it just means we have come a long way in

1324

01:12:51,100 --> 01:12:47,310

the last 25 years it's just like the

1325

01:12:53,870 --> 01:12:51,110

placebo effect there was there was data

1326

01:12:59,570 --> 01:12:53,880

provided when I was looking at this

1327

01:13:01,820 --> 01:12:59,580

stuff back in about 1990 in 20 years

1328

01:13:07,100 --> 01:13:01,830

before that the placebo effect was maybe

1329

01:13:12,920 --> 01:13:07,110

as much as 5% and then in the last 25

1330

01:13:16,010 --> 01:13:12,930

years it's gone up to 70% 75% and that

1331

01:13:16,550 --> 01:13:16,020

sort of implies that some kind of

1332

01:13:23,570 --> 01:13:16,560

coupler

1333

01:13:27,260 --> 01:13:23,580

have created with our device you know

1334

01:13:30,380 --> 01:13:27,270

some kind of coupler which connects the

1335

01:13:38,720 --> 01:13:30,390

superluminal part with the subluminal

1336

01:13:40,790 --> 01:13:38,730

part of nature and so that and and I

1337

01:13:43,850 --> 01:13:40,800

proposed that it became a route to

1338

01:13:46,280 --> 01:13:43,860

reciprocal subspaces one of which was

1339

01:13:49,100 --> 01:13:46,290

distance time the other one was its

1340

01:13:53,380 --> 01:13:49,110

reciprocal because it was a reciprocal

1341

01:13:56,180 --> 01:13:53,390

the mathematics suggests that for the

1342

01:13:59,030 --> 01:13:56,190

distance time subspace we have a lot of

1343

01:14:01,460 --> 01:13:59,040

that data so the properties of a

1344

01:14:02,750 --> 01:14:01,470

material are the properties of distance

1345

01:14:06,410 --> 01:14:02,760

time that's the way they've been in the

1346

01:14:10,130 --> 01:14:06,420

past but when I do these experiments to

1347

01:14:12,740 --> 01:14:10,140

connect to the other level of the

1348

01:14:14,930 --> 01:14:12,750

reciprocal level of reality then there

1349

01:14:17,540 --> 01:14:14,940

is a conjugate part of that level and

1350

01:14:19,730 --> 01:14:17,550

I've created something which is the sum

1351

01:14:21,890 --> 01:14:19,740

of the two or the difference of the two

1352

01:14:25,040 --> 01:14:21,900

so the properties of the material get

1353

01:14:28,100 --> 01:14:25,050

changed now it doesn't mean that this is

1354

01:14:31,130 --> 01:14:28,110

alchemy in the old sense it means it's

1355

01:14:36,320 --> 01:14:31,140

metastable thermodynamics we have to re

1356

01:14:38,780 --> 01:14:36,330

pump re and print our device every three

1357

01:14:41,240 --> 01:14:38,790

months stare about because if we want to

1358

01:14:46,070 --> 01:14:41,250

keep it it leaks the engineering isn't

1359

01:14:49,280 --> 01:14:46,080

good enough yet it leaks and so we'll

1360

01:14:51,620 --> 01:14:49,290

just decay but if we reimprinting

1361

01:14:57,190 --> 01:14:51,630

and we can keep it at a high level which

1362

01:14:58,730 --> 01:14:57,200

we do for one year two years three years

1363

01:15:01,580 --> 01:14:58,740

time will tell

1364

01:15:04,850 --> 01:15:01,590

yes again it's just amazing what is

1365

01:15:06,560 --> 01:15:04,860

possible with this technology and that

1366

01:15:08,360 --> 01:15:06,570

you found a way to measure things I

1367

01:15:13,370 --> 01:15:08,370

remember working for Bob Monroe at the

1368

01:15:16,220 --> 01:15:13,380

Monroe Institute and I'm sure yeah he

1369

01:15:18,020 --> 01:15:16,230

was a great man and Bob used to say this

1370

01:15:20,330 --> 01:15:18,030

is so many years ago anyone tell you how

1371

01:15:22,730 --> 01:15:20,340

many years ago this was but Bob would

1372

01:15:23,810 --> 01:15:22,740

say we don't have the technology to

1373

01:15:26,450 --> 01:15:23,820

measure the stuff yet we're only

1374

01:15:28,299 --> 01:15:26,460

measuring the exhaust that the car is

1375

01:15:30,369 --> 01:15:28,309

putting out we don't a good

1376

01:15:31,629 --> 01:15:30,379

for we don't have the technology to

1377

01:15:34,449 --> 01:15:31,639

measure the engine and everything it

1378

01:15:36,459 --> 01:15:34,459

makes this run so yes but I think bill

1379

01:15:38,169 --> 01:15:36,469

you're there I mean you're you're

1380

01:15:41,529 --> 01:15:38,179

definitely you found a way to measure

1381

01:15:46,419 --> 01:15:41,539

this I'm on that let's let's say I'm on

1382

01:15:51,729 --> 01:15:46,429

the path and I'm I'm moving on to bigger

1383

01:15:53,829 --> 01:15:51,739

events as time goes on we'll see yeah

1384

01:15:55,869 --> 01:15:53,839

it is exciting it is great adventure I

1385

01:15:58,270 --> 01:15:55,879

mean I think for the Orthodox science

1386

01:16:00,250 --> 01:15:58,280

community for them to open their minds

1387

01:16:03,129 --> 01:16:00,260

just start thinking about this

1388

01:16:06,429 --> 01:16:03,139

meaningfully giving it meaning they're

1389

01:16:09,279 --> 01:16:06,439

bright capable people there's so much

1390

01:16:11,009 --> 01:16:09,289

for them to know if they will just start

1391

01:16:13,929 --> 01:16:11,019

to give it meaning

1392

01:16:18,129 --> 01:16:13,939

and not dismiss it because that's what

1393

01:16:21,369 --> 01:16:18,139

they like to do it's it is a cop out

1394

01:16:24,520 --> 01:16:21,379

that's exactly right I agree it is and

1395

01:16:27,299 --> 01:16:24,530

it's just trying to hang on to some old

1396

01:16:29,709 --> 01:16:27,309

way that doesn't even make sense anymore

1397

01:16:32,559 --> 01:16:29,719

no but you can understand it's a very

1398

01:16:35,189 --> 01:16:32,569

human sort of thing things that are new

1399

01:16:38,739 --> 01:16:35,199

to many people are frightening and

1400

01:16:42,549 --> 01:16:38,749

especially if it bumps up against their

1401

01:16:45,699 --> 01:16:42,559

own power structure their own egos it's

1402

01:16:47,589 --> 01:16:45,709

challenging yes and I could feel for

1403

01:16:53,349 --> 01:16:47,599

them but I'd like them to get off the

1404

01:16:56,290 --> 01:16:53,359

pot I think it also has a lot to do with

1405

01:16:58,599 --> 01:16:56,300

this false sense of control and if they

1406

01:17:01,270 --> 01:16:58,609

start entertaining what you're

1407

01:17:04,869 --> 01:17:01,280

presenting I would imagine the control

1408

01:17:07,119 --> 01:17:04,879

freak out is is going to that's all I

1409

01:17:10,299 --> 01:17:07,129

have to do is be willing to look at it I

1410

01:17:13,929 --> 01:17:10,309

provided 50 years of data for them out

1411

01:17:16,479 --> 01:17:13,939

there but it's scary for them I I do

1412

01:17:19,659 --> 01:17:16,489

understand that because it violates

1413

01:17:21,429 --> 01:17:19,669

their belief system yes I mean just

1414

01:17:23,529 --> 01:17:21,439

think if everything PK and I talked

1415

01:17:35,319 --> 01:17:23,539

about on the show with all our wonderful

1416

01:17:38,229 --> 01:17:35,329

guests is scary it's good fun - it is

1417

01:17:40,239 --> 01:17:38,239

and and again this is very life-giving

1418

01:17:41,800 --> 01:17:40,249

the again the potential of this

1419

01:17:43,870 --> 01:17:41,810

technology and everything you

1420

01:17:45,670 --> 01:17:43,880

doing with the power of intention to

1421

01:17:48,790 --> 01:17:45,680

really change things for the better it's

1422

01:17:51,130 --> 01:17:48,800

it's very very wonderful to hear about

1423

01:17:53,200 --> 01:17:51,140

it from you and for all of our audience

1424

01:17:56,440 --> 01:17:53,210

to be a part of this exciting

1425

01:17:59,290 --> 01:17:56,450

transformation and again you can go to

1426

01:18:00,820 --> 01:17:59,300

tiller org and also the other website

1427

01:18:02,950 --> 01:18:00,830

tiller Institute com

1428

01:18:05,170 --> 01:18:02,960

either one will take you the same place

1429

01:18:07,810 --> 01:18:05,180

actually and you can take a look at this

1430

01:18:09,340 --> 01:18:07,820

device and see if it's something you

1431

01:18:10,900 --> 01:18:09,350

want to experiment with now I would

1432

01:18:13,810 --> 01:18:10,910

imagine Bill you want to hear from

1433

01:18:16,570 --> 01:18:13,820

people and how successful they've been

1434

01:18:20,650 --> 01:18:16,580

one thing I'd love to hear that I think

1435

01:18:25,510 --> 01:18:20,660

I'd like to see people really try make

1436

01:18:29,110 --> 01:18:25,520

make make a solid effort you know it is

1437

01:18:33,370 --> 01:18:29,120

easy to give pap and it's easy to

1438

01:18:37,140 --> 01:18:33,380

convince people that don't know but good

1439

01:18:40,060 --> 01:18:37,150

stuff honest stuff integrity stuff

1440

01:18:44,490 --> 01:18:40,070

that's solid proof is in the pudding

1441

01:18:49,000 --> 01:18:44,500

make the effort keep making the effort

1442

01:18:50,470 --> 01:18:49,010

and why not exactly now if someone buys

1443

01:18:53,620 --> 01:18:50,480

this device let me just ask this

1444

01:18:55,180 --> 01:18:53,630

question and do you have a support staff

1445

01:18:56,650 --> 01:18:55,190

or somebody they can call if they have

1446

01:18:59,730 --> 01:18:56,660

questions and they want to work with us

1447

01:19:03,820 --> 01:18:59,740

so they they might need help

1448

01:19:08,040 --> 01:19:03,830

well they might need a little help you

1449

01:19:10,420 --> 01:19:08,050

would have to yeah you probably have to

1450

01:19:16,330 --> 01:19:10,430

think they won't want to give up their

1451

01:19:21,010 --> 01:19:16,340

time but within limits will give help if

1452

01:19:24,580 --> 01:19:21,020

people write me an email bill at Dillard

1453

01:19:27,460 --> 01:19:24,590

org and have a question especially if

1454

01:19:31,210 --> 01:19:27,470

they have serious questions that I have

1455

01:19:35,700 --> 01:19:31,220

time to listen to those and to respond I

1456

01:19:39,610 --> 01:19:35,710

did my best but but I don't I don't

1457

01:19:42,810 --> 01:19:39,620

expect to do things for other people I'm

1458

01:19:45,700 --> 01:19:42,820

you know other than help them come awake

1459

01:19:47,650 --> 01:19:45,710

right that's right you want them to do

1460

01:19:49,510 --> 01:19:47,660

their own work and to pay attention to

1461

01:19:52,390 --> 01:19:49,520

themselves and see how far they can get

1462

01:19:54,310 --> 01:19:52,400

awakening which again is a very exciting

1463

01:19:55,479 --> 01:19:54,320

journey that I would hope we're all on

1464

01:19:57,370 --> 01:19:55,489

and

1465

01:19:59,259 --> 01:19:57,380

I know our audiences we've got a great

1466

01:20:01,720 --> 01:19:59,269

audience they're real smart real sharp

1467

01:20:03,399 --> 01:20:01,730

people and they understand the concepts

1468

01:20:05,200 --> 01:20:03,409

that are involved with this and what

1469

01:20:07,000 --> 01:20:05,210

might be fun is that anybody in the

1470

01:20:08,290 --> 01:20:07,010

audience is going to purchase this

1471

01:20:10,870 --> 01:20:08,300

device let us know

1472

01:20:12,669 --> 01:20:10,880

then PK and I can share our experiences

1473

01:20:14,439 --> 01:20:12,679

with you and we'll see what happens and

1474

01:20:17,080 --> 01:20:14,449

then we can report back to you Bill and

1475

01:20:19,270 --> 01:20:17,090

let you know that our little group here

1476

01:20:23,560 --> 01:20:19,280

at Supernatural girls is achieving that

1477

01:20:25,629 --> 01:20:23,570

would be a fun thing to do so oh my

1478

01:20:28,689 --> 01:20:25,639

goodness what a great show you know bill

1479

01:20:31,600 --> 01:20:28,699

can't thank you enough for taking your

1480

01:20:34,180 --> 01:20:31,610

time we know you're very busy to come on

1481

01:20:36,459 --> 01:20:34,190

the show and share all of what you know

1482

01:20:40,959 --> 01:20:36,469

with our audience and what is possible

1483

01:20:43,660 --> 01:20:40,969

it is so exciting and so hopeful to hear

1484

01:20:45,609 --> 01:20:43,670

this information coming from you tonight

1485

01:20:49,779 --> 01:20:45,619

it's just been wonderful thank you so

1486

01:20:51,580 --> 01:20:49,789

much it's been a delight feel

1487

01:20:54,790 --> 01:20:51,590

rejuvenated much more information

1488

01:20:56,950 --> 01:20:54,800

together that's right so look everybody

1489

01:20:59,649 --> 01:20:56,960

we're going to have to say good night I

1490

01:21:01,720 --> 01:20:59,659

also want to let you know our engineers

1491

01:21:03,879 --> 01:21:01,730

are abandoning us to go on vacation how

1492

01:21:08,140 --> 01:21:03,889

dare they it's so immature

1493

01:21:10,810 --> 01:21:08,150

I know so next week we will not have a

1494

01:21:13,720 --> 01:21:10,820

live show but we are going to repeat the

1495

01:21:17,020 --> 01:21:13,730

Eddie Edwards show that is one if you

1496

01:21:19,629 --> 01:21:17,030

missed it tune in it will air at our

1497

01:21:20,890 --> 01:21:19,639

normal time 7:30 to 9:00 the week after

1498

01:21:24,459 --> 01:21:20,900

we're going to be back with a brand new

1499

01:21:26,049 --> 01:21:24,469

show and you got to keep tuning in it

1500

01:21:28,359 --> 01:21:26,059

just keeps getting more exciting

1501

01:21:32,379 --> 01:21:28,369

everybody so thank you so much for
