paranormal experts in this world and

8  
00:00:48,540 --> 00:00:42,910  
here's your host paranormal researcher

9  
00:01:06,039 --> 00:01:03,539  
[Music]

10  
00:01:09,070 --> 00:01:06,049  
welcome everybody to another exciting

11  
00:01:10,240 --> 00:01:09,080  
show of supernatural Girls radio I am

12  
00:01:12,820 --> 00:01:10,250  
your host

13  
00:01:16,090 --> 00:01:12,830

Patricia Baker I am here with my co-host

14

00:01:18,670 --> 00:01:16,100

all the way from Tucson Patricia Kirkman

15

00:01:21,999 --> 00:01:18,680

PK how are you tonight absolutely

16

00:01:24,999 --> 00:01:22,009

fabulous and cannot wait for our special

17

00:01:27,279 --> 00:01:25,009

guest tonight oh my god the show going

18

00:01:28,630 --> 00:01:27,289

to be the most exciting show ever don't

19

00:01:31,270 --> 00:01:28,640

you think I think so

20

00:01:35,290 --> 00:01:31,280

I have to agree with you yes it will be

21

00:01:37,330 --> 00:01:35,300

I am certain of that now we're not going

22

00:01:41,830 --> 00:01:37,340

to do too much you know chitter-chatter

23

00:01:44,160 --> 00:01:41,840

like we normally do because this guest

24

00:01:46,389 --> 00:01:44,170

has so much to share with us tonight so

25

00:01:48,309 --> 00:01:46,399

we're going to talk about the numbers

26

00:01:49,809 --> 00:01:48,319

because it looks like all hell's

27

00:01:52,539 --> 00:01:49,819

breaking loose with North Korea and

28

00:01:54,190 --> 00:01:52,549

other things so what's going on what do

29

00:01:56,770 --> 00:01:54,200

we have to look out for tonight and

30

00:01:58,449 --> 00:01:56,780

tomorrow I think the most important part

31

00:02:00,370 --> 00:01:58,459

is this is the new month let's just talk

32

00:02:02,289 --> 00:02:00,380

about the month of the day the month

33

00:02:04,179 --> 00:02:02,299

itself deals with everybody wanting

34

00:02:06,429 --> 00:02:04,189

something to be perfect we know that

35

00:02:09,130 --> 00:02:06,439

that doesn't work and too many people

36

00:02:10,690 --> 00:02:09,140

are trying to put their nose into

37

00:02:11,800 --> 00:02:10,700

positions that they're not supposed to

38

00:02:14,319 --> 00:02:11,810

be which is going to create some

39

00:02:18,009 --> 00:02:14,329

backlash that might be part of what

40

00:02:19,479 --> 00:02:18,019

we're seeing on the world stage but for

41

00:02:21,849 --> 00:02:19,489

the most part it's all about family

42

00:02:24,009 --> 00:02:21,859

family type situations and really

43

00:02:27,580 --> 00:02:24,019

working in a way that's more positive

44

00:02:30,460 --> 00:02:27,590

but alternative medicines alternative

45

00:02:32,710 --> 00:02:30,470

avenues anything that we could find and

46

00:02:35,259 --> 00:02:32,720

the alternative side will work very well

47

00:02:37,150 --> 00:02:35,269

for us if we try to go the old

48

00:02:40,810 --> 00:02:37,160

conventional route we're going to have

49

00:02:42,640 --> 00:02:40,820

some major problems well that sounds

50

00:02:45,430 --> 00:02:42,650

reasonable to me I'm always for the

51  
00:02:48,880 --> 00:02:45,440  
alternative way so that sounds like a

52  
00:02:50,620 --> 00:02:48,890  
plan I like it I like it a lot directing

53  
00:02:53,289 --> 00:02:50,630  
to the point that's what we've got going

54  
00:02:54,940 --> 00:02:53,299  
on right now and there's nothing that's

55  
00:02:57,610 --> 00:02:54,950  
going to change this at this point in

56  
00:03:02,170 --> 00:02:57,620  
time it's just get on the wagon and ride

57  
00:03:04,630 --> 00:03:02,180  
the course alright we're gonna ride yeah

58  
00:03:08,289 --> 00:03:04,640  
I wanted to let everybody know we are

59  
00:03:11,349 --> 00:03:08,299  
now on video yeah how about it our

60  
00:03:12,320 --> 00:03:11,359  
audience can now watch us as we talk to

61  
00:03:15,440 --> 00:03:12,330  
them and to

62  
00:03:19,610 --> 00:03:15,450  
each other and what they need to do is

63  
00:03:23,990 --> 00:03:19,620

go to the chatroom irn chat dot-com

64

00:03:28,490 --> 00:03:24,000

that's IRM chat comm click on the menu

65

00:03:30,410 --> 00:03:28,500

and click on tube and if you do that

66

00:03:33,920 --> 00:03:30,420

you're going to be able to see us how

67

00:03:36,790 --> 00:03:33,930

cool is that you can see all three of us

68

00:03:39,230 --> 00:03:36,800

tonight so I'm excited to share our

69

00:03:41,480 --> 00:03:39,240

little faces with the rest of our

70

00:03:43,670 --> 00:03:41,490

audience you can still write questions

71

00:03:46,610 --> 00:03:43,680

in the chat room we will ask them of our

72

00:03:48,950 --> 00:03:46,620

guest tonight on your behalf and also we

73

00:03:51,770 --> 00:03:48,960

do have some terrific stories on our

74

00:03:54,230 --> 00:03:51,780

Facebook page we have a trail cam shot

75

00:03:56,630 --> 00:03:54,240

of a little girl is it a little girl

76

00:03:59,150 --> 00:03:56,640

that's the question is it a ghost a

77

00:04:01,250 --> 00:03:59,160

little girl or blackguard kid we want to

78

00:04:03,260 --> 00:04:01,260

hear from you what do you think it is go

79

00:04:05,990 --> 00:04:03,270

to our Facebook page take a look and

80

00:04:08,360 --> 00:04:06,000

Kurt Russell he's come out of the

81

00:04:11,660 --> 00:04:08,370

connivance said he had a UFO experience

82

00:04:13,580 --> 00:04:11,670

with his son so he has announced that to

83

00:04:16,820 --> 00:04:13,590

the world hooray Thank You Kurt for

84

00:04:18,409 --> 00:04:16,830

sharing that with the rest of us so it's

85

00:04:20,750 --> 00:04:18,419

good to hear from people who are

86

00:04:22,760 --> 00:04:20,760

celebrities and have these experiences

87

00:04:25,640 --> 00:04:22,770

and aren't afraid to come out and tell

88

00:04:27,680 --> 00:04:25,650

people about it right I think it's

89

00:04:29,540 --> 00:04:27,690

important that we share the information

90

00:04:32,659 --> 00:04:29,550

we have too many people have been

91

00:04:34,250 --> 00:04:32,669

fearful because of being put down by

92

00:04:36,680 --> 00:04:34,260

their neighbors or friends or family

93

00:04:38,240 --> 00:04:36,690

members you know let's face it anybody

94

00:04:40,909 --> 00:04:38,250

today that does something that is

95

00:04:42,610 --> 00:04:40,919

considered a little bit off-color the

96

00:04:44,810 --> 00:04:42,620

whole world goes a little crazy over it

97

00:04:46,970 --> 00:04:44,820

well yeah and that's kind of come to a

98

00:04:48,680 --> 00:04:46,980

stop we're sick of it you know all of

99

00:04:50,900 --> 00:04:48,690

the people that we know all of the

100

00:04:53,140 --> 00:04:50,910

friends we have that are true object to

101  
00:04:55,460 --> 00:04:53,150  
you that have had these UFO encounters

102  
00:04:56,840 --> 00:04:55,470  
you know we open our hearts to them we

103  
00:04:58,700 --> 00:04:56,850  
love these people because they've had

104  
00:05:01,190 --> 00:04:58,710  
the courage to come out and talk about

105  
00:05:03,140 --> 00:05:01,200  
it Travis to Walt and Betty Andres and

106  
00:05:05,030 --> 00:05:03,150  
Bob Luka you know they're all a part of

107  
00:05:07,460 --> 00:05:05,040  
our tribe here you've all been on the

108  
00:05:10,219 --> 00:05:07,470  
show they've all come and shared their

109  
00:05:13,880 --> 00:05:10,229  
truth and that's what it is it's the

110  
00:05:17,330 --> 00:05:13,890  
truth the tonight we are honored I mean

111  
00:05:20,930 --> 00:05:17,340  
honored to have with us a great guest

112  
00:05:22,279 --> 00:05:20,940  
John Edmonds and you know I love the

113  
00:05:25,219 --> 00:05:22,289

fact that John's going to come out and

114

00:05:26,150 --> 00:05:25,229

talk about his alien ranch experiences

115

00:05:29,600 --> 00:05:26,160

but you know what I love

116

00:05:33,620 --> 00:05:29,610

most of us John he has a heart as big as

117

00:05:37,550 --> 00:05:33,630

he is he is all heart don't you think I

118

00:05:40,010 --> 00:05:37,560

think at least bigger that's right and

119

00:05:42,770 --> 00:05:40,020

it's great it is so great to have

120

00:05:45,260 --> 00:05:42,780

somebody on the show is such a big heart

121

00:05:47,360 --> 00:05:45,270

John besides all the other things that

122

00:05:48,500 --> 00:05:47,370

he's involved with he has a charity and

123

00:05:50,930 --> 00:05:48,510

I'm going to announce this right now

124

00:05:53,180 --> 00:05:50,940

because it's really important now that

125

00:05:56,350 --> 00:05:53,190

we have everybody's attention the name

126

00:06:02,330 --> 00:05:56,360

of it is called hopeful homes a cello

127

00:06:04,010 --> 00:06:02,340

ves dot-org it is a 501 C 3 and I want

128

00:06:08,960 --> 00:06:04,020

to urge everybody in our audience to

129

00:06:11,240 --> 00:06:08,970

donate to this charity it is to save the

130

00:06:13,790 --> 00:06:11,250

horses that have been abandoned out in

131

00:06:14,930 --> 00:06:13,800

the Arizona desert I mean John has taken

132

00:06:17,390 --> 00:06:14,940

us upon himself

133

00:06:19,760 --> 00:06:17,400

he's also saved dogs that have been left

134

00:06:21,680 --> 00:06:19,770

out in the desert to die I mean this is

135

00:06:23,960 --> 00:06:21,690

a great man and please let's all help

136

00:06:25,700 --> 00:06:23,970

him and his wife with the great work

137

00:06:29,300 --> 00:06:25,710

that they're doing to help these animals

138

00:06:32,000 --> 00:06:29,310

it's very expensive to feed these horses

139

00:06:32,860 --> 00:06:32,010

and it's very expensive if they need

140

00:06:35,540 --> 00:06:32,870

medical care

141

00:06:37,820 --> 00:06:35,550

so I'm asking everybody in the audience

142

00:06:40,250 --> 00:06:37,830

please send whatever you can even if

143

00:06:42,980 --> 00:06:40,260

it's five dollars you can you can send

144

00:06:48,640 --> 00:06:42,990

that you can go right to john's website

145

00:06:52,220 --> 00:06:48,650

which is a lien ranch dot weebly w ee b

146

00:06:55,000 --> 00:06:52,230

ly comm and I'm going to put that on our

147

00:06:58,370 --> 00:06:55,010

site is right so people can find it and

148

00:07:01,100 --> 00:06:58,380

you can find a place there to donate you

149

00:07:03,830 --> 00:07:01,110

can contact John from that page also if

150

00:07:05,750 --> 00:07:03,840

you want to just send a check to the

151  
00:07:08,990 --> 00:07:05,760  
ranch but you'll be doing a great thing

152  
00:07:10,610 --> 00:07:09,000  
and helping out because there there's

153  
00:07:12,880 --> 00:07:10,620  
nobody else really doing the work he's

154  
00:07:15,890 --> 00:07:12,890  
suing as far as I know with these horses

155  
00:07:19,580 --> 00:07:15,900  
so we got a help about everybody so

156  
00:07:21,470 --> 00:07:19,590  
let's do it alright great I like let's

157  
00:07:25,340 --> 00:07:21,480  
get John on this show I can't wait to

158  
00:07:27,920 --> 00:07:25,350  
talk okay guys my god this is great well

159  
00:07:30,170 --> 00:07:27,930

160  
00:07:32,720 --> 00:07:30,180  
known as a Stardust ranch welcome to the

161  
00:07:36,409 --> 00:07:32,730  
show thank you very much thank you for

162  
00:07:39,710 --> 00:07:36,419  
having me it's an honor you've been

163  
00:07:41,390 --> 00:07:39,720

through so much my goodness is so much

164

00:07:45,290 --> 00:07:41,400

to talk about tonight so much to learn

165

00:07:48,680 --> 00:07:45,300

and again we're just honored that you're

166

00:07:49,970 --> 00:07:48,690

with us tell us again a little bit about

167

00:07:52,460 --> 00:07:49,980

the beginning of the story because I

168

00:07:55,430 --> 00:07:52,470

know this was your dream property this

169

00:07:57,710 --> 00:07:55,440

is what you you left thing explore with

170

00:08:01,880 --> 00:07:57,720

to come we actually left the Midwest for

171

00:08:04,880 --> 00:08:01,890

right come out yeah actually what

172

00:08:07,790 --> 00:08:04,890

happened was is that I I am originally

173

00:08:11,900 --> 00:08:07,800

from Evanston Illinois right up next to

174

00:08:14,750 --> 00:08:11,910

Northwestern University and you know I

175

00:08:17,690 --> 00:08:14,760

all my life growing up in Chicago and

176

00:08:20,270 --> 00:08:17,700

Evanston I always watched you know WGN

177

00:08:23,180 --> 00:08:20,280

superstation even before it was a super

178

00:08:25,520 --> 00:08:23,190

station and they always had cowboy you

179

00:08:28,040 --> 00:08:25,530

know TV shows on Saturday and Sunday

180

00:08:31,010 --> 00:08:28,050

mornings decided up and I'd watch you

181

00:08:32,570 --> 00:08:31,020

know the Lone Ranger and I'd watch you

182

00:08:34,820 --> 00:08:32,580

know all these different you know ride

183

00:08:35,990 --> 00:08:34,830

and all these different shows and I

184

00:08:37,700 --> 00:08:36,000

thought man that's the greatest thing in

185

00:08:39,709 --> 00:08:37,710

the world I want to have horses I want

186

00:08:41,149 --> 00:08:39,719

to have a ranch you know I didn't really

187

00:08:45,260 --> 00:08:41,159

want to be a cowboy I just wanted to

188

00:08:47,120 --> 00:08:45,270

have horses and you know and I asked my

189

00:08:49,700 --> 00:08:47,130

mom and my dad and I said why can't we

190

00:08:52,100 --> 00:08:49,710

move to Arizona and I said well you know

191

00:08:54,079 --> 00:08:52,110

we live in Evanston we're not going to

192

00:08:56,270 --> 00:08:54,089

go out there and I said but we can have

193

00:08:58,430 --> 00:08:56,280

horses out there and I like to get no

194

00:08:59,720 --> 00:08:58,440

horses and I said well what is it going

195

00:09:00,920 --> 00:08:59,730

to take for me to get horses and they

196

00:09:02,720 --> 00:09:00,930

said you're going to get a really good

197

00:09:04,370 --> 00:09:02,730

job you're gonna have to save your money

198

00:09:07,220 --> 00:09:04,380

and you're going to have to wait until

199

00:09:09,530 --> 00:09:07,230

you're old enough to do it well I took

200

00:09:11,570 --> 00:09:09,540

that absolutely at heart and I started

201  
00:09:14,270 --> 00:09:11,580  
you know getting paper routes I started

202  
00:09:15,860 --> 00:09:14,280  
taking back soda bottles and you name it

203  
00:09:18,410 --> 00:09:15,870  
whatever I could do I was out there

204  
00:09:21,230 --> 00:09:18,420  
hustling you know all over as hard as I

205  
00:09:24,110 --> 00:09:21,240  
could and saving the money I worked as a

206  
00:09:26,600 --> 00:09:24,120  
golf caddie you name it whatever I could

207  
00:09:28,760 --> 00:09:26,610  
do watch cars you know paint numbers on

208  
00:09:30,829 --> 00:09:28,770  
curves didn't matter what it was and I

209  
00:09:32,450 --> 00:09:30,839  
saved up a heck a lot of money and

210  
00:09:34,670 --> 00:09:32,460  
finally when I get to the point where I

211  
00:09:36,800 --> 00:09:34,680  
thought I had enough I decided to come

212  
00:09:40,220 --> 00:09:36,810  
out and go to school at Arizona State

213  
00:09:42,950 --> 00:09:40,230

University and get my degrees and so I

214

00:09:44,540 --> 00:09:42,960

did that and in the process of you know

215

00:09:46,790 --> 00:09:44,550

I decided after that I started getting

216

00:09:50,030 --> 00:09:46,800

good jobs and I thought hey this is it

217

00:09:51,860 --> 00:09:50,040

I'm going to finally have horses and my

218

00:09:53,360 --> 00:09:51,870

wife and I got together and we decided

219

00:09:53,600 --> 00:09:53,370

that you know okay

220

00:09:54,980 --> 00:09:53,610

my

221

00:09:57,019 --> 00:09:54,990

wife kind of put up with and choose from

222

00:09:58,819 --> 00:09:57,029

Wisconsin and for one thing in whole

223

00:10:01,579 --> 00:09:58,829

life was I don't want to live on a dairy

224

00:10:04,280 --> 00:10:01,589

so I was like well it's not a dairy its

225

00:10:07,579 --> 00:10:04,290

horses are different and so I kind of

226

00:10:09,680 --> 00:10:07,589

grudgingly went along with it and we

227

00:10:11,360 --> 00:10:09,690

ended up you know walking around looking

228

00:10:13,310 --> 00:10:11,370

at all these properties out here we

229

00:10:16,519 --> 00:10:13,320

finally found start us ranch course

230

00:10:18,889 --> 00:10:16,529

wasn't start us ranch back then and you

231

00:10:21,199 --> 00:10:18,899

know we bought it I paid cash for it and

232

00:10:23,870 --> 00:10:21,209

I thought this is my dream I'm finally

233

00:10:24,560 --> 00:10:23,880

going to have horses and you know we

234

00:10:27,980 --> 00:10:24,570

were here

235

00:10:30,079 --> 00:10:27,990

June first in 1996 and from the very

236

00:10:32,750 --> 00:10:30,089

first day that we moved in here things

237

00:10:35,600 --> 00:10:32,760

went crazy the people that we bought the

238

00:10:37,930 --> 00:10:35,610

ranch from didn't move out fact they

239

00:10:41,420 --> 00:10:37,940

just took the cash and they were like

240

00:10:43,190 --> 00:10:41,430

move out what do you mean and we

241

00:10:46,880 --> 00:10:43,200

literally had to you know make

242

00:10:48,470 --> 00:10:46,890

arrangements to move in late and when we

243

00:10:52,009 --> 00:10:48,480

wanted to move in we found all this

244

00:10:54,380 --> 00:10:52,019

stuff in the pool a big big diving pool

245

00:10:57,050 --> 00:10:54,390

behind the house and we had nothing to

246

00:10:59,360 --> 00:10:57,060

do that we weren't even there and as far

247

00:11:01,069 --> 00:10:59,370

as I know the realtor wasn't involved so

248

00:11:02,660 --> 00:11:01,079

I have no idea how it happened and they

249

00:11:05,329 --> 00:11:02,670

never told us and we never saw them

250

00:11:07,370 --> 00:11:05,339

again no no it's just I have a question

251  
00:11:10,790 --> 00:11:07,380  
for you about that stuff like neatly

252  
00:11:12,980 --> 00:11:10,800  
piled up in the swimming pool over there

253  
00:11:14,840 --> 00:11:12,990  
just thrown into the swimming pool it

254  
00:11:18,530 --> 00:11:14,850  
was just thrown it I mean it was such

255  
00:11:21,259 --> 00:11:18,540  
appliances appliances and even stuff hi

256  
00:11:23,120 --> 00:11:21,269  
this is this was yeah I mean this was

257  
00:11:25,610 --> 00:11:23,130  
like you know I felt bad I mean you know

258  
00:11:27,439 --> 00:11:25,620  
I was angry because of what happened but

259  
00:11:29,720 --> 00:11:27,449  
at the same time I thought to myself you

260  
00:11:31,939 --> 00:11:29,730  
know this is their stuff I'm not going

261  
00:11:33,680 --> 00:11:31,949  
to try to keep it or anything so I got a

262  
00:11:35,000 --> 00:11:33,690  
winch and hooked it up to my truck and

263  
00:11:37,699 --> 00:11:35,010

pulled everything out of the pool that

264

00:11:41,120 --> 00:11:37,709

was too big for me to lift and then I

265

00:11:42,769 --> 00:11:41,130

took it and put it up front and people

266

00:11:44,480 --> 00:11:42,779

came and took it it disappeared

267

00:11:47,030 --> 00:11:44,490

so I don't know what happened to it but

268

00:11:48,889 --> 00:11:47,040

somebody used it so that was mystery

269

00:11:53,990 --> 00:11:48,899

number one well they showed never

270

00:11:56,060 --> 00:11:54,000

Arizona after that let it move in it was

271

00:11:58,569 --> 00:11:56,070

only fair that you they had to go

272

00:12:01,939 --> 00:11:58,579

through a bit of an upset themselves

273

00:12:05,540 --> 00:12:01,949

well I don't know I mean I just

274

00:12:07,040 --> 00:12:05,550

from day one things were strange and you

275

00:12:10,730 --> 00:12:07,050

know the

276

00:12:14,090 --> 00:12:10,740

weekend he laughs my wife went back to

277

00:12:16,820 --> 00:12:14,100

work I started calling the phone company

278

00:12:18,590 --> 00:12:16,830

to get a phone and hooked up and it was

279

00:12:20,540 --> 00:12:18,600

like crazy trying to get a phone out

280

00:12:22,730 --> 00:12:20,550

here nobody wanted to come out to the

281

00:12:24,680 --> 00:12:22,740

ranch and they kept making appointments

282

00:12:26,720 --> 00:12:24,690

with me and nobody would show up and

283

00:12:29,960 --> 00:12:26,730

after about the third appointment I

284

00:12:31,519 --> 00:12:29,970

finally got on the you know my cell

285

00:12:34,310 --> 00:12:31,529

phone and I called them and I said look

286

00:12:36,230 --> 00:12:34,320

guys you know I need a phone a regular

287

00:12:38,300 --> 00:12:36,240

landline I'm going to need to be able to

288

00:12:38,600 --> 00:12:38,310

have internet service all that kind of

289

00:12:41,000 --> 00:12:38,610

stuff

290

00:12:43,430 --> 00:12:41,010

you know what is the problem you guys

291

00:12:45,590 --> 00:12:43,440

just can't find the ranch or you just

292

00:12:47,840 --> 00:12:45,600

don't really care about your job or

293

00:12:49,460 --> 00:12:47,850

what's problem and they said nobody

294

00:12:51,980 --> 00:12:49,470

wants to go out there and I said well

295

00:12:55,009 --> 00:12:51,990

why not and they said well they're

296

00:12:56,720 --> 00:12:55,019

afraid and I said afraid I said there's

297

00:12:58,940 --> 00:12:56,730

just two of us out here you know we're

298

00:13:00,590 --> 00:12:58,950

nice people but from the Midwest it's

299

00:13:03,079 --> 00:13:00,600

not like we've done anything to anybody

300

00:13:04,610 --> 00:13:03,089

to scare them and they said well we're

301

00:13:07,250 --> 00:13:04,620

gonna have to figure it out but we'll

302

00:13:08,960 --> 00:13:07,260

get back to you so finally they made an

303

00:13:10,639 --> 00:13:08,970

appointment somebody came out and the

304

00:13:12,019 --> 00:13:10,649

guy explained everything to me and he

305

00:13:15,230 --> 00:13:12,029

told me about the history of this place

306

00:13:16,370 --> 00:13:15,240

and I my mouth just hung open I was

307

00:13:18,500 --> 00:13:16,380

absolutely shocked

308

00:13:20,389 --> 00:13:18,510

this place has a really really dark

309

00:13:21,620 --> 00:13:20,399

history and that's why nobody wanted to

310

00:13:23,630 --> 00:13:21,630

come out to put the phone in they

311

00:13:26,690 --> 00:13:23,640

actually had to have like draw straws

312

00:13:31,340 --> 00:13:26,700

and you know the guy who lost it has a

313

00:13:33,650 --> 00:13:31,350

wife and he can come and put the phone

314

00:13:35,329 --> 00:13:33,660

in oh yeah but he was really nice about

315

00:13:37,010 --> 00:13:35,339

it when he got out here and he explained

316

00:13:38,240 --> 00:13:37,020

everything to me and he apologized and

317

00:13:40,100 --> 00:13:38,250

he said you know it's not superstition

318

00:13:42,829 --> 00:13:40,110

there's people that have died in the

319

00:13:44,930 --> 00:13:42,839

property there's you know all sorts of

320

00:13:46,490 --> 00:13:44,940

horrible stuff has happened out here and

321

00:13:48,019 --> 00:13:46,500

of course you know the realtor never

322

00:13:50,600 --> 00:13:48,029

told me any of this I don't even know

323

00:13:51,980 --> 00:13:50,610

that he knew anything about it but you

324

00:13:53,600 --> 00:13:51,990

know all the neighbors were afraid of us

325

00:13:57,380 --> 00:13:53,610

or like oh my god I can't believe okay

326

00:14:00,410 --> 00:13:57,390

what that place you know so you know we

327

00:14:03,380 --> 00:14:00,420

just yeah we just yeah we were horrified

328

00:14:05,360 --> 00:14:03,390

but you know we paid cash and you know

329

00:14:07,519 --> 00:14:05,370

yeah we bought an extended warranty but

330

00:14:14,060 --> 00:14:07,529

it didn't cover aliens and if ever hear

331

00:14:17,150 --> 00:14:14,070

about it they shouldn't have a warranty

332

00:14:20,570 --> 00:14:17,160

for that well now you also encountered

333

00:14:22,490 --> 00:14:20,580

as I recall a very interesting character

334

00:14:24,830 --> 00:14:22,500

when you're funnier first few days out

335

00:14:26,900 --> 00:14:24,840

there they came running up your driveway

336

00:14:29,450 --> 00:14:26,910

to tell us about that

337

00:14:33,590 --> 00:14:29,460

that is the machete man that everybody

338

00:14:35,300 --> 00:14:33,600

loves to talk about I was putting away

339

00:14:38,090 --> 00:14:35,310

things in the kitchen and I looked out

340

00:14:41,510 --> 00:14:38,100

the window and this kind of disheveled

341

00:14:43,760 --> 00:14:41,520

looking man looked like unfortunately a

342

00:14:47,960 --> 00:14:43,770

stereotypical kind of Vietnam veteran

343

00:14:51,040 --> 00:14:47,970

with very long hair you know army

344

00:14:53,990 --> 00:14:51,050

clothes that had been you know had the

345

00:14:57,260 --> 00:14:54,000

arms that the sleeves cut off and the

346

00:14:59,500 --> 00:14:57,270

pants cut off and just he just kind of

347

00:15:03,950 --> 00:14:59,510

looked like a mess and he had this

348

00:15:05,420 --> 00:15:03,960

machete with a leather Kong that was

349

00:15:07,610 --> 00:15:05,430

attached to it and he had it wrapped

350

00:15:09,490 --> 00:15:07,620

around his right hand and he just kind

351  
00:15:12,110 --> 00:15:09,500  
of swung it you know back and forth and

352  
00:15:14,540 --> 00:15:12,120  
he came right up the driveway it like he

353  
00:15:18,350 --> 00:15:14,550  
lived here and so I thought wow this is

354  
00:15:20,120 --> 00:15:18,360  
going to be interesting and I had heard

355  
00:15:21,650 --> 00:15:20,130  
that living in the desert it's probably

356  
00:15:24,650 --> 00:15:21,660  
a good idea to have at least one handgun

357  
00:15:28,550 --> 00:15:24,660  
or one rifle or maybe one about and so I

358  
00:15:30,650 --> 00:15:28,560  
had gone out and purchased a 357 Magnum

359  
00:15:34,000 --> 00:15:30,660  
and I took that and put it down the back

360  
00:15:38,360 --> 00:15:34,010  
of my pants got a gangland-style and

361  
00:15:40,610 --> 00:15:38,370  
walked out meet him and I said you know

362  
00:15:41,840 --> 00:15:40,620  
hi what are you doing here and he just

363  
00:15:42,200 --> 00:15:41,850

looked at me and he says well I live

364

00:15:48,110 --> 00:15:42,210

here

365

00:15:49,760 --> 00:15:48,120

go you know and I said well what do you

366

00:15:52,520 --> 00:15:49,770

do here and he says well I'm the guy

367

00:15:54,680 --> 00:15:52,530

that kills the monsters and I said

368

00:15:56,510 --> 00:15:54,690

monsters there's some monsters out here

369

00:15:58,430 --> 00:15:56,520

some little bit desert there's nothing

370

00:16:00,260 --> 00:15:58,440

out here and he just looked at me in his

371

00:16:02,780 --> 00:16:00,270

eyes got real big and he said to me

372

00:16:04,700 --> 00:16:02,790

there's lots of monsters out there and I

373

00:16:09,410 --> 00:16:04,710

said okay so tell me about this minis as

374

00:16:11,150 --> 00:16:09,420

well I lived back there that building

375

00:16:12,680 --> 00:16:11,160

back there and I said well that's going

376

00:16:15,890 --> 00:16:12,690

to be my tack room this is going to be a

377

00:16:17,540 --> 00:16:15,900

horse ranch and you know if you get your

378

00:16:19,730 --> 00:16:17,550

stuff back there I'd appreciate if you

379

00:16:21,260 --> 00:16:19,740

go back there and gather it up because I

380

00:16:22,550 --> 00:16:21,270

don't really need anybody to kill the

381

00:16:24,260 --> 00:16:22,560

monsters you know that's just kind of

382

00:16:27,500 --> 00:16:24,270

thinking to myself this is kind of you

383

00:16:28,910 --> 00:16:27,510

know some scam of a guy that just you

384

00:16:30,770 --> 00:16:28,920

know wants to kind of squat on the

385

00:16:32,510 --> 00:16:30,780

property and maybe the owners haven't

386

00:16:34,400 --> 00:16:32,520

been here very much and so you got away

387

00:16:35,720 --> 00:16:34,410

with it and I was nice about it

388

00:16:37,309 --> 00:16:35,730

I told them I said something about you

389

00:16:39,439 --> 00:16:37,319

personally I just don't think I need

390

00:16:42,170 --> 00:16:39,449

anybody to be a monster killer you know

391

00:16:44,509 --> 00:16:42,180

justice infinity you know this isn't a

392

00:16:48,499 --> 00:16:44,519

monster ranches is a horse ranch well

393

00:16:50,449 --> 00:16:48,509

you know yeah I had no idea you know and

394

00:16:51,980 --> 00:16:50,459

he just like the mini smiled he shook

395

00:16:54,050 --> 00:16:51,990

his head like man this guy's an idiot

396

00:16:57,019 --> 00:16:54,060

he's going to be really sorry but too

397

00:16:58,429 --> 00:16:57,029

bad for him and you know he went back

398

00:16:59,960 --> 00:16:58,439

and he got his stuff and he kind of all

399

00:17:02,720 --> 00:16:59,970

his junk in a like a white sheet and

400

00:17:05,299 --> 00:17:02,730

kind of you know wrapped it up and threw

401  
00:17:07,069 --> 00:17:05,309  
it over the shoulder and came back up to

402  
00:17:09,590 --> 00:17:07,079  
port the house where I was and he just

403  
00:17:11,899 --> 00:17:09,600  
looked at me and he said well you're

404  
00:17:13,579 --> 00:17:11,909  
going to be really sorry and I said well

405  
00:17:16,640 --> 00:17:13,589  
I'm already sorry but I don't want to be

406  
00:17:18,049 --> 00:17:16,650  
any seller and he just shook his head

407  
00:17:19,819 --> 00:17:18,059  
and he walked off into the sunset that

408  
00:17:23,149 --> 00:17:19,829  
was the last time I ever saw them so you

409  
00:17:23,899 --> 00:17:23,159  
never saw him again wow I've never seen

410  
00:17:25,909 --> 00:17:23,909  
him again

411  
00:17:28,039 --> 00:17:25,919  
he's been very well portrayed a couple

412  
00:17:29,960 --> 00:17:28,049  
of times with things we've done with TV

413  
00:17:33,320 --> 00:17:29,970

but that's the closest we've ever come

414

00:17:35,450 --> 00:17:33,330

to seeing him again and the previous

415

00:17:38,659 --> 00:17:35,460

owners you've never encountered them

416

00:17:41,840 --> 00:17:38,669

either I just didn't care I have no idea

417

00:17:44,539 --> 00:17:41,850

what happened to them uh you know they

418

00:17:48,649 --> 00:17:44,549

literally they've worked in the military

419

00:17:50,299 --> 00:17:48,659

and I guess they transferred or I don't

420

00:17:52,430 --> 00:17:50,309

know what happened so they just never

421

00:17:53,930 --> 00:17:52,440

came the interesting thing was though

422

00:17:55,909 --> 00:17:53,940

that the original owner

423

00:17:58,669 --> 00:17:55,919

I was outside working with the horses

424

00:18:00,590 --> 00:17:58,679

one day a few years ago and the guy who

425

00:18:03,169 --> 00:18:00,600

originally built the property back in

426

00:18:06,289 --> 00:18:03,179

the 70s drove through the front gates

427

00:18:08,480 --> 00:18:06,299

and you know he I had no idea who he was

428

00:18:11,149 --> 00:18:08,490

of course and he drove up in this white

429

00:18:13,520 --> 00:18:11,159

pickup truck and I walked over and

430

00:18:16,520 --> 00:18:13,530

greeted him and he said are you the

431

00:18:18,440 --> 00:18:16,530

owner and I said yes and he said well

432

00:18:19,789 --> 00:18:18,450

I'm the guy who built this place and I

433

00:18:20,870 --> 00:18:19,799

just looked at him and I said you're the

434

00:18:24,260 --> 00:18:20,880

guy I need to blame for everything

435

00:18:26,210 --> 00:18:24,270

that's not always like a fan and he

436

00:18:28,549 --> 00:18:26,220

deflected and he kind of started looking

437

00:18:31,070 --> 00:18:28,559

and I looked at him and then he smiled

438

00:18:34,399 --> 00:18:31,080

and I smiled then he introduced himself

439

00:18:36,560 --> 00:18:34,409

and I introduced myself and you know he

440

00:18:38,029 --> 00:18:36,570

proceeded for like the next hour to tell

441

00:18:40,279 --> 00:18:38,039

me all sorts of stories about what

442

00:18:42,649 --> 00:18:40,289

happened here and he gave me photographs

443

00:18:44,720 --> 00:18:42,659

of the house and everything is he built

444

00:18:47,990 --> 00:18:44,730

it because he did it himself he was

445

00:18:50,090 --> 00:18:48,000

literally a guy who did custom building

446

00:18:52,249 --> 00:18:50,100

and he built this place because of the

447

00:18:56,330 --> 00:18:52,259

fact that he wanted to it to be a

448

00:18:58,100 --> 00:18:56,340

surprise for his wife and the day that

449

00:19:00,169 --> 00:18:58,110

he brought her out here to present his

450

00:19:01,730 --> 00:19:00,179

great surprise I guess she just about

451  
00:19:04,249 --> 00:19:01,740  
fell over and decided that it was not a

452  
00:19:05,690 --> 00:19:04,259  
good place to live and she had all sorts

453  
00:19:08,450 --> 00:19:05,700  
of bad feelings about it from an

454  
00:19:09,919 --> 00:19:08,460  
energetic point of view and she said I'm

455  
00:19:13,999 --> 00:19:09,929  
not moving out there I'll divorce you

456  
00:19:16,549 --> 00:19:14,009  
before I'm about her Wow and so she

457  
00:19:17,869 --> 00:19:16,559  
never moved in he never moved in and

458  
00:19:20,240 --> 00:19:17,879  
they ended up just selling this place

459  
00:19:24,619 --> 00:19:20,250  
for whatever they could get for it back

460  
00:19:28,999 --> 00:19:24,629  
about 1978 and that was the beginning of

461  
00:19:31,759 --> 00:19:29,009  
the end - so she had bad feelings now

462  
00:19:33,950 --> 00:19:31,769  
your wife also had bad feelings right

463  
00:19:36,350 --> 00:19:33,960

well yeah and I'm not so sure how much

464

00:19:42,710 --> 00:19:36,360

did that was - that the range of it was

465

00:19:44,180 --> 00:19:42,720

about me really but yeah I mean I you

466

00:19:45,919 --> 00:19:44,190

know I really didn't mean to trick her I

467

00:19:48,590 --> 00:19:45,929

but she never asked me what I wanted to

468

00:19:49,759 --> 00:19:48,600

do with my life you know and you know I

469

00:19:52,190 --> 00:19:49,769

always told her I wanted to write I

470

00:19:53,690 --> 00:19:52,200

wanted to do music again and you know I

471

00:19:57,230 --> 00:19:53,700

wanted to do a few different projects

472

00:19:59,149 --> 00:19:57,240

but you know I I told her I said someday

473

00:20:01,220 --> 00:19:59,159

I'd like to have some horses you know

474

00:20:04,190 --> 00:20:01,230

but I think that went in one ear went

475

00:20:06,139 --> 00:20:04,200

out the other and so you know by the

476

00:20:08,360 --> 00:20:06,149

time we got married you know she thought

477

00:20:10,190 --> 00:20:08,370

thank God I didn't marry a rancher you

478

00:20:12,440 --> 00:20:10,200

know I married this guy from Evanston

479

00:20:15,889 --> 00:20:12,450

Illinois right next in Chicago he's real

480

00:20:18,499 --> 00:20:15,899

urban you know you know chance am I

481

00:20:20,720 --> 00:20:18,509

going to end up on a farm well as soon

482

00:20:24,139 --> 00:20:20,730

as we got married and you know I decided

483

00:20:25,220 --> 00:20:24,149

that I wanted to have horses one day she

484

00:20:26,299 --> 00:20:25,230

just looked at me and she goes what are

485

00:20:33,080 --> 00:20:26,309

you thinking about and I said well I've

486

00:20:35,240 --> 00:20:33,090

decided to have a farm and she just I

487

00:20:39,350 --> 00:20:35,250

mean my wife I mean her head practically

488

00:20:41,779 --> 00:20:39,360

spun around he's just like something out

489

00:20:44,840 --> 00:20:41,789

of the Exorcist I think she was

490

00:20:47,269 --> 00:20:44,850

horrified yeah and you know I didn't

491

00:20:50,149 --> 00:20:47,279

mean to on top of it I mean to have all

492

00:20:53,269 --> 00:20:50,159

these experiences ago I'm sure I'll feel

493

00:20:56,359 --> 00:20:53,279

out of control and at the mercy of

494

00:20:59,060 --> 00:20:56,369

things that were from another universe

495

00:21:00,919 --> 00:20:59,070

literally exactly anything we didn't you

496

00:21:01,500 --> 00:21:00,929

know I mean we didn't know any of that

497

00:21:03,420 --> 00:21:01,510

stuff come

498

00:21:05,850 --> 00:21:03,430

into this I mean we saw lights in the

499

00:21:08,810 --> 00:21:05,860

sky and the South sky we saw these like

500

00:21:11,250 --> 00:21:08,820

what we used to call golden orbs and

501  
00:21:12,630 --> 00:21:11,260  
honestly when I first saw all that stuff

502  
00:21:14,760 --> 00:21:12,640  
I thought it was kind of cool I was like

503  
00:21:16,530 --> 00:21:14,770  
wow it's like I'm out here in the middle

504  
00:21:18,210 --> 00:21:16,540  
of nowhere and you know it's kind of

505  
00:21:20,520 --> 00:21:18,220  
spooky and you know thinking to myself

506  
00:21:24,330 --> 00:21:20,530  
this isn't so bad this is just going to

507  
00:21:27,240 --> 00:21:24,340  
cool and then unfortunately bad really

508  
00:21:29,040 --> 00:21:27,250  
bad things started that way and we

509  
00:21:32,940 --> 00:21:29,050  
started finding dead animals around the

510  
00:21:34,470 --> 00:21:32,950  
ranch we started seeing you know bad

511  
00:21:37,980 --> 00:21:34,480  
things and start getting real creeped

512  
00:21:39,180 --> 00:21:37,990  
out by it and you know my wife looked at

513  
00:21:40,800 --> 00:21:39,190

me and she's like yeah it's bad enough

514

00:21:42,450 --> 00:21:40,810

you had to buy a ranch but none you had

515

00:21:47,630 --> 00:21:42,460

to buy this really crappy one there's

516

00:21:54,750 --> 00:21:50,610

yeah this is what being various about

517

00:21:57,570 --> 00:21:54,760

and you know I apologized you know I

518

00:21:59,610 --> 00:21:57,580

apologize profusely and I told her I

519

00:22:01,740 --> 00:21:59,620

loved her and I said I'm sorry I how can

520

00:22:03,480 --> 00:22:01,750

I possibly know I mean it's not like I

521

00:22:04,770 --> 00:22:03,490

went out you know lived on a ranch all

522

00:22:06,720 --> 00:22:04,780

my life I didn't know what to look for

523

00:22:09,270 --> 00:22:06,730

it was a good price you know nice

524

00:22:11,400 --> 00:22:09,280

property good views plenty of water I

525

00:22:13,830 --> 00:22:11,410

thought hey you know I get this thing

526

00:22:15,300 --> 00:22:13,840

nailed I had no idea what I you know

527

00:22:16,980 --> 00:22:15,310

stepped in I mean I stepped in the

528

00:22:19,350 --> 00:22:16,990

dirtiest nastiest mess and you could

529

00:22:22,080 --> 00:22:19,360

ever step in and what we're doing our

530

00:22:23,640 --> 00:22:22,090

size but I have to say you know PK and I

531

00:22:26,400 --> 00:22:23,650

were talking about you and your wife and

532

00:22:29,490 --> 00:22:26,410

you've really been able to manage a lot

533

00:22:31,920 --> 00:22:29,500

of the set but let us go back to to when

534

00:22:33,690 --> 00:22:31,930

the bad stuff started to happen to you

535

00:22:36,390 --> 00:22:33,700

because you mentioned your animals that

536

00:22:38,310 --> 00:22:36,400

I would kill me right there if anybody

537

00:22:40,230 --> 00:22:38,320

touched my animals I would be out of my

538

00:22:42,900 --> 00:22:40,240

mind and I would be running around with

539

00:22:46,380 --> 00:22:42,910

every with weapons hanging off of me but

540

00:22:48,750 --> 00:22:46,390

then it is switched BK you became the

541

00:22:51,390 --> 00:22:48,760

target right you and your wife well see

542

00:22:53,370 --> 00:22:51,400

ya what happened was is that we started

543

00:22:55,290 --> 00:22:53,380

first of all I should explain something

544

00:22:58,530 --> 00:22:55,300

and that was that

545

00:23:00,750 --> 00:22:58,540

I had been working uh you know right up

546

00:23:03,360 --> 00:23:00,760

pretty much right up to that time when

547

00:23:05,520 --> 00:23:03,370

we had the ranch and I had actually get

548

00:23:08,400 --> 00:23:05,530

my back broken working State Hospital

549

00:23:11,850 --> 00:23:08,410

here in Arizona and so I was on

550

00:23:13,170 --> 00:23:11,860

disability at the time and I thought to

551  
00:23:14,400 --> 00:23:13,180  
myself you know I'm going to go out in

552  
00:23:15,480 --> 00:23:14,410  
the desert and see what's out here

553  
00:23:16,860 --> 00:23:15,490  
because quite frankly you

554  
00:23:19,669 --> 00:23:16,870  
got in the desert around here you can

555  
00:23:22,590 --> 00:23:19,679  
see 15 to 18 miles literally uh

556  
00:23:25,740 --> 00:23:22,600  
perfectly I mean you know not even with

557  
00:23:29,100 --> 00:23:25,750  
like you know glasses or anything you

558  
00:23:30,930 --> 00:23:29,110  
know it's just amazing and so I thought

559  
00:23:32,669 --> 00:23:30,940  
I'm going to go out and explore and I've

560  
00:23:34,980 --> 00:23:32,679  
always been kind of an explorer anyway

561  
00:23:36,270 --> 00:23:34,990  
so that kind of came naturally and I go

562  
00:23:39,390 --> 00:23:36,280  
out and desert and I find all these

563  
00:23:41,100 --> 00:23:39,400

sources and I thought wow you know this

564

00:23:42,810 --> 00:23:41,110

is really beautiful it's out here and I

565

00:23:44,460 --> 00:23:42,820

noticed some of the courses look really

566

00:23:45,720 --> 00:23:44,470

skinny they didn't look that healthy and

567

00:23:46,530 --> 00:23:45,730

I thought wow I got to do something

568

00:23:49,080 --> 00:23:46,540

about this

569

00:23:51,780 --> 00:23:49,090

so with my Jeep I started bringing out

570

00:23:54,210 --> 00:23:51,790

bags to feed and I started feeding the

571

00:23:55,320 --> 00:23:54,220

horses well next thing I know I'm like

572

00:23:57,240 --> 00:23:55,330

surrounded by horses

573

00:24:00,630 --> 00:23:57,250

I'm like the Good Humor man of horses

574

00:24:03,390 --> 00:24:00,640

and you know everybody every you know

575

00:24:04,799 --> 00:24:03,400

every horse that's like you know hungry

576

00:24:06,480 --> 00:24:04,809

in the world practically seemed like it

577

00:24:09,090 --> 00:24:06,490

was coming up for my Jeep and you know

578

00:24:11,370 --> 00:24:09,100

getting some food and so finally I

579

00:24:12,960 --> 00:24:11,380

thought you know what why if I go horn

580

00:24:14,430 --> 00:24:12,970

you know why buy it go out and spend a

581

00:24:16,169 --> 00:24:14,440

lot of money buy horses you got all

582

00:24:18,660 --> 00:24:16,179

these horses right here maybe they'd

583

00:24:20,460 --> 00:24:18,670

like to come back to the ranch and so it

584

00:24:22,799 --> 00:24:20,470

was about a 10-mile eight to ten mile

585

00:24:25,830 --> 00:24:22,809

walk but per horse that's not a big walk

586

00:24:27,840 --> 00:24:25,840

and so gradually what I did was is I

587

00:24:30,000 --> 00:24:27,850

just started feeding the horses as I

588

00:24:31,919 --> 00:24:30,010

drove and they started following me home

589

00:24:35,160 --> 00:24:31,929

and so the whole herd came home with me

590

00:24:37,830 --> 00:24:35,170

and that's how we got horses but the

591

00:24:40,650 --> 00:24:37,840

reason I tell you that is because now we

592

00:24:42,990 --> 00:24:40,660

have horses on the ranch and you know

593

00:24:44,940 --> 00:24:43,000

that they're corralled and I'm living my

594

00:24:47,820 --> 00:24:44,950

dream and I'm thinking wow how cool am i

595

00:24:50,610 --> 00:24:47,830

and next thing I know some of the horses

596

00:24:52,320 --> 00:24:50,620

started getting murdered and it broke my

597

00:24:54,540 --> 00:24:52,330

heart I mean Here I am I finally get my

598

00:24:56,910 --> 00:24:54,550

dream I got my ranch you know and I got

599

00:24:59,040 --> 00:24:56,920

it at a good price and I'm wiping myself

600

00:25:01,230 --> 00:24:59,050

on the back and I'm trying to ignore my

601  
00:25:03,540 --> 00:25:01,240  
wife is pissed off and then all this bad

602  
00:25:05,190 --> 00:25:03,550  
stuffs happening but you know I'm still

603  
00:25:08,210 --> 00:25:05,200  
saying hey it's still a dream you still

604  
00:25:10,500 --> 00:25:08,220  
you did it you know but unfortunately

605  
00:25:11,549 --> 00:25:10,510  
some of the horses got mutilated there

606  
00:25:13,919 --> 00:25:11,559  
was like three horses

607  
00:25:15,540 --> 00:25:13,929  
over about a year that something

608  
00:25:18,390 --> 00:25:15,550  
attacked them in their pens and

609  
00:25:20,970 --> 00:25:18,400  
literally it literally I mean it's

610  
00:25:22,860 --> 00:25:20,980  
horrible to say this if there's kids

611  
00:25:26,610 --> 00:25:22,870  
listed and cover your ears but they

612  
00:25:29,430 --> 00:25:26,620  
literally went in and they pull the guts

613  
00:25:32,220 --> 00:25:29,440

out through the anus of the horse

614

00:25:34,290 --> 00:25:32,230

they pulled the eyes out they toured the

615

00:25:35,910 --> 00:25:34,300

eyes out they cut the feet off I mean

616

00:25:38,700 --> 00:25:35,920

they deplorable things in these horses

617

00:25:40,560 --> 00:25:38,710

and it was very clear that it was not a

618

00:25:41,850 --> 00:25:40,570

human being or anybody that I could

619

00:25:44,880 --> 00:25:41,860

think that that could ever do this

620

00:25:47,280 --> 00:25:44,890

because there was no blood and the cuts

621

00:25:49,290 --> 00:25:47,290

on the horses were absolutely like

622

00:25:52,830 --> 00:25:49,300

somebody did it with a laser I mean they

623

00:25:54,480 --> 00:25:52,840

were absolutely precision cuts and there

624

00:25:57,900 --> 00:25:54,490

was no blood I mean all the blood was

625

00:26:00,270 --> 00:25:57,910

gone they were sanguine ated you know

626

00:26:03,390 --> 00:26:00,280

it's just crazy and you know the horses

627

00:26:07,020 --> 00:26:03,400

ain't right like what what is it that

628

00:26:09,570 --> 00:26:07,030

gives these aliens in their own little

629

00:26:12,510 --> 00:26:09,580

minds the right to do this kind of thing

630

00:26:15,660 --> 00:26:12,520

I mean we care so much about our animals

631

00:26:17,280 --> 00:26:15,670

we love them and obviously you've gone

632

00:26:19,920 --> 00:26:17,290

out of your way to take care of these

633

00:26:21,990 --> 00:26:19,930

animals and then to have these creatures

634

00:26:23,670 --> 00:26:22,000

from outer space or wherever the hell

635

00:26:25,470 --> 00:26:23,680

they're from come and do that is

636

00:26:28,410 --> 00:26:25,480

absolutely unacceptable

637

00:26:29,910 --> 00:26:28,420

that's awful you're absolutely right

638

00:26:31,620 --> 00:26:29,920

about everything you just said but what

639

00:26:33,240 --> 00:26:31,630

we have found out over the years and

640

00:26:36,240 --> 00:26:33,250

that is there are certain types of

641

00:26:38,010 --> 00:26:36,250

malevolent aliens that they get the

642

00:26:42,360 --> 00:26:38,020

almost the equivalent of like a cocaine

643

00:26:45,060 --> 00:26:42,370

rush off of the tremendous negative

644

00:26:48,240 --> 00:26:45,070

energy and emotion that we express as

645

00:26:50,520 --> 00:26:48,250

humans and so they do they love to do

646

00:26:53,040 --> 00:26:50,530

things to just you know make our lives

647

00:26:55,410 --> 00:26:53,050

miserable because of the fact that by

648

00:26:58,860 --> 00:26:55,420

doing that we put out all this you know

649

00:27:01,950 --> 00:26:58,870

juicy hormonal of you know material and

650

00:27:04,770 --> 00:27:01,960

they just manage to absorb it and enjoy

651

00:27:06,810 --> 00:27:04,780

it and that's why they do it all right

652

00:27:08,790 --> 00:27:06,820

but you'd have to kind of read them a

653

00:27:12,360 --> 00:27:08,800

story of always to have that information

654

00:27:15,260 --> 00:27:12,370

and in the correct setting but I digress

655

00:27:18,180 --> 00:27:15,270

a little bit to say into your question

656

00:27:20,220 --> 00:27:18,190

so we you know I filed all the reports

657

00:27:21,660 --> 00:27:20,230

with the Arizona wife stock board I call

658

00:27:23,460 --> 00:27:21,670

the Sheriff's Department and did

659

00:27:25,860 --> 00:27:23,470

everything that I could humanly do to

660

00:27:26,820 --> 00:27:25,870

try to you know shed some light on the

661

00:27:28,800 --> 00:27:26,830

situation

662

00:27:31,740 --> 00:27:28,810

yeah what are you going on second John

663

00:27:34,080 --> 00:27:31,750

I'm hearing some odd noises you're

664

00:27:37,910 --> 00:27:34,090

hearing the dogs oh okay are they

665

00:27:42,540 --> 00:27:37,920

alright Akram yeah they're fine but okay

666

00:27:43,320 --> 00:27:42,550

periodically you know they just start

667

00:27:45,930 --> 00:27:43,330

whining

668

00:27:50,850 --> 00:27:45,940

we're on is there all right I just there

669

00:27:54,960 --> 00:27:50,860

by sorry yeah yeah no they're fine we we

670

00:27:57,239 --> 00:27:54,970

get harassed here 24/7 by different

671

00:27:59,070 --> 00:27:57,249

things and the animals react to it and

672

00:28:03,649 --> 00:27:59,080

that's what you're hearing the dogs were

673

00:28:06,690 --> 00:28:03,659

reacting I have four cats and those kids

674

00:28:08,729 --> 00:28:06,700

constantly patrol the inside of the

675

00:28:11,430 --> 00:28:08,739

house and any time that they see

676

00:28:13,700 --> 00:28:11,440

something they attack it they don't

677

00:28:16,950 --> 00:28:13,710

attack people but they attack these

678

00:28:18,779 --> 00:28:16,960

beings and they'll scratch that out of

679

00:28:20,759 --> 00:28:18,789

them they'll bite them they'll do

680

00:28:23,190 --> 00:28:20,769

anything they can to try to run them off

681

00:28:25,859 --> 00:28:23,200

which is pretty strange behavior for

682

00:28:28,769 --> 00:28:25,869

kitties I mean they're like watch

683

00:28:31,560 --> 00:28:28,779

kitties you know but they they like to

684

00:28:33,210 --> 00:28:31,570

sleep on a chair in the portal they love

685

00:28:36,330 --> 00:28:33,220

the energy that comes out of the portal

686

00:28:38,570 --> 00:28:36,340

and anytime something is going to go on

687

00:28:41,970 --> 00:28:38,580

they get together and they chase it down

688

00:28:46,409 --> 00:28:41,980

and that happens it doesn't sound weird

689

00:28:48,629 --> 00:28:46,419

to us at all but when did it switch from

690

00:28:50,099 --> 00:28:48,639

the attention on the animals and doing

691

00:28:53,989 --> 00:28:50,109

the horrible things they did to the

692

00:28:57,359 --> 00:28:53,999

animals to you and your wife about 2007

693

00:28:59,669 --> 00:28:57,369

we started planting earlier than that I

694

00:29:04,680 --> 00:28:59,679

mean week in year since 96 it would have

695

00:29:08,549 --> 00:29:04,690

been about 2002 2 3 that things really

696

00:29:11,549 --> 00:29:08,559

shifted from animals to people and the

697

00:29:14,249 --> 00:29:11,559

very first time that it happened my wife

698

00:29:17,399 --> 00:29:14,259

and I were in bed and my wife has sleep

699

00:29:20,460 --> 00:29:17,409

apnea as well so she has a tendency to

700

00:29:22,649 --> 00:29:20,470

snore row bed and so she wears a sleep

701  
00:29:24,869 --> 00:29:22,659  
apnea mask so when she puts on her mask

702  
00:29:27,389 --> 00:29:24,879  
at night and she turns in for the night

703  
00:29:29,249 --> 00:29:27,399  
I mean you know she's out of commission

704  
00:29:32,129 --> 00:29:29,259  
she's turned off that's the end of it

705  
00:29:34,440 --> 00:29:32,139  
she you couldn't wake her up with wood

706  
00:29:36,749 --> 00:29:34,450  
practically in any way shape or form

707  
00:29:39,299 --> 00:29:36,759  
the young asked you to hold that thought

708  
00:29:41,729 --> 00:29:39,309  
because you're going to have to take a

709  
00:29:43,619 --> 00:29:41,739  
very short commercial break and come

710  
00:29:46,830 --> 00:29:43,629  
right back to hear the rest of the story

711  
00:29:48,899 --> 00:29:46,840

[Music]

718

00:30:14,430 --> 00:30:13,509

welcome back everyone to supernatural

719

00:30:16,830 --> 00:30:14,440

Girls radio

720

00:30:20,190 --> 00:30:16,840

I'm your host Patricia Baker I'm here

721

00:30:23,219 --> 00:30:20,200

with my co-host PK and our amazing guest

722

00:30:27,509 --> 00:30:23,229

tonight John Edmonds from the alien

723

00:30:28,349 --> 00:30:27,519

ranch oh my god John this is quite

724

00:30:31,289 --> 00:30:28,359

something

725

00:30:34,560 --> 00:30:31,299

now we were talking about how the focal

726  
00:30:38,009 --> 00:30:34,570  
point went from hurting your animals and

727  
00:30:39,690 --> 00:30:38,019  
mutilating your animals to coming after

728  
00:30:41,999 --> 00:30:39,700  
you and your wife so you're talking

729  
00:30:44,789 --> 00:30:42,009  
about your wife having a C pack system

730  
00:30:48,089 --> 00:30:44,799  
on to help her breathe at night and what

731  
00:30:51,450 --> 00:30:48,099  
happens from there well actually what

732  
00:30:53,749 --> 00:30:51,460  
happened Patricia was the fact that the

733  
00:30:56,639 --> 00:30:53,759  
when they started appearing in the house

734  
00:30:58,320 --> 00:30:56,649  
at about the same time as I was just

735  
00:31:00,119 --> 00:30:58,330  
talking about that's when we started

736  
00:31:02,759 --> 00:31:00,129  
having you know all the run-ins would

737  
00:31:04,589 --> 00:31:02,769  
done directly before that it was like I

738  
00:31:06,379 --> 00:31:04,599

said directed at the animals that were

739

00:31:08,539 --> 00:31:06,389

things going outside happening outside

740

00:31:12,149 --> 00:31:08,549

experiences that we really couldn't

741

00:31:14,729 --> 00:31:12,159

understand but we hadn't gotten to the

742

00:31:17,430 --> 00:31:14,739

point yet where we were at all fearful

743

00:31:18,839 --> 00:31:17,440

for our own lives or or you know it's

744

00:31:20,849 --> 00:31:18,849

just concerned that they were even going

745

00:31:24,359 --> 00:31:20,859

to come in the house and then all of a

746

00:31:28,469 --> 00:31:24,369

sudden one night I my wife is asleep

747

00:31:31,349 --> 00:31:28,479

next to me she had her mask on and I

748

00:31:33,869 --> 00:31:31,359

started sensing that there was something

749

00:31:35,609 --> 00:31:33,879

in the room and I thought to myself wow

750

00:31:39,060 --> 00:31:35,619

what what is this I hope it's not going

751  
00:31:42,060 --> 00:31:39,070  
to be those same bad guys unfortunately

752  
00:31:44,519 --> 00:31:42,070  
turned out it was and I had a little

753  
00:31:48,509 --> 00:31:44,529  
aluminum baseball bat that was left over

754  
00:31:50,190 --> 00:31:48,519  
from a Cubs spring training game and I

755  
00:31:52,759 --> 00:31:50,200  
had that kind of stuck down in the

756  
00:31:56,999 --> 00:31:52,769  
headrail of the side rail of the bed and

757  
00:31:58,619 --> 00:31:57,009  
so as these creatures began to kind of

758  
00:32:01,979 --> 00:31:58,629  
come forward I could see them in a

759  
00:32:03,810 --> 00:32:01,989  
shadowy silhouette kind of way I waited

760  
00:32:06,409 --> 00:32:03,820  
until one got close enough and then the

761  
00:32:11,339 --> 00:32:06,419  
next thing I knew I actually felt this

762  
00:32:13,859 --> 00:32:11,349  
hand on my left forearm and I thought

763  
00:32:15,509 --> 00:32:13,869

wow that's good enough for me and you

764

00:32:17,550 --> 00:32:15,519

know I'm not hallucinating this is for

765

00:32:19,320 --> 00:32:17,560

real and I grabbed that base

766

00:32:22,920 --> 00:32:19,330

all that and I turned around I cocked it

767

00:32:24,840 --> 00:32:22,930

right my head as hard as I could and you

768

00:32:26,400 --> 00:32:24,850

know it just literally just stood there

769

00:32:27,780 --> 00:32:26,410

for a second and it froze and I thought

770

00:32:29,850 --> 00:32:27,790

well I thought I'd hit it pretty hard

771

00:32:32,730 --> 00:32:29,860

can I hit it again and so I smacked in

772

00:32:35,280 --> 00:32:32,740

the second time and this time it just

773

00:32:38,990 --> 00:32:35,290

literally just disappeared it just went

774

00:32:43,470 --> 00:32:39,000

and it was gone I thought wow man I'm

775

00:32:45,030 --> 00:32:43,480

good really now nailed it and but the

776

00:32:47,400 --> 00:32:45,040

other two disappeared at the same time

777

00:32:50,510 --> 00:32:47,410

and I rolled over and I shift my wife

778

00:32:53,100 --> 00:32:50,520

and she she growled at me and I said

779

00:32:56,220 --> 00:32:53,110

honey you're not gonna believe this but

780

00:32:59,430 --> 00:32:56,230

we got aliens and she just she pulled

781

00:33:00,720 --> 00:32:59,440

down her masking she goes really you're

782

00:33:03,030 --> 00:33:00,730

going to wake me up and tell me that we

783

00:33:05,850 --> 00:33:03,040

got aliens where are they and I said

784

00:33:07,710 --> 00:33:05,860

well they were just here and she's like

785

00:33:09,330 --> 00:33:07,720

you every whatever go back to sleep and

786

00:33:11,840 --> 00:33:09,340

now so she rolled over she went back to

787

00:33:14,400 --> 00:33:11,850

sleep she didn't take it seriously yeah

788

00:33:16,590 --> 00:33:14,410

so interesting now let me stop you for a

789

00:33:19,560 --> 00:33:16,600

second John because you know most people

790

00:33:21,600 --> 00:33:19,570

that have encounters with these aliens

791

00:33:23,370 --> 00:33:21,610

especially like the greys that you've

792

00:33:28,830 --> 00:33:23,380

been describing that you first

793

00:33:30,210 --> 00:33:28,840

encountered they are so unconscious you

794

00:33:33,030 --> 00:33:30,220

know that if they don't have the

795

00:33:35,460 --> 00:33:33,040

wherewithal to grab a bat and smack crap

796

00:33:36,630 --> 00:33:35,470

out of them you know they're like out of

797

00:33:38,250 --> 00:33:36,640

it I don't know what they're being

798

00:33:40,980 --> 00:33:38,260

treated with it's some type of mind

799

00:33:43,860 --> 00:33:40,990

control or some technology that they

800

00:33:45,660 --> 00:33:43,870

have that renders them unable to

801

00:33:54,120 --> 00:33:45,670

physically attack them but that doesn't

802

00:33:56,430 --> 00:33:54,130

work on you apparently medicago I mean

803

00:33:59,850 --> 00:33:56,440

I'm serious you know I mean I you know I

804

00:34:01,380 --> 00:33:59,860

grew up top and you know on the streets

805

00:34:01,860 --> 00:34:01,390

of Chicago you got to be ready for

806

00:34:05,910 --> 00:34:01,870

anything

807

00:34:08,960 --> 00:34:05,920

and you know so I was I've always my

808

00:34:12,240 --> 00:34:08,970

whole life I've always been a special

809

00:34:15,930 --> 00:34:12,250

consciousness that they cannot override

810

00:34:19,170 --> 00:34:15,940

or they would have so you must have some

811

00:34:21,300 --> 00:34:19,180

expanded level of consciousness that

812

00:34:23,430 --> 00:34:21,310

allows you all to meet them at their own

813

00:34:26,520 --> 00:34:23,440

level you know and that's that's really

814

00:34:28,500 --> 00:34:26,530

really unusual the kind of sight so you

815

00:34:31,109 --> 00:34:28,510

think you can I bet I ever heard this

816

00:34:34,919 --> 00:34:31,119

people amazed at how he is able to hear

817

00:34:39,450 --> 00:34:34,929

all these things oh yes come twice you

818

00:34:41,399 --> 00:34:39,460

know that's great pick for you you know

819

00:34:44,249 --> 00:34:41,409

and the thing about it is is we had a

820

00:34:46,349 --> 00:34:44,259

pitbull named Daisy and she used to

821

00:34:49,829 --> 00:34:46,359

sleep at the foot of the bed on the

822

00:34:51,659 --> 00:34:49,839

ground and she was really cool about it

823

00:34:54,529 --> 00:34:51,669

because she knew they were there and she

824

00:34:56,399 --> 00:34:54,539

got up and she tried to chase one

825

00:34:58,230 --> 00:34:56,409

because they always show up in trees

826

00:34:59,759 --> 00:34:58,240

they never come by themselves they never

827

00:35:01,140 --> 00:34:59,769

come you know like two of them there's

828

00:35:03,599 --> 00:35:01,150

always three I don't know what it is

829

00:35:07,499 --> 00:35:03,609

about three but that's how they travel

830

00:35:10,079 --> 00:35:07,509

and she literally almost chased one

831

00:35:12,329 --> 00:35:10,089

right through the door I mean in one of

832

00:35:14,220 --> 00:35:12,339

them you know just took off and went

833

00:35:16,710 --> 00:35:14,230

literally right through a wooden door a

834

00:35:18,359 --> 00:35:16,720

hollow core door and Daisy hit the door

835

00:35:24,420 --> 00:35:18,369

so hard that she actually put a dent in

836

00:35:26,819 --> 00:35:24,430

it with her head you know and then this

837

00:35:29,549 --> 00:35:26,829

is the same dog that they killed you

838

00:35:32,039 --> 00:35:29,559

know on three thirteen of this year

839

00:35:35,039 --> 00:35:32,049

dancer you know yeah he was around for a

840

00:35:37,049 --> 00:35:35,049

lot of years and she was a rescue that

841

00:35:41,670 --> 00:35:37,059

you know Cain was very near and dear to

842

00:35:43,559 --> 00:35:41,680

me and you know I just yeah breaks my

843

00:35:45,450 --> 00:35:43,569

heart since and to know what happened

844

00:35:47,910 --> 00:35:45,460

the way it happened but you know

845

00:35:51,720 --> 00:35:47,920

couldn't be prevented and it's horrible

846

00:35:54,450 --> 00:35:51,730

and again I I find it's so hideous and

847

00:35:57,140 --> 00:35:54,460

appalling that they treat animals with

848

00:35:59,789 --> 00:35:57,150

this way it's such an incredible

849

00:36:02,009 --> 00:35:59,799

disrespect not only to the animal but

850

00:36:05,849 --> 00:36:02,019

for our feelings towards our animals

851

00:36:08,039 --> 00:36:05,859

it's just unacceptable so this is your

852

00:36:10,739 --> 00:36:08,049

first introduction to them and you're

853

00:36:13,140 --> 00:36:10,749

able to get by their mind control and

854

00:36:17,039 --> 00:36:13,150

give them a good smack twice with your

855

00:36:18,420 --> 00:36:17,049

aluminum baseball bat so now what I mean

856

00:36:20,549 --> 00:36:18,430

you must have gotten up in the morning

857

00:36:23,489 --> 00:36:20,559

with your wife and and thought what are

858

00:36:25,829 --> 00:36:23,499

we going to do now well and she want me

859

00:36:27,059 --> 00:36:25,839

you know she woke me up the next day and

860

00:36:29,039 --> 00:36:27,069

looked at me and she said did you

861

00:36:33,930 --> 00:36:29,049

actually tell me that you smacked an

862

00:36:35,279 --> 00:36:33,940

alien and I said yeah and she says well

863

00:36:36,809 --> 00:36:35,289

what did you do that for

864

00:36:37,950 --> 00:36:36,819

and I said well what do you mean what

865

00:36:40,229 --> 00:36:37,960

did I do that for they're they're not

866

00:36:42,390 --> 00:36:40,239

supposed to be in the bedroom and she

867

00:36:44,550 --> 00:36:42,400

she she just looked at me and she was

868

00:36:46,110 --> 00:36:44,560

like well I wanna go outside

869

00:36:47,520 --> 00:36:46,120

and I'm like we need to element go

870

00:36:50,670 --> 00:36:47,530

outside they're not supposed to be here

871

00:36:52,530 --> 00:36:50,680

at all and you know he's but she didn't

872

00:36:54,990 --> 00:36:52,540

that grow fearful or anything she kind

873

00:36:57,290 --> 00:36:55,000

of sorta took it seriously and we had

874

00:36:59,430 --> 00:36:57,300

coffee and after that she just you know

875

00:37:01,050 --> 00:36:59,440

acted like it was no big deal

876

00:37:02,550 --> 00:37:01,060

and I told her I said look this is

877

00:37:03,900 --> 00:37:02,560

getting worse and worse these things

878

00:37:05,970 --> 00:37:03,910

have been here on the property they've

879

00:37:07,680 --> 00:37:05,980

been hurting the animals I said it's

880

00:37:09,270 --> 00:37:07,690

just a matter of time before we're going

881

00:37:11,640 --> 00:37:09,280

to start having a lot more problems with

882

00:37:15,000 --> 00:37:11,650

these scents and she's like well I want

883

00:37:15,840 --> 00:37:15,010

to move and I said okay that vegetable I

884

00:37:17,910 --> 00:37:15,850

can understand that

885

00:37:19,410 --> 00:37:17,920

I wouldn't mind moving either but I said

886

00:37:21,330 --> 00:37:19,420

I don't have another million dollars to

887

00:37:22,800 --> 00:37:21,340

throw into another range someplace and I

888

00:37:24,060 --> 00:37:22,810

said quite frankly I don't know if we

889

00:37:27,690 --> 00:37:24,070

can't get that kind of money for this

890

00:37:29,430 --> 00:37:27,700

one and she's like well what do you want

891

00:37:31,230 --> 00:37:29,440

to do and I said well maybe you should

892

00:37:33,810 --> 00:37:31,240

go back to Phoenix and get an apartment

893

00:37:37,110 --> 00:37:33,820

next to where your job is in you know

894

00:37:39,540 --> 00:37:37,120

I'll try to deal out the ranch and get

895

00:37:42,510 --> 00:37:39,550

rid of all the aliens and then after the

896

00:37:44,400 --> 00:37:42,520

coast is clear you can come back and but

897

00:37:47,190 --> 00:37:44,410

she said no I don't want to do that like

898

00:37:49,350 --> 00:37:47,200

Bob okay then just really something I

899

00:37:52,530 --> 00:37:49,360

offered to get you an apartment you know

900

00:37:54,030 --> 00:37:52,540

take care of you make you safe and you

901  
00:37:56,460 --> 00:37:54,040  
know do everything I could honor the

902  
00:37:58,380 --> 00:37:56,470  
situation I said I had no idea that I

903  
00:38:01,440 --> 00:37:58,390  
was buying a range fillet lian's and I

904  
00:38:04,170 --> 00:38:01,450  
said you know I'm trying to fix it so

905  
00:38:05,790 --> 00:38:04,180  
you know she got mad at me and for a

906  
00:38:07,470 --> 00:38:05,800  
while she was kind of a grump about it

907  
00:38:08,820 --> 00:38:07,480  
but Chander stood that my heart was in

908  
00:38:11,130 --> 00:38:08,830  
the right place and I was trying to do

909  
00:38:13,320 --> 00:38:11,140  
the right thing and we're protecting her

910  
00:38:15,060 --> 00:38:13,330  
now has she ever had any physical

911  
00:38:19,530 --> 00:38:15,070  
altercations was she smacked him around

912  
00:38:21,450 --> 00:38:19,540  
- no she seen them she has had them do

913  
00:38:24,000 --> 00:38:21,460

really bad things where they came up and

914

00:38:26,400 --> 00:38:24,010

tried to choke her air hose all right

915

00:38:28,830 --> 00:38:26,410

now and I mean absolutely turned her

916

00:38:31,860 --> 00:38:28,840

blue and then woke up gasping for air

917

00:38:33,420 --> 00:38:31,870

and you know I mean just really terrible

918

00:38:37,020 --> 00:38:33,430

things my wife is a really sweet person

919

00:38:38,400 --> 00:38:37,030

up she's you know and quite frankly I

920

00:38:41,280 --> 00:38:38,410

mean she kind of tried to take the

921

00:38:43,320 --> 00:38:41,290

attitude of well try to talk to them and

922

00:38:44,910 --> 00:38:43,330

you know try to try to work it out with

923

00:38:47,310 --> 00:38:44,920

them and you know I was like the hell

924

00:38:49,530 --> 00:38:47,320

with that I'm gonna slice and dice I

925

00:38:52,410 --> 00:38:49,540

mean we're we're gonna you know who are

926  
00:38:54,270 --> 00:38:52,420  
gonna fight here yeah you know I I mean

927  
00:38:56,190 --> 00:38:54,280  
I I tried to be nice so but they didn't

928  
00:38:57,870 --> 00:38:56,200  
want to you know they just they weren't

929  
00:38:59,970 --> 00:38:57,880  
even going to play nice

930  
00:39:01,470 --> 00:38:59,980  
they were in a mood and so the next

931  
00:39:02,880 --> 00:39:01,480  
thing that had to happen was the fact

932  
00:39:05,130 --> 00:39:02,890  
that I had to get rougher with them and

933  
00:39:07,920 --> 00:39:05,140  
so I kept you know trying to figure out

934  
00:39:11,820 --> 00:39:07,930  
a way that I could do even more harm to

935  
00:39:14,100 --> 00:39:11,830  
them to run them off but you know I live

936  
00:39:17,280 --> 00:39:14,110  
in a brick house and it's brick inside

937  
00:39:19,860 --> 00:39:17,290  
as well as outside and bullets do not go

938  
00:39:21,990 --> 00:39:19,870

well in a house made of bricks right and

939

00:39:24,240 --> 00:39:22,000

so and I find it under our wishes I

940

00:39:27,480 --> 00:39:24,250

actually yeah actually one day had a

941

00:39:28,680 --> 00:39:27,490

run-in with one and I shot it and the

942

00:39:30,510 --> 00:39:28,690

bullet went right through them and it

943

00:39:32,370 --> 00:39:30,520

bounced off and it you know it was bad

944

00:39:36,270 --> 00:39:32,380

it was really bad plus it almost broke

945

00:39:39,150 --> 00:39:36,280

my eardrums so I had to find a solution

946

00:39:42,480 --> 00:39:39,160

the samurai you know samurai sword was

947

00:39:45,870 --> 00:39:42,490

was the next step and it works great

948

00:39:49,710 --> 00:39:45,880

it's the ultimate weapon for dispatching

949

00:39:51,660 --> 00:39:49,720

little grey aliens so the next time that

950

00:39:53,850 --> 00:39:51,670

they started coming through they started

951  
00:39:56,670 --> 00:39:53,860  
giving you a hard time bothering your

952  
00:39:58,950 --> 00:39:56,680  
wife you bring out the samurai sword to

953  
00:40:01,260 --> 00:39:58,960  
teach them a lesson and you actually

954  
00:40:04,950 --> 00:40:01,270  
succeeded in stabbing one of them you

955  
00:40:07,860 --> 00:40:04,960  
ran one through with this thing I did my

956  
00:40:09,540 --> 00:40:07,870  
wife was alien unusual because usually

957  
00:40:12,360 --> 00:40:09,550  
they used to come usually between

958  
00:40:13,890 --> 00:40:12,370  
midnight and 3:00 a.m. and I don't know

959  
00:40:15,720 --> 00:40:13,900  
what happened I mean we don't have

960  
00:40:16,980 --> 00:40:15,730  
daylight savings time in Arizona so I

961  
00:40:19,170 --> 00:40:16,990  
don't have too good of my set up but

962  
00:40:21,270 --> 00:40:19,180  
they for some reason showed up about six

963  
00:40:23,280 --> 00:40:21,280

o'clock at night and three of them

964

00:40:26,490 --> 00:40:23,290

showed up literally on our Sun porch and

965

00:40:28,230 --> 00:40:26,500

I grabbed the sword I was just getting

966

00:40:31,800 --> 00:40:28,240

ready to go out to feed the dogs and

967

00:40:34,260 --> 00:40:31,810

take them out and I saw these little

968

00:40:34,950 --> 00:40:34,270

guys standing there and I thought okay

969

00:40:37,980 --> 00:40:34,960

here we go

970

00:40:41,250 --> 00:40:37,990

you know let's get it on and I grabbed a

971

00:40:44,280 --> 00:40:41,260

sword and I literally stabbed one right

972

00:40:46,200 --> 00:40:44,290

through its abdomen and when I pulled

973

00:40:48,480 --> 00:40:46,210

out the sword a big chunk came out that

974

00:40:52,680 --> 00:40:48,490

was about the size of like a ruby red

975

00:40:54,330 --> 00:40:52,690

grapefruit and then I thought okay maybe

976

00:40:55,770 --> 00:40:54,340

I can cut that off and then I'll have

977

00:40:57,870 --> 00:40:55,780

something that I can really prove what I

978

00:40:59,550 --> 00:40:57,880

got here and unfortunately didn't work

979

00:41:01,440 --> 00:40:59,560

out that way when I went to swing to

980

00:41:04,080 --> 00:41:01,450

take the head it just disappeared the

981

00:41:07,640 --> 00:41:04,090

other teeth disappeared as well but I

982

00:41:09,930 --> 00:41:07,650

still had the you know the big chunk of

983

00:41:11,040 --> 00:41:09,940

this particular one on the end of the

984

00:41:13,800 --> 00:41:11,050

sword

985

00:41:15,870 --> 00:41:13,810

I had a big puddle of you know fluid

986

00:41:19,140 --> 00:41:15,880

that look like blood or some kind of

987

00:41:22,350 --> 00:41:19,150

bottle another was it what color you

988

00:41:24,120 --> 00:41:22,360

want it that what a fluid um it looks

989

00:41:27,090 --> 00:41:24,130

like brake fluid Penna looks like dirty

990

00:41:30,600 --> 00:41:27,100

oil you know it is somewhere between a

991

00:41:33,810 --> 00:41:30,610

sort of a dark almost a dark red color

992

00:41:36,180 --> 00:41:33,820

and a dark like a sort of a syrupy color

993

00:41:38,550 --> 00:41:36,190

and the only thing about it is it's very

994

00:41:40,530 --> 00:41:38,560

acidic so it's like if it gets on your

995

00:41:43,920 --> 00:41:40,540

skin it will burn you if it gets on

996

00:41:46,620 --> 00:41:43,930

cloth it'll burn right through it you

997

00:41:48,690 --> 00:41:46,630

know but fortunately I had some glass

998

00:41:50,730 --> 00:41:48,700

doors that were right behind me and the

999

00:41:53,160 --> 00:41:50,740

glass doors got pretty well covered with

1000

00:41:56,220 --> 00:41:53,170

fluid and so we were able to take a lot

1001  
00:41:58,770 --> 00:41:56,230  
of samples from that and like I said I

1002  
00:42:01,200 --> 00:41:58,780  
had this one big hunk and so I took it

1003  
00:42:03,600 --> 00:42:01,210  
off the sword and I put it in a glass

1004  
00:42:06,750 --> 00:42:03,610  
bottle and I put it in the freezer and

1005  
00:42:08,340 --> 00:42:06,760  
it will actually no forgery and so here

1006  
00:42:12,090 --> 00:42:08,350  
I am now I got a dead alien in my

1007  
00:42:15,330 --> 00:42:12,100  
refrigerator and alien goo in your

1008  
00:42:17,130 --> 00:42:15,340  
refrigerator you know where - in a sea

1009  
00:42:19,680 --> 00:42:17,140  
ice no no you know I was like you know I

1010  
00:42:21,330 --> 00:42:19,690  
labeled it and so you know my wife

1011  
00:42:23,550 --> 00:42:21,340  
wouldn't like you know make a mistake

1012  
00:42:27,360 --> 00:42:23,560  
and you know put that up or something

1013  
00:42:28,680 --> 00:42:27,370

and imagine you know yeah well I mean it

1014

00:42:30,960 --> 00:42:28,690

here was you know and I had to explain

1015

00:42:33,360 --> 00:42:30,970

to her what happened and she was again

1016

00:42:34,740 --> 00:42:33,370

she was horrified but you know she was

1017

00:42:38,370 --> 00:42:34,750

like they got it in come home a few

1018

00:42:39,990 --> 00:42:38,380

minutes earlier and you know so I I'm

1019

00:42:41,610 --> 00:42:40,000

thinking to myself I got to do something

1020

00:42:43,920 --> 00:42:41,620

with this thing what do I do with it so

1021

00:42:47,190 --> 00:42:43,930

I had been working as a producer for the

1022

00:42:48,990 --> 00:42:47,200

Kevin Smith show and so you know Kevin's

1023

00:42:50,610 --> 00:42:49,000

made that on a lot of people that were

1024

00:42:55,680 --> 00:42:50,620

in the paranormal community the UFO

1025

00:42:59,040 --> 00:42:55,690

community and we I ended up contacting

1026  
00:43:02,220 --> 00:42:59,050  
one person in particular and he helped

1027  
00:43:02,670 --> 00:43:02,230  
me to find a scientist that I could talk

1028  
00:43:05,490 --> 00:43:02,680  
to you

1029  
00:43:08,550 --> 00:43:05,500  
and so dr. lemon good came into the

1030  
00:43:10,710 --> 00:43:08,560  
picture grass Lakes Michigan and he was

1031  
00:43:15,480 --> 00:43:10,720  
somebody that had many many years of

1032  
00:43:17,280 --> 00:43:15,490  
dealing with the animal mutilations and

1033  
00:43:20,790 --> 00:43:17,290  
so he'd studied that he knew a lot about

1034  
00:43:23,280 --> 00:43:20,800  
it and so he I contacted him by phone

1035  
00:43:24,960 --> 00:43:23,290  
and he was kind of thrilled to hear what

1036  
00:43:27,660 --> 00:43:24,970  
I had and he

1037  
00:43:29,370 --> 00:43:27,670  
so can you send it to me and I said okay

1038  
00:43:32,460 --> 00:43:29,380

how do I send it to you [\h\_\_\h] just use

1039

00:43:36,150 --> 00:43:32,470

FedEx so I'm probably the first person

1040

00:43:39,359 --> 00:43:36,160

who ever FedEx the kneeling and then goo

1041

00:43:42,690 --> 00:43:39,369

goes FedEx element you got it there

1042

00:43:45,120 --> 00:43:42,700

safely into those of their hands and you

1043

00:43:47,790 --> 00:43:45,130

actually on your website you have some

1044

00:43:49,980 --> 00:43:47,800

of the results that's right yeah he

1045

00:43:52,260 --> 00:43:49,990

actually he had the results for a few

1046

00:43:55,320 --> 00:43:52,270

months and he took them to some major

1047

00:43:57,210 --> 00:43:55,330

universities and he did I guess like

1048

00:43:58,800 --> 00:43:57,220

what they call you know blind box

1049

00:44:00,990 --> 00:43:58,810

samples where he didn't tell anybody

1050

00:44:03,650 --> 00:44:01,000

what they were he just submitted them to

1051  
00:44:07,349 --> 00:44:03,660  
various different schools and as their

1052  
00:44:10,140 --> 00:44:07,359  
departments you know to analyze exactly

1053  
00:44:12,870 --> 00:44:10,150  
what these tissues were from and when it

1054  
00:44:13,200 --> 00:44:12,880  
came back you know he he sent me a

1055  
00:44:14,940 --> 00:44:13,210  
letter

1056  
00:44:17,339 --> 00:44:14,950  
and he said John you have the smoking

1057  
00:44:21,390 --> 00:44:17,349  
gun of absolute proof of alien

1058  
00:44:24,930 --> 00:44:21,400  
visitation on earth the samples that

1059  
00:44:27,950 --> 00:44:24,940  
were analyzed for DNA and analyzed for

1060  
00:44:31,440 --> 00:44:27,960  
cell structure show a remarkable

1061  
00:44:33,720 --> 00:44:31,450  
situation in the fact that they show not

1062  
00:44:36,900 --> 00:44:33,730  
only hemoglobin which is contained in

1063  
00:44:39,359 --> 00:44:36,910

blood but also chlorophyll which is

1064

00:44:40,980 --> 00:44:39,369

common in plants and so literally you

1065

00:44:43,230 --> 00:44:40,990

have something from the animal kingdom

1066

00:44:45,359 --> 00:44:43,240

and from the plant kingdom but they're

1067

00:44:48,680 --> 00:44:45,369

all on the same thing together the same

1068

00:44:51,480 --> 00:44:48,690

sample appearing simultaneously and that

1069

00:44:54,180 --> 00:44:51,490

doesn't happen there's no animal or

1070

00:44:57,150 --> 00:44:54,190

plant on earth that that sample could

1071

00:45:00,089 --> 00:44:57,160

have come from and so apparently that is

1072

00:45:04,710 --> 00:45:00,099

the exact you know smoking gun proof

1073

00:45:05,730 --> 00:45:04,720

positive and we have this gentleman he

1074

00:45:08,250 --> 00:45:05,740

was going to release the information

1075

00:45:09,839 --> 00:45:08,260

with me we were going to have a big

1076

00:45:12,120 --> 00:45:09,849

conference or you know big news

1077

00:45:14,790 --> 00:45:12,130

conference you do that and then

1078

00:45:17,430 --> 00:45:14,800

unfortunately something strange happened

1079

00:45:20,880 --> 00:45:17,440

and he died and then a few days later

1080

00:45:23,760 --> 00:45:20,890

his wife died I know all the samples

1081

00:45:27,030 --> 00:45:23,770

disappeared the lab was shut down and

1082

00:45:31,170 --> 00:45:27,040

once again like an you know typical X

1083

00:45:33,630 --> 00:45:31,180

file you know we didn't get any results

1084

00:45:36,630 --> 00:45:33,640

all we got was what we had and we never

1085

00:45:38,790 --> 00:45:36,640

got anything past that and so here we

1086

00:45:40,650 --> 00:45:38,800

are today we have you know

1087

00:45:42,750 --> 00:45:40,660

this proof and this evidence and the

1088

00:45:44,460 --> 00:45:42,760

plenty other but it could have gone a

1089

00:45:46,920 --> 00:45:44,470

lot further you know somehow or another

1090

00:45:51,600 --> 00:45:46,930

it got somebody intervened and shuddered

1091

00:45:54,300 --> 00:45:51,610

them what's the prize right yeah exactly

1092

00:45:59,150 --> 00:45:54,310

now I gotta ask you if you have any

1093

00:46:02,040 --> 00:45:59,160

visits from the men in black we have

1094

00:46:03,990 --> 00:46:02,050

very much stuff and it's really strange

1095

00:46:07,320 --> 00:46:04,000

because I didn't even know you know I

1096

00:46:09,840 --> 00:46:07,330

realized something I was not in the you

1097

00:46:11,520 --> 00:46:09,850

know the paranormal UFO community or

1098

00:46:14,370 --> 00:46:11,530

anything else you know I was in the

1099

00:46:17,070 --> 00:46:14,380

social worker psychiatric counselor

1100

00:46:18,870 --> 00:46:17,080

community I mean you know I had no idea

1101

00:46:24,020 --> 00:46:18,880

that there was something called men in

1102

00:46:28,050 --> 00:46:24,030

black and one day an SUV a dark blue SUV

1103

00:46:30,180 --> 00:46:28,060

Chevy or GMC SUV pulled up in front of

1104

00:46:32,880 --> 00:46:30,190

the ranch just south of the front gates

1105

00:46:34,560 --> 00:46:32,890

and two guys got out and I could see

1106

00:46:40,680 --> 00:46:34,570

that there were white government plates

1107

00:46:42,300 --> 00:46:40,690

and instead of you know walking and you

1108

00:46:45,180 --> 00:46:42,310

know up to the gates they literally just

1109

00:46:47,310 --> 00:46:45,190

walked right through them I mean and

1110

00:46:49,470 --> 00:46:47,320

these gates were locked okay and they

1111

00:46:51,120 --> 00:46:49,480

didn't have a key and there's no way

1112

00:46:53,220 --> 00:46:51,130

they could have just swung them open

1113

00:46:55,770 --> 00:46:53,230

they just walked right through them it

1114

00:46:58,170 --> 00:46:55,780

was a demon to realize the gate somehow

1115

00:47:00,930 --> 00:46:58,180

and walk through and they walked about

1116

00:47:03,000 --> 00:47:00,940

50km where I was standing with a friend

1117

00:47:05,490 --> 00:47:03,010

of mine because we were actually

1118

00:47:07,080 --> 00:47:05,500

cleaning guns and I had a picnic table

1119

00:47:10,290 --> 00:47:07,090

sitting right there that was underneath

1120

00:47:13,920 --> 00:47:10,300

a big shaded area where I parked my cars

1121

00:47:15,240 --> 00:47:13,930

and we had about ten guns on the picnic

1122

00:47:17,700 --> 00:47:15,250

table that we were just happen to be

1123

00:47:20,070 --> 00:47:17,710

cleaning and one clips in and out of and

1124

00:47:22,860 --> 00:47:20,080

loading clips and all that good stuff

1125

00:47:26,040 --> 00:47:22,870

that you do with guns and these guys

1126

00:47:28,500 --> 00:47:26,050

walk right up to me and I have greeted

1127

00:47:29,910 --> 00:47:28,510

them and I said who are you what do you

1128

00:47:32,160 --> 00:47:29,920

you know what are you doing here and

1129

00:47:33,890 --> 00:47:32,170

that was pretty neat trick he did you

1130

00:47:36,390 --> 00:47:33,900

know with the gates how's that work and

1131

00:47:38,940 --> 00:47:36,400

these guys had actually no expressions

1132

00:47:41,490 --> 00:47:38,950

on their face they were the color of

1133

00:47:43,710 --> 00:47:41,500

like like if you went to the grocery

1134

00:47:45,960 --> 00:47:43,720

store and you bought raw chicken they

1135

00:47:48,330 --> 00:47:45,970

look like raw chicken and they were just

1136

00:47:49,650 --> 00:47:48,340

this sort of whitish gray or [h\_\_h] yeah

1137

00:47:51,240 --> 00:47:49,660

it was weird I mean they didn't look

1138

00:47:52,740 --> 00:47:51,250

human you know they didn't look like

1139

00:47:54,330 --> 00:47:52,750

regular vehicle they would

1140

00:47:56,070 --> 00:47:54,340

dressed in black actually they kind of

1141

00:47:59,550 --> 00:47:56,080

lead like the Blues Brothers to tell you

1142

00:48:02,870 --> 00:47:59,560

the truth and that's what they reminded

1143

00:48:05,040 --> 00:48:02,880

me of you know being from Chicago but

1144

00:48:06,450 --> 00:48:05,050

you know they'd I asked them I said what

1145

00:48:09,090 --> 00:48:06,460

do you want and they said you need to

1146

00:48:10,830 --> 00:48:09,100

stop posting notices of the things that

1147

00:48:14,610 --> 00:48:10,840

you see on this ranch on the cause

1148

00:48:17,250 --> 00:48:14,620

website and Peter Gersten the local

1149

00:48:19,410 --> 00:48:17,260

lawyer was kind of big back in those

1150

00:48:23,190 --> 00:48:19,420

days and he used to have his own website

1151  
00:48:25,500 --> 00:48:23,200  
called the cause CA Us website and I

1152  
00:48:26,940 --> 00:48:25,510  
used to post everything that I saw you

1153  
00:48:30,750 --> 00:48:26,950  
know all the strangers up on the ranch

1154  
00:48:32,550 --> 00:48:30,760  
they put it on his web site and so they

1155  
00:48:35,700 --> 00:48:32,560  
told me to stop posting things they told

1156  
00:48:38,220 --> 00:48:35,710  
me basically to you know just chill out

1157  
00:48:41,040 --> 00:48:38,230  
and stop you know talking about anything

1158  
00:48:42,960 --> 00:48:41,050  
paranormal and I just looked at the guy

1159  
00:48:46,110 --> 00:48:42,970  
and I said you know you see what's on

1160  
00:48:49,020 --> 00:48:46,120  
that table that tables full of guns and

1161  
00:48:51,780 --> 00:48:49,030  
he just looked at him it didn't bother

1162  
00:48:53,640 --> 00:48:51,790  
him at all and I just told him I said

1163  
00:48:56,850 --> 00:48:53,650

look you need to get off my property and

1164

00:48:59,550 --> 00:48:56,860

go away because I don't you know I don't

1165

00:49:01,890 --> 00:48:59,560

take threats well and I said you know

1166

00:49:03,720 --> 00:49:01,900

you don't have any ID or you don't want

1167

00:49:06,480 --> 00:49:03,730

to show me any idea because I had s in

1168

00:49:07,190 --> 00:49:06,490

both for ID and they refused to show me

1169

00:49:09,540 --> 00:49:07,200

anything

1170

00:49:11,340 --> 00:49:09,550

they were clearly here just to make

1171

00:49:13,080 --> 00:49:11,350

their point and then turn around and

1172

00:49:14,760 --> 00:49:13,090

leave and that's what they did they just

1173

00:49:18,270 --> 00:49:14,770

spun around on their heels and off they

1174

00:49:19,640 --> 00:49:18,280

went and goodbye and good riddance gosh

1175

00:49:22,980 --> 00:49:19,650

yes pretty much

1176

00:49:24,750 --> 00:49:22,990

Wow I've got a whole bunch of questions

1177

00:49:27,090 --> 00:49:24,760

coming out of the chat room so I know

1178

00:49:28,260 --> 00:49:27,100

we're eventually going to answer some of

1179

00:49:30,720 --> 00:49:28,270

them because we're going to get to

1180

00:49:34,290 --> 00:49:30,730

what's on your property that these

1181

00:49:37,470 --> 00:49:34,300

aliens find so enticing now and you're

1182

00:49:39,780 --> 00:49:37,480

going to come on shirt right now yeah I

1183

00:49:41,850 --> 00:49:39,790

have to answer it that's what Denise

1184

00:49:44,820 --> 00:49:41,860

isn't asking she's saying what is it

1185

00:49:48,030 --> 00:49:44,830

about your property that they are so

1186

00:49:50,490 --> 00:49:48,040

fascinated with well we have two portals

1187

00:49:52,650 --> 00:49:50,500

we have one that's a very large portal

1188

00:49:55,320 --> 00:49:52,660

on the back of the property this is a 10

1189

00:49:57,150 --> 00:49:55,330

acre property in the middle of about six

1190

00:50:00,330 --> 00:49:57,160

or seven hundred thousand acres a wild

1191

00:50:05,750 --> 00:50:00,340

desert and we have one that is in the

1192

00:50:12,270 --> 00:50:08,910

apparently these portals were here long

1193

00:50:14,370 --> 00:50:12,280

before anybody built on the property you

1194

00:50:18,170 --> 00:50:14,380

know long before the Native Americans

1195

00:50:22,980 --> 00:50:18,180

were here long before it was used as a

1196

00:50:27,210 --> 00:50:22,990

basically a dumping ground for artifacts

1197

00:50:30,120 --> 00:50:27,220

and for actually we've dug up skulls

1198

00:50:32,580 --> 00:50:30,130

we've dug up all sorts of bones in the

1199

00:50:34,740 --> 00:50:32,590

process of building things here and so

1200

00:50:36,870 --> 00:50:34,750

apparently this this has been an

1201

00:50:39,870 --> 00:50:36,880

important property for thousands of

1202

00:50:42,450 --> 00:50:39,880

years and during one of these sessions

1203

00:50:45,780 --> 00:50:42,460

that we had where we had Elizabeth

1204

00:50:49,230 --> 00:50:45,790

Auguste who is a person that I work with

1205

00:50:52,230 --> 00:50:49,240

doing channeling or you know through the

1206

00:50:54,240 --> 00:50:52,240

portal in the living room she's been

1207

00:50:56,160 --> 00:50:54,250

able to gather all sorts of information

1208

00:50:59,520 --> 00:50:56,170

about the property and about the things

1209

00:51:01,530 --> 00:50:59,530

that have actually happened here and one

1210

00:51:04,380 --> 00:51:01,540

of the answers that came back was this

1211

00:51:07,260 --> 00:51:04,390

property as I said earlier Arizona has

1212

00:51:09,810 --> 00:51:07,270

been part of the Egyptian kind of

1213

00:51:12,480 --> 00:51:09,820

community that was spread out around the

1214

00:51:15,510 --> 00:51:12,490

world and going back thousands and

1215

00:51:18,320 --> 00:51:15,520

thousands of years and so these portals

1216

00:51:22,170 --> 00:51:18,330

are part of a network of portals and

1217

00:51:24,420 --> 00:51:22,180

apparently way way way back the pyramids

1218

00:51:26,940 --> 00:51:24,430

portals there was all sorts of ancient

1219

00:51:30,390 --> 00:51:26,950

technology that has pretty much long

1220

00:51:32,430 --> 00:51:30,400

been forgotten now and but it was all in

1221

00:51:34,140 --> 00:51:32,440

use back then and so these gates or

1222

00:51:38,750 --> 00:51:34,150

these portals are left over from that

1223

00:51:41,640 --> 00:51:38,760

period now you also have an aquifer

1224

00:51:43,650 --> 00:51:41,650

wheels very special water and you also

1225

00:51:46,440 --> 00:51:43,660

have a mineral on your property that

1226

00:51:48,360 --> 00:51:46,450

comes from I think you said lightning

1227

00:51:51,540 --> 00:51:48,370

has something to do with the formation

1228

00:51:54,390 --> 00:51:51,550

of it fall the right well in it yep yeah

1229

00:51:56,430 --> 00:51:54,400

we have folder a we because we live in a

1230

00:52:00,050 --> 00:51:56,440

bowl more or less in terms of we're

1231

00:52:03,180 --> 00:52:00,060

surrounded by the Australia Mountains

1232

00:52:05,340 --> 00:52:03,190

when a storm gets in the bowl it just

1233

00:52:07,110 --> 00:52:05,350

goes around and around and around and so

1234

00:52:10,170 --> 00:52:07,120

when we have lightning storms which we

1235

00:52:13,380 --> 00:52:10,180

have frequently it strikes the ground a

1236

00:52:15,240 --> 00:52:13,390

lot and so because of that we have the

1237

00:52:17,880 --> 00:52:15,250

full direct because that's how fulgurite

1238

00:52:21,090 --> 00:52:17,890

is made it's actually

1239

00:52:23,940 --> 00:52:21,100

sand and other materials that when they

1240

00:52:27,960 --> 00:52:23,950

come in contact with extreme energy it

1241

00:52:29,700 --> 00:52:27,970

creates folder it so there's a number of

1242

00:52:32,070 --> 00:52:29,710

things that are attractive you've got

1243

00:52:33,750 --> 00:52:32,080

the two portals you've got to fill the

1244

00:52:35,490 --> 00:52:33,760

right you've got the aquifer with a

1245

00:52:37,740 --> 00:52:35,500

special water so it sounds like you've

1246

00:52:39,810 --> 00:52:37,750

got all the right elements to keep

1247

00:52:43,830 --> 00:52:39,820

flying them in yeah we're like a

1248

00:52:48,750 --> 00:52:43,840

paranormal Walmart I mean what's that

1249

00:52:52,500 --> 00:52:48,760

laughing repeat it that's it we got

1250

00:52:54,180 --> 00:52:52,510

everything but a drive-through I may

1251  
00:52:58,410 --> 00:52:54,190  
have a time so you just haven't found it

1252  
00:53:00,840 --> 00:52:58,420  
yet that we're like it was yes well now

1253  
00:53:04,890 --> 00:53:00,850  
I wanted to remind everybody to go to

1254  
00:53:07,410 --> 00:53:04,900

1255  
00:53:09,900 --> 00:53:07,420  
go to the menu click on tube and you can

1256  
00:53:12,000 --> 00:53:09,910  
see us because I want John to show

1257  
00:53:14,040 --> 00:53:12,010  
everybody that beautiful samurai sword

1258  
00:53:15,510 --> 00:53:14,050  
we got to see it earlier but I think

1259  
00:53:17,730 --> 00:53:15,520  
you're going to want to see it too and

1260  
00:53:20,580 --> 00:53:17,740  
we've got so much more to talk about

1261  
00:53:23,010 --> 00:53:20,590  
tonight and we've got a big reveal

1262  
00:53:26,310 --> 00:53:23,020  
coming up regarding North Korea there it

1263  
00:53:28,800 --> 00:53:26,320

is it's the sword oh my God look at that

1264

00:53:31,740 --> 00:53:28,810

stop just enough I've got a course you

1265

00:53:36,870 --> 00:53:31,750

can actually imagine is still has still

1266

00:53:39,450 --> 00:53:36,880

as thing I think you can see some of the

1267

00:53:44,250 --> 00:53:39,460

discoloration on it yeah I read alien

1268

00:53:51,780 --> 00:53:44,260

that is alien alien wonderful panting -

1269

00:53:54,270 --> 00:53:51,790

what is okay we got to go to a break for

1270

00:53:56,070 --> 00:53:54,280

everybody stay tuned you're listening to

1271

00:54:09,040 --> 00:53:56,080

Supernatural girls radio

1272

00:54:12,860 --> 00:54:11,930

welcome back everyone to supernatural

1273

00:54:15,200 --> 00:54:12,870

Girls radio

1274

00:54:18,740 --> 00:54:15,210

I'm your host Patricia Baker I am here

1275

00:54:21,710 --> 00:54:18,750

with my co-host PK and our amazing guest

1276

00:54:24,890 --> 00:54:21,720

this evening John Edmonds from the alien

1277

00:54:28,730 --> 00:54:24,900

ranch so we are we just saw your

1278

00:54:30,500 --> 00:54:28,740

beautiful sword it's amazing and again I

1279

00:54:32,990 --> 00:54:30,510

think these aliens are crazy to mess

1280

00:54:35,690 --> 00:54:33,000

with you but here's a question from

1281

00:54:37,940 --> 00:54:35,700

someone in our chat room called Publius

1282

00:54:40,460 --> 00:54:37,950

who's asking do you feel you're being

1283

00:54:42,920 --> 00:54:40,470

monitored by the government I absolutely

1284

00:54:46,010 --> 00:54:42,930

a.m. every phone call I have every show

1285

00:54:48,110 --> 00:54:46,020

I do I've literally been on my computer

1286

00:54:50,000 --> 00:54:48,120

during a show because I had my own show

1287

00:54:53,090 --> 00:54:50,010

for 12 seasons called

1288

00:54:56,090 --> 00:54:53,100

adventures into the strange and one day

1289

00:54:59,300 --> 00:54:56,100

when I was doing my show suddenly the

1290

00:55:02,570 --> 00:54:59,310

screen changed in front of me and this

1291

00:55:05,030 --> 00:55:02,580

guy from the CIA showed up and it said

1292

00:55:07,880 --> 00:55:05,040

literally his name on his desk and a

1293

00:55:10,040 --> 00:55:07,890

picture of the CIA behind him and I I

1294

00:55:11,990 --> 00:55:10,050

mean I looked at him and he looked at me

1295

00:55:15,110 --> 00:55:12,000

and he smiled and he waved at me

1296

00:55:21,110 --> 00:55:15,120

and I waved back at him and anyone away

1297

00:55:23,840 --> 00:55:21,120

I was like wow incredible that's funny I

1298

00:55:25,610 --> 00:55:23,850

just want to mention pka rooms getting

1299

00:55:27,800 --> 00:55:25,620

foggy again I thought is that I'm

1300

00:55:31,730 --> 00:55:27,810

looking at it and thinking oh god is it

1301

00:55:33,890 --> 00:55:31,740

nearly going in my vision and it is it's

1302

00:55:35,660 --> 00:55:33,900

you it's I mean it's your room if

1303

00:55:37,070 --> 00:55:35,670

there's something happening and the

1304

00:55:39,290 --> 00:55:37,080

energy in your room is shifting

1305

00:55:42,110 --> 00:55:39,300

everybody watching us on video right now

1306

00:55:44,840 --> 00:55:42,120

should be able to see it that pk's room

1307

00:55:47,890 --> 00:55:44,850

was crystal clear before and now it

1308

00:55:50,150 --> 00:55:47,900

isn't so something's going on over there

1309

00:55:53,870 --> 00:55:50,160

so we're going to keep taking pictures

1310

00:55:59,060 --> 00:55:53,880

see what we can capture now John you

1311

00:56:01,850 --> 00:55:59,070

also have an offer from a lady who said

1312

00:56:04,370 --> 00:56:01,860

she would bring to your property good

1313

00:56:06,620 --> 00:56:04,380

aliens to help you out to try to shift

1314

00:56:08,480 --> 00:56:06,630

things for the better

1315

00:56:09,740 --> 00:56:08,490

you tell us a little bit about that it

1316

00:56:14,090 --> 00:56:09,750

sounds fascinating

1317

00:56:16,420 --> 00:56:14,100

about what happens well as you know the

1318

00:56:20,289 --> 00:56:16,430

confrontation situation got worse and

1319

00:56:21,809 --> 00:56:20,299

I got more and more just upset about it

1320

00:56:24,970 --> 00:56:21,819

and I you know I felt bad because

1321

00:56:27,400 --> 00:56:24,980

eventually I had to close down my

1322

00:56:29,230 --> 00:56:27,410

practice as a counselor and a therapist

1323

00:56:31,569 --> 00:56:29,240

because I didn't feel that it was fair

1324

00:56:34,750 --> 00:56:31,579

for me to be taking people's hard-earned

1325

00:56:37,120 --> 00:56:34,760

money and then turn around and you know

1326

00:56:39,039 --> 00:56:37,130

kill a lien tonight and live in an alien

1327

00:56:41,620 --> 00:56:39,049

ranch and then try to provide you know a

1328

00:56:43,329 --> 00:56:41,630

real professional environment but those

1329

00:56:46,480 --> 00:56:43,339

things just don't go together you know

1330

00:56:49,120 --> 00:56:46,490

in the counseling community and so I

1331

00:56:52,839 --> 00:56:49,130

thought okay I'm going to resign my

1332

00:56:55,329 --> 00:56:52,849

position you know shut it down and I did

1333

00:56:56,680 --> 00:56:55,339

do that but you know that was a

1334

00:56:58,539 --> 00:56:56,690

tremendous thing for me because I've

1335

00:57:00,819 --> 00:56:58,549

been a counselor and a very good one for

1336

00:57:04,150 --> 00:57:00,829

a long time and been very successful at

1337

00:57:05,829 --> 00:57:04,160

it and I thought you know I've got to

1338

00:57:07,180 --> 00:57:05,839

find a way to get an answer here so I

1339

00:57:08,890 --> 00:57:07,190

kept putting questions out on the

1340

00:57:12,099 --> 00:57:08,900

internet various different chat rooms

1341

00:57:13,690 --> 00:57:12,109

and various different email chains of

1342

00:57:16,750 --> 00:57:13,700

people that were in the paranormal

1343

00:57:20,920 --> 00:57:16,760

community finally I got a call from a

1344

00:57:23,579 --> 00:57:20,930

lady named dr. brandy is what she goes

1345

00:57:27,339 --> 00:57:23,589

by and her real name is brandy house and

1346

00:57:30,339 --> 00:57:27,349

she said that she had been contacted by

1347

00:57:32,680 --> 00:57:30,349

a lady and asked to go out to the ranch

1348

00:57:34,990 --> 00:57:32,690

and help us out of the situation we were

1349

00:57:36,609 --> 00:57:35,000

in and so I was thrilled I was like man

1350

00:57:38,140 --> 00:57:36,619

anybody who's you know crazy enough to

1351  
00:57:40,630 --> 00:57:38,150  
come out here you know I'm good

1352  
00:57:44,319 --> 00:57:40,640  
I'm going to take him online thank you

1353  
00:57:46,779 --> 00:57:44,329  
yes yes you know she came out she came

1354  
00:57:49,779 --> 00:57:46,789  
out from Phoenix and she had two

1355  
00:57:51,880 --> 00:57:49,789  
individuals with her and you know to

1356  
00:57:54,460 --> 00:57:51,890  
just to look at them pretty much they

1357  
00:57:55,630 --> 00:57:54,470  
all look pretty normal except for the

1358  
00:57:58,210 --> 00:57:55,640  
fact they were dressed a little

1359  
00:58:02,589 --> 00:57:58,220  
strangely and they were quite large

1360  
00:58:04,359 --> 00:58:02,599  
people and I thought well you know

1361  
00:58:06,760 --> 00:58:04,369  
beggars can't be choosers let's just go

1362  
00:58:09,130 --> 00:58:06,770  
with what we got and I greeted them we

1363  
00:58:12,760 --> 00:58:09,140

went in the house and dr. brandy started

1364

00:58:15,339 --> 00:58:12,770

going through the house and you know dr.

1365

00:58:18,400 --> 00:58:15,349

B was looking at at all the different

1366

00:58:19,990 --> 00:58:18,410

rooms and and she could sense that there

1367

00:58:22,000 --> 00:58:20,000

was a lot of negative energy in the

1368

00:58:25,420 --> 00:58:22,010

house and she said she thought that the

1369

00:58:28,870 --> 00:58:25,430

spirit of a young male was still here

1370

00:58:29,609 --> 00:58:28,880

and in fact there was a man a young man

1371

00:58:32,160 --> 00:58:29,619

there

1372

00:58:34,109 --> 00:58:32,170

had been the son of one of the families

1373

00:58:35,849 --> 00:58:34,119

that had lived here and he had committed

1374

00:58:38,599 --> 00:58:35,859

suicide in the living room the day

1375

00:58:41,700 --> 00:58:38,609

before he graduated from high school

1376

00:58:45,480 --> 00:58:41,710

okay everybody we are now back on the

1377

00:58:50,640 --> 00:58:45,490

air all of a sudden we went dark and

1378

00:58:52,589 --> 00:58:50,650

everybody got kicked off however we have

1379

00:58:54,450 --> 00:58:52,599

a great producer named Joe champion and

1380

00:58:57,089 --> 00:58:54,460

he got us back on the air now he's

1381

00:59:00,059 --> 00:58:57,099

working to get John Edmonds back with us

1382

00:59:03,569 --> 00:59:00,069

we are watching all kinds of phenomenon

1383

00:59:06,359 --> 00:59:03,579

going on here tonight a PK's room

1384

00:59:08,999 --> 00:59:06,369

if you've tuned in to the video you can

1385

00:59:15,210 --> 00:59:09,009

see that her hall room is getting foggy

1386

00:59:19,109 --> 00:59:15,220

and there's no fog no crew clear as a

1387

00:59:22,470 --> 00:59:19,119

bell outside clear as a bell except with

1388

00:59:26,309 --> 00:59:22,480

your visual basic here it's funny it's

1389

00:59:28,140 --> 00:59:26,319

foggy it's foggy and so I was taking

1390

00:59:31,440 --> 00:59:28,150

pictures and all of a sudden the screen

1391

00:59:33,809 --> 00:59:31,450

shifted and started showing all of the

1392

00:59:35,849 --> 00:59:33,819

theater chairs behind me that's it a

1393

00:59:38,039 --> 00:59:35,859

bunch of pictures and bam we were off

1394

00:59:43,650 --> 00:59:38,049

the air John I can see it now you're

1395

00:59:45,749 --> 00:59:43,660

back with us hey folks well it's pretty

1396

00:59:47,609 --> 00:59:45,759

wild okay you know this kind of wild

1397

00:59:52,170 --> 00:59:47,619

things going on and supernatural girls

1398

00:59:54,720 --> 00:59:52,180

so you had this lady contact you let's

1399

00:59:58,670 --> 00:59:54,730

get back to the most important part of

1400

01:00:02,789 --> 00:59:58,680

this and she actually brought real

1401

01:00:06,299 --> 01:00:02,799

extraterrestrials I corporeal ones to

1402

01:00:08,940 --> 01:00:06,309

your ranch and you guys had a fun

1403

01:00:11,579 --> 01:00:08,950

conversation on your ranch John they

1404

01:00:13,859 --> 01:00:11,589

spent three or four hours with us and at

1405

01:00:17,460 --> 01:00:13,869

first I was very skeptical because I

1406

01:00:20,370 --> 01:00:17,470

didn't know dr. B and so I had no reason

1407

01:00:23,970 --> 01:00:20,380

to believe anything that was going on

1408

01:00:25,950 --> 01:00:23,980

that it was absolutely real and you know

1409

01:00:27,870 --> 01:00:25,960

so I kind of wanted to test it and make

1410

01:00:30,989 --> 01:00:27,880

sure as best I could of what I was

1411

01:00:34,170 --> 01:00:30,999

dealing with and so I started asking him

1412

01:00:37,049 --> 01:00:34,180

a lot of questions and I had already had

1413

01:00:38,940 --> 01:00:37,059

a list as strange as it sounds of

1414

01:00:41,069 --> 01:00:38,950

questions in my own mind about things

1415

01:00:42,550 --> 01:00:41,079

that I if I ever met an EP that I was

1416

01:00:44,710 --> 01:00:42,560

going to ask

1417

01:00:47,410 --> 01:00:44,720

you know I you know I know that sounds

1418

01:00:49,000 --> 01:00:47,420

preposterous but I always thought to

1419

01:00:50,320 --> 01:00:49,010

myself if you ever run into any tea

1420

01:00:55,540 --> 01:00:50,330

there's certain things you ought to ask

1421

01:00:57,070 --> 01:00:55,550

and so you know I had a list and they

1422

01:01:00,310 --> 01:00:57,080

said they were very happy to answer

1423

01:01:04,000 --> 01:01:00,320

questions they were very decent with us

1424

01:01:05,980 --> 01:01:04,010

they they took their time and explained

1425

01:01:07,540 --> 01:01:05,990

things because a lot of the references

1426

01:01:08,860 --> 01:01:07,550

and things that they explained it you

1427

01:01:10,540 --> 01:01:08,870

know my wife I just left you to each

1428

01:01:12,160 --> 01:01:10,550

other like you know this doesn't make

1429

01:01:13,240 --> 01:01:12,170

any sense you know we didn't know

1430

01:01:15,790 --> 01:01:13,250

anything about what they were talking

1431

01:01:18,220 --> 01:01:15,800

about but they were very gracious with

1432

01:01:23,230 --> 01:01:18,230

us and they answered her questions you

1433

01:01:25,180 --> 01:01:23,240

know and I wanted answers to questions

1434

01:01:29,470 --> 01:01:25,190

that I considered to be questions

1435

01:01:31,150 --> 01:01:29,480

humanity needed answers to and as we

1436

01:01:34,090 --> 01:01:31,160

began to get to know each other a little

1437

01:01:37,090 --> 01:01:34,100

bit I told them I said you know one of

1438

01:01:38,530 --> 01:01:37,100

the things that I think is terrible is

1439

01:01:41,470 --> 01:01:38,540

the fact that we're living in an age

1440

01:01:43,360 --> 01:01:41,480

when we have all this pollution and I

1441

01:01:46,240 --> 01:01:43,370

would like to get answers to being able

1442

01:01:47,500 --> 01:01:46,250

to straighten out the pollution and one

1443

01:01:48,910 --> 01:01:47,510

of the things that they asked me about

1444

01:01:50,650 --> 01:01:48,920

was they said well what do you think the

1445

01:01:53,590 --> 01:01:50,660

worst kind of pollution is and I said

1446

01:01:55,060 --> 01:01:53,600

we'll probably radiation and they agreed

1447

01:01:57,180 --> 01:01:55,070

with me and they said well you know

1448

01:01:59,410 --> 01:01:57,190

there's absolutely no good reason why

1449

01:02:01,660 --> 01:01:59,420

you're dealing with the radiation

1450

01:02:04,210 --> 01:02:01,670

problems that you're dealing with and I

1451

01:02:07,420 --> 01:02:04,220

said why was that and they said well if

1452

01:02:10,330 --> 01:02:07,430

you go back to like 1968 or 1969 your

1453

01:02:12,730 --> 01:02:10,340

government had two choices as far as

1454

01:02:16,570 --> 01:02:12,740

plutonium or another element that they

1455

01:02:19,570 --> 01:02:16,580

could have used to fuel the nuclear

1456

01:02:21,460 --> 01:02:19,580

reactors that they built in America and

1457

01:02:23,710 --> 01:02:21,470

I said well why would that it made a

1458

01:02:25,420 --> 01:02:23,720

difference and the way they explained it

1459

01:02:27,460 --> 01:02:25,430

was is that the other element that they

1460

01:02:29,380 --> 01:02:27,470

mentioned to me was an element that

1461

01:02:32,560 --> 01:02:29,390

would burn 40 times more powerful

1462

01:02:34,630 --> 01:02:32,570

produce 40 times as much power but it

1463

01:02:36,880 --> 01:02:34,640

could not be weaponized it could not be

1464

01:02:38,950 --> 01:02:36,890

it couldn't pollute I mean you could

1465

01:02:41,470 --> 01:02:38,960

walk right up to it and its raw form and

1466

01:02:43,600 --> 01:02:41,480

or even after it had been used in a rod

1467

01:02:46,290 --> 01:02:43,610

that was put into a nuclear reactor and

1468

01:02:49,030 --> 01:02:46,300

it wouldn't it wouldn't hurt anybody and

1469

01:02:53,230 --> 01:02:49,040

I said well why didn't the government

1470

01:02:55,060 --> 01:02:53,240

choose to use those and the answer was

1471

01:02:56,170 --> 01:02:55,070

they couldn't weaponize it they couldn't

1472

01:02:59,079 --> 01:02:56,180

use it to create

1473

01:03:02,020 --> 01:02:59,089

a product that they have as a yeah

1474

01:03:05,349 --> 01:03:02,030

exactly and who they chose not to use it

1475

01:03:07,660 --> 01:03:05,359

and the models of those reactors became

1476

01:03:10,420 --> 01:03:07,670

the models for every reactor around the

1477

01:03:13,990 --> 01:03:10,430

world afterwards and so today we are

1478

01:03:16,030 --> 01:03:14,000

living with all of Fukushima and all of

1479

01:03:18,880 --> 01:03:16,040

these problems with all these different

1480

01:03:20,950 --> 01:03:18,890

you know countries they want weapons you

1481

01:03:24,069 --> 01:03:20,960

want nuclear plants you know you've got

1482

01:03:25,930 --> 01:03:24,079

you know what Iran you've got North

1483

01:03:28,500 --> 01:03:25,940

Korea you get you know all these

1484

01:03:30,819 --> 01:03:28,510

different places with all these

1485

01:03:33,160 --> 01:03:30,829

dictators and they're all trying to

1486

01:03:36,910 --> 01:03:33,170

become superpowers and it never had to

1487

01:03:39,190 --> 01:03:36,920

happen and we still have today the

1488

01:03:42,280 --> 01:03:39,200

ability to be able to take all these

1489

01:03:45,910 --> 01:03:42,290

reactors and utilize that other fuel

1490

01:03:47,530 --> 01:03:45,920

source and convert them over so I got

1491

01:03:49,839 --> 01:03:47,540

there thinking to myself what that's the

1492

01:03:52,480 --> 01:03:49,849

case you know let's look at North Korea

1493

01:03:54,670 --> 01:03:52,490

in the situation we're in right now why

1494

01:03:56,230 --> 01:03:54,680

couldn't we just say to North Korea okay

1495

01:03:58,839 --> 01:03:56,240

guys we understand that you want to join

1496

01:04:00,520 --> 01:03:58,849

the 21st century and have access to you

1497

01:04:02,349 --> 01:04:00,530

know relatively inexpensive and

1498

01:04:04,390 --> 01:04:02,359

plentiful power to be able to do all the

1499

01:04:06,490 --> 01:04:04,400

things that you want for your country we

1500

01:04:08,589 --> 01:04:06,500

understand that that's fairly reasonable

1501

01:04:10,120 --> 01:04:08,599

what we don't like is the fact that you

1502

01:04:11,410 --> 01:04:10,130

guys also want to make weapons and you

1503

01:04:14,470 --> 01:04:11,420

want to threaten people and that's not

1504

01:04:16,599 --> 01:04:14,480

acceptable so what if we were to create

1505

01:04:18,640 --> 01:04:16,609

a situation where you could have as much

1506

01:04:21,099 --> 01:04:18,650

nuclear power as you want using this

1507

01:04:23,140 --> 01:04:21,109

other element and build your reactors

1508

01:04:25,539 --> 01:04:23,150

and create everything that you say you

1509

01:04:28,900 --> 01:04:25,549

want to do with your society and we'll

1510

01:04:30,400 --> 01:04:28,910

help you okay now we're not in a

1511

01:04:32,559 --> 01:04:30,410

position where we're fighting each other

1512

01:04:33,160 --> 01:04:32,569

anymore or we're arguing with each other

1513

01:04:35,230 --> 01:04:33,170

anymore

1514

01:04:36,910 --> 01:04:35,240

instead what we're doing is is we're

1515

01:04:39,339 --> 01:04:36,920

making it possible for them to have what

1516

01:04:41,380 --> 01:04:39,349

they want because what they want can't

1517

01:04:43,809 --> 01:04:41,390

threaten us and it can't threaten world

1518

01:04:46,859 --> 01:04:43,819

and it can be done safely and it can be

1519

01:04:49,329 --> 01:04:46,869

done in a in a sense of community and

1520

01:04:51,549 --> 01:04:49,339

cooperation and see one of the biggest

1521

01:04:53,289 --> 01:04:51,559

problems that the aliens have with us is

1522

01:04:55,390 --> 01:04:53,299

the fact that you know the first thing

1523

01:04:56,710 --> 01:04:55,400

we always fall back on is well gee we've

1524

01:05:00,099 --> 01:04:56,720

been threatened let's make a bigger

1525

01:05:02,260 --> 01:05:00,109

threat you know let's just you know you

1526  
01:05:04,450 --> 01:05:02,270  
know lock heads and egos and everything

1527  
01:05:06,130 --> 01:05:04,460  
else and have all these disagreements

1528  
01:05:06,430 --> 01:05:06,140  
and violence and death and everything

1529  
01:05:08,260 --> 01:05:06,440  
else

1530  
01:05:08,930 --> 01:05:08,270  
the next kind of things been going on in

1531  
01:05:11,359 --> 01:05:08,940  
this planet

1532  
01:05:14,599 --> 01:05:11,369  
or you know a couple of thousand two or

1533  
01:05:16,280 --> 01:05:14,609  
three thousand years at least and so you

1534  
01:05:18,950 --> 01:05:16,290  
know we have the ability to create a

1535  
01:05:19,849 --> 01:05:18,960  
solution here I think we should probably

1536  
01:05:24,980 --> 01:05:19,859  
look at it

1537  
01:05:28,220 --> 01:05:24,990  
mean we're at the Omni edge right now so

1538  
01:05:30,020 --> 01:05:28,230

this is a brilliant idea and we

1539

01:05:32,240 --> 01:05:30,030

certainly appreciate you revealing this

1540

01:05:34,670 --> 01:05:32,250

on our show because it's a very

1541

01:05:37,270 --> 01:05:34,680

important thing to consider now

1542

01:05:39,500 --> 01:05:37,280

these aliens I know people are asking me

1543

01:05:42,440 --> 01:05:39,510

what did they look like did they look

1544

01:05:45,140 --> 01:05:42,450

like us pretty much I mean the ones that

1545

01:05:48,230 --> 01:05:45,150

we met looked like us like I said they

1546

01:05:52,339 --> 01:05:48,240

were rather large there were two races

1547

01:05:56,150 --> 01:05:52,349

that in this particular case excuse me I

1548

01:05:59,300 --> 01:05:56,160

gotta fly in here they're there you know

1549

01:06:03,650 --> 01:05:59,310

they were both men were well over six

1550

01:06:04,819 --> 01:06:03,660

feet tall probably 6-3 6-4 looked like

1551

01:06:09,980 --> 01:06:04,829

they could have been like linebackers

1552

01:06:11,569 --> 01:06:09,990

for an NFL team they were almost too

1553

01:06:13,370 --> 01:06:11,579

perfect looking that's one of the things

1554

01:06:15,290 --> 01:06:13,380

that I've noticed about the ETS that

1555

01:06:17,329 --> 01:06:15,300

I've met they always looked like they

1556

01:06:19,819 --> 01:06:17,339

just rolled out of like a you know a

1557

01:06:21,800 --> 01:06:19,829

modeling show someplace in Hollywood and

1558

01:06:23,780 --> 01:06:21,810

that they're they just they're too

1559

01:06:25,790 --> 01:06:23,790

good-looking you know and I don't know

1560

01:06:28,760 --> 01:06:25,800

why that is I don't know if it's

1561

01:06:30,260 --> 01:06:28,770

something that's been contrived or maybe

1562

01:06:31,970 --> 01:06:30,270

they just got really good genes or

1563

01:06:33,500 --> 01:06:31,980

they've got control over those genes or

1564

01:06:35,750 --> 01:06:33,510

something but they're incredibly

1565

01:06:38,540 --> 01:06:35,760

good-looking people they all look like

1566

01:06:41,900 --> 01:06:38,550

they like they just rolled out of GQ or

1567

01:06:43,730 --> 01:06:41,910

you know something like that well I

1568

01:06:45,040 --> 01:06:43,740

guess if they're given a choice of what

1569

01:06:47,210 --> 01:06:45,050

they're going to look like they picked

1570

01:06:51,079 --> 01:06:47,220

something attractive which is

1571

01:06:53,809 --> 01:06:51,089

interesting so my gosh you are a wealth

1572

01:06:55,670 --> 01:06:53,819

of information because you've had so

1573

01:06:59,030 --> 01:06:55,680

many different experience with so many

1574

01:07:02,750 --> 01:06:59,040

aces of ETS and you've seen the ships

1575

01:07:04,880 --> 01:07:02,760

also yes flying around on your ranch

1576

01:07:08,960 --> 01:07:04,890

have you been in the ships

1577

01:07:10,910 --> 01:07:08,970

no the interesting thing that one of the

1578

01:07:12,470 --> 01:07:10,920

things is we kind of wound down with

1579

01:07:14,030 --> 01:07:12,480

these guys after they answered a lot of

1580

01:07:16,579 --> 01:07:14,040

questions because I really kind of stuck

1581

01:07:18,109 --> 01:07:16,589

it to them I mean I really tried to I

1582

01:07:19,609 --> 01:07:18,119

knew it might not be something that I

1583

01:07:22,190 --> 01:07:19,619

was going to have a chance to do again

1584

01:07:24,050 --> 01:07:22,200

and so what I tried to do was get

1585

01:07:28,310 --> 01:07:24,060

as much information as I could the first

1586

01:07:29,990 --> 01:07:28,320

time around and I said look guys for me

1587

01:07:32,599 --> 01:07:30,000

the clincher is going to be I need to

1588

01:07:35,750 --> 01:07:32,609

see like a big old spaceship someplace

1589

01:07:38,210 --> 01:07:35,760

and I need to be able to you know

1590

01:07:40,609 --> 01:07:38,220

satisfy myself that all the information

1591

01:07:42,440 --> 01:07:40,619

you've given me not only is it real but

1592

01:07:44,420 --> 01:07:42,450

for me this is going to be the one Big

1593

01:07:46,760 --> 01:07:44,430

Bang and they said well we can show you

1594

01:07:49,310 --> 01:07:46,770

a ship that's not a problem and I was

1595

01:07:51,829 --> 01:07:49,320

like wow cool so my wife and I we went

1596

01:07:55,430 --> 01:07:51,839

outside we sat down on the tailgate of

1597

01:07:58,310 --> 01:07:55,440

my Ford pickup truck and we waited for

1598

01:07:59,960 --> 01:07:58,320

the show start and these guys looked at

1599

01:08:01,730 --> 01:07:59,970

me and they said look over here to your

1600

01:08:04,250 --> 01:08:01,740

left across the street where the

1601  
01:08:05,839 --> 01:08:04,260  
mountains are and my wife and I centered

1602  
01:08:09,290 --> 01:08:05,849  
our attention across the street we

1603  
01:08:11,470 --> 01:08:09,300  
looked and lo and behold a ship that was

1604  
01:08:14,240 --> 01:08:11,480  
like the size of like an NFL stadium

1605  
01:08:16,249 --> 01:08:14,250  
rolled out of the clouds it had its own

1606  
01:08:19,160 --> 01:08:16,259  
weather pattern right around it and you

1607  
01:08:21,380 --> 01:08:19,170  
know we're like storm clouds and you

1608  
01:08:22,789 --> 01:08:21,390  
know thunder and you know a little bits

1609  
01:08:25,309 --> 01:08:22,799  
of lightning and stuff going on around

1610  
01:08:27,470 --> 01:08:25,319  
it it was that big and that intense it

1611  
01:08:30,140 --> 01:08:27,480  
was absolutely huge going to be like

1612  
01:08:32,360 --> 01:08:30,150  
five minutes extort you know hi and it

1613  
01:08:34,519 --> 01:08:32,370

was it was I've never seen anything like

1614

01:08:37,729 --> 01:08:34,529

it any place in the world that was that

1615

01:08:40,309 --> 01:08:37,739

big and we my wife and I just looked at

1616

01:08:40,880 --> 01:08:40,319

each other and said do you see what I

1617

01:08:47,329 --> 01:08:40,890

see

1618

01:08:49,010 --> 01:08:47,339

and I said yeah and paralyzed well and

1619

01:08:51,410 --> 01:08:49,020

we're either having the same exact

1620

01:08:55,309 --> 01:08:51,420

Tolosa nation or we're both seeing the

1621

01:08:57,200 --> 01:08:55,319

same for real and you know we just stood

1622

01:08:59,690 --> 01:08:57,210

there and I sat there in our mouths were

1623

01:09:02,840 --> 01:08:59,700

just wide open and then the ship kind of

1624

01:09:04,700 --> 01:09:02,850

pulled back into the cloud Bank and one

1625

01:09:07,430 --> 01:09:04,710

of the aliens said to me look to the

1626

01:09:09,289 --> 01:09:07,440

south and we look to the south which was

1627

01:09:11,539 --> 01:09:09,299

right in front of us and from one

1628

01:09:14,930 --> 01:09:11,549

horizon all the way to the other horizon

1629

01:09:17,209 --> 01:09:14,940

it was just the same ships like you know

1630

01:09:19,729 --> 01:09:17,219

like edge to edge all the way across the

1631

01:09:21,110 --> 01:09:19,739

horizon and there must have been dozens

1632

01:09:22,849 --> 01:09:21,120

of them I don't know how many the word

1633

01:09:25,700 --> 01:09:22,859

but they were just there and there was a

1634

01:09:27,079 --> 01:09:25,710

huge red you know Setting Sun right

1635

01:09:29,420 --> 01:09:27,089

behind them and it's just very

1636

01:09:31,970 --> 01:09:29,430

impressive Adam Adam or we could even

1637

01:09:34,849 --> 01:09:31,980

get used to that all of a sudden out of

1638

01:09:35,690 --> 01:09:34,859

nowhere was this horrific storm

1639

01:09:37,640 --> 01:09:35,700

I mean air

1640

01:09:39,410 --> 01:09:37,650

zona has what they call monsoons where

1641

01:09:40,910 --> 01:09:39,420

they had like these tremendous dust

1642

01:09:42,820 --> 01:09:40,920

storms would rain and thunder and wind

1643

01:09:45,500 --> 01:09:42,830

that just blow up out of nowhere and

1644

01:09:47,750 --> 01:09:45,510

that's exactly what happens and I mean

1645

01:09:49,610 --> 01:09:47,760

this was so intense I can honestly say

1646

01:09:51,770 --> 01:09:49,620

in all the years I've been here I've

1647

01:09:55,130 --> 01:09:51,780

never seen a storm come up that quickly

1648

01:10:00,050 --> 01:09:55,140

almost instantly and that's severely and

1649

01:10:03,470 --> 01:10:00,060

so dr. B she was standing there with

1650

01:10:07,070 --> 01:10:03,480

these these guys maybe 50 60 feet away

1651  
01:10:08,660 --> 01:10:07,080  
from us and all of a sudden a giant bolt

1652  
01:10:11,270 --> 01:10:08,670  
of lightning came down and struck the

1653  
01:10:12,590 --> 01:10:11,280  
ground right next to her it was purple

1654  
01:10:14,510 --> 01:10:12,600  
lightning and I've never seen purple

1655  
01:10:16,370 --> 01:10:14,520  
I've always seen like yellow lightning

1656  
01:10:18,860 --> 01:10:16,380  
or white lightning something like that

1657  
01:10:22,130 --> 01:10:18,870  
never seen purple lightning and it hit

1658  
01:10:25,250 --> 01:10:22,140  
the ground and she reacted and the other

1659  
01:10:27,830 --> 01:10:25,260  
two reacted and they just ran over and

1660  
01:10:28,790 --> 01:10:27,840  
got in her car and she waved at me and

1661  
01:10:31,130 --> 01:10:28,800  
she drove away

1662  
01:10:34,340 --> 01:10:31,140  
and I thought well that was a really

1663  
01:10:36,500 --> 01:10:34,350

weird day I mean you talk about strange

1664

01:10:38,630 --> 01:10:36,510

afternoon and the two guys that beamed

1665

01:10:40,940 --> 01:10:38,640

down they just disappeared I don't know

1666

01:10:43,790 --> 01:10:40,950

what happened to them all so what just

1667

01:10:46,640 --> 01:10:43,800

went after their ship one very important

1668

01:10:50,120 --> 01:10:46,650

element that I heard you share about

1669

01:10:53,000 --> 01:10:50,130

these aliens they want to disclose their

1670

01:10:55,010 --> 01:10:53,010

presence right well you see that was the

1671

01:10:56,330 --> 01:10:55,020

whole thing I am during the course of

1672

01:10:59,090 --> 01:10:56,340

the afternoon that we had this

1673

01:11:01,820 --> 01:10:59,100

conversation you know I asked him I said

1674

01:11:04,010 --> 01:11:01,830

well you know this is this a one-time

1675

01:11:07,340 --> 01:11:04,020

deal or can we get together on a regular

1676

01:11:08,840 --> 01:11:07,350

basis and keep talking because you know

1677

01:11:10,610 --> 01:11:08,850

I got a lot more questions and quite

1678

01:11:11,930 --> 01:11:10,620

frankly you know I haven't really been

1679

01:11:13,550 --> 01:11:11,940

that fair with you guys having been

1680

01:11:17,420 --> 01:11:13,560

severe and you know I'd like to make it

1681

01:11:19,100 --> 01:11:17,430

up to you and you know so we were able

1682

01:11:22,190 --> 01:11:19,110

to get together a couple of times after

1683

01:11:26,420 --> 01:11:22,200

that of different members of different

1684

01:11:30,080 --> 01:11:26,430

racers in here in Phoenix there seems to

1685

01:11:32,060 --> 01:11:30,090

be some kind of draw for all these

1686

01:11:33,590 --> 01:11:32,070

different races but there's something

1687

01:11:36,140 --> 01:11:33,600

about Arizona there's something about

1688

01:11:39,220 --> 01:11:36,150

Phoenix that keeps going pulling these

1689

01:11:42,230 --> 01:11:39,230

individuals here for some reason and so

1690

01:11:44,600 --> 01:11:42,240

there's quite a few of them here so it's

1691

01:11:47,090 --> 01:11:44,610

it's you know something that you know I

1692

01:11:49,090 --> 01:11:47,100

guess it can continue to be repeated but

1693

01:11:51,160 --> 01:11:49,100

one of the things that I found out of

1694

01:11:53,890 --> 01:11:51,170

working with aliens and that is said

1695

01:11:54,940 --> 01:11:53,900

it's kind of like herding cats you know

1696

01:11:56,440 --> 01:11:54,950

they'll tell you they'll do something

1697

01:11:58,720 --> 01:11:56,450

they'll tell you they're going to do

1698

01:12:00,580 --> 01:11:58,730

something but a lot of times it's really

1699

01:12:02,710 --> 01:12:00,590

hard to get them to follow through you

1700

01:12:04,240 --> 01:12:02,720

know I wanted to have well I wanted to

1701

01:12:05,980 --> 01:12:04,250

have much of you know I wanted to have

1702

01:12:08,310 --> 01:12:05,990

like a big news conference here at the

1703

01:12:11,530 --> 01:12:08,320

ranch and I have the big flying saucer

1704

01:12:13,870 --> 01:12:11,540

overhead and you know have all of the

1705

01:12:14,890 --> 01:12:13,880

you know people that I invited be there

1706

01:12:17,110 --> 01:12:14,900

and I thought man this is going to be

1707

01:12:19,750 --> 01:12:17,120

epic you know hey yeah and just trying

1708

01:12:22,510 --> 01:12:19,760

to get him here forget it it was like no

1709

01:12:24,340 --> 01:12:22,520

kidding yeah well I they just you know

1710

01:12:26,140 --> 01:12:24,350

you get one group to agree to something

1711

01:12:28,000 --> 01:12:26,150

and then another group as a problem with

1712

01:12:29,980 --> 01:12:28,010

something else and before you know it

1713

01:12:32,710 --> 01:12:29,990

nobody's happy and everybody's kind of

1714

01:12:34,360 --> 01:12:32,720

you know not working together and I

1715

01:12:36,460 --> 01:12:34,370

thought to myself isn't this kind of

1716

01:12:37,420 --> 01:12:36,470

like a human thing you know doesn't it

1717

01:12:40,360 --> 01:12:37,430

sound that way

1718

01:12:42,160 --> 01:12:40,370

yes but and it really it really was but

1719

01:12:44,080 --> 01:12:42,170

I haven't given up hope yet because I

1720

01:12:46,600 --> 01:12:44,090

know that they want certain things

1721

01:12:48,760 --> 01:12:46,610

accomplished and I'm working on those

1722

01:12:51,040 --> 01:12:48,770

things so you know that's what the ranch

1723

01:12:54,280 --> 01:12:51,050

is really all about it's taking a really

1724

01:12:56,070 --> 01:12:54,290

miserable bad situation that almost

1725

01:12:58,510 --> 01:12:56,080

everybody would have run away from and

1726

01:13:01,120 --> 01:12:58,520

flipping it over and turning it into

1727

01:13:03,880 --> 01:13:01,130

something that's an example of you know

1728

01:13:06,520 --> 01:13:03,890

peace and and you know hopefully

1729

01:13:07,900 --> 01:13:06,530

prosperity and you know good things for

1730

01:13:10,210 --> 01:13:07,910

everybody and something that the world

1731

01:13:11,590 --> 01:13:10,220

can get something out of and that's what

1732

01:13:13,600 --> 01:13:11,600

I'm trying to do you know I'm just

1733

01:13:15,040 --> 01:13:13,610

trying to take something that nobody in

1734

01:13:16,750 --> 01:13:15,050

the right mind would want to be around

1735

01:13:18,480 --> 01:13:16,760

and turn it into something that

1736

01:13:21,940 --> 01:13:18,490

everybody can get something good ever

1737

01:13:25,000 --> 01:13:21,950

that you wonderful John you're a very

1738

01:13:27,190 --> 01:13:25,010

special person a very very special

1739

01:13:29,170 --> 01:13:27,200

person to be able to do what you're

1740

01:13:31,360 --> 01:13:29,180

doing and you're so right I mean so many

1741

01:13:33,550 --> 01:13:31,370

people would have run screaming into the

1742

01:13:34,090 --> 01:13:33,560

night with this kind of thing and never

1743

01:13:41,580 --> 01:13:34,100

look back

1744

01:13:45,040 --> 01:13:41,590

yeah yeah because the busier than that

1745

01:13:47,080 --> 01:13:45,050

but you're so generous of spirit so

1746

01:13:49,660 --> 01:13:47,090

larger heart and all of these wonderful

1747

01:13:51,790 --> 01:13:49,670

things you're doing with the ranch to

1748

01:13:53,470 --> 01:13:51,800

allow people to have this experience if

1749

01:13:56,530 --> 01:13:53,480

they're grounded enough to have it and

1750

01:13:59,080 --> 01:13:56,540

it's a wonderful thing so wonderful

1751

01:14:01,120 --> 01:13:59,090

thing that you're offering and we all

1752

01:14:02,979 --> 01:14:01,130

know disclosure is never going to

1753

01:14:05,740 --> 01:14:02,989

from our government is that it is a

1754

01:14:07,810 --> 01:14:05,750

benefit to them right there really isn't

1755

01:14:10,510 --> 01:14:07,820

I mean the situation with disclosure if

1756

01:14:13,000 --> 01:14:10,520

you really think about it it's kind of

1757

01:14:15,360 --> 01:14:13,010

like if they admitted that they've been

1758

01:14:17,470 --> 01:14:15,370

holding back on this for decades

1759

01:14:18,729 --> 01:14:17,480

everybody would be looking at them and

1760

01:14:21,189 --> 01:14:18,739

saying so why should we trust you now

1761

01:14:22,360 --> 01:14:21,199

and you'd also be saying you know they'd

1762

01:14:26,290 --> 01:14:22,370

be saying so what else were you lying to

1763

01:14:29,260 --> 01:14:26,300

us about right you know so anyways that

1764

01:14:31,330 --> 01:14:29,270

is missing we're going in anyway but

1765

01:14:32,530 --> 01:14:31,340

that's the point you know and I've you

1766

01:14:35,140 --> 01:14:32,540

know I've been asked about this a few

1767

01:14:37,810 --> 01:14:35,150

times and I say the only way that this

1768

01:14:39,910 --> 01:14:37,820

closure could really happen would be if

1769

01:14:42,129 --> 01:14:39,920

it came either like what we're doing

1770

01:14:44,080 --> 01:14:42,139

which is kind of grassroots where we're

1771

01:14:45,520 --> 01:14:44,090

just you know we're just taking what we

1772

01:14:47,560 --> 01:14:45,530

got and working with it and inviting

1773

01:14:50,290 --> 01:14:47,570

people to participate learn from it and

1774

01:14:54,370 --> 01:14:50,300

let's face it I mean it's you know it's

1775

01:14:56,110 --> 01:14:54,380

kind of a weird curve because folks not

1776

01:14:58,750 --> 01:14:56,120

only have to get used to the idea that

1777

01:15:00,459 --> 01:14:58,760

you know we're not the not only you know

1778

01:15:02,470 --> 01:15:00,469

maybe were the dominant species on this

1779

01:15:04,090 --> 01:15:02,480

planet in terms of numbers but that

1780

01:15:07,360 --> 01:15:04,100

doesn't mean that we're dominant in

1781

01:15:10,149 --> 01:15:07,370

terms of how long we've been here or

1782

01:15:11,890 --> 01:15:10,159

more important or anything else you know

1783

01:15:15,160 --> 01:15:11,900

we have a lot to learn and we not only

1784

01:15:16,750 --> 01:15:15,170

need to learn from them but we need to

1785

01:15:19,030 --> 01:15:16,760

learn from each other and part of that

1786

01:15:20,649 --> 01:15:19,040

is just participating and doing it and

1787

01:15:22,840 --> 01:15:20,659

so you know I asked everybody just to

1788

01:15:24,970 --> 01:15:22,850

open their hearts open their minds you

1789

01:15:27,610 --> 01:15:24,980

know and accept the fact that the only

1790

01:15:30,310 --> 01:15:27,620

way forward is going to be through peace

1791

01:15:33,669 --> 01:15:30,320

it's going to be literally through love

1792

01:15:35,560 --> 01:15:33,679

and through kindness and I don't think

1793

01:15:37,750 --> 01:15:35,570

anything else is going to work because

1794

01:15:40,270 --> 01:15:37,760

we literally have to prove that we can

1795

01:15:42,220 --> 01:15:40,280

get along and so far that's the hardest

1796

01:15:45,250 --> 01:15:42,230

possible thing we send a man to the moon

1797

01:15:46,930 --> 01:15:45,260

we can cure cancer we can do anything

1798

01:15:49,240 --> 01:15:46,940

but the one thing we don't seem to be

1799

01:15:51,970 --> 01:15:49,250

able to do on a regular basis is get

1800

01:15:54,160 --> 01:15:51,980

along with each other whatever I think

1801

01:15:57,010 --> 01:15:54,170

we need to sell these ETS how it's done

1802

01:15:59,080 --> 01:15:57,020

you know we need to come together and

1803

01:16:01,689 --> 01:15:59,090

start expanding our consciousness to

1804

01:16:05,169 --> 01:16:01,699

that degree and I want to go ahead and

1805

01:16:08,229 --> 01:16:05,179
