Supernatural Girlz

Guest: Michael Cremo

1
00:00:10,500 --> 00:00:24,690

you

2
00:00:30,850 --> 00:00:28,839

archangels ghosts and Bigfoot oh my it's

3
00:00:34,030 --> 00:00:30,860

just another night for Supernatural

4
00:00:36,400 --> 00:00:34,040

girls real stories real answers to

5
00:00:38,740 --> 00:00:36,410

life's biggest supernatural mysteries

6
00:00:41,200 --> 00:00:38,750

and now for another exciting interview

7
00:00:44,350 --> 00:00:41,210

with paranormal experts in this world

8
00:00:52,700 --> 00:00:44,360

and here's your host paranormal

9
00:01:09,260 --> 00:01:06,219

[Music]

10
00:01:12,560 --> 00:01:09,270

welcome everyone to another exciting

11
00:01:15,410 --> 00:01:12,570

episode of Supernatural girls radio

12
00:01:18,230 --> 00:01:15,420

I'm your host Patricia Baker and I'm

13
00:01:21,050 --> 00:01:18,240

here with my co-host pique all the way

14

00:01:24,200 --> 00:01:21,060

from sunny and hot Tucson that's right

15

00:01:29,960 --> 00:01:24,210

BJ math and you like it yeah I can put

16

00:01:31,399 --> 00:01:29,970

on a spit and CPK so devoted to the show

17

00:01:33,109 --> 00:01:31,409

she doesn't even run the air

18

00:01:35,660 --> 00:01:33,119

conditioning because it makes noise

19

00:01:39,800 --> 00:01:35,670

that's right when our listeners to have

20

00:01:41,809 --> 00:01:39,810

very very good sound from us so she is

21

00:01:45,590 --> 00:01:41,819

roasting away in her office tonight

22

00:01:46,820 --> 00:01:45,600

Yantra you're benefiting everybody like

23

00:01:49,789 --> 00:01:46,830

they really care as long as they've got

24

00:01:51,440 --> 00:01:49,799

it cool they're fine that's right so

25

00:01:53,809 --> 00:01:51,450

last one out of the world we've had

26

00:01:54,980 --> 00:01:53,819

quite a tragedy over there as you say

27

00:01:58,609 --> 00:01:54,990

what a shame

28

00:02:01,219 --> 00:01:58,619

again our prayers go out to the friends

29

00:02:04,270 --> 00:02:01,229

families and everybody who's suffering

30

00:02:09,290 --> 00:02:04,280

as a result of that horrific act vio

31

00:02:11,140 --> 00:02:09,300

mentioned also that Eric the area grande

32

00:02:13,339 --> 00:02:11,150

her mother was in the first row and

33

00:02:15,229 --> 00:02:13,349

stepped right up to the plate and was

34

00:02:17,720 --> 00:02:15,239

helping everybody around her to get them

35

00:02:21,559 --> 00:02:17,730

protected and covered which all that was

36

00:02:22,729 --> 00:02:21,569

quite interesting considering she you

37

00:02:24,680 --> 00:02:22,739

would have thought that they wasn't God

38

00:02:27,290 --> 00:02:24,690

to cover her up instead she was doing

39

00:02:28,729 --> 00:02:27,300

her best to help out so that puts a

40

00:02:30,350 --> 00:02:28,739

little change of the spend the daughter

41

00:02:33,890 --> 00:02:30,360

may be a little stinker but the mother

42

00:02:36,199 --> 00:02:33,900

is grass exactly well that's nice to

43

00:02:39,199 --> 00:02:36,209

hear that there are some heroes in all

44

00:02:40,490 --> 00:02:39,209

of this yes so it was a sad time and it

45

00:02:43,040 --> 00:02:40,500

still is a sad time we're still all

46

00:02:45,710 --> 00:02:43,050

reeling from this it's unfortunate the

47

00:02:49,040 --> 00:02:45,720

unbelief but we're going to have to push

48

00:02:50,979 --> 00:02:49,050

ahead aren't we so what's happening with

49

00:02:54,229 --> 00:02:50,989

our numbers what can we come to expect

50

00:02:55,880 --> 00:02:54,239

well what's really going on at this

51
00:02:58,130 --> 00:02:55,890
point in time is because everything

52
00:02:59,479 --> 00:02:58,140
deals with family type things and one of

53
00:03:02,780 --> 00:02:59,489
the things I talked to you about earlier

54
00:03:04,670 --> 00:03:02,790
today any time we deal with a month that

55
00:03:06,860 --> 00:03:04,680
deals with everything being perfection

56
00:03:09,050 --> 00:03:06,870
everybody's trying to make it perfect we

57
00:03:11,420 --> 00:03:09,060
also had issues with our pets in things

58
00:03:13,009 --> 00:03:11,430
of that nature and I've had five clients

59
00:03:15,890 --> 00:03:13,019
that have lost their pets this month

60
00:03:17,360 --> 00:03:15,900
know there'll be illnesses lost pets

61
00:03:19,400 --> 00:03:17,370
things will go wrong

62
00:03:23,119 --> 00:03:19,410
or issues will pop up about their pets

63
00:03:25,070 --> 00:03:23,129

or a neighbor's pet but president like I

64

00:03:27,259 --> 00:03:25,080

said five in one month that steps up

65

00:03:28,850 --> 00:03:27,269

quite a bit usually very outside of the

66

00:03:31,220 --> 00:03:28,860

fact that he gets lost once in a while

67

00:03:33,710 --> 00:03:31,230

they'll usually get too much on that but

68

00:03:36,380 --> 00:03:33,720

it's all about we're trying to make

69

00:03:38,210 --> 00:03:36,390

things different getting things laid out

70

00:03:40,039 --> 00:03:38,220

for what's coming up next month I think

71

00:03:41,720 --> 00:03:40,049

is why we want everything perfect I

72

00:03:44,449 --> 00:03:41,730

think we're going to get a little bit

73

00:03:46,580 --> 00:03:44,459

more of what's just taken place worldly

74

00:03:48,860 --> 00:03:46,590

next month there's some legal things

75

00:03:50,690 --> 00:03:48,870

that will be taking place and not

76

00:03:53,270 --> 00:03:50,700

comfortable things for the rest of us

77

00:03:57,199 --> 00:03:53,280

you can be watching some secrets being

78

00:03:59,180 --> 00:03:57,209

made don't the good and the bad of so I

79

00:04:01,850 --> 00:03:59,190

keep our fingers crossed that we here's

80

00:04:04,789 --> 00:04:01,860

a good sequence not the bad words yes I

81

00:04:08,240 --> 00:04:04,799

agree yeah we want all the stuff that we

82

00:04:10,369 --> 00:04:08,250

should be told right the honesty's has

83

00:04:12,170 --> 00:04:10,379

been missing heaven and that's part of

84

00:04:14,059 --> 00:04:12,180

what our show is about tonight that's

85

00:04:16,120 --> 00:04:14,069

right and there has been a lack of

86

00:04:18,379 --> 00:04:16,130

honesty for quite some time for

87

00:04:20,240 --> 00:04:18,389

thousands of years apparently we are

88

00:04:22,069 --> 00:04:20,250

going to find that out tonight when we

89

00:04:24,830 --> 00:04:22,079

bring our guest on the air Michael a

90

00:04:27,409 --> 00:04:24,840

cream oh he is a man of great courage

91

00:04:29,890 --> 00:04:27,419

isn't if you use that imagine this

92

00:04:31,969 --> 00:04:29,900

courage he has taken on other

93

00:04:33,830 --> 00:04:31,979

archaeologists and historians and it

94

00:04:36,800 --> 00:04:33,840

presented an alternate view of what our

95

00:04:38,750 --> 00:04:36,810

history really is and he's out it a lot

96

00:04:41,000 --> 00:04:38,760

of them for covering things up we're

97

00:04:43,190 --> 00:04:41,010

going to find out what's really going on

98

00:04:45,440 --> 00:04:43,200

tonight Michael is going to tell us the

99

00:04:47,659 --> 00:04:45,450

truth because you know the truth is

100

00:04:49,670 --> 00:04:47,669

right here I'm supernatural girls so

101
00:04:52,159 --> 00:04:49,680
we're going to get into a lot of things

102
00:04:54,409 --> 00:04:52,169
tonight with Michael Cremo and his looks

103
00:04:57,790 --> 00:04:54,419
are amazing and we will be creating oh

104
00:05:01,640 --> 00:04:57,800
my god Mike it is amazing look for great

105
00:05:03,230 --> 00:05:01,650
human devolution we devolved we're going

106
00:05:07,580 --> 00:05:03,240
to find out how that happened

107
00:05:09,320 --> 00:05:07,590
no you can talk to her about that and in

108
00:05:11,270 --> 00:05:09,330
preparing normal news I want to suggest

109
00:05:12,950 --> 00:05:11,280
everybody go to the Facebook page we've

110
00:05:19,400 --> 00:05:12,960
been posting all kinds of cool stories

111
00:05:22,909 --> 00:05:19,410
we have a monster bear apparition it was

112
00:05:25,820 --> 00:05:22,919
terrorizing people we have what's that

113
00:05:27,950 --> 00:05:25,830

there was a gateway they discovered this

114

00:05:31,010 --> 00:05:27,960

is a scientific discovery a gateway

115

00:05:33,499 --> 00:05:31,020

between universes so hmm I want

116

00:05:35,600 --> 00:05:33,509

who is traversing our universes going

117

00:05:37,550 --> 00:05:35,610

from one to the other well it's not us

118

00:05:41,420 --> 00:05:37,560

but I want to know who the gatekeeper is

119

00:05:44,510 --> 00:05:41,430

yeah the position of power we want to

120

00:05:46,219 --> 00:05:44,520

know well and I also have for paranormal

121

00:05:48,200 --> 00:05:46,229

news tonight I wanted to share personal

122

00:05:51,260 --> 00:05:48,210

experience because one of the things we

123

00:05:56,689 --> 00:05:51,270

have shared on the show and questioned

124

00:06:01,790 --> 00:05:56,699

our guest about is this alien abductions

125

00:06:03,890 --> 00:06:01,800

they seem to occur without our freewill

126

00:06:05,360 --> 00:06:03,900

now we've been told over and over again

127

00:06:08,120 --> 00:06:05,370

we have freewill

128

00:06:10,309 --> 00:06:08,130

on this planet we can decide yes or no

129

00:06:13,159 --> 00:06:10,319

so my question and your question to our

130

00:06:15,100 --> 00:06:13,169

guests in the past have always been well

131

00:06:18,830 --> 00:06:15,110

then what happens with our freewill

132

00:06:22,219 --> 00:06:18,840

regarding these abductions so why don't

133

00:06:25,790 --> 00:06:22,229

people have the right to say no so

134

00:06:30,350 --> 00:06:25,800

here's what I learned you know I was a

135

00:06:32,809 --> 00:06:30,360

dream analyst for over 25 years so I pay

136

00:06:35,990 --> 00:06:32,819

attention to my dreams and just the

137

00:06:38,719 --> 00:06:36,000

other night I had a dream and in the

138

00:06:41,149 --> 00:06:38,729

stream somebody was asking me for a

139

00:06:44,510 --> 00:06:41,159

tissue sample they said we just want a

140

00:06:46,519 --> 00:06:44,520

little pinchy sample now whoever was

141

00:06:48,200 --> 00:06:46,529

asking me it was someone I didn't know

142

00:06:50,689 --> 00:06:48,210

they didn't look like aliens but I

143

00:06:54,320 --> 00:06:50,699

thought what a strange thing to ask me

144

00:06:57,050 --> 00:06:54,330

for and I kept saying no no no and they

145

00:07:00,230 --> 00:06:57,060

kept asking over and over again and then

146

00:07:02,330 --> 00:07:00,240

I realized what this was the aliens in

147

00:07:03,830 --> 00:07:02,340

my opinion the ETS and the

148

00:07:06,769 --> 00:07:03,840

interdimensional ZnO how to use the

149

00:07:08,809 --> 00:07:06,779

dreamscape to get to people so they

150

00:07:11,659 --> 00:07:08,819

visit you in your dreams like they were

151

00:07:14,320 --> 00:07:11,669

visiting me and that's how they get

152

00:07:17,899 --> 00:07:14,330

around free will because they asked me

153

00:07:21,909 --> 00:07:17,909

can we do this if I hadn't recognized

154

00:07:25,309 --> 00:07:21,919

what they were I might have said sure

155

00:07:26,839 --> 00:07:25,319

but in fact most people are unconscious

156

00:07:28,100 --> 00:07:26,849

they don't remember their dreams they

157

00:07:30,950 --> 00:07:28,110

don't do their dream work naughty

158

00:07:32,629 --> 00:07:30,960

naughty and here's the result so these

159

00:07:34,700 --> 00:07:32,639

aliens in my opinion and

160

00:07:37,070 --> 00:07:34,710

interdimensional are getting permission

161

00:07:38,420 --> 00:07:37,080

in the dream world so they can do

162

00:07:40,459 --> 00:07:38,430

whatever they want once they have that

163

00:07:42,529 --> 00:07:40,469

permission they can take whatever

164

00:07:44,750 --> 00:07:42,539

samples they want good reason to do

165

00:07:47,870 --> 00:07:44,760

dream work everybody thank you

166

00:07:51,020 --> 00:07:47,880

so yeah because you know this is not a

167

00:07:53,390 --> 00:07:51,030

war of bullets this is not anything you

168

00:07:55,550 --> 00:07:53,400

can't do anything with weaponry with

169

00:07:58,100 --> 00:07:55,560

these people left you John Edmonds and

170

00:08:00,830 --> 00:07:58,110

you have a big sword remember him and if

171

00:08:03,500 --> 00:08:00,840

your device in handy but most of us

172

00:08:06,370 --> 00:08:03,510

don't have access to that we don't have

173

00:08:09,410 --> 00:08:06,380

the ability to use weapons like that and

174

00:08:11,690 --> 00:08:09,420

so what how do we fight against this

175

00:08:14,660 --> 00:08:11,700

this is how the more conscious you

176

00:08:16,270 --> 00:08:14,670

become the more aware you become when

177

00:08:20,300 --> 00:08:16,280

you're when you're dreaming

178

00:08:22,600 --> 00:08:20,310

deaf your protection no that's what to

179

00:08:26,180 --> 00:08:22,610

do everybody that's what to look for and

180

00:08:28,520 --> 00:08:26,190

I have a dream book it's on Amazon it's

181

00:08:30,350 --> 00:08:28,530

like it's very short very sweet just

182

00:08:32,150 --> 00:08:30,360

like here's what tonight need to do to

183

00:08:33,830 --> 00:08:32,160

start remembering your dreams here's

184

00:08:37,880 --> 00:08:33,840

what you need to do to become more aware

185

00:08:40,700 --> 00:08:37,890

in your dreams so so look it up it's

186

00:08:43,010 --> 00:08:40,710

easy enough to download and get dizzy

187

00:08:45,890 --> 00:08:43,020

well this is your protection I would

188

00:08:47,540 --> 00:08:45,900

make this a disentis yeah you know it's

189

00:08:49,970 --> 00:08:47,550

the easy things are usually the hardest

190

00:08:51,920 --> 00:08:49,980

first to get into doing aren't they well

191

00:08:54,800 --> 00:08:51,930

yeah they do to start making a list of

192

00:08:56,600 --> 00:08:54,810

what we put out but you know what I've

193

00:08:58,730 --> 00:08:56,610

seen a lot of people that are incredibly

194

00:09:02,030 --> 00:08:58,740

lazy and not our audience of course

195

00:09:03,710 --> 00:09:02,040

because our audience of course I'm but a

196

00:09:06,440 --> 00:09:03,720

lot of people are lazy and they don't

197

00:09:08,120 --> 00:09:06,450

want to put the time into keeping a

198

00:09:10,970 --> 00:09:08,130

dream journal or remembering their

199

00:09:12,440 --> 00:09:10,980

dreams it's like how much I'd rather be

200

00:09:14,060 --> 00:09:12,450

on their iPhone but you can write your

201
00:09:16,310 --> 00:09:14,070
dreams down on your iPhone too if you

202
00:09:18,890 --> 00:09:16,320
want that's easy enough to do

203
00:09:20,990 --> 00:09:18,900
speaking of that next month because of

204
00:09:24,640 --> 00:09:21,000
the seven Universal month there's going

205
00:09:28,070 --> 00:09:24,650
to be a lot of a dreaming going on Allah

206
00:09:30,770 --> 00:09:28,080
okay Thai hello get your paper ready

207
00:09:33,020 --> 00:09:30,780
people that's right that's right and

208
00:09:35,570 --> 00:09:33,030
piqué you have some classes coming up

209
00:09:38,060 --> 00:09:35,580
yes I'm going to start teaching it some

210
00:09:39,230 --> 00:09:38,070
additional numerology classes I'll post

211
00:09:42,080 --> 00:09:39,240
to my webpage

212
00:09:45,200 --> 00:09:42,090
Patricia Kirkman calm after the first

213
00:09:47,390 --> 00:09:45,210

week of June and I'm going to be doing

214

00:09:51,140 --> 00:09:47,400

the mystic messenger psychic fair the

215

00:09:53,960 --> 00:09:51,150

fourth of June excellent so if you're in

216

00:09:56,120 --> 00:09:53,970

tucson area you know where to go for the

217

00:09:57,840 --> 00:09:56,130

psychic here we'll announce it again so

218

00:10:01,139 --> 00:09:57,850

you don't miss it and you

219

00:10:02,850 --> 00:10:01,149

so see it on P K's website so all kinds

220

00:10:05,519 --> 00:10:02,860

of fun things to do to raise your

221

00:10:10,410 --> 00:10:05,529

awareness you know don't let yourself

222

00:10:13,379 --> 00:10:10,420

stay asleep wake up or dream whether the

223

00:10:18,300 --> 00:10:13,389

trade-offs in your integration of that I

224

00:10:20,430 --> 00:10:18,310

like that idea it's a new switch okay so

225

00:10:23,280 --> 00:10:20,440

go to our Facebook page and give us a

226

00:10:24,930 --> 00:10:23,290

like follow us follow us on Twitter

227

00:10:26,999 --> 00:10:24,940

we've got a lots of things coming up

228

00:10:29,550 --> 00:10:27,009

lots of things tonight you're going to

229

00:10:32,189 --> 00:10:29,560

be very excited to hear about this work

230

00:10:35,160 --> 00:10:32,199

human devolution it's beautiful it is

231

00:10:36,870 --> 00:10:35,170

and it's filled with information it's

232

00:10:39,600 --> 00:10:36,880

going to rock your world so we highly

233

00:10:41,309 --> 00:10:39,610

recommend you get that also other books

234

00:10:42,809 --> 00:10:41,319

that Michael has written forbidden

235

00:10:45,629 --> 00:10:42,819

archeology we're going to talk about

236

00:10:47,460 --> 00:10:45,639

some of that as well now I'm going to

237

00:10:48,689 --> 00:10:47,470

read a little bit about Michael because

238

00:10:52,680 --> 00:10:48,699

he's very impressive

239

00:10:55,740 --> 00:10:52,690

yes you okay yes he is a research

240

00:10:58,590 --> 00:10:55,750

associate and he specializes in the

241

00:11:00,050 --> 00:10:58,600

history and philosophy of science he is

242

00:11:02,790 --> 00:11:00,060

a member of the world archaeological

243

00:11:05,249 --> 00:11:02,800

Congress the European Association of

244

00:11:07,400 --> 00:11:05,259

archaeologists the history of Science

245

00:11:10,439 --> 00:11:07,410

Society and the philosophy of science

246

00:11:12,660 --> 00:11:10,449

Association this man has taken on

247

00:11:14,939 --> 00:11:12,670

traditional history and he's going to

248

00:11:17,850 --> 00:11:14,949

tell us the truth tonight so Michael

249

00:11:19,740 --> 00:11:17,860

Crema welcome to the show good to be

250

00:11:22,400 --> 00:11:19,750

with the supernatural girls and

251
00:11:25,710 --> 00:11:22,410
everybody who's listening and watching

252
00:11:28,230 --> 00:11:25,720
thank you it's our pleasure to have you

253
00:11:30,059 --> 00:11:28,240
this is amazing what you've done you've

254
00:11:34,139 --> 00:11:30,069
really outed a lot of things that what

255
00:11:36,509 --> 00:11:34,149
got you interested in this well that may

256
00:11:39,720 --> 00:11:36,519
have something to do that with the way

257
00:11:41,910 --> 00:11:39,730
that I was raised you know my father was

258
00:11:44,550 --> 00:11:41,920
an intelligence officer in the United

259
00:11:47,910 --> 00:11:44,560
States Air Force so that meant a couple

260
00:11:49,889 --> 00:11:47,920
of things for me as I was growing up one

261
00:11:51,990 --> 00:11:49,899
thing and that is that our family was

262
00:11:55,079 --> 00:11:52,000
moving to a lot of different places

263
00:11:55,800 --> 00:11:55,089

around the world and around the United

264

00:12:00,329 --> 00:11:55,810

States

265

00:12:02,280 --> 00:12:00,339

so one effect of that was that I came to

266

00:12:05,610 --> 00:12:02,290

understand there's more than one way to

267

00:12:07,920 --> 00:12:05,620

look at things you know I got exposed to

268

00:12:10,970 --> 00:12:07,930

a lot of different cultures and

269

00:12:14,720 --> 00:12:10,980

worldviews as I was growing up

270

00:12:18,490 --> 00:12:14,730

and the one that most fascinated me was

271

00:12:23,000 --> 00:12:18,500

the spiritual world view of ancient

272

00:12:28,819 --> 00:12:23,010

India and eventually I became the

273

00:12:32,569 --> 00:12:28,829

disciple of a guru from India and as

274

00:12:35,230 --> 00:12:32,579

part of that I began studying the

275

00:12:39,100 --> 00:12:35,240

ancient Sanskrit writings of India

276

00:12:42,290 --> 00:12:39,110

especially the historical and

277

00:12:47,329 --> 00:12:42,300

cosmological writings which are called

278

00:12:49,730 --> 00:12:47,339

the Puranas and therein I learned many

279

00:12:52,280 --> 00:12:49,740

things that were quite different from

280

00:12:56,509 --> 00:12:52,290

anything I learned from my teachers in

281

00:12:59,509 --> 00:12:56,519

high school or university one thing I

282

00:13:03,170 --> 00:12:59,519

learned from these ancient writings is

283

00:13:06,680 --> 00:13:03,180

that our human presence on this earth

284

00:13:08,810 --> 00:13:06,690

goes back many billions and millions of

285

00:13:11,240 --> 00:13:08,820

years all the way back to the very

286

00:13:14,449 --> 00:13:11,250

beginnings of the history of life on

287

00:13:17,210 --> 00:13:14,459

Earth from my teachers in school I had

288

00:13:21,230 --> 00:13:17,220

always learned something quite different

289

00:13:24,350 --> 00:13:21,240

namely that humans like us first

290

00:13:26,689 --> 00:13:24,360

appeared less than two hundred thousand

291

00:13:29,660 --> 00:13:26,699

years ago on this planet before that

292

00:13:33,829 --> 00:13:29,670

there were no humans like us it's more

293

00:13:38,600 --> 00:13:33,839

primitive ape-like human ancestors so I

294

00:13:41,540 --> 00:13:38,610

began to wonder how I should react to

295

00:13:45,410 --> 00:13:41,550

these writings to the information that

296

00:13:47,240 --> 00:13:45,420

was in them which is found not just in

297

00:13:49,939 --> 00:13:47,250

the ancient Sanskrit writings of India

298

00:13:53,180 --> 00:13:49,949

but in most of the ancient wisdom

299

00:13:56,569 --> 00:13:53,190

traditions of the world they all speak

300

00:14:00,019 --> 00:13:56,579

in the very ancient human presence on

301

00:14:04,210 --> 00:14:00,029

this planet so I had asked myself is

302

00:14:07,639 --> 00:14:04,220

this ecology or is there perhaps some

303

00:14:09,620 --> 00:14:07,649

factual basis for it so that's what got

304

00:14:12,259 --> 00:14:09,630

me looking into the history of

305

00:14:15,170 --> 00:14:12,269

archeology you know if you look in the

306

00:14:18,590 --> 00:14:15,180

current textbooks you're only going to

307

00:14:22,639 --> 00:14:18,600

find the discoveries that support the

308

00:14:24,290 --> 00:14:22,649

current dominant paradigm the one that's

309

00:14:29,810 --> 00:14:24,300

prevalent in this

310

00:14:32,960 --> 00:14:29,820

typical day but I decided I'm going to

311

00:14:36,220 --> 00:14:32,970

look beyond the textbooks and here again

312

00:14:39,380 --> 00:14:36,230

maybe there was some influence from my

313

00:14:42,170 --> 00:14:39,390

family background I grew up among people

314

00:14:45,260 --> 00:14:42,180

in the intelligence services diplomatic

315

00:14:48,050 --> 00:14:45,270

service military service and I could

316

00:14:52,190 --> 00:14:48,060

understand from a very young age that

317

00:14:56,150 --> 00:14:52,200

yes there is such a thing as secret

318

00:14:59,140 --> 00:14:56,160

knowledge there are things going on in

319

00:15:03,650 --> 00:14:59,150

the world that most people simply aren't

320

00:15:07,640 --> 00:15:03,660

aware of maybe it's leaked from time to

321

00:15:11,750 --> 00:15:07,650

time but in general it's it's kept out

322

00:15:16,670 --> 00:15:11,760

of out of sight so I decided let me look

323

00:15:20,620 --> 00:15:16,680

beyond the textbooks let me look into

324

00:15:23,440 --> 00:15:20,630

the original scientific reports by

325

00:15:26,750 --> 00:15:23,450

archaeologists geologists

326

00:15:30,680 --> 00:15:26,760

paleontologists and other scientists who

327

00:15:34,280 --> 00:15:30,690

are digging into the earth and what I

328

00:15:37,700 --> 00:15:34,290

did that I was amazed to find there were

329

00:15:42,260 --> 00:15:37,710

many scientists reporting discoveries of

330

00:15:46,400 --> 00:15:42,270

human bones human artifacts and human

331

00:15:50,570 --> 00:15:46,410

footprints going back many many millions

332

00:15:53,870 --> 00:15:50,580

of years so I collected all of those

333

00:15:57,530 --> 00:15:53,880

reports in a book I called forbidden

334

00:16:01,940 --> 00:15:57,540

archeology and you know sometimes people

335

00:16:06,140 --> 00:16:01,950

ask well why forbidden it's because it's

336

00:16:08,960 --> 00:16:06,150

outside the box in terms of mainstream

337

00:16:12,740 --> 00:16:08,970

thinking and this evidence has been

338

00:16:17,710 --> 00:16:12,750

subjected to what I call a process of

339

00:16:19,940 --> 00:16:17,720

knowledge filtration you know a

340

00:16:22,970 --> 00:16:19,950

scientific discipline is usually

341

00:16:25,370 --> 00:16:22,980

governed by some kind of paradigm some

342

00:16:28,640 --> 00:16:25,380

set of beliefs and methods and

343

00:16:31,490 --> 00:16:28,650

conclusions that dominate that

344

00:16:34,490 --> 00:16:31,500

discipline and reports of evidence that

345

00:16:38,120 --> 00:16:34,500

conform to that paradigm will pass

346

00:16:40,280 --> 00:16:38,130

through the knowledge filter very easily

347

00:16:42,710 --> 00:16:40,290

but if you've got evidence that

348

00:16:45,410 --> 00:16:42,720

radically contradicts a dominant

349

00:16:48,140 --> 00:16:45,420

paradigm it tends to be filtered out and

350

00:16:52,750 --> 00:16:48,150

by that I mean it's ignored

351

00:16:58,280 --> 00:16:52,760

it's dismissed it's hidden away

352

00:16:59,900 --> 00:16:58,290

sometimes even suppressed well it sounds

353

00:17:02,510 --> 00:16:59,910

like from your books that we've read

354

00:17:05,210 --> 00:17:02,520

that the archaeologists some of them

355

00:17:08,270 --> 00:17:05,220

we're burying things just as fast as

356

00:17:10,189 --> 00:17:08,280

they were uncovering them some of these

357

00:17:13,069 --> 00:17:10,199

things like you just been talking about

358

00:17:16,040 --> 00:17:13,079

but don't fit in to their view of what

359

00:17:19,189 --> 00:17:16,050

our history is yeah I could give you a

360

00:17:21,590 --> 00:17:19,199

couple of examples of that as I said I

361

00:17:24,920 --> 00:17:21,600

look into the history of archaeology and

362

00:17:27,319 --> 00:17:24,930

some of the examples I give are from the

363

00:17:29,960 --> 00:17:27,329

earlier history and some from more

364

00:17:32,720 --> 00:17:29,970

recent times one of the fascinating

365

00:17:36,400 --> 00:17:32,730

cases from the early history of

366

00:17:38,930 --> 00:17:36,410

archaeology is the California gold mine

367

00:17:42,980 --> 00:17:38,940

discoveries in the nineteenth century

368

00:17:46,040 --> 00:17:42,990

gold was discovered in California miners

369

00:17:48,290 --> 00:17:46,050

came from all over the world to get it

370

00:17:51,320 --> 00:17:48,300

and they were digging tunnels into the

371

00:17:53,930 --> 00:17:51,330

sides of mountains like Table Mountain

372

00:17:57,530 --> 00:17:53,940

in the Sierra Nevada mountains near the

373

00:18:00,560 --> 00:17:57,540

town of Sonora in central California

374

00:18:03,190 --> 00:18:00,570

and deep inside these tunnels the miners

375

00:18:06,290 --> 00:18:03,200

were finding human bones and human

376

00:18:10,930 --> 00:18:06,300

artifacts they were finding obsidian

377

00:18:13,310 --> 00:18:10,940

spearpoint stone mortars and pestles and

378

00:18:16,220 --> 00:18:13,320

what makes these things really

379

00:18:19,550 --> 00:18:16,230

interesting to me is they were found in

380

00:18:25,160 --> 00:18:19,560

layers of rock that modern geologists

381

00:18:28,370 --> 00:18:25,170

tell us are about 50 million years old

382

00:18:31,010 --> 00:18:28,380

which is really quite astonishing and

383

00:18:34,550 --> 00:18:31,020

these discoveries came to the attention

384

00:18:38,210 --> 00:18:34,560

of dr. JD Whitney who was the chief

385

00:18:41,080 --> 00:18:38,220

government geologist of California so he

386

00:18:43,790 --> 00:18:41,090

went and investigated these cases

387

00:18:46,610 --> 00:18:43,800

carefully studied the conditions under

388

00:18:49,100 --> 00:18:46,620

which the discoveries were made and he

389

00:18:50,490 --> 00:18:49,110

wrote a massive report about them that

390

00:18:54,810 --> 00:18:50,500

was published by

391

00:18:58,680 --> 00:18:54,820

Harvard University in the year 1880 but

392

00:19:02,970 --> 00:18:58,690

we don't read about these discoveries in

393

00:19:05,640 --> 00:19:02,980

today's textbooks because of the process

394

00:19:08,630 --> 00:19:05,650

of knowledge filtration I was talking

395

00:19:11,010 --> 00:19:08,640

about and one of the scientists most

396

00:19:14,580 --> 00:19:11,020

responsible for the knowledge filtering

397

00:19:18,060 --> 00:19:14,590

in this particular case was dr. William

398

00:19:24,029 --> 00:19:18,070

Holmes who was an anthropologist working

399

00:19:27,960 --> 00:19:24,039

at the Smithsonian Institution and he

400

00:19:30,950 --> 00:19:27,970

said I wrote if dr. Whitney had

401
00:19:33,899 --> 00:19:30,960
understood the theory of human evolution

402
00:19:35,399 --> 00:19:33,909
he wouldn't have published that report

403
00:19:39,060 --> 00:19:35,409
he wouldn't have come to those

404
00:19:42,390 --> 00:19:39,070
conclusions that he lived in these very

405
00:19:45,510 --> 00:19:42,400
ancient times in other words if the

406
00:19:48,090 --> 00:19:45,520
facts did not support the dominant

407
00:19:50,340 --> 00:19:48,100
theory the facts should not have been

408
00:19:54,270 --> 00:19:50,350
published they should have they should

409
00:19:58,440 --> 00:19:54,280
just be cast into oblivion forgotten and

410
00:20:01,350 --> 00:19:58,450
basically that's what's happened but

411
00:20:04,110 --> 00:20:01,360
some of the artifacts from the

412
00:20:06,380 --> 00:20:04,120
California gold mines are still in the

413
00:20:09,840 --> 00:20:06,390

collection of the Museum of Anthropology

414

00:20:12,360 --> 00:20:09,850

at the University of California at

415

00:20:14,419 --> 00:20:12,370

Berkeley they're they're not displayed

416

00:20:17,700 --> 00:20:14,429

to the public they're kept in a storage

417

00:20:20,279 --> 00:20:17,710

building several miles from the museum

418

00:20:22,680 --> 00:20:20,289

but I did get permission from the

419

00:20:25,860 --> 00:20:22,690

directors of the museum to study and

420

00:20:28,830 --> 00:20:25,870

photograph them and they are still there

421

00:20:31,770 --> 00:20:28,840

I also went to the mountains of

422

00:20:34,950 --> 00:20:31,780

California and I was able to relocate

423

00:20:37,440 --> 00:20:34,960

some of the old 19th century gold mining

424

00:20:40,529 --> 00:20:37,450

tunnels where these objects were

425

00:20:44,399 --> 00:20:40,539

originally discovered so it should be

426
00:20:48,560 --> 00:20:44,409
possible to do more research there and

427
00:20:53,010 --> 00:20:48,570
uncover more of these things

428
00:20:54,510 --> 00:20:53,020
hmm but they don't welcome that do they

429
00:20:56,310 --> 00:20:54,520
they don't welcome that with open arms

430
00:21:02,250 --> 00:20:56,320
they're going to just try to bury it

431
00:21:04,290 --> 00:21:02,260
again absolutely not and here's a case

432
00:21:07,320 --> 00:21:04,300
from the very recent

433
00:21:09,630 --> 00:21:07,330
history of archeology just it may seem a

434
00:21:13,320 --> 00:21:09,640
little insignificant when I tell you

435
00:21:17,660 --> 00:21:13,330
what it is but it illustrates how this

436
00:21:22,140 --> 00:21:17,670
knowledge filtering process operates in

437
00:21:26,370 --> 00:21:22,150
2016 just last year archaeologists

438
00:21:32,100 --> 00:21:26,380

working at Olduvai Gorge in the country

439

00:21:34,740 --> 00:21:32,110

of Tanzania in East Africa found a small

440

00:21:40,080 --> 00:21:34,750

piece of bone actually was a finger bone

441

00:21:44,160 --> 00:21:40,090

yeah the bone of the finger here is all

442

00:21:47,420 --> 00:21:44,170

bone it was found in layers of rock 1

443

00:21:50,670 --> 00:21:47,430

million eight hundred thousand years old

444

00:21:55,350 --> 00:21:50,680

the archaeologists who discovered it

445

00:21:57,930 --> 00:21:55,360

very carefully measured this bone they

446

00:22:01,080 --> 00:21:57,940

did all kinds of measurements on it then

447

00:22:05,070 --> 00:22:01,090

they compared the measurements to the

448

00:22:09,740 --> 00:22:05,080

same bone the same finger bone of all

449

00:22:12,780 --> 00:22:09,750

different species of Eakes monkeys ate

450

00:22:18,480 --> 00:22:12,790

man-like Australopithecus and Homo

451
00:22:23,790 --> 00:22:18,490
habilis and anatomically modern humans

452
00:22:27,900 --> 00:22:23,800
and they found that this finger bone fit

453
00:22:30,630 --> 00:22:27,910
in the anatomically modern human group

454
00:22:33,900 --> 00:22:30,640
and it was different from the same

455
00:22:38,910 --> 00:22:33,910
finger bone of any species of ape or

456
00:22:42,330 --> 00:22:38,920
monkey or a man like Australopithecus or

457
00:22:45,090 --> 00:22:42,340
Homo habilis but what they said in their

458
00:22:50,670 --> 00:22:45,100
scientific report was very interesting

459
00:22:53,700 --> 00:22:50,680
they said ok we discovered this finger

460
00:22:58,140 --> 00:22:53,710
bone it's exactly like that of an

461
00:23:03,270 --> 00:22:58,150
anatomically modern Homo sapiens but we

462
00:23:07,170 --> 00:23:03,280
can't call it Homo sapiens because it

463
00:23:09,480 --> 00:23:07,180

was found in layers of rock 1 million

464

00:23:12,540 --> 00:23:09,490

eight hundred thousand years old so it

465

00:23:17,730 --> 00:23:12,550

would be too old you know it just shows

466

00:23:20,730 --> 00:23:17,740

you how the psychology works sometimes

467

00:23:24,780 --> 00:23:20,740

scientists can be staring evidence for

468

00:23:27,240 --> 00:23:24,790

extreme human antiquity right in the eye

469

00:23:30,390 --> 00:23:27,250

it's right in their hands they're

470

00:23:32,520 --> 00:23:30,400

looking at it it's human it's found in

471

00:23:37,200 --> 00:23:32,530

layers of rock 1 million eight hundred

472

00:23:41,430 --> 00:23:37,210

thousand years old but they cannot admit

473

00:23:43,290 --> 00:23:41,440

it as evidence that humans existed that

474

00:23:46,620 --> 00:23:43,300

far in the past because it would

475

00:23:48,750 --> 00:23:46,630

completely upset their paradigm the

476

00:23:51,360 --> 00:23:48,760

other been interesting psychological

477

00:23:55,049 --> 00:23:51,370

experiments that have been done in the

478

00:23:58,380 --> 00:23:55,059

1940s some psychologists did some

479

00:24:03,150 --> 00:23:58,390

experiments with playing cards what they

480

00:24:06,830 --> 00:24:03,160

did is they modified some cards and a

481

00:24:12,210 --> 00:24:06,840

deck say if you have a six of Hearts

482

00:24:15,060 --> 00:24:12,220

normally it would be red they painted it

483

00:24:18,360 --> 00:24:15,070

black or if you have a four of spades

484

00:24:21,810 --> 00:24:18,370

normal and be black they made it red and

485

00:24:25,380 --> 00:24:21,820

they put a few of these altered cards in

486

00:24:28,520 --> 00:24:25,390

a deck and then they would show the

487

00:24:31,650 --> 00:24:28,530

cards in the deck one after another to

488

00:24:37,380 --> 00:24:31,660

people asking them if they could notice

489

00:24:44,310 --> 00:24:37,390

anything and no one noticed that those

490

00:24:47,100 --> 00:24:44,320

cards didn't fit and it's the same kind

491

00:24:51,360 --> 00:24:47,110

of principle operates in the scientific

492

00:24:54,180 --> 00:24:51,370

world sometimes scientists don't see

493

00:24:57,150 --> 00:24:54,190

what's really there in front of them

494

00:25:00,810 --> 00:24:57,160

they see what they expect to see they

495

00:25:04,650 --> 00:25:00,820

see what their their paradigm allows

496

00:25:06,270 --> 00:25:04,660

them to see even though it's staring

497

00:25:09,419 --> 00:25:06,280

them right in the face just like you

498

00:25:13,440 --> 00:25:09,429

could show the person the black six of

499

00:25:18,870 --> 00:25:13,450

hearts they will see it as a normal card

500

00:25:23,220 --> 00:25:18,880

they won't notice it as an anomaly and

501
00:25:26,540 --> 00:25:23,230
you know if if this happened just once

502
00:25:30,990 --> 00:25:26,550
or twice you know maybe you could

503
00:25:31,560 --> 00:25:31,000
overlook it but what I've shown in my

504
00:25:34,560 --> 00:25:31,570
book

505
00:25:37,500 --> 00:25:34,570
forbidden archeology is this hasn't

506
00:25:41,360 --> 00:25:37,510
happened just once or twice there are

507
00:25:46,650 --> 00:25:41,370
hundreds of these cases of human bones

508
00:25:49,590 --> 00:25:46,660
human artifacts and human footprints

509
00:25:56,610 --> 00:25:49,600
going back tens of millions even

510
00:26:01,440 --> 00:25:56,620
hundreds of millions of years and yet

511
00:26:05,720 --> 00:26:01,450
some people oh we're hearing some noise

512
00:26:10,410 --> 00:26:05,730
outside on that ankle Laverne

513
00:26:12,540 --> 00:26:10,420

okay some people yeah what difference

514

00:26:15,360 --> 00:26:12,550

does it make whether human beings have

515

00:26:16,950 --> 00:26:15,370

been around a few hundred that was this

516

00:26:18,600 --> 00:26:16,960

what I was going to ask it's like you

517

00:26:20,790 --> 00:26:18,610

know what difference does it make why

518

00:26:23,340 --> 00:26:20,800

not just come out and tell the truth

519

00:26:26,010 --> 00:26:23,350

what difference does it make the big

520

00:26:31,290 --> 00:26:26,020

deal well well I think the significance

521

00:26:36,920 --> 00:26:31,300

of this evidence is that it points to

522

00:26:44,060 --> 00:26:36,930

the need for new explanations of human

523

00:26:47,160 --> 00:26:44,070

origins and the fact is that those

524

00:26:53,010 --> 00:26:47,170

alternative explanations generally

525

00:26:56,160 --> 00:26:53,020

involve something that goes beyond the

526

00:26:58,890 --> 00:26:56,170

material that goes into the realm of

527

00:27:02,720 --> 00:26:58,900

what you would call or some people would

528

00:27:06,120 --> 00:27:02,730

call the paranormal but which probably

529

00:27:08,250 --> 00:27:06,130

many of your viewers would consider to

530

00:27:11,250 --> 00:27:08,260

be the real normal in other words

531

00:27:15,050 --> 00:27:11,260

something that goes beyond materialistic

532

00:27:18,660 --> 00:27:15,060

reductionistic kinds of scientific

533

00:27:23,010 --> 00:27:18,670

explanations something that involves non

534

00:27:25,730 --> 00:27:23,020

material principles and they don't like

535

00:27:30,570 --> 00:27:25,740

that very much

536

00:27:32,400 --> 00:27:30,580

yep and it also states have a thing I

537

00:27:34,680 --> 00:27:32,410

mean they've also just actually

538

00:27:36,360 --> 00:27:34,690

destroyed we mean we've heard rumors and

539

00:27:37,800 --> 00:27:36,370

we're hoping to be able to tell us what

540

00:27:40,230 --> 00:27:37,810

you know about this but we've heard

541

00:27:44,070 --> 00:27:40,240

rumors that even museums have been known

542

00:27:45,120 --> 00:27:44,080

to actually destroy things that were

543

00:27:48,299 --> 00:27:45,130

brought in that they

544

00:27:50,669 --> 00:27:48,309

field didn't follow the rules of what

545

00:27:55,110 --> 00:27:50,679

they think happened is that true has

546

00:27:58,470 --> 00:27:55,120

that really happened things like that do

547

00:28:02,549 --> 00:27:58,480

happen things do get destroyed sometimes

548

00:28:04,650 --> 00:28:02,559

it's due to war or civil disturbances a

549

00:28:07,919 --> 00:28:04,660

lot of this is happening in the Middle

550

00:28:10,470 --> 00:28:07,929

East now where archaeological monuments

551

00:28:14,250 --> 00:28:10,480

and museums are being looted and

552

00:28:16,950 --> 00:28:14,260

destroyed but paradise and that's a

553

00:28:19,590 --> 00:28:16,960

that's another thing but what you're

554

00:28:26,640 --> 00:28:19,600

talking about is something that's maybe

555

00:28:30,930 --> 00:28:26,650

even more sinister and sometimes objects

556

00:28:34,610 --> 00:28:30,940

do go missing from museums I'll give one

557

00:28:38,640 --> 00:28:34,620

example and my book forbidden archeology

558

00:28:41,700 --> 00:28:38,650

one of the most extreme anomalies that I

559

00:28:46,830 --> 00:28:41,710

included in the book was some round

560

00:28:50,610 --> 00:28:46,840

metallic spheres that come from a mine

561

00:28:53,630 --> 00:28:50,620

in South Africa near a place called Otto

562

00:28:57,149 --> 00:28:53,640

Stahl and the Western Transvaal region

563

00:29:00,539 --> 00:28:57,159

these objects are one or two inches in

564

00:29:03,210 --> 00:29:00,549

diameter the most interesting feature of

565

00:29:10,230 --> 00:29:03,220

them is the parallel grooves that go

566

00:29:13,940 --> 00:29:10,240

around the center of each object so in

567

00:29:16,610 --> 00:29:13,950

my book forbidden archeology there's a

568

00:29:19,440 --> 00:29:16,620

picture a photograph of one of these

569

00:29:23,010 --> 00:29:19,450

objects with the grooves going around

570

00:29:24,659 --> 00:29:23,020

its equator these we're going to we're

571

00:29:25,860 --> 00:29:24,669

just going to take a short break so

572

00:29:28,830 --> 00:29:25,870

we're going to hear more about these

573

00:29:31,289 --> 00:29:28,840

spheres and the parallel lines on them

574

00:29:33,779 --> 00:29:31,299

when we come back because this is

575

00:29:37,730 --> 00:29:33,789

fascinating we have so many questions

576

00:29:40,620 --> 00:29:37,740

for you Michael so everybody stay tuned

577

00:29:43,200 --> 00:29:40,630

we are speaking with Michael Cremona who's

578

00:29:45,710 --> 00:29:43,210

the author of some very amazing books

579

00:29:48,659 --> 00:29:45,720

about our past human devolution and

580

00:29:51,299 --> 00:29:48,669

forbidden archeology and more you can

581

00:29:52,830 --> 00:29:51,309

find them all on amazon.com if you have

582

00:29:54,630 --> 00:29:52,840

any questions for Michael you can type

583

00:29:57,390 --> 00:29:54,640

them into the chat room I'll be happy to

584

00:29:59,039 --> 00:29:57,400

ask them on your behalf if you want to

585

00:30:03,119 --> 00:29:59,049

see us live

586

00:30:06,109 --> 00:30:03,129

i RN chat comm go to menu and click on

587

00:30:08,609 --> 00:30:06,119

to you'll be able to see us there so

588

00:30:24,000 --> 00:30:08,619

hang tight everybody we're going to take

589

00:30:24,010 --> 00:36:11,920

you

590

00:36:23,800 --> 00:36:21,740

[Music]

591

00:36:41,059 --> 00:36:23,810

[Applause]

592

00:36:43,500 --> 00:36:41,069

[Music]

593

00:36:46,049 --> 00:36:43,510

welcome back everyone to supernatural

594

00:36:51,240 --> 00:36:46,059

Girls radio I'm your host Patricia Baker

595

00:36:53,010 --> 00:36:51,250

I'm here with PK from Tucson and I

596

00:36:56,010 --> 00:36:53,020

wanted to let everybody know that you

597

00:37:01,430 --> 00:36:56,020

can also get a hold of Michael Primo's

598

00:37:07,230 --> 00:37:01,440

books on his website okay which is M

599

00:37:11,430 --> 00:37:07,240

cream o CR e mo dot-com and they also

600

00:37:13,559 --> 00:37:11,440

have a limited time offer so anyone who

601
00:37:16,319 --> 00:37:13,569
purchases the newest book which is

602
00:37:19,500 --> 00:37:16,329
called my science my religion has the

603
00:37:22,349 --> 00:37:19,510
option of receiving a free bhagavad-gita

604
00:37:27,059 --> 00:37:22,359
as it is from the ancient Vedic

605
00:37:29,370 --> 00:37:27,069
literature of India very nice offer no

606
00:37:35,780 --> 00:37:29,380
again you can find that on Michaels

607
00:37:37,319 --> 00:37:35,790
website which is M cream o CR e mo calm

608
00:37:41,280 --> 00:37:37,329
how about it

609
00:37:43,260 --> 00:37:41,290
that's nice so we are back on the air

610
00:37:48,480 --> 00:37:43,270
we've got to Michael can you hear us

611
00:37:51,420 --> 00:37:48,490
okay now I can hear you but your voices

612
00:37:55,910 --> 00:37:51,430
are coming out not through my headset

613
00:37:58,849 --> 00:37:55,920

but through the speakers and my laptop

614

00:38:02,520 --> 00:37:58,859

okay as long as you can hear us that

615

00:38:05,280 --> 00:38:02,530

will fire some questions at you tell us

616

00:38:08,789 --> 00:38:05,290

the truth about bigfoot people have

617

00:38:11,430 --> 00:38:08,799

found evidence have they not in my book

618

00:38:14,280 --> 00:38:11,440

forbidden archeology i have an entire

619

00:38:18,210 --> 00:38:14,290

chapter called evidence for living eight

620

00:38:22,950 --> 00:38:18,220

men basically when i look at the

621

00:38:25,010 --> 00:38:22,960

archaeological record i see a different

622

00:38:27,620 --> 00:38:25,020

pattern than

623

00:38:29,840 --> 00:38:27,630

most scientists would see who are

624

00:38:33,260 --> 00:38:29,850

operating according to the orthodox

625

00:38:36,190 --> 00:38:33,270

paradigm of human evolution they would

626

00:38:38,750 --> 00:38:36,200

see an evolutionary pattern where

627

00:38:41,870 --> 00:38:38,760

millions of years ago you have some

628

00:38:44,660 --> 00:38:41,880

primitive Apes and monkeys then those

629

00:38:48,290 --> 00:38:44,670

are followed by what we could call eight

630

00:38:50,810 --> 00:38:48,300

men for lack of a simpler term

631

00:38:53,600 --> 00:38:50,820

I mean hominins is the technical

632

00:38:57,590 --> 00:38:53,610

scientific word for eight men and then

633

00:39:01,940 --> 00:38:57,600

finally about 200,000 years ago you

634

00:39:06,800 --> 00:39:01,950

would see humans like us anatomically

635

00:39:09,530 --> 00:39:06,810

modern Homo sapiens but when I look at

636

00:39:13,570 --> 00:39:09,540

the archaeological record I see there's

637

00:39:17,030 --> 00:39:13,580

evidence that humans like us existed in

638

00:39:22,220 --> 00:39:17,040

the very distant past millions of years

639

00:39:25,880 --> 00:39:22,230

ago and that we coexisted with primitive

640

00:39:29,270 --> 00:39:25,890

Apes and monkeys and various kinds of

641

00:39:32,300 --> 00:39:29,280

hominids or eight men and I think the

642

00:39:37,130 --> 00:39:32,310

same is still true today think even

643

00:39:41,840 --> 00:39:37,140

today we're still coexisting on this

644

00:39:45,920 --> 00:39:41,850

planet with Apes and monkeys and various

645

00:39:48,380 --> 00:39:45,930

kinds of men and it's another field in

646

00:39:51,530 --> 00:39:48,390

which there's been a tremendous amount

647

00:39:55,780 --> 00:39:51,540

of knowledge filtration nevertheless

648

00:39:59,030 --> 00:39:55,790

there are scientists who have reported

649

00:40:01,250 --> 00:39:59,040

evidence for living eight men they

650

00:40:04,000 --> 00:40:01,260

called them by different names in

651

00:40:07,040 --> 00:40:04,010

different parts of the world in North

652

00:40:10,820 --> 00:40:07,050

America they call them soft Squatch or

653

00:40:15,050 --> 00:40:10,830

Bigfoot in Central Asia they call them

654

00:40:18,080 --> 00:40:15,060

all mus in the Himalayan regions they

655

00:40:20,330 --> 00:40:18,090

call them the Yeti there are different

656

00:40:23,090 --> 00:40:20,340

names for them in different parts of the

657

00:40:29,020 --> 00:40:23,100

world and there's a tremendous amount of

658

00:40:32,300 --> 00:40:29,030

evidence for the fact that we are still

659

00:40:35,940 --> 00:40:32,310

coexisting with eight men and apes of

660

00:40:44,089 --> 00:40:35,950

monkeys as we have in the past

661

00:40:47,700 --> 00:40:44,099

now there are researchers who have had

662

00:40:52,970 --> 00:40:47,710

paranormal experiences in connection

663

00:40:56,430 --> 00:40:52,980

with these eight men like creatures and

664

00:41:00,780 --> 00:40:56,440

in my studies of the ancient Sanskrit

665

00:41:04,260 --> 00:41:00,790

writings of India I see something

666

00:41:06,750 --> 00:41:04,270

similar the ancient Sanskrit writings of

667

00:41:07,410 --> 00:41:06,760

India described that millions of years

668

00:41:12,030 --> 00:41:07,420

ago

669

00:41:15,980 --> 00:41:12,040

there were in fact creatures with

670

00:41:20,730 --> 00:41:15,990

ape-like bodies human-like intelligence

671

00:41:24,380 --> 00:41:20,740

and paranormal powers like the ability

672

00:41:29,220 --> 00:41:24,390

to fly unaided through the sky

673

00:41:32,760 --> 00:41:29,230

communicate telepathically and things of

674

00:41:35,130 --> 00:41:32,770

that sort that is incredible

675

00:41:38,520 --> 00:41:35,140

and so here we are today with people

676
00:41:42,510 --> 00:41:38,530
that claim to be in contact with Bigfoot

677
00:41:47,480 --> 00:41:42,520
and I again see it they some of them see

678
00:41:50,640 --> 00:41:47,490
Bigfoot as a very spiritual creature and

679
00:41:53,339 --> 00:41:50,650
more spirit than matter and able to

680
00:41:55,530 --> 00:41:53,349
manipulate their vibration so they can

681
00:41:57,720 --> 00:41:55,540
move into and out of matter so it's a

682
00:42:00,089 --> 00:41:57,730
very interesting concept that some of

683
00:42:02,549 --> 00:42:00,099
the researchers are bringing forth and

684
00:42:03,319 --> 00:42:02,559
what about extraterrestrials do we have

685
00:42:06,349 --> 00:42:03,329
evidence

686
00:42:10,470 --> 00:42:06,359
archaeologically of extraterrestrials

687
00:42:15,780 --> 00:42:10,480
well according to the ancient Sanskrit

688
00:42:18,990 --> 00:42:15,790

writings of India there are 400,000

689

00:42:25,470 --> 00:42:19,000

human-like species scattered throughout

690

00:42:29,730 --> 00:42:25,480

the universe so yes I exciting existence

691

00:42:34,380 --> 00:42:29,740

of extraterrestrials you can go to India

692

00:42:36,510 --> 00:42:34,390

there are cave temples that are very

693

00:42:41,490 --> 00:42:36,520

elaborately carved and some of the

694

00:42:46,650 --> 00:42:41,500

carvings show spacecraft they're called

695

00:42:49,770 --> 00:42:46,660

Vimanas and I have an expanded

696

00:42:53,849 --> 00:42:49,780

conception of what it means to be an

697

00:42:58,190 --> 00:42:53,859

extraterrestrial I would say that as

698

00:43:00,870 --> 00:42:58,200

conscious beings were all

699

00:43:04,230 --> 00:43:00,880

extraterrestrials because as conscious

700

00:43:06,839 --> 00:43:04,240

beings none of us is from this level of

701

00:43:10,920 --> 00:43:06,849

reality we're not from the world of

702

00:43:15,630 --> 00:43:10,930

matter were from some other region of

703

00:43:20,010 --> 00:43:15,640

the cosmos some other dimension yeah the

704

00:43:24,780 --> 00:43:20,020

Vedic cosmos is a multi-level cosmos

705

00:43:28,920 --> 00:43:24,790

where you have one level of the cosmos

706

00:43:32,430 --> 00:43:28,930

dominated by gross material elements and

707

00:43:36,900 --> 00:43:32,440

energies that's the level where we find

708

00:43:39,539 --> 00:43:36,910

ourselves now it's inhabited by

709

00:43:42,299 --> 00:43:39,549

creatures adapted to the conditions

710

00:43:44,910 --> 00:43:42,309

there beyond that there's a more subtle

711

00:43:48,470 --> 00:43:44,920

realm of different intellectual and

712

00:43:52,319 --> 00:43:48,480

mental energies it's inhabited by beings

713

00:43:55,049 --> 00:43:52,329

adapted to the conditions there so there

714

00:43:57,240 --> 00:43:55,059

are extraterrestrial beings from that

715

00:43:59,370 --> 00:43:57,250

level and then there's what I call the

716

00:44:02,460 --> 00:43:59,380

level of pure consciousness and there

717

00:44:05,970 --> 00:44:02,470

are extraterrestrial beings from that

718

00:44:10,440 --> 00:44:05,980

level of reality and on all those

719

00:44:15,210 --> 00:44:10,450

different levels they have they have

720

00:44:18,270 --> 00:44:15,220

craft in which they can travel through

721

00:44:20,730 --> 00:44:18,280

the different levels and around the

722

00:44:23,700 --> 00:44:20,740

different levels so there are all kinds

723

00:44:26,309 --> 00:44:23,710

I have an expanded conception of what it

724

00:44:27,829 --> 00:44:26,319

needs to be an extraterrestrial some

725

00:44:31,370 --> 00:44:27,839

people when they think of

726

00:44:34,349 --> 00:44:31,380

extraterrestrial yeah they think only of

727

00:44:36,930 --> 00:44:34,359

flesh-and-blood creatures like ourselves

728

00:44:39,569 --> 00:44:36,940

from some other planet and I think such

729

00:44:41,930 --> 00:44:39,579

creatures do exist I don't think that's

730

00:44:44,079 --> 00:44:41,940

the end

731

00:44:47,870 --> 00:44:44,089

what it means to be an extraterrestrial

732

00:44:51,099 --> 00:44:47,880

I think there you could also call them

733

00:44:53,180 --> 00:44:51,109

extra dimensional beings if you make

734

00:44:56,059 --> 00:44:53,190

sure that make sense

735

00:44:59,390 --> 00:44:56,069

now here's another question for you back

736

00:45:01,640 --> 00:44:59,400

to archaeology and the timeline they

737

00:45:05,569 --> 00:45:01,650

would like to know what is the timeline

738

00:45:13,370 --> 00:45:05,579

for the short-lived cro-magnon man move

739

00:45:17,710 --> 00:45:13,380

Oh crow magma is a type of anatomically

740

00:45:30,589 --> 00:45:23,270

they lived in Europe maybe around 40 or

741

00:45:33,700 --> 00:45:30,599

50 thousand years ago and Accord that's

742

00:45:38,660 --> 00:45:33,710

just according to the mainstream

743

00:45:42,200 --> 00:45:38,670

paradigm but I believe humans of the

744

00:45:46,099 --> 00:45:42,210

cro-magnon type of the Homo sapiens type

745

00:45:48,140 --> 00:45:46,109

have existed on earth for many many

746

00:45:53,660 --> 00:45:48,150

millions of years and there's

747

00:45:57,069 --> 00:45:53,670

archaeological evidence for that so but

748

00:46:00,309 --> 00:45:57,079

according to the Orthodox paradigm

749

00:46:03,859 --> 00:46:00,319

cro-magnon would be the type of

750

00:46:08,480 --> 00:46:03,869

anatomically modern human that existed

751
00:46:10,550 --> 00:46:08,490
in Europe 40 or 50 thousand years ago

752
00:46:14,240 --> 00:46:10,560
but as far as I'm concerned there's

753
00:46:17,750 --> 00:46:14,250
evidence that humans of that type

754
00:46:21,109 --> 00:46:17,760
existed in Europe four million years ago

755
00:46:24,230 --> 00:46:21,119
20 million years ago 30 million years

756
00:46:27,380 --> 00:46:24,240
ago you know there are anatomically

757
00:46:29,990 --> 00:46:27,390
modern human skeletons that were found

758
00:46:33,800 --> 00:46:30,000
in the 19th century by an Italian

759
00:46:38,000 --> 00:46:33,810
geologist named semi-rugged Soni at a

760
00:46:40,819 --> 00:46:38,010
place called Castaneda low and northern

761
00:46:43,220 --> 00:46:40,829
Italy and they were these human

762
00:46:46,520 --> 00:46:43,230
skeletons were found in layers of rock

763
00:46:51,530 --> 00:46:46,530

for a million years okay

764

00:46:54,530 --> 00:46:51,540

so I think the hormone Aryan type and

765

00:46:57,350 --> 00:46:54,540

just very far back in time yeah that's

766

00:47:00,050 --> 00:46:57,360

incredible four million years ago at

767

00:47:02,090 --> 00:47:00,060

400,000 four million but let me ask you

768

00:47:06,670 --> 00:47:02,100

this too because in your book human

769

00:47:09,320 --> 00:47:06,680

devolution you also reference some

770

00:47:12,680 --> 00:47:09,330

experiences and experiments that were

771

00:47:15,860 --> 00:47:12,690

done with psychic mediums and they were

772

00:47:19,640 --> 00:47:15,870

successful and but they were dismissed

773

00:47:23,180 --> 00:47:19,650

so tell us what part of the what we

774

00:47:27,740 --> 00:47:23,190

could call the forbidden physics if you

775

00:47:30,650 --> 00:47:27,750

want to call it that same most high

776

00:47:33,470 --> 00:47:30,660

school students when they study physics

777

00:47:37,040 --> 00:47:33,480

they learn about the work of Marie and

778

00:47:39,230 --> 00:47:37,050

Pierre Curie yeah they're very famous

779

00:47:42,560 --> 00:47:39,240

they were husband and wife they were

780

00:47:46,070 --> 00:47:42,570

both physicists they both won Nobel

781

00:47:49,550 --> 00:47:46,080

prizes for their work in discovering

782

00:47:51,800 --> 00:47:49,560

radium every high school physics student

783

00:47:55,340 --> 00:47:51,810

learns about them but what you don't

784

00:47:59,090 --> 00:47:55,350

read in the physics textbooks is that

785

00:48:02,810 --> 00:47:59,100

they were doing experiments with mediums

786

00:48:06,200 --> 00:48:02,820

they were part of a group of twenty or

787

00:48:09,860 --> 00:48:06,210

thirty prominent European scientists who

788

00:48:13,850 --> 00:48:09,870

were doing such research in Paris early

789

00:48:16,400 --> 00:48:13,860

in the 20th century one thing they did

790

00:48:20,600 --> 00:48:16,410

is a couple of years of research with an

791

00:48:24,320 --> 00:48:20,610

Italian medium named Yusei Pia Palladino

792

00:48:28,040 --> 00:48:24,330

and this woman had some paranormal

793

00:48:33,670 --> 00:48:28,050

abilities she had psychokinetic or mind

794

00:48:37,790 --> 00:48:33,680

over matter abilities so they did

795

00:48:41,000 --> 00:48:37,800

experiments with this medium and the

796

00:48:45,440 --> 00:48:41,010

psychology Institute in Paris early in

797

00:48:53,180 --> 00:48:45,450

the 20th century and they had her one

798

00:48:56,750 --> 00:48:53,190

day and yes she was sitting in a chair

799

00:48:58,480 --> 00:48:56,760

in the laboratory and some of the

800

00:49:00,580 --> 00:48:58,490

scientists were holding her

801
00:49:04,180 --> 00:49:00,590
and some of the scientists were holding

802
00:49:05,040 --> 00:49:04,190
her feet making sure she could move at

803
00:49:08,620 --> 00:49:05,050
all

804
00:49:10,750 --> 00:49:08,630
to carry out any kind of trickery or

805
00:49:13,390 --> 00:49:10,760
anything and in the middle of the

806
00:49:16,120 --> 00:49:13,400
laboratory Pierre Curie said that in

807
00:49:19,660 --> 00:49:16,130
broad daylight under perfect conditions

808
00:49:22,180 --> 00:49:19,670
of observation a large table was

809
00:49:27,490 --> 00:49:22,190
floating about a meter about three feet

810
00:49:30,100 --> 00:49:27,500
off off the ground and he was measuring

811
00:49:33,670 --> 00:49:30,110
it how high it was floating he was

812
00:49:36,910 --> 00:49:33,680
tightening it how how long it was

813
00:49:39,730 --> 00:49:36,920

floating and the entire group of

814

00:49:46,390 --> 00:49:39,740

scientists including five Nobel Prize

815

00:49:48,730 --> 00:49:46,400

winners including the furies they they

816

00:49:51,850 --> 00:49:48,740

signed documents saying these things are

817

00:49:54,130 --> 00:49:51,860

absolutely true and Pierre Curie said we

818

00:49:56,320 --> 00:49:54,140

have to take things like this into

819

00:50:00,190 --> 00:49:56,330

account if we're going to have a

820

00:50:02,130 --> 00:50:00,200

complete picture of reality and I agree

821

00:50:06,820 --> 00:50:02,140

with that but because of this knowledge

822

00:50:10,510 --> 00:50:06,830

filtering process this kind of evidence

823

00:50:14,470 --> 00:50:10,520

is absent from today's textbooks and

824

00:50:16,359 --> 00:50:14,480

it's categorized I mean people don't

825

00:50:19,599 --> 00:50:16,369

even know about it they don't know the

826

00:50:23,530 --> 00:50:19,609

real history of physics the real history

827

00:50:26,140 --> 00:50:23,540

of science if they did what we're now

828

00:50:28,780 --> 00:50:26,150

calling the paranormal would be accepted

829

00:50:31,750 --> 00:50:28,790

as part of the normal world of physics

830

00:50:34,920 --> 00:50:31,760

yeah I once was giving a lecture about

831

00:50:39,280 --> 00:50:34,930

this hidden history of physics at a

832

00:50:43,210 --> 00:50:39,290

university in Europe and my audience was

833

00:50:46,210 --> 00:50:43,220

about 100 professors of physics and

834

00:50:48,250 --> 00:50:46,220

graduate students of physics so I went

835

00:50:50,260 --> 00:50:48,260

through this whole hidden history of

836

00:50:53,410 --> 00:50:50,270

physics including the work of the

837

00:50:56,830 --> 00:50:53,420

Curie's and one of the physicists came

838

00:51:00,880 --> 00:50:56,840

up to me later and he said you know by

839

00:51:03,820 --> 00:51:00,890

day I do plasma physics the physics of

840

00:51:07,180 --> 00:51:03,830

superheated gases he said to me but

841

00:51:10,979 --> 00:51:07,190

privately I'm doing some experiments and

842

00:51:14,979 --> 00:51:10,989

telepathy I take that for me

843

00:51:16,809 --> 00:51:14,989

and my son it was a eight years old or

844

00:51:20,409 --> 00:51:16,819

something like that is in another room

845

00:51:24,189 --> 00:51:20,419

and my son has to guess whether it's

846

00:51:29,049 --> 00:51:24,199

heads or tails and he said my son is

847

00:51:31,679 --> 00:51:29,059

getting 80% correct yes I I would never

848

00:51:35,049 --> 00:51:31,689

tell this to any of my colleagues you

849

00:51:38,859 --> 00:51:35,059

know they they would think I've just

850

00:51:42,009 --> 00:51:38,869

gone completely not and it's such a

851
00:51:46,539 --> 00:51:42,019
shame because we're missing out on this

852
00:51:51,400 --> 00:51:46,549
aspect of me are there are no absolutely

853
00:51:56,439 --> 00:51:51,410
look at me like I feel safe and talking

854
00:51:58,599 --> 00:51:56,449
to you about it you know so I as I

855
00:52:01,839 --> 00:51:58,609
travel around the world it's one of the

856
00:52:03,939 --> 00:52:01,849
things that I see that sometimes you

857
00:52:06,959 --> 00:52:03,949
know you may be looking at somebody a

858
00:52:09,819 --> 00:52:06,969
scientist and think they're completely

859
00:52:12,849 --> 00:52:09,829
Orthodox in their views but if you get

860
00:52:17,739 --> 00:52:12,859
to know them and they open up to you

861
00:52:21,189 --> 00:52:17,749
fine they accept some of these things I

862
00:52:25,779 --> 00:52:21,199
mean another time I got invited to speak

863
00:52:28,419 --> 00:52:25,789

at the geology department of a major

864

00:52:31,630 --> 00:52:28,429

university in the United States there's

865

00:52:33,699 --> 00:52:31,640

a professor of geology there he invited

866

00:52:38,769 --> 00:52:33,709

me to come and talk about my book

867

00:52:40,870 --> 00:52:38,779

forbidden archeology and I did it you

868

00:52:43,120 --> 00:52:40,880

know I you know I spoke in the geology

869

00:52:46,779 --> 00:52:43,130

department there to the professors of

870

00:52:49,899 --> 00:52:46,789

geology and the graduate students and I

871

00:52:52,870 --> 00:52:49,909

was just curious you know I asked this

872

00:52:54,999 --> 00:52:52,880

man why did you invite me I mean II to

873

00:52:58,359 --> 00:52:55,009

eat you look at the guy young as a full

874

00:53:01,899 --> 00:52:58,369

professor of geology at a in the science

875

00:53:05,819 --> 00:53:01,909

department of a major university he's

876

00:53:09,549 --> 00:53:05,829

publishing in the mainstream scientific

877

00:53:14,380 --> 00:53:09,559

journals he's authoring textbooks yeah

878

00:53:16,749 --> 00:53:14,390

why did he invite you yeah should your

879

00:53:20,380 --> 00:53:16,759

competition but he said I heard you on

880

00:53:25,230 --> 00:53:20,390

coast to coast which is what shows

881

00:53:33,060 --> 00:53:29,920

you can hear my god completely Orthodox

882

00:53:38,710 --> 00:53:33,070

but late at night you know he's

883

00:53:42,160 --> 00:53:38,720

listening to a show like yours there are

884

00:53:47,500 --> 00:53:42,170

so many others and he he's getting

885

00:53:49,480 --> 00:53:47,510

fascinated by it so he invited me to his

886

00:53:53,770 --> 00:53:49,490

house and we were studying having dinner

887

00:53:56,110 --> 00:53:53,780

heaven his wife and me and she's also at

888

00:53:59,770 --> 00:53:56,120

the University and then they start

889

00:54:03,430 --> 00:53:59,780

telling me about a UFO experience that

890

00:54:08,830 --> 00:54:03,440

they had where a sub kind of strange

891

00:54:10,740 --> 00:54:08,840

craft came over their house you know

892

00:54:17,350 --> 00:54:10,750

they live on the outskirts of the town

893

00:54:21,760 --> 00:54:17,360

and you know sometimes that's what I

894

00:54:24,390 --> 00:54:21,770

experience now you only like that who if

895

00:54:27,160 --> 00:54:24,400

you just saw them you've never yeah

896

00:54:29,290 --> 00:54:27,170

you'd never think it but here there take

897

00:54:31,390 --> 00:54:29,300

you by surprise but obviously they feel

898

00:54:33,960 --> 00:54:31,400

safe with you and they share these

899

00:54:37,570 --> 00:54:33,970

experiences now I live for the day

900

00:54:40,870 --> 00:54:37,580

Michael when we can share these

901
00:54:44,860 --> 00:54:40,880
experiences in public without fear of

902
00:54:47,830 --> 00:54:44,870
being made fun of or put down or killed

903
00:54:50,110 --> 00:54:47,840
by the government or whatever I mean it

904
00:54:57,070 --> 00:54:50,120
was the other Sebastian going to happen

905
00:54:59,860 --> 00:54:57,080
because a sign you know it's like it

906
00:55:02,890 --> 00:54:59,870
shows that even within in the

907
00:55:05,260 --> 00:55:02,900
educational and scientific establishment

908
00:55:10,350 --> 00:55:05,270
there are people who are officially

909
00:55:14,380 --> 00:55:10,360
going along with things but who inside

910
00:55:20,290 --> 00:55:14,390
have different ideas and they share them

911
00:55:23,950 --> 00:55:20,300
with others just very very carefully now

912
00:55:26,890 --> 00:55:23,960
to me that is a sign that eventually

913
00:55:28,380 --> 00:55:26,900

things have to change when you've got

914

00:55:32,690 --> 00:55:28,390

people who are

915

00:55:36,720 --> 00:55:32,700

part of the establishment having

916

00:55:40,440 --> 00:55:36,730

harboring different kinds of ideas and

917

00:55:43,739 --> 00:55:40,450

kind of sharing them secretly with each

918

00:55:46,229 --> 00:55:43,749

other and with people that they trust I

919

00:55:49,259 --> 00:55:46,239

think eventually that's going to break

920

00:55:52,890 --> 00:55:49,269

out into the open and what to speak

921

00:55:56,970 --> 00:55:52,900

about that most people among the general

922

00:55:59,519 --> 00:55:56,980

public according to Gallup surveys

923

00:56:03,509 --> 00:55:59,529

claimed to have had paranormal

924

00:56:06,870 --> 00:56:03,519

experiences don't accept the mainstream

925

00:56:10,440 --> 00:56:06,880

scientific theories about human origins

926
00:56:13,109 --> 00:56:10,450
you know it's been shown that so to me

927
00:56:17,430 --> 00:56:13,119
these are all positive signs that

928
00:56:21,569 --> 00:56:17,440
despite the fact that people are going

929
00:56:23,579 --> 00:56:21,579
into these educational institutions that

930
00:56:25,650 --> 00:56:23,589
are controlled completely by the

931
00:56:28,910 --> 00:56:25,660
mainstream scientists and they're

932
00:56:34,609 --> 00:56:28,920
leaving them not having been convinced

933
00:56:38,400 --> 00:56:34,619
and the fact that even within the

934
00:56:43,200 --> 00:56:38,410
mainstream scientific circles there are

935
00:56:45,180 --> 00:56:43,210
people who have other ideas and even

936
00:56:49,339 --> 00:56:45,190
secretly I think these are all signs

937
00:56:53,220 --> 00:56:49,349
that eventually there is going to be a

938
00:56:57,630 --> 00:56:53,230

paradigm shift there's going to be some

939

00:57:00,660 --> 00:56:57,640

tipping point where it all adds up to a

940

00:57:03,630 --> 00:57:00,670

quick shift that's a great thing I mean

941

00:57:07,380 --> 00:57:03,640

we really really hope for that because

942

00:57:09,989 --> 00:57:07,390

it makes all of this so much easier I

943

00:57:11,940 --> 00:57:09,999

mean so much easier to talk about this

944

00:57:14,670 --> 00:57:11,950

you know part of the problem that we

945

00:57:18,269 --> 00:57:14,680

have encountered on the show when people

946

00:57:20,720 --> 00:57:18,279

talk about seeing Bigfoot or seeing dog

947

00:57:24,390 --> 00:57:20,730

man or seeing any of these other

948

00:57:26,190 --> 00:57:24,400

creatures is they feel so isolated if

949

00:57:28,470 --> 00:57:26,200

they can only talk about it here on the

950

00:57:31,470 --> 00:57:28,480

show like you mentioned tell a few

951
00:57:34,470 --> 00:57:31,480
trusted people but at the same time what

952
00:57:37,200 --> 00:57:34,480
if dog man is kind of dangerous we're

953
00:57:39,839 --> 00:57:37,210
definitely at a disadvantage if we don't

954
00:57:41,280 --> 00:57:39,849
accept that this person did in fact see

955
00:57:44,250 --> 00:57:41,290
something and

956
00:57:45,480 --> 00:57:44,260
an experience with a creature of being

957
00:57:48,510 --> 00:57:45,490
whatever you want to call them then

958
00:57:51,810 --> 00:57:48,520
might in fact be threatening so we have

959
00:57:54,360 --> 00:57:51,820
to again understand there are things out

960
00:57:56,190 --> 00:57:54,370
there maybe we don't want to accept that

961
00:57:58,920 --> 00:57:56,200
they're there because we get a little

962
00:58:01,590 --> 00:57:58,930
frightened but they're there people have

963
00:58:04,110 --> 00:58:01,600

seen them and not just once this has

964

00:58:07,380 --> 00:58:04,120

happened two centuries the people of my

965

00:58:10,260 --> 00:58:07,390

appointments so it would be wonderful to

966

00:58:12,060 --> 00:58:10,270

accept it and then let's have another

967

00:58:13,890 --> 00:58:12,070

discussion because once it's accepted

968

00:58:16,290 --> 00:58:13,900

it's a totally different discussion

969

00:58:19,520 --> 00:58:16,300

isn't it no can you imagine what you can

970

00:58:24,380 --> 00:58:19,530

build down then yeah exactly this

971

00:58:27,320 --> 00:58:24,390

tremendous I think if if the

972

00:58:30,600 --> 00:58:27,330

institutions the social political

973

00:58:32,280 --> 00:58:30,610

financial institutions are going to

974

00:58:36,180 --> 00:58:32,290

change the first thing that has to

975

00:58:40,500 --> 00:58:36,190

change is our understanding of who we

976

00:58:43,500 --> 00:58:40,510

are and where we are and once that

977

00:58:49,760 --> 00:58:43,510

happens that it becomes possible to make

978

00:58:52,830 --> 00:58:49,770

other kinds of social political economic

979

00:58:55,640 --> 00:58:52,840

arrangements but the first step has to

980

00:58:58,590 --> 00:58:55,650

be some change and fundamental ideas

981

00:59:01,170 --> 00:58:58,600

about who we are and where we are and

982

00:59:03,660 --> 00:59:01,180

now do you see that happening kind of as

983

00:59:05,340 --> 00:59:03,670

a shift in consciousness through our

984

00:59:07,440 --> 00:59:05,350

population because we know it's not

985

00:59:10,320 --> 00:59:07,450

going to come from our institutions from

986

00:59:13,260 --> 00:59:10,330

our governments and and places where

987

00:59:15,960 --> 00:59:13,270

there are strongholds of the past that

988

00:59:18,570 --> 00:59:15,970

they were so addicted to wanting us to

989

00:59:20,600 --> 00:59:18,580

believe the past as they see it so do

990

00:59:23,880 --> 00:59:20,610

you see it more like consciousness

991

00:59:26,130 --> 00:59:23,890

shifting an agenda and hundreds of

992

00:59:28,710 --> 00:59:26,140

thousands or millions of people is that

993

00:59:30,330 --> 00:59:28,720

where it's going to come from no that's

994

00:59:33,210 --> 00:59:30,340

already happening

995

00:59:36,360 --> 00:59:33,220

I mean surveys have shown you know most

996

00:59:40,290 --> 00:59:36,370

people in the United States don't accept

997

00:59:42,870 --> 00:59:40,300

that we evolved from apes I mean they

998

00:59:45,330 --> 00:59:42,880

may have some other ideas that I don't

999

00:59:48,090 --> 00:59:45,340

necessarily agree with but at least

1000

00:59:50,850 --> 00:59:48,100

they're not accepting the mainstream

1001

00:59:56,370 --> 00:59:50,860

scientific ideas about these things

1002

00:59:58,920 --> 00:59:56,380

I think at least 20 to 25 percent of the

1003

01:00:02,570 --> 00:59:58,930

American people claim to believe in

1004

01:00:05,790 --> 01:00:02,580

reincarnation and have had out-of-body

1005

01:00:09,240 --> 01:00:05,800

experiences and things like that so I

1006

01:00:14,190 --> 01:00:09,250

think the general public is is they're

1007

01:00:15,860 --> 01:00:14,200

all waking up just a question about it

1008

01:00:18,510 --> 01:00:15,870

will ya

1009

01:00:21,180 --> 01:00:18,520

institutions are going to yeah they'll

1010

01:00:24,240 --> 01:00:21,190

have to catch up to the rest of us right

1011

01:00:25,830 --> 01:00:24,250

just like you know like communism you

1012

01:00:27,960 --> 01:00:25,840

know some people thought it was going to

1013

01:00:32,940 --> 01:00:27,970

be there forever and right up to the

1014

01:00:37,740 --> 01:00:32,950

last moment they were the people were

1015

01:00:40,980 --> 01:00:37,750

who were imposing that system continue

1016

01:00:43,820 --> 01:00:40,990

to impose it even though the people had

1017

01:00:48,000 --> 01:00:43,830

changed and even members of their own

1018

01:00:51,300 --> 01:00:48,010

own leadership group some different

1019

01:00:53,220 --> 01:00:51,310

ideas exciting it's exciting to be a

1020

01:00:55,440 --> 01:00:53,230

part of change and Michael you are at

1021

01:00:58,260 --> 01:00:55,450

the forefront of it and we thank you so

1022

01:01:00,240 --> 01:00:58,270

much for coming on the show tonight and

1023

01:01:02,670 --> 01:01:00,250

for sharing your work with us everybody

1024

01:01:05,670 --> 01:01:02,680

be sure to go to Michael's website get

1025

01:01:09,930 --> 01:01:05,680

his books em cremeux comm that's his

1026

01:01:13,410 --> 01:01:09,940

website or go to amazon.com don't miss

1027

01:01:15,810 --> 01:01:13,420

out this is a big consciousness shift be

1028

01:01:18,780 --> 01:01:15,820

a part of it and we'll be back next week

1029

01:01:20,820 --> 01:01:18,790

with scale our energy Tom Palladino

1030

01:01:23,850 --> 01:01:20,830

we're going to find out what scale our

1031

01:01:27,540 --> 01:01:23,860

can change for you be sure to tune in

1032

01:01:29,790 --> 01:01:27,550

next week and we will see you on the

1033

01:01:31,630 --> 01:01:29,800

blue highway good night everybody
