Supernatural Girlz

Guest: Tom Paladino

1
00:00:30,770 --> 00:00:28,730
archangels ghosts and Bigfoot oh my it's

2
00:00:33,920 --> 00:00:30,780
just another night for Supernatural

3
00:00:36,320 --> 00:00:33,930
girls real stories real answers to

4
00:00:38,690 --> 00:00:36,330
life's biggest supernatural mysteries

5
00:00:41,390 --> 00:00:38,700
and now for another exciting interview

6
00:00:44,299 --> 00:00:41,400
with erol experts from this world and

7
00:00:47,360 --> 00:00:44,309
others here's your host paranormal

8
00:00:47,670 --> 00:00:47,370
researcher Patricia Baker on the one the

9
00:01:03,660 --> 00:00:47,680
only

10
00:01:12,190 --> 00:01:04,290
you

11
00:01:17,990 --> 00:01:14,810
welcome everyone to another exciting

12
00:01:20,870 --> 00:01:18,000
episode of Supernatural girls radio

13
00:01:24,170 --> 00:01:20,880

I'm your host Patricia Baker I'm here

14

00:01:27,650 --> 00:01:24,180

with my co-host PK all the way from

15

00:01:31,370 --> 00:01:27,660

sunny Tucson how are you PK very sunny

16

00:01:34,700 --> 00:01:31,380

it's over a hundred today oh wow who is

17

00:01:36,740 --> 00:01:34,710

right it doesn't it is easy to you to

18

00:01:39,770 --> 00:01:36,750

just smack this right with it but it's

19

00:01:42,020 --> 00:01:39,780

okay wow that's good though where is it

20

00:01:46,880 --> 00:01:42,030

the core forms are right through your

21

00:01:51,410 --> 00:01:46,890

bones right like being roasted on my

22

00:01:54,010 --> 00:01:51,420

belt oh gosh well we've had another

23

00:01:56,810 --> 00:01:54,020

exciting week since their last show and

24

00:01:59,060 --> 00:01:56,820

I want to hear what's going on with our

25

00:02:01,790 --> 00:01:59,070

numbers what is happening to us what

26

00:02:04,820 --> 00:02:01,800

next I'll tell you what we're going into

27

00:02:07,070 --> 00:02:04,830

our seven universal month as of tomorrow

28

00:02:09,139 --> 00:02:07,080

and so I'd rather talk about that

29

00:02:11,060 --> 00:02:09,149

because it's more about getting prepared

30

00:02:13,310 --> 00:02:11,070

for change people are going to have

31

00:02:15,860 --> 00:02:13,320

difficulty sleeping there's going to be

32

00:02:17,330 --> 00:02:15,870

a lot of dreaming going on and people

33

00:02:19,270 --> 00:02:17,340

aren't going to know quite who or what

34

00:02:22,490 --> 00:02:19,280

to trust because the emotional side

35

00:02:24,289 --> 00:02:22,500

spiritual side learning teaching all

36

00:02:27,080 --> 00:02:24,299

elements of that are going to be high on

37

00:02:29,259 --> 00:02:27,090

the list of things to do things to take

38

00:02:31,940 --> 00:02:29,269

care of but I think one of the most

39

00:02:33,440 --> 00:02:31,950

important thing is to expect delays if

40

00:02:35,600 --> 00:02:33,450

you're positive of something today

41

00:02:37,130 --> 00:02:35,610

before the days over with I'll make you

42

00:02:39,380 --> 00:02:37,140

a bet that you've changed your mind and

43

00:02:42,050 --> 00:02:39,390

it's going to be constantly like that

44

00:02:43,940 --> 00:02:42,060

throughout the month possibility of some

45

00:02:47,960 --> 00:02:43,950

little issues taking place for some of

46

00:02:50,030 --> 00:02:47,970

us don't be impatient do what's required

47

00:02:52,100 --> 00:02:50,040

your due diligence is going to be more

48

00:02:54,979 --> 00:02:52,110

important at this time than at any other

49

00:02:57,470 --> 00:02:54,989

time so it's a combination of hold

50

00:02:58,759 --> 00:02:57,480

height ride the waves but know that the

51
00:03:00,170 --> 00:02:58,769
sleeping is going to be the most

52
00:03:04,280 --> 00:03:00,180
important part that people are going to

53
00:03:07,640 --> 00:03:04,290
be complaining about really okay so it's

54
00:03:10,280 --> 00:03:07,650
time to have some valerian tea or buy

55
00:03:12,080 --> 00:03:10,290
something like that yeah

56
00:03:14,390 --> 00:03:12,090
kick up your eyes go up and learn how to

57
00:03:15,860 --> 00:03:14,400
make notes to find out how to pay

58
00:03:18,080 --> 00:03:15,870
attention to the dreams that you do

59
00:03:20,030 --> 00:03:18,090
because your dream book is on the side

60
00:03:22,040 --> 00:03:20,040
right that's right we have a dream book

61
00:03:25,880 --> 00:03:22,050
on the side it is called dream come

62
00:03:27,710 --> 00:03:25,890
um and it is free if you have Kindle

63
00:03:29,660 --> 00:03:27,720

unlimited you can download it that won't

64

00:03:32,090 --> 00:03:29,670

cost you a dime and it just gives you

65

00:03:34,400 --> 00:03:32,100

the basics on how to manifest

66

00:03:37,760 --> 00:03:34,410

remembering your dreams keeping a dream

67

00:03:39,620 --> 00:03:37,770

journal very simple take you about 15

68

00:03:41,990 --> 00:03:39,630

minutes to read the whole thing and

69

00:03:44,020 --> 00:03:42,000

it'll get you started in the right way

70

00:03:46,300 --> 00:03:44,030

because as we were discussing our

71

00:03:48,320 --> 00:03:46,310

freedom of choice when it comes to

72

00:03:52,280 --> 00:03:48,330

extraterrestrials how they get around

73

00:03:53,900 --> 00:03:52,290

that is very very interesting and we

74

00:03:55,700 --> 00:03:53,910

were discussing last week when I

75

00:03:59,000 --> 00:03:55,710

discovered was they come into the

76
00:04:00,920 --> 00:03:59,010
dreamland dreamscape and they kind of

77
00:04:03,740 --> 00:04:00,930
trick you into agreeing with what they

78
00:04:06,050 --> 00:04:03,750
want to do with you in fact just the

79
00:04:07,640 --> 00:04:06,060
other night I had another dream and it

80
00:04:08,570 --> 00:04:07,650
was and it woke me up and it kind of

81
00:04:11,060 --> 00:04:08,580
startled me

82
00:04:12,950 --> 00:04:11,070
because it was two little greys standing

83
00:04:14,660 --> 00:04:12,960
there but they were in camouflage I

84
00:04:17,420 --> 00:04:14,670
don't mean camouflage like we know it

85
00:04:19,789 --> 00:04:17,430
but camouflaged like they were like part

86
00:04:22,430 --> 00:04:19,799
of the landscape of the outdoors with

87
00:04:23,560 --> 00:04:22,440
leaves and stuff and I said I know who

88
00:04:26,930 --> 00:04:23,570

you are

89

00:04:29,000 --> 00:04:26,940

no Nick you little buggers that's right

90

00:04:32,330 --> 00:04:29,010

I'm gonna meet with me you meet with me

91

00:04:33,710 --> 00:04:32,340

on my terms and we meet us equals you

92

00:04:35,690 --> 00:04:33,720

know somebody said something in a

93

00:04:38,120 --> 00:04:35,700

podcast of the day I loved it

94

00:04:40,850 --> 00:04:38,130

said we all may be at different stages

95

00:04:43,820 --> 00:04:40,860

of evolution doesn't make anybody better

96

00:04:45,740 --> 00:04:43,830

than us so I like that I think that's

97

00:04:48,110 --> 00:04:45,750

true anybody who meets an

98

00:04:50,150 --> 00:04:48,120

extraterrestrial keep that in mind to

99

00:04:52,820 --> 00:04:50,160

meet him in the dreamland or if you meet

100

00:04:55,730 --> 00:04:52,830

him here ask to be treated like an equal

101
00:04:58,460 --> 00:04:55,740
and don't agree to anything with them

102
00:05:01,970 --> 00:04:58,470
unless you really know what they're

103
00:05:03,470 --> 00:05:01,980
asking you to agree to so anyways but

104
00:05:07,790 --> 00:05:03,480
the dream book will help you get started

105
00:05:10,610 --> 00:05:07,800
this is where this war or conflict will

106
00:05:12,170 --> 00:05:10,620
be fought is in consciousness so you've

107
00:05:13,820 --> 00:05:12,180
got to expand your consciousness you've

108
00:05:16,190 --> 00:05:13,830
got to accept spirit you've got to

109
00:05:18,220 --> 00:05:16,200
expand to the level of spirit so that

110
00:05:20,360 --> 00:05:18,230
these things don't have power over us

111
00:05:21,950 --> 00:05:20,370
that's the nice thing about what's

112
00:05:24,010 --> 00:05:21,960
coming up in the month of June because

113
00:05:26,500 --> 00:05:24,020

it's all about our spirituality and

114

00:05:30,860 --> 00:05:26,510

looking deeper into what's taking place

115

00:05:32,990 --> 00:05:30,870

so it's important to become patient with

116

00:05:35,370 --> 00:05:33,000

what we see and feel and look a little

117

00:05:38,100 --> 00:05:35,380

deeper don't just don't accept things

118

00:05:41,640 --> 00:05:38,110

like that's right that's the best advice

119

00:05:42,540 --> 00:05:41,650

PK absolutely great yes and our reality

120

00:05:44,700 --> 00:05:42,550

is shifting

121

00:05:46,350 --> 00:05:44,710

now this Mandela effect we're going to

122

00:05:48,900 --> 00:05:46,360

we're trying to get an expert to come on

123

00:05:50,730 --> 00:05:48,910

with us one of these shows in the near

124

00:05:53,970 --> 00:05:50,740

future and talk about the Mandela effect

125

00:05:56,910 --> 00:05:53,980

because it's changing our consensual

126

00:06:00,330 --> 00:05:56,920

reality and one of the things that just

127

00:06:03,750 --> 00:06:00,340

absolutely blew my mind is now remember

128

00:06:07,730 --> 00:06:03,760

I Love Lucy oh yeah I love that show

129

00:06:11,190 --> 00:06:07,740

Lucille Ball's a genius and her husband

130

00:06:13,050 --> 00:06:11,200

and he Greek does he used to get mad at

131

00:06:16,760 --> 00:06:13,060

her she would do a crazy stuff on show

132

00:06:20,660 --> 00:06:16,770

you know and he'd say Lucy you got some

133

00:06:23,640 --> 00:06:20,670

splainin to do right guess what our

134

00:06:27,870 --> 00:06:23,650

reality has shifted that is no longer

135

00:06:32,010 --> 00:06:27,880

there can you believe it it is no longer

136

00:06:35,160 --> 00:06:32,020

there also it's missing this is another

137

00:06:40,170 --> 00:06:35,170

great cultural icon issue beam me up

138

00:06:42,960 --> 00:06:40,180

Scotty it's gone it's gone nobody knows

139

00:06:46,410 --> 00:06:42,970

why this is happening but it's happening

140

00:06:48,210 --> 00:06:46,420

our reality is shifting and changing and

141

00:06:50,040 --> 00:06:48,220

there are people that are keeping track

142

00:06:52,110 --> 00:06:50,050

of this and they're finding artifacts

143

00:06:54,750 --> 00:06:52,120

that prove that it wasn't always like

144

00:06:57,840 --> 00:06:54,760

this there was a beam me up Scotty

145

00:07:01,500 --> 00:06:57,850

I remember being me up Scotty are you

146

00:07:03,420 --> 00:07:01,510

okay sorry anyways these things are

147

00:07:05,430 --> 00:07:03,430

shifting and changing very quickly a

148

00:07:07,680 --> 00:07:05,440

whole bunch of things jiffy peanut

149

00:07:12,780 --> 00:07:07,690

butter there's another one okay remember

150

00:07:17,490 --> 00:07:12,790

jiffy yes no such thing it's Jif peanut

151
00:07:20,100 --> 00:07:17,500
butter now try to wrap your minds around

152
00:07:22,590 --> 00:07:20,110
that everybody I mean this is beyond

153
00:07:24,330 --> 00:07:22,600
weird so we're going to try to get

154
00:07:25,950 --> 00:07:24,340
somebody on to talk about all this stuff

155
00:07:27,660 --> 00:07:25,960
and here's some of the theories of why

156
00:07:30,870 --> 00:07:27,670
this is happening I've heard everything

157
00:07:33,930 --> 00:07:30,880
from CERN - we have an extinction event

158
00:07:36,210 --> 00:07:33,940
in 2012 and now we're in this other new

159
00:07:38,730 --> 00:07:36,220
reality we've been transposed into some

160
00:07:40,860 --> 00:07:38,740
new place but a lot of things have

161
00:07:42,630 --> 00:07:40,870
changed now I got another one for you

162
00:07:45,510 --> 00:07:42,640
before we go on to the big big part of

163
00:07:48,510 --> 00:07:45,520

our new segment Freddie Mercury from

164

00:07:50,700 --> 00:07:48,520

Queen an amazing artist

165

00:07:55,409 --> 00:07:50,710

we are the champions of the world that

166

00:08:00,420 --> 00:07:55,419

song remember that great song but guess

167

00:08:03,480 --> 00:08:00,430

what we are the champions last rift in

168

00:08:04,050 --> 00:08:03,490

the song we are the champions of the

169

00:08:08,670 --> 00:08:04,060

world

170

00:08:10,379 --> 00:08:08,680

right yes what it's gone it is now if

171

00:08:14,969 --> 00:08:10,389

you play that song you're only going to

172

00:08:16,710 --> 00:08:14,979

hear we are the champions no no at the

173

00:08:18,899 --> 00:08:16,720

very end of the song it's throughout the

174

00:08:22,129 --> 00:08:18,909

song but then at the very end it's gone

175

00:08:25,320 --> 00:08:22,139

it's gone what in the world is going on

176
00:08:26,010 --> 00:08:25,330
something that a big eraser something's

177
00:08:28,950 --> 00:08:26,020
happening

178
00:08:32,760 --> 00:08:28,960
Bible verses are changing oh god yes

179
00:08:34,560 --> 00:08:32,770
James Bible yes so okay we're gonna be

180
00:08:36,899 --> 00:08:34,570
talking about all this when once we find

181
00:08:40,350 --> 00:08:36,909
somebody who's expert enough to lead the

182
00:08:44,030 --> 00:08:40,360
way but tonight our biggest paranormal

183
00:08:49,410 --> 00:08:44,040
news this is unbelievable great news

184
00:08:53,010 --> 00:08:49,420
Robert Bigelow he is the king of an

185
00:08:59,760 --> 00:08:53,020
aerospace empire works with NASA great

186
00:09:06,139 --> 00:08:59,770
great man genius okay ingenious he came

187
00:09:09,750 --> 00:09:06,149
out on 60 minutes news and said that

188
00:09:13,199 --> 00:09:09,760

extraterrestrials are real for sure

189

00:09:14,880 --> 00:09:13,209

thank you so they we all know that all

190

00:09:17,940 --> 00:09:14,890

the audience members we all know that

191

00:09:21,810 --> 00:09:17,950

here is not news to us but having

192

00:09:25,069 --> 00:09:21,820

somebody of the Echelon of Robert

193

00:09:29,490 --> 00:09:25,079

Bigelow coming out and saying this on

194

00:09:31,920 --> 00:09:29,500

mass media 60 minutes yes it's real and

195

00:09:35,340 --> 00:09:31,930

he also said something even more

196

00:09:37,530 --> 00:09:35,350

exciting when she was talking the

197

00:09:39,360 --> 00:09:37,540

interviewer was talking about from other

198

00:09:43,490 --> 00:09:39,370

planets this or that he said they're

199

00:09:46,800 --> 00:09:43,500

right under our noses I'm right here

200

00:09:48,960 --> 00:09:46,810

loved it I would do anything to have

201
00:09:52,530 --> 00:09:48,970
Robert Bigelow on a show he clearly

202
00:09:55,100 --> 00:09:52,540
knows what the deal is and he said he

203
00:09:58,079 --> 00:09:55,110
spent millions and millions of dollars

204
00:09:59,010 --> 00:09:58,089
digging into this issue so he knows

205
00:10:01,650 --> 00:09:59,020
what's going on

206
00:10:02,040 --> 00:10:01,660
so I can't wait to hear the rest of the

207
00:10:04,920 --> 00:10:02,050
store

208
00:10:07,320 --> 00:10:04,930
I hope he will tell it someday but I

209
00:10:09,210 --> 00:10:07,330
love that he came out and said it on 60

210
00:10:11,579 --> 00:10:09,220
minutes and when she said to him don't

211
00:10:12,750 --> 00:10:11,589
aren't you a little concerned you know

212
00:10:16,079 --> 00:10:12,760
that people want to think you're crazy

213
00:10:20,310 --> 00:10:16,089

or weird or whatever and he said I don't

214

00:10:22,710 --> 00:10:20,320

care well with the amount of money he

215

00:10:26,130 --> 00:10:22,720

has why would he care he can do anything

216

00:10:28,199 --> 00:10:26,140

laughter but again he doesn't care what

217

00:10:30,650 --> 00:10:28,209

people think if they want to think he's

218

00:10:33,569 --> 00:10:30,660

loony or whatever but he knows the truth

219

00:10:36,420 --> 00:10:33,579

so I just happened with that started

220

00:10:38,759 --> 00:10:36,430

with his grandparents yes if he

221

00:10:42,240 --> 00:10:38,769

extraterrestrials right they had their

222

00:10:44,670 --> 00:10:42,250

own experience with seeing a chip and he

223

00:10:46,319 --> 00:10:44,680

apparently has had his own experiences

224

00:10:50,610 --> 00:10:46,329

although we didn't get into that on the

225

00:10:52,949 --> 00:10:50,620

air interesting I love it I love the man

226

00:10:55,440 --> 00:10:52,959

I think he's just doing the right thing

227

00:10:57,569 --> 00:10:55,450

by delving into this further and by

228

00:11:00,120 --> 00:10:57,579

being so honest and coming out and

229

00:11:03,030 --> 00:11:00,130

saying hey this is the truth so you

230

00:11:06,210 --> 00:11:03,040

spent 309 million dollars of his own

231

00:11:08,579 --> 00:11:06,220

money that says a lot it says a lot yes

232

00:11:10,590 --> 00:11:08,589

but again that money was most of it was

233

00:11:14,040 --> 00:11:10,600

spent on his invention for NASA which is

234

00:11:16,560 --> 00:11:14,050

great but again he's got he sees has

235

00:11:19,260 --> 00:11:16,570

resources that he's using in this arena

236

00:11:21,480 --> 00:11:19,270

and I commend him for it I think that

237

00:11:23,370 --> 00:11:21,490

it's terrific to see somebody of means

238

00:11:25,889 --> 00:11:23,380

decide to use it in this way and

239

00:11:27,780 --> 00:11:25,899

hopefully will share it with the rest of

240

00:11:30,900 --> 00:11:27,790

us what he has found we know a lot of

241

00:11:33,090 --> 00:11:30,910

the story but I think he probably has

242

00:11:35,160 --> 00:11:33,100

some pieces where he could fill in the

243

00:11:37,079 --> 00:11:35,170

blanks for us don't you think oh I would

244

00:11:39,090 --> 00:11:37,089

certainly think so I'm anxious for

245

00:11:41,819 --> 00:11:39,100

somebody to really start putting those

246

00:11:45,240 --> 00:11:41,829

pieces in the right spaces and places I

247

00:11:46,530 --> 00:11:45,250

know it I know it well now tonight we

248

00:11:49,790 --> 00:11:46,540

have somebody's going to put these

249

00:11:52,439 --> 00:11:49,800

pieces together for us yes he does

250

00:11:55,019 --> 00:11:52,449

energetic healing through scale our

251
00:11:56,310 --> 00:11:55,029
energy now this came from Nikola Tesla

252
00:11:58,230 --> 00:11:56,320
we're going to hear all about the

253
00:12:01,769 --> 00:11:58,240
history of it and we're going to hear

254
00:12:05,400 --> 00:12:01,779
the advances that expert Tom Palladino

255
00:12:06,720 --> 00:12:05,410
has made with treating people with this

256
00:12:09,990 --> 00:12:06,730
energy I mean you can change your whole

257
00:12:13,470 --> 00:12:10,000
life with this energy it is that

258
00:12:15,070 --> 00:12:13,480
powerful no side effects everybody no

259
00:12:17,880 --> 00:12:15,080
side effects this is a big one

260
00:12:20,230 --> 00:12:17,890
and that's the best are removing blocks

261
00:12:21,820 --> 00:12:20,240
disassembling pathogens we're gonna hear

262
00:12:22,240 --> 00:12:21,830
about it all so let's get time on the

263
00:12:27,550 --> 00:12:22,250

show

264

00:12:30,550 --> 00:12:27,560

it's great to be here ladies thank you

265

00:12:32,800 --> 00:12:30,560

for the invitation it's our pleasure

266

00:12:35,290 --> 00:12:32,810

yeah what needs to be able to hear all

267

00:12:38,170 --> 00:12:35,300

about this right from the horse's mouth

268

00:12:40,150 --> 00:12:38,180

you are the number one expert in the

269

00:12:42,160 --> 00:12:40,160

world on scalar energy and we're

270

00:12:44,350 --> 00:12:42,170

thrilled to have you with us tonight so

271

00:12:46,630 --> 00:12:44,360

tell us a little bit about how you got

272

00:12:49,510 --> 00:12:46,640

into this what intrigued you so much

273

00:12:51,850 --> 00:12:49,520

about scalar energy it was Nikola Tesla

274

00:12:54,220 --> 00:12:51,860

many of you are familiar with Tesla the

275

00:12:56,800 --> 00:12:54,230

great scientist Tesla experimented

276

00:12:58,450 --> 00:12:56,810

throughout his life especially the

277

00:13:00,730 --> 00:12:58,460

latter part of his life with scalar

278

00:13:02,530 --> 00:13:00,740

energy and when I read what Tess was

279

00:13:05,410 --> 00:13:02,540

doing and what he could accomplish with

280

00:13:08,050 --> 00:13:05,420

scalar energy I I could barely sleep I

281

00:13:12,340 --> 00:13:08,060

knew that there was such promise in this

282

00:13:15,190 --> 00:13:12,350

and I at a young age I would in some way

283

00:13:17,530 --> 00:13:15,200

take up after Tesla that I would follow

284

00:13:20,920 --> 00:13:17,540

in his footsteps and in no way am I

285

00:13:23,020 --> 00:13:20,930

saying that I can match what he

286

00:13:25,030 --> 00:13:23,030

accomplished in life but in some way I'm

287

00:13:28,870 --> 00:13:25,040

following in Nikola Tesla's footsteps

288

00:13:32,920 --> 00:13:28,880

and I would say without a doubt the the

289

00:13:35,050 --> 00:13:32,930

key element to my early involvement in

290

00:13:37,870 --> 00:13:35,060

scalar energy was that of Nikola Tesla

291

00:13:40,210 --> 00:13:37,880

he was really in many ways the clarion

292

00:13:45,340 --> 00:13:40,220

call for me to get involved in scalar

293

00:13:47,800 --> 00:13:45,350

energy research well his research it

294

00:13:51,280 --> 00:13:47,810

went on for years but it was when in the

295

00:13:54,400 --> 00:13:51,290

early 1900s when did he yeah that's

296

00:13:57,790 --> 00:13:54,410

that's correct I would say in 1899 Tesla

297

00:13:59,980 --> 00:13:57,800

begins scalar energy research in earnest

298

00:14:02,670 --> 00:13:59,990

and Colorado Springs he actually erected

299

00:14:05,470 --> 00:14:02,680

a tower in Colorado Springs any

300

00:14:07,090 --> 00:14:05,480

conducted scalar energy research to the

301

00:14:08,950 --> 00:14:07,100

point that could actually control

302

00:14:11,380 --> 00:14:08,960

lightning bolts while in Colorado

303

00:14:13,870 --> 00:14:11,390

Springs so at the turn of the century as

304

00:14:16,270 --> 00:14:13,880

you said that was really I think the

305

00:14:18,670 --> 00:14:16,280

watershed event in his life and from

306

00:14:20,950 --> 00:14:18,680

that point forward he really more or

307

00:14:25,990 --> 00:14:20,960

less devoted himself to scalar energy

308

00:14:28,960 --> 00:14:26,000

research and he uh he really was

309

00:14:31,749 --> 00:14:28,970

obscured and what he did by Edison

310

00:14:33,600 --> 00:14:31,759

no this is work stolen from him do you

311

00:14:37,090 --> 00:14:33,610

think that's what happened well I

312

00:14:40,360 --> 00:14:37,100

realized that the Cabal was after Nikola

313

00:14:42,340 --> 00:14:40,370

Tesla powerful powerful families such as

314

00:14:44,470 --> 00:14:42,350

the Rockefellers the Rothschilds the

315

00:14:47,410 --> 00:14:44,480

Warburg's were intimidated by this new

316

00:14:49,769 --> 00:14:47,420

technology as a new technology scalar

317

00:14:52,960 --> 00:14:49,779

energy would have essentially replaced

318

00:14:55,300 --> 00:14:52,970

the existing paradigm the existing power

319

00:14:59,319 --> 00:14:55,310

structure if you will and in many ways

320

00:15:02,050 --> 00:14:59,329

um Tesla was in many ways undermined

321

00:15:04,240 --> 00:15:02,060

throughout his career most of the big

322

00:15:06,689 --> 00:15:04,250

money the financing went to Thomas

323

00:15:10,990 --> 00:15:06,699

Edison and not to Nikola Tesla and

324

00:15:13,990 --> 00:15:11,000

subsequently Tesla died really a very

325

00:15:18,999 --> 00:15:14,000

sad life almost abandoned in his latter

326

00:15:21,670 --> 00:15:19,009

days how awful for him gosh and such a

327

00:15:23,530 --> 00:15:21,680

genius mmm somebody who is so

328

00:15:24,900 --> 00:15:23,540

forward-thinking I mean we can't even

329

00:15:27,869 --> 00:15:24,910

imagine that kind of forward-thinking

330

00:15:30,850 --> 00:15:27,879

but you're picking up where he left off

331

00:15:33,639 --> 00:15:30,860

that's correct in many ways I am and

332

00:15:35,379 --> 00:15:33,649

once the world really grasps what scale

333

00:15:38,139 --> 00:15:35,389

energy can do and they see the great

334

00:15:40,329 --> 00:15:38,149

promise of scalar energy the world will

335

00:15:43,269 --> 00:15:40,339

embrace this technology and it's it's

336

00:15:45,220 --> 00:15:43,279

always been my consideration that scalar

337

00:15:48,249 --> 00:15:45,230

energy will have such a meaningful

338

00:15:49,840 --> 00:15:48,259

impact in our lives and it really is

339

00:15:52,780 --> 00:15:49,850

going to help everybody it's going to

340

00:15:55,420 --> 00:15:52,790

improve the welfare of people around the

341

00:15:58,809 --> 00:15:55,430

world so scalar energy is a technology

342

00:16:01,840 --> 00:15:58,819

that everybody is going to benefit from

343

00:16:04,360 --> 00:16:01,850

please pray for this this technology

344

00:16:07,269 --> 00:16:04,370

could come to to the attention of the

345

00:16:09,490 --> 00:16:07,279

people I'm doing my best this obviously

346

00:16:10,360 --> 00:16:09,500

this this broadcast is a step in the

347

00:16:12,429 --> 00:16:10,370

right direction

348

00:16:16,119 --> 00:16:12,439

all we need is education once people

349

00:16:17,889 --> 00:16:16,129

understand what scalar energy can do it

350

00:16:19,780 --> 00:16:17,899

will literally just spread like wildfire

351

00:16:22,210 --> 00:16:19,790

so thank you once again for this

352

00:16:24,129 --> 00:16:22,220

platform well it's our pleasure we want

353

00:16:27,369 --> 00:16:24,139

to see people improve in their lives

354

00:16:30,009 --> 00:16:27,379

their health their their welfare their

355

00:16:32,559 --> 00:16:30,019

lifestyle everything I mean we need to

356

00:16:34,210 --> 00:16:32,569

let go of fear and I think scaler can do

357

00:16:36,699 --> 00:16:34,220

that too right it doesn't just work on

358

00:16:40,439 --> 00:16:36,709

the physical it can work on the mental

359

00:16:42,879 --> 00:16:40,449

plane yeah I would concur what I've

360

00:16:45,069 --> 00:16:42,889

noticed with my scale energy interests

361

00:16:47,169 --> 00:16:45,079

it really can uplift your spirits and in

362

00:16:49,989 --> 00:16:47,179

many ways I believe skill energy has a

363

00:16:52,269 --> 00:16:49,999

profound effect upon our brain waves and

364

00:16:54,669 --> 00:16:52,279

to that point that scale energy can in

365

00:16:57,340 --> 00:16:54,679

some way correct our conscious correct

366

00:16:59,499 --> 00:16:57,350

our thinking and in some people I've

367

00:17:04,120 --> 00:16:59,509

seen a reversal of depression or an

368

00:17:07,299 --> 00:17:04,130

anxiety a reversal even if sadness if

369

00:17:09,309 --> 00:17:07,309

you will so once we look at scale energy

370

00:17:11,590 --> 00:17:09,319

in its totality I think we will

371

00:17:14,289 --> 00:17:11,600

eventually be able to use this energy to

372

00:17:16,500 --> 00:17:14,299

improve the psychology of people the

373

00:17:18,129 --> 00:17:16,510

thinking of people it's quite profound

374

00:17:20,169 --> 00:17:18,139

it's terrific

375

00:17:22,779 --> 00:17:20,179

I mean there is nothing that can come

376

00:17:24,639 --> 00:17:22,789

close to this the drugs that we have the

377

00:17:25,929 --> 00:17:24,649

pharmaceuticals there are so much better

378

00:17:27,699 --> 00:17:25,939

than they were before

379

00:17:31,389 --> 00:17:27,709

but they still don't appear to have the

380

00:17:32,830 --> 00:17:31,399

answer no no they don't well what what

381

00:17:34,750 --> 00:17:32,840

I've developed with scale energy

382

00:17:37,240 --> 00:17:34,760

instruments is the ability to take a

383

00:17:39,190 --> 00:17:37,250

germ and release its molecular bonds

384

00:17:42,009 --> 00:17:39,200

whether it's a virus or a bacterium and

385

00:17:45,159 --> 00:17:42,019

once you break apart those bonds of a

386

00:17:47,980 --> 00:17:45,169

germ of a pathogen it disintegrates it

387

00:17:50,019 --> 00:17:47,990

more or less disassembles so what what

388

00:17:52,620 --> 00:17:50,029

I'm getting at is this scalar energy can

389

00:17:56,440 --> 00:17:52,630

be used to break down to disassemble

390

00:18:00,340 --> 00:17:56,450

viruses bacteria parasites it's the safe

391

00:18:02,590 --> 00:18:00,350

easy way to destroy germs and with that

392

00:18:05,230 --> 00:18:02,600

in mind there's no side effects so with

393

00:18:07,090 --> 00:18:05,240

energy with scalar energy we finally

394

00:18:09,940 --> 00:18:07,100

have mastery we literally have

395

00:18:13,299 --> 00:18:09,950

consummate control direct control over

396

00:18:16,090 --> 00:18:13,309

germs and in so doing we if you can

397

00:18:18,430 --> 00:18:16,100

eradicate germs from the body you're

398

00:18:21,269 --> 00:18:18,440

able to cure thousands of diseases and

399

00:18:24,669 --> 00:18:21,279

we'll get into that as explore the topic

400

00:18:27,279 --> 00:18:24,679

yes I mean it seems like that is a huge

401
00:18:30,159 --> 00:18:27,289
possibility and probability actually

402
00:18:32,740 --> 00:18:30,169
what you found for a scalar and how it

403
00:18:35,620 --> 00:18:32,750
can be used successfully with people and

404
00:18:39,669 --> 00:18:35,630
as we were discussing PK and you and I

405
00:18:43,360 --> 00:18:39,679
before the show started Lyme disease is

406
00:18:46,659 --> 00:18:43,370
a tremendously difficult disease to

407
00:18:49,180 --> 00:18:46,669
treat and it is now at least in this

408
00:18:50,680 --> 00:18:49,190
area the country has become deadly where

409
00:18:53,619 --> 00:18:50,690
it used to just make your life a living

410
00:18:55,810 --> 00:18:53,629
hell forever now what they're finding is

411
00:18:56,590 --> 00:18:55,820
it's actually killing people and there

412
00:19:01,779 --> 00:18:56,600
is a new

413
00:19:04,299 --> 00:19:01,789

lime pathogen that is deadly within a

414

00:19:06,190 --> 00:19:04,309

matter of weeks and they they gave it a

415

00:19:07,570 --> 00:19:06,200

new name and I just don't know how to

416

00:19:10,720 --> 00:19:07,580

treat it well it's named thank you very

417

00:19:12,669 --> 00:19:10,730

much but a woman just died from it she

418

00:19:16,090 --> 00:19:12,679

was taken off life support she was

419

00:19:19,480 --> 00:19:16,100

infected about two weeks later she was

420

00:19:21,610 --> 00:19:19,490

dead from that so they don't even know

421

00:19:25,120 --> 00:19:21,620

what to do with some of these pathogen

422

00:19:26,560 --> 00:19:25,130

stead of finding yeah and it's you're

423

00:19:29,470 --> 00:19:26,570

right there are emerging pathogens

424

00:19:31,450 --> 00:19:29,480

there's there's literally millions of

425

00:19:34,570 --> 00:19:31,460

germs millions of different species of

426

00:19:37,269 --> 00:19:34,580

pathogens and quite frankly you cannot

427

00:19:40,840 --> 00:19:37,279

develop drugs fast enough I'm a lot of

428

00:19:43,210 --> 00:19:40,850

these germs mutate they they adapt in so

429

00:19:45,399 --> 00:19:43,220

many ways they'll change their outer

430

00:19:48,310 --> 00:19:45,409

structure though though camouflage

431

00:19:50,409 --> 00:19:48,320

themselves so really the only way to go

432

00:19:53,680 --> 00:19:50,419

about this is the fundamental way which

433

00:19:56,799 --> 00:19:53,690

is with energy regardless of how a a

434

00:19:59,740 --> 00:19:56,809

germ a pathogen will masquerade itself

435

00:20:01,840 --> 00:19:59,750

camouflage itself if you can control

436

00:20:04,240 --> 00:20:01,850

those molecular bonds once again if you

437

00:20:06,999 --> 00:20:04,250

can D gate and break apart the molecular

438

00:20:09,639 --> 00:20:07,009

bonds that holds together a bacterium or

439

00:20:12,310 --> 00:20:09,649

a virus you destroy that bacterium or

440

00:20:14,470 --> 00:20:12,320

virus that's the easy way that's the

441

00:20:16,869 --> 00:20:14,480

dependable way and this is really what

442

00:20:19,659 --> 00:20:16,879

I'm trying to to underscore I've

443

00:20:21,580 --> 00:20:19,669

developed a procedure a protocol with

444

00:20:24,159 --> 00:20:21,590

scalar energy which I can negate the

445

00:20:27,430 --> 00:20:24,169

molecular bonds of a germ so my process

446

00:20:29,590 --> 00:20:27,440

is dependable and yes it's it's rather

447

00:20:32,019 --> 00:20:29,600

safe on account of fact I'm not using

448

00:20:34,450 --> 00:20:32,029

any chemical let's face it drugs

449

00:20:37,060 --> 00:20:34,460

chemicals are some type of a poison when

450

00:20:38,889 --> 00:20:37,070

you take a chemical a drug you are able

451
00:20:41,440 --> 00:20:38,899
to what destroy to poison a

452
00:20:44,529 --> 00:20:41,450
microorganism well I don't use chemicals

453
00:20:46,269 --> 00:20:44,539
I use energy energy that safe scale

454
00:20:48,580 --> 00:20:46,279
energy is essentially sunlight or

455
00:20:50,769 --> 00:20:48,590
Starlight and with that there's no

456
00:20:52,960 --> 00:20:50,779
footprint there there's no chemical

457
00:20:54,610 --> 00:20:52,970
residue so this is going to be the

458
00:20:57,159 --> 00:20:54,620
answer that we're looking for for

459
00:21:00,129 --> 00:20:57,169
pathogenic disease I think you're

460
00:21:02,169 --> 00:21:00,139
absolutely right you know my doctor a

461
00:21:03,759 --> 00:21:02,179
couple weeks ago and he's a functional

462
00:21:06,159 --> 00:21:03,769
medicine doctor he's very very good and

463
00:21:10,450 --> 00:21:06,169

he thought my husband and I might have

464

00:21:13,869 --> 00:21:10,460

been dealing with some tox mold toxicity

465

00:21:16,810 --> 00:21:13,879

so he gave us something to take to get

466

00:21:21,970 --> 00:21:16,820

it out of our system I kid you not

467

00:21:24,759 --> 00:21:21,980

it made me so sick I was a mess and not

468

00:21:28,090 --> 00:21:24,769

only was I having difficulty my husband

469

00:21:32,649 --> 00:21:28,100

who's a German tank nut bothers him and

470

00:21:34,539 --> 00:21:32,659

he he was like what is this problem the

471

00:21:37,539 --> 00:21:34,549

medication I'm not taking this anymore

472

00:21:40,210 --> 00:21:37,549

he said I'm tired all the time and you

473

00:21:44,440 --> 00:21:40,220

know and it paralyzed our intestines I

474

00:21:46,269 --> 00:21:44,450

mean I am telling you paralyzed so it's

475

00:21:48,249 --> 00:21:46,279

like you know we tell the doctor we're

476
00:21:49,899 --> 00:21:48,259
not gonna go any further with us but

477
00:21:52,210 --> 00:21:49,909
there are some people that have had

478
00:21:55,960 --> 00:21:52,220
apparently good results with this we

479
00:21:59,470 --> 00:21:55,970
could not tolerate it so it took us five

480
00:22:02,320 --> 00:21:59,480
days to recover from that horrible

481
00:22:04,629 --> 00:22:02,330
experience but again this is why scale R

482
00:22:07,119 --> 00:22:04,639
is such a much it's just a much better

483
00:22:08,950 --> 00:22:07,129
solution to all the way around it and I

484
00:22:11,289 --> 00:22:08,960
totally support what you're doing Tom

485
00:22:13,659 --> 00:22:11,299
it's been definitely got it in a

486
00:22:16,659 --> 00:22:13,669
question for you from our chat room and

487
00:22:20,109 --> 00:22:16,669
this is from Casey Casey says hi Tom can

488
00:22:22,960 --> 00:22:20,119

our society really get a chance to adopt

489

00:22:25,320 --> 00:22:22,970

this technology with the weight of Big

490

00:22:27,759 --> 00:22:25,330

Pharma still influencing our politicians

491

00:22:29,560 --> 00:22:27,769

that's an excellent question

492

00:22:31,269 --> 00:22:29,570

the people are going to have to rise to

493

00:22:33,159 --> 00:22:31,279

the occasion as you know there's a great

494

00:22:34,930 --> 00:22:33,169

deal of graft and corruption around the

495

00:22:36,730 --> 00:22:34,940

world and we see that here in the in

496

00:22:39,700 --> 00:22:36,740

North America and specifically in the

497

00:22:42,399 --> 00:22:39,710

United States so what we need to do with

498

00:22:44,919 --> 00:22:42,409

this new technology is simply to avoid

499

00:22:46,480 --> 00:22:44,929

the government simply to avoid big

500

00:22:49,419 --> 00:22:46,490

pharma because they're always going to

501
00:22:53,259 --> 00:22:49,429
be a roadblock to this so I propose that

502
00:22:55,629 --> 00:22:53,269
people simply rise up the people have

503
00:22:58,029 --> 00:22:55,639
the power and if people support a

504
00:23:00,789 --> 00:22:58,039
specific initiative a specific industry

505
00:23:03,340 --> 00:23:00,799
a specific invention the people will

506
00:23:07,299 --> 00:23:03,350
carry the day frankly I don't I don't

507
00:23:09,730 --> 00:23:07,309
anticipate any help from government big

508
00:23:12,460 --> 00:23:09,740
business academia because I realize

509
00:23:16,299 --> 00:23:12,470
that's there's cronyism and there's a

510
00:23:20,109 --> 00:23:16,309
there's a great deal of I would say in

511
00:23:22,859 --> 00:23:20,119
breaded interlinking if you will

512
00:23:24,490 --> 00:23:22,869
networking in which one organization

513
00:23:26,920 --> 00:23:24,500

funds another

514

00:23:29,890 --> 00:23:26,930

organization one organization begets

515

00:23:31,540 --> 00:23:29,900

another organization point point that

516

00:23:34,630 --> 00:23:31,550

I'm trying to make is there is simply

517

00:23:36,820 --> 00:23:34,640

just too much corruption so let's avoid

518

00:23:39,700 --> 00:23:36,830

Big Pharma let's avoid the government

519

00:23:42,400 --> 00:23:39,710

let's avoid big business why not why

520

00:23:44,050 --> 00:23:42,410

can't the people do this I'm willing to

521

00:23:46,150 --> 00:23:44,060

work with a group of people this is

522

00:23:48,490 --> 00:23:46,160

essentially a grassroots effort and will

523

00:23:51,690 --> 00:23:48,500

continue to be a grassroots effort the

524

00:23:54,910 --> 00:23:51,700

beauty of scale energy it's free energy

525

00:23:56,980 --> 00:23:54,920

so I don't have to create a power grid

526

00:23:59,590 --> 00:23:56,990

for this the power grid already exists

527

00:24:01,450 --> 00:23:59,600

so why can't I treat people around the

528

00:24:04,120 --> 00:24:01,460

world I can by virtue of their

529

00:24:06,250 --> 00:24:04,130

photograph so you really don't need the

530

00:24:08,080 --> 00:24:06,260

government you don't need big business

531

00:24:10,210 --> 00:24:08,090

you don't need Big Pharma you don't need

532

00:24:12,940 --> 00:24:10,220

academia what you need our concern

533

00:24:14,260 --> 00:24:12,950

people so your question is valid and

534

00:24:15,490 --> 00:24:14,270

thank you for bringing that to

535

00:24:18,760 --> 00:24:15,500

everybody's attention

536

00:24:20,770 --> 00:24:18,770

yeah the existing power structure let's

537

00:24:24,370 --> 00:24:20,780

just avoid it let's create our own power

538

00:24:27,280 --> 00:24:24,380

structure I like it I like it a lot

539

00:24:29,710 --> 00:24:27,290

because I think trying to go up against

540

00:24:32,050 --> 00:24:29,720

any of those institutions is you might

541

00:24:33,670 --> 00:24:32,060

as well just shoot yourself in the foot

542

00:24:35,740 --> 00:24:33,680

there's no way they're going to come

543

00:24:38,920 --> 00:24:35,750

around to this because their system is

544

00:24:40,890 --> 00:24:38,930

all about the dollar and I mean look at

545

00:24:44,410 --> 00:24:40,900

what they're doing with vaccines today

546

00:24:46,090 --> 00:24:44,420

forced vaccination on these children

547

00:24:50,410 --> 00:24:46,100

that by the time they're 18 they've had

548

00:24:53,680 --> 00:24:50,420

72 vaccinations it's crazy and we had

549

00:24:56,320 --> 00:24:53,690

the gentleman on Dell big tree from VAX

550

00:24:58,770 --> 00:24:56,330

to talking about the poison in these

551
00:25:01,240 --> 00:24:58,780
vaccines we've had guards Nicholson on

552
00:25:02,920 --> 00:25:01,250
microbiologist talking about the fact

553
00:25:06,220 --> 00:25:02,930
that these vaccines are filled with

554
00:25:07,570 --> 00:25:06,230
mycoplasma and these are contaminated

555
00:25:10,960 --> 00:25:07,580
and that's what we're injecting into

556
00:25:13,990 --> 00:25:10,970
people so so you're right I think to

557
00:25:15,730 --> 00:25:14,000
take a completely different Road with us

558
00:25:18,310 --> 00:25:15,740
and just give people the opportunity and

559
00:25:19,840 --> 00:25:18,320
speaking of opportunities tell people

560
00:25:22,210 --> 00:25:19,850
what you're offering because this is an

561
00:25:24,790 --> 00:25:22,220
amazing gift that you're giving audience

562
00:25:26,680 --> 00:25:24,800
and all of our listeners sure thank you

563
00:25:28,630 --> 00:25:26,690

so much I think the best way to

564

00:25:30,580 --> 00:25:28,640

introduce scale energy is by way of a

565

00:25:33,100 --> 00:25:30,590

free session so what we're offering

566

00:25:35,380 --> 00:25:33,110

through the supernatural girls is 15

567

00:25:37,240 --> 00:25:35,390

days of free scalar energy treatment

568

00:25:38,200 --> 00:25:37,250

anybody in the world no matter where you

569

00:25:39,940 --> 00:25:38,210

live

570

00:25:41,710 --> 00:25:39,950

we'll treat you for free now all you

571

00:25:43,930 --> 00:25:41,720

need to do is upload a photograph you

572

00:25:46,420 --> 00:25:43,940

literally email me a photograph some

573

00:25:48,340 --> 00:25:46,430

photograph of your skin that's all I

574

00:25:50,650 --> 00:25:48,350

need to treat you successfully with

575

00:25:52,570 --> 00:25:50,660

scaler energy so I'm going to give you a

576

00:25:57,640 --> 00:25:52,580

website and that is

577

00:26:01,290 --> 00:25:57,650

ww creative strengthen us and I'll spell

578

00:26:07,960 --> 00:26:01,300

that out creative strength dot us CR EA

579

00:26:10,240 --> 00:26:07,970

tive strength stre ng th dot us visit

580

00:26:12,670 --> 00:26:10,250

that website up email upload a

581

00:26:14,800 --> 00:26:12,680

photograph to us some photograph of your

582

00:26:17,980 --> 00:26:14,810

skin and we will treat you for free no

583

00:26:20,290 --> 00:26:17,990

questions asked for 15 days during those

584

00:26:22,450 --> 00:26:20,300

15 days we performed three functions

585

00:26:25,480 --> 00:26:22,460

we're able to destroy to seek out and

586

00:26:28,720 --> 00:26:25,490

destroy disassemble over 400,000 species

587

00:26:31,720 --> 00:26:28,730

of germs we can balance your seven

588

00:26:33,610 --> 00:26:31,730

chakras and so doing and we also have

589

00:26:36,580 --> 00:26:33,620

the ability to assemble vitamins

590

00:26:39,850 --> 00:26:36,590

minerals micronutrients in your body so

591

00:26:41,910 --> 00:26:39,860

for a span of 50 days I treat you every

592

00:26:45,970 --> 00:26:41,920

day free of charge there's no obligation

593

00:26:48,730 --> 00:26:45,980

we can disassemble eradicate germs we

594

00:26:51,010 --> 00:26:48,740

can balance your seven chakras and we

595

00:26:53,320 --> 00:26:51,020

can assemble micronutrients in your body

596

00:26:57,040 --> 00:26:53,330

anybody in the world can sign up there's

597

00:26:59,530 --> 00:26:57,050

there's no exclusivity here so share it

598

00:27:01,750 --> 00:26:59,540

with your friends if you will that's a

599

00:27:03,970 --> 00:27:01,760

tremendous offer I mean it costs nothing

600

00:27:05,710 --> 00:27:03,980

all you do is upload a photograph can be

601
00:27:08,500 --> 00:27:05,720
of your face or your whole body and just

602
00:27:11,680 --> 00:27:08,510
send it off to Tom and then he will

603
00:27:14,710 --> 00:27:11,690
begin the 15-day treatment now that's

604
00:27:17,550 --> 00:27:14,720
great I know I mean is there's so many

605
00:27:19,720 --> 00:27:17,560
things we do not have a cure for and

606
00:27:23,890 --> 00:27:19,730
especially for chronic illness people

607
00:27:26,770 --> 00:27:23,900
are suffering every single day and then

608
00:27:29,620 --> 00:27:26,780
the medication they may be given for one

609
00:27:32,200 --> 00:27:29,630
symptom turns around and creates another

610
00:27:34,270 --> 00:27:32,210
symptom that's and then problem right

611
00:27:38,350 --> 00:27:34,280
and then that requires guess what

612
00:27:40,660 --> 00:27:38,360
another drug so this is a wonderful way

613
00:27:42,700 --> 00:27:40,670

to eliminate all of that now by breaking

614

00:27:45,910 --> 00:27:42,710

up these pathogens obviously less strain

615

00:27:48,610 --> 00:27:45,920

on the system but there is a question

616

00:27:50,890 --> 00:27:48,620

that people have about this around

617

00:27:51,940 --> 00:27:50,900

herxheimer reactions because sometimes

618

00:27:55,060 --> 00:27:51,950

when you have a big

619

00:28:00,600 --> 00:27:55,070

I off of bacteria when you do a typical

620

00:28:03,250 --> 00:28:00,610

cleanse with herbs or charcoal clay

621

00:28:05,049 --> 00:28:03,260

die-off that can make you sick and feel

622

00:28:07,299 --> 00:28:05,059

like you're worse in some ways does that

623

00:28:09,700 --> 00:28:07,309

happen with scale our treatment it does

624

00:28:11,560 --> 00:28:09,710

not and for two reasons number one we're

625

00:28:13,659 --> 00:28:11,570

using light we're using energy we don't

626

00:28:15,629 --> 00:28:13,669

use chemicals you have a Hertz himer

627

00:28:19,570 --> 00:28:15,639

because as a chemical release and

628

00:28:21,909 --> 00:28:19,580

secondly when we break apart a germ we

629

00:28:24,310 --> 00:28:21,919

change we transmute its molecular

630

00:28:26,409 --> 00:28:24,320

structure it's no longer a germ we break

631

00:28:28,600 --> 00:28:26,419

it down into smaller proteins and

632

00:28:30,519 --> 00:28:28,610

elements so that actually the germ

633

00:28:32,799 --> 00:28:30,529

ceases to exist remember we're working

634

00:28:35,350 --> 00:28:32,809

out the quantum level so with that in

635

00:28:37,840 --> 00:28:35,360

mind it's impossible to have a herkimer

636

00:28:40,690 --> 00:28:37,850

because again we are not using chemicals

637

00:28:43,210 --> 00:28:40,700

and secondly the germ ceases to exist we

638

00:28:44,950 --> 00:28:43,220

change its molecular structure so there

639

00:28:46,600 --> 00:28:44,960

is no germ so if there's no germ you

640

00:28:52,600 --> 00:28:46,610

cannot have a hard time ER from that

641

00:28:54,549 --> 00:28:52,610

germ that's wonderful it's a consummate

642

00:28:56,379 --> 00:28:54,559

way of treating people that's that's the

643

00:28:58,810 --> 00:28:56,389

way I describe it it's an absolute

644

00:29:01,600 --> 00:28:58,820

consummate control over germs over

645

00:29:04,570 --> 00:29:01,610

pathogens and there's way too many of

646

00:29:06,190 --> 00:29:04,580

them today so it's it's great I mean you

647

00:29:08,470 --> 00:29:06,200

try to do the you know the right thing

648

00:29:11,440 --> 00:29:08,480

by using hand sanitizers then they tell

649

00:29:15,310 --> 00:29:11,450

you now it's making things worse that

650

00:29:17,860 --> 00:29:15,320

you're using hand sanitizers so can't

651

00:29:19,570 --> 00:29:17,870

please all the children at school it's

652

00:29:21,639 --> 00:29:19,580

okay to be dirty because if you get

653

00:29:23,710 --> 00:29:21,649

dirty then you'll get the germs that you

654

00:29:27,700 --> 00:29:23,720

don't have to worry about independently

655

00:29:29,919 --> 00:29:27,710

how do they kick yourself and out who

656

00:29:31,539 --> 00:29:29,929

knows I don't know I the none of this

657

00:29:33,639 --> 00:29:31,549

makes any sense to me except scaler

658

00:29:35,889 --> 00:29:33,649

energy that makes sense to me

659

00:29:39,370 --> 00:29:35,899

yes it does it's powerful it does the

660

00:29:40,690 --> 00:29:39,380

job and it has no side effects so for

661

00:29:42,310 --> 00:29:40,700

people especially people with chronic

662

00:29:45,100 --> 00:29:42,320

illness and been suffering a long time

663

00:29:48,909 --> 00:29:45,110

Lyme disease is a great great example of

664

00:29:50,470 --> 00:29:48,919

that this can be treated successfully so

665

00:29:53,019 --> 00:29:50,480

we're going to talk more about this now

666

00:29:55,680 --> 00:29:53,029

if you have a question you can write it

667

00:30:00,549 --> 00:29:55,690

in a chatroom and that is I are n chat

668

00:30:04,119 --> 00:30:00,559

dot-com ir n chat com we will ask Tom

669

00:30:05,860 --> 00:30:04,129

your questions for you and we will just

670

00:30:08,410 --> 00:30:05,870

keep going on this wonderful show

671

00:30:10,360 --> 00:30:08,420

it is so uplifting to be able to talk do

672

00:30:11,740 --> 00:30:10,370

you Tom about these these wonderful

673

00:30:15,250 --> 00:30:11,750

things that are coming our way from

674

00:30:16,990 --> 00:30:15,260

scalar energy so stay tuned everybody

675

00:30:19,330 --> 00:30:17,000

and be sure to go visit our Facebook

676
00:30:21,730 --> 00:30:19,340
page you can watch the video with Robert

677
00:30:24,940 --> 00:30:21,740
Bigelow right there that's supernatural

678
00:30:37,320 --> 00:30:24,950
girls on Facebook so stay tuned we will

679
00:30:37,330 --> 00:36:54,940
you

680
00:36:58,220 --> 00:36:57,380
welcome back everyone to supernatural

681
00:37:00,710 --> 00:36:58,230
Girls radio

682
00:37:03,830 --> 00:37:00,720
I'm your host Patricia Baker I'm here

683
00:37:06,410 --> 00:37:03,840
with my co-host PK and another amazing

684
00:37:09,500 --> 00:37:06,420
guest we have Tom Palladino with us the

685
00:37:11,950 --> 00:37:09,510
number one scaler expert in the world

686
00:37:14,510 --> 00:37:11,960
and we are talking to Tom about

687
00:37:16,370 --> 00:37:14,520
everything he's doing with scaler energy

688
00:37:19,070 --> 00:37:16,380

bringing things to the next level beyond

689

00:37:21,530 --> 00:37:19,080

Nikola Tesla's work and Tom you were

690

00:37:23,930 --> 00:37:21,540

going to share with our audience some of

691

00:37:26,270 --> 00:37:23,940

the diagnostic testing that has been

692

00:37:29,870 --> 00:37:26,280

done please do go ahead with that

693

00:37:32,900 --> 00:37:29,880

fashion well any scientist wants to UM

694

00:37:35,630 --> 00:37:32,910

to verify his results I'm no different

695

00:37:37,220 --> 00:37:35,640

and to that end many of the people that

696

00:37:39,650 --> 00:37:37,230

I work with whether they're suffering

697

00:37:43,280 --> 00:37:39,660

say from herpes or hepatitis ultimately

698

00:37:44,990 --> 00:37:43,290

we want to see diagnostic tests and I

699

00:37:49,100 --> 00:37:45,000

would believe that today the gold

700

00:37:50,690 --> 00:37:49,110

standard for diagnostic tests is a test

701
00:37:55,270 --> 00:37:50,700
known as a polymerase chain reaction

702
00:37:58,190 --> 00:37:55,280
test some people call that a DNA test a

703
00:38:01,160 --> 00:37:58,200
polymerase chain reaction test looks for

704
00:38:03,080 --> 00:38:01,170
the genetic material of a pathogen now

705
00:38:04,820 --> 00:38:03,090
many of you are familiar with the

706
00:38:07,130 --> 00:38:04,830
polymerase chain reaction test is

707
00:38:10,100 --> 00:38:07,140
actually used in the board of law it can

708
00:38:12,380 --> 00:38:10,110
also be used to to ascertain if DNA a

709
00:38:14,810 --> 00:38:12,390
DNA sample has been left at a crime

710
00:38:17,600 --> 00:38:14,820
scene whether it's alive of sperm blood

711
00:38:22,360 --> 00:38:17,610
etc so this polymerase chain reaction

712
00:38:27,290 --> 00:38:22,370
test is um is highly vaunted and it is

713
00:38:29,690 --> 00:38:27,300

it has broad scale utilization and in

714

00:38:32,180 --> 00:38:29,700

particular people will take a polymerase

715

00:38:34,730 --> 00:38:32,190

chain reaction test to ascertain if they

716

00:38:36,950 --> 00:38:34,740

have the presence save the herpes virus

717

00:38:39,200 --> 00:38:36,960

and if they this polymerase chain

718

00:38:42,190 --> 00:38:39,210

reaction test shows the viral load then

719

00:38:45,800 --> 00:38:42,200

yes that's an indication you have and

720

00:38:48,860 --> 00:38:45,810

presently the herpes viral infection

721

00:38:50,780 --> 00:38:48,870

well again if this is the gold standard

722

00:38:53,120 --> 00:38:50,790

test and I believe it is many of the

723

00:38:55,250 --> 00:38:53,130

people that I've worked with have before

724

00:38:59,089 --> 00:38:55,260

and after PCR test polymerase chain

725

00:39:01,160 --> 00:38:59,099

reaction test that is before I

726
00:39:03,440 --> 00:39:01,170
them they will have a polymerase chain

727
00:39:06,249 --> 00:39:03,450
reaction test that shows yes they have

728
00:39:08,690 --> 00:39:06,259
an active viral load of the herpes virus

729
00:39:10,849 --> 00:39:08,700
thereafter they will treat themselves

730
00:39:13,719 --> 00:39:10,859
with scaler energy we will break apart

731
00:39:16,479 --> 00:39:13,729
we will disassemble the herpes virus and

732
00:39:19,789 --> 00:39:16,489
subsequently they have a follow-up a

733
00:39:21,650 --> 00:39:19,799
after polymerase chain reaction test and

734
00:39:24,650 --> 00:39:21,660
invariably those tests come back

735
00:39:26,390 --> 00:39:24,660
negative no viral load now we've

736
00:39:28,549 --> 00:39:26,400
established this time and time again

737
00:39:31,609 --> 00:39:28,559
with the herpes virus we've also

738
00:39:33,890 --> 00:39:31,619

established that with the HIV virus that

739

00:39:36,700 --> 00:39:33,900

is we will have people who will take a

740

00:39:39,289 --> 00:39:36,710

polymerase chain reaction test before

741

00:39:41,859 --> 00:39:39,299

and and they will show some type of

742

00:39:44,210 --> 00:39:41,869

viral load for the HIV virus

743

00:39:46,400 --> 00:39:44,220

subsequently we will treat them with

744

00:39:49,579 --> 00:39:46,410

scaler energy we will destroy we will

745

00:39:52,339 --> 00:39:49,589

break apart the HIV virus thereafter

746

00:39:54,499 --> 00:39:52,349

ultimately they will follow up and have

747

00:39:57,200 --> 00:39:54,509

another polymerase chain reaction test

748

00:39:59,329 --> 00:39:57,210

and ultimately after a period of time

749

00:40:03,769 --> 00:39:59,339

there will be no viral load that will

750

00:40:06,799 --> 00:40:03,779

register so my point is is to be taken

751
00:40:09,559 --> 00:40:06,809
is scalar energy is now proving by way

752
00:40:12,200 --> 00:40:09,569
of before and after testing that we are

753
00:40:15,319 --> 00:40:12,210
indeed destroying the herpes virus we

754
00:40:18,319 --> 00:40:15,329
are indeed destroying the HIV virus we

755
00:40:20,900 --> 00:40:18,329
can destroy these viruses with energy we

756
00:40:23,359 --> 00:40:20,910
energy scale energy can break apart once

757
00:40:26,390 --> 00:40:23,369
again can negate the molecular bonds of

758
00:40:28,549 --> 00:40:26,400
these viruses and we have again a body

759
00:40:30,589 --> 00:40:28,559
of evidence that is growing polymerase

760
00:40:33,109 --> 00:40:30,599
chain reaction tests that are proving

761
00:40:36,109 --> 00:40:33,119
before and after consequently we are

762
00:40:37,789 --> 00:40:36,119
eradicating these viruses so in a

763
00:40:40,370 --> 00:40:37,799

nutshell what I'm saying is what I've

764

00:40:42,259 --> 00:40:40,380

discovered with this scale energy

765

00:40:45,559 --> 00:40:42,269

technique we have the cure for viral

766

00:40:49,519 --> 00:40:45,569

disease yes we can cure herpes yes we

767

00:40:51,349 --> 00:40:49,529

can cure HIV infection now someday the

768

00:40:53,450 --> 00:40:51,359

robe will embrace this someday the world

769

00:40:56,239 --> 00:40:53,460

will recognize that this is true and

770

00:40:58,549 --> 00:40:56,249

valid and someday the world will benefit

771

00:41:00,499 --> 00:40:58,559

from this this protocol that I've

772

00:41:04,819 --> 00:41:00,509

developed I hope that day is coming soon

773

00:41:06,829 --> 00:41:04,829

oh we certainly hope so yes I mean is

774

00:41:09,650 --> 00:41:06,839

there a time frame that goes with this

775

00:41:12,839 --> 00:41:09,660

Tom you know somebody gets invested in

776

00:41:15,569 --> 00:41:12,849

working with it do they do it for a

777

00:41:18,539 --> 00:41:15,579

they do it for a month is there a marker

778

00:41:20,789 --> 00:41:18,549

sure I've broken down the treatments in

779

00:41:23,309 --> 00:41:20,799

30 days I treat people for one month at

780

00:41:25,200 --> 00:41:23,319

a time and if people feel the merit and

781

00:41:26,910 --> 00:41:25,210

they feel that they've benefited then

782

00:41:29,880 --> 00:41:26,920

they can sign up for a subsequent month

783

00:41:32,039 --> 00:41:29,890

or so mm-hmm I don't ask people to make

784

00:41:33,509 --> 00:41:32,049

any long-term commitment but some people

785

00:41:35,039 --> 00:41:33,519

they feel so much better

786

00:41:37,259 --> 00:41:35,049

many people stay on the program

787

00:41:40,920 --> 00:41:37,269

sometimes for six to twelve months at a

788

00:41:42,630 --> 00:41:40,930

time what I'm saying though is this it

789

00:41:44,849 --> 00:41:42,640

would only take essentially one

790

00:41:46,950 --> 00:41:44,859

treatment one scale energy treatment to

791

00:41:49,319 --> 00:41:46,960

break apart the herpes virus and again

792

00:41:51,120 --> 00:41:49,329

if it's a painless procedure which it is

793

00:41:54,150 --> 00:41:51,130

and all you have to do is submit a

794

00:41:57,029 --> 00:41:54,160

photograph well imagine that all I need

795

00:41:58,829 --> 00:41:57,039

to break apart to destroy to eradicate

796

00:42:01,529 --> 00:41:58,839

the herpes virus is a photograph of a

797

00:42:04,469 --> 00:42:01,539

person one treatment of scalar energy

798

00:42:08,069 --> 00:42:04,479

and subsequently one quick and easy and

799

00:42:10,200 --> 00:42:08,079

painless negation of the molecular bonds

800

00:42:11,519 --> 00:42:10,210

of the herpes virus it could not be any

801
00:42:14,130 --> 00:42:11,529
simpler you don't have to leave your

802
00:42:16,620 --> 00:42:14,140
home just send me your photograph so

803
00:42:17,549 --> 00:42:16,630
once again fast-forward this and to look

804
00:42:19,529 --> 00:42:17,559
into the future

805
00:42:21,809 --> 00:42:19,539
I think people eventually will start to

806
00:42:23,999 --> 00:42:21,819
embrace this type of energy healing and

807
00:42:26,759 --> 00:42:24,009
once they do they will realize we have

808
00:42:29,489 --> 00:42:26,769
the simple the dependable way to

809
00:42:32,880 --> 00:42:29,499
eradicate pathogens from the human body

810
00:42:35,190 --> 00:42:32,890
as well as pathogens from animals so

811
00:42:37,349 --> 00:42:35,200
again I ladies I thank you for this

812
00:42:40,529 --> 00:42:37,359
platform I realize this is somewhat

813
00:42:43,319 --> 00:42:40,539

avant-garde it is new it is an emerging

814

00:42:46,190 --> 00:42:43,329

science but someday it will be M it will

815

00:42:49,410 --> 00:42:46,200

be common and I would thank you for for

816

00:42:52,799 --> 00:42:49,420

leading the way to educating people as

817

00:42:54,509 --> 00:42:52,809

to what the future holds your diligence

818

00:42:57,209 --> 00:42:54,519

and putting it together is what's

819

00:42:59,579 --> 00:42:57,219

fascinating it asks fortune out for us

820

00:43:03,690 --> 00:42:59,589

that you have the wherewithal to do this

821

00:43:05,489 --> 00:43:03,700

and write a inspite of opposition's that

822

00:43:07,469 --> 00:43:05,499

pop up along the way I'm quite sure

823

00:43:09,989 --> 00:43:07,479

there have been many that you're still

824

00:43:12,180 --> 00:43:09,999

persevering and going forward good for

825

00:43:14,849 --> 00:43:12,190

you yeah thank you I'm doing that for

826

00:43:17,609 --> 00:43:14,859

the benefit of the people I I realize

827

00:43:20,519 --> 00:43:17,619

what what this means to mankind the

828

00:43:24,180 --> 00:43:20,529

simple and dependable method to destroy

829

00:43:26,120 --> 00:43:24,190

germs to cure pathogenic disease I again

830

00:43:27,859 --> 00:43:26,130

I believe this is a grassroots

831

00:43:31,609 --> 00:43:27,869

for in the future it certainly is a

832

00:43:34,490 --> 00:43:31,619

grassroots effort today and again I hope

833

00:43:37,549 --> 00:43:34,500

this this broadcast would serve to

834

00:43:39,769 --> 00:43:37,559

crystallize that opinion with new people

835

00:43:41,690 --> 00:43:39,779

and that people would be spurred on to

836

00:43:44,120 --> 00:43:41,700

help us it's it's all going to be about

837

00:43:46,160 --> 00:43:44,130

people it's a grassroots effort I do not

838

00:43:48,859 --> 00:43:46,170

anticipate any help from the government

839

00:43:50,509 --> 00:43:48,869

or academia or big business that's just

840

00:43:53,120 --> 00:43:50,519

not in the cards it's not going to

841

00:43:58,039 --> 00:43:53,130

happen do you have private investors

842

00:44:01,009 --> 00:43:58,049

that help out no I don't um I don't I

843

00:44:02,749 --> 00:44:01,019

don't I don't dissuade anybody from from

844

00:44:06,319 --> 00:44:02,759

helping me but that has not yet

845

00:44:10,970 --> 00:44:06,329

materialized now so god bless you

846

00:44:14,839 --> 00:44:10,980

effort it's a grassroots people yeah you

847

00:44:16,400 --> 00:44:14,849

know a 15-day free trial somebody and

848

00:44:18,049 --> 00:44:16,410

our audience doesn't take advantage I

849

00:44:19,730 --> 00:44:18,059

don't know why you wouldn't because this

850

00:44:22,910 --> 00:44:19,740

is free all you have to do is go to

851

00:44:26,359 --> 00:44:22,920

create a strength dot us upload your

852

00:44:28,549 --> 00:44:26,369

photograph send it off Tom it's super

853

00:44:30,319 --> 00:44:28,559

easy on the site and you will get a free

854

00:44:32,539 --> 00:44:30,329

treatment for 15 days and you can

855

00:44:34,099 --> 00:44:32,549

evaluate it yourself see if you feel

856

00:44:35,900 --> 00:44:34,109

better now what a lot of people don't

857

00:44:39,499 --> 00:44:35,910

understand don't realize that often

858

00:44:42,589 --> 00:44:39,509

times pathogens are at the bottom of

859

00:44:45,140 --> 00:44:42,599

their problems so they are creating the

860

00:44:47,569 --> 00:44:45,150

inflammation they're creating the pain

861

00:44:50,150 --> 00:44:47,579

and suffering that people sometimes

862

00:44:53,390 --> 00:44:50,160

undergo so getting rid of the pathogens

863

00:44:56,059 --> 00:44:53,400

is always a benefit there's there's no

864

00:44:57,980 --> 00:44:56,069

downside to that one there's a corollary

865

00:45:00,799 --> 00:44:57,990

that I'd like to add to that it's it's

866

00:45:04,339 --> 00:45:00,809

generally accepted by medical science

867

00:45:06,920 --> 00:45:04,349

today that at least 20% of the human

868

00:45:10,130 --> 00:45:06,930

cancers are caused by viruses at least

869

00:45:12,920 --> 00:45:10,140

20% well imagine I'm able to eradicate

870

00:45:17,539 --> 00:45:12,930

most of those viruses and in so doing

871

00:45:19,640 --> 00:45:17,549

I'm sure I'm preventing cancer and with

872

00:45:21,650 --> 00:45:19,650

that in mind I'm not saying this is a

873

00:45:23,720 --> 00:45:21,660

cure for cancer but certainly if I'm

874

00:45:25,960 --> 00:45:23,730

able to eradicate hundreds of different

875

00:45:29,299 --> 00:45:25,970

species of viruses from the human body

876

00:45:31,670 --> 00:45:29,309

then many people who perhaps in the

877

00:45:33,769 --> 00:45:31,680

future would have suffered from cancer

878

00:45:35,870 --> 00:45:33,779

caused by those viruses the fact that

879

00:45:38,180 --> 00:45:35,880

they've been eradicated that's going to

880

00:45:39,770 --> 00:45:38,190

serve to reduce the incidence of cancer

881

00:45:42,200 --> 00:45:39,780

and so many people

882

00:45:45,110 --> 00:45:42,210

so consider there just the benefit even

883

00:45:47,030 --> 00:45:45,120

though you're not sick today my ability

884

00:45:48,970 --> 00:45:47,040

to eradicate the herpes virus the

885

00:45:51,650 --> 00:45:48,980

epstein-barr virus the cytomegalovirus

886

00:45:53,170 --> 00:45:51,660

different violet the hepatitis virus in

887

00:45:56,300 --> 00:45:53,180

so doing

888

00:45:58,700 --> 00:45:56,310

I'm sure I'm preventing cancer in the

889

00:46:01,850 --> 00:45:58,710

future and many people so in many ways

890

00:46:03,740 --> 00:46:01,860

that's a prophylactic measure so again

891

00:46:05,960 --> 00:46:03,750

just look at the benefits to be derived

892

00:46:09,560 --> 00:46:05,970

just from this straightforward procedure

893

00:46:12,530 --> 00:46:09,570

to the ability to identify and eradicate

894

00:46:14,360 --> 00:46:12,540

over 400,000 species of germs it helps

895

00:46:16,940 --> 00:46:14,370

you now and it's going to be

896

00:46:19,910 --> 00:46:16,950

preventative towards disease in the

897

00:46:21,440 --> 00:46:19,920

future and now if people are on

898

00:46:23,450 --> 00:46:21,450

medication they don't have to stop

899

00:46:25,100 --> 00:46:23,460

taking medication in order to get to

900

00:46:26,840 --> 00:46:25,110

scale our treatment right they can

901
00:46:29,600 --> 00:46:26,850
continue to do whatever they choose to

902
00:46:31,220 --> 00:46:29,610
do that's correct I don't want you to

903
00:46:33,050 --> 00:46:31,230
change your lifestyle don't change a

904
00:46:35,960 --> 00:46:33,060
thing all you have to do is email me a

905
00:46:38,990 --> 00:46:35,970
photograph a photograph represents your

906
00:46:41,330 --> 00:46:39,000
source of light and I can send energy to

907
00:46:44,600 --> 00:46:41,340
your photograph much as two cell phones

908
00:46:46,460 --> 00:46:44,610
can speak to one another or or compare

909
00:46:48,740 --> 00:46:46,470
my instrument to that of a satellite if

910
00:46:51,110 --> 00:46:48,750
a satellite can send a signal to your

911
00:46:53,540 --> 00:46:51,120
cell phone then my scale energy

912
00:46:56,210 --> 00:46:53,550
instrument would look like a satellite

913
00:46:58,310 --> 00:46:56,220

and send a signal to you and how do I

914

00:47:00,740 --> 00:46:58,320

identify you all I need is a photograph

915

00:47:03,560 --> 00:47:00,750

of your skin some photograph of your

916

00:47:06,110 --> 00:47:03,570

body again it could not be any simpler

917

00:47:09,200 --> 00:47:06,120

all I need is a photograph of a person

918

00:47:11,390 --> 00:47:09,210

in order to successfully send energy to

919

00:47:13,600 --> 00:47:11,400

them send a scalar energy signal and

920

00:47:16,730 --> 00:47:13,610

that signal will seek out and destroy

921

00:47:18,160 --> 00:47:16,740

potentially now over 400,000 species of

922

00:47:27,120 --> 00:47:18,170

germs inside the body

923

00:47:27,130 --> 00:47:43,780

you

924

00:47:43,790 --> 00:48:21,650

Oh

925

00:48:27,360 --> 00:48:24,570

you know here's another option can

926

00:48:29,160 --> 00:48:27,370

people if they choose send it in for 15

927

00:48:32,970 --> 00:48:29,170

days of treatment a picture of their

928

00:48:35,040 --> 00:48:32,980

path yes yes by all means and I'm going

929

00:48:37,830 --> 00:48:35,050

to encourage you again the the website

930

00:48:40,260 --> 00:48:37,840

creative strength dot us it'll allow

931

00:48:42,540 --> 00:48:40,270

anybody in the world to sign up and send

932

00:48:45,210 --> 00:48:42,550

in one photograph now I would encourage

933

00:48:46,680 --> 00:48:45,220

you share that website with your family

934

00:48:49,620 --> 00:48:46,690

and friends you can share it with a

935

00:48:51,420 --> 00:48:49,630

hundred friends around the country my

936

00:48:54,210 --> 00:48:51,430

point is very simple what we're trying

937

00:48:56,790 --> 00:48:54,220

to do is to again crystallize support

938

00:48:58,950 --> 00:48:56,800

that's the purpose of this platform the

939

00:49:02,730 --> 00:48:58,960

purpose of this broadcast creative

940

00:49:04,800 --> 00:49:02,740

strength dot us is the offering 15 days

941

00:49:07,560 --> 00:49:04,810

of free scalar energy treatments no

942

00:49:09,300 --> 00:49:07,570

obligation whatsoever I encourage you in

943

00:49:12,060 --> 00:49:09,310

the listening audience to take that

944

00:49:13,830 --> 00:49:12,070

website creative strength dot us and

945

00:49:15,720 --> 00:49:13,840

then share it with your your family

946

00:49:18,030 --> 00:49:15,730

share it with your cousins you're coding

947

00:49:20,340 --> 00:49:18,040

on your Facebook page you know sharing

948

00:49:22,830 --> 00:49:20,350

but everybody why not it's a gift

949

00:49:25,290 --> 00:49:22,840

it's very yes and and unlike many other

950

00:49:27,000 --> 00:49:25,300

sites you do not ask for a credit card

951

00:49:28,790 --> 00:49:27,010

and then all of a sudden people find

952

00:49:31,880 --> 00:49:28,800

these charges on their credit card no

953

00:49:34,980 --> 00:49:31,890

not at all it's just send the picture

954

00:49:36,600 --> 00:49:34,990

that's it that's it yes if you have a

955

00:49:39,120 --> 00:49:36,610

can you have more than one person in the

956

00:49:40,980 --> 00:49:39,130

picture sure sure you could take that

957

00:49:43,050 --> 00:49:40,990

weakened yeah you could take tube

958

00:49:45,150 --> 00:49:43,060

photograph of your entire family sending

959

00:49:48,270 --> 00:49:45,160

a photograph of five six members of your

960

00:49:51,300 --> 00:49:48,280

family it was going to be a school in

961

00:49:52,650 --> 00:49:51,310

direction if you belong to a school you

962

00:49:54,240 --> 00:49:52,660

could take a photograph of your

963

00:49:57,330 --> 00:49:54,250

classmates by all means or your

964

00:49:59,010 --> 00:49:57,340

coworkers this this program is designed

965

00:50:01,680 --> 00:49:59,020

to spread around the world

966

00:50:04,110 --> 00:50:01,690

creative strength got us is a free

967

00:50:06,390 --> 00:50:04,120

website for free treatments I'll treat

968

00:50:08,760 --> 00:50:06,400

anybody in the robe for free fifteen

969

00:50:11,240 --> 00:50:08,770

days no obligation and we don't ask for

970

00:50:14,310 --> 00:50:11,250

any type of financial information so

971

00:50:16,920 --> 00:50:14,320

frankly you have nothing to lose now

972

00:50:18,810 --> 00:50:16,930

with scaler energy really is pretty

973

00:50:20,520 --> 00:50:18,820

unlimited and how many people you can

974

00:50:22,560 --> 00:50:20,530

treat so you could treat like a million

975

00:50:23,070 --> 00:50:22,570

people at one time or more right that's

976
00:50:25,380 --> 00:50:23,080
correct

977
00:50:26,970 --> 00:50:25,390
i miniaturize the photographs Patricia

978
00:50:27,840 --> 00:50:26,980
and when I'm immature eyes those

979
00:50:29,640 --> 00:50:27,850
photographs

980
00:50:30,480 --> 00:50:29,650
I can easily treat a million or two

981
00:50:32,670 --> 00:50:30,490
million people

982
00:50:35,490 --> 00:50:32,680
simultaneously so if you can quite

983
00:50:37,800 --> 00:50:35,500
fathom that my scalar energy instrument

984
00:50:40,380 --> 00:50:37,810
and say an hour two hours could easy

985
00:50:42,660 --> 00:50:40,390
treat two million people and we cure

986
00:50:45,990 --> 00:50:42,670
them a thousands of diseases within that

987
00:50:48,480 --> 00:50:46,000
time frame amazing yeah and I can tell

988
00:50:50,790 --> 00:50:48,490

you for certain it one of my friends who

989

00:50:52,440 --> 00:50:50,800

met you through one of our earlier shows

990

00:50:56,940 --> 00:50:52,450

that you were on

991

00:50:59,400 --> 00:50:56,950

she had the herpes virus and she decided

992

00:51:02,430 --> 00:50:59,410

she wanted to be treated by scaler

993

00:51:05,190 --> 00:51:02,440

energy with your system so she sent in

994

00:51:08,160 --> 00:51:05,200

her photograph and she was treated for

995

00:51:10,920 --> 00:51:08,170

six months and at the end of the

996

00:51:13,590 --> 00:51:10,930

six-month time period the virus was gone

997

00:51:15,870 --> 00:51:13,600

from her system so I would imagine

998

00:51:17,760 --> 00:51:15,880

everybody's different in the length of

999

00:51:21,120 --> 00:51:17,770

time it might take I mean she was older

1000

00:51:22,680 --> 00:51:21,130

and so it maybe took her a little bit

1001
00:51:25,500 --> 00:51:22,690
longer to get rid of it than somebody

1002
00:51:28,010 --> 00:51:25,510
else but she was committed to the

1003
00:51:31,560 --> 00:51:28,020
process again it was so easy you know so

1004
00:51:34,950 --> 00:51:31,570
she was able to see a profound change

1005
00:51:38,930 --> 00:51:34,960
the virus was gone yeah thank you that's

1006
00:51:41,760 --> 00:51:38,940
across the board that's not a unique um

1007
00:51:43,530 --> 00:51:41,770
accounting everybody that I've treated

1008
00:51:45,560 --> 00:51:43,540
for the herpes virus were able to

1009
00:51:49,800 --> 00:51:45,570
destroy the virus and everybody

1010
00:51:52,109 --> 00:51:49,810
essentially overcomes and eventually no

1011
00:51:55,500 --> 00:51:52,119
longer has any symptoms of the herpes

1012
00:51:58,230 --> 00:51:55,510
virus so this again this is a godsend

1013
00:52:00,390 --> 00:51:58,240

this it's so simple you don't have to

1014

00:52:02,760 --> 00:52:00,400

leave your home just email a photograph

1015

00:52:05,910 --> 00:52:02,770

to us and we treat you by wave your

1016

00:52:08,070 --> 00:52:05,920

photograph again once the world realizes

1017

00:52:09,540 --> 00:52:08,080

what this means we're going to start

1018

00:52:11,700 --> 00:52:09,550

treating a million two million people a

1019

00:52:13,560 --> 00:52:11,710

day and and we will be curing those

1020

00:52:14,700 --> 00:52:13,570

people of pathogenic infection on a

1021

00:52:17,609 --> 00:52:14,710

daily basis

1022

00:52:20,220 --> 00:52:17,619

let's tremendous now you also do a
