

Trey Smith

California Radio
MUJFON
LORIE FENTON

WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:06,630 --> 00:00:03,990

[Music]

2
00:00:08,870 --> 00:00:06,640

welcome everyone to the california mufon

3
00:00:10,950 --> 00:00:08,880

radio show i'm your host lorian fenton

4
00:00:12,870 --> 00:00:10,960

i'm sorry we're late tonight folks there

5
00:00:15,190 --> 00:00:12,880

was a car accident and i just couldn't

6
00:00:17,189 --> 00:00:15,200

get here in time so just want you to

7
00:00:19,830 --> 00:00:17,199

know that we had a lot of struggles

8
00:00:22,150 --> 00:00:19,840

getting on the air tonight so but you

9
00:00:23,269 --> 00:00:22,160

know i've been thinking if i think i'm

10
00:00:26,710 --> 00:00:23,279

gonna

11
00:00:28,150 --> 00:00:26,720

start broadcasting from my office

12
00:00:29,910 --> 00:00:28,160

that way i don't have to fight this

13
00:00:31,750 --> 00:00:29,920

traffic if any of you know about

14

00:00:33,830 --> 00:00:31,760

california

15

00:00:35,670 --> 00:00:33,840

everybody spends three hours a night

16

00:00:37,830 --> 00:00:35,680

getting home and about five hours

17

00:00:40,470 --> 00:00:37,840

getting to where they gotta go and it's

18

00:00:43,910 --> 00:00:40,480

really quite amazing that we all do what

19

00:00:45,990 --> 00:00:43,920

we do anyhow i'm actually appalled most

20

00:00:48,310 --> 00:00:46,000

days that i go out because i have a

21

00:00:50,310 --> 00:00:48,320

reverse commute in other words i go to

22

00:00:52,790 --> 00:00:50,320

work at four in the afternoon to the

23

00:00:54,709 --> 00:00:52,800

office or five or six or seven or eight

24

00:00:56,790 --> 00:00:54,719

depending on when i feel like it because

25

00:00:59,670 --> 00:00:56,800

i'm an independent contractor and i can

26

00:01:01,910 --> 00:00:59,680

go in when i want which is fabulous

27

00:01:03,590 --> 00:01:01,920

fabulous and that way i can avoid all

28

00:01:05,350 --> 00:01:03,600

the traffic if there's an accident at

29

00:01:07,270 --> 00:01:05,360

four o'clock i just sit in my house and

30

00:01:08,710 --> 00:01:07,280

i do some other work until six o'clock

31

00:01:11,109 --> 00:01:08,720

and then i go to work

32

00:01:13,429 --> 00:01:11,119

but the problem is on wednesdays because

33

00:01:15,830 --> 00:01:13,439

of the radio show i have to go to work

34

00:01:19,350 --> 00:01:15,840

about 12 1 or 2

35

00:01:21,749 --> 00:01:19,360

and then get in the car at 7 15 because

36

00:01:23,749 --> 00:01:21,759

if i get in any earlier

37

00:01:26,710 --> 00:01:23,759

i can't get here because it's a parking

38

00:01:29,670 --> 00:01:26,720

lot from my office all the way 10 miles

39

00:01:31,590 --> 00:01:29,680

north to my house literal parking lot

40

00:01:33,590 --> 00:01:31,600

you guys but i could sit i could leave

41

00:01:35,830 --> 00:01:33,600

at 4 30. i could leave at five but i

42

00:01:37,109 --> 00:01:35,840

wouldn't get home until 7 30 if i did

43

00:01:39,590 --> 00:01:37,119

anyhow because it wouldn't matter

44

00:01:41,830 --> 00:01:39,600

because it's a parking lot so i just sit

45

00:01:44,149 --> 00:01:41,840

and i wait and i wait and i wait and i

46

00:01:47,990 --> 00:01:44,159

wait till the last second i can leave

47

00:01:50,789 --> 00:01:48,000

which is 7 15. it gets me home at 7 45

48

00:01:52,950 --> 00:01:50,799

and in that 30 minutes if all the

49

00:01:54,870 --> 00:01:52,960

traffic is dying down and everybody's

50

00:01:57,350 --> 00:01:54,880

made it to where they gotta go

51
00:01:59,109 --> 00:01:57,360
i can pull on the driveway at 7 45 get

52
00:02:01,830 --> 00:01:59,119
on the air by 8 o'clock

53
00:02:03,990 --> 00:02:01,840
but tonight there was an accident so

54
00:02:05,749 --> 00:02:04,000
there you go and you and you can check

55
00:02:08,229 --> 00:02:05,759
your gps and your you know your

56
00:02:10,790 --> 00:02:08,239
navigation on your phone all you want at

57
00:02:12,470 --> 00:02:10,800
7 15 if the accident happens five

58
00:02:14,150 --> 00:02:12,480
minutes after i get out the door then

59
00:02:15,350 --> 00:02:14,160
there's nothing i can do about it i

60
00:02:17,589 --> 00:02:15,360
think that's what happened tonight

61
00:02:20,150 --> 00:02:17,599
because i checked about 7 10 it looked

62
00:02:23,110 --> 00:02:20,160
pretty good like a straight shot be home

63
00:02:26,070 --> 00:02:23,120

on time left on time and once you know

64

00:02:28,710 --> 00:02:26,080

it i got closer to petaluma and uh the

65

00:02:30,229 --> 00:02:28,720

traffic just stopped so

66

00:02:32,710 --> 00:02:30,239

obviously something happened a little

67

00:02:35,350 --> 00:02:32,720

north of us probably near katahdi if you

68

00:02:37,190 --> 00:02:35,360

guys even know where that is but uh yeah

69

00:02:39,110 --> 00:02:37,200

so we were backed up all the way you

70

00:02:40,790 --> 00:02:39,120

know right past petaluma so i'm just

71

00:02:43,110 --> 00:02:40,800

sitting in traffic just drumming my

72

00:02:45,990 --> 00:02:43,120

fingers thank god my guest called me

73

00:02:48,070 --> 00:02:46,000

he's going where are you i'm in traffic

74

00:02:50,070 --> 00:02:48,080

where do you think i am

75

00:02:52,470 --> 00:02:50,080

we all in california we all live in

76

00:02:53,910 --> 00:02:52,480

traffic if if you can't find me this is

77

00:02:55,990 --> 00:02:53,920

what i tell everybody to know if you

78

00:02:57,910 --> 00:02:56,000

can't find me i'm stuck in a car

79

00:03:00,390 --> 00:02:57,920

somewhere i mean that's just you know

80

00:03:02,550 --> 00:03:00,400

i'm i'm always amazed that people call

81

00:03:04,630 --> 00:03:02,560

me from all these states at all times a

82

00:03:06,309 --> 00:03:04,640

day and night and they go you didn't you

83

00:03:07,910 --> 00:03:06,319

didn't answer back you didn't text me

84

00:03:09,509 --> 00:03:07,920

you didn't do whatever and i go it's

85

00:03:11,750 --> 00:03:09,519

because i don't have any hands-free

86

00:03:13,990 --> 00:03:11,760

stuff in my car so if i'm literally

87

00:03:16,070 --> 00:03:14,000

stuck in traffic for an hour and a half

88

00:03:18,470 --> 00:03:16,080

to two hours to three hours to four

89

00:03:19,990 --> 00:03:18,480

which i have done many a time here

90

00:03:22,229 --> 00:03:20,000

you know you're not going to get me guys

91

00:03:23,910 --> 00:03:22,239

it's like it's like the cone of silence

92

00:03:26,229 --> 00:03:23,920

in the old

93

00:03:28,390 --> 00:03:26,239

get smart show

94

00:03:30,710 --> 00:03:28,400

once she i get in my car i have no

95

00:03:33,830 --> 00:03:30,720

hands-free devices so it's the code of

96

00:03:36,789 --> 00:03:33,840

silence until i get to the next spot

97

00:03:38,149 --> 00:03:36,799

so there you go anyhow so that's my life

98

00:03:40,869 --> 00:03:38,159

i thought you guys might

99

00:03:42,309 --> 00:03:40,879

want to share in my insanity for living

100

00:03:44,550 --> 00:03:42,319

in california

101
00:03:46,869 --> 00:03:44,560
you know um that brings me to another

102
00:03:48,229 --> 00:03:46,879
point i've got an amazing rant to go on

103
00:03:51,110 --> 00:03:48,239
tonight but i'm not sure if i'm going to

104
00:03:52,869 --> 00:03:51,120
get to it but uh i i wanted to let you

105
00:03:54,309 --> 00:03:52,879
guys know that

106
00:03:56,789 --> 00:03:54,319
you know i've been

107
00:04:01,190 --> 00:03:56,799
seriously considering uh trying to get

108
00:04:03,750 --> 00:04:01,200
out of here but the problem is my angels

109
00:04:05,270 --> 00:04:03,760
have been telling me all along that i

110
00:04:07,110 --> 00:04:05,280
have to build

111
00:04:09,270 --> 00:04:07,120
this community that i'm i'm supposed to

112
00:04:11,350 --> 00:04:09,280
be building and i have to do it in

113
00:04:13,750 --> 00:04:11,360

petaluma california i mean it's not like

114

00:04:16,390 --> 00:04:13,760

they're giving me any choices so you

115

00:04:18,550 --> 00:04:16,400

know i would gladly move to idaho or

116

00:04:20,390 --> 00:04:18,560

move back to oregon or

117

00:04:23,430 --> 00:04:20,400

you know where i really want to go is

118

00:04:25,909 --> 00:04:23,440

outside of vancouver bc i'd love canada

119

00:04:26,870 --> 00:04:25,919

i'd live in canada in a heartbeat if i

120

00:04:28,710 --> 00:04:26,880

could

121

00:04:30,469 --> 00:04:28,720

i mean it's beautiful up there the

122

00:04:32,870 --> 00:04:30,479

farming up there that's what i want to

123

00:04:34,870 --> 00:04:32,880

do i gotta get back to the farm i gotta

124

00:04:37,110 --> 00:04:34,880

have those goats as you guys know i mean

125

00:04:39,670 --> 00:04:37,120

that's the whole point i mean that was

126

00:04:42,310 --> 00:04:39,680

the compromise between me and the angels

127

00:04:44,550 --> 00:04:42,320

it was okay guys if this is what you

128

00:04:46,629 --> 00:04:44,560

want me to do you got to supply the

129

00:04:48,469 --> 00:04:46,639

goats man and you got to give me the

130

00:04:50,950 --> 00:04:48,479

feed to take care of them the land to

131

00:04:53,670 --> 00:04:50,960

take care of the house to live in

132

00:04:56,710 --> 00:04:53,680

uh the the art studio that's got to go

133

00:05:00,550 --> 00:04:56,720

there as well plus a building to make my

134

00:05:02,550 --> 00:05:00,560

soap and my um creams and my

135

00:05:04,310 --> 00:05:02,560

oils and you know all the things i want

136

00:05:07,350 --> 00:05:04,320

to do because it's not just goat soap

137

00:05:08,950 --> 00:05:07,360

i'm going to make i'm going to make

138

00:05:11,029 --> 00:05:08,960

well i'm going to make tinctures of

139

00:05:12,790 --> 00:05:11,039

herbs and things like that anyhow i got

140

00:05:14,710 --> 00:05:12,800

all kinds of plants and i'm going to do

141

00:05:16,150 --> 00:05:14,720

my pottery again and make my jewelry

142

00:05:17,029 --> 00:05:16,160

again and i'm just going to go back to

143

00:05:18,710 --> 00:05:17,039

being

144

00:05:21,350 --> 00:05:18,720

the old hippie artist that i've always

145

00:05:23,430 --> 00:05:21,360

been you know i was a dancer too so i

146

00:05:26,390 --> 00:05:23,440

might even start teaching old people

147

00:05:28,070 --> 00:05:26,400

dance classes i don't know but the point

148

00:05:30,070 --> 00:05:28,080

to all this is

149

00:05:32,629 --> 00:05:30,080

they basically have just put their foot

150

00:05:34,710 --> 00:05:32,639

down or their feet or their wings or

151

00:05:36,550 --> 00:05:34,720

whatever it is that they use and they

152

00:05:38,870 --> 00:05:36,560

said look lady this is where you got to

153

00:05:41,270 --> 00:05:38,880

be this is we will sure we're showing

154

00:05:43,510 --> 00:05:41,280

you the spot it's gotta be i mean

155

00:05:46,310 --> 00:05:43,520

they've literally given me complete

156

00:05:48,550 --> 00:05:46,320

information i've even i know this is

157

00:05:52,070 --> 00:05:48,560

gonna sound crazy the piece of property

158

00:05:54,469 --> 00:05:52,080

that we wanted to buy 636 acres sold

159

00:05:57,670 --> 00:05:54,479

again it sells every couple years i've

160

00:05:59,590 --> 00:05:57,680

been looking at it for 25 years it sells

161

00:06:01,590 --> 00:05:59,600

every few years and i don't know why i'm

162

00:06:03,350 --> 00:06:01,600

sure i'll find out when i own it what

163

00:06:05,510 --> 00:06:03,360

the detriments are but i don't want to

164

00:06:07,110 --> 00:06:05,520

know now because they keep telling me

165

00:06:09,430 --> 00:06:07,120

that's going to be the spot and if it's

166

00:06:12,150 --> 00:06:09,440

not that one it's the one right next to

167

00:06:13,909 --> 00:06:12,160

it and i know that one sells every five

168

00:06:16,550 --> 00:06:13,919

to seven years so

169

00:06:18,629 --> 00:06:16,560

it's it's very odd how that happens i

170

00:06:21,189 --> 00:06:18,639

can tell you this there is no

171

00:06:22,629 --> 00:06:21,199

way to grow vineyards on this pro these

172

00:06:24,550 --> 00:06:22,639

two properties

173

00:06:27,270 --> 00:06:24,560

and they're very rocky and they're

174

00:06:29,430 --> 00:06:27,280

perfect for goats so that's about all i

175

00:06:30,710 --> 00:06:29,440

can put on there i think i don't think

176

00:06:33,830 --> 00:06:30,720

we're going to be growing a whole lot

177

00:06:36,710 --> 00:06:33,840

less i bring in a lot of topsoil but um

178

00:06:38,950 --> 00:06:36,720

anyhow uh oh let's see there's a note

179

00:06:42,150 --> 00:06:38,960

coming in i better read it

180

00:06:45,189 --> 00:06:42,160

sorry guys i i'm doing the just got

181

00:06:47,270 --> 00:06:45,199

uh oh okay i got you mj that sounds fine

182

00:06:48,629 --> 00:06:47,280

yeah we'll do that since we're starting

183

00:06:50,150 --> 00:06:48,639

late tonight folks we're not going to

184

00:06:53,270 --> 00:06:50,160

take a break at the bottom of the hour

185

00:06:54,790 --> 00:06:53,280

so i think that's a wonderful idea so um

186

00:06:56,469 --> 00:06:54,800

anyhow so

187

00:06:59,029 --> 00:06:56,479

i know this property they can't put

188

00:07:01,350 --> 00:06:59,039

vineyards in and believe me folks every

189

00:07:03,510 --> 00:07:01,360

piece of property that can have a grape

190

00:07:06,309 --> 00:07:03,520

growing on it in marin county sonoma

191

00:07:08,469 --> 00:07:06,319

county napa county anywhere up here

192

00:07:11,510 --> 00:07:08,479

it's got a grape growing on it literally

193

00:07:14,629 --> 00:07:11,520

i mean every every wine grower has been

194

00:07:16,950 --> 00:07:14,639

over every scrap of land in california

195

00:07:18,550 --> 00:07:16,960

looking for a place to grow grapes if

196

00:07:20,390 --> 00:07:18,560

they can grow grapes on it man they'll

197

00:07:22,710 --> 00:07:20,400

snag it up i mean that's what's been

198

00:07:24,390 --> 00:07:22,720

going on it's like the big grape uh you

199

00:07:26,070 --> 00:07:24,400

know um

200

00:07:28,150 --> 00:07:26,080

like the gold rush it's like a great

201
00:07:30,469 --> 00:07:28,160
brush or something i don't know but

202
00:07:32,550 --> 00:07:30,479
they're just snagging up the properties

203
00:07:35,029 --> 00:07:32,560
left and right so if it's left over and

204
00:07:37,189 --> 00:07:35,039
by now and there's no grapes growing on

205
00:07:40,390 --> 00:07:37,199
it then you know it's rocky

206
00:07:42,070 --> 00:07:40,400
it is not conducive to the the fog the

207
00:07:44,230 --> 00:07:42,080
sunlight i mean there's something

208
00:07:46,870 --> 00:07:44,240
totally wrong with it for growing grapes

209
00:07:49,830 --> 00:07:46,880
because what's even odder is on the

210
00:07:52,469 --> 00:07:49,840
other side of the hill of the freeway

211
00:07:56,070 --> 00:07:52,479
about less than a mile away is a whole

212
00:07:59,430 --> 00:07:56,080
valley of grapes but obviously this part

213
00:08:01,510 --> 00:07:59,440

of the area is just not good for it so

214

00:08:03,510 --> 00:08:01,520

which is wonderful for me because you

215

00:08:05,110 --> 00:08:03,520

know we're looking at cow pastures we're

216

00:08:06,950 --> 00:08:05,120

looking at you know you can't grow

217

00:08:08,710 --> 00:08:06,960

things on it because it's obviously not

218

00:08:10,869 --> 00:08:08,720

good for growing i don't see anybody

219

00:08:12,869 --> 00:08:10,879

doing agriculture out there

220

00:08:15,909 --> 00:08:12,879

so this is actually perfect for what i

221

00:08:17,749 --> 00:08:15,919

want to do so um yeah so that's that's

222

00:08:20,629 --> 00:08:17,759

the scoop you know they keep telling me

223

00:08:22,629 --> 00:08:20,639

it'll be for sale again and uh you know

224

00:08:24,710 --> 00:08:22,639

i'm just i got to get my ducks in a row

225

00:08:27,749 --> 00:08:24,720

because the time i saw it go up for sale

226

00:08:29,749 --> 00:08:27,759

again it went for four million bucks and

227

00:08:32,149 --> 00:08:29,759

it was

228

00:08:34,070 --> 00:08:32,159

about four months six months ago it got

229

00:08:36,709 --> 00:08:34,080

sold and it was for sale for about a

230

00:08:38,070 --> 00:08:36,719

year before it got sold so

231

00:08:40,070 --> 00:08:38,080

you know next time it goes for sale

232

00:08:42,389 --> 00:08:40,080

it'll be 5 million bucks you know every

233

00:08:44,710 --> 00:08:42,399

year every time it goes up it it sells

234

00:08:46,710 --> 00:08:44,720

for another million more but hey i'm

235

00:08:48,550 --> 00:08:46,720

gonna have a billionaire somewhere

236

00:08:49,990 --> 00:08:48,560

that's gonna say to me hey lori and i

237

00:08:53,190 --> 00:08:50,000

think it's a great idea what you're

238

00:08:54,949 --> 00:08:53,200

doing i'm gonna fund this and we'll you

239

00:08:57,829 --> 00:08:54,959

know

240

00:08:59,670 --> 00:08:57,839

already going to happen i just don't

241

00:09:01,829 --> 00:08:59,680

know who this billionaire is where he's

242

00:09:04,389 --> 00:09:01,839

going to come from if he's going to love

243

00:09:06,389 --> 00:09:04,399

my idea what i'm going to be doing and

244

00:09:07,990 --> 00:09:06,399

uh it's it's pretty wild i'm going to

245

00:09:09,990 --> 00:09:08,000

tell you guys about it quickly in a

246

00:09:12,230 --> 00:09:10,000

nutshell there's going to be healing

247

00:09:13,190 --> 00:09:12,240

center on the property there is going to

248

00:09:16,710 --> 00:09:13,200

be

249

00:09:19,430 --> 00:09:16,720

10 homes of 10 acres each

250

00:09:21,829 --> 00:09:19,440

that are going to be model homes for a

251

00:09:23,430 --> 00:09:21,839

new type of energy to run up run the

252

00:09:25,509 --> 00:09:23,440

place we're going to be completely off

253

00:09:27,030 --> 00:09:25,519

grid we're going to have trout we're

254

00:09:28,550 --> 00:09:27,040

going to have a cafe

255

00:09:29,670 --> 00:09:28,560

we're going to have trout we have trout

256

00:09:32,150 --> 00:09:29,680

goats

257

00:09:33,750 --> 00:09:32,160

um we're going to have

258

00:09:35,350 --> 00:09:33,760

i think there's something else that

259

00:09:37,750 --> 00:09:35,360

somebody somebody else wants to have

260

00:09:40,310 --> 00:09:37,760

like llamas or camels or something i

261

00:09:42,389 --> 00:09:40,320

don't remember but there's a group of us

262

00:09:44,389 --> 00:09:42,399

that are all older people that have been

263

00:09:46,070 --> 00:09:44,399

in the consciousness community that are

264

00:09:47,910 --> 00:09:46,080

going to actually be living this and

265

00:09:51,509 --> 00:09:47,920

it's going to be a senior place you have

266

00:09:53,190 --> 00:09:51,519

to be over 55 to get in and buy into it

267

00:09:55,990 --> 00:09:53,200

and we're going to be running it through

268

00:09:59,670 --> 00:09:56,000

the mennonite church which is wonderful

269

00:10:01,269 --> 00:09:59,680

and it's going to be a very interesting

270

00:10:02,710 --> 00:10:01,279

place i got to tell you it's going to be

271

00:10:04,550 --> 00:10:02,720

fascinating we're going to have a

272

00:10:08,790 --> 00:10:04,560

conference center on there there'll be a

273

00:10:10,949 --> 00:10:08,800

tv studio and a a radio station there

274

00:10:12,150 --> 00:10:10,959

there will be like i said a cafe an art

275

00:10:15,509 --> 00:10:12,160

gallery

276

00:10:16,870 --> 00:10:15,519

healing centers a library i mean it goes

277

00:10:19,590 --> 00:10:16,880

on and on i mean

278

00:10:22,310 --> 00:10:19,600

and what's really wonderful about it is

279

00:10:24,310 --> 00:10:22,320

i've had already so much interest that

280

00:10:26,389 --> 00:10:24,320

people are already drawing concepts

281

00:10:28,790 --> 00:10:26,399

we're already having the buildings that

282

00:10:31,910 --> 00:10:28,800

we're going to build on there picked out

283

00:10:34,470 --> 00:10:31,920

and priced out and we even had a guy do

284

00:10:35,829 --> 00:10:34,480

a topo map of the area and where the

285

00:10:38,710 --> 00:10:35,839

different uh

286

00:10:42,150 --> 00:10:38,720

buildings could lay and be and you know

287

00:10:43,590 --> 00:10:42,160

live but it just depends on the soil and

288

00:10:45,269 --> 00:10:43,600

how we're gonna get water in there i

289

00:10:46,389 --> 00:10:45,279

think water is gonna be our biggest

290

00:10:48,230 --> 00:10:46,399

obstacle

291

00:10:49,910 --> 00:10:48,240

so we're trying to work on that too

292

00:10:52,630 --> 00:10:49,920

we're trying to come up with a new way

293

00:10:54,870 --> 00:10:52,640

to get water out of the air and make

294

00:10:57,110 --> 00:10:54,880

that work and we're going to try a new

295

00:10:59,110 --> 00:10:57,120

septic system that works very

296

00:11:01,269 --> 00:10:59,120

differently than your old-fashioned

297

00:11:02,870 --> 00:11:01,279

septic tanks so you know what we're

298

00:11:04,310 --> 00:11:02,880

gonna do is very extraordinary it's

299

00:11:06,069 --> 00:11:04,320

gonna be very different it's gonna be

300

00:11:08,150 --> 00:11:06,079

very experimental i'm not sure it's all

301
00:11:09,910 --> 00:11:08,160
gonna work we may stink after a month or

302
00:11:11,750 --> 00:11:09,920
two who knows

303
00:11:13,829 --> 00:11:11,760
maybe this septic thing won't work out

304
00:11:16,230 --> 00:11:13,839
so good i don't know but we're gonna

305
00:11:17,829 --> 00:11:16,240
give it a try anyhow so that's my dream

306
00:11:19,590 --> 00:11:17,839
and if you guys know any billionaires

307
00:11:21,269 --> 00:11:19,600
out there who have nothing to do with

308
00:11:23,430 --> 00:11:21,279
their money

309
00:11:25,590 --> 00:11:23,440
most of them are sending stuff out into

310
00:11:27,269 --> 00:11:25,600
space right now see that's the cool

311
00:11:28,710 --> 00:11:27,279
thing i really love that but you know i

312
00:11:31,030 --> 00:11:28,720
think we should all try to figure out

313
00:11:33,190 --> 00:11:31,040

how to live down here without having to

314

00:11:35,750 --> 00:11:33,200

use the fossil fuels and all that other

315

00:11:37,990 --> 00:11:35,760

stuff that's going on anyhow okay that's

316

00:11:40,630 --> 00:11:38,000

enough of that little rant tonight um

317

00:11:42,389 --> 00:11:40,640

next on the agenda was mufon symposiums

318

00:11:44,630 --> 00:11:42,399

coming up and i hope you guys are going

319

00:11:47,590 --> 00:11:44,640

to it now if you're not going to make it

320

00:11:48,790 --> 00:11:47,600

to mufon symposium i really highly

321

00:11:52,069 --> 00:11:48,800

recommend

322

00:11:53,750 --> 00:11:52,079

that you go to mufonsymposium.com

323

00:11:56,949 --> 00:11:53,760

and purchase

324

00:11:59,190 --> 00:11:56,959

the live stream okay because this i i'm

325

00:12:02,389 --> 00:11:59,200

telling you folks everybody listen to me

326

00:12:04,949 --> 00:12:02,399

i want you to hear me very clearly

327

00:12:06,790 --> 00:12:04,959

there are four people speaking at this

328

00:12:07,910 --> 00:12:06,800

conference this year

329

00:12:09,910 --> 00:12:07,920

that

330

00:12:11,990 --> 00:12:09,920

are going to be going

331

00:12:15,190 --> 00:12:12,000

and i say this in a nice way it's going

332

00:12:16,629 --> 00:12:15,200

to be like the wwf of ufology

333

00:12:18,790 --> 00:12:16,639

because

334

00:12:22,870 --> 00:12:18,800

corey good is speaking andy bashago

335

00:12:25,750 --> 00:12:22,880

speaking um robert wood is speaking

336

00:12:27,990 --> 00:12:25,760

um uh and richard dolan's gonna be there

337

00:12:28,870 --> 00:12:28,000

to counteract all that

338

00:12:30,150 --> 00:12:28,880

and

339

00:12:31,430 --> 00:12:30,160

uh there's gonna be a couple other

340

00:12:33,269 --> 00:12:31,440

people there

341

00:12:35,990 --> 00:12:33,279

and it's gonna be very interesting to

342

00:12:38,629 --> 00:12:36,000

see how they all deal with the whole

343

00:12:41,110 --> 00:12:38,639

corey good situation and on top of it

344

00:12:42,949 --> 00:12:41,120

all even andy bashago is going after

345

00:12:45,509 --> 00:12:42,959

corey goode so

346

00:12:46,870 --> 00:12:45,519

i gotta tell you this will be the wwf of

347

00:12:49,110 --> 00:12:46,880

at least this year

348

00:12:50,949 --> 00:12:49,120

so i do hope you guys make it to the

349

00:12:52,470 --> 00:12:50,959

live stream because i tell you something

350

00:12:54,230 --> 00:12:52,480

is going to break at this conference

351

00:12:55,910 --> 00:12:54,240

this year i know it is i've had a

352

00:12:58,550 --> 00:12:55,920

feeling about it since they announced

353

00:13:01,190 --> 00:12:58,560

who was speaking i thought oh my god

354

00:13:03,470 --> 00:13:01,200

this is going to be so interesting so

355

00:13:06,470 --> 00:13:03,480

really if you get a chance go to mufon

356

00:13:10,710 --> 00:13:06,480

symposium.com and buy the symposium live

357

00:13:13,190 --> 00:13:10,720

stream now if you pay 79 i believe it is

358

00:13:15,430 --> 00:13:13,200

on the website for your membership you

359

00:13:17,430 --> 00:13:15,440

get the uh the mufon

360

00:13:19,829 --> 00:13:17,440

uh tv for free

361

00:13:21,990 --> 00:13:19,839

if you buy the live stream and you paid

362

00:13:24,470 --> 00:13:22,000

the the bigger price for it you get your

363

00:13:27,350 --> 00:13:24,480

membership move on tv

364

00:13:29,910 --> 00:13:27,360

where i think transcending realities may

365

00:13:33,110 --> 00:13:29,920

show up at some point uh either next to

366

00:13:36,069 --> 00:13:33,120

mufon tv or on mufon tv i'm not sure

367

00:13:39,190 --> 00:13:36,079

and that's my tv show by the way

368

00:13:41,190 --> 00:13:39,200

and also the mufon um symposium you'll

369

00:13:42,790 --> 00:13:41,200

get that in the package too so i mean

370

00:13:45,190 --> 00:13:42,800

for like 80 bucks you're getting like

371

00:13:47,030 --> 00:13:45,200

three different things so it isn't like

372

00:13:48,470 --> 00:13:47,040

you're spending you know 80 bucks just

373

00:13:51,190 --> 00:13:48,480

for the symposium

374

00:13:54,310 --> 00:13:51,200

you will get a ton of stuff for just

375

00:13:56,150 --> 00:13:54,320

doing it the first time you'll get your

376

00:13:58,550 --> 00:13:56,160

subscription you'll get

377

00:14:01,269 --> 00:13:58,560

tv shows and you'll get the live stream

378

00:14:04,150 --> 00:14:01,279

of the conference so it's well worth the

379

00:14:05,509 --> 00:14:04,160

80 or 79 bucks or whatever it is right

380

00:14:08,389 --> 00:14:05,519

now i haven't looked at it for a while

381

00:14:10,949 --> 00:14:08,399

but i think it was 79. so you guys do

382

00:14:13,269 --> 00:14:10,959

that if you do nothing else if you can't

383

00:14:15,590 --> 00:14:13,279

get to the symposium

384

00:14:17,829 --> 00:14:15,600

you know here's my big suggestion take

385

00:14:20,230 --> 00:14:17,839

three or four of your friends

386

00:14:22,870 --> 00:14:20,240

all get together pull in 80 bucks one of

387

00:14:24,870 --> 00:14:22,880

you gets this uh membership of course

388

00:14:26,710 --> 00:14:24,880

maybe that person wants to put in more

389

00:14:28,310 --> 00:14:26,720

and then you know have two or three of

390

00:14:30,790 --> 00:14:28,320

your friends come on over and watch the

391

00:14:32,870 --> 00:14:30,800

symposium with you you know i mean

392

00:14:34,470 --> 00:14:32,880

that's what it's all about just you guys

393

00:14:36,389 --> 00:14:34,480

got to watch this thing it's going to be

394

00:14:38,230 --> 00:14:36,399

quite amazing okay

395

00:14:40,710 --> 00:14:38,240

so okay that's where i'm leaving it with

396

00:14:41,750 --> 00:14:40,720

you just remember i told you

397

00:14:44,389 --> 00:14:41,760

this year

398

00:14:46,470 --> 00:14:44,399

this symposium these uh these

399

00:14:48,470 --> 00:14:46,480

presentations and the people that are

400

00:14:51,030 --> 00:14:48,480

going to be on this panel together

401
00:14:53,030 --> 00:14:51,040
during the day it's going to blow your

402
00:14:53,829 --> 00:14:53,040
mind it's going to be it's going to be

403
00:14:56,949 --> 00:14:53,839
the

404
00:14:59,350 --> 00:14:56,959
uh end all and be all and i i got to say

405
00:15:02,150 --> 00:14:59,360
there might be lorien in the crowd

406
00:15:03,990 --> 00:15:02,160
hitting the microphone because you know

407
00:15:07,030 --> 00:15:04,000
how it is i'm not allowed to speak too

408
00:15:09,509 --> 00:15:07,040
much at these events

409
00:15:11,509 --> 00:15:09,519
gee i wonder why anyhow

410
00:15:13,030 --> 00:15:11,519
i might be hitting the microphone and

411
00:15:14,550 --> 00:15:13,040
saying a few things to a few people on

412
00:15:17,030 --> 00:15:14,560
that panel so it might be very

413
00:15:20,069 --> 00:15:17,040

interesting okay so if you want to see a

414

00:15:21,269 --> 00:15:20,079

little controversy flare it up really do

415

00:15:23,189 --> 00:15:21,279

that okay

416

00:15:25,430 --> 00:15:23,199

okay so we'll leave it at that so yeah

417

00:15:28,150 --> 00:15:25,440

get to mufon symposium in person if you

418

00:15:30,790 --> 00:15:28,160

can that's mufonsymposium.com

419

00:15:33,430 --> 00:15:30,800

if you can't you've got to buy the live

420

00:15:35,670 --> 00:15:33,440

stream and get there for that because

421

00:15:37,670 --> 00:15:35,680

it's going to be classic it's going to

422

00:15:39,750 --> 00:15:37,680

be one of those ones that we all go home

423

00:15:42,710 --> 00:15:39,760

and go oh my god

424

00:15:45,030 --> 00:15:42,720

i'm so glad i was at this one okay

425

00:15:47,829 --> 00:15:45,040

all right now i've got an amazing guest

426
00:15:50,389 --> 00:15:47,839
tonight and uh he was introduced to me

427
00:15:51,590 --> 00:15:50,399
by a good friend of mine named greg

428
00:15:54,870 --> 00:15:51,600
who is

429
00:15:57,910 --> 00:15:54,880
a friend of roger stones who um i have

430
00:16:00,470 --> 00:15:57,920
known for gosh quite a few years now

431
00:16:02,710 --> 00:16:00,480
and uh greg has been wonderful to me

432
00:16:04,629 --> 00:16:02,720
we've had a great relationship

433
00:16:06,710 --> 00:16:04,639
we just have a lot of fun together and

434
00:16:09,749 --> 00:16:06,720
he's such an amazing guy

435
00:16:13,110 --> 00:16:09,759
and he said to me last week or about two

436
00:16:17,749 --> 00:16:13,120
weeks ago now maybe uh i met this guy

437
00:16:20,629 --> 00:16:17,759
his name is trey and uh he is really an

438
00:16:24,230 --> 00:16:20,639

interesting guy his name is trey smith

439

00:16:25,629 --> 00:16:24,240

and he has a website called

440

00:16:27,990 --> 00:16:25,639

god in a

441

00:16:31,670 --> 00:16:28,000

nutshell.com i want you guys all to go

442

00:16:34,389 --> 00:16:31,680

there it's god in a nutshell.com

443

00:16:35,990 --> 00:16:34,399

and i'm going to go to inception radio

444

00:16:38,470 --> 00:16:36,000

you guys you know when i screech in the

445

00:16:41,509 --> 00:16:38,480

driveway at high speed volume and run in

446

00:16:44,310 --> 00:16:41,519

the door and sit in the chair i forget

447

00:16:45,350 --> 00:16:44,320

to go to the website and get in the chat

448

00:16:47,590 --> 00:16:45,360

room

449

00:16:51,430 --> 00:16:47,600

so i'm gonna do that right

450

00:16:53,030 --> 00:16:51,440

and i want to do god in a nutshell.com

451
00:16:55,749 --> 00:16:53,040
and we're going to be talking about

452
00:16:58,790 --> 00:16:55,759
angels the the nephilim

453
00:17:00,069 --> 00:16:58,800
giants the end of times maybe i don't

454
00:17:01,350 --> 00:17:00,079
know what we're all going to talk about

455
00:17:03,430 --> 00:17:01,360
tonight because i've got to get over to

456
00:17:05,429 --> 00:17:03,440
the website too is we're going to talk

457
00:17:07,510 --> 00:17:05,439
about everything that we can find on

458
00:17:10,470 --> 00:17:07,520
that website but before we get to the

459
00:17:12,630 --> 00:17:10,480
website trey are you with me

460
00:17:14,230 --> 00:17:12,640
yeah i'm on with you lori and it's

461
00:17:16,390 --> 00:17:14,240
wonderful

462
00:17:19,990 --> 00:17:16,400
yeah it's great i'm glad you're here so

463
00:17:21,750 --> 00:17:20,000

here's the deal i i try my best not to

464

00:17:24,789 --> 00:17:21,760

meet the people i'm gonna have on my

465

00:17:27,270 --> 00:17:24,799

radio show until the radio show because

466

00:17:28,870 --> 00:17:27,280

i like to meet people live on air and

467

00:17:30,630 --> 00:17:28,880

talk to you just like i would if you

468

00:17:31,510 --> 00:17:30,640

were at my house having a cup of coffee

469

00:17:33,190 --> 00:17:31,520

with me

470

00:17:34,950 --> 00:17:33,200

and let everybody else hear what we're

471

00:17:37,669 --> 00:17:34,960

yacking about so

472

00:17:40,070 --> 00:17:37,679

here's the thing i don't read bios i

473

00:17:41,510 --> 00:17:40,080

never do i hate them i think bios are

474

00:17:42,870 --> 00:17:41,520

very you know

475

00:17:44,870 --> 00:17:42,880

they're they are what they are they're

476

00:17:46,789 --> 00:17:44,880

fine they do their job for a book or you

477

00:17:48,710 --> 00:17:46,799

know whatever for

478

00:17:50,870 --> 00:17:48,720

tv appearance or you know people want to

479

00:17:53,350 --> 00:17:50,880

know about you but i've got you here

480

00:17:55,110 --> 00:17:53,360

you're live i've never met you before

481

00:17:57,190 --> 00:17:55,120

how did you get to where you're at now

482

00:17:59,990 --> 00:17:57,200

and can you give us what you consider as

483

00:18:02,150 --> 00:18:00,000

your biographical background about how

484

00:18:05,750 --> 00:18:02,160

you got to build god in a nutshell and

485

00:18:09,430 --> 00:18:07,590

kind of like a kite and a hurricane out

486

00:18:10,630 --> 00:18:09,440

here i um

487

00:18:13,350 --> 00:18:10,640

um

488

00:18:14,789 --> 00:18:13,360

that's a uh that that's that's a very i

489

00:18:19,669 --> 00:18:14,799

tell you what

490

00:18:22,070 --> 00:18:19,679

i um uh some very good people spoke very

491

00:18:23,350 --> 00:18:22,080

uh highly of you on your show and i just

492

00:18:28,549 --> 00:18:23,360

uh

493

00:18:30,070 --> 00:18:28,559

stuff out so i could um to do this

494

00:18:33,750 --> 00:18:30,080

tonight i

495

00:18:37,029 --> 00:18:33,760

um greg called up he said

496

00:18:39,110 --> 00:18:37,039

this lady is an organizer in california

497

00:18:42,310 --> 00:18:39,120

and she does

498

00:18:44,710 --> 00:18:42,320

a battery of really wonderful things is

499

00:18:45,750 --> 00:18:44,720

it sounds like you pull a lot of strings

500

00:18:47,350 --> 00:18:45,760

so

501
00:18:48,549 --> 00:18:47,360
to me on this end of the phone it's an

502
00:18:50,070 --> 00:18:48,559
honor to

503
00:18:51,750 --> 00:18:50,080
to talk to you and to be on the phone

504
00:18:53,590 --> 00:18:51,760
with you how the guidelines help project

505
00:18:54,830 --> 00:18:53,600
start well

506
00:18:59,350 --> 00:18:54,840
uh

507
00:19:01,909 --> 00:18:59,360
years before there was a god in a

508
00:19:03,909 --> 00:19:01,919
nutshell project i had written a book

509
00:19:05,029 --> 00:19:03,919
called these

510
00:19:07,750 --> 00:19:05,039
and

511
00:19:08,870 --> 00:19:07,760
uh this is a book that uh

512
00:19:10,470 --> 00:19:08,880
um

513
00:19:12,230 --> 00:19:10,480

we i ended up pulling it off of the

514

00:19:14,390 --> 00:19:12,240

market it's just it was a self-published

515

00:19:15,990 --> 00:19:14,400

book so

516

00:19:17,110 --> 00:19:16,000

um

517

00:19:18,870 --> 00:19:17,120

there were

518

00:19:22,470 --> 00:19:18,880

um

519

00:19:26,710 --> 00:19:22,480

do before we we go through any of that

520

00:19:30,470 --> 00:19:26,720

what i do uh i make documentaries so the

521

00:19:33,190 --> 00:19:30,480

lord moves on my heart to do something

522

00:19:35,750 --> 00:19:33,200

and a lot of times i won't put up any

523

00:19:38,150 --> 00:19:35,760

uh you know beforehand advertising for

524

00:19:39,270 --> 00:19:38,160

things sometimes we do i used to in the

525

00:19:41,350 --> 00:19:39,280

past i

526

00:19:42,150 --> 00:19:41,360

i know how it is being late for example

527

00:19:46,390 --> 00:19:42,160

when

528

00:19:48,950 --> 00:19:46,400

uh i was months and months and months

529

00:19:50,070 --> 00:19:48,960

late and um so

530

00:19:50,950 --> 00:19:50,080

there would be

531

00:19:52,630 --> 00:19:50,960

you know

532

00:19:54,230 --> 00:19:52,640

thousands of messages

533

00:19:56,230 --> 00:19:54,240

from people saying you know where is you

534

00:19:57,750 --> 00:19:56,240

know and then you know saying you're a

535

00:19:59,990 --> 00:19:57,760

liar it hasn't come out which is one of

536

00:20:02,310 --> 00:20:00,000

the reasons we don't we don't do uh

537

00:20:03,350 --> 00:20:02,320

uh oftentimes i don't do dates on stuff

538

00:20:07,270 --> 00:20:03,360

anymore

539

00:20:09,390 --> 00:20:07,280

or try to be real careful when i do um

540

00:20:11,590 --> 00:20:09,400

but some of the most thorough

541

00:20:13,590 --> 00:20:11,600

presentations that you'll find on the

542

00:20:15,350 --> 00:20:13,600

internet so you'll generally find the

543

00:20:16,950 --> 00:20:15,360

god in the nutshell stuff for the trace

544

00:20:21,590 --> 00:20:16,960

my stuff

545

00:20:23,510 --> 00:20:21,600

at the top of these topics so if it's

546

00:20:25,510 --> 00:20:23,520

the one on the nephilim it's the one and

547

00:20:27,990 --> 00:20:25,520

that's not because i'm wonderful it's

548

00:20:30,149 --> 00:20:28,000

not because trust me i you can't ask

549

00:20:32,789 --> 00:20:30,159

anybody that knows me personally i

550

00:20:34,630 --> 00:20:32,799

make more mistakes and barely stumble my

551
00:20:37,430 --> 00:20:34,640
way through i'm amazed i made it to your

552
00:20:41,350 --> 00:20:37,440
show to your show tonight

553
00:20:42,470 --> 00:20:41,360
um but i do make it i do make it

554
00:20:43,669 --> 00:20:42,480
and

555
00:20:45,270 --> 00:20:43,679
um

556
00:20:48,710 --> 00:20:45,280
the

557
00:20:50,710 --> 00:20:48,720
things

558
00:20:53,350 --> 00:20:50,720
i i found that the property that you

559
00:20:55,430 --> 00:20:53,360
mentioned a few minutes ago uh kind of

560
00:20:57,430 --> 00:20:55,440
interesting as well that you if you have

561
00:20:59,029 --> 00:20:57,440
time at the end of the conversation we

562
00:21:02,149 --> 00:20:59,039
they talk about that there's a lot of

563
00:21:04,230 --> 00:21:02,159

rich symbolism in what she said there if

564

00:21:07,350 --> 00:21:04,240

on my view i'm somebody that kind of

565

00:21:08,230 --> 00:21:07,360

looks at that that kind of stuff

566

00:21:13,350 --> 00:21:08,240

um

567

00:21:15,669 --> 00:21:13,360

uh

568

00:21:18,950 --> 00:21:15,679

this last project that we've been

569

00:21:20,390 --> 00:21:18,960

working on so you mentioned roger stone

570

00:21:21,350 --> 00:21:20,400

a little bit ago and some of these men

571

00:21:30,789 --> 00:21:21,360

we

572

00:21:32,950 --> 00:21:30,799

a friend of mine rick derringer he

573

00:21:35,350 --> 00:21:32,960

uh did songs like rock and roll hoochie

574

00:21:38,070 --> 00:21:35,360

too and these kind of things

575

00:21:39,350 --> 00:21:38,080

he was doing a tour and he says would

576

00:21:43,590 --> 00:21:39,360

you

577

00:21:45,430 --> 00:21:43,600

come through austin and san antonio

578

00:21:47,430 --> 00:21:45,440

and that that's an area that i've always

579

00:21:49,350 --> 00:21:47,440

that i've always loved i grew up out

580

00:21:51,110 --> 00:21:49,360

there you know i have a particular

581

00:21:52,950 --> 00:21:51,120

fondness for the river out there where

582

00:21:55,190 --> 00:21:52,960

the guadalupe is

583

00:21:57,029 --> 00:21:55,200

that's the area where i where i grew up

584

00:21:58,549 --> 00:21:57,039

and one of these times

585

00:22:00,310 --> 00:21:58,559

i'm going to be able to ride that river

586

00:22:01,830 --> 00:22:00,320

and sit on a tube and do it again i've

587

00:22:04,070 --> 00:22:01,840

been looking forward to that for a long

588

00:22:07,909 --> 00:22:04,080

time oh that sounds like fun that sounds

589

00:22:13,350 --> 00:22:10,789

yeah we went through and i i had never i

590

00:22:14,630 --> 00:22:13,360

had never met this man uh this man greg

591

00:22:17,669 --> 00:22:14,640

before

592

00:22:19,990 --> 00:22:17,679

uh this was a really he was a wonderful

593

00:22:22,950 --> 00:22:20,000

guy so he i i

594

00:22:25,830 --> 00:22:22,960

i went with rick we i followed him we

595

00:22:28,070 --> 00:22:25,840

went uh so he did a show in insanity

596

00:22:30,390 --> 00:22:28,080

shows were incredible by the way

597

00:22:32,230 --> 00:22:30,400

uh but he did a show in san antonio he

598

00:22:33,510 --> 00:22:32,240

did maybe he did one in austin he did

599

00:22:34,470 --> 00:22:33,520

one

600

00:22:35,669 --> 00:22:34,480

down in

601
00:22:37,430 --> 00:22:35,679
dallas

602
00:22:39,909 --> 00:22:37,440
and um

603
00:22:42,310 --> 00:22:39,919
and that's where that's where greg was

604
00:22:43,669 --> 00:22:42,320
and when we came back was greg that

605
00:22:46,070 --> 00:22:43,679
wanted uh

606
00:22:48,870 --> 00:22:46,080
that invited me to go over there to the

607
00:22:51,750 --> 00:22:48,880
alex jones show and

608
00:22:53,830 --> 00:22:51,760
uh and that from my view that was an

609
00:22:56,710 --> 00:22:53,840
honor because this was the first time

610
00:22:58,630 --> 00:22:56,720
that i had met those folks

611
00:23:01,430 --> 00:22:58,640
and um

612
00:23:02,710 --> 00:23:01,440
just really just really enjoyed that

613
00:23:04,950 --> 00:23:02,720

lauren

614

00:23:07,510 --> 00:23:04,960

but yeah you know i just

615

00:23:10,070 --> 00:23:07,520

yeah i just wanted to cut in and say uh

616

00:23:12,149 --> 00:23:10,080

greg is truly you know when greg says

617

00:23:14,230 --> 00:23:12,159

he's doing something he does it he's

618

00:23:16,630 --> 00:23:14,240

he's one of my favorite people to work

619

00:23:19,430 --> 00:23:16,640

with because he always comes through you

620

00:23:21,590 --> 00:23:19,440

know he's just he's he's an amazing dude

621

00:23:23,590 --> 00:23:21,600

that's all i got to say

622

00:23:25,270 --> 00:23:23,600

you know if i if i didn't have greg in

623

00:23:27,110 --> 00:23:25,280

my life i wouldn't have anybody that

624

00:23:29,029 --> 00:23:27,120

text at four o'clock in the morning and

625

00:23:33,110 --> 00:23:29,039

say hey this whole thing's blown up you

626

00:23:37,830 --> 00:23:35,990

you can sense that you can sense that

627

00:23:43,990 --> 00:23:37,840

what's funny

628

00:23:46,630 --> 00:23:44,000

to sense this in people where you

629

00:23:48,310 --> 00:23:46,640

have really um

630

00:23:51,029 --> 00:23:48,320

got people where you're surrounded by

631

00:23:52,070 --> 00:23:51,039

people in fact that's what i pray for in

632

00:23:54,230 --> 00:23:52,080

my life

633

00:23:56,230 --> 00:23:54,240

on a date and and the lord is good

634

00:23:58,870 --> 00:23:56,240

enough and you and in fact rick said

635

00:24:01,190 --> 00:23:58,880

this i was working on some clips tonight

636

00:24:02,070 --> 00:24:01,200

and um one of the gals had said well you

637

00:24:06,630 --> 00:24:02,080

know

638

00:24:07,830 --> 00:24:06,640

coincidences a lot and he's right about

639

00:24:09,350 --> 00:24:07,840

that

640

00:24:10,950 --> 00:24:09,360

and so

641

00:24:13,350 --> 00:24:10,960

when we were in israel rick and i went

642

00:24:16,630 --> 00:24:13,360

to israel a few months back

643

00:24:19,430 --> 00:24:16,640

and um so we went out to a lot of the

644

00:24:20,710 --> 00:24:19,440

sites that you know and you know that

645

00:24:22,070 --> 00:24:20,720

people don't even believe are real for

646

00:24:24,870 --> 00:24:22,080

example

647

00:24:26,630 --> 00:24:24,880

uh we drove into jericho so it's going

648

00:24:27,669 --> 00:24:26,640

to tell you on all the tourist maps that

649

00:24:29,430 --> 00:24:27,679

you should

650

00:24:31,430 --> 00:24:29,440

you know that you definitely did not

651
00:24:33,110 --> 00:24:31,440
want to drive into jail we filmed all of

652
00:24:34,149 --> 00:24:33,120
this so we had

653
00:24:37,029 --> 00:24:34,159
uh

654
00:24:37,750 --> 00:24:37,039
we had a man there to lance lance who's

655
00:24:39,750 --> 00:24:37,760
uh

656
00:24:42,549 --> 00:24:39,760
he did the iceberg out here for the

657
00:24:43,909 --> 00:24:42,559
titanic and he uh

658
00:24:45,430 --> 00:24:43,919
he did the whales that are up there in

659
00:24:46,950 --> 00:24:45,440
the smithsonian and these kind of things

660
00:24:49,750 --> 00:24:46,960
he went with us and he

661
00:24:52,470 --> 00:24:49,760
you know trey i i gotta interrupt you

662
00:24:54,470 --> 00:24:52,480
for one second because i don't know

663
00:24:56,710 --> 00:24:54,480

anything about your production

664

00:24:59,430 --> 00:24:56,720

experience or how you met rick derringer

665

00:25:01,269 --> 00:24:59,440

and all these guys were you in the film

666

00:25:03,110 --> 00:25:01,279

industry or anything and we'll get back

667

00:25:04,950 --> 00:25:03,120

to jericho here in just a minute but i

668

00:25:06,789 --> 00:25:04,960

just need to know a little background

669

00:25:08,870 --> 00:25:06,799

because it sounds like you're you're

670

00:25:11,110 --> 00:25:08,880

making documentaries you're doing a lot

671

00:25:13,190 --> 00:25:11,120

of things you're already out there kind

672

00:25:14,390 --> 00:25:13,200

of in the like you know production

673

00:25:16,549 --> 00:25:14,400

industry

674

00:25:20,470 --> 00:25:16,559

and it sounds like you're doing a lot of

675

00:25:21,990 --> 00:25:20,480

it in um with a religious uh background

676

00:25:23,909 --> 00:25:22,000

to it and

677

00:25:26,789 --> 00:25:23,919

maybe not i haven't checked out all your

678

00:25:29,029 --> 00:25:26,799

videos yet here that says free energy is

679

00:25:31,269 --> 00:25:29,039

if you know it's free energy real

680

00:25:33,110 --> 00:25:31,279

um on the website which really intrigued

681

00:25:35,990 --> 00:25:33,120

me so it sounds like you're kind of into

682

00:25:38,390 --> 00:25:36,000

a lot of different things is that true

683

00:25:42,149 --> 00:25:38,400

yeah yeah okay so

684

00:25:43,909 --> 00:25:42,159

uh so the free energies well um well we

685

00:25:46,310 --> 00:25:43,919

can get to that in a minute but do you

686

00:25:48,070 --> 00:25:46,320

have like a television studio background

687

00:25:50,789 --> 00:25:48,080

i mean how did you meet all these people

688

00:25:52,950 --> 00:25:50,799

just quickly i mean did you you know i

689

00:25:56,710 --> 00:25:52,960

just sort of stumbled my way through

690

00:26:01,029 --> 00:25:56,720

this life and uh unusual things happen i

691

00:26:05,990 --> 00:26:03,110

well now let me tell you something

692

00:26:08,149 --> 00:26:06,000

that's not too far-fetched because

693

00:26:09,830 --> 00:26:08,159

that's exactly what happened to me you

694

00:26:11,669 --> 00:26:09,840

know people go how did you meet all

695

00:26:15,350 --> 00:26:11,679

these people and i go i haven't the

696

00:26:17,350 --> 00:26:15,360

foggiest idea it was laid out for me i

697

00:26:19,110 --> 00:26:17,360

you know i i would meet one i meet the

698

00:26:21,750 --> 00:26:19,120

next and meet the next i go how did this

699

00:26:24,950 --> 00:26:21,760

all happen if you told me

700

00:26:27,029 --> 00:26:24,960

five or six years ago no 2011 is when

701

00:26:29,269 --> 00:26:27,039

everything changed for me i had a

702

00:26:30,149 --> 00:26:29,279

weekend that was like on my weekend from

703

00:26:32,390 --> 00:26:30,159

hell

704

00:26:35,029 --> 00:26:32,400

that actually was my weekend where i i

705

00:26:37,190 --> 00:26:35,039

met my angels and you know everything

706

00:26:39,029 --> 00:26:37,200

changed in my entire life completely

707

00:26:41,350 --> 00:26:39,039

changed took a 360 like you wouldn't

708

00:26:44,710 --> 00:26:41,360

believe or 180 or whatever they call it

709

00:26:47,190 --> 00:26:44,720

and uh here i sit so now back in the day

710

00:26:48,470 --> 00:26:47,200

i'm listening to art bell well you know

711

00:26:50,070 --> 00:26:48,480

thinking you know these people are

712

00:26:52,549 --> 00:26:50,080

wonderful you know and the next thing i

713

00:26:54,149 --> 00:26:52,559

know they're all my friends you know and

714

00:26:55,990 --> 00:26:54,159

this is like 10 years later and i'm

715

00:26:58,390 --> 00:26:56,000

going what happened i didn't even expect

716

00:27:01,510 --> 00:26:58,400

this i didn't even ask for it i didn't

717

00:27:03,750 --> 00:27:01,520

want it it wasn't like this is where i

718

00:27:06,630 --> 00:27:03,760

was headed trust me

719

00:27:07,830 --> 00:27:06,640

so i know exactly what you mean did you

720

00:27:11,350 --> 00:27:07,840

have

721

00:27:13,190 --> 00:27:11,360

a moment a time an incident an accident

722

00:27:15,110 --> 00:27:13,200

a sickness or did you have something

723

00:27:17,590 --> 00:27:15,120

that just one day you woke up and you

724

00:27:19,510 --> 00:27:17,600

went oh i guess i'm heading the other

725

00:27:21,350 --> 00:27:19,520

direction because god or somebody just

726

00:27:23,590 --> 00:27:21,360

spoke to me and said

727

00:27:25,350 --> 00:27:23,600

you're moving on you know now it's time

728

00:27:27,510 --> 00:27:25,360

to get to work basically that's what

729

00:27:29,190 --> 00:27:27,520

they told me they said guess what it's

730

00:27:31,590 --> 00:27:29,200

time to get to work now we've given you

731

00:27:33,590 --> 00:27:31,600

a break for 53 years

732

00:27:35,590 --> 00:27:33,600

guess what it's over now your work

733

00:27:37,669 --> 00:27:35,600

begins so

734

00:27:40,870 --> 00:27:37,679

did that happen to you

735

00:27:44,070 --> 00:27:40,880

no no i uh the harder i work the luckier

736

00:27:46,310 --> 00:27:44,080

i got um the uh

737

00:27:48,710 --> 00:27:46,320

no that's interesting

738

00:27:49,750 --> 00:27:48,720

yeah nowadays it's uh

739

00:27:50,789 --> 00:27:49,760

um

740

00:27:52,149 --> 00:27:50,799

the

741

00:27:55,669 --> 00:27:52,159

uh

742

00:27:56,710 --> 00:27:55,679

i um

743

00:27:59,669 --> 00:27:56,720

uh

744

00:28:00,710 --> 00:27:59,679

so yes i make documentaries lauren i i

745

00:28:03,110 --> 00:28:00,720

do

746

00:28:05,190 --> 00:28:03,120

talk to batteries

747

00:28:07,830 --> 00:28:05,200

and um

748

00:28:11,110 --> 00:28:07,840

um i came out of the drug world glorion

749

00:28:12,070 --> 00:28:11,120

pretty um um a pretty intense version of

750

00:28:14,230 --> 00:28:12,080

it

751
00:28:15,029 --> 00:28:14,240
um

752
00:28:16,630 --> 00:28:15,039
there's

753
00:28:18,870 --> 00:28:16,640
a lot of people have come out of the

754
00:28:21,750 --> 00:28:18,880
drug world believe me this is you aren't

755
00:28:24,070 --> 00:28:21,760
the first one to say that on my show

756
00:28:26,389 --> 00:28:24,080
which is even more funny actually yeah

757
00:28:27,909 --> 00:28:26,399
so anyhow well probably

758
00:28:30,230 --> 00:28:27,919
probably probably

759
00:28:31,830 --> 00:28:30,240
probably most people you're generally

760
00:28:34,789 --> 00:28:31,840
speaking lorient

761
00:28:36,789 --> 00:28:34,799
uh an attack and what that is is it's so

762
00:28:39,750 --> 00:28:36,799
if if your life is attacked with

763
00:28:41,669 --> 00:28:39,760

something like if you're if your life is

764

00:28:44,230 --> 00:28:41,679

uh you're gonna find there's some of the

765

00:28:46,310 --> 00:28:44,240

best everything here in this place this

766

00:28:47,909 --> 00:28:46,320

place we're in everything here

767

00:28:50,070 --> 00:28:47,919

just like um

768

00:28:52,710 --> 00:28:50,080

one of the common sayings is so is above

769

00:28:54,310 --> 00:28:52,720

so below you hear this a lot in

770

00:28:56,830 --> 00:28:54,320

a lot of different groups

771

00:28:59,590 --> 00:28:56,840

everything in this place is is upside

772

00:29:01,590 --> 00:28:59,600

down it's like a reflection so you like

773

00:29:03,909 --> 00:29:01,600

you have the the obelisk out there at

774

00:29:05,430 --> 00:29:03,919

the white house that's up so this is

775

00:29:07,830 --> 00:29:05,440

um

776

00:29:10,549 --> 00:29:07,840

it's a symbol for osiris but but you've

777

00:29:12,950 --> 00:29:10,559

got the water there where you can see it

778

00:29:13,669 --> 00:29:12,960

upside down upside down in the water

779

00:29:15,430 --> 00:29:13,679

well

780

00:29:17,750 --> 00:29:15,440

that's how the systems are that's why

781

00:29:20,149 --> 00:29:17,760

when you look in the pod that's why

782

00:29:22,230 --> 00:29:20,159

uh that that's what has got alex jones

783

00:29:24,070 --> 00:29:22,240

for example screaming that's what our

784

00:29:26,710 --> 00:29:24,080

documentaries do that's what that's what

785

00:29:29,430 --> 00:29:26,720

the mufon people have been trying to

786

00:29:31,510 --> 00:29:29,440

to do and that's a group by the way that

787

00:29:32,630 --> 00:29:31,520

i really have a lot of respect for

788

00:29:34,070 --> 00:29:32,640

because

789

00:29:36,549 --> 00:29:34,080

in

790

00:29:38,950 --> 00:29:36,559

when the ufo

791

00:29:40,630 --> 00:29:38,960

stuff there's a lot of uh

792

00:29:42,549 --> 00:29:40,640

that there's a lot particularly on the

793

00:29:45,190 --> 00:29:42,559

internet you would go in there and one

794

00:29:46,950 --> 00:29:45,200

of the things that i i really respected

795

00:29:48,710 --> 00:29:46,960

about a few different people one of them

796

00:29:52,230 --> 00:29:48,720

is brian forrester

797

00:29:55,350 --> 00:29:52,240

i love brian yeah he's great yeah yeah

798

00:29:57,669 --> 00:29:55,360

he he is he for me he would be a go-to

799

00:29:59,110 --> 00:29:57,679

guy for something in peru

800

00:30:00,549 --> 00:29:59,120

uh but the

801
00:30:02,310 --> 00:30:00,559
um

802
00:30:05,669 --> 00:30:02,320
what uh

803
00:30:08,070 --> 00:30:05,679
what mufon did really well and i was

804
00:30:09,269 --> 00:30:08,080
thrilled when uh when i was told this

805
00:30:11,029 --> 00:30:09,279
this lady

806
00:30:13,269 --> 00:30:11,039
has been an organizer for this group

807
00:30:14,710 --> 00:30:13,279
they were good with the science of the

808
00:30:16,789 --> 00:30:14,720
stuff and this is something that the

809
00:30:18,870 --> 00:30:16,799
universities which was

810
00:30:21,110 --> 00:30:18,880
a large complaint in some of the early

811
00:30:22,710 --> 00:30:21,120
god in the night show videos was about

812
00:30:24,310 --> 00:30:22,720
was about the um

813
00:30:25,590 --> 00:30:24,320

the universities you've got a lot of

814

00:30:27,350 --> 00:30:25,600

degrees that are that are nearly

815

00:30:29,909 --> 00:30:27,360

absolutely worthless

816

00:30:31,110 --> 00:30:29,919

because of the fact that uh

817

00:30:33,430 --> 00:30:31,120

uh

818

00:30:35,590 --> 00:30:33,440

teaching things that that literally in

819

00:30:37,110 --> 00:30:35,600

some instances don't don't even exist or

820

00:30:39,029 --> 00:30:37,120

won't exist in the

821

00:30:40,149 --> 00:30:39,039

uh and the universities would know this

822

00:30:41,669 --> 00:30:40,159

but that they wouldn't they're not

823

00:30:43,350 --> 00:30:41,679

vetting stuff

824

00:30:45,510 --> 00:30:43,360

you find this in your news that it's

825

00:30:46,870 --> 00:30:45,520

upside down you find it in your sciences

826

00:30:48,789 --> 00:30:46,880

that they're telling you things that are

827

00:30:50,310 --> 00:30:48,799

upside down i mean this is i mean you

828

00:30:52,230 --> 00:30:50,320

had your sciences at one point telling

829

00:30:54,630 --> 00:30:52,240

you cigarettes were healthy

830

00:30:55,830 --> 00:30:54,640

uh the so and there's there's good

831

00:30:57,510 --> 00:30:55,840

people

832

00:30:59,430 --> 00:30:57,520

this week at lowe's you'll get great

833

00:31:01,190 --> 00:30:59,440

savings during our outdoor entertaining

834

00:31:03,350 --> 00:31:01,200

event get a smoking hot deal on a

835

00:31:06,549 --> 00:31:03,360

chargriller super pro charcoal grill now

836

00:31:08,070 --> 00:31:06,559

for just 99 that's a 30 savings and if

837

00:31:09,990 --> 00:31:08,080

you're inviting people over for that

838

00:31:11,909 --> 00:31:10,000

backyard barbecue make sure your

839

00:31:14,389 --> 00:31:11,919

landscape looks in tip top shape with

840

00:31:16,310 --> 00:31:14,399

premium mulch now five bags are just ten

841

00:31:18,510 --> 00:31:16,320

dollars all projects have a starting

842

00:31:20,870 --> 00:31:18,520

point start with lows offers valid

843

00:31:22,149 --> 00:31:20,880

621-628 while supplies last u.s only

844

00:31:23,669 --> 00:31:22,159

mulch color and selection vary by

845

00:31:25,430 --> 00:31:23,679

location offer not valid in alaska

846

00:31:27,830 --> 00:31:25,440

hawaii

847

00:31:29,909 --> 00:31:27,840

in all of these different segments in

848

00:31:31,350 --> 00:31:29,919

your politics and your sciences and

849

00:31:33,590 --> 00:31:31,360

these things

850

00:31:36,149 --> 00:31:33,600

but mufon was one of the organizations

851

00:31:37,990 --> 00:31:36,159

that would really invest stuff from a

852

00:31:39,990 --> 00:31:38,000

scientific perspective and they would

853

00:31:41,669 --> 00:31:40,000

send people out and they i mean you're

854

00:31:43,430 --> 00:31:41,679

dealing with things that are in a lot of

855

00:31:45,430 --> 00:31:43,440

ways intangible anyway but they were

856

00:31:47,990 --> 00:31:45,440

doing the best they could and i always

857

00:31:49,990 --> 00:31:48,000

respected the organization

858

00:31:51,110 --> 00:31:50,000

of mufon i really

859

00:31:52,789 --> 00:31:51,120

uh

860

00:31:54,470 --> 00:31:52,799

to me that's always something that

861

00:31:56,630 --> 00:31:54,480

shines out is

862

00:31:58,070 --> 00:31:56,640

because it's not even taught let me give

863

00:31:59,909 --> 00:31:58,080

you another practical example in the

864

00:32:01,590 --> 00:31:59,919

universities

865

00:32:03,430 --> 00:32:01,600

in terms of things being upside down so

866

00:32:05,669 --> 00:32:03,440

if you go to law school and everyone

867

00:32:07,029 --> 00:32:05,679

will complain about the justice system

868

00:32:08,630 --> 00:32:07,039

even the people that are in the justice

869

00:32:10,070 --> 00:32:08,640

system will complain about the justice

870

00:32:12,070 --> 00:32:10,080

system well

871

00:32:13,990 --> 00:32:12,080

uh you're fighting that in law school

872

00:32:14,710 --> 00:32:14,000

they're actually you know the best crook

873

00:32:16,630 --> 00:32:14,720

is

874

00:32:19,590 --> 00:32:16,640

the top dog that's how you get the big

875

00:32:22,149 --> 00:32:19,600

bucks right is you uh you lie the best i

876
00:32:24,549 --> 00:32:22,159
mean that this is openly taught

877
00:32:25,990 --> 00:32:24,559
and so it's really

878
00:32:29,909 --> 00:32:26,000
um

879
00:32:33,430 --> 00:32:29,919
that

880
00:32:35,909 --> 00:32:33,440
um

881
00:32:37,750 --> 00:32:35,919
uh and the most wicked people end up on

882
00:32:39,990 --> 00:32:37,760
top of our systems actually they've

883
00:32:41,509 --> 00:32:40,000
competed in their wickedness to get

884
00:32:43,430 --> 00:32:41,519
there and and

885
00:32:45,269 --> 00:32:43,440
they're excited that's true

886
00:32:46,950 --> 00:32:45,279
and but

887
00:32:49,430 --> 00:32:46,960
yeah and there's one other part to this

888
00:32:51,909 --> 00:32:49,440

that we've got to remember these most of

889

00:32:55,909 --> 00:32:51,919

these people that achieve that level of

890

00:32:58,389 --> 00:32:55,919

wickedness or or you know or psychopath

891

00:33:01,029 --> 00:32:58,399

you know being psychopaths they're

892

00:33:03,110 --> 00:33:01,039

usually raised in a family that's very

893

00:33:05,990 --> 00:33:03,120

wealthy sends them off to these higher

894

00:33:09,350 --> 00:33:06,000

educational schools that actually teach

895

00:33:12,789 --> 00:33:09,360

them satanism behind the doors

896

00:33:15,669 --> 00:33:12,799

and these people are groomed from birth

897

00:33:18,630 --> 00:33:15,679

to take over the world as we know it

898

00:33:20,310 --> 00:33:18,640

and they are trained to be so different

899

00:33:22,870 --> 00:33:20,320

when they are empathetic they are

900

00:33:24,789 --> 00:33:22,880

scolded and scorned and they are not

901
00:33:26,950 --> 00:33:24,799
taught love in the way that you and i

902
00:33:28,630 --> 00:33:26,960
have been taught love and

903
00:33:30,710 --> 00:33:28,640
they really

904
00:33:32,870 --> 00:33:30,720
it is a completely different life it's

905
00:33:34,870 --> 00:33:32,880
like another whole type of human being

906
00:33:37,830 --> 00:33:34,880
that i can't even describe

907
00:33:39,509 --> 00:33:37,840
and what most people don't understand is

908
00:33:41,590 --> 00:33:39,519
that that is real

909
00:33:45,350 --> 00:33:41,600
you know i talk to people all the time

910
00:33:46,630 --> 00:33:45,360
about satanism and about child sacrifice

911
00:33:48,070 --> 00:33:46,640
and you know

912
00:33:49,990 --> 00:33:48,080
don't i mean i'm not going to get into

913
00:33:52,070 --> 00:33:50,000

it on this show because i have another

914

00:33:55,110 --> 00:33:52,080

show dedicated to that the whole thing

915

00:33:56,230 --> 00:33:55,120

of mind control satanism blah blah blah

916

00:33:58,549 --> 00:33:56,240

but

917

00:34:00,789 --> 00:33:58,559

the bottom line here is these people are

918

00:34:02,630 --> 00:34:00,799

not trained like you or i they are

919

00:34:05,269 --> 00:34:02,640

lavished upon they are taught that

920

00:34:08,149 --> 00:34:05,279

empathy is bad they are taught to have

921

00:34:10,710 --> 00:34:08,159

uh sex with anybody that they can

922

00:34:13,430 --> 00:34:10,720

that love doesn't matter in that sense

923

00:34:15,510 --> 00:34:13,440

that that is a impediment to their

924

00:34:18,069 --> 00:34:15,520

growth and their success

925

00:34:20,470 --> 00:34:18,079

and you know it's completely different

926
00:34:23,430 --> 00:34:20,480
than most normal human beings

927
00:34:25,990 --> 00:34:23,440
and uh anyhow that's just my take on it

928
00:34:29,030 --> 00:34:26,000
having met these people that i consider

929
00:34:31,349 --> 00:34:29,040
very evil and uh i really do believe

930
00:34:32,950 --> 00:34:31,359
that trey and that's just but that's my

931
00:34:34,389 --> 00:34:32,960
opinion and what i've learned over the

932
00:34:36,389 --> 00:34:34,399
last five years

933
00:34:38,550 --> 00:34:36,399
so i think that's what you're trying to

934
00:34:40,869 --> 00:34:38,560
say right yeah well yeah well you're

935
00:34:43,270 --> 00:34:40,879
well yeah yeah it's it's there and then

936
00:34:46,869 --> 00:34:43,280
it but but it also brings us full circle

937
00:34:47,750 --> 00:34:46,879
to that drug world thing because exactly

938
00:34:54,230 --> 00:34:47,760

what

939

00:34:55,510 --> 00:34:54,240

bottom and why maybe a second ago a lot

940

00:34:57,109 --> 00:34:55,520

of the people that come on well a lot of

941

00:34:59,109 --> 00:34:57,119

the people in the world

942

00:35:00,790 --> 00:34:59,119

because you're gonna find that the

943

00:35:03,270 --> 00:35:00,800

people at the bottom

944

00:35:04,630 --> 00:35:03,280

are pulling most all if not all of the

945

00:35:07,109 --> 00:35:04,640

weight

946

00:35:09,190 --> 00:35:07,119

and and and and most of them in in both

947

00:35:12,390 --> 00:35:09,200

a physical sense as well as in a

948

00:35:14,790 --> 00:35:12,400

spiritual sense are being attacked

949

00:35:17,109 --> 00:35:14,800

in so many ways

950

00:35:19,190 --> 00:35:17,119

they're just everything but the kitchen

951
00:35:20,310 --> 00:35:19,200
sink is being thrown at their life and

952
00:35:27,349 --> 00:35:20,320
that's how

953
00:35:29,349 --> 00:35:27,359
most of the world is

954
00:35:31,270 --> 00:35:29,359
so you've you've got the the people that

955
00:35:33,030 --> 00:35:31,280
are absolutely worthless and are wicked

956
00:35:35,270 --> 00:35:33,040
as can be on the very top and you've got

957
00:35:37,030 --> 00:35:35,280
the people that can pull weight and are

958
00:35:38,950 --> 00:35:37,040
really good people and they just want to

959
00:35:40,790 --> 00:35:38,960
get out of their situation and they can

960
00:35:43,349 --> 00:35:40,800
and they don't know how

961
00:35:45,430 --> 00:35:43,359
uh that are the most oppressed that are

962
00:35:47,270 --> 00:35:45,440
the most preyed upon the nicer you are

963
00:35:49,510 --> 00:35:47,280

the more the shot that the jaws are

964

00:35:51,349 --> 00:35:49,520

going to sink into your back

965

00:35:54,150 --> 00:35:51,359

and uh

966

00:35:56,310 --> 00:35:54,160

and that's and that's and that's really

967

00:35:58,230 --> 00:35:56,320

uh the loss of when you when when

968

00:36:00,310 --> 00:35:58,240

someone says luciferianism or they're

969

00:36:01,750 --> 00:36:00,320

teaching elucidationism or the uh you

970

00:36:03,510 --> 00:36:01,760

know this group or that i don't know

971

00:36:05,910 --> 00:36:03,520

that they necessarily have to start rich

972

00:36:07,670 --> 00:36:05,920

so but i'm sure some of them do maybe a

973

00:36:09,750 --> 00:36:07,680

lot of them do you probably are more of

974

00:36:12,150 --> 00:36:09,760

an expert in that than me but i know

975

00:36:13,829 --> 00:36:12,160

it runs the gamut it runs the gamut from

976
00:36:15,990 --> 00:36:13,839
people who are just middle class all the

977
00:36:18,710 --> 00:36:16,000
way to you know poverty stricken people

978
00:36:20,550 --> 00:36:18,720
and that the very wealthy as well but um

979
00:36:23,109 --> 00:36:20,560
i can tell you this the people at the

980
00:36:25,670 --> 00:36:23,119
very bottom of the the food chain in in

981
00:36:28,390 --> 00:36:25,680
that whole group of people i i don't

982
00:36:30,470 --> 00:36:28,400
call people anymore in that whole group

983
00:36:32,150 --> 00:36:30,480
um they usually are doing the bidding of

984
00:36:34,390 --> 00:36:32,160
the people that are very wealthy within

985
00:36:36,470 --> 00:36:34,400
the community and they're taken care of

986
00:36:39,030 --> 00:36:36,480
to a point you know so there's never

987
00:36:40,870 --> 00:36:39,040
really anybody that is

988
00:36:42,710 --> 00:36:40,880

really poverty-stricken if you're

989

00:36:44,790 --> 00:36:42,720

following their game and their rules and

990

00:36:46,550 --> 00:36:44,800

being the the devil within that they

991

00:36:49,430 --> 00:36:46,560

want you to be you're usually never

992

00:36:51,430 --> 00:36:49,440

wanting for rent or or food or you know

993

00:36:53,910 --> 00:36:51,440

what have you so at least i've been

994

00:36:56,069 --> 00:36:53,920

discovering that lately too which is

995

00:36:57,430 --> 00:36:56,079

very interesting yeah yeah they're yeah

996

00:36:58,710 --> 00:36:57,440

they're they're

997

00:36:59,589 --> 00:36:58,720

well they're running the world so

998

00:37:02,550 --> 00:36:59,599

they're

999

00:37:04,870 --> 00:37:02,560

yeah i mean these guys got money to burn

1000

00:37:05,829 --> 00:37:04,880

literally

1001

00:37:07,829 --> 00:37:05,839

well

1002

00:37:10,230 --> 00:37:07,839

so um

1003

00:37:13,109 --> 00:37:10,240

yeah we anyhow so we kind of went off

1004

00:37:13,829 --> 00:37:13,119

the path of driving into jericho didn't

1005

00:37:19,829 --> 00:37:13,839

we

1006

00:37:23,430 --> 00:37:19,839

the path and and you but driving into

1007

00:37:25,430 --> 00:37:23,440

jericho is let's go there and so yeah

1008

00:37:27,349 --> 00:37:25,440

let's go there i'm curious about that

1009

00:37:29,829 --> 00:37:27,359

now i got a very good idea of what

1010

00:37:32,630 --> 00:37:29,839

you're all about now and i think i think

1011

00:37:35,030 --> 00:37:32,640

that you did that very well too because

1012

00:37:36,710 --> 00:37:35,040

um you make documentaries you've met

1013

00:37:39,109 --> 00:37:36,720

these people they've they've been placed

1014

00:37:40,069 --> 00:37:39,119

in your path and that's kind of it you

1015

00:37:41,670 --> 00:37:40,079

know i

1016

00:37:43,510 --> 00:37:41,680

and that you you did tell us you were

1017

00:37:46,470 --> 00:37:43,520

involved in the drug world and that's

1018

00:37:48,950 --> 00:37:46,480

you know that it is what it is and and

1019

00:37:50,630 --> 00:37:48,960

you know and and if you if you still

1020

00:37:52,630 --> 00:37:50,640

were and you were still the good person

1021

00:37:53,990 --> 00:37:52,640

you are i couldn't judge you for that

1022

00:37:57,190 --> 00:37:54,000

you know what i mean

1023

00:37:58,950 --> 00:37:57,200

it's literally um i take people

1024

00:38:00,870 --> 00:37:58,960

when they get on this show

1025

00:38:03,670 --> 00:38:00,880

their true selves come out i don't know

1026

00:38:05,109 --> 00:38:03,680

how that happens but it always does

1027

00:38:06,950 --> 00:38:05,119

it's kind of like

1028

00:38:09,990 --> 00:38:06,960

confessional here

1029

00:38:12,870 --> 00:38:10,000

and uh and you know what my people that

1030

00:38:14,630 --> 00:38:12,880

listen to my show are absolutely in love

1031

00:38:16,470 --> 00:38:14,640

with you you know why because you're

1032

00:38:18,630 --> 00:38:16,480

telling the truth and that's the most

1033

00:38:20,390 --> 00:38:18,640

important thing in the world right now

1034

00:38:22,630 --> 00:38:20,400

is that when people get on these radio

1035

00:38:24,790 --> 00:38:22,640

shows that they absolutely tell the

1036

00:38:26,710 --> 00:38:24,800

truth and there's nothing hidden anymore

1037

00:38:28,790 --> 00:38:26,720

and that's how i ended up on radio

1038

00:38:30,470 --> 00:38:28,800

because they said to me this it's time

1039

00:38:31,430 --> 00:38:30,480

it's time for everybody to tell their

1040

00:38:33,750 --> 00:38:31,440

truth

1041

00:38:35,589 --> 00:38:33,760

and i love that my guests all do that so

1042

00:38:37,510 --> 00:38:35,599

thank you for that trey thank you for

1043

00:38:40,230 --> 00:38:37,520

you know being you and telling us about

1044

00:38:43,670 --> 00:38:40,240

you i really appreciate it

1045

00:38:46,630 --> 00:38:43,680

so yeah and and then driving into so

1046

00:38:50,150 --> 00:38:46,640

this is this is one of the

1047

00:38:51,349 --> 00:38:50,160

they call it the oldest city of the

1048

00:38:53,990 --> 00:38:51,359

world and we

1049

00:38:56,790 --> 00:38:54,000

uh we also went to sodom and gomorrah we

1050

00:38:58,790 --> 00:38:56,800

went to uh what you know what let's

1051
00:39:01,510 --> 00:38:58,800
pause on that let's pause on jaco for a

1052
00:39:05,270 --> 00:39:01,520
second we went into sodom and gomorrah

1053
00:39:07,030 --> 00:39:05,280
and so and this is outside of um

1054
00:39:08,550 --> 00:39:07,040
it's just outside of masada you have to

1055
00:39:09,430 --> 00:39:08,560
know where it is

1056
00:39:12,150 --> 00:39:09,440
so

1057
00:39:13,829 --> 00:39:12,160
now in my case i i know

1058
00:39:16,150 --> 00:39:13,839
some of the people that played a role in

1059
00:39:17,990 --> 00:39:16,160
discovering it so we were able to go in

1060
00:39:20,390 --> 00:39:18,000
there and we had and the lord really

1061
00:39:22,310 --> 00:39:20,400
delivered us up guides

1062
00:39:23,910 --> 00:39:22,320
and we've actually got all of this on

1063
00:39:24,790 --> 00:39:23,920

film so so

1064

00:39:26,950 --> 00:39:24,800

um

1065

00:39:28,950 --> 00:39:26,960

so we drove in there we went we spent a

1066

00:39:31,670 --> 00:39:28,960

number of days in sodom and gomorrah we

1067

00:39:35,030 --> 00:39:31,680

drove we flew drones over it we

1068

00:39:36,790 --> 00:39:35,040

um we we did a lot of things nobody had

1069

00:39:38,390 --> 00:39:36,800

ever done before and that was part of

1070

00:39:40,470 --> 00:39:38,400

the objective it wasn't just driving

1071

00:39:42,230 --> 00:39:40,480

into jericho when you read in the bible

1072

00:39:44,790 --> 00:39:42,240

at the part of the wall where rahab was

1073

00:39:47,430 --> 00:39:44,800

was still standing i stood on it

1074

00:39:49,349 --> 00:39:47,440

i crawled inside a rams but well yeah i

1075

00:39:52,069 --> 00:39:49,359

tried we took cameras down in there rick

1076

00:39:53,589 --> 00:39:52,079

was standing yeah we went down in there

1077

00:39:55,589 --> 00:39:53,599

but we we went up there just sodom and

1078

00:39:57,190 --> 00:39:55,599

gomorrah now we only went into gomorrah

1079

00:39:58,230 --> 00:39:57,200

i didn't go to all because when when you

1080

00:40:00,390 --> 00:39:58,240

talk about sodom and gomorrah it's

1081

00:40:02,710 --> 00:40:00,400

really sodom gomorrah and ends of the

1082

00:40:06,390 --> 00:40:02,720

boeing and there's there's five cities

1083

00:40:08,550 --> 00:40:06,400

of the plane zohar is where lot ran to

1084

00:40:12,950 --> 00:40:08,560

and but you're in the area when you're

1085

00:40:14,390 --> 00:40:12,960

there this this next documentary set

1086

00:40:16,470 --> 00:40:14,400

what it's going to be called it so the

1087

00:40:18,390 --> 00:40:16,480

first one tentatively is going to be

1088

00:40:19,510 --> 00:40:18,400

called holy land

1089

00:40:20,470 --> 00:40:19,520

uh

1090

00:40:22,950 --> 00:40:20,480

the

1091

00:40:25,190 --> 00:40:22,960

uh a journey into israel unlike anything

1092

00:40:28,390 --> 00:40:25,200

on earth or something like this and

1093

00:40:30,310 --> 00:40:28,400

oftentimes i'll have a title in my this

1094

00:40:31,270 --> 00:40:30,320

happens to me quite a lot

1095

00:40:34,630 --> 00:40:31,280

and

1096

00:40:37,589 --> 00:40:34,640

this will this will change at the last

1097

00:40:41,109 --> 00:40:37,599

minute it did with the trump video

1098

00:40:42,550 --> 00:40:41,119

um actually it happens real frequently

1099

00:40:45,910 --> 00:40:42,560

uh and the other one will be real

1100

00:40:47,109 --> 00:40:45,920

american rock star and that one will be

1101

00:40:49,670 --> 00:40:47,119

uh

1102

00:40:52,069 --> 00:40:49,680

that that that one will be that that one

1103

00:40:55,750 --> 00:40:52,079

is one that's taking you into the rock

1104

00:40:58,230 --> 00:40:55,760

that this man rick derringer uh

1105

00:41:01,349 --> 00:40:58,240

of all the rock people now roger stone i

1106

00:41:03,670 --> 00:41:01,359

found it interesting when uh when i when

1107

00:41:06,069 --> 00:41:03,680

we were there at

1108

00:41:07,589 --> 00:41:06,079

rochester says this man is the is the

1109

00:41:08,790 --> 00:41:07,599

god of rock

1110

00:41:13,589 --> 00:41:08,800

and

1111

00:41:15,109 --> 00:41:13,599

this is a this is a really interesting

1112

00:41:18,390 --> 00:41:15,119

term

1113

00:41:20,710 --> 00:41:18,400

in in the different uh

1114

00:41:24,790 --> 00:41:20,720

people within these spectrums i can tell

1115

00:41:26,309 --> 00:41:24,800

you this that there is there is no one

1116

00:41:28,390 --> 00:41:26,319

that there's no one that could have

1117

00:41:29,910 --> 00:41:28,400

called me and i would have gone down and

1118

00:41:31,349 --> 00:41:29,920

hung out with them and gone to before

1119

00:41:33,430 --> 00:41:31,359

their shows

1120

00:41:34,950 --> 00:41:33,440

their um

1121

00:41:35,829 --> 00:41:34,960

there there's no one that could have

1122

00:41:38,309 --> 00:41:35,839

said

1123

00:41:40,230 --> 00:41:38,319

uh let's go to israel together

1124

00:41:43,030 --> 00:41:40,240

and i would have said let's go do this

1125

00:41:44,710 --> 00:41:43,040

in in that sense i just

1126

00:41:47,430 --> 00:41:44,720

um

1127

00:41:50,309 --> 00:41:47,440

really felt like uh

1128

00:41:53,430 --> 00:41:50,319

uh that there's there's a light

1129

00:41:55,430 --> 00:41:53,440

that shines through some people in this

1130

00:41:57,349 --> 00:41:55,440

a lot of people in this place a lot of

1131

00:41:58,069 --> 00:41:57,359

them are right out of those drug worlds

1132

00:42:00,309 --> 00:41:58,079

but

1133

00:42:01,990 --> 00:42:00,319

you'll find one of the things

1134

00:42:03,990 --> 00:42:02,000

that i would find in the in the drug

1135

00:42:05,190 --> 00:42:04,000

worlds which takes us back to biblical

1136

00:42:06,790 --> 00:42:05,200

times

1137

00:42:15,349 --> 00:42:06,800

is

1138

00:42:17,670 --> 00:42:15,359

well if you if you look at jesus

1139

00:42:19,990 --> 00:42:17,680

one of the things he in fact rahab that

1140

00:42:22,069 --> 00:42:20,000

portion of the wall that i stood on ray

1141

00:42:25,109 --> 00:42:22,079

god goes out of his way he could tell

1142

00:42:27,589 --> 00:42:25,119

you oh by the way she's a prostitute

1143

00:42:29,990 --> 00:42:27,599

that the beaten people the people of the

1144

00:42:33,430 --> 00:42:30,000

empire because that's that's an ancient

1145

00:42:36,950 --> 00:42:33,440

canaanite city this is an ancient

1146

00:42:38,230 --> 00:42:36,960

uh pagan occult ritual city this is a

1147

00:42:39,910 --> 00:42:38,240

city where

1148

00:42:42,230 --> 00:42:39,920

a lot of these cities in fact

1149

00:42:44,150 --> 00:42:42,240

specifically in that one

1150

00:42:46,630 --> 00:42:44,160

um they would do just like we do

1151
00:42:49,670 --> 00:42:46,640
abortion today they would do the

1152
00:42:51,030 --> 00:42:49,680
sacrificing of the of the babies

1153
00:42:53,109 --> 00:42:51,040
so and this would be the thing they

1154
00:42:55,430 --> 00:42:53,119
would they would pour a lot of their

1155
00:42:58,390 --> 00:42:55,440
their money into this was the center

1156
00:43:00,550 --> 00:42:58,400
object the women were told to be proud

1157
00:43:03,829 --> 00:43:00,560
to come bring their babies to whether

1158
00:43:05,670 --> 00:43:03,839
they do this in islam as well that the

1159
00:43:08,630 --> 00:43:05,680
when you see the mothers crying out

1160
00:43:10,470 --> 00:43:08,640
there that their sons are dead

1161
00:43:13,829 --> 00:43:10,480
in a lot of the islamic countries if you

1162
00:43:15,670 --> 00:43:13,839
see them on cnn and they did the jihad

1163
00:43:16,950 --> 00:43:15,680

well they're being taught

1164

00:43:18,790 --> 00:43:16,960

what they're being what they're you have

1165

00:43:21,510 --> 00:43:18,800

to understand they're they're living in

1166

00:43:23,109 --> 00:43:21,520

ultra ultra poverty okay those there's

1167

00:43:24,790 --> 00:43:23,119

people that are out there

1168

00:43:26,390 --> 00:43:24,800

right you have somebody

1169

00:43:28,230 --> 00:43:26,400

so you have somebody on top that is

1170

00:43:30,550 --> 00:43:28,240

ultra ultra wealthy and this is just

1171

00:43:32,230 --> 00:43:30,560

their their model of government

1172

00:43:33,510 --> 00:43:32,240

just like what they would like the model

1173

00:43:35,510 --> 00:43:33,520

of government here to be where you have

1174

00:43:37,589 --> 00:43:35,520

somebody in charge

1175

00:43:39,349 --> 00:43:37,599

and and everybody else is real ultra

1176

00:43:41,910 --> 00:43:39,359

ultra poor

1177

00:43:43,270 --> 00:43:41,920

so those little boys out there who have

1178

00:43:45,190 --> 00:43:43,280

seen you know some of the little

1179

00:43:46,550 --> 00:43:45,200

american magazines they're being told

1180

00:43:48,790 --> 00:43:46,560

that they're going to get

1181

00:43:50,230 --> 00:43:48,800

you know you'll hear number 72 virgins

1182

00:43:52,230 --> 00:43:50,240

or however many it is these are

1183

00:43:54,870 --> 00:43:52,240

perpetual virgins

1184

00:43:58,230 --> 00:43:54,880

well this is what you'll get if you're

1185

00:44:01,589 --> 00:43:58,240

willing to go lay down your life

1186

00:44:02,790 --> 00:44:01,599

and die for our cause but not only that

1187

00:44:05,829 --> 00:44:02,800

not only that

1188

00:44:07,270 --> 00:44:05,839

if you'll act now you get to keep 12 of

1189

00:44:09,670 --> 00:44:07,280

your brothers and that's an interesting

1190

00:44:11,510 --> 00:44:09,680

number so 12 of your friends

1191

00:44:13,589 --> 00:44:11,520

well and you're living in ultra poverty

1192

00:44:15,910 --> 00:44:13,599

with no way out

1193

00:44:18,550 --> 00:44:15,920

but not only that if you'll act now

1194

00:44:21,589 --> 00:44:18,560

we'll throw in one other thing

1195

00:44:24,390 --> 00:44:21,599

with one other thing your mother

1196

00:44:26,710 --> 00:44:24,400

she gets to step into paradise

1197

00:44:29,109 --> 00:44:26,720

if you're gonna do this

1198

00:44:30,150 --> 00:44:29,119

so when when you see one of these women

1199

00:44:32,550 --> 00:44:30,160

crying

1200

00:44:34,630 --> 00:44:32,560

on cnn or whatever that her son is dead

1201

00:44:37,270 --> 00:44:34,640

those are happy tears

1202

00:44:39,829 --> 00:44:37,280

because she believes and so and in the

1203

00:44:41,670 --> 00:44:39,839

text i read and when i i'm looking at

1204

00:44:44,470 --> 00:44:41,680

the pages of the bible

1205

00:44:46,230 --> 00:44:44,480

when god or when jesus says

1206

00:44:48,470 --> 00:44:46,240

they will uh

1207

00:44:50,470 --> 00:44:48,480

they will kill you and believe they do

1208

00:44:52,870 --> 00:44:50,480

god a service

1209

00:44:54,470 --> 00:44:52,880

that's what i'm seeing in those pages

1210

00:44:56,950 --> 00:44:54,480

but when we were out there at that

1211

00:44:59,030 --> 00:44:56,960

ancient canaanite city and we stood on

1212

00:45:01,109 --> 00:44:59,040

earth i did i actually went inside of

1213

00:45:02,870 --> 00:45:01,119

rahab's places it took no shortage of

1214

00:45:05,190 --> 00:45:02,880

effort because you're

1215

00:45:06,950 --> 00:45:05,200

you're on palestinian territory and it's

1216

00:45:09,430 --> 00:45:06,960

not like what you see on the news over

1217

00:45:11,430 --> 00:45:09,440

here it's not just safe and wonderful

1218

00:45:13,670 --> 00:45:11,440

it's safe when you're on the israeli

1219

00:45:14,790 --> 00:45:13,680

you're in paradise on the israeli

1220

00:45:17,030 --> 00:45:14,800

property

1221

00:45:19,670 --> 00:45:17,040

once you once you enter

1222

00:45:21,829 --> 00:45:19,680

uh once you enter the palestinian areas

1223

00:45:22,710 --> 00:45:21,839

and again many of them are very nice

1224

00:45:26,470 --> 00:45:22,720

people

1225

00:45:28,069 --> 00:45:26,480

the planet earth

1226

00:45:30,470 --> 00:45:28,079

it's it's not that they haven't been

1227

00:45:33,430 --> 00:45:30,480

funded enough in my view

1228

00:45:35,109 --> 00:45:33,440

it's not that at all it's the model of

1229

00:45:36,950 --> 00:45:35,119

what they're following

1230

00:45:38,790 --> 00:45:36,960

that is conducive to that but anyhow it

1231

00:45:40,550 --> 00:45:38,800

becomes very dangerous it becomes more

1232

00:45:41,990 --> 00:45:40,560

dangerous at that point

1233

00:45:44,829 --> 00:45:42,000

we went deep all the way and then we

1234

00:45:49,670 --> 00:45:48,150

rahab was the heart she she was the

1235

00:45:51,349 --> 00:45:49,680

heart of it god's just gone out of his

1236

00:45:52,710 --> 00:45:51,359

way to say there's a heart and jesus

1237

00:45:55,750 --> 00:45:52,720

they brought the girl and brought they

1238

00:45:58,150 --> 00:45:55,760

threw her down at his feet

1239

00:46:00,470 --> 00:45:58,160

what should we do to this woman

1240

00:46:02,790 --> 00:46:00,480

what should we do to her she's she's

1241

00:46:03,950 --> 00:46:02,800

guilty and we should stone her

1242

00:46:05,910 --> 00:46:03,960

so he gets down

1243

00:46:08,309 --> 00:46:05,920

[Music]

1244

00:46:10,309 --> 00:46:08,319

well he starts writing in the sand and a

1245

00:46:12,790 --> 00:46:10,319

lot of speculate that he's writing what

1246

00:46:14,550 --> 00:46:12,800

their sins were in the sand

1247

00:46:15,990 --> 00:46:14,560

but whatever the case here here again

1248

00:46:18,069 --> 00:46:16,000

here's another woman that's being

1249

00:46:19,829 --> 00:46:18,079

accused that another harley you find

1250

00:46:23,430 --> 00:46:19,839

quite a few beliefs

1251
00:46:27,750 --> 00:46:23,440
because the the most beaten the most

1252
00:46:29,190 --> 00:46:27,760
bruised the most uh taken advantage of

1253
00:46:30,950 --> 00:46:29,200
these were the ones they went to dolled

1254
00:46:32,390 --> 00:46:30,960
up religious ones

1255
00:46:34,069 --> 00:46:32,400
that he went to

1256
00:46:35,750 --> 00:46:34,079
the ones that were prem and procter and

1257
00:46:37,190 --> 00:46:35,760
were holding the temple and didn't even

1258
00:46:38,710 --> 00:46:37,200
know when their mashiach their messiah

1259
00:46:41,030 --> 00:46:38,720
had arrived

1260
00:46:43,270 --> 00:46:41,040
were there those that he went to

1261
00:46:45,670 --> 00:46:43,280
well right there where you have rahab

1262
00:46:47,829 --> 00:46:45,680
they when the jews cross the jordan

1263
00:46:49,589 --> 00:46:47,839

river is right there we cross we got

1264

00:46:50,710 --> 00:46:49,599

baptized in rick and i got baptized in

1265

00:46:52,309 --> 00:46:50,720

the jordan river

1266

00:46:54,390 --> 00:46:52,319

so if you come then you've got to pass

1267

00:46:55,589 --> 00:46:54,400

through you go through a field of land

1268

00:47:00,550 --> 00:46:55,599

mine

1269

00:47:02,309 --> 00:47:00,560

almost there's big signs big fences

1270

00:47:03,910 --> 00:47:02,319

to get to the jordan river where john

1271

00:47:05,349 --> 00:47:03,920

baptized jesus

1272

00:47:07,349 --> 00:47:05,359

the same spot

1273

00:47:08,630 --> 00:47:07,359

where the israelites crossed we were

1274

00:47:11,270 --> 00:47:08,640

actually there on the day of the

1275

00:47:12,950 --> 00:47:11,280

israelites cross

1276

00:47:14,950 --> 00:47:12,960

so if you go from there and when you

1277

00:47:19,990 --> 00:47:14,960

enter jericho

1278

00:47:22,309 --> 00:47:20,000

that portion of the wall is still there

1279

00:47:25,510 --> 00:47:22,319

this is in these walls there's three

1280

00:47:27,829 --> 00:47:25,520

segments of wall going down

1281

00:47:29,990 --> 00:47:27,839

and each segment is i don't know my gosh

1282

00:47:32,069 --> 00:47:30,000

it's got to be about six at least it's

1283

00:47:34,630 --> 00:47:32,079

six to ten feet thick maybe more i mean

1284

00:47:36,390 --> 00:47:34,640

it's i'm probably underestimating that

1285

00:47:38,790 --> 00:47:36,400

it's i mean okay

1286

00:47:41,510 --> 00:47:38,800

i i'm a little confused so there there's

1287

00:47:43,430 --> 00:47:41,520

like six to ten feet of wall but there's

1288

00:47:44,870 --> 00:47:43,440

walls within walls is that what you're

1289

00:47:47,670 --> 00:47:44,880

saying no that's not that's how that's

1290

00:47:50,150 --> 00:47:47,680

how thick that yeah that's how thick yes

1291

00:47:51,030 --> 00:47:50,160

so so the walls of jericho you would

1292

00:47:53,190 --> 00:47:51,040

have

1293

00:47:55,190 --> 00:47:53,200

uh three sets of them

1294

00:47:57,430 --> 00:47:55,200

so they're they're going upward like up

1295

00:47:59,030 --> 00:47:57,440

a hill so you have one wall in that like

1296

00:48:00,950 --> 00:47:59,040

imagine a circle and then a circle

1297

00:48:02,550 --> 00:48:00,960

inside of that and so when he says those

1298

00:48:04,550 --> 00:48:02,560

walls came down

1299

00:48:07,109 --> 00:48:04,560

you're talking about when it tells you

1300

00:48:08,630 --> 00:48:07,119

this was an impenetrable city it's not

1301
00:48:10,710 --> 00:48:08,640
joking

1302
00:48:12,870 --> 00:48:10,720
so wow the

1303
00:48:15,589 --> 00:48:12,880
now so it's and it's in one of those one

1304
00:48:18,150 --> 00:48:15,599
it's in it's in that inner where rahab's

1305
00:48:19,030 --> 00:48:18,160
where raynab's place is

1306
00:48:22,150 --> 00:48:19,040
and

1307
00:48:23,750 --> 00:48:22,160
portion of the wall it's still

1308
00:48:25,510 --> 00:48:23,760
still standing so

1309
00:48:28,150 --> 00:48:25,520
what what you've gotten on in your

1310
00:48:29,670 --> 00:48:28,160
biblical text what it's telling you is

1311
00:48:32,470 --> 00:48:29,680
that um

1312
00:48:35,430 --> 00:48:32,480
um the israelites went in there and and

1313
00:48:36,309 --> 00:48:35,440

she had said and they uh

1314

00:48:41,589 --> 00:48:36,319

uh

1315

00:48:43,190 --> 00:48:41,599

you will you um

1316

00:48:45,190 --> 00:48:43,200

spare my life

1317

00:48:47,030 --> 00:48:45,200

i know i know your god is god would you

1318

00:48:49,349 --> 00:48:47,040

please spare my life if your god's gonna

1319

00:48:51,270 --> 00:48:49,359

destroy the city

1320

00:48:53,990 --> 00:48:51,280

and they they said to her we will make

1321

00:48:56,630 --> 00:48:54,000

this this pact with you

1322

00:48:58,790 --> 00:48:56,640

but if you leave this room

1323

00:49:00,309 --> 00:48:58,800

then your blood is not or your family if

1324

00:49:02,710 --> 00:49:00,319

you leave this room and your blood is

1325

00:49:05,829 --> 00:49:02,720

not on our hands now and this is an

1326

00:49:06,870 --> 00:49:05,839

unusual battle plant at jericho it just

1327

00:49:11,510 --> 00:49:06,880

crossed

1328

00:49:15,750 --> 00:49:13,670

we got to take a break but we're right

1329

00:49:18,710 --> 00:49:15,760

at where the they've crossed the river

1330

00:49:21,910 --> 00:49:18,720

they brokered a deal with the woman and

1331

00:49:23,990 --> 00:49:21,920

now they're getting ready to go on in

1332

00:49:25,750 --> 00:49:24,000

so we're going to stop right there folks

1333

00:49:27,750 --> 00:49:25,760

and we're going to be back in just a few

1334

00:49:29,589 --> 00:49:27,760

minutes and this is going to be a

1335

00:49:31,589 --> 00:49:29,599

fascinating evening we're going to talk

1336

00:49:33,670 --> 00:49:31,599

about a few other things tonight too

1337

00:49:36,390 --> 00:49:33,680

giants the afterlife prophecy free

1338

00:49:40,470 --> 00:49:36,400

energy we'll get to it i promise so hang

1339

00:49:45,030 --> 00:49:42,630

welcome back everyone to the california

1340

00:49:47,190 --> 00:49:45,040

mufon radio show i'm your host lorian

1341

00:49:48,870 --> 00:49:47,200

fenton very happy to have you guys all

1342

00:49:51,430 --> 00:49:48,880

with me here and tonight we've got trey

1343

00:49:53,829 --> 00:49:51,440

smith who has the website god in a

1344

00:49:57,030 --> 00:49:53,839

nutshell.com

1345

00:49:59,190 --> 00:49:57,040

and you know what's funny about it

1346

00:50:03,109 --> 00:49:59,200

trey's probably heard this before too it

1347

00:50:05,109 --> 00:50:03,119

says god in a nuts hell

1348

00:50:06,710 --> 00:50:05,119

i just i was really laughing about that

1349

00:50:08,069 --> 00:50:06,720

because it's kind of how i feel

1350

00:50:10,630 --> 00:50:08,079

sometimes

1351

00:50:12,549 --> 00:50:10,640

uh that god is in a nut and and he's

1352

00:50:14,630 --> 00:50:12,559

left us here in hell so i just kind of

1353

00:50:16,790 --> 00:50:14,640

wonder sometimes but that is a wonderful

1354

00:50:19,349 --> 00:50:16,800

website name so it's god in a

1355

00:50:21,829 --> 00:50:19,359

nutshell.com

1356

00:50:23,670 --> 00:50:21,839

do not make fun of the name i just

1357

00:50:25,190 --> 00:50:23,680

happened to see it when i was looking at

1358

00:50:27,910 --> 00:50:25,200

it and laughing i thought it was very

1359

00:50:30,150 --> 00:50:27,920

cute so there you go so trey you know

1360

00:50:32,309 --> 00:50:30,160

that right

1361

00:50:34,390 --> 00:50:32,319

well i we're

1362

00:50:35,430 --> 00:50:34,400

we're in it we're in a rough place

1363

00:50:37,430 --> 00:50:35,440

and

1364

00:50:39,430 --> 00:50:37,440

we are so well we

1365

00:50:40,710 --> 00:50:39,440

we we are it's uh

1366

00:50:43,030 --> 00:50:40,720

um

1367

00:50:44,870 --> 00:50:43,040

the uh there's a there's a there's a

1368

00:50:46,390 --> 00:50:44,880

portion of scripture people quote a lot

1369

00:50:48,790 --> 00:50:46,400

where they say uh

1370

00:50:50,870 --> 00:50:48,800

uh narrow is the path we stood on that

1371

00:50:52,470 --> 00:50:50,880

street where he carried the cross rick

1372

00:50:58,870 --> 00:50:52,480

commented on this

1373

00:51:03,349 --> 00:51:01,510

sure okay so so so we're so we're on

1374

00:51:05,510 --> 00:51:03,359

that we're on that page

1375

00:51:07,589 --> 00:51:05,520

narrow is the path that it but actually

1376
00:51:09,430 --> 00:51:07,599
in that path where where the cross is so

1377
00:51:10,630 --> 00:51:09,440
you have all these windy roads and old

1378
00:51:11,829 --> 00:51:10,640
city you have all the merchants

1379
00:51:13,270 --> 00:51:11,839
everywhere they're coming at you this

1380
00:51:15,030 --> 00:51:13,280
way and they're very jewish they're

1381
00:51:17,270 --> 00:51:15,040
trying to i'd tell you what they will

1382
00:51:18,870 --> 00:51:17,280
argue with you over at over a so so

1383
00:51:21,430 --> 00:51:18,880
scarf they will they will they will tell

1384
00:51:23,750 --> 00:51:21,440
you a high pressure sale there

1385
00:51:26,230 --> 00:51:23,760
but amongst all these windy roads the

1386
00:51:27,829 --> 00:51:26,240
road that goes from the temple

1387
00:51:29,030 --> 00:51:27,839
in that old city the road that goes from

1388
00:51:30,309 --> 00:51:29,040

that temple

1389

00:51:32,230 --> 00:51:30,319

all the way

1390

00:51:34,309 --> 00:51:32,240

to where that that crucifixion the skull

1391

00:51:37,030 --> 00:51:34,319

of golgotha is on the on the edge of the

1392

00:51:39,270 --> 00:51:37,040

city which looks like a castle

1393

00:51:40,309 --> 00:51:39,280

city of david looks like a castle it's

1394

00:51:43,990 --> 00:51:40,319

straight

1395

00:51:45,510 --> 00:51:44,000

through it from one side to the other

1396

00:51:46,390 --> 00:51:45,520

you've got all those balconies that go

1397

00:51:48,470 --> 00:51:46,400

up

1398

00:51:50,230 --> 00:51:48,480

jericho the porsche wall is still

1399

00:51:51,589 --> 00:51:50,240

standing i stood on it so there's a good

1400

00:51:53,190 --> 00:51:51,599

news so

1401
00:51:55,030 --> 00:51:53,200
all the stuff i told you in the science

1402
00:51:56,790 --> 00:51:55,040
class now it's real it doesn't exist

1403
00:51:57,589 --> 00:51:56,800
well then why am i out there standing on

1404
00:52:00,870 --> 00:51:57,599
it

1405
00:52:03,190 --> 00:52:00,880
uh rahab she put the the scarlet the

1406
00:52:05,030 --> 00:52:03,200
room they said well if you're if your

1407
00:52:06,950 --> 00:52:05,040
god be real and he's going to destroy

1408
00:52:09,670 --> 00:52:06,960
this city please plead with him to save

1409
00:52:11,190 --> 00:52:09,680
my life god apparently kept that deal i

1410
00:52:13,430 --> 00:52:11,200
went inside of a room

1411
00:52:16,150 --> 00:52:13,440
there's uh one portion of the wall that

1412
00:52:17,349 --> 00:52:16,160
still stands it contains one room and a

1413
00:52:20,309 --> 00:52:17,359

window

1414

00:52:22,309 --> 00:52:20,319

the scarlet uh scarf they said put a red

1415

00:52:24,630 --> 00:52:22,319

scarf outside the window of course this

1416

00:52:26,150 --> 00:52:24,640

represents the blood of jesus covering

1417

00:52:28,390 --> 00:52:26,160

that portion

1418

00:52:30,309 --> 00:52:28,400

of the um of the wall the battle plan

1419

00:52:31,030 --> 00:52:30,319

for that city was unlike any on earth so

1420

00:52:34,390 --> 00:52:31,040

they

1421

00:52:36,710 --> 00:52:34,400

uh were to march around it seven times

1422

00:52:38,790 --> 00:52:36,720

this was this was the battle plan and it

1423

00:52:41,589 --> 00:52:38,800

says in the in the text the angel of the

1424

00:52:43,030 --> 00:52:41,599

lord appeared before joshua

1425

00:52:44,390 --> 00:52:43,040

and one of the things he says take off

1426

00:52:46,549 --> 00:52:44,400

your shoes

1427

00:52:48,950 --> 00:52:46,559

you're standing on holy ground angels

1428

00:52:49,670 --> 00:52:48,960

don't tell men to bow down before them

1429

00:52:52,309 --> 00:52:49,680

so

1430

00:52:55,109 --> 00:52:52,319

there's there's um limited candidates

1431

00:52:57,270 --> 00:52:55,119

for who the angel lord is is jesus but

1432

00:52:59,349 --> 00:52:57,280

you wanted to go to

1433

00:53:01,750 --> 00:52:59,359

uh you wanted to go

1434

00:53:02,549 --> 00:53:01,760

uh talk to i think about the afterlife

1435

00:53:06,309 --> 00:53:02,559

and

1436

00:53:08,390 --> 00:53:06,319

quickly with jericho so you were

1437

00:53:09,589 --> 00:53:08,400

standing there now you guys got all this

1438

00:53:12,230 --> 00:53:09,599

on film

1439

00:53:15,109 --> 00:53:12,240

and we actually walked the path of jesus

1440

00:53:17,109 --> 00:53:15,119

and it's in the film what and you have a

1441

00:53:18,950 --> 00:53:17,119

kind of a preliminary name for this next

1442

00:53:21,510 --> 00:53:18,960

film coming out it's actually going to

1443

00:53:23,510 --> 00:53:21,520

be two films right the the rock and roll

1444

00:53:25,270 --> 00:53:23,520

uh one and the

1445

00:53:26,950 --> 00:53:25,280

uh i'm sorry i forgot what you called

1446

00:53:27,670 --> 00:53:26,960

the first

1447

00:53:29,750 --> 00:53:27,680

i one

1448

00:53:31,510 --> 00:53:29,760

sometimes too they're they're i tell you

1449

00:53:32,950 --> 00:53:31,520

what whatever the titles are they're

1450

00:53:33,829 --> 00:53:32,960

going to be

1451

00:53:36,150 --> 00:53:33,839

uh

1452

00:53:37,270 --> 00:53:36,160

yeah just like anything that comes out

1453

00:53:39,910 --> 00:53:37,280

of god's international there's nothing

1454

00:53:41,349 --> 00:53:39,920

like it and uh yeah you're not

1455

00:53:42,790 --> 00:53:41,359

you aren't you aren't going to you

1456

00:53:45,829 --> 00:53:42,800

aren't going to find this anywhere

1457

00:53:48,630 --> 00:53:45,839

anywhere else on earth so it's i mean it

1458

00:53:52,069 --> 00:53:48,640

um these things sell themselves

1459

00:53:54,549 --> 00:53:52,079

but the we we um we took a tour we took

1460

00:53:56,549 --> 00:53:54,559

a tour of israel picture we went in

1461

00:53:58,150 --> 00:53:56,559

sodom and gomorrah we had

1462

00:54:00,790 --> 00:53:58,160

there were two there were two gay guys

1463

00:54:03,190 --> 00:54:00,800

on the towel and saw it on a pink be i i

1464

00:54:05,750 --> 00:54:03,200

kid you not i kid you not i'm not trying

1465

00:54:07,190 --> 00:54:05,760

to pick up but but uh but so we get up

1466

00:54:09,030 --> 00:54:07,200

this is just so you got to know where it

1467

00:54:11,030 --> 00:54:09,040

is man

1468

00:54:19,430 --> 00:54:11,040

okay

1469

00:54:21,349 --> 00:54:19,440

towel came

1470

00:54:23,270 --> 00:54:21,359

well because i didn't know why i didn't

1471

00:54:25,510 --> 00:54:23,280

know why either we're in the middle of

1472

00:54:28,309 --> 00:54:25,520

sodom okay so sodom and gomorrah so this

1473

00:54:30,549 --> 00:54:28,319

is an ancient limestone so gomorrah is

1474

00:54:33,589 --> 00:54:30,559

what we're in okay this is an ancient

1475

00:54:35,990 --> 00:54:33,599

limestone city that is burned to ash

1476

00:54:37,670 --> 00:54:36,000

okay and so you have sulfur balls

1477

00:54:39,430 --> 00:54:37,680

that are all in the walls so we

1478

00:54:41,510 --> 00:54:39,440

videotaped a bunch of the we we went

1479

00:54:43,030 --> 00:54:41,520

through we asked of it i i

1480

00:54:45,430 --> 00:54:43,040

uh

1481

00:54:47,670 --> 00:54:45,440

so you've got these these they're almost

1482

00:54:48,470 --> 00:54:47,680

like grenades is what they are so

1483

00:54:52,710 --> 00:54:48,480

they're

1484

00:54:56,630 --> 00:54:52,720

the uh

1485

00:54:59,910 --> 00:54:56,640

the sulfur inside these capsules

1486

00:55:02,309 --> 00:54:59,920

and they are embedded in the walls of

1487

00:55:04,870 --> 00:55:02,319

the of the city now you have old footage

1488

00:55:07,270 --> 00:55:04,880

of this back from like the 90s

1489

00:55:09,190 --> 00:55:07,280

but the stuff we've got is all in 4k we

1490

00:55:11,430 --> 00:55:09,200

spent we spent a day out there we had

1491

00:55:13,190 --> 00:55:11,440

guys that you know exactly where it was

1492

00:55:16,870 --> 00:55:13,200

and where all the sulfur was the sulphur

1493

00:55:20,790 --> 00:55:16,880

is everywhere it is all

1494

00:55:22,230 --> 00:55:20,800

and it is all ash in fact we found some

1495

00:55:23,190 --> 00:55:22,240

of the dwellings that we didn't go in

1496

00:55:24,630 --> 00:55:23,200

because

1497

00:55:26,950 --> 00:55:24,640

it's um

1498

00:55:28,309 --> 00:55:26,960

because if that ash collapses the i mean

1499

00:55:30,150 --> 00:55:28,319

the weight of it is going to come down

1500

00:55:33,270 --> 00:55:30,160

on you but you've got the terraces in a

1501

00:55:35,349 --> 00:55:33,280

beautiful gorgeous ancient city but it's

1502

00:55:37,349 --> 00:55:35,359

not on any tour map you have to know

1503

00:55:39,109 --> 00:55:37,359

where you're going to get to any of

1504

00:55:40,630 --> 00:55:39,119

those four cities we went to gomorrah we

1505

00:55:42,549 --> 00:55:40,640

only did that one

1506

00:55:44,549 --> 00:55:42,559

but uh and we found that as far as i

1507

00:55:48,069 --> 00:55:44,559

know lance smith is the only one that is

1508

00:55:49,510 --> 00:55:48,079

uh he called christ yelled out together

1509

00:55:50,789 --> 00:55:49,520

so but there were these couple of guys

1510

00:55:52,470 --> 00:55:50,799

and there was you know and they're out

1511

00:55:55,109 --> 00:55:52,480

there and they looked like a boy band

1512

00:55:57,190 --> 00:55:55,119

from the 1980s and i noticed immediately

1513

00:55:58,950 --> 00:55:57,200

how clean they were you know like they

1514

00:56:00,710 --> 00:55:58,960

don't have

1515

00:56:02,710 --> 00:56:00,720

they they didn't have any white and we

1516

00:56:04,230 --> 00:56:02,720

were covered in white ash you get

1517

00:56:06,870 --> 00:56:04,240

covered in a second because you gotta

1518

00:56:08,630 --> 00:56:06,880

crawl you gotta cry i mean you get up on

1519

00:56:10,710 --> 00:56:08,640

those terraces or any of it you gotta

1520

00:56:12,789 --> 00:56:10,720

crawl up there and hear these couple of

1521

00:56:15,510 --> 00:56:12,799

dudes on like this pink

1522

00:56:16,950 --> 00:56:15,520

it was like a pink thing man they're on

1523

00:56:19,109 --> 00:56:16,960

this thing and they got this enormous

1524

00:56:21,430 --> 00:56:19,119

hookah pipe and that was another thing

1525

00:56:22,390 --> 00:56:21,440

i thought to myself well

1526

00:56:23,829 --> 00:56:22,400

uh

1527

00:56:25,990 --> 00:56:23,839

how did they get that you know this

1528

00:56:27,910 --> 00:56:26,000

thing was like six feet it's like a you

1529

00:56:29,670 --> 00:56:27,920

know a big sort of old looking one you

1530

00:56:31,670 --> 00:56:29,680

know with the octopus arms and the

1531

00:56:33,109 --> 00:56:31,680

smoking and i had to go over to them

1532

00:56:34,230 --> 00:56:33,119

several times and say could you guys

1533

00:56:36,230 --> 00:56:34,240

keep it down because they're making all

1534

00:56:37,750 --> 00:56:36,240

these weird i don't know how weird

1535

00:56:39,190 --> 00:56:37,760

noises and stuff and i thought well

1536

00:56:41,190 --> 00:56:39,200

they're just it's sodom and gomorrah and

1537

00:56:42,829 --> 00:56:41,200

they're trying to you know

1538

00:56:45,270 --> 00:56:42,839

do whatever they're trying to

1539

00:56:47,349 --> 00:56:45,280

do yeah but then he struck my mind

1540

00:56:48,630 --> 00:56:47,359

well but but but see how would anybody

1541

00:56:51,270 --> 00:56:48,640

know i mean i'm one of the few people

1542

00:56:53,030 --> 00:56:51,280

that knows where to get to it

1543

00:56:55,270 --> 00:56:53,040

and it's not like everybody on the

1544

00:56:56,870 --> 00:56:55,280

planet it's not like every not everybody

1545

00:56:59,030 --> 00:56:56,880

on the planet knows how to get there and

1546

00:57:00,150 --> 00:56:59,040

they're all clean and the way it wasn't

1547

00:57:01,589 --> 00:57:00,160

like they were on the unlike the

1548

00:57:03,430 --> 00:57:01,599

outskirts of it either they're laid up

1549

00:57:07,349 --> 00:57:03,440

up deep in there

1550

00:57:12,069 --> 00:57:09,589

what you said to them i'm just dying to

1551
00:57:13,270 --> 00:57:12,079
hear this go ahead okay so when well i

1552
00:57:16,230 --> 00:57:13,280
went up and i just asked him if they

1553
00:57:19,670 --> 00:57:18,309
kind of a little bit louder okay so but

1554
00:57:21,349 --> 00:57:19,680
but i didn't think anything of it

1555
00:57:23,750 --> 00:57:21,359
because we were we were engrossed in the

1556
00:57:26,150 --> 00:57:23,760
filming and all of the things so

1557
00:57:27,349 --> 00:57:26,160
uh we came we came back the car and you

1558
00:57:28,630 --> 00:57:27,359
know

1559
00:57:31,190 --> 00:57:28,640
sort of joking about this for a little

1560
00:57:33,190 --> 00:57:31,200
bit well so so lance thought and i've

1561
00:57:34,309 --> 00:57:33,200
got no shortage of footage of sodom and

1562
00:57:36,230 --> 00:57:34,319
gomorrah

1563
00:57:37,430 --> 00:57:36,240

and walked past those dudes a bunch of

1564

00:57:39,990 --> 00:57:37,440

time i mean they were they were

1565

00:57:43,510 --> 00:57:40,000

conspicuously in the path of where we

1566

00:57:46,230 --> 00:57:43,520

would have to go you know right i mean

1567

00:57:49,190 --> 00:57:46,240

in the middle of where there's nobody

1568

00:57:50,789 --> 00:57:49,200

and uh and nobody goes in a wasteland

1569

00:57:52,390 --> 00:57:50,799

it's awful out there if you spend the

1570

00:57:54,309 --> 00:57:52,400

day out there you're gonna you can i

1571

00:57:55,670 --> 00:57:54,319

mean it's neat to go see it and all this

1572

00:57:57,990 --> 00:57:55,680

but if you were there you know what i'm

1573

00:58:00,630 --> 00:57:58,000

talking about it's hot it's awful it's

1574

00:58:01,829 --> 00:58:00,640

you you're covered in it dirty and dusty

1575

00:58:03,990 --> 00:58:01,839

and actually yeah yeah yeah and that's

1576

00:58:06,549 --> 00:58:04,000

like important i've been in those these

1577

00:58:09,270 --> 00:58:06,559

dudes were perfectly clean these dudes

1578

00:58:11,030 --> 00:58:09,280

were perfectly clean now lance calls up

1579

00:58:12,789 --> 00:58:11,040

and he says uh

1580

00:58:14,150 --> 00:58:12,799

he says you know those two dudes who

1581

00:58:15,349 --> 00:58:14,160

were out there sodom and gomorrah isaac

1582

00:58:17,270 --> 00:58:15,359

yeah he said

1583

00:58:19,510 --> 00:58:17,280

he says well i you know i have a bunch

1584

00:58:22,230 --> 00:58:19,520

of pictures of where they are

1585

00:58:24,309 --> 00:58:22,240

it says but i have the beach towel and i

1586

00:58:26,150 --> 00:58:24,319

have the hookah pipe but there's such a

1587

00:58:27,910 --> 00:58:26,160

dudes on it

1588

00:58:29,829 --> 00:58:27,920

so i started going through my footage

1589

00:58:32,390 --> 00:58:29,839

and and tony was going through his

1590

00:58:34,309 --> 00:58:32,400

footage and we could we could not find

1591

00:58:36,150 --> 00:58:34,319

we could not find i did not have one

1592

00:58:38,069 --> 00:58:36,160

shot now the i've got the pink towel and

1593

00:58:39,510 --> 00:58:38,079

i've got the hookah pipe and rick's

1594

00:58:40,710 --> 00:58:39,520

laughing i mean everybody's laughing

1595

00:58:42,390 --> 00:58:40,720

about it because there's these dudes in

1596

00:58:44,950 --> 00:58:42,400

the middle of nowhere you know even even

1597

00:58:47,990 --> 00:58:44,960

the guy you know i mean it's just i mean

1598

00:58:51,030 --> 00:58:48,000

you can hear the howling stuff

1599

00:58:52,789 --> 00:58:51,040

on the footage wow and and and then rick

1600

00:58:58,870 --> 00:58:52,799

and then rick captured a whole bunch of

1601
00:59:03,670 --> 00:59:00,870
yeah this year

1602
00:59:05,589 --> 00:59:03,680
well yeah and you've got uh and there's

1603
00:59:06,630 --> 00:59:05,599
you know you'd um

1604
00:59:09,030 --> 00:59:06,640
uh

1605
00:59:10,390 --> 00:59:09,040
there's been a lot of testing on stuff

1606
00:59:12,390 --> 00:59:10,400
that's out there too so that that

1607
00:59:16,150 --> 00:59:12,400
particular ash the only way you get that

1608
00:59:18,549 --> 00:59:16,160
is by burning lime seeds so so that adds

1609
00:59:20,150 --> 00:59:18,559
comprised of the sulfur that's out there

1610
00:59:23,190 --> 00:59:20,160
is like 98

1611
00:59:25,670 --> 00:59:23,200
99 pure that's unnatural you don't you

1612
00:59:26,710 --> 00:59:25,680
don't find that it yellowstone or what

1613
00:59:31,109 --> 00:59:26,720

these are

1614

00:59:34,390 --> 00:59:31,119

thing you could go see old images of the

1615

00:59:36,150 --> 00:59:34,400

stuff now but the new stuff

1616

00:59:39,510 --> 00:59:36,160

in the other room i've got a whole i've

1617

00:59:41,430 --> 00:59:39,520

got a bag of atlanta's got a bunch of it

1618

00:59:43,589 --> 00:59:41,440

but the

1619

00:59:47,510 --> 00:59:43,599

these are like grenades

1620

00:59:50,950 --> 00:59:47,520

that came down on that city um and they

1621

00:59:53,910 --> 00:59:50,960

end at the edge of the city

1622

00:59:55,750 --> 00:59:53,920

as well so insane i know because i've

1623

00:59:57,349 --> 00:59:55,760

all these years i've been you know you

1624

00:59:59,910 --> 00:59:57,359

read about sodom and gomorrey think

1625

01:00:02,230 --> 00:59:59,920

about you know what the the description

1626

01:00:04,789 --> 01:00:02,240

of its destruction and the only thing

1627

01:00:06,230 --> 01:00:04,799

that comes to mind to me is that some

1628

01:00:07,349 --> 01:00:06,240

heavenly

1629

01:00:11,270 --> 01:00:07,359

uh

1630

01:00:13,190 --> 01:00:11,280

ufo or alien or god or somebody was up

1631

01:00:15,750 --> 01:00:13,200

there throwing this stuff down on these

1632

01:00:18,309 --> 01:00:15,760

guys and it definitely was

1633

01:00:20,870 --> 01:00:18,319

you know probably nuclear

1634

01:00:22,870 --> 01:00:20,880

fallout of some of some sort have they

1635

01:00:24,069 --> 01:00:22,880

done radiation tests i thought they had

1636

01:00:26,789 --> 01:00:24,079

and they found that it was full of

1637

01:00:29,510 --> 01:00:26,799

radiation as well

1638

01:00:33,829 --> 01:00:29,520

well i can't we'll show you what is done

1639

01:00:37,430 --> 01:00:33,839

to it it's just it what it is is it it's

1640

01:00:38,710 --> 01:00:37,440

it's limestone that is burned so

1641

01:00:41,589 --> 01:00:38,720

it's the the

1642

01:00:43,750 --> 01:00:41,599

this isn't like a it's burned

1643

01:00:46,390 --> 01:00:43,760

clear through i don't know how far deep

1644

01:00:48,549 --> 01:00:46,400

into the it's all ash the entire thing

1645

01:00:49,750 --> 01:00:48,559

you know even though those thrones those

1646

01:00:51,750 --> 01:00:49,760

dwellings

1647

01:00:52,630 --> 01:00:51,760

and what you're finding embedded in

1648

01:00:56,789 --> 01:00:52,640

there

1649

01:00:58,470 --> 01:00:56,799

these things are roughly the size of

1650

01:01:00,470 --> 01:00:58,480

your fizz most of them some of them are

1651

01:01:02,710 --> 01:01:00,480

smaller some are bigger but they're

1652

01:01:03,990 --> 01:01:02,720

they're like grenades and they're in

1653

01:01:06,230 --> 01:01:04,000

capsules

1654

01:01:09,349 --> 01:01:06,240

and inside the capsule so yeah it's like

1655

01:01:11,829 --> 01:01:09,359

a it's it's a mixture of metals

1656

01:01:13,430 --> 01:01:11,839

use to tell you exactly what the what

1657

01:01:14,950 --> 01:01:13,440

the metals are but

1658

01:01:17,030 --> 01:01:14,960

the point is that they're you know it's

1659

01:01:18,950 --> 01:01:17,040

got a shell thing it's a really

1660

01:01:21,349 --> 01:01:18,960

sophisticated little package you know

1661

01:01:24,069 --> 01:01:21,359

there you've got

1662

01:01:26,789 --> 01:01:24,079

and it's and it's like a fist a tight

1663

01:01:28,549 --> 01:01:26,799

fist of pure salt lowe's has you covered

1664

01:01:31,030 --> 01:01:28,559

for all those projects on your summer

1665

01:01:32,950 --> 01:01:31,040

to-do list and will even help you save

1666

01:01:35,270 --> 01:01:32,960

update your old flooring with stylish

1667

01:01:37,349 --> 01:01:35,280

new ceramic tile starting at just 49

1668

01:01:39,670 --> 01:01:37,359

cents and give your home a whole new

1669

01:01:41,829 --> 01:01:39,680

look inside and out with ten to forty

1670

01:01:44,230 --> 01:01:41,839

dollars off paint exterior stains and

1671

01:01:46,309 --> 01:01:44,240

resurfacers via rebate all projects have

1672

01:01:48,630 --> 01:01:46,319

a starting point start with lows paint

1673

01:01:51,030 --> 01:01:48,640

off for about 621-628 exclusions apply

1674

01:01:52,549 --> 01:01:51,040

tile offer valid 621-375 price space per

1675

01:01:54,820 --> 01:01:52,559

square foot or per piece based on market

1676

01:01:56,150 --> 01:01:54,830

while supplies last u.s only

1677

01:01:58,630 --> 01:01:56,160

[Music]

1678

01:02:00,390 --> 01:01:58,640

i lit some a bunch of it actually and we

1679

01:02:02,390 --> 01:02:00,400

would excavate them out of the side of

1680

01:02:03,349 --> 01:02:02,400

the wall and i would like the sulfur on

1681

01:02:06,309 --> 01:02:03,359

fire

1682

01:02:08,150 --> 01:02:06,319

just the smell of it well that's choking

1683

01:02:11,109 --> 01:02:08,160

i did this to a few of them but it will

1684

01:02:12,630 --> 01:02:11,119

burn to this day so many of these rain

1685

01:02:15,430 --> 01:02:12,640

down

1686

01:02:17,750 --> 01:02:15,440

in these focused spots

1687

01:02:19,510 --> 01:02:17,760

that it not only

1688

01:02:22,309 --> 01:02:19,520

burned that limestone but was such

1689

01:02:23,829 --> 01:02:22,319

overkill that you you've got fronts in

1690

01:02:24,870 --> 01:02:23,839

there that uh

1691

01:02:26,470 --> 01:02:24,880

um

1692

01:02:29,270 --> 01:02:26,480

lots of them

1693

01:02:30,549 --> 01:02:29,280

millions of them wow

1694

01:02:32,150 --> 01:02:30,559

wow

1695

01:02:34,309 --> 01:02:32,160

they're everywhere they're every few

1696

01:02:35,829 --> 01:02:34,319

feet they're embedded in the rock like

1697

01:02:37,190 --> 01:02:35,839

missiles and they're all coming from

1698

01:02:39,190 --> 01:02:37,200

above

1699

01:02:40,710 --> 01:02:39,200

geez that's just they don't they don't

1700

01:02:42,230 --> 01:02:40,720

tell you they're this isn't me just

1701
01:02:44,390 --> 01:02:42,240
talking to everything you know i'm not

1702
01:02:45,670 --> 01:02:44,400
just blowing wind i i've got this you

1703
01:02:46,630 --> 01:02:45,680
know i

1704
01:02:48,549 --> 01:02:46,640
can't lie

1705
01:02:50,390 --> 01:02:48,559
i'll it's double tomorrow

1706
01:02:52,069 --> 01:02:50,400
uh i've got better than what i'm telling

1707
01:02:52,870 --> 01:02:52,079
you excuse me i'm not giving you all the

1708
01:02:54,390 --> 01:02:52,880
goods

1709
01:02:56,630 --> 01:02:54,400
but yeah

1710
01:02:59,270 --> 01:02:56,640
i think this is a perfect spot to leave

1711
01:03:01,270 --> 01:02:59,280
it because i'm telling you now i know

1712
01:03:03,750 --> 01:03:01,280
what your movie's all about and where

1713
01:03:05,190 --> 01:03:03,760

you're going with it and i'm so excited

1714

01:03:07,990 --> 01:03:05,200

about that because i want to watch it

1715

01:03:11,270 --> 01:03:08,000

now so i'm pretty cool on this so if you

1716

01:03:13,510 --> 01:03:11,280

want to move on to another subject

1717

01:03:14,390 --> 01:03:13,520

well yeah yeah i think that's really

1718

01:03:16,390 --> 01:03:14,400

cool

1719

01:03:17,910 --> 01:03:16,400

so and so basically

1720

01:03:19,750 --> 01:03:17,920

the movie is going to be quite

1721

01:03:22,150 --> 01:03:19,760

interesting i got to say because you

1722

01:03:24,789 --> 01:03:22,160

just gave us a taste of it over the last

1723

01:03:26,789 --> 01:03:24,799

half hour and i'm i'm enthralled already

1724

01:03:28,710 --> 01:03:26,799

so i'm can't wait to look you're not

1725

01:03:31,029 --> 01:03:28,720

going to take it you will not take a

1726

01:03:33,510 --> 01:03:31,039

tour through israel that there's

1727

01:03:34,870 --> 01:03:33,520

that there there is nothing like this

1728

01:03:36,950 --> 01:03:34,880

but listen let's talk about something

1729

01:03:38,870 --> 01:03:36,960

else

1730

01:03:40,950 --> 01:03:38,880

you're you're in mufon you've got to do

1731

01:03:50,950 --> 01:03:40,960

the energy probably

1732

01:03:55,829 --> 01:03:53,190

sure let's talk about that for a bit

1733

01:03:57,750 --> 01:03:55,839

okay let's talk like 10 10 minutes or 15

1734

01:03:59,589 --> 01:03:57,760

minutes until we hit the break because

1735

01:04:01,990 --> 01:03:59,599

um after the break i want i do

1736

01:04:04,470 --> 01:04:02,000

definitely want to get to um the five

1737

01:04:07,190 --> 01:04:04,480

seven seven seven find out what your

1738

01:04:09,349 --> 01:04:07,200

definition is of that so and maybe touch

1739

01:04:11,109 --> 01:04:09,359

upon the free energy so that'd be great

1740

01:04:13,990 --> 01:04:11,119

but yeah so let's let's start with the

1741

01:04:16,470 --> 01:04:14,000

entities now this is the movie that you

1742

01:04:19,029 --> 01:04:16,480

made documentary about the world

1743

01:04:21,430 --> 01:04:19,039

you can't see with your eyes and it's

1744

01:04:24,069 --> 01:04:21,440

called entities the world you can't see

1745

01:04:31,670 --> 01:04:24,079

with your eyes so what inspired you to

1746

01:04:35,510 --> 01:04:33,029

okay so

1747

01:04:36,870 --> 01:04:35,520

that well it's what the title says

1748

01:04:40,470 --> 01:04:36,880

um

1749

01:04:41,349 --> 01:04:40,480

you're gonna go there uh

1750

01:04:43,270 --> 01:04:41,359

they're

1751

01:04:44,870 --> 01:04:43,280

um

1752

01:04:47,349 --> 01:04:44,880

here's where

1753

01:04:49,750 --> 01:04:47,359

in this particular set there's there's

1754

01:04:52,069 --> 01:04:49,760

two documents now and and this stuff

1755

01:04:53,750 --> 01:04:52,079

reminds you learning a lot of the people

1756

01:04:54,549 --> 01:04:53,760

the reason i know about this stuff is

1757

01:04:56,150 --> 01:04:54,559

because

1758

01:04:58,870 --> 01:04:56,160

you just go over there on youtube and

1759

01:05:02,549 --> 01:04:58,880

watch it and a lot of it comes up but

1760

01:05:05,029 --> 01:05:02,559

uh or large portions of it now when you

1761

01:05:06,829 --> 01:05:05,039

say this stuff comes up trey you're

1762

01:05:09,910 --> 01:05:06,839

saying

1763

01:05:11,589 --> 01:05:09,920

ufos uh ghost um what are we talking

1764

01:05:13,430 --> 01:05:11,599

about here we talking about a specific

1765

01:05:15,430 --> 01:05:13,440

are we talking about aliens

1766

01:05:16,470 --> 01:05:15,440

oh all of it it wouldn't it wouldn't be

1767

01:05:19,910 --> 01:05:16,480

fun

1768

01:05:21,589 --> 01:05:19,920

it possibly be a good time if we didn't

1769

01:05:24,950 --> 01:05:21,599

do all of it so

1770

01:05:27,910 --> 01:05:24,960

it's true it's everything in there it's

1771

01:05:29,349 --> 01:05:27,920

everything in the in in the kitchen sink

1772

01:05:31,670 --> 01:05:29,359

you're gonna have a difficult time

1773

01:05:34,549 --> 01:05:31,680

coming away from that

1774

01:05:38,150 --> 01:05:34,559

uh without believing in the supernatural

1775

01:05:39,670 --> 01:05:38,160

and so the all of these these different

1776

01:05:42,309 --> 01:05:39,680

terms that

1777

01:05:44,549 --> 01:05:42,319

uh you know if you've if you

1778

01:05:46,150 --> 01:05:44,559

certainly got stuff there in the skies

1779

01:05:47,510 --> 01:05:46,160

that's coming in and out of somewhere

1780

01:05:51,109 --> 01:05:47,520

that's been

1781

01:05:53,829 --> 01:05:51,119

uh it's telltale sign all along

1782

01:05:56,630 --> 01:05:53,839

you you've got stuff that's stepping

1783

01:05:58,870 --> 01:05:56,640

out of reality into people's homes and

1784

01:06:00,710 --> 01:05:58,880

and this happens more in that video it's

1785

01:06:03,109 --> 01:06:00,720

not just dialogues

1786

01:06:05,990 --> 01:06:03,119

it's not just dialogue and talk about

1787

01:06:06,870 --> 01:06:06,000

stories and stuff like that so in this

1788

01:06:08,390 --> 01:06:06,880

um

1789

01:06:10,069 --> 01:06:08,400

in fact there's there's people from

1790

01:06:12,150 --> 01:06:10,079

probably from your very groups there

1791

01:06:13,910 --> 01:06:12,160

there are some clips in there i couldn't

1792

01:06:15,829 --> 01:06:13,920

tell the names of people but their

1793

01:06:17,349 --> 01:06:15,839

significant parties

1794

01:06:19,670 --> 01:06:17,359

uh

1795

01:06:21,270 --> 01:06:19,680

and many that that we do share who they

1796

01:06:22,870 --> 01:06:21,280

are because there's a with the garden of

1797

01:06:24,630 --> 01:06:22,880

shield stuff very often people say i'll

1798

01:06:25,910 --> 01:06:24,640

go ahead and put my name on it

1799

01:06:30,390 --> 01:06:25,920

but

1800

01:06:33,270 --> 01:06:30,400

uh you've you've got these on youtube

1801

01:06:35,990 --> 01:06:33,280

clips that i that i grabbed and i like

1802

01:06:39,430 --> 01:06:36,000

this this is stuff where you've got

1803

01:06:40,390 --> 01:06:39,440

stuff talking out of thin air you've got

1804

01:06:42,150 --> 01:06:40,400

uh

1805

01:06:45,029 --> 01:06:42,160

you know definitely the ouija boards

1806

01:06:46,950 --> 01:06:45,039

moving stuff that's an easy one

1807

01:06:47,750 --> 01:06:46,960

um

1808

01:06:51,270 --> 01:06:47,760

you

1809

01:06:52,789 --> 01:06:51,280

um have entire conversations

1810

01:06:55,670 --> 01:06:52,799

going on in fact now that i'm thinking

1811

01:06:57,750 --> 01:06:55,680

about it i i need to because i put clips

1812

01:06:59,750 --> 01:06:57,760

of the conversation with it with an

1813

01:07:02,950 --> 01:06:59,760

entity that some people had actually out

1814

01:07:05,029 --> 01:07:02,960

in i think they were in missouri but uh

1815

01:07:07,349 --> 01:07:05,039

um

1816

01:07:10,630 --> 01:07:07,359

let's stop for just a second okay so

1817

01:07:12,470 --> 01:07:10,640

you're saying that this documentary has

1818

01:07:14,549 --> 01:07:12,480

interviews with people who are having

1819

01:07:15,829 --> 01:07:14,559

contact with extraterrestrial beings

1820

01:07:19,029 --> 01:07:15,839

supposedly

1821

01:07:22,069 --> 01:07:19,039

if people who are seeing ghosts probably

1822

01:07:24,789 --> 01:07:22,079

maybe who knows and people who are now

1823

01:07:26,069 --> 01:07:24,799

actually having conversations with what

1824

01:07:28,549 --> 01:07:26,079

type of entity are they having

1825

01:07:29,829 --> 01:07:28,559

conversations with do they all of these

1826

01:07:30,789 --> 01:07:29,839

they're all

1827

01:07:32,630 --> 01:07:30,799

well

1828

01:07:34,470 --> 01:07:32,640

if they what now there's a question

1829

01:07:36,309 --> 01:07:34,480

that's a good one there's a question

1830

01:07:38,470 --> 01:07:36,319

that these documentaries really all of

1831

01:07:40,710 --> 01:07:38,480

my stuff poses because

1832

01:07:43,109 --> 01:07:40,720

once once once once you get through the

1833

01:07:45,270 --> 01:07:43,119

rigmarole of establishing that you've

1834

01:07:47,430 --> 01:07:45,280

got a whole bunch of stuff here that you

1835

01:07:49,029 --> 01:07:47,440

really don't understand so you can call

1836

01:07:50,950 --> 01:07:49,039

it there's so that's another thing it's

1837

01:07:52,150 --> 01:07:50,960

a that's a demon it's an instance about

1838

01:07:54,309 --> 01:07:52,160

it but

1839

01:07:55,990 --> 01:07:54,319

so get your next battery or this one was

1840

01:07:58,150 --> 01:07:56,000

nice this was the good one this was the

1841

01:07:59,990 --> 01:07:58,160

bad one this is them so once you get

1842

01:08:01,829 --> 01:08:00,000

through this battery of establishing

1843

01:08:03,829 --> 01:08:01,839

that uh yeah we've got a bunch of weird

1844

01:08:05,990 --> 01:08:03,839

stuff going on here that we're really

1845

01:08:08,549 --> 01:08:06,000

none of us are talking about very much

1846

01:08:09,990 --> 01:08:08,559

or we're intimidated to talk about it

1847

01:08:11,589 --> 01:08:10,000

and you're probably going to find it's

1848

01:08:14,390 --> 01:08:11,599

one of the reasons the show is like the

1849

01:08:16,470 --> 01:08:14,400

show you're doing show that said uh the

1850

01:08:18,229 --> 01:08:16,480

coast-to-coast stadium art bell

1851

01:08:19,269 --> 01:08:18,239

wonderful man by the way i wish he would

1852

01:08:21,669 --> 01:08:19,279

not have

1853

01:08:25,030 --> 01:08:21,679

uh i don't know i'm hoping he's feeling

1854

01:08:27,990 --> 01:08:25,040

great but um i want to get sidetracked

1855

01:08:30,390 --> 01:08:28,000

on that but uh but once once somebody

1856

01:08:33,110 --> 01:08:30,400

comes into the reality of that that

1857

01:08:35,669 --> 01:08:33,120

you're dealing with the situation

1858

01:08:37,430 --> 01:08:35,679

it is larger than yourself and things

1859

01:08:39,430 --> 01:08:37,440

can really step out of thin air and say

1860

01:08:40,870 --> 01:08:39,440

hello they can even have conversations

1861

01:08:42,550 --> 01:08:40,880

with you

1862

01:08:44,470 --> 01:08:42,560

oh yeah

1863

01:08:45,829 --> 01:08:44,480

little deal cutter guys

1864

01:08:48,630 --> 01:08:45,839

guys

1865

01:08:49,590 --> 01:08:48,640

some of the rock stars talk to you

1866

01:08:50,950 --> 01:08:49,600

um

1867

01:08:52,390 --> 01:08:50,960

here's the thing

1868

01:08:55,990 --> 01:08:52,400

is that

1869

01:08:58,630 --> 01:08:56,000

the next the next battery of questions

1870

01:09:00,470 --> 01:08:58,640

is the one that that gets posed a lot

1871

01:09:01,990 --> 01:09:00,480

who are we where do we come from what

1872

01:09:03,910 --> 01:09:02,000

happens next

1873

01:09:05,910 --> 01:09:03,920

is the same questions

1874

01:09:08,070 --> 01:09:05,920

that a person would ask if they woke up

1875

01:09:09,510 --> 01:09:08,080

in a ditch

1876

01:09:11,910 --> 01:09:09,520

but they're generally

1877

01:09:13,669 --> 01:09:11,920

the last questions that anybody has in

1878

01:09:15,430 --> 01:09:13,679

their entire life

1879

01:09:17,430 --> 01:09:15,440

they're literally people that are

1880

01:09:20,789 --> 01:09:17,440

distracted these are

1881

01:09:23,510 --> 01:09:20,799

these are the most important questions

1882

01:09:24,870 --> 01:09:23,520

of all existence everything else here

1883

01:09:26,789 --> 01:09:24,880

will fade

1884

01:09:28,630 --> 01:09:26,799

but those three questions

1885

01:09:31,990 --> 01:09:28,640

you didn't choose the game

1886

01:09:33,510 --> 01:09:32,000

but you are playing you're on the board

1887

01:09:36,229 --> 01:09:33,520

and there's clearly other things that

1888

01:09:38,950 --> 01:09:36,239

are interacting

1889

01:09:40,149 --> 01:09:38,960

so the the um the question that's posed

1890

01:09:42,149 --> 01:09:40,159

i think one of the things that the

1891

01:09:44,630 --> 01:09:42,159

people like about the people really

1892

01:09:47,030 --> 01:09:44,640

appreciate about the gotham nutshell

1893

01:09:50,709 --> 01:09:47,040

stuff no matter you know where they come

1894

01:09:53,510 --> 01:09:50,719

from uh is that we we really are not

1895

01:09:54,550 --> 01:09:53,520

forcing a belief on young a christian

1896

01:09:57,350 --> 01:09:54,560

but i

1897

01:10:01,110 --> 01:09:58,950

i think i think that

1898

01:10:03,270 --> 01:10:01,120

a lot of times a person can get so

1899

01:10:05,590 --> 01:10:03,280

bedazzled

1900

01:10:08,310 --> 01:10:05,600

that something stepped out of thin air

1901
01:10:10,870 --> 01:10:08,320
and said let's have a conversation

1902
01:10:13,590 --> 01:10:10,880
that they forget to ask

1903
01:10:16,950 --> 01:10:13,600
why are you talking to me

1904
01:10:18,470 --> 01:10:16,960
why did you need to talk to me

1905
01:10:21,430 --> 01:10:18,480
why are you wanting to guide me

1906
01:10:27,189 --> 01:10:25,189
why is it you can't do this on your own

1907
01:10:28,870 --> 01:10:27,199
these are all these are these are these

1908
01:10:31,030 --> 01:10:28,880
are all important these are the same

1909
01:10:33,030 --> 01:10:31,040
questions you'd ask if anybody else with

1910
01:10:35,430 --> 01:10:33,040
sales pitch showed up on the doorstep

1911
01:10:36,470 --> 01:10:35,440
and that's um

1912
01:10:37,430 --> 01:10:36,480
um

1913
01:10:48,070 --> 01:10:37,440

i

1914

01:10:50,070 --> 01:10:48,080

and one and they're both movers they're

1915

01:10:52,229 --> 01:10:50,080

both movers and shakers on the chess

1916

01:10:54,390 --> 01:10:52,239

pieces so it could look like this it

1917

01:10:56,229 --> 01:10:54,400

could look like that it could

1918

01:10:57,990 --> 01:10:56,239

look like the other thing it could be a

1919

01:11:00,709 --> 01:10:58,000

thing in the sky it'd be a thing that

1920

01:11:02,550 --> 01:11:00,719

steps into your bed

1921

01:11:05,350 --> 01:11:02,560

right so

1922

01:11:07,590 --> 01:11:05,360

so the question i have is

1923

01:11:10,390 --> 01:11:07,600

are do you break apart within the

1924

01:11:13,270 --> 01:11:10,400

documentary where you believe

1925

01:11:15,270 --> 01:11:13,280

these entities are coming from

1926

01:11:17,430 --> 01:11:15,280

why they're visiting and what they're

1927

01:11:19,030 --> 01:11:17,440

doing here with humans

1928

01:11:21,030 --> 01:11:19,040

so you know those are the three main

1929

01:11:22,950 --> 01:11:21,040

questions anybody always ask and

1930

01:11:25,430 --> 01:11:22,960

especially in a documentary i mean i

1931

01:11:29,350 --> 01:11:25,440

think they try to get to those answers

1932

01:11:33,590 --> 01:11:30,229

well

1933

01:11:35,030 --> 01:11:33,600

so that we we yeah we we

1934

01:11:38,950 --> 01:11:35,040

uh

1935

01:11:42,149 --> 01:11:38,960

we go full and what okay so with that

1936

01:11:43,990 --> 01:11:42,159

um what uh what my belief is is that

1937

01:11:45,830 --> 01:11:44,000

we're living on a planet that came with

1938

01:11:48,310 --> 01:11:45,840

a book

1939

01:11:50,709 --> 01:11:48,320

and we do a lot of fighting

1940

01:11:53,270 --> 01:11:50,719

against that book we we run this way in

1941

01:11:55,430 --> 01:11:53,280

that way and the other way i did this

1942

01:11:58,070 --> 01:11:55,440

uh my lord i did this yeah i robbed the

1943

01:12:00,070 --> 01:11:58,080

tv pastor one time smashed the cadillac

1944

01:12:01,990 --> 01:12:00,080

right through the gate took off all his

1945

01:12:06,070 --> 01:12:02,000

electronic doors

1946

01:12:08,790 --> 01:12:06,080

took off with his i i just i um

1947

01:12:09,750 --> 01:12:08,800

but i told him in return i said you know

1948

01:12:12,070 --> 01:12:09,760

what

1949

01:12:14,149 --> 01:12:12,080

later he uh actually

1950

01:12:15,830 --> 01:12:14,159

paid for his son to go to his mother's

1951

01:12:17,430 --> 01:12:15,840

funeral which really bothered me that

1952

01:12:19,430 --> 01:12:17,440

mike couldn't do that

1953

01:12:21,430 --> 01:12:19,440

for his side

1954

01:12:24,390 --> 01:12:21,440

but um

1955

01:12:26,390 --> 01:12:24,400

well that's interesting because now do

1956

01:12:28,709 --> 01:12:26,400

you believe now you're bringing up a

1957

01:12:31,189 --> 01:12:28,719

very interesting point about

1958

01:12:33,830 --> 01:12:31,199

demons and and uh

1959

01:12:36,390 --> 01:12:33,840

the gin and other entities that don't

1960

01:12:38,070 --> 01:12:36,400

necessarily have our goodness of our

1961

01:12:40,470 --> 01:12:38,080

life and our hearts

1962

01:12:43,750 --> 01:12:40,480

you know as a focus of their where they

1963

01:12:46,070 --> 01:12:43,760

come from because one of the great

1964

01:12:47,990 --> 01:12:46,080

things about doing this radio show is

1965

01:12:50,790 --> 01:12:48,000

that i get to listen to people like you

1966

01:12:53,910 --> 01:12:50,800

who have all these hypotheses on where

1967

01:12:56,390 --> 01:12:53,920

they come from but in the end

1968

01:12:58,790 --> 01:12:56,400

i wonder if they aren't all children of

1969

01:13:00,630 --> 01:12:58,800

god as well do you ever touch upon that

1970

01:13:04,470 --> 01:13:00,640

in your documentary

1971

01:13:06,950 --> 01:13:04,480

okay so so that okay so in this this is

1972

01:13:09,669 --> 01:13:06,960

where a lot of this is actually covered

1973

01:13:11,110 --> 01:13:09,679

in in in text that we have

1974

01:13:13,110 --> 01:13:11,120

so the uh

1975

01:13:15,510 --> 01:13:13,120

that the pages that we have here and

1976

01:13:18,709 --> 01:13:15,520

these would begin and extend to include

1977

01:13:21,430 --> 01:13:18,719

i would argue with enoch and and and the

1978

01:13:23,350 --> 01:13:21,440

reason why that's establishable is

1979

01:13:24,550 --> 01:13:23,360

because there's a certain prophetic

1980

01:13:28,149 --> 01:13:24,560

language

1981

01:13:30,630 --> 01:13:28,159

within the pages of so 70

1982

01:13:33,030 --> 01:13:30,640

of those biblical texts

1983

01:13:35,830 --> 01:13:33,040

are prophetic that's what they are so

1984

01:13:37,189 --> 01:13:35,840

that this is an authentication method of

1985

01:13:39,189 --> 01:13:37,199

the text

1986

01:13:41,270 --> 01:13:39,199

what it's doing is it's telling you the

1987

01:13:43,910 --> 01:13:41,280

author of those pages is not the guy

1988

01:13:46,790 --> 01:13:43,920

holding the pen to the papyrus

1989

01:13:48,550 --> 01:13:46,800

because what it's telling you the future

1990

01:13:50,470 --> 01:13:48,560

in advance that's part of its

1991

01:13:53,110 --> 01:13:50,480

authentication method

1992

01:13:55,110 --> 01:13:53,120

lord it's doing well that's true yeah

1993

01:13:56,709 --> 01:13:55,120

yeah so go ahead i'm sorry i wanted to i

1994

01:13:58,830 --> 01:13:56,719

interject that what you're saying

1995

01:14:01,270 --> 01:13:58,840

absolutely is true especially about

1996

01:14:03,189 --> 01:14:01,280

revelations and if you even look at the

1997

01:14:06,310 --> 01:14:03,199

book of enoch where you look at those

1998

01:14:07,669 --> 01:14:06,320

old scriptures we're actually reliving

1999

01:14:10,470 --> 01:14:07,679

that again

2000

01:14:14,630 --> 01:14:10,480

in a very parallel way

2001

01:14:16,630 --> 01:14:14,640

right now so the the place the place is

2002

01:14:19,030 --> 01:14:16,640

largely and god's lord you this way in

2003

01:14:20,709 --> 01:14:19,040

that way or the other way but it but but

2004

01:14:23,110 --> 01:14:20,719

everything here is done in measurements

2005

01:14:25,910 --> 01:14:23,120

in fact music god loves but one of the

2006

01:14:28,709 --> 01:14:25,920

things that moves people almost like god

2007

01:14:30,070 --> 01:14:28,719

does is music the gold place is made out

2008

01:14:32,470 --> 01:14:30,080

of sound

2009

01:14:33,990 --> 01:14:32,480

the the yes and that's not me telling

2010

01:14:36,470 --> 01:14:34,000

you you probably have a jillion people

2011

01:14:39,910 --> 01:14:36,480

on your show say the same thing

2012

01:14:41,350 --> 01:14:39,920

music is a very interesting um

2013

01:14:44,149 --> 01:14:41,360

modality

2014

01:14:46,709 --> 01:14:44,159

and i say that in a weird way because

2015

01:14:48,470 --> 01:14:46,719

it's it's much more than music what

2016

01:14:51,110 --> 01:14:48,480

people don't understand is that the

2017

01:14:53,189 --> 01:14:51,120

frequencies that music creates

2018

01:14:55,430 --> 01:14:53,199

can be frequencies of all different

2019

01:14:56,550 --> 01:14:55,440

types of different

2020

01:14:59,110 --> 01:14:56,560

emotions

2021

01:15:02,149 --> 01:14:59,120

and feelings and entities from other

2022

01:15:04,550 --> 01:15:02,159

places uh use different types of musical

2023

01:15:07,030 --> 01:15:04,560

frequencies like i mean

2024

01:15:09,270 --> 01:15:07,040

for god's sake as i tell everybody

2025

01:15:12,470 --> 01:15:09,280

remember close encounters of the third

2026

01:15:14,390 --> 01:15:12,480

kind it was all based on musical notes

2027

01:15:16,310 --> 01:15:14,400

that's how they figured out how to

2028

01:15:19,110 --> 01:15:16,320

contact these people and communicate

2029

01:15:21,270 --> 01:15:19,120

with them or the other entities and my

2030

01:15:23,669 --> 01:15:21,280

favorite scene in that whole movie is

2031

01:15:24,470 --> 01:15:23,679

when all the indian people are out there

2032

01:15:25,510 --> 01:15:24,480

you know

2033

01:15:28,149 --> 01:15:25,520

uh

2034

01:15:31,430 --> 01:15:28,159

doing the tones and then their hands all

2035

01:15:32,229 --> 01:15:31,440

point up at once to you know the the sky

2036

01:15:34,950 --> 01:15:32,239

and

2037

01:15:38,390 --> 01:15:34,960

it just it was so profound of a moment

2038

01:15:41,270 --> 01:15:38,400

for me that i realized that music

2039

01:15:44,149 --> 01:15:41,280

sound all of that can influence many

2040

01:15:46,950 --> 01:15:44,159

dimensions many levels and complete

2041

01:15:48,950 --> 01:15:46,960

resonance of our mind you know we may be

2042

01:15:51,590 --> 01:15:48,960

able to connect with god through music i

2043

01:15:55,030 --> 01:15:51,600

think i think music is an amazing tool

2044

01:15:57,270 --> 01:15:55,040

that is well overlooked in our society

2045

01:15:59,350 --> 01:15:57,280

anyhow i had to throw my two cents in

2046

01:16:00,550 --> 01:15:59,360

trey

2047

01:16:02,630 --> 01:16:00,560

the and the

2048

01:16:05,030 --> 01:16:02,640

the the music and it was a it was a

2049

01:16:06,950 --> 01:16:05,040

wonderful two cents because it's it's

2050

01:16:11,910 --> 01:16:06,960

all

2051

01:16:13,110 --> 01:16:11,920

um

2052

01:16:22,229 --> 01:16:13,120

the

2053

01:16:26,390 --> 01:16:24,390

i'm sorry i gotta interrupt you again my

2054

01:16:28,950 --> 01:16:26,400

dear i'm so sorry guess what it's time

2055

01:16:30,709 --> 01:16:28,960

for our last break so we gotta take this

2056

01:16:32,550 --> 01:16:30,719

break and we'll be back pretty quick

2057

01:16:34,790 --> 01:16:32,560

folks i promise you won't take a long

2058

01:16:36,630 --> 01:16:34,800

break but just the little one as i got

2059

01:16:38,630 --> 01:16:36,640

these commercials i got to play so we're

2060

01:16:40,950 --> 01:16:38,640

gonna do that and we'll be back with

2061

01:16:42,390 --> 01:16:40,960

trey uh smith and i and as soon as we

2062

01:16:43,510 --> 01:16:42,400

get back we're going to his website i'm

2063

01:16:44,870 --> 01:16:43,520

going to talk to you guys about the

2064

01:16:46,390 --> 01:16:44,880

website really quickly and we'll get

2065

01:16:51,270 --> 01:16:46,400

back to music so

2066

01:16:55,510 --> 01:16:53,510

welcome back everyone to the california

2067

01:16:57,669 --> 01:16:55,520

mufon radio show i'm your host lori and

2068

01:16:59,510 --> 01:16:57,679

fenton we're back it's the last segment

2069

01:17:00,310 --> 01:16:59,520

of the show tonight and i just want to

2070

01:17:02,470 --> 01:17:00,320

say

2071

01:17:04,229 --> 01:17:02,480

thank you to inception radio network

2072

01:17:06,070 --> 01:17:04,239

michael vara over late night in the

2073

01:17:08,870 --> 01:17:06,080

midlands and also

2074

01:17:10,550 --> 01:17:08,880

um dave cruz's network i'm not sure what

2075

01:17:11,830 --> 01:17:10,560

they're called i can never remember

2076

01:17:13,430 --> 01:17:11,840

because i don't have it in front of me

2077

01:17:15,590 --> 01:17:13,440

but i think they're replaying the show

2078

01:17:17,510 --> 01:17:15,600

as well and also

2079

01:17:19,350 --> 01:17:17,520

gene chip tatum has gotten a hold of me

2080

01:17:21,270 --> 01:17:19,360

lately and he said he wants to replay

2081

01:17:23,189 --> 01:17:21,280

the show again so i don't know how i'm

2082

01:17:25,750 --> 01:17:23,199

going to do all this you know i could i

2083

01:17:28,630 --> 01:17:25,760

could always hire 500 people to help me

2084

01:17:31,350 --> 01:17:28,640

but i'm gonna have to beg joe champion

2085

01:17:33,270 --> 01:17:31,360

to be my guy he's going to have to start

2086

01:17:34,149 --> 01:17:33,280

helping me get these files out to people

2087

01:17:36,709 --> 01:17:34,159

because

2088

01:17:38,790 --> 01:17:36,719

i can't believe how many people want to

2089

01:17:40,709 --> 01:17:38,800

replay the show and i'm very grateful

2090

01:17:43,189 --> 01:17:40,719

and i want to thank inception radio

2091

01:17:45,990 --> 01:17:43,199

network for letting me do so i want to

2092

01:17:47,910 --> 01:17:46,000

thank these guys joe champion mj lucas

2093

01:17:49,830 --> 01:17:47,920

bob tarmac i want to thank the three of

2094

01:17:51,510 --> 01:17:49,840

them for putting up with me all these

2095

01:17:54,470 --> 01:17:51,520

years as we've known

2096

01:17:56,630 --> 01:17:54,480

and uh i just as we've gone along it's

2097

01:17:58,229 --> 01:17:56,640

been a wild ride and i love them and i

2098

01:18:00,390 --> 01:17:58,239

just thank them so much for letting me

2099

01:18:02,390 --> 01:18:00,400

be here so thank you inception radio

2100

01:18:04,630 --> 01:18:02,400

network and by the way you guys get the

2101

01:18:06,950 --> 01:18:04,640

app be sure to get that app on your

2102

01:18:09,189 --> 01:18:06,960

phone and become a member of the

2103

01:18:12,070 --> 01:18:09,199

insider's club if you can

2104

01:18:14,149 --> 01:18:12,080

all right so okay back oh one other

2105

01:18:14,870 --> 01:18:14,159

thing i didn't say tonight you guys i

2106

01:18:19,669 --> 01:18:14,880

did

2107

01:18:25,830 --> 01:18:19,679

mufon symposium but you know my thing

2108

01:18:29,510 --> 01:18:27,590

get to that website

2109

01:18:32,310 --> 01:18:29,520

go to your state

2110

01:18:35,350 --> 01:18:32,320

knock on the door of your state

2111

01:18:38,310 --> 01:18:35,360

director's email and tell him you want

2112

01:18:40,149 --> 01:18:38,320

the meetings to start happening okay be

2113

01:18:42,709 --> 01:18:40,159

sure to do that that's my whole thing

2114

01:18:45,270 --> 01:18:42,719

with a mufon right now is that we've got

2115

01:18:46,630 --> 01:18:45,280

to have meetings in every state every

2116

01:18:48,310 --> 01:18:46,640

month and we've got to make sure it's

2117

01:18:50,149 --> 01:18:48,320

happening okay there's a very important

2118

01:18:52,149 --> 01:18:50,159

reason i would be doing this i would be

2119

01:18:54,630 --> 01:18:52,159

harping on it i wouldn't even be here

2120

01:18:56,630 --> 01:18:54,640

talking to you if i hadn't been told

2121

01:18:58,950 --> 01:18:56,640

that there's a very important reason for

2122

01:19:02,070 --> 01:18:58,960

all of us to find each other that

2123

01:19:04,550 --> 01:19:02,080

believe in all the things we believe in

2124

01:19:05,990 --> 01:19:04,560

okay so just remember that folks i told

2125

01:19:07,750 --> 01:19:06,000

you here first

2126

01:19:09,750 --> 01:19:07,760

five years from now you're all gonna go

2127

01:19:13,830 --> 01:19:09,760

god laurie and told us to all find each

2128

01:19:15,750 --> 01:19:13,840

other gee we did oh i'm so grateful

2129

01:19:18,470 --> 01:19:15,760

i mean maybe it'll turn out that way i

2130

01:19:21,030 --> 01:19:18,480

sure hope so that's what i'm being told

2131

01:19:23,750 --> 01:19:21,040

so do it if you can i'd appreciate it

2132

01:19:25,590 --> 01:19:23,760

okay and let's get back to trey smith

2133

01:19:27,830 --> 01:19:25,600

right now and here's what we're going to

2134

01:19:31,030 --> 01:19:27,840

do folks i want you to get to trey's

2135

01:19:32,709 --> 01:19:31,040

website it's very important you go there

2136

01:19:35,510 --> 01:19:32,719

i want you to

2137

01:19:37,030 --> 01:19:35,520

start looking over his um documentaries

2138

01:19:38,470 --> 01:19:37,040

we've been talking about a few of them

2139

01:19:41,430 --> 01:19:38,480

here tonight

2140

01:19:43,110 --> 01:19:41,440

but it's super again important that you

2141

01:19:45,189 --> 01:19:43,120

watch some of these documentaries i

2142

01:19:47,990 --> 01:19:45,199

think trey has a very good idea of

2143

01:19:52,070 --> 01:19:48,000

what's going on he's he talks about the

2144

01:19:54,950 --> 01:19:52,080

nephilim dinosaurs giants um

2145

01:19:56,790 --> 01:19:54,960

free energy the afterlife

2146

01:19:58,870 --> 01:19:56,800

entities which we were just talking

2147

01:20:01,270 --> 01:19:58,880

about right now and

2148

01:20:03,669 --> 01:20:01,280

i mean it's there's so much here we

2149

01:20:05,350 --> 01:20:03,679

could go on for six hours but i want you

2150

01:20:08,229 --> 01:20:05,360

guys to go there

2151
01:20:09,910 --> 01:20:08,239
and definitely you know check out his

2152
01:20:11,189 --> 01:20:09,920
documentaries i think they're very

2153
01:20:12,229 --> 01:20:11,199
powerful

2154
01:20:15,430 --> 01:20:12,239
okay

2155
01:20:16,830 --> 01:20:15,440
so that's it god in a nutshell.com

2156
01:20:20,229 --> 01:20:16,840
god in a

2157
01:20:22,310 --> 01:20:20,239
nutshell.com okay trey with me

2158
01:20:24,630 --> 01:20:22,320
yeah i'm still here with you okay

2159
01:20:26,790 --> 01:20:24,640
wonderful okay so now we were just

2160
01:20:29,189 --> 01:20:26,800
talking about the entities and you were

2161
01:20:31,030 --> 01:20:29,199
talking about um how they come through

2162
01:20:32,550 --> 01:20:31,040
and we're gonna and i can't remember

2163
01:20:34,470 --> 01:20:32,560

where we just left off though it was

2164

01:20:35,669 --> 01:20:34,480

important darn why does this happen to

2165

01:20:38,709 --> 01:20:35,679

me well

2166

01:20:40,229 --> 01:20:38,719

well they just walk through but the uh i

2167

01:20:43,350 --> 01:20:40,239

i you know i don't think anybody here on

2168

01:20:45,750 --> 01:20:43,360

the planet can see here they do

2169

01:20:48,470 --> 01:20:45,760

that's true oh that's where i was i was

2170

01:20:50,870 --> 01:20:48,480

at what kind you guys i'm sure in all

2171

01:20:53,430 --> 01:20:50,880

your documentaries you wrap things up in

2172

01:20:56,470 --> 01:20:53,440

a bow at the end and you give people

2173

01:21:02,709 --> 01:20:59,030

well there's there's not quite a bow

2174

01:21:04,470 --> 01:21:02,719

the uh well it there is a bow and a

2175

01:21:06,390 --> 01:21:04,480

things things in this place are as

2176

01:21:08,149 --> 01:21:06,400

simple as you want them to be or is

2177

01:21:10,229 --> 01:21:08,159

complicated you

2178

01:21:12,310 --> 01:21:10,239

you could think think about how does

2179

01:21:15,030 --> 01:21:12,320

something move something across the room

2180

01:21:16,870 --> 01:21:15,040

how does something step out of thin air

2181

01:21:18,950 --> 01:21:16,880

they come up with a lot of complicated

2182

01:21:21,189 --> 01:21:18,960

reasons for that and speculate about it

2183

01:21:23,030 --> 01:21:21,199

for until you blew in the face but the

2184

01:21:24,630 --> 01:21:23,040

fact is something stepped out of thin

2185

01:21:26,470 --> 01:21:24,640

air or something so the next set of

2186

01:21:29,430 --> 01:21:26,480

questions becomes

2187

01:21:31,990 --> 01:21:29,440

why did that happen to you

2188

01:21:33,669 --> 01:21:32,000

and and and this applies

2189

01:21:35,750 --> 01:21:33,679

when we started the conversation with

2190

01:21:39,030 --> 01:21:35,760

these these are people that there's just

2191

01:21:41,270 --> 01:21:39,040

your your this entire place

2192

01:21:42,950 --> 01:21:41,280

is couched in a spiritual condition and

2193

01:21:44,149 --> 01:21:42,960

there are two different voices in this

2194

01:21:45,750 --> 01:21:44,159

place

2195

01:21:47,270 --> 01:21:45,760

one of them one of them was real loud

2196

01:21:49,510 --> 01:21:47,280

one of those so it's part of my

2197

01:21:51,189 --> 01:21:49,520

complaint with with mike who by the way

2198

01:21:52,790 --> 01:21:51,199

he's a lot of wonderful things the guy i

2199

01:21:56,229 --> 01:21:52,800

robbed her safe from

2200

01:22:00,070 --> 01:21:56,239

he's i i don't um

2201
01:22:01,510 --> 01:22:00,080
over time your you know hearts change

2202
01:22:03,510 --> 01:22:01,520
but um

2203
01:22:06,070 --> 01:22:03,520
there's a term in the bible that they

2204
01:22:08,870 --> 01:22:06,080
went the way of jeroboam

2205
01:22:10,629 --> 01:22:08,880
and every good gift in this place there

2206
01:22:12,550 --> 01:22:10,639
there's certain things that god hates he

2207
01:22:15,110 --> 01:22:12,560
hates pride that the fruits of the

2208
01:22:16,310 --> 01:22:15,120
spirit are listed for either love joy

2209
01:22:18,790 --> 01:22:16,320
peace

2210
01:22:20,870 --> 01:22:18,800
patience self-sacrifice self-care you'll

2211
01:22:22,950 --> 01:22:20,880
find some of the most religious people

2212
01:22:25,270 --> 01:22:22,960
on the religious people that crucify

2213
01:22:27,830 --> 01:22:25,280

jesus wasn't the atheist

2214

01:22:29,590 --> 01:22:27,840

wasn't there this set up what what

2215

01:22:31,270 --> 01:22:29,600

wasn't the muslims it wasn't

2216

01:22:33,430 --> 01:22:31,280

was the religious people these are the

2217

01:22:37,189 --> 01:22:33,440

people that were looking for him

2218

01:22:41,189 --> 01:22:39,189

and and um

2219

01:22:43,350 --> 01:22:41,199

so what was the difference if you're

2220

01:22:45,510 --> 01:22:43,360

looking at cain and abel okay you said

2221

01:22:47,030 --> 01:22:45,520

i'm on the way the truth and the life

2222

01:22:49,110 --> 01:22:47,040

right there in the garden so he's kind

2223

01:22:51,189 --> 01:22:49,120

of saying this i'm the way the truth and

2224

01:22:53,030 --> 01:22:51,199

the life no man cometh before the father

2225

01:22:54,870 --> 01:22:53,040

except by me

2226

01:22:56,390 --> 01:22:54,880

so we we're waiting

2227

01:22:59,830 --> 01:22:56,400

and those but we're waiting for a good

2228

01:23:01,189 --> 01:22:59,840

king that city jerusalem is a castle so

2229

01:23:03,030 --> 01:23:01,199

in this place we've got a lot of wicked

2230

01:23:04,950 --> 01:23:03,040

kings a lot of them we've had some good

2231

01:23:07,590 --> 01:23:04,960

ones but even at our best we're wicked

2232

01:23:08,790 --> 01:23:07,600

that's what those pages are stating

2233

01:23:10,950 --> 01:23:08,800

that's what they're that's what they're

2234

01:23:12,470 --> 01:23:10,960

saying even at our best there's a way to

2235

01:23:14,629 --> 01:23:12,480

see it right until a man but the end

2236

01:23:16,550 --> 01:23:14,639

thereof is destruction

2237

01:23:18,310 --> 01:23:16,560

so what we were talking about part of

2238

01:23:20,310 --> 01:23:18,320

part of these documentaries is figuring

2239

01:23:22,149 --> 01:23:20,320

out how to how do we establish what

2240

01:23:23,750 --> 01:23:22,159

we're listening to

2241

01:23:25,510 --> 01:23:23,760

because one of the things those pages

2242

01:23:27,990 --> 01:23:25,520

what jesus is stating and right there in

2243

01:23:30,550 --> 01:23:28,000

matthew 24 the disciples say what will

2244

01:23:32,070 --> 01:23:30,560

be the end of the age and the sign of

2245

01:23:33,669 --> 01:23:32,080

your coming

2246

01:23:36,709 --> 01:23:33,679

the first thing he says

2247

01:23:38,390 --> 01:23:36,719

see that no one deceives you that entire

2248

01:23:39,430 --> 01:23:38,400

chapter of text what you're going to

2249

01:23:42,390 --> 01:23:39,440

find

2250

01:23:43,590 --> 01:23:42,400

when you look at those pages

2251

01:23:46,149 --> 01:23:43,600

if

2252

01:23:48,390 --> 01:23:46,159

particularly to look at it for my stuff

2253

01:23:51,110 --> 01:23:48,400

is that the more you look at those

2254

01:23:52,390 --> 01:23:51,120

words the more seriously

2255

01:23:54,950 --> 01:23:52,400

you're going to take not just each

2256

01:23:56,629 --> 01:23:54,960

paragraph not just each sentence

2257

01:23:58,310 --> 01:23:56,639

but every letter right down to the odds

2258

01:24:01,110 --> 01:23:58,320

and titles

2259

01:24:01,910 --> 01:24:01,120

because they all have meaning

2260

01:24:03,270 --> 01:24:01,920

the

2261

01:24:06,870 --> 01:24:03,280

um

2262

01:24:08,149 --> 01:24:06,880

that that book is authenticating itself

2263

01:24:12,950 --> 01:24:08,159

to you

2264

01:24:14,950 --> 01:24:12,960

vegas style lights because

2265

01:24:16,870 --> 01:24:14,960

the god that you're reading about is a

2266

01:24:20,310 --> 01:24:16,880

perfect gentleman the same god that gave

2267

01:24:23,669 --> 01:24:20,320

you two trees and a guard

2268

01:24:24,870 --> 01:24:23,679

one that said you shall be as gods

2269

01:24:28,070 --> 01:24:24,880

right that was there were three

2270

01:24:29,189 --> 01:24:28,080

arguments there in the garden

2271

01:24:33,750 --> 01:24:29,199

so

2272

01:24:36,149 --> 01:24:33,760

the eyes

2273

01:24:37,910 --> 01:24:36,159

that it was good to make one wise that's

2274

01:24:40,390 --> 01:24:37,920

what solomon wanted right so there's

2275

01:24:42,709 --> 01:24:40,400

like a real good thing the wisdom thing

2276

01:24:44,950 --> 01:24:42,719

a lot of people praise solomon for this

2277

01:24:47,669 --> 01:24:44,960

oh well he asked for wisdom in fact mike

2278

01:24:49,270 --> 01:24:47,679

wrote a whole book on it the tv pastor

2279

01:24:50,550 --> 01:24:49,280

who i took off with his safe and random

2280

01:24:54,870 --> 01:24:50,560

mexico

2281

01:24:58,709 --> 01:24:56,950

yeah let's not get on that for a second

2282

01:25:02,470 --> 01:24:58,719

that was his whole kid

2283

01:25:04,310 --> 01:25:02,480

was solomon he uh he idolized solomon

2284

01:25:08,550 --> 01:25:04,320

the idolized solomon

2285

01:25:10,070 --> 01:25:08,560

but but but see solomon's father david

2286

01:25:11,910 --> 01:25:10,080

it was a good king good king of

2287

01:25:15,189 --> 01:25:11,920

jerusalem where we were rick and i were

2288

01:25:21,110 --> 01:25:17,830

what david told his son

2289

01:25:23,350 --> 01:25:21,120

is to ask god for two things

2290

01:25:25,510 --> 01:25:23,360

a heart after god

2291

01:25:27,990 --> 01:25:25,520

and for wisdom

2292

01:25:29,910 --> 01:25:28,000

now when solid the word demon means like

2293

01:25:31,430 --> 01:25:29,920

the things that you know you see these

2294

01:25:32,950 --> 01:25:31,440

things coming back and forth in the

2295

01:25:34,470 --> 01:25:32,960

skies you think wow that's really they

2296

01:25:37,430 --> 01:25:34,480

must be really smart to be able to do

2297

01:25:40,310 --> 01:25:37,440

that they must have a lot of knowledge

2298

01:25:42,629 --> 01:25:40,320

well that's what the word demon means

2299

01:25:44,629 --> 01:25:42,639

it's not they're incredibly smart

2300

01:25:46,950 --> 01:25:44,639

jesus is telling you enoch is telling

2301

01:25:48,550 --> 01:25:46,960

you all those texts are telling you not

2302

01:25:49,669 --> 01:25:48,560

only they're really smart but they're

2303

01:25:52,310 --> 01:25:49,679

really smarter than you and they're

2304

01:25:53,510 --> 01:25:52,320

really going to try and deceive you

2305

01:25:54,470 --> 01:25:53,520

and now you're talking to people that

2306

01:25:56,149 --> 01:25:54,480

are saying that they're thinking

2307

01:25:57,669 --> 01:25:56,159

stepping out of thin air with sales

2308

01:25:59,189 --> 01:25:57,679

itches

2309

01:26:02,629 --> 01:25:59,199

and i don't care what steps out of thin

2310

01:26:06,709 --> 01:26:05,110

there's guys like me that wait for a

2311

01:26:08,390 --> 01:26:06,719

better deal and then there's other guys

2312

01:26:13,270 --> 01:26:08,400

that'll chase all over the planet

2313

01:26:18,629 --> 01:26:16,310

i i think it's important i think it's

2314

01:26:20,390 --> 01:26:18,639

important to always

2315

01:26:22,229 --> 01:26:20,400

see when you pick up a telephone it's

2316

01:26:24,149 --> 01:26:22,239

important to find out who you're talking

2317

01:26:25,030 --> 01:26:24,159

to

2318

01:26:27,270 --> 01:26:25,040

and

2319

01:26:30,629 --> 01:26:27,280

that's important in a spiritual sense in

2320

01:26:33,590 --> 01:26:30,639

a physical sense so you've got a book

2321

01:26:35,350 --> 01:26:33,600

and and in that book it's it's

2322

01:26:37,510 --> 01:26:35,360

it's telling you the difference between

2323

01:26:38,470 --> 01:26:37,520

the voice of god it's redundantly doing

2324

01:26:41,510 --> 01:26:38,480

this

2325

01:26:43,590 --> 01:26:41,520

what does the voice of god the voice of

2326

01:26:45,350 --> 01:26:43,600

the great of you if you're if you're in

2327

01:26:47,669 --> 01:26:45,360

a place

2328

01:26:49,510 --> 01:26:47,679

if you're in somebody else's house

2329

01:26:50,709 --> 01:26:49,520

or if you're on somebody if you're in

2330

01:26:53,510 --> 01:26:50,719

some if you're playing in somebody

2331

01:26:58,149 --> 01:26:54,870

it's important to find out what the

2332

01:27:03,430 --> 01:27:01,430

well i i'm very i've heard it said

2333

01:27:05,750 --> 01:27:03,440

yeah

2334

01:27:07,110 --> 01:27:05,760

we kind of we kind of have to stop now

2335

01:27:09,270 --> 01:27:07,120

because we're going to go into the

2336

01:27:11,270 --> 01:27:09,280

question part of the show tonight

2337

01:27:13,270 --> 01:27:11,280

but that's very interesting you bring

2338

01:27:15,430 --> 01:27:13,280

that up we're talking about is the voice

2339

01:27:17,189 --> 01:27:15,440

of god and you're again you're talking

2340

01:27:19,189 --> 01:27:17,199

about music like we were talking about

2341

01:27:22,070 --> 01:27:19,199

before the break you're talking about

2342

01:27:25,030 --> 01:27:22,080

sound you're talking about frequency is

2343

01:27:27,430 --> 01:27:25,040

that something that you're relating to

2344

01:27:30,870 --> 01:27:27,440

in your documentaries

2345

01:27:33,110 --> 01:27:30,880

well anytime so mute music that god god

2346

01:27:36,390 --> 01:27:33,120

like he's the author of music

2347

01:27:39,030 --> 01:27:36,400

and you you can use music like you can

2348

01:27:41,189 --> 01:27:39,040

any other thing to talk to i won't say

2349

01:27:42,470 --> 01:27:41,199

any names but she i asked one guy you

2350

01:27:43,750 --> 01:27:42,480

know how did you

2351

01:27:46,629 --> 01:27:43,760

spend a hundred thousand dollars on

2352

01:27:49,189 --> 01:27:46,639

likes how'd you pick those like i don't

2353

01:27:50,629 --> 01:27:49,199

know it just came to my mind

2354

01:27:52,950 --> 01:27:50,639

well but they're all they're all

2355

01:27:54,870 --> 01:27:52,960

kundalini colors

2356

01:27:56,310 --> 01:27:54,880

how did she how did you just say a lot

2357

01:27:57,750 --> 01:27:56,320

well yeah yeah he didn't even know he

2358

01:27:59,350 --> 01:27:57,760

picked it in that funny

2359

01:28:01,030 --> 01:27:59,360

and even though he didn't even know he

2360

01:28:03,430 --> 01:28:01,040

had picked it this is the serpent that

2361

01:28:04,149 --> 01:28:03,440

comes down the spine

2362

01:28:06,390 --> 01:28:04,159

now

2363

01:28:08,950 --> 01:28:06,400

i i um

2364

01:28:11,990 --> 01:28:08,960

uh so you so so there in the garden

2365

01:28:15,669 --> 01:28:13,990

that wanted to and so there were three

2366

01:28:18,629 --> 01:28:15,679

of these no the numbers are important

2367

01:28:21,030 --> 01:28:18,639

just like the beats and a song okay

2368

01:28:22,149 --> 01:28:21,040

so those are mathematics

2369

01:28:24,149 --> 01:28:22,159

right

2370

01:28:25,750 --> 01:28:24,159

location just like the temptations on

2371

01:28:27,750 --> 01:28:25,760

the mountain it was good to make one it

2372

01:28:29,750 --> 01:28:27,760

was attracted to the eyes it's good to

2373

01:28:33,430 --> 01:28:29,760

make one want

2374

01:28:35,750 --> 01:28:33,440

and the last one you shall be as gods

2375

01:28:37,669 --> 01:28:35,760

and so and this sales pitch still works

2376

01:28:39,669 --> 01:28:37,679

today

2377

01:28:41,590 --> 01:28:39,679

and then this is the choice so each and

2378

01:28:43,189 --> 01:28:41,600

every one of us

2379

01:28:46,390 --> 01:28:43,199

in my view

2380

01:28:48,310 --> 01:28:46,400

is standing by beside this tree but in

2381

01:28:51,030 --> 01:28:48,320

between these two trees at all times we

2382

01:28:55,510 --> 01:28:51,040

get to pick

2383

01:28:59,350 --> 01:28:55,520

if we're if we submit to a tank

2384

01:29:00,390 --> 01:28:59,360

if we submit to our creator if we don't

2385

01:29:01,350 --> 01:29:00,400

and

2386

01:29:04,229 --> 01:29:01,360

so

2387

01:29:05,910 --> 01:29:04,239

this this is and i've made my choice on

2388

01:29:08,629 --> 01:29:05,920

that but you're

2389

01:29:10,950 --> 01:29:08,639

uh you're dealing with your answer

2390

01:29:13,590 --> 01:29:10,960

i gotta catch you i gotta cut out cut

2391

01:29:15,189 --> 01:29:13,600

you off here for just a second it's very

2392

01:29:17,270 --> 01:29:15,199

interesting you said we're standing

2393

01:29:20,229 --> 01:29:17,280

between the two trees making a choice

2394

01:29:21,990 --> 01:29:20,239

because if you go into the kabbalah

2395

01:29:25,430 --> 01:29:22,000

the hebrew kabbalah

2396

01:29:27,990 --> 01:29:25,440

and you look at how they started their

2397

01:29:31,350 --> 01:29:28,000

history and the old testament and the

2398

01:29:33,830 --> 01:29:31,360

whole bed they had the pillars of life

2399

01:29:36,870 --> 01:29:33,840

and they had the god in the center and

2400

01:29:38,950 --> 01:29:36,880

they have the angels surrounding them

2401

01:29:41,110 --> 01:29:38,960

and uh it's it's very interesting that

2402

01:29:44,390 --> 01:29:41,120

you've equated that to two pillars two

2403

01:29:47,590 --> 01:29:44,400

trees and this this is very ancient

2404

01:29:49,510 --> 01:29:47,600

there's always been this this veil over

2405

01:29:52,310 --> 01:29:49,520

our existence here

2406

01:29:53,910 --> 01:29:52,320

that talking to god is very difficult

2407

01:29:56,550 --> 01:29:53,920

but what people don't understand that

2408

01:29:58,629 --> 01:29:56,560

talking to god is very easy once you've

2409

01:29:59,669 --> 01:29:58,639

accepted the fact that there is another

2410

01:30:05,350 --> 01:29:59,679

realm

2411

01:30:06,790 --> 01:30:05,360

choices are truly the key here

2412

01:30:17,110 --> 01:30:06,800

and

2413

01:30:20,149 --> 01:30:17,120

symbolism many symbolic

2414

01:30:23,350 --> 01:30:20,159

references in the bible and the hebrew

2415

01:30:26,310 --> 01:30:23,360

torah and a lot of the other religious

2416

01:30:28,950 --> 01:30:26,320

text actually that talks about how you

2417

01:30:31,270 --> 01:30:28,960

get to make that phone call to god

2418

01:30:33,110 --> 01:30:31,280

and i think you've just touched upon it

2419

01:30:35,030 --> 01:30:33,120

you know you're at that place you have

2420

01:30:38,070 --> 01:30:35,040

to make that choice you have to pick

2421

01:30:40,149 --> 01:30:38,080

between good and evil ying and yang one

2422

01:30:40,950 --> 01:30:40,159

tree on the right one tree on the left

2423

01:30:45,270 --> 01:30:40,960

one

2424

01:30:47,110 --> 01:30:45,280

i mean it's all basically

2425

01:30:49,669 --> 01:30:47,120

you know you're in the middle and you've

2426

01:30:51,669 --> 01:30:49,679

got to make a choice you can't stand in

2427

01:30:54,149 --> 01:30:51,679

the middle forever because being in the

2428

01:30:56,229 --> 01:30:54,159

middle means that you have not committed

2429

01:30:58,310 --> 01:30:56,239

and that's i think that's what you were

2430

01:31:00,070 --> 01:30:58,320

just trying to say in a in an

2431

01:31:01,510 --> 01:31:00,080

interesting way i mean that's just what

2432

01:31:04,709 --> 01:31:01,520

i'm picking up from what you're telling

2433

01:31:07,910 --> 01:31:04,719

me it's not a it's not a new way at all

2434

01:31:11,510 --> 01:31:07,920

it's um what what is it what it is what

2435

01:31:13,030 --> 01:31:11,520

it is is is is as simple as the night

2436

01:31:15,189 --> 01:31:13,040

is day

2437

01:31:18,709 --> 01:31:15,199

and it's and it's something that we all

2438

01:31:21,270 --> 01:31:18,719

know on our hearts all of us so we will

2439

01:31:23,110 --> 01:31:21,280

run this way and that will chase the

2440

01:31:24,870 --> 01:31:23,120

good alien over the bad alien and the

2441

01:31:26,390 --> 01:31:24,880

other things because all these terms are

2442

01:31:27,990 --> 01:31:26,400

really irrelevant

2443

01:31:30,149 --> 01:31:28,000

that's right

2444

01:31:31,430 --> 01:31:30,159

they're frivolous when we know it yeah

2445

01:31:33,430 --> 01:31:31,440

because it's

2446

01:31:34,790 --> 01:31:33,440

because all of the al all of the aliens

2447

01:31:37,110 --> 01:31:34,800

are evil

2448

01:31:38,310 --> 01:31:37,120

they're so good again and none of us

2449

01:31:40,229 --> 01:31:38,320

well you know

2450

01:31:43,189 --> 01:31:40,239

that's interesting you said that too

2451
01:31:44,629 --> 01:31:43,199
because uh stephen greer has been a big

2452
01:31:46,950 --> 01:31:44,639
proponent of

2453
01:31:50,229 --> 01:31:46,960
mufon and he's been out on the what i

2454
01:31:53,590 --> 01:31:50,239
call the ufo community circuit for years

2455
01:31:55,790 --> 01:31:53,600
now and he is starting to to say things

2456
01:31:57,270 --> 01:31:55,800
like that as well and a lot of people

2457
01:31:59,270 --> 01:31:57,280
[Music]

2458
01:32:01,830 --> 01:31:59,280
if you've been thinking about updating

2459
01:32:04,070 --> 01:32:01,840
your old appliances now's the time

2460
01:32:06,950 --> 01:32:04,080
because now at lowe's you'll find great

2461
01:32:09,510 --> 01:32:06,960
deals like up to 40 off select appliance

2462
01:32:11,270 --> 01:32:09,520
special values that's up to 40 percent

2463
01:32:13,110 --> 01:32:11,280

off some of the best brand name

2464

01:32:15,669 --> 01:32:13,120

appliances with all the bells and

2465

01:32:18,149 --> 01:32:15,679

whistles to help bring your kitchen and

2466

01:32:20,470 --> 01:32:18,159

laundry room up to date all projects

2467

01:32:22,790 --> 01:32:20,480

have a starting point start with lows

2468

01:32:25,830 --> 01:32:22,800

about 621 through 712 us only exclusion

2469

01:32:27,430 --> 01:32:25,840

supplies store for details

2470

01:32:30,229 --> 01:32:27,440

that have been very involved with the

2471

01:32:32,950 --> 01:32:30,239

alien agenda for a very long time are

2472

01:32:35,270 --> 01:32:32,960

starting to say there are no good aliens

2473

01:32:37,990 --> 01:32:35,280

but i have one little part to add to

2474

01:32:39,750 --> 01:32:38,000

that and that is i don't believe them

2475

01:32:43,830 --> 01:32:39,760

and i'll tell you why

2476
01:32:45,669 --> 01:32:43,840
because i am in touch with angels and as

2477
01:32:48,709 --> 01:32:45,679
far as i can tell

2478
01:32:51,350 --> 01:32:48,719
they're aliens too

2479
01:32:52,790 --> 01:32:51,360
i think we're missing the point here

2480
01:32:57,669 --> 01:32:52,800
so

2481
01:33:00,550 --> 01:32:57,679
spectrum just like we have here on

2482
01:33:03,110 --> 01:33:00,560
planet earth there's either good ones or

2483
01:33:05,270 --> 01:33:03,120
bad ones and very few good ones and

2484
01:33:07,110 --> 01:33:05,280
probably only one species of good ones

2485
01:33:09,189 --> 01:33:07,120
and i would say aliens

2486
01:33:11,030 --> 01:33:09,199
you know are angels and those are the

2487
01:33:12,790 --> 01:33:11,040
good ones and maybe there's maybe

2488
01:33:14,629 --> 01:33:12,800

there's another species out there of

2489

01:33:16,070 --> 01:33:14,639

good ones i don't know

2490

01:33:19,590 --> 01:33:16,080

but uh

2491

01:33:22,390 --> 01:33:19,600

i just have this funny feeling that uh

2492

01:33:24,550 --> 01:33:22,400

that most of them are bad you know and i

2493

01:33:27,430 --> 01:33:24,560

just you know i'm starting to wonder if

2494

01:33:30,310 --> 01:33:27,440

the ufo community isn't waking up well

2495

01:33:32,950 --> 01:33:30,320

i i i don't i i i don't want to come on

2496

01:33:35,189 --> 01:33:32,960

your show and and drive on any of that i

2497

01:33:36,950 --> 01:33:35,199

here's here's uh

2498

01:33:38,390 --> 01:33:36,960

um

2499

01:33:43,750 --> 01:33:38,400

here's

2500

01:33:52,070 --> 01:33:43,760

um

2501
01:33:53,510 --> 01:33:52,080
in that tour given to you by accident

2502
01:33:55,110 --> 01:33:53,520
care if it's a weight on the board or a

2503
01:33:58,629 --> 01:33:55,120
measurement of this or the date the boat

2504
01:34:00,149 --> 01:33:58,639
landed which would have been the 17th

2505
01:34:01,750 --> 01:34:00,159
uh there's not one number out of play

2506
01:34:03,510 --> 01:34:01,760
you got a whole book and that bible

2507
01:34:06,550 --> 01:34:03,520
called making some real tedious and

2508
01:34:08,709 --> 01:34:06,560
technical to read

2509
01:34:10,390 --> 01:34:08,719
begin doing the math on what was laid

2510
01:34:12,629 --> 01:34:10,400
out then god can look like a real pain

2511
01:34:14,629 --> 01:34:12,639
in the rear end he said why does he want

2512
01:34:16,550 --> 01:34:14,639
me to do this because he states this

2513
01:34:18,149 --> 01:34:16,560

redundantly in his text there's a way

2514

01:34:20,149 --> 01:34:18,159

that seems right there's angels that'll

2515

01:34:21,910 --> 01:34:20,159

seem good in fact they're saying that

2516

01:34:24,629 --> 01:34:21,920

they're coming out

2517

01:34:25,350 --> 01:34:24,639

there are there are good angels

2518

01:34:31,270 --> 01:34:25,360

but

2519

01:34:34,310 --> 01:34:31,280

god the angels of god

2520

01:34:36,550 --> 01:34:34,320

uh i i could tell you this

2521

01:34:40,550 --> 01:34:38,470

there when you're doing the math in the

2522

01:34:43,189 --> 01:34:40,560

book of numbers when you're laying out

2523

01:34:45,270 --> 01:34:43,199

all these tedious instructions that god

2524

01:34:48,629 --> 01:34:45,280

gave to those hebrews because he wanted

2525

01:34:49,990 --> 01:34:48,639

them to be holy that means set apart

2526

01:34:52,390 --> 01:34:50,000

but in that math what you're going to

2527

01:34:54,310 --> 01:34:52,400

find is that that was a cross out there

2528

01:34:56,470 --> 01:34:54,320

on the desert floor

2529

01:34:57,350 --> 01:34:56,480

he's wandering around for 40 years so at

2530

01:34:58,310 --> 01:34:57,360

night

2531

01:34:59,990 --> 01:34:58,320

you would have seen that it would have

2532

01:35:02,550 --> 01:35:00,000

been a glorious thing to look at from

2533

01:35:04,629 --> 01:35:02,560

the sky it would have been a crime

2534

01:35:06,709 --> 01:35:04,639

and a symbol of the the symbol of the

2535

01:35:07,990 --> 01:35:06,719

top what they were to put on their

2536

01:35:09,910 --> 01:35:08,000

doorposts

2537

01:35:11,830 --> 01:35:09,920

on the passover that's the same day that

2538

01:35:13,910 --> 01:35:11,840

jesus died so

2539

01:35:16,470 --> 01:35:13,920

uh that cross that they were doing with

2540

01:35:18,390 --> 01:35:16,480

the lamb's blood it wasn't goat's blood

2541

01:35:21,430 --> 01:35:18,400

flam's blood

2542

01:35:22,790 --> 01:35:21,440

they're putting on their door post

2543

01:35:24,950 --> 01:35:22,800

was the blood of the lamb it would have

2544

01:35:26,470 --> 01:35:24,960

been in the shape of the tov

2545

01:35:28,470 --> 01:35:26,480

but it's a cross

2546

01:35:31,430 --> 01:35:28,480

they're painting on the doors

2547

01:35:32,470 --> 01:35:31,440

when the angel of death came through

2548

01:35:37,270 --> 01:35:32,480

when you

2549

01:35:40,629 --> 01:35:37,280

uh look at the day that jesus said in

2550

01:35:43,030 --> 01:35:40,639

matthew 25 aaron i'm sorry in

2551
01:35:45,430 --> 01:35:43,040
daniel 9 25 and daniel says i don't even

2552
01:35:49,910 --> 01:35:45,440
know what i'm writing

2553
01:35:51,590 --> 01:35:49,920
oh i know that i don't know where it is

2554
01:35:53,510 --> 01:35:51,600
i don't know what i don't know what this

2555
01:35:55,669 --> 01:35:53,520
means so how do we know when we're

2556
01:35:58,070 --> 01:35:55,679
scribbling something on a page

2557
01:36:01,910 --> 01:35:58,080
what wasn't speaking

2558
01:36:03,910 --> 01:36:01,920
but in this case gives us some air

2559
01:36:05,110 --> 01:36:03,920
i don't understand this that from the

2560
01:36:17,350 --> 01:36:05,120
time

2561
01:36:22,070 --> 01:36:19,350
don't understand this

2562
01:36:24,149 --> 01:36:22,080
uh that from the decree to build and

2563
01:36:26,870 --> 01:36:24,159

restore jerusalem that would have been

2564

01:36:29,590 --> 01:36:26,880

the decree of or xerxes until

2565

01:36:31,990 --> 01:36:29,600

the mashiach the messiah comes will be

2566

01:36:34,070 --> 01:36:32,000

69 weeks of year this explained earlier

2567

01:36:35,189 --> 01:36:34,080

in your text what that is going to mean

2568

01:36:38,550 --> 01:36:35,199

but that's good that's going to come out

2569

01:36:40,790 --> 01:36:38,560

to 17 880 days

2570

01:36:42,470 --> 01:36:40,800

okay if you do the if you do the decree

2571

01:36:43,990 --> 01:36:42,480

of our exact season you know the date

2572

01:36:45,910 --> 01:36:44,000

for that coincidence you find it isn't

2573

01:36:48,390 --> 01:36:45,920

strange all these biblical artifacts

2574

01:36:50,950 --> 01:36:48,400

stay in place the other ones fade

2575

01:36:52,950 --> 01:36:50,960

like somebody wanted you to find that

2576

01:36:54,950 --> 01:36:52,960

but you can do the math on it

2577

01:36:57,270 --> 01:36:54,960

all the way up until it's the day that

2578

01:36:59,189 --> 01:36:57,280

jesus looked at the disciples and he

2579

01:37:02,070 --> 01:36:59,199

says he says go and give me that donkey

2580

01:37:04,709 --> 01:37:02,080

and i said how do you know it's there

2581

01:37:05,830 --> 01:37:04,719

he said that that donkey was prepared

2582

01:37:10,629 --> 01:37:05,840

for me

2583

01:37:15,189 --> 01:37:12,950

he gets that donkey and he rides into

2584

01:37:16,870 --> 01:37:15,199

the front gate of jerusalem this is the

2585

01:37:18,310 --> 01:37:16,880

only time

2586

01:37:20,390 --> 01:37:18,320

in the text

2587

01:37:22,709 --> 01:37:20,400

that he allowed the people to declare

2588

01:37:24,870 --> 01:37:22,719

him out as king so many times in the

2589

01:37:26,629 --> 01:37:24,880

text you see they wanted to declare him

2590

01:37:28,310 --> 01:37:26,639

king because of the miracles and he said

2591

01:37:30,149 --> 01:37:28,320

this is what jesus vanished into the

2592

01:37:33,350 --> 01:37:30,159

crowd he was found no more

2593

01:37:34,950 --> 01:37:33,360

but except for on this one particular

2594

01:37:37,350 --> 01:37:34,960

day

2595

01:37:39,030 --> 01:37:37,360

that he wrote in

2596

01:37:40,870 --> 01:37:39,040

the front day

2597

01:37:43,750 --> 01:37:40,880

of jerusalem

2598

01:37:45,270 --> 01:37:43,760

and this is the precise date that daniel

2599

01:37:48,709 --> 01:37:45,280

gave the math for

2600

01:37:50,310 --> 01:37:48,719

for that 500 years in advance yeah are

2601
01:37:54,310 --> 01:37:50,320
hundreds

2602
01:37:56,950 --> 01:37:54,320
of examples of this and that text wow

2603
01:38:01,109 --> 01:37:56,960
okay well you know what this is

2604
01:38:03,430 --> 01:38:01,119
extremely fascinating and i am hooked i

2605
01:38:05,350 --> 01:38:03,440
am going to be buying your dvds because

2606
01:38:07,109 --> 01:38:05,360
i want to watch this and i want to see

2607
01:38:11,030 --> 01:38:07,119
how you came out with these different

2608
01:38:13,510 --> 01:38:11,040
hypothesis and conclusions and the whole

2609
01:38:15,590 --> 01:38:13,520
thing about the numbers absolutely is

2610
01:38:16,390 --> 01:38:15,600
stunning and i want people to know that

2611
01:38:18,950 --> 01:38:16,400
there's

2612
01:38:22,149 --> 01:38:18,960
a lot of very interesting information

2613
01:38:24,070 --> 01:38:22,159

out there recently about how numbers and

2614

01:38:26,229 --> 01:38:24,080

and frequency

2615

01:38:28,790 --> 01:38:26,239

are actually maybe

2616

01:38:31,590 --> 01:38:28,800

how we break into other dimensions and

2617

01:38:34,070 --> 01:38:31,600

other portals to other places

2618

01:38:36,870 --> 01:38:34,080

and i'm beginning to wonder if that

2619

01:38:40,229 --> 01:38:36,880

might not be how we get to where god

2620

01:38:42,870 --> 01:38:40,239

lives if god does live somewhere maybe

2621

01:38:44,629 --> 01:38:42,880

this is how we do it and like i said you

2622

01:38:46,390 --> 01:38:44,639

got to pick up the phone folks you got

2623

01:38:48,149 --> 01:38:46,400

to make that decision that you're either

2624

01:38:49,830 --> 01:38:48,159

going to be in the battle because trey

2625

01:38:51,830 --> 01:38:49,840

as you and i both know

2626

01:38:53,750 --> 01:38:51,840

being here is not necessarily something

2627

01:38:54,790 --> 01:38:53,760

that you can just do as a spectator

2628

01:38:56,790 --> 01:38:54,800

sport

2629

01:38:59,590 --> 01:38:56,800

if you're really in on it you guys

2630

01:39:01,990 --> 01:38:59,600

whether it's with the ufo crowd or the

2631

01:39:04,149 --> 01:39:02,000

conspiracy crowd or the jfk crowd or

2632

01:39:06,550 --> 01:39:04,159

whatever crowd you're in or if you're

2633

01:39:08,390 --> 01:39:06,560

into politics if you're into whatever

2634

01:39:11,109 --> 01:39:08,400

there comes a point where you have to

2635

01:39:13,350 --> 01:39:11,119

decide what is the good the bad and the

2636

01:39:15,030 --> 01:39:13,360

ugly of the situation you found yourself

2637

01:39:17,109 --> 01:39:15,040

in and are you going to get on the right

2638

01:39:19,270 --> 01:39:17,119

side of it and make it a better

2639

01:39:21,990 --> 01:39:19,280

existence for everybody else on this

2640

01:39:24,629 --> 01:39:22,000

planet no matter what where you're at in

2641

01:39:27,430 --> 01:39:24,639

your you know in your struggle to get to

2642

01:39:29,510 --> 01:39:27,440

the next level so you know that's

2643

01:39:31,510 --> 01:39:29,520

basically i think what trey is trying to

2644

01:39:34,390 --> 01:39:31,520

say to us tonight i think that's what

2645

01:39:37,350 --> 01:39:34,400

he's doing in his dvds i do hope you

2646

01:39:40,950 --> 01:39:37,360

guys watch them you have to go to god in

2647

01:39:42,390 --> 01:39:40,960

a nutshell.com got in a nutshell.com get

2648

01:39:45,430 --> 01:39:42,400

a hold of these i think they're

2649

01:39:47,990 --> 01:39:45,440

wonderful the little pieces i have seen

2650

01:39:50,550 --> 01:39:48,000

of them um are just fascinating

2651
01:39:52,870 --> 01:39:50,560
absolutely fascinating stuff so we have

2652
01:39:55,430 --> 01:39:52,880
about less than two minutes left in the

2653
01:39:57,430 --> 01:39:55,440
show i do want to ask one question of

2654
01:39:59,750 --> 01:39:57,440
you from the chat room

2655
01:40:03,030 --> 01:39:59,760
um you want they want to know have you

2656
01:40:05,109 --> 01:40:03,040
ever been threatened coerced or as

2657
01:40:07,750 --> 01:40:05,119
anything happened to you while you were

2658
01:40:09,590 --> 01:40:07,760
tracking down the information for your

2659
01:40:11,430 --> 01:40:09,600
documentaries i think it's a great

2660
01:40:15,910 --> 01:40:11,440
question

2661
01:40:18,070 --> 01:40:15,920
no not really i i the um

2662
01:40:19,910 --> 01:40:18,080
there's favor where i step

2663
01:40:22,870 --> 01:40:19,920

and uh there's protection on where these

2664

01:40:25,590 --> 01:40:22,880

feet walk and i um

2665

01:40:27,510 --> 01:40:25,600

even even in places where

2666

01:40:30,709 --> 01:40:27,520

they're

2667

01:40:31,750 --> 01:40:30,719

bullets and we stepped into a few just a

2668

01:40:33,830 --> 01:40:31,760

couple of months back we're going to

2669

01:40:35,510 --> 01:40:33,840

step into some more

2670

01:40:38,310 --> 01:40:35,520

um

2671

01:40:40,790 --> 01:40:38,320

i i don't these things don't shake me

2672

01:40:42,390 --> 01:40:40,800

like they might shake other people but

2673

01:40:43,990 --> 01:40:42,400

on the other hand of it they shouldn't

2674

01:40:46,950 --> 01:40:44,000

shake any of us

2675

01:40:47,830 --> 01:40:46,960

this thing lasts a second

2676

01:40:50,470 --> 01:40:47,840

and

2677

01:40:52,229 --> 01:40:50,480

this this is a breath of wind it's here

2678

01:40:54,229 --> 01:40:52,239

then it's gone

2679

01:40:56,550 --> 01:40:54,239

yeah there are only questions that will

2680

01:40:59,350 --> 01:40:56,560

matter are those those three

2681

01:41:02,390 --> 01:40:59,360

who am i where did that come from

2682

01:41:05,030 --> 01:41:02,400

what happens next you better be right

2683

01:41:06,310 --> 01:41:05,040

yeah yeah you're thinking every egg on

2684

01:41:09,750 --> 01:41:06,320

those

2685

01:41:15,109 --> 01:41:12,550

so but i i i appreciate that

2686

01:41:17,189 --> 01:41:15,119

question i really appreciate your show

2687

01:41:20,629 --> 01:41:17,199

and i'm thankful we were

2688

01:41:22,790 --> 01:41:20,639

we were able to do it i i love greg i

2689

01:41:23,990 --> 01:41:22,800

love and i i really

2690

01:41:28,149 --> 01:41:24,000

uh

2691

01:41:30,830 --> 01:41:28,159

i'm very thankful

2692

01:41:34,790 --> 01:41:30,840

i am very thankful to the mufon folks

2693

01:41:37,669 --> 01:41:34,800

because of things when ufos were being

2694

01:41:38,870 --> 01:41:37,679

studied you mufon was always a source

2695

01:41:39,669 --> 01:41:38,880

that did

2696

01:41:41,669 --> 01:41:39,679

uh

2697

01:41:43,189 --> 01:41:41,679

science they did science they checked

2698

01:41:46,070 --> 01:41:43,199

out stories

2699

01:41:48,390 --> 01:41:46,080

um of people that did work on that that

2700

01:41:50,310 --> 01:41:48,400

organization is one of them is one of

2701

01:41:53,430 --> 01:41:50,320

the most reputable and that

2702

01:41:55,510 --> 01:41:53,440

it is impressed me so thoroughly when

2703

01:41:58,550 --> 01:41:55,520

when greg said that

2704

01:42:00,709 --> 01:41:58,560

uh that you were involved with them i

2705

01:42:03,109 --> 01:42:00,719

uh i'm very thrilled with that and what

2706

01:42:05,669 --> 01:42:03,119

you're doing and i will pray over your

2707

01:42:07,669 --> 01:42:05,679

show and all the stuff here you're doing

2708

01:42:09,030 --> 01:42:07,679

well thanks trey i appreciate that no

2709

01:42:11,669 --> 01:42:09,040

it's been wonderful and we'll have you

2710

01:42:14,070 --> 01:42:11,679

back again and you know when the next tv

2711

01:42:15,830 --> 01:42:14,080

the next documentary comes out i do want

2712

01:42:18,470 --> 01:42:15,840

to you know have you back on the show

2713

01:42:20,149 --> 01:42:18,480

and we'll and by that time see a few

2714

01:42:21,910 --> 01:42:20,159

months from now four or five months or

2715

01:42:23,830 --> 01:42:21,920

three or whatever when we have you back

2716

01:42:25,430 --> 01:42:23,840

on the audience will know who you are

2717

01:42:27,910 --> 01:42:25,440

because you've been on here before and i

2718

01:42:30,229 --> 01:42:27,920

have a very dedicated listening audience

2719

01:42:32,310 --> 01:42:30,239

and they never forget anything we'll go

2720

01:42:34,310 --> 01:42:32,320

into more depth about each one of the

2721

01:42:36,070 --> 01:42:34,320

documentaries and

2722

01:42:37,750 --> 01:42:36,080

where it heads and especially the free

2723

01:42:40,229 --> 01:42:37,760

energy one i think everybody loves free

2724

01:42:41,830 --> 01:42:40,239

energy here so it'll be really good so

2725

01:42:43,510 --> 01:42:41,840

thank you trey i really appreciate it we

2726

01:42:45,189 --> 01:42:43,520

had a great time tonight i hope

2727

01:42:47,510 --> 01:42:45,199

everybody enjoyed themselves we'll see

2728

01:42:49,510 --> 01:42:47,520

you next week let me oh preston dennett

2729

01:42:51,189 --> 01:42:49,520

i think is my guest next week oh my god

2730

01:42:52,950 --> 01:42:51,199

where's my calendar well if it's not

2731

01:42:54,950 --> 01:42:52,960

next week it's the week after but he's

2732

01:42:56,550 --> 01:42:54,960

coming up very shortly and he is one of

2733

01:42:59,750 --> 01:42:56,560

my other favorite people who's written

2734

01:43:01,270 --> 01:42:59,760

about 45 books on ufos and aliens and

2735

01:43:02,390 --> 01:43:01,280

all kinds of things and one of my

2736

01:43:04,629 --> 01:43:02,400

favorite books that we're going to be

2737

01:43:07,910 --> 01:43:04,639

talking about when he does show up is

2738

01:43:09,510 --> 01:43:07,920

how uh people have been healed so this

2739

01:43:11,990 --> 01:43:09,520

is going to be a very interesting show

2740

01:43:13,750 --> 01:43:12,000

when he shows up next okay guys have a

2741

01:43:16,550 --> 01:43:13,760

great week we'll see you next time here
