40

00:02:05,190 --> 00:02:02,440

that I think is going to be up

41

00:02:09,150 --> 00:02:05,200

everybody's alley for sure his name is

42

00:02:12,630 --> 00:02:09,160

Steven Alton there's a quick excerpt

43

00:02:14,280 --> 00:02:12,640

from his bio he is the New York Times an

44

00:02:16,620 --> 00:02:14,290

international best-selling author who

45

00:02:18,569 --> 00:02:16,630

served as author and co-author on dr.

46

00:02:21,600 --> 00:02:18,579

Steven M Greer's new book unacknowledged

47

00:02:23,789 --> 00:02:21,610

and both dr. Greer's book the

48

00:02:26,039 --> 00:02:23,799

accompanying documentary unacknowledged

49

00:02:29,009 --> 00:02:26,049

released by the orchard a division of

50

00:02:33,330 --> 00:02:29,019

Sony and my 16th I'm sorry his 16th

51
00:02:35,880 --> 00:02:33,340
[h__h] undisclosed to be released on

52
00:02:39,240 --> 00:02:35,890
June 6 which is already released in 2017

53
00:02:40,860 --> 00:02:39,250
and they designated as a multi-prong

54
00:02:42,870 --> 00:02:40,870
tool to introduce the masses to the

55
00:02:45,240 --> 00:02:42,880
truth behind UFOs ETS and the black

56
00:02:47,670 --> 00:02:45,250
shelled energy technologies that are

57
00:02:50,880 --> 00:02:47,680
being purposely kept from the public as

58
00:02:52,920 --> 00:02:50,890
you probably know these zero-point

59
00:02:55,800 --> 00:02:52,930
energy breakthroughs were derived from a

60
00:02:58,620 --> 00:02:55,810
reverse engineering downed interstellar

61
00:03:00,360 --> 00:02:58,630
craft zero-point energy could

62
00:03:02,930 --> 00:03:00,370
potentially end poverty hunger and

63
00:03:04,490 --> 00:03:02,940

reverse climate change while eliminating

64

00:03:08,039 --> 00:03:04,500

fossil fuels

65

00:03:10,740 --> 00:03:08,049

now not everybody tuning into the show I

66

00:03:14,490 --> 00:03:10,750

think would know that but I think the

67

00:03:16,530 --> 00:03:14,500

majority listening would and I think

68

00:03:18,149 --> 00:03:16,540

that this is a timely

69

00:03:20,339 --> 00:03:18,159

topic because we are combining

70

00:03:23,429 --> 00:03:20,349

real-world problems that were struggling

71

00:03:26,670 --> 00:03:23,439

with right now with the UFO enigma and

72

00:03:29,869 --> 00:03:26,680

the paranormal so mr. Steve Alton

73

00:03:33,330 --> 00:03:29,879

welcome to the show Thank You al

74

00:03:35,819 --> 00:03:33,340

thank you yeah so I wanted to ask you

75

00:03:40,349 --> 00:03:35,829

this question before we really get deep

76

00:03:42,319 --> 00:03:40,359

into your work as of recently it seems

77

00:03:46,910 --> 00:03:42,329

that the Trump administration is

78

00:03:49,319 --> 00:03:46,920

clamping down on the press's access to

79

00:03:51,539 --> 00:03:49,329

their press briefings meaning they can't

80

00:03:55,379 --> 00:03:51,549

record audio or video or at least not

81

00:03:56,940 --> 00:03:55,389

all the time and I have a personal

82

00:03:58,949 --> 00:03:56,950

concern about this because even though

83

00:04:01,770 --> 00:03:58,959

the media itself especially the

84

00:04:07,199 --> 00:04:01,780

mainstream media does drop the ball on a

85

00:04:10,140 --> 00:04:07,209

lot of alternative news issues I am very

86

00:04:14,069 --> 00:04:10,150

afraid what this means because I know

87

00:04:17,159 --> 00:04:14,079

that you are concerned with the keeping

88

00:04:19,860 --> 00:04:17,169

of secrets and I just feel like this is

89

00:04:22,770 --> 00:04:19,870

a leaning towards that direction what

90

00:04:24,120 --> 00:04:22,780

what do you think well I couldn't agree

91

00:04:26,790 --> 00:04:24,130

with you more I mean we've got a

92

00:04:29,580 --> 00:04:26,800

president uh in a White House right now

93

00:04:30,810 --> 00:04:29,590

who thinks he's the king and the King

94

00:04:34,170 --> 00:04:30,820

doesn't like it when you talk bad about

95

00:04:36,300 --> 00:04:34,180

him especially a thin-skinned king so

96

00:04:38,550 --> 00:04:36,310

yeah I mean there's a lot of concerns

97

00:04:42,629 --> 00:04:38,560

with going on right now in the United

98

00:04:46,230 --> 00:04:42,639

States okay and as far as keeping

99

00:04:48,930 --> 00:04:46,240

secrets do you do you think that this

100

00:04:52,469 --> 00:04:48,940

president would actually release any

101
00:04:58,230 --> 00:04:52,479
information if he knew it about ETS or

102
00:05:00,899 --> 00:04:58,240
UFOs he might you know he he doesn't

103
00:05:02,159 --> 00:05:00,909
answer to anybody but himself so you

104
00:05:03,930 --> 00:05:02,169
never know it's it's a strange

105
00:05:07,529 --> 00:05:03,940
combination of things going on I mean on

106
00:05:09,960 --> 00:05:07,539
the one hand he supports Cole on the

107
00:05:12,689 --> 00:05:09,970
other hand if he is he's got the kind of

108
00:05:14,399 --> 00:05:12,699
ego that if he did find out that there

109
00:05:17,010 --> 00:05:14,409
were these subterranean bases underneath

110
00:05:20,760 --> 00:05:17,020
our military bases and they were keeping

111
00:05:23,900 --> 00:05:20,770
something that could bring a new type of

112
00:05:25,490 --> 00:05:23,910
energy to the world I don't know

113
00:05:27,710 --> 00:05:25,500

I don't know if he'd be home to the

114

00:05:30,410 --> 00:05:27,720

fossil fuel companies but then again if

115

00:05:34,160 --> 00:05:30,420

his administration is you know the old

116

00:05:35,780 --> 00:05:34,170

fossil fuel gang right Boonton that but

117

00:05:36,830 --> 00:05:35,790

wasn't he he was put in the office

118

00:05:40,340 --> 00:05:36,840

because he was supposed to be

119

00:05:43,130 --> 00:05:40,350

anti-establishment well he's definitely

120

00:05:48,890 --> 00:05:43,140

anti-establishment but he's also there

121

00:05:50,720 --> 00:05:48,900

to help the rich get richer so do do you

122

00:05:52,280 --> 00:05:50,730

think that it'll end with just a

123

00:05:54,290 --> 00:05:52,290

mainstream press or do you think that he

124

00:05:59,530 --> 00:05:54,300

would try to suppress other news outlets

125

00:06:03,830 --> 00:05:59,540

as well uh you know if you had to guess

126

00:06:06,410 --> 00:06:03,840

if I had to guess I think that as his

127

00:06:12,730 --> 00:06:06,420

rope gets shorter he'll become more

128

00:06:14,660 --> 00:06:12,740

desperate so they may get that way okay

129

00:06:16,130 --> 00:06:14,670

all right and then what about your

130

00:06:17,840 --> 00:06:16,140

concerns I'm going to just keep it

131

00:06:20,210 --> 00:06:17,850

little Trump Center just for the

132

00:06:21,470 --> 00:06:20,220

beginning here but because some one of

133

00:06:23,450 --> 00:06:21,480

the most important things about your

134

00:06:25,580 --> 00:06:23,460

work is that you want the world to know

135

00:06:31,430 --> 00:06:25,590

about zero-point energy and and the

136

00:06:32,810 --> 00:06:31,440

breakthroughs to free energy so what do

137

00:06:35,630 --> 00:06:32,820

you think that under his administration

138

00:06:40,430 --> 00:06:35,640

there is any hope of real progress

139

00:06:41,840 --> 00:06:40,440

towards these ends you know you're

140

00:06:45,620 --> 00:06:41,850

asking me to predict something that's

141

00:06:47,690 --> 00:06:45,630

not predictable um try no done I know

142

00:06:51,680 --> 00:06:47,700

dr. Greer joined the summer sent him a

143

00:06:54,260 --> 00:06:51,690

briefing uh but this is not a guy who

144

00:06:56,210 --> 00:06:54,270

reads he doesn't take his own daily

145

00:06:57,500 --> 00:06:56,220

briefings which are pretty important

146

00:07:02,120 --> 00:06:57,510

provided by his intelligence

147

00:07:04,970 --> 00:07:02,130

organizations so you know unless Fox

148

00:07:06,260 --> 00:07:04,980

News covers it you know if we can get

149

00:07:09,260 --> 00:07:06,270

the information to Fox News

150

00:07:11,870 --> 00:07:09,270

if either myself or dr. Greer or both of

151
00:07:15,409 --> 00:07:11,880
us can get on Fox News and I've been on

152
00:07:17,570 --> 00:07:15,419
Fox News before as an author maybe

153
00:07:19,640 --> 00:07:17,580
that's the way to get to him you know

154
00:07:22,400 --> 00:07:19,650
it's as I'm sitting here and it's

155
00:07:27,460 --> 00:07:22,410
occurred to me I think I need to make an

156
00:07:33,950 --> 00:07:31,580
yeah yeah um and but there has to be

157
00:07:36,200 --> 00:07:33,960
another way to get to him besides Fox

158
00:07:36,860 --> 00:07:36,210
News I mean that seems pretty absurd

159
00:07:39,590 --> 00:07:36,870
don't you think

160
00:07:40,660 --> 00:07:39,600
mean this is this is a very very big

161
00:07:45,680 --> 00:07:40,670
issue

162
00:07:46,640 --> 00:07:45,690
yeah we're living in observed times okay

163
00:07:49,520 --> 00:07:46,650

so then what are you going to do about

164

00:07:51,530 --> 00:07:49,530

it what am I going to do about it well

165

00:07:55,730 --> 00:07:51,540

you know I'm trying or what are what are

166

00:07:59,570 --> 00:07:55,740

you doing about it well this is it

167

00:08:01,340 --> 00:07:59,580

this a process the process goes look if

168

00:08:02,840 --> 00:08:01,350

the book becomes one of the books or

169

00:08:05,720 --> 00:08:02,850

both of the books become bestsellers

170

00:08:07,610 --> 00:08:05,730

that Garner's bigger interviews

171

00:08:11,240 --> 00:08:07,620

it also Garner's the attention of the

172

00:08:13,910 --> 00:08:11,250

press so it's a lot easier for me to get

173

00:08:16,160 --> 00:08:13,920

on has become a guest on Fox News if the

174

00:08:19,100 --> 00:08:16,170

book does well then if the book just

175

00:08:20,600 --> 00:08:19,110

sort of melts into obscurity fortunately

176

00:08:23,360 --> 00:08:20,610

have I've got a pretty decent fanbase

177

00:08:25,480 --> 00:08:23,370

and with your help and your listeners

178

00:08:29,360 --> 00:08:25,490

helps if we can make this happen because

179

00:08:32,150 --> 00:08:29,370

dr. Greer my our whole gold when we met

180

00:08:34,160 --> 00:08:32,160

three years ago was to get this

181

00:08:37,130 --> 00:08:34,170

information after the public and he's

182

00:08:39,520 --> 00:08:37,140

done a tremendous job and doing that

183

00:08:42,800 --> 00:08:39,530

through his unacknowledged documentary

184

00:08:45,950 --> 00:08:42,810

and the book is receiving great reviews

185

00:08:48,760 --> 00:08:45,960

and but in the end it's going to take

186

00:08:51,110 --> 00:08:48,770

the masses to support both projects

187

00:08:55,160 --> 00:08:51,120

undisclosed and unacknowledged in order

188

00:08:58,940 --> 00:08:55,170

to get us some uh you know a

189

00:09:01,940 --> 00:08:58,950

listenership on on Fox or one of one of

190

00:09:04,280 --> 00:09:01,950

these other outlets that the president

191

00:09:06,740 --> 00:09:04,290

listens to but I don't think you know I

192

00:09:09,860 --> 00:09:06,750

don't I want to make sure that this is

193

00:09:12,620 --> 00:09:09,870

clear I don't think Greer believes in

194

00:09:14,150 --> 00:09:12,630

northern line though I that getting to

195

00:09:15,950 --> 00:09:14,160

the president is the solution to getting

196

00:09:18,050 --> 00:09:15,960

to your point energy out there it's the

197

00:09:20,420 --> 00:09:18,060

public mass it's the masses that will

198

00:09:25,310 --> 00:09:20,430

determine that not a president or

199

00:09:27,560 --> 00:09:25,320

members of Congress how do you mean well

200

00:09:29,690 --> 00:09:27,570

members of Congress are we you know

201
00:09:32,900 --> 00:09:29,700
there's a lot of be home to the fossil

202
00:09:34,160 --> 00:09:32,910
fuel companies and the in the

203
00:09:36,170 --> 00:09:34,170
president's cabinet

204
00:09:39,140 --> 00:09:36,180
there's members of the fossil fuel

205
00:09:40,370 --> 00:09:39,150
companies so if we're relying on the

206
00:09:42,440 --> 00:09:40,380
president to get this done it's not

207
00:09:44,870 --> 00:09:42,450
going to happen it has to happen from

208
00:09:46,700 --> 00:09:44,880
the public the masses have to say you

209
00:09:49,100 --> 00:09:46,710
know we demand zero-point energy and

210
00:09:50,420 --> 00:09:49,110
first in the first step in that is we

211
00:09:54,769 --> 00:09:50,430
got to make them aware

212
00:09:58,680 --> 00:09:54,779
now your audience is fairly well adapted

213
00:10:00,570 --> 00:09:58,690

this uh having already heard about this

214

00:10:03,000 --> 00:10:00,580

information they're pretty knowledgeable

215

00:10:06,269 --> 00:10:03,010

in the subject unfortunately the masses

216

00:10:09,030 --> 00:10:06,279

aren't so we need to use what we can to

217

00:10:11,460 --> 00:10:09,040

get them involved and and the first step

218

00:10:13,319 --> 00:10:11,470

is to educate them through either dr.

219

00:10:16,410 --> 00:10:13,329

Greer spoke her mind or whatever else is

220

00:10:19,079 --> 00:10:16,420

out there yeah I mean I don't know if

221

00:10:21,540 --> 00:10:19,089

you mean the masses by you know where we

222

00:10:23,639 --> 00:10:21,550

spend our money but if you look at went

223

00:10:26,069 --> 00:10:23,649

rumpled out of the Paris Accord

224

00:10:28,199 --> 00:10:26,079

agreement you had actually fossil fuel

225

00:10:30,840 --> 00:10:28,209

companies saying knew we shouldn't do

226

00:10:33,900 --> 00:10:30,850

that and I mean it looks like BP and

227

00:10:38,250 --> 00:10:33,910

Exxon they have alternative investments

228

00:10:41,130 --> 00:10:38,260

because they see the future to come so

229

00:10:43,199 --> 00:10:41,140

they're not put another you know eggs in

230

00:10:44,759 --> 00:10:43,209

one basket they're getting prepared for

231

00:10:46,440 --> 00:10:44,769

that alternative future so I wonder if

232

00:10:48,420 --> 00:10:46,450

we spend the money in the right place

233

00:10:49,880 --> 00:10:48,430

will that help you know push us towards

234

00:10:52,350 --> 00:10:49,890

that direction

235

00:10:53,910 --> 00:10:52,360

well zero-point energy is already out

236

00:10:55,860 --> 00:10:53,920

there it's just that the masses don't

237

00:10:58,170 --> 00:10:55,870

mix out there it's being black shelf

238

00:11:00,329 --> 00:10:58,180

right now so you have when I say the

239

00:11:02,100 --> 00:11:00,339

fuel industry you're right I mean the

240

00:11:03,720 --> 00:11:02,110

fossil fuel companies are all for

241

00:11:05,180 --> 00:11:03,730

protecting our earth most of them seem

242

00:11:09,630 --> 00:11:05,190

to be at least inwards

243

00:11:13,550 --> 00:11:09,640

hopefully in action but they're yeah but

244

00:11:16,530 --> 00:11:13,560

they're still doing it in the terms of

245

00:11:20,880 --> 00:11:16,540

continuing to put oil out there is the

246

00:11:23,160 --> 00:11:20,890

leading energy source or natural gas as

247

00:11:25,500 --> 00:11:23,170

our energy source they're not

248

00:11:28,710 --> 00:11:25,510

volunteering to go into zero-point

249

00:11:33,000 --> 00:11:28,720

energy or you know support alternative

250

00:11:34,230 --> 00:11:33,010

energy sources like solar or wind you

251

00:11:36,780 --> 00:11:34,240

know they're still doing it as long as

252

00:11:38,970 --> 00:11:36,790

they can make a buck from it they have

253

00:11:41,730 --> 00:11:38,980

no problem I mean you know it's great

254

00:11:43,050 --> 00:11:41,740

that they you know signed off against

255

00:11:45,750 --> 00:11:43,060

Trump's decision to pull out of the

256

00:11:48,329 --> 00:11:45,760

Paris Accord but but what else have they

257

00:11:50,639 --> 00:11:48,339

done I mean what action and and then

258

00:11:52,470 --> 00:11:50,649

there's the other action that we have to

259

00:11:53,910 --> 00:11:52,480

look at who's guarding who's

260

00:11:56,430 --> 00:11:53,920

safeguarding the zero-point energy

261

00:11:58,199 --> 00:11:56,440

devices they're safeguarding the

262

00:11:59,939 --> 00:11:58,209

technology that was reverse engineers

263

00:12:03,510 --> 00:11:59,949

from these crafts that were down back in

264

00:12:10,050 --> 00:12:03,520

47 and on well it's it's the Ren

265

00:12:12,530 --> 00:12:10,060

that's a majestic 12 it's the military

266

00:12:15,090 --> 00:12:12,540

industrial complex it's its fossil fuel

267

00:12:18,030 --> 00:12:15,100

personnel that sit on those boards and

268

00:12:20,870 --> 00:12:18,040

make these decisions so that's another

269

00:12:24,720 --> 00:12:20,880

group that we have to influence as well

270

00:12:27,810 --> 00:12:24,730

yeah so I guess you're saying to bypass

271

00:12:32,580 --> 00:12:27,820

completely the other green technologies

272

00:12:34,440 --> 00:12:32,590

and just go for the gold I'm not no I'm

273

00:12:36,120 --> 00:12:34,450

not saying bypass them I'm saying to

274

00:12:38,850 --> 00:12:36,130

make the mass is aware that there's

275

00:12:41,820 --> 00:12:38,860

another option out there because zero

276

00:12:44,430 --> 00:12:41,830

energy you know you it's difficult to

277

00:12:47,520 --> 00:12:44,440

convert solar energy or wind energy into

278

00:12:49,410 --> 00:12:47,530

a vehicle linked to an airplane you know

279

00:12:51,810 --> 00:12:49,420

they have airplanes that have now

280

00:12:54,600 --> 00:12:51,820

circled the globe but they're not in

281

00:12:58,170 --> 00:12:54,610

commercial pets now there you know these

282

00:13:00,150 --> 00:12:58,180

gossamer winged craft that have one

283

00:13:01,410 --> 00:13:00,160

passenger or two passengers in Florida

284

00:13:02,790 --> 00:13:01,420

and that's great that they can do those

285

00:13:04,980 --> 00:13:02,800

things you have to start someplace just

286

00:13:07,050 --> 00:13:04,990

like in Wright brothers Fitbit but

287

00:13:09,990 --> 00:13:07,060

you're talking about an energy source

288

00:13:12,390 --> 00:13:10,000

that can in a in a basically a cup of

289

00:13:14,490 --> 00:13:12,400

zero-point energy can power thee the

290

00:13:15,450 --> 00:13:14,500

country for a hundred years that's a

291

00:13:18,420 --> 00:13:15,460

little bit different type of energy

292

00:13:21,600 --> 00:13:18,430

source that can take you to the Nick to

293

00:13:25,230 --> 00:13:21,610

the Stars you know the former the former

294

00:13:28,230 --> 00:13:25,240

head of skunkworks was quoted as saying

295

00:13:31,350 --> 00:13:28,240

before he passed away we now have the

296

00:13:35,610 --> 00:13:31,360

technology to take e.t home this is a

297

00:13:36,450 --> 00:13:35,620

guy who would know about them yeah so

298

00:13:38,190 --> 00:13:36,460

Steve tell us a little bit about

299

00:13:41,940 --> 00:13:38,200

yourself and how you got involved in

300

00:13:50,010 --> 00:13:41,950

this particular subject that's an

301
00:13:52,320 --> 00:13:50,020
interesting story on uh about dahlias as

302
00:13:55,950 --> 00:13:52,330
you mentioned I'm a best-selling author

303
00:13:57,270 --> 00:13:55,960
of thrillers and I have a series called

304
00:13:58,890 --> 00:13:57,280
the domain series it deals with the

305
00:14:00,630 --> 00:13:58,900
Mayan calendars doomsday process the

306
00:14:03,020 --> 00:14:00,640
third book in that trilogy is called

307
00:14:05,130 --> 00:14:03,030
Phobos and I was writing it in 2011 and

308
00:14:08,240 --> 00:14:05,140
there was a there's a section of it

309
00:14:13,170 --> 00:14:08,250
deals with extraterrestrials and UFOs

310
00:14:16,200 --> 00:14:13,180
well in my you know goal of doing a lot

311
00:14:17,400 --> 00:14:16,210
of research for all my books I might in

312
00:14:19,199 --> 00:14:17,410
the effort

313
00:14:22,619 --> 00:14:19,209

to do that research I came across the

314

00:14:27,300 --> 00:14:22,629

disclosure project which was dr. Greer's

315

00:14:29,879 --> 00:14:27,310

baby back in 20th 2001 in May of 2001 we

316

00:14:33,900 --> 00:14:29,889

had 20 eyewitnesses or top-secret and

317

00:14:36,360 --> 00:14:33,910

beyond or with the FAA or with NASA or

318

00:14:40,559 --> 00:14:36,370

with the intelligence community's

319

00:14:43,499 --> 00:14:40,569

military and when I watched this I was

320

00:14:46,439 --> 00:14:43,509

very impressed and so I contacted dr.

321

00:14:49,319 --> 00:14:46,449

Greer and I and I introduced myself and

322

00:14:51,929 --> 00:14:49,329

I basically asked his permission to use

323

00:14:53,699 --> 00:14:51,939

some of the testimonials excerpts from

324

00:14:56,699 --> 00:14:53,709

these testimonials in between chapters

325

00:14:58,439 --> 00:14:56,709

in the book and he was very kind and

326

00:15:01,590 --> 00:14:58,449

agreed that I could do that and when the

327

00:15:03,269 --> 00:15:01,600

book was done I sent him a copy and the

328

00:15:04,740 --> 00:15:03,279

next thing I know his wife Emily had

329

00:15:07,259 --> 00:15:04,750

reached out to get in touch with me and

330

00:15:09,569 --> 00:15:07,269

she said that women being in Miami in

331

00:15:11,280 --> 00:15:09,579

December and we like to have dinner with

332

00:15:11,869 --> 00:15:11,290

you and your wife and I said that would

333

00:15:14,939 --> 00:15:11,879

be great

334

00:15:17,519 --> 00:15:14,949

well uh three days before we were

335

00:15:19,530 --> 00:15:17,529

supposed to meet for the first time my

336

00:15:21,929 --> 00:15:19,540

wife and I are driving home we live in

337

00:15:23,610 --> 00:15:21,939

Palm Beach County in Florida and it's

338

00:15:25,650 --> 00:15:23,620

about 11 o'clock at night we had just

339

00:15:28,199 --> 00:15:25,660

seen a movie and we're driving through

340

00:15:30,090 --> 00:15:28,209

our complex and I'm looking up into the

341

00:15:33,420 --> 00:15:30,100

southern sky and there's lights coming

342

00:15:34,829 --> 00:15:33,430

in on helicopters they're not planes

343

00:15:36,749 --> 00:15:34,839

they're slow-moving

344

00:15:41,160 --> 00:15:36,759

and they're about a thousand feet off

345

00:15:42,629 --> 00:15:41,170

the ground and as I'm watching what we

346

00:15:44,759 --> 00:15:42,639

pulled over and we got out of the car

347

00:15:47,370 --> 00:15:44,769

and instead of looking at in staggered

348

00:15:48,379 --> 00:15:47,380

pairs we're coming across from south to

349

00:15:55,980 --> 00:15:48,389

north

350

00:15:57,689 --> 00:15:55,990

these um amber lights and as they came

351
00:16:00,600 --> 00:15:57,699
closer and passed over us we could see

352
00:16:03,870 --> 00:16:00,610
the outline of their saucer shaped

353
00:16:06,480 --> 00:16:03,880
bottom we realized that we're looking at

354
00:16:08,850 --> 00:16:06,490
UFOs right now these ships that are

355
00:16:10,799 --> 00:16:08,860
coming across and it was a cloudless

356
00:16:13,860 --> 00:16:10,809
night and as we watched them pass from

357
00:16:16,679 --> 00:16:13,870
south to north and beyond us they simply

358
00:16:18,990 --> 00:16:16,689
disappeared in the ether one by one

359
00:16:19,650 --> 00:16:19,000
staggered pairs they just simply

360
00:16:22,530 --> 00:16:19,660
disappeared

361
00:16:24,980 --> 00:16:22,540
and we weren't scared in fact we were we

362
00:16:27,410 --> 00:16:24,990
felt privileged to be to behold this

363
00:16:30,440 --> 00:16:27,420

incredible event

364

00:16:33,020 --> 00:16:30,450

oh yeah and of course three days later

365

00:16:34,720 --> 00:16:33,030

of course the first EDA came after we

366

00:16:38,690 --> 00:16:34,730

introduced herself to the Greer's

367

00:16:40,160 --> 00:16:38,700

at dinner the fad was the for the first

368

00:16:41,450 --> 00:16:40,170

thing we talked about you know which was

369

00:16:45,860 --> 00:16:41,460

you're not gonna believe what happened

370

00:16:47,270 --> 00:16:45,870

to us and dr. Gruber was not surprised

371

00:16:49,340 --> 00:16:47,280

by it he said this is something that

372

00:16:50,990 --> 00:16:49,350

happens a lot to him when he meets

373

00:16:53,570 --> 00:16:51,000

people for the first time it's through

374

00:16:56,420 --> 00:16:53,580

sort of the ETS what they up checking us

375

00:17:01,520 --> 00:16:56,430

out make sure that we were legit that

376

00:17:03,350 --> 00:17:01,530

our that our aims were true and because

377

00:17:06,140 --> 00:17:03,360

it all comes down to consciousness and

378

00:17:08,750 --> 00:17:06,150

thought energy and that's how the ETS

379

00:17:10,490 --> 00:17:08,760

communicate through thought energy okay

380

00:17:12,350 --> 00:17:10,500

let me back up for a second so when you

381

00:17:15,080 --> 00:17:12,360

saw that the UFOs overhead when you had

382

00:17:17,180 --> 00:17:15,090

that personal experience two questions

383

00:17:21,020 --> 00:17:17,190

one can you tell how fast they're going

384

00:17:22,520 --> 00:17:21,030

and two did you get any strange feelings

385

00:17:25,940 --> 00:17:22,530

during the encounter

386

00:17:27,050 --> 00:17:25,950

ah the first question they weren't

387

00:17:30,080 --> 00:17:27,060

moving very fast

388

00:17:32,540 --> 00:17:30,090

I would say they were moving anywhere

389

00:17:35,690 --> 00:17:32,550

from 30 to 40 miles an hour just not

390

00:17:36,590 --> 00:17:35,700

fast and home and as far as strange

391

00:17:41,810 --> 00:17:36,600

feelings no I

392

00:17:43,640 --> 00:17:41,820

we I felt like Jillian okay been there

393

00:17:46,460 --> 00:17:43,650

so there wasn't like you know some

394

00:17:48,830 --> 00:17:46,470

people have some they feel like their

395

00:17:51,950 --> 00:17:48,840

receiver and they you know had some sort

396

00:17:54,200 --> 00:17:51,960

of I don't know vibe you know rush over

397

00:17:56,000 --> 00:17:54,210

them not exhilaration but as if an

398

00:17:56,840 --> 00:17:56,010

energy was emanating from the craft or

399

00:18:00,200 --> 00:17:56,850

something like that

400

00:18:02,330 --> 00:18:00,210

I didn't feel anything like that that I

401
00:18:04,310 --> 00:18:02,340
can recall I mean it's been too click I

402
00:18:07,970 --> 00:18:04,320
guess they have for years but not I

403
00:18:08,150 --> 00:18:07,980
don't recall anything like that all

404
00:18:09,500 --> 00:18:08,160
right

405
00:18:12,970 --> 00:18:09,510
they were also vendor you made this

406
00:18:17,360 --> 00:18:12,980
content so you made this contact with

407
00:18:19,190 --> 00:18:17,370
with dr. Steven career and then he I

408
00:18:22,880 --> 00:18:19,200
guess he trusted you

409
00:18:25,220 --> 00:18:22,890
I would think so yes we trusted each

410
00:18:27,290 --> 00:18:25,230
other and you know basically he told me

411
00:18:29,720 --> 00:18:27,300
what his challenge has been that he is

412
00:18:31,820 --> 00:18:29,730
fighting the establishment that he's

413
00:18:33,170 --> 00:18:31,830

fighting the mainstream media that he

414

00:18:36,080 --> 00:18:33,180

cannot get in front of the mainstream

415

00:18:39,500 --> 00:18:36,090

media and so I made a couple suggestions

416

00:18:40,790 --> 00:18:39,510

that I suggest well why don't we I can

417

00:18:43,730 --> 00:18:40,800

write a book that's a thriller

418

00:18:46,160 --> 00:18:43,740

that is sort of a Trojan horse I've done

419

00:18:50,000 --> 00:18:46,170

it before where the facts get

420

00:18:51,890 --> 00:18:50,010

disseminated to the public uh without

421

00:18:55,130 --> 00:18:51,900

them even realizing it it's sort of like

422

00:18:57,830 --> 00:18:55,140

it's yet there's two ways you can cook a

423

00:18:59,510 --> 00:18:57,840

frog in a boiling pot of water one is to

424

00:19:02,630 --> 00:18:59,520

throw them in hot water and hold them

425

00:19:03,920 --> 00:19:02,640

down and let it burn the skin off but

426

00:19:06,500 --> 00:19:03,930

he's going to fight you on that one

427

00:19:08,600 --> 00:19:06,510

the other way is to put a frog in a pot

428

00:19:10,760 --> 00:19:08,610

of cold water and slowly turn up the

429

00:19:13,580 --> 00:19:10,770

heat and let them take a nice hot bath

430

00:19:16,220 --> 00:19:13,590

until it boils to death well if you use

431

00:19:20,180 --> 00:19:16,230

that same way by putting the information

432

00:19:23,150 --> 00:19:20,190

in the thriller with a character who's

433

00:19:27,500 --> 00:19:23,160

the protagonist has basically been

434

00:19:32,090 --> 00:19:27,510

tasked by a higher power in this case

435

00:19:36,890 --> 00:19:32,100

Bill Clinton to bring zero-point energy

436

00:19:38,660 --> 00:19:36,900

out into the public to the masses and he

437

00:19:39,740 --> 00:19:38,670

ends up going down this rabbit hole of

438

00:19:43,520 --> 00:19:39,750

intrigue

439

00:19:45,320 --> 00:19:43,530

then we're living the story with him

440

00:19:46,550 --> 00:19:45,330

because we feel the same way that he

441

00:19:48,770 --> 00:19:46,560

does that he doesn't believe in any of

442

00:19:50,480 --> 00:19:48,780

this when he first starts out and that's

443

00:19:53,510 --> 00:19:50,490

the the hero's journey to here it goes

444

00:19:56,120 --> 00:19:53,520

from point A to point Z and on the way

445

00:19:57,710 --> 00:19:56,130

he believes well if I'm giving the

446

00:20:00,500 --> 00:19:57,720

information to the reader that I was

447

00:20:02,510 --> 00:20:00,510

able to get from dr. Greer and his and

448

00:20:07,490 --> 00:20:02,520

the testimonials from his eyewitnesses

449

00:20:09,860 --> 00:20:07,500

uh which are mind-boggling I mean I you

450

00:20:11,240 --> 00:20:09,870

know I watch the disclosure project with

451
00:20:14,240 --> 00:20:11,250
the things that he gave me over the last

452
00:20:16,100 --> 00:20:14,250
three years are incredible and that's

453
00:20:20,660 --> 00:20:16,110
how we were able to write my book in and

454
00:20:24,740 --> 00:20:20,670
his book and do you think that the

455
00:20:27,980 --> 00:20:24,750
message is more easily shared through a

456
00:20:30,140 --> 00:20:27,990
novel rather than you know just blogging

457
00:20:33,110 --> 00:20:30,150
about it or or sharing on the radio

458
00:20:36,500 --> 00:20:33,120
well let's again let's look at it this

459
00:20:38,620 --> 00:20:36,510
way dr. Greer we have a tremendous book

460
00:20:40,970 --> 00:20:38,630
getting great reviews by a lot of people

461
00:20:42,740 --> 00:20:40,980
Quranic knowledge that's non fiction

462
00:20:45,920 --> 00:20:42,750
book that's that's pretty much the facts

463
00:20:49,760 --> 00:20:45,930

based that we that I put together in an

464

00:20:52,670 --> 00:20:49,770

historical viewpoint so that it it's

465

00:20:54,580 --> 00:20:52,680

easier to see theater fall short there's

466

00:20:57,370 --> 00:20:54,590

a lot of there's a big segment of the

467

00:20:59,110 --> 00:20:57,380

they said that's never going to sorry

468

00:21:01,710 --> 00:20:59,120

there's a big segment of the population

469

00:21:03,610 --> 00:21:01,720

that's never going to read that book and

470

00:21:05,019 --> 00:21:03,620

the reason they're never going to read

471

00:21:06,460 --> 00:21:05,029

this because it's not a subject that

472

00:21:09,159 --> 00:21:06,470

would they would want to read but they

473

00:21:11,710 --> 00:21:09,169

will read it thriller and perhaps

474

00:21:13,870 --> 00:21:11,720

especially as Steve Almond thriller so

475

00:21:15,159 --> 00:21:13,880

if I've got the if I've got a captive

476
00:21:16,960 --> 00:21:15,169
audience reading the book and I'm able

477
00:21:18,519 --> 00:21:16,970
to disseminate information that normally

478
00:21:20,830 --> 00:21:18,529
did not they wouldn't be receptive to

479
00:21:24,789 --> 00:21:20,840
and I bring a new audience of people

480
00:21:28,299 --> 00:21:24,799
into the extra-terrestrial UFO community

481
00:21:30,250 --> 00:21:28,309
and that's me if you don't expand that

482
00:21:34,690 --> 00:21:30,260
community then we're not going to have

483
00:21:42,519 --> 00:21:34,700
big numbers and have you gotten any

484
00:21:46,539 --> 00:21:42,529
early reactions yet ah well the book

485
00:21:48,760 --> 00:21:46,549
just came out last week so we don't the

486
00:21:50,289 --> 00:21:48,770
reviews on that early reactions they're

487
00:21:53,080 --> 00:21:50,299
all five-star reviews but there's only

488
00:21:55,210 --> 00:21:53,090

six of them so nice paint the Haga

489

00:21:58,539 --> 00:21:55,220

that's something hopefully once your

490

00:22:02,159 --> 00:21:58,549

audience gets ahold of it then we'll be

491

00:22:05,889 --> 00:22:02,169

able to do some serious damage out there

492

00:22:08,350 --> 00:22:05,899

what do you what do you want them to

493

00:22:10,930 --> 00:22:08,360

take away with it other than the thrill

494

00:22:13,840 --> 00:22:10,940

of being a good novelist and having

495

00:22:17,860 --> 00:22:13,850

people enjoy that thrill I mean what

496

00:22:22,510 --> 00:22:17,870

what do you want for them to to feel or

497

00:22:23,950 --> 00:22:22,520

or learn well there's a lot of

498

00:22:26,230 --> 00:22:23,960

information in the book and it's woven

499

00:22:29,350 --> 00:22:26,240

into the storyline and a lot of it

500

00:22:31,180 --> 00:22:29,360

actually happened is very I call it

501
00:22:33,909 --> 00:22:31,190
fashion instead of fiction it's action

502
00:22:36,610 --> 00:22:33,919
because it's it's fact wrapped around a

503
00:22:38,200 --> 00:22:36,620
fictional story so that the lines are

504
00:22:39,730 --> 00:22:38,210
blurred for the reader that they're not

505
00:22:43,269 --> 00:22:39,740
sure what is real and what's not real

506
00:22:45,490 --> 00:22:43,279
well in this case most of it's all real

507
00:22:47,049 --> 00:22:45,500
in fact a lot of it happened to dr.

508
00:22:50,230 --> 00:22:47,059
Greer over his lifetime of these are

509
00:22:52,600 --> 00:22:50,240
actual experiences that he went through

510
00:22:55,810 --> 00:22:52,610
that he was forced to go through in some

511
00:22:57,279 --> 00:22:55,820
cases that the hero goes through and dr.

512
00:23:00,430 --> 00:22:57,289
brewer is actually a character in the

513
00:23:02,740 --> 00:23:00,440

book - so he's a mentor character a

514

00:23:04,600 --> 00:23:02,750

mentor character is one who guides the

515

00:23:06,190 --> 00:23:04,610

hero with the information that he needs

516

00:23:08,769 --> 00:23:06,200

to acquire

517

00:23:10,119 --> 00:23:08,779

okay is he and they're using the same

518

00:23:12,460 --> 00:23:10,129

name because I have not yet read the

519

00:23:15,279 --> 00:23:12,470

books are using the same name dr. Greer

520

00:23:18,180 --> 00:23:15,289

in the book same name I use his wife's

521

00:23:21,279 --> 00:23:18,190

name I use people that he's come across

522

00:23:23,379 --> 00:23:21,289

here here his name is actually a

523

00:23:30,690 --> 00:23:23,389

composite of his former right hand who

524

00:23:35,349 --> 00:23:33,249

novels like this that I've read of you

525

00:23:38,049 --> 00:23:35,359

know are done like this in order to

526

00:23:40,090 --> 00:23:38,059

disseminate truth but still typically I

527

00:23:41,639 --> 00:23:40,100

would change the names but that's that's

528

00:23:45,340 --> 00:23:41,649

pretty bold that you would keep them

529

00:23:47,080 --> 00:23:45,350

true to form not only do we keep the

530

00:23:52,090 --> 00:23:47,090

same names in many cases but for the

531

00:23:54,909 --> 00:23:52,100

people who are who uh for the

532

00:23:59,129 --> 00:23:54,919

subterranean basis we have the exact

533

00:24:01,720 --> 00:23:59,139

locations or listed in both books and

534

00:24:06,430 --> 00:24:01,730

the dudes speak about that in the

535

00:24:07,899 --> 00:24:06,440

foreword of the book uh that that

536

00:24:11,109 --> 00:24:07,909

they're actually went that there were

537

00:24:12,279 --> 00:24:11,119

the actual names yeah like if I go if I

538

00:24:13,989 --> 00:24:12,289

go to the book store and I just picked

539

00:24:16,450 --> 00:24:13,999

this up and i and i look at it am i

540

00:24:17,499 --> 00:24:16,460

going to know that those names are real

541

00:24:21,700 --> 00:24:17,509

in the book am i going to know that

542

00:24:23,529 --> 00:24:21,710

those locations are are real i I think

543

00:24:25,539 --> 00:24:23,539

if you're educated on these things

544

00:24:28,539 --> 00:24:25,549

you'll know that they're real I mean

545

00:24:30,789 --> 00:24:28,549

because most of them yeah well let me

546

00:24:33,389 --> 00:24:30,799

explain you so training note the

547

00:24:38,460 --> 00:24:33,399

subterranean bases that majestic built

548

00:24:40,810 --> 00:24:38,470

way back when are still running uh

549

00:24:43,359 --> 00:24:40,820

during most of them are under military

550

00:24:46,869 --> 00:24:43,369

bases or public establishments like ones

551
00:24:48,999 --> 00:24:46,879
under an airport uh that information is

552
00:24:50,560 --> 00:24:49,009
in the book I mean when the hero gets

553
00:24:56,499 --> 00:24:50,570
the information he's getting the real

554
00:25:01,479 --> 00:24:56,509
information mostly because dr. Bruce

555
00:25:03,009 --> 00:25:01,489
chapter is giving it to him okay yep so

556
00:25:04,840 --> 00:25:03,019
anyone who's familiar with the subject

557
00:25:07,029 --> 00:25:04,850
you think we'll just testing give Lee no

558
00:25:12,399 --> 00:25:07,039
just by reading it because they they've

559
00:25:14,200 --> 00:25:12,409
heard this before for for educated

560
00:25:17,080 --> 00:25:14,210
listeners like your audience I think so

561
00:25:18,399 --> 00:25:17,090
for leaders they're getting this

562
00:25:18,790 --> 00:25:18,409
information for the first time they're

563
00:25:19,720 --> 00:25:18,800

going to have

564

00:25:21,100 --> 00:25:19,730

questions about it and they're gonna

565

00:25:24,930 --> 00:25:21,110

probably want to go on the internet and

566

00:25:30,100 --> 00:25:24,940

check it out which is what you want

567

00:25:31,780 --> 00:25:30,110

which is what we want right so what what

568

00:25:35,340 --> 00:25:31,790

is the most important thing if you were

569

00:25:43,000 --> 00:25:37,630

someone said okay you can get you can

570

00:25:45,850 --> 00:25:43,010

have zero-point energy or you can have

571

00:25:48,250 --> 00:25:45,860

the truth revealed and it's full that

572

00:25:50,860 --> 00:25:48,260

yes indeed here's the proof

573

00:25:52,030 --> 00:25:50,870

aliens have visited earth but you could

574

00:25:55,270 --> 00:25:52,040

only have one of the other you couldn't

575

00:25:55,720 --> 00:25:55,280

have both well if you have zero-point

576

00:26:00,250 --> 00:25:55,730

energy

577

00:26:02,410 --> 00:26:00,260

uh you sort of have that distinction

578

00:26:03,970 --> 00:26:02,420

that it was reverse engineered from

579

00:26:06,820 --> 00:26:03,980

these craft so you sort of get a little

580

00:26:09,370 --> 00:26:06,830

bit of both I think that one in one aar

581

00:26:11,080 --> 00:26:09,380

the the if we can get zero-point energy

582

00:26:14,500 --> 00:26:11,090

the knowledge about it out there to the

583

00:26:16,540 --> 00:26:14,510

public and have them demanded and delete

584

00:26:19,720 --> 00:26:16,550

into concrete positive actions that's of

585

00:26:21,910 --> 00:26:19,730

course the that's the pot of gold at the

586

00:26:24,610 --> 00:26:21,920

end of the rainbow at the same time

587

00:26:26,650 --> 00:26:24,620

there's a negative thing that is being

588

00:26:27,850 --> 00:26:26,660

planned and that's in the planning

589

00:26:29,770 --> 00:26:27,860

stages and it's been in the planning

590

00:26:31,780 --> 00:26:29,780

stages the false flag event that

591

00:26:35,380 --> 00:26:31,790

actually duplicates Independence Day the

592

00:26:38,710 --> 00:26:35,390

movie where you have these evil aliens

593

00:26:42,270 --> 00:26:38,720

that are basically the military faction

594

00:26:45,130 --> 00:26:42,280

of majestic 12 or Maji that's called now

595

00:26:47,400 --> 00:26:45,140

that have built these ARVs which are

596

00:26:49,930 --> 00:26:47,410

alien reproductive

597

00:26:54,280 --> 00:26:49,940

reproductive through production vehicles

598

00:26:56,350 --> 00:26:54,290

that can that uh you would be

599

00:26:59,740 --> 00:26:56,360

hard-pressed to tell the difference

600

00:27:01,780 --> 00:26:59,750

between that and a real UFO in fact the

601
00:27:03,190 --> 00:27:01,790
only difference is the real UFOs are

602
00:27:06,130 --> 00:27:03,200
seamless and they're sort of like

603
00:27:07,750 --> 00:27:06,140
biological entities themselves but

604
00:27:10,210 --> 00:27:07,760
there's no way for you to tell that when

605
00:27:11,590 --> 00:27:10,220
it's blasting your house apart of

606
00:27:14,590 --> 00:27:11,600
whatever type of weapon that these

607
00:27:17,410 --> 00:27:14,600
things have carried so this false flag

608
00:27:20,340 --> 00:27:17,420
is in the planning stages and dr.

609
00:27:22,510 --> 00:27:20,350
Greer's book and and my book exposes it

610
00:27:24,010 --> 00:27:22,520
hopefully so that they won't do it

611
00:27:27,550 --> 00:27:24,020
because if they do it it puts the

612
00:27:29,470 --> 00:27:27,560
military charge of our planet for god

613
00:27:30,030 --> 00:27:29,480

knows how long I mean you look at it

614

00:27:34,140 --> 00:27:30,040

like

615

00:27:38,530 --> 00:27:34,150

starwars the worst night very possible

616

00:27:41,290 --> 00:27:38,540

what are you talking about worldwide all

617

00:27:45,180 --> 00:27:41,300

at once or this would be location by

618

00:27:47,350 --> 00:27:45,190

location how how do you see it it would

619

00:27:49,930 --> 00:27:47,360

according to the people that know about

620

00:27:54,330 --> 00:27:49,940

it they recorded in the books and would

621

00:27:57,430 --> 00:27:54,340

be worldwide so simultaneous essentially

622

00:27:59,290 --> 00:27:57,440

us against them that forces us to put

623

00:28:02,110 --> 00:27:59,300

the military because the military

624

00:28:05,470 --> 00:28:02,120

industrial complex especially those

625

00:28:07,300 --> 00:28:05,480

involved in this magic they want war

626

00:28:09,250 --> 00:28:07,310

that's how they make money that's how

627

00:28:11,590 --> 00:28:09,260

they stay in power well this is the

628

00:28:13,930 --> 00:28:11,600

ultimate false flag event the ultimate

629

00:28:17,200 --> 00:28:13,940

power the ultimate move to gives them

630

00:28:18,250 --> 00:28:17,210

the power for until somebody can get

631

00:28:19,930 --> 00:28:18,260

them out of there which is going to be

632

00:28:25,630 --> 00:28:19,940

hard fixed to do when they're running

633

00:28:30,930 --> 00:28:25,640

everything ok and then what do you think

634

00:28:38,160 --> 00:28:36,040

well the most the the most effective way

635

00:28:40,990 --> 00:28:38,170

to stop it is to not let it get started

636

00:28:42,610 --> 00:28:41,000

to blow the lid off because the false

637

00:28:44,560 --> 00:28:42,620

flag event only works that people

638

00:28:46,510 --> 00:28:44,570

believe that it's the end there is an

639

00:28:50,710 --> 00:28:46,520

enemy out there if they believe that the

640

00:28:53,890 --> 00:28:50,720

enemy is us that that military faction

641

00:28:58,450 --> 00:28:53,900

has created this to get us to believe

642

00:29:00,130 --> 00:28:58,460

that it's evil aliens and we expose that

643

00:29:04,530 --> 00:29:00,140

before it happens then they're not going

644

00:29:07,150 --> 00:29:04,540

to do it so that that that's your hope

645

00:29:10,030 --> 00:29:07,160

that's my hope and dr. Greer scope as

646

00:29:13,420 --> 00:29:10,040

well ok and so in a sense I guess that's

647

00:29:15,100 --> 00:29:13,430

part of your mission it is part of the

648

00:29:19,020 --> 00:29:15,110

goal in mission to the books yes

649

00:29:21,970 --> 00:29:19,030

absolutely in these documentary as well

650

00:29:24,100 --> 00:29:21,980

ok I mean that's that's quite then the

651

00:29:25,990 --> 00:29:24,110

noble mission for sure ok we're just

652

00:29:28,810 --> 00:29:26,000

going to take a quick break coming up

653

00:29:31,540 --> 00:29:28,820

here we're listening to or speaking with

654

00:29:33,370 --> 00:29:31,550

Steve Alton Steve what what's your

655

00:29:36,630 --> 00:29:33,380

website that people can go to to find

656

00:29:37,780 --> 00:29:36,640

out more about the your recent book it's

657

quick break I do want to ask the more

661

00:29:52,310 --> 00:29:48,450

about this false flag because if that's

662

00:29:55,340 --> 00:29:52,320

true that's that is bigger than a World

you

700

00:33:10,690 --> 00:33:08,080

and welcome back to paranormal now I'm

701
00:33:12,190 --> 00:33:10,700
your host Alan B Smith again I'm

702
00:33:13,960 --> 00:33:12,200
ecstatic to be back on the air again

703
00:33:16,660 --> 00:33:13,970
it's fantastic I'm sorry I've been away

704
00:33:18,160 --> 00:33:16,670
for a couple of weeks and I have you

705
00:33:22,270 --> 00:33:18,170
know the perfect guest for this program

706
00:33:26,260 --> 00:33:22,280
Steve Alton he is uh working very

707
00:33:30,190 --> 00:33:26,270
closely with dr. Steven Greer and he has

708
00:33:33,310 --> 00:33:30,200
recently written books both in

709
00:33:35,380 --> 00:33:33,320
conjunction with dr. Greer's work one

710
00:33:39,730 --> 00:33:35,390
fiction one nonfiction and we were

711
00:33:41,800 --> 00:33:39,740
speaking of in terms of reality what

712
00:33:45,510 --> 00:33:41,810
they believe is to come and it's

713
00:33:48,640 --> 00:33:45,520

something like an Independence Day movie

714

00:33:52,870 --> 00:33:48,650

invasion but they are calling it a false

715

00:33:53,290 --> 00:33:52,880

flag to be so if you're just tuning

716

00:33:59,830 --> 00:33:53,300

in

717

00:34:03,100 --> 00:33:59,840

UFOs are constructed by the military

718

00:34:07,090 --> 00:34:03,110

here on this planet so look like UFOs

719

00:34:11,619 --> 00:34:07,100

are invading from somewhere else and the

720

00:34:14,770 --> 00:34:11,629

point of this Steve is what the point of

721

00:34:17,379 --> 00:34:14,780

this is to scare the bejesus out of

722

00:34:20,340 --> 00:34:17,389

everybody so that we basically turned

723

00:34:25,000 --> 00:34:20,350

over our leadership to the military they

724

00:34:26,530 --> 00:34:25,010

are looking to have eternal war that's

725

00:34:27,940 --> 00:34:26,540

what gets them off that's what pays

726

00:34:30,639 --> 00:34:27,950

their bills that's what makes them

727

00:34:32,740 --> 00:34:30,649

billionaire's that's what gives them the

728

00:34:36,360 --> 00:34:32,750

power to rule over the planet and that's

729

00:34:40,450 --> 00:34:36,370

what they're after it's pretty sick but

730

00:34:42,100 --> 00:34:40,460

that's what is that's what's been in the

731

00:34:45,250 --> 00:34:42,110

planning stages for quite a while and we

732

00:34:48,190 --> 00:34:45,260

have eyewitnesses that who provided

733

00:34:52,530 --> 00:34:48,200

testimonials in the Steven Greer's book

734

00:34:56,020 --> 00:34:52,540

unacknowledged in my book undisclosed

735

00:34:57,850 --> 00:34:56,030

but you know and I asked you about this

736

00:35:00,040 --> 00:34:57,860

before before the break but you know I

737

00:35:03,460 --> 00:35:00,050

mean what are we gonna do just you know

738

00:35:06,100 --> 00:35:03,470

run hide run around like Blues Traveler

739

00:35:07,450 --> 00:35:06,110

who just took us out of the break you

740

00:35:10,510 --> 00:35:07,460

know what do we what do we do in the

741

00:35:14,650 --> 00:35:10,520

situation well what do we do in the last

742

00:35:16,300 --> 00:35:14,660

false flag event yeah but what you're

743

00:35:20,800 --> 00:35:16,310

talking about is his multi-city

744

00:35:24,940 --> 00:35:20,810

multi-national yeah something they had

745

00:35:31,780 --> 00:35:24,950

not like a fender bender yeah but yeah

746

00:35:33,490 --> 00:35:31,790

but it is as controversial as it is with

747

00:35:41,560 --> 00:35:33,500

these nine eleven truth groups and

748

00:35:43,690 --> 00:35:41,570

looking at 9/11 and pretty much the Bush

749

00:35:47,080 --> 00:35:43,700

administration led by Dick Cheney

750

00:35:50,260 --> 00:35:47,090

dictated how things were going to be new

751
00:35:53,860 --> 00:35:50,270
sets of rules new enemies new Wars two

752
00:35:56,290 --> 00:35:53,870
new wars and so half this pretty much

753
00:35:59,560 --> 00:35:56,300
say that they succeeded in what they say

754
00:36:02,080 --> 00:35:59,570
up yeah I mean for the most part as far

755
00:36:05,560 --> 00:36:02,090
as giving over certain rights and and

756
00:36:07,030 --> 00:36:05,570
giving powers to the government you know

757
00:36:08,410 --> 00:36:07,040
but then of course there were people

758
00:36:10,330 --> 00:36:08,420
there saying the next thing is going to

759
00:36:11,220 --> 00:36:10,340
happen we're going to put under martial

760
00:36:14,920 --> 00:36:11,230
law

761
00:36:16,840 --> 00:36:14,930
in that didn't happen you know I've

762
00:36:19,620 --> 00:36:16,850
heard that the next crash was coming in

763
00:36:24,310 --> 00:36:19,630

2000 economic crash was coming in 2010

764

00:36:26,950 --> 00:36:24,320

2009 2011 2012 13 14 and hasn't come yet

765

00:36:29,710 --> 00:36:26,960

the big crash so there's definitely a

766

00:36:31,150 --> 00:36:29,720

strain of skepticism amongst I think

767

00:36:33,640 --> 00:36:31,160

even listeners of this program when they

768

00:36:34,920 --> 00:36:33,650

hear that there might be another false

769

00:36:37,840 --> 00:36:34,930

flag coming

770

00:36:39,580 --> 00:36:37,850

well again how do you knock you late

771

00:36:41,770 --> 00:36:39,590

yourself against a false flag you make

772

00:36:43,780 --> 00:36:41,780

people aware about it if it doesn't

773

00:36:47,170 --> 00:36:43,790

happen and you make people worry about

774

00:36:49,180 --> 00:36:47,180

it prior to it then you succeeded the

775

00:36:52,450 --> 00:36:49,190

fact that it has happened means that the

776

00:36:55,900 --> 00:36:52,460

public has become aware about these

777

00:37:00,550 --> 00:36:55,910

things enough to dissuade the powers

778

00:37:03,250 --> 00:37:00,560

that be doing it that's a good thing we

779

00:37:06,580 --> 00:37:03,260

don't want to happen right which is why

780

00:37:08,500 --> 00:37:06,590

we had talked about before um but let's

781

00:37:11,890 --> 00:37:08,510

just say you put all of your efforts in

782

00:37:15,130 --> 00:37:11,900

to bring about awareness and and this

783

00:37:17,050 --> 00:37:15,140

does happen um you know are the

784

00:37:21,310 --> 00:37:17,060

survivalists with the underground

785

00:37:23,020 --> 00:37:21,320

bunkers are they the smart ones an

786

00:37:26,160 --> 00:37:23,030

underground book is not going to help

787

00:37:28,450 --> 00:37:26,170

you from these alien reproductive eul's

788

00:37:31,350 --> 00:37:28,460

if they want you dead you're pretty much

789

00:37:36,370 --> 00:37:33,790

now that doesn't mean that the real

790

00:37:38,560 --> 00:37:36,380

extraterrestrials aren't going to show

791

00:37:40,000 --> 00:37:38,570

up or you know we don't really know

792

00:37:44,560 --> 00:37:40,010

what's going to happen we only know what

793

00:37:47,350 --> 00:37:44,570

is being planned and hasn't happened yet

794

00:37:49,270 --> 00:37:47,360

and and and hopefully if you enough

795

00:37:51,550 --> 00:37:49,280

people are talking about this or if

796

00:37:53,410 --> 00:37:51,560

nothing people are aware of it or not

797

00:37:56,170 --> 00:37:53,420

enough books are sold that gets the

798

00:37:59,530 --> 00:37:56,180

messages across then they don't do it

799

00:38:03,420 --> 00:37:59,540

because they then the then the the

800

00:38:05,740 --> 00:38:03,430

silent majority that works with magic

801
00:38:10,120 --> 00:38:05,750
Maji I should say that's the new name of

802
00:38:12,910 --> 00:38:10,130
majestic 12 um or the present in the

803
00:38:16,300 --> 00:38:12,920
elections day then the silent majority

804
00:38:18,160 --> 00:38:16,310
within that organization grows a pair of

805
00:38:20,350 --> 00:38:18,170
balls and and says no you're not going

806
00:38:22,780 --> 00:38:20,360
to do it we're not gonna let you do it

807
00:38:24,040 --> 00:38:22,790
enough people know about it now that

808
00:38:26,560 --> 00:38:24,050
it's not going to work so we're not

809
00:38:30,340 --> 00:38:26,570
going to allow you to kill a billion

810
00:38:31,570 --> 00:38:30,350
people and take over you know these

811
00:38:34,840 --> 00:38:31,580
other countries we're not going to

812
00:38:38,680 --> 00:38:34,850
happen what's the tipping point when do

813
00:38:40,450 --> 00:38:38,690

you when is enough people to be able to

814

00:38:42,820 --> 00:38:40,460

be aware when is it enough people to be

815

00:38:45,700 --> 00:38:42,830

aware to make that happen

816

00:38:49,300 --> 00:38:45,710

I couldn't even venture a guess I mean

817

00:38:52,920 --> 00:38:49,310

yeah I wish I could answer this kind of

818

00:39:00,150 --> 00:38:52,930

questions but I'm not gotten far from it

819

00:39:02,590 --> 00:39:00,160

well damn it I'm just uh I'm not I

820

00:39:07,630 --> 00:39:02,600

expected all the answers tonight here

821

00:39:12,430 --> 00:39:07,640

now but okay so we can probably venture

822

00:39:13,840 --> 00:39:12,440

to guess that if Fox News or CNN or to

823

00:39:16,090 --> 00:39:13,850

cover this story it then cover it

824

00:39:19,300 --> 00:39:16,100

seriously that would probably enough

825

00:39:20,400 --> 00:39:19,310

right to stop it to prevent it from

826

00:39:23,680 --> 00:39:20,410

actually happening

827

00:39:25,150 --> 00:39:23,690

sure absolutely I mean fortunately there

828

00:39:27,460 --> 00:39:25,160

is something called the internet that

829

00:39:30,880 --> 00:39:27,470

that can get the word out there or there

830

00:39:33,970 --> 00:39:30,890

is still a lights that will get me the

831

00:39:38,790 --> 00:39:33,980

message to the masses and by the way in

832

00:39:43,059 --> 00:39:38,800

both books the locations where these um

833

00:39:46,229 --> 00:39:43,069

faked UFOs these fake these uh

834

00:39:50,079 --> 00:39:46,239

these these alien reproductive a vessels

835

00:39:53,140 --> 00:39:50,089

are located is listed in the book the

836

00:39:57,219 --> 00:39:53,150

exact sites and along with sites that

837

00:40:00,189 --> 00:39:57,229

have these programs extraterrestrials

838

00:40:04,420 --> 00:40:00,199

that there that were developed to look

839

00:40:07,380 --> 00:40:04,430

like real extraterrestrials in fact

840

00:40:12,160 --> 00:40:07,390

they've got fake Grey's out there that

841

00:40:14,319 --> 00:40:12,170

you know have our artificial

842

00:40:17,140 --> 00:40:14,329

intelligence the point where there they

843

00:40:21,309 --> 00:40:17,150

look like biological entities all to

844

00:40:23,729 --> 00:40:21,319

make the dramatics look real wait so

845

00:40:27,969 --> 00:40:23,739

these are something like animatronic or

846

00:40:30,939 --> 00:40:27,979

or what ah closer to biologicals but

847

00:40:36,880 --> 00:40:30,949

they're that they're program not

848

00:40:41,079 --> 00:40:36,890

function and again I'm not saying

849

00:40:43,239 --> 00:40:41,089

they're clone from the real thing uh but

850

00:40:45,839 --> 00:40:43,249

they're made up to look exactly like the

851
00:40:51,640 --> 00:40:48,249
bystander a pedestrian isn't going to be

852
00:40:55,420 --> 00:40:51,650
able to determine of the real thing from

853
00:40:57,279 --> 00:40:55,430
the fake thing in neither case and so

854
00:40:59,140 --> 00:40:57,289
but they must have an intelligence so

855
00:41:04,630 --> 00:40:59,150
what are they programmed how does that

856
00:41:06,549 --> 00:41:04,640
work um it's described in the book I

857
00:41:07,900 --> 00:41:06,559
don't have it memorized so I don't want

858
00:41:11,049 --> 00:41:07,910
to give you any information it's not

859
00:41:12,789 --> 00:41:11,059
completely accurate but even the even

860
00:41:14,949 --> 00:41:12,799
the companies responsible for program in

861
00:41:19,839 --> 00:41:14,959
fact agree we gave it to me and I put it

862
00:41:26,170 --> 00:41:19,849
in the book sure so I definitely have to

863
00:41:31,239 --> 00:41:26,180

beg the question how is it that dr.

864

00:41:34,809 --> 00:41:31,249

Greer and or yourself how were you able

865

00:41:37,180 --> 00:41:34,819

to get access to this information why

866

00:41:40,150 --> 00:41:37,190

would why why even be given this

867

00:41:42,069 --> 00:41:40,160

information the only reason I have

868

00:41:43,660 --> 00:41:42,079

access because that the clerk gave to me

869

00:41:46,150 --> 00:41:43,670

and I edited this book can help write it

870

00:41:48,729 --> 00:41:46,160

so he had to give me the nation for me

871

00:41:50,079 --> 00:41:48,739

to help read the book uh the reason he

872

00:41:51,880 --> 00:41:50,089

was able to get it is because he's

873

00:41:54,219 --> 00:41:51,890

trusted in these circles because they

874

00:41:55,779 --> 00:41:54,229

have faith in him because they believe

875

00:41:56,200 --> 00:41:55,789

in what he's doing and so they've come

876
00:41:59,230 --> 00:41:56,210
for

877
00:42:02,349 --> 00:41:59,240
and he's made it so that they don't have

878
00:42:05,829 --> 00:42:02,359
to fear about violating their their

879
00:42:06,280 --> 00:42:05,839
sworn duty as in the military or

880
00:42:10,870 --> 00:42:06,290
whatever

881
00:42:12,760 --> 00:42:10,880
oh that they made it but yeah so but

882
00:42:19,390 --> 00:42:12,770
essentially the them these people are

883
00:42:21,160 --> 00:42:19,400
leakers right uh no because Congress and

884
00:42:23,230 --> 00:42:21,170
the president is not aware of these

885
00:42:25,000 --> 00:42:23,240
groups functioning they're operating

886
00:42:27,400 --> 00:42:25,010
illegally and what because they're

887
00:42:30,400 --> 00:42:27,410
operating illegally they're not leakers

888
00:42:32,740 --> 00:42:30,410

they're doing their duty as citizens in

889

00:42:35,349 --> 00:42:32,750

the United States and see that doesn't

890

00:42:38,079 --> 00:42:35,359

difference between them and and the guy

891

00:42:40,990 --> 00:42:38,089

hiding out in Russia right now he would

892

00:42:43,450 --> 00:42:41,000

be okay but I start to Greer explains in

893

00:42:44,680 --> 00:42:43,460

his book and and explains the character

894

00:42:50,109 --> 00:42:44,690

in mine

895

00:42:52,030 --> 00:42:50,119

the problem was is that he he published

896

00:42:55,299 --> 00:42:52,040

he made public information that was

897

00:42:58,240 --> 00:42:55,309

legal you may not agree with it from a

898

00:42:59,620 --> 00:42:58,250

morality basis but the be the president

899

00:43:02,609 --> 00:42:59,630

was aware about these programs so

900

00:43:05,170 --> 00:43:02,619

therefore he did something illegal white

901
00:43:08,440 --> 00:43:05,180
policy them by putting them out there

902
00:43:12,480 --> 00:43:08,450
sure and I mean can we assume that some

903
00:43:16,150 --> 00:43:12,490
members of Congress are aware of this

904
00:43:19,859 --> 00:43:16,160
yes so then they are they are legally

905
00:43:22,240 --> 00:43:19,869
illegally aware and active in a sense

906
00:43:24,130 --> 00:43:22,250
they are what dr. Greer describes as

907
00:43:27,460 --> 00:43:24,140
gatekeepers they're paid a lot of money

908
00:43:29,589 --> 00:43:27,470
to tell people hey listen I'm in charge

909
00:43:31,030 --> 00:43:29,599
of this committee and if I if this was

910
00:43:32,589 --> 00:43:31,040
really going on I would know about it

911
00:43:35,319 --> 00:43:32,599
and I don't know about it so it's not

912
00:43:39,220 --> 00:43:35,329
real that's their job they may very well

913
00:43:41,710 --> 00:43:39,230

and Greer and dr. Gorrie you know to his

914

00:43:44,980 --> 00:43:41,720

credit again exposed these people by

915

00:43:50,770 --> 00:43:44,990

their name who they were what they did

916

00:43:55,420 --> 00:43:52,900

do you remember offhand the interview

917

00:44:01,150 --> 00:43:55,430

that President Obama gave with Jimmy

918

00:44:05,309 --> 00:44:01,160

Kimmel some time ago yes did is it me or

919

00:44:08,530 --> 00:44:05,319

was he speaking fairly enigmatic alee

920

00:44:09,339 --> 00:44:08,540

well here's the situation of President

921

00:44:14,140 --> 00:44:09,349

Obama who

922

00:44:15,759 --> 00:44:14,150

a great deal respect for um he wanted to

923

00:44:20,259 --> 00:44:15,769

know as most presidents do when they

924

00:44:22,719 --> 00:44:20,269

enter office about quote unquote area 51

925

00:44:27,039 --> 00:44:22,729

the extraterrestrials Roswell he wanted

926

00:44:29,650 --> 00:44:27,049

a little bit there the Maddy's response

927

00:44:33,309 --> 00:44:29,660

to that was when he went to Stockholm to

928

00:44:35,799 --> 00:44:33,319

get his uh Nobel Prize they launched a

929

00:44:41,019 --> 00:44:35,809

scalar weapon if you if you go to

930

00:44:44,440 --> 00:44:41,029

youtube and look up blue spiral in

931

00:44:48,309 --> 00:44:44,450

Stockholm who's far on Norway oh yeah I

932

00:44:50,319 --> 00:44:48,319

was that son this weapon was of course

933

00:44:53,259 --> 00:44:50,329

the Russians you know somebody said the

934

00:44:55,690 --> 00:44:53,269

Russians were testing a weapon well the

935

00:44:58,569 --> 00:44:55,700

scalar weapon is a scalar waves are

936

00:45:02,249 --> 00:44:58,579

waves that are beyond light speed that's

937

00:45:04,900 --> 00:45:02,259

how it was scalar weapons scalar waves a

938

00:45:08,529 --> 00:45:04,910

scalar radar system at Roswell had

939

00:45:10,089 --> 00:45:08,539

brought down these three UFOs that's how

940

00:45:13,749 --> 00:45:10,099

you do it that's how we figured out how

941

00:45:16,239 --> 00:45:13,759

to bring him down and so when when that

942

00:45:19,529 --> 00:45:16,249

weapon was shot off while President

943

00:45:23,620 --> 00:45:19,539

Obama and his family were in Stockholm

944

00:45:25,779 --> 00:45:23,630

that was a warning back off because we

945

00:45:28,299 --> 00:45:25,789

can take Air Force One down as Easons

946

00:45:31,150 --> 00:45:28,309

ooh can boy has to anything else in this

947

00:45:33,130 --> 00:45:31,160

world yes oh yeah I can't deny that that

948

00:45:36,400 --> 00:45:33,140

was that was did not seem like a

949

00:45:38,400 --> 00:45:36,410

coincidence not at all not at all so

950

00:45:41,979 --> 00:45:38,410

when Obama is on Jimmy Kimmel show

951
00:45:43,140 --> 00:45:41,989
saying that you know what he said sort

952
00:45:46,239 --> 00:45:43,150
of tongue-in-cheek

953
00:45:46,959 --> 00:45:46,249
hi he's doing it because he fears for

954
00:45:49,059 --> 00:45:46,969
his life

955
00:45:52,660 --> 00:45:49,069
same thing with Bill Clinton Bill

956
00:45:54,190 --> 00:45:52,670
Clinton was briefed by dr. Greer Bill

957
00:45:56,259 --> 00:45:54,200
Clinton wanted to come forward with this

958
00:45:58,029 --> 00:45:56,269
information Hillary was scared for his

959
00:46:02,469 --> 00:45:58,039
life was afraid that he would wind up

960
00:46:04,900 --> 00:46:02,479
like JFK and in fact when Bobby was

961
00:46:08,940 --> 00:46:04,910
executed Bill kalbi being the former CIA

962
00:46:11,499 --> 00:46:08,950
director uh they'll Kobe's best friend

963
00:46:15,789 --> 00:46:11,509

had a meeting with dr. Greer and said

964

00:46:17,410 --> 00:46:15,799

I've got a guy in mj-12 who wants to

965

00:46:19,269 --> 00:46:17,420

come forward not only doesn't want to

966

00:46:21,400 --> 00:46:19,279

come forward but he wants to bring you a

967

00:46:22,900 --> 00:46:21,410

zero energy device and fifty million

968

00:46:27,130 --> 00:46:22,910

dollars in seed money

969

00:46:28,000 --> 00:46:27,140

and dr. Greer said don't bring you know

970

00:46:33,040 --> 00:46:28,010

tell me who he is

971

00:46:36,250 --> 00:46:33,050

let me protect them and the mr. Colby's

972

00:46:39,160 --> 00:46:36,260

friend said he's not going to do that so

973

00:46:41,890 --> 00:46:39,170

a few days up were going to meet bill

974

00:46:44,140 --> 00:46:41,900

Colby ended up missing in nine days

975

00:46:46,290 --> 00:46:44,150

later which was just enough time to

976

00:46:49,570 --> 00:46:46,300

terrier ate the evidence of his murder

977

00:46:54,220 --> 00:46:49,580

eyes body what was found in the Potomac

978

00:46:59,320 --> 00:46:54,230

River and was this was this wild Clinton

979

00:47:01,240 --> 00:46:59,330

was president yes yeah I wonder because

980

00:47:04,330 --> 00:47:01,250

you know some people have made claims

981

00:47:07,480 --> 00:47:04,340

that the Clintons murdered people but I

982

00:47:10,590 --> 00:47:07,490

wonder if it's the people that were

983

00:47:12,400 --> 00:47:10,600

working for the Clintons or in tandem or

984

00:47:15,190 --> 00:47:12,410

believed in the same things they

985

00:47:21,510 --> 00:47:15,200

believed in that that's why they you

986

00:47:24,340 --> 00:47:21,520

know were accidentally you know killed

987

00:47:27,790 --> 00:47:24,350

well nobody was accidentally killed this

988

00:47:29,680 --> 00:47:27,800

was a vicious murder and it doesn't but

989

00:47:30,910 --> 00:47:29,690

it hasn't Clinton did it wasn't

990

00:47:33,240 --> 00:47:30,920

Clinton's people who did it it was

991

00:47:36,340 --> 00:47:33,250

majestic 12 killed one of their own

992

00:47:38,350 --> 00:47:36,350

because the basic rule in majestic 12 is

993

00:47:40,480 --> 00:47:38,360

like Fight Club majestic 12 doesn't

994

00:47:43,150 --> 00:47:40,490

exist and if you come out of a just 12

995

00:47:45,970 --> 00:47:43,160

and year giving away this technology and

996

00:47:48,400 --> 00:47:45,980

funding then we're basically going to

997

00:47:51,640 --> 00:47:48,410

kill you and then I wonder if well if

998

00:47:54,550 --> 00:47:51,650

Clinton I wonder if Clinton said I want

999

00:47:56,470 --> 00:47:54,560

to find out about this and these certain

1000

00:47:59,470 --> 00:47:56,480

people went out and tried to find it out

1001
00:48:04,660 --> 00:47:59,480
about something those people are some of

1002
00:48:06,910 --> 00:48:04,670
those people were taken out and it looks

1003
00:48:08,320 --> 00:48:06,920
like you know oh my god these people

1004
00:48:11,500 --> 00:48:08,330
that are around the Clintons they're the

1005
00:48:14,290 --> 00:48:11,510
ones that are the Clintons or murderers

1006
00:48:16,630 --> 00:48:14,300
maybe it's because they were you know in

1007
00:48:17,890 --> 00:48:16,640
alliance with the Clintons and someone

1008
00:48:20,440 --> 00:48:17,900
else didn't like what they were doing

1009
00:48:22,750 --> 00:48:20,450
and snooping around them no in this case

1010
00:48:25,960 --> 00:48:22,760
the Clintons didn't want it they

1011
00:48:29,830 --> 00:48:25,970
basically wanted dr. Greer to to run

1012
00:48:33,780 --> 00:48:29,840
with the ball they didn't have the the

1013
00:48:38,530 --> 00:48:36,160

now what's interesting is when Hillary

1014

00:48:41,290 --> 00:48:38,540

was running cheap she came forward with

1015

00:48:43,660 --> 00:48:41,300

more information that built it and her

1016

00:48:46,210 --> 00:48:43,670

and John Podesta knew about this

1017

00:48:48,790 --> 00:48:46,220

information and he was quoted as saying

1018

00:48:55,690 --> 00:48:48,800

something to the effect that we need to

1019

00:48:57,640 --> 00:48:55,700

investigate UFOs and John Podesta I

1020

00:49:03,040 --> 00:48:57,650

think still emphatically believe isn't

1021

00:49:05,220 --> 00:49:03,050

that absolutely yeah as Steven Greer

1022

00:49:10,060 --> 00:49:05,230

ever met John Podesta or spoken to him

1023

00:49:11,490 --> 00:49:10,070

directly I don't know that answer so I

1024

00:49:15,030 --> 00:49:11,500

don't want to even venture a guess

1025

00:49:18,820 --> 00:49:15,040

speculated sure yeah okay all right so

1026

00:49:23,350 --> 00:49:18,830

let's just let's continue with this idea

1027

00:49:26,950 --> 00:49:23,360

of the false leg and then the world is

1028

00:49:29,080 --> 00:49:26,960

taken over by the military what military

1029

00:49:32,140 --> 00:49:29,090

are we talking about here just the

1030

00:49:34,420 --> 00:49:32,150

United States military a UN are we

1031

00:49:38,010 --> 00:49:34,430

talking about a one world end game here

1032

00:49:40,810 --> 00:49:38,020

uh you know for lack of a better term

1033

00:49:46,180 --> 00:49:40,820

you know a new world order with a

1034

00:49:48,370 --> 00:49:46,190

international military one that gets

1035

00:49:50,560 --> 00:49:48,380

paid very well when it forces the

1036

00:49:53,830 --> 00:49:50,570

budgets of every country you know spend

1037

00:49:55,120 --> 00:49:53,840

trillions of dollars on the military so

1038

00:49:59,380 --> 00:49:55,130

in order for that to work you would have

1039

00:50:01,570 --> 00:49:59,390

to have a cooperation of shadow

1040

00:50:03,670 --> 00:50:01,580

governments in all these different

1041

00:50:05,890 --> 00:50:03,680

countries throughout the world well it

1042

00:50:07,840 --> 00:50:05,900

is just one shadow government they have

1043

00:50:09,910 --> 00:50:07,850

you know they have people in the United

1044

00:50:13,390 --> 00:50:09,920

States they have people and throughout

1045

00:50:16,090 --> 00:50:13,400

Europe and and Russia and other

1046

00:50:21,550 --> 00:50:16,100

countries as well but it's it's

1047

00:50:24,370 --> 00:50:21,560

basically one umbrella organization and

1048

00:50:27,010 --> 00:50:24,380

how do they get to that point how do

1049

00:50:29,680 --> 00:50:27,020

they get that power well let's let's go

1050

00:50:31,420 --> 00:50:29,690

back you know let's use the next segment

1051

00:50:34,450 --> 00:50:31,430

to go back through with both books

1052

00:50:37,920 --> 00:50:34,460

unacknowledged undisclosed detail which

1053

00:50:42,340 --> 00:50:37,930

is the discovery of UFOs how they became

1054

00:50:45,010 --> 00:50:42,350

known to the military and that was when

1055

00:50:46,720 --> 00:50:45,020

we started testing atomic weapons during

1056

00:50:51,310 --> 00:50:46,730

World War two for the men

1057

00:50:53,700 --> 00:50:51,320

and project and other tests that was the

1058

00:50:56,859 --> 00:50:53,710

alarm that said the interstellar

1059

00:50:57,880 --> 00:50:56,869

destination to our planet because you

1060

00:51:00,250 --> 00:50:57,890

know there's evidence that they've been

1061

00:51:02,950 --> 00:51:00,260

here before throughout history but when

1062

00:51:05,140 --> 00:51:02,960

and they and they're not evil they're

1063

00:51:07,170 --> 00:51:05,150

they care about us just like they care

1064

00:51:09,580 --> 00:51:07,180

about any other progressing life-form

1065

00:51:11,530 --> 00:51:09,590

but you've got a situation where we're a

1066

00:51:13,330 --> 00:51:11,540

type 0 civilization or three type of

1067

00:51:15,880 --> 00:51:13,340

civilizations one two and three go or

1068

00:51:18,270 --> 00:51:15,890

type 0 type zero is the most dangerous

1069

00:51:21,220 --> 00:51:18,280

civilization to be because we have

1070

00:51:23,260 --> 00:51:21,230

mastered the means to kill ourselves but

1071

00:51:25,420 --> 00:51:23,270

we haven't mastered the spirituality and

1072

00:51:28,810 --> 00:51:25,430

the discipline not to pull the trigger

1073

00:51:31,480 --> 00:51:28,820

and so when during world war ii when we

1074

00:51:33,480 --> 00:51:31,490

started testing all these atomic weapons

1075

00:51:37,410 --> 00:51:33,490

and eventually eight bombs as well

1076

00:51:42,430 --> 00:51:37,420

that set off a alarm and so the first

1077

00:51:45,940 --> 00:51:42,440

UFOs that were seen were called food

1078

00:51:49,650 --> 00:51:45,950

fighters and a food fighter is basically

1079

00:51:53,560 --> 00:51:49,660

sort of a an energy drone that was

1080

00:51:57,370 --> 00:51:53,570

following and shadowing the bombardier

1081

00:52:03,609 --> 00:51:57,380

positive of United States Britain and

1082

00:52:06,880 --> 00:52:03,619

Germany and then we know one side

1083

00:52:10,870 --> 00:52:06,890

thought it was the other side and so FDR

1084

00:52:13,180 --> 00:52:10,880

dispatched one of his generals to the

1085

00:52:14,470 --> 00:52:13,190

European invasion and to check out what

1086

00:52:18,280 --> 00:52:14,480

these things were and the guy came back

1087

00:52:22,500 --> 00:52:18,290

and said they're not from this planet

1088

00:52:26,380 --> 00:52:22,510

but not from not from this world of

1089

00:52:28,500 --> 00:52:26,390

course after that we detonated atomic

1090

00:52:32,500 --> 00:52:28,510

weapons over Hiroshima and Nagasaki and

1091

00:52:34,680 --> 00:52:32,510

then comes Roz well why Roswell wind in

1092

00:52:37,720 --> 00:52:34,690

Mexico why all these things happen there

1093

00:52:40,450 --> 00:52:37,730

well there was a reason because these

1094

00:52:43,120 --> 00:52:40,460

UFOs were interested in nuclear weapons

1095

00:52:45,010 --> 00:52:43,130

of what we were doing and Roswell was

1096

00:52:47,140 --> 00:52:45,020

the only air force base in the world

1097

00:52:49,510 --> 00:52:47,150

that had an air force that was armed

1098

00:52:51,010 --> 00:52:49,520

with nuclear weapons so of course they

1099

00:52:52,480 --> 00:52:51,020

were in Roswell and of course they were

1100

00:52:56,080 --> 00:52:52,490

in New Mexico because that's where most

1101
00:52:57,870 --> 00:52:56,090
of the testing of stuff and when they

1102
00:53:03,000 --> 00:52:57,880
started buzzing in

1103
00:53:05,550 --> 00:53:03,010
late June of 1947 Roswell Roswell Air

1104
00:53:08,130 --> 00:53:05,560
Force Base had a weapon and it was a

1105
00:53:11,520 --> 00:53:08,140
scalar weapon and they used his scalar

1106
00:53:13,800 --> 00:53:11,530
radar system to down three UFOs to have

1107
00:53:15,540 --> 00:53:13,810
them collided and the other one was

1108
00:53:20,730 --> 00:53:15,550
found a couple years later on some guy's

1109
00:53:23,550 --> 00:53:20,740
farm and of course you know the there

1110
00:53:26,490 --> 00:53:23,560
were as the book details there were 13

1111
00:53:32,700 --> 00:53:26,500
more downed aircraft over the next I

1112
00:53:34,260 --> 00:53:32,710
don't know eight to ten years and an

1113
00:53:36,480 --> 00:53:34,270

organization had to be set up to handle

1114

00:53:37,920 --> 00:53:36,490

these things the first question is how

1115

00:53:40,080 --> 00:53:37,930

do you convince the public that these

1116

00:53:41,460 --> 00:53:40,090

things don't exist because you know

1117

00:53:44,450 --> 00:53:41,470

you've got thousands of these things

1118

00:53:47,010 --> 00:53:44,460

that slide over the public skies and

1119

00:53:52,170 --> 00:53:47,020

people see them so how do you convince

1120

00:53:54,960 --> 00:53:52,180

them well I sort of equated it to do you

1121

00:53:57,180 --> 00:53:54,970

believe in God why do we believe in God

1122

00:54:00,690 --> 00:53:57,190

why do you believe in God out if you do

1123

00:54:05,220 --> 00:54:00,700

believe in God are you asking me

1124

00:54:07,470 --> 00:54:05,230

seriously uh yeah what it's first do you

1125

00:54:10,710 --> 00:54:07,480

believe in God

1126
00:54:13,260 --> 00:54:10,720
me no I believe in something bigger and

1127
00:54:15,990 --> 00:54:13,270
more powerful for sure but I wouldn't

1128
00:54:19,650 --> 00:54:16,000
call it God okay so you believe in a

1129
00:54:21,780 --> 00:54:19,660
higher being a creator uh yeah I

1130
00:54:24,060 --> 00:54:21,790
wouldn't say create or in a sense but I

1131
00:54:27,630 --> 00:54:24,070
definitely believe in a universal

1132
00:54:31,380 --> 00:54:27,640
consciousness or um growing evolving

1133
00:54:34,020 --> 00:54:31,390
consciousness unto itself um yeah it's

1134
00:54:36,840 --> 00:54:34,030
very vague but I don't because I don't

1135
00:54:39,060 --> 00:54:36,850
subscribe to any particular religion or

1136
00:54:41,310 --> 00:54:39,070
dogma but why would I believe in that

1137
00:54:44,340 --> 00:54:41,320
because what my personal experiences and

1138
00:54:47,520 --> 00:54:44,350

also you know it's um life is a wonder

1139

00:54:50,070 --> 00:54:47,530

and and I don't have the answer okay

1140

00:54:53,010 --> 00:54:50,080

fair enough but certainly a large

1141

00:54:54,660 --> 00:54:53,020

segment of our population and I'm not

1142

00:54:56,130 --> 00:54:54,670

religious either I'm I consider myself

1143

00:54:57,990 --> 00:54:56,140

spiritual but not religious but

1144

00:55:01,170 --> 00:54:58,000

certainly there's a large segment of our

1145

00:55:03,990 --> 00:55:01,180

population whether organized religion or

1146

00:55:06,390 --> 00:55:04,000

non organized religion spirituality does

1147

00:55:07,980 --> 00:55:06,400

believe in a higher being and that's

1148

00:55:10,140 --> 00:55:07,990

because for the most part they were

1149

00:55:11,490 --> 00:55:10,150

taught that as they grew up you know we

1150

00:55:12,870 --> 00:55:11,500

followed

1151
00:55:14,820 --> 00:55:12,880
you know our parents teach us things

1152
00:55:16,950 --> 00:55:14,830
that we learn things in school religious

1153
00:55:19,440 --> 00:55:16,960
school whatever might be when it comes

1154
00:55:21,660 --> 00:55:19,450
to UFO but we but but nobody has

1155
00:55:24,060 --> 00:55:21,670
actually seen God some people may claim

1156
00:55:26,370 --> 00:55:24,070
to have seen God but nobody's actually

1157
00:55:27,750 --> 00:55:26,380
have a conversation with God record

1158
00:55:30,060 --> 00:55:27,760
looked up in the sky and there was the

1159
00:55:33,420 --> 00:55:30,070
face of God and he was carrying on a

1160
00:55:36,270 --> 00:55:33,430
conversation now when it comes to UFOs

1161
00:55:38,280 --> 00:55:36,280
we have seen them you know my story

1162
00:55:40,350 --> 00:55:38,290
started off tonight with telling my own

1163
00:55:41,910 --> 00:55:40,360

personal experiences about it certainly

1164

00:55:43,820 --> 00:55:41,920

a number of your listeners have had

1165

00:55:47,280 --> 00:55:43,830

their personal experiences but why is

1166

00:55:49,500 --> 00:55:47,290

but why is there a shame that comes from

1167

00:55:53,100 --> 00:55:49,510

claiming that you've seen a UFO because

1168

00:55:55,560 --> 00:55:53,110

back when these extraterrestrials these

1169

00:55:59,790 --> 00:55:55,570

interstellar craft were flying over the

1170

00:56:01,140 --> 00:55:59,800

skies and they still are the the

1171

00:56:03,240 --> 00:56:01,150

administration the Eisenhower

1172

00:56:04,500 --> 00:56:03,250

administration decided that you know we

1173

00:56:07,200 --> 00:56:04,510

can't let the public know about here

1174

00:56:08,460 --> 00:56:07,210

because a they're going to panic be you

1175

00:56:09,930 --> 00:56:08,470

have to realize what things were like

1176

00:56:14,130 --> 00:56:09,940

back then we were in the middle of a

1177

00:56:16,410 --> 00:56:14,140

cold war with Russia we were when you

1178

00:56:19,610 --> 00:56:16,420

look at a superior intelligence

1179

00:56:23,160 --> 00:56:19,620

that's buzzing our nuclear facilities

1180

00:56:25,050 --> 00:56:23,170

part of your thought process is well

1181

00:56:26,340 --> 00:56:25,060

let's not let's hope the Russians don't

1182

00:56:28,310 --> 00:56:26,350

get a hold of this technology and let's

1183

00:56:31,410 --> 00:56:28,320

hope that we can beat them to it and

1184

00:56:33,360 --> 00:56:31,420

that's not that that's not an abnormal

1185

00:56:36,270 --> 00:56:33,370

reaction I mean because the Cold War was

1186

00:56:37,920 --> 00:56:36,280

going on we were testing H bombs which

1187

00:56:39,180 --> 00:56:37,930

are much more powerful than the atomic

1188

00:56:41,910 --> 00:56:39,190

weapons we used in Hiroshima and

1189

00:56:45,120 --> 00:56:41,920

Nagasaki and so there's a paranoia

1190

00:56:47,640 --> 00:56:45,130

that's going on in the mid 1950s under

1191

00:56:52,230 --> 00:56:47,650

the Eisenhower administration and so

1192

00:56:54,930 --> 00:56:52,240

Eisenhower appoints Rockefeller to

1193

00:56:56,490 --> 00:56:54,940

create a new agency that's going to

1194

00:56:59,160 --> 00:56:56,500

handle this and that's where majestic 12

1195

00:57:01,260 --> 00:56:59,170

comes from but in addition to that they

1196

00:57:04,650 --> 00:57:01,270

create a policy which basically states

1197

00:57:07,800 --> 00:57:04,660

that UFOs don't exist and if you think

1198

00:57:11,730 --> 00:57:07,810

they do exist you're nuts and we're

1199

00:57:14,010 --> 00:57:11,740

going to anyone who claims to have seen

1200

00:57:17,250 --> 00:57:14,020

a UFO we're going to we're going to come

1201

00:57:19,980 --> 00:57:17,260

out and and really attack you sort of

1202

00:57:22,590 --> 00:57:19,990

like reminiscent of what happened after

1203

00:57:25,200 --> 00:57:22,600

9/11 with the Bush administration where

1204

00:57:26,579 --> 00:57:25,210

if God forbid you question anything

1205

00:57:28,349 --> 00:57:26,589

kick yeah as a reporter you're not

1206

00:57:31,559 --> 00:57:28,359

access to the White House you're not

1207

00:57:33,870 --> 00:57:31,569

going to the idea and with you know like

1208

00:57:36,680 --> 00:57:33,880

the Dixie Chicks if you question our

1209

00:57:39,930 --> 00:57:36,690

government we're gonna blackball you and

1210

00:57:41,940 --> 00:57:39,940

you're not gonna have any right what

1211

00:57:43,829 --> 00:57:41,950

they are basically calling them

1212

00:57:47,760 --> 00:57:43,839

unpatriotic but in fact they were being

1213

00:57:52,319 --> 00:57:47,770

the most patriotic of all exactly though

1214

00:57:54,540 --> 00:57:52,329

I mean um but back in the 950 s

1215

00:57:57,359 --> 00:57:54,550

if you claim to have seen a UFO you were

1216

00:57:59,609 --> 00:57:57,369

nuts and they and they went as far as

1217

00:58:01,620 --> 00:57:59,619

dr. grid describes that they

1218

00:58:03,750 --> 00:58:01,630

incorporated Disney into this little

1219

00:58:07,020 --> 00:58:03,760

plot so that they would make cartoons

1220

00:58:10,589 --> 00:58:07,030

about aliens and these little alien

1221

00:58:13,559 --> 00:58:10,599

creatures were you know out - they were

1222

00:58:17,760 --> 00:58:13,569

evil and Bugs Bunny was the hero and all

1223

00:58:21,930 --> 00:58:17,770

those things go into the impressions on

1224

00:58:23,460 --> 00:58:21,940

the public that you know the public is

1225

00:58:24,839 --> 00:58:23,470

looking at the king and the king has no

1226

00:58:26,579 --> 00:58:24,849

clothes on and everyone saying wow a

1227

00:58:29,010 --> 00:58:26,589

beautiful set of clothes the King has

1228

00:58:34,140 --> 00:58:29,020

the claims I think is completely naked

1229

00:58:37,049 --> 00:58:34,150

are you kidding me so um that's getting

1230

00:58:38,910 --> 00:58:37,059

a sense of deja vu today yeah I mean

1231

00:58:41,609 --> 00:58:38,920

that's the reason that we know the

1232

00:58:42,960 --> 00:58:41,619

public most of the public well I think

1233

00:58:45,930 --> 00:58:42,970

things are changing a little bit because

1234

00:58:47,339 --> 00:58:45,940

people see them but the public for the

1235

00:58:49,470 --> 00:58:47,349

most part doesn't come out and say yeah

1236

00:58:51,120 --> 00:58:49,480

I saw you if I was in Phoenix when the

1237

00:58:52,589 --> 00:58:51,130

Phoenix lights happened and this things

1238

00:58:53,940 --> 00:58:52,599

really happened then you have the

1239

00:58:57,049 --> 00:58:53,950

governor come out the next day and he's

1240

00:59:01,349 --> 00:58:57,059

got a guy dressed up in a UFO costume or

1241

00:59:02,940 --> 00:59:01,359

an et costume and makes it whole joke

1242

00:59:04,380 --> 00:59:02,950

about it well what do you do what are

1243

00:59:05,640 --> 00:59:04,390

you joking about there were tens of

1244

00:59:07,250 --> 00:59:05,650

thousands of people saw these lights

1245

00:59:10,640 --> 00:59:07,260

last night now you're telling us that

1246

00:59:13,289 --> 00:59:10,650

was something else

1247

00:59:14,210 --> 00:59:13,299

people people start the questioner and

1248

00:59:17,880 --> 00:59:14,220

on sight

1249

00:59:19,859 --> 00:59:17,890

yeah on the local level yeah maybe some

1250

00:59:21,359 --> 00:59:19,869

people question their own eyesight but

1251

00:59:22,980 --> 00:59:21,369

on the local level people will still say

1252

00:59:24,900 --> 00:59:22,990

well I know what I saw but you're right

1253

00:59:27,420 --> 00:59:24,910

on the national level other news outlets

1254

00:59:28,559 --> 00:59:27,430

are going to go well what can we do now

1255

00:59:32,910 --> 00:59:28,569

we're just gonna have to go along with

1256

00:59:34,640 --> 00:59:32,920

the official story it's easier well for

1257

00:59:37,740 --> 00:59:34,650

instance my wife and I had an experience

1258

00:59:38,630 --> 00:59:37,750

you know that I told you about now if it

1259

00:59:40,160 --> 00:59:38,640

was in 19

1260

00:59:41,930 --> 00:59:40,170

Thiessen we were around and I went to

1261

00:59:43,130 --> 00:59:41,940

work and I wasn't working for myself I

1262

00:59:44,720 --> 00:59:43,140

was working for a company and I'd

1263

00:59:47,870 --> 00:59:44,730

mentioned it hey guess what my wife and

1264

00:59:52,039 --> 00:59:47,880

I saw I saw these UFOs I might lose my

1265

00:59:53,569 --> 00:59:52,049

job most you know I'm certified in

1266

00:59:55,549 --> 00:59:53,579

teaching high school if I was a teacher

1267

00:59:58,910 --> 00:59:55,559

in high school and I told the class I

1268

01:00:00,289 --> 00:59:58,920

saw a UFO last night you know parents

1269

01:00:01,279 --> 01:00:00,299

hear about that you're what are you

1270

01:00:03,380 --> 01:00:01,289

teaching my son

1271

01:00:06,079 --> 01:00:03,390

you said that you believe in UFOs get

1272

01:00:08,240 --> 01:00:06,089

this guy fired so you know it's a

1273

01:00:10,160 --> 01:00:08,250

different type of time period in and

1274

01:00:12,440 --> 01:00:10,170

again happened during the Cold War as

1275

01:00:16,130 --> 01:00:12,450

well so everybody's a little bit

1276

01:00:19,339 --> 01:00:16,140

paranoid and and as it is I mean I

1277

01:00:20,750 --> 01:00:19,349

remember being I'm not quite that all

1278

01:00:23,349 --> 01:00:20,760

but I remember when being in elementary

1279

01:00:25,490 --> 01:00:23,359

school where we had drills that we were

1280

01:00:29,569 --> 01:00:25,500

everyone was ducking covering on her

1281

01:00:31,460 --> 01:00:29,579

desk and hiding out in these uh hallways

1282

01:00:35,150 --> 01:00:31,470

that suppose they were securable

1283

01:00:36,759 --> 01:00:35,160

but if an h-bomb goes off you can bend

1284

01:00:38,720 --> 01:00:36,769

over and kiss your butt goodbye I mean

1285

01:00:45,319 --> 01:00:38,730

don't matter where you're hiding out

1286

01:00:51,920 --> 01:00:45,329

you're pretty much dead yeah okay cool

1287

01:00:58,059 --> 01:00:51,930

so let's let's continue on with if I if

1288

01:01:01,730 --> 01:00:58,069

I may the the shadow government okay so

1289

01:01:03,890 --> 01:01:01,740

we were let's say this story goes the

1290

01:01:05,539 --> 01:01:03,900

wrong way and we are now under the

1291

01:01:08,150 --> 01:01:05,549

military rule of the shadow government

1292

01:01:13,190 --> 01:01:08,160

one world government what is that going

1293

01:01:17,329 --> 01:01:13,200

to be like for us well you look you're

1294

01:01:20,509 --> 01:01:17,339

talking about a rolling entity that

1295

01:01:23,059 --> 01:01:20,519

basically has no go everybody get up

1296

01:01:24,799 --> 01:01:23,069

everybody get up everybody needs to

1297

01:01:26,599 --> 01:01:24,809

understand that I'm more than simply a

1298

01:01:28,609 --> 01:01:26,609

hype man for this rap group just like

1299

01:01:29,450 --> 01:01:28,619

Geico is more than just a company that

1300

01:01:31,700 --> 01:01:29,460

can save you money

1301

01:01:33,440 --> 01:01:31,710

Geico also has fast and friendly claim

1302

01:01:35,809 --> 01:01:33,450

service so they can help you when you

1303

01:01:37,999 --> 01:01:35,819

need it most and while I do love being a

1304

01:01:40,859 --> 01:01:38,009

hike man I also love reading for

1305

01:01:42,900 --> 01:01:40,869

children's audiobooks like Little Bo

1306

01:01:45,299 --> 01:01:42,910

she lost the sheet and she don't know

1307

01:01:47,370 --> 01:01:45,309

win find em go

1308

01:01:49,979 --> 01:01:47,380

Geico expect great savings and a whole

1309

01:01:52,170 --> 01:01:49,989

lot more tolerance for anything the

1310

01:01:55,259 --> 01:01:52,180

Constitution gets tossed out it's scrap

1311

01:01:57,690 --> 01:01:55,269

paper and and the laws are made by the

1312

01:02:00,930 --> 01:01:57,700

military because if you don't obey the

1313

01:02:03,089 --> 01:02:00,940

law then you know you're going to get

1314

01:02:06,239 --> 01:02:03,099

killed by these evil aliens I mean I

1315

01:02:09,089 --> 01:02:06,249

mean this you know we're just we're just

1316

01:02:12,239 --> 01:02:09,099

spitballing here but that's the way that

1317

01:02:14,390 --> 01:02:12,249

I you know if you look at I always go

1318

01:02:16,890 --> 01:02:14,400

back to things like Star Wars you know

1319

01:02:20,999 --> 01:02:16,900

the evil empire how did the avant-garde

1320

01:02:24,209 --> 01:02:21,009

get in charge because false flag events

1321

01:02:27,289 --> 01:02:24,219

that were made to look like the good

1322

01:02:29,519 --> 01:02:27,299

guys did it and so bad guys take over

1323

01:02:31,829 --> 01:02:29,529

okay let's hold it right there Steve we

1324

01:02:34,650 --> 01:02:31,839

have our second break we're talking to

1325

01:02:38,279 --> 01:02:34,660

Steve Alton he's the author of

1326

01:02:40,130 --> 01:02:38,289

unacknowledged and that's exactly what

1327

01:02:43,160 --> 01:02:40,140

we're talking about the unacknowledged

1328

01:02:45,690 --> 01:02:43,170

I'm sorry don't you feel under

1329

01:02:48,390 --> 01:02:45,700

undisclosed I'm sorry undisclosed yes

1330

01:02:51,690 --> 01:02:48,400

yes but he's a co-author of dr. Greer's

1331

01:02:54,329 --> 01:02:51,700

new book unacknowledged and that exactly

1332

01:02:56,160 --> 01:02:54,339

how we feel I think often because we

1333

01:02:59,339 --> 01:02:56,170

have our opinions and the things that we

1334

01:03:01,680 --> 01:02:59,349

share about on the show and you're right

1335

01:03:03,690 --> 01:03:01,690

sometimes Steve we people make you feel

1336

01:03:05,849 --> 01:03:03,700

a little bit make you crazy if you

1337

01:03:07,650 --> 01:03:05,859

believe in the things that we at least

1338

01:03:10,920 --> 01:03:07,660

if not believing wholeheartedly

1339

01:03:13,680 --> 01:03:10,930

entertain so hold on for a real quick

1340

01:03:16,480 --> 01:03:13,690

break and we will be right back

guest is Steve Alton and we were talking

1354

01:05:29,800 --> 01:05:27,109

about so many things undisclosed

1355

01:05:32,140 --> 01:05:29,810

unacknowledged and I know there are two

1356

01:05:33,700 --> 01:05:32,150

very broad terms but I think we all have

1357

01:05:37,060 --> 01:05:33,710

a sense of what we're talking about here

1358

01:05:39,370 --> 01:05:37,070

if you're just tuning in now thank you

1359

01:05:41,200 --> 01:05:39,380

power normal now radio you can also find

1365

01:05:54,579 --> 01:05:52,310

me on Instagram and that's at paranormal

1366

01:05:56,140 --> 01:05:54,589

now which I tend to hang out there more

1367

01:05:58,510 --> 01:05:56,150

often but you'll see me on Facebook as

1368

01:06:01,690 --> 01:05:58,520

well particularly about any kind of show

1369

01:06:05,859 --> 01:06:01,700

notes or programs coming up so Steve

1370

01:06:10,050 --> 01:06:05,869

again can you tell us where is best to

1371

01:06:12,220 --> 01:06:10,060

get information about you and your works

1372

01:06:13,870 --> 01:06:12,230

information about me you could take a

1373

01:06:16,450 --> 01:06:13,880

look at all the books that I've written

1374

01:06:20,260 --> 01:06:16,460

in book trailers and all sorts of

1375

01:06:24,010 --> 01:06:20,270

information that's fun to read at WWSD

1376

01:06:25,540 --> 01:06:24,020

Colton alte ENCOM when you go there you

1377

01:06:26,950 --> 01:06:25,550

may be prompted to get my free

1378

01:06:29,349 --> 01:06:26,960

newsletter which comes out every month

1379

01:06:31,570 --> 01:06:29,359

where if you get my newsletter you may

1380

01:06:33,640 --> 01:06:31,580

end up becoming a character in one of my

1381

01:06:35,050 --> 01:06:33,650

books and all the minor characters and a

1382

01:06:37,450 --> 01:06:35,060

couple of major characters and all my

1383

01:06:40,030 --> 01:06:37,460

thrillers are actually that's pretty

1384

01:06:43,420 --> 01:06:40,040

cool they instead of written to me or

1385

01:06:48,010 --> 01:06:43,430

entered contests and become immortalized

1386

01:06:49,570 --> 01:06:48,020

in pretty nice it doesn't to be

1387

01:06:51,160 --> 01:06:49,580

immortalized you know actually I was

1388

01:06:53,079 --> 01:06:51,170

just talking to someone recently you

1389

01:06:55,030 --> 01:06:53,089

know often you hear in terms of

1390

01:06:57,849 --> 01:06:55,040

presidents or famous people and you hear

1391

01:06:59,829 --> 01:06:57,859

in terms of so important their legacy

1392

01:07:02,380 --> 01:06:59,839

their legacy their legacy and I just

1393

01:07:04,750 --> 01:07:02,390

kept thinking like really how important

1394

01:07:05,980 --> 01:07:04,760

is legacy what's more important legacy

1395

01:07:08,620 --> 01:07:05,990

or what you're doing right here and

1396

01:07:10,570 --> 01:07:08,630

right now and I get the sense that

1397

01:07:13,450 --> 01:07:10,580

that's more important to you as well

1398

01:07:15,970 --> 01:07:13,460

because it's the here and now and our

1399

01:07:18,820 --> 01:07:15,980

short-term and medium-term future that

1400

01:07:22,300 --> 01:07:18,830

you are deeply concerned about will pick

1401
01:07:23,980 --> 01:07:22,310
up this conversation hopefully will

1402
01:07:25,210 --> 01:07:23,990
turning it on to a lighter note see if

1403
01:07:27,430 --> 01:07:25,220
had made that suggestion I think it's a

1404
01:07:29,230 --> 01:07:27,440
great suggestion because there is a dark

1405
01:07:32,900 --> 01:07:29,240
side of the story but hopefully there is

1406
01:07:36,080 --> 01:07:32,910
a lighter side as well and if you are

1407
01:07:38,390 --> 01:07:36,090
or a program listener don't forget that

1408
01:07:42,830 --> 01:07:38,400
you can also listen to inception radio

1409
01:07:44,480 --> 01:07:42,840
network on roku if you have Roku and of

1410
01:07:48,740 --> 01:07:44,490
course you can listen to on the smart

1411
01:07:49,340 --> 01:07:48,750
app stitcher radio tune in and iTunes as

1412
01:07:52,460 --> 01:07:49,350
well

1413
01:07:53,690 --> 01:07:52,470

immediately after the program airs it

1414

01:07:55,790 --> 01:07:53,700

will be available for download

1415

01:07:59,090 --> 01:07:55,800

ok so Steve so yeah we spent some time

1416

01:08:01,430 --> 01:07:59,100

on the darker side of things true but we

1417

01:08:02,720 --> 01:08:01,440

don't want to avoid that either but you

1418

01:08:05,900 --> 01:08:02,730

feel like there was another side of the

1419

01:08:08,090 --> 01:08:05,910

stories to tell so if we can leave it at

1420

01:08:09,230 --> 01:08:08,100

ok the worst that could happen is this

1421

01:08:11,990 --> 01:08:09,240

one world government the shadow

1422

01:08:13,340 --> 01:08:12,000

government ruling our lives in your

1423

01:08:17,690 --> 01:08:13,350

response to that and the positive note

1424

01:08:21,140 --> 01:08:17,700

would be what well it deals with how dr.

1425

01:08:22,780 --> 01:08:21,150

group acquired his knowledge and became

1426

01:08:24,440 --> 01:08:22,790

so adept at communicating with

1427

01:08:26,930 --> 01:08:24,450

extraterrestrials because he does

1428

01:08:28,310 --> 01:08:26,940

communicate with him and what he and

1429

01:08:30,320 --> 01:08:28,320

there were two events in his life that

1430

01:08:32,870 --> 01:08:30,330

are detailed and unacknowledged and also

1431

01:08:36,530 --> 01:08:32,880

through his character and undisclosed

1432

01:08:38,870 --> 01:08:36,540

novel where when he was younger I think

1433

01:08:40,910 --> 01:08:38,880

he was 8 or 10 years old he had a bunch

1434

01:08:44,090 --> 01:08:40,920

of his friends in North Carolina hooked

1435

01:08:46,580 --> 01:08:44,100

up in this guy Nate saw a UFO it was

1436

01:08:48,350 --> 01:08:46,590

daytime and they saw it name it and you

1437

01:08:50,120 --> 01:08:48,360

know passed overhead and they were

1438

01:08:52,520 --> 01:08:50,130

convinced exactly what it was of course

1439

01:08:55,610 --> 01:08:52,530

they told her parents and the parents

1440

01:08:58,370 --> 01:08:55,620

you know thought they were lying of

1441

01:09:01,910 --> 01:08:58,380

course but dr. guru had this experience

1442

01:09:03,380 --> 01:09:01,920

now what he was 17 or 18 years old he

1443

01:09:05,800 --> 01:09:03,390

had a near-death experience he had a

1444

01:09:13,970 --> 01:09:05,810

wound that had not healed on his leg and

1445

01:09:19,790 --> 01:09:13,980

went got infected and septic and he was

1446

01:09:21,260 --> 01:09:19,800

enough he was in a room in a in a town

1447

01:09:23,480 --> 01:09:21,270

there was a cabin or wherever it was

1448

01:09:30,050 --> 01:09:23,490

where he would happen to be and he was

1449

01:09:32,960 --> 01:09:30,060

alone and he died and he his soul and of

1450

01:09:35,840 --> 01:09:32,970

course uh I should say prior to that he

1451

01:09:38,720 --> 01:09:35,850

was very much into meditation into the

1452

01:09:41,210 --> 01:09:38,730

Eastern meditations and and Hindu

1453

01:09:43,280 --> 01:09:41,220

meditations and and so he he had

1454

01:09:45,890 --> 01:09:43,290

out-of-body experiences that he could

1455

01:09:46,620 --> 01:09:45,900

control but when he NE used to go up

1456

01:09:50,519 --> 01:09:46,630

into space

1457

01:09:51,629 --> 01:09:50,529

where he was very very calm his

1458

01:09:53,789 --> 01:09:51,639

consciousness would go up into space

1459

01:09:56,939 --> 01:09:53,799

where he felt very comfortable so when

1460

01:09:58,680 --> 01:09:56,949

he died when he passed away with his

1461

01:10:01,919 --> 01:09:58,690

near-death experience he is

1462

01:10:08,180 --> 01:10:01,929

consciousness went up into space and he

1463

01:10:14,760 --> 01:10:12,390

angels if you will and the book details

1464

01:10:20,669 --> 01:10:14,770

exactly the conversations he had which

1465

01:10:23,459 --> 01:10:20,679

were thought energy and how how higher

1466

01:10:28,350 --> 01:10:23,469

beings communicate amongst each other uh

1467

01:10:30,209 --> 01:10:28,360

well he he became conscious he they they

1468

01:10:32,939 --> 01:10:30,219

gave him a choice of what they wanted to

1469

01:10:35,760 --> 01:10:32,949

go off into the spirit world or go back

1470

01:10:39,060 --> 01:10:35,770

and fulfill his destiny and which was

1471

01:10:41,760 --> 01:10:39,070

look exactly give him the choice are the

1472

01:10:45,330 --> 01:10:41,770

beings that communicated with him okay

1473

01:10:47,189 --> 01:10:45,340

and so he chose the even though he

1474

01:10:50,189 --> 01:10:47,199

preferred to stay with them he chose the

1475

01:10:55,410 --> 01:10:50,199

latter and had a fight to get back into

1476

01:10:56,910 --> 01:10:55,420

his body and but he he recovered now

1477

01:10:58,709 --> 01:10:56,920

those two experiences were very

1478

01:11:01,169 --> 01:10:58,719

important for him because it gave him

1479

01:11:02,640 --> 01:11:01,179

insight on how extraterrestrials

1480

01:11:07,080 --> 01:11:02,650

communicate because if you think about

1481

01:11:09,450 --> 01:11:07,090

it um you know and prior to my own

1482

01:11:10,620 --> 01:11:09,460

experience of seeing UFOs if you asked

1483

01:11:13,050 --> 01:11:10,630

me if I believed in them and

1484

01:11:14,910 --> 01:11:13,060

extraterrestrials and other interest

1485

01:11:16,350 --> 01:11:14,920

tellers from other planets my answer

1486

01:11:19,320 --> 01:11:16,360

would have been yes because from a

1487

01:11:21,149 --> 01:11:19,330

mathematical equation if there are

1488

01:11:23,220 --> 01:11:21,159

billions of galaxies out there with

1489

01:11:25,040 --> 01:11:23,230

trillions of star systems and trillions

1490

01:11:27,780 --> 01:11:25,050

and trillions of planets and

1491

01:11:30,110 --> 01:11:27,790

mathematically of course there has to be

1492

01:11:32,310 --> 01:11:30,120

I mean if if one in a million planets

1493

01:11:35,340 --> 01:11:32,320

developed life on it in some type of

1494

01:11:37,229 --> 01:11:35,350

form one in a million then there would

1495

01:11:39,600 --> 01:11:37,239

still be billions of life-forms out

1496

01:11:42,570 --> 01:11:39,610

there because there's universe is so

1497

01:11:44,189 --> 01:11:42,580

vast but there's a different level of

1498

01:11:44,669 --> 01:11:44,199

acceptance when you actually see one for

1499

01:11:46,800 --> 01:11:44,679

yourself

1500

01:11:49,320 --> 01:11:46,810

then do a mathematical equation in your

1501

01:11:51,060 --> 01:11:49,330

head well dr. Greer had seen one for

1502

01:11:54,240 --> 01:11:51,070

himself and he had also had a near-death

1503

01:11:56,070 --> 01:11:54,250

experience that taught him that if a if

1504

01:11:58,740 --> 01:11:56,080

a life-form comes from a planet a

1505

01:12:01,320 --> 01:11:58,750

thousand light-years away

1506

01:12:03,030 --> 01:12:01,330

then how do they get here first of all

1507

01:12:05,610 --> 01:12:03,040

because we take someone thousand years

1508

01:12:07,890 --> 01:12:05,620

they have to travel beyond the speed of

1509

01:12:10,770 --> 01:12:07,900

light or in this case in a higher

1510

01:12:13,920 --> 01:12:10,780

dimension and so we realize well I think

1511

01:12:15,480 --> 01:12:13,930

we also know that they could do warp

1512

01:12:17,370 --> 01:12:15,490

technology perhaps right I mean

1513

01:12:20,250 --> 01:12:17,380

theoretically on paper it's possible

1514

01:12:22,680 --> 01:12:20,260

well this is far con warp technology

1515

01:12:28,920 --> 01:12:22,690

because this is there actually by using

1516

01:12:31,380 --> 01:12:28,930

zero-point energy and applying a charge

1517

01:12:34,170 --> 01:12:31,390

to that's your point energy you enter a

1518

01:12:38,310 --> 01:12:34,180

higher dimension a higher dimension of

1519

01:12:39,870 --> 01:12:38,320

existence nice and so but that's how

1520

01:12:42,690 --> 01:12:39,880

they travel they they can travel

1521

01:12:45,240 --> 01:12:42,700

instantaneously just about as opposed to

1522

01:12:47,610 --> 01:12:45,250

you know the Starship Enterprise using

1523

01:12:50,520 --> 01:12:47,620

warp drive which still doesn't get it

1524

01:12:53,460 --> 01:12:50,530

very far very quickly but then it makes

1525

01:12:56,420 --> 01:12:53,470

a wonderful sound them it doesn't make a

1526

01:12:58,680 --> 01:12:56,430

cool sound but then again here's their

1527

01:13:00,660 --> 01:12:58,690

that's how they travel and how do they

1528

01:13:02,430 --> 01:13:00,670

communicate over such distances

1529

01:13:04,470 --> 01:13:02,440

well they communicate through thought

1530

01:13:06,390 --> 01:13:04,480

energy that's how dr. Greer communicated

1531

01:13:08,640 --> 01:13:06,400

with his higher beings when he passed

1532

01:13:10,920 --> 01:13:08,650

away at the near-death experience and

1533

01:13:14,880 --> 01:13:10,930

that's how you realize it that's how

1534

01:13:16,410 --> 01:13:14,890

these species communicate intelligent

1535

01:13:18,090 --> 01:13:16,420

species communicate without energy

1536

01:13:21,120 --> 01:13:18,100

well we're capable of communicating

1537

01:13:26,540 --> 01:13:21,130

through thought energy as well and so in

1538

01:13:29,970 --> 01:13:26,550

I believe it was 1991 1992 dr. Greer

1539

01:13:32,010 --> 01:13:29,980

formed a group of people that he taught

1540

01:13:37,440 --> 01:13:32,020

how to communicate using remote viewing

1541

01:13:42,600 --> 01:13:37,450

techniques and um Channing and not

1542

01:13:44,520 --> 01:13:42,610

Channing but um meditation and so his

1543

01:13:49,380 --> 01:13:44,530

first successful attempt happened in

1544

01:13:51,360 --> 01:13:49,390

Tampa at night on the beach and he

1545

01:13:53,850 --> 01:13:51,370

actually had two members of his party I

1546

01:13:56,370 --> 01:13:53,860

think they're about 20-25 people two

1547

01:13:58,590 --> 01:13:56,380

members of his seat five party see five

1548

01:14:01,500 --> 01:13:58,600

being close encounter five close

1549

01:14:05,670 --> 01:14:01,510

encounter five being defined as a close

1550

01:14:08,130 --> 01:14:05,680

encounter instigated by humans so this

1551

01:14:11,790 --> 01:14:08,140

human meditation circle twenty

1552

01:14:14,100 --> 01:14:11,800

twenty-five people factored in

1553

01:14:16,890 --> 01:14:14,110

UFOs vectors and meeting that they

1554

01:14:19,920 --> 01:14:16,900

relook view them remote viewing is a

1555

01:14:21,840 --> 01:14:19,930

technique where you imagine you are in a

1556

01:14:25,080 --> 01:14:21,850

certain place and removing your

1557

01:14:28,080 --> 01:14:25,090

consciousness is moving through uh you

1558

01:14:32,640 --> 01:14:28,090

know from the beach to the atmosphere to

1559

01:14:37,500 --> 01:14:32,650

the stratosphere to above Florida above

1560

01:14:39,950 --> 01:14:37,510

the United States into space uh remote

1561

01:14:42,780 --> 01:14:39,960

viewing thought thought energy

1562

01:14:45,900 --> 01:14:42,790

describing where you are in terms of the

1563

01:14:50,670 --> 01:14:45,910

solar system in terms of the Milky Way

1564

01:14:52,620 --> 01:14:50,680

galaxy and that any beings passing

1565

01:14:55,230 --> 01:14:52,630

volume UFOs would pick up this thought

1566

01:14:58,170 --> 01:14:55,240

energy and you're basically welcoming

1567

01:15:02,070 --> 01:14:58,180

them to visit in peace and that's what

1568

01:15:04,860 --> 01:15:02,080

happened the UFOs came to him and they

1569

01:15:07,800 --> 01:15:04,870

saw it and these two military guys who

1570

01:15:09,630 --> 01:15:07,810

were part of the group saw it and the

1571

01:15:12,870 --> 01:15:09,640

next day in the newspaper in st.

1572

01:15:15,330 --> 01:15:12,880

Petersburg Times there it was for all to

1573

01:15:18,810 --> 01:15:15,340

see that these group vectored in UFOs

1574

01:15:22,260 --> 01:15:18,820

and so what came of that was that the

1575

01:15:23,700 --> 01:15:22,270

two guys in the military talked about it

1576

01:15:24,600 --> 01:15:23,710

to other people in the military and

1577

01:15:27,210 --> 01:15:24,610

other people in the intelligence

1578

01:15:30,240 --> 01:15:27,220

community and the next thing dr. Greer

1579

01:15:33,920 --> 01:15:30,250

is realized that he's being invited to a

1580

01:15:36,690 --> 01:15:33,930

group meeting about this situation and

1581

01:15:39,810 --> 01:15:36,700

so he sort of went into it with eyes

1582

01:15:41,640 --> 01:15:39,820

wide open but a little bit naive and he

1583

01:15:44,630 --> 01:15:41,650

realized that a lot of people this

1584

01:15:47,970 --> 01:15:44,640

get-together or members of magic twelve

1585

01:15:49,650 --> 01:15:47,980

just a twelve and they basically said

1586

01:15:50,940 --> 01:15:49,660

what the hell do you think you're doing

1587

01:15:52,980 --> 01:15:50,950

and he said I'm doing what the hell I

1588

01:15:55,650 --> 01:15:52,990

want to do you're not going to stop me

1589

01:15:57,810 --> 01:15:55,660

it's a free world and and you're not I'm

1590

01:16:00,000 --> 01:15:57,820

not part of your group and I'm gonna do

1591

01:16:01,500 --> 01:16:00,010

whatever I want but dr. guru

1592

01:16:04,950 --> 01:16:01,510

Greer realized by confronting these

1593

01:16:07,950 --> 01:16:04,960

people and not backing down that there

1594

01:16:10,440 --> 01:16:07,960

was a he wanted to make sure that these

1595

01:16:12,810 --> 01:16:10,450

future ce-5 events his group was not

1596

01:16:15,360 --> 01:16:12,820

going to be fired upon because what

1597

01:16:17,310 --> 01:16:15,370

happens is when the UFOs come out of

1598

01:16:20,580 --> 01:16:17,320

their higher dimension into our physical

1599

01:16:21,859 --> 01:16:20,590

dimension that's when they're visible on

1600

01:16:25,640 --> 01:16:21,869

radar to the military

1601
01:16:30,680 --> 01:16:25,650
and so all these events that had these

1602
01:16:32,080 --> 01:16:30,690
successful ce-5 contacts the military

1603
01:16:36,879 --> 01:16:32,090
jets would show up right away

1604
01:16:39,080 --> 01:16:36,889
so it's it's during the transaction of

1605
01:16:41,600 --> 01:16:39,090
coming out of the higher dimension in

1606
01:16:43,820 --> 01:16:41,610
two hours once they've settled in two

1607
01:16:46,040 --> 01:16:43,830
hours can they still be picked up on

1608
01:16:50,270 --> 01:16:46,050
radar yes that's when they're vulnerable

1609
01:16:52,609 --> 01:16:50,280
and but they're but they're in what the

1610
01:16:54,919 --> 01:16:52,619
extraterrestrials are encouraging this

1611
01:16:56,089 --> 01:16:54,929
type of contact because they don't want

1612
01:16:56,930 --> 01:16:56,099
to meet with the president they don't

1613
01:16:58,490 --> 01:16:56,940

want to meet with members of Congress

1614

01:17:00,830 --> 01:16:58,500

they don't want to meet with the UN they

1615

01:17:03,020 --> 01:17:00,840

want to they want the people to have the

1616

01:17:04,850 --> 01:17:03,030

understanding that it's the people that

1617

01:17:09,140 --> 01:17:04,860

they're here for not not the leaders

1618

01:17:12,169 --> 01:17:09,150

that are going to you know lie about

1619

01:17:14,660 --> 01:17:12,179

their existence or create a false flag

1620

01:17:16,070 --> 01:17:14,670

event that's stored them what are they

1621

01:17:17,870 --> 01:17:16,080

what are they waiting for and other

1622

01:17:18,770 --> 01:17:17,880

questions asked all the time but what

1623

01:17:21,830 --> 01:17:18,780

are they waiting for

1624

01:17:23,750 --> 01:17:21,840

I'm not an interstellar I'm not in

1625

01:17:25,820 --> 01:17:23,760

communication with them sonken I could

1626

01:17:28,970 --> 01:17:25,830

only venture a guess that dr. Greer is

1627

01:17:31,550 --> 01:17:28,980

certainly better adapted and qualified

1628

01:17:33,410 --> 01:17:31,560

to answer that than I can but but you

1629

01:17:36,919 --> 01:17:33,420

believe that their intentions are are

1630

01:17:38,510 --> 01:17:36,929

good totally peaceful but they're again

1631

01:17:40,850 --> 01:17:38,520

they're not going to allow us to destroy

1632

01:17:43,580 --> 01:17:40,860

this planet and we are on course to

1633

01:17:44,780 --> 01:17:43,590

destroy this planet I mean we have like

1634

01:17:47,830 --> 01:17:44,790

we started out in the beginning of the

1635

01:17:49,879 --> 01:17:47,840

proto we have a president it was it was

1636

01:17:51,800 --> 01:17:49,889

elected on the promise that he's going

1637

01:17:53,419 --> 01:17:51,810

to bring call back well this why don't

1638

01:17:55,490 --> 01:17:53,429

we bring typewriters back to instead of

1639

01:17:58,839 --> 01:17:55,500

the internet you know why don't we bring

1640

01:18:01,430 --> 01:17:58,849

black Hawaii TV sets back instead of

1641

01:18:04,300 --> 01:18:01,440

flat-screen television it's ridiculous

1642

01:18:10,910 --> 01:18:04,310

but it's also harmful to our planet and

1643

01:18:13,970 --> 01:18:10,920

we cannot allow that to happen sure if I

1644

01:18:15,669 --> 01:18:13,980

if you could just very briefly because I

1645

01:18:19,669 --> 01:18:15,679

never like to make the assumption that

1646

01:18:22,250 --> 01:18:19,679

everybody knows everything in this field

1647

01:18:27,229 --> 01:18:22,260

of conversation so if you could briefly

1648

01:18:32,330 --> 01:18:27,239

describe what magic is the mj-12

1649

01:18:34,939 --> 01:18:32,340

originally and what that is well Matt

1650

01:18:35,180 --> 01:18:34,949

majestic 12 was the original group that

1651

01:18:38,870 --> 01:18:35,190

was

1652

01:18:42,400 --> 01:18:38,880

together twelve people uh many of them

1653

01:18:45,110 --> 01:18:42,410

on the part of the Manhattan Project uh

1654

01:18:48,830 --> 01:18:45,120

that were put together to basically

1655

01:18:50,900 --> 01:18:48,840

investigate and and and begin setting up

1656

01:18:55,040 --> 01:18:50,910

the process of reverse engineering these

1657

01:18:57,439 --> 01:18:55,050

craft that were down by these scalar

1658

01:19:00,380 --> 01:18:57,449

weapons the first scale weapons user in

1659

01:19:02,780 --> 01:19:00,390

Roswell and over the years that name of

1660

01:19:06,770 --> 01:19:02,790

majestic 12 has changed from mg 12

1661

01:19:09,290 --> 01:19:06,780

majestic off to seek or to P i-40 and

1662

01:19:12,500 --> 01:19:09,300

these days we refer to this entity is

1663

01:19:14,959 --> 01:19:12,510

Maj I which stands for the majority

1664

01:19:17,330 --> 01:19:14,969

intelligence committee this was all

1665

01:19:20,450 --> 01:19:17,340

information given to me through dr.

1666

01:19:22,700 --> 01:19:20,460

Greer from his contacts we have are

1667

01:19:25,810 --> 01:19:22,710

there any um documents with a new

1668

01:19:33,530 --> 01:19:25,820

labeling on there rather than you know

1669

01:19:35,120 --> 01:19:33,540

magic twelve um again I'm dr. gurus

1670

01:19:37,459 --> 01:19:35,130

better off answering that question not I

1671

01:19:41,479 --> 01:19:37,469

I can't recall specifically if there are

1672

01:19:43,459 --> 01:19:41,489

but um dr. Greer has a number of dozens

1673

01:19:44,750 --> 01:19:43,469

and dozens hundreds of documents in its

1674

01:19:49,150 --> 01:19:44,760

position that were given to him by

1675

01:19:52,900 --> 01:19:49,160

contacts in and outside of imagine

1676

01:19:55,430 --> 01:19:52,910

including a document that basically

1677

01:19:59,060 --> 01:19:55,440

listed locations of the subterranean

1678

01:20:01,760 --> 01:19:59,070

bases which the document is listed in

1679

01:20:06,880 --> 01:20:01,770

both unacknowledged and undisclosed it's

1680

01:20:06,890 --> 01:20:10,440

okay um

1681

01:20:19,540 --> 01:20:14,740

NASA I spent a lot of time exploring

1682

01:20:21,670 --> 01:20:19,550

whether there is you know life off of

1683

01:20:24,550 --> 01:20:21,680

Earth and I feel like if we could

1684

01:20:29,020 --> 01:20:24,560

actually prove that there is you know

1685

01:20:31,840 --> 01:20:29,030

life off of Earth you know remove any

1686

01:20:36,550 --> 01:20:31,850

doubt that there's you know exobiology

1687

01:20:38,680 --> 01:20:36,560

then maybe the greater culture and even

1688

01:20:41,740 --> 01:20:38,690

the scientific community would be one

1689

01:20:45,930 --> 01:20:41,750

step closer to being able to accept that

1690

01:20:49,870 --> 01:20:45,940

we are being visited and then I think

1691

01:20:54,310 --> 01:20:49,880

well what if NASA had streamlined all of

1692

01:20:56,860 --> 01:20:54,320

their efforts into one singular goal and

1693

01:20:59,680 --> 01:20:56,870

being lets us confirm once and for all

1694

01:21:04,930 --> 01:20:59,690

if there is life on Mars or another body

1695

01:21:06,730 --> 01:21:04,940

and a source and once and for all they

1696

01:21:09,820 --> 01:21:06,740

probably could have done that I would

1697

01:21:11,440 --> 01:21:09,830

think instead of you know spending money

1698

01:21:13,000 --> 01:21:11,450

here for this and I'm glad that they're

1699

01:21:15,130 --> 01:21:13,010

doing the work that they're doing with

1700

01:21:16,660 --> 01:21:15,140

the budget that they have but I feel

1701

01:21:19,000 --> 01:21:16,670

like instead of sending a satellite here

1702

01:21:21,400 --> 01:21:19,010

satellite their study here small thing

1703

01:21:23,350 --> 01:21:21,410

here what if they focus all their energy

1704

01:21:25,150 --> 01:21:23,360

money on just that one question let's

1705

01:21:26,950 --> 01:21:25,160

find out once and for all do you think

1706

01:21:29,440 --> 01:21:26,960

that there's a reason they're not doing

1707

01:21:32,620 --> 01:21:29,450

that absolutely and the reason is

1708

01:21:34,810 --> 01:21:32,630

because giant lies giant hypocrisy NASA

1709

01:21:36,100 --> 01:21:34,820

knows that these things in distance the

1710

01:21:37,780 --> 01:21:36,110

astronauts know that these life-forms

1711

01:21:40,450 --> 01:21:37,790

just because there's moon bases on the

1712

01:21:41,800 --> 01:21:40,460

dark side of the moon and when I would

1713

01:21:44,110 --> 01:21:41,810

have given this information I was

1714

01:21:46,600 --> 01:21:44,120

shocked by it because I believe the NASA

1715

01:21:48,670 --> 01:21:46,610

is good and asked is pure NASA it's not

1716

01:21:51,340 --> 01:21:48,680

evil NASA's a scientific body but in

1717

01:21:52,750 --> 01:21:51,350

fact as dr. Greer reppin points out NASA

1718

01:21:54,100 --> 01:21:52,760

was created because we were in

1719

01:21:57,730 --> 01:21:54,110

competition with the Russians the

1720

01:21:59,290 --> 01:21:57,740

Communists and and he Jack you know

1721

01:22:01,990 --> 01:21:59,300

challenged us in the best way possible

1722

01:22:04,510 --> 01:22:02,000

but to put him be the first country to

1723

01:22:06,100 --> 01:22:04,520

put a man on the moon well it was a it

1724

01:22:08,410 --> 01:22:06,110

was you know us against the

1725

01:22:10,420 --> 01:22:08,420

quote-unquote evil empire who had just

1726

01:22:13,870 --> 01:22:10,430

launched Sputnik and we were falling

1727

01:22:15,580 --> 01:22:13,880

behind this NASA the the putting of a

1728

01:22:17,920 --> 01:22:15,590

man over there was more of a military

1729

01:22:21,190 --> 01:22:17,930

operation that it was anything else and

1730

01:22:23,280 --> 01:22:21,200

so that in the military goes straight

1731

01:22:27,690 --> 01:22:23,290

against what these interstellar 's

1732

01:22:34,380 --> 01:22:27,700

to do on and when a NASA knew that there

1733

01:22:36,420 --> 01:22:34,390

were these structures on the dark side

1734

01:22:38,910 --> 01:22:36,430

of the moon on the far side Linoone

1735

01:22:40,740 --> 01:22:38,920

because they photographed them of course

1736

01:22:43,590 --> 01:22:40,750

they didn't making public knowledge but

1737

01:22:45,060 --> 01:22:43,600

when they prepared for the Auto 11

1738

01:22:46,980 --> 01:22:45,070

mission one of the reasons that they

1739

01:22:48,270 --> 01:22:46,990

prepared was that they knew that there

1740

01:22:49,710 --> 01:22:48,280

was a very good chance that these

1741

01:22:53,700 --> 01:22:49,720

interstellar should be there to greet us

1742

01:22:57,960 --> 01:22:53,710

and not necessarily in a kind way so

1743

01:23:02,120 --> 01:22:57,970

that they they sort of set up the role

1744

01:23:06,300 --> 01:23:02,130

in a studio I believe it was in New York

1745

01:23:08,940 --> 01:23:06,310

that would they be able to cut to in

1746

01:23:11,250 --> 01:23:08,950

case these interstellar you know there

1747

01:23:14,310 --> 01:23:11,260

was a delay in the transmission from the

1748

01:23:16,590 --> 01:23:14,320

moon back to earth so that they gave

1749

01:23:19,290 --> 01:23:16,600

that give the people an acid time to

1750

01:23:24,750 --> 01:23:19,300

switch over in case these interstellar

1751

01:23:27,840 --> 01:23:24,760

Sapir Don the auto astronauts video and

1752

01:23:31,290 --> 01:23:27,850

so when Buzz Aldrin and Neil Armstrong

1753

01:23:33,570 --> 01:23:31,300

landed there they were and there's

1754

01:23:36,870 --> 01:23:33,580

actually an excerpt there's actually a

1755

01:23:39,990 --> 01:23:36,880

scene taken from Apollo 11 on the moon

1756

01:23:42,690 --> 01:23:40,000

that doesn't jive with the rest of the

1757

01:23:44,490 --> 01:23:42,700

scene where they cut to the flag the

1758

01:23:49,320 --> 01:23:44,500

American flag only the American flag is

1759

01:23:51,360 --> 01:23:49,330

moving was no air on the one moon so how

1760

01:23:53,720 --> 01:23:51,370

is it moving and that's what sort of

1761

01:23:56,790 --> 01:23:53,730

gave me conspiracy theorists they're

1762

01:24:00,060 --> 01:23:56,800

they're raw the red meat to go after

1763

01:24:01,620 --> 01:24:00,070

this claim that there was no moon

1764

01:24:04,350 --> 01:24:01,630

landing there was a moon landing

1765

01:24:06,930 --> 01:24:04,360

but they were there was there was also a

1766

01:24:10,470 --> 01:24:06,940

cut to segment of the flag that was not

1767

01:24:16,610 --> 01:24:10,480

one that was taken from b-roll that have

1768

01:24:22,020 --> 01:24:19,500

well the astronauts were worn basically

1769

01:24:24,600 --> 01:24:22,030

given a briefing that if they discussed

1770

01:24:26,930 --> 01:24:24,610

any of these things that they would end

1771

01:24:29,010 --> 01:24:26,940

up dead and so with their families so

1772

01:24:32,310 --> 01:24:29,020

has the Granite's weren't too happy

1773

01:24:35,380 --> 01:24:32,320

about that and so and a few of the

1774

01:24:37,850 --> 01:24:35,390

astronauts have talked to Greer and

1775

01:24:40,060 --> 01:24:37,860

some of them have passed away since then

1776

01:24:43,820 --> 01:24:40,070

and some of them are still alive but um

1777

01:24:47,060 --> 01:24:43,830

but but they are eyewitnesses to the

1778

01:24:50,030 --> 01:24:47,070

fact that that these extraterrestrials

1779

01:24:54,170 --> 01:24:50,040

these interstellar are there now the

1780

01:24:57,500 --> 01:24:54,180

other thing about this is that um groups

1781

01:25:00,410 --> 01:24:57,510

like skunk works are working on reverse

1782

01:25:01,970 --> 01:25:00,420

engineered ships like these ARVs that we

1783

01:25:05,450 --> 01:25:01,980

talked about before alien reproduction

1784

01:25:07,280 --> 01:25:05,460

fievel's that can go beyond the speed of

1785

01:25:09,380 --> 01:25:07,290

light that can travel across the galaxy

1786

01:25:11,750 --> 01:25:09,390

in fact like I said the skunk works kind

1787

01:25:14,210 --> 01:25:11,760

of skunk works was quoted as saying we

1788

01:25:16,130 --> 01:25:14,220

now have the ability to take e.t home so

1789

01:25:17,930 --> 01:25:16,140

you have a big hypocrisy going on you

1790

01:25:21,740 --> 01:25:17,940

have NASA that is basically working with

1791

01:25:25,010 --> 01:25:21,750

the technology of a bomb strapped to a

1792

01:25:27,770 --> 01:25:25,020

ship and two of these bombs have gone

1793

01:25:30,770 --> 01:25:27,780

off in in space shuttles that were

1794

01:25:32,690 --> 01:25:30,780

destroyed that is we shouldn't be using

1795

01:25:36,830 --> 01:25:32,700

that technology it's like using a horse

1796

01:25:39,740 --> 01:25:36,840

and buggy as opposed to a stealth bomber

1797

01:25:41,720 --> 01:25:39,750

to travel through I mean we have the

1798

01:25:43,280 --> 01:25:41,730

technology and skunk works but NASA is

1799

01:25:46,130 --> 01:25:43,290

in the lab to use that technology and

1800

01:25:48,260 --> 01:25:46,140

they know it exists but that bakra see

1801
01:25:51,350 --> 01:25:48,270
is you don't allowed to talk about it I

1802
01:25:53,480 --> 01:25:51,360
mean you know and it's not all NASA must

1803
01:25:56,270 --> 01:25:53,490
exist but certain members of NASA must

1804
01:25:58,190 --> 01:25:56,280
exist and certainly the skunk works

1805
01:26:00,080 --> 01:25:58,200
people know that these things exist and

1806
01:26:01,730 --> 01:26:00,090
they and the people that are working at

1807
01:26:04,970 --> 01:26:01,740
Maggie that are scientists that are

1808
01:26:09,950 --> 01:26:04,980
rocket scientists that are involved in

1809
01:26:13,010 --> 01:26:09,960
building these day RVs they know it

1810
01:26:15,440 --> 01:26:13,020
exists as well so we just know how many

1811
01:26:17,750 --> 01:26:15,450
of those you know everyday NASA

1812
01:26:20,030 --> 01:26:17,760
scientists that clock in and out of work

1813
01:26:21,830 --> 01:26:20,040

how many of them know about the truth do

1814

01:26:24,500 --> 01:26:21,840

that if you could guess I mean because

1815

01:26:25,820 --> 01:26:24,510

they can't possibly all know because I

1816

01:26:29,510 --> 01:26:25,830

would think you'd get some serious

1817

01:26:31,760 --> 01:26:29,520

leakage no no it's it's a very small few

1818

01:26:33,050 --> 01:26:31,770

I'm sure but they're certainly the

1819

01:26:37,040 --> 01:26:33,060

people that work on the Apollo 11

1820

01:26:38,540 --> 01:26:37,050

project and had it pick up landing spots

1821

01:26:40,220 --> 01:26:38,550

on the moon they know about it because

1822

01:26:42,250 --> 01:26:40,230

they were given the photographs of the

1823

01:26:44,589 --> 01:26:42,260

moon on all sides

1824

01:26:46,720 --> 01:26:44,599

and they retail destruction and some of

1825

01:26:49,149 --> 01:26:46,730

the eyewitnesses that dr. Greer has put

1826
01:26:51,189 --> 01:26:49,159
together for unacknowledged and the

1827
01:26:55,390 --> 01:26:51,199
information transferred into undisclosed

1828
01:26:58,770 --> 01:26:55,400
the thriller or eyewitnesses who worked

1829
01:27:03,520 --> 01:26:58,780
in the foot photography section of these

1830
01:27:06,430 --> 01:27:03,530
AB Nessa and and under threat of her

1831
01:27:08,140 --> 01:27:06,440
life were told not discuss it and some

1832
01:27:12,339 --> 01:27:08,150
of them ended up missing because they

1833
01:27:13,930 --> 01:27:12,349
did this cousin they saw the photos

1834
01:27:18,339 --> 01:27:13,940
themselves of these structures on the

1835
01:27:20,759 --> 01:27:18,349
moon and we also have if former

1836
01:27:26,939 --> 01:27:20,769
astronauts that have have come out and

1837
01:27:29,890 --> 01:27:26,949
said that yeah alien life does exist and

1838
01:27:31,839 --> 01:27:29,900

you would think that news media's will

1839

01:27:35,399 --> 01:27:31,849

be flipping head over heels cover this

1840

01:27:38,709 --> 01:27:35,409

story when astronauts come out and speak

1841

01:27:41,140 --> 01:27:38,719

like this and yet and yet so little

1842

01:27:44,770 --> 01:27:41,150

occurs I just can't believe it it's

1843

01:27:47,560 --> 01:27:44,780

astounding well this goes to another

1844

01:27:49,870 --> 01:27:47,570

section of dr. Carew's Vulcan and that's

1845

01:27:52,240 --> 01:27:49,880

also woven into the storyline of my book

1846

01:27:54,729 --> 01:27:52,250

undisclosed which is that the mainstream

1847

01:27:57,910 --> 01:27:54,739

media that the media is under the

1848

01:28:00,100 --> 01:27:57,920

control of the CIA I mean this is CIA

1849

01:28:02,379 --> 01:28:00,110

and the intelligence agencies basically

1850

01:28:04,959 --> 01:28:02,389

decide what information is disseminated

1851
01:28:06,220 --> 01:28:04,969
to the public and they're not going to

1852
01:28:07,720 --> 01:28:06,230
be able to come out with a story that

1853
01:28:08,919 --> 01:28:07,730
structures is just on the moon because

1854
01:28:11,140 --> 01:28:08,929
they're just not going to be allowed to

1855
01:28:13,930 --> 01:28:11,150
do that and you could have Woodward and

1856
01:28:15,250 --> 01:28:13,940
Bernstein on it and they could say well

1857
01:28:16,290 --> 01:28:15,260
I looked through a telescope but there

1858
01:28:18,250 --> 01:28:16,300
was a structure and there was

1859
01:28:21,189 --> 01:28:18,260
extraterrestrial ships that were flying

1860
01:28:22,779 --> 01:28:21,199
out into space from the moon and we have

1861
01:28:24,580 --> 01:28:22,789
it which actually but if you're not

1862
01:28:26,470 --> 01:28:24,590
going to find it on Fox News or CNN or

1863
01:28:29,819 --> 01:28:26,480

MSNBC because they're not going to be

1864

01:28:38,560 --> 01:28:34,629

because they are controlled or just

1865

01:28:41,229 --> 01:28:38,570

because they are feared afraid of the

1866

01:28:43,060 --> 01:28:41,239

the embarrassment factor and ridicule

1867

01:28:46,029 --> 01:28:43,070

because the majority intelligence

1868

01:28:47,950 --> 01:28:46,039

committee that sit that members of CIA

1869

01:28:48,790 --> 01:28:47,960

sit on the majority intelligence

1870

01:28:50,049 --> 01:28:48,800

committee aren't allowed that

1871

01:28:53,560 --> 01:28:50,059

information to be disseminated to the

1872

01:28:56,200 --> 01:28:53,570

public and that's why will it look

1873

01:28:58,300 --> 01:28:56,210

I'm sorry well let's just say let's just

1874

01:29:01,360 --> 01:28:58,310

say you I mean I'm totally making this

1875

01:29:05,110 --> 01:29:01,370

up but let's just say a mainstream

1876

01:29:07,740 --> 01:29:05,120

well-known famous reporter you know digs

1877

01:29:10,990 --> 01:29:07,750

their teeth into this and says you know

1878

01:29:13,020 --> 01:29:11,000

enough is enough I'm going to post

1879

01:29:18,240 --> 01:29:13,030

something on my own on my own website

1880

01:29:22,690 --> 01:29:18,250

about this issue you would think that

1881

01:29:28,240 --> 01:29:22,700

that would work would anything like that

1882

01:29:30,220 --> 01:29:28,250

ever happen well we have to get the

1883

01:29:31,870 --> 01:29:30,230

information across to the masses like I

1884

01:29:34,300 --> 01:29:31,880

said throughout this program because

1885

01:29:36,310 --> 01:29:34,310

that's what gives the strenght to the

1886

01:29:39,370 --> 01:29:36,320

individual who has the guts to do

1887

01:29:41,490 --> 01:29:39,380

something like that but dr. Greer was

1888

01:29:43,630 --> 01:29:41,500

invited on 60 minutes there was a group

1889

01:29:46,960 --> 01:29:43,640

reporter for 60 minutes wanted to cover

1890

01:29:50,290 --> 01:29:46,970

it and of course that never happened

1891

01:29:52,330 --> 01:29:50,300

because the powers that run be that run

1892

01:29:56,070 --> 01:29:52,340

60 minutes that you're not going to

1893

01:30:00,810 --> 01:29:56,080

report that and if you got a problem I

1894

01:30:03,040 --> 01:30:00,820

say hi to bed yeah I I guess I just

1895

01:30:05,080 --> 01:30:03,050

think that you know what if someone a

1896

01:30:06,520 --> 01:30:05,090

retired Tom Brokaw or somebody said look

1897

01:30:09,310 --> 01:30:06,530

I'm done I'm retired

1898

01:30:12,220 --> 01:30:09,320

I've spent time in this field and I'm

1899

01:30:15,940 --> 01:30:12,230

going to do my own segment on it and try

1900

01:30:19,240 --> 01:30:15,950

to legitimize it maybe something like

1901

01:30:20,980 --> 01:30:19,250

that would work but I was something like

1902

01:30:23,800 --> 01:30:20,990

that would work Tom Brokaw on the

1903

01:30:25,930 --> 01:30:23,810

airwaves but he doesn't and that if he

1904

01:30:30,070 --> 01:30:25,940

just did a video blog it probably

1905

01:30:31,570 --> 01:30:30,080

wouldn't write well that would work for

1906

01:30:32,800 --> 01:30:31,580

the people who watched his video blog

1907

01:30:35,380 --> 01:30:32,810

with how are you going to get attention

1908

01:30:37,630 --> 01:30:35,390

to it I mean yeah to get those massive

1909

01:30:40,540 --> 01:30:37,640

millions of people and this is and this

1910

01:30:41,890 --> 01:30:40,550

is why doctor crew night the night that

1911

01:30:44,650 --> 01:30:41,900

dr. Kerr and I first met back in

1912

01:30:46,750 --> 01:30:44,660

December of 2013 this is what we

1913

01:30:48,490 --> 01:30:46,760

discussed and he went around you know I

1914

01:30:50,740 --> 01:30:48,500

said the same things that you did over

1915

01:30:53,860 --> 01:30:50,750

and over on so you're not alone in this

1916

01:30:55,960 --> 01:30:53,870

I had been what Mike Wallace coverable

1917

01:30:58,600 --> 01:30:55,970

what it's this guy covered what if CNN

1918

01:31:00,040 --> 01:30:58,610

covered it and dr. Greer patiently said

1919

01:31:02,680 --> 01:31:00,050

it's not going to happen we've already

1920

01:31:04,750 --> 01:31:02,690

tried and so I said well that and that's

1921

01:31:05,419 --> 01:31:04,760

what I've made it's just well let me

1922

01:31:08,360 --> 01:31:05,429

write up

1923

01:31:10,070 --> 01:31:08,370

it's fiction because if the informations

1924

01:31:11,570 --> 01:31:10,080

tucked in a nice Trojan horse that

1925

01:31:13,340 --> 01:31:11,580

becomes a New York Times bestseller

1926

01:31:14,330 --> 01:31:13,350

underneath emotional picture that's

1927

01:31:17,240 --> 01:31:14,340

where we're going to get the information

1928

01:31:19,209 --> 01:31:17,250

out because if it's fiction they're not

1929

01:31:21,830 --> 01:31:19,219

going to be interested in stopping it

1930

01:31:24,500 --> 01:31:21,840

but we of course we wrote both will to

1931

01:31:27,500 --> 01:31:24,510

birth his book end and he gave me the

1932

01:31:29,450 --> 01:31:27,510

information to write mine yeah as well

1933

01:31:31,939 --> 01:31:29,460

as the documentary unacknowledged which

1934

01:31:34,939 --> 01:31:31,949

is put together by Sony the orchards

1935

01:31:37,220 --> 01:31:34,949

what yeah unacknowledged you can now

1936

01:31:40,100 --> 01:31:37,230

it's now available to rent and to

1937

01:31:42,410 --> 01:31:40,110

purchase online I know in iTunes Amazon

1938

01:31:44,570 --> 01:31:42,420

right and some other places as well and

1939

01:31:46,250 --> 01:31:44,580

it was number one on iTunes it's been

1940

01:31:48,740 --> 01:31:46,260

number one I think five out of the six

1941

01:31:51,919 --> 01:31:48,750

weeks which is impressive not there is

1942

01:31:54,950 --> 01:31:51,929

more to me Queen Yara of elf guard than

1943

01:31:56,600 --> 01:31:54,960

my elven magic just as there's more to

1944

01:31:59,479 --> 01:31:56,610

Geico than saving you money

1945

01:32:02,479 --> 01:31:59,489

Geico also gives you 24/7 access to

1946

01:32:05,570 --> 01:32:02,489

licensed agents online on the phone or

1947

01:32:08,390 --> 01:32:05,580

on the Geico app and while I am a mighty

1948

01:32:13,550 --> 01:32:08,400

elf queen I am also a mighty big fan of

1949

01:32:17,149 --> 01:32:13,560

barbecue potato chips minions more smoky

1950

01:32:20,209 --> 01:32:17,159

mesquite Geico expect great savings and

1951

01:32:21,979 --> 01:32:20,219

a whole lot more so um so is that the

1952

01:32:24,080 --> 01:32:21,989

public doesn't want this information

1953

01:32:25,610 --> 01:32:24,090

probably does want the truth and we just

1954

01:32:27,919 --> 01:32:25,620

have to point over to the where the

1955

01:32:31,820 --> 01:32:27,929

truth is available in the documentary oh

1956

01:32:34,729 --> 01:32:31,830

yeah two books and what one of the

1957

01:32:36,620 --> 01:32:34,739

wonderful things about this is that the

1958

01:32:39,140 --> 01:32:36,630

publisher ain't and publishing which I'm

1959

01:32:41,570 --> 01:32:39,150

one of the owners of that's how we were

1960

01:32:43,160 --> 01:32:41,580

able to make this happen because I told

1961

01:32:43,580 --> 01:32:43,170

dr. career listen I'll open a publishing

1962

01:32:45,200 --> 01:32:43,590

company

1963

01:32:46,790 --> 01:32:45,210

with some partners and we'll put the

1964

01:32:48,350 --> 01:32:46,800

book out just the way you want it you

1965

01:32:49,640 --> 01:32:48,360

approve everything because it was

1966

01:32:50,750 --> 01:32:49,650

regular publishing house you wouldn't be

1967

01:32:51,979 --> 01:32:50,760

able to do it that's why it's never

1968

01:32:53,870 --> 01:32:51,989

until the regular publishing house

1969

01:32:56,479 --> 01:32:53,880

that's why his books have never been in

1970

01:33:00,010 --> 01:32:56,489

Barnes Noble up until now and his book

1971

01:33:03,790 --> 01:33:00,020

was the number four most spoken demand a

1972

01:33:05,899 --> 01:33:03,800

couple weeks ago by Ingram's bestsellers

1973

01:33:07,610 --> 01:33:05,909

which means that the public once he

1974

01:33:09,830 --> 01:33:07,620

wants the book now they got to go buy

1975

01:33:12,800 --> 01:33:09,840

yeah yeah there's there's definitely a

1976

01:33:14,840 --> 01:33:12,810

momentum going on here right if the book

1977

01:33:17,060 --> 01:33:14,850

is out there in stores which it is and

1978

01:33:19,280 --> 01:33:17,070

you don't buy it and they're just going

1979

01:33:21,500 --> 01:33:19,290

to be returned without anybody reading

1980

01:33:23,630 --> 01:33:21,510

and then the mission fails the public

1981

01:33:25,790 --> 01:33:23,640

awareness fails so for those people

1982

01:33:29,630 --> 01:33:25,800

listing out there if you want to do

1983

01:33:31,100 --> 01:33:29,640

something invest \$25 in one book and \$27

1984

01:33:32,810 --> 01:33:31,110

in the other body on this quiz another

1985

01:33:35,780 --> 01:33:32,820

knowledge it's available Barnes and

1986

01:33:37,070 --> 01:33:35,790

Noble and Amazon folks a million because

1987

01:33:38,240 --> 01:33:37,080

week

2004
01:34:21,130 --> 01:34:09,840
that's I underscore R underscore n and

2005
01:35:04,199 --> 01:34:54,890
you

2006
01:35:09,790 --> 01:35:07,959

2007
01:35:11,799 --> 01:35:09,800
taking us out of the second break

2008
01:35:13,989 --> 01:35:11,809
tonight was morphing through time by

2009
01:35:17,049 --> 01:35:13,999
enigma and just now taking us out of the

2010
01:35:19,060 --> 01:35:17,059
break was amber by 311 if you're just

2011
01:35:23,919 --> 01:35:19,070
tuning in we're speaking with author

2012
01:35:26,830 --> 01:35:23,929
Steve Alton Steve you have a book your

2013
01:35:30,549 --> 01:35:26,840

first book right Emmy G coming out as a

2014

01:35:33,129 --> 01:35:30,559

movie soon yeah meg is short for

2015

01:35:34,719 --> 01:35:33,139

carcharodon [h__h] on which was the

2016

01:35:37,060 --> 01:35:34,729

prehistoric cousin of the great white

2017

01:35:43,779 --> 01:35:37,070

shark 70 feet long 100 thousand pounds

2018

01:35:45,430 --> 01:35:43,789

and I actually wrote Meg back in 1995 it

2019

01:35:48,759 --> 01:35:45,440

was optioned as a movie before the book

2020

01:35:52,689 --> 01:35:48,769

even came out and we've been through 23

2021

01:35:57,279 --> 01:35:52,699

20 years of being left at the altar but

2022

01:36:00,089 --> 01:35:57,289

finally I producer Belle Avery and her

2023

01:36:02,259 --> 01:36:00,099

partners in China financed the movie

2024

01:36:04,719 --> 01:36:02,269

hundred fifty million dollar budget and

2025

01:36:06,879 --> 01:36:04,729

Warner Brothers joined on and so it's

2026

01:36:11,319 --> 01:36:06,889

they filled it it's starring Jason

2027

01:36:14,589 --> 01:36:11,329

Statham Ruby Rose Bing Bing Lee and an

2028

01:36:19,209 --> 01:36:14,599

international cast and it will be out on

2029

01:36:22,750 --> 01:36:19,219

August 10th 2018 that's pretty cool are

2030

01:36:26,229 --> 01:36:22,760

you excited I am I'm very excited about

2031

01:36:27,699 --> 01:36:26,239

it um but it sort of segues nicely into

2032

01:36:31,049 --> 01:36:27,709

what we were talking about at the break

2033

01:36:33,339 --> 01:36:31,059

and what what the game plan is for

2034

01:36:35,969 --> 01:36:33,349

getting this information out there about

2035

01:36:39,069 --> 01:36:35,979

UFOs and extraterrestrials and and

2036

01:36:41,649 --> 01:36:39,079

stopping this false flag of it but most

2037

01:36:44,319 --> 01:36:41,659

important getting zero-point energy out

2038

01:36:47,640 --> 01:36:44,329

to the public so that we can there's

2039

01:36:56,649 --> 01:36:51,009

yeah I think that would be one of the

2040

01:37:00,549 --> 01:36:56,659

highest cause if there is one so what

2041

01:37:04,299 --> 01:37:00,559

are you gonna what are you going to do

2042

01:37:08,379 --> 01:37:04,309

as far as helping to increase the the

2043

01:37:12,699 --> 01:37:08,389

communication with a higher self or

2044

01:37:15,189 --> 01:37:12,709

these other beings other than writing

2045

01:37:17,740 --> 01:37:15,199

the book and you know Co editing the

2046

01:37:21,729 --> 01:37:17,750

book and the documentary that's come out

2047

01:37:24,400 --> 01:37:21,739

you spoke of earlier perhaps us

2048

01:37:26,170 --> 01:37:24,410

meditating trying to reach your

2049

01:37:30,190 --> 01:37:26,180

consciousness higher so that it could

2050

01:37:32,560 --> 01:37:30,200

contact these higher intelligences as

2051
01:37:36,430 --> 01:37:32,570
the art is there more than that that we

2052
01:37:37,840 --> 01:37:36,440
can do yes absolutely seg5 training is

2053
01:37:38,950 --> 01:37:37,850
something that a lot of people will be

2054
01:37:40,780 --> 01:37:38,960
interested in and they can get

2055
01:37:45,190 --> 01:37:40,790
information about that from dr. careers

2056
01:37:50,680 --> 01:37:45,200
website WWC aureus disclosure comelet's

2057
01:37:51,940 --> 01:37:50,690
SI RI u.s. disclosure calm and it's very

2058
01:37:54,310 --> 01:37:51,950
important that you sign up for his

2059
01:37:56,080 --> 01:37:54,320
newsletter and that way you'll get

2060
01:37:58,350 --> 01:37:56,090
information on whence the e v training

2061
01:38:01,810 --> 01:37:58,360
is coming to your neck of the woods uh

2062
01:38:05,260 --> 01:38:01,820
that's another thing that that Cubans

2063
01:38:07,690 --> 01:38:05,270

can do to help bridge the communication

2064

01:38:10,990 --> 01:38:07,700

between our interstellar brothers and

2065

01:38:12,130 --> 01:38:11,000

our rate but but just as important is

2066

01:38:15,220 --> 01:38:12,140

getting the information out about

2067

01:38:16,900 --> 01:38:15,230

zero-point energy and the whole history

2068

01:38:18,640 --> 01:38:16,910

of extraterrestrials and what's going on

2069

01:38:20,800 --> 01:38:18,650

out there the things we discussed

2070

01:38:22,360 --> 01:38:20,810

tonight because the game-playing a dr.

2071

01:38:25,060 --> 01:38:22,370

Greene I came out with which is very

2072

01:38:26,890 --> 01:38:25,070

important is that you know how do you

2073

01:38:28,150 --> 01:38:26,900

penetrate how do you get through the

2074

01:38:30,790 --> 01:38:28,160

gauntlet how do you get through the

2075

01:38:32,050 --> 01:38:30,800

gauntlet of that the major the

2076

01:38:34,630 --> 01:38:32,060

mainstream media is not going to allow

2077

01:38:36,430 --> 01:38:34,640

us information on how do you get through

2078

01:38:38,670 --> 01:38:36,440

the gauntlet of getting to the public

2079

01:38:41,170 --> 01:38:38,680

that convinces them that UFOs are real

2080

01:38:42,520 --> 01:38:41,180

that extraterrestrials are out there

2081

01:38:45,100 --> 01:38:42,530

that they have our best interests at

2082

01:38:46,660 --> 01:38:45,110

heart and that we really need to change

2083

01:38:49,479 --> 01:38:46,670

our world how do you get that

2084

01:38:50,920 --> 01:38:49,489

information out there well we have two

2085

01:38:53,080 --> 01:38:50,930

books and they're really good books

2086

01:38:55,180 --> 01:38:53,090

heart bags one is unacknowledged that

2087

01:38:56,560 --> 01:38:55,190

came out in April and the other is my

2088

01:38:59,229 --> 01:38:56,570

book I'm disclosed that just came out

2089

01:39:00,940 --> 01:38:59,239

last week and they both tell the same

2090

01:39:02,770 --> 01:39:00,950

tale in different ways one tells it

2091

01:39:05,020 --> 01:39:02,780

straight forward at a nonfiction style

2092

01:39:07,420 --> 01:39:05,030

and the other tells it through the story

2093

01:39:10,840 --> 01:39:07,430

a storyline its fictional thriller that

2094

01:39:12,640 --> 01:39:10,850

keeps people turning pages and if the

2095

01:39:17,140 --> 01:39:12,650

people listening to this program tonight

2096

01:39:19,150 --> 01:39:17,150

did two things one they bought a copy of

2097

01:39:21,910 --> 01:39:19,160

each book which would cost them less

2098

01:39:24,850 --> 01:39:21,920

than \$50 and make a great gift by the

2099

01:39:26,750 --> 01:39:24,860

way and the other is to tell their

2100

01:39:28,640 --> 01:39:26,760

friends about it

2101
01:39:31,220 --> 01:39:28,650
you can change the world it's sort of a

2102
01:39:32,899 --> 01:39:31,230
butterfly effect if you organize the

2103
01:39:36,109 --> 01:39:32,909
butterflies you can start a hurricane

2104
01:39:38,240 --> 01:39:36,119
and the way you do that is we organize

2105
01:39:40,640 --> 01:39:38,250
the butterflies in this case the devoted

2106
01:39:43,549 --> 01:39:40,650
listeners to the subject on listening to

2107
01:39:45,549 --> 01:39:43,559
your program tonight and if they can go

2108
01:39:47,600 --> 01:39:45,559
into their Barnes & Noble store and

2109
01:39:48,799 --> 01:39:47,610
Barnes & Noble or Amazon or

2110
01:39:52,189 --> 01:39:48,809
books-a-million are very important

2111
01:39:53,990 --> 01:39:52,199
because these three entities report

2112
01:39:56,359 --> 01:39:54,000
sales to the New York Times list during

2113
01:39:57,830 --> 01:39:56,369

nature now how many books would it take

2114

01:40:00,229 --> 01:39:57,840

to sell to get on the New York Times

2115

01:40:02,479 --> 01:40:00,239

bestseller list in any given week it

2116

01:40:05,470 --> 01:40:02,489

could take anywhere from 5,000 to 10,000

2117

01:40:07,850 --> 01:40:05,480

that's not a lot of books it's probably

2118

01:40:09,229 --> 01:40:07,860

10 times that amount of people that are

2119

01:40:12,439 --> 01:40:09,239

going to listen to this broadcast over

2120

01:40:14,209 --> 01:40:12,449

the next couple weeks yes so it's a

2121

01:40:16,850 --> 01:40:14,219

matter of getting that many within a

2122

01:40:18,770 --> 01:40:16,860

short period of time exactly we

2123

01:40:20,660 --> 01:40:18,780

concentrate our effort so we cut that if

2124

01:40:24,439 --> 01:40:20,670

we get that magnified glass focused on

2125

01:40:26,660 --> 01:40:24,449

that Sunbeam we can start a fire and you

2126

01:40:29,120 --> 01:40:26,670

keep it focused for everybody is

2127

01:40:30,350 --> 01:40:29,130

listening to the show they can when they

2128

01:40:32,479 --> 01:40:30,360

listen to this that they can go to

2129

01:40:34,250 --> 01:40:32,489

Amazon and order undisclosed and

2130

01:40:35,959 --> 01:40:34,260

unacknowledged or go to their local

2131

01:40:38,720 --> 01:40:35,969

Barnes & Noble which is just as

2132

01:40:40,279 --> 01:40:38,730

important those entities report to the

2133

01:40:41,629 --> 01:40:40,289

New York Times list with the book it's

2134

01:40:44,689 --> 01:40:41,639

on the New York Times list it does a

2135

01:40:47,990 --> 01:40:44,699

couple things any books that hit them on

2136

01:40:51,979 --> 01:40:48,000

a New York hype top 15 list get

2137

01:40:54,470 --> 01:40:51,989

priorities facing book stores they are

2138

01:40:57,529 --> 01:40:54,480

also added to a specialist that comes

2139

01:41:00,830 --> 01:40:57,539

out that the buyers from Walmart Sam's

2140

01:41:05,120 --> 01:41:00,840

and Kmart and target buy off of and the

2141

01:41:08,930 --> 01:41:05,130

drugstores and Walgreens all those

2142

01:41:11,600 --> 01:41:08,940

chains Publix supermarkets supermarkets

2143

01:41:14,000 --> 01:41:11,610

that carry books they all buy offer this

2144

01:41:17,479 --> 01:41:14,010

bestseller list so that increases it

2145

01:41:19,459 --> 01:41:17,489

tenfold now there are producers out

2146

01:41:21,319 --> 01:41:19,469

there TV producers the movie producer to

2147

01:41:25,129 --> 01:41:21,329

search the New York Times list to see

2148

01:41:26,750 --> 01:41:25,139

what's hot so if undisclosed or endured

2149

01:41:29,330 --> 01:41:26,760

unacknowledged pop up on the bestseller

2150

01:41:32,600 --> 01:41:29,340

list it increases the chances of this of

2151
01:41:34,370 --> 01:41:32,610
these stories becoming a major motion

2152
01:41:36,919 --> 01:41:34,380
picture now what does that do you go

2153
01:41:38,450 --> 01:41:36,929
from you know tens of thousands of

2154
01:41:39,860 --> 01:41:38,460
people getting the information to

2155
01:41:41,570 --> 01:41:39,870
literally

2156
01:41:43,610 --> 01:41:41,580
to thousands millions of people getting

2157
01:41:45,410 --> 01:41:43,620
information across the globe just like

2158
01:41:47,060 --> 01:41:45,420
millions me more thankfully going to

2159
01:41:49,790 --> 01:41:47,070
watch my movie make when it comes out

2160
01:41:52,940 --> 01:41:49,800
next year the same thing can happen for

2161
01:41:54,830 --> 01:41:52,950
undisclosed or unacknowledged now I'll

2162
01:41:57,250 --> 01:41:54,840
get Legend on a secret and grew and I

2163
01:42:00,560 --> 01:41:57,260

have already signed a short-term

2164

01:42:02,930 --> 01:42:00,570

commitment to a TV producer who's

2165

01:42:06,680 --> 01:42:02,940

shopping this these two books out there

2166

01:42:10,100 --> 01:42:06,690

and what gets the network's interested

2167

01:42:11,830 --> 01:42:10,110

is ratings well if you've got a New York

2168

01:42:15,020 --> 01:42:11,840

Times bestseller that it's based upon

2169

01:42:17,300 --> 01:42:15,030

your new TV series that gets things

2170

01:42:20,930 --> 01:42:17,310

greenlit so now you've taken the book

2171

01:42:23,540 --> 01:42:20,940

that you know these listeners are buying

2172

01:42:25,130 --> 01:42:23,550

like butterflies and you create a

2173

01:42:26,750 --> 01:42:25,140

hurricane effect now you've got a TV

2174

01:42:28,580 --> 01:42:26,760

series out there so you've just

2175

01:42:31,780 --> 01:42:28,590

penetrated the gauntlet that was set up

2176

01:42:34,630 --> 01:42:31,790

by the mainstream news media

2177

01:42:37,430 --> 01:42:34,640

now there's another gauntlet out there

2178

01:42:41,410 --> 01:42:37,440

that can be that can be penetrated as

2179

01:42:45,470 --> 01:42:41,420

well through foreign sales every year in

2180

01:42:46,070 --> 01:42:45,480

Germany you have the biggest affair in

2181

01:42:49,610 --> 01:42:46,080

the world

2182

01:42:51,800 --> 01:42:49,620

the Frankfurt Book Fair now if these two

2183

01:42:55,880 --> 01:42:51,810

books are bestsellers prior to October

2184

01:42:58,400 --> 01:42:55,890

are literary agent and representative

2185

01:43:00,770 --> 01:42:58,410

for our foreign deals will have a huge

2186

01:43:02,870 --> 01:43:00,780

gust of wind in the sails to sell the

2187

01:43:05,960 --> 01:43:02,880

books to every country that attends the

2188

01:43:07,550 --> 01:43:05,970

Frankfurt Book Fair now you've got taken

2189

01:43:09,020 --> 01:43:07,560

dr. Drew's information in his

2190

01:43:12,350 --> 01:43:09,030

testimonials from his top military

2191

01:43:13,730 --> 01:43:12,360

people and intelligent agency people who

2192

01:43:15,680 --> 01:43:13,740

had the guts to come forward with this

2193

01:43:17,900 --> 01:43:15,690

information and you've disseminated

2194

01:43:20,330 --> 01:43:17,910

around the world all because the

2195

01:43:22,250 --> 01:43:20,340

butterflies got together on Alan Smith

2196

01:43:26,390 --> 01:43:22,260

show and bought the book effortless

2197

01:43:27,050 --> 01:43:26,400

instance broadcast and there's an

2198

01:43:29,630 --> 01:43:27,060

appetite

2199

01:43:31,400 --> 01:43:29,640

all over the world for this so I can see

2200

01:43:35,270 --> 01:43:31,410

that spreading in and dr. Greer's

2201
01:43:36,980 --> 01:43:35,280
reputation certainly precedes him I do I

2202
01:43:38,530 --> 01:43:36,990
do want to ask you then too because I

2203
01:43:42,230 --> 01:43:38,540
know there has been some controversy

2204
01:43:44,960 --> 01:43:42,240
around dr. Greer in the past about

2205
01:43:48,470 --> 01:43:44,970
claims he's made do you do you feel that

2206
01:43:50,180 --> 01:43:48,480
he's been cleared I know there was an

2207
01:43:52,370 --> 01:43:50,190
issue with an alien body that was

2208
01:43:55,100 --> 01:43:52,380
supposedly an alien body

2209
01:43:58,820 --> 01:43:55,110
came under under fire have you guys

2210
01:44:01,520 --> 01:43:58,830
talked about that all together not

2211
01:44:03,350 --> 01:44:01,530
really no we have talked about that he

2212
01:44:05,990 --> 01:44:03,360
has enemies out there that will take

2213
01:44:08,840 --> 01:44:06,000

scooped every possible lobe position

2214

01:44:12,680 --> 01:44:08,850

possible to bring him down it's sort of

2215

01:44:16,940 --> 01:44:12,690

expected in this type of arena I know

2216

01:44:18,740 --> 01:44:16,950

having spent you know literally 5060

2217

01:44:22,370 --> 01:44:18,750

hours with the man over the last three

2218

01:44:28,640 --> 01:44:22,380

years including attending a week ce-5

2219

01:44:31,250 --> 01:44:28,650

event in Florida that demands the real

2220

01:44:34,400 --> 01:44:31,260

deal that he's completely dedicated to

2221

01:44:39,100 --> 01:44:34,410

this that he's had attempts on his life

2222

01:44:44,870 --> 01:44:42,530

you know if anyone is out there that

2223

01:44:48,140 --> 01:44:44,880

deserves it more I don't think so

2224

01:44:52,160 --> 01:44:48,150

this guy needs the wind in the sails

2225

01:44:54,980 --> 01:44:52,170

that you guys can provide and my job was

2226

01:44:56,630 --> 01:44:54,990

simply to give them the tools to help

2227

01:44:58,790 --> 01:44:56,640

create these bestsellers because I've

2228

01:44:59,720 --> 01:44:58,800

been on the best Elvis before I've had

2229

01:45:01,250 --> 01:44:59,730

four books on the New York Times

2230

01:45:03,680 --> 01:45:01,260

bestseller list and I've had four books

2231

01:45:05,090 --> 01:45:03,690

on international best obvious so I've

2232

01:45:10,190 --> 01:45:05,100

been there before and I want to help

2233

01:45:15,620 --> 01:45:10,200

them get there as well the anti gravity

2234

01:45:18,490 --> 01:45:15,630

or zero-point energy technology don't

2235

01:45:21,350 --> 01:45:18,500

you think that that could be discovered

2236

01:45:24,320 --> 01:45:21,360

by people here or rather invented by

2237

01:45:28,490 --> 01:45:24,330

people here I know some people have made

2238

01:45:29,960 --> 01:45:28,500

claims to it but it seems to me if you

2239

01:45:34,700 --> 01:45:29,970

actually did create this in your garage

2240

01:45:36,260 --> 01:45:34,710

or your laboratory you could you could

2241

01:45:37,940 --> 01:45:36,270

just release it right you can just make

2242

01:45:41,510 --> 01:45:37,950

a couple copies of whatever this

2243

01:45:43,730 --> 01:45:41,520

technology is and and release it so I

2244

01:45:46,330 --> 01:45:43,740

don't know if anyone actually has if

2245

01:45:49,390 --> 01:45:46,340

they've been suppressed or not for real

2246

01:45:53,390 --> 01:45:49,400

but I guess ultimately my question is

2247

01:45:55,130 --> 01:45:53,400

can we just do it on our own absolutely

2248

01:45:57,050 --> 01:45:55,140

but you have to be aware about it first

2249

01:45:59,360 --> 01:45:57,060

you have to create a venue so that it

2250

01:46:01,820 --> 01:45:59,370

can become a commercial venture and the

2251

01:46:04,350 --> 01:46:01,830

first person to figure out as your

2252

01:46:07,240 --> 01:46:04,360

appointee was actually Nikola Tesla

2253

01:46:09,370 --> 01:46:07,250

and Tesla was a growing guy probably

2254

01:46:11,530 --> 01:46:09,380

farmer Brewington Edison or Einstein and

2255

01:46:14,169 --> 01:46:11,540

he realized a hundred years ago that

2256

01:46:16,330 --> 01:46:14,179

humans may exist in think in three

2257

01:46:17,950 --> 01:46:16,340

dimensions but nature actually prefers

2258

01:46:19,810 --> 01:46:17,960

to work in four dimensions the fourth

2259

01:46:22,660 --> 01:46:19,820

being x base which is zero-point energy

2260

01:46:25,770 --> 01:46:22,670

and what Tesla figured out is that by

2261

01:46:28,540 --> 01:46:25,780

applying a high voltage system to an

2262

01:46:30,280 --> 01:46:28,550

electromagnetic field in a counter

2263

01:46:33,330 --> 01:46:30,290

rotating vortex you can allow nature to

2264

01:46:37,120 --> 01:46:33,340

reorganize the flow protons neutrons and

2265

01:46:40,359 --> 01:46:37,130

essentially use zero-point energy so in

2266

01:46:42,819 --> 01:46:40,369

1901 if you can believe this Tesla was

2267

01:46:46,060 --> 01:46:42,829

actually preparing to use the planets

2268

01:46:47,680 --> 01:46:46,070

own magnetic field as a giant dipole in

2269

01:46:50,830 --> 01:46:47,690

order to broadcast lectures hitting the

2270

01:46:52,930 --> 01:46:50,840

ships without wires this was an expected

2271

01:46:55,839 --> 01:46:52,940

that would have led to free energy and

2272

01:46:59,830 --> 01:46:55,849

changed the world so what happened well

2273

01:47:01,330 --> 01:46:59,840

JP Morgan happened and JP Morgan was a

2274

01:47:03,089 --> 01:47:01,340

wealthy industrialist who had actually

2275

01:47:05,200 --> 01:47:03,099

invested a lot of money in copper wire

2276

01:47:07,930 --> 01:47:05,210

which was being used in homes and

2277

01:47:09,819 --> 01:47:07,940

businesses to wire for electricity and

2278

01:47:11,410 --> 01:47:09,829

what JP Morgan decided was that giving

2279

01:47:14,589 --> 01:47:11,420

away free energy to the people without

2280

01:47:17,109 --> 01:47:14,599

charging them for it was unamerican so

2281

01:47:19,899 --> 01:47:17,119

before Tesla can could conduct this

2282

01:47:22,270 --> 01:47:19,909

experiment in 1901 JP Morgan got his

2283

01:47:24,069 --> 01:47:22,280

cronies in Washington shut it down they

2284

01:47:26,169 --> 01:47:24,079

confiscated all the scientists papers

2285

01:47:28,839 --> 01:47:26,179

and inventions and basically left in

2286

01:47:30,339 --> 01:47:28,849

destitute and that's a pattern that has

2287

01:47:32,530 --> 01:47:30,349

repeated itself out of throughout

2288

01:47:34,240 --> 01:47:32,540

history every scientist who has ever

2289

01:47:36,129 --> 01:47:34,250

figured out how to tap into zero-point

2290

01:47:41,589 --> 01:47:36,139

energy field has been either shut down

2291

01:47:44,740 --> 01:47:41,599

or sounds but powers of B yeah I guess I

2292

01:47:47,109 --> 01:47:44,750

wonder if could you make you know this

2293

01:47:49,060 --> 01:47:47,119

machine or technology or whatever the

2294

01:47:50,979 --> 01:47:49,070

right word is for that could could you

2295

01:47:53,379 --> 01:47:50,989

not just make one replicate it

2296

01:47:55,510 --> 01:47:53,389

you know mail it out and then have your

2297

01:47:58,629 --> 01:47:55,520

own have several copies of this thing

2298

01:48:01,439 --> 01:47:58,639

out there you know recorded on a

2299

01:48:03,760 --> 01:48:01,449

high-definition video what you can do I

2300

01:48:05,140 --> 01:48:03,770

just feel like there would be a way that

2301

01:48:08,379 --> 01:48:05,150

you can get around that these days

2302

01:48:11,379 --> 01:48:08,389

certainly not back then but today I feel

2303

01:48:13,330 --> 01:48:11,389

like well well let's think about

2304

01:48:14,010 --> 01:48:13,340

different the first thing let's say that

2305

01:48:15,110 --> 01:48:14,020

you made

2306

01:48:17,370 --> 01:48:15,120

right through in your basement

2307

01:48:19,170 --> 01:48:17,380

zero-point energy what would you do we

2308

01:48:21,390 --> 01:48:19,180

want to get investors so you can produce

2309

01:48:22,620 --> 01:48:21,400

this well in order to get investors

2310

01:48:24,060 --> 01:48:22,630

you've got to be able to patent it but

2311

01:48:25,500 --> 01:48:24,070

there's a section one eighty one of the

2312

01:48:28,020 --> 01:48:25,510

US patent law that allows the government

2313

01:48:30,210 --> 01:48:28,030

to arbitrarily determine if the

2314

01:48:31,290 --> 01:48:30,220

technology or device possesses danger to

2315

01:48:33,600 --> 01:48:31,300

our national security

2316

01:48:35,700 --> 01:48:33,610

so you've gotten rope elements within a

2317

01:48:38,100 --> 01:48:35,710

Department of Defense the CIA the NSA

2318

01:48:39,930 --> 01:48:38,110

the Federal Trade Commission Department

2319

01:48:42,480 --> 01:48:39,940

of Energy that basically abuse this

2320

01:48:44,760 --> 01:48:42,490

interpretation of the law and an attempt

2321

01:48:47,730 --> 01:48:44,770

to safeguard the world's quote-unquote

2322

01:48:50,040 --> 01:48:47,740

status so you got a guy like T Henry

2323

01:48:51,720 --> 01:48:50,050

Moray whose breakthrough work was

2324

01:48:55,560 --> 01:48:51,730

ignored by the Patent Office in his lab

2325

01:48:57,000 --> 01:48:55,570

his lab was ransacked you have a guy T

2326

01:48:59,100 --> 01:48:57,010

Townsend Brown one of the founding

2327

01:49:00,750 --> 01:48:59,110

fathers of electric of Linux who

2328

01:49:02,790 --> 01:49:00,760

discover that he could access your point

2329

01:49:06,300 --> 01:49:02,800

energy by utilizing high voltages and

2330

01:49:08,640 --> 01:49:06,310

caused a vessel to actually levitate off

2331

01:49:11,360 --> 01:49:08,650

the ground well Big Oil wasn't too happy

2332

01:49:14,190 --> 01:49:11,370

about that so they shut him down too

2333

01:49:17,640 --> 01:49:14,200

you've got a guy in the 1980s they

2334

01:49:19,650 --> 01:49:17,650

admire and his brother Steve who they

2335

01:49:21,840 --> 01:49:19,660

discovered that they put an electrode

2336

01:49:24,810 --> 01:49:21,850

and water at a certain voltage it would

2337

01:49:26,730 --> 01:49:24,820

create what was called Browns gas which

2338

01:49:29,670 --> 01:49:26,740

was a magnetically charged hydrant

2339

01:49:32,550 --> 01:49:29,680

hydrogen and oxygen mix that basically

2340

01:49:34,650 --> 01:49:32,560

replaced gasoline with water so you had

2341

01:49:36,270 --> 01:49:34,660

the Meyer boys retrofitted a dune buggy

2342

01:49:38,910 --> 01:49:36,280

and they went on TV and showed everybody

2343

01:49:43,680 --> 01:49:38,920

that works on water well the next thing

2344

01:49:45,600 --> 01:49:43,690

is that these guys got executed so I

2345

01:49:48,480 --> 01:49:45,610

mean this is we're talking about Murder

2346

01:49:49,920 --> 01:49:48,490

Inc it's not enough to create the

2347

01:49:53,520 --> 01:49:49,930

investing you got to be able to patent

2348

01:49:55,380 --> 01:49:53,530

got to be able to do it in as much

2349

01:49:59,310 --> 01:49:55,390

transparency as possible because it'd be

2350

01:50:01,140 --> 01:49:59,320

high that's when they kill you and dr.

2351
01:50:03,560 --> 01:50:01,150
Greer is worth so and I said try to

2352
01:50:05,760 --> 01:50:03,570
advise them indeed they didn't listen so

2353
01:50:09,200 --> 01:50:05,770
the only chance of something like this

2354
01:50:11,430 --> 01:50:09,210
working out is if you are already a

2355
01:50:13,560 --> 01:50:11,440
multi-millionaire you know and you're

2356
01:50:18,390 --> 01:50:13,570
doing this at home secretly

2357
01:50:20,010 --> 01:50:18,400
you know like Iron Man yeah I mean you

2358
01:50:22,390 --> 01:50:20,020
make copies in here yeah I mean that's

2359
01:50:24,640 --> 01:50:22,400
the only way I can imagine that working

2360
01:50:26,649 --> 01:50:24,650
it's actually on it's the exact opposite

2361
01:50:28,360 --> 01:50:26,659
what dr. Greer says is that what you do

2362
01:50:30,910 --> 01:50:28,370
is you set your lab up on the internet

2363
01:50:32,680 --> 01:50:30,920

that everybody gets to see you doing

2364

01:50:33,880 --> 01:50:32,690

these breakthroughs everybody the

2365

01:50:34,630 --> 01:50:33,890

information gets shared with the entire

2366

01:50:36,760 --> 01:50:34,640

world

2367

01:50:38,740 --> 01:50:36,770

because it show your real in real time

2368

01:50:40,300 --> 01:50:38,750

as you're as you're doing it as you're

2369

01:50:41,340 --> 01:50:40,310

building it in real time share that

2370

01:50:44,410 --> 01:50:41,350

information

2371

01:50:46,270 --> 01:50:44,420

exactly okay and I'd acknowledge then on

2372

01:50:52,570 --> 01:50:46,280

this close goes on telehealth back in

2373

01:50:55,689 --> 01:50:52,580

now yeah and if nothing else Tesla coils

2374

01:50:57,669 --> 01:50:55,699

are really cool and I've loved to have

2375

01:50:59,770 --> 01:50:57,679

one in my home but if I had to choose

2376

01:51:05,530 --> 01:50:59,780

yeah I would much rather zero-point

2377

01:51:10,570 --> 01:51:05,540

energy so okay so let's let's talk a

2378

01:51:12,700 --> 01:51:10,580

little bit about your future works do

2379

01:51:15,669 --> 01:51:12,710

you have anything coming up to follow up

2380

01:51:18,370 --> 01:51:15,679

on undisclosed I mean I know that right

2381

01:51:20,620 --> 01:51:18,380

now you're you know full force focus on

2382

01:51:22,479 --> 01:51:20,630

this but I can only imagine that because

2383

01:51:24,430 --> 01:51:22,489

you are so passionate about this topic

2384

01:51:26,200 --> 01:51:24,440

that you must have something else in

2385

01:51:31,120 --> 01:51:26,210

mind that you feel needs to be focused

2386

01:51:36,060 --> 01:51:31,130

on well it's it's I'm committed to

2387

01:51:42,040 --> 01:51:38,979

you know I've committed my skills as a

2388

01:51:43,899 --> 01:51:42,050

writer too if we were able to get the TV

2389

01:51:47,110 --> 01:51:43,909

series based on one of these two books

2390

01:51:48,820 --> 01:51:47,120

or based upon me the knowledge of dr.

2391

01:51:51,090 --> 01:51:48,830

Griffith is accumulated over the last 30

2392

01:51:53,320 --> 01:51:51,100

years that I would help write the series

2393

01:51:54,880 --> 01:51:53,330

so what do you feel like you've covered

2394

01:51:57,340 --> 01:51:54,890

do you feel like you've covered

2395

01:52:03,280 --> 01:51:57,350

everything that you wanted to in this

2396

01:52:04,930 --> 01:52:03,290

one book um let's put it this way it's

2397

01:52:06,580 --> 01:52:04,940

got everything I heard that this

2398

01:52:08,130 --> 01:52:06,590

happened to dr. grew over the last 30

2399

01:52:10,959 --> 01:52:08,140

years it's got everything in there that

2400

01:52:12,520 --> 01:52:10,969

over the last 70 years because it's been

2401

01:52:16,990 --> 01:52:12,530

70 years this summer since Roswell

2402

01:52:21,100 --> 01:52:17,000

actually it's been 70 years this week or

2403

01:52:22,570 --> 01:52:21,110

X that's today's the 19th so yeah I mean

2404

01:52:25,630 --> 01:52:22,580

towards the end of the month we're going

2405

01:52:30,280 --> 01:52:25,640

to celebrate or commemorate 70 years

2406

01:52:32,930 --> 01:52:30,290

since the the three UFOs were shot down

2407

01:52:35,870 --> 01:52:32,940

and all that information get in there

2408

01:52:38,600 --> 01:52:35,880

it's the modal's the backup the location

2409

01:52:41,209 --> 01:52:38,610

Utley need that I need to get this book

2410

01:52:43,360 --> 01:52:41,219

for sure I ever regret not have been

2411

01:52:45,939 --> 01:52:43,370

able to read it before the interview but

2412

01:52:49,640 --> 01:52:45,949

actually I'm even more interested now

2413

01:52:54,140 --> 01:52:49,650

that we've been talking about it um okay

2414

01:52:57,709 --> 01:52:54,150

so then you feel that everything that we

2415

01:53:00,050 --> 01:52:57,719

need to know in a sense is in this book

2416

01:53:03,020 --> 01:53:00,060

right I mean you're sort of touching on

2417

01:53:05,860 --> 01:53:03,030

every aspect of Doctor Greer's work that

2418

01:53:09,260 --> 01:53:05,870

and knowledge that he's passed on to you

2419

01:53:10,879 --> 01:53:09,270

undisclosed is the story that is fiction

2420

01:53:13,220 --> 01:53:10,889

that that we used his information

2421

01:53:15,950 --> 01:53:13,230

together into a plot which makes it more

2422

01:53:17,810 --> 01:53:15,960

interesting to a lot of readers doctor

2423

01:53:21,530 --> 01:53:17,820

Greer's book is the historical account

2424

01:53:24,260 --> 01:53:21,540

that flows through the history of the

2425

01:53:26,180 --> 01:53:24,270

over the last 70 years and and Duvall

2426

01:53:28,850 --> 01:53:26,190

just everything that's going on so

2427

01:53:30,620 --> 01:53:28,860

either book contains the information it

2428

01:53:32,899 --> 01:53:30,630

depends how do you want to disseminate

2429

01:53:34,760 --> 01:53:32,909

and you want you want to absorb it in a

2430

01:53:36,560 --> 01:53:34,770

story you can get on disclosing tour

2431

01:53:38,660 --> 01:53:36,570

absorb it as a nonfiction book you get

2432

01:53:42,649 --> 01:53:38,670

on it Alex I would recommend getting

2433

01:53:44,780 --> 01:53:42,659

them both well your storyteller recently

2434

01:53:47,479 --> 01:53:44,790

we went to see at the New York

2435

01:53:54,080 --> 01:53:47,489

Philharmonic et the Extra Terrestrial

2436

01:53:56,990 --> 01:53:54,090

the movie with the live orchestra on

2437

01:53:59,750 --> 01:53:57,000

this huge screen and it was one of the

2438

01:54:01,340 --> 01:53:59,760

most moving cinematic experiences if not

2439

01:54:03,860 --> 01:54:01,350

the most moving send about experiences

2440

01:54:07,610 --> 01:54:03,870

of my life because that is definitely my

2441

01:54:10,540 --> 01:54:07,620

all-time favorite movie top five at

2442

01:54:12,439 --> 01:54:10,550

least but certainly my favorite

2443

01:54:16,220 --> 01:54:12,449

children's movie if you can put into

2444

01:54:18,560 --> 01:54:16,230

that category and it was so moving and I

2445

01:54:20,870 --> 01:54:18,570

just wonder what you know what stories

2446

01:54:24,500 --> 01:54:20,880

or what movies did you see growing up

2447

01:54:27,530 --> 01:54:24,510

that had a major impact on on you as a

2448

01:54:29,450 --> 01:54:27,540

storyteller well it's interesting you

2449

01:54:31,910 --> 01:54:29,460

mentioned et because that was based upon

2450

01:54:34,820 --> 01:54:31,920

a true story that was based upon the

2451

01:54:36,620 --> 01:54:34,830

fact that one of the extraterrestrials

2452

01:54:39,830 --> 01:54:36,630

one of these grades if you call on that

2453

01:54:41,640 --> 01:54:39,840

that survived the crash in Roswell was

2454

01:54:43,830 --> 01:54:41,650

actually held captive for three years

2455

01:54:45,810 --> 01:54:43,840

and Spielberg was able to get that

2456

01:54:48,960 --> 01:54:45,820

information and create that so that's

2457

01:54:51,380 --> 01:54:48,970

what inspired the movie ET that the

2458

01:54:54,630 --> 01:54:51,390

creature was actually named even epen

2459

01:54:57,240 --> 01:54:54,640

for extraterrestrial biological entity

2460

01:54:59,190 --> 01:54:57,250

that's what it even stood for and they

2461

01:55:03,000 --> 01:54:59,200

learned a lot from even over the three

2462

01:55:08,130 --> 01:55:03,010

years that he was held on captive for

2463

01:55:11,550 --> 01:55:08,140

any better work so you're still drawing

2464

01:55:15,510 --> 01:55:11,560

a parallel between your work with mr.

2465

01:55:17,580 --> 01:55:15,520

Greer then just taking this this real

2466

01:55:21,090 --> 01:55:17,590

life information and trends translating

2467

01:55:23,010 --> 01:55:21,100

it into a book yeah exactly what so so

2468

01:55:25,260 --> 01:55:23,020

anyway what what is your what is your

2469

01:55:27,000 --> 01:55:25,270

favorite what was your favorite film

2470

01:55:31,170 --> 01:55:27,010

growing up the Hedda had an impact on

2471

01:55:33,270 --> 01:55:31,180

you uh well as the author of the make

2472

01:55:35,520 --> 01:55:33,280

series I'd probably have to say jaws I

2473

01:55:36,750 --> 01:55:35,530

mean because when I saw jaws and made me

2474

01:55:38,280 --> 01:55:36,760

want to read more about great white

2475

01:55:39,450 --> 01:55:38,290

sharks and when I read more that great

2476

01:55:40,950 --> 01:55:39,460

white sharks there was always a little

2477

01:55:43,410 --> 01:55:40,960

blurb with that car carrying on they put

2478

01:55:45,000 --> 01:55:43,420

on the 70-foot prehistoric cousin of the

2479

01:55:46,770 --> 01:55:45,010

great white and nothing commercial had

2480

01:55:49,110 --> 01:55:46,780

ever been done about it but I have that

2481

01:55:50,670 --> 01:55:49,120

information for 20 years and when I

2482

01:55:53,580 --> 01:55:50,680

finally got around to writing my first

2483

01:55:55,590 --> 01:55:53,590

book that's that's what spurring on what

2484

01:55:57,390 --> 01:55:55,600

we don't forget do ever get word because

2485

01:55:59,760 --> 01:55:57,400

I know you know Hollywood makes the

2486

01:56:02,310 --> 01:55:59,770

mistakes I mean we saw Independence Day

2487

01:56:03,810 --> 01:56:02,320

- resurgence even though there are

2488

01:56:08,130 --> 01:56:03,820

aspects of it that I actually really

2489

01:56:08,520 --> 01:56:08,140

enjoyed it did not do very well so do

2490

01:56:17,160 --> 01:56:08,530

you

2491

01:56:19,830 --> 01:56:17,170

in the process of bringing dr. Cruz

2492

01:56:22,290 --> 01:56:19,840

information to the big screen give

2493

01:56:25,350 --> 01:56:22,300

unacknowledged and or undisclosed or

2494

01:56:27,570 --> 01:56:25,360

your your thriller meg in any of these

2495

01:56:30,150 --> 01:56:27,580

circumstances do are you afraid that

2496

01:56:36,360 --> 01:56:30,160

they're going to just totally miss the

2497

01:56:38,550 --> 01:56:36,370

mark well the fact that um close friends

2498

01:56:41,670 --> 01:56:38,560

with the producer of nay sort of

2499

01:56:44,430 --> 01:56:41,680

protects the quality of that project it

2500

01:56:47,280 --> 01:56:44,440

won't be exactly like my books but it'll

2501

01:56:48,709 --> 01:56:47,290

be close enough that it will justify

2502

01:56:52,029 --> 01:56:48,719

making the lithium making

2503

01:56:54,529 --> 01:56:52,039

good as far as that career is concerned

2504

01:56:57,439 --> 01:56:54,539

the deal that we have with the producer

2505

01:57:00,469 --> 01:56:57,449

who's marketing it is that dr. guru has

2506

01:57:02,419 --> 01:57:00,479

creative control and if he doesn't like

2507

01:57:04,430 --> 01:57:02,429

something he's not go about that and

2508

01:57:06,500 --> 01:57:04,440

that was that was what was so important

2509

01:57:08,810 --> 01:57:06,510

about creating a mainstream book for the

2510

01:57:10,279 --> 01:57:08,820

first time for him unacknowledged is the

2511

01:57:12,469 --> 01:57:10,289

first book that he's written it's been

2512

01:57:13,939 --> 01:57:12,479

in Barnes & Noble but a publisher

2513

01:57:15,319 --> 01:57:13,949

wouldn't let an ordinary publisher

2514

01:57:17,290 --> 01:57:15,329

wouldn't allow that to happen but I made

2515

01:57:25,520 --> 01:57:17,300

sure if an impoverishing allowed in that

2516

01:57:28,549 --> 01:57:25,530

it was unpartitioned right all right and

2517

01:57:31,250 --> 01:57:28,559

what was the most important aspect of

2518

01:57:33,350 --> 01:57:31,260

this book for you as you were writing it

2519

01:57:35,180 --> 01:57:33,360

you know what did you think that okay I

2520

01:57:37,330 --> 01:57:35,190

need to get this one thing absolutely

2521

01:57:41,810 --> 01:57:37,340

right time and I'm speaking of

2522

01:57:43,910 --> 01:57:41,820

undisclosed the novel uh well an

2523

01:57:45,739 --> 01:57:43,920

undisclosed the most important thing for

2524

01:57:47,959 --> 01:57:45,749

me was to create a something that was a

2525

01:57:49,910 --> 01:57:47,969

page-turner that that a reader would

2526

01:57:53,450 --> 01:57:49,920

pick it up and get sucked into the story

2527

01:57:54,859 --> 01:57:53,460

as the hero hero being a guy who didn't

2528

01:57:56,830 --> 01:57:54,869

believe in UFOs when he first started

2529

01:57:59,719 --> 01:57:56,840

didn't believe in extraterrestrials I

2530

01:58:01,219 --> 01:57:59,729

had never heard about a zero-point

2531

01:58:03,799 --> 01:58:01,229

energy before and by the end of the

2532

01:58:07,239 --> 01:58:03,809

story he's the guy who's got to get it

2533

01:58:11,779 --> 01:58:09,770

yeah but you're you're doing a major

2534

01:58:15,080 --> 01:58:11,789

part of that work I mean you're doing

2535

01:58:17,029 --> 01:58:15,090

some heavy lifting for sure yeah but I

2536

01:58:19,160 --> 01:58:17,039

sort of followed the in my own life I

2537

01:58:20,569 --> 01:58:19,170

sort of followed the parallels that they

2538

01:58:22,430 --> 01:58:20,579

hear you know there was parallels

2539

01:58:26,149 --> 01:58:22,440

between my own personal life and the

2540

01:58:28,330 --> 01:58:26,159

hero story and dr. Greer story because I

2541

01:58:33,169 --> 01:58:28,340

approached it as a guy who was a

2542

01:58:37,279 --> 01:58:33,179

naysayer doubter and as the hero went

2543

01:58:39,589 --> 01:58:37,289

through these hero's journey just as the

2544

01:58:41,149 --> 01:58:39,599

reader is reading along with him they're

2545

01:58:43,520 --> 01:58:41,159

experiencing it themselves too because

2546

01:58:45,109 --> 01:58:43,530

they're realizing well this is what this

2547

01:58:47,180 --> 01:58:45,119

guy's writing is factual this stuff

2548

01:58:49,609 --> 01:58:47,190

really happened is he's using real names

2549

01:58:52,879 --> 01:58:49,619

he's using real locations how does he

2550

01:58:55,239 --> 01:58:52,889

have the balls to do this and that's the

2551
01:58:57,319 --> 01:58:55,249
what we agree that we were going to do

2552
01:58:59,430 --> 01:58:57,329
put it all out there let the public

2553
01:59:01,990 --> 01:58:59,440
decide

2554
01:59:04,780 --> 01:59:02,000
true but you have to get it out there

2555
01:59:08,080 --> 01:59:04,790
wide enough because even if the public

2556
01:59:09,899 --> 01:59:08,090
decides you need a large enough slice of

2557
01:59:13,570 --> 01:59:09,909
the public to decide to make any sort of

2558
01:59:15,160 --> 01:59:13,580
change like we discussed earlier an item

2559
01:59:18,580 --> 01:59:15,170
and that the cover of this book is

2560
01:59:21,370 --> 01:59:18,590
awesome undisclosed the novel is a great

2561
01:59:23,229 --> 01:59:21,380
cover I love this yeah I've got a guy

2562
01:59:25,720 --> 01:59:23,239
who was the who is the artist that did

2563
01:59:28,689 --> 01:59:25,730

that his name is Eric on door he's done

2564

01:59:29,350 --> 01:59:28,699

about 12 or 13 of my covers he's the

2565

01:59:32,080 --> 01:59:29,360

best there is

2566

01:59:37,390 --> 01:59:32,090

he spared no expense we wanted the best

2567

01:59:41,110 --> 01:59:37,400

and uh he's the guy cool all right yeah

2568

01:59:42,370 --> 01:59:41,120

I just wanted to anybody who is familiar

2569

01:59:44,410 --> 01:59:42,380

with my voice

2570

01:59:46,450 --> 01:59:44,420

you know just apologize for me sounding

2571

01:59:48,220 --> 01:59:46,460

like I've been awake for two days

2572

01:59:52,090 --> 01:59:48,230

non-stop smoking chain smoking

2573

01:59:54,640 --> 01:59:52,100

cigarettes I have not been but this is

2574

01:59:57,640 --> 01:59:54,650

the state of my voice and there it is

2575

01:59:59,919 --> 01:59:57,650

so Steve we have a few minutes left so I

2576

02:00:02,919 --> 01:59:59,929

just wanted to give you a chance to get

2577

02:00:06,790 --> 02:00:02,929

out whatever you feel you haven't shared

2578

02:00:08,860 --> 02:00:06,800

with us quite yet well I've got a very

2579

02:00:10,419 --> 02:00:08,870

close relationship with my fan base it's

2580

02:00:12,430 --> 02:00:10,429

not the biggest fan base in the world

2581

02:00:14,020 --> 02:00:12,440

but it's there you're close because they

2582

02:00:17,169 --> 02:00:14,030

know that over the last 20 years I've

2583

02:00:18,879 --> 02:00:17,179

always given myself to them that if they

2584

02:00:22,660 --> 02:00:18,889

email me I will always email back

2585

02:00:25,000 --> 02:00:22,670

personally uh that I put them as

2586

02:00:26,379 --> 02:00:25,010

characters in books I let them be part

2587

02:00:28,930 --> 02:00:26,389

of the process so I'm reaching out to

2588

02:00:32,320 --> 02:00:28,940

your audience tonight the same way uh if

2589

02:00:34,390 --> 02:00:32,330

you read the book I promise I guarantee

2590

02:00:35,110 --> 02:00:34,400

you'll love it I guarantee you'll learn

2591

02:00:37,379 --> 02:00:35,120

something

2592

02:00:40,990 --> 02:00:37,389

I guarantee can make a difference and

2593

02:00:43,689 --> 02:00:41,000

and if you email me I guarantee that I

2594

02:00:45,040 --> 02:00:43,699

will personally mail back and I will

2595

02:00:46,629 --> 02:00:45,050

answer every question that you have

2596

02:00:48,910 --> 02:00:46,639

about the booking and everything you can

2597

02:00:50,439 --> 02:00:48,920

possibly people all I ask is that you

2598

02:00:53,649 --> 02:00:50,449

make it possible for us to have these

2599

02:00:56,680 --> 02:00:53,659

bigger venues by simply doing one thing

2600

02:00:58,570 --> 02:00:56,690

just by a copy of undisclosed by a copy

2601
02:01:00,419 --> 02:00:58,580
of unacknowledged tell your friends

2602
02:01:02,620 --> 02:01:00,429
about it and that can change the rule

2603
02:01:05,050 --> 02:01:02,630
it's the butterfat sounds like you have

2604
02:01:07,330 --> 02:01:05,060
a four four-legged fan supporting you

2605
02:01:08,320 --> 02:01:07,340
wholeheartedly right now and that means

2606
02:01:12,580 --> 02:01:08,330
my wife

2607
02:01:15,610 --> 02:01:12,590
and the dogs are alerting ah well Steve

2608
02:01:19,090 --> 02:01:15,620
thank you so much for joining it it and

2609
02:01:21,250 --> 02:01:19,100
if you are listening intently then you

2610
02:01:24,070 --> 02:01:21,260
may want to get the book undisclosed

2611
02:01:26,020 --> 02:01:24,080
it's a novel or unacknowledged which

2612
02:01:28,870 --> 02:01:26,030
Steve often actually co-authored with

2613
02:01:32,830 --> 02:01:28,880

dr. Steven Greer so you can get your

2614

02:01:38,170 --> 02:01:32,840

fill on the disclosure movement and all

2615

02:01:40,000 --> 02:01:38,180

things UFO cover-ups and shady

2616

02:01:42,070 --> 02:01:40,010

characters so I'm sure you can enjoy the

2617

02:01:43,570 --> 02:01:42,080

novel I'm going to dig into it myself

2618

02:01:45,460 --> 02:01:43,580

thank you for listening to paranormal

2619

02:01:46,990 --> 02:01:45,470

2620

02:01:51,730 --> 02:01:47,000
