20

00:01:27,030 --> 00:01:25,600

fascinating and rosie jessup in england

thank you very much there you go and a

22

00:01:31,190 --> 00:01:29,520

big shout out to lorna who uh always

23

00:01:32,950 --> 00:01:31,200

kind of throws this together for us on

24

00:01:35,190 --> 00:01:32,960

the back and uh i appreciate lorna

25

00:01:36,710 --> 00:01:35,200

reaching out to kevin and uh getting

26

00:01:39,670 --> 00:01:36,720

them on it it's always fun to have

27

00:01:41,830 --> 00:01:39,680

listen to you too uh bicker and uh i

28

00:01:43,510 --> 00:01:41,840

just kind of sit back and uh

29

00:01:45,350 --> 00:01:43,520

maybe i'll be the judge tonight maybe

30

00:01:47,830 --> 00:01:45,360

the jury but it is fun listen you guys

31

00:01:49,749 --> 00:01:47,840

uh dig deep into research on roswell and

32

00:01:51,270 --> 00:01:49,759

other issues but this is always a fun

33

00:01:53,109 --> 00:01:51,280

show ken

34

00:01:54,550 --> 00:01:53,119

oh absolutely i'm looking forward to it

35

00:01:56,389 --> 00:01:54,560

i enjoy uh

36

00:01:58,149 --> 00:01:56,399

kevin randle's uh

37

00:01:59,749 --> 00:01:58,159

discussions and

38

00:02:02,310 --> 00:01:59,759

i appreciate the fact

39

00:02:04,069 --> 00:02:02,320

that uh he holds your feet to the fire i

40

00:02:05,749 --> 00:02:04,079

have no problem with that and i believe

41

00:02:07,990 --> 00:02:05,759

vice versa you're right right i believe

42

00:02:10,309 --> 00:02:08,000

last time we interrupted him uh i think

43

00:02:12,070 --> 00:02:10,319

it was the final show of a season what

44

00:02:13,910 --> 00:02:12,080

he was watching and we basically got him

45

00:02:16,229 --> 00:02:13,920

on the air and he had to record his show

46

00:02:19,110 --> 00:02:16,239

and watch it last time i believe

47

00:02:21,190 --> 00:02:19,120

i'm not mistaken is that correct kevin

48

00:02:22,869 --> 00:02:21,200

i don't remember i remember talking to

49

00:02:24,470 --> 00:02:22,879

people i had to get off to watch the end

50

00:02:25,350 --> 00:02:24,480

of game of thrones or something because

51

00:02:27,910 --> 00:02:25,360

i mean

52

00:02:28,949 --> 00:02:27,920

that that is of course where my whole

53

00:02:32,070 --> 00:02:28,959

life now

54

00:02:34,470 --> 00:02:32,080

resides is in westeros for those of you

55

00:02:37,110 --> 00:02:34,480

paying attention well it's glad it's

56

00:02:39,670 --> 00:02:37,120

glad to have you back and uh ken ken's

57

00:02:42,150 --> 00:02:39,680

been chomping at the bits to uh discuss

58

00:02:44,949 --> 00:02:42,160

things with you tonight right ken

59

00:02:47,509 --> 00:02:44,959

oh absolutely like i said i enjoy uh the

60

00:02:49,430 --> 00:02:47,519

discussions with kevin randle as well as

61

00:02:52,550 --> 00:02:49,440

i do with stanton friedman

62

00:02:54,710 --> 00:02:52,560

and um and i've some some of the

63

00:02:56,390 --> 00:02:54,720

questions that i have

64

00:02:59,030 --> 00:02:56,400

i have asked stanton

65

00:03:00,869 --> 00:02:59,040

kevin i have not received a satisfactory

66

00:03:02,070 --> 00:03:00,879

answer so i'm going to pose some of

67

00:03:05,270 --> 00:03:02,080

those questions

68

00:03:07,110 --> 00:03:05,280

to you tonight well i would like to do a

69

00:03:08,630 --> 00:03:07,120

radio program where stan friedman's name

70

00:03:11,750 --> 00:03:08,640

doesn't come up

71

00:03:15,830 --> 00:03:14,390

kevin you look you can't you know

72

00:03:17,350 --> 00:03:15,840

that's like talking about the us

73

00:03:19,910 --> 00:03:17,360

government but we can't mention the bill

74

00:03:21,430 --> 00:03:19,920

of rights or the constitution come on

75

00:03:23,270 --> 00:03:21,440

all right you got to give

76

00:03:26,710 --> 00:03:23,280

you've got to give him his druthers as

77

00:03:27,910 --> 00:03:26,720

well as you well all i'm saying is and

78

00:03:30,229 --> 00:03:27,920

the ship

79

00:03:32,630 --> 00:03:30,239

because you brought it up

80

00:03:35,030 --> 00:03:32,640

well i did because i put

81

00:03:37,350 --> 00:03:35,040

it was a compliment colonel i put you on

82

00:03:39,430 --> 00:03:37,360

the same level as stanton freeman i i

83

00:03:42,070 --> 00:03:39,440

respect your opinion and i certainly

84

00:03:45,270 --> 00:03:42,080

respect your uh research as well as i do

85

00:03:46,949 --> 00:03:45,280

his but i have issues with with uh like

86

00:03:48,630 --> 00:03:46,959

stan i said i posed him a couple of

87

00:03:51,670 --> 00:03:48,640

questions and i did not get a

88

00:03:53,589 --> 00:03:51,680

satisfactory answer and i want to i want

89

00:03:55,589 --> 00:03:53,599

to run those by you when we get to that

90

00:03:57,110 --> 00:03:55,599

crossroads bud but i would just like to

91

00:04:01,350 --> 00:03:57,120

say one thing i win because i'm a

92

00:04:05,030 --> 00:04:03,589

hey i'm a sergeant and you colonels

93

00:04:06,869 --> 00:04:05,040

couldn't get [h__h] done if it wasn't for

94

00:04:08,309 --> 00:04:06,879

us sergeants and you know that want a

95

00:04:11,190 --> 00:04:08,319

bet

96

00:04:12,470 --> 00:04:11,200

yeah i do man

97

00:04:15,589 --> 00:04:12,480

but anyway

98

00:04:18,629 --> 00:04:15,599

i know how to work the specialists

99

00:04:21,270 --> 00:04:18,639

and we knew how to manipulate you brass

100

00:04:23,590 --> 00:04:21,280

i don't think so oh buddy

101
00:04:25,030 --> 00:04:23,600
you you didn't run out of me okay i can

102
00:04:27,749 --> 00:04:25,040
tell you

103
00:04:31,510 --> 00:04:27,759
so we're even there there you go yes sir

104
00:04:33,510 --> 00:04:31,520
but remember one thing i got paid for

105
00:04:36,469 --> 00:04:33,520
so

106
00:04:38,230 --> 00:04:36,479
there you go i got paid more

107
00:04:39,430 --> 00:04:38,240
money money

108
00:04:40,790 --> 00:04:39,440
is not

109
00:04:42,950 --> 00:04:40,800
the measure

110
00:04:45,030 --> 00:04:42,960
although it is true you did get paid

111
00:04:47,110 --> 00:04:45,040
more and you and and and you had a lot

112
00:04:48,230 --> 00:04:47,120
better benefits than i did that's a fact

113
00:04:49,909 --> 00:04:48,240

jack

114

00:04:51,510 --> 00:04:49,919

well what benefits did i get that you

115

00:04:54,390 --> 00:04:51,520

don't

116

00:04:55,670 --> 00:04:54,400

no i mean rank has its privilege

117

00:04:57,749 --> 00:04:55,680

uh we

118

00:05:00,150 --> 00:04:57,759

my point of view had always been we take

119

00:05:02,070 --> 00:05:00,160

care of our enlisted soldiers first then

120

00:05:03,590 --> 00:05:02,080

we take care of ourselves

121

00:05:05,990 --> 00:05:03,600

and i was fortunate to serve under

122

00:05:07,670 --> 00:05:06,000

several commanders that did exactly that

123

00:05:10,310 --> 00:05:07,680

that's the way it's supposed to be you

124

00:05:11,749 --> 00:05:10,320

damn right well there's a big difference

125

00:05:16,070 --> 00:05:11,759

the way it's supposed to be and

126

00:05:20,390 --> 00:05:18,150

i made sure i made sure my soldiers were

127

00:05:21,350 --> 00:05:20,400

taken care of before i

128

00:05:23,189 --> 00:05:21,360

uh

129

00:05:25,430 --> 00:05:23,199

colonel green did the same thing he was

130

00:05:27,830 --> 00:05:25,440

a good uh good commander i believe only

131

00:05:29,990 --> 00:05:27,840

time the only time i broke that

132

00:05:32,150 --> 00:05:30,000

is while we were in iraq

133

00:05:33,749 --> 00:05:32,160

and there was a phone that we could use

134

00:05:35,909 --> 00:05:33,759

to call home

135

00:05:38,230 --> 00:05:35,919

and i broke the line once

136

00:05:39,749 --> 00:05:38,240

but it was for official business and i

137

00:05:41,189 --> 00:05:39,759

and i told the people like i've got to

138

00:05:42,710 --> 00:05:41,199

break the line here i'll get off as

139

00:05:44,950 --> 00:05:42,720

quickly as i can

140

00:05:47,350 --> 00:05:44,960

and i think they all understood and i

141

00:05:50,070 --> 00:05:47,360

should the mission the mission

142

00:05:51,909 --> 00:05:50,080

comes first but uh but that's the only

143

00:05:53,430 --> 00:05:51,919

time i really violated that rule i

144

00:05:55,430 --> 00:05:53,440

always tried to make sure the soldiers

145

00:06:00,230 --> 00:05:55,440

were taken care of and then we then we

146

00:06:05,110 --> 00:06:03,430

hey kevin yes i'm here

147

00:06:08,629 --> 00:06:05,120

i want to jump into

148

00:06:09,909 --> 00:06:08,639

the uh roswell the 21st century book

149

00:06:13,670 --> 00:06:09,919

okay

150

00:06:15,510 --> 00:06:13,680

and you know after and i i was telling

151
00:06:17,189 --> 00:06:15,520
um

152
00:06:19,510 --> 00:06:17,199
mj that

153
00:06:21,990 --> 00:06:19,520
i i didn't read it read it but i went

154
00:06:23,670 --> 00:06:22,000
through chapters and picked out uh

155
00:06:25,830 --> 00:06:23,680
passages and stuff and i found it

156
00:06:28,870 --> 00:06:25,840
interesting and i and i will

157
00:06:30,870 --> 00:06:28,880
uh read it to read it

158
00:06:32,230 --> 00:06:30,880
i think the footnotes are the most fun

159
00:06:33,189 --> 00:06:32,240
well idea and i was just getting ready

160
00:06:35,909 --> 00:06:33,199
to say

161
00:06:37,990 --> 00:06:35,919
that's where i spent a lot of my time

162
00:06:39,990 --> 00:06:38,000
but um

163
00:06:43,590 --> 00:06:40,000

you don't think a craft came down in

164

00:06:45,270 --> 00:06:43,600

roswell in 46 i i don't know anymore

165

00:06:52,790 --> 00:06:45,280

i

166

00:06:55,590 --> 00:06:52,800

me

167

00:06:57,670 --> 00:06:55,600

uh we got to we got to albuquerque and

168

00:06:58,870 --> 00:06:57,680

uh we had a number of interviews met set

169

00:07:00,469 --> 00:06:58,880

up we were supposed to meet with frank

170

00:07:01,670 --> 00:07:00,479

joyce but he canceled on us because he

171

00:07:03,990 --> 00:07:01,680

was sick

172

00:07:06,950 --> 00:07:04,000

we met with this new age group that was

173

00:07:09,270 --> 00:07:06,960

way outside the box

174

00:07:11,110 --> 00:07:09,280

in their new age orientation and they

175

00:07:13,430 --> 00:07:11,120

they added nothing to it then we went to

176
00:07:15,510 --> 00:07:13,440
roswell cliff stone and he didn't have a

177
00:07:17,189 --> 00:07:15,520
lot that was of importance and i'm

178
00:07:18,870 --> 00:07:17,199
thinking this thing is just coming apart

179
00:07:20,870 --> 00:07:18,880
and then we of course met bill brazel

180
00:07:22,070 --> 00:07:20,880
and everything just solidified at that

181
00:07:24,070 --> 00:07:22,080
point

182
00:07:26,469 --> 00:07:24,080
but as we continued the investigation

183
00:07:28,550 --> 00:07:26,479
and we were finding more and more people

184
00:07:31,670 --> 00:07:28,560
who are involved in some fashion

185
00:07:34,469 --> 00:07:31,680
uh the the family of the the sheriffs uh

186
00:07:37,189 --> 00:07:34,479
george wilcox um other soldiers who were

187
00:07:40,150 --> 00:07:37,199
involved in some aspect of the recovery

188
00:07:42,230 --> 00:07:40,160

operation my conversations with ed edwin

189

00:07:44,710 --> 00:07:42,240

easley who was the provost marshal on

190

00:07:46,870 --> 00:07:44,720

the base at the time it all led us to

191

00:07:48,309 --> 00:07:46,880

this idea that there was this this alien

192

00:07:50,390 --> 00:07:48,319

crap it was looked like there was going

193

00:07:52,309 --> 00:07:50,400

to be a lot of

194

00:07:54,070 --> 00:07:52,319

evidence about it but now we're to the

195

00:07:56,070 --> 00:07:54,080

point where some of the witnesses have

196

00:07:59,990 --> 00:07:56,080

completely blown up on us uh frank

197

00:08:01,110 --> 00:08:00,000

kaufman glenn dennis to name two

198

00:08:04,869 --> 00:08:01,120

um

199

00:08:07,350 --> 00:08:04,879

whose tales are not credible

200

00:08:09,670 --> 00:08:07,360

and things like that when you look at

201
00:08:12,309 --> 00:08:09,680
the state of the evidence as it exists

202
00:08:14,309 --> 00:08:12,319
today in the 21st century as opposed to

203
00:08:17,670 --> 00:08:14,319
where it was back in the 1990s as we

204
00:08:20,469 --> 00:08:17,680
began the investigation how about 1947.

205
00:08:22,629 --> 00:08:20,479
well i'm saying our investigation of of

206
00:08:25,430 --> 00:08:22,639
what was going on i mean that's where we

207
00:08:27,430 --> 00:08:25,440
started in the 1990s and at that point

208
00:08:29,350 --> 00:08:27,440
we came to the conclusion it was alien

209
00:08:32,149 --> 00:08:29,360
and i was absolutely convinced it was

210
00:08:33,990 --> 00:08:32,159
alien but as we continued to march and

211
00:08:35,750 --> 00:08:34,000
got more and more information it became

212
00:08:37,829 --> 00:08:35,760
clear that the information wasn't as

213
00:08:40,230 --> 00:08:37,839

solid as we thought it was

214

00:08:42,550 --> 00:08:40,240

and so we get to the point where if you

215

00:08:44,949 --> 00:08:42,560

say to me today well what fellow roswell

216

00:08:46,550 --> 00:08:44,959

my answer is i don't know

217

00:08:47,910 --> 00:08:46,560

was it a project mogul balloon

218

00:08:49,910 --> 00:08:47,920

absolutely not

219

00:08:51,990 --> 00:08:49,920

uh that that information is clear it's

220

00:08:53,509 --> 00:08:52,000

documented they said there was no uh

221

00:08:54,470 --> 00:08:53,519

flight number well let's look here you

222

00:08:56,310 --> 00:08:54,480

know

223

00:08:57,670 --> 00:08:56,320

and i i'm not i'll tell you where i'm

224

00:08:59,750 --> 00:08:57,680

coming from

225

00:09:01,509 --> 00:08:59,760

and and i'll get into some of the

226

00:09:04,949 --> 00:09:01,519

specifics and the footnotes and the book

227

00:09:08,070 --> 00:09:06,070

i've

228

00:09:11,110 --> 00:09:08,080

i work on the kiss principle when it

229

00:09:13,910 --> 00:09:11,120

comes to investigations okay and keep it

230

00:09:15,829 --> 00:09:13,920

simple stupid and and the reason why

231

00:09:18,389 --> 00:09:15,839

that's important

232

00:09:20,470 --> 00:09:18,399

is because you otherwise

233

00:09:24,150 --> 00:09:20,480

you can become tunnel vision so what i'm

234

00:09:26,230 --> 00:09:24,160

about to tell you is my perspective

235

00:09:28,870 --> 00:09:26,240

based on everything is is that

236

00:09:30,310 --> 00:09:28,880

go with what the initial

237

00:09:32,870 --> 00:09:30,320

report was

238

00:09:35,829 --> 00:09:32,880

the government told us that they

239

00:09:37,829 --> 00:09:35,839

captured a flying disc

240

00:09:38,949 --> 00:09:37,839

no they actually set a flying saucer

241

00:09:41,110 --> 00:09:38,959

okay well

242

00:09:43,829 --> 00:09:41,120

and yeah

243

00:09:46,550 --> 00:09:43,839

the fact of the matter is they admitted

244

00:09:47,990 --> 00:09:46,560

no no because you're going to go

245

00:09:51,509 --> 00:09:48,000

listen to me

246

00:09:55,509 --> 00:09:51,519

go ken

247

00:09:58,070 --> 00:09:55,519

in july of 1947 flying saucer did not

248

00:09:59,910 --> 00:09:58,080

necessarily mean an alien spacecraft

249

00:10:02,790 --> 00:09:59,920

there were many definitions of what a

250

00:10:05,030 --> 00:10:02,800

flying saucer was and one of them was

251
00:10:07,910 --> 00:10:05,040
alien spacecraft but by saying they had

252
00:10:10,630 --> 00:10:07,920
a flying saucer didn't necessarily mean

253
00:10:13,030 --> 00:10:10,640
they had an alien spacecraft based on

254
00:10:14,790 --> 00:10:13,040
the semantics and the tone and the

255
00:10:16,710 --> 00:10:14,800
information being possessed

256
00:10:18,790 --> 00:10:16,720
uh passed

257
00:10:19,750 --> 00:10:18,800
wait a minute whoa time out here for a

258
00:10:21,069 --> 00:10:19,760
second

259
00:10:26,310 --> 00:10:21,079
okay

260
00:10:28,470 --> 00:10:26,320
1947 the term flying saucer

261
00:10:32,310 --> 00:10:28,480
and that's going back to kenneth

262
00:10:34,550 --> 00:10:32,320
arnold's siding in which he describes

263
00:10:36,790 --> 00:10:34,560

objects that he could not

264

00:10:39,269 --> 00:10:36,800

positively identify other than their

265

00:10:41,670 --> 00:10:39,279

shape and how they flew and that's where

266

00:10:44,069 --> 00:10:41,680

that term came from and so to use the

267

00:10:47,509 --> 00:10:44,079

term flying saucer kevin they're talking

268

00:10:50,069 --> 00:10:47,519

about alien technology no they're not

269

00:10:52,069 --> 00:10:50,079

no they're not they're absolutely

270

00:10:53,430 --> 00:10:52,079

you haven't been the term flying saucer

271

00:10:54,630 --> 00:10:53,440

the term flying saucer actually

272

00:10:55,430 --> 00:10:54,640

mentioned

273

00:10:57,990 --> 00:10:55,440

uh

274

00:11:00,150 --> 00:10:58,000

referred to the motion of the objects

275

00:11:01,910 --> 00:11:00,160

uh as they moved through the air like a

276
00:11:03,030 --> 00:11:01,920
saucer skipping across dipping across

277
00:11:05,509 --> 00:11:03,040
the water

278
00:11:06,949 --> 00:11:05,519
and the this uh

279
00:11:10,069 --> 00:11:06,959
craft that

280
00:11:11,430 --> 00:11:10,079
arnold reported was not saucer shaped

281
00:11:13,350 --> 00:11:11,440
no

282
00:11:15,110 --> 00:11:13,360
they weren't they looked like the a

283
00:11:16,790 --> 00:11:15,120
little bit like the horton project the

284
00:11:18,310 --> 00:11:16,800
nazis were doing

285
00:11:19,829 --> 00:11:18,320
now they look more like the flying wing

286
00:11:22,630 --> 00:11:19,839
if you want to get nests you want to get

287
00:11:24,870 --> 00:11:22,640
to that point okay but it doesn't make

288
00:11:28,389 --> 00:11:24,880

any difference the fact of the matter is

289

00:11:31,030 --> 00:11:28,399

flying saucer was referring to exotic

290

00:11:33,430 --> 00:11:31,040

technology aerodynamically and the way

291

00:11:35,590 --> 00:11:33,440

they flew and the speed at which was

292

00:11:38,310 --> 00:11:35,600

calculated by kenneth arnold so when

293

00:11:40,790 --> 00:11:38,320

that term flying saucer it did mean

294

00:11:42,550 --> 00:11:40,800

exotic technology now you we can argue

295

00:11:45,269 --> 00:11:42,560

whether or not that exotic technology

296

00:11:46,870 --> 00:11:45,279

came from the nazis russians chinese are

297

00:11:50,389 --> 00:11:46,880

our own inventions but the fact of the

298

00:11:52,389 --> 00:11:50,399

matter is that's what it referred to

299

00:11:53,750 --> 00:11:52,399

i got no problem with i got that no i

300

00:11:55,269 --> 00:11:53,760

got no problem with that definition

301
00:11:56,310 --> 00:11:55,279
exotic technology i have no problem with

302
00:11:58,870 --> 00:11:56,320
that i'm just saying it doesn't

303
00:11:59,750 --> 00:11:58,880
necessarily mean alien technology

304
00:12:01,910 --> 00:11:59,760
well

305
00:12:03,829 --> 00:12:01,920
i think in 47 it did and i think it

306
00:12:06,710 --> 00:12:03,839
means that today too look at the

307
00:12:08,829 --> 00:12:06,720
newspaper no in today's today yes today

308
00:12:11,350 --> 00:12:08,839
yes but look at the newspapers back in

309
00:12:12,629 --> 00:12:11,360
1947 very few of them as they're talking

310
00:12:14,230 --> 00:12:12,639
about this right up to the time of the

311
00:12:15,670 --> 00:12:14,240
roswell case they're not talking about

312
00:12:17,030 --> 00:12:15,680
alien spacecraft they're talking about a

313
00:12:19,590 --> 00:12:17,040

lot of other stuff

314

00:12:21,670 --> 00:12:19,600

well based on your research kevin and i

315

00:12:23,670 --> 00:12:21,680

this is one of the questions i hit you

316

00:12:25,750 --> 00:12:23,680

don't want to hear his name but no i

317

00:12:28,150 --> 00:12:25,760

just that ship sailed we can mention

318

00:12:30,069 --> 00:12:28,160

stan all you want well i asked stanton

319

00:12:31,990 --> 00:12:30,079

friedman this question and i did not get

320

00:12:34,629 --> 00:12:32,000

a satisfactory answer and i have yet to

321

00:12:37,110 --> 00:12:34,639

receive one but i think i have come up

322

00:12:39,190 --> 00:12:37,120

with a hypothesis that works that

323

00:12:41,590 --> 00:12:39,200

answers the question i'm not saying that

324

00:12:42,949 --> 00:12:41,600

it that it does and the question is

325

00:12:44,949 --> 00:12:42,959

why okay

326

00:12:46,790 --> 00:12:44,959

let's for the sake of argument say that

327

00:12:49,350 --> 00:12:46,800

when they mention flying saucer and they

328

00:12:51,269 --> 00:12:49,360

made that announcement in july of 47

329

00:12:54,310 --> 00:12:51,279

that they were talking about

330

00:12:56,069 --> 00:12:54,320

alien technology exotic technology

331

00:12:58,310 --> 00:12:56,079

whatever you want to call it

332

00:13:00,230 --> 00:12:58,320

why would they do that

333

00:13:02,230 --> 00:13:00,240

kevin why there is

334

00:13:03,750 --> 00:13:02,240

there is absolutely no answer to that

335

00:13:05,350 --> 00:13:03,760

yes there is

336

00:13:07,190 --> 00:13:05,360

there certainly is there has to be an

337

00:13:09,750 --> 00:13:07,200

answer

338

00:13:11,350 --> 00:13:09,760

the who what where when and why and in

339

00:13:14,629 --> 00:13:11,360

most investigations and i'll tell you

340

00:13:16,230 --> 00:13:14,639

this from 31 years doing homicide rape

341

00:13:18,069 --> 00:13:16,240

personal uh

342

00:13:20,389 --> 00:13:18,079

i want to know what their answer is why

343

00:13:21,430 --> 00:13:20,399

did they make the press release i think

344

00:13:23,269 --> 00:13:21,440

here's my

345

00:13:25,990 --> 00:13:23,279

let me set the table for you okay and

346

00:13:28,790 --> 00:13:26,000

keep in mind this is my hypothesis but

347

00:13:30,150 --> 00:13:28,800

the question why has to be answered

348

00:13:32,470 --> 00:13:30,160

that's the crux in the whole

349

00:13:34,389 --> 00:13:32,480

investigation why would they admit and

350

00:13:36,949 --> 00:13:34,399

then what eight 12 hours whatever go

351
00:13:39,670 --> 00:13:36,959
from exotic technology to a mundane

352
00:13:41,829 --> 00:13:39,680
explanation that it's a balloon

353
00:13:45,190 --> 00:13:41,839
all right so here's my hypothesis on

354
00:13:48,949 --> 00:13:47,670
marcel and captain cavett you know i

355
00:13:51,190 --> 00:13:48,959
know there's a disagreement as to

356
00:13:54,550 --> 00:13:51,200
whether he went there or not but major

357
00:13:56,629 --> 00:13:54,560
marcel said he was present at the debris

358
00:13:58,550 --> 00:13:56,639
said he went there too yeah but he then

359
00:14:00,949 --> 00:13:58,560
he you're right he did and then he

360
00:14:02,790 --> 00:14:00,959
recanted and said he wasn't there but he

361
00:14:04,710 --> 00:14:02,800
was no i think it was the other way

362
00:14:06,310 --> 00:14:04,720
around i think he was telling us and

363
00:14:08,069 --> 00:14:06,320

when i say yes again don schmidt and me

364

00:14:09,509 --> 00:14:08,079

that he wasn't involved with this they

365

00:14:11,030 --> 00:14:09,519

didn't do anything of this then when

366

00:14:12,790 --> 00:14:11,040

colonel weaver came to visit he said

367

00:14:15,910 --> 00:14:12,800

yeah i went out there with mars i went

368

00:14:17,829 --> 00:14:15,920

out there and talked about it so so

369

00:14:19,430 --> 00:14:17,839

the point simply is kevin said both

370

00:14:21,829 --> 00:14:19,440

things he was there and he wasn't there

371

00:14:23,269 --> 00:14:21,839

correct marcel said that he was there

372

00:14:24,949 --> 00:14:23,279

and uh but we don't know what mac

373

00:14:27,350 --> 00:14:24,959

browser would have said because

374

00:14:28,829 --> 00:14:27,360

nobody talked here let me okay i'm gonna

375

00:14:31,269 --> 00:14:28,839

i'm gonna give you my

376

00:14:33,990 --> 00:14:31,279

hypothesis and this is based upon

377

00:14:36,470 --> 00:14:34,000

first-hand eyewitness testimony no

378

00:14:38,069 --> 00:14:36,480

hearsay know somebody saying they were

379

00:14:40,150 --> 00:14:38,079

there that and they weren't

380

00:14:41,829 --> 00:14:40,160

these are people that we can prove that

381

00:14:43,110 --> 00:14:41,839

were there

382

00:14:47,350 --> 00:14:43,120

all right

383

00:14:49,509 --> 00:14:47,360

and uh mac brazil was was one of them

384

00:14:51,110 --> 00:14:49,519

jesse marcel was another one and he was

385

00:14:53,430 --> 00:14:51,120

a government official and i truly

386

00:14:56,310 --> 00:14:53,440

believe they went out there

387

00:14:59,430 --> 00:14:56,320

thinking that they were going to find

388

00:15:02,710 --> 00:14:59,440

a crashed airplane

389

00:15:04,710 --> 00:15:02,720

there is no evidence indicating that ufo

390

00:15:07,509 --> 00:15:04,720

flying saucer conversation was being

391

00:15:10,550 --> 00:15:07,519

discussed between mack brazil and jesse

392

00:15:13,110 --> 00:15:10,560

marcel in fact marcel in his own words

393

00:15:17,030 --> 00:15:13,120

his i i saw the the eight millimeter

394

00:15:18,790 --> 00:15:17,040

film when he was filmed in 1970 where he

395

00:15:20,310 --> 00:15:18,800

said that they were going out there him

396

00:15:22,710 --> 00:15:20,320

and cavett

397

00:15:25,189 --> 00:15:22,720

to look for a downed aircraft thinking

398

00:15:26,870 --> 00:15:25,199

that it was civilian because marcel knew

399

00:15:30,870 --> 00:15:26,880

that they didn't have anything up or

400

00:15:34,790 --> 00:15:32,949

and it wasn't until they got on scene

401
00:15:37,750 --> 00:15:34,800
and keep in mind

402
00:15:40,069 --> 00:15:37,760
brazo had to show them so they

403
00:15:42,230 --> 00:15:40,079
they rode together with brazo he left

404
00:15:44,710 --> 00:15:42,240
his truck at the sheriff's office and

405
00:15:46,790 --> 00:15:44,720
when they came back they dropped brazzle

406
00:15:48,069 --> 00:15:46,800
off at the sheriff's office well on the

407
00:15:49,670 --> 00:15:48,079
way back

408
00:15:51,990 --> 00:15:49,680
cavett and marcel

409
00:15:55,189 --> 00:15:52,000
were talking and they knew that they had

410
00:15:57,110 --> 00:15:55,199
something that was exotic extraordinary

411
00:15:58,470 --> 00:15:57,120
and brazil's sitting there listening to

412
00:16:02,069 --> 00:15:58,480
the conversation between these two

413
00:16:04,069 --> 00:16:02,079

officers so when he gets dropped off

414

00:16:06,870 --> 00:16:04,079

at the sheriff's department

415

00:16:09,350 --> 00:16:06,880

and goes down to the local watering hole

416

00:16:11,269 --> 00:16:09,360

in a matter of hours the entire town of

417

00:16:12,230 --> 00:16:11,279

i live in a small town so i know how it

418

00:16:13,030 --> 00:16:12,240

works

419

00:16:14,470 --> 00:16:13,040

that

420

00:16:15,670 --> 00:16:14,480

town had to be

421

00:16:17,350 --> 00:16:15,680

a buzz

422

00:16:18,949 --> 00:16:17,360

and i think the

423

00:16:21,350 --> 00:16:18,959

commanding officer was getting phone

424

00:16:23,670 --> 00:16:21,360

calls from base or off-base personnel

425

00:16:26,710 --> 00:16:23,680

including the mayor and and the sheriff

426
00:16:29,110 --> 00:16:26,720
and everything and he had a firestorm

427
00:16:30,550 --> 00:16:29,120
on his hands

428
00:16:33,590 --> 00:16:30,560
and he didn't know what he was dealing

429
00:16:35,829 --> 00:16:33,600
with this thing was completely

430
00:16:37,670 --> 00:16:35,839
unprepared they were not ready for what

431
00:16:39,670 --> 00:16:37,680
dropped in their laps

432
00:16:41,670 --> 00:16:39,680
and so the brush fire was already

433
00:16:44,389 --> 00:16:41,680
burning in the civilian world in the

434
00:16:46,550 --> 00:16:44,399
town of roswell

435
00:16:47,590 --> 00:16:46,560
and i think i think blanchard made a

436
00:16:49,269 --> 00:16:47,600
call

437
00:16:52,870 --> 00:16:49,279
when he when he because they had he had

438
00:16:56,150 --> 00:16:52,880

to give some kind of response because

439

00:16:58,230 --> 00:16:56,160

everybody in the town was talking about

440

00:17:01,590 --> 00:16:58,240

ufos and flying saucer and what crashed

441

00:17:06,150 --> 00:17:03,430

and i think that brush fire was getting

442

00:17:07,909 --> 00:17:06,160

out of hand so

443

00:17:11,350 --> 00:17:07,919

excuse me

444

00:17:14,470 --> 00:17:11,360

blanchard made an i we call

445

00:17:15,990 --> 00:17:14,480

we call it a voluntary statement

446

00:17:17,429 --> 00:17:16,000

all right or a dying declaration

447

00:17:19,829 --> 00:17:17,439

whatever whatever term you want to put

448

00:17:20,870 --> 00:17:19,839

in it you know it's kind of an all [h__h]

449

00:17:23,350 --> 00:17:20,880

moment

450

00:17:25,270 --> 00:17:23,360

and i think blanchard was caught

451

00:17:27,110 --> 00:17:25,280

basically with his pants down and no

452

00:17:29,590 --> 00:17:27,120

disrespect to him but he had something

453

00:17:31,590 --> 00:17:29,600

on his hands that he wasn't prepared nor

454

00:17:33,750 --> 00:17:31,600

did he have any manual any reference

455

00:17:36,390 --> 00:17:33,760

that he could go to so he called it from

456

00:17:38,710 --> 00:17:36,400

the cuff and when it came to be that it

457

00:17:41,110 --> 00:17:38,720

truly was exotic material that's when

458

00:17:42,710 --> 00:17:41,120

they had to squash it and come up with

459

00:17:45,190 --> 00:17:42,720

some [h__h] explanation that it was a

460

00:17:46,950 --> 00:17:45,200

balloon but i truly believe that answer

461

00:17:48,870 --> 00:17:46,960

the why they made the admission was

462

00:17:50,870 --> 00:17:48,880

because they got caught off guard and i

463

00:17:52,789 --> 00:17:50,880

think blanchard called that from his

464

00:17:55,350 --> 00:17:52,799

position and had him say okay yeah tell

465

00:17:57,669 --> 00:17:55,360

him we got something exotic blah blah we

466

00:17:59,270 --> 00:17:57,679

and the term you know the roswell daily

467

00:18:01,270 --> 00:17:59,280

record i think you know

468

00:18:03,669 --> 00:18:01,280

air force captures flying saucer on a

469

00:18:06,100 --> 00:18:03,679

ranch in roswell

470

00:18:07,270 --> 00:18:06,110

well the only flaw in your theory

471

00:18:10,549 --> 00:18:07,280

[Music]

472

00:18:12,070 --> 00:18:10,559

is the idea that uh mac brazil left his

473

00:18:14,549 --> 00:18:12,080

truck at the sheriff's office because

474

00:18:16,150 --> 00:18:14,559

according to other information we have

475

00:18:18,630 --> 00:18:16,160

they followed

476
00:18:21,270 --> 00:18:18,640
i'm going by what marcel said marcel

477
00:18:24,150 --> 00:18:21,280
said they followed him out he drove

478
00:18:25,750 --> 00:18:24,160
his staff car and and kevin was in a

479
00:18:26,630 --> 00:18:25,760
jeep carryall

480
00:18:28,710 --> 00:18:26,640
and

481
00:18:31,909 --> 00:18:28,720
they had to get to the crash site by

482
00:18:34,310 --> 00:18:31,919
horseback yes brazil had to show them

483
00:18:36,310 --> 00:18:34,320
they were in contact with the man

484
00:18:38,230 --> 00:18:36,320
absolutely okay now

485
00:18:39,909 --> 00:18:38,240
okay hey

486
00:18:42,549 --> 00:18:39,919
let me let me say i'm going by what

487
00:18:44,549 --> 00:18:42,559
marcel said i i've

488
00:18:47,750 --> 00:18:44,559

seen the interview and he says that

489

00:18:50,150 --> 00:18:47,760

brazo was with them and brazil overheard

490

00:18:52,310 --> 00:18:50,160

the conversation that was going on where

491

00:18:53,190 --> 00:18:52,320

was this before was this published

492

00:18:55,110 --> 00:18:53,200

huh

493

00:18:57,029 --> 00:18:55,120

this was in an interview with

494

00:18:59,270 --> 00:18:57,039

um major marcel

495

00:19:00,789 --> 00:18:59,280

1976 i think is the date on it when he

496

00:19:04,150 --> 00:19:00,799

was interviewed well since marcel didn't

497

00:19:08,710 --> 00:19:04,160

talk to anybody until 1978

498

00:19:12,470 --> 00:19:10,549

where was this where was this

499

00:19:13,909 --> 00:19:12,480

where can we see this

500

00:19:15,350 --> 00:19:13,919

uh interview

501
00:19:16,789 --> 00:19:15,360
well i think it's probably up on youtube

502
00:19:20,230 --> 00:19:16,799
i haven't looked at it in a long time

503
00:19:23,990 --> 00:19:22,470
and jesse marcel was was

504
00:19:25,990 --> 00:19:24,000
not in the best of health in fact he

505
00:19:27,510 --> 00:19:26,000
admits that that he wasn't in the best

506
00:19:29,830 --> 00:19:27,520
of health but this interview takes place

507
00:19:31,750 --> 00:19:29,840
and he explains what

508
00:19:33,510 --> 00:19:31,760
uh what went on

509
00:19:36,230 --> 00:19:33,520
um

510
00:19:38,710 --> 00:19:36,240
in the desert and what took place

511
00:19:40,789 --> 00:19:38,720
with the three of them have you

512
00:19:42,150 --> 00:19:40,799
read have you read linda

513
00:19:42,950 --> 00:19:42,160

carly's book

514

00:19:45,350 --> 00:19:42,960

no

515

00:19:46,710 --> 00:19:45,360

she interviewed marcel for four hours

516

00:19:48,789 --> 00:19:46,720

and maybe the most comprehensive

517

00:19:50,710 --> 00:19:48,799

interview conducted with the man

518

00:19:53,110 --> 00:19:50,720

okay it's called for the sake of my

519

00:19:54,870 --> 00:19:53,120

country it's available on amazon so you

520

00:19:56,630 --> 00:19:54,880

could like have it

521

00:19:57,830 --> 00:19:56,640

in 30 seconds

522

00:19:59,110 --> 00:19:57,840

if you have

523

00:20:00,950 --> 00:19:59,120

kindle

524

00:20:05,029 --> 00:20:00,960

uh no i don't

525

00:20:09,669 --> 00:20:07,830

in basic god ages here okay

526

00:20:10,549 --> 00:20:09,679

come to the 21st century for crying in a

527

00:20:11,669 --> 00:20:10,559

bucket

528

00:20:13,750 --> 00:20:11,679

but

529

00:20:16,950 --> 00:20:13,760

the fact of the matter is you have to

530

00:20:21,510 --> 00:20:16,960

answer why and i think it was absolutely

531

00:20:24,310 --> 00:20:21,520

and and i think that uh um a lot of the

532

00:20:26,470 --> 00:20:24,320

uh rumors propaganda that surrounds

533

00:20:28,070 --> 00:20:26,480

roswell kevin everybody's written a book

534

00:20:30,549 --> 00:20:28,080

about the goddamn thing for christ's

535

00:20:32,470 --> 00:20:30,559

sakes okay and everybody has opinion and

536

00:20:35,590 --> 00:20:32,480

all i'm saying is i'm going by what the

537

00:20:38,149 --> 00:20:35,600

government is stating yeah first and i

538

00:20:40,630 --> 00:20:38,159

interviewed uh marcel jr for almost

539

00:20:41,990 --> 00:20:40,640

three hours in a hotel room in laughlin

540

00:20:43,990 --> 00:20:42,000

nevada

541

00:20:45,510 --> 00:20:44,000

and he was a colonel himself

542

00:20:46,789 --> 00:20:45,520

no he actually outranked me he was a

543

00:20:50,789 --> 00:20:46,799

full colonel i was just a lousy

544

00:20:54,549 --> 00:20:50,799

lieutenant colonel lc see he wins

545

00:20:58,310 --> 00:20:56,070

if you're going by rank you're never

546

00:20:59,270 --> 00:20:58,320

going to win colonel come on man

547

00:21:05,669 --> 00:20:59,280

you know

548

00:21:08,549 --> 00:21:05,679

this is a first-hand eyewitness

549

00:21:11,270 --> 00:21:08,559

that got a chance to handle and see the

550

00:21:12,789 --> 00:21:11,280

wreckage and once again it's coming from

551

00:21:14,950 --> 00:21:12,799

he's a colonel he's even though he

552

00:21:17,190 --> 00:21:14,960

wasn't military at the time his father

553

00:21:20,070 --> 00:21:17,200

certainly was and he they lived on base

554

00:21:21,029 --> 00:21:20,080

housing and he was no they didn't able

555

00:21:23,270 --> 00:21:21,039

to

556

00:21:26,950 --> 00:21:23,280

they didn't live on the bench

557

00:21:31,590 --> 00:21:29,270

the fact of the matter is he was married

558

00:21:33,830 --> 00:21:31,600

had a mother okay and he brought the

559

00:21:36,950 --> 00:21:33,840

wreckage home to the boy

560

00:21:40,549 --> 00:21:36,960

yes that's what he claims

561

00:21:41,750 --> 00:21:40,559

oh i believe it i i don't you

562

00:21:44,549 --> 00:21:41,760

once again

563

00:21:46,230 --> 00:21:44,559

you have the government telling you his

564

00:21:47,510 --> 00:21:46,240

father and then later in years when he's

565

00:21:49,669 --> 00:21:47,520

a colonel he's part of the government

566

00:21:51,270 --> 00:21:49,679

he's being up forward and forthright and

567

00:21:52,549 --> 00:21:51,280

stating that he handled it that he saw

568

00:21:54,630 --> 00:21:52,559

the wreckage

569

00:21:56,390 --> 00:21:54,640

so you've got direct evident witness

570

00:21:59,669 --> 00:21:56,400

testimony direct witness testimony

571

00:22:01,590 --> 00:21:59,679

firsthand testimony from two people that

572

00:22:03,430 --> 00:22:01,600

were there that handled the wreckage and

573

00:22:06,390 --> 00:22:03,440

then you have the admission by the air

574

00:22:09,029 --> 00:22:06,400

force that they captured

575

00:22:11,990 --> 00:22:09,039

a flying saucer

576
00:22:14,630 --> 00:22:12,000
and i think that in itself is really in

577
00:22:16,710 --> 00:22:14,640
terms of a court of law is pretty

578
00:22:18,789 --> 00:22:16,720
damning evidence

579
00:22:20,470 --> 00:22:18,799
but the problem the problem is the

580
00:22:22,630 --> 00:22:20,480
problem is if you bring that up in a

581
00:22:24,390 --> 00:22:22,640
court of law

582
00:22:26,549 --> 00:22:24,400
and i wanted to

583
00:22:29,270 --> 00:22:26,559
argue the point i would bring in all the

584
00:22:30,230 --> 00:22:29,280
newspaper clippings from 1947 and show

585
00:22:31,990 --> 00:22:30,240
you

586
00:22:34,950 --> 00:22:32,000
that rarely

587
00:22:37,190 --> 00:22:34,960
did flying saucer translate to alien

588
00:22:39,029 --> 00:22:37,200

spacecraft

589

00:22:41,110 --> 00:22:39,039

that the majority of the article

590

00:22:43,750 --> 00:22:41,120

suggested something more terrestrial in

591

00:22:45,590 --> 00:22:43,760

nature it might have been exotic soviet

592

00:22:47,110 --> 00:22:45,600

it might have been exotic american it

593

00:22:47,990 --> 00:22:47,120

might have been exotic something or

594

00:22:49,590 --> 00:22:48,000

other

595

00:22:51,669 --> 00:22:49,600

but the fact they called it a flying

596

00:22:53,590 --> 00:22:51,679

saucer does not directly translate to

597

00:22:56,710 --> 00:22:53,600

the idea that it was an alien spacecraft

598

00:22:58,710 --> 00:22:56,720

but it wasn't any of those kevin that if

599

00:23:00,630 --> 00:22:58,720

if it if and

600

00:23:02,230 --> 00:23:00,640

what evidence what evidence do you have

601
00:23:03,750 --> 00:23:02,240
other than testimony

602
00:23:05,350 --> 00:23:03,760
that's the problem all we have is

603
00:23:07,430 --> 00:23:05,360
testimony we don't have a piece of the

604
00:23:09,029 --> 00:23:07,440
damn debris we don't have pictures of it

605
00:23:09,990 --> 00:23:09,039
we don't have samples of anything we

606
00:23:12,149 --> 00:23:10,000
have

607
00:23:13,510 --> 00:23:12,159
wait a minute hey hold on a second man

608
00:23:16,870 --> 00:23:13,520
take a breath

609
00:23:20,710 --> 00:23:16,880
okay responding to you i know but

610
00:23:23,510 --> 00:23:22,230
first of all i think that there is

611
00:23:25,510 --> 00:23:23,520
evidence i think there is physical

612
00:23:26,950 --> 00:23:25,520
evidence when you say we don't have it

613
00:23:28,630 --> 00:23:26,960

you're right the researchers and the

614

00:23:30,470 --> 00:23:28,640

investigators don't have their little

615

00:23:33,830 --> 00:23:30,480

grubby hands on it for sure but it does

616

00:23:36,549 --> 00:23:33,840

exist okay and the reason why it's not

617

00:23:38,470 --> 00:23:36,559

soviet it wasn't nazi it wasn't chinese

618

00:23:39,430 --> 00:23:38,480

and it wasn't ours because we have not

619

00:23:40,870 --> 00:23:39,440

seen

620

00:23:43,270 --> 00:23:40,880

any of those

621

00:23:45,110 --> 00:23:43,280

technologies that they gleaned from that

622

00:23:48,070 --> 00:23:45,120

crash until just recently and i think

623

00:23:50,549 --> 00:23:48,080

some of it is surfacing as we speak but

624

00:23:52,789 --> 00:23:50,559

we didn't the propulsion system [h__h]

625

00:23:55,510 --> 00:23:52,799

we're still firing you know

626
00:23:57,190 --> 00:23:55,520
chemistry rockets instead yeah so no

627
00:23:59,510 --> 00:23:57,200
what i'm saying what i'm saying to you

628
00:24:01,750 --> 00:23:59,520
is and and somebody may have the

629
00:24:03,510 --> 00:24:01,760
evidence we don't have it so i'm looking

630
00:24:05,190 --> 00:24:03,520
at it from a completely dispassionate

631
00:24:06,630 --> 00:24:05,200
point of view

632
00:24:09,750 --> 00:24:06,640
i'm trying to look at the evidence and

633
00:24:11,669 --> 00:24:09,760
say what does the evidence prove

634
00:24:14,950 --> 00:24:11,679
and when we get to that point and when

635
00:24:16,789 --> 00:24:14,960
we get to that point we have testimony

636
00:24:19,029 --> 00:24:16,799
and we have very little else we have

637
00:24:20,789 --> 00:24:19,039
very limited documentation

638
00:24:22,950 --> 00:24:20,799

uh i don't look at the newspapers as

639

00:24:25,430 --> 00:24:22,960

being particularly persuasive evidence

640

00:24:27,350 --> 00:24:25,440

simply because they're newspapers

641

00:24:29,510 --> 00:24:27,360

and uh we can show a whole history of

642

00:24:31,269 --> 00:24:29,520

newspapers making us i agree with you i

643

00:24:33,830 --> 00:24:31,279

agree with you wholeheartedly that's the

644

00:24:35,750 --> 00:24:33,840

reason why i go with with what the

645

00:24:37,990 --> 00:24:35,760

government said

646

00:24:40,470 --> 00:24:38,000

okay you have to get around that kevin

647

00:24:42,310 --> 00:24:40,480

you can't that's like the big 300 pound

648

00:24:44,549 --> 00:24:42,320

gorilla in the room that nobody wants to

649

00:24:48,070 --> 00:24:44,559

acknowledge no the government actually

650

00:24:49,830 --> 00:24:48,080

didn't say that a a colonel at a remote

651
00:24:51,430 --> 00:24:49,840
base in new mexico said they had a

652
00:24:52,870 --> 00:24:51,440
flying saucer but they didn't define

653
00:24:54,390 --> 00:24:52,880
what it was

654
00:24:56,549 --> 00:24:54,400
they said they had captured a flying

655
00:24:57,590 --> 00:24:56,559
saucer and then let me get to the next i

656
00:24:59,269 --> 00:24:57,600
think

657
00:25:00,870 --> 00:24:59,279
i'm sorry man i'm looking at it from a

658
00:25:01,830 --> 00:25:00,880
cop's point of view

659
00:25:03,830 --> 00:25:01,840
okay

660
00:25:05,350 --> 00:25:03,840
and you can you can call it what you

661
00:25:06,950 --> 00:25:05,360
want and i'm looking at it from an

662
00:25:08,470 --> 00:25:06,960
intelligence officer's point of view and

663
00:25:10,470 --> 00:25:08,480

understanding the military mind and how

664

00:25:12,390 --> 00:25:10,480

these things work i'm looking at it from

665

00:25:15,029 --> 00:25:12,400

that point of view

666

00:25:17,110 --> 00:25:15,039

and i'm telling you that

667

00:25:18,549 --> 00:25:17,120

yeah you want the smoking gun and i

668

00:25:21,669 --> 00:25:18,559

think that other

669

00:25:24,789 --> 00:25:21,679

um uh cases yes i want the smoking gun

670

00:25:26,390 --> 00:25:24,799

that's exactly right i want it to stop i

671

00:25:27,350 --> 00:25:26,400

think it's there

672

00:25:29,990 --> 00:25:27,360

okay

673

00:25:33,029 --> 00:25:30,000

at this point we do not have it

674

00:25:34,789 --> 00:25:33,039

oh i disagree with you but that's okay i

675

00:25:36,230 --> 00:25:34,799

want to get back point

676

00:25:38,310 --> 00:25:36,240

point to it where's the smoking gun

677

00:25:40,310 --> 00:25:38,320

what's the smoking gun

678

00:25:42,310 --> 00:25:40,320

i think you have to take

679

00:25:43,590 --> 00:25:42,320

everything if you were to put it in a

680

00:25:46,870 --> 00:25:43,600

court of law

681

00:25:48,950 --> 00:25:46,880

okay the the roswell would be just one

682

00:25:50,390 --> 00:25:48,960

aspect

683

00:25:52,310 --> 00:25:50,400

of the case

684

00:25:54,710 --> 00:25:52,320

that you would be making for the

685

00:25:56,470 --> 00:25:54,720

existence of extraterrestrial you have

686

00:25:58,149 --> 00:25:56,480

just changed the parameters of the

687

00:25:59,430 --> 00:25:58,159

discussion no

688

00:26:01,190 --> 00:25:59,440

yes you have we were talking

689

00:26:02,549 --> 00:26:01,200

specifically

690

00:26:04,390 --> 00:26:02,559

wait a minute we were talking

691

00:26:05,590 --> 00:26:04,400

specifically roswell and now you've

692

00:26:07,190 --> 00:26:05,600

moved it to the point of view we're

693

00:26:09,430 --> 00:26:07,200

going to bring all in this other

694

00:26:11,110 --> 00:26:09,440

evidence and i would say

695

00:26:13,590 --> 00:26:11,120

land is the perfect case to bring in

696

00:26:15,510 --> 00:26:13,600

hold on a second you asked the question

697

00:26:17,350 --> 00:26:15,520

where's the smoking gun i said i think

698

00:26:20,470 --> 00:26:17,360

you we have to go okay what was talking

699

00:26:22,870 --> 00:26:20,480

about so in order to do that you you i'm

700

00:26:26,070 --> 00:26:22,880

talking about the entire

701
00:26:29,990 --> 00:26:26,080
phenomena and i'm telling you roswell is

702
00:26:32,470 --> 00:26:30,000
just one bullet in a chamber of six

703
00:26:35,269 --> 00:26:32,480
and that the case to be made i think it

704
00:26:38,070 --> 00:26:35,279
misfired yeah well and i i disagree with

705
00:26:42,310 --> 00:26:38,080
you 100 kevin i tell you what i think i

706
00:26:46,870 --> 00:26:45,590
not just cases but government admissions

707
00:26:50,230 --> 00:26:46,880
throughout the

708
00:26:53,830 --> 00:26:50,240
65 70 years cons going back to the

709
00:26:56,870 --> 00:26:53,840
battle of los angeles for christ's sakes

710
00:26:58,630 --> 00:26:56,880
okay so when we talk about roswell yeah

711
00:27:01,190 --> 00:26:58,640
that's a specific incident but when you

712
00:27:03,190 --> 00:27:01,200
talk about the smoking gun and making a

713
00:27:04,870 --> 00:27:03,200

case for the existence

714

00:27:06,390 --> 00:27:04,880

of extraterrestrials furthermore that

715

00:27:07,750 --> 00:27:06,400

they're coming here and i'm one of those

716

00:27:09,669 --> 00:27:07,760

people that believe that not only do

717

00:27:10,870 --> 00:27:09,679

they come here but they're here i

718

00:27:12,789 --> 00:27:10,880

believe they've got a base here

719

00:27:14,870 --> 00:27:12,799

somewhere and um

720

00:27:16,310 --> 00:27:14,880

and i'm saying you changed the

721

00:27:18,149 --> 00:27:16,320

parameters of the discussion because

722

00:27:20,549 --> 00:27:18,159

when i said where's a smoking gun i

723

00:27:22,390 --> 00:27:20,559

meant specifically in the roswell case

724

00:27:25,830 --> 00:27:22,400

you then bring in all this other

725

00:27:27,430 --> 00:27:25,840

evidence i object i object to that by

726

00:27:29,350 --> 00:27:27,440

because i want the smoking gun for

727

00:27:31,110 --> 00:27:29,360

roswell and when you look at the

728

00:27:33,590 --> 00:27:31,120

evidence for roswell and you look at it

729

00:27:35,510 --> 00:27:33,600

dispassionately and coldly

730

00:27:37,909 --> 00:27:35,520

with either your cop's eye or my

731

00:27:40,870 --> 00:27:37,919

intelligence officer's eye what you're

732

00:27:42,549 --> 00:27:40,880

left with is some interesting testimony

733

00:27:45,029 --> 00:27:42,559

some interesting description

734

00:27:46,789 --> 00:27:45,039

descriptions of of the materials and i

735

00:27:49,269 --> 00:27:46,799

think bill what bill brazil told me

736

00:27:50,710 --> 00:27:49,279

personally in the interviews i conducted

737

00:27:53,190 --> 00:27:50,720

with him and some of the other what

738

00:27:55,909 --> 00:27:53,200

edwin easley told me personally edwin

739

00:27:58,149 --> 00:27:55,919

easley the provost marshal i said to him

740

00:28:00,149 --> 00:27:58,159

um are we following the right path and

741

00:28:01,750 --> 00:28:00,159

he said what do you mean i said i we

742

00:28:03,510 --> 00:28:01,760

think it's extraterrestrial he said well

743

00:28:05,590 --> 00:28:03,520

let me put it this way we're

744

00:28:07,909 --> 00:28:05,600

you're not on the wrong path

745

00:28:10,070 --> 00:28:07,919

but that's merely testimony and it may

746

00:28:12,710 --> 00:28:10,080

be persuasive testimony especially

747

00:28:14,789 --> 00:28:12,720

because easily has never really been um

748

00:28:17,029 --> 00:28:14,799

i got enough information from a cop's

749

00:28:18,149 --> 00:28:17,039

eye to get a search warrant

750

00:28:20,230 --> 00:28:18,159

kevin

751

00:28:22,789 --> 00:28:20,240

i can fill the four corners of a search

752

00:28:24,870 --> 00:28:22,799

warrant okay concerning the roswell

753

00:28:25,590 --> 00:28:24,880

incident

754

00:28:28,070 --> 00:28:25,600

and

755

00:28:30,630 --> 00:28:28,080

there's a there's enough evidence

756

00:28:32,549 --> 00:28:30,640

from a cop's point of view

757

00:28:37,029 --> 00:28:32,559

not only is there

758

00:28:39,269 --> 00:28:37,039

flames okay

759

00:28:40,549 --> 00:28:39,279

and i'm saying i'm saying i i got i get

760

00:28:42,870 --> 00:28:40,559

that i understand that you can

761

00:28:44,149 --> 00:28:42,880

investigate from that point of view i'm

762

00:28:45,750 --> 00:28:44,159

saying when you get done with the

763

00:28:47,909 --> 00:28:45,760

investigation and you look at all the

764

00:28:50,950 --> 00:28:47,919

evidence that has been presented since

765

00:28:52,149 --> 00:28:50,960

1978 when jesse marcel revealed this to

766

00:28:53,430 --> 00:28:52,159

the world

767

00:28:55,669 --> 00:28:53,440

um

768

00:28:58,789 --> 00:28:55,679

what we have what we have basically is

769

00:29:01,350 --> 00:28:58,799

testimony and we have not found any

770

00:29:03,350 --> 00:29:01,360

substantial corroborative uh testimony

771

00:29:06,310 --> 00:29:03,360

we do not have multiple chains of

772

00:29:08,710 --> 00:29:06,320

evidence we have the testimony we do not

773

00:29:10,710 --> 00:29:08,720

have an analysis of metal we have

774

00:29:13,350 --> 00:29:10,720

discussions about that from general

775

00:29:15,269 --> 00:29:13,360

exxon for example actually and we have

776

00:29:17,269 --> 00:29:15,279

well didn't see anything himself he's

777

00:29:19,430 --> 00:29:17,279

reporting what his friends told him and

778

00:29:21,430 --> 00:29:19,440

i have no reason to discount that

779

00:29:24,310 --> 00:29:21,440

you know when you

780

00:29:26,870 --> 00:29:24,320

it's not just testimony kevin it is

781

00:29:30,789 --> 00:29:26,880

first-hand witness testimony that we

782

00:29:33,269 --> 00:29:30,799

have and and the major player in all

783

00:29:34,789 --> 00:29:33,279

this the united states air force makes

784

00:29:36,870 --> 00:29:34,799

that a mission whether it comes from a

785

00:29:38,870 --> 00:29:36,880

colonel at a remote base in new mexico

786

00:29:40,870 --> 00:29:38,880

or it came out of the secretary of the

787

00:29:43,430 --> 00:29:40,880

air force's office the fact of the

788

00:29:45,350 --> 00:29:43,440

matter is they made the statement

789

00:29:48,950 --> 00:29:45,360

actually it was the army that made the

790

00:29:53,350 --> 00:29:51,350

army air force no it was the army air

791

00:29:55,990 --> 00:29:53,360

forces the army air corps had deceased

792

00:29:58,950 --> 00:29:56,000

to exist in 1942 and it became the army

793

00:30:00,470 --> 00:29:58,960

air forces but what you have to remember

794

00:30:01,990 --> 00:30:00,480

the only other evidence we have are the

795

00:30:03,750 --> 00:30:02,000

photographs taken in general raymie's

796

00:30:06,470 --> 00:30:03,760

office and what do the pictures in

797

00:30:08,950 --> 00:30:06,480

general raymie's office show

798

00:30:10,710 --> 00:30:08,960

tin foil and balsa wood and a weather

799

00:30:12,230 --> 00:30:10,720

balloon

800

00:30:14,710 --> 00:30:12,240

i guess

801
00:30:17,590 --> 00:30:14,720

yes

802
00:30:19,669 --> 00:30:17,600

okay yeah i mean

803
00:30:23,110 --> 00:30:19,679

you know they showed they show us

804
00:30:25,669 --> 00:30:23,120

um a propaganda picture with uh balsa

805
00:30:27,510 --> 00:30:25,679

wood hey they had to for christ's sakes

806
00:30:29,590 --> 00:30:27,520

they had a brush fire on their hands

807
00:30:31,590 --> 00:30:29,600

okay they had to come up with something

808
00:30:33,669 --> 00:30:31,600

to put that goddamn fire out because it

809
00:30:35,590 --> 00:30:33,679

was getting out of control and so they

810
00:30:37,830 --> 00:30:35,600

come up with a ridiculous explanation

811
00:30:40,710 --> 00:30:37,840

the only sad thing about it kevin is the

812
00:30:42,389 --> 00:30:40,720

press bought it

813
00:30:44,149 --> 00:30:42,399

but they bought it hook line and sinker

814

00:30:45,350 --> 00:30:44,159

they let them off the hook the press

815

00:30:47,750 --> 00:30:45,360

bought it because they couldn't get to

816

00:30:49,990 --> 00:30:47,760

any of the principles no

817

00:30:51,750 --> 00:30:50,000

available marcel was unavailable brazil

818

00:30:53,590 --> 00:30:51,760

was unavailable they couldn't he was

819

00:30:55,269 --> 00:30:53,600

available and you know damn good and

820

00:30:56,789 --> 00:30:55,279

well that the president

821

00:30:58,310 --> 00:30:56,799

uh white house press corps could have

822

00:31:00,310 --> 00:30:58,320

been pushing for the secretary of the

823

00:31:02,310 --> 00:31:00,320

air force the secretary of defense and

824

00:31:04,230 --> 00:31:02,320

they would have got a press release they

825

00:31:06,149 --> 00:31:04,240

let him off the hook they got sold a

826

00:31:09,350 --> 00:31:06,159

bill of goods and they and and they let

827

00:31:11,590 --> 00:31:09,360

it lie they had it they had they the

828

00:31:12,549 --> 00:31:11,600

press had it in their hands and they

829

00:31:15,750 --> 00:31:12,559

left

830

00:31:19,029 --> 00:31:17,350

how do you how do you go from a flying

831

00:31:21,590 --> 00:31:19,039

saucer to balloon you mean to tell me

832

00:31:24,630 --> 00:31:21,600

that major whose intelligence officer

833

00:31:26,230 --> 00:31:24,640

for the 509th couldn't tell a goddamn

834

00:31:28,230 --> 00:31:26,240

weather balloon and and it would have

835

00:31:31,510 --> 00:31:28,240

been the end of it there in the desert

836

00:31:33,909 --> 00:31:31,520

end of story over with

837

00:31:37,029 --> 00:31:33,919

but at lowe's we know that pros need to

838

00:31:39,430 --> 00:31:37,039

be ready ready to roll felt ready to cap

839

00:31:41,590 --> 00:31:39,440

ready to shingle and during lowe's ready

840

00:31:43,990 --> 00:31:41,600

to raise the roof event pro customers

841

00:31:46,789 --> 00:31:44,000

should get ready to save big with up to

842

00:31:49,350 --> 00:31:46,799

20 on gaf shingles every day when they

843

00:31:51,990 --> 00:31:49,360

buy in bulk plus now through july 16th

844

00:31:54,149 --> 00:31:52,000

at lowe's pros can save up to 20 off

845

00:31:56,470 --> 00:31:54,159

select hitachi nailers compressors and

846

00:31:58,389 --> 00:31:56,480

power tools see the pro desk in store

847

00:32:00,230 --> 00:31:58,399

for details shingle offer applies to

848

00:32:02,870 --> 00:32:00,240

contractor packs selection varies by

849

00:32:04,630 --> 00:32:02,880

store us only they had a goddamn

850

00:32:07,029 --> 00:32:04,640

firestorm on their hands this was a

851

00:32:09,190 --> 00:32:07,039

public relations nightmare and it's

852

00:32:11,350 --> 00:32:09,200

starting in roswell and before it got

853

00:32:13,430 --> 00:32:11,360

out of control it'd be all over the

854

00:32:16,230 --> 00:32:13,440

goddamn planet and so they come up with

855

00:32:19,029 --> 00:32:16,240

this ridiculous propaganda picture and

856

00:32:21,430 --> 00:32:19,039

they made marcel hold it that was the

857

00:32:23,269 --> 00:32:21,440

ultimate insult he's standing there

858

00:32:26,789 --> 00:32:23,279

kneeling holding a goddamn piece of

859

00:32:29,029 --> 00:32:26,799

balsa wood and tinfoil and he couldn't

860

00:32:31,750 --> 00:32:29,039

recognize that out in the desert of new

861

00:32:33,269 --> 00:32:31,760

mexico are you kidding me i'm sorry man

862

00:32:35,509 --> 00:32:33,279

i look at it from a cop point that

863

00:32:38,389 --> 00:32:35,519

goddamn doesn't that doesn't pass the

864

00:32:41,669 --> 00:32:38,399

smell test period sorry

865

00:32:44,549 --> 00:32:41,679

i got wound up boy i guess well but it's

866

00:32:46,389 --> 00:32:44,559

true oh my god not again

867

00:32:47,590 --> 00:32:46,399

stop stopping at me for crying

868

00:32:49,509 --> 00:32:47,600

government

869

00:32:52,710 --> 00:32:49,519

so that's the case that i'm talking

870

00:32:55,110 --> 00:32:52,720

about that is the crux about everything

871

00:32:57,350 --> 00:32:55,120

the problem with your theory is

872

00:32:59,990 --> 00:32:57,360

you have no evidence that there was a

873

00:33:01,830 --> 00:33:00,000

firestorm building in roswell the hell i

874

00:33:03,750 --> 00:33:01,840

don't what is your

875

00:33:06,070 --> 00:33:03,760

possible daily record it's on the front

876

00:33:08,549 --> 00:33:06,080

page of their goddamn paper and they got

877

00:33:09,269 --> 00:33:08,559

started getting calls from the world no

878

00:33:13,350 --> 00:33:09,279

no

879

00:33:15,190 --> 00:33:13,360

you're a shouting at me for some bizarre

880

00:33:17,190 --> 00:33:15,200

reason and um

881

00:33:18,630 --> 00:33:17,200

kenny you settle down there kenny and

882

00:33:20,070 --> 00:33:18,640

it's hurting my ears

883

00:33:22,389 --> 00:33:20,080

i have to take my earphones off and

884

00:33:24,149 --> 00:33:22,399

unplug my my

885

00:33:25,029 --> 00:33:24,159

speaker here so that i can get something

886

00:33:26,950 --> 00:33:25,039

said

887

00:33:28,870 --> 00:33:26,960

but your response you're reacting to the

888

00:33:30,870 --> 00:33:28,880

newspaper article which you said was a

889

00:33:32,389 --> 00:33:30,880

response to the firestorm and i'm saying

890

00:33:33,990 --> 00:33:32,399

you have no evidence that the firestorm

891

00:33:35,990 --> 00:33:34,000

was building that they had to make the

892

00:33:38,389 --> 00:33:36,000

press release there is no reason for

893

00:33:40,230 --> 00:33:38,399

that press release that i can find and

894

00:33:42,149 --> 00:33:40,240

i've talked to a lot of people in the in

895

00:33:43,830 --> 00:33:42,159

the area they knew nothing about this

896

00:33:49,190 --> 00:33:43,840

until

897

00:33:52,389 --> 00:33:50,149

ken

898

00:33:55,029 --> 00:33:52,399

yeah no i'm i'm listening

899

00:33:57,350 --> 00:33:55,039

to kevin you know digesting what he's

900

00:34:00,070 --> 00:33:57,360

saying and i'm telling you when it's on

901
00:34:01,190 --> 00:34:00,080
the front page of the roswell daily

902
00:34:03,509 --> 00:34:01,200
record

903
00:34:04,870 --> 00:34:03,519
okay you can't have it both ways yes

904
00:34:07,430 --> 00:34:04,880
it's on the front page of the roswell

905
00:34:08,950 --> 00:34:07,440
daily record copies of the article i

906
00:34:11,109 --> 00:34:08,960
have a copy of the article and you're

907
00:34:13,190 --> 00:34:11,119
saying that blanchard responded to a

908
00:34:15,030 --> 00:34:13,200
firestorm building in in roswell by

909
00:34:16,310 --> 00:34:15,040
making the press release the press

910
00:34:18,389 --> 00:34:16,320
releases on the front page of the

911
00:34:21,349 --> 00:34:18,399
roswell daily record and you're saying

912
00:34:23,190 --> 00:34:21,359
that that that the press release the

913
00:34:25,430 --> 00:34:23,200

blanchard statement was in response to

914

00:34:27,349 --> 00:34:25,440
the front page of the newspaper

915

00:34:29,109 --> 00:34:27,359
you see what i'm saying here you you

916

00:34:31,030 --> 00:34:29,119
can't have it both ways it was either a

917

00:34:32,629 --> 00:34:31,040
firestorm building in roswell and

918

00:34:34,950 --> 00:34:32,639
blanchard was responding to that

919

00:34:36,710 --> 00:34:34,960
firestorm and the response was the

920

00:34:39,430 --> 00:34:36,720
newspaper article

921

00:34:41,349 --> 00:34:39,440
i mean well the way i understand it that

922

00:34:44,869 --> 00:34:41,359
he was getting inundated with phone

923

00:34:48,550 --> 00:34:44,879
calls not until the article came out no

924

00:34:50,790 --> 00:34:48,560
that's yes no i beg to differ with you

925

00:34:53,750 --> 00:34:50,800
sir i think that i've talked to the

926

00:34:56,230 --> 00:34:53,760

sheriff's office i've talked to the uh

927

00:34:58,550 --> 00:34:56,240

public relations officer i've talked to

928

00:35:00,790 --> 00:34:58,560

the various people involved there and

929

00:35:02,790 --> 00:35:00,800

the phone calls were response to the

930

00:35:04,950 --> 00:35:02,800

press release which came out and said

931

00:35:06,470 --> 00:35:04,960

they had a flying saucer

932

00:35:08,870 --> 00:35:06,480

hey for the sake of argument i'll give

933

00:35:09,910 --> 00:35:08,880

you that okay i disagree with you but in

934

00:35:12,150 --> 00:35:09,920

order to

935

00:35:14,230 --> 00:35:12,160

it doesn't it doesn't answer why they

936

00:35:17,190 --> 00:35:14,240

would do it though kevin and the only

937

00:35:19,430 --> 00:35:17,200

thing that this is my hypothesis

938

00:35:20,950 --> 00:35:19,440

and i say it doesn't work

939

00:35:22,950 --> 00:35:20,960

because you have no evidence of a

940

00:35:25,109 --> 00:35:22,960

firestorm in the roswell area about a

941

00:35:27,589 --> 00:35:25,119

flying saucer i'm telling you that this

942

00:35:30,310 --> 00:35:27,599

maple article comes out and that's the

943

00:35:32,550 --> 00:35:30,320

that's where the storm started okay that

944

00:35:35,109 --> 00:35:32,560

even makes it even more weird why would

945

00:35:37,190 --> 00:35:35,119

they put the horse before the cart that

946

00:35:40,630 --> 00:35:37,200

they weren't fully pressured

947

00:35:43,349 --> 00:35:40,640

that's the problem we do not have a good

948

00:35:45,109 --> 00:35:43,359

explanation for that newspaper article

949

00:35:47,349 --> 00:35:45,119

and that's what i'm trying to give you i

950

00:35:50,710 --> 00:35:47,359

told you it was a hypothesis but

951
00:35:53,349 --> 00:35:50,720
something had to generate that why

952
00:35:54,870 --> 00:35:53,359
something had to motivate absolutely

953
00:35:56,630 --> 00:35:54,880
okay well then i'm giving you a

954
00:35:57,910 --> 00:35:56,640
hypothesis and you say it doesn't work

955
00:35:59,750 --> 00:35:57,920
and that's fine and danny but i'm

956
00:36:02,069 --> 00:35:59,760
telling you it comes closest i don't

957
00:36:06,310 --> 00:36:02,079
hear your hypothesis

958
00:36:12,950 --> 00:36:10,310
kevin that's exactly my point the why we

959
00:36:15,430 --> 00:36:12,960
know who what where when

960
00:36:17,750 --> 00:36:15,440
we don't have the why and we and i agree

961
00:36:19,589 --> 00:36:17,760
with you we don't have the y and i have

962
00:36:21,349 --> 00:36:19,599
asked that question of an awful lot of

963
00:36:23,750 --> 00:36:21,359

people and i gave you a working

964

00:36:25,829 --> 00:36:23,760

hypothesis it may not cover you know you

965

00:36:27,190 --> 00:36:25,839

brought up one negative in terms of this

966

00:36:29,109 --> 00:36:27,200

is the reason why it works and i

967

00:36:30,710 --> 00:36:29,119

disagree with you okay

968

00:36:32,790 --> 00:36:30,720

i disagree with you because i think that

969

00:36:35,349 --> 00:36:32,800

town was alive you had a civilian you

970

00:36:38,950 --> 00:36:35,359

had two civilians involved one of them

971

00:36:42,550 --> 00:36:38,960

okay is the sheriff for christ's sakes

972

00:36:45,670 --> 00:36:42,560

wilcox is involved from the get-go

973

00:36:47,190 --> 00:36:45,680

yeah and i'm called the base what's that

974

00:36:49,109 --> 00:36:47,200

and he called the base

975

00:36:50,710 --> 00:36:49,119

yeah exactly

976
00:36:54,230 --> 00:36:50,720
that's what got the ball rolling that's

977
00:36:56,470 --> 00:36:54,240
exactly my point and brazil conveyed the

978
00:36:58,390 --> 00:36:56,480
conversation that he overheard between

979
00:36:59,910 --> 00:36:58,400
cavett and marcel

980
00:37:01,670 --> 00:36:59,920
to wilcox

981
00:37:02,870 --> 00:37:01,680
and he went down to the local watering

982
00:37:05,109 --> 00:37:02,880
hole

983
00:37:07,190 --> 00:37:05,119
and i don't know what the time frame was

984
00:37:10,230 --> 00:37:07,200
from when from when

985
00:37:12,310 --> 00:37:10,240
marcel got on on on the debris field and

986
00:37:13,430 --> 00:37:12,320
got back to the base

987
00:37:15,430 --> 00:37:13,440
to when

988
00:37:16,870 --> 00:37:15,440

brazil was in contact with the sheriff's

989

00:37:18,470 --> 00:37:16,880

my understanding

990

00:37:19,589 --> 00:37:18,480

they rode with him and he and they

991

00:37:21,990 --> 00:37:19,599

brought him back because they had to go

992

00:37:23,990 --> 00:37:22,000

get horses at his ranch that's how he

993

00:37:26,069 --> 00:37:24,000

understood it but here's that's not how

994

00:37:28,470 --> 00:37:26,079

i understand it i understand that

995

00:37:31,109 --> 00:37:28,480

brazil found the material he went he

996

00:37:32,310 --> 00:37:31,119

drove into roswell he told the sheriff

997

00:37:34,069 --> 00:37:32,320

because he wanted to know who's going to

998

00:37:35,589 --> 00:37:34,079

clean up the mess

999

00:37:37,190 --> 00:37:35,599

he told the sheriff the sheriff called

1000

00:37:38,950 --> 00:37:37,200

out to the base marcel came out to the

1001
00:37:40,870 --> 00:37:38,960
base talked to brazil looked at the some

1002
00:37:43,589 --> 00:37:40,880
of the debris that he'd brought in and

1003
00:37:44,950 --> 00:37:43,599
then uh talked to blanchard about it

1004
00:37:46,790 --> 00:37:44,960
blanchard said well why don't you go out

1005
00:37:48,630 --> 00:37:46,800
and check it out you've got this new cic

1006
00:37:50,790 --> 00:37:48,640
guy take him with you which would that

1007
00:37:52,630 --> 00:37:50,800
would have been cabinet so according to

1008
00:37:54,710 --> 00:37:52,640
the information we have based on

1009
00:37:57,829 --> 00:37:54,720
everything that we've seen is that

1010
00:37:58,710 --> 00:37:57,839
brazil took them out to the ranch which

1011
00:38:01,910 --> 00:37:58,720
is

1012
00:38:05,190 --> 00:38:01,920
65 miles from roswell

1013
00:38:07,109 --> 00:38:05,200

the the drip today takes three hours

1014

00:38:08,310 --> 00:38:07,119

uh even on the better highways that they

1015

00:38:13,190 --> 00:38:08,320

had

1016

00:38:16,790 --> 00:38:13,200

he took him out to the side

1017

00:38:18,710 --> 00:38:16,800

yeah he had old horses

1018

00:38:20,870 --> 00:38:18,720

marcel didn't ride

1019

00:38:22,950 --> 00:38:20,880

cabot and brazil road and i think uh

1020

00:38:24,550 --> 00:38:22,960

marcel followed him out in the uh jeep

1021

00:38:26,470 --> 00:38:24,560

carryall

1022

00:38:28,870 --> 00:38:26,480

and then uh they spent the day out there

1023

00:38:31,910 --> 00:38:28,880

cavett sent i'm sorry marcel sent cavett

1024

00:38:33,990 --> 00:38:31,920

back to the uh base then he went back

1025

00:38:37,030 --> 00:38:34,000

with his car stopped at the house talked

1026

00:38:39,349 --> 00:38:37,040

to his family i'm not disputing that i i

1027

00:38:41,430 --> 00:38:39,359

that could very well be

1028

00:38:43,750 --> 00:38:41,440

exactly how it went down and blanchard

1029

00:38:44,829 --> 00:38:43,760

was still a blanket i'm sorry razzle was

1030

00:38:48,150 --> 00:38:44,839

still at the

1031

00:38:50,550 --> 00:38:48,160

ranch he drove himself back to the ranch

1032

00:38:53,829 --> 00:38:50,560

and if you want to get really deep into

1033

00:38:56,470 --> 00:38:53,839

the woods according to um some people he

1034

00:38:58,630 --> 00:38:56,480

had according to bessie brazil

1035

00:39:01,190 --> 00:38:58,640

bessie brazo claimed that she

1036

00:39:02,630 --> 00:39:01,200

and her brother went to roswell with uh

1037

00:39:04,710 --> 00:39:02,640

and her mother went to roswell with

1038

00:39:06,069 --> 00:39:04,720

browser when he took the debris in there

1039

00:39:09,670 --> 00:39:06,079

and they were playing in the park by

1040

00:39:11,270 --> 00:39:09,680

brazil was yapping with the sheriff

1041

00:39:13,190 --> 00:39:11,280

right and there's and there's firsthand

1042

00:39:14,710 --> 00:39:13,200

testimony for you betsy browser was

1043

00:39:16,950 --> 00:39:14,720

there and

1044

00:39:19,190 --> 00:39:16,960

and and that is i think makes my

1045

00:39:23,030 --> 00:39:19,200

argument that the fact that you had

1046

00:39:24,710 --> 00:39:23,040

these civilian people contact in contact

1047

00:39:27,910 --> 00:39:24,720

and hearing the conversation and

1048

00:39:30,870 --> 00:39:27,920

discussion the term ufo or flying saucer

1049

00:39:33,430 --> 00:39:30,880

wasn't mentioned until till marcel i

1050

00:39:35,510 --> 00:39:33,440

believe got back on the base

1051

00:39:37,190 --> 00:39:35,520

and and and him and kevin had to have

1052

00:39:39,910 --> 00:39:37,200

been excited about what they were

1053

00:39:42,630 --> 00:39:39,920

handling because marcel didn't recognize

1054

00:39:45,670 --> 00:39:42,640

it neither did cabot and if sure in the

1055

00:39:47,670 --> 00:39:45,680

hell was no goddamn balloon so so we're

1056

00:39:50,150 --> 00:39:47,680

back and i think that goes to prove my

1057

00:39:52,710 --> 00:39:50,160

point that you had civilian people in

1058

00:39:55,430 --> 00:39:52,720

contact with a government operation and

1059

00:39:57,510 --> 00:39:55,440

it was getting out of hand and blanchard

1060

00:39:59,990 --> 00:39:57,520

that's my working hypothesis i think

1061

00:40:00,950 --> 00:40:00,000

this thing was he had to get ahead of it

1062

00:40:03,670 --> 00:40:00,960

okay

1063

00:40:06,150 --> 00:40:03,680

it was already out there people were

1064

00:40:07,750 --> 00:40:06,160

already talking about it people the i

1065

00:40:10,390 --> 00:40:07,760

bet the switch i know how it is here in

1066

00:40:11,349 --> 00:40:10,400

locust grove oklahoma man

1067

00:40:12,390 --> 00:40:11,359

right

1068

00:40:14,630 --> 00:40:12,400

it

1069

00:40:15,990 --> 00:40:14,640

small town no and

1070

00:40:17,670 --> 00:40:16,000

in oklahoma do you still have do you

1071

00:40:18,790 --> 00:40:17,680

have electricity yet

1072

00:40:22,630 --> 00:40:18,800

what's that

1073

00:40:24,950 --> 00:40:22,640

electricity you know power stuff

1074

00:40:26,870 --> 00:40:24,960

hey we got squirrels chasing nuts in the

1075

00:40:29,430 --> 00:40:26,880

cage how's that oh okay well just wanted

1076

00:40:32,550 --> 00:40:29,440

to check that out no no but but but that

1077

00:40:34,550 --> 00:40:32,560

goes to my hypothesis that answers why

1078

00:40:36,630 --> 00:40:34,560

but here's the other problem the ranches

1079

00:40:38,710 --> 00:40:36,640

are extremely far apart

1080

00:40:42,069 --> 00:40:38,720

there were no telephones at the brazil

1081

00:40:42,950 --> 00:40:42,079

ranch he didn't have a radio

1082

00:40:46,230 --> 00:40:42,960

uh

1083

00:40:48,069 --> 00:40:46,240

he didn't have a facebook account

1084

00:40:49,190 --> 00:40:48,079

no he's kind of like you

1085

00:40:49,910 --> 00:40:49,200

hey

1086

00:40:51,510 --> 00:40:49,920

yeah

1087

00:40:54,310 --> 00:40:51,520

i like the guy already and i never he

1088

00:40:55,270 --> 00:40:54,320

was he was still in the 19th century

1089

00:40:56,870 --> 00:40:55,280

i like

1090

00:40:58,470 --> 00:40:56,880

hey i'm trying to get back there for

1091

00:41:00,069 --> 00:40:58,480

christ's sakes

1092

00:41:02,790 --> 00:41:00,079

hell yeah no

1093

00:41:05,589 --> 00:41:02,800

necessarily a bad thing i think no no

1094

00:41:07,270 --> 00:41:05,599

not at all right but but you know

1095

00:41:08,630 --> 00:41:07,280

but we're way deep into the weeds and

1096

00:41:10,550 --> 00:41:08,640

i'm not sure how many people are going

1097

00:41:12,390 --> 00:41:10,560

to be interested in us discussing this

1098

00:41:14,710 --> 00:41:12,400

in this detail in the weeds i think

1099

00:41:17,430 --> 00:41:14,720

we've thoroughly trashed it or thrashed

1100

00:41:20,230 --> 00:41:17,440

it i should say thrashed it not trash

1101

00:41:22,069 --> 00:41:20,240

i you know until until we know the why

1102

00:41:24,950 --> 00:41:22,079

and i think it has to be answered and i

1103

00:41:27,190 --> 00:41:24,960

think that clarifies the picture and and

1104

00:41:30,470 --> 00:41:27,200

it goes hey make no mistake about it

1105

00:41:32,470 --> 00:41:30,480

roswell is the cornerstone of ufology or

1106

00:41:33,589 --> 00:41:32,480

whatever you want to call it but it is

1107

00:41:37,750 --> 00:41:33,599

if you can

1108

00:41:40,870 --> 00:41:37,760

tear down the uh the believer case and

1109

00:41:44,470 --> 00:41:40,880

i'm one of them okay and and the and the

1110

00:41:46,150 --> 00:41:44,480

naysayers can go aha see then ufology

1111

00:41:48,150 --> 00:41:46,160

starts to fall apart rather quickly

1112

00:41:49,750 --> 00:41:48,160

because it is all i'm saying all i'm

1113

00:41:51,910 --> 00:41:49,760

saying is at this point in the

1114

00:41:54,790 --> 00:41:51,920

investigation after being involved with

1115

00:41:55,990 --> 00:41:54,800

it since 1989 and talking to many of the

1116

00:41:58,150 --> 00:41:56,000

principals who were involved the

1117

00:42:00,069 --> 00:41:58,160

firsthand witnesses some of whom nobody

1118

00:42:01,349 --> 00:42:00,079

else ever talked to like edwin easley

1119

00:42:04,710 --> 00:42:01,359

for example

1120

00:42:06,790 --> 00:42:04,720

um we are left with a case that does not

1121

00:42:09,349 --> 00:42:06,800

prove the extraterrestrial that's all

1122

00:42:10,870 --> 00:42:09,359

i'm saying at one point i was one point

1123

00:42:14,150 --> 00:42:10,880

i was convinced it was extraterrestrial

1124

00:42:16,630 --> 00:42:14,160

at this point i i can can't say

1125

00:42:19,349 --> 00:42:16,640

positively what it was that fell there

1126

00:42:22,150 --> 00:42:19,359

it it seems to be exotic it seems to be

1127

00:42:23,910 --> 00:42:22,160

something that was unrecognizable

1128

00:42:26,470 --> 00:42:23,920

you can make the leap to the

1129

00:42:29,349 --> 00:42:26,480

extraterrestrial if you so desire

1130

00:42:32,150 --> 00:42:29,359

and it's not necessarily a inaccurate

1131

00:42:34,230 --> 00:42:32,160

leap i'm merely saying for me

1132

00:42:35,990 --> 00:42:34,240

i look at this stuff and and am

1133

00:42:38,230 --> 00:42:36,000

disappointed in the quality of the

1134

00:42:39,750 --> 00:42:38,240

evidence that is left behind and you

1135

00:42:42,710 --> 00:42:39,760

keep bringing up

1136

00:42:44,630 --> 00:42:42,720

jesse marcel and i think until you read

1137

00:42:46,870 --> 00:42:44,640

corley's book

1138

00:42:49,670 --> 00:42:46,880

until you look at the bob fred interview

1139

00:42:52,390 --> 00:42:49,680

that was conducted with him and look at

1140

00:42:55,990 --> 00:42:52,400

all of the problems that are generated

1141

00:43:00,230 --> 00:42:56,000

by those two items that we've got we're

1142

00:43:02,470 --> 00:43:00,240

going to be far apart in the discussion

1143

00:43:06,150 --> 00:43:02,480

well see and i take a different track i

1144

00:43:08,630 --> 00:43:06,160

i don't say that roswell is the proof

1145

00:43:10,950 --> 00:43:08,640

i i told you before it's one

1146

00:43:13,430 --> 00:43:10,960

shell in a chamber of six

1147

00:43:16,550 --> 00:43:13,440

and you i use that analogy because you

1148

00:43:18,870 --> 00:43:16,560

want the smoking gun okay and you have

1149

00:43:20,630 --> 00:43:18,880

to you have to look at the

1150

00:43:23,510 --> 00:43:20,640

when you look at the smoking gun and the

1151
00:43:25,430 --> 00:43:23,520
existence for extraterrestrial okay

1152
00:43:28,150 --> 00:43:25,440
and and

1153
00:43:30,710 --> 00:43:28,160
roswell fits in there

1154
00:43:32,069 --> 00:43:30,720
but as well but once again once again

1155
00:43:33,510 --> 00:43:32,079
you've moved the gold post because we

1156
00:43:35,910 --> 00:43:33,520
were talking about roswell if you want

1157
00:43:37,750 --> 00:43:35,920
to talk about other cases

1158
00:43:39,510 --> 00:43:37,760
for the extraterrestrial i would say

1159
00:43:42,309 --> 00:43:39,520
level land is probably one of the best

1160
00:43:45,349 --> 00:43:42,319
cases i would say bent waters kind of

1161
00:43:47,750 --> 00:43:45,359
meanders in that direction um

1162
00:43:50,230 --> 00:43:47,760
but i think it has been contaminated by

1163
00:43:53,270 --> 00:43:50,240

again the wannabes jumping into the

1164

00:43:54,790 --> 00:43:53,280

under the bandwagon well and and

1165

00:43:56,950 --> 00:43:54,800

hey

1166

00:43:58,790 --> 00:43:56,960

but i'm looking i'm looking for multiple

1167

00:44:00,870 --> 00:43:58,800

chains of evidence not just the witness

1168

00:44:03,030 --> 00:44:00,880

testimony i'm looking for something else

1169

00:44:04,870 --> 00:44:03,040

and if you go back to the french academy

1170

00:44:05,750 --> 00:44:04,880

of science when they said that there was

1171

00:44:06,550 --> 00:44:05,760

no

1172

00:44:08,950 --> 00:44:06,560

um

1173

00:44:11,430 --> 00:44:08,960

rocks do not fall from the sky

1174

00:44:13,829 --> 00:44:11,440

and a year later they reversed their

1175

00:44:16,230 --> 00:44:13,839

their point of view after a case was

1176

00:44:18,470 --> 00:44:16,240

built of a rock falling from the sky

1177

00:44:21,349 --> 00:44:18,480

based on the examination of multiple

1178

00:44:23,270 --> 00:44:21,359

chains of evidence and we have some ufo

1179

00:44:25,510 --> 00:44:23,280

cases where we have these multiple

1180

00:44:27,109 --> 00:44:25,520

chains of evidence roswell is not one of

1181

00:44:29,750 --> 00:44:27,119

them because all we have at roswell

1182

00:44:32,390 --> 00:44:29,760

basically at this point is one or two

1183

00:44:34,630 --> 00:44:32,400

lousy government documents the fbi telex

1184

00:44:37,109 --> 00:44:34,640

for example uh the possibility of the

1185

00:44:39,750 --> 00:44:37,119

raimi memo which could in fact be the

1186

00:44:42,069 --> 00:44:39,760

smoking gun but we have not been able to

1187

00:44:45,430 --> 00:44:42,079

decipher it yet

1188

00:44:48,230 --> 00:44:45,440

there were things going on that uh

1189

00:44:50,710 --> 00:44:48,240

that suggested it might be readable

1190

00:44:52,710 --> 00:44:50,720

in the context of the time and if and if

1191

00:44:55,349 --> 00:44:52,720

it says certain things as david rudiak

1192

00:44:56,870 --> 00:44:55,359

postulates saying uh victims of the

1193

00:44:58,230 --> 00:44:56,880

wreck and they're talking about a disc

1194

00:45:00,630 --> 00:44:58,240

in the recovery

1195

00:45:03,030 --> 00:45:00,640

that is becoming that becomes very

1196

00:45:05,030 --> 00:45:03,040

important evidence simply because it

1197

00:45:07,349 --> 00:45:05,040

leads us in that direction and we have

1198

00:45:09,750 --> 00:45:07,359

the exact provenance of the document

1199

00:45:11,190 --> 00:45:09,760

raymie's holding it in his hand so we

1200

00:45:12,790 --> 00:45:11,200

know where it came from and we know the

1201
00:45:15,910 --> 00:45:12,800
date the photograph was taken because it

1202
00:45:19,670 --> 00:45:15,920
was transmitted over the ins wire at 11

1203
00:45:21,589 --> 00:45:19,680
59 p.m on july 8th i mean you can't get

1204
00:45:22,390 --> 00:45:21,599
a better providence for a document than

1205
00:45:23,990 --> 00:45:22,400
that

1206
00:45:26,470 --> 00:45:24,000
the unfortunate thing is right now

1207
00:45:30,150 --> 00:45:26,480
there's not a consensus is what the memo

1208
00:45:32,710 --> 00:45:30,160
says that could be a smoking gun

1209
00:45:36,150 --> 00:45:32,720
for us that leads us more

1210
00:45:39,109 --> 00:45:36,160
closely to the um extraterrestrial but

1211
00:45:40,309 --> 00:45:39,119
as i say when you look at the context of

1212
00:45:42,550 --> 00:45:40,319
the time

1213
00:45:45,589 --> 00:45:42,560

read the newspapers not only the stories

1214

00:45:48,790 --> 00:45:45,599

about roswell but all the stuff going on

1215

00:45:50,630 --> 00:45:48,800

and uh the multiplicity of hoaxes being

1216

00:45:53,589 --> 00:45:50,640

being uh

1217

00:45:56,069 --> 00:45:53,599

made and looking at the

1218

00:45:57,510 --> 00:45:56,079

explanations for what both kenneth

1219

00:46:00,710 --> 00:45:57,520

arnold saw and what other people were

1220

00:46:03,190 --> 00:46:00,720

seeing in the skies all i'm saying is

1221

00:46:06,710 --> 00:46:03,200

flying saucer does not necessarily

1222

00:46:08,950 --> 00:46:06,720

translate into alien spacecraft you've

1223

00:46:11,030 --> 00:46:08,960

postulated that flying saucer it

1224

00:46:11,990 --> 00:46:11,040

translates to alien spacecraft i say in

1225

00:46:14,309 --> 00:46:12,000

the time

1226
00:46:18,630 --> 00:46:14,319
based on looking at all this other stuff

1227
00:46:21,670 --> 00:46:19,510
okay

1228
00:46:23,589 --> 00:46:21,680
i i i don't know i don't know what to

1229
00:46:24,790 --> 00:46:23,599
say to you on that okay other than have

1230
00:46:27,510 --> 00:46:24,800
you read the news have you read the

1231
00:46:29,109 --> 00:46:27,520
newspapers a lot of the newspapers yeah

1232
00:46:33,230 --> 00:46:29,119
yeah from that time so you've seen the

1233
00:46:35,750 --> 00:46:33,240
multiplicity of explanations but well

1234
00:46:37,510 --> 00:46:35,760
multiplicity of explanations yeah

1235
00:46:40,630 --> 00:46:37,520
everything from uh

1236
00:46:51,349 --> 00:46:40,640
swamp gas to uh no they didn't get they

1237
00:46:54,470 --> 00:46:53,270
listen to me i have

1238
00:46:56,710 --> 00:46:54,480

i have

1239

00:46:59,030 --> 00:46:56,720

the explanation you want it's from a

1240

00:47:01,589 --> 00:46:59,040

kansas newspaper it says

1241

00:47:04,390 --> 00:47:01,599

flying saucers seen in 38 states except

1242

00:47:08,550 --> 00:47:04,400

kansas because kansas was a dry state

1243

00:47:12,069 --> 00:47:10,069

that works better than swamp gas for

1244

00:47:13,750 --> 00:47:12,079

this i don't know man uh al capone was

1245

00:47:15,430 --> 00:47:13,760

pretty big in kansas city that they

1246

00:47:18,390 --> 00:47:15,440

weren't drinking he sure was selling a

1247

00:47:20,230 --> 00:47:18,400

lot of whiskey some

1248

00:47:23,430 --> 00:47:20,240

i'm not talking kansas city and that's

1249

00:47:25,670 --> 00:47:24,390

excuse me

1250

00:47:27,589 --> 00:47:25,680

kansas city's in missouri there's a

1251
00:47:29,270 --> 00:47:27,599
kansas city kansas that's just as big as

1252
00:47:31,109 --> 00:47:29,280
kansas city low man it's on the wrong

1253
00:47:33,109 --> 00:47:31,119
side of the river

1254
00:47:35,750 --> 00:47:33,119
you guys are arguing about this what can

1255
00:47:37,190 --> 00:47:35,760
i tell you he's right he's right hey um

1256
00:47:39,030 --> 00:47:37,200
hey let me this what happened what

1257
00:47:40,790 --> 00:47:39,040
happened to the host he just

1258
00:47:42,790 --> 00:47:40,800
disappeared from the conversation i'm

1259
00:47:44,950 --> 00:47:42,800
i'm i'm just sitting back and enjoying

1260
00:47:47,430 --> 00:47:44,960
this with some popcorn in the glass you

1261
00:47:49,910 --> 00:47:47,440
should be moderating here moderating i

1262
00:47:53,270 --> 00:47:49,920
i've interrupted a few times when ken

1263
00:47:54,630 --> 00:47:53,280

has overspoke uh kevin so yeah

1264

00:47:57,910 --> 00:47:54,640

yeah

1265

00:47:59,510 --> 00:47:57,920

hey i got chastised where were you

1266

00:48:01,510 --> 00:47:59,520

can you you're holding your own pretty

1267

00:48:04,309 --> 00:48:01,520

good but um i'm gonna have to give kevin

1268

00:48:07,030 --> 00:48:04,319

uh a point a point up on you

1269

00:48:08,630 --> 00:48:07,040

a point up on me yeah

1270

00:48:10,950 --> 00:48:08,640

there you go i know because he's a

1271

00:48:12,870 --> 00:48:10,960

colonel and i'm a sergeant god damn it

1272

00:48:16,230 --> 00:48:12,880

um

1273

00:48:17,750 --> 00:48:16,240

e5 e6 e7 what kind of sergeant

1274

00:48:19,910 --> 00:48:17,760

that was a staff

1275

00:48:21,750 --> 00:48:19,920

that would be an e6 well what service

1276

00:48:23,030 --> 00:48:21,760

army

1277

00:48:24,470 --> 00:48:23,040

do what to who

1278

00:48:26,870 --> 00:48:24,480

what what service were you a staff

1279

00:48:30,150 --> 00:48:26,880

sergeant what branch of the service air

1280

00:48:32,470 --> 00:48:30,160

force oh that's air force i was in

1281

00:48:34,630 --> 00:48:32,480

i was a strategic i was in the strategic

1282

00:48:36,230 --> 00:48:34,640

air command i was stationed at offutt

1283

00:48:39,750 --> 00:48:36,240

air force base once you get on it you

1284

00:48:41,270 --> 00:48:39,760

can't get off it at the omaha nebraska i

1285

00:48:42,870 --> 00:48:41,280

know where offutt air force base is i've

1286

00:48:44,950 --> 00:48:42,880

driven yeah well you went to school at

1287

00:48:46,870 --> 00:48:44,960

uh at the thunderbird

1288

00:48:48,390 --> 00:48:46,880

hinckley high school

1289

00:48:49,990 --> 00:48:48,400

yes i did yeah

1290

00:48:52,790 --> 00:48:50,000

listen i know more about you than you

1291

00:48:54,470 --> 00:48:52,800

know about you pal okay yeah

1292

00:48:57,030 --> 00:48:54,480

okay how's this for you we just had our

1293

00:48:58,950 --> 00:48:57,040

50th anniversary high school reunion uh

1294

00:49:00,150 --> 00:48:58,960

how many people showed up

1295

00:49:03,430 --> 00:49:00,160

12

1296

00:49:09,910 --> 00:49:06,230

i wasn't one of them by the way

1297

00:49:11,510 --> 00:49:09,920

uh but anyway i you know

1298

00:49:12,630 --> 00:49:11,520

what other questions have you asked stan

1299

00:49:13,829 --> 00:49:12,640

that he didn't give you a good answer

1300

00:49:15,030 --> 00:49:13,839

for

1301

00:49:16,950 --> 00:49:15,040

um

1302

00:49:19,109 --> 00:49:16,960

the well the one that we've been

1303

00:49:21,430 --> 00:49:19,119

discussing this past hour and the other

1304

00:49:23,030 --> 00:49:21,440

one um is

1305

00:49:25,430 --> 00:49:23,040

how come

1306

00:49:28,150 --> 00:49:25,440

we don't see anything

1307

00:49:32,390 --> 00:49:31,270

the air force manual and having been in

1308

00:49:33,829 --> 00:49:32,400

i mean i don't know how it was in the

1309

00:49:36,710 --> 00:49:33,839

other commands but it's strategic air

1310

00:49:40,150 --> 00:49:36,720

command if you had a major foo bar

1311

00:49:42,630 --> 00:49:40,160

okay you got all kinds of uh

1312

00:49:44,630 --> 00:49:42,640

instructions on on how to handle it the

1313

00:49:46,549 --> 00:49:44,640

next time training manuals if you will

1314

00:49:49,270 --> 00:49:46,559

and we don't see anything in the

1315

00:49:52,309 --> 00:49:49,280

communiques of the air force or other

1316

00:49:53,990 --> 00:49:52,319

services for that matter in balloon

1317

00:49:56,549 --> 00:49:54,000

recollection so we don't have to go

1318

00:49:59,109 --> 00:49:56,559

through this fiasco again because it was

1319

00:50:01,910 --> 00:49:59,119

a major foo bar okay

1320

00:50:04,069 --> 00:50:01,920

it was it was a it was a mess up from

1321

00:50:06,549 --> 00:50:04,079

from the moment that uh blanchard sent

1322

00:50:08,390 --> 00:50:06,559

marcel and cavett out there till you

1323

00:50:10,829 --> 00:50:08,400

know they said it was uh a weather

1324

00:50:14,549 --> 00:50:10,839

balloon it was a it was a

1325

00:50:16,630 --> 00:50:14,559

um nightmare for the army air force army

1326
00:50:18,630 --> 00:50:16,640
air corps whoever you want to call them

1327
00:50:19,510 --> 00:50:18,640
they had they had a hot potato on their

1328
00:50:20,870 --> 00:50:19,520
hands

1329
00:50:22,150 --> 00:50:20,880
okay

1330
00:50:23,589 --> 00:50:22,160
the press was

1331
00:50:25,750 --> 00:50:23,599
starting to get the smell that's the

1332
00:50:27,589 --> 00:50:25,760
reason why they held that [h__h] press

1333
00:50:29,829 --> 00:50:27,599
conference and put out that propaganda

1334
00:50:31,750 --> 00:50:29,839
folder they had to do something kevin

1335
00:50:33,750 --> 00:50:31,760
and that goes back the press conference

1336
00:50:35,589 --> 00:50:33,760
held in fort worth was a response the

1337
00:50:38,069 --> 00:50:35,599
press release that was made in roswell

1338
00:50:39,670 --> 00:50:38,079

okay okay i i'm not it was a direct

1339

00:50:42,470 --> 00:50:39,680

response to that

1340

00:50:44,309 --> 00:50:42,480

but but but the fact of the matter is

1341

00:50:47,270 --> 00:50:44,319

they were pressured in doing something

1342

00:50:48,870 --> 00:50:47,280

and the press let them off the hook they

1343

00:50:51,670 --> 00:50:48,880

weren't working about that the press

1344

00:50:53,349 --> 00:50:51,680

stepped all the the breasts blew it

1345

00:50:56,390 --> 00:50:53,359

and so but

1346

00:50:58,870 --> 00:50:56,400

you have to you have to understand that

1347

00:51:00,309 --> 00:50:58,880

uh the military was controlling all the

1348

00:51:03,190 --> 00:51:00,319

witnesses

1349

00:51:06,470 --> 00:51:03,200

and if you look back there's uh uh uh

1350

00:51:09,270 --> 00:51:06,480

interview with uh wilcox sheriff wilcox

1351
00:51:11,109 --> 00:51:09,280
hey and he's being he's being quizzed by

1352
00:51:12,470 --> 00:51:11,119
the reporters and he says i can't tell

1353
00:51:14,470 --> 00:51:12,480
you enough i'm working with those boys

1354
00:51:16,069 --> 00:51:14,480
out at the base let me shift gears for

1355
00:51:17,670 --> 00:51:16,079
you a little bit here and that is you

1356
00:51:18,790 --> 00:51:17,680
made a statement earlier i wrote it down

1357
00:51:21,750 --> 00:51:18,800
here that

1358
00:51:23,829 --> 00:51:21,760
um you don't know what crashed that's

1359
00:51:25,910 --> 00:51:23,839
right okay but you acknowledge that

1360
00:51:27,510 --> 00:51:25,920
something came down right there's no

1361
00:51:29,030 --> 00:51:27,520
question about that it wasn't a weather

1362
00:51:31,270 --> 00:51:29,040
balloon right

1363
00:51:33,109 --> 00:51:31,280

it was as far as i can tell it was no

1364

00:51:35,910 --> 00:51:33,119

kind of weather balloon that's correct

1365

00:51:38,069 --> 00:51:35,920

so through the process of elimination

1366

00:51:41,750 --> 00:51:38,079

all right it had to be something other

1367

00:51:42,710 --> 00:51:41,760

than a mundane object

1368

00:51:46,230 --> 00:51:42,720

yes

1369

00:51:48,230 --> 00:51:46,240

we're all in agreement on that okay so

1370

00:51:51,349 --> 00:51:48,240

you know we have

1371

00:51:53,349 --> 00:51:51,359

probably several possibilities one of

1372

00:51:55,430 --> 00:51:53,359

them being extraterrestrial one of them

1373

00:51:57,990 --> 00:51:55,440

being russian i i

1374

00:52:00,950 --> 00:51:58,000

truly i think you can blow the nazi and

1375

00:52:04,150 --> 00:52:00,960

russian uh explanation out of the water

1376
00:52:06,549 --> 00:52:04,160
in a very short and rather uh expedient

1377
00:52:07,990 --> 00:52:06,559
since the nazis didn't exist in 1947 and

1378
00:52:09,750 --> 00:52:08,000
pretty well have lost the war we can

1379
00:52:11,430 --> 00:52:09,760
eliminate the nazis

1380
00:52:12,950 --> 00:52:11,440
uh according to all the information i've

1381
00:52:15,430 --> 00:52:12,960
been able to i don't know werner von

1382
00:52:17,750 --> 00:52:15,440
braun was around he was a nazi

1383
00:52:19,750 --> 00:52:17,760
was he a nazi yeah he was a nazi he was

1384
00:52:21,430 --> 00:52:19,760
part of the wesley park

1385
00:52:23,030 --> 00:52:21,440
yeah because if you don't join the nazi

1386
00:52:25,670 --> 00:52:23,040
party he ended up in a concentration

1387
00:52:30,390 --> 00:52:25,680
camp well be that as it may he was a

1388
00:52:34,150 --> 00:52:32,309

you do not know that you're just you're

1389

00:52:34,510 --> 00:52:34,160

just throwing stuff out here for no good

1390

00:52:36,150 --> 00:52:34,520

reason

1391

00:52:37,589 --> 00:52:36,160

[Laughter]

1392

00:52:39,270 --> 00:52:37,599

but the point

1393

00:52:43,030 --> 00:52:39,280

shows him given that a nazi salute we're

1394

00:52:45,670 --> 00:52:43,040

in a nazi armband in in berlin

1395

00:52:48,069 --> 00:52:45,680

yeah everybody else he was given a high

1396

00:52:50,549 --> 00:52:48,079

level position uh because of his science

1397

00:52:51,910 --> 00:52:50,559

status in the in the technology

1398

00:52:53,510 --> 00:52:51,920

department

1399

00:52:55,670 --> 00:52:53,520

it was not a nazi and there was not a

1400

00:52:58,390 --> 00:52:55,680

nazi regime to be flying

1401
00:53:00,150 --> 00:52:58,400
flying saucers around the nazis are gone

1402
00:53:02,150 --> 00:53:00,160
and i was going to say the soviets had

1403
00:53:03,190 --> 00:53:02,160
no capability in reaching roswell with

1404
00:53:05,510 --> 00:53:03,200
anything

1405
00:53:08,230 --> 00:53:05,520
okay you're making my argument for me

1406
00:53:09,589 --> 00:53:08,240
yes i am i'm telling you yeah i'll tell

1407
00:53:12,309 --> 00:53:09,599
you there was nothing that was missing

1408
00:53:14,150 --> 00:53:12,319
from white sands missile range

1409
00:53:15,910 --> 00:53:14,160
okay i've got i've got a list of all the

1410
00:53:17,510 --> 00:53:15,920
rocket launches from white sand missile

1411
00:53:19,589 --> 00:53:17,520
ranges nothing missing from there the

1412
00:53:21,829 --> 00:53:19,599
air force will tell you that they looked

1413
00:53:23,670 --> 00:53:21,839

for aircraft accident records and there

1414

00:53:25,670 --> 00:53:23,680

was nothing there that they could find

1415

00:53:27,910 --> 00:53:25,680

the one thing i will tell you

1416

00:53:31,349 --> 00:53:27,920

that in 1947 the size and shape of the

1417

00:53:34,069 --> 00:53:31,359

atomic bomb happened to be classified

1418

00:53:36,870 --> 00:53:34,079

so that and i'm not postulating this is

1419

00:53:39,030 --> 00:53:36,880

the explanation i am merely saying that

1420

00:53:40,630 --> 00:53:39,040

if it had been an aircraft with a

1421

00:53:41,829 --> 00:53:40,640

mock-up of the atomic bomb because it

1422

00:53:43,670 --> 00:53:41,839

wouldn't be flying the real things

1423

00:53:45,670 --> 00:53:43,680

around but they needed them for training

1424

00:53:47,990 --> 00:53:45,680

purposes that had crashed then there

1425

00:53:50,390 --> 00:53:48,000

would be an excuse for

1426
00:53:53,430 --> 00:53:51,829
covering covering the thing up because

1427
00:53:54,870 --> 00:53:53,440
they're they're dealing with classified

1428
00:53:57,589 --> 00:53:54,880
material

1429
00:53:59,030 --> 00:53:57,599
and so now i'm postulating a theory for

1430
00:54:00,390 --> 00:53:59,040
you that the reason that blanchard

1431
00:54:01,510 --> 00:54:00,400
issued the press release saying it was a

1432
00:54:03,670 --> 00:54:01,520
flying saucer is because they didn't

1433
00:54:07,910 --> 00:54:03,680
want to admit they dumped a b-29 with an

1434
00:54:12,309 --> 00:54:09,829
again

1435
00:54:16,710 --> 00:54:12,319
i'm i'm having a hard time uh swallowing

1436
00:54:19,510 --> 00:54:16,720
that one okay because here it is 2017

1437
00:54:21,430 --> 00:54:19,520
and their official position is that it

1438
00:54:23,430 --> 00:54:21,440

was project mogul balloon still a

1439

00:54:26,549 --> 00:54:23,440

balloon um

1440

00:54:27,829 --> 00:54:26,559

and and so that and the fact that well

1441

00:54:30,150 --> 00:54:27,839

wait a minute

1442

00:54:32,549 --> 00:54:30,160

we don't have there's no indication that

1443

00:54:35,510 --> 00:54:32,559

there was any kind of radiation uh

1444

00:54:37,270 --> 00:54:35,520

recovery team practice atomic bomb i

1445

00:54:39,829 --> 00:54:37,280

said nothing about it real autonomous

1446

00:54:41,910 --> 00:54:39,839

okay okay okay but even the shape and

1447

00:54:44,069 --> 00:54:41,920

the size classified at the time and if

1448

00:54:46,069 --> 00:54:44,079

they dumped a b-29 with a practice

1449

00:54:48,470 --> 00:54:46,079

atomic bomb on it that would have made

1450

00:54:50,470 --> 00:54:48,480

it a classified event so was project

1451
00:54:52,549 --> 00:54:50,480
mogul project mogul was top secret but

1452
00:54:53,750 --> 00:54:52,559
it isn't now and if it was a dummy

1453
00:54:55,270 --> 00:54:53,760
warhead

1454
00:54:57,190 --> 00:54:55,280
mogul is irrelevant because what you're

1455
00:55:00,150 --> 00:54:57,200
talking about is the university of new

1456
00:55:01,990 --> 00:55:00,160
of of new york's balloon project and it

1457
00:55:03,270 --> 00:55:02,000
was not classified the balloons were

1458
00:55:04,630 --> 00:55:03,280
flying all over the place there's

1459
00:55:08,400 --> 00:55:04,640
pictures of them in the newspaper on

1460
00:55:08,410 --> 00:55:14,230
[Laughter]

1461
00:55:17,670 --> 00:55:15,589
what i'm saying to you and you don't

1462
00:55:21,270 --> 00:55:17,680
seem to understand is

1463
00:55:25,670 --> 00:55:22,790

of what it could be

1464

00:55:29,109 --> 00:55:25,680

it doesn't seem to be any of those we

1465

00:55:30,710 --> 00:55:29,119

are left with an exotic event in roswell

1466

00:55:34,069 --> 00:55:30,720

that does not

1467

00:55:36,630 --> 00:55:34,079

prove its alien it suggests it's alien

1468

00:55:39,109 --> 00:55:36,640

but the evidence to make that case a

1469

00:55:40,870 --> 00:55:39,119

hundred percent does not exist there is

1470

00:55:44,150 --> 00:55:40,880

the possibility there was something else

1471

00:55:46,870 --> 00:55:44,160

going on that we have not we have not uh

1472

00:55:49,430 --> 00:55:46,880

um stumbled onto nick redford is talking

1473

00:55:50,470 --> 00:55:49,440

about units 731 in his latest book and

1474

00:55:52,630 --> 00:55:50,480

he makes

1475

00:55:54,630 --> 00:55:52,640

he brings in some documentation about

1476

00:55:57,430 --> 00:55:54,640

all of that how it was classified in

1477

00:55:59,349 --> 00:55:57,440

1947 and it had been something with that

1478

00:56:00,870 --> 00:55:59,359

that might have been an excuse for being

1479

00:56:02,710 --> 00:56:00,880

classified

1480

00:56:04,390 --> 00:56:02,720

at the time i prefer the idea that it

1481

00:56:06,390 --> 00:56:04,400

was an atomic bomb simply because the

1482

00:56:07,829 --> 00:56:06,400

size and shape were classified and they

1483

00:56:10,390 --> 00:56:07,839

didn't want people talking about what

1484

00:56:14,069 --> 00:56:10,400

they might have seen if you read witness

1485

00:56:16,150 --> 00:56:14,079

to roswell by kerry and um schmidt

1486

00:56:17,829 --> 00:56:16,160

they talk about a guy and

1487

00:56:19,510 --> 00:56:17,839

i always forget his name i want to say

1488

00:56:21,750 --> 00:56:19,520

his newly but i'm not sure it is talking

1489

00:56:22,630 --> 00:56:21,760

about how he had been in one area of the

1490

00:56:25,270 --> 00:56:22,640

base

1491

00:56:27,349 --> 00:56:25,280

in november of 1947 and he was working

1492

00:56:29,589 --> 00:56:27,359

on an aircraft and the mps chased him

1493

00:56:31,510 --> 00:56:29,599

off he said well i had lying badge i

1494

00:56:33,349 --> 00:56:31,520

could be there and all of that stuff but

1495

00:56:34,630 --> 00:56:33,359

he wasn't cleared for

1496

00:56:36,789 --> 00:56:34,640

the um

1497

00:56:39,270 --> 00:56:36,799

uh the the stuff dealing with the atomic

1498

00:56:41,270 --> 00:56:39,280

weapons and he was working on a silver

1499

00:56:43,030 --> 00:56:41,280

plate b-29 which is the real clue those

1500

00:56:45,270 --> 00:56:43,040

are the ones that carried the uh were

1501
00:56:47,109 --> 00:56:45,280
modified to carry the atomic weapons

1502
00:56:49,030 --> 00:56:47,119
but he's talking about something that he

1503
00:56:52,390 --> 00:56:49,040
saw that sounds suspiciously like the

1504
00:56:55,109 --> 00:56:52,400
mk3 atomic bomb so we can eliminate that

1505
00:56:56,789 --> 00:56:55,119
particular story from all the eyewitness

1506
00:56:59,910 --> 00:56:56,799
testimony because he was mistaken in

1507
00:57:00,870 --> 00:56:59,920
what he saw i am merely saying

1508
00:57:03,990 --> 00:57:00,880
that

1509
00:57:06,789 --> 00:57:04,000
when we look at this dispassionately

1510
00:57:08,470 --> 00:57:06,799
that to invent interstellar flight or an

1511
00:57:10,069 --> 00:57:08,480
explanation

1512
00:57:12,150 --> 00:57:10,079
doesn't necessarily

1513
00:57:13,510 --> 00:57:12,160

get the simplest explanation available

1514

00:57:15,750 --> 00:57:13,520

for us

1515

00:57:18,789 --> 00:57:15,760

but we have no other explanation and

1516

00:57:20,710 --> 00:57:18,799

that's where i'm hung up i cannot say

1517

00:57:23,510 --> 00:57:20,720

beyond a shadow of a doubt that this was

1518

00:57:25,349 --> 00:57:23,520

an alien spacecraft

1519

00:57:27,430 --> 00:57:25,359

but there seems to be no other

1520

00:57:28,870 --> 00:57:27,440

terrestrial explanation for it which is

1521

00:57:31,510 --> 00:57:28,880

not to say there isn't that we just

1522

00:57:32,549 --> 00:57:31,520

don't know about no and i and i i agree

1523

00:57:35,430 --> 00:57:32,559

with you

1524

00:57:38,630 --> 00:57:35,440

okay based on on that statement

1525

00:57:39,349 --> 00:57:38,640

yeah there there is no uh flying saucer

1526

00:57:41,910 --> 00:57:39,359

on

1527

00:57:44,630 --> 00:57:41,920

what what came down in roswell

1528

00:57:47,430 --> 00:57:44,640

all right i'm not i'm not arguing that

1529

00:57:49,750 --> 00:57:47,440

what i am saying is is that i think from

1530

00:57:52,549 --> 00:57:49,760

an investigator's standpoint looking at

1531

00:57:55,589 --> 00:57:52,559

it through a cop's eye

1532

00:57:57,030 --> 00:57:55,599

that there is sufficient evidence there

1533

00:58:01,109 --> 00:57:57,040

is sufficient

1534

00:58:03,109 --> 00:58:01,119

uh probable cause to to believe

1535

00:58:05,910 --> 00:58:03,119

and you could get a warrant based upon

1536

00:58:08,549 --> 00:58:05,920

the information i don't have to i don't

1537

00:58:11,030 --> 00:58:08,559

have to see the cocaine in the basement

1538

00:58:12,549 --> 00:58:11,040

to obtain the warrant kevin i understand

1539

00:58:14,069 --> 00:58:12,559

that i i i

1540

00:58:15,510 --> 00:58:14,079

showed you

1541

00:58:17,030 --> 00:58:15,520

when you get the warrant you better find

1542

00:58:19,829 --> 00:58:17,040

the cocaine in the basement not

1543

00:58:21,589 --> 00:58:19,839

necessarily that's not true either all i

1544

00:58:23,190 --> 00:58:21,599

have to do is show that cocaine was

1545

00:58:24,309 --> 00:58:23,200

there

1546

00:58:25,670 --> 00:58:24,319

but you know

1547

00:58:27,670 --> 00:58:25,680

you can't show there was an alien

1548

00:58:32,549 --> 00:58:27,680

spacecraft in roswell all you have is

1549

00:58:34,390 --> 00:58:32,559

some testimony um and it's becoming a

1550

00:58:36,710 --> 00:58:34,400

big deal

1551
00:58:38,789 --> 00:58:36,720
hey i'm looking at it from being able to

1552
00:58:40,230 --> 00:58:38,799
prove it in a court of law

1553
00:58:41,990 --> 00:58:40,240
i can't

1554
00:58:44,630 --> 00:58:42,000
and i say i can

1555
00:58:46,549 --> 00:58:44,640
i think that you can show that there's

1556
00:58:49,430 --> 00:58:46,559
reasonable suspicion and there's

1557
00:58:51,190 --> 00:58:49,440
probable cause to believe

1558
00:58:52,390 --> 00:58:51,200
i've written enough goddamn warrants to

1559
00:58:53,109 --> 00:58:52,400
know that

1560
00:58:54,710 --> 00:58:53,119
and

1561
00:58:56,710 --> 00:58:54,720
that's irrelevant

1562
00:58:59,109 --> 00:58:56,720
it's not irrelevant it's very relevant

1563
00:59:00,710 --> 00:58:59,119

we're talking about being able to okay

1564

00:59:02,150 --> 00:59:00,720

let's move it to the point of science

1565

00:59:03,430 --> 00:59:02,160

then and take it out of the courtroom

1566

00:59:05,750 --> 00:59:03,440

where this doesn't really belong it

1567

00:59:07,349 --> 00:59:05,760

belongs in the the arena of science i

1568

00:59:09,349 --> 00:59:07,359

just don't have the evidence [h__h] if

1569

00:59:10,870 --> 00:59:09,359

we listen to science kevin we'd still

1570

00:59:12,230 --> 00:59:10,880

think the earth was flat and we could

1571

00:59:14,549 --> 00:59:12,240

never go to the moon and we wouldn't

1572

00:59:17,589 --> 00:59:14,559

break the sound barrier science that's

1573

00:59:18,789 --> 00:59:17,599

crapola too and you know it

1574

00:59:19,670 --> 00:59:18,799

[h__h]

1575

00:59:21,349 --> 00:59:19,680

okay

1576

00:59:23,349 --> 00:59:21,359

then who broke the sound barrier who

1577

00:59:25,030 --> 00:59:23,359

discovered the earth the greeks for

1578

00:59:27,190 --> 00:59:25,040

god's sakes knew the earth was around

1579

00:59:29,109 --> 00:59:27,200

him they calculated the circumference to

1580

00:59:30,630 --> 00:59:29,119

a pretty accurate degree back to the

1581

00:59:33,190 --> 00:59:30,640

mines

1582

00:59:35,190 --> 00:59:33,200

the egyptians knew about it too so why

1583

00:59:37,510 --> 00:59:35,200

why did the catholic church tell them

1584

00:59:39,910 --> 00:59:37,520

that the the that the ocean that the

1585

00:59:41,589 --> 00:59:39,920

planet was flat why did the jesuit

1586

00:59:42,950 --> 00:59:41,599

priest refuse to look through the

1587

00:59:45,030 --> 00:59:42,960

telescope

1588

00:59:48,230 --> 00:59:45,040

and the one that did lied about what he

1589

00:59:50,390 --> 00:59:48,240

saw because science has a dog

1590

00:59:52,230 --> 00:59:50,400

no no no you're

1591

00:59:53,910 --> 00:59:52,240

you're now saying religion didn't look

1592

00:59:55,750 --> 00:59:53,920

through the telescope not that science

1593

00:59:57,190 --> 00:59:55,760

galileo was the scientist he was looking

1594

00:59:58,630 --> 00:59:57,200

through the telescope and say look what

1595

01:00:01,109 --> 00:59:58,640

we found

1596

01:00:03,190 --> 01:00:01,119

and the jesuit priests were science too

1597

01:00:05,270 --> 01:00:03,200

because that's what they preached on

1598

01:00:07,910 --> 01:00:05,280

if they were religious leaders they were

1599

01:00:11,910 --> 01:00:07,920

not scientists

1600

01:00:16,309 --> 01:00:14,230

who invented the airplane to fly the uh

1601
01:00:18,150 --> 01:00:16,319
but beyond the sound barrier break the

1602
01:00:20,390 --> 01:00:18,160
sound barrier then science was involved

1603
01:00:22,390 --> 01:00:20,400
in that now you're discrediting science

1604
01:00:23,750 --> 01:00:22,400
for absolutely no good reason with a lot

1605
01:00:25,430 --> 01:00:23,760
of nonsense

1606
01:00:26,309 --> 01:00:25,440
well they didn't do this and they said

1607
01:00:28,549 --> 01:00:26,319
this

1608
01:00:30,390 --> 01:00:28,559
hey whoa captain you said take it out of

1609
01:00:33,430 --> 01:00:30,400
the courtroom and into the science and i

1610
01:00:35,510 --> 01:00:33,440
go [h__\h] i go by what i can prove i

1611
01:00:37,829 --> 01:00:35,520
go by what you can't pronounce

1612
01:00:39,510 --> 01:00:37,839
roswell was alien you cannot

1613
01:00:42,390 --> 01:00:39,520

felon you cannot prove what fell at

1614

01:00:45,190 --> 01:00:42,400

roswell was alien no i i didn't say i

1615

01:00:47,430 --> 01:00:45,200

could i said it is one shell in the

1616

01:00:50,150 --> 01:00:47,440

chamber of six and we're talking about

1617

01:00:52,549 --> 01:00:50,160

it the larger picture and once we show

1618

01:00:55,510 --> 01:00:52,559

that then we can prove that what fell at

1619

01:00:57,910 --> 01:00:55,520

roswell was an alien technology it fits

1620

01:00:59,670 --> 01:00:57,920

in there okay you can't prove

1621

01:01:02,150 --> 01:00:59,680

you can't prove it by bringing in all

1622

01:01:03,910 --> 01:01:02,160

this other other information from other

1623

01:01:05,829 --> 01:01:03,920

cases to prove what fell at roswell was

1624

01:01:07,670 --> 01:01:05,839

alien you need something more to do

1625

01:01:09,750 --> 01:01:07,680

about it hey kevin it proves that

1626

01:01:13,430 --> 01:01:09,760

extraterrestrials are here it probably

1627

01:01:17,190 --> 01:01:15,910

okay and and where are you ken are you

1628

01:01:19,270 --> 01:01:17,200

there

1629

01:01:21,430 --> 01:01:19,280

yeah

1630

01:01:22,630 --> 01:01:21,440

gentlemen guess what let's take a break

1631

01:01:24,150 --> 01:01:22,640

let's take a break and we're going to

1632

01:01:25,670 --> 01:01:24,160

get into mufon after the break we're

1633

01:01:27,030 --> 01:01:25,680

going to we're going to cut ties with

1634

01:01:29,349 --> 01:01:27,040

we're going to cut ties with i'd like to

1635

01:01:32,309 --> 01:01:29,359

say one thing sure go ahead go ahead now

1636

01:01:34,309 --> 01:01:32,319

i'm going to miss silicon valley

1637

01:01:38,390 --> 01:01:34,319

damn it jim

1638

01:01:41,750 --> 01:01:39,349

kevin

1639

01:01:43,430 --> 01:01:41,760

interviewed jan harzon on june 14th and

1640

01:01:44,710 --> 01:01:43,440

kevin apparently you didn't get some

1641

01:01:46,549 --> 01:01:44,720

answers you thought you'd get is that

1642

01:01:48,870 --> 01:01:46,559

correct

1643

01:01:50,390 --> 01:01:48,880

he uh dodged some of the questions very

1644

01:01:52,870 --> 01:01:50,400

nicely

1645

01:01:54,230 --> 01:01:52,880

so yes i did not get answers

1646

01:01:56,390 --> 01:01:54,240

and what answers were you looking for

1647

01:01:57,430 --> 01:01:56,400

what was he dodging

1648

01:01:59,349 --> 01:01:57,440

well

1649

01:02:01,589 --> 01:01:59,359

i i don't know how much you've discussed

1650

01:02:03,910 --> 01:02:01,599

about this in the past but in the middle

1651

varies by store us only hey uh john

1664

01:02:36,630 --> 01:02:34,960

bentry who was the state section

1665

01:02:40,309 --> 01:02:36,640

director i'm sorry state director of

1666

01:02:42,150 --> 01:02:40,319

mufon for pennsylvania and delaware

1667

01:02:44,549 --> 01:02:42,160

went on facebook with a pretty much

1668

01:02:45,670 --> 01:02:44,559

racist rant

1669

01:02:47,750 --> 01:02:45,680

there were a number of people who

1670

01:02:49,829 --> 01:02:47,760

responded that rant unfavorably they

1671

01:02:52,789 --> 01:02:49,839

didn't they didn't care for it

1672

01:02:55,349 --> 01:02:52,799

um harzon's initial response was hey

1673

01:02:57,030 --> 01:02:55,359

it's free speech and who's worse the guy

1674

01:02:59,109 --> 01:02:57,040

that makes the comment or the haters who

1675

01:03:01,829 --> 01:02:59,119

comment upon it which was pretty much a

1676

01:03:03,990 --> 01:03:01,839

non-apology

1677

01:03:05,109 --> 01:03:04,000

not long after that

1678

01:03:07,349 --> 01:03:05,119

uh

1679

01:03:08,549 --> 01:03:07,359

ventri was fired from being the state

1680

01:03:11,190 --> 01:03:08,559

director

1681

01:03:12,870 --> 01:03:11,200

of pennsylvania and delaware well i got

1682

01:03:14,230 --> 01:03:12,880

to looking into this and discovered

1683

01:03:15,670 --> 01:03:14,240

something and i'm not sure it's much of

1684

01:03:18,309 --> 01:03:15,680

a discovery there was something called

1685

01:03:19,829 --> 01:03:18,319

the inner circle and mufon

1686

01:03:21,829 --> 01:03:19,839

and if you go to the mufon website i

1687

01:03:23,270 --> 01:03:21,839

mean you can click on it you can learn

1688

01:03:24,870 --> 01:03:23,280

all about it but a lot of the mufon

1689

01:03:26,950 --> 01:03:24,880

members i spoke to didn't have an idea

1690

01:03:29,109 --> 01:03:26,960

that this thing existed and what it is

1691

01:03:31,190 --> 01:03:29,119

if you uh shell out five grand a year

1692

01:03:33,109 --> 01:03:31,200

you can be on the inner circle

1693

01:03:34,710 --> 01:03:33,119

in john bentry's in the inner circle

1694

01:03:35,990 --> 01:03:34,720

well that got me interested in who else

1695

01:03:38,069 --> 01:03:36,000

is in the inner circle they give the

1696

01:03:39,430 --> 01:03:38,079

list there's 13 names on it

1697

01:03:41,510 --> 01:03:39,440

and

1698

01:03:44,309 --> 01:03:41,520

i find no significance in that number

1699

01:03:46,230 --> 01:03:44,319

although others may find that 13 is a

1700

01:03:48,390 --> 01:03:46,240

bizarre number for them to have in the

1701

01:03:49,910 --> 01:03:48,400

inner circle uh harzan's in the inner

1702

01:03:51,829 --> 01:03:49,920

circle and i looked at some of the other

1703

01:03:54,150 --> 01:03:51,839

people and came up with a

1704

01:03:57,190 --> 01:03:54,160

woman named jay-z knight

1705

01:03:59,910 --> 01:03:57,200

who in 2011 11 got into a pretty much a

1706

01:04:01,270 --> 01:03:59,920

drunken rant in front of an audience

1707

01:04:02,630 --> 01:04:01,280

um

1708

01:04:04,150 --> 01:04:02,640

which was pretty much racial and

1709

01:04:06,150 --> 01:04:04,160

ethnically driven

1710

01:04:07,750 --> 01:04:06,160

and so i was wondering about that sort

1711

01:04:09,430 --> 01:04:07,760

of thing and i wanted to talk to him

1712

01:04:10,870 --> 01:04:09,440

about

1713

01:04:15,270 --> 01:04:10,880

the

1714

01:04:17,190 --> 01:04:15,280

and what what is being done on about it

1715

01:04:18,710 --> 01:04:17,200

and and he said well you know we fired

1716

01:04:20,710 --> 01:04:18,720

we fired um

1717

01:04:22,710 --> 01:04:20,720

ventri from that i discovered that uh

1718

01:04:25,270 --> 01:04:22,720

and i shouldn't say i discovered

1719

01:04:26,950 --> 01:04:25,280

lon strickler had discovered it that

1720

01:04:30,069 --> 01:04:26,960

ventri was merely moved into two

1721

01:04:32,069 --> 01:04:30,079

different positions of power in in mufon

1722

01:04:33,430 --> 01:04:32,079

uh jay-z knight when i asked him about

1723

01:04:34,789 --> 01:04:33,440

that he said well if he was a state

1724

01:04:36,710 --> 01:04:34,799

director i'd fire her which i thought

1725

01:04:39,910 --> 01:04:36,720

was a pretty much flip answer

1726

01:04:41,270 --> 01:04:39,920

uh didn't seem concerned at the tone of

1727

01:04:42,950 --> 01:04:41,280

of

1728

01:04:44,870 --> 01:04:42,960

these things and then

1729

01:04:46,069 --> 01:04:44,880

alibited by saying well it's free speech

1730

01:04:47,349 --> 01:04:46,079

they can say whatever they want i'm

1731

01:04:48,950 --> 01:04:47,359

thinking yeah you can say whatever you

1732

01:04:50,710 --> 01:04:48,960

want but there oftentimes is

1733

01:04:52,230 --> 01:04:50,720

consequences to free speech and one of

1734

01:04:53,190 --> 01:04:52,240

those if you offend enough a lot of

1735

01:04:54,710 --> 01:04:53,200

people

1736

01:04:57,349 --> 01:04:54,720

you're going to find yourself out of a

1737

01:04:59,029 --> 01:04:57,359

job and yet his attitude seemed to be

1738

01:05:00,630 --> 01:04:59,039

well we don't really care and the inner

1739

01:05:03,349 --> 01:05:00,640

circle is just really

1740

01:05:05,349 --> 01:05:03,359

not a profit center but a donation level

1741

01:05:06,710 --> 01:05:05,359

organization because you donate the five

1742

01:05:08,710 --> 01:05:06,720

grand and you can be in the inner circle

1743

01:05:10,950 --> 01:05:08,720

and it doesn't really affect

1744

01:05:12,470 --> 01:05:10,960

the daily operation of mufon but if you

1745

01:05:15,430 --> 01:05:12,480

read the

1746

01:05:17,430 --> 01:05:15,440

uh website it says well you know they do

1747

01:05:18,470 --> 01:05:17,440

influence the direction of mufon and

1748

01:05:20,470 --> 01:05:18,480

they

1749

01:05:24,789 --> 01:05:20,480

have some other perks that suggest

1750

01:05:29,430 --> 01:05:26,789

manipulating is the word i was searching

1751

01:05:30,789 --> 01:05:29,440

for manipulating uh what mufon is doing

1752

01:05:32,230 --> 01:05:30,799

and that sort of thing and i thought you

1753

01:05:34,309 --> 01:05:32,240

know this is something that really needs

1754

01:05:37,029 --> 01:05:34,319

to be discussed because we've got people

1755

01:05:39,190 --> 01:05:37,039

at the highest levels of mufon who

1756

01:05:43,029 --> 01:05:39,200

are making these

1757

01:05:45,510 --> 01:05:43,039

really bad racist comments

1758

01:05:47,750 --> 01:05:45,520

i think like knight was talking about

1759

01:05:49,190 --> 01:05:47,760

how the jews had earned enough money to

1760

01:05:50,710 --> 01:05:49,200

buy their way out of the gas chambers

1761

01:05:52,150 --> 01:05:50,720

which i thought was really a horrendous

1762

01:05:54,710 --> 01:05:52,160

thing to say

1763

01:05:56,870 --> 01:05:54,720

and stuff like that and

1764

01:05:58,230 --> 01:05:56,880

the executive director of mufon jan

1765

01:06:00,150 --> 01:05:58,240

harzon

1766

01:06:01,270 --> 01:06:00,160

didn't really seem to care

1767

01:06:02,549 --> 01:06:01,280

because

1768

01:06:03,910 --> 01:06:02,559

the inner circle isn't all that

1769

01:06:05,589 --> 01:06:03,920

important and yet when you read about

1770

01:06:07,029 --> 01:06:05,599

the inner circle it supposedly is that

1771

01:06:09,670 --> 01:06:07,039

important so i found it somewhat

1772

01:06:12,390 --> 01:06:09,680

contradictory did you see the 60 minutes

1773

01:06:16,470 --> 01:06:12,400

interview with um

1774

01:06:17,829 --> 01:06:16,480

bigelow yeah bigelow robert bigelow no

1775

01:06:20,069 --> 01:06:17,839

i but i know that he said that he

1776

01:06:23,190 --> 01:06:20,079

believed aliens were visiting us yeah

1777

01:06:26,150 --> 01:06:23,200

but he also uh extrapolated a little bit

1778

01:06:28,069 --> 01:06:26,160

on his involvement with mufon and what

1779

01:06:29,190 --> 01:06:28,079

happened he didn't go into great detail

1780

01:06:30,710 --> 01:06:29,200

but he did

1781

01:06:33,270 --> 01:06:30,720

elaborate a little bit

1782

01:06:36,150 --> 01:06:33,280

um that

1783

01:06:38,710 --> 01:06:36,160

he paid x number of dollars to the board

1784

01:06:40,710 --> 01:06:38,720

and there had been an agreement

1785

01:06:42,950 --> 01:06:40,720

with the board that

1786

01:06:44,789 --> 01:06:42,960

he would

1787

01:06:46,789 --> 01:06:44,799

look at some of the

1788

01:06:49,430 --> 01:06:46,799

investigations and supplied the

1789

01:06:51,510 --> 01:06:49,440

technical expertise and scientific

1790

01:06:52,390 --> 01:06:51,520

evaluation of any evidence blah blah

1791

01:06:54,309 --> 01:06:52,400

blah

1792

01:06:56,309 --> 01:06:54,319

and the board agreed and then somehow

1793

01:06:58,309 --> 01:06:56,319

the board reneged on their involvement

1794

01:07:00,549 --> 01:06:58,319

i'm not really sure

1795

01:07:02,309 --> 01:07:00,559

to you know any details beyond that but

1796

01:07:04,710 --> 01:07:02,319

apparently there was a rift between

1797

01:07:06,549 --> 01:07:04,720

bigelow and the board concerning

1798

01:07:09,829 --> 01:07:06,559

management cases and whatever but he

1799

01:07:12,470 --> 01:07:09,839

didn't elaborate there was there was uh

1800

01:07:14,789 --> 01:07:12,480

another scandal if you will back in the

1801
01:07:16,950 --> 01:07:14,799
1990s where

1802
01:07:18,710 --> 01:07:16,960
john carpenter who was their abduction

1803
01:07:21,430 --> 01:07:18,720
researcher

1804
01:07:22,870 --> 01:07:21,440
sold case files to bigelow for x number

1805
01:07:25,430 --> 01:07:22,880
of dollars

1806
01:07:28,230 --> 01:07:25,440
and here are people who were

1807
01:07:29,430 --> 01:07:28,240
expressing their beliefs or talking

1808
01:07:30,870 --> 01:07:29,440
about their

1809
01:07:31,910 --> 01:07:30,880
experiences

1810
01:07:35,029 --> 01:07:31,920
and

1811
01:07:36,789 --> 01:07:35,039
carpenter was gathering the information

1812
01:07:38,069 --> 01:07:36,799
confidential information handing it over

1813
01:07:39,510 --> 01:07:38,079

to bigelow

1814

01:07:41,349 --> 01:07:39,520

which didn't mean it was necessarily

1815

01:07:42,789 --> 01:07:41,359

compromised but it certainly was

1816

01:07:44,069 --> 01:07:42,799

something that wasn't expected and i

1817

01:07:47,430 --> 01:07:44,079

know that carpenter got into a little

1818

01:07:49,349 --> 01:07:47,440

bit of trouble over that i i i excuse me

1819

01:07:51,270 --> 01:07:49,359

i worked directly under john shuschler

1820

01:07:54,950 --> 01:07:51,280

out of mufon headquarters in littleton

1821

01:07:55,670 --> 01:07:54,960

colorado and he assigned me cases

1822

01:07:57,829 --> 01:07:55,680

out of i worked

1823

01:08:00,309 --> 01:07:57,839

of the office there and i know of two

1824

01:08:02,309 --> 01:08:00,319

cases that never made it into the case

1825

01:08:03,510 --> 01:08:02,319

management file and john doesn't have

1826
01:08:05,430 --> 01:08:03,520
them

1827
01:08:07,750 --> 01:08:05,440
and and they were extensive

1828
01:08:09,750 --> 01:08:07,760
investigations that i did reports

1829
01:08:12,230 --> 01:08:09,760
written and and they're not there you

1830
01:08:13,190 --> 01:08:12,240
know fortunately i have my copy

1831
01:08:17,349 --> 01:08:13,200
but

1832
01:08:19,030 --> 01:08:17,359
management system i can never find them

1833
01:08:21,269 --> 01:08:19,040
and i and i had other people in fact i

1834
01:08:23,590 --> 01:08:21,279
think lorna and she couldn't find them

1835
01:08:25,349 --> 01:08:23,600
either so i don't know where they went

1836
01:08:26,709 --> 01:08:25,359
you know it leads me

1837
01:08:28,309 --> 01:08:26,719
it leads me to believe that you know

1838
01:08:30,390 --> 01:08:28,319

they went somewhere

1839

01:08:32,229 --> 01:08:30,400

i wrote the goddamn things well i think

1840

01:08:34,709 --> 01:08:32,239

i think john schussler is a fine

1841

01:08:36,070 --> 01:08:34,719

individual i do too i have nothing but

1842

01:08:38,070 --> 01:08:36,080

respect for him

1843

01:08:39,349 --> 01:08:38,080

and um and he's on the board of

1844

01:08:41,910 --> 01:08:39,359

directors

1845

01:08:44,470 --> 01:08:41,920

he's also on in the inner circle

1846

01:08:46,149 --> 01:08:44,480

all right so i couldn't find any i i

1847

01:08:48,950 --> 01:08:46,159

didn't realize that he had five grand to

1848

01:08:51,510 --> 01:08:48,960

hand to give to mufa uh he

1849

01:08:53,669 --> 01:08:51,520

he's not on the board now he's he's out

1850

01:08:55,910 --> 01:08:53,679

of it but he went to when he retired

1851
01:08:58,630 --> 01:08:55,920
from mufon he he admitted to me that he

1852
01:09:01,430 --> 01:08:58,640
went to work for bigelow at uh his

1853
01:09:03,590 --> 01:09:01,440
headquarters there in uh nevada arrow

1854
01:09:04,470 --> 01:09:03,600
big little aerospace i think it's called

1855
01:09:10,309 --> 01:09:04,480
and

1856
01:09:13,189 --> 01:09:10,319
he was a board member too

1857
01:09:14,470 --> 01:09:13,199
um he was a aeronautical engineer i

1858
01:09:17,510 --> 01:09:14,480
believe also

1859
01:09:19,110 --> 01:09:17,520
uh his son was on the board with him

1860
01:09:21,110 --> 01:09:19,120
wrote several books i'm having a brain

1861
01:09:23,749 --> 01:09:21,120
fart but the um

1862
01:09:26,149 --> 01:09:23,759
well the thing the thing that um got to

1863
01:09:27,749 --> 01:09:26,159

me was this inner circle

1864

01:09:30,309 --> 01:09:27,759

and some of the

1865

01:09:33,269 --> 01:09:30,319

wacky doodles who are members of that uh

1866

01:09:34,709 --> 01:09:33,279

john schussler is a member of it and and

1867

01:09:36,550 --> 01:09:34,719

great for him

1868

01:09:38,950 --> 01:09:36,560

um

1869

01:09:40,950 --> 01:09:38,960

uh clifford cliff cliff clifford

1870

01:09:43,269 --> 01:09:40,960

clifford clift yeah whatever his name

1871

01:09:45,749 --> 01:09:43,279

he's he's in the inner circle

1872

01:09:47,349 --> 01:09:45,759

but you've got jen ventry who made this

1873

01:09:49,030 --> 01:09:47,359

racist rant he's still in the inner

1874

01:09:52,070 --> 01:09:49,040

circle and it didn't seem that harzan

1875

01:09:54,149 --> 01:09:52,080

had any plans to return the money

1876

01:09:55,830 --> 01:09:54,159

and throw him out of the inner circle

1877

01:09:57,430 --> 01:09:55,840

because it's really just a profit center

1878

01:10:00,149 --> 01:09:57,440

you see it's a way of earning cash

1879

01:10:02,870 --> 01:10:00,159

because mufon needs money to operate

1880

01:10:05,910 --> 01:10:02,880

and i'm thinking that if you look at

1881

01:10:08,229 --> 01:10:05,920

uh once knight's

1882

01:10:10,310 --> 01:10:08,239

racist comments were

1883

01:10:11,830 --> 01:10:10,320

published on the internet

1884

01:10:14,550 --> 01:10:11,840

she had given

1885

01:10:16,390 --> 01:10:14,560

70 000 to various democratic candidates

1886

01:10:17,669 --> 01:10:16,400

in her home state

1887

01:10:19,030 --> 01:10:17,679

and they all returned the money they

1888

01:10:21,430 --> 01:10:19,040

didn't want any they didn't want to be

1889

01:10:23,030 --> 01:10:21,440

associated with that but with mufon it

1890

01:10:25,030 --> 01:10:23,040

doesn't seem to you got the five grand

1891

01:10:26,790 --> 01:10:25,040

you can be on the inner circle and it

1892

01:10:28,470 --> 01:10:26,800

really doesn't mean anything except of

1893

01:10:31,189 --> 01:10:28,480

course when you read exactly what the

1894

01:10:33,750 --> 01:10:31,199

inner circle does or what what some of

1895

01:10:35,510 --> 01:10:33,760

the perks of the inner circle are you

1896

01:10:37,590 --> 01:10:35,520

find out that it does mean something in

1897

01:10:39,030 --> 01:10:37,600

fact what one of the things it says on

1898

01:10:40,470 --> 01:10:39,040

the inner circle

1899

01:10:42,390 --> 01:10:40,480

is that

1900

01:10:44,550 --> 01:10:42,400

as i flip through the pages here so i

1901

01:10:46,310 --> 01:10:44,560

can find it

1902

01:10:48,790 --> 01:10:46,320

the inner circle members provide

1903

01:10:50,550 --> 01:10:48,800

advisory guidance to mufon

1904

01:10:52,550 --> 01:10:50,560

and are included in annual conference

1905

01:10:54,950 --> 01:10:52,560

calls attend private functions and

1906

01:10:56,630 --> 01:10:54,960

cocktail parties during symposium time

1907

01:10:58,390 --> 01:10:56,640

are afforded reserve seating at mufon

1908

01:11:00,870 --> 01:10:58,400

but here's to the important point our

1909

01:11:03,750 --> 01:11:00,880

provided provide

1910

01:11:05,189 --> 01:11:03,760

advisory guidance to move on well that

1911

01:11:07,030 --> 01:11:05,199

suggests they're doing something more

1912

01:11:08,149 --> 01:11:07,040

they're they're doing something more

1913

01:11:11,270 --> 01:11:08,159

than just

1914

01:11:12,870 --> 01:11:11,280

these other ego strokes

1915

01:11:14,390 --> 01:11:12,880

and one of the websites that i looked at

1916

01:11:15,990 --> 01:11:14,400

that members of this elite group the

1917

01:11:17,830 --> 01:11:16,000

inner circle provide insight and

1918

01:11:19,830 --> 01:11:17,840

direction to the course of mufon takes

1919

01:11:22,390 --> 01:11:19,840

in its daily activities

1920

01:11:24,470 --> 01:11:22,400

so it's not just you give me five grand

1921

01:11:26,550 --> 01:11:24,480

you can sit with me in the

1922

01:11:28,630 --> 01:11:26,560

symposium you get into the symposium for

1923

01:11:31,080 --> 01:11:28,640

free and all of that stuff there is

1924

01:11:33,030 --> 01:11:31,090

actually um

1925

01:11:34,870 --> 01:11:33,040

[Music]

1926

01:11:36,310 --> 01:11:34,880

guidance being provided by these people

1927

01:11:38,550 --> 01:11:36,320

and who are some of these people well

1928

01:11:40,950 --> 01:11:38,560

you got you've got jay-z knight who

1929

01:11:42,070 --> 01:11:40,960

takes her advice from a 35 000 year old

1930

01:11:44,390 --> 01:11:42,080

lemorian

1931

01:11:46,630 --> 01:11:44,400

the lumerian um

1932

01:11:47,590 --> 01:11:46,640

warrior who by the way endorsed donald

1933

01:11:49,350 --> 01:11:47,600

trump

1934

01:11:50,390 --> 01:11:49,360

and if he'd endorsed donald hillary

1935

01:11:52,870 --> 01:11:50,400

clinton i would have mentioned that as

1936

01:11:56,390 --> 01:11:54,630

and i'm thinking you know are these

1937

01:11:57,590 --> 01:11:56,400

really the people you want guiding move

1938

01:11:59,750 --> 01:11:57,600

on right now

1939

01:12:01,350 --> 01:11:59,760

uh you know

1940

01:12:03,350 --> 01:12:01,360

you have to admit that

1941

01:12:06,950 --> 01:12:03,360

studying ufos is kind of a fringe

1942

01:12:09,750 --> 01:12:06,960

activity no matter how you want to

1943

01:12:12,229 --> 01:12:09,760

frame it it's kind of a fringe activity

1944

01:12:14,790 --> 01:12:12,239

and then you move it even further with

1945

01:12:17,350 --> 01:12:14,800

them getting advice from a 35 000 year

1946

01:12:18,950 --> 01:12:17,360

old lumerian warrior the jay-z knight

1947

01:12:21,590 --> 01:12:18,960

channels

1948

01:12:24,630 --> 01:12:21,600

you know that just does not suggest a

1949

01:12:27,270 --> 01:12:24,640

scientific organization

1950

01:12:29,990 --> 01:12:27,280

that is correct

1951

01:12:32,229 --> 01:12:30,000

well i i there's no question that uh

1952

01:12:34,149 --> 01:12:32,239

you know mufon has a

1953

01:12:36,470 --> 01:12:34,159

identity problem

1954

01:12:37,990 --> 01:12:36,480

their their credibility at least and i'm

1955

01:12:39,590 --> 01:12:38,000

not talking about the rank and file or

1956

01:12:42,229 --> 01:12:39,600

the state directors because i i think

1957

01:12:45,270 --> 01:12:42,239

there was some very fine people involved

1958

01:12:46,870 --> 01:12:45,280

in uh investigating and researching uh

1959

01:12:49,189 --> 01:12:46,880

some of the cases that move from but the

1960

01:12:51,430 --> 01:12:49,199

hierarchy is the one

1961

01:12:55,030 --> 01:12:51,440

uh that has the credibility issue and it

1962

01:12:58,870 --> 01:12:55,040

comes from i think it all started

1963

01:13:01,750 --> 01:12:58,880

uh with the bigelow error okay and the

1964

01:13:03,830 --> 01:13:01,760

the amount of money there's all kinds of

1965

01:13:06,470 --> 01:13:03,840

figures that are put out there the the

1966

01:13:09,510 --> 01:13:06,480

latest i heard was like 1.6 million is

1967

01:13:11,270 --> 01:13:09,520

what he offered to put in the coffers uh

1968

01:13:14,709 --> 01:13:11,280

to supplement the research and

1969

01:13:15,430 --> 01:13:14,719

investigation handle any cost

1970

01:13:18,229 --> 01:13:15,440

for

1971

01:13:21,350 --> 01:13:18,239

mufon and he originally he wanted a to

1972

01:13:23,830 --> 01:13:21,360

be able to deploy a team immediately

1973

01:13:25,830 --> 01:13:23,840

when a when a case came in that had all

1974

01:13:28,470 --> 01:13:25,840

kinds of forensic evidence associated

1975

01:13:31,110 --> 01:13:28,480

with it and he was wanting to fund have

1976

01:13:34,149 --> 01:13:31,120

an airplane on standby and and fly the

1977

01:13:36,070 --> 01:13:34,159

team anywhere at any cost to to be on

1978

01:13:38,390 --> 01:13:36,080

the scene to do the research and

1979

01:13:39,990 --> 01:13:38,400

scientific analysis of the of the

1980

01:13:42,950 --> 01:13:40,000

forensic evidence

1981

01:13:45,590 --> 01:13:42,960

whether that came to pass i don't know i

1982

01:13:47,030 --> 01:13:45,600

know that i was invited to be on the sat

1983

01:13:48,870 --> 01:13:47,040

team

1984

01:13:50,390 --> 01:13:48,880

that was supposed to handle special

1985

01:13:52,630 --> 01:13:50,400

cases that were going to come out of

1986

01:13:55,510 --> 01:13:52,640

headquarters and nothing ever

1987

01:13:57,510 --> 01:13:55,520

materialized on it as far as i know and

1988

01:14:00,070 --> 01:13:57,520

then i heard through a roundabout way

1989

01:14:02,470 --> 01:14:00,080

that i had been fired from the from the

1990

01:14:05,189 --> 01:14:02,480

sat team okay

1991

01:14:07,510 --> 01:14:05,199

and i i had a case that i brought to the

1992

01:14:09,030 --> 01:14:07,520

sat team and submitted and never got a

1993

01:14:10,950 --> 01:14:09,040

reply back

1994

01:14:12,790 --> 01:14:10,960

um so

1995

01:14:15,350 --> 01:14:12,800

you make of that what you will

1996

01:14:18,229 --> 01:14:15,360

but i think that mufon has some at the

1997

01:14:19,510 --> 01:14:18,239

hierarchy has credibility issues

1998

01:14:21,910 --> 01:14:19,520

and they have done nothing to address

1999

01:14:25,189 --> 01:14:21,920

that i'm not going to i'm not going to

2000

01:14:26,950 --> 01:14:25,199

i i don't think that bigelow was

2001

01:14:29,189 --> 01:14:26,960

a driving force

2002

01:14:33,189 --> 01:14:29,199

completely because i know in the early

2003

01:14:34,470 --> 01:14:33,199

1990s late 1980s before bigelow became

2004

01:14:37,030 --> 01:14:34,480

on the scene

2005

01:14:40,070 --> 01:14:37,040

uh walt anders wanted to move into a

2006

01:14:41,669 --> 01:14:40,080

more new agey approach to things because

2007

01:14:44,149 --> 01:14:41,679

he thought it would it would drive up

2008

01:14:47,030 --> 01:14:44,159

the membership if they had a more

2009

01:14:48,709 --> 01:14:47,040

addressed the new age stuff uh

2010

01:14:49,910 --> 01:14:48,719

more so in the in the journal and that

2011

01:14:51,590 --> 01:14:49,920

sort of thing and so i know there was

2012

01:14:53,430 --> 01:14:51,600

some discussion about that

2013

01:14:55,350 --> 01:14:53,440

and you know that seemed to be more of

2014

01:14:57,430 --> 01:14:55,360

let's see what we can do to improve our

2015

01:14:59,669 --> 01:14:57,440

membership roles and then than anything

2016

01:15:02,870 --> 01:14:59,679

else but which is not necessarily the

2017

01:15:05,350 --> 01:15:02,880

best scientific approach to take

2018

01:15:07,430 --> 01:15:05,360

i know that um

2019

01:15:09,750 --> 01:15:07,440

when we get to the highest levels of

2020

01:15:11,350 --> 01:15:09,760

mufon and i agree with you i mean i know

2021

01:15:13,350 --> 01:15:11,360

a lot of people in mufon and i've had

2022

01:15:15,350 --> 01:15:13,360

i've had

2023

01:15:17,350 --> 01:15:15,360

experiences with people move on at the

2024

01:15:18,870 --> 01:15:17,360

at the lower levels i've i've asked

2025

01:15:21,350 --> 01:15:18,880

questions of them or asked them to help

2026

01:15:22,310 --> 01:15:21,360

me with investigations and i've always

2027

01:15:24,229 --> 01:15:22,320

gotten

2028

01:15:26,390 --> 01:15:24,239

complete cooperation from the people

2029

01:15:28,870 --> 01:15:26,400

they've done a wonderful job for me uh

2030

01:15:30,790 --> 01:15:28,880

when i've needed that kind of help

2031

01:15:33,750 --> 01:15:30,800

so i you know i'm not looking at them as

2032

01:15:34,950 --> 01:15:33,760

the problem i'm looking at this a inner

2033

01:15:35,990 --> 01:15:34,960

circle

2034

01:15:37,270 --> 01:15:36,000

which

2035

01:15:39,270 --> 01:15:37,280

um

2036

01:15:41,189 --> 01:15:39,280

seems to be a driving force and move on

2037

01:15:43,510 --> 01:15:41,199

in today's environment

2038

01:15:45,830 --> 01:15:43,520

which is kind of frightening given some

2039

01:15:47,830 --> 01:15:45,840

of the people who are on that uh in that

2040

01:15:50,070 --> 01:15:47,840

inner circle what was your impression of

2041

01:15:53,590 --> 01:15:50,080

jan harzin

2042

01:15:55,510 --> 01:15:53,600

um i thought he was very

2043

01:15:58,870 --> 01:15:55,520

articulate

2044

01:16:01,110 --> 01:15:58,880

um he was able to

2045

01:16:01,830 --> 01:16:01,120

fill the film fill the radio broadcast

2046

01:16:05,430 --> 01:16:01,840

with

2047

01:16:07,750 --> 01:16:05,440

that really didn't tell us anything and

2048

01:16:09,750 --> 01:16:07,760

and his insistence throughout the

2049

01:16:11,430 --> 01:16:09,760

interview that the inner circle really

2050

01:16:13,350 --> 01:16:11,440

had no power

2051

01:16:15,590 --> 01:16:13,360

and did he did he

2052

01:16:17,750 --> 01:16:15,600

excuse me did he did he want questions

2053

01:16:19,189 --> 01:16:17,760

ahead of time to be submitted to him oh

2054

01:16:21,350 --> 01:16:19,199

absolutely

2055

01:16:22,709 --> 01:16:21,360

interesting and i and i and i told him

2056

01:16:24,070 --> 01:16:22,719

what i was going to talk about and then

2057

01:16:25,590 --> 01:16:24,080

he said well

2058

01:16:27,189 --> 01:16:25,600

this would probably be more interesting

2059

01:16:29,590 --> 01:16:27,199

to your audience and i wrote back i said

2060

01:16:31,350 --> 01:16:29,600

yeah might be and then did the questions

2061

01:16:33,350 --> 01:16:31,360

i wanted

2062

01:16:34,870 --> 01:16:33,360

i mean it was my program and i was going

2063

01:16:36,870 --> 01:16:34,880

to drive the conversation and if you

2064

01:16:39,590 --> 01:16:36,880

didn't like the way it went that was his

2065

01:16:42,630 --> 01:16:39,600

problem not mine uh i wanted to know

2066

01:16:44,470 --> 01:16:42,640

about john ventry i wanted to know about

2067

01:16:46,310 --> 01:16:44,480

the

2068

01:16:47,910 --> 01:16:46,320

feeble response

2069

01:16:50,870 --> 01:16:47,920

that was uh

2070

01:16:53,189 --> 01:16:50,880

eventually he was forced to um

2071

01:16:58,149 --> 01:16:53,199

remove entry but then he moved him in

2072

01:17:00,550 --> 01:16:58,159

sort of parallel promotion type thing um

2073

01:17:02,310 --> 01:17:00,560

moved him from from state director to

2074

01:17:04,149 --> 01:17:02,320

the financial coordinator or the

2075

01:17:05,830 --> 01:17:04,159

coordinator of the conferences and that

2076

01:17:08,229 --> 01:17:05,840

sort of thing so he's not removed from

2077

01:17:09,510 --> 01:17:08,239

from mufon he remains in the inner

2078

01:17:11,830 --> 01:17:09,520

circle which

2079

01:17:13,830 --> 01:17:11,840

given what they say about the inner

2080

01:17:15,350 --> 01:17:13,840

circle guiding the direction of mufon

2081

01:17:18,149 --> 01:17:15,360

i'm not sure that's really great and

2082

01:17:19,430 --> 01:17:18,159

then i learned about jay-z knight and

2083

01:17:21,669 --> 01:17:19,440

i'm thinking yeah that's going to be

2084

01:17:24,149 --> 01:17:21,679

helpful to drive the direction of mufon

2085

01:17:26,470 --> 01:17:24,159

i looked at dave mcdonald who was

2086

01:17:27,750 --> 01:17:26,480

responsible for the mile high club you

2087

01:17:29,910 --> 01:17:27,760

know his

2088

01:17:31,270 --> 01:17:29,920

flamingo airways or whatever the name of

2089

01:17:33,430 --> 01:17:31,280

it is

2090

01:17:35,110 --> 01:17:33,440

he had this this thing where um you

2091

01:17:36,870 --> 01:17:35,120

could join the mile high club you rent

2092

01:17:38,390 --> 01:17:36,880

one of the airplanes and they would fly

2093

01:17:40,390 --> 01:17:38,400

you up and you could join the mile high

2094

01:17:42,790 --> 01:17:40,400

club which isn't necessarily that

2095

01:17:45,910 --> 01:17:42,800

egregious but i mean is that really

2096

01:17:48,950 --> 01:17:45,920

somebody that that you want kind of at

2097

01:17:50,709 --> 01:17:48,960

the front of mufon yeah i get people in

2098

01:17:53,030 --> 01:17:50,719

the mile high club and then i have to

2099

01:17:55,270 --> 01:17:53,040

wonder if everybody in denver

2100

01:17:58,070 --> 01:17:55,280

isn't already in the mile high club but

2101

01:17:59,110 --> 01:17:58,080

that's just

2102

01:18:01,750 --> 01:17:59,120

uh

2103

01:18:03,750 --> 01:18:01,760

so you know i i looked at that um i

2104

01:18:05,510 --> 01:18:03,760

looked at john grace and i found this

2105

01:18:07,830 --> 01:18:05,520

guy named john grace who claimed to be

2106

01:18:08,870 --> 01:18:07,840

val valerian and

2107

01:18:13,270 --> 01:18:08,880

done some

2108

01:18:15,830 --> 01:18:13,280

documents on on mj12 but uh jan harzan

2109

01:18:17,669 --> 01:18:15,840

assured me it wasn't the same john grace

2110

01:18:20,790 --> 01:18:17,679

so i i don't really know whether it was

2111

01:18:23,189 --> 01:18:20,800

or not when i mentioned jay-z knight um

2112

01:18:24,950 --> 01:18:23,199

he i don't know much about jay-z knight

2113

01:18:27,270 --> 01:18:24,960

that's a new one on me i don't know much

2114

01:18:29,669 --> 01:18:27,280

she's only she's in the inner circle

2115

01:18:32,070 --> 01:18:29,679

she is in the inner circle okay she

2116

01:18:33,590 --> 01:18:32,080

channels she channels this 35 000 year

2117

01:18:36,149 --> 01:18:33,600

old warrior

2118

01:18:37,590 --> 01:18:36,159

oh okay okay okay all right i know where

2119

01:18:41,750 --> 01:18:37,600

you're at now i gotta i gotta face with

2120

01:18:42,550 --> 01:18:41,760

the name now and i think she um she uh

2121

01:18:43,910 --> 01:18:42,560

uh

2122

01:18:45,669 --> 01:18:43,920

what what herzon said in the

2123

01:18:46,950 --> 01:18:45,679

conversation i thought was fairly flip i

2124

01:18:48,950 --> 01:18:46,960

said well if she was a state director

2125

01:18:49,990 --> 01:18:48,960

i'd fire her too and i'm thinking uh why

2126

01:18:51,750 --> 01:18:50,000

don't you throw her onto the inner

2127

01:18:53,350 --> 01:18:51,760

circle for crying out loud give her a

2128

01:18:56,310 --> 01:18:53,360

five grand back and say we don't need

2129

01:18:59,270 --> 01:18:56,320

you here right and i this is this is

2130

01:19:00,790 --> 01:18:59,280

what worries me about mufon and i think

2131

01:19:03,110 --> 01:19:00,800

you know i i

2132

01:19:05,430 --> 01:19:03,120

i put up a long posting on my blog about

2133

01:19:06,630 --> 01:19:05,440

this just yesterday some of the stuff

2134

01:19:08,390 --> 01:19:06,640

that i found out and some of the things

2135

01:19:10,070 --> 01:19:08,400

that arzon arizona told me

2136

01:19:12,149 --> 01:19:10,080

and i was a little bit leery about it

2137

01:19:14,630 --> 01:19:12,159

because i'm thinking of all the people

2138

01:19:16,950 --> 01:19:14,640

who belong to mufon the toil at the

2139

01:19:19,270 --> 01:19:16,960

lower levels that are doing the best job

2140

01:19:21,669 --> 01:19:19,280

they can to investigate ufos and their

2141

01:19:24,310 --> 01:19:21,679

their their conscientious they're

2142

01:19:25,910 --> 01:19:24,320

enthusiastic they work very hard for

2143

01:19:27,510 --> 01:19:25,920

this organization and yet they're being

2144

01:19:29,590 --> 01:19:27,520

taken down the road

2145

01:19:31,669 --> 01:19:29,600

at the highest levels nobody seems to

2146

01:19:33,270 --> 01:19:31,679

really know about this the inner circle

2147

01:19:34,790 --> 01:19:33,280

like i said not many people knew about

2148

01:19:37,110 --> 01:19:34,800

the inner circle when i talked to him

2149

01:19:39,430 --> 01:19:37,120

about it but it is on the website and i

2150

01:19:42,229 --> 01:19:39,440

just checked again today to make sure

2151

01:19:45,270 --> 01:19:42,239

and uh knight and um ventri are still in

2152

01:19:47,350 --> 01:19:45,280

the inner circle so i i think that is

2153

01:19:48,950 --> 01:19:47,360

kind of egregious but that's my opinion

2154

01:19:50,950 --> 01:19:48,960

on it i think that they should do

2155

01:19:53,030 --> 01:19:50,960

something about that

2156

01:19:54,790 --> 01:19:53,040

but the five grand each of them donates

2157

01:19:56,390 --> 01:19:54,800

each year i guess is more important than

2158

01:19:58,070 --> 01:19:56,400

um

2159

01:20:00,070 --> 01:19:58,080

yeah hey and i want to say thanks to

2160

01:20:02,470 --> 01:20:00,080

lorna she the person i was thinking of

2161

01:20:03,270 --> 01:20:02,480

was bob woods he was on the board with

2162

01:20:07,830 --> 01:20:03,280

uh

2163

01:20:11,990 --> 01:20:07,840

working out of headquarters

2164

01:20:15,189 --> 01:20:12,000

bob is bob is a wonderful guy yeah

2165

01:20:17,750 --> 01:20:15,199

unfortunately he believes in mj-12

2166

01:20:18,470 --> 01:20:17,760

well you know which which leads me you

2167

01:20:20,709 --> 01:20:18,480

know

2168

01:20:23,270 --> 01:20:20,719

for the sake of argument let's say that

2169

01:20:25,750 --> 01:20:23,280

it was a exotic flying saucer that

2170

01:20:28,790 --> 01:20:25,760

crashed in roswell i could see

2171

01:20:32,229 --> 01:20:28,800

an organization like men j12 being being

2172

01:20:33,430 --> 01:20:32,239

formed to handle that type of uh issue i

2173

01:20:34,950 --> 01:20:33,440

mean i don't think that's beyond the

2174

01:20:36,470 --> 01:20:34,960

realm of

2175

01:20:37,990 --> 01:20:36,480

science fiction i think that's a very

2176

01:20:40,310 --> 01:20:38,000

real possibility now as far as the

2177

01:20:42,550 --> 01:20:40,320

documents go i'm not a document

2178

01:20:44,630 --> 01:20:42,560

professional i don't know

2179

01:20:46,870 --> 01:20:44,640

if those are legit or not i can only go

2180

01:20:49,830 --> 01:20:46,880

by people that have a system and some

2181

01:20:52,709 --> 01:20:49,840

say yes some say no but it makes sense

2182

01:20:54,950 --> 01:20:52,719

majority say no okay and that's

2183

01:20:57,350 --> 01:20:54,960

absolutely and they're real grief and

2184

01:20:59,270 --> 01:20:57,360

the the other thing about the documents

2185

01:21:00,950 --> 01:20:59,280

the documents are all fraudulent there's

2186

01:21:03,189 --> 01:21:00,960

no question about that the latest ones

2187

01:21:06,070 --> 01:21:03,199

that came out uh a week and a half ago

2188

01:21:08,630 --> 01:21:06,080

10 days ago something like that um they

2189

01:21:11,270 --> 01:21:08,640

are so full of errors it's unbelievable

2190

01:21:13,830 --> 01:21:11,280

wouldn't that be would it be

2191

01:21:16,070 --> 01:21:13,840

your intelligent officer wouldn't it be

2192

01:21:18,550 --> 01:21:16,080

a worthwhile project to throw that kind

2193

01:21:21,750 --> 01:21:18,560

of smoke and mud in the water to dirty

2194

01:21:23,750 --> 01:21:21,760

it i mean to put out fake documents uh

2195

01:21:26,830 --> 01:21:23,760

to discredit but at the same time

2196

01:21:30,310 --> 01:21:26,840

realizing that there really is an actual

2197

01:21:31,990 --> 01:21:30,320

mj-12 group might not be called mj12 now

2198

01:21:33,510 --> 01:21:32,000

but that there is a group of people that

2199

01:21:35,990 --> 01:21:33,520

are dealing with this issue it makes

2200

01:21:37,669 --> 01:21:36,000

sense to me if they have no they have no

2201

01:21:39,350 --> 01:21:37,679

reason to do that because we do it to

2202

01:21:43,350 --> 01:21:39,360

ourselves

2203

01:21:45,830 --> 01:21:43,360

the the fake documents all came from

2204

01:21:47,270 --> 01:21:45,840

inside the ufo community oh oh i see

2205

01:21:49,430 --> 01:21:47,280

what you're saying so we're doing it to

2206

01:21:50,870 --> 01:21:49,440

ourselves yeah yeah i agree if i was

2207

01:21:52,149 --> 01:21:50,880

working for these guys i would be

2208

01:21:53,270 --> 01:21:52,159

holding this stuff up and said look what

2209

01:21:55,110 --> 01:21:53,280

i've done and

2210

01:21:57,110 --> 01:21:55,120

we've really diverted their attention to

2211

01:21:58,870 --> 01:21:57,120

12 now

2212

01:22:00,870 --> 01:21:58,880

you know that's what i would be doing

2213

01:22:02,629 --> 01:22:00,880

and i think you can look at the the one

2214

01:22:03,990 --> 01:22:02,639

that i know stan always holds up is

2215

01:22:06,229 --> 01:22:04,000

authentic the eisenhower briefing

2216

01:22:09,110 --> 01:22:06,239

document has a fatal flaw in it

2217

01:22:12,149 --> 01:22:09,120

and that is the el indio the

2218

01:22:15,030 --> 01:22:12,159

guerrero el indio ufo crash of 19

2219

01:22:16,310 --> 01:22:15,040

december of 1950. it's a hoax it was

2220

01:22:17,510 --> 01:22:16,320

invented by a guy named robert

2221

01:22:19,030 --> 01:22:17,520

willingham

2222

01:22:20,950 --> 01:22:19,040

who was a

2223

01:22:22,550 --> 01:22:20,960

who lived in pennsylvania and was a

2224

01:22:24,950 --> 01:22:22,560

member of the civil air patrol and i

2225

01:22:26,790 --> 01:22:24,960

found i found the original statement by

2226

01:22:30,310 --> 01:22:26,800

willingham in skyhook

2227

01:22:32,709 --> 01:22:30,320

skylook magazine which was the first

2228

01:22:34,790 --> 01:22:32,719

publication by by mufon before it became

2229

01:22:37,189 --> 01:22:34,800

the mufan journal was called skylock and

2230

01:22:40,629 --> 01:22:37,199

there was there was a paragraph on page

2231

01:22:42,390 --> 01:22:40,639

three of the march 1968 issue

2232

01:22:44,790 --> 01:22:42,400

and they interviewed colonel robert

2233

01:22:47,430 --> 01:22:44,800

willingham who was a civil air patrol

2234

01:22:50,390 --> 01:22:47,440

officer not a air force officer overall

2235

01:22:54,310 --> 01:22:50,400

officer and talked about seeing a crash

2236

01:22:56,790 --> 01:22:54,320

in that area in 1948

2237

01:22:59,030 --> 01:22:56,800

and then the story morphed into december

2238

01:23:01,270 --> 01:22:59,040

of 1950 and uh

2239

01:23:03,350 --> 01:23:01,280

todd zeckel was chasing it down and he

2240

01:23:05,830 --> 01:23:03,360

was in contact with bill moore saying to

2241

01:23:08,310 --> 01:23:05,840

bill moore i've got this wonderful ufo

2242

01:23:09,990 --> 01:23:08,320

crash and and uh bill

2243

01:23:11,110 --> 01:23:10,000

he wanted to do a book about it which he

2244

01:23:12,629 --> 01:23:11,120

never did

2245

01:23:15,990 --> 01:23:12,639

but um

2246

01:23:17,910 --> 01:23:16,000

so this this crash appears in the mj the

2247

01:23:19,189 --> 01:23:17,920

eisenhower briefing document it's one

2248

01:23:22,629 --> 01:23:19,199

paragraph and it talks about this

2249

01:23:25,430 --> 01:23:22,639

december of 199 december 6 1950 ufo

2250

01:23:27,310 --> 01:23:25,440

crash in that area but it's a hoax it

2251

01:23:28,870 --> 01:23:27,320

was made up by robert willingham in

2252

01:23:30,950 --> 01:23:28,880

1968.

2253

01:23:33,030 --> 01:23:30,960

kevin so that's that's the fatal flaw

2254

01:23:34,709 --> 01:23:33,040

kevin we've ran out of time can you let

book is called is about the socorro ufo

2270

01:24:13,430 --> 01:24:11,760

incident with lonnie zamora

2271

01:24:15,030 --> 01:24:13,440

which is contact in the desert which

2272

01:24:16,470 --> 01:24:15,040

will be coming out in october from

2273

01:24:17,910 --> 01:24:16,480

newpage books

2274

01:24:20,629 --> 01:24:17,920

and i just finished some of the work on

2275

01:24:22,470 --> 01:24:20,639

that uh yesterday nice nice very cool

2276

01:24:24,870 --> 01:24:22,480

well thanks for coming on and i'm sure

2277

01:24:25,910 --> 01:24:24,880

ken has some final words for you

2278

01:24:29,189 --> 01:24:25,920

oh hey

2279

01:24:32,709 --> 01:24:31,030

there you go again trying to put words

2280

01:24:36,790 --> 01:24:32,719

into my mouth

2281

01:24:39,030 --> 01:24:36,800

okay i uh i like i said i i enjoy the uh

2282

01:24:40,550 --> 01:24:39,040

passionate discussion you know and and

2283

01:24:41,910 --> 01:24:40,560

hey i give you credit even though you're

2284

01:24:44,229 --> 01:24:41,920

wrong that's okay that's all right

2285

01:24:47,189 --> 01:24:44,239

that's a problem you know but i i think

2286

01:24:48,149 --> 01:24:47,199

my hypothesis is based upon

2287

01:24:52,390 --> 01:24:48,159

uh

2288

01:24:54,070 --> 01:24:52,400

to be real and therefore you know it

2289

01:24:56,070 --> 01:24:54,080

answers the why for me and i'm not

2290

01:24:57,910 --> 01:24:56,080

saying that it's fact i'm not don't make

2291

01:24:59,750 --> 01:24:57,920

that claim i'm just offering it as a

2292

01:25:02,229 --> 01:24:59,760

working hypothesis and kevin i truly

2293

01:25:04,149 --> 01:25:02,239

enjoy the opposition man you know why

2294

01:25:05,669 --> 01:25:04,159

because it makes me work that harder

2295

01:25:07,830 --> 01:25:05,679

makes me that much more sharper the

2296

01:25:09,750 --> 01:25:07,840

competition is what it's all about the

2297

01:25:11,430 --> 01:25:09,760

only thing i worry about when you and i

2298

01:25:13,430 --> 01:25:11,440

get into these discussions on the radio

2299

01:25:15,990 --> 01:25:13,440

program is i'm not sure how excited the

2300

01:25:17,590 --> 01:25:16,000

listeners are that's their problem oh

2301

01:25:19,189 --> 01:25:17,600

okay

2302

01:25:21,189 --> 01:25:19,199

i'm worried about the inception radio

2303

01:25:22,629 --> 01:25:21,199

network listeners and you guys don't

2304

01:25:23,910 --> 01:25:22,639

care okay

2305

01:25:26,470 --> 01:25:23,920

they enjoyed it what are you talking

2306

01:25:28,629 --> 01:25:26,480

about it was passion and

2307

01:25:30,709 --> 01:25:28,639

you defended your position i respect you

2308

01:25:32,310 --> 01:25:30,719

for that i really do and it's a pleasure

2309

01:25:34,310 --> 01:25:32,320

having you on man i appreciate it thank

2310

01:25:35,990 --> 01:25:34,320

you very much thank you thank you thank

2311

01:25:38,390 --> 01:25:36,000

you kevin and good night everybody and

2312

01:25:40,790 --> 01:25:38,400

uh there was some head pang in tonight

2313

01:25:42,310 --> 01:25:40,800
