THE KEVIN
COOK SHOW

TUESDAY 9PM EASTERN
6PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:04,550 --> 00:00:02,629
well good evening it's good to be back

2
00:00:06,150 --> 00:00:04,560
with you the kevin cook show we've got

3
00:00:08,310 --> 00:00:06,160
heidi hollis on board with us we're

4
00:00:09,750 --> 00:00:08,320
going to have an excellent excellent

5
00:00:12,070 --> 00:00:09,760
guest on

6
00:00:14,070 --> 00:00:12,080
tony cullen that's uh relative to the

7
00:00:16,950 --> 00:00:14,080
book josiah's fire

8
00:00:20,070 --> 00:00:16,960
and it'll really be a interesting story

9
00:00:21,910 --> 00:00:20,080
involves divine in

10
00:00:23,509 --> 00:00:21,920
contact with the divine and we'll get

11
00:00:25,509 --> 00:00:23,519
into all those issues right after the

12
00:00:27,670 --> 00:00:25,519
break but we've got some good news

13
00:00:29,509 --> 00:00:27,680

pieces heidi i know this will uh make

14

00:00:31,349 --> 00:00:29,519

you happy

15

00:00:33,110 --> 00:00:31,359

the supreme the supreme court is

16

00:00:36,310 --> 00:00:33,120

upheld for the most part trump's

17

00:00:38,150 --> 00:00:36,320

immigration ban this is not good news

18

00:00:40,229 --> 00:00:38,160

it's not

19

00:00:41,590 --> 00:00:40,239

well good gravy i would think it would

20

00:00:44,310 --> 00:00:41,600

be uh

21

00:00:45,590 --> 00:00:44,320

i mean uh and actually it should work

22

00:00:46,869 --> 00:00:45,600

and uh

23

00:00:48,790 --> 00:00:46,879

also

24

00:00:51,270 --> 00:00:48,800

connected with that uh there are

25

00:00:53,750 --> 00:00:51,280

tremendous demonstrations in europe over

26

00:00:55,110 --> 00:00:53,760

the muslim invasion that we don't hear

27

00:00:57,430 --> 00:00:55,120

about

28

00:00:59,270 --> 00:00:57,440

and uh i just thought

29

00:01:00,630 --> 00:00:59,280

you know those two stories would go hand

30

00:01:03,590 --> 00:01:00,640

in hand

31

00:01:05,350 --> 00:01:03,600

and uh i just um try to bring a little

32

00:01:07,590 --> 00:01:05,360

sunshine into your life whenever i can

33

00:01:10,310 --> 00:01:07,600

bring it i know i

34

00:01:13,030 --> 00:01:10,320

i know you you haul muslims over here

35

00:01:14,149 --> 00:01:13,040

and seek c train containers if you could

36

00:01:16,870 --> 00:01:14,159

but

37

00:01:19,830 --> 00:01:16,880

that's not the case i mean

38

00:01:22,149 --> 00:01:19,840

with discretion of course i mean it's uh

39

00:01:23,350 --> 00:01:22,159

i mean i i get it it's like there's a

40

00:01:27,190 --> 00:01:23,360

lot of stuff going on in the world

41

00:01:31,670 --> 00:01:29,429

yeah but you don't need to import it but

42

00:01:34,149 --> 00:01:31,680

on another story now this is more up

43

00:01:35,990 --> 00:01:34,159

your alley uh i don't know if you're

44

00:01:38,149 --> 00:01:36,000

familiar with uh

45

00:01:40,149 --> 00:01:38,159

oh this is circa that way back in the

46

00:01:41,350 --> 00:01:40,159

60s you might have read about these ufo

47

00:01:44,710 --> 00:01:41,360

stories at

48

00:01:48,230 --> 00:01:44,720

maelstrom and minot air force base where

49

00:01:52,710 --> 00:01:48,240

actually ufos seem to have had some

50

00:01:58,310 --> 00:01:56,230

oh yes yeah i have heard that

51
00:01:59,670 --> 00:01:58,320
well what what it is this guy dates back

52
00:02:01,670 --> 00:01:59,680
to that era

53
00:02:05,109 --> 00:02:01,680
and it's ex-air force captain david

54
00:02:07,109 --> 00:02:05,119
shindale as s-c-h-i-n-d-e-l-e

55
00:02:09,029 --> 00:02:07,119
was a crew commander at minot air force

56
00:02:13,110 --> 00:02:09,039
base north dakota

57
00:02:16,070 --> 00:02:13,120
and this is circa december 6 1966

58
00:02:17,910 --> 00:02:16,080
but he said uh ufos destroyed 10 nukes

59
00:02:18,869 --> 00:02:17,920
at the base

60
00:02:21,350 --> 00:02:18,879
on that

61
00:02:23,110 --> 00:02:21,360
like as a retired air force captain he's

62
00:02:25,589 --> 00:02:23,120
not some kind of loony

63
00:02:27,589 --> 00:02:25,599

and it was also it was also reported in

64

00:02:29,190 --> 00:02:27,599

the minot daily news

65

00:02:31,030 --> 00:02:29,200

on december 6

66

00:02:32,470 --> 00:02:31,040

at that same date

67

00:02:33,270 --> 00:02:32,480

and uh

68

00:02:37,750 --> 00:02:33,280

uh

69

00:02:39,589 --> 00:02:37,760

told to keep quiet about it

70

00:02:41,589 --> 00:02:39,599

and uh

71

00:02:42,869 --> 00:02:41,599

uh he's fixing to release a book on it

72

00:02:45,509 --> 00:02:42,879

but it's similar to an event at

73

00:02:47,430 --> 00:02:45,519

maelstrom air force base in montana

74

00:02:50,710 --> 00:02:47,440

which is perhaps the more famous case

75

00:02:52,550 --> 00:02:50,720

but i mean both situations occurred

76

00:02:55,670 --> 00:02:52,560

and there was interplay between our

77

00:02:57,190 --> 00:02:55,680

nukes and these ufos and uh

78

00:02:58,309 --> 00:02:57,200

it was certainly nothing the russians

79

00:02:59,910 --> 00:02:58,319

had

80

00:03:01,910 --> 00:02:59,920

so i mean this is something pretty

81

00:03:02,949 --> 00:03:01,920

different heidi i mean it's kind of a

82

00:03:05,350 --> 00:03:02,959

yeah

83

00:03:07,830 --> 00:03:05,360

kind of a revisit to historical stuff

84

00:03:10,149 --> 00:03:07,840

but i kind of trust air force captains

85

00:03:11,990 --> 00:03:10,159

and military types because you know for

86

00:03:14,229 --> 00:03:12,000

the most part they're

87

00:03:16,390 --> 00:03:14,239

squared away people and uh you know i

88

00:03:18,470 --> 00:03:16,400

also look at it this way this guy's

89

00:03:20,229 --> 00:03:18,480
probably not make writing a book to make

90

00:03:21,830 --> 00:03:20,239
lots of money he's a retired air force

91

00:03:23,750 --> 00:03:21,840
captain after all

92

00:03:26,149 --> 00:03:23,760
he's not living in a living under a

93

00:03:27,589 --> 00:03:26,159
bridge or anything and also he's no

94

00:03:29,830 --> 00:03:27,599
spring chickens who've been air force

95

00:03:31,350 --> 00:03:29,840
captain in 1966

96

00:03:33,430 --> 00:03:31,360
so uh

97

00:03:36,869 --> 00:03:33,440
i i tend to see a certain credibility

98

00:03:39,910 --> 00:03:36,879
there if you will yeah yeah i get it

99

00:03:42,309 --> 00:03:39,920
but uh also in my beloved new york

100

00:03:43,990 --> 00:03:42,319
right outside of the right outside of

101
00:03:46,869 --> 00:03:44,000
the suburb of new york they saw an

102
00:03:47,910 --> 00:03:46,879
excellent video and for people

103
00:03:51,270 --> 00:03:47,920
interested in that they could go the

104
00:03:54,149 --> 00:03:51,280
latest ufo sightings uh on the internet

105
00:03:57,429 --> 00:03:54,159
but uh heidi this was a really good shot

106
00:04:00,949 --> 00:03:57,439
of a ufo classical ufo

107
00:04:03,270 --> 00:04:00,959
way bigger than a drone and

108
00:04:05,030 --> 00:04:03,280
it was it's on youtube uh

109
00:04:06,470 --> 00:04:05,040
video that would show up if you went to

110
00:04:09,589 --> 00:04:06,480
latest ufo sightings you'd see the

111
00:04:12,390 --> 00:04:09,599
youtube video but it was at 4 30 a.m in

112
00:04:13,589 --> 00:04:12,400
the outskirts of new york

113
00:04:14,470 --> 00:04:13,599

and uh

114

00:04:16,629 --> 00:04:14,480

i mean

115

00:04:17,430 --> 00:04:16,639

i guess what i'm saying

116

00:04:20,530 --> 00:04:17,440

is

117

00:04:21,590 --> 00:04:20,540

relative to

118

00:04:22,790 --> 00:04:21,600

[Music]

119

00:04:24,790 --> 00:04:22,800

uh

120

00:04:25,830 --> 00:04:24,800

well for example spiritdaily.com you

121

00:04:27,670 --> 00:04:25,840

know i

122

00:04:29,270 --> 00:04:27,680

deal with them a lot but

123

00:04:30,870 --> 00:04:29,280

they um

124

00:04:33,749 --> 00:04:30,880

they've highlighted that with all the

125

00:04:34,710 --> 00:04:33,759

cameras on phones and video and this and

126

00:04:37,990 --> 00:04:34,720

that

127

00:04:39,670 --> 00:04:38,000

a lot of stuff is being seen both ufos

128

00:04:43,189 --> 00:04:39,680

and ghosts

129

00:04:44,950 --> 00:04:43,199

and even miracles and uh heidi this is

130

00:04:46,390 --> 00:04:44,960

some real stuff here

131

00:04:48,150 --> 00:04:46,400

the proliferation of these kind of

132

00:04:51,189 --> 00:04:48,160

things heidi they're seeing

133

00:04:53,749 --> 00:04:51,199

yeah frankly a lot of ghostly images on

134

00:04:55,670 --> 00:04:53,759

close circuit tv cameras things are

135

00:04:57,749 --> 00:04:55,680

changing i mean things are really

136

00:04:59,749 --> 00:04:57,759

changing it's getting

137

00:05:01,909 --> 00:04:59,759

the world i don't know you know they say

138

00:05:03,749 --> 00:05:01,919

the veil is the veil is lifting it

139

00:05:05,670 --> 00:05:03,759

really is seeming like something's

140

00:05:06,629 --> 00:05:05,680

lifting because a lot is coming into

141

00:05:08,950 --> 00:05:06,639

focus

142

00:05:11,510 --> 00:05:08,960

that's really what it is well also with

143

00:05:14,310 --> 00:05:11,520

everybody being monitored on every

144

00:05:15,749 --> 00:05:14,320

street corner with cameras and hotels

145

00:05:16,790 --> 00:05:15,759

and right

146

00:05:18,550 --> 00:05:16,800

the other

147

00:05:19,909 --> 00:05:18,560

i remember one of the best ones i've

148

00:05:22,070 --> 00:05:19,919

seen i might have mentioned on some

149

00:05:23,189 --> 00:05:22,080

previous show but it was a museum in

150

00:05:25,270 --> 00:05:23,199

england

151
00:05:27,510 --> 00:05:25,280
where they did they had close circuit tv

152
00:05:29,670 --> 00:05:27,520
cameras eyeballing everything

153
00:05:32,950 --> 00:05:29,680
and it was uh

154
00:05:36,150 --> 00:05:32,960
they had a picture a ghostly image

155
00:05:38,629 --> 00:05:36,160
of like a guy in a knights uniform not a

156
00:05:40,550 --> 00:05:38,639
not shining armor but like medieval

157
00:05:41,749 --> 00:05:40,560
costumes if you will

158
00:05:43,990 --> 00:05:41,759
and uh

159
00:05:45,430 --> 00:05:44,000
he came out on the balcony

160
00:05:47,510 --> 00:05:45,440
and uh

161
00:05:49,670 --> 00:05:47,520
and this was not you could tell from the

162
00:05:52,950 --> 00:05:49,680
image it wasn't just a worker there uh

163
00:05:55,189 --> 00:05:52,960

you know somebody playing you know

164

00:05:58,310 --> 00:05:55,199

an actor if you will it wasn't anything

165

00:06:01,510 --> 00:05:58,320

like that this was a ghostly image and

166

00:06:03,350 --> 00:06:01,520

uh even spiritdaily.com has highlighted

167

00:06:04,830 --> 00:06:03,360

this i mean there's stuff hopping and

168

00:06:06,790 --> 00:06:04,840

popping

169

00:06:09,270 --> 00:06:06,800

everywhere

170

00:06:11,110 --> 00:06:09,280

wow that's wild it you know did you hear

171

00:06:13,110 --> 00:06:11,120

the news uh that

172

00:06:15,909 --> 00:06:13,120

you know the group hacker

173

00:06:18,629 --> 00:06:15,919

hacktivist group anonymous

174

00:06:21,189 --> 00:06:18,639

released a video saying that they

175

00:06:22,870 --> 00:06:21,199

believe nasa is on the verge of

176
00:06:25,029 --> 00:06:22,880
disclosing

177
00:06:26,629 --> 00:06:25,039
alien life being found and they're not

178
00:06:30,629 --> 00:06:26,639
talking about

179
00:06:33,430 --> 00:06:30,639
actual alien

180
00:06:35,510 --> 00:06:33,440
intelligent lives places yes i'm like

181
00:06:38,710 --> 00:06:35,520
i hope so

182
00:06:39,909 --> 00:06:38,720
really well you know i guess heidi i

183
00:06:42,950 --> 00:06:39,919
thought i saw that i was going to

184
00:06:46,790 --> 00:06:42,960
mention that to you as well

185
00:06:49,590 --> 00:06:46,800
okay the only guy that's really

186
00:06:51,510 --> 00:06:49,600
potent guy that i've had contact with as

187
00:06:52,790 --> 00:06:51,520
far as high security well i've had high

188
00:06:54,870 --> 00:06:52,800

security clearance people like some

189

00:06:56,390 --> 00:06:54,880

green berets and stuff but

190

00:06:58,390 --> 00:06:56,400

but i mean uh

191

00:06:59,589 --> 00:06:58,400

dr alexander that we interviewed some

192

00:07:02,230 --> 00:06:59,599

time back

193

00:07:04,230 --> 00:07:02,240

uh and he has a tremendous security

194

00:07:06,550 --> 00:07:04,240

clearance working for the cia for 20

195

00:07:09,029 --> 00:07:06,560

years and being a green beret colonel

196

00:07:11,110 --> 00:07:09,039

and he worked at white sands uh

197

00:07:13,430 --> 00:07:11,120

you know missile range and all that what

198

00:07:15,510 --> 00:07:13,440

i'm saying is he said he said take it to

199

00:07:18,390 --> 00:07:15,520

the bag don't even

200

00:07:19,670 --> 00:07:18,400

think for 10 seconds there are ufos and

201

00:07:22,629 --> 00:07:19,680

that there's not

202

00:07:24,070 --> 00:07:22,639

alien life he says it's as true as

203

00:07:25,990 --> 00:07:24,080

matter of fact he told me just like i

204

00:07:27,270 --> 00:07:26,000

was in his troop like what's the matter

205

00:07:30,070 --> 00:07:27,280

with you how did you get to be a

206

00:07:31,909 --> 00:07:30,080

sergeant are you stupid or what you know

207

00:07:33,189 --> 00:07:31,919

i think you know that i kind of like

208

00:07:35,909 --> 00:07:33,199

that you know

209

00:07:37,029 --> 00:07:35,919

but what i'm saying is yes it's clear as

210

00:07:37,909 --> 00:07:37,039

crystal

211

00:07:43,990 --> 00:07:37,919

that

212

00:07:46,230 --> 00:07:44,000

basically equivalent to the british

213

00:07:48,309 --> 00:07:46,240

version the joint chiefs of staff

214

00:07:49,990 --> 00:07:48,319

who died in 2003 said yes of course

215

00:07:51,029 --> 00:07:50,000

there's alien life we're here we know

216

00:07:51,909 --> 00:07:51,039

they're here

217

00:07:53,350 --> 00:07:51,919

uh

218

00:07:55,350 --> 00:07:53,360

we can't do anything about it we don't

219

00:07:56,629 --> 00:07:55,360

know their mission but they're here

220

00:07:58,790 --> 00:07:56,639

and this guy

221

00:08:01,029 --> 00:07:58,800

was their british chairman from their

222

00:08:02,469 --> 00:08:01,039

joint chiefs of staff so all i'm saying

223

00:08:04,950 --> 00:08:02,479

is clearly

224

00:08:07,189 --> 00:08:04,960

it's there yeah

225

00:08:08,070 --> 00:08:07,199

in the know have disclosed it

226

00:08:09,270 --> 00:08:08,080

uh

227

00:08:12,869 --> 00:08:09,280

it's just

228

00:08:15,749 --> 00:08:12,879

but

229

00:08:17,589 --> 00:08:15,759

yes anonymous they got some credibility

230

00:08:20,070 --> 00:08:17,599

because they do

231

00:08:21,830 --> 00:08:20,080

a lot of intelligence there and uh

232

00:08:24,710 --> 00:08:21,840

it's very possible that could happen

233

00:08:28,469 --> 00:08:24,720

hillary clinton made allusion to

234

00:08:30,150 --> 00:08:28,479

giving up the beans but uh all right

235

00:08:32,070 --> 00:08:30,160

but anyway unfortunately we don't have

236

00:08:33,269 --> 00:08:32,080

hill on well no fortunately we don't

237

00:08:35,750 --> 00:08:33,279

have her but anyway that's a whole

238

00:08:37,110 --> 00:08:35,760

nother story let's go to our first break

239

00:08:40,149 --> 00:08:37,120

and we'll be right back with tanya

240

00:08:44,230 --> 00:08:42,149

well it's good to be back with uh heidi

241

00:08:46,389 --> 00:08:44,240

and uh tommy's going to be on with us

242

00:08:48,310 --> 00:08:46,399

and just as an intro

243

00:08:49,990 --> 00:08:48,320

joe and tony cullen were thrust into a

244

00:08:51,269 --> 00:08:50,000

nightmare when their two-year-old son

245

00:08:53,190 --> 00:08:51,279

josiah

246

00:08:55,829 --> 00:08:53,200

a typical toddler suddenly lost his

247

00:08:57,990 --> 00:08:55,839

ability to speak play socialize

248

00:08:59,990 --> 00:08:58,000

the diagnosis was autism

249

00:09:01,990 --> 00:09:00,000

spectrum disorder

250

00:09:03,269 --> 00:09:02,000

and tani felt like she'd been handed a

251

00:09:04,870 --> 00:09:03,279

prison sentence

252

00:09:06,710 --> 00:09:04,880

how could a good god have allowed this

253

00:09:08,710 --> 00:09:06,720

to happen and how can tony find hope for

254

00:09:10,710 --> 00:09:08,720

their future in their attempts to see

255

00:09:12,230 --> 00:09:10,720

josiah recover and regain speech the

256

00:09:14,310 --> 00:09:12,240

collins underwent huge physical

257

00:09:16,070 --> 00:09:14,320

emotional and financial struggles

258

00:09:18,710 --> 00:09:16,080

while other kids around him improved

259

00:09:21,269 --> 00:09:18,720

josiah only got worse five years later

260

00:09:23,670 --> 00:09:21,279

josiah who'd not been formally taught to

261

00:09:25,829 --> 00:09:23,680

write read suddenly began to type on his

262

00:09:27,509 --> 00:09:25,839

ipad profound sentences about god

263

00:09:29,269 --> 00:09:27,519

science history

264

00:09:31,110 --> 00:09:29,279

business music strangers and his

265

00:09:33,269 --> 00:09:31,120

heavenly encounters

266

00:09:35,750 --> 00:09:33,279

josiah's ongoing visions revelations and

267

00:09:37,590 --> 00:09:35,760

heavenly visits forced his family out of

268

00:09:39,110 --> 00:09:37,600

their comfort zone predictable theology

269

00:09:41,030 --> 00:09:39,120

and stagnant relationship with god

270

00:09:43,829 --> 00:09:41,040

catapulting them into a mind-blowing

271

00:09:46,790 --> 00:09:43,839

adventure with jesus

272

00:09:49,190 --> 00:09:46,800

now this is an intro on on the uh

273

00:09:51,910 --> 00:09:49,200

for the book but uh tony uh this is a

274

00:09:53,990 --> 00:09:51,920

heck of a story you've got here

275

00:09:56,389 --> 00:09:54,000

it is

276

00:09:58,389 --> 00:09:56,399

and you know actually heidi hollis who's

277

00:10:01,430 --> 00:09:58,399

on with us

278

00:10:04,710 --> 00:10:01,440

my co-host she actually has had uh

279

00:10:07,590 --> 00:10:04,720

encounters with jesus herself yeah yeah

280

00:10:08,790 --> 00:10:07,600

memories of heaven out of the blue too

281

00:10:11,030 --> 00:10:08,800

it's it's

282

00:10:12,550 --> 00:10:11,040

mind-blowing so i was extremely excited

283

00:10:15,030 --> 00:10:12,560

to hear you were coming on the show i'm

284

00:10:16,710 --> 00:10:15,040

like oh cool

285

00:10:18,069 --> 00:10:16,720

yeah and it's actually it's actually a

286

00:10:19,750 --> 00:10:18,079

whole different deal when you're the

287

00:10:21,110 --> 00:10:19,760

parent

288

00:10:22,790 --> 00:10:21,120

of somebody who's having these

289

00:10:23,829 --> 00:10:22,800

experiences and you have not had them

290

00:10:25,430 --> 00:10:23,839

yourself

291

00:10:27,590 --> 00:10:25,440

yeah yeah

292

00:10:28,630 --> 00:10:27,600

how cool that you're open-minded enough

293

00:10:30,230 --> 00:10:28,640

to

294

00:10:31,590 --> 00:10:30,240

take it for what it is or how did you

295

00:10:33,269 --> 00:10:31,600

take it when this first started

296

00:10:34,389 --> 00:10:33,279

happening

297

00:10:36,389 --> 00:10:34,399

well yeah

298

00:10:38,069 --> 00:10:36,399

it wasn't on my grid

299

00:10:38,870 --> 00:10:38,079

um for one thing

300

00:10:40,069 --> 00:10:38,880

uh

301
00:10:45,110 --> 00:10:40,079
you know

302
00:10:47,110 --> 00:10:45,120
for for my son um he he's non-verbal and

303
00:10:49,110 --> 00:10:47,120
functioning and severe

304
00:10:50,790 --> 00:10:49,120
oh believe it or not i'm an occupational

305
00:10:53,509 --> 00:10:50,800
therapist too so that's so you

306
00:10:55,509 --> 00:10:53,519
understand i do

307
00:10:58,069 --> 00:10:55,519
so really a lot of people would think

308
00:11:01,030 --> 00:10:58,079
you know he has the mind of a toddler he

309
00:11:02,230 --> 00:11:01,040
barely knows his shapes his letters his

310
00:11:03,670 --> 00:11:02,240
numbers

311
00:11:06,389 --> 00:11:03,680
well um

312
00:11:08,949 --> 00:11:06,399
we we had been doing uh i'm kind of fast

313
00:11:10,949 --> 00:11:08,959

forwarding a little bit but uh actually

314

00:11:12,470 --> 00:11:10,959

i'm gonna just tell you i'm just gonna

315

00:11:13,430 --> 00:11:12,480

answer your question and then we'll

316

00:11:15,030 --> 00:11:13,440

probably

317

00:11:16,790 --> 00:11:15,040

lowe's has you covered for all those

318

00:11:18,870 --> 00:11:16,800

projects on your summer to-do list and

319

00:11:20,710 --> 00:11:18,880

will even help you save give your home a

320

00:11:22,870 --> 00:11:20,720

whole new look inside and out with 10 to

321

00:11:25,030 --> 00:11:22,880

40 dollars off paint exterior stains and

322

00:11:26,470 --> 00:11:25,040

resurfacers via rebate and add a pop of

323

00:11:28,550 --> 00:11:26,480

color to your porch or patio with

324

00:11:30,230 --> 00:11:28,560

flowers get your choice two for ten

325

00:11:32,230 --> 00:11:30,240

dollar basic one and a half gallon

326

00:11:34,230 --> 00:11:32,240

hanging baskets all projects have a

327

00:11:35,670 --> 00:11:34,240

starting point start with lows paint

328

00:11:37,430 --> 00:11:35,680

offer valid six twenty one three seven

329

00:11:38,630 --> 00:11:37,440

five exclusions apply plant offer valid

330

00:11:40,150 --> 00:11:38,640

six twenty eight through seven five

331

00:11:43,030 --> 00:11:40,160

color and selection vary by location

332

00:11:45,269 --> 00:11:43,040

while supplies last us only

333

00:11:47,670 --> 00:11:45,279

fill in uh the rest with other questions

334

00:11:50,310 --> 00:11:47,680

but basically when when it started

335

00:11:53,670 --> 00:11:50,320

happening that josiah started coming out

336

00:11:56,230 --> 00:11:53,680

with things um by typing on the ipad

337

00:11:58,949 --> 00:11:56,240

things that he had never been taught

338

00:12:01,269 --> 00:11:58,959

things that i didn't know

339

00:12:02,949 --> 00:12:01,279

and then heavenly things honestly it

340

00:12:05,269 --> 00:12:02,959

wasn't on my grid

341

00:12:07,910 --> 00:12:05,279

it was happening i knew i wasn't going

342

00:12:09,590 --> 00:12:07,920

crazy and yet uh

343

00:12:10,550 --> 00:12:09,600

you know i'm working at a church at that

344

00:12:13,350 --> 00:12:10,560

point

345

00:12:16,150 --> 00:12:13,360

i'm i'm a christian that like

346

00:12:18,150 --> 00:12:16,160

i didn't even know who i could safely

347

00:12:19,430 --> 00:12:18,160

share this with

348

00:12:21,990 --> 00:12:19,440

that's how

349

00:12:24,629 --> 00:12:22,000

off the radar it was for me yet when

350

00:12:25,910 --> 00:12:24,639

something is happening to you uh and

351

00:12:27,430 --> 00:12:25,920

it's happening to your child it's

352

00:12:28,389 --> 00:12:27,440

happening in front of your eyes what can

353

00:12:31,509 --> 00:12:28,399

you do

354

00:12:37,750 --> 00:12:34,790

yeah true true that's cool so you leaned

355

00:12:40,710 --> 00:12:37,760

in and you listened

356

00:12:41,670 --> 00:12:40,720

i became very good at asking questions

357

00:12:42,550 --> 00:12:41,680

ah

358

00:12:45,030 --> 00:12:42,560

okay

359

00:12:46,629 --> 00:12:45,040

and he was able to that's

360

00:12:49,750 --> 00:12:46,639

what was more surprising what he was

361

00:12:51,030 --> 00:12:49,760

writing or that he was writing

362

00:12:52,870 --> 00:12:51,040

well um

363

00:12:54,230 --> 00:12:52,880

you know if you want me to just kind of

364

00:12:56,230 --> 00:12:54,240

build up to

365

00:12:58,870 --> 00:12:56,240

yeah when this happened i'll give you a

366

00:13:02,470 --> 00:12:58,880

little background

367

00:13:04,310 --> 00:13:02,480

so um you know our little son he was he

368

00:13:07,110 --> 00:13:04,320

was meeting all of his milestones he was

369

00:13:09,509 --> 00:13:07,120

doing really great for the first almost

370

00:13:10,790 --> 00:13:09,519

two years of life and then very suddenly

371

00:13:14,150 --> 00:13:10,800

over about

372

00:13:15,750 --> 00:13:14,160

three weeks time he lost he lost the

373

00:13:17,670 --> 00:13:15,760

ability to play

374

00:13:20,150 --> 00:13:17,680

he lost

375

00:13:22,790 --> 00:13:20,160

the ability to

376

00:13:25,590 --> 00:13:22,800

respond to his name

377

00:13:27,350 --> 00:13:25,600

he absolutely just seemed like he was in

378

00:13:30,230 --> 00:13:27,360

a whole other world he was spinning

379

00:13:31,670 --> 00:13:30,240

wheels on things he wasn't responding to

380

00:13:33,670 --> 00:13:31,680

us

381

00:13:35,670 --> 00:13:33,680

he lost the words that he had several

382

00:13:38,710 --> 00:13:35,680

words that he had words like mama and

383

00:13:41,190 --> 00:13:38,720

dada and banana and and it felt like we

384

00:13:42,790 --> 00:13:41,200

were losing him and we were absolutely

385

00:13:45,110 --> 00:13:42,800

terrified because

386

00:13:46,389 --> 00:13:45,120

there was no reason why this should have

387

00:13:48,550 --> 00:13:46,399

happened

388

00:13:52,150 --> 00:13:48,560

from what we could tell

389

00:13:54,870 --> 00:13:52,160

and so um you know that is the nature of

390

00:13:56,870 --> 00:13:54,880

this type of autism uh

391

00:13:58,790 --> 00:13:56,880

you know there's classic autism which

392

00:14:00,710 --> 00:13:58,800

which people would say well you know

393

00:14:03,990 --> 00:14:00,720

there's been something kind of present

394

00:14:05,990 --> 00:14:04,000

since birth kind of classic you know

395

00:14:09,030 --> 00:14:06,000

symptoms different things

396

00:14:11,750 --> 00:14:09,040

this kind of regressive autism is a lot

397

00:14:14,550 --> 00:14:11,760

more prevalent today so they will say

398

00:14:16,550 --> 00:14:14,560

that the classic type of autism uh is

399

00:14:19,269 --> 00:14:16,560

still probably about one in ten thousand

400

00:14:23,430 --> 00:14:19,279

people whereas this kind of regressive

401
00:14:24,230 --> 00:14:23,440
autism is more like one in 50 kids today

402
00:14:26,310 --> 00:14:24,240
um

403
00:14:28,470 --> 00:14:26,320
one in 50.

404
00:14:30,310 --> 00:14:28,480
when josiah was diagnosed it was 1 in

405
00:14:33,430 --> 00:14:30,320
150

406
00:14:35,350 --> 00:14:33,440
and so that was um almost 10 years ago

407
00:14:37,829 --> 00:14:35,360
and so it's it's it's the leading

408
00:14:40,550 --> 00:14:37,839
childhood developmental disorder today

409
00:14:41,990 --> 00:14:40,560
and basically you know we get the

410
00:14:45,030 --> 00:14:42,000
diagnosis

411
00:14:48,710 --> 00:14:45,040
and the doctors say autism spectrum

412
00:14:50,790 --> 00:14:48,720
disorder no known cause no known cure

413
00:14:52,949 --> 00:14:50,800

lifelong

414

00:14:54,389 --> 00:14:52,959

and you're staring at your two-year-old

415

00:14:55,670 --> 00:14:54,399

child

416

00:14:57,509 --> 00:14:55,680

going

417

00:15:00,150 --> 00:14:57,519

you know as a mother

418

00:15:02,949 --> 00:15:00,160

and as a christian

419

00:15:06,310 --> 00:15:02,959

i'm going okay where is hope when there

420

00:15:09,189 --> 00:15:08,150

and what is our future and what is his

421

00:15:11,350 --> 00:15:09,199

future

422

00:15:13,030 --> 00:15:11,360

look like so you know of course we

423

00:15:14,790 --> 00:15:13,040

mobilized we did absolutely everything

424

00:15:17,189 --> 00:15:14,800

we could we got him into the best you

425

00:15:20,310 --> 00:15:17,199

know therapies and you know 40 hours a

426

00:15:22,230 --> 00:15:20,320

week of therapy uh

427

00:15:25,110 --> 00:15:22,240

applied behavioral

428

00:15:28,389 --> 00:15:25,120

therapy and and speech and ot and all of

429

00:15:29,829 --> 00:15:28,399

those things occupational therapy um

430

00:15:31,829 --> 00:15:29,839

but

431

00:15:33,110 --> 00:15:31,839

we weren't able to regain

432

00:15:34,629 --> 00:15:33,120

speech

433

00:15:36,949 --> 00:15:34,639

despite even all the biomedical

434

00:15:38,629 --> 00:15:36,959

treatment and vitamins and diets and

435

00:15:39,910 --> 00:15:38,639

man there are so many things that you

436

00:15:41,110 --> 00:15:39,920

try

437

00:15:44,069 --> 00:15:41,120

and um

438

00:15:46,629 --> 00:15:44,079

at age five we were given the addendum

439

00:15:48,790 --> 00:15:46,639

to this diagnosis which was

440

00:15:51,269 --> 00:15:48,800

he's non-verbal

441

00:15:53,749 --> 00:15:51,279

he's severe and he's

442

00:15:55,430 --> 00:15:53,759

like low functioning so that means he's

443

00:15:58,069 --> 00:15:55,440

very much on the

444

00:16:00,550 --> 00:15:58,079

the end of the spectrum because the kids

445

00:16:03,910 --> 00:16:00,560

are who have autism kids and people have

446

00:16:07,189 --> 00:16:03,920

autism it's a very wide spectrum

447

00:16:11,189 --> 00:16:07,199

well this is uh very much severe as far

448

00:16:13,910 --> 00:16:11,199

as self-help skills are impaired

449

00:16:15,350 --> 00:16:13,920

their ability to

450

00:16:16,550 --> 00:16:15,360

communicate

451
00:16:18,230 --> 00:16:16,560
functionally

452
00:16:20,230 --> 00:16:18,240
is very impaired

453
00:16:22,470 --> 00:16:20,240
developmentally

454
00:16:25,030 --> 00:16:22,480
it seems that the receptive language is

455
00:16:27,430 --> 00:16:25,040
impaired sensory disorders feeding

456
00:16:28,790 --> 00:16:27,440
issues sleeping issues it's very much a

457
00:16:30,949 --> 00:16:28,800
global

458
00:16:32,710 --> 00:16:30,959
developmental problem

459
00:16:35,670 --> 00:16:32,720
but when we were finally told that

460
00:16:37,509 --> 00:16:35,680
josiah would be one of about 40

461
00:16:39,030 --> 00:16:37,519
of those with autism who would never

462
00:16:41,110 --> 00:16:39,040
speak

463
00:16:43,269 --> 00:16:41,120

you know of course that

464

00:16:44,870 --> 00:16:43,279

is one of the most devastating things to

465

00:16:46,870 --> 00:16:44,880

a parent that you will never be able to

466

00:16:49,189 --> 00:16:46,880

have a conversation with your child

467

00:16:51,829 --> 00:16:49,199

right know what they're thinking feeling

468

00:16:53,509 --> 00:16:51,839

need yeah it's hard exactly and and the

469

00:16:55,990 --> 00:16:53,519

older they get

470

00:16:58,629 --> 00:16:56,000

the more frustrated they get

471

00:17:01,030 --> 00:16:58,639

that they're not able to communicate

472

00:17:03,749 --> 00:17:01,040

and so um you know we had found a we had

473

00:17:05,750 --> 00:17:03,759

gotten ipod touches back when they first

474

00:17:07,669 --> 00:17:05,760

came out and we noticed that our little

475

00:17:09,189 --> 00:17:07,679

son had you know been kind of interested

476

00:17:11,189 --> 00:17:09,199

in that so we had put a couple of you

477

00:17:14,230 --> 00:17:11,199

know preschooler apps on there when i

478

00:17:16,150 --> 00:17:14,240

heard the ipad was coming out i was like

479

00:17:17,669 --> 00:17:16,160

man i am going to be first in line to

480

00:17:19,909 --> 00:17:17,679

pre-order that thing because that is

481

00:17:21,029 --> 00:17:19,919

going to be helpful for kids with autism

482

00:17:23,110 --> 00:17:21,039

i believe

483

00:17:24,949 --> 00:17:23,120

and so we got the ipad and one of the

484

00:17:26,710 --> 00:17:24,959

first things that i saw

485

00:17:29,590 --> 00:17:26,720

was that even though he couldn't

486

00:17:31,110 --> 00:17:29,600

physically do certain puzzles like at

487

00:17:33,830 --> 00:17:31,120

his therapy center

488

00:17:35,190 --> 00:17:33,840

he had an app that had puzzle pieces and

489

00:17:37,190 --> 00:17:35,200

he was able to

490

00:17:38,470 --> 00:17:37,200

put the puzzles together

491

00:17:40,789 --> 00:17:38,480

and uh

492

00:17:43,990 --> 00:17:40,799

and you know they'd make a big fancy

493

00:17:46,710 --> 00:17:44,000

sound and i'm going okay for one thing

494

00:17:49,510 --> 00:17:46,720

is it that he doesn't understand or that

495

00:17:52,470 --> 00:17:49,520

there's some sort of gap between what he

496

00:17:54,549 --> 00:17:52,480

knows and what he can do

497

00:17:57,510 --> 00:17:54,559

so that that was kind of a big clue to

498

00:17:59,669 --> 00:17:57,520

me but then i went to a

499

00:18:01,510 --> 00:17:59,679

i went to a

500

00:18:04,150 --> 00:18:01,520

conference and there was a breakout

501
00:18:06,950 --> 00:18:04,160
session about

502
00:18:08,630 --> 00:18:06,960
activities for the nonverbal child

503
00:18:11,110 --> 00:18:08,640
it was there that

504
00:18:13,750 --> 00:18:11,120
it was absolutely devastating to me to

505
00:18:15,990 --> 00:18:13,760
see them talking about those that were

506
00:18:17,909 --> 00:18:16,000
in their teens and how they said you

507
00:18:19,909 --> 00:18:17,919
know a lot of these kids in school we

508
00:18:22,710 --> 00:18:19,919
just try to keep them

509
00:18:23,830 --> 00:18:22,720
you know calm we just they can be very

510
00:18:25,830 --> 00:18:23,840
violent

511
00:18:28,549 --> 00:18:25,840
and unlike the the kids with down

512
00:18:31,029 --> 00:18:28,559
syndrome and other diagnoses with these

513
00:18:34,470 --> 00:18:31,039

kids i mean if we can teach them maybe

514

00:18:35,990 --> 00:18:34,480

to like crush cans or shred paper

515

00:18:39,909 --> 00:18:36,000

that's basically kind of what we're

516

00:18:44,150 --> 00:18:42,470

that's my son's future crushing cans and

517

00:18:46,630 --> 00:18:44,160

shredding paper

518

00:18:47,669 --> 00:18:46,640

yeah that's what i have to look forward

519

00:18:49,029 --> 00:18:47,679

to

520

00:18:51,510 --> 00:18:49,039

yeah and

521

00:18:53,270 --> 00:18:51,520

i actually saw a documentary called a

522

00:18:55,350 --> 00:18:53,280

mother's courage

523

00:18:57,750 --> 00:18:55,360

and in that documentary i saw a child

524

00:18:58,630 --> 00:18:57,760

that was very much presenting like my

525

00:19:00,950 --> 00:18:58,640

son

526

00:19:02,870 --> 00:19:00,960

and one of the things it was even a

527

00:19:05,029 --> 00:19:02,880

short stint within the documentary there

528

00:19:06,470 --> 00:19:05,039

was a woman

529

00:19:07,830 --> 00:19:06,480

who was doing what was called the rapid

530

00:19:10,549 --> 00:19:07,840

prompting method

531

00:19:11,909 --> 00:19:10,559

and these kids that were

532

00:19:13,590 --> 00:19:11,919

you know look like they weren't even

533

00:19:15,750 --> 00:19:13,600

paying attention or like they didn't

534

00:19:19,190 --> 00:19:15,760

even know what was going on

535

00:19:21,029 --> 00:19:19,200

suddenly they are engaging and they're

536

00:19:23,350 --> 00:19:21,039

able to learn and they're able to spell

537

00:19:26,710 --> 00:19:23,360

by pointing at letters

538

00:19:29,270 --> 00:19:26,720

and on stencils starts with a stencil

539

00:19:32,230 --> 00:19:29,280

board goes to like a laminated board and

540

00:19:34,950 --> 00:19:32,240

eventually uh hopefully keyboard

541

00:19:36,950 --> 00:19:34,960

and uh so i thought i have to do that so

542

00:19:40,070 --> 00:19:36,960

i went to green bay wisconsin there was

543

00:19:41,830 --> 00:19:40,080

one place there that did it and we were

544

00:19:43,990 --> 00:19:41,840

i saw that he was in there the one thing

545

00:19:44,950 --> 00:19:44,000

that she told me that really changed my

546

00:19:46,310 --> 00:19:44,960

heart

547

00:19:48,390 --> 00:19:46,320

was

548

00:19:50,950 --> 00:19:48,400

we need to presume age level

549

00:19:53,190 --> 00:19:50,960

intelligence

550

00:19:54,470 --> 00:19:53,200

so suddenly i started looking at him

551
00:19:59,350 --> 00:19:54,480
differently

552
00:20:01,750 --> 00:19:59,360
and realizing you know what

553
00:20:03,990 --> 00:20:01,760
he's in there and i need to show him

554
00:20:06,789 --> 00:20:04,000
that i know he's in there

555
00:20:09,110 --> 00:20:06,799
and he was showing that he was he was

556
00:20:11,270 --> 00:20:09,120
understanding things

557
00:20:13,669 --> 00:20:11,280
we had done that uh particular method

558
00:20:15,830 --> 00:20:13,679
for about a year how old was he at that

559
00:20:16,710 --> 00:20:15,840
stage at that time he was six

560
00:20:18,070 --> 00:20:16,720
okay

561
00:20:19,590 --> 00:20:18,080
and so we had done that particular

562
00:20:20,710 --> 00:20:19,600
method for about a year it was slow

563
00:20:23,510 --> 00:20:20,720

going

564

00:20:25,830 --> 00:20:23,520

but again we were finding some like he

565

00:20:27,590 --> 00:20:25,840

was he was in there he was making

566

00:20:29,029 --> 00:20:27,600

correct choices i thought i'm teaching

567

00:20:30,549 --> 00:20:29,039

him how to spell

568

00:20:32,549 --> 00:20:30,559

um but

569

00:20:34,549 --> 00:20:32,559

we get about a year in and we do a

570

00:20:40,710 --> 00:20:34,559

refresher course

571

00:20:42,470 --> 00:20:40,720

i i was revitalized again

572

00:20:44,630 --> 00:20:42,480

about a month after that i'm sitting at

573

00:20:47,029 --> 00:20:44,640

the table with him and we're doing a

574

00:20:48,789 --> 00:20:47,039

lesson on a saturday night

575

00:20:50,549 --> 00:20:48,799

and i decided to read to him from the

576

00:20:52,070 --> 00:20:50,559

children's bible

577

00:20:53,669 --> 00:20:52,080

and so i read to him about how jesus

578

00:20:55,909 --> 00:20:53,679

healed the blind man

579

00:20:59,510 --> 00:20:55,919

and then i said josiah jesus healed the

580

00:21:01,830 --> 00:20:59,520

blind man what did jesus do did he heal

581

00:21:03,590 --> 00:21:01,840

heal the blind man or did he play play

582

00:21:06,549 --> 00:21:03,600

with the blind man you write that on a

583

00:21:08,470 --> 00:21:06,559

piece of paper rip it in half you tap on

584

00:21:10,950 --> 00:21:08,480

heal you tap on play

585

00:21:13,590 --> 00:21:10,960

he chose appropriately the one that said

586

00:21:15,590 --> 00:21:13,600

heal and i said okay let's spell heal

587

00:21:17,830 --> 00:21:15,600

now we had the stencils but we'd also i

588

00:21:21,029 --> 00:21:17,840

had downloaded an app on the ipad that

589

00:21:22,070 --> 00:21:21,039

that is like alphabet the alphabet in

590

00:21:24,390 --> 00:21:22,080

order

591

00:21:26,390 --> 00:21:24,400

in big square buttons

592

00:21:28,310 --> 00:21:26,400

and so he was kind of we were

593

00:21:31,029 --> 00:21:28,320

experimenting with both

594

00:21:31,990 --> 00:21:31,039

so he goes to spell what i am giving to

595

00:21:34,310 --> 00:21:32,000

him

596

00:21:36,070 --> 00:21:34,320

heal okay let's spell heal but he

597

00:21:37,669 --> 00:21:36,080

touches g

598

00:21:40,149 --> 00:21:37,679

and i'm like oh

599

00:21:41,750 --> 00:21:40,159

okay he's missing it then he touches oh

600

00:21:44,630 --> 00:21:41,760

i'm like go

601
00:21:47,909 --> 00:21:44,640
he goes on to spell his first ever

602
00:21:51,510 --> 00:21:47,919
independently driven sentence

603
00:21:53,990 --> 00:21:51,520
wow is a good gift giver

604
00:21:57,590 --> 00:21:55,909
he got chills i bet

605
00:22:00,470 --> 00:21:57,600
that started

606
00:22:01,909 --> 00:22:00,480
that that day that moment

607
00:22:04,070 --> 00:22:01,919
is what

608
00:22:06,630 --> 00:22:04,080
shifted everything

609
00:22:08,310 --> 00:22:06,640
amazing so after you picked yourself off

610
00:22:10,070 --> 00:22:08,320
the floor

611
00:22:12,390 --> 00:22:10,080
exactly

612
00:22:14,070 --> 00:22:12,400
what happened after that so you're like

613
00:22:15,270 --> 00:22:14,080

did you go to your husband like oh my

614

00:22:17,590 --> 00:22:15,280

gosh

615

00:22:19,830 --> 00:22:17,600

yeah i certainly honestly i felt like

616

00:22:22,549 --> 00:22:19,840

okay either i've cracked

617

00:22:25,110 --> 00:22:22,559

or i'm on candid camera or am i being

618

00:22:27,669 --> 00:22:25,120

pumped like what is going on here i

619

00:22:30,870 --> 00:22:27,679

honestly felt like what in the world and

620

00:22:32,710 --> 00:22:30,880

actually i felt i thought he was being

621

00:22:34,789 --> 00:22:32,720

healed

622

00:22:36,789 --> 00:22:34,799

if i wanted like we've been praying that

623

00:22:38,630 --> 00:22:36,799

he would be healed and you know you've

624

00:22:40,710 --> 00:22:38,640

been praying for years that and i

625

00:22:42,870 --> 00:22:40,720

honestly thought like oh my gosh he's

626

00:22:45,110 --> 00:22:42,880

being healed right now like

627

00:22:46,470 --> 00:22:45,120

this is it wasn't just to me at that

628

00:22:48,390 --> 00:22:46,480

point it wasn't just he's gaining

629

00:22:51,029 --> 00:22:48,400

communication i'm like something has

630

00:22:53,350 --> 00:22:51,039

happened i go back and ask him josiah

631

00:22:54,710 --> 00:22:53,360

yes that's true but like how do you know

632

00:22:56,149 --> 00:22:54,720

that because it's not like i go around

633

00:22:58,390 --> 00:22:56,159

saying god is a good gift giver you know

634

00:22:59,430 --> 00:22:58,400

that was it's not like you're inheriting

635

00:23:01,990 --> 00:22:59,440

anything

636

00:23:05,110 --> 00:23:02,000

and then he he goes on to type god is

637

00:23:09,270 --> 00:23:07,669

and then that entire weekend my husband

638

00:23:11,669 --> 00:23:09,280

had been out of town and i'm like i'm

639

00:23:13,510 --> 00:23:11,679

calling him i'm calling my mom i'm like

640

00:23:15,830 --> 00:23:13,520

you won't believe what just happened i'm

641

00:23:17,669 --> 00:23:15,840

just freaking out that entire weekend i

642

00:23:18,789 --> 00:23:17,679

just start asking him every question i

643

00:23:20,230 --> 00:23:18,799

want to know like what's your favorite

644

00:23:21,270 --> 00:23:20,240

color what's your favorite cartoon

645

00:23:23,510 --> 00:23:21,280

character

646

00:23:25,029 --> 00:23:23,520

uh we're like having these conversations

647

00:23:26,630 --> 00:23:25,039

what do you want to be for halloween you

648

00:23:28,870 --> 00:23:26,640

know all this stuff

649

00:23:30,789 --> 00:23:28,880

he didn't let him sleep huh

650

00:23:33,110 --> 00:23:30,799

i did it you know i mean

651
00:23:34,870 --> 00:23:33,120
he was he was a little i think he was

652
00:23:37,190 --> 00:23:34,880
surprised too and i think i was

653
00:23:39,909 --> 00:23:37,200
surprised but um

654
00:23:42,149 --> 00:23:39,919
but that's what started it but then as

655
00:23:44,549 --> 00:23:42,159
time went on

656
00:23:45,510 --> 00:23:44,559
it's he started writing stuff that was

657
00:23:47,750 --> 00:23:45,520
like

658
00:23:49,029 --> 00:23:47,760
wait a second he's never been taught

659
00:23:52,149 --> 00:23:49,039
this and

660
00:23:54,549 --> 00:23:52,159
i don't where are you getting this stuff

661
00:23:56,870 --> 00:23:54,559
and it really

662
00:23:59,510 --> 00:23:56,880
it really started with i had brought

663
00:24:01,510 --> 00:23:59,520

home a lizard a little lizard i'd been

664

00:24:03,510 --> 00:24:01,520

on a on a vacation

665

00:24:04,870 --> 00:24:03,520

or a little trip and i brought home a

666

00:24:06,310 --> 00:24:04,880

lizard and i'm like well what do you

667

00:24:08,149 --> 00:24:06,320

want to name it and i'm asking him

668

00:24:11,510 --> 00:24:08,159

different things and he starts talking

669

00:24:13,669 --> 00:24:11,520

about like the anatomy of the lizard

670

00:24:17,029 --> 00:24:13,679

really and how they have like age he

671

00:24:18,789 --> 00:24:17,039

says they have ageless tails

672

00:24:20,310 --> 00:24:18,799

and um

673

00:24:22,149 --> 00:24:20,320

he starts saying like a lot of people

674

00:24:24,549 --> 00:24:22,159

think they have scales but it's actually

675

00:24:25,750 --> 00:24:24,559

aspiration pores and all this stuff and

676

00:24:28,230 --> 00:24:25,760

i'm like

677

00:24:30,070 --> 00:24:28,240

how do you know this i mean

678

00:24:31,590 --> 00:24:30,080

you're not getting that and he's seven

679

00:24:33,430 --> 00:24:31,600

years old

680

00:24:36,070 --> 00:24:33,440

at the moment unless you were in some

681

00:24:38,230 --> 00:24:36,080

kind of advanced biology class no no so

682

00:24:40,630 --> 00:24:38,240

my husband and i start like i'm like

683

00:24:42,710 --> 00:24:40,640

look up look up these things like on the

684

00:24:44,710 --> 00:24:42,720

on the web like what does it say about

685

00:24:46,549 --> 00:24:44,720

lizards you know so we're like looking

686

00:24:49,350 --> 00:24:46,559

this up and it's like oh well

687

00:24:51,110 --> 00:24:49,360

ageless tales like okay if a lizard

688

00:24:52,950 --> 00:24:51,120

loses its tail it actually will grow

689

00:24:54,950 --> 00:24:52,960

back like that's what that means you

690

00:24:56,149 --> 00:24:54,960

know that's what he means by that

691

00:24:58,310 --> 00:24:56,159

um well

692

00:25:00,149 --> 00:24:58,320

honey we're coming just about to the top

693

00:25:02,149 --> 00:25:00,159

of the hour break but i mean the bottom

694

00:25:04,630 --> 00:25:02,159

they are break but we'll be right back

695

00:25:06,710 --> 00:25:04,640

and uh this is fascinating stuff really

696

00:25:09,750 --> 00:25:06,720

yeah let's be right back after the break

697

00:25:13,750 --> 00:25:11,350

it's great to be back with tommy and

698

00:25:15,950 --> 00:25:13,760

heidi and i'm so glad that i came across

699

00:25:18,870 --> 00:25:15,960

this information about you on

700

00:25:21,350 --> 00:25:18,880

spiritdaily.com it's a

701
00:25:23,750 --> 00:25:21,360
it's this is some really good stuff

702
00:25:25,110 --> 00:25:23,760
so let me go ahead and uh step out of

703
00:25:26,870 --> 00:25:25,120
the picture for a minute

704
00:25:28,950 --> 00:25:26,880
because you were talking about all this

705
00:25:32,230 --> 00:25:28,960
developing information and

706
00:25:34,390 --> 00:25:32,240
endless or what endless tales or

707
00:25:36,630 --> 00:25:34,400
uh of the lizard and stuff that this kid

708
00:25:38,710 --> 00:25:36,640
could no way no i mean no way never been

709
00:25:40,789 --> 00:25:38,720
exposed to

710
00:25:43,190 --> 00:25:40,799
yes and then he started

711
00:25:44,310 --> 00:25:43,200
excuse me he started sharing things that

712
00:25:46,470 --> 00:25:44,320
were like

713
00:25:48,470 --> 00:25:46,480

of heaven somehow

714

00:25:49,669 --> 00:25:48,480

he started having like these wisdom

715

00:25:51,029 --> 00:25:49,679

words

716

00:25:53,750 --> 00:25:51,039

things like

717

00:25:56,549 --> 00:25:53,760

uh faith is believing for kites to fly

718

00:25:58,149 --> 00:25:56,559

when there's no wind in sight

719

00:26:00,870 --> 00:25:58,159

oh wow and

720

00:26:03,510 --> 00:26:00,880

faith is picture it done

721

00:26:05,110 --> 00:26:03,520

and these kind of like quotes these kind

722

00:26:07,029 --> 00:26:05,120

of like sayings

723

00:26:09,110 --> 00:26:07,039

well and then he started talking about

724

00:26:11,350 --> 00:26:09,120

things that i'm like what where what are

725

00:26:13,669 --> 00:26:11,360

you seeing what are you hearing i was

726

00:26:15,909 --> 00:26:13,679

just very confused as to where all this

727

00:26:19,590 --> 00:26:15,919

was coming from because even though you

728

00:26:21,590 --> 00:26:19,600

know we we talk about jesus in our house

729

00:26:23,789 --> 00:26:21,600

it's not like these were things that he

730

00:26:25,830 --> 00:26:23,799

would just be picking up from our

731

00:26:28,870 --> 00:26:25,840

conversations or

732

00:26:31,590 --> 00:26:28,880

from the tv or things like that it was

733

00:26:33,029 --> 00:26:31,600

different and he was very poetic in the

734

00:26:37,830 --> 00:26:33,039

way that he was

735

00:26:39,029 --> 00:26:37,840

day i decided well let me i gotta test

736

00:26:40,870 --> 00:26:39,039

this like

737

00:26:43,110 --> 00:26:40,880

i'm just gonna test this and i and i

738

00:26:44,789 --> 00:26:43,120

said josiah could you fill in the blank

739

00:26:48,870 --> 00:26:44,799

for me

740

00:26:52,070 --> 00:26:48,880

my favorite place in heaven is

741

00:26:55,110 --> 00:26:52,080

and he goes on to write his very first

742

00:26:56,789 --> 00:26:55,120

poem like this or what he calls a song

743

00:26:59,029 --> 00:26:56,799

and he writes this

744

00:27:02,230 --> 00:26:59,039

my favorite place in heaven is over

745

00:27:06,630 --> 00:27:02,240

peaceful waters peace is real

746

00:27:09,590 --> 00:27:06,640

tired souls naturally test peace roses

747

00:27:11,669 --> 00:27:09,600

are so stunning worship the king

748

00:27:14,710 --> 00:27:11,679

sing loud to the prize pardon who

749

00:27:17,350 --> 00:27:14,720

requires praise angels taste of his

750

00:27:20,230 --> 00:27:17,360

holiness ordained great attitude of

751
00:27:22,789 --> 00:27:20,240
praise help us worship the lord together

752
00:27:25,669 --> 00:27:22,799
please him all you hail the king of

753
00:27:27,430 --> 00:27:25,679
majesty forever make a noise to the king

754
00:27:29,350 --> 00:27:27,440
on the throne

755
00:27:30,549 --> 00:27:29,360
i got goosebumps

756
00:27:31,590 --> 00:27:30,559
wow

757
00:27:36,390 --> 00:27:31,600
and

758
00:27:38,390 --> 00:27:36,400
you know he he can be very very slow

759
00:27:40,950 --> 00:27:38,400
in in writing things like it's almost

760
00:27:43,510 --> 00:27:40,960
like words the words themselves come

761
00:27:47,029 --> 00:27:43,520
quickly but his motor skills

762
00:27:49,269 --> 00:27:47,039
are the difficult part but that he wrote

763
00:27:51,669 --> 00:27:49,279

so fast and i'm going

764

00:27:53,430 --> 00:27:51,679

okay for one thing i can't i can't sit

765

00:27:54,470 --> 00:27:53,440

down and just write a poem or anything

766

00:27:56,870 --> 00:27:54,480

like that

767

00:27:58,789 --> 00:27:56,880

for another thing i don't know how you

768

00:27:59,669 --> 00:27:58,799

write something like that unless you've

769

00:28:02,870 --> 00:27:59,679

like

770

00:28:04,549 --> 00:28:02,880

experienced it somehow it does sound

771

00:28:07,750 --> 00:28:04,559

experiential instead of just

772

00:28:08,789 --> 00:28:07,760

philosophical yeah it does exactly so so

773

00:28:12,789 --> 00:28:08,799

that

774

00:28:15,350 --> 00:28:12,799

took it to the next

775

00:28:18,710 --> 00:28:15,360

stage or the next level and then things

776

00:28:19,990 --> 00:28:18,720

just kept compounding from there

777

00:28:22,549 --> 00:28:20,000

wow

778

00:28:25,269 --> 00:28:22,559

so what happened next so he's he's

779

00:28:26,230 --> 00:28:25,279

expressing this love and admiration for

780

00:28:29,750 --> 00:28:26,240

god

781

00:28:31,269 --> 00:28:29,760

but it got even more personal right

782

00:28:33,430 --> 00:28:31,279

yes it got very personal i mean he

783

00:28:36,870 --> 00:28:33,440

started talking about um

784

00:28:39,269 --> 00:28:36,880

he started talking about people that

785

00:28:41,110 --> 00:28:39,279

were family members that he had never

786

00:28:43,350 --> 00:28:41,120

met

787

00:28:45,430 --> 00:28:43,360

he started talking about very specific

788

00:28:47,669 --> 00:28:45,440

things that he would have never known

789

00:28:48,950 --> 00:28:47,679

about and even things that

790

00:29:03,190 --> 00:28:48,960

i

791

00:29:05,350 --> 00:29:03,200

many many years ago you know and then

792

00:29:08,230 --> 00:29:05,360

there'd be something that was like a

793

00:29:09,669 --> 00:29:08,240

particular thing that was like whoa

794

00:29:13,909 --> 00:29:09,679

that is

795

00:29:15,269 --> 00:29:13,919

would he would talk about angels seeing

796

00:29:17,830 --> 00:29:15,279

angels

797

00:29:20,630 --> 00:29:17,840

now i i want to tell you like you know

798

00:29:21,830 --> 00:29:20,640

people might be going oh that is so cool

799

00:29:24,870 --> 00:29:21,840

well you know

800

00:29:26,870 --> 00:29:24,880

as a parent and actually as a

801
00:29:30,549 --> 00:29:26,880
person who's like working in a church

802
00:29:32,549 --> 00:29:30,559
who's a pastor like i i was not super

803
00:29:35,190 --> 00:29:32,559
excited about what was happening here

804
00:29:36,950 --> 00:29:35,200
because again this is not like on my

805
00:29:40,389 --> 00:29:36,960
grid i don't quite know what to do with

806
00:29:42,470 --> 00:29:40,399
this i don't want to shut it down i want

807
00:29:45,029 --> 00:29:42,480
to be open because i know

808
00:29:47,510 --> 00:29:45,039
that like the kid isn't really capable

809
00:29:50,870 --> 00:29:47,520
of just dreaming this stuff up

810
00:29:53,510 --> 00:29:50,880
this isn't like imagination gone wild

811
00:29:54,870 --> 00:29:53,520
right i see like that's not even a

812
00:29:57,830 --> 00:29:54,880
tendency of

813
00:30:00,470 --> 00:29:57,840

people with autism really don't

814

00:30:02,149 --> 00:30:00,480

tell tall tales so did it strike you

815

00:30:04,789 --> 00:30:02,159

right away that

816

00:30:07,430 --> 00:30:04,799

this is a real thing happening or did it

817

00:30:09,510 --> 00:30:07,440

take a little bit for it to sink in that

818

00:30:11,510 --> 00:30:09,520

god is involved somehow

819

00:30:12,950 --> 00:30:11,520

i knew i knew it was a real thing that

820

00:30:13,990 --> 00:30:12,960

was happening

821

00:30:16,070 --> 00:30:14,000

um

822

00:30:18,389 --> 00:30:16,080

from the beginning

823

00:30:19,430 --> 00:30:18,399

because i don't know how else it could

824

00:30:22,789 --> 00:30:19,440

have been

825

00:30:24,549 --> 00:30:22,799

probably the hardest thing is

826

00:30:25,990 --> 00:30:24,559

you're dealing with what others might

827

00:30:27,110 --> 00:30:26,000

think

828

00:30:30,630 --> 00:30:27,120

right

829

00:30:33,269 --> 00:30:30,640

has she lost it is he hallucinating

830

00:30:35,269 --> 00:30:33,279

is this schizophrenia i mean all of

831

00:30:37,750 --> 00:30:35,279

those things all of those possibilities

832

00:30:39,750 --> 00:30:37,760

is she trying common knowledge uncommon

833

00:30:42,710 --> 00:30:39,760

knowledge like that uh that's not

834

00:30:44,149 --> 00:30:42,720

hallucinating though i mean uh right

835

00:30:45,990 --> 00:30:44,159

now don't necessarily tell a

836

00:30:48,549 --> 00:30:46,000

psychologist like yeah my kid is hearing

837

00:30:50,549 --> 00:30:48,559

voices and seeing angels you know

838

00:30:51,510 --> 00:30:50,559

oh yeah it's not it's not something you

839

00:30:52,549 --> 00:30:51,520

lead with

840

00:30:54,870 --> 00:30:52,559

um

841

00:30:57,029 --> 00:30:54,880

so so yeah there's all this there's kind

842

00:31:00,070 --> 00:30:57,039

of this struggle between oh my goodness

843

00:31:01,430 --> 00:31:00,080

god is real he is there my son is

844

00:31:03,990 --> 00:31:01,440

somehow like

845

00:31:04,950 --> 00:31:04,000

experiencing something and honestly my

846

00:31:07,669 --> 00:31:04,960

heart

847

00:31:09,590 --> 00:31:07,679

and my husband i mean obviously not only

848

00:31:11,190 --> 00:31:09,600

are we getting to to have just regular

849

00:31:13,510 --> 00:31:11,200

conversations with our kid it's not like

850

00:31:14,870 --> 00:31:13,520

he only writes spiritual things

851
00:31:20,549 --> 00:31:14,880
you know we were able to know like he

852
00:31:24,870 --> 00:31:22,389
you know when you're when you're talking

853
00:31:27,510 --> 00:31:24,880
here i'm i'm i'm feeling and i'm i'm

854
00:31:29,590 --> 00:31:27,520
hearing like this reality that

855
00:31:32,149 --> 00:31:29,600
essentially smacked you

856
00:31:33,990 --> 00:31:32,159
and i get it i've been in that situation

857
00:31:36,389 --> 00:31:34,000
as kevin shared i wrote a book called

858
00:31:38,470 --> 00:31:36,399
jesus is no joke i called it that

859
00:31:40,389 --> 00:31:38,480
because that's all i could say

860
00:31:42,230 --> 00:31:40,399
repeatedly like you know this man is for

861
00:31:43,509 --> 00:31:42,240
real you know he's no joke

862
00:31:45,110 --> 00:31:43,519
i mean

863
00:31:46,789 --> 00:31:45,120

lowe's has you covered for all those

864

00:31:48,950 --> 00:31:46,799

projects on your summer to-do list and

865

00:31:50,789 --> 00:31:48,960

will even help you save give your home a

866

00:31:52,950 --> 00:31:50,799

whole new look inside and out with 10 to

867

00:31:55,029 --> 00:31:52,960

40 dollars off paint exterior stains and

868

00:31:56,549 --> 00:31:55,039

resurfacers via rebate and add a pop of

869

00:31:58,630 --> 00:31:56,559

color to your porch or patio with

870

00:32:00,230 --> 00:31:58,640

flowers get your choice two for ten

871

00:32:02,230 --> 00:32:00,240

dollar basic one and a half gallon

872

00:32:04,310 --> 00:32:02,240

hanging baskets all projects have a

873

00:32:05,750 --> 00:32:04,320

starting point start with lows paint

874

00:32:07,509 --> 00:32:05,760

offer valid six twenty one three seven

875

00:32:08,630 --> 00:32:07,519

five exclusions apply plant offer valid

876

00:32:10,149 --> 00:32:08,640

six twenty eight through seven five

877

00:32:12,950 --> 00:32:10,159

color and selection vary by location

878

00:32:15,430 --> 00:32:12,960

while supplies last us only

879

00:32:17,750 --> 00:32:15,440

when you when the reality of you know

880

00:32:19,830 --> 00:32:17,760

we're all taught you know about faith

881

00:32:20,630 --> 00:32:19,840

and to keep a certain habit of things

882

00:32:23,029 --> 00:32:20,640

but

883

00:32:26,710 --> 00:32:23,039

when it's really really real it is a

884

00:32:30,070 --> 00:32:26,720

whole other level so i i get it i really

885

00:32:31,990 --> 00:32:30,080

do i really really it really becomes you

886

00:32:36,310 --> 00:32:32,000

dealing with the

887

00:32:39,350 --> 00:32:36,320

reality of your own ego and reputation

888

00:32:42,470 --> 00:32:39,360

when you're going i know this is real

889

00:32:43,830 --> 00:32:42,480

yeah but what will people think of me if

890

00:32:52,789 --> 00:32:43,840

i

891

00:32:54,070 --> 00:32:52,799

know

892

00:32:56,149 --> 00:32:54,080

personally i couldn't keep my mouth

893

00:32:57,830 --> 00:32:56,159

closed i'm like you look when when god's

894

00:32:59,350 --> 00:32:57,840

looking your way

895

00:33:02,470 --> 00:32:59,360

there's no shame

896

00:33:04,710 --> 00:33:02,480

that's how i feel well i actually had to

897

00:33:07,509 --> 00:33:04,720

from a christian perspective

898

00:33:09,269 --> 00:33:07,519

i had to learn about the gift of

899

00:33:12,070 --> 00:33:09,279

prophecy

900

00:33:15,269 --> 00:33:12,080

i had to learn because my son was

901
00:33:18,230 --> 00:33:15,279
demonstrating prophetic gifts

902
00:33:19,990 --> 00:33:18,240
and i guess different people can call it

903
00:33:22,549 --> 00:33:20,000
different things i choose to call it

904
00:33:25,029 --> 00:33:22,559
prophetic someone might call it psychic

905
00:33:28,470 --> 00:33:25,039
but i choose to call it prophetic that

906
00:33:32,070 --> 00:33:28,480
he he was able to relay things

907
00:33:34,789 --> 00:33:32,080
um from heaven's perspective

908
00:33:37,990 --> 00:33:34,799
that right they rang true

909
00:33:40,789 --> 00:33:38,000
and they were they were um a language

910
00:33:42,950 --> 00:33:40,799
and a cadence that was different than

911
00:33:44,470 --> 00:33:42,960
anything else except that it was

912
00:33:45,750 --> 00:33:44,480
confirmation

913
00:33:47,509 --> 00:33:45,760

of

914

00:33:50,149 --> 00:33:47,519

this god that

915

00:33:52,230 --> 00:33:50,159

is actually talked about very distinctly

916

00:33:56,470 --> 00:33:52,240

in the bible but we kind of have our own

917

00:33:58,470 --> 00:33:56,480

dogma around it this was free of dogma

918

00:34:01,430 --> 00:33:58,480

this had no agenda

919

00:34:04,070 --> 00:34:01,440

it just was so pure and it really

920

00:34:05,350 --> 00:34:04,080

it did something inside of my heart i

921

00:34:06,710 --> 00:34:05,360

started

922

00:34:08,389 --> 00:34:06,720

loving

923

00:34:11,109 --> 00:34:08,399

jesus and god

924

00:34:13,750 --> 00:34:11,119

so much more and you know one morning

925

00:34:15,349 --> 00:34:13,760

josiah woke me up and and

926
00:34:16,710 --> 00:34:15,359
he would he would wake up a lot in the

927
00:34:18,069 --> 00:34:16,720
middle of the night which is not the

928
00:34:20,230 --> 00:34:18,079
greatest for me

929
00:34:21,750 --> 00:34:20,240
but uh i'd stumble out you know i

930
00:34:23,190 --> 00:34:21,760
stumbled out and

931
00:34:25,589 --> 00:34:23,200
and i'm like

932
00:34:27,270 --> 00:34:25,599
um yeah what what do you wanna you

933
00:34:30,069 --> 00:34:27,280
wanted to communicate

934
00:34:31,909 --> 00:34:30,079
and so he's like you know god wants to

935
00:34:34,389 --> 00:34:31,919
tell you about

936
00:34:35,829 --> 00:34:34,399
about the trinity now

937
00:34:37,190 --> 00:34:35,839
oh yeah

938
00:34:40,310 --> 00:34:37,200

um

939

00:34:43,909 --> 00:34:40,320

okay or he said the triune god

940

00:34:44,950 --> 00:34:43,919

and i'm like um okay when i say said he

941

00:34:47,349 --> 00:34:44,960

typed it

942

00:34:49,909 --> 00:34:47,359

i'm like okay i can't say i was thinking

943

00:34:51,589 --> 00:34:49,919

about the trinity but okay what do you

944

00:34:53,669 --> 00:34:51,599

what does he want to say

945

00:34:56,230 --> 00:34:53,679

and so he writes in the trinity the

946

00:34:59,030 --> 00:34:56,240

father is the manager the son is the

947

00:35:00,230 --> 00:34:59,040

lover of operations holy spirit is

948

00:35:03,910 --> 00:35:00,240

worker

949

00:35:05,910 --> 00:35:03,920

so it's three in one getting things done

950

00:35:08,150 --> 00:35:05,920

the world was created only by three

951
00:35:11,589 --> 00:35:08,160
functions that went like this

952
00:35:14,150 --> 00:35:11,599
the father thought it the son loved it

953
00:35:14,829 --> 00:35:14,160
holy spirit carried out the plan

954
00:35:16,710 --> 00:35:14,839
that

955
00:35:20,390 --> 00:35:16,720
is works mom

956
00:35:21,990 --> 00:35:20,400
father son holy spirit lack nothing they

957
00:35:23,190 --> 00:35:22,000
all talk together about how things

958
00:35:25,270 --> 00:35:23,200
should go

959
00:35:27,510 --> 00:35:25,280
life is simple if you know that he is

960
00:35:29,030 --> 00:35:27,520
papa he is healer

961
00:35:31,270 --> 00:35:29,040
he is helper

962
00:35:32,390 --> 00:35:31,280
so man must voice father what do you

963
00:35:34,870 --> 00:35:32,400

think

964

00:35:37,990 --> 00:35:34,880

jesus what do you love

965

00:35:39,589 --> 00:35:38,000

spirit what should we do about it

966

00:35:42,310 --> 00:35:39,599

this is your mission

967

00:35:45,190 --> 00:35:42,320

do what the father thinks and what jesus

968

00:35:46,950 --> 00:35:45,200

loves and what the spirit tells

969

00:35:48,950 --> 00:35:46,960

beautiful

970

00:35:50,390 --> 00:35:48,960

gosh wow this isn't stuff from a kid i

971

00:35:53,030 --> 00:35:50,400

mean this is definitely not something

972

00:35:55,349 --> 00:35:53,040

that would emanate from a child

973

00:35:57,270 --> 00:35:55,359

practice of speaking in sentences like

974

00:35:59,190 --> 00:35:57,280

you and i would do i wonder if that

975

00:36:01,430 --> 00:35:59,200

comes into play or is this truly you

976
00:36:03,829 --> 00:36:01,440
know from above in the way that they're

977
00:36:05,109 --> 00:36:03,839
expressing it to him that's

978
00:36:08,150 --> 00:36:05,119
magical

979
00:36:10,390 --> 00:36:08,160
well he would talk about being in school

980
00:36:12,230 --> 00:36:10,400
like being taken up

981
00:36:13,349 --> 00:36:12,240
and almost getting like schooled in

982
00:36:15,670 --> 00:36:13,359
heaven

983
00:36:18,470 --> 00:36:15,680
oh my goodness i know what he's talking

984
00:36:20,870 --> 00:36:18,480
about are you serious has he described

985
00:36:24,630 --> 00:36:20,880
the buildings he goes inside he talks

986
00:36:28,630 --> 00:36:24,640
about he talks about um open air

987
00:36:30,870 --> 00:36:28,640
um with like almost triangular desks

988
00:36:33,190 --> 00:36:30,880

and and he talks about there are like

989

00:36:36,310 --> 00:36:33,200

different places one place almost looks

990

00:36:39,430 --> 00:36:36,320

like like chinese with like the

991

00:36:42,710 --> 00:36:39,440

canopies and like the open-air sides

992

00:36:45,750 --> 00:36:42,720

um it talks about sitting at a triangle

993

00:36:47,430 --> 00:36:45,760

like almost like 50 or so kids

994

00:36:49,589 --> 00:36:47,440

um

995

00:36:51,910 --> 00:36:49,599

almost sitting at a triangle they solve

996

00:36:55,670 --> 00:36:51,920

like they solve problems in a triangular

997

00:36:56,790 --> 00:36:55,680

form using this formula oh my goodness

998

00:36:58,069 --> 00:36:56,800

yeah

999

00:37:00,310 --> 00:36:58,079

so fascinating

1000

00:37:02,870 --> 00:37:00,320

it's really wild but but what's really

1001

00:37:04,230 --> 00:37:02,880

cool is i didn't like again i didn't

1002

00:37:06,950 --> 00:37:04,240

have a grid for this i didn't even know

1003

00:37:09,990 --> 00:37:06,960

like okay the kid is not having

1004

00:37:12,630 --> 00:37:10,000

it's not like he's this is a

1005

00:37:13,910 --> 00:37:12,640

near-death experience he's not on any

1006

00:37:15,510 --> 00:37:13,920

drugs

1007

00:37:17,430 --> 00:37:15,520

um he's not

1008

00:37:19,109 --> 00:37:17,440

he's not you know going under surgery

1009

00:37:21,190 --> 00:37:19,119

how is this happening

1010

00:37:22,950 --> 00:37:21,200

he's kind of like trying to figure this

1011

00:37:24,470 --> 00:37:22,960

out and trying to look into this what is

1012

00:37:27,190 --> 00:37:24,480

who is this happening to you know the

1013

00:37:28,150 --> 00:37:27,200

only one i could find was akiana

1014

00:37:30,470 --> 00:37:28,160

um

1015

00:37:33,030 --> 00:37:30,480

who who's you know typical not with

1016

00:37:35,109 --> 00:37:33,040

autism but this is the wild thing within

1017

00:37:37,430 --> 00:37:35,119

the last three months

1018

00:37:39,829 --> 00:37:37,440

people that have heard our story have

1019

00:37:42,790 --> 00:37:39,839

contacted me and the same thing is

1020

00:37:43,910 --> 00:37:42,800

happening with a lot of people

1021

00:37:45,829 --> 00:37:43,920

yes

1022

00:37:47,589 --> 00:37:45,839

that learned exactly the same way to

1023

00:37:49,910 --> 00:37:47,599

communicate and they are coming out the

1024

00:37:52,710 --> 00:37:49,920

same things and actually just a week and

1025

00:37:54,870 --> 00:37:52,720

a half ago we went to a camp

1026

00:37:56,630 --> 00:37:54,880

where these guys

1027

00:37:59,349 --> 00:37:56,640

got to meet each other

1028

00:38:02,069 --> 00:37:59,359

and communicate with one another

1029

00:38:06,310 --> 00:38:02,079

like in a social way

1030

00:38:09,829 --> 00:38:08,470

this is a phenomenon believe it or not

1031

00:38:12,310 --> 00:38:09,839

people are

1032

00:38:14,950 --> 00:38:12,320

waking up with memories of being in a

1033

00:38:16,550 --> 00:38:14,960

heaven-like place and others

1034

00:38:19,510 --> 00:38:16,560

unfortunately are waking up with

1035

00:38:21,910 --> 00:38:19,520

memories of a hell-like place and the

1036

00:38:25,030 --> 00:38:21,920

revelations that that are coming forward

1037

00:38:27,030 --> 00:38:25,040

i i've had similar things but i

1038

00:38:28,230 --> 00:38:27,040

over the years have come across so many

1039

00:38:30,790 --> 00:38:28,240

others so

1040

00:38:33,030 --> 00:38:30,800

it's it's magnificent for you know the

1041

00:38:35,670 --> 00:38:33,040

kids with you know the the difficulties

1042

00:38:36,710 --> 00:38:35,680

in everyday life are able to tap in in

1043

00:38:40,150 --> 00:38:36,720

such a

1044

00:38:42,310 --> 00:38:40,160

a pure manner this is this is awesome

1045

00:38:45,030 --> 00:38:42,320

well i think that that's for me for me

1046

00:38:47,510 --> 00:38:45,040

as his parents

1047

00:38:48,630 --> 00:38:47,520

i i started realizing you know

1048

00:38:50,630 --> 00:38:48,640

um

1049

00:38:52,870 --> 00:38:50,640

there are gaps

1050

00:38:54,790 --> 00:38:52,880

that i cannot reach

1051
00:38:56,710 --> 00:38:54,800
no matter how hard i try

1052
00:38:59,190 --> 00:38:56,720
no matter what i do

1053
00:39:01,030 --> 00:38:59,200
i can't make him

1054
00:39:03,670 --> 00:39:01,040
be better

1055
00:39:04,390 --> 00:39:03,680
i can't make him respond

1056
00:39:09,270 --> 00:39:04,400
but

1057
00:39:11,349 --> 00:39:09,280
god is

1058
00:39:12,950 --> 00:39:11,359
filling certain gaps

1059
00:39:16,150 --> 00:39:12,960
and i think that in a lot of these

1060
00:39:18,710 --> 00:39:16,160
children and a lot of these people that

1061
00:39:20,390 --> 00:39:18,720
there there is like this

1062
00:39:23,109 --> 00:39:20,400
this gap

1063
00:39:24,470 --> 00:39:23,119

somehow they find god they they reach

1064

00:39:27,109 --> 00:39:24,480

for him

1065

00:39:29,829 --> 00:39:27,119

because he's what they've got

1066

00:39:32,230 --> 00:39:29,839

or he reaches for them and assures them

1067

00:39:34,950 --> 00:39:32,240

that he's there i'm not sure

1068

00:39:36,870 --> 00:39:34,960

but but it's it's a really beautiful

1069

00:39:38,630 --> 00:39:36,880

thing because like i said

1070

00:39:39,910 --> 00:39:38,640

it doesn't have

1071

00:39:43,109 --> 00:39:39,920

an ego

1072

00:39:45,670 --> 00:39:43,119

and it doesn't have an agenda it's just

1073

00:39:47,030 --> 00:39:45,680

beautiful

1074

00:39:48,069 --> 00:39:47,040

wow

1075

00:39:50,790 --> 00:39:48,079

yeah

1076
00:39:51,910 --> 00:39:50,800
my goodness so the the other kids that

1077
00:39:54,230 --> 00:39:51,920
you said they all got together and

1078
00:39:55,990 --> 00:39:54,240
they're sharing and discussing among

1079
00:39:58,630 --> 00:39:56,000
themselves like did any of them

1080
00:40:00,630 --> 00:39:58,640
recognize each other from being in the

1081
00:40:01,910 --> 00:40:00,640
heaven school like place

1082
00:40:04,390 --> 00:40:01,920
well um

1083
00:40:07,270 --> 00:40:04,400
we didn't discuss that exactly at camp

1084
00:40:09,109 --> 00:40:07,280
but there was uh there was a

1085
00:40:10,870 --> 00:40:09,119
a time that um one of the kids that

1086
00:40:13,430 --> 00:40:10,880
actually ended up going to camp uh

1087
00:40:14,710 --> 00:40:13,440
josiah and he had had kind of a

1088
00:40:17,430 --> 00:40:14,720

back and forth conversation through

1089

00:40:19,270 --> 00:40:17,440

email and it's almost like they did like

1090

00:40:21,910 --> 00:40:19,280

this call and response thing where they

1091

00:40:24,550 --> 00:40:21,920

like knew this they knew the answer like

1092

00:40:26,069 --> 00:40:24,560

they were speaking the same type of

1093

00:40:28,710 --> 00:40:26,079

language

1094

00:40:31,190 --> 00:40:28,720

and like you two and then the the one

1095

00:40:33,510 --> 00:40:31,200

responded back and then they were like

1096

00:40:34,470 --> 00:40:33,520

they knew the same

1097

00:40:39,829 --> 00:40:34,480

like

1098

00:40:41,990 --> 00:40:39,839

well it was really weird it was really

1099

00:40:44,950 --> 00:40:42,000

cool but it was really like okay they're

1100

00:40:47,349 --> 00:40:44,960

like on some like the same network

1101

00:40:49,430 --> 00:40:47,359

how many kids got together

1102

00:40:50,310 --> 00:40:49,440

well at the camp there were actually

1103

00:40:52,470 --> 00:40:50,320

about

1104

00:40:55,589 --> 00:40:52,480

it was a camp for special needs

1105

00:40:58,230 --> 00:40:55,599

um but of them there were about seven

1106

00:40:59,510 --> 00:40:58,240

that had like this severe autism that

1107

00:41:01,190 --> 00:40:59,520

that that's how they speak is by

1108

00:41:02,630 --> 00:41:01,200

pointing at letters using this rapid

1109

00:41:05,430 --> 00:41:02,640

prompting method

1110

00:41:07,510 --> 00:41:05,440

and um and so that was incredible

1111

00:41:10,150 --> 00:41:07,520

because you know what their ministry

1112

00:41:12,950 --> 00:41:10,160

wasn't just it was church camp their

1113

00:41:14,150 --> 00:41:12,960

ministry wasn't just we're doing we're

1114

00:41:17,510 --> 00:41:14,160

putting on

1115

00:41:19,990 --> 00:41:17,520

a service or chapel for these kids

1116

00:41:22,470 --> 00:41:20,000

they would get them involved and say do

1117

00:41:24,230 --> 00:41:22,480

you have a word for somebody

1118

00:41:25,190 --> 00:41:24,240

do you have something that you want to

1119

00:41:27,589 --> 00:41:25,200

add

1120

00:41:31,190 --> 00:41:27,599

it was absolutely incredible

1121

00:41:33,430 --> 00:41:31,200

wow goodness so it's gotten more intense

1122

00:41:35,030 --> 00:41:33,440

over i mean like how long has he been

1123

00:41:37,430 --> 00:41:35,040

speaking on these things i mean how many

1124

00:41:39,990 --> 00:41:37,440

years have passed now um

1125

00:41:40,870 --> 00:41:40,000

three and a half four

1126

00:41:43,030 --> 00:41:40,880

has

1127

00:41:45,910 --> 00:41:43,040

changed uh is he talking about future

1128

00:41:48,230 --> 00:41:45,920

events what we need to do as a society

1129

00:41:51,190 --> 00:41:48,240

or well we have a we have a facebook

1130

00:41:52,630 --> 00:41:51,200

page called josiah's fire that actually

1131

00:41:54,790 --> 00:41:52,640

started it before we ever wrote a book

1132

00:41:56,069 --> 00:41:54,800

or ever planned on writing a book

1133

00:41:57,910 --> 00:41:56,079

and uh

1134

00:41:59,910 --> 00:41:57,920

every day we pretty much post something

1135

00:42:03,109 --> 00:41:59,920

that is uh a

1136

00:42:05,430 --> 00:42:03,119

a quote or a poem or a thought

1137

00:42:06,230 --> 00:42:05,440

and there's some pretty profound stuff

1138

00:42:08,470 --> 00:42:06,240

there

1139

00:42:09,270 --> 00:42:08,480

but but one of the things um if i may

1140

00:42:11,910 --> 00:42:09,280

share

1141

00:42:12,790 --> 00:42:11,920

that was one of the most powerful things

1142

00:42:13,990 --> 00:42:12,800

um

1143

00:42:19,589 --> 00:42:14,000

was

1144

00:42:21,430 --> 00:42:19,599

an imax theater presentation

1145

00:42:22,550 --> 00:42:21,440

and afterwards i said okay where do you

1146

00:42:24,390 --> 00:42:22,560

want to go do you want to go back into

1147

00:42:26,870 --> 00:42:24,400

the zoo do you want to go somewhere else

1148

00:42:29,589 --> 00:42:26,880

so i pull out the ipad and he spells

1149

00:42:31,910 --> 00:42:29,599

take me to the mall of america and god

1150

00:42:33,990 --> 00:42:31,920

will have a surprise for you there

1151
00:42:36,710 --> 00:42:34,000
really that's like

1152
00:42:38,230 --> 00:42:36,720
okay like what could that be so we go to

1153
00:42:40,550 --> 00:42:38,240
the mall of america

1154
00:42:42,870 --> 00:42:40,560
i get him his mcdonald's burgers i go to

1155
00:42:45,030 --> 00:42:42,880
noodles we're sitting eating our our

1156
00:42:47,190 --> 00:42:45,040
food and we get done and all of a sudden

1157
00:42:48,790 --> 00:42:47,200
we're like walking and he we i always

1158
00:42:52,390 --> 00:42:48,800
have his hand

1159
00:42:54,150 --> 00:42:52,400
and he starts like leading me somewhere

1160
00:42:55,750 --> 00:42:54,160
and i'm thinking he must be going to the

1161
00:42:57,750 --> 00:42:55,760
toy store or something but he leads me

1162
00:42:59,190 --> 00:42:57,760
down this corridor and he sits me down

1163
00:43:01,910 --> 00:42:59,200

at this bench

1164

00:43:02,790 --> 00:43:01,920

he motions for my purse to take my ipad

1165

00:43:03,670 --> 00:43:02,800

out

1166

00:43:06,630 --> 00:43:03,680

and

1167

00:43:08,470 --> 00:43:06,640

he goes on to to tell me that i need to

1168

00:43:11,190 --> 00:43:08,480

talk to the nice girl that's placing

1169

00:43:13,270 --> 00:43:11,200

little stairs his way

1170

00:43:15,270 --> 00:43:13,280

and i'm like who are you even talking

1171

00:43:17,589 --> 00:43:15,280

about i don't see anybody that you're

1172

00:43:20,870 --> 00:43:17,599

even talking about and then he goes on

1173

00:43:22,790 --> 00:43:20,880

to write love is love tell her that

1174

00:43:23,990 --> 00:43:22,800

i'll be forced to voice my love for her

1175

00:43:25,670 --> 00:43:24,000

myself

1176

00:43:27,270 --> 00:43:25,680

now is the time to work the floor like

1177

00:43:29,190 --> 00:43:27,280

it's party time

1178

00:43:32,550 --> 00:43:29,200

tell her words

1179

00:43:34,390 --> 00:43:32,560

take her breath away

1180

00:43:35,829 --> 00:43:34,400

tell her that love is born out of

1181

00:43:37,990 --> 00:43:35,839

choosing god

1182

00:43:39,270 --> 00:43:38,000

not choosing wicca which is like

1183

00:43:43,190 --> 00:43:39,280

witchcraft

1184

00:43:45,589 --> 00:43:43,200

yeah is love not more daddy issues pick

1185

00:43:48,950 --> 00:43:45,599

a spiritual daddy it is boy's father it

1186

00:43:49,990 --> 00:43:48,960

is god choose him not a brother hood of

1187

00:43:53,990 --> 00:43:50,000

robbers

1188

00:43:55,510 --> 00:43:54,000

because you need me god says

1189

00:43:57,349 --> 00:43:55,520

and i'm like

1190

00:43:58,950 --> 00:43:57,359

oh my gosh first of all i'm like my

1191

00:44:01,510 --> 00:43:58,960

heart is pounding like i'm not gonna

1192

00:44:03,829 --> 00:44:01,520

have to tell this to somebody am i

1193

00:44:05,829 --> 00:44:03,839

i'm like freaking out about that

1194

00:44:08,390 --> 00:44:05,839

secondly i'm looking around going who is

1195

00:44:10,550 --> 00:44:08,400

he even talking about

1196

00:44:11,510 --> 00:44:10,560

and so i'm looking around and all of a

1197

00:44:12,870 --> 00:44:11,520

sudden

1198

00:44:15,270 --> 00:44:12,880

way back

1199

00:44:17,270 --> 00:44:15,280

kind of around the corner i see like

1200

00:44:18,710 --> 00:44:17,280

this group of 20 something standing

1201

00:44:20,870 --> 00:44:18,720

there and this one girl kind of has like

1202

00:44:23,030 --> 00:44:20,880

a black kind of i don't know like

1203

00:44:24,150 --> 00:44:23,040

longish codon and i'm like oh that must

1204

00:44:27,270 --> 00:44:24,160

be the witch

1205

00:44:29,510 --> 00:44:27,280

gothic yeah so i i'm like am i gonna

1206

00:44:31,829 --> 00:44:29,520

have to go over there i'm wrestling with

1207

00:44:35,190 --> 00:44:31,839

this all of a sudden they come and they

1208

00:44:37,030 --> 00:44:35,200

turn and they come in front of our bench

1209

00:44:38,790 --> 00:44:37,040

and i knew it was like now or never i

1210

00:44:40,710 --> 00:44:38,800

gotta just jump up

1211

00:44:43,430 --> 00:44:40,720

and i'm like

1212

00:44:45,990 --> 00:44:43,440

excuse me are you very um

1213

00:44:48,309 --> 00:44:46,000

spiritually inclined

1214

00:44:50,390 --> 00:44:48,319

and she's like yeah i guess

1215

00:44:51,510 --> 00:44:50,400

and uh i'm like okay

1216

00:44:53,109 --> 00:44:51,520

um

1217

00:44:54,710 --> 00:44:53,119

you know i explained to her about josiah

1218

00:44:56,950 --> 00:44:54,720

i think i might have a word for you can

1219

00:44:59,349 --> 00:44:56,960

i just read it to you and at that time

1220

00:45:01,349 --> 00:44:59,359

there were no spaces or punctuations a

1221

00:45:02,550 --> 00:45:01,359

punctuation in what he wrote so i'm like

1222

00:45:05,109 --> 00:45:02,560

literally

1223

00:45:07,670 --> 00:45:05,119

reading it not lifting up my eyes from

1224

00:45:09,750 --> 00:45:07,680

the ipad where it has all of these words

1225

00:45:12,390 --> 00:45:09,760

just running together and i read it and

1226

00:45:14,710 --> 00:45:12,400

i look up and i say is does that make

1227

00:45:18,470 --> 00:45:14,720

any sense to you and she goes

1228

00:45:20,870 --> 00:45:18,480

no not really and i my heart just sunk i

1229

00:45:21,910 --> 00:45:20,880

thought oh my goodness we totally missed

1230

00:45:24,630 --> 00:45:21,920

the boat

1231

00:45:26,790 --> 00:45:24,640

the girl next to her in a sunny bright

1232

00:45:28,950 --> 00:45:26,800

yellow tank top

1233

00:45:32,069 --> 00:45:28,960

beautiful bob hair

1234

00:45:35,910 --> 00:45:32,079

uh beautiful blonde hair she goes that's

1235

00:45:38,870 --> 00:45:35,920

not her she takes her tank top shows me

1236

00:45:41,829 --> 00:45:38,880

a five-point pentagram tattoo on her

1237

00:45:42,950 --> 00:45:41,839

chest she says that's me

1238

00:45:54,710 --> 00:45:42,960

i

1239

00:45:57,030 --> 00:45:54,720

whoa okay sorry the cape threw me off

1240

00:46:00,309 --> 00:45:57,040

okay never mind you

1241

00:46:01,829 --> 00:46:00,319

are you like what is this like honestly

1242

00:46:04,710 --> 00:46:01,839

how could this happen

1243

00:46:05,510 --> 00:46:04,720

that in the biggest mall of america

1244

00:46:11,990 --> 00:46:05,520

that

1245

00:46:14,950 --> 00:46:12,000

god god the god of the universe the god

1246

00:46:16,230 --> 00:46:14,960

of the bible chose to intersect with

1247

00:46:18,630 --> 00:46:16,240

your life

1248

00:46:19,829 --> 00:46:18,640

to get you a message

1249

00:46:22,309 --> 00:46:19,839

i mean

1250

00:46:25,030 --> 00:46:22,319

that's pretty free wow what did she was

1251
00:46:26,870 --> 00:46:25,040
she blown away did she take it to heart

1252
00:46:28,790 --> 00:46:26,880
she goes well i haven't even been to

1253
00:46:31,430 --> 00:46:28,800
church since i was in ninth grade i was

1254
00:46:34,630 --> 00:46:31,440
a lutheran

1255
00:46:36,470 --> 00:46:34,640
and i'm like okay well i i said hey you

1256
00:46:38,630 --> 00:46:36,480
know and i just like loved on those guys

1257
00:46:40,309 --> 00:46:38,640
like her you know her her friends are

1258
00:46:44,309 --> 00:46:40,319
like i think it means that you need to

1259
00:46:47,190 --> 00:46:45,670
and

1260
00:46:48,630 --> 00:46:47,200
it was just funny i'm like giving them

1261
00:46:49,670 --> 00:46:48,640
hugs i think they thought i was totally

1262
00:46:51,670 --> 00:46:49,680
crazy

1263
00:46:53,109 --> 00:46:51,680

but i said hey i'll send this to you if

1264

00:46:54,390 --> 00:46:53,119

you give me your email address i'll send

1265

00:46:57,190 --> 00:46:54,400

this to you

1266

00:46:59,270 --> 00:46:57,200

and um you know i just blessed them and

1267

00:47:01,109 --> 00:46:59,280

you know we talked a little bit i never

1268

00:47:02,950 --> 00:47:01,119

heard back from her again maybe she gave

1269

00:47:06,069 --> 00:47:02,960

me the wrong email address i have no

1270

00:47:08,829 --> 00:47:06,079

idea but what that did for me

1271

00:47:10,950 --> 00:47:08,839

was it said this you know what

1272

00:47:12,069 --> 00:47:10,960

god loves

1273

00:47:14,390 --> 00:47:12,079

people

1274

00:47:16,069 --> 00:47:14,400

that don't even love him back that

1275

00:47:18,470 --> 00:47:16,079

aren't pursuing him

1276

00:47:21,349 --> 00:47:18,480

that are even opposed to him

1277

00:47:22,950 --> 00:47:21,359

and the love that i had for people all

1278

00:47:25,109 --> 00:47:22,960

people

1279

00:47:27,270 --> 00:47:25,119

just grew so much that day because i

1280

00:47:28,390 --> 00:47:27,280

thought god will literally move heaven

1281

00:47:30,550 --> 00:47:28,400

and earth

1282

00:47:32,630 --> 00:47:30,560

to get to somebody

1283

00:47:37,270 --> 00:47:32,640

and it was just such a

1284

00:47:40,069 --> 00:47:37,280

an awesome awe-inspiring experience

1285

00:47:41,030 --> 00:47:40,079

like that wow that's wild

1286

00:47:43,990 --> 00:47:41,040

ah

1287

00:47:45,510 --> 00:47:44,000

so what do you feel i mean when you get

1288

00:47:47,030 --> 00:47:45,520

these kinds of hints like that what do

1289

00:47:48,470 --> 00:47:47,040

you feel is

1290

00:47:50,309 --> 00:47:48,480

you know the

1291

00:47:52,710 --> 00:47:50,319

the point what is the main point of it

1292

00:47:55,990 --> 00:47:52,720

all to get people back to church to

1293

00:48:01,030 --> 00:47:58,470

well you know here's the deal

1294

00:48:06,069 --> 00:48:03,829

i really think that

1295

00:48:09,430 --> 00:48:06,079

all of this is happening like literally

1296

00:48:10,710 --> 00:48:09,440

in the most mundane and even chaotic

1297

00:48:12,470 --> 00:48:10,720

life

1298

00:48:13,750 --> 00:48:12,480

you know josiah still has the symptoms

1299

00:48:15,430 --> 00:48:13,760

of autism

1300

00:48:17,349 --> 00:48:15,440

he still very much

1301
00:48:19,670 --> 00:48:17,359
has behaviors and all these things it's

1302
00:48:22,150 --> 00:48:19,680
not like he's like this zen kid who's

1303
00:48:23,990 --> 00:48:22,160
just like oh i'm so con contemplative

1304
00:48:25,349 --> 00:48:24,000
and i'm just coming out with this stuff

1305
00:48:27,030 --> 00:48:25,359
it's just like in the middle of the most

1306
00:48:31,109 --> 00:48:27,040
mundane

1307
00:48:34,150 --> 00:48:31,119
and even chaotic just everyday life

1308
00:48:36,390 --> 00:48:34,160
and yet what i'm seeing is

1309
00:48:38,630 --> 00:48:36,400
i think god's going like

1310
00:48:40,790 --> 00:48:38,640
if you choose me

1311
00:48:43,670 --> 00:48:40,800
to intersect

1312
00:48:46,470 --> 00:48:43,680
within your everyday life

1313
00:48:49,109 --> 00:48:46,480

on even the littlest things

1314

00:48:51,510 --> 00:48:49,119

you will start seeing me

1315

00:48:52,630 --> 00:48:51,520

like everywhere

1316

00:48:58,230 --> 00:48:52,640

and

1317

00:49:01,990 --> 00:48:58,240

seeing me even like my

1318

00:49:02,870 --> 00:49:02,000

my eyes open to even what nature you

1319

00:49:05,190 --> 00:49:02,880

know

1320

00:49:07,190 --> 00:49:05,200

fills me up with gratitude about or

1321

00:49:09,270 --> 00:49:07,200

seeing different signs out there that go

1322

00:49:10,950 --> 00:49:09,280

that was a wink from god like i'm

1323

00:49:12,390 --> 00:49:10,960

recognizing that i'm not going to reason

1324

00:49:13,750 --> 00:49:12,400

it away anymore

1325

00:49:18,069 --> 00:49:13,760

because

1326

00:49:21,190 --> 00:49:18,079

this is so real if it is not real

1327

00:49:22,230 --> 00:49:21,200

i'm either a crazy person

1328

00:49:25,910 --> 00:49:22,240

um

1329

00:49:27,910 --> 00:49:25,920

or like some you know really bizarre uh

1330

00:49:30,790 --> 00:49:27,920

you know this is a really bizarre scheme

1331

00:49:34,309 --> 00:49:30,800

or something but i know this is real

1332

00:49:35,670 --> 00:49:34,319

this is happening and to me it says god

1333

00:49:38,150 --> 00:49:35,680

is there

1334

00:49:39,990 --> 00:49:38,160

he cares about people and this is the

1335

00:49:42,309 --> 00:49:40,000

other piece is that

1336

00:49:44,950 --> 00:49:42,319

whereas heaven is often talked about is

1337

00:49:47,589 --> 00:49:44,960

like this crossing over place this very

1338

00:49:48,790 --> 00:49:47,599

far chasm away from us and our loved

1339

00:49:50,710 --> 00:49:48,800

ones are up there and i don't know

1340

00:49:52,870 --> 00:49:50,720

dancing on a cloud somewhere

1341

00:49:54,790 --> 00:49:52,880

actually until the redemptive plan of

1342

00:49:57,589 --> 00:49:54,800

jesus christ is carried out in this

1343

00:50:00,390 --> 00:49:57,599

earth all of heaven is actually turned

1344

00:50:02,390 --> 00:50:00,400

toward and oriented toward what we are

1345

00:50:04,790 --> 00:50:02,400

doing here on earth

1346

00:50:05,910 --> 00:50:04,800

they care about what we are doing right

1347

00:50:08,150 --> 00:50:05,920

now

1348

00:50:10,230 --> 00:50:08,160

they can often see us

1349

00:50:11,190 --> 00:50:10,240

they they even

1350

00:50:13,750 --> 00:50:11,200

like

1351
00:50:14,710 --> 00:50:13,760
declare things over our lives so that we

1352
00:50:17,670 --> 00:50:14,720
might

1353
00:50:19,190 --> 00:50:17,680
come into our design in our destiny you

1354
00:50:22,150 --> 00:50:19,200
know um

1355
00:50:24,630 --> 00:50:22,160
it's a beautiful thing because heaven

1356
00:50:27,430 --> 00:50:24,640
is far more interactive in our world i

1357
00:50:28,230 --> 00:50:27,440
think than we give it credit for and i

1358
00:50:30,309 --> 00:50:28,240
think

1359
00:50:32,230 --> 00:50:30,319
you know aside from obviously the the

1360
00:50:33,990 --> 00:50:32,240
piece with the book that i want to bring

1361
00:50:36,390 --> 00:50:34,000
hope to people who have

1362
00:50:37,910 --> 00:50:36,400
um difficult situations where they've

1363
00:50:40,710 --> 00:50:37,920

been having faith and they wonder if

1364

00:50:42,309 --> 00:50:40,720

god's even there if he even sees

1365

00:50:44,150 --> 00:50:42,319

um you know

1366

00:50:46,309 --> 00:50:44,160

maybe they have a kid with autism maybe

1367

00:50:47,270 --> 00:50:46,319

they have a sickness that that just has

1368

00:50:49,990 --> 00:50:47,280

lingered

1369

00:50:53,589 --> 00:50:50,000

maybe they know this this journey

1370

00:50:55,270 --> 00:50:53,599

of faith and fear and doubt well tommy

1371

00:50:57,430 --> 00:50:55,280

tony we're coming up right to our top of

1372

00:50:59,270 --> 00:50:57,440

the hour break but uh

1373

00:51:00,970 --> 00:50:59,280

it's fascinating stuff we'll be right

1374

00:51:02,710 --> 00:51:00,980

back we'll be right back

1375

00:51:04,630 --> 00:51:02,720

[Music]

1376

00:51:06,309 --> 00:51:04,640

well it's great being back on with tommy

1377

00:51:08,309 --> 00:51:06,319

and heidi and we were talking on the

1378

00:51:10,549 --> 00:51:08,319

break about you you talked with

1379

00:51:12,630 --> 00:51:10,559

linguists about uh the language that

1380

00:51:14,710 --> 00:51:12,640

some of these messages have come in and

1381

00:51:16,630 --> 00:51:14,720

and what were they saying it's something

1382

00:51:18,950 --> 00:51:16,640

unknown to them or

1383

00:51:21,270 --> 00:51:18,960

yeah well i i spoke to one lady who

1384

00:51:22,470 --> 00:51:21,280

she's she's a linguist by perfect uh

1385

00:51:25,430 --> 00:51:22,480

profession

1386

00:51:27,750 --> 00:51:25,440

and she said i've studied thousands of

1387

00:51:30,309 --> 00:51:27,760

languages she actually was a bible

1388

00:51:31,670 --> 00:51:30,319

translator but also has studied many

1389

00:51:34,870 --> 00:51:31,680

languages

1390

00:51:37,750 --> 00:51:34,880

and she says um i

1391

00:51:41,190 --> 00:51:37,760

i can't like this doesn't have

1392

00:51:44,549 --> 00:51:41,200

a meter or a type that is

1393

00:51:46,309 --> 00:51:44,559

that i can put in a particular like

1394

00:51:49,829 --> 00:51:46,319

language or culture

1395

00:51:52,390 --> 00:51:49,839

uh pocket it's just like different but

1396

00:51:56,069 --> 00:51:52,400

again it rings true

1397

00:51:58,230 --> 00:51:56,079

it's like it lacks um his writings black

1398

00:52:00,230 --> 00:51:58,240

cliche

1399

00:52:01,750 --> 00:52:00,240

you know for me if i'm writing poetry or

1400

00:52:04,870 --> 00:52:01,760

something like that i don't care as hard

1401

00:52:06,150 --> 00:52:04,880

as i try if you say it's raining i'm

1402

00:52:07,750 --> 00:52:06,160

going to be like cats and dogs cats and

1403

00:52:10,870 --> 00:52:07,760

dogs cats and dogs like

1404

00:52:12,790 --> 00:52:10,880

it's raining cats and dogs you know yeah

1405

00:52:15,190 --> 00:52:12,800

he just has a way like just just

1406

00:52:17,910 --> 00:52:15,200

yesterday i posted this on facebook he

1407

00:52:18,950 --> 00:52:17,920

he wrote you know daily rays of golden

1408

00:52:21,190 --> 00:52:18,960

sun

1409

00:52:24,390 --> 00:52:21,200

find us first

1410

00:52:26,069 --> 00:52:24,400

and we hold our life in light and face

1411

00:52:29,109 --> 00:52:26,079

the gift of wonder

1412

00:52:32,390 --> 00:52:29,119

if god is the father of lights we can

1413

00:52:33,750 --> 00:52:32,400

see his faithfulness in the sun and moon

1414

00:52:36,549 --> 00:52:33,760

and stars

1415

00:52:40,870 --> 00:52:36,559

we can bank on this permanence

1416

00:52:43,349 --> 00:52:40,880

if we need a fact to look on with faith

1417

00:52:45,270 --> 00:52:43,359

holy smokes

1418

00:52:47,910 --> 00:52:45,280

i mean that's the kind of stuff that he

1419

00:52:50,390 --> 00:52:47,920

comes out with he's 10 years old now you

1420

00:52:52,390 --> 00:52:50,400

say he's 11. he's 11.

1421

00:52:54,069 --> 00:52:52,400

holy smokes

1422

00:52:55,829 --> 00:52:54,079

unbelievable and so you know it's just

1423

00:52:58,069 --> 00:52:55,839

it's just one thing after the other like

1424

00:52:59,109 --> 00:52:58,079

that just the way that he languages

1425

00:53:02,470 --> 00:52:59,119

things

1426

00:53:06,549 --> 00:53:02,480

is kind of it's unlike

1427

00:53:08,950 --> 00:53:06,559

it's just not schooled you know it's not

1428

00:53:11,030 --> 00:53:08,960

it's not what somebody has taught him

1429

00:53:12,829 --> 00:53:11,040

you know how to write one day he said

1430

00:53:16,390 --> 00:53:12,839

mom i want to write i want to write a

1431

00:53:17,589 --> 00:53:16,400

book um like a kid's book

1432

00:53:20,069 --> 00:53:17,599

and i was like

1433

00:53:22,150 --> 00:53:20,079

okay um

1434

00:53:23,510 --> 00:53:22,160

okay i guess we could do that like what

1435

00:53:24,630 --> 00:53:23,520

he's like it's called little prince of

1436

00:53:26,470 --> 00:53:24,640

my heart

1437

00:53:28,710 --> 00:53:26,480

and i'm like okay and so

1438

00:53:31,030 --> 00:53:28,720

the time goes on and then he's like i'm

1439

00:53:33,270 --> 00:53:31,040

ready to write my book now i'm like how

1440

00:53:35,670 --> 00:53:33,280

does one do this like you want to do an

1441

00:53:39,030 --> 00:53:35,680

outline or what he's like no outline and

1442

00:53:40,470 --> 00:53:39,040

he goes on for like the next two hours

1443

00:53:42,069 --> 00:53:40,480

you know and i'm having to like i mean

1444

00:53:43,750 --> 00:53:42,079

it's not like he sits down like oh i'm

1445

00:53:45,589 --> 00:53:43,760

typing like a regular like i have to sit

1446

00:53:47,109 --> 00:53:45,599

beside him i have to get him you know i

1447

00:53:48,630 --> 00:53:47,119

gotta put the ipad up for him you know

1448

00:53:50,710 --> 00:53:48,640

all this stuff so

1449

00:53:53,190 --> 00:53:50,720

one little letter at a time with his

1450

00:53:57,190 --> 00:53:53,200

pointer finger he writes this beautiful

1451
00:54:00,230 --> 00:53:57,200
like and it's almost like an allegory

1452
00:54:02,069 --> 00:54:00,240
about a kid in a tin suit

1453
00:54:04,870 --> 00:54:02,079
who breaks out

1454
00:54:05,750 --> 00:54:04,880
and it was a beautiful story and i

1455
00:54:09,430 --> 00:54:05,760
thought

1456
00:54:10,950 --> 00:54:09,440
i don't get it but it's amazing how this

1457
00:54:12,870 --> 00:54:10,960
is happening and how these things come

1458
00:54:17,589 --> 00:54:12,880
to you it's almost like his first

1459
00:54:21,109 --> 00:54:17,599
language is like a poetic expression

1460
00:54:23,750 --> 00:54:21,119
how did you get this pulled together to

1461
00:54:25,829 --> 00:54:23,760
reach the world i mean like you said

1462
00:54:27,990 --> 00:54:25,839
it's like once you're you you're sitting

1463
00:54:30,630 --> 00:54:28,000

there alone getting this these messages

1464

00:54:33,430 --> 00:54:30,640

but you know then to put it into a book

1465

00:54:36,230 --> 00:54:33,440

i mean that's that's a big feat

1466

00:54:38,630 --> 00:54:36,240

i never i never thought i would um it

1467

00:54:41,030 --> 00:54:38,640

actually like honestly god opened up the

1468

00:54:43,430 --> 00:54:41,040

doors i i just had nothing

1469

00:54:45,829 --> 00:54:43,440

i had no intent to

1470

00:54:47,829 --> 00:54:45,839

force anything or do anything like that

1471

00:54:49,510 --> 00:54:47,839

um i actually just started kind of

1472

00:54:51,430 --> 00:54:49,520

sharing my story

1473

00:54:53,430 --> 00:54:51,440

and we had done like the facebook page

1474

00:54:55,910 --> 00:54:53,440

because josiah said josiah wrote to me

1475

00:54:57,349 --> 00:54:55,920

one day i tell you all these you know

1476

00:54:59,750 --> 00:54:57,359

things but you never put them on

1477

00:55:01,670 --> 00:54:59,760

facebook this was years ago before we

1478

00:55:04,470 --> 00:55:01,680

did the book and i'm like how do you

1479

00:55:06,549 --> 00:55:04,480

even know what facebook is yeah that's a

1480

00:55:09,270 --> 00:55:06,559

good question i know

1481

00:55:11,670 --> 00:55:09,280

and so i was like okay well i'll do a

1482

00:55:13,910 --> 00:55:11,680

facebook page and well you know maybe my

1483

00:55:15,270 --> 00:55:13,920

mom will look at it and a few of my

1484

00:55:17,990 --> 00:55:15,280

friends you know

1485

00:55:20,630 --> 00:55:18,000

well today we have like almost 17 000

1486

00:55:22,230 --> 00:55:20,640

people from all over the world on the

1487

00:55:23,190 --> 00:55:22,240

facebook page

1488

00:55:25,829 --> 00:55:23,200

um

1489

00:55:27,750 --> 00:55:25,839

but it was we started sharing i started

1490

00:55:30,309 --> 00:55:27,760

sharing the story

1491

00:55:32,150 --> 00:55:30,319

and there was a lady who

1492

00:55:33,430 --> 00:55:32,160

uh cheryl ricker who co-authored the

1493

00:55:34,790 --> 00:55:33,440

book with me

1494

00:55:37,190 --> 00:55:34,800

she happened to be

1495

00:55:39,190 --> 00:55:37,200

um at this event that i was sharing our

1496

00:55:41,030 --> 00:55:39,200

story at and she comes up to me and

1497

00:55:42,950 --> 00:55:41,040

she's like have you ever thought of

1498

00:55:44,870 --> 00:55:42,960

co-authoring a book

1499

00:55:47,589 --> 00:55:44,880

she said i'm a writer i actually write

1500

00:55:49,670 --> 00:55:47,599

people's miracle stories

1501
00:55:51,829 --> 00:55:49,680
and god told me she had never come to

1502
00:55:54,470 --> 00:55:51,839
this she said god said you will find

1503
00:55:57,349 --> 00:55:54,480
your next project here

1504
00:55:59,030 --> 00:55:57,359
and uh i said well you did not like i

1505
00:56:01,910 --> 00:55:59,040
literally skinned this skimmed the

1506
00:56:04,230 --> 00:56:01,920
surface and uh we're this is gonna take

1507
00:56:07,510 --> 00:56:04,240
a while so i went to her house

1508
00:56:09,910 --> 00:56:07,520
in rochester minnesota and spent the

1509
00:56:11,750 --> 00:56:09,920
weekend with her and anyway we decided

1510
00:56:15,270 --> 00:56:11,760
to write this book together and the

1511
00:56:16,950 --> 00:56:15,280
collaborative was really um probably

1512
00:56:19,750 --> 00:56:16,960
the only reason it got written because

1513
00:56:21,589 --> 00:56:19,760

it's very hard to write a book

1514

00:56:23,910 --> 00:56:21,599

oh that's terrible you know you really

1515

00:56:25,270 --> 00:56:23,920

want to quit about a million times uh

1516

00:56:26,789 --> 00:56:25,280

and you just are kind of like why am i

1517

00:56:29,030 --> 00:56:26,799

even doing this

1518

00:56:31,270 --> 00:56:29,040

and

1519

00:56:33,190 --> 00:56:31,280

this uh tommy tiny where's the best

1520

00:56:36,470 --> 00:56:33,200

place to get it is it uh i guess i'm

1521

00:56:40,390 --> 00:56:36,480

sure it's at amazon and yeah amazon.com

1522

00:56:41,270 --> 00:56:40,400

amazon.com um it's in barnes and nobles

1523

00:56:43,910 --> 00:56:41,280

um

1524

00:56:46,630 --> 00:56:43,920

and uh you know christianbook.com you

1525

00:56:48,549 --> 00:56:46,640

can also go to josiahsfire.com

1526

00:56:50,630 --> 00:56:48,559

and we also have a second book that just

1527

00:56:53,030 --> 00:56:50,640

got released uh just a couple months ago

1528

00:56:57,670 --> 00:56:53,040

and it's uh it's called the good gift

1529

00:56:59,510 --> 00:56:57,680

giver um and it's a 21 day devotional

1530

00:57:01,750 --> 00:56:59,520

oh that's that's very good that's great

1531

00:57:05,430 --> 00:57:01,760

yeah we saw a word off of josiah's

1532

00:57:07,270 --> 00:57:05,440

quotes write little daily devotionals um

1533

00:57:08,870 --> 00:57:07,280

about the reflection that we had from

1534

00:57:14,069 --> 00:57:08,880

them and then add scripture and

1535

00:57:19,030 --> 00:57:15,750

have you ever spoke with michael brown

1536

00:57:20,630 --> 00:57:19,040

the spirit daily.com uh editor

1537

00:57:23,589 --> 00:57:20,640

because he that's where i saw your

1538

00:57:25,349 --> 00:57:23,599

information no actually i

1539

00:57:28,549 --> 00:57:25,359

i didn't even know that he did an

1540

00:57:30,150 --> 00:57:28,559

article on us until you contacted us so

1541

00:57:32,789 --> 00:57:30,160

he didn't well no it's highlighted on

1542

00:57:35,109 --> 00:57:32,799

that it's highlighted on there a lot and

1543

00:57:37,670 --> 00:57:35,119

of course now heidi's uh

1544

00:57:39,510 --> 00:57:37,680

a protestant but

1545

00:57:40,710 --> 00:57:39,520

i'm a catholic but obviously this goes

1546

00:57:43,910 --> 00:57:40,720

uh

1547

00:57:45,589 --> 00:57:43,920

you'd be surprised how many catholics

1548

00:57:47,270 --> 00:57:45,599

really have embraced this book because

1549

00:57:49,589 --> 00:57:47,280

you know what talks about oh i know well

1550

00:57:52,950 --> 00:57:49,599

see spirit daily.com is a catholic

1551

00:57:55,430 --> 00:57:52,960

website of course i mean and it's uh

1552

00:57:58,309 --> 00:57:55,440

it's tremendous and uh i see it on there

1553

00:57:59,990 --> 00:57:58,319

all the time he's highlighting the book

1554

00:58:01,829 --> 00:58:00,000

well yeah i've really i've actually been

1555

00:58:03,750 --> 00:58:01,839

surprised how well it has been embraced

1556

00:58:05,829 --> 00:58:03,760

certainly there are people that have um

1557

00:58:08,150 --> 00:58:05,839

theological issues with it

1558

00:58:10,390 --> 00:58:08,160

um you know i'm a person that uh i was

1559

00:58:12,950 --> 00:58:10,400

going to ask about that because i i've

1560

00:58:14,950 --> 00:58:12,960

run into that wall before it's like yeah

1561

00:58:16,309 --> 00:58:14,960

oh really this is christian i'm talking

1562

00:58:18,069 --> 00:58:16,319

from a christian perspective they're

1563

00:58:20,390 --> 00:58:18,079

like you know all you need is the bible

1564

00:58:22,390 --> 00:58:20,400

it's like i understand that but god

1565

00:58:24,069 --> 00:58:22,400

still speaks to us today

1566

00:58:25,990 --> 00:58:24,079

yeah you know that's yeah that's right i

1567

00:58:29,589 --> 00:58:26,000

guess that's been the biggest thing is

1568

00:58:31,829 --> 00:58:29,599

like you know i i in in no way you know

1569

00:58:34,710 --> 00:58:31,839

i'm i'm a student i'm a student of the

1570

00:58:36,789 --> 00:58:34,720

word of god i i was a ministry director

1571

00:58:39,589 --> 00:58:36,799

a pastor

1572

00:58:43,589 --> 00:58:39,599

at a church you know i'm a very sound

1573

00:58:46,309 --> 00:58:43,599

person in my theology and so um you know

1574

00:58:48,789 --> 00:58:46,319

bringing some of this stuff forward even

1575

00:58:50,870 --> 00:58:48,799

challenged some of my own thoughts

1576

00:58:51,750 --> 00:58:50,880

and my own notions

1577

00:58:55,270 --> 00:58:51,760

um

1578

00:58:57,670 --> 00:58:55,280

but i really had to test it and you know

1579

00:58:59,349 --> 00:58:57,680

um just bring forth what i did and

1580

00:59:01,270 --> 00:58:59,359

actually i've been very

1581

00:59:03,589 --> 00:59:01,280

pleasantly surprised

1582

00:59:07,270 --> 00:59:03,599

across many denominations and actually

1583

00:59:10,230 --> 00:59:07,280

those that are um even not churched and

1584

00:59:12,309 --> 00:59:10,240

even you know some people in even like

1585

00:59:16,789 --> 00:59:12,319

new age circles are kind of looking at

1586

00:59:18,549 --> 00:59:16,799

this going okay i recognize some of this

1587

00:59:20,230 --> 00:59:18,559

they are kind of like coming at it from

1588

00:59:22,309 --> 00:59:20,240

a different angle but like i'm seeing

1589

00:59:23,510 --> 00:59:22,319

something here and it it's ringing true

1590

00:59:24,630 --> 00:59:23,520

to me

1591

00:59:26,950 --> 00:59:24,640

that's cool

1592

00:59:28,870 --> 00:59:26,960

and so it's been very interesting i'm

1593

00:59:31,270 --> 00:59:28,880

surprised how many people have actually

1594

00:59:33,349 --> 00:59:31,280

embraced it and certainly there is a

1595

00:59:35,430 --> 00:59:33,359

sector of people who say

1596

00:59:38,069 --> 00:59:35,440

it really is that idea that god doesn't

1597

00:59:40,789 --> 00:59:38,079

speak anymore he's done revealing things

1598

00:59:42,390 --> 00:59:40,799

and yeah if you want to get information

1599

00:59:43,910 --> 00:59:42,400

about god or heaven it's all in the

1600

00:59:46,549 --> 00:59:43,920

bible and you don't need anything else

1601
00:59:47,750 --> 00:59:46,559
and basically that idea that like this

1602
00:59:49,670 --> 00:59:47,760
must be

1603
00:59:53,270 --> 00:59:49,680
inspired

1604
00:59:56,470 --> 00:59:53,280
falsely yeah yeah that's the challenge

1605
00:59:57,430 --> 00:59:56,480
and that's fine you know what i i want

1606
00:59:59,510 --> 00:59:57,440
people

1607
01:00:01,349 --> 00:59:59,520
to wrestle with it and i want them to

1608
01:00:03,349 --> 01:00:01,359
study it out themselves

1609
01:00:04,150 --> 01:00:03,359
and i want them to discern

1610
01:00:06,950 --> 01:00:04,160
so

1611
01:00:09,190 --> 01:00:06,960
that's totally fine and they don't i

1612
01:00:12,789 --> 01:00:09,200
don't have to convince them question for

1613
01:00:14,710 --> 01:00:12,799

you does josiah does he describe feeling

1614

01:00:17,990 --> 01:00:14,720

as if he is

1615

01:00:20,150 --> 01:00:18,000

going to heaven at certain times i mean

1616

01:00:21,670 --> 01:00:20,160

what is he just seeing visions what is

1617

01:00:23,270 --> 01:00:21,680

it what is he how is he describing yeah

1618

01:00:25,589 --> 01:00:23,280

there's absolutely there's actually a

1619

01:00:27,030 --> 01:00:25,599

chapter in the book that we we addressed

1620

01:00:29,109 --> 01:00:27,040

that um

1621

01:00:31,589 --> 01:00:29,119

specifically because i actually asked

1622

01:00:34,230 --> 01:00:31,599

him kind of point blank

1623

01:00:36,950 --> 01:00:34,240

as he matured his writing even was able

1624

01:00:39,990 --> 01:00:36,960

to mature i think for a while he wasn't

1625

01:00:42,069 --> 01:00:40,000

he wasn't really able to

1626
01:00:43,349 --> 01:00:42,079
explain like he's explaining things but

1627
01:00:44,950 --> 01:00:43,359
i'm trying to figure out what he's

1628
01:00:47,829 --> 01:00:44,960
saying

1629
01:00:49,910 --> 01:00:47,839
and then it got more and more where it's

1630
01:00:51,190 --> 01:00:49,920
almost like he was understanding more

1631
01:00:54,390 --> 01:00:51,200
what he was seeing

1632
01:00:58,710 --> 01:00:54,400
and able to put context to it

1633
01:01:02,470 --> 01:01:01,349
he still doesn't speak with his mouth

1634
01:01:03,510 --> 01:01:02,480
oh okay

1635
01:01:06,470 --> 01:01:03,520
um

1636
01:01:08,390 --> 01:01:06,480
but uh yeah he basically explained to me

1637
01:01:11,670 --> 01:01:08,400
that you know

1638
01:01:13,109 --> 01:01:11,680

various things one is that at night when

1639

01:01:15,829 --> 01:01:13,119

he falls asleep

1640

01:01:18,230 --> 01:01:15,839

that it's like he's taking up it to help

1641

01:01:20,870 --> 01:01:18,240

like an angel comes and like takes him

1642

01:01:22,870 --> 01:01:20,880

into a heavenly space

1643

01:01:25,750 --> 01:01:22,880

where it's like it's like he's in his

1644

01:01:28,630 --> 01:01:25,760

mind and his spirit

1645

01:01:30,789 --> 01:01:28,640

and he might learn things he might see

1646

01:01:32,789 --> 01:01:30,799

people he might experience certain

1647

01:01:35,510 --> 01:01:32,799

things that god leads them to or

1648

01:01:37,270 --> 01:01:35,520

different people you know um he talked

1649

01:01:39,670 --> 01:01:37,280

about a time like

1650

01:01:40,630 --> 01:01:39,680

basically like there are certain things

1651

01:01:41,589 --> 01:01:40,640

that

1652

01:01:43,589 --> 01:01:41,599

you know

1653

01:01:44,950 --> 01:01:43,599

in heaven god allows you to like see

1654

01:01:49,430 --> 01:01:44,960

sound

1655

01:01:52,549 --> 01:01:49,440

so like there's like these crossing over

1656

01:01:54,309 --> 01:01:52,559

of senses that he brings forward

1657

01:01:56,630 --> 01:01:54,319

um

1658

01:01:59,910 --> 01:01:56,640

hearing things seeing things that are

1659

01:02:01,589 --> 01:01:59,920

like amplified many many times and

1660

01:02:03,670 --> 01:02:01,599

and so like there's really some cool

1661

01:02:05,190 --> 01:02:03,680

stuff that he'll talk about you know

1662

01:02:07,349 --> 01:02:05,200

that is really

1663

01:02:09,750 --> 01:02:07,359

wild um

1664

01:02:12,470 --> 01:02:09,760

but uh yeah and then he also says that

1665

01:02:13,589 --> 01:02:12,480

he will at times like hear

1666

01:02:15,190 --> 01:02:13,599

like

1667

01:02:16,870 --> 01:02:15,200

lowe's has you covered for all those

1668

01:02:19,030 --> 01:02:16,880

projects on your summer to do list and

1669

01:02:20,870 --> 01:02:19,040

will even help you save give your home a

1670

01:02:23,030 --> 01:02:20,880

whole new look inside and out with 10 to

1671

01:02:25,109 --> 01:02:23,040

40 dollars off paint exterior stains and

1672

01:02:26,630 --> 01:02:25,119

resurfacers via rebate and add a pop of

1673

01:02:28,710 --> 01:02:26,640

color to your porch or patio with

1674

01:02:30,309 --> 01:02:28,720

flowers get your choice two for ten

1675

01:02:32,309 --> 01:02:30,319

dollar basic one and a half gallon

1676

01:02:34,390 --> 01:02:32,319

hanging baskets all projects have a

1677

01:02:35,829 --> 01:02:34,400

starting point start with lows paint

1678

01:02:37,589 --> 01:02:35,839

offer valid six twenty one three seven

1679

01:02:38,710 --> 01:02:37,599

five exclusions apply plant offer valid

1680

01:02:40,230 --> 01:02:38,720

six twenty eight through seven five

1681

01:02:43,349 --> 01:02:40,240

color and selection vary by location

1682

01:02:46,870 --> 01:02:43,359

while supplies last us only

1683

01:02:47,670 --> 01:02:46,880

here in his ear say like a an angel

1684

01:02:50,150 --> 01:02:47,680

um

1685

01:02:52,950 --> 01:02:50,160

you know sometimes you know

1686

01:02:54,710 --> 01:02:52,960

sometimes even dark entities can be

1687

01:02:56,069 --> 01:02:54,720

drawn to kids like these

1688

01:02:59,510 --> 01:02:56,079

yes um

1689

01:03:01,990 --> 01:02:59,520

to intimidate them especially

1690

01:03:04,069 --> 01:03:02,000

um so you know we have to we have to

1691

01:03:06,710 --> 01:03:04,079

deal with some of that uh what i would

1692

01:03:10,549 --> 01:03:06,720

call spiritual warfare as well

1693

01:03:12,630 --> 01:03:10,559

and um but he can hear he sometimes can

1694

01:03:15,430 --> 01:03:12,640

see in the spirit

1695

01:03:17,589 --> 01:03:15,440

um a lot of these kids actually will see

1696

01:03:19,990 --> 01:03:17,599

colors on people

1697

01:03:21,910 --> 01:03:20,000

you know uh where they can see even like

1698

01:03:24,470 --> 01:03:21,920

colors around people

1699

01:03:26,630 --> 01:03:24,480

like their aura type thing yeah yeah

1700

01:03:29,270 --> 01:03:26,640

yeah oh yeah and so so there's some of

1701

01:03:31,430 --> 01:03:29,280

that um and but you know sometimes you

1702

01:03:34,150 --> 01:03:31,440

can tell like whether it's

1703

01:03:35,430 --> 01:03:34,160

it's just coming like straight from his

1704

01:03:37,029 --> 01:03:35,440

thoughts and filtering through and

1705

01:03:37,990 --> 01:03:37,039

sometimes it almost seems like he will

1706

01:03:40,549 --> 01:03:38,000

write

1707

01:03:42,390 --> 01:03:40,559

almost like he's dictating

1708

01:03:44,630 --> 01:03:42,400

what's being told to him

1709

01:03:47,430 --> 01:03:44,640

as he's listening i guess yeah

1710

01:03:49,109 --> 01:03:47,440

because it's just a different like

1711

01:03:51,270 --> 01:03:49,119

it's just different than what he usually

1712

01:03:53,190 --> 01:03:51,280

would just write you know you know

1713

01:03:55,589 --> 01:03:53,200

something i have to tell you

1714

01:03:58,150 --> 01:03:55,599

when i first like had like when jesus

1715

01:04:00,309 --> 01:03:58,160

showed up i mean immediately after i had

1716

01:04:03,750 --> 01:04:00,319

my first encounter with him

1717

01:04:05,910 --> 01:04:03,760

a demonic thing came my way and it was

1718

01:04:09,109 --> 01:04:05,920

terrifying and i'm like what on earth

1719

01:04:10,390 --> 01:04:09,119

and and someone told me they said well

1720

01:04:12,230 --> 01:04:10,400

now i know you're telling the truth i'm

1721

01:04:14,950 --> 01:04:12,240

like what do you mean they said well

1722

01:04:17,510 --> 01:04:14,960

that is that's outright you know

1723

01:04:19,190 --> 01:04:17,520

a typical follow-up to a jesus encounter

1724

01:04:21,270 --> 01:04:19,200

yeah i know i don't i don't mean to

1725

01:04:24,950 --> 01:04:21,280

interrupt it's our last point

1726

01:04:29,270 --> 01:04:27,109

well time is going quickly that i guess

1727

01:04:31,349 --> 01:04:29,280

it always does on good shows like this

1728

01:04:32,950 --> 01:04:31,359

because uh snap your fingers and the

1729

01:04:35,349 --> 01:04:32,960

whole time is gone

1730

01:04:36,990 --> 01:04:35,359

but tony this is excellent material and

1731

01:04:39,829 --> 01:04:37,000

i'm glad that i picked it up on

1732

01:04:42,150 --> 01:04:39,839

spiritdaily.com and

1733

01:04:44,630 --> 01:04:42,160

it's it's synchronistic that heidi has

1734

01:04:45,670 --> 01:04:44,640

had some of the same experiences

1735

01:04:48,870 --> 01:04:45,680

yes we

1736

01:04:50,069 --> 01:04:48,880

we have definitely have to get in touch

1737

01:04:51,589 --> 01:04:50,079

yes

1738

01:04:53,990 --> 01:04:51,599

right i mean

1739

01:04:56,789 --> 01:04:54,000

it's it's really wild i mean i don't run

1740

01:04:58,309 --> 01:04:56,799

into people you know who gets this and

1741

01:05:00,630 --> 01:04:58,319

understands you know

1742

01:05:02,870 --> 01:05:00,640

we're getting messages i mean i don't

1743

01:05:04,789 --> 01:05:02,880

know i'm something's going on where a

1744

01:05:07,510 --> 01:05:04,799

lot of well i think i think

1745

01:05:10,710 --> 01:05:07,520

the church the church

1746

01:05:11,829 --> 01:05:10,720

needs to wake up catch up yes

1747

01:05:14,230 --> 01:05:11,839

and

1748

01:05:15,990 --> 01:05:14,240

you know not be afraid of this stuff but

1749

01:05:17,670 --> 01:05:16,000

know that god has communicated in this

1750

01:05:19,750 --> 01:05:17,680

way for millennia

1751

01:05:21,349 --> 01:05:19,760

yes and just because we're good

1752

01:05:22,789 --> 01:05:21,359

reasonable people

1753

01:05:24,390 --> 01:05:22,799

who you know

1754

01:05:26,069 --> 01:05:24,400

did all you know follow all the

1755

01:05:28,549 --> 01:05:26,079

religious rules

1756

01:05:29,990 --> 01:05:28,559

uh doesn't mean that god has changed his

1757

01:05:32,470 --> 01:05:30,000

tone

1758

01:05:33,510 --> 01:05:32,480

exactly if he's choosing to communicate

1759

01:05:36,230 --> 01:05:33,520

in this way you know there's a bible

1760

01:05:37,270 --> 01:05:36,240

verse that says he will use the simple

1761

01:05:39,190 --> 01:05:37,280

things

1762

01:05:41,109 --> 01:05:39,200

to confound the wise

1763

01:05:43,510 --> 01:05:41,119

and he also says that we have to have

1764

01:05:45,670 --> 01:05:43,520

hearts like children or we won't even be

1765

01:05:47,430 --> 01:05:45,680

able to enter into the things of the

1766

01:05:50,309 --> 01:05:47,440

kingdom of heaven

1767

01:05:52,390 --> 01:05:50,319

so you know i think in our perceived

1768

01:05:55,109 --> 01:05:52,400

wisdom and our

1769

01:05:57,750 --> 01:05:55,119

reasoning and all this stuff

1770

01:06:00,470 --> 01:05:57,760

that that has really seeped within even

1771

01:06:02,829 --> 01:06:00,480

the walls of the church that we haven't

1772

01:06:06,309 --> 01:06:02,839

left a lot of room for the spirit of

1773

01:06:08,309 --> 01:06:06,319

god i believe it i believe it it's

1774

01:06:10,150 --> 01:06:08,319

there's different things that that reach

1775

01:06:12,630 --> 01:06:10,160

different people and

1776

01:06:14,470 --> 01:06:12,640

i always think that when they're ready

1777

01:06:16,710 --> 01:06:14,480

they'll get the message but you know

1778

01:06:19,349 --> 01:06:16,720

time feels short for some reason like

1779

01:06:21,270 --> 01:06:19,359

we've got to get to this already and

1780

01:06:23,910 --> 01:06:21,280

start opening up some eyes ears and

1781

01:06:25,910 --> 01:06:23,920

souls out there i i don't know it's well

1782

01:06:27,430 --> 01:06:25,920

and i i think there's the thing you know

1783

01:06:29,670 --> 01:06:27,440

i don't

1784

01:06:30,710 --> 01:06:29,680

it's not just with kids with autism but

1785

01:06:32,789 --> 01:06:30,720

i believe

1786

01:06:35,109 --> 01:06:32,799

that in this time you know we're talking

1787

01:06:36,789 --> 01:06:35,119

about joel 2 where it says you know that

1788

01:06:38,630 --> 01:06:36,799

you're young your your daughters and

1789

01:06:40,549 --> 01:06:38,640

your sons they'll dream dreams see

1790

01:06:43,109 --> 01:06:40,559

visions you know all of these things

1791

01:06:45,029 --> 01:06:43,119

they'll prophesy well you know i think

1792

01:06:48,470 --> 01:06:45,039

that we're in the generation where

1793

01:06:50,549 --> 01:06:48,480

honestly um the voices of the children

1794

01:06:52,309 --> 01:06:50,559

are trying to be silenced

1795

01:06:54,870 --> 01:06:52,319

it's almost like the enemy is coming

1796

01:06:58,069 --> 01:06:54,880

against these voices that actually can

1797

01:07:00,230 --> 01:06:58,079

bring so much more good into the world

1798

01:07:02,630 --> 01:07:00,240

and actually i was so shocked that

1799

01:07:05,349 --> 01:07:02,640

someone told me that um you know there's

1800

01:07:07,270 --> 01:07:05,359

generation x or generation y that kind

1801
01:07:11,349 --> 01:07:07,280
of stuff that they're actually calling

1802
01:07:12,390 --> 01:07:11,359
this generation the silent generation

1803
01:07:15,589 --> 01:07:12,400
wow

1804
01:07:18,150 --> 01:07:15,599
that is that is chilling to me

1805
01:07:21,430 --> 01:07:18,160
our kids today

1806
01:07:22,549 --> 01:07:21,440
need to be nurtured to be able to bring

1807
01:07:24,549 --> 01:07:22,559
in

1808
01:07:30,590 --> 01:07:24,559
a much better

1809
01:07:30,600 --> 01:07:37,910
[Laughter]

1810
01:07:43,510 --> 01:07:40,309
i tried to negate a call and when i did

1811
01:07:49,190 --> 01:07:44,710
but

1812
01:07:51,190 --> 01:07:49,200
great having you tiny it really has i

1813
01:07:53,270 --> 01:07:51,200

really appreciate you guys uh getting in

1814

01:07:54,950 --> 01:07:53,280

touch with me oh tony

1815

01:07:56,950 --> 01:07:54,960

and we're gonna chat after this

1816

01:07:58,549 --> 01:07:56,960

girlfriend absolutely

1817

01:08:01,029 --> 01:07:58,559

i have to get a hold of your information

1818

01:08:02,950 --> 01:08:01,039

i'll grab it from kevin sure oh that's

1819

01:08:05,750 --> 01:08:02,960

something oh well mine's in the back of

1820

01:08:07,750 --> 01:08:05,760

my book too so

1821

01:08:09,910 --> 01:08:07,760

oh i'm gonna read your book now

1822

01:08:11,430 --> 01:08:09,920

awesome that is so awesome i'm getting

1823

01:08:13,349 --> 01:08:11,440

yours

1824

01:08:14,710 --> 01:08:13,359

please do

1825

01:08:16,950 --> 01:08:14,720

we'll compare it

1826

01:08:19,749 --> 01:08:16,960

heck yes

1827

01:08:21,910 --> 01:08:19,759

okay well tony you take care and uh what

1828

01:08:22,950 --> 01:08:21,920

we'll do is we'll send you a link to the

1829

01:08:24,470 --> 01:08:22,960

show

1830

01:08:26,870 --> 01:08:24,480

and so you can use it wherever you want

1831

01:08:28,390 --> 01:08:26,880

to use it or what have you sounds great

1832

01:08:29,990 --> 01:08:28,400

well i really appreciate

1833

01:08:31,030 --> 01:08:30,000

connecting with you guys

1834

01:08:33,269 --> 01:08:31,040

yes

1835

01:08:35,430 --> 01:08:33,279

a blessed evening yeah you too thanks so

1836

01:08:37,030 --> 01:08:35,440

much thank you

1837

01:08:38,709 --> 01:08:37,040

okay

1838

01:08:40,149 --> 01:08:38,719

well golly uh

1839

01:08:42,229 --> 01:08:40,159

that's some

1840

01:08:45,590 --> 01:08:42,239

tremendous information i'm glad i picked

1841

01:08:47,829 --> 01:08:45,600

it up on spirit daily i just i just and

1842

01:08:49,269 --> 01:08:47,839

it's it's on there

1843

01:08:51,269 --> 01:08:49,279

if you read the book

1844

01:08:53,110 --> 01:08:51,279

there's actually you know as a catholic

1845

01:08:54,950 --> 01:08:53,120

you'll probably appreciate that there's

1846

01:08:58,550 --> 01:08:54,960

a there's a chapter in there where i

1847

01:09:00,470 --> 01:08:58,560

actually go to a hermitage

1848

01:09:03,269 --> 01:09:00,480

um for three days

1849

01:09:04,309 --> 01:09:03,279

of total silence

1850

01:09:05,669 --> 01:09:04,319

oh wow

1851

01:09:07,829 --> 01:09:05,679

and

1852

01:09:09,189 --> 01:09:07,839

it's a it's a catholic you know it's a

1853

01:09:11,749 --> 01:09:09,199

catholic journal i actually went to a

1854

01:09:13,910 --> 01:09:11,759

catholic college and so did my husband

1855

01:09:16,309 --> 01:09:13,920

uh so did heidi i don't know why

1856

01:09:17,990 --> 01:09:16,319

all women's catholic college yeah well

1857

01:09:25,349 --> 01:09:18,000

not all women's but

1858

01:09:30,229 --> 01:09:27,269

who was president of our college um

1859

01:09:32,149 --> 01:09:30,239

sister thomas um she

1860

01:09:34,390 --> 01:09:32,159

she's she's been very involved with our

1861

01:09:36,309 --> 01:09:34,400

lives even since you know we were

1862

01:09:38,390 --> 01:09:36,319

they you know they came to our wedding

1863

01:09:40,630 --> 01:09:38,400

was there at her you know

1864

01:09:42,309 --> 01:09:40,640

um graduation reception and stuff like

1865

01:09:44,309 --> 01:09:42,319

that and it's kept in touch

1866

01:09:46,470 --> 01:09:44,319

she uh she read the book and they were

1867

01:09:49,749 --> 01:09:46,480

sharing it among you know the the

1868

01:09:52,709 --> 01:09:49,759

sisters the benedictine sisters there

1869

01:09:55,590 --> 01:09:52,719

and uh they loved it i was like really

1870

01:09:57,270 --> 01:09:55,600

that's awesome um well this isn't a this

1871

01:10:00,149 --> 01:09:57,280

isn't uh you know one faith has got the

1872

01:10:00,950 --> 01:10:00,159

number on it kind of thing but uh i uh

1873

01:10:02,870 --> 01:10:00,960

yes

1874

01:10:05,350 --> 01:10:02,880

i wrote a book on marion apparition some

1875

01:10:06,390 --> 01:10:05,360

years ago myself but uh

1876

01:10:08,470 --> 01:10:06,400

it's

1877

01:10:11,430 --> 01:10:08,480

you know i've had quite a few catholics

1878

01:10:13,910 --> 01:10:11,440

ask me if josiah's had any

1879

01:10:16,149 --> 01:10:13,920

uh experience with mary

1880

01:10:18,229 --> 01:10:16,159

or any any thoughts about that or any

1881

01:10:20,070 --> 01:10:18,239

and it has it

1882

01:10:22,149 --> 01:10:20,080

yeah he has actually

1883

01:10:24,870 --> 01:10:22,159

um it it actually

1884

01:10:27,270 --> 01:10:24,880

it actually wasn't when i wrote the book

1885

01:10:31,669 --> 01:10:27,280

it came after the book

1886

01:10:33,110 --> 01:10:31,679

um but but very you know very briefly

1887

01:10:34,229 --> 01:10:33,120

one thing that was kind of interesting

1888

01:10:35,270 --> 01:10:34,239

about it

1889

01:10:37,669 --> 01:10:35,280

um

1890

01:10:39,430 --> 01:10:37,679

is he was describing about how

1891

01:10:41,590 --> 01:10:39,440

i would have never made this connection

1892

01:10:43,990 --> 01:10:41,600

i just think it's really a cool thought

1893

01:10:45,510 --> 01:10:44,000

yeah how noah

1894

01:10:48,630 --> 01:10:45,520

and mary

1895

01:10:51,350 --> 01:10:48,640

are actually very similar

1896

01:10:54,790 --> 01:10:51,360

in that both of them were

1897

01:10:56,790 --> 01:10:54,800

um promise bearers

1898

01:10:58,390 --> 01:10:56,800

so the the

1899

01:10:59,990 --> 01:10:58,400

the ark

1900

01:11:02,709 --> 01:11:00,000

that noah

1901
01:11:04,550 --> 01:11:02,719
physically built

1902
01:11:06,390 --> 01:11:04,560
um was

1903
01:11:07,750 --> 01:11:06,400
a womb

1904
01:11:10,149 --> 01:11:07,760
to

1905
01:11:12,310 --> 01:11:10,159
restart humanity

1906
01:11:13,750 --> 01:11:12,320
oh wow

1907
01:11:16,709 --> 01:11:13,760
civilization

1908
01:11:18,630 --> 01:11:16,719
and mary was actually a womb

1909
01:11:21,270 --> 01:11:18,640
to restart

1910
01:11:23,669 --> 01:11:21,280
rebirth so how about that

1911
01:11:26,790 --> 01:11:23,679
through jesus christ

1912
01:11:28,790 --> 01:11:26,800
ha isn't that something so

1913
01:11:31,270 --> 01:11:28,800

i thought that was really interesting

1914

01:11:33,880 --> 01:11:31,280

they're both i'm curious if mary's is as

1915

01:11:35,590 --> 01:11:33,890

is as busy as catholics believe she is

1916

01:11:37,669 --> 01:11:35,600

[Laughter]

1917

01:11:40,709 --> 01:11:37,679

the interesting thing the interesting

1918

01:11:42,870 --> 01:11:40,719

thing though is that she's not i at

1919

01:11:47,270 --> 01:11:42,880

least from what josiah has said i don't

1920

01:11:49,910 --> 01:11:48,310

you know

1921

01:11:51,110 --> 01:11:49,920

like the fourth person on the throne or

1922

01:11:53,030 --> 01:11:51,120

something

1923

01:11:54,870 --> 01:11:53,040

yeah i get the sense that she's very you

1924

01:11:56,550 --> 01:11:54,880

know like she's honored but like not

1925

01:11:58,709 --> 01:11:56,560

necessarily like

1926
01:11:59,990 --> 01:11:58,719
um protestants rule that's all you have

1927
01:12:01,590 --> 01:12:00,000
to say

1928
01:12:03,750 --> 01:12:01,600
no of course i'm just telling i'm just

1929
01:12:06,310 --> 01:12:03,760
saying

1930
01:12:09,750 --> 01:12:06,320
but very much like a righteous a

1931
01:12:12,310 --> 01:12:09,760
righteous this is what josiah said

1932
01:12:15,830 --> 01:12:12,320
just like with noah god was looking for

1933
01:12:18,550 --> 01:12:15,840
a righteous altar

1934
01:12:19,669 --> 01:12:18,560
to interact with he was a righteous

1935
01:12:21,830 --> 01:12:19,679
person

1936
01:12:24,709 --> 01:12:21,840
that the spirit of god was able to

1937
01:12:26,229 --> 01:12:24,719
interact with this righteous person to

1938
01:12:29,750 --> 01:12:26,239

bring about

1939

01:12:31,270 --> 01:12:29,760

this like restart

1940

01:12:33,110 --> 01:12:31,280

essentially of civilization and humanity

1941

01:12:33,990 --> 01:12:33,120

and then he actually talked about like

1942

01:12:38,149 --> 01:12:34,000

the

1943

01:12:40,310 --> 01:12:38,159

physical things

1944

01:12:43,590 --> 01:12:40,320

involved with like oh man could the ark

1945

01:12:45,830 --> 01:12:43,600

have really happened like you know can

1946

01:12:48,310 --> 01:12:45,840

can people or can all that fit in the

1947

01:12:50,709 --> 01:12:48,320

ark and we're thinking very logically

1948

01:12:53,910 --> 01:12:50,719

about you know this story

1949

01:12:56,550 --> 01:12:53,920

when he what he talked about was

1950

01:12:57,990 --> 01:12:56,560

the process and the act

1951

01:13:00,790 --> 01:12:58,000

at which

1952

01:13:05,030 --> 01:13:00,800

noah for that hundred years was

1953

01:13:06,149 --> 01:13:05,040

doing what god said in building that ark

1954

01:13:11,830 --> 01:13:06,159

um

1955

01:13:14,229 --> 01:13:11,840

physics you know like yeah yeah it was

1956

01:13:16,870 --> 01:13:14,239

able to supernaturally intersect with

1957

01:13:19,750 --> 01:13:16,880

what god wanted to do because it was

1958

01:13:23,430 --> 01:13:19,760

more about him being obedient to be a

1959

01:13:25,590 --> 01:13:23,440

conduit on this earth than it was about

1960

01:13:27,030 --> 01:13:25,600

literally physically like that ark in

1961

01:13:29,189 --> 01:13:27,040

and of itself could have rebirthed

1962

01:13:32,229 --> 01:13:29,199

humanity

1963

01:13:35,830 --> 01:13:32,239

it was like it was an altar you know it

1964

01:13:38,149 --> 01:13:35,840

was an altar of sacrifice makes sense

1965

01:13:39,750 --> 01:13:38,159

well listen you uh johnny we'll take

1966

01:13:42,229 --> 01:13:39,760

we'll keep being touched i know heidi

1967

01:13:44,950 --> 01:13:42,239

will and i sure haven't

1968

01:13:46,630 --> 01:13:44,960

truly truly said you guys definitely yes

1969

01:13:48,870 --> 01:13:46,640

oh gosh i feel like i made a new friend

1970

01:13:51,110 --> 01:13:48,880

it's all good i know i'm excited to read

1971

01:13:53,430 --> 01:13:51,120

your book now and uh cool

1972

01:13:55,189 --> 01:13:53,440

and keep in touch yeah definitely what

1973

01:13:56,790 --> 01:13:55,199

do you want to um

1974

01:13:58,310 --> 01:13:56,800

you want to take down my email address

1975

01:14:00,630 --> 01:13:58,320

or do you have that

1976

01:14:03,350 --> 01:14:00,640

i'm getting that from kevin oh yes

1977

01:14:04,950 --> 01:14:03,360

awesome and my information is mine's in

1978

01:14:07,990 --> 01:14:04,960

the book too so you can reach out that

1979

01:14:09,110 --> 01:14:08,000

way and um kevin what was the name of

1980

01:14:11,669 --> 01:14:09,120

your book

1981

01:14:12,630 --> 01:14:11,679

it's marion apparitions are real

1982

01:14:17,350 --> 01:14:12,640

awesome

1983

01:14:18,950 --> 01:14:17,360

well yeah i guess

1984

01:14:21,750 --> 01:14:18,960

out at the end of the line on the show

1985

01:14:24,310 --> 01:14:21,760

up uh tony i guess we better bid you

1986

01:14:25,990 --> 01:14:24,320

good night and uh

1987

01:14:28,310 --> 01:14:26,000

absolutely

1988

01:14:30,550 --> 01:14:28,320

well now next week of course is uh july

1989

01:14:31,750 --> 01:14:30,560

4th and we're going to have an archive

1990

01:14:34,630 --> 01:14:31,760

show

1991

01:14:38,310 --> 01:14:34,640

and then uh vacation

1992

01:14:40,149 --> 01:14:38,320

well there is that and uh actually um

1993

01:14:41,590 --> 01:14:40,159

i've got jmr scheduled for the week

1994

01:14:44,310 --> 01:14:41,600

thereafter but we'll have to see how his

1995

01:14:46,470 --> 01:14:44,320

health is permitting on that yeah lots

1996

01:14:47,750 --> 01:14:46,480

of prayers needed for jim mars

1997

01:14:49,910 --> 01:14:47,760

oh wow

1998

01:14:52,790 --> 01:14:49,920

i guess so i i didn't know all these

1999

01:14:54,630 --> 01:14:52,800

issues uh but i i did have him scheduled

2000

01:14:58,070 --> 01:14:54,640

but we'll have to see on that and i've

2001

01:14:59,669 --> 01:14:58,080

got a marine uh uh retired marine uh

2002

01:15:01,669 --> 01:14:59,679

that'll talk on some political issues

2003

01:15:03,910 --> 01:15:01,679

after the week after that so

2004

01:15:06,070 --> 01:15:03,920

okay anyhow i guess we better head off

2005

01:15:07,669 --> 01:15:06,080

into the night but hey guys it's really

2006

01:15:09,430 --> 01:15:07,679

great talking with you thanks so much

2007

01:15:11,669 --> 01:15:09,440

good night everybody

2008

01:15:13,510 --> 01:15:11,679

bye now lowe's has you covered for all

2009

01:15:15,430 --> 01:15:13,520

those projects on your summer to-do list

2010

01:15:17,110 --> 01:15:15,440

and will even help you save give your

2011

01:15:19,270 --> 01:15:17,120

home a whole new look inside and out

2012

01:15:21,270 --> 01:15:19,280

with 10 to 40 dollars off paint exterior

2013

01:15:22,790 --> 01:15:21,280

stains and resurfacers via rebate and

2014

01:15:25,030 --> 01:15:22,800

add a pop of color to your porch or

2015

01:15:26,709 --> 01:15:25,040

patio with flowers get your choice two

2016

01:15:28,950 --> 01:15:26,719

for ten dollar basic one and a half

2017

01:15:31,110 --> 01:15:28,960

gallon hanging baskets all projects have

2018

01:15:32,550 --> 01:15:31,120

a starting point start with lows paint

2019

01:15:34,310 --> 01:15:32,560

offer valve six twenty one three seven

2020

01:15:35,430 --> 01:15:34,320

five exclusions apply plant offer valid

2021

01:15:36,950 --> 01:15:35,440

six twenty eight through seven five
