11
00:01:20,029 --> 00:01:17,159
I'm your host Patricia Baker I am here

12
00:01:23,600 --> 00:01:20,039
with my co-host pique all the way from

13
00:01:27,889 --> 00:01:23,610

Tucson surviving that vicious heatwave

14

00:01:30,859 --> 00:01:27,899

TK how are you melting melting it is

15

00:01:32,600 --> 00:01:30,869

just horrible if you don't go shopping

16

00:01:35,300 --> 00:01:32,610

until after 11 o'clock at night because

17

00:01:37,490 --> 00:01:35,310

it's just too far not oh my god

18

00:01:39,230 --> 00:01:37,500

picking up the bail is from the house to

19

00:01:41,779 --> 00:01:39,240

the mailbox like walking in a blast

20

00:01:43,760 --> 00:01:41,789

furnace so I'll be very happy to see it

21

00:01:46,960 --> 00:01:43,770

start to cool down a little bit the set

22

00:01:52,190 --> 00:01:46,970

of Cisco I'll begin by Sunday so no no

23

00:01:55,639 --> 00:01:52,200

great isn't so so you are not 107 out

24

00:02:00,499 --> 00:01:55,649

there it's 100 my back patio right now

25

00:02:03,469 --> 00:02:00,509

is 110 well that's too lot much much too

26
00:02:05,330 --> 00:02:03,479
much yeah if I wanted to lose weight I'd

27
00:02:07,969 --> 00:02:05,340
go to the sauna I don't need the Sun in

28
00:02:11,660 --> 00:02:07,979
my backyard now you sure don't

29
00:02:14,030 --> 00:02:11,670
oh well for I am here as well oh I know

30
00:02:15,830 --> 00:02:14,040
that animals are I just feel so bad for

31
00:02:18,020 --> 00:02:15,840
them I'm trying to put water out around

32
00:02:20,870 --> 00:02:18,030
the yard because you can tell they're

33
00:02:22,129 --> 00:02:20,880
just grabbing at straws trying to dig

34
00:02:24,400 --> 00:02:22,139
anything to get a little bit of ground

35
00:02:27,800 --> 00:02:24,410
moving to find subject that's cool

36
00:02:30,229 --> 00:02:27,810
that's terrible well we hope that you

37
00:02:33,020 --> 00:02:30,239
will continue to stay cool where you are

38
00:02:34,970 --> 00:02:33,030

and survive this thing but do tell

39

00:02:37,220 --> 00:02:34,980

what's going on with the numbers what's

40

00:02:39,020 --> 00:02:37,230

happening well what we have to look at

41

00:02:42,590 --> 00:02:39,030

right now is just about the fourth of

42

00:02:44,690 --> 00:02:42,600

July coming up July is in itself has a

43

00:02:47,839 --> 00:02:44,700

lot of major things going on because it

44

00:02:50,180 --> 00:02:47,849

deals with for the universe everything

45

00:02:53,449 --> 00:02:50,190

dealing with finances it deals with

46

00:02:56,210 --> 00:02:53,459

people in control power people it deals

47

00:02:59,300 --> 00:02:56,220

with leaders those that are trying to

48

00:03:01,400 --> 00:02:59,310

shall we say reevaluate how BIG's it to

49

00:03:03,020 --> 00:03:01,410

be done I think we're going to see some

50

00:03:05,539 --> 00:03:03,030

things coming out of Washington that's

51
00:03:07,909 --> 00:03:05,549
going to deal with some angers where the

52
00:03:11,360 --> 00:03:07,919
finances are concerned I think people

53
00:03:14,240 --> 00:03:11,370
are pulling some if I would just say

54
00:03:15,830 --> 00:03:14,250
slip moves that way we don't do that

55
00:03:17,900 --> 00:03:15,840
quite kosher but it's the way it's going

56
00:03:21,230 --> 00:03:17,910
to go and those

57
00:03:24,410 --> 00:03:21,240
are in power have gotten a little too

58
00:03:26,030 --> 00:03:24,420
greedy more so than needy and they

59
00:03:28,010 --> 00:03:26,040
expect other people to step at line and

60
00:03:30,140 --> 00:03:28,020
pay up for it it is going to create some

61
00:03:32,870 --> 00:03:30,150
problems this health thing is going to

62
00:03:35,960 --> 00:03:32,880
blow some people out of water before it

63
00:03:38,330 --> 00:03:35,970

finally gets to the table Wow

64

00:03:42,140 --> 00:03:38,340

so it's all about the money it's all

65

00:03:44,020 --> 00:03:42,150

about the money goes in control and this

66

00:03:46,940 --> 00:03:44,030

is the year our presidents in as well

67

00:03:49,880 --> 00:03:46,950

and what about the rest of us peons how

68

00:03:52,100 --> 00:03:49,890

is it going to affect us for every one

69

00:03:54,290 --> 00:03:52,110

of us the affect dealing with the

70

00:03:57,170 --> 00:03:54,300

financial side is going to affect all of

71

00:03:59,720 --> 00:03:57,180

us because consider the universal stuff

72

00:04:01,580 --> 00:03:59,730

as our umbrella then our personal things

73

00:04:03,470 --> 00:04:01,590

following the line under it so depending

74

00:04:04,730 --> 00:04:03,480

on what personal year you're in and you

75

00:04:05,780 --> 00:04:04,740

could always go to my website going to

76

00:04:07,520 --> 00:04:05,790

show you how to find out what your

77

00:04:10,640 --> 00:04:07,530

personal year is but whatever your

78

00:04:12,020 --> 00:04:10,650

personal year is it has an impact if

79

00:04:13,940 --> 00:04:12,030

you're in a one personal year with the

80

00:04:15,320 --> 00:04:13,950

eight you're going to fight back over

81

00:04:16,789 --> 00:04:15,330

the power if you're in a two you're

82

00:04:19,759 --> 00:04:16,799

going to be overly sensitive and feel

83

00:04:21,320 --> 00:04:19,769

like you've lost the three they're going

84

00:04:23,480 --> 00:04:21,330

to be so scattered not spending money

85

00:04:24,710 --> 00:04:23,490

they don't have and when they're in the

86

00:04:27,650 --> 00:04:24,720

four years are going to go crazy because

87

00:04:29,450 --> 00:04:27,660

there's not enough to get around it'll

88

00:04:31,070 --> 00:04:29,460

all be laid out for us though take a

89

00:04:34,490 --> 00:04:31,080

look I'm setting out some things that

90

00:04:37,580 --> 00:04:34,500

will be put out the next two days so go

91

00:04:39,980 --> 00:04:37,590

to Patricia Kirkman comm and there you

92

00:04:41,960 --> 00:04:39,990

can find what your personal year number

93

00:04:44,600 --> 00:04:41,970

is and you'll see how all of this is

94

00:04:47,120 --> 00:04:44,610

going to affect you right so that's a

95

00:04:49,700 --> 00:04:47,130

good thing to do and now do you are you

96

00:04:51,230 --> 00:04:49,710

having a newsletter put out I think the

97

00:04:54,680 --> 00:04:51,240

newsletter was going out to say

98

00:04:56,960 --> 00:04:54,690

afternoon and I do a Fair on Sunday but

99

00:04:58,520 --> 00:04:56,970

most importantly I have been giving

100

00:05:00,020 --> 00:04:58,530

lessons I'm going to postpone until the

101
00:05:02,630 --> 00:05:00,030
fall because I've got quite a few people

102
00:05:05,090 --> 00:05:02,640
that are looking for some direct answers

103
00:05:07,310 --> 00:05:05,100
as to what's going on with our world

104
00:05:09,650 --> 00:05:07,320
right now and a lot of people are doing

105
00:05:12,080 --> 00:05:09,660
a little shake rattle and roll and it's

106
00:05:14,870 --> 00:05:12,090
not necessary just get a grip on what is

107
00:05:18,350 --> 00:05:14,880
happening make it work for you not

108
00:05:21,890 --> 00:05:18,360
against you exactly so sign up for PK's

109
00:05:24,080 --> 00:05:21,900
newsletter sign up for Supernatural

on Facebook and Twitter

114

00:05:36,140 --> 00:05:33,990

be sure to give us a like now you got to

115

00:05:39,950 --> 00:05:36,150

move into this paranormal news we have

116

00:05:42,680 --> 00:05:39,960

it's very very weird now this is on our

117

00:05:47,060 --> 00:05:42,690

Facebook page everybody we have posted a

118

00:05:49,150 --> 00:05:47,070

video of what we believe and we concur

119

00:05:51,650 --> 00:05:49,160

with the person who took this video is a

120

00:05:56,630 --> 00:05:51,660

video of the holographic universe that

121

00:06:00,860 --> 00:05:56,640

we live in one half of the sky is bright

122

00:06:02,720 --> 00:06:00,870

blue the other half of the sky is a

123

00:06:05,120 --> 00:06:02,730

different shade of blue a little

124

00:06:08,270 --> 00:06:05,130

cloudier and there's a straight line

125

00:06:11,990 --> 00:06:08,280

going down the middle of this video

126
00:06:15,140 --> 00:06:12,000
right and then you'll see a plane that's

127
00:06:17,420 --> 00:06:15,150
traveling from left to right but all of

128
00:06:21,290 --> 00:06:17,430
a sudden it's not in the left side just

129
00:06:23,660 --> 00:06:21,300
appears on the right this is beyond

130
00:06:26,360 --> 00:06:23,670
belief I mean I had to watch this a

131
00:06:28,130 --> 00:06:26,370
bunch of times didn't you exactly

132
00:06:29,660 --> 00:06:28,140
I saw you look at I kept thinking well

133
00:06:33,410 --> 00:06:29,670
okay now let's see what's going to

134
00:06:35,120 --> 00:06:33,420
happen next I know it is incredible it's

135
00:06:37,520 --> 00:06:35,130
incredible so everybody go to the

136
00:06:39,830 --> 00:06:37,530
Facebook page for Supernatural girls and

137
00:06:42,680 --> 00:06:39,840
you can watch the video there it's only

138
00:06:48,740 --> 00:06:42,690

a few minutes long but it very clearly

139

00:06:49,460 --> 00:06:48,750

depicts two separate skies just do I get

140

00:06:53,090 --> 00:06:49,470

your attention

141

00:06:54,890 --> 00:06:53,100

yeah what's going on so is this proof of

142

00:06:57,050 --> 00:06:54,900

on

167

00:08:08,540 --> 00:08:05,910

some readings aren't you right now

168

00:08:12,080 --> 00:08:08,550

Patricia doing readings doing dream

169

00:08:15,350 --> 00:08:12,090

analysis saying I remind you yes and

170

00:08:17,689 --> 00:08:15,360

it's time everybody to make mention to

171

00:08:21,320 --> 00:08:17,699

dreams I mean I know you don't want to

172

00:08:23,120 --> 00:08:21,330

do it it's extra work it's really not

173

00:08:25,550 --> 00:08:23,130

this is your birthright

174

00:08:27,980 --> 00:08:25,560

then your consciousness you really need

175

00:08:29,960 --> 00:08:27,990

to expand so you can communicate with

176

00:08:31,520 --> 00:08:29,970

the deeper levels of yourself as well as

177

00:08:34,540 --> 00:08:31,530

other beings and this is what we be

178

00:08:38,560 --> 00:08:34,550

talking about tonight talking about

179

00:08:43,279 --> 00:08:38,570

communication with other beings Bigfoot

180

00:08:44,120 --> 00:08:43,289

DG's we have a wonderful couple joining

181

00:08:46,280 --> 00:08:44,130

us this evening

182

00:08:48,680 --> 00:08:46,290

they're super couples that's what I call

183

00:08:52,220 --> 00:08:48,690

them I'm super couple and they are

184

00:08:56,960 --> 00:08:52,230

Bigfoot whisperers they have contact

185

00:08:59,840 --> 00:08:56,970

with other entities they have so much to

186

00:09:02,780 --> 00:08:59,850

tell us tonight terrific book we read

187

00:09:05,890 --> 00:09:02,790

this week it is called the Sasquatch

188

00:09:08,780 --> 00:09:05,900

people and they're interdimensional

189

00:09:12,140 --> 00:09:08,790

connection right great book we couldn't

190

00:09:14,840 --> 00:09:12,150

put it out highly highly recommended one

191

00:09:19,280 --> 00:09:14,850

of two great books written here and the

192

00:09:22,760 --> 00:09:19,290

195

00:09:29,569 --> 00:09:27,360

kinds of questions and if you have

196

00:09:34,940 --> 00:09:29,579

questions then write them in the chat

thanks for having us yes thank you it's

207
00:10:01,309 --> 00:09:58,019
an honor to be

208
00:10:05,600 --> 00:10:01,319
here's now you are out in Washington

209
00:10:08,030 --> 00:10:05,610
State and how we gotta find out first of

210
00:10:12,049 --> 00:10:08,040
all how'd you get into this how did you

211
00:10:17,960 --> 00:10:12,059
become friends of these forest people

212
00:10:21,199 --> 00:10:17,970
the Bigfoot how did this happen well for

213
00:10:25,160 --> 00:10:21,209

one thing I started this research

214

00:10:29,179 --> 00:10:25,170

sixty-one years ago and I didn't know

215

00:10:32,299 --> 00:10:29,189

until about 10 years ago or 12 years ago

216

00:10:33,289 --> 00:10:32,309

that they told me they were there at the

217

00:10:38,059 --> 00:10:33,299

moment of my birth

218

00:10:40,850 --> 00:10:38,069

oh okay different experiences I had that

219

00:10:49,519 --> 00:10:40,860

I couldn't explain was them growing up

220

00:10:50,989 --> 00:10:49,529

and but it I read an article about them

221

00:10:51,650 --> 00:10:50,999

and immediately said oh these are a

222

00:10:54,259 --> 00:10:51,660

people

223

00:10:57,410 --> 00:10:54,269

I didn't classify them as an animal or a

224

00:10:59,449 --> 00:10:57,420

monster but a people and that's what

225

00:11:05,780 --> 00:10:59,459

I've always projected whenever I was in

226

00:11:10,609 --> 00:11:05,790

the forest we unknowingly project on an

227

00:11:15,730 --> 00:11:10,619

unconscious level to animals to people

228

00:11:23,210 --> 00:11:15,740

and to the forest people here so this is

229

00:11:25,160 --> 00:11:23,220

I right away was in a frame of mind that

230

00:11:30,199 --> 00:11:25,170

was acceptable to them I didn't have any

231

00:11:35,989 --> 00:11:30,209

fear or anything nothing negative

232

00:11:41,150 --> 00:11:35,999

but then in September of 1979 when I was

233

00:11:44,629 --> 00:11:41,160

in Wisconsin a Sasquatch in an 80 talked

234

00:11:47,230 --> 00:11:44,639

to me simultaneously and I wasn't afraid

235

00:11:51,679 --> 00:11:47,240

but I was just really confused the

236

00:11:55,460 --> 00:11:51,689

telepathy and these two different beings

237

00:12:00,139 --> 00:11:55,470

I never associated the Sasquatch with

238

00:12:04,639 --> 00:12:00,149

ETS but here it was and it's been

239

00:12:09,129 --> 00:12:04,649

ongoing ever since quite an exploration

240

00:12:11,570 --> 00:12:09,139

so you have a very close relationship

241

00:12:14,600 --> 00:12:11,580

both of you with

242

00:12:17,000 --> 00:12:14,610

Bigfoot and it's it's friendly it's

243

00:12:19,759 --> 00:12:17,010

loving and from what pique and I

244

00:12:21,820 --> 00:12:19,769

understand they really want to talk to

245

00:12:24,860 --> 00:12:21,830

people with it that have an open heart

246

00:12:27,110 --> 00:12:24,870

so that's those of you you have an open

247

00:12:29,870 --> 00:12:27,120

heart they feel safe with you they

248

00:12:32,900 --> 00:12:29,880

approach you they share with you their

249

00:12:37,610 --> 00:12:32,910

thoughts their feelings and you must be

250

00:12:39,980 --> 00:12:37,620

feel very honored about that well yes

251
00:12:43,579 --> 00:12:39,990
but I've never gave it a lot of thought

252
00:12:46,819 --> 00:12:43,589
this is not a an ego trip or whatever

253
00:12:50,540 --> 00:12:46,829
it's I realized it was to help the

254
00:12:54,110 --> 00:12:50,550
planet and to be a go-between between

255
00:12:56,810 --> 00:12:54,120
their world and our world and because

256
00:13:00,199 --> 00:12:56,820
I'm a writer and a professional speaker

257
00:13:04,160 --> 00:13:00,209
and and so forth it

258
00:13:08,060 --> 00:13:04,170
I had credibility which for degrees and

259
00:13:11,900 --> 00:13:08,070
so forth that they wanted to me to

260
00:13:14,449 --> 00:13:11,910
represent them I didn't realize that at

261
00:13:16,610 --> 00:13:14,459
all in the beginning it was just fact I

262
00:13:18,500 --> 00:13:16,620
was little naive I just thought well as

263
00:13:18,949 --> 00:13:18,510

to they'll come a few times and that's

264

00:13:23,329 --> 00:13:18,959

it

265

00:13:25,910 --> 00:13:23,339

life and now that Kelly and I are

266

00:13:29,090 --> 00:13:25,920

together they've changed our lives and

267

00:13:33,340 --> 00:13:29,100

they keep changing it for the better so

268

00:13:36,139 --> 00:13:33,350

we're very honored actually a you know

269

00:13:39,590 --> 00:13:36,149

that they're in our lives I mean it's

270

00:13:41,480 --> 00:13:39,600

just wonderful of the many things that

271

00:13:43,519 --> 00:13:41,490

they've done for us and different

272

00:13:47,180 --> 00:13:43,529

healing work helped us out give us

273

00:13:50,150 --> 00:13:47,190

advice and so forth Kelly what when did

274

00:13:54,439 --> 00:13:50,160

you become involved with sup Bigfoot and

275

00:13:58,250 --> 00:13:54,449

Sasquatch oh your jaw it was in 2012

276

00:14:02,840 --> 00:13:58,260

then I had my biggest experience that

277

00:14:05,990 --> 00:14:02,850

really kind of occurred caused the rest

278

00:14:10,130 --> 00:14:06,000

of my life to occur from there but like

279

00:14:13,759 --> 00:14:10,140

him I also had a sasquatch and an ET

280

00:14:16,160 --> 00:14:13,769

visit me at the same time and I've been

281

00:14:19,189 --> 00:14:16,170

studying up on this

282

00:14:21,350 --> 00:14:19,199

I had really been going through you know

283

00:14:23,930 --> 00:14:21,360

what you call a spiritual awakening so

284

00:14:25,090 --> 00:14:23,940

that my my thoughts and my feelings were

285

00:14:28,480 --> 00:14:25,100

changing and everything

286

00:14:30,520 --> 00:14:28,490

like that and I am I knew this to the

287

00:14:32,590 --> 00:14:30,530

truth and I knew that when I was

288

00:14:36,550 --> 00:14:32,600

experiencing it that it was definitely

289

00:14:39,010 --> 00:14:36,560

happening although it was just really

290

00:14:41,590 --> 00:14:39,020

hard to explain to anybody you know it

291

00:14:43,540 --> 00:14:41,600

there was nobody in my regular life that

292

00:14:46,770 --> 00:14:43,550

I could talk to about this because it

293

00:14:52,080 --> 00:14:46,780

wouldn't it didn't make any sense now

294

00:14:54,940 --> 00:14:52,090

right and so I contacted Kiyomi I

295

00:14:57,730 --> 00:14:54,950

purchased his book as well and found his

296

00:15:00,070 --> 00:14:57,740

phone number in there and so I gave him

297

00:15:03,640 --> 00:15:00,080

a call to just kind of help put things

298

00:15:06,370 --> 00:15:03,650

into perspective for me and since that

299

00:15:10,710 --> 00:15:06,380

time my communication with the Sasquatch

300

00:15:14,350 --> 00:15:10,720

really increased since then regular

301
00:15:17,020 --> 00:15:14,360
telepathic communications and you know

302
00:15:20,410 --> 00:15:17,030
channeling messages from them and things

303
00:15:22,720 --> 00:15:20,420
like that and you know after a while

304
00:15:25,090 --> 00:15:22,730
they started telling us that you know we

305
00:15:27,310 --> 00:15:25,100
should be together or that we have a

306
00:15:28,720 --> 00:15:27,320
higher purpose together and that we're

307
00:15:31,720 --> 00:15:28,730
going to help one another and things

308
00:15:34,150 --> 00:15:31,730
like that and so that was all kind of

309
00:15:37,050 --> 00:15:34,160
strange too because we live you know

310
00:15:39,820 --> 00:15:37,060
over 2,000 miles from each other and

311
00:15:43,120 --> 00:15:39,830
didn't really know anything about each

312
00:15:46,000 --> 00:15:43,130
other that kind of personal level so we

313
00:15:47,500 --> 00:15:46,010

just decided to okay well you know I

314

00:15:50,830 --> 00:15:47,510

believe you let's just go with it and

315

00:15:53,020 --> 00:15:50,840

see how things happen and so we ended up

316

00:15:55,780 --> 00:15:53,030

you know eventually we started talking

317

00:15:59,230 --> 00:15:55,790

on the phone everyday and 10 months

318

00:16:02,110 --> 00:15:59,240

later we we finally met he flew out to

319

00:16:04,270 --> 00:16:02,120

see me and and all of that and you know

320

00:16:07,150 --> 00:16:04,280

it was instantly we fell in love which

321

00:16:12,060 --> 00:16:07,160

we can't expect it to happen anyway sea

322

00:16:15,610 --> 00:16:12,070

of calm so but I also understand from

323

00:16:17,920 --> 00:16:15,620

the Sasquatch and from the star elders

324

00:16:22,180 --> 00:16:17,930

that it's a deeper connection than

325

00:16:26,890 --> 00:16:22,190

what's just in this lifetime that he and

326

00:16:29,610 --> 00:16:26,900

I and several people nowadays are direct

327

00:16:35,160 --> 00:16:29,620

descendants of the Sasquatch people and

328

00:16:37,810 --> 00:16:35,170

you know basically it's a cosmic

329

00:16:38,930 --> 00:16:37,820

something that we agreed to before we

330

00:16:41,450 --> 00:16:38,940

ever came

331

00:16:44,630 --> 00:16:41,460

here that we would come and be involved

332

00:16:47,480 --> 00:16:44,640

in this realm of things and to be

333

00:16:48,740 --> 00:16:47,490

helping humanity and to be bringing

334

00:16:51,830 --> 00:16:48,750

about this truth

335

00:16:55,520 --> 00:16:51,840

so you know the involvement with them

336

00:16:56,450 --> 00:16:55,530

actually goes much deeper that's

337

00:16:58,970 --> 00:16:56,460

wonderful

338

00:17:01,700 --> 00:16:58,980

in those that recognize the truth that's

339

00:17:05,120 --> 00:17:01,710

fine those that don't it's also fine

340

00:17:07,610 --> 00:17:05,130

people are different levels so we don't

341

00:17:09,410 --> 00:17:07,620

argue with people and who you know when

342

00:17:10,699 --> 00:17:09,420

they say oh I don't believe in that and

343

00:17:12,800 --> 00:17:10,709

so on that's fine

344

00:17:15,220 --> 00:17:12,810

you know I nothing I argue about if

345

00:17:18,500 --> 00:17:15,230

that's their opinion and we can only

346

00:17:20,660 --> 00:17:18,510

share what we know as the truth because

347

00:17:23,210 --> 00:17:20,670

it's for example I've been contacted

348

00:17:26,809 --> 00:17:23,220

over a thousand times a way over a

349

00:17:28,700 --> 00:17:26,819

thousand times so do I think that maybe

350

00:17:31,760 --> 00:17:28,710

it didn't happen well I

351

00:17:36,710 --> 00:17:31,770

after all that I think I should know and

352

00:17:40,100 --> 00:17:36,720

plus that's Knightly documented 404

353

00:17:43,150 --> 00:17:40,110

people recipients who also have had

354

00:17:49,040 --> 00:17:46,100

three of them were physicians one was an

355

00:17:52,580 --> 00:17:49,050

attorney three were college professors

356

00:17:56,620 --> 00:17:52,590

and two were scientists so and then

357

00:18:01,760 --> 00:17:56,630

people from all walks of life so they

358

00:18:04,040 --> 00:18:01,770

also have objectified my reality but you

359

00:18:06,560 --> 00:18:04,050

know we in James said it takes only one

360

00:18:10,130 --> 00:18:06,570

white crow to prove that all crows are

361

00:18:13,250 --> 00:18:10,140

not black well analogously speaking I

362

00:18:16,100 --> 00:18:13,260

have four hundred and four white crows

363

00:18:19,370 --> 00:18:16,110

how many more white crows do I need to

364

00:18:22,730 --> 00:18:19,380

to say that to be accepted that this is

365

00:18:26,120 --> 00:18:22,740

a reality I'm not really trying to prove

366

00:18:29,770 --> 00:18:26,130

or push anything but because based on

367

00:18:34,700 --> 00:18:29,780

the present paradigm scientific paradigm

368

00:18:37,340 --> 00:18:34,710

all this is not real because they cannot

369

00:18:41,120 --> 00:18:37,350

be proven kind of thing and that good

370

00:18:43,820 --> 00:18:41,130

they the Sasquatch say that our science

371

00:18:46,220 --> 00:18:43,830

is very immature and that we they have

372

00:18:48,890 --> 00:18:46,230

to kill things in order to make sure

373

00:18:52,190 --> 00:18:48,900

they're a lot they're real you know or

374

00:18:55,970 --> 00:18:52,200

they are once a liar yeah

375

00:19:00,169 --> 00:18:55,980

this is barbaric in crazy in which I do

376

00:19:03,919 --> 00:19:00,179

now - I mean I they're teaching all

377

00:19:07,370 --> 00:19:03,929

these years we were teaching me things

378

00:19:10,220 --> 00:19:07,380

and they were teaching also Kelly so

379

00:19:13,879 --> 00:19:10,230

these are some of the things that we've

380

00:19:15,500 --> 00:19:13,889

come to realize and and we're always

381

00:19:18,620 --> 00:19:15,510

going to have people challenging us

382

00:19:21,560 --> 00:19:18,630

which is okay you know mm-hmm now you've

383

00:19:23,299 --> 00:19:21,570

learned a lot about the Bigfoot directly

384

00:19:26,240 --> 00:19:23,309

from them and that's one of the things

385

00:19:28,460 --> 00:19:26,250

we really want to hear but where are the

386

00:19:33,590 --> 00:19:28,470

Bigfoot from you're not native to this

387

00:19:36,919 --> 00:19:33,600

planet are they they they are in a sense

388

00:19:40,909 --> 00:19:36,929

that they were well they were created

389

00:19:44,269 --> 00:19:40,919

with a native race when they were seated

390

00:19:46,279 --> 00:19:44,279

here on earth so technically the

391

00:19:48,980 --> 00:19:46,289

Sasquatch people are native to earth

392

00:19:51,379 --> 00:19:48,990

because they were here before us humans

393

00:19:53,629 --> 00:19:51,389

were and they were the first mammal race

394

00:19:57,289 --> 00:19:53,639

that there was there was a long

395

00:20:01,310 --> 00:19:57,299

evolution on earth so that it was first

396

00:20:04,850 --> 00:20:01,320

the fish people than the ant people the

397

00:20:07,490 --> 00:20:04,860

lizard people and so on until the the

398

00:20:10,279 --> 00:20:07,500

mammal people who were the Sasquatch

399

00:20:15,009 --> 00:20:10,289

were the first ones here although they

400

00:20:19,730 --> 00:20:15,019

they say that they were produced from

401

00:20:23,930 --> 00:20:19,740

star elders Stardust from other star

402

00:20:28,009 --> 00:20:23,940

systems primarily the Pleiades but not

403

00:20:33,740 --> 00:20:28,019

not completely and they said that they

404

00:20:36,680 --> 00:20:33,750

were also mixed with a a giant lemur

405

00:20:40,669 --> 00:20:36,690

that was here on earth and so they're

406

00:20:44,210 --> 00:20:40,679

part of this giant lemur that used to be

407

00:20:47,090 --> 00:20:44,220

in Lemuria which is I think which is why

408

00:20:49,639 --> 00:20:47,100

they were seated there in Lemuria when

409

00:20:52,970 --> 00:20:49,649

they first came here to when they were

410

00:20:56,299 --> 00:20:52,980

first brought here to the earth and they

411

00:20:59,350 --> 00:20:56,309

have some unusual abilities an unusual

412

00:21:02,180 --> 00:20:59,360

by our standards they are

413

00:21:04,580 --> 00:21:02,190

interdimensional and they are physical

414

00:21:05,720 --> 00:21:04,590

they're both according to what I was

415

00:21:10,220 --> 00:21:05,730

reading in your book

416

00:21:12,769 --> 00:21:10,230

yes absolutely from one dimension to

417

00:21:16,100 --> 00:21:12,779

another they understand portals they

418

00:21:18,379 --> 00:21:16,110

know how to use them yes and actually

419

00:21:20,539 --> 00:21:18,389

they're they're so advanced that they

420

00:21:22,029 --> 00:21:20,549

don't even have to necessarily use the

421

00:21:28,700 --> 00:21:22,039

portals

422

00:21:30,740 --> 00:21:28,710

unsafe way of travelling just because

423

00:21:34,759 --> 00:21:30,750

humans have learned how to manipulate

424

00:21:38,539 --> 00:21:34,769

the portals and so they actually choose

425

00:21:41,480 --> 00:21:38,549

other astral body modes of travel like

426

00:21:46,159 --> 00:21:41,490

they use by location or multi location

427

00:21:48,560 --> 00:21:46,169

or they can just do things it's just

428

00:21:50,360 --> 00:21:48,570

like with intention it's not something

429

00:21:53,019 --> 00:21:50,370

that I can really explain how they do it

430

00:21:55,759 --> 00:21:53,029

because I can't do it you know but

431

00:21:59,000 --> 00:21:55,769

basically they do have access to all

432

00:22:01,909 --> 00:21:59,010

these different realms and dimensions

433

00:22:05,240 --> 00:22:01,919

and they're able to just with their

434

00:22:08,899 --> 00:22:05,250

consciousness just go there or amazing

435

00:22:11,060 --> 00:22:08,909

in multiple places at once yet maintain

436

00:22:13,700 --> 00:22:11,070

they told me they have access to eight

437

00:22:15,710 --> 00:22:13,710

different dimensions and I've seen them

438

00:22:19,879 --> 00:22:15,720

be materialized in front of me three

439

00:22:21,950 --> 00:22:19,889

times completely will feel that they're

440

00:22:22,850 --> 00:22:21,960

there and then they're gone right yeah

441

00:22:26,450 --> 00:22:22,860

mm-hmm

442

00:22:29,000 --> 00:22:26,460

yeah and they also of course they

443

00:22:31,759 --> 00:22:29,010

shape-shift quite a bit and here

444

00:22:34,960 --> 00:22:31,769

recently we found some tracks some

445

00:22:38,389 --> 00:22:34,970

really large tracks that were obviously

446

00:22:41,330 --> 00:22:38,399

Sasquatch they were gigantic footprints

447

00:22:44,750 --> 00:22:41,340

and so we followed them and then they

448

00:22:47,779 --> 00:22:44,760

turned into coyote tracks and then it

449

00:22:50,389 --> 00:22:47,789

turned back into Sasquatch tracks oh my

450

00:22:52,879 --> 00:22:50,399

god thanks yes they did that

451
00:22:55,700 --> 00:22:52,889
deliberately so they would find it

452
00:22:57,500 --> 00:22:55,710
because they do that as if like a gift

453
00:23:01,789 --> 00:22:57,510
because it's so unusual

454
00:23:05,389 --> 00:23:01,799
mm-hmm and yeah it's they leave a tracks

455
00:23:09,350 --> 00:23:05,399
or sometimes some feathers in the track

456
00:23:12,350 --> 00:23:09,360
or a number of things like that for as a

457
00:23:15,289 --> 00:23:12,360
gift incredible now I've got a question

458
00:23:17,990 --> 00:23:15,299
for you from John in the chat room and

459
00:23:19,549 --> 00:23:18,000
he says hi I hear you guys refer to them

460
00:23:22,299 --> 00:23:19,559
as people it

461
00:23:26,869 --> 00:23:22,309
this because they are genetically closer

462
00:23:30,350 --> 00:23:26,879
to Homo sapiens well yes but the thing

463
00:23:33,399 --> 00:23:30,360

is they are people in spite of how they

464

00:23:36,080 --> 00:23:33,409

look I mean you must keep in mind that

465

00:23:40,310 --> 00:23:36,090

when Darwin came out with a theory of

466

00:23:44,960 --> 00:23:40,320

evolution the British rationalized

467

00:23:46,879 --> 00:23:44,970

slavery using that and saying all well

468

00:23:49,879 --> 00:23:46,889

you know people in Africa are not

469

00:23:52,369 --> 00:23:49,889

entirely human so therefore they're

470

00:23:54,590 --> 00:23:52,379

they're they're supposed to be slaves

471

00:23:56,930 --> 00:23:54,600

you know and Darwin has sort of proved

472

00:23:58,730 --> 00:23:56,940

that they said this is outrageous this

473

00:24:02,869 --> 00:23:58,740

is outrageous

474

00:24:05,299 --> 00:24:02,879

so I said in my books that there's

475

00:24:08,419 --> 00:24:05,309

racial prejudice going on because people

476
00:24:13,609 --> 00:24:08,429
look at the Sasquatch and they just see

477
00:24:15,850 --> 00:24:13,619
a hairy biped and they don't take the

478
00:24:21,799 --> 00:24:15,860
time to try to communicate or do

479
00:24:24,799 --> 00:24:21,809
something friendly so they are like

480
00:24:27,169 --> 00:24:24,809
there are a hundred times more human

481
00:24:30,980 --> 00:24:27,179
than we are and more intelligent than we

482
00:24:33,320 --> 00:24:30,990
are even first of all they don't go

483
00:24:35,989 --> 00:24:33,330
around murdering each other they don't

484
00:24:40,519 --> 00:24:35,999
start wars and they don't destroyed the

485
00:24:43,789 --> 00:24:40,529
environment that sustains them so who's

486
00:24:46,359 --> 00:24:43,799
more human here I mean we're related

487
00:24:51,739 --> 00:24:46,369
they view us as little children actually

488
00:24:54,470 --> 00:24:51,749

and their DNA is more than 99% shared

489

00:24:56,210 --> 00:24:54,480

with our DNA or I guess you could say

490

00:25:00,649 --> 00:24:56,220

vice-versa since they're the first

491

00:25:03,019 --> 00:25:00,659

people that were here but we are more

492

00:25:05,509 --> 00:25:03,029

closely related to the Sasquatch people

493

00:25:10,190 --> 00:25:05,519

than any other mammal on the earth and

494

00:25:12,799 --> 00:25:10,200

we can breed with them as well we can to

495

00:25:14,450 --> 00:25:12,809

see you know I was very surprised to

496

00:25:18,249 --> 00:25:14,460

read that in the book that there have

497

00:25:22,129 --> 00:25:18,259

been reports of Bigfoot women

498

00:25:25,759 --> 00:25:22,139

approaching human men and wanting to

499

00:25:31,039 --> 00:25:25,769

breed and I that was kind of different I

500

00:25:32,370 --> 00:25:31,049

didn't like that you're just upset it

501
00:25:34,830 --> 00:25:32,380
wasn't you

502
00:25:38,550 --> 00:25:34,840
I'm glad it wasn't me I mean really it's

503
00:25:41,490 --> 00:25:38,560
just that it sounded so so odd why we're

504
00:25:43,650 --> 00:25:41,500
swear terror just not that night you

505
00:25:45,410 --> 00:25:43,660
know where were all these terrible

506
00:25:47,370 --> 00:25:45,420
things for the most part

507
00:25:51,480 --> 00:25:47,380
unfortunately why do they want to breed

508
00:25:56,700 --> 00:25:51,490
with us well for one thing they feel

509
00:26:00,750 --> 00:25:56,710
close to us and I was approached by a

510
00:26:05,400 --> 00:26:00,760
female ancient one with a human face and

511
00:26:07,800 --> 00:26:05,410
she was extremely beautiful and she said

512
00:26:11,370 --> 00:26:07,810
would you come up to the mountain I want

513
00:26:12,780 --> 00:26:11,380

to for us to make love and I said to her

514

00:26:15,750 --> 00:26:12,790

I said well right now I'm helping

515

00:26:18,060 --> 00:26:15,760

someone and that needs my help if she's

516

00:26:20,370 --> 00:26:18,070

it is good to help others but I'm lonely

517

00:26:23,480 --> 00:26:20,380

and I want you to come up to the

518

00:26:25,170 --> 00:26:23,490

mountain and she had green eyes and and

519

00:26:30,840 --> 00:26:25,180

absolutely beautiful

520

00:26:33,330 --> 00:26:30,850

and I I declined thinking back of course

521

00:26:38,100 --> 00:26:33,340

you know I thought well maybe I should

522

00:26:40,950 --> 00:26:38,110

have done it just for science sacrifice

523

00:26:46,430 --> 00:26:40,960

yourself sure yeah I couldn't resist

524

00:26:50,130 --> 00:26:46,440

that I just took rhesus but there's a

525

00:26:53,220 --> 00:26:50,140

higher purpose in that too I mean

526

00:26:56,330 --> 00:26:53,230

sometimes they are just lonely looking

527

00:27:00,180 --> 00:26:56,340

for companionship but they're also very

528

00:27:02,970 --> 00:27:00,190

attracted to us as humans too but

529

00:27:05,480 --> 00:27:02,980

there's also some people that you know I

530

00:27:09,450 --> 00:27:05,490

guess the situations are different but

531

00:27:11,400 --> 00:27:09,460

we're you know breeding is involved and

532

00:27:14,820 --> 00:27:11,410

sometimes it's something that was you

533

00:27:18,030 --> 00:27:14,830

know already set up and established even

534

00:27:19,860 --> 00:27:18,040

from you know a former lifetime or

535

00:27:22,740 --> 00:27:19,870

something like that

536

00:27:25,950 --> 00:27:22,750

you know so that the Sasquatch could

537

00:27:29,370 --> 00:27:25,960

remain in the human gene pool because I

538

00:27:32,280 --> 00:27:29,380

know of a couple people son Bo who wrote

539

00:27:35,310 --> 00:27:32,290

the Sasquatch message to humanity who

540

00:27:38,910 --> 00:27:35,320

channeled that message in his first book

541

00:27:41,850 --> 00:27:38,920

he describes how he was told by Camus

542

00:27:46,590 --> 00:27:41,860

that he is part Sasquatch and he learned

543

00:27:48,899 --> 00:27:46,600

the story of a bat and

544

00:27:51,960 --> 00:27:48,909

it's funny because he didn't know that

545

00:27:54,930 --> 00:27:51,970

was an untraceable part of their lineage

546

00:27:57,090 --> 00:27:54,940

and his family where they were unable to

547

00:27:59,389 --> 00:27:57,100

determine well where where did these

548

00:28:01,620 --> 00:27:59,399

jeans come from well they were sasquatch

549

00:28:06,950 --> 00:28:01,630

yeah this is fascinating

550

00:28:09,570 --> 00:28:06,960

this is book ha ha what is humanity

551

00:28:12,269 --> 00:28:09,580

interesting going to have to read that

552

00:28:14,129 --> 00:28:12,279

one too alone it is fascinating because

553

00:28:16,289 --> 00:28:14,139

there's so many wonderful attributes

554

00:28:19,980 --> 00:28:16,299

that you described in your book that

555

00:28:21,810 --> 00:28:19,990

Bigfoot has I mean the ESP that so

556

00:28:25,320 --> 00:28:21,820

highly developed the ability to move

557

00:28:29,220 --> 00:28:25,330

between dimensions the understanding of

558

00:28:30,869 --> 00:28:29,230

Earth's and the love that they have for

559

00:28:34,200 --> 00:28:30,879

the planet and I don't know why for us

560

00:28:36,720 --> 00:28:34,210

but for us and that's all good I mean

561

00:28:38,249 --> 00:28:36,730

those are all wonderful things but that

562

00:28:39,840 --> 00:28:38,259

again begs the question then why would

563

00:28:42,480 --> 00:28:39,850

it want to breed with us because we are

564

00:28:47,909 --> 00:28:42,490

much lower on this evolutionary totem

565

00:28:50,639 --> 00:28:47,919

pole so they don't buy mine yeah they're

566

00:28:54,409 --> 00:28:50,649

in general they're disgusted with the

567

00:28:57,480 --> 00:28:54,419

human race but it's a sale I mean they

568

00:29:00,629 --> 00:28:57,490

ask myself as well but you know they

569

00:29:02,879 --> 00:29:00,639

want us to walk an unconditional love so

570

00:29:05,310 --> 00:29:02,889

that's extremely important no matter

571

00:29:09,539 --> 00:29:05,320

what happens to to do that which is

572

00:29:12,029 --> 00:29:09,549

difficult to do at times but again these

573

00:29:15,029 --> 00:29:12,039

are things they shared spiritually with

574

00:29:17,730 --> 00:29:15,039

us and they don't waste words if they

575

00:29:20,820 --> 00:29:17,740

wanted to say something they don't just

576

00:29:22,889 --> 00:29:20,830

say oh well I'll just kind of mention it

577

00:29:25,740 --> 00:29:22,899

no they don't just mention it they talk

578

00:29:28,019 --> 00:29:25,750

about it and that's it they're really if

579

00:29:30,810 --> 00:29:28,029

you bring it up it's important mm-hmm

580

00:29:33,210 --> 00:29:30,820

yeah that's interesting so they don't

581

00:29:34,889 --> 00:29:33,220

mince any words say they say what they

582

00:29:37,080 --> 00:29:34,899

mean and that's it

583

00:29:38,399 --> 00:29:37,090

all right well everybody stay tuned

584

00:29:40,139 --> 00:29:38,409

questions answered so again feel free to

00:30:00,390 --> 00:29:56,110

tonight so stay tuned everybody you're

591

00:30:02,400 --> 00:30:00,400

listening to Supernatural girls radio

592

00:30:04,950 --> 00:30:02,410

welcome back everyone to supernatural

593

00:30:09,090 --> 00:30:04,960

Girls radio I'm your host Patricia Baker

594

00:30:12,630 --> 00:30:09,100

I am here with my co-host PK roasting in

595

00:30:15,870 --> 00:30:12,640

Tucson and tonight we have our wonderful

596

00:30:18,510 --> 00:30:15,880

guest Kelly and Kewanee who are the

597

00:30:22,320 --> 00:30:18,520

Bigfoot whispers they are telling us all

598

00:30:24,420 --> 00:30:22,330

about the Bigfoot where they come from

599

00:30:26,550 --> 00:30:24,430

we're going to find out what they eat

600

00:30:28,320 --> 00:30:26,560

what they do what they well we know what

601
00:30:30,270 --> 00:30:28,330
they think of us the human race and we

602
00:30:32,520 --> 00:30:30,280
kind of agree with them there's a lot we

603
00:30:34,680 --> 00:30:32,530
need to find out not questions in the

604
00:30:37,170 --> 00:30:34,690
chat room we need to ask as so many more

605
00:30:38,310 --> 00:30:37,180
questions on our own so let's let's deal

606
00:30:39,480 --> 00:30:38,320
with a couple of these questions from

607
00:30:41,850 --> 00:30:39,490
the chat room first

608
00:30:45,150 --> 00:30:41,860
here's one from starlight starlight

609
00:30:48,930 --> 00:30:45,160
wants to know how far back in time can

610
00:30:51,660 --> 00:30:48,940
you trace their ancestry hmm the

611
00:30:56,220 --> 00:30:51,670
Sasquatch people yes

612
00:30:59,340 --> 00:30:56,230
in the book the Sasquatch message to

613
00:31:03,600 --> 00:30:59,350

humanity Camus says that they've been

614

00:31:08,040 --> 00:31:03,610

here about 200 million years Wow oh my

615

00:31:10,800 --> 00:31:08,050

goodness hi yeah love history there okay

616

00:31:13,950 --> 00:31:10,810

yes and keep in mind that in Paluxy

617

00:31:18,380 --> 00:31:13,960

Texas in the limestone in the Paluxy

618

00:31:21,270 --> 00:31:18,390

River there's 24 inch footprints and

619

00:31:26,970 --> 00:31:21,280

right beside it is footprints of a

620

00:31:28,770 --> 00:31:26,980

dinosaurs and the University people

621

00:31:32,370 --> 00:31:28,780

would not come down look at it they

622

00:31:35,340 --> 00:31:32,380

caught they proclaimed it a fraud and

623

00:31:38,960 --> 00:31:35,350

that somebody chiseled them out which of

624

00:31:44,250 --> 00:31:38,970

course it didn't so one of these beads

625

00:31:46,260 --> 00:31:44,260

footprints and there's lots of them with

626

00:31:49,200 --> 00:31:46,270

a dinosaur beside either it was

627

00:31:55,560 --> 00:31:49,210

following the dinosaur or the dinosaur

628

00:31:58,380 --> 00:31:55,570

was following it and they it went

629

00:32:01,440 --> 00:31:58,390

underneath the slab that waits several

630

00:32:05,190 --> 00:32:01,450

tons and it came out the footprints came

631

00:32:08,790 --> 00:32:05,200

out the other side oh well you know

632

00:32:10,230 --> 00:32:08,800

there was no way to move that to see if

633

00:32:12,900 --> 00:32:10,240

there was footprints underneath because

634

00:32:13,680 --> 00:32:12,910

obviously if there is that's one way to

635

00:32:16,680 --> 00:32:13,690

prove that

636

00:32:19,580 --> 00:32:16,690

our authentic so my lady

637

00:32:24,630 --> 00:32:19,590

minimus who was interested in

638

00:32:28,110 --> 00:32:24,640

paleontology uh hired a crane to pick up

639

00:32:30,840 --> 00:32:28,120

that slab and when they did there was a

640

00:32:34,050 --> 00:32:30,850

footprints continued on right through

641

00:32:38,180 --> 00:32:34,060

the other oh my god that's something I

642

00:32:43,020 --> 00:32:38,190

asked the Sasquatch I said with these

643

00:32:45,540 --> 00:32:43,030

from hairless Giants or were they from

644

00:32:48,510 --> 00:32:45,550

your people they said no was from our

645

00:32:52,290 --> 00:32:48,520

people the hairless Giants came much

646

00:32:55,980 --> 00:32:52,300

later they receded much later and then

647

00:32:57,960 --> 00:32:55,990

your people were finally seated I mean

648

00:32:59,970 --> 00:32:57,970

keep in mind the indigenous peoples all

649

00:33:03,540 --> 00:32:59,980

over the world say that they were

650

00:33:10,740 --> 00:33:03,550

brought here the American Indians say

651
00:33:12,690 --> 00:33:10,750
that the the name Anishinabe is the name

652
00:33:15,840 --> 00:33:12,700
they give themselves in the great lake

653
00:33:18,150 --> 00:33:15,850
woodland Indians and Anishinabe if you

654
00:33:22,530 --> 00:33:18,160
ask an anthropologist is what means the

655
00:33:26,670 --> 00:33:22,540
first people but if you transliterated

656
00:33:29,160 --> 00:33:26,680
it it means Anishinabe means we the

657
00:33:35,910 --> 00:33:29,170
people who have come far from beyond the

658
00:33:39,090 --> 00:33:35,920
Sun amazing yeah so these are been

659
00:33:42,990 --> 00:33:39,100
mislabeled by science as folklore and

660
00:33:45,300 --> 00:33:43,000
legends and all that baloney when they

661
00:33:50,190 --> 00:33:45,310
are really hindering the advancement of

662
00:33:52,350 --> 00:33:50,200
science because of their scientific

663
00:33:55,650 --> 00:33:52,360

paradigm that needs to be changed to

664

00:33:57,390 --> 00:33:55,660

include the paranormal well people don't

665

00:34:00,450 --> 00:33:57,400

like to name paranormal they say it's

666

00:34:02,910 --> 00:34:00,460

unscientific then use the word quantum

667

00:34:06,690 --> 00:34:02,920

physics because it's synonymous there's

668

00:34:09,450 --> 00:34:06,700

one in the same so it's Lea gray and in

669

00:34:12,990 --> 00:34:09,460

my ideas hair dyes mainstream and it has

670

00:34:16,409 --> 00:34:13,000

been a long and has this just people are

671

00:34:19,169 --> 00:34:16,419

fearful and being put down if a

672

00:34:21,780 --> 00:34:19,179

professor said oh I'm you know had this

673

00:34:25,950 --> 00:34:21,790

experience at all no you didn't that's

674

00:34:29,630 --> 00:34:25,960

not real so you know there

675

00:34:33,170 --> 00:34:29,640

and I'm a social scientist so I have

676

00:34:35,970 --> 00:34:33,180

changed a lot in because the Sasquatch

677

00:34:39,240 --> 00:34:35,980

influenced me and the ETS influenced me

678

00:34:42,210 --> 00:34:39,250

and on what's going on on the planet and

679

00:34:45,300 --> 00:34:42,220

in what reality is and it's certainly

680

00:34:48,420 --> 00:34:45,310

not the way that science is describing

681

00:34:50,640 --> 00:34:48,430

it much of I mean science has a very

682

00:34:52,800 --> 00:34:50,650

narrow perspective and if you don't

683

00:34:55,290 --> 00:34:52,810

agree with their narrow perspectives and

684

00:34:57,840 --> 00:34:55,300

they have their ways of trying to put

685

00:35:00,900 --> 00:34:57,850

you down and make you feel stupid but we

686

00:35:02,490 --> 00:35:00,910

all know that it's time to expand

687

00:35:05,010 --> 00:35:02,500

consciousness it's time for a new

688

00:35:09,210 --> 00:35:05,020

paradigm it's time to include Bigfoot

689

00:35:12,000 --> 00:35:09,220

ets etc it's not about what if or do you

690

00:35:13,410 --> 00:35:12,010

believe they're here they're real we

691

00:35:16,230 --> 00:35:13,420

know that on this show our audience

692

00:35:18,900 --> 00:35:16,240

knows that and it's it's time that we

693

00:35:20,610 --> 00:35:18,910

learn more about the Bigfoot and the ETS

694

00:35:23,730 --> 00:35:20,620

and as I was so thrilled to have you

695

00:35:26,460 --> 00:35:23,740

both on the show to inform us because

696

00:35:29,400 --> 00:35:26,470

you have direct contact what better way

697

00:35:31,410 --> 00:35:29,410

to find out all about the Bigfoot in the

698

00:35:33,720 --> 00:35:31,420

ETS that you've met then directly from

699

00:35:37,110 --> 00:35:33,730

them it's great so here's another

700

00:35:40,110 --> 00:35:37,120

question this is from Diane excuse me

701

00:35:43,700 --> 00:35:40,120

Denise Denise says was the original

702

00:35:51,060 --> 00:35:43,710

Patterson film and authentic sasquatch

703

00:35:54,510 --> 00:35:51,070

yes yes it's authentic in the yeah this

704

00:35:57,510 --> 00:35:54,520

was October 20th 1967 I was living in

705

00:36:00,450 --> 00:35:57,520

East Africa at a time and my mother sent

706

00:36:02,190 --> 00:36:00,460

me the whole article and the pictures

707

00:36:06,840 --> 00:36:02,200

and everything that was in Argosy

708

00:36:09,750 --> 00:36:06,850

magazine which is now defunct absolutely

709

00:36:12,840 --> 00:36:09,760

I asked assess what about this back in

710

00:36:15,540 --> 00:36:12,850

the 80s and they said yes that was one

711

00:36:19,340 --> 00:36:15,550

of our people and now there's there are

712

00:36:22,380 --> 00:36:19,350

people getting pictures of sasquatch and

713

00:36:25,680 --> 00:36:22,390

you know people are refuting it and

714

00:36:28,740 --> 00:36:25,690

that's okay because science isn't going

715

00:36:31,710 --> 00:36:28,750

to accept that anyway from a photograph

716

00:36:34,980 --> 00:36:31,720

and they know that but they want people

717

00:36:38,790 --> 00:36:34,990

to know they're real so they allow a few

718

00:36:39,450 --> 00:36:38,800

fuzzy pictures or them walking away off

719

00:36:41,100 --> 00:36:39,460

to the

720

00:36:44,280 --> 00:36:41,110

where you really don't get that good a

721

00:36:46,500 --> 00:36:44,290

look so to let people know yes for a

722

00:36:48,990 --> 00:36:46,510

real and we're here even though it's not

723

00:36:51,810 --> 00:36:49,000

the ultimate proof by science anyway you

724

00:36:53,400 --> 00:36:51,820

know right now we've heard that they

725

00:36:56,580 --> 00:36:53,410

don't like to have their picture taken

726

00:36:58,860 --> 00:36:56,590

is that true mm-hmm that's correct don't

727

00:37:01,200 --> 00:36:58,870

why why don't they want to do a picture

728

00:37:04,230 --> 00:37:01,210

taken they don't like it well because

729

00:37:06,840 --> 00:37:04,240

they can feel all of the emotions that

730

00:37:09,300 --> 00:37:06,850

are sent there away I don't think they

731

00:37:11,430 --> 00:37:09,310

don't necessarily always mind getting

732

00:37:14,010 --> 00:37:11,440

their photograph taken but they they

733

00:37:18,530 --> 00:37:14,020

don't care to have them published

734

00:37:20,790 --> 00:37:18,540

publicly em because they can feel

735

00:37:23,280 --> 00:37:20,800

everybody that's making a judgment

736

00:37:26,070 --> 00:37:23,290

against it and saying that it's fake and

737

00:37:28,950 --> 00:37:26,080

you know all of these different emotions

738

00:37:32,370 --> 00:37:28,960

they're so sensitive to that that they

739

00:37:34,620 --> 00:37:32,380

can they can feel that and part of a

740

00:37:36,630 --> 00:37:34,630

reason why most of the pictures of them

741

00:37:39,270 --> 00:37:36,640

turn out all fuzzy is because their

742

00:37:42,150 --> 00:37:39,280

frequency is just so much higher that

743

00:37:44,910 --> 00:37:42,160

it's nearly impossible to take a good

744

00:37:47,040 --> 00:37:44,920

photograph unless they do something to

745

00:37:50,310 --> 00:37:47,050

lower their frequency so that we can

746

00:37:53,030 --> 00:37:50,320

capture a good image like how patty did

747

00:37:55,890 --> 00:37:53,040

on the patterson-gimlin film she

748

00:37:58,800 --> 00:37:55,900

intentionally did that so that we would

749

00:38:03,180 --> 00:37:58,810

have that that image on her see they

750

00:38:06,090 --> 00:38:03,190

don't want icing nah I don't mean Kelly

751

00:38:10,160 --> 00:38:06,100

and I but people in general to get good

752

00:38:12,420 --> 00:38:10,170

photographs of them or good film of them

753

00:38:14,610 --> 00:38:12,430

because they're being exploited they

754

00:38:17,550 --> 00:38:14,620

want to sell it for a million dollars or

755

00:38:20,520 --> 00:38:17,560

half a million dollars or whatever and

756

00:38:22,410 --> 00:38:20,530

they don't do not want this so they

757

00:38:26,160 --> 00:38:22,420

don't want people exploiting they don't

758

00:38:29,490 --> 00:38:26,170

trust us good look what a surprise

759

00:38:32,100 --> 00:38:29,500

yeah I wonder why is that very similar

760

00:38:34,650 --> 00:38:32,110

to in when they started taking photos of

761

00:38:36,870 --> 00:38:34,660

the Indians way back when when they felt

762

00:38:39,150 --> 00:38:36,880

like it was taking their soul I know

763

00:38:41,850 --> 00:38:39,160

it's a piece of this or they still feel

764

00:38:44,520 --> 00:38:41,860

that that's the same type of feeling yes

765

00:38:47,520 --> 00:38:44,530

yes because it's it really depends on

766

00:38:49,410 --> 00:38:47,530

the intentions of the photographer why

767

00:38:53,250 --> 00:38:49,420

are they taking that picture and that's

768

00:38:55,260 --> 00:38:53,260

how they feel yeah but here's a

769

00:38:57,270 --> 00:38:55,270

question from one of our buddies and

770

00:39:00,930 --> 00:38:57,280

somebody you probably know quite well as

771

00:39:03,350 --> 00:39:00,940

also Peter Shampoo and Peter is written

772

00:39:06,660 --> 00:39:03,360

and he says to the big people live on

773

00:39:09,120 --> 00:39:06,670

plasma being a large being it would seem

774

00:39:15,990 --> 00:39:09,130

they would need to eat a lot and often

775

00:39:19,350 --> 00:39:16,000

but are found in marginal habitats yeah

776

00:39:21,120 --> 00:39:19,360

I know that when they're traveling when

777

00:39:24,240 --> 00:39:21,130

they're in higher dimensions they don't

778

00:39:26,670 --> 00:39:24,250

need food or water you know there's just

779

00:39:28,650 --> 00:39:26,680

no need for that because they're light

780

00:39:30,870 --> 00:39:28,660

beings they vibrate at such a higher

781

00:39:34,980 --> 00:39:30,880

rate that they don't need any kind of

782

00:39:37,290 --> 00:39:34,990

food or water while they're here

783

00:39:41,580 --> 00:39:37,300

physically on earth in the lower

784

00:39:45,240 --> 00:39:41,590

dimension they do eat but I really can't

785

00:39:48,750 --> 00:39:45,250

say how much for sure some of them just

786

00:39:51,450 --> 00:39:48,760

are fruit eaters you know plant eaters

787

00:39:53,910 --> 00:39:51,460

root eaters and things like that and

788

00:39:56,040 --> 00:39:53,920

every now and then they will kill a deer

789

00:39:58,170 --> 00:39:56,050

or something like that to eat it I think

790

00:40:00,570 --> 00:39:58,180

maybe it just depends on the on the

791

00:40:05,610 --> 00:40:00,580

conditions or you know maybe they're

792

00:40:10,160 --> 00:40:05,620

even having a Bigfoot party and like I

793

00:40:12,720 --> 00:40:10,170

said role rather DeRose okay why not

794

00:40:15,270 --> 00:40:12,730

well Peter brings up a new point because

795

00:40:16,860 --> 00:40:15,280

they are so large you know you would

796

00:40:19,470 --> 00:40:16,870

think that they they would need some

797

00:40:20,880 --> 00:40:19,480

enormous amount of food but they

798

00:40:23,760 --> 00:40:20,890

obviously know how to take care of

799

00:40:28,310 --> 00:40:23,770

themselves and I've also heard that they

800

00:40:31,800 --> 00:40:28,320

like to eat bread products donuts and

801
00:40:34,710 --> 00:40:31,810
writers that remember that for exactly

802
00:40:38,190 --> 00:40:34,720
they did enjoy jaws keep in mind that

803
00:40:40,140 --> 00:40:38,200
there's there's still individuals if you

804
00:40:44,280 --> 00:40:40,150
lined up ten crocodiles and they were

805
00:40:46,530 --> 00:40:44,290
all 12 foot long and I could predict if

806
00:40:48,480 --> 00:40:46,540
you jumped in a swimming pool with one

807
00:40:51,000 --> 00:40:48,490
of them I can predict what's going to

808
00:40:54,420 --> 00:40:51,010
happen I don't care which one it is but

809
00:40:56,730 --> 00:40:54,430
with a sasquatch or an ancient one there

810
00:40:59,750 --> 00:40:56,740
are people so they're different in what

811
00:41:02,970 --> 00:40:59,760
they like and don't like for example a

812
00:41:03,950 --> 00:41:02,980
woman in Texas her and a husband are

813
00:41:07,220 --> 00:41:03,960

interacting with

814

00:41:09,620 --> 00:41:07,230

them and she made this real nice chicken

815

00:41:12,620 --> 00:41:09,630

sandwich you know all natural and

816

00:41:14,990 --> 00:41:12,630

everything and put it out there and they

817

00:41:17,440 --> 00:41:15,000

never touched it she was a little upset

818

00:41:20,810 --> 00:41:17,450

because it spoiled in the heat and

819

00:41:23,150 --> 00:41:20,820

everything they just did like it so the

820

00:41:27,980 --> 00:41:23,160

next day she put out spaghetti and they

821

00:41:31,520 --> 00:41:27,990

ate it I don't you know it's it's all a

822

00:41:34,730 --> 00:41:31,530

matter of preference and ya know some

823

00:41:36,260 --> 00:41:34,740

people you know that I've met they want

824

00:41:38,870 --> 00:41:36,270

to go out to eat somewhere and that's

825

00:41:41,450 --> 00:41:38,880

what we could go to Chinese food oh I

826
00:41:43,550 --> 00:41:41,460
don't like Chinese food somebody yeah

827
00:41:45,020 --> 00:41:43,560
that's the reference you know whatever

828
00:41:47,540 --> 00:41:45,030
they like and it's the same with a

829
00:41:50,870 --> 00:41:47,550
sasquatch so you can't label them just

830
00:41:53,390 --> 00:41:50,880
one thing great I suppose most of them

831
00:41:57,500 --> 00:41:53,400
would never really have an opportunity

832
00:42:00,260 --> 00:41:57,510
to try human food you know unless we're

833
00:42:02,150 --> 00:42:00,270
offering it to them I I didn't know that

834
00:42:03,589 --> 00:42:02,160
they like chocolate they've told me that

835
00:42:12,410 --> 00:42:03,599
they like chocolate but come on who

836
00:42:15,200 --> 00:42:12,420
doesn't you know ha ha ha well here's

837
00:42:16,730 --> 00:42:15,210
another question from the chat room what

838
00:42:19,460 --> 00:42:16,740

do you hope we take away from your

839

00:42:23,170 --> 00:42:19,470

experiences if we happen to stumble

840

00:42:26,359 --> 00:42:23,180

across a Bigfoot for the very first time

841

00:42:29,060 --> 00:42:26,369

well you mean if it's proven is that

842

00:42:31,790 --> 00:42:29,070

with their they've on this gentleman

843

00:42:34,070 --> 00:42:31,800

wants to know what what should we do so

844

00:42:37,400 --> 00:42:34,080

let's say we stumble upon a Bigfoot its

845

00:42:38,780 --> 00:42:37,410

first encounter what should we do what

846

00:42:41,030 --> 00:42:38,790

can we learn from you and how to

847

00:42:43,339 --> 00:42:41,040

interact with a Bigfoot wait a minute

848

00:42:47,240 --> 00:42:43,349

first of all let go of all fear in

849

00:42:50,030 --> 00:42:47,250

exchange for love and trust love and

850

00:42:52,700 --> 00:42:50,040

trust now this being maybe seven eight

851

00:43:01,450 --> 00:42:52,710

ten twelve fifteen feet tall and they

852

00:43:04,250 --> 00:43:01,460

get that big and the they're just um you

853

00:43:07,870 --> 00:43:04,260

want to let go of fear that's really

854

00:43:11,120 --> 00:43:07,880

important I would

855

00:43:15,170 --> 00:43:11,130

either sit on the ground and to make

856

00:43:18,429 --> 00:43:15,180

myself more vulnerable or sit on a log

857

00:43:22,279 --> 00:43:18,439

and and think good thoughts towards the

858

00:43:23,900 --> 00:43:22,289

sasquatch I mean I wouldn't say my god

859

00:43:26,209 --> 00:43:23,910

he looks like he's gonna eat me or

860

00:43:28,729 --> 00:43:26,219

something like that you know that's

861

00:43:32,689 --> 00:43:28,739

negative it's a negative thing you know

862

00:43:35,479 --> 00:43:32,699

I would say you know my tremendous bill

863

00:43:37,880 --> 00:43:35,489

that he's handsome and he's think the

864

00:43:39,939 --> 00:43:37,890

good thoughts you know but certainly

865

00:43:43,459 --> 00:43:39,949

he's going to know what you're thinking

866

00:43:44,329 --> 00:43:43,469

so whatever you're thinking you think

867

00:43:47,809 --> 00:43:44,339

good thoughts

868

00:43:50,420 --> 00:43:47,819

you don't perturb it and safety if I had

869

00:43:54,699 --> 00:43:50,430

a gun I'd shoot him just thinking that

870

00:44:00,130 --> 00:43:54,709

because one Sasquatch in 1981 did that

871

00:44:03,229 --> 00:44:00,140

he it was a white sasquatch up in

872

00:44:05,509 --> 00:44:03,239

northern Wisconsin and there were three

873

00:44:09,589 --> 00:44:05,519

people and they saw it running from tree

874

00:44:11,689 --> 00:44:09,599

to tree and all of a sudden it just got

875

00:44:15,620 --> 00:44:11,699

upset it started coming towards them and

876

00:44:20,689 --> 00:44:15,630

they ran into it the a-frame that that

877

00:44:22,579 --> 00:44:20,699

there one of them owned and it pounded

878

00:44:25,189 --> 00:44:22,589

on the door and on the side it was just

879

00:44:28,009 --> 00:44:25,199

that upset and I when I was interviewing

880

00:44:30,679 --> 00:44:28,019

these people I said well they said well

881

00:44:32,179 --> 00:44:30,689

he was going to kill us and I said no he

882

00:44:35,569 --> 00:44:32,189

wasn't I said I'll tell you right now he

883

00:44:38,419 --> 00:44:35,579

wasn't so yes he was he pounded on the

884

00:44:40,279 --> 00:44:38,429

doors and this and them and I said well

885

00:44:43,099 --> 00:44:40,289

what did you do he said we didn't do

886

00:44:44,569 --> 00:44:43,109

anything so I thought for a minute sir

887

00:44:45,140 --> 00:44:44,579

what were you thinking when you first

888

00:44:46,729 --> 00:44:45,150

saw him

889

00:44:50,749 --> 00:44:46,739

he's woof I had a gun I would have shot

890

00:44:54,829 --> 00:44:50,759

him oh that's why there you go mm-hmm

891

00:44:57,829 --> 00:44:54,839

you know that's that's the answer right

892

00:45:00,019 --> 00:44:57,839

how many thoughts how many are together

893

00:45:01,329 --> 00:45:00,029

at any given time how many of you sing

894

00:45:06,739 --> 00:45:01,339

together

895

00:45:11,359 --> 00:45:06,749

well laughs yeah I seem like a group of

896

00:45:14,059 --> 00:45:11,369

five before but last year was our first

897

00:45:16,309 --> 00:45:14,069

conference that we held up at the

898

00:45:18,079 --> 00:45:16,319

Chewelah Peak Learning Center is the

899

00:45:19,220 --> 00:45:18,089

spiritual and psychic Sasquatch

900

00:45:21,819 --> 00:45:19,230

conference

901
00:45:26,390 --> 00:45:21,829
and they told us that they were

902
00:45:29,089 --> 00:45:26,400
preparing to bring many here and that

903
00:45:30,710 --> 00:45:29,099
they are gathering the tribes to bring

904
00:45:33,050 --> 00:45:30,720
them up for the conference and things

905
00:45:35,359 --> 00:45:33,060
like that and then also during our

906
00:45:40,220 --> 00:45:35,369
wedding ceremony there were quite a few

907
00:45:43,250 --> 00:45:40,230
so two hundred entirely my goodness and

908
00:45:45,829 --> 00:45:43,260
it's hard to like give an exact number

909
00:45:48,190 --> 00:45:45,839
but I'll tell you that the the presence

910
00:45:52,280 --> 00:45:48,200
of the Sasquatch during our conference

911
00:45:56,000 --> 00:45:52,290
was in the thousands oh my god everybody

912
00:45:58,040 --> 00:45:56,010
there to feel them very intensely many

913
00:46:00,680 --> 00:45:58,050

people had their first sightings or

914

00:46:02,569 --> 00:46:00,690

their first telepathic communication and

915

00:46:04,849 --> 00:46:02,579

things like that so it's really

916

00:46:05,329 --> 00:46:04,859

incredible we're having it again this

917

00:46:08,240 --> 00:46:05,339

year

918

00:46:10,220 --> 00:46:08,250

September 1st through 3rd so and this is

919

00:46:10,880 --> 00:46:10,230

in Washington state where you are right

920

00:46:16,069 --> 00:46:10,890

yeah

921

00:46:19,069 --> 00:46:16,079

people can go to WWE Seth kawatche calm

922

00:46:24,170 --> 00:46:19,079

psychic sasquatch calm and also they can

923

00:46:26,599 --> 00:46:24,180

go to WWF people calm for more

924

00:46:29,990 --> 00:46:26,609

information on all this that's a

925

00:46:31,819 --> 00:46:30,000

fascinating yes and it is it is it's

926

00:46:34,339 --> 00:46:31,829

amazing that the beautiful connection

927

00:46:35,359 --> 00:46:34,349

you have and you know I one of the

928

00:46:39,410 --> 00:46:35,369

things he wanted you to talk about

929

00:46:44,000 --> 00:46:39,420

tonight is that when you have asked them

930

00:46:48,020 --> 00:46:44,010

to help you and others to be healed they

931

00:46:49,880 --> 00:46:48,030

have done it they just responded can you

932

00:46:51,650 --> 00:46:49,890

tell us about that whether you want to

933

00:46:54,170 --> 00:46:51,660

share about yourself or someone else

934

00:46:55,730 --> 00:46:54,180

this is a beautiful story they're all in

935

00:46:59,300 --> 00:46:55,740

the book by the way for everybody you

936

00:47:01,970 --> 00:46:59,310

guys going to get it as well right the I

937

00:47:05,089 --> 00:47:01,980

was having experiences when I was living

938

00:47:10,400 --> 00:47:05,099

in Oregon in I arrived there in January

939

00:47:15,530 --> 00:47:10,410

of 1984 and I started having experiences

940

00:47:19,130 --> 00:47:15,540

right away when I was living in a

941

00:47:23,000 --> 00:47:19,140

cottage in the Oregon foothills of the

942

00:47:26,390 --> 00:47:23,010

Cascades and the Sasquatch would come up

943

00:47:30,170 --> 00:47:26,400

onto the deck of where I was living and

944

00:47:32,390 --> 00:47:30,180

I also noticed which I found strange at

945

00:47:35,390 --> 00:47:32,400

the time that I was

946

00:47:36,890 --> 00:47:35,400

spaceships coming in and landing behind

947

00:47:40,730 --> 00:47:36,900

this mountain that was right there in

948

00:47:42,710 --> 00:47:40,740

front of me and I you know at first I

949

00:47:45,580 --> 00:47:42,720

thought it was just a coincidence but I

950

00:47:48,710 --> 00:47:45,590

soon learned it was not that these were

951
00:47:53,470 --> 00:47:48,720
whatever they were doing I was in a key

952
00:48:02,260 --> 00:47:53,480
place to see this to observe it but um I

953
00:48:10,730 --> 00:48:05,810
1987 I'm not sure what happened but I

954
00:48:14,870 --> 00:48:10,740
had a ruptured disc where I was unable

955
00:48:19,220 --> 00:48:14,880
to walk at all and I couldn't take one

956
00:48:23,210 --> 00:48:19,230
step and the pain on a level of one to

957
00:48:27,260 --> 00:48:23,220
ten ten being the worst was it my pain

958
00:48:30,290 --> 00:48:27,270
was at ten and a half mm ah oh every

959
00:48:33,980 --> 00:48:30,300
time he playin lay in bed no I when I

960
00:48:36,230 --> 00:48:33,990
went to several doctors the first I went

961
00:48:38,390 --> 00:48:36,240
to a chiropractor and he said oh no he

962
00:48:42,320 --> 00:48:38,400
says you need to see a neurosurgeon

963
00:48:44,630 --> 00:48:42,330

immediately so when I did he wanted to

964

00:48:47,600 --> 00:48:44,640

do experimental surgery and I said no

965

00:48:49,490 --> 00:48:47,610

and then he said look I'll give you some

966

00:48:51,800 --> 00:48:49,500

painkillers but when these are through

967

00:48:54,890 --> 00:48:51,810

when you're through taking them in ten

968

00:48:57,740 --> 00:48:54,900

days ice I guarantee you you'll be back

969

00:48:59,690 --> 00:48:57,750

begging me for the surgery and I don't

970

00:49:02,120 --> 00:48:59,700

know why I said this but I said to him

971

00:49:05,570 --> 00:49:02,130

doctor you'll never see me again

972

00:49:09,560 --> 00:49:05,580

and course I did all right I was in a

973

00:49:11,920 --> 00:49:09,570

wheelchair and I will myself out and I

974

00:49:14,090 --> 00:49:11,930

didn't know what I was going to do but I

975

00:49:19,360 --> 00:49:14,100

thought of everything

976
00:49:23,300 --> 00:49:19,370
and except asking for help from the ETS

977
00:49:25,820 --> 00:49:23,310
so I laid in bed that's all I could do I

978
00:49:28,580 --> 00:49:25,830
couldn't do anything and friends and

979
00:49:30,380 --> 00:49:28,590
neighbors for bringing food over doing

980
00:49:36,020 --> 00:49:30,390
my laundry for me and things like that

981
00:49:37,780 --> 00:49:36,030
and so I telepath asking for a healing I

982
00:49:41,030 --> 00:49:37,790
did it all day long

983
00:49:43,310 --> 00:49:41,040
nothing the second day I mean these are

984
00:49:45,799 --> 00:49:43,320
long days when you're in pain you can

985
00:49:50,929 --> 00:49:45,809
only sleep about four hours of

986
00:49:55,400 --> 00:49:50,939
night and just stressed exhausted from

987
00:49:58,069 --> 00:49:55,410
the pain so all day long the second day

988
00:50:00,019 --> 00:49:58,079

I tell a patent telepath and finally I

989

00:50:03,890 --> 00:50:00,029

just broke down and wept and wet

990

00:50:07,370 --> 00:50:03,900

I don't rust rated nothing's happening

991

00:50:10,939 --> 00:50:07,380

and I just felt totally lost in here I

992

00:50:12,559 --> 00:50:10,949

am always backpacking and climbing

993

00:50:13,069 --> 00:50:12,569

mountains and everything that my whole

994

00:50:15,259 --> 00:50:13,079

life

995

00:50:19,880 --> 00:50:15,269

and also I couldn't walk and this was a

996

00:50:22,339 --> 00:50:19,890

really awful yeah so that's the second

997

00:50:25,370 --> 00:50:22,349

night when I shut the light off

998

00:50:27,949 --> 00:50:25,380

I heard shuffling of feet but little

999

00:50:29,809 --> 00:50:27,959

feet and as best I could I turned around

1000

00:50:33,109 --> 00:50:29,819

even though was difficult for me to turn

1001
00:50:36,469 --> 00:50:33,119
around and there were three roughly four

1002
00:50:39,859 --> 00:50:36,479
and four foot tall the beings and little

1003
00:50:42,140 --> 00:50:39,869
space suits and they said we're here to

1004
00:50:46,819 --> 00:50:42,150
heal you and I said thank you god bless

1005
00:50:48,319 --> 00:50:46,829
you and they put me out instantly well I

1006
00:50:53,739 --> 00:50:48,329
hadn't been able to sleep like I said

1007
00:50:55,880 --> 00:50:53,749
for a couple of but three weeks and but

1008
00:50:57,890 --> 00:50:55,890
during this time that they were doing

1009
00:51:00,339 --> 00:50:57,900
some healing work I heard a strange

1010
00:51:03,199 --> 00:51:00,349
voice that woke me up in my head and

1011
00:51:06,349 --> 00:51:03,209
that was them talking to each other and

1012
00:51:10,189 --> 00:51:06,359
somehow it filtered into my my head into

1013
00:51:12,199 --> 00:51:10,199

my mind and it woke me up and I opened

1014

00:51:14,870 --> 00:51:12,209

my eyes up and I looked and it was one

1015

00:51:17,059 --> 00:51:14,880

to my left one to my right one behind me

1016

00:51:20,089 --> 00:51:17,069

with some kind of a cylindrical object

1017

00:51:23,539 --> 00:51:20,099

and I looked up at him I said oh it's

1018

00:51:26,929 --> 00:51:23,549

only you guys I love you I just like

1019

00:51:30,439 --> 00:51:26,939

that hmm what do you say someone that's

1020

00:51:32,329 --> 00:51:30,449

come to heal you exactly saying god

1021

00:51:34,339 --> 00:51:32,339

bless you and I love you are the two

1022

00:51:37,789 --> 00:51:34,349

highest forms of education in the

1023

00:51:40,099 --> 00:51:37,799

universe and so I did and then they put

1024

00:51:43,309 --> 00:51:40,109

me back out well ten and a half hours

1025

00:51:45,140 --> 00:51:43,319

later I woke up completely rested with

1026

00:51:49,759 --> 00:51:45,150

zero pain ah

1027

00:51:52,039 --> 00:51:49,769

and I sat at the edge of the bed saying

1028

00:51:54,999 --> 00:51:52,049

my morning prayers and giggling and

1029

00:51:58,400 --> 00:51:55,009

laughing because they knew something

1030

00:51:59,210 --> 00:51:58,410

absolutely close to a miracle had

1031

00:52:01,670 --> 00:51:59,220

happened

1032

00:52:02,240 --> 00:52:01,680

and I'm just sitting there giggling I

1033

00:52:08,089 --> 00:52:02,250

couldn't believe it

1034

00:52:11,059 --> 00:52:08,099

walked to the bathroom with no pain so I

1035

00:52:13,220 --> 00:52:11,069

can still feel a pressure back there I

1036

00:52:15,950 --> 00:52:13,230

stayed at home all day and that night

1037

00:52:18,710 --> 00:52:15,960

they came again and said well we have to

1038

00:52:22,880 --> 00:52:18,720

work on you one more time and I said

1039

00:52:24,890 --> 00:52:22,890

fine come ahead and so that pressure was

1040

00:52:27,500 --> 00:52:24,900

gone the next morning because it was

1041

00:52:29,809 --> 00:52:27,510

completely taken care of and the

1042

00:52:36,680 --> 00:52:29,819

interesting thing is they didn't even

1043

00:52:39,349 --> 00:52:36,690

ask me if I had insurance you know about

1044

00:52:41,120 --> 00:52:39,359

two weeks later I was going to visit a

1045

00:52:46,130 --> 00:52:41,130

close friend of mine it had a thousand

1046

00:52:48,500 --> 00:52:46,140

acre ranch in wilderness and I used to

1047

00:52:50,839 --> 00:52:48,510

go and spend the weekend two three days

1048

00:52:53,540 --> 00:52:50,849

they'd stay overnight well that's what I

1049

00:52:56,660 --> 00:52:53,550

was going to do but that Friday I was

1050

00:52:58,760 --> 00:52:56,670

going to leave I realized that I didn't

1051
00:53:01,819 --> 00:52:58,770
go in town to draw some money out of the

1052
00:53:06,500 --> 00:53:01,829
bank and this is before the ATMs you

1053
00:53:08,960 --> 00:53:06,510
know this is 1987 so I quickly drove

1054
00:53:11,599 --> 00:53:08,970
into town and when I got there it was

1055
00:53:13,609 --> 00:53:11,609
seven minutes to 5:00 on a Friday and it

1056
00:53:15,980 --> 00:53:13,619
closed at five o'clock all right so I'm

1057
00:53:18,920 --> 00:53:15,990
jogging down the street as I can you

1058
00:53:20,870 --> 00:53:18,930
know to make it to the bank in time in

1059
00:53:24,800 --> 00:53:20,880
general edge of our seats over going to

1060
00:53:26,420 --> 00:53:24,810
have to hang tight we've got a very

1061
00:53:30,470 --> 00:53:26,430
short commercial break we're going to

1062
00:53:32,780 --> 00:53:30,480
take do is doctor we're going to come

1063
00:53:34,130 --> 00:53:32,790

back after the break we're going to hear

1064

00:53:35,690 --> 00:53:34,140

the rest of the story I hope you got

1065

00:53:37,520 --> 00:53:35,700

your money to get out to the rim you

1066

00:53:39,829 --> 00:53:37,530

shouldn't find out how this all happened

1067

00:53:42,380 --> 00:53:39,839

and what this has to do is Bigfoot so

1068

00:53:44,750 --> 00:53:42,390

lots of really solid information about

1085
00:54:25,940 --> 00:54:24,510
the ETS and the big but these are the

1086
00:54:28,340 --> 00:54:25,950
go-to people if you want to know it's

1087
00:54:30,620 --> 00:54:28,350
really happening now we have a couple

1088
00:54:32,480 --> 00:54:30,630

more questions from the chat room that I

1089

00:54:34,460 --> 00:54:32,490

want to talk about this military

1090

00:54:36,740 --> 00:54:34,470

involvement which I found and I know you

1091

00:54:39,470 --> 00:54:36,750

did to peek a deeply disturbing but we

1092

00:54:41,270 --> 00:54:39,480

gotta get some them too so here's the

1093

00:54:43,640 --> 00:54:41,280

question from Denise Clarke

1094

00:54:47,300 --> 00:54:43,650

kress who's saying we have a yearly

1095

00:54:50,240 --> 00:54:47,310

conference here in Salt Fork Park Ohio

1096

00:54:53,570 --> 00:54:50,250

and sightings have supposedly happened

1097

00:55:00,050 --> 00:54:53,580

at Salt Fork would you know if these

1098

00:55:02,930 --> 00:55:00,060

sightings are genuine I would know if

1099

00:55:05,510 --> 00:55:02,940

they are but you know if they're seeing

1100

00:55:08,330 --> 00:55:05,520

them they're trying to show themselves

1101
00:55:10,640 --> 00:55:08,340
more and more and that's you know but I

1102
00:55:12,710 --> 00:55:10,650
can't really answer that it's too

1103
00:55:15,770 --> 00:55:12,720
general question yeah I haven't heard of

1104
00:55:18,110 --> 00:55:15,780
it myself but the Sasquatch did say that

1105
00:55:20,330 --> 00:55:18,120
they're going to be coming out to more

1106
00:55:23,030 --> 00:55:20,340
and more people and that the veil is

1107
00:55:25,370 --> 00:55:23,040
thinning basically so more and more

1108
00:55:27,560 --> 00:55:25,380
people are going to have experiences

1109
00:55:31,760 --> 00:55:27,570
where they're seeing strange beings or

1110
00:55:34,310 --> 00:55:31,770
spaceships or just other odd creatures

1111
00:55:36,950 --> 00:55:34,320
that have never been seen here on earth

1112
00:55:39,320 --> 00:55:36,960
before so it it wouldn't surprise me at

1113
00:55:42,260 --> 00:55:39,330

all that they're they're having some

1114

00:55:46,720 --> 00:55:42,270

experiences and sightings there mm-hmm

1115

00:55:50,000 --> 00:55:46,730

okay good well you both feel strongly

1116

00:55:51,980 --> 00:55:50,010

because of your you've been told there

1117

00:55:55,400 --> 00:55:51,990

is a strong connection and because of

1118

00:55:58,430 --> 00:55:55,410

what you've seen between Bigfoot and ETS

1119

00:56:00,860 --> 00:55:58,440

and in your book you also talk about

1120

00:56:02,870 --> 00:56:00,870

people that have had similar experiences

1121

00:56:06,680 --> 00:56:02,880

but they've also been threatened by the

1122

00:56:10,010 --> 00:56:06,690

government they've been told not to have

1123

00:56:13,250 --> 00:56:10,020

any more to do with Bigfoot or the ETS

1124

00:56:15,890 --> 00:56:13,260

or they kind of be in trouble so tell us

1125

00:56:18,860 --> 00:56:15,900

what's going on here I mean again we've

1126
00:56:21,680 --> 00:56:18,870
heard this before mainly about people

1127
00:56:24,380 --> 00:56:21,690
involved with abduction scenarios or

1128
00:56:26,930 --> 00:56:24,390
being contactees but we haven't heard

1129
00:56:30,650 --> 00:56:26,940
about this so much with Bigfoot why is

1130
00:56:33,559 --> 00:56:30,660
government so concerned about people who

1131
00:56:36,170 --> 00:56:33,569
have Bigfoot experiences because of the

1132
00:56:38,960 --> 00:56:36,180
UFO connection of course and there

1133
00:56:42,740 --> 00:56:38,970
they've been suppressing this you know

1134
00:56:47,359 --> 00:56:42,750
for what you know about five or six

1135
00:56:48,800 --> 00:56:47,369
decades now so there this is what the

1136
00:56:52,010 --> 00:56:48,810
government does treat people like

1137
00:56:53,720 --> 00:56:52,020
children but they really want to get rid

1138
00:56:56,089 --> 00:56:53,730

of the Sasquatch and that's one of the

1139

00:56:59,120 --> 00:56:56,099

reasons why there's so many forest fires

1140

00:57:02,329 --> 00:56:59,130

they didn't just accidentally start then

1141

00:57:05,200 --> 00:57:02,339

the area was destroyed so the hell I

1142

00:57:08,770 --> 00:57:05,210

have to leave and move out of the area

1143

00:57:11,180 --> 00:57:08,780

because you know this a square will help

1144

00:57:13,790 --> 00:57:11,190

will help some of the people and they

1145

00:57:16,220 --> 00:57:13,800

don't want that yeah

1146

00:57:18,890 --> 00:57:16,230

it really goes so much deeper to I mean

1147

00:57:23,809 --> 00:57:18,900

we could do a whole show on that and

1148

00:57:27,609 --> 00:57:23,819

basically but the Sasquatch were seated

1149

00:57:31,400 --> 00:57:27,619

here on earth to be caretakers of Earth

1150

00:57:33,770 --> 00:57:31,410

to take care of the land and to take

1151

00:57:36,530 --> 00:57:33,780

care of all the creatures here and so

1152

00:57:40,339 --> 00:57:36,540

that's why they're helping us now too

1153

00:57:42,410 --> 00:57:40,349

because they can't interfere with the

1154

00:57:45,170 --> 00:57:42,420

decisions that we make we have our own

1155

00:57:47,540 --> 00:57:45,180

free will the humans are the current

1156

00:57:48,800 --> 00:57:47,550

caretakers of Earth and we're not taking

1157

00:57:53,120 --> 00:57:48,810

very good care of her

1158

00:57:55,370 --> 00:57:53,130

but they are here to assist us

1159

00:57:57,859 --> 00:57:55,380

especially those with open hearts and

1160

00:58:01,700 --> 00:57:57,869

open minds that that really want to help

1161

00:58:05,660 --> 00:58:01,710

the planet and so anything that's

1162

00:58:10,550 --> 00:58:05,670

against that agenda and all for you know

1163

00:58:13,069 --> 00:58:10,560

agenda 21 that's what the government's

1164

00:58:15,550 --> 00:58:13,079

and in different agencies are that's how

1165

00:58:18,710 --> 00:58:15,560

they're going to interfere and that's to

1166

00:58:22,040 --> 00:58:18,720

stop the Sasquatch from healthiness to

1167

00:58:25,400 --> 00:58:22,050

keep us in control to keep us out of our

1168

00:58:29,510 --> 00:58:25,410

own power you know there's there's so

1169

00:58:31,970 --> 00:58:29,520

many different factors but basically as

1170

00:58:36,440 --> 00:58:31,980

I'm sure you probably know is that the

1171

00:58:39,140 --> 00:58:36,450

the people be one percent that's in

1172

00:58:41,319 --> 00:58:39,150

control of everything they could be

1173

00:58:45,440 --> 00:58:41,329

categorized

1174

00:58:46,640 --> 00:58:45,450

basically the bad alien species if you

1175

00:58:48,200 --> 00:58:46,650

want to put it that way

1176

00:58:49,670 --> 00:58:48,210

I don't like to say good or bad really

1177

00:58:54,109 --> 00:58:49,680

because it's just you know different

1178

00:58:58,400 --> 00:58:54,119

agendas with people but there there is a

1179

00:59:00,260 --> 00:58:58,410

small percentage of the world that's you

1180

00:59:05,089 --> 00:59:00,270

know pulling the strings on everything

1181

00:59:08,329 --> 00:59:05,099

and those they're influenced by an ET

1182

00:59:10,099 --> 00:59:08,339

race who is against the Sasquatch they

1183

00:59:12,589 --> 00:59:10,109

want to take over the planet they want

1184

00:59:15,859 --> 00:59:12,599

to take over humanity they want our

1185

00:59:19,700 --> 00:59:15,869

souls more or less they don't want us to

1186

00:59:22,940 --> 00:59:19,710

be independent free thinkers they want

1187

00:59:25,910 --> 00:59:22,950

to be able to capture that energy for

1188

00:59:29,150 --> 00:59:25,920

themselves it doesn't matter that we're

1189

00:59:32,270 --> 00:59:29,160

encapsulated in bodies right now a very

1190

00:59:36,020 --> 00:59:32,280

sad sad statement and that the military

1191

00:59:39,440 --> 00:59:36,030

would actually start fires and then draw

1192

00:59:41,780 --> 00:59:39,450

these beautiful woods and forests and

1193

00:59:44,240 --> 00:59:41,790

everything that they're doing is just

1194

00:59:47,870 --> 00:59:44,250

evil when when you think about it and

1195

00:59:50,180 --> 00:59:47,880

this is bad news I'm horrified to hear

1196

00:59:52,339 --> 00:59:50,190

that these were not accidental and they

1197

00:59:55,160 --> 00:59:52,349

were done on purpose that just horrifies

1198

00:59:57,410 --> 00:59:55,170

me and this is again reasons why I

1199

00:59:59,289 --> 00:59:57,420

believe you know it's so important to

1200

01:00:01,970 --> 00:59:59,299

have people like you both on the show

1201
01:00:05,359 --> 01:00:01,980
because it gives people an opportunity

1202
01:00:07,789 --> 01:00:05,369
to expand their consciousness to embrace

1203
01:00:10,670 --> 01:00:07,799
a new paradigm and a new way of

1204
01:00:14,359 --> 01:00:10,680
accepting Bigfoot ETS all of these

1205
01:00:16,700 --> 01:00:14,369
things into our awareness it's very very

1206
01:00:19,880 --> 01:00:16,710
important and to do it as you've done it

1207
01:00:21,589 --> 01:00:19,890
with an open heart but now let's go to

1208
01:00:23,510 --> 01:00:21,599
some of the other things that we've

1209
01:00:26,539 --> 01:00:23,520
heard about we read about in your book

1210
01:00:29,030 --> 01:00:26,549
about the military actually trying to

1211
01:00:32,120 --> 01:00:29,040
use Bigfoot that's another horrific

1212
01:00:35,240 --> 01:00:32,130
thing and we need to put some energy to

1213
01:00:37,849 --> 01:00:35,250

stopping this nonsense craziness it's

1214

01:00:41,120 --> 01:00:37,859

not going to happen there the special

1215

01:00:45,829 --> 01:00:41,130

ops do their thing they've killed some

1216

01:00:49,130 --> 01:00:45,839

some of the Bigfoot because they the the

1217

01:00:51,530 --> 01:00:49,140

evil ETS that gave our government

1218

01:00:53,530 --> 01:00:51,540

information one of the technologies is

1219

01:00:56,460 --> 01:00:53,540

to cut through

1220

01:01:00,240 --> 01:00:56,470

and to neutralize the psychic ability

1221

01:01:03,820 --> 01:01:00,250

and so they can't use it so they're just

1222

01:01:06,490 --> 01:01:03,830

you know being surrounded by special ops

1223

01:01:09,190 --> 01:01:06,500

with rifles and so they've gone in and

1224

01:01:11,500 --> 01:01:09,200

killed some some of the Sasquatch and

1225

01:01:13,690 --> 01:01:11,510

this is part of their agenda the

1226

01:01:14,680 --> 01:01:13,700

government secret agenda this is

1227

01:01:20,200 --> 01:01:14,690

horrible

1228

01:01:24,190 --> 01:01:20,210

you know it's just a sickness and edit

1229

01:01:27,700 --> 01:01:24,200

another genocide that it is keep in mind

1230

01:01:30,790 --> 01:01:27,710

the Sasquatch people and the ETS you

1231

01:01:34,240 --> 01:01:30,800

know observed how the Europeans treated

1232

01:01:37,330 --> 01:01:34,250

Native American people and then how they

1233

01:01:39,190 --> 01:01:37,340

treated afro-american people and then

1234

01:01:41,920 --> 01:01:39,200

how we treated the Chinese that came

1235

01:01:45,300 --> 01:01:41,930

over to work on the railways so we treat

1236

01:01:49,120 --> 01:01:45,310

them all like such humans and this is

1237

01:01:53,230 --> 01:01:49,130

problem that we created being racist and

1238

01:01:55,330 --> 01:01:53,240

and bigots and everything else and it's

1239

01:01:57,700 --> 01:01:55,340

you would think by now we would have

1240

01:02:00,550 --> 01:01:57,710

learned something and we haven't and

1241

01:02:04,290 --> 01:02:00,560

it's disgusting to me that we haven't it

1242

01:02:07,540 --> 01:02:04,300

is to us - it's absolutely horrible and

1243

01:02:09,670 --> 01:02:07,550

again it's this is why the Bigfoots

1244

01:02:12,820 --> 01:02:09,680

trust you both because you have gone in

1245

01:02:14,349 --> 01:02:12,830

with open hearts and no fear and this is

1246

01:02:15,910 --> 01:02:14,359

what you're encouraging everybody to do

1247

01:02:19,300 --> 01:02:15,920

because these are saying the Bigfoot

1248

01:02:21,520 --> 01:02:19,310

want contact with good people so people

1249

01:02:24,250 --> 01:02:21,530

who are interested in meeting with them

1250

01:02:25,330 --> 01:02:24,260

it is more of a possibility now than

1251

01:02:27,750 --> 01:02:25,340

ever before

1252

01:02:30,190 --> 01:02:27,760

but you can understand their hesitation

1253

01:02:33,340 --> 01:02:30,200

given everything you just shared with us

1254

01:02:37,000 --> 01:02:33,350

sure yeah and the plan is dying and it's

1255

01:02:40,570 --> 01:02:37,010

not from them it's from us and so we're

1256

01:02:43,300 --> 01:02:40,580

really no matter how you how they want

1257

01:02:46,300 --> 01:02:43,310

to view us it's all negative from any

1258

01:02:48,930 --> 01:02:46,310

standpoint and I see so this is as a

1259

01:02:51,030 --> 01:02:48,940

whole you know that's why they

1260

01:02:54,130 --> 01:02:51,040

selectively go to people of a higher

1261

01:02:56,560 --> 01:02:54,140

vibrational frequency those people who

1262

01:02:59,770 --> 01:02:56,570

are compassionate people who are

1263

01:03:02,740 --> 01:02:59,780

empathic people who care about other

1264

01:03:05,739 --> 01:03:02,750

people and about the planet those people

1265

01:03:08,319 --> 01:03:05,749

have a higher vibration and it's

1266

01:03:11,190 --> 01:03:08,329

I don't know how they do it but for them

1267

01:03:13,420 --> 01:03:11,200

to come to people like us and and

1268

01:03:15,640 --> 01:03:13,430

there's many other people that are

1269

01:03:18,370 --> 01:03:15,650

waking up and becoming more more

1270

01:03:20,769 --> 01:03:18,380

conscious of of them and of the

1271

01:03:23,109 --> 01:03:20,779

importance of trying to help the planet

1272

01:03:25,539 --> 01:03:23,119

right now and in every way that we can

1273

01:03:28,059 --> 01:03:25,549

and one of the ways of course is to

1274

01:03:30,549 --> 01:03:28,069

share the truth that's right that's

1275

01:03:32,650 --> 01:03:30,559

right now here's another question this

1276

01:03:35,739 --> 01:03:32,660

first is asking does Bigfoot have the

1277

01:03:38,979 --> 01:03:35,749

ability to communicate with animals that

1278

01:03:43,690 --> 01:03:38,989

you typically find in the woods yes oh

1279

01:03:48,160 --> 01:03:43,700

yes in the in Colorado one man reported

1280

01:03:50,109 --> 01:03:48,170

that he was on a deer stand you know

1281

01:03:53,200 --> 01:03:50,119

waiting for deer and he hurts deer

1282

01:03:58,930 --> 01:03:53,210

coming and he waited but there was a

1283

01:04:01,989 --> 01:03:58,940

small four foot tall sasquatch was a

1284

01:04:04,630 --> 01:04:01,999

deer bottom I mean a few feet away all

1285

01:04:08,289 --> 01:04:04,640

they're all walking together Oh started

1286

01:04:11,049 --> 01:04:08,299

getting in dense Albania is one reported

1287

01:04:16,690 --> 01:04:11,059

sasquatch walking with a mountain lion

1288

01:04:18,759 --> 01:04:16,700

in Texas a good friend of mine that I

1289

01:04:22,089 --> 01:04:18,769

would they contacted me because they're

1290

01:04:25,239 --> 01:04:22,099

having experiences on their farm and he

1291

01:04:25,479 --> 01:04:25,249

saw one of the ancient ones with a human

1292

01:04:30,359 --> 01:04:25,489

face

1293

01:04:32,829 --> 01:04:30,369

with a huge wolf and so they do

1294

01:04:35,739 --> 01:04:32,839

communicate with animals they've

1295

01:04:40,299 --> 01:04:35,749

communicated with Comanche my dog go in

1296

01:04:43,269 --> 01:04:40,309

black lab when he was alive young

1297

01:04:46,059 --> 01:04:43,279

they're they're very very attuned people

1298

01:04:49,870 --> 01:04:46,069

yes and not only do they communicate but

1299

01:04:51,670 --> 01:04:49,880

they're able to you know to take

1300

01:04:54,190 --> 01:04:51,680

different medicines from them whatever

1301

01:04:56,109 --> 01:04:54,200

the the animals have to offer and

1302

01:04:59,109 --> 01:04:56,119

they're able to shape-shift into those

1303

01:05:01,960 --> 01:04:59,119

animals quite often too and a lot of

1304

01:05:04,059 --> 01:05:01,970

people will experience a recurring

1305

01:05:05,130 --> 01:05:04,069

animal visiting them and a lot of times

1306

01:05:09,160 --> 01:05:05,140

that's a sasquatch

1307

01:05:11,829 --> 01:05:09,170

hmm now let's also talk a little bit

1308

01:05:15,009 --> 01:05:11,839

about these missing people that people

1309

01:05:17,859 --> 01:05:15,019

and children that go missing in our

1310

01:05:18,850 --> 01:05:17,869

national parks and David Pilates is done

1311

01:05:22,390 --> 01:05:18,860

a lot of work

1312

01:05:25,210 --> 01:05:22,400

forcing these cases and in some of them

1313

01:05:27,100 --> 01:05:25,220

there have been reports of a big hairy

1314

01:05:30,490 --> 01:05:27,110

creature could be Bigfoot could be

1315

01:05:32,800 --> 01:05:30,500

something else but we've heard from

1316

01:05:35,560 --> 01:05:32,810

other Bigfoot whispers that it's not the

1317

01:05:37,420 --> 01:05:35,570

Bigfoot that are taking children it's

1318

01:05:40,330 --> 01:05:37,430

not the Bigfoot that are taking people

1319

01:05:42,310 --> 01:05:40,340

what are your thoughts on this and one

1320

01:05:47,380 --> 01:05:42,320

of the Bigfoot told you about these

1321

01:05:49,240 --> 01:05:47,390

disappearances they they said that the

1322

01:05:53,800 --> 01:05:49,250

evil ETS

1323

01:05:58,530 --> 01:05:53,810

have captured Sasquatch and took their

1324

01:06:02,740 --> 01:05:58,540

DNA so and made another complete being

1325

01:06:05,770 --> 01:06:02,750

this other being is extremely aggressive

1326

01:06:10,450 --> 01:06:05,780

it also candy materialized it has all

1327

01:06:12,460 --> 01:06:10,460

the attributes that a sasquatch has they

1328

01:06:15,820 --> 01:06:12,470

can be materialized still be there they

1329

01:06:19,090 --> 01:06:15,830

can teleport and so forth however they

1330

01:06:22,960 --> 01:06:19,100

are so powerful they can kill a

1331

01:06:26,050 --> 01:06:22,970

sasquatch they can kill how a ancient

1332

01:06:28,390 --> 01:06:26,060

one and they can kill the dot face ones

1333

01:06:29,920 --> 01:06:28,400

the the werewolf types that are really

1334

01:06:32,230 --> 01:06:29,930

friendly they just don't look friendly

1335

01:06:35,280 --> 01:06:32,240

but they are and they could kill them

1336

01:06:37,570 --> 01:06:35,290

they've been killing them as well so

1337

01:06:40,630 --> 01:06:37,580

they're the ones that are taking they

1338

01:06:42,850 --> 01:06:40,640

resemble at a distance a sasquatch but

1339

01:06:45,400 --> 01:06:42,860

since no one is sat down over coffee and

1340

01:06:48,430 --> 01:06:45,410

chit-chatted with a sasquatch kind of

1341

01:06:50,920 --> 01:06:48,440

thing above that you know they're just

1342

01:06:53,650 --> 01:06:50,930

food they have to be a sasquatch the

1343

01:06:56,740 --> 01:06:53,660

kind of thing which it isn't so it's

1344

01:06:59,740 --> 01:06:56,750

it's a deliberate deception it's a

1345

01:07:01,980 --> 01:06:59,750

deliberate deception in order to so

1346

01:07:04,750 --> 01:07:01,990

people are afraid of the Sasquatch the

1347

01:07:07,240 --> 01:07:04,760

opposite of what the Sasquatch want to

1348

01:07:09,280 --> 01:07:07,250

help us and that's why they've trying to

1349

01:07:11,020 --> 01:07:09,290

connect with us and they're saying

1350

01:07:14,350 --> 01:07:11,030

they're trying to connect as they want

1351
01:07:17,650 --> 01:07:14,360
to kill us or kidnap whatever you know

1352
01:07:20,620 --> 01:07:17,660
so that's that is the answer it has to

1353
01:07:22,510 --> 01:07:20,630
do with ETS the ETS are involved with

1354
01:07:25,960 --> 01:07:22,520
the bad ETS are involved with this

1355
01:07:27,790 --> 01:07:25,970
there's very few of those bad ones but

1356
01:07:30,370 --> 01:07:27,800
there's more good ones and you may say

1357
01:07:31,310 --> 01:07:30,380
why don't the good ones push them out

1358
01:07:33,680 --> 01:07:31,320
and do

1359
01:07:36,710 --> 01:07:33,690
these other things yes they discussed

1360
01:07:41,480 --> 01:07:36,720
with me years ago about karma the

1361
01:07:43,910 --> 01:07:41,490
importance of karma they told me I

1362
01:07:46,280 --> 01:07:43,920
needed help one time and I asked for

1363
01:07:50,170 --> 01:07:46,290

help and it was of a personal nature

1364

01:07:53,630 --> 01:07:50,180

which I had to do with my ex-wife and

1365

01:07:55,340 --> 01:07:53,640

they wouldn't help me and but didn't say

1366

01:07:57,640 --> 01:07:55,350

anything and I was upset because I

1367

01:08:01,340 --> 01:07:57,650

really needed some help some advice and

1368

01:08:03,200 --> 01:08:01,350

it was until after the divorce that they

1369

01:08:05,180 --> 01:08:03,210

came to me and we were talking and I

1370

01:08:07,460 --> 01:08:05,190

said why did you do that how come you

1371

01:08:10,190 --> 01:08:07,470

didn't help you always help me and he

1372

01:08:12,980 --> 01:08:10,200

says with this we couldn't help you

1373

01:08:16,970 --> 01:08:12,990

because if we helped you have told you

1374

01:08:20,090 --> 01:08:16,980

how to successfully deal with the

1375

01:08:22,430 --> 01:08:20,100

situation then your karma would become

1376

01:08:24,680 --> 01:08:22,440

our karma because you're down here to

1377

01:08:25,970 --> 01:08:24,690

learn and we would have interfered with

1378

01:08:28,790 --> 01:08:25,980

that you have your freewill

1379

01:08:31,820 --> 01:08:28,800

we wanted to fear with it interesting

1380

01:08:33,800 --> 01:08:31,830

now talking about this and that the help

1381

01:08:36,380 --> 01:08:33,810

they've given you spin both of you has

1382

01:08:39,470 --> 01:08:36,390

been substantial but you've also asked

1383

01:08:42,040 --> 01:08:39,480

them to help heal other people have they

1384

01:08:46,490 --> 01:08:42,050

ever refused

1385

01:08:50,710 --> 01:08:46,500

umm yes just do they only go to certain

1386

01:08:54,170 --> 01:08:50,720

people and I don't know exactly why but

1387

01:08:59,599 --> 01:08:54,180

I think that some of the people who

1388

01:09:01,490 --> 01:08:59,609

needed help I saw them as people that

1389

01:09:04,099 --> 01:09:01,500

weren't doing everything they could to

1390

01:09:06,770 --> 01:09:04,109

help themselves they wanted a quick fix

1391

01:09:08,660 --> 01:09:06,780

they won't go to people that want to

1392

01:09:09,349 --> 01:09:08,670

quit fix they want you to work on

1393

01:09:12,230 --> 01:09:09,359

yourself

1394

01:09:16,340 --> 01:09:12,240

and then if all else fails it you know

1395

01:09:19,970 --> 01:09:16,350

they would help but there was this woman

1396

01:09:24,829 --> 01:09:19,980

that called me from California the

1397

01:09:30,800 --> 01:09:24,839

Southern California in 2005 and we were

1398

01:09:33,620 --> 01:09:30,810

talking on the phone and I said to her I

1399

01:09:37,190 --> 01:09:33,630

said what's wrong with your left hip and

1400

01:09:39,620 --> 01:09:37,200

she kind of went like that you know and

1401
01:09:42,590 --> 01:09:39,630
Jesus how did you know that and I said

1402
01:09:44,840 --> 01:09:42,600
well I'm a healer I

1403
01:09:47,690 --> 01:09:44,850
just picked up I do all the time on

1404
01:09:50,870 --> 01:09:47,700
people and she said well I've got

1405
01:09:53,690 --> 01:09:50,880
arthritis and she says the doctor told

1406
01:09:55,510 --> 01:09:53,700
me that three three weeks ago when he

1407
01:09:58,610 --> 01:09:55,520
gave me a prescription but I've never

1408
01:10:01,760 --> 01:09:58,620
never filled it because it's too

1409
01:10:04,070 --> 01:10:01,770
dangerous the prescription drugs too

1410
01:10:06,590 --> 01:10:04,080
many side effects so I haven't done

1411
01:10:09,920 --> 01:10:06,600
Ashley and I have a lot of pain in my

1412
01:10:13,670 --> 01:10:09,930
hip and just as was she was discussing

1413
01:10:16,190 --> 01:10:13,680

this with me to sasquatch appeared I

1414

01:10:20,840 --> 01:10:16,200

could see through them beside my desk

1415

01:10:22,990 --> 01:10:20,850

and they said if you if she gets

1416

01:10:26,570 --> 01:10:23,000

permission we will go and heal her now

1417

01:10:28,610 --> 01:10:26,580

and so I told her that and I said they

1418

01:10:32,090 --> 01:10:28,620

would do this she's okay you know she

1419

01:10:37,310 --> 01:10:32,100

just casually okay so and then she

1420

01:10:39,340 --> 01:10:37,320

started talking about you know the what

1421

01:10:41,870 --> 01:10:39,350

we're talking about and all of a sudden

1422

01:10:44,690 --> 01:10:41,880

about thirty seconds went by and she

1423

01:10:47,570 --> 01:10:44,700

started to say oh my god oh my god oh

1424

01:10:49,100 --> 01:10:47,580

and I said what's going on she said I

1425

01:10:51,350 --> 01:10:49,110

don't know how my whole body is

1426

01:10:52,730 --> 01:10:51,360

vibrating what's going on I don't know

1427

01:10:55,640 --> 01:10:52,740

and I said oh they're giving you a

1428

01:10:58,010 --> 01:10:55,650

healing she's giving me a healing I said

1429

01:10:59,570 --> 01:10:58,020

yeah you gave permission should all and

1430

01:11:02,130 --> 01:10:59,580

that's what it is she died thoughts are

1431

01:11:06,130 --> 01:11:02,140

going to come sometime next week

1432

01:11:09,200 --> 01:11:06,140

[Laughter]

1433

01:11:11,870 --> 01:11:09,210

finishes clipping your story you know

1434

01:11:13,940 --> 01:11:11,880

you forgot so much else to talk about

1435

01:11:16,040 --> 01:11:13,950

but you were running to get that money

1436

01:11:18,740 --> 01:11:16,050

out of the bank thank you Kelly

1437

01:11:21,410 --> 01:11:18,750

Ruby it's back there you know just as I

1438

01:11:23,510 --> 01:11:21,420

get to the you know to back up you know

1439

01:11:26,930 --> 01:11:23,520

I couldn't walk and all that and the ETS

1440

01:11:29,420 --> 01:11:26,940

came and heal me so again a couple weeks

1441

01:11:34,070 --> 01:11:29,430

later I have to run to the bank before

1442

01:11:35,480 --> 01:11:34,080

it closed and I'm running you know last

1443

01:11:38,420 --> 01:11:35,490

time this doctor saw me I was in a

1444

01:11:39,860 --> 01:11:38,430

wheelchair an unbelievable pain and here

1445

01:11:41,600 --> 01:11:39,870

he is crossing the street and I'm

1446

01:11:43,580 --> 01:11:41,610

waiting on the corner and the banks

1447

01:11:46,550 --> 01:11:43,590

right there in the corner see just

1448

01:11:49,730 --> 01:11:46,560

across from me and he saw me running and

1449

01:11:52,700 --> 01:11:49,740

then up cuz you know and he stood there

1450

01:11:54,479 --> 01:11:52,710

looking at me pointing to my feet and he

1451

01:11:56,939 --> 01:11:54,489

was bald-headed we kept adding as

1452

01:12:00,140 --> 01:11:56,949

and pointing to my feet and his mouth

1453

01:12:03,060 --> 01:12:00,150

was moving and nothing was coming out

1454

01:12:05,069 --> 01:12:03,070

and so I turned looked at him said have

1455

01:12:06,899 --> 01:12:05,079

a nice day doctor and I jumped across

1456

01:12:08,970 --> 01:12:06,909

the street to the bank and he just stood

1457

01:12:10,290 --> 01:12:08,980

there with his mouth open watching me

1458

01:12:14,100 --> 01:12:10,300

that's all I never said a word

1459

01:12:16,080 --> 01:12:14,110

good day oh we love that that is such a

1460

01:12:20,040 --> 01:12:16,090

Thank You Kelly for bringing us back you

1461

01:12:22,770 --> 01:12:20,050

know wonderful ending oh my gosh and

1462

01:12:24,839 --> 01:12:22,780

this is all duty of friendship and love

1463

01:12:27,060 --> 01:12:24,849

for the Bigfoot people and the et's

1464

01:12:30,989 --> 01:12:27,070

because in your case it was the ETS that

1465

01:12:35,819 --> 01:12:30,999

came in and helped you and marbles yes I

1466

01:12:39,810 --> 01:12:35,829

mean when when my editor of my second

1467

01:12:42,419 --> 01:12:39,820

book realized what what I was doing and

1468

01:12:45,479 --> 01:12:42,429

what was going on at the cabin where I

1469

01:12:50,580 --> 01:12:45,489

was living at the time 50 miles outside

1470

01:12:53,160 --> 01:12:50,590

of Seattle um she said can I come up in

1471

01:12:56,370 --> 01:12:53,170

camp out for a few days and try to

1472

01:13:00,899 --> 01:12:56,380

experience them I said yes you can so

1473

01:13:03,209 --> 01:13:00,909

she put a a 10 out there and I told her

1474

01:13:06,149 --> 01:13:03,219

every night out I go for my walks you

1475

01:13:10,140 --> 01:13:06,159

know and so I would speed walk and get

1476
01:13:12,959 --> 01:13:10,150
some exercise so we were walking and I

1477
01:13:15,870 --> 01:13:12,969
have a habit of explaining things by

1478
01:13:18,089 --> 01:13:15,880
telling stories is just I've become a

1479
01:13:20,009 --> 01:13:18,099
storyteller so I was explaining

1480
01:13:20,609 --> 01:13:20,019
something to her and she said really is

1481
01:13:22,410 --> 01:13:20,619
that right

1482
01:13:25,500 --> 01:13:22,420
I said yeah wait a minute let me explain

1483
01:13:28,439 --> 01:13:25,510
and I started telling a story right well

1484
01:13:31,229 --> 01:13:28,449
halfway through the story two Sasquatch

1485
01:13:35,040 --> 01:13:31,239
came up behind us about six seven feet

1486
01:13:37,799 --> 01:13:35,050
away but they were invisible and led but

1487
01:13:40,410 --> 01:13:37,809
my whole body started vibrating and so I

1488
01:13:42,720 --> 01:13:40,420

stopped we were walking and I said do

1489

01:13:46,140 --> 01:13:42,730

you feel them and you know I stopped the

1490

01:13:47,399 --> 01:13:46,150

story and quickly said they're here do

1491

01:13:49,500 --> 01:13:47,409

you feel them because she could never

1492

01:13:51,660 --> 01:13:49,510

feel them I was trying to get it to

1493

01:13:54,239 --> 01:13:51,670

experience them and she said no I said

1494

01:13:57,479 --> 01:13:54,249

don't you feel them your vibration and

1495

01:14:00,029 --> 01:13:57,489

she said no and while I'm talking all of

1496

01:14:06,509 --> 01:14:00,039

a sudden under the Sasquatch said never

1497

01:14:07,669 --> 01:14:06,519

mind us finish the story oh that's

1498

01:14:10,169 --> 01:14:07,679

adorable

1499

01:14:12,029 --> 01:14:10,179

they were interested in hearing what I

1500

01:14:15,149 --> 01:14:12,039

have to say and they don't care about

1501

01:14:16,560 --> 01:14:15,159

themselves and all that you know because

1502

01:14:18,359 --> 01:14:16,570

they get a little they follow me around

1503

01:14:21,709 --> 01:14:18,369

they get a little bored and sometimes

1504

01:14:25,549 --> 01:14:21,719

they you know do little trickery or

1505

01:14:27,990 --> 01:14:25,559

or do something funny you know is there

1506

01:14:31,709 --> 01:14:28,000

they're very serious when they get

1507

01:14:34,109 --> 01:14:31,719

serious stuff to to share but on the

1508

01:14:36,600 --> 01:14:34,119

other hand they can be very childlike

1509

01:14:37,589 --> 01:14:36,610

and it's amazing how they are their

1510

01:14:43,379 --> 01:14:37,599

personality

1511

01:14:46,950 --> 01:14:43,389

what is his lifespan and that depends

1512

01:14:49,620 --> 01:14:46,960

really I guess the more earthbound ones

1513

01:14:52,589 --> 01:14:49,630

the ones that are spend more time on

1514

01:14:55,470 --> 01:14:52,599

earth and this density they live I think

1515

01:15:00,290 --> 01:14:55,480

to usually been 150 years it's not real

1516

01:15:03,509 --> 01:15:00,300

long some of the the more evolved ones

1517

01:15:06,660 --> 01:15:03,519

you know that spend most of the time off

1518

01:15:09,899 --> 01:15:06,670

planet they can live to be hundreds of

1519

01:15:12,720 --> 01:15:09,909

thousands of years old as far as I

1520

01:15:14,459 --> 01:15:12,730

understand it just really varies because

1521

01:15:16,890 --> 01:15:14,469

there's so many different races of them

1522

01:15:20,069 --> 01:15:16,900

as well like the Sasquatch or a more

1523

01:15:22,830 --> 01:15:20,079

ancient race that lived longer than the

1524

01:15:25,200 --> 01:15:22,840

ancient ones who came along later who

1525

01:15:27,089 --> 01:15:25,210

were more human looking so it just it

1526

01:15:28,979 --> 01:15:27,099

really depends on the race and where

1527

01:15:30,299 --> 01:15:28,989

they live and and everything like that

1528

01:15:32,729 --> 01:15:30,309

mm-hmm

1529

01:15:34,589 --> 01:15:32,739

you know that that spending time I

1530

01:15:39,120 --> 01:15:34,599

nervous shortens everybody's life oh

1531

01:15:41,930 --> 01:15:39,130

yeah I seem to do that yeah we're

1532

01:15:44,459 --> 01:15:41,940

getting close to the end of the

1533

01:15:47,939 --> 01:15:44,469

interview here but I would like to make

1534

01:15:51,600 --> 01:15:47,949

a quote to sum things up the way brain

1535

01:15:55,069 --> 01:15:51,610

earlier had and this is a quote from a

1536

01:15:58,620 --> 01:15:55,079

Zen monk who once said and I quote all

1537

01:16:02,819 --> 01:15:58,630

life in nature has a spiritual dimension

1538

01:16:06,540 --> 01:16:02,829

and is sacred when we honor other

1539

01:16:10,729 --> 01:16:06,550

creatures as we do ourselves we all

1540

01:16:15,180 --> 01:16:10,739

evolved another step in quote

1541

01:16:18,330 --> 01:16:15,190

beautiful beautiful deed we thank you so

1542

01:16:20,759 --> 01:16:18,340

much for spending your evening with us

1543

01:16:21,430 --> 01:16:20,769

with our audience we've learned so much

1544

01:16:24,270 --> 01:16:21,440

from you

1545

01:16:27,550 --> 01:16:24,280

and thank you for your courage and

1546

01:16:30,280 --> 01:16:27,560

stepping forward in bringing this to all

1547

01:16:32,290 --> 01:16:30,290

of us we really need to hear this and I

1548

01:16:34,060 --> 01:16:32,300

know you have so much more information

1549

01:16:35,979 --> 01:16:34,070

to share we're going to have to have you

1550

01:16:38,890 --> 01:16:35,989

come back again because this is

1551

01:16:41,740 --> 01:16:38,900

definitely a terrific show and I know

1552

01:16:43,689 --> 01:16:41,750

how much our audience loves hearing from

1553

01:16:45,580 --> 01:16:43,699

people like you because you speak the

1554

01:16:47,979 --> 01:16:45,590

truth right from your heart this is your

1555

01:16:50,709 --> 01:16:47,989

experience if they don't agree that's

1556

01:16:53,439 --> 01:16:50,719

okay but this is your experience and

1557

01:16:55,209 --> 01:16:53,449
