

Preston Dennett

California Radio
MUFON
LORIE FENTON
WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:10,230 --> 00:00:07,749
welcome everyone to the california mufon

2
00:00:12,150 --> 00:00:10,240
radio show i'm your host lori and

3
00:00:14,789 --> 00:00:12,160
i am so happy you guys are with me here

4
00:00:17,189 --> 00:00:14,799
tonight one of my favorite people on the

5
00:00:19,189 --> 00:00:17,199
show this evening that's preston dennett

6
00:00:22,550 --> 00:00:19,199
and we'll get to preston and his new

7
00:00:24,230 --> 00:00:22,560
books oh my god this guy i'm telling you

8
00:00:25,910 --> 00:00:24,240
you know it's like every time i turn

9
00:00:28,830 --> 00:00:25,920
around he goes oh yeah i got a new book

10
00:00:32,310 --> 00:00:28,840
out he almost apologizes for it these

11
00:00:35,030 --> 00:00:32,320
days i think we're on 33 or some you

12
00:00:37,910 --> 00:00:35,040
know crazy thing like that so

13
00:00:39,830 --> 00:00:37,920

oh my god now jim leadwith is calling me

14

00:00:43,030 --> 00:00:39,840

and i wonder you know what can i add him

15

00:00:44,950 --> 00:00:43,040

to the call um mj

16

00:00:47,270 --> 00:00:44,960

is that a possibility

17

00:00:49,430 --> 00:00:47,280

without cutting us off

18

00:00:51,910 --> 00:00:49,440

no i guess not okay

19

00:00:53,670 --> 00:00:51,920

i was gonna um

20

00:00:55,110 --> 00:00:53,680

bring him on the show if he wants to

21

00:00:59,590 --> 00:00:55,120

call me when i'm in the middle of the

22

00:01:01,590 --> 00:00:59,600

show my buddy ufo jim i'm going to um

23

00:01:04,710 --> 00:01:01,600

always bring him on let's see what he

24

00:01:06,390 --> 00:01:04,720

needs ufo gym

25

00:01:08,469 --> 00:01:06,400

i

26

00:01:10,950 --> 00:01:08,479

am on

27

00:01:16,149 --> 00:01:10,960

live radio

28

00:01:24,630 --> 00:01:20,230

do you still have uh uh jim lead with um

29

00:01:27,429 --> 00:01:24,640

uh ufo jim's skype there uh mj

30

00:01:29,190 --> 00:01:27,439

i can't see your text you know guys i

31

00:01:31,510 --> 00:01:29,200

love being uh

32

00:01:33,510 --> 00:01:31,520

talking to my producer in skype because

33

00:01:35,030 --> 00:01:33,520

it's like you gotta go looking for him

34

00:01:36,469 --> 00:01:35,040

you know

35

00:01:38,390 --> 00:01:36,479

it's like i know he's talking to me i

36

00:01:41,190 --> 00:01:38,400

know he's typing to me somewhere i just

37

00:01:43,350 --> 00:01:41,200

don't know where it is anyhow so uh yeah

38

00:01:45,350 --> 00:01:43,360

let's see what ufo jim wants is he see

39

00:01:48,069 --> 00:01:45,360

if he wants anything of importance maybe

40

00:01:50,069 --> 00:01:48,079

he has something important to tell me oh

41

00:01:52,870 --> 00:01:50,079

you guys you know i was very sad to hear

42

00:01:55,190 --> 00:01:52,880

that joyce riley died this week ah i was

43

00:01:56,710 --> 00:01:55,200

so upset couldn't believe it i mean i

44

00:01:58,950 --> 00:01:56,720

don't even know if it's true or not but

45

00:02:00,709 --> 00:01:58,960

some very good friends of mine that are

46

00:02:02,789 --> 00:02:00,719

you know used to go on her show

47

00:02:04,789 --> 00:02:02,799

all the time emailed out a you know

48

00:02:06,310 --> 00:02:04,799

condolence email

49

00:02:08,710 --> 00:02:06,320

when it happened

50

00:02:10,229 --> 00:02:08,720

and i just i feel so bad she's one of

51
00:02:12,309 --> 00:02:10,239
the first people out there you know the

52
00:02:14,790 --> 00:02:12,319
power hour doing her thing you know

53
00:02:16,869 --> 00:02:14,800
about the same time right after i

54
00:02:19,110 --> 00:02:16,879
believe that um

55
00:02:20,710 --> 00:02:19,120
oh my god what was it it was

56
00:02:24,390 --> 00:02:20,720
well i'm looking at all these faces

57
00:02:25,990 --> 00:02:24,400
blasts from the past uh bill cooper

58
00:02:28,150 --> 00:02:26,000
the guy with the eye patch i can't

59
00:02:30,070 --> 00:02:28,160
remember his name in arizona there were

60
00:02:33,350 --> 00:02:30,080
all these people about the same time in

61
00:02:34,869 --> 00:02:33,360
the mid 90s that started radio shows she

62
00:02:36,630 --> 00:02:34,879
may have been more

63
00:02:40,070 --> 00:02:36,640

later on she may have been in the early

64

00:02:42,790 --> 00:02:40,080

2000s after 9 11 but still joyce was a

65

00:02:45,030 --> 00:02:42,800

very powerful woman very great voice

66

00:02:46,790 --> 00:02:45,040

loved the fact that she was a woman and

67

00:02:48,710 --> 00:02:46,800

she was getting her voice heard out

68

00:02:50,949 --> 00:02:48,720

there and fighting the fight along with

69

00:02:53,110 --> 00:02:50,959

the the big boys and the networks like

70

00:02:55,910 --> 00:02:53,120

alex jones and all those guys and rents

71

00:02:58,309 --> 00:02:55,920

and you know the list goes on and on so

72

00:03:01,030 --> 00:02:58,319

anyhow um i still haven't heard from mj

73

00:03:03,509 --> 00:03:01,040

whether i can call jim leadwith or if he

74

00:03:05,910 --> 00:03:03,519

has jim led with some

75

00:03:06,869 --> 00:03:05,920

skype but um

76

00:03:11,110 --> 00:03:06,879

boy

77

00:03:15,670 --> 00:03:12,949

okay well i'm not getting any response

78

00:03:16,710 --> 00:03:15,680

from jim so it doesn't really matter um

79

00:03:17,990 --> 00:03:16,720

anyhow

80

00:03:19,270 --> 00:03:18,000

let's see what i want to talk about

81

00:03:20,710 --> 00:03:19,280

tonight okay i've got a whole bunch of

82

00:03:22,949 --> 00:03:20,720

things to discuss

83

00:03:24,869 --> 00:03:22,959

number one is and preston i hope you

84

00:03:26,390 --> 00:03:24,879

don't mind i've got i've got rants to

85

00:03:28,869 --> 00:03:26,400

rant and

86

00:03:31,670 --> 00:03:28,879

messages to to give so it'll be a few

87

00:03:34,070 --> 00:03:31,680

more minutes before we get to you but uh

88

00:03:35,910 --> 00:03:34,080

you guys all know the mufon symposium is

89

00:03:38,149 --> 00:03:35,920

coming up but you guys have got to be

90

00:03:39,750 --> 00:03:38,159

there now promise me if you can get

91

00:03:40,949 --> 00:03:39,760

there you will be there live because

92

00:03:43,110 --> 00:03:40,959

this will be

93

00:03:46,949 --> 00:03:43,120

i promise you this is going to be the

94

00:03:48,949 --> 00:03:46,959

mufon symposium of the century i think

95

00:03:51,430 --> 00:03:48,959

unless they get themselves in any more

96

00:03:53,350 --> 00:03:51,440

hot water which we we got to let them

97

00:03:55,990 --> 00:03:53,360

you know do their thing you know i

98

00:03:58,070 --> 00:03:56,000

finally realized with an organization

99

00:03:59,990 --> 00:03:58,080

like this that's been as round around as

100

00:04:02,470 --> 00:04:00,000

long as they have they've done some

101
00:04:04,869 --> 00:04:02,480
really despicable things but they're

102
00:04:07,670 --> 00:04:04,879
still here yeah i mean they're still

103
00:04:09,910 --> 00:04:07,680
here and it has really nothing to do

104
00:04:11,990 --> 00:04:09,920
as i always say with the way it's being

105
00:04:14,070 --> 00:04:12,000
run and the people at the top of the the

106
00:04:17,030 --> 00:04:14,080
food chain and the whole bit it really

107
00:04:19,590 --> 00:04:17,040
is all about you guys and me

108
00:04:21,909 --> 00:04:19,600
and the people who are going to the

109
00:04:24,950 --> 00:04:21,919
meetings once a month that go out and

110
00:04:27,110 --> 00:04:24,960
look uh do the the investigations and

111
00:04:29,270 --> 00:04:27,120
the people who do the sky watches and

112
00:04:31,430 --> 00:04:29,280
the people do all the really you know

113
00:04:33,830 --> 00:04:31,440

the down and dirty stuff

114

00:04:35,990 --> 00:04:33,840

that is out there to do about ufo

115

00:04:38,310 --> 00:04:36,000

research so you guys you know don't

116

00:04:39,350 --> 00:04:38,320

throw the baby out with the bath water

117

00:04:41,270 --> 00:04:39,360

um

118

00:04:43,990 --> 00:04:41,280

you know mufon's really in a lot of hot

119

00:04:45,030 --> 00:04:44,000

water i mean there was just another uh

120

00:04:46,950 --> 00:04:45,040

article

121

00:04:49,510 --> 00:04:46,960

about them hitting the internet the

122

00:04:50,390 --> 00:04:49,520

other day and you know i just i don't

123

00:04:52,070 --> 00:04:50,400

really

124

00:04:54,070 --> 00:04:52,080

like the way they're doing things but

125

00:04:56,550 --> 00:04:54,080

hey you know what it's all going to work

126

00:04:58,710 --> 00:04:56,560

itself out at some point in the end and

127

00:05:00,550 --> 00:04:58,720

hopefully and i'm making a suggestion

128

00:05:02,150 --> 00:05:00,560

right now and i hope jan harrison or

129

00:05:04,790 --> 00:05:02,160

somebody at the top of the food chain is

130

00:05:07,029 --> 00:05:04,800

actually listening to my show tonight

131

00:05:08,550 --> 00:05:07,039

because i have said this to jan

132

00:05:10,390 --> 00:05:08,560

women email

133

00:05:13,029 --> 00:05:10,400

and by the way jan has been lovely

134

00:05:15,830 --> 00:05:13,039

enough to give me a couple press passes

135

00:05:19,270 --> 00:05:15,840

for the conference and i really do

136

00:05:23,110 --> 00:05:19,280

appreciate him being able to do that um

137

00:05:25,430 --> 00:05:23,120

uh okay now jim's calling me again mj

138

00:05:27,830 --> 00:05:25,440

can i answer it or will this put my

139

00:05:30,870 --> 00:05:27,840

current call on hold

140

00:05:33,590 --> 00:05:30,880

um add to group call

141

00:05:35,270 --> 00:05:33,600

oh too late he hung up

142

00:05:36,830 --> 00:05:35,280

um

143

00:05:41,510 --> 00:05:36,840

my

144

00:05:44,150 --> 00:05:41,520

producer sorry you guys needs to add you

145

00:05:47,270 --> 00:05:44,160

to the show

146

00:05:49,270 --> 00:05:47,280

okay let's see if i can get him to okay

147

00:05:51,029 --> 00:05:49,280

now mj's talking to me

148

00:05:56,629 --> 00:05:51,039

i love it i'm going from

149

00:06:00,390 --> 00:05:59,270

empty you're killing me suv what does

150

00:06:02,710 --> 00:06:00,400

that mean

151
00:06:04,410 --> 00:06:02,720
oh uh what's up

152
00:06:06,790 --> 00:06:04,420
uh

153
00:06:09,110 --> 00:06:06,800
[Music]

154
00:06:11,590 --> 00:06:09,120
okay you guys i'm telling you i'm having

155
00:06:13,670 --> 00:06:11,600
a fellini moment i swear to god i'm

156
00:06:15,430 --> 00:06:13,680
having one of those fellini moments

157
00:06:18,629 --> 00:06:15,440
people are communicating with me people

158
00:06:22,629 --> 00:06:18,639
are jim ledwith is calling again

159
00:06:24,790 --> 00:06:22,639
okay so mj what do i do do you um do you

160
00:06:25,909 --> 00:06:24,800
have connection with him can you call

161
00:06:28,469 --> 00:06:25,919
him

162
00:06:31,270 --> 00:06:28,479
for me nope you can't okay i'm gonna add

163
00:06:33,990 --> 00:06:31,280

him to the group call if it oh he keeps

164

00:06:39,430 --> 00:06:34,000

hanging up if i drop him i mean if i

165

00:06:44,150 --> 00:06:41,189

okay okay so that's what we're gonna do

166

00:06:46,390 --> 00:06:44,160

jim ludwig ufo jim calls me back must be

167

00:06:47,909 --> 00:06:46,400

something urgent or he won't be calling

168

00:06:49,670 --> 00:06:47,919

as much as he is

169

00:06:51,830 --> 00:06:49,680

i've never had him call me like five

170

00:06:52,790 --> 00:06:51,840

times in a row like that

171

00:06:57,670 --> 00:06:52,800

um

172

00:07:00,230 --> 00:06:57,680

i will add you if you call back okay

173

00:07:01,830 --> 00:07:00,240

let's see if he does all right so we're

174

00:07:03,189 --> 00:07:01,840

going to take a chance with ufo jim if

175

00:07:04,870 --> 00:07:03,199

he does call back there must be

176

00:07:08,550 --> 00:07:04,880

something very important going on in the

177

00:07:11,189 --> 00:07:08,560

ufo world anyhow back to mufon um as i

178

00:07:12,550 --> 00:07:11,199

was saying the mufon symposium truly is

179

00:07:16,150 --> 00:07:12,560

going to be

180

00:07:17,830 --> 00:07:16,160

the the symposium of the century because

181

00:07:20,390 --> 00:07:17,840

there's so many things going on with

182

00:07:22,469 --> 00:07:20,400

poor mufon right now and like i said you

183

00:07:24,950 --> 00:07:22,479

guys have got to support mufon in spite

184

00:07:27,270 --> 00:07:24,960

of all the insanity there's got to be a

185

00:07:30,710 --> 00:07:27,280

way to support mufon at the lower level

186

00:07:33,189 --> 00:07:30,720

at my food chain level and uh and do

187

00:07:35,029 --> 00:07:33,199

that and oh what i was saying before jim

188

00:07:37,029 --> 00:07:35,039

called back again was that i have als

189

00:07:39,110 --> 00:07:37,039

already mentioned to

190

00:07:41,350 --> 00:07:39,120

jan harzin like i said was kind enough

191

00:07:44,230 --> 00:07:41,360

to give me press passes to the

192

00:07:45,909 --> 00:07:44,240

conference and um

193

00:07:48,070 --> 00:07:45,919

he um

194

00:07:49,749 --> 00:07:48,080

he hasn't taken me up on the offer yet

195

00:07:53,189 --> 00:07:49,759

but here's my offer and this is for

196

00:07:54,710 --> 00:07:53,199

everybody at mufon i think it's time

197

00:07:57,589 --> 00:07:54,720

that we

198

00:08:00,070 --> 00:07:57,599

have a women's contingency within mufon

199

00:08:02,390 --> 00:08:00,080

i think it's very important to do that

200

00:08:04,150 --> 00:08:02,400

in lieu of a lot of the problems that

201

00:08:06,070 --> 00:08:04,160

mufan's had over the years i noticed

202

00:08:07,909 --> 00:08:06,080

that ha a good third of them are

203

00:08:09,589 --> 00:08:07,919

gender-based issues where the women have

204

00:08:11,430 --> 00:08:09,599

been feeling like they are

205

00:08:14,230 --> 00:08:11,440

oh and yeah here's something interesting

206

00:08:16,390 --> 00:08:14,240

you guys ufo jim is calling me on my

207

00:08:19,350 --> 00:08:16,400

cell phone i'm going to take

208

00:08:21,670 --> 00:08:19,360

30 seconds to answer it and you guys can

209

00:08:23,749 --> 00:08:21,680

hear me while i talk to him hi jim we're

210

00:08:27,749 --> 00:08:23,759

live on air they can't hear you but they

211

00:08:30,869 --> 00:08:27,759

can hear me how are you doing um um i'm

212

00:08:32,949 --> 00:08:30,879

gonna have mj the producer of the show

213

00:08:35,909 --> 00:08:32,959

pick you up and bring you on to the show

214

00:08:39,430 --> 00:08:35,919

for a few minutes how's that sound

215

00:08:41,430 --> 00:08:39,440

oh no no no no i've got preston denadon

216

00:08:43,509 --> 00:08:41,440

as my guest this evening

217

00:08:47,430 --> 00:08:43,519

i i want to do just 10 minutes i want to

218

00:08:47,440 --> 00:08:51,990

okay we'll call you in a minute bye

219

00:08:55,829 --> 00:08:53,750

okay guys jim

220

00:08:58,230 --> 00:08:55,839

jim thought that i was trying to get him

221

00:09:00,070 --> 00:08:58,240

on air for to be my guest this evening

222

00:09:01,509 --> 00:09:00,080

if that wasn't the case

223

00:09:03,430 --> 00:09:01,519

so what we're doing is we're gonna bring

224

00:09:06,310 --> 00:09:03,440

him on i have a couple questions to ask

225

00:09:07,990 --> 00:09:06,320

him about at the mufon symposium so this

226

00:09:09,910 --> 00:09:08,000

will be kind of interesting so anyhow as

227

00:09:12,230 --> 00:09:09,920

i was saying what i've offered to uh to

228

00:09:13,910 --> 00:09:12,240

move on and the whole group there is

229

00:09:17,030 --> 00:09:13,920

that um

230

00:09:18,790 --> 00:09:17,040

they help start building up the women's

231

00:09:20,710 --> 00:09:18,800

contingency of it you know think of us

232

00:09:22,949 --> 00:09:20,720

as the mastodonic lodge we'll be the

233

00:09:25,990 --> 00:09:22,959

eastern stars but we could be more like

234

00:09:27,750 --> 00:09:26,000

the galactic gals or something like that

235

00:09:29,750 --> 00:09:27,760

i don't care what you want to call us

236

00:09:31,190 --> 00:09:29,760

but i think it's time that we have that

237

00:09:33,430 --> 00:09:31,200

and i think there there should be a

238

00:09:35,750 --> 00:09:33,440

gender balance board

239

00:09:38,550 --> 00:09:35,760

i think that's very important i have

240

00:09:41,350 --> 00:09:38,560

noticed that in this new article about

241

00:09:43,509 --> 00:09:41,360

mufon they talk about an advisory board

242

00:09:46,310 --> 00:09:43,519

and they're quite a few women on it and

243

00:09:48,710 --> 00:09:46,320

i'm and i'm surprised

244

00:09:51,030 --> 00:09:48,720

because the art advisory board that

245

00:09:53,030 --> 00:09:51,040

they're not hooting and hollering about

246

00:09:56,310 --> 00:09:53,040

some things a little more but hey

247

00:09:58,389 --> 00:09:56,320

maybe we just need a little bit of

248

00:10:01,430 --> 00:09:58,399

the feminine touch you know a little bit

249

00:10:03,670 --> 00:10:01,440

more alien feminism

250

00:10:05,269 --> 00:10:03,680

on the move on board or just at least a

251

00:10:07,269 --> 00:10:05,279

voice within it i think it's very

252

00:10:09,110 --> 00:10:07,279

important and i think a balance board

253

00:10:11,110 --> 00:10:09,120

would be wonderful because i think men

254

00:10:13,509 --> 00:10:11,120

have a tendency this is just for me

255

00:10:15,269 --> 00:10:13,519

working with them my entire life and

256

00:10:18,470 --> 00:10:15,279

running all their businesses for them

257

00:10:20,150 --> 00:10:18,480

and doing everything for them by the way

258

00:10:22,630 --> 00:10:20,160

i have come to the conclusion that

259

00:10:24,310 --> 00:10:22,640

you've had 12 men in a room or 13 men in

260

00:10:26,470 --> 00:10:24,320

a room together

261

00:10:28,470 --> 00:10:26,480

they will never take care of the details

262

00:10:30,630 --> 00:10:28,480

they will always leave that to the

263

00:10:32,870 --> 00:10:30,640

people underneath them they never take

264

00:10:34,870 --> 00:10:32,880

care of it themselves and that's nothing

265

00:10:37,750 --> 00:10:34,880

against them it's just that they just

266

00:10:40,550 --> 00:10:37,760

were never taught to do the details they

267

00:10:43,509 --> 00:10:40,560

were always said you're a leader you you

268

00:10:46,230 --> 00:10:43,519

delegate and i get that but at it when i

269

00:10:48,069 --> 00:10:46,240

move on a situation you can't be

270

00:10:50,790 --> 00:10:48,079

delegating all the time because things

271

00:10:52,389 --> 00:10:50,800

never get done things never happened and

272

00:10:54,310 --> 00:10:52,399

when they do happen they're kind of

273

00:10:56,630 --> 00:10:54,320

haphazard because the details aren't

274

00:10:58,949 --> 00:10:56,640

being taken care of so i think a lot of

275

00:11:00,389 --> 00:10:58,959

the the jobs within mufon should go to

276

00:11:03,030 --> 00:11:00,399

women because i think they'd get done

277

00:11:05,030 --> 00:11:03,040

better faster and more efficiently and

278

00:11:06,949 --> 00:11:05,040

that's just my take on it folks because

279

00:11:08,630 --> 00:11:06,959

i i've been doing this for a very long

280

00:11:11,110 --> 00:11:08,640

time i've been running businesses since

281

00:11:12,949 --> 00:11:11,120

i was 15 years old when i started

282

00:11:14,230 --> 00:11:12,959

working with my father and his business

283

00:11:16,710 --> 00:11:14,240

so i'm telling you i know what i'm

284

00:11:18,150 --> 00:11:16,720

talking about i've seen it over and over

285

00:11:21,750 --> 00:11:18,160

again i've been the administrative

286

00:11:23,509 --> 00:11:21,760

director of one two three four five nine

287

00:11:26,870 --> 00:11:23,519

six non-profits

288

00:11:29,030 --> 00:11:26,880

in the last 30 years and i did five-year

289

00:11:31,509 --> 00:11:29,040

stints with all these folks and i ran

290

00:11:33,350 --> 00:11:31,519

their non-profits i know how to do it

291

00:11:36,550 --> 00:11:33,360

and i know what needs to be done and i

292

00:11:38,949 --> 00:11:36,560

know that when i inherited a board full

293

00:11:40,550 --> 00:11:38,959

of men things were not getting done and

294

00:11:42,069 --> 00:11:40,560

if they were getting done they were only

295

00:11:43,990 --> 00:11:42,079

getting done because the women on the

296

00:11:46,389 --> 00:11:44,000

committees were making it happen and i'm

297

00:11:48,710 --> 00:11:46,399

sorry that's just the way i see it so

298

00:11:51,110 --> 00:11:48,720

that's the way we're gonna do it hey mj

299

00:11:54,069 --> 00:11:51,120

um i told jim that you would be calling

300

00:11:56,470 --> 00:11:54,079

him can you do that for me

301

00:11:59,670 --> 00:11:56,480

can you bring him on

302

00:12:02,870 --> 00:11:59,680

uh do you have his uh uh profile his uh

303

00:12:05,110 --> 00:12:03,320

um

304

00:12:07,030 --> 00:12:05,120

[Music]

305

00:12:09,030 --> 00:12:07,040

let me let me see what you're saying to

306

00:12:11,030 --> 00:12:09,040

me i cannot with skype oh that's

307

00:12:12,790 --> 00:12:11,040

interesting i wonder if i can let me

308

00:12:15,430 --> 00:12:12,800

just drag him in and see what happens

309

00:12:17,829 --> 00:12:15,440

here we go i'm just going to do it

310

00:12:21,509 --> 00:12:17,839

let's see what happens i think i can do

311

00:12:24,710 --> 00:12:21,519

it i think it's working is it working mj

312

00:12:26,310 --> 00:12:24,720

oh it will work for me oh wait wonderful

313

00:12:28,949 --> 00:12:26,320

hello hello

314

00:12:31,269 --> 00:12:28,959

hello mr jim ludwig how are you this

315

00:12:33,190 --> 00:12:31,279

evening i'm really good do you realize

316

00:12:35,750 --> 00:12:33,200

that i thought it was me and steve

317

00:12:38,389 --> 00:12:35,760

bassett tonight am i confused

318

00:12:40,870 --> 00:12:38,399

oh my god is that interesting i haven't

319

00:12:42,310 --> 00:12:40,880

booked you um on the show for some time

320

00:12:44,790 --> 00:12:42,320

i'm trying to figure let me go look at

321

00:12:46,470 --> 00:12:44,800

my calendar folks maybe

322

00:12:48,389 --> 00:12:46,480

preston tonight i'm telling you it was

323

00:12:49,590 --> 00:12:48,399

me for the first hour and steve bassett

324

00:12:51,670 --> 00:12:49,600

for the second

325

00:12:54,230 --> 00:12:51,680

was it really okay you know what we're

326

00:12:56,710 --> 00:12:54,240

gonna have to reschedule you guys but

327

00:12:58,470 --> 00:12:56,720

now that i've got you on the air i gotta

328

00:13:00,389 --> 00:12:58,480

ask you a question first of all can you

329

00:13:02,389 --> 00:13:00,399

turn down your speakers so i don't have

330

00:13:03,509 --> 00:13:02,399

to hear myself

331

00:13:07,190 --> 00:13:03,519

okay

332

00:13:09,269 --> 00:13:07,200

wonderful

333

00:13:11,750 --> 00:13:09,279

we don't want you to hear yourself there

334

00:13:13,110 --> 00:13:11,760

you go it's very disconcerting when when

335

00:13:14,629 --> 00:13:13,120

you're on radio and you're hearing

336

00:13:16,470 --> 00:13:14,639

yourself in the background yeah you're

337

00:13:19,590 --> 00:13:16,480

right art bell used to yell at people

338

00:13:21,829 --> 00:13:19,600

all the time yeah radio

339

00:13:24,230 --> 00:13:21,839

right i was i was thinking about getting

340

00:13:26,310 --> 00:13:24,240

that curmudgeony about it you know like

341

00:13:27,110 --> 00:13:26,320

god dang it turn down your radio you

342

00:13:28,310 --> 00:13:27,120

know

343

00:13:30,629 --> 00:13:28,320

but

344

00:13:33,030 --> 00:13:30,639

i think i've had one abduction too many

345

00:13:34,870 --> 00:13:33,040

i thought it was tonight i thought steve

346

00:13:37,590 --> 00:13:34,880

was right after me

347

00:13:39,030 --> 00:13:37,600

well i i you know i'm totally missed but

348

00:13:40,870 --> 00:13:39,040

you know i'm gonna go check my calendar

349

00:13:42,629 --> 00:13:40,880

maybe i double booked or something i've

350

00:13:44,870 --> 00:13:42,639

been known to do that on occasion but

351

00:13:46,470 --> 00:13:44,880

very seldom but you never know but what

352

00:13:49,110 --> 00:13:46,480

i want to ask you is are you going to

353

00:13:49,910 --> 00:13:49,120

the mufon symposium this year

354

00:13:51,430 --> 00:13:49,920

uh

355

00:13:53,430 --> 00:13:51,440

i am i'm going to be in seattle

356

00:13:57,430 --> 00:13:53,440

washington i want to go that's the one

357

00:13:59,750 --> 00:13:57,440

in vegas that was it uh

358

00:14:02,069 --> 00:13:59,760

yes yes yes yes that is going to be a

359

00:14:05,189 --> 00:14:02,079

fabulous event i want to go but it's a

360

00:14:07,829 --> 00:14:05,199

big family event and i had to i mean i'm

361

00:14:10,310 --> 00:14:07,839

usually always going to choice

362

00:14:12,790 --> 00:14:10,320

yeah i didn't i didn't make the cut last

363

00:14:14,230 --> 00:14:12,800

year because i was doing another event

364

00:14:17,189 --> 00:14:14,240

ufo event

365

00:14:19,030 --> 00:14:17,199

and this year they said there is no way

366

00:14:21,670 --> 00:14:19,040

you're gonna get out of this

367

00:14:23,030 --> 00:14:21,680

so i'm gonna be in seattle washington

368

00:14:24,949 --> 00:14:23,040

having a lot of fun

369

00:14:26,790 --> 00:14:24,959

okay well that's good because i wanted

370

00:14:29,670 --> 00:14:26,800

to ask have you been following all the

371

00:14:31,670 --> 00:14:29,680

mufon flaps that have been going on

372

00:14:35,189 --> 00:14:31,680

several of them you mean the ones about

373

00:14:38,389 --> 00:14:35,199

the body in south america and things

374

00:14:41,269 --> 00:14:38,399

like that no no no that sounds very

375

00:14:44,069 --> 00:14:41,279

interesting but no i'm talking about uh

376

00:14:46,230 --> 00:14:44,079

when erica luke's was kind of uh you

377

00:14:49,829 --> 00:14:46,240

know she parted ways with mufon and then

378

00:14:51,670 --> 00:14:49,839

john ventry uh parted ways as a director

379

00:14:53,509 --> 00:14:51,680

and then we've had all these crazy

380

00:14:55,509 --> 00:14:53,519

things going on within the whole mufon

381

00:14:57,590 --> 00:14:55,519

structure itself as a political

382

00:14:59,269 --> 00:14:57,600

organization as a non-profit

383

00:15:01,910 --> 00:14:59,279

organization i'm just wondering if you

384

00:15:03,990 --> 00:15:01,920

paid any attention to it at all no

385

00:15:06,069 --> 00:15:04,000

between the extraterrestrials and the

386

00:15:09,030 --> 00:15:06,079

research work i've not paid as much

387

00:15:11,189 --> 00:15:09,040

attention as possibly i should have

388

00:15:12,870 --> 00:15:11,199

oh well that's okay i just wondered if

389

00:15:15,269 --> 00:15:12,880

you did because you know i'm asking you

390

00:15:18,389 --> 00:15:15,279

because i wanted the man on the street

391

00:15:20,389 --> 00:15:18,399

who's a regular ufo guy you know can you

392

00:15:22,870 --> 00:15:20,399

know i consider you that i also consider

393

00:15:25,110 --> 00:15:22,880

you a researcher and a presenter and all

394

00:15:27,509 --> 00:15:25,120

those things combined and a curator of

395

00:15:29,110 --> 00:15:27,519

films and the whole bit but you know

396

00:15:30,870 --> 00:15:29,120

you're pretty much like

397

00:15:32,710 --> 00:15:30,880

most of the people out there you got a

398

00:15:34,629 --> 00:15:32,720

life you got things to do you don't pay

399

00:15:36,310 --> 00:15:34,639

attention to all this all the time and i

400

00:15:38,310 --> 00:15:36,320

was just wondering if you know at what

401
00:15:40,230 --> 00:15:38,320
level do people really know about what's

402
00:15:42,310 --> 00:15:40,240
going on with mufon and does it matter

403
00:15:45,110 --> 00:15:42,320
and i think that's that's an important

404
00:15:47,430 --> 00:15:45,120
question to ask because i think mufon is

405
00:15:49,350 --> 00:15:47,440
banking on the fact that most people

406
00:15:51,030 --> 00:15:49,360
don't know what's going on

407
00:15:53,430 --> 00:15:51,040
and i think that's probably a good

408
00:15:55,670 --> 00:15:53,440
policy in the end because like i was

409
00:15:58,230 --> 00:15:55,680
telling people earlier these are just

410
00:16:00,870 --> 00:15:58,240
you know typical flaps that happen with

411
00:16:02,790 --> 00:16:00,880
non-profit organizations and in the end

412
00:16:04,949 --> 00:16:02,800
they if they've got a strong base

413
00:16:07,350 --> 00:16:04,959

they're still standing and the base

414

00:16:09,350 --> 00:16:07,360

within mufon is really the people that

415

00:16:10,870 --> 00:16:09,360

create it like you know me like having

416

00:16:12,230 --> 00:16:10,880

my meetings every month and people

417

00:16:14,710 --> 00:16:12,240

getting together and sharing their

418

00:16:17,590 --> 00:16:14,720

experiences that's what mufon's really

419

00:16:20,069 --> 00:16:17,600

all about in the end you know

420

00:16:21,749 --> 00:16:20,079

yeah so there you go so are you going to

421

00:16:23,829 --> 00:16:21,759

roswell at all

422

00:16:25,749 --> 00:16:23,839

well you know i better get going if i'm

423

00:16:30,550 --> 00:16:25,759

going to roswell uh

424

00:16:32,230 --> 00:16:30,560

know a bunch of people that are

425

00:16:34,389 --> 00:16:32,240

in roswell

426

00:16:37,269 --> 00:16:34,399

right started right about now

427

00:16:38,949 --> 00:16:37,279

oh i thought it started tomorrow okay so

428

00:16:41,350 --> 00:16:38,959

well there are people getting there

429

00:16:43,350 --> 00:16:41,360

right now yeah yeah right right just

430

00:16:45,269 --> 00:16:43,360

getting getting there aren't a lot of

431

00:16:47,590 --> 00:16:45,279

hotel rooms there's a real

432

00:16:50,389 --> 00:16:47,600

problem there because you know everybody

433

00:16:52,310 --> 00:16:50,399

converges on roswell and they just don't

434

00:16:54,870 --> 00:16:52,320

have the you know

435

00:16:59,030 --> 00:16:54,880

the the the the

436

00:17:00,710 --> 00:16:59,040

places where hotel rooms the b and b's

437

00:17:02,389 --> 00:17:00,720

uh

438

00:17:04,549 --> 00:17:02,399

airbnb

439

00:17:06,470 --> 00:17:04,559

yeah they don't have much of anything in

440

00:17:08,390 --> 00:17:06,480

roswell if i remember correctly i think

441

00:17:10,549 --> 00:17:08,400

they have three hotels and that's about

442

00:17:11,909 --> 00:17:10,559

it and they're lucky they have

443

00:17:14,069 --> 00:17:11,919

they have i think a little more than

444

00:17:16,470 --> 00:17:14,079

that but i mean here we are we're in the

445

00:17:19,669 --> 00:17:16,480

70th year of roswell

446

00:17:22,710 --> 00:17:19,679

oh wow 70 years

447

00:17:26,230 --> 00:17:22,720

and all it was was a crash with bodies

448

00:17:29,830 --> 00:17:26,240

four bodies you know but there we go

449

00:17:30,630 --> 00:17:29,840

you know what i don't get is um

450

00:17:32,950 --> 00:17:30,640

why

451

00:17:34,950 --> 00:17:32,960

everybody knows about it but nobody

452

00:17:37,029 --> 00:17:34,960

thinks it's that extraordinary anymore i

453

00:17:38,310 --> 00:17:37,039

guess mufon's doing its magic or

454

00:17:40,470 --> 00:17:38,320

something

455

00:17:42,390 --> 00:17:40,480

because nobody you know they go there to

456

00:17:44,870 --> 00:17:42,400

celebrate the aliens but you know we

457

00:17:47,830 --> 00:17:44,880

keep forgetting jim that we could be

458

00:17:50,390 --> 00:17:47,840

just like in that twilight zone happens

459

00:17:51,909 --> 00:17:50,400

to serve man you know we don't even know

460

00:17:54,710 --> 00:17:51,919

what they're doing and we're out there

461

00:17:57,350 --> 00:17:54,720

jumping up and down and celebrating them

462

00:18:01,190 --> 00:17:57,360

don't get on board the 727 that they did

463

00:18:04,470 --> 00:18:01,200

for serving man but that said here's the

464

00:18:07,270 --> 00:18:04,480

thing if it can be categorically proved

465

00:18:09,669 --> 00:18:07,280

that the roswell crash did happen

466

00:18:12,789 --> 00:18:09,679

then a cascading series of remarkable

467

00:18:13,909 --> 00:18:12,799

possibilities would become certainties

468

00:18:16,789 --> 00:18:13,919

that's

469

00:18:19,029 --> 00:18:16,799

and those certainties are energy

470

00:18:21,510 --> 00:18:19,039

uh

471

00:18:25,270 --> 00:18:21,520

the administration lying to us from

472

00:18:27,990 --> 00:18:25,280

administration to administration and in

473

00:18:30,390 --> 00:18:28,000

reality we don't live in a democracy

474

00:18:31,750 --> 00:18:30,400

it's an illusion we really live in some

475

00:18:32,710 --> 00:18:31,760

oligarchy

476

00:18:35,270 --> 00:18:32,720

i mean

477

00:18:38,070 --> 00:18:35,280

it is really really really really sad i

478

00:18:40,830 --> 00:18:38,080

mean that this has gone on and it goes

479

00:18:43,350 --> 00:18:40,840

on and on and on you have project signed

480

00:18:45,590 --> 00:18:43,360

project grudge i think they named the

481

00:18:46,230 --> 00:18:45,600

grudge because they were having a good

482

00:18:49,669 --> 00:18:46,240

day

483

00:18:52,070 --> 00:18:49,679

[Laughter]

484

00:18:55,029 --> 00:18:52,080

and it goes on and on i mean it is

485

00:18:58,150 --> 00:18:55,039

absolutely amazing that

486

00:19:00,710 --> 00:18:58,160

that we are doing this and anybody can

487

00:19:03,270 --> 00:19:00,720

go to youtube and i i encourage anyone

488

00:19:05,430 --> 00:19:03,280

that would want to do this to do it go

489

00:19:07,909 --> 00:19:05,440

to youtube and look up

490

00:19:09,190 --> 00:19:07,919

uh the 50th anniversary well actually

491

00:19:11,029 --> 00:19:09,200

look up uh

492

00:19:13,510 --> 00:19:11,039

the pentagon

493

00:19:14,470 --> 00:19:13,520

press conference with colonel john

494

00:19:19,430 --> 00:19:14,480

haynes

495

00:19:22,630 --> 00:19:19,440

force the pentagon

496

00:19:25,270 --> 00:19:22,640

news conference 19 june 22nd i believe

497

00:19:27,669 --> 00:19:25,280

it was 1997

498

00:19:28,870 --> 00:19:27,679

where the colonel literally lies through

499

00:19:31,510 --> 00:19:28,880

his teeth

500

00:19:34,230 --> 00:19:31,520

i mean he's talking about it right isn't

501
00:19:38,470 --> 00:19:34,240
that it was talk about

502
00:19:40,470 --> 00:19:38,480
a give up and uh and oh my god i mean

503
00:19:42,230 --> 00:19:40,480
he's talking about bodies by the way

504
00:19:43,029 --> 00:19:42,240
they never started talking about bodies

505
00:19:47,190 --> 00:19:43,039
till

506
00:19:50,710 --> 00:19:47,200
the late 80s early 90s to any degree but

507
00:19:52,630 --> 00:19:50,720
so here he is in 97 and they and they

508
00:19:56,950 --> 00:19:52,640
had reporters in the audience and you

509
00:20:00,470 --> 00:19:56,960
can see this cnn's in the audience uh

510
00:20:02,230 --> 00:20:00,480
nbc abc they're right there this is

511
00:20:04,789 --> 00:20:02,240
great and they're asking they're saying

512
00:20:06,789 --> 00:20:04,799
we can't understand colonel how

513
00:20:08,870 --> 00:20:06,799

there's reports of bodies and you're

514

00:20:11,190 --> 00:20:08,880

saying that crash test dummies and

515

00:20:14,390 --> 00:20:11,200

reality was a crash test dummies were

516

00:20:17,430 --> 00:20:14,400

invented in 1953. by the way that was

517

00:20:19,669 --> 00:20:17,440

sierra sam 1953 that's right yeah

518

00:20:21,150 --> 00:20:19,679

absolutely but the event took place in

519

00:20:22,789 --> 00:20:21,160

1990

520

00:20:24,789 --> 00:20:22,799

1947

521

00:20:26,390 --> 00:20:24,799

july or june

522

00:20:28,470 --> 00:20:26,400

what do you say about that colonel the

523

00:20:30,549 --> 00:20:28,480

colonel said well well people get mixed

524

00:20:34,470 --> 00:20:30,559

up and what we have here is a problem

525

00:20:37,350 --> 00:20:34,480

and it's called time compression

526
00:20:41,990 --> 00:20:37,360
time compression in other words the

527
00:20:47,400 --> 00:20:44,710
every time i say that word to myself

528
00:20:49,029 --> 00:20:47,410
time compression i started laughing

529
00:20:51,590 --> 00:20:49,039
[Music]

530
00:20:53,830 --> 00:20:51,600
and then he goes on to say well it could

531
00:20:56,630 --> 00:20:53,840
have been bodies that people got to see

532
00:20:58,630 --> 00:20:56,640
in a crash that air force personnel died

533
00:21:02,230 --> 00:20:58,640
in 1956

534
00:21:04,070 --> 00:21:02,240
and then there was another crash in 1959

535
00:21:05,830 --> 00:21:04,080
and i'm just going

536
00:21:08,870 --> 00:21:05,840
omg

537
00:21:11,430 --> 00:21:08,880
you got to be effing kidding me i mean

538
00:21:13,350 --> 00:21:11,440

what are you doing they absolutely hurt

539

00:21:15,029 --> 00:21:13,360

themselves so much but you know what

540

00:21:16,950 --> 00:21:15,039

they didn't hurt themselves so much i

541

00:21:19,510 --> 00:21:16,960

shouldn't say so much they help hurt

542

00:21:22,390 --> 00:21:19,520

themselves somewhat because in reality

543

00:21:23,669 --> 00:21:22,400

the secret's still somewhat intact

544

00:21:28,710 --> 00:21:23,679

it is

545

00:21:31,350 --> 00:21:28,720

like because we have no proof and until

546

00:21:33,750 --> 00:21:31,360

the day that we absolutely see the films

547

00:21:35,990 --> 00:21:33,760

that were taken at the base for this

548

00:21:38,230 --> 00:21:36,000

whole event and you know they did they

549

00:21:40,789 --> 00:21:38,240

filmed everything i mean they they

550

00:21:43,510 --> 00:21:40,799

filmed jfk being assassinated so i know

551
00:21:45,669 --> 00:21:43,520
they filmed roswell you know i mean they

552
00:21:47,430 --> 00:21:45,679
filmed everything the minute film became

553
00:21:50,710 --> 00:21:47,440
a reality

554
00:21:53,350 --> 00:21:50,720
for this country for anybody the uh all

555
00:21:56,149 --> 00:21:53,360
the organizations had it you know it was

556
00:21:57,430 --> 00:21:56,159
just absolutely used for everything so

557
00:21:59,990 --> 00:21:57,440
yes

558
00:22:01,909 --> 00:22:00,000
bottom line my website in real quick oh

559
00:22:03,909 --> 00:22:01,919
yeah i was just going to say i was i was

560
00:22:06,070 --> 00:22:03,919
just going to say and jim the bottom

561
00:22:07,990 --> 00:22:06,080
line is we got to get to my next guest

562
00:22:10,390 --> 00:22:08,000
or my guest and i'm so sorry for your

563
00:22:12,070 --> 00:22:10,400

next guest who i've been you know taking

564

00:22:13,909 --> 00:22:12,080

time off but anyway okay i already

565

00:22:15,990 --> 00:22:13,919

warned him i was going to do a rant and

566

00:22:18,070 --> 00:22:16,000

then you started calling i'm going god i

567

00:22:20,470 --> 00:22:18,080

i thought something happened very big i

568

00:22:21,830 --> 00:22:20,480

was like jim's something's going on

569

00:22:23,190 --> 00:22:21,840

something must have happened and he's

570

00:22:24,789 --> 00:22:23,200

trying to get a hold of me on the show

571

00:22:26,870 --> 00:22:24,799

to let me know

572

00:22:30,549 --> 00:22:26,880

i'm

573

00:22:33,830 --> 00:22:32,230

don't even get me started on that

574

00:22:36,789 --> 00:22:33,840

because you know we have friends that

575

00:22:38,830 --> 00:22:36,799

have said that

576

00:22:40,710 --> 00:22:38,840

okay here it is

577

00:22:42,390 --> 00:22:40,720

ufojimsonoma.com

578

00:22:44,390 --> 00:22:42,400

ufo

579

00:22:46,470 --> 00:22:44,400

noma dot com it's a lot easier than my

580

00:22:49,110 --> 00:22:46,480

other one which is there too ufos are

581

00:22:50,310 --> 00:22:49,120

real.com but the ufos are real it's a

582

00:22:52,230 --> 00:22:50,320

double r

583

00:22:55,350 --> 00:22:52,240

like in toys r us

584

00:22:58,789 --> 00:22:55,360

uh and it was too confusing so ufo jim

585

00:23:01,110 --> 00:22:58,799

sonoma s-o-n-o-m-a dot-com

586

00:23:03,430 --> 00:23:01,120

that is the website and my calendars on

587

00:23:04,310 --> 00:23:03,440

there all kinds of information

588

00:23:05,990 --> 00:23:04,320

and

589

00:23:08,470 --> 00:23:06,000

there's the radio show book for tonight

590

00:23:09,990 --> 00:23:08,480

that you're not even on so absolutely

591

00:23:11,750 --> 00:23:10,000

i don't know what steve bassett's doing

592

00:23:14,310 --> 00:23:11,760

right now i think he's in la i don't

593

00:23:15,590 --> 00:23:14,320

think i hope yeah i hope he's not

594

00:23:16,950 --> 00:23:15,600

thinking he's on the show tonight

595

00:23:17,909 --> 00:23:16,960

because he'll have to he'll be calling

596

00:23:20,070 --> 00:23:17,919

in too

597

00:23:21,430 --> 00:23:20,080

preston won't get a word in edgewise no

598

00:23:23,990 --> 00:23:21,440

you're you're done you might as well

599

00:23:25,270 --> 00:23:24,000

just go home and let him take over

600

00:23:26,950 --> 00:23:25,280

exactly

601
00:23:29,430 --> 00:23:26,960
okay sweetheart well it was great

602
00:23:31,029 --> 00:23:29,440
talking to you and thanks for coming on

603
00:23:33,590 --> 00:23:31,039
and i'll talk to you soon i was going to

604
00:23:36,230 --> 00:23:33,600
call you anyhow so expected to hear from

605
00:23:37,750 --> 00:23:36,240
me jingle jingle this weekend okay

606
00:23:39,270 --> 00:23:37,760
jingle okay look forward to it and

607
00:23:41,110 --> 00:23:39,280
everyone enjoyed me

608
00:23:42,710 --> 00:23:41,120
okay take care goodbye

609
00:23:45,830 --> 00:23:42,720
good night

610
00:23:48,230 --> 00:23:45,840
there we go okay so folks here we are

611
00:23:50,230 --> 00:23:48,240
as mj and preston still with me preston

612
00:23:51,430 --> 00:23:50,240
are you there

613
00:23:53,190 --> 00:23:51,440

i'm here

614

00:23:55,510 --> 00:23:53,200

oh wonderful hey thanks for putting up

615

00:23:58,390 --> 00:23:55,520

with all that

616

00:24:00,390 --> 00:23:58,400

hey no worries i had no idea i'd booked

617

00:24:02,710 --> 00:24:00,400

jim lead with and steve bassett this

618

00:24:05,029 --> 00:24:02,720

evening but you know wonderful that the

619

00:24:06,950 --> 00:24:05,039

the jim was right there on cue calling

620

00:24:09,510 --> 00:24:06,960

in and i kept wondering what was going

621

00:24:11,909 --> 00:24:09,520

on and you know so there we are so

622

00:24:13,990 --> 00:24:11,919

anyhow i'm just going to finish up with

623

00:24:16,149 --> 00:24:14,000

that i want everybody to come to the

624

00:24:18,149 --> 00:24:16,159

mufon symposium please come to it

625

00:24:21,029 --> 00:24:18,159

because i'm telling you it is going to

626

00:24:22,230 --> 00:24:21,039

be a whopper of

627

00:24:24,630 --> 00:24:22,240

an event

628

00:24:26,870 --> 00:24:24,640

between all the political stuff and all

629

00:24:28,630 --> 00:24:26,880

the speakers that are there that you

630

00:24:30,390 --> 00:24:28,640

guys might want to look in to see who's

631

00:24:33,110 --> 00:24:30,400

speaking there corey goods going to be

632

00:24:36,070 --> 00:24:33,120

there andrew bashago um

633

00:24:37,590 --> 00:24:36,080

mr wood tompkins i mean it's going to be

634

00:24:39,909 --> 00:24:37,600

one of those

635

00:24:41,190 --> 00:24:39,919

crazy crazy years where i think

636

00:24:42,950 --> 00:24:41,200

everything's going to blow up and we'll

637

00:24:45,110 --> 00:24:42,960

talk to preston a little bit about this

638

00:24:47,070 --> 00:24:45,120

in the show but i want you to get there

639

00:24:50,630 --> 00:24:47,080

if you can that's mufon

640

00:24:52,430 --> 00:24:50,640

symposium.com that's mufonsymposium.com

641

00:24:55,110 --> 00:24:52,440

and one last thing i will be

642

00:24:57,190 --> 00:24:55,120

broadcasting live from there and i'm

643

00:24:59,430 --> 00:24:57,200

going to try to get as many reactions to

644

00:25:01,990 --> 00:24:59,440

what's going on there as i can

645

00:25:04,070 --> 00:25:02,000

also if you can't make it here's one

646

00:25:05,990 --> 00:25:04,080

last thing you can do

647

00:25:08,070 --> 00:25:06,000

be subscribe

648

00:25:10,470 --> 00:25:08,080

to the uh well if

649

00:25:12,549 --> 00:25:10,480

it's it's a package deal it's not up on

650

00:25:15,029 --> 00:25:12,559

the website yet i heard it was but it

651
00:25:17,110 --> 00:25:15,039
isn't there yet you can buy the live

652
00:25:19,990 --> 00:25:17,120
stream for 79

653
00:25:22,789 --> 00:25:20,000
it includes a membership to mufon

654
00:25:25,190 --> 00:25:22,799
which is a 35 value you get to watch the

655
00:25:27,430 --> 00:25:25,200
whole conference online in the comfort

656
00:25:29,750 --> 00:25:27,440
of your own home on your computer

657
00:25:31,750 --> 00:25:29,760
and the whole nine yards so i would

658
00:25:33,830 --> 00:25:31,760
highly recommend if you can't make it if

659
00:25:35,830 --> 00:25:33,840
you just really cannot make it to be

660
00:25:37,830 --> 00:25:35,840
there so you can look me dead in the eye

661
00:25:39,269 --> 00:25:37,840
and say oh my god you were right all

662
00:25:42,310 --> 00:25:39,279
along

663
00:25:44,470 --> 00:25:42,320

which i love hearing by the way

664

00:25:46,390 --> 00:25:44,480

after years of being told i'm the crazy

665

00:25:48,310 --> 00:25:46,400

one you know it's always two years later

666

00:25:51,190 --> 00:25:48,320

my friends can be and say lori we're

667

00:25:53,190 --> 00:25:51,200

right all along anyhow um

668

00:25:55,430 --> 00:25:53,200

so i i just hope you guys can be there

669

00:25:57,830 --> 00:25:55,440

in person if you can't like i said do

670

00:25:59,909 --> 00:25:57,840

the live stream go to mufonsymposium.com

671

00:26:01,990 --> 00:25:59,919

the live stream should be up there and

672

00:26:03,909 --> 00:26:02,000

buy that and be sure to watch because

673

00:26:06,070 --> 00:26:03,919

this is going to be quite extraordinary

674

00:26:07,669 --> 00:26:06,080

there's a lot of people going there not

675

00:26:09,269 --> 00:26:07,679

just to hear the speakers but to

676

00:26:12,070 --> 00:26:09,279

confront them that's all i'm going to

677

00:26:14,870 --> 00:26:12,080

say about that okay so preston how are

678

00:26:17,269 --> 00:26:14,880

you doing this evening

679

00:26:19,269 --> 00:26:17,279

doing good yeah doing well

680

00:26:21,110 --> 00:26:19,279

how's work going

681

00:26:24,310 --> 00:26:21,120

oh you know pays the bills so i'm not

682

00:26:26,230 --> 00:26:24,320

going to complain i'll try to you and

683

00:26:28,630 --> 00:26:26,240

you and i have the same kind of drudgery

684

00:26:30,710 --> 00:26:28,640

job i must say i think aren't you into

685

00:26:33,269 --> 00:26:30,720

some kind of accounting and all that

686

00:26:34,310 --> 00:26:33,279

yeah bookkeeping you know yeah i mean

687

00:26:37,029 --> 00:26:34,320

it's got its

688

00:26:38,789 --> 00:26:37,039

joys it's you know i love it i'll tell

689

00:26:41,510 --> 00:26:38,799

you why i love it because preston i go

690

00:26:43,510 --> 00:26:41,520

to my office i turn on quickbooks i do

691

00:26:45,190 --> 00:26:43,520

my thing and everything balances and

692

00:26:46,870 --> 00:26:45,200

it's done and i can walk home at the end

693

00:26:49,350 --> 00:26:46,880

of the day and go okay i'm finished with

694

00:26:50,950 --> 00:26:49,360

my work you know i mean unless there's a

695

00:26:52,630 --> 00:26:50,960

whole bunch of weird things going on

696

00:26:54,390 --> 00:26:52,640

which i gotta deal with but you know

697

00:26:56,549 --> 00:26:54,400

usually it's pretty cut and dry and

698

00:26:57,510 --> 00:26:56,559

that's what i love about it very zen as

699

00:26:58,870 --> 00:26:57,520

i say

700

00:26:59,990 --> 00:26:58,880

yeah it's a puzzle you get to put

701
00:27:03,669 --> 00:27:00,000

together

702
00:27:05,190 --> 00:27:03,679

exactly it and it really it works the is

703
00:27:06,470 --> 00:27:05,200

it the left side of your brain or the

704
00:27:08,950 --> 00:27:06,480

right i can't remember which side it

705
00:27:10,070 --> 00:27:08,960

works but it really works your your uh

706
00:27:13,830 --> 00:27:10,080

you know

707
00:27:16,230 --> 00:27:13,840

money money numbers uh the very logical

708
00:27:18,470 --> 00:27:16,240

down and dirty side that you know likes

709
00:27:20,149 --> 00:27:18,480

numbers and that kind of thing so it's

710
00:27:23,750 --> 00:27:20,159

really good for me it keeps me you know

711
00:27:27,909 --> 00:27:26,470

because i'm i'm a true space cookie and

712
00:27:29,909 --> 00:27:27,919

if it wasn't for bookkeeping i don't

713
00:27:31,750 --> 00:27:29,919

think i'd have two feet on the ground at

714

00:27:33,830 --> 00:27:31,760

any given time so

715

00:27:35,750 --> 00:27:33,840

anyhow so i'm just loving having you

716

00:27:39,789 --> 00:27:35,760

here so everybody what i want you to do

717

00:27:43,269 --> 00:27:42,230

prestondent.weebly.com that's preston

718

00:27:45,269 --> 00:27:43,279

dennett

719

00:27:48,710 --> 00:27:45,279

two n's and two t's

720

00:27:53,430 --> 00:27:51,750

and in about 30 seconds preston we're

721

00:27:55,190 --> 00:27:53,440

going to take a break but when we get

722

00:27:57,830 --> 00:27:55,200

back from the break i want to first

723

00:27:59,909 --> 00:27:57,840

start with how this kind of all began

724

00:28:01,269 --> 00:27:59,919

for you this whole ufo thing that you're

725

00:28:04,230 --> 00:28:01,279

involved with just in case someone

726

00:28:06,070 --> 00:28:04,240

hasn't heard you before on my show so

727

00:28:08,070 --> 00:28:06,080

that they can just get a you know quick

728

00:28:10,789 --> 00:28:08,080

idea of who you are and then i want to

729

00:28:13,590 --> 00:28:10,799

go into your new books because my god

730

00:28:14,710 --> 00:28:13,600

this one looks absolutely extraordinary

731

00:28:17,190 --> 00:28:14,720

and

732

00:28:18,710 --> 00:28:17,200

there's one that you did a while back

733

00:28:21,190 --> 00:28:18,720

about healing

734

00:28:23,350 --> 00:28:21,200

um oh my god

735

00:28:26,149 --> 00:28:23,360

i just saw your sister's artwork cover

736

00:28:27,669 --> 00:28:26,159

god that's amazing oh my god anyhow and

737

00:28:29,029 --> 00:28:27,679

you did one about healing i want to talk

738

00:28:31,269 --> 00:28:29,039

about a little bit about that when we

739

00:28:32,389 --> 00:28:31,279

come back from the break as well so here

740

00:28:34,470 --> 00:28:32,399

we go folks we're going to take our

741

00:28:36,470 --> 00:28:34,480

first break of the night and we'll be

742

00:28:39,350 --> 00:28:36,480

back with preston bennett and i promise

743

00:28:41,190 --> 00:28:39,360

no more interruptions you got plenty to

744

00:28:44,870 --> 00:28:41,200

hear this evening so stick around we'll

745

00:28:49,510 --> 00:28:47,110

welcome back everyone to the california

746

00:28:51,350 --> 00:28:49,520

mufon radio show i'm your host lorian

747

00:28:53,350 --> 00:28:51,360

fenton really happy you guys are with me

748

00:28:56,230 --> 00:28:53,360

here tonight i want to thank irn for

749

00:28:57,510 --> 00:28:56,240

having me all these years and i just

750

00:28:59,110 --> 00:28:57,520

love being here with you guys on

751
00:29:01,269 --> 00:28:59,120
wednesday nights i want you to know that

752
00:29:03,510 --> 00:29:01,279
and don't forget get your app get the

753
00:29:05,830 --> 00:29:03,520
irn app and if you can become a member

754
00:29:08,389 --> 00:29:05,840
of the insiders club because that would

755
00:29:10,470 --> 00:29:08,399
be really helpful here at irn it always

756
00:29:13,190 --> 00:29:10,480
keeps the electricity flowing as they

757
00:29:15,350 --> 00:29:13,200
say and the server humming so there you

758
00:29:18,389 --> 00:29:15,360
go that would be really really nice you

759
00:29:20,710 --> 00:29:18,399
can also listen to pang radio um

760
00:29:22,470 --> 00:29:20,720
replays on the insider's club which is

761
00:29:24,630 --> 00:29:22,480
always informative

762
00:29:28,070 --> 00:29:24,640
okay let's get back to preston dennett

763
00:29:31,510 --> 00:29:28,080

and preston has some amazing books

764

00:29:34,310 --> 00:29:31,520

oh yes i forgot subscribe to youtube you

765

00:29:36,070 --> 00:29:34,320

guys get over to the irn

766

00:29:38,470 --> 00:29:36,080

youtube channel is it just inception

767

00:29:40,950 --> 00:29:38,480

radio network mj

768

00:29:42,549 --> 00:29:40,960

because yes it is okay perfect great so

769

00:29:44,310 --> 00:29:42,559

go to inception radio net work on

770

00:29:46,230 --> 00:29:44,320

youtube and subscribe subscribe

771

00:29:48,789 --> 00:29:46,240

subscribe i guess we need subscribers

772

00:29:50,470 --> 00:29:48,799

over there i don't know what for does it

773

00:29:52,310 --> 00:29:50,480

make a difference if we have many or

774

00:29:54,549 --> 00:29:52,320

little uh mj

775

00:29:55,990 --> 00:29:54,559

yes oh it does

776

00:29:58,149 --> 00:29:56,000

many okay

777

00:30:00,710 --> 00:29:58,159

uh i'm not even gonna ask why because i

778

00:30:03,269 --> 00:30:00,720

don't do youtube so i'm not a big you

779

00:30:05,350 --> 00:30:03,279

know oh it keeps you running oh okay it

780

00:30:06,789 --> 00:30:05,360

pays the bills is what it does you guys

781

00:30:09,590 --> 00:30:06,799

okay got it

782

00:30:11,750 --> 00:30:09,600

yeah okay perfect so that's it so go to

783

00:30:13,510 --> 00:30:11,760

youtube it'll help it'll keep us keep us

784

00:30:15,590 --> 00:30:13,520

around you know we'd love to keep

785

00:30:17,909 --> 00:30:15,600

ourselves around here so and you know

786

00:30:19,590 --> 00:30:17,919

what's fun about irn they've been around

787

00:30:20,830 --> 00:30:19,600

for a long time how many years has it

788

00:30:24,630 --> 00:30:20,840

been

789

00:30:27,750 --> 00:30:24,640

mj let's see what he says

790

00:30:31,590 --> 00:30:27,760

a six oh my god so i i've been with you

791

00:30:33,110 --> 00:30:31,600

guys for a good good portion of the

792

00:30:34,870 --> 00:30:33,120

wow the seventh

793

00:30:37,350 --> 00:30:34,880

seven in december so i've been with you

794

00:30:40,549 --> 00:30:37,360

about five now i think wow

795

00:30:43,430 --> 00:30:40,559

amazing okay i can't believe it

796

00:30:45,669 --> 00:30:43,440

thank god um for um

797

00:30:47,190 --> 00:30:45,679

oh god who's our buddy who's dead now

798

00:30:49,510 --> 00:30:47,200

god can you think of his name i can see

799

00:30:50,789 --> 00:30:49,520

his face jerry pippen thank god for

800

00:30:52,710 --> 00:30:50,799

jerry pippen because he's the one who

801
00:30:54,950 --> 00:30:52,720
brought me to you guys so i just i'd

802
00:30:57,990 --> 00:30:54,960
love all of you anyhow okay back to

803
00:30:59,909 --> 00:30:58,000
preston okay preston hat

804
00:31:01,990 --> 00:30:59,919
celebrate the holiday with great savings

805
00:31:04,070 --> 00:31:02,000
during lowe's go forth event make your

806
00:31:06,710 --> 00:31:04,080
patio a happen in hangout for family and

807
00:31:08,789 --> 00:31:06,720
friends with up to 25 off select patio

808
00:31:10,630 --> 00:31:08,799
furniture and outdoor decor and your

809
00:31:12,389 --> 00:31:10,640
guests are gonna be hungry so be

810
00:31:15,269 --> 00:31:12,399
prepared to grill with a two pack of

811
00:31:17,110 --> 00:31:15,279
kingsford charcoal now for just 9.88 all

812
00:31:19,190 --> 00:31:17,120
projects have a starting point start

813
00:31:20,950 --> 00:31:19,200

with lows patio and charcoal offers

814

00:31:22,549 --> 00:31:20,960

valid while supplies last in u.s only

815

00:31:26,950 --> 00:31:22,559

charcoal offer limited to two bags per

816

00:31:31,029 --> 00:31:29,590

there's 20 books out right now folks i'm

817

00:31:33,190 --> 00:31:31,039

sitting here i'm looking at them all

818

00:31:35,990 --> 00:31:33,200

again and oh my god i thought it was 33

819

00:31:38,310 --> 00:31:36,000

it's really 20 but it should be 33 it

820

00:31:40,630 --> 00:31:38,320

will be anytime soon right

821

00:31:42,389 --> 00:31:40,640

preston

822

00:31:44,389 --> 00:31:42,399

yeah

823

00:31:45,590 --> 00:31:44,399

well pretty soon it'll be 50 and then

824

00:31:48,389 --> 00:31:45,600

you're probably gonna have to take a

825

00:31:50,870 --> 00:31:48,399

break for a while i think you know

826

00:31:53,269 --> 00:31:50,880

once you get 50 then i think you can sit

827

00:31:56,470 --> 00:31:53,279

back and you know just be the consummate

828

00:31:58,630 --> 00:31:56,480

you know ufo traveling conference

829

00:32:00,710 --> 00:31:58,640

speaker what do you think

830

00:32:03,269 --> 00:32:00,720

i'll give it a try as long as the aliens

831

00:32:05,750 --> 00:32:03,279

leave me alone

832

00:32:07,590 --> 00:32:05,760

well now let's talk about that how did

833

00:32:08,950 --> 00:32:07,600

you get into this in the first place and

834

00:32:10,710 --> 00:32:08,960

do you think the aliens have been

835

00:32:12,310 --> 00:32:10,720

bugging you this whole time or do you

836

00:32:15,509 --> 00:32:12,320

think they're going to leave you alone i

837

00:32:17,909 --> 00:32:15,519

mean obviously your sister is an amazing

838

00:32:20,389 --> 00:32:17,919

artist and she draws aliens like she's

839

00:32:23,110 --> 00:32:20,399

seen them so do you think it's a family

840

00:32:25,430 --> 00:32:23,120

affair i mean i i seriously think it is

841

00:32:27,909 --> 00:32:25,440

but hey what do you think

842

00:32:29,669 --> 00:32:27,919

um well i was in denial for a long time

843

00:32:32,470 --> 00:32:29,679

but yeah

844

00:32:35,110 --> 00:32:32,480

i really didn't believe in this stuff uh

845

00:32:36,549 --> 00:32:35,120

and uh i've now come to obviously the

846

00:32:37,990 --> 00:32:36,559

conclusion that i'm having some level of

847

00:32:39,590 --> 00:32:38,000

contact

848

00:32:41,350 --> 00:32:39,600

um certainly

849

00:32:44,230 --> 00:32:41,360

but yeah i was skeptical of it for a

850

00:32:45,990 --> 00:32:44,240

very long time until well do you get um

851
00:32:47,909 --> 00:32:46,000
let me just i'm going to ask you some

852
00:32:49,590 --> 00:32:47,919
crazy questions first of all these are

853
00:32:51,830 --> 00:32:49,600
what i ask all my friends who think they

854
00:32:53,830 --> 00:32:51,840
are being contacted do you have a lot of

855
00:32:55,029 --> 00:32:53,840
dreams about aliens

856
00:32:58,070 --> 00:32:55,039
yeah

857
00:33:00,710 --> 00:32:58,080
i do do you have um

858
00:33:03,750 --> 00:33:00,720
what i would call dreams that seem more

859
00:33:06,070 --> 00:33:03,760
vivid than almost real type of dreams

860
00:33:10,549 --> 00:33:06,080
with aliens

861
00:33:16,549 --> 00:33:14,070
a couple do you have recall at all about

862
00:33:19,350 --> 00:33:16,559
waking up and feeling like there's

863
00:33:22,830 --> 00:33:19,360

somebody in the room with you

864

00:33:26,389 --> 00:33:22,840

uh no i can't really say that

865

00:33:28,789 --> 00:33:26,399

okay um do you have times where you're

866

00:33:30,789 --> 00:33:28,799

thinking about something that that has

867

00:33:31,830 --> 00:33:30,799

to do with aliens and you wonder to

868

00:33:33,990 --> 00:33:31,840

yourself

869

00:33:36,070 --> 00:33:34,000

why in the heck am i thinking about this

870

00:33:37,590 --> 00:33:36,080

because i shouldn't even you know i

871

00:33:39,830 --> 00:33:37,600

shouldn't even know about it let alone

872

00:33:40,870 --> 00:33:39,840

think about it

873

00:33:43,509 --> 00:33:40,880

um

874

00:33:46,470 --> 00:33:43,519

yeah and actually yeah once the previous

875

00:33:51,590 --> 00:33:48,070

that did happen once

876

00:33:54,149 --> 00:33:51,600

yeah i forgot i did oh very interesting

877

00:33:55,909 --> 00:33:54,159

okay well it sounds to me like if you

878

00:33:58,630 --> 00:33:55,919

answered like four of those five

879

00:33:59,590 --> 00:33:58,640

questions you you've had contact of some

880

00:34:01,990 --> 00:33:59,600

sort

881

00:34:03,990 --> 00:34:02,000

and you could be like me you could be

882

00:34:06,630 --> 00:34:04,000

the person like me that just can't

883

00:34:08,869 --> 00:34:06,640

remember a darn thing ever

884

00:34:11,270 --> 00:34:08,879

and i'm very grateful for that to be

885

00:34:12,790 --> 00:34:11,280

very honest with you people approach me

886

00:34:14,710 --> 00:34:12,800

all the time and go why don't you get

887

00:34:16,790 --> 00:34:14,720

regressed and do all this stuff and i'm

888

00:34:18,869 --> 00:34:16,800

like nope don't want to know

889

00:34:21,109 --> 00:34:18,879

don't care to know don't need to know

890

00:34:22,149 --> 00:34:21,119

it's not going to change my world any

891

00:34:24,790 --> 00:34:22,159

you know i'm still going to be a

892

00:34:27,349 --> 00:34:24,800

bookkeeper when i wake up tomorrow and i

893

00:34:29,589 --> 00:34:27,359

i still got to pay the bills so do i

894

00:34:32,550 --> 00:34:29,599

really want to know about it probably

895

00:34:35,349 --> 00:34:32,560

not not at least not right now what's

896

00:34:37,990 --> 00:34:35,359

your take on it do you want to know

897

00:34:39,750 --> 00:34:38,000

i would do it absolutely but not unless

898

00:34:41,589 --> 00:34:39,760

i can point to something where like oh

899

00:34:42,710 --> 00:34:41,599

you know i had a missing time well i

900

00:34:44,869 --> 00:34:42,720

mean

901
00:34:46,950 --> 00:34:44,879
i've had a number of sightings some very

902
00:34:48,869 --> 00:34:46,960
close up there was one time this is very

903
00:34:50,470 --> 00:34:48,879
early on i mean probably a year after i

904
00:34:51,909 --> 00:34:50,480
got into this

905
00:34:54,230 --> 00:34:51,919
where i had this little ball of light

906
00:34:56,790 --> 00:34:54,240
come right up to my windshield

907
00:34:58,790 --> 00:34:56,800
i mean maybe two feet away

908
00:35:01,030 --> 00:34:58,800
it darted back and forth

909
00:35:02,470 --> 00:35:01,040
just a couple times and scooted off and

910
00:35:03,990 --> 00:35:02,480
i didn't you know i didn't tell anyone

911
00:35:05,670 --> 00:35:04,000
about it and i kind of forgot about it

912
00:35:07,109 --> 00:35:05,680
to be honest

913
00:35:09,670 --> 00:35:07,119

right i've always i've always thought

914

00:35:11,750 --> 00:35:09,680

about that and someone pointed out that

915

00:35:12,870 --> 00:35:11,760

that i think was misha actually misha

916

00:35:15,430 --> 00:35:12,880

johnston

917

00:35:17,670 --> 00:35:15,440

yeah she's like you know well maybe that

918

00:35:19,750 --> 00:35:17,680

was more than just deciding

919

00:35:21,109 --> 00:35:19,760

because i don't remember

920

00:35:23,670 --> 00:35:21,119

anything other than

921

00:35:25,030 --> 00:35:23,680

seeing that

922

00:35:26,470 --> 00:35:25,040

so i don't know i could have had missing

923

00:35:30,790 --> 00:35:26,480

time

924

00:35:32,950 --> 00:35:30,800

either preston but i've come to the

925

00:35:35,510 --> 00:35:32,960

conclusion of and so misha and melinda

926

00:35:37,910 --> 00:35:35,520

and all the girls all i call the the the

927

00:35:40,310 --> 00:35:37,920

ufo gal pack you know we're kind of like

928

00:35:43,030 --> 00:35:40,320

the rat pack but we're more like the gal

929

00:35:45,270 --> 00:35:43,040

ufo rat back i don't know what we are

930

00:35:47,670 --> 00:35:45,280

but we've really come to the conclusion

931

00:35:48,870 --> 00:35:47,680

is that they are so good at changing our

932

00:35:51,270 --> 00:35:48,880

reality

933

00:35:53,030 --> 00:35:51,280

and you could have been gone for

934

00:35:55,670 --> 00:35:53,040

you know five hours and they would have

935

00:35:58,470 --> 00:35:55,680

popped you back in time back to exactly

936

00:35:59,829 --> 00:35:58,480

where you were depending on the alien

937

00:36:01,750 --> 00:35:59,839

i think what we've come to the

938

00:36:03,670 --> 00:36:01,760

conclusion is different types of aliens

939

00:36:04,710 --> 00:36:03,680

have different technologies of putting

940

00:36:06,870 --> 00:36:04,720

you back

941

00:36:08,870 --> 00:36:06,880

some of them you know forget to give you

942

00:36:10,470 --> 00:36:08,880

the right clothes some of them give you

943

00:36:13,510 --> 00:36:10,480

missing time

944

00:36:15,430 --> 00:36:13,520

some of them is seem to not care about

945

00:36:16,950 --> 00:36:15,440

whether you you get back at the same

946

00:36:19,510 --> 00:36:16,960

time you left

947

00:36:21,349 --> 00:36:19,520

and others are very meticulous about

948

00:36:23,270 --> 00:36:21,359

putting you back at the same time you

949

00:36:25,670 --> 00:36:23,280

left so that you just have no idea you

950

00:36:28,710 --> 00:36:25,680

were even gone it's like a fraction of a

951

00:36:30,230 --> 00:36:28,720

second uh in your reality in theirs it

952

00:36:33,670 --> 00:36:30,240

could have been five hours it could have

953

00:36:36,069 --> 00:36:33,680

been five months who knows you know

954

00:36:37,990 --> 00:36:36,079

oh yeah i know all about the time travel

955

00:36:40,550 --> 00:36:38,000

i'm gonna put several k well at least

956

00:36:41,910 --> 00:36:40,560

two cases like that in the book oh

957

00:36:44,630 --> 00:36:41,920

wonderful well that's what we're going

958

00:36:46,470 --> 00:36:44,640

to talk about but quickly again

959

00:36:48,470 --> 00:36:46,480

so um so you believe you're being

960

00:36:50,310 --> 00:36:48,480

contacted and that's kind of like is

961

00:36:52,470 --> 00:36:50,320

that the calling that you've gotten

962

00:36:55,190 --> 00:36:52,480

about writing all these books i mean do

963

00:36:57,430 --> 00:36:55,200

you think it's are they pressuring you

964

00:37:01,430 --> 00:36:57,440

to do this

965

00:37:03,430 --> 00:37:01,440

are you doing this against your own will

966

00:37:06,069 --> 00:37:03,440

you know i have i have i have i joked

967

00:37:08,710 --> 00:37:06,079

about that and it's not entirely a joke

968

00:37:10,310 --> 00:37:08,720

really i mean i know i know trust me i

969

00:37:12,710 --> 00:37:10,320

know if all the people i've ever talked

970

00:37:15,510 --> 00:37:12,720

to you're you're like my kindred soul

971

00:37:17,349 --> 00:37:15,520

because or kindred spirit because i do

972

00:37:19,589 --> 00:37:17,359

all that i do and i have no idea why i'm

973

00:37:21,109 --> 00:37:19,599

doing it because i if i had half a brain

974

00:37:22,390 --> 00:37:21,119

i wouldn't be doing any of it that's

975

00:37:24,310 --> 00:37:22,400

exactly you know

976

00:37:25,829 --> 00:37:24,320

i started out i'm like well this is

977

00:37:27,430 --> 00:37:25,839

horrendous i mean we're being invaded by

978

00:37:28,550 --> 00:37:27,440

aliens no one's talking about it i can't

979

00:37:30,230 --> 00:37:28,560

believe this

980

00:37:32,150 --> 00:37:30,240

but it and it hit home because you know

981

00:37:33,829 --> 00:37:32,160

there was my brother was tina ufo my

982

00:37:37,190 --> 00:37:33,839

sister-in-law saw aliens my other

983

00:37:38,870 --> 00:37:37,200

sister-in-law saw aliens my nephew is

984

00:37:40,870 --> 00:37:38,880

you know i mean yeah it's in my family

985

00:37:44,630 --> 00:37:40,880

obviously

986

00:37:47,510 --> 00:37:44,640

but not me and i really have no reason

987

00:37:50,310 --> 00:37:47,520

um to pursue this but i just couldn't

988

00:37:52,630 --> 00:37:50,320

let it go i could not let it go and now

989

00:37:53,430 --> 00:37:52,640

i'm i finally accepted okay i was years

990

00:37:55,109 --> 00:37:53,440

ago

991

00:37:55,750 --> 00:37:55,119

i think after a real close-up sighting

992

00:37:59,829 --> 00:37:55,760

and

993

00:38:02,310 --> 00:37:59,839

it became really clear to me that the

994

00:38:03,430 --> 00:38:02,320

ets were the very least aware of my

995

00:38:05,589 --> 00:38:03,440

research

996

00:38:07,190 --> 00:38:05,599

i mean the choice or if not guiding it

997

00:38:09,349 --> 00:38:07,200

you know i absolutely believe they're

998

00:38:11,510 --> 00:38:09,359

guiding you exactly

999

00:38:13,589 --> 00:38:11,520

at least the good ones i mean because

1000

00:38:15,349 --> 00:38:13,599

you know it's interesting i i have been

1001
00:38:17,990 --> 00:38:15,359
told by a

1002
00:38:19,349 --> 00:38:18,000
an alien being that it did not appear to

1003
00:38:21,510 --> 00:38:19,359
me physically

1004
00:38:23,349 --> 00:38:21,520
it just i could feel it it was in the

1005
00:38:25,990 --> 00:38:23,359
car while i was driving it was scared to

1006
00:38:28,390 --> 00:38:26,000
be jesus out of me i felt hands come

1007
00:38:31,030 --> 00:38:28,400
around my you know my stomach and my

1008
00:38:34,630 --> 00:38:31,040
chest and then i felt this kind of cold

1009
00:38:36,710 --> 00:38:34,640
reptilian skin up against my cheek

1010
00:38:38,310 --> 00:38:36,720
and i heard

1011
00:38:40,630 --> 00:38:38,320
i don't talk about this often i'm going

1012
00:38:42,710 --> 00:38:40,640
to tell you guys though um

1013
00:38:45,190 --> 00:38:42,720

i heard he loved you and it was all kind

1014

00:38:47,510 --> 00:38:45,200

of a hissy breathy sound

1015

00:38:49,510 --> 00:38:47,520

in my head and then it said

1016

00:38:51,030 --> 00:38:49,520

you know you're helping us we're we're

1017

00:38:54,150 --> 00:38:51,040

the um

1018

00:38:56,630 --> 00:38:54,160

reptilian rebels and you're helping us

1019

00:38:58,870 --> 00:38:56,640

we love you and and something to that

1020

00:39:00,950 --> 00:38:58,880

effect and then it disappeared and i'm

1021

00:39:03,109 --> 00:39:00,960

like what the heck

1022

00:39:05,190 --> 00:39:03,119

did i what just i thought i was going

1023

00:39:06,950 --> 00:39:05,200

nuts to be honest with you and then i

1024

00:39:08,630 --> 00:39:06,960

found out later from some other people

1025

00:39:11,349 --> 00:39:08,640

including barbara lamb that this is

1026

00:39:13,270 --> 00:39:11,359

pretty common actually and i was like oh

1027

00:39:15,750 --> 00:39:13,280

thank god i really thought i was losing

1028

00:39:17,589 --> 00:39:15,760

my mind but the most interesting part to

1029

00:39:20,470 --> 00:39:17,599

it was not the fact that i felt it or

1030

00:39:22,310 --> 00:39:20,480

experienced it it's what he said to me

1031

00:39:25,190 --> 00:39:22,320

because i thought to myself well that

1032

00:39:26,790 --> 00:39:25,200

explains a whole hell of a lot because i

1033

00:39:28,390 --> 00:39:26,800

don't want to be doing this this isn't

1034

00:39:30,310 --> 00:39:28,400

anything i ever

1035

00:39:32,550 --> 00:39:30,320

woke up one day and said oh i think i'll

1036

00:39:34,870 --> 00:39:32,560

become one of those crazy ufo people and

1037

00:39:36,950 --> 00:39:34,880

run around the country talking about

1038

00:39:39,109 --> 00:39:36,960

ufos and aliens to everybody i can see

1039

00:39:40,550 --> 00:39:39,119

and have a radio show about it and you

1040

00:39:43,030 --> 00:39:40,560

know

1041

00:39:45,910 --> 00:39:43,040

this and this will become my life right

1042

00:39:48,390 --> 00:39:45,920

now put on conferences for it i mean in

1043

00:39:50,710 --> 00:39:48,400

my wildest dreams this is just not even

1044

00:39:52,950 --> 00:39:50,720

close to what i would be doing right now

1045

00:39:55,510 --> 00:39:52,960

because as everybody knows on this show

1046

00:39:57,670 --> 00:39:55,520

i am i'm an old hippie and all i want to

1047

00:39:59,109 --> 00:39:57,680

do is make goat soap and pottery and

1048

00:40:01,430 --> 00:39:59,119

jewelry yeah

1049

00:40:03,430 --> 00:40:01,440

and i'm an ex-professional dancer and

1050

00:40:05,670 --> 00:40:03,440

i'd love to belly dance in an old ladies

1051
00:40:08,390 --> 00:40:05,680
belly dancing class you know and stuff

1052
00:40:10,150 --> 00:40:08,400
like that and you know i mean it's just

1053
00:40:12,150 --> 00:40:10,160
you know i was a ballerina too but the

1054
00:40:14,230 --> 00:40:12,160
belly dancing was the fun stuff

1055
00:40:16,710 --> 00:40:14,240
and uh you know this is like the

1056
00:40:18,790 --> 00:40:16,720
furthest thing from my imagination where

1057
00:40:20,310 --> 00:40:18,800
i would have ended up honest to god you

1058
00:40:23,190 --> 00:40:20,320
know i thought i'd be in an ashram

1059
00:40:25,750 --> 00:40:23,200
somewhere yeah

1060
00:40:28,470 --> 00:40:25,760
so what was your dreams for your life

1061
00:40:30,470 --> 00:40:28,480
besides this did you have something else

1062
00:40:32,310 --> 00:40:30,480
you wanted to do

1063
00:40:35,190 --> 00:40:32,320

uh well i was directed to just kicking

1064

00:40:37,030 --> 00:40:35,200

and screaming absolutely not really

1065

00:40:39,670 --> 00:40:37,040

it was bad news as far as i was

1066

00:40:41,589 --> 00:40:39,680

concerned i know see that's what i said

1067

00:40:43,109 --> 00:40:41,599

to myself too i woke up one day i said

1068

00:40:45,190 --> 00:40:43,119

what have i done this is like a

1069

00:40:47,589 --> 00:40:45,200

nightmare i'm living my worst nightmare

1070

00:40:49,829 --> 00:40:47,599

i'm i'm out here promoting

1071

00:40:51,589 --> 00:40:49,839

the thing that i think that most people

1072

00:40:54,950 --> 00:40:51,599

look at you and then they feel sorry for

1073

00:40:56,630 --> 00:40:54,960

you and they walk away you know

1074

00:40:58,230 --> 00:40:56,640

all right i kind of always knew i was

1075

00:40:59,990 --> 00:40:58,240

going to do something like this i don't

1076

00:41:01,990 --> 00:41:00,000

know i mean i

1077

00:41:04,630 --> 00:41:02,000

was very shy growing up never really

1078

00:41:05,510 --> 00:41:04,640

wanted to do public speaking on you know

1079

00:41:08,390 --> 00:41:05,520

tv

1080

00:41:11,190 --> 00:41:08,400

all this stuff god oh my god you have no

1081

00:41:13,750 --> 00:41:11,200

idea how horrible this was for me

1082

00:41:15,270 --> 00:41:13,760

i have to have therapy just because i

1083

00:41:17,510 --> 00:41:15,280

have to speak in front of people every

1084

00:41:19,750 --> 00:41:17,520

week on the radio and and speak them at

1085

00:41:21,990 --> 00:41:19,760

conferences and things like that i mean

1086

00:41:24,470 --> 00:41:22,000

literally this is the last thing i i

1087

00:41:26,309 --> 00:41:24,480

have a speech impediment i mean i'm like

1088

00:41:28,069 --> 00:41:26,319

are you kidding me

1089

00:41:30,150 --> 00:41:28,079

you know if they told me i was gonna be

1090

00:41:32,069 --> 00:41:30,160

doing all this i would have said no way

1091

00:41:33,990 --> 00:41:32,079

you know just no freaking way in hell

1092

00:41:36,470 --> 00:41:34,000

would i be doing this and i think you

1093

00:41:38,069 --> 00:41:36,480

you told me once too that you most of

1094

00:41:39,430 --> 00:41:38,079

the people i've ever talked in the ufo

1095

00:41:41,829 --> 00:41:39,440

community that are out there very

1096

00:41:43,990 --> 00:41:41,839

voiceless and outspoken and writing

1097

00:41:45,430 --> 00:41:44,000

books and doing things in the community

1098

00:41:47,910 --> 00:41:45,440

mostly are people that had speech

1099

00:41:50,390 --> 00:41:47,920

impediments or stuttered or had

1100

00:41:52,150 --> 00:41:50,400

something going on or were very nerdy

1101
00:41:54,309 --> 00:41:52,160
and and thought the last thing i'm going

1102
00:41:55,750 --> 00:41:54,319
to do is get up on the stage in front of

1103
00:41:57,750 --> 00:41:55,760
people and talk

1104
00:42:00,790 --> 00:41:57,760
and look at you now i mean look at me

1105
00:42:03,190 --> 00:42:00,800
now it's like it's amazing you know the

1106
00:42:04,950 --> 00:42:03,200
transformation is absolutely phenomenal

1107
00:42:07,349 --> 00:42:04,960
but go ahead i'm i'm domineering this

1108
00:42:09,829 --> 00:42:07,359
conversation i'm so sorry

1109
00:42:11,990 --> 00:42:09,839
oh no no it's interesting yeah because

1110
00:42:13,910 --> 00:42:12,000
uh i feel the same way i'm i'm right now

1111
00:42:15,670 --> 00:42:13,920
i'm thrilled to be honest to god this is

1112
00:42:18,069 --> 00:42:15,680
a great time in my life

1113
00:42:19,670 --> 00:42:18,079

yeah i feel like i've really grown from

1114

00:42:21,910 --> 00:42:19,680

this and i would never

1115

00:42:22,790 --> 00:42:21,920

consider you know it happening any other

1116

00:42:25,589 --> 00:42:22,800

way

1117

00:42:26,870 --> 00:42:25,599

oh exactly yeah it was a wake-up call

1118

00:42:28,069 --> 00:42:26,880

you know what i mean

1119

00:42:32,150 --> 00:42:28,079

yeah

1120

00:42:33,990 --> 00:42:32,160

it's translated in so many ways

1121

00:42:36,230 --> 00:42:34,000

don't you feel like though that you had

1122

00:42:38,309 --> 00:42:36,240

some kind of like i want to say almost

1123

00:42:40,230 --> 00:42:38,319

angelic alien

1124

00:42:41,910 --> 00:42:40,240

intervention at some point where

1125

00:42:45,190 --> 00:42:41,920

suddenly you wake up and you're almost a

1126

00:42:47,829 --> 00:42:45,200

different person because of all this

1127

00:42:49,829 --> 00:42:47,839

oh yeah i remember this how hard it hit

1128

00:42:52,069 --> 00:42:49,839

me it was like a ton of bricks i

1129

00:42:53,829 --> 00:42:52,079

remember reading you know travis

1130

00:42:54,710 --> 00:42:53,839

walton's book and betty and barney hill

1131

00:42:56,790 --> 00:42:54,720

and just

1132

00:42:58,870 --> 00:42:56,800

looking up the cloudy sky no knowing

1133

00:42:59,750 --> 00:42:58,880

that these guys are up there

1134

00:43:01,990 --> 00:42:59,760

yeah

1135

00:43:04,470 --> 00:43:02,000

never really dreaming at that point that

1136

00:43:05,349 --> 00:43:04,480

i would play any kind of role in the

1137

00:43:06,950 --> 00:43:05,359

whole

1138

00:43:09,670 --> 00:43:06,960

you know just i don't know what you call

1139

00:43:12,710 --> 00:43:09,680

the ufo movement

1140

00:43:15,030 --> 00:43:12,720

oh exactly it's growing i mean

1141

00:43:18,230 --> 00:43:15,040

people don't buy ufo books like they buy

1142

00:43:21,349 --> 00:43:18,240

say science fiction or romance novels or

1143

00:43:23,430 --> 00:43:21,359

but it's growing and it's gonna reach a

1144

00:43:24,710 --> 00:43:23,440

point where this does bust into the

1145

00:43:27,190 --> 00:43:24,720

mainstream

1146

00:43:29,430 --> 00:43:27,200

i just

1147

00:43:31,430 --> 00:43:29,440

can you imagine i mean i i asked people

1148

00:43:34,550 --> 00:43:31,440

in the ufo community all the time can

1149

00:43:36,870 --> 00:43:34,560

you imagine if tomorrow if bassett and

1150

00:43:39,670 --> 00:43:36,880

greer and all those guys actually make a

1151
00:43:40,710 --> 00:43:39,680
dent and disclosure happened can you

1152
00:43:43,910 --> 00:43:40,720
imagine

1153
00:43:45,349 --> 00:43:43,920
your books would be flying off of the

1154
00:43:47,030 --> 00:43:45,359
shelf i mean you wouldn't even be able

1155
00:43:49,589 --> 00:43:47,040
to keep them in stock don't be able to

1156
00:43:51,990 --> 00:43:49,599
print them fast enough seriously

1157
00:43:53,829 --> 00:43:52,000
everybody who has a ufo book out there

1158
00:43:56,470 --> 00:43:53,839
would just be inundated because

1159
00:43:58,390 --> 00:43:56,480
everybody on the planet would be going

1160
00:43:59,910 --> 00:43:58,400
well how do i find out about this stuff

1161
00:44:02,870 --> 00:43:59,920
and then they'd be looking to the whole

1162
00:44:05,109 --> 00:44:02,880
ufo community that's already established

1163
00:44:08,230 --> 00:44:05,119

and these people would become their

1164

00:44:09,670 --> 00:44:08,240

answers you know which that scares me in

1165

00:44:11,750 --> 00:44:09,680

a big way

1166

00:44:13,190 --> 00:44:11,760

i'd be out of a job which is which is

1167

00:44:15,510 --> 00:44:13,200

fine because you know this is not really

1168

00:44:17,910 --> 00:44:15,520

what i you know intended to do

1169

00:44:19,910 --> 00:44:17,920

i'm not that i ever you know

1170

00:44:21,910 --> 00:44:19,920

i don't know well i don't know i think

1171

00:44:24,069 --> 00:44:21,920

you would be much more in demand i think

1172

00:44:26,309 --> 00:44:24,079

i'd be out of a job i think i could sit

1173

00:44:28,230 --> 00:44:26,319

up sit back and say well my work is done

1174

00:44:31,109 --> 00:44:28,240

and i can go you know retire and do

1175

00:44:34,550 --> 00:44:31,119

something else right but for you as an

1176
00:44:37,270 --> 00:44:34,560
author of 20 amazing books on the ufo

1177
00:44:39,190 --> 00:44:37,280
phenomena i think you'd be like

1178
00:44:41,750 --> 00:44:39,200
propelled right to the top of the heap

1179
00:44:44,950 --> 00:44:41,760
of people that they go to for answers

1180
00:44:47,030 --> 00:44:44,960
about ufology i think you'd be right up

1181
00:44:48,950 --> 00:44:47,040
there preston because it's the people

1182
00:44:51,750 --> 00:44:48,960
who've written the book book and done

1183
00:44:53,589 --> 00:44:51,760
the research and interviewed the people

1184
00:44:55,270 --> 00:44:53,599
those are the people people go to they

1185
00:44:57,190 --> 00:44:55,280
don't go to people like me that sit and

1186
00:44:59,510 --> 00:44:57,200
yak every week about it interview you

1187
00:45:01,510 --> 00:44:59,520
guys i mean i'm not that i'm not special

1188
00:45:04,150 --> 00:45:01,520

you know but i think

1189

00:45:05,990 --> 00:45:04,160

i think you guys are very very special

1190

00:45:07,750 --> 00:45:06,000

because you've taken the time to sit

1191

00:45:10,630 --> 00:45:07,760

down and catalog

1192

00:45:13,349 --> 00:45:10,640

and uh digest and and

1193

00:45:15,910 --> 00:45:13,359

you know regurgitate back out on paper

1194

00:45:18,309 --> 00:45:15,920

in a very clear and concise way

1195

00:45:20,309 --> 00:45:18,319

exactly what people have experienced and

1196

00:45:22,710 --> 00:45:20,319

i think that's super important and i

1197

00:45:25,270 --> 00:45:22,720

think your books and all the other books

1198

00:45:27,030 --> 00:45:25,280

out there including cheryl costa's book

1199

00:45:29,109 --> 00:45:27,040

the one that's got all the graphs and

1200

00:45:30,150 --> 00:45:29,119

details about all the ufo sightings are

1201

00:45:33,430 --> 00:45:30,160

going to be

1202

00:45:35,589 --> 00:45:33,440

hugely popular when disclosure happens

1203

00:45:37,910 --> 00:45:35,599

my dream is for it to happen tomorrow so

1204

00:45:39,829 --> 00:45:37,920

i don't have to you know do what i do

1205

00:45:42,710 --> 00:45:39,839

anymore

1206

00:45:44,309 --> 00:45:42,720

but uh you know it's not i can guarantee

1207

00:45:45,829 --> 00:45:44,319

you that and we got at least another

1208

00:45:47,910 --> 00:45:45,839

three years before we can get a new

1209

00:45:49,270 --> 00:45:47,920

president and play and maybe that person

1210

00:45:51,910 --> 00:45:49,280

will do it and

1211

00:45:53,589 --> 00:45:51,920

you know who knows uh and just i'm just

1212

00:45:56,069 --> 00:45:53,599

kind of getting disgusted with the whole

1213

00:45:57,349 --> 00:45:56,079

regular media thing so

1214

00:45:59,270 --> 00:45:57,359

i don't know if anything will ever

1215

00:46:01,829 --> 00:45:59,280

happen with us i feel like we're kind of

1216

00:46:04,069 --> 00:46:01,839

being pushed over into the corner

1217

00:46:07,030 --> 00:46:04,079

and uh politics has kind of taken over

1218

00:46:08,710 --> 00:46:07,040

the fray you know yeah but the field is

1219

00:46:10,950 --> 00:46:08,720

evolving it's definitely different than

1220

00:46:12,710 --> 00:46:10,960

it was back when i got involved there

1221

00:46:14,710 --> 00:46:12,720

was a lot yeah

1222

00:46:15,910 --> 00:46:14,720

you know a lot more debunking action

1223

00:46:18,470 --> 00:46:15,920

going on

1224

00:46:19,910 --> 00:46:18,480

which you don't see as much of

1225

00:46:22,950 --> 00:46:19,920

well i think we're going to see it at

1226

00:46:25,109 --> 00:46:22,960

this mufon symposium

1227

00:46:27,750 --> 00:46:25,119

are you going to be there

1228

00:46:30,390 --> 00:46:27,760

um i have no immediate plans um at this

1229

00:46:32,950 --> 00:46:30,400

point oh well i'm gonna i gotta talk to

1230

00:46:35,030 --> 00:46:32,960

you off air okay

1231

00:46:36,550 --> 00:46:35,040

um all right remind me that don't hang

1232

00:46:39,589 --> 00:46:36,560

up in other words i gotta talk to you

1233

00:46:41,030 --> 00:46:39,599

tonight okay um yeah because the mufon

1234

00:46:42,870 --> 00:46:41,040

symposium is gonna be very interesting

1235

00:46:45,190 --> 00:46:42,880

because we have a dichotomy of like

1236

00:46:46,390 --> 00:46:45,200

people like corey good going to be there

1237

00:46:48,950 --> 00:46:46,400

tompkins

1238

00:46:50,790 --> 00:46:48,960

mr wood which i think you know mr wood

1239

00:46:53,030 --> 00:46:50,800

pretty well he's down in orange county

1240

00:46:55,750 --> 00:46:53,040

at uh mufon isn't he

1241

00:46:57,670 --> 00:46:55,760

um the guy who did the mj papers am i

1242

00:46:59,910 --> 00:46:57,680

correct on this am i getting all mixed

1243

00:47:02,390 --> 00:46:59,920

up on something or oh that's right bob

1244

00:47:05,109 --> 00:47:02,400

wood robert wood yeah

1245

00:47:07,670 --> 00:47:05,119

yeah robert wood i think he's a speaker

1246

00:47:09,510 --> 00:47:07,680

is it jim wood i can't remember um

1247

00:47:11,750 --> 00:47:09,520

anyhow it's just going to be a very

1248

00:47:14,390 --> 00:47:11,760

interesting conference because

1249

00:47:17,030 --> 00:47:14,400

like i said on my show on monday which a

1250

00:47:19,109 --> 00:47:17,040

lot of people listen to as well i have a

1251
00:47:20,870 --> 00:47:19,119
real problem with people who are making

1252
00:47:22,630 --> 00:47:20,880
action figures about themselves and

1253
00:47:25,430 --> 00:47:22,640
trying to break into hollywood about

1254
00:47:27,670 --> 00:47:25,440
their story about ufos i don't mind that

1255
00:47:29,990 --> 00:47:27,680
people have their stories told i don't

1256
00:47:32,550 --> 00:47:30,000
get that's fine with me

1257
00:47:35,030 --> 00:47:32,560
but what bothers me is when we cheapen

1258
00:47:36,309 --> 00:47:35,040
the experience into a marvel comic book

1259
00:47:39,030 --> 00:47:36,319
situation

1260
00:47:41,190 --> 00:47:39,040
that bothers me and that and and that

1261
00:47:42,790 --> 00:47:41,200
scares me because if that's what

1262
00:47:43,910 --> 00:47:42,800
hollywood's going to start doing to

1263
00:47:45,510 --> 00:47:43,920

everybody

1264

00:47:47,430 --> 00:47:45,520

whereas

1265

00:47:48,950 --> 00:47:47,440

i i'm i'm a little flipped out about it

1266

00:47:52,069 --> 00:47:48,960

i don't know about you have you heard

1267

00:47:54,309 --> 00:47:52,079

that corey good's doing that

1268

00:47:56,630 --> 00:47:54,319

you know i've been asked to count on

1269

00:47:57,910 --> 00:47:56,640

ufo figures and i always shy away from

1270

00:48:00,150 --> 00:47:57,920

it

1271

00:48:01,510 --> 00:48:00,160

but what i always say is you know yeah

1272

00:48:03,910 --> 00:48:01,520

people are free to say what they want

1273

00:48:07,910 --> 00:48:03,920

obviously uh but as far as someone's

1274

00:48:13,030 --> 00:48:10,069

action figures made out about you and

1275

00:48:15,349 --> 00:48:13,040

having a marketing team to market you to

1276

00:48:16,309 --> 00:48:15,359

have action figures and comic books out

1277

00:48:18,390 --> 00:48:16,319

it's just

1278

00:48:20,550 --> 00:48:18,400

i don't know it just bothers the heck

1279

00:48:22,390 --> 00:48:20,560

out of me you know and you don't say

1280

00:48:24,630 --> 00:48:22,400

anything i don't want to hear it

1281

00:48:27,349 --> 00:48:24,640

because i don't want you to get any you

1282

00:48:28,470 --> 00:48:27,359

you know put your toe in anybody's pond

1283

00:48:31,190 --> 00:48:28,480

but um

1284

00:48:33,510 --> 00:48:31,200

you know the bottom line is for me it's

1285

00:48:35,670 --> 00:48:33,520

like it it's a no-brainer that it's just

1286

00:48:36,790 --> 00:48:35,680

going to make us look weird

1287

00:48:39,190 --> 00:48:36,800

you know

1288

00:48:41,349 --> 00:48:39,200

i don't know

1289

00:48:43,030 --> 00:48:41,359

i this is a subject i take really

1290

00:48:45,349 --> 00:48:43,040

seriously actually

1291

00:48:47,829 --> 00:48:45,359

yeah me too and that's the problem i

1292

00:48:49,109 --> 00:48:47,839

look at that as like it's a real affront

1293

00:48:50,630 --> 00:48:49,119

to to

1294

00:48:51,910 --> 00:48:50,640

and you know what's even worse you know

1295

00:48:53,510 --> 00:48:51,920

this is where i am going to go on a

1296

00:48:56,470 --> 00:48:53,520

little rant for a second what's even

1297

00:48:58,950 --> 00:48:56,480

versus the fact that his experiences

1298

00:49:01,030 --> 00:48:58,960

are not that extraordinary

1299

00:49:02,950 --> 00:49:01,040

compared to some of the people i've

1300

00:49:05,829 --> 00:49:02,960

heard that will never tell their story

1301

00:49:09,270 --> 00:49:05,839

in public their stories are absolutely

1302

00:49:11,589 --> 00:49:09,280

mind-bogglingly explosive and he has you

1303

00:49:13,750 --> 00:49:11,599

know so he went to a planet he he did 20

1304

00:49:15,990 --> 00:49:13,760

years in service he saw all kinds of

1305

00:49:18,950 --> 00:49:16,000

horrible and good things he met a couple

1306

00:49:20,309 --> 00:49:18,960

aliens yeah big deal who cares you know

1307

00:49:22,309 --> 00:49:20,319

i mean

1308

00:49:25,750 --> 00:49:22,319

in my book that's just the typical

1309

00:49:27,990 --> 00:49:25,760

abduction you know um but apparently

1310

00:49:30,549 --> 00:49:28,000

people think it's the cat's meow and to

1311

00:49:32,950 --> 00:49:30,559

me it's like he's done nothing he didn't

1312

00:49:36,069 --> 00:49:32,960

even fight for us on you know he didn't

1313

00:49:38,470 --> 00:49:36,079

even fight for humanity in his in his

1314

00:49:40,470 --> 00:49:38,480

digs i don't know i i'm staying out of

1315

00:49:42,230 --> 00:49:40,480

it too but the bottom line is i do have

1316

00:49:43,910 --> 00:49:42,240

an opinion about it ever since i heard

1317

00:49:46,230 --> 00:49:43,920

about the action figures in comic books

1318

00:49:50,069 --> 00:49:46,240

so i i did have to say that because it

1319

00:49:53,270 --> 00:49:50,079

just bugs me to no end so yeah

1320

00:49:55,430 --> 00:49:53,280

i didn't know about the action figures

1321

00:49:57,030 --> 00:49:55,440

the comic book part i was kind of okay

1322

00:49:59,270 --> 00:49:57,040

with but when i heard about the action

1323

00:50:01,030 --> 00:49:59,280

figures i just really went nuts

1324

00:50:03,349 --> 00:50:01,040

i mean that that was like the last straw

1325

00:50:05,109 --> 00:50:03,359

for lorien

1326

00:50:06,710 --> 00:50:05,119

that's when i said i don't care who it

1327

00:50:08,309 --> 00:50:06,720

is i'm going to talk about it because i

1328

00:50:09,750 --> 00:50:08,319

can't deal with stuff like that it just

1329

00:50:11,670 --> 00:50:09,760

makes me crazy

1330

00:50:13,910 --> 00:50:11,680

though yeah okay well let's start

1331

00:50:16,150 --> 00:50:13,920

talking about your your new book because

1332

00:50:18,950 --> 00:50:16,160

i'm so excited to be discussing this

1333

00:50:21,829 --> 00:50:18,960

it's called inside ufos true accounts of

1334

00:50:23,750 --> 00:50:21,839

contact by preston bennett and boy

1335

00:50:25,190 --> 00:50:23,760

preston you know we've only got we've

1336

00:50:27,270 --> 00:50:25,200

only got four minutes before our next

1337

00:50:29,510 --> 00:50:27,280

break can you believe it but in the

1338

00:50:32,710 --> 00:50:29,520

meantime let's start talking about what

1339

00:50:34,630 --> 00:50:32,720

what was your impetus to write this one

1340

00:50:36,870 --> 00:50:34,640

you know i know every one of them has a

1341

00:50:38,470 --> 00:50:36,880

different reason why you write it so why

1342

00:50:39,750 --> 00:50:38,480

did this one come out

1343

00:50:40,470 --> 00:50:39,760

right well you know i've written a bunch

1344

00:50:49,270 --> 00:50:40,480

of

1345

00:50:51,910 --> 00:50:49,280

and

1346

00:50:54,230 --> 00:50:51,920

like ufos over california or the other

1347

00:50:56,630 --> 00:50:54,240

states that i've written about um but

1348

00:51:00,069 --> 00:50:56,640

this book is all my own research it's

1349

00:51:02,230 --> 00:51:00,079

100 you know stuff that i've

1350

00:51:05,109 --> 00:51:02,240

gotten from people i've interviewed

1351
00:51:06,870 --> 00:51:05,119
uh who've had very extensive contact

1352
00:51:08,549 --> 00:51:06,880
and i was able to draw i've interviewed

1353
00:51:12,309 --> 00:51:08,559
a lot of people

1354
00:51:14,309 --> 00:51:12,319
and uh have a pretty big file of cases

1355
00:51:15,270 --> 00:51:14,319
and was able to pick what i thought were

1356
00:51:17,270 --> 00:51:15,280
the more

1357
00:51:20,230 --> 00:51:17,280
extensive or interesting

1358
00:51:21,190 --> 00:51:20,240
or unusual types of cases that i think

1359
00:51:24,309 --> 00:51:21,200
would

1360
00:51:25,829 --> 00:51:24,319
had something to say to the ufo field

1361
00:51:27,349 --> 00:51:25,839
so that's why i'm really excited about

1362
00:51:28,950 --> 00:51:27,359
it because it's a little bit different

1363
00:51:31,030 --> 00:51:28,960

than your average book about you know

1364

00:51:32,710 --> 00:51:31,040

being abducted by grades

1365

00:51:35,190 --> 00:51:32,720

yeah yeah you know and that's the

1366

00:51:37,670 --> 00:51:35,200

interesting part people have forgotten

1367

00:51:39,030 --> 00:51:37,680

that being contacted has evolved in so

1368

00:51:41,349 --> 00:51:39,040

many ways

1369

00:51:43,589 --> 00:51:41,359

and if i ever do get my book out

1370

00:51:45,829 --> 00:51:43,599

um that's what it's all about is about

1371

00:51:48,309 --> 00:51:45,839

the the difference in contact between

1372

00:51:51,349 --> 00:51:48,319

now and back let's say when whitley was

1373

00:51:53,510 --> 00:51:51,359

being contacted and you know most other

1374

00:51:55,510 --> 00:51:53,520

people in the 50s and 60s and how it's

1375

00:51:57,750 --> 00:51:55,520

evolved completely

1376
00:52:00,630 --> 00:51:57,760
over the years and how we are retaining

1377
00:52:03,109 --> 00:52:00,640
much more information about our contact

1378
00:52:05,190 --> 00:52:03,119
so let's start with i'm just going to

1379
00:52:07,510 --> 00:52:05,200
read this this little

1380
00:52:09,829 --> 00:52:07,520
you know synopsis here

1381
00:52:13,190 --> 00:52:09,839
on the web page it says while most ufo

1382
00:52:15,670 --> 00:52:13,200
books are rehashes of old cases

1383
00:52:18,950 --> 00:52:15,680
inside ufos presents the cutting edge of

1384
00:52:21,750 --> 00:52:18,960
ufo research with 10 all-new original

1385
00:52:24,150 --> 00:52:21,760
cases of extensive contact a wide

1386
00:52:26,630 --> 00:52:24,160
variety of et's are presented including

1387
00:52:31,109 --> 00:52:26,640
various types of grays praying mantis

1388
00:52:33,030 --> 00:52:31,119

type ets humanoids and nordics wow cool

1389

00:52:34,950 --> 00:52:33,040

the witnesses are normally everyday

1390

00:52:37,990 --> 00:52:34,960

people suddenly find themselves in a

1391

00:52:40,470 --> 00:52:38,000

very unusual situation the unique and

1392

00:52:42,870 --> 00:52:40,480

unusual nature of the cases in the book

1393

00:52:46,390 --> 00:52:42,880

will surprise even those well-versed in

1394

00:52:49,109 --> 00:52:46,400

the ufo literature cool i'm very excited

1395

00:52:51,109 --> 00:52:49,119

okay so let's start out with oh let's

1396

00:52:53,910 --> 00:52:51,119

start out with not because we got to hit

1397

00:52:55,349 --> 00:52:53,920

a break here in any second but um

1398

00:52:57,109 --> 00:52:55,359

where can people find it let's start

1399

00:52:59,030 --> 00:52:57,119

with that for

1400

00:53:00,470 --> 00:52:59,040

before we hit the break right well

1401
00:53:02,390 --> 00:53:00,480
certainly you can go to the website i

1402
00:53:03,910 --> 00:53:02,400
have excerpts there and you can buy the

1403
00:53:06,549 --> 00:53:03,920
book through the website or just go to

1404
00:53:09,990 --> 00:53:06,559
amazon.com barnes noble

1405
00:53:12,309 --> 00:53:10,000
um other online retailers have it

1406
00:53:13,910 --> 00:53:12,319
now if they buy it at the website can

1407
00:53:16,790 --> 00:53:13,920
they get a um

1408
00:53:18,870 --> 00:53:16,800
you know an autographed copy or

1409
00:53:20,470 --> 00:53:18,880
uh you know i'm gonna have to set that

1410
00:53:22,630 --> 00:53:20,480
up because i've gotten a couple of

1411
00:53:25,270 --> 00:53:22,640
requests for that recently that's

1412
00:53:26,829 --> 00:53:25,280
um oh i definitely yeah i definitely

1413
00:53:28,790 --> 00:53:26,839

want an autographed

1414

00:53:30,549 --> 00:53:28,800

copy all right

1415

00:53:32,230 --> 00:53:30,559

if we're gonna do this we gotta do it

1416

00:53:33,349 --> 00:53:32,240

right man i gotta get that autograph

1417

00:53:34,870 --> 00:53:33,359

cause you're gonna like i said you're

1418

00:53:38,069 --> 00:53:34,880

gonna be one of the famous guys when

1419

00:53:40,069 --> 00:53:38,079

this all breaks loose so

1420

00:53:43,030 --> 00:53:40,079

yeah i will set that up at this point

1421

00:53:44,870 --> 00:53:43,040

i'm not set up for that okay but if

1422

00:53:46,549 --> 00:53:44,880

someone wants to contact me certainly

1423

00:53:48,069 --> 00:53:46,559

i'm not opposed to that sending them an

1424

00:53:50,230 --> 00:53:48,079

autographed copy

1425

00:53:51,430 --> 00:53:50,240

great wonderful i love it okay well

1426

00:53:53,349 --> 00:53:51,440

let's take that break and then the

1427

00:53:55,670 --> 00:53:53,359

minute we get back folks i promise you

1428

00:53:58,510 --> 00:53:55,680

promise you we will talk about inside

1429

00:54:03,190 --> 00:53:58,520

ufos true accounts of contact with

1430

00:54:07,750 --> 00:54:05,190

radio network welcome back everyone to

1431

00:54:10,069 --> 00:54:07,760

the california mufon radio show i'm your

1432

00:54:12,230 --> 00:54:10,079

host lorie and fenton we're having a

1433

00:54:13,910 --> 00:54:12,240

blast here tonight i gotta say i very

1434

00:54:15,670 --> 00:54:13,920

seldom get to talk about personal stuff

1435

00:54:18,069 --> 00:54:15,680

and whenever preston gets on here for

1436

00:54:19,349 --> 00:54:18,079

some reason i open right up to him

1437

00:54:22,069 --> 00:54:19,359

because i know he's in the same

1438

00:54:24,470 --> 00:54:22,079

situation i'm in where it's kind of like

1439

00:54:27,349 --> 00:54:24,480

oh suddenly the ufos took over my life

1440

00:54:29,589 --> 00:54:27,359

and the aliens do and here we sit and

1441

00:54:31,750 --> 00:54:29,599

luckily enough he turned it into 20

1442

00:54:34,309 --> 00:54:31,760

books i've just turned it into yak and

1443

00:54:36,230 --> 00:54:34,319

at you guys on wednesday nights but i

1444

00:54:36,790 --> 00:54:36,240

love his books preston dennett you can

1445

00:54:40,230 --> 00:54:36,800

find him at preston

1446

00:54:44,790 --> 00:54:43,349

that's preston dennett with two n's and

1447

00:54:47,670 --> 00:54:44,800

two t's

1448

00:54:49,430 --> 00:54:47,680

dot weebly.com please go there please

1449

00:54:51,670 --> 00:54:49,440

check out his books and you guys support

1450

00:54:53,910 --> 00:54:51,680

preston's work because his books are

1451
00:54:55,990 --> 00:54:53,920
truly phenomenal i have several of them

1452
00:54:57,910 --> 00:54:56,000
in my library and i just love them but

1453
00:55:00,390 --> 00:54:57,920
they're they're very precious to me i

1454
00:55:03,109 --> 00:55:00,400
have a lot of ufo books but prestons are

1455
00:55:03,910 --> 00:55:03,119
well written they're well edited

1456
00:55:06,549 --> 00:55:03,920
they

1457
00:55:08,710 --> 00:55:06,559
the sentences make it it makes sense to

1458
00:55:11,589 --> 00:55:08,720
me i mean i read it and i just go god

1459
00:55:13,829 --> 00:55:11,599
this is very rich it's a very rich

1460
00:55:16,710 --> 00:55:13,839
his style of writing is rich because he

1461
00:55:19,589 --> 00:55:16,720
really takes into account the emotional

1462
00:55:21,829 --> 00:55:19,599
aspect of each person's story that he's

1463
00:55:23,510 --> 00:55:21,839

writing he just really you can you can

1464

00:55:25,430 --> 00:55:23,520

read it and you can live it while you're

1465

00:55:27,990 --> 00:55:25,440

reading it it's like a well-written

1466

00:55:29,750 --> 00:55:28,000

science fiction book almost but it's

1467

00:55:31,030 --> 00:55:29,760

truth it's the truth of what these

1468

00:55:33,030 --> 00:55:31,040

people have gone through it's just

1469

00:55:34,870 --> 00:55:33,040

absolutely amazing so please read his

1470

00:55:37,109 --> 00:55:34,880

books because you would do yourself

1471

00:55:40,309 --> 00:55:37,119

great service by doing that so go to

1472

00:55:44,150 --> 00:55:41,829

and right now we're going to start

1473

00:55:46,870 --> 00:55:44,160

talking about inside ufos true accounts

1474

00:55:49,750 --> 00:55:46,880

of contact with extraterrestrials so

1475

00:55:51,270 --> 00:55:49,760

preston which one is your favorite case

1476

00:55:53,270 --> 00:55:51,280

let's start with that first and then

1477

00:55:55,270 --> 00:55:53,280

we'll kind of work our way backwards a

1478

00:55:56,789 --> 00:55:55,280

little bit and let's talk about three or

1479

00:55:59,109 --> 00:55:56,799

four of them

1480

00:56:01,270 --> 00:55:59,119

yeah absolutely um well my favorite case

1481

00:56:03,030 --> 00:56:01,280

is probably the first chapter

1482

00:56:05,430 --> 00:56:03,040

um because it's this just a really

1483

00:56:07,990 --> 00:56:05,440

interesting case um with a great witness

1484

00:56:10,150 --> 00:56:08,000

his name is kevin cammon he's a navy

1485

00:56:11,030 --> 00:56:10,160

medic you know a corpsman

1486

00:56:13,430 --> 00:56:11,040

okay

1487

00:56:15,190 --> 00:56:13,440

trained observer i'm so a great witness

1488

00:56:17,430 --> 00:56:15,200

right yeah

1489

00:56:19,670 --> 00:56:17,440

and a real nice guy he heard me speaking

1490

00:56:21,270 --> 00:56:19,680

in san diego and came up to me

1491

00:56:22,230 --> 00:56:21,280

afterwards and told me this amazing

1492

00:56:24,630 --> 00:56:22,240

story

1493

00:56:27,030 --> 00:56:24,640

uh i you know did a kind of a

1494

00:56:28,630 --> 00:56:27,040

preliminary interview that night uh

1495

00:56:30,470 --> 00:56:28,640

later interviewed him several times i've

1496

00:56:31,990 --> 00:56:30,480

talked to him for hours and hours and

1497

00:56:34,710 --> 00:56:32,000

hours about this

1498

00:56:36,950 --> 00:56:34,720

so uh i know his case really well

1499

00:56:40,470 --> 00:56:36,960

uh he was based in the philippines this

1500

00:56:41,349 --> 00:56:40,480

was back in 1982 on this navy ship

1501

00:56:45,349 --> 00:56:41,359

okay

1502

00:56:46,950 --> 00:56:45,359

his best friend i'll call him larry uh

1503

00:56:48,630 --> 00:56:46,960

comes up to him one day you know they

1504

00:56:50,470 --> 00:56:48,640

had the same bunk together they bunked

1505

00:56:52,390 --> 00:56:50,480

together larry

1506

00:56:54,150 --> 00:56:52,400

larry was a personnel clerk

1507

00:57:04,230 --> 00:56:54,160

and larry comes up and says oh kevin by

1508

00:57:08,870 --> 00:57:06,789

he tells kevin oh yeah they take me onto

1509

00:57:11,829 --> 00:57:08,880

their ship i've been to their planet to

1510

00:57:13,750 --> 00:57:11,839

other planets and yadda

1511

00:57:15,430 --> 00:57:13,760

and kevin's like no you know i mean he

1512

00:57:16,470 --> 00:57:15,440

believes in ufos but this is just too

1513

00:57:17,510 --> 00:57:16,480

much

1514

00:57:19,829 --> 00:57:17,520

and

1515

00:57:21,510 --> 00:57:19,839

larry comes back a couple of days later

1516

00:57:23,109 --> 00:57:21,520

he says guess what kevin i just went to

1517

00:57:25,270 --> 00:57:23,119

your house my friends took me to your

1518

00:57:27,349 --> 00:57:25,280

house and he proceeds to describe

1519

00:57:30,470 --> 00:57:27,359

kevin's house which is in kinkaku

1520

00:57:32,309 --> 00:57:30,480

illinois thousands of miles away um in

1521

00:57:34,630 --> 00:57:32,319

perfect detail

1522

00:57:38,549 --> 00:57:34,640

uh and what's really weird is all these

1523

00:57:40,470 --> 00:57:38,559

details while correct are 10 15 years in

1524

00:57:42,950 --> 00:57:40,480

the past

1525

00:57:44,950 --> 00:57:42,960

oh my gosh i mean so how do you make

1526

00:57:46,470 --> 00:57:44,960

sense of that it really upset kevin a

1527

00:57:48,470 --> 00:57:46,480

lot because it looked like time travel

1528

00:57:50,630 --> 00:57:48,480

right

1529

00:57:51,589 --> 00:57:50,640

and so he turns to larry's like okay i

1530

00:57:56,710 --> 00:57:51,599

want to

1531

00:57:58,630 --> 00:57:56,720

those are the exact words he used

1532

00:58:00,710 --> 00:57:58,640

and larry's like okay

1533

00:58:02,870 --> 00:58:00,720

but they're not green

1534

00:58:04,549 --> 00:58:02,880

no it turns out they're not

1535

00:58:09,030 --> 00:58:04,559

uh

1536

00:58:11,349 --> 00:58:09,040

turned out actually so it was a day or

1537

00:58:13,190 --> 00:58:11,359

you know just like a little while later

1538

00:58:15,750 --> 00:58:13,200

larry shows up and it's like okay

1539

00:58:17,270 --> 00:58:15,760

they're coming tomorrow um

1540

00:58:18,789 --> 00:58:17,280

they're gonna come and get you and

1541

00:58:21,190 --> 00:58:18,799

kevin's like yeah right

1542

00:58:23,349 --> 00:58:21,200

and the next day comes and larry's there

1543

00:58:25,349 --> 00:58:23,359

okay they're up on deck go up on deck

1544

00:58:27,349 --> 00:58:25,359

and you'll see them kevin's you know in

1545

00:58:29,030 --> 00:58:27,359

their uh cabin

1546

00:58:31,910 --> 00:58:29,040

the deck is just a short distance away

1547

00:58:33,270 --> 00:58:31,920

it's about lunchtime high noon

1548

00:58:35,670 --> 00:58:33,280

and uh

1549

00:58:36,950 --> 00:58:35,680

kevin goes up onto the deck and cannot

1550

00:58:38,950 --> 00:58:36,960

believe his eyes

1551

00:58:41,190 --> 00:58:38,960

uh there's this giant ufo right

1552

00:58:43,270 --> 00:58:41,200

alongside the ship you know

1553

00:58:44,789 --> 00:58:43,280

wait wait we gotta stop right there

1554

00:58:47,190 --> 00:58:44,799

because this is where lauren's head

1555

00:58:49,030 --> 00:58:47,200

starts spinning like the exorcist

1556

00:58:51,109 --> 00:58:49,040

because i'm going okay they're on an

1557

00:58:55,030 --> 00:58:51,119

aircraft carrier right

1558

00:58:57,109 --> 00:58:55,040

uh no it's a smaller navy ship 600 feet

1559

00:58:59,910 --> 00:58:57,119

okay it doesn't matter there's still

1560

00:59:01,030 --> 00:58:59,920

like 100 personnel on this thing right

1561

00:59:03,030 --> 00:59:01,040

oh yeah

1562

00:59:05,190 --> 00:59:03,040

okay at least okay

1563

00:59:07,670 --> 00:59:05,200

where are all the other people on this

1564

00:59:09,910 --> 00:59:07,680

ship are are they seeing it too that's

1565

00:59:12,390 --> 00:59:09,920

my biggest question

1566

00:59:13,589 --> 00:59:12,400

and uh gosh i wish they did

1567

00:59:14,710 --> 00:59:13,599

but no

1568

00:59:18,950 --> 00:59:14,720

no

1569

00:59:20,950 --> 00:59:18,960

he ended up talking to the aliens about

1570

00:59:23,750 --> 00:59:20,960

this actually they said well we can let

1571

00:59:25,910 --> 00:59:23,760

anyone see us who we want and if we

1572

00:59:28,390 --> 00:59:25,920

don't see it you're not going to see it

1573

00:59:30,710 --> 00:59:28,400

they told him that flat out yeah

1574

00:59:32,390 --> 00:59:30,720

so he and that's what he did he ran to

1575

00:59:34,309 --> 00:59:32,400

the nearest guy the mess cook he

1576
00:59:35,670 --> 00:59:34,319
recognized me grabs his shoulder and

1577
00:59:37,510 --> 00:59:35,680
says look

1578
00:59:42,390 --> 00:59:37,520
and look just mind you this object is

1579
00:59:46,309 --> 00:59:44,710
but i mean it's incredible it's really

1580
00:59:47,190 --> 00:59:46,319
beautiful it's covered with colored

1581
00:59:49,670 --> 00:59:47,200
lights

1582
00:59:52,309 --> 00:59:49,680
uh you know it's this is daytime

1583
00:59:54,069 --> 00:59:52,319
uh so he's screaming at them and they're

1584
00:59:56,069 --> 00:59:54,079
not paying attention to him he's

1585
00:59:58,309 --> 00:59:56,079
grabbing and shaking them and

1586
01:00:00,390 --> 00:59:58,319
just not

1587
01:00:02,390 --> 01:00:00,400
responding at all the next thing he

1588
01:00:04,789 --> 01:00:02,400

knows he's not on the navy ship

1589

01:00:07,030 --> 01:00:04,799

he's looking down at it from above and

1590

01:00:08,710 --> 01:00:07,040

it's receding pretty darn quick

1591

01:00:09,990 --> 01:00:08,720

off into the distance

1592

01:00:11,750 --> 01:00:10,000

and he

1593

01:00:13,990 --> 01:00:11,760

looks up and sees you know metallic

1594

01:00:15,109 --> 01:00:14,000

walls he sees a metal floor kind of like

1595

01:00:17,430 --> 01:00:15,119

a grating

1596

01:00:19,990 --> 01:00:17,440

and realizes he's not

1597

01:00:22,230 --> 01:00:20,000

he's been taken on board right

1598

01:00:25,510 --> 01:00:22,240

yeah so uh he freaks out he's like oh no

1599

01:00:26,950 --> 01:00:25,520

i'm awol and here's a voice

1600

01:00:30,710 --> 01:00:26,960

in

1601

01:00:32,470 --> 01:00:30,720

be worried about but go ahead

1602

01:00:34,230 --> 01:00:32,480

well i interviewed another navy guy he's

1603

01:00:36,950 --> 01:00:34,240

also in the book same exact thing

1604

01:00:38,549 --> 01:00:36,960

happened to him i mean really close and

1605

01:00:40,230 --> 01:00:38,559

he also thought the same thing i was

1606

01:00:41,910 --> 01:00:40,240

like oh no i'm a wall

1607

01:00:44,309 --> 01:00:41,920

and he hears this voice you know kevin

1608

01:00:46,309 --> 01:00:44,319

does and says no

1609

01:00:48,150 --> 01:00:46,319

it's a perfect perfect english a male

1610

01:00:49,750 --> 01:00:48,160

voice it says no they don't even know

1611

01:00:53,270 --> 01:00:49,760

you're gone

1612

01:00:56,150 --> 01:00:53,280

and uh he was too afraid to turn around

1613

01:00:57,910 --> 01:00:56,160

and is looking out the side of the ship

1614

01:00:58,789 --> 01:00:57,920

and it turns transparent wherever he's

1615

01:01:00,309 --> 01:00:58,799

looking

1616

01:01:01,829 --> 01:01:00,319

sort of like there's a window but there

1617

01:01:03,829 --> 01:01:01,839

isn't this is something i've heard

1618

01:01:05,430 --> 01:01:03,839

before but it's a

1619

01:01:06,150 --> 01:01:05,440

weird detail

1620

01:01:08,390 --> 01:01:06,160

and

1621

01:01:10,549 --> 01:01:08,400

so a lot happens you know he says

1622

01:01:13,030 --> 01:01:10,559

he got a little bit confused but what he

1623

01:01:13,829 --> 01:01:13,040

remembers is finding himself in this

1624

01:01:16,630 --> 01:01:13,839

ship

1625

01:01:18,950 --> 01:01:16,640

over his hometown it's daytime

1626

01:01:20,710 --> 01:01:18,960

so again there's this time travel aspect

1627

01:01:22,309 --> 01:01:20,720

because uh it was daytime where he was

1628

01:01:24,630 --> 01:01:22,319

it can't be daytime in the philippines

1629

01:01:27,510 --> 01:01:24,640

and in kinkakee illinois

1630

01:01:29,109 --> 01:01:27,520

right and he's hovering over the church

1631

01:01:30,870 --> 01:01:29,119

lowe's has you covered for all those

1632

01:01:32,950 --> 01:01:30,880

projects on your summer to-do list and

1633

01:01:34,630 --> 01:01:32,960

will even help you save give your home a

1634

01:01:36,470 --> 01:01:34,640

whole new look inside and out with ten

1635

01:01:38,470 --> 01:01:36,480

to forty dollars off paint exterior

1636

01:01:39,990 --> 01:01:38,480

stains and resurfacers via rebate and

1637

01:01:42,230 --> 01:01:40,000

add a pop of color to your porch or

1638

01:01:43,990 --> 01:01:42,240

patio with flowers get your choice two

1639

01:01:46,150 --> 01:01:44,000

for ten dollar basic one and a half

1640

01:01:48,309 --> 01:01:46,160

gallon hanging baskets all projects have

1641

01:01:49,750 --> 01:01:48,319

a starting point start with lows paint

1642

01:01:51,630 --> 01:01:49,760

offer valid six twenty one three seven

1643

01:01:53,750 --> 01:01:51,640

five exclusions apply plant offer valid

1644

01:01:57,030 --> 01:01:53,760

628-75 color and selection vary by

1645

01:01:59,190 --> 01:01:57,040

location while supplies last us only

1646

01:02:00,390 --> 01:01:59,200

where's mom teaches and she's in there

1647

01:02:01,510 --> 01:02:00,400

and he can see through the walls of the

1648

01:02:02,870 --> 01:02:01,520

church and she's writing on the

1649

01:02:05,109 --> 01:02:02,880

chalkboard

1650

01:02:07,109 --> 01:02:05,119

and the ship moves a couple of blocks

1651
01:02:09,430 --> 01:02:07,119
over the town to where his father works

1652
01:02:10,870 --> 01:02:09,440
as a banker and again he can see through

1653
01:02:12,789 --> 01:02:10,880
the bank building

1654
01:02:15,030 --> 01:02:12,799
and there's his father having a meeting

1655
01:02:17,109 --> 01:02:15,040
with executives and this voice comes in

1656
01:02:19,190 --> 01:02:17,119
his head says your parents

1657
01:02:22,390 --> 01:02:19,200
are honorable people and they did a good

1658
01:02:28,069 --> 01:02:24,309
like okay you know this is good getting

1659
01:02:29,910 --> 01:02:28,079
confusing there's a shift uh maybe he's

1660
01:02:31,670 --> 01:02:29,920
he doesn't remember what happens next

1661
01:02:33,349 --> 01:02:31,680
but what he does remember is looking

1662
01:02:36,069 --> 01:02:33,359
down through the bottom of the ship this

1663
01:02:38,870 --> 01:02:36,079

time and he sees what looked like

1664

01:02:40,870 --> 01:02:38,880

craters you think okay is this a bombing

1665

01:02:43,030 --> 01:02:40,880

desert area it looks like gray sand it

1666

01:02:45,270 --> 01:02:43,040

looks almost like the moon he's thinking

1667

01:02:46,789 --> 01:02:45,280

and boom he's comes up over the horizon

1668

01:02:49,589 --> 01:02:46,799

and there's the earth

1669

01:02:50,630 --> 01:02:49,599

very small he says he nearly crapped his

1670

01:02:53,030 --> 01:02:50,640

pants

1671

01:02:55,510 --> 01:02:53,040

uh couldn't believe it

1672

01:02:56,950 --> 01:02:55,520

and he started asking them questions

1673

01:02:59,190 --> 01:02:56,960

and this is where it got really

1674

01:03:01,270 --> 01:02:59,200

interesting and his case is what i would

1675

01:03:02,390 --> 01:03:01,280

call an outlier it's different from a

1676

01:03:05,829 --> 01:03:02,400

lot of people

1677

01:03:06,950 --> 01:03:05,839

because he got a lot of information

1678

01:03:08,470 --> 01:03:06,960

and uh

1679

01:03:10,950 --> 01:03:08,480

each question he asked that answered

1680

01:03:14,069 --> 01:03:10,960

instantly he's like where are you from

1681

01:03:16,390 --> 01:03:14,079

and uh suddenly the room which was about

1682

01:03:18,870 --> 01:03:16,400

maybe 30 50 feet across

1683

01:03:20,950 --> 01:03:18,880

doubled or tripled in size it changed

1684

01:03:23,029 --> 01:03:20,960

size it grew

1685

01:03:24,630 --> 01:03:23,039

and turned into a star chart

1686

01:03:27,109 --> 01:03:24,640

three-dimensional

1687

01:03:28,549 --> 01:03:27,119

and you could see our planet you know

1688

01:03:30,309 --> 01:03:28,559

you can see

1689

01:03:32,870 --> 01:03:30,319

the sun and all these different stars

1690

01:03:34,390 --> 01:03:32,880

and way way way off in the distance was

1691

01:03:35,910 --> 01:03:34,400

this tiny little red light it was

1692

01:03:37,349 --> 01:03:35,920

blinking on and off

1693

01:03:39,190 --> 01:03:37,359

they said that's us

1694

01:03:40,630 --> 01:03:39,200

and he's like what's your planet

1695

01:03:41,430 --> 01:03:40,640

they told him

1696

01:03:43,750 --> 01:03:41,440

um

1697

01:03:45,670 --> 01:03:43,760

couldn't remember it it was a very long

1698

01:03:46,870 --> 01:03:45,680

unpronounceable word

1699

01:03:48,870 --> 01:03:46,880

uh and

1700

01:03:50,870 --> 01:03:48,880

they told them all sorts of things they

1701
01:03:53,750 --> 01:03:50,880
told them they speak all the languages

1702
01:03:56,069 --> 01:03:53,760
of our planet fluently they told them

1703
01:03:58,309 --> 01:03:56,079
they're in contact with all the major

1704
01:04:01,589 --> 01:03:58,319
quote major governments

1705
01:04:04,309 --> 01:04:01,599
uh and are trading technology with them

1706
01:04:07,990 --> 01:04:04,319
they told him he asked about roswell

1707
01:04:13,270 --> 01:04:09,829
yes they told him there are other races

1708
01:04:14,630 --> 01:04:13,280
that are in contact uh with us not just

1709
01:04:17,190 --> 01:04:14,640
them

1710
01:04:18,789 --> 01:04:17,200
uh he asked about god and they said we

1711
01:04:20,470 --> 01:04:18,799
can't talk about that

1712
01:04:21,780 --> 01:04:20,480
we won't discuss race religion or

1713
01:04:24,710 --> 01:04:21,790

politics

1714

01:04:27,510 --> 01:04:24,720

[Laughter]

1715

01:04:29,190 --> 01:04:27,520

you to find that pretty funny don't you

1716

01:04:31,589 --> 01:04:29,200

that must been their really that's their

1717

01:04:33,270 --> 01:04:31,599

only sense of humor is to tell us that

1718

01:04:35,270 --> 01:04:33,280

they're going to be like us you know

1719

01:04:37,990 --> 01:04:35,280

we're we draw the line and everything

1720

01:04:40,069 --> 01:04:38,000

you know we could talk about you know

1721

01:04:42,309 --> 01:04:40,079

sex we could talk about anything but

1722

01:04:45,029 --> 01:04:42,319

when you get to raise politics or

1723

01:04:46,710 --> 01:04:45,039

whatever religion forget it buddy you

1724

01:04:49,029 --> 01:04:46,720

know it ain't going to happen i think

1725

01:04:50,309 --> 01:04:49,039

that's funny

1726

01:04:51,589 --> 01:04:50,319

too that really

1727

01:04:53,029 --> 01:04:51,599

kind of i thought it was also

1728

01:04:55,190 --> 01:04:53,039

interesting because we struggle with

1729

01:04:56,710 --> 01:04:55,200

those issues certainly

1730

01:04:58,630 --> 01:04:56,720

well yeah

1731

01:05:00,630 --> 01:04:58,640

they give us a little advice in the

1732

01:05:02,710 --> 01:05:00,640

three areas that we're so screwed up

1733

01:05:04,069 --> 01:05:02,720

around right you know

1734

01:05:06,150 --> 01:05:04,079

yeah well they did give them advice but

1735

01:05:08,150 --> 01:05:06,160

it wasn't about that

1736

01:05:10,470 --> 01:05:08,160

the advice usually falls into three main

1737

01:05:13,670 --> 01:05:10,480

areas i found alternative energy

1738

01:05:15,829 --> 01:05:13,680

alternative spirituality or healing

1739

01:05:19,029 --> 01:05:15,839

and what they told him they told him

1740

01:05:21,109 --> 01:05:19,039

when we started exploding nuclear bombs

1741

01:05:23,109 --> 01:05:21,119

this caused an alarm to go off

1742

01:05:25,430 --> 01:05:23,119

throughout the galaxies and everyone

1743

01:05:27,029 --> 01:05:25,440

came rushing to see us

1744

01:05:29,430 --> 01:05:27,039

uh and that it actually started what

1745

01:05:30,710 --> 01:05:29,440

they called a countdown clock

1746

01:05:33,109 --> 01:05:30,720

oh no

1747

01:05:36,150 --> 01:05:33,119

and they said your destiny will be

1748

01:05:37,750 --> 01:05:36,160

fulfilled and these events will happen

1749

01:05:39,750 --> 01:05:37,760

and they showed him

1750

01:05:41,349 --> 01:05:39,760

and he couldn't tell if this was like

1751

01:05:43,349 --> 01:05:41,359

a movie it looked

1752

01:05:45,750 --> 01:05:43,359

real it looked three-dimensional real

1753

01:05:47,829 --> 01:05:45,760

sure sure i and i've experienced that so

1754

01:05:49,670 --> 01:05:47,839

i know exactly what you're talking about

1755

01:05:50,789 --> 01:05:49,680

i haven't experienced it on a ship i had

1756

01:05:53,270 --> 01:05:50,799

a vision

1757

01:05:55,430 --> 01:05:53,280

that was given to me that i i could have

1758

01:05:57,750 --> 01:05:55,440

sworn i was in it doing everything in

1759

01:06:00,789 --> 01:05:57,760

the vision and living it right

1760

01:06:02,630 --> 01:06:00,799

absolutely real yeah absolutely real i

1761

01:06:04,950 --> 01:06:02,640

mean i wouldn't know the difference if

1762

01:06:06,789 --> 01:06:04,960

someone had said you know if someone

1763

01:06:09,349 --> 01:06:06,799

grabbed my shoulders and in and

1764

01:06:11,190 --> 01:06:09,359

basically kind of woken me out of this

1765

01:06:13,109 --> 01:06:11,200

the physical state i was in which is

1766

01:06:14,069 --> 01:06:13,119

probably just staring into space like an

1767

01:06:15,029 --> 01:06:14,079

idiot

1768

01:06:17,670 --> 01:06:15,039

um

1769

01:06:19,589 --> 01:06:17,680

it would have been like oh i was just in

1770

01:06:21,589 --> 01:06:19,599

another place you know i would have felt

1771

01:06:24,789 --> 01:06:21,599

like i've just been brought back from

1772

01:06:27,190 --> 01:06:24,799

another reality absolutely so i get that

1773

01:06:29,349 --> 01:06:27,200

so anyhow so they they showed him what

1774

01:06:31,990 --> 01:06:29,359

was going to happen to us oh god do i

1775

01:06:33,910 --> 01:06:32,000

want to hear this okay go ahead yeah

1776

01:06:36,230 --> 01:06:33,920

well maybe not

1777

01:06:37,670 --> 01:06:36,240

go ahead i'm ready

1778

01:06:39,910 --> 01:06:37,680

it's their main message it's something

1779

01:06:42,549 --> 01:06:39,920

i've heard from many other people who've

1780

01:06:45,190 --> 01:06:42,559

been taken inside of ufo

1781

01:06:47,270 --> 01:06:45,200

or had face-to-face contact um and they

1782

01:06:48,309 --> 01:06:47,280

said there's all these disasters are

1783

01:06:50,150 --> 01:06:48,319

coming

1784

01:06:51,910 --> 01:06:50,160

and it's like looking outside of a

1785

01:06:54,230 --> 01:06:51,920

window and you saw hurricanes

1786

01:06:55,990 --> 01:06:54,240

and more hurricanes and more hurricanes

1787

01:06:57,270 --> 01:06:56,000

it was mostly hurricanes

1788

01:06:58,549 --> 01:06:57,280

earthquakes

1789

01:07:00,069 --> 01:06:58,559

tornadoes

1790

01:07:03,190 --> 01:07:00,079

landslides

1791

01:07:05,910 --> 01:07:03,200

a couple of mining disasters

1792

01:07:08,150 --> 01:07:05,920

uh all kinds of stuff they actually

1793

01:07:09,910 --> 01:07:08,160

showed him a personal motorcycle

1794

01:07:12,390 --> 01:07:09,920

accident that he would have ended up

1795

01:07:14,950 --> 01:07:12,400

having many years later

1796

01:07:17,029 --> 01:07:14,960

uh which did happen and you'd think he'd

1797

01:07:18,549 --> 01:07:17,039

be smart enough not to ride a motorcycle

1798

01:07:19,589 --> 01:07:18,559

after that right

1799

01:07:21,510 --> 01:07:19,599

right

1800

01:07:23,270 --> 01:07:21,520

i mean it's like okay are you kidding me

1801

01:07:24,870 --> 01:07:23,280

so they come to give you your whole life

1802

01:07:26,710 --> 01:07:24,880

history and you go oh yeah i think i'm

1803

01:07:28,950 --> 01:07:26,720

gonna go out and buy a motorcycle my et

1804

01:07:32,549 --> 01:07:28,960

guys will they'll protect me right you

1805

01:07:34,390 --> 01:07:32,559

know oh come on oh my god anyhow okay

1806

01:07:36,710 --> 01:07:34,400

i'm sorry i just said

1807

01:07:38,230 --> 01:07:36,720

i said i i'm really talking a lot

1808

01:07:40,390 --> 01:07:38,240

tonight because everything you're saying

1809

01:07:43,990 --> 01:07:40,400

is kind of hitting home i like oh my god

1810

01:07:46,309 --> 01:07:44,000

that's so insane so um disasters not us

1811

01:07:49,109 --> 01:07:46,319

blowing ourselves up with atomic nuclear

1812

01:07:50,470 --> 01:07:49,119

weapons or anything like that

1813

01:07:51,349 --> 01:07:50,480

no they didn't show them that they

1814

01:07:53,190 --> 01:07:51,359

certainly

1815

01:07:55,589 --> 01:07:53,200

warned him about it and said

1816

01:07:57,430 --> 01:07:55,599

it was all because of that basically

1817

01:07:58,390 --> 01:07:57,440

um that our environmental destruction

1818

01:08:01,109 --> 01:07:58,400

began

1819

01:08:03,270 --> 01:08:01,119

and did you get the information from a

1820

01:08:05,829 --> 01:08:03,280

lot of people about the fact that the

1821

01:08:08,710 --> 01:08:05,839

time what has happened is when we blew

1822

01:08:11,190 --> 01:08:08,720

up the first nuclear weapon and we sent

1823

01:08:13,029 --> 01:08:11,200

that frequency out throughout the galaxy

1824

01:08:15,430 --> 01:08:13,039

the universe whatever

1825

01:08:17,910 --> 01:08:15,440

um that we were actually messing with

1826

01:08:21,430 --> 01:08:17,920

everybody else's dimensional time space

1827

01:08:23,349 --> 01:08:21,440

or time or or their the gravitational

1828

01:08:25,189 --> 01:08:23,359

whatever holds them together because

1829

01:08:27,189 --> 01:08:25,199

i've heard this from other people's

1830

01:08:29,590 --> 01:08:27,199

accounts and i'm just wondering if you

1831

01:08:31,349 --> 01:08:29,600

heard that particular comment about how

1832

01:08:33,910 --> 01:08:31,359

we're messing with their

1833

01:08:36,390 --> 01:08:33,920

dimensional time space when we blew off

1834

01:08:37,749 --> 01:08:36,400

an atomic weapon

1835

01:08:41,030 --> 01:08:37,759

no i can't say that i've heard that

1836

01:08:42,950 --> 01:08:41,040

specifically uh or in this case but that

1837

01:08:44,789 --> 01:08:42,960

seems to be the gist of it

1838

01:08:46,709 --> 01:08:44,799

because they're very cool yeah because

1839

01:08:49,669 --> 01:08:46,719

how would they even have known about us

1840

01:08:51,990 --> 01:08:49,679

if we weren't somehow effective their

1841

01:08:53,030 --> 01:08:52,000

their dimension their wherever they come

1842

01:08:54,950 --> 01:08:53,040

from

1843

01:08:57,030 --> 01:08:54,960

right yeah that was their main message

1844

01:08:59,349 --> 01:08:57,040

and definitely the main message

1845

01:09:02,070 --> 01:08:59,359

that is given to people it's warnings

1846

01:09:04,070 --> 01:09:02,080

usually of nuclear proliferation or even

1847

01:09:06,149 --> 01:09:04,080

pollution and that sort of thing global

1848

01:09:08,149 --> 01:09:06,159

warming environmentalism

1849

01:09:09,349 --> 01:09:08,159

yeah but kevin you know they're telling

1850

01:09:11,910 --> 01:09:09,359

him this

1851
01:09:14,870 --> 01:09:11,920
he's freaking out um he's still not

1852
01:09:17,030 --> 01:09:14,880
having a great time really he's really

1853
01:09:19,030 --> 01:09:17,040
afraid

1854
01:09:21,110 --> 01:09:19,040
but finally you know ask what they look

1855
01:09:23,269 --> 01:09:21,120
like and they said well we're not little

1856
01:09:24,630 --> 01:09:23,279
and we're not green

1857
01:09:25,669 --> 01:09:24,640
and he's like

1858
01:09:28,149 --> 01:09:25,679
okay

1859
01:09:30,309 --> 01:09:28,159
and i said well you know people find our

1860
01:09:31,829 --> 01:09:30,319
appearance frightening

1861
01:09:33,269 --> 01:09:31,839
and but finally

1862
01:09:34,550 --> 01:09:33,279
finally he turns around you know he's

1863
01:09:35,669 --> 01:09:34,560

going to look at them and see what they

1864

01:09:37,590 --> 01:09:35,679

look like

1865

01:09:39,510 --> 01:09:37,600

and in the center of the room is this

1866

01:09:40,950 --> 01:09:39,520

sort of raised platform and on the

1867

01:09:42,070 --> 01:09:40,960

platform are three

1868

01:09:43,669 --> 01:09:42,080

what look like

1869

01:09:45,510 --> 01:09:43,679

stone marble

1870

01:09:49,030 --> 01:09:45,520

chairs or thrones

1871

01:09:51,430 --> 01:09:49,040

with very large circular back rests they

1872

01:09:53,189 --> 01:09:51,440

spin around they swivel and spin around

1873

01:09:56,870 --> 01:09:53,199

and on each of them

1874

01:09:59,430 --> 01:09:56,880

is a praying mantis type e.t

1875

01:10:02,229 --> 01:09:59,440

oh okay

1876

01:10:05,669 --> 01:10:02,239

but that's very intriguing i never heard

1877

01:10:08,390 --> 01:10:05,679

of the thrones before yeah weird right

1878

01:10:10,310 --> 01:10:08,400

now i i'm gonna ask you something and

1879

01:10:11,110 --> 01:10:10,320

you don't have to say yes or no right

1880

01:10:13,750 --> 01:10:11,120

now

1881

01:10:16,709 --> 01:10:13,760

but i am i'm i've got a concept for a

1882

01:10:18,470 --> 01:10:16,719

new book and i think you're the guy to

1883

01:10:20,390 --> 01:10:18,480

write it with me and i just want to

1884

01:10:21,990 --> 01:10:20,400

throw that out at you right now so you

1885

01:10:24,709 --> 01:10:22,000

can think about it okay and i'm gonna do

1886

01:10:26,149 --> 01:10:24,719

it live on air so if you decide not to

1887

01:10:27,669 --> 01:10:26,159

it doesn't matter but i just want

1888

01:10:29,910 --> 01:10:27,679

everybody to know i'm thinking about

1889

01:10:31,990 --> 01:10:29,920

writing a very interesting book and

1890

01:10:34,229 --> 01:10:32,000

preston's the only person i've

1891

01:10:36,310 --> 01:10:34,239

interviewed in a very long time that

1892

01:10:38,390 --> 01:10:36,320

would even get the concept i'm talking

1893

01:10:40,229 --> 01:10:38,400

about and he was probably interviewed

1894

01:10:42,470 --> 01:10:40,239

enough people to help me do more

1895

01:10:44,790 --> 01:10:42,480

research into it so i'm just going to

1896

01:10:45,750 --> 01:10:44,800

throw it out at you now but having said

1897

01:10:48,070 --> 01:10:45,760

that

1898

01:10:50,630 --> 01:10:48,080

um the the part about the thrones

1899

01:10:52,950 --> 01:10:50,640

intrigues me and why did he think they

1900

01:10:55,189 --> 01:10:52,960

were thrown instead of just space chairs

1901

01:10:58,149 --> 01:10:55,199

or a chair at the office or something

1902

01:10:59,669 --> 01:10:58,159

like that did they look at ornate were

1903

01:11:02,470 --> 01:10:59,679

they um

1904

01:11:04,470 --> 01:11:02,480

no they were just kind of white stone he

1905

01:11:06,790 --> 01:11:04,480

said or white marble but

1906

01:11:09,910 --> 01:11:06,800

were ornate in one respect in that the

1907

01:11:12,950 --> 01:11:09,920

backrest was a very large

1908

01:11:13,990 --> 01:11:12,960

not circle exactly but semi-circle

1909

01:11:16,790 --> 01:11:14,000

okay

1910

01:11:21,990 --> 01:11:16,800

oversized

1911

01:11:24,709 --> 01:11:22,000

with arm rests and just with armrests

1912

01:11:28,229 --> 01:11:24,719

doesn't that strike you as odd for a

1913

01:11:30,229 --> 01:11:28,239

praying mantis to have an arm rest

1914

01:11:32,470 --> 01:11:30,239

i mean that just strikes me as the

1915

01:11:34,870 --> 01:11:32,480

oddest thing are you sure now see this

1916

01:11:37,270 --> 01:11:34,880

is the reason i'm asking you this is

1917

01:11:40,310 --> 01:11:37,280

because i'm beginning to wonder if they

1918

01:11:42,470 --> 01:11:40,320

don't let us see what we need to see

1919

01:11:44,470 --> 01:11:42,480

that our brain can still handle with the

1920

01:11:46,950 --> 01:11:44,480

surroundings i mean first of all you're

1921

01:11:49,590 --> 01:11:46,960

looking at a praying mantis now what if

1922

01:11:52,070 --> 01:11:49,600

that chair actually looks like a

1923

01:11:54,709 --> 01:11:52,080

slithering snake wrapping itself around

1924

01:11:56,310 --> 01:11:54,719

the prey math is holding it up you know

1925

01:11:58,709 --> 01:11:56,320

like a big old uh

1926

01:12:01,030 --> 01:11:58,719

amoeba or something you know or uh what

1927

01:12:02,630 --> 01:12:01,040

do they call those things uh an enemy

1928

01:12:04,310 --> 01:12:02,640

you know what if it looks like a giant

1929

01:12:06,470 --> 01:12:04,320

an enemy that's like you know doing

1930

01:12:08,470 --> 01:12:06,480

something really weird and we don't

1931

01:12:10,390 --> 01:12:08,480

understand the concept of it but it's

1932

01:12:13,669 --> 01:12:10,400

their chair okay

1933

01:12:16,630 --> 01:12:13,679

so our mind says oh that is just too

1934

01:12:18,310 --> 01:12:16,640

weird for me to handle and they say okay

1935

01:12:20,310 --> 01:12:18,320

so it's gonna be a stone marble white

1936

01:12:22,950 --> 01:12:20,320

chair instead of a white slithering

1937

01:12:23,990 --> 01:12:22,960

snakey amoeba like a medusa head

1938

01:12:26,310 --> 01:12:24,000

you know

1939

01:12:28,310 --> 01:12:26,320

and maybe that's what's going on here

1940

01:12:29,189 --> 01:12:28,320

because i'm saying to myself preston

1941

01:12:31,910 --> 01:12:29,199

really

1942

01:12:33,750 --> 01:12:31,920

and pray mathis needs arm rest this

1943

01:12:35,430 --> 01:12:33,760

doesn't seem right to me

1944

01:12:38,149 --> 01:12:35,440

anyhow just a thought i'm just throwing

1945

01:12:40,070 --> 01:12:38,159

that out at you okay anyhow certainly

1946

01:12:42,550 --> 01:12:40,080

that's possible because we know they can

1947

01:12:45,110 --> 01:12:42,560

do that if they want oh yeah they can do

1948

01:12:46,149 --> 01:12:45,120

anything see this is the part where

1949

01:12:48,229 --> 01:12:46,159

people

1950

01:12:50,310 --> 01:12:48,239

have a tendency to take everything that

1951

01:12:52,790 --> 01:12:50,320

happens to them during their encounter

1952

01:12:54,390 --> 01:12:52,800

at face value and i'll never forget one

1953

01:12:55,910 --> 01:12:54,400

of the first encounters i ever heard i

1954

01:12:58,070 --> 01:12:55,920

had a friend who said he looked like

1955

01:13:00,149 --> 01:12:58,080

fabio i had a great time with him even

1956

01:13:02,390 --> 01:13:00,159

the being on the table and doing the

1957

01:13:04,550 --> 01:13:02,400

nasty with him was wonderful and then

1958

01:13:06,390 --> 01:13:04,560

his her friend that was with her thought

1959

01:13:07,430 --> 01:13:06,400

she saw the devil and everything was

1960

01:13:09,510 --> 01:13:07,440

horrible

1961

01:13:11,350 --> 01:13:09,520

and it was absolutely

1962

01:13:13,350 --> 01:13:11,360

terrifying for him she was screaming the

1963

01:13:15,510 --> 01:13:13,360

whole time so

1964

01:13:17,830 --> 01:13:15,520

one of them just happened to

1965

01:13:20,390 --> 01:13:17,840

i guess relax enough to let them see

1966

01:13:22,070 --> 01:13:20,400

what her heart's desire was for you know

1967

01:13:24,950 --> 01:13:22,080

a good looking guy

1968

01:13:26,630 --> 01:13:24,960

and they made her happy and content she

1969

01:13:29,110 --> 01:13:26,640

got to see him the other woman just

1970

01:13:31,669 --> 01:13:29,120

could never get beyond the fear i guess

1971

01:13:34,070 --> 01:13:31,679

so she was seeing the devil so there you

1972

01:13:36,149 --> 01:13:34,080

go and from that moment i heard that

1973

01:13:37,270 --> 01:13:36,159

story way way back i mean it's been in

1974

01:13:40,390 --> 01:13:37,280

the 80s

1975

01:13:42,630 --> 01:13:40,400

i realized that there's more going on to

1976

01:13:44,950 --> 01:13:42,640

our concept of what's really happening

1977

01:13:47,189 --> 01:13:44,960

to us than we can ever imagine

1978

01:13:49,590 --> 01:13:47,199

so but i've graduated way beyond that at

1979

01:13:52,950 --> 01:13:49,600

this point but uh still that that same

1980

01:13:54,950 --> 01:13:52,960

concept is is right with the story you

1981

01:13:56,070 --> 01:13:54,960

know about the chair thing because i

1982

01:13:58,149 --> 01:13:56,080

don't think there's a chair with

1983

01:14:00,390 --> 01:13:58,159

armrests there personally that's just my

1984

01:14:03,110 --> 01:14:00,400

opinion from hearing this but anyhow go

1985

01:14:04,709 --> 01:14:03,120

on because it that is very intriguing to

1986

01:14:06,950 --> 01:14:04,719

me so go on

1987

01:14:09,590 --> 01:14:06,960

um yeah well he's a trained observer so

1988

01:14:12,390 --> 01:14:09,600

i tend to believe that oh i believe he

1989

01:14:14,470 --> 01:14:12,400

absolutely saw that i absolutely believe

1990

01:14:15,990 --> 01:14:14,480

he said whether or not it was i mean

1991

01:14:16,870 --> 01:14:16,000

certainly possible was an illusion but

1992

01:14:19,590 --> 01:14:16,880

uh

1993

01:14:20,709 --> 01:14:19,600

or you know a hypnotism type thing who

1994

01:14:22,630 --> 01:14:20,719

knows

1995

01:14:24,229 --> 01:14:22,640

because this field is full of that i've

1996

01:14:26,550 --> 01:14:24,239

certainly heard of gray's masquerading

1997

01:14:40,470 --> 01:14:26,560

around his blonde young

1998

01:14:43,830 --> 01:14:42,390

he was seeing what was really there

1999

01:14:45,350 --> 01:14:43,840

um because if they want to i mean they

2000

01:14:48,070 --> 01:14:45,360

could have shown him oh we're we're

2001

01:14:50,630 --> 01:14:48,080

nordics you know we're beautiful nordics

2002

01:14:52,470 --> 01:14:50,640

well that's true see now that that's

2003

01:14:55,189 --> 01:14:52,480

interesting too that's an interesting

2004

01:14:57,830 --> 01:14:55,199

observation i love it okay

2005

01:14:59,990 --> 01:14:57,840

so okay so you've seen these three

2006

01:15:02,950 --> 01:15:00,000

praying mantis that turn around like in

2007

01:15:05,510 --> 01:15:02,960

the voice right

2008

01:15:07,270 --> 01:15:05,520

exactly yeah just like that which is

2009

01:15:09,110 --> 01:15:07,280

really a great image

2010

01:15:11,830 --> 01:15:09,120

and so he's he's shocked of course

2011

01:15:15,270 --> 01:15:11,840

because they are bone white they're very

2012

01:15:17,990 --> 01:15:15,280

skinny bodies um claw-like hands

2013

01:15:20,310 --> 01:15:18,000

a huge huge huge head they radiated

2014

01:15:22,470 --> 01:15:20,320

intelligence one of their eyeballs he

2015

01:15:24,950 --> 01:15:22,480

says was bigger than his head

2016

01:15:25,910 --> 01:15:24,960

probably about the size of basketball

2017

01:15:28,070 --> 01:15:25,920

wow

2018

01:15:30,149 --> 01:15:28,080

and once one of them stands up takes two

2019

01:15:32,709 --> 01:15:30,159

three steps across the room right next

2020

01:15:37,030 --> 01:15:32,719

to him and he's looking up at it and he

2021

01:15:38,390 --> 01:15:37,040

says preston this thing was 15 feet tall

2022

01:15:40,709 --> 01:15:38,400

oh my god

2023

01:15:42,709 --> 01:15:40,719

i said no kevin it was probably 12.

2024

01:15:44,550 --> 01:15:42,719

that's five no it was probably nine feet

2025

01:15:46,229 --> 01:15:44,560

tall is what i told him like no

2026

01:15:47,510 --> 01:15:46,239

no since it was more than twice my

2027

01:15:48,870 --> 01:15:47,520

height it was

2028

01:15:50,310 --> 01:15:48,880

you know more than the size of a

2029

01:15:52,790 --> 01:15:50,320

basketball board it was about that

2030

01:15:54,470 --> 01:15:52,800

height you said wow

2031

01:15:56,390 --> 01:15:54,480

and this thing was looking down at him

2032

01:15:58,870 --> 01:15:56,400

and it said to him you know it's fussing

2033

01:16:01,110 --> 01:15:58,880

with the console there little oven dials

2034

01:16:02,229 --> 01:16:01,120

and amber lights and blue lights and

2035

01:16:04,390 --> 01:16:02,239

things like this

2036

01:16:07,830 --> 01:16:04,400

it looks down and it says

2037

01:16:09,030 --> 01:16:07,840

so would you like to go to our planet

2038

01:16:10,390 --> 01:16:09,040

and he said

2039

01:16:12,070 --> 01:16:10,400

no

2040

01:16:13,510 --> 01:16:12,080

he won really

2041

01:16:15,990 --> 01:16:13,520

yeah

2042

01:16:18,310 --> 01:16:16,000

he was ready to go home at that point

2043

01:16:19,830 --> 01:16:18,320

yeah probably i would think that just

2044

01:16:21,590 --> 01:16:19,840

seeing him for the first time would be

2045

01:16:23,750 --> 01:16:21,600

enough to put you and put you ready to

2046

01:16:25,270 --> 01:16:23,760

go back home and and forget it ever

2047

01:16:27,030 --> 01:16:25,280

happened right

2048

01:16:29,030 --> 01:16:27,040

i guess so i mean i don't i'd like to

2049

01:16:30,149 --> 01:16:29,040

think that i would say yeah you know

2050

01:16:31,750 --> 01:16:30,159

let's go

2051

01:16:33,270 --> 01:16:31,760

i would probably just

2052

01:16:35,750 --> 01:16:33,280

keel over and have a heart attack and

2053

01:16:37,430 --> 01:16:35,760

die of fear you know that's

2054

01:16:39,430 --> 01:16:37,440

that's my guess

2055

01:16:41,830 --> 01:16:39,440

but anyhow so yeah so he wants to go

2056

01:16:42,630 --> 01:16:41,840

home and then what happened

2057

01:16:44,070 --> 01:16:42,640

uh

2058

01:16:45,830 --> 01:16:44,080

well one

2059

01:16:47,510 --> 01:16:45,840

this guy this

2060

01:16:49,270 --> 01:16:47,520

figure reaches out and touches his

2061

01:16:51,750 --> 01:16:49,280

shoulder he got a good look at his hand

2062

01:16:53,750 --> 01:16:51,760

at that point grabbed his shoulder and

2063

01:16:55,990 --> 01:16:53,760

he just felt this electric shock go

2064

01:16:57,669 --> 01:16:56,000

through him not sure if it was just fear

2065

01:16:58,790 --> 01:16:57,679

or something you know

2066

01:17:01,590 --> 01:16:58,800

more

2067

01:17:02,470 --> 01:17:01,600

right hostile passed out instantly and

2068

01:17:05,990 --> 01:17:02,480

when

2069

01:17:08,149 --> 01:17:06,000

next thing he knows he's in his bunk

2070

01:17:09,910 --> 01:17:08,159

laying in bed on the ship

2071

01:17:12,470 --> 01:17:09,920

sweating profusely um he's

2072

01:17:14,709 --> 01:17:12,480

hyperventilating he gets his bearings

2073

01:17:16,790 --> 01:17:14,719

and no sooner as he you know

2074

01:17:19,189 --> 01:17:16,800

realize he's back on the ship when the

2075

01:17:21,189 --> 01:17:19,199

curtain hiding his bed

2076

01:17:23,510 --> 01:17:21,199

it rips open and there's his friend

2077

01:17:27,260 --> 01:17:23,520

larry who's grinning from ear to ear and

2078

01:17:30,470 --> 01:17:27,270

says so kevin how did you like your ride

2079

01:17:33,430 --> 01:17:30,480

[Laughter]

2080

01:17:36,470 --> 01:17:33,440

oh my god now let me ask you another

2081

01:17:38,229 --> 01:17:36,480

crazy question in all this is larry um

2082

01:17:41,990 --> 01:17:38,239

an alien

2083

01:17:43,030 --> 01:17:42,000

or is he just a a really cognitive uh

2084

01:17:45,510 --> 01:17:43,040

very

2085

01:17:47,669 --> 01:17:45,520

you know um aware

2086

01:17:49,590 --> 01:17:47,679

contactee like are they talking to him

2087

01:17:51,669 --> 01:17:49,600

every day or something

2088

01:17:55,110 --> 01:17:51,679

a slurry dude i'm more curious about

2089

01:17:56,550 --> 01:17:55,120

larry right now than i am your guy

2090

01:17:58,229 --> 01:17:56,560

yeah larry i don't know a whole lot

2091

01:18:00,149 --> 01:17:58,239

about him i mean i've got his name i

2092

01:18:01,669 --> 01:18:00,159

looked for him i couldn't find him

2093

01:18:03,270 --> 01:18:01,679

okay

2094

01:18:05,270 --> 01:18:03,280

i do know he was a

2095

01:18:07,110 --> 01:18:05,280

personnel clerk

2096

01:18:09,990 --> 01:18:07,120

and uh kevin would

2097

01:18:11,510 --> 01:18:10,000

hang out with him and he was had no fear

2098

01:18:14,390 --> 01:18:11,520

this guy larry

2099

01:18:16,709 --> 01:18:14,400

yeah eat anything you know no problem

2100

01:18:21,510 --> 01:18:16,719

with any other cultures fish-eye soup

2101

01:18:25,350 --> 01:18:22,709

oh that's

2102

01:18:27,350 --> 01:18:25,360

an alien right there i'm telling you

2103

01:18:30,310 --> 01:18:27,360

that's funny okay

2104

01:18:32,550 --> 01:18:30,320

well um very cool okay so let's not give

2105

01:18:34,550 --> 01:18:32,560

away too much more i mean you gave away

2106

01:18:36,229 --> 01:18:34,560

some detail but i'm sure there's a lot

2107

01:18:39,030 --> 01:18:36,239

more in there like the description of

2108

01:18:41,189 --> 01:18:39,040

the hand and and even more descriptions

2109

01:18:44,310 --> 01:18:41,199

of what was going on in the room from

2110

01:18:46,470 --> 01:18:44,320

his account so let's move on to another

2111

01:18:48,470 --> 01:18:46,480

um oh my god i can't believe it preston

2112

01:18:51,590 --> 01:18:48,480

we're hitting another break already is

2113

01:18:53,910 --> 01:18:51,600

time really compressed tonight or

2114

01:18:55,590 --> 01:18:53,920

i think the aliens are compressing our

2115

01:18:57,189 --> 01:18:55,600

show this evening

2116

01:18:59,669 --> 01:18:57,199

because every time i look up it's time

2117

01:19:02,229 --> 01:18:59,679

for another break i can't believe it so

2118

01:19:03,750 --> 01:19:02,239

um when we get back let's talk uh a bit

2119

01:19:04,870 --> 01:19:03,760

about um

2120

01:19:06,709 --> 01:19:04,880

uh

2121

01:19:08,709 --> 01:19:06,719

oh well you pick the one you want but i

2122

01:19:10,950 --> 01:19:08,719

do want to get the book on the the

2123

01:19:12,390 --> 01:19:10,960

healings from aliens at some point in

2124

01:19:13,990 --> 01:19:12,400

the end of the show

2125

01:19:15,750 --> 01:19:14,000

i haven't been in the chat room oh you

2126

01:19:17,669 --> 01:19:15,760

guys i'm gonna come in there right now

2127

01:19:19,830 --> 01:19:17,679

and get some questions from preston from

2128

01:19:21,350 --> 01:19:19,840

you guys okay so we'll be right back and

2129

01:19:25,110 --> 01:19:21,360

i'll i promise you guys i'll be in chat

2130

01:19:29,430 --> 01:19:27,350

radio network welcome back everyone to

2131

01:19:31,430 --> 01:19:29,440

the california mufon radio show i'm your

2132

01:19:34,070 --> 01:19:31,440

host lori and fenton we're in the final

2133

01:19:37,110 --> 01:19:34,080

swing of the show tonight as i say the

2134

01:19:38,709 --> 01:19:37,120

last chapter uh let's see i'm getting in

2135

01:19:41,830 --> 01:19:38,719

the chat room right now you guys i'm so

2136

01:19:44,310 --> 01:19:41,840

sorry i've been out all night i just

2137

01:19:45,910 --> 01:19:44,320

that's so nice i just i forget to be

2138

01:19:48,470 --> 01:19:45,920

there and i don't know why i love you

2139

01:19:52,070 --> 01:19:48,480

all oh dirt huffins and skye are in

2140

01:19:54,229 --> 01:19:52,080

there yay hello you guys okay so um here

2141

01:19:56,070 --> 01:19:54,239

we go i'm gonna say hello and what i'd

2142

01:19:58,149 --> 01:19:56,080

like you guys to do in the last five to

2143

01:20:01,750 --> 01:19:58,159

ten minutes of the show you guys can

2144

01:20:03,110 --> 01:20:01,760

give me questions for mr preston bennett

2145

01:20:06,149 --> 01:20:03,120

and

2146

01:20:07,590 --> 01:20:06,159

preston questions please that's what i'm

2147

01:20:08,790 --> 01:20:07,600

typing right now you guys can hear me

2148

01:20:10,550 --> 01:20:08,800

type it away

2149

01:20:12,950 --> 01:20:10,560

just like the old days when you can hear

2150

01:20:15,669 --> 01:20:12,960

me saying hi hi skye hi derhuff it's

2151

01:20:19,030 --> 01:20:15,679

good to see you two houses in there oh

2152

01:20:20,950 --> 01:20:19,040

it's mj me and skye okay wonderful so

2153

01:20:24,470 --> 01:20:20,960

we've got the four of us in there

2154

01:20:25,990 --> 01:20:24,480

and uh yeah questions oh scroll back for

2155

01:20:27,910 --> 01:20:26,000

questions see these guys have been doing

2156

01:20:30,229 --> 01:20:27,920

their job diligently and of course i

2157

01:20:32,390 --> 01:20:30,239

haven't been there

2158

01:20:33,510 --> 01:20:32,400

they've been asking all night of course

2159

01:20:36,390 --> 01:20:33,520

they have

2160

01:20:38,470 --> 01:20:36,400

oh my god okay so preston we got lots of

2161

01:20:40,310 --> 01:20:38,480

questions for you i can't believe it i

2162

01:20:41,830 --> 01:20:40,320

just i roll in here and it's like the

2163

01:20:43,350 --> 01:20:41,840

whole screen is full of questions

2164

01:20:46,229 --> 01:20:43,360

already see

2165

01:20:47,990 --> 01:20:46,239

oh my god that's funny okay so let's

2166

01:20:49,270 --> 01:20:48,000

talk about one more case in this book i

2167

01:20:51,110 --> 01:20:49,280

want to talk a little bit about the

2168

01:20:52,870 --> 01:20:51,120

healing book because i always find that

2169

01:20:54,630 --> 01:20:52,880

book to be so fascinating it's just

2170

01:20:56,630 --> 01:20:54,640

truly one of my favorites

2171

01:20:58,550 --> 01:20:56,640

and uh yeah so

2172

01:21:00,070 --> 01:20:58,560

what's your next favorite case in that

2173

01:21:02,310 --> 01:21:00,080

book

2174

01:21:03,590 --> 01:21:02,320

oh gosh probably the other navy guy i

2175

01:21:04,709 --> 01:21:03,600

would say

2176

01:21:08,709 --> 01:21:04,719

oh yeah

2177

01:21:09,669 --> 01:21:08,719

jim kublebeck an electronics engineer

2178

01:21:11,590 --> 01:21:09,679

okay

2179

01:21:14,630 --> 01:21:11,600

you know trained in uh

2180

01:21:15,430 --> 01:21:14,640

recognizing aircraft part of the uf

2181

01:21:17,590 --> 01:21:15,440

uh

2182

01:21:19,270 --> 01:21:17,600

submarine hunter squadron a great

2183

01:21:21,669 --> 01:21:19,280

witness

2184

01:21:23,830 --> 01:21:21,679

and uh went up on deck of

2185

01:21:26,950 --> 01:21:23,840

the uss valley forge while it was

2186

01:21:29,750 --> 01:21:26,960

stationed in the mediterranean sea

2187

01:21:32,630 --> 01:21:29,760

and saw these ufos these

2188

01:21:34,709 --> 01:21:32,640

amazing lights off on the horizon uh

2189

01:21:35,990 --> 01:21:34,719

runs down below deck calls the bridge

2190

01:21:38,310 --> 01:21:36,000

and says look at the lights do you see

2191

01:21:39,990 --> 01:21:38,320

the lights the bridge says the bridge

2192

01:21:42,229 --> 01:21:40,000

officer says what lights we don't see

2193

01:21:43,750 --> 01:21:42,239

anything what are you talking about i'm

2194

01:21:45,910 --> 01:21:43,760

a complete lie

2195

01:21:49,030 --> 01:21:45,920

so jim hangs the phone up in disgust

2196

01:21:51,430 --> 01:21:49,040

runs to his locker to get his binoculars

2197

01:21:53,510 --> 01:21:51,440

and as he's opening his binoculars up

2198

01:21:55,189 --> 01:21:53,520

his crewmates start kidding him they're

2199

01:21:56,390 --> 01:21:55,199

gonna say oh jim you probably bought

2200

01:21:57,910 --> 01:21:56,400

some rocks

2201

01:21:58,790 --> 01:21:57,920

because everyone got uh

2202

01:22:01,030 --> 01:21:58,800

you know

2203

01:22:02,310 --> 01:22:01,040

and surely they all got ripped off

2204

01:22:04,629 --> 01:22:02,320

and he pulls out his brand new

2205

01:22:06,790 --> 01:22:04,639

binoculars nope they're brand new come

2206

01:22:08,709 --> 01:22:06,800

on deck there's ufos

2207

01:22:10,390 --> 01:22:08,719

and most are like eh

2208

01:22:12,390 --> 01:22:10,400

and they didn't even go but you got

2209

01:22:14,870 --> 01:22:12,400

about 10 people to go up there and look

2210

01:22:16,790 --> 01:22:14,880

at these ufos and they were still there

2211

01:22:18,390 --> 01:22:16,800

these bright orange lights you could

2212

01:22:20,229 --> 01:22:18,400

only see them if you looked directly at

2213

01:22:21,910 --> 01:22:20,239

them if you looked in your periphery

2214

01:22:22,870 --> 01:22:21,920

they were gone

2215

01:22:25,110 --> 01:22:22,880

and uh

2216

01:22:25,990 --> 01:22:25,120

wow yeah weird there were other weird

2217

01:22:27,750 --> 01:22:26,000

things

2218

01:22:29,110 --> 01:22:27,760

he goes below deck again calls the

2219

01:22:30,709 --> 01:22:29,120

bridge they're like

2220

01:22:31,990 --> 01:22:30,719

no no one's up here

2221

01:22:33,510 --> 01:22:32,000

and he's like what what do you mean no

2222

01:22:34,629 --> 01:22:33,520

one's up there you don't see these

2223

01:22:35,830 --> 01:22:34,639

lights they're like what are you talking

2224

01:22:37,590 --> 01:22:35,840

about

2225

01:22:39,669 --> 01:22:37,600

he says i want to talk to the officer in

2226

01:22:42,149 --> 01:22:39,679

charge and finally they said no

2227

01:22:43,830 --> 01:22:42,159

you can't we're damn busy we'll have to

2228

01:22:45,830 --> 01:22:43,840

call back later

2229

01:22:47,990 --> 01:22:45,840

and uh to make a long story short he

2230

01:22:49,590 --> 01:22:48,000

goes back up on deck

2231

01:22:53,669 --> 01:22:49,600

shift turns

2232

01:22:55,990 --> 01:22:53,679

and the lights go away uh that

2233

01:22:57,990 --> 01:22:56,000

the next day he wakes up

2234

01:23:00,390 --> 01:22:58,000

checks the news sheet there's nothing in

2235

01:23:02,870 --> 01:23:00,400

the new sheet he calls up the bridge he

2236

01:23:04,709 --> 01:23:02,880

asks about the ufos last night they're

2237

01:23:06,950 --> 01:23:04,719

like what nope there's nothing in the

2238

01:23:07,990 --> 01:23:06,960

log he has to speak to the officer he

2239

01:23:10,229 --> 01:23:08,000

spoke to

2240

01:23:12,149 --> 01:23:10,239

and the officer says oh that person was

2241

01:23:14,149 --> 01:23:12,159

flown off on shortly

2242

01:23:17,030 --> 01:23:14,159

another lie it's impossible they're in

2243

01:23:18,310 --> 01:23:17,040

the middle of the mediterranean sea

2244

01:23:20,470 --> 01:23:18,320

oh wow

2245

01:23:22,390 --> 01:23:20,480

so he goes here's what gets weird lauren

2246

01:23:23,990 --> 01:23:22,400

he goes back into

2247

01:23:25,430 --> 01:23:24,000

blow deck and he's in the locker room

2248

01:23:27,590 --> 01:23:25,440

again and his

2249

01:23:29,430 --> 01:23:27,600

um opens his locker and his crewmates

2250

01:23:31,590 --> 01:23:29,440

start killing him like ah jim's gonna

2251

01:23:33,270 --> 01:23:31,600

find out he bought a bunch of rocks

2252

01:23:34,390 --> 01:23:33,280

he's like what the heck are you talking

2253

01:23:36,790 --> 01:23:34,400

about

2254

01:23:38,629 --> 01:23:36,800

i showed you these binoculars yesterday

2255

01:23:40,149 --> 01:23:38,639

and chosen the back there's like no you

2256

01:23:43,270 --> 01:23:40,159

didn't he's like well don't you remember

2257

01:23:45,750 --> 01:23:43,280

seeing the ufos you're like what ufos

2258

01:23:47,750 --> 01:23:45,760

oh my god

2259

01:23:50,149 --> 01:23:47,760

they watched it for an hour delorean all

2260

01:23:53,590 --> 01:23:50,159

these guys he finally found out

2261

01:23:56,310 --> 01:23:53,600

this is this is another aspect of this

2262

01:23:59,430 --> 01:23:56,320

whole thing that just really blows my

2263

01:24:00,830 --> 01:23:59,440

mind is how they can wipe stuff out of

2264

01:24:02,550 --> 01:24:00,840

our minds so

2265

01:24:03,270 --> 01:24:02,560

easily um

2266

01:24:55,430 --> 01:24:03,280

i

2267

01:24:58,310 --> 01:24:55,440

that and doesn't freak out and go wake

2268

01:25:00,470 --> 01:24:58,320

up everybody in the house okay i mean

2269

01:25:02,470 --> 01:25:00,480

that isn't normal to just back up and go

2270

01:25:03,430 --> 01:25:02,480

oh i'm tired and go to sleep

2271

01:25:07,669 --> 01:25:03,440

you know

2272

01:25:08,790 --> 01:25:07,679

do that unless you're programmed to do

2273

01:25:10,470 --> 01:25:08,800

it okay

2274

01:25:13,189 --> 01:25:10,480

second

2275

01:25:15,910 --> 01:25:13,199

it took me a whole year

2276

01:25:17,350 --> 01:25:15,920

not to forget that signing

2277

01:25:19,189 --> 01:25:17,360

it because if

2278

01:25:22,149 --> 01:25:19,199

every morning i'd wake up and then feel

2279

01:25:24,229 --> 01:25:22,159

like it was gone and i'd have to force

2280

01:25:27,030 --> 01:25:24,239

myself to see what you know i close my

2281

01:25:29,910 --> 01:25:27,040

eyes and make myself see it over and

2282

01:25:33,030 --> 01:25:29,920

over and over again and i felt like

2283

01:25:34,950 --> 01:25:33,040

somebody was going in there every night

2284

01:25:37,110 --> 01:25:34,960

pulling it back out

2285

01:25:39,510 --> 01:25:37,120

i can't explain it to people it's the

2286

01:25:42,149 --> 01:25:39,520

weirdest sensation it's like it was like

2287

01:25:43,830 --> 01:25:42,159

it's a faded memory like over years and

2288

01:25:45,590 --> 01:25:43,840

years of time like you forget what you

2289

01:25:47,189 --> 01:25:45,600

did when you were a kid

2290

01:25:48,870 --> 01:25:47,199

and this is what it felt like every

2291

01:25:51,030 --> 01:25:48,880

morning i'd wake up and it feels like it

2292

01:25:53,350 --> 01:25:51,040

was such a far away memory and it just

2293

01:25:55,430 --> 01:25:53,360

happened like a couple months ago right

2294

01:25:57,270 --> 01:25:55,440

and you could almost not see it anymore

2295

01:25:59,750 --> 01:25:57,280

it was just completely almost gone out

2296

01:26:02,390 --> 01:25:59,760

of my head there was one day i woke up

2297

01:26:04,870 --> 01:26:02,400

and it was gone and it took me until

2298

01:26:07,110 --> 01:26:04,880

about five hours into the day to

2299

01:26:10,390 --> 01:26:07,120

remember it happened again

2300

01:26:12,870 --> 01:26:10,400

so somebody was doing that to me i know

2301

01:26:15,110 --> 01:26:12,880

i wasn't doing it okay

2302

01:26:17,510 --> 01:26:15,120

so that's another whole aspect where you

2303

01:26:19,430 --> 01:26:17,520

say these guys oh yeah there was nothing

2304

01:26:20,709 --> 01:26:19,440

that happened or whatever they just went

2305

01:26:23,270 --> 01:26:20,719

in there and just tweaked them all

2306

01:26:24,790 --> 01:26:23,280

except for him to not remember a darn

2307

01:26:26,790 --> 01:26:24,800

thing that happened

2308

01:26:28,790 --> 01:26:26,800

right right i mean he very possibly

2309

01:26:31,669 --> 01:26:28,800

could have had missing time he denies it

2310

01:26:34,550 --> 01:26:31,679

or but he was he does believe he did

2311

01:26:37,030 --> 01:26:34,560

have contact was taken

2312

01:26:38,550 --> 01:26:37,040

well he be on board presumably um

2313

01:26:40,310 --> 01:26:38,560

because he saw

2314

01:26:41,510 --> 01:26:40,320

human-like people they took him to an

2315

01:26:43,189 --> 01:26:41,520

engine room they talked all about

2316

01:26:44,550 --> 01:26:43,199

alternative energy

2317

01:26:46,709 --> 01:26:44,560

oh cool

2318

01:26:48,070 --> 01:26:46,719

so i love alternative energy

2319

01:26:50,790 --> 01:26:48,080

yeah it was a very interesting case

2320

01:26:52,870 --> 01:26:50,800

ended up building this little sort of

2321

01:26:55,030 --> 01:26:52,880

perpetual motion device after he got

2322

01:26:57,189 --> 01:26:55,040

back from this um

2323

01:26:59,430 --> 01:26:57,199

which is again something that's turned

2324

01:27:02,229 --> 01:26:59,440

up in other cases people are inspired to

2325

01:27:05,270 --> 01:27:02,239

build their own ufo

2326

01:27:07,030 --> 01:27:05,280

so uh that is so cool that is just i

2327

01:27:09,110 --> 01:27:07,040

love it when people do stuff like that

2328

01:27:10,709 --> 01:27:09,120

so he had a very interesting encounter

2329

01:27:13,189 --> 01:27:10,719

too and it did involve a whole lot of

2330

01:27:15,590 --> 01:27:13,199

people on a ship again hey were you at

2331

01:27:17,669 --> 01:27:15,600

you were at the calif uh the california

2332

01:27:19,350 --> 01:27:17,679

mufon symposium two years ago we were

2333

01:27:20,870 --> 01:27:19,360

both there i remember because i got some

2334

01:27:23,990 --> 01:27:20,880

cds from you

2335

01:27:25,110 --> 01:27:24,000

of christine's artwork

2336

01:27:27,669 --> 01:27:25,120

oh yeah

2337

01:27:29,750 --> 01:27:27,679

do you remember the guy on the ship

2338

01:27:32,310 --> 01:27:29,760

from the hangar one episode that walked

2339

01:27:33,430 --> 01:27:32,320

out got locked outside during a blackout

2340

01:27:35,270 --> 01:27:33,440

session

2341

01:27:37,189 --> 01:27:35,280

and the ship came out of the water you

2342

01:27:38,470 --> 01:27:37,199

remember that

2343

01:27:40,870 --> 01:27:38,480

um

2344

01:27:43,189 --> 01:27:40,880

if it's what i'm thinking of yeah

2345

01:27:45,270 --> 01:27:43,199

god that was such a wild case i mean

2346

01:27:47,270 --> 01:27:45,280

that one just blew my mind

2347

01:27:49,590 --> 01:27:47,280

and because but it's basically telling

2348

01:27:51,750 --> 01:27:49,600

me preston is that our government

2349

01:27:53,030 --> 01:27:51,760

knows exactly where these guys are their

2350

01:27:55,189 --> 01:27:53,040

communication with them when they're

2351
01:27:56,709 --> 01:27:55,199
going to be coming out of the water they

2352
01:27:58,229 --> 01:27:56,719
you know they put them in a secret

2353
01:28:00,950 --> 01:27:58,239
mission where they black out all the

2354
01:28:02,310 --> 01:28:00,960
windows and everything and say to them

2355
01:28:04,070 --> 01:28:02,320
well there's something going on you guys

2356
01:28:06,629 --> 01:28:04,080
can't see and so they think it's

2357
01:28:09,270 --> 01:28:06,639
maneuvers of some kind of you know

2358
01:28:11,750 --> 01:28:09,280
super secret submarine or something and

2359
01:28:13,430 --> 01:28:11,760
then um the ufos pop out of the water

2360
01:28:15,830 --> 01:28:13,440
all the time and these guys don't even

2361
01:28:18,950 --> 01:28:15,840
know about it so i'm thinking this is so

2362
01:28:21,990 --> 01:28:18,960
crazy i mean it's just absolutely insane

2363
01:28:24,470 --> 01:28:22,000

i think it's time that um we start

2364

01:28:27,669 --> 01:28:24,480

looking more and more at who's getting

2365

01:28:29,510 --> 01:28:27,679

healed because it's a very interesting

2366

01:28:32,709 --> 01:28:29,520

fact that they're getting healed but i

2367

01:28:33,430 --> 01:28:32,719

want to know why them and why not you or

2368

01:30:12,470 --> 01:28:33,440

i

2369

01:30:14,070 --> 01:30:12,480

teachers

2370

01:30:15,820 --> 01:30:14,080

uh oh

2371

01:30:17,189 --> 01:30:15,830

you know animal rights activists

2372

01:30:18,550 --> 01:30:17,199

[Music]

2373

01:30:23,270 --> 01:30:18,560

these are the so

2374

01:30:27,270 --> 01:30:25,430

they were strangely absent huh no i

2375

01:30:29,750 --> 01:30:27,280

don't know i'd have to i'll have to look

2376

01:30:34,310 --> 01:30:32,629

oh my god that's funny oh my god no

2377

01:30:36,550 --> 01:30:34,320

lawyers either i didn't hear a single

2378

01:30:37,590 --> 01:30:36,560

lawyer in there either

2379

01:30:40,149 --> 01:30:37,600

oh

2380

01:30:41,910 --> 01:30:40,159

god i can't think of a lawyer either no

2381

01:30:43,830 --> 01:30:41,920

that's hilarious

2382

01:30:46,149 --> 01:30:43,840

this is too funny see thank god the

2383

01:30:47,910 --> 01:30:46,159

aliens have good taste in humans i gotta

2384

01:30:51,430 --> 01:30:47,920

say and i hope it's never good taste

2385

01:30:53,430 --> 01:30:51,440

like in deserved man i do i really

2386

01:30:55,110 --> 01:30:53,440

i think people they don't know it i mean

2387

01:30:57,270 --> 01:30:55,120

they're very possibly healing people

2388

01:30:59,270 --> 01:30:57,280

they said there's a certain karmic

2389

01:31:01,270 --> 01:30:59,280

um contract a lot of people have that

2390

01:31:03,270 --> 01:31:01,280

they can't heal them completely one lady

2391

01:31:04,790 --> 01:31:03,280

she had her life saved

2392

01:31:06,390 --> 01:31:04,800

but was left with a lot of injuries

2393

01:31:07,590 --> 01:31:06,400

after a car accident

2394

01:31:10,229 --> 01:31:07,600

and they told her

2395

01:31:12,310 --> 01:31:10,239

you died but you weren't supposed to die

2396

01:31:14,870 --> 01:31:12,320

we fixed you as much as we can but you

2397

01:31:17,350 --> 01:31:14,880

have to go through this karmically

2398

01:31:19,510 --> 01:31:17,360

yeah yeah now i understand it's very

2399

01:31:21,990 --> 01:31:19,520

interesting they've saved me several

2400

01:31:23,990 --> 01:31:22,000

times already if it is them whoever the

2401
01:31:25,990 --> 01:31:24,000
voices that was screaming in my head for

2402
01:31:28,070 --> 01:31:26,000
me to pull to the left or get in this

2403
01:31:30,790 --> 01:31:28,080
lane or do whatever which i've talked

2404
01:31:33,990 --> 01:31:30,800
about a million times on my shows um

2405
01:31:36,310 --> 01:31:34,000
they have truly truly fixed me so or

2406
01:31:39,510 --> 01:31:36,320
kept me alive let's put it that way many

2407
01:31:42,229 --> 01:31:39,520
times and yeah now i know why at the

2408
01:31:44,629 --> 01:31:42,239
times i never knew i never knew why they

2409
01:31:46,550 --> 01:31:44,639
kept saving me is because they knew that

2410
01:31:49,110 --> 01:31:46,560
later i was going to be doing all this

2411
01:31:52,950 --> 01:31:49,120
crazy stuff for them so yeah so that's

2412
01:31:57,590 --> 01:31:55,669
yeah sounds like it yeah there we go

2413
01:31:59,189 --> 01:31:57,600

well anyhow okay we

2414

01:32:00,870 --> 01:31:59,199

lowe's has you covered for all those

2415

01:32:03,030 --> 01:32:00,880

projects on your summer to-do list and

2416

01:32:04,870 --> 01:32:03,040

will even help you save give your home a

2417

01:32:07,030 --> 01:32:04,880

whole new look inside and out with 10 to

2418

01:32:09,110 --> 01:32:07,040

40 dollars off paint exterior stains and

2419

01:32:10,629 --> 01:32:09,120

resurfacers via rebate and add a pop of

2420

01:32:12,709 --> 01:32:10,639

color to your porch or patio with

2421

01:32:14,310 --> 01:32:12,719

flowers get your choice two for ten

2422

01:32:16,310 --> 01:32:14,320

dollar basic one and a half gallon

2423

01:32:18,550 --> 01:32:16,320

hanging baskets all projects have a

2424

01:32:19,830 --> 01:32:18,560

starting point start with lows paint off

2425

01:32:21,590 --> 01:32:19,840

for valid six twenty one three seven

2426

01:32:22,709 --> 01:32:21,600

five exclusions apply plant offer valid

2427

01:32:24,229 --> 01:32:22,719

six twenty eight through seven five

2428

01:32:27,110 --> 01:32:24,239

color and selection vary by location

2429

01:32:29,430 --> 01:32:27,120

while supplies last us only

2430

01:32:31,030 --> 01:32:29,440

got questions for you my friend we've

2431

01:32:32,470 --> 01:32:31,040

only got eight minutes to do them in so

2432

01:32:34,950 --> 01:32:32,480

let's see how fast we can get through

2433

01:32:37,030 --> 01:32:34,960

these if anybody else has a question in

2434

01:32:38,870 --> 01:32:37,040

chat be sure to throw it in there right

2435

01:32:41,189 --> 01:32:38,880

now because i'm gonna i've been pasting

2436

01:32:42,629 --> 01:32:41,199

them in and so here's the first one it's

2437

01:32:44,550 --> 01:32:42,639

from durham

2438

01:32:48,070 --> 01:32:44,560

they wanted he wants to know what is

2439

01:32:49,030 --> 01:32:48,080

preston's take on the 1978 mcguire air

2440

01:32:49,990 --> 01:32:49,040

force

2441

01:32:52,950 --> 01:32:50,000

base

2442

01:32:54,470 --> 01:32:52,960

ufo alien shooting event

2443

01:32:55,750 --> 01:32:54,480

do you know anything about what he's

2444

01:32:57,830 --> 01:32:55,760

talking about

2445

01:32:59,189 --> 01:32:57,840

oh yeah sure i do this is one of leonard

2446

01:33:01,189 --> 01:32:59,199

stringfield's

2447

01:33:02,870 --> 01:33:01,199

uh crash retrieval

2448

01:33:05,750 --> 01:33:02,880

uh abstracts

2449

01:33:08,550 --> 01:33:05,760

a well-known case and uh

2450

01:33:10,149 --> 01:33:08,560

absolutely legitimate i think that

2451
01:33:13,750 --> 01:33:10,159
probably what we're seeing there you

2452
01:33:16,470 --> 01:33:13,760
know is true or an et was actually uh

2453
01:33:17,990 --> 01:33:16,480
found on an air force base and shot

2454
01:33:20,070 --> 01:33:18,000
i think they're we're shooting these

2455
01:33:22,629 --> 01:33:20,080
things down you know and we're probably

2456
01:33:24,310 --> 01:33:22,639
keeping them captives in air force bases

2457
01:33:25,350 --> 01:33:24,320
uh who knows maybe this thing tried to

2458
01:33:27,430 --> 01:33:25,360
escape

2459
01:33:29,270 --> 01:33:27,440
was being held captive um i don't know

2460
01:33:30,790 --> 01:33:29,280
that's pure speculation

2461
01:33:32,550 --> 01:33:30,800
but yeah i'm trying to remember the

2462
01:33:34,709 --> 01:33:32,560
story wasn't it where the alien was

2463
01:33:36,229 --> 01:33:34,719

trying to escape and um

2464

01:33:38,149 --> 01:33:36,239

right it was found near the wrong way

2465

01:33:39,510 --> 01:33:38,159

wouldn't shoot it or he did shoot it or

2466

01:33:41,510 --> 01:33:39,520

something

2467

01:33:43,590 --> 01:33:41,520

yeah i believe it was shot i believe it

2468

01:33:44,790 --> 01:33:43,600

was one shot that's right yeah he did

2469

01:33:47,350 --> 01:33:44,800

shoot it

2470

01:33:49,270 --> 01:33:47,360

and i believe it was injured as well um

2471

01:33:52,390 --> 01:33:49,280

prior to that i'm not i'd have to look

2472

01:33:54,550 --> 01:33:52,400

it up but it's a well known case i am

2473

01:33:56,070 --> 01:33:54,560

familiar with it it's one of many but i

2474

01:33:57,669 --> 01:33:56,080

think what's interesting about is where

2475

01:33:59,910 --> 01:33:57,679

it took takes place

2476

01:34:02,709 --> 01:33:59,920

which is right over an air force base or

2477

01:34:05,030 --> 01:34:02,719

on actually right on yeah did he escape

2478

01:34:07,030 --> 01:34:05,040

and run into another uh like wasn't

2479

01:34:09,430 --> 01:34:07,040

there another type of base right next to

2480

01:34:11,350 --> 01:34:09,440

it and he went into somebody else's

2481

01:34:14,790 --> 01:34:11,360

territory i'm trying to remember the

2482

01:34:18,629 --> 01:34:14,800

whole story it's not coming back quickly

2483

01:34:21,750 --> 01:34:18,639

the fort dix uh and that's right that's

2484

01:34:23,750 --> 01:34:21,760

right yeah so he went from air force on

2485

01:34:25,990 --> 01:34:23,760

to army property

2486

01:34:27,830 --> 01:34:26,000

and and everybody got involved before i

2487

01:34:30,310 --> 01:34:27,840

remember correctly so i thought that

2488

01:34:31,910 --> 01:34:30,320

yeah they got him right at the fence

2489

01:34:33,350 --> 01:34:31,920

oh yeah because there's too many cases

2490

01:34:36,229 --> 01:34:33,360

just like it

2491

01:34:39,430 --> 01:34:36,239

oh my god too many cases present

2492

01:34:42,149 --> 01:34:39,440

seriously of escaping aliens

2493

01:34:43,350 --> 01:34:42,159

oh my gosh are you kidding i mean oh my

2494

01:34:45,430 --> 01:34:43,360

god

2495

01:34:47,030 --> 01:34:45,440

you can't go ahead i mean leonard

2496

01:34:48,070 --> 01:34:47,040

stringfield

2497

01:34:49,750 --> 01:34:48,080

um

2498

01:34:50,790 --> 01:34:49,760

really only touched the tip of the

2499

01:34:53,830 --> 01:34:50,800

iceberg

2500

01:34:55,910 --> 01:34:53,840

i don't think i've gone anywhere near

2501
01:34:58,629 --> 01:34:55,920
to what's really going on with all of

2502
01:35:02,550 --> 01:34:58,639
this um there was a book called rachel's

2503
01:35:03,590 --> 01:35:02,560
eyes oh yeah i remember that book right

2504
01:35:05,750 --> 01:35:03,600
that had a lot of interesting

2505
01:35:06,550 --> 01:35:05,760
information in it that showed me

2506
01:35:07,990 --> 01:35:06,560
you know

2507
01:35:10,070 --> 01:35:08,000
how often

2508
01:35:11,590 --> 01:35:10,080
these things are crashing and probably a

2509
01:35:13,590 --> 01:35:11,600
lot more than we realize we're shooting

2510
01:35:15,270 --> 01:35:13,600
them down they're crashing

2511
01:35:16,470 --> 01:35:15,280
um we're collecting the aliens as fast

2512
01:35:18,149 --> 01:35:16,480
as we can but

2513
01:35:19,990 --> 01:35:18,159

not all you know they're trying to get

2514

01:35:23,270 --> 01:35:20,000

away as well

2515

01:35:25,590 --> 01:35:23,280

uh so isn't that crazy okay next

2516

01:35:26,790 --> 01:35:25,600

question that's wild okay

2517

01:35:28,229 --> 01:35:26,800

um

2518

01:35:30,790 --> 01:35:28,239

durham also wants to know what is

2519

01:35:32,149 --> 01:35:30,800

preston's take on the anomalous video

2520

01:35:35,110 --> 01:35:32,159

claiming nasa

2521

01:35:37,430 --> 01:35:35,120

alien contact what i don't know about

2522

01:35:39,750 --> 01:35:37,440

this thing you know about it

2523

01:35:41,110 --> 01:35:39,760

well nasa has released quite a bit of

2524

01:35:43,270 --> 01:35:41,120

video or there's a lot of video coming

2525

01:35:46,149 --> 01:35:43,280

from nasa which shows

2526
01:35:48,470 --> 01:35:46,159
ufos i mean from the alien space station

2527
01:35:49,590 --> 01:35:48,480
i mean alien state international space

2528
01:35:52,550 --> 01:35:49,600
station

2529
01:35:55,350 --> 01:35:52,560
uh to uh you know the shuttle

2530
01:35:56,550 --> 01:35:55,360
all kinds of stuff um has footages and

2531
01:35:57,189 --> 01:35:56,560
taken there

2532
01:35:58,629 --> 01:35:57,199
it looks like there's an

2533
01:36:00,709 --> 01:35:58,639
extraterrestrial parade out there i can

2534
01:36:04,470 --> 01:36:00,719
tell you that it's a lot more active i

2535
01:36:07,350 --> 01:36:04,480
do think nasa is absolutely covering up

2536
01:36:09,590 --> 01:36:07,360
they've been caught in so many darn lies

2537
01:36:10,470 --> 01:36:09,600
they have a very spotty record in terms

2538
01:36:12,470 --> 01:36:10,480

of this

2539

01:36:14,550 --> 01:36:12,480

and it's all going to come out

2540

01:36:16,310 --> 01:36:14,560

they've been releasing it slowly if you

2541

01:36:17,830 --> 01:36:16,320

listen to nasa really closely they've

2542

01:36:19,830 --> 01:36:17,840

been saying oh yeah we're finding

2543

01:36:22,950 --> 01:36:19,840

another planet just on another we found

2544

01:36:24,790 --> 01:36:22,960

another in 20 years we're gonna

2545

01:36:26,629 --> 01:36:24,800

be able to tell you whether or not there

2546

01:36:27,910 --> 01:36:26,639

are aliens out there

2547

01:36:29,270 --> 01:36:27,920

and if you read between the lines what

2548

01:36:30,709 --> 01:36:29,280

they're really saying is in 20 years

2549

01:36:33,030 --> 01:36:30,719

we're going to tell you a little bit

2550

01:36:34,149 --> 01:36:33,040

more of what we know

2551

01:36:37,110 --> 01:36:34,159

wow

2552

01:36:39,430 --> 01:36:37,120

there's ufos on the moon we know this

2553

01:36:41,750 --> 01:36:39,440

oh there's enough

2554

01:36:45,109 --> 01:36:41,760

yeah it's a mess

2555

01:36:47,830 --> 01:36:45,119

yeah no it's that very interesting okay

2556

01:36:49,590 --> 01:36:47,840

nasa is on my naughty list for sure

2557

01:36:50,870 --> 01:36:49,600

yeah yeah you know you're absolutely

2558

01:36:54,149 --> 01:36:50,880

right yeah

2559

01:36:56,390 --> 01:36:54,159

okay sky 33 says uh how did they

2560

01:36:58,229 --> 01:36:56,400

communicate verbally or telepathically

2561

01:37:00,070 --> 01:36:58,239

she's referring back to the story about

2562

01:37:02,550 --> 01:37:00,080

the praying mantises

2563

01:37:08,870 --> 01:37:02,560

and did anything odd or different happen

2564

01:37:11,270 --> 01:37:08,880

to him after his experiences okay and uh

2565

01:37:14,149 --> 01:37:11,280

i'm not sure about this part but she

2566

01:37:16,709 --> 01:37:14,159

wants to know also what color was his

2567

01:37:19,030 --> 01:37:16,719

the light the ball whatever it was what

2568

01:37:21,590 --> 01:37:19,040

color was it

2569

01:37:24,709 --> 01:37:21,600

uh i'm not sure

2570

01:37:27,030 --> 01:37:24,719

oh the orb i saw was white um

2571

01:37:28,790 --> 01:37:27,040

oh okay there we go i think that's what

2572

01:37:32,470 --> 01:37:28,800

she's talking about okay let's go back

2573

01:37:33,590 --> 01:37:32,480

to the communication from the guy um

2574

01:37:35,830 --> 01:37:33,600

the ship

2575

01:37:38,149 --> 01:37:35,840

telepathy it's always telepathy always

2576

01:37:41,669 --> 01:37:38,159

telepathy and even if you're french they

2577

01:37:45,590 --> 01:37:43,350

that's so true

2578

01:37:48,229 --> 01:37:45,600

you know i mean people don't get it but

2579

01:37:49,990 --> 01:37:48,239

these guys speak to everybody in

2580

01:37:52,310 --> 01:37:50,000

whatever language they can understand of

2581

01:37:54,310 --> 01:37:52,320

course you know it's pretty easy uh so

2582

01:37:56,790 --> 01:37:54,320

did anything odd or different happen to

2583

01:37:58,470 --> 01:37:56,800

him after his experiences on that ship

2584

01:38:01,189 --> 01:37:58,480

and when he got back to the

2585

01:38:03,350 --> 01:38:01,199

you know the the aircraft carrier

2586

01:38:05,030 --> 01:38:03,360

or the vote or whatever

2587

01:38:05,740 --> 01:38:05,040

not really he he forgot a lot of the

2588

01:38:06,950 --> 01:38:05,750

experience

2589

01:38:09,669 --> 01:38:06,960

[Music]

2590

01:38:11,830 --> 01:38:09,679

he no longer was friends with larry um

2591

01:38:15,669 --> 01:38:11,840

wouldn't talk to him

2592

01:38:17,350 --> 01:38:15,679

really why did he tell you why

2593

01:38:21,350 --> 01:38:17,360

yeah he well he regrets it now but he

2594

01:38:23,510 --> 01:38:21,360

was very upset he's very traumatized

2595

01:38:24,550 --> 01:38:23,520

and didn't ask for that and could i mean

2596

01:38:26,149 --> 01:38:24,560

but he says

2597

01:38:29,430 --> 01:38:26,159

well he did ask for it but wasn't

2598

01:38:35,270 --> 01:38:32,550

my it i felt like he was misled

2599

01:38:37,510 --> 01:38:35,280

yeah well there is that too yeah it's a

2600

01:38:38,629 --> 01:38:37,520

lot more than you you really asked for

2601
01:38:42,310 --> 01:38:38,639
i'm sure

2602
01:38:43,910 --> 01:38:42,320
so um okay carol's question is again i

2603
01:38:46,149 --> 01:38:43,920
no this is carol's first question that

2604
01:38:48,629 --> 01:38:46,159
was sky and durham before

2605
01:38:51,270 --> 01:38:48,639
carol wants to know um

2606
01:38:54,149 --> 01:38:51,280
i understand that preston did a stand-up

2607
01:38:57,109 --> 01:38:54,159
ufo oriented gig recently at the los

2608
01:38:58,950 --> 01:38:57,119
angeles area and it was a huge hit no

2609
01:39:02,149 --> 01:38:58,960
giggle factor will he do more in the

2610
01:39:04,229 --> 01:39:02,159
future what is she talking about preston

2611
01:39:06,709 --> 01:39:04,239
oh i know i think it must be that thing

2612
01:39:08,709 --> 01:39:06,719
i did at the lyric cafe

2613
01:39:12,390 --> 01:39:08,719

and i did not realize i was getting into

2614

01:39:13,350 --> 01:39:12,400

a stand-up routine honest to god

2615

01:39:15,830 --> 01:39:13,360

it was

2616

01:39:18,149 --> 01:39:15,840

a bunch of stand-up comedians and uh

2617

01:39:20,310 --> 01:39:18,159

sort of a vaudeville act so there was

2618

01:39:22,390 --> 01:39:20,320

music there was stand-up comedians there

2619

01:39:24,070 --> 01:39:22,400

was you know a singer

2620

01:39:26,790 --> 01:39:24,080

and i came on there and actually talked

2621

01:39:28,629 --> 01:39:26,800

about out of body experiences

2622

01:39:31,270 --> 01:39:28,639

so i made it a little humorous just to

2623

01:39:33,510 --> 01:39:31,280

fit in um but it was a lot of fun and

2624

01:39:36,390 --> 01:39:33,520

very different you know you're at all my

2625

01:39:38,390 --> 01:39:36,400

god that's wonderful i'm so glad you did

2626

01:39:40,390 --> 01:39:38,400

that you know because that's the way to

2627

01:39:42,790 --> 01:39:40,400

get to people is to make them laugh you

2628

01:39:44,310 --> 01:39:42,800

know make them happy make them feel good

2629

01:39:45,990 --> 01:39:44,320

and then they are actually open to

2630

01:39:48,070 --> 01:39:46,000

hearing what you have to say you know

2631

01:39:51,430 --> 01:39:48,080

that's why george carlin was so good at

2632

01:39:54,470 --> 01:39:51,440

what he did he threw so many political

2633

01:39:56,550 --> 01:39:54,480

agendas into his topics and he was

2634

01:39:58,229 --> 01:39:56,560

he was so wonderful you know and i'm

2635

01:40:00,310 --> 01:39:58,239

sure you're going to be like our george

2636

01:40:01,270 --> 01:40:00,320

carlin of the ufo community i think it's

2637

01:40:04,310 --> 01:40:01,280

great

2638

01:40:07,350 --> 01:40:04,320

and um oh um last question and then

2639

01:40:09,430 --> 01:40:07,360

we've got to go is sky 33 also wants to

2640

01:40:11,669 --> 01:40:09,440

know what are preston's thoughts on the

2641

01:40:12,470 --> 01:40:11,679

alan godfrey case

2642

01:40:13,990 --> 01:40:12,480

oh

2643

01:40:16,310 --> 01:40:14,000

if that's the guy i'm thinking of the

2644

01:40:18,310 --> 01:40:16,320

police officer in england who saw a ufo

2645

01:40:19,590 --> 01:40:18,320

and had an abduction yeah that's alan

2646

01:40:21,430 --> 01:40:19,600

godfrey

2647

01:40:23,910 --> 01:40:21,440

boy my heart goes out to him

2648

01:40:25,750 --> 01:40:23,920

what a case this guy's a police officer

2649

01:40:27,109 --> 01:40:25,760

sees this ufo

2650

01:40:29,990 --> 01:40:27,119

uh tells

2651

01:40:32,629 --> 01:40:30,000

his fellow officers his superiors and

2652

01:40:34,870 --> 01:40:32,639

gets mercilessly ridiculed even though

2653

01:40:37,910 --> 01:40:34,880

there's physical evidence even though a

2654

01:40:39,590 --> 01:40:37,920

bunch of people in the area saw ufos on

2655

01:40:41,669 --> 01:40:39,600

that same night

2656

01:40:46,310 --> 01:40:41,679

the ridicule got so bad that his

2657

01:40:48,229 --> 01:40:46,320

superiors asked him to resign he refused

2658

01:40:49,669 --> 01:40:48,239

they took his police car away gave him a

2659

01:40:54,470 --> 01:40:49,679

bicycle

2660

01:40:59,270 --> 01:40:56,950

wait is he suing them or getting his job

2661

01:41:00,950 --> 01:40:59,280

back and everything or what

2662

01:41:03,430 --> 01:41:00,960

this was some time ago and this is not

2663

01:41:05,590 --> 01:41:03,440

the only person who's you know suffered

2664

01:41:06,950 --> 01:41:05,600

career-wise as a result of having an

2665

01:41:08,390 --> 01:41:06,960

abduction

2666

01:41:10,390 --> 01:41:08,400

because he later did find out he was

2667

01:41:11,830 --> 01:41:10,400

actually abducted he was healed of

2668

01:41:14,149 --> 01:41:11,840

infertility

2669

01:41:16,229 --> 01:41:14,159

um he was not able to have children and

2670

01:41:17,590 --> 01:41:16,239

suddenly his wife is pregnant

2671

01:41:19,510 --> 01:41:17,600

and he's like what are you doing are you

2672

01:41:21,510 --> 01:41:19,520

sleeping around and she's like no honest

2673

01:41:22,790 --> 01:41:21,520

to god

2674

01:41:24,790 --> 01:41:22,800

and he goes to the doctor and his

2675

01:41:27,109 --> 01:41:24,800

doctor's like oh my god you know you're

2676

01:41:30,310 --> 01:41:27,119

i don't know how to explain this but uh

2677

01:41:32,629 --> 01:41:30,320

oh my god that is so freaking wild i

2678

01:41:35,189 --> 01:41:32,639

love it well preston on that note we've

2679

01:41:37,830 --> 01:41:35,199

got to go but you guys please please

2680

01:41:39,590 --> 01:41:37,840

please i'm telling you i don't do this

2681

01:41:42,229 --> 01:41:39,600

often you know i don't but i'm telling

2682

01:41:44,390 --> 01:41:42,239

you buy preston's books they are amazing

2683

01:41:46,310 --> 01:41:44,400

keep them preston is going to be one of

2684

01:41:47,990 --> 01:41:46,320

the guys out there in the future that

2685

01:41:49,910 --> 01:41:48,000

people are going to look to and go yep

2686

01:41:52,470 --> 01:41:49,920

yep he had it right all along look at

2687

01:41:55,510 --> 01:41:52,480

all these cases he's done his research

2688

01:41:57,750 --> 01:41:55,520

it's prestondent.weebly.com

2689

01:41:59,669 --> 01:41:57,760

please go there please support him he's

2690

01:42:01,669 --> 01:41:59,679

one of my favorite authors in the ufo

2691

01:42:02,550 --> 01:42:01,679

community and he is so

2692

01:42:04,790 --> 01:42:02,560

um

2693

01:42:06,310 --> 01:42:04,800

not that he's overlooked but he

2694

01:42:08,790 --> 01:42:06,320

shouldn't be overlooked that's number

2695

01:42:10,709 --> 01:42:08,800

one and number two is you guys have no

2696

01:42:13,510 --> 01:42:10,719

idea what a treasure he is for our

2697

01:42:15,430 --> 01:42:13,520

community he truly is so please support

2698

01:42:17,669 --> 01:42:15,440

him i really would appreciate it if you

2699

01:42:20,149 --> 01:42:17,679

would so there you go and i'll see you

2700

01:42:23,030 --> 01:42:20,159

guys hopefully next week and let me see

2701

01:42:25,430 --> 01:42:23,040

if i even know who my guest is i don't

2702

01:42:27,510 --> 01:42:25,440

it probably is supposed to be ufo jim

2703

01:42:30,229 --> 01:42:27,520

and stephen bassett that's what my guess

2704

01:42:32,229 --> 01:42:30,239

is so anyhow you guys have a great night

2705

01:42:34,310 --> 01:42:32,239

and preston thank you so much for being

2706

01:42:36,629 --> 01:42:34,320

with me i appreciate it

2707

01:42:38,470 --> 01:42:36,639

hey thank you it's always a pleasure

2708

01:42:40,629 --> 01:42:38,480

great thanks good night everybody we'll

2709

01:42:42,550 --> 01:42:40,639

see you next time

2710

01:42:44,550 --> 01:42:42,560

celebrate the holiday with great savings
