

Gumdrop's Revenge

Listen on

inceptionradionetwork.com

1
00:00:10,230 --> 00:00:06,550
there are over 1 000 ufo sightings

2
00:00:12,629 --> 00:00:10,240
reported around the world every month

3
00:00:14,910 --> 00:00:12,639
90 of these sightings can be explained

4
00:00:17,430 --> 00:00:14,920
but 10

5
00:00:19,429 --> 00:00:17,440
cannot officially and unofficially the

6
00:00:22,150 --> 00:00:19,439
us government has been investigating ufo

7
00:00:23,830 --> 00:00:22,160
since 1947.

8
00:00:25,349 --> 00:00:23,840
your top secret goal is to find out

9
00:00:29,189 --> 00:00:25,359
what's behind these unexplained

10
00:00:33,430 --> 00:00:31,669
the pentagon classifies these as unusual

11
00:00:35,620 --> 00:00:33,440
airborne anomalies

12
00:00:39,990 --> 00:00:35,630
but a better term is x-files

13
00:00:45,670 --> 00:00:42,869

join us as mack juan one and commander

14

00:00:48,069 --> 00:00:45,680

cobra it's one of these unsolved cases

15

00:00:49,590 --> 00:00:48,079

ufo incidents that even baffled the u.s

16

00:00:55,910 --> 00:00:49,600

military

17

00:01:00,709 --> 00:00:59,349

and now here's mac maloney

18

00:01:02,229 --> 00:01:00,719

well good evening everyone and welcome

19

00:01:04,229 --> 00:01:02,239

to mac maloney's military style show

20

00:01:06,390 --> 00:01:04,239

here on the distant thunder radio and

21

00:01:08,630 --> 00:01:06,400

network and this is mac maloney we have

22

00:01:11,270 --> 00:01:08,640

a very exciting show for you tonight but

23

00:01:13,429 --> 00:01:11,280

let me first introduce

24

00:01:15,270 --> 00:01:13,439

contractually obligated to introduce the

25

00:01:16,870 --> 00:01:15,280

very famous one one is here hello mark

26

00:01:18,870 --> 00:01:16,880

how's it going tonight 13 weeks in a row

27

00:01:20,550 --> 00:01:18,880

is it that's right now that's exciting

28

00:01:22,469 --> 00:01:20,560

that is that's that's like a

29

00:01:24,870 --> 00:01:22,479

defibrillator type exciting right that's

30

00:01:26,469 --> 00:01:24,880

why we have one here on hand we do yeah

31

00:01:28,149 --> 00:01:26,479

after last week

32

00:01:29,990 --> 00:01:28,159

that's man sorry

33

00:01:31,990 --> 00:01:30,000

anyway uh walmart was here all still

34

00:01:33,429 --> 00:01:32,000

coming to cobra on the wing

35

00:01:35,510 --> 00:01:33,439

good evening gentlemen there he is and

36

00:01:37,510 --> 00:01:35,520

the other uh in the disclosed location

37

00:01:39,749 --> 00:01:37,520

is he on a wing and a prayer um you know

38

00:01:41,109 --> 00:01:39,759

one of each maybe who knows i don't know

39

00:01:42,630 --> 00:01:41,119

i don't think he knows any prayers but

40

00:01:43,749 --> 00:01:42,640

well wait a minute i suppose he does

41

00:01:45,670 --> 00:01:43,759

doesn't he

42

00:01:47,270 --> 00:01:45,680

also we couldn't let this moment go by

43

00:01:49,190 --> 00:01:47,280

but we have a very special guest here

44

00:01:51,670 --> 00:01:49,200

wandering through

45

00:01:53,429 --> 00:01:51,680

his huge empire the building that is the

46

00:01:55,350 --> 00:01:53,439

headquarters

47

00:01:57,030 --> 00:01:55,360

for his huge empire

48

00:02:00,069 --> 00:01:57,040

pete delconi of the falcone

49

00:02:03,510 --> 00:02:00,079

entertainment conglomerate no actually

50

00:02:05,749 --> 00:02:03,520

i'm doing my uh my duty by um

51
00:02:09,109 --> 00:02:05,759
uh actually witnessing that you guys are

52
00:02:09,990 --> 00:02:09,119
here yes and live yes and there there's

53
00:02:11,910 --> 00:02:10,000
no

54
00:02:14,869 --> 00:02:11,920
guns or drugs or anything in the studio

55
00:02:16,309 --> 00:02:14,879
while you're doing this you're 50 right

56
00:02:18,470 --> 00:02:16,319
and we're not wrecking the equipment

57
00:02:19,589 --> 00:02:18,480
right right right i have to do this

58
00:02:21,910 --> 00:02:19,599
inspection

59
00:02:23,910 --> 00:02:21,920
every 90 days come in and make sure that

60
00:02:24,790 --> 00:02:23,920
everything is cope static with the show

61
00:02:26,949 --> 00:02:24,800
okay

62
00:02:28,630 --> 00:02:26,959
yes yes isn't it nice that mr falcone

63
00:02:29,990 --> 00:02:28,640

has the night off from the illuminati

64

00:02:31,430 --> 00:02:30,000

yes that's right yeah the meeting they

65

00:02:33,670 --> 00:02:31,440

must have canceled the meeting yeah they

66

00:02:35,110 --> 00:02:33,680

did they they let us out early today

67

00:02:37,350 --> 00:02:35,120

that's good okay because it was a nice

68

00:02:38,790 --> 00:02:37,360

snack yeah do the illuminati can signal

69

00:02:40,710 --> 00:02:38,800

first even though it's radio come on

70

00:02:42,630 --> 00:02:40,720

give me a little money hand signal oh oh

71

00:02:44,869 --> 00:02:42,640

god oh look at it oh there you go look

72

00:02:47,110 --> 00:02:44,879

at that exactly wow you got it right

73

00:02:49,110 --> 00:02:47,120

there those things looked obscene

74

00:02:51,030 --> 00:02:49,120

running he'd be running germany oh my

75

00:02:52,869 --> 00:02:51,040

god

76

00:02:55,110 --> 00:02:52,879

well pete thanks for stopping by my

77

00:02:56,630 --> 00:02:55,120

pleasure and um talk to you soon yeah my

78

00:02:58,630 --> 00:02:56,640

other duty here is to make sure that you

79

00:03:00,390 --> 00:02:58,640

get the fridge stocked so that's right

80

00:03:01,750 --> 00:03:00,400

okay oh the most important duty gotta

81

00:03:04,630 --> 00:03:01,760

stop there and check the temperature of

82

00:03:07,190 --> 00:03:04,640

those bottles okay all right

83

00:03:11,670 --> 00:03:07,200

pistol pete

84

00:03:16,630 --> 00:03:14,390

he been stuck with with beer right

85

00:03:17,910 --> 00:03:16,640

i think he did okay good all right

86

00:03:19,910 --> 00:03:17,920

could have been iced tea i don't know

87

00:03:22,309 --> 00:03:19,920

but i think you eat beer he knows better

88

00:03:23,750 --> 00:03:22,319

than to waste that's a wink and a nod

89

00:03:25,910 --> 00:03:23,760

right i think he meant the adult

90

00:03:27,990 --> 00:03:25,920

beverage all right we're off to a great

91

00:03:29,910 --> 00:03:28,000

start that's right it's exciting already

92

00:03:32,869 --> 00:03:29,920

it is right you know and we have to just

93

00:03:34,869 --> 00:03:32,879

keep climbing and climbing um so tonight

94

00:03:37,830 --> 00:03:34,879

on the show some interesting guess

95

00:03:39,830 --> 00:03:37,840

authors uh paul bishop who was named

96

00:03:41,670 --> 00:03:39,840

twice the best detective in los angeles

97

00:03:44,550 --> 00:03:41,680

county can you imagine that one-on-one

98

00:03:46,390 --> 00:03:44,560

no i can't and he has a book called is

99

00:03:47,670 --> 00:03:46,400

he a former gumshoe is that what he was

100

00:03:50,070 --> 00:03:47,680

yeah you know what they do you know why

101

00:03:52,550 --> 00:03:50,080

they call people gum shoes

102

00:03:53,589 --> 00:03:52,560

no but it is a fascinating term tell me

103

00:03:55,270 --> 00:03:53,599

cobra do you know why they call

104

00:03:58,229 --> 00:03:55,280

detectives gum shoes

105

00:04:03,030 --> 00:04:00,229

the first who were the first detectives

106

00:04:05,030 --> 00:04:03,040

the pinkertons right oh yeah um the

107

00:04:06,550 --> 00:04:05,040

building that they used to own and that

108

00:04:09,990 --> 00:04:06,560

and they would put their recruits up to

109

00:04:11,750 --> 00:04:10,000

train on had a tie roof oh and when it

110

00:04:12,949 --> 00:04:11,760

was warm it would stick to the bottom of

111

00:04:15,270 --> 00:04:12,959

their shoes i just heard someone say

112

00:04:16,870 --> 00:04:15,280

that on that on the news today

113

00:04:19,110 --> 00:04:16,880

gum shoes means detective anyway this

114

00:04:20,629 --> 00:04:19,120

comes your best gum shoe in la county

115

00:04:22,469 --> 00:04:20,639

two years in a row paul bishop the name

116

00:04:23,909 --> 00:04:22,479

of the book is live catchers i'm

117

00:04:25,590 --> 00:04:23,919

fascinated about how people get

118

00:04:26,830 --> 00:04:25,600

interrogated and stuff like that right

119

00:04:29,189 --> 00:04:26,840

and he's like the

120

00:04:31,510 --> 00:04:29,199

best uh detective in l.a at

121

00:04:32,870 --> 00:04:31,520

interrogations you know so i told him

122

00:04:34,310 --> 00:04:32,880

that we're all guilty of something and

123

00:04:35,749 --> 00:04:34,320

we'll just see if he can figure out we

124

00:04:37,909 --> 00:04:35,759

can see it in their eyes right he'll

125

00:04:39,510 --> 00:04:37,919

slap us around over the radio

126

00:04:41,350 --> 00:04:39,520

also then coming up ben davis is going

127

00:04:44,390 --> 00:04:41,360

to talk to us he's an author who

128

00:04:46,870 --> 00:04:44,400

has been looking into uh the military um

129

00:04:48,070 --> 00:04:46,880

and their involvement if any in alien

130

00:04:49,909 --> 00:04:48,080

abductions

131

00:04:51,670 --> 00:04:49,919

they'll be joining us is that the their

132

00:04:53,510 --> 00:04:51,680

involvement their involvement in you

133

00:04:55,110 --> 00:04:53,520

know uh you know whether they are

134

00:04:57,350 --> 00:04:55,120

helping the aliens of black people the

135

00:04:59,590 --> 00:04:57,360

military shopping alien okay i don't

136

00:05:01,670 --> 00:04:59,600

know did you read the notes on ben

137

00:05:02,870 --> 00:05:01,680

i thought i did yeah

138

00:05:04,390 --> 00:05:02,880

well let's see we'll then be surprised

139

00:05:06,870 --> 00:05:04,400

for both of us

140

00:05:08,310 --> 00:05:06,880

and um also um rob beckhausen is going

141

00:05:10,390 --> 00:05:08,320

to be calling in

142

00:05:11,909 --> 00:05:10,400

to tell us about the largest private air

143

00:05:13,510 --> 00:05:11,919

force in the world

144

00:05:15,510 --> 00:05:13,520

the largest private air force there's a

145

00:05:16,950 --> 00:05:15,520

private air force in the world that has

146

00:05:18,070 --> 00:05:16,960

dozens if not hundreds of planes how

147

00:05:20,629 --> 00:05:18,080

many people without giving their name

148

00:05:22,469 --> 00:05:20,639

how many planes would they have cobra

149

00:05:26,469 --> 00:05:22,479

they're in the neighborhood of at least

150

00:05:28,150 --> 00:05:26,479

uh 100 to 200 tactical type aircraft not

151
00:05:30,469 --> 00:05:28,160
mentioning their supporter right this is

152
00:05:32,310 --> 00:05:30,479
an air force that is not affiliated with

153
00:05:33,830 --> 00:05:32,320
any one country it's a private air force

154
00:05:34,790 --> 00:05:33,840
rob's going to be telling us about it

155
00:05:37,590 --> 00:05:34,800
tonight

156
00:05:38,950 --> 00:05:37,600
and also suturino will be joining us up

157
00:05:42,150 --> 00:05:38,960
there in the bowl of flakes up in

158
00:05:43,749 --> 00:05:42,160
michigan about a ufo slash bigfoot

159
00:05:45,029 --> 00:05:43,759
encounter one of these things you know

160
00:05:46,230 --> 00:05:45,039
we've talked about many times in the

161
00:05:47,830 --> 00:05:46,240
show where

162
00:05:49,909 --> 00:05:47,840
a couple different kind of paranormal

163
00:05:51,590 --> 00:05:49,919

things show up at the same time

164

00:05:53,990 --> 00:05:51,600

could be part of what we call the

165

00:05:56,790 --> 00:05:54,000

unified field theory of the paranormal

166

00:05:58,950 --> 00:05:56,800

we don't know um but uh switch will be

167

00:06:00,150 --> 00:05:58,960

on later on talking about that

168

00:06:02,230 --> 00:06:00,160

a couple other things i wanted to

169

00:06:04,710 --> 00:06:02,240

mention to you one one remember david

170

00:06:06,309 --> 00:06:04,720

roundtree he is the guy who melanie

171

00:06:07,430 --> 00:06:06,319

ramsey has been on here a number of

172

00:06:09,670 --> 00:06:07,440

times

173

00:06:12,150 --> 00:06:09,680

um stolen valerie the stolen valley guy

174

00:06:13,990 --> 00:06:12,160

exactly he was someone who from all

175

00:06:15,749 --> 00:06:14,000

evidence points to the fact that he

176

00:06:17,590 --> 00:06:15,759

actually was in the service for two

177

00:06:19,110 --> 00:06:17,600

years in mississippi

178

00:06:20,469 --> 00:06:19,120

during the vietnam war never left the

179

00:06:22,710 --> 00:06:20,479

united states but he went on to write

180

00:06:25,510 --> 00:06:22,720

books and give lectures and be on tv

181

00:06:27,029 --> 00:06:25,520

claiming that he went to vietnam that he

182

00:06:28,629 --> 00:06:27,039

got the medal of honor that he was in

183

00:06:29,430 --> 00:06:28,639

these different actions that he was in

184

00:06:31,430 --> 00:06:29,440

this

185

00:06:33,430 --> 00:06:31,440

you know uh special forces and stuff

186

00:06:36,309 --> 00:06:33,440

like that pictures of him wearing

187

00:06:37,909 --> 00:06:36,319

uniforms that he just didn't

188

00:06:39,590 --> 00:06:37,919

earn the right to wear

189

00:06:41,270 --> 00:06:39,600

that he got at the army nation

190

00:06:43,189 --> 00:06:41,280

navy star exactly

191

00:06:45,189 --> 00:06:43,199

well she's been on and

192

00:06:47,670 --> 00:06:45,199

he's a very dishonorable guy in other

193

00:06:48,870 --> 00:06:47,680

ways too he got into her personal life

194

00:06:49,830 --> 00:06:48,880

she's one of the nicest people in the

195

00:06:52,309 --> 00:06:49,840

world

196

00:06:54,070 --> 00:06:52,319

and she's a veteran of iraq and he was

197

00:06:55,590 --> 00:06:54,080

just like really vile some of the stuff

198

00:06:57,510 --> 00:06:55,600

he's kind of a criminal though isn't he

199

00:07:00,070 --> 00:06:57,520

yeah he's yes he's a criminal of the

200

00:07:02,390 --> 00:07:00,080

soul that's for sure you know but anyway

201
00:07:04,390 --> 00:07:02,400
so we got a report through the grapevine

202
00:07:06,230 --> 00:07:04,400
that he was going to be on the show in

203
00:07:07,189 --> 00:07:06,240
canada this coming thursday people of

204
00:07:09,749 --> 00:07:07,199
the future

205
00:07:11,270 --> 00:07:09,759
um talk about this and that and

206
00:07:13,430 --> 00:07:11,280
a bunch of us wrote to the people who

207
00:07:15,350 --> 00:07:13,440
own the network and we said here's the

208
00:07:17,270 --> 00:07:15,360
background you know a thumbnail on this

209
00:07:18,950 --> 00:07:17,280
guy you can go on the internet and find

210
00:07:20,870 --> 00:07:18,960
out tons more you might want to

211
00:07:22,309 --> 00:07:20,880
reconsider having this guy on and i get

212
00:07:24,150 --> 00:07:22,319
an email today that they bounced them

213
00:07:26,070 --> 00:07:24,160

from oh excellent so

214

00:07:28,390 --> 00:07:26,080

uh you know that's good one little

215

00:07:31,350 --> 00:07:28,400

victory and it is good right

216

00:07:33,510 --> 00:07:31,360

so david round three bounced

217

00:07:34,870 --> 00:07:33,520

from beauty yeah it was cool it was

218

00:07:36,230 --> 00:07:34,880

great it was it was really a nice thing

219

00:07:38,550 --> 00:07:36,240

maybe the word will spread from that

220

00:07:40,710 --> 00:07:38,560

statement right yeah well anyone who out

221

00:07:42,790 --> 00:07:40,720

there who hears or sees that this guy's

222

00:07:45,510 --> 00:07:42,800

gonna be at some conference or on some

223

00:07:47,830 --> 00:07:45,520

radio show tv show let us know and we're

224

00:07:49,430 --> 00:07:47,840

on it david roundtree david roundtree

225

00:07:51,670 --> 00:07:49,440

stolen all you have to do is google

226

00:07:53,589 --> 00:07:51,680

stolen valid david roundry

227

00:07:55,350 --> 00:07:53,599

and you'll get this whole on the

228

00:07:57,589 --> 00:07:55,360

4-1-1 on this character and he's just

229

00:07:59,270 --> 00:07:57,599

not a nice guy i mean he's he's done

230

00:08:00,790 --> 00:07:59,280

some really nasty nasty things he

231

00:08:03,510 --> 00:08:00,800

couldn't get creepier than this guy yeah

232

00:08:05,670 --> 00:08:03,520

right exactly well pull it

233

00:08:07,350 --> 00:08:05,680

okay and finally before we go to our

234

00:08:09,589 --> 00:08:07,360

first commercial break another mystery

235

00:08:11,430 --> 00:08:09,599

down the mystery airport

236

00:08:13,270 --> 00:08:11,440

you know that taco truck that yes out

237

00:08:15,670 --> 00:08:13,280

there yes someone but you've seen it

238

00:08:17,670 --> 00:08:15,680

down the coburn right absolutely okay

239

00:08:19,749 --> 00:08:17,680

someone brought a taco down there and it

240

00:08:22,550 --> 00:08:19,759

was a hundred percent beef

241

00:08:24,629 --> 00:08:22,560

how about that what yes

242

00:08:26,469 --> 00:08:24,639

come on what do they like

243

00:08:29,029 --> 00:08:26,479

i'd like to add that there's been recent

244

00:08:30,390 --> 00:08:29,039

ufo cattle abductions there could be a

245

00:08:32,230 --> 00:08:30,400

connection

246

00:08:33,670 --> 00:08:32,240

hundred percent beef in the taco one one

247

00:08:35,269 --> 00:08:33,680

oh man

248

00:08:36,550 --> 00:08:35,279

you know you think that the vinci code

249

00:08:40,240 --> 00:08:36,560

is a mystery

250

00:08:40,250 --> 00:08:47,030

[Laughter]

251
00:08:50,870 --> 00:08:48,710
remember that we thought about a year

252
00:08:53,030 --> 00:08:50,880
ago that they someone took pot

253
00:08:54,710 --> 00:08:53,040
a taco bell taco that was saucy 100

254
00:08:56,710 --> 00:08:54,720
percent beef right and it was like 12

255
00:08:59,910 --> 00:08:56,720
percent beef right yeah

256
00:09:02,230 --> 00:08:59,920
this is my little attempted humor on

257
00:09:05,509 --> 00:09:02,240
well you know there isn't an allowable

258
00:09:07,430 --> 00:09:05,519
uh byproduct percentage but it's not 75

259
00:09:09,430 --> 00:09:07,440
yeah right exactly so

260
00:09:11,269 --> 00:09:09,440
anyway okay

261
00:09:13,990 --> 00:09:11,279
um

262
00:09:15,670 --> 00:09:14,000
the last the jokes can only get better

263
00:09:17,269 --> 00:09:15,680

so why don't we take a commercial break

264

00:09:18,630 --> 00:09:17,279

i do have byproduct experience too but

265

00:09:20,550 --> 00:09:18,640

i'll tell you that

266

00:09:23,430 --> 00:09:20,560

that is definitely another show

267

00:09:24,870 --> 00:09:23,440

definitely mac aftertalk

268

00:09:26,070 --> 00:09:24,880

why don't we take a commercial break now

269

00:09:28,949 --> 00:09:26,080

and when we come back we're going to

270

00:09:31,350 --> 00:09:28,959

have the fourth and sadly last drawing

271

00:09:34,150 --> 00:09:31,360

for mcimomies milk

272

00:09:36,630 --> 00:09:34,160

mac maloney's why do i always

273

00:09:38,150 --> 00:09:36,640

wingman book 18. book 18 the battle for

274

00:09:41,030 --> 00:09:38,160

america right

275

00:09:43,030 --> 00:09:41,040

um we have asked people to

276

00:09:44,630 --> 00:09:43,040

write to us with a secret word we get a

277

00:09:47,030 --> 00:09:44,640

bunch of uh

278

00:09:48,870 --> 00:09:47,040

emails uh in the past week they're now

279

00:09:50,949 --> 00:09:48,880

in the magic fish bowl

280

00:09:54,150 --> 00:09:50,959

we're gonna have a very special guest

281

00:09:55,030 --> 00:09:54,160

picking pulling as they say in the biz

282

00:09:57,190 --> 00:09:55,040

um

283

00:09:59,350 --> 00:09:57,200

this week fourth and final week of a

284

00:10:01,350 --> 00:09:59,360

very successful book giveaway

285

00:10:02,630 --> 00:10:01,360

so let's take commercial break now and

286

00:10:04,710 --> 00:10:02,640

when we come back

287

00:10:06,870 --> 00:10:04,720

we'll get to the uh the pulling as they

288

00:10:08,310 --> 00:10:06,880

say

289

00:10:10,070 --> 00:10:08,320

listen to macmillan's military exhaust

290

00:10:11,990 --> 00:10:10,080

show here on the distant thunder radio

291

00:10:14,150 --> 00:10:12,000

network right back after this

292

00:10:15,990 --> 00:10:14,160

over the years air force major hawk

293

00:10:18,310 --> 00:10:16,000

hunter and his band of patriotic fighter

294

00:10:20,470 --> 00:10:18,320

pilots have fought tirelessly to reunite

295

00:10:22,870 --> 00:10:20,480

a fractured american devastated by a

296

00:10:24,949 --> 00:10:22,880

russian sneak attack

297

00:10:27,750 --> 00:10:24,959

now returning from a mysterious space

298

00:10:30,069 --> 00:10:27,760

odyssey hunter finds a huge russian army

299

00:10:32,710 --> 00:10:30,079

occupying new york city ready to invade

300

00:10:34,630 --> 00:10:32,720

the rest of america buzzing through the

301

00:10:36,710 --> 00:10:34,640

city's skyscraper canyons in a tiny

302

00:10:39,030 --> 00:10:36,720

top-secret ghost plane and seeing the

303

00:10:40,710 --> 00:10:39,040

invader's massive weaponry for himself

304

00:10:42,630 --> 00:10:40,720

pock realizes he's up against the

305

00:10:44,069 --> 00:10:42,640

greatest danger his homeland has ever

306

00:10:45,910 --> 00:10:44,079

faced

307

00:10:47,509 --> 00:10:45,920

but equally alarming are reports

308

00:10:49,430 --> 00:10:47,519

claiming that hawke's former girlfriend

309

00:10:51,350 --> 00:10:49,440

dominique is living with the head of the

310

00:10:52,389 --> 00:10:51,360

russian secret police in a manhattan

311

00:10:54,949 --> 00:10:52,399

penthouse

312

00:10:56,630 --> 00:10:54,959

is she is prisoner or is she something

313

00:10:58,230 --> 00:10:56,640

else

314

00:11:00,550 --> 00:10:58,240

with the woman in the country he loves

315

00:11:02,870 --> 00:11:00,560

in dire peril hawk hunter the wingman

316

00:11:04,389 --> 00:11:02,880

will apply all his aviation prowess to

317

00:11:07,829 --> 00:11:04,399

launch the most crucial battle for

318

00:11:09,829 --> 00:11:07,839

america yet no matter what the risks

319

00:11:11,990 --> 00:11:09,839

filled with fast-paced action a wide

320

00:11:13,750 --> 00:11:12,000

range of aircraft and military hardware

321

00:11:15,910 --> 00:11:13,760

battle for america brings back your

322

00:11:17,990 --> 00:11:15,920

favorite characters from earlier books

323

00:11:20,230 --> 00:11:18,000

in the wingman series and delivers a

324

00:11:22,470 --> 00:11:20,240

riveting story that reveals new insight

325

00:11:23,990 --> 00:11:22,480

on america's most famous hero the

326

00:11:29,350 --> 00:11:24,000

wingman

327

00:11:31,400 --> 00:11:29,360

on sale now at amazon.com and available

328

00:11:49,509 --> 00:11:31,410

at your local bookstore

329

00:11:53,990 --> 00:11:51,829

hi i'm andrew schwarzenegger and you are

330

00:11:56,630 --> 00:11:54,000

listening to mac maloney's military

331

00:11:58,790 --> 00:11:56,640

exiles show on distinct under radio

332

00:12:00,389 --> 00:11:58,800

network

333

00:12:02,069 --> 00:12:00,399

welcome back everyone to mcmoney's no

334

00:12:02,949 --> 00:12:02,079

tracks our show here on the distant

335

00:12:04,550 --> 00:12:02,959

thunder

336

00:12:07,110 --> 00:12:04,560

radio networks man

337

00:12:08,790 --> 00:12:07,120

in the studio with us tonight one one

338

00:12:10,629 --> 00:12:08,800

the very famous one one is hello mac

339

00:12:11,350 --> 00:12:10,639

how's it going 13th week in a row that's

340

00:12:14,230 --> 00:12:11,360

right

341

00:12:16,790 --> 00:12:14,240

lucky 13. very good lucky 13.

342

00:12:18,870 --> 00:12:16,800

and also in the disclosed location one

343

00:12:21,269 --> 00:12:18,880

studio behind us

344

00:12:22,150 --> 00:12:21,279

through bulletproof class command cobras

345

00:12:24,150 --> 00:12:22,160

here

346

00:12:25,750 --> 00:12:24,160

and two lock connected to lock doors and

347

00:12:27,269 --> 00:12:25,760

is it bulletproof so that he won't shoot

348

00:12:29,190 --> 00:12:27,279

us or what

349

00:12:31,110 --> 00:12:29,200

yes of course

350

00:12:32,550 --> 00:12:31,120

to lock those we have one key he has

351

00:12:34,710 --> 00:12:32,560

another case it's just like the nuclear

352

00:12:36,710 --> 00:12:34,720

codes you guys have tournament tandem

353

00:12:39,750 --> 00:12:36,720

right

354

00:12:41,110 --> 00:12:39,760

also so now very uh exciting part of the

355

00:12:42,870 --> 00:12:41,120

show

356

00:12:46,310 --> 00:12:42,880

we have now the

357

00:12:48,150 --> 00:12:46,320

fourth and final book a giveaway poll as

358

00:12:49,829 --> 00:12:48,160

they called in the biz we have the names

359

00:12:52,150 --> 00:12:49,839

of some lucky listeners

360

00:12:54,629 --> 00:12:52,160

who are nice enough to uh nice enough to

361

00:12:56,790 --> 00:12:54,639

have emailed us we have put their names

362

00:12:58,230 --> 00:12:56,800

in cities into the magic fish ball

363

00:13:00,150 --> 00:12:58,240

and we're going to pull five of their

364

00:13:01,590 --> 00:13:00,160

names and they will receive a copy a

365

00:13:04,389 --> 00:13:01,600

book an actual book

366

00:13:07,190 --> 00:13:04,399

wingman 18 battle for america

367

00:13:08,949 --> 00:13:07,200

wigman 18 battle for america so um very

368

00:13:10,629 --> 00:13:08,959

successful so far so

369

00:13:12,389 --> 00:13:10,639

we should go out in a bang

370

00:13:13,590 --> 00:13:12,399

which means that our special guest now

371

00:13:15,350 --> 00:13:13,600

let's see the first week we had the

372

00:13:16,389 --> 00:13:15,360

lovely lois lane here doing it oh she

373

00:13:19,509 --> 00:13:16,399

was awesome

374

00:13:22,710 --> 00:13:19,519

um the second week we had the ghost of

375

00:13:25,269 --> 00:13:22,720

jfk was here doing it floating around

376

00:13:28,150 --> 00:13:25,279

uh last week we had my tran the number

377

00:13:29,509 --> 00:13:28,160

one asian model cover model that's right

378

00:13:31,509 --> 00:13:29,519

she's awesome and you can get beaten up

379

00:13:33,269 --> 00:13:31,519

by her bodyguard yeah right yes right

380

00:13:36,230 --> 00:13:33,279

exactly

381

00:13:38,150 --> 00:13:36,240

uh so now to um you know to pull the

382

00:13:40,150 --> 00:13:38,160

curtain down

383

00:13:42,949 --> 00:13:40,160

who do we have special guests there's a

384

00:13:45,430 --> 00:13:42,959

friend from across the street

385

00:13:46,949 --> 00:13:45,440

gum drops the great dane

386

00:13:48,790 --> 00:13:46,959

she's here

387

00:13:50,069 --> 00:13:48,800

he we met when he tried to attack me two

388

00:13:51,509 --> 00:13:50,079

weeks ago

389

00:13:53,509 --> 00:13:51,519

well i was all getting a breath of fresh

390

00:13:55,670 --> 00:13:53,519

air no way yep

391

00:13:58,069 --> 00:13:55,680

so last week the uh secret word was

392

00:14:00,310 --> 00:13:58,079

gumdrops and all of

393

00:14:02,949 --> 00:14:00,320

the people who uh

394

00:14:04,629 --> 00:14:02,959

brought into us

395

00:14:06,470 --> 00:14:04,639

uh put gum drops i don't think he likes

396

00:14:08,069 --> 00:14:06,480

you he's kind of like a little irritated

397

00:14:10,310 --> 00:14:08,079

yeah he looks alright

398

00:14:11,990 --> 00:14:10,320

do you have a treat for a mac yeah i got

399

00:14:13,910 --> 00:14:12,000

a treat for him all right

400

00:14:17,750 --> 00:14:13,920

anyway so what we're gonna do is we're

401
00:14:19,990 --> 00:14:17,760
gonna somehow uh we're gonna have uh

402
00:14:21,829 --> 00:14:20,000
gumdrops the great dane

403
00:14:23,189 --> 00:14:21,839
thank you for joining us here gum can i

404
00:14:25,590 --> 00:14:23,199
call you gum

405
00:14:26,389 --> 00:14:25,600
yeah okay all right

406
00:14:29,030 --> 00:14:26,399
okay

407
00:14:30,550 --> 00:14:29,040
hey listen mackie likes you yeah

408
00:14:31,750 --> 00:14:30,560
your owner is pretty hot over there do

409
00:14:34,230 --> 00:14:31,760
you um

410
00:14:36,550 --> 00:14:34,240
anything you thought about that

411
00:14:40,310 --> 00:14:36,560
where was it hot oh boy

412
00:14:42,069 --> 00:14:40,320
hang on who's spade and who's neutered

413
00:14:44,389 --> 00:14:42,079

i can tell they they've they gave you

414

00:14:46,710 --> 00:14:44,399

the operation right the gumdrops yeah

415

00:14:50,069 --> 00:14:46,720

right yeah yeah they did it

416

00:14:53,430 --> 00:14:51,829

okay

417

00:14:57,030 --> 00:14:53,440

yeah

418

00:14:58,550 --> 00:14:57,040

at it this way you can always lick

419

00:15:00,069 --> 00:14:58,560

yourself a lot of things you know not

420

00:15:02,949 --> 00:15:00,079

many animals you know the old dogs why

421

00:15:06,790 --> 00:15:02,959

the dogs lick themselves

422

00:15:10,310 --> 00:15:08,389

first time i have a rim shot for a dog

423

00:15:12,069 --> 00:15:10,320

okay why don't we get to this get on

424

00:15:13,670 --> 00:15:12,079

with it let's get on with it okay please

425

00:15:15,509 --> 00:15:13,680

uh

426

00:15:17,030 --> 00:15:15,519

gum drops pick the first

427

00:15:19,590 --> 00:15:17,040

the first name out and you can hand it

428

00:15:21,829 --> 00:15:19,600

to me oh look at that very talented with

429

00:15:23,990 --> 00:15:21,839

the paw work yeah the power goes right

430

00:15:26,310 --> 00:15:24,000

yeah why is he lifting his legs

431

00:15:28,710 --> 00:15:26,320

not here not in the studio pistol pretty

432

00:15:30,069 --> 00:15:28,720

good i've been trained uh first i could

433

00:15:32,389 --> 00:15:30,079

have been a police dog but i flanked the

434

00:15:34,710 --> 00:15:32,399

academy yeah right i kind of believe

435

00:15:37,350 --> 00:15:34,720

that for some reason

436

00:15:49,110 --> 00:15:37,360

um okay our first winner is bob ingles

437

00:15:55,269 --> 00:15:52,470

that's me doing a chimpanzee

438

00:15:56,629 --> 00:15:55,279

i do impressions too you know

439

00:15:57,990 --> 00:15:56,639

we'll be the judge of that just because

440

00:16:00,310 --> 00:15:58,000

i think the academy doesn't mean i can't

441

00:16:02,310 --> 00:16:00,320

make a living listen

442

00:16:04,949 --> 00:16:02,320

uh the magic fishbowl got hacked again

443

00:16:07,670 --> 00:16:04,959

as you may know gumdrops so i heard

444

00:16:09,430 --> 00:16:07,680

about that yeah take a chance and uh

445

00:16:11,509 --> 00:16:09,440

take the next one right

446

00:16:15,829 --> 00:16:11,519

no no no no you might want to do it with

447

00:16:18,790 --> 00:16:16,870

okay so

448

00:16:19,910 --> 00:16:18,800

gumdrop still needs a few more weeks in

449

00:16:22,069 --> 00:16:19,920

training

450

00:16:30,470 --> 00:16:22,079

interesting there you go hopefully a

451
00:16:30,480 --> 00:16:33,740
he's laughing

452
00:16:33,750 --> 00:16:36,949
[Music]

453
00:16:42,150 --> 00:16:39,749
that [\h__\h] lassie brooklyn the yarn

454
00:16:47,189 --> 00:16:42,160
that's a hat that was a hack

455
00:16:50,710 --> 00:16:49,269
no no no just the

456
00:16:52,069 --> 00:16:50,720
yeah it's the ones with the yeah that's

457
00:16:55,030 --> 00:16:52,079
right

458
00:16:58,629 --> 00:16:56,629
gumdrops needs a little more training in

459
00:17:02,230 --> 00:16:58,639
the ball as they say

460
00:17:05,669 --> 00:17:02,240
okay our second real winner

461
00:17:07,429 --> 00:17:05,679
mike santoro goffstown new hampshire wow

462
00:17:09,669 --> 00:17:07,439
in new hampshire goffstown new hampshire

463
00:17:11,189 --> 00:17:09,679

is that there is no backyard really mike

464

00:17:14,470 --> 00:17:11,199

santero i think i have pete in that

465

00:17:17,829 --> 00:17:16,470

very nice yard

466

00:17:20,230 --> 00:17:17,839

there's some yellow spots in there for

467

00:17:22,309 --> 00:17:20,240

so long

468

00:17:25,029 --> 00:17:22,319

okay go ahead uh gum drops pick number

469

00:17:25,909 --> 00:17:25,039

three okay here we go number three from

470

00:17:29,830 --> 00:17:25,919

the

471

00:17:33,029 --> 00:17:29,840

thank you

472

00:17:34,950 --> 00:17:33,039

three free copy of wingman 18.

473

00:17:36,230 --> 00:17:34,960

battle for america

474

00:17:37,990 --> 00:17:36,240

i'm sure they'll just sell right out

475

00:17:40,870 --> 00:17:38,000

after this

476
00:17:41,580 --> 00:17:40,880
no worries bruce vogel of floral park

477
00:17:43,590 --> 00:17:41,590
new york

478
00:17:47,430 --> 00:17:43,600
[Music]

479
00:17:54,230 --> 00:17:50,310
upstairs oh here's bruce calling us now

480
00:17:57,750 --> 00:17:55,830
is that cub drops on it

481
00:17:58,830 --> 00:17:57,760
did you get permission

482
00:18:00,470 --> 00:17:58,840
oh

483
00:18:02,150 --> 00:18:00,480
wow

484
00:18:04,470 --> 00:18:02,160
i'm dropping a little swig of coffee

485
00:18:07,110 --> 00:18:04,480
there okay

486
00:18:09,190 --> 00:18:07,120
gum if you can pick the next one

487
00:18:10,710 --> 00:18:09,200
he has picked it

488
00:18:12,470 --> 00:18:10,720

i don't know how our fish bowl keeps

489

00:18:15,430 --> 00:18:12,480

getting hacked but it it does we have to

490

00:18:15,440 --> 00:18:21,029

our next winner is

491

00:18:26,630 --> 00:18:23,350

fido mcdribbles pick me up new jersey

492

00:18:30,310 --> 00:18:26,640

let's see once again i know him

493

00:18:34,630 --> 00:18:32,390

um okay

494

00:18:37,430 --> 00:18:34,640

thank you gumdrops our next real winner

495

00:18:42,470 --> 00:18:40,230

oh wow massachusetts peter morrell peter

496

00:18:44,789 --> 00:18:42,480

of everett max evan kind of down the

497

00:18:46,710 --> 00:18:44,799

street

498

00:18:49,110 --> 00:18:46,720

you're the only one

499

00:18:51,750 --> 00:18:50,789

that's uh close to your hometown there

500

00:18:53,830 --> 00:18:51,760

cobra

501
00:18:55,510 --> 00:18:53,840
yes it is

502
00:18:56,950 --> 00:18:55,520
everett where they're building a one

503
00:18:59,350 --> 00:18:56,960
billion dollar casino do you know that

504
00:19:01,029 --> 00:18:59,360
gumdrop yes

505
00:19:03,590 --> 00:19:01,039
can't wait for that to happen i can't

506
00:19:05,669 --> 00:19:03,600
wait to ride the roulette wheel

507
00:19:07,830 --> 00:19:05,679
yes

508
00:19:10,070 --> 00:19:07,840
okay i always play number nine do you

509
00:19:11,830 --> 00:19:10,080
really because you're a well because i

510
00:19:12,950 --> 00:19:11,840
drop a deuce on the number nine so it

511
00:19:13,990 --> 00:19:12,960
works for me

512
00:19:15,990 --> 00:19:14,000
okay

513
00:19:17,990 --> 00:19:16,000

a little more dog human there

514

00:19:19,270 --> 00:19:18,000

maybe caesar milan would laugh at that

515

00:19:21,510 --> 00:19:19,280

joke

516

00:19:23,110 --> 00:19:21,520

okay our next winner is i can't hear the

517

00:19:24,870 --> 00:19:23,120

dog whisper he whispers too much that's

518

00:19:27,190 --> 00:19:24,880

true

519

00:19:32,549 --> 00:19:27,200

and rin tintin's bastard son

520

00:19:35,830 --> 00:19:34,230

well

521

00:19:37,270 --> 00:19:35,840

uh you know what they say nobody knows

522

00:19:40,470 --> 00:19:37,280

you're a dog on the internet that's

523

00:19:45,590 --> 00:19:42,070

please can you find one in there for me

524

00:19:45,600 --> 00:19:50,710

paul's getting stuck in the bowl okay

525

00:19:56,310 --> 00:19:52,630

nate buckman of boynton beach florida

526

00:19:59,990 --> 00:19:57,909

you're all right there you go

527

00:20:01,430 --> 00:20:00,000

okay so i will re-read these and then

528

00:20:03,029 --> 00:20:01,440

you can go out and

529

00:20:03,909 --> 00:20:03,039

visit as many fire hydrants as you want

530

00:20:06,789 --> 00:20:03,919

yeah

531

00:20:08,549 --> 00:20:06,799

i gotta go man okay hang on

532

00:20:11,909 --> 00:20:08,559

okay so our winners um they'll be

533

00:20:15,909 --> 00:20:11,919

getting daddy where do babies come from

534

00:20:18,710 --> 00:20:15,919

uh well uh honey mommy went to the store

535

00:20:21,750 --> 00:20:18,720

oh well you see um well there's a mommy

536

00:20:24,710 --> 00:20:21,760

and a daddy right right and see when

537

00:20:26,470 --> 00:20:24,720

they call geico uh they could save a

538

00:20:28,789 --> 00:20:26,480

bunch of money on car insurance oh

539

00:20:31,350 --> 00:20:28,799

really and that makes them happy yes

540

00:20:33,350 --> 00:20:31,360

that makes them very happy that's good

541

00:20:34,710 --> 00:20:33,360

yeah well i'm glad we could have this

542

00:20:37,110 --> 00:20:34,720

talk sunshine

543

00:20:39,190 --> 00:20:37,120

geico because saving 15 or more on car

544

00:20:41,750 --> 00:20:39,200

insurance is always the great answer

545

00:20:44,390 --> 00:20:41,760

copy of mcmalone's military no why do i

546

00:20:46,310 --> 00:20:44,400

keep saying that uh gumdrops do you know

547

00:20:48,070 --> 00:20:46,320

i don't know man where's your head at i

548

00:20:50,310 --> 00:20:48,080

am not

549

00:20:52,870 --> 00:20:50,320

um let my master describe what book it

550

00:20:54,870 --> 00:20:52,880

is that you're trying okay

551

00:20:56,470 --> 00:20:54,880

mac maloney wingman

552

00:20:59,029 --> 00:20:56,480

book number 18

553

00:21:01,350 --> 00:20:59,039

battle for america for crying out loud

554

00:21:02,549 --> 00:21:01,360

okay i mean you you wrote so many books

555

00:21:04,230 --> 00:21:02,559

you just can't keep track of it you're

556

00:21:05,669 --> 00:21:04,240

such a prolific author you're like i

557

00:21:07,990 --> 00:21:05,679

guess that's the reason

558

00:21:10,470 --> 00:21:08,000

so our winners tonight have been bob

559

00:21:12,390 --> 00:21:10,480

ingles from kennesaw georgia mike

560

00:21:15,270 --> 00:21:12,400

santoro from goffstown new hampshire

561

00:21:17,510 --> 00:21:15,280

congrats mike congrats bob mate buckman

562

00:21:19,350 --> 00:21:17,520

from boynton beach florida nate buck way

563

00:21:22,070 --> 00:21:19,360

to go nate

564

00:21:23,590 --> 00:21:22,080

peter morrell from everett bass

565

00:21:25,669 --> 00:21:23,600

really close by

566

00:21:27,830 --> 00:21:25,679

and bruce on the orange line i'm sure

567

00:21:30,710 --> 00:21:27,840

yes somewhere there bruce vogel from

568

00:21:33,029 --> 00:21:30,720

floral park new york which i think is in

569

00:21:34,390 --> 00:21:33,039

on long island i'm not sure officially

570

00:21:36,549 --> 00:21:34,400

the orange line doesn't pass through

571

00:21:38,470 --> 00:21:36,559

everett it's not as close as medford

572

00:21:39,830 --> 00:21:38,480

yeah you're right okay

573

00:21:41,510 --> 00:21:39,840

you know he's always correcting me this

574

00:21:42,390 --> 00:21:41,520

guy yeah no real boston talk there

575

00:21:43,990 --> 00:21:42,400

though

576

00:21:45,830 --> 00:21:44,000

you got points for that last time he was

577

00:21:47,430 --> 00:21:45,840

on the orange line was probably 25 years

578

00:21:49,430 --> 00:21:47,440

ago

579

00:21:51,110 --> 00:21:49,440

i want to thank everyone who uh wrote in

580

00:21:53,029 --> 00:21:51,120

for the free book giveaway really

581

00:21:54,950 --> 00:21:53,039

appreciate it i should know so many

582

00:21:57,110 --> 00:21:54,960

people out there are listening in and

583

00:21:58,549 --> 00:21:57,120

take the time to email us so

584

00:22:01,270 --> 00:21:58,559

uh we'll have to have another contest

585

00:22:02,710 --> 00:22:01,280

sometime they want one and do this

586

00:22:04,870 --> 00:22:02,720

yep meet soon

587

00:22:06,549 --> 00:22:04,880

we'll give away some of your old books

588

00:22:11,590 --> 00:22:06,559

that's a good idea then i'd make

589

00:22:15,350 --> 00:22:13,669

sorry for that idea

590

00:22:17,830 --> 00:22:15,360

so why don't we do this why don't we

591

00:22:20,070 --> 00:22:17,840

take a they all can't be win is one one

592

00:22:21,990 --> 00:22:20,080

you know what i mean right right okay

593

00:22:24,470 --> 00:22:22,000

you know sometimes impressions go well

594

00:22:26,789 --> 00:22:24,480

sometimes they don't you know phil yeba

595

00:22:28,310 --> 00:22:26,799

before comedian is the

596

00:22:29,750 --> 00:22:28,320

expert on that apparently that's right

597

00:22:31,430 --> 00:22:29,760

he is dead here he's got a lot of

598

00:22:33,510 --> 00:22:31,440

practice so

599

00:22:35,270 --> 00:22:33,520

but thank you gumdrops for stopping by

600

00:22:38,070 --> 00:22:35,280

and uh

601
00:22:41,190 --> 00:22:38,080
yep lightening up the show okay

602
00:22:42,870 --> 00:22:41,200
i will bring you back to your master and

603
00:22:44,950 --> 00:22:42,880
see what happens then so

604
00:22:47,750 --> 00:22:44,960
when we take a commercial break now and

605
00:22:49,029 --> 00:22:47,760
um we'll be right back with

606
00:22:50,310 --> 00:22:49,039
another fascinating guest you're

607
00:22:51,990 --> 00:22:50,320
listening to mac money's mild track

608
00:22:54,310 --> 00:22:52,000
style show here on the distant thunder

609
00:22:57,350 --> 00:22:54,320
radio network we'll be right back after

610
00:22:59,350 --> 00:22:57,360
this ufos are found in renaissance art

611
00:23:00,789 --> 00:22:59,360
on ancient coins and etched on cave

612
00:23:03,190 --> 00:23:00,799
walls

613
00:23:05,350 --> 00:23:03,200

they are even reported in the bible

614

00:23:06,630 --> 00:23:05,360

but more surprising is when ufos are

615

00:23:09,430 --> 00:23:06,640

seen the most

616

00:23:11,350 --> 00:23:09,440

in times of war

617

00:23:13,029 --> 00:23:11,360

through centuries thousands of ufo

618

00:23:15,510 --> 00:23:13,039

sightings have been made by high-ranking

619

00:23:17,909 --> 00:23:15,520

officials military pilots and ordinary

620

00:23:19,909 --> 00:23:17,919

soldiers often these fantastic

621

00:23:21,110 --> 00:23:19,919

appearances occur at the height of great

622

00:23:23,830 --> 00:23:21,120

battles

623

00:23:26,149 --> 00:23:23,840

from world war one to d-day to korea

624

00:23:28,789 --> 00:23:26,159

vietnam and beyond military

625

00:23:30,549 --> 00:23:28,799

investigators are baffled why do ufo

626

00:23:31,669 --> 00:23:30,559

sightings spike so drastically during

627

00:23:34,310 --> 00:23:31,679

wartime

628

00:23:37,510 --> 00:23:34,320

could it be mistaken aircraft or someone

629

00:23:40,070 --> 00:23:37,520

or something looking in on us

630

00:23:41,990 --> 00:23:40,080

in ufos in wartime what they didn't want

631

00:23:43,590 --> 00:23:42,000

you to know mcmaloney chronicles

632

00:23:45,590 --> 00:23:43,600

centuries of these incredible sightings

633

00:23:47,990 --> 00:23:45,600

and tries to solve the puzzle of why so

634

00:23:49,270 --> 00:23:48,000

many ufos are seen while humanity is at

635

00:23:51,270 --> 00:23:49,280

war

636

00:23:53,830 --> 00:23:51,280

read about the scare ships the ghost

637

00:23:56,710 --> 00:23:53,840

planes and the ghost rockets alien

638

00:23:59,270 --> 00:23:56,720

giants in the jungles of vietnam ufos

639

00:24:01,110 --> 00:23:59,280

controlling our icbm bases

640

00:24:03,110 --> 00:24:01,120

dogfights with flying saucers during the

641

00:24:06,470 --> 00:24:03,120

gulf war and more

642

00:24:08,630 --> 00:24:06,480

300 pages of unbelievable stories along

643

00:24:11,269 --> 00:24:08,640

with many startling photographs

644

00:24:13,990 --> 00:24:11,279

that's ufos and wartime what they didn't

645

00:24:18,300 --> 00:24:14,000

want you to know by mac maloney on sale

646

00:24:28,710 --> 00:24:18,310

at your local bookstore or on amazon.com

647

00:24:32,789 --> 00:24:30,870

hi i'm sean connery and when i'm in new

648

00:24:36,390 --> 00:24:32,799

england i listen to the mac maloney

649

00:24:37,830 --> 00:24:36,400

military x-file show on distant thunder

650

00:24:41,320 --> 00:24:37,840

radio network

651
00:24:43,350 --> 00:24:41,330
and i get my fashion sense from one one

652
00:24:44,549 --> 00:24:43,360
[Music]

653
00:24:45,990 --> 00:24:44,559
hey welcome back everyone to back with

654
00:24:48,470 --> 00:24:46,000
mommy's military exhaust show here on

655
00:24:49,909 --> 00:24:48,480
the distant thunder radio networks

656
00:24:51,830 --> 00:24:49,919
in the studio with us tonight the very

657
00:24:54,390 --> 00:24:51,840
famous one one is here hello mark good

658
00:24:56,870 --> 00:24:54,400
show sophie he is uh 13 weeks in a row

659
00:24:59,110 --> 00:24:56,880
and wearing his patriots hat for you

660
00:25:01,350 --> 00:24:59,120
those used following at home our

661
00:25:03,190 --> 00:25:01,360
previous guest really zapped you uh on

662
00:25:05,590 --> 00:25:03,200
the tom brady thing didn't he i know it

663
00:25:07,029 --> 00:25:05,600

he kind of made me feel inappropriate

664

00:25:09,510 --> 00:25:07,039

weird okay

665

00:25:11,510 --> 00:25:09,520

also with us uh commander cobra in the

666

00:25:12,870 --> 00:25:11,520

disclosed location right back of us one

667

00:25:15,269 --> 00:25:12,880

studio over

668

00:25:16,310 --> 00:25:15,279

cobra are you on the way secure location

669

00:25:17,350 --> 00:25:16,320

good evening

670

00:25:19,990 --> 00:25:17,360

okay

671

00:25:21,830 --> 00:25:20,000

um and on the phone with us

672

00:25:24,470 --> 00:25:21,840

um

673

00:25:26,950 --> 00:25:24,480

is ben davis who is an author his latest

674

00:25:28,390 --> 00:25:26,960

book is ti versus a.i

675

00:25:30,230 --> 00:25:28,400

targeted targeting individuals versus

676

00:25:32,149 --> 00:25:30,240

artificial intelligence

677

00:25:34,230 --> 00:25:32,159

uh his previous book was something

678

00:25:35,029 --> 00:25:34,240

called it's about time incident at fort

679

00:25:36,630 --> 00:25:35,039

polk

680

00:25:38,789 --> 00:25:36,640

uh two very interesting subjects we're

681

00:25:40,390 --> 00:25:38,799

gonna talk to him now ben how you doing

682

00:25:42,070 --> 00:25:40,400

i'm doing pretty good let's go down with

683

00:25:43,350 --> 00:25:42,080

bar have a beer talk about the carpet

684

00:25:44,390 --> 00:25:43,360

layers what's he trying to do he's

685

00:25:46,390 --> 00:25:44,400

trying to

686

00:25:48,470 --> 00:25:46,400

mock our accents

687

00:25:50,549 --> 00:25:48,480

as if we had an accent

688

00:25:52,870 --> 00:25:50,559

you could ever get this

689

00:25:54,789 --> 00:25:52,880

the rest of the country has accents

690

00:25:57,190 --> 00:25:54,799

he sounds like he sounds like jason

691

00:25:59,590 --> 00:25:57,200

aldean or something like that right here

692

00:26:01,750 --> 00:25:59,600

is deep southern yep yeah where are you

693

00:26:04,630 --> 00:26:01,760

calling from uh now i'm calling from

694

00:26:06,630 --> 00:26:04,640

daytona beach florida oh okay oh daytona

695

00:26:08,470 --> 00:26:06,640

yes that's right excellent yeah that's a

696

00:26:10,310 --> 00:26:08,480

tough place to be calling from yeah yeah

697

00:26:11,990 --> 00:26:10,320

they let you they still let um let

698

00:26:13,750 --> 00:26:12,000

people drive on the beach drive cars on

699

00:26:16,070 --> 00:26:13,760

the beach there oh yeah but you gotta

700

00:26:17,510 --> 00:26:16,080

pay to do it well you do really yeah

701

00:26:20,230 --> 00:26:17,520

went down to a you know labor day

702

00:26:22,789 --> 00:26:20,240

weekend or if you're a local you could

703

00:26:24,630 --> 00:26:22,799

pay like 30 for the whole year all right

704

00:26:25,830 --> 00:26:24,640

okay all right i went down there for a

705

00:26:27,350 --> 00:26:25,840

labor day weekend when they used to have

706

00:26:28,630 --> 00:26:27,360

like the college you know blow up before

707

00:26:30,630 --> 00:26:28,640

school

708

00:26:31,909 --> 00:26:30,640

it was unbelievable at the first one we

709

00:26:33,990 --> 00:26:31,919

get there and i go wow they let you

710

00:26:36,310 --> 00:26:34,000

drive on the beach it was yeah cool

711

00:26:37,990 --> 00:26:36,320

regular cars yeah right regular cars the

712

00:26:39,830 --> 00:26:38,000

parking lot is the beach and then um it

713

00:26:42,149 --> 00:26:39,840

was part of the track just kind of like

714

00:26:43,669 --> 00:26:42,159

you know girls in bikinis and stuff it

715

00:26:46,149 --> 00:26:43,679

was everything you can imagine it was

716

00:26:48,710 --> 00:26:46,159

like a frankie avalon movie

717

00:26:51,669 --> 00:26:48,720

yeah i've been here since

718

00:26:53,430 --> 00:26:51,679

89 i believe and uh

719

00:26:56,070 --> 00:26:53,440

yeah i think i've been to the beach ten

720

00:26:58,549 --> 00:26:56,080

times really yeah by shocks

721

00:27:00,549 --> 00:26:58,559

yeah it's a it's a it's a tourist trap

722

00:27:03,430 --> 00:27:00,559

to me oh okay yeah well i can see that

723

00:27:05,430 --> 00:27:03,440

you know we can't park anywhere um

724

00:27:07,590 --> 00:27:05,440

you have to have a permit like if you're

725

00:27:09,269 --> 00:27:07,600

local to uh you know like if you have an

726

00:27:10,710 --> 00:27:09,279

apartment or rental home or something

727

00:27:12,870 --> 00:27:10,720

you gotta have a permit to park on your

728

00:27:14,070 --> 00:27:12,880

street wow oh that's a little bit too

729

00:27:15,750 --> 00:27:14,080

much so if you're visiting you can't

730

00:27:17,830 --> 00:27:15,760

park anywhere you need to

731

00:27:19,990 --> 00:27:17,840

yeah that's true hitchhike too so what

732

00:27:22,230 --> 00:27:20,000

got you interested in this uh well this

733

00:27:24,310 --> 00:27:22,240

this line of investigation

734

00:27:26,230 --> 00:27:24,320

well it started out when i was in the

735

00:27:28,390 --> 00:27:26,240

service and um

736

00:27:31,029 --> 00:27:28,400

when i was stationed at fort polk

737

00:27:33,590 --> 00:27:31,039

that was the day the vietnam war ended

738

00:27:34,390 --> 00:27:33,600

march 28-75

739

00:27:36,470 --> 00:27:34,400

and

740

00:27:37,830 --> 00:27:36,480

it was like there wasn't a war going on

741

00:27:39,190 --> 00:27:37,840

so

742

00:27:42,070 --> 00:27:39,200

um

743

00:27:43,909 --> 00:27:42,080

i had broken my leg in

744

00:27:46,230 --> 00:27:43,919

off-duty hours playing what they call

745

00:27:47,350 --> 00:27:46,240

combat football okay

746

00:27:49,190 --> 00:27:47,360

and it was

747

00:27:50,870 --> 00:27:49,200

got a guy by the name of dave pushard

748

00:27:54,389 --> 00:27:50,880

who was from maine by the way he was a

749

00:28:00,389 --> 00:27:58,310

yeah and uh so the guys decided to

750

00:28:02,470 --> 00:28:00,399

get me out of the barracks for a while

751
00:28:04,310 --> 00:28:02,480
because i've been all you know i was not

752
00:28:06,549 --> 00:28:04,320
given convalescently which is usually

753
00:28:09,190 --> 00:28:06,559
what they do but they were trying to

754
00:28:11,110 --> 00:28:09,200
profile me as a

755
00:28:12,950 --> 00:28:11,120
uh making an example out of me because

756
00:28:15,510 --> 00:28:12,960
there's a lot of mess

757
00:28:16,630 --> 00:28:15,520
messed up stuff going on at times okay

758
00:28:18,710 --> 00:28:16,640
so

759
00:28:21,110 --> 00:28:18,720
these guys decided to grab me and take

760
00:28:21,909 --> 00:28:21,120
me on a four-day pass which i went with

761
00:28:24,870 --> 00:28:21,919
and

762
00:28:26,070 --> 00:28:24,880
it was on friday the 14th we passed the

763
00:28:28,310 --> 00:28:26,080

uh

764

00:28:31,590 --> 00:28:28,320

the state line from louisiana into texas

765

00:28:33,110 --> 00:28:31,600

on i-20 westbound and jj the

766

00:28:34,549 --> 00:28:33,120

african-american fellow next to me said

767

00:28:36,149 --> 00:28:34,559

hey man look at that i said look up

768

00:28:38,870 --> 00:28:36,159

where i'm looking to look and he said oh

769

00:28:41,110 --> 00:28:38,880

rick right there oh wow

770

00:28:44,230 --> 00:28:41,120

and it wasn't a helicopter it wasn't an

771

00:28:47,430 --> 00:28:44,240

airplane it was stationary

772

00:28:48,870 --> 00:28:47,440

it was probably 50 60 000 or higher feet

773

00:28:50,389 --> 00:28:48,880

altitude okay

774

00:28:52,710 --> 00:28:50,399

at the time guessing and then all of a

775

00:28:54,789 --> 00:28:52,720

sudden it zigzag dropped like a rock and

776

00:28:55,590 --> 00:28:54,799

it was right on top of us

777

00:28:57,510 --> 00:28:55,600

okay

778

00:28:59,269 --> 00:28:57,520

yeah then a bright white light come out

779

00:29:01,669 --> 00:28:59,279

and that's the last thing

780

00:29:04,230 --> 00:29:01,679

uh jj and i uh

781

00:29:06,149 --> 00:29:04,240

saw for about 10 or 12 hours well wait a

782

00:29:07,990 --> 00:29:06,159

minute okay so was this day or night

783

00:29:09,909 --> 00:29:08,000

that this happened this was right at

784

00:29:11,510 --> 00:29:09,919

sundown okay all right

785

00:29:13,269 --> 00:29:11,520

now when you say you didn't know you

786

00:29:14,310 --> 00:29:13,279

mean you had 12 hours of missing time or

787

00:29:16,070 --> 00:29:14,320

whatever

788

00:29:18,950 --> 00:29:16,080

more like 10 i think it was really 10

789

00:29:20,950 --> 00:29:18,960

out yeah well okay all right and uh what

790

00:29:22,389 --> 00:29:20,960

bad did you go to drink at and you know

791

00:29:24,950 --> 00:29:22,399

pass out i mean that's what usually

792

00:29:28,230 --> 00:29:24,960

happens like a missing time when we woke

793

00:29:30,149 --> 00:29:28,240

up at a wichita kansas

794

00:29:32,070 --> 00:29:30,159

truck shop the guys in the front of

795

00:29:34,310 --> 00:29:32,080

course they didn't have king cabs in the

796

00:29:36,470 --> 00:29:34,320

day and era okay we wrote in the back in

797

00:29:38,149 --> 00:29:36,480

a sleeping bag and all i had a cast on i

798

00:29:40,149 --> 00:29:38,159

couldn't get in front anyway

799

00:29:42,230 --> 00:29:40,159

um they shook and say man what the heck

800

00:29:44,710 --> 00:29:42,240

is wrong with you guys uh we tried to

801
00:29:45,590 --> 00:29:44,720
wake you up on the last two gas stops

802
00:29:47,909 --> 00:29:45,600
wow

803
00:29:49,590 --> 00:29:47,919
me me and jj looked at each other and we

804
00:29:51,990 --> 00:29:49,600
could hear each other's thoughts without

805
00:29:53,430 --> 00:29:52,000
saying a word telepathically hmm

806
00:29:55,269 --> 00:29:53,440
what was he saying

807
00:29:57,269 --> 00:29:55,279
yeah it was like wow we were still

808
00:29:58,470 --> 00:29:57,279
coming down off of a troop

809
00:30:00,389 --> 00:29:58,480
so what happened

810
00:30:03,990 --> 00:30:00,399
yeah we were what happened

811
00:30:07,750 --> 00:30:04,000
we uh we were taken to the future okay

812
00:30:08,950 --> 00:30:07,760
and uh we were shown the year 2026. okay

813
00:30:12,789 --> 00:30:08,960

all right

814

00:30:14,710 --> 00:30:12,799

and the devastation and the horrific uh

815

00:30:16,549 --> 00:30:14,720

alternate timeline you might want to

816

00:30:19,350 --> 00:30:16,559

call it all right

817

00:30:21,830 --> 00:30:19,360

of what can happen or what

818

00:30:23,430 --> 00:30:21,840

won't happen seriously

819

00:30:25,909 --> 00:30:23,440

you're offered the blue pill you can

820

00:30:27,590 --> 00:30:25,919

wake up the mar be expendable or you can

821

00:30:31,269 --> 00:30:27,600

take the red pill and you can wake up

822

00:30:32,230 --> 00:30:31,279

tomorrow and and make it make history by

823

00:30:35,029 --> 00:30:32,240

changing

824

00:30:36,789 --> 00:30:35,039

the the timeline okay all right

825

00:30:38,310 --> 00:30:36,799

i was shown certain events that would

826

00:30:40,230 --> 00:30:38,320

occur they all

827

00:30:41,350 --> 00:30:40,240

happened they all came to pass and and

828

00:30:44,310 --> 00:30:41,360

for

829

00:30:47,110 --> 00:30:44,320

uh being uh tossed out of the military

830

00:30:49,750 --> 00:30:47,120

instead of honorably yes um yeah i

831

00:30:51,750 --> 00:30:49,760

decided to take the red pill

832

00:30:53,110 --> 00:30:51,760

and do something about it and three this

833

00:30:55,029 --> 00:30:53,120

um

834

00:30:55,990 --> 00:30:55,039

i guess abduction you would call it

835

00:30:58,389 --> 00:30:56,000

right

836

00:31:00,789 --> 00:30:58,399

um and i'm still up in the air whether

837

00:31:03,669 --> 00:31:00,799

or not if it was real or not because of

838

00:31:05,669 --> 00:31:03,679

the mind control right this is what the

839

00:31:06,870 --> 00:31:05,679

new book is all about mm-hmm

840

00:31:08,710 --> 00:31:06,880

when you went into the future you didn't

841

00:31:10,549 --> 00:31:08,720

go to a race track did you paying jim i

842

00:31:11,350 --> 00:31:10,559

wish

843

00:31:13,430 --> 00:31:11,360

i mean

844

00:31:15,350 --> 00:31:13,440

bill elliot was a a

845

00:31:17,029 --> 00:31:15,360

motocross back in my day and there

846

00:31:19,029 --> 00:31:17,039

before the military

847

00:31:20,149 --> 00:31:19,039

and uh you know he kicked me off my bike

848

00:31:21,590 --> 00:31:20,159

one day and

849

00:31:23,430 --> 00:31:21,600

i followed him into the pits and beat

850

00:31:25,029 --> 00:31:23,440

the living crap out of it well

851

00:31:26,630 --> 00:31:25,039

now he went into nashville i said now

852

00:31:28,470 --> 00:31:26,640

you know what it's the true story about

853

00:31:30,630 --> 00:31:28,480

bill he's

854

00:31:32,950 --> 00:31:30,640

he's a competitor right

855

00:31:34,310 --> 00:31:32,960

so so i know cobra has a bunch of

856

00:31:35,750 --> 00:31:34,320

questions i'm going to ask the first one

857

00:31:37,750 --> 00:31:35,760

i'm going to turn it over to him so what

858

00:31:40,549 --> 00:31:37,760

happened at fort polk okay what is the

859

00:31:42,230 --> 00:31:40,559

incident at fort polk okay um

860

00:31:44,070 --> 00:31:42,240

from the abduction

861

00:31:46,870 --> 00:31:44,080

um me and

862

00:31:49,509 --> 00:31:46,880

jj and three other fellas that weren't

863

00:31:52,470 --> 00:31:49,519

with us they they had a similar instance

864

00:31:54,149 --> 00:31:52,480

where like an older showed up and

865

00:31:55,750 --> 00:31:54,159

and they woke up the next morning which

866

00:31:58,310 --> 00:31:55,760

is about the same time we woke up the

867

00:32:00,470 --> 00:31:58,320

next day so we were separately

868

00:32:02,310 --> 00:32:00,480

abducted or taken or whatever

869

00:32:05,269 --> 00:32:02,320

um and then we were

870

00:32:07,269 --> 00:32:05,279

all together all at once four days later

871

00:32:09,909 --> 00:32:07,279

and talking about it and we recorded it

872

00:32:11,110 --> 00:32:09,919

on tape video technology about uh

873

00:32:12,470 --> 00:32:11,120

cassette tape

874

00:32:15,350 --> 00:32:12,480

and um

875

00:32:17,269 --> 00:32:15,360

and we spoke each other's minds on what

876

00:32:20,149 --> 00:32:17,279

we thought we saw

877

00:32:23,430 --> 00:32:20,159

and then we all decided that this is a

878

00:32:25,190 --> 00:32:23,440

mission that these benevolent et's

879

00:32:27,350 --> 00:32:25,200

wanted us to do physically because

880

00:32:30,470 --> 00:32:27,360

they're not physical form

881

00:32:33,350 --> 00:32:30,480

uh so i took it at the time and and by

882

00:32:34,870 --> 00:32:33,360

doing this thing uh you know we would

883

00:32:37,830 --> 00:32:34,880

alter the timeline

884

00:32:39,110 --> 00:32:37,840

and i was to write a book in about 50

885

00:32:43,029 --> 00:32:39,120

years time

886

00:32:45,029 --> 00:32:43,039

which is still nine years away um

887

00:32:47,430 --> 00:32:45,039

and it was supposed to change history

888

00:32:49,110 --> 00:32:47,440

and save humanity from extinction that's

889

00:32:51,190 --> 00:32:49,120

what we've

890

00:32:53,830 --> 00:32:51,200

pretty much shown

891

00:32:55,110 --> 00:32:53,840

and this was in the year 2026

892

00:32:57,190 --> 00:32:55,120

yep

893

00:32:58,710 --> 00:32:57,200

how did you know it was 2026

894

00:33:02,630 --> 00:32:58,720

because that's uh

895

00:33:03,830 --> 00:33:02,640

the 50 years from 1976 to 2026. all

896

00:33:05,750 --> 00:33:03,840

right

897

00:33:07,269 --> 00:33:05,760

okay and that makes sense to me and i

898

00:33:10,310 --> 00:33:07,279

started writing

899

00:33:11,110 --> 00:33:10,320

when i was about 50 you know and there's

900

00:33:14,870 --> 00:33:11,120

the

901
00:33:16,470 --> 00:33:14,880
could have been

902
00:33:18,549 --> 00:33:16,480
i was supposed to start writing then

903
00:33:21,110 --> 00:33:18,559
which i did anyway i've always wanted to

904
00:33:23,909 --> 00:33:21,120
become a writer i started young

905
00:33:25,430 --> 00:33:23,919
uh i had legit perthes disease which is

906
00:33:27,669 --> 00:33:25,440
like forest gump had to wear them leg

907
00:33:31,110 --> 00:33:27,679
braces you know yeah and my mother kept

908
00:33:33,269 --> 00:33:31,120
me tutored educated self-taught uh

909
00:33:36,789 --> 00:33:33,279
homeschool if you want to call it and

910
00:33:39,430 --> 00:33:36,799
and uh the encyclopedia britannica all

911
00:33:40,549 --> 00:33:39,440
26 volumes webster's dictionary every

912
00:33:45,190 --> 00:33:40,559
single word

913
00:33:47,830 --> 00:33:45,200

before i was 11 years old

914

00:33:49,190 --> 00:33:47,840

so i started very young and educating

915

00:33:50,710 --> 00:33:49,200

myself

916

00:33:54,310 --> 00:33:50,720

my goodness

917

00:33:55,750 --> 00:33:54,320

so ben if i understand this

918

00:33:58,630 --> 00:33:55,760

you're saying

919

00:34:00,710 --> 00:33:58,640

your experience the et's knew

920

00:34:03,350 --> 00:34:00,720

that the army

921

00:34:06,789 --> 00:34:03,360

was delving into a

922

00:34:09,030 --> 00:34:06,799

path with a weapon system and technology

923

00:34:11,990 --> 00:34:09,040

it was their enemies the the

924

00:34:13,030 --> 00:34:12,000

malevolent et's okay so

925

00:34:14,149 --> 00:34:13,040

yeah that's the part i was trying to

926
00:34:15,190 --> 00:34:14,159
bring out because if i remember

927
00:34:17,349 --> 00:34:15,200
correctly

928
00:34:19,589 --> 00:34:17,359
uh when i heard and i've heard you once

929
00:34:20,470 --> 00:34:19,599
before and and a little bit i've read on

930
00:34:22,230 --> 00:34:20,480
this one

931
00:34:24,950 --> 00:34:22,240
i was stationed in louisiana so there's

932
00:34:27,270 --> 00:34:24,960
always been some fun uh associated with

933
00:34:29,190 --> 00:34:27,280
fort polk uh it's just it's a crazy part

934
00:34:30,470 --> 00:34:29,200
of the of the swamp area that the lots

935
00:34:31,829 --> 00:34:30,480
of stuff have gone on there's been a lot

936
00:34:33,430 --> 00:34:31,839
of classified missions that have worked

937
00:34:35,349 --> 00:34:33,440
out of that part that's true actually

938
00:34:36,629 --> 00:34:35,359

with the reservations fort polk is the

939

00:34:40,149 --> 00:34:36,639

largest

940

00:34:42,230 --> 00:34:40,159

military facility in the country

941

00:34:44,310 --> 00:34:42,240

it's got two forks you got north fork

942

00:34:45,669 --> 00:34:44,320

and you got southport it's something

943

00:34:47,589 --> 00:34:45,679

like

944

00:34:49,430 --> 00:34:47,599

120 000

945

00:34:50,950 --> 00:34:49,440

square acres or something like that i

946

00:34:53,430 --> 00:34:50,960

forgot what it was but it was the

947

00:34:56,470 --> 00:34:53,440

largest facility uh and they even had a

948

00:34:58,390 --> 00:34:56,480

bombing range yeah that does miles you

949

00:35:01,030 --> 00:34:58,400

know yeah i think it's the largest

950

00:35:02,550 --> 00:35:01,040

of of land mass there's a couple areas

951
00:35:03,829 --> 00:35:02,560
that are a little bit larger like egglin

952
00:35:06,150 --> 00:35:03,839
and a few of the other complexes but

953
00:35:07,430 --> 00:35:06,160
they include offshore ranges so i think

954
00:35:09,589 --> 00:35:07,440
you may be correct on the landmass

955
00:35:12,230 --> 00:35:09,599
portion of it so you have

956
00:35:14,950 --> 00:35:12,240
you have intervention um

957
00:35:17,349 --> 00:35:14,960
with uh benevolent et's

958
00:35:19,270 --> 00:35:17,359
trying to thwart the plans

959
00:35:21,270 --> 00:35:19,280
right did you ever get any understanding

960
00:35:23,510 --> 00:35:21,280
how the contact was made or when the

961
00:35:24,950 --> 00:35:23,520
contact was made with the

962
00:35:25,910 --> 00:35:24,960
um

963
00:35:31,510 --> 00:35:25,920

with the

964

00:35:33,750 --> 00:35:31,520

do you have any uh understanding of that

965

00:35:35,750 --> 00:35:33,760

i i have no clue all i know is i didn't

966

00:35:37,910 --> 00:35:35,760

even know what star trek was at the time

967

00:35:39,670 --> 00:35:37,920

i saw a loss of space you know

968

00:35:42,870 --> 00:35:39,680

like in high school or something it was

969

00:35:45,670 --> 00:35:42,880

kind of fun to watch yeah um and

970

00:35:49,030 --> 00:35:45,680

in the in the sad thing about it is

971

00:35:51,510 --> 00:35:49,040

um i'm deeply connected to

972

00:35:54,790 --> 00:35:51,520

florida politics family name

973

00:35:56,550 --> 00:35:54,800

my great uncle my late great uncle was w

974

00:35:59,030 --> 00:35:56,560

turner davis

975

00:36:01,190 --> 00:35:59,040

um he was past president of the florida

976
00:36:02,790 --> 00:36:01,200
senate in 1955

977
00:36:05,990 --> 00:36:02,800
whose father

978
00:36:08,790 --> 00:36:06,000
charles e davis was president of the

979
00:36:11,109 --> 00:36:08,800
florida senate in 1915

980
00:36:13,829 --> 00:36:11,119
or maybe he was fourteen high five which

981
00:36:16,310 --> 00:36:13,839
and his brother was the chief justice

982
00:36:17,910 --> 00:36:16,320
for the supreme court of florida wow

983
00:36:20,230 --> 00:36:17,920
i bet you never got a speeding ticket

984
00:36:22,230 --> 00:36:20,240
did you did you have no i mean my father

985
00:36:24,870 --> 00:36:22,240
was world war ii navy frog man that was

986
00:36:26,470 --> 00:36:24,880
a secret program oh nice yeah yep

987
00:36:27,990 --> 00:36:26,480
if it hadn't been for the frog man we

988
00:36:31,850 --> 00:36:28,000

would have lost the water

989

00:36:34,870 --> 00:36:33,670

[Music]

990

00:36:40,470 --> 00:36:34,880

12 11

991

00:36:44,710 --> 00:36:42,390

do you speak at different um you know

992

00:36:47,589 --> 00:36:44,720

events do you go to events and give

993

00:36:49,190 --> 00:36:47,599

lectures and stuff spreading the word or

994

00:36:52,150 --> 00:36:49,200

i've been

995

00:36:55,109 --> 00:36:52,160

undiscovered until just this year

996

00:36:56,870 --> 00:36:55,119

last friday i was on radio show invited

997

00:36:57,829 --> 00:36:56,880

by uh

998

00:36:59,190 --> 00:36:57,839

sean

999

00:37:01,910 --> 00:36:59,200

david

1000

00:37:03,190 --> 00:37:01,920

morton who wrote the uh chance of time

1001
00:37:04,710 --> 00:37:03,200
trilogy

1002
00:37:06,870 --> 00:37:04,720
and he was he was

1003
00:37:07,589 --> 00:37:06,880
astounded that wow where have you been i

1004
00:37:08,950 --> 00:37:07,599
said

1005
00:37:10,230 --> 00:37:08,960
i've been underneath the radar been

1006
00:37:11,829 --> 00:37:10,240
hiding from the government they scared

1007
00:37:13,030 --> 00:37:11,839
the crap out of me they told me they

1008
00:37:14,630 --> 00:37:13,040
were going to kill me my whole fam

1009
00:37:16,790 --> 00:37:14,640
family you know

1010
00:37:18,710 --> 00:37:16,800
if uh if i ever told them what happened

1011
00:37:20,710 --> 00:37:18,720
before pull right

1012
00:37:23,510 --> 00:37:20,720
and since then i've had several attempts

1013
00:37:26,710 --> 00:37:23,520

in my life in fact they tried every day

1014

00:37:28,390 --> 00:37:26,720

it's uh it's electronic yep it's

1015

00:37:30,870 --> 00:37:28,400

biological and it's psychological

1016

00:37:32,310 --> 00:37:30,880

warfare yes yes how long has this been

1017

00:37:34,950 --> 00:37:32,320

going on how long

1018

00:37:36,230 --> 00:37:34,960

well my entire life really yeah

1019

00:37:38,150 --> 00:37:36,240

all right so do you think there's a

1020

00:37:40,069 --> 00:37:38,160

connection between that and the fact

1021

00:37:41,829 --> 00:37:40,079

that you were you know you have 12

1022

00:37:43,910 --> 00:37:41,839

missing hours were you we asked this

1023

00:37:45,750 --> 00:37:43,920

question all the time when people uh you

1024

00:37:46,550 --> 00:37:45,760

know have interaction with aliens are

1025

00:37:48,150 --> 00:37:46,560

they

1026

00:37:49,829 --> 00:37:48,160

just randomly selected or do you think

1027

00:37:51,670 --> 00:37:49,839

the aliens know who they're going after

1028

00:37:53,430 --> 00:37:51,680

if you know them i think they know who

1029

00:37:56,230 --> 00:37:53,440

they go after because the military knows

1030

00:37:57,589 --> 00:37:56,240

who they go after when i uh was

1031

00:38:01,589 --> 00:37:57,599

uh

1032

00:38:04,470 --> 00:38:01,599

select a service act letter

1033

00:38:06,470 --> 00:38:04,480

dropped out of college i was 18 uh 19

1034

00:38:07,670 --> 00:38:06,480

years old because i had gone to college

1035

00:38:09,829 --> 00:38:07,680

a little bit

1036

00:38:11,910 --> 00:38:09,839

and when i dropped out 30 days later i

1037

00:38:13,349 --> 00:38:11,920

get the letter my trap number was four i

1038

00:38:18,630 --> 00:38:13,359

was going

1039

00:38:20,069 --> 00:38:18,640

vietnam wasn't over yet so my

1040

00:38:21,750 --> 00:38:20,079

brother-in-law suggested well why don't

1041

00:38:24,069 --> 00:38:21,760

you go down to the recruiters and they

1042

00:38:24,950 --> 00:38:24,079

got new cash bonus programs coming in

1043

00:38:31,349 --> 00:38:24,960

and

1044

00:38:33,270 --> 00:38:31,359

of their tests at 95 on the fourth one

1045

00:38:36,150 --> 00:38:33,280

so they kind of raise the flag of the

1046

00:38:37,510 --> 00:38:36,160

pentagon right okay two kind of guys

1047

00:38:39,990 --> 00:38:37,520

that we need for

1048

00:38:43,030 --> 00:38:40,000

these special programs right at the time

1049

00:38:45,589 --> 00:38:43,040

i've just done 18 19 year old

1050

00:38:47,349 --> 00:38:45,599

you know i just i didn't want to

1051

00:38:49,670 --> 00:38:47,359

there was no job that's when the economy

1052

00:38:51,510 --> 00:38:49,680

collapsed right big old thing you know i

1053

00:38:54,150 --> 00:38:51,520

remember pumping gas at 19 cents a

1054

00:38:55,589 --> 00:38:54,160

gallon and it went up to 45. yeah right

1055

00:38:59,750 --> 00:38:55,599

i remember that too

1056

00:39:02,630 --> 00:38:59,760

yeah i mean i was uh she was 301 a month

1057

00:39:04,790 --> 00:39:02,640

whoa wow okay that's another i need to

1058

00:39:05,990 --> 00:39:04,800

yeah now ben

1059

00:39:07,430 --> 00:39:06,000

can you

1060

00:39:09,589 --> 00:39:07,440

have you still had contact with the

1061

00:39:11,270 --> 00:39:09,599

vanilla et's or did they kind of give

1062

00:39:13,430 --> 00:39:11,280

you your set of instructions and you've

1063

00:39:15,109 --> 00:39:13,440

been working from the original template

1064

00:39:17,990 --> 00:39:15,119

well they told me pretty much that i

1065

00:39:20,950 --> 00:39:18,000

would be 50 years in the making and i

1066

00:39:23,190 --> 00:39:20,960

would recognize signs

1067

00:39:25,349 --> 00:39:23,200

and they have all occurred in fact can

1068

00:39:26,630 --> 00:39:25,359

you discuss some of those well one of

1069

00:39:28,150 --> 00:39:26,640

them was i was supposed to meet a

1070

00:39:28,870 --> 00:39:28,160

mexican woman who's supposed to give me

1071

00:39:30,950 --> 00:39:28,880

a

1072

00:39:34,230 --> 00:39:30,960

why hold on

1073

00:39:35,990 --> 00:39:34,240

sorry a mexican me employed a woman and

1074

00:39:37,910 --> 00:39:36,000

and i was supposed to have been giving

1075

00:39:39,430 --> 00:39:37,920

birth a female child and i was the name

1076

00:39:40,630 --> 00:39:39,440

of crystal and all that came to pass

1077

00:39:44,550 --> 00:39:40,640

she's also

1078

00:39:47,030 --> 00:39:44,560

an e6 in the us air force wow okay and

1079

00:39:48,310 --> 00:39:47,040

i'm a grandpa twice so so i'm not saying

1080

00:39:49,990 --> 00:39:48,320

it's the end of the world i'm just

1081

00:39:52,390 --> 00:39:50,000

saying it's the end of humanity right

1082

00:39:54,310 --> 00:39:52,400

okay if we don't stop what the heck is

1083

00:39:56,470 --> 00:39:54,320

going on in fact what you see every day

1084

00:39:58,150 --> 00:39:56,480

on television is all roost well you got

1085

00:39:59,910 --> 00:39:58,160

that right baby

1086

00:40:01,430 --> 00:39:59,920

it's the best front you could ever get i

1087

00:40:03,910 --> 00:40:01,440

am with you there people find out the

1088

00:40:05,270 --> 00:40:03,920

truth um are you are you married now or

1089

00:40:07,190 --> 00:40:05,280

have you been married

1090

00:40:08,550 --> 00:40:07,200

yeah i'm married um

1091

00:40:12,790 --> 00:40:08,560

been married uh

1092

00:40:15,109 --> 00:40:12,800

since 2007 okay all right and uh five

1093

00:40:16,630 --> 00:40:15,119

years ago my wife was diagnosed with

1094

00:40:18,710 --> 00:40:16,640

breast cancer

1095

00:40:19,829 --> 00:40:18,720

and because she works as a dietitian is

1096

00:40:22,310 --> 00:40:19,839

in the health

1097

00:40:25,270 --> 00:40:22,320

okay kevin for the grand prize of one

1098

00:40:27,430 --> 00:40:25,280

million dollars what color is the white

1099

00:40:29,990 --> 00:40:27,440

house um

1100

00:40:30,870 --> 00:40:30,000

i know this i know this i know this

1101

00:40:32,790 --> 00:40:30,880

um

1102

00:40:34,390 --> 00:40:32,800

five seconds oh

1103

00:40:36,630 --> 00:40:34,400

switching to geico could save you a

1104

00:40:37,589 --> 00:40:36,640

bunch of money on car insurance

1105

00:40:39,270 --> 00:40:37,599

okay

1106

00:40:41,310 --> 00:40:39,280

judges

1107

00:40:44,870 --> 00:40:41,320

that's true kevin

1108

00:40:46,790 --> 00:40:44,880

congratulations you're a winner

1109

00:40:48,790 --> 00:40:46,800

geico because saving fifteen percent or

1110

00:40:50,630 --> 00:40:48,800

more on car insurance is always a great

1111

00:40:53,510 --> 00:40:50,640

answer care industry if you wanted them

1112

00:40:55,270 --> 00:40:53,520

off she didn't want a second opinion and

1113

00:40:56,870 --> 00:40:55,280

you know the health care

1114

00:40:58,790 --> 00:40:56,880

i mean it's still a major issue about

1115

00:41:01,030 --> 00:40:58,800

health care i mean they're they keep us

1116

00:41:02,230 --> 00:41:01,040

broke is she still with us is your wife

1117

00:41:04,550 --> 00:41:02,240

still with us

1118

00:41:06,150 --> 00:41:04,560

yeah okay i'll be glad to hear that so

1119

00:41:07,589 --> 00:41:06,160

what does she i just want to ask you

1120

00:41:08,550 --> 00:41:07,599

what does she think about this you know

1121

00:41:10,550 --> 00:41:08,560

what i mean i mean you must have

1122

00:41:12,069 --> 00:41:10,560

discussed it with her right the missing

1123

00:41:13,990 --> 00:41:12,079

time and so on and then you're writing i

1124

00:41:14,950 --> 00:41:14,000

think she's scared of death

1125

00:41:17,030 --> 00:41:14,960

because

1126
00:41:18,069 --> 00:41:17,040
she thinks i'm the blame for her breast

1127
00:41:19,270 --> 00:41:18,079
cancer

1128
00:41:21,510 --> 00:41:19,280
and here's here's the part the other

1129
00:41:22,870 --> 00:41:21,520
part is i wrote another book it's called

1130
00:41:25,349 --> 00:41:22,880
the pink mile

1131
00:41:28,230 --> 00:41:25,359
it's about big pharma and what they do

1132
00:41:30,870 --> 00:41:28,240
to everybody yes including every drug

1133
00:41:33,109 --> 00:41:30,880
that you see on ads on television every

1134
00:41:35,190 --> 00:41:33,119
single day they're there for this or

1135
00:41:37,670 --> 00:41:35,200
that the other you know anti-depressants

1136
00:41:39,829 --> 00:41:37,680
you know you got the oh the cialis and

1137
00:41:41,190 --> 00:41:39,839
the viagra's and then you got

1138
00:41:44,710 --> 00:41:41,200

the the

1139

00:41:46,150 --> 00:41:44,720

you know the stomachache stuff and yes

1140

00:41:48,150 --> 00:41:46,160

well here's here's what i determined

1141

00:41:49,750 --> 00:41:48,160

because i did the research after i got

1142

00:41:51,589 --> 00:41:49,760

my degree in creative writing for

1143

00:41:53,190 --> 00:41:51,599

entertainment yes all right

1144

00:41:55,510 --> 00:41:53,200

well um

1145

00:41:58,390 --> 00:41:55,520

the research part came down the common

1146

00:42:01,430 --> 00:41:58,400

denominator you have three common

1147

00:42:05,510 --> 00:42:01,440

drugs yes actually toxic chemicals you

1148

00:42:08,150 --> 00:42:05,520

got cyanide yep sodium cyanide and you

1149

00:42:09,829 --> 00:42:08,160

have rat poison and the rest of it yes

1150

00:42:11,829 --> 00:42:09,839

and every pill no matter what you get

1151

00:42:13,510 --> 00:42:11,839

from any doctor has

1152

00:42:16,069 --> 00:42:13,520

a little bit of that little touch of

1153

00:42:17,109 --> 00:42:16,079

each of those three things dma says that

1154

00:42:20,550 --> 00:42:17,119

to

1155

00:42:23,109 --> 00:42:20,560

something else

1156

00:42:26,230 --> 00:42:23,119

right and your brain's gonna go to that

1157

00:42:28,150 --> 00:42:26,240

instead of over here that's nonsense

1158

00:42:30,470 --> 00:42:28,160

i mean it's never ever ever been like

1159

00:42:32,470 --> 00:42:30,480

that before let's see the rockefellers

1160

00:42:34,470 --> 00:42:32,480

of the world uh you know took over

1161

00:42:36,630 --> 00:42:34,480

control of big farmers right that's why

1162

00:42:37,430 --> 00:42:36,640

they make pot illegal and make all these

1163

00:42:38,790 --> 00:42:37,440

other

1164

00:42:41,670 --> 00:42:38,800

uh you know

1165

00:42:43,430 --> 00:42:41,680

drugs illegal because supposedly

1166

00:42:46,230 --> 00:42:43,440

that's the part of the brain that you

1167

00:42:47,910 --> 00:42:46,240

want to have help with instead of the

1168

00:42:50,390 --> 00:42:47,920

way around wow are you in the right

1169

00:42:51,670 --> 00:42:50,400

place you know what i saw today i saw a

1170

00:42:54,230 --> 00:42:51,680

little bit of what he's what ben's

1171

00:42:56,630 --> 00:42:54,240

talking about it was a list of what

1172

00:42:59,829 --> 00:42:56,640

drugs cost okay at different drug stores

1173

00:43:02,150 --> 00:42:59,839

cvs is this walmart pharmacies this this

1174

00:43:04,069 --> 00:43:02,160

and i wasn't so much interested in the

1175

00:43:06,630 --> 00:43:04,079

drugs with the class except for one

1176

00:43:08,309 --> 00:43:06,640

everything most of the stuff is like

1177

00:43:10,550 --> 00:43:08,319

your high blood pressure it's going to

1178

00:43:12,710 --> 00:43:10,560

be 50 bucks okay it's going to be 40

1179

00:43:16,309 --> 00:43:12,720

here it's going to be the most expensive

1180

00:43:18,230 --> 00:43:16,319

of them all was viagra it's 300.

1181

00:43:19,750 --> 00:43:18,240

it's 300 for a six-pack and you got to

1182

00:43:21,750 --> 00:43:19,760

buy a six-pack so you gotta buy six pack

1183

00:43:24,550 --> 00:43:21,760

of beer and a six-pack of vayne yeah but

1184

00:43:33,510 --> 00:43:24,560

let me give you that 300 bucks viagra

1185

00:43:38,230 --> 00:43:36,309

medicines for a lot cheaper but but

1186

00:43:39,670 --> 00:43:38,240

then you go looking at the ingredients

1187

00:43:41,829 --> 00:43:39,680

now this is how you do the ingredients

1188

00:43:43,990 --> 00:43:41,839

you go to wikipedia and you look up the

1189

00:43:46,870 --> 00:43:44,000

drug right and then you have to open up

1190

00:43:48,550 --> 00:43:46,880

like maybe 50 different web browsers

1191

00:43:50,790 --> 00:43:48,560

that connect to each other and by the

1192

00:43:52,550 --> 00:43:50,800

time you come to the common denominator

1193

00:43:54,470 --> 00:43:52,560

you still have the arsenic cyanide and

1194

00:43:57,109 --> 00:43:54,480

sodium sauna wow so no matter what you

1195

00:43:59,109 --> 00:43:57,119

get generic or is how much you want to

1196

00:44:01,750 --> 00:43:59,119

pay so you're still there you're still

1197

00:44:03,349 --> 00:44:01,760

paying to poison yourself right that's

1198

00:44:04,309 --> 00:44:03,359

the whole the whole trick about it

1199

00:44:08,950 --> 00:44:04,319

that's

1200

00:44:09,990 --> 00:44:08,960

they still light up after years right

1201
00:44:11,349 --> 00:44:10,000
right

1202
00:44:12,630 --> 00:44:11,359
well you know

1203
00:44:14,390 --> 00:44:12,640
everything's a little screwed up these

1204
00:44:16,150 --> 00:44:14,400
days you know um

1205
00:44:17,829 --> 00:44:16,160
what do you do is this your full-time

1206
00:44:19,030 --> 00:44:17,839
job being an author and a researcher or

1207
00:44:23,670 --> 00:44:19,040
do you have a

1208
00:44:27,109 --> 00:44:23,680
it is now um i hit 62 and and i i pulled

1209
00:44:28,710 --> 00:44:27,119
out my retirement and i get 418 a month

1210
00:44:30,710 --> 00:44:28,720
the rest of my life what did you do what

1211
00:44:33,190 --> 00:44:30,720
was your profession before all this i

1212
00:44:34,870 --> 00:44:33,200
was a master paper hanger painter

1213
00:44:37,109 --> 00:44:34,880

vinyl wall covering installer a

1214

00:44:38,710 --> 00:44:37,119

renovated hotels like i said earlier

1215

00:44:40,150 --> 00:44:38,720

before the show

1216

00:44:43,829 --> 00:44:40,160

and i traveled all over the country in

1217

00:44:45,349 --> 00:44:43,839

fact i've been all over 48 it took me 35

1218

00:44:47,829 --> 00:44:45,359

years to do it right and i've done that

1219

00:44:50,550 --> 00:44:47,839

for 37 years it's good money i mean

1220

00:44:52,710 --> 00:44:50,560

i make 100 grand a year and and and the

1221

00:44:54,390 --> 00:44:52,720

the bottom line is when when the work

1222

00:44:55,109 --> 00:44:54,400

runs out it's like feast or famine you

1223

00:44:57,349 --> 00:44:55,119

know

1224

00:44:59,829 --> 00:44:57,359

you you gotta get it when you can right

1225

00:45:01,030 --> 00:44:59,839

it'll beat you to death and and uh i did

1226

00:45:03,190 --> 00:45:01,040

a hundred and

1227

00:45:05,750 --> 00:45:03,200

well let's see i did 145 days in a row

1228

00:45:07,710 --> 00:45:05,760

since the hurricane last year yep and

1229

00:45:10,630 --> 00:45:07,720

the year before that i did

1230

00:45:12,470 --> 00:45:10,640

271 days and that's nine months in a row

1231

00:45:14,309 --> 00:45:12,480

10 hours a day i don't know a

1232

00:45:16,790 --> 00:45:14,319

professional athlete that can do that

1233

00:45:19,270 --> 00:45:16,800

right hey you know um we were talking to

1234

00:45:20,710 --> 00:45:19,280

someone off here a few weeks ago uh that

1235

00:45:23,270 --> 00:45:20,720

you remember from

1236

00:45:25,030 --> 00:45:23,280

hop up in alaska that electromagnetic

1237

00:45:27,910 --> 00:45:25,040

thing they the the government would send

1238

00:45:35,109 --> 00:45:27,920

up yeah 55 000 volts of electricity was

1239

00:45:39,510 --> 00:45:37,109

and then someone said that as soon as

1240

00:45:41,750 --> 00:45:39,520

they turn that off okay they turned it

1241

00:45:44,069 --> 00:45:41,760

off a few years ago you started getting

1242

00:45:45,829 --> 00:45:44,079

these mega hurricanes down

1243

00:45:47,190 --> 00:45:45,839

you know everywhere you know all of a

1244

00:45:48,790 --> 00:45:47,200

sudden they said for some reason they

1245

00:45:50,550 --> 00:45:48,800

seemed to think that that was turned on

1246

00:45:52,069 --> 00:45:50,560

but there was turned off started closing

1247

00:45:53,270 --> 00:45:52,079

and supposedly

1248

00:45:54,950 --> 00:45:53,280

you know nick redfern was one of the

1249

00:45:56,309 --> 00:45:54,960

people who wrote about this they were

1250

00:45:58,470 --> 00:45:56,319

testing using

1251

00:46:10,710 --> 00:45:58,480

climate as a weapon yeah okay and if you

1252

00:46:15,349 --> 00:46:12,790

and the mainstream media will never even

1253

00:46:16,309 --> 00:46:15,359

try to mention this is

1254

00:46:18,710 --> 00:46:16,319

when it

1255

00:46:20,870 --> 00:46:18,720

turns south of miami

1256

00:46:22,069 --> 00:46:20,880

my father was helping his brother who

1257

00:46:25,990 --> 00:46:22,079

had a stroke or something he was in

1258

00:46:27,349 --> 00:46:26,000

north miami yes and the the neighborhood

1259

00:46:29,349 --> 00:46:27,359

that i recall

1260

00:46:31,589 --> 00:46:29,359

visiting as a you know kid and teenager

1261

00:46:33,349 --> 00:46:31,599

and all that was they had 30 feet round

1262

00:46:36,309 --> 00:46:33,359

trees everywhere

1263

00:46:38,390 --> 00:46:36,319

they were all gone right that was 135

1264

00:46:40,950 --> 00:46:38,400

mile an hour winds in north miami right

1265

00:46:42,390 --> 00:46:40,960

when it hit dade city florida

1266

00:46:43,990 --> 00:46:42,400

there was 412

1267

00:46:47,030 --> 00:46:44,000

000 people

1268

00:46:49,589 --> 00:46:47,040

um that lived in that area right at

1269

00:46:51,430 --> 00:46:49,599

every single apartment complex every

1270

00:46:52,390 --> 00:46:51,440

single mobile home

1271

00:46:53,910 --> 00:46:52,400

uh

1272

00:46:55,190 --> 00:46:53,920

you know modulated home whatever you

1273

00:46:56,710 --> 00:46:55,200

want to call them right

1274

00:46:58,309 --> 00:46:56,720

they were gone right this is the

1275

00:46:59,270 --> 00:46:58,319

hurricane andrew right we're talking

1276
00:47:00,710 --> 00:46:59,280
about it

1277
00:47:02,069 --> 00:47:00,720
and let me tell you something that never

1278
00:47:04,870 --> 00:47:02,079
hit the airway

1279
00:47:07,109 --> 00:47:04,880
they claimed 12 000 people died

1280
00:47:09,750 --> 00:47:07,119
the military was flown in

1281
00:47:11,030 --> 00:47:09,760
um for something like 10 to 12 days

1282
00:47:12,550 --> 00:47:11,040
before

1283
00:47:13,990 --> 00:47:12,560
they allowed anybody down there

1284
00:47:16,309 --> 00:47:14,000
including me i was going to go down and

1285
00:47:17,910 --> 00:47:16,319
help my dad out right they

1286
00:47:19,990 --> 00:47:17,920
there was it was a blackout twelve

1287
00:47:22,470 --> 00:47:20,000
thousand sounds a little bit body parts

1288
00:47:23,910 --> 00:47:22,480

and pieces for days but twelve thousand

1289

00:47:25,990 --> 00:47:23,920

people i don't think twelve thousand

1290

00:47:28,230 --> 00:47:26,000

people died there was a hundred for

1291

00:47:32,309 --> 00:47:28,240

four hundred twelve thousand people

1292

00:47:33,750 --> 00:47:32,319

uh on on statistics they disappeared wow

1293

00:47:35,030 --> 00:47:33,760

no i'm talking about you're looking at

1294

00:47:38,470 --> 00:47:35,040

almost half a million people they

1295

00:47:40,230 --> 00:47:38,480

disappear yeah wow they're fun thanks

1296

00:47:42,950 --> 00:47:40,240

uh did this another reason that's one of

1297

00:47:46,390 --> 00:47:42,960

them went from 150 mile an hour winds to

1298

00:47:48,550 --> 00:47:46,400

over 350 crates

1299

00:47:50,470 --> 00:47:48,560

and they never ever broadcast that

1300

00:47:52,550 --> 00:47:50,480

information right they never even warned

1301
00:47:54,790 --> 00:47:52,560
anybody about it right right because the

1302
00:47:57,349 --> 00:47:54,800
military it was a test area right in

1303
00:47:59,109 --> 00:47:57,359
fact they knocked out turkey point which

1304
00:48:00,309 --> 00:47:59,119
the point is gone right i remember that

1305
00:48:02,710 --> 00:48:00,319
what was the other brother there was an

1306
00:48:03,750 --> 00:48:02,720
air base down there that went out of um

1307
00:48:06,309 --> 00:48:03,760
what was called

1308
00:48:07,829 --> 00:48:06,319
homestead it was huge and they after

1309
00:48:09,589 --> 00:48:07,839
that hurricane that was it i mean they

1310
00:48:11,510 --> 00:48:09,599
still fly tankers or something down

1311
00:48:13,190 --> 00:48:11,520
there hey ben davis thank you for

1312
00:48:14,790 --> 00:48:13,200
joining us tell us tell people where

1313
00:48:17,270 --> 00:48:14,800

they can get your books

1314

00:48:20,069 --> 00:48:17,280

um i created a new bookstore it's called

1315

00:48:22,230 --> 00:48:20,079

benddavisjuniorbookstore.com

1316

00:48:23,750 --> 00:48:22,240

ben davis junior bookstore

1317

00:48:25,829 --> 00:48:23,760

if you want more information that you

1318

00:48:28,870 --> 00:48:25,839

never hear anywhere you can go to

1319

00:48:34,309 --> 00:48:31,270

target at individualforce.com you're not

1320

00:48:35,910 --> 00:48:34,319

in relation to jefferson davis are you i

1321

00:48:36,710 --> 00:48:35,920

don't think so you never know though you

1322

00:48:39,750 --> 00:48:36,720

know

1323

00:48:41,910 --> 00:48:39,760

yeah they took a a confederate uh

1324

00:48:44,470 --> 00:48:41,920

memorial down the day and they found a

1325

00:48:46,390 --> 00:48:44,480

time capsule in it today yeah in orlando

1326

00:48:48,710 --> 00:48:46,400

they found a what a time capsule

1327

00:48:50,790 --> 00:48:48,720

really what did say we won they haven't

1328

00:48:52,630 --> 00:48:50,800

opened it yet okay

1329

00:48:55,030 --> 00:48:52,640

hey thanks for joining us up there you

1330

00:48:56,710 --> 00:48:55,040

heard it from me

1331

00:48:59,109 --> 00:48:56,720

thanks a lot for joining us uh come back

1332

00:49:00,710 --> 00:48:59,119

real soon good luck with the book okay

1333

00:49:02,710 --> 00:49:00,720

just send me an email anytime you want

1334

00:49:04,549 --> 00:49:02,720

okay thanks thanks davis good night ben

1335

00:49:06,309 --> 00:49:04,559

don daytona beach baby one of the

1336

00:49:08,710 --> 00:49:06,319

coolest places in the world why don't we

1337

00:49:10,230 --> 00:49:08,720

take a commercial break now and uh we'll

1338

00:49:11,990 --> 00:49:10,240

be right back you're listening to matt

1339

00:49:13,990 --> 00:49:12,000

money's military exile show here on the

1340

00:49:15,829 --> 00:49:14,000

distance on the radio network

1341

00:49:18,390 --> 00:49:15,839

right back after this after the events

1342

00:49:21,349 --> 00:49:18,400

of 9 11 we thought america would never

1343

00:49:23,109 --> 00:49:21,359

be the same our homeland was attacked

1344

00:49:25,750 --> 00:49:23,119

our fellow americans killed by

1345

00:49:27,109 --> 00:49:25,760

terrorists it seemed like all hope was

1346

00:49:29,589 --> 00:49:27,119

lost

1347

00:49:32,230 --> 00:49:29,599

until a special group of patriots came

1348

00:49:35,030 --> 00:49:32,240

together and defied the pentagon and

1349

00:49:36,069 --> 00:49:35,040

vowed to take revenge but in their own

1350

00:49:37,750 --> 00:49:36,079

way

1351
00:49:39,589 --> 00:49:37,760
they took the battle to the terrorist

1352
00:49:42,470 --> 00:49:39,599
doorstep turning the tables on the

1353
00:49:44,470 --> 00:49:42,480
murderers fighting with no rules taking

1354
00:49:47,270 --> 00:49:44,480
no prisoners until they became

1355
00:49:50,069 --> 00:49:47,280
terrorists themselves this is the story

1356
00:49:51,510 --> 00:49:50,079
of the super hawks soldiers so secret

1357
00:49:52,790 --> 00:49:51,520
even the president didn't know they

1358
00:49:54,950 --> 00:49:52,800
existed

1359
00:49:57,109 --> 00:49:54,960
their mission was to kill bin laden but

1360
00:49:59,750 --> 00:49:57,119
they wound up saving the world

1361
00:50:01,990 --> 00:49:59,760
super hawks a new series for kindles and

1362
00:50:04,870 --> 00:50:02,000
nooks by mac maloney available on

1363
00:50:20,150 --> 00:50:04,880

amazon.com

1364

00:50:24,630 --> 00:50:22,069

i'm liam neeson you're listening to the

1365

00:50:26,870 --> 00:50:24,640

mac maloney military x-file show on

1366

00:50:28,950 --> 00:50:26,880

distant thunder radio network if you

1367

00:50:32,230 --> 00:50:28,960

don't listen to him i have a particular

1368

00:50:33,589 --> 00:50:32,240

set of skills and i will find you

1369

00:50:35,430 --> 00:50:33,599

welcome back everyone tackle on the

1370

00:50:37,670 --> 00:50:35,440

military exile show here on the disney

1371

00:50:38,950 --> 00:50:37,680

thunder radio network it's matt moaning

1372

00:50:41,190 --> 00:50:38,960

in the studio with us tonight very

1373

00:50:42,710 --> 00:50:41,200

famous one-on-one is here hello mark

1374

00:50:45,349 --> 00:50:42,720

also in the disclosed location the

1375

00:50:47,190 --> 00:50:45,359

studio behind us commander cobra's here

1376

00:50:48,549 --> 00:50:47,200

fluttering on the wing as always

1377

00:50:50,950 --> 00:50:48,559

you know we haven't is he walking on the

1378

00:50:52,790 --> 00:50:50,960

wing now we're fluttering i don't know

1379

00:50:54,790 --> 00:50:52,800

um we haven't saluted them yet so why

1380

00:51:00,230 --> 00:50:54,800

don't we get that over with okay that's

1381

00:51:03,910 --> 00:51:01,750

obviously one one's been practicing in

1382

00:51:06,230 --> 00:51:03,920

the mirror

1383

00:51:08,309 --> 00:51:06,240

all right

1384

00:51:10,150 --> 00:51:08,319

you know what when i'm near peace at

1385

00:51:12,150 --> 00:51:10,160

five o'clock they do the

1386

00:51:13,270 --> 00:51:12,160

explain the peace is it if peace air

1387

00:51:14,950 --> 00:51:13,280

force base

1388

00:51:16,549 --> 00:51:14,960

and i'm i'm across the highway at

1389

00:51:18,710 --> 00:51:16,559

walmart and with something and only the

1390

00:51:21,030 --> 00:51:18,720

cool kids apparently call it the p's

1391

00:51:22,390 --> 00:51:21,040

whatever the hell that means go ahead

1392

00:51:23,910 --> 00:51:22,400

and at five o'clock

1393

00:51:26,390 --> 00:51:23,920

they play

1394

00:51:27,750 --> 00:51:26,400

with the trumpets what's taps

1395

00:51:29,430 --> 00:51:27,760

yeah it's taps

1396

00:51:31,349 --> 00:51:29,440

five in the morning no five in the

1397

00:51:32,950 --> 00:51:31,359

afternoon okay yeah all right yep it's

1398

00:51:34,870 --> 00:51:32,960

taps and then the national anthem yes

1399

00:51:37,030 --> 00:51:34,880

okay now what you're supposed to do is

1400

00:51:39,190 --> 00:51:37,040

you're supposed to stand at attention

1401
00:51:41,030 --> 00:51:39,200
and salute in place no matter where you

1402
00:51:42,549 --> 00:51:41,040
are you can be walking

1403
00:51:45,190 --> 00:51:42,559
and stop and

1404
00:51:46,950 --> 00:51:45,200
do it yes i mean this so the luffy

1405
00:51:49,670 --> 00:51:46,960
invisible flag that might be are you

1406
00:51:51,589 --> 00:51:49,680
saying you do this in

1407
00:51:53,430 --> 00:51:51,599
the walmart of the giant voice which

1408
00:51:55,829 --> 00:51:53,440
back brought up a couple weeks ago it

1409
00:51:57,430 --> 00:51:55,839
seems to echo everywhere big voice or

1410
00:51:59,430 --> 00:51:57,440
you if you know where the flag is you

1411
00:52:01,910 --> 00:51:59,440
face the flag and you see the flag your

1412
00:52:04,710 --> 00:52:01,920
face like right so you're in

1413
00:52:08,069 --> 00:52:06,309

no i'm the only one that does it oh boy

1414

00:52:10,069 --> 00:52:08,079

you know security

1415

00:52:11,349 --> 00:52:10,079

i'm the only one that does it maybe

1416

00:52:12,549 --> 00:52:11,359

maybe you're just hearing the taps in

1417

00:52:14,309 --> 00:52:12,559

your head too

1418

00:52:19,750 --> 00:52:14,319

no maybe it's just you

1419

00:52:24,630 --> 00:52:22,390

this is a different tune okay

1420

00:52:26,630 --> 00:52:24,640

in the morning everything happens

1421

00:52:28,230 --> 00:52:26,640

and then taps at night okay that's what

1422

00:52:30,549 --> 00:52:28,240

it is at five o'clock it's retreat

1423

00:52:32,470 --> 00:52:30,559

retreat yes right something i feel like

1424

00:52:34,309 --> 00:52:32,480

doing right now anyway okay it's just

1425

00:52:36,309 --> 00:52:34,319

wicked cool because you hear it echoing

1426

00:52:37,270 --> 00:52:36,319

around and it's you hear it echoing

1427

00:52:39,349 --> 00:52:37,280

around

1428

00:52:41,030 --> 00:52:39,359

you maybe it's just me

1429

00:52:43,030 --> 00:52:41,040

hey look my watch it's five o'clock on

1430

00:52:45,030 --> 00:52:43,040

the nose there you go did you

1431

00:52:47,670 --> 00:52:45,040

did you miss 12 hours somewhere along

1432

00:52:48,630 --> 00:52:47,680

the line now this is a real check it out

1433

00:52:50,470 --> 00:52:48,640

sometimes

1434

00:52:51,990 --> 00:52:50,480

go go there in that area at five o'clock

1435

00:52:53,750 --> 00:52:52,000

i could just see that scenario and

1436

00:52:55,030 --> 00:52:53,760

waking up after 12 hours you know and

1437

00:52:58,390 --> 00:52:55,040

the black guy goes what am i doing all

1438

00:53:00,390 --> 00:52:58,400

these white guys what happened

1439

00:53:02,309 --> 00:53:00,400

we'll put some laughter in there right

1440

00:53:04,470 --> 00:53:02,319

back out

1441

00:53:07,109 --> 00:53:04,480

down there in dallas the murder capital

1442

00:53:08,470 --> 00:53:07,119

of the planet graveyard love

1443

00:53:10,870 --> 00:53:08,480

residents

1444

00:53:12,790 --> 00:53:10,880

yes hello how are you

1445

00:53:14,710 --> 00:53:12,800

yes someone chose to burp over my line

1446

00:53:17,030 --> 00:53:14,720

big heat wave down there right

1447

00:53:19,990 --> 00:53:17,040

oh yeah yeah huge pretty bad like what

1448

00:53:22,710 --> 00:53:20,000

yeah 120 or something no way really is

1449

00:53:24,230 --> 00:53:22,720

it really i thought well in texas no in

1450

00:53:25,510 --> 00:53:24,240

arizona

1451

00:53:28,630 --> 00:53:25,520

120

1452

00:53:30,470 --> 00:53:28,640

all right it's a dry heat i mean there

1453

00:53:32,630 --> 00:53:30,480

was a heat index in iraq that was like

1454

00:53:34,470 --> 00:53:32,640

160. i don't i didn't think that was

1455

00:53:36,870 --> 00:53:34,480

real hey cobra what how hot did it get

1456

00:53:39,670 --> 00:53:36,880

over there how hot was that i i saw it

1457

00:53:40,829 --> 00:53:39,680

hit 119 one day when i was there that's

1458

00:53:43,510 --> 00:53:40,839

just

1459

00:53:44,950 --> 00:53:43,520

yikes but it would feel hotter than that

1460

00:53:48,549 --> 00:53:44,960

yes but it's a dry heat so it's like

1461

00:53:51,990 --> 00:53:48,559

being in an oven yeah it's fantastic

1462

00:53:54,390 --> 00:53:52,000

what really caught me was at 12 000 feet

1463

00:53:55,910 --> 00:53:54,400

one night over baghdad the outside air

1464

00:53:59,990 --> 00:53:55,920

temperature at two o'clock in the

1465

00:54:02,309 --> 00:54:00,000

morning was 91 degrees man at night

1466

00:54:04,230 --> 00:54:02,319

at night the heat was radiating up that

1467

00:54:05,270 --> 00:54:04,240

high that was a block of water it made

1468

00:54:07,990 --> 00:54:05,280

you open your window right in the

1469

00:54:11,109 --> 00:54:09,349

but they also have kind of a winter over

1470

00:54:11,910 --> 00:54:11,119

there too it isn't hot all the time or

1471

00:54:13,990 --> 00:54:11,920

is it

1472

00:54:16,549 --> 00:54:14,000

well the northern part of iraq if you

1473

00:54:18,230 --> 00:54:16,559

think of iraq much like california yeah

1474

00:54:20,309 --> 00:54:18,240

the northern part we actually had snow a

1475

00:54:22,549 --> 00:54:20,319

couple of times i iced an airplane up in

1476

00:54:24,390 --> 00:54:22,559

a rack so bad that i almost wasn't able

1477

00:54:26,549 --> 00:54:24,400

to climb out of a out of a snowstorm on

1478

00:54:28,230 --> 00:54:26,559

the iraqi iranian border wow that would

1479

00:54:30,390 --> 00:54:28,240

have been a good place to crash land you

1480

00:54:31,670 --> 00:54:30,400

know yeah really hospital

1481

00:54:33,190 --> 00:54:31,680

was really good about it that's what the

1482

00:54:34,710 --> 00:54:33,200

kurds were so i would have been taking

1483

00:54:35,990 --> 00:54:34,720

care of them

1484

00:54:38,470 --> 00:54:36,000

yeah and

1485

00:54:40,150 --> 00:54:38,480

eaten very well too yes yeah they say

1486

00:54:41,990 --> 00:54:40,160

that it's excellent eating eating

1487

00:54:43,990 --> 00:54:42,000

they're waiting okay you say eating yeah

1488

00:54:45,990 --> 00:54:44,000

eating kurdish food is very good no like

1489

00:54:47,589 --> 00:54:46,000

what is pretty good curds and wax

1490

00:54:49,510 --> 00:54:47,599

yes

1491

00:54:50,390 --> 00:54:49,520

they have hamburgers spaghetti that's

1492

00:54:52,470 --> 00:54:50,400

that's

1493

00:54:54,950 --> 00:54:52,480

just to get that status but cleared up

1494

00:54:57,349 --> 00:54:54,960

1-1 that current is spelled with a c the

1495

00:54:58,710 --> 00:54:57,359

one we're talking about is the big k

1496

00:55:00,549 --> 00:54:58,720

don't start getting

1497

00:55:02,390 --> 00:55:00,559

away that urgent weight does not come

1498

00:55:04,549 --> 00:55:02,400

from don't judge him

1499

00:55:05,270 --> 00:55:04,559

don't get all wikipedia on me oh yeah

1500

00:55:07,109 --> 00:55:05,280

right

1501
00:55:09,190 --> 00:55:07,119
that's how you find the you know the

1502
00:55:10,950 --> 00:55:09,200
meaning of everything

1503
00:55:12,790 --> 00:55:10,960
if you keep it up

1504
00:55:14,069 --> 00:55:12,800
so we'll have a big serving of that in

1505
00:55:16,150 --> 00:55:14,079
some airpods

1506
00:55:19,270 --> 00:55:16,160
that was air not here i was recalling a

1507
00:55:21,430 --> 00:55:19,280
road sign i saw it curds this way really

1508
00:55:22,870 --> 00:55:21,440
waves is the other way you know okay i

1509
00:55:24,950 --> 00:55:22,880
believe that i guess there's a road sign

1510
00:55:26,630 --> 00:55:24,960
i want to get from my room

1511
00:55:28,150 --> 00:55:26,640
not in the uk it says

1512
00:55:29,349 --> 00:55:28,160
way out you know

1513
00:55:31,349 --> 00:55:29,359

oh yeah the way out yeah yeah that'd be

1514

00:55:32,710 --> 00:55:31,359

a british way out i love it there's a

1515

00:55:34,309 --> 00:55:32,720

great george have some pictures in front

1516

00:55:35,829 --> 00:55:34,319

of us like his

1517

00:55:38,309 --> 00:55:35,839

street where he lives and yes in the

1518

00:55:40,390 --> 00:55:38,319

back with this enormous brick wall his

1519

00:55:42,950 --> 00:55:40,400

big size is way out way out yeah man he

1520

00:55:44,630 --> 00:55:42,960

was like i love that picture

1521

00:55:46,069 --> 00:55:44,640

anyway anyway how do we go in that kick

1522

00:55:48,870 --> 00:55:46,079

yeah i hear there's a heat wave down

1523

00:55:51,030 --> 00:55:48,880

there is that true yes yes okay yeah i

1524

00:55:52,789 --> 00:55:51,040

i've gone to ground i'm inside oh really

1525

00:55:55,829 --> 00:55:52,799

you have vhc

1526

00:55:56,870 --> 00:55:55,839

oh yeah ac right okay oh yeah all right

1527

00:55:58,630 --> 00:55:56,880

so um

1528

00:56:00,150 --> 00:55:58,640

we were talking off air as they say in

1529

00:56:02,309 --> 00:56:00,160

the biz the other day yesterday about

1530

00:56:04,150 --> 00:56:02,319

this private air force i kind of knew

1531

00:56:06,549 --> 00:56:04,160

about it but i wasn't aware how big it

1532

00:56:08,150 --> 00:56:06,559

was how you know extensive it was

1533

00:56:10,230 --> 00:56:08,160

but um maybe a lot of people out there

1534

00:56:11,910 --> 00:56:10,240

don't realize that there is a

1535

00:56:13,670 --> 00:56:11,920

this thing is called it's a private

1536

00:56:15,670 --> 00:56:13,680

airport air force

1537

00:56:18,230 --> 00:56:15,680

where they have hundreds of planes

1538

00:56:19,510 --> 00:56:18,240

dozens of up into the hundreds of planes

1539

00:56:21,109 --> 00:56:19,520

and they're a private company they're

1540

00:56:22,390 --> 00:56:21,119

called the draken company is that how

1541

00:56:24,470 --> 00:56:22,400

you pronounce that

1542

00:56:25,910 --> 00:56:24,480

drake it international yeah okay it's

1543

00:56:27,829 --> 00:56:25,920

it's a thumbnail are these contractors

1544

00:56:29,589 --> 00:56:27,839

or something yes yeah yeah but it's an

1545

00:56:30,950 --> 00:56:29,599

enormous thing give us the thumbnail

1546

00:56:32,950 --> 00:56:30,960

there ron

1547

00:56:35,030 --> 00:56:32,960

yeah so um yeah they're a new company

1548

00:56:39,190 --> 00:56:35,040

they've been around since i believe 2011

1549

00:56:41,510 --> 00:56:39,200

or 2012 and it uh evolved out of a

1550

00:56:44,870 --> 00:56:41,520

aerial acrobatics uh

1551

00:56:47,750 --> 00:56:44,880

company nice and it's it's former um you

1552

00:56:49,510 --> 00:56:47,760

know former air force uh you know pilots

1553

00:56:50,710 --> 00:56:49,520

uh you know highly experienced some

1554

00:56:54,710 --> 00:56:50,720

people have been through the weapons

1555

00:56:56,230 --> 00:56:54,720

school top gun and uh expanded by buying

1556

00:56:58,390 --> 00:56:56,240

dozens of

1557

00:57:00,950 --> 00:56:58,400

um retiring

1558

00:57:02,390 --> 00:57:00,960

uh eric military aircraft from other

1559

00:57:04,150 --> 00:57:02,400

countries uh

1560

00:57:06,309 --> 00:57:04,160

and building up a private air force to

1561

00:57:07,910 --> 00:57:06,319

be used okay so i should note i mean

1562

00:57:09,510 --> 00:57:07,920

it's a private air force but this is

1563

00:57:12,470 --> 00:57:09,520

they're not mercenaries in the sense

1564

00:57:15,190 --> 00:57:12,480

that you know they're flying

1565

00:57:16,549 --> 00:57:15,200

you know uh into war zones for hire now

1566

00:57:18,230 --> 00:57:16,559

there are companies that do that

1567

00:57:20,870 --> 00:57:18,240

draken's not one of those right uh what

1568

00:57:23,510 --> 00:57:20,880

they do is is uh principally aggressor

1569

00:57:25,589 --> 00:57:23,520

training for the air force like top gun

1570

00:57:26,630 --> 00:57:25,599

specifically my top

1571

00:57:30,549 --> 00:57:26,640

yeah

1572

00:57:34,630 --> 00:57:30,559

and um so you need a uh beyond uh visual

1573

00:57:37,190 --> 00:57:34,640

range uh target uh to simulate um you

1574

00:57:38,630 --> 00:57:37,200

know an attack uh simulated missile uh

1575

00:57:41,589 --> 00:57:38,640

they will fly

1576

00:57:43,349 --> 00:57:41,599

um you know at this hand-me-down uh

1577

00:57:45,990 --> 00:57:43,359

czech and

1578

00:57:46,950 --> 00:57:46,000

uh polish and new you know new zealand

1579

00:57:54,870 --> 00:57:46,960

uh

1580

00:57:57,589 --> 00:57:54,880

i i i'm trying to get an exact number

1581

00:57:59,750 --> 00:57:57,599

and i believe it's over 80 and um

1582

00:58:00,950 --> 00:57:59,760

aircraft and they

1583

00:58:02,549 --> 00:58:00,960

they get a lot of attention because they

1584

00:58:03,750 --> 00:58:02,559

look really cool they they paint them

1585

00:58:05,109 --> 00:58:03,760

like yeah they paint them that's the

1586

00:58:06,230 --> 00:58:05,119

cool thing they're all painted the same

1587

00:58:07,670 --> 00:58:06,240

way and everything you know they're

1588

00:58:09,430 --> 00:58:07,680

really you can tell they're getting into

1589

00:58:11,430 --> 00:58:09,440

it um we should just paint it like what

1590

00:58:13,030 --> 00:58:11,440

like a circus no no no no just kind of

1591

00:58:14,470 --> 00:58:13,040

like a cool you know kind of green

1592

00:58:16,549 --> 00:58:14,480

camouflage thing but they all have the

1593

00:58:18,710 --> 00:58:16,559

same they tend to they kind of follow

1594

00:58:20,789 --> 00:58:18,720

russian camouflage patterns as much as

1595

00:58:24,470 --> 00:58:20,799

possible

1596

00:58:27,270 --> 00:58:24,480

when you would look out you'd see the

1597

00:58:30,230 --> 00:58:27,280

same kind of visual uh appearance that

1598

00:58:31,510 --> 00:58:30,240

the uh the stupid primary adversaries

1599

00:58:33,829 --> 00:58:31,520

would

1600

00:58:36,710 --> 00:58:33,839

listen yeah but but what i was gonna say

1601
00:58:38,230 --> 00:58:36,720
is that um just so people don't know if

1602
00:58:39,990 --> 00:58:38,240
you hadn't seen popcorn it's coming out

1603
00:58:41,510 --> 00:58:40,000
again they're making a new top gun and

1604
00:58:43,430 --> 00:58:41,520
tom cruise is in it yeah believe it or

1605
00:58:44,710 --> 00:58:43,440
not but basically what it is is top gun

1606
00:58:46,950 --> 00:58:44,720
and then there's an air force version of

1607
00:58:49,430 --> 00:58:46,960
it is our pilots go out and they train

1608
00:58:51,510 --> 00:58:49,440
against uh aggressive squadrons people

1609
00:58:53,030 --> 00:58:51,520
who fly like russians or chinese they

1610
00:58:55,030 --> 00:58:53,040
fly airplanes that is that they're kind

1611
00:58:56,710 --> 00:58:55,040
of you know made to fly like those kind

1612
00:58:58,390 --> 00:58:56,720
of and they practice against them you're

1613
00:58:59,990 --> 00:58:58,400

they're the red team you're the you know

1614

00:59:00,950 --> 00:59:00,000

the blue team usually and that's what

1615

00:59:02,549 --> 00:59:00,960

we're talking about they do it on the

1616

00:59:04,549 --> 00:59:02,559

ground they do it you know they do it

1617

00:59:07,510 --> 00:59:04,559

with troops and so on but these guys

1618

00:59:10,150 --> 00:59:07,520

what they do is they provide the bad

1619

00:59:12,630 --> 00:59:10,160

guys you know they like like the um the

1620

00:59:14,230 --> 00:59:12,640

team the glo holland globetrotters

1621

00:59:15,750 --> 00:59:14,240

the american generals you know like the

1622

00:59:17,109 --> 00:59:15,760

washington generals right the washington

1623

00:59:18,710 --> 00:59:17,119

generals that said you know they're not

1624

00:59:20,950 --> 00:59:18,720

meant to win but right but now they're

1625

00:59:21,990 --> 00:59:20,960

down in florida someplace rob right yeah

1626

00:59:25,430 --> 00:59:22,000

they're based in they're based near

1627

00:59:28,710 --> 00:59:25,440

tampa um at a regional airport um in

1628

00:59:29,829 --> 00:59:28,720

lakeland i believe is the town uh the

1629

00:59:31,589 --> 00:59:29,839

um

1630

00:59:32,870 --> 00:59:31,599

i i should note there's let's talk about

1631

00:59:34,950 --> 00:59:32,880

some of the airplanes they have which is

1632

00:59:36,789 --> 00:59:34,960

interesting but um you know this is also

1633

00:59:39,030 --> 00:59:36,799

coming out because the the air force has

1634

00:59:41,670 --> 00:59:39,040

been uh cutting its aggressor squadrons

1635

00:59:44,069 --> 00:59:41,680

right i believe they still have two i if

1636

00:59:46,470 --> 00:59:44,079

i'm if i'm right about that left

1637

00:59:47,829 --> 00:59:46,480

which is a decline and um

1638

00:59:49,750 --> 00:59:47,839

uh

1639

00:59:52,150 --> 00:59:49,760

you know i i you know the air force has

1640

00:59:54,069 --> 00:59:52,160

been getting more expensive to operate

1641

00:59:55,030 --> 00:59:54,079

and now that you're also seeing f-35

1642

00:59:56,470 --> 00:59:55,040

starting to

1643

00:59:58,390 --> 00:59:56,480

to roll off from you know these are

1644

01:00:00,309 --> 00:59:58,400

expensive these have you know defl or

1645

01:00:03,829 --> 01:00:00,319

f-22s right which have been around for

1646

01:00:06,069 --> 01:00:03,839

years now are expensive to fly and um

1647

01:00:07,910 --> 01:00:06,079

you don't need a

1648

01:00:09,910 --> 01:00:07,920

you know a really expensive stealth

1649

01:00:11,829 --> 01:00:09,920

fighter if you're going to be to be you

1650

01:00:13,510 --> 01:00:11,839

know practicing basic intercept

1651
01:00:15,109 --> 01:00:13,520
maneuvers and

1652
01:00:15,829 --> 01:00:15,119
or if you just need a target to aim at

1653
01:00:18,230 --> 01:00:15,839
and

1654
01:00:20,230 --> 01:00:18,240
um so draken has

1655
01:00:22,549 --> 01:00:20,240
has come in and said okay we can provide

1656
01:00:24,630 --> 01:00:22,559
this and we can do it for you know more

1657
01:00:25,430 --> 01:00:24,640
right better price um

1658
01:00:30,309 --> 01:00:25,440
and

1659
01:00:34,150 --> 01:00:30,319
this is important uh

1660
01:00:37,190 --> 01:00:34,160
there are um a4 they bought most of

1661
01:00:38,789 --> 01:00:37,200
most of the a4 skyhawks uh

1662
01:00:40,069 --> 01:00:38,799
that new zealand had pretty much their

1663
01:00:41,430 --> 01:00:40,079

whole air force

1664

01:00:43,829 --> 01:00:41,440

again this is an air force is larger

1665

01:00:45,190 --> 01:00:43,839

than a lot of your actual airflow in the

1666

01:00:46,789 --> 01:00:45,200

world that's the one airplane i want to

1667

01:00:48,789 --> 01:00:46,799

talk about because people

1668

01:00:51,190 --> 01:00:48,799

you know who again might not know an a4

1669

01:00:53,349 --> 01:00:51,200

skyhawk okay keep your eyes closed okay

1670

01:00:55,670 --> 01:00:53,359

i want to show you my first ever

1671

01:01:00,230 --> 01:00:55,680

painting all right okay

1672

01:01:02,710 --> 01:01:00,240

open your eyes oh that's a lot of colors

1673

01:01:05,589 --> 01:01:02,720

and shades so be honest what do you

1674

01:01:07,030 --> 01:01:05,599

think well uh i like how

1675

01:01:08,789 --> 01:01:07,040

if you switch to geico you could save

1676

01:01:11,829 --> 01:01:08,799

hundreds of dollars on car insurance oh

1677

01:01:14,069 --> 01:01:11,839

yeah that's that's true yeah here why

1678

01:01:16,789 --> 01:01:14,079

don't i hold your paintbrush while you

1679

01:01:18,870 --> 01:01:16,799

call them geico because saving 15 or

1680

01:01:21,030 --> 01:01:18,880

more on car insurance is always a great

1681

01:01:23,190 --> 01:01:21,040

answer something was used in vietnam war

1682

01:01:25,510 --> 01:01:23,200

okay but it's one of the best planes

1683

01:01:27,190 --> 01:01:25,520

ever built carbon do you agree with me

1684

01:01:29,270 --> 01:01:27,200

absolutely it's like one of these top

1685

01:01:31,109 --> 01:01:29,280

three yeah easily you know it's it's a

1686

01:01:33,030 --> 01:01:31,119

jet it's a small jet but it's like this

1687

01:01:34,470 --> 01:01:33,040

um it's more of an attack craft or

1688

01:01:35,829 --> 01:01:34,480

whatever you know that's right it was

1689

01:01:38,309 --> 01:01:35,839

actually designed

1690

01:01:39,750 --> 01:01:38,319

to carry a small tactical nuclear device

1691

01:01:41,670 --> 01:01:39,760

off the aircraft carrier at the height

1692

01:01:43,829 --> 01:01:41,680

of the cold war right okay yeah that was

1693

01:01:45,750 --> 01:01:43,839

his primary mission small but but the

1694

01:01:47,510 --> 01:01:45,760

the guy who it's a whole you know other

1695

01:01:49,030 --> 01:01:47,520

thing but the guy who invented it wasn't

1696

01:01:51,670 --> 01:01:49,040

his name heineman or something that's

1697

01:01:53,430 --> 01:01:51,680

right hot rod is the nickname of or the

1698

01:01:55,030 --> 01:01:53,440

scooter and they loved it they loved

1699

01:01:56,789 --> 01:01:55,040

this airplane you know john mccain used

1700

01:01:57,990 --> 01:01:56,799

to fly one of them they loved it and and

1701

01:01:59,990 --> 01:01:58,000

you know they're getting old now the

1702

01:02:01,910 --> 01:02:00,000

fact is this draken has bought up the

1703

01:02:03,910 --> 01:02:01,920

whole global supply just about the

1704

01:02:05,750 --> 01:02:03,920

biggest craze yeah

1705

01:02:08,150 --> 01:02:05,760

yeah not a lot of users left of them i

1706

01:02:09,349 --> 01:02:08,160

think um argentina still has some but

1707

01:02:10,950 --> 01:02:09,359

they're none of them are airborne

1708

01:02:12,549 --> 01:02:10,960

anymore they've all uh they have been

1709

01:02:13,829 --> 01:02:12,559

able to maintain them so i believe

1710

01:02:15,270 --> 01:02:13,839

there's none

1711

01:02:17,349 --> 01:02:15,280

made a modification to make a twin

1712

01:02:18,789 --> 01:02:17,359

engine out of theirs and that's probably

1713

01:02:21,030 --> 01:02:18,799

the last one that's still flying wow

1714

01:02:22,630 --> 01:02:21,040

that's wild and dragons yeah and then um

1715

01:02:25,190 --> 01:02:22,640

also what's great about the draken ones

1716

01:02:26,630 --> 01:02:25,200

is that the um the kiwis in new zealand

1717

01:02:29,430 --> 01:02:26,640

they upgraded

1718

01:02:33,349 --> 01:02:29,440

their a4 skyhawks with basically the

1719

01:02:34,390 --> 01:02:33,359

equivalent of an f-16s avionics suite so

1720

01:02:35,829 --> 01:02:34,400

the radar

1721

01:02:38,710 --> 01:02:35,839

is is a little smaller than what you get

1722

01:02:41,190 --> 01:02:38,720

on an on an f16 an upgraded one but

1723

01:02:43,270 --> 01:02:41,200

uh you know you get a similar

1724

01:02:44,630 --> 01:02:43,280

electronic profile right which is good

1725

01:02:46,230 --> 01:02:44,640

and then um

1726

01:02:48,710 --> 01:02:46,240

some of the other aircraft uh they've

1727

01:02:50,230 --> 01:02:48,720

got about 30 mig-21s yes

1728

01:02:52,150 --> 01:02:50,240

the company bought from poland which

1729

01:02:54,309 --> 01:02:52,160

would be cool to have 30 and make 21

1730

01:02:56,230 --> 01:02:54,319

cents and i believe if i remember

1731

01:02:59,270 --> 01:02:56,240

correctly on this they can actually air

1732

01:03:01,270 --> 01:02:59,280

refuel those as well oh nice wow really

1733

01:03:03,589 --> 01:03:01,280

yeah do the russians refuel when they

1734

01:03:05,670 --> 01:03:03,599

air they do right yes they do yes okay

1735

01:03:07,589 --> 01:03:05,680

all right mick 21 is not used a lot in

1736

01:03:09,910 --> 01:03:07,599

vietnam by the nothing means go ahead

1737

01:03:11,430 --> 01:03:09,920

yeah the big pencil shaped yeah you know

1738

01:03:12,950 --> 01:03:11,440

very uh

1739

01:03:14,549 --> 01:03:12,960

you know they're obviously one of the

1740

01:03:15,910 --> 01:03:14,559

most one of my favorite looking

1741

01:03:18,470 --> 01:03:15,920

airplanes yeah they look looking they

1742

01:03:20,710 --> 01:03:18,480

look mean they look mean from the get-go

1743

01:03:24,789 --> 01:03:21,990

i was just going to say that that

1744

01:03:27,910 --> 01:03:24,799

particular airplane it's a greater than

1745

01:03:29,349 --> 01:03:27,920

mach 1 mach 1.5 depending on how it's

1746

01:03:31,430 --> 01:03:29,359

configured up

1747

01:03:33,829 --> 01:03:31,440

that airplane could be made very easily

1748

01:03:35,589 --> 01:03:33,839

though it's amazing aircraft because the

1749

01:03:38,309 --> 01:03:35,599

ones i had seen up close

1750

01:03:40,549 --> 01:03:38,319

they used simple things like flat screws

1751

01:03:43,349 --> 01:03:40,559

and very simple straightforward hard

1752

01:03:45,430 --> 01:03:43,359

technology to make very fast very

1753

01:03:47,670 --> 01:03:45,440

maneuverable fighter yeah

1754

01:03:48,870 --> 01:03:47,680

well that's their way for sure

1755

01:03:51,029 --> 01:03:48,880

yeah um

1756

01:03:53,510 --> 01:03:51,039

also cobra i was wondering um

1757

01:03:55,829 --> 01:03:53,520

so they have some uh czech trainers they

1758

01:03:58,309 --> 01:03:55,839

have alpha albatross

1759

01:04:00,950 --> 01:03:58,319

yeah they got the 159 is as which is the

1760

01:04:03,270 --> 01:04:00,960

upgraded version uh i think it's the uh

1761

01:04:05,510 --> 01:04:03,280

voto choi of chodi

1762

01:04:07,430 --> 01:04:05,520

it's the 139 upgrade is the 159 so

1763

01:04:09,270 --> 01:04:07,440

that's pretty uh pretty hot aircraft

1764

01:04:10,549 --> 01:04:09,280

that's i think called alca if i remember

1765

01:04:12,549 --> 01:04:10,559

correctly

1766

01:04:15,029 --> 01:04:12,559

right that's the most

1767

01:04:17,430 --> 01:04:15,039

most the most modern built right um

1768

01:04:18,710 --> 01:04:17,440

aircraft and then there's um they're

1769

01:04:20,549 --> 01:04:18,720

also pretty nice too yeah the air

1770

01:04:22,710 --> 01:04:20,559

machine is a beautiful airplane yeah

1771

01:04:24,390 --> 01:04:22,720

i've seen those at air shows doing doing

1772

01:04:26,710 --> 01:04:24,400

routines they really are kind of a

1773

01:04:29,430 --> 01:04:26,720

graceful airplane they have a very

1774

01:04:31,829 --> 01:04:29,440

stable straight wing on them or it's not

1775

01:04:33,589 --> 01:04:31,839

as heavily swept so it gives a lot of

1776

01:04:36,710 --> 01:04:33,599

maneuverability

1777

01:04:38,470 --> 01:04:36,720

and the thing that that that draken and

1778

01:04:40,150 --> 01:04:38,480

a number of these firms you know some of

1779

01:04:41,750 --> 01:04:40,160

which i've actually been under the

1780

01:04:44,549 --> 01:04:41,760

employee are

1781

01:04:47,109 --> 01:04:44,559

they have tapped into a large number of

1782

01:04:48,630 --> 01:04:47,119

uh veterans that are available to fly

1783

01:04:51,910 --> 01:04:48,640

these missions yes

1784

01:04:54,549 --> 01:04:51,920

they are doing it at much lower cost uh

1785

01:04:55,670 --> 01:04:54,559

per hour to provide this kind of

1786

01:04:58,230 --> 01:04:55,680

training

1787

01:05:00,630 --> 01:04:58,240

and they are able to do things like

1788

01:05:01,829 --> 01:05:00,640

train jtx joint terminal air controllers

1789

01:05:04,230 --> 01:05:01,839

those are the folks in the ground that

1790

01:05:06,309 --> 01:05:04,240

call the airstrike they can do what they

1791

01:05:08,309 --> 01:05:06,319

call forward air control airborne from

1792

01:05:10,789 --> 01:05:08,319

these assets and continue to train those

1793

01:05:12,870 --> 01:05:10,799

people on the ground or provide it and

1794

01:05:14,789 --> 01:05:12,880

then you have the air-to-air work that

1795

01:05:17,270 --> 01:05:14,799

we talked about and then you have the

1796

01:05:20,870 --> 01:05:17,280

close air support and then they also

1797

01:05:22,390 --> 01:05:20,880

include the ability to provide transport

1798

01:05:24,549 --> 01:05:22,400

services as well

1799

01:05:26,630 --> 01:05:24,559

for moving people around for exercises

1800

01:05:28,549 --> 01:05:26,640

or setting those parts and pieces um

1801

01:05:30,630 --> 01:05:28,559

just two questions this will be

1802

01:05:33,910 --> 01:05:30,640

to both of you number one

1803

01:05:35,270 --> 01:05:33,920

do these planes and and as i as you said

1804

01:05:37,270 --> 01:05:35,280

you go on the website and they just the

1805

01:05:38,950 --> 01:05:37,280

way they they photograph them is very

1806

01:05:40,470 --> 01:05:38,960

cool and they they want you to get that

1807

01:05:42,230 --> 01:05:40,480

impression that you know

1808

01:05:44,150 --> 01:05:42,240

we're like the first private air force

1809

01:05:46,470 --> 01:05:44,160

ever you know i mean they're not

1810

01:05:48,390 --> 01:05:46,480

they're into the image of it let's say

1811

01:05:51,270 --> 01:05:48,400

are they allowed to carry you know like

1812

01:05:53,349 --> 01:05:51,280

real ammunition and stuff

1813

01:05:56,309 --> 01:05:53,359

yes they can so they're they're flying

1814

01:05:57,430 --> 01:05:56,319

around with with cannons full and bombs

1815

01:06:00,230 --> 01:05:57,440

real bombs they're supposed to be

1816

01:06:01,829 --> 01:06:00,240

shooting at you right like uh well like

1817

01:06:03,430 --> 01:06:01,839

you're shooting them but

1818

01:06:05,349 --> 01:06:03,440

you're asking the question you asked

1819

01:06:08,230 --> 01:06:05,359

back yes they are allowed to do that but

1820

01:06:11,270 --> 01:06:08,240

it's under very specific um

1821

01:06:14,069 --> 01:06:11,280

uh rules that you do that so they're not

1822

01:06:16,230 --> 01:06:14,079

flying across country with those weapons

1823

01:06:17,510 --> 01:06:16,240

okay they're at a base or they're at a

1824

01:06:19,670 --> 01:06:17,520

location

1825

01:06:20,950 --> 01:06:19,680

and this is after the the draken and a

1826
01:06:22,069 --> 01:06:20,960
number of these other companies that are

1827
01:06:24,789 --> 01:06:22,079
out there and there's there's there's

1828
01:06:26,870 --> 01:06:24,799
probably three four prime ones draken by

1829
01:06:28,230 --> 01:06:26,880
far has now morphed into probably one of

1830
01:06:30,710 --> 01:06:28,240
the largest

1831
01:06:32,390 --> 01:06:30,720
and it and it goes to your comment about

1832
01:06:34,870 --> 01:06:32,400
image that we'll talk about that in one

1833
01:06:37,270 --> 01:06:34,880
second but you would fly to a base but

1834
01:06:38,950 --> 01:06:37,280
the planes have to be inspected and they

1835
01:06:41,990 --> 01:06:38,960
have to pass a clearance from the air

1836
01:06:43,750 --> 01:06:42,000
force in dod that says they're airworthy

1837
01:06:45,270 --> 01:06:43,760
that they meet a certain standard you

1838
01:06:46,470 --> 01:06:45,280

have to meet a certain faa standard for

1839

01:06:47,829 --> 01:06:46,480

a lot of these birds that come from

1840

01:06:49,430 --> 01:06:47,839

overseas that means certain kinds of

1841

01:06:51,029 --> 01:06:49,440

radio upgrades certain kinds of things

1842

01:06:53,349 --> 01:06:51,039

that go on with that and then you have

1843

01:06:56,150 --> 01:06:53,359

to have a procedural policy that says

1844

01:06:58,470 --> 01:06:56,160

how you do this so when you arm them up

1845

01:07:01,349 --> 01:06:58,480

normally they don't carry heavy bombs

1846

01:07:03,270 --> 01:07:01,359

they're carrying small uh marking bombs

1847

01:07:04,950 --> 01:07:03,280

uh what we call blue 32s that when they

1848

01:07:06,069 --> 01:07:04,960

hit they put a large smoke cloud up and

1849

01:07:07,750 --> 01:07:06,079

that way the people on the ground can

1850

01:07:09,829 --> 01:07:07,760

see how close it was to the target you

1851

01:07:11,510 --> 01:07:09,839

hit but it's to give

1852

01:07:14,150 --> 01:07:11,520

uh the folks on the ground that are

1853

01:07:15,670 --> 01:07:14,160

receiving the training the real world

1854

01:07:17,430 --> 01:07:15,680

descending on a ridgeline and they're

1855

01:07:20,390 --> 01:07:17,440

watching these weapons impact or where

1856

01:07:22,150 --> 01:07:20,400

the guns now the the rounds going out

1857

01:07:23,430 --> 01:07:22,160

generally are inert uh rounds they're

1858

01:07:25,670 --> 01:07:23,440

not going to use explosive rounds but

1859

01:07:26,950 --> 01:07:25,680

you can have uh tracers on this that you

1860

01:07:28,150 --> 01:07:26,960

can help you when the aircraft see what

1861

01:07:29,190 --> 01:07:28,160

you're hitting and help them on the

1862

01:07:30,470 --> 01:07:29,200

ground see what you're hitting right

1863

01:07:33,109 --> 01:07:30,480

they do it from a distance and all those

1864

01:07:35,589 --> 01:07:33,119

safety things right so it's it's it's

1865

01:07:37,349 --> 01:07:35,599

it's a good system because you're using

1866

01:07:41,270 --> 01:07:37,359

skill sets that taxpayers have already

1867

01:07:43,349 --> 01:07:41,280

paid for right on that image part of it

1868

01:07:46,390 --> 01:07:43,359

unfortunately in my opinion way too much

1869

01:07:47,910 --> 01:07:46,400

gets hung up on image and people want to

1870

01:07:49,430 --> 01:07:47,920

see the shiny jets they want to see

1871

01:07:51,670 --> 01:07:49,440

those really pretty pictures they want

1872

01:07:53,190 --> 01:07:51,680

to have that pizzazz factor of it but

1873

01:07:54,630 --> 01:07:53,200

there is a certain amount of theater

1874

01:07:57,510 --> 01:07:54,640

that goes on with this because you're

1875

01:07:59,270 --> 01:07:57,520

trying to give people on the ground uh

1876

01:08:00,390 --> 01:07:59,280

people in the air

1877

01:08:02,630 --> 01:08:00,400

good

1878

01:08:04,390 --> 01:08:02,640

directed training and a very finite

1879

01:08:06,069 --> 01:08:04,400

package so when they walk away the

1880

01:08:07,510 --> 01:08:06,079

customer the united states government

1881

01:08:08,950 --> 01:08:07,520

got what they pay for and when you take

1882

01:08:11,190 --> 01:08:08,960

an incident like what just occurred over

1883

01:08:12,710 --> 01:08:11,200

syria a couple days ago where you have a

1884

01:08:15,029 --> 01:08:12,720

hornet show up

1885

01:08:18,070 --> 01:08:15,039

and it meets the su-22 that just dropped

1886

01:08:21,430 --> 01:08:18,080

bombs you want that those those guys and

1887

01:08:24,229 --> 01:08:21,440

gals to knock them down and not get a

1888

01:08:26,470 --> 01:08:24,239

scratch on them there you go so then

1889

01:08:28,950 --> 01:08:26,480

i'll go ahead one more one please no

1890

01:08:30,309 --> 01:08:28,960

no oh i thought you would

1891

01:08:31,749 --> 01:08:30,319

i thought you had a question no i don't

1892

01:08:33,829 --> 01:08:31,759

know

1893

01:08:34,950 --> 01:08:33,839

i'm processing what happened over syria

1894

01:08:38,149 --> 01:08:34,960

we're going to do about that i don't

1895

01:08:41,669 --> 01:08:38,159

even know that oh now we have to get it

1896

01:08:43,669 --> 01:08:41,679

i'm glad i threw it to you anyway so so

1897

01:08:44,630 --> 01:08:43,679

it's safe to say that you know on on the

1898

01:08:45,990 --> 01:08:44,640

um

1899

01:08:47,669 --> 01:08:46,000

you know on a moment's notice these

1900

01:08:51,030 --> 01:08:47,679

people could be you know shooting real

1901

01:08:52,470 --> 01:08:51,040

guns and dropping real bombs right

1902

01:08:54,709 --> 01:08:52,480

well i'm not sure what you're trying to

1903

01:08:56,950 --> 01:08:54,719

drive at i'm driving at the proposal for

1904

01:08:58,229 --> 01:08:56,960

wingman19 what do you think i'm driving

1905

01:08:59,669 --> 01:08:58,239

well there are other examples you could

1906

01:09:01,749 --> 01:08:59,679

point to i mean there are other private

1907

01:09:03,590 --> 01:09:01,759

air forces that are doing that but now

1908

01:09:05,749 --> 01:09:03,600

you know in you know various third world

1909

01:09:07,349 --> 01:09:05,759

conflicts that were set up much more

1910

01:09:09,110 --> 01:09:07,359

you know quietly

1911

01:09:10,789 --> 01:09:09,120

um and not with a lot of you know

1912

01:09:12,470 --> 01:09:10,799

marketing now let's just say that their

1913

01:09:14,229 --> 01:09:12,480

jets don't look quite as sexy as yeah

1914

01:09:17,189 --> 01:09:14,239

these are the second jets now but the

1915

01:09:19,749 --> 01:09:17,199

thing is utilitarian it's like um

1916

01:09:21,430 --> 01:09:19,759

there's only so many of these um

1917

01:09:23,349 --> 01:09:21,440

aggressive planes that you you're gonna

1918

01:09:25,030 --> 01:09:23,359

need right it's not really a growing

1919

01:09:27,510 --> 01:09:25,040

business is it

1920

01:09:30,229 --> 01:09:27,520

i actually think it is growing rob

1921

01:09:32,470 --> 01:09:30,239

um i don't know um you know i i haven't

1922

01:09:33,910 --> 01:09:32,480

looked into that aspect of it um i mean

1923

01:09:35,510 --> 01:09:33,920

it's a steady business for sure i mean

1924

01:09:37,749 --> 01:09:35,520

there's there's definitely going to be

1925

01:09:39,349 --> 01:09:37,759

continued demand for

1926

01:09:41,590 --> 01:09:39,359

uh with the united states government

1927

01:09:44,070 --> 01:09:41,600

allowed them to go overseas and you know

1928

01:09:45,829 --> 01:09:44,080

be aggressive squadrons for the raf and

1929

01:09:47,510 --> 01:09:45,839

stuff like that oh they they already do

1930

01:09:49,430 --> 01:09:47,520

work all around the world they do this

1931

01:09:50,950 --> 01:09:49,440

they do these kinds of missions all over

1932

01:09:52,870 --> 01:09:50,960

the globe yeah i think it's really

1933

01:09:54,070 --> 01:09:52,880

interesting and i think this is just the

1934

01:09:56,149 --> 01:09:54,080

beginning of something like this you

1935

01:09:58,070 --> 01:09:56,159

know but they're not deployed as like uh

1936

01:09:59,990 --> 01:09:58,080

coalition forces no no no they're just

1937

01:10:02,229 --> 01:10:00,000

that they're basically training who you

1938

01:10:03,910 --> 01:10:02,239

train against you know but but you know

1939

01:10:05,990 --> 01:10:03,920

that's how stuff is that it sounds like

1940

01:10:07,350 --> 01:10:06,000

a pretty useful yeah you know mag i i

1941

01:10:08,550 --> 01:10:07,360

love the sinister aspect that you're

1942

01:10:10,709 --> 01:10:08,560

trying to bring up here but we've been

1943

01:10:13,669 --> 01:10:10,719

doing this since the 70s i remember

1944

01:10:15,830 --> 01:10:13,679

entering two mishubishi mu2s which were

1945

01:10:17,910 --> 01:10:15,840

a very fast turboprop airplane flying

1946

01:10:19,510 --> 01:10:17,920

between 20 and 30 000 feet the entire

1947

01:10:22,470 --> 01:10:19,520

time i was stationed in germany for

1948

01:10:24,790 --> 01:10:22,480

f-15s and f-16s to come up and practice

1949

01:10:27,510 --> 01:10:24,800

locking up and doing maneuvers on

1950

01:10:29,910 --> 01:10:27,520

all the guys there were all old f-86 and

1951

01:10:31,270 --> 01:10:29,920

f-100 drivers from vietnam and there

1952

01:10:33,189 --> 01:10:31,280

were contractors they were going up

1953

01:10:34,790 --> 01:10:33,199

there to fight that's all it was it was

1954

01:10:37,030 --> 01:10:34,800

all contract and then they brought their

1955

01:10:39,110 --> 01:10:37,040

jets in and they were flying learjets as

1956

01:10:40,390 --> 01:10:39,120

the target and they would fly and do a

1957

01:10:41,990 --> 01:10:40,400

series of sets of maneuvers and these

1958

01:10:43,430 --> 01:10:42,000

guys could practice doing their their

1959

01:10:45,590 --> 01:10:43,440

radar intercepts and their missile

1960

01:10:48,229 --> 01:10:45,600

walk-ons to it and they come down and do

1961

01:10:50,870 --> 01:10:48,239

it what's gotten interesting is now

1962

01:10:52,950 --> 01:10:50,880

they're using old military aircraft and

1963

01:10:55,030 --> 01:10:52,960

those older military aircraft are their

1964

01:10:56,870 --> 01:10:55,040

wires are being hooked up again to

1965

01:10:58,470 --> 01:10:56,880

actually have the ability to drop

1966

01:10:59,910 --> 01:10:58,480

ordnance and do stuff right see that's

1967

01:11:01,830 --> 01:10:59,920

why i think so that's like saving an old

1968

01:11:03,590 --> 01:11:01,840

hot rod you know what i mean and giving

1969

01:11:04,630 --> 01:11:03,600

it something to do in a way you know

1970

01:11:06,149 --> 01:11:04,640

well

1971

01:11:07,590 --> 01:11:06,159

since i got rob on the line and you on

1972

01:11:10,470 --> 01:11:07,600

the line i found out something very

1973

01:11:12,390 --> 01:11:10,480

interesting this past week that the f-16

1974

01:11:13,910 --> 01:11:12,400

squadron at nellis the aggressor

1975

01:11:15,990 --> 01:11:13,920

squadron yes they they used to have an

1976

01:11:18,790 --> 01:11:16,000

f-15 one they've disbanded that one it's

1977

01:11:20,630 --> 01:11:18,800

gone away so the f-16 one is doing most

1978

01:11:22,630 --> 01:11:20,640

of the yeoman work for

1979

01:11:24,550 --> 01:11:22,640

uh the aggressive work and nellis for

1980

01:11:26,550 --> 01:11:24,560

the fighter weapons school all that they

1981

01:11:28,870 --> 01:11:26,560

have a secondary mission and their

1982

01:11:31,110 --> 01:11:28,880

secondary mission is to provide air

1983

01:11:33,510 --> 01:11:31,120

defense for the southwest sector of the

1984

01:11:34,310 --> 01:11:33,520

united states so you can conceivably

1985

01:11:37,030 --> 01:11:34,320

have

1986

01:11:38,390 --> 01:11:37,040

an american f-16 dressed up in in

1987

01:11:40,070 --> 01:11:38,400

russian colors

1988

01:11:41,830 --> 01:11:40,080

show up on the wing of an amer on an

1989

01:11:43,430 --> 01:11:41,840

airliner in american air space to find

1990

01:11:44,390 --> 01:11:43,440

out why they're doing a violation can

1991

01:11:46,790 --> 01:11:44,400

you imagine

1992

01:11:48,390 --> 01:11:46,800

chapter two

1993

01:11:50,790 --> 01:11:48,400

well i could imagine that if things

1994

01:12:00,149 --> 01:11:50,800

really went south you know and a wingman

1995

01:12:04,470 --> 01:12:02,390

and you know you would have uh

1996

01:12:07,030 --> 01:12:04,480

you know i could imagine a situation

1997

01:12:08,390 --> 01:12:07,040

where things really go to you know

1998

01:12:10,709 --> 01:12:08,400

everything you have to throw everything

1999

01:12:11,990 --> 01:12:10,719

at the enemy that you would see these

2000

01:12:13,030 --> 01:12:12,000

private air forces and they say okay

2001

01:12:14,790 --> 01:12:13,040

well that's

2002

01:12:17,510 --> 01:12:14,800

let's actually use these and yeah um you

2003

01:12:19,030 --> 01:12:17,520

know even even and i'm thinking you know

2004

01:12:22,470 --> 01:12:19,040

think of the private space companies as

2005

01:12:23,990 --> 01:12:22,480

well right right that uh the um elon

2006

01:12:25,430 --> 01:12:24,000

musk and so forth who are you know said

2007

01:12:28,229 --> 01:12:25,440

hey let's say we need to get a payload

2008

01:12:30,229 --> 01:12:28,239

into orbit to uh you know you know they

2009

01:12:31,990 --> 01:12:30,239

see a weapon or something like that then

2010

01:12:32,790 --> 01:12:32,000

you can start seeing uh almost a kind of

2011

01:12:34,630 --> 01:12:32,800

uh

2012

01:12:37,189 --> 01:12:34,640

what is the what is the term not not

2013

01:12:39,750 --> 01:12:37,199

piracy but privateering

2014

01:12:41,030 --> 01:12:39,760

yes right yeah it's based the mark yeah

2015

01:12:42,709 --> 01:12:41,040

it's the market

2016

01:12:44,390 --> 01:12:42,719

you receive a mark

2017

01:12:46,470 --> 01:12:44,400

and it's called a private tier it was

2018

01:12:48,470 --> 01:12:46,480

very popular all the way up to about the

2019

01:12:50,390 --> 01:12:48,480

late 1800s

2020

01:12:52,470 --> 01:12:50,400

yeah that's where you were a pirate but

2021

01:12:54,870 --> 01:12:52,480

you were under the um employee of the

2022

01:12:56,229 --> 01:12:54,880

government right you're private too yeah

2023

01:12:58,149 --> 01:12:56,239

so you could go and what it allows you

2024

01:13:01,270 --> 01:12:58,159

to do is is that when you made your this

2025

01:13:04,070 --> 01:13:01,280

was mainly done in uh naval circles

2026

01:13:05,430 --> 01:13:04,080

you your money was you got to take some

2027

01:13:07,270 --> 01:13:05,440

of the

2028

01:13:09,590 --> 01:13:07,280

uh the booty of

2029

01:13:11,030 --> 01:13:09,600

booty

2030

01:13:13,270 --> 01:13:11,040

how to say it

2031

01:13:15,110 --> 01:13:13,280

uh of your price so you got a percentage

2032

01:13:17,590 --> 01:13:15,120

of that as you stop the quote-unquote

2033

01:13:19,910 --> 01:13:17,600

enemy so yes okay all right

2034

01:13:22,390 --> 01:13:19,920

yeah you were right like england would

2035

01:13:24,870 --> 01:13:22,400

hire you to go and be in in pirate

2036

01:13:26,630 --> 01:13:24,880

french you know i like that also yeah i

2037

01:13:28,630 --> 01:13:26,640

like that i think that's the way to go

2038

01:13:30,870 --> 01:13:28,640

yeah well you know if you need to uh you

2039

01:13:32,229 --> 01:13:30,880

know shoot a missile into orbit or uh

2040

01:13:33,830 --> 01:13:32,239

yes you know there have been some novels

2041

01:13:35,910 --> 01:13:33,840

i think that explored the idea that you

2042

01:13:37,510 --> 01:13:35,920

know you have these super empowered you

2043

01:13:38,390 --> 01:13:37,520

know companies that are taking over

2044

01:13:42,390 --> 01:13:38,400

space

2045

01:13:44,950 --> 01:13:42,400

that you know in a it what would happen

2046

01:13:47,030 --> 01:13:44,960

if we if world war three broke out you

2047

01:13:48,630 --> 01:13:47,040

know we haven't you know what you know

2048

01:13:51,510 --> 01:13:48,640

what does our industrial base look like

2049

01:13:53,430 --> 01:13:51,520

compared to during the 1940s so very

2050

01:13:56,229 --> 01:13:53,440

different you know what what is the role

2051
01:13:58,310 --> 01:13:56,239
of walmart in logistics wow you know oh

2052
01:14:00,390 --> 01:13:58,320
my god construction and moving things

2053
01:14:02,550 --> 01:14:00,400
from from a to b during world war ii i

2054
01:14:04,550 --> 01:14:02,560
mean it was a total war it was the

2055
01:14:06,310 --> 01:14:04,560
nation's entire uh

2056
01:14:08,390 --> 01:14:06,320
you know the industrial base of the

2057
01:14:09,750 --> 01:14:08,400
country transformed into war making it's

2058
01:14:11,910 --> 01:14:09,760
amazon that's going to be doing it

2059
01:14:13,350 --> 01:14:11,920
amazon be amazon yeah and it would be

2060
01:14:14,870 --> 01:14:13,360
these private space companies and it

2061
01:14:16,709 --> 01:14:14,880
would be walmart that would be assisting

2062
01:14:19,510 --> 01:14:16,719
the war effort which is a weird thing

2063
01:14:22,149 --> 01:14:19,520

and but also these companies are

2064

01:14:23,510 --> 01:14:22,159

very powerful and what would you know

2065

01:14:24,870 --> 01:14:23,520

what would the shareholders when they

2066

01:14:26,790 --> 01:14:24,880

have their meeting it's like do we have

2067

01:14:27,990 --> 01:14:26,800

to vote on whether we support

2068

01:14:29,510 --> 01:14:28,000

you know world war you know the the

2069

01:14:31,189 --> 01:14:29,520

government of course now they have

2070

01:14:32,790 --> 01:14:31,199

lawyers and they're complaining about it

2071

01:14:34,470 --> 01:14:32,800

no haven't we bring it you bring an

2072

01:14:36,470 --> 01:14:34,480

interesting point up but you know you

2073

01:14:38,310 --> 01:14:36,480

had ford making vehicles on both sides

2074

01:14:40,149 --> 01:14:38,320

of the uh of world war ii they were

2075

01:14:42,310 --> 01:14:40,159

making opals you know in vehicles for

2076

01:14:43,990 --> 01:14:42,320

the germans while they were making what

2077

01:14:45,669 --> 01:14:44,000

are you picking on forward for i'm not

2078

01:14:47,669 --> 01:14:45,679

picking on them gm did the same thing

2079

01:14:49,510 --> 01:14:47,679

they had world holdings as well

2080

01:14:51,350 --> 01:14:49,520

it's an indictment of our entire

2081

01:14:53,669 --> 01:14:51,360

automobile

2082

01:14:55,510 --> 01:14:53,679

no it was an indictment of this is a

2083

01:14:57,590 --> 01:14:55,520

kabuki show and we're all little bit

2084

01:14:59,830 --> 01:14:57,600

players in it and there are

2085

01:15:01,830 --> 01:14:59,840

there are forces that transcend

2086

01:15:04,870 --> 01:15:01,840

governments that are on both sides

2087

01:15:06,070 --> 01:15:04,880

many talks the mill where i worked in

2088

01:15:08,709 --> 01:15:06,080

maynard

2089

01:15:14,390 --> 01:15:08,719

made woolen blankets for the confederate

2090

01:15:18,790 --> 01:15:16,709

no kabuki is a type of theater in japan

2091

01:15:19,750 --> 01:15:18,800

okay and what you not pay attention to

2092

01:15:21,189 --> 01:15:19,760

is the

2093

01:15:22,870 --> 01:15:21,199

the people that are on stage that are

2094

01:15:24,870 --> 01:15:22,880

dressed all in black that are moving the

2095

01:15:26,229 --> 01:15:24,880

sets around while they at main actors

2096

01:15:27,189 --> 01:15:26,239

you're not supposed to pay attention

2097

01:15:28,870 --> 01:15:27,199

that you're supposed to make believe you

2098

01:15:31,110 --> 01:15:28,880

don't see it i like that oh yeah i like

2099

01:15:32,870 --> 01:15:31,120

that too they do that in portsmouth

2100

01:15:34,550 --> 01:15:32,880

okay where in the bars

2101

01:15:36,070 --> 01:15:34,560

it's such a small venue that oh i see

2102

01:15:37,910 --> 01:15:36,080

okay that guy's a black mom and stuff

2103

01:15:39,350 --> 01:15:37,920

they've been moving stuff you can change

2104

01:15:41,750 --> 01:15:39,360

the sets while everything is still

2105

01:15:43,430 --> 01:15:41,760

emotional wow that's pretty cool rob

2106

01:15:44,950 --> 01:15:43,440

thanks for joining us tonight go back to

2107

01:15:47,590 --> 01:15:44,960

watching love line there rob they must

2108

01:15:49,669 --> 01:15:47,600

be in repeats these days right

2109

01:15:50,870 --> 01:15:49,679

actually actually i i don't know why i

2110

01:15:55,189 --> 01:15:50,880

brought that up but i haven't listened i

2111

01:15:57,990 --> 01:15:56,310

yeah you definitely brought it up with

2112

01:15:59,510 --> 01:15:58,000

the right people that will never forget

2113

01:16:02,070 --> 01:15:59,520

it ever ever

2114

01:16:03,990 --> 01:16:02,080

ever thank you rob for joining us and uh

2115

01:16:05,830 --> 01:16:04,000

we will see you next week rob beckhaus

2116

01:16:07,510 --> 01:16:05,840

of warriors brewing the best military

2117

01:16:08,950 --> 01:16:07,520

writing absolutely on the net when are

2118

01:16:09,830 --> 01:16:08,960

they going to do a story about us

2119

01:16:11,030 --> 01:16:09,840

remember they're going to do a story

2120

01:16:14,229 --> 01:16:11,040

about us

2121

01:16:16,149 --> 01:16:14,239

right

2122

01:16:18,830 --> 01:16:16,159

rob rob you're still there are you

2123

01:16:20,470 --> 01:16:18,840

inside yeah

2124

01:16:22,390 --> 01:16:20,480

um in shock

2125

01:16:24,070 --> 01:16:22,400

you're putting me on the spot um

2126
01:16:25,750 --> 01:16:24,080
max very good at that that's something

2127
01:16:27,510 --> 01:16:25,760
you can put in the story not true back

2128
01:16:28,950 --> 01:16:27,520
the leader of this pack puts people on

2129
01:16:31,030 --> 01:16:28,960
the spot one the sober one the

2130
01:16:32,070 --> 01:16:31,040
foundation i rob will talk to you next

2131
01:16:33,990 --> 01:16:32,080
week pal

2132
01:16:35,910 --> 01:16:34,000
okay hey thanks rob thank you so you're

2133
01:16:37,590 --> 01:16:35,920
no longer on the spot

2134
01:16:39,750 --> 01:16:37,600
let's take a commercial break now a

2135
01:16:42,149 --> 01:16:39,760
commercial spot how's that first yeah

2136
01:16:46,229 --> 01:16:42,159
commercial spot nice transition

2137
01:16:47,830 --> 01:16:46,239
and uh we will talk to um i think

2138
01:16:49,189 --> 01:16:47,840

steve marino up there in battle creek

2139

01:16:50,790 --> 01:16:49,199

we'll see thanks you're listening to

2140

01:16:52,390 --> 01:16:50,800

mack maloney's military exile show here

2141

01:16:54,709 --> 01:16:52,400

on the distant thunder radio network

2142

01:16:55,830 --> 01:16:54,719

we'll be right back after

2143

01:16:58,550 --> 01:16:55,840

this

2144

01:17:01,750 --> 01:16:58,560

ufos are found in renaissance art on

2145

01:17:04,070 --> 01:17:01,760

ancient coins and etched on cave walls

2146

01:17:06,310 --> 01:17:04,080

they're even reported in the bible

2147

01:17:07,590 --> 01:17:06,320

but more surprising is when ufos are

2148

01:17:10,390 --> 01:17:07,600

seen the most

2149

01:17:12,310 --> 01:17:10,400

in times of war

2150

01:17:13,990 --> 01:17:12,320

through centuries thousands of ufo

2151

01:17:16,470 --> 01:17:14,000

sightings have been made by high-ranking

2152

01:17:18,870 --> 01:17:16,480

officials military pilots and ordinary

2153

01:17:20,870 --> 01:17:18,880

soldiers often these fantastic

2154

01:17:22,070 --> 01:17:20,880

appearances occur at the height of great

2155

01:17:24,790 --> 01:17:22,080

battles

2156

01:17:27,110 --> 01:17:24,800

from world war one to d-day to korea

2157

01:17:29,750 --> 01:17:27,120

vietnam and beyond military

2158

01:17:31,510 --> 01:17:29,760

investigators are baffled why do ufo

2159

01:17:32,630 --> 01:17:31,520

sightings spike so drastically during

2160

01:17:34,709 --> 01:17:32,640

wartime

2161

01:17:38,470 --> 01:17:34,719

could it be mistaken aircraft or is

2162

01:17:41,030 --> 01:17:38,480

someone or something looking in on us

2163

01:17:42,870 --> 01:17:41,040

in ufos in wartime what they didn't want

2164

01:17:44,550 --> 01:17:42,880

you to know mcmaloney chronicles

2165

01:17:46,550 --> 01:17:44,560

centuries of these incredible sightings

2166

01:17:48,950 --> 01:17:46,560

and tries to solve the puzzle of why so

2167

01:17:50,229 --> 01:17:48,960

many ufos are seen while humanity is at

2168

01:17:52,149 --> 01:17:50,239

war

2169

01:17:54,790 --> 01:17:52,159

read about the scare ships the ghost

2170

01:17:57,669 --> 01:17:54,800

planes and the ghost rockets alien

2171

01:18:00,229 --> 01:17:57,679

giants in the jungles of vietnam ufos

2172

01:18:01,990 --> 01:18:00,239

controlling our icbm bases

2173

01:18:04,070 --> 01:18:02,000

dog fights with flying saucers during

2174

01:18:07,430 --> 01:18:04,080

the gulf war and more

2175

01:18:09,830 --> 01:18:07,440

300 pages of unbelievable stories along

2176

01:18:12,390 --> 01:18:09,840

with many starting photographs that's

2177

01:18:15,030 --> 01:18:12,400

ufos and wartime what they didn't want

2178

01:18:22,240 --> 01:18:15,040

you to know by mac maloney on sale at

2179

01:18:37,430 --> 01:18:34,070

[Music]

2180

01:18:40,149 --> 01:18:37,440

truth the truth you can't handle the

2181

01:18:42,870 --> 01:18:40,159

truth only command commander cobra can

2182

01:18:44,229 --> 01:18:42,880

handle the truth

2183

01:18:45,669 --> 01:18:44,239

welcome back everyone to matt colombia's

2184

01:18:47,510 --> 01:18:45,679

military exhaust show here on the

2185

01:18:50,229 --> 01:18:47,520

distant thunder radio network this is

2186

01:18:51,830 --> 01:18:50,239

macaloni in the studio with tonight in

2187

01:18:52,870 --> 01:18:51,840

the studio with us tonight easy for you

2188

01:18:54,950 --> 01:18:52,880

to say

2189

01:18:56,310 --> 01:18:54,960

very famous juan juan is here hello mack

2190

01:18:57,430 --> 01:18:56,320

the patriots thing on yeah you got to

2191

01:18:58,470 --> 01:18:57,440

pay your attention

2192

01:19:00,630 --> 01:18:58,480

okay

2193

01:19:02,630 --> 01:19:00,640

last week which was a strange show it

2194

01:19:04,950 --> 01:19:02,640

was the strangest of shows yeah we had

2195

01:19:06,870 --> 01:19:04,960

one of a fan from wisconsin walk in on

2196

01:19:09,110 --> 01:19:06,880

us which was interesting

2197

01:19:11,430 --> 01:19:09,120

thank you barbara for lightening up our

2198

01:19:12,630 --> 01:19:11,440

entire week shocking the hell out of us

2199

01:19:13,510 --> 01:19:12,640

but you didn't have any patriots here

2200

01:19:16,390 --> 01:19:13,520

ron

2201

01:19:17,990 --> 01:19:16,400

just a quinky dinky or uh

2202

01:19:19,350 --> 01:19:18,000

you know i decided to give tom brady a

2203

01:19:21,430 --> 01:19:19,360

break there you go

2204

01:19:22,790 --> 01:19:21,440

that's nice you know okay i don't get

2205

01:19:24,149 --> 01:19:22,800

any residuals from the guy either but

2206

01:19:26,070 --> 01:19:24,159

i'm always wearing this stuff the

2207

01:19:28,470 --> 01:19:26,080

eternal bromance

2208

01:19:30,790 --> 01:19:28,480

uh commander cobra also in the disclosed

2209

01:19:33,430 --> 01:19:30,800

location one studio behind us separated

2210

01:19:34,950 --> 01:19:33,440

by bulletproof glass and two lock doors

2211

01:19:37,510 --> 01:19:34,960

cobra how are you doing

2212

01:19:38,470 --> 01:19:37,520

okay good have you been flying lately

2213

01:19:39,990 --> 01:19:38,480

cobra

2214

01:19:43,590 --> 01:19:40,000

i have really

2215

01:19:46,709 --> 01:19:45,510

i was flying in aircraft yes go ahead

2216

01:19:48,550 --> 01:19:46,719

and give yourself your own little thank

2217

01:19:50,470 --> 01:19:48,560

you from rollsdale that's that's really

2218

01:19:51,910 --> 01:19:50,480

classy that's beautiful

2219

01:19:54,390 --> 01:19:51,920

uh i just haven't been flying by your

2220

01:19:55,430 --> 01:19:54,400

house but i feel like i need to yes yeah

2221

01:19:57,590 --> 01:19:55,440

i don't know what he means by that but

2222

01:19:59,590 --> 01:19:57,600

every once in a while club will fly

2223

01:20:01,590 --> 01:19:59,600

could you drop like a bag of flour or

2224

01:20:03,270 --> 01:20:01,600

something on his deck and see if that's

2225

01:20:05,910 --> 01:20:03,280

to prove that you actually didn't fly

2226

01:20:08,310 --> 01:20:05,920

flower in quotes yeah no it's him you

2227

01:20:09,910 --> 01:20:08,320

can see him gesturing from the cockpit

2228

01:20:11,669 --> 01:20:09,920

really and also i'm close enough that he

2229

01:20:12,950 --> 01:20:11,679

can see me when i go by and he and he

2230

01:20:15,350 --> 01:20:12,960

circles the house and he lets out the

2231

01:20:17,110 --> 01:20:15,360

smoke like smoke riders

2232

01:20:19,270 --> 01:20:17,120

the neighbors still haven't figured it

2233

01:20:21,110 --> 01:20:19,280

out yeah and mac's up there with a

2234

01:20:22,550 --> 01:20:21,120

make-believe gun and the neighbors get

2235

01:20:23,830 --> 01:20:22,560

really concerned i'm surprised nobody's

2236

01:20:25,590 --> 01:20:23,840

calling the police who said it's

2237

01:20:27,270 --> 01:20:25,600

make-believe

2238

01:20:29,110 --> 01:20:27,280

just looks that way hey listen on the

2239

01:20:31,669 --> 01:20:29,120

phone with us tonight

2240

01:20:33,270 --> 01:20:31,679

we have a very special guest someone who

2241

01:20:36,149 --> 01:20:33,280

um

2242

01:20:38,070 --> 01:20:36,159

was a it has had one of

2243

01:20:40,070 --> 01:20:38,080

the craziest jobs in my mind i can't

2244

01:20:41,270 --> 01:20:40,080

imagine having the job that this guy had

2245

01:20:43,510 --> 01:20:41,280

he was a

2246

01:20:45,510 --> 01:20:43,520

a detective

2247

01:20:48,390 --> 01:20:45,520

for los angeles county the city of los

2248

01:20:50,790 --> 01:20:48,400

angeles for 38 years 37 years his name

2249

01:20:52,550 --> 01:20:50,800

is paul bishop he's uh

2250

01:20:54,390 --> 01:20:52,560

his latest book is called why catches

2251

01:20:56,470 --> 01:20:54,400

and um

2252

01:20:58,790 --> 01:20:56,480

he's someone who i get to know when

2253

01:21:01,189 --> 01:20:58,800

wingman 18 battle for america first came

2254

01:21:03,110 --> 01:21:01,199

out on sale everywhere and uh we just

2255

01:21:04,790 --> 01:21:03,120

had him on the show so paul thanks for

2256

01:21:06,390 --> 01:21:04,800

joining us tonight

2257

01:21:08,950 --> 01:21:06,400

happy to be here

2258

01:21:11,350 --> 01:21:08,960

now um did i get that right you were on

2259

01:21:14,470 --> 01:21:11,360

the lapd for 38 years

2260

01:21:17,430 --> 01:21:14,480

lapd for 35 years uh 30 years spent

2261

01:21:19,990 --> 01:21:17,440

working sex crimes wow wow and

2262

01:21:21,669 --> 01:21:20,000

as a detective right as a detective okay

2263

01:21:24,310 --> 01:21:21,679

keep your eyes closed okay i want to

2264

01:21:25,750 --> 01:21:24,320

show you my first ever painting all

2265

01:21:30,310 --> 01:21:25,760

right okay

2266

01:21:32,790 --> 01:21:30,320

open your eyes oh that's a lot of colors

2267

01:21:35,669 --> 01:21:32,800

and shades so be honest what do you

2268

01:21:37,110 --> 01:21:35,679

think well uh i like how

2269

01:21:38,870 --> 01:21:37,120

if you switch to geico you could save

2270

01:21:41,910 --> 01:21:38,880

hundreds of dollars on car insurance oh

2271

01:21:44,149 --> 01:21:41,920

yeah that's that's true yeah here why

2272

01:21:46,870 --> 01:21:44,159

don't i hold your paintbrush while you

2273

01:21:48,950 --> 01:21:46,880

call them geico because saving 15 or

2274

01:21:51,350 --> 01:21:48,960

more on car insurance is always a great

2275

01:21:52,550 --> 01:21:51,360

answer now yeah

2276

01:21:54,149 --> 01:21:52,560

what um

2277

01:21:56,390 --> 01:21:54,159

i don't know i don't know what question

2278

01:21:57,830 --> 01:21:56,400

asked i mean one when you said how do

2279

01:21:59,669 --> 01:21:57,840

you survive sometimes how does something

2280

01:22:01,910 --> 01:21:59,679

duration like that without without

2281

01:22:03,270 --> 01:22:01,920

yourself or nuts kind of going nuts or

2282

01:22:05,750 --> 01:22:03,280

maybe who said i didn't yeah i was going

2283

01:22:07,430 --> 01:22:05,760

to say maybe

2284

01:22:10,470 --> 01:22:07,440

you know it's a

2285

01:22:12,790 --> 01:22:10,480

sex crimes in particular is a calling it

2286

01:22:14,550 --> 01:22:12,800

isn't an assignment you don't stand sex

2287

01:22:15,990 --> 01:22:14,560

crimes if you get there and you don't

2288

01:22:19,270 --> 01:22:16,000

like it

2289

01:22:20,629 --> 01:22:19,280

we often argued with homicide detectives

2290

01:22:23,189 --> 01:22:20,639

about which one of us had the most

2291

01:22:24,950 --> 01:22:23,199

difficult job and we always maintain we

2292

01:22:25,669 --> 01:22:24,960

do because their victims couldn't lie to

2293

01:22:27,270 --> 01:22:25,679

them

2294

01:22:28,310 --> 01:22:27,280

oh wow there you go

2295

01:22:30,310 --> 01:22:28,320

excellent

2296

01:22:32,070 --> 01:22:30,320

so okay a little dark humor for from the

2297

01:22:33,990 --> 01:22:32,080

uh okay

2298

01:22:35,110 --> 01:22:34,000

hang on paul

2299

01:22:37,030 --> 01:22:35,120

there you go

2300

01:22:39,270 --> 01:22:37,040

so so but

2301
01:22:41,830 --> 01:22:39,280
i mean is there is there such thing as a

2302
01:22:43,590 --> 01:22:41,840
typical case in in the sex crime unit or

2303
01:22:45,430 --> 01:22:43,600
is each one of them just you know

2304
01:22:48,149 --> 01:22:45,440
strange and awful

2305
01:22:53,030 --> 01:22:48,159
in its own way you know the each one is

2306
01:22:54,709 --> 01:22:53,040
individual but in in reality um people

2307
01:22:56,629 --> 01:22:54,719
in the straight world don't really have

2308
01:22:59,350 --> 01:22:56,639
a good idea of what goes on i mean most

2309
01:23:00,629 --> 01:22:59,360
of our rapes are not stranger rapes most

2310
01:23:02,870 --> 01:23:00,639
rapes are

2311
01:23:05,430 --> 01:23:02,880
an identified suspect somebody who's

2312
01:23:06,870 --> 01:23:05,440
known to the victim in some way

2313
01:23:08,629 --> 01:23:06,880

television would have you believe there

2314

01:23:09,669 --> 01:23:08,639

are serial rapists running around every

2315

01:23:12,629 --> 01:23:09,679

corner

2316

01:23:14,310 --> 01:23:12,639

they do exist but they are not uh the

2317

01:23:16,470 --> 01:23:14,320

bread and butter cases that we handle on

2318

01:23:18,390 --> 01:23:16,480

a regular basis

2319

01:23:21,270 --> 01:23:18,400

what really

2320

01:23:24,070 --> 01:23:21,280

becomes problematic though is uh

2321

01:23:26,470 --> 01:23:24,080

the long-term child molest cases because

2322

01:23:29,110 --> 01:23:26,480

those are much more difficult much uh

2323

01:23:31,590 --> 01:23:29,120

more time-consuming to investigate

2324

01:23:32,950 --> 01:23:31,600

uh whereas the world in general looks

2325

01:23:35,110 --> 01:23:32,960

only at

2326

01:23:36,709 --> 01:23:35,120

sexual assault being raped it goes far

2327

01:23:38,870 --> 01:23:36,719

further than that we covered everything

2328

01:23:41,590 --> 01:23:38,880

from indecent exposures to sexual

2329

01:23:43,669 --> 01:23:41,600

homicide wow and everything in between

2330

01:23:45,830 --> 01:23:43,679

in in you know how many cases like this

2331

01:23:47,750 --> 01:23:45,840

would come across your desk in a typical

2332

01:23:49,669 --> 01:23:47,760

week is are you working on

2333

01:23:51,990 --> 01:23:49,679

one big case or are you working

2334

01:23:56,550 --> 01:23:52,000

simultaneously on a number of cases

2335

01:23:58,470 --> 01:23:56,560

my unit that i ran for the last 15 years

2336

01:24:00,229 --> 01:23:58,480

before i retired

2337

01:24:02,390 --> 01:24:00,239

we had 30 detectives and we covered

2338

01:24:05,270 --> 01:24:02,400

about 25 percent of the city

2339

01:24:08,310 --> 01:24:05,280

so each one of those detectives would uh

2340

01:24:09,590 --> 01:24:08,320

be working anywhere from 15 to 20 cases

2341

01:24:11,510 --> 01:24:09,600

at one time

2342

01:24:12,950 --> 01:24:11,520

wow really yeah that that's not here

2343

01:24:14,470 --> 01:24:12,960

that's just los angeles you're talking

2344

01:24:16,709 --> 01:24:14,480

about that's incredible that's just los

2345

01:24:18,950 --> 01:24:16,719

angeles and that's just my little corner

2346

01:24:20,070 --> 01:24:18,960

of los angeles by 25 percent that's

2347

01:24:22,149 --> 01:24:20,080

frightening

2348

01:24:25,270 --> 01:24:22,159

it seems like a lot

2349

01:24:29,750 --> 01:24:25,280

you know it it is but it's a lot lower

2350

01:24:33,030 --> 01:24:31,669

is there is

2351

01:24:34,790 --> 01:24:33,040

once again it's hard to say is there a

2352

01:24:37,270 --> 01:24:34,800

typical case but when you

2353

01:24:40,870 --> 01:24:37,280

when you go and you investigate a a a

2354

01:24:42,790 --> 01:24:40,880

case a crime and um well a sex crime i

2355

01:24:45,270 --> 01:24:42,800

you know typically how long does it take

2356

01:24:46,470 --> 01:24:45,280

you to actually you know catch the guy

2357

01:24:48,790 --> 01:24:46,480

because as you were saying a lot of

2358

01:24:51,030 --> 01:24:48,800

times it's it's a known person

2359

01:24:52,629 --> 01:24:51,040

um can you go in and kind of check it

2360

01:24:53,910 --> 01:24:52,639

out within five minutes know kind of

2361

01:24:55,510 --> 01:24:53,920

what happened

2362

01:24:57,910 --> 01:24:55,520

well uh

2363

01:24:59,510 --> 01:24:57,920

no you really can't um basically if

2364

01:25:01,189 --> 01:24:59,520

somebody tells you they've been robbed

2365

01:25:02,790 --> 01:25:01,199

that means somebody's taken their stuff

2366

01:25:04,149 --> 01:25:02,800

from them by force or fear if they said

2367

01:25:05,350 --> 01:25:04,159

they've been burglarized somebody's come

2368

01:25:06,790 --> 01:25:05,360

into their house when they're gone and

2369

01:25:08,790 --> 01:25:06,800

taking their stuff

2370

01:25:11,350 --> 01:25:08,800

when somebody says i've been raped my

2371

01:25:13,030 --> 01:25:11,360

first question is okay tell me about it

2372

01:25:14,229 --> 01:25:13,040

because i now have to make some

2373

01:25:18,229 --> 01:25:14,239

subjective

2374

01:25:22,149 --> 01:25:18,239

uh evaluations about the situation that

2375

01:25:24,629 --> 01:25:22,159

is being reported to me and very often

2376

01:25:27,030 --> 01:25:24,639

in fact 90 or more of the time when a

2377

01:25:28,310 --> 01:25:27,040

report comes to my desk of a sexual

2378

01:25:30,310 --> 01:25:28,320

assault

2379

01:25:32,790 --> 01:25:30,320

the story is going to change between

2380

01:25:34,390 --> 01:25:32,800

when the report is made and when i'm

2381

01:25:35,910 --> 01:25:34,400

i or my detectives are finished

2382

01:25:37,350 --> 01:25:35,920

interviewing the victim a second time

2383

01:25:38,950 --> 01:25:37,360

right

2384

01:25:41,669 --> 01:25:38,960

can you imagine if you guys have so many

2385

01:25:43,350 --> 01:25:41,679

emotions tied to this type of case

2386

01:25:44,709 --> 01:25:43,360

and that's what makes it very difficult

2387

01:25:46,790 --> 01:25:44,719

you can imagine if guys like this

2388

01:25:48,390 --> 01:25:46,800

weren't out here out there stopping this

2389

01:25:50,390 --> 01:25:48,400

stuff you know they'd be like madness

2390

01:25:52,550 --> 01:25:50,400

like it'll be crazy right it'll be out

2391

01:25:53,830 --> 01:25:52,560

of control uncivilized um are you

2392

01:25:56,629 --> 01:25:53,840

suggesting that some of the first

2393

01:25:57,750 --> 01:25:56,639

reports are not uh entirely valid or is

2394

01:26:00,310 --> 01:25:57,760

because of the

2395

01:26:03,189 --> 01:26:00,320

the hysteria of the the victim that the

2396

01:26:06,709 --> 01:26:03,199

story is kind of uh

2397

01:26:08,790 --> 01:26:06,719

victims victims uh sometimes uh

2398

01:26:11,030 --> 01:26:08,800

uh are embarrassed by what's happened

2399

01:26:12,870 --> 01:26:11,040

they don't report it entirely they don't

2400

01:26:14,950 --> 01:26:12,880

report what they believe to be their

2401

01:26:16,550 --> 01:26:14,960

culpability in the case because they

2402

01:26:18,470 --> 01:26:16,560

want to show themselves as victims

2403

01:26:20,870 --> 01:26:18,480

because they believe they are and in

2404

01:26:22,629 --> 01:26:20,880

many many cases they are i just need to

2405

01:26:25,270 --> 01:26:22,639

know all of it so that i'm prepared when

2406

01:26:27,669 --> 01:26:25,280

we go to court and not to be blindsided

2407

01:26:29,189 --> 01:26:27,679

by a defense attorney who's got more

2408

01:26:30,709 --> 01:26:29,199

information than i do exactly from the

2409

01:26:33,270 --> 01:26:30,719

suspect right

2410

01:26:35,350 --> 01:26:33,280

so you know what what we really did was

2411

01:26:38,390 --> 01:26:35,360

so many of our cases where he said she

2412

01:26:39,350 --> 01:26:38,400

said situations so you know there's no

2413

01:26:42,070 --> 01:26:39,360

actual

2414

01:26:42,950 --> 01:26:42,080

uh physical evidence to prove one way or

2415

01:26:45,910 --> 01:26:42,960

the other

2416

01:26:47,750 --> 01:26:45,920

and so we realized that the

2417

01:26:50,149 --> 01:26:47,760

most important thing

2418

01:26:52,390 --> 01:26:50,159

in our investigative tool belt was our

2419

01:26:55,590 --> 01:26:52,400

abilities to interrogate

2420

01:26:57,350 --> 01:26:55,600

so we really began to uh

2421

01:26:59,270 --> 01:26:57,360

look at each and every interrogation

2422

01:27:01,189 --> 01:26:59,280

that we did on fridays we'd have what i

2423

01:27:03,189 --> 01:27:01,199

called a campfire and everybody would

2424

01:27:05,510 --> 01:27:03,199

get together in the in the office and we

2425

01:27:07,430 --> 01:27:05,520

would read our cases that were assigned

2426
01:27:09,990 --> 01:27:07,440
during the week because inevitably one

2427
01:27:11,510 --> 01:27:10,000
case were read by one detective another

2428
01:27:13,510 --> 01:27:11,520
detective would have another part of it

2429
01:27:14,790 --> 01:27:13,520
and be able to put things together

2430
01:27:16,629 --> 01:27:14,800
but then we would go through and we

2431
01:27:18,470 --> 01:27:16,639
would look at

2432
01:27:19,830 --> 01:27:18,480
every video of every interrogation that

2433
01:27:21,990 --> 01:27:19,840
we've done during the course of the week

2434
01:27:23,590 --> 01:27:22,000
and critique it harshly this work that

2435
01:27:27,750 --> 01:27:23,600
didn't work this worked that didn't work

2436
01:27:29,910 --> 01:27:27,760
let's try this next time um and so when

2437
01:27:31,669 --> 01:27:29,920
the result of this was that at the end

2438
01:27:32,950 --> 01:27:31,679

of the year when statistics are turned

2439

01:27:34,950 --> 01:27:32,960

in

2440

01:27:37,110 --> 01:27:34,960

my unit had a 90

2441

01:27:40,229 --> 01:27:37,120

crime clearance rate well nice the

2442

01:27:41,990 --> 01:27:40,239

closest unit to us had a 64 percent

2443

01:27:42,870 --> 01:27:42,000

crime clearance rate

2444

01:27:44,790 --> 01:27:42,880

so

2445

01:27:46,790 --> 01:27:44,800

we worked for a bureaucracy and what

2446

01:27:49,270 --> 01:27:46,800

does a bureaucracy do do they come and

2447

01:27:50,629 --> 01:27:49,280

say wow you guys are doing a great job

2448

01:27:52,950 --> 01:27:50,639

what is it that you're doing that's

2449

01:27:55,350 --> 01:27:52,960

different no they come to us and say you

2450

01:27:57,030 --> 01:27:55,360

must be lying we're going to audit you

2451

01:27:59,030 --> 01:27:57,040

all right excellent yeah

2452

01:28:00,870 --> 01:27:59,040

right you know i'm sure the military

2453

01:28:03,510 --> 01:28:00,880

works the same way that's the worst it's

2454

01:28:05,270 --> 01:28:03,520

too good to be true so they audited us

2455

01:28:07,990 --> 01:28:05,280

and and they were right we had lied we

2456

01:28:11,030 --> 01:28:08,000

had a 90.4 percent

2457

01:28:12,550 --> 01:28:11,040

um and and they still didn't ask what's

2458

01:28:14,390 --> 01:28:12,560

the difference but we knew what the

2459

01:28:17,030 --> 01:28:14,400

difference was and it was

2460

01:28:18,629 --> 01:28:17,040

interrogation and what we had found is

2461

01:28:20,149 --> 01:28:18,639

that um

2462

01:28:21,750 --> 01:28:20,159

you know you go to the police academy

2463

01:28:23,270 --> 01:28:21,760

they teach people how to drive fast

2464

01:28:24,870 --> 01:28:23,280

shoot straight and just enough of the

2465

01:28:26,149 --> 01:28:24,880

local penal code to get themselves in

2466

01:28:28,070 --> 01:28:26,159

trouble

2467

01:28:29,910 --> 01:28:28,080

i've been all over this country teaching

2468

01:28:32,470 --> 01:28:29,920

interrogation to cops and i have never

2469

01:28:34,709 --> 01:28:32,480

come across a police academy that has a

2470

01:28:38,709 --> 01:28:34,719

class in communication wow interesting

2471

01:28:40,870 --> 01:28:38,719

and what is 99 of our job it's

2472

01:28:42,390 --> 01:28:40,880

communicating i would think so right

2473

01:28:43,990 --> 01:28:42,400

we look at what's going on there's a

2474

01:28:46,149 --> 01:28:44,000

real crisis in law enforcement at the

2475

01:28:48,470 --> 01:28:46,159

moment and it's a communication crisis

2476

01:28:52,070 --> 01:28:48,480

is is a big part of what's happening

2477

01:28:54,070 --> 01:28:52,080

right um i mean i feel if i can take a a

2478

01:28:55,430 --> 01:28:54,080

a young detective and a young suspect

2479

01:28:57,270 --> 01:28:55,440

and give them both a phone and they can

2480

01:28:58,310 --> 01:28:57,280

text the interrogation to each other it

2481

01:28:59,590 --> 01:28:58,320

would be

2482

01:29:00,790 --> 01:28:59,600

because they don't want to talk to each

2483

01:29:02,070 --> 01:29:00,800

other right

2484

01:29:04,149 --> 01:29:02,080

wow that's interesting when you think

2485

01:29:06,229 --> 01:29:04,159

about i mean i know that's that's

2486

01:29:07,590 --> 01:29:06,239

kind of a crazy idea but would that hold

2487

01:29:09,110 --> 01:29:07,600

up if something like that happened do

2488

01:29:11,830 --> 01:29:09,120

you have to interrogate someone face to

2489

01:29:12,950 --> 01:29:11,840

face

2490

01:29:14,709 --> 01:29:12,960

you know

2491

01:29:17,590 --> 01:29:14,719

when you interrogate somebody face to

2492

01:29:19,750 --> 01:29:17,600

face it's unfortunately it's not like

2493

01:29:21,750 --> 01:29:19,760

you see on television

2494

01:29:23,590 --> 01:29:21,760

it's it's a whole different dynamic but

2495

01:29:25,830 --> 01:29:23,600

the problem is

2496

01:29:28,470 --> 01:29:25,840

because there's no training in this

2497

01:29:30,790 --> 01:29:28,480

cops do interrogations like they see

2498

01:29:32,950 --> 01:29:30,800

television

2499

01:29:35,350 --> 01:29:32,960

so when i'm watching shows like 48 hours

2500

01:29:36,870 --> 01:29:35,360

which are supposedly real cop shows

2501

01:29:37,830 --> 01:29:36,880

my wife makes me leave the room because

2502

01:29:39,030 --> 01:29:37,840

i'm yelling and screaming at the

2503

01:29:41,990 --> 01:29:39,040

television because they're doing

2504

01:29:44,629 --> 01:29:42,000

everything wrong right um

2505

01:29:47,350 --> 01:29:44,639

my statement is the success or failure

2506

01:29:49,189 --> 01:29:47,360

of interrogation is determined before

2507

01:29:51,430 --> 01:29:49,199

the first question is asked

2508

01:29:53,030 --> 01:29:51,440

okay by how the person looks you mean

2509

01:29:55,350 --> 01:29:53,040

well they look shady

2510

01:29:57,270 --> 01:29:55,360

when we do not approach interrogations

2511

01:29:58,390 --> 01:29:57,280

from a tactical point of view

2512

01:29:59,590 --> 01:29:58,400

everything else that we do in law

2513

01:30:01,110 --> 01:29:59,600

enforcement is approached through

2514

01:30:03,430 --> 01:30:01,120

tactics when you're responding to a

2515

01:30:04,950 --> 01:30:03,440

robbery call there's tactics involved

2516

01:30:06,470 --> 01:30:04,960

you know so you don't get shot you don't

2517

01:30:08,550 --> 01:30:06,480

get killed you know

2518

01:30:10,870 --> 01:30:08,560

people are kept safe all of those things

2519

01:30:14,550 --> 01:30:10,880

those tactics are taught

2520

01:30:16,390 --> 01:30:14,560

when it comes to interrogating somebody

2521

01:30:17,270 --> 01:30:16,400

99 of the cops i talked to i said what

2522

01:30:19,430 --> 01:30:17,280

do you do to prepare for an

2523

01:30:21,189 --> 01:30:19,440

interrogation well we read the crime

2524

01:30:22,470 --> 01:30:21,199

report we run the guy's record and i

2525

01:30:24,070 --> 01:30:22,480

look at my partner and say okay let's go

2526

01:30:27,669 --> 01:30:24,080

talk to this guy

2527

01:30:29,510 --> 01:30:27,679

that's an absolute recipe for disaster

2528

01:30:32,070 --> 01:30:29,520

because you are not approaching this

2529

01:30:35,189 --> 01:30:32,080

thing tactically so by the time i'm done

2530

01:30:38,470 --> 01:30:35,199

teaching a class there's 25 to 30 things

2531

01:30:40,390 --> 01:30:38,480

that that a detective needs to do before

2532

01:30:42,229 --> 01:30:40,400

he even goes in the room

2533

01:30:45,750 --> 01:30:42,239

to talk to the suspect

2534

01:30:46,950 --> 01:30:45,760

and it's those things that determine the

2535

01:30:49,430 --> 01:30:46,960

success of the invest of the

2536

01:30:51,990 --> 01:30:49,440

interrogation in the long run

2537

01:30:53,590 --> 01:30:52,000

um interesting how well they taught body

2538

01:30:54,629 --> 01:30:53,600

language and reading the eyes and all

2539

01:30:56,550 --> 01:30:54,639

that stuff

2540

01:30:58,790 --> 01:30:56,560

you know you know that that's a big part

2541

01:30:59,669 --> 01:30:58,800

of the major behaviors

2542

01:31:03,110 --> 01:30:59,679

um

2543

01:31:03,910 --> 01:31:03,120

one of the things with interrogations is

2544

01:31:06,310 --> 01:31:03,920

what's

2545

01:31:08,310 --> 01:31:06,320

what is a successful interrogation

2546

01:31:10,870 --> 01:31:08,320

is it coming out of the room with one of

2547

01:31:12,629 --> 01:31:10,880

those yellow legal pads completely

2548

01:31:13,910 --> 01:31:12,639

filled out by the suspect with every

2549

01:31:15,990 --> 01:31:13,920

single thing that he did and all the

2550

01:31:17,590 --> 01:31:16,000

eyes crossed and the t's dotted and his

2551

01:31:19,189 --> 01:31:17,600

signature at the bottom

2552

01:31:21,590 --> 01:31:19,199

if that's how we judge a successful

2553

01:31:24,310 --> 01:31:21,600

interrogation we're doing a really lousy

2554

01:31:26,070 --> 01:31:24,320

job of it because that really doesn't

2555

01:31:27,270 --> 01:31:26,080

happen and they certainly even if they

2556

01:31:30,629 --> 01:31:27,280

do write it out they're going to write

2557

01:31:32,629 --> 01:31:30,639

it in their best light yeah sure yeah

2558

01:31:34,709 --> 01:31:32,639

but that's a rare occurrence so

2559

01:31:37,669 --> 01:31:34,719

a successful interrogation is any time

2560

01:31:40,550 --> 01:31:37,679

you leave the room with anything that

2561

01:31:43,030 --> 01:31:40,560

will progress the investigation

2562

01:31:47,030 --> 01:31:43,040

okay right so you mean closer to the

2563

01:31:48,470 --> 01:31:47,040

truth if i have three guys

2564

01:31:50,070 --> 01:31:48,480

who we're looking at for a drive-by

2565

01:31:51,990 --> 01:31:50,080

shooting and i have each one of them in

2566

01:31:53,590 --> 01:31:52,000

a separate room and i go in and i

2567

01:31:55,990 --> 01:31:53,600

interview each one of them individually

2568

01:31:59,510 --> 01:31:56,000

and not one of them cops out

2569

01:32:01,590 --> 01:31:59,520

but one shows deceptive behaviors

2570

01:32:03,350 --> 01:32:01,600

it's a successful investigation well

2571

01:32:05,510 --> 01:32:03,360

sure it is because now where are we

2572

01:32:06,790 --> 01:32:05,520

going to put our limited resources

2573

01:32:09,030 --> 01:32:06,800

are we going to put it on the two guys

2574

01:32:10,470 --> 01:32:09,040

that don't show deceptive behavior no

2575

01:32:12,550 --> 01:32:10,480

target the guy that showed deceptive

2576

01:32:13,750 --> 01:32:12,560

behavior he means you want one you have

2577

01:32:16,950 --> 01:32:13,760

to suffer

2578

01:32:19,270 --> 01:32:16,960

so now uh we have a you know a target a

2579

01:32:22,629 --> 01:32:19,280

direction for the investigation

2580

01:32:24,790 --> 01:32:22,639

and so we have to start looking at uh

2581

01:32:26,629 --> 01:32:24,800

those types of things on a regular basis

2582

01:32:28,550 --> 01:32:26,639

right hey we're talking to paul bishop

2583

01:32:32,149 --> 01:32:28,560

author of lie catchers

2584

01:32:33,990 --> 01:32:32,159

uh which is out and he was with the lapd

2585

01:32:38,149 --> 01:32:34,000

as the detective for 30

2586

01:32:39,110 --> 01:32:38,159

35 years and um i got to ask you this um

2587

01:32:45,350 --> 01:32:39,120

you know

2588

01:32:47,110 --> 01:32:45,360

simpson case was were you any

2589

01:32:49,910 --> 01:32:47,120

involvement in that

2590

01:32:50,709 --> 01:32:49,920

well the o.j simpson case um

2591

01:33:00,950 --> 01:32:50,719

uh

2592

01:33:03,430 --> 01:33:00,960

involved in the case right so what

2593

01:33:06,550 --> 01:33:03,440

happened then what what happened okay so

2594

01:33:09,270 --> 01:33:06,560

i i use the oj simpson case as as the

2595

01:33:10,390 --> 01:33:09,280

worst example of interrogation in lapd

2596

01:33:11,270 --> 01:33:10,400

history

2597

01:33:13,189 --> 01:33:11,280

um

2598

01:33:15,430 --> 01:33:13,199

basically the night of the murder you

2599

01:33:16,390 --> 01:33:15,440

have o.j simpson in an interrogation

2600

01:33:17,189 --> 01:33:16,400

room

2601

01:33:19,189 --> 01:33:17,199

in

2602

01:33:21,750 --> 01:33:19,199

uh the central jail

2603

01:33:24,470 --> 01:33:21,760

with a lawyer he's a civil lawyer who

2604

01:33:27,189 --> 01:33:24,480

has allowed o.j to waive his rights

2605

01:33:29,990 --> 01:33:27,199

we now have two of the top robbery

2606

01:33:32,070 --> 01:33:30,000

homicide detectives who are going to go

2607

01:33:34,950 --> 01:33:32,080

and talk to oj

2608

01:33:36,390 --> 01:33:34,960

and they go in they spend 15 minutes

2609

01:33:38,629 --> 01:33:36,400

with him and i've seen the transcript

2610

01:33:41,590 --> 01:33:38,639

and i've read it numerous times

2611

01:33:43,990 --> 01:33:41,600

not once do they ask the question

2612

01:33:47,189 --> 01:33:44,000

did you do it

2613

01:33:49,590 --> 01:33:47,199

okay so why why why did you do that well

2614

01:33:52,070 --> 01:33:49,600

a couple of reasons o.j simpson was a

2615

01:33:54,870 --> 01:33:52,080

huge huge star

2616

01:33:58,229 --> 01:33:54,880

when it came to lapd you know usc star

2617

01:34:00,229 --> 01:33:58,239

nfl star movie star he was at every

2618

01:34:02,550 --> 01:34:00,239

single police function

2619

01:34:05,189 --> 01:34:02,560

christmas party golf tournament you know

2620

01:34:06,229 --> 01:34:05,199

he was really well liked yep this is jay

2621

01:34:11,590 --> 01:34:06,239

simpson

2622

01:34:14,870 --> 01:34:13,669

these guys didn't prepare for this they

2623

01:34:16,149 --> 01:34:14,880

didn't talk about what they were going

2624

01:34:17,669 --> 01:34:16,159

to do when they went in the room they

2625

01:34:19,510 --> 01:34:17,679

just looked at each other and said let's

2626

01:34:21,510 --> 01:34:19,520

go talk to oj yeah

2627

01:34:24,070 --> 01:34:21,520

now can you imagine if they had gotten a

2628

01:34:26,550 --> 01:34:24,080

confession at that time we never had the

2629

01:34:27,910 --> 01:34:26,560

five ring circus in the media that we

2630

01:34:29,830 --> 01:34:27,920

had right

2631

01:34:31,350 --> 01:34:29,840

in reality right we would have three

2632

01:34:33,110 --> 01:34:31,360

ring circus but we wouldn't have had

2633

01:34:34,550 --> 01:34:33,120

detectives giving up their own dna to

2634

01:34:37,750 --> 01:34:34,560

prove they weren't the suspects right

2635

01:34:39,030 --> 01:34:37,760

yes right i mean and that that to me and

2636

01:34:41,030 --> 01:34:39,040

you know this is really way of course

2637

01:34:42,550 --> 01:34:41,040

for this show but that to me was was

2638

01:34:43,750 --> 01:34:42,560

like

2639

01:34:46,229 --> 01:34:43,760

one of the beginnings one of the

2640

01:34:48,390 --> 01:34:46,239

stumbling blocks of how we and

2641

01:34:50,629 --> 01:34:48,400

for why we are the way we are these days

2642

01:34:52,310 --> 01:34:50,639

okay because all of a sudden no one

2643

01:34:53,750 --> 01:34:52,320

believed in the justice system you know

2644

01:34:55,270 --> 01:34:53,760

what i mean no one believed that you

2645

01:34:56,629 --> 01:34:55,280

knew you could fix it

2646

01:34:57,910 --> 01:34:56,639

you know and and he fixed it because he

2647

01:34:59,430 --> 01:34:57,920

was a lot more it was like watching a

2648

01:35:00,950 --> 01:34:59,440

sporting event because it was on tv it

2649

01:35:03,910 --> 01:35:00,960

was on the right almost a year we moved

2650

01:35:05,669 --> 01:35:03,920

to california one at that time and uh i

2651
01:35:07,430 --> 01:35:05,679
tell you what i had a crush on marcia

2652
01:35:09,910 --> 01:35:07,440
clark but really i'm not going to go

2653
01:35:11,910 --> 01:35:09,920
there they were all incompetent fools

2654
01:35:12,790 --> 01:35:11,920
definitely another show did you ever

2655
01:35:15,350 --> 01:35:12,800
come up

2656
01:35:16,950 --> 01:35:15,360
meet her oh marshall oh yes on many

2657
01:35:18,470 --> 01:35:16,960
occasions really yeah what'd she look

2658
01:35:21,189 --> 01:35:18,480
like in real life if you don't mind juan

2659
01:35:22,790 --> 01:35:21,199
juan asks i'm not gonna go there okay

2660
01:35:23,830 --> 01:35:22,800
excuse me i think that's that's your

2661
01:35:24,790 --> 01:35:23,840
answer

2662
01:35:26,070 --> 01:35:24,800
okay

2663
01:35:28,390 --> 01:35:26,080

um

2664

01:35:29,590 --> 01:35:28,400

so so i was just going to say so when so

2665

01:35:32,709 --> 01:35:29,600

you were saying so

2666

01:35:35,270 --> 01:35:32,719

that's how not to interrogate someone

2667

01:35:36,629 --> 01:35:35,280

but when you do see these um as you say

2668

01:35:38,070 --> 01:35:36,639

48 hours or something like that they

2669

01:35:39,910 --> 01:35:38,080

have the camera in the interrogation

2670

01:35:42,070 --> 01:35:39,920

room the person comes in and it seems

2671

01:35:43,750 --> 01:35:42,080

like you tried to get kumbaya with them

2672

01:35:45,590 --> 01:35:43,760

a little bit you try to get you know on

2673

01:35:47,350 --> 01:35:45,600

an equal level and then

2674

01:35:48,709 --> 01:35:47,360

you know when you see them do that are

2675

01:35:50,070 --> 01:35:48,719

they just praying that the person is

2676

01:35:52,950 --> 01:35:50,080

going to kind of break down and you know

2677

01:35:56,950 --> 01:35:54,550

you know it you

2678

01:35:58,310 --> 01:35:56,960

interrogation is a very intimate arc and

2679

01:36:00,229 --> 01:35:58,320

and the first thing you need to do is

2680

01:36:02,390 --> 01:36:00,239

get that big table in the room out of

2681

01:36:05,430 --> 01:36:02,400

the way you need to be sitting

2682

01:36:07,510 --> 01:36:05,440

with the suspect uh great interrogators

2683

01:36:09,990 --> 01:36:07,520

operate in that zero to one foot

2684

01:36:11,910 --> 01:36:10,000

personal space that's where i feel

2685

01:36:13,030 --> 01:36:11,920

comfortable as an interrogator i'm right

2686

01:36:15,110 --> 01:36:13,040

up in your grill you're very

2687

01:36:17,350 --> 01:36:15,120

uncomfortable with that but in doing

2688

01:36:19,270 --> 01:36:17,360

that i have raised your anxiety level

2689

01:36:21,830 --> 01:36:19,280

and raising your anxiety level is what

2690

01:36:23,990 --> 01:36:21,840

is going to get you to display deceptive

2691

01:36:25,830 --> 01:36:24,000

behaviors if indeed you are guilty one

2692

01:36:27,110 --> 01:36:25,840

one is taking this down every word every

2693

01:36:29,030 --> 01:36:27,120

letter thank you

2694

01:36:30,950 --> 01:36:29,040

we may need this go ahead please but

2695

01:36:33,350 --> 01:36:30,960

there's even simple questions that you

2696

01:36:35,830 --> 01:36:33,360

can ask that reveal an awful lot about a

2697

01:36:37,590 --> 01:36:35,840

suspect okay um the very first question

2698

01:36:38,870 --> 01:36:37,600

i might ask somebody is can you tell me

2699

01:36:40,709 --> 01:36:38,880

in your own words why you're down here

2700

01:36:42,629 --> 01:36:40,719

talking with me today

2701

01:36:44,790 --> 01:36:42,639

and innocent person will say well it's

2702

01:36:46,870 --> 01:36:44,800

about the stolen money from work

2703

01:36:49,189 --> 01:36:46,880

a guilty person may do one of two things

2704

01:36:50,470 --> 01:36:49,199

it might be well it's about the missing

2705

01:36:51,830 --> 01:36:50,480

money

2706

01:36:54,070 --> 01:36:51,840

okay there's a big difference between

2707

01:36:55,189 --> 01:36:54,080

stolen money and missing money yeah yeah

2708

01:36:56,870 --> 01:36:55,199

or

2709

01:36:58,870 --> 01:36:56,880

if i ask that question an innocent

2710

01:37:00,870 --> 01:36:58,880

person gives me that one sentence answer

2711

01:37:02,790 --> 01:37:00,880

it's about the stolen money a guilty

2712

01:37:04,149 --> 01:37:02,800

person five minutes later they're still

2713

01:37:05,750 --> 01:37:04,159

talking to me yes okay because they're

2714

01:37:07,990 --> 01:37:05,760

trying to get their nervousness out in

2715

01:37:09,910 --> 01:37:08,000

their alibi out mm-hmm okay so that one

2716

01:37:11,669 --> 01:37:09,920

question alone lets me know whether i'm

2717

01:37:12,870 --> 01:37:11,679

on the right track or not okay keep your

2718

01:37:15,109 --> 01:37:12,880

answers up

2719

01:37:17,430 --> 01:37:15,119

let me jump in with a question sure

2720

01:37:18,629 --> 01:37:17,440

help our audience that listens what is

2721

01:37:20,950 --> 01:37:18,639

the best

2722

01:37:22,950 --> 01:37:20,960

drama that you've seen that shows

2723

01:37:24,870 --> 01:37:22,960

interrogation maybe in like a movie or

2724

01:37:27,430 --> 01:37:24,880

television series i mean

2725

01:37:29,270 --> 01:37:27,440

what one shows the best techniques

2726

01:37:30,229 --> 01:37:29,280

well i think there was a show called lie

2727

01:37:32,950 --> 01:37:30,239

to me

2728

01:37:35,590 --> 01:37:32,960

um a few years ago yeah

2729

01:37:37,669 --> 01:37:35,600

that's that's my wife's favorite wow she

2730

01:37:40,070 --> 01:37:37,679

uses that as a baseline for you know it

2731

01:37:41,750 --> 01:37:40,080

was really based on the the science of

2732

01:37:45,030 --> 01:37:41,760

micro expressions

2733

01:37:47,430 --> 01:37:45,040

um taking paul ekman's course i i very

2734

01:37:50,470 --> 01:37:47,440

firm believer in micro expressions

2735

01:37:52,709 --> 01:37:50,480

the problem is that in the real world

2736

01:37:54,390 --> 01:37:52,719

um we don't have the time to have a

2737

01:37:56,629 --> 01:37:54,400

camera right on the suspect's face and

2738

01:37:58,790 --> 01:37:56,639

go through it frame by frame or video

2739

01:38:01,030 --> 01:37:58,800

second by video second to see those

2740

01:38:03,910 --> 01:38:01,040

micro expressions right plus i don't

2741

01:38:06,149 --> 01:38:03,920

need to the stuff i'm looking for is big

2742

01:38:07,750 --> 01:38:06,159

stuff and it's very clear as we go

2743

01:38:09,590 --> 01:38:07,760

through and we look for those things

2744

01:38:11,669 --> 01:38:09,600

those clusters of things it's not just

2745

01:38:13,430 --> 01:38:11,679

any one thing right if you see a body

2746

01:38:15,270 --> 01:38:13,440

language deception you'll also get a

2747

01:38:17,189 --> 01:38:15,280

verbal deception

2748

01:38:18,950 --> 01:38:17,199

and all of those things kind of come in

2749

01:38:20,790 --> 01:38:18,960

together

2750

01:38:22,070 --> 01:38:20,800

say to somebody uh can you tell me why

2751

01:38:23,669 --> 01:38:22,080

you're down here today well it's about

2752

01:38:24,790 --> 01:38:23,679

the bad thing that happened to mrs jones

2753

01:38:26,149 --> 01:38:24,800

huh

2754

01:38:27,270 --> 01:38:26,159

well wait a minute what are you laughing

2755

01:38:28,950 --> 01:38:27,280

about there was a bad thing that

2756

01:38:29,910 --> 01:38:28,960

happened to mrs jones yeah she was raped

2757

01:38:31,270 --> 01:38:29,920

and her hands were cut off so we

2758

01:38:32,550 --> 01:38:31,280

couldn't identify her that's kind of a

2759

01:38:34,149 --> 01:38:32,560

bad thing

2760

01:38:36,390 --> 01:38:34,159

so why are you laughing why are you

2761

01:38:38,870 --> 01:38:36,400

giving me that inappropriate laugh right

2762

01:38:41,430 --> 01:38:38,880

all those little things play into my

2763

01:38:43,669 --> 01:38:41,440

judgment of where this is going

2764

01:38:46,310 --> 01:38:43,679

um criminals you always hear that you

2765

01:38:48,550 --> 01:38:46,320

know um criminals aren't usually too

2766

01:38:50,629 --> 01:38:48,560

bright do you ever run into any

2767

01:38:52,790 --> 01:38:50,639

bright criminals

2768

01:38:54,470 --> 01:38:52,800

yeah um i mean there's as many bright

2769

01:38:56,070 --> 01:38:54,480

criminals as there are bright people i

2770

01:38:58,950 --> 01:38:56,080

mean it's it's you know they're they're

2771

01:39:01,590 --> 01:38:58,960

from all walks of life uh um but i i

2772

01:39:03,510 --> 01:39:01,600

love walking into an interrogation room

2773

01:39:05,189 --> 01:39:03,520

uh with a suspect who thinks he's a

2774

01:39:07,350 --> 01:39:05,199

rocket scientist and thinks i'm nothing

2775

01:39:08,149 --> 01:39:07,360

but a stupid policeman yeah oh man i can

2776

01:39:12,550 --> 01:39:08,159

just

2777

01:39:14,550 --> 01:39:12,560

i'm gonna i'm gonna tell him something

2778

01:39:15,910 --> 01:39:14,560

you know as opposed to him yeah oh yeah

2779

01:39:18,790 --> 01:39:15,920

you must just love him down there to

2780

01:39:21,189 --> 01:39:18,800

find out what i've got as opposed to

2781

01:39:23,270 --> 01:39:21,199

to be there to tell me anything

2782

01:39:25,669 --> 01:39:23,280

um but i'm able to work with that as

2783

01:39:27,350 --> 01:39:25,679

well right so you know there's a there's

2784

01:39:29,270 --> 01:39:27,360

a lot of stuff that goes into this it's

2785

01:39:31,669 --> 01:39:29,280

a very fine art it's like tom brady

2786

01:39:33,750 --> 01:39:31,679

under center uh at the first play of the

2787

01:39:35,830 --> 01:39:33,760

super bowl oh what's he thinking about

2788

01:39:37,350 --> 01:39:35,840

you're you're mentioning

2789

01:39:39,510 --> 01:39:37,360

what's he thinking about he's thinking

2790

01:39:40,629 --> 01:39:39,520

about winning ring number five of course

2791

01:39:42,149 --> 01:39:40,639

well i believe you're setting up the

2792

01:39:43,669 --> 01:39:42,159

perfect consideration

2793

01:39:45,030 --> 01:39:43,679

yeah maybe that's balanced now it's

2794

01:39:46,709 --> 01:39:45,040

under center and he's going wow this

2795

01:39:48,870 --> 01:39:46,719

guy's eyes have tightened up over the

2796

01:39:51,270 --> 01:39:48,880

off season or whatever right he's also

2797

01:39:53,109 --> 01:39:51,280

thinking about the play he called in

2798

01:39:55,830 --> 01:39:53,119

look at the matchups that are on the

2799

01:39:58,310 --> 01:39:55,840

defense um maybe i need to do an audible

2800

01:39:59,990 --> 01:39:58,320

what are the next five plays

2801
01:40:01,350 --> 01:40:00,000
and a half a second he's thinking about

2802
01:40:03,430 --> 01:40:01,360
he's thinking about that where's gizelle

2803
01:40:06,470 --> 01:40:03,440
what's she wearing today hey paul can

2804
01:40:19,030 --> 01:40:06,480
you refrain from tom brady yes uh hands

2805
01:40:22,790 --> 01:40:21,030
we have left so now you've you've told

2806
01:40:24,390 --> 01:40:22,800
us about you know this this incredible

2807
01:40:26,149 --> 01:40:24,400
career that you've had

2808
01:40:28,229 --> 01:40:26,159
and you know getting the real scumbags

2809
01:40:30,390 --> 01:40:28,239
off the street and then

2810
01:40:32,870 --> 01:40:30,400
as if that wasn't torture enough you've

2811
01:40:35,350 --> 01:40:32,880
turned into an author so you just like

2812
01:40:38,310 --> 01:40:35,360
punishment is that the angle

2813
01:40:40,709 --> 01:40:38,320

you know um i've been writing uh

2814

01:40:43,189 --> 01:40:40,719

professionally for 25 years now uh like

2815

01:40:45,350 --> 01:40:43,199

actors is my 15th novel um i've written

2816

01:40:47,750 --> 01:40:45,360

for television and feature films so i've

2817

01:40:50,390 --> 01:40:47,760

really had two two uh careers going on

2818

01:40:52,390 --> 01:40:50,400

at the same time but with livecatchers

2819

01:40:54,149 --> 01:40:52,400

um what i realized was

2820

01:40:56,229 --> 01:40:54,159

all the cops that i was talking to and

2821

01:40:57,910 --> 01:40:56,239

teaching even experienced guys didn't

2822

01:41:00,390 --> 01:40:57,920

know all this stuff about interrogation

2823

01:41:02,550 --> 01:41:00,400

so clearly my readers wouldn't right and

2824

01:41:04,149 --> 01:41:02,560

we're always looking for our own niche

2825

01:41:06,390 --> 01:41:04,159

and so what i did was i sat down to

2826

01:41:08,310 --> 01:41:06,400

write like hatcher's as close to

2827

01:41:10,790 --> 01:41:08,320

real world interrogation as i could get

2828

01:41:13,669 --> 01:41:10,800

within a fictional setting and

2829

01:41:15,750 --> 01:41:13,679

it seems to have uh you know it got two

2830

01:41:17,830 --> 01:41:15,760

best novel awards and and other things

2831

01:41:19,109 --> 01:41:17,840

so i seem to have done something right

2832

01:41:21,830 --> 01:41:19,119

nice that's wonderful so when you're

2833

01:41:23,750 --> 01:41:21,840

being interrogated woman you just give

2834

01:41:24,950 --> 01:41:23,760

short answers and you make like a guy

2835

01:41:26,149 --> 01:41:24,960

you don't really know what's going on

2836

01:41:27,990 --> 01:41:26,159

that sounds like i've got it down pat

2837

01:41:30,830 --> 01:41:28,000

i've got one more question for you

2838

01:41:34,229 --> 01:41:30,840

given your experience in the sex crime

2839

01:41:35,750 --> 01:41:34,239

arena how about your expertise maybe in

2840

01:41:39,669 --> 01:41:35,760

helping capture some of these terrorists

2841

01:41:39,679 --> 01:41:43,109

um

2842

01:41:48,950 --> 01:41:45,590

there really isn't much that ties in

2843

01:41:50,790 --> 01:41:48,960

between those two okay um i think the

2844

01:41:53,350 --> 01:41:50,800

you know we have you're listening to

2845

01:41:55,910 --> 01:41:53,360

love advice with leanne caller you're on

2846

01:41:57,430 --> 01:41:55,920

the air uh hi leanne long time listener

2847

01:41:59,350 --> 01:41:57,440

first time caller

2848

01:42:01,510 --> 01:41:59,360

why in your professional opinion do you

2849

01:42:02,629 --> 01:42:01,520

never take my calls off the air is this

2850

01:42:07,270 --> 01:42:02,639

carl

2851
01:42:08,629 --> 01:42:07,280
everything was great i thought uh well

2852
01:42:10,470 --> 01:42:08,639
you know

2853
01:42:12,470 --> 01:42:10,480
when you switched to geico you could

2854
01:42:15,189 --> 01:42:12,480
save a lot of money on car insurance

2855
01:42:17,590 --> 01:42:15,199
okay awesome you should call them i will

2856
01:42:19,669 --> 01:42:17,600
geico because saving 15 or more on car

2857
01:42:21,189 --> 01:42:19,679
insurance is always the great answer i

2858
01:42:24,149 --> 01:42:21,199
have a number of task force out there

2859
01:42:26,229 --> 01:42:24,159
with everybody working together um what

2860
01:42:29,189 --> 01:42:26,239
we're seeing in europe i don't know how

2861
01:42:31,350 --> 01:42:29,199
you stop that stuff because there's no

2862
01:42:33,669 --> 01:42:31,360
real major ties these are people that

2863
01:42:35,830 --> 01:42:33,679

are so loosely tied to the terrorist

2864

01:42:38,229 --> 01:42:35,840

organizations as to be you know a very

2865

01:42:40,870 --> 01:42:38,239

faint thread and they seem to be acting

2866

01:42:43,270 --> 01:42:40,880

on their own and acting out their anger

2867

01:42:45,750 --> 01:42:43,280

and i don't know that there's much right

2868

01:42:47,430 --> 01:42:45,760

now that can be done to stop that i mean

2869

01:42:49,350 --> 01:42:47,440

we always knew that in los angeles it

2870

01:42:51,030 --> 01:42:49,360

wasn't a matter of if a terrorist action

2871

01:42:53,189 --> 01:42:51,040

happens it's when a terrorist action

2872

01:42:55,430 --> 01:42:53,199

happens yep and i just wanted to be off

2873

01:42:57,109 --> 01:42:55,440

the job by the time it did yeah oh man

2874

01:42:58,950 --> 01:42:57,119

hey listen real quick mention your

2875

01:43:00,149 --> 01:42:58,960

facebook page how we uh first get to

2876

01:43:02,629 --> 01:43:00,159

know each other

2877

01:43:04,550 --> 01:43:02,639

i love you yeah um i i'm you can find my

2878

01:43:06,629 --> 01:43:04,560

my personal page of paul bishop or paul

2879

01:43:08,629 --> 01:43:06,639

bishop author is the the book page so

2880

01:43:11,510 --> 01:43:08,639

you can find both of those and then my

2881

01:43:14,550 --> 01:43:11,520

website is uh paulbishopbooks.com

2882

01:43:16,149 --> 01:43:14,560

okay and um the pulp book um page that

2883

01:43:18,229 --> 01:43:16,159

you're always on how we kind of met you

2884

01:43:19,750 --> 01:43:18,239

know i'm in the big i have a large pulp

2885

01:43:21,430 --> 01:43:19,760

collection of um

2886

01:43:24,149 --> 01:43:21,440

ace double science fictions i got like

2887

01:43:26,709 --> 01:43:24,159

about 400 of those uh those are cool

2888

01:43:29,030 --> 01:43:26,719

yeah and and um you know and i read that

2889

01:43:30,870 --> 01:43:29,040

um i'm always looking on uh options on

2890

01:43:32,310 --> 01:43:30,880

ebay just looking for old pulp books i

2891

01:43:34,790 --> 01:43:32,320

love reading them i just like the way

2892

01:43:37,750 --> 01:43:34,800

the style and you do too right

2893

01:43:39,590 --> 01:43:37,760

yeah um i'm more into the the pulp

2894

01:43:41,430 --> 01:43:39,600

westerns and and the westerns from the

2895

01:43:44,149 --> 01:43:41,440

50s and 60s and those great men's

2896

01:43:48,070 --> 01:43:44,159

adventure books uh of which wing man is

2897

01:43:50,629 --> 01:43:48,080

is really uh uh a prototype for for one

2898

01:43:54,550 --> 01:43:50,639

segment of those men's adventure stories

2899

01:43:57,750 --> 01:43:56,149

hey paul it's been great talking to you

2900

01:43:59,350 --> 01:43:57,760

thank you very much for helping me kind

2901
01:44:01,910 --> 01:43:59,360
of uh behind the scenes with wingman

2902
01:44:04,550 --> 01:44:01,920
really appreciate it and uh my pleasure

2903
01:44:06,470 --> 01:44:04,560
is paul bishop like hitches you know one

2904
01:44:08,950 --> 01:44:06,480
line get it fascinating

2905
01:44:10,629 --> 01:44:08,960
and uh join us again real soon okay

2906
01:44:13,109 --> 01:44:10,639
we'll do paul thank you very much paul

2907
01:44:14,470 --> 01:44:13,119
bishop everyone uh thank you and uh

2908
01:44:15,750 --> 01:44:14,480
we're gonna take a commercial break now

2909
01:44:17,350 --> 01:44:15,760
we'll be right back after this you're

2910
01:44:18,950 --> 01:44:17,360
listening to macmony's mill track style

2911
01:44:21,830 --> 01:44:18,960
show here on the distant thunder radio

2912
01:44:23,830 --> 01:44:21,840
network over the years air force major

2913
01:44:26,229 --> 01:44:23,840

hawk hunter and his band of patriotic

2914

01:44:28,870 --> 01:44:26,239

fighter pilots have fought tirelessly to

2915

01:44:31,750 --> 01:44:28,880

reunite a fractured america devastated

2916

01:44:34,070 --> 01:44:31,760

by a russian sneak attack

2917

01:44:37,189 --> 01:44:34,080

now returning from a mysterious space

2918

01:44:39,830 --> 01:44:37,199

odyssey hunter finds a huge russian army

2919

01:44:41,990 --> 01:44:39,840

occupying new york city ready to invade

2920

01:44:43,830 --> 01:44:42,000

the rest of america

2921

01:44:46,550 --> 01:44:43,840

buzzing through the city's skyscraper

2922

01:44:48,149 --> 01:44:46,560

canyons in a tiny top-secret ghost plane

2923

01:44:50,950 --> 01:44:48,159

and seeing the invader's massive

2924

01:44:52,790 --> 01:44:50,960

weaponry for himself hawk realizes he's

2925

01:44:55,350 --> 01:44:52,800

up against the greatest danger his

2926

01:44:57,430 --> 01:44:55,360

homeland has ever faced

2927

01:44:59,189 --> 01:44:57,440

but equally alarming are reports

2928

01:45:01,270 --> 01:44:59,199

claiming that hawke's former girlfriend

2929

01:45:03,430 --> 01:45:01,280

dominique is living with the head of the

2930

01:45:04,629 --> 01:45:03,440

russian secret police in a manhattan

2931

01:45:07,350 --> 01:45:04,639

penthouse

2932

01:45:07,880 --> 01:45:07,360

is she his prisoner or is she something

2933

01:45:09,270 --> 01:45:07,890

else

2934

01:45:11,109 --> 01:45:09,280

[Music]

2935

01:45:13,669 --> 01:45:11,119

with the woman in the country he loves

2936

01:45:16,229 --> 01:45:13,679

in dire peril hawk hunter the wingman

2937

01:45:17,910 --> 01:45:16,239

will apply all his aviation prowess to

2938

01:45:21,669 --> 01:45:17,920

launch the most crucial battle for

2939

01:45:23,910 --> 01:45:21,679

america yet no matter what the risks

2940

01:45:26,310 --> 01:45:23,920

filled with fast-paced action a wide

2941

01:45:28,229 --> 01:45:26,320

range of aircraft and military hardware

2942

01:45:30,709 --> 01:45:28,239

battle for america brings back your

2943

01:45:33,030 --> 01:45:30,719

favorite characters from earlier books

2944

01:45:35,510 --> 01:45:33,040

in the wingman series and delivers a

2945

01:45:37,910 --> 01:45:35,520

riveting story that reveals new insight

2946

01:45:39,669 --> 01:45:37,920

on america's most famous hero the

2947

01:45:45,590 --> 01:45:39,679

wingman

2948

01:45:48,730 --> 01:45:45,600

on sale now at amazon.com and available

2949

01:46:01,189 --> 01:45:48,740

at your local bookstore

2950

01:46:03,189 --> 01:46:01,199

[Music]

2951

01:46:05,910 --> 01:46:03,199

hi i'm christopher watkin and you're

2952

01:46:07,430 --> 01:46:05,920

listening to the mac maloney military

2953

01:46:10,709 --> 01:46:07,440

x-files show

2954

01:46:12,229 --> 01:46:10,719

on disney thunder radio network

2955

01:46:13,990 --> 01:46:12,239

hey welcome back everyone to macmillan's

2956

01:46:15,669 --> 01:46:14,000

military style show here on the disney

2957

01:46:16,870 --> 01:46:15,679

thunder radio network this is mac

2958

01:46:18,470 --> 01:46:16,880

maloney

2959

01:46:20,629 --> 01:46:18,480

in the studio with us tonight very

2960

01:46:22,709 --> 01:46:20,639

famous 101 is here hello mark good show

2961

01:46:24,709 --> 01:46:22,719

tonight his page attend thank you very

2962

01:46:27,990 --> 01:46:24,719

much you're welcome also one studio

2963

01:46:29,430 --> 01:46:28,000

behind us cobra is here

2964

01:46:32,310 --> 01:46:29,440

gentlemen

2965

01:46:33,750 --> 01:46:32,320

and um online with us on the phone with

2966

01:46:36,070 --> 01:46:33,760

us

2967

01:46:38,470 --> 01:46:36,080

switch reno up there in battle creek

2968

01:46:40,629 --> 01:46:38,480

michigan switchblade steve one what's

2969

01:46:43,270 --> 01:46:40,639

going on up there these days

2970

01:46:45,109 --> 01:46:43,280

well uh not too much uh you know changes

2971

01:46:47,750 --> 01:46:45,119

in weather and all that but i'm uh i'm

2972

01:46:49,350 --> 01:46:47,760

getting ready to go to the monster bash

2973

01:46:50,229 --> 01:46:49,360

this coming weekend

2974

01:46:51,750 --> 01:46:50,239

which is

2975

01:46:53,270 --> 01:46:51,760

uh that's kind of like a poor man's

2976

01:46:55,270 --> 01:46:53,280

comic con you know the same kind of

2977

01:46:59,590 --> 01:46:55,280

thing yes celebrities and so forth not

2978

01:47:02,229 --> 01:46:59,600

as big not as crowded uh in march

2979

01:47:04,870 --> 01:47:02,239

oh no no i'm just going as a paranormal

2980

01:47:06,950 --> 01:47:04,880

investigator i guess

2981

01:47:08,629 --> 01:47:06,960

levi's yeah he could always wear a rod

2982

01:47:10,709 --> 01:47:08,639

t-shirt

2983

01:47:13,109 --> 01:47:10,719

i could yes

2984

01:47:16,950 --> 01:47:14,950

followed by a dead silence yeah do some

2985

01:47:18,149 --> 01:47:16,960

shameless promotions yeah please yeah

2986

01:47:20,070 --> 01:47:18,159

you mean i have to i have to give up my

2987

01:47:21,910 --> 01:47:20,080

tony the tiger t-shirt i guess i could

2988

01:47:24,709 --> 01:47:21,920

give him a drum roll on that one that

2989

01:47:28,870 --> 01:47:26,470

so where where is it where is it uh

2990

01:47:32,550 --> 01:47:28,880

being held uh yeah mars pennsylvania

2991

01:47:35,109 --> 01:47:32,560

okay oh how appropriate how cute mars

2992

01:47:37,910 --> 01:47:35,119

and how far away is that from you

2993

01:47:38,950 --> 01:47:37,920

oh it's about uh four or five hours uh

2994

01:47:40,390 --> 01:47:38,960

we uh

2995

01:47:42,950 --> 01:47:40,400

several of us converge on a friend's

2996

01:47:44,310 --> 01:47:42,960

house in mercer pennsylvania and stay

2997

01:47:47,030 --> 01:47:44,320

there thursday night and then because

2998

01:47:47,910 --> 01:47:47,040

it's all day friday saturday and sunday

2999

01:47:52,390 --> 01:47:47,920

uh

3000

01:47:54,790 --> 01:47:52,400

remember larry storch right oh yeah sure

3001
01:47:55,669 --> 01:47:54,800
f funniest guy he's gonna be there wow

3002
01:47:57,270 --> 01:47:55,679
cool

3003
01:48:00,070 --> 01:47:57,280
remember that the cheesy erwin ellen

3004
01:48:01,910 --> 01:48:00,080
show land of the giants oh yeah yeah

3005
01:48:03,189 --> 01:48:01,920
well gary conway the guy that was kind

3006
01:48:05,510 --> 01:48:03,199
of the captain of the ship he was going

3007
01:48:08,310 --> 01:48:05,520
to be there yeah okay uh mighty joe

3008
01:48:10,070 --> 01:48:08,320
young the the movie mighty joe young yep

3009
01:48:12,470 --> 01:48:10,080
the movie you mean moved back in the 40s

3010
01:48:13,669 --> 01:48:12,480
that one yes exactly yeah uh the young

3011
01:48:15,669 --> 01:48:13,679
lady

3012
01:48:17,350 --> 01:48:15,679
that was in it who's not quite as young

3013
01:48:18,870 --> 01:48:17,360

now terry moore will be there as well as

3014

01:48:20,310 --> 01:48:18,880

well excellent there'll be quite a few

3015

01:48:21,669 --> 01:48:20,320

people yeah yeah i think mighty joe

3016

01:48:23,189 --> 01:48:21,679

young i think they just used the same

3017

01:48:24,950 --> 01:48:23,199

puppet they used in king kong we just

3018

01:48:26,229 --> 01:48:24,960

made them smaller and

3019

01:48:28,149 --> 01:48:26,239

i think they lightened up his fur a

3020

01:48:29,830 --> 01:48:28,159

little bit one-on-one

3021

01:48:31,430 --> 01:48:29,840

so so what happens so you go and you and

3022

01:48:33,400 --> 01:48:31,440

there's and there's uh the celebrities

3023

01:48:35,030 --> 01:48:33,410

there anyone in in is it um

3024

01:48:36,790 --> 01:48:35,040

[Music]

3025

01:48:38,390 --> 01:48:36,800

do they have the autograph tables and

3026

01:48:40,470 --> 01:48:38,400

that kind of stuff yeah they have

3027

01:48:42,470 --> 01:48:40,480

autograph tables they uh they interview

3028

01:48:44,310 --> 01:48:42,480

uh the celebrities and you get to ask

3029

01:48:46,310 --> 01:48:44,320

questions uh there's a guy there that

3030

01:48:48,149 --> 01:48:46,320

does a really excellent montage of all

3031

01:48:50,390 --> 01:48:48,159

their work you know you get clips of

3032

01:48:51,590 --> 01:48:50,400

things they've done right uh they have

3033

01:48:53,030 --> 01:48:51,600

you know all kinds of stuff going on

3034

01:48:54,709 --> 01:48:53,040

there it's a lot of fun right and again

3035

01:48:56,070 --> 01:48:54,719

it's not it's not as jam-packed i've

3036

01:48:58,390 --> 01:48:56,080

heard some horror stories about

3037

01:49:00,790 --> 01:48:58,400

comic-con about standing in lines and

3038

01:49:02,550 --> 01:49:00,800

right and usually the autographs are not

3039

01:49:04,709 --> 01:49:02,560

quite uh quite as

3040

01:49:06,149 --> 01:49:04,719

expensive right here they autographed

3041

01:49:08,390 --> 01:49:06,159

their old picture of when they were big

3042

01:49:10,470 --> 01:49:08,400

stars right that's what they do yeah

3043

01:49:13,030 --> 01:49:10,480

publicity shots of them when they're in

3044

01:49:14,950 --> 01:49:13,040

tv you know i got to just interject this

3045

01:49:16,790 --> 01:49:14,960

is i saw on

3046

01:49:17,830 --> 01:49:16,800

it wasn't on the news it was somewhere

3047

01:49:19,830 --> 01:49:17,840

else because i don't watch the news

3048

01:49:21,510 --> 01:49:19,840

anymore and the

3049

01:49:24,470 --> 01:49:21,520

city of los angeles

3050

01:49:26,229 --> 01:49:24,480

honored adam west after he passed away

3051

01:49:29,510 --> 01:49:26,239

and west of batman

3052

01:49:30,470 --> 01:49:29,520

they had they held this huge kind of um

3053

01:49:32,310 --> 01:49:30,480

rally

3054

01:49:34,390 --> 01:49:32,320

slash press conference out on the steps

3055

01:49:36,310 --> 01:49:34,400

of the courthouse

3056

01:49:38,310 --> 01:49:36,320

with the mayor and the chief of police

3057

01:49:39,669 --> 01:49:38,320

right there all right with the red phone

3058

01:49:41,030 --> 01:49:39,679

did you see it they had the red phone

3059

01:49:43,510 --> 01:49:41,040

with the light on it and then they they

3060

01:49:46,070 --> 01:49:43,520

shine the beacon they shine the beacon

3061

01:49:47,910 --> 01:49:46,080

yeah they put the bats yeah put the best

3062

01:49:49,910 --> 01:49:47,920

yeah yeah it was really cool anyone

3063

01:49:51,350 --> 01:49:49,920

remembers that show was like crazy man

3064

01:49:54,310 --> 01:49:51,360

but you look at it now it's funny

3065

01:49:56,629 --> 01:49:54,320

yourself did you look at on the batman

3066

01:49:58,790 --> 01:49:56,639

tv show the list of people who

3067

01:50:01,430 --> 01:49:58,800

participated in that show

3068

01:50:02,950 --> 01:50:01,440

his biggest big stars too big time there

3069

01:50:05,510 --> 01:50:02,960

might have been a good show to be in it

3070

01:50:08,629 --> 01:50:05,520

was the it show yep

3071

01:50:10,229 --> 01:50:08,639

yeah so anyway uh steve so um

3072

01:50:11,910 --> 01:50:10,239

um what's the name of this again the

3073

01:50:13,189 --> 01:50:11,920

monster mask they call it the monster

3074

01:50:15,910 --> 01:50:13,199

bash i guess they've been doing this for

3075

01:50:17,750 --> 01:50:15,920

about 20 years right okay all right yep

3076

01:50:18,629 --> 01:50:17,760

um i'd love stuff like that i love all

3077

01:50:20,550 --> 01:50:18,639

those

3078

01:50:22,070 --> 01:50:20,560

it wasn't irma allen he was the guy

3079

01:50:23,510 --> 01:50:22,080

right yeah voice at the bottom of the

3080

01:50:26,310 --> 01:50:23,520

sea and

3081

01:50:28,870 --> 01:50:26,320

uh time tunnel and they would do use the

3082

01:50:30,870 --> 01:50:28,880

same cheesy uh alien costumes passed

3083

01:50:33,030 --> 01:50:30,880

back and forth over and over and over

3084

01:50:34,790 --> 01:50:33,040

you know um and then lost in space he

3085

01:50:36,550 --> 01:50:34,800

did last in space too

3086

01:50:39,270 --> 01:50:36,560

yeah and they would take literally they

3087

01:50:41,270 --> 01:50:39,280

would take the the xerox machine

3088

01:50:42,870 --> 01:50:41,280

put it on the set put stuff on and they

3089

01:50:44,950 --> 01:50:42,880

believe it's an alien robot or something

3090

01:50:46,629 --> 01:50:44,960

like that that's how low the budget was

3091

01:50:47,430 --> 01:50:46,639

and this guy was like notoriously cheap

3092

01:50:49,270 --> 01:50:47,440

but

3093

01:51:05,270 --> 01:50:49,280

he was worse than ed wood then

3094

01:51:07,750 --> 01:51:06,550

i'm glad somebody in the room got it

3095

01:51:09,030 --> 01:51:07,760

thanks

3096

01:51:09,830 --> 01:51:09,040

do you want to repeat it i didn't hear

3097

01:51:11,990 --> 01:51:09,840

it

3098

01:51:12,950 --> 01:51:12,000

philip we were talking ed wood yes

3099

01:51:15,430 --> 01:51:12,960

because

3100

01:51:17,430 --> 01:51:15,440

yes and i said his most famous movie

3101

01:51:20,229 --> 01:51:17,440

playing nine from outer space but it's

3102

01:51:22,310 --> 01:51:20,239

not it what gave him his big break was

3103

01:51:24,470 --> 01:51:22,320

glenn or glenda right

3104

01:51:27,030 --> 01:51:24,480

and uh he she did not know which uh uh

3105

01:51:28,149 --> 01:51:27,040

laboratory to use apparently

3106

01:51:30,070 --> 01:51:28,159

that's the read letter you had to go

3107

01:51:31,350 --> 01:51:30,080

there

3108

01:51:36,950 --> 01:51:31,360

steve always says

3109

01:51:40,390 --> 01:51:38,390

oh my god if you haven't seen the movie

3110

01:51:42,470 --> 01:51:40,400

that johnny depp did about him

3111

01:51:45,030 --> 01:51:42,480

that is one of the best movies about the

3112

01:51:45,990 --> 01:51:45,040

craziness of bee hollywood ever yeah

3113

01:51:47,430 --> 01:51:46,000

yeah

3114

01:51:49,430 --> 01:51:47,440

i'll bet

3115

01:51:51,669 --> 01:51:49,440

oh my god is it good yeah and they say

3116

01:51:53,030 --> 01:51:51,679

that the run-in with orson welles is

3117

01:51:54,790 --> 01:51:53,040

true that he actually did have the

3118

01:51:56,070 --> 01:51:54,800

run-in with arsenal i'm sure austin

3119

01:51:57,510 --> 01:51:56,080

wells he's the guy

3120

01:51:58,950 --> 01:51:57,520

the only guy in hollywood who started at

3121

01:52:00,550 --> 01:51:58,960

the very top and worked his way all the

3122

01:52:01,669 --> 01:52:00,560

way down

3123

01:52:04,070 --> 01:52:01,679

making

3124

01:52:06,709 --> 01:52:04,080

at the end hey listen so um steve you

3125

01:52:08,070 --> 01:52:06,719

were telling us about the affair this um

3126
01:52:09,830 --> 01:52:08,080
these things that seem to happen up in

3127
01:52:11,030 --> 01:52:09,840
washington state is washington state

3128
01:52:12,950 --> 01:52:11,040
like the

3129
01:52:15,750 --> 01:52:12,960
biggest state for paranormal activity

3130
01:52:17,510 --> 01:52:15,760
are people reporting it or anything uh

3131
01:52:19,750 --> 01:52:17,520
no i think there's a lot of you know

3132
01:52:21,350 --> 01:52:19,760
we've talked a lot about hot spots on on

3133
01:52:23,830 --> 01:52:21,360
the show and it just turns out there's

3134
01:52:26,390 --> 01:52:23,840
another one of these uh hot spots it's

3135
01:52:29,109 --> 01:52:26,400
kind of a big bigfoot area but but we're

3136
01:52:31,430 --> 01:52:29,119
gonna start with uh you go back to april

3137
01:52:35,189 --> 01:52:31,440
1st 1959.

3138
01:52:37,109 --> 01:52:35,199

uh near orting that's ort ing washington

3139

01:52:39,669 --> 01:52:37,119

and there was a

3140

01:52:41,350 --> 01:52:39,679

some kind of a crash or collision a

3141

01:52:43,910 --> 01:52:41,360

c-118

3142

01:52:46,149 --> 01:52:43,920

had uh they there were four men on board

3143

01:52:47,669 --> 01:52:46,159

they took off from mccord air force base

3144

01:52:50,310 --> 01:52:47,679

tacoma washington

3145

01:52:52,149 --> 01:52:50,320

and a call went out may day may day we

3146

01:52:53,030 --> 01:52:52,159

hit something

3147

01:52:55,750 --> 01:52:53,040

and

3148

01:52:59,510 --> 01:52:55,760

that was it the plane came down four men

3149

01:53:01,990 --> 01:52:59,520

were dead on the side of a mountain

3150

01:53:03,109 --> 01:53:02,000

somewhere between summer and morning the

3151

01:53:06,950 --> 01:53:03,119

uh

3152

01:53:08,550 --> 01:53:06,960

the crash was immediately cordoned off

3153

01:53:10,870 --> 01:53:08,560

by the air force

3154

01:53:13,030 --> 01:53:10,880

uh april came in

3155

01:53:14,870 --> 01:53:13,040

got involved that was april the aerial

3156

01:53:17,030 --> 01:53:14,880

phenomena research organization long

3157

01:53:18,470 --> 01:53:17,040

defunct unfortunately but one of the

3158

01:53:21,109 --> 01:53:18,480

really uh

3159

01:53:23,270 --> 01:53:21,119

primary ufo organizations at the time

3160

01:53:25,270 --> 01:53:23,280

they located several witnesses that saw

3161

01:53:28,550 --> 01:53:25,280

this plane and they said that they saw

3162

01:53:31,109 --> 01:53:28,560

two orange yellow objects which seemed

3163

01:53:33,189 --> 01:53:31,119

to be in pursuit of the plane

3164

01:53:35,750 --> 01:53:33,199

now of course uh

3165

01:53:37,750 --> 01:53:35,760

the air force brushed it off they said

3166

01:53:39,910 --> 01:53:37,760

uh oh there's nothing to see here

3167

01:53:41,109 --> 01:53:39,920

they're just parachute flares right what

3168

01:53:43,589 --> 01:53:41,119

year was this

3169

01:53:44,629 --> 01:53:43,599

this is 1959. okay yep

3170

01:53:46,470 --> 01:53:44,639

now

3171

01:53:49,669 --> 01:53:46,480

flash forward we're going to go ahead to

3172

01:53:50,629 --> 01:53:49,679

about 1973 1974.

3173

01:53:54,149 --> 01:53:50,639

uh

3174

01:53:55,669 --> 01:53:54,159

a lady named sally shepard wolford she

3175

01:53:57,750 --> 01:53:55,679

and her family she and her husband john

3176

01:54:00,310 --> 01:53:57,760

and her three our three daughters

3177

01:54:02,149 --> 01:54:00,320

moved to the same general area

3178

01:54:04,229 --> 01:54:02,159

okay and they're right on the i think

3179

01:54:05,910 --> 01:54:04,239

it's that's pronounced the carbon river

3180

01:54:09,270 --> 01:54:05,920

crbon

3181

01:54:10,470 --> 01:54:09,280

uh the small small very small cabin uh

3182

01:54:12,070 --> 01:54:10,480

there's not not too many people that

3183

01:54:13,589 --> 01:54:12,080

live in this area

3184

01:54:15,750 --> 01:54:13,599

and uh

3185

01:54:17,109 --> 01:54:15,760

she has a neighbor named jody a native

3186

01:54:18,709 --> 01:54:17,119

american woman

3187

01:54:20,550 --> 01:54:18,719

well there's just a lot of really

3188

01:54:23,109 --> 01:54:20,560

strange stuff going on here but before i

3189

01:54:25,270 --> 01:54:23,119

get to that oh the other thing i'll get

3190

01:54:27,430 --> 01:54:25,280

to later is that uh

3191

01:54:28,870 --> 01:54:27,440

sally and john had a very famous

3192

01:54:29,910 --> 01:54:28,880

daughter yes

3193

01:54:32,390 --> 01:54:29,920

uh

3194

01:54:34,790 --> 01:54:32,400

autumn williams who is known as one of

3195

01:54:36,149 --> 01:54:34,800

the primary bigfoot researchers in uh

3196

01:54:38,229 --> 01:54:36,159

these days sorry it just sounds like a

3197

01:54:40,229 --> 01:54:38,239

stripper's name i'm sorry

3198

01:54:41,830 --> 01:54:40,239

i'm sure i'm sure autumn

3199

01:54:43,510 --> 01:54:41,840

stop saying that imitating put your

3200

01:54:46,310 --> 01:54:43,520

hands together ladies and gentlemen for

3201

01:54:48,790 --> 01:54:46,320

the lovely and talented autumn yes

3202

01:54:50,550 --> 01:54:48,800

and she is uh quite lovely and talented

3203

01:54:52,149 --> 01:54:50,560

i've seen her on she's been on several

3204

01:54:54,229 --> 01:54:52,159

reality shows and very

3205

01:54:55,350 --> 01:54:54,239

serious about her research

3206

01:54:58,870 --> 01:54:55,360

uh

3207

01:55:01,669 --> 01:54:58,880

but what they had they moved to a small

3208

01:55:03,990 --> 01:55:01,679

cabin and

3209

01:55:05,750 --> 01:55:04,000

sally had read an old book by frank

3210

01:55:08,470 --> 01:55:05,760

edwards i'm not sure which one it was i

3211

01:55:10,470 --> 01:55:08,480

tried to track it down but she read she

3212

01:55:12,470 --> 01:55:10,480

and her friend yody read about this

3213

01:55:13,990 --> 01:55:12,480

particular crash or collision or

3214

01:55:16,070 --> 01:55:14,000

whatever it was and it's right in their

3215

01:55:18,149 --> 01:55:16,080

area so they decided to go to the the

3216

01:55:19,990 --> 01:55:18,159

local paper there to see if they could

3217

01:55:21,270 --> 01:55:20,000

find anything in the archives

3218

01:55:23,910 --> 01:55:21,280

and they found there was some people had

3219

01:55:26,149 --> 01:55:23,920

purchased the the newspaper not to

3220

01:55:27,350 --> 01:55:26,159

you know maybe just a few years before

3221

01:55:29,109 --> 01:55:27,360

they said well things aren't too

3222

01:55:31,189 --> 01:55:29,119

organized but feel free to go through

3223

01:55:32,950 --> 01:55:31,199

all the the papers and they did

3224

01:55:35,430 --> 01:55:32,960

and they they organized the heads have

3225

01:55:37,030 --> 01:55:35,440

some that went back to the late 1800s so

3226

01:55:38,310 --> 01:55:37,040

they organized these papers it must have

3227

01:55:40,550 --> 01:55:38,320

been a weekly or something like that it

3228

01:55:41,510 --> 01:55:40,560

wasn't wasn't the daily paper

3229

01:55:43,109 --> 01:55:41,520

and

3230

01:55:44,149 --> 01:55:43,119

sure enough i mean you probably guessed

3231

01:55:48,790 --> 01:55:44,159

it

3232

01:55:50,550 --> 01:55:48,800

and several newspapers after that

3233

01:55:53,030 --> 01:55:50,560

several days after that there are no

3234

01:55:55,109 --> 01:55:53,040

issues wow so somebody had come in

3235

01:55:56,870 --> 01:55:55,119

apparently and just gotten rid of the

3236

01:55:59,430 --> 01:55:56,880

the evidence there

3237

01:56:01,589 --> 01:55:59,440

wow that's a little creepy

3238

01:56:03,350 --> 01:56:01,599

is a little weird um is there something

3239

01:56:04,950 --> 01:56:03,360

about um

3240

01:56:06,390 --> 01:56:04,960

i'll ask the same question again is

3241

01:56:07,589 --> 01:56:06,400

there is

3242

01:56:08,950 --> 01:56:07,599

is there something about washington

3243

01:56:11,750 --> 01:56:08,960

state that makes it like a different

3244

01:56:13,750 --> 01:56:11,760

kind of hot zone like down in

3245

01:56:15,589 --> 01:56:13,760

st louis valley in colorado they see us

3246

01:56:17,109 --> 01:56:15,599

they see like certain numbers of things

3247

01:56:19,750 --> 01:56:17,119

you know what i mean including flying

3248

01:56:21,189 --> 01:56:19,760

people it's the number of starbucks

3249

01:56:23,990 --> 01:56:21,199

there was a gentleman named paul was a

3250

01:56:27,109 --> 01:56:24,000

bigfoot researcher that uh

3251

01:56:29,189 --> 01:56:27,119

it turned out there was a uh a meteor

3252

01:56:30,950 --> 01:56:29,199

hit in the early 50s

3253

01:56:32,390 --> 01:56:30,960

and washington the university of

3254

01:56:34,550 --> 01:56:32,400

washington checked it out it was made

3255

01:56:35,750 --> 01:56:34,560

primarily of iron

3256

01:56:37,750 --> 01:56:35,760

and uh

3257

01:56:39,510 --> 01:56:37,760

one of the this guy felt that he talked

3258

01:56:41,669 --> 01:56:39,520

about several high strangers areas like

3259

01:56:43,990 --> 01:56:41,679

the you know east coast of uh florida

3260

01:56:46,629 --> 01:56:44,000

where there's a lot of uh you know the

3261

01:56:47,910 --> 01:56:46,639

bermuda triangle and pennsylvania and i

3262

01:56:50,390 --> 01:56:47,920

think he's talking about the spot that

3263

01:56:51,589 --> 01:56:50,400

stan gordon has covered uh

3264

01:56:52,550 --> 01:56:51,599

there's a

3265

01:56:53,990 --> 01:56:52,560

you know there's different different

3266

01:56:56,950 --> 01:56:54,000

types of uh

3267

01:56:58,070 --> 01:56:56,960

terrain and the a large iron content

3268

01:57:00,870 --> 01:56:58,080

seems to

3269

01:57:02,709 --> 01:57:00,880

uh be one of the factors really yeah i

3270

01:57:04,070 --> 01:57:02,719

mean

3271

01:57:06,550 --> 01:57:04,080

you know in the in the ground in the

3272

01:57:08,229 --> 01:57:06,560

terrain and so on right well just also

3273

01:57:10,709 --> 01:57:08,239

uh limestone and so forth a lot of

3274

01:57:15,350 --> 01:57:10,719

people think hauntings occur in there

3275

01:57:19,030 --> 01:57:17,270

go ahead i i never heard that but i can

3276

01:57:20,550 --> 01:57:19,040

almost see it in a way if you so there's

3277

01:57:22,709 --> 01:57:20,560

a lot of limestones around you see a lot

3278

01:57:25,669 --> 01:57:22,719

of ghosts there are a lot of theories

3279

01:57:28,629 --> 01:57:25,679

about the geography of the area being uh

3280

01:57:29,750 --> 01:57:28,639

conducive to this kind of thing right

3281

01:57:31,669 --> 01:57:29,760

wow

3282

01:57:33,669 --> 01:57:31,679

but uh

3283

01:57:35,189 --> 01:57:33,679

uh so what they what they had done they

3284

01:57:36,629 --> 01:57:35,199

had this small cabin they had a

3285

01:57:38,629 --> 01:57:36,639

originally they just had a stove where

3286

01:57:41,510 --> 01:57:38,639

they had to actually gather wood

3287

01:57:43,030 --> 01:57:41,520

to uh to fuel it well uh

3288

01:57:44,870 --> 01:57:43,040

sally and her daughter autumn when she

3289

01:57:46,149 --> 01:57:44,880

was only about three they went out

3290

01:57:47,350 --> 01:57:46,159

gathering wood

3291

01:57:49,750 --> 01:57:47,360

and

3292

01:57:52,229 --> 01:57:49,760

she you know it's a misty morning

3293

01:57:54,870 --> 01:57:52,239

they're in the woods and they see she

3294

01:57:56,310 --> 01:57:54,880

sees this seven foot bigfoot creature

3295

01:57:57,589 --> 01:57:56,320

days before this they'd heard things

3296

01:58:00,550 --> 01:57:57,599

moving around in the woods something

3297

01:58:02,550 --> 01:58:00,560

very large and powerful uh

3298

01:58:04,070 --> 01:58:02,560

and she even saw like hair caught up in

3299

01:58:05,990 --> 01:58:04,080

the tree like several feet up that

3300

01:58:07,669 --> 01:58:06,000

couldn't have been a conventional animal

3301

01:58:09,830 --> 01:58:07,679

wow wow

3302

01:58:12,070 --> 01:58:09,840

wow well that's you know people see

3303

01:58:14,870 --> 01:58:12,080

bigfoot a lot up there it seems you know

3304

01:58:17,109 --> 01:58:14,880

well they saw quite a few uh quite a few

3305

01:58:18,950 --> 01:58:17,119

sightings of bigfoot uh

3306

01:58:20,550 --> 01:58:18,960

autumn when she was a little girl she

3307

01:58:21,910 --> 01:58:20,560

didn't really think much of it she just

3308

01:58:22,790 --> 01:58:21,920

thought because they looked kind of

3309

01:58:24,310 --> 01:58:22,800

human

3310

01:58:26,310 --> 01:58:24,320

she just thought it was they were like

3311

01:58:28,470 --> 01:58:26,320

friends of her father yeah that's funny

3312

01:58:30,550 --> 01:58:28,480

big and hairy wow

3313

01:58:31,750 --> 01:58:30,560

you know i gotta i gotta just

3314

01:58:33,030 --> 01:58:31,760

ask you one question on the whole

3315

01:58:35,189 --> 01:58:33,040

bigfoot thing and i'm sure a lot of

3316

01:58:37,189 --> 01:58:35,199

people have asked the same question i

3317

01:58:39,510 --> 01:58:37,199

mean doesn't it seem like i i mean i've

3318

01:58:41,350 --> 01:58:39,520

seen documentaries where it's it's like

3319

01:58:42,950 --> 01:58:41,360

how can it be how could it not be

3320

01:58:45,109 --> 01:58:42,960

something what people think it was this

3321

01:58:47,589 --> 01:58:45,119

huge creature you know finding tracks

3322

01:58:49,750 --> 01:58:47,599

like five miles uh you know two or three

3323

01:58:51,510 --> 01:58:49,760

hour trek into the woods and there's

3324

01:58:54,149 --> 01:58:51,520

tracks there you know who would who what

3325

01:58:55,910 --> 01:58:54,159

hoaxer would do that you know

3326

01:58:57,589 --> 01:58:55,920

um but

3327

01:58:59,189 --> 01:58:57,599

why don't they find their bodies why

3328

01:59:01,189 --> 01:58:59,199

don't they find their

3329

01:59:02,550 --> 01:59:01,199

you know you find deer carcasses you

3330

01:59:04,550 --> 01:59:02,560

find you know

3331

01:59:06,149 --> 01:59:04,560

waste material yeah

3332

01:59:08,790 --> 01:59:06,159

why none of that

3333

01:59:10,550 --> 01:59:08,800

okay then perhaps we should uh continue

3334

01:59:12,709 --> 01:59:10,560

this maybe have a cliffhanger because

3335

01:59:15,270 --> 01:59:12,719

there's a lot of really bizarre elements

3336

01:59:16,470 --> 01:59:15,280

that happen during this this uh these

3337

01:59:19,350 --> 01:59:16,480

occurrences

3338

01:59:22,310 --> 01:59:19,360

and you talk about why you know why they

3339

01:59:23,910 --> 01:59:22,320

don't see them well uh

3340

01:59:27,109 --> 01:59:23,920

they actually uh

3341

01:59:28,390 --> 01:59:27,119

yody's uh uh daughter emily

3342

01:59:31,750 --> 01:59:28,400

actually saw one of these things just

3343

01:59:35,430 --> 01:59:34,070

sally's husband john who had been a a

3344

01:59:37,750 --> 01:59:35,440

real skeptic

3345

01:59:39,669 --> 01:59:37,760

they'd had a flood and she's he saw one

3346

01:59:41,510 --> 01:59:39,679

of these things across the bank but he

3347

01:59:43,589 --> 01:59:41,520

still was in denial until one night they

3348

01:59:46,310 --> 01:59:43,599

had all this bizarre activity them and

3349

01:59:49,109 --> 01:59:46,320

the neighbors he actually saw footprints

3350

01:59:51,350 --> 01:59:49,119

appearing in the dirt in the pathway to

3351

01:59:53,189 --> 01:59:51,360

the houses but he didn't actually see

3352

01:59:54,229 --> 01:59:53,199

anything there was no body there oh that

3353

01:59:56,149 --> 01:59:54,239

is not

3354

02:00:01,189 --> 01:59:56,159

that's that's you know chilling so what

3355

02:00:04,950 --> 02:00:03,270

maybe a paranormal angle to this you

3356

02:00:06,709 --> 02:00:04,960

know as opposed to something definitely

3357

02:00:08,070 --> 02:00:06,719

because it really we're actually going

3358

02:00:09,270 --> 02:00:08,080

to get into the

3359

02:00:11,430 --> 02:00:09,280

men in black

3360

02:00:12,550 --> 02:00:11,440

when we get to the part two of this

3361

02:00:15,030 --> 02:00:12,560

okay

3362

02:00:16,550 --> 02:00:15,040

thank you very much steve for joining us

3363

02:00:17,510 --> 02:00:16,560

as always

3364

02:00:19,589 --> 02:00:17,520

um

3365

02:00:21,750 --> 02:00:19,599

and my pleasure yeah we will see you

3366

02:00:23,430 --> 02:00:21,760

listen to you hear you next week

3367

02:00:25,589 --> 02:00:23,440

and uh maybe i can give a little update

3368

02:00:27,830 --> 02:00:25,599

also on uh the fun i had of the monster

3369

02:00:29,589 --> 02:00:27,840

bash as well yes okay we'll send you a

3370

02:00:31,030 --> 02:00:29,599

check if you uh one will send you send

3371

02:00:32,629 --> 02:00:31,040

us a poster

3372

02:00:34,629 --> 02:00:32,639

if you want to wear the t-shirt well too

3373

02:00:36,149 --> 02:00:34,639

if you wear the t-shirt you'll get a

3374

02:00:36,950 --> 02:00:36,159

three figure check in the mail from one

3375

02:00:42,550 --> 02:00:36,960

one

3376

02:00:47,109 --> 02:00:44,390

i mean that's my tom brady account dick

3377

02:00:48,149 --> 02:00:47,119

oh man we had to bring him into it

3378

02:00:49,510 --> 02:00:48,159

thanks steve

3379

02:00:50,310 --> 02:00:49,520

all right steve you're good talk to you

3380

02:00:51,830 --> 02:00:50,320

soon

3381

02:00:53,430 --> 02:00:51,840

bye

3382

02:00:55,109 --> 02:00:53,440

guess what guys it's the end of the show

3383

02:00:57,189 --> 02:00:55,119

no way does it seem like we've been here

3384

02:00:59,189 --> 02:00:57,199

like 12 hours no it's actually time

3385

02:01:00,950 --> 02:00:59,199

flies when we're having so much fun no

3386

02:01:02,310 --> 02:01:00,960

it seems like half an hour okay i don't

3387

02:01:04,070 --> 02:01:02,320

know where you've been but maybe the

3388

02:01:07,109 --> 02:01:04,080

aliens you know

3389

02:01:09,109 --> 02:01:07,119

you lost some time there yeah i think so

3390

02:01:10,470 --> 02:01:09,119

thanks to everyone who joined us tonight

3391

02:01:13,030 --> 02:01:10,480

um

3392

02:01:14,790 --> 02:01:13,040

ben davis down there in florida you know

3393

02:01:16,790 --> 02:01:14,800

fighting the good fight against just

3394

02:01:18,470 --> 02:01:16,800

about everybody on the planet

3395

02:01:20,149 --> 02:01:18,480

um

3396

02:01:21,669 --> 02:01:20,159

our good friend paul bishop you know

3397

02:01:24,229 --> 02:01:21,679

hopefully he's our friend now he's the

3398

02:01:25,830 --> 02:01:24,239

best detective in uh los angeles

3399

02:01:27,270 --> 02:01:25,840

uh talking about interrogation

3400

02:01:29,350 --> 02:01:27,280

techniques i think we should all that's

3401

02:01:30,550 --> 02:01:29,360

pretty good memorizing the classes and i

3402

02:01:32,629 --> 02:01:30,560

think that's what he does he gives

3403

02:01:34,629 --> 02:01:32,639

classes on it right yeah yeah and for

3404

02:01:36,950 --> 02:01:34,639

him to call in some night and and talk

3405

02:01:38,950 --> 02:01:36,960

about the in the interrogation of lehigh

3406

02:01:40,149 --> 02:01:38,960

oswald and what this guy did and it

3407

02:01:42,550 --> 02:01:40,159

really leads you to believe that he was

3408

02:01:44,790 --> 02:01:42,560

trained spy the stuff that he was doing

3409

02:01:48,950 --> 02:01:44,800

anyway that would be a cool segment

3410

02:01:51,589 --> 02:01:48,960

um and uh of course rob beckhausen

3411

02:01:54,070 --> 02:01:51,599

and switcherino thanks for joining us

3412

02:01:56,070 --> 02:01:54,080

lois lane thank you for joining us

3413

02:01:57,270 --> 02:01:56,080

gum drops the cog you might end up in

3414

02:02:01,750 --> 02:01:57,280

the cutting room

3415

02:02:05,430 --> 02:02:04,070

commander is always awesome yeah it

3416

02:02:07,830 --> 02:02:05,440

sounds like we just woke him up in there

3417

02:02:09,109 --> 02:02:07,840

you know we could see his this boots

3418

02:02:10,310 --> 02:02:09,119

yeah it looks like he's in a reclining

3419

02:02:11,910 --> 02:02:10,320

position is that right you see better

3420

02:02:15,109 --> 02:02:11,920

than me nope i'm just trying to keep the

3421

02:02:17,109 --> 02:02:15,119

g horses down oh okay yeah just alert

3422

02:02:20,470 --> 02:02:17,119

thank you

3423

02:02:22,629 --> 02:02:20,480

tonight and we'll be here next week

3424

02:02:23,669 --> 02:02:22,639

until then this is mac morningfield gang

3425

02:02:27,350 --> 02:02:23,679

saying
