and now for another exciting interview

6  
00:00:44,270 --> 00:00:41,070  
with paranormal experts in this world

7  
00:00:51,060 --> 00:00:44,280  
and here's your host paranormal

8  
00:00:51,070 --> 00:01:05,859  
[Music]

9  
00:01:12,859 --> 00:01:09,130  
Patricia Baker I'm here with my co-host

10  
00:01:17,990 --> 00:01:12,869  
Patricia Kirkman PJ all the way from

11  
00:01:21,350 --> 00:01:18,000  
scorching-hot to scenario 911 you tell

12  
00:01:23,330 --> 00:01:21,360  
me that's all bye - patios 1-7 right now

13  
00:01:26,149 --> 00:01:23,340

they said it's really get down to it

14

00:01:28,609 --> 00:01:26,159

it's good start to drop its the fires

15

00:01:32,179 --> 00:01:28,619

around us and I'm more concerned about I

16

00:01:34,160 --> 00:01:32,189

say I was reading about that inside on

17

00:01:36,410 --> 00:01:34,170

the news you've got another bad fire

18

00:01:38,539 --> 00:01:36,420

nearby yes

19

00:01:40,699 --> 00:01:38,549

the Maddow eye there's what they call

20

00:01:42,620 --> 00:01:40,709

summer Haven those that people have

21

00:01:44,089 --> 00:01:42,630

already been evacuated back may close

22

00:01:47,719 --> 00:01:44,099

down those ad Rhoda

23

00:01:51,199 --> 00:01:47,729

so it's a little skittish just say at

24

00:01:54,050 --> 00:01:51,209

least the scary stuff fires especially

25

00:01:56,089 --> 00:01:54,060

oh my god where you're located well

26  
00:01:58,190 --> 00:01:56,099  
we're going to say some prayers tonight

27  
00:01:59,839 --> 00:01:58,200  
we have a great guest we're going to be

28  
00:02:02,419 --> 00:01:59,849  
introducing shortly

29  
00:02:04,460 --> 00:02:02,429  
Christopher Macklin he is a healing

30  
00:02:06,260 --> 00:02:04,470  
minister he's here with us tonight he's

31  
00:02:09,830 --> 00:02:06,270  
going to heal our audience what a

32  
00:02:11,539 --> 00:02:09,840  
blessing so we are lucky yes we're so

33  
00:02:13,160 --> 00:02:11,549  
lucky to have him he's the author of two

34  
00:02:16,430 --> 00:02:13,170  
books we're going to say more about him

35  
00:02:19,910 --> 00:02:16,440  
shortly but first let's go down with the

36  
00:02:21,800 --> 00:02:19,920  
numbers what's happening well we call

37  
00:02:23,960 --> 00:02:21,810  
this is a month where everybody's more

38  
00:02:25,580 --> 00:02:23,970

concerned about their dollars in lack of

39

00:02:28,280 --> 00:02:25,590

sense let's put it that way

40

00:02:30,349 --> 00:02:28,290

it's about people wanting to be in

41

00:02:32,660 --> 00:02:30,359

control they're really not being nice to

42

00:02:34,220 --> 00:02:32,670

one another right now and if you

43

00:02:35,690 --> 00:02:34,230

remember last week I said something was

44

00:02:38,599 --> 00:02:35,700

going to show up before this week

45

00:02:41,390 --> 00:02:38,609

started and of course North Korea

46

00:02:44,080 --> 00:02:41,400

stepped right in I don't like them

47

00:02:46,940 --> 00:02:44,090

fulfilling what I'm picking up but

48

00:02:50,870 --> 00:02:46,950

people that feel that they're boring

49

00:02:53,569 --> 00:02:50,880

control of everyone else that's the

50

00:02:55,490 --> 00:02:53,579

problem we're all here together you know

51  
00:02:57,860 --> 00:02:55,500  
kind of let's hold hands and chain link

52  
00:03:00,170 --> 00:02:57,870  
it to make it better instead of punching

53  
00:03:02,870 --> 00:03:00,180  
users chance to get but everything is

54  
00:03:04,670 --> 00:03:02,880  
about finances this month and those that

55  
00:03:06,589 --> 00:03:04,680  
want to be in control regardless of

56  
00:03:09,349 --> 00:03:06,599  
whether they deserve it or not that's

57  
00:03:12,140 --> 00:03:09,359  
where the problem comes in it's going to

58  
00:03:13,759 --> 00:03:12,150  
be in Valletta comma yeah it sounds very

59  
00:03:15,350 --> 00:03:13,769  
challenging and you know I always said

60  
00:03:17,539 --> 00:03:15,360  
and I think you did - or you at least

61  
00:03:18,170 --> 00:03:17,549  
agree with me that the country to watch

62  
00:03:19,970 --> 00:03:18,180  
it was

63  
00:03:23,240 --> 00:03:19,980

most frightening would be North Korea

64  
00:03:24,740 --> 00:03:23,250  
yeah you know much as people made fun of

65  
00:03:26,149 --> 00:03:24,750  
them in the past and said they were

66  
00:03:28,880 --> 00:03:26,159  
never going to you know be able to

67  
00:03:31,160 --> 00:03:28,890  
accomplish these gracious goals of

68  
00:03:34,039 --> 00:03:31,170  
attacking us a most certainly Kent and

69  
00:03:36,800 --> 00:03:34,049  
it's something that I I know the current

70  
00:03:40,099 --> 00:03:36,810  
administration has a close eye on but it

71  
00:03:42,080 --> 00:03:40,109  
it is really a frightening thing with

72  
00:03:43,009 --> 00:03:42,090  
that country even if they were the worst

73  
00:03:45,440 --> 00:03:43,019  
of the worst

74  
00:03:47,569 --> 00:03:45,450  
everywhere they say every box I'd the

75  
00:03:49,069 --> 00:03:47,579  
hole eventually that's what I'm worried

76

00:03:52,220 --> 00:03:49,079

about that they're going to find their

77

00:03:55,280 --> 00:03:52,230

quote one entry into things by accident

78

00:03:58,429 --> 00:03:55,290

not necessarily by choice or artists

79

00:04:00,800 --> 00:03:58,439

exactly yes I feel the same way you do

80

00:04:03,020 --> 00:04:00,810

that's to be one lucky shot we don't

81

00:04:04,399 --> 00:04:03,030

want to see that happen so we've had to

82

00:04:07,309 --> 00:04:04,409

put our energies in the right direction

83

00:04:11,360 --> 00:04:07,319

but first you've got some paranormal

84

00:04:13,429 --> 00:04:11,370

news to talk about oh my god now

85

00:04:15,679 --> 00:04:13,439

everybody's got to go to the Facebook

86

00:04:17,599 --> 00:04:15,689

page is supernatural Girls Facebook page

87

00:04:21,349 --> 00:04:17,609

we've got some great stories but what

88

00:04:23,930 --> 00:04:21,359

we're talking about tonight is a baby

89  
00:04:27,950 --> 00:04:23,940  
camp yeah where the parents are watching

90  
00:04:32,420 --> 00:04:27,960  
their baby but guess what they see next

91  
00:04:33,890 --> 00:04:32,430  
to their baby is a ghost baby okay I

92  
00:04:37,129 --> 00:04:33,900  
mean you saw it

93  
00:04:39,680 --> 00:04:37,139  
piqué well I kept it up on my webpage

94  
00:04:41,120 --> 00:04:39,690  
because I'm looking at it I'm going it

95  
00:04:44,750 --> 00:04:41,130  
at first I thought well maybe it's the

96  
00:04:46,520 --> 00:04:44,760  
child an imprint of the child yeah yeah

97  
00:04:48,050 --> 00:04:46,530  
I guess right right but I'm looking at

98  
00:04:50,960 --> 00:04:48,060  
it but the features aren't the same

99  
00:04:53,029 --> 00:04:50,970  
there's enough of a difference that it

100  
00:04:57,379 --> 00:04:53,039  
certainly is not the same child it's not

101

00:05:00,080 --> 00:04:57,389

a photo image so it's a little strange

102

00:05:02,839 --> 00:05:00,090

and we had the parents in sound that

103

00:05:04,129 --> 00:05:02,849

concerned well though the couple they

104

00:05:06,800 --> 00:05:04,139

don't have to change an extra set of

105

00:05:09,320 --> 00:05:06,810

diapers so they're not worried I'm

106

00:05:11,390 --> 00:05:09,330

telling you I would be out of my mind

107

00:05:12,860 --> 00:05:11,400

I mean even though they started with

108

00:05:15,920 --> 00:05:12,870

innocence they were concerned because

109

00:05:16,760 --> 00:05:15,930

their baby wasn't concerned I don't know

110

00:05:19,610 --> 00:05:16,770

about that

111

00:05:22,670 --> 00:05:19,620

I'd want to dig a little deeper to find

112

00:05:24,950 --> 00:05:22,680

out more about that Ghost child so it

113

00:05:26,779 --> 00:05:24,960

may have been that if you think about

114

00:05:29,659 --> 00:05:26,789

hypothetically maybe the child was a

115

00:05:32,129 --> 00:05:29,669

twin well it's quite possible now if

116

00:05:33,209 --> 00:05:32,139

that were the case then

117

00:05:35,730 --> 00:05:33,219

something different other than iron

118

00:05:37,890 --> 00:05:35,740

stencil you to that so they don't know

119

00:05:39,869 --> 00:05:37,900

but everywhere in the quick planning you

120

00:05:41,969 --> 00:05:39,879

know when they went to started it means

121

00:05:43,580 --> 00:05:41,979

this sought me again that they wanted to

122

00:05:47,999 --> 00:05:43,590

be twins and one decided to check out

123

00:05:50,909 --> 00:05:48,009

it's quite possible my possible my god I

124

00:05:55,379 --> 00:05:50,919

mean both look at Akane on the Facebook

125

00:05:57,510 --> 00:05:55,389

page it is an amazing amazing still shot

126

00:05:59,580 --> 00:05:57,520

that they have there as well as the

127

00:06:01,739 --> 00:05:59,590

story don't miss it it is really

128

00:06:04,499 --> 00:06:01,749

incredible the veils getting Center and

129

00:06:06,059 --> 00:06:04,509

130

00:06:08,899 --> 00:06:06,069

right it's definitely definite what up

132

00:06:15,390 --> 00:06:11,349

from being healed the thing to stand in

147

00:06:59,519 --> 00:06:56,020

00:08:13,800 --> 00:08:11,860

and the age of four I strum Anunnaki

178

00:08:16,709 --> 00:08:13,810

sitting on the bottom embedder oh my god

179

00:08:18,839 --> 00:08:16,719

there's a reptilian you know oh darling

180

00:08:22,110 --> 00:08:18,849

it's just you know it's just imagination

181

00:08:24,689 --> 00:08:22,120

but it's there you know and it kind of

182

00:08:26,369 --> 00:08:24,699

snarling and you know that darkest heck

183

00:08:28,760 --> 00:08:26,379

feeling you get in your heart all this

184

00:08:31,619 --> 00:08:28,770

things not good you know and so you fall

185

00:08:33,630 --> 00:08:31,629

anyway go back to bed you know so father

186

00:08:35,459 --> 00:08:33,640

goes out it's still sitting there you

187

00:08:38,819 --> 00:08:35,469

know and so I very load very quick

188

00:08:39,389 --> 00:08:38,829

lodges do now my bedroom it went oh that

189

00:08:43,409 --> 00:08:39,399

works

190

00:08:45,389 --> 00:08:43,419

oh I've got this inner power you know so

191

00:08:47,840 --> 00:08:45,399

anyway they kept coming around got rid

192

00:08:50,040 --> 00:08:47,850

of them the ledger they gave up and then

193

00:08:52,139 --> 00:08:50,050

later on I was seeing like ships as I

194

00:08:53,790 --> 00:08:52,149

dived as there's a craft in the sky oh

195

00:08:55,800 --> 00:08:53,800

it's just imagination you know no I

196

00:08:57,150 --> 00:08:55,810

think I realized very quickly if I kept

197

00:08:58,530 --> 00:08:57,160

doing this he's going to send me down

198

00:09:01,110 --> 00:08:58,540

the hospital and probably give you some

199

00:09:02,910 --> 00:09:01,120

tranquilizers and we know so I learned

200

00:09:04,050 --> 00:09:02,920

very I love very quickly to manage it

201  
00:09:06,180 --> 00:09:04,060  
myself and I realize other people

202  
00:09:07,259 --> 00:09:06,190  
conceiving I can see people around I can

203  
00:09:10,050 --> 00:09:07,269  
see through the veil I could see

204  
00:09:12,420 --> 00:09:10,060  
reptilians you know walking down around

205  
00:09:14,130 --> 00:09:12,430  
people you know attached to them hello

206  
00:09:15,750 --> 00:09:14,140  
he's got up to the on but you couldn't

207  
00:09:18,060 --> 00:09:15,760  
tell people that so eventually I just

208  
00:09:21,030 --> 00:09:18,070  
looked yeah let me ask you because you

209  
00:09:23,220 --> 00:09:21,040  
say you saw these reptilians attached to

210  
00:09:25,230 --> 00:09:23,230  
people I mean what did they look like I

211  
00:09:28,139 --> 00:09:25,240  
mean were they like literally hanging on

212  
00:09:30,329 --> 00:09:28,149  
them in some way I mean I really need to

213  
00:09:32,490 --> 00:09:30,339

say attached they kind of sit me up them

214

00:09:34,319 --> 00:09:32,500

you can see that their abdomen came out

215

00:09:36,810 --> 00:09:34,329

they kind of sit in the abdomen they and

216

00:09:38,759 --> 00:09:36,820

they hang on the shoulders and then half

217

00:09:44,189 --> 00:09:38,769

and then they got above them and you

218

00:09:45,509 --> 00:09:44,199

look at this go wow it's a good so what

219

00:09:47,040 --> 00:09:45,519

I learned to shut it off as well I can

220

00:09:48,120 --> 00:09:47,050

switch it on off shut it off because you

221

00:09:49,500 --> 00:09:48,130

don't want to see all the time when

222

00:09:51,269 --> 00:09:49,510

you're monks people you don't want to go

223

00:09:53,250 --> 00:09:51,279

in a huge crowd and see all this we're

224

00:09:55,079 --> 00:09:53,260

up to the manipulation so I'm able to

225

00:09:57,090 --> 00:09:55,089

shut it down it's weird you can switch

226

00:09:59,670 --> 00:09:57,100

it out and it's really useful because

227

00:10:01,320 --> 00:09:59,680

when you when you're healing people

228

00:10:03,060 --> 00:10:01,330

you know I was look at oh you've got an

229

00:10:04,410 --> 00:10:03,070

attachment you know snarling at me and

230

00:10:05,579 --> 00:10:04,420

at the moment and you know soon as we

231

00:10:07,410 --> 00:10:05,589

strip it out I actually just grabbed

232

00:10:09,389 --> 00:10:07,420

them if we're in a group healing what I

233

00:10:11,340 --> 00:10:09,399

do is put a portal around them get them

234

00:10:12,540 --> 00:10:11,350

akil's beste escorted out the body and

235

00:10:14,880 --> 00:10:12,550

you can feel it leave you know it's

236

00:10:16,740 --> 00:10:14,890

amazing and you know if you think about

237

00:10:18,870 --> 00:10:16,750

things like 500 miles I mean so many

238

00:10:20,490 --> 00:10:18,880

people got fibromyalgia sits at the top

239

00:10:24,030 --> 00:10:20,500

word I've got 500 miles it's mine

240

00:10:26,400 --> 00:10:24,040

and hey a kid in you know 500 miles or

241

00:10:27,660 --> 00:10:26,410

so OS I said well you've gone to the

242

00:10:29,160 --> 00:10:27,670

doctor doesn't know what's wrong with us

243

00:10:30,510 --> 00:10:29,170

so he said you've got fibromyalgia

244

00:10:34,230 --> 00:10:30,520

because that's the best you can do you

245

00:10:36,269 --> 00:10:34,240

know actually is a symptom of reptilian

246

00:10:38,550 --> 00:10:36,279

so you know you get some emotion your

247

00:10:40,230 --> 00:10:38,560

vibration drops when your vibrations

248

00:10:41,730 --> 00:10:40,240

precarious the reptilians kind of attach

249

00:10:43,590 --> 00:10:41,740

to you once they attach to they sit in

250

00:10:44,940 --> 00:10:43,600

the abdomen drop the vibrational liver

251  
00:10:45,990 --> 00:10:44,950  
you get headaches you know so your

252  
00:10:48,329 --> 00:10:46,000  
livers not function properly

253  
00:10:50,100 --> 00:10:48,339  
drop the vibration the adrenals so you

254  
00:10:51,750 --> 00:10:50,110  
feel exhausted all the time it's hanging

255  
00:10:53,220 --> 00:10:51,760  
any shoulder so you might get start to

256  
00:10:55,470 --> 00:10:53,230  
get off lighters in you in your list

257  
00:10:58,079 --> 00:10:55,480  
because there's no Meridian flow down

258  
00:11:00,150 --> 00:10:58,089  
your arms you know and it's it taps in

259  
00:11:03,060 --> 00:11:00,160  
the lower back so it destroys the l4 l5

260  
00:11:04,650 --> 00:11:03,070  
disc it bulges and so you get sciatica

261  
00:11:07,710 --> 00:11:04,660  
you know all this is sounded like a

262  
00:11:09,360 --> 00:11:07,720  
little bit of like fiber Bach and of

263  
00:11:11,040 --> 00:11:09,370

course because the toxins because you

264

00:11:13,079 --> 00:11:11,050

live a calm process the toxins you got

265

00:11:15,060 --> 00:11:13,089

toxins and you your bone you know your

266

00:11:17,850 --> 00:11:15,070

your muscles and your joints and so they

267

00:11:19,650 --> 00:11:17,860

can and that's you know question we've

268

00:11:22,260 --> 00:11:19,660

got out of it sounds like it's a it

269

00:11:24,540 --> 00:11:22,270

sounds like there's a lot of reptilians

270

00:11:26,400 --> 00:11:24,550

around doing this to people

271

00:11:28,199 --> 00:11:26,410

Oh millions of them is way way more

272

00:11:31,230 --> 00:11:28,209

they're very clever I mean they live to

273

00:11:33,810 --> 00:11:31,240

so much 1,500 years and the older they

274

00:11:36,269 --> 00:11:33,820

get the more dark they're Gans and

275

00:11:38,040 --> 00:11:36,279

they're very cunning I mean are they

276

00:11:39,570 --> 00:11:38,050

hunting packs there can be like seven or

277

00:11:42,329 --> 00:11:39,580

eight with you so if you look at

278

00:11:43,920 --> 00:11:42,339

schizophrenia for example schizophrenic

279

00:11:45,870 --> 00:11:43,930

people oh really gifted you know they're

280

00:11:48,000 --> 00:11:45,880

not mental though really gifted so they

281

00:11:49,590 --> 00:11:48,010

they see them they hear them yeah look a

282

00:11:52,230 --> 00:11:49,600

beautiful mind that you know that's a

283

00:11:54,210 --> 00:11:52,240

you know film it was amazing you know

284

00:11:56,160 --> 00:11:54,220

but they see them so if you learn how to

285

00:11:57,329 --> 00:11:56,170

manage them what you need to do is block

286

00:11:59,310 --> 00:11:57,339

them out remove them

287

00:12:01,560 --> 00:11:59,320

the problem with schizophrenic people is

288

00:12:03,240 --> 00:12:01,570

they start to befriend them and so if

289

00:12:05,790 --> 00:12:03,250

one goes they're very clever because you

290

00:12:07,800 --> 00:12:05,800

know if one calls Burt you know okay I'm

291

00:12:09,690 --> 00:12:07,810

going to be a Burt I'm your friend if

292

00:12:11,370 --> 00:12:09,700

you move it then the next one come oh

293

00:12:12,870 --> 00:12:11,380

I'm still Burt you know and so they're

294

00:12:13,199 --> 00:12:12,880

all I thought we got rid of one and it's

295

00:12:15,119 --> 00:12:13,209

still

296

00:12:16,889 --> 00:12:15,129

but actually its name is something else

297

00:12:17,280 --> 00:12:16,899

but they pretend to be something they're

298

00:12:20,460 --> 00:12:17,290

not

299

00:12:22,679 --> 00:12:20,470

and so you're infusing gosh though that

300

00:12:24,859 --> 00:12:22,689

confuses you know completely so that's

301  
00:12:26,910 --> 00:12:24,869  
why schizophrenia you know they they get

302  
00:12:28,079 --> 00:12:26,920  
discombobulated you know because and

303  
00:12:30,059 --> 00:12:28,089  
what they've got to do is get the

304  
00:12:31,859 --> 00:12:30,069  
vibration above what I call in quotes

305  
00:12:34,230 --> 00:12:31,869  
the demonic above these entities so that

306  
00:12:35,850 --> 00:12:34,240  
they can't go anywhere near you know and

307  
00:12:37,290 --> 00:12:35,860  
so it's really important now Bob the

308  
00:12:38,639 --> 00:12:37,300  
healing is that I you know normally it

309  
00:12:40,619 --> 00:12:38,649  
takes a few sessions to get your

310  
00:12:42,299 --> 00:12:40,629  
vibration so you get this inner strength

311  
00:12:44,069 --> 00:12:42,309  
you get your worthiness back you think

312  
00:12:45,509 --> 00:12:44,079  
that I'm a God being I'm ready to get

313  
00:12:47,910 --> 00:12:45,519

out there and sock it to the world you

314

00:12:49,650 --> 00:12:47,920

know and it's no use being a victim I

315

00:12:51,329 --> 00:12:49,660

always me and I'm all in debt and

316

00:12:53,879 --> 00:12:51,339

everything else that won't do you know

317

00:12:55,139 --> 00:12:53,889

hey you've got a good over yourself and

318

00:12:56,879 --> 00:12:55,149

so how do you get over yourself well

319

00:12:58,169 --> 00:12:56,889

you've got a first of all we remove

320

00:13:00,389 --> 00:12:58,179

those reptilian that's causing the

321

00:13:01,980 --> 00:13:00,399

problem in the first place we go clear

322

00:13:03,660 --> 00:13:01,990

the heart chakra which is on the central

323

00:13:05,400 --> 00:13:03,670

meridian from the crown to the groin

324

00:13:07,290 --> 00:13:05,410

that means you've got energy flow down

325

00:13:08,609 --> 00:13:07,300

all the chakra points and so you're

326

00:13:10,109 --> 00:13:08,619

going to start blossoming you get this

327

00:13:11,669 --> 00:13:10,119

inner strength you're leaping out a bed

328

00:13:14,850 --> 00:13:11,679

of the morning where I feel blessed and

329

00:13:16,769 --> 00:13:14,860

you're having a great day okay there's

330

00:13:19,230 --> 00:13:16,779

not a lot of people that feel that way

331

00:13:23,730 --> 00:13:19,240

so that log feel ah everybody can't you

332

00:13:27,449 --> 00:13:23,740

tell and you're going to make all that

333

00:13:31,079 --> 00:13:27,459

good not a doubt in my mind he will he

334

00:13:33,809 --> 00:13:31,089

will right know when when the Anunnaki

335

00:13:36,480 --> 00:13:33,819

showed up at your bedside when you were

336

00:13:38,699 --> 00:13:36,490

a small child what were they after were

337

00:13:40,019 --> 00:13:38,709

they trying to control you yeah they

338

00:13:41,819 --> 00:13:40,029

were trying to attach to me I felt it

339

00:13:43,530 --> 00:13:41,829

and it got closer and closer you get

340

00:13:46,169 --> 00:13:43,540

this like you know if you ever felt that

341

00:13:48,419 --> 00:13:46,179

dark as healthy that mauls you know that

342

00:13:49,769 --> 00:13:48,429

and as it got closer and I realize I've

343

00:13:51,150 --> 00:13:49,779

got to get this thing out you know and

344

00:13:53,369 --> 00:13:51,160

that's why I just got the almighty

345

00:13:55,559 --> 00:13:53,379

strength get out you know Bruno

346

00:13:57,600 --> 00:13:55,569

commanded to leave but that's the thing

347

00:13:58,980 --> 00:13:57,610

you know if you look at my prayers and I

348

00:14:01,139 --> 00:13:58,990

don't like the word prayer disabled

349

00:14:03,239 --> 00:14:01,149

people you know recognize prayers but

350

00:14:05,129 --> 00:14:03,249

it's a map of intent the prayers just a

351

00:14:07,019 --> 00:14:05,139

map of intent and so you know the

352

00:14:09,660 --> 00:14:07,029

prayers say I command you God to remove

353

00:14:11,400 --> 00:14:09,670

this and you know so I can't command God

354

00:14:13,289 --> 00:14:11,410

well why not you know you're not worthy

355

00:14:15,689 --> 00:14:13,299

because you are God you know your God

356

00:14:17,069 --> 00:14:15,699

being so if you believe you have God

357

00:14:18,600 --> 00:14:17,079

being you're part of God then your

358

00:14:19,919 --> 00:14:18,610

commanding self if you don't believe

359

00:14:22,110 --> 00:14:19,929

that and it's the big cheese in the sky

360

00:14:23,639 --> 00:14:22,120

then say okay big Jesus God I'm

361

00:14:25,230 --> 00:14:23,649

commanding you to do something but it's

362

00:14:26,910 --> 00:14:25,240

okay it's not good and then Italy

363

00:14:28,500 --> 00:14:26,920

balances itself and says

364

00:14:30,840 --> 00:14:28,510

I thank you God and send you my

365

00:14:32,940 --> 00:14:30,850

unconditional love so be it so it's a

366

00:14:35,310 --> 00:14:32,950

well balanced prayer if you say I demand

367

00:14:37,410 --> 00:14:35,320

you go that's rude and obnoxious but the

368

00:14:39,150 --> 00:14:37,420

command is an invocation of absolute

369

00:14:41,850 --> 00:14:39,160

wanting you know and you've got to get

370

00:14:45,000 --> 00:14:41,860

that because there's radionics I know

371

00:14:47,250 --> 00:14:45,010

you know this book if you might if you

372

00:14:48,689 --> 00:14:47,260

manifest look at manifestation and you

373

00:14:51,269 --> 00:14:48,699

know do know prayer is manifest and

374

00:14:53,939 --> 00:14:51,279

unprotected and so if you manifest and

375

00:14:55,199 --> 00:14:53,949

say okay God look I want a car because I

376

00:14:56,819 --> 00:14:55,209

need to get to work then there's nothing

377

00:14:58,769 --> 00:14:56,829

wrong with that and you say God I need a

378

00:15:00,329 --> 00:14:58,779

Bentley to show off to a wrong town and

379

00:15:01,889 --> 00:15:00,339

I need to get to work as well that's

380

00:15:05,189 --> 00:15:01,899

greedy and you don't need it you know

381

00:15:06,900 --> 00:15:05,199

and so it's about the frequencies but

382

00:15:09,120 --> 00:15:06,910

the God frequency has a Radeon ik

383

00:15:10,650 --> 00:15:09,130

blanket over this planet to actually try

384

00:15:12,930 --> 00:15:10,660

and block out so if you want to get a

385

00:15:14,460 --> 00:15:12,940

thought out there because you've got you

386

00:15:16,170 --> 00:15:14,470

know nerve endings in your brain if you

387

00:15:17,699 --> 00:15:16,180

send the thought it's like an aerial and

388

00:15:20,040 --> 00:15:17,709

it sends a thorn out it's got to be a

389

00:15:21,810 --> 00:15:20,050

really powerful thought to break through

390

00:15:23,879 --> 00:15:21,820

the darkness and and that's the thing I

391

00:15:25,680 --> 00:15:23,889

command you God even clenches I command

392

00:15:27,689 --> 00:15:25,690

you God that I want it on right now you

393

00:15:29,730 --> 00:15:27,699

know and I send you by unconditional you

394

00:15:32,370 --> 00:15:29,740

got to get put all your might into it if

395

00:15:34,439 --> 00:15:32,380

not yeah that makes sense Chris because

396

00:15:37,949 --> 00:15:34,449

I've noticed especially lately in the

397

00:15:40,860 --> 00:15:37,959

last few years it does seem like there

398

00:15:42,960 --> 00:15:40,870

is trouble in heaven is what I call it

399

00:15:47,300 --> 00:15:42,970

is according to a dream I had it's like

400

00:15:51,240 --> 00:15:47,310

the dark forces have taken such hold of

401  
00:15:54,300 --> 00:15:51,250  
things people are events that it takes

402  
00:15:56,850 --> 00:15:54,310  
more effort to connect to the light and

403  
00:15:58,889 --> 00:15:56,860  
I'm glad that you're sharing all of this

404  
00:16:01,290 --> 00:15:58,899  
with us about how to connect and how to

405  
00:16:02,939 --> 00:16:01,300  
say this so passionately that we can

406  
00:16:06,000 --> 00:16:02,949  
break through that layer of darkness

407  
00:16:08,460 --> 00:16:06,010  
because it is a pretty strong layer yeah

408  
00:16:10,019 --> 00:16:08,470  
absolutely and you know and I saying

409  
00:16:11,699 --> 00:16:10,029  
before we now connect to the Galactic

410  
00:16:13,860 --> 00:16:11,709  
Federation I want you know and had a

411  
00:16:15,120 --> 00:16:13,870  
meeting and chaired a meeting with them

412  
00:16:17,400 --> 00:16:15,130  
you know there's three of you chaired a

413  
00:16:20,040 --> 00:16:17,410

meeting with them and we went back seven

414

00:16:23,100 --> 00:16:20,050  
times we've removed 60% of the

415

00:16:24,420 --> 00:16:23,110  
reptilians off this planet now like I

416

00:16:26,670 --> 00:16:24,430  
said before what's the difference

417

00:16:29,939 --> 00:16:26,680  
between violation if someone violates

418

00:16:31,500 --> 00:16:29,949  
your body or education and so the dark

419

00:16:32,790 --> 00:16:31,510  
is there to educate as long as it

420

00:16:34,829 --> 00:16:32,800  
doesn't get to dark where it's

421

00:16:37,019 --> 00:16:34,839  
manipulating so badly that it's a

422

00:16:38,759 --> 00:16:37,029  
violation and so where do you stop and

423

00:16:40,110 --> 00:16:38,769  
the answer is I'm not sure you know I'll

424

00:16:41,880 --> 00:16:40,120  
leave it to God for

425

00:16:43,530 --> 00:16:41,890  
now when's the glycosylation you know

426

00:16:45,540 --> 00:16:43,540

it's chaired by the bikies Dex

427

00:16:47,700 --> 00:16:45,550

plus you know load of other beings like

428

00:16:49,470 --> 00:16:47,710

millions of them and they agreed to

429

00:16:51,150 --> 00:16:49,480

sweep the planet of 60% of the

430

00:16:53,160 --> 00:16:51,160

reptilians who are violating people

431

00:16:56,760 --> 00:16:53,170

because if a reptilian attaches that's a

432

00:16:58,500 --> 00:16:56,770

violation it is a violation but if you

433

00:17:00,480 --> 00:16:58,510

know they're you know if you know they

434

00:17:02,370 --> 00:17:00,490

exist and they can attach it then that's

435

00:17:03,810 --> 00:17:02,380

an education because they attach you and

436

00:17:06,329 --> 00:17:03,820

you didn't say the prayers or block

437

00:17:07,470 --> 00:17:06,339

about them that's your problem but most

438

00:17:09,360 --> 00:17:07,480

people don't know because they're

439

00:17:10,860 --> 00:17:09,370

ignorant and it's not fair you know and

440

00:17:13,620 --> 00:17:10,870

the same goes you to greys abducting

441

00:17:15,689 --> 00:17:13,630

people stealing bits of people like eggs

442

00:17:17,579 --> 00:17:15,699

sperm to recreate their humanoids

443

00:17:18,960 --> 00:17:17,589

because they've destroyed the planet now

444

00:17:21,059 --> 00:17:18,970

that are trying to destroy ours by

445

00:17:24,900 --> 00:17:21,069

giving us technology that we really

446

00:17:27,299 --> 00:17:24,910

don't need and so they've sweep them off

447

00:17:29,600 --> 00:17:27,309

the planet they're completely off do you

448

00:17:32,640 --> 00:17:29,610

have the experience of any

449

00:17:35,160 --> 00:17:32,650

extraterrestrials being into our benefit

450

00:17:37,590 --> 00:17:35,170

helping us oh yeah there's loads of them

451

00:17:39,419 --> 00:17:37,600

yeah there's the act ourian's the act

452

00:17:41,040 --> 00:17:39,429

owens actually swept the planet for us

453

00:17:43,140 --> 00:17:41,050

because they work very close to the cube

454

00:17:44,640 --> 00:17:43,150

X you know palladiums are here you know

455

00:17:46,230 --> 00:17:44,650

Archangel Michael is an ancient

456

00:17:48,210 --> 00:17:46,240

Palladian you know he comes down he's

457

00:17:51,750 --> 00:17:48,220

helped in every one there's loads and

458

00:17:54,810 --> 00:17:51,760

loads you know Metatron you know there's

459

00:17:57,030 --> 00:17:54,820

the Andromedan I'm Aryans they're also

460

00:17:59,340 --> 00:17:57,040

planting you know esoteric crystal and

461

00:18:01,350 --> 00:17:59,350

crystal beds they reprogram them to give

462

00:18:03,720 --> 00:18:01,360

more you know to more vibration you know

463

00:18:05,580 --> 00:18:03,730

because we're transcendent like say the

464

00:18:06,960 --> 00:18:05,590

veil so thin I mean I get so many people

465

00:18:09,419 --> 00:18:06,970

saying I'll calm when this lifetime

466

00:18:11,580 --> 00:18:09,429

you're born with no karma what happens

467

00:18:13,320 --> 00:18:11,590

though is that I call the ISA Tara

468

00:18:15,240 --> 00:18:13,330

transference because the veil is so thin

469

00:18:17,520 --> 00:18:15,250

it's never been so thin before between

470

00:18:19,200 --> 00:18:17,530

two dimensions like the third and fifth

471

00:18:21,210 --> 00:18:19,210

the bench is getting so thin the weapons

472

00:18:23,130 --> 00:18:21,220

is you know if you do your life reviews

473

00:18:25,080 --> 00:18:23,140

okay I'm going back sometimes things

474

00:18:26,940 --> 00:18:25,090

riding on the soul that shouldn't do

475

00:18:29,040 --> 00:18:26,950

because the veil should be you know

476

00:18:30,630 --> 00:18:29,050

should be shut down but it's not it's so

477

00:18:31,980 --> 00:18:30,640

thin and so things are riding through

478

00:18:33,270 --> 00:18:31,990

like you know you might have a decade

479

00:18:35,850 --> 00:18:33,280

because you got your head chopped off in

480

00:18:37,320 --> 00:18:35,860

the last life or whatever it is or you

481

00:18:40,049 --> 00:18:37,330

know you had a sword through or you know

482

00:18:42,210 --> 00:18:40,059

you've got no heart problems because I

483

00:18:44,130 --> 00:18:42,220

know those stuck energies those I'd in

484

00:18:47,310 --> 00:18:44,140

on the soul they imprint in the body and

485

00:18:49,200 --> 00:18:47,320

then they become cellular level memory

486

00:18:50,430 --> 00:18:49,210

and that's why we have past life clear

487

00:18:51,900 --> 00:18:50,440

into clear line you know it's really

488

00:18:53,100 --> 00:18:51,910

important people's oh it's Karma it's

489

00:18:54,810 --> 00:18:53,110

not Karma

490

00:18:56,730 --> 00:18:54,820

not born here with no comma how can you

491

00:18:58,770 --> 00:18:56,740

look at the beautiful baby so you've got

492

00:19:02,940 --> 00:18:58,780

Karma you know it's ridiculous you know

493

00:19:06,090 --> 00:19:02,950

come on you know yourself you know Wow

494

00:19:07,410 --> 00:19:06,100

well you know yeah and when do you have

495

00:19:08,880 --> 00:19:07,420

your life review you know I mean when

496

00:19:12,180 --> 00:19:08,890

you pass and you have your life review

497

00:19:13,919 --> 00:19:12,190

you're plugged in you experience all of

498

00:19:15,750 --> 00:19:13,929

your life time all the emotions around

499

00:19:18,000 --> 00:19:15,760

you know people within you you know oh

500

00:19:20,010 --> 00:19:18,010

my god I feel the emotion of mom because

501

00:19:22,830 --> 00:19:20,020

I did this to her or dad because I did

502

00:19:24,180 --> 00:19:22,840

that to all you know ex-wives and and so

503

00:19:25,980 --> 00:19:24,190

once you've been through that you can

504

00:19:28,320 --> 00:19:25,990

say wow I've got this lifetime pretty

505

00:19:29,640 --> 00:19:28,330

badly wrong you know they say okay go

506

00:19:31,830 --> 00:19:29,650

back down learn again and that's the

507

00:19:33,030 --> 00:19:31,840

thing it's a it's a soul recycling

508

00:19:35,280 --> 00:19:33,040

process the palladiums

509

00:19:37,770 --> 00:19:35,290

Sumerians and AK torian's are also

510

00:19:39,870 --> 00:19:37,780

involved in you know the Tree of Life

511

00:19:41,850 --> 00:19:39,880

they bring the salt back and you know

512

00:19:44,190 --> 00:19:41,860

you learn learn again 100 thousand times

513

00:19:45,539 --> 00:19:44,200

until you achieve in quotes the void

514

00:19:47,130 --> 00:19:45,549

Christ consciousness whatever you want

515

00:19:49,049 --> 00:19:47,140

to call it where you know you've got rid

516

00:19:50,610 --> 00:19:49,059

of all your trigger points you feel in

517

00:19:52,740 --> 00:19:50,620

bliss and we know yeah you've got it

518

00:19:54,690 --> 00:19:52,750

it's like you know I was doing a quote

519

00:19:56,520 --> 00:19:54,700

from Jesus I'm not a Christian but I do

520

00:19:57,840 --> 00:19:56,530

love Jesus teachings because you know a

521

00:19:59,460 --> 00:19:57,850

lot of Buddhist teachings they always

522

00:20:01,710 --> 00:19:59,470

say they talk about unconditional love

523

00:20:03,360 --> 00:20:01,720

but he said all you believed in me it

524

00:20:05,070 --> 00:20:03,370

was B as my teachings all you believed

525

00:20:07,260 --> 00:20:05,080

my teachings will have everlasting life

526

00:20:08,789 --> 00:20:07,270

that means if you get in this life you

527

00:20:13,830 --> 00:20:08,799

don't have to come back if you can do

528

00:20:17,280 --> 00:20:13,840

that right yeah okay yeah I have been

529

00:20:20,250 --> 00:20:17,290

nice to fly past the eagles at one point

530

00:20:22,200 --> 00:20:20,260

not to be recycled but here's the

531

00:20:23,940 --> 00:20:22,210

question for you Chris from our chat

532

00:20:27,180 --> 00:20:23,950

room this is some starlight starlight

533

00:20:29,700 --> 00:20:27,190

wants to know why do some people justify

534

00:20:32,669 --> 00:20:29,710

alien abductions as scientists just

535

00:20:35,850 --> 00:20:32,679

wanting to experiment on us like how we

536

00:20:39,240 --> 00:20:35,860

experiment experiment on ants without

537

00:20:40,680 --> 00:20:39,250

their consent well how do they justify

538

00:20:42,990 --> 00:20:40,690

that's an interesting thing and you know

539

00:20:44,280 --> 00:20:43,000

I I don't know how they justify I think

540

00:20:46,130 --> 00:20:44,290

it's a violation is wrong you know

541

00:20:48,390 --> 00:20:46,140

wherever you experiment on identical

542

00:20:49,500 --> 00:20:48,400

experimentation at all you know because

543

00:20:51,510 --> 00:20:49,510

you don't have to do there's so many

544

00:20:53,940 --> 00:20:51,520

herbs and natural things as well there's

545

00:20:55,440 --> 00:20:53,950

just incredible you know but they

546

00:20:56,490 --> 00:20:55,450

experimental things obviously because

547

00:20:58,289 --> 00:20:56,500

they refine things it's like a

548

00:21:00,180 --> 00:20:58,299

strawberry I mean a strawberries got

549

00:21:02,370 --> 00:21:00,190

cyanide in it so if you know if you have

550

00:21:03,810 --> 00:21:02,380

ten ton of strawberries you extract

551  
00:21:04,049 --> 00:21:03,820  
enough cyanide to kill you it'll kill

552  
00:21:06,909 --> 00:21:04,059  
you

553  
00:21:09,310 --> 00:21:06,919  
strawberries over a few years

554  
00:21:10,960 --> 00:21:09,320  
you know it's balanced it's it's it's

555  
00:21:13,090 --> 00:21:10,970  
basically balanced you know and

556  
00:21:14,649 --> 00:21:13,100  
therefore you know it won't harm you

557  
00:21:15,639 --> 00:21:14,659  
because you know the cyanide isn't going

558  
00:21:17,470 --> 00:21:15,649  
to affect you because it's got other

559  
00:21:19,210 --> 00:21:17,480  
instruments in there to cancel it out

560  
00:21:21,820 --> 00:21:19,220  
you know well it sounds like what you're

561  
00:21:25,239 --> 00:21:21,830  
saying then is that they shouldn't be

562  
00:21:27,489 --> 00:21:25,249  
experimenting on us and we shouldn't we

563  
00:21:28,899 --> 00:21:27,499

shouldn't think that it's okay and I

564

00:21:32,430 --> 00:21:28,909

agree with you we shouldn't think that

565

00:21:34,599 --> 00:21:32,440

it's okay it's it's not justifiable and

566

00:21:37,539 --> 00:21:34,609

we're not giving our permission

567

00:21:40,239 --> 00:21:37,549

consciously for it so it shouldn't be

568

00:21:42,279 --> 00:21:40,249

happening right that's right is

569

00:21:43,570 --> 00:21:42,289

innovation it's the same with

570

00:21:45,039 --> 00:21:43,580

pharmaceutical companies working on

571

00:21:46,539 --> 00:21:45,049

animals is that right and the answer is

572

00:21:49,090 --> 00:21:46,549

no because you don't need all this

573

00:21:51,099 --> 00:21:49,100

refined nonsense I mean you know there's

574

00:21:54,009 --> 00:21:51,109

an article about you know chemotherapy

575

00:21:56,680 --> 00:21:54,019

90 to 77% of chemotherapy doesn't work

576

00:21:58,840 --> 00:21:56,690

you know I know isn't that amazing it's

577

00:22:00,999 --> 00:21:58,850

like in here everybody that I know of

578

00:22:03,369 --> 00:22:01,009

just about everybody that gets diagnosed

579

00:22:05,769 --> 00:22:03,379

runs over and gets chemo but yet it's 90

580

00:22:07,960 --> 00:22:05,779

percent of it doesn't want unlikely I

581

00:22:09,399 --> 00:22:07,970

think you know the other 3% that does

582

00:22:11,379 --> 00:22:09,409

work I think it's because people have

583

00:22:12,970 --> 00:22:11,389

got a crutch and therefore they go oh my

584

00:22:14,889 --> 00:22:12,980

god I'm gonna get healed and so they

585

00:22:16,119 --> 00:22:14,899

heal themselves you know they poison

586

00:22:18,159 --> 00:22:16,129

themselves the same time but at least

587

00:22:20,320 --> 00:22:18,169

they're you know I mean we could work on

588

00:22:21,999 --> 00:22:20,330

tumors you know a tumor is a common cold

589

00:22:23,710 --> 00:22:22,009

you know people come you know the

590

00:22:25,840 --> 00:22:23,720

further vigil guys stay for guns I want

591

00:22:28,029 --> 00:22:25,850

to die oh don't be so ridiculous you've

592

00:22:30,489 --> 00:22:28,039

got a common cold you know the tumor is

593

00:22:31,210 --> 00:22:30,499

a symptom what's the cause okay five

594

00:22:33,399 --> 00:22:31,220

years ago

595

00:22:35,889 --> 00:22:33,409

something major happen and I see it oh

596

00:22:38,080 --> 00:22:35,899

yeah my son committed suicide that's the

597

00:22:39,940 --> 00:22:38,090

cause you know it's huge blockage in

598

00:22:41,109 --> 00:22:39,950

your heart chakra vibration drops

599

00:22:42,940 --> 00:22:41,119

reptilians get attached

600

00:22:44,529 --> 00:22:42,950

you get toxic and suddenly you know you

601  
00:22:46,690 --> 00:22:44,539  
get brain tumors get all sorts of weird

602  
00:22:48,639 --> 00:22:46,700  
stuff happening you know we invent did

603  
00:22:50,259 --> 00:22:48,649  
you know HM you know tumors just the

604  
00:22:52,210 --> 00:22:50,269  
same as having calcification you this

605  
00:22:53,979 --> 00:22:52,220  
you know it's it's a common cold you

606  
00:22:56,560 --> 00:22:53,989  
know it's a it's a symptom find out the

607  
00:22:58,810 --> 00:22:56,570  
core and it creates this block is what

608  
00:23:01,869 --> 00:22:58,820  
you're saying in the energy and so that

609  
00:23:03,700 --> 00:23:01,879  
block then prevents things from behaving

610  
00:23:05,739 --> 00:23:03,710  
normally and then you get this new cell

611  
00:23:08,619 --> 00:23:05,749  
line which is called cancer here's

612  
00:23:11,289 --> 00:23:08,629  
another question this is from Hannah she

613  
00:23:15,549 --> 00:23:11,299

says do we have any negative forces

614

00:23:19,180 --> 00:23:15,559

attached to us from birth to collect on

615

00:23:20,830 --> 00:23:19,190

the bad debts and bad deeds of our

616

00:23:22,210 --> 00:23:20,840

parents that's an interest

617

00:23:24,370 --> 00:23:22,220

in question because a lot of native

618

00:23:27,130 --> 00:23:24,380

police people believe there is some

619

00:23:29,140 --> 00:23:27,140

continuity with that well I think you

620

00:23:30,970 --> 00:23:29,150

can get you know again from past life if

621

00:23:33,820 --> 00:23:30,980

you've got a history of different things

622

00:23:35,919 --> 00:23:33,830

happening then you can actually again

623

00:23:38,409 --> 00:23:35,929

bring esoteric transfer again it's not

624

00:23:39,880 --> 00:23:38,419

Karma but it is absolutely accidentally

625

00:23:41,590 --> 00:23:39,890

slips through the veil and so it comes

626

00:23:43,659 --> 00:23:41,600

in on this lifetime it's only happened

627

00:23:44,860 --> 00:23:43,669

for the last 80 years before that the

628

00:23:47,110 --> 00:23:44,870

bells were long enough that when you

629

00:23:48,519 --> 00:23:47,120

born you were just pure and and that's

630

00:23:50,380 --> 00:23:48,529

why if you look at it over the last say

631

00:23:52,419 --> 00:23:50,390

thirty four years things have just got

632

00:23:54,310 --> 00:23:52,429

darker and more manipulative and things

633

00:23:55,720 --> 00:23:54,320

because everyone's got this stuck energy

634

00:23:57,789 --> 00:23:55,730

in their cells and you just got to

635

00:24:00,639 --> 00:23:57,799

release it you know but the answer is no

636

00:24:02,830 --> 00:24:00,649

you do but but here's the thing you know

637

00:24:06,430 --> 00:24:02,840

for a lot of indigenous people there are

638

00:24:09,010 --> 00:24:06,440

beliefs about the ancestors and I've

639

00:24:10,870 --> 00:24:09,020

read this before even with people in

640

00:24:13,450 --> 00:24:10,880

Australia who who work with the

641

00:24:16,750 --> 00:24:13,460

Aborigines but in order to really heal

642

00:24:17,590 --> 00:24:16,760

you have to heal all the people that

643

00:24:20,139 --> 00:24:17,600

came before you

644

00:24:21,909 --> 00:24:20,149

all of the generations because the sins

645

00:24:24,460 --> 00:24:21,919

of the fathers are visited on the sons

646

00:24:25,090 --> 00:24:24,470

that's an old phrase that may have some

647

00:24:28,299 --> 00:24:25,100

truth to it

648

00:24:29,769 --> 00:24:28,309

do you think about that well by post

649

00:24:33,010 --> 00:24:29,779

opinion is that you know what's happened

650

00:24:34,600 --> 00:24:33,020

in ancestry is is it does it only

651  
00:24:36,340 --> 00:24:34,610  
affects you through this to this

652  
00:24:38,440 --> 00:24:36,350  
transference of knowledge because you

653  
00:24:39,610 --> 00:24:38,450  
know like for example in a past life if

654  
00:24:41,710 --> 00:24:39,620  
you've been someone I've told you

655  
00:24:43,690 --> 00:24:41,720  
stories of ancestors and you know my

656  
00:24:45,010 --> 00:24:43,700  
goodness and and then you pass you know

657  
00:24:46,630 --> 00:24:45,020  
you have you life review and some of

658  
00:24:48,580 --> 00:24:46,640  
that imprint is still on your soul it's

659  
00:24:50,350 --> 00:24:48,590  
going to come back in this lifetime but

660  
00:24:52,299 --> 00:24:50,360  
it shouldn't you know it's accidental

661  
00:24:53,980 --> 00:24:52,309  
it's not you know curse or anything else

662  
00:24:54,970 --> 00:24:53,990  
so but you can get curses lifetime I

663  
00:24:58,690 --> 00:24:54,980

deal with them every day

664

00:25:00,730 --> 00:24:58,700

you know specially I oh yeah curses

665

00:25:01,930 --> 00:25:00,740

ancient snake rituals about three and a

666

00:25:04,060 --> 00:25:01,940

half thousand years old that's one of

667

00:25:08,230 --> 00:25:04,070

the darkest snake rituals it goes back

668

00:25:10,389 --> 00:25:08,240

to Adam and Eve and like voodoo you know

669

00:25:11,919 --> 00:25:10,399

people do voodoo in it it's just an

670

00:25:13,510 --> 00:25:11,929

imprint of negative energy on you know

671

00:25:14,799 --> 00:25:13,520

you've got to do is break the curse you

672

00:25:16,149 --> 00:25:14,809

know and all the people involves you

673

00:25:17,799 --> 00:25:16,159

know bring them before God and release

674

00:25:19,600 --> 00:25:17,809

them to God with them could this look it

675

00:25:21,159 --> 00:25:19,610

just gets rid of it it really moves it

676

00:25:22,659 --> 00:25:21,169

straight away you know and I see that

677

00:25:24,370 --> 00:25:22,669

all the time on people's businesses you

678

00:25:26,289 --> 00:25:24,380

can move the curse or age of ritual and

679

00:25:28,240 --> 00:25:26,299

suddenly the business blossoms you know

680

00:25:30,130 --> 00:25:28,250

it's amazing but you know the ancestor

681

00:25:31,539 --> 00:25:30,140

thing I don't agree with I mean one

682

00:25:33,760 --> 00:25:31,549

thing I will say though is you know in

683

00:25:34,960 --> 00:25:33,770

this current lifetime with parents I

684

00:25:36,789 --> 00:25:34,970

deal with whole

685

00:25:38,680 --> 00:25:36,799

omni's because I'll guarantee if the

686

00:25:40,990 --> 00:25:38,690

child has got a 10 T so the parents

687

00:25:43,149 --> 00:25:41,000

because you know they had they hunt in

688

00:25:44,770 --> 00:25:43,159

packs and so I remember having to spurt

689

00:25:46,270 --> 00:25:44,780

Hispanic families all sick you know the

690

00:25:48,730 --> 00:25:46,280

dorsal on drugs and the other daughter

691

00:25:50,620 --> 00:25:48,740

wanted a good job or come get one and

692

00:25:52,659 --> 00:25:50,630

the father had a bad knee and the mother

693

00:25:54,250 --> 00:25:52,669

was angry so I worked on the dorsal

694

00:25:55,659 --> 00:25:54,260

first he wanted a good job we were moved

695

00:25:56,560 --> 00:25:55,669

as Episode II and you know got her back

696

00:25:59,620 --> 00:25:56,570

to her worthiness

697

00:26:02,350 --> 00:25:59,630

she got a top job you know a car a phone

698

00:26:04,149 --> 00:26:02,360

she was blown away so dad pipes are oh I

699

00:26:06,070 --> 00:26:04,159

want to go so we could approve the entry

700

00:26:08,200 --> 00:26:06,080

with him got his knee he was great so

701  
00:26:10,149 --> 00:26:08,210  
then the daughter wins on drugs you know

702  
00:26:12,399 --> 00:26:10,159  
remove the empty stop taking drugs she

703  
00:26:15,190 --> 00:26:12,409  
was amazing then the ice one was the

704  
00:26:16,600 --> 00:26:15,200  
mother who was angry around and we fixed

705  
00:26:18,730 --> 00:26:16,610  
her as well so the whole family the

706  
00:26:20,590 --> 00:26:18,740  
whole balance of that family was amazing

707  
00:26:22,450 --> 00:26:20,600  
because was good move was absolutely an

708  
00:26:25,480 --> 00:26:22,460  
influence on it you know and it was it

709  
00:26:28,690 --> 00:26:25,490  
blends me away you know I also thought

710  
00:26:33,130 --> 00:26:28,700  
the way to I mean to think reptilians in

711  
00:26:35,200 --> 00:26:33,140  
here such power again our civilization I

712  
00:26:37,960 --> 00:26:35,210  
mean that is that is some scary stuff

713  
00:26:40,870 --> 00:26:37,970

and we can't see it like you can I mean

714

00:26:42,909 --> 00:26:40,880

you like I mean the Queen of England

715

00:26:46,000 --> 00:26:42,919

who's the head Illuminati is yeah we

716

00:26:47,950 --> 00:26:46,010

dragged us is she really a reptilian oh

717

00:26:49,480 --> 00:26:47,960

gosh yeah she's a little what's

718

00:26:51,010 --> 00:26:49,490

interesting is if you ever see in person

719

00:26:53,110 --> 00:26:51,020

what you should do there's a prayer you

720

00:26:54,850 --> 00:26:53,120

can do you see shape-shifting beings the

721

00:26:55,990 --> 00:26:54,860

reptilians can turn into human looking

722

00:26:57,399 --> 00:26:56,000

things but they always make a mistake

723

00:26:59,350 --> 00:26:57,409

there's always something about them

724

00:27:01,240 --> 00:26:59,360

that's never the same so what you need

725

00:27:02,649 --> 00:27:01,250

to do is you ever see in person what

726

00:27:04,330 --> 00:27:02,659

you'll need to do is do a quick you know

727

00:27:06,490 --> 00:27:04,340

again massive intent at a prayer and

728

00:27:07,840 --> 00:27:06,500

just say ground yourself am of God a

729

00:27:09,850 --> 00:27:07,850

grand myself the other dear God I

730

00:27:11,320 --> 00:27:09,860

command you show this person in that

731

00:27:13,330 --> 00:27:11,330

true form and what will happen is you'll

732

00:27:15,820 --> 00:27:13,340

get an opaque we got Chilean outline

733

00:27:17,230 --> 00:27:15,830

they can't hide from that you know so if

734

00:27:19,630 --> 00:27:17,240

you ever think someone's as up to it is

735

00:27:21,279 --> 00:27:19,640

about its Queen or somebody else just do

736

00:27:23,710 --> 00:27:21,289

that and you'll see like an opaque

737

00:27:28,779 --> 00:27:23,720

overlay it's it's amazing you know they

738

00:27:33,850 --> 00:27:28,789

call my goodness wow I am shocked yeah

739

00:27:35,770 --> 00:27:33,860

I'm really good checked my son I'm

740

00:27:37,630 --> 00:27:35,780

British and you know I can't stand the

741

00:27:40,210 --> 00:27:37,640

size of the book Dinah was very closely

742

00:27:42,610 --> 00:27:40,220

she's actually split soul for me so as a

743

00:27:45,180 --> 00:27:42,620

long story about Apple she's a man feels

744

00:27:47,889 --> 00:27:45,190

that being awesome yeah well there's

745

00:27:48,409 --> 00:27:47,899

five of us here because all that beings

746

00:27:51,049 --> 00:27:48,419

and she was

747

00:27:54,259 --> 00:27:51,059

she is one of them she still is so

748

00:27:56,149 --> 00:27:54,269

really oh yeah she's really a force of

749

00:28:00,710 --> 00:27:56,159

light and she went to some terrible

750

00:28:02,049 --> 00:28:00,720

times when I Royals but I mean you think

751

00:28:04,519 --> 00:28:02,059

she was murdered

752

00:28:07,340 --> 00:28:04,529

well they it was a setup

753

00:28:10,190 --> 00:28:07,350

you know okay one yeah the reptilians

754

00:28:12,940 --> 00:28:10,200

took her out oh just like a few still

755

00:28:22,940 --> 00:28:20,090

excuse me I'm Knievel good tell us more

756

00:28:23,539 --> 00:28:22,950

that's a wild what do you mean he never

757

00:28:27,109 --> 00:28:23,549

died

758

00:28:28,820 --> 00:28:27,119

I saw her funeral well you see ya never

759

00:28:30,440 --> 00:28:28,830

saw the body is interesting because you

760

00:28:32,930 --> 00:28:30,450

know you'd ever believe everything you

761

00:28:35,389 --> 00:28:32,940

see you know oh no I don't but I only

762

00:28:36,320 --> 00:28:35,399

did jump she's still alive god she was

763

00:28:37,700 --> 00:28:36,330

amazing

764

00:28:39,970 --> 00:28:37,710

well that was the intuition is she still

765

00:28:44,840 --> 00:28:39,980

alive yes or no I know where she is but

766

00:28:50,289 --> 00:28:44,850

really oh yeah oh my god now what is the

767

00:28:56,830 --> 00:28:54,349

there's a hole hard slices tonight no no

768

00:28:59,029 --> 00:28:56,840

it's just a UH you know can you tell me

769

00:29:00,950 --> 00:28:59,039

well listen there's something about the

770

00:29:02,930 --> 00:29:00,960

negative you know one of the one of the

771

00:29:04,789 --> 00:29:02,940

Antichrist beings has been reborn and

772

00:29:05,840 --> 00:29:04,799

the stuff going on in there I'm not I'm

773

00:29:08,779 --> 00:29:05,850

not going to go into that because it

774

00:29:10,729 --> 00:29:08,789

gets to okay is that what I want a will

775

00:29:12,139 --> 00:29:10,739

well it's not complicated it's just that

776

00:29:15,109 --> 00:29:12,149

it's very close to be bored what I will

777

00:29:16,729 --> 00:29:15,119

say is that she she removed herself out

778

00:29:18,529 --> 00:29:16,739

of this world because she had to you

779

00:29:20,419 --> 00:29:18,539

know because it was getting too dark for

780

00:29:23,989 --> 00:29:20,429

you know now she's rebalancing she'll be

781

00:29:24,979 --> 00:29:23,999

back you know you watch I hope so she's

782

00:29:27,560 --> 00:29:24,989

sorely missed

783

00:29:29,180 --> 00:29:27,570

healer he is from England and he is

807  
00:30:32,030 --> 00:30:31,380  
enlightening us as to what we're up

808  
00:30:34,610 --> 00:30:32,040  
against

809  
00:30:36,560 --> 00:30:34,620  
to be healed we are finding out about

810  
00:30:39,170 --> 00:30:36,570  
the reptilians we're finding out about

811  
00:30:42,590 --> 00:30:39,180  
who's pulling our strings and what we

812  
00:30:44,300 --> 00:30:42,600  
need to do to stay safe and healthy in

813  
00:30:46,490 --> 00:30:44,310

this world today Chris is going to be

814

00:30:49,100 --> 00:30:46,500

doing a healing for all of us tonight on

815

00:30:51,320 --> 00:30:49,110

the show so make sure you stay tuned let

816

00:30:52,820 --> 00:30:51,330

your friends and relatives know if they

817

00:30:56,060 --> 00:30:52,830

need a healing they need to tune in

818

00:30:58,420 --> 00:30:56,070

tonight to the show so Chris we were

819

00:31:03,590 --> 00:30:58,430

talking about some very fascinating

820

00:31:06,650 --> 00:31:03,600

things the queen is a reptile okay now

821

00:31:09,610 --> 00:31:06,660

we've got that squared away but again

822

00:31:12,380 --> 00:31:09,620

these reptilians it's concerning to us

823

00:31:14,960 --> 00:31:12,390

because again we can't see them and like

824

00:31:18,830 --> 00:31:14,970

you said we need to raise our vibration

825

00:31:20,750 --> 00:31:18,840

so that we are not at risk so you have

826

00:31:24,050 --> 00:31:20,760

prayers and I want to bring this up

827

00:31:26,360 --> 00:31:24,060

because you have actual prayer apps that

828

00:31:29,150 --> 00:31:26,370

people can buy for a nominal amount of

829

00:31:31,820 --> 00:31:29,160

money and they can help people raise

830

00:31:33,830 --> 00:31:31,830

their vibration right yeah yeah I mean

831

00:31:36,860 --> 00:31:33,840

the thing is there's different prayers

832

00:31:38,030 --> 00:31:36,870

like removing you know removing personal

833

00:31:40,220 --> 00:31:38,040

manipulation you know if you're being

834

00:31:41,840 --> 00:31:40,230

manipulated like you know for example

835

00:31:43,460 --> 00:31:41,850

you know the reptilians from the fourth

836

00:31:45,350 --> 00:31:43,470

dimension come watch you they can be

837

00:31:46,840 --> 00:31:45,360

external but if they watch you you know

838

00:31:49,070 --> 00:31:46,850

if you ever you know woken up we feel

839

00:31:51,020 --> 00:31:49,080

discombobulated you feel like oh my god

840

00:31:52,550 --> 00:31:51,030

butterflies you still a true you know

841

00:31:54,350 --> 00:31:52,560

what's happening something's not right

842

00:31:56,120 --> 00:31:54,360

you know and the thing is what you

843

00:31:58,310 --> 00:31:56,130

should think is if something's not right

844

00:31:59,990 --> 00:31:58,320

it's not right and therefore you need to

845

00:32:01,220 --> 00:32:00,000

do something about it now if these

846

00:32:02,540 --> 00:32:01,230

reptilians watch you they're called

847

00:32:04,580 --> 00:32:02,550

remote viewers they watch you from a

848

00:32:05,750 --> 00:32:04,590

distance they connect their energy cue

849

00:32:07,280 --> 00:32:05,760

and you feel as though you going for an

850

00:32:09,710 --> 00:32:07,290

examination the next day but you haven't

851  
00:32:11,420 --> 00:32:09,720  
revised you feel like oh you know if you

852  
00:32:13,160 --> 00:32:11,430  
say the spirits attack prayer three

853  
00:32:15,080 --> 00:32:13,170  
times or once if it doesn't remove it

854  
00:32:17,120 --> 00:32:15,090  
once say it three times it will remove

855  
00:32:19,280 --> 00:32:17,130  
it you'll get we grounded again thing oh

856  
00:32:20,960 --> 00:32:19,290  
my god I feel so much better but you

857  
00:32:22,430 --> 00:32:20,970  
know if you've got something nausea for

858  
00:32:24,560 --> 00:32:22,440  
no reason you know it's because there

859  
00:32:25,850 --> 00:32:24,570  
might be very onyx they can transmits

860  
00:32:28,190 --> 00:32:25,860  
you know ask they can be stolen

861  
00:32:30,680 --> 00:32:28,200  
something more I feel so sick you know

862  
00:32:32,570 --> 00:32:30,690  
for no reason I mean anything what's

863  
00:32:34,850 --> 00:32:32,580

going on a pillow it must be the must be

864

00:32:37,100 --> 00:32:34,860

no it not must be at all something's

865

00:32:39,560 --> 00:32:37,110

messing about with you it's so important

866

00:32:40,730 --> 00:32:39,570

I remember I'll give you a quick story I

867

00:32:43,070 --> 00:32:40,740

had known from the Vatican

868

00:32:45,650 --> 00:32:43,080

she was in Memphis so I went up to

869

00:32:48,560 --> 00:32:45,660

Memphis and I worked on and I saw this

870

00:32:50,750 --> 00:32:48,570

nun and she said my life blocks as oh by

871

00:32:53,930 --> 00:32:50,760

God it is you though it's the Vatican I

872

00:32:56,990 --> 00:32:53,940

said what even doing she as well as an

873

00:32:58,970 --> 00:32:57,000

owner oh okay so I said did he get a get

874

00:33:00,650 --> 00:32:58,980

a let off the Pope yeah I said what does

875

00:33:03,170 --> 00:33:00,660

it say I haven't got a clue it's all

876

00:33:05,570 --> 00:33:03,180

weird symbology so I was about viewed it

877

00:33:07,640 --> 00:33:05,580

was Luciferian symbology blocking her

878

00:33:09,800 --> 00:33:07,650

life completely blocking alive sort of

879

00:33:11,030 --> 00:33:09,810

right Tuesday morning 8 o'clock when you

880

00:33:13,370 --> 00:33:11,040

get home we're going to do a ceremony in

881

00:33:14,720 --> 00:33:13,380

the morning now you're gonna laugh at

882

00:33:16,550 --> 00:33:14,730

this but you know you make things true

883

00:33:19,820 --> 00:33:16,560

or not it's the God's honest truth you

884

00:33:22,630 --> 00:33:19,830

can phone I found the dog she goes

885

00:33:25,040 --> 00:33:22,640

there's a gale-force a twin going on

886

00:33:26,270 --> 00:33:25,050

well I hang on a minute I said I can't

887

00:33:27,500 --> 00:33:26,280

leave like the paper because we have to

888

00:33:29,210 --> 00:33:27,510

do a ceremony

889

00:33:30,980 --> 00:33:29,220

bring the ball the Vatican before God

890

00:33:32,570 --> 00:33:30,990

for justice and was released from to God

891

00:33:34,970 --> 00:33:32,580

with on Commission and then burn the

892

00:33:36,800 --> 00:33:34,980

paper relief that all the symbology she

893

00:33:38,300 --> 00:33:36,810

couldn't light a match or anything it

894

00:33:40,910 --> 00:33:38,310

was a gale force a winds were there hang

895

00:33:43,430 --> 00:33:40,920

on a minute someone's messing about so I

896

00:33:44,630 --> 00:33:43,440

did I did basically a Mapple intent

897

00:33:46,790 --> 00:33:44,640

right and I was removed that

898

00:33:50,030 --> 00:33:46,800

manipulation the wind completely stopped

899

00:33:51,680 --> 00:33:50,040

she was Kongo oh my god the wind stopped

900

00:33:53,440 --> 00:33:51,690

I said well of course it is it's the

901  
00:33:56,810 --> 00:33:53,450  
Vatican who's messing about you know so

902  
00:33:59,330 --> 00:33:56,820  
what are you working the Vatican so

903  
00:34:00,860 --> 00:33:59,340  
there were matter created this wind you

904  
00:34:02,390 --> 00:34:00,870  
know so what we did is we did the

905  
00:34:03,620 --> 00:34:02,400  
ceremony and well you know all the

906  
00:34:05,450 --> 00:34:03,630  
Illuminati I was fed up with the most

907  
00:34:07,460 --> 00:34:05,460  
alright we're done you know it's not for

908  
00:34:08,720 --> 00:34:07,470  
me to judge them so about infinite

909  
00:34:10,160 --> 00:34:08,730  
levels wide and high through all

910  
00:34:11,660 --> 00:34:10,170  
space-time continuum in every dimension

911  
00:34:13,940 --> 00:34:11,670  
bought by a whole lot before God for

912  
00:34:15,530 --> 00:34:13,950  
justice in only the way God knows how I

913  
00:34:17,150 --> 00:34:15,540

said it's not for us to judge you and so

914

00:34:18,950 --> 00:34:17,160

we listen to you with unconditional love

915

00:34:20,300 --> 00:34:18,960

and forgiveness and we burned the thing

916

00:34:21,380 --> 00:34:20,310

and said write all the symbology God

917

00:34:21,909 --> 00:34:21,390

we're going to take it to you and you

918

00:34:25,000 --> 00:34:21,919

know anyway

919

00:34:27,639 --> 00:34:25,010

we did all that you know and she felt

920

00:34:29,559 --> 00:34:27,649

completely different two hours later I

921

00:34:31,869 --> 00:34:29,569

never get sick I ran for the bathroom I

922

00:34:33,760 --> 00:34:31,879

survived any sicker so there was I'm

923

00:34:36,220 --> 00:34:33,770

talking physically sick I'd never get

924

00:34:38,799 --> 00:34:36,230

sick so what has been sir he's messing

925

00:34:41,559 --> 00:34:38,809

about with them took it out it stopped

926  
00:34:43,839 --> 00:34:41,569  
you know so they transmitted arsenic you

927  
00:34:46,180 --> 00:34:43,849  
know and um it was about four years ago

928  
00:34:49,270 --> 00:34:46,190  
very very powerful people that's good

929  
00:34:51,430 --> 00:34:49,280  
yeah now tell us about this I mean so

930  
00:34:53,619 --> 00:34:51,440  
we've got reptilians under control we'd

931  
00:34:56,430 --> 00:34:53,629  
understand that but the Vatican we've

932  
00:34:59,740 --> 00:34:56,440  
heard a lot about this with Lucifer

933  
00:35:01,900 --> 00:34:59,750  
actually dictating what's going on there

934  
00:35:04,480 --> 00:35:01,910  
and being in charge what is true about

935  
00:35:06,579 --> 00:35:04,490  
this tell us oh it's absolutely true you

936  
00:35:07,960 --> 00:35:06,589  
know and I'm the Luciferians are

937  
00:35:09,490 --> 00:35:07,970  
connected to these reptilians that

938  
00:35:11,710 --> 00:35:09,500

connect the Queen of England she's the

939

00:35:13,420 --> 00:35:11,720

head of the Illuminati which is

940

00:35:16,270 --> 00:35:13,430

connected obviously to the Masonic Lodge

941

00:35:18,099 --> 00:35:16,280

one 233 degrees if you join the Masonic

942

00:35:19,720 --> 00:35:18,109

Lodge oh it's a beautiful yeah it's just

943

00:35:23,140 --> 00:35:19,730

a business club until you get to 10

944

00:35:25,870 --> 00:35:23,150

degrees I say yeah worship Lucifer hmm

945

00:35:28,000 --> 00:35:25,880

what in LA Oh loosen visible light now

946

00:35:30,789 --> 00:35:28,010

and then after that it goes to 32

947

00:35:32,589 --> 00:35:30,799

degrees 34 to 37 degrees is Bohemian

948

00:35:33,970 --> 00:35:32,599

Grove now I'ma tell you a different

949

00:35:37,089 --> 00:35:33,980

little story I've got a lady whose

950

00:35:40,930 --> 00:35:37,099

father is number six in Bohemian Grove

951  
00:35:42,490 --> 00:35:40,940  
at the top and he's really well off she

952  
00:35:43,660 --> 00:35:42,500  
was named in the usual name I don't want

953  
00:35:44,950 --> 00:35:43,670  
to name it because it's unfair and a

954  
00:35:48,970 --> 00:35:44,960  
bless a big but were writing a book

955  
00:35:50,710 --> 00:35:48,980  
about the illumina to fall out child at

956  
00:35:52,539 --> 00:35:50,720  
the age of three she was you know this

957  
00:35:54,789 --> 00:35:52,549  
is the abuse started the age of three so

958  
00:35:57,280 --> 00:35:54,799  
she took her father dragged her to a

959  
00:35:59,410 --> 00:35:57,290  
house they set it on fire burns everyone

960  
00:36:02,289 --> 00:35:59,420  
aside at the age of three and then it

961  
00:36:03,789 --> 00:36:02,299  
got worse and then poisoning raping

962  
00:36:06,370 --> 00:36:03,799  
pillaging you know you name it

963  
00:36:07,809 --> 00:36:06,380

mendler was involved and you know I deal

964

00:36:09,520 --> 00:36:07,819

with these people every day I've dealt

965

00:36:11,589 --> 00:36:09,530

with a lot of people fall out of the

966

00:36:13,150 --> 00:36:11,599

Illuminati and it happens you know they

967

00:36:15,700 --> 00:36:13,160

make them pregnant they their own feces

968

00:36:17,980 --> 00:36:15,710

they they you know they do sacrificial

969

00:36:20,289 --> 00:36:17,990

stuff beyond you'd ever imagine horrible

970

00:36:22,450 --> 00:36:20,299

this is this is very scary stuff and to

971

00:36:25,089 --> 00:36:22,460

think that the Vatican sits on top of it

972

00:36:26,920 --> 00:36:25,099

is even worse but there was let me ask

973

00:36:29,200 --> 00:36:26,930

you this Chris and you may not know the

974

00:36:31,930 --> 00:36:29,210

answer but I'll ask you there was a

975

00:36:34,030 --> 00:36:31,940

guest we had on the show that John de

976

00:36:35,820 --> 00:36:34,040

Souza who talked about Antarctica

977

00:36:37,260 --> 00:36:35,830

because there's a lot

978

00:36:39,060 --> 00:36:37,270

going on in Antarctica right now which

979

00:36:42,300 --> 00:36:39,070

I'm sure you are aware of and there's a

980

00:36:43,920 --> 00:36:42,310

big base area yes and one of the things

981

00:36:47,490 --> 00:36:43,930

that he mentioned is that there is an

982

00:36:50,370 --> 00:36:47,500

entity there now our guess was is

983

00:36:53,580 --> 00:36:50,380

Lucifer because that entity was

984

00:36:56,340 --> 00:36:53,590

summoning people leaders of the world to

985

00:36:58,680 --> 00:36:56,350

come and visit with him

986

00:37:01,590 --> 00:36:58,690

or whatever it is I'm not as Lucifer

987

00:37:04,080 --> 00:37:01,600

ötis but that was our guests on it is

988

00:37:06,030 --> 00:37:04,090

that what do you think's going on down

989

00:37:08,490 --> 00:37:06,040

there in Antarctica is that part of all

990

00:37:10,170 --> 00:37:08,500

of this oh yeah the whole Nazi thing

991

00:37:11,490 --> 00:37:10,180

going on you know like say the world

992

00:37:13,800 --> 00:37:11,500

leaders I mean they're fighting to death

993

00:37:15,870 --> 00:37:13,810

because they're not in control it's the

994

00:37:17,640 --> 00:37:15,880

bankers are in control and you know

995

00:37:19,470 --> 00:37:17,650

those off Charles and all these guys you

996

00:37:20,790 --> 00:37:19,480

know when I went for my ceremony was

997

00:37:23,640 --> 00:37:20,800

really interested because we had to do

998

00:37:25,800 --> 00:37:23,650

the civic test and you know said okay

999

00:37:27,480 --> 00:37:25,810

yeah what what defines the law in

1000

00:37:29,490 --> 00:37:27,490

America and it said the first three

1001  
00:37:32,610 --> 00:37:29,500  
things you know the first three words in

1002  
00:37:35,100 --> 00:37:32,620  
the Constitution We the People are you

1003  
00:37:36,750 --> 00:37:35,110  
gotta be kidding we the people you have

1004  
00:37:38,580 --> 00:37:36,760  
to be hit it you know it's not the do

1005  
00:37:40,140 --> 00:37:38,590  
it's we the bankers we delete nothing to

1006  
00:37:42,060 --> 00:37:40,150  
do with the people and it's really sad

1007  
00:37:43,740 --> 00:37:42,070  
because it breaks my heart you know and

1008  
00:37:47,070 --> 00:37:43,750  
that's why I think I'm here to help you

1009  
00:37:49,160 --> 00:37:47,080  
know I mean but you know yes I mean

1010  
00:37:52,320 --> 00:37:49,170  
you're healing it goes beyond physical

1011  
00:37:55,440 --> 00:37:52,330  
obviously right you're here to free us

1012  
00:37:57,420 --> 00:37:55,450  
from some of these other encumbrances

1013  
00:37:58,410 --> 00:37:57,430

that were just becoming aware of that

1014

00:38:00,660 --> 00:37:58,420

are truly frightening

1015

00:38:02,790 --> 00:38:00,670

now you mentioned I want to bring this

1016

00:38:07,260 --> 00:38:02,800

up to that you're offering our audience

1017

00:38:10,260 --> 00:38:07,270

a special package of a much discounted

1018

00:38:12,720 --> 00:38:10,270

price for healings etc and what I'm

1019

00:38:14,420 --> 00:38:12,730

going to do Chris is I'm going to write

1020

00:38:17,310 --> 00:38:14,430

all this up put it on our Facebook page

1021

00:38:19,140 --> 00:38:17,320

so that people will know how to contact

1022

00:38:21,720 --> 00:38:19,150

you if they're interested I know there

1023

00:38:25,770 --> 00:38:21,730

was a number of different possibilities

1024

00:38:27,870 --> 00:38:25,780

from crystal sets to actual physical

1025

00:38:29,190 --> 00:38:27,880

healings that you'll be offering and I

1026

00:38:30,690 --> 00:38:29,200

think it's great I mean we're really

1027

00:38:33,450 --> 00:38:30,700

grateful that you're on the show tonight

1028

00:38:35,820 --> 00:38:33,460

you know so much about all of this but

1029

00:38:37,830 --> 00:38:35,830

more importantly your healer and you're

1030

00:38:39,600 --> 00:38:37,840

helping people you're doing group

1031

00:38:41,970 --> 00:38:39,610

healings I wanted to also tell people

1032

00:38:45,150 --> 00:38:41,980

about that as well as individual

1033

00:38:47,850 --> 00:38:45,160

feelings so there's a lot that you offer

1034

00:38:49,650 --> 00:38:47,860

and everybody needs to make themselves

1035

00:38:51,319 --> 00:38:49,660

aware of it so whether they have a

1036

00:38:54,480 --> 00:38:51,329

physical illness or an emotional one

1037

00:38:55,920 --> 00:38:54,490

whether it's depression or cancer this

1038

00:38:58,470 --> 00:38:55,930

is something that you can help them

1039

00:39:00,029 --> 00:38:58,480

address right oh absolutely and I mean

1040

00:39:02,339 --> 00:39:00,039

were there so many people are worthy and

1041

00:39:03,750 --> 00:39:02,349

you know and you know everyone's broke

1042

00:39:05,609 --> 00:39:03,760

you know I mean how many people you've

1043

00:39:07,380 --> 00:39:05,619

met alarmed super-spiritual love and

1044

00:39:11,190 --> 00:39:07,390

light but I'm broke you know because my

1045

00:39:13,770 --> 00:39:11,200

spiritual is broke well they're not I've

1046

00:39:16,140 --> 00:39:13,780

got a secret if you're super spiritual

1047

00:39:17,940 --> 00:39:16,150

you're not broke you've got all the

1048

00:39:19,200 --> 00:39:17,950

abundance you did ever want so you've

1049

00:39:20,520 --> 00:39:19,210

got to get over yourself really lies

1050

00:39:22,230 --> 00:39:20,530

okay I'm blocking myself you know

1051  
00:39:24,120 --> 00:39:22,240  
because I'm not quite super spiritual I

1052  
00:39:25,799 --> 00:39:24,130  
thought so I better get in to devote

1053  
00:39:27,539 --> 00:39:25,809  
what I call divine alignment while now

1054  
00:39:28,799 --> 00:39:27,549  
allow the flow to come in and you know

1055  
00:39:31,760 --> 00:39:28,809  
believe you may have suffered it from

1056  
00:39:34,109 --> 00:39:31,770  
the self you know when I first got him

1057  
00:39:36,390 --> 00:39:34,119  
accepting money for healings and then

1058  
00:39:38,309 --> 00:39:36,400  
this pastor sat me down and said okay

1059  
00:39:39,839 --> 00:39:38,319  
it's like this you know if you don't get

1060  
00:39:41,400 --> 00:39:39,849  
you know if you give Overtown don't go

1061  
00:39:42,809 --> 00:39:41,410  
anything back you'll just drain soul for

1062  
00:39:44,609 --> 00:39:42,819  
the drain all the energy and not be it

1063  
00:39:46,859 --> 00:39:44,619

you know you'll be bankrupt second time

1064

00:39:49,020 --> 00:39:46,869

the mother first up she said you know

1065

00:39:50,880 --> 00:39:49,030

the universe works on you know we

1066

00:39:51,240 --> 00:39:50,890

balance in the energy and it's true you

1067

00:39:54,960 --> 00:39:51,250

know

1068

00:39:56,609 --> 00:39:54,970

sitting out the office because we have

1069

00:39:58,140 --> 00:39:56,619

serenity and Alcoholics Anonymous stuff

1070

00:39:59,880 --> 00:39:58,150

at the back of the office they you know

1071

00:40:01,799 --> 00:39:59,890

they have their meetings and we've got

1072

00:40:03,690 --> 00:40:01,809

the friendly office and you know one day

1073

00:40:05,670 --> 00:40:03,700

I came in and this guy been sitting out

1074

00:40:07,109 --> 00:40:05,680

all night god bless him you know he said

1075

00:40:08,760 --> 00:40:07,119

he's only water so the air what should

1076

00:40:11,099 --> 00:40:08,770

watch you what's your story oh I mean

1077

00:40:13,079 --> 00:40:11,109

for a day or so and I said right it's

1078

00:40:14,880 --> 00:40:13,089

\$40 so get yourself some gas don't get

1079

00:40:16,680 --> 00:40:14,890

yourself breakfast and I'll give you

1080

00:40:18,480 --> 00:40:16,690

back as a lot I which promise one thing

1081

00:40:20,579 --> 00:40:18,490

there when you have the money to give

1082

00:40:23,220 --> 00:40:20,589

back you move it on don't ever ever give

1083

00:40:24,900 --> 00:40:23,230

it back to me always move it on and so

1084

00:40:27,750 --> 00:40:24,910

he came back in the office and he said I

1085

00:40:29,640 --> 00:40:27,760

remember I've got your \$40 add I know

1086

00:40:32,220 --> 00:40:29,650

what did I tell you he goes um kagra

1087

00:40:34,349 --> 00:40:32,230

book that said that Laura star look

1088

00:40:35,970 --> 00:40:34,359

don't move it on give it to someone else

1089

00:40:37,440 --> 00:40:35,980

and God bless them and move the

1090

00:40:38,579 --> 00:40:37,450

blessings on you know I don't need the

1091

00:40:40,559 --> 00:40:38,589

money because God gives me money every

1092

00:40:42,420 --> 00:40:40,569

day you know God blesses me every day

1093

00:40:44,010 --> 00:40:42,430

and we have to move it on you know it's

1094

00:40:45,870 --> 00:40:44,020

so important it should've helped people

1095

00:40:47,700 --> 00:40:45,880

you know and and from the pure heart

1096

00:40:49,799 --> 00:40:47,710

then we go don't give it and expect oh

1097

00:40:51,720 --> 00:40:49,809

well they didn't say thank you cares we

1098

00:40:53,579 --> 00:40:51,730

said thank you you know we filmed the

1099

00:40:55,529 --> 00:40:53,589

local electric company and put four

1100

00:40:57,480 --> 00:40:55,539

thousand dollars and every year at

1101  
00:40:59,549 --> 00:40:57,490  
Christmas and I remember she found that

1102  
00:41:01,380 --> 00:40:59,559  
you had our whole department in tears so

1103  
00:41:02,910 --> 00:41:01,390  
why is that if it's years well we had a

1104  
00:41:05,460 --> 00:41:02,920  
74 year woman she

1105  
00:41:07,440 --> 00:41:05,470  
was a she had really bad cancer she

1106  
00:41:10,799 --> 00:41:07,450  
could she could either afford two of the

1107  
00:41:12,299 --> 00:41:10,809  
things meds food or electric she had to

1108  
00:41:14,849 --> 00:41:12,309  
ditch one of them and obviously the

1109  
00:41:17,220 --> 00:41:14,859  
electric was kind of not looking good

1110  
00:41:19,440 --> 00:41:17,230  
and she said which the gap and my whole

1111  
00:41:20,910 --> 00:41:19,450  
department ears and I always tell him

1112  
00:41:21,930 --> 00:41:20,920  
it's a gift from God they'll never tell

1113  
00:41:24,690 --> 00:41:21,940

them where it came from because it's

1114

00:41:27,059 --> 00:41:24,700

just important to move it forward in so

1115

00:41:30,059 --> 00:41:27,069

beautiful yeah we all need to remember

1116

00:41:32,460 --> 00:41:30,069

that now with when you do healings for

1117

00:41:36,210 --> 00:41:32,470

people do you ever reach an impasse

1118

00:41:38,309 --> 00:41:36,220

where something is too resistant or

1119

00:41:42,420 --> 00:41:38,319

someone is too resistant and you can't

1120

00:41:44,480 --> 00:41:42,430

bring them to a place of healing very

1121

00:41:46,710 --> 00:41:44,490

few times but you know I find that I

1122

00:41:48,089 --> 00:41:46,720

find mainly if you break it down if

1123

00:41:49,410 --> 00:41:48,099

people don't believe it when you start

1124

00:41:51,329 --> 00:41:49,420

with healing start together but then I

1125

00:41:52,890 --> 00:41:51,339

my guardian and my lower backs better my

1126

00:41:54,630 --> 00:41:52,900

my next better you know my arthritis

1127

00:41:56,370 --> 00:41:54,640

feels about whatever it is you're all my

1128

00:41:58,140 --> 00:41:56,380

headaches have gone and you know they

1129

00:41:59,579 --> 00:41:58,150

start to believe it you know so people

1130

00:42:01,559 --> 00:41:59,589

don't believe it's better you know with

1131

00:42:02,970 --> 00:42:01,569

with some people who would just just

1132

00:42:04,859 --> 00:42:02,980

block because they're just they're just

1133

00:42:07,020 --> 00:42:04,869

not going to shift it I've only probably

1134

00:42:08,579 --> 00:42:07,030

had one or two out of thousands and

1135

00:42:10,500 --> 00:42:08,589

thousands of people you know I'm last

1136

00:42:11,940 --> 00:42:10,510

year we did 10,000 healing sessions

1137

00:42:14,849 --> 00:42:11,950

we're going to do even more this year

1138

00:42:16,589 --> 00:42:14,859

you know and I mean I'm on the phone 14

1139

00:42:19,049 --> 00:42:16,599

hours a day you know doing healings

1140

00:42:21,089 --> 00:42:19,059

because because it's it's not a job it's

1141

00:42:22,920 --> 00:42:21,099

a way of life you know and that's why we

1142

00:42:24,480 --> 00:42:22,930

say with people with healing you know

1143

00:42:26,160 --> 00:42:24,490

don't just think I would be four could

1144

00:42:28,319 --> 00:42:26,170

six clients and I'm okay and you know I

1145

00:42:30,150 --> 00:42:28,329

can live you know it's a way of life you

1146

00:42:31,859 --> 00:42:30,160

either show up or you get out you know

1147

00:42:33,420 --> 00:42:31,869

there's no half measures you know show

1148

00:42:35,339 --> 00:42:33,430

up and so if you get a call at eleven

1149

00:42:36,599 --> 00:42:35,349

o'clock and I just you know my daughter

1150

00:42:38,819 --> 00:42:36,609

is trying to commit suicide it's

1151  
00:42:40,980 --> 00:42:38,829  
happened several times I've come in the

1152  
00:42:43,049 --> 00:42:40,990  
office removed a draconian beam which is

1153  
00:42:44,579 --> 00:42:43,059  
even darker than depth ilion's within an

1154  
00:42:46,920 --> 00:42:44,589  
hour that girl was laughing a head off

1155  
00:42:48,539 --> 00:42:46,930  
and all the red-faced and scary face had

1156  
00:42:50,579 --> 00:42:48,549  
gone back to you know normal and she

1157  
00:42:52,799 --> 00:42:50,589  
just looked amazing and I remember that

1158  
00:42:54,510 --> 00:42:52,809  
was the day before Mother's Day and that

1159  
00:42:56,430 --> 00:42:54,520  
mother texting a next day she said I've

1160  
00:42:58,740 --> 00:42:56,440  
got the best Mother's Day present I've

1161  
00:43:00,599 --> 00:42:58,750  
ever had in my life I've got my daughter

1162  
00:43:02,099 --> 00:43:00,609  
back you know and they just blew me away

1163  
00:43:03,420 --> 00:43:02,109

actually brought tears to my eyes you

1164

00:43:04,950 --> 00:43:03,430

know and I see this every day you know

1165

00:43:06,270 --> 00:43:04,960

but I think you know if you're gonna do

1166

00:43:08,849 --> 00:43:06,280

healing don't just talk about it you

1167

00:43:10,920 --> 00:43:08,859

know show up and beard you know you got

1168

00:43:13,559 --> 00:43:10,930

to be it every single day you know and

1169

00:43:15,630 --> 00:43:13,569

help people when on and be selfless you

1170

00:43:16,780 --> 00:43:15,640

know don't have the ego you know I see

1171

00:43:19,870 --> 00:43:16,790

you always holding us some

1172

00:43:21,310 --> 00:43:19,880

you know call himself a hit get over

1173

00:43:23,080 --> 00:43:21,320

yourself yeah I'm just Christopher

1174

00:43:26,470 --> 00:43:23,090

Macklin you know I don't want to be you

1175

00:43:28,930 --> 00:43:26,480

know Archangel Chris or whatever just be

1176

00:43:31,120 --> 00:43:28,940

you know cupcake because that's the end

1177

00:43:33,220 --> 00:43:31,130

yell it day given love yourself you know

1178

00:43:34,060 --> 00:43:33,230

I'm Christopher McAfee I don't even have

1179

00:43:34,870 --> 00:43:34,070

a middle name

1180

00:43:37,300 --> 00:43:34,880

well it's funny because I remember

1181

00:43:38,920 --> 00:43:37,310

filling the bank in Phoenix we were

1182

00:43:40,360 --> 00:43:38,930

traveling to Los Angeles because we do

1183

00:43:43,060 --> 00:43:40,370

the conscious live expose the biggest

1184

00:43:45,280 --> 00:43:43,070

Expo in the US and we've got the virtus

1185

00:43:46,480 --> 00:43:45,290

or end up in Phoenix I found the bank to

1186

00:43:48,220 --> 00:43:46,490

unlock one of the cards and because I'll

1187

00:43:50,710 --> 00:43:48,230

have a coffee and the bank said watch it

1188

00:43:52,720 --> 00:43:50,720

Mills a Mercer I do apologize I said I

1189

00:43:54,700 --> 00:43:52,730

don't have one I'm a commoner and there

1190

00:43:57,870 --> 00:43:54,710

was a doctor that committee bursted the

1191

00:44:00,040 --> 00:43:57,880

tears ago my god that's so funny if you

1192

00:44:07,060 --> 00:44:00,050

look back with no middle name

1193

00:44:09,430 --> 00:44:07,070

Commodus I've got a question for you

1194

00:44:11,650 --> 00:44:09,440

from the chat room a Chris this is from

1195

00:44:14,230 --> 00:44:11,660

Trisha she wants to know does paying

1196

00:44:17,470 --> 00:44:14,240

good deeds forward earnest a bonus point

1197

00:44:19,930 --> 00:44:17,480

in the afterlife or do we nullify it by

1198

00:44:21,330 --> 00:44:19,940

even considering the rewards we may get

1199

00:44:23,320 --> 00:44:21,340

in return

1200

00:44:25,180 --> 00:44:23,330

yeah I mean I think you know you should

1201

00:44:26,800 --> 00:44:25,190

always I think you're not going to worry

1202

00:44:28,090 --> 00:44:26,810

about the returns you've got to get into

1203

00:44:29,980 --> 00:44:28,100

a place where you're just giving and

1204

00:44:31,300 --> 00:44:29,990

don't don't have any expectations you

1205

00:44:33,640 --> 00:44:31,310

know I've learned a long time ago

1206

00:44:35,380 --> 00:44:33,650

so I don't expect anything from anybody

1207

00:44:37,810 --> 00:44:35,390

and then I've never disappointed so

1208

00:44:39,700 --> 00:44:37,820

things happen it blows me away if things

1209

00:44:41,710 --> 00:44:39,710

don't happen I don't mind because god

1210

00:44:43,180 --> 00:44:41,720

bless and that's their deal so you know

1211

00:44:44,890 --> 00:44:43,190

you've got to get to a given thing where

1212

00:44:46,450 --> 00:44:44,900

you know don't you NASA thank you

1213

00:44:47,830 --> 00:44:46,460

because it's okay because you know

1214

00:44:49,780 --> 00:44:47,840

you've done your best you know you've

1215

00:44:52,060 --> 00:44:49,790

moved it's like the ministry I could oh

1216

00:44:54,310 --> 00:44:52,070

it's all me me me it's mine my mind it's

1217

00:44:56,950 --> 00:44:54,320

not you know it's ours you know God gave

1218

00:44:58,420 --> 00:44:56,960

it to me to to help an interview now as

1219

00:45:01,360 --> 00:44:58,430

an instrument to actually give out to

1220

00:45:03,400 --> 00:45:01,370

people whether it's using it for you

1221

00:45:04,600 --> 00:45:03,410

know for going to expose and getting in

1222

00:45:06,100 --> 00:45:04,610

front of more people or whether it's

1223

00:45:07,930 --> 00:45:06,110

giving it away or whatever it is you

1224

00:45:09,160 --> 00:45:07,940

know it doesn't matter you know we walk

1225

00:45:10,420 --> 00:45:09,170

on the streets in New York normally I

1226

00:45:12,280 --> 00:45:10,430

take three or four hundred dollars out

1227

00:45:13,600 --> 00:45:12,290

of the ministry we just walk past you

1228

00:45:15,910 --> 00:45:13,610

know it's personal and strangers give

1229

00:45:18,910 --> 00:45:15,920

them 20 bucks you know because because I

1230

00:45:21,940 --> 00:45:18,920

know they need it in them and oh yeah

1231

00:45:23,800 --> 00:45:21,950

nice very nice now would it I have a

1232

00:45:27,130 --> 00:45:23,810

question for you that came in on a text

1233

00:45:29,160 --> 00:45:27,140

and what age did you know that you were

1234

00:45:31,019 --> 00:45:29,170

healer

1235

00:45:34,500 --> 00:45:31,029

I just know I'm different you know and

1236

00:45:37,740 --> 00:45:34,510

uh I've been a whack job you know my

1237

00:45:39,240 --> 00:45:37,750

father thinks he said you're a complete

1238

00:45:41,460 --> 00:45:39,250

fruitcake and now he's gone to America

1239

00:45:43,799 --> 00:45:41,470

found God what do I tell the neighbors

1240

00:45:45,359 --> 00:45:43,809

now think about this this earnestly this

1241

00:45:46,950 --> 00:45:45,369

Minister just 50 shillings a day you

1242

00:45:49,259 --> 00:45:46,960

know at the time he asked it he did

1243

00:45:51,390 --> 00:45:49,269

about 20 so so well he said it like a

1244

00:45:53,130 --> 00:45:51,400

church as a wall kind of you know

1245

00:45:54,900 --> 00:45:53,140

because he wouldn't understand it how

1246

00:45:56,519 --> 00:45:54,910

many services do you do a day now

1247

00:45:59,519 --> 00:45:56,529

remember it's one to one healing

1248

00:46:00,930 --> 00:45:59,529

services huh I said dad 20 oh my god he

1249

00:46:02,519 --> 00:46:00,940

said that was me so he's got this thing

1250

00:46:05,220 --> 00:46:02,529

of congregations going in and out of

1251

00:46:08,190 --> 00:46:05,230

church 20 times the baby shutteth you

1252

00:46:10,140 --> 00:46:08,200

know my god it's huge enough though it's

1253

00:46:12,329 --> 00:46:10,150

a healing practice but we are blessed up

1254

00:46:14,759 --> 00:46:12,339

he's 82 he's been a crab all his life

1255

00:46:16,769 --> 00:46:14,769

for him I loved him dearly but he's

1256

00:46:19,079 --> 00:46:16,779

still a crab you know he's just get so

1257

00:46:20,789 --> 00:46:19,089

caught up and it's okay you know I'll

1258

00:46:24,930 --> 00:46:20,799

leave him to it you know I don't find

1259

00:46:32,819 --> 00:46:24,940

NGS cool my mother was unconditional

1260

00:46:34,829 --> 00:46:32,829

loving but dad's a crab now Krista just

1261

00:46:36,660 --> 00:46:34,839

lets go back for a minute to something

1262

00:46:38,999 --> 00:46:36,670

you mentioned about a draconian being

1263

00:46:41,400 --> 00:46:39,009

that's even worse than a reptilian are

1264

00:46:43,829 --> 00:46:41,410

there a lot of those around too or not

1265

00:46:46,410 --> 00:46:43,839

as many not some not so many they long

1266

00:46:48,480 --> 00:46:46,420

planet nebari oh that has been more I

1267

00:46:49,920 --> 00:46:48,490

see I would say you know that fillings

1268

00:46:52,499 --> 00:46:49,930

we pull them out every day draconian

1269

00:46:54,420 --> 00:46:52,509

czar pulled baby one once I read two

1270

00:46:56,279 --> 00:46:54,430

months but they do make you really sick

1271

00:46:57,690 --> 00:46:56,289

if you get a draconian you by God you'll

1272

00:46:59,849 --> 00:46:57,700

know about you'll be chronically pressed

1273

00:47:03,120 --> 00:46:59,859

on a suicidal you'll get cancer within

1274

00:47:04,680 --> 00:47:03,130

weeks you know you deal you'll get you

1275

00:47:06,569 --> 00:47:04,690

can get stroke symptoms if they move

1276

00:47:08,190 --> 00:47:06,579

around you can have your whole face

1277

00:47:10,200 --> 00:47:08,200

change I remember a lady came in and she

1278

00:47:10,680 --> 00:47:10,210

had a draconian tax to her and she was

1279

00:47:12,450 --> 00:47:10,690

dribbling

1280

00:47:14,819 --> 00:47:12,460

well you know she had been paralyzed

1281

00:47:16,470 --> 00:47:14,829

they did an MRI couldn't find anything I

1282

00:47:17,849 --> 00:47:16,480

said you've got a draconian hema guys

1283

00:47:19,589 --> 00:47:17,859

don't pick up the cone ian's of course

1284

00:47:21,210 --> 00:47:19,599

you know so here's what's that I said

1285

00:47:22,349 --> 00:47:21,220

don't worry about it let's get it and I

1286

00:47:24,299 --> 00:47:22,359

was chasing the thing I was actually

1287

00:47:26,190 --> 00:47:24,309

chasing down the body I couldn't grab it

1288

00:47:28,650 --> 00:47:26,200

you know and and it was the whole focus

1289

00:47:30,150 --> 00:47:28,660

car like this you know I said right

1290

00:47:32,130 --> 00:47:30,160

that's it you know so put a portal

1291

00:47:34,259 --> 00:47:32,140

around is courting a whole face came

1292

00:47:36,660 --> 00:47:34,269

back and showed just like that in and

1293

00:47:39,210 --> 00:47:36,670

she got her Wow

1294

00:47:40,880 --> 00:47:39,220

you know faces normal and she went away

1295

00:47:43,009 --> 00:47:40,890

into the state was gone

1296

00:47:45,979 --> 00:47:43,019

you know stroke symptoms so he's not

1297

00:47:48,950 --> 00:47:45,989

these on the ready unit now have you

1298

00:47:52,910 --> 00:47:48,960

worked with patients and doctors

1299

00:47:56,120 --> 00:47:52,920

together excuse me thank you

1300

00:47:58,460 --> 00:47:56,130

yeah um yeah absolutely and we've had

1301

00:48:01,940 --> 00:47:58,470

amazing I work with I think I only

1302

00:48:03,109 --> 00:48:01,950

contact once but I had a guy was well

1303

00:48:06,589 --> 00:48:03,119

the other

1304

00:48:08,509 --> 00:48:06,599

what a horrible percocet he had a cancer

1305

00:48:11,239 --> 00:48:08,519

tumor between the end of his penis and

1306

00:48:13,819 --> 00:48:11,249

his body huge tumor and and on the right

1307

00:48:15,049 --> 00:48:13,829

lymph node it was awful so anyway what

1308

00:48:16,579 --> 00:48:15,059

happened is that you know he didn't

1309

00:48:17,960 --> 00:48:16,589

quite believe I'm going to take chemo

1310

00:48:20,630 --> 00:48:17,970

and grade it but I'll carry on with you

1311

00:48:23,059 --> 00:48:20,640

okay so so we started healing and then

1312

00:48:24,979 --> 00:48:23,069

he did he did two treatments of chemo

1313

00:48:27,049 --> 00:48:24,989

which is not good you know and they did

1314

00:48:29,239 --> 00:48:27,059

one treatment of radiation it got down

1315

00:48:31,700 --> 00:48:29,249

by 78% so the doctors just said oh

1316

00:48:33,559 --> 00:48:31,710

launcher oh my god it's gone down by

1317

00:48:35,660 --> 00:48:33,569

somebody he said this this is not the

1318

00:48:38,059 --> 00:48:35,670

chemo radiation what is it he goes well

1319

00:48:40,640 --> 00:48:38,069

I'm on to the phones to this bloke in

1320

00:48:43,009 --> 00:48:40,650

Grantham he goes so what's he doing well

1321

00:48:44,749 --> 00:48:43,019

this calls a divine healing you know he

1322

00:48:47,150 --> 00:48:44,759

said law I don't know what you doing but

1323

00:48:49,700 --> 00:48:47,160

he said whatever you doing do not change

1324

00:48:51,319 --> 00:48:49,710

a thing and because of that you stop the

1325

00:48:54,109 --> 00:48:51,329

chemo straightaway and now you know it's

1326

00:48:55,940 --> 00:48:54,119

gone you know gone and it's happened to

1327

00:48:57,920 --> 00:48:55,950

another person likely there were breast

1328

00:49:00,109 --> 00:48:57,930

cancers you know if you get a snake

1329

00:49:02,509 --> 00:49:00,119

being any breast it wraps around the

1330

00:49:03,970 --> 00:49:02,519

breast it sits there so because you've

1331

00:49:06,950 --> 00:49:03,980

got no Meridian flowing your breast

1332

00:49:09,259 --> 00:49:06,960

fungal infections mutate turn into cysts

1333

00:49:12,019 --> 00:49:09,269

and tumors so turn into cancer you know

1334

00:49:13,549 --> 00:49:12,029

and so so what's the cause well first of

1335

00:49:16,130 --> 00:49:13,559

all your vibration was low you've got

1336

00:49:18,079 --> 00:49:16,140

emotion secondly the snake being got

1337

00:49:19,609 --> 00:49:18,089

stuck in your breast and so we take it

1338

00:49:21,529 --> 00:49:19,619

out get my video and flow going so

1339

00:49:23,660 --> 00:49:21,539

that's going to stop it third thing is

1340

00:49:24,859 --> 00:49:23,670

let's fry the tumor we use a thing

1341

00:49:27,259 --> 00:49:24,869

called tacking energy space time

1342

00:49:28,670 --> 00:49:27,269

continuum energy it's only available in

1343

00:49:30,799 --> 00:49:28,680

the ninth dimension or the ultimate

1344

00:49:32,479 --> 00:49:30,809

dimension it's not the same as Tesla's

1345

00:49:34,519 --> 00:49:32,489

it's different it's very electrostatic

1346

00:49:36,650 --> 00:49:34,529

what it does is it changes the molecular

1347

00:49:38,479 --> 00:49:36,660

structure of the tumor to benign for the

1348

00:49:41,180 --> 00:49:38,489

body so instead of a heart tumor it

1349

00:49:42,499 --> 00:49:41,190

turns its Solo's mushy cyst and then the

1350

00:49:44,210 --> 00:49:42,509

kids that beings go in and they actually

1351  
00:49:46,489 --> 00:49:44,220  
break it down and put it back for them

1352  
00:49:47,870 --> 00:49:46,499  
fatik system so that's how the tumors

1353  
00:49:49,670 --> 00:49:47,880  
drain out and it's amazing I've done

1354  
00:49:51,559 --> 00:49:49,680  
them in the brain I've got one

1355  
00:49:54,049 --> 00:49:51,569  
pancreatic cancer everywhere in them

1356  
00:49:54,650 --> 00:49:54,059  
with spinal cancer I had a girl with

1357  
00:49:57,230 --> 00:49:54,660  
spinal

1358  
00:49:59,060 --> 00:49:57,240  
to the age of 32 and yes she was all

1359  
00:50:00,980 --> 00:49:59,070  
down a spire including bend over now she

1360  
00:50:05,290 --> 00:50:00,990  
walks around she's perfectly normal in a

1361  
00:50:09,710 --> 00:50:05,300  
maze Akash now we talked a little bit of

1362  
00:50:11,660 --> 00:50:09,720  
offline about Lyme disease and all the

1363  
00:50:13,310 --> 00:50:11,670

cofactors in the infection through that

1364

00:50:16,100 --> 00:50:13,320

and that's a little more stubborn isn't

1365

00:50:17,630 --> 00:50:16,110

it then cancer yeah yeah I mean Lyme

1366

00:50:19,940 --> 00:50:17,640

disease Morgellons of the worst things

1367

00:50:22,310 --> 00:50:19,950

to heal because it takes it takes up to

1368

00:50:24,290 --> 00:50:22,320

a year sometimes even longer and what it

1369

00:50:25,730 --> 00:50:24,300

is this Lyme disease of Sparky button

1370

00:50:27,470 --> 00:50:25,740

the new Lyme disease that have been

1371

00:50:30,800 --> 00:50:27,480

developed you know with technology from

1372

00:50:32,090 --> 00:50:30,810

the Zita graze is a stealth pathogen the

1373

00:50:33,710 --> 00:50:32,100

other the other Lyme disease was a

1374

00:50:35,180 --> 00:50:33,720

derivative of like the plague and

1375

00:50:37,580 --> 00:50:35,190

whatever you know it was just a pathogen

1376

00:50:39,410 --> 00:50:37,590

so it replicated but not that quick this

1377

00:50:41,960 --> 00:50:39,420

stealth pathogen replicates at such an

1378

00:50:43,700 --> 00:50:41,970

exponential rate you have to really kill

1379

00:50:45,830 --> 00:50:43,710

it off you know no amount of herbs or

1380

00:50:48,500 --> 00:50:45,840

anything can get in front of killing off

1381

00:50:50,120 --> 00:50:48,510

faster than its replicated so and the

1382

00:50:52,640 --> 00:50:50,130

problem is the co-infections our absence

1383

00:50:54,830 --> 00:50:52,650

time by herpes but BCI Bartonella but be

1384

00:50:56,600 --> 00:50:54,840

she alerts the GI causes paralyzation

1385

00:50:59,690 --> 00:50:56,610

you get a moaning the brain it's a

1386

00:51:01,910 --> 00:50:59,700

neurotoxin it kills off the brain it

1387

00:51:04,370 --> 00:51:01,920

kills off the nerves and the pathways

1388

00:51:06,740 --> 00:51:04,380

and so it's a really destructive disease

1389

00:51:08,570 --> 00:51:06,750

and damage the liver it paralyzes the

1390

00:51:10,580 --> 00:51:08,580

liver and the kidneys they fit exhausted

1391

00:51:12,590 --> 00:51:10,590

you got GI problems you know your liver

1392

00:51:15,080 --> 00:51:12,600

see you get brain fog because if your

1393

00:51:17,000 --> 00:51:15,090

liver can't process the toxin so well

1394

00:51:19,160 --> 00:51:17,010

I've got hundreds hundreds of lying

1395

00:51:21,230 --> 00:51:19,170

people you know and we will fix them I

1396

00:51:23,180 --> 00:51:21,240

can't say it's cool because the FDA will

1397

00:51:25,100 --> 00:51:23,190

come and arrest me so what I can say is

1398

00:51:27,170 --> 00:51:25,110

that were Radek ated it and it's never

1399

00:51:29,180 --> 00:51:27,180

come back because the thing is about

1400

00:51:31,190 --> 00:51:29,190

Lyme is this it's it's in the chemtrails

1401

00:51:32,510 --> 00:51:31,200

brillier which is the spare key lime is

1402

00:51:33,830 --> 00:51:32,520

in the chemtrails it gets in your body

1403

00:51:35,900 --> 00:51:33,840

you've got it I've got it

1404

00:51:37,430 --> 00:51:35,910

but you know some people get Lyme out of

1405

00:51:38,840 --> 00:51:37,440

it and some people don't it's like HIV

1406

00:51:40,940 --> 00:51:38,850

some people get AIDS a little doubt but

1407

00:51:43,160 --> 00:51:40,950

you might have any body book everyone's

1408

00:51:45,230 --> 00:51:43,170

got the spare key and so what happens is

1409

00:51:47,570 --> 00:51:45,240

I go back to which is the GMO foods

1410

00:51:50,060 --> 00:51:47,580

triggers your DNA and damages it and

1411

00:51:51,800 --> 00:51:50,070

that's what allows it to replicate and

1412

00:51:53,000 --> 00:51:51,810

so it's really important to understand

1413

00:51:54,410 --> 00:51:53,010

that you know if you want to educate it

1414

00:51:56,660 --> 00:51:54,420

once you've got the brewery ID system

1415

00:51:58,790 --> 00:51:56,670

and you've you've it's gone and the

1416

00:52:01,400 --> 00:51:58,800

limes is over then you have to do a DNA

1417

00:52:03,230 --> 00:52:01,410

resetting we change it back to the

1418

00:52:05,390 --> 00:52:03,240

blueprint it starts to manifest in the

1419

00:52:07,800 --> 00:52:05,400

sacral point goes out it takes about six

1420

00:52:09,000 --> 00:52:07,810

weeks and it sends people ab c-- bipolar

1421

00:52:13,440 --> 00:52:09,010

you know because the whole being is

1422

00:52:15,330 --> 00:52:13,450

changing in so we've got nice yeah

1423

00:52:17,840 --> 00:52:15,340

that's what is it sounds a lot more

1424

00:52:20,850 --> 00:52:17,850

challenging because of all the different

1425

00:52:22,320 --> 00:52:20,860

arms of this disease but I'm glad to

1426

00:52:26,160 --> 00:52:22,330

hear that you have success with it

1427

00:52:27,450 --> 00:52:26,170

because very few people do well no one

1428

00:52:29,940 --> 00:52:27,460

I've not come across anyone as

1429

00:52:31,680 --> 00:52:29,950

eradicated we have eradicated it takes a

1430

00:52:33,360 --> 00:52:31,690

while but we've got rid of it and kept

1431

00:52:34,410 --> 00:52:33,370

it away you know because it's great to

1432

00:52:35,820 --> 00:52:34,420

get rid of it but you're going to get it

1433

00:52:37,080 --> 00:52:35,830

back because it's in the chemtrails and

1434

00:52:39,330 --> 00:52:37,090

your body is susceptible to a

1435

00:52:40,590 --> 00:52:39,340

replication so yeah you're kind of

1436

00:52:43,320 --> 00:52:40,600

wasting time so what you guys do is

1437

00:52:45,060 --> 00:52:43,330

reset the DNA to the blueprint and we've

1438

00:52:46,650 --> 00:52:45,070

done it and I've got people's five six

1439

00:52:50,100 --> 00:52:46,660

years ago we got rid of it it's gone you

1440

00:52:51,390 --> 00:52:50,110

know it's amazing and say with HIV say

1441

00:52:53,700 --> 00:52:51,400

with Agent Orange you know they all

1442

00:52:55,410 --> 00:52:53,710

almost the same but if I can talk

1443

00:52:58,290 --> 00:52:55,420

quickly about autism as well I forgot

1444

00:53:00,030 --> 00:52:58,300

time yes I think what we're going to do

1445

00:53:02,100 --> 00:53:00,040

is we're going to take another break and

1446

00:53:04,950 --> 00:53:02,110

when we come back we'll talk about

1447

00:53:09,420 --> 00:53:04,960

autism and then we'll have a healing for

1448

00:53:12,210 --> 00:53:09,430

everybody which will be right lighted

1449

00:53:14,730 --> 00:53:12,220

about that yes and everybody I will be

1450

00:53:18,240 --> 00:53:14,740

posting on our Facebook page all of the

1451  
00:53:19,260 --> 00:53:18,250  
special discounts that Kris is offering

1452

supernatural girls audience and so I'll

1454  
00:53:26,100 --> 00:53:23,770  
post that for everybody to see and then

1455  
00:53:28,920 --> 00:53:26,110

1471

00:54:15,330 --> 00:54:12,310

dissolving the Enigma of divine healing

1472

00:54:16,740 --> 00:54:15,340

that's one PK you got the other one

1473

00:54:19,890 --> 00:54:16,750

there we go

1474

00:54:24,110 --> 00:54:19,900

and what is divine trance

1475

00:54:27,390 --> 00:54:24,120

so now I fired on that boat he have

1476  
00:54:29,460 --> 00:54:27,400  
another beautiful product now Chris we

1477  
00:54:32,820 --> 00:54:29,470  
were talking a little bit off the air

1478  
00:54:34,680 --> 00:54:32,830  
about leukemia and you wanted to share a

1479  
00:54:36,620 --> 00:54:34,690  
little bit about how leukemia happens

1480  
00:54:40,080 --> 00:54:36,630  
and how you're able to get rid of it

1481  
00:54:41,520 --> 00:54:40,090  
yeah I mean it's interesting because I've

1482  
00:54:43,130 --> 00:54:41,530  
had a lot of people leukemia but the

1483  
00:54:46,230 --> 00:54:43,140  
thing is about leukemia is this is that

1484  
00:54:48,240 --> 00:54:46,240  
if you live a vibration drops below 20%

1485  
00:54:50,220 --> 00:54:48,250  
and you know they could do they could do

1486  
00:54:51,480 --> 00:54:50,230  
a enzyme test it looks like it's

1487  
00:54:52,800 --> 00:54:51,490  
functioning properly but if you've got

1488  
00:54:55,170 --> 00:54:52,810

an empty sitting over your liver it's

1489

00:54:56,730 --> 00:54:55,180

paralyzing it so it's not processed the

1490

00:54:58,680 --> 00:54:56,740

toxin so because it's not processing

1491

00:55:00,570 --> 00:54:58,690

toxins the toxins are so bad in the body

1492

00:55:02,190 --> 00:55:00,580

that normally it dump it on the fat

1493

00:55:04,110 --> 00:55:02,200

cells but it can't make fat cells faster

1494

00:55:05,700 --> 00:55:04,120

so it's in the bloodstream it's

1495

00:55:07,350 --> 00:55:05,710

attacking the bone marrow and platelets

1496

00:55:09,060 --> 00:55:07,360

and so that's why you know it's not

1497

00:55:12,270 --> 00:55:09,070

making hemoglobin properly and so

1498

00:55:13,230 --> 00:55:12,280

everything's destroyed so I remember had

1499

00:55:14,850 --> 00:55:13,240

a lady you know it was really

1500

00:55:16,200 --> 00:55:14,860

interesting this if I can tell the story

1501

00:55:17,670 --> 00:55:16,210

as well because it can a links to it

1502

00:55:19,200 --> 00:55:17,680

it's all you need to do is obviously get

1503

00:55:21,180 --> 00:55:19,210

the liver functionality back up remove

1504

00:55:22,710 --> 00:55:21,190

the NT get rid of the emotion get your

1505

00:55:25,500 --> 00:55:22,720

body vibration up so this livers

1506

00:55:28,110 --> 00:55:25,510

functioning normally and here my normal

1507

00:55:30,030 --> 00:55:28,120

is between 90 on 2% if you have 24 beers

1508

00:55:32,340 --> 00:55:30,040

it's probably around 92 because it's

1509

00:55:33,660 --> 00:55:32,350

processing toxins you know if you if you

1510

00:55:35,010 --> 00:55:33,670

have a really clean guy and you don't

1511

00:55:37,170 --> 00:55:35,020

have any beers that week then it's

1512

00:55:38,970 --> 00:55:37,180

probably give me 9800 you know but it

1513

00:55:41,310 --> 00:55:38,980

should never go below 90 and I find

1514

00:55:43,140 --> 00:55:41,320

below 20% functionality's when you've

1515

00:55:44,640 --> 00:55:43,150

got a real problem that's all you do is

1516

00:55:46,530 --> 00:55:44,650

get level functionality going and then

1517

00:55:48,540 --> 00:55:46,540

you just work on the platelets they they

1518

00:55:50,400 --> 00:55:48,550

correct the platelets and you know game

1519

00:55:52,410 --> 00:55:50,410

over it's so easy to get rid of leukemia

1520

00:55:54,930 --> 00:55:52,420

but I had one lady I remember she phoned

1521

00:55:57,000 --> 00:55:54,940

me up and you know started doing healing

1522

00:55:59,610 --> 00:55:57,010

work she goes I see this big bright

1523

00:56:00,680 --> 00:55:59,620

light above me other Oh God and so I

1524

00:56:03,000 --> 00:56:00,690

said oh okay

1525

00:56:04,260 --> 00:56:03,010

that must be the angelic realm but

1526  
00:56:06,060 --> 00:56:04,270  
watching what it was is they were

1527  
00:56:08,070 --> 00:56:06,070  
expecting that passed and so they put a

1528  
00:56:10,170 --> 00:56:08,080  
portal round are ready to take her soul

1529  
00:56:12,000 --> 00:56:10,180  
to the fifth dimension and so I didn't

1530  
00:56:14,820 --> 00:56:12,010  
say then I left it and after about four

1531  
00:56:17,070 --> 00:56:14,830  
or five sessions it disappeared many she

1532  
00:56:19,170 --> 00:56:17,080  
said announces five sparkly angelic

1533  
00:56:21,180 --> 00:56:19,180  
beings like pings you know that's enough

1534  
00:56:23,580 --> 00:56:21,190  
thank God for that is what that is that

1535  
00:56:25,500 --> 00:56:23,590  
because they actually expect me to pass

1536  
00:56:27,210 --> 00:56:25,510  
fairly soon and so they put a portal

1537  
00:56:28,260 --> 00:56:27,220  
earning now they've closed the portal

1538  
00:56:30,180 --> 00:56:28,270

because they know you're going to stay

1539

00:56:32,070 --> 00:56:30,190

and so now you see the angelic beings

1540

00:56:32,910 --> 00:56:32,080

moving in you know working on your body

1541

00:56:34,440 --> 00:56:32,920

instead of

1542

00:56:35,640 --> 00:56:34,450

it's just interest in that inner so if

1543

00:56:37,110 --> 00:56:35,650

you ever see a big white light you know

1544

00:56:39,840 --> 00:56:37,120

you're not closer you're quite close to

1545

00:56:46,260 --> 00:56:39,850

moving on you know so and you know time

1546

00:56:51,770 --> 00:56:46,270

to get healed in them make a phone call

1547

00:56:53,790 --> 00:56:51,780

oh god take it out why I'm singing even

1548

00:56:55,080 --> 00:56:53,800

even things like it's interesting cuz

1549

00:56:56,730 --> 00:56:55,090

you know when people came to comas any

1550

00:56:58,710 --> 00:56:56,740

much about comas where are people here

1551  
00:57:00,960 --> 00:56:58,720  
in comas and what happens is you have a

1552  
00:57:03,240 --> 00:57:00,970  
car crash and it's not expected your

1553  
00:57:05,010 --> 00:57:03,250  
soul can go so fast out your body the

1554  
00:57:06,570 --> 00:57:05,020  
umbilical cord because it can find its

1555  
00:57:08,640 --> 00:57:06,580  
way back to the umbilical cord but if it

1556  
00:57:10,500 --> 00:57:08,650  
breaks it's gone it's lost and so you

1557  
00:57:11,850 --> 00:57:10,510  
have to fish it out bring it back put it

1558  
00:57:13,650 --> 00:57:11,860  
back in their body so if their body's

1559  
00:57:15,390 --> 00:57:13,660  
well enough always ask permission is

1560  
00:57:17,310 --> 00:57:15,400  
that bloody well enough to listen so by

1561  
00:57:19,500 --> 00:57:17,320  
visit yeah right let's get it back they

1562  
00:57:20,960 --> 00:57:19,510  
wake up they know close oh my god he's

1563  
00:57:23,640 --> 00:57:20,970

been like over a year now he's just

1564

00:57:26,130 --> 00:57:23,650

waking up and sick not minutes ha ha

1565

00:57:28,770 --> 00:57:26,140

that's great news oh my god this

1566

00:57:30,690 --> 00:57:28,780

family's must be ecstatic now we were

1567

00:57:32,310 --> 00:57:30,700

also talking a little bit about autism

1568

00:57:34,740 --> 00:57:32,320

do you want to share a little bit about

1569

00:57:36,720 --> 00:57:34,750

healing that yeah it's interesting

1570

00:57:38,430 --> 00:57:36,730

because you know I'm working with

1571

00:57:42,870 --> 00:57:38,440

somebody really close at the moment and

1572

00:57:45,270 --> 00:57:42,880

the three types autism there's the start

1573

00:57:48,210 --> 00:57:45,280

liddle top-level starseed autism which

1574

00:57:50,940 --> 00:57:48,220

is that you know this person's born they

1575

00:57:53,250 --> 00:57:50,950

have the MMR vaccine the mercury in the

1576  
00:57:55,380 --> 00:57:53,260  
vaccine it blocks the pathways and they

1577  
00:57:56,790 --> 00:57:55,390  
need all the pathways to function

1578  
00:57:58,770 --> 00:57:56,800  
otherwise many of the pathways are

1579  
00:57:59,370 --> 00:57:58,780  
blocked by mercury that they're

1580  
00:58:02,340 --> 00:57:59,380  
off-kilter

1581  
00:58:04,230 --> 00:58:02,350  
so those star see you know people if

1582  
00:58:05,730 --> 00:58:04,240  
they have the vaccine will will get you

1583  
00:58:07,890 --> 00:58:05,740  
know hit by autism that's why it's so

1584  
00:58:09,540 --> 00:58:07,900  
increasing but they're also immune is

1585  
00:58:11,310 --> 00:58:09,550  
really strong so it doesn't affect the

1586  
00:58:12,990 --> 00:58:11,320  
Ottoman it just affects the brain and

1587  
00:58:14,280 --> 00:58:13,000  
I'm healing one at the moment the only

1588  
00:58:17,010 --> 00:58:14,290

problem is when you bring in the mercury

1589

00:58:18,240 --> 00:58:17,020

I realized that you know I'm working on

1590

00:58:20,490 --> 00:58:18,250

at the moment and we're getting there

1591

00:58:23,190 --> 00:58:20,500

but when I did a release the other day I

1592

00:58:25,140 --> 00:58:23,200

found that the child involved got really

1593

00:58:26,810 --> 00:58:25,150

sick because the mercury is draining and

1594

00:58:29,550 --> 00:58:26,820

going through the system so what I

1595

00:58:31,560 --> 00:58:29,560

wrapped the mercury in the brain and get

1596

00:58:33,060 --> 00:58:31,570

it released you know so next time we're

1597

00:58:34,230 --> 00:58:33,070

gonna actually draw out the brain

1598

00:58:35,880 --> 00:58:34,240

instead of drawing out of the body

1599

00:58:37,080 --> 00:58:35,890

because if it's in the body it's going

1600

00:58:39,530 --> 00:58:37,090

to really affect them badly and they're

1601  
00:58:42,840 --> 00:58:39,540  
very sensitive second type of autism is

1602  
00:58:44,700 --> 00:58:42,850  
where there's a derivative of leprosy

1603  
00:58:45,819 --> 00:58:44,710  
that's way more powerful and lyme

1604  
00:58:48,069 --> 00:58:45,829  
disease

1605  
00:58:50,049 --> 00:58:48,079  
putting it in the chemicals I spray on

1606  
00:58:51,759 --> 00:58:50,059  
plants like roundup it's a spirochete

1607  
00:58:53,709 --> 00:58:51,769  
gets in the mother's body

1608  
00:58:56,229 --> 00:58:53,719  
now don't forget spirochetes don't

1609  
00:58:58,569 --> 00:58:56,239  
replicate unless your DNA is damaged and

1610  
00:59:00,549 --> 00:58:58,579  
allow it to so get another body there

1611  
00:59:03,819 --> 00:59:00,559  
okay and then get to the baby's body so

1612  
00:59:05,949 --> 00:59:03,829  
again then when they go MMR vaccine it's

1613  
00:59:08,289 --> 00:59:05,959

got I'd go bacterium in it I've got back

1614

00:59:10,809 --> 00:59:08,299

to him is the GMO substrate that

1615

00:59:12,219 --> 00:59:10,819

actually triggers and damages the DNA so

1616

00:59:13,959 --> 00:59:12,229

those kids get really sick they get

1617

00:59:15,819 --> 00:59:13,969

lesions because it's it's it's worse

1618

00:59:17,469 --> 00:59:15,829

than Lyme disease it's a derivative of

1619

00:59:19,059 --> 00:59:17,479

Lyme disease it comes from leprosy and

1620

00:59:21,489 --> 00:59:19,069

they've developed this hierarchy to

1621

00:59:22,870 --> 00:59:21,499

replicate so it's it's created by

1622

00:59:25,930 --> 00:59:22,880

lesions on the brain because the

1623

00:59:27,849 --> 00:59:25,940

co-infections on the toxin third one is

1624

00:59:29,529 --> 00:59:27,859

chromosome 52 if that's gone off kilter

1625

00:59:31,390 --> 00:59:29,539

then it that's when the parents that's a

1626  
00:59:32,589 --> 00:59:31,400  
genetic thing you know and I'm working

1627  
00:59:34,019 --> 00:59:32,599  
on all of them you know we're getting

1628  
00:59:36,880 --> 00:59:34,029  
success with all them so it's amazing

1629  
00:59:39,449 --> 00:59:36,890  
that's all the rific because again as a

1630  
00:59:42,370 --> 00:59:39,459  
they're saying that in the next 20 years

1631  
00:59:44,370 --> 00:59:42,380  
these kids that are getting vaccinated

1632  
00:59:47,469 --> 00:59:44,380  
in getting reactions to these

1633  
00:59:49,959 --> 00:59:47,479  
vaccinations what did they say on our

1634  
00:59:51,789 --> 00:59:49,969  
show PK it was going to be like 1 in 20

1635  
00:59:54,969 --> 00:59:51,799  
we're going to be autistic it's some

1636  
00:59:57,430 --> 00:59:54,979  
ridiculously high number although it's

1637  
00:59:59,319 --> 00:59:57,440  
we need people like you to begin a

1638  
01:00:00,699 --> 00:59:59,329

healing process here or else we're going

1639

01:00:03,099 --> 01:00:00,709

to end up with a world of autistic

1640

01:00:05,019 --> 01:00:03,109

people all going to do is actually have

1641

01:00:07,269 --> 01:00:05,029

groups such as I just want to focus on

1642

01:00:08,920 --> 01:00:07,279

autism and have group sessions you know

1643

01:00:11,559 --> 01:00:08,930

like we do the do group sessions on

1644

01:00:12,759 --> 01:00:11,569

Tuesday oh that's a great idea it's

1645

01:00:14,439 --> 01:00:12,769

after that 4 o'clock you know we do

1646

01:00:16,029 --> 01:00:14,449

everything but I think sometimes you

1647

01:00:17,079 --> 01:00:16,039

have to focus on autism because it's a

1648

01:00:18,219 --> 01:00:17,089

little bit more delicate because you've

1649

01:00:19,870 --> 01:00:18,229

got to really watch those talks

1650

01:00:21,939 --> 01:00:19,880

especially with you gifted kids you

1651

01:00:23,170 --> 01:00:21,949

can't have a mocha going you know so

1652

01:00:26,799 --> 01:00:23,180

we're going to work you know I'm bloody

1653

01:00:28,569 --> 01:00:26,809

excited other that is exciting now if

1654

01:00:30,039 --> 01:00:28,579

people have children and they want to

1655

01:00:32,799 --> 01:00:30,049

participate in that will that be on your

1656

01:00:34,689 --> 01:00:32,809

website yeah will be soon yeah

1657

01:00:35,799 --> 01:00:34,699

absolutely I'm working we're actually

1658

01:00:37,239 --> 01:00:35,809

upgrading the website everything's

1659

01:00:38,529 --> 01:00:37,249

changing the ministry was already going

1660

01:00:40,479 --> 01:00:38,539

you know we're going right up there at

1661

01:00:41,979 --> 01:00:40,489

the moment and like I've got a new book

1662

01:00:44,499 --> 01:00:41,989

about Morgellons and Lyme it's coming

1663

01:00:46,689 --> 01:00:44,509

out it's called the history truth and

1664

01:00:48,549 --> 01:00:46,699

healing of Morgellons alive it's a very

1665

01:00:50,739 --> 01:00:48,559

controversial book at in quotes

1666

01:00:52,809 --> 01:00:50,749

governmental documents connected and

1667

01:00:54,579 --> 01:00:52,819

signed by the Zita grading our beings

1668

01:00:56,170 --> 01:00:54,589

that you know believe it or not they

1669

01:00:57,189 --> 01:00:56,180

exist if you look for them you know but

1670

01:00:58,569 --> 01:00:57,199

people don't look for them

1671

01:00:59,330 --> 01:00:58,579

so organ who's given well you know if

1672

01:01:01,130 --> 01:00:59,340

you go to this Web

1673

01:01:02,780 --> 01:01:01,140

and you know you can actually get on the

1674

01:01:04,850 --> 01:01:02,790

government website and see these

1675

01:01:07,610 --> 01:01:04,860

documents here it's amazing that is

1676

01:01:09,770 --> 01:01:07,620

really amazing in a bad way though I

1677

01:01:11,960 --> 01:01:09,780

mean morg Allen has a horrible disease

1678

01:01:14,470 --> 01:01:11,970

as is Lyme but to think that these

1679

01:01:16,970 --> 01:01:14,480

things come from some place of

1680

01:01:18,650 --> 01:01:16,980

weaponization and that is really

1681

01:01:22,490 --> 01:01:18,660

frightening but thank god you're finding

1682

01:01:26,140 --> 01:01:22,500

ways to to heal that so you're going to

1683

01:01:29,480 --> 01:01:26,150

do a healing for our audience tonight

1684

01:01:35,240 --> 01:01:29,490

yes right go on tonight

1685

01:01:36,020 --> 01:01:35,250

all right side eight or go talk us

1686

01:01:38,840 --> 01:01:36,030

through this

1687

01:01:40,130 --> 01:01:38,850

Chris well what I'll do is I'll start

1688

01:01:41,420 --> 01:01:40,140

the healing and what I'll do is I'll

1689

01:01:42,770 --> 01:01:41,430

explain what I'm doing and what you

1690

01:01:44,540 --> 01:01:42,780

should be feeling it's probably easier

1691

01:01:46,670 --> 01:01:44,550

I'll do I wanna do a whole healing

1692

01:01:48,680 --> 01:01:46,680

because we've only got like you know 30

1693

01:01:50,600 --> 01:01:48,690

minutes but what I'll do is I'll do as

1694

01:01:53,870 --> 01:01:50,610

far as we can go and so you'll feel it

1695

01:01:55,700 --> 01:01:53,880

so so let's all sit back and what about

1696

01:01:58,760 --> 01:01:55,710

do is remove the ante so I want to sit

1697

01:02:00,530 --> 01:01:58,770

back relax and let's do a grounding

1698

01:02:04,220 --> 01:02:00,540

prayer so it's a battle intent grounding

1699

01:02:07,790 --> 01:02:04,230

Matalin ten I would say I am of God so

1700

01:02:11,810 --> 01:02:07,800

I'm of God I ground myself to the earth

1701

01:02:13,640 --> 01:02:11,820

I got my ground myself to the earth and

1702

01:02:16,280 --> 01:02:13,650

I accept this healing for my highest

1703

01:02:19,130 --> 01:02:16,290

good and I accept this healing through

1704

01:02:20,720 --> 01:02:19,140

my eyes good right so I'm going to do in

1705

01:02:22,100 --> 01:02:20,730

a group setting so okay ultimate

1706

01:02:23,840 --> 01:02:22,110

dimension so what we do is we put

1707

01:02:25,670 --> 01:02:23,850

portals around your mill kabal field so

1708

01:02:27,470 --> 01:02:25,680

the Nikhil's that beings can come from

1709

01:02:29,750 --> 01:02:27,480

the ultimate dimension in and do things

1710

01:02:31,310 --> 01:02:29,760

to your body so everyone the good thing

1711

01:02:33,050 --> 01:02:31,320

about it is people often ask people do I

1712

01:02:34,340 --> 01:02:33,060

get contaminated by other peoples only

1713

01:02:36,260 --> 01:02:34,350

the answer is absolutely not because

1714

01:02:37,760 --> 01:02:36,270

you've got your own portals only it's

1715

01:02:40,040 --> 01:02:37,770

bonded into a mill kabal field so

1716

01:02:42,110 --> 01:02:40,050

nothing else can affect you except for

1717

01:02:43,250 --> 01:02:42,120

the McCool's that being so so let's just

1718

01:02:45,170 --> 01:02:43,260

do this alternate dimension eight

1719

01:02:47,240 --> 01:02:45,180

portals around each person on this call

1720

01:02:49,250 --> 01:02:47,250

close it off underneath them dear God I

1721

01:02:50,510 --> 01:02:49,260

command great 12 esoteric Merkabah

1722

01:02:52,460 --> 01:02:50,520

fields around each person on this call

1723

01:02:54,620 --> 01:02:52,470

with their so-called point in the center

1724

01:02:56,270 --> 01:02:54,630

of the Merkabah feel bonding the portals

1725

01:02:58,760 --> 01:02:56,280

to those merkel ball fields and program

1726

01:03:00,080 --> 01:02:58,770

a blueprint of that person's DNA and the

1727

01:03:01,370 --> 01:03:00,090

keys of enoch so as not to learn

1728

01:03:03,920 --> 01:03:01,380

anything except for their highest good

1729

01:03:06,170 --> 01:03:03,930

to enter ok well going to first is well

1730

01:03:08,180 --> 01:03:06,180

as escort any negative entities

1731

01:03:10,010 --> 01:03:08,190

attachments are your body right now so

1732

01:03:11,240 --> 01:03:10,020

the kids that beams are coming in so

1733

01:03:12,740 --> 01:03:11,250

you're gonna feel like that's maybe in

1734

01:03:12,990 --> 01:03:12,750

the abdomen sonic being pulled out for

1735

01:03:28,980 --> 01:03:13,000

you

1736

01:03:30,780 --> 01:03:28,990

attachment okay so the begins that be

1737

01:03:32,910 --> 01:03:30,790

able to replicate what I do within your

1738

01:03:34,590 --> 01:03:32,920

portal so what we're doing is going to

1739

01:03:36,420 --> 01:03:34,600

suck out any residual vibration in the

1740

01:03:38,220 --> 01:03:36,430

abdomen so we put the nice terabyte for

1741

01:03:39,540 --> 01:03:38,230

you to bottom bag ground the abdomen

1742

01:03:41,310 --> 01:03:39,550

we're going to suck it out now each time

1743

01:03:45,300 --> 01:03:41,320

we suck out your abdomen get lighter and

1744

01:03:55,670 --> 01:03:45,310

it may affect you a GI your intestines

1745

01:04:10,200 --> 01:03:58,980

third one abdomen should be getting

1746

01:04:12,170 --> 01:04:10,210

lighter okay for fun okay just before I

1747

01:04:15,530 --> 01:04:12,180

go any further we're going to define

1748

01:04:19,350 --> 01:04:15,540

spirochetes and nanotech as Morgellons

1749

01:04:21,180 --> 01:04:19,360

Agent Orange HIV or Bolivia Lyme disease

1750

01:04:23,100 --> 01:04:21,190

if you've got any of those you're going

1751  
01:04:24,810 --> 01:04:23,110  
to feel tacky and energy if you haven't

1752  
01:04:26,460 --> 01:04:24,820  
got them replicating your body's going

1753  
01:04:30,030 --> 01:04:26,470  
to feel normal as you like warm tingly

1754  
01:04:31,560 --> 01:04:30,040  
so let's send some energy in the abdomen

1755  
01:04:32,700 --> 01:04:31,570  
for those you guys with sparkies and I

1756  
01:04:34,440 --> 01:04:32,710  
know that you're going to feel tacking

1757  
01:04:36,630 --> 01:04:34,450  
energy it's very electrostatic it starts

1758  
01:04:38,400 --> 01:04:36,640  
off subtle then it gets stronger if you

1759  
01:04:39,540 --> 01:04:38,410  
guys without spirochetes and nanotech

1760  
01:04:43,080 --> 01:04:39,550  
replicating your body you're going to

1761  
01:04:50,930 --> 01:04:43,090  
start feeling warm tingly and the

1762  
01:04:55,910 --> 01:04:53,089  
so it should be getting more warm tingly

1763  
01:05:00,200 --> 01:04:55,920

or more electrostatic if you've got two

1764

01:05:01,819 --> 01:05:00,210

spirochetes on nanotech okay what go to

1765

01:05:03,410 --> 01:05:01,829

you now is win a codename witty line so

1766

01:05:04,910 --> 01:05:03,420

that the kids that beings in your portal

1767

01:05:06,470 --> 01:05:04,920

within the Merkabah field they're going

1768

01:05:07,880 --> 01:05:06,480

to take their hands down your body sale

1769

01:05:09,890 --> 01:05:07,890

either field hands get anybody or

1770

01:05:12,079 --> 01:05:09,900

lighter open will go from your crown

1771

01:05:14,480 --> 01:05:12,089

down you face the back head on the Left

1772

01:05:17,630 --> 01:05:14,490

down your neck crush your left shoulder

1773

01:05:22,579 --> 01:05:17,640

down the arm on the right or doing the

1774

01:05:24,980 --> 01:05:22,589

same on the left or going down your neck

1775

01:05:31,069 --> 01:05:24,990

die chest on your abdomen after the hip

1776

01:05:33,710 --> 01:05:31,079

on the right or doing the same on the

1777

01:05:37,069 --> 01:05:33,720

left or going from your hip die if you

1778

01:05:40,520 --> 01:05:37,079

need any car from out to the foot on the

1779

01:05:42,140 --> 01:05:40,530

right or doing the same but we're going

1780

01:05:43,309 --> 01:05:42,150

to check how open your meridians are so

1781

01:05:44,660 --> 01:05:43,319

we're going to sweep if you can imagine

1782

01:05:46,460 --> 01:05:44,670

them accuse that be ended up their arm

1783

01:05:47,990 --> 01:05:46,470

just above your crown they've got a

1784

01:05:50,359 --> 01:05:48,000

vertical barrier Vantage below their arm

1785

01:05:51,799 --> 01:05:50,369

they're going to sweep it down 15 times

1786

01:05:53,839 --> 01:05:51,809

the quicker you feel it the more open

1787

01:05:56,269 --> 01:05:53,849

you meridians are so let's just do that

1788

01:05:57,559 --> 01:05:56,279

head to toe this is 15 so as soon as you

1789

01:06:02,289 --> 01:05:57,569

feel if you pay attention you'll now I

1790

01:06:19,029 --> 01:06:02,299

will opening routines forty thirteen

1791

01:06:29,210 --> 01:06:21,620

five

1792

01:06:30,770 --> 01:06:29,220

four three two okay last one I will put

1793

01:06:32,450 --> 01:06:30,780

energy in the whole body so again you've

1794

01:06:33,830 --> 01:06:32,460

got spirochetes and none set replicator

1795

01:06:34,670 --> 01:06:33,840

your body you're going to feel tacking

1796

01:06:36,650 --> 01:06:34,680

energy that's going to feel very

1797

01:06:38,240 --> 01:06:36,660

electrostatic sometimes it starts the

1798

01:06:39,650 --> 01:06:38,250

hands or feet sometimes it's all over

1799

01:06:41,840 --> 01:06:39,660

the body should start supple and then

1800

01:06:43,550 --> 01:06:41,850

get stronger you guys without

1801  
01:06:45,080 --> 01:06:43,560  
spirochetes a nanotech replicator you're

1802  
01:06:48,020 --> 01:06:45,090  
going to start getting warm tingly

1803  
01:06:54,170 --> 01:06:48,030  
floaty already relaxed so let's

1804  
01:06:58,160 --> 01:06:54,180  
accelerate right now so it should be

1805  
01:07:05,450 --> 01:06:58,170  
getting kind of strong so you should be

1806  
01:07:06,680 --> 01:07:05,460  
getting fairly floaty okay so we're

1807  
01:07:09,110 --> 01:07:06,690  
going to do now is we're going to work

1808  
01:07:11,570 --> 01:07:09,120  
on the liver and kidneys now again if

1809  
01:07:16,040 --> 01:07:11,580  
you've added empty the average liver

1810  
01:07:17,510 --> 01:07:16,050  
function on this call is 43% so it's

1811  
01:07:19,520 --> 01:07:17,520  
kind of low some people would be higher

1812  
01:07:21,170 --> 01:07:19,530  
some people's is lower so I'm going to

1813  
01:07:23,210 --> 01:07:21,180

do is going to take the average right up

1814

01:07:24,650 --> 01:07:23,220

so leveling kidneys

1815

01:07:25,880 --> 01:07:24,660

now even you've got spirochetes manTech

1816

01:07:28,640 --> 01:07:25,890

you're going to feel this warm tingly

1817

01:07:39,020 --> 01:07:28,650

feeling delivering kidneys so they

1818

01:07:40,790 --> 01:07:39,030

should start getting warm tingling okay

1819

01:07:43,130 --> 01:07:40,800

my kids that beans going in now so you

1820

01:07:44,540 --> 01:07:43,140

should feel movement in the kidneys so

1821

01:07:53,820 --> 01:07:44,550

al either feel like tugging and pulling

1822

01:07:58,840 --> 01:07:57,820

she'll feel it within 20 seconds now

1823

01:08:00,100 --> 01:07:58,850

what they're doing is they're going into

1824

01:08:01,720 --> 01:08:00,110

the adrenal glands and they're going to

1825

01:08:03,130 --> 01:08:01,730

work on the adrenals and clear them out

1826

01:08:05,140 --> 01:08:03,140

so you'll get more energy if your

1827

01:08:07,510 --> 01:08:05,150

adrenal glands are struggling they clear

1828

01:08:09,100 --> 01:08:07,520

the Glen out we can also do the thyroid

1829

01:08:10,960 --> 01:08:09,110

in a minute which balances the endocrine

1830

01:08:14,320 --> 01:08:10,970

system we're going to take the average

1831

01:08:16,990 --> 01:08:14,330

up so 43% so as it increases when it

1832

01:08:18,940 --> 01:08:17,000

gets between 60 and 80 your head start

1833

01:08:20,800 --> 01:08:18,950

really clearing if your liver function

1834

01:08:32,760 --> 01:08:20,810

is low so if you have headaches or have

1835

01:08:32,770 --> 01:08:49,219

64 7176

1836

01:09:08,689 --> 01:08:51,599

eighty-three so head should start

1837

01:09:13,459 --> 01:09:12,320

okay a hundred it got there right so

1838

01:09:15,950 --> 01:09:13,469

what we're going to now is we're going

1839

01:09:17,329 --> 01:09:15,960

to work on the GI so intestines a lot of

1840

01:09:18,800 --> 01:09:17,339

people get problems intestinal to get

1841

01:09:21,019 --> 01:09:18,810

paralyzed you've got an NT from the

1842

01:09:22,490 --> 01:09:21,029

waist down your intestine structure

1843

01:09:24,709 --> 01:09:22,500

might work at thirty percent of the

1844

01:09:26,840 --> 01:09:24,719

speed that it should do further up so as

1845

01:09:28,640 --> 01:09:26,850

you eat as it gets further down it backs

1846

01:09:31,039 --> 01:09:28,650

up it gets blow to you googlie you get

1847

01:09:32,990 --> 01:09:31,049

you know you burn holes in castle lining

1848

01:09:34,640 --> 01:09:33,000

or you get diverticulitis so if you've

1849

01:09:36,200 --> 01:09:34,650

got some of those things you're going to

1850

01:09:37,490 --> 01:09:36,210

feel them because that beings working on

1851  
01:09:39,380 --> 01:09:37,500  
them if you've got holes in your gut

1852  
01:09:41,329 --> 01:09:39,390  
they're going to use a celestial goo

1853  
01:09:44,329 --> 01:09:41,339  
very thick energy it tastes over the

1854  
01:09:46,249 --> 01:09:44,339  
holes in at you closes them off so that

1855  
01:09:48,650 --> 01:09:46,259  
feels like Biofreeze on the intestine or

1856  
01:09:50,720 --> 01:09:48,660  
it feels like a wrapping sensation but

1857  
01:09:53,360 --> 01:09:50,730  
everyone should feel I think everyone is

1858  
01:09:54,560 --> 01:09:53,370  
cause got socks in the colon so you're

1859  
01:09:55,820 --> 01:09:54,570  
going to feel like a pressure in your

1860  
01:09:59,090 --> 01:09:55,830  
colon it feels like want to go the

1861  
01:10:00,290 --> 01:09:59,100  
toilet they're going in now so you

1862  
01:10:01,850 --> 01:10:00,300  
should feel a pressure in your colon I

1863  
01:10:05,209 --> 01:10:01,860

want to go to the toilet slightly it

1864

01:10:14,310 --> 01:10:05,219

won't be a huge amount as they only add

1865

01:10:18,040 --> 01:10:16,390

okay so we'll leave them in there that

1866

01:10:20,320 --> 01:10:18,050

that pressure will go off in about two

1867

01:10:21,939 --> 01:10:20,330

or three minutes well goody now is when

1868

01:10:24,459 --> 01:10:21,949

actually detox your whole body we have

1869

01:10:26,169 --> 01:10:24,469

this as a meditation whole body detox so

1870

01:10:27,850 --> 01:10:26,179

all doing is accelerating toxins out of

1871

01:10:30,520 --> 01:10:27,860

the body so what you'll feel is like a

1872

01:10:32,410 --> 01:10:30,530

drawing sensation on the body or a cool

1873

01:10:35,020 --> 01:10:32,420

breeze coming out it's people say it

1874

01:10:40,750 --> 01:10:35,030

feels a bit freaky right 10 seconds from

1875

01:10:41,770 --> 01:10:40,760

now cool breeze or drawing sensation and

1876

01:10:43,359 --> 01:10:41,780

then we're gonna accelerate it three

1877

01:10:50,500 --> 01:10:43,369

times do it too quick it upsets the

1878

01:10:51,790 --> 01:10:50,510

autoimmune okay if you feel it it's

1879

01:10:53,080 --> 01:10:51,800

going to get stronger if you can't feel

1880

01:10:59,250 --> 01:10:53,090

you should start feeling as you get

1881

01:11:08,970 --> 01:11:01,629

okay then it's your plateau which you'll

1882

01:11:08,980 --> 01:11:19,680

okay stronger again

1883

01:11:25,130 --> 01:11:21,450

okay then it's going to plateau it's

1884

01:11:32,100 --> 01:11:30,030

okay stronger again now that will carry

1885

01:11:33,570 --> 01:11:32,110

on for 24 hours what it's doing is

1886

01:11:35,640 --> 01:11:33,580

drawing toxins out of your body and

1887

01:11:36,810 --> 01:11:35,650

switching them in space and time instead

1888

01:11:38,250 --> 01:11:36,820

of putting them through your organs

1889

01:11:40,320 --> 01:11:38,260

where it damaged the organ so it's a

1890

01:11:43,320 --> 01:11:40,330

good way of detoxing the body

1891

01:11:44,550 --> 01:11:43,330

I think it's an all filler right let's

1892

01:11:46,530 --> 01:11:44,560

get busy with the heart chakra that's

1893

01:11:49,140 --> 01:11:46,540

the most important thing why people get

1894

01:11:51,300 --> 01:11:49,150

sick so we're going to do is break all

1895

01:11:53,190 --> 01:11:51,310

soul ties that aren't your highest good

1896

01:11:54,750 --> 01:11:53,200

anyone who had sex with the past or got

1897

01:11:56,070 --> 01:11:54,760

close to doesn't matter if they don't

1898

01:11:58,740 --> 01:11:56,080

serve you now we're going to break the

1899

01:12:00,120 --> 01:11:58,750

soul ties so let's do that so the

1900

01:12:01,890 --> 01:12:00,130

McCool's that being the replication is

1901

01:12:03,720 --> 01:12:01,900

so dear God I grab all the soul ties

1902

01:12:05,400 --> 01:12:03,730

between each person on this call any

1903

01:12:06,900 --> 01:12:05,410

video isn't that high it's good we're

1904

01:12:09,360 --> 01:12:06,910

going to break them now come and even

1905

01:12:10,740 --> 01:12:09,370

the freckles that person sober cleanse

1906

01:12:12,600 --> 01:12:10,750

them put them back in their body now and

1907

01:12:14,910 --> 01:12:12,610

return the fractals of that person soul

1908

01:12:17,100 --> 01:12:14,920

back to them and cleanse them put them

1909

01:12:23,340 --> 01:12:17,110

back in their body so you should feel a

1910

01:12:24,630 --> 01:12:23,350

shift in your chest so what we're going

1911

01:12:26,040 --> 01:12:24,640

to now is going to send them back you

1912

01:12:29,180 --> 01:12:26,050

let being so what they do is you've got

1913

01:12:31,350 --> 01:12:29,190

an onion around your heart so it can be

1914

01:12:32,670 --> 01:12:31,360

hundreds and thousands of layers it

1915

01:12:33,840 --> 01:12:32,680

depends on which emotion you know if

1916

01:12:36,270 --> 01:12:33,850

you've been abusing thing you might have

1917

01:12:38,430 --> 01:12:36,280

huge amounts so all doing is that the

1918

01:12:40,110 --> 01:12:38,440

kids that beings they peel away of the

1919

01:12:42,120 --> 01:12:40,120

emotion back so it's a layer of that

1920

01:12:44,760 --> 01:12:42,130

energy and as they peel it back it gets

1921

01:12:46,710 --> 01:12:44,770

tight and then as they release it it'll

1922

01:12:49,140 --> 01:12:46,720

release so you need to when you feel it

1923

01:12:50,370 --> 01:12:49,150

released breathing energy M so you're

1924

01:12:52,770 --> 01:12:50,380

either going to feel tightness in the

1925

01:12:54,300 --> 01:12:52,780

solar plexus breast bone throat upper

1926

01:12:56,970 --> 01:12:54,310

back shoulder or that it can move around

1927

01:12:58,290 --> 01:12:56,980

and the intensity can change sometimes

1928

01:13:00,210 --> 01:12:58,300

people do feel it with their lower

1929

01:13:02,310 --> 01:13:00,220

abdomen the sacral point but most the

1930

01:13:04,350 --> 01:13:02,320

time it's in solar plexus breast bone on

1931

01:13:05,760 --> 01:13:04,360

top of that shoulders on there so let's

1932

01:13:07,860 --> 01:13:05,770

start out we've got a couple of minutes

1933

01:13:14,430 --> 01:13:07,870

to do a couple of these so okay should

1934

01:13:22,920 --> 01:13:14,440

start getting tight okay it's going to

1935

01:13:29,850 --> 01:13:26,380

okay then it's gonna release I think the

1936

01:13:33,910 --> 01:13:29,860

lease is breathing out really important

1937

01:13:40,870 --> 01:13:33,920

lose that energy oh okay it's going to

1938

01:13:45,670 --> 01:13:40,880

get tighter again we'll do two more of

1939

01:13:46,959 --> 01:13:45,680

these and I better finish tighter again

1940

01:13:48,430 --> 01:13:46,969

don't forget could be different places

1941

01:13:49,450 --> 01:13:48,440

sometimes it's in the throat and don't

1942

01:13:51,580 --> 01:13:49,460

forget if you've got a thyroid problem

1943

01:13:53,170 --> 01:13:51,590

it's because of spillage from the heart

1944

01:13:54,970 --> 01:13:53,180

chakra into the throat it paralyzes

1945

01:13:58,000 --> 01:13:54,980

thyroid and get polyps and all sorts of

1946

01:14:01,990 --> 01:13:58,010

tough things going on so it should be

1947

01:14:11,290 --> 01:14:02,000

getting tighter and tighter okay then

1948

01:14:15,780 --> 01:14:11,300

it's going to release okay one more okay

1949

01:14:27,700 --> 01:14:21,520

tighter and tighter okay then it's going

1950

01:14:28,750 --> 01:14:27,710

to release okay the last thing we're

1951

01:14:30,250 --> 01:14:28,760

going to do is send them into your

1952

01:14:31,660 --> 01:14:30,260

thyroid so they're going in now it

1953

01:14:33,100 --> 01:14:31,670

should feel butterfly movement on the

1954

01:14:35,020 --> 01:14:33,110

thyroid they're going to clear the

1955

01:14:36,070 --> 01:14:35,030

thyroid and parathyroid out which is

1956

01:14:38,200 --> 01:14:36,080

really important because if the

1957

01:14:39,640 --> 01:14:38,210

parathyroid goes dysfunctional you're

1958

01:14:40,780 --> 01:14:39,650

going to leach calcium other bones it

1959

01:14:42,640 --> 01:14:40,790

causes all sorts of problems

1960

01:14:45,670 --> 01:14:42,650

we'll have to catch all that again I

1961

01:14:47,140 --> 01:14:45,680

guess we better stop the healing so let

1962

01:14:48,490 --> 01:14:47,150

me just put a protection area so dear

1963

01:14:50,110 --> 01:14:48,500

God I command that we put a bull of

1964

01:14:52,150 --> 01:14:50,120

fifth-dimensional unconditional over on

1965

01:14:53,979 --> 01:14:52,160

each and every person on this call to

1966

01:14:56,350 --> 01:14:53,989

protect them from any negative entities

1967

01:14:58,479 --> 01:14:56,360

fractals there of manipulations and

1968

01:15:00,220 --> 01:14:58,489

translational frequencies that are not

1969

01:15:02,200 --> 01:15:00,230

for that person's highest could be all

1970

01:15:04,420 --> 01:15:02,210

space-time continuum in every dimension

1971

01:15:10,360 --> 01:15:04,430

and so we thank you God send your

1972

01:15:15,130 --> 01:15:10,370

unconditional love and so did you Wow oh

1973

01:15:17,800 --> 01:15:15,140

my gosh dress yes a person is because we

1974

01:15:20,680 --> 01:15:17,810

do it put this post as our site later

1975

01:15:22,870 --> 01:15:20,690

the person listens to your healing will

1976

01:15:25,750 --> 01:15:22,880

that affect it at that point in time oh

1977

01:15:27,900 --> 01:15:25,760

yeah yeah will yeah so that way they

1978

01:15:30,700 --> 01:15:27,910

those that maybe got in later could

1979

01:15:33,580 --> 01:15:30,710

check it later to listen oh yeah the

1980

01:15:34,459 --> 01:15:33,590

recording it by my you know by my voice

1981

01:15:36,439 --> 01:15:34,469

it invokes the

1982

01:15:41,030 --> 01:15:36,449

things that were doing so absolutely so

1983

01:15:44,510 --> 01:15:41,040

it's really grab ulis yeah sure yeah so

1984

01:15:46,280 --> 01:15:44,520

it was intense and it was very relaxing

1985

01:15:50,780 --> 01:15:46,290

and I kept wanting to almost go to sleep

1986

01:15:52,100 --> 01:15:50,790

because it was so so I'm nice I kept

1987

01:15:54,620 --> 01:15:52,110

waiting for the next move

1988

01:15:55,610 --> 01:15:54,630

okay what are you doing yeah well could

1989

01:15:56,959 --> 01:15:55,620

have done a whole lot of it you know

1990

01:15:58,220 --> 01:15:56,969

because I mean I normally but you know

1991

01:15:59,479 --> 01:15:58,230

we've only done a few things because if

1992

01:16:00,709 --> 01:15:59,489

that's not a whole healing because you

1993

01:16:02,600 --> 01:16:00,719

know you have to feel it evident ball

1994

01:16:04,189 --> 01:16:02,610

but just gives you an example of what it

1995

01:16:05,810 --> 01:16:04,199

is you know and and please well

1996

01:16:07,820 --> 01:16:05,820

especially now because it helps Bofors

1997

01:16:09,439 --> 01:16:07,830

helps you guys and support you and no no

1998

01:16:11,360 --> 01:16:09,449

I think it's so important you know bless

1999

01:16:14,209 --> 01:16:11,370

you all well it's important for people

2000

01:16:16,459 --> 01:16:14,219

to reach out to you who want this type

2001

01:16:18,380 --> 01:16:16,469

of healing and also just so people

2002

01:16:20,420 --> 01:16:18,390

understand when they book a healing with

2003

01:16:22,580 --> 01:16:20,430

you Chris is it a half an hour an hour

2004

01:16:24,950 --> 01:16:22,590

how long of a time period do you work on

2005

01:16:26,900 --> 01:16:24,960

people for yeah it's 30 minutes but what

2006

01:16:28,280 --> 01:16:26,910

actually happens is when we you know we

2007

01:16:29,660 --> 01:16:28,290

do all the things we need to do in the

2008

01:16:31,160 --> 01:16:29,670

30 minutes and then normally we ask

2009

01:16:33,770 --> 01:16:31,170

people to lay down for two hours because

2010

01:16:35,390 --> 01:16:33,780

they carry on I mean they'll keep doing

2011

01:16:37,340 --> 01:16:35,400

it until they finish so you know that

2012

01:16:39,170 --> 01:16:37,350

it's cancer they'll keep the tucky and

2013

01:16:40,850 --> 01:16:39,180

energy and keep breaking it down there

2014

01:16:42,740 --> 01:16:40,860

is GI problems we'll keep working on for

2015

01:16:44,450 --> 01:16:42,750

two hours so you know so it's half an

2016

01:16:46,160 --> 01:16:44,460

hour online and then two hours offline

2017

01:16:48,500 --> 01:16:46,170

and they'll keep working on the minutes

2018

01:16:50,930 --> 01:16:48,510

it's it's really good well we can't

2019

01:16:53,090 --> 01:16:50,940

thank you enough for your generosity and

2020

01:16:54,670 --> 01:16:53,100
