

Marie D. Jones

TO LISTEN LIVE GO TO  
INCEPTIONRADIONETWORK.COM

**HEIDI HOLLIS**  
**THE OUTLANDER**

**FRIDAY** 9PM EASTERN  
6PM PACIFIC

Listen on

[inceptionradionetwork.com](http://inceptionradionetwork.com)

1  
00:00:01,490 --> 00:00:06,050  
the Outlander

2  
00:00:06,060 --> 00:00:22,980  
[Music]

3  
00:00:28,180 --> 00:00:26,260  
welcome welcome to my awesome a Friday

4  
00:00:28,540 --> 00:00:28,190  
evening you are listening to me Heidi

5  
00:00:30,370 --> 00:00:28,550  
Hollis

6  
00:00:32,770 --> 00:00:30,380  
the Outlander so welcome to the show

7  
00:00:34,630 --> 00:00:32,780  
everybody get comfortable it's gonna be

8  
00:00:36,460 --> 00:00:34,640  
fun we always have fun here don't we

9  
00:00:37,720 --> 00:00:36,470  
I have to tell you guys what this show

10  
00:00:40,060 --> 00:00:37,730  
is about because a lot of you don't know

11  
00:00:41,950 --> 00:00:40,070  
this show is about bringing outlandish

12  
00:00:44,020 --> 00:00:41,960  
and interesting topics to the forefront

13  
00:00:45,869 --> 00:00:44,030

from alias angels ghosts demons holy

14

00:00:48,640 --> 00:00:45,879

encounter shadow people to Bigfoot to

15

00:00:51,250 --> 00:00:48,650

the outlandish I always say if it's

16

00:00:53,770 --> 00:00:51,260

weird we're here and now you are too so

17

00:00:56,160 --> 00:00:53,780

you are among friends if you don't know

18

00:00:58,450 --> 00:00:56,170

who I am when it comes to the outlandish

19

00:01:00,790 --> 00:00:58,460

personally I am someone who has been

20

00:01:03,160 --> 00:01:00,800

there seen that experienced it freaked

21

00:01:06,520 --> 00:01:03,170

out found some answers wrote about it

22

00:01:09,310 --> 00:01:06,530

got over it and now I'm trying to help

23

00:01:12,820 --> 00:01:09,320

others understand this kooky cookie

24

00:01:16,420 --> 00:01:12,830

world of ours if you dare go to my main

25

00:01:18,310 --> 00:01:16,430

website which is Heidi Hollis calm on

26

00:01:20,650 --> 00:01:18,320

there you will find things about me that

27

00:01:24,550 --> 00:01:20,660

my parents are beginning to understand I

28

00:01:28,600 --> 00:01:24,560

think I want to tell you guys how you

29

00:01:32,260 --> 00:01:28,610

can also hear this program inception

30

00:01:34,630 --> 00:01:32,270

radio network app that is an awesome app

31

00:01:39,520 --> 00:01:34,640

that most people seem to listen to this

32

00:01:41,170 --> 00:01:39,530

program by so I are an app and I mean

33

00:01:43,510 --> 00:01:41,180

it's cool anywhere you go anytime you

34

00:01:46,240 --> 00:01:43,520

feel like listening just hit a button

35

00:01:49,390 --> 00:01:46,250

and there it is and also you can hear by

36

00:01:52,810 --> 00:01:49,400

phone by dialing a simple number four

37

00:01:55,210 --> 00:01:52,820

zero one two eight three 6700 and I

38

00:01:57,070 --> 00:01:55,220

always always always welcome people to

39

00:01:58,620 --> 00:01:57,080

call in to the program at one eight

40

00:02:02,649 --> 00:01:58,630

eight eight nine one nine

41

00:02:03,789 --> 00:02:02,659

23:55 or go on skype and find inception

42

00:02:05,560 --> 00:02:03,799

radio network

43

00:02:10,110 --> 00:02:05,570

and send your questions there also you

44

00:02:12,580 --> 00:02:10,120

could go into the I are in chat comm

45

00:02:15,160 --> 00:02:12,590

site and there you can post your

46

00:02:16,720 --> 00:02:15,170

comments and questions just cap

47

00:02:18,819 --> 00:02:16,730

everything and that's how I could see

48

00:02:23,170 --> 00:02:18,829

you guys more easily I'm dropping things

49

00:02:25,780 --> 00:02:23,180

over here that thing hit me but you know

50

00:02:28,420 --> 00:02:25,790

I have got to tell you guys the

51  
00:02:30,850 --> 00:02:28,430  
Outlanders comic the paranormal comic

52  
00:02:32,380 --> 00:02:30,860  
strip I'm doing oh my gosh you guys have

53  
00:02:34,360 --> 00:02:32,390  
been really really phenomenal I get a

54  
00:02:36,430 --> 00:02:34,370  
lot of emails you guys say and I

55  
00:02:39,880 --> 00:02:36,440  
doing it and if you haven't checked it

56  
00:02:42,220 --> 00:02:39,890  
out go to the main site of in section

57  
00:02:44,470 --> 00:02:42,230  
Radio Network comm scroll all the way

58  
00:02:47,559 --> 00:02:44,480  
down or you could just type in the

59  
00:02:49,270 --> 00:02:47,569  
Outlanders comic comm and you get to

60  
00:02:51,190 --> 00:02:49,280  
read all the comics there so essentially

61  
00:02:53,259 --> 00:02:51,200  
I have a Bigfoot it has an alien that

62  
00:02:54,940 --> 00:02:53,269  
lands it's really disturbing to the

63  
00:02:56,500 --> 00:02:54,950

Bigfoot and he also has some

64

00:02:57,940 --> 00:02:56,510

homesteaders on the opposite hill so

65

00:02:59,229 --> 00:02:57,950

he's having to deal with a lot of things

66

00:03:01,360 --> 00:02:59,239

you know how we all have to do that

67

00:03:03,580 --> 00:03:01,370

right

68

00:03:05,199 --> 00:03:03,590

and it's getting animated everybody it's

69

00:03:07,479 --> 00:03:05,209

getting animated I'm having a good old

70

00:03:08,949 --> 00:03:07,489

time getting that prepped for that so

71

00:03:11,559 --> 00:03:08,959

thank you for your support and I'm glad

72

00:03:13,539 --> 00:03:11,569

that you guys are enjoying it okay so

73

00:03:16,780 --> 00:03:13,549

now to get to the good and juicy part

74

00:03:18,490 --> 00:03:16,790

because uh holy smokes I get to have a

75

00:03:20,170 --> 00:03:18,500

lot of fun with this lady that is coming

76

00:03:21,610 --> 00:03:20,180

on tonight because we just like chewing

77

00:03:22,530 --> 00:03:21,620

the fat you guys get to listen in it's

78

00:03:25,210 --> 00:03:22,540

cool

79

00:03:27,960 --> 00:03:25,220

Maria Dee Jones who is the best-selling

80

00:03:30,069 --> 00:03:27,970

author of get this over a dozen

81

00:03:32,500 --> 00:03:30,079

non-fiction books on cutting edge

82

00:03:34,869 --> 00:03:32,510

science the paranormal unknown anomalies

83

00:03:36,759 --> 00:03:34,879

and ancient knowledge she's also a

84

00:03:39,610 --> 00:03:36,769

novelist including why a book series

85

00:03:41,680 --> 00:03:39,620

where and she and her son this is cool

86

00:03:43,659 --> 00:03:41,690

her son Max co-authored a middle grade

87

00:03:45,580 --> 00:03:43,669

novel series and she's also a

88

00:03:48,819 --> 00:03:45,590

screenwriter and producer she's a little

89

00:03:52,509 --> 00:03:48,829

busy and she's prepared on over a

90

00:03:55,150 --> 00:03:52,519

thousand radio shows worldwide and tons

91

00:03:57,430 --> 00:03:55,160

of TV shows so everybody I like to give

92

00:04:13,080 --> 00:03:57,440

a warm round of applause for Marie D

93

00:04:18,490 --> 00:04:16,810

you are crazy busy.i I'm I'm when you're

94

00:04:19,900 --> 00:04:18,500

Facebook friends and I'm like gosh she's

95

00:04:22,510 --> 00:04:19,910

doing another what is she what is she

96

00:04:24,189 --> 00:04:22,520

doing what are you doing Marie and you

97

00:04:25,930 --> 00:04:24,199

crack me up with your post because

98

00:04:30,219 --> 00:04:25,940

you're sexy humor is about as wacky as

99

00:04:38,710 --> 00:04:30,229

mine I love it that's the way I blow up

100

00:04:40,839 --> 00:04:38,720

steam oh you guys you've got a check her

101  
00:04:42,610 --> 00:04:40,849  
PO so she is always cracking jokes and

102  
00:04:46,130 --> 00:04:42,620  
I'm just like dying I'm like this woman

103  
00:04:53,150 --> 00:04:46,140  
is so wacky I so wish I was her neighbor

104  
00:04:56,270 --> 00:04:53,160  
I swear we would you know when you're

105  
00:04:59,060 --> 00:04:56,280  
right all day and you're alone writing

106  
00:05:02,060 --> 00:04:59,070  
you're just like oh my god

107  
00:05:05,510 --> 00:05:02,070  
I need a I need an outlet from the same

108  
00:05:09,230 --> 00:05:05,520  
insanity oh I understand but yeah I'm

109  
00:05:10,820 --> 00:05:09,240  
just you know I I cannot sit idle and

110  
00:05:13,250 --> 00:05:10,830  
it's really bothering me because I

111  
00:05:14,840 --> 00:05:13,260  
wanted to like tomorrow I'm going to

112  
00:05:17,180 --> 00:05:14,850  
take off because we're having a big

113  
00:05:20,540 --> 00:05:17,190

party and I've got to you know make some

114

00:05:24,440 --> 00:05:20,550

food and stuff but for me to like not be

115

00:05:28,700 --> 00:05:24,450

doing 25 things at once it I get anxious

116

00:05:31,010 --> 00:05:28,710

if but it but at the same time than when

117

00:05:36,020 --> 00:05:31,020

I do I'm overwhelmed so it's like the

118

00:05:39,680 --> 00:05:36,030

anxiety oh my god very much like you

119

00:05:41,900 --> 00:05:39,690

Marie I swear to God I'm like you know I

120

00:05:43,490 --> 00:05:41,910

want to go and you know hang out like I

121

00:05:45,320 --> 00:05:43,500

live in Chicago but I'm from Milwaukee

122

00:05:47,600 --> 00:05:45,330

which isn't that far away and when I go

123

00:05:48,890 --> 00:05:47,610

I'm thinking god I really want to be

124

00:05:52,100 --> 00:05:48,900

home so I can finish and work on

125

00:05:54,080 --> 00:05:52,110

something but it's it you really do need

126

00:05:56,270 --> 00:05:54,090

to get up and go and do stuff and you

127

00:06:02,360 --> 00:05:56,280

feel a tug of war so I get it out of the

128

00:06:07,130 --> 00:06:02,370

house but I just I don't know it's weird

129

00:06:09,770 --> 00:06:07,140

I feel like at this point if I don't

130

00:06:12,350 --> 00:06:09,780

just you know keep going keep pushing

131

00:06:15,470 --> 00:06:12,360

there's there's plenty of time to rest

132

00:06:16,730 --> 00:06:15,480

later and I just I love working and I

133

00:06:18,470 --> 00:06:16,740

spend time with my son

134

00:06:21,200 --> 00:06:18,480

I spend time with my family and my

135

00:06:24,470 --> 00:06:21,210

friends you know I go out when I need so

136

00:06:27,530 --> 00:06:24,480

not a big social you know person who

137

00:06:29,120 --> 00:06:27,540

goes out I'm wrong I'm a real homebody I

138

00:06:33,650 --> 00:06:29,130

would be a hermit if I could get away

139

00:06:37,220 --> 00:06:33,660

with it and I'm just you know really

140

00:06:39,830 --> 00:06:37,230

driven to especially because a couple

141

00:06:42,740 --> 00:06:39,840

years ago I decided a kind of transition

142

00:06:45,110 --> 00:06:42,750

out of nonfiction haha and one more my

143

00:06:49,970 --> 00:06:45,120

third non-fiction book since then but

144

00:06:52,670 --> 00:06:49,980

the idea was to to do more novels more

145

00:06:54,920 --> 00:06:52,680

fiction and then I got into doing film

146

00:06:57,650 --> 00:06:54,930

and TV writing which is just taking off

147

00:06:58,200 --> 00:06:57,660

like crazy oh you got to tell about that

148

00:07:02,040 --> 00:06:58,210

I mean

149

00:07:06,930 --> 00:07:02,050

a lot of it you know I'm not I'm not

150

00:07:09,900 --> 00:07:06,940

allowed to but it's the kind of and I've

151  
00:07:12,240 --> 00:07:09,910  
been in that industry before when I was

152  
00:07:14,339 --> 00:07:12,250  
younger when I was in my 20s I started

153  
00:07:16,710 --> 00:07:14,349  
out writing screenplays I lived in LA I

154  
00:07:18,719 --> 00:07:16,720  
pitched I went to you know pitch

155  
00:07:21,749 --> 00:07:18,729  
meetings with producers and I had

156  
00:07:24,600 --> 00:07:21,759  
material optioned and right and it was

157  
00:07:29,370 --> 00:07:24,610  
just so cutthroat my name was in my 20s

158  
00:07:30,749 --> 00:07:29,380  
and I kind of I I wouldn't say that I

159  
00:07:33,749 --> 00:07:30,759  
was dumb

160  
00:07:37,020 --> 00:07:33,759  
but I think I was very naive about the

161  
00:07:41,070 --> 00:07:37,030  
business and I didn't have the balls

162  
00:07:43,710 --> 00:07:41,080  
that I have now let's put it that so you

163  
00:07:46,650 --> 00:07:43,720

know I continued to write but I got into

164

00:07:48,930 --> 00:07:46,660

writing some fiction and I was doing

165

00:07:51,270 --> 00:07:48,940

other old you know magazine writing and

166

00:07:53,640 --> 00:07:51,280

reviews and anything that I could get

167

00:07:56,460 --> 00:07:53,650

paid for it right and then I stumbled

168

00:07:59,909 --> 00:07:56,470

into nonfiction and that was about

169

00:08:03,570 --> 00:07:59,919

fourteen years ago and that's just been

170

00:08:07,860 --> 00:08:03,580

such an assortment down for me that I

171

00:08:12,360 --> 00:08:07,870

kept doing it doing it teeth book will

172

00:08:14,249 --> 00:08:12,370

come out next year so but then a couple

173

00:08:17,310 --> 00:08:14,259

years ago I just felt like wow I really

174

00:08:19,969 --> 00:08:17,320

want to kind of go back into that world

175

00:08:21,089 --> 00:08:19,979

of fiction and in film and TV and

176

00:08:25,290 --> 00:08:21,099

storytelling

177

00:08:28,140 --> 00:08:25,300

I really missed it so my manager and my

178

00:08:31,200 --> 00:08:28,150

agent have really helped me make that

179

00:08:34,110 --> 00:08:31,210

transition setting me up with projects

180

00:08:37,100 --> 00:08:34,120

and I've met a lot of people that I am

181

00:08:41,159 --> 00:08:37,110

now working with as a writer producer

182

00:08:47,040 --> 00:08:41,169

you might hear my cat wailing I thought

183

00:08:52,440 --> 00:08:47,050

you had a newborn every time I get on

184

00:08:54,660 --> 00:08:52,450

state of sleeping for hours how funny he

185

00:08:56,880 --> 00:08:54,670

you know what my cat used to do is chew

186

00:08:59,100 --> 00:08:56,890

the cord to my computer when I was on it

187

00:09:02,420 --> 00:08:59,110

yeah she'll try it she does that mill

188

00:09:04,740 --> 00:09:02,430

the night batter

189

00:09:07,049 --> 00:09:04,750

it's just like oh my god you were

190

00:09:12,809 --> 00:09:07,059

sleeping

191

00:09:15,839 --> 00:09:12,819

I've been making that the last couple

192

00:09:19,019 --> 00:09:15,849

years I've just really been non-stop and

193

00:09:21,869 --> 00:09:19,029

I suspect that that will continue for

194

00:09:24,359 --> 00:09:21,879

another year or two before I really feel

195

00:09:27,239 --> 00:09:24,369

like I can pull back on anything and I

196

00:09:29,789 --> 00:09:27,249

made that commitment I stopped dating I

197

00:09:33,289 --> 00:09:29,799

said I'm gonna stop dating for two three

198

00:09:37,969 --> 00:09:33,299

years just so that I'm really focused

199

00:09:45,839 --> 00:09:37,979

and I actually you know I don't miss it

200

00:09:47,879 --> 00:09:45,849

and that is a world of fiction but I'm

201  
00:09:50,279 --> 00:09:47,889  
really glad that I did that because the

202  
00:09:53,729 --> 00:09:50,289  
distraction there's no way I ever would

203  
00:09:55,859 --> 00:09:53,739  
have been able to do both yeah but you

204  
00:09:59,069 --> 00:09:55,869  
know that next year is when I feel like

205  
00:10:01,349 --> 00:09:59,079  
some things will shift so just but

206  
00:10:04,019 --> 00:10:01,359  
working my butt off whatever my manager

207  
00:10:04,559 --> 00:10:04,029  
or my agent says we need you to do I do

208  
00:10:11,339 --> 00:10:04,569  
it

209  
00:10:16,829 --> 00:10:11,349  
projects that hopefully this year will

210  
00:10:21,479 --> 00:10:16,839  
go into production Wow theory there are

211  
00:10:25,469 --> 00:10:21,489  
film what is a television series Caban

212  
00:10:27,449 --> 00:10:25,479  
it's based on a cosmetics Empire and I

213  
00:10:30,059 --> 00:10:27,459

can't say the name but people could

214

00:10:31,739 --> 00:10:30,069

probably figure it out right and I got

215

00:10:34,349 --> 00:10:31,749

the life rights from one of the

216

00:10:38,009 --> 00:10:34,359

heiress's to the product the product

217

00:10:40,829 --> 00:10:38,019

line the brand other one is a political

218

00:10:44,039 --> 00:10:40,839

drama that is at NBC and it's pretty

219

00:10:45,899 --> 00:10:44,049

high up and then I worked with a company

220

00:10:48,239 --> 00:10:45,909

called bright frontier films and have a

221

00:10:52,019 --> 00:10:48,249

number of projects with them as a writer

222

00:10:55,859 --> 00:10:52,029

and writer producer one of which should

223

00:10:59,969 --> 00:10:55,869

be going into production in September

224

00:11:02,789 --> 00:10:59,979

they or maybe October and then recently

225

00:11:05,789 --> 00:11:02,799

just within the last maybe three or four

226

00:11:09,839 --> 00:11:05,799

months - I decided to make an

227

00:11:12,569 --> 00:11:09,849

independent film with a young filmmaker

228

00:11:14,249 --> 00:11:12,579

here in San Diego that I knew and we

229

00:11:15,749 --> 00:11:14,259

kind of wanted to do something together

230

00:11:18,020 --> 00:11:15,759

we just didn't know what it would look

231

00:11:19,970 --> 00:11:18,030

like and then

232

00:11:22,670 --> 00:11:19,980

after that decided to make a short film

233

00:11:24,410 --> 00:11:22,680

with another group of people because

234

00:11:27,590 --> 00:11:24,420

even my agent was saying you know you

235

00:11:29,330 --> 00:11:27,600

can't really depend on the traditional

236

00:11:33,230 --> 00:11:29,340

way of doing things anymore you have to

237

00:11:36,230 --> 00:11:33,240

it's just like publishing books the the

238

00:11:37,430 --> 00:11:36,240

traditional publishing is its first of

239

00:11:40,370 --> 00:11:37,440

all it's really hard to get a decent

240

00:11:42,380 --> 00:11:40,380

book deal with an advance oh yes

241

00:11:46,400 --> 00:11:42,390

celebrity or you know you've got some

242

00:11:49,120 --> 00:11:46,410

scandalous memoir or something you could

243

00:11:53,810 --> 00:11:49,130

create one of those come on now what

244

00:11:56,270 --> 00:11:53,820

swear but you know so then

245

00:11:58,730 --> 00:11:56,280

self-publishing is just exploded and

246

00:12:00,170 --> 00:11:58,740

that kind of got out of hand over the

247

00:12:02,060 --> 00:12:00,180

last couple of years but I think it's

248

00:12:04,280 --> 00:12:02,070

sort of leveling off for a lot of people

249

00:12:10,070 --> 00:12:04,290

that really don't belong publishing

250

00:12:12,230 --> 00:12:10,080

their own is changing you know for the

251  
00:12:15,800 --> 00:12:12,240  
first year that I did this where we're

252  
00:12:18,470 --> 00:12:15,810  
focusing on TV and features and now

253  
00:12:21,890 --> 00:12:18,480  
we're really focusing hard on TV because

254  
00:12:24,530 --> 00:12:21,900  
there's so much product needed with

255  
00:12:26,750 --> 00:12:24,540  
Netflix and Amazon and Hulu and now

256  
00:12:29,450 --> 00:12:26,760  
there's a corn and there's all these

257  
00:12:32,300 --> 00:12:29,460  
different YouTube is getting in on the

258  
00:12:37,220 --> 00:12:32,310  
game play station is getting original

259  
00:12:40,340 --> 00:12:37,230  
programming just announced they made a

260  
00:12:45,800 --> 00:12:40,350  
deal with Time Warner who did snapchat

261  
00:12:47,570 --> 00:12:45,810  
are you serious I thought they were

262  
00:12:54,770 --> 00:12:47,580  
going to make them like five minutes

263  
00:12:58,100 --> 00:12:54,780

small productions but I mean you know so

264

00:13:00,800 --> 00:12:58,110

talk about 24/7 original content needed

265

00:13:02,810 --> 00:13:00,810

all the time and it's just such a

266

00:13:05,750 --> 00:13:02,820

different world when I was younger you

267

00:13:09,260 --> 00:13:05,760

didn't even think about getting into TV

268

00:13:12,380 --> 00:13:09,270

it was no no-man's land for new writers

269

00:13:15,830 --> 00:13:12,390

feature films was where it's at and

270

00:13:18,860 --> 00:13:15,840

now it's just completely flipped so you

271

00:13:21,410 --> 00:13:18,870

kind of have to always be ready for the

272

00:13:23,420 --> 00:13:21,420

way that the market changes and I'm

273

00:13:26,690 --> 00:13:23,430

really lucky that I know how to write

274

00:13:28,880 --> 00:13:26,700

nonfiction fiction films and I've been

275

00:13:31,759 --> 00:13:28,890

writing a lot of TV pilot so I know how

276

00:13:33,710 --> 00:13:31,769

to write everything that just comes

277

00:13:37,489 --> 00:13:33,720

sit your butt down and not having a

278

00:13:40,340 --> 00:13:37,499

social life yeah that was one of your

279

00:13:42,229 --> 00:13:40,350

funny post-its um you know and I get

280

00:13:44,179 --> 00:13:42,239

this too it's like people are like hey

281

00:13:48,979 --> 00:13:44,189

write my book for me we'll split the

282

00:13:53,059 --> 00:13:48,989

profits oh please five things in light

283

00:13:58,220 --> 00:13:53,069

of my omean right right are you serious

284

00:14:02,720 --> 00:13:58,230

it's like come on now hilarious people

285

00:14:04,999 --> 00:14:02,730

have a lot of they really do I I mean I

286

00:14:06,169 --> 00:14:05,009

don't know it's a it's a wild world out

287

00:14:08,359 --> 00:14:06,179

there but it's true it's like people

288

00:14:10,460 --> 00:14:08,369

like how do you write a book I'm like

289

00:14:18,439 --> 00:14:10,470

it's really difficult you sit down and

290

00:14:19,460 --> 00:14:18,449

yes writing it right but it's the

291

00:14:23,509 --> 00:14:19,470

stand-down

292

00:14:26,689 --> 00:14:23,519

that gets them yes exactly making time

293

00:14:27,859 --> 00:14:26,699

for these this stuff is it is difficult

294

00:14:31,429 --> 00:14:27,869

it's a challenge for anybody that's

295

00:14:33,919 --> 00:14:31,439

involved in it so I I get it I mean I'm

296

00:14:37,100 --> 00:14:33,929

on my 18th non-fiction book and I go

297

00:14:39,470 --> 00:14:37,110

into massive tailspins of panic and and

298

00:14:43,400 --> 00:14:39,480

not sleeping you know every single time

299

00:14:45,379 --> 00:14:43,410

because it doesn't get easier it's just

300

00:14:47,650 --> 00:14:45,389

I mean it does get easier that you know

301

00:14:51,169 --> 00:14:47,660

what you're doing but it's still a

302

00:14:53,329 --> 00:14:51,179

crapload of hard work and I have to say

303

00:14:56,389 --> 00:14:53,339

this and I don't mean to you know to

304

00:14:58,309 --> 00:14:56,399

sound arrogant or anything but there are

305

00:15:02,179 --> 00:14:58,319

not a lot of people go through the world

306

00:15:04,340 --> 00:15:02,189

willing to do the really hard work very

307

00:15:07,999 --> 00:15:04,350

true that's why you know you'll find

308

00:15:10,910 --> 00:15:08,009

people falling by the wayside after oh I

309

00:15:13,369 --> 00:15:10,920

tried to write a book or I used to I had

310

00:15:16,189 --> 00:15:13,379

a friend who's no longer in my life and

311

00:15:17,989 --> 00:15:16,199

hasn't been for years but my god all she

312

00:15:19,669 --> 00:15:17,999

ever did was simple I wrote a couple of

313

00:15:24,590 --> 00:15:19,679

books and nobody bought them I'm like

314

00:15:27,590 --> 00:15:24,600

what do you know I have file cabinets

315

00:15:29,960 --> 00:15:27,600

full of rejections of things that I've

316

00:15:32,210 --> 00:15:29,970

tried you don't give up if that's what

317

00:15:35,600 --> 00:15:32,220

you really want to do you don't get

318

00:15:40,069 --> 00:15:35,610

actually two books or three or eight you

319

00:15:42,169 --> 00:15:40,079

keep going and that you know I mean it's

320

00:15:44,600 --> 00:15:42,179

just a battle that anymore in the world

321

00:15:45,859 --> 00:15:44,610

yeah I tell people it literally

322

00:15:48,979 --> 00:15:45,869

took me two months to write my first

323

00:15:52,879 --> 00:15:48,989

book and four years to get it published

324

00:15:54,859 --> 00:15:52,889

exactly but you know I I had to go

325

00:15:56,780 --> 00:15:54,869

through a print-on-demand you know where

326

00:15:58,160 --> 00:15:56,790

it's like 50/50 at the time where you

327

00:16:01,100 --> 00:15:58,170

paid half they paid the other half

328

00:16:05,210 --> 00:16:01,110

publish it and I was like you know I had

329

00:16:07,910 --> 00:16:05,220

to do something and yeah I I get it it's

330

00:16:09,410 --> 00:16:07,920

it is not an easy world but you're you

331

00:16:11,239 --> 00:16:09,420

know the self-publishing thing you know

332

00:16:13,699 --> 00:16:11,249

for for new writers I don't know what do

333

00:16:16,369 --> 00:16:13,709

you say to people that are like I want

334

00:16:19,009 --> 00:16:16,379

to get it out there I tell people to go

335

00:16:21,949 --> 00:16:19,019

to Amazon route you know to get their

336

00:16:24,139 --> 00:16:21,959

feet wet and self-publishing so I don't

337

00:16:25,819 --> 00:16:24,149

know it's it's so hard to get the right

338

00:16:28,309 --> 00:16:25,829

agent to get the end boy do we have a

339

00:16:29,720 --> 00:16:28,319

fantastic agent we Sharon hey Jenny oh

340

00:16:31,789 --> 00:16:29,730

my god I love her

341

00:16:35,749 --> 00:16:31,799

I've been really fortunate you know what

342

00:16:37,669 --> 00:16:35,759

I tell people first of all you know

343

00:16:39,379 --> 00:16:37,679

don't be so arrogant to think that just

344

00:16:41,590 --> 00:16:39,389

because you wrote a book it's ready to

345

00:16:43,369 --> 00:16:41,600

be published get it edited

346

00:16:45,439 --> 00:16:43,379

professionally you don't have to pay

347

00:16:48,979 --> 00:16:45,449

through the nose there's there's good

348

00:16:52,179 --> 00:16:48,989

editors out there all right have a go my

349

00:16:54,650 --> 00:16:52,189

god have a decent cover for God's sakes

350

00:17:01,850 --> 00:16:54,660

don't make it look like you drew and

351

00:17:04,789 --> 00:17:01,860

crayola yourself edited check it for

352

00:17:07,189 --> 00:17:04,799

typos a million times because every time

353

00:17:10,699 --> 00:17:07,199

I have something checked we find 10 20

354

00:17:14,210 --> 00:17:10,709

more it's not the truth yeah and then I

355

00:17:14,929 --> 00:17:14,220

use a I'm for I put supervolcano back

356

00:17:16,970 --> 00:17:14,939

out on my own

357

00:17:19,250 --> 00:17:16,980

I bought the rights back after my dad

358

00:17:21,289 --> 00:17:19,260

died and I put it back out although

359

00:17:23,659 --> 00:17:21,299

there is a publishing company right now

360

00:17:25,399 --> 00:17:23,669

that took the print version paranoia

361

00:17:29,210 --> 00:17:25,409

publishing and I'm really good friends

362

00:17:32,149 --> 00:17:29,220

with them and I love them but so for my

363

00:17:35,269 --> 00:17:32,159

novels Max and I will be releasing the

364

00:17:36,560 --> 00:17:35,279

echo book 1 and I also wrote book 2 so

365

00:17:41,509 --> 00:17:36,570

that will come out a couple of months

366

00:17:45,680 --> 00:17:41,519

later and what I do is for the print go

367

00:17:49,000 --> 00:17:45,690

through great space yeah for the for all

368

00:17:52,070 --> 00:17:49,010

of my digital I go through a pronoun

369

00:17:55,340 --> 00:17:52,080

they are awesome

370

00:17:57,270 --> 00:17:55,350

okay and whatever and so pronoun and you

371

00:18:00,480 --> 00:17:57,280

just look up pronoun book

372

00:18:02,760 --> 00:18:00,490

and you'll find it and they though they

373

00:18:04,740 --> 00:18:02,770

format everything for you properly and

374

00:18:06,690 --> 00:18:04,750

what they do is and they don't take any

375

00:18:09,660 --> 00:18:06,700

money from you they might the money they

376

00:18:12,840 --> 00:18:09,670

earn is from advertising night I would

377

00:18:14,970 --> 00:18:12,850

imagine but they put you you could

378

00:18:18,240 --> 00:18:14,980

choose what outlet you want them to go

379

00:18:20,340 --> 00:18:18,250

to and they all the accounting comes in

380

00:18:23,670 --> 00:18:20,350

you know I'm constantly making a little

381

00:18:26,250 --> 00:18:23,680

bit of money so and I just love them and

382

00:18:28,290 --> 00:18:26,260

and my manager turned me on to them so

383

00:18:29,970 --> 00:18:28,300

I'm going to use them for everything and

384

00:18:34,460 --> 00:18:29,980

then draft2digital

385

00:18:37,500 --> 00:18:34,470

is another really good source they do

386

00:18:38,880 --> 00:18:37,510

yes we gotta get to our first break

387

00:18:40,470 --> 00:18:38,890

Murray sorry

388

00:18:43,970 --> 00:18:40,480

I said you guys do listen to me how you

389

00:18:48,360 --> 00:18:46,290

welcome back everybody you are listening

390

00:18:49,860 --> 00:18:48,370

to me Heidi house the Outlander

391

00:18:51,600 --> 00:18:49,870

remembering always if it's weird we're

392

00:19:11,970 --> 00:18:51,610

here that's why Murray's here I'm just

393

00:19:17,640 --> 00:19:11,980

kidding I still refuse to look up at the

394

00:19:22,470 --> 00:19:17,650

ceiling well you have to share about I

395

00:19:27,440 --> 00:19:22,480

guess demons and you said somebody had

396

00:19:32,970 --> 00:19:27,450

sent you a report of their experience

397

00:19:34,380 --> 00:19:32,980

with some kind of demon coming yeah oh

398

00:19:36,990 --> 00:19:34,390

yeah there's some good juicy one yeah

399

00:19:38,730 --> 00:19:37,000

and and so we were talking about that

400

00:19:43,670 --> 00:19:38,740

and that you know I just have never

401  
00:19:45,870 --> 00:19:43,680  
forgotten that I left the stain on you

402  
00:19:47,520 --> 00:19:45,880  
because I think we were talking about

403  
00:19:49,440 --> 00:19:47,530  
how you always serve things coming out

404  
00:19:52,380 --> 00:19:49,450  
of the closet or under the bed right

405  
00:19:54,570 --> 00:19:52,390  
boots and that kind of stuff and so to

406  
00:19:57,150 --> 00:19:54,580  
hear of something that comes down from

407  
00:19:59,430 --> 00:19:57,160  
the ceiling and we're trying to figure

408  
00:20:02,880 --> 00:19:59,440  
out why you know are they coming from

409  
00:20:04,500 --> 00:20:02,890  
the sky I mean that would be the only

410  
00:20:06,260 --> 00:20:04,510  
reason I could think to go climb on the

411  
00:20:10,470 --> 00:20:06,270  
roof and come down through the ceiling

412  
00:20:10,980 --> 00:20:10,480  
it was it was summer yeah don't look up

413  
00:20:14,460 --> 00:20:10,990

that much

414

00:20:23,460 --> 00:20:14,470

so in the house see so they're always

415

00:20:25,650 --> 00:20:23,470

there yeah you know as much as I say oh

416

00:20:27,930 --> 00:20:25,660

I don't believe this kind of stuff it's

417

00:20:31,080 --> 00:20:27,940

all you know yeah you know this is the

418

00:20:33,510 --> 00:20:31,090

interesting part you guys okay if you

419

00:20:35,640 --> 00:20:33,520

haven't gone to Murray site it's Murray

420

00:20:39,419 --> 00:20:35,650

D isn't David that's not her middle name

421

00:20:41,340 --> 00:20:39,429

though Jones my middle name starts with

422

00:20:42,660 --> 00:20:41,350

the D - and I say D isn't David but

423

00:20:49,440 --> 00:20:42,670

doesn't my middle name so I always say

424

00:20:55,320 --> 00:20:49,450

that she's got books on UFOs ghosts

425

00:20:57,960 --> 00:20:55,330

aliens super volcanoes about God I mean

426

00:21:01,620 --> 00:20:57,970

science I mean do you run the gamut

427

00:21:07,560 --> 00:21:01,630

and and it's like but you have this very

428

00:21:11,010 --> 00:21:07,570

scientific mind and it's not because

429

00:21:14,549 --> 00:21:11,020

it's not that I don't believe these

430

00:21:17,340 --> 00:21:14,559

things exist but I don't like the way

431

00:21:20,490 --> 00:21:17,350

that people just automatically you know

432

00:21:23,040 --> 00:21:20,500

you see a likeness guy it is a UFO it is

433

00:21:25,260 --> 00:21:23,050

a unidentified flying object that

434

00:21:29,540 --> 00:21:25,270

doesn't mean it's an alien craft from

435

00:21:33,020 --> 00:21:29,550

you know this lluvia or whatever it

436

00:21:36,120 --> 00:21:33,030

people jump to these conclusions with

437

00:21:40,049 --> 00:21:36,130

ghosts and apparitions oh they're evil

438

00:21:43,310 --> 00:21:40,059

demons coming to you know with no idea

439

00:21:45,810 --> 00:21:43,320

what they are so why don't we start with

440

00:21:50,180 --> 00:21:45,820

trying to see if there's any kind of

441

00:21:53,400 --> 00:21:50,190

science behind the behavior you know

442

00:21:55,470 --> 00:21:53,410

Kenickie visions that we're getting of

443

00:21:58,830 --> 00:21:55,480

something going on in a parallel

444

00:22:02,100 --> 00:21:58,840

timeline or a parallel universe er is it

445

00:22:03,360 --> 00:22:02,110

a you know something the mind is at

446

00:22:05,160 --> 00:22:03,370

resonance are we

447

00:22:07,799 --> 00:22:05,170

syncing up with a different frequency

448

00:22:10,310 --> 00:22:07,809

where this kind of stuff all this sudden

449

00:22:12,960 --> 00:22:10,320

can be perceived by the human brain

450

00:22:15,510 --> 00:22:12,970

there's so many different questions that

451

00:22:18,210 --> 00:22:15,520

we can ask before we start saying oh

452

00:22:20,370 --> 00:22:18,220

it's a ghost there are it's a demon and

453

00:22:23,610 --> 00:22:20,380

so I get really frustrated when people

454

00:22:24,810 --> 00:22:23,620

just have that knee-jerk explanation of

455

00:22:28,260 --> 00:22:24,820

what things are

456

00:22:29,850 --> 00:22:28,270

um now I get that from your dad right I

457

00:22:32,490 --> 00:22:29,860

got that for my dad

458

00:22:34,290 --> 00:22:32,500

no matter moms my god my creativity for

459

00:22:36,360 --> 00:22:34,300

my mom so I'm really lucky I got the

460

00:22:39,840 --> 00:22:36,370

creativity the writing the storytelling

461

00:22:42,840 --> 00:22:39,850

and then my dad was a geophysicist and

462

00:22:46,560 --> 00:22:42,850

I'm seismologist I got all I had such a

463

00:22:48,210 --> 00:22:46,570

love for earth sciences and astronomy

464

00:22:53,460 --> 00:22:48,220

and all that stuff back up but here's

465

00:22:57,750 --> 00:22:53,470

the funny thing my dad was a huge UFO

466

00:22:59,610 --> 00:22:57,760

buff big-time and he also believed in

467

00:23:02,580 --> 00:22:59,620

the paranormal but again because there

468

00:23:05,220 --> 00:23:02,590

was a scientist he always approached it

469

00:23:08,340 --> 00:23:05,230

from well there is a science to all this

470

00:23:10,470 --> 00:23:08,350

we just don't know what it is yet so

471

00:23:12,960 --> 00:23:10,480

don't make assumptions but what I have

472

00:23:14,670 --> 00:23:12,970

you know distinct memory of being maybe

473

00:23:17,580 --> 00:23:14,680

six or seven years old

474

00:23:19,440 --> 00:23:17,590

it would I grew up in New York and we

475

00:23:22,950 --> 00:23:19,450

were in the kitchen my dad had some of

476

00:23:24,900 --> 00:23:22,960

his scientist colleagues over one was an

477

00:23:27,090 --> 00:23:24,910

oceanographer I know that I think the

478

00:23:29,550 --> 00:23:27,100

rest of them were probably geologists or

479

00:23:32,820 --> 00:23:29,560

geophysicist sitting around our little

480

00:23:35,070 --> 00:23:32,830

round kitchen table and I was sitting on

481

00:23:38,790 --> 00:23:35,080

the floor at my dad's feet listening to

482

00:23:42,680 --> 00:23:38,800

them talk about UFOs that stayed with me

483

00:23:45,060 --> 00:23:42,690

all my life oh they're brilliant

484

00:23:48,180 --> 00:23:45,070

scientists you know these really they

485

00:23:50,550 --> 00:23:48,190

really were and here they are talking

486

00:23:53,640 --> 00:23:50,560

about UFOs and I remember years later

487

00:23:56,250 --> 00:23:53,650

asking my dad you know why is why do

488

00:23:58,770 --> 00:23:56,260

people new UFO community have such an

489

00:24:01,070 --> 00:23:58,780

aversion to scientists and it's just

490

00:24:03,510 --> 00:24:01,080

really that you know if you're in

491

00:24:06,180 --> 00:24:03,520

science or if you're a professor or

492

00:24:08,160 --> 00:24:06,190

you're in teaching you know college

493

00:24:10,980 --> 00:24:08,170

professor what have you that's not the

494

00:24:13,980 --> 00:24:10,990

kind of stuff that you until fairly

495

00:24:16,950 --> 00:24:13,990

recently could openly admit to believing

496

00:24:19,470 --> 00:24:16,960

in so it's the kind of thing you talked

497

00:24:26,280 --> 00:24:19,480

about over you know cigarettes and and

498

00:24:28,800 --> 00:24:26,290

beer around the kitchen table I mean now

499

00:24:32,370 --> 00:24:28,810

yes you know now we have businesses

500

00:24:34,710 --> 00:24:32,380

writing pop no well pop you have popular

501  
00:24:36,570 --> 00:24:34,720  
mainstream books right or they're

502  
00:24:38,520 --> 00:24:36,580  
talking about things that could be

503  
00:24:41,940 --> 00:24:38,530  
deemed paranormal

504  
00:24:44,340 --> 00:24:41,950  
so it's definitely changed but in the

505  
00:24:47,430 --> 00:24:44,350  
halls of you know science and academia

506  
00:24:50,940 --> 00:24:47,440  
you really were not supposed to be real

507  
00:24:54,060 --> 00:24:50,950  
open with that and so I think scientists

508  
00:24:56,430 --> 00:24:54,070  
got this sort of bad rap as being you

509  
00:24:58,320 --> 00:24:56,440  
know I remember years ago and I'm sure

510  
00:25:01,650 --> 00:24:58,330  
you do too the paranormal community was

511  
00:25:06,350 --> 00:25:01,660  
so anti science oh yes they were making

512  
00:25:08,760 --> 00:25:06,360  
the assumption that scientists were anti

513  
00:25:10,470 --> 00:25:08,770

apparent paranormal community and they

514

00:25:12,990 --> 00:25:10,480

were to an extent only because there are

515

00:25:32,280 --> 00:25:13,000

so many idiots in the paranormal

516

00:25:33,600 --> 00:25:32,290

community perhaps yeah there's a few of

517

00:25:35,480 --> 00:25:33,610

them out there that could make us all

518

00:25:37,650 --> 00:25:35,490

look bad and then we're forever

519

00:25:39,870 --> 00:25:37,660

referenced you know with that one

520

00:25:46,050 --> 00:25:39,880

wackadoodle person it's like come on now

521

00:25:50,940 --> 00:25:46,060

no it's really not unfortunately you

522

00:25:54,630 --> 00:25:50,950

know no you've been writing on some

523

00:25:56,430 --> 00:25:54,640

really SuperDuper dark stuff as of late

524

00:26:06,330 --> 00:25:56,440

that it's gonna be coming out later on

525

00:26:08,880 --> 00:26:06,340

this year of the demonic nature what was

526

00:26:11,850 --> 00:26:08,890

approaches it by a publisher called

527

00:26:15,930 --> 00:26:11,860

visible ink press they do wonderful big

528

00:26:18,960 --> 00:26:15,940

giant almost encyclopedic books and the

529

00:26:22,410 --> 00:26:18,970

subject matter was the history of demons

530

00:26:26,270 --> 00:26:22,420

the devil and fallen angels and what I

531

00:26:29,400 --> 00:26:26,280

liked about it is that they wanted a

532

00:26:34,290 --> 00:26:29,410

comprehensive look at where these

533

00:26:37,020 --> 00:26:34,300

concepts came from so you know I the

534

00:26:40,530 --> 00:26:37,030

book starts really with going all the

535

00:26:43,440 --> 00:26:40,540

way back to the first mentions of these

536

00:26:45,750 --> 00:26:43,450

words you know in any language I was

537

00:26:47,250 --> 00:26:45,760

like to look at the word history of a

538

00:26:49,710 --> 00:26:47,260

subject because you can learn so much

539

00:26:51,810 --> 00:26:49,720

about them about them that way and

540

00:26:55,190 --> 00:26:51,820

through religion

541

00:26:59,010 --> 00:26:55,200

myth all the way up to modern-day

542

00:27:00,720 --> 00:26:59,020

pop-culture modern Satanism oh I go

543

00:27:03,150 --> 00:27:00,730

through you know the Inquisition the

544

00:27:06,180 --> 00:27:03,160

witchcraft burning years the whole nine

545

00:27:09,570 --> 00:27:06,190

yards the book is so comprehensive that

546

00:27:11,790 --> 00:27:09,580

if you said to Lisa Hagin who's our

547

00:27:16,140 --> 00:27:11,800

agent her shirred agent

548

00:27:19,320 --> 00:27:16,150

oh yeah Marie enjoy writing that tell

549

00:27:25,950 --> 00:27:19,330

you how many times I wanted to kill

550

00:27:28,560 --> 00:27:25,960

myself because it's so dark well it

551  
00:27:30,630 --> 00:27:28,570  
wasn't that so much as how you know it

552  
00:27:36,150 --> 00:27:30,640  
was like twice the size of the normal

553  
00:27:40,620 --> 00:27:36,160  
books that I write about and I still

554  
00:27:43,230 --> 00:27:40,630  
have that went on for quite a while and

555  
00:27:46,440 --> 00:27:43,240  
eventually I ended up finding so many

556  
00:27:48,750 --> 00:27:46,450  
things that were associated with one of

557  
00:27:52,290 --> 00:27:48,760  
the three including our you know

558  
00:27:56,070 --> 00:27:52,300  
obsession with them in in movies and TV

559  
00:27:58,620 --> 00:27:56,080  
and books and and mythology in fairy

560  
00:27:59,730 --> 00:27:58,630  
tales all nine yards so when I first

561  
00:28:03,390 --> 00:27:59,740  
started to write it though I had a

562  
00:28:05,250 --> 00:28:03,400  
couple of people warned me that you know

563  
00:28:07,140 --> 00:28:05,260

you shouldn't be doing that make sure

564

00:28:12,120 --> 00:28:07,150

you protect yourself all of them like I

565

00:28:15,480 --> 00:28:12,130

don't believe in the religious beliefs

566

00:28:18,090 --> 00:28:15,490

I'm not a Christian I don't believe that

567

00:28:19,620 --> 00:28:18,100

you know what Christians believe about

568

00:28:22,410 --> 00:28:19,630

demons and now that I've written this

569

00:28:25,170 --> 00:28:22,420

book I believe it even less what is I

570

00:28:28,770 --> 00:28:25,180

saw where they originate from I mean

571

00:28:32,630 --> 00:28:28,780

they originated from our primitive need

572

00:28:35,460 --> 00:28:32,640

to categorize the world around us as

573

00:28:37,500 --> 00:28:35,470

beneficial to our survival or

574

00:28:40,440 --> 00:28:37,510

detrimental to our survival

575

00:28:43,620 --> 00:28:40,450

so the beneficial became good and we

576

00:28:46,890 --> 00:28:43,630

ascribed gods and goddesses and you know

577

00:28:49,650 --> 00:28:46,900

fairies and whatnot to the good things

578

00:28:53,370 --> 00:28:49,660

that happened procreation finding food

579

00:28:56,310 --> 00:28:53,380

finding shelter and all the icky stuff

580

00:29:00,270 --> 00:28:56,320

that we didn't understand death being

581

00:29:02,400 --> 00:29:00,280

eaten by wildebeests you know lightning

582

00:29:05,560 --> 00:29:02,410

and volcanoes and earthquakes we

583

00:29:08,950 --> 00:29:05,570

ascribed bad deities to

584

00:29:11,680 --> 00:29:08,960

demons and and then you know all kinds

585

00:29:14,350 --> 00:29:11,690

of stuff and how religion helped evolve

586

00:29:16,710 --> 00:29:14,360

that over time so when you go back and

587

00:29:19,630 --> 00:29:16,720

you look at how all of that started with

588

00:29:22,930 --> 00:29:19,640

just our basic need to understand nature

589

00:29:25,750 --> 00:29:22,940

and categorize it it took the fairway

590

00:29:28,000 --> 00:29:25,760

for me I didn't have any problems except

591

00:29:32,610 --> 00:29:28,010

some technical issues which I have all

592

00:29:34,900 --> 00:29:32,620

the time anyway because I think first

593

00:29:36,400 --> 00:29:34,910

looking at one of your titles of your

594

00:29:42,850 --> 00:29:36,410

book looking for God in all the wrong

595

00:29:44,470 --> 00:29:42,860

places and I like well she was yeah that

596

00:29:47,680 --> 00:29:44,480

was the very first non-fiction book I

597

00:29:51,700 --> 00:29:47,690

ever wrote and it's kind of a fun sort

598

00:29:54,070 --> 00:29:51,710

of spiritual commentary on however we're

599

00:29:56,620 --> 00:29:54,080

always looking for and not just God but

600

00:29:58,450 --> 00:29:56,630

all good stuff outside of ourselves and

601  
00:30:01,390 --> 00:29:58,460  
we'd never look within you know it's

602  
00:30:04,570 --> 00:30:01,400  
just a very simple book that actually

603  
00:30:07,930 --> 00:30:04,580  
got me Lisa as my agent even though the

604  
00:30:11,140 --> 00:30:07,940  
book sold I think 40 copies but it led

605  
00:30:14,740 --> 00:30:11,150  
to science which was my biggest you know

606  
00:30:19,330 --> 00:30:14,750  
that book turn everything around for me

607  
00:30:23,380 --> 00:30:19,340  
I loved that book shock that I got to

608  
00:30:25,450 --> 00:30:23,390  
write that book Lisa I had just signed

609  
00:30:28,270 --> 00:30:25,460  
with her I she said what do you want to

610  
00:30:30,520 --> 00:30:28,280  
write I said I want to write a book

611  
00:30:34,720 --> 00:30:30,530  
about quantum physics in the paranormal

612  
00:30:36,160 --> 00:30:34,730  
and I you know she said I don't think

613  
00:30:38,230 --> 00:30:36,170

any publisher will take it you're not

614

00:30:40,660 --> 00:30:38,240

qualified you're not a you know heir of

615

00:30:42,670 --> 00:30:40,670

a PhD blah blah blah three months later

616

00:30:45,490 --> 00:30:42,680

we had the deal with new page and it's

617

00:30:48,490 --> 00:30:45,500

because she and I both absolutely

618

00:30:51,280 --> 00:30:48,500

believed in that book and new page did

619

00:30:53,080 --> 00:30:51,290

too and I'm so grateful for them but I

620

00:30:56,130 --> 00:30:53,090

mean I'm not saying that demons don't

621

00:30:59,710 --> 00:30:56,140

exist because I will never say never

622

00:31:02,590 --> 00:30:59,720

especially you know scientifically if we

623

00:31:08,290 --> 00:31:02,600

do believe that there are infinite

624

00:31:11,020 --> 00:31:08,300

number of pairs I just laugh at myself

625

00:31:18,450 --> 00:31:11,030

here it's myself here Bob you just wrote

626

00:31:22,270 --> 00:31:18,460

the encyclopedia on demons is that

627

00:31:25,270 --> 00:31:22,280

absolutely fascinated by their real

628

00:31:29,860 --> 00:31:25,280

origin and I got to go into that in

629

00:31:33,490 --> 00:31:29,870

every every region of the earth has

630

00:31:36,640 --> 00:31:33,500

their own version of the same demons

631

00:31:39,640 --> 00:31:36,650

that represent the same things and they

632

00:31:43,450 --> 00:31:39,650

we you know all religions and myths and

633

00:31:44,800 --> 00:31:43,460

and origin stories have a concept of

634

00:31:47,140 --> 00:31:44,810

it's time for Optimum's

635

00:31:49,330 --> 00:31:47,150

red hot Sam get 200 Meg internet TV with

636

00:31:51,700 --> 00:31:49,340

over 260 channels and unlimited home

637

00:31:53,320 --> 00:31:51,710

phone all for \$69.99 a month for one

638

00:31:55,480 --> 00:31:53,330

year guarantee and for a limited time

639

00:31:57,250 --> 00:31:55,490

HBO and Showtime are included for one

640

00:32:00,430 --> 00:31:57,260

year switch today click for details and

641

00:32:03,220 --> 00:32:00,440

special web only offers hell and how

642

00:32:08,200 --> 00:32:03,230

hell got associated with punishment and

643

00:32:12,030 --> 00:32:08,210

sin and I love digging into the

644

00:32:15,160 --> 00:32:12,040

historical origins of subjects and that

645

00:32:18,400 --> 00:32:15,170

is what made the books so fascinating

646

00:32:22,930 --> 00:32:18,410

but it took so much of the fairway for

647

00:32:26,920 --> 00:32:22,940

me Wow cool however having said that I

648

00:32:28,020 --> 00:32:26,930

still believe that human beings are the

649

00:32:32,910 --> 00:32:28,030

conduits

650

00:32:35,920 --> 00:32:32,920

for different types of energy now dark

651  
00:32:39,280 --> 00:32:35,930  
destructive violent energy I am pretty

652  
00:32:42,880 --> 00:32:39,290  
sure we see the demonic portrayed in

653  
00:32:46,510 --> 00:32:42,890  
human behavior every day in the news so

654  
00:32:48,520 --> 00:32:46,520  
that's more more of my fear lies but it

655  
00:32:50,740 --> 00:32:48,530  
was just absolutely fascinating I mean

656  
00:32:52,900 --> 00:32:50,750  
during you know the witch burning years

657  
00:32:54,760 --> 00:32:52,910  
and the Middle Ages into the in the dark

658  
00:32:59,530 --> 00:32:54,770  
ages and the Inquisition's mother well

659  
00:33:01,150 --> 00:32:59,540  
basically if you're odd in any way you

660  
00:33:03,820 --> 00:33:01,160  
were thought to be possessed by the

661  
00:33:05,980 --> 00:33:03,830  
devil or demons and you know you were

662  
00:33:07,990 --> 00:33:05,990  
burned or put to death or you were if

663  
00:33:10,390 --> 00:33:08,000

you're a woman you were beaten and raped

664

00:33:13,900 --> 00:33:10,400

and tortured you and I would not be in

665

00:33:17,290 --> 00:33:13,910

an occurrence we would have been would

666

00:33:28,060 --> 00:33:17,300

have been locked up actually no you and

667

00:33:31,120 --> 00:33:28,070

I would have led the rebellion you know

668

00:33:31,500 --> 00:33:31,130

reading some of the history of just a

669

00:33:35,070 --> 00:33:31,510

few

670

00:33:38,190 --> 00:33:35,080

if you got your period how you you were

671

00:33:45,480 --> 00:33:38,200

treated as you know filled with demons

672

00:33:47,940 --> 00:33:45,490

and yeah if you meant any kind of

673

00:33:51,870 --> 00:33:47,950

deformity and it just shows the

674

00:33:56,850 --> 00:33:51,880

ignorance of humanity that's behind so

675

00:33:59,280 --> 00:33:56,860

much of this so do you feel that with

676

00:34:02,970 --> 00:33:59,290

some of this negative energy that man

677

00:34:06,180 --> 00:34:02,980

you feel created that it would actually

678

00:34:10,919 --> 00:34:06,190

manifest and say possess a person and

679

00:34:15,690 --> 00:34:10,929

cause them to levitate and speak and I

680

00:34:17,790 --> 00:34:15,700

think you know people have like this

681

00:34:19,889 --> 00:34:17,800

image of God right as the old white guy

682

00:34:22,950 --> 00:34:19,899

with the beard and in the same way they

683

00:34:28,290 --> 00:34:22,960

have an image of demons as you know that

684

00:34:30,780 --> 00:34:28,300

with horns and a spiketail and the whole

685

00:34:32,730 --> 00:34:30,790

room that's right in you know yeah and

686

00:34:34,680 --> 00:34:32,740

that to me it's just ridiculous cuz

687

00:34:36,119 --> 00:34:34,690

those images when you look at the

688

00:34:39,720 --> 00:34:36,129

history you kind of see where they came

689

00:34:42,720 --> 00:34:39,730

from but when you look at what's

690

00:34:45,840 --> 00:34:42,730

happening around us in the world it does

691

00:34:48,570 --> 00:34:45,850

seem like people are either inherently

692

00:34:50,399 --> 00:34:48,580

born with this kind of energy flowing

693

00:34:52,619 --> 00:34:50,409

through their veins which i think is

694

00:34:56,970 --> 00:34:52,629

partially true but you know definitely

695

00:35:00,450 --> 00:34:56,980

there could be energy that we are kind

696

00:35:05,640 --> 00:35:00,460

of immersed in and we either resonate

697

00:35:08,370 --> 00:35:05,650

with neutral energy the positive you

698

00:35:10,890 --> 00:35:08,380

know happy uplifting energy or the

699

00:35:12,780 --> 00:35:10,900

negative and dark and I kind of you know

700

00:35:15,210 --> 00:35:12,790

I love the Star Wars movies because I

701  
00:35:19,110 --> 00:35:15,220  
think the force is one of the best

702  
00:35:25,040 --> 00:35:19,120  
descriptions ever of what that energy is

703  
00:35:31,590 --> 00:35:28,350  
like you know obi-wan Kenobi's it's

704  
00:35:33,300 --> 00:35:31,600  
neutral you you know you can use the

705  
00:35:36,120 --> 00:35:33,310  
force for evil or good or you could just

706  
00:35:37,350 --> 00:35:36,130  
ignore it all together and I love that

707  
00:35:41,240 --> 00:35:37,360  
cuz I thought well you know

708  
00:35:44,760 --> 00:35:41,250  
scientifically that that's palatable to

709  
00:35:45,540 --> 00:35:44,770  
scientists because you know you take

710  
00:35:47,700 --> 00:35:45,550  
away the

711  
00:35:51,420 --> 00:35:47,710  
the judgmental or white guy with his

712  
00:35:53,640 --> 00:35:51,430  
choir of angels that are deciding that

713  
00:35:55,290 --> 00:35:53,650

this little baby should die and you know

714

00:35:57,960 --> 00:35:55,300

but the serial-killer to live to be

715

00:36:00,150 --> 00:35:57,970

night you know I miss all that words

716

00:36:03,140 --> 00:36:00,160

like I can't not make sense of this and

717

00:36:06,000 --> 00:36:03,150

I really need to make sense of things

718

00:36:08,910 --> 00:36:06,010

for you you know I cover the topic of

719

00:36:12,570 --> 00:36:08,920

shadow people and the hat man and yeah I

720

00:36:15,359 --> 00:36:12,580

still had thousands of emails over the

721

00:36:18,620 --> 00:36:15,369

years in regards to these these very

722

00:36:22,190 --> 00:36:18,630

dark entities that people are reporting

723

00:36:25,530 --> 00:36:22,200

you know from Thailand to Greece and

724

00:36:28,670 --> 00:36:25,540

they're describing the same thing a man

725

00:36:32,070 --> 00:36:28,680

in a suit and a hat I mean how do we I

726

00:36:33,870 --> 00:36:32,080

would you know to me it's like I I do

727

00:36:36,180 --> 00:36:33,880

believe that these negative things exist

728

00:36:38,340 --> 00:36:36,190

just to say but how would that be

729

00:36:40,890 --> 00:36:38,350

explained we hire people being able to

730

00:36:45,180 --> 00:36:40,900

see this in their straw hut to New York

731

00:36:50,030 --> 00:36:45,190

City I think and I I've kind of believed

732

00:36:54,690 --> 00:36:50,040

this for a long time that rather than

733

00:36:56,730 --> 00:36:54,700

put a religious connotation on it you

734

00:37:01,230 --> 00:36:56,740

know rather than oh they're Satan's

735

00:37:03,630 --> 00:37:01,240

minions from hell to me those are

736

00:37:06,930 --> 00:37:03,640

perfect descriptions of interdimensional

737

00:37:09,859 --> 00:37:06,940

entities IDs and and I've believed that

738

00:37:12,630 --> 00:37:09,869

about a lot of UFO sightings

739

00:37:14,640 --> 00:37:12,640

you know Jacques Vallee really kind of

740

00:37:19,170 --> 00:37:14,650

broke that broke through through that

741

00:37:21,660 --> 00:37:19,180

barrier of and John keel to an extent -

742

00:37:25,170 --> 00:37:21,670

mm-hmm assuming that everything came

743

00:37:26,970 --> 00:37:25,180

from this world this reality and looked

744

00:37:28,770 --> 00:37:26,980

the way that we would expect them to

745

00:37:31,440 --> 00:37:28,780

looked and behaved according to our laws

746

00:37:34,620 --> 00:37:31,450

of physics so when you started talking

747

00:37:37,320 --> 00:37:34,630

about alternate dimensions and parallel

748

00:37:39,720 --> 00:37:37,330

universes and even parallel timelines

749

00:37:43,590 --> 00:37:39,730

and things like that to me that opens

750

00:37:47,190 --> 00:37:43,600

the door for things that we do not

751

00:37:50,609 --> 00:37:47,200

normally interact with to interact with

752

00:37:52,710 --> 00:37:50,619

us not on a regular basis but they sort

753

00:37:54,450 --> 00:37:52,720

of kind of seep through you know I

754

00:37:58,109 --> 00:37:54,460

remember like when I was really little

755

00:38:00,539 --> 00:37:58,119

CB radios were all the rage and I

756

00:38:02,549 --> 00:38:00,549

at 1:00 and you know you'd have a really

757

00:38:04,950 --> 00:38:02,559

strong signal where you could be talking

758

00:38:06,900 --> 00:38:04,960

to someone and somebody else might break

759

00:38:09,059 --> 00:38:06,910

through just for a few seconds here and

760

00:38:10,559 --> 00:38:09,069

there crosstalk and I always thought

761

00:38:13,499 --> 00:38:10,569

that's what it was like

762

00:38:16,380 --> 00:38:13,509

it's crosstalk between different levels

763

00:38:18,930 --> 00:38:16,390

of reality because if you look at a lot

764

00:38:23,279 --> 00:38:18,940

of these entities they don't seem to

765

00:38:26,099 --> 00:38:23,289

behave by the same physical laws of

766

00:38:28,230 --> 00:38:26,109

nature that we do you know a lot of

767

00:38:30,769 --> 00:38:28,240

times they pop in and out of existence

768

00:38:33,089 --> 00:38:30,779

just like you or they look like a

769

00:38:37,289 --> 00:38:33,099

projection right movie projection

770

00:38:38,640 --> 00:38:37,299

they're not really physically God I'm

771

00:38:40,410 --> 00:38:38,650

just at a loss for words you know you

772

00:38:42,509 --> 00:38:40,420

look you could see through them I need

773

00:38:44,999 --> 00:38:42,519

there to raise this bull but they're not

774

00:38:47,519 --> 00:38:45,009

completely solid that's what I want to

775

00:38:49,319 --> 00:38:47,529

say I say you see you're saying that

776

00:38:53,099 --> 00:38:49,329

they may just fall into the category of

777

00:38:56,160 --> 00:38:53,109

being a real entity of a sort versus

778

00:39:01,499 --> 00:38:56,170

being a negative presence well I think

779

00:39:03,690 --> 00:39:01,509

they can be both you know certainly if

780

00:39:07,279 --> 00:39:03,700

human beings are capable of good and

781

00:39:10,079 --> 00:39:07,289

evil so right the other living thing

782

00:39:11,670 --> 00:39:10,089

even a lot of the cryptids that you read

783

00:39:14,190 --> 00:39:11,680

about the reports when people say well

784

00:39:15,870 --> 00:39:14,200

you know I looked at the path and and it

785

00:39:18,170 --> 00:39:15,880

wasn't there and then I looked again and

786

00:39:21,089 --> 00:39:18,180

it was sort of popped there was like a

787

00:39:23,009 --> 00:39:21,099

pop and then there it was but it was

788

00:39:26,729 --> 00:39:23,019

kind of shimmering and then it vanished

789

00:39:28,589 --> 00:39:26,739

though to me that is you know that just

790

00:39:31,289 --> 00:39:28,599

sounds like something coming from

791

00:39:33,390 --> 00:39:31,299

another reality and we know that this is

792

00:39:36,509 --> 00:39:33,400

not the only level of reality we were

793

00:39:39,660 --> 00:39:36,519

sure you might know that oh yeah Emory

794

00:39:43,499 --> 00:39:39,670

believe it or not I saw a bigfoot-like

795

00:39:49,680 --> 00:39:43,509

thing appear in somebody's apartment and

796

00:39:51,269 --> 00:39:49,690

shimmy out if you're raising and again

797

00:39:53,940 --> 00:39:51,279

and I also think you know we need to

798

00:39:55,710 --> 00:39:53,950

talk about the physiological side of it

799

00:39:57,509 --> 00:39:55,720

why do you see that but the person

800

00:39:59,460 --> 00:39:57,519

sitting next you doesn't it's not

801  
00:39:59,910 --> 00:39:59,470  
because you're a liar or imagining

802  
00:40:04,079 --> 00:39:59,920  
things

803  
00:40:06,420 --> 00:40:04,089  
you that align with your environment

804  
00:40:08,640 --> 00:40:06,430  
that allow you to perceive it but the

805  
00:40:10,739 --> 00:40:08,650  
person sitting next you can and I can do

806  
00:40:11,400 --> 00:40:10,749  
anything from brain chemicals to very

807  
00:40:12,930 --> 00:40:11,410  
true

808  
00:40:15,660 --> 00:40:12,940  
believe it or not in essence in that

809  
00:40:17,789 --> 00:40:15,670  
instance myself and the person set is

810  
00:40:20,640 --> 00:40:17,799  
who sit next to me we both jumped up at

811  
00:40:22,230 --> 00:40:20,650  
the same time I've stuttered Bob of a

812  
00:40:28,039 --> 00:40:22,240  
Bigfoot and she screamed we were

813  
00:40:31,019 --> 00:40:28,049

werewolf kind of perceiving it is that

814

00:40:32,819 --> 00:40:31,029

we did both see the darn thing but there

815

00:40:34,349 --> 00:40:32,829

have been instances where I mean a lot

816

00:40:36,839 --> 00:40:34,359

of times where people don't see what

817

00:40:39,749 --> 00:40:36,849

I've seen and yeah I I think you're

818

00:40:41,460 --> 00:40:39,759

right I mean it it it could be the angle

819

00:40:43,440 --> 00:40:41,470

it could be the way that the light you

820

00:40:45,779 --> 00:40:43,450

know hits just right for me versus

821

00:40:48,299 --> 00:40:45,789

another person's eyeball there or it is

822

00:40:52,230 --> 00:40:48,309

my own brain chemistry yep t and your

823

00:40:54,329 --> 00:40:52,240

brain yeah it those things fascinating

824

00:40:56,670 --> 00:40:54,339

so much so no I'm not saying that these

825

00:40:58,829 --> 00:40:56,680

things don't exist I just don't like the

826

00:41:01,650 --> 00:40:58,839

way we always kind of narrow-minded ly

827

00:41:02,640 --> 00:41:01,660

claim that they're either you know

828

00:41:05,309 --> 00:41:02,650

heaven or hell

829

00:41:09,240 --> 00:41:05,319

good and evil demons and angels or

830

00:41:11,640 --> 00:41:09,250

whatever we need to expand because

831

00:41:15,870 --> 00:41:11,650

especially those things that don't seem

832

00:41:17,700 --> 00:41:15,880

to originate here they really do seem to

833

00:41:21,450 --> 00:41:17,710

be coming in and out of another

834

00:41:23,339 --> 00:41:21,460

dimension yeah for lack of a better word

835

00:41:26,099 --> 00:41:23,349

where the hell are they coming from

836

00:41:27,930 --> 00:41:26,109

how are they getting here you know what

837

00:41:30,930 --> 00:41:27,940

is the mechanism that they're using to

838

00:41:34,319 --> 00:41:30,940

appear to us I tell people you know some

839

00:41:36,390 --> 00:41:34,329

things exist without a definition you

840

00:41:39,539 --> 00:41:36,400

know but we had to put it through our

841

00:41:42,029 --> 00:41:39,549

filter and we had to you know say it is

842

00:41:46,079 --> 00:41:42,039

this way versus that way and you know it

843

00:41:49,710 --> 00:41:46,089

it's I get it you know it's because we

844

00:41:52,710 --> 00:41:49,720

didn't see much still about our the

845

00:41:55,410 --> 00:41:52,720

possibilities of our universe and others

846

00:41:57,329 --> 00:41:55,420

and we we don't even know what reality

847

00:41:59,970 --> 00:41:57,339

is we're still trying to figure that one

848

00:42:02,099 --> 00:41:59,980

out philosophically I would like my

849

00:42:16,380 --> 00:42:02,109

reality to be in San Diego right now I

850

00:42:18,630 --> 00:42:16,390

really love saying a lot of people think

851

00:42:20,539 --> 00:42:18,640

oh well you don't believe I don't

852

00:42:23,460 --> 00:42:20,549

believe in it I just don't believe that

853

00:42:25,120 --> 00:42:23,470

the trademarked explanation that you

854

00:42:27,760 --> 00:42:25,130

hear over and over again

855

00:42:32,890 --> 00:42:27,770

and I honestly really do believe that

856

00:42:35,050 --> 00:42:32,900

our own bodies are half the solution you

857

00:42:37,360 --> 00:42:35,060

know because I could be standing next to

858

00:42:39,610 --> 00:42:37,370

you and you could see something and I

859

00:42:42,850 --> 00:42:39,620

don't and the only difference might be

860

00:42:47,410 --> 00:42:42,860

maybe you have more serotonin in your

861

00:42:49,510 --> 00:42:47,420

brain or maybe I you know I'm on my

862

00:42:53,920 --> 00:42:49,520

period or whatever and those

863

00:42:57,220 --> 00:42:53,930

physiological changes in us could be the

864

00:42:59,350 --> 00:42:57,230

little doorway that allows one person to

865

00:43:03,910 --> 00:42:59,360

perceive something and the other to be

866

00:43:06,460 --> 00:43:03,920

blocked from it makes sense so what do

867

00:43:09,190 --> 00:43:06,470

you okay so say you're called upon to

868

00:43:16,240 --> 00:43:09,200

speak at the demon convention because

869

00:43:18,370 --> 00:43:16,250

you wrote the encyclopedia you're gonna

870

00:43:26,500 --> 00:43:18,380

come in your goth gear and you're gonna

871

00:43:28,630 --> 00:43:26,510

say none of this is real but you'll have

872

00:43:30,880 --> 00:43:28,640

a lot to explain a lot of splaining to

873

00:43:33,550 --> 00:43:30,890

do and you know what though I will I

874

00:43:36,100 --> 00:43:33,560

will add one little [h\_\_\h] to that I also

875

00:43:38,170 --> 00:43:36,110

do believe it's possible that if enough

876

00:43:40,960 --> 00:43:38,180

people believe in something it will

877

00:43:43,330 --> 00:43:40,970

manifest so it could very well be that

878

00:43:47,580 --> 00:43:43,340

having enough people believe that

879

00:43:49,900 --> 00:43:47,590

something is demonic adds to that energy

880

00:43:51,760 --> 00:43:49,910

I'm in our thoughts we know there's

881

00:43:54,520 --> 00:43:51,770

electrical impulses going on in the

882

00:43:58,120 --> 00:43:54,530

brain and our thoughts do have a very

883

00:44:00,700 --> 00:43:58,130

weak energy field but if you have you

884

00:44:02,830 --> 00:44:00,710

know millions of people that are members

885

00:44:08,260 --> 00:44:02,840

of certain religions where they have a

886

00:44:10,270 --> 00:44:08,270

certain belief strong enough absolutely

887

00:44:11,470 --> 00:44:10,280

we better get to our next break you guys

888

00:44:15,280 --> 00:44:11,480

you listen to me Heidi Hollis the

889

00:44:19,460 --> 00:44:17,510

welcome back everybody you're listening

890

00:44:21,350 --> 00:44:19,470

to me Heidi Hollis the Outlander and I

891

00:44:24,350 --> 00:44:21,360

have Marie Dee Jones and we are just

892

00:44:26,300 --> 00:44:24,360

chewing the fat the demon lady is in the

893

00:44:29,390 --> 00:44:26,310

house I thought I was a demon lady well

894

00:44:30,710 --> 00:44:29,400

you wrote the encyclopedia on them what

895

00:44:32,600 --> 00:44:30,720

is the name of that book are you able to

896

00:44:34,850 --> 00:44:32,610

say cause it's coming out later when I

897

00:44:38,060 --> 00:44:34,860

can that one is called demons the devil

898

00:44:41,630 --> 00:44:38,070

and fallen angels and it's it's really

899

00:44:45,350 --> 00:44:41,640

interesting I just had a good time even

900

00:44:49,010 --> 00:44:45,360

though it was grilling me was such a big

901  
00:44:51,890 --> 00:44:49,020  
book to write it was it was so

902  
00:44:54,350 --> 00:44:51,900  
interesting to learn the realities

903  
00:44:59,770 --> 00:44:54,360  
behind I mean I wrote about everything

904  
00:45:02,180 --> 00:44:59,780  
from cults you know satanic cults and

905  
00:45:04,250 --> 00:45:02,190  
the churches Satan and you know

906  
00:45:07,160 --> 00:45:04,260  
modern-day Satanism what it really is

907  
00:45:10,040 --> 00:45:07,170  
and what it what it is in which again is

908  
00:45:11,930 --> 00:45:10,050  
when you see the truth it's so much

909  
00:45:15,620 --> 00:45:11,940  
different from what the media portrays

910  
00:45:18,170 --> 00:45:15,630  
it as and what let's see the most and

911  
00:45:21,260 --> 00:45:18,180  
then I read a lot about exorcisms and

912  
00:45:23,360 --> 00:45:21,270  
possession Oh God come on you got to

913  
00:45:25,960 --> 00:45:23,370

tell us about it's one you've come

914

00:45:28,070 --> 00:45:25,970

across there there are a lot of

915

00:45:30,950 --> 00:45:28,080

exorcisms that I didn't know about I

916

00:45:34,580 --> 00:45:30,960

mean most of them I think for you know

917

00:45:36,950 --> 00:45:34,590

the paranormal person or fan they

918

00:45:39,410 --> 00:45:36,960

they're aware of their work there was

919

00:45:42,650 --> 00:45:39,420

one and I want to say her name was

920

00:45:45,470 --> 00:45:42,660

Latoya I forgot Latoya almonds

921

00:45:48,140 --> 00:45:45,480

AMM ons I believe I forgot a name since

922

00:45:49,640 --> 00:45:48,150

I wrote the book quarterly coke but she

923

00:45:52,010 --> 00:45:49,650

was an American I think she lived

924

00:45:52,610 --> 00:45:52,020

somewhere in California possibly China

925

00:45:55,160 --> 00:45:52,620

remember

926

00:45:58,790 --> 00:45:55,170

but anyway her case involved her kids

927

00:46:02,110 --> 00:45:58,800

her mother just a horrible horrible

928

00:46:05,740 --> 00:46:02,120

stuff and involved a number of exorcism

929

00:46:08,210 --> 00:46:05,750

exorcism attempts to get everything

930

00:46:11,840 --> 00:46:08,220

straightened out and I think to this day

931

00:46:15,310 --> 00:46:11,850

everything is okay and then you know the

932

00:46:19,850 --> 00:46:15,320

regular the usual suspects possessed

933

00:46:25,280 --> 00:46:19,860

houses possessed objects possessed

934

00:46:27,320 --> 00:46:25,290

people and you know what the book had to

935

00:46:29,480 --> 00:46:27,330

be objective so it

936

00:46:32,000 --> 00:46:29,490

like a lot of the other books where I

937

00:46:35,540 --> 00:46:32,010

can speculate and give my opinion

938

00:46:37,430 --> 00:46:35,550

I was able to do that a little bit but

939

00:46:39,260 --> 00:46:37,440

it mostly had to write it objectively

940

00:46:41,930 --> 00:46:39,270

because it was supposed to be sort of

941

00:46:45,020 --> 00:46:41,940

like an encyclopedia you know when did

942

00:46:47,300 --> 00:46:45,030

this happen to whom and and what what

943

00:46:49,850 --> 00:46:47,310

was done and who said what this and that

944

00:46:51,770 --> 00:46:49,860

and so doing that it's going to be

945

00:46:54,470 --> 00:46:51,780

taking a little bit of a detached step

946

00:46:56,270 --> 00:46:54,480

back was really interesting because I

947

00:46:58,130 --> 00:46:56,280

honestly felt like if I'm going to be

948

00:47:01,250 --> 00:46:58,140

writing about possession and am i

949

00:47:04,370 --> 00:47:01,260

opening myself up to it I think I'm

950

00:47:07,310 --> 00:47:04,380

possessed already but but no no I don't

951  
00:47:09,860 --> 00:47:07,320  
want you as a writer I think you have to

952  
00:47:12,860 --> 00:47:09,870  
kind of take on that serve reporter role

953  
00:47:16,460 --> 00:47:12,870  
and and being detached and being able to

954  
00:47:18,740 --> 00:47:16,470  
step back I think allowed me to to write

955  
00:47:22,190 --> 00:47:18,750  
about a lot of that and not be afraid or

956  
00:47:26,450 --> 00:47:22,200  
you know oh my gosh concerned nothing

957  
00:47:33,890 --> 00:47:26,460  
has happened to me during and since the

958  
00:47:35,690 --> 00:47:33,900  
only book nothing nothing only books

959  
00:47:38,510 --> 00:47:35,700  
that I get any kind of harassment for

960  
00:47:39,860 --> 00:47:38,520  
his mind worse and that was I don't know

961  
00:47:43,570 --> 00:47:39,870  
if we ever talked about that that was

962  
00:47:47,720 --> 00:47:43,580  
the book on mind control surveillance

963  
00:47:50,120 --> 00:47:47,730

social engineering and cults you know I

964

00:47:53,510 --> 00:47:50,130

wrote about Church of Scientology and

965

00:47:55,370 --> 00:47:53,520

they've been harassing me ever since and

966

00:47:57,740 --> 00:47:55,380

I had a lot of weird things happen

967

00:48:00,020 --> 00:47:57,750

during the writing of that book and that

968

00:48:02,180 --> 00:48:00,030

to me really drove home that I think

969

00:48:07,000 --> 00:48:02,190

there's so much more to fear from human

970

00:48:09,350 --> 00:48:07,010

beings and then the interdimensional

971

00:48:11,000 --> 00:48:09,360

that's not the case for everybody I know

972

00:48:14,960 --> 00:48:11,010

that there have been a lot of cases of

973

00:48:18,020 --> 00:48:14,970

people being attacked by by entities and

974

00:48:20,570 --> 00:48:18,030

whatnot and I got one for you

975

00:48:23,570 --> 00:48:20,580

because I have I wrote the book on the

976

00:48:26,120 --> 00:48:23,580

Hat man and I was just about to put that

977

00:48:28,160 --> 00:48:26,130

book out and you know I'm a practicing

978

00:48:30,230 --> 00:48:28,170

occupational therapist on top of it all

979

00:48:32,120 --> 00:48:30,240

and you know I would work in these

980

00:48:33,380 --> 00:48:32,130

different facilities and I go into this

981

00:48:35,030 --> 00:48:33,390

one building they're like are you that

982

00:48:37,490 --> 00:48:35,040

crazy lady that writes books on this

983

00:48:39,710 --> 00:48:37,500

stuff I'm like yes I am and like and

984

00:48:40,960 --> 00:48:39,720

they ask me what I write about and I

985

00:48:43,720 --> 00:48:40,970

mentioned you know

986

00:48:45,099 --> 00:48:43,730

shadow people in the Hat man one of the

987

00:48:47,339 --> 00:48:45,109

therapists had to leave the other one

988

00:48:49,750 --> 00:48:47,349

had to bring another patient down and

989

00:48:51,790 --> 00:48:49,760

have them standing up in the parallel

990

00:48:53,800 --> 00:48:51,800

bars to try to get him walking and I

991

00:48:56,559 --> 00:48:53,810

heard that they're opposed shriek and

992

00:48:58,750 --> 00:48:56,569

coming run and get me and tells me to

993

00:49:00,910 --> 00:48:58,760

come out there the patient is pointing

994

00:49:02,620 --> 00:49:00,920

in the mirror saying who's that man in

995

00:49:03,160 --> 00:49:02,630

that black suit talking to me in another

996

00:49:06,280 --> 00:49:03,170

language

997

00:49:08,260 --> 00:49:06,290

he described the Hat man now he did not

998

00:49:10,960 --> 00:49:08,270

hear our conversation he was not down

999

00:49:12,579 --> 00:49:10,970

there so it was terrifying it was

1000

00:49:15,910 --> 00:49:12,589

horrible and then he came the next day

1001  
00:49:21,240 --> 00:49:15,920  
at the same facility it's crazy I mean I

1002  
00:49:27,390 --> 00:49:23,829  
here's a funny thing so my sister lives

1003  
00:49:31,839 --> 00:49:27,400  
next door and their house is haunted

1004  
00:49:34,900 --> 00:49:31,849  
it's not a negative haunting but they've

1005  
00:49:36,880 --> 00:49:34,910  
said they've seen the face of the man

1006  
00:49:38,680 --> 00:49:36,890  
who died you know who died quite a while

1007  
00:49:42,910 --> 00:49:38,690  
ago who lived there before they bought

1008  
00:49:44,800 --> 00:49:42,920  
the house things moving around noises

1009  
00:49:47,349 --> 00:49:44,810  
footsteps going down the hallway door

1010  
00:49:50,020 --> 00:49:47,359  
slamming down the hall when there's

1011  
00:49:51,609 --> 00:49:50,030  
nobody but you know one person home and

1012  
00:49:52,300 --> 00:49:51,619  
my brother-in-law was like just a

1013  
00:49:56,380 --> 00:49:52,310

die-hard

1014

00:49:58,300 --> 00:49:56,390

skeptic saw the man's face in the mirror

1015

00:50:00,970 --> 00:49:58,310

so you know I mean when you haven't

1016

00:50:05,260 --> 00:50:00,980

happened close to home like that nothing

1017

00:50:07,270 --> 00:50:05,270

sinister though just a presence and so

1018

00:50:09,280 --> 00:50:07,280

that you know so then I wonder will

1019

00:50:11,260 --> 00:50:09,290

happen why haven't I had any of these

1020

00:50:13,359 --> 00:50:11,270

experiences because I'm the one writing

1021

00:50:16,390 --> 00:50:13,369

about them all trying to figure out what

1022

00:50:20,020 --> 00:50:16,400

they are and I actually think maybe it's

1023

00:50:23,559 --> 00:50:20,030

possible that because I'm so in litical

1024

00:50:27,130 --> 00:50:23,569

about everything maybe I block the part

1025

00:50:30,670 --> 00:50:27,140

of my brain that would need to be more

1026

00:50:32,920 --> 00:50:30,680

open to be able to perceive it I mean

1027

00:50:37,030 --> 00:50:32,930

that's a possibility you know my dad was

1028

00:50:39,040 --> 00:50:37,040

the same way he wanted so badly to see

1029

00:50:41,620 --> 00:50:39,050

something or have something happen

1030

00:50:44,319 --> 00:50:41,630

because as a scientist he would then

1031

00:50:48,430 --> 00:50:44,329

have that first-hand experience to sort

1032

00:50:50,440 --> 00:50:48,440

of dissect but it never did and so I'm

1033

00:50:52,930 --> 00:50:50,450

wondering if that's part of it

1034

00:50:54,480 --> 00:50:52,940

you know do you have to believe in

1035

00:50:58,680 --> 00:50:54,490

something in order for

1036

00:51:00,270 --> 00:50:58,690

to manifest are there parts of the brain

1037

00:51:03,930 --> 00:51:00,280

that you know it's like if I'm Way too

1038

00:51:05,190 --> 00:51:03,940

left grained and I'm not engaging like

1039

00:51:07,020 --> 00:51:05,200

you know in the middle of the night when

1040

00:51:09,230 --> 00:51:07,030

you wake up you're alright bring your

1041

00:51:12,390 --> 00:51:09,240

left brain is is dead to the world

1042

00:51:15,450 --> 00:51:12,400

that's when I kind of think oh my god my

1043

00:51:22,200 --> 00:51:15,460

same shadows and hearing noises so no

1044

00:51:24,060 --> 00:51:22,210

feeling and I do not look at mirrors so

1045

00:51:28,980 --> 00:51:24,070

there's something else if I'm so

1046

00:51:30,359 --> 00:51:28,990

skeptical about I will not look in the

1047

00:51:35,970 --> 00:51:30,369

mirror if I have to go to the bathroom

1048

00:51:38,970 --> 00:51:35,980

to OB to know you know what could be

1049

00:51:40,890 --> 00:51:38,980

looking back so you know the

1050

00:51:50,400 --> 00:51:40,900

possibilities but here where other

1051

00:51:53,600 --> 00:51:50,410

realities it's my my you know brain

1052

00:51:56,730 --> 00:51:53,610

that's keeping it from happening but

1053

00:51:58,680 --> 00:51:56,740

it's just I I don't really necessarily

1054

00:52:00,240 --> 00:51:58,690

want to see it ghost or anything cuz

1055

00:52:04,140 --> 00:52:00,250

that's like way too close to home you're

1056

00:52:07,650 --> 00:52:04,150

in the house with me no but I would love

1057

00:52:12,300 --> 00:52:07,660

to see something in the sky that you

1058

00:52:15,240 --> 00:52:12,310

know is so just in your face how can I

1059

00:52:18,590 --> 00:52:15,250

deny with this but as long as it doesn't

1060

00:52:22,050 --> 00:52:18,600

come really close and it doesn't land oh

1061

00:52:23,940 --> 00:52:22,060

my gosh so I don't know I'm just a mixed

1062

00:52:25,920 --> 00:52:23,950

up but it's funny because I remember the

1063

00:52:27,990 --> 00:52:25,930

last time I was on the Queen Mary was

1064

00:52:30,960 --> 00:52:28,000

quite a while ago it was with Dave

1065

00:52:33,030 --> 00:52:30,970

Schrader and he kind of poked me we were

1066

00:52:35,460 --> 00:52:33,040

up on the top of the pool area and

1067

00:52:36,870 --> 00:52:35,470

somebody was doing their thing down at

1068

00:52:39,060 --> 00:52:36,880

the bottom trying to communicate with

1069

00:52:41,880 --> 00:52:39,070

the little girl her name was supposed to

1070

00:52:44,040 --> 00:52:41,890

be Kathy whatever and he kind of poked

1071

00:52:53,370 --> 00:52:44,050

me in the back and I was like what and

1072

00:52:56,250 --> 00:52:53,380

just for that minute I believed but I

1073

00:52:59,970 --> 00:52:56,260

believe I believe in everything that

1074

00:53:04,670 --> 00:52:59,980

everything is possible but I will not

1075

00:53:11,400 --> 00:53:08,220

explanation without some kind of

1076  
00:53:14,250 --> 00:53:11,410  
backing or proof that's where I kind of

1077  
00:53:17,130 --> 00:53:14,260  
run into trouble with people that are oh

1078  
00:53:20,190 --> 00:53:17,140  
my god it was a demon you know how do

1079  
00:53:25,190 --> 00:53:20,200  
you know was it your own negative energy

1080  
00:53:31,520 --> 00:53:25,200  
projecting outward you know your your

1081  
00:53:35,880 --> 00:53:33,569  
interdimensional being that you just

1082  
00:53:39,690 --> 00:53:35,890  
didn't understand but it really wasn't

1083  
00:53:41,520 --> 00:53:39,700  
evil it just was scary you know I don't

1084  
00:53:43,500 --> 00:53:41,530  
want it don't limit it unless you can

1085  
00:53:46,290 --> 00:53:43,510  
show me proof of what you're saying it

1086  
00:53:50,069 --> 00:53:46,300  
is right right my goodness

1087  
00:53:53,370 --> 00:53:50,079  
so you're on one side of the fence or

1088  
00:53:56,970 --> 00:53:53,380

well when it comes to this stuff but not

1089

00:54:03,150 --> 00:53:56,980

really I mean you're the site coming

1090

00:54:05,849 --> 00:54:03,160

down you know when it comes to odd

1091

00:54:07,740 --> 00:54:05,859

topics I never aim to go out of my way

1092

00:54:09,270 --> 00:54:07,750

to try to prove anything to anybody just

1093

00:54:11,160 --> 00:54:09,280

for people that take and weigh their

1094

00:54:13,140 --> 00:54:11,170

options and figure it out for themselves

1095

00:54:15,240 --> 00:54:13,150

and I think that's a healthy way to go

1096

00:54:17,309 --> 00:54:15,250

about it too and it's also entirely

1097

00:54:20,030 --> 00:54:17,319

possible that the explanations are

1098

00:54:23,040 --> 00:54:20,040

individual wouldn't that be really wild

1099

00:54:25,800 --> 00:54:23,050

that our individual realities have the

1100

00:54:27,809 --> 00:54:25,810

power to create yeah we're experiencing

1101

00:54:29,339 --> 00:54:27,819

it's not gonna be the same for the

1102

00:54:31,950 --> 00:54:29,349

person next to us because it's not

1103

00:54:34,430 --> 00:54:31,960

supposed to be then those kind of things

1104

00:54:38,250 --> 00:54:34,440

really are fun for me to think about

1105

00:54:40,440 --> 00:54:38,260

because it engages us I don't I think

1106

00:54:43,109 --> 00:54:40,450

for me the biggest thing is that I don't

1107

00:54:46,530 --> 00:54:43,119

believe necessarily that these are

1108

00:54:51,270 --> 00:54:46,540

things that are happening to us totally

1109

00:54:54,089 --> 00:54:51,280

externally without any input from us you

1110

00:54:57,120 --> 00:54:54,099

know it's part of the equation I think

1111

00:54:59,460 --> 00:54:57,130

and and Larry Flaxman and I wrote a book

1112

00:55:02,819 --> 00:54:59,470

called the grid where we talk about the

1113

00:55:05,190 --> 00:55:02,829

internal and the external what's going

1114

00:55:07,680 --> 00:55:05,200

on physiologically in the human body and

1115

00:55:10,230 --> 00:55:07,690

the mind consciousness whatever and

1116

00:55:14,250 --> 00:55:10,240

what's going on it's generally invited

1117

00:55:16,410 --> 00:55:14,260

the environment that perhaps those two

1118

00:55:19,620 --> 00:55:16,420

need to be aligned together in a

1119

00:55:21,599 --> 00:55:19,630

particular way for this stuff to be able

1120

00:55:23,700 --> 00:55:21,609

to come through the door and

1121

00:55:27,049 --> 00:55:23,710

that's why it's so elusive it's not

1122

00:55:30,180 --> 00:55:27,059

supposed to be a 24/7 part of our lives

1123

00:55:34,319 --> 00:55:30,190

because I think we would probably you

1124

00:55:37,769 --> 00:55:34,329

know have an issue go crazy Oh

1125

00:55:39,509 --> 00:55:37,779

many people have I'm sure that you've

1126

00:55:41,579 --> 00:55:39,519

gotten some the emails that I get it's

1127

00:55:43,710 --> 00:55:41,589

like I mean it rips your heart out

1128

00:55:47,160 --> 00:55:43,720

people that are aware of other realities

1129

00:55:49,559 --> 00:55:47,170

and there's no isolated analyst right

1130

00:55:53,069 --> 00:55:49,569

and they they feel like they can't focus

1131

00:55:54,690 --> 00:55:53,079

on the conscious reality of now where

1132

00:55:56,670 --> 00:55:54,700

they have to work a job and take care of

1133

00:55:59,339 --> 00:55:56,680

their family and their health habla yeah

1134

00:56:02,940 --> 00:55:59,349

that's I think why we may have

1135

00:56:06,269 --> 00:56:02,950

physiologically been built to experience

1136

00:56:08,269 --> 00:56:06,279

this stuff very erratically because

1137

00:56:11,670 --> 00:56:08,279

we're not supposed to have that

1138

00:56:13,769 --> 00:56:11,680

happening all the time it's like deja vu

1139

00:56:17,849 --> 00:56:13,779

I love - Oh hugs I think that's such a

1140

00:56:19,769 --> 00:56:17,859

gateway paranormal experience yes I mean

1141

00:56:22,579 --> 00:56:19,779

could you imagine feeling that way all

1142

00:56:25,079 --> 00:56:22,589

the time you want to be able to function

1143

00:56:26,960 --> 00:56:25,089

correct have it every now and then it's

1144

00:56:29,269 --> 00:56:26,970

just to me like a reminder of hey

1145

00:56:32,640 --> 00:56:29,279

there's another level of reality

1146

00:56:34,259 --> 00:56:32,650

operating here peekaboo you know what do

1147

00:56:35,940 --> 00:56:34,269

you think they are to me I feel like

1148

00:56:38,430 --> 00:56:35,950

it's letting me know I'm right where I'm

1149

00:56:40,859 --> 00:56:38,440

supposed to be and my deja Vu's let me

1150

00:56:46,499 --> 00:56:40,869

know like what's going to happen next

1151  
00:56:48,150 --> 00:56:46,509  
it's not yes familiar I always thought

1152  
00:56:49,670 --> 00:56:48,160  
that they were that I was seeing myself

1153  
00:56:52,170 --> 00:56:49,680  
in a parallel universe

1154  
00:56:54,839 --> 00:56:52,180  
and were the timeline there was just a

1155  
00:56:57,029 --> 00:56:54,849  
little bit ahead or the timeline here

1156  
00:57:00,450 --> 00:56:57,039  
actually because it would be reverse

1157  
00:57:02,989 --> 00:57:00,460  
so I me here in this reality would be

1158  
00:57:05,549 --> 00:57:02,999  
like a fraction of a second ahead of

1159  
00:57:08,339 --> 00:57:05,559  
what I was having the deja vu the other

1160  
00:57:10,200 --> 00:57:08,349  
reality and that's why you can kind of

1161  
00:57:12,150 --> 00:57:10,210  
predict what the next words are going to

1162  
00:57:14,970 --> 00:57:12,160  
be out of the person's mouth while

1163  
00:57:17,460 --> 00:57:14,980

you're having deja vu or oh and deja vu

1164

00:57:19,079 --> 00:57:17,470

that door open the door opened so

1165

00:57:21,239 --> 00:57:19,089

there's a little really you know

1166

00:57:23,579 --> 00:57:21,249

fraction of a second precognitive

1167

00:57:26,690 --> 00:57:23,589

element to it that I think is so

1168

00:57:30,059 --> 00:57:26,700

indicative of the fact that we might be

1169

00:57:32,160 --> 00:57:30,069

and come on you know physicists are

1170

00:57:34,420 --> 00:57:32,170

saying that there may be an infinite

1171

00:57:37,390 --> 00:57:34,430

number of parallel universes and we

1172

00:57:38,079 --> 00:57:37,400

are going to exist in an awful lot of

1173

00:57:41,200 --> 00:57:38,089

them

1174

00:57:43,059 --> 00:57:41,210

so what stops the one where we're almost

1175

00:57:45,730 --> 00:57:43,069

doing the exact same thing that we're

1176

00:57:47,020 --> 00:57:45,740

doing in this one from manifesting every

1177

00:57:49,180 --> 00:57:47,030

now and then through day show though

1178

00:57:51,609 --> 00:57:49,190

it's almost like maybe our brains are

1179

00:57:52,630 --> 00:57:51,619

thinking up the two universes just for a

1180

00:57:55,150 --> 00:57:52,640

few seconds

1181

00:57:57,190 --> 00:57:55,160

but you know it makes sense now I don't

1182

00:57:59,230 --> 00:57:57,200

know if you heard this but other

1183

00:58:02,470 --> 00:57:59,240

universes are going to become our

1184

00:58:04,329 --> 00:58:02,480

reality soon I hope I'm sure you've

1185

00:58:06,370 --> 00:58:04,339

heard the chatter about the secret space

1186

00:58:08,020 --> 00:58:06,380

program and how we've been going out to

1187

00:58:11,859 --> 00:58:08,030

the moon and whatever for a long time

1188

00:58:14,620 --> 00:58:11,869

just not announcing it well

1189

00:58:17,410 --> 00:58:14,630

the hacktivist group whom i had on i had

1190

00:58:20,319 --> 00:58:17,420

a representative from anonymous come on

1191

00:58:24,579 --> 00:58:20,329

my show a few weeks ago it was really

1192

00:58:26,380 --> 00:58:24,589

cool and and they have released that you

1193

00:58:28,030 --> 00:58:26,390

know they'd like to tap into NASA every

1194

00:58:33,040 --> 00:58:28,040

once in a while the hacktivists group

1195

00:58:37,240 --> 00:58:33,050

right what's going on they said it looks

1196

00:58:39,520 --> 00:58:37,250

like NASA is preparing to announce that

1197

00:58:40,960 --> 00:58:39,530

aliens are in existence and they have

1198

00:58:43,030 --> 00:58:40,970

found some other colonies

1199

00:58:45,549 --> 00:58:43,040

that's something yeah I heard that

1200

00:58:47,170 --> 00:58:45,559

what's his name Steven Greer I see the

1201

00:58:49,359 --> 00:58:47,180

one that I see all the time talking

1202

00:58:52,690 --> 00:58:49,369

about this big announcement coming and

1203

00:58:55,270 --> 00:58:52,700

disclose TV is always talking about it

1204

00:58:57,579 --> 00:58:55,280

on Facebook the only problem I have with

1205

00:58:59,170 --> 00:58:57,589

that is that I've heard it before you

1206

00:59:01,329 --> 00:58:59,180

know we've heard that claim before

1207

00:59:03,190 --> 00:59:01,339

disclosure is imminent it's gonna happen

1208

00:59:05,349 --> 00:59:03,200

it was supposed to happen at the next

1209

00:59:06,849 --> 00:59:05,359

the last election it was supposed to

1210

00:59:10,359 --> 00:59:06,859

happen when Barack Obama got elected

1211

00:59:16,720 --> 00:59:10,369

we're gonna finally have disclosure I'll

1212

00:59:18,819 --> 00:59:16,730

believe it when I see it we'll do a show

1213

00:59:23,740 --> 00:59:18,829

that will be so bad but the battle I

1214

00:59:26,230 --> 00:59:23,750

have is the human reaction right I think

1215

00:59:28,630 --> 00:59:26,240

about this before how many people would

1216

00:59:30,730 --> 00:59:28,640

get how do you think they would respond

1217

00:59:32,680 --> 00:59:30,740

I I think people are handling it okay

1218

00:59:37,180 --> 00:59:32,690

that are in the military so why wouldn't

1219

00:59:39,730 --> 00:59:37,190

the public do okay fundamentalist

1220

00:59:43,299 --> 00:59:39,740

religious people who have their concept

1221

00:59:45,250 --> 00:59:43,309

of God in creation you're gonna put them

1222

00:59:49,120 --> 00:59:45,260

in arena and we're gonna lock the doors

1223

00:59:55,900 --> 00:59:52,169

politically there may be jockeying for

1224

00:59:58,390 --> 00:59:55,910

well who's gonna get to you know cozy up

1225

01:00:01,959 --> 00:59:58,400

to these aliens and and strike some

1226

01:00:03,640 --> 01:00:01,969

deals with weapons deals with them I'm

1227

01:00:07,689 --> 01:00:03,650

naturally laughing but it's it's you

1228

01:00:09,669 --> 01:00:07,699

know it's true yeah I think yeah is it

1229

01:00:11,439 --> 01:00:09,679

gonna change the is it gonna change our

1230

01:00:13,419 --> 01:00:11,449

day to day lives to the point where

1231

01:00:15,189 --> 01:00:13,429

you'll have a lot of people panicking

1232

01:00:18,219 --> 01:00:15,199

because well do we know for sure that

1233

01:00:20,499 --> 01:00:18,229

they're friends or maybe I better stock

1234

01:00:22,749 --> 01:00:20,509

up on food and water just in case and

1235

01:00:27,459 --> 01:00:22,759

you know go get all my cash out of the

1236

01:00:31,120 --> 01:00:27,469

bank and III I don't hate to say it but

1237

01:00:38,469 --> 01:00:31,130

I don't have a lot of faith in humanity

1238

01:00:40,660 --> 01:00:38,479

that they would respond accordingly some

1239

01:00:43,719 --> 01:00:40,670

of us would go oh yeah alright big deal

1240

01:00:46,349 --> 01:00:43,729

we knew you know Marie I think we'll be

1241

01:00:54,009 --> 01:00:46,359

fine once we see what they taste like

1242

01:00:57,160 --> 01:00:54,019

come on the grill if it was barbecue or

1243

01:01:00,400 --> 01:00:57,170

teriyaki sauce and then we'll figure out

1244

01:01:04,559 --> 01:01:00,410

how we want to work things out no carbs

1245

01:01:13,120 --> 01:01:09,120

piece of toast in all of California I'm

1246

01:01:15,339 --> 01:01:13,130

swear I just went there recently and I'm

1247

01:01:23,319 --> 01:01:15,349

like anybody got a piece of good Lord

1248

01:01:30,849 --> 01:01:23,329

where's the breadbasket be skinny

1249

01:01:35,679 --> 01:01:30,859

forever this way to goodness yeah I just

1250

01:01:37,719 --> 01:01:35,689

you know I don't know anything really

1251

01:01:39,579 --> 01:01:37,729

big happens in the world everybody comes

1252

01:01:41,859 --> 01:01:39,589

together and then two weeks later

1253

01:01:44,199 --> 01:01:41,869

everybody wants to kill each other right

1254

01:01:45,819 --> 01:01:44,209

now after 9/11 everybody came together

1255

01:01:48,400 --> 01:01:45,829

for like a week or two

1256

01:01:51,130 --> 01:01:48,410

and then let's kill the Muslims let's

1257

01:01:54,519 --> 01:01:51,140

kill all the blogs let's kill no and

1258

01:02:00,009 --> 01:01:54,529

then we become our normal selves so

1259

01:02:01,900 --> 01:02:00,019

hopefully the good daddy where do babies

1260

01:02:05,620 --> 01:02:01,910

come from

1261

01:02:08,439 --> 01:02:05,630

well honey mommy went to the store oh

1262

01:02:12,279 --> 01:02:08,449

well you see um well there's a mommy and

1263

01:02:13,089 --> 01:02:12,289

a daddy right and see when they call

1264

01:02:15,219 --> 01:02:13,099

Geico

1265

01:02:16,630 --> 01:02:15,229

they could save a bunch of money on car

1266

01:02:18,910 --> 01:02:16,640

insurance oh really

1267

01:02:21,939 --> 01:02:18,920

and that makes them happy yes that makes

1268

01:02:23,079 --> 01:02:21,949

them very happy that's good yeah well

1269

01:02:24,999 --> 01:02:23,089

I'm glad we could have this talk

1270

01:02:26,620 --> 01:02:25,009

sunshine Geico

1271

01:02:29,529 --> 01:02:26,630

because saving 15% or more on car

1272

01:02:33,759 --> 01:02:29,539

insurance is always a great answer rise

1273

01:02:35,289 --> 01:02:33,769

above but I don't know that's kind and I

1274

01:02:39,699 --> 01:02:35,299

think disclosure is such a fascinating

1275

01:02:42,219 --> 01:02:39,709

subject because of wondering how not

1276

01:02:44,319 --> 01:02:42,229

just how it's gonna play out or what the

1277

01:02:47,829 --> 01:02:44,329

aliens quote-unquote would be like but

1278

01:02:49,900 --> 01:02:47,839

how humanity will well accept it

1279

01:02:52,749 --> 01:02:49,910

deal with it know I'll be passing the

1280

01:02:58,959 --> 01:02:52,759

kool-aid out you know it but the rest of

1281

01:03:02,559 --> 01:02:58,969

us okay I mean I don't know you might

1282

01:03:04,449 --> 01:03:02,569

just have more faith in humanity I'm

1283

01:03:06,039 --> 01:03:04,459

just gonna push them off the edge of the

1284

01:03:16,420 --> 01:03:06,049

planet if they can't get with the

1285

01:03:19,209 --> 01:03:16,430

program that's all really interesting if

1286

01:03:20,979 --> 01:03:19,219

there was some truth to the fact that it

1287

01:03:24,849 --> 01:03:20,989

you know it's supposed to happen soon

1288

01:03:27,249 --> 01:03:24,859

cuz I feel like maybe ninety and they're

1289

01:03:31,539 --> 01:03:27,259

gonna be saying yes well disclosure is

1290

01:03:34,359 --> 01:03:31,549

imminent yes that way 20 years ago I

1291

01:03:35,859 --> 01:03:34,369

haven't I haven't seen anonymous making

1292

01:03:37,959 --> 01:03:35,869

announcement before like that I don't

1293

01:03:40,559 --> 01:03:37,969

know I'm just getting more attuned to

1294

01:03:43,749 --> 01:03:40,569

them and I mean they don't make a

1295

01:03:45,430 --> 01:03:43,759

something they found I don't know

1296

01:03:46,989 --> 01:03:45,440

because they mean a lot of times they

1297

01:03:49,779 --> 01:03:46,999

make claims and then you never hear

1298

01:03:51,759 --> 01:03:49,789

again what you know what's like what's

1299

01:03:54,309 --> 01:03:51,769

going on if WikiLeaks says that I'll

1300

01:03:57,130 --> 01:03:54,319

believe it and I will panic and actually

1301

01:04:00,279 --> 01:03:57,140

the funny thing is is that the WikiLeaks

1302

01:04:04,689 --> 01:04:00,289

documents there was an awful lot of

1303

01:04:06,699 --> 01:04:04,699

stuff about UFOs and aliens so that does

1304

01:04:10,630 --> 01:04:06,709

you know that does kind of give me pause

1305

01:04:13,299 --> 01:04:10,640

because there's obviously a secret

1306

01:04:14,580 --> 01:04:13,309

program big quotation marks around

1307

01:04:16,710 --> 01:04:14,590

program

1308

01:04:19,260 --> 01:04:16,720

that's been going on forever we kind we

1309

01:04:22,640 --> 01:04:19,270

knew that you know we do right we just

1310

01:04:26,040 --> 01:04:22,650

maybe don't know are still are they

1311

01:04:29,970 --> 01:04:26,050

friends or are they foe or they neither

1312

01:04:33,600 --> 01:04:29,980

or are they you know even humanoid or

1313

01:04:35,390 --> 01:04:33,610

what but we'll see I just remember right

1314

01:04:39,060 --> 01:04:35,400

like right before Obama got elected

1315

01:04:42,180 --> 01:04:39,070

there was so much buzz in the UFO

1316

01:04:44,460 --> 01:04:42,190

community about disclosure and then in

1317

01:04:46,740 --> 01:04:44,470

this election when they thought it was

1318

01:04:49,920 --> 01:04:46,750

going to be Hillary if she you know that

1319

01:04:52,290 --> 01:04:49,930

she had even said I will oh you know

1320

01:04:56,550 --> 01:04:52,300

disclose and of course no president can

1321

01:04:58,080 --> 01:04:56,560

do that it's not up to them so I don't

1322

01:05:00,720 --> 01:04:58,090

know maybe we're at a point where it's

1323

01:05:03,300 --> 01:05:00,730

just gonna happen because so many people

1324

01:05:04,800 --> 01:05:03,310

already kind of suspect what's going on

1325

01:05:07,230 --> 01:05:04,810

either you tell us the truth

1326

01:05:10,170 --> 01:05:07,240

or you're gonna be dealing with the

1327

01:05:13,170 --> 01:05:10,180

fallout of people believing a million

1328

01:05:16,740 --> 01:05:13,180

different lies which I don't know is

1329

01:05:20,130 --> 01:05:16,750

such a good thing yeah very true well

1330

01:05:21,690 --> 01:05:20,140

you know I have to ask you are a busy

1331

01:05:26,840 --> 01:05:21,700

lady I bet you're typing up on a book

1332

01:05:34,590 --> 01:05:30,590

I knew it I knew it

1333

01:05:36,420 --> 01:05:34,600

tentacles are working what what what are

1334

01:05:37,680 --> 01:05:36,430

your next projects I mean that I mean

1335

01:05:39,270 --> 01:05:37,690

you you're pretty busy with your

1336

01:05:41,220 --> 01:05:39,280

television series I mean they are

1337

01:05:43,800 --> 01:05:41,230

they're happening these there's two of

1338

01:05:45,660 --> 01:05:43,810

them they're happening there's three in

1339

01:05:48,090 --> 01:05:45,670

particular that look like they're gonna

1340

01:05:51,810 --> 01:05:48,100

happen but again never you know I'm not

1341

01:05:53,670 --> 01:05:51,820

gonna I'm I'm excited but I'm also

1342

01:05:57,210 --> 01:05:53,680

tempered because I've been down this

1343

01:05:59,070 --> 01:05:57,220

road many times so the demon book will

1344

01:06:03,180 --> 01:05:59,080

come out in September the power of

1345

01:06:05,540 --> 01:06:03,190

archetypes comes out later in July and

1346

01:06:07,980 --> 01:06:05,550

the book that I'm working on now is a

1347

01:06:11,220 --> 01:06:07,990

completely different thing it is an

1348

01:06:14,400 --> 01:06:11,230

emergency survival manual because I'm

1349

01:06:18,180 --> 01:06:14,410

trained in disaster preparedness and

1350

01:06:19,830 --> 01:06:18,190

response through FEMA through their cert

1351  
01:06:21,810 --> 01:06:19,840  
program which is Community Emergency

1352  
01:06:25,690 --> 01:06:21,820  
Response Teams I have training in

1353  
01:06:28,600 --> 01:06:25,700  
everything and so I I was

1354  
01:06:31,060 --> 01:06:28,610  
approach to write again an encyclopedic

1355  
01:06:35,170 --> 01:06:31,070  
manual of how to survive different

1356  
01:06:37,180 --> 01:06:35,180  
disasters and emergency situations say

1357  
01:06:40,150 --> 01:06:37,190  
it's not paranormal at all

1358  
01:06:43,270 --> 01:06:40,160  
are you sure because Jesse Ventura says

1359  
01:06:46,630 --> 01:06:43,280  
they're gathering those FEMA camps right

1360  
01:06:50,890 --> 01:06:46,640  
as we speak to throw us in them they

1361  
01:06:53,530 --> 01:06:50,900  
said that like 10 years ago they said

1362  
01:06:55,690 --> 01:06:53,540  
that five years ago they said that three

1363  
01:07:01,260 --> 01:06:55,700

years ago yeah they said that during

1364

01:07:10,390 --> 01:07:01,270

what was it the the drill Jade Oh God

1365

01:07:12,640 --> 01:07:10,400

the Jade drills few years ago these

1366

01:07:14,830 --> 01:07:12,650

camp are popping over all over I mean

1367

01:07:16,750 --> 01:07:14,840

she went you know there's one out here

1368

01:07:19,570 --> 01:07:16,760

there's one out in Menifee here just

1369

01:07:27,150 --> 01:07:19,580

east of me oh you'll be safely taken

1370

01:07:31,090 --> 01:07:27,160

care of over there then they're more for

1371

01:07:33,160 --> 01:07:31,100

deportation of immigrants had if the you

1372

01:07:34,830 --> 01:07:33,170

know immigration laws got ever got

1373

01:07:37,510 --> 01:07:34,840

really strict but I don't know who knows

1374

01:07:39,580 --> 01:07:37,520

who knows what they could be but the

1375

01:07:42,460 --> 01:07:39,590

thing is is you know survivalists and

1376

01:07:45,340 --> 01:07:42,470

Preppers they actually are not as crazy

1377

01:07:47,230 --> 01:07:45,350

as we think they are and so I joined

1378

01:07:48,610 --> 01:07:47,240

some prepper communities just to learn

1379

01:07:59,340 --> 01:07:48,620

about what are some of the ways that

1380

01:08:03,610 --> 01:08:02,020

I went through so many earthquakes and I

1381

01:08:06,010 --> 01:08:03,620

worked for Warner Brothers and as a

1382

01:08:10,210 --> 01:08:06,020

company they wanted every employee

1383

01:08:12,100 --> 01:08:10,220

trained in surviving an emergency so I

1384

01:08:18,850 --> 01:08:12,110

got training through Burbank firemen

1385

01:08:26,110 --> 01:08:18,860

police office no problem I rescue your

1386

01:08:28,330 --> 01:08:26,120

but in any situation any with a son who

1387

01:08:30,370 --> 01:08:28,340

had a disability I was like there's no

1388

01:08:32,350 --> 01:08:30,380

way I'm ever gonna be helpless I'm gonna

1389

01:08:34,840 --> 01:08:32,360

learn everything I need to do if

1390

01:08:37,450 --> 01:08:34,850

something happens for me and my kid so

1391

01:08:39,459 --> 01:08:37,460

there's a lot of motives behind that you

1392

01:08:41,229 --> 01:08:39,469

are mind blowing and you're so versatile

1393

01:08:45,459 --> 01:08:41,239

and you're so freakin smart and you're

1394

01:08:49,059 --> 01:08:45,469

hilarious hilarious comedian but I don't

1395

01:09:00,400 --> 01:08:49,069

like standing up sitting down writing

1396

01:09:02,559 --> 01:09:00,410

books lately you are so I just I love

1397

01:09:06,849 --> 01:09:02,569

everything that you do and I love the

1398

01:09:09,220 --> 01:09:06,859

spirit I mean honestly the people you

1399

01:09:14,019 --> 01:09:09,230

really are I have thank you so much for

1400

01:09:15,579 --> 01:09:14,029

coming on this show you know people

1401  
01:09:18,039 --> 01:09:15,589  
gotta go to yours with your sight Marie

1402  
01:09:20,410 --> 01:09:18,049  
D Jones com

1403  
01:09:23,559 --> 01:09:20,420  
you got a gazillion projects coming out

1404  
01:09:25,329 --> 01:09:23,569  
TV shows films and books and I don't

1405  
01:09:25,660 --> 01:09:25,339  
know maybe you'll make cupcakes one day

1406  
01:09:28,150 --> 01:09:25,670  
too

1407  
01:09:32,200 --> 01:09:28,160  
who knows it's not cook or bake to save

1408  
01:09:34,499 --> 01:09:32,210  
my life so where do you think will never

1409  
01:09:37,630 --> 01:09:34,509  
have to eat her cooking all right

1410  
01:09:39,490 --> 01:09:37,640  
opening any restaurants anytime soon all

1411  
01:09:41,289 --> 01:09:39,500  
right

1412  
01:09:42,789 --> 01:09:41,299  
we've come to the bottom of another show

1413  
01:09:45,309 --> 01:09:42,799

remember you could catch me here every

1414

01:09:46,240 --> 01:09:45,319

Friday 8:00 p.m. central 9 p.m. Eastern

1415

01:09:47,829 --> 01:09:46,250

you've been listening to me how do you

1416

01:09:50,050 --> 01:09:47,839

house the outlander remembering always

1417

01:09:51,190 --> 01:09:50,060

if it's weird we're here good night

1418

01:10:07,380 --> 01:09:51,200

everybody

1419

01:10:09,520 --> 01:10:07,390

[Music]

1420

01:10:11,310 --> 01:10:09,530

okay keep your eyes closed okay
