77

00:04:57,540 --> 00:04:55,060

Jersey Devil is a prominent cryptid you

78

00:04:59,030 --> 00:04:57,550

wrote a book on the subject I encourage

79

00:05:02,580 --> 00:04:59,040

everyone to check it out it's called

80

00:05:04,050 --> 00:05:02,590

search for the Jersey Devil but for

81

00:05:05,159 --> 00:05:04,060

those who don't know who you are

82

00:05:10,170 --> 00:05:05,169

could you tell us a little about

83

00:05:13,170 --> 00:05:10,180

yourself to start off oh yes probably

84

00:05:16,529 --> 00:05:13,180

about in 2010 we started out writing

85

00:05:21,090 --> 00:05:16,539

about various abandoned places and then

86

00:05:22,740 --> 00:05:21,100

around 2003 we started doing the

87

00:05:26,580 --> 00:05:22,750

documentaries concerning the Jersey

88

00:05:31,590 --> 00:05:26,590

Devil and we released that in 2015 one

89
00:05:34,290 --> 00:05:31,600
DVD and many short documentaries on the

90
00:05:35,969 --> 00:05:34,300
Internet itself on YouTube yeah we watch

91
00:05:38,430 --> 00:05:35,979
your channel and enjoy it

92
00:05:43,350 --> 00:05:38,440
yeah great Channel by the way can you

93
00:05:45,330 --> 00:05:43,360
thank you so everyone knows I'm sorry

94
00:05:47,640 --> 00:05:45,340
well that you can you see the name of

95
00:05:50,640 --> 00:05:47,650
the channel the YouTube channel yeah the

96
00:05:52,500 --> 00:05:50,650
channel it's under access video that's

97
00:05:54,740 --> 00:05:52,510
where we put out our paranormal videos

98
00:05:57,330 --> 00:05:54,750
what was it about the legend that

99
00:05:59,040 --> 00:05:57,340
prompted you to study and eventually

100
00:06:03,450 --> 00:05:59,050
write about the Jersey Devil in

101
00:06:05,940 --> 00:06:03,460
particular well pretty much eyelids New

102
00:06:08,219 --> 00:06:05,950
Jersey all my life and it was just a

103
00:06:11,010 --> 00:06:08,229
legend that was constantly there that

104
00:06:12,630 --> 00:06:11,020
you always heard about and it just I had

105
00:06:13,710 --> 00:06:12,640
a great interest in it so we decided to

106
00:06:18,570 --> 00:06:13,720
do a documentary

107
00:06:21,210 --> 00:06:18,580
on the subject of the Jersey Devil and I

108
00:06:24,390 --> 00:06:21,220
know most people know what the Jersey

109
00:06:26,640 --> 00:06:24,400
Devil is but there may be some people

110
00:06:28,290 --> 00:06:26,650
that they've heard of it but they're not

111
00:06:34,200 --> 00:06:28,300
exactly sure what we're talking about

112
00:06:40,910 --> 00:06:34,210
and so would you be so kind as to I

113
00:06:42,960 --> 00:06:40,920

guess just walk us through the you know

114

00:06:46,110 --> 00:06:42,970

how would you describe the creature

115

00:06:49,050 --> 00:06:46,120

based on what you know yeah there

116

00:06:50,910 --> 00:06:49,060

actually are probably close to 20

117

00:06:54,030 --> 00:06:50,920

different versions depending on who

118

00:06:59,010 --> 00:06:54,040

you're listening to but the most common

119

00:07:01,980 --> 00:06:59,020

one is back in 1930 1735 mother Leeds

120

00:07:05,370 --> 00:07:01,990

who was Deborah Leeds gave birth to her

121

00:07:08,730 --> 00:07:05,380

13th child and she was tired of having

122

00:07:11,370 --> 00:07:08,740

children having 12 before that and she

123

00:07:12,540 --> 00:07:11,380

cursed it as being the devil and then

124

00:07:15,240 --> 00:07:12,550

once the child was born

125

00:07:16,800 --> 00:07:15,250

it became the Jersey Devil and legend

126

00:07:20,490 --> 00:07:16,810

has it that it flew through the chimney

127

00:07:21,990 --> 00:07:20,500

and went out to the Pine Barrens and you

128

00:07:28,530 --> 00:07:22,000

know it started all the legends that

129

00:07:31,320 --> 00:07:28,540

came afterwards you know I've always

130

00:07:34,890 --> 00:07:31,330

wondered why the Leeds family was

131

00:07:36,659 --> 00:07:34,900

specifically the family to you know end

132

00:07:40,830 --> 00:07:36,669

up with with that legend and their

133

00:07:42,570 --> 00:07:40,840

family opposed any other family I it

134

00:07:48,870 --> 00:07:42,580

seems to me most everybody accepts that

135

00:07:52,530 --> 00:07:48,880

as folklore opposed him back you know

136

00:07:55,700 --> 00:07:52,540

even a modern-day you know how the story

137

00:08:00,270 --> 00:07:55,710

is described isn't really feasible

138

00:08:02,310 --> 00:08:00,280

necessarily is there any reader have you

139

00:08:05,490 --> 00:08:02,320

talked to any of the leads is there any

140

00:08:07,409 --> 00:08:05,500

reason why their family was one that

141

00:08:10,530 --> 00:08:07,419

ended up with that because it's kind of

142

00:08:12,900 --> 00:08:10,540

like a stigma in a sense it definitely

143

00:08:16,409 --> 00:08:12,910

is a stigma they were a very prominent

144

00:08:18,350 --> 00:08:16,419

family during that time period and they

145

00:08:21,469 --> 00:08:18,360

broke off from the church which was

146

00:08:25,350 --> 00:08:21,479

predominately Quakers they became

147

00:08:27,480 --> 00:08:25,360

Episcopalian and that you know so to say

148

00:08:30,600 --> 00:08:27,490

Mead the other people

149

00:08:35,459 --> 00:08:30,610

but mad so they possibly started some

150

00:08:38,730 --> 00:08:35,469

rumors if you actually read a Brian of

151
00:08:41,159 --> 00:08:38,740
area Brian Regal of teen University he

152
00:08:43,940 --> 00:08:41,169
goes into great detail concerning the

153
00:08:47,699 --> 00:08:43,950
political slander of the Leeds family

154
00:08:51,000 --> 00:08:47,709
there are like you said several theories

155
00:08:52,050 --> 00:08:51,010
as to what the Jersey Devil we should we

156
00:08:56,970 --> 00:08:52,060
should probably explore some of them

157
00:08:59,460 --> 00:08:56,980
what are what are the uh as far as uh

158
00:09:02,449 --> 00:08:59,470
which one are you most comfortable with

159
00:09:05,790 --> 00:09:02,459
I guess that's a good place to start

160
00:09:07,260 --> 00:09:05,800
why do believe it could be political

161
00:09:09,570 --> 00:09:07,270
slander where they're trying to slander

162
00:09:12,079 --> 00:09:09,580
the family itself which is the most you

163
00:09:14,880 --> 00:09:12,089

know probably the most logical reason

164

00:09:18,060 --> 00:09:14,890

the second one it's possible that the

165

00:09:20,540 --> 00:09:18,070

family did have the form child which you

166

00:09:23,730 --> 00:09:20,550

know possibly had a birth defect and you

167

00:09:26,579 --> 00:09:23,740

know they thought maybe the family was

168

00:09:28,199 --> 00:09:26,589

involved in witchcraft absolutely

169

00:09:30,570 --> 00:09:28,209

splintered a family in that manner and

170

00:09:32,610 --> 00:09:30,580

then there's other logical theories that

171

00:09:36,900 --> 00:09:32,620

it could have possibly been a sandhill

172

00:09:41,069 --> 00:09:36,910

crane a hammerhead bat possibly a

173

00:09:43,260 --> 00:09:41,079

pterodactyl these are very widespread

174

00:09:49,829 --> 00:09:43,270

claims that people think that possibly

175

00:09:52,110 --> 00:09:49,839

be the Jersey Devil right I mean we were

176

00:09:55,110 --> 00:09:52,120

I think last time we watch the

177

00:09:56,850 --> 00:09:55,120

documentary they had mentioned owl

178

00:09:59,370 --> 00:09:56,860

they'd mentioned everything from

179

00:10:02,579 --> 00:09:59,380

kangaroos to owls to but claims from

180

00:10:06,090 --> 00:10:02,589

Africa yeah yeah all these different

181

00:10:07,829 --> 00:10:06,100

things my trouble with the owl is so

182

00:10:09,900 --> 00:10:07,839

many reports talk about a neck and a

183

00:10:13,889 --> 00:10:09,910

long neck and I will just don't have

184

00:10:19,370 --> 00:10:13,899

necks exactly there's one animal doesn't

185

00:10:25,160 --> 00:10:19,380

have a neck it's a hollow I guess bone

186

00:10:29,850 --> 00:10:25,170

and then of course what about the the

187

00:10:31,260 --> 00:10:29,860

parrot crypto is a logical angle because

188

00:10:34,650 --> 00:10:31,270

there are you know one of the questions

189

00:10:37,949 --> 00:10:34,660

we were we were going to touch on is has

190

00:10:39,689 --> 00:10:37,959

to do with with has anybody ever

191

00:10:44,069 --> 00:10:39,699

reported seeing more than

192

00:10:47,759 --> 00:10:44,079

one of them at the same time to my

193

00:10:49,710 --> 00:10:47,769

knowledge no every documented sliding

194

00:10:53,549 --> 00:10:49,720

overtures the devil to my knowledge it's

195

00:10:57,090 --> 00:10:53,559

always been one solitary being never

196

00:10:58,559 --> 00:10:57,100

more than one at one time you know

197

00:11:02,729 --> 00:10:58,569

that's really interesting because they

198

00:11:06,479 --> 00:11:02,739

say there are 200 reports over the last

199

00:11:13,409 --> 00:11:06,489

twenty years and that this legend goes

200

00:11:18,210 --> 00:11:13,419

back to was in 1735 yet yes 1735 so

201
00:11:20,189 --> 00:11:18,220
correct you know that's a debt you know

202
00:11:21,689 --> 00:11:20,199
when you have that many sightings and

203
00:11:23,299 --> 00:11:21,699
some of the people of course we're in

204
00:11:29,239 --> 00:11:23,309
groups and stuff so you know this isn't

205
00:11:31,530 --> 00:11:29,249
hallucinations or or you know a bunch of

206
00:11:33,710 --> 00:11:31,540
misidentifications it's possible some of

207
00:11:37,679 --> 00:11:33,720
them were but you know would that mean

208
00:11:41,609 --> 00:11:37,689
obviously something going on but without

209
00:11:43,139 --> 00:11:41,619
a breeding population it it's an

210
00:11:47,549 --> 00:11:43,149
interesting it becomes a really

211
00:11:49,679 --> 00:11:47,559
interesting question as to you also

212
00:11:51,929 --> 00:11:49,689
investigate the paranormal is that

213
00:11:55,109 --> 00:11:51,939

correct I mean that's correct right that

214

00:11:56,970 --> 00:11:55,119

is correct yes so where do you stand on

215

00:11:58,799 --> 00:11:56,980

that do you think that the Jersey Devil

216

00:12:01,289 --> 00:11:58,809

could possibly be a like a

217

00:12:03,659 --> 00:12:01,299

interdimensional being or something

218

00:12:08,819 --> 00:12:03,669

demonic or some along those lines

219

00:12:11,159 --> 00:12:08,829

opposed to something illogical me I

220

00:12:13,199 --> 00:12:11,169

don't believe it would be anything along

221

00:12:16,439 --> 00:12:13,209

lines of that I mean I did hear people

222

00:12:20,460 --> 00:12:16,449

touch on that but what they're basing it

223

00:12:22,259 --> 00:12:20,470

on it's pretty weak I think it would be

224

00:12:24,059 --> 00:12:22,269

more along the lines of like other

225

00:12:26,129 --> 00:12:24,069

people stated either political slander

226

00:12:29,099 --> 00:12:26,139

or possibly a deformed child which might

227

00:12:29,429 --> 00:12:29,109

be based on fact or possibly at 2:00

228

00:12:31,079 --> 00:12:29,439

a.m.

229

00:12:32,369 --> 00:12:31,089

someone's drunk on moonshine in the

230

00:12:34,590 --> 00:12:32,379

middle of the Pine Barrens it's all a

231

00:12:36,059 --> 00:12:34,600

beer and you know they claimed a little

232

00:12:39,449 --> 00:12:36,069

Jersey Devil something like that you

233

00:12:41,939 --> 00:12:39,459

know and here here is a really good

234

00:12:44,460 --> 00:12:41,949

question from someone and one of our our

235

00:12:46,139 --> 00:12:44,470

our guests that are always in chat with

236

00:12:49,319 --> 00:12:46,149

us here's a good question talking about

237

00:12:52,049 --> 00:12:49,329

that is the Carosi devil in any way

238

00:12:53,460 --> 00:12:52,059

connected to Mothman bigfoot devil

239

00:12:55,770 --> 00:12:53,470

Sasquatch or any

240

00:12:58,080 --> 00:12:55,780

the other Jurassic or zoological

241

00:13:00,450 --> 00:12:58,090

creatures out there and the reason why

242

00:13:02,580 --> 00:13:00,460

is because you guys briefly touched on

243

00:13:06,570 --> 00:13:02,590

that compare of cryptozoology all

244

00:13:09,810 --> 00:13:06,580

aspects right yeah I mean that is

245

00:13:11,910 --> 00:13:09,820

possible because anybody that believes

246

00:13:13,410 --> 00:13:11,920

in UFOs anytime they see something that

247

00:13:16,410 --> 00:13:13,420

they can't explain they believe it's an

248

00:13:18,150 --> 00:13:16,420

alien or UFO if someone is religious

249

00:13:19,530 --> 00:13:18,160

anything they see that they can't

250

00:13:22,320 --> 00:13:19,540

explain they believe it has to do

251
00:13:23,760 --> 00:13:22,330
something that is religious if someone

252
00:13:24,930 --> 00:13:23,770
believes in Bigfoot when they go into

253
00:13:26,640 --> 00:13:24,940
the woods and they see something they

254
00:13:29,730 --> 00:13:26,650
can't explain they believe it's Bigfoot

255
00:13:33,330 --> 00:13:29,740
or the Jersey Devil the Mothman or

256
00:13:34,830 --> 00:13:33,340
whoever they may you know believe in so

257
00:13:37,170 --> 00:13:34,840
it is possible as they are connected

258
00:13:38,910 --> 00:13:37,180
that you're seeing in whatever you may

259
00:13:40,230 --> 00:13:38,920
believe when you walk into the woods or

260
00:13:42,630 --> 00:13:40,240
you know wherever you're seeing these

261
00:13:46,800 --> 00:13:42,640
creatures at what do you work solo

262
00:13:48,570 --> 00:13:46,810
oh right now no I am currently working

263
00:13:51,870 --> 00:13:48,580

solo but in the past we have worked with

264

00:13:53,430 --> 00:13:51,880

other people we compared notes and you

265

00:13:54,300 --> 00:13:53,440

know put all our information together to

266

00:13:56,790 --> 00:13:54,310

come up with the you know the

267

00:13:57,450 --> 00:13:56,800

information that we do currently has but

268

00:13:59,700 --> 00:13:57,460

apparently we are

269

00:14:03,660 --> 00:13:59,710

I am solo right now different witnesses

270

00:14:07,560 --> 00:14:03,670

you've talked to you what's the most

271

00:14:10,850 --> 00:14:07,570

incredible report the most incredible

272

00:14:13,530 --> 00:14:10,860

report they all kind of run parallel

273

00:14:16,680 --> 00:14:13,540

pretty much there in the woods camping

274

00:14:17,400 --> 00:14:16,690

or it is wandering through the Pine

275

00:14:20,430 --> 00:14:17,410

Barrens

276

00:14:23,400 --> 00:14:20,440

and it's you always at night times or a

277

00:14:25,110 --> 00:14:23,410

thunderstorm and they hear something

278

00:14:26,580 --> 00:14:25,120

they see something out of the corner of

279

00:14:29,720 --> 00:14:26,590

their eye but they never catch a full

280

00:14:32,790 --> 00:14:29,730

glimpse of whatever the creature is and

281

00:14:36,450 --> 00:14:32,800

then later on they report something that

282

00:14:38,510 --> 00:14:36,460

you know that follows that what the

283

00:14:40,950 --> 00:14:38,520

Jersey Devil traditionally looks like

284

00:14:42,810 --> 00:14:40,960

nothing nothing really outlandish or

285

00:14:45,360 --> 00:14:42,820

anything like that just it's very

286

00:14:52,470 --> 00:14:45,370

typical I noticed some reports talk

287

00:14:54,900 --> 00:14:52,480

about like glowing eyes now is there a

288

00:14:58,560 --> 00:14:54,910

primary color that the Jersey Devil

289

00:15:00,850 --> 00:14:58,570

sports with eye color or do you find

290

00:15:03,730 --> 00:15:00,860

that they're different called Oh

291

00:15:08,320 --> 00:15:03,740

for the grand prize of 1 million dollars

292

00:15:12,400 --> 00:15:08,330

what color is the White House I know

293

00:15:15,040 --> 00:15:12,410

this into this I know this 5 seconds

294

00:15:16,680 --> 00:15:15,050

Oh switching to Geico could save you a

295

00:15:21,190 --> 00:15:16,690

bunch of money on car insurance

296

00:15:25,000 --> 00:15:21,200

ok judges that's true Kevin

297

00:15:27,730 --> 00:15:25,010

congratulations you're a winner yeah

298

00:15:29,650 --> 00:15:27,740

Geico because saving 15% or more on car

299

00:15:33,820 --> 00:15:29,660

insurance is always a great answer

300

00:15:36,880 --> 00:15:33,830

what's going on yeah I would say it's

301
00:15:39,070 --> 00:15:36,890
probably different colors because any

302
00:15:40,990 --> 00:15:39,080
animal that you encounter in the woods

303
00:15:43,330 --> 00:15:41,000
if you're shining a flashlight or if

304
00:15:45,870 --> 00:15:43,340
it's like bouncing off a campsite like

305
00:15:48,010 --> 00:15:45,880
like fire of a campsite

306
00:15:51,730 --> 00:15:48,020
you're gonna see some kind of reflective

307
00:15:53,830 --> 00:15:51,740
eyes I didn't notice anything specific

308
00:15:55,960 --> 00:15:53,840
as foreigners like eyes other than maybe

309
00:15:59,070 --> 00:15:55,970
like glowing red that's something that

310
00:16:01,420 --> 00:15:59,080
people repeatedly report glowing red

311
00:16:05,470 --> 00:16:01,430
right because there is a difference

312
00:16:07,210 --> 00:16:05,480
between reflective and glowing or why

313
00:16:12,370 --> 00:16:07,220

would your oh very great and one is

314

00:16:14,050 --> 00:16:12,380

creating its own light and that pretty

315

00:16:17,110 --> 00:16:14,060

much comes down to the interpretation of

316

00:16:18,430 --> 00:16:17,120

the person that might be seeing it then

317

00:16:19,300 --> 00:16:18,440

wind up reporting it correctly or

318

00:16:23,800 --> 00:16:19,310

viewing it

319

00:16:25,060 --> 00:16:23,810

you know correctly either right so I

320

00:16:28,300 --> 00:16:25,070

have a question for you from the chat

321

00:16:32,670 --> 00:16:28,310

room for Michelle McManus what made you

322

00:16:36,430 --> 00:16:32,680

decide to investigate to Jersey Devil

323

00:16:40,450 --> 00:16:36,440

well just being from New Jersey we we

324

00:16:43,270 --> 00:16:40,460

loved horror we we make films so we

325

00:16:45,310 --> 00:16:43,280

wanted to make a documentary and we were

326

00:16:49,030 --> 00:16:45,320

trying to figure out the the the subject

327

00:16:50,560 --> 00:16:49,040

of the documentary the Jersey Devil is a

328

00:16:52,600 --> 00:16:50,570

logical choice for us simply because

329

00:16:55,540 --> 00:16:52,610

that's the legend that's associated with

330

00:16:59,020 --> 00:16:55,550

our state so we just choose it based on

331

00:17:02,110 --> 00:16:59,030

proximity I'm sorry well that's as far

332

00:17:05,920 --> 00:17:02,120

as like people going out and hunting the

333

00:17:09,730 --> 00:17:05,930

Jersey Devil if oh are you

334

00:17:13,270 --> 00:17:09,740

yeah well or no kill oh well definitely

335

00:17:14,620 --> 00:17:13,280

no kill I mean man no matter what they

336

00:17:16,780 --> 00:17:14,630

do they wanted to kill

337

00:17:19,600 --> 00:17:16,790

anything they're afraid of and I'm

338

00:17:21,579 --> 00:17:19,610

against that I do believe that we should

339

00:17:23,410 --> 00:17:21,589

research it and study it and figure out

340

00:17:25,420 --> 00:17:23,420

you know what exactly did Jersey Devil

341

00:17:28,329 --> 00:17:25,430

is if we ever encountered it but I do

342

00:17:30,820 --> 00:17:28,339

I'm fearful that man themselves would

343

00:17:33,040 --> 00:17:30,830

attempt to kill whatever they found

344

00:17:35,230 --> 00:17:33,050

instead which I'm against though there's

345

00:17:38,440 --> 00:17:35,240

no kill definitely no fill physical

346

00:17:40,270 --> 00:17:38,450

evidence is there is there I know that

347

00:17:42,700 --> 00:17:40,280

like in if you watch documentaries they

348

00:17:49,000 --> 00:17:42,710

show up footprints or like hoof prints

349

00:17:52,330 --> 00:17:49,010

or legit yes is that do you find that

350

00:17:55,570 --> 00:17:52,340

out there is there anybody that claims

351
00:17:59,650 --> 00:17:55,580
to have any kind of physical proof other

352
00:18:01,390 --> 00:17:59,660
than photographs of this animal well I

353
00:18:03,130 --> 00:18:01,400
mean over the years there's been many

354
00:18:07,480 --> 00:18:03,140
people that claim to have either have

355
00:18:09,580 --> 00:18:07,490
the body or the skull or footprints

356
00:18:11,910 --> 00:18:09,590
which for the most part they turned out

357
00:18:15,360 --> 00:18:11,920
to be outright fraud or dismiss

358
00:18:18,340 --> 00:18:15,370
misidentification but there have been

359
00:18:19,450 --> 00:18:18,350
footprints that have been found that no

360
00:18:22,870 --> 00:18:19,460
one's really sure what they are because

361
00:18:24,300 --> 00:18:22,880
they're not properly documented usually

362
00:18:27,340 --> 00:18:24,310
the footprints are found in the snow

363
00:18:29,110 --> 00:18:27,350

which it's very hard to determine what

364

00:18:33,450 --> 00:18:29,120

animal might have left the footprint

365

00:18:36,970 --> 00:18:33,460

through the snow expands it melts and

366

00:18:38,410 --> 00:18:36,980

then the skulls themselves of the Jersey

367

00:18:40,690 --> 00:18:38,420

Devil they're usually misidentified as

368

00:18:44,500 --> 00:18:40,700

another animal and not even the skull

369

00:18:46,450 --> 00:18:44,510

just a different pretty follow the

370

00:18:48,760 --> 00:18:46,460

skeleton of a different animal the time

371

00:18:51,250 --> 00:18:48,770

in the skull related so we have another

372

00:18:53,350 --> 00:18:51,260

question for you from the chat room what

373

00:18:57,190 --> 00:18:53,360

is your interest in the Jersey Devil and

374

00:18:59,740 --> 00:18:57,200

what does it matter to you well my

375

00:19:01,210 --> 00:18:59,750

interest is I mean the Jersey Devil the

376

00:19:05,890 --> 00:19:01,220

the history has been around since at

377

00:19:07,690 --> 00:19:05,900

least 1735 so I did find an interest in

378

00:19:10,120 --> 00:19:07,700

trying to figure out if it's you know

379

00:19:14,080 --> 00:19:10,130

legend if it's true that this is tall

380

00:19:15,220 --> 00:19:14,090

tales cautionary tales so the reason it

381

00:19:16,840 --> 00:19:15,230

matters to me is I'm just trying to

382

00:19:20,790 --> 00:19:16,850

figure out like what people are seeing

383

00:19:26,650 --> 00:19:20,800

in the Pine Barrens

384

00:19:28,350 --> 00:19:26,660

how about Native American legends did

385

00:19:31,259 --> 00:19:28,360

you find out yeah

386

00:19:34,860 --> 00:19:31,269

um yeah I'm not sure the exact year of

387

00:19:38,850 --> 00:19:34,870

180 - um the year that I usually come up

388

00:19:41,700 --> 00:19:38,860

against is still 1735 but I am aware

389

00:19:44,039 --> 00:19:41,710

that Native Americans did report some

390

00:19:47,340 --> 00:19:44,049

sort of animal within the Pine Barrens

391

00:19:49,139 --> 00:19:47,350

that resembles the Jersey Devil but I'm

392

00:19:54,110 --> 00:19:49,149

not sure the exact years if it goes

393

00:19:56,909 --> 00:19:54,120

beyond 1735 that's really interesting

394

00:20:00,110 --> 00:19:56,919

and I agree

395

00:20:03,419 --> 00:20:00,120

Kristof for me one of the interesting

396

00:20:07,049 --> 00:20:03,429

things about the Jersey Devil is that it

397

00:20:11,190 --> 00:20:07,059

it does have a longevity to it or urban

398

00:20:13,500 --> 00:20:11,200

legend or yeah you know but we're not

399

00:20:14,820 --> 00:20:13,510

talking that you know it's not something

400

00:20:16,889 --> 00:20:14,830

we're talking about that's been centered

401
00:20:20,340 --> 00:20:16,899
recently or more recently we're I mean

402
00:20:26,519 --> 00:20:20,350
this goes back as far as well certainly

403
00:20:29,190 --> 00:20:26,529
America you know correct and you know if

404
00:20:34,440 --> 00:20:29,200
there are whether it be cave paintings

405
00:20:39,029 --> 00:20:34,450
or even you know legends verbal legends

406
00:20:42,000 --> 00:20:39,039
about you know the Jersey Devil along

407
00:20:45,629 --> 00:20:42,010
with the last you know three hundred

408
00:20:47,370 --> 00:20:45,639
years of that to me suggests that

409
00:20:49,110 --> 00:20:47,380
there's something there's something

410
00:20:51,060 --> 00:20:49,120
going on oh there's definitely something

411
00:20:52,500 --> 00:20:51,070
going on and I say this because I'm

412
00:20:54,690 --> 00:20:52,510
originally I was born and raised in

413
00:20:58,230 --> 00:20:54,700

Hudson County New Jersey and even as a

414

00:21:00,120 --> 00:20:58,240

little kid everybody that I knew heard

415

00:21:02,870 --> 00:21:00,130

of the Leeds legend with the Jersey

416

00:21:04,860 --> 00:21:02,880

Devil and not to go anywhere near the

417

00:21:07,740 --> 00:21:04,870

primaries at night because the Jersey

418

00:21:09,750 --> 00:21:07,750

Devil would get you right you know it's

419

00:21:12,659 --> 00:21:09,760

just something that you were you were

420

00:21:17,009 --> 00:21:12,669

told it was passed down and around to

421

00:21:19,259 --> 00:21:17,019

you when you were growing up so for me I

422

00:21:21,180 --> 00:21:19,269

actually spent several summers going out

423

00:21:22,649 --> 00:21:21,190

there with like car loads of people and

424

00:21:26,909 --> 00:21:22,659

trying to look for it that I ever find

425

00:21:29,430 --> 00:21:26,919

it no but I didn't treat me enough to go

426
00:21:31,110 --> 00:21:29,440
out there because I knew from hearing

427
00:21:33,899 --> 00:21:31,120
about it myself growing up that there

428
00:21:36,919 --> 00:21:33,909
had to be something more to it and the

429
00:21:39,779 --> 00:21:36,929
others who didn't I'm sorry go ahead

430
00:21:41,789 --> 00:21:39,789
yes correct I mean it could be a

431
00:21:44,430 --> 00:21:41,799
cautionary tale that parents so

432
00:21:47,249 --> 00:21:44,440
kids you know be home at a certain time

433
00:21:49,440 --> 00:21:47,259
go to bed behave or the Jersey Devils

434
00:21:52,739 --> 00:21:49,450
gonna get you I heard that for many

435
00:21:54,840 --> 00:21:52,749
people of the older generation that

436
00:21:56,940 --> 00:21:54,850
their parents you know told them also

437
00:22:01,669 --> 00:21:56,950
and they feel that as probably just a

438
00:22:09,539 --> 00:22:06,200

another thing that impresses me is uh I

439

00:22:14,190 --> 00:22:09,549

noticed in the reports there was

440

00:22:18,269 --> 00:22:14,200

everything from witnesses everything

441

00:22:25,970 --> 00:22:18,279

from the king of Spain all the way that

442

00:22:29,960 --> 00:22:25,980

we priests rabbis cops judges doctors

443

00:22:32,190 --> 00:22:29,970

you know people that normally wouldn't

444

00:22:36,570 --> 00:22:32,200

say that they've seen something like

445

00:22:42,810 --> 00:22:36,580

that have reported this and and I find

446

00:22:47,580 --> 00:22:42,820

that holds weight - because it doesn't

447

00:22:49,229 --> 00:22:47,590

stand the reason that you know what

448

00:22:52,950 --> 00:22:49,239

would any prominent person have to gain

449

00:22:55,259 --> 00:22:52,960

in something like that otherwise yeah

450

00:22:58,859 --> 00:22:55,269

that is correct very prominent people

451
00:23:01,049 --> 00:22:58,869
all the way up to Napoleon's brother he

452
00:23:04,440 --> 00:23:01,059
also stated that he aspired a kind of

453
00:23:06,599 --> 00:23:04,450
all at you know the Jersey Devil and you

454
00:23:08,340 --> 00:23:06,609
know judges policemen as you said they

455
00:23:12,649 --> 00:23:08,350
also reported that they saw the Jersey

456
00:23:14,729 --> 00:23:12,659
Devil also that is very correct

457
00:23:17,549 --> 00:23:14,739
whatsoever a question for you from the

458
00:23:19,560 --> 00:23:17,559
chat room what is the earliest actual

459
00:23:21,539 --> 00:23:19,570
document you have seen mentioning the

460
00:23:28,739 --> 00:23:21,549
Jersey Devil versus some modern

461
00:23:32,960 --> 00:23:28,749
mentioning 1735 document the earliest I

462
00:23:35,279 --> 00:23:32,970
would have to say besides 1735 when

463
00:23:40,919 --> 00:23:35,289

supposedly the Jersey Devil the thirteen

464

00:23:43,859 --> 00:23:40,929

child was born closer to 1800s people

465

00:23:45,869 --> 00:23:43,869

did report seeing the Jersey Devil in

466

00:23:49,019 --> 00:23:45,879

their backyard or on the rooftop or

467

00:23:51,739 --> 00:23:49,029

leaving footprints but it's also hearsay

468

00:23:54,330 --> 00:23:51,749

there's no solid photographs or any

469

00:23:55,550 --> 00:23:54,340

solid documentation that the Jersey

470

00:24:02,000 --> 00:23:55,560

Devil was existing

471

00:24:05,660 --> 00:24:02,010

those times so another thing we should

472

00:24:06,880 --> 00:24:05,670

bring out is phenomena no week yeah

473

00:24:09,320 --> 00:24:06,890

phenomenally

474

00:24:13,880 --> 00:24:09,330

can you tell us a little bit about that

475

00:24:17,900 --> 00:24:13,890

or the the audience yeah

476

00:24:21,460 --> 00:24:17,910

pretty much torn this I believe the

477

00:24:24,340 --> 00:24:21,470

second or third week of January of 1909

478

00:24:26,600 --> 00:24:24,350

was one of the biggest flaps of

479

00:24:29,750 --> 00:24:26,610

sightings of the Jersey Devil where he

480

00:24:32,420 --> 00:24:29,760

was seen multiple times a day and this

481

00:24:36,020 --> 00:24:32,430

is all over New Jersey Pennsylvania

482

00:24:40,130 --> 00:24:36,030

Delaware all the way down the Texas and

483

00:24:43,160 --> 00:24:40,140

California also but the most popular

484

00:24:46,070 --> 00:24:43,170

time for flex for this year the double

485

00:24:48,170 --> 00:24:46,080

the beef plated does anyone ever

486

00:24:52,760 --> 00:24:48,180

establish any kind of connection as to

487

00:24:55,040 --> 00:24:52,770

maybe why was there anything else going

488

00:25:01,940 --> 00:24:55,050

on at the time that was significant mmm

489

00:25:07,700 --> 00:25:01,950

I don't know geology or astronomy or

490

00:25:09,050 --> 00:25:07,710

just anything that did I mean does

491

00:25:10,790 --> 00:25:09,060

anyone ever come up with the reason why

492

00:25:16,910 --> 00:25:10,800

there were so many sightings for that

493

00:25:18,650 --> 00:25:16,920

one week um there's a couple things that

494

00:25:21,470 --> 00:25:18,660

people said that maybe people were just

495

00:25:22,850 --> 00:25:21,480

bored it was mass hysteria obviously

496

00:25:26,390 --> 00:25:22,860

this is before you know television

497

00:25:27,740 --> 00:25:26,400

before radio people were just bored so

498

00:25:29,570 --> 00:25:27,750

we're looking for something to talk

499

00:25:32,480 --> 00:25:29,580

about so it is possible that it was

500

00:25:34,580 --> 00:25:32,490

attributed to mass hysteria but as far

501

00:25:36,290 --> 00:25:34,590

as anything in geology astrology or

502

00:25:38,120 --> 00:25:36,300

anything like that I'm I'm not aware of

503

00:25:41,750 --> 00:25:38,130

that yeah I haven't heard anything

504

00:25:44,720 --> 00:25:41,760

either no but I mean phenomenal week was

505

00:25:47,420 --> 00:25:44,730

just was just it was impressive to me I

506

00:25:50,540 --> 00:25:47,430

mean you had one sighting of where a

507

00:25:52,280 --> 00:25:50,550

trolley car during the day was spotted

508

00:25:54,950 --> 00:25:52,290

this thing like a whole trolley car full

509

00:25:58,280 --> 00:25:54,960

of passengers you know your people that

510

00:26:02,150 --> 00:25:58,290

found random footprints on their roofs

511

00:26:03,830 --> 00:26:02,160

in the snow I mean you you name it they

512

00:26:06,170 --> 00:26:03,840

had encounters that whole entire week

513

00:26:08,820 --> 00:26:06,180

and it just amazes me that that was that

514

00:26:11,039 --> 00:26:08,830

much of a cluster of sightings

515

00:26:15,240 --> 00:26:11,049

and that eight day span in so many

516

00:26:18,330 --> 00:26:15,250

different places it's pretty interesting

517

00:26:21,149 --> 00:26:18,340

and as Kevin said earlier you know

518

00:26:23,250 --> 00:26:21,159

policemen firemen people like that you

519

00:26:26,070 --> 00:26:23,260

know supposedly notable people also

520

00:26:29,759 --> 00:26:26,080

claimed to have seen of the Jersey Devil

521

00:26:31,409 --> 00:26:29,769

and I live in Gloucester City New Jersey

522

00:26:34,169 --> 00:26:31,419

and it was a sighting literally two

523

00:26:36,180 --> 00:26:34,179

blocks from my home where they were

524

00:26:39,299 --> 00:26:36,190

supposed to the Jersey Devil flooding

525

00:26:41,519 --> 00:26:39,309

also what do you think about the have

526
00:26:45,210 --> 00:26:41,529
you seen the thermal camera the thermal

527
00:26:50,610 --> 00:26:45,220
image that bill burns and Ryan Buell got

528
00:26:55,440 --> 00:26:52,620
under normal state I don't know if that

529
00:26:58,440 --> 00:26:55,450
was Ryan bills paranormal state or that

530
00:27:00,419 --> 00:26:58,450
was bill birnes UFO Hunters but they

531
00:27:03,330 --> 00:27:00,429
teamed up and they went out in the Pine

532
00:27:06,529 --> 00:27:03,340
Barrens and they claim to a gun is

533
00:27:08,639 --> 00:27:06,539
impossible thermal footage

534
00:27:11,639 --> 00:27:08,649
George DuBose wondering if you had seen

535
00:27:14,310 --> 00:27:11,649
that or not yeah I think I know with

536
00:27:16,830 --> 00:27:14,320
thermal image you're talking about

537
00:27:18,930 --> 00:27:16,840
I believe what was determine it was

538
00:27:19,769 --> 00:27:18,940

actually two deer spinning very close

539

00:27:22,680 --> 00:27:19,779

together

540

00:27:26,129 --> 00:27:22,690

I do have an image which I can provide

541

00:27:28,100 --> 00:27:26,139

later on the outlines if it was two

542

00:27:29,970 --> 00:27:28,110

deers outlining the two years together

543

00:27:33,960 --> 00:27:29,980

showing how that pops with it is

544

00:27:40,350 --> 00:27:33,970

inspired right there all right it did

545

00:27:43,860 --> 00:27:40,360

you know it did have the long neck and

546

00:27:47,399 --> 00:27:43,870

that kind of thing I drew what I

547

00:27:51,090 --> 00:27:47,409

remember anyways and you know like you

548

00:27:53,730 --> 00:27:51,100

said like a deer or you know something

549

00:27:54,899 --> 00:27:53,740

like that of course the most famous

550

00:27:56,789 --> 00:27:54,909

picture of the Jersey Devil at least

551
00:27:57,899 --> 00:27:56,799
when it sticks out in my mind is the one

552
00:28:01,950 --> 00:27:57,909
where it's got like almost like the

553
00:28:05,970 --> 00:28:01,960
camels face and the long neck and the

554
00:28:08,370 --> 00:28:05,980
big back wings and who yet you know

555
00:28:09,990 --> 00:28:08,380
almost it actually looks like something

556
00:28:13,799 --> 00:28:10,000
out of an old demonology book to be

557
00:28:16,860 --> 00:28:13,809
honest yeah yeah it's probably the most

558
00:28:18,029 --> 00:28:16,870
traditionally accepted image of the

559
00:28:19,529 --> 00:28:18,039
Jersey Devil but if you really think

560
00:28:22,770 --> 00:28:19,539
about it when they're saying the Jersey

561
00:28:24,870 --> 00:28:22,780
Devils flying around it

562
00:28:27,480 --> 00:28:24,880
an animal that kind of looks like a deer

563
00:28:28,860 --> 00:28:27,490

a horse with holes and all probably

564

00:28:31,110 --> 00:28:28,870

would weigh a little too much to

565

00:28:34,140 --> 00:28:31,120

actually be able to fly and it

566

00:28:38,250 --> 00:28:34,150

supposedly has bat wings a horse's face

567

00:28:39,420 --> 00:28:38,260

and the goats holds so I'm just trying

568

00:28:41,640 --> 00:28:39,430

to think of an animal that would be able

569

00:28:45,140 --> 00:28:41,650

to fly with that much weed attached to

570

00:28:48,900 --> 00:28:45,150

it yeah it would need supernatural hell

571

00:28:50,370 --> 00:28:48,910

ok that's ok everybody with that it's

572

00:28:52,710 --> 00:28:50,380

611
00:30:46,919 --> 00:30:43,390
huh and shade so be honest what do you

612
00:30:48,330 --> 00:30:46,929
think well I like how if you switch to

613
00:30:49,200 --> 00:30:48,340

Geico you could save hundreds of dollars

614

00:30:52,440 --> 00:30:49,210

on car insurance

615

00:30:54,690 --> 00:30:52,450

oh yeah that's that's true yeah here why

616

00:30:56,160 --> 00:30:54,700

don't I hold your paintbrush while you

617

00:30:57,780 --> 00:30:56,170

call them Geico

618

00:30:59,700 --> 00:30:57,790

because saving 15% or more on car

619

00:31:02,400 --> 00:30:59,710

insurance is always a great answer

620

00:31:06,919 --> 00:31:02,410

trickler so check that out next week as

621

00:31:16,650 --> 00:31:06,929

well okay back to our guests yes

622

00:31:19,020 --> 00:31:16,660

Christopher you still with us yet BAM so

623

00:31:23,400 --> 00:31:19,030

for the second half we were we wanted to

624

00:31:26,250 --> 00:31:23,410

get into the Pine Barrens oh yeah we

625

00:31:30,419 --> 00:31:26,260

meet I'm sure the Jersey Devil may come

626
00:31:35,100 --> 00:31:30,429
up in this as well but there is so much

627
00:31:38,970 --> 00:31:35,110
area I mean they said I forget what it

628
00:31:39,930 --> 00:31:38,980
was like over a million acres 22,000

629
00:31:42,810 --> 00:31:39,940
square miles

630
00:31:45,510 --> 00:31:42,820
oh yeah a little over a million acres

631
00:31:47,520 --> 00:31:45,520
correct that's crazy all right

632
00:31:50,700 --> 00:31:47,530
they got cranberry bogs like a blueberry

633
00:31:56,419 --> 00:31:50,710
bogs they have so yes it's very very

634
00:32:02,880 --> 00:31:56,429
fast you have look upon each ball home

635
00:32:05,039 --> 00:32:02,890
that is true they give no end as a as a

636
00:32:08,340 --> 00:32:05,049
paranormal story I know there are other

637
00:32:11,960 --> 00:32:08,350
mysteries within the Pine Barrens you

638
00:32:18,000 --> 00:32:11,970

know on mysterious ponds Bigfoot reports

639

00:32:22,260 --> 00:32:18,010

strange forest lights etc can you

640

00:32:24,360 --> 00:32:22,270

elaborate under near that oh yeah I'm

641

00:32:27,450 --> 00:32:24,370

probably one of the weirdest ones

642

00:32:29,610 --> 00:32:27,460

besides the Jersey Devil would be it's a

643

00:32:33,030 --> 00:32:29,620

location called ons hat which was a city

644

00:32:36,799 --> 00:32:33,040

that I believe it was the 17 1800 s that

645

00:32:38,850 --> 00:32:36,809

it was inhabited and legend has it that

646

00:32:41,549 --> 00:32:38,860

scientists were doing some kind of weird

647

00:32:44,610 --> 00:32:41,559

experiments back then with time travel

648

00:32:46,470 --> 00:32:44,620

and everything like that the second one

649

00:32:48,299 --> 00:32:46,480

there I'm not really familiar with it

650

00:32:49,650 --> 00:32:48,309

but there have been several Bigfoot

651
00:32:51,150 --> 00:32:49,660
reports but I

652
00:32:54,080 --> 00:32:51,160
I don't really study Bigfoots I'm not

653
00:32:58,080 --> 00:32:54,090
sure exactly what happened with that

654
00:33:00,720 --> 00:32:58,090
obviously the Jersey Devil and then

655
00:33:03,630 --> 00:33:00,730
there's a lot of old like glass

656
00:33:06,240 --> 00:33:03,640
factories and various boundaries that

657
00:33:11,100 --> 00:33:06,250
were abandoned which they attached many

658
00:33:13,950 --> 00:33:11,110
legends to well I bet and we were just

659
00:33:22,080 --> 00:33:13,960
talking off-camera or I'm sorry

660
00:33:28,620 --> 00:33:22,090
off-camera about the blue hole yeah in

661
00:33:30,630 --> 00:33:28,630
the Pine Barrens which is for those who

662
00:33:32,520 --> 00:33:30,640
don't know it's just creepy little pot

663
00:33:35,870 --> 00:33:32,530

can you tell us a little bit about that

664

00:33:38,220 --> 00:33:35,880

oh yeah I've been there several times

665

00:33:40,050 --> 00:33:38,230

many years ago I believe

666

00:33:44,310 --> 00:33:40,060

also during eighteen hundreds there was

667

00:33:48,090 --> 00:33:44,320

a mill that was there and then you know

668

00:33:51,240 --> 00:33:48,100

as different time errors come in and

669

00:33:53,610 --> 00:33:51,250

come out of play that the mill was torn

670

00:33:57,140 --> 00:33:53,620

down and that many legends were built

671

00:34:00,090 --> 00:33:57,150

around it and as with any kind of

672

00:34:02,910 --> 00:34:00,100

legendary place of course you know in

673

00:34:06,500 --> 00:34:02,920

New Jersey Jersey Devil decides to make

674

00:34:09,030 --> 00:34:06,510

that his home legend has it that if you

675

00:34:11,190 --> 00:34:09,040

swim in these waters and you go out to

676

00:34:14,010 --> 00:34:11,200

the middle the Jersey that will pull you

677

00:34:18,720 --> 00:34:14,020

down legend has it there's also no

678

00:34:22,050 --> 00:34:18,730

bottom and also any time of year whether

679

00:34:24,360 --> 00:34:22,060

it's December or August and he does all

680

00:34:27,960 --> 00:34:24,370

this it'll also be very icy which is

681

00:34:30,120 --> 00:34:27,970

true it is very cold to the touch but

682

00:34:34,669 --> 00:34:30,130

basically everybody says that Jersey

683

00:34:41,220 --> 00:34:39,960

right and then what you know I mean I've

684

00:34:43,140 --> 00:34:41,230

never swam in it but I've been there

685

00:34:47,580 --> 00:34:43,150

several times and I never seen a Jersey

686

00:34:49,950 --> 00:34:47,590

Devil there yet so maybe it data they

687

00:34:53,120 --> 00:34:49,960

see people drowned in there right they

688

00:34:56,760 --> 00:34:53,130

said people drowned in there or possibly

689

00:34:58,740 --> 00:34:56,770

they say they have but usually what

690

00:35:00,870 --> 00:34:58,750

happens is teenagers go back they're

691

00:35:03,090 --> 00:35:00,880

drinking and partying and you know the

692

00:35:04,350 --> 00:35:03,100

only things they shouldn't

693

00:35:07,440 --> 00:35:04,360

and when they're a little intoxicated

694

00:35:11,460 --> 00:35:07,450

they tend to slim and the paramedics

695

00:35:16,290 --> 00:35:11,470

have to come out and pull them out yeah

696

00:35:18,600 --> 00:35:16,300

usually okay I have two questions for

697

00:35:21,360 --> 00:35:18,610

you from the chat room the first one

698

00:35:23,550 --> 00:35:21,370

your big bird could someone have found

699

00:35:28,080 --> 00:35:23,560

the remains of the Jersey Devil and

700

00:35:28,830 --> 00:35:28,090

cloned it for today's sightings I mean

701
00:35:30,960 --> 00:35:28,840
it's possible

702
00:35:33,330 --> 00:35:30,970
I haven't come in contact with any sort

703
00:35:39,120 --> 00:35:33,340
of scientists or Genesis that claim to

704
00:35:41,280 --> 00:35:39,130
have found the remains but I did find a

705
00:35:43,850 --> 00:35:41,290
guy on the side of birdsong fruit that

706
00:35:47,040 --> 00:35:43,860
claimed to have the Jersey Devil skull

707
00:35:48,480 --> 00:35:47,050
but after you know take a photos of it

708
00:35:51,150 --> 00:35:48,490
and sending it to the proper people they

709
00:35:54,380 --> 00:35:51,160
stated that it was the frame of a bird

710
00:35:57,600 --> 00:35:54,390
and not the skull of the Jersey Devil

711
00:36:01,290 --> 00:35:57,610
and the second question comes from Sky

712
00:36:04,560 --> 00:36:01,300
33 has there been many reports of the

713
00:36:10,440 --> 00:36:04,570

Jersey Devil communicating if so if so

714

00:36:13,230 --> 00:36:10,450

how verbal or telepathy as far as like

715

00:36:15,930 --> 00:36:13,240

communication that us humans understand

716

00:36:17,790 --> 00:36:15,940

not that I'm aware of but over the years

717

00:36:21,180 --> 00:36:17,800

there have been reports that the Jersey

718

00:36:23,690 --> 00:36:21,190

Devil has come on to farms and taking

719

00:36:27,510 --> 00:36:23,700

liberties with chickens and livestock

720

00:36:29,910 --> 00:36:27,520

but never you know officially tried to

721

00:36:33,180 --> 00:36:29,920

communicate with a human in the sense

722

00:36:36,330 --> 00:36:33,190

that we understand it okay so the next

723

00:36:38,670 --> 00:36:36,340

question comes from Sudan what does the

724

00:36:41,460 --> 00:36:38,680

guest make of the fact that the family

725

00:36:44,040 --> 00:36:41,470

coat of arms the Leeds family has a

726

00:36:46,350 --> 00:36:44,050

strange dragon on it which is sort of

727

00:36:52,620 --> 00:36:46,360

which sort of looks like the Jersey

728

00:36:55,590 --> 00:36:52,630

Devil well I mean a lot of coat of arms

729

00:36:58,680 --> 00:36:55,600

and family arms like that derivative of

730

00:37:02,010 --> 00:36:58,690

England do have swords shields and

731

00:37:04,530 --> 00:37:02,020

Dragons associated with it um so I mean

732

00:37:06,360 --> 00:37:04,540

this might be I you know something

733

00:37:07,710 --> 00:37:06,370

ironic that it just happens to have

734

00:37:10,470 --> 00:37:07,720

something that look like the Jersey

735

00:37:13,740 --> 00:37:10,480

Devil but I mean I'm not aware of

736

00:37:16,470 --> 00:37:13,750

anything connecting the coat of arms to

737

00:37:17,040 --> 00:37:16,480

the Jersey Devil directly okay next

738

00:37:20,250 --> 00:37:17,050

question

739

00:37:23,610 --> 00:37:20,260

from max if these creatures are

740

00:37:27,210 --> 00:37:23,620

skinwalker types or can move between

741

00:37:29,970 --> 00:37:27,220

dimensions would this mean that these

742

00:37:34,650 --> 00:37:29,980

critters are far more advanced than the

743

00:37:38,010 --> 00:37:34,660

average humanoid well if the Jersey

744

00:37:39,450 --> 00:37:38,020

Devil can move through dimensions I

745

00:37:44,160 --> 00:37:39,460

would say they probably are more

746

00:37:45,930 --> 00:37:44,170

advanced but my I mean myself I never

747

00:37:47,610 --> 00:37:45,940

investigated it from that angle so I'm

748

00:37:50,190 --> 00:37:47,620

not really sure but I would say they're

749

00:37:53,880 --> 00:37:50,200

more advanced that they can do that have

750

00:37:56,580 --> 00:37:53,890

you gone out all right I would imagine I

751
00:37:59,340 --> 00:37:56,590
should just ask about the investigations

752
00:38:05,010 --> 00:37:59,350
you've done what's your freak dis

753
00:38:06,720 --> 00:38:05,020
experience honestly there as far as

754
00:38:10,740 --> 00:38:06,730
concerning the Jersey Devil there really

755
00:38:12,360 --> 00:38:10,750
hasn't been anything that occurred I

756
00:38:14,970 --> 00:38:12,370
mean we went out into the woods sat

757
00:38:17,880 --> 00:38:14,980
around taking photos taking videos just

758
00:38:21,120 --> 00:38:17,890
waiting for something to happen anybody

759
00:38:22,620 --> 00:38:21,130
that has been on a you know a so-called

760
00:38:25,320 --> 00:38:22,630
haunted house or paranormal

761
00:38:26,490 --> 00:38:25,330
investigation most of the time you're

762
00:38:29,520 --> 00:38:26,500
just sitting there waiting for something

763
00:38:32,730 --> 00:38:29,530

happened and you know 9 times out of 10

764

00:38:34,740 --> 00:38:32,740

nothing does happen so every time that

765

00:38:37,410 --> 00:38:34,750

we went out to investigate and look for

766

00:38:38,940 --> 00:38:37,420

the Jersey Devil we personally never

767

00:38:41,550 --> 00:38:38,950

came across any kind of evidence that

768

00:38:44,540 --> 00:38:41,560

indicated the Jersey Devil was out there

769

00:38:46,860 --> 00:38:44,550

how many jerseys they said there were

770

00:38:52,140 --> 00:38:46,870

200 reports last 20 years

771

00:38:57,780 --> 00:38:52,150

how many sightings about average per

772

00:39:01,680 --> 00:38:57,790

year would you say there are Wow yeah

773

00:39:04,200 --> 00:39:01,690

that that's actually hard to say I think

774

00:39:06,060 --> 00:39:04,210

they probably didn't down over the last

775

00:39:08,250 --> 00:39:06,070

couple years

776

00:39:10,940 --> 00:39:08,260

usually the Jersey Devil sightings come

777

00:39:15,930 --> 00:39:10,950

up around Halloween how convenient right

778

00:39:19,140 --> 00:39:15,940

usually a lot of a lot of news outlets

779

00:39:20,730 --> 00:39:19,150

contact me around Halloween and you know

780

00:39:24,420 --> 00:39:20,740

want to do a story concerning the Jersey

781

00:39:28,470 --> 00:39:24,430

Devil and obviously probably most of the

782

00:39:30,210 --> 00:39:28,480

sightings are probably flogs III really

783

00:39:30,870 --> 00:39:30,220

don't know how many swings per year

784

00:39:32,759 --> 00:39:30,880

there are

785

00:39:37,099 --> 00:39:32,769

but I'm pretty sure they're dimming

786

00:39:43,019 --> 00:39:41,099

there's something else let's see if I

787

00:39:46,049 --> 00:39:43,029

can find you care cuz I gotta that dawn

788

00:39:47,759 --> 00:39:46,059

earlier yeah yeah the question for the

789

00:39:48,509 --> 00:39:47,769

front in the chatroom this comes from

790

00:39:50,789 --> 00:39:48,519

Big Bird

791

00:39:52,620 --> 00:39:50,799

how many Jersey Devils how many Jersey

792

00:39:55,170 --> 00:39:52,630

Devils do you believe there are about

793

00:39:59,099 --> 00:39:55,180

the area's described or do you believe

794

00:40:02,190 --> 00:39:59,109

that there is only one yeah I just hope

795

00:40:04,380 --> 00:40:02,200

to say also because you figure most

796

00:40:06,900 --> 00:40:04,390

animals you know they don't live past

797

00:40:12,299 --> 00:40:06,910

100 you you take a human they live

798

00:40:15,599 --> 00:40:12,309

usually 89 AFS some turtles can live I

799

00:40:19,109 --> 00:40:15,609

heard up to like maybe 150 160 from our

800

00:40:22,140 --> 00:40:19,119

net area that's a reptile for a turtle

801
00:40:23,999 --> 00:40:22,150
now this is a deer like you know

802
00:40:28,230 --> 00:40:24,009
something that's similar to a mammal

803
00:40:31,740 --> 00:40:28,240
like a deer a horse they probably live

804
00:40:34,259 --> 00:40:31,750
between 20 30 years so if we're talking

805
00:40:37,559 --> 00:40:34,269
about a speculative about the Jersey

806
00:40:41,670 --> 00:40:37,569
Devil which as far as I can say dates

807
00:40:43,890 --> 00:40:41,680
back to 1735 I would assume that if it

808
00:40:46,980 --> 00:40:43,900
does exist there probably are more than

809
00:40:49,349 --> 00:40:46,990
one of them one of the people that we

810
00:40:52,019 --> 00:40:49,359
spoke to Frank chilly states that he

811
00:40:55,230 --> 00:40:52,029
believes it's some summer pterodactyl

812
00:40:58,890 --> 00:40:55,240
that they live in underground caverns

813
00:40:59,480 --> 00:40:58,900

under New Jersey now this is history not

814

00:41:01,859 --> 00:40:59,490

mine

815

00:41:04,109 --> 00:41:01,869

but he speculates that there's several

816

00:41:05,640 --> 00:41:04,119

of them that live under there and have

817

00:41:07,319 --> 00:41:05,650

been living under there you know for

818

00:41:10,170 --> 00:41:07,329

thousands of millions of years since the

819

00:41:14,609 --> 00:41:10,180

dinosaurs the other thing that was

820

00:41:17,670 --> 00:41:14,619

mentioned was earlier one of our one of

821

00:41:20,789 --> 00:41:17,680

our people in chat and mentioned and I

822

00:41:24,269 --> 00:41:20,799

had jotted down a question earlier and I

823

00:41:28,529 --> 00:41:24,279

had to do with the Plum Island and the

824

00:41:31,140 --> 00:41:28,539

whole Montauk thing I guess my question

825

00:41:32,549 --> 00:41:31,150

was what woody when you saw that on

826

00:41:39,480 --> 00:41:32,559

Monster quest what were your thoughts

827

00:41:42,269 --> 00:41:39,490

about that what is possible that do you

828

00:41:43,680 --> 00:41:42,279

know human cloning experimentation with

829

00:41:46,930 --> 00:41:43,690

genes

830

00:41:49,809 --> 00:41:46,940

mixing different animals hybrids I mean

831

00:41:52,960 --> 00:41:49,819

it stoppable that limb did some kind of

832

00:41:57,010 --> 00:41:52,970

experiment and the Jersey Devil was born

833

00:42:01,809 --> 00:41:57,020

as with Montauk Island it's very well

834

00:42:04,390 --> 00:42:01,819

plausible plausible but I would feel

835

00:42:06,370 --> 00:42:04,400

that the Jersey Devil in modern times

836

00:42:08,829 --> 00:42:06,380

would be slighted a little bit more than

837

00:42:11,200 --> 00:42:08,839

that he actually is now if there was a

838

00:42:13,780 --> 00:42:11,210

biological being bring around the Pine

839

00:42:18,130 --> 00:42:13,790

Barrens is there you had mentioned that

840

00:42:22,420 --> 00:42:18,140

uh there were a few abandoned locations

841

00:42:23,799 --> 00:42:22,430

of interest yeah places that you and

842

00:42:26,410 --> 00:42:23,809

John can you can you tell us about some

843

00:42:28,180 --> 00:42:26,420

of them because we love abandoned

844

00:42:33,339 --> 00:42:28,190

locations I don't know what it is about

845

00:42:36,089 --> 00:42:33,349

it you know the history the nostalgia

846

00:42:38,410 --> 00:42:36,099

the interest affected its abandoned

847

00:42:41,680 --> 00:42:38,420

why would someone abandoned you know

848

00:42:44,309 --> 00:42:41,690

just stuff like that but uh but legend

849

00:42:49,109 --> 00:42:44,319

tripping is something I know you do -

850

00:42:51,630 --> 00:42:49,119

yes uh yeah there's several so-called

851

00:42:56,319 --> 00:42:51,640

like mental health facilities which were

852

00:42:58,390 --> 00:42:56,329

Skillman umama Essex County there are

853

00:43:01,150 --> 00:42:58,400

basically mental asylums that were dis

854

00:43:03,880 --> 00:43:01,160

abandoned and technically they really

855

00:43:06,579 --> 00:43:03,890

just released the the population into

856

00:43:09,010 --> 00:43:06,589

the public and the building's themselves

857

00:43:12,250 --> 00:43:09,020

were either you know abandon and

858

00:43:16,000 --> 00:43:12,260

demolished many years later some of

859

00:43:18,700 --> 00:43:16,010

those we did explore I mean - pretty

860

00:43:22,030 --> 00:43:18,710

much abandoned buildings and people do

861

00:43:23,589 --> 00:43:22,040

attach ghost stories to them or you know

862

00:43:27,309 --> 00:43:23,599

other atrocity that may or may not

863

00:43:28,900 --> 00:43:27,319

happen to them also I have a quick

864

00:43:30,640 --> 00:43:28,910

question and this is a really good

865

00:43:33,280 --> 00:43:30,650

question actually when this comes from

866

00:43:35,829 --> 00:43:33,290

Sudan again miss Jade these sightings

867

00:43:39,450 --> 00:43:35,839

gone up or down since we started having

868

00:43:42,099 --> 00:43:39,460

good cameras on smartphones

869

00:43:45,480 --> 00:43:42,109

that's a good question uh with any

870

00:43:48,099 --> 00:43:45,490

cryptid with any ghosts with any

871

00:43:52,030 --> 00:43:48,109

unexplained animal beasts or whatever

872

00:43:54,430 --> 00:43:52,040

you may want to call it sightings have I

873

00:43:57,140 --> 00:43:54,440

do feel that sightings in general has

874

00:43:59,380 --> 00:43:57,150

gone up but most of them had been

875

00:44:01,660 --> 00:43:59,390

proven to be false or faked with

876

00:44:05,990 --> 00:44:01,670

different apps that you can put on your

877

00:44:09,500 --> 00:44:06,000

smartphones and I do find it interesting

878

00:44:11,569 --> 00:44:09,510

that you know the average smartphone can

879

00:44:15,470 --> 00:44:11,579

take a very clear photo at you know

880

00:44:18,230 --> 00:44:15,480

averaging 16 Meg's but the photo that we

881

00:44:21,680 --> 00:44:18,240

get is very blurry out of focus and yes

882

00:44:24,230 --> 00:44:21,690

stuff like that um I do feel that they

883

00:44:26,150 --> 00:44:24,240

are going up but the quality is still

884

00:44:27,980 --> 00:44:26,160

down we're we're not seeing anything

885

00:44:31,670 --> 00:44:27,990

clear

886

00:44:33,529 --> 00:44:31,680

we're talking about like um you

887

00:44:37,029 --> 00:44:33,539

mentioned before about the wings and how

888

00:44:39,680 --> 00:44:37,039

it flies and how it would you know and

889

00:44:42,859 --> 00:44:39,690

and it reminds me of that thing that

890

00:44:45,319 --> 00:44:42,869

Huffington Post came up with they they

891

00:44:47,900 --> 00:44:45,329

had this little piece and it was kind of

892

00:44:49,519 --> 00:44:47,910

presented as like a newscast almost with

893

00:44:51,680 --> 00:44:49,529

this chick sitting at the news desk

894

00:44:53,660 --> 00:44:51,690

talking about the Jersey Devil and they

895

00:44:57,230 --> 00:44:53,670

had a couple different they showed that

896

00:45:00,680 --> 00:44:57,240

picture that guy took or a picture some

897

00:45:02,980 --> 00:45:00,690

guy took which was like uh I don't know

898

00:45:07,160 --> 00:45:02,990

but then they showed this thing flying

899

00:45:09,470 --> 00:45:07,170

and it looks like a black cow is that

900

00:45:12,349 --> 00:45:09,480

the one of the man my camera think his

901
00:45:14,809 --> 00:45:12,359
name was David David black and I think

902
00:45:17,089 --> 00:45:14,819
enough yet he was driving and he said he

903
00:45:18,799 --> 00:45:17,099
saw something messing around in the

904
00:45:22,750 --> 00:45:18,809
trees and when he said it took off from

905
00:45:26,620 --> 00:45:22,760
the trees it sprouted wings and flew off

906
00:45:29,029 --> 00:45:26,630
yeah I believe that was on some sort of

907
00:45:31,130 --> 00:45:29,039
contraption that made me some gold or

908
00:45:33,289 --> 00:45:31,140
someone Photoshop but yet that was

909
00:45:35,210 --> 00:45:33,299
popular I believe probably about a year

910
00:45:39,859 --> 00:45:35,220
or two ago oh that was circulating

911
00:45:40,940 --> 00:45:39,869
around the news also yeah when you watch

912
00:45:47,800 --> 00:45:40,950
that thing fly

913
00:45:54,579 --> 00:45:47,810

another thing it doesn't look right no

914

00:46:03,170 --> 00:45:59,359

of course you know like I I it's a tough

915

00:46:04,910 --> 00:46:03,180

call you figure again it's it's the

916

00:46:10,130 --> 00:46:04,920

Jersey Devil is really an intriguing

917

00:46:10,910 --> 00:46:10,140

mystery I mean yeah it's like the

918

00:46:14,089 --> 00:46:10,920

Bigfoot

919

00:46:16,309 --> 00:46:14,099

or like the Dogman was like the Mosman

920

00:46:19,250 --> 00:46:16,319

like now with Chicago and the owl the

921

00:46:22,339 --> 00:46:19,260

Mothman die old man thing is it's almost

922

00:46:24,650 --> 00:46:22,349

good I mean when you hear it you see a

923

00:46:27,470 --> 00:46:24,660

picture it's like yeah right but then

924

00:46:32,000 --> 00:46:27,480

again people are keep seeing it and it's

925

00:46:33,769 --> 00:46:32,010

consistent and you know I know these

926
00:46:37,420 --> 00:46:33,779
things I thought there are for real yeah

927
00:46:40,490 --> 00:46:37,430
I had a Bigfoot sighting you know and I

928
00:46:42,890 --> 00:46:40,500
guess before that happened I died I

929
00:46:47,029 --> 00:46:42,900
believed it was possible but I wasn't

930
00:46:48,950 --> 00:46:47,039
sure you know now I'm sure and then if

931
00:46:50,900 --> 00:46:48,960
something like that could be real then

932
00:46:55,220 --> 00:46:50,910
why couldn't there be something else you

933
00:46:59,089 --> 00:46:55,230
know and hiding in the same way uh you

934
00:47:01,130 --> 00:46:59,099
know the whole idea of pair of

935
00:47:02,420 --> 00:47:01,140
cryptozoology is is that some of these

936
00:47:05,720 --> 00:47:02,430
cryptids may have powers or abilities

937
00:47:08,329 --> 00:47:05,730
that humans don't possess and we know

938
00:47:10,400 --> 00:47:08,339

there's animals out there with powers or

939

00:47:13,339 --> 00:47:10,410

abilities that humans will possess you

940

00:47:19,700 --> 00:47:13,349

know snakes have thermal pits they can

941

00:47:21,620 --> 00:47:19,710

see in thermal vision you know or how

942

00:47:23,599 --> 00:47:21,630

about like hammerhead sharks or any

943

00:47:27,349 --> 00:47:23,609

shark for that matter they can detect a

944

00:47:29,470 --> 00:47:27,359

year buried under the the sand because

945

00:47:33,769 --> 00:47:29,480

you know they're magnetic receptors or

946

00:47:35,470 --> 00:47:33,779

so uh you know there's there's all sorts

947

00:47:38,079 --> 00:47:35,480

of examples

948

00:47:40,819 --> 00:47:38,089

yeah Nature can always surprise us

949

00:47:42,799 --> 00:47:40,829

right right and it's like someone just

950

00:47:44,359 --> 00:47:42,809

said in chat room you know but how do we

951
00:47:46,579 --> 00:47:44,369
know the truth what is signing in the

952
00:47:49,460 --> 00:47:46,589
woods what is it we're seeing I think

953
00:47:53,079 --> 00:47:49,470
that says a lot and you look at cryptids

954
00:47:55,700 --> 00:47:53,089
like that like Mothman or dog man

955
00:47:57,920 --> 00:47:55,710
especially Mothman you know you always

956
00:47:59,480 --> 00:47:57,930
see just one of them you never see more

957
00:48:01,430 --> 00:47:59,490
than one of them and it's like after the

958
00:48:03,259 --> 00:48:01,440
sightings where does they go it's just

959
00:48:05,539 --> 00:48:03,269
like as if they just up and vanished

960
00:48:10,220 --> 00:48:05,549
they disappear could it be that exactly

961
00:48:13,370 --> 00:48:10,230
or interdimensional at this point with

962
00:48:16,160 --> 00:48:13,380
the trail cams with the drones with the

963
00:48:20,599 --> 00:48:16,170

satellites with the numbers out there

964

00:48:23,450 --> 00:48:20,609

looking for this these cryptids you know

965

00:48:24,349 --> 00:48:23,460

every year like goes by I cannot follow

966

00:48:29,089 --> 00:48:24,359

more and more toward

967

00:48:31,880 --> 00:48:29,099

the para opposed to the zoological you

968

00:48:36,109 --> 00:48:31,890

know yeah just because you know at some

969

00:48:37,670 --> 00:48:36,119

point but one thing I want to we didn't

970

00:48:40,940 --> 00:48:37,680

get a chance to discuss I just wanted

971

00:48:44,900 --> 00:48:40,950

even if you can mention it is your other

972

00:48:47,450 --> 00:48:44,910

book and you can you tell us where is

973

00:48:51,049 --> 00:48:47,460

that the name of your other book because

974

00:48:54,470 --> 00:48:51,059

you have two books correct yeah that's

975

00:48:55,999 --> 00:48:54,480

for ya the first series in the the

976

00:48:58,009 --> 00:48:56,009

Jersey Devil books and we do have

977

00:49:02,509 --> 00:48:58,019

another one coming out in October of

978

00:49:05,539 --> 00:49:02,519

this year and the curse series deals

979

00:49:09,799 --> 00:49:05,549

with abandoned locations and other

980

00:49:13,099 --> 00:49:09,809

paranormal experiences similar surgeries

981

00:49:15,140 --> 00:49:13,109

a double about two years oval itself and

982

00:49:17,870 --> 00:49:15,150

we also have a horror series called

983

00:49:23,479 --> 00:49:17,880

LaBella morte which is a collection of

984

00:49:25,339 --> 00:49:23,489

fiction horror writing for people out

985

00:49:29,900 --> 00:49:25,349

there that are curious where can they

986

00:49:32,390 --> 00:49:29,910

find your books basically if you just do

987

00:49:34,970 --> 00:49:32,400

an internet search and go to Amazon or

988

00:49:37,279 --> 00:49:34,980

they are on Amazon and there's there any

989

00:49:39,589 --> 00:49:37,289

websites that you'd like to share or any

990

00:49:41,749 --> 00:49:39,599

other give anything coming up anything

991

00:49:45,799 --> 00:49:41,759

at all that you'd like to pass along or

992

00:49:46,880 --> 00:49:45,809

sure or anything the main thing is you

993

00:49:49,789 --> 00:49:46,890

know we want to pass on the information

994

00:49:51,589 --> 00:49:49,799

if you have any sort of information hard

995

00:49:54,559 --> 00:49:51,599

evidence along the Jersey Devil feel

996

00:49:56,239 --> 00:49:54,569

free to send it our way we are putting

997

00:50:00,049 --> 00:49:56,249

out the third book in the Jersey Devil

998

00:50:01,670 --> 00:50:00,059

series this October so there's a little

999

00:50:06,220 --> 00:50:01,680

bit of time to get that information into

1000

00:50:15,289 --> 00:50:10,420

okay that sounds great

1001
00:50:18,170 --> 00:50:15,299
Christoph thank you so much for thank

1002
00:50:23,539 --> 00:50:18,180
you very much for having me yes that's

1003
00:50:27,460 --> 00:50:23,549
all next week everyone we will be

1004
00:50:29,839 --> 00:50:27,470
talking about the Chicago how old man

1005
00:50:31,759 --> 00:50:29,849
Chris I mean we got a couple minutes

1006
00:50:36,289 --> 00:50:31,769
there any thoughts on that real quick

1007
00:50:37,890 --> 00:50:36,299
before we leave the mall Pam yeah the

1008
00:50:41,519 --> 00:50:37,900
Chicago phenomenon no

1009
00:50:43,559 --> 00:50:41,529
right now uh yeah I do need to you know

1010
00:50:45,299 --> 00:50:43,569
educate myself on that I'm not all that

1011
00:50:47,160 --> 00:50:45,309
familiar with it I've been more focused

1012
00:50:51,900 --> 00:50:47,170
along the Jersey Devil so I do have to

1013
00:50:55,049 --> 00:50:51,910

educate myself on it yeah seems

1014

00:50:55,980 --> 00:50:55,059

interesting there's they got so many

1015

00:50:58,440 --> 00:50:55,990

names for it

1016

00:51:03,870 --> 00:50:58,450

do not surface all oh man Mothman

1017

00:51:06,000 --> 00:51:03,880

man-bat that Squatch you know there's so

1018

00:51:09,690 --> 00:51:06,010

many more variables out there it's hard

1019

00:51:11,430 --> 00:51:09,700

to figure out which boy right but uh

1020

00:51:13,160 --> 00:51:11,440

with all the names I think we're just

1021

00:51:20,250 --> 00:51:13,170

gonna call it the

1022

00:51:21,990 --> 00:51:20,260

the Owlman Albin why not um well yeah so

1023

00:51:26,789 --> 00:51:22,000

that's next week well blonde Strickler

1024

00:51:33,329 --> 00:51:26,799

on and he has been he has been focusing

1025

00:51:36,150 --> 00:51:33,339

on them so he can give us an update but

1026

00:51:38,849 --> 00:51:36,160

I've looked into it somewhat but I know

1027

00:51:40,950 --> 00:51:38,859

LaVon is really looking to it every

1028

00:51:43,200 --> 00:51:40,960

report and talking to witnesses and

1029

00:51:46,109 --> 00:51:43,210

whatnot so uh there will be there will

1030

00:51:49,349 --> 00:51:46,119

be a good show to the believer the

1031

00:51:52,140 --> 00:51:49,359

evidence is overwhelming and to the

1032

00:51:53,789 --> 00:51:52,150

skeptic there will never be enough thank

1033

00:51:55,799 --> 00:51:53,799

you everyone god bless you have a
