

▶ John Ford UFO Nightmare Episode 23

Listen on

inceptionradionetwork.com

1
00:00:34,229 --> 00:00:10,540

[Music]

2
00:00:40,950 --> 00:00:37,990

welcome to the john ford ufo nightmare

3
00:00:46,270 --> 00:00:40,960

a dedicated ufologist's journey through

4
00:00:50,709 --> 00:00:48,150

[Music]

5
00:00:53,110 --> 00:00:50,719

welcome everybody to episode 24 of the

6
00:00:54,869 --> 00:00:53,120

john ford ufo nightmare tonight we've

7
00:00:57,270 --> 00:00:54,879

gathered our brain trust for another

8
00:00:59,189 --> 00:00:57,280

good show tonight we have on mr peter

9
00:01:01,349 --> 00:00:59,199

moon how you doing peter he could be on

10
00:01:02,869 --> 00:01:01,359

mute so he's listening standing by rich

11
00:01:04,469 --> 00:01:02,879

smith how are you doing today rach i'm

12
00:01:06,550 --> 00:01:04,479

doing good there thanks for having me on

13
00:01:08,630 --> 00:01:06,560

board tonight perfect thanks for uh

14

00:01:10,550 --> 00:01:08,640

being here again joe supardo how are you

15

00:01:13,109 --> 00:01:10,560

doing joe

16

00:01:15,350 --> 00:01:13,119

all right fine thanks a lot great great

17

00:01:16,630 --> 00:01:15,360

mr ken storage uh how are you doing down

18

00:01:17,210 --> 00:01:16,640

there in the heat

19

00:01:18,789 --> 00:01:17,220

hey

20

00:01:20,550 --> 00:01:18,799

[Laughter]

21

00:01:23,190 --> 00:01:20,560

you hit the ten ring on that one mj

22

00:01:24,870 --> 00:01:23,200

doing just fine thanks for uh and for

23

00:01:26,950 --> 00:01:24,880

the invite but uh with these other

24

00:01:29,990 --> 00:01:26,960

people appreciate it perfect and mr bob

25

00:01:32,550 --> 00:01:30,000

tarmac how are you dealing with the heat

26

00:01:34,230 --> 00:01:32,560

i'm doing fine i'm actually inside i'm

27

00:01:36,390 --> 00:01:34,240

in a coffee house right now trying to

28

00:01:38,550 --> 00:01:36,400

stay out of the heat so

29

00:01:40,870 --> 00:01:38,560

having a nice cup of coffee

30

00:01:42,550 --> 00:01:40,880

awesome perfect perfect so i'm going to

31

00:01:44,469 --> 00:01:42,560

hand it over to bob uh go ahead bob and

32

00:01:47,350 --> 00:01:44,479

take it away

33

00:01:49,510 --> 00:01:47,360

okay guys i'd uh like to introduce you

34

00:01:53,670 --> 00:01:49,520

to the show this is the john ford ufo

35

00:01:55,990 --> 00:01:53,680

nightmare and uh basically if you never

36

00:01:56,950 --> 00:01:56,000

listened to the show or you have never

37

00:02:00,550 --> 00:01:56,960

heard

38

00:02:02,709 --> 00:02:00,560

of john ford and the john ford case

39

00:02:05,030 --> 00:02:02,719

uh i'm going to introduce you real fast

40

00:02:08,070 --> 00:02:05,040

to what's going on john ford was just a

41

00:02:10,309 --> 00:02:08,080

regular guy a regular joe uh just like

42

00:02:14,630 --> 00:02:10,319

you and me basically one of the most

43

00:02:17,430 --> 00:02:14,640

honest men on the on the planet he was a

44

00:02:20,070 --> 00:02:17,440

gun-toting

45

00:02:21,270 --> 00:02:20,080

officer of the court the supreme court

46

00:02:23,830 --> 00:02:21,280

of new york

47

00:02:26,150 --> 00:02:23,840

very very well trusted in any case john

48

00:02:30,150 --> 00:02:26,160

got too close to something he was doing

49

00:02:33,990 --> 00:02:30,160

a ufo investigation in on long island

50

00:02:37,110 --> 00:02:34,000

and got too close to some stuff that

51
00:02:39,910 --> 00:02:37,120
people just didn't want to know about

52
00:02:42,390 --> 00:02:39,920
and he started uh blowing the whistle

53
00:02:45,110 --> 00:02:42,400
and investigating even deeper

54
00:02:50,309 --> 00:02:46,790
they they trumped up

55
00:02:53,190 --> 00:02:50,319
false charges on him arrested him uh

56
00:02:56,070 --> 00:02:53,200
paraded him in front of uh

57
00:02:58,309 --> 00:02:56,080
the tv and all the all the tv networks

58
00:03:00,630 --> 00:02:58,319
were basically against them because you

59
00:03:03,750 --> 00:03:00,640
know it was trump church

60
00:03:05,670 --> 00:03:03,760
and then they they walked him up and

61
00:03:06,949 --> 00:03:05,680
basically threw away the key he has

62
00:03:09,670 --> 00:03:06,959
been in a

63
00:03:12,470 --> 00:03:09,680

institution for the criminal criminally

64

00:03:13,910 --> 00:03:12,480

insane for over 20 years

65

00:03:17,190 --> 00:03:13,920

and the the

66

00:03:19,589 --> 00:03:17,200

reason this show exists is to keep the

67

00:03:23,270 --> 00:03:19,599

memory of john ford alive

68

00:03:25,350 --> 00:03:23,280

and hopefully to shame new york

69

00:03:28,149 --> 00:03:25,360

new york state

70

00:03:30,309 --> 00:03:28,159

and suffolk county and all the criminals

71

00:03:31,110 --> 00:03:30,319

that put john away

72

00:03:34,470 --> 00:03:31,120

and

73

00:03:36,789 --> 00:03:34,480

i have i was not around for uh when john

74

00:03:39,110 --> 00:03:36,799

was put away and all this but i i'm

75

00:03:41,589 --> 00:03:39,120

gonna hand this over to rick smith who

76

00:03:43,509 --> 00:03:41,599

will give you about a five minute uh

77

00:03:46,229 --> 00:03:43,519

synopsis of

78

00:03:47,990 --> 00:03:46,239

john ford what happened and then uh

79

00:03:49,830 --> 00:03:48,000

we're gonna go into a round table and

80

00:03:53,990 --> 00:03:49,840

gonna talk about

81

00:03:56,149 --> 00:03:54,000

uh what we're doing uh to help john ford

82

00:03:58,229 --> 00:03:56,159

out and get him out so rick you wanna

83

00:03:59,830 --> 00:03:58,239

you wanna take over for uh for about

84

00:04:02,390 --> 00:03:59,840

five minutes and tell the

85

00:04:04,710 --> 00:04:02,400

john ford story

86

00:04:07,030 --> 00:04:04,720

uh sure definitely i'd be happy to there

87

00:04:08,309 --> 00:04:07,040

um you know for those of us who have

88

00:04:09,830 --> 00:04:08,319

been with us for

89

00:04:11,750 --> 00:04:09,840

the past year and those of us who are

90

00:04:15,910 --> 00:04:11,760

joining us brand new tonight

91

00:04:17,909 --> 00:04:15,920

um just uh hit the bullet points on

92

00:04:21,270 --> 00:04:17,919

what's important about

93

00:04:23,030 --> 00:04:21,280

what makes this so significant uh

94

00:04:25,590 --> 00:04:23,040

john ford is uh

95

00:04:27,510 --> 00:04:25,600

is the executive director of the long

96

00:04:28,550 --> 00:04:27,520

island ufo network

97

00:04:30,790 --> 00:04:28,560

um

98

00:04:33,189 --> 00:04:30,800

which is still out there today okay it

99

00:04:35,350 --> 00:04:33,199

hasn't gone away um you know ever since

100

00:04:36,950 --> 00:04:35,360

it was started in the mid 90s

101
00:04:38,310 --> 00:04:36,960
and um

102
00:04:39,430 --> 00:04:38,320
it was in the

103
00:04:43,189 --> 00:04:39,440
uh

104
00:04:46,230 --> 00:04:43,199
yeah it was in the mid 90s that

105
00:04:48,230 --> 00:04:46,240
um there were a couple of key

106
00:04:51,830 --> 00:04:48,240
controversial issues

107
00:04:53,590 --> 00:04:51,840
that he has he as a ufologist

108
00:04:55,749 --> 00:04:53,600
and the director of lufon

109
00:05:00,230 --> 00:04:55,759
other researchers involved with lufon

110
00:05:05,510 --> 00:05:02,230
all their resources on

111
00:05:08,070 --> 00:05:05,520
and one was the infamous

112
00:05:10,550 --> 00:05:08,080
ufo crash

113
00:05:13,510 --> 00:05:10,560

that went over sunrise highway at that

114

00:05:14,629 --> 00:05:13,520

time a a cigar-shaped craft as everybody

115

00:05:16,310 --> 00:05:14,639

reported

116

00:05:18,710 --> 00:05:16,320

as they were coming home from work that

117

00:05:20,950 --> 00:05:18,720

night down sunrise highway that seemed

118

00:05:22,150 --> 00:05:20,960

to be wobbling out of control

119

00:05:23,990 --> 00:05:22,160

and

120

00:05:27,350 --> 00:05:24,000

in the in the direction it was headed

121

00:05:29,189 --> 00:05:27,360

seemed to crash land in um the southern

122

00:05:31,430 --> 00:05:29,199

part of south haven park

123

00:05:35,350 --> 00:05:31,440

uh just past sunrise highway

124

00:05:37,350 --> 00:05:35,360

well that ignited a firestorm of phone

125

00:05:39,189 --> 00:05:37,360

calls and uh

126
00:05:41,270 --> 00:05:39,199
um

127
00:05:42,790 --> 00:05:41,280
people coming out of the woodwork

128
00:05:44,550 --> 00:05:42,800
uh because

129
00:05:45,830 --> 00:05:44,560
that very same night that people saw

130
00:05:48,629 --> 00:05:45,840
this

131
00:05:50,469 --> 00:05:48,639
uh infamous um

132
00:05:51,670 --> 00:05:50,479
ufos

133
00:05:53,749 --> 00:05:51,680
and crashed

134
00:05:59,909 --> 00:05:53,759
taking place

135
00:06:04,950 --> 00:06:02,469
i think it only had been about

136
00:06:06,469 --> 00:06:04,960
15 or 20 minutes

137
00:06:09,590 --> 00:06:06,479
the uh

138
00:06:13,670 --> 00:06:11,270

black

139

00:06:15,270 --> 00:06:13,680

vehicles and

140

00:06:16,390 --> 00:06:15,280

black s to

141

00:06:17,749 --> 00:06:16,400

v's and

142

00:06:28,550 --> 00:06:17,759

black

143

00:06:33,430 --> 00:06:31,909

hey i lost richard is it just me

144

00:06:36,150 --> 00:06:33,440

i i

145

00:06:37,909 --> 00:06:36,160

i'm losing you richard just about every

146

00:06:39,909 --> 00:06:37,919

other unnamed black item you can think

147

00:06:43,749 --> 00:06:39,919

of showed up out of the blue and started

148

00:06:48,390 --> 00:06:46,070

to sunrise

149

00:06:50,550 --> 00:06:48,400

highway and side roads pretty much

150

00:06:52,390 --> 00:06:50,560

messed up rush hour traffic that night

151
00:06:54,469 --> 00:06:52,400
and there's been something to what was

152
00:06:57,990 --> 00:06:54,479
going on whether it was a genuine alien

153
00:07:12,309 --> 00:06:59,510
some form of

154
00:07:17,830 --> 00:07:14,950
richard i can't you uh i got about every

155
00:07:21,510 --> 00:07:17,840
six word from you okay

156
00:07:27,270 --> 00:07:24,150
uh can you guys uh hear peter and

157
00:07:28,950 --> 00:07:27,280
everyone here peter yeah i i had to go i

158
00:07:31,510 --> 00:07:28,960
was uh getting my phone to work that's

159
00:07:33,670 --> 00:07:31,520
why i was gone i'm here now and i just

160
00:07:36,710 --> 00:07:33,680
posted something in the column you can

161
00:07:37,990 --> 00:07:36,720
read when you get a chance all of you

162
00:07:39,430 --> 00:07:38,000
okay okay

163
00:07:41,110 --> 00:07:39,440

it's not people

164

00:07:43,670 --> 00:07:41,120

are you better you want to take it over

165

00:07:45,589 --> 00:07:43,680

from there because they're losing me

166

00:07:47,749 --> 00:07:45,599

well

167

00:07:50,230 --> 00:07:47,759

i know bob just summarized

168

00:07:52,309 --> 00:07:50,240

the john ford fiasco and of course the

169

00:07:54,469 --> 00:07:52,319

whole john ford problem

170

00:07:57,589 --> 00:07:54,479

surrounds suffolk county and

171

00:08:00,469 --> 00:07:57,599

irregularities in suffolk county

172

00:08:02,710 --> 00:08:00,479

as well as new york state and i just

173

00:08:05,110 --> 00:08:02,720

came into me today

174

00:08:06,150 --> 00:08:05,120

uh and i just posted it for you guys to

175

00:08:08,390 --> 00:08:06,160

see

176

00:08:10,390 --> 00:08:08,400

i i don't know if bob or somebody can

177

00:08:13,909 --> 00:08:10,400

post it if there's some place that the

178

00:08:15,589 --> 00:08:13,919

listeners can uh view it but what it is

179

00:08:17,270 --> 00:08:15,599

and this concerns irregularities in

180

00:08:19,589 --> 00:08:17,280

suffolk county it says the suffolk and

181

00:08:21,350 --> 00:08:19,599

this is posted in the motor pool at camp

182

00:08:22,309 --> 00:08:21,360

hero which is the montauk air force

183

00:08:24,230 --> 00:08:22,319

station

184

00:08:26,629 --> 00:08:24,240

to uh uh suffolk county department of

185

00:08:29,350 --> 00:08:26,639

health services grants a permit to

186

00:08:32,790 --> 00:08:29,360

operate a toxic or hazardous materials

187

00:08:36,630 --> 00:08:32,800

storage facility to the us

188

00:08:39,430 --> 00:08:36,640

at camp hero and and uh

189

00:08:42,149 --> 00:08:39,440

it says the owner is the us army 26

190

00:08:43,909 --> 00:08:42,159

federal plaza in new york new york now

191

00:08:46,070 --> 00:08:43,919

this has to do with toxic materials

192

00:08:48,949 --> 00:08:46,080

which the john ford case also had to do

193

00:08:50,949 --> 00:08:48,959

with toxic materials uh had to do with

194

00:08:52,870 --> 00:08:50,959

illegal in addition to the ufo

195

00:08:54,710 --> 00:08:52,880

investigating he was doing there were

196

00:08:55,750 --> 00:08:54,720

toxic materials

197

00:09:02,310 --> 00:08:55,760

um

198

00:09:04,230 --> 00:09:02,320

and he was uh john powell who was a john

199

00:09:08,389 --> 00:09:04,240

ford's biggest adversary was taking

200

00:09:11,110 --> 00:09:08,399

bribes for allowing illegal dumping

201
00:09:13,829 --> 00:09:11,120
at the brookhaven town dump i had told a

202
00:09:16,630 --> 00:09:13,839
story earlier uh

203
00:09:19,910 --> 00:09:16,640
on this series of radios shows that

204
00:09:22,389 --> 00:09:19,920
we've been doing of one day me chasing

205
00:09:24,870 --> 00:09:22,399
down a dump truck that had run out of

206
00:09:27,350 --> 00:09:24,880
camp here and was ostensibly going to

207
00:09:29,590 --> 00:09:27,360
the brookhaven town dump i chased it and

208
00:09:31,910 --> 00:09:29,600
it was going 70 mile over 70 miles an

209
00:09:32,870 --> 00:09:31,920
hour trying to evade me

210
00:09:36,550 --> 00:09:32,880
so

211
00:09:38,150 --> 00:09:36,560
here we have a screaming irregularity of

212
00:09:39,509 --> 00:09:38,160
an involvement

213
00:09:41,750 --> 00:09:39,519

between

214

00:09:43,990 --> 00:09:41,760

uh suffolk county

215

00:09:47,269 --> 00:09:44,000

and the u.s army

216

00:09:48,949 --> 00:09:47,279

now we have been saying all along that

217

00:09:50,790 --> 00:09:48,959

new york state you know you wanted to

218

00:09:51,670 --> 00:09:50,800

embarrass new york state

219

00:09:54,710 --> 00:09:51,680

yes

220

00:09:57,509 --> 00:09:54,720

and as well as suffolk county but now

221

00:09:58,630 --> 00:09:57,519

we're getting a bit of view as to who

222

00:10:01,190 --> 00:09:58,640

perhaps

223

00:10:05,110 --> 00:10:01,200

the real culprit might be it's not the

224

00:10:06,949 --> 00:10:05,120

russians it's the us army uh who is very

225

00:10:08,710 --> 00:10:06,959

much seems to have a hand in these

226

00:10:09,829 --> 00:10:08,720

things

227

00:10:10,630 --> 00:10:09,839

still

228

00:10:12,389 --> 00:10:10,640

so

229

00:10:14,550 --> 00:10:12,399

well you know and you know and here's

230

00:10:18,150 --> 00:10:14,560

the irony of it peter

231

00:10:20,949 --> 00:10:18,160

the weapon of choice that john ford is

232

00:10:22,310 --> 00:10:20,959

accused of using is a toxic material i

233

00:10:23,030 --> 00:10:22,320

mean you got to look at that and that's

234

00:10:25,190 --> 00:10:23,040

the

235

00:10:27,829 --> 00:10:25,200

irony i didn't say that but very well

236

00:10:30,069 --> 00:10:27,839

pointed out ken uh yes so it's but it's

237

00:10:32,949 --> 00:10:30,079

funny that this would come into me

238

00:10:35,110 --> 00:10:32,959

uh today just uh within the la before

239

00:10:37,269 --> 00:10:35,120

the show started and i was actually

240

00:10:38,630 --> 00:10:37,279

opening it up and looking at it when you

241

00:10:40,470 --> 00:10:38,640

guys called in

242

00:10:42,310 --> 00:10:40,480

i'd forgotten about the show

243

00:10:44,630 --> 00:10:42,320

and and i was in the middle of getting

244

00:10:46,550 --> 00:10:44,640

my phone you know problems sorted out

245

00:10:48,949 --> 00:10:46,560

which is all sorted out now so i mean

246

00:10:49,990 --> 00:10:48,959

but this this thing just came in

247

00:10:53,269 --> 00:10:50,000

uh

248

00:10:55,350 --> 00:10:53,279

and it's it's bizarre now the army

249

00:10:56,790 --> 00:10:55,360

sent a corps of engineers to clean up

250

00:10:59,269 --> 00:10:56,800

camp hero

251
00:11:01,350 --> 00:10:59,279
god it was a

252
00:11:02,230 --> 00:11:01,360
it was over 10 years ago

253
00:11:04,949 --> 00:11:02,240
and

254
00:11:07,430 --> 00:11:04,959
it was the parsons corporation of los

255
00:11:09,269 --> 00:11:07,440
angeles who does underground cities and

256
00:11:11,829 --> 00:11:09,279
stuff and they did a whole cleanup of

257
00:11:13,590 --> 00:11:11,839
camp hero in conjunction with the u.s

258
00:11:14,870 --> 00:11:13,600
car army corps of engineers they were

259
00:11:16,870 --> 00:11:14,880
digging it up

260
00:11:19,190 --> 00:11:16,880
and claiming that they were getting rid

261
00:11:21,829 --> 00:11:19,200
of all the toxic stuff now

262
00:11:22,790 --> 00:11:21,839
they deliberately hid

263
00:11:26,389 --> 00:11:22,800

uh

264

00:11:28,389 --> 00:11:26,399

outcry what are these people doing at

265

00:11:30,949 --> 00:11:28,399

camp hero so they had a public meeting

266

00:11:32,790 --> 00:11:30,959

which i was informed of

267

00:11:34,550 --> 00:11:32,800

and they canceled it and then at the

268

00:11:36,389 --> 00:11:34,560

last minute they they announced where it

269

00:11:38,630 --> 00:11:36,399

was and i was able to go

270

00:11:40,630 --> 00:11:38,640

to the montauk downs with uh with a

271

00:11:41,990 --> 00:11:40,640

friend of mine where i met up with a

272

00:11:43,670 --> 00:11:42,000

couple other friends of mine and we

273

00:11:45,269 --> 00:11:43,680

listened to the army

274

00:11:46,870 --> 00:11:45,279

uh get up there and the parsons

275

00:11:48,069 --> 00:11:46,880

corporation in the army lied through

276

00:11:51,110 --> 00:11:48,079

their teeth

277

00:11:53,030 --> 00:11:51,120

about not having a uh

278

00:11:55,350 --> 00:11:53,040

there was no toxic materials on camp

279

00:11:57,190 --> 00:11:55,360

hero that they cleaned them all up

280

00:11:59,670 --> 00:11:57,200

and what was very funny is that the

281

00:12:02,150 --> 00:11:59,680

justification was the the army corps

282

00:12:04,150 --> 00:12:02,160

engineer was saying he says i i will bet

283

00:12:06,310 --> 00:12:04,160

my house i have a nice house in alabama

284

00:12:08,470 --> 00:12:06,320

over 250 thousand i will bet my entire

285

00:12:09,910 --> 00:12:08,480

house that there's no toxic material

286

00:12:11,910 --> 00:12:09,920

that what kind of bed is this you know

287

00:12:14,790 --> 00:12:11,920

this isn't las vegas you know he says

288

00:12:16,310 --> 00:12:14,800

yeah oh so he puts up his house as a bed

289

00:12:18,710 --> 00:12:16,320

uh of course

290

00:12:21,990 --> 00:12:18,720

those bunkers at camp hero were full of

291

00:12:22,870 --> 00:12:22,000

munitions which leak into the soil

292

00:12:24,470 --> 00:12:22,880

so

293

00:12:26,389 --> 00:12:24,480

you know the army

294

00:12:27,430 --> 00:12:26,399

lies big surprise

295

00:12:30,470 --> 00:12:27,440

um

296

00:12:31,910 --> 00:12:30,480

now the only way we can link the army to

297

00:12:33,670 --> 00:12:31,920

john ford

298

00:12:35,110 --> 00:12:33,680

uh because all of this was political

299

00:12:37,350 --> 00:12:35,120

with john powell

300

00:12:39,430 --> 00:12:37,360

it was all political it was thought to

301
00:12:40,470 --> 00:12:39,440
be largely over the dump

302
00:12:43,110 --> 00:12:40,480
and

303
00:12:45,829 --> 00:12:43,120
uh but the army only way it links to

304
00:12:46,870 --> 00:12:45,839
john ford is perhaps through the ufo

305
00:12:48,069 --> 00:12:46,880
connection

306
00:12:49,430 --> 00:12:48,079
uh

307
00:12:51,269 --> 00:12:49,440
that that would be

308
00:12:53,350 --> 00:12:51,279
and i think that's exactly how it went

309
00:12:54,629 --> 00:12:53,360
down richard

310
00:12:57,509 --> 00:12:54,639
is that the

311
00:13:00,230 --> 00:12:57,519
investigation of the unidentified craft

312
00:13:02,790 --> 00:13:00,240
that allegedly came down

313
00:13:05,269 --> 00:13:02,800

that's what got john for out there

314

00:13:07,030 --> 00:13:05,279

physically

315

00:13:09,829 --> 00:13:07,040

well he certainly

316

00:13:12,069 --> 00:13:09,839

was uh pursuing it and

317

00:13:14,069 --> 00:13:12,079

and then with the real

318

00:13:16,550 --> 00:13:14,079

you know the thing that really defeated

319

00:13:18,949 --> 00:13:16,560

john ford more than anything was his

320

00:13:20,550 --> 00:13:18,959

association with joseph masicelli who

321

00:13:21,590 --> 00:13:20,560

was ostensibly

322

00:13:23,269 --> 00:13:21,600

working

323

00:13:26,069 --> 00:13:23,279

through the suffolk county police

324

00:13:27,990 --> 00:13:26,079

ostensibly or in association with them

325

00:13:30,629 --> 00:13:28,000

yeah i think so

326

00:13:33,030 --> 00:13:30,639

or the district attorney's office and

327

00:13:35,269 --> 00:13:33,040

john still believe that by the way i

328

00:13:36,870 --> 00:13:35,279

don't concur but i mean i'm going to go

329

00:13:38,710 --> 00:13:36,880

along with you know i'm just going to

330

00:13:40,949 --> 00:13:38,720

pass the information on john believes

331

00:13:42,870 --> 00:13:40,959

that joe is working directly for the

332

00:13:47,269 --> 00:13:42,880

district attorney's office

333

00:13:50,550 --> 00:13:47,279

um i tend to disagree only because

334

00:13:53,590 --> 00:13:50,560

uh joe served jail time i think nine

335

00:13:55,670 --> 00:13:53,600

years at 12 years i have i i know he

336

00:13:58,629 --> 00:13:55,680

served like five years yeah but i think

337

00:14:01,189 --> 00:13:58,639

he was looking at a lot of serious uh

338

00:14:03,110 --> 00:14:01,199

prison time had he not cooperated they

339

00:14:05,990 --> 00:14:03,120

turned him he went to work for him and

340

00:14:08,550 --> 00:14:06,000

they offered him a lighter sentence i i

341

00:14:10,230 --> 00:14:08,560

i think that's how that went down okay

342

00:14:12,870 --> 00:14:10,240

that's very impressive

343

00:14:15,670 --> 00:14:12,880

and was he john joseph was he not

344

00:14:18,150 --> 00:14:15,680

registered as a police informant

345

00:14:20,710 --> 00:14:18,160

i know not my knowledge

346

00:14:23,269 --> 00:14:20,720

not to john's knowledge either i know

347

00:14:25,110 --> 00:14:23,279

that the other the guy that he sold guts

348

00:14:27,110 --> 00:14:25,120

to was

349

00:14:29,990 --> 00:14:27,120

and i also would like to make a

350

00:14:32,310 --> 00:14:30,000

correction on the uh information i gave

351

00:14:33,990 --> 00:14:32,320

i spoke with john in some detail about

352

00:14:36,790 --> 00:14:34,000

ed zabo

353

00:14:37,670 --> 00:14:36,800

yeah the the uh the third

354

00:14:39,990 --> 00:14:37,680

uh

355

00:14:42,310 --> 00:14:40,000

you know alleged conspirator that they

356

00:14:44,710 --> 00:14:42,320

that they they supposedly found him

357

00:14:46,470 --> 00:14:44,720

weeks later or something like that he

358

00:14:48,470 --> 00:14:46,480

worked for the department of defense and

359

00:14:51,030 --> 00:14:48,480

he was assigned to the uh

360

00:14:52,870 --> 00:14:51,040

to the grumman plant near there

361

00:14:55,110 --> 00:14:52,880

they were the ones using radioactive

362

00:14:56,870 --> 00:14:55,120

material and having it dumped by the

363

00:15:01,030 --> 00:14:56,880

town of brookhaven and the county of

364

00:15:03,750 --> 00:15:01,040

suffolk um zabo was uh i i gave

365

00:15:06,949 --> 00:15:03,760

information that zabo was arrested and

366

00:15:09,910 --> 00:15:06,959

convicted and and jailed for

367

00:15:10,710 --> 00:15:09,920

uh weapons possession for a handgun

368

00:15:14,069 --> 00:15:10,720

and

369

00:15:15,910 --> 00:15:14,079

as it happened uh john told me exactly

370

00:15:19,110 --> 00:15:15,920

what happened in fact i just spoke with

371

00:15:21,509 --> 00:15:19,120

him like a few hours ago on my phone

372

00:15:24,150 --> 00:15:21,519

and um he told me that

373

00:15:26,710 --> 00:15:24,160

zebo was

374

00:15:29,189 --> 00:15:26,720

was arrested and convicted

375

00:15:30,069 --> 00:15:29,199

for possession of fireworks of all

376

00:15:31,189 --> 00:15:30,079

things

377

00:15:34,310 --> 00:15:31,199

okay

378

00:15:37,110 --> 00:15:34,320

um and um but there were several

379

00:15:39,829 --> 00:15:37,120

handguns found in his home and he took a

380

00:15:41,829 --> 00:15:39,839

plea bargain he served about 12 months

381

00:15:44,069 --> 00:15:41,839

approximately 12 months

382

00:15:46,150 --> 00:15:44,079

in the county jail

383

00:15:48,310 --> 00:15:46,160

he was convicted of did you say

384

00:15:50,550 --> 00:15:48,320

fireworks fireworks

385

00:15:55,110 --> 00:15:50,560

works yes fireworks in new york are

386

00:16:00,069 --> 00:15:57,749

every year the neighborhoods blow up i

387

00:16:02,150 --> 00:16:00,079

mean you know there's fires

388

00:16:04,069 --> 00:16:02,160

yeah some kid blows his hand off and

389

00:16:05,590 --> 00:16:04,079

they they arrest a few people here and

390

00:16:07,350 --> 00:16:05,600

they only do that once

391

00:16:10,790 --> 00:16:07,360

so that they're doing something but the

392

00:16:13,030 --> 00:16:10,800

thing is he's arrested fireworks and

393

00:16:15,670 --> 00:16:13,040

uh there's a story behind that too he

394

00:16:17,350 --> 00:16:15,680

bought the contents of somebody's garage

395

00:16:19,670 --> 00:16:17,360

site unseen from

396

00:16:21,829 --> 00:16:19,680

and uh he unpacked the boxes and he

397

00:16:23,670 --> 00:16:21,839

found a bunch of fireworks and fireworks

398

00:16:24,710 --> 00:16:23,680

making equipment

399

00:16:27,269 --> 00:16:24,720

and he

400

00:16:30,389 --> 00:16:27,279

then called the police at

401

00:16:32,629 --> 00:16:30,399

john's advice he called the police

402

00:16:33,749 --> 00:16:32,639

and uh that's when they came down there

403

00:16:35,670 --> 00:16:33,759

they gave him

404

00:16:38,629 --> 00:16:35,680

you know an appearance ticket

405

00:16:41,030 --> 00:16:38,639

and it was everyone was arrested

406

00:16:43,110 --> 00:16:41,040

because he had he discovered fireworks

407

00:16:44,870 --> 00:16:43,120

in a uh storage unit that he bought or

408

00:16:46,790 --> 00:16:44,880

whatever garage whatever

409

00:16:48,550 --> 00:16:46,800

yeah it was a yeah it was the cops come

410

00:16:49,670 --> 00:16:48,560

there and they arrest him because he

411

00:16:51,590 --> 00:16:49,680

called him there to tell him that he's

412

00:16:53,749 --> 00:16:51,600

got these fire are you kidding me

413

00:16:54,870 --> 00:16:53,759

and he writes that he took fireworks

414

00:16:56,949 --> 00:16:54,880

away and they gave him a court

415

00:16:58,870 --> 00:16:56,959

appearance ticket and then after john

416

00:17:01,910 --> 00:16:58,880

was arrested they searched his house

417

00:17:04,230 --> 00:17:01,920

they found several handguns

418

00:17:06,309 --> 00:17:04,240

the handguns if you plead guilty to the

419

00:17:08,870 --> 00:17:06,319

fireworks and pay the maximum fine and

420

00:17:12,150 --> 00:17:08,880

do the maximum uh sentence

421

00:17:13,990 --> 00:17:12,160

for possession of fireworks

422

00:17:15,909 --> 00:17:14,000

the cops searched his house after they

423

00:17:17,270 --> 00:17:15,919

arrested him after he called them is

424

00:17:21,029 --> 00:17:17,280

that what is that what you're saying no

425

00:17:23,590 --> 00:17:21,039

no no no at first at first he called

426

00:17:27,189 --> 00:17:23,600

john advised ed

427

00:17:29,430 --> 00:17:27,199

zabo to call call the fleet which he did

428

00:17:31,510 --> 00:17:29,440

and they and tell him what happened and

429

00:17:33,909 --> 00:17:31,520

so they arrested they gave him a court

430

00:17:35,669 --> 00:17:33,919

appearance ticket for the fireworks in

431

00:17:37,590 --> 00:17:35,679

other words he was going to plead you

432

00:17:38,950 --> 00:17:37,600

know i well i bought this stuff and i

433

00:17:42,230 --> 00:17:38,960

called the police i thought i was doing

434

00:17:44,470 --> 00:17:42,240

the right thing of course right

435

00:17:46,390 --> 00:17:44,480

right exactly i mean that's that's what

436

00:17:48,789 --> 00:17:46,400

john told them to do this is just to

437

00:17:51,430 --> 00:17:48,799

show you how honest the person john is

438

00:17:55,750 --> 00:17:51,440

and was all right at the end

439

00:17:57,909 --> 00:17:55,760

um and then and then after john's arrest

440

00:18:00,549 --> 00:17:57,919

they went back to zabal's house looking

441

00:18:02,150 --> 00:18:00,559

for a radium and god knows what else

442

00:18:03,350 --> 00:18:02,160

because they oh okay

443

00:18:05,350 --> 00:18:03,360

so they had a search warrant for his

444

00:18:07,190 --> 00:18:05,360

house too then right they got a search

445

00:18:09,510 --> 00:18:07,200

board for his house because they said

446

00:18:10,390 --> 00:18:09,520

they claimed that he supplied radium to

447

00:18:11,350 --> 00:18:10,400

john

448

00:18:13,270 --> 00:18:11,360

right

449

00:18:15,350 --> 00:18:13,280

he was completely flabbergasted he knew

450

00:18:17,510 --> 00:18:15,360

nothing about this they tore his house

451
00:18:20,390 --> 00:18:17,520
apart all they found was a broken

452
00:18:22,630 --> 00:18:20,400
handgun and a working handgun

453
00:18:24,070 --> 00:18:22,640
neither of which had been fired

454
00:18:26,070 --> 00:18:24,080
and um

455
00:18:27,669 --> 00:18:26,080
he couldn't account for them so they

456
00:18:29,350 --> 00:18:27,679
made him a plea deal they cut him a

457
00:18:32,549 --> 00:18:29,360
fleet there we will charge you with

458
00:18:34,950 --> 00:18:32,559
conspiracy we charge you with radium

459
00:18:37,110 --> 00:18:34,960
we won't charge you for the fireworks

460
00:18:39,029 --> 00:18:37,120
i'd rather we charge you for the guns

461
00:18:40,710 --> 00:18:39,039
but you have to plead guilty to the

462
00:18:43,590 --> 00:18:40,720
fireworks and take whatever sentence

463
00:18:44,710 --> 00:18:43,600

they give you his lawyer apparently said

464

00:18:46,630 --> 00:18:44,720

okay

465

00:18:48,710 --> 00:18:46,640

so they dropped the conspiracy they

466

00:18:49,909 --> 00:18:48,720

dropped the radium they dropped the

467

00:18:53,029 --> 00:18:49,919

handgun

468

00:18:56,150 --> 00:18:53,039

charge and and he pled guilty only to uh

469

00:18:58,390 --> 00:18:56,160

like the lowest level uh it's either the

470

00:19:01,110 --> 00:18:58,400

highest level misdemeanor or the lowest

471

00:19:04,390 --> 00:19:01,120

level felony paid a fine and spent a

472

00:19:06,150 --> 00:19:04,400

year in jail so there you have it okay

473

00:19:08,070 --> 00:19:06,160

they needed to yeah they had to expand

474

00:19:11,110 --> 00:19:08,080

the conspiracy because conspiracy

475

00:19:12,150 --> 00:19:11,120

between two people inside of a private

476
00:19:14,710 --> 00:19:12,160
home

477
00:19:18,070 --> 00:19:14,720
when no search warrant or you know

478
00:19:19,830 --> 00:19:18,080
wiretap warrant existed is uh you know i

479
00:19:21,750 --> 00:19:19,840
mean

480
00:19:23,190 --> 00:19:21,760
you know john could have very easily

481
00:19:26,630 --> 00:19:23,200
called their bluff even though it was

482
00:19:28,870 --> 00:19:26,640
politically motivated he should have

483
00:19:29,750 --> 00:19:28,880
she should have right exactly but you

484
00:19:31,669 --> 00:19:29,760
know

485
00:19:34,150 --> 00:19:31,679
john should have done but he didn't do

486
00:19:36,150 --> 00:19:34,160
them unfortunately but uh joe could you

487
00:19:40,470 --> 00:19:36,160
tell us what john said because you spoke

488
00:19:44,549 --> 00:19:42,630

uh we have a good

489

00:19:46,630 --> 00:19:44,559

going uh attorney

490

00:19:48,549 --> 00:19:46,640

uh

491

00:19:50,950 --> 00:19:48,559

repeat it

492

00:19:52,710 --> 00:19:50,960

we have good news concerning the

493

00:19:55,150 --> 00:19:52,720

attorney situation

494

00:19:57,669 --> 00:19:55,160

you haven't

495

00:19:59,270 --> 00:19:57,679

somebody that john knows

496

00:20:01,830 --> 00:19:59,280

spoke to already

497

00:20:03,750 --> 00:20:01,840

john advised me to contact the gentleman

498

00:20:06,390 --> 00:20:03,760

tomorrow morning i don't want to mention

499

00:20:08,470 --> 00:20:06,400

his name it's a it's a it's a powerful

500

00:20:10,549 --> 00:20:08,480

hard-hitting attorney i'm going to make

501
00:20:13,110 --> 00:20:10,559
some kind of arrangements with him and

502
00:20:15,510 --> 00:20:13,120
and act as john's power of attorney to

503
00:20:17,029 --> 00:20:15,520
hire him as a legal attorney

504
00:20:21,029 --> 00:20:17,039
in john's case

505
00:20:21,039 --> 00:20:24,789
you're getting broken up again joe

506
00:20:30,070 --> 00:20:27,430
you i lost him you faded out

507
00:20:32,470 --> 00:20:30,080
well the the question we all have is is

508
00:20:34,230 --> 00:20:32,480
robert reno off the is this mean that

509
00:20:36,390 --> 00:20:34,240
robert reno was off the case which we

510
00:20:37,350 --> 00:20:36,400
would assume it does the second question

511
00:20:39,669 --> 00:20:37,360
would be

512
00:20:41,990 --> 00:20:39,679
is this a new attorney going to charge

513
00:20:45,350 --> 00:20:42,000

john an arm and a leg

514

00:20:46,950 --> 00:20:45,360

will he come on the show and talk to us

515

00:20:49,669 --> 00:20:46,960

well that would be the third question

516

00:20:51,270 --> 00:20:49,679

yes yeah have him come on here after he

517

00:20:53,350 --> 00:20:51,280

looks at the case if he's going to take

518

00:20:54,310 --> 00:20:53,360

it

519

00:20:56,789 --> 00:20:54,320

yeah

520

00:20:58,710 --> 00:20:56,799

it's great it'd be absolutely great

521

00:21:00,710 --> 00:20:58,720

we had we have robert reno on the show

522

00:21:02,789 --> 00:21:00,720

once but we've never been able to get

523

00:21:05,830 --> 00:21:02,799

back again yeah

524

00:21:07,590 --> 00:21:05,840

and i i wasn't all that impressed

525

00:21:11,750 --> 00:21:07,600

okay

526
00:21:14,390 --> 00:21:11,760
wasn't impressive in fact what was less

527
00:21:16,710 --> 00:21:14,400
impressive is how he performed and of

528
00:21:17,510 --> 00:21:16,720
course you know it's easy for somebody

529
00:21:20,070 --> 00:21:17,520
to

530
00:21:23,669 --> 00:21:20,080
uh take money and and go through the

531
00:21:27,830 --> 00:21:23,679
motions and not do a real job this job

532
00:21:29,669 --> 00:21:27,840
requires somebody with a lot of grit

533
00:21:30,630 --> 00:21:29,679
and not somebody who's just a paper

534
00:21:32,070 --> 00:21:30,640
pusher

535
00:21:35,029 --> 00:21:32,080
uh that will

536
00:21:36,870 --> 00:21:35,039
kiss the ass of the court system uh so

537
00:21:38,630 --> 00:21:36,880
this is what what is needed and this

538
00:21:40,149 --> 00:21:38,640

would be the next question

539

00:21:42,950 --> 00:21:40,159

is this attorney

540

00:21:47,590 --> 00:21:42,960

uh a real person or is he just somebody

541

00:21:52,549 --> 00:21:49,510

first time i mean wasn't it wasn't it

542

00:21:54,310 --> 00:21:52,559

robert reno who did not show up for uh

543

00:21:56,950 --> 00:21:54,320

for one of the court

544

00:22:00,630 --> 00:21:56,960

uh things or

545

00:22:03,510 --> 00:22:00,640

is in the last uh the last uh time that

546

00:22:04,630 --> 00:22:03,520

uh the john was in court roberino was

547

00:22:06,789 --> 00:22:04,640

either late

548

00:22:08,950 --> 00:22:06,799

i don't know if he could show up but he

549

00:22:10,710 --> 00:22:08,960

certainly acquiesced

550

00:22:12,710 --> 00:22:10,720

and there were things about the case

551
00:22:14,230 --> 00:22:12,720
that he didn't even know

552
00:22:16,149 --> 00:22:14,240
that became apparent

553
00:22:19,430 --> 00:22:16,159
on several questions when we were

554
00:22:22,149 --> 00:22:19,440
talking to him and he was not aware

555
00:22:25,029 --> 00:22:22,159
and joe said that he's been uh been

556
00:22:27,110 --> 00:22:25,039
billed constantly by by reno uh really

557
00:22:29,270 --> 00:22:27,120
well that's what attorneys do

558
00:22:31,510 --> 00:22:29,280
that's what attorneys do yeah

559
00:22:33,669 --> 00:22:31,520
you know i'm sorry i i know that there

560
00:22:36,549 --> 00:22:33,679
may be some attorneys listening but it

561
00:22:38,549 --> 00:22:36,559
is a very vulturous profession

562
00:22:40,470 --> 00:22:38,559
and if you've got the change

563
00:22:42,390 --> 00:22:40,480

i mean you can you can fight hell you

564

00:22:45,510 --> 00:22:42,400

can fight murder and get away with if

565

00:22:49,590 --> 00:22:45,520

you've got enough bucks behind you

566

00:22:57,590 --> 00:22:53,510

i'm serious man i i'm just amazed at

567

00:22:59,750 --> 00:22:57,600

the uh at the uh judicial system in uh

568

00:23:00,950 --> 00:22:59,760

in that county suffolk county they've

569

00:23:02,149 --> 00:23:00,960

been in the news a lot by the way i

570

00:23:04,549 --> 00:23:02,159

don't know if you guys know that or not

571

00:23:06,149 --> 00:23:04,559

but there's last couple of weeks suffolk

572

00:23:08,789 --> 00:23:06,159

county new york's been in the news

573

00:23:10,390 --> 00:23:08,799

because uh their intel unit is trying to

574

00:23:13,430 --> 00:23:10,400

get a handle

575

00:23:15,590 --> 00:23:13,440

uh on the ms-13 game

576

00:23:19,430 --> 00:23:15,600

i'm not tell us about it i i don't know

577

00:23:23,510 --> 00:23:20,710

well

578

00:23:25,029 --> 00:23:23,520

just to give you uh any any any any dirt

579

00:23:27,590 --> 00:23:25,039

we could we can throw out suspects

580

00:23:29,990 --> 00:23:27,600

county and that whole system absolutely

581

00:23:31,830 --> 00:23:30,000

please well and hey you know before i

582

00:23:33,430 --> 00:23:31,840

before i go down that road let me say i

583

00:23:36,070 --> 00:23:33,440

i truly believe that there are good

584

00:23:37,510 --> 00:23:36,080

honest cops and good honest da's in

585

00:23:38,390 --> 00:23:37,520

suffolk county

586

00:23:40,390 --> 00:23:38,400

okay

587

00:23:44,149 --> 00:23:40,400

but i think there is

588

00:23:46,149 --> 00:23:44,159

and probably has been for some time

589

00:23:48,149 --> 00:23:46,159

corruption at a certain level and i can

590

00:23:49,110 --> 00:23:48,159

tell you from being in 31 years most

591

00:23:52,789 --> 00:23:49,120

cities

592

00:23:54,789 --> 00:23:52,799

police departments da's have

593

00:23:56,710 --> 00:23:54,799

at some point time has corruption go on

594

00:23:58,549 --> 00:23:56,720

within their organization

595

00:24:01,510 --> 00:23:58,559

the key is does it get rooted out and

596

00:24:03,190 --> 00:24:01,520

people prosecuted for it and i can say

597

00:24:04,870 --> 00:24:03,200

that in the instances in which i was

598

00:24:06,470 --> 00:24:04,880

involved and they were they were held

599

00:24:08,470 --> 00:24:06,480

accountable

600

00:24:10,070 --> 00:24:08,480

whereas in suffolk county it doesn't

601
00:24:14,149 --> 00:24:10,080
seem to be the case

602
00:24:15,510 --> 00:24:14,159
but this ms-13 gang is a um is a i dealt

603
00:24:18,789 --> 00:24:15,520
with them when i was on the street and

604
00:24:20,630 --> 00:24:18,799
they're they're a nasty group um the

605
00:24:22,390 --> 00:24:20,640
bloods in the crypts i mean no they they

606
00:24:24,950 --> 00:24:22,400
were made famous by the press are

607
00:24:26,070 --> 00:24:24,960
nothing compared to these boys and girls

608
00:24:28,390 --> 00:24:26,080
they are

609
00:24:30,470 --> 00:24:28,400
they will kill you and

610
00:24:33,590 --> 00:24:30,480
just for the pure pleasure of it that it

611
00:24:35,750 --> 00:24:33,600
doesn't have any purpose

612
00:24:37,269 --> 00:24:35,760
one of the initiation rights is that uh

613
00:24:38,390 --> 00:24:37,279

you want to be in the ms-13 you just

614

00:24:40,149 --> 00:24:38,400

drive down the street and pick out a

615

00:24:41,830 --> 00:24:40,159

target and kill them

616

00:24:43,990 --> 00:24:41,840

it says here

617

00:24:46,230 --> 00:24:44,000

excuse me the ms-13 gang is linked to a

618

00:24:48,390 --> 00:24:46,240

startling 38 percent of all the

619

00:24:51,669 --> 00:24:48,400

homicides in normally placid suffolk

620

00:24:54,149 --> 00:24:51,679

county over the last six months

621

00:24:56,390 --> 00:24:54,159

yeah you have to excuse me because i got

622

00:24:57,669 --> 00:24:56,400

humor but yeah that's the ones they know

623

00:25:01,110 --> 00:24:57,679

about

624

00:25:03,750 --> 00:25:01,120

45 murders in the county since uh

625

00:25:05,430 --> 00:25:03,760

january 1st 2016

626
00:25:06,390 --> 00:25:05,440
uh have been connected to the brutal

627
00:25:08,230 --> 00:25:06,400
gang

628
00:25:11,190 --> 00:25:08,240
testified the police commissioner

629
00:25:13,110 --> 00:25:11,200
timothy cenium he said they engaged in

630
00:25:14,549 --> 00:25:13,120
selling drugs stealing and extortion but

631
00:25:16,870 --> 00:25:14,559
unlike other gangs

632
00:25:19,990 --> 00:25:16,880
motivation isn't to make money but to

633
00:25:21,430 --> 00:25:20,000
terrorize the community well

634
00:25:23,269 --> 00:25:21,440
let me let me interject something and

635
00:25:25,669 --> 00:25:23,279
this is you know i've been out of the

636
00:25:27,269 --> 00:25:25,679
business since 2007 but we were getting

637
00:25:30,870 --> 00:25:27,279
intel reports

638
00:25:33,669 --> 00:25:30,880

on the uh ms-13 gang in the denver metro

639

00:25:36,310 --> 00:25:33,679

area and what they were doing uh is that

640

00:25:37,830 --> 00:25:36,320

they were creating this kind of havoc

641

00:25:39,430 --> 00:25:37,840

and they're essentially right they

642

00:25:41,669 --> 00:25:39,440

weren't trying to make money at that

643

00:25:43,190 --> 00:25:41,679

point what they were doing is telling

644

00:25:45,190 --> 00:25:43,200

the bloods and the crips and all the

645

00:25:46,789 --> 00:25:45,200

other piss ant gangs that we had that

646

00:25:49,750 --> 00:25:46,799

they weren't the big dogs on the block

647

00:25:51,269 --> 00:25:49,760

that the ms-13 was then they would move

648

00:25:53,909 --> 00:25:51,279

in and take over

649

00:25:56,789 --> 00:25:53,919

um uh operations from maybe the bloods

650

00:25:58,070 --> 00:25:56,799

and the crips and you know the one of we

651
00:25:59,510 --> 00:25:58,080
had the uh

652
00:26:01,190 --> 00:25:59,520
something something white boys i can't

653
00:26:03,029 --> 00:26:01,200
remember what they were but they were

654
00:26:05,350 --> 00:26:03,039
another i mean there was all kinds of

655
00:26:08,630 --> 00:26:05,360
gangs going on but the the purpose of

656
00:26:10,470 --> 00:26:08,640
the ms-13 is come into a a neighborhood

657
00:26:13,990 --> 00:26:10,480
and be as bloody and brutal as you could

658
00:26:15,909 --> 00:26:14,000
possibly be demonstrating that you are

659
00:26:17,430 --> 00:26:15,919
you know the apex predator in the

660
00:26:18,950 --> 00:26:17,440
neighborhood well this is very

661
00:26:21,029 --> 00:26:18,960
interesting because it says here that

662
00:26:24,070 --> 00:26:21,039
president trump and attorney general

663
00:26:26,470 --> 00:26:24,080

sessions have made stamping out ms-13 a

664

00:26:27,990 --> 00:26:26,480

priority and it says that these are are

665

00:26:30,390 --> 00:26:28,000

primarily

666

00:26:33,830 --> 00:26:30,400

young teenagers who cross the board

667

00:26:36,310 --> 00:26:33,840

illegally and don't have a parental uh

668

00:26:38,230 --> 00:26:36,320

figure there and they get grabbed up and

669

00:26:40,789 --> 00:26:38,240

they become part of these gangs which

670

00:26:44,149 --> 00:26:40,799

tells us that the answer to donald

671

00:26:46,789 --> 00:26:44,159

trump's uh crackdown on immigration and

672

00:26:48,070 --> 00:26:46,799

i'm not making a judgment on it is for

673

00:26:51,190 --> 00:26:48,080

them to

674

00:26:53,990 --> 00:26:51,200

uh wield violence and fear

675

00:26:56,870 --> 00:26:54,000

and get acceptance that way

676

00:26:58,870 --> 00:26:56,880

uh i didn't know about this game at all

677

00:27:00,710 --> 00:26:58,880

and i i live not in suffolk county but

678

00:27:02,470 --> 00:27:00,720

in the next county over

679

00:27:04,549 --> 00:27:02,480

um

680

00:27:08,070 --> 00:27:04,559

and it seems to take a lot of place at

681

00:27:12,630 --> 00:27:09,990

well i think most of your recruitment

682

00:27:15,029 --> 00:27:12,640

for all your gangs um

683

00:27:16,870 --> 00:27:15,039

go to that age bracket because they're

684

00:27:18,390 --> 00:27:16,880

not only the most impressionable but

685

00:27:20,710 --> 00:27:18,400

most of that

686

00:27:23,269 --> 00:27:20,720

in the inner cities in the barrios if

687

00:27:25,269 --> 00:27:23,279

you will uh

688

00:27:27,190 --> 00:27:25,279

they they are the ones committing the

689

00:27:30,470 --> 00:27:27,200

vandalism

690

00:27:32,230 --> 00:27:30,480

you know pity s crimes so they would be

691

00:27:34,950 --> 00:27:32,240

they would be attracted

692

00:27:37,110 --> 00:27:34,960

and recruited by by the by a group like

693

00:27:38,470 --> 00:27:37,120

the ms-13

694

00:27:39,990 --> 00:27:38,480

we have uh

695

00:27:41,750 --> 00:27:40,000

well

696

00:27:43,110 --> 00:27:41,760

oh i'm sorry go ahead

697

00:27:44,630 --> 00:27:43,120

i was going to say i've been looking it

698

00:27:47,990 --> 00:27:44,640

up myself here too

699

00:27:50,230 --> 00:27:48,000

uh the albuquerque journal and koat

700

00:27:51,909 --> 00:27:50,240

which is a prominent tv news station

701
00:27:54,710 --> 00:27:51,919
here in albuquerque

702
00:27:56,789 --> 00:27:54,720
has been reporting on the ms-13 gang

703
00:27:58,950 --> 00:27:56,799
moving into new mexico and albuquerque

704
00:28:01,350 --> 00:27:58,960
and taking over here as well

705
00:28:03,909 --> 00:28:01,360
so they seem to be

706
00:28:06,710 --> 00:28:03,919
um going after both sides of the country

707
00:28:08,789 --> 00:28:06,720
at the same time

708
00:28:10,310 --> 00:28:08,799
well they're easily identified i'm i'm

709
00:28:13,590 --> 00:28:10,320
i'm on google right now with these

710
00:28:16,470 --> 00:28:13,600
images and both these guys are are

711
00:28:18,630 --> 00:28:16,480
tatted uh tattooed head to go i mean the

712
00:28:20,630 --> 00:28:18,640
phases

713
00:28:22,470 --> 00:28:20,640

very easy very easy to recognize we've

714

00:28:24,230 --> 00:28:22,480

got a few characters going around the

715

00:28:26,389 --> 00:28:24,240

community that i live in

716

00:28:28,789 --> 00:28:26,399

that are uh have taps

717

00:28:36,470 --> 00:28:28,799

uh all over their face so yeah

718

00:28:40,789 --> 00:28:39,430

uh yeah so actually um in continuous of

719

00:28:42,470 --> 00:28:40,799

what uh

720

00:28:43,830 --> 00:28:42,480

i'm glad uh

721

00:28:45,350 --> 00:28:43,840

peter took it over for me there because

722

00:28:47,830 --> 00:28:45,360

i was trying to get my connection back

723

00:28:49,669 --> 00:28:47,840

up here um with my wi-fi

724

00:28:51,669 --> 00:28:49,679

and um

725

00:28:53,590 --> 00:28:51,679

you know for those who

726
00:28:55,110 --> 00:28:53,600
wanted me to finish where i dropped off

727
00:28:56,470 --> 00:28:55,120
there um

728
00:28:59,350 --> 00:28:56,480
that um

729
00:29:00,870 --> 00:28:59,360
the the biggest aspect of the john 4

730
00:29:03,590 --> 00:29:00,880
case

731
00:29:05,430 --> 00:29:03,600
is that as a ufo investigator he walked

732
00:29:08,470 --> 00:29:05,440
into something

733
00:29:11,909 --> 00:29:08,480
that was the very first time you had a

734
00:29:14,310 --> 00:29:11,919
ufo crash as one controversial issue

735
00:29:15,990 --> 00:29:14,320
colliding with the toxic dumping that

736
00:29:18,070 --> 00:29:16,000
peter moon was mentioned before as the

737
00:29:21,990 --> 00:29:18,080
other controversial issue

738
00:29:23,190 --> 00:29:22,000

and this set off a firestorm of lunacy

739

00:29:25,110 --> 00:29:23,200

and

740

00:29:26,789 --> 00:29:25,120

um deception

741

00:29:28,230 --> 00:29:26,799

in the suffolk county politics with the

742

00:29:31,110 --> 00:29:28,240

politicians there

743

00:29:33,430 --> 00:29:31,120

uh because they were hell bent on

744

00:29:35,190 --> 00:29:33,440

um covering up the toxic waste issue

745

00:29:37,510 --> 00:29:35,200

which just so happened to be

746

00:29:40,149 --> 00:29:37,520

where the damn ufo crashed

747

00:29:42,230 --> 00:29:40,159

so now you've got people tromping and

748

00:29:44,789 --> 00:29:42,240

treading all over the area whether it be

749

00:29:47,110 --> 00:29:44,799

the police or the firefighters

750

00:29:48,549 --> 00:29:47,120

fighting fighting the crash fire or you

751
00:29:50,389 --> 00:29:48,559
know whoever all of a sudden there were

752
00:29:52,870 --> 00:29:50,399
all these loose ends

753
00:29:54,549 --> 00:29:52,880
that blew up in the face of suffolk

754
00:29:56,310 --> 00:29:54,559
county politics

755
00:29:57,350 --> 00:29:56,320
because of course who the hell thinks

756
00:29:59,669 --> 00:29:57,360
that

757
00:30:02,389 --> 00:29:59,679
a ufo is going to crash in your backyard

758
00:30:04,070 --> 00:30:02,399
and expose your toxic dumping

759
00:30:05,750 --> 00:30:04,080
and this is where the two ended up

760
00:30:08,389 --> 00:30:05,760
colliding with each other for the first

761
00:30:10,950 --> 00:30:08,399
time ever an environmental issue and a

762
00:30:12,070 --> 00:30:10,960
paranormal issue

763
00:30:12,870 --> 00:30:12,080

and one

764

00:30:14,710 --> 00:30:12,880

you know

765

00:30:16,310 --> 00:30:14,720

one was

766

00:30:17,190 --> 00:30:16,320

one side of the issue was going to be

767

00:30:19,110 --> 00:30:17,200

used

768

00:30:21,269 --> 00:30:19,120

to justify making the other side of the

769

00:30:24,789 --> 00:30:21,279

issue look insane

770

00:30:26,630 --> 00:30:24,799

so naturally john ford

771

00:30:28,389 --> 00:30:26,640

is becomes the target of a sting

772

00:30:31,430 --> 00:30:28,399

operation because he kept pushing the

773

00:30:33,430 --> 00:30:31,440

issue of exploring strictly the ufo site

774

00:30:34,630 --> 00:30:33,440

the politicians of suffolk county had no

775

00:30:37,750 --> 00:30:34,640

idea

776

00:30:38,710 --> 00:30:37,760

what files he and his researchers had

777

00:30:41,430 --> 00:30:38,720

for

778

00:30:43,669 --> 00:30:41,440

the legitimate corporation known as the

779

00:30:45,510 --> 00:30:43,679

long island ufo network which is totally

780

00:30:47,029 --> 00:30:45,520

separate from john ford himself and had

781

00:30:48,230 --> 00:30:47,039

nothing to do with him

782

00:30:51,190 --> 00:30:48,240

okay

783

00:30:53,510 --> 00:30:51,200

and they had no idea

784

00:30:56,070 --> 00:30:53,520

what kind of stuff he had found whether

785

00:30:58,310 --> 00:30:56,080

he found it or not they couldn't be sure

786

00:31:02,070 --> 00:30:58,320

until they came up with some kind of

787

00:31:05,669 --> 00:31:02,080

trumped-up sting operation to illegally

788

00:31:08,710 --> 00:31:05,679

by force get into his tome and basically

789

00:31:10,789 --> 00:31:08,720

uh uh rake over those files and

790

00:31:12,230 --> 00:31:10,799

illegally take them out of his home out

791

00:31:14,789 --> 00:31:12,240

of his office

792

00:31:16,789 --> 00:31:14,799

and uh basically uh keep them for

793

00:31:18,470 --> 00:31:16,799

themselves for many years

794

00:31:20,630 --> 00:31:18,480

before anything was even thought of

795

00:31:23,909 --> 00:31:20,640

being returned

796

00:31:24,870 --> 00:31:23,919

and go through those files well by now

797

00:31:26,470 --> 00:31:24,880

um

798

00:31:28,870 --> 00:31:26,480

you know this man's life has been

799

00:31:31,510 --> 00:31:28,880

destroyed

800

00:31:33,269 --> 00:31:31,520

he's in extremely poor health i mean

801
00:31:34,870 --> 00:31:33,279
truthfully the man is like two inches

802
00:31:39,029 --> 00:31:34,880
from death because

803
00:31:41,750 --> 00:31:39,039
of the uh poor uh the the lousy uh

804
00:31:44,630 --> 00:31:41,760
uh situation he has with his back and

805
00:31:46,389 --> 00:31:44,640
the couple about with uh uh trying to

806
00:31:48,549 --> 00:31:46,399
deal with it's time for optimum's red

807
00:31:50,710 --> 00:31:48,559
hot sale get 200 meg internet tv with

808
00:31:53,269 --> 00:31:50,720
over 260 channels and unlimited home

809
00:31:55,350 --> 00:31:53,279
phone all for 69.99 a month for one year

810
00:31:57,110 --> 00:31:55,360
guaranteed and for a limited time hbo

811
00:31:58,549 --> 00:31:57,120
and showtime are included for one year

812
00:32:01,110 --> 00:31:58,559
switch today click for details and

813
00:32:02,070 --> 00:32:01,120

special web web-only offers with cancer

814

00:32:05,350 --> 00:32:02,080

um

815

00:32:07,110 --> 00:32:05,360

and getting past all this and no proper

816

00:32:10,310 --> 00:32:07,120

medical help whatsoever

817

00:32:12,310 --> 00:32:10,320

uh he is in a facility where

818

00:32:15,190 --> 00:32:12,320

i i get it you know he's surrounded by

819

00:32:17,269 --> 00:32:15,200

people who um aren't exactly banking on

820

00:32:19,350 --> 00:32:17,279

a future in the first place

821

00:32:22,230 --> 00:32:19,360

but this man never should have been put

822

00:32:24,230 --> 00:32:22,240

in the middle of uh psychotic killers i

823

00:32:26,789 --> 00:32:24,240

mean you're basically taking

824

00:32:28,630 --> 00:32:26,799

uh mr rogers and putting him in a cell

825

00:32:31,350 --> 00:32:28,640

next to hannibal the vector that's the

826
00:32:32,389 --> 00:32:31,360
situation that john ford is in

827
00:32:34,389 --> 00:32:32,399
okay

828
00:32:36,389 --> 00:32:34,399
um and all the

829
00:32:38,389 --> 00:32:36,399
all the poor medical

830
00:32:40,549 --> 00:32:38,399
um neglecton

831
00:32:42,630 --> 00:32:40,559
medical abuse

832
00:32:44,950 --> 00:32:42,640
he hasn't received any medical help

833
00:32:47,190 --> 00:32:44,960
whatsoever for his back

834
00:32:48,950 --> 00:32:47,200
um in the situation that it's in

835
00:32:50,310 --> 00:32:48,960
and he's reached a critical point late

836
00:32:52,470 --> 00:32:50,320
in life now

837
00:32:54,789 --> 00:32:52,480
in his 60s

838
00:32:57,590 --> 00:32:54,799

where he's he's close to losing the

839

00:32:59,110 --> 00:32:57,600

ability to walk all together

840

00:33:01,430 --> 00:32:59,120

so you know

841

00:33:03,669 --> 00:33:01,440

this is what has happened and nobody

842

00:33:05,110 --> 00:33:03,679

nobody wants to uh everybody's trying to

843

00:33:06,950 --> 00:33:05,120

save face

844

00:33:08,630 --> 00:33:06,960

don't nobody wants to come up to the

845

00:33:11,350 --> 00:33:08,640

plate and admit to what they did wrong

846

00:33:13,430 --> 00:33:11,360

to this man so they're hoping that he

847

00:33:15,269 --> 00:33:13,440

rots and dies

848

00:33:17,909 --> 00:33:15,279

in a padded cell which is what i've been

849

00:33:19,509 --> 00:33:17,919

saying all along the strategy has always

850

00:33:21,430 --> 00:33:19,519

been hurry up and die

851

00:33:23,830 --> 00:33:21,440

and oh what yeah still here

852

00:33:25,830 --> 00:33:23,840

hurry up and die

853

00:33:27,430 --> 00:33:25,840

get out of get out of our hair so we

854

00:33:29,990 --> 00:33:27,440

don't have a multi-billion dollar

855

00:33:31,750 --> 00:33:30,000

lawsuit we got the uh

856

00:33:33,509 --> 00:33:31,760

suffix county in the state of new

857

00:33:35,669 --> 00:33:33,519

zealand well they've effectively got the

858

00:33:38,870 --> 00:33:35,679

got him out of their hair they have him

859

00:33:39,909 --> 00:33:38,880

confined and locked up and they control

860

00:33:42,149 --> 00:33:39,919

the house

861

00:33:44,230 --> 00:33:42,159

they control those booths and everything

862

00:33:46,470 --> 00:33:44,240

go ahead they have us in their hair and

863

00:33:48,149 --> 00:33:46,480

that that's the purpose of this show is

864

00:33:49,190 --> 00:33:48,159

people thorn in their side that doesn't

865

00:33:50,710 --> 00:33:49,200

go away

866

00:33:52,389 --> 00:33:50,720

exactly

867

00:33:54,950 --> 00:33:52,399

so that's uh that's the long and the

868

00:33:55,830 --> 00:33:54,960

short of it um as far as what happened

869

00:33:58,389 --> 00:33:55,840

with the

870

00:34:00,470 --> 00:33:58,399

um the issue that uh caused him to end

871

00:34:01,350 --> 00:34:00,480

up in jail in the first place so

872

00:34:02,950 --> 00:34:01,360

um

873

00:34:04,870 --> 00:34:02,960

this uh

874

00:34:06,470 --> 00:34:04,880

what joe was talking about before sounds

875

00:34:08,950 --> 00:34:06,480

promising with

876

00:34:10,629 --> 00:34:08,960

getting a uh attorney in there that

877

00:34:13,190 --> 00:34:10,639

knows what the hell they're doing so i'm

878

00:34:15,909 --> 00:34:13,200

looking forward to this

879

00:34:18,310 --> 00:34:15,919

go back with joe back with us

880

00:34:19,190 --> 00:34:18,320

joseph we lost joseph he's not back with

881

00:34:21,589 --> 00:34:19,200

us

882

00:34:25,909 --> 00:34:22,869

we don't know anything about this

883

00:34:28,629 --> 00:34:25,919

attorney he can't say his name he said

884

00:34:29,990 --> 00:34:28,639

uh just that john and you know our our

885

00:34:32,550 --> 00:34:30,000

concern is

886

00:34:35,430 --> 00:34:32,560

is he charging him an arm and a leg

887

00:34:37,909 --> 00:34:35,440

that's the first thing and uh

888

00:34:40,790 --> 00:34:37,919

does he have any qualifications

889

00:34:42,310 --> 00:34:40,800

or capacity to actually do something

890

00:34:44,470 --> 00:34:42,320

well we're going to have to find out

891

00:34:47,190 --> 00:34:44,480

next month or within the next few weeks

892

00:34:49,270 --> 00:34:47,200

when uh when when joe

893

00:34:50,950 --> 00:34:49,280

was able to give us more information but

894

00:34:52,069 --> 00:34:50,960

i understand why he wouldn't want to

895

00:34:54,389 --> 00:34:52,079

broadcast

896

00:34:58,069 --> 00:34:54,399

this information on the air so but you

897

00:35:01,349 --> 00:35:00,470

well i i definitely would like to have

898

00:35:08,230 --> 00:35:01,359

the

899

00:35:10,710 --> 00:35:08,240

i think it's uh imperative that's what i

900

00:35:13,349 --> 00:35:10,720

didn't understand about uh was it

901
00:35:16,150 --> 00:35:13,359
reno was that was his name yeah robert

902
00:35:17,349 --> 00:35:16,160
robert reno yeah but i mean he had a

903
00:35:19,910 --> 00:35:17,359
forum

904
00:35:21,030 --> 00:35:19,920
that he could take his client to and

905
00:35:23,030 --> 00:35:21,040
talk to

906
00:35:25,750 --> 00:35:23,040
literally the world

907
00:35:27,910 --> 00:35:25,760
about uh his client's case there's

908
00:35:30,790 --> 00:35:27,920
nothing that stops him from doing that

909
00:35:32,710 --> 00:35:30,800
and it would have we could have you know

910
00:35:34,310 --> 00:35:32,720
asked him pertinent questions as to

911
00:35:37,430 --> 00:35:34,320
procedures and what steps that he's

912
00:35:39,430 --> 00:35:37,440
taking in order to secure

913
00:35:40,630 --> 00:35:39,440

you know the release of john ford and he

914

00:35:43,430 --> 00:35:40,640

didn't he didn't

915

00:35:45,750 --> 00:35:43,440

he didn't grab that and i

916

00:35:47,829 --> 00:35:45,760

why wouldn't you i mean it wouldn't cost

917

00:35:49,270 --> 00:35:47,839

anything except his time and i

918

00:35:51,109 --> 00:35:49,280

understand attorneys that's what they

919

00:35:53,109 --> 00:35:51,119

charge you on but he could have gave

920

00:35:54,870 --> 00:35:53,119

that back to his client

921

00:35:56,069 --> 00:35:54,880

said hey i'll come on for 20 minutes 30

922

00:35:57,910 --> 00:35:56,079

minutes or whatever and tell you what's

923

00:35:58,630 --> 00:35:57,920

going on blah blah we yeah he just

924

00:36:01,190 --> 00:35:58,640

doesn't

925

00:36:04,150 --> 00:36:01,200

generate support for his client he just

926

00:36:06,310 --> 00:36:04,160

didn't seem like he was very smart

927

00:36:08,310 --> 00:36:06,320

and and that's the one thing is with i

928

00:36:10,790 --> 00:36:08,320

mean there are smart attorneys

929

00:36:12,470 --> 00:36:10,800

but many of them just you know

930

00:36:14,310 --> 00:36:12,480

get themselves into a position where

931

00:36:15,829 --> 00:36:14,320

they can oh yeah man they put the fox in

932

00:36:18,069 --> 00:36:15,839

charge of the chicken house man they're

933

00:36:19,270 --> 00:36:18,079

smart attorneys they write dilute rules

934

00:36:20,950 --> 00:36:19,280

they get to interpret them and they get

935

00:36:22,550 --> 00:36:20,960

to enforce them can't get any better

936

00:36:24,470 --> 00:36:22,560

than that well what i'm saying is

937

00:36:26,870 --> 00:36:24,480

they're just milking a system it's not

938

00:36:29,910 --> 00:36:26,880

really it's it's taking advantage it's

939

00:36:31,510 --> 00:36:29,920

not uh it's not a

940

00:36:34,069 --> 00:36:31,520

you know it's not a very developed

941

00:36:35,430 --> 00:36:34,079

individual it doesn't it's not it's not

942

00:36:37,270 --> 00:36:35,440

a professional

943

00:36:39,030 --> 00:36:37,280

advocacy

944

00:36:41,270 --> 00:36:39,040

it's exactly it's just milking the

945

00:36:43,750 --> 00:36:41,280

system for the money that it can get on

946

00:36:45,910 --> 00:36:43,760

well that is the nature of the beast and

947

00:36:49,030 --> 00:36:45,920

and unfortunately

948

00:36:50,950 --> 00:36:49,040

uh you know john doesn't have the uh

949

00:36:55,750 --> 00:36:50,960

dinero to

950

00:36:57,589 --> 00:36:55,760

really get somebody that has um ambition

951
00:36:59,510 --> 00:36:57,599
well i don't know if it takes you know

952
00:37:00,470 --> 00:36:59,520
we just got to find you know the right

953
00:37:02,310 --> 00:37:00,480
person

954
00:37:04,150 --> 00:37:02,320
and uh

955
00:37:09,430 --> 00:37:04,160
it's uh

956
00:37:13,430 --> 00:37:11,670
yeah also what we would always like to

957
00:37:15,750 --> 00:37:13,440
put out there since uh since we're

958
00:37:16,710 --> 00:37:15,760
broadcasting to a pretty wide audience

959
00:37:18,950 --> 00:37:16,720
um

960
00:37:21,670 --> 00:37:18,960
that will go into podcasts and to be

961
00:37:22,470 --> 00:37:21,680
replayed if there is a producer out

962
00:37:24,470 --> 00:37:22,480
there

963
00:37:26,310 --> 00:37:24,480

who wants a subject matter this would be

964

00:37:28,630 --> 00:37:26,320

an excellent subject

965

00:37:31,510 --> 00:37:28,640

to do a documentary on i mean there's

966

00:37:33,510 --> 00:37:31,520

been some most definite yeah definitely

967

00:37:35,910 --> 00:37:33,520

several people that have tried over the

968

00:37:36,870 --> 00:37:35,920

years but they generally just fall down

969

00:37:38,550 --> 00:37:36,880

and

970

00:37:42,150 --> 00:37:38,560

this thing doesn't

971

00:37:44,630 --> 00:37:42,160

doesn't have a solid hour uh or hour and

972

00:37:45,750 --> 00:37:44,640

a half documentary uh that could be put

973

00:37:47,910 --> 00:37:45,760

out there

974

00:37:51,589 --> 00:37:47,920

uh that would even have a larger

975

00:37:53,990 --> 00:37:51,599

audience than what this regulation does

976

00:37:54,790 --> 00:37:54,000

so it's an open invitation if you if you

977

00:37:57,190 --> 00:37:54,800

uh

978

00:37:59,589 --> 00:37:57,200

if you're a producer or director or you

979

00:38:00,470 --> 00:37:59,599

want a subject matter and something that

980

00:38:05,589 --> 00:38:00,480

uh

981

00:38:06,790 --> 00:38:05,599

can it get in touch with us here at irn

982

00:38:10,710 --> 00:38:06,800

or

983

00:38:14,390 --> 00:38:10,720

josephardo yeah who is uh

984

00:38:18,870 --> 00:38:16,150

yeah i would love to see a

985

00:38:20,790 --> 00:38:18,880

tv magazine like 60 minutes or 2020 or

986

00:38:23,589 --> 00:38:20,800

something like that to do a

987

00:38:25,430 --> 00:38:23,599

to do a special on the john ford case

988

00:38:27,109 --> 00:38:25,440

because it really does

989

00:38:29,829 --> 00:38:27,119

exemplify

990

00:38:32,950 --> 00:38:29,839

um he who has the power can make it work

991

00:38:34,630 --> 00:38:32,960

for them and right

992

00:38:37,430 --> 00:38:34,640

it has so many different dimensions it's

993

00:38:39,589 --> 00:38:37,440

just not about oh i am oh it's not just

994

00:38:41,990 --> 00:38:39,599

and it's not just a ufo i mean that's

995

00:38:44,230 --> 00:38:42,000

that is uh a lead-in obviously because

996

00:38:47,030 --> 00:38:44,240

that that's what got john in hot water

997

00:38:48,950 --> 00:38:47,040

but there are uh i think just as

998

00:38:50,630 --> 00:38:48,960

important aspects

999

00:38:52,069 --> 00:38:50,640

and one of them is a constitutional

1000

00:38:54,150 --> 00:38:52,079

issue i've said it before and i'll say

1001
00:38:55,750 --> 00:38:54,160
it again if it can happen to john ford

1002
00:38:57,510 --> 00:38:55,760
it can happen to anybody that's

1003
00:38:59,750 --> 00:38:57,520
listening to my voice

1004
00:39:02,790 --> 00:38:59,760
oh my god are you right

1005
00:39:06,310 --> 00:39:02,800
are you okay and and and that's

1006
00:39:09,349 --> 00:39:06,320
yeah and and and so we

1007
00:39:10,710 --> 00:39:09,359
to the listeners and those at chat have

1008
00:39:11,990 --> 00:39:10,720
a dog

1009
00:39:14,950 --> 00:39:12,000
in this fight

1010
00:39:17,109 --> 00:39:14,960
and and therefore um that's the reason

1011
00:39:20,950 --> 00:39:17,119
why it's important to be able to have a

1012
00:39:22,710 --> 00:39:20,960
platform and a modem to uh to talk about

1013
00:39:25,030 --> 00:39:22,720

it and people can listen in

1014

00:39:26,790 --> 00:39:25,040

and you know obviously we all know that

1015

00:39:28,630 --> 00:39:26,800

the more that listen in

1016

00:39:30,230 --> 00:39:28,640

the more some more are going to start

1017

00:39:33,750 --> 00:39:30,240

asking questions and the more and the

1018

00:39:34,870 --> 00:39:33,760

louder the squeaky wheel gets the grease

1019

00:39:37,270 --> 00:39:34,880

yes

1020

00:39:38,390 --> 00:39:37,280

did you guys lose me

1021

00:39:44,550 --> 00:39:38,400

yes we did

1022

00:39:50,150 --> 00:39:47,030

yeah i'm here i i was talking and all of

1023

00:39:52,230 --> 00:39:50,160

a sudden active jamming is on all the rf

1024

00:39:53,910 --> 00:39:52,240

meters were pinned

1025

00:39:56,870 --> 00:39:53,920

so i don't know if you can hear me now

1026

00:39:58,790 --> 00:39:56,880

but i'm here i've been here

1027

00:40:00,390 --> 00:39:58,800

we can hear you now and

1028

00:40:01,430 --> 00:40:00,400

sorry about you dropping out that's

1029

00:40:03,910 --> 00:40:01,440

that's

1030

00:40:05,910 --> 00:40:03,920

no it's coming from it's coming from

1031

00:40:07,030 --> 00:40:05,920

here it happened

1032

00:40:09,349 --> 00:40:07,040

the show

1033

00:40:10,950 --> 00:40:09,359

a different show

1034

00:40:11,750 --> 00:40:10,960

for a different station as a matter of

1035

00:40:15,109 --> 00:40:11,760

fact

1036

00:40:16,470 --> 00:40:15,119

and um there's active jamming going on

1037

00:40:20,310 --> 00:40:16,480

from this end

1038

00:40:23,109 --> 00:40:20,320

so um it's just awful you know

1039

00:40:26,150 --> 00:40:23,119

guys um we have a someone in the chat

1040

00:40:29,270 --> 00:40:26,160

room here tonight who has been a huge

1041

00:40:31,750 --> 00:40:29,280

supporter and proponent um

1042

00:40:33,910 --> 00:40:31,760

with uh the john 4 case uh alfred

1043

00:40:35,750 --> 00:40:33,920

lemberg is in the chat room tonight

1044

00:40:37,589 --> 00:40:35,760

and it's good to see you there alfred

1045

00:40:39,990 --> 00:40:37,599

he's got a question in here has anyone

1046

00:40:41,510 --> 00:40:40,000

contacted the aclu

1047

00:40:43,589 --> 00:40:41,520

um

1048

00:40:46,230 --> 00:40:43,599

and at this point

1049

00:40:48,630 --> 00:40:46,240

yes and what uh what came out of that

1050

00:40:52,230 --> 00:40:48,640

because people would like no reply

1051
00:40:54,870 --> 00:40:52,240
no reply to two letters several emails

1052
00:40:56,790 --> 00:40:54,880
and maybe a dozen phone calls over the

1053
00:40:58,630 --> 00:40:56,800
last year and a half

1054
00:41:00,069 --> 00:40:58,640
uh no reply

1055
00:41:02,710 --> 00:41:00,079
okay

1056
00:41:04,390 --> 00:41:02,720
john hated the aclu

1057
00:41:07,910 --> 00:41:04,400
and i think initially would have

1058
00:41:08,790 --> 00:41:07,920
detested that uh alliance although

1059
00:41:10,470 --> 00:41:08,800
uh

1060
00:41:13,270 --> 00:41:10,480
i don't know if that has anything to do

1061
00:41:16,230 --> 00:41:13,280
with why they would not respond

1062
00:41:18,309 --> 00:41:16,240
i think that the aclu is very much a

1063
00:41:21,109 --> 00:41:18,319

politically controlled

1064

00:41:24,150 --> 00:41:21,119

organization

1065

00:41:25,910 --> 00:41:24,160

and i'd have to agree with you on that

1066

00:41:26,950 --> 00:41:25,920

absolutely

1067

00:41:29,270 --> 00:41:26,960

um

1068

00:41:31,270 --> 00:41:29,280

they but we do have a heavy hitter i i

1069

00:41:33,270 --> 00:41:31,280

was sending texts over i didn't know if

1070

00:41:35,109 --> 00:41:33,280

you could see it or not but

1071

00:41:38,630 --> 00:41:35,119

it's someone that was mentioned on on

1072

00:41:40,790 --> 00:41:38,640

the uh on the show on previous shows

1073

00:41:44,230 --> 00:41:40,800

and uh we just have to straighten things

1074

00:41:46,069 --> 00:41:44,240

out get get every details worked out by

1075

00:41:48,630 --> 00:41:46,079

the next show i'll be able to tell you

1076

00:41:49,829 --> 00:41:48,640

guys on the air who it is and what's

1077

00:41:52,390 --> 00:41:49,839

being done

1078

00:41:54,470 --> 00:41:52,400

and uh we're looking at john getting out

1079

00:41:56,309 --> 00:41:54,480

very soon i hope

1080

00:41:58,470 --> 00:41:56,319

uh his uh

1081

00:42:00,630 --> 00:41:58,480

three as far as his health i was

1082

00:42:02,550 --> 00:42:00,640

listening in

1083

00:42:06,150 --> 00:42:02,560

as far as his health is concerned

1084

00:42:09,990 --> 00:42:06,160

they did his cancer screening on him

1085

00:42:12,870 --> 00:42:10,000

and um uh again for you know

1086

00:42:13,670 --> 00:42:12,880

he's fine as far as that's concerned

1087

00:42:15,430 --> 00:42:13,680

uh

1088

00:42:17,829 --> 00:42:15,440

like isn't really bothering him that

1089

00:42:20,950 --> 00:42:17,839

much but he does turn i believe either

1090

00:42:23,430 --> 00:42:20,960

69 or 70 this this august

1091

00:42:24,790 --> 00:42:23,440

so we really wish him the best and he's

1092

00:42:27,589 --> 00:42:24,800

hanging in there

1093

00:42:30,920 --> 00:42:27,599

he outlived the people that set him up

1094

00:42:31,990 --> 00:42:30,930

most of them actually all of them and

1095

00:42:34,069 --> 00:42:32,000

[Music]

1096

00:42:35,349 --> 00:42:34,079

now he just has to come back and go

1097

00:42:37,030 --> 00:42:35,359

after

1098

00:42:39,430 --> 00:42:37,040

the county of suffolk the state of new

1099

00:42:41,270 --> 00:42:39,440

york the hospital and a few

1100

00:42:43,750 --> 00:42:41,280

estates of

1101

00:42:46,550 --> 00:42:43,760

people who are directly involved in this

1102

00:42:48,309 --> 00:42:46,560

okay um joe you got cut off what else uh

1103

00:42:49,910 --> 00:42:48,319

can you tell us what else john said i

1104

00:42:52,630 --> 00:42:49,920

mean you kind of told us a little bit

1105

00:42:55,349 --> 00:42:52,640

there is did he say anything else

1106

00:42:59,589 --> 00:42:55,359

in your talk

1107

00:43:02,950 --> 00:42:59,599

not not uh not specifically just um just

1108

00:43:04,230 --> 00:43:02,960

in general the specifics were details of

1109

00:43:06,230 --> 00:43:04,240

the attorney

1110

00:43:09,430 --> 00:43:06,240

and uh

1111

00:43:13,349 --> 00:43:09,440

i can't really get into it so

1112

00:43:16,069 --> 00:43:13,359

hey joe i will protect tomorrow morning

1113

00:43:18,470 --> 00:43:16,079

hey is there any way that we could uh

1114

00:43:21,750 --> 00:43:18,480

get john ford on the phone on the show

1115

00:43:24,870 --> 00:43:21,760

so we so we can have him on

1116

00:43:27,109 --> 00:43:24,880

not live if we did it earlier and

1117

00:43:30,470 --> 00:43:27,119

recorded it he's only allowed 20 minutes

1118

00:43:33,910 --> 00:43:32,790

but he did agree to come on the show any

1119

00:43:35,589 --> 00:43:33,920

time

1120

00:43:37,109 --> 00:43:35,599

hey i'm jay i think we ought to we ought

1121

00:43:38,630 --> 00:43:37,119

to do that i think we ought to do a

1122

00:43:42,950 --> 00:43:38,640

20-minute segment with him and then we

1123

00:43:47,829 --> 00:43:44,790

we can definitely arrange that in order

1124

00:43:49,430 --> 00:43:47,839

to pull something like that off um

1125

00:43:52,150 --> 00:43:49,440

i've done it with him in the past he's

1126

00:43:54,950 --> 00:43:52,160

also done it on um

1127

00:43:57,109 --> 00:43:54,960

future future theater radio with nancy

1128

00:43:59,430 --> 00:43:57,119

and bill burns but

1129

00:44:01,190 --> 00:43:59,440

it's a tug of war

1130

00:44:03,829 --> 00:44:01,200

uh going back and forth because he's

1131

00:44:05,349 --> 00:44:03,839

only you know allowed so many minutes on

1132

00:44:07,190 --> 00:44:05,359

the phone there

1133

00:44:09,270 --> 00:44:07,200

and then the way it works is that he's

1134

00:44:10,550 --> 00:44:09,280

got to hang up if there's somebody else

1135

00:44:13,109 --> 00:44:10,560

who needs the phone he's got to give

1136

00:44:15,030 --> 00:44:13,119

them a chance to talk if not he can get

1137

00:44:17,910 --> 00:44:15,040

back on the phone for another 10 or 15

1138

00:44:19,670 --> 00:44:17,920

minutes or 20 minutes whatever it is so

1139

00:44:20,630 --> 00:44:19,680

that's true it's gonna it's gonna have

1140

00:44:23,430 --> 00:44:20,640

to be

1141

00:44:24,950 --> 00:44:23,440

the call he has to initiate the call

1142

00:44:26,950 --> 00:44:24,960

so one of us

1143

00:44:28,950 --> 00:44:26,960

two of us three of us have to be

1144

00:44:31,109 --> 00:44:28,960

prepared to take his call

1145

00:44:32,550 --> 00:44:31,119

reported from a uh

1146

00:44:33,990 --> 00:44:32,560

um

1147

00:44:37,670 --> 00:44:34,000

you know a

1148

00:44:40,950 --> 00:44:37,680

a regular landline over to uh skype

1149

00:44:42,470 --> 00:44:40,960

so it can it can be a big deal john has

1150

00:44:45,589 --> 00:44:42,480

called me the past

1151
00:44:46,550 --> 00:44:45,599
usually on a sunday or set usually on a

1152
00:44:47,670 --> 00:44:46,560
sunday

1153
00:44:50,390 --> 00:44:47,680
afternoon

1154
00:44:53,349 --> 00:44:50,400
uh after lunch and it was

1155
00:44:55,589 --> 00:44:53,359
always uh the maximum amount of time he

1156
00:44:56,710 --> 00:44:55,599
was never interrupted

1157
00:44:58,470 --> 00:44:56,720
uh

1158
00:45:02,470 --> 00:44:58,480
you know he got to talk for his 20

1159
00:45:07,030 --> 00:45:04,790
it can be done but uh it also means that

1160
00:45:09,910 --> 00:45:07,040
if three or four of us are

1161
00:45:12,069 --> 00:45:09,920
are committed to it we for an hour show

1162
00:45:13,990 --> 00:45:12,079
or our hour-and-a-half show we have to

1163
00:45:16,870 --> 00:45:14,000

commit probably

1164

00:45:19,510 --> 00:45:16,880

twice that at least at least three hours

1165

00:45:21,829 --> 00:45:19,520

to be around in case what we do is we

1166

00:45:24,230 --> 00:45:21,839

have one person do the interview and we

1167

00:45:25,910 --> 00:45:24,240

record it and then play it on this show

1168

00:45:27,990 --> 00:45:25,920

start off with the recording and then we

1169

00:45:30,309 --> 00:45:28,000

talk about it oh yeah yeah yeah yeah

1170

00:45:33,109 --> 00:45:30,319

absolutely it's recorded but

1171

00:45:34,309 --> 00:45:33,119

it would always be good to have uh

1172

00:45:36,390 --> 00:45:34,319

two or three of us

1173

00:45:38,069 --> 00:45:36,400

well if we only got 20 minutes i agree i

1174

00:45:39,670 --> 00:45:38,079

i think we ought to have one person do

1175

00:45:41,510 --> 00:45:39,680

it but all we got is 20 minutes i think

1176

00:45:43,750 --> 00:45:41,520

we can get probably more

1177

00:45:49,030 --> 00:45:43,760

with instead of you know a panel because

1178

00:45:54,390 --> 00:45:51,510

somebody will do you know a short story

1179

00:45:56,309 --> 00:45:54,400

poll we'll pick somebody and um i'll

1180

00:45:57,750 --> 00:45:56,319

speaking with him tomorrow morning about it

1181

00:46:01,670 --> 00:45:57,760

he's calling me tomorrow morning

1182

00:46:06,790 --> 00:46:04,790

before his birthday in august absolutely

1183

00:46:08,309 --> 00:46:06,800

that would be great

1184

00:46:09,990 --> 00:46:08,319

yeah we'll just have to plan it for

1185

00:46:12,710 --> 00:46:10,000

earlier in a day

1186

00:46:14,470 --> 00:46:12,720

to get it done with him and give him a

1187

00:46:17,030 --> 00:46:14,480

chance you know it's going to have to be

1188

00:46:20,710 --> 00:46:17,040

touch and go on that interview because

1189

00:46:22,950 --> 00:46:20,720

uh see when i did it i had the luxury of

1190

00:46:25,510 --> 00:46:22,960

sitting there all day long

1191

00:46:28,309 --> 00:46:25,520

with a pre-recorded podcast that i would

1192

00:46:30,710 --> 00:46:28,319

put together and upload later on and i

1193

00:46:33,190 --> 00:46:30,720

believe this is the way bill and nancy

1194

00:46:36,230 --> 00:46:33,200

burns had to do it as well

1195

00:46:39,750 --> 00:46:36,240

so you know it's it brings up another

1196

00:46:40,550 --> 00:46:39,760

point uh rick bill and nancy burns

1197

00:46:41,430 --> 00:46:40,560

uh

1198

00:46:45,670 --> 00:46:41,440

they

1199

00:46:47,109 --> 00:46:45,680

never did the article uh the magazine

1200

00:46:49,589 --> 00:46:47,119

that they were going to feature him and

1201
00:46:51,030 --> 00:46:49,599
they never did that was one of the most

1202
00:46:54,550 --> 00:46:51,040
important stories they could have ever

1203
00:46:56,790 --> 00:46:54,560
done in the ufo field they never did it

1204
00:46:58,710 --> 00:46:56,800
i know and it just kept getting kicked

1205
00:46:59,990 --> 00:46:58,720
off and kicked off and

1206
00:47:02,950 --> 00:47:00,000
i'm not sure

1207
00:47:04,230 --> 00:47:02,960
yeah you know why it got uh i can tell

1208
00:47:06,470 --> 00:47:04,240
you why

1209
00:47:07,510 --> 00:47:06,480
wyatt most likely did and this has to do

1210
00:47:09,670 --> 00:47:07,520
with uh

1211
00:47:12,790 --> 00:47:09,680
the many uh shows douglas dietrich has

1212
00:47:14,550 --> 00:47:12,800
done concerning bill burns uh linking

1213
00:47:15,910 --> 00:47:14,560

him to aquino

1214

00:47:17,829 --> 00:47:15,920

michael aquino

1215

00:47:18,710 --> 00:47:17,839

and and

1216

00:47:22,550 --> 00:47:18,720

the

1217

00:47:24,870 --> 00:47:22,560

uh having right

1218

00:47:27,670 --> 00:47:24,880

false endorsement from senator strom

1219

00:47:28,870 --> 00:47:27,680

thurman he was actually not endorsing

1220

00:47:31,510 --> 00:47:28,880

the book at all

1221

00:47:34,069 --> 00:47:31,520

and it was a fraudulent endorsement and

1222

00:47:36,630 --> 00:47:34,079

this caused them to reprint the book

1223

00:47:39,030 --> 00:47:36,640

uh almost in like 48 hours

1224

00:47:40,710 --> 00:47:39,040

which was a tremendous amount of money

1225

00:47:42,550 --> 00:47:40,720

and

1226

00:47:45,510 --> 00:47:42,560

of course the day after roswell

1227

00:47:46,630 --> 00:47:45,520

according to douglas dietrich was all a

1228

00:47:47,670 --> 00:47:46,640

uh

1229

00:47:50,069 --> 00:47:47,680

arranged

1230

00:47:52,309 --> 00:47:50,079

uh disinformation campaign

1231

00:47:55,109 --> 00:47:52,319

on what was really going on at roswell

1232

00:47:57,910 --> 00:47:55,119

which which had to do with japanese

1233

00:47:59,670 --> 00:47:57,920

uh try the government trying to emulate

1234

00:48:00,710 --> 00:47:59,680

japanese uh

1235

00:48:02,230 --> 00:48:00,720

balloons

1236

00:48:04,550 --> 00:48:02,240

and firebirds

1237

00:48:06,790 --> 00:48:04,560

and and of course uh

1238

00:48:09,030 --> 00:48:06,800

this painted uh

1239

00:48:11,910 --> 00:48:09,040

you know mr burns is a very

1240

00:48:14,230 --> 00:48:11,920

uh questionable character uh who he had

1241

00:48:15,270 --> 00:48:14,240

purchased the ufo magazine

1242

00:48:18,390 --> 00:48:15,280

uh

1243

00:48:19,829 --> 00:48:18,400

very you know personable to talk to

1244

00:48:22,870 --> 00:48:19,839

but

1245

00:48:26,230 --> 00:48:22,880

why would he be so shy

1246

00:48:27,349 --> 00:48:26,240

to uh take the biggest case

1247

00:48:31,109 --> 00:48:27,359

in

1248

00:48:33,109 --> 00:48:31,119

biggest case

1249

00:48:35,030 --> 00:48:33,119

uh there's nothing bigger and and you

1250

00:48:37,829 --> 00:48:35,040

know rick that people have have turned

1251

00:48:40,309 --> 00:48:37,839

their back on people yeah definitely

1252

00:48:42,790 --> 00:48:40,319

and that's more mindset but it's like

1253

00:48:44,069 --> 00:48:42,800

what what is the resistance to this

1254

00:48:46,710 --> 00:48:44,079

uh

1255

00:48:48,870 --> 00:48:46,720

old mufon turned that back on john let's

1256

00:48:51,829 --> 00:48:48,880

face it all right

1257

00:48:54,069 --> 00:48:51,839

the hierarchy move on

1258

00:48:56,309 --> 00:48:54,079

yes and it just tells you what what you

1259

00:48:58,549 --> 00:48:56,319

know who the people work for they're

1260

00:49:00,710 --> 00:48:58,559

they're not you know

1261

00:49:01,589 --> 00:49:00,720

working for truth justice and the

1262

00:49:03,750 --> 00:49:01,599

so-called

1263

00:49:05,990 --> 00:49:03,760

do we do we know the reason why mufon

1264

00:49:09,510 --> 00:49:06,000

turned their back

1265

00:49:11,589 --> 00:49:09,520

uh their excuses are pretty shallow one

1266

00:49:13,349 --> 00:49:11,599

would be well we're a scientific

1267

00:49:15,430 --> 00:49:13,359

research organization we're not going to

1268

00:49:16,390 --> 00:49:15,440

take sides and get politically involved

1269

00:49:17,990 --> 00:49:16,400

and yet

1270

00:49:21,030 --> 00:49:18,000

everything about mufon has been

1271

00:49:23,430 --> 00:49:21,040

political since day one

1272

00:49:25,829 --> 00:49:23,440

including the uh sexist and racist

1273

00:49:26,710 --> 00:49:25,839

attitudes so you know

1274

00:49:29,430 --> 00:49:26,720

um

1275

00:49:30,470 --> 00:49:29,440

it's you know it amazes me how they uh

1276

00:49:33,430 --> 00:49:30,480

they

1277

00:49:35,030 --> 00:49:33,440

battles

1278

00:49:37,190 --> 00:49:35,040

and i think also too a lot of it comes

1279

00:49:39,430 --> 00:49:37,200

from and i think joe and peter can

1280

00:49:43,349 --> 00:49:39,440

probably reaffirm this

1281

00:49:45,589 --> 00:49:43,359

a lot of the attitude from mufon is

1282

00:49:46,470 --> 00:49:45,599

they are a very elitist

1283

00:49:48,790 --> 00:49:46,480

uh

1284

00:49:50,790 --> 00:49:48,800

white masonic organization

1285

00:49:52,870 --> 00:49:50,800

if you don't fit into their paradigm if

1286

00:49:54,230 --> 00:49:52,880

you don't do what they say if you stand

1287

00:49:56,630 --> 00:49:54,240

up to them

1288

00:49:58,470 --> 00:49:56,640

then you're on the [h__h] under the stick

1289

00:49:59,990 --> 00:49:58,480

for the rest of your life

1290

00:50:01,990 --> 00:50:00,000

they will lambaste you they will

1291

00:50:03,430 --> 00:50:02,000

ostracize you they will close ranks

1292

00:50:06,710 --> 00:50:03,440

against you

1293

00:50:09,589 --> 00:50:06,720

and this centers around some crap that

1294

00:50:12,470 --> 00:50:09,599

mufon tried to pull at the time of the

1295

00:50:14,950 --> 00:50:12,480

south haven park crash

1296

00:50:17,190 --> 00:50:14,960

and mufon tried to move in

1297

00:50:19,510 --> 00:50:17,200

and bully their way in and say we want

1298

00:50:21,349 --> 00:50:19,520

all your files from lufon

1299

00:50:24,710 --> 00:50:21,359

and john was like no screw off we've

1300

00:50:26,230 --> 00:50:24,720

given uh priority to people's privacy

1301
00:50:28,069 --> 00:50:26,240
we've promised them that we're not going

1302
00:50:29,589 --> 00:50:28,079
to expose their names what guarantee do

1303
00:50:32,309 --> 00:50:29,599
i have from you

1304
00:50:34,470 --> 00:50:32,319
and you know they're like absolutely

1305
00:50:36,230 --> 00:50:34,480
right well this sort of explains how

1306
00:50:39,270 --> 00:50:36,240
they got the files i mean if you wanted

1307
00:50:41,109 --> 00:50:39,280
to extend it and extrapolate the suffolk

1308
00:50:43,750 --> 00:50:41,119
county got the files

1309
00:50:46,309 --> 00:50:43,760
so here yeah now you're linking mufon to

1310
00:50:47,190 --> 00:50:46,319
suffolk county only by investigation

1311
00:50:49,109 --> 00:50:47,200
uh

1312
00:50:50,630 --> 00:50:49,119
and you know what what is the influence

1313
00:50:52,870 --> 00:50:50,640

there of course they want the easy way

1314

00:50:55,270 --> 00:50:52,880

to get the files mufon would just get

1315

00:50:57,270 --> 00:50:55,280

them for investigatory purposes and then

1316

00:50:58,870 --> 00:50:57,280

hand them over to safekeeping

1317

00:51:01,270 --> 00:50:58,880

uh whether it be

1318

00:51:03,430 --> 00:51:01,280

you know you would seem that the us army

1319

00:51:05,910 --> 00:51:03,440

uh would uh

1320

00:51:07,030 --> 00:51:05,920

would be the safest place to keep those

1321

00:51:09,829 --> 00:51:07,040

documents

1322

00:51:11,510 --> 00:51:09,839

if you uh were a government you'd want

1323

00:51:14,870 --> 00:51:11,520

the army to keep them because you would

1324

00:51:17,030 --> 00:51:14,880

have uh an arsenal uh ostensibly to

1325

00:51:19,109 --> 00:51:17,040

protect them

1326

00:51:21,990 --> 00:51:19,119

so right this uh

1327

00:51:25,190 --> 00:51:22,000

so this suggests that that mufon is an

1328

00:51:27,190 --> 00:51:25,200

extension of the us army in some way or

1329

00:51:29,750 --> 00:51:27,200

army intelligence would be and you know

1330

00:51:32,549 --> 00:51:29,760

masonic ties into the army as well you

1331

00:51:35,589 --> 00:51:32,559

mentioned the freemasons so we go back

1332

00:51:36,950 --> 00:51:35,599

to this silly boys club

1333

00:51:39,270 --> 00:51:36,960

all right john

1334

00:51:42,150 --> 00:51:39,280

john always swore all of his

1335

00:51:44,230 --> 00:51:42,160

investigative teams to sweet secrecy we

1336

00:51:47,270 --> 00:51:44,240

could only discuss it with him and with

1337

00:51:48,790 --> 00:51:47,280

our with our team and and not outside of

1338

00:51:50,790 --> 00:51:48,800

you know

1339

00:51:51,589 --> 00:51:50,800

not outside of his presence or anything

1340

00:51:54,230 --> 00:51:51,599

else

1341

00:51:56,230 --> 00:51:54,240

so you know he took confidentiality very

1342

00:51:57,829 --> 00:51:56,240

seriously because some of the people we

1343

00:51:59,670 --> 00:51:57,839

dealt with had a lot to lose by

1344

00:52:02,309 --> 00:51:59,680

reporting the ufo

1345

00:52:03,510 --> 00:52:02,319

and um you know and it was also a

1346

00:52:05,430 --> 00:52:03,520

legitimate

1347

00:52:07,829 --> 00:52:05,440

uh not-for-profit organization

1348

00:52:09,990 --> 00:52:07,839

registered in the state of new york so

1349

00:52:11,349 --> 00:52:10,000

that made john basically this perfect

1350

00:52:14,230 --> 00:52:11,359

scapegoat

1351

00:52:16,390 --> 00:52:14,240

for targeting as a you know

1352

00:52:18,710 --> 00:52:16,400

if you want to take your

1353

00:52:20,710 --> 00:52:18,720

people's attention off something

1354

00:52:23,430 --> 00:52:20,720

you wanted to take people's attention

1355

00:52:25,030 --> 00:52:23,440

off of toxic dumping oh this guy wants

1356

00:52:26,150 --> 00:52:25,040

to kill people with radium in their

1357

00:52:28,230 --> 00:52:26,160

toothpaste

1358

00:52:30,549 --> 00:52:28,240

what better person than somebody that

1359

00:52:32,390 --> 00:52:30,559

investigates ufos and doesn't talk about

1360

00:52:34,069 --> 00:52:32,400

it

1361

00:52:35,349 --> 00:52:34,079

right exactly

1362

00:52:37,589 --> 00:52:35,359

so

1363

00:52:40,069 --> 00:52:37,599

but that's it that was the uh that was

1364

00:52:41,190 --> 00:52:40,079

the rift right there between mufon and

1365

00:52:43,829 --> 00:52:41,200

lufan

1366

00:52:45,430 --> 00:52:43,839

because john you know told him no

1367

00:52:50,390 --> 00:52:45,440

you can't have this

1368

00:52:54,390 --> 00:52:51,750

uh

1369

00:52:55,990 --> 00:52:54,400

long before that but but yes that go

1370

00:52:58,549 --> 00:52:56,000

ahead yeah

1371

00:53:02,069 --> 00:52:58,559

and so at that point

1372

00:53:03,990 --> 00:53:02,079

um they closed ranks against john

1373

00:53:05,910 --> 00:53:04,000

and when he got into trouble like this

1374

00:53:07,270 --> 00:53:05,920

all they did was basically laugh their

1375

00:53:09,430 --> 00:53:07,280

ass off and

1376

00:53:12,630 --> 00:53:09,440

say good riddance

1377

00:53:14,470 --> 00:53:12,640

and that's what came out of that

1378

00:53:17,190 --> 00:53:14,480

well this shouldn't denigrate the

1379

00:53:20,710 --> 00:53:17,200

investigators the mufon investigators on

1380

00:53:23,510 --> 00:53:20,720

the ground local groups and so forth the

1381

00:53:25,349 --> 00:53:23,520

local you know down to earth guys

1382

00:53:26,630 --> 00:53:25,359

we're talking about the upper echelon

1383

00:53:28,710 --> 00:53:26,640

mufon

1384

00:53:31,430 --> 00:53:28,720

uh yeah but

1385

00:53:33,030 --> 00:53:31,440

then we could say your counters and uh

1386

00:53:35,349 --> 00:53:33,040

and test equipment

1387

00:53:37,910 --> 00:53:35,359

and we would we would swap you know

1388

00:53:39,430 --> 00:53:37,920

basic information now and then

1389

00:53:48,790 --> 00:53:39,440

but um

1390

00:53:55,190 --> 00:53:51,349

yeah no i know that i get that i mean

1391

00:54:00,470 --> 00:53:57,510

a neighborhood

1392

00:54:02,950 --> 00:54:00,480

masonic organization okay

1393

00:54:04,950 --> 00:54:02,960

uh the people in the local club

1394

00:54:06,309 --> 00:54:04,960

uh they don't really do anything wrong

1395

00:54:07,750 --> 00:54:06,319

in fact they wouldn't know their ass

1396

00:54:11,190 --> 00:54:07,760

from a hole in the ground

1397

00:54:12,549 --> 00:54:11,200

but um you know once they get tapped on

1398

00:54:16,069 --> 00:54:12,559

the shoulder

1399

00:54:17,589 --> 00:54:16,079

and they start climbing the ranks

1400

00:54:22,829 --> 00:54:17,599

this is where you start running into

1401

00:54:26,950 --> 00:54:25,910

yeah and did we lose everybody

1402

00:54:28,549 --> 00:54:26,960

no you

1403

00:54:30,630 --> 00:54:28,559

joe is the

1404

00:54:33,030 --> 00:54:30,640

expert in communicator

1405

00:54:34,950 --> 00:54:33,040

expert in communications who's

1406

00:54:36,790 --> 00:54:34,960

the hardest to hear

1407

00:54:44,390 --> 00:54:36,800

okay

1408

00:54:50,790 --> 00:54:46,790

well here's an interesting question as

1409

00:54:53,430 --> 00:54:50,800

uh as as john and lufon were having

1410

00:54:54,710 --> 00:54:53,440

a head-to-head problem where john was

1411

00:54:56,230 --> 00:54:54,720

not giving them

1412

00:54:57,750 --> 00:54:56,240

the files

1413

00:55:00,710 --> 00:54:57,760

that they demanded

1414

00:55:02,069 --> 00:55:00,720

was mufon taking any money from john or

1415

00:55:03,109 --> 00:55:02,079

from lufon

1416

00:55:05,510 --> 00:55:03,119

uh

1417

00:55:09,109 --> 00:55:05,520

as far as do pain

1418

00:55:10,950 --> 00:55:09,119

no no there was uh john formed the long

1419

00:55:12,230 --> 00:55:10,960

island ufo network

1420

00:55:13,190 --> 00:55:12,240

because

1421

00:55:15,670 --> 00:55:13,200

uh

1422

00:55:17,030 --> 00:55:15,680

you know mufon was always a very suspect

1423

00:55:18,790 --> 00:55:17,040

organization

1424

00:55:22,950 --> 00:55:18,800

in and of itself but was

1425

00:55:26,230 --> 00:55:22,960

was was lufon a chapter of mufon no no

1426

00:55:28,230 --> 00:55:26,240

no no totally separate oh

1427

00:55:33,510 --> 00:55:28,240

okay

1428

00:55:38,150 --> 00:55:35,670

i was going big accuse mufon of taking

1429

00:55:40,950 --> 00:55:38,160

money from john and from members

1430

00:55:42,549 --> 00:55:40,960

of that chapter and then when the when

1431

00:55:44,549 --> 00:55:42,559

when john got into trouble or the [h__\h]

1432

00:55:46,630 --> 00:55:44,559

hits the fan that they were they were

1433

00:55:48,870 --> 00:55:46,640

basically they take the money right and

1434

00:55:50,549 --> 00:55:48,880

don't stand up so oh

1435

00:55:53,670 --> 00:55:50,559

wrong here

1436

00:55:56,230 --> 00:55:53,680

no the history of long island ufology uh

1437

00:55:57,589 --> 00:55:56,240

into the 80s and 90s is there was a man

1438

00:56:00,710 --> 00:55:57,599

named bill nell

1439

00:56:03,589 --> 00:56:00,720

who was uh had long island skywatch and

1440

00:56:08,309 --> 00:56:07,109

and and he and john were rivals uh john

1441

00:56:10,150 --> 00:56:08,319

actually

1442

00:56:13,270 --> 00:56:10,160

i was just saying i was just talking

1443

00:56:15,510 --> 00:56:13,280

about the history of ufology on

1444

00:56:19,270 --> 00:56:15,520

long island with two rivals bill nell

1445

00:56:20,870 --> 00:56:19,280

and john ford and john ford literally

1446

00:56:23,190 --> 00:56:20,880

what

1447

00:56:25,430 --> 00:56:23,200

no i'm sorry i i confused you with rick

1448

00:56:28,470 --> 00:56:25,440

i apologize go ahead peter

1449

00:56:30,710 --> 00:56:28,480

yes and and john ford ran bill now out

1450

00:56:32,390 --> 00:56:30,720

of long island he said he spent about

1451

00:56:34,390 --> 00:56:32,400

fifty thousand dollars

1452

00:56:35,190 --> 00:56:34,400

uh suing him

1453

00:56:37,589 --> 00:56:35,200

uh

1454

00:56:39,829 --> 00:56:37,599

getting him off of long island where

1455

00:56:41,589 --> 00:56:39,839

bill nell then went to florida bought a

1456

00:56:44,470 --> 00:56:41,599

home which is protected

1457

00:56:45,750 --> 00:56:44,480

uh in florida from any bankruptcy

1458

00:56:47,829 --> 00:56:45,760

and uh

1459

00:56:50,470 --> 00:56:47,839

and that's so john ford had now had

1460

00:56:53,030 --> 00:56:50,480

territory of long island uh there was a

1461

00:56:54,549 --> 00:56:53,040

mufon director don't remember his last

1462

00:56:56,150 --> 00:56:54,559

name sal

1463

00:56:58,870 --> 00:56:56,160

he worked for the company that preston

1464

00:57:00,870 --> 00:56:58,880

nichols worked for uh sal was a was a

1465

00:57:03,750 --> 00:57:00,880

nice guy he was uh

1466

00:57:06,549 --> 00:57:03,760

uh but but mufon and long island really

1467

00:57:09,190 --> 00:57:06,559

had no big presence it was pretty

1468

00:57:11,349 --> 00:57:09,200

pretty small the big presence was bill

1469

00:57:13,349 --> 00:57:11,359

nell and and john ford john ford

1470

00:57:14,630 --> 00:57:13,359

eventually winning out through legal

1471

00:57:15,910 --> 00:57:14,640

maneuvering

1472

00:57:19,430 --> 00:57:15,920

um

1473

00:57:20,950 --> 00:57:19,440

and bill now was a con artist too

1474

00:57:23,670 --> 00:57:20,960

well yes

1475

00:57:27,270 --> 00:57:23,680

the point is is that john became the big

1476
00:57:30,069 --> 00:57:27,280
fish on long island for you ufo research

1477
00:57:31,910 --> 00:57:30,079
as far as any organizations went and

1478
00:57:33,030 --> 00:57:31,920
absolutely absolutely

1479
00:57:35,109 --> 00:57:33,040
presence

1480
00:57:38,069 --> 00:57:35,119
long island ufo network

1481
00:57:38,829 --> 00:57:38,079
and it it caused a big rift with bill

1482
00:57:42,390 --> 00:57:38,839
nell

1483
00:57:51,349 --> 00:57:42,400
he

1484
00:57:53,430 --> 00:57:51,359
book credited john ford and so that

1485
00:57:54,710 --> 00:57:53,440
upset bill by the way

1486
00:57:57,750 --> 00:57:54,720
um

1487
00:57:59,910 --> 00:57:57,760
is is long island ufo still active is

1488
00:58:02,710 --> 00:57:59,920

there still a team it's not active there

1489

00:58:04,789 --> 00:58:02,720

is a team uh steve ivarone

1490

00:58:06,870 --> 00:58:04,799

uh and tony west

1491

00:58:08,150 --> 00:58:06,880

uh i don't know if they've ever appeared

1492

00:58:11,030 --> 00:58:08,160

on the show i don't know if they want to

1493

00:58:14,150 --> 00:58:12,870

they don't want it to

1494

00:58:16,390 --> 00:58:14,160

yeah they weren't

1495

00:58:18,789 --> 00:58:16,400

just also there are many others on long

1496

00:58:20,470 --> 00:58:18,799

island and still belong to the loyal ufo

1497

00:58:21,589 --> 00:58:20,480

network and there is a chapter in

1498

00:58:22,470 --> 00:58:21,599

florida

1499

00:58:24,710 --> 00:58:22,480

also

1500

00:58:26,789 --> 00:58:24,720

but they were executives steve and tony

1501
00:58:28,710 --> 00:58:26,799
were executives and uh

1502
00:58:30,789 --> 00:58:28,720
they have x degree of

1503
00:58:33,750 --> 00:58:30,799
you know inside information about the

1504
00:58:36,390 --> 00:58:33,760
john ford case uh probably not too much

1505
00:58:39,829 --> 00:58:36,400
that hasn't been brought up

1506
00:58:42,230 --> 00:58:39,839
well steve steve was uh yeah steve was

1507
00:58:45,030 --> 00:58:42,240
not tony tony was an investigator steve

1508
00:58:47,270 --> 00:58:45,040
was uh was pretty much up there you know

1509
00:58:49,430 --> 00:58:47,280
uh he was he was a

1510
00:58:50,870 --> 00:58:49,440
he headed an investigative team

1511
00:58:53,030 --> 00:58:50,880
as did i

1512
00:58:59,670 --> 00:58:53,040
yeah

1513
00:59:01,829 --> 00:58:59,680

local stuff we knew john very well uh

1514

00:59:04,630 --> 00:59:01,839

yeah we both go over there together he

1515

00:59:07,109 --> 00:59:04,640

only lives about three miles from me and

1516

00:59:10,150 --> 00:59:07,119

i still speak with him you know

1517

00:59:11,990 --> 00:59:10,160

about every week or so

1518

00:59:14,710 --> 00:59:12,000

the only time uh

1519

00:59:15,670 --> 00:59:14,720

that mufon had a prior

1520

00:59:19,750 --> 00:59:15,680

um

1521

00:59:21,270 --> 00:59:19,760

this may have been the same person uh

1522

00:59:23,670 --> 00:59:21,280

peter was talking about but it was a

1523

00:59:26,710 --> 00:59:23,680

salji and muso yeah so

1524

00:59:28,069 --> 00:59:26,720

yeah and he was running a chapter out in

1525

00:59:30,309 --> 00:59:28,079

suffolk county

1526

00:59:32,069 --> 00:59:30,319

for a long time i mean he retired from

1527

00:59:33,270 --> 00:59:32,079

it and handed it off to somebody else

1528

00:59:35,349 --> 00:59:33,280

but

1529

00:59:37,750 --> 00:59:35,359

um that's about the only presence the

1530

00:59:41,270 --> 00:59:37,760

small presence you would find

1531

00:59:47,190 --> 00:59:43,349

yeah it was a very token presence and it

1532

00:59:49,829 --> 00:59:47,200

was amounted to nothing too significant

1533

00:59:51,430 --> 00:59:49,839

they would have meetings

1534

00:59:54,309 --> 00:59:51,440

that's about it

1535

00:59:55,990 --> 00:59:54,319

meetings in a library like on thursday

1536

00:59:57,990 --> 00:59:56,000

nights or something

1537

01:00:00,789 --> 00:59:58,000

it was really a

1538

01:00:02,230 --> 01:00:00,799

thing you know and they had a newsletter

1539

01:00:06,710 --> 01:00:02,240

and uh

1540

01:00:08,950 --> 01:00:06,720

the lufon members still go to the

1541

01:00:11,510 --> 01:00:08,960

meetings and they still there's people

1542

01:00:13,910 --> 01:00:11,520

still talking dirt about john

1543

01:00:16,230 --> 01:00:13,920

you know putting him down and so forth

1544

01:00:17,829 --> 01:00:16,240

about you know how how everything went

1545

01:00:19,589 --> 01:00:17,839

wrong and uh

1546

01:00:21,510 --> 01:00:19,599

they they just don't they don't even

1547

01:00:23,430 --> 01:00:21,520

listen to this show they don't listen to

1548

01:00:25,430 --> 01:00:23,440

any of the other podcasts

1549

01:00:28,549 --> 01:00:25,440

that i've been on anyway

1550

01:00:31,030 --> 01:00:28,559

about you guys but i mean i've been on

1551

01:00:33,829 --> 01:00:31,040

with some pretty heavy hitters and

1552

01:00:35,190 --> 01:00:33,839

and you know they just don't get it

1553

01:00:37,670 --> 01:00:35,200

they don't get it

1554

01:00:39,670 --> 01:00:37,680

mufon just does not understand that it

1555

01:00:41,750 --> 01:00:39,680

can happen in them they can happen to

1556

01:00:43,190 --> 01:00:41,760

any one of their investigators at any

1557

01:00:44,549 --> 01:00:43,200

time

1558

01:00:46,950 --> 01:00:44,559

okay

1559

01:00:49,270 --> 01:00:46,960

well it's my understanding that certain

1560

01:00:51,270 --> 01:00:49,280

members within that organization move on

1561

01:00:54,150 --> 01:00:51,280

which by the way i am i'm a lifetime

1562

01:00:56,870 --> 01:00:54,160

member but they interpreted john ford as

1563

01:00:59,910 --> 01:00:56,880

a crackpot now whether or not

1564

01:01:02,069 --> 01:00:59,920

they you know whether or not uh he is or

1565

01:01:05,750 --> 01:01:02,079

he isn't the fact of the matter is that

1566

01:01:08,309 --> 01:01:05,760

that that incident that long island

1567

01:01:10,230 --> 01:01:08,319

crash made national news and he didn't

1568

01:01:12,950 --> 01:01:10,240

make that up and i don't understand why

1569

01:01:14,789 --> 01:01:12,960

mufon wouldn't investigate that

1570

01:01:17,589 --> 01:01:14,799

well it's probably a

1571

01:01:19,670 --> 01:01:17,599

may season gimbals type situation if

1572

01:01:22,390 --> 01:01:19,680

a long island

1573

01:01:24,390 --> 01:01:22,400

ufo network was not a sub chapter of

1574

01:01:26,390 --> 01:01:24,400

lufon or there was no money

1575

01:01:27,750 --> 01:01:26,400

exchanging cable uh

1576

01:01:29,910 --> 01:01:27,760

on the table between the two

1577

01:01:31,589 --> 01:01:29,920

organizations

1578

01:01:33,589 --> 01:01:31,599

okay i you know if

1579

01:01:36,230 --> 01:01:33,599

if macy's got into trouble and i'm

1580

01:01:39,270 --> 01:01:36,240

gibbels and they came to me for help

1581

01:01:41,349 --> 01:01:39,280

yeah i don't think right now uh

1582

01:01:44,150 --> 01:01:41,359

it sounds like you have two competing

1583

01:01:45,510 --> 01:01:44,160

organizations i'm not defending mufon

1584

01:01:47,990 --> 01:01:45,520

but

1585

01:01:50,470 --> 01:01:48,000

generally when there's money exchanging

1586

01:01:52,470 --> 01:01:50,480

hands yeah if somebody's paying me if

1587

01:01:55,510 --> 01:01:52,480

they're my client if they're a some

1588

01:01:58,549 --> 01:01:55,520

chapter yeah i'll defend them absolutely

1589

01:02:04,150 --> 01:02:00,230

as a capitalist

1590

01:02:07,829 --> 01:02:04,160

daddy where do babies come from uh well

1591

01:02:09,990 --> 01:02:07,839

uh honey mommy went to the store oh well

1592

01:02:13,829 --> 01:02:10,000

you see um well there's a mommy and a

1593

01:02:15,990 --> 01:02:13,839

daddy right right and see when they call

1594

01:02:18,309 --> 01:02:16,000

geico uh they could save a bunch of

1595

01:02:20,230 --> 01:02:18,319

money on car insurance oh really and

1596

01:02:23,349 --> 01:02:20,240

that makes them happy yes that makes

1597

01:02:24,630 --> 01:02:23,359

them very happy that's good yeah well

1598

01:02:25,750 --> 01:02:24,640

i'm glad we could have this talk

1599

01:02:28,150 --> 01:02:25,760

sunshine

1600

01:02:31,430 --> 01:02:28,160

geico because saving 15 or more on car

1601

01:02:32,950 --> 01:02:31,440

insurance is always a great answer i i i

1602

01:02:35,510 --> 01:02:32,960

wouldn't just reach out

1603

01:02:37,829 --> 01:02:35,520

especially if i was uh if i was in

1604

01:02:40,549 --> 01:02:37,839

competition

1605

01:02:43,589 --> 01:02:40,559

but there was no money to be made really

1606

01:02:45,589 --> 01:02:43,599

john was running operating at a loss

1607

01:02:47,750 --> 01:02:45,599

okay people paid their dues and they got

1608

01:02:49,030 --> 01:02:47,760

a newsletter once a month i don't know

1609

01:02:51,190 --> 01:02:49,040

what you are

1610

01:02:54,870 --> 01:02:51,200

saying hey joe i don't know of what

1611

01:02:57,750 --> 01:02:54,880

group that doesn't even mufon operates

1612

01:02:58,950 --> 01:02:57,760

at a loss there's no money to be made

1613

01:03:05,829 --> 01:02:58,960

in

1614

01:03:08,309 --> 01:03:05,839

than the fact that you know one of these

1615

01:03:10,069 --> 01:03:08,319

times it's going to be another roswell

1616

01:03:11,670 --> 01:03:10,079

and i believe that

1617

01:03:14,390 --> 01:03:11,680

i

1618

01:03:16,630 --> 01:03:14,400

open up

1619

01:03:18,549 --> 01:03:16,640

if they have open open book system where

1620

01:03:20,549 --> 01:03:18,559

you can see penny for penny

1621

01:03:22,150 --> 01:03:20,559

oh i know hey listen

1622

01:03:25,270 --> 01:03:22,160

make no mistake about it they've got a

1623

01:03:27,750 --> 01:03:25,280

credibility issue and unfortunately

1624

01:03:30,069 --> 01:03:27,760

they haven't addressed it and and i put

1625

01:03:32,230 --> 01:03:30,079

i that i put that on the on the on the

1626
01:03:34,710 --> 01:03:32,240
board i i know some people and some

1627
01:03:36,230 --> 01:03:34,720
investigators uh within the mufon

1628
01:03:37,670 --> 01:03:36,240
organization and they're good they're

1629
01:03:39,910 --> 01:03:37,680
good honest people they do good

1630
01:03:41,430 --> 01:03:39,920
investigations they they

1631
01:03:44,630 --> 01:03:41,440
they believe in the mission statement

1632
01:03:46,870 --> 01:03:44,640
unfortunately at the hierarchy uh is the

1633
01:03:48,950 --> 01:03:46,880
credibility issue that's where the where

1634
01:03:51,910 --> 01:03:48,960
the stink is that's what i'm saying

1635
01:03:53,910 --> 01:03:51,920
that's what i was saying before yeah

1636
01:03:55,990 --> 01:03:53,920
and they haven't taken responsibility

1637
01:03:58,950 --> 01:03:56,000
for it and

1638
01:04:00,470 --> 01:03:58,960

unfortunately you know that

1639

01:04:02,710 --> 01:04:00,480

until they do

1640

01:04:04,309 --> 01:04:02,720

um you know that organization is going

1641

01:04:07,510 --> 01:04:04,319

to be in trouble

1642

01:04:09,270 --> 01:04:07,520

and they need to understand that

1643

01:04:12,309 --> 01:04:09,280

that

1644

01:04:13,990 --> 01:04:12,319

they have to be honest and up front and

1645

01:04:15,430 --> 01:04:14,000

because of uh

1646

01:04:16,950 --> 01:04:15,440

that stain

1647

01:04:19,029 --> 01:04:16,960

they have to go the extra part they

1648

01:04:21,990 --> 01:04:19,039

haven't done anything to correct a right

1649

01:04:23,670 --> 01:04:22,000

to ship regarding that no and they never

1650

01:04:25,430 --> 01:04:23,680

will because at the higher level of any

1651

01:04:28,230 --> 01:04:25,440

of these organizations as rick was

1652

01:04:29,109 --> 01:04:28,240

alluding to you have the the pre-masonic

1653

01:04:30,549 --> 01:04:29,119

uh

1654

01:04:33,430 --> 01:04:30,559

you know grip

1655

01:04:36,150 --> 01:04:33,440

and and this uh will always

1656

01:04:38,470 --> 01:04:36,160

act in the uh best interest of other

1657

01:04:40,630 --> 01:04:38,480

freemason or other free masonic

1658

01:04:42,230 --> 01:04:40,640

interests and this is a

1659

01:04:44,710 --> 01:04:42,240

a control

1660

01:04:46,309 --> 01:04:44,720

that is exerted upon one of the main

1661

01:04:48,549 --> 01:04:46,319

controls of the freemasons being the

1662

01:04:49,510 --> 01:04:48,559

mormon church but certainly not the only

1663

01:04:53,430 --> 01:04:49,520

one

1664

01:04:55,349 --> 01:04:53,440

so they have which is very highly uh

1665

01:04:56,390 --> 01:04:55,359

you know populates the cia the mormon

1666

01:04:58,069 --> 01:04:56,400

church

1667

01:05:00,390 --> 01:04:58,079

so you have a

1668

01:05:02,390 --> 01:05:00,400

tremendous amount of influence

1669

01:05:03,589 --> 01:05:02,400

a tremendous amount i interrupt and say

1670

01:05:05,270 --> 01:05:03,599

hi

1671

01:05:06,950 --> 01:05:05,280

you already did but thank you

1672

01:05:10,309 --> 01:05:06,960

marilyn hi

1673

01:05:11,430 --> 01:05:10,319

hi sorry hey man hey marilyn how you

1674

01:05:12,150 --> 01:05:11,440

doing there

1675

01:05:16,470 --> 01:05:12,160

we

1676

01:05:18,069 --> 01:05:16,480

forgot about the show tonight it's all

1677

01:05:27,910 --> 01:05:18,079

our fault

1678

01:05:31,589 --> 01:05:29,589

and actually we're talking about luffon

1679

01:05:33,490 --> 01:05:31,599

right now

1680

01:05:35,349 --> 01:05:33,500

and it's a good subject

1681

01:05:37,589 --> 01:05:35,359

[Music]

1682

01:05:40,309 --> 01:05:37,599

well and and

1683

01:05:43,190 --> 01:05:40,319

you know once again um you know we have

1684

01:05:46,230 --> 01:05:43,200

a i don't understand at least

1685

01:05:49,190 --> 01:05:46,240

does does mufon have a state director

1686

01:05:51,589 --> 01:05:49,200

for the state of new york

1687

01:05:54,549 --> 01:05:51,599

of course of course they do i i met him

1688

01:05:56,549 --> 01:05:54,559

once uh back in 2010

1689

01:05:58,390 --> 01:05:56,559

and and what's and what is his i mean

1690

01:06:01,190 --> 01:05:58,400

what is his oh i know i i can't i can't

1691

01:06:02,950 --> 01:06:01,200

remember his name but uh yeah in fact i

1692

01:06:04,870 --> 01:06:02,960

got quite a few

1693

01:06:06,710 --> 01:06:04,880

of the state directors

1694

01:06:10,549 --> 01:06:06,720

as well as the uh

1695

01:06:18,069 --> 01:06:11,910

uh

1696

01:06:20,309 --> 01:06:18,079

i i suspect that your fund is making

1697

01:06:21,190 --> 01:06:20,319

gobs of money they don't have

1698

01:06:24,710 --> 01:06:21,200

uh

1699

01:06:28,150 --> 01:06:24,720

very many paid employees if any

1700

01:06:29,589 --> 01:06:28,160

and everything is is by

1701

01:06:32,390 --> 01:06:29,599

volunteerism

1702

01:06:34,150 --> 01:06:32,400

plus they're collecting what thirty or

1703

01:06:36,309 --> 01:06:34,160

fifty dollars a month

1704

01:06:38,150 --> 01:06:36,319

uh sorry thirty to fifty dollars a year

1705

01:06:39,510 --> 01:06:38,160

from everybody that's a

1706

01:06:41,270 --> 01:06:39,520

i don't know how many how large the

1707

01:06:42,150 --> 01:06:41,280

membership is but that's a big chunk of

1708

01:06:45,109 --> 01:06:42,160

money

1709

01:06:47,670 --> 01:06:45,119

there are some people uh that are are

1710

01:06:49,349 --> 01:06:47,680

actually making money within lufon those

1711

01:06:50,630 --> 01:06:49,359

who have

1712

01:06:52,069 --> 01:06:50,640

a title

1713

01:06:54,950 --> 01:06:52,079

um in the

1714

01:06:55,990 --> 01:06:54,960

higher up they all get paid

1715

01:06:57,670 --> 01:06:56,000

um

1716

01:06:58,829 --> 01:06:57,680

not a big amount of money but they all

1717

01:07:00,549 --> 01:06:58,839

get paid

1718

01:07:05,430 --> 01:07:00,559

uh

1719

01:07:08,710 --> 01:07:06,309

yeah

1720

01:07:11,589 --> 01:07:08,720

but most of most of the people are

1721

01:07:13,510 --> 01:07:11,599

volunteers and their investigations are

1722

01:07:16,309 --> 01:07:13,520

out of their pocket

1723

01:07:18,549 --> 01:07:16,319

and once again if the higher-ups go

1724

01:07:20,470 --> 01:07:18,559

like the star team they may

1725

01:07:21,750 --> 01:07:20,480

or the

1726

01:07:24,470 --> 01:07:21,760

sat team

1727

01:07:26,230 --> 01:07:24,480

may go get their

1728

01:07:28,549 --> 01:07:26,240

expenses paid when they go on an

1729

01:07:29,670 --> 01:07:28,559

investigation but not always

1730

01:07:31,589 --> 01:07:29,680

so

1731

01:07:33,829 --> 01:07:31,599

i thought i'd throw that in

1732

01:07:35,670 --> 01:07:33,839

hey and i was a member of the sat team

1733

01:07:38,309 --> 01:07:35,680

for a brief period

1734

01:07:39,109 --> 01:07:38,319

yeah short period

1735

01:07:43,670 --> 01:07:39,119

yeah

1736

01:07:45,510 --> 01:07:43,680

well guess i

1737

01:07:48,950 --> 01:07:45,520

i'm outspoken and i'm not really

1738

01:07:51,270 --> 01:07:48,960

politically correct so i i address

1739

01:07:53,750 --> 01:07:51,280

some of the exact issues

1740

01:07:59,029 --> 01:07:53,760

that uh we're talking about tonight

1741

01:08:00,710 --> 01:07:59,039

uh to um jan harzin and um the leader of

1742

01:08:02,309 --> 01:08:00,720

the sat team that what that was one of

1743

01:08:03,190 --> 01:08:02,319

my concerns

1744

01:08:04,870 --> 01:08:03,200

is

1745

01:08:06,069 --> 01:08:04,880

um

1746

01:08:07,510 --> 01:08:06,079

we're not going to tell the state

1747

01:08:10,549 --> 01:08:07,520

directors that we're coming into their

1748

01:08:13,270 --> 01:08:10,559

state to do an investigation uh really

1749

01:08:14,710 --> 01:08:13,280

that i objected to that too yeah i had a

1750

01:08:16,390 --> 01:08:14,720

problem with it right from the get-go i

1751

01:08:18,309 --> 01:08:16,400

said and then the other thing was is

1752

01:08:19,189 --> 01:08:18,319

that they didn't want to

1753

01:08:21,349 --> 01:08:19,199

now

1754

01:08:24,709 --> 01:08:21,359

i was disturbed that they were unwilling

1755

01:08:27,189 --> 01:08:24,719

to use all resources available for

1756

01:08:29,430 --> 01:08:27,199

example if there was a group and i'm

1757

01:08:30,309 --> 01:08:29,440

going to use the oklahoma ufo paranormal

1758

01:08:32,390 --> 01:08:30,319

team

1759

01:08:33,669 --> 01:08:32,400

as the example but if an incident

1760

01:08:35,829 --> 01:08:33,679

occurred

1761

01:08:37,669 --> 01:08:35,839

in the state of oklahoma and they had

1762

01:08:39,669 --> 01:08:37,679

knowledge they had witnesses and they

1763

01:08:41,189 --> 01:08:39,679

had the equipment

1764

01:08:43,269 --> 01:08:41,199

right there

1765

01:08:45,910 --> 01:08:43,279

with very little expense

1766

01:08:48,229 --> 01:08:45,920

for sending in the sat team why would

1767

01:08:50,309 --> 01:08:48,239

you not utilize that team pay their

1768

01:08:51,910 --> 01:08:50,319

expenses if nothing else to do on site

1769

01:08:54,070 --> 01:08:51,920

especially if it was a good case and

1770

01:08:55,749 --> 01:08:54,080

they refused to do that you know if it

1771

01:08:57,189 --> 01:08:55,759

wasn't if it wasn't mufon they weren't

1772

01:08:58,870 --> 01:08:57,199

going to do it i'm scratching my head

1773

01:09:00,709 --> 01:08:58,880

going wait a minute

1774

01:09:02,470 --> 01:09:00,719

you know in a battle you use all

1775

01:09:04,149 --> 01:09:02,480

available resources

1776

01:09:05,590 --> 01:09:04,159

wherever it sounds like a government

1777

01:09:07,510 --> 01:09:05,600

entity to

1778

01:09:10,309 --> 01:09:07,520

it sounds very much like a government

1779

01:09:12,550 --> 01:09:10,319

entity okay that's how they work okay

1780

01:09:14,870 --> 01:09:12,560

you know i mean i know it's loaded with

1781

01:09:17,189 --> 01:09:14,880

intelligence people

1782

01:09:18,709 --> 01:09:17,199

i i know for a fact that it is

1783

01:09:21,269 --> 01:09:18,719

mufon sure

1784

01:09:24,390 --> 01:09:21,279

well you look at it look at how it's run

1785

01:09:26,789 --> 01:09:24,400

i i suspect that um uh well hey john

1786

01:09:29,590 --> 01:09:26,799

alexander who was the right-hand man to

1787

01:09:30,789 --> 01:09:29,600

bigelow and bigelow bought into

1788

01:09:31,749 --> 01:09:30,799

mufan

1789

01:09:33,590 --> 01:09:31,759

yeah

1790

01:09:35,669 --> 01:09:33,600

okay so right there you've got a direct

1791

01:09:38,309 --> 01:09:35,679

pipeline and if you don't know who john

1792

01:09:40,950 --> 01:09:38,319

alexander was he was deputy director of

1793

01:09:42,550 --> 01:09:40,960

the c-i-a

1794

01:09:44,630 --> 01:09:42,560

oh yeah he was a

1795

01:09:47,110 --> 01:09:44,640

spooky guy

1796

01:09:47,929 --> 01:09:47,120

and now he's the director of cya cover

1797

01:09:51,749 --> 01:09:47,939

your ass

1798

01:09:54,149 --> 01:09:51,759

[Laughter]

1799

01:09:56,390 --> 01:09:54,159

well yeah

1800

01:10:01,669 --> 01:09:56,400

heavy connections between cia and

1801

01:10:03,430 --> 01:10:01,679

neutron always has been but uh uh

1802

01:10:05,110 --> 01:10:03,440

i accused richard hall i didn't i

1803

01:10:07,669 --> 01:10:05,120

shouldn't say accused but i was being

1804

01:10:10,790 --> 01:10:07,679

very direct with him i suspected that he

1805

01:10:11,510 --> 01:10:10,800

had infiltrated nightcap

1806

01:10:16,470 --> 01:10:11,520

and

1807

01:10:21,590 --> 01:10:16,480

he got

1808

01:10:26,470 --> 01:10:23,350

that cap started it was an honest

1809

01:10:28,950 --> 01:10:26,480

organization that infiltrated roof on

1810

01:10:31,189 --> 01:10:28,960

was supposed to have been a fresh start

1811

01:10:34,709 --> 01:10:31,199

from night gap because my cap was was

1812

01:10:36,550 --> 01:10:34,719

interested by cia and then uh mufon got

1813

01:10:40,870 --> 01:10:36,560

corrupted and so

1814

01:10:45,030 --> 01:10:43,030

if you look back the same people that

1815

01:10:48,870 --> 01:10:45,040

were nightcapped that became

1816

01:10:52,550 --> 01:10:48,880

mufon and so how you know it's it just

1817

01:10:54,470 --> 01:10:52,560

opens up the back door right away so

1818

01:10:57,189 --> 01:10:54,480

here we here we are talking about three

1819

01:11:00,790 --> 01:10:57,199

letter intelligence agencies and john's

1820

01:11:02,070 --> 01:11:00,800

in a loony bin for saying the same thing

1821

01:11:05,669 --> 01:11:02,080

well that's what i'm saying we have a

1822

01:11:09,030 --> 01:11:05,679

dog in this fight yeah no yeah

1823

01:11:09,830 --> 01:11:09,040

isn't that very yeah you know

1824

01:11:12,390 --> 01:11:09,840

yeah

1825

01:11:14,229 --> 01:11:12,400

well where i was going is basically uh

1826

01:11:15,910 --> 01:11:14,239

trying trying to figure out why mufon

1827

01:11:18,390 --> 01:11:15,920

outside of the fact that they're you

1828

01:11:21,110 --> 01:11:18,400

know they're probably corrupting cia but

1829

01:11:24,310 --> 01:11:21,120

why would they have uh

1830

01:11:25,189 --> 01:11:24,320

a regret about coming to john johnson

1831

01:11:27,110 --> 01:11:25,199

done

1832

01:11:28,470 --> 01:11:27,120

if uh

1833

01:11:29,990 --> 01:11:28,480

they're not making any money if they're

1834

01:11:32,470 --> 01:11:30,000

completing poverty

1835

01:11:34,470 --> 01:11:32,480

to take on a case a legal case or

1836

01:11:36,470 --> 01:11:34,480

somebody gets in trouble uh if you're

1837

01:11:39,030 --> 01:11:36,480

talking about tens of thousands of maybe

1838

01:11:41,990 --> 01:11:39,040

not a few hundred thousand dollars the

1839

01:11:44,709 --> 01:11:42,000

illegal fees to defend that person

1840

01:11:47,189 --> 01:11:44,719

so they might you know excuse for not

1841

01:11:51,990 --> 01:11:47,199

getting involved well this this issue

1842

01:11:53,189 --> 01:11:52,000

with uh john ford in the in the u.s army

1843

01:11:59,189 --> 01:11:53,199

uh

1844

01:12:01,430 --> 01:11:59,199

when this happened in the 90s

1845

01:12:04,310 --> 01:12:01,440

once again it's the irony of it but

1846

01:12:06,709 --> 01:12:04,320

there was a toxic dump that was exposed

1847

01:12:09,030 --> 01:12:06,719

in denver's rocky flats

1848

01:12:11,030 --> 01:12:09,040

and that was in the 90s also and i guess

1849

01:12:13,510 --> 01:12:11,040

guess who was involved in that

1850

01:12:16,310 --> 01:12:13,520

united states army no the united states

1851

01:12:20,229 --> 01:12:18,310

well yeah i don't know if you guys if

1852

01:12:22,950 --> 01:12:20,239

you guys read the papers from long

1853

01:12:25,510 --> 01:12:22,960

island but uh there right now just

1854

01:12:28,709 --> 01:12:25,520

investigating the former the former

1855

01:12:31,189 --> 01:12:28,719

former owners of of uh grumman there's a

1856

01:12:32,550 --> 01:12:31,199

there's a uh a ground water plume in

1857

01:12:40,470 --> 01:12:32,560

beth page

1858

01:12:44,470 --> 01:12:42,470

there's some serious pollution going on

1859

01:12:46,709 --> 01:12:44,480

in area 51

1860

01:12:47,590 --> 01:12:46,719

i mean big time

1861

01:12:49,830 --> 01:12:47,600

um

1862

01:12:52,709 --> 01:12:49,840

well i use a lot of jet fuel you use a

1863

01:12:54,709 --> 01:12:52,719

lot of jp4 and slush hydrogen and god

1864

01:12:56,790 --> 01:12:54,719

knows how they make that material that

1865

01:12:59,350 --> 01:12:56,800

they used to coat the beat the stealth

1866

01:13:02,550 --> 01:12:59,360

fighter and the stealth bomber with

1867

01:13:04,709 --> 01:13:02,560

was was interf not manufactured but

1868

01:13:07,350 --> 01:13:04,719

tested out at area 51

1869

01:13:12,550 --> 01:13:07,360

and they burned a lot of that crap in a

1870

01:13:17,669 --> 01:13:15,910

shocking badly affected well yeah

1871

01:13:19,910 --> 01:13:17,679

you know this ties directly to you know

1872

01:13:20,950 --> 01:13:19,920

john getting involved in this uh toxic

1873

01:13:23,990 --> 01:13:20,960

waste

1874

01:13:25,669 --> 01:13:24,000

dump over a ufo incident and hey it's

1875

01:13:26,870 --> 01:13:25,679

like a string you start pulling it next

1876

01:13:28,870 --> 01:13:26,880

thing you know you got a whole ball of

1877

01:13:30,229 --> 01:13:28,880

twine at the bottom of your feet and it

1878

01:13:32,310 --> 01:13:30,239

may be hey

1879

01:13:34,310 --> 01:13:32,320

it looks like there may be a common

1880

01:13:36,149 --> 01:13:34,320

thread it disappears that way that the

1881

01:13:38,870 --> 01:13:36,159

united states army may be the one that's

1882

01:13:40,229 --> 01:13:38,880

involved in a lot of this military toxic

1883

01:13:42,709 --> 01:13:40,239

dump stuff

1884

01:13:44,550 --> 01:13:42,719

and if it was going to be uncovered in

1885

01:13:48,310 --> 01:13:44,560

suffolk county

1886

01:13:53,430 --> 01:13:50,390

denver colorado phoenix arizona wait a

1887

01:13:54,950 --> 01:13:53,440

minute how widespread is this toxic dump

1888

01:13:56,550 --> 01:13:54,960

that's connected to the united states

1889

01:13:59,270 --> 01:13:56,560

army how big is it

1890

01:14:00,790 --> 01:13:59,280

well i would also remind people that uh

1891

01:14:03,030 --> 01:14:00,800

camp hero

1892

01:14:05,510 --> 01:14:03,040

as has been reported to me

1893

01:14:06,709 --> 01:14:05,520

by at least one officer of the court was

1894

01:14:26,830 --> 01:14:06,719

a

1895

01:14:31,110 --> 01:14:26,840

uh

1896

01:14:32,470 --> 01:14:31,120

stuff that has gone on and camp hero has

1897

01:14:35,110 --> 01:14:32,480

been used for that

1898

01:14:37,990 --> 01:14:35,120

in addition to the top secret stuff that

1899

01:14:40,149 --> 01:14:38,000

goes on in plum island which is oh yeah

1900

01:14:41,910 --> 01:14:40,159

sure thank you

1901

01:14:43,910 --> 01:14:41,920

you can thank uh plum island for the

1902

01:14:46,229 --> 01:14:43,920

lyme disease

1903

01:14:48,709 --> 01:14:46,239

yep well yes which was originally called

1904

01:14:51,030 --> 01:14:48,719

originally was called montauk knee the

1905

01:14:52,470 --> 01:14:51,040

original name of lyme disease montauk

1906

01:14:54,310 --> 01:14:52,480

knee

1907

01:14:56,149 --> 01:14:54,320

u.s bombers

1908

01:14:57,110 --> 01:14:56,159

wow

1909

01:15:00,390 --> 01:14:57,120

what

1910

01:15:02,229 --> 01:15:00,400

no i was just saying that's montauk me

1911

01:15:04,229 --> 01:15:02,239

the name yeah

1912

01:15:07,189 --> 01:15:04,239

yeah so

1913

01:15:10,790 --> 01:15:07,199

when you have these old uh associations

1914

01:15:13,189 --> 01:15:10,800
of the military industrial complex

1915

01:15:17,189 --> 01:15:13,199
uh you know that includes the army and

1916

01:15:18,070 --> 01:15:17,199
there's all this fraternalization

1917

01:15:20,950 --> 01:15:18,080
that

1918

01:15:22,630 --> 01:15:20,960
is always going to be not viewable in

1919

01:15:24,950 --> 01:15:22,640
public documents look at all these

1920

01:15:27,270 --> 01:15:24,960
command officers when they retire from

1921

01:15:29,110 --> 01:15:27,280
the military service become

1922

01:15:30,790 --> 01:15:29,120
lobbyists for these big defense

1923

01:15:32,070 --> 01:15:30,800
contractors

1924

01:15:34,550 --> 01:15:32,080
of course

1925

01:15:36,950 --> 01:15:34,560
okay i mean if that doesn't raise a red

1926

01:15:39,350 --> 01:15:36,960

flag i don't know what is i mean hey you

1927

01:15:40,630 --> 01:15:39,360

can't tell me that monsanto dupont they

1928

01:15:43,350 --> 01:15:40,640

don't they're not

1929

01:15:46,390 --> 01:15:43,360

they've they pawn their waist off to the

1930

01:15:48,470 --> 01:15:46,400

army and they take care of it

1931

01:15:50,790 --> 01:15:48,480

also i was about to see the uf uh u.s

1932

01:15:52,630 --> 01:15:50,800

military or the industrial complex has a

1933

01:15:55,110 --> 01:15:52,640

long history and not giving a [h__h] about

1934

01:15:58,310 --> 01:15:55,120

the american modeling they've uh

1935

01:16:00,870 --> 01:15:58,320

they've been caught red-handed uh

1936

01:16:02,310 --> 01:16:00,880

i believe there was one case where they

1937

01:16:05,270 --> 01:16:02,320

uh

1938

01:16:06,390 --> 01:16:05,280

they purposely infected populations to

1939

01:16:08,149 --> 01:16:06,400

see what the

1940

01:16:09,110 --> 01:16:08,159

the reaction of the uh of the infection

1941

01:16:11,350 --> 01:16:09,120

would be

1942

01:16:15,750 --> 01:16:11,360

they marched 200 gi

1943

01:16:18,070 --> 01:16:15,760

and detonated atomic bomb and all they

1944

01:16:20,550 --> 01:16:18,080

got was goggles over there

1945

01:16:23,510 --> 01:16:20,560

right knowing that there would be a they

1946

01:16:25,430 --> 01:16:23,520

uh they took 200 uh black soldiers and

1947

01:16:27,590 --> 01:16:25,440

injected them with the syphilis virus to

1948

01:16:29,750 --> 01:16:27,600

see yeah different vaccinations and i

1949

01:16:31,669 --> 01:16:29,760

mean those were all documented cases and

1950

01:16:32,630 --> 01:16:31,679

those are the ones we know about

1951

01:16:35,430 --> 01:16:32,640

um

1952

01:16:39,990 --> 01:16:37,669

agent orange in vietnam oh no that won't

1953

01:16:41,750 --> 01:16:40,000

cause any sickness yeah okay and these

1954

01:16:43,669 --> 01:16:41,760

guys were sprayed with this stuff like

1955

01:16:45,189 --> 01:16:43,679

taking a shower and now you know they're

1956

01:16:47,110 --> 01:16:45,199

reaching you know

1957

01:16:48,950 --> 01:16:47,120

their 60s and all of a sudden they're

1958

01:16:51,189 --> 01:16:48,960

coming down with what they call wagner's

1959

01:16:53,430 --> 01:16:51,199

disease which basically your kidneys and

1960

01:16:55,910 --> 01:16:53,440

livers uh brought you from the inside

1961

01:16:59,590 --> 01:16:55,920

out which is exactly what this uh

1962

01:17:02,149 --> 01:16:59,600

symptoms of aginoin poisoning does so so

1963

01:17:05,030 --> 01:17:02,159

the possibility the possibility of the

1964

01:17:06,149 --> 01:17:05,040

military link to the long island uh oh

1965

01:17:10,550 --> 01:17:06,159

yeah

1966

01:17:12,149 --> 01:17:10,560

a major research center there that is

1967

01:17:13,590 --> 01:17:12,159

doing research for the department of

1968

01:17:17,110 --> 01:17:13,600

defense

1969

01:17:18,790 --> 01:17:17,120

yes okay i mean you can't get any direct

1970

01:17:21,030 --> 01:17:18,800

in that and so

1971

01:17:23,590 --> 01:17:21,040

yeah i would i would say that there's a

1972

01:17:27,430 --> 01:17:23,600

probably a real good chance that the

1973

01:17:28,870 --> 01:17:27,440

underlying underlying forces in this

1974

01:17:31,910 --> 01:17:28,880

could be

1975

01:17:34,790 --> 01:17:31,920

federal u.s army or corps of engineers

1976

01:17:36,229 --> 01:17:34,800

maybe both who knows but

1977

01:17:37,350 --> 01:17:36,239

the tom

1978

01:17:41,270 --> 01:17:37,360

yes

1979

01:17:42,870 --> 01:17:41,280

yeah i i mean we're talking some serious

1980

01:17:44,550 --> 01:17:42,880

heavy you know

1981

01:17:47,030 --> 01:17:44,560

federal agencies

1982

01:17:48,790 --> 01:17:47,040

somebody got to the a e network because

1983

01:17:51,830 --> 01:17:48,800

they were they were going they were

1984

01:17:53,189 --> 01:17:51,840

about to do an expose on john's case

1985

01:17:53,910 --> 01:17:53,199

they even hired

1986

01:17:55,830 --> 01:17:53,920

and

1987

01:17:58,709 --> 01:17:55,840

the whole thing was dropped like a stone

1988

01:18:00,709 --> 01:17:58,719

i never got a reasonable

1989

01:18:03,189 --> 01:18:00,719

a reasonable explanation as to why right

1990

01:18:04,870 --> 01:18:03,199

right now

1991

01:18:09,510 --> 01:18:04,880

other than that it's owned by the hearst

1992

01:18:13,830 --> 01:18:11,350

they don't want to get they will not get

1993

01:18:15,669 --> 01:18:13,840

involved in anything that controversial

1994

01:18:16,950 --> 01:18:15,679

because if john does turn out to be a

1995

01:18:19,270 --> 01:18:16,960

looney tune

1996

01:18:20,390 --> 01:18:19,280

you know they're out a lot of money so

1997

01:18:22,470 --> 01:18:20,400

um

1998

01:18:23,830 --> 01:18:22,480

and and it all goes to whatever the

1999

01:18:26,390 --> 01:18:23,840

judge says

2000

01:18:28,470 --> 01:18:26,400

so uh it comes back to the thing that

2001

01:18:30,149 --> 01:18:28,480

john's stuck in a loop

2002

01:18:32,709 --> 01:18:30,159

every time he has to be released he

2003

01:18:34,229 --> 01:18:32,719

can't be hey jill let me let me ask you

2004

01:18:35,350 --> 01:18:34,239

something and i've i've asked this

2005

01:18:37,669 --> 01:18:35,360

before

2006

01:18:39,350 --> 01:18:37,679

and it is a concern of mine only from

2007

01:18:41,669 --> 01:18:39,360

the standpoint

2008

01:18:44,149 --> 01:18:41,679

of john's

2009

01:18:46,270 --> 01:18:44,159

will if you will and i am

2010

01:18:48,310 --> 01:18:46,280

i'm concerned that he hasn't been

2011

01:18:50,950 --> 01:18:48,320

institutionalized and i have known

2012

01:18:52,870 --> 01:18:50,960

people that have been in prison for

2013

01:18:54,709 --> 01:18:52,880

20 some years and they look at as three

2014

01:18:57,270 --> 01:18:54,719

hearts and it cots and they are very

2015

01:18:58,870 --> 01:18:57,280

comfortable at being in prison

2016

01:19:00,790 --> 01:18:58,880

everything's taken care for them and

2017

01:19:01,990 --> 01:19:00,800

that's when you become institutionalized

2018

01:19:03,270 --> 01:19:02,000

your day is laid out for you you don't

2019

01:19:04,550 --> 01:19:03,280

have to make any decisions hey you know

2020

01:19:05,669 --> 01:19:04,560

when meals gonna be served you know when

2021

01:19:07,030 --> 01:19:05,679

you can take a shower you know when you

2022

01:19:09,350 --> 01:19:07,040

get exercise

2023

01:19:10,870 --> 01:19:09,360

and they're they're content with their

2024

01:19:14,070 --> 01:19:10,880

lot in life

2025

01:19:15,830 --> 01:19:14,080

i is we did we did speak about this on

2026

01:19:18,470 --> 01:19:15,840

several shows but

2027

01:19:20,390 --> 01:19:18,480

every time i took john and you know i

2028

01:19:21,270 --> 01:19:20,400

speak to him two three times a week at

2029

01:19:23,110 --> 01:19:21,280

least

2030

01:19:24,870 --> 01:19:23,120

every time i talk to him that's all he

2031

01:19:26,950 --> 01:19:24,880

can think about that's all he talks

2032

01:19:29,750 --> 01:19:26,960

about is getting out of there

2033

01:19:31,830 --> 01:19:29,760

okay occasionally he says he says i have

2034

01:19:33,430 --> 01:19:31,840

to do this so i have to do that or damn

2035

01:19:35,510 --> 01:19:33,440

it i have to do that

2036

01:19:37,830 --> 01:19:35,520

or i have to get off the phone the mail

2037

01:19:40,310 --> 01:19:37,840

is here or something like that but he's

2038

01:19:42,470 --> 01:19:40,320

always writing letters he's always doing

2039

01:19:45,910 --> 01:19:42,480

something and he's always reaching out

2040

01:19:47,830 --> 01:19:45,920

to the outside and saying how much

2041

01:19:49,430 --> 01:19:47,840

how he can't wait to get out he's always

2042

01:19:51,669 --> 01:19:49,440

calling lawyer

2043

01:19:54,550 --> 01:19:51,679

asked medical lawyer

2044

01:19:55,590 --> 01:19:54,560

um you know find out what's going on

2045

01:19:56,630 --> 01:19:55,600

uh

2046

01:19:58,950 --> 01:19:56,640

you know

2047

01:20:01,189 --> 01:19:58,960

so it's it's like he definitely wants to

2048

01:20:04,550 --> 01:20:01,199

get out it's not that he's

2049

01:20:06,149 --> 01:20:04,560

stuck at precauts in a hot situation

2050

01:20:07,750 --> 01:20:06,159

he's actually

2051

01:20:09,750 --> 01:20:07,760

you know he's looking been looking

2052

01:20:11,910 --> 01:20:09,760

forward to getting out for so long i

2053

01:20:14,229 --> 01:20:11,920

think that's all he knows how to do

2054

01:20:15,830 --> 01:20:14,239

all right we're talking 21 years now as

2055

01:20:17,590 --> 01:20:15,840

of last month

2056

01:20:20,070 --> 01:20:17,600

okay

2057

01:20:22,070 --> 01:20:20,080

21 years in one month

2058

01:20:24,390 --> 01:20:22,080

so then i would tell that lawyer to grow

2059

01:20:25,189 --> 01:20:24,400

some balls and get moving

2060

01:20:27,030 --> 01:20:25,199

well

2061

01:20:29,750 --> 01:20:27,040

we're kicking him we're getting rid of

2062

01:20:32,390 --> 01:20:29,760

him we're getting rid of him we got we

2063

01:20:35,830 --> 01:20:32,400

we're we're just on the verge of getting

2064

01:20:37,830 --> 01:20:35,840

someone who's agreed to co to do do it

2065

01:20:39,189 --> 01:20:37,840

we just have to iron out the details and

2066

01:20:41,350 --> 01:20:39,199

by next month

2067

01:20:42,149 --> 01:20:41,360

everybody will know who it is

2068

01:20:47,270 --> 01:20:42,159

and

2069

01:20:49,430 --> 01:20:47,280

suffolk had better start becoming really

2070

01:20:50,310 --> 01:20:49,440

afraid

2071

01:20:52,070 --> 01:20:50,320

mm-hmm

2072

01:20:53,990 --> 01:20:52,080

exactly

2073

01:20:55,510 --> 01:20:54,000

you know

2074

01:20:57,990 --> 01:20:55,520

i'm happy

2075

01:21:01,189 --> 01:20:58,000

to hear that that's that's uh

2076

01:21:03,430 --> 01:21:01,199

that he's uh changing attorneys and

2077

01:21:04,790 --> 01:21:03,440

hiring someone else because we've been

2078

01:21:06,470 --> 01:21:04,800

saying this for a little while that it

2079

01:21:10,390 --> 01:21:06,480

was necessary and

2080

01:21:13,430 --> 01:21:10,400

it's it's time so i'm glad he's doing it

2081

01:21:15,189 --> 01:21:13,440

when it's your third attorney uh

2082

01:21:17,110 --> 01:21:15,199

you know it's like sending

2083

01:21:19,430 --> 01:21:17,120

uh batters up to the plate and you

2084

01:21:20,630 --> 01:21:19,440

expect them to keep striking out

2085

01:21:23,110 --> 01:21:20,640

uh

2086

01:21:24,470 --> 01:21:23,120

this is what i would expect just just

2087

01:21:26,950 --> 01:21:24,480

because of the nature of what we're

2088

01:21:28,630 --> 01:21:26,960

dealing with hopefully i'm wrong

2089

01:21:30,630 --> 01:21:28,640

i i want

2090

01:21:34,229 --> 01:21:30,640

you know i want this to work but it's

2091

01:21:38,390 --> 01:21:36,390

well if john heapley can get out after

2092

01:21:42,390 --> 01:21:38,400

shooting the president of the united

2093

01:21:45,189 --> 01:21:42,400

states and get paroled to his mother and

2094

01:21:47,110 --> 01:21:45,199

essentially has the same type of mental

2095

01:21:49,510 --> 01:21:47,120

ailment that the state is claiming that

2096

01:21:51,669 --> 01:21:49,520

john ford has

2097

01:21:54,790 --> 01:21:51,679

but hinckley had no case

2098

01:21:56,629 --> 01:21:54,800

against anybody he they they had a case

2099

01:21:58,470 --> 01:21:56,639

against him yeah that's right he's not

2100

01:22:00,229 --> 01:21:58,480

he's not a he's not a multi-billion

2101
01:22:01,830 --> 01:22:00,239
dollar threat to the state of new york

2102
01:22:04,870 --> 01:22:01,840
or suffolk county

2103
01:22:07,030 --> 01:22:04,880
john that's no i don't know i i get that

2104
01:22:10,470 --> 01:22:07,040
what i'm saying is is that

2105
01:22:12,470 --> 01:22:10,480
we don't have any record of where

2106
01:22:14,390 --> 01:22:12,480
any kind of treatment

2107
01:22:16,390 --> 01:22:14,400
mentally that they have given to john

2108
01:22:18,629 --> 01:22:16,400
that he that has shown any type of

2109
01:22:20,709 --> 01:22:18,639
progress what has been the treatment and

2110
01:22:22,709 --> 01:22:20,719
why hasn't there been a problem if there

2111
01:22:25,430 --> 01:22:22,719
could be progress made

2112
01:22:28,149 --> 01:22:25,440
what happened see that's that's where

2113
01:22:31,110 --> 01:22:28,159

the legal beagle comes in

2114

01:22:33,430 --> 01:22:31,120

okay somebody that can uh file with the

2115

01:22:35,350 --> 01:22:33,440

court demanding that we have those

2116

01:22:37,350 --> 01:22:35,360

records that we have the the attorney

2117

01:22:39,350 --> 01:22:37,360

has a right to look at the evaluation

2118

01:22:40,709 --> 01:22:39,360

the attorney and john ford has a right

2119

01:22:41,830 --> 01:22:40,719

to know what kind of

2120

01:22:44,070 --> 01:22:41,840

um

2121

01:22:45,350 --> 01:22:44,080

procedures and and treatment that they

2122

01:22:47,110 --> 01:22:45,360

have given him

2123

01:22:49,669 --> 01:22:47,120

and and why

2124

01:22:51,030 --> 01:22:49,679

it would be a question to a judge is

2125

01:22:52,149 --> 01:22:51,040

that if that's the case how come there's

2126

01:22:53,669 --> 01:22:52,159

been no improvement because they

2127

01:22:55,270 --> 01:22:53,679

certainly done wonders with hinckley i

2128

01:22:59,270 --> 01:22:55,280

mean you know he's going to be a high

2129

01:22:59,280 --> 01:23:02,709

yeah well hey

2130

01:23:07,110 --> 01:23:04,870

i don't even know how to respond to that

2131

01:23:10,070 --> 01:23:07,120

okay i don't even know how to respond to

2132

01:23:11,830 --> 01:23:10,080

that all i know is suffolk county and

2133

01:23:13,270 --> 01:23:11,840

the state of new york are looking to get

2134

01:23:16,070 --> 01:23:13,280

you know they're looking at really

2135

01:23:18,470 --> 01:23:16,080

massive lawsuits you know possibly in a

2136

01:23:22,390 --> 01:23:18,480

billion dollar range right

2137

01:23:24,629 --> 01:23:22,400

and it's completely indefensible okay

2138

01:23:27,030 --> 01:23:24,639

all we need is the right attorney

2139

01:23:29,990 --> 01:23:27,040

he's got all the documentation he's got

2140

01:23:33,350 --> 01:23:30,000

the witnesses he's got everything lined

2141

01:23:35,430 --> 01:23:33,360

up all right all he needs is a venue

2142

01:23:36,870 --> 01:23:35,440

all right he needs an honest judge and

2143

01:23:39,590 --> 01:23:36,880

an honest court

2144

01:23:41,910 --> 01:23:39,600

and and a real jury not not a long

2145

01:23:45,270 --> 01:23:41,920

island jury a real jury from from you

2146

01:23:47,110 --> 01:23:45,280

know a jury of his peers normal people

2147

01:23:48,550 --> 01:23:47,120

and i think

2148

01:23:50,550 --> 01:23:48,560

he's going to walk

2149

01:23:52,870 --> 01:23:50,560

and he's going to take

2150

01:23:55,910 --> 01:23:52,880

suffolk county for everything that they

2151
01:23:58,629 --> 01:23:57,270
yes

2152
01:24:12,390 --> 01:23:58,639
and

2153
01:24:16,550 --> 01:24:14,149
that is going to

2154
01:24:18,550 --> 01:24:16,560
push it in front of a judge

2155
01:24:19,990 --> 01:24:18,560
okay i mean we're talking constitutional

2156
01:24:22,629 --> 01:24:20,000
issues here too

2157
01:24:25,270 --> 01:24:22,639
and they have to address those he had

2158
01:24:27,030 --> 01:24:25,280
his he has a right to know i mean you

2159
01:24:29,110 --> 01:24:27,040
know he that is

2160
01:24:30,870 --> 01:24:29,120
that is uh you know rights of a prisoner

2161
01:24:31,990 --> 01:24:30,880
of war for christ's sakes needs to know

2162
01:24:34,629 --> 01:24:32,000
not only

2163
01:24:37,510 --> 01:24:34,639

uh you know he's been given treatment

2164

01:24:39,590 --> 01:24:37,520

okay he's at a mental institution so

2165

01:24:41,110 --> 01:24:39,600

where's the let's get the evaluations

2166

01:24:43,350 --> 01:24:41,120

that the state done on them and seeing

2167

01:24:46,070 --> 01:24:43,360

what suggestions

2168

01:24:47,830 --> 01:24:46,080

that they've made to improve john ford's

2169

01:24:52,229 --> 01:24:47,840

mental state and that comes from the

2170

01:24:55,669 --> 01:24:53,910

well i don't i don't care if you see if

2171

01:24:58,070 --> 01:24:55,679

he's in new york from pennsylvania

2172

01:24:59,750 --> 01:24:58,080

that's a that's an issue that all states

2173

01:25:01,830 --> 01:24:59,760

have to abide by

2174

01:25:05,350 --> 01:25:01,840

yeah let me see my client's

2175

01:25:07,830 --> 01:25:05,360

evaluation and what you've done to uh

2176

01:25:10,390 --> 01:25:07,840

uh help them along to improve his mental

2177

01:25:14,149 --> 01:25:12,070

they probably probably come along and

2178

01:25:16,470 --> 01:25:14,159

say we'll get we'll get that to you

2179

01:25:18,149 --> 01:25:16,480

within the next six months and then six

2180

01:25:20,390 --> 01:25:18,159

months comes by and they say well you

2181

01:25:22,390 --> 01:25:20,400

know we can't find those records maybe

2182

01:25:23,910 --> 01:25:22,400

within the next two to three months

2183

01:25:26,390 --> 01:25:23,920

we'll have something for you and then it

2184

01:25:28,390 --> 01:25:26,400

just stalls installs installed uh not if

2185

01:25:29,350 --> 01:25:28,400

you put it in front of the judge

2186

01:25:31,030 --> 01:25:29,360

if if

2187

01:25:33,189 --> 01:25:31,040

you get it in front of the judge yeah

2188

01:25:35,110 --> 01:25:33,199

well hey look you gotta have some faith

2189

01:25:36,390 --> 01:25:35,120

in the legal system otherwise the whole

2190

01:25:39,830 --> 01:25:36,400

thing would have gone down the [h__\h] a

2191

01:25:42,870 --> 01:25:39,840

long time ago and and i there there are

2192

01:25:45,510 --> 01:25:42,880

honest judges there are honest uh

2193

01:25:47,669 --> 01:25:45,520

lawyers i mean i don't i know i beat up

2194

01:25:50,950 --> 01:25:47,679

on the vultures profession aspect of it

2195

01:25:52,550 --> 01:25:50,960

but yeah you do well but but no no i i

2196

01:25:55,189 --> 01:25:52,560

understand that there are very good

2197

01:25:57,830 --> 01:25:55,199

honest attorneys all right they are they

2198

01:25:59,990 --> 01:25:57,840

do exist and they and they have passion

2199

01:26:01,590 --> 01:26:00,000

and they believe in the system uh

2200

01:26:03,830 --> 01:26:01,600

unfortunately

2201
01:26:05,430 --> 01:26:03,840
um you know that profession like i said

2202
01:26:06,629 --> 01:26:05,440
is in charge of the hen house and we

2203
01:26:08,149 --> 01:26:06,639
keep wondering why we're missing

2204
01:26:09,189 --> 01:26:08,159
chickens and when the fox is doing the

2205
01:26:11,110 --> 01:26:09,199
guarding

2206
01:26:13,510 --> 01:26:11,120
but that's a whole other issue the fact

2207
01:26:15,510 --> 01:26:13,520
of the matter is the only way

2208
01:26:17,910 --> 01:26:15,520
that you're going to get

2209
01:26:19,510 --> 01:26:17,920
movement in the john ford case as i see

2210
01:26:21,430 --> 01:26:19,520
it i'm certainly not an attorney but it

2211
01:26:23,750 --> 01:26:21,440
has to be done from the legal end of it

2212
01:26:25,030 --> 01:26:23,760
putting pressure on the legal system

2213
01:26:27,590 --> 01:26:25,040

that's what his attorney should have

2214

01:26:29,750 --> 01:26:27,600

been doing that damn reno he's had two

2215

01:26:32,149 --> 01:26:29,760

years and how much money have you spent

2216

01:26:34,070 --> 01:26:32,159

on him and he hasn't done diddly squat

2217

01:26:36,629 --> 01:26:34,080

that i know of

2218

01:26:38,390 --> 01:26:36,639

too much

2219

01:26:41,430 --> 01:26:38,400

how much have you spent the legal fees

2220

01:26:43,270 --> 01:26:41,440

for john you know for a long time over

2221

01:26:45,110 --> 01:26:43,280

twenty thousand dollars over twenty

2222

01:26:48,070 --> 01:26:45,120

thousand dollars and

2223

01:26:49,510 --> 01:26:48,080

and about seven thousand for the uh for

2224

01:26:51,990 --> 01:26:49,520

the doctor

2225

01:26:53,910 --> 01:26:52,000

and i don't know about the costs i i

2226

01:26:56,629 --> 01:26:53,920

really i haven't i had i would have to

2227

01:26:58,550 --> 01:26:56,639

actually look at the books

2228

01:27:01,270 --> 01:26:58,560

it's about about twenty thousand dollars

2229

01:27:14,550 --> 01:27:01,280

for a few years for a few years and john

2230

01:27:20,149 --> 01:27:17,110

he agreed to dismiss it because it was

2231

01:27:22,310 --> 01:27:20,159

too close to the two-year title of time

2232

01:27:23,910 --> 01:27:22,320

and just approach it to for the new uh

2233

01:27:26,229 --> 01:27:23,920

for the new uh

2234

01:27:29,350 --> 01:27:26,239

uh see john's only allowed to file for

2235

01:27:31,750 --> 01:27:29,360

release every two years and by the time

2236

01:27:33,830 --> 01:27:31,760

he got done screwing around

2237

01:27:36,310 --> 01:27:33,840

literally screwing around and and

2238

01:27:38,629 --> 01:27:36,320

stepping over everything

2239

01:27:41,430 --> 01:27:38,639

you know with john with the

2240

01:27:43,510 --> 01:27:41,440

robert reno not not objecting to a damn

2241

01:27:45,430 --> 01:27:43,520

thing and i mean you know they were

2242

01:27:48,070 --> 01:27:45,440

cherry picking uh

2243

01:27:50,310 --> 01:27:48,080

uh psychiatric testimony from three

2244

01:27:52,310 --> 01:27:50,320

different doctors and and and two

2245

01:27:54,629 --> 01:27:52,320

different doctors at the hospital

2246

01:27:56,550 --> 01:27:54,639

uh they were they were filing motions

2247

01:27:58,629 --> 01:27:56,560

and he didn't even know how to object to

2248

01:28:02,550 --> 01:27:58,639

emotion i mean i could have done a

2249

01:28:04,709 --> 01:28:02,560

better job you know i i have no legal

2250

01:28:06,470 --> 01:28:04,719

degree i have no legal degree i don't

2251

01:28:09,990 --> 01:28:06,480

know anything about the law other than i

2252

01:28:14,790 --> 01:28:12,870

right it's john's chase it's john ford's

2253

01:28:16,070 --> 01:28:14,800

choice if he says write the check i

2254

01:28:18,149 --> 01:28:16,080

write the track

2255

01:28:20,229 --> 01:28:18,159

if he says direct deposit in the guy's

2256

01:28:22,790 --> 01:28:20,239

account i direct deposited

2257

01:28:24,390 --> 01:28:22,800

i mean it's john's money it's you know i

2258

01:28:26,390 --> 01:28:24,400

understand that but he's not getting

2259

01:28:29,910 --> 01:28:26,400

anything for his money

2260

01:28:35,590 --> 01:28:32,310

he knows that now and he's getting a new

2261

01:28:38,149 --> 01:28:35,600

lawyer tomorrow morning i hope

2262

01:28:40,390 --> 01:28:38,159

if this guy is in but when they see his

2263

01:28:42,629 --> 01:28:40,400

name all i can say is when they see his

2264

01:28:44,390 --> 01:28:42,639

name on the on the uh

2265

01:28:47,350 --> 01:28:44,400

on the papers that he falls with the

2266

01:28:49,430 --> 01:28:47,360

court so next show will be sunday august

2267

01:28:51,669 --> 01:28:49,440

13th 9 p.m eastern you're listening to

2268

01:29:02,610 --> 01:28:51,679

the john ford ufo nightmare on inception
