

1
00:00:30,710 --> 00:00:28,700
archangels ghosts and Bigfoot oh my it's

2
00:00:33,890 --> 00:00:30,720
just another night for Supernatural

3
00:00:36,260 --> 00:00:33,900
girls real stories real answers to

4
00:00:38,630 --> 00:00:36,270
life's biggest supernatural mysteries

5
00:00:41,060 --> 00:00:38,640
and now for another exciting interview

6
00:00:44,270 --> 00:00:41,070
with paranormal experts in this world

7
00:00:51,060 --> 00:00:44,280
and here's your host paranormal

8
00:01:09,200 --> 00:01:06,459
[Music]

9
00:01:12,319 --> 00:01:09,210
welcome everyone to another exciting

10
00:01:14,959 --> 00:01:12,329
episode of Supernatural girls radio

11
00:01:18,440 --> 00:01:14,969
I'm your host Patricia Baker and I am

12
00:01:21,130 --> 00:01:18,450
here with my co-host Patricia Kirkman PK

13
00:01:24,380 --> 00:01:21,140

who is surviving the Tucson heat wave

14

00:01:26,090 --> 00:01:24,390

with aplomb she looks as gorgeous as

15

00:01:30,469 --> 00:01:26,100

always it's here with us tonight

16

00:01:32,929 --> 00:01:30,479

I do it ha ha ha wonderful being back

17

00:01:33,770 --> 00:01:32,939

with you I can't wait from Wednesday to

18

00:01:36,260 --> 00:01:33,780

Wednesday

19

00:01:39,800 --> 00:01:36,270

there's always something great and talk

20

00:01:41,660 --> 00:01:39,810

about I know it I know it and what

21

00:01:43,249 --> 00:01:41,670

everybody does not know quite yet is

22

00:01:46,550 --> 00:01:43,259

you're going to be making a journey out

23

00:01:51,669 --> 00:01:46,560

here we're going to be together no bad

24

00:01:54,770 --> 00:01:51,679

bad say Monroe got off about this yeah

25

00:01:57,380 --> 00:01:54,780

I'll bring a suit of armor down you know

26
00:01:59,929 --> 00:01:57,390
in a dungeon so yeah I will be exciting

27
00:02:02,300 --> 00:01:59,939
to have you here but if this has been a

28
00:02:05,449 --> 00:02:02,310
real trial this heat wave you guys have

29
00:02:07,669 --> 00:02:05,459
been going through wildfires all kinds

30
00:02:09,859 --> 00:02:07,679
of horrible things but you're doing well

31
00:02:12,530 --> 00:02:09,869
yes in the range I could said we had

32
00:02:17,150 --> 00:02:12,540
rain two days ago and I'm just delighted

33
00:02:19,550 --> 00:02:17,160
my yard looks like a fire pit good

34
00:02:22,849 --> 00:02:19,560
through it it looks so plucked in their

35
00:02:25,430 --> 00:02:22,859
honor but that little bit of rain a lot

36
00:02:28,729 --> 00:02:25,440
of rain for one night but it's starting

37
00:02:30,830 --> 00:02:28,739
to look green again it just gives us it

38
00:02:33,349 --> 00:02:30,840

happened so quickly it's just like of

39

00:02:35,720 --> 00:02:33,359

course our ground is so it's so of

40

00:02:37,280 --> 00:02:35,730

caliche so the water comes down there's

41

00:02:40,370 --> 00:02:37,290

no place for it to go that's why we had

42

00:02:42,229 --> 00:02:40,380

the floods right right and that can be

43

00:02:45,470 --> 00:02:42,239

very dangerous for drivers you know oh

44

00:02:47,870 --> 00:02:45,480

my well I wanted to announce creative

45

00:02:51,259 --> 00:02:47,880

strength again remember Tom Palladino

46

00:02:54,229 --> 00:02:51,269

who was on Rio while back he is still

47

00:02:59,270 --> 00:02:54,239

offering to all of our audience members

48

00:03:02,780 --> 00:02:59,280

a free 15 day scale our treatment just

49

00:03:04,099 --> 00:03:02,790

go to creative strengths us and I used

50

00:03:06,650 --> 00:03:04,109

to assign the picture and you'll get a

51
00:03:08,479 --> 00:03:06,660
free treatment for 15 days can't beat it

52
00:03:10,400 --> 00:03:08,489
he doesn't ask you a credit card or

53
00:03:16,490 --> 00:03:10,410
anything like that no strings attached

54
00:03:18,080 --> 00:03:16,500
and then all free fr EE free but we

55
00:03:21,559 --> 00:03:18,090
didn't try Rarity's

56
00:03:25,009 --> 00:03:21,569
it truly is free that's right that's

57
00:03:27,020 --> 00:03:25,019
right so you have Tom to thank for his

58
00:03:29,990 --> 00:03:27,030
generosity and then last week we had

59
00:03:32,990 --> 00:03:30,000
Chris Macklin the healer died and he

60
00:03:35,960 --> 00:03:33,000
brought in an offer for our it was

61
00:03:39,860 --> 00:03:35,970
basically offering everything that he

62
00:03:43,070 --> 00:03:39,870
has to Half Price right well our people

63
00:03:44,990 --> 00:03:43,080

and I posted it on Facebook so everybody

64

00:03:48,949 --> 00:03:45,000

can see it there I'm going to repost it

65

00:03:51,559 --> 00:03:48,959

so it's a little more about there so

66

00:03:53,479 --> 00:03:51,569

anyways I'll put that up again and you

67

00:03:55,400 --> 00:03:53,489

can feel free to participate with his

68

00:03:56,750 --> 00:03:55,410

offer which is very generous he was a

69

00:03:59,690 --> 00:03:56,760

wild man wasn't he

70

00:04:03,619 --> 00:03:59,700

oh god he's fabulous not great what a

71

00:04:05,990 --> 00:04:03,629

joy to listen to him oh my god everybody

72

00:04:08,449 --> 00:04:06,000

wants to fix this in heels for god sakes

73

00:04:10,819 --> 00:04:08,459

open your arms and embrace these people

74

00:04:13,550 --> 00:04:10,829

yeah and brace them is right so I will

75

00:04:15,680 --> 00:04:13,560

repost that and we have lots of things

76

00:04:17,330 --> 00:04:15,690

to talk about for paranormal news but

77

00:04:19,909 --> 00:04:17,340

before we get there I just want to

78

00:04:21,830 --> 00:04:19,919

mention we have a terrific guest coming

79

00:04:27,350 --> 00:04:21,840

up in a few minutes do have you know

80

00:04:31,100 --> 00:04:27,360

that we do yes I will hang on shaking my

81

00:04:33,469 --> 00:04:31,110

head I have a hard time pronouncing his

82

00:04:35,900 --> 00:04:33,479

name he's got a beautiful name Simon Cho

83

00:04:37,850 --> 00:04:35,910

choice key I did it I did it okay

84

00:04:40,219 --> 00:04:37,860

I hope Simon forgives me for taking us

85

00:04:44,450 --> 00:04:40,229

he tries with that but anyway assignment

86

00:04:46,339 --> 00:04:44,460

is an expert at Dharma in karma and luck

87

00:04:48,620 --> 00:04:46,349

and we are going to find out all the

88

00:04:52,490 --> 00:04:48,630

secrets tonight so it's not a new book

89

00:04:54,740 --> 00:04:52,500

out gamblers Dharma so we are going to

90

00:04:57,350 --> 00:04:54,750

have to really dig in here and everybody

91

00:05:02,779 --> 00:04:57,360

was a question to ask you know what to

92

00:05:05,000 --> 00:05:02,789

do go to irn chat comm irn chat calm and

93

00:05:07,070 --> 00:05:05,010

you can ask your question there we will

94

00:05:09,770 --> 00:05:07,080

ask it on your behalf Simon will give

95

00:05:11,570 --> 00:05:09,780

his very best answer and we got to

96

00:05:13,670 --> 00:05:11,580

change our Lark CK we've got to make it

97

00:05:15,290 --> 00:05:13,680

better and better and better for us for

98

00:05:18,230 --> 00:05:15,300

everybody right where everybody's

99

00:05:21,320 --> 00:05:18,240

listening tonight well we had one Lister

100

00:05:25,550 --> 00:05:21,330

that did very well with a lot didn't we

101
00:05:29,990 --> 00:05:25,560
on your paranormal news he doubleheader

102
00:05:31,700 --> 00:05:30,000
there like what a job by yeah well let's

103
00:05:35,330 --> 00:05:31,710
let's go there for a minute he won

104
00:05:37,580 --> 00:05:35,340
lottery twice yeah and this is with

105
00:05:39,830 --> 00:05:37,590
numbers he had played forever and not

106
00:05:42,110 --> 00:05:39,840
one before and his wife used to make fun

107
00:05:44,570 --> 00:05:42,120
of him and all this and all of a sudden

108
00:05:47,810 --> 00:05:44,580
out of the blue after years of playing

109
00:05:52,520 --> 00:05:47,820
these numbers and losing he wins twice

110
00:05:53,660 --> 00:05:52,530
ya know \$1,000 the first time it is why

111
00:05:55,940 --> 00:05:53,670
I thought he was kidding when he said

112
00:05:59,270 --> 00:05:55,950
the next day he won again another

113
00:06:03,920 --> 00:05:59,280

hundred thousand dollars hey I love that

114

00:06:06,710 --> 00:06:03,930

guy look at the persistence he knew

115

00:06:09,650 --> 00:06:06,720

there is going to be good he just we all

116

00:06:11,690 --> 00:06:09,660

really need to follow what we feel we

117

00:06:13,670 --> 00:06:11,700

don't do that often enough we

118

00:06:16,820 --> 00:06:13,680

shortchange ourselves and we quit too

119

00:06:18,290 --> 00:06:16,830

early I think you're right and so we got

120

00:06:19,880 --> 00:06:18,300

an assignment about this you know why

121

00:06:22,370 --> 00:06:19,890

did some people win the lottery and

122

00:06:25,130 --> 00:06:22,380

other people don't and you know there's

123

00:06:27,950 --> 00:06:25,140

got to be some some logic or

124

00:06:31,370 --> 00:06:27,960

understanding or magic or something

125

00:06:33,890 --> 00:06:31,380

method to this and Simon has the answers

126

00:06:36,500 --> 00:06:33,900

so reminds there were watched what they

127

00:06:37,850 --> 00:06:36,510

had to say about it on some of the

128

00:06:40,750 --> 00:06:37,860

Articles that I took a look at what

129

00:06:42,620 --> 00:06:40,760

Simon as well as the book oh yeah hi Jay

130

00:06:45,140 --> 00:06:42,630

this Murray

131

00:06:46,940 --> 00:06:45,150

very smart we we only have the smartest

132

00:06:49,700 --> 00:06:46,950

of the smart on this show you know that

133

00:06:53,780 --> 00:06:49,710

how old under stress that's right

134

00:06:58,010 --> 00:06:53,790

hahahaha if it's not best can tablet

135

00:07:02,300 --> 00:06:58,020

that's right now welcome here Oh

136

00:07:05,630 --> 00:07:02,310

in a way we're going with that word so

137

00:07:09,380 --> 00:07:05,640

you have been looking in numbers for us

138

00:07:10,880 --> 00:07:09,390

all of us and what what talisca do are

139

00:07:12,250 --> 00:07:10,890

tell me a little bit about this before

140

00:07:15,740 --> 00:07:12,260

the show and it sounds so interesting

141

00:07:17,660 --> 00:07:15,750

well you know firstly tomorrow has day

142

00:07:19,400 --> 00:07:17,670

has a lot factor to it and that's for

143

00:07:21,830 --> 00:07:19,410

everybody regardless what our personal

144

00:07:24,380 --> 00:07:21,840

stuff is but there's one thing that's

145

00:07:26,240 --> 00:07:24,390

called an age digit it's what your

146

00:07:29,390 --> 00:07:26,250

birthday is today and what it's going to

147

00:07:33,350 --> 00:07:29,400

be after the birthday you take those two

148

00:07:36,320 --> 00:07:33,360

birthdays ages add them together and

149

00:07:38,480 --> 00:07:36,330

reduce it to a single number so if you

150

00:07:39,890 --> 00:07:38,490

reduce it and the number becomes a 1

151
00:07:41,510 --> 00:07:39,900
then you're always going to show

152
00:07:43,880 --> 00:07:41,520
interest in new ideas and new

153
00:07:45,500 --> 00:07:43,890
occupations now remember this will

154
00:07:48,800 --> 00:07:45,510
change every year as your birth

155
00:07:52,040 --> 00:07:48,810
day changes also right if this year is

156
00:07:55,790 --> 00:07:52,050
the one you have new ideas if it's a to

157
00:07:59,150 --> 00:07:55,800
Turkey vibration limiting on inspiration

158
00:08:01,280 --> 00:07:59,160
but usually indicates change residence

159
00:08:03,860 --> 00:08:01,290
business or opportunities like that if

160
00:08:07,220 --> 00:08:03,870
it's a three it's about social artistic

161
00:08:09,320 --> 00:08:07,230
sides of things and you could avoid

162
00:08:11,530 --> 00:08:09,330
emotional confusion because you want to

163
00:08:14,930 --> 00:08:11,540

cope with a good stuff if it's a four

164

00:08:17,060 --> 00:08:14,940

indicates routine puts affairs in order

165

00:08:19,070 --> 00:08:17,070

take a look at it that way or if it's

166

00:08:21,950 --> 00:08:19,080

more of it is domestic in business than

167

00:08:25,010 --> 00:08:21,960

anything else if it's a five points to

168

00:08:27,260 --> 00:08:25,020

social artistic change good through

169

00:08:30,110 --> 00:08:27,270

selling and short trips if it's a six

170

00:08:32,900 --> 00:08:30,120

changes in the home all leading to

171

00:08:34,219 --> 00:08:32,910

divorce or separation advice because now

172

00:08:35,900 --> 00:08:34,229

you got to pay more attention show a

173

00:08:38,659 --> 00:08:35,910

little bit more of the domestic side is

174

00:08:42,170 --> 00:08:38,669

if it's a seven marriage vibrations for

175

00:08:44,480 --> 00:08:42,180

a female finances for a male I guess

176

00:08:47,300 --> 00:08:44,490

they're both expensive birthday they are

177

00:08:48,800 --> 00:08:47,310

I'm doing I'm it's an a some time for

178

00:08:51,770 --> 00:08:48,810

studying anything to be occult or

179

00:08:54,230 --> 00:08:51,780

metaphysics the eight is the executive

180

00:08:56,600 --> 00:08:54,240

and the business side of things it's a

181

00:08:58,730 --> 00:08:56,610

good time to buy or sell property many

182

00:09:01,670 --> 00:08:58,740

delays will be experienced so but it's

183

00:09:03,920 --> 00:09:01,680

it has a good spin to it and if it's a

184

00:09:05,750 --> 00:09:03,930

nine this marks a close to one period

185

00:09:08,390 --> 00:09:05,760

with an impending beginning of something

186

00:09:11,480 --> 00:09:08,400

special that will be taking place very

187

00:09:14,960 --> 00:09:11,490

quickly and it does say watch your

188

00:09:17,030 --> 00:09:14,970

health and loss is possible because nine

189

00:09:18,860 --> 00:09:17,040

deals with endings so regardless of

190

00:09:21,680 --> 00:09:18,870

where it falls in we've got that so

191

00:09:24,290 --> 00:09:21,690

that's just a little tidbit about what

192

00:09:26,030 --> 00:09:24,300

the birthday is now and what it's going

193

00:09:28,490 --> 00:09:26,040

to be after the birthday adding to try

194

00:09:30,320 --> 00:09:28,500

to get a sedating yes so that's what you

195

00:09:32,270 --> 00:09:30,330

can do and if you want a reading with

196

00:09:35,030 --> 00:09:32,280

Patricia Kirkman you can go to her

197

00:09:36,980 --> 00:09:35,040

website which is Patricia Kirkman calm

198

00:09:38,630 --> 00:09:36,990

and you can set up at a private

199

00:09:41,540 --> 00:09:38,640

appointment with Patricia there you can

200

00:09:43,850 --> 00:09:41,550

go into great detail we're very very

201
00:09:45,470 --> 00:09:43,860
helpful very helpful is especially if

202
00:09:48,350 --> 00:09:45,480
you make that transition you know from

203
00:09:50,510 --> 00:09:48,360
one year to another it's so helpful to

204
00:09:52,400 --> 00:09:50,520
hear what you have to say about what you

205
00:09:55,150 --> 00:09:52,410
just been through and what's coming up

206
00:09:57,350 --> 00:09:55,160
so very helpful to know those numbers

207
00:09:58,490 --> 00:09:57,360
well when you get a chance to look at

208
00:10:00,200 --> 00:09:58,500
the people that are around

209
00:10:02,750 --> 00:10:00,210
and besides that you're very good at

210
00:10:05,990 --> 00:10:02,760
what you have to offer our guests as

211
00:10:07,640 --> 00:10:06,000
well oh the dream therapy yes I know for

212
00:10:10,160 --> 00:10:07,650
some dates where we're going to get

213
00:10:13,070 --> 00:10:10,170

together for dream groups online it is

214

00:10:15,470 --> 00:10:13,080

going to be a very very special time so

215

00:10:19,760 --> 00:10:15,480

we're going to be working on enhancing

216

00:10:21,860 --> 00:10:19,770

our psychic abilities with dreaming so I

217

00:10:24,860 --> 00:10:21,870

will be posting more about that thanks

218

00:10:27,110 --> 00:10:24,870

for bringing that up CK I often forget I

219

00:10:30,380 --> 00:10:27,120

get so many things flying in the air so

220

00:10:34,220 --> 00:10:30,390

many balls it's a job you like a juggler

221

00:10:36,230 --> 00:10:34,230

don't you yeah not very good sometimes

222

00:10:37,910 --> 00:10:36,240

but one other thing I just want to

223

00:10:39,680 --> 00:10:37,920

mention too before we go to other

224

00:10:41,840 --> 00:10:39,690

paranormal news because there's a lot

225

00:10:44,420 --> 00:10:41,850

going on with that you know I was

226
00:10:45,890 --> 00:10:44,430
watching this show America's Got Talent

227
00:10:48,620 --> 00:10:45,900
I'm sure some of our audience members

228
00:10:50,450 --> 00:10:48,630
seen it and it's a great show it gives

229
00:10:51,770 --> 00:10:50,460
people a chance to show their talents

230
00:10:54,920 --> 00:10:51,780
that wouldn't normally ever have a

231
00:10:57,560 --> 00:10:54,930
chance but I was watching last night and

232
00:11:01,130 --> 00:10:57,570
I heard this young man sing he was a

233
00:11:03,710 --> 00:11:01,140
doctor and he's sang and he was fabulous

234
00:11:04,910 --> 00:11:03,720
and Simon loved him everybody loves them

235
00:11:08,270 --> 00:11:04,920
and they put him through the next round

236
00:11:12,380 --> 00:11:08,280
and then at the end of the show they put

237
00:11:15,650 --> 00:11:12,390
up his name his birthday and another day

238
00:11:20,330 --> 00:11:15,660

and I turned to my husband like don't

239

00:11:23,090 --> 00:11:20,340

tell me this guy died he did your kidney

240

00:11:25,040 --> 00:11:23,100

frickin died I am not kidding here is

241

00:11:27,980 --> 00:11:25,050

somebody who was a medical became a

242

00:11:31,880 --> 00:11:27,990

medical doctor with only 29 years old he

243

00:11:34,370 --> 00:11:31,890

got into this contest extremely well and

244

00:11:37,430 --> 00:11:34,380

he died I couldn't believe it now what's

245

00:11:39,920 --> 00:11:37,440

the luck factor there huh I mean I know

246

00:11:42,830 --> 00:11:39,930

everybody's got their time and all of

247

00:11:44,630 --> 00:11:42,840

that sure or not but my god it just

248

00:11:48,950 --> 00:11:44,640

seems I keep us on top of the world one

249

00:11:51,200 --> 00:11:48,960

minute and that if you have to leave

250

00:11:53,960 --> 00:11:51,210

isn't it wonderful to be able to lead at

251
00:11:56,150 --> 00:11:53,970
the top of what you did my giant in some

252
00:11:58,970 --> 00:11:56,160
ways I would say yes but in other ways

253
00:12:00,650 --> 00:11:58,980
cash you know like all of his thing he

254
00:12:03,380 --> 00:12:00,660
didn't miss anything he'd never know

255
00:12:06,350 --> 00:12:03,390
what he missed because he don't yell for

256
00:12:09,140 --> 00:12:06,360
the elation of what he had accomplished

257
00:12:11,440 --> 00:12:09,150
yes yes I guess you're right look at the

258
00:12:14,590 --> 00:12:11,450
positive of that as what it was like my

259
00:12:16,290 --> 00:12:14,600
goodness what a shock that was so now

260
00:12:19,150 --> 00:12:16,300
that I've shocked everybody

261
00:12:21,010 --> 00:12:19,160
haha you're not finished yet you've got

262
00:12:24,250 --> 00:12:21,020
another one to go have more no it's

263
00:12:28,240 --> 00:12:24,260

right in a lot of a lot of UFO sightings

264

00:12:30,270 --> 00:12:28,250

yes people going on ghost hunts getting

265

00:12:33,910 --> 00:12:30,280

scared to death and these are

266

00:12:35,980 --> 00:12:33,920

experienced Ghost Hunters what else do

267

00:12:38,920 --> 00:12:35,990

we have we have lots of stuff on our

268

00:12:41,110 --> 00:12:38,930

Facebook page I just be sure to go there

269

00:12:42,240 --> 00:12:41,120

everybody because again the paranoia

270

00:12:44,320 --> 00:12:42,250

news lately

271

00:12:47,350 --> 00:12:44,330

everybody's been reporting it now there

272

00:12:50,380 --> 00:12:47,360

was a report in Missouri which I haven't

273

00:12:53,110 --> 00:12:50,390

posted yet but I will of a black circle

274

00:12:56,020 --> 00:12:53,120

in the sky somebody took extremely clear

275

00:12:57,520 --> 00:12:56,030

video of it and cars had pulled over by

276

00:12:59,920 --> 00:12:57,530

the side of the road which was also

277

00:13:02,410 --> 00:12:59,930

shown in this video and everybody is

278

00:13:04,630 --> 00:13:02,420

watching the same thing and I have no

279

00:13:06,460 --> 00:13:04,640

explanation for what this is I want to

280

00:13:08,590 --> 00:13:06,470

know what all of you think I'll be

281

00:13:11,890 --> 00:13:08,600

posting that later tonight be sure to

282

00:13:14,650 --> 00:13:11,900

like our page so that you can follow us

283

00:13:16,810 --> 00:13:14,660

and see all of these very unusual things

284

00:13:20,170 --> 00:13:16,820

that are happening is there happening it

285

00:13:21,750 --> 00:13:20,180

seems to me more and more and more so

286

00:13:25,270 --> 00:13:21,760

it's harder to cover it up isn't it

287

00:13:27,910 --> 00:13:25,280

that's the whole point we can't get away

288

00:13:30,370 --> 00:13:27,920

with it anymore it's all out in the open

289

00:13:32,050 --> 00:13:30,380

it's not as fast as we'd like it to be

290

00:13:34,360 --> 00:13:32,060

but we're seeing more and more on a

291

00:13:37,210 --> 00:13:34,370

daily basis there's always something

292

00:13:39,730 --> 00:13:37,220

different almost every day yes there is

293

00:13:42,430 --> 00:13:39,740

I ran our Facebook page Supernatural

294

00:13:46,090 --> 00:13:42,440

girls we have all kinds of stories just

295

00:13:47,770 --> 00:13:46,100

this week brand new stories about Giants

296

00:13:50,530 --> 00:13:47,780

and bones that have been found now we

297

00:13:53,650 --> 00:13:50,540

have Mr crema on the show it's [h__\h]

298

00:13:55,930 --> 00:13:53,660

all about this and so it's true the

299

00:13:58,060 --> 00:13:55,940

Smithsonian did have these skeletons and

300

00:14:00,070 --> 00:13:58,070

they destroyed them and now we're

301
00:14:03,010 --> 00:14:00,080
finding now these skeletons have been

302
00:14:04,690 --> 00:14:03,020
found all over the place they've been

303
00:14:07,180 --> 00:14:04,700
found in New England in Connecticut in

304
00:14:08,980 --> 00:14:07,190
Massachusetts and so all that again is

305
00:14:12,520 --> 00:14:08,990
on our Facebook page so not only they

306
00:14:14,950 --> 00:14:12,530
lied to about UFOs and portals and inner

307
00:14:17,620 --> 00:14:14,960
dimensions and all that we know the

308
00:14:20,830 --> 00:14:17,630
truth about that right oh my gosh like

309
00:14:24,040 --> 00:14:20,840
about our history for God's sake so well

310
00:14:24,970 --> 00:14:24,050
in real look at how many years old

311
00:14:28,490 --> 00:14:24,980
the

312
00:14:30,050 --> 00:14:28,500
Giants are yeah paired to what we would

313
00:14:33,290 --> 00:14:30,060

have thought it was something within the

314

00:14:36,340 --> 00:14:33,300

last hundred years hundred thousand

315

00:14:38,660 --> 00:14:36,350

years when you take a look at per se ah

316

00:14:41,720 --> 00:14:38,670

yeah what a surprise

317

00:14:44,180 --> 00:14:41,730

I nothing new Under the Sun the except

318

00:14:46,190 --> 00:14:44,190

everything's starting to be shown to us

319

00:14:48,230 --> 00:14:46,200

now you gotta get your news from

320

00:14:54,440 --> 00:14:48,240

Facebook your nose

321

00:14:57,860 --> 00:14:54,450

[h__h] in the bandage wrap and it's not

322

00:15:00,680 --> 00:14:57,870

big news I know I know

323

00:15:03,080 --> 00:15:00,690

now I did post a story also there about

324

00:15:04,970 --> 00:15:03,090

a supposedly a Bigfoot body that was

325

00:15:07,280 --> 00:15:04,980

found on the beach of a lake but it's

326

00:15:10,280 --> 00:15:07,290

just lovin adding up to me I don't know

327

00:15:13,070 --> 00:15:10,290

I just didn't make sense to me they were

328

00:15:14,420 --> 00:15:13,080

saying that the whoever this was died of

329

00:15:16,010 --> 00:15:14,430

a fractured leg from some type of

330

00:15:18,320 --> 00:15:16,020

infection and then there was some

331

00:15:21,890 --> 00:15:18,330

covering over the body they said it was

332

00:15:23,810 --> 00:15:21,900

a secret away by the military now that's

333

00:15:24,680 --> 00:15:23,820

the only part I would believe that it's

334

00:15:27,800 --> 00:15:24,690

military

335

00:15:30,710 --> 00:15:27,810

rushed in and took it badly but I'm just

336

00:15:31,640 --> 00:15:30,720

not sure you know the Bigfoot it just

337

00:15:33,650 --> 00:15:31,650

doesn't make sense

338

00:15:36,230 --> 00:15:33,660

that one of them would pass away in that

339

00:15:38,360 --> 00:15:36,240

manner so I don't know why people try to

340

00:15:40,910 --> 00:15:38,370

fake things if this is the fake stop

341

00:15:43,760 --> 00:15:40,920

doing it guys we don't need fakes

342

00:15:46,220 --> 00:15:43,770

muddy and real dirt up out there is

343

00:15:48,860 --> 00:15:46,230

let's deal with that let's deal with

344

00:15:50,630 --> 00:15:48,870

that dog man sightings and and other

345

00:15:52,430 --> 00:15:50,640

sightings that are coming to the

346

00:15:54,590 --> 00:15:52,440

forefront where are credible witnesses

347

00:15:57,680 --> 00:15:54,600

are not afraid to stand up so this is

348

00:15:59,240 --> 00:15:57,690

terrific right terrific to hear these

349

00:16:00,620 --> 00:15:59,250

things are happening now is there

350

00:16:05,390 --> 00:16:00,630

anything else that I miss any of our

351

00:16:09,740 --> 00:16:05,400

wonderful stories I can't think we had

352

00:16:11,510 --> 00:16:09,750

the where was it in Ireland or yeah that

353

00:16:14,180 --> 00:16:11,520

was the ghost hunter that got spooked

354

00:16:16,940 --> 00:16:14,190

yeah that was the one that guys okay you

355

00:16:19,610 --> 00:16:16,950

know handled he'd get out of fire that's

356

00:16:24,340 --> 00:16:19,620

right or run like you devil because the

357

00:16:27,800 --> 00:16:24,350

devil Greg Ryan is I think he did

358

00:16:29,890 --> 00:16:27,810

through the negligent makin them yeah

359

00:16:32,510 --> 00:16:29,900

exactly

360

00:16:34,280 --> 00:16:32,520

well let's get on with our show with our

361

00:16:38,300 --> 00:16:34,290

wonderful guest tonight because we have

362

00:16:41,870 --> 00:16:38,310

a lot of questions we want to know how

363

00:16:44,000 --> 00:16:41,880

can we improve our lives dig deeper into

364

00:16:45,380 --> 00:16:44,010

our own selves find out more about who

365

00:16:47,540 --> 00:16:45,390

we are and how to make things better for

366

00:16:49,730 --> 00:16:47,550

ourselves our and our people around us

367

00:16:52,519 --> 00:16:49,740

that we love and care about and we have

368

00:16:55,430 --> 00:16:52,529

Simon Cho Koichi

369

00:16:57,920 --> 00:16:55,440

he is the author of a new book Gamblers

370

00:17:00,680 --> 00:16:57,930

Dharma sports-betting with Vedic

371

00:17:02,630 --> 00:17:00,690

Astrology is a beautiful book right here

372

00:17:06,559 --> 00:17:02,640

it is I mean what happened to hell are

373

00:17:08,390 --> 00:17:06,569

you so happy that I would read it but we

374

00:17:10,790 --> 00:17:08,400

serve questions saying we can't wait to

375

00:17:14,569 --> 00:17:10,800

not have Jarvis get them on the show

376

00:17:16,730 --> 00:17:14,579

Simon welcome to the show thank you for

377

00:17:19,160 --> 00:17:16,740

having me it's a pleasure to be here hey

378

00:17:20,809 --> 00:17:19,170

it's great to have you you are the man

379

00:17:22,309 --> 00:17:20,819

of the hour we have all kinds of

380

00:17:25,610 --> 00:17:22,319

questions for you and we know our

381

00:17:28,220 --> 00:17:25,620

audience does too so first of all how

382

00:17:31,280 --> 00:17:28,230

did you get into this knowledge of

383

00:17:35,540 --> 00:17:31,290

Dharma yoga meditation is you're a man

384

00:17:37,520 --> 00:17:35,550

of many talents well it's it's not very

385

00:17:39,800 --> 00:17:37,530

romantic it's basically trying to find

386

00:17:42,800 --> 00:17:39,810

my purpose in life for the last twenty

387

00:17:45,740 --> 00:17:42,810

thirty years and in you know you get

388

00:17:47,780 --> 00:17:45,750

good it it's something when you fail

389

00:17:51,560 --> 00:17:47,790

over and over and finally find that find

390

00:17:53,210 --> 00:17:51,570

a way to do it right so but I've always

391

00:17:55,310 --> 00:17:53,220

been interested in astrology even as a

392

00:17:59,630 --> 00:17:55,320

little kid I remember taking the town

393

00:18:01,760 --> 00:17:59,640

the bus across town you know all by

394

00:18:05,530 --> 00:18:01,770

myself to go see my first astrologer and

395

00:18:08,060 --> 00:18:05,540

when I've just always been curious and

396

00:18:12,260 --> 00:18:08,070

but I never thought I'd be doing it for

397

00:18:14,090 --> 00:18:12,270

for the public but you know Here I am

398

00:18:16,220 --> 00:18:14,100

and the more I learned that more people

399

00:18:18,230 --> 00:18:16,230

came up to me and said hey tell me about

400

00:18:18,950 --> 00:18:18,240

my life tell me what I can do to improve

401

00:18:21,860 --> 00:18:18,960

my snowman

402

00:18:24,530 --> 00:18:21,870

so it just kind of rose out of that

403

00:18:26,330 --> 00:18:24,540

never dreamed I'd be doing it Wow well

404

00:18:28,460 --> 00:18:26,340

that's great and you know PK and I were

405

00:18:30,919 --> 00:18:28,470

both discussing Vedic Astrology and we

406

00:18:36,050 --> 00:18:30,929

both share the same sentiment that it is

407

00:18:37,700 --> 00:18:36,060

extremely accurate very helpful I know

408

00:18:39,650 --> 00:18:37,710

it's a whole different system and what

409

00:18:42,380 --> 00:18:39,660

we're used to in the United States but

410

00:18:43,700 --> 00:18:42,390

we love Vedic Astrology so we're so

411

00:18:45,200 --> 00:18:43,710

thrilled to have you on to talk about

412

00:18:47,540 --> 00:18:45,210

that as well it's a very powerful

413

00:18:49,520 --> 00:18:47,550

astrology I think most people don't

414

00:18:51,520 --> 00:18:49,530

understand how much of a difference

415

00:18:54,730 --> 00:18:51,530

there is between Western in baby

416

00:18:58,000 --> 00:18:54,740

and oh how much more detailed you are

417

00:19:00,130 --> 00:18:58,010

with the Vedic yes well and in another

418

00:19:02,830 --> 00:19:00,140

feature of the Vedic Astrology is that

419

00:19:05,830 --> 00:19:02,840

it's 50% what you would normally

420

00:19:09,310 --> 00:19:05,840

consider astrology and the other 50% is

421

00:19:12,130 --> 00:19:09,320

prescribing remedial measures so okay

422

00:19:14,409 --> 00:19:12,140

your Saturn is here and it's causing you

423

00:19:16,510 --> 00:19:14,419

four or it's indicating certain problems

424

00:19:19,029 --> 00:19:16,520

now what do we do about it

425

00:19:23,049 --> 00:19:19,039

so in Vedic Astrology you'll see people

426

00:19:28,120 --> 00:19:23,059

doing certain rituals prayers month

427

00:19:33,100 --> 00:19:28,130

called lumped us in certain pilgrimages

428

00:19:35,080 --> 00:19:33,110

all to sort of balance out the karma in

429

00:19:38,440 --> 00:19:35,090

a given situation so for example if

430

00:19:40,510 --> 00:19:38,450

someone has quote-unquote undesirable

431

00:19:42,190 --> 00:19:40,520

karma in the area of relationships let's

432

00:19:45,190 --> 00:19:42,200

say it's hard for them to find their

433

00:19:48,159 --> 00:19:45,200

ideal partner then a Vedic Astrology may

434

00:19:52,120 --> 00:19:48,169

recommend that they do something for the

435

00:19:53,230 --> 00:19:52,130

planet Venus that creates a sort of it's

436

00:19:55,480 --> 00:19:53,240

kind of like neural linguistic

437

00:19:57,880 --> 00:19:55,490

programming where you do an action and

438

00:20:00,669 --> 00:19:57,890

activity with a certain intention and

439

00:20:04,600 --> 00:20:00,679

you connect that to the outcome that you

440

00:20:05,560 --> 00:20:04,610

want to create and it's it's like five

441

00:20:09,580 --> 00:20:05,570

thousand-year-old

442

00:20:12,940 --> 00:20:09,590

NLP basically Wow and so Vedic Astrology

443

00:20:14,890 --> 00:20:12,950

is imbued with that tradition of what

444

00:20:17,110 --> 00:20:14,900

can I do to make my life better and so

445

00:20:19,450 --> 00:20:17,120

people think it's sometimes fatalistic I

446

00:20:23,289 --> 00:20:19,460

say it's the opposite it's actually very

447

00:20:26,649 --> 00:20:23,299

self firming well it sounds that way in

448

00:20:28,870 --> 00:20:26,659

it and it's helpful to be specific one

449

00:20:30,490 --> 00:20:28,880

of the beefs I've had with astrologers

450

00:20:33,610 --> 00:20:30,500

that I've talked to in the past with

451
00:20:35,260 --> 00:20:33,620
Western astrology is and so I don't know

452
00:20:37,299 --> 00:20:35,270
so nebulous you know the end of the

453
00:20:40,240 --> 00:20:37,309
reading I feel like I've got mercury in

454
00:20:42,520 --> 00:20:40,250
my hands whereas the Vedic Astrology I

455
00:20:45,159 --> 00:20:42,530
feel like I've walked away with

456
00:20:48,120 --> 00:20:45,169
something I can implement so I like that

457
00:20:51,220 --> 00:20:48,130
about Vedic Astro

458
00:20:54,250 --> 00:20:51,230
let me defend Western astrology a little

459
00:20:56,409 --> 00:20:54,260
bit as well because to me it all depends

460
00:20:59,169 --> 00:20:56,419
on the person on the operator who is

461
00:21:01,720 --> 00:20:59,179
using the machinery so Western and Vedic

462
00:21:03,279 --> 00:21:01,730
are different technologies right they're

463
00:21:05,310 --> 00:21:03,289

there they have their different

464

00:21:07,980 --> 00:21:05,320

operating systems let's

465

00:21:11,370 --> 00:21:07,990

but it's really up to the user so if you

466

00:21:14,009 --> 00:21:11,380

have a really tuned in on the you know

467

00:21:15,570 --> 00:21:14,019

on a cracking Western astrologer they

468

00:21:18,060 --> 00:21:15,580

can tell you everything you want to know

469

00:21:20,549 --> 00:21:18,070

and vice versa with the Vedic but if you

470

00:21:22,560 --> 00:21:20,559

have terrible Vedic okay I have my bad

471

00:21:24,659 --> 00:21:22,570

days and sometimes I look at a chart and

472

00:21:26,190 --> 00:21:24,669

go I can't see anything but sometimes I

473

00:21:29,999 --> 00:21:26,200

have my good days and I can tell them

474

00:21:32,610 --> 00:21:30,009

what color you know what color carrots

475

00:21:37,379 --> 00:21:32,620

they had for for much and maybe there's

476

00:21:40,320 --> 00:21:37,389

purple carrots so you know it's it all

477

00:21:42,269 --> 00:21:40,330

depends on the operator on the user oh

478

00:21:43,919 --> 00:21:42,279

that's really hard I mean it's true

479

00:21:45,480 --> 00:21:43,929

there's good mediums and not-so-great

480

00:21:49,560 --> 00:21:45,490

mediums and yes I would agree that's

481

00:21:51,419 --> 00:21:49,570

true into every aspect you're but here's

482

00:21:53,430 --> 00:21:51,429

my question for you Simon's from our

483

00:21:55,619 --> 00:21:53,440

chat room this is some starlight one of

484

00:21:57,960 --> 00:21:55,629

our loyal listeners and starlight says I

485

00:22:02,249 --> 00:21:57,970

would like to practice Vedic Astrology

486

00:22:06,470 --> 00:22:02,259

what is the best way to get started the

487

00:22:10,019 --> 00:22:06,480

best way is to find a teacher and a

488

00:22:12,629 --> 00:22:10,029

one-on-one teacher whom you trust whom

489

00:22:15,659 --> 00:22:12,639

you have tested and you know that

490

00:22:17,490 --> 00:22:15,669

they're good and with whom you have some

491

00:22:21,899 --> 00:22:17,500

connection and then to stick with them

492

00:22:25,139 --> 00:22:21,909

now to get to that point you may have to

493

00:22:26,460 --> 00:22:25,149

try you go through several teachers but

494

00:22:29,310 --> 00:22:26,470

Vedic Astrology is very much a

495

00:22:31,289 --> 00:22:29,320

one-on-one kind of tradition now in the

496

00:22:33,509 --> 00:22:31,299

modern world sometimes we don't have

497

00:22:35,490 --> 00:22:33,519

access to one-on-one teachers so find a

498

00:22:37,139 --> 00:22:35,500

good author that you really connect to

499

00:22:40,470 --> 00:22:37,149

and often you'll find that they also

500

00:22:43,470 --> 00:22:40,480

have a youtube channel or online classes

501
00:22:46,350 --> 00:22:43,480
that they do and plug in to that true

502
00:22:49,590 --> 00:22:46,360
authors tradition because one mistake

503
00:22:51,509 --> 00:22:49,600
that people make is that they'll watch a

504
00:22:53,789 --> 00:22:51,519
bunch of YouTube videos or read a bunch

505
00:22:56,249 --> 00:22:53,799
of books and start mixing all of those

506
00:22:56,879 --> 00:22:56,259
techniques and what you get is a

507
00:23:00,779 --> 00:22:56,889
headache

508
00:23:04,470 --> 00:23:00,789
basically thanks to chase you get a lot

509
00:23:06,509 --> 00:23:04,480
of it mercury because sometimes it's

510
00:23:08,159 --> 00:23:06,519
like doctors in medicine one doctor says

511
00:23:09,930 --> 00:23:08,169
no you should never drink coffee and the

512
00:23:12,240 --> 00:23:09,940
other says no coffee can be good for you

513
00:23:16,560 --> 00:23:12,250

because it has antioxidants it all

514

00:23:18,640 --> 00:23:16,570

depends on your ability to digest coffee

515

00:23:20,800 --> 00:23:18,650

so getting your depends on you

516

00:23:24,910 --> 00:23:20,810

our ability to digest that teachers

517

00:23:26,890 --> 00:23:24,920

teaching so my recommendation a find a

518

00:23:28,690 --> 00:23:26,900

teacher that you feel connected to and

519

00:23:29,580 --> 00:23:28,700

stick with them for at least a year or

520

00:23:33,450 --> 00:23:29,590

two

521

00:23:36,580 --> 00:23:33,460

good advice don't go anywhere else yeah

522

00:23:41,190 --> 00:23:36,590

yeah that's good that's good

523

00:23:44,140 --> 00:23:41,200

so in your book in your new book geillis

524

00:23:47,470 --> 00:23:44,150

gambler's dharma you're talking about a

525

00:23:48,760 --> 00:23:47,480

system that actually works for gambling

526

00:23:53,530 --> 00:23:48,770

can you tell us a little bit about that

527

00:23:55,270 --> 00:23:53,540

yeah so I again never dreamed that I

528

00:23:57,300 --> 00:23:55,280

would be doing that but I was sitting on

529

00:23:59,260 --> 00:23:57,310

my couch one day watching the World Cup

530

00:24:02,560 --> 00:23:59,270

actually the first match of the World

531

00:24:05,170 --> 00:24:02,570

Cup and it was by Between the favorites

532

00:24:07,390 --> 00:24:05,180

the favorite team the Spanish who had

533

00:24:10,600 --> 00:24:07,400

won the last World Cup everyone expected

534

00:24:13,030 --> 00:24:10,610

them to win and Holland who was an

535

00:24:15,760 --> 00:24:13,040

underdog and what ended up happening is

536

00:24:18,400 --> 00:24:15,770

in the second half Holland beat them

537

00:24:22,120 --> 00:24:18,410

five to one it was this incredible game

538

00:24:24,550 --> 00:24:22,130

and I sort of scratched my head and said

539

00:24:27,970 --> 00:24:24,560

gosh the chart for that game must look

540

00:24:29,680 --> 00:24:27,980

pretty amazing and so something inside

541

00:24:32,830 --> 00:24:29,690

me said you should pull the chart take a

542

00:24:34,570 --> 00:24:32,840

look so I did and what I noticed I

543

00:24:36,850 --> 00:24:34,580

noticed a few interesting things and I

544

00:24:39,190 --> 00:24:36,860

thought aha that's probably why they won

545

00:24:41,470 --> 00:24:39,200

then I pulled the chart for the game for

546

00:24:45,760 --> 00:24:41,480

the tomorrow's game the next day's game

547

00:24:48,790 --> 00:24:45,770

and I saw this exact same thing so I

548

00:24:51,940 --> 00:24:48,800

thought okay I'm a practical guy if

549

00:24:54,700 --> 00:24:51,950

astrology works then this exact same

550

00:24:56,200 --> 00:24:54,710

chart the only thing they had moved was

551
00:24:59,110 --> 00:24:56,210
the moon but everything else is exactly

552
00:25:03,790 --> 00:24:59,120
the same should that's charge had

553
00:25:07,000 --> 00:25:03,800
produced the same result so to test my

554
00:25:10,180 --> 00:25:07,010
theory I put 50 bucks on that game

555
00:25:11,260 --> 00:25:10,190
and I didn't tell a soul because you

556
00:25:12,970 --> 00:25:11,270
know this is not something you're

557
00:25:15,880 --> 00:25:12,980
supposed to do and I swore I'd give the

558
00:25:18,970 --> 00:25:15,890
you know proceeds to charity and cross

559
00:25:22,600 --> 00:25:18,980
myself seven times and all that so at

560
00:25:27,070 --> 00:25:22,610
least seven late seven it's probably

561
00:25:29,740 --> 00:25:27,080
more than seven and in the next day it

562
00:25:32,500 --> 00:25:29,750
was an even bigger underdog it was Costa

563
00:25:34,780 --> 00:25:32,510

Rica whom nobody expected to

564

00:25:37,840 --> 00:25:34,790

do anything and they were playing a

565

00:25:40,870 --> 00:25:37,850

powerhouse favorite team from South

566

00:25:43,419 --> 00:25:40,880

America Uruguay and in the first half

567

00:25:43,960 --> 00:25:43,429

Uruguay scores in the penalty one to

568

00:25:45,730 --> 00:25:43,970

nothing

569

00:25:47,500 --> 00:25:45,740

well that's the exact same thing that

570

00:25:50,230 --> 00:25:47,510

happened in the first half of the other

571

00:25:52,630 --> 00:25:50,240

game where Spain scored and led one to

572

00:25:55,570 --> 00:25:52,640

nothing I thought oh great there goes my

573

00:25:57,970 --> 00:25:55,580

fifty bucks but in the second half the

574

00:26:00,760 --> 00:25:57,980

Costa Ricans came back and destroyed

575

00:26:05,260 --> 00:26:00,770

they completely routed the Uruguay team

576

00:26:07,350 --> 00:26:05,270

the exact same kind of result happened

577

00:26:11,500 --> 00:26:07,360

with the exact same chart and I thought

578

00:26:13,150 --> 00:26:11,510

Eureka astrology works now mind you I

579

00:26:16,000 --> 00:26:13,160

hadn't been doing astrology for about

580

00:26:18,730 --> 00:26:16,010

twenty years but it took you know this

581

00:26:21,039 --> 00:26:18,740

to sort of prove it to me in the sense

582

00:26:22,930 --> 00:26:21,049

and so then I started getting deeper and

583

00:26:25,810 --> 00:26:22,940

deeper into finding which techniques

584

00:26:28,900 --> 00:26:25,820

actually work and I wrote a book about

585

00:26:31,960 --> 00:26:28,910

it well it's a great book and I was

586

00:26:33,730 --> 00:26:31,970

going to say it's a beautiful it is and

587

00:26:36,310 --> 00:26:33,740

it's something that you can use it as a

588

00:26:38,860 --> 00:26:36,320

reference uh you know anybody who's who

589

00:26:41,350 --> 00:26:38,870

has fascinated with this as we are and

590

00:26:43,470 --> 00:26:41,360

because there is so much to this and it

591

00:26:46,990 --> 00:26:43,480

does seem like there's got to be a

592

00:26:50,530 --> 00:26:47,000

method to follow so you found it you've

593

00:26:53,799 --> 00:26:50,540

actually discovered well I I discovered

594

00:26:58,120 --> 00:26:53,809

a few techniques and the truth is the

595

00:27:00,850 --> 00:26:58,130

universe leaves Clues for us and if we

596

00:27:03,340 --> 00:27:00,860

only have the eyes to see the clues we

597

00:27:06,180 --> 00:27:03,350

can we can sort of follow them to their

598

00:27:09,580 --> 00:27:06,190

logical conclusion so for example if

599

00:27:13,270 --> 00:27:09,590

Saturn is on the eastern horizon which

600

00:27:15,610 --> 00:27:13,280

means Saturn is rising so if you see

601
00:27:18,460 --> 00:27:15,620
Saturn in the eastern horizon at the

602
00:27:20,380 --> 00:27:18,470
moment a game begins then the favorite

603
00:27:23,680 --> 00:27:20,390
team the one that everyone thinks is

604
00:27:25,659 --> 00:27:23,690
going to win is not going to win for

605
00:27:30,159 --> 00:27:25,669
happened to say Wow

606
00:27:31,570 --> 00:27:30,169
see that the opposite is also true if

607
00:27:38,110 --> 00:27:31,580
the parts because Saturn rules

608
00:27:39,870 --> 00:27:38,120
constriction it rules slow it's a slow

609
00:27:43,020 --> 00:27:39,880
movement it rules

610
00:27:45,850 --> 00:27:43,030
tiya fatigue it rules

611
00:27:48,070 --> 00:27:45,860
Saturn's an old planet so

612
00:27:50,259 --> 00:27:48,080
the people even though they may be 20

613
00:27:54,820 --> 00:27:50,269

years old the athletes they're going to

614

00:27:57,639 --> 00:27:54,830

feel older and in slower when they play

615

00:28:00,820 --> 00:27:57,649

but the opposite is true when Jupiter is

616

00:28:05,440 --> 00:28:00,830

rising so Jupiter on the eastern horizon

617

00:28:08,980 --> 00:28:05,450

at the moment again begins augers of

618

00:28:13,149 --> 00:28:08,990

victory it augurs strength optimism and

619

00:28:15,399 --> 00:28:13,159

a desirable result and that would be

620

00:28:18,279 --> 00:28:15,409

good for the team that you expect is

621

00:28:21,009 --> 00:28:18,289

going to win them yes exactly exactly

622

00:28:22,990 --> 00:28:21,019

but here's here's the thing your

623

00:28:25,240 --> 00:28:23,000

listeners may be going alright great

624

00:28:28,029 --> 00:28:25,250

good for you you know how can I use this

625

00:28:30,549 --> 00:28:28,039

in my own life that's what everybody

626
00:28:32,200 --> 00:28:30,559
wants to know so you can have to hold on

627
00:28:35,100 --> 00:28:32,210
to that spot because they're going to

628
00:28:37,509 --> 00:28:35,110
make a very short commercial break and

629
00:28:39,159 --> 00:28:37,519
we will come back and we all want to

630
00:28:41,169 --> 00:28:39,169
hear the answer of course so we're going

631
00:28:43,779 --> 00:28:41,179
to start right there as soon as we get

632
00:28:46,240 --> 00:28:43,789
back you are listening to Supernatural

633
00:28:49,659 --> 00:28:46,250
girls radio everybody stay tuned we'll

634
00:28:51,610 --> 00:28:49,669
be right back welcome back everyone to

635
00:28:53,759 --> 00:28:51,620
supernatural girls radio I'm your host

636
00:28:57,940 --> 00:28:53,769
Patricia Baker I'm here with my co-host

637
00:29:01,419 --> 00:28:57,950
PK and our guest tonight Simon who is

638
00:29:03,639 --> 00:29:01,429

the author of a great book it's called

639

00:29:07,149 --> 00:29:03,649

gamblers Dharma and we have to get the

640

00:29:10,049 --> 00:29:07,159

rest of this story right from you that

641

00:29:12,850 --> 00:29:10,059

we we left off right before the break so

642

00:29:16,360 --> 00:29:12,860

Simon said sitting on the edge of our

643

00:29:17,710 --> 00:29:16,370

state here Simon oh I forgot what we

644

00:29:26,830 --> 00:29:17,720

were talking about what were we talking

645

00:29:29,590 --> 00:29:26,840

about and we're gonna go to dinner yes

646

00:29:31,450 --> 00:29:29,600

Jupiter and Saturn on the ascendant so

647

00:29:33,460 --> 00:29:31,460

the word ascendant is a technical term

648

00:29:36,129 --> 00:29:33,470

from astrology all it means is the

649

00:29:37,629 --> 00:29:36,139

eastern horizon for and wherever you are

650

00:29:40,810 --> 00:29:37,639

so if you're in Tucson

651
00:29:42,850 --> 00:29:40,820
it's the eastern horizon for that place

652
00:29:46,930 --> 00:29:42,860
and time if you're in New York same

653
00:29:49,269 --> 00:29:46,940
thing so what I found was when when

654
00:29:52,840 --> 00:29:49,279
Saturn was rising on the eastern horizon

655
00:29:55,450 --> 00:29:52,850
right on that horizon on the exact time

656
00:29:57,549 --> 00:29:55,460
that it was there if a match and event

657
00:29:59,440 --> 00:29:57,559
happened that event would turn negative

658
00:30:01,960 --> 00:29:59,450
for the favorite team

659
00:30:04,060 --> 00:30:01,970
and if Jupiter was in the same spot it

660
00:30:06,520 --> 00:30:04,070
will turn positive for that team by the

661
00:30:09,940 --> 00:30:06,530
way it's the opposite on the western

662
00:30:16,030 --> 00:30:09,950
horizon so the moment that Saturn is a

663
00:30:18,430 --> 00:30:16,040

setting it's bad for the underdog team

664

00:30:20,650 --> 00:30:18,440

and the moment Jupiter is setting it's

665

00:30:23,770 --> 00:30:20,660

good for the underdog team but you don't

666

00:30:25,750 --> 00:30:23,780

even need to go there because the next

667

00:30:29,890 --> 00:30:25,760

question I had was well if this applies

668

00:30:32,710 --> 00:30:29,900

to the space-time events of say football

669

00:30:35,860 --> 00:30:32,720

game or a baseball game does why

670

00:30:38,140 --> 00:30:35,870

wouldn't it apply to human lives and so

671

00:30:41,110 --> 00:30:38,150

these techniques that I talked about in

672

00:30:47,410 --> 00:30:41,120

Gamblers dharma can be used in everyday

673

00:30:51,100 --> 00:30:47,420

life so for example a friend of mine was

674

00:30:52,630 --> 00:30:51,110

leaving town and something sort of gave

675

00:30:54,370 --> 00:30:52,640

me the intuition to look at the chart

676
00:30:56,020 --> 00:30:54,380
the moment she has started the car and I

677
00:30:58,690 --> 00:30:56,030
said wait let me just pull the chart to

678
00:31:01,150 --> 00:30:58,700
see what's happening and at that moment

679
00:31:02,590 --> 00:31:01,160
Saturn was exactly on the horizon on the

680
00:31:05,770 --> 00:31:02,600
eastern horizon and I told her I said

681
00:31:10,420 --> 00:31:05,780
listen if this were a game you would

682
00:31:12,310 --> 00:31:10,430
lose so just wait a little bit wait half

683
00:31:13,950 --> 00:31:12,320
an hour if you can and she said I can't

684
00:31:18,100 --> 00:31:13,960
wait half an hour the cars running I

685
00:31:20,910 --> 00:31:18,110
said okay fine it takes to wait five ten

686
00:31:23,020 --> 00:31:20,920
minutes so the worst so so it at least

687
00:31:25,660 --> 00:31:23,030
separates from the horizon a little bit

688
00:31:29,520 --> 00:31:25,670

so she did two hours later I get a call

689

00:31:31,900 --> 00:31:29,530

she's caught in a hailstorm and

690

00:31:35,940 --> 00:31:31,910

visibility is almost nil she's on the

691

00:31:38,080 --> 00:31:35,950

highway and she hits a rock oh but in

692

00:31:40,600 --> 00:31:38,090

the it could be it could have been very

693

00:31:43,270 --> 00:31:40,610

bad because that rock could have ripped

694

00:31:45,790 --> 00:31:43,280

up her you know the oil pan and the

695

00:31:48,700 --> 00:31:45,800

stuff under the engine but what happened

696

00:31:50,350 --> 00:31:48,710

is the rock disintegrated so she pulled

697

00:31:54,310 --> 00:31:50,360

over on the side of the road check the

698

00:31:56,650 --> 00:31:54,320

car car was okay and to me that was a

699

00:31:58,780 --> 00:31:56,660

type of confirmation because she did

700

00:32:01,540 --> 00:31:58,790

wait long enough for Saturn to separate

701
00:32:04,060 --> 00:32:01,550
so that it wasn't exactly on the horizon

702
00:32:09,760 --> 00:32:04,070
but it still had the effect and Saturn

703
00:32:11,260 --> 00:32:09,770
rules obstacles rocks obfuscation stuff

704
00:32:12,310 --> 00:32:11,270
like that Wow

705
00:32:14,830 --> 00:32:12,320
and

706
00:32:17,409 --> 00:32:14,840
out you know she really is better I can

707
00:32:21,909 --> 00:32:17,419
look over and over yeah should have

708
00:32:24,340 --> 00:32:21,919
listened yes so so when you do a chart

709
00:32:28,180 --> 00:32:24,350
like this you can also apply this to

710
00:32:31,360 --> 00:32:28,190
business as well starting in businesses

711
00:32:33,820 --> 00:32:31,370
okay right so you wouldn't want to start

712
00:32:37,480 --> 00:32:33,830
a business when Saturn is exactly on the

713
00:32:40,090 --> 00:32:37,490

ascendant unless for some reason Saturn

714

00:32:43,080 --> 00:32:40,100

is a good planet for you and you know

715

00:32:46,330 --> 00:32:43,090

the thing about astrology is that it's

716

00:32:48,369 --> 00:32:46,340

extremely customized everyone has a

717

00:32:51,580 --> 00:32:48,379

birth chart based on the time and place

718

00:32:54,369 --> 00:32:51,590

they were born and so if you ask me say

719

00:32:55,930 --> 00:32:54,379

four lucky numbers I would be

720

00:32:59,470 --> 00:32:55,940

hard-pressed to give them to you unless

721

00:33:01,539 --> 00:32:59,480

I knew your chart precisely so everyone

722

00:33:04,779 --> 00:33:01,549

has different lucky numbers everyone has

723

00:33:06,249 --> 00:33:04,789

different lucky syllables and everyone

724

00:33:09,519 --> 00:33:06,259

has a slightly different relationship to

725

00:33:14,560 --> 00:33:09,529

the planet but generally speaking if you

726

00:33:16,629 --> 00:33:14,570

are getting married say and let's be

727

00:33:20,190 --> 00:33:16,639

honest I mean everyone wants to win the

728

00:33:25,029 --> 00:33:20,200

lottery but isn't the real lottery

729

00:33:27,999 --> 00:33:25,039

having a good relationship I mean you

730

00:33:30,220 --> 00:33:28,009

can have a hundred million dollars but

731

00:33:32,590 --> 00:33:30,230

if no one loves you and you can't find

732

00:33:35,440 --> 00:33:32,600

love in your life or you don't have good

733

00:33:37,600 --> 00:33:35,450

health what's the point that's right

734

00:33:39,519 --> 00:33:37,610

I mean although all that money is going

735

00:33:41,710 --> 00:33:39,529

to be spent on doctors it's going to be

736

00:33:45,490 --> 00:33:41,720

spent on match.com it's going to be

737

00:33:50,889 --> 00:33:45,500

spent on these sort of desperate ways to

738

00:33:52,629 --> 00:33:50,899

find happiness so in my mind yeah it

739

00:33:56,980 --> 00:33:52,639

would be very cool to win the lottery

740

00:33:58,810 --> 00:33:56,990

but the real lottery is you know do I

741

00:34:01,960 --> 00:33:58,820

have health do I have a spiritual

742

00:34:06,070 --> 00:34:01,970

connection connection do I have friends

743

00:34:11,379 --> 00:34:06,080

and do I have a partner who you know

744

00:34:13,119 --> 00:34:11,389

who's there for me and in the or and

745

00:34:15,760 --> 00:34:13,129

that this is how the ancients thought as

746

00:34:18,760 --> 00:34:15,770

well so they devised simple practical

747

00:34:21,129 --> 00:34:18,770

things anyone can do and I'll be happy

748

00:34:23,530 --> 00:34:21,139

to share them with you to ensure that

749

00:34:25,870 --> 00:34:23,540

when you do get married for example or

750

00:34:29,590 --> 00:34:25,880

when you do start a business

751

00:34:31,600 --> 00:34:29,600

that it will go well and in effect you

752

00:34:37,330 --> 00:34:31,610

win the lottery in that part of your

753

00:34:37,870 --> 00:34:37,340

life well begun is half done oh no what

754

00:34:40,360 --> 00:34:37,880

I do

755

00:34:44,460 --> 00:34:40,370

yeah go ahead what I what else are one

756

00:34:48,220 --> 00:34:44,470

of these things we want to know it's me

757

00:34:50,230 --> 00:34:48,230

so what one of the things is if you want

758

00:34:53,500 --> 00:34:50,240

to begin something auspicious like a

759

00:34:59,200 --> 00:34:53,510

business or a marriage try to do it or

760

00:35:01,810 --> 00:34:59,210

try to not do it on an eclipse now this

761

00:35:04,030 --> 00:35:01,820

is Nellie one you would think you would

762

00:35:06,910 --> 00:35:04,040

think duh I mean kind of makes sense the

763

00:35:08,650 --> 00:35:06,920

eclipses kind of an ominous thing where

764

00:35:11,350 --> 00:35:08,660

it's daytime and all of a sudden it's

765

00:35:14,590 --> 00:35:11,360

nighttime it's a time again who would

766

00:35:18,250 --> 00:35:14,600

want to start a business well Facebook

767

00:35:21,100 --> 00:35:18,260

their IPO actually launched a couple of

768

00:35:24,340 --> 00:35:21,110

days before major eclipses major solar

769

00:35:26,740 --> 00:35:24,350

eclipses nearly every astrologer on the

770

00:35:31,660 --> 00:35:26,750

planet kind of hid their their hand to

771

00:35:34,060 --> 00:35:31,670

their forehead and went oh can you

772

00:35:39,360 --> 00:35:34,070

afford a decent astrologer for a hundred

773

00:35:47,800 --> 00:35:45,130

apparently love it all so so what

774

00:35:49,510 --> 00:35:47,810

happened with Facebook is if you are

775

00:35:52,510 --> 00:35:49,520

familiar with it was called the worst

776

00:35:56,410 --> 00:35:52,520

swap in history because it immediately

777

00:35:58,390 --> 00:35:56,420

tanked and the problem with that is a

778

00:36:02,110 --> 00:35:58,400

lot of teachers a lot of people who had

779

00:36:04,750 --> 00:36:02,120

invested you know lost that money is

780

00:36:07,720 --> 00:36:04,760

behind the Facebook so what happened a

781

00:36:11,770 --> 00:36:07,730

tank it stayed below its opening price

782

00:36:14,710 --> 00:36:11,780

for a whole year but then it went up and

783

00:36:17,110 --> 00:36:14,720

now it's trading very nicely well above

784

00:36:20,350 --> 00:36:17,120

the price that it opened that so that

785

00:36:22,890 --> 00:36:20,360

goes to show you that the the moment you

786

00:36:25,420 --> 00:36:22,900

begin something has a definite effect

787

00:36:26,770 --> 00:36:25,430

but if your relationship is

788

00:36:31,120 --> 00:36:26,780

fundamentally sound

789

00:36:32,820 --> 00:36:31,130

like Facebook's was then it'll

790

00:36:36,370 --> 00:36:32,830

eventually overcome those obstacles

791

00:36:38,260 --> 00:36:36,380

despite the bad timing but why should

792

00:36:39,940 --> 00:36:38,270

you have to go through the bad timing if

793

00:36:42,040 --> 00:36:39,950

you know you

794

00:36:45,610 --> 00:36:42,050

afford to take a look at an almanac and

795

00:36:47,470 --> 00:36:45,620

go olders and eclipse habit so my

796

00:36:50,350 --> 00:36:47,480

contention is that if facebook had

797

00:36:51,790 --> 00:36:50,360

opened a week later or a week sooner it

798

00:36:55,680 --> 00:36:51,800

could have started going up from the

799

00:37:02,410 --> 00:36:55,690

beginning without that you know drastic

800

00:37:04,930 --> 00:37:02,420

you're a long long drought yeah yeah is

801
00:37:07,000 --> 00:37:04,940
there anything that a person that would

802
00:37:10,750 --> 00:37:07,010
be advantageous or person to look for

803
00:37:12,850 --> 00:37:10,760
when they're starting something yeah so

804
00:37:15,580 --> 00:37:12,860
there are five things you can look at

805
00:37:17,650 --> 00:37:15,590
and the thing is also it depends on what

806
00:37:21,040 --> 00:37:17,660
that thing that you're starting is so

807
00:37:26,500 --> 00:37:21,050
for example if what you're starting is a

808
00:37:30,190 --> 00:37:26,510
marriage you want to take care of well

809
00:37:32,260 --> 00:37:30,200
let's see so for a marriage the first

810
00:37:34,080 --> 00:37:32,270
thing is to do it well the first thing

811
00:37:37,150 --> 00:37:34,090
is don't get married on an eclipse

812
00:37:39,010 --> 00:37:37,160
that's one lesson but there's only four

813
00:37:42,310 --> 00:37:39,020

of those a year so you send a pretty

814

00:37:44,770 --> 00:37:42,320

good chance being you know being good of

815

00:37:46,900 --> 00:37:44,780

that on that one the second thing is

816

00:37:50,320 --> 00:37:46,910

don't get married when the moon is very

817

00:37:54,970 --> 00:37:50,330

dark when it's within five days on

818

00:37:58,000 --> 00:37:54,980

either side of the new moon because the

819

00:38:01,330 --> 00:37:58,010

moon rules the emotions it rules the

820

00:38:04,440 --> 00:38:01,340

hormones in the body it rules affection

821

00:38:07,120 --> 00:38:04,450

and feeling and when the moon is new

822

00:38:08,560 --> 00:38:07,130

there's a sense of depletion to those

823

00:38:11,260 --> 00:38:08,570

things and you don't want to begin

824

00:38:14,470 --> 00:38:11,270

something that is rooted in emotion and

825

00:38:18,360 --> 00:38:14,480

love when the moon is depleted so within

826

00:38:23,440 --> 00:38:18,370

five days of the new moon on either side

827

00:38:30,130 --> 00:38:23,450

waxing and waning then many avoid avoid

828

00:38:32,260 --> 00:38:30,140

those days as possible that's one the

829

00:38:35,850 --> 00:38:32,270

second thing is and this may sound a

830

00:38:40,540 --> 00:38:35,860

little crazy but don't get married on

831

00:38:45,670 --> 00:38:40,550

Melissa queek days like Saturday or

832

00:38:49,570 --> 00:38:45,680

Tuesday why is that all diamond well

833

00:38:51,970 --> 00:38:49,580

Saturday Saturn Saturn's day by Saturn

834

00:38:53,500 --> 00:38:51,980

it as we mentioned earlier Saturn rules

835

00:38:59,260 --> 00:38:53,510

old age

836

00:39:02,790 --> 00:38:59,270

obstacles he's cold he's distant he's

837

00:39:05,320 --> 00:39:02,800

low all the things that you don't

838

00:39:08,770 --> 00:39:05,330

associate with a newlywed couple

839

00:39:10,900 --> 00:39:08,780

so unfortunately because Saturday's the

840

00:39:15,310 --> 00:39:10,910

weekend a lot of couples do get married

841

00:39:18,160 --> 00:39:15,320

on Saturday yeah that's right I know and

842

00:39:21,670 --> 00:39:18,170

that may be a contributing factor

843

00:39:25,120 --> 00:39:21,680

according to astrology for the high rate

844

00:39:25,960 --> 00:39:25,130

of divorce in this country Wow thanks

845

00:39:30,370 --> 00:39:25,970

good sense

846

00:39:38,190 --> 00:39:30,380

so no more weddings on Saturday Suzanne

847

00:39:42,940 --> 00:39:40,290

next one's not going to be on a Saturday

848

00:39:47,620 --> 00:39:42,950

right but again keep in mind gets you

849

00:39:50,200 --> 00:39:47,630

Lydia just these are just factors that

850

00:39:52,540 --> 00:39:50,210

factor in but again if your marriage is

851

00:39:57,880 --> 00:39:52,550

solid and so on it can overcome this

852

00:40:00,609 --> 00:39:57,890

obstacle in attendance I mean everything

853

00:40:02,650 --> 00:40:00,619

I think health and today's world

854

00:40:04,300 --> 00:40:02,660

especially I see so many people throwing

855

00:40:06,640 --> 00:40:04,310

in the towel within relationships before

856

00:40:09,310 --> 00:40:06,650

they even really get started so it's

857

00:40:11,980 --> 00:40:09,320

nice to to have these things that will

858

00:40:14,080 --> 00:40:11,990

build support for the relationship right

859

00:40:17,950 --> 00:40:14,090

at the beginning I had your bet before

860

00:40:20,410 --> 00:40:17,960

you get started yeah why not so the good

861

00:40:23,080 --> 00:40:20,420

days the good days the way to head your

862

00:40:27,400 --> 00:40:23,090

bed is to wet on a Thursday or a Friday

863

00:40:29,740 --> 00:40:27,410

because Friday is Freya's day and Freya

864

00:40:32,560 --> 00:40:29,750

is the the Nordic equivalent of Venus

865

00:40:37,750 --> 00:40:32,570

the goddess of love Oh perfect

866

00:40:41,080 --> 00:40:37,760

thanks and Trevor yeah yeah and Thursday

867

00:40:42,310 --> 00:40:41,090

is is the Nordic equivalent of it's

868

00:40:46,930 --> 00:40:42,320

Thursday

869

00:40:49,359 --> 00:40:46,940

but it's should be Java D in in the

870

00:40:53,440 --> 00:40:49,369

Latin languages it's the day of Jo and

871

00:40:58,120 --> 00:40:53,450

Jove is the benevolent sort of it's

872

00:41:00,790 --> 00:40:58,130

Jupiter's day so Jupiter Thursday or

873

00:41:03,010 --> 00:41:00,800

Friday are good days to get married

874

00:41:07,540 --> 00:41:03,020

avoid actively avoid Saturday and

875

00:41:11,140 --> 00:41:07,550

Tuesday Tuesday is a God of War oh I'm

876

00:41:13,210 --> 00:41:11,150

did that well America if anybody ever

877

00:41:14,680 --> 00:41:13,220

done a study and pulled marriage

878

00:41:16,150 --> 00:41:14,690

certificates up and seeing how many

879

00:41:17,470 --> 00:41:16,160

people got divorced if they got married

880

00:41:21,670 --> 00:41:17,480

on a Tuesday or Saturday

881

00:41:23,770 --> 00:41:21,680

I remember reading something like that a

882

00:41:25,240 --> 00:41:23,780

long time ago because these are

883

00:41:28,210 --> 00:41:25,250

well-known rules I didn't make this

884

00:41:32,920 --> 00:41:28,220

stuff up and I remember that they did

885

00:41:34,840 --> 00:41:32,930

cite certain statistics about it was

886

00:41:37,660 --> 00:41:34,850

just for Saturday I think Saturday

887

00:41:39,820 --> 00:41:37,670

marriages that a certain amount of them

888

00:41:41,590 --> 00:41:39,830

ended in divorce but I would be

889

00:41:44,110 --> 00:41:41,600

hard-pressed to find that article for

890

00:41:47,590 --> 00:41:44,120

you so yeah I just thought what if I'm

891

00:41:50,790 --> 00:41:47,600

study to do yeah sure and actually

892

00:41:55,810 --> 00:41:50,800

pretty easy one yeah mm-hmm

893

00:41:57,100 --> 00:41:55,820

we had hardly enough look okay well

894

00:41:59,410 --> 00:41:57,110

there are enough books written about

895

00:42:02,350 --> 00:41:59,420

this stuff like I said it this isn't my

896

00:42:04,720 --> 00:42:02,360

info so don't don't get married or start

897

00:42:07,090 --> 00:42:04,730

a business when the moon is dark rule

898

00:42:09,910 --> 00:42:07,100

number one we all get married on on a

899

00:42:15,420 --> 00:42:09,920

Saturday or Friday or or Tuesday

900

00:42:18,700 --> 00:42:15,430

mm-hmm no the other the other thing is

901
00:42:20,500 --> 00:42:18,710
specifically for marriage there is a in

902
00:42:23,620 --> 00:42:20,510
the Vedic tradition there is a part of

903
00:42:28,330 --> 00:42:23,630
the year that's devoted to mourning the

904
00:42:32,380 --> 00:42:28,340
dead and like we know that as All

905
00:42:33,940 --> 00:42:32,390
Hallows Eve the Day of the Dead and it's

906
00:42:40,150 --> 00:42:33,950
usually sometime in the fall like

907
00:42:42,600 --> 00:42:40,160
October 31st or in October in India it's

908
00:42:46,140 --> 00:42:42,610
actually a two-week period we're

909
00:42:48,940 --> 00:42:46,150
basically a billion people or so our

910
00:42:51,910 --> 00:42:48,950
mourning and honoring their ancestors

911
00:42:56,050 --> 00:42:51,920
and if you can imagine like in married

912
00:42:58,150 --> 00:42:56,060
in a church and here's the guy saying

913
00:43:01,120 --> 00:42:58,160

your vows and right next door someone's

914

00:43:07,150 --> 00:43:01,130

doing a funeral that would be kind of

915

00:43:09,310 --> 00:43:07,160

weird right yeah and so this idea though

916

00:43:12,010 --> 00:43:09,320

of not marrying during this two-week

917

00:43:15,190 --> 00:43:12,020

period which is reserved for honoring

918

00:43:18,190 --> 00:43:15,200

the dead Jews is another factor to

919

00:43:20,990 --> 00:43:18,200

consider now in 2017 that two-week

920

00:43:26,839 --> 00:43:21,000

period is September

921

00:43:29,870 --> 00:43:26,849

if through the 19th okay buddy mark your

922

00:43:34,280 --> 00:43:29,880

calendars happy getting married and

923

00:43:36,560 --> 00:43:34,290

right now this is right again it's just

924

00:43:38,330 --> 00:43:36,570

one factor but if you can avoid it why

925

00:43:40,160 --> 00:43:38,340

not yeah why not

926

00:43:43,070 --> 00:43:40,170

why not now here's a question for you

927

00:43:45,410 --> 00:43:43,080

from Trisha she wants to know when is

928

00:43:49,580 --> 00:43:45,420

the best time to try to conceive for

929

00:43:50,270 --> 00:43:49,590

those who are struggling that's a good

930

00:43:53,900 --> 00:43:50,280

question

931

00:43:56,870 --> 00:43:53,910

so the best time to conceive is when the

932

00:44:01,970 --> 00:43:56,880

Sun and the moon formed the same angle

933

00:44:05,359 --> 00:44:01,980

in the sky as they did at the moment you

934

00:44:07,940 --> 00:44:05,369

were born what here's what I mean if the

935

00:44:11,839 --> 00:44:07,950

Sun and the moon were say a hundred

936

00:44:15,050 --> 00:44:11,849

degrees apart when you were born then

937

00:44:19,609 --> 00:44:15,060

every month when when they recreate that

938

00:44:21,920 --> 00:44:19,619

degree that angle on that day and

939

00:44:25,280 --> 00:44:21,930

actually the day the day or two before

940

00:44:28,370 --> 00:44:25,290

you want to schedule a you know a

941

00:44:32,390 --> 00:44:28,380

lovemaking session so that you can

942

00:44:33,950 --> 00:44:32,400

conceive and this one does have a fair

943

00:44:38,420 --> 00:44:33,960

amount of studies behind it this

944

00:44:40,460 --> 00:44:38,430

technique but to know the days when

945

00:44:42,680 --> 00:44:40,470

you're when that happens you need to

946

00:44:45,200 --> 00:44:42,690

probably consult an astrologer like I

947

00:44:48,950 --> 00:44:45,210

have a fancy program that spits out the

948

00:44:52,490 --> 00:44:48,960

info for me you know just by launching a

949

00:44:55,190 --> 00:44:52,500

few keys in it know well Simon happens

950

00:44:57,620 --> 00:44:55,200

go home how can people get a hold of you

951
00:45:01,270 --> 00:44:57,630
for is notice anything what's the

952
00:45:05,599 --> 00:45:01,280
website they should go to find you

953
00:45:11,530 --> 00:45:05,609
spirit type com is my site here it's

954
00:45:18,589 --> 00:45:15,890
type-3 you might want to have a private

955
00:45:21,980 --> 00:45:18,599
consultation with Simon about this cuz

956
00:45:23,690 --> 00:45:21,990
it sound like you few clicks on this

957
00:45:27,650 --> 00:45:23,700
computer he'd be able to give you some

958
00:45:29,390 --> 00:45:27,660
really really good information so so

959
00:45:30,800 --> 00:45:29,400
that that's very helpful there are a

960
00:45:32,240 --> 00:45:30,810
number of people I know out there that

961
00:45:34,760 --> 00:45:32,250
are struggling with that right now

962
00:45:37,580 --> 00:45:34,770
so again it

963
00:45:42,110 --> 00:45:37,590

possibilities are endless when it comes

964

00:45:43,850 --> 00:45:42,120

to Vedic Astrology and this and getting

965

00:45:47,360 --> 00:45:43,860

what you want in life I guess for lack

966

00:45:49,430 --> 00:45:47,370

of better terms what about the lottery a

967

00:45:50,780 --> 00:45:49,440

lot of people want to win it some people

968

00:45:53,060 --> 00:45:50,790

like we talked about at the beginning

969

00:45:55,580 --> 00:45:53,070

this guy plays his numbers for years

970

00:45:58,840 --> 00:45:55,590

nothing happens and all of a sudden BAM

971

00:46:02,360 --> 00:45:58,850

he gets it twice what's happening I mean

972

00:46:06,340 --> 00:46:02,370

some angle happening the sky that only

973

00:46:10,370 --> 00:46:06,350

he got to benefit from what's going on

974

00:46:14,030 --> 00:46:10,380

yeah this is this is something you know

975

00:46:16,670 --> 00:46:14,040

the lesson in this from from what I

976

00:46:19,420 --> 00:46:16,680

heard is you guys announced it at the

977

00:46:23,780 --> 00:46:19,430

beginning is that when you do something

978

00:46:27,140 --> 00:46:23,790

when you do your Dharma everything comes

979

00:46:28,760 --> 00:46:27,150

to you so what I mean is a lot of people

980

00:46:30,860 --> 00:46:28,770

spend their time looking for love

981

00:46:32,960 --> 00:46:30,870

looking for money looking for

982

00:46:35,090 --> 00:46:32,970

spirituality and we're looking we're

983

00:46:37,730 --> 00:46:35,100

looking we're researching finding out

984

00:46:41,270 --> 00:46:37,740

but the truth is the in the Vedic

985

00:46:44,270 --> 00:46:41,280

tradition it says find your path find

986

00:46:46,760 --> 00:46:44,280

your Road and stick to it in a wocket

987

00:46:49,340 --> 00:46:46,770

and what will happen you'll find God

988

00:46:51,230 --> 00:46:49,350

waiting for you love waiting for you and

989

00:46:53,900 --> 00:46:51,240

wealth waiting for you when and when

990

00:46:57,980 --> 00:46:53,910

it's your time to experience them so

991

00:46:59,990 --> 00:46:57,990

basically that that gives up that sort

992

00:47:02,150 --> 00:47:00,000

of desperation of when am I going to

993

00:47:05,720 --> 00:47:02,160

have X when am I going to have Y alone I

994

00:47:11,390 --> 00:47:05,730

don't have seat find your path walk it

995

00:47:13,790 --> 00:47:11,400

live it and in a sense it faithfully

996

00:47:16,670 --> 00:47:13,800

stick to it but then forget about the

997

00:47:17,990 --> 00:47:16,680

details so from the way you announced

998

00:47:20,000 --> 00:47:18,000

this guy's winnings

999

00:47:22,160 --> 00:47:20,010

it sounded like he'd been doing this for

1000

00:47:25,070 --> 00:47:22,170

a long time despite the fact that people

1001
00:47:26,810 --> 00:47:25,080
ridiculed him even his own wife he stuck

1002
00:47:29,120 --> 00:47:26,820
with it because he believed that he had

1003
00:47:33,800 --> 00:47:29,130
a deep sense about no this is something

1004
00:47:38,090 --> 00:47:33,810
I have to do and when you have that you

1005
00:47:41,930 --> 00:47:38,100
can't help but succeed it's just a

1006
00:47:44,900 --> 00:47:41,940
question of when now no the same the

1007
00:47:47,750 --> 00:47:44,910
guru of the Hari Krishna's his name is

1008
00:47:48,320 --> 00:47:47,760
Prabhu pod when he came to the u.s. he

1009
00:47:51,110 --> 00:47:48,330
was 70

1010
00:47:53,750 --> 00:47:51,120
two years old he landed in New York he

1011
00:47:55,730 --> 00:47:53,760
didn't have a dollar in his pocket and a

1012
00:47:57,080 --> 00:47:55,740
guy on the street asked him he said a

1013
00:48:00,890 --> 00:47:57,090

man who are you

1014

00:48:04,150 --> 00:48:00,900

and Prabhupada he said I am a

1015

00:48:06,860 --> 00:48:04,160

world-famous guru of a world-famous

1016

00:48:09,520 --> 00:48:06,870

movement for the Trishna consciousness

1017

00:48:13,190 --> 00:48:09,530

and I have temples all over the world a

1018

00:48:15,830 --> 00:48:13,200

guy said where are your temples you

1019

00:48:17,540 --> 00:48:15,840

don't look well I don't know you he said

1020

00:48:23,210 --> 00:48:17,550

the only thing that separates me from

1021

00:48:25,880 --> 00:48:23,220

that is time it hasn't happened yet

1022

00:48:29,060 --> 00:48:25,890

yeah but he was absolutely sure he

1023

00:48:30,680 --> 00:48:29,070

merely would happen because that was his

1024

00:48:34,820 --> 00:48:30,690

purpose that was his Dharma his guru

1025

00:48:38,090 --> 00:48:34,830

attentive now you talk about Dharma and

1026

00:48:41,630 --> 00:48:38,100

you also have a book out about Dharma

1027

00:48:44,900 --> 00:48:41,640

right yes yes the five child height

1028

00:48:47,180 --> 00:48:44,910

that's the original book and you also

1029

00:48:49,340 --> 00:48:47,190

have a test that people can take right

1030

00:48:52,010 --> 00:48:49,350

on your website to find out what their

1031

00:48:56,000 --> 00:48:52,020

Dharma type is which is very helpful

1032

00:48:58,760 --> 00:48:56,010

right definitely now is one guard or

1033

00:49:02,480 --> 00:48:58,770

type more than the other considered

1034

00:49:06,710 --> 00:49:02,490

luckier yeah my Dharma type is the best

1035

00:49:10,070 --> 00:49:06,720

I don't know about you guys but takers

1036

00:49:12,140 --> 00:49:10,080

will go hard did you know this then

1037

00:49:14,630 --> 00:49:12,150

again I'm a Scorpio in western astrology

1038

00:49:18,470 --> 00:49:14,640

so we tend to think this way we're with

1039

00:49:21,020 --> 00:49:18,480

terrible people actually Morocco did

1040

00:49:24,320 --> 00:49:21,030

that count huh that count

1041

00:49:28,570 --> 00:49:24,330

yes intense to give a little twist dark

1042

00:49:31,340 --> 00:49:28,580

twist to the program up so

1043

00:49:34,070 --> 00:49:31,350

is one Dharma type luckier than another

1044

00:49:36,200 --> 00:49:34,080

that's a good question it depends on

1045

00:49:38,660 --> 00:49:36,210

what you mean by luck if you mean does

1046

00:49:40,700 --> 00:49:38,670

one type attract money more readily than

1047

00:49:43,060 --> 00:49:40,710

others I would say yes the merchant

1048

00:49:46,220 --> 00:49:43,070

Dharma type

1049

00:49:49,640 --> 00:49:46,230

because a merchant can walk along the

1050

00:49:51,320 --> 00:49:49,650

beach and look at a coconut and go hey

1051

00:49:53,450 --> 00:49:51,330

that kind of looks like Elvis and

1052

00:49:56,930 --> 00:49:53,460

they'll put it on eBay and sell it for

1053

00:49:58,850 --> 00:49:56,940

150 bucks whereas ten people that walk

1054

00:50:00,150 --> 00:49:58,860

past that coconut before didn't have

1055

00:50:02,880 --> 00:50:00,160

that awareness

1056

00:50:05,730 --> 00:50:02,890

merchants just have an appreciation for

1057

00:50:11,069 --> 00:50:05,740

value they know what's valuable in the

1058

00:50:13,859 --> 00:50:11,079

world and so they attract it but every

1059

00:50:18,539 --> 00:50:13,869

type is lucky in a sense educators

1060

00:50:22,200 --> 00:50:18,549

attract knowledge and wisdom warriors

1061

00:50:26,430 --> 00:50:22,210

attract strength and power laborers

1062

00:50:29,510 --> 00:50:26,440

attract community in love and Merchants

1063

00:50:37,260 --> 00:50:29,520

attract money and Outsiders attract a

1064

00:50:42,380 --> 00:50:37,270

mystery excitement and the sort of the

1065

00:50:46,349 --> 00:50:42,390

unexplained well yeah I tell them that

1066

00:50:49,049 --> 00:50:46,359

yeah each has its own unique ability to

1067

00:50:50,700 --> 00:50:49,059

attract something of Worth and value so

1068

00:50:52,829 --> 00:50:50,710

so that's good to know so there's no

1069

00:50:58,319 --> 00:50:52,839

Dharma that's like condemned to a life

1070

00:51:04,049 --> 00:50:58,329

of poverty or anything well really idea

1071

00:51:06,000 --> 00:51:04,059

I think it has balance the thing about

1072

00:51:07,859 --> 00:51:06,010

that is also you know I've been to India

1073

00:51:09,720 --> 00:51:07,869

a lot of times and I've been invited

1074

00:51:12,029 --> 00:51:09,730

into people's homes and they literally

1075

00:51:14,279 --> 00:51:12,039

lived on a dirt floor and had very

1076

00:51:18,000 --> 00:51:14,289

little possessions but they were just

1077

00:51:20,579 --> 00:51:18,010

happy and smiling and genuine and

1078

00:51:24,029 --> 00:51:20,589

healthy and running around and working

1079

00:51:26,039 --> 00:51:24,039

12 hours a day but still in a sense you

1080

00:51:29,970 --> 00:51:26,049

know they had nothing and yet they had

1081

00:51:32,880 --> 00:51:29,980

everything so the idea of doing your

1082

00:51:36,029 --> 00:51:32,890

Dharma what you're what you're sort of

1083

00:51:37,799 --> 00:51:36,039

put on this planet to do and my book can

1084

00:51:40,769 --> 00:51:37,809

give you clues to that I'm not saying I

1085

00:51:43,470 --> 00:51:40,779

have all the answers but the five Dharma

1086

00:51:45,240 --> 00:51:43,480

types book can sort of help you pick up

1087

00:51:47,430 --> 00:51:45,250

on those clues that the universe leave

1088

00:51:49,109 --> 00:51:47,440

right earlier I said the universally

1089

00:51:52,140 --> 00:51:49,119

excludes it's up to us to sort of read

1090

00:51:55,650 --> 00:51:52,150

them yeah we need better utilizing them

1091

00:51:57,120 --> 00:51:55,660

right and decipher them exactly for our

1092

00:51:58,829 --> 00:51:57,130

own benefit and the benefit of our

1093

00:52:01,140 --> 00:51:58,839

family so the better you become at that

1094

00:52:04,559 --> 00:52:01,150

the more you study yourself in these

1095

00:52:07,680 --> 00:52:04,569

ancient systems so the more you know the

1096

00:52:08,579 --> 00:52:07,690

more lucky I guess you you become well

1097

00:52:09,990 --> 00:52:08,589

we're going to continue this

1098

00:52:11,700 --> 00:52:10,000

conversation because we want to get

1099

00:52:13,800 --> 00:52:11,710

lucky or unlucky or we want everybody in

1100

00:52:16,050 --> 00:52:13,810

our audience to get lucky or luckier

1101
00:52:18,060 --> 00:52:16,060
so stay tuned everybody we're going to

1102
00:52:20,640 --> 00:52:18,070
take a very short commercial break and

1103
00:52:24,780 --> 00:52:20,650
we'll be right back you're listening to

1104
00:52:27,060 --> 00:52:24,790
Supernatural girls radio welcome back

1105
00:52:29,700 --> 00:52:27,070
everyone to supernatural Girls radio I'm

1106
00:52:33,150 --> 00:52:29,710
your host Patricia Baker I am here with

1107
00:52:37,490 --> 00:52:33,160
my co-host from Tucson PK and our guest

1108
00:52:40,530 --> 00:52:37,500
Simon from Phoenix Phoenix earnshaw and

1109
00:52:43,530 --> 00:52:40,540
we are learning how to be luckier and

1110
00:52:46,050 --> 00:52:43,540
luckier how to follow our true path now

1111
00:52:47,790 --> 00:52:46,060
that's a big question but as you said if

1112
00:52:50,990 --> 00:52:47,800
you follow you Dharma you eliminate

1113
00:52:55,950 --> 00:52:51,000

karma Zepa the phrasing how does that go

1114

00:52:58,620 --> 00:52:55,960

yeah Dharma Dharma erases karma and the

1115

00:53:00,600 --> 00:52:58,630

more we do live a dharmic life a meaning

1116

00:53:02,730 --> 00:53:00,610

living our purpose and alignment with

1117

00:53:07,650 --> 00:53:02,740

what we're supposed to do the less karma

1118

00:53:09,450 --> 00:53:07,660

effective well how do you so you find

1119

00:53:11,190 --> 00:53:09,460

your Dharma by first of all

1120

00:53:13,080 --> 00:53:11,200

understanding which one you fit into

1121

00:53:15,900 --> 00:53:13,090

into the five types right so that's a

1122

00:53:18,060 --> 00:53:15,910

good starting point and again people can

1123

00:53:19,800 --> 00:53:18,070

find it in your book the five types of

1124

00:53:22,110 --> 00:53:19,810

Dharma they can also find the test on

1125

00:53:25,950 --> 00:53:22,120

your website which is spirit types calm

1126
00:53:27,870 --> 00:53:25,960
and so that's a beginning but how do you

1127
00:53:29,850 --> 00:53:27,880
find the rest of it out I mean these are

1128
00:53:33,510 --> 00:53:29,860
kind of general headings so how do you

1129
00:53:37,740 --> 00:53:33,520
get to the rest of your path so Dharma

1130
00:53:40,830 --> 00:53:37,750
means natural law so gravity is this

1131
00:53:42,630 --> 00:53:40,840
Dharma because it's a natural law of

1132
00:53:45,210 --> 00:53:42,640
nature and abiding by it means not

1133
00:53:46,710 --> 00:53:45,220
jumping off cliffs right or not jumping

1134
00:53:49,830 --> 00:53:46,720
out of an airplane without a parachute

1135
00:53:53,550 --> 00:53:49,840
that's you know understanding that law

1136
00:53:55,760 --> 00:53:53,560
of gravity Dharma is pulling over to

1137
00:53:58,380 --> 00:53:55,770
help someone on the side of the road

1138
00:53:59,940 --> 00:53:58,390

Dharma is taking care of your parents

1139

00:54:02,340 --> 00:53:59,950

when they can't take care of themselves

1140

00:54:03,990 --> 00:54:02,350

Dharma is taking care of your kids and

1141

00:54:07,440 --> 00:54:04,000

they can't take care of themselves it's

1142

00:54:09,990 --> 00:54:07,450

it's much it's a very broad thing but

1143

00:54:14,970 --> 00:54:10,000

it's we call it doing the right thing

1144

00:54:18,090 --> 00:54:14,980

and doing the right thing doesn't earn

1145

00:54:20,010 --> 00:54:18,100

you a salary or money no one you know is

1146

00:54:22,920 --> 00:54:20,020

going to pay you for that to taking care

1147

00:54:26,609 --> 00:54:22,930

of your elderly parents but it does earn

1148

00:54:31,410 --> 00:54:26,619

you points in heaven if you will

1149

00:54:33,450 --> 00:54:31,420

and along with all of those things come

1150

00:54:36,269 --> 00:54:33,460

following the natural law of your being

1151

00:54:39,299 --> 00:54:36,279

in you know in the fulfilling your

1152

00:54:41,609 --> 00:54:39,309

purpose on this planet so in while we

1153

00:54:46,079 --> 00:54:41,619

were off the air we were discussing you

1154

00:54:47,940 --> 00:54:46,089

asked me if I consult gamblers right who

1155

00:54:49,410 --> 00:54:47,950

you know and give them pics and stuff

1156

00:54:51,719 --> 00:54:49,420

like that and I told you that I tried

1157

00:54:54,839 --> 00:54:51,729

that a while back and it was disastrous

1158

00:54:57,660 --> 00:54:54,849

because it was it's just not my Dharma

1159

00:54:59,880 --> 00:54:57,670

to practice something just for money

1160

00:55:01,709 --> 00:54:59,890

like for me it had to be it's an

1161

00:55:04,440 --> 00:55:01,719

educational thing I'm supposed to teach

1162

00:55:06,839 --> 00:55:04,450

and study new techniques and then teach

1163

00:55:09,359 --> 00:55:06,849

them to others and let them you know do

1164

00:55:10,859 --> 00:55:09,369

what they will with them and I learned

1165

00:55:13,499 --> 00:55:10,869

that the hard way because we actually

1166

00:55:14,069 --> 00:55:13,509

lost money and and I said I'll never do

1167

00:55:15,690 --> 00:55:14,079

this again

1168

00:55:17,390 --> 00:55:15,700

and then when I went back to doing it

1169

00:55:21,180 --> 00:55:17,400

for myself I started winning again

1170

00:55:24,120 --> 00:55:21,190

that's not interested oh my gosh damas

1171

00:55:27,870 --> 00:55:24,130

knowing what's right for you mm-hmm

1172

00:55:29,880 --> 00:55:27,880

that's a hard one many times it is and I

1173

00:55:32,339 --> 00:55:29,890

remember we have laundry cattle on the

1174

00:55:35,819 --> 00:55:32,349

shows in a cult master and he was

1175

00:55:38,370 --> 00:55:35,829

talking about magic and how you

1176
00:55:41,190 --> 00:55:38,380
shouldn't do magic for other people you

1177
00:55:43,319 --> 00:55:41,200
do it for yourself and he shared a

1178
00:55:44,870 --> 00:55:43,329
similar situation where he did magic for

1179
00:55:48,870 --> 00:55:44,880
the people and it turned out to be

1180
00:55:50,759 --> 00:55:48,880
disasters so he didn't recommend that

1181
00:55:53,549 --> 00:55:50,769
you know just like you're saying you do

1182
00:55:55,170 --> 00:55:53,559
this you employ your own method and you

1183
00:55:57,170 --> 00:55:55,180
gamble and you win and it all works out

1184
00:56:00,469 --> 00:55:57,180
fine because that's a part of your past

1185
00:56:03,479 --> 00:56:00,479
mine was saying well make money addict

1186
00:56:05,609 --> 00:56:03,489
let me interject something so he's in

1187
00:56:08,190 --> 00:56:05,619
this this may be this may blow your mind

1188
00:56:10,709 --> 00:56:08,200

or it may not but he's probably the same

1189

00:56:13,440 --> 00:56:10,719

Dharma type as I am because we are we're

1190

00:56:16,469 --> 00:56:13,450

this certain type that we're not

1191

00:56:17,759 --> 00:56:16,479

supposed to necessarily do it for others

1192

00:56:20,999 --> 00:56:17,769

but we're supposed to teach others how

1193

00:56:24,870 --> 00:56:21,009

to do it but there is another type the

1194

00:56:27,089 --> 00:56:24,880

marine gamma type they are the brokers

1195

00:56:29,789 --> 00:56:27,099

the net workers that go-betweens

1196

00:56:31,259 --> 00:56:29,799

who are allowed to do this stuff for

1197

00:56:34,859 --> 00:56:31,269

others they are the ones who do the

1198

00:56:36,989 --> 00:56:34,869

rituals and they're supposed to benefit

1199

00:56:39,809 --> 00:56:36,999

and profit from it so that's what I mean

1200

00:56:40,800 --> 00:56:39,819

when you know your Dharma type it's like

1201
00:56:43,170 --> 00:56:40,810
knowing your

1202
00:56:45,270 --> 00:56:43,180
gender if you're a man or a woman it

1203
00:56:47,310 --> 00:56:45,280
doesn't solve all your problems but it

1204
00:56:49,500 --> 00:56:47,320
certainly solves a lot of simple things

1205
00:56:52,560 --> 00:56:49,510
like what kind of should I wear a dress

1206
00:56:56,580 --> 00:56:52,570
or not today or you know which bathroom

1207
00:56:59,220 --> 00:56:56,590
should I walk into there Boop there are

1208
00:57:02,820 --> 00:56:59,230
a lot of issues that become very simple

1209
00:57:05,370 --> 00:57:02,830
once you know your garment type and like

1210
00:57:08,610 --> 00:57:05,380
this magic master it sounds like he's

1211
00:57:11,160 --> 00:57:08,620
probably similar to my type but there

1212
00:57:13,680 --> 00:57:11,170
are others I would put forth to you that

1213
00:57:16,500 --> 00:57:13,690

are allowed to do rituals for four

1214

00:57:19,500 --> 00:57:16,510

people you just have to find that Dharma

1215

00:57:21,660 --> 00:57:19,510

type yeah so if you want somebody to do

1216

00:57:24,450 --> 00:57:21,670

that there's got to be on that merchant

1217

00:57:25,940 --> 00:57:24,460

path and that's all part of it it's just

1218

00:57:30,000 --> 00:57:25,950

fascinating

1219

00:57:32,540 --> 00:57:30,010

you know we we see people on the highway

1220

00:57:35,940 --> 00:57:32,550

and they're driving through the e-zpass

1221

00:57:39,600 --> 00:57:35,950

you know they're just go right through

1222

00:57:42,540 --> 00:57:39,610

and then some of us we get stuck at the

1223

00:57:44,820 --> 00:57:42,550

toll booth but just not going any

1224

00:57:47,780 --> 00:57:44,830

further as you know and we're paying at

1225

00:57:50,160 --> 00:57:47,790

the hall over and over again you know

1226

00:57:52,950 --> 00:57:50,170

waiting it's a train track of the keeps

1227

00:57:54,960 --> 00:57:52,960

of a doubt yeah exactly it's a you know

1228

00:57:57,720 --> 00:57:54,970

so this is giving us a lot of insight

1229

00:58:00,240 --> 00:57:57,730

Simon as to what the problem may be if

1230

00:58:02,910 --> 00:58:00,250

we want to get into the easy path lane

1231

00:58:05,430 --> 00:58:02,920

then we need to find our true Dharma and

1232

00:58:08,610 --> 00:58:05,440

follow that path so this is all good

1233

00:58:11,040 --> 00:58:08,620

it's all very helpful well and this also

1234

00:58:13,350 --> 00:58:11,050

has to do with timing because one of the

1235

00:58:14,850 --> 00:58:13,360

keys as I mentioned earlier about the

1236

00:58:16,590 --> 00:58:14,860

Vedic tradition is that it gives you

1237

00:58:20,190 --> 00:58:16,600

certain remedies so knowing the right

1238

00:58:23,970 --> 00:58:20,200

time so depending on when you left your

1239

00:58:28,350 --> 00:58:23,980

house that day you are either going to

1240

00:58:30,900 --> 00:58:28,360

be set up to have obstacles and you know

1241

00:58:34,230 --> 00:58:30,910

toll booths or you're going to be set up

1242

00:58:36,330 --> 00:58:34,240

to catch all the green lights and a

1243

00:58:39,300 --> 00:58:36,340

friend of mine I have a story about this

1244

00:58:41,520 --> 00:58:39,310

is actually a true story we were

1245

00:58:44,100 --> 00:58:41,530

studying with a guru a teacher this is a

1246

00:58:47,250 --> 00:58:44,110

while back and one of the students asked

1247

00:58:49,340 --> 00:58:47,260

a guru said guru ji can you tell me the

1248

00:58:52,290 --> 00:58:49,350

right time to buy a lottery ticket and

1249

00:58:54,360 --> 00:58:52,300

the Guru looked at him and he said it's

1250

00:58:56,250 --> 00:58:54,370

not part of your

1251

00:58:59,310 --> 00:58:56,260

dharma to win the lottery it's not part

1252

00:59:00,930 --> 00:58:59,320

of your life pattern he said I know guru

1253

00:59:02,700 --> 00:59:00,940

ji but it doesn't matter I have such

1254

00:59:04,950 --> 00:59:02,710

faith in your abilities that I know if

1255

00:59:08,910 --> 00:59:04,960

you tell me the right time that I will

1256

00:59:11,370 --> 00:59:08,920

win so the Guru said all right here and

1257

00:59:13,710 --> 00:59:11,380

you wrote down a time and a date for him

1258

00:59:16,740 --> 00:59:13,720

12:30 on Wednesday three weeks from now

1259

00:59:19,280 --> 00:59:16,750

so this guy was in seventh heaven like

1260

00:59:22,620 --> 00:59:19,290

the whole time he's like oh yeah I'm set

1261

00:59:25,020 --> 00:59:22,630

he you know where he lived he plotted

1262

00:59:26,700 --> 00:59:25,030

the store how long it would take him to

1263

00:59:29,070 --> 00:59:26,710

get to the store where they sold the

1264

00:59:33,150 --> 00:59:29,080

tickets like he had at all time Wow so

1265

00:59:35,790 --> 00:59:33,160

that today arrives it's 12 o'clock

1266

00:59:42,740 --> 00:59:35,800

he gets in his car drives to the store

1267

00:59:46,650 --> 00:59:45,390

he's you know and he's like oh my god

1268

00:59:48,600 --> 00:59:46,660

what do I do what I do checks his phone

1269

00:59:52,200 --> 00:59:48,610

where's the nearest store okay gets in

1270

00:59:55,680 --> 00:59:52,210

his car rushes over buys the ticket and

1271

00:59:57,930 --> 00:59:55,690

it's a minute late in it past the time

1272

01:00:01,500 --> 00:59:57,940

that it was awesome he was supposed to

1273

01:00:05,520 --> 01:00:01,510

do it and he doesn't win anything so the

1274

01:00:08,880 --> 01:00:05,530

point was when the Guru told him it's

1275

01:00:10,620 --> 01:00:08,890

not in your karmic pattern to win he was

1276

01:00:15,390 --> 01:00:10,630

telling him the truth it's just sort of

1277

01:00:17,550 --> 01:00:15,400

not meant to be and yet if he had played

1278

01:00:20,010 --> 01:00:17,560

at that time he could have overcome his

1279

01:00:20,340 --> 01:00:20,020

karmic pattern but so it's a chicken or

1280

01:00:23,370 --> 01:00:20,350

the egg

1281

01:00:25,500 --> 01:00:23,380

like was it because he was faded not to

1282

01:00:26,870 --> 01:00:25,510

win that that store of clothes and you

1283

01:00:31,440 --> 01:00:26,880

couldn't get there on time

1284

01:00:35,720 --> 01:00:31,450

it's I would assume I know that yeah but

1285

01:00:41,490 --> 01:00:35,730

you my take on it yeah I think so too

1286

01:00:44,160 --> 01:00:41,500

that's fascinating but picking the right

1287

01:00:46,650 --> 01:00:44,170

time to start something or even to buy

1288

01:00:48,510 --> 01:00:46,660

your lottery ticket is a good thing so

1289

01:00:50,610 --> 01:00:48,520

for those of your listeners who are out

1290

01:00:55,260 --> 01:00:50,620

there who want to improve their chances

1291

01:00:57,930 --> 01:00:55,270

of winning try buying the ticket the

1292

01:01:01,350 --> 01:00:57,940

moment the Jupiter is rising on the

1293

01:01:04,770 --> 01:01:01,360

eastern horizon okay what's that going

1294

01:01:06,960 --> 01:01:04,780

to be ones that going to be we want to

1295

01:01:08,170 --> 01:01:06,970

know I'll give you there's a website

1296

01:01:13,599 --> 01:01:08,180

called

1297

01:01:17,890 --> 01:01:13,609

time and date calm oh there's a website

1298

01:01:19,900 --> 01:01:17,900

course URIs now this is an awesome

1299

01:01:22,900 --> 01:01:19,910

website by the way it gives you time

1300

01:01:24,910 --> 01:01:22,910

zones calendar whether it's got all that

1301

01:01:26,950 --> 01:01:24,920

stuff but one of the things that it

1302

01:01:30,130 --> 01:01:26,960

gives you is the rising and the setting

1303

01:01:32,980 --> 01:01:30,140

time for each of the planets so when you

1304

01:01:36,579 --> 01:01:32,990

go in there there's or you can just

1305

01:01:39,480 --> 01:01:36,589

google rising time for Jupiter and then

1306

01:01:43,500 --> 01:01:39,490

put your city Baltimore or Washington DC

1307

01:01:46,150 --> 01:01:43,510

and Google will give you you know the

1308

01:01:50,289 --> 01:01:46,160

relevant site so there are websites that

1309

01:01:52,809 --> 01:01:50,299

will show you the exact time each day

1310

01:01:56,140 --> 01:01:52,819

that Jupiter rises so Jupiter rises once

1311

01:01:58,900 --> 01:01:56,150

a day and it sets once a day like today

1312

01:02:03,370 --> 01:01:58,910

for example it was 12:10 in Phoenix

1313

01:02:05,640 --> 01:02:03,380

Arizona so if you know that time you can

1314

01:02:09,760 --> 01:02:05,650

also use Venus rising

1315

01:02:12,279 --> 01:02:09,770

so either Venus or Jupiter and try try

1316

01:02:13,839 --> 01:02:12,289

it a few with each of them because for

1317

01:02:15,370 --> 01:02:13,849

some people Venus will be luckier for

1318

01:02:18,910 --> 01:02:15,380

some people Jupiter will be like here

1319

01:02:21,250 --> 01:02:18,920

but this is one way to potentially

1320

01:02:23,769 --> 01:02:21,260

increase your odds of winning is to buy

1321

01:02:28,269 --> 01:02:23,779

that ticket in exactly that time the

1322

01:02:32,140 --> 01:02:28,279

Jupiter or Venus is rising and avoid the

1323

01:02:34,870 --> 01:02:32,150

times when Saturn is life how about that

1324

01:02:37,120 --> 01:02:34,880

I am going to try this out how about you

1325

01:02:40,990 --> 01:02:37,130

peak Engler's I'm making notes right

1326

01:02:43,089 --> 01:02:41,000

here ha ha ha X ready no sing tomorrow

1327

01:02:46,150 --> 01:02:43,099

I've been everybody I was your homework

1328

01:02:48,760 --> 01:02:46,160

assignment for one month okay for

1329

01:02:52,720 --> 01:02:48,770

finishing I like it okey for waxey a

1330

01:03:00,299 --> 01:02:52,730

part of your new foot and anybody else

1331

01:03:03,549 --> 01:03:00,309

out there let us know what happens so

1332

01:03:05,829 --> 01:03:03,559

can you tell us about having auspicious

1333

01:03:10,390 --> 01:03:05,839

time is it always about Jupiter and

1334

01:03:14,049 --> 01:03:10,400

Venus and their rising is that right so

1335

01:03:15,549 --> 01:03:14,059

there's I mean other oil analyst well

1336

01:03:19,359 --> 01:03:15,559

Jupiter and Venus are typically the

1337

01:03:21,339 --> 01:03:19,369

luckiest but this is a simple thing

1338

01:03:21,670 --> 01:03:21,349

anyone can do even without having your

1339

01:03:23,589 --> 01:03:21,680

heart

1340

01:03:27,460 --> 01:03:23,599

but the best thing is to actually have

1341

01:03:31,559 --> 01:03:27,470

your your chart but another thing is the

1342

01:03:37,569 --> 01:03:31,569

eclipse cycles so people who have Leo

1343

01:03:40,900 --> 01:03:37,579

prominent in their charts in I mean both

1344

01:03:43,120 --> 01:03:40,910

Eastern Leo and western Leo because this

1345

01:03:50,380 --> 01:03:43,130

eclipse is happening this one coming up

1346

01:03:53,970 --> 01:03:50,390

on August 24 yes good is happening at 2

1347

01:03:59,980 --> 01:03:53,980

degrees Leo in the city 'real FADEC

1348

01:04:01,990 --> 01:03:59,990

horse zodiac and it's happening at 26

1349

01:04:05,829 --> 01:04:02,000

degrees Leo of the Western so it's both

1350

01:04:11,609 --> 01:04:05,839

of them are Leo anyone who has prominent

1351

01:04:18,400 --> 01:04:14,890

reversals in their life by the way

1352

01:04:20,410 --> 01:04:18,410

president Trump is allele in England

1353

01:04:24,370 --> 01:04:20,420

ating actually I think in both

1354

01:04:30,670 --> 01:04:24,380

traditions and so that eclipse is going

1355

01:04:32,260 --> 01:04:30,680

to be a quite eventful for him I mean

1356

01:04:36,010 --> 01:04:32,270

his whole presidency has been eventful

1357

01:04:37,839 --> 01:04:36,020

obviously but um in to get a taste of

1358

01:04:39,700 --> 01:04:37,849

what that might be like go back to

1359

01:04:44,890 --> 01:04:39,710

February mid-february because there were

1360

01:04:47,020 --> 01:04:44,900

a quick search that happened then that

1361

01:04:51,400 --> 01:04:47,030

will sort of mirror be mirrored by the

1362

01:04:54,730 --> 01:04:51,410

August 21st Eclipse but a lot of people

1363

01:04:58,240 --> 01:04:54,740

when certain planets in their horoscope

1364

01:05:00,099 --> 01:04:58,250

transit those Eclipse points they get

1365

01:05:02,200 --> 01:05:00,109

dramatic reversal in their life

1366

01:05:04,390 --> 01:05:02,210

something like a lottery win but for

1367

01:05:07,539 --> 01:05:04,400

that you have to look in in the app

1368

01:05:09,370 --> 01:05:07,549

individual horoscope and that's why you

1369

01:05:13,420 --> 01:05:09,380

know it's hard to hard to give out

1370

01:05:15,910 --> 01:05:13,430

general rules okay so you're saying that

1371

01:05:21,450 --> 01:05:15,920

they can this eclipse can be very

1372

01:05:25,000 --> 01:05:21,460

positive and in creating sudden wealth

1373

01:05:29,079 --> 01:05:25,010

yeah so the point that the eclipse

1374

01:05:31,930 --> 01:05:29,089

happens so for example this is I'm going

1375

01:05:33,880 --> 01:05:31,940

to use the Vedic several Dona 2° leo

1376

01:05:35,079 --> 01:05:33,890

so that eclipse is going to happen in

1377

01:05:39,519 --> 01:05:35,089

two degrees wheel when

1378

01:05:43,989 --> 01:05:39,529

one of your important planet transits

1379

01:05:46,450 --> 01:05:43,999

that point at 2 degrees leo or when the

1380

01:05:51,640 --> 01:05:46,460

moon transits that point it can produce

1381

01:05:56,620 --> 01:05:51,650

a dramatic reversal in your life eat all

1382

01:05:58,239 --> 01:05:56,630

other factors being equal meaning it's a

1383

01:06:02,289 --> 01:05:58,249

little bit difficult to kind of explain

1384

01:06:04,630 --> 01:06:02,299

this but because that acquits point is a

1385

01:06:07,359 --> 01:06:04,640

sensitive point basically for for the

1386

01:06:09,160 --> 01:06:07,369

next three to six months and if it

1387

01:06:11,529 --> 01:06:09,170

happens to fall in the money house for

1388

01:06:14,380 --> 01:06:11,539

you and if it happens to activate

1389

01:06:18,130 --> 01:06:14,390

certain money planets for you when that

1390

01:06:21,459 --> 01:06:18,140

point is activated by a transit boom you

1391

01:06:24,309 --> 01:06:21,469

get you get money but at that point

1392

01:06:27,370 --> 01:06:24,319

falls in a negative place for you in its

1393

01:06:30,670 --> 01:06:27,380

activated boom you get accident or you

1394

01:06:33,779 --> 01:06:30,680

get some you know negative outcome so it

1395

01:06:36,700 --> 01:06:33,789

all depends where it sits in your chart

1396

01:06:39,400 --> 01:06:36,710

so again all of this is personal

1397

01:06:42,640 --> 01:06:39,410

information that people can get from you

1398

01:06:45,279 --> 01:06:42,650

in a private session and also Trisha

1399

01:06:49,539 --> 01:06:45,289

if you're still listening Simon off the

1400

01:06:53,170 --> 01:06:49,549

air did offer to give you some basically

1401

01:06:55,329 --> 01:06:53,180

some very auspicious times for you when

1402

01:06:57,370 --> 01:06:55,339

you mentioned you were looking to

1403

01:06:59,229 --> 01:06:57,380

conceive so if you're still listening if

1404

01:07:01,959 --> 01:06:59,239

you type in in the chat room your birth

1405

01:07:04,779 --> 01:07:01,969

date time and place ayman will look up

1406

01:07:06,789 --> 01:07:04,789

those things those dates for you if

1407

01:07:09,099 --> 01:07:06,799

you're still with us go ahead over here

1408

01:07:11,769 --> 01:07:09,109

and we'll try and do it you're on the

1409

01:07:14,410 --> 01:07:11,779

air or off the air but either way he's

1410

01:07:17,109 --> 01:07:14,420

offering to give your hand which is very

1411

01:07:19,269 --> 01:07:17,119

generous Simon thank you no sir Trisha

1412

01:07:21,729 --> 01:07:19,279

appreciates it so see a few rights back

1413

01:07:23,799 --> 01:07:21,739

in now the infinite fun dimension little

1414

01:07:26,859 --> 01:07:23,809

off-topic but not really because it is

1415

01:07:31,660 --> 01:07:26,869

helpful to people's lives you have a

1416

01:07:36,400 --> 01:07:31,670

very special herbal formula right you're

1417

01:07:40,209 --> 01:07:36,410

kind enough to send to me and I sent it

1418

01:07:42,759 --> 01:07:40,219

on to my nephew who has a rosacea

1419

01:07:46,509 --> 01:07:42,769

and he had tried everything to get rid

1420

01:07:48,710 --> 01:07:46,519

of this it's a very uncomfortable type

1421

01:07:52,609 --> 01:07:48,720

of a thing to have right on your face

1422

01:07:54,290 --> 01:07:52,619

and makes your cheeks extremely rosy it

1423

01:07:58,910 --> 01:07:54,300

creates other problems with blood

1424

01:08:03,349 --> 01:07:58,920

vessels and nothing worked that he tried

1425

01:08:06,230 --> 01:08:03,359

nothing so I sent him your herbal remedy

1426

01:08:08,660 --> 01:08:06,240

and guess what he calls me up now that's

1427

01:08:11,120 --> 01:08:08,670

rare in and of itself he's 22 you never

1428

01:08:13,550 --> 01:08:11,130

make a phone call okay how they have you

1429

01:08:17,479 --> 01:08:13,560

said I'm Patricia I got to tell you this

1430

01:08:20,780 --> 01:08:17,489

works nothing else has worked but this

1431

01:08:23,059 --> 01:08:20,790

is working so I want to thank you on the

1432

01:08:25,760 --> 01:08:23,069

air assignment for that because I know

1433

01:08:28,309 --> 01:08:25,770

how difficult it can be when you have a

1434

01:08:29,990 --> 01:08:28,319

skin condition like that you really run

1435

01:08:32,780 --> 01:08:30,000

it a dress I mean something people see

1436

01:08:35,059 --> 01:08:32,790

every day on your face and your herbal

1437

01:08:37,340 --> 01:08:35,069

remedy was bringing things back into

1438

01:08:40,010 --> 01:08:37,350

balance obviously you talked about I

1439

01:08:43,039 --> 01:08:40,020

think a liver detoxification from this

1440

01:08:44,780 --> 01:08:43,049

and other things that this remedy is

1441

01:08:46,849 --> 01:08:44,790

doing is it's really a brilliant remedy

1442

01:08:49,880 --> 01:08:46,859

so people need to know about that as

1443

01:08:51,559 --> 01:08:49,890

well and in case there is someone in

1444

01:08:53,450 --> 01:08:51,569

their lives that could benefit from that

1445

01:08:56,840 --> 01:08:53,460

they can order that right from you on

1446

01:08:59,030 --> 01:08:56,850

your website right yeah thank you first

1447

01:09:01,039 --> 01:08:59,040

of all for for saying that and I did I

1448

01:09:05,720 --> 01:09:01,049

did start to make it for family members

1449

01:09:10,010 --> 01:09:05,730

and who had acne and some family members

1450

01:09:11,840 --> 01:09:10,020

who had herpes outbreaks so but then my

1451

01:09:14,660 --> 01:09:11,850

students started taking it and I had

1452

01:09:17,539 --> 01:09:14,670

students with rosacea who had this the

1453

01:09:19,459 --> 01:09:17,549

same or very similar outcome and they

1454

01:09:22,550 --> 01:09:19,469

said well we love this stuff and so I

1455

01:09:25,550 --> 01:09:22,560

actually made it into a product and it's

1456

01:09:28,059 --> 01:09:25,560

called herbal helper kind of a goofy

1457

01:09:33,439 --> 01:09:28,069

title but I didn't want to make it like

1458

01:09:37,519 --> 01:09:33,449

herpes medicine or yeah there's a better

1459

01:09:38,930 --> 01:09:37,529

way it's hard to have that you know in

1460

01:09:40,910 --> 01:09:38,940

your bathroom especially when people

1461

01:09:43,610 --> 01:09:40,920

come over and they go oh yeah what's

1462

01:09:46,640 --> 01:09:43,620

going on yeah my moment horrible helper

1463

01:09:50,170 --> 01:09:46,650

and it helps with those kinds of skin

1464

01:09:55,820 --> 01:09:50,180

outbreaks related to rosacea acne or

1465

01:09:58,640 --> 01:09:55,830

herpes our cold sores so yeah it is on

1466

01:10:00,860 --> 01:09:58,650

my site it's I don't advertise it it's

1467

01:10:02,330 --> 01:10:00,870

just basically from my own students I

1468

01:10:05,270 --> 01:10:02,340

only have about a few

1469

01:10:09,320 --> 01:10:05,280

bottles that get shipped out by a

1470

01:10:11,479 --> 01:10:09,330

distributor and it's called verbal

1471

01:10:13,609 --> 01:10:11,489

helper it's on my side spirit pipe comm

1472

01:10:15,530 --> 01:10:13,619

and they can certainly try to have a

1473

01:10:17,120 --> 01:10:15,540

money-back guarantee so if for any

1474

01:10:19,640 --> 01:10:17,130

reason it doesn't work for them they can

1475

01:10:22,879 --> 01:10:19,650

just send it back in well it's a great

1476

01:10:25,180 --> 01:10:22,889

rate or both wonderful accent that's for

1477

01:10:28,520 --> 01:10:25,190

sure and you also have some wonderful

1478

01:10:30,260 --> 01:10:28,530

podcasts on YouTube and one that PK and

1479

01:10:33,399 --> 01:10:30,270

I watched is about embracing your

1480

01:10:36,320 --> 01:10:33,409

goddess energy which is a wonderful

1481

01:10:38,810 --> 01:10:36,330

expression of self-love for women and I

1482

01:10:42,290 --> 01:10:38,820

think for men too because we all have

1483

01:10:44,750 --> 01:10:42,300

both male and female energies but you

1484

01:10:47,089 --> 01:10:44,760

said so you have a Marilyn Monroe story

1485

01:10:52,100 --> 01:10:47,099

that I loved and I was 20 if you share

1486

01:10:52,790 --> 01:10:52,110

that on the air well um tell me you tell

1487

01:10:56,839 --> 01:10:52,800

me the story

1488

01:11:01,580 --> 01:10:56,849

remind me well I want to how Marilyn had

1489

01:11:04,939 --> 01:11:01,590

expected love from the people in her

1490

01:11:09,169 --> 01:11:04,949

professional life she was magnificently

1491

01:11:12,140 --> 01:11:09,179

loved by by all of these people person

1492

01:11:15,890 --> 01:11:12,150

likes another story but she had braced

1493

01:11:18,649 --> 01:11:15,900

her own ability to receive this love

1494

01:11:20,839 --> 01:11:18,659

from so many people and I thought it was

1495

01:11:25,330 --> 01:11:20,849

a good example of what you're trying to

1496

01:11:28,129 --> 01:11:25,340

tell all of us about accepting love and

1497

01:11:30,589 --> 01:11:28,139

being able to do that as she was I mean

1498

01:11:32,089 --> 01:11:30,599

she was a phenomenon and still is to say

1499

01:11:35,030 --> 01:11:32,099

even though she's dead that the people

1500

01:11:39,100 --> 01:11:35,040

just loved her so tell us more about

1501

01:11:42,740 --> 01:11:39,110

that and how she know that we can do it

1502

01:11:47,899 --> 01:11:42,750

it's about going back to the 7 year old

1503

01:11:52,070 --> 01:11:47,909

youth that is on the seesaw playing and

1504

01:11:54,490 --> 01:11:52,080

having fun it comes in and says you know

1505

01:11:58,100 --> 01:11:54,500

mom will you call my hair there's no

1506

01:12:00,320 --> 01:11:58,110

delay of to deserve you know to be taken

1507

01:12:03,859 --> 01:12:00,330

care of do I deserve to be loved

1508

01:12:05,780 --> 01:12:03,869

have I you know served enough today if I

1509

01:12:09,620 --> 01:12:05,790

didn't become worthy no it's just a

1510

01:12:14,240 --> 01:12:09,630

sense of because I am femininity and

1511

01:12:15,609 --> 01:12:14,250

body because I am Who I am I am value I

1512

01:12:19,209 --> 01:12:15,619

am worth and

1513

01:12:21,700 --> 01:12:19,219

you know I attract love it's not even an

1514

01:12:26,290 --> 01:12:21,710

affirmation it's just an acknowledgement

1515

01:12:31,419 --> 01:12:26,300

of reality so going back to that 7 year

1516

01:12:33,399 --> 01:12:31,429

old you that just knows that or you know

1517

01:12:34,899 --> 01:12:33,409

maybe 5 year old you or 15 year old well

1518

01:12:37,709 --> 01:12:34,909

probably not 15 because now you're a

1519

01:12:42,250 --> 01:12:37,719

teenager and then you know everything

1520

01:12:44,950 --> 01:12:42,260

yeah it's usually by then the world that

1521

01:12:47,200 --> 01:12:44,960

started crushing us under sort like but

1522

01:12:49,720 --> 01:12:47,210

right back to that sense of just by

1523

01:12:52,479 --> 01:12:49,730

virtue of you hope of being an

1524

01:12:56,709 --> 01:12:52,489

embodiment of nature you know you can

1525

01:13:00,490 --> 01:12:56,719

create life that is valuable and that's

1526

01:13:03,370 --> 01:13:00,500

why you know from beer to sports if you

1527

01:13:06,790 --> 01:13:03,380

want to sell something you put you know

1528

01:13:12,640 --> 01:13:06,800

you put beautiful women to sell it or

1529

01:13:15,070 --> 01:13:12,650

sometimes babies or but it's not just a

1530

01:13:17,740 --> 01:13:15,080

feminine principle itself is the value

1531

01:13:22,120 --> 01:13:17,750

and she Marilyn Monroe owned it at least

1532

01:13:23,890 --> 01:13:22,130

on screen and that's one of the tips and

1533

01:13:26,080 --> 01:13:23,900

to create that value to get in touch

1534

01:13:28,260 --> 01:13:26,090

with it I give 7 tips on that YouTube

1535

01:13:32,109 --> 01:13:28,270

video one of them is just to create

1536

01:13:36,700 --> 01:13:32,119

sacred space in your life meaning for an

1537

01:13:39,580 --> 01:13:36,710

hour a day carve that hour out and give

1538

01:13:42,729 --> 01:13:39,590

yourself go into the bath and have a

1539

01:13:44,879 --> 01:13:42,739

nice relaxing soak in that sends a

1540

01:13:49,410 --> 01:13:44,889

signal to the world that says hey I'm

1541

01:13:52,419 --> 01:13:49,420

valuable I'm worth it if you need me you

1542

01:13:55,990 --> 01:13:52,429

can get back to me later turn off the

1543

01:13:59,290 --> 01:13:56,000

phone right and then your husband your

1544

01:14:01,720 --> 01:13:59,300

kids your boss whoever it is it suddenly

1545

01:14:03,640 --> 01:14:01,730

begins to go oh alright that's her

1546

01:14:06,100 --> 01:14:03,650

private time and they begin to honor

1547

01:14:07,750 --> 01:14:06,110

that in you right they give you but you

1548

01:14:09,250 --> 01:14:07,760

have to ask you have to claim it the

1549

01:14:12,520 --> 01:14:09,260

world is not going to give it to you

1550

01:14:16,000 --> 01:14:12,530

unless you claim it and that's a very

1551

01:14:17,800 --> 01:14:16,010

powerful step for them yes the world is

1552

01:14:20,620 --> 01:14:17,810

not going to give it to you unless you

1553

01:14:22,600 --> 01:14:20,630

claim it very important for people to

1554

01:14:25,510 --> 01:14:22,610

understand and especially in this whole

1555

01:14:27,939 --> 01:14:25,520

broadcast tonight which is about Lockton

1556

01:14:29,320 --> 01:14:27,949

and changing your lock if you want

1557

01:14:33,670 --> 01:14:29,330

things to be better for

1558

01:14:35,140 --> 01:14:33,680

yourself so yeah you have to claim it in

1559

01:14:37,900 --> 01:14:35,150

it it's like the guy with the lottery

1560

01:14:39,970 --> 01:14:37,910

it's it's not that he was hoping wishing

1561

01:14:41,920 --> 01:14:39,980

maybe he could win it was like no I have

1562

01:14:43,990 --> 01:14:41,930

to play this is something I have to do I

1563

01:14:47,890 --> 01:14:44,000

know this isn't like what I have to do

1564

01:14:52,660 --> 01:14:47,900

and when you live your life with that

1565

01:14:54,460 --> 01:14:52,670

standpoint you can't help but succeed so

1566

01:14:56,710 --> 01:14:54,470

claiming your worth is one of them and

1567

01:14:59,890 --> 01:14:56,720

carving out space in your day also

1568

01:15:02,760 --> 01:14:59,900

carving out space in your home so if

1569

01:15:05,260 --> 01:15:02,770

your home is extremely cluttered that

1570

01:15:09,460 --> 01:15:05,270

creates clutter in your mind and

1571

01:15:11,290 --> 01:15:09,470

ultimately in your aura so there are a

1572

01:15:14,170 --> 01:15:11,300

lot of gurus and best-selling books out

1573

01:15:15,100 --> 01:15:14,180

there now making know if you want to

1574

01:15:20,160 --> 01:15:15,110

make if you want to win the lottery

1575

01:15:25,870 --> 01:15:20,170

write a book about clutter these days I

1576

01:15:27,250 --> 01:15:25,880

represent that yeah right and they're

1577

01:15:29,560 --> 01:15:27,260

right and they should be making that

1578

01:15:32,350 --> 01:15:29,570

money because it's a simple concept when

1579

01:15:35,050 --> 01:15:32,360

you clear the clutter from your home you

1580

01:15:37,690 --> 01:15:35,060

you give yourself space especially the

1581

01:15:40,390 --> 01:15:37,700

center of the home so the Vedic

1582

01:15:43,720 --> 01:15:40,400

tradition has something called vastu and

1583

01:15:46,560 --> 01:15:43,730

vastu is like Fung Shui it's how to take

1584

01:15:49,390 --> 01:15:46,570

care of the temple that is your home

1585

01:15:52,090 --> 01:15:49,400

because our bodies are the temples of

1586

01:15:55,060 --> 01:15:52,100

our souls but our homes are the temples

1587

01:16:00,160 --> 01:15:55,070

of our bodies where our bodies live and

1588

01:16:03,610 --> 01:16:00,170

sleep so we may listen it again in a

1589

01:16:06,160 --> 01:16:03,620

sacred manner and like you said claim

1590

01:16:07,900 --> 01:16:06,170

that space and get rid of the clutter

1591

01:16:11,080 --> 01:16:07,910

because that helps a lot so

1592

01:16:12,910 --> 01:16:11,090

unfortunately Simon we're at the end of

1593

01:16:13,930 --> 01:16:12,920

the show there's just been so much fun

1594

01:16:16,120 --> 01:16:13,940

having you here

1595

01:16:18,850 --> 01:16:16,130

a real honor for us and we've enjoyed

1596

01:16:21,580 --> 01:16:18,860

every minute of it so we hope our

1597

01:16:24,490 --> 01:16:21,590

audience is now much luckier much more

1598

01:16:27,400 --> 01:16:24,500

prosperous much more in love with their

1599

01:16:30,520 --> 01:16:27,410

lives and their choices because we want

1600

01:16:31,450 --> 01:16:30,530

our audience to have the best so Simon

1601

01:16:33,040 --> 01:16:31,460

we're going to have to have you come

1602

01:16:35,470 --> 01:16:33,050

back there's so much more to talk about

1603

01:16:37,870 --> 01:16:35,480

exactly yes my pleasure

1604

01:16:40,090 --> 01:16:37,880

let's take 30 days test out the Jupiter

1605

01:16:43,190 --> 01:16:40,100

stuff and if we have some winners will

1606

01:16:46,100 --> 01:16:43,200

you know we can reconvene after that and

1607

01:16:47,000 --> 01:16:46,110

see how it went right yeah we will do it

1608

01:16:49,040 --> 01:16:47,010

we're going to do it

1609

01:16:51,140 --> 01:16:49,050

okay everybody next week we've got

1610

01:16:53,000 --> 01:16:51,150

another great show lined up and I

1611

01:16:55,670 --> 01:16:53,010

believe we are talking about the war of

1612

01:16:59,120 --> 01:16:55,680

the UH nanaki's and how it affects us

1613

01:17:01,330 --> 01:16:59,130

even today but until then I'll stay on

1614

01:17:03,130 --> 01:17:01,340

the blue highway everybody good night
