you it's my good friend jim ledwith he

00:00:33,990 --> 00:00:31,760
is also known as ufo gym and he's got

9
00:00:36,069 --> 00:00:34,000
some extraordinary new stuff to talk to

10
00:00:37,350 --> 00:00:36,079
you guys about especially roswell i

11
00:00:39,350 --> 00:00:37,360
think we're going to talk a little bit

12
00:00:41,510 --> 00:00:39,360
about roswell tonight we're talking

13
00:00:43,030 --> 00:00:41,520

about hollywood and ufos we're just

14

00:00:45,830 --> 00:00:43,040

going to talk about all kinds of things

15

00:00:48,229 --> 00:00:45,840

that jim knows about he's also done some

16

00:00:50,229 --> 00:00:48,239

research into the moon there's all kinds

17

00:00:52,549 --> 00:00:50,239

of things that jim has done and we're

18

00:00:54,709 --> 00:00:52,559

just going to touch upon them all this

19

00:00:56,229 --> 00:00:54,719

evening so i just want to guys get brace

20

00:00:58,869 --> 00:00:56,239

for that one it's going to be a great

21

00:01:01,990 --> 00:00:58,879

show tonight and then you know besides

22

00:01:04,549 --> 00:01:02,000

all that you guys um i want to thank uh

23

00:01:06,710 --> 00:01:04,559

the couple of people last week who

24

00:01:08,789 --> 00:01:06,720

donated some money to help me get to the

25

00:01:11,670 --> 00:01:08,799

mufon symposium

26

00:01:13,910 --> 00:01:11,680

um i really do appreciate it but uh you

27

00:01:16,230 --> 00:01:13,920

guys i'm falling way short and i'm

28

00:01:18,789 --> 00:01:16,240

getting a little concerned because

29

00:01:22,070 --> 00:01:18,799

um what's happened at this point is i

30

00:01:24,630 --> 00:01:22,080

did pay 300 for that table

31

00:01:27,109 --> 00:01:24,640

and uh it's uh

32

00:01:29,270 --> 00:01:27,119

i know people are going why did you even

33

00:01:30,230 --> 00:01:29,280

do that well there's a reason i did it

34

00:01:32,630 --> 00:01:30,240

folks

35

00:01:33,510 --> 00:01:32,640

and it has to do with

36

00:01:33,940 --> 00:01:33,520

my

37

00:01:35,749 --> 00:01:33,950

um

38

00:01:38,310 --> 00:01:35,759

[Music]

39

00:01:42,310 --> 00:01:38,320

non-position in mufon let's just put it

40

00:01:44,550 --> 00:01:42,320

that way um i do very often not very

41

00:01:47,670 --> 00:01:44,560

often but seldom you know every once in

42

00:01:49,350 --> 00:01:47,680

a while i talked to jan harzon and

43

00:01:52,389 --> 00:01:49,360

i'm trying to

44

00:01:55,030 --> 00:01:52,399

i'm just trying my best right now

45

00:01:57,030 --> 00:01:55,040

to keep mufon in good hope good light

46

00:01:59,350 --> 00:01:57,040

and good love because i really think

47

00:02:00,709 --> 00:01:59,360

mufon has been around forever and my

48

00:02:03,830 --> 00:02:00,719

hope for them

49

00:02:05,510 --> 00:02:03,840

through all the debacles and battles and

50

00:02:08,630 --> 00:02:05,520

craziness that has been going on with

51
00:02:11,670 --> 00:02:08,640
mufon in the last six months that i

52
00:02:13,830 --> 00:02:11,680
really do hope they come out of it

53
00:02:15,990 --> 00:02:13,840
at the other side bigger stronger and

54
00:02:18,550 --> 00:02:16,000
better than what they were before and

55
00:02:20,949 --> 00:02:18,560
having said that i have had some

56
00:02:23,589 --> 00:02:20,959
conversations with jan about the fact

57
00:02:26,790 --> 00:02:23,599
that you know i really feel

58
00:02:30,229 --> 00:02:26,800
that we need more female presence

59
00:02:32,229 --> 00:02:30,239
within the mufon hierarchy structure

60
00:02:34,550 --> 00:02:32,239
i think i make a big difference

61
00:02:37,509 --> 00:02:34,560
i don't think the women are quite as

62
00:02:39,750 --> 00:02:37,519
much ego driven as the men sorry to say

63
00:02:41,670 --> 00:02:39,760

guys but i absolutely believe that after

64

00:02:43,030 --> 00:02:41,680

meeting all the people

65

00:02:45,190 --> 00:02:43,040

that um

66

00:02:47,830 --> 00:02:45,200

run the move on board and they're on the

67

00:02:49,750 --> 00:02:47,840

directors there's a few that aren't like

68

00:02:52,550 --> 00:02:49,760

i can tell you right now i can i'm going

69

00:02:54,150 --> 00:02:52,560

to name one guy that i know is truly not

70

00:02:56,710 --> 00:02:54,160

ego driven about the whole thing and

71

00:02:58,790 --> 00:02:56,720

that's dave mcdonald he's absolutely an

72

00:03:00,710 --> 00:02:58,800

amazing guy he's wonderful he is the

73

00:03:03,509 --> 00:03:00,720

person that gave me the green light to

74

00:03:06,070 --> 00:03:03,519

do this show so i'm very happy that i

75

00:03:08,149 --> 00:03:06,080

have uh him at my back and i just think

76

00:03:10,630 --> 00:03:08,159

he's a great guy and he does amazing

77

00:03:13,030 --> 00:03:10,640

research um uh

78

00:03:14,790 --> 00:03:13,040

george filer he's kind of i don't know

79

00:03:16,630 --> 00:03:14,800

how high up in the food chain he is but

80

00:03:18,710 --> 00:03:16,640

he's an amazing guy too i mean there's

81

00:03:20,710 --> 00:03:18,720

some really amazing guys that do the

82

00:03:22,390 --> 00:03:20,720

work and it's not about the ego and i'm

83

00:03:24,149 --> 00:03:22,400

not going to mention the ones i believe

84

00:03:24,949 --> 00:03:24,159

they're ego driven but i can tell you

85

00:03:27,990 --> 00:03:24,959

this

86

00:03:29,430 --> 00:03:28,000

if we replaced those certain guys

87

00:03:31,350 --> 00:03:29,440

there's not many of them but if we

88

00:03:33,750 --> 00:03:31,360

replace those certain guys

89

00:03:36,229 --> 00:03:33,760

we would have with women i i think we

90

00:03:39,830 --> 00:03:36,239

would have a much more balanced mufon

91

00:03:43,190 --> 00:03:39,840

hierarchy structure having said that um

92

00:03:45,589 --> 00:03:43,200

you know jan has been doing his best

93

00:03:48,710 --> 00:03:45,599

to get new state directors throughout

94

00:03:50,470 --> 00:03:48,720

the united states and he has done so by

95

00:03:53,190 --> 00:03:50,480

getting a whole bunch of women to come

96

00:03:56,470 --> 00:03:53,200

forward to to fill those positions so

97

00:03:58,390 --> 00:03:56,480

i'm hoping that by these women being our

98

00:04:00,790 --> 00:03:58,400

state directors that you know things

99

00:04:02,070 --> 00:04:00,800

would get a little a little less um

100

00:04:03,670 --> 00:04:02,080

[Music]

101
00:04:05,750 --> 00:04:03,680
chaotic that's the only way i can

102
00:04:08,390 --> 00:04:05,760
describe it because i think there's a

103
00:04:10,789 --> 00:04:08,400
lot of posturing going on and that's

104
00:04:13,589 --> 00:04:10,799
just my opinion folks hey i don't know

105
00:04:16,229 --> 00:04:13,599
and like i said mufon will survive all

106
00:04:19,030 --> 00:04:16,239
this it it always does

107
00:04:21,749 --> 00:04:19,040
and i think jan harzon truly is probably

108
00:04:22,629 --> 00:04:21,759
the right guy to be leading it through

109
00:04:24,950 --> 00:04:22,639
this

110
00:04:26,790 --> 00:04:24,960
the the problems we're having because

111
00:04:29,110 --> 00:04:26,800
you know he's smart enough to realize

112
00:04:31,990 --> 00:04:29,120
that mufon will survive in the end too

113
00:04:34,390 --> 00:04:32,000

so and i get that you know and so that's

114

00:04:36,070 --> 00:04:34,400

why i am not throwing mufon out like

115

00:04:38,790 --> 00:04:36,080

everybody else i know has pretty much

116

00:04:40,310 --> 00:04:38,800

thrown them away and i get that i i

117

00:04:42,629 --> 00:04:40,320

probably should have made a stance and

118

00:04:45,510 --> 00:04:42,639

thrown them away myself but

119

00:04:48,469 --> 00:04:45,520

the problem i've got is i i truly

120

00:04:50,790 --> 00:04:48,479

believe in the cause of mufon and in

121

00:04:52,790 --> 00:04:50,800

spite of some of you know the burps the

122

00:04:55,510 --> 00:04:52,800

missteps the the

123

00:04:57,830 --> 00:04:55,520

the bigelow scandals the you know i mean

124

00:05:00,230 --> 00:04:57,840

all the stuff that's happened i still

125

00:05:02,390 --> 00:05:00,240

love mufon because they're the last man

126

00:05:04,550 --> 00:05:02,400

standing when it comes to an

127

00:05:07,510 --> 00:05:04,560

organization that truly is trying to do

128

00:05:10,310 --> 00:05:07,520

some good work now uh as many of you

129

00:05:12,390 --> 00:05:10,320

know i'm always the first one to say um

130

00:05:14,550 --> 00:05:12,400

you never know who's behind the curtain

131

00:05:17,189 --> 00:05:14,560

you know it could be an alphabet agency

132

00:05:19,029 --> 00:05:17,199

you never know but hey there is an

133

00:05:21,189 --> 00:05:19,039

alphabet agency behind every

134

00:05:23,830 --> 00:05:21,199

organization that makes it as far as

135

00:05:25,590 --> 00:05:23,840

mufon has made it i mean nycap was i

136

00:05:28,070 --> 00:05:25,600

mean all of them had

137

00:05:30,390 --> 00:05:28,080

their their issues so you know just

138

00:05:31,830 --> 00:05:30,400

remember that folks when you start hey

139

00:05:33,590 --> 00:05:31,840

you never know you don't be part of an

140

00:05:36,710 --> 00:05:33,600

organization that has that going on well

141

00:05:38,230 --> 00:05:36,720

hey who knows and and and who cares you

142

00:05:40,469 --> 00:05:38,240

know that's my opinion all my friends

143

00:05:41,990 --> 00:05:40,479

are like oh what if the cia is getting

144

00:05:43,990 --> 00:05:42,000

all the information what if the

145

00:05:45,909 --> 00:05:44,000

government's getting like who cares

146

00:05:47,670 --> 00:05:45,919

they're getting it anyhow i mean you

147

00:05:49,110 --> 00:05:47,680

guys have you all forgotten we have a

148

00:05:51,110 --> 00:05:49,120

secret space program that they're

149

00:05:53,670 --> 00:05:51,120

running and we have underground bases

150

00:05:55,430 --> 00:05:53,680

where they terrorize poor contactees and

151
00:05:56,310 --> 00:05:55,440
and all this stuff's going on do you

152
00:05:59,189 --> 00:05:56,320
think

153
00:05:59,990 --> 00:05:59,199
that mufon really matters that much to

154
00:06:02,070 --> 00:06:00,000
them

155
00:06:03,189 --> 00:06:02,080
probably not at this point i mean

156
00:06:07,270 --> 00:06:03,199
they're way

157
00:06:09,430 --> 00:06:07,280
beyond what mufon is actually gotten to

158
00:06:11,510 --> 00:06:09,440
so you know i i think it's actually a

159
00:06:13,909 --> 00:06:11,520
little more paranoia going on in the

160
00:06:15,510 --> 00:06:13,919
community about the whole thing so

161
00:06:17,590 --> 00:06:15,520
you know like i said i'm going to stick

162
00:06:20,230 --> 00:06:17,600
it out with mufon we'll see what happens

163
00:06:22,629 --> 00:06:20,240

um and the reason i got my table and

164

00:06:24,550 --> 00:06:22,639

paid for it was because i am going to be

165

00:06:26,070 --> 00:06:24,560

doing a little a little political

166

00:06:28,070 --> 00:06:26,080

posturing

167

00:06:30,870 --> 00:06:28,080

and i think it's it's time that some of

168

00:06:32,870 --> 00:06:30,880

it gets done and you know and hopefully

169

00:06:35,830 --> 00:06:32,880

jan will pat me on the back for it you

170

00:06:38,390 --> 00:06:35,840

know when it's all said and done

171

00:06:40,710 --> 00:06:38,400

i you never know he may want to give me

172

00:06:42,629 --> 00:06:40,720

a swift kick in in the behind but you

173

00:06:44,469 --> 00:06:42,639

know i'll leave it up to him to decide

174

00:06:46,230 --> 00:06:44,479

i'm going to try to what i'm really

175

00:06:48,230 --> 00:06:46,240

going to try to do this time at the

176

00:06:49,670 --> 00:06:48,240

mufon symposium is i'm going to try to

177

00:06:52,629 --> 00:06:49,680

get some women

178

00:06:55,110 --> 00:06:52,639

to get together and propose

179

00:06:56,150 --> 00:06:55,120

some kind of women's organization within

180

00:06:58,309 --> 00:06:56,160

mufon

181

00:06:59,909 --> 00:06:58,319

and i have a couple women picked out to

182

00:07:01,990 --> 00:06:59,919

be the leaders it certainly isn't going

183

00:07:05,110 --> 00:07:02,000

to be me because uh i just don't have

184

00:07:07,029 --> 00:07:05,120

the time but i have a few women that are

185

00:07:08,710 --> 00:07:07,039

already higher up in the food chain at

186

00:07:09,830 --> 00:07:08,720

mufon than i am

187

00:07:11,430 --> 00:07:09,840

and uh

188

00:07:12,950 --> 00:07:11,440

you know they're well respected in the

189

00:07:15,029 --> 00:07:12,960

community and i'm going to approach them

190

00:07:16,710 --> 00:07:15,039

and see if they'll help out and you know

191

00:07:19,430 --> 00:07:16,720

you never know guys we might be able to

192

00:07:21,270 --> 00:07:19,440

get some kind of feminine energy going

193

00:07:22,870 --> 00:07:21,280

on at mufon so i think it'd be really

194

00:07:24,870 --> 00:07:22,880

cool so that's what i'm doing there and

195

00:07:26,550 --> 00:07:24,880

that's why i'm going and that's what

196

00:07:28,150 --> 00:07:26,560

this is all about so i just want to let

197

00:07:29,830 --> 00:07:28,160

you guys know you know i'm really open

198

00:07:32,710 --> 00:07:29,840

i'm very honest about what i do with

199

00:07:34,629 --> 00:07:32,720

mufon and what i don't do is move on and

200

00:07:37,270 --> 00:07:34,639

you know the whole bit i want you guys

201
00:07:38,309 --> 00:07:37,280
all to know exactly i like i said i love

202
00:07:41,189 --> 00:07:38,319
mufon

203
00:07:43,830 --> 00:07:41,199
and i want to see them succeed and i'm

204
00:07:45,270 --> 00:07:43,840
going to try my best to help them out at

205
00:07:48,150 --> 00:07:45,280
the conference this year so that's why

206
00:07:50,790 --> 00:07:48,160
i'm going that's exactly why i paid 300

207
00:07:51,990 --> 00:07:50,800
i don't have to have a table there and

208
00:07:54,950 --> 00:07:52,000
do my thing

209
00:07:58,150 --> 00:07:54,960
so i would like to beseech you if i

210
00:08:01,029 --> 00:07:58,160
could like i said last week if anybody

211
00:08:03,110 --> 00:08:01,039
has a spare 20 25 bucks or anything that

212
00:08:04,390 --> 00:08:03,120
would really help me out

213
00:08:07,749 --> 00:08:04,400

and here's why

214

00:08:10,550 --> 00:08:07,759

i went and spent uh my cat food money

215

00:08:13,350 --> 00:08:10,560

and my food money this month on that

216

00:08:15,270 --> 00:08:13,360

table so um

217

00:08:16,390 --> 00:08:15,280

so if you guys wouldn't mind you know if

218

00:08:18,150 --> 00:08:16,400

i just get

219

00:08:20,309 --> 00:08:18,160

if i get a hundred bucks at least the

220

00:08:21,830 --> 00:08:20,319

cats will be fed and the kitty litter

221

00:08:23,990 --> 00:08:21,840

will be changed

222

00:08:26,230 --> 00:08:24,000

that's all i care about at this point i

223

00:08:28,469 --> 00:08:26,240

don't need to eat i'm like a camel i got

224

00:08:30,710 --> 00:08:28,479

plenty of blubber on me or like a whale

225

00:08:33,269 --> 00:08:30,720

i got blubber and i got the humps like

226

00:08:35,029 --> 00:08:33,279

the camels and i'm i'll be fine i can

227

00:08:37,190 --> 00:08:35,039

survive anything i could probably go a

228

00:08:40,389 --> 00:08:37,200

month without food or water and still be

229

00:08:42,230 --> 00:08:40,399

fine but the cats can't so that that's

230

00:08:44,310 --> 00:08:42,240

important to me so if you want to make a

231

00:08:46,949 --> 00:08:44,320

donation to the kiddie fund for lauren

232

00:08:51,670 --> 00:08:46,959

to get to mufon and and and you know do

233

00:08:54,389 --> 00:08:51,680

her thing you can do it at l o r i e n

234

00:08:56,590 --> 00:08:54,399

l o r i e n

235

00:09:02,630 --> 00:08:56,600

f as in frank

236

00:09:04,150 --> 00:09:02,640

go ahead and throw some money into that

237

00:09:05,590 --> 00:09:04,160

paypal account

238

00:09:07,670 --> 00:09:05,600

and you can do it through friends and

239

00:09:09,750 --> 00:09:07,680

family that way we don't get dinged you

240

00:09:11,990 --> 00:09:09,760

know that's the best way to do it so if

241

00:09:13,990 --> 00:09:12,000

you can do that that'd be wonderful

242

00:09:15,910 --> 00:09:14,000

and i'll ask one more time during the

243

00:09:19,269 --> 00:09:15,920

show and that's it and next week i will

244

00:09:21,190 --> 00:09:19,279

be on a plane heading to las vegas

245

00:09:23,350 --> 00:09:21,200

at the same time my show is happening so

246

00:09:26,150 --> 00:09:23,360

i won't be here with you but uh we'll

247

00:09:27,990 --> 00:09:26,160

play a really great uh you know best of

248

00:09:29,509 --> 00:09:28,000

so i'm sure mj's already thumbing

249

00:09:32,070 --> 00:09:29,519

through the files looking for the best

250

00:09:34,949 --> 00:09:32,080

of show for you guys and then if

251

00:09:38,150 --> 00:09:34,959

everything works out right i will be

252

00:09:40,710 --> 00:09:38,160

city now i i do have what jan harrison

253

00:09:42,870 --> 00:09:40,720

did give me the best table in the house

254

00:09:45,990 --> 00:09:42,880

i want to tell you guys all this this is

255

00:09:48,150 --> 00:09:46,000

the wonderful miracle of mufon um the

256

00:09:49,190 --> 00:09:48,160

vendor room was sold out

257

00:09:52,710 --> 00:09:49,200

and

258

00:09:55,190 --> 00:09:52,720

apparently at the jw marriott

259

00:09:57,030 --> 00:09:55,200

they um are completely sold out they

260

00:09:58,150 --> 00:09:57,040

have several conferences going on at the

261

00:10:00,949 --> 00:09:58,160

same time

262

00:10:03,670 --> 00:10:00,959

and they are obviously charging them for

263

00:10:05,030 --> 00:10:03,680

tables and they are not letting them

264

00:10:07,990 --> 00:10:05,040

it's interesting they're not letting

265

00:10:09,670 --> 00:10:08,000

them have as many tables in the lobby as

266

00:10:11,430 --> 00:10:09,680

they would like to have had they wanted

267

00:10:14,150 --> 00:10:11,440

to spread out their vendor room out to

268

00:10:17,350 --> 00:10:14,160

the lobby area and the hotel would not

269

00:10:19,750 --> 00:10:17,360

let them for fire marshal reasons i

270

00:10:22,150 --> 00:10:19,760

don't know but they did allow them a

271

00:10:24,470 --> 00:10:22,160

registration table and a couple of other

272

00:10:27,190 --> 00:10:24,480

tables that they were going to use for

273

00:10:30,310 --> 00:10:27,200

something else i believe and jan was

274

00:10:31,670 --> 00:10:30,320

kind enough to let me have the table

275

00:10:34,150 --> 00:10:31,680

that will be

276

00:10:36,310 --> 00:10:34,160

opposite the doors of the speaker or

277

00:10:38,069 --> 00:10:36,320

vendor room i'm not sure which

278

00:10:39,509 --> 00:10:38,079

that they were going to put like

279

00:10:41,030 --> 00:10:39,519

marketing on or i don't know what they

280

00:10:43,430 --> 00:10:41,040

were to do with it but anyhow it's my

281

00:10:45,269 --> 00:10:43,440

table now i paid for it i'm the only one

282

00:10:46,949 --> 00:10:45,279

out in the lobby i'll be doing

283

00:10:48,949 --> 00:10:46,959

broadcasting from there and that's what

284

00:10:51,430 --> 00:10:48,959

i want to tell you is i do hope that you

285

00:10:53,509 --> 00:10:51,440

guys are going to be either listening to

286

00:10:55,269 --> 00:10:53,519

me live there or

287

00:10:57,030 --> 00:10:55,279

i'm going to be recording the whole

288

00:10:59,190 --> 00:10:57,040

thing on video and you can watch it

289

00:11:01,190 --> 00:10:59,200

later so don't worry about that it'll

290

00:11:03,269 --> 00:11:01,200

all be up on my website

291

00:11:06,389 --> 00:11:03,279

and here's the other part to this if you

292

00:11:09,110 --> 00:11:06,399

can't make the mufon symposium you have

293

00:11:11,190 --> 00:11:09,120

got to go by the live stream

294

00:11:13,350 --> 00:11:11,200

the live stream will get you first i

295

00:11:14,949 --> 00:11:13,360

think it's it's on the website now it's

296

00:11:18,150 --> 00:11:14,959

79

297

00:11:19,269 --> 00:11:18,160

and that includes a free year of mufon

298

00:11:21,509 --> 00:11:19,279

tv

299

00:11:25,110 --> 00:11:21,519

it which is a new channel they've got

300

00:11:27,829 --> 00:11:25,120

going it includes the membership to move

301

00:11:30,310 --> 00:11:27,839

on and it includes the live stream of

302

00:11:32,630 --> 00:11:30,320

the conference so for 80 bucks you're

303

00:11:35,030 --> 00:11:32,640

getting the whole ball of wax the whole

304

00:11:36,949 --> 00:11:35,040

shebang and trust me folks it's well

305

00:11:38,630 --> 00:11:36,959

worth it because i think the mufon tv

306

00:11:41,269 --> 00:11:38,640

alone is something like

307

00:11:43,590 --> 00:11:41,279

79 a year and i think your membership i

308

00:11:45,269 --> 00:11:43,600

think it's 35 if i remember correctly

309

00:11:46,310 --> 00:11:45,279

because i got to renew mine this month

310

00:11:49,430 --> 00:11:46,320

anyhow

311

00:11:51,350 --> 00:11:49,440

and uh then there is the the live stream

312

00:11:53,829 --> 00:11:51,360

of the event which they were charging

313

00:11:56,870 --> 00:11:53,839

just 79 for so i think you're saving

314

00:11:58,630 --> 00:11:56,880

like a hundred bucks by doing that so i

315

00:12:00,710 --> 00:11:58,640

think it's a great deal

316

00:12:01,990 --> 00:12:00,720

i really really want every all of my

317

00:12:05,030 --> 00:12:02,000

listeners

318

00:12:06,710 --> 00:12:05,040

to really buy that and watch it invite

319

00:12:08,790 --> 00:12:06,720

your friends over have three or four

320

00:12:11,430 --> 00:12:08,800

people over watch it on your big screen

321

00:12:13,750 --> 00:12:11,440

tv you know plug in the hdmi cord to

322

00:12:15,509 --> 00:12:13,760

your computer and get it up on the hd

323

00:12:18,550 --> 00:12:15,519

you know on the big screen

324

00:12:20,790 --> 00:12:18,560

clone your screens and just

325

00:12:22,790 --> 00:12:20,800

watch it i mean it's going to be amazing

326

00:12:24,550 --> 00:12:22,800

you know invite the gang over have you

327

00:12:27,190 --> 00:12:24,560

know all your mufon buddies all your

328

00:12:29,350 --> 00:12:27,200

friends all your ufo buddies your other

329

00:12:30,710 --> 00:12:29,360

contact me friends and if you guys are

330

00:12:32,069 --> 00:12:30,720

going to your meetings like you're

331

00:12:34,550 --> 00:12:32,079

supposed to be

332

00:12:36,470 --> 00:12:34,560

like i've been asking you to all along

333

00:12:38,389 --> 00:12:36,480

and if you're creating groups you move

334

00:12:40,069 --> 00:12:38,399

on groups go to the state director if

335

00:12:42,710 --> 00:12:40,079

the state director isn't going to the

336

00:12:45,350 --> 00:12:42,720

conference oh i know what you guys need

337

00:12:47,590 --> 00:12:45,360

to do okay here's the answer to that you

338

00:12:49,509 --> 00:12:47,600

call the state director and you ask him

339

00:12:52,230 --> 00:12:49,519

if he's gonna buy the live stream and

340

00:12:53,990 --> 00:12:52,240

play it for all you guys okay so there

341

00:12:54,870 --> 00:12:54,000

you go that way you can make him have a

342

00:12:56,790 --> 00:12:54,880

meeting

343

00:12:59,990 --> 00:12:56,800

i'm not sure all the state directors are

344

00:13:02,310 --> 00:13:00,000

going so you know if you guys can't go

345

00:13:04,310 --> 00:13:02,320

the state director can't go get the live

346

00:13:08,629 --> 00:13:04,320

stream sit there and watch it now i'm

347

00:13:09,990 --> 00:13:08,639

telling you guys this mufon symposium is

348

00:13:14,870 --> 00:13:10,000

going to be

349

00:13:17,430 --> 00:13:14,880

uh interesting things going on there so

350

00:13:18,470 --> 00:13:17,440

i do hope you do watch the live stream

351

00:13:20,470 --> 00:13:18,480

because

352

00:13:23,750 --> 00:13:20,480

this whole corey good things you know

353

00:13:26,230 --> 00:13:23,760

going to play out there very seriously

354

00:13:28,790 --> 00:13:26,240

and uh bill tompkins tompkins is going

355

00:13:31,110 --> 00:13:28,800

to be there bob woods going to be there

356

00:13:32,550 --> 00:13:31,120

andy beshago is going to be there alfred

357

00:13:34,550 --> 00:13:32,560

and i don't know if alfred weber's going

358

00:13:37,110 --> 00:13:34,560

to be there no i don't think so andy

359

00:13:40,710 --> 00:13:37,120

bashago michael schratz going to be

360

00:13:43,350 --> 00:13:40,720

there and so is mark mccandlish and i

361

00:13:45,750 --> 00:13:43,360

you know mark and michael that are very

362

00:13:46,790 --> 00:13:45,760

good friends of mine and i seriously

363

00:13:48,629 --> 00:13:46,800

doubt

364

00:13:50,949 --> 00:13:48,639

that they're going along the same lines

365

00:13:54,710 --> 00:13:50,959

as the corey good stuff now i can tell

366

00:13:56,389 --> 00:13:54,720

you this i do know that they as myself

367

00:13:57,990 --> 00:13:56,399

absolutely believe that he's got

368

00:13:59,750 --> 00:13:58,000

something going on

369

00:14:01,110 --> 00:13:59,760

and uh you know i i don't know if i said

370

00:14:03,509 --> 00:14:01,120

it on this show but i'm going to say it

371

00:14:05,829 --> 00:14:03,519

one more time folks i'm not bashing

372

00:14:07,590 --> 00:14:05,839

corey good okay i'm tired of everybody

373

00:14:09,990 --> 00:14:07,600

emailing me telling me

374

00:14:12,150 --> 00:14:10,000

that they are tired of me bashing him i

375

00:14:14,150 --> 00:14:12,160

am not bashing him i think he is a

376

00:14:17,350 --> 00:14:14,160

contact bee of some sort

377

00:14:20,710 --> 00:14:17,360

um at worst he is a mind controlled

378

00:14:22,710 --> 00:14:20,720

contactee that's been set up to

379

00:14:24,629 --> 00:14:22,720

make us all look like fools with his

380

00:14:29,350 --> 00:14:24,639

dolls and his comic books

381

00:14:31,189 --> 00:14:29,360

and at best he's he you know he's

382

00:14:32,790 --> 00:14:31,199

well let's put it that way at best he's

383

00:14:34,710 --> 00:14:32,800

the guy who makes the comic books and

384

00:14:37,350 --> 00:14:34,720

the dolls and does all the tv shows and

385

00:14:40,150 --> 00:14:37,360

all that stuff at worst he's a con man

386

00:14:42,150 --> 00:14:40,160

who got into this for the money

387

00:14:43,750 --> 00:14:42,160

so you know we we're there's two sides

388

00:14:46,069 --> 00:14:43,760

to this and

389

00:14:49,030 --> 00:14:46,079

i'm i'm vying on the side that he's a

390

00:14:50,790 --> 00:14:49,040

mind control victim just like a lot of a

391

00:14:52,629 --> 00:14:50,800

lot of people are that are in this and

392

00:14:54,069 --> 00:14:52,639

if the if he isn't mind controlled he is

393

00:14:56,949 --> 00:14:54,079

a contact d

394

00:14:58,710 --> 00:14:56,959

but his contact has been so convoluted

395

00:15:00,629 --> 00:14:58,720

by the dark forces that are probably

396

00:15:02,790 --> 00:15:00,639

kidnapping him and taking an underground

397

00:15:05,110 --> 00:15:02,800

bases like they've done to melinda and

398

00:15:08,069 --> 00:15:05,120

misha and all my friends that have got

399

00:15:10,310 --> 00:15:08,079

these uh you know my lab stuff going on

400

00:15:12,870 --> 00:15:10,320

you know people don't realize this is

401
00:15:15,670 --> 00:15:12,880
very important to understand folks

402
00:15:17,590 --> 00:15:15,680
many many abductees i'm not talking

403
00:15:19,829 --> 00:15:17,600
about the contact these because i'm not

404
00:15:22,150 --> 00:15:19,839
sure that the contactees the people who

405
00:15:25,590 --> 00:15:22,160
talk to the the good looking plajarons

406
00:15:28,150 --> 00:15:25,600
and palladians and all that i don't hear

407
00:15:30,790 --> 00:15:28,160
them having the my labs contact that the

408
00:15:34,150 --> 00:15:30,800
people do that have the gray contact the

409
00:15:38,069 --> 00:15:34,160
grays and the reptilians they seem to be

410
00:15:40,470 --> 00:15:38,079
the main target of the mylabs

411
00:15:43,350 --> 00:15:40,480
and it seems to be people who have

412
00:15:45,430 --> 00:15:43,360
lifelong contact and they remember it it

413
00:15:46,550 --> 00:15:45,440

doesn't seem to be the ones who don't

414

00:15:50,150 --> 00:15:46,560

remember

415

00:15:52,150 --> 00:15:50,160

or have a few memories here and there

416

00:15:54,470 --> 00:15:52,160

but i'm telling you folks the more and

417

00:15:57,030 --> 00:15:54,480

more i dig into this the more and more

418

00:15:59,030 --> 00:15:57,040

people that are admitting to me

419

00:16:00,870 --> 00:15:59,040

you know i go to these meetings and they

420

00:16:03,670 --> 00:16:00,880

say yeah i've never told anybody this

421

00:16:05,749 --> 00:16:03,680

but besides being a contactee i've had

422

00:16:08,150 --> 00:16:05,759

bruises i've woken up with guys in the

423

00:16:10,470 --> 00:16:08,160

room i've been taking places i can't

424

00:16:13,030 --> 00:16:10,480

remember too much um

425

00:16:16,230 --> 00:16:13,040

yeah he interrogated

426

00:16:17,350 --> 00:16:16,240

um a lot of really bizarre stuff and i'm

427

00:16:20,470 --> 00:16:17,360

thinking

428

00:16:22,710 --> 00:16:20,480

why is this and i just you know

429

00:16:24,150 --> 00:16:22,720

i'm i'm really get the point where i've

430

00:16:26,150 --> 00:16:24,160

decided that

431

00:16:28,550 --> 00:16:26,160

the reptilians the grays and that whole

432

00:16:30,550 --> 00:16:28,560

faction is obviously working with our

433

00:16:32,870 --> 00:16:30,560

government in a much deeper way than

434

00:16:35,189 --> 00:16:32,880

we've ever thought possible for them to

435

00:16:38,230 --> 00:16:35,199

be you know abducting people

436

00:16:40,550 --> 00:16:38,240

and taking them in bands to meet

437

00:16:42,949 --> 00:16:40,560

the grays and the reptilians to torture

438

00:16:45,189 --> 00:16:42,959

them to interrogate them to do weird

439

00:16:47,590 --> 00:16:45,199

things that i'm i'm like oh my god it's

440

00:16:49,189 --> 00:16:47,600

so insane and it's not even on a ship

441

00:16:50,949 --> 00:16:49,199

it's usually in an underground base

442

00:16:53,189 --> 00:16:50,959

somewhere or or

443

00:16:54,710 --> 00:16:53,199

check this out or an office building

444

00:16:56,710 --> 00:16:54,720

that's even the weirder one that's

445

00:16:58,550 --> 00:16:56,720

coming my way these days so

446

00:17:00,790 --> 00:16:58,560

anyhow a lot of strange stuff going on

447

00:17:02,790 --> 00:17:00,800

with it and anyhow i digress but the

448

00:17:05,029 --> 00:17:02,800

bottom line to this corey good could be

449

00:17:07,669 --> 00:17:05,039

one of those people he could be severely

450

00:17:10,390 --> 00:17:07,679

compromised and we don't know he doesn't

451
00:17:12,549 --> 00:17:10,400
know we you know who knows

452
00:17:15,669 --> 00:17:12,559
you know it's it it's

453
00:17:18,150 --> 00:17:15,679
whatever it is i'm not bashing him i i

454
00:17:20,069 --> 00:17:18,160
really like the guy actually i wish he'd

455
00:17:20,949 --> 00:17:20,079
come on my show and talk about this

456
00:17:22,870 --> 00:17:20,959
stuff

457
00:17:26,150 --> 00:17:22,880
and you know try to

458
00:17:27,990 --> 00:17:26,160
maybe explore in his own mind what the

459
00:17:28,789 --> 00:17:28,000
possibilities are that has happened to

460
00:17:31,270 --> 00:17:28,799
him

461
00:17:33,110 --> 00:17:31,280
because even al bilik even all the guys

462
00:17:34,870 --> 00:17:33,120
that were supposedly involved with the

463
00:17:36,870 --> 00:17:34,880

montauk project in the philadelphia

464

00:17:38,789 --> 00:17:36,880

experiment have backtracked on

465

00:17:40,870 --> 00:17:38,799

everything they did because now they're

466

00:17:41,669 --> 00:17:40,880

starting to now the people that are left

467

00:17:45,190 --> 00:17:41,679

over

468

00:17:46,710 --> 00:17:45,200

the years have really started to wonder

469

00:17:48,230 --> 00:17:46,720

if they weren't programmed into saying

470

00:17:50,710 --> 00:17:48,240

what they were saying

471

00:17:52,789 --> 00:17:50,720

and i'm starting to wonder about a lot

472

00:17:55,029 --> 00:17:52,799

of people out there so you know there

473

00:17:56,390 --> 00:17:55,039

you go folks that's still my stance i

474

00:17:58,310 --> 00:17:56,400

still think

475

00:18:00,230 --> 00:17:58,320

uh some of the stuff that corey good's

476

00:18:03,350 --> 00:18:00,240

been bringing up is just a little out

477

00:18:04,230 --> 00:18:03,360

there and then some of it is just you

478

00:18:05,430 --> 00:18:04,240

know

479

00:18:07,590 --> 00:18:05,440

basic

480

00:18:09,990 --> 00:18:07,600

i'm a contactee stuff

481

00:18:11,750 --> 00:18:10,000

and i found out the other day a friend

482

00:18:13,750 --> 00:18:11,760

of mine called and said did you know

483

00:18:16,549 --> 00:18:13,760

that william henry had talked about the

484

00:18:18,390 --> 00:18:16,559

blue avians long before corey good did

485

00:18:21,669 --> 00:18:18,400

and that kind of cinched it for me then

486

00:18:23,590 --> 00:18:21,679

i felt kind of like oh god you know i

487

00:18:25,590 --> 00:18:23,600

didn't know that and and then i was

488

00:18:27,669 --> 00:18:25,600

really bothered because i thought that

489

00:18:29,190 --> 00:18:27,679

the blue avians were kind of his thing

490

00:18:30,789 --> 00:18:29,200

that he was the person who brought them

491

00:18:33,190 --> 00:18:30,799

to the forefront

492

00:18:35,590 --> 00:18:33,200

and to find out that william henry

493

00:18:38,070 --> 00:18:35,600

actually did it quite a bit sooner

494

00:18:40,150 --> 00:18:38,080

and then listening to other people talk

495

00:18:42,470 --> 00:18:40,160

about the stories he told about that

496

00:18:44,549 --> 00:18:42,480

were being talked about other people

497

00:18:46,870 --> 00:18:44,559

quite a bit earlier on

498

00:18:48,310 --> 00:18:46,880

that i just uh kind of made my stomach

499

00:18:50,549 --> 00:18:48,320

turn because i'm starting to think oh

500

00:18:53,029 --> 00:18:50,559

god this could be the con man scenario

501
00:18:55,510 --> 00:18:53,039
i'm just very worried about that

502
00:18:57,029 --> 00:18:55,520
so um and i actually know

503
00:19:00,390 --> 00:18:57,039
of another

504
00:19:01,270 --> 00:19:00,400
guy in the community who is a con man

505
00:19:03,110 --> 00:19:01,280
that

506
00:19:04,870 --> 00:19:03,120
i will never talk about and tell you

507
00:19:06,070 --> 00:19:04,880
guys anything about it but i can tell

508
00:19:06,950 --> 00:19:06,080
you this

509
00:19:10,630 --> 00:19:06,960
um

510
00:19:12,549 --> 00:19:10,640
i was thinking about back in 2012

511
00:19:15,909 --> 00:19:12,559
to have this guy speak at a conference

512
00:19:17,270 --> 00:19:15,919
of mine and i was met at another

513
00:19:20,870 --> 00:19:17,280

conference

514

00:19:23,029 --> 00:19:20,880

by his ex-girlfriend she actually drove

515

00:19:25,350 --> 00:19:23,039

three states to find me because she had

516

00:19:27,270 --> 00:19:25,360

heard through the grapevine that i was

517

00:19:28,630 --> 00:19:27,280

thinking about having this guy speak at

518

00:19:31,110 --> 00:19:28,640

my conference

519

00:19:34,150 --> 00:19:31,120

so the poor girl gets in her car drives

520

00:19:35,830 --> 00:19:34,160

three states away and finds me she heard

521

00:19:38,070 --> 00:19:35,840

i was going to be at this conference she

522

00:19:39,909 --> 00:19:38,080

finds me at the conference she she

523

00:19:41,590 --> 00:19:39,919

tracks me down she's are you laurie and

524

00:19:43,909 --> 00:19:41,600

fent and i said yes i am she goes i've

525

00:19:46,789 --> 00:19:43,919

got to talk to you and so we sat and

526
00:19:48,710 --> 00:19:46,799
we'd become good friends since then but

527
00:19:51,270 --> 00:19:48,720
she told me all the things that about

528
00:19:53,510 --> 00:19:51,280
this guy and then i said okay i gotta

529
00:19:55,909 --> 00:19:53,520
look into it you know i i believe you

530
00:19:57,590 --> 00:19:55,919
but i need to find out for myself so i

531
00:20:00,070 --> 00:19:57,600
got a hold of my buddy

532
00:20:02,150 --> 00:20:00,080
who is a um

533
00:20:03,909 --> 00:20:02,160
private investigator and i said i need

534
00:20:04,950 --> 00:20:03,919
you to track this stuff down for me and

535
00:20:06,710 --> 00:20:04,960
he did

536
00:20:08,789 --> 00:20:06,720
and it turns out she was absolutely

537
00:20:11,430 --> 00:20:08,799
right about the the physical you know

538
00:20:13,190 --> 00:20:11,440

the tangible stuff all the stuff i could

539

00:20:14,870 --> 00:20:13,200

she could corrupt you know i could get

540

00:20:16,230 --> 00:20:14,880

corroborated by her her story

541

00:20:17,909 --> 00:20:16,240

corroborated

542

00:20:20,549 --> 00:20:17,919

and um

543

00:20:22,470 --> 00:20:20,559

by the time it was all over i listened

544

00:20:25,029 --> 00:20:22,480

to a whole bunch of his presentations

545

00:20:26,470 --> 00:20:25,039

and realized he had pulled them from a

546

00:20:29,909 --> 00:20:26,480

whole bunch of other people from the

547

00:20:31,830 --> 00:20:29,919

past so um yeah so anyhow i've already

548

00:20:34,630 --> 00:20:31,840

caught one person and like i said i'll

549

00:20:36,630 --> 00:20:34,640

never tell you guys who it is and

550

00:20:38,470 --> 00:20:36,640

there you go so um

551

00:20:41,350 --> 00:20:38,480

yeah i just don't want to get into these

552

00:20:43,270 --> 00:20:41,360

battles i i really don't and a lot of

553

00:20:44,549 --> 00:20:43,280

people come up to me at my conferences

554

00:20:45,990 --> 00:20:44,559

and say why don't you have so-and-so why

555

00:20:48,630 --> 00:20:46,000

don't you have so-and-so

556

00:20:50,310 --> 00:20:48,640

and i i don't want to burst everybody's

557

00:20:53,029 --> 00:20:50,320

bubbles all the time because i don't

558

00:20:54,950 --> 00:20:53,039

know about 90 of these people that they

559

00:20:57,830 --> 00:20:54,960

you know i've only investigated two or

560

00:20:59,909 --> 00:20:57,840

three of them and no but then the people

561

00:21:01,270 --> 00:20:59,919

that i just i just don't resonate with i

562

00:21:02,549 --> 00:21:01,280

just feel like there could be something

563

00:21:04,470 --> 00:21:02,559

really wrong with their story i'm not

564

00:21:07,110 --> 00:21:04,480

going to happen my conference i don't

565

00:21:09,350 --> 00:21:07,120

think it's it's worth my time to

566

00:21:12,070 --> 00:21:09,360

to have a big name just because he's a

567

00:21:13,029 --> 00:21:12,080

big name or she's a big name or whatever

568

00:21:15,029 --> 00:21:13,039

and

569

00:21:17,190 --> 00:21:15,039

i just don't feel it's worth my time i

570

00:21:19,190 --> 00:21:17,200

feel i want in it people with integrity

571

00:21:20,710 --> 00:21:19,200

and people who have an interesting story

572

00:21:22,470 --> 00:21:20,720

to tell and

573

00:21:24,549 --> 00:21:22,480

people that have never been heard before

574

00:21:26,950 --> 00:21:24,559

i think that's so much more important i

575

00:21:28,630 --> 00:21:26,960

think you guys need to hear new people

576

00:21:30,549 --> 00:21:28,640

aren't you tired of all the same old

577

00:21:32,789 --> 00:21:30,559

people over and over again i sure as

578

00:21:34,310 --> 00:21:32,799

heck i am i can't even believe it oh i

579

00:21:36,549 --> 00:21:34,320

get i'm gonna say one more thing then

580

00:21:38,549 --> 00:21:36,559

we're gonna take a break and get to our

581

00:21:39,990 --> 00:21:38,559

guest this evening i kept him on for a

582

00:21:41,270 --> 00:21:40,000

half an hour without saying anything i

583

00:21:44,870 --> 00:21:41,280

feel so bad

584

00:21:46,950 --> 00:21:44,880

um i just i just want to say you know i

585

00:21:48,870 --> 00:21:46,960

am done with all of these people that

586

00:21:50,950 --> 00:21:48,880

are at the same con the same people the

587

00:21:52,870 --> 00:21:50,960

same conferences over and over and over

588

00:21:54,070 --> 00:21:52,880

and over again i don't know about you

589

00:21:56,630 --> 00:21:54,080

guys but

590

00:21:58,070 --> 00:21:56,640

if you guys could do me a big favor

591

00:22:01,830 --> 00:21:58,080

i know all of you out there that listen

592

00:22:02,789 --> 00:22:01,840

to me know a contactee are a contactee

593

00:22:05,029 --> 00:22:02,799

um

594

00:22:05,990 --> 00:22:05,039

and if you know anybody out on the west

595

00:22:07,990 --> 00:22:06,000

coast

596

00:22:09,909 --> 00:22:08,000

that wants to tell their story at a

597

00:22:11,270 --> 00:22:09,919

conference maybe they're you know maybe

598

00:22:12,950 --> 00:22:11,280

they're really good at it maybe you

599

00:22:15,110 --> 00:22:12,960

think they'd be terrible at it you

600

00:22:17,029 --> 00:22:15,120

wouldn't suggest it i don't know but if

601
00:22:18,710 --> 00:22:17,039
they could just make a powerpoint and

602
00:22:20,710 --> 00:22:18,720
get up in front of people i don't care

603
00:22:23,669 --> 00:22:20,720
how scared they are because

604
00:22:25,750 --> 00:22:23,679
what i have found out is that the more

605
00:22:27,830 --> 00:22:25,760
scared they are the most amazing

606
00:22:30,390 --> 00:22:27,840
presentations come from that because

607
00:22:32,870 --> 00:22:30,400
what happens is they get up on stage

608
00:22:34,630 --> 00:22:32,880
they're petrified and then they start

609
00:22:35,669 --> 00:22:34,640
telling their story

610
00:22:37,669 --> 00:22:35,679
and

611
00:22:38,830 --> 00:22:37,679
it all the fear goes away for them

612
00:22:42,070 --> 00:22:38,840
because they are

613
00:22:44,070 --> 00:22:42,080

magically protected by the good part of

614

00:22:45,029 --> 00:22:44,080

everything that's happened to them

615

00:22:55,270 --> 00:22:45,039

and

616

00:22:57,190 --> 00:22:55,280

super important i i like i said i i

617

00:22:59,750 --> 00:22:57,200

don't want any contrived stuff anymore

618

00:23:01,590 --> 00:22:59,760

i'm done with it so if you guys know of

619

00:23:04,230 --> 00:23:01,600

anybody out there who really wants to

620

00:23:07,110 --> 00:23:04,240

get their story out um i'd be happy to

621

00:23:09,029 --> 00:23:07,120

vet them you know and and uh help them

622

00:23:11,029 --> 00:23:09,039

if they're if their story's really super

623

00:23:13,029 --> 00:23:11,039

compelling you know it's like

624

00:23:15,029 --> 00:23:13,039

super crazy stuff i i don't mean just

625

00:23:17,750 --> 00:23:15,039

lights in the sky or i was taken by the

626

00:23:19,190 --> 00:23:17,760

et's now i have baby aliens i mean i'm

627

00:23:21,470 --> 00:23:19,200

sorry but that's been done a million

628

00:23:24,630 --> 00:23:21,480

times i want some really new stuff some

629

00:23:26,710 --> 00:23:24,640

extraordinary stuff that you know i mean

630

00:23:28,390 --> 00:23:26,720

isn't that funny i'm sitting here saying

631

00:23:29,990 --> 00:23:28,400

oh i don't care about all the people who

632

00:23:31,750 --> 00:23:30,000

have kids with aliens anymore and all

633

00:23:34,149 --> 00:23:31,760

that so i i want you know i want

634

00:23:35,590 --> 00:23:34,159

something new and tangible and and

635

00:23:36,950 --> 00:23:35,600

something that's actually going to be

636

00:23:39,590 --> 00:23:36,960

kind of like

637

00:23:40,710 --> 00:23:39,600

uh mind shattering in the community i

638

00:23:41,750 --> 00:23:40,720

don't know where we're going to find

639

00:23:44,390 --> 00:23:41,760

that you know i don't know if we're

640

00:23:46,549 --> 00:23:44,400

going to get any real answers anymore

641

00:23:48,390 --> 00:23:46,559

but uh it sure would be nice to find

642

00:23:50,310 --> 00:23:48,400

somebody who's getting those answers

643

00:23:53,430 --> 00:23:50,320

from the plajarons the palladians you

644

00:23:55,270 --> 00:23:53,440

know or or whatever and see if there's

645

00:23:58,390 --> 00:23:55,280

something that's changed since the billy

646

00:24:01,029 --> 00:23:58,400

meyer stories or the dan sherman stories

647

00:24:02,870 --> 00:24:01,039

or the you know whitley strieber stories

648

00:24:04,870 --> 00:24:02,880

or the um

649

00:24:06,470 --> 00:24:04,880

stan roman act stories or you know

650

00:24:08,549 --> 00:24:06,480

whatever they're telling us is going to

651
00:24:11,110 --> 00:24:08,559
happen on the planet i'd like to hear

652
00:24:12,630 --> 00:24:11,120
the latest news

653
00:24:14,549 --> 00:24:12,640
wouldn't that be cool

654
00:24:16,470 --> 00:24:14,559
so anyhow so that's what i'd like so if

655
00:24:19,029 --> 00:24:16,480
you guys have someone like that if you

656
00:24:20,630 --> 00:24:19,039
are that person get a hold of me get a

657
00:24:23,190 --> 00:24:20,640
hold of me through the network go to my

658
00:24:26,630 --> 00:24:23,200
website lorien fenton.com

659
00:24:30,470 --> 00:24:29,110
dot-com and just send me a message and

660
00:24:32,710 --> 00:24:30,480
say hey i'd like to speak at your

661
00:24:34,310 --> 00:24:32,720
conference and this is my story and you

662
00:24:35,830 --> 00:24:34,320
know and we'll check it out you never

663
00:24:37,830 --> 00:24:35,840

know you know

664

00:24:38,950 --> 00:24:37,840

um it would be lovely to have some of

665

00:24:41,990 --> 00:24:38,960

you up there

666

00:24:43,990 --> 00:24:42,000

so um anyhow okay i'm done with that for

667

00:24:47,430 --> 00:24:44,000

the night so you guys remember

668

00:24:50,789 --> 00:24:47,440

mufon symposium coming up next week

669

00:24:53,390 --> 00:24:50,799

20th of uh july through the 23rd

670

00:24:55,269 --> 00:24:53,400

and get the live stream go to

671

00:24:58,789 --> 00:24:55,279

mufonsymposium.com to get it you can

672

00:25:00,950 --> 00:24:58,799

also go to mufon.com and find it there

673

00:25:02,950 --> 00:25:00,960

yeah you can do whatever you need to do

674

00:25:05,269 --> 00:25:02,960

but just make sure that you're part of

675

00:25:07,510 --> 00:25:05,279

this because it's going to be truly an

676

00:25:10,310 --> 00:25:07,520

extraordinary event so just you know

677

00:25:13,350 --> 00:25:10,320

figure out how to be be present

678

00:25:15,750 --> 00:25:13,360

electronically or physically

679

00:25:18,070 --> 00:25:15,760

there you go and i will be broadcasting

680

00:25:22,070 --> 00:25:18,080

through irn and possibly a couple other

681

00:25:23,750 --> 00:25:22,080

networks uh on friday and saturday and

682

00:25:25,669 --> 00:25:23,760

it'll be in the afternoon so i'll just

683

00:25:27,190 --> 00:25:25,679

let you guys know about that as it's

684

00:25:30,549 --> 00:25:27,200

occurring i guess

685

00:25:32,070 --> 00:25:30,559

okay well i gotta talk to uh jim now oh

686

00:25:34,710 --> 00:25:32,080

you know what

687

00:25:36,950 --> 00:25:34,720

i did not i haven't been in chat yet oh

688

00:25:40,070 --> 00:25:36,960

my god i'm so bad a gym are you still

689

00:25:42,230 --> 00:25:40,080

with me still hanging in i'm sorry i

690

00:25:44,070 --> 00:25:42,240

usually do about 15 or 20 minutes of

691

00:25:45,190 --> 00:25:44,080

ranting but today i had to go a little

692

00:25:47,990 --> 00:25:45,200

longer

693

00:25:53,269 --> 00:25:49,909

i'm drinking my coffee and i'm getting

694

00:25:54,549 --> 00:25:53,279

ready to uh figure out

695

00:25:56,470 --> 00:25:54,559

what exactly i'm going to do about this

696

00:25:59,029 --> 00:25:56,480

whole mufon situation you know what

697

00:26:01,110 --> 00:25:59,039

let's take our break and uh when we come

698

00:26:03,590 --> 00:26:01,120

back i just i'm gonna ask you a couple

699

00:26:05,669 --> 00:26:03,600

questions and uh i don't i'm not putting

700

00:26:07,269 --> 00:26:05,679

you on the hot seat but you can ask

701

00:26:08,830 --> 00:26:07,279

honestly how's that

702

00:26:11,110 --> 00:26:08,840

answer

703

00:26:13,909 --> 00:26:11,120

honestly about what you feel about

704

00:26:16,870 --> 00:26:13,919

bouffant how's that okay

705

00:26:19,029 --> 00:26:16,880

oh dear i think i'm being bad if i put

706

00:26:20,950 --> 00:26:19,039

you on the spot already

707

00:26:23,669 --> 00:26:20,960

714

00:26:40,149 --> 00:26:37,039

you're gonna get

715

00:26:41,909 --> 00:26:40,159

in spades oh my god okay this is gonna

716

00:26:43,990 --> 00:26:41,919

welcome back everyone to the california

728

00:27:14,310 --> 00:27:11,039

mufon radio show i'm your host lorian

729

00:27:16,789 --> 00:27:14,320

fenton and uh yeah i don't know where to

730

00:27:20,070 --> 00:27:16,799

start jim ludwig is with us tonight my

731

00:27:23,669 --> 00:27:20,080

bit my one of my best ufo buddies ufo

732

00:27:26,230 --> 00:27:23,679

jim led with he has uh he teaches at the

733

00:27:29,269 --> 00:27:26,240

sonoma community center every year in

734

00:27:31,590 --> 00:27:29,279

october all about ufos and he's covered

735

00:27:33,510 --> 00:27:31,600

the moon he's covered hollywood and ufos

736

00:27:36,630 --> 00:27:33,520

he's covered

737

00:27:39,190 --> 00:27:36,640

oh my god roswell i'm just what else

738

00:27:41,190 --> 00:27:39,200

have you covered jim

739

00:27:42,390 --> 00:27:41,200

um abduction

740

00:27:43,830 --> 00:27:42,400

oh yeah

741

00:27:44,950 --> 00:27:43,840

john abduction

742

00:27:46,630 --> 00:27:44,960

um

743

00:27:49,430 --> 00:27:46,640

just everything i mean i'm more of a

744

00:27:50,549 --> 00:27:49,440

generalist ufologist than have a

745

00:27:53,830 --> 00:27:50,559

specific

746

00:27:56,470 --> 00:27:53,840

uh category a subject matter that i kind

747

00:27:59,430 --> 00:27:56,480

of you know delve in i'm you know i just

748

00:28:01,430 --> 00:27:59,440

don't want to do one thing

749

00:28:04,149 --> 00:28:01,440

i don't blame you and i also wanted to

750

00:28:06,710 --> 00:28:04,159

say you do something that nobody else

751
00:28:08,310 --> 00:28:06,720
does and you are so good at it and you

752
00:28:10,870 --> 00:28:08,320
really should be doing it all over the

753
00:28:14,389 --> 00:28:10,880
united states and that is that jim

754
00:28:17,110 --> 00:28:14,399
curates ufo film festivals and he

755
00:28:20,149 --> 00:28:17,120
creates them he created one at my

756
00:28:22,230 --> 00:28:20,159
conference ufo con this year that was it

757
00:28:23,750 --> 00:28:22,240
kind of blew our minds didn't it jim on

758
00:28:25,830 --> 00:28:23,760
friday night we

759
00:28:27,430 --> 00:28:25,840
jim picked out all these kind of

760
00:28:30,630 --> 00:28:27,440
old-timer

761
00:28:32,870 --> 00:28:30,640
videos um that were all in black and

762
00:28:34,789 --> 00:28:32,880
white and you know just kind of like you

763
00:28:36,870 --> 00:28:34,799

know i just kind of figured you know

764

00:28:38,470 --> 00:28:36,880

we'd only have a few people in the room

765

00:28:40,230 --> 00:28:38,480

and they wouldn't stay very long and i

766

00:28:42,710 --> 00:28:40,240

kind of thought we'd shut it down early

767

00:28:44,230 --> 00:28:42,720

right jim that's what i thought too i

768

00:28:45,350 --> 00:28:44,240

was looking forward to meeting you all

769

00:28:47,269 --> 00:28:45,360

at the bar

770

00:28:49,430 --> 00:28:47,279

exactly that's what i was thinking i

771

00:28:51,350 --> 00:28:49,440

thought well if it's a bus we'll just go

772

00:28:53,269 --> 00:28:51,360

hang out at the bar together right right

773

00:28:55,029 --> 00:28:53,279

that's right the next thing i know i'm

774

00:28:56,470 --> 00:28:55,039

having a meeting with all the speakers

775

00:28:58,950 --> 00:28:56,480

and we're in the next room and it's

776

00:29:00,549 --> 00:28:58,960

about 9 or ten and then it's it's going

777

00:29:01,909 --> 00:29:00,559

on it's happening there's still people

778

00:29:03,110 --> 00:29:01,919

in there and i'm thinking well that's

779

00:29:05,269 --> 00:29:03,120

kind of cool

780

00:29:07,269 --> 00:29:05,279

there wasn't a ton of people but there's

781

00:29:09,830 --> 00:29:07,279

a lot more people than i thought and

782

00:29:11,430 --> 00:29:09,840

then what we went really late and it was

783

00:29:13,590 --> 00:29:11,440

like one o'clock in the morning and

784

00:29:16,710 --> 00:29:13,600

people were still in the room watching

785

00:29:19,269 --> 00:29:16,720

these things and i was absolutely amazed

786

00:29:20,630 --> 00:29:19,279

and they were really good

787

00:29:22,389 --> 00:29:20,640

why don't you tell the audience the

788

00:29:23,750 --> 00:29:22,399

names of those so they can go look them

789

00:29:26,710 --> 00:29:23,760

up themselves because they are just

790

00:29:28,630 --> 00:29:26,720

truly amazing uh you know what are they

791

00:29:29,909 --> 00:29:28,640

now youtube videos or

792

00:29:31,990 --> 00:29:29,919

whatever

793

00:29:33,750 --> 00:29:32,000

all the films that i'm going to mention

794

00:29:35,909 --> 00:29:33,760

you can see on youtube

795

00:29:38,870 --> 00:29:35,919

yeah so you don't have to buy it or

796

00:29:40,950 --> 00:29:38,880

anything like that you can go see it

797

00:29:42,310 --> 00:29:40,960

at your leisure so to speak

798

00:29:44,549 --> 00:29:42,320

um

799

00:29:46,630 --> 00:29:44,559

what we did was we

800

00:29:50,070 --> 00:29:46,640

have with the sonoma international film

801
00:29:51,830 --> 00:29:50,080
festival which is a main stream

802
00:29:54,549 --> 00:29:51,840
we've done this with film and we're in

803
00:29:55,909 --> 00:29:54,559
our eighth year now where we do our ufo

804
00:29:58,630 --> 00:29:55,919
symposium

805
00:30:01,269 --> 00:29:58,640
and i we primarily deal with the general

806
00:30:03,750 --> 00:30:01,279
public though we do have some people

807
00:30:06,870 --> 00:30:03,760
move on people and you know laurie anne

808
00:30:10,310 --> 00:30:06,880
her chapter uh the sacramento chapters

809
00:30:13,350 --> 00:30:10,320
uh san jose chapter california uh that

810
00:30:17,190 --> 00:30:13,360
attend um but it was interesting that

811
00:30:19,750 --> 00:30:17,200
the type of films that the genre all you

812
00:30:22,710 --> 00:30:19,760
people that listen to this program

813
00:30:25,269 --> 00:30:22,720

tend to watch or to screen

814

00:30:26,310 --> 00:30:25,279

was different than the mainstream

815

00:30:28,870 --> 00:30:26,320

public

816

00:30:31,350 --> 00:30:28,880

they liked a different kind of film and

817

00:30:35,029 --> 00:30:31,360

one that our people liked

818

00:30:38,310 --> 00:30:35,039

was unidentified flying objects

819

00:30:41,190 --> 00:30:38,320

the true story of flying saucers

820

00:30:43,110 --> 00:30:41,200

it was distributed by united artists

821

00:30:45,909 --> 00:30:43,120

1956

822

00:30:48,549 --> 00:30:45,919

and it is a great film it's somewhat

823

00:30:50,389 --> 00:30:48,559

hollywood which is okay and a lot of

824

00:30:53,269 --> 00:30:50,399

truth including

825

00:30:54,870 --> 00:30:53,279

some real flying saucers filmed shown to

826
00:30:56,789 --> 00:30:54,880
the general public

827
00:30:58,070 --> 00:30:56,799
and this film

828
00:31:00,630 --> 00:30:58,080
had the room

829
00:31:04,470 --> 00:31:00,640
not totally packed but pretty packed

830
00:31:05,669 --> 00:31:04,480
and normally the general public

831
00:31:10,789 --> 00:31:05,679
just

832
00:31:12,710 --> 00:31:10,799
i love the summer there's so much to do

833
00:31:15,350 --> 00:31:12,720
driving my new volkswagen jetta to the

834
00:31:17,909 --> 00:31:15,360
lake driving it to the beach driving it

835
00:31:19,430 --> 00:31:17,919
home after a weekend at the beach see i

836
00:31:21,350 --> 00:31:19,440
got a great deal from my local

837
00:31:23,430 --> 00:31:21,360
volkswagen dealer and with available

838
00:31:25,269 --> 00:31:23,440

features like adaptive cruise control

839

00:31:28,230 --> 00:31:25,279

blind spot monitor and rear traffic

840

00:31:29,269 --> 00:31:28,240

alert this jetta is all about confidence

841

00:31:31,269 --> 00:31:29,279

i think i'll drive it up to the

842

00:31:33,669 --> 00:31:31,279

mountains this weekend i might even go

843

00:31:35,430 --> 00:31:33,679

hiking if i have time test drive the

844

00:31:37,830 --> 00:31:35,440

volkswagen jetta this summer at your

845

00:31:39,750 --> 00:31:37,840

local volkswagen dealer

846

00:31:42,230 --> 00:31:39,760

it doesn't translate for them

847

00:31:44,389 --> 00:31:42,240

but it translated for our people so to

848

00:31:48,070 --> 00:31:44,399

speak whatever our people may be

849

00:31:50,149 --> 00:31:48,080

um and basically it's about uh a guy by

850

00:31:51,190 --> 00:31:50,159

the name of al chop public information

851
00:31:53,669 --> 00:31:51,200
officer

852
00:31:56,470 --> 00:31:53,679
with the air force pentagon

853
00:31:58,389 --> 00:31:56,480
um it's a really interesting story

854
00:32:00,950 --> 00:31:58,399
and um matter of fact when they made

855
00:32:03,110 --> 00:32:00,960
this film in 1956 and released it the

856
00:32:06,389 --> 00:32:03,120
united states air force drew up

857
00:32:09,430 --> 00:32:06,399
contingency plans to counteract

858
00:32:11,269 --> 00:32:09,440
any anticipated fallout from the movie

859
00:32:12,710 --> 00:32:11,279
upon its release

860
00:32:14,389 --> 00:32:12,720
oh you're kidding

861
00:32:16,789 --> 00:32:14,399
kind of like they didn't do with war in

862
00:32:18,870 --> 00:32:16,799
the worlds back in 1930

863
00:32:19,909 --> 00:32:18,880

whatever yeah 20 years earlier when they

864

00:32:22,950 --> 00:32:19,919

wore the worlds they didn't have

865

00:32:24,549 --> 00:32:22,960

contingency plans

866

00:32:25,909 --> 00:32:24,559

but they sure had kind of this time

867

00:32:26,950 --> 00:32:25,919

around and you know what they didn't

868

00:32:31,350 --> 00:32:26,960

need them

869

00:32:32,950 --> 00:32:31,360

highly recommended another film which is

870

00:32:34,230 --> 00:32:32,960

really really good

871

00:32:37,110 --> 00:32:34,240

is

872

00:32:39,830 --> 00:32:37,120

ufos it has begun

873

00:32:42,789 --> 00:32:39,840

it was made in 1979

874

00:32:44,630 --> 00:32:42,799

this film is a straightaway total out

875

00:32:47,590 --> 00:32:44,640

and out disclosure film

876

00:32:48,549 --> 00:32:47,600

no if ands or buts when you see this

877

00:32:50,470 --> 00:32:48,559

film

878

00:32:53,430 --> 00:32:50,480

you just gotten disclosure

879

00:32:56,389 --> 00:32:53,440

the film starts with a colonel coleman

880

00:32:59,750 --> 00:32:56,399

and he's at the pentagon yes in

881

00:33:02,149 --> 00:32:59,760

washington dc he's in the pentagon and

882

00:33:04,549 --> 00:33:02,159

he starts the film off and he's in the

883

00:33:06,710 --> 00:33:04,559

hallway of the pentagon and he's doing a

884

00:33:09,269 --> 00:33:06,720

ufo disclosure film

885

00:33:12,149 --> 00:33:09,279

oh my god i know people are coming and

886

00:33:14,950 --> 00:33:12,159

going to and from their offices etc and

887

00:33:16,149 --> 00:33:14,960

so forth this film was hosted by rod

888

00:33:18,310 --> 00:33:16,159

sterling

889

00:33:20,549 --> 00:33:18,320

remember from the twilight zone

890

00:33:22,310 --> 00:33:20,559

and there were a couple of notable

891

00:33:24,389 --> 00:33:22,320

actors that were in it they do that for

892

00:33:27,509 --> 00:33:24,399

you know some star appeal

893

00:33:30,389 --> 00:33:27,519

um jose ferreira was one of them oh

894

00:33:33,750 --> 00:33:30,399

that's great yeah yeah yeah and so

895

00:33:35,990 --> 00:33:33,760

basically what this film does is uh it

896

00:33:37,990 --> 00:33:36,000

show we got jock ballet in it i mean

897

00:33:41,909 --> 00:33:38,000

there is all kinds of stuff they have a

898

00:33:45,070 --> 00:33:41,919

guy from the cia that was doing this

899

00:33:48,230 --> 00:33:45,080

viewing a craft uh in washington in the

900

00:33:50,230 --> 00:33:48,240

19 i believe 60s and when they made the

901
00:33:53,110 --> 00:33:50,240
film was in 7 the 70s

902
00:33:55,669 --> 00:33:53,120
mid to latter 70s but he was there and

903
00:33:58,950 --> 00:33:55,679
he explained what happened and all the

904
00:34:01,750 --> 00:33:58,960
uh things that evolved in his meeting

905
00:34:04,310 --> 00:34:01,760
and uh um

906
00:34:05,990 --> 00:34:04,320
the viewing of an extraterrestrial craft

907
00:34:08,230 --> 00:34:06,000
because they wanted proof in this

908
00:34:09,430 --> 00:34:08,240
meeting they said well prove it to us

909
00:34:10,389 --> 00:34:09,440
that you're

910
00:34:12,550 --> 00:34:10,399
really

911
00:34:13,990 --> 00:34:12,560
here and they said go to the window and

912
00:34:16,950 --> 00:34:14,000
they looked out the window and there it

913
00:34:18,629 --> 00:34:16,960

was but that is another really really

914

00:34:22,149 --> 00:34:18,639

great film

915

00:34:25,349 --> 00:34:22,159

and uh it is ufos

916

00:34:28,149 --> 00:34:25,359

it has begun 1979

917

00:34:29,829 --> 00:34:28,159

and it is available also on youtube or

918

00:34:32,230 --> 00:34:29,839

you can buy it actually

919

00:34:34,149 --> 00:34:32,240

if you want to cool yeah i may

920

00:34:36,470 --> 00:34:34,159

eventually buy that and have it in my

921

00:34:38,389 --> 00:34:36,480

library i love stuff like that you know

922

00:34:40,310 --> 00:34:38,399

what blows my mind about that first

923

00:34:42,790 --> 00:34:40,320

movie you mentioned was the fact that it

924

00:34:45,750 --> 00:34:42,800

was made a year before i was born

925

00:34:47,349 --> 00:34:45,760

it just blows my mind that's 61 years

926
00:34:49,750 --> 00:34:47,359
ago well we're going to be talking

927
00:34:52,550 --> 00:34:49,760
shortly about 70 years ago

928
00:34:53,750 --> 00:34:52,560
oh great okay i'm really excited about

929
00:34:56,069 --> 00:34:53,760
that

930
00:34:57,750 --> 00:34:56,079
so here's what i wanted to do something

931
00:35:00,310 --> 00:34:57,760
has come up

932
00:35:03,190 --> 00:35:00,320
and i wanted to save it for your program

933
00:35:04,950 --> 00:35:03,200
and for move on oh you are so sweet

934
00:35:06,550 --> 00:35:04,960
and i'm going to ask your audience your

935
00:35:08,710 --> 00:35:06,560
listening audience

936
00:35:09,990 --> 00:35:08,720
if they think what i'm going to say and

937
00:35:12,550 --> 00:35:10,000
talk about

938
00:35:13,750 --> 00:35:12,560

initially and later on probably but

939

00:35:15,430 --> 00:35:13,760

initially

940

00:35:18,390 --> 00:35:15,440

is really worth

941

00:35:21,829 --> 00:35:18,400

something it really makes a lot of sense

942

00:35:24,870 --> 00:35:21,839

and it is earth shaking

943

00:35:26,230 --> 00:35:24,880

really send laurie some money

944

00:35:27,750 --> 00:35:26,240

send over

945

00:35:32,150 --> 00:35:27,760

money

946

00:35:34,870 --> 00:35:32,160

it was earth shaking it was everything

947

00:35:37,990 --> 00:35:34,880

send money because help her out because

948

00:35:40,870 --> 00:35:38,000

gloria ann fenton has helped me out for

949

00:35:42,790 --> 00:35:40,880

over 10 years she has gotten me

950

00:35:45,030 --> 00:35:42,800

interviewed now see you're in a time

951

00:35:48,230 --> 00:35:45,040

bubble too i haven't i've known you

952

00:35:49,990 --> 00:35:48,240

since 2000 and about 10 or 11.

953

00:35:52,790 --> 00:35:50,000

so what you're saying it's only seven

954

00:35:54,710 --> 00:35:52,800

years yeah yeah see this is weird it's

955

00:35:56,550 --> 00:35:54,720

like all my friends that are in the ufo

956

00:35:58,470 --> 00:35:56,560

community think i've known him for 20 or

957

00:36:00,470 --> 00:35:58,480

30 years

958

00:36:01,910 --> 00:36:00,480

and i've known them for like seven or

959

00:36:04,069 --> 00:36:01,920

five you know and they're like i've

960

00:36:06,310 --> 00:36:04,079

known you forever i'm like oh no no you

961

00:36:08,710 --> 00:36:06,320

haven't but anyhow but go ahead i

962

00:36:10,870 --> 00:36:08,720

digressed on that one but yeah all i'm

963

00:36:14,150 --> 00:36:10,880

asking is you're gonna hear something

964

00:36:15,910 --> 00:36:14,160

tonight that you haven't heard yet

965

00:36:19,270 --> 00:36:15,920

this is going to be the first

966

00:36:21,430 --> 00:36:19,280

and i like to say is tomorrow morning

967

00:36:22,950 --> 00:36:21,440

you go outside and when we talk about

968

00:36:25,670 --> 00:36:22,960

and you look up

969

00:36:27,190 --> 00:36:25,680

and if what i say is true

970

00:36:30,069 --> 00:36:27,200

help lorient

971

00:36:32,150 --> 00:36:30,079

help wow okay i'm dying to hear this

972

00:36:33,190 --> 00:36:32,160

okay go for it okay i'm ready

973

00:36:36,630 --> 00:36:33,200

let me just give you a little bit of

974

00:36:39,270 --> 00:36:36,640

background um i am not a big fan of

975

00:36:40,550 --> 00:36:39,280

investigating chemtrails

976
00:36:47,510 --> 00:36:40,560

i

977
00:36:51,750 --> 00:36:47,520
sprayed

978
00:36:55,510 --> 00:36:51,760
tell me about it yes but what i but what

979
00:36:57,910 --> 00:36:55,520
aggravates me more is nobody looks up

980
00:36:59,990 --> 00:36:57,920
nobody looks up i talk about chemtrails

981
00:37:02,630 --> 00:37:00,000
they say oh now it's contrails i'm not

982
00:37:05,349 --> 00:37:02,640
it's contrails so really yeah contrails

983
00:37:06,710 --> 00:37:05,359
two four six minutes hey how about three

984
00:37:10,069 --> 00:37:06,720
or four hours

985
00:37:13,990 --> 00:37:12,150
yeah you're you gotta you gotta

986
00:37:16,790 --> 00:37:14,000
yesterday i was told you know what you

987
00:37:18,790 --> 00:37:16,800
need to take a course in astronomy or

988
00:37:21,349 --> 00:37:18,800

meteorology that was it they said you

989

00:37:23,310 --> 00:37:21,359

need to take a course immediately i said

990

00:37:26,310 --> 00:37:23,320

i don't need to see a tic tac

991

00:37:29,270 --> 00:37:26,320

tic-tac-toe game going on in the sky and

992

00:37:30,790 --> 00:37:29,280

have to identify those clouds to me

993

00:37:34,790 --> 00:37:30,800

that's chemtrails

994

00:37:37,829 --> 00:37:34,800

and so but yet i'm ufo gym and ufo jim

995

00:37:39,109 --> 00:37:37,839

wants to research investigate and be

996

00:37:41,910 --> 00:37:39,119

involved in

997

00:37:43,430 --> 00:37:41,920

ufos and extraterrestrials i do not

998

00:37:45,829 --> 00:37:43,440

really want to

999

00:37:47,349 --> 00:37:45,839

spend a lot of time in chemtrail area

1000

00:37:49,190 --> 00:37:47,359

except for the fact

1001
00:37:50,550 --> 00:37:49,200
chris everand

1002
00:37:53,190 --> 00:37:50,560
who is

1003
00:37:54,790 --> 00:37:53,200
uh enigmatv.com

1004
00:37:56,630 --> 00:37:54,800
he did kind of a

1005
00:37:58,150 --> 00:37:56,640
about five years ago

1006
00:38:00,870 --> 00:37:58,160
and now you can see this on youtube i

1007
00:38:04,950 --> 00:38:00,880
believe and it's called secret space

1008
00:38:07,829 --> 00:38:04,960
three the crop circle conspiracy

1009
00:38:11,349 --> 00:38:07,839
now he's very dramatic but boy did he do

1010
00:38:12,550 --> 00:38:11,359
a good job he's got ufos or orbs

1011
00:38:15,270 --> 00:38:12,560
following

1012
00:38:17,109 --> 00:38:15,280
aircraft spraying the chemtrails

1013
00:38:19,829 --> 00:38:17,119

following the aircraft and you could see

1014

00:38:22,630 --> 00:38:19,839

him i mean he's done it we know that oh

1015

00:38:24,470 --> 00:38:22,640

my god that's so cool okay go ahead why

1016

00:38:26,230 --> 00:38:24,480

are they following the cam the aircraft

1017

00:38:28,310 --> 00:38:26,240

and then with the kento they're probably

1018

00:38:31,109 --> 00:38:28,320

just you know acquiring some of the

1019

00:38:33,589 --> 00:38:31,119

stuff to analyze what the heck

1020

00:38:35,589 --> 00:38:33,599

are we spraying on ourselves that kind

1021

00:38:37,589 --> 00:38:35,599

of thing but if you go to

1022

00:38:40,069 --> 00:38:37,599

enigmatv.com

1023

00:38:41,589 --> 00:38:40,079

secret space 3 the crop circle

1024

00:38:44,390 --> 00:38:41,599

conspiracy

1025

00:38:46,550 --> 00:38:44,400

in the first 15 minutes

1026

00:38:48,230 --> 00:38:46,560

you don't have to

1027

00:38:50,150 --> 00:38:48,240

spend a lot of time even though it's

1028

00:38:52,790 --> 00:38:50,160

quite interesting what he what he puts

1029

00:38:55,030 --> 00:38:52,800

on there but but that being said all you

1030

00:38:57,910 --> 00:38:55,040

need is 15 minutes

1031

00:38:59,190 --> 00:38:57,920

so going back to the chemtrails

1032

00:39:02,470 --> 00:38:59,200

um

1033

00:39:03,910 --> 00:39:02,480

about a month ago

1034

00:39:06,310 --> 00:39:03,920

all of a sudden

1035

00:39:08,069 --> 00:39:06,320

there were no chemtrails

1036

00:39:10,069 --> 00:39:08,079

there was no chemtrails this is what i'm

1037

00:39:11,190 --> 00:39:10,079

going to ask you all to do tomorrow go

1038

00:39:13,270 --> 00:39:11,200

look up

1039

00:39:14,870 --> 00:39:13,280

this is northern california now to do

1040

00:39:17,750 --> 00:39:14,880

chemtrails you probably have to do it

1041

00:39:19,910 --> 00:39:17,760

worldwide to have it be effective if

1042

00:39:22,069 --> 00:39:19,920

you're trying to block the sun or doing

1043

00:39:24,470 --> 00:39:22,079

haarp or whatever you're doing with your

1044

00:39:26,630 --> 00:39:24,480

chemtrails you probably have to do it in

1045

00:39:28,310 --> 00:39:26,640

mass you can't just do an area like

1046

00:39:30,790 --> 00:39:28,320

northern california and to say that's

1047

00:39:33,349 --> 00:39:30,800

that and i know i've had i've had people

1048

00:39:35,589 --> 00:39:33,359

all over the world calling me saying oh

1049

00:39:37,510 --> 00:39:35,599

i'm in venice right now and all i see

1050

00:39:38,630 --> 00:39:37,520

are chemtrails

1051

00:39:41,589 --> 00:39:38,640

really

1052

00:39:42,470 --> 00:39:41,599

over in europe oh my god everywhere okay

1053

00:39:45,430 --> 00:39:42,480

okay

1054

00:39:47,829 --> 00:39:45,440

so there were no chemtrails so i

1055

00:39:50,069 --> 00:39:47,839

thought to myself interesting maybe it's

1056

00:39:51,829 --> 00:39:50,079

a holiday or this or that and i was

1057

00:39:54,150 --> 00:39:51,839

talking to one or two folks about it and

1058

00:39:55,589 --> 00:39:54,160

they said oh maybe it's because the kids

1059

00:39:56,870 --> 00:39:55,599

are out of school

1060

00:39:58,630 --> 00:39:56,880

and

1061

00:40:00,069 --> 00:39:58,640

they're not spraying now because the

1062

00:40:02,870 --> 00:40:00,079

kids are out of the classroom and

1063

00:40:04,870 --> 00:40:02,880

they're outside because it's recess it's

1064

00:40:05,670 --> 00:40:04,880

it's summer it's summer vacation yeah

1065

00:40:07,670 --> 00:40:05,680

okay

1066

00:40:09,349 --> 00:40:07,680

the problem is if you're in the southern

1067

00:40:10,550 --> 00:40:09,359

hemisphere or some other part of the

1068

00:40:12,470 --> 00:40:10,560

world

1069

00:40:18,230 --> 00:40:12,480

you may not be

1070

00:40:19,190 --> 00:40:18,240

not in school you may be in school

1071

00:40:21,190 --> 00:40:19,200

so

1072

00:40:23,589 --> 00:40:21,200

the question is

1073

00:40:24,470 --> 00:40:23,599

i mean it doesn't work for for the whole

1074

00:40:25,829 --> 00:40:24,480

planet

1075

00:40:26,790 --> 00:40:25,839

it doesn't work

1076

00:40:31,670 --> 00:40:26,800

so

1077

00:40:33,670 --> 00:40:31,680

sure i just want to say when you were

1078

00:40:35,430 --> 00:40:33,680

talking about this just now and you said

1079

00:40:36,710 --> 00:40:35,440

the kids were out of school my first

1080

00:40:39,670 --> 00:40:36,720

thought was

1081

00:40:42,310 --> 00:40:39,680

and i did notice that when i was up in

1082

00:40:45,030 --> 00:40:42,320

volcano california they over sprayed us

1083

00:40:47,030 --> 00:40:45,040

up there up in the high sierras about

1084

00:40:49,670 --> 00:40:47,040

three or four it was the first part of

1085

00:40:52,710 --> 00:40:49,680

june the first weekend of june and i

1086

00:40:55,109 --> 00:40:52,720

haven't seen too much since then

1087

00:40:57,349 --> 00:40:55,119

and here's my theory on it you're gonna

1088

00:40:59,670 --> 00:40:57,359

you're gonna love this theory

1089

00:41:02,230 --> 00:40:59,680

i think because bohemian grove is

1090

00:41:03,510 --> 00:41:02,240

happening in sebastopol in the next this

1091

00:41:05,270 --> 00:41:03,520

weekend

1092

00:41:06,470 --> 00:41:05,280

that they stopped spraying a month ahead

1093

00:41:09,190 --> 00:41:06,480

of time because they don't want to

1094

00:41:12,309 --> 00:41:09,200

poison their leaders

1095

00:41:14,630 --> 00:41:12,319

well look let's take this a step further

1096

00:41:16,470 --> 00:41:14,640

okay okay that's just my opinion okay go

1097

00:41:18,390 --> 00:41:16,480

ahead well no no no well you're on the

1098

00:41:21,030 --> 00:41:18,400

kind of the right track actually

1099

00:41:24,470 --> 00:41:21,040

really okay that's interesting okay so

1100

00:41:28,069 --> 00:41:27,190

the paris climate accords

1101

00:41:30,309 --> 00:41:28,079

oh

1102

00:41:33,270 --> 00:41:30,319

yeah think about this

1103

00:41:34,870 --> 00:41:33,280

the paris climate accords we're out of

1104

00:41:41,430 --> 00:41:34,880

it

1105

00:41:43,750 --> 00:41:41,440

pro-donald or not anti-donald i don't

1106

00:41:45,589 --> 00:41:43,760

really watch for any of them because i

1107

00:41:48,550 --> 00:41:45,599

don't either yeah they're all part of

1108

00:41:51,190 --> 00:41:48,560

the same system that has dumbed us down

1109

00:41:54,470 --> 00:41:51,200

for the past 70 to 80 years

1110

00:41:57,589 --> 00:41:54,480

but that being but that being said the

1111

00:42:02,230 --> 00:41:57,599

paris climate accord

1112

00:42:04,790 --> 00:42:04,069

people that are in countries that are in

1113

00:42:07,190 --> 00:42:04,800

it

1114

00:42:09,829 --> 00:42:07,200

and there's two countries that aren't

1115

00:42:12,309 --> 00:42:09,839

one of them is i think nicaragua because

1116

00:42:15,030 --> 00:42:12,319

they think we're just two willy-nillians

1117

00:42:17,430 --> 00:42:15,040

too mild of a program

1118

00:42:18,870 --> 00:42:17,440

and the other one is syria who are in a

1119

00:42:20,870 --> 00:42:18,880

civil war

1120

00:42:22,309 --> 00:42:20,880

right so they're not in it and now the

1121

00:42:23,910 --> 00:42:22,319

united states

1122

00:42:26,150 --> 00:42:23,920

but check it out

1123

00:42:27,510 --> 00:42:26,160

who's big you know who's got the big

1124

00:42:29,190 --> 00:42:27,520

bucks

1125

00:42:31,270 --> 00:42:29,200

who may have been paying for those

1126
00:42:32,710 --> 00:42:31,280
chemtrails

1127
00:42:34,630 --> 00:42:32,720
yeah

1128
00:42:38,790 --> 00:42:34,640
if in fact

1129
00:42:43,109 --> 00:42:38,800
accords

1130
00:42:46,230 --> 00:42:43,119
somehow or another maybe president trump

1131
00:42:47,750 --> 00:42:46,240
said you know this is awfully expensive

1132
00:42:49,829 --> 00:42:47,760
you know it's costing us you know a

1133
00:42:52,150 --> 00:42:49,839
billion dollars a year or five billion

1134
00:42:55,190 --> 00:42:52,160
dollars a year to do this program and

1135
00:42:56,150 --> 00:42:55,200
we're footing 80 of the bill or 70 of

1136
00:42:57,190 --> 00:42:56,160
the bill

1137
00:43:00,470 --> 00:42:57,200
maybe

1138
00:43:02,309 --> 00:43:00,480

in a kind of a bizarre sort of way

1139

00:43:04,870 --> 00:43:02,319

what people are saying about him

1140

00:43:06,470 --> 00:43:04,880

negatively and by the way you know i've

1141

00:43:10,470 --> 00:43:06,480

said my share

1142

00:43:13,109 --> 00:43:10,480

um the reality is he's a businessman

1143

00:43:14,390 --> 00:43:13,119

so maybe that's right think about it

1144

00:43:15,670 --> 00:43:14,400

maybe

1145

00:43:17,109 --> 00:43:15,680

it's as simple

1146

00:43:19,670 --> 00:43:17,119

as business

1147

00:43:22,470 --> 00:43:19,680

maybe it's as simple as saving money

1148

00:43:24,390 --> 00:43:22,480

where are the chem trails we haven't had

1149

00:43:25,670 --> 00:43:24,400

them for almost three about three to

1150

00:43:27,829 --> 00:43:25,680

four weeks

1151

00:43:31,190 --> 00:43:27,839

where are they i've never seen they've

1152

00:43:33,589 --> 00:43:31,200

been going on for 15 or 20 years and now

1153

00:43:34,950 --> 00:43:33,599

there's no chemtrails you know i i got

1154

00:43:36,870 --> 00:43:34,960

up this morning and i'm looking out

1155

00:43:39,109 --> 00:43:36,880

there saying with my luck they'll start

1156

00:43:41,430 --> 00:43:39,119

up again today

1157

00:43:42,790 --> 00:43:41,440

well yeah you never know but i don't

1158

00:43:45,190 --> 00:43:42,800

think they're going to start up here in

1159

00:43:47,670 --> 00:43:45,200

northern california again if they do

1160

00:43:49,670 --> 00:43:47,680

because like i said i noticed this last

1161

00:43:51,109 --> 00:43:49,680

year and i never said anything about it

1162

00:43:53,990 --> 00:43:51,119

because i thought i was kind of going

1163

00:43:56,390 --> 00:43:54,000

nuts about it you know right right the

1164

00:43:58,230 --> 00:43:56,400

two or three weeks before the bohemian

1165

00:44:00,390 --> 00:43:58,240

grove started i noticed there were no

1166

00:44:01,829 --> 00:44:00,400

chemtrails up in marine county and you

1167

00:44:02,870 --> 00:44:01,839

know sonoma

1168

00:44:04,790 --> 00:44:02,880

and

1169

00:44:06,710 --> 00:44:04,800

they didn't start up again until two

1170

00:44:08,630 --> 00:44:06,720

weeks after they all left

1171

00:44:09,750 --> 00:44:08,640

the first part of august

1172

00:44:12,470 --> 00:44:09,760

well again

1173

00:44:15,109 --> 00:44:12,480

go ahead sorry yeah so i just thought

1174

00:44:17,109 --> 00:44:15,119

my my brain was thinking well

1175

00:44:18,470 --> 00:44:17,119

and i asked the person who lived in

1176

00:44:20,150 --> 00:44:18,480

phoenix that they were still having them

1177

00:44:21,030 --> 00:44:20,160

and he said yes

1178

00:44:22,630 --> 00:44:21,040

so

1179

00:44:23,990 --> 00:44:22,640

i kind of went oh well they're just

1180

00:44:26,150 --> 00:44:24,000

taking care of their own they're not

1181

00:44:28,550 --> 00:44:26,160

spraying their you know the president

1182

00:44:33,109 --> 00:44:28,560

and everybody else right

1183

00:44:35,190 --> 00:44:33,119

that's there and so i let it go but um

1184

00:44:36,710 --> 00:44:35,200

interesting very interesting so now what

1185

00:44:39,109 --> 00:44:36,720

we've got to do is we've got to get

1186

00:44:41,270 --> 00:44:39,119

everybody out getting us reports

1187

00:44:43,109 --> 00:44:41,280

yeah and the trails are happening

1188

00:44:45,190 --> 00:44:43,119

exactly so i went to i mean it's not

1189

00:44:48,630 --> 00:44:45,200

anywhere lorienne it is not anywhere i

1190

00:44:56,230 --> 00:44:51,589

and which is the site for you know

1191

00:44:59,030 --> 00:44:56,950

right

1192

00:45:00,950 --> 00:44:59,040

and there's nothing there's nothing on

1193

00:45:02,950 --> 00:45:00,960

the google there's nothing there's

1194

00:45:05,670 --> 00:45:02,960

nothing nothing nothing except for one

1195

00:45:06,950 --> 00:45:05,680

thing tonight it's on your program

1196

00:45:08,710 --> 00:45:06,960

tonight

1197

00:45:11,190 --> 00:45:08,720

you and mufon

1198

00:45:13,349 --> 00:45:11,200

and inception radio network have

1199

00:45:16,230 --> 00:45:13,359

officially broke the story

1200

00:45:18,069 --> 00:45:16,240

this is very cool i really hope that

1201

00:45:21,109 --> 00:45:18,079

you're right man wouldn't that be

1202

00:45:22,309 --> 00:45:21,119

something it would be i mean

1203

00:45:24,309 --> 00:45:22,319

just you know

1204

00:45:25,829 --> 00:45:24,319

i mean

1205

00:45:27,270 --> 00:45:25,839

he should be inviting us down to

1206

00:45:30,150 --> 00:45:27,280

mar-a-lago

1207

00:45:33,990 --> 00:45:30,160

for a wonderful dinner and party

1208

00:45:38,870 --> 00:45:35,990

if we make him out to be a hero of the

1209

00:45:41,510 --> 00:45:38,880

planet and i'm i'm not i'm

1210

00:45:44,069 --> 00:45:41,520

again i'm i'm not for him and i'm not

1211

00:45:45,349 --> 00:45:44,079

against him i have no i i'm against i'm

1212

00:45:47,270 --> 00:45:45,359

theoretically against all of the

1213

00:45:50,309 --> 00:45:47,280

politicians they're all part of the same

1214

00:45:52,950 --> 00:45:50,319

system that's right me too and i i've

1215

00:45:55,510 --> 00:45:52,960

point blank stated to everybody i do not

1216

00:45:57,910 --> 00:45:55,520

vote for that exact reason and my whole

1217

00:46:00,150 --> 00:45:57,920

theory is this if everybody in the

1218

00:46:02,309 --> 00:46:00,160

united states would be would rebel and

1219

00:46:03,910 --> 00:46:02,319

not vote for any of them until we

1220

00:46:06,470 --> 00:46:03,920

actually put people in power that we

1221

00:46:08,470 --> 00:46:06,480

wanted in power then we could change the

1222

00:46:10,390 --> 00:46:08,480

world but i'm tired of being yelled at

1223

00:46:12,870 --> 00:46:10,400

for not voting because what people don't

1224

00:46:16,230 --> 00:46:12,880

understand is by voting you're just

1225

00:46:17,910 --> 00:46:16,240

complying to the the the cabal basically

1226

00:46:19,430 --> 00:46:17,920

is what you're doing so

1227

00:46:21,349 --> 00:46:19,440

you know i'm not going to do it and it's

1228

00:46:23,100 --> 00:46:21,359

just that simple so i hope nobody gets

1229

00:46:24,870 --> 00:46:23,110

mad at me tonight on the show about it

1230

00:46:27,109 --> 00:46:24,880

[Music]

1231

00:46:28,550 --> 00:46:27,119

here's let's go back to the

1232

00:46:30,309 --> 00:46:28,560

go back to the chemtrails for a minute

1233

00:46:32,069 --> 00:46:30,319

so in fact

1234

00:46:33,990 --> 00:46:32,079

if des moines iowa tomorrow there's no

1235

00:46:35,510 --> 00:46:34,000

chem trails and if new york city there's

1236

00:46:37,990 --> 00:46:35,520

no chemistry

1237

00:46:39,990 --> 00:46:38,000

if it's just in this area i throw my

1238

00:46:42,470 --> 00:46:40,000

hands in the air and say

1239

00:46:45,349 --> 00:46:42,480

you know i gave it a good try or

1240

00:46:48,710 --> 00:46:45,359

but you know what i am the messenger

1241

00:46:51,589 --> 00:46:48,720

when i was going down the school

1242

00:46:54,550 --> 00:46:51,599

trail when i was going down it's the

1243

00:46:57,030 --> 00:46:54,560

kids they're not inside they're outside

1244

00:46:59,829 --> 00:46:57,040

and all i got a hit now was the hit from

1245

00:47:02,710 --> 00:46:59,839

e.t because i am an abductee myself and

1246

00:47:05,829 --> 00:47:02,720

i have had information given to me was

1247

00:47:06,950 --> 00:47:05,839

that information given to me maybe

1248

00:47:09,030 --> 00:47:06,960

maybe not

1249

00:47:09,910 --> 00:47:09,040

i don't know all of a sudden i said to

1250

00:47:12,470 --> 00:47:09,920

myself

1251
00:47:14,470 --> 00:47:12,480
i heard paris accords

1252
00:47:17,270 --> 00:47:14,480
paris accords

1253
00:47:19,430 --> 00:47:17,280
interesting

1254
00:47:22,630 --> 00:47:19,440
you know i'm telling you jim contact

1255
00:47:25,750 --> 00:47:22,640
these um and abduct these contactees

1256
00:47:28,309 --> 00:47:25,760
whatever get amazing insight i mean i

1257
00:47:31,349 --> 00:47:28,319
know i do i you know i've always thought

1258
00:47:33,910 --> 00:47:31,359
i was very psychic but the older i get

1259
00:47:35,910 --> 00:47:33,920
i'm starting to think that my angels

1260
00:47:38,230 --> 00:47:35,920
because those are my aliens or angels as

1261
00:47:40,950 --> 00:47:38,240
far as i can tell they're just higher

1262
00:47:42,150 --> 00:47:40,960
dimensional aliens that's all

1263
00:47:45,270 --> 00:47:42,160

um

1264

00:47:46,550 --> 00:47:45,280

i i know they they absolutely steer me

1265

00:47:48,069 --> 00:47:46,560

in the right direction and they're

1266

00:47:50,230 --> 00:47:48,079

always looking out for me and they're

1267

00:47:52,870 --> 00:47:50,240

always giving me answers and i have

1268

00:47:54,309 --> 00:47:52,880

these amazing downloads of complete

1269

00:47:56,309 --> 00:47:54,319

insight into

1270

00:47:58,069 --> 00:47:56,319

amazing things not that i can remember

1271

00:48:00,069 --> 00:47:58,079

them all well or do exactly what they

1272

00:48:01,829 --> 00:48:00,079

need me to do to fix things but at least

1273

00:48:02,790 --> 00:48:01,839

i try

1274

00:48:04,790 --> 00:48:02,800

and

1275

00:48:06,870 --> 00:48:04,800

you know but i absolutely hear you

1276

00:48:09,829 --> 00:48:06,880

because i'll tell you a funny funny

1277

00:48:11,990 --> 00:48:09,839

thing i'm sitting here three days ago

1278

00:48:13,510 --> 00:48:12,000

and i'm working away and something in my

1279

00:48:16,230 --> 00:48:13,520

head said

1280

00:48:18,550 --> 00:48:16,240

check out what you owed a wordpress

1281

00:48:20,870 --> 00:48:18,560

multi-user platform because your

1282

00:48:23,270 --> 00:48:20,880

membership is due soon and i'm hearing

1283

00:48:25,829 --> 00:48:23,280

this in my head and i'm thinking is that

1284

00:48:27,430 --> 00:48:25,839

me or is that somebody telling me to pay

1285

00:48:29,349 --> 00:48:27,440

attention because i was not thinking

1286

00:48:32,470 --> 00:48:29,359

about that at all right

1287

00:48:34,069 --> 00:48:32,480

and um sure enough i'm sitting here last

1288

00:48:37,030 --> 00:48:34,079

night at two or three o'clock in the

1289

00:48:38,309 --> 00:48:37,040

morning and a paypal payment comes

1290

00:48:40,870 --> 00:48:38,319

through for

1291

00:48:43,270 --> 00:48:40,880

a heck of a lot more money than i have

1292

00:48:45,750 --> 00:48:43,280

in any checking account right so i'm

1293

00:48:48,549 --> 00:48:45,760

flipping out and paypal doesn't open

1294

00:48:51,990 --> 00:48:48,559

until 5am so i waited up till 5am to

1295

00:48:54,549 --> 00:48:52,000

call paypal to cancel out that wpmu

1296

00:48:55,990 --> 00:48:54,559

automatic yearly fee

1297

00:48:57,750 --> 00:48:56,000

and um

1298

00:48:59,910 --> 00:48:57,760

it was so funny because i'm thinking

1299

00:49:02,069 --> 00:48:59,920

gosh you know is that me being smart to

1300

00:49:04,710 --> 00:49:02,079

remember the date somehow but i don't

1301

00:49:07,910 --> 00:49:04,720

think i'm that smart so it's some kind

1302

00:49:09,589 --> 00:49:07,920

of subconscious connection i have with

1303

00:49:11,430 --> 00:49:09,599

these other dimensional beings that

1304

00:49:13,670 --> 00:49:11,440

they're always looking out for me to try

1305

00:49:16,230 --> 00:49:13,680

to keep me safe

1306

00:49:18,069 --> 00:49:16,240

no matter what it is you know it's very

1307

00:49:19,829 --> 00:49:18,079

interesting

1308

00:49:22,390 --> 00:49:19,839

and i don't know if you get that i mean

1309

00:49:24,309 --> 00:49:22,400

i'm just using one example about a a

1310

00:49:25,750 --> 00:49:24,319

money situation that stressed me out

1311

00:49:28,710 --> 00:49:25,760

beyond belief

1312

00:49:30,790 --> 00:49:28,720

um but you know i just it's amazing to

1313

00:49:32,390 --> 00:49:30,800

me i talk to all these contactees and

1314

00:49:33,589 --> 00:49:32,400

they all say the same thing they always

1315

00:49:35,270 --> 00:49:33,599

say yep

1316

00:49:36,950 --> 00:49:35,280

i knew i shouldn't have done that i was

1317

00:49:39,670 --> 00:49:36,960

told before not to do it and i went

1318

00:49:41,349 --> 00:49:39,680

ahead and did it anyhow

1319

00:49:42,950 --> 00:49:41,359

you know i mean it's just you know it's

1320

00:49:45,430 --> 00:49:42,960

like what are we gonna do to wake up

1321

00:49:46,950 --> 00:49:45,440

humanity especially the contactees you

1322

00:49:49,030 --> 00:49:46,960

know they're getting all these answers

1323

00:49:50,309 --> 00:49:49,040

and they still mess up you know it's

1324

00:49:52,470 --> 00:49:50,319

kind of funny

1325

00:49:56,150 --> 00:49:52,480

um anyhow but

1326

00:50:00,549 --> 00:49:56,160

but here's but if in fact

1327

00:50:03,750 --> 00:50:00,559

this is true yeah that's a major story

1328

00:50:06,790 --> 00:50:03,760

it's beyond major jim it's like it's it

1329

00:50:09,349 --> 00:50:06,800

it's gonna change everything as far as

1330

00:50:10,790 --> 00:50:09,359

how people see him now i'm gonna i'm

1331

00:50:12,630 --> 00:50:10,800

gonna tell you something i don't talk

1332

00:50:15,510 --> 00:50:12,640

about this much but

1333

00:50:18,150 --> 00:50:15,520

um i uh

1334

00:50:21,270 --> 00:50:18,160

i have some insight into him from a

1335

00:50:23,829 --> 00:50:21,280

person that is very close to him and

1336

00:50:25,910 --> 00:50:23,839

i and all i got from my friend and i'll

1337

00:50:27,990 --> 00:50:25,920

tell you guys who it is he's not really

1338

00:50:29,670 --> 00:50:28,000

a friend friend he is a

1339

00:50:31,349 --> 00:50:29,680

working acquaintance friend and it's

1340

00:50:32,950 --> 00:50:31,359

roger stone

1341

00:50:35,349 --> 00:50:32,960

roger said to me

1342

00:50:36,710 --> 00:50:35,359

only one time and i think he said it to

1343

00:50:37,990 --> 00:50:36,720

me and two other people that were

1344

00:50:40,549 --> 00:50:38,000

standing around at one of the

1345

00:50:43,190 --> 00:50:40,559

conferences last year

1346

00:50:45,589 --> 00:50:43,200

right before donald was elected

1347

00:50:48,710 --> 00:50:45,599

he said that you would be surprised what

1348

00:50:50,230 --> 00:50:48,720

this man wants to solve for our problems

1349

00:50:52,230 --> 00:50:50,240

in the government

1350

00:50:54,069 --> 00:50:52,240

and i just kind of struck me as very

1351
00:50:56,069 --> 00:50:54,079
cool when he said that i thought you

1352
00:50:57,349 --> 00:50:56,079
know that that's a really interesting

1353
00:51:00,069 --> 00:50:57,359
thing to say

1354
00:51:01,750 --> 00:51:00,079
because you know obviously roger and

1355
00:51:03,670 --> 00:51:01,760
donald trump and all these people are

1356
00:51:05,190 --> 00:51:03,680
not going to come out and say exactly

1357
00:51:06,390 --> 00:51:05,200
what they got going

1358
00:51:08,630 --> 00:51:06,400
you know

1359
00:51:10,950 --> 00:51:08,640
he donald trump is not your regular

1360
00:51:12,870 --> 00:51:10,960
president he can't get out there and do

1361
00:51:15,589 --> 00:51:12,880
that like everybody else did he's been

1362
00:51:18,390 --> 00:51:15,599
attacked since day one

1363
00:51:20,950 --> 00:51:18,400

and so i haven't just from that

1364

00:51:23,589 --> 00:51:20,960
statement from roger i had a very

1365

00:51:25,829 --> 00:51:23,599
sneaking feeling that we as a public

1366

00:51:28,470 --> 00:51:25,839
were probably never gonna know

1367

00:51:31,190 --> 00:51:28,480
the really amazing true

1368

00:51:32,309 --> 00:51:31,200
miraculous things this man was gonna do

1369

00:51:34,069 --> 00:51:32,319
for us

1370

00:51:35,670 --> 00:51:34,079
that you know he's probably just gonna

1371

00:51:37,030 --> 00:51:35,680
start taking care of business and no

1372

00:51:38,549 --> 00:51:37,040
one's going to really know about it

1373

00:51:39,510 --> 00:51:38,559
except for the people that are close to

1374

00:51:41,270 --> 00:51:39,520
him

1375

00:51:43,430 --> 00:51:41,280
and

1376

00:51:45,589 --> 00:51:43,440

this may be that case this may be the

1377

00:51:47,990 --> 00:51:45,599

first thing he did to really start

1378

00:51:50,790 --> 00:51:48,000

getting rid of the the powers that be in

1379

00:51:54,069 --> 00:51:50,800

their evil cabal that has been dictating

1380

00:51:55,750 --> 00:51:54,079

our existence for some time now

1381

00:51:57,510 --> 00:51:55,760

and also what is this saying about the

1382

00:51:59,750 --> 00:51:57,520

paris climate accord

1383

00:52:02,790 --> 00:51:59,760

what it could be saying is it could be

1384

00:52:05,109 --> 00:52:02,800

saying is that so remember to do

1385

00:52:07,990 --> 00:52:05,119

chemtrails to be effective according to

1386

00:52:10,069 --> 00:52:08,000

the experts and i'm no expert but the

1387

00:52:13,430 --> 00:52:10,079

experts seem to say it has to be done to

1388

00:52:15,109 --> 00:52:13,440

be effective worldwide well what could

1389

00:52:18,150 --> 00:52:15,119

bring everybody together with running

1390

00:52:20,549 --> 00:52:18,160

the climate in one place at one time but

1391

00:52:23,270 --> 00:52:20,559

the paris climate accord

1392

00:52:23,990 --> 00:52:23,280

yeah yeah absolutely there is that would

1393

00:52:27,670 --> 00:52:24,000

be

1394

00:52:29,750 --> 00:52:27,680

wheelhouse

1395

00:52:31,990 --> 00:52:29,760

for the program

1396

00:52:34,230 --> 00:52:32,000

and probably and i keep going back to

1397

00:52:37,829 --> 00:52:34,240

think about the money that maybe

1398

00:52:40,150 --> 00:52:37,839

president trump wasn't necessarily

1399

00:52:41,190 --> 00:52:40,160

saying that's a good program or a bad

1400

00:52:42,790 --> 00:52:41,200

program

1401
00:52:44,950 --> 00:52:42,800
but what he may have said is it's an

1402
00:52:46,470 --> 00:52:44,960
expensive program

1403
00:52:48,230 --> 00:52:46,480
yeah exactly

1404
00:52:50,790 --> 00:52:48,240
and for that reason and that reason

1405
00:52:53,349 --> 00:52:50,800
alone he may be doing the planet a lot

1406
00:52:55,829 --> 00:52:53,359
of good and i mean i can't believe i'm

1407
00:53:00,549 --> 00:52:55,839
you know i'm waving his banner right now

1408
00:53:04,230 --> 00:53:00,559
but the reality is this may be true

1409
00:53:07,589 --> 00:53:04,240
he may not even know what he's done

1410
00:53:08,390 --> 00:53:07,599
that's true too i mean i

1411
00:53:10,870 --> 00:53:08,400
can't

1412
00:53:13,190 --> 00:53:10,880
wouldn't it be amazing that a a real

1413
00:53:15,349 --> 00:53:13,200

businessman uh that sits there and

1414

00:53:17,990 --> 00:53:15,359

counts every penny that's going through

1415

00:53:19,030 --> 00:53:18,000

our government has uh you know kind of

1416

00:53:20,710 --> 00:53:19,040

uh

1417

00:53:22,870 --> 00:53:20,720

superstitiously

1418

00:53:24,470 --> 00:53:22,880

gone around and started making this

1419

00:53:27,109 --> 00:53:24,480

world a better place for all of us

1420

00:53:29,030 --> 00:53:27,119

wouldn't that be amazing i just love it

1421

00:53:31,910 --> 00:53:29,040

well it may just maybe it's also it

1422

00:53:33,829 --> 00:53:31,920

wasn't the chemtrails that got the

1423

00:53:36,230 --> 00:53:33,839

president to say get we're going to get

1424

00:53:38,710 --> 00:53:36,240

out of this accord oh yeah well he did

1425

00:53:41,190 --> 00:53:38,720

mention it was very expensive and by the

1426
00:53:42,870 --> 00:53:41,200
way jim we got to take our next break so

1427
00:53:44,470 --> 00:53:42,880
let's do that now and then we come back

1428
00:53:46,390 --> 00:53:44,480
we'll finish up with this and then we'll

1429
00:53:48,630 --> 00:53:46,400
move on to some roswell stuff and some

1430
00:53:50,870 --> 00:53:48,640
other things but this is fascinating i

1431
00:53:52,790 --> 00:53:50,880
thank you so much okay folks stick

1432
00:53:57,109 --> 00:53:52,800
around we got more fun stuff coming for

1433
00:54:01,750 --> 00:53:59,349
welcome back everyone to the california

1434
00:54:03,990 --> 00:54:01,760
mufon radio show i'm your host lorian

1435
00:54:06,069 --> 00:54:04,000
fenton oh my god what a wild show we're

1436
00:54:08,470 --> 00:54:06,079
having tonight here you guys if this is

1437
00:54:10,790 --> 00:54:08,480
true if the chemtrails are disappearing

1438
00:54:13,430 --> 00:54:10,800

because of the trump uh

1439

00:54:15,030 --> 00:54:13,440

the trump paris uh pullout that's what

1440

00:54:17,430 --> 00:54:15,040

i'm gonna call it the trump paris pull

1441

00:54:19,670 --> 00:54:17,440

out i think it's gonna be a very

1442

00:54:22,230 --> 00:54:19,680

interesting uh next couple of weeks

1443

00:54:24,230 --> 00:54:22,240

because if jim ludwig is truly breaking

1444

00:54:26,309 --> 00:54:24,240

some news that no one's heard before no

1445

00:54:28,069 --> 00:54:26,319

one's thought of before no one's been

1446

00:54:30,549 --> 00:54:28,079

following this is just going to be

1447

00:54:32,870 --> 00:54:30,559

absolutely amazing and

1448

00:54:35,430 --> 00:54:32,880

i do hope we can get it over on coast to

1449

00:54:37,349 --> 00:54:35,440

coast at some point um maybe i'll tell

1450

00:54:39,270 --> 00:54:37,359

you what jim i'll get a hold of tom and

1451
00:54:40,950 --> 00:54:39,280
if this starts to break out as something

1452
00:54:42,790 --> 00:54:40,960
really amazing maybe you should go on

1453
00:54:44,790 --> 00:54:42,800
there for five or ten minutes and tell

1454
00:54:47,109 --> 00:54:44,800
the people about it that's that's fine

1455
00:54:49,109 --> 00:54:47,119
that's fine i mean uh

1456
00:54:51,109 --> 00:54:49,119
the greatest part is there's no major

1457
00:54:53,190 --> 00:54:51,119
secret all we need to do is look up and

1458
00:54:56,309 --> 00:54:53,200
it's like you're like your staff is

1459
00:54:58,390 --> 00:54:56,319
saying your your your producer's saying

1460
00:55:01,190 --> 00:54:58,400
um

1461
00:55:03,670 --> 00:55:01,200
your producers located whereabouts

1462
00:55:05,510 --> 00:55:03,680
i think it's uh minnesota okay so

1463
00:55:08,230 --> 00:55:05,520

minnesota doesn't have chemtrails right

1464

00:55:10,069 --> 00:55:08,240

now we know northern california around

1465

00:55:12,549 --> 00:55:10,079

the bay area doesn't have chemtrails

1466

00:55:14,150 --> 00:55:12,559

right now so the question is

1467

00:55:16,790 --> 00:55:14,160

what's up

1468

00:55:18,710 --> 00:55:16,800

or what's not up what's down what yeah

1469

00:55:20,390 --> 00:55:18,720

what isn't happening yeah it's really

1470

00:55:22,870 --> 00:55:20,400

cool you know what i'm going to ask as

1471

00:55:26,150 --> 00:55:22,880

my buddies in chat that's durham and max

1472

00:55:28,230 --> 00:55:26,160

and sky 33 i see i'm looking at her i'm

1473

00:55:30,069 --> 00:55:28,240

looking at the chat room right now yeah

1474

00:55:32,630 --> 00:55:30,079

i've got i've got about eight people in

1475

00:55:34,309 --> 00:55:32,640

there so i'm hoping that uh you guys in

1476

00:55:37,030 --> 00:55:34,319

there tell me if you've seen any

1477

00:55:39,349 --> 00:55:37,040

chemtrails lately uh just let us know

1478

00:55:41,349 --> 00:55:39,359

this is a very very interesting

1479

00:55:44,069 --> 00:55:41,359

situation that jim has brought to the

1480

00:55:45,829 --> 00:55:44,079

fore you know like i said jim last year

1481

00:55:47,990 --> 00:55:45,839

i was pretty convinced it was because of

1482

00:55:49,349 --> 00:55:48,000

bohemian grove and i thought it was just

1483

00:55:52,309 --> 00:55:49,359

localized

1484

00:55:54,630 --> 00:55:52,319

and uh you know and maybe last year it

1485

00:55:57,030 --> 00:55:54,640

was only localized because of bohemian

1486

00:55:58,549 --> 00:55:57,040

grove which you know like i said starts

1487

00:55:59,670 --> 00:55:58,559

about the middle is starting this

1488

00:56:01,829 --> 00:55:59,680

saturday

1489

00:56:03,990 --> 00:56:01,839

uh coming up oh by the way it's supposed

1490

00:56:06,549 --> 00:56:04,000

to be the protest outside the gates at 9

1491

00:56:08,309 --> 00:56:06,559

00 a.m on saturday doubt i'll make it

1492

00:56:09,829 --> 00:56:08,319

but

1493

00:56:12,630 --> 00:56:09,839

that's always one of the most

1494

00:56:14,950 --> 00:56:12,640

interesting protests in the bay area is

1495

00:56:17,270 --> 00:56:14,960

the bohemian grove

1496

00:56:19,030 --> 00:56:17,280

protests because you get wow do you get

1497

00:56:20,069 --> 00:56:19,040

a lot of people there it's it's really

1498

00:56:23,520 --> 00:56:20,079

quite

1499

00:56:24,789 --> 00:56:23,530

it's more like a zoo

1500

00:56:26,470 --> 00:56:24,799

[Music]

1501

00:56:28,390 --> 00:56:26,480

well it's interesting because you know i

1502

00:56:30,470 --> 00:56:28,400

mean the president's got a lot of issues

1503

00:56:31,270 --> 00:56:30,480

going on the family members and this and

1504

00:56:34,630 --> 00:56:31,280

that

1505

00:56:37,190 --> 00:56:34,640

and i'm not pro-him i'm not ant i'm just

1506

00:56:39,349 --> 00:56:37,200

i mean anti-all of them but that being

1507

00:56:42,309 --> 00:56:39,359

said the reality is i don't know if he

1508

00:56:44,390 --> 00:56:42,319

could turn this around specifically and

1509

00:56:45,430 --> 00:56:44,400

make it a positive to sort of offset a

1510

00:56:47,510 --> 00:56:45,440

lot of his

1511

00:56:49,190 --> 00:56:47,520

not as positive stuff that's going on

1512

00:56:51,510 --> 00:56:49,200

right yeah but you know what's

1513

00:56:53,349 --> 00:56:51,520

interesting about him is i think he's

1514

00:56:55,349 --> 00:56:53,359

doing a lot of stuff behind the scenes

1515

00:56:57,670 --> 00:56:55,359

like i was saying earlier and i really

1516

00:56:59,910 --> 00:56:57,680

believe that he doesn't even care if he

1517

00:57:02,309 --> 00:56:59,920

has the credit for it i think he's so

1518

00:57:04,069 --> 00:57:02,319

angry about the way that they have been

1519

00:57:06,309 --> 00:57:04,079

running this country

1520

00:57:08,549 --> 00:57:06,319

that you know deep inside he could care

1521

00:57:11,430 --> 00:57:08,559

a lot you know he doesn't need the the

1522

00:57:13,430 --> 00:57:11,440

slap on the back the guys you know he's

1523

00:57:15,270 --> 00:57:13,440

already done his thing now he's just

1524

00:57:16,069 --> 00:57:15,280

trying to fix things a little bit i

1525

00:57:17,910 --> 00:57:16,079

think

1526

00:57:19,510 --> 00:57:17,920

and you know i do hope that's his

1527

00:57:20,630 --> 00:57:19,520

attitude you know

1528

00:57:22,710 --> 00:57:20,640

um

1529

00:57:25,349 --> 00:57:22,720

from what i understand he's actually a

1530

00:57:27,109 --> 00:57:25,359

pretty down-to-earth guy in spite of uh

1531

00:57:29,030 --> 00:57:27,119

you know what people say about him and i

1532

00:57:29,910 --> 00:57:29,040

can tell you why i think he is pretty

1533

00:57:32,630 --> 00:57:29,920

nice

1534

00:57:35,349 --> 00:57:32,640

is because i did watch one of his

1535

00:57:38,710 --> 00:57:35,359

episodes where he went into his hotel

1536

00:57:41,349 --> 00:57:38,720

and did the housekeeper job the bellhop

1537

00:57:43,910 --> 00:57:41,359

job and did a bunch of you know the

1538

00:57:46,390 --> 00:57:43,920

behind the desk when you check-in job

1539

00:57:48,470 --> 00:57:46,400

you know the concierge and those type of

1540

00:57:51,030 --> 00:57:48,480

things and um

1541

00:57:53,510 --> 00:57:51,040

he was actually very pleasant to people

1542

00:57:56,789 --> 00:57:53,520

and he was joking around with this uh

1543

00:57:59,109 --> 00:57:56,799

kind of uh this black maid

1544

00:58:01,510 --> 00:57:59,119

and it was just i mean i thought he was

1545

00:58:03,270 --> 00:58:01,520

pretty cool you know i just i really

1546

00:58:05,750 --> 00:58:03,280

thought you know i can deal with him i

1547

00:58:07,990 --> 00:58:05,760

could tell he'd be very tough but hey

1548

00:58:10,309 --> 00:58:08,000

you know he he just wants his hotel to

1549

00:58:11,349 --> 00:58:10,319

be in you know tip-top condition right

1550

00:58:13,349 --> 00:58:11,359

right and

1551
00:58:15,670 --> 00:58:13,359
you know so there you go that i thought

1552
00:58:18,230 --> 00:58:15,680
it was wonderful but hey what do i know

1553
00:58:20,309 --> 00:58:18,240
i have a great appreciation for people

1554
00:58:22,470 --> 00:58:20,319
that are successful in business i really

1555
00:58:24,630 --> 00:58:22,480
do and i've always said

1556
00:58:26,069 --> 00:58:24,640
get a businessman in office and things

1557
00:58:27,190 --> 00:58:26,079
will change in this country in a

1558
00:58:29,270 --> 00:58:27,200
heartbeat

1559
00:58:31,030 --> 00:58:29,280
exactly you know in your chat room i'm

1560
00:58:32,230 --> 00:58:31,040
just looking at the chat room and you

1561
00:58:34,230 --> 00:58:32,240
have carol

1562
00:58:37,030 --> 00:58:34,240
who's just put on

1563
00:58:38,470 --> 00:58:37,040

oh yeah now you can't answer that yet

1564

00:58:40,470 --> 00:58:38,480

because i'm not answering i'm not

1565

00:58:42,710 --> 00:58:40,480

touching anything no no no i'm just

1566

00:58:46,549 --> 00:58:42,720

saying could i say what she said is that

1567

00:58:48,950 --> 00:58:46,559

okay uh what did she say take a look

1568

00:58:51,190 --> 00:58:48,960

you're looking at the chat room

1569

00:58:52,630 --> 00:58:51,200

oh yeah yeah yeah oh i thought there was

1570

00:58:54,390 --> 00:58:52,640

a question because it was all oh it's

1571

00:58:55,589 --> 00:58:54,400

not a question it's more of a statement

1572

00:58:58,390 --> 00:58:55,599

yes yes

1573

00:59:01,670 --> 00:58:58,400

from los angeles basin area los angeles

1574

00:59:05,670 --> 00:59:01,680

of all places no tic-tac-toe for the

1575

00:59:08,069 --> 00:59:05,680

last few weeks

1576

00:59:10,630 --> 00:59:08,079

big time trails in april however well

1577

00:59:13,030 --> 00:59:10,640

yeah but we were in the accord in april

1578

00:59:15,030 --> 00:59:13,040

yes that's true oh carol that's

1579

00:59:18,230 --> 00:59:15,040

interesting news so what you just

1580

00:59:20,150 --> 00:59:18,240

started now we go viral it goes viral

1581

00:59:22,069 --> 00:59:20,160

it's going to do it on its own i mean

1582

00:59:23,829 --> 00:59:22,079

yeah this is really

1583

00:59:25,750 --> 00:59:23,839

you know for me with not really

1584

00:59:27,589 --> 00:59:25,760

particularly caring for the chemtrails

1585

00:59:29,430 --> 00:59:27,599

though probably whoever whoever is

1586

00:59:32,069 --> 00:59:29,440

behind the chemtrails will tell us how

1587

00:59:33,910 --> 00:59:32,079

much we need them but the reality is my

1588

00:59:35,990 --> 00:59:33,920

heart soars

1589

00:59:37,510 --> 00:59:36,000

seeing that the chemtrails may have gone

1590

00:59:38,950 --> 00:59:37,520

away i mean

1591

00:59:41,670 --> 00:59:38,960

you know i

1592

00:59:43,829 --> 00:59:41,680

it's just that for 15 years i've been

1593

00:59:45,430 --> 00:59:43,839

saying look up look up look up and

1594

00:59:49,030 --> 00:59:45,440

everybody's looking at me like i'm a

1595

00:59:51,030 --> 00:59:49,040

total whack job and i'm not oh i know

1596

00:59:52,470 --> 00:59:51,040

i got i stopped doing it too because i

1597

00:59:54,710 --> 00:59:52,480

just figured you know i'm tired of

1598

00:59:56,470 --> 00:59:54,720

people just thinking i'm crazy you know

1599

00:59:58,630 --> 00:59:56,480

i just said you know what

1600

01:00:00,309 --> 00:59:58,640

if they all i hide inside during the day

1601

01:00:03,829 --> 01:00:00,319

when i see a chemtrail outside i'm

1602

01:00:05,750 --> 01:00:03,839

inside with all my doors closed

1603

01:00:07,430 --> 01:00:05,760

so hopefully i've never breathed in that

1604

01:00:10,069 --> 01:00:07,440

stuff but you never know apparently it

1605

01:00:12,150 --> 01:00:10,079

sits around on the ground and and you

1606

01:00:14,950 --> 01:00:12,160

know eventually air conditioning systems

1607

01:00:17,829 --> 01:00:14,960

and everything so in a way this is this

1608

01:00:20,309 --> 01:00:17,839

is probably next to a ufo disclosure i

1609

01:00:22,390 --> 01:00:20,319

mean a real ufo disclosure which we

1610

01:00:25,349 --> 01:00:22,400

apparently will never have but anyway

1611

01:00:26,309 --> 01:00:25,359

this is probably the second or third

1612

01:00:28,789 --> 01:00:26,319

biggest

1613

01:00:30,470 --> 01:00:28,799

things to come forward

1614

01:00:32,950 --> 01:00:30,480

of its own not because it was on the

1615

01:00:35,349 --> 01:00:32,960

front page of the new york times

1616

01:00:37,109 --> 01:00:35,359

yeah yeah i know exactly this is

1617

01:00:39,750 --> 01:00:37,119

wonderful so thank you for sharing that

1618

01:00:41,109 --> 01:00:39,760

with us tonight and yeah i'm just gonna

1619

01:00:43,030 --> 01:00:41,119

i'm gonna do what i do and we'll see

1620

01:00:44,950 --> 01:00:43,040

what happens with it and get the story

1621

01:00:47,030 --> 01:00:44,960

out there and i'll text uh

1622

01:00:49,430 --> 01:00:47,040

tom danheiser and george nori and let

1623

01:00:51,589 --> 01:00:49,440

them know that this has happened and you

1624

01:00:54,230 --> 01:00:51,599

know we'll do our best i can even i'm

1625

01:00:57,030 --> 01:00:54,240

actually hoping to be with george knapp

1626
01:00:58,950 --> 01:00:57,040
uh next week so maybe i'll get it to him

1627
01:01:00,630 --> 01:00:58,960
first i don't know we'll see we'll we'll

1628
01:01:01,910 --> 01:01:00,640
figure it out we'll get it out there for

1629
01:01:03,910 --> 01:01:01,920
you okay

1630
01:01:08,549 --> 01:01:03,920
you get it out for you get it out for

1631
01:01:10,870 --> 01:01:09,750
they'll be calling you for the

1632
01:01:12,230 --> 01:01:10,880
interviews though because i don't want

1633
01:01:15,589 --> 01:01:12,240
to do what's it what's there to

1634
01:01:17,829 --> 01:01:15,599
interview i i looked up

1635
01:01:19,990 --> 01:01:17,839
well that's all you have to say

1636
01:01:22,630 --> 01:01:20,000
paris accord instead of the school and

1637
01:01:24,470 --> 01:01:22,640
the kids which is you know

1638
01:01:29,109 --> 01:01:24,480

you know bs

1639

01:01:33,430 --> 01:01:31,750

okay well now that we've exhausted uh

1640

01:01:35,510 --> 01:01:33,440

the the skies

1641

01:01:38,710 --> 01:01:35,520

let's move on to roswell because you

1642

01:01:40,950 --> 01:01:38,720

know as we all know this is i love the

1643

01:01:42,950 --> 01:01:40,960

summer there's so much to do

1644

01:01:45,510 --> 01:01:42,960

driving my new volkswagen jetta to the

1645

01:01:48,069 --> 01:01:45,520

lake driving it to the beach driving it

1646

01:01:49,589 --> 01:01:48,079

home after a weekend at the beach see i

1647

01:01:51,589 --> 01:01:49,599

got a great deal from my local

1648

01:01:53,670 --> 01:01:51,599

volkswagen dealer and with available

1649

01:01:55,430 --> 01:01:53,680

features like adaptive cruise control

1650

01:01:58,470 --> 01:01:55,440

blind spot monitor and rear traffic

1651

01:01:59,510 --> 01:01:58,480

alert this jetta is all about confidence

1652

01:02:01,430 --> 01:01:59,520

i think i'll drive it up to the

1653

01:02:03,910 --> 01:02:01,440

mountains this weekend i might even go

1654

01:02:05,589 --> 01:02:03,920

hiking if i have time test drive the

1655

01:02:07,829 --> 01:02:05,599

volkswagen jetta this summer at your

1656

01:02:10,950 --> 01:02:07,839

local volkswagen dealer

1657

01:02:13,030 --> 01:02:10,960

70th year and it was just a couple days

1658

01:02:14,789 --> 01:02:13,040

ago that it was the actual day it

1659

01:02:17,270 --> 01:02:14,799

happened i think it was the eighth or

1660

01:02:18,549 --> 01:02:17,280

isn't that ufo world ufo day the eighth

1661

01:02:22,230 --> 01:02:18,559

isn't it

1662

01:02:24,390 --> 01:02:22,240

it crashed so um yeah so we're just a

1663

01:02:27,190 --> 01:02:24,400

couple days beyond that so what did you

1664

01:02:29,190 --> 01:02:27,200

do for world ufo day in roswell day as i

1665

01:02:31,349 --> 01:02:29,200

call it and uh

1666

01:02:33,030 --> 01:02:31,359

and you have an interesting take on

1667

01:02:36,150 --> 01:02:33,040

roswell so do you want to just talk

1668

01:02:38,150 --> 01:02:36,160

about how you feel about roswell

1669

01:02:39,990 --> 01:02:38,160

right well you know what did i do what

1670

01:02:41,750 --> 01:02:40,000

did i do in the 8th uh i don't know i

1671

01:02:44,069 --> 01:02:41,760

think i had a picnic or something like

1672

01:02:47,030 --> 01:02:44,079

that but and i was reading stephen

1673

01:02:50,069 --> 01:02:47,040

bassett's paradigm research groups

1674

01:02:51,430 --> 01:02:50,079

yes that was interesting wasn't it yeah

1675

01:02:54,309 --> 01:02:51,440

yes yes

1676

01:02:56,950 --> 01:02:54,319

um and he's off to london so he'll be

1677

01:02:59,270 --> 01:02:56,960

working the international paradigm

1678

01:03:01,430 --> 01:02:59,280

research group or sorry to say paradigm

1679

01:03:03,030 --> 01:03:01,440

research group international

1680

01:03:05,670 --> 01:03:03,040

correct right right

1681

01:03:07,510 --> 01:03:05,680

so going back to roswell first of all

1682

01:03:09,510 --> 01:03:07,520

here's something that's interesting i'm

1683

01:03:11,109 --> 01:03:09,520

gonna do the i'm gonna do the cart

1684

01:03:12,309 --> 01:03:11,119

before the horse

1685

01:03:13,510 --> 01:03:12,319

okay

1686

01:03:16,470 --> 01:03:13,520

roswell

1687

01:03:18,950 --> 01:03:16,480

if it can be categorically proved that

1688

01:03:21,950 --> 01:03:18,960

the roswell crash did happen

1689

01:03:24,710 --> 01:03:21,960

then a cascading series of remarkable

1690

01:03:26,549 --> 01:03:24,720

possibilities would become

1691

01:03:28,390 --> 01:03:26,559

certainties

1692

01:03:31,270 --> 01:03:28,400

first it would mean that there is an

1693

01:03:34,710 --> 01:03:31,280

intel intelligent life on other planets

1694

01:03:37,589 --> 01:03:34,720

with technology greater than ours

1695

01:03:40,390 --> 01:03:37,599

then the 70-year cover-up would imply

1696

01:03:42,390 --> 01:03:40,400

the existence of a shadow government

1697

01:03:45,349 --> 01:03:42,400

that continues in power from

1698

01:03:48,309 --> 01:03:45,359

administration to administration

1699

01:03:52,069 --> 01:03:48,319

otherwise how could the fraud continue

1700

01:03:55,270 --> 01:03:52,079

to be perpetrated so expertly

1701

01:03:56,789 --> 01:03:55,280

this in turn means that our democracy

1702

01:03:58,309 --> 01:03:56,799

is an illusion

1703

01:04:00,309 --> 01:03:58,319

and that we really live in some

1704

01:04:02,470 --> 01:04:00,319

oligarchy

1705

01:04:05,270 --> 01:04:02,480

then it would mean that we have most

1706

01:04:07,670 --> 01:04:05,280

certainly gained extraordinary knowledge

1707

01:04:10,150 --> 01:04:07,680

about our place in the universe that has

1708

01:04:13,029 --> 01:04:10,160

not been shared with the public that

1709

01:04:16,150 --> 01:04:13,039

could possibly revolutionize our life

1710

01:04:18,870 --> 01:04:16,160

here on earth

1711

01:04:21,910 --> 01:04:18,880

this would all be colossal these will

1712

01:04:22,789 --> 01:04:21,920

all be colossal developments and they

1713

01:04:26,470 --> 01:04:22,799

all

1714

01:04:28,390 --> 01:04:26,480

hinge on the reality of roswell

1715

01:04:30,789 --> 01:04:28,400

that's so true

1716

01:04:32,470 --> 01:04:30,799

you know every time i hear you say that

1717

01:04:35,029 --> 01:04:32,480

and you've said it i've heard it a bunch

1718

01:04:36,789 --> 01:04:35,039

of times because i come to all of your

1719

01:04:39,349 --> 01:04:36,799

except i didn't make it up to sacramento

1720

01:04:41,270 --> 01:04:39,359

this last month because i was busy but

1721

01:04:43,270 --> 01:04:41,280

uh i tried to get to all of your

1722

01:04:44,789 --> 01:04:43,280

presentations even if i've seen him once

1723

01:04:47,430 --> 01:04:44,799

twice or three times and i'll tell you

1724

01:04:49,190 --> 01:04:47,440

why folks when jim has a presentation he

1725

01:04:51,750 --> 01:04:49,200

is thoroughly thought it out he

1726

01:04:53,029 --> 01:04:51,760

thoroughly goes deep into as much as he

1727

01:04:57,190 --> 01:04:53,039

can

1728

01:04:59,430 --> 01:04:57,200

and he has some very interesting

1729

01:05:01,430 --> 01:04:59,440

insights on the roswell crash it's not

1730

01:05:03,190 --> 01:05:01,440

necessarily whether there were bodies in

1731

01:05:05,589 --> 01:05:03,200

the ships or not or whether the ships

1732

01:05:07,829 --> 01:05:05,599

were balloons or you know all that he

1733

01:05:09,910 --> 01:05:07,839

has a different insight so anyhow why

1734

01:05:12,470 --> 01:05:09,920

don't you go on with your your wa your

1735

01:05:15,270 --> 01:05:12,480

roswell um what i call jim's

1736

01:05:19,589 --> 01:05:15,280

interpretation of roswell right

1737

01:05:22,390 --> 01:05:19,599

well i think my my opinion is that

1738

01:05:25,670 --> 01:05:22,400

we had disclosure

1739

01:05:30,150 --> 01:05:25,680

uh on july 8 1947

1740

01:05:31,670 --> 01:05:30,160

and i agree yes and i believe that

1741

01:05:35,670 --> 01:05:31,680

that

1742

01:05:37,029 --> 01:05:35,680

disclosure was done by colonel william

1743

01:05:42,870 --> 01:05:37,039

blanchard

1744

01:05:43,670 --> 01:05:42,880

he's deceased now

1745

01:05:48,390 --> 01:05:43,680

he

1746

01:05:54,789 --> 01:05:48,400

bomber group

1747

01:05:57,589 --> 01:05:54,799

the only atomic bomb equipped

1748

01:05:58,870 --> 01:05:57,599

bomber squadron on the planet they're

1749

01:06:04,150 --> 01:05:58,880

also

1750

01:06:07,349 --> 01:06:04,160

aircraft from that squadron or that

1751

01:06:09,910 --> 01:06:07,359

group that bombed uh

1752

01:06:12,710 --> 01:06:09,920

hiroshima and nagasaki

1753

01:06:13,750 --> 01:06:12,720

in 1945

1754

01:06:15,910 --> 01:06:13,760

and

1755

01:06:17,349 --> 01:06:15,920

what people don't know is colonel

1756

01:06:18,870 --> 01:06:17,359

blanchard

1757

01:06:22,309 --> 01:06:18,880

is an aviator

1758

01:06:23,750 --> 01:06:22,319

was an aviator and was

1759

01:06:27,589 --> 01:06:23,760

um

1760

01:06:30,470 --> 01:06:27,599

an instructor he instructed

1761

01:06:33,829 --> 01:06:30,480

pilots to fly and to you know go on do

1762

01:06:36,309 --> 01:06:33,839

missions in 1944 he supervised detail

1763

01:06:38,630 --> 01:06:36,319

ops orders for the delivery of the first

1764

01:06:40,950 --> 01:06:38,640

atomic bomb in hiroshima

1765

01:06:43,029 --> 01:06:40,960

and in 1945

1766

01:06:45,750 --> 01:06:43,039

he was the backup pilot for dropping the

1767

01:06:47,109 --> 01:06:45,760

atomic bomb from the enola gay on

1768

01:06:49,270 --> 01:06:47,119

hiroshima

1769

01:06:51,430 --> 01:06:49,280

now here's the interesting part

1770

01:06:53,190 --> 01:06:51,440

rumor has it so this isn't everything

1771

01:06:55,109 --> 01:06:53,200

i'm telling you now to this point is

1772

01:06:56,470 --> 01:06:55,119

factual you can find it on the internet

1773

01:06:58,870 --> 01:06:56,480

no big deal

1774

01:07:00,549 --> 01:06:58,880

right um but

1775

01:07:04,789 --> 01:07:00,559

he probably

1776

01:07:06,710 --> 01:07:04,799

the pilot

1777

01:07:08,309 --> 01:07:06,720

because that was a big deal i mean now i

1778

01:07:09,510 --> 01:07:08,319

wouldn't be so proud about killing so

1779

01:07:12,309 --> 01:07:09,520

many people

1780

01:07:14,390 --> 01:07:12,319

but in 1945

1781

01:07:15,910 --> 01:07:14,400

you know you could be the person that

1782

01:07:18,870 --> 01:07:15,920

ends the war

1783

01:07:21,349 --> 01:07:18,880

that's the war yeah the war of wars you

1784

01:07:23,910 --> 01:07:21,359

could have been the hero of heroes

1785

01:07:26,069 --> 01:07:23,920

and they made him a backup pilot and the

1786

01:07:28,150 --> 01:07:26,079

colonel tibbetts did become the pilot

1787

01:07:30,549 --> 01:07:28,160

and had a horrible life after it because

1788

01:07:33,910 --> 01:07:30,559

he probably had all kinds of guilt and

1789

01:07:37,430 --> 01:07:33,920

etc and so forth in his life post being

1790

01:07:39,029 --> 01:07:37,440

in the military so our colonel william

1791

01:07:41,589 --> 01:07:39,039

blanchard

1792

01:07:43,029 --> 01:07:41,599

uh didn't become the pilot so he didn't

1793

01:07:44,710 --> 01:07:43,039

do the mission

1794

01:07:48,950 --> 01:07:44,720

but he still is the base commander of

1795

01:07:50,150 --> 01:07:48,960

the 509th so in 1947

1796

01:07:50,950 --> 01:07:50,160

he has

1797

01:07:53,589 --> 01:07:50,960

his

1798

01:07:55,510 --> 01:07:53,599

intelligence officer

1799

01:07:57,510 --> 01:07:55,520

major jesse marcel

1800

01:08:00,230 --> 01:07:57,520

who we got to give some credit to

1801

01:08:03,190 --> 01:08:00,240

stanton friedman

1802

01:08:04,950 --> 01:08:03,200

yeah stanton in 1978

1803

01:08:08,470 --> 01:08:04,960

went and found

1804

01:08:10,950 --> 01:08:08,480

jesse marcel down in louisiana

1805

01:08:13,270 --> 01:08:10,960

and not only interviewed him i think

1806

01:08:15,510 --> 01:08:13,280

multiple times but he also got him to

1807

01:08:17,269 --> 01:08:15,520

come out i guess and do some actually

1808

01:08:19,669 --> 01:08:17,279

he's on film on youtube you can go to

1809

01:08:22,470 --> 01:08:19,679

jesse marcel yeah that's right you could

1810

01:08:25,349 --> 01:08:22,480

see him in like 1980 or 1982 and i think

1811

01:08:26,309 --> 01:08:25,359

he died in 84 or something like that but

1812

01:08:27,590 --> 01:08:26,319

um

1813

01:08:29,030 --> 01:08:27,600

basically

1814

01:08:31,189 --> 01:08:29,040

uh marcel

1815

01:08:32,870 --> 01:08:31,199

you went out to the the ranch

1816

01:08:34,950 --> 01:08:32,880

and there was

1817

01:08:36,550 --> 01:08:34,960

i believe i believe i'm not saying had

1818

01:08:40,309 --> 01:08:36,560

to be adults believes i believe it was

1819

01:08:42,950 --> 01:08:40,319

one craft impacting the ground

1820

01:08:45,269 --> 01:08:42,960

taking off and then crashing again and

1821

01:08:47,110 --> 01:08:45,279

that's where the main craft was but a

1822

01:08:48,789 --> 01:08:47,120

lot of the debris in the three-quarter

1823

01:08:51,110 --> 01:08:48,799

mile gouge

1824

01:08:53,110 --> 01:08:51,120

at the brazil ranch

1825

01:08:55,590 --> 01:08:53,120

was uh

1826

01:08:57,110 --> 01:08:55,600

debris and so it was the a lot of the

1827

01:09:00,070 --> 01:08:57,120

debris or some of the debris was brought

1828

01:09:02,229 --> 01:09:00,080

back by uh jesse marcel

1829

01:09:06,390 --> 01:09:02,239

and of course that was then probably the

1830

01:09:09,669 --> 01:09:06,400

night of july 7th on july 8th

1831

01:09:12,390 --> 01:09:09,679

um he goes back he stops at his house

1832

01:09:14,630 --> 01:09:12,400

and shows his wife and kid that some of

1833

01:09:16,709 --> 01:09:14,640

the debris and the memory medal and you

1834

01:09:19,110 --> 01:09:16,719

know it's jesse marcel jr anyway i'm

1835

01:09:20,870 --> 01:09:19,120

gonna fast forward now to do the story

1836

01:09:23,990 --> 01:09:20,880

so he then

1837

01:09:25,910 --> 01:09:24,000

gets lieutenant walter howe

1838

01:09:30,309 --> 01:09:25,920

his public information officer to come

1839

01:09:33,110 --> 01:09:30,319

to his office in the morning of july 8th

1840

01:09:35,269 --> 01:09:33,120

and ha and dictates to him

1841

01:09:37,910 --> 01:09:35,279

and by the way you can go to youtube and

1842

01:09:40,189 --> 01:09:37,920

see an interview with walter howe

1843

01:09:41,749 --> 01:09:40,199

lieutenant walter howe

1844

01:09:43,910 --> 01:09:41,759

h-a-u-t-e

1845

01:09:46,470 --> 01:09:43,920

the public information officer

1846

01:09:48,470 --> 01:09:46,480

saying what he did and also you can see

1847

01:09:50,870 --> 01:09:48,480

colonel mark jesse marcel

1848

01:09:53,269 --> 01:09:50,880

saying saying what he did and saying the

1849

01:09:55,590 --> 01:09:53,279

debris was and he says this in 1980 i

1850

01:09:57,110 --> 01:09:55,600

guess there wasn't of this earth

1851
01:09:59,350 --> 01:09:57,120
and he was he says i'm the intelligent i

1852
01:10:03,910 --> 01:09:59,360
was the intelligence officer for the

1853
01:10:05,590 --> 01:10:03,920
only uh atomic bomb group on the planet

1854
01:10:06,630 --> 01:10:05,600
and i knew almost everything that was

1855
01:10:10,070 --> 01:10:06,640
flying

1856
01:10:12,149 --> 01:10:10,080
and so this was not he says this craft

1857
01:10:14,550 --> 01:10:12,159
was not of this earth and he says it

1858
01:10:18,310 --> 01:10:14,560
right on youtube it's no big secret

1859
01:10:20,229 --> 01:10:18,320
but colonel uh blanchard in the meantime

1860
01:10:22,470 --> 01:10:20,239
has this stuff

1861
01:10:24,790 --> 01:10:22,480
so instead of probably now this is me

1862
01:10:27,270 --> 01:10:24,800
now saying this part right now

1863
01:10:29,350 --> 01:10:27,280

is ufo jim saying it

1864

01:10:31,510 --> 01:10:29,360

the colonel goes oh my god i got the

1865

01:10:33,430 --> 01:10:31,520

greatest story i guess i can be famous

1866

01:10:35,830 --> 01:10:33,440

even more than i could have been in

1867

01:10:38,149 --> 01:10:35,840

1945.

1868

01:10:40,390 --> 01:10:38,159

now i'm the only person that could say

1869

01:10:43,270 --> 01:10:40,400

we've got a ufo

1870

01:10:46,149 --> 01:10:43,280

so he kind of in a way

1871

01:10:48,550 --> 01:10:46,159

in my opinion went rogue

1872

01:10:50,310 --> 01:10:48,560

yeah and he went and released this then

1873

01:10:51,990 --> 01:10:50,320

there's all kinds of stories no you know

1874

01:10:54,310 --> 01:10:52,000

general raymie came from the eighth air

1875

01:10:57,189 --> 01:10:54,320

force flying back and forth but here is

1876

01:10:58,630 --> 01:10:57,199

a very interesting part which is on

1877

01:11:00,070 --> 01:10:58,640

record

1878

01:11:01,110 --> 01:11:00,080

he went on

1879

01:11:02,630 --> 01:11:01,120

you know

1880

01:11:04,709 --> 01:11:02,640

the interesting part about this is

1881

01:11:06,950 --> 01:11:04,719

didn't he do all this before rainy got

1882

01:11:08,790 --> 01:11:06,960

involved didn't raymie like blow a fuse

1883

01:11:10,870 --> 01:11:08,800

after it happened and then he started of

1884

01:11:12,149 --> 01:11:10,880

course i mean you know you and i know

1885

01:11:14,229 --> 01:11:12,159

and then probably everybody listening

1886

01:11:15,430 --> 01:11:14,239

knows that's what happened he blew a

1887

01:11:17,510 --> 01:11:15,440

fuse

1888

01:11:18,709 --> 01:11:17,520

they make it sound like he was part of

1889

01:11:30,149 --> 01:11:18,719

it

1890

01:11:32,070 --> 01:11:30,159

was the pentagon they were really p.o'd

1891

01:11:34,470 --> 01:11:32,080

i mean p.o

1892

01:11:37,830 --> 01:11:34,480

and guess what

1893

01:11:39,669 --> 01:11:37,840

colonel blanchard went on a three-week

1894

01:11:41,750 --> 01:11:39,679

vacation

1895

01:11:44,310 --> 01:11:41,760

that day

1896

01:11:45,830 --> 01:11:44,320

yeah i do you know that's the part when

1897

01:11:48,310 --> 01:11:45,840

i first

1898

01:11:50,149 --> 01:11:48,320

dove into the roswell incident with all

1899

01:11:52,870 --> 01:11:50,159

the books that were out there it was

1900

01:11:54,950 --> 01:11:52,880

only mentioned once in one book about

1901

01:11:57,189 --> 01:11:54,960

that vacation do you know that

1902

01:11:59,110 --> 01:11:57,199

oh yeah they probably were upset that

1903

01:12:01,990 --> 01:11:59,120

that even showed once somewhere but now

1904

01:12:04,070 --> 01:12:02,000

it's all over the place so he goes now

1905

01:12:06,550 --> 01:12:04,080

the story is he really didn't go

1906

01:12:08,950 --> 01:12:06,560

anywhere he really was managing the

1907

01:12:10,470 --> 01:12:08,960

debris field at the other site where the

1908

01:12:12,229 --> 01:12:10,480

craft was

1909

01:12:13,990 --> 01:12:12,239

um oh no

1910

01:12:16,470 --> 01:12:14,000

no wait wait wait you found out that he

1911

01:12:17,590 --> 01:12:16,480

really never did go on a vacation or was

1912

01:12:18,950 --> 01:12:17,600

it kind of

1913

01:12:20,830 --> 01:12:18,960

if you track

1914

01:12:24,709 --> 01:12:20,840

his whereabouts and there were

1915

01:12:26,470 --> 01:12:24,719

whereabouts and uh you

1916

01:12:27,430 --> 01:12:26,480

you basically

1917

01:12:32,149 --> 01:12:27,440

uh

1918

01:12:34,229 --> 01:12:32,159

albuquerque

1919

01:12:35,750 --> 01:12:34,239

and there was air force day

1920

01:12:37,189 --> 01:12:35,760

and he was

1921

01:12:38,950 --> 01:12:37,199

dealing with the base commander i think

1922

01:12:41,430 --> 01:12:38,960

of kirtland air force base

1923

01:12:42,870 --> 01:12:41,440

and he was there for that ceremony then

1924

01:12:44,870 --> 01:12:42,880

he somehow or another and he stayed

1925

01:12:46,870 --> 01:12:44,880

around that area and then he went up to

1926

01:12:49,830 --> 01:12:46,880

i believe was colorado

1927

01:12:50,950 --> 01:12:49,840

or something like that so they

1928

01:12:52,790 --> 01:12:50,960

going

1929

01:12:54,630 --> 01:12:52,800

a few different places

1930

01:12:57,270 --> 01:12:54,640

and uh

1931

01:12:58,630 --> 01:12:57,280

i find it really really interesting that

1932

01:13:00,229 --> 01:12:58,640

um

1933

01:13:01,510 --> 01:13:00,239

no one ever talks about this man not

1934

01:13:05,189 --> 01:13:01,520

being around

1935

01:13:08,709 --> 01:13:05,199

and so when you look at the interview

1936

01:13:10,630 --> 01:13:08,719

with um walter howe public information

1937

01:13:13,110 --> 01:13:10,640

officer on

1938

01:13:17,270 --> 01:13:13,120

youtube thank you youtube

1939

01:13:19,990 --> 01:13:17,280

he says oh we loaded we had a c54

1940

01:13:22,149 --> 01:13:20,000

uh uh aircraft

1941

01:13:23,510 --> 01:13:22,159

and we had these boxes with some of the

1942

01:13:24,709 --> 01:13:23,520

debris in it

1943

01:13:28,550 --> 01:13:24,719

and

1944

01:13:30,709 --> 01:13:28,560

the they loaded a box onto the c-54

1945

01:13:32,550 --> 01:13:30,719

but the material never went

1946

01:13:34,310 --> 01:13:32,560

to fort worth that's where the aircraft

1947

01:13:35,669 --> 01:13:34,320

was going to it was going to general

1948

01:13:37,830 --> 01:13:35,679

raymond's for the infamous press

1949

01:13:39,750 --> 01:13:37,840

conference of which okay

1950

01:13:40,790 --> 01:13:39,760

jesse marcel

1951

01:13:42,310 --> 01:13:40,800

um

1952

01:13:43,510 --> 01:13:42,320

you know was the stooge you know where

1953

01:13:46,070 --> 01:13:43,520

they had him

1954

01:13:48,790 --> 01:13:46,080

you know right and then of course we all

1955

01:13:51,590 --> 01:13:48,800

know about the letter being uh digitally

1956

01:13:53,430 --> 01:13:51,600

enhanced in what the late 90s

1957

01:13:55,750 --> 01:13:53,440

right that we actually could read that

1958

01:13:59,430 --> 01:13:55,760

they had said this is you know we've got

1959

01:14:01,830 --> 01:13:59,440

to cover up this thing with a balloon so

1960

01:14:03,350 --> 01:14:01,840

right yeah anyhow it gets it gets even

1961

01:14:04,950 --> 01:14:03,360

more interesting

1962

01:14:08,070 --> 01:14:04,960

here's what gets here's where it gets

1963

01:14:11,910 --> 01:14:09,030

in the

1964

01:14:14,470 --> 01:14:11,920

roswell daily record which is one of the

1965

01:14:17,110 --> 01:14:14,480

by the way colonel blanchard had uh

1966

01:14:21,189 --> 01:14:17,120

lieutenant house go to two

1967

01:14:23,350 --> 01:14:21,199

newspapers in roswell and two radio

1968

01:14:26,550 --> 01:14:23,360

stations

1969

01:14:29,110 --> 01:14:26,560

one of the newspapers was the roswell

1970

01:14:30,870 --> 01:14:29,120

daily record okay

1971

01:14:32,550 --> 01:14:30,880

okay

1972

01:14:35,270 --> 01:14:32,560

this is mind-blowing

1973

01:14:38,229 --> 01:14:35,280

on the front page and i bought this at

1974

01:14:41,270 --> 01:14:38,239

the ufo congress

1975

01:14:46,310 --> 01:14:43,350

it was in february when we had that down

1976

01:14:47,750 --> 01:14:46,320

in fountain hills

1977

01:14:50,229 --> 01:14:47,760

oh yeah

1978

01:14:52,070 --> 01:14:50,239

well the grandchildren of the roswell

1979

01:14:54,310 --> 01:14:52,080

daily record were there

1980

01:14:57,430 --> 01:14:54,320

in the vendor really yeah they were

1981

01:15:00,149 --> 01:14:57,440

selling them like five dollars a pop

1982

01:15:01,189 --> 01:15:00,159

so i bought a couple of pops

1983

01:15:06,229 --> 01:15:01,199

and

1984

01:15:07,990 --> 01:15:06,239

general raymie empties roswell's saucer

1985

01:15:10,950 --> 01:15:08,000

which basically said you know nah nah

1986

01:15:12,550 --> 01:15:10,960

nah it's a weather balloon and but on

1987

01:15:14,229 --> 01:15:12,560

the bot so we're standing there and i'm

1988

01:15:15,910 --> 01:15:14,239

talking to the kids

1989

01:15:17,350 --> 01:15:15,920

and this guy comes walking up and he

1990

01:15:19,030 --> 01:15:17,360

says

1991

01:15:21,030 --> 01:15:19,040

did you ever see

1992

01:15:23,750 --> 01:15:21,040

the article on the front page on the

1993

01:15:25,990 --> 01:15:23,760

ninth at the bottom of the front page

1994

01:15:27,990 --> 01:15:26,000

and we we have it there so we look at it

1995

01:15:31,830 --> 01:15:28,000

and it says

1996

01:15:34,950 --> 01:15:31,840

patch visits president

1997

01:15:39,270 --> 01:15:34,960

says it says washington july 9th

1998

01:15:42,870 --> 01:15:39,280

ap that's associated press

1999

01:15:45,510 --> 01:15:42,880

carl a hatch democrat new mexico paid

2000

01:15:48,390 --> 01:15:45,520

president truman a call at the white

2001

01:15:50,229 --> 01:15:48,400

house he said afterward it was just a

2002

01:16:00,709 --> 01:15:50,239

personal visit

2003

01:16:02,149 --> 01:16:00,719

happen often oh i had nothing to do i

2004

01:16:05,590 --> 01:16:02,159

just sort of stopped by and what a

2005

01:16:08,630 --> 01:16:05,600

coincidence it was just hours after

2006

01:16:11,510 --> 01:16:08,640

the discovery or the announcement by

2007

01:16:14,870 --> 01:16:11,520

colonel blanchard oh my god i think what

2008

01:16:16,870 --> 01:16:14,880

happened was the president said oh

2009

01:16:18,830 --> 01:16:16,880

the senator's here

2010

01:16:21,510 --> 01:16:18,840

haven't come to the white house and they

2011

01:16:24,229 --> 01:16:21,520

probably explain to him how he needs to

2012

01:16:29,110 --> 01:16:24,239

handle the press

2013

01:16:33,110 --> 01:16:29,120

oh my god oh my god that is such a tell

2014

01:16:36,870 --> 01:16:35,270

i'm sorry but you know what in this day

2015

01:16:39,510 --> 01:16:36,880

and age if that had happened there would

2016

01:16:42,149 --> 01:16:39,520

be fake news supposedly all over that

2017

01:16:44,310 --> 01:16:42,159

one like hot glue you know

2018

01:16:46,229 --> 01:16:44,320

it would be like it would be plastered

2019

01:16:49,910 --> 01:16:46,239

everywhere you know

2020

01:16:53,189 --> 01:16:49,920

it it absolutely blows my mind but it's

2021

01:16:55,750 --> 01:16:53,199

so easy it's so that's the problem why

2022

01:16:57,510 --> 01:16:55,760

is it so easy i mean i'm not saying this

2023

01:16:59,669 --> 01:16:57,520

is the way it went down i'm not saying

2024

01:17:02,149 --> 01:16:59,679

but i will say this that we do have

2025

01:17:04,470 --> 01:17:02,159

witnesses who have through kevin randle

2026

01:17:06,070 --> 01:17:04,480

we have one by the name of little who

2027

01:17:07,990 --> 01:17:06,080

worked for the atomic energy commission

2028

01:17:11,350 --> 01:17:08,000

he worked on the on the manhattan

2029

01:17:13,830 --> 01:17:11,360

project and he was a colonel

2030

01:17:17,110 --> 01:17:13,840

at elmendorf air force base along with

2031

01:17:19,750 --> 01:17:17,120

now general blanchard general blanchard

2032

01:17:22,229 --> 01:17:19,760

1953 so now it's

2033

01:17:24,870 --> 01:17:22,239

six years fast forward later yeah six

2034

01:17:26,709 --> 01:17:24,880

years later he is going they're both in

2035

01:17:28,070 --> 01:17:26,719

elmendorf air force base and i guess

2036

01:17:32,229 --> 01:17:28,080

they were buddies

2037

01:17:36,149 --> 01:17:32,239

and um the colonel says to the general

2038

01:17:37,590 --> 01:17:36,159

uh my wife's having having our child in

2039

01:17:39,350 --> 01:17:37,600

in chicago

2040

01:17:40,950 --> 01:17:39,360

and i i can't get there and i want i

2041

01:17:42,229 --> 01:17:40,960

would love to be there for the birth of

2042

01:17:44,470 --> 01:17:42,239

my child

2043

01:17:46,390 --> 01:17:44,480

and so the the general said german

2044

01:17:48,550 --> 01:17:46,400

general blanchard he said well you know

2045

01:17:50,790 --> 01:17:48,560

what i'll fly you there

2046

01:17:52,310 --> 01:17:50,800

because he was you know not only a pilot

2047

01:17:54,950 --> 01:17:52,320

but he was probably

2048

01:17:56,950 --> 01:17:54,960

uh one of the commanders of the base

2049

01:17:59,189 --> 01:17:56,960

right now yeah by now it's the u.s air

2050

01:18:00,149 --> 01:17:59,199

force and so

2051

01:18:01,350 --> 01:18:00,159

he

2052

01:18:04,630 --> 01:18:01,360

uh

2053

01:18:07,350 --> 01:18:04,640

is flying him to he said i can fly you

2054

01:18:09,430 --> 01:18:07,360

to a base near chicago

2055

01:18:12,310 --> 01:18:09,440

but i can't take you to chicago and so

2056

01:18:13,910 --> 01:18:12,320

the colonel said no problem general uh

2057

01:18:15,990 --> 01:18:13,920

i'll get a cab

2058

01:18:18,550 --> 01:18:16,000

i'll get there if i can get that close

2059

01:18:20,630 --> 01:18:18,560

so the general is flying i'm so i guess

2060

01:18:22,470 --> 01:18:20,640

you know the colonel was sitting in the

2061

01:18:23,510 --> 01:18:22,480

right-hand seat or something in the

2062

01:18:24,950 --> 01:18:23,520

cockpit

2063

01:18:27,189 --> 01:18:24,960

and he said to the j he asked the

2064

01:18:30,470 --> 01:18:27,199

general he said so what was the real

2065

01:18:33,750 --> 01:18:30,480

story about that ufo stuff in roswell

2066

01:18:36,709 --> 01:18:33,760

and he said oh yes it was a real craft

2067

01:18:38,229 --> 01:18:36,719

and uh little and randall whatever they

2068

01:18:40,790 --> 01:18:38,239

asked

2069

01:18:43,430 --> 01:18:40,800

did he say it was a it was a ufo an

2070

01:18:45,750 --> 01:18:43,440

extraterrestrial crap and his response

2071

01:18:46,709 --> 01:18:45,760

immediately was absolutely

2072

01:18:48,470 --> 01:18:46,719

he said

2073

01:18:54,229 --> 01:18:48,480

one craft

2074

01:18:55,270 --> 01:18:54,239

craft and four bodies

2075

01:18:57,430 --> 01:18:55,280

wow

2076

01:19:01,270 --> 01:18:57,440

craft and poor bodies

2077

01:19:03,110 --> 01:19:01,280

wow so he admitted it to him he did

2078

01:19:05,669 --> 01:19:03,120

and that is

2079

01:19:07,510 --> 01:19:05,679

available on the internet for eating

2080

01:19:09,830 --> 01:19:07,520

we can all do this at home

2081

01:19:11,430 --> 01:19:09,840

and they say no don't do it at home it's

2082

01:19:13,590 --> 01:19:11,440

you need to be a professional no you

2083

01:19:15,350 --> 01:19:13,600

don't need a professional if you really

2084

01:19:17,750 --> 01:19:15,360

want to check it out just

2085

01:19:19,830 --> 01:19:17,760

investigate it and check out what i say

2086

01:19:20,950 --> 01:19:19,840

just investigate it i mean it's it's

2087

01:19:23,030 --> 01:19:20,960

easy

2088

01:19:24,709 --> 01:19:23,040

now i'm not saying that's exactly how it

2089

01:19:26,870 --> 01:19:24,719

really went down because there's some

2090

01:19:29,830 --> 01:19:26,880

parts as i've represented about colonel

2091

01:19:31,669 --> 01:19:29,840

blanchard initially wanting the fame

2092

01:19:33,669 --> 01:19:31,679

of being famous

2093

01:19:35,270 --> 01:19:33,679

i'm used to using common sense but

2094

01:19:37,750 --> 01:19:35,280

interestingly enough

2095

01:19:40,470 --> 01:19:37,760

the colonel

2096

01:19:41,430 --> 01:19:40,480

became a four-star general

2097

01:19:43,830 --> 01:19:41,440

and

2098

01:19:45,270 --> 01:19:43,840

uh he becomes the vice chief of staff of

2099

01:19:49,030 --> 01:19:45,280

the air force

2100

01:19:50,950 --> 01:19:49,040

and becomes four-star general in 1965.

2101

01:19:53,510 --> 01:19:50,960

he's at the pentagon

2102

01:19:55,430 --> 01:19:53,520

okay we gotta stop right there and

2103

01:19:57,830 --> 01:19:55,440

remember we're at the pentagon he

2104

01:19:59,830 --> 01:19:57,840

becomes a four-star general we're taking

2105

01:20:01,669 --> 01:19:59,840

our last break and we'll be back because

2106

01:20:03,590 --> 01:20:01,679

i'll remember that he's at the pentagon

2107

01:20:05,189 --> 01:20:03,600

he got his four stars and i want to know

2108

01:20:06,790 --> 01:20:05,199

what happens next

2109

01:20:10,870 --> 01:20:06,800

all right folks stick with us we'll be

2110

01:20:15,430 --> 01:20:13,189

welcome back everyone to the california

2111

01:20:17,270 --> 01:20:15,440

2112

01:20:20,630 --> 01:20:17,280

2114

01:20:24,310 --> 01:20:22,800

you on the internet we forgot to do that

2115

01:20:26,470 --> 01:20:24,320

we got to make sure that they can get to

2116

01:20:27,910 --> 01:20:26,480

your website thank you for asking

2117

01:20:29,430 --> 01:20:27,920

because if not we probably have gone

2118

01:20:32,070 --> 01:20:29,440

through the two hours and i never would

2119

01:20:33,990 --> 01:20:32,080

have said a thing but anyway there's two

2120

01:20:34,870 --> 01:20:34,000

different sites they go to the same

2121

01:20:37,669 --> 01:20:34,880

place

2122

01:20:39,430 --> 01:20:37,679

one is simpler it's ufogym

cool

2131

01:21:01,830 --> 01:21:00,000

i love it okay so now that people can

2132

01:21:03,910 --> 01:21:01,840

find you there and if they're in

2133

01:21:06,790 --> 01:21:03,920

northern california you pretty much

2134

01:21:10,229 --> 01:21:06,800

speak at the sonoma mufon meetings my

2135

01:21:12,390 --> 01:21:10,239

mufon meetings you're at my conferences

2136

01:21:14,709 --> 01:21:12,400

you're at the sonoma international film

2137

01:21:17,510 --> 01:21:14,719

festival you have your

2138

01:21:19,910 --> 01:21:17,520

classes in october if any of you guys

2139

01:21:21,830 --> 01:21:19,920

are around in october it's a great month

2140

01:21:24,310 --> 01:21:21,840

in the wine country

2141

01:21:26,550 --> 01:21:24,320

a lot of harvesting going on and the

2142

01:21:28,550 --> 01:21:26,560

nouveau wines are out and so you could

2143

01:21:31,110 --> 01:21:28,560

just make a night or a day of it or

2144

01:21:33,910 --> 01:21:31,120

whatever and come on down do your wine

2145

01:21:36,310 --> 01:21:33,920

and cheese and then end up at the ufo

2146

01:21:38,229 --> 01:21:36,320

gyms place and maybe you know crash out

2147

01:21:40,310 --> 01:21:38,239

at a hotel that night and head on home

2148

01:21:42,790 --> 01:21:40,320

the next day so that's right it's all

2149

01:21:45,270 --> 01:21:42,800

yeah i mean if you're if you're gonna do

2150

01:21:48,950 --> 01:21:45,280

if you're gonna do ufology you gotta do

2151

01:21:51,270 --> 01:21:48,960

it right folks i always do i get a hotel

2152

01:21:54,229 --> 01:21:51,280

i hang out i have a good time i go to

2153

01:21:55,910 --> 01:21:54,239

dinner i i i just don't do this like oh

2154

01:21:57,750 --> 01:21:55,920

god i gotta go find the information and

2155

01:21:59,910 --> 01:21:57,760

then run around and drive home i mean

2156

01:22:03,030 --> 01:21:59,920

it's like really make a day of it make

2157

01:22:04,790 --> 01:22:03,040

it a thing because if you're having fun

2158

01:22:06,870 --> 01:22:04,800

and it makes sense to you and it's

2159

01:22:08,629 --> 01:22:06,880

answering questions for you

2160

01:22:10,629 --> 01:22:08,639

you know it's better that you're calm

2161

01:22:11,590 --> 01:22:10,639

and happy and have some wine and cheese

2162

01:22:16,709 --> 01:22:11,600

right

2163

01:22:21,189 --> 01:22:16,719

i think we're doing it on monday nights

2164

01:22:23,910 --> 01:22:21,199

october 16th i believe it is and

2165

01:22:25,990 --> 01:22:23,920

23rd it's on my calendar which is on my

2166

01:22:28,629 --> 01:22:26,000

website okay

2167

01:22:31,590 --> 01:22:28,639

it is on there yes excellent okay so

2168

01:22:33,189 --> 01:22:31,600

monday night huh what time does it start

2169

01:22:35,030 --> 01:22:33,199

7 p.m

2170

01:22:37,030 --> 01:22:35,040

okay i'm going to be late because i've

2171

01:22:39,910 --> 01:22:37,040

got to get i'm going to do my radio show

2172

01:22:42,390 --> 01:22:39,920

from five to seven but i will be there i

2173

01:22:44,470 --> 01:22:42,400

promise okay all right so now we're

2174

01:22:46,310 --> 01:22:44,480

we're talking about the general who

2175

01:22:48,390 --> 01:22:46,320

becomes a general and he heads off to

2176
01:22:49,910 --> 01:22:48,400
the pentagon now what happened at that

2177
01:22:50,709 --> 01:22:49,920
point

2178
01:22:52,629 --> 01:22:50,719
well

2179
01:22:54,310 --> 01:22:52,639
so here he's at the pentagon

2180
01:22:55,350 --> 01:22:54,320
and

2181
01:22:57,750 --> 01:22:55,360
um

2182
01:23:00,550 --> 01:22:57,760
the history basically is

2183
01:23:02,390 --> 01:23:00,560
in 1957 he became the commander of

2184
01:23:04,629 --> 01:23:02,400
strategic air command's

2185
01:23:08,950 --> 01:23:04,639
seventh air division

2186
01:23:11,350 --> 01:23:08,960
in february of 1965

2187
01:23:13,830 --> 01:23:11,360
general blanchard became vice chief of

2188
01:23:16,229 --> 01:23:13,840

staff united states air force with

2189

01:23:17,270 --> 01:23:16,239

promotion to four-star rank as we just

2190

01:23:21,669 --> 01:23:17,280

said

2191

01:23:23,669 --> 01:23:21,679

right and on may 31st 1966

2192

01:23:25,110 --> 01:23:23,679

butch dies at the pentagon of a heart

2193

01:23:27,030 --> 01:23:25,120

attack

2194

01:23:28,470 --> 01:23:27,040

now

2195

01:23:33,030 --> 01:23:28,480

maybe he did

2196

01:23:36,149 --> 01:23:33,040

there's another side to the story maybe

2197

01:23:37,750 --> 01:23:36,159

another story maybe butch

2198

01:23:39,110 --> 01:23:37,760

liked to talk a lot

2199

01:23:41,669 --> 01:23:39,120

or something

2200

01:23:44,070 --> 01:23:41,679

and let's say okay

2201

01:23:46,149 --> 01:23:44,080

he's at the officers club at the

2202

01:23:48,790 --> 01:23:46,159

pentagon

2203

01:23:51,350 --> 01:23:48,800

and you know it's after work

2204

01:23:53,669 --> 01:23:51,360

he's having a good time he's talking

2205

01:23:56,870 --> 01:23:53,679

like he did to little

2206

01:23:58,470 --> 01:23:56,880

you know on board that aircraft in 1953

2207

01:24:00,790 --> 01:23:58,480

and maybe they asked him what happened

2208

01:24:03,030 --> 01:24:00,800

in roswell general

2209

01:24:05,590 --> 01:24:03,040

you know blah blah blah and i think boy

2210

01:24:08,709 --> 01:24:05,600

he's just doing too much talking

2211

01:24:10,149 --> 01:24:08,719

so maybe it was an inconvenient truth or

2212

01:24:12,149 --> 01:24:10,159

who knows what

2213

01:24:12,950 --> 01:24:12,159

uh i'm not saying they did something to

2214

01:24:16,070 --> 01:24:12,960

him

2215

01:24:18,870 --> 01:24:16,080

but uh i i would i would put money on it

2216

01:24:21,910 --> 01:24:18,880

probably wasn't an autopsy

2217

01:24:23,750 --> 01:24:21,920

oh now that's interesting now did how

2218

01:24:26,390 --> 01:24:23,760

old was he when he died

2219

01:24:30,070 --> 01:24:26,400

wasn't very old he was like uh

2220

01:24:31,590 --> 01:24:30,080

he was born in 1960 he was 50 years old

2221

01:24:33,750 --> 01:24:31,600

well that's pretty young for a heart

2222

01:24:35,750 --> 01:24:33,760

attack but it's been it's happened but

2223

01:24:38,149 --> 01:24:35,760

you know of course it happened and we do

2224

01:24:40,470 --> 01:24:38,159

have to remember it was back then when

2225

01:24:41,830 --> 01:24:40,480

people smoke and drank like fishes and

2226

01:24:43,350 --> 01:24:41,840

oh absolutely

2227

01:24:45,110 --> 01:24:43,360

and you know smokes like a chimney and

2228

01:24:47,830 --> 01:24:45,120

drank like a fish that's how my dad

2229

01:24:49,510 --> 01:24:47,840

always says it that's right so um so you

2230

01:24:51,669 --> 01:24:49,520

know it could have been that too but

2231

01:24:54,470 --> 01:24:51,679

yeah it never hurts to speculate off in

2232

01:24:56,229 --> 01:24:54,480

another direction too i'm telling you

2233

01:24:58,390 --> 01:24:56,239

um and

2234

01:25:01,510 --> 01:24:58,400

the other thing is when he was talking

2235

01:25:03,030 --> 01:25:01,520

if he had loose lips he was not talking

2236

01:25:05,830 --> 01:25:03,040

to people that had signed their

2237

01:25:07,990 --> 01:25:05,840

disclosure agreements and

2238

01:25:09,030 --> 01:25:08,000

basically had their lives threatened

2239

01:25:12,070 --> 01:25:09,040

okay

2240

01:25:13,990 --> 01:25:12,080

chester little in 1953

2241

01:25:15,510 --> 01:25:14,000

probably didn't sign anything even

2242

01:25:18,070 --> 01:25:15,520

though he was involved with the

2243

01:25:20,629 --> 01:25:18,080

manhattan project so i mean he's had

2244

01:25:21,669 --> 01:25:20,639

high security clearances of course

2245

01:25:23,590 --> 01:25:21,679

but not

2246

01:25:25,430 --> 01:25:23,600

pertaining to this he was just asking

2247

01:25:27,830 --> 01:25:25,440

the the general

2248

01:25:29,750 --> 01:25:27,840

uh who's then a one-star general the

2249

01:25:32,310 --> 01:25:29,760

general about

2250

01:25:34,149 --> 01:25:32,320

was roswell what was roswell and was it

2251

01:25:36,709 --> 01:25:34,159

ufo and

2252

01:25:38,550 --> 01:25:36,719

and then it was the general that added

2253

01:25:40,950 --> 01:25:38,560

about the bodies i don't know if chester

2254

01:25:42,870 --> 01:25:40,960

little asked him about bodies

2255

01:25:43,830 --> 01:25:42,880

right but he said you know it was one

2256

01:25:45,430 --> 01:25:43,840

craft

2257

01:25:47,590 --> 01:25:45,440

four bodies

2258

01:25:49,590 --> 01:25:47,600

did he even did he say if any of them

2259

01:25:51,990 --> 01:25:49,600

were alive or did is that all that

2260

01:25:53,750 --> 01:25:52,000

chester got out of him that's all that's

2261

01:25:55,510 --> 01:25:53,760

all it was in the on the internet and

2262

01:25:56,709 --> 01:25:55,520

the way that manchester got out of them

2263

01:25:59,270 --> 01:25:56,719

at least okay

2264

01:26:02,709 --> 01:25:59,280

best we know best we know

2265

01:26:04,870 --> 01:26:02,719

wow god that's so intriguing god

2266

01:26:07,510 --> 01:26:04,880

well oh is there any more to the roswell

2267

01:26:08,550 --> 01:26:07,520

story that you have looked into

2268

01:26:10,950 --> 01:26:08,560

well

2269

01:26:14,070 --> 01:26:10,960

the answer is basically little

2270

01:26:16,070 --> 01:26:14,080

not a lot i mean it's sort of like to me

2271

01:26:19,430 --> 01:26:16,080

it's somewhat cut and dry

2272

01:26:21,590 --> 01:26:19,440

i mean it was it was a crash of a craft

2273

01:26:22,550 --> 01:26:21,600

one two don't know

2274

01:26:24,550 --> 01:26:22,560

that

2275

01:26:27,270 --> 01:26:24,560

there were bodies

2276

01:26:28,550 --> 01:26:27,280

and supposedly one was alive and well

2277

01:26:30,470 --> 01:26:28,560

here's another thing oh here's another

2278

01:26:32,310 --> 01:26:30,480

thing that's interesting in the at the

2279

01:26:35,030 --> 01:26:32,320

50th anniversary you can see this on

2280

01:26:37,270 --> 01:26:35,040

youtube a colonel john haynes from the

2281

01:26:39,990 --> 01:26:37,280

united states air force has a press

2282

01:26:42,550 --> 01:26:40,000

conference oh yeah

2283

01:26:43,669 --> 01:26:42,560

had a press conference and at this press

2284

01:26:44,950 --> 01:26:43,679

conference

2285

01:26:52,310 --> 01:26:44,960

he

2286

01:26:54,790 --> 01:26:52,320

case is closed it's over

2287

01:26:57,270 --> 01:26:54,800

we're not doing this anymore here's the

2288

01:26:58,149 --> 01:26:57,280

book you want the only information here

2289

01:27:00,229 --> 01:26:58,159

it is

2290

01:27:02,629 --> 01:27:00,239

now then they started the the then the

2291

01:27:05,590 --> 01:27:02,639

colonel haynes starts to talk about at

2292

01:27:07,189 --> 01:27:05,600

the press conference about bodies

2293

01:27:09,830 --> 01:27:07,199

he says well there were bodies we can

2294

01:27:11,430 --> 01:27:09,840

explain the bodies they were crash test

2295

01:27:13,750 --> 01:27:11,440

dummies

2296

01:27:18,310 --> 01:27:13,760

and it turns out the first crash test

2297

01:27:19,430 --> 01:27:18,320

dummy was invented in 1953.

2298

01:27:22,470 --> 01:27:19,440

roswell

2299

01:27:24,390 --> 01:27:22,480

the incident was in 1947.

2300

01:27:27,590 --> 01:27:24,400

so these reporters there was a couple

2301
01:27:30,310 --> 01:27:27,600
from cnn that were all over him i know

2302
01:27:33,669 --> 01:27:30,320
it was great well we don't understand

2303
01:27:35,030 --> 01:27:33,679
how can you say that it was crash test

2304
01:27:36,149 --> 01:27:35,040
dummies

2305
01:27:38,870 --> 01:27:36,159
when

2306
01:27:39,910 --> 01:27:38,880
excuse me it was six years difference in

2307
01:27:42,310 --> 01:27:39,920
time

2308
01:27:44,149 --> 01:27:42,320
and so the colonel said well what we got

2309
01:27:47,590 --> 01:27:44,159
here is people get mixed up and it's

2310
01:27:48,310 --> 01:27:47,600
called time compression

2311
01:27:53,110 --> 01:27:48,320
i

2312
01:27:55,510 --> 01:27:53,120
get that answer

2313
01:27:57,110 --> 01:27:55,520

fine compression and you can see that

2314

01:28:05,510 --> 01:27:57,120

interview

2315

01:28:09,910 --> 01:28:07,910

didn't do anything for the 70th trying

2316

01:28:11,510 --> 01:28:09,920

to dispel it didn't you yeah no they

2317

01:28:13,830 --> 01:28:11,520

died

2318

01:28:16,229 --> 01:28:13,840

and then and then the colonel went on in

2319

01:28:17,510 --> 01:28:16,239

his in his in his presentation and said

2320

01:28:19,750 --> 01:28:17,520

well the bodies could have been there

2321

01:28:22,310 --> 01:28:19,760

was a crash in 1956

2322

01:28:23,510 --> 01:28:22,320

where x number of airmen lost their

2323

01:28:26,470 --> 01:28:23,520

lives

2324

01:28:29,350 --> 01:28:26,480

and then in 1959 there was another crash

2325

01:28:33,030 --> 01:28:29,360

my god we're talking about 1947.

2326

01:28:34,709 --> 01:28:33,040

not 1956 and 1959. i know i never did

2327

01:28:36,950 --> 01:28:34,719

understand why he brought that up except

2328

01:28:39,350 --> 01:28:36,960

for to make people think that well

2329

01:28:41,030 --> 01:28:39,360

the crash test you know we had something

2330

01:28:43,270 --> 01:28:41,040

going on back then we weren't telling

2331

01:28:46,310 --> 01:28:43,280

you about you know or something to that

2332

01:28:48,390 --> 01:28:46,320

effect and i thought it was such a lame

2333

01:28:51,270 --> 01:28:48,400

lame oh interview it was just

2334

01:28:53,189 --> 01:28:51,280

unbelievable and yeah what can you do

2335

01:28:55,430 --> 01:28:53,199

anyhow we got lots of questions for well

2336

01:28:57,990 --> 01:28:55,440

not laws we got some now i want anybody

2337

01:29:00,310 --> 01:28:58,000

left over in chat you guys ask ask your

2338

01:29:01,750 --> 01:29:00,320

questions of jim he can answer just

2339

01:29:03,669 --> 01:29:01,760

about anything because he is a

2340

01:29:05,669 --> 01:29:03,679

generalist so

2341

01:29:08,390 --> 01:29:05,679

we can get him on a few things so the

2342

01:29:10,790 --> 01:29:08,400

first question out of the gate is a

2343

01:29:12,870 --> 01:29:10,800

question from max and he wants to know

2344

01:29:15,910 --> 01:29:12,880

the closer we get to disclosure

2345

01:29:17,270 --> 01:29:15,920

government or not which is a matter of

2346

01:29:20,149 --> 01:29:17,280

perception

2347

01:29:22,629 --> 01:29:20,159

will disclosure make mufon less or more

2348

01:29:25,750 --> 01:29:22,639

relevant

2349

01:29:28,470 --> 01:29:25,760

uh when he says mufon i think

2350

01:29:30,790 --> 01:29:28,480

mufon is a good point to take as less or

2351

01:29:33,030 --> 01:29:30,800

more relevant but also i think let's

2352

01:29:35,030 --> 01:29:33,040

expand that to include all the

2353

01:29:37,590 --> 01:29:35,040

researchers all the contactees all the

2354

01:29:39,669 --> 01:29:37,600

people on the ufo circuit i call it how

2355

01:29:41,350 --> 01:29:39,679

about all those people what do you think

2356

01:29:43,910 --> 01:29:41,360

will happen if the government or

2357

01:29:45,430 --> 01:29:43,920

somebody else discloses

2358

01:29:47,990 --> 01:29:45,440

to those people

2359

01:29:49,750 --> 01:29:48,000

well here's the deal first of all

2360

01:29:51,430 --> 01:29:49,760

disclosure's not going to happen the way

2361

01:29:56,629 --> 01:29:51,440

we would love it to happen it's just not

2362

01:30:01,070 --> 01:29:58,629

that without a permanent threat to

2363

01:30:03,750 --> 01:30:01,080

national security america's

2364

01:30:06,149 --> 01:30:03,760

multi-billion dollar war machine

2365

01:30:07,110 --> 01:30:06,159

is without a purpose i mean that's one

2366

01:30:08,629 --> 01:30:07,120

thing

2367

01:30:11,510 --> 01:30:08,639

i mean

2368

01:30:14,550 --> 01:30:11,520

the reality is

2369

01:30:16,629 --> 01:30:14,560

we won't have disclosure until something

2370

01:30:18,950 --> 01:30:16,639

happens and that's

2371

01:30:21,590 --> 01:30:18,960

the way i work i work my priority number

2372

01:30:23,510 --> 01:30:21,600

one is humanity and i'd like to ease the

2373

01:30:25,669 --> 01:30:23,520

landing make the landing as soft as

2374

01:30:27,590 --> 01:30:25,679

possible for when that

2375

01:30:29,910 --> 01:30:27,600

event happens that event won't happen

2376

01:30:31,669 --> 01:30:29,920

through the government it will be

2377

01:30:33,350 --> 01:30:31,679

something else i'm not saying it's going

2378

01:30:34,870 --> 01:30:33,360

to be false flag

2379

01:30:35,910 --> 01:30:34,880

who knows what it's going to be it's

2380

01:30:37,910 --> 01:30:35,920

going to be

2381

01:30:39,189 --> 01:30:37,920

that something's going to happen that's

2382

01:30:41,910 --> 01:30:39,199

going to

2383

01:30:44,550 --> 01:30:41,920

shock everybody for instance in the

2384

01:30:48,070 --> 01:30:44,560

movie intruders i know you've heard this

2385

01:30:50,470 --> 01:30:48,080

before lorien but a lot of people yes so

2386

01:30:52,629 --> 01:30:50,480

in the movie intruders that was uh put

2387

01:30:55,430 --> 01:30:52,639

together by dr john mack

2388

01:30:58,229 --> 01:30:55,440

uh dead bud hopkins dead

2389

01:31:00,950 --> 01:30:58,239

uh tracy tormey alive living in los

2390

01:31:02,470 --> 01:31:00,960

angeles i'm doing a little work with him

2391

01:31:04,390 --> 01:31:02,480

and james fox

2392

01:31:06,790 --> 01:31:04,400

um but anyway in the film called

2393

01:31:08,709 --> 01:31:06,800

intruders which by the way you can see

2394

01:31:11,189 --> 01:31:08,719

on youtube

2395

01:31:12,470 --> 01:31:11,199

we love youtube for free we love you i

2396

01:31:14,629 --> 01:31:12,480

mean there's a lot of

2397

01:31:17,830 --> 01:31:14,639

a lot of poopy on there but there's also

2398

01:31:20,470 --> 01:31:17,840

a lot of good stuff that film intruders

2399

01:31:22,629 --> 01:31:20,480

is a long film because it was in parts

2400

01:31:25,590 --> 01:31:22,639

it was in uh um

2401

01:31:26,790 --> 01:31:25,600

six parts i think you're right and yeah

2402

01:31:28,870 --> 01:31:26,800

for tv

2403

01:31:30,790 --> 01:31:28,880

yeah and so what you see on youtube is

2404

01:31:32,790 --> 01:31:30,800

like three hours because they put it all

2405

01:31:34,550 --> 01:31:32,800

together yeah but in

2406

01:31:36,070 --> 01:31:34,560

in uh so anyway the film was made in

2407

01:31:37,030 --> 01:31:36,080

1992

2408

01:31:38,790 --> 01:31:37,040

and

2409

01:31:41,189 --> 01:31:38,800

the scene in this part where i'm going

2410

01:31:42,950 --> 01:31:41,199

to talk about is richard crenna is

2411

01:31:46,790 --> 01:31:42,960

playing dr mack

2412

01:31:49,990 --> 01:31:46,800

and he's at a general retired general's

2413

01:31:52,229 --> 01:31:50,000

house beautiful tudor mansion

2414

01:31:54,709 --> 01:31:52,239

and it's raining out and they're inside

2415

01:31:56,070 --> 01:31:54,719

the house and they're having a little

2416

01:32:00,310 --> 01:31:56,080

something to drink

2417

01:32:01,830 --> 01:32:00,320

and the general is trying to get dr mack

2418

01:32:03,830 --> 01:32:01,840

to

2419

01:32:05,270 --> 01:32:03,840

join the group

2420

01:32:06,870 --> 01:32:05,280

the cabal

2421

01:32:07,910 --> 01:32:06,880

you know get him to join be a team

2422

01:32:11,110 --> 01:32:07,920

player

2423

01:32:13,110 --> 01:32:11,120

i love the summer there's so much to do

2424

01:32:15,669 --> 01:32:13,120

driving my new volkswagen jetta to the

2425

01:32:18,310 --> 01:32:15,679

lake driving it to the beach driving it

2426
01:32:19,750 --> 01:32:18,320
home after a weekend at the beach see i

2427
01:32:21,750 --> 01:32:19,760
got a great deal from my local

2428
01:32:23,830 --> 01:32:21,760
volkswagen dealer and with available

2429
01:32:25,590 --> 01:32:23,840
features like adaptive cruise control

2430
01:32:28,629 --> 01:32:25,600
blind spot monitor and rear traffic

2431
01:32:29,669 --> 01:32:28,639
alert this jetta is all about confidence

2432
01:32:31,590 --> 01:32:29,679
i think i'll drive it up to the

2433
01:32:34,070 --> 01:32:31,600
mountains this weekend i might even go

2434
01:32:35,750 --> 01:32:34,080
hiking if i have time test drive the

2435
01:32:40,229 --> 01:32:35,760
volkswagen jetta this summer at your

2436
01:32:45,590 --> 01:32:41,350
and so

2437
01:32:47,830 --> 01:32:45,600
richard crenna

2438
01:32:49,669 --> 01:32:47,840

is saying

2439

01:32:51,110 --> 01:32:49,679

but that we will disclose this to the

2440

01:32:53,750 --> 01:32:51,120

public correct

2441

01:32:54,470 --> 01:32:53,760

and he said the general says

2442

01:32:58,149 --> 01:32:54,480

no

2443

01:33:00,709 --> 01:32:58,159

disclosing it to the public

2444

01:33:02,390 --> 01:33:00,719

um and he says what do you expect should

2445

01:33:05,350 --> 01:33:02,400

the president of the united states go

2446

01:33:06,790 --> 01:33:05,360

and this is what he's saying to mack uh

2447

01:33:09,350 --> 01:33:06,800

should the president united states go on

2448

01:33:10,229 --> 01:33:09,360

national television and say here we go

2449

01:33:11,910 --> 01:33:10,239

now

2450

01:33:13,750 --> 01:33:11,920

strap in folks

2451
01:33:15,990 --> 01:33:13,760
can you handle the truth i'm not saying

2452
01:33:18,790 --> 01:33:16,000
this is the truth but it's probably

2453
01:33:20,390 --> 01:33:18,800
pretty close to the truth anyway my

2454
01:33:23,510 --> 01:33:20,400
fellow americans

2455
01:33:24,870 --> 01:33:23,520
we have evidence of a superior race

2456
01:33:27,110 --> 01:33:24,880
or races

2457
01:33:29,750 --> 01:33:27,120
who have visited our planet

2458
01:33:31,510 --> 01:33:29,760
they come from god knows where

2459
01:33:33,830 --> 01:33:31,520
maybe outer space

2460
01:33:35,430 --> 01:33:33,840
or from some other dimension of

2461
01:33:37,270 --> 01:33:35,440
existence

2462
01:33:39,030 --> 01:33:37,280
they are abducting our citizens on a

2463
01:33:41,990 --> 01:33:39,040

regular basis

2464

01:33:44,629 --> 01:33:42,000

they are conducting experiments on them

2465

01:33:46,149 --> 01:33:44,639

collecting specimens of our ova

2466

01:33:48,470 --> 01:33:46,159

our sperm

2467

01:33:50,950 --> 01:33:48,480

they've been impregnating women and then

2468

01:33:54,470 --> 01:33:50,960

later invading those women's bodies

2469

01:33:57,110 --> 01:33:54,480

again and stealing the unborn fetuses

2470

01:33:59,110 --> 01:33:57,120

for reasons we can only

2471

01:34:02,229 --> 01:33:59,120

imagine

2472

01:34:04,870 --> 01:34:02,239

god and this is why art bill always said

2473

01:34:06,870 --> 01:34:04,880

to everybody hey i'm kind of now turning

2474

01:34:09,110 --> 01:34:06,880

into that guy who says i don't want to

2475

01:34:11,030 --> 01:34:09,120

know you know i don't want the world to

2476

01:34:14,149 --> 01:34:11,040

know it could be ugly

2477

01:34:14,870 --> 01:34:14,159

i know i know so that that so my feeling

2478

01:34:16,870 --> 01:34:14,880

is

2479

01:34:18,870 --> 01:34:16,880

that's kind of like

2480

01:34:20,550 --> 01:34:18,880

we'll not get the disclosure and i know

2481

01:34:22,790 --> 01:34:20,560

whether it's steve bassett or a lot of

2482

01:34:24,390 --> 01:34:22,800

other people are working really hard and

2483

01:34:26,629 --> 01:34:24,400

i can give him nothing but credit and

2484

01:34:29,510 --> 01:34:26,639

support but yeah yeah i'm just going to

2485

01:34:30,870 --> 01:34:29,520

throw one last comment in on this if i'm

2486

01:34:32,950 --> 01:34:30,880

out of work

2487

01:34:35,669 --> 01:34:32,960

you know out of my mufon work out of my

2488

01:34:38,229 --> 01:34:35,679

ufo work if all this ends tomorrow

2489

01:34:40,790 --> 01:34:38,239

because of disclosure and no one comes

2490

01:34:43,350 --> 01:34:40,800

to me for answers about anything that's

2491

01:34:46,629 --> 01:34:43,360

fine with me i have no problem with it i

2492

01:34:48,390 --> 01:34:46,639

am not you know i'm not an 18 on the ufo

2493

01:34:51,189 --> 01:34:48,400

scene and all those people will

2494

01:34:53,510 --> 01:34:51,199

obviously be the go-to's like greer and

2495

01:34:56,229 --> 01:34:53,520

wilcock and you know oh god don't get me

2496

01:34:57,910 --> 01:34:56,239

started on you know that group of people

2497

01:34:59,590 --> 01:34:57,920

but um

2498

01:35:01,590 --> 01:34:59,600

you know that's great you know whatever

2499

01:35:03,030 --> 01:35:01,600

floats their boat hopefully at that time

2500

01:35:04,470 --> 01:35:03,040

i can go back to being an artist and i

2501

01:35:07,590 --> 01:35:04,480

don't even have to talk about it ever

2502

01:35:09,590 --> 01:35:07,600

again you know right right or you and i

2503

01:35:11,669 --> 01:35:09,600

can you can smoke your cigars and i'll

2504

01:35:15,110 --> 01:35:11,679

throw pots and we'll sell them at the

2505

01:35:17,910 --> 01:35:15,120

sonoma community center how's that sound

2506

01:35:19,590 --> 01:35:17,920

sounds like a possible a possible plan

2507

01:35:20,950 --> 01:35:19,600

but anyway

2508

01:35:23,350 --> 01:35:20,960

so i was just thinking i know we're

2509

01:35:25,350 --> 01:35:23,360

getting short on time but yeah well

2510

01:35:27,270 --> 01:35:25,360

before you know we've got more questions

2511

01:35:30,390 --> 01:35:27,280

for you so let's go some more questions

2512

01:35:31,910 --> 01:35:30,400

okay durham wants to know uh please ask

2513

01:35:33,750 --> 01:35:31,920

jim if he's familiar with the nick

2514

01:35:37,510 --> 01:35:33,760

redfern's new book

2515

01:35:40,550 --> 01:35:37,520

the roswell ufo conspiracy exposing a

2516

01:35:42,149 --> 01:35:40,560

shocking and sinister secret and if you

2517

01:35:44,629 --> 01:35:42,159

are familiar with it what is your

2518

01:35:47,189 --> 01:35:44,639

assessment of the book

2519

01:35:49,669 --> 01:35:47,199

if that is uh

2520

01:35:52,470 --> 01:35:49,679

if that's about they were putting

2521

01:35:55,189 --> 01:35:52,480

russians the prisoners of war

2522

01:35:57,750 --> 01:35:55,199

in craft as some kind of experiment if i

2523

01:35:59,350 --> 01:35:57,760

if that's it i think i read a book when

2524

01:36:01,590 --> 01:35:59,360

you say latest book was it something

2525

01:36:03,270 --> 01:36:01,600

like from a week ago or something from

2526

01:36:05,270 --> 01:36:03,280

four or five years ago i don't know but

2527

01:36:07,430 --> 01:36:05,280

it was four or five years ago

2528

01:36:08,470 --> 01:36:07,440

nick redfean's book that he was talking

2529

01:36:11,750 --> 01:36:08,480

about

2530

01:36:15,669 --> 01:36:11,760

that they had prisoners of war

2531

01:36:18,070 --> 01:36:15,679

or russian people or something in craft

2532

01:36:19,030 --> 01:36:18,080

and and i may be wrong i may be totally

2533

01:36:20,470 --> 01:36:19,040

wrong

2534

01:36:22,709 --> 01:36:20,480

if that's what it is

2535

01:36:24,390 --> 01:36:22,719

yeah and so what's your take on do you

2536

01:36:26,070 --> 01:36:24,400

think that might have been

2537

01:36:27,669 --> 01:36:26,080

you know nick's got an idea that this

2538

01:36:28,709 --> 01:36:27,679

could be real or what

2539

01:36:34,790 --> 01:36:28,719

no

2540

01:36:36,310 --> 01:36:34,800

yet as soon as i read it i'll pass it on

2541

01:36:37,669 --> 01:36:36,320

to you and then we'll both be in the

2542

01:36:39,910 --> 01:36:37,679

know okay

2543

01:36:43,030 --> 01:36:39,920

okay here's uh one more question from

2544

01:36:47,270 --> 01:36:43,040

durham um he also wants to know please

2545

01:36:50,310 --> 01:36:47,280

ask jim his view of bob lazar

2546

01:36:53,750 --> 01:36:50,320

i think bob's the real deal yep

2547

01:36:55,750 --> 01:36:53,760

i agree and you know what did it for me

2548

01:36:58,310 --> 01:36:55,760

jim did i ever tell you this

2549

01:37:00,149 --> 01:36:58,320

i got very much involved as you know in

2550

01:37:02,470 --> 01:37:00,159

the super soldier and mind control

2551

01:37:04,310 --> 01:37:02,480

community when i got into the the ufo

2552

01:37:06,390 --> 01:37:04,320

scene suddenly i was smacked upside the

2553

01:37:07,669 --> 01:37:06,400

head with that as well in the my labs

2554

01:37:09,270 --> 01:37:07,679

and all that

2555

01:37:12,070 --> 01:37:09,280

and um

2556

01:37:13,910 --> 01:37:12,080

several people i knew that came forward

2557

01:37:15,669 --> 01:37:13,920

to me that nobody knows about i don't

2558

01:37:16,629 --> 01:37:15,679

even talk about these people

2559

01:37:18,070 --> 01:37:16,639

um

2560

01:37:19,990 --> 01:37:18,080

because they've asked me never to bring

2561

01:37:21,910 --> 01:37:20,000

their names up or even tell anybody they

2562

01:37:23,910 --> 01:37:21,920

know me

2563

01:37:25,910 --> 01:37:23,920

told me stories about

2564

01:37:28,390 --> 01:37:25,920

working for the government

2565

01:37:31,510 --> 01:37:28,400

being on military bases

2566

01:37:33,750 --> 01:37:31,520

and going home after work and not

2567

01:37:35,910 --> 01:37:33,760

remembering a dang thing that happened

2568

01:37:38,310 --> 01:37:35,920

at the office that day they remember

2569

01:37:40,070 --> 01:37:38,320

getting there they remember sitting down

2570

01:37:44,709 --> 01:37:40,080

at their desk and the next thing they

2571

01:37:49,750 --> 01:37:47,590

so when bob lazar said and this is what

2572

01:37:51,270 --> 01:37:49,760

did it for me it's like i i kind of was

2573

01:37:54,550 --> 01:37:51,280

on the fence about him for all these

2574

01:37:56,149 --> 01:37:54,560

years but back in 2011 when these people

2575

01:37:58,709 --> 01:37:56,159

came to me and started coming out of the

2576

01:38:01,189 --> 01:37:58,719

woodwork and they told me their story i

2577

01:38:03,830 --> 01:38:01,199

went oh my god that's exactly what bob

2578

01:38:05,830 --> 01:38:03,840

lazar said and the minute uh i heard

2579

01:38:08,070 --> 01:38:05,840

that i went okay he said he's the real

2580

01:38:10,070 --> 01:38:08,080

deal because that's a dead giveaway

2581

01:38:11,350 --> 01:38:10,080

remember he said i used to get on the

2582

01:38:14,229 --> 01:38:11,360

jane plane

2583

01:38:17,750 --> 01:38:14,239

and they'd play uh going going to

2584

01:38:20,229 --> 01:38:17,760

america by well that's neil diamond neil

2585

01:38:21,910 --> 01:38:20,239

diamond's go yeah coming to america

2586

01:38:24,070 --> 01:38:21,920

right right you're right i remember him

2587

01:38:25,830 --> 01:38:24,080

saying that yes yeah by the time he got

2588

01:38:28,470 --> 01:38:25,840

off the plane he couldn't remember what

2589

01:38:30,709 --> 01:38:28,480

he'd done at work that day right

2590

01:38:32,950 --> 01:38:30,719

so i'm like thinking geez you know this

2591

01:38:35,350 --> 01:38:32,960

is severe mind control they've got a

2592

01:38:37,350 --> 01:38:35,360

frequency built into the song that wipes

2593

01:38:39,109 --> 01:38:37,360

all their minds up or just gets them to

2594

01:38:41,350 --> 01:38:39,119

the point where they're sleepy and

2595

01:38:43,350 --> 01:38:41,360

forget you know whatever it is they're

2596

01:38:45,590 --> 01:38:43,360

doing to them and

2597

01:38:48,070 --> 01:38:45,600

he's got to be the real deal because how

2598

01:38:50,149 --> 01:38:48,080

many that was like such a telltale sign

2599

01:38:52,390 --> 01:38:50,159

for me i just kind of like oh my god

2600

01:38:54,950 --> 01:38:52,400

definitely real anyhow so you go ahead

2601
01:38:57,109 --> 01:38:54,960
is bob lazar real to you yes and do you

2602
01:38:58,629 --> 01:38:57,119
have a reason why

2603
01:39:00,390 --> 01:38:58,639
uh

2604
01:39:03,990 --> 01:39:00,400
other than the fact that i've met him in

2605
01:39:04,400 --> 01:39:04,000
person i've heard him speak

2606
01:39:05,910 --> 01:39:04,410
um

2607
01:39:07,910 --> 01:39:05,920
[Music]

2608
01:39:09,910 --> 01:39:07,920
and it's it's it's just too good it's

2609
01:39:13,669 --> 01:39:09,920
too good it's not too good a story not

2610
01:39:15,510 --> 01:39:13,679
to be real but it's too good a story not

2611
01:39:16,870 --> 01:39:15,520
to be real i mean it's just really

2612
01:39:19,189 --> 01:39:16,880
really good

2613
01:39:22,149 --> 01:39:19,199

and uh

2614

01:39:24,709 --> 01:39:22,159

he's the real deal he's the real deal

2615

01:39:26,550 --> 01:39:24,719

he's not making i mean they discredited

2616

01:39:29,189 --> 01:39:26,560

them they wiped them off the map so to

2617

01:39:31,270 --> 01:39:29,199

speak and you know our our favorite guy

2618

01:39:34,229 --> 01:39:31,280

stanton freeman is the instigator of

2619

01:39:35,910 --> 01:39:34,239

that you know really oh yeah stanton

2620

01:39:38,470 --> 01:39:35,920

can't stand him he's the one that's it

2621

01:39:40,470 --> 01:39:38,480

spread the rumor that he's a fake and

2622

01:39:42,390 --> 01:39:40,480

oh yeah yeah stanton and him are at war

2623

01:39:44,229 --> 01:39:42,400

they've been at war since the stanton

2624

01:39:46,310 --> 01:39:44,239

came out and said no way has this guy

2625

01:39:48,790 --> 01:39:46,320

ever done anything he said he did

2626

01:39:50,870 --> 01:39:48,800

and stanton will not get off that horse

2627

01:39:52,229 --> 01:39:50,880

he won't get off of it no matter he's a

2628

01:39:54,709 --> 01:39:52,239

stubborn guy

2629

01:39:56,550 --> 01:39:54,719

yeah he is and i've sat with him as you

2630

01:39:58,550 --> 01:39:56,560

know my table was right next to him two

2631

01:40:00,470 --> 01:39:58,560

years ago it contacted the desert and i

2632

01:40:02,709 --> 01:40:00,480

had to talk to him

2633

01:40:05,109 --> 01:40:02,719

and guess what we talked about

2634

01:40:07,830 --> 01:40:05,119

i can understand if he wouldn't talk to

2635

01:40:10,070 --> 01:40:07,840

me after that after the

2636

01:40:11,990 --> 01:40:10,080

that the rest of the day

2637

01:40:13,830 --> 01:40:12,000

he turned his kind of his back on me and

2638

01:40:15,830 --> 01:40:13,840

was sitting looking the other direction

2639

01:40:17,830 --> 01:40:15,840

and he refused to talk to me the rest of

2640

01:40:20,390 --> 01:40:17,840

the day but he was nice to me after that

2641

01:40:22,629 --> 01:40:20,400

but i mean seriously he does not believe

2642

01:40:24,790 --> 01:40:22,639

that bob lazar is the real deal so

2643

01:40:27,350 --> 01:40:24,800

anyhow we'll leave it at that and let's

2644

01:40:30,629 --> 01:40:27,360

go on to the last question um max wants

2645

01:40:33,990 --> 01:40:30,639

to know he says he's just looking at the

2646

01:40:38,229 --> 01:40:34,000

technological advancements from 1947 to

2647

01:40:41,750 --> 01:40:38,239

now compared to the 5 000 years before

2648

01:40:44,629 --> 01:40:41,760

is disclosure within itself and who is

2649

01:40:46,470 --> 01:40:44,639

to say the craft and or material was not

2650

01:40:48,310 --> 01:40:46,480

this of this earth

2651

01:40:50,310 --> 01:40:48,320

couldn't it just be they were coming

2652

01:40:52,629 --> 01:40:50,320

home okay so i'm kind of getting what

2653

01:40:55,270 --> 01:40:52,639

he's asking he wants to know if you feel

2654

01:40:58,229 --> 01:40:55,280

that um these guys are coming back to

2655

01:40:59,830 --> 01:40:58,239

the place they originated from

2656

01:41:02,790 --> 01:40:59,840

and that

2657

01:41:06,709 --> 01:41:02,800

the technology that we got off of that

2658

01:41:09,270 --> 01:41:06,719

craft in 1947 was the reason we are as

2659

01:41:10,629 --> 01:41:09,280

technologically advanced as we are 70

2660

01:41:13,270 --> 01:41:10,639

years later

2661

01:41:16,149 --> 01:41:13,280

well of course the answer is probably

2662

01:41:19,109 --> 01:41:16,159

yes because i mean whether you

2663

01:41:20,870 --> 01:41:19,119

dig or do not dig colonel corso's book

2664

01:41:23,669 --> 01:41:20,880

day after roswell

2665

01:41:24,629 --> 01:41:23,679

um i mean he supposedly was the one that

2666

01:41:27,830 --> 01:41:24,639

helped

2667

01:41:28,950 --> 01:41:27,840

disseminate that information out to

2668

01:41:31,830 --> 01:41:28,960

um

2669

01:41:34,229 --> 01:41:31,840

in the private industry bell general

2670

01:41:36,470 --> 01:41:34,239

electric etc and so forth the answer is

2671

01:41:38,550 --> 01:41:36,480

probably yes yes

2672

01:41:40,470 --> 01:41:38,560

yeah i would think so yeah and what

2673

01:41:42,310 --> 01:41:40,480

about colonel corso i mean he swears

2674

01:41:47,030 --> 01:41:42,320

that it was because of that craft and

2675

01:41:49,430 --> 01:41:47,040

crash that they got velcro and uh uh

2676

01:41:50,870 --> 01:41:49,440

chips you know computer nano chips or

2677

01:41:53,109 --> 01:41:50,880

well at the time

2678

01:41:55,109 --> 01:41:53,119

didn't we having 47 like rooms of

2679

01:41:56,470 --> 01:41:55,119

computers if i remember correctly i

2680

01:41:59,030 --> 01:41:56,480

don't know if we even had them then but

2681

01:42:00,790 --> 01:41:59,040

yeah we did we did they just weren't

2682

01:42:03,669 --> 01:42:00,800

what we consider

2683

01:42:06,070 --> 01:42:03,679

computers nowadays we did not have the

2684

01:42:07,990 --> 01:42:06,080

um we had resistors

2685

01:42:09,350 --> 01:42:08,000

and we had uh what are the other ones

2686

01:42:11,270 --> 01:42:09,360

they start with a c i can't remember the

2687

01:42:13,990 --> 01:42:11,280

word um

2688

01:42:15,350 --> 01:42:14,000

not condensers um anyhow we had little

2689

01:42:17,830 --> 01:42:15,360

these little things that looked like

2690

01:42:19,750 --> 01:42:17,840

little batteries on wires

2691

01:42:21,109 --> 01:42:19,760

in all the computers back then i don't

2692

01:42:23,910 --> 01:42:21,119

know if everybody knows i'm talking

2693

01:42:26,310 --> 01:42:23,920

about but uh they certainly weren't as

2694

01:42:29,189 --> 01:42:26,320

small we did not have microchips we did

2695

01:42:31,750 --> 01:42:29,199

not have the chip back then a silicon

2696

01:42:34,229 --> 01:42:31,760

chip the silicon ship came after the

2697

01:42:36,390 --> 01:42:34,239

roswell crash so

2698

01:42:38,310 --> 01:42:36,400

yeah it's very interesting

2699

01:42:40,149 --> 01:42:38,320

anyhow okay you're not gonna believe

2700

01:42:41,669 --> 01:42:40,159

this jim it's the end of the show we've

2701
01:42:44,070 --> 01:42:41,679
had such a great time and thank you for

2702
01:42:46,629 --> 01:42:44,080
spilling the beans literally about the

2703
01:42:48,870 --> 01:42:46,639
chemtrails here i think you're you're

2704
01:42:50,790 --> 01:42:48,880
appreciating your beans my beets i'm

2705
01:42:53,750 --> 01:42:50,800
gonna pass those beans on up the food

2706
01:42:55,510 --> 01:42:53,760
chain as you if you get my draft

2707
01:42:57,510 --> 01:42:55,520
i don't want to hold the beans i want to

2708
01:43:00,629 --> 01:42:57,520
give them to somebody else yeah they're

2709
01:43:03,990 --> 01:43:02,550
everybody get out there tomorrow morning

2710
01:43:06,149 --> 01:43:04,000
and look up

2711
01:43:07,750 --> 01:43:06,159
yes yeah i'm going to i'm going to ask

2712
01:43:09,750 --> 01:43:07,760
everybody and this weekend we're going

2713
01:43:11,990 --> 01:43:09,760

to be up in canoctide doing a big sky

2714

01:43:13,669 --> 01:43:12,000

watch and oh i got to talk to you after

2715

01:43:15,270 --> 01:43:13,679

the show anyhow we're going up there

2716

01:43:17,030 --> 01:43:15,280

with the big sky watch we'll definitely

2717

01:43:18,629 --> 01:43:17,040

be looking for him and we'll you know

2718

01:43:19,910 --> 01:43:18,639

we're calling the crafts and we're just

2719

01:43:22,550 --> 01:43:19,920

going to have a great old time so it'll

2720

01:43:25,030 --> 01:43:22,560

be really cool anyhow so uh give your

2721

01:43:28,790 --> 01:43:25,040

websites one more time please i will do

2722

01:43:33,430 --> 01:43:32,149

ufo gym s-o-n-o-m-a
