radio as you just heard I'm your host

13
00:01:26,050 --> 00:01:24,500

Renee Barnett glad you could join us

14

00:01:28,480 --> 00:01:26,060

tonight it's going to be an interesting

15

00:01:33,070 --> 00:01:28,490

very very interesting night really

16

00:01:34,960 --> 00:01:33,080

excited about tonight's guest tonight I

17

00:01:37,420 --> 00:01:34,970

have with me author and screenwriter

18

00:01:40,090 --> 00:01:37,430

Marie D Jones and we're going to be

19

00:01:42,070 --> 00:01:40,100

walking through the dark world of mind

20

00:01:43,990 --> 00:01:42,080

control and not just what you may be

21

00:01:46,660 --> 00:01:44,000

familiar with you've heard about the

22

00:01:48,910 --> 00:01:46,670

government mind control programs MKULTRA

23

00:01:50,920 --> 00:01:48,920

all those things yes absolutely we're

24

00:01:52,990 --> 00:01:50,930

going to go there but also how

25

00:01:55,749 --> 00:01:53,000

mind-control has sort of been practiced

26
00:01:58,660 --> 00:01:55,759
through the ages how we've sort of been

27
00:02:00,580 --> 00:01:58,670
programmed but Marie's not going to

28
00:02:03,810 --> 00:02:00,590
leave us hanging because she's going to

29
00:02:06,999 --> 00:02:03,820
redeem us a little bit later in the show

30
00:02:08,650 --> 00:02:07,009
with her book on archetypes or the

31
00:02:12,600 --> 00:02:08,660
information that she covered in her book

32
00:02:15,750 --> 00:02:12,610
on archetypes and how we can use those

33
00:02:20,290 --> 00:02:15,760
symbols those sort of collective symbols

34
00:02:22,479 --> 00:02:20,300
of universal consciousness to help to

35
00:02:25,210 --> 00:02:22,489
reprogram ourselves first to deprogram

36
00:02:27,310 --> 00:02:25,220
ourselves from outside programming

37
00:02:30,070 --> 00:02:27,320
that's been thrown at us not only

38
00:02:32,949 --> 00:02:30,080

throughout our lives but our ancestors

39

00:02:34,660 --> 00:02:32,959

lives but how to get out of that but

40

00:02:36,250 --> 00:02:34,670

then I gotta warn you because we might

41

00:02:38,620 --> 00:02:36,260

drop you back in it toward the end of

42

00:02:41,170 --> 00:02:38,630

the show because Marie's got a new book

43

00:02:42,789 --> 00:02:41,180

that's coming out I think it's gonna be

44

00:02:45,009 --> 00:02:42,799

out in a couple months but she's going

45

00:02:47,500 --> 00:02:45,019

to tell us all about that but that is

46

00:02:49,900 --> 00:02:47,510

going to be on demons that's a whole

47

00:02:53,470 --> 00:02:49,910

different ballgame and we're gonna find

48

00:02:55,300 --> 00:02:53,480

out what that's all about but before we

49

00:02:57,220 --> 00:02:55,310

get any further down the line let's

50

00:03:00,190 --> 00:02:57,230

introduce Marie hey Marie thanks for

51
00:03:02,740 --> 00:03:00,200
joining me tonight hello there how are

52
00:03:04,570 --> 00:03:02,750
ya oh I'm good I'm good I thought the

53
00:03:08,020 --> 00:03:04,580
demons might have gotten into the Skype

54
00:03:11,560 --> 00:03:08,030
tonight when we started and I'm

55
00:03:15,310 --> 00:03:11,570
flummoxed because I used it earlier and

56
00:03:17,350 --> 00:03:15,320
it's like what it down saying won't

57
00:03:20,530 --> 00:03:17,360
connect you need to update your account

58
00:03:23,530 --> 00:03:20,540
it's always updated oh I don't know I'll

59
00:03:26,349 --> 00:03:23,540
figure it out of course you know I 15

60
00:03:30,390 --> 00:03:26,359
minutes before showtime I'm like what oh

61
00:03:36,100 --> 00:03:34,120
yeah the joys of live radio live

62
00:03:39,780 --> 00:03:36,110
broadcasting period you know done live

63
00:03:43,410 --> 00:03:39,790

TV - and it's similar crazy experience

64

00:03:46,090 --> 00:03:43,420

but anyhow you know thinking about

65

00:03:48,610 --> 00:03:46,100

tonight's show over the last you know

66

00:03:51,100 --> 00:03:48,620

couple weeks or so since we first

67

00:03:54,070 --> 00:03:51,110

chatted online

68

00:03:57,100 --> 00:03:54,080

I was looking you know into your work

69

00:04:00,460 --> 00:03:57,110

and in mind control and you know it does

70

00:04:04,270 --> 00:04:00,470

sort of conjure up images of you know

71

00:04:08,320 --> 00:04:04,280

the military and you know acronyms like

72

00:04:11,770 --> 00:04:08,330

MK ULTRA and things like that but it's

73

00:04:13,780 --> 00:04:11,780

much much more than that isn't it well

74

00:04:16,930 --> 00:04:13,790

it is and I think you know most people

75

00:04:20,050 --> 00:04:16,940

watch movies and TV spy TV shows and

76

00:04:22,480 --> 00:04:20,060

conspiracy stories and that those are

77

00:04:25,150 --> 00:04:22,490

the images that they get and rightfully

78

00:04:28,050 --> 00:04:25,160

so because we do have a history our

79

00:04:30,100 --> 00:04:28,060

government does have a history of

80

00:04:33,100 --> 00:04:30,110

experimenting with different forms of

81

00:04:37,060 --> 00:04:33,110

mind-control and has for a long time and

82

00:04:40,810 --> 00:04:37,070

I'm sure still is but the thing is is

83

00:04:44,830 --> 00:04:40,820

this is something that is going on day

84

00:04:46,960 --> 00:04:44,840

to day in ways that we're not even

85

00:04:49,090 --> 00:04:46,970

thinking about or we may not even

86

00:04:51,940 --> 00:04:49,100

realize especially when it comes to

87

00:04:56,290 --> 00:04:51,950

things like media manipulation and what

88

00:04:58,030 --> 00:04:56,300

goes on with the news that we watch and

89

00:05:00,640 --> 00:04:58,040

the news that gets passed around now

90

00:05:03,070 --> 00:05:00,650

even on social networking that we take

91

00:05:05,770 --> 00:05:03,080

for for facts and we very rarely

92

00:05:09,219 --> 00:05:05,780

research on our own and that we don't

93

00:05:12,960 --> 00:05:09,229

understand is sponsored it's fun it's

94

00:05:15,850 --> 00:05:12,970

paid for it's bought and sold by

95

00:05:18,730 --> 00:05:15,860

corporations that have specific agendas

96

00:05:20,980 --> 00:05:18,740

and that is not a conspiracy that is

97

00:05:24,670 --> 00:05:20,990

something that has been going on for

98

00:05:26,440 --> 00:05:24,680

quite a while and it's a fact and the

99

00:05:28,840 --> 00:05:26,450

more you become aware of it the more you

100

00:05:31,000 --> 00:05:28,850

see it and once you see it you can't

101

00:05:33,190 --> 00:05:31,010

unsee it and and they think that that's

102

00:05:35,800 --> 00:05:33,200

really good because it means that once

103

00:05:40,480 --> 00:05:35,810

you wake up it's kind of hard to go back

104

00:05:42,230 --> 00:05:40,490

to sleep and it's like oh wow okay okay

105

00:05:46,520 --> 00:05:42,240

kind of swings both ways

106

00:05:48,890 --> 00:05:46,530

it depending on whose agenda may be

107

00:05:51,409 --> 00:05:48,900

being served at the moment you know

108

00:05:53,839 --> 00:05:51,419

because I think that people you know

109

00:05:57,379 --> 00:05:53,849

have sort of become distrustful you know

110

00:05:59,839 --> 00:05:57,389

a the media in you know or at least a

111

00:06:02,180 --> 00:05:59,849

faction of the population has become

112

00:06:05,059 --> 00:06:02,190

distrustful of media and especially

113

00:06:09,020 --> 00:06:05,069

cable news that sort of thing and so

114

00:06:11,900 --> 00:06:09,030

they tend to gravitate more toward you

115

00:06:15,439 --> 00:06:11,910

know social media and online and more

116

00:06:19,370 --> 00:06:15,449

independent or what they feel might be

117

00:06:21,559 --> 00:06:19,380

more independent programming but I mean

118

00:06:23,719 --> 00:06:21,569

I'm here to tell you that the of these

119

00:06:26,510 --> 00:06:23,729

people that seem independent on the

120

00:06:28,909 --> 00:06:26,520

Internet they're also being backed by

121

00:06:32,960 --> 00:06:28,919

someone or they're just pushing their

122

00:06:37,129 --> 00:06:32,970

own agenda so you're absolutely right we

123

00:06:40,909 --> 00:06:37,139

we don't have a tendency to research if

124

00:06:44,870 --> 00:06:40,919

we see something that sort of rings true

125

00:06:46,430 --> 00:06:44,880

to us we just grab it and we run with it

126

00:06:48,740 --> 00:06:46,440

and I've seen it a lot and I actually

127

00:06:52,029 --> 00:06:48,750

fell for something this week on Facebook

128

00:06:56,089 --> 00:06:52,039

I got some kind of a message that

129

00:07:00,140 --> 00:06:56,099

someone was trying to friend everyone

130

00:07:03,320 --> 00:07:00,150

don't friend this pose it's a virus and

131

00:07:06,379 --> 00:07:03,330

blah blah blah well I was really busy at

132

00:07:08,450 --> 00:07:06,389

the moment and normally I google that

133

00:07:11,839 --> 00:07:08,460

stuff and I make sure is that a hoax

134

00:07:15,469 --> 00:07:11,849

because usually it's already outed by

135

00:07:16,969 --> 00:07:15,479

somebody well yes time I was like super

136

00:07:20,510 --> 00:07:16,979

busy and I thought I'll just go ahead

137

00:07:23,480 --> 00:07:20,520

and shoot this off to fall because if

138

00:07:25,700 --> 00:07:23,490

it's true then in one instant you know

139

00:07:28,219 --> 00:07:25,710

they could be you know infected with

140

00:07:29,480 --> 00:07:28,229

this virus so I said you know I'm people

141

00:07:32,059 --> 00:07:29,490

like like you know I don't care how busy

142

00:07:34,899 --> 00:07:32,069

I am I'm gonna stop I looked at it yeah

143

00:07:38,659 --> 00:07:34,909

it was a hoax so I had to go yeah yeah

144

00:07:40,879 --> 00:07:38,669

I'm sorry everyone I didn't do my due

145

00:07:42,350 --> 00:07:40,889

diligence and I think that's what you're

146

00:07:45,529 --> 00:07:42,360

talking about we need to do our due

147

00:07:47,629 --> 00:07:45,539

diligence well even on social networking

148

00:07:50,029 --> 00:07:47,639

I would say the vast majority of what

149

00:07:53,510 --> 00:07:50,039

gets passed around his knees his opinion

150

00:07:55,760 --> 00:07:53,520

it's been it's propaganda if somebody's

151

00:07:58,129 --> 00:07:55,770

take on something that

152

00:08:01,730 --> 00:07:58,139

is molded to look like the news story

153

00:08:05,059 --> 00:08:01,740

those are really really insidious there

154

00:08:08,119 --> 00:08:05,069

there are things that go around that

155

00:08:10,010 --> 00:08:08,129

look like actual news headlines they

156

00:08:12,020 --> 00:08:10,020

look like you know they're they're

157

00:08:14,360 --> 00:08:12,030

legitimate and authentic even when you

158

00:08:16,879 --> 00:08:14,370

quick and read them it might take a

159

00:08:20,089 --> 00:08:16,889

while before you realize this is not a

160

00:08:23,210 --> 00:08:20,099

real website this is not you know the

161

00:08:27,230 --> 00:08:23,220

real news website or this is a parody or

162

00:08:30,499 --> 00:08:27,240

this is just you know somebody's blog

163

00:08:33,589 --> 00:08:30,509

that is created to look like some kind

164

00:08:36,949 --> 00:08:33,599

of official news service and you know

165

00:08:40,279 --> 00:08:36,959

nowadays I think the idea is to overload

166

00:08:43,370 --> 00:08:40,289

us with information coming at us from

167

00:08:45,530 --> 00:08:43,380

all directions and to kind of shake up

168

00:08:49,490 --> 00:08:45,540

our faith in our ability to discern

169

00:08:52,069 --> 00:08:49,500

truth from BS and truth from opinion

170

00:08:56,240 --> 00:08:52,079

what passes for news today the vast

171

00:08:57,980 --> 00:08:56,250

majority majority of it is opinion and I

172

00:09:01,190 --> 00:08:57,990

don't know when that line between

173

00:09:04,160 --> 00:09:01,200

opinion in fact blurred as crazy as it

174

00:09:07,040 --> 00:09:04,170

has been lately but and I think most of

175

00:09:11,000 --> 00:09:07,050

us are too busy too tired too distracted

176

00:09:14,120 --> 00:09:11,010

with our own lives to really stop and

177

00:09:17,930 --> 00:09:14,130

say what's being done to me how am I

178

00:09:20,210 --> 00:09:17,940

being manipulated here and do I care you

179

00:09:24,470 --> 00:09:20,220

know and sometimes we're so tired and

180

00:09:26,600 --> 00:09:24,480

lazy you know you said you pass

181

00:09:28,250 --> 00:09:26,610

something along without checking because

182

00:09:31,100 --> 00:09:28,260

you think what this came from my friend

183

00:09:36,740 --> 00:09:31,110

so-and-so and you know he's a pretty

184

00:09:39,829 --> 00:09:36,750

smart guy he's not gonna exactly oh and

185

00:09:42,800 --> 00:09:39,839

you know there's their email their spam

186

00:09:45,079 --> 00:09:42,810

and all kinds of hats and things that go

187

00:09:47,840 --> 00:09:45,089

on so there is that part of us that just

188

00:09:50,090 --> 00:09:47,850

has that knee-jerk reaction of you know

189

00:09:52,460 --> 00:09:50,100

wanting to protect ourselves but I think

190

00:09:54,410 --> 00:09:52,470

it gets overridden on on social

191

00:09:56,900 --> 00:09:54,420

networking because we want to be part of

192

00:10:02,840 --> 00:09:56,910

the crowd you know we're gonna join in

193

00:10:04,850 --> 00:10:02,850

on all the reindeer games we don't be

194

00:10:11,170 --> 00:10:04,860

the one who so you don't want to do that

195

00:10:16,160 --> 00:10:14,180

especially if it's like a cool story you

196

00:10:23,120 --> 00:10:16,170

know they just discovered this or that

197

00:10:24,950 --> 00:10:23,130

you know and you know you don't want to

198

00:10:33,260 --> 00:10:24,960

be the one that goes in ratings on

199

00:10:35,480 --> 00:10:33,270

everybody's parade you know right now

200

00:10:37,010 --> 00:10:35,490

you know it's funny because you know

201

00:10:38,720 --> 00:10:37,020

we're talking about mind control and

202

00:10:42,020 --> 00:10:38,730

we're talking about it in terms of today

203

00:10:43,700 --> 00:10:42,030

in a social media and you know earlier I

204

00:10:46,880 --> 00:10:43,710

mentioned about you know the government

205

00:10:48,230 --> 00:10:46,890

programs that were so rampant and you

206

00:10:50,120 --> 00:10:48,240

know probably still are but they

207

00:10:51,560 --> 00:10:50,130

probably just gone darker I just don't

208

00:10:52,340 --> 00:10:51,570

you know I just don't go over with

209

00:10:55,490 --> 00:10:52,350

though yeah

210

00:10:57,380 --> 00:10:55,500

hurts so much more about things you know

211

00:11:00,470 --> 00:10:57,390

a few years ago or maybe even a couple

212

00:11:02,840 --> 00:11:00,480

of decades ago but but what about

213

00:11:05,540 --> 00:11:02,850

because I was reading about your work

214

00:11:08,690 --> 00:11:05,550

and you talked about how Egyptians

215

00:11:11,570 --> 00:11:08,700

practiced mind control and after that I

216

00:11:45,020 --> 00:11:11,580

want to get into because you said

217

00:11:48,650 --> 00:11:45,030

something about the Knights Templar pray

218

00:11:56,800 --> 00:11:48,660

and one of the ways go back to primitive

219

00:12:07,540 --> 00:11:56,810

times one of the wings of the pray

220

00:12:21,759 --> 00:12:17,300

interactions and conflicts where and

221

00:12:26,290 --> 00:12:21,769

maybe even try to control it not new

222

00:12:30,910 --> 00:12:26,300

human behavior include the desire to

223

00:12:33,519 --> 00:12:30,920

control the way people if it's to our

224

00:12:37,019 --> 00:12:33,529

benefit you know and sometimes out of

225

00:12:39,850 --> 00:12:37,029

hands go back into action times where we

226

00:12:43,090 --> 00:12:39,860

you know obviously worn around to see

227

00:12:45,579 --> 00:12:43,100

their personal interactions but where we

228

00:12:47,650 --> 00:12:45,589

see a lot of its the ritual we see a lot

229

00:12:50,590 --> 00:12:47,660

of mind control techniques that were

230

00:12:54,609 --> 00:12:50,600

used in ancient times and primitive as

231

00:12:58,479 --> 00:12:54,619

well I'm sure where ritual was a very

232

00:13:01,359 --> 00:12:58,489

formal structured way of getting people

233

00:13:05,799 --> 00:13:01,369

to position a certain way or believe

234

00:13:08,499 --> 00:13:05,809

certain things or you know bow down to

235

00:13:12,189 --> 00:13:08,509

the deities that were worshiped by the

236

00:13:13,780 --> 00:13:12,199

this particular civilization to keep

237

00:13:17,410 --> 00:13:13,790

them under control

238

00:13:20,470 --> 00:13:17,420

so you just structure just ritual and

239

00:13:23,609 --> 00:13:20,480

included in that ritual was the type of

240

00:13:28,389 --> 00:13:23,619

language that sort of elaborated on

241

00:13:30,239 --> 00:13:28,399

following the rules and behaving and

242

00:13:32,049 --> 00:13:30,249

then later you know when we go into

243

00:13:35,319 --> 00:13:32,059

Christianity and the Great Western

244

00:13:38,739 --> 00:13:35,329

religious traditions we see it in their

245

00:13:41,109 --> 00:13:38,749

rituals as well you know you go to

246

00:13:43,749 --> 00:13:41,119

church and the talk is all about not

247

00:13:46,059 --> 00:13:43,759

sinning and behaving the way that Jesus

248

00:13:47,829 --> 00:13:46,069

and God want you to or although whoever

249

00:13:49,989 --> 00:13:47,839

you know whatever religion you're not

250

00:13:52,600 --> 00:13:49,999

going to be following and there's

251

00:13:54,429 --> 00:13:52,610

different rituals that you go through

252

00:13:57,879 --> 00:13:54,439

when you go to church and you've got

253

00:13:59,769 --> 00:13:57,889

baptisms and you know funeral rites and

254

00:14:03,519 --> 00:13:59,779

all this these types of things that are

255

00:14:05,769 --> 00:14:03,529

very structured that keep us in a sort

256

00:14:07,960 --> 00:14:05,779

of on a sort of specific path in terms

257

00:14:11,650 --> 00:14:07,970

of our behavior our thoughts and our

258

00:14:15,309 --> 00:14:11,660

actions mmm from that then you cause

259

00:14:16,989 --> 00:14:15,319

trouble that's right you're not you're

260

00:14:19,720 --> 00:14:16,999

out of the group and you can't play the

261

00:14:22,329 --> 00:14:19,730

rewritten zones anymore now that was per

262

00:14:25,689 --> 00:14:22,339

the attraction of being involved in

263

00:14:28,359 --> 00:14:25,699

rituals is that you felt a part of a

264

00:14:31,059 --> 00:14:28,369

group of a unit you and that's where

265

00:14:34,659 --> 00:14:31,069

that also bleeds over into cult behavior

266

00:14:35,620 --> 00:14:34,669

the desire to belong to a family or to

267

00:14:39,270 --> 00:14:35,630

belong to a

268

00:14:44,410 --> 00:14:39,280

certain group where you feel embraced

269

00:14:47,740 --> 00:14:44,420

now I see how that really really is

270

00:14:51,040 --> 00:14:47,750

clear that these rituals and these rules

271

00:14:53,860 --> 00:14:51,050

that are also practiced together just

272

00:14:55,660 --> 00:14:53,870

sort of you know give you a clear

273

00:14:57,790 --> 00:14:55,670

message you know this is what you should

274

00:14:59,890 --> 00:14:57,800

do this is what you wouldn't do but what

275

00:15:02,230 --> 00:14:59,900

about some of the you know and later

276

00:15:04,650 --> 00:15:02,240

times in Christianity some of the like

277

00:15:07,330 --> 00:15:04,660

the charismatic churches where people

278

00:15:10,900 --> 00:15:07,340

you know you see a lot in the south

279

00:15:12,940 --> 00:15:10,910

where I'm from and I know your your

280

00:15:15,880 --> 00:15:12,950

co-author on a lot of your work Larry

281

00:15:19,840 --> 00:15:15,890

Flaxman is his from Arkansas so he

282

00:15:22,350 --> 00:15:19,850

probably has had some exposure to some

283

00:15:25,420 --> 00:15:22,360

of this as well but these Cara Matic

284

00:15:27,250 --> 00:15:25,430

charismatic churches where they kind of

285

00:15:30,670 --> 00:15:27,260

work themselves up into a frenzy

286

00:15:34,150 --> 00:15:30,680

sometimes they'll do things like you

287

00:15:37,510 --> 00:15:34,160

know speaking in tongues or you know

288

00:15:40,660 --> 00:15:37,520

falling out you know it's yummy and

289

00:15:43,960 --> 00:15:40,670

they're rapturous they get into a

290

00:15:49,020 --> 00:15:43,970

rapturous state of mind right all way to

291

00:15:52,630 --> 00:15:49,030

people you know in those really remote

292

00:15:54,850 --> 00:15:52,640

hills side churches in Tennessee and in

293

00:15:57,250 --> 00:15:54,860

Mississippi where they handle snakes as

294

00:16:01,300 --> 00:15:57,260

part of a ritual they drink arsenic as

295

00:16:03,580 --> 00:16:01,310

part of a ritual you know so does that

296

00:16:06,790 --> 00:16:03,590

it fit in as well with the mind control

297

00:16:09,490 --> 00:16:06,800

aspect well absolutely and it and the

298

00:16:11,940 --> 00:16:09,500

funny thing is all those people that you

299

00:16:15,430 --> 00:16:11,950

know belong to some of those more

300

00:16:17,710 --> 00:16:15,440

unusual or extreme religions will never

301

00:16:21,220 --> 00:16:17,720

admit is that their rituals are very

302

00:16:25,090 --> 00:16:21,230

similar to those of Santeria and Lou Don

303

00:16:27,790 --> 00:16:25,100

or voodoo where you work yourself into

304

00:16:30,310 --> 00:16:27,800

sort of a rapturous frenzy in order for

305

00:16:33,460 --> 00:16:30,320

the spirit to overtake you that's you

306

00:16:36,760 --> 00:16:33,470

know that's no different from in some of

307

00:16:39,100 --> 00:16:36,770

these Christian denominations where you

308

00:16:41,770 --> 00:16:39,110

know the Holy Spirit moves you and

309

00:16:43,840 --> 00:16:41,780

you're speaking in tongues and holding

310

00:16:46,120 --> 00:16:43,850

your hands up to the sky and whatnot and

311

00:16:48,879 --> 00:16:46,130

the whole point of it is to get you into

312

00:16:51,579 --> 00:16:48,889

a certain state of consciousness it's so

313

00:16:53,590 --> 00:16:51,589

alter your waking state into a more

314

00:16:55,780 --> 00:16:53,600

receptive state where you feel like now

315

00:16:57,160 --> 00:16:55,790

you're channeling God you're you know

316

00:17:00,579 --> 00:16:57,170

you're communicating with the Holy

317

00:17:04,569 --> 00:17:00,589

Spirit or whatever and you know the

318

00:17:06,490 --> 00:17:04,579

thing is is that there's no proof that

319

00:17:07,960 --> 00:17:06,500

that's actually happening I mean if you

320

00:17:11,230 --> 00:17:07,970

want to you know approach it from the

321

00:17:16,509 --> 00:17:11,240

scientific point of view but the belief

322

00:17:18,519 --> 00:17:16,519

is so powerful and that and that creates

323

00:17:21,879 --> 00:17:18,529

for other people in the church the

324

00:17:23,980 --> 00:17:21,889

desire to also do those things to also

325

00:17:26,769 --> 00:17:23,990

be I want to be a channel for the Holy

326

00:17:28,870 --> 00:17:26,779

Spirit how do I do this you know and and

327

00:17:31,299 --> 00:17:28,880

well you have to become one of us and

328

00:17:33,610 --> 00:17:31,309

you have to follow these rules and do

329

00:17:35,769 --> 00:17:33,620

these chantings and say these words and

330

00:17:38,680 --> 00:17:35,779

believe these things and eat these foods

331

00:17:41,259 --> 00:17:38,690

and wear these clothes yada-yada-yada

332

00:17:43,779 --> 00:17:41,269

the whole list of rules and a lot of

333

00:17:46,720 --> 00:17:43,789

times I know in some of the churches I

334

00:17:48,879 --> 00:17:46,730

have some friends and I'm not saying

335

00:17:51,789 --> 00:17:48,889

that all cavalry churches are like this

336

00:17:56,080 --> 00:17:51,799

but I have some friends that literally

337

00:17:59,019 --> 00:17:56,090

escaped cavalry churches because of the

338

00:18:02,440 --> 00:17:59,029

control that the leadership in the

339

00:18:05,830 --> 00:18:02,450

churches were trying to have over their

340

00:18:09,220 --> 00:18:05,840

members to buy into all of these

341

00:18:12,220 --> 00:18:09,230

specific behaviors and to perform these

342

00:18:14,980 --> 00:18:12,230

rituals and have these beliefs and if

343

00:18:18,549 --> 00:18:14,990

you question anything you were cast out

344

00:18:20,940 --> 00:18:18,559

oh my gosh you're not only cast out of

345

00:18:24,129 --> 00:18:20,950

the church but you were chastised and

346

00:18:26,379 --> 00:18:24,139

you know literally blacklisted from your

347

00:18:28,870 --> 00:18:26,389

community if you happen to live in a

348

00:18:31,149 --> 00:18:28,880

community where everybody went to that

349

00:18:35,009 --> 00:18:31,159

same church your children were bullied

350

00:18:37,210 --> 00:18:35,019

at school you know it wasn't just about

351

00:18:39,820 --> 00:18:37,220

misbehaving at church and getting your

352

00:18:43,210 --> 00:18:39,830

hand slapped so it's all about following

353

00:18:45,639 --> 00:18:43,220

a very specific set of behaviors and and

354

00:18:49,360 --> 00:18:45,649

adopting a very specific set of beliefs

355

00:18:52,899 --> 00:18:49,370

and however that can happen they'll do

356

00:18:55,480 --> 00:18:52,909

it you know if the appeal is we handled

357

00:18:58,720 --> 00:18:55,490

snakes and we try to heal diseases

358

00:19:02,890 --> 00:18:58,730

without gonna doctors or we go into a

359

00:19:05,340 --> 00:19:02,900

rapturous spinning frenzy where we

360

00:19:11,200 --> 00:19:05,350

even the Word of God you know whatever

361

00:19:12,970 --> 00:19:11,210

works to to kind of magnetize more

362

00:19:16,690 --> 00:19:12,980

people into the fold

363

00:19:19,720 --> 00:19:16,700

oh the Excel or special they talk

364

00:19:23,530 --> 00:19:19,730

directly to God it sounds almost like

365

00:19:25,630 --> 00:19:23,540

hypnosis doesn't it and yeah why it is

366

00:19:27,250 --> 00:19:25,640

if you think about it yeah I mean it is

367

00:19:30,610 --> 00:19:27,260

yourself if you're you know you're

368

00:19:32,800 --> 00:19:30,620

putting your your that your mind into

369

00:19:35,290 --> 00:19:32,810

another unaltered state an altered state

370

00:19:37,330 --> 00:19:35,300

yeah absolutely yeah and I mean what's

371

00:19:41,260 --> 00:19:37,340

the difference between that and doing

372

00:19:42,610 --> 00:19:41,270

drugs or drinking you're doing it in a

373

00:19:43,780 --> 00:19:42,620

different setting and the fact that

374

00:19:47,890 --> 00:19:43,790

you're with a whole bunch of other

375

00:19:49,930 --> 00:19:47,900

people under the guise of communicating

376

00:19:52,990 --> 00:19:49,940

was you know the Holy Spirit or whatever

377

00:19:56,440 --> 00:19:53,000

that sort of makes it acceptable but

378

00:19:58,180 --> 00:19:56,450

really it is about altering the state of

379

00:20:01,600 --> 00:19:58,190

your consciousness so that you can have

380

00:20:04,630 --> 00:20:01,610

some kind of spiritual experience it is

381

00:20:06,520 --> 00:20:04,640

you know I I wonder how many people have

382

00:20:09,640 --> 00:20:06,530

had my experience like you know grew up

383

00:20:12,250 --> 00:20:09,650

in southeastern Oklahoma which is you

384

00:20:15,640 --> 00:20:12,260

know we considered ourselves proudly

385

00:20:17,620 --> 00:20:15,650

from the south I don't know why but we

386

00:20:20,800 --> 00:20:17,630

were south of the mason-dixon line so I

387

00:20:23,020 --> 00:20:20,810

guess that that qualified us but anyhow

388

00:20:24,940 --> 00:20:23,030

you know grew up in the Southern Baptist

389

00:20:27,630 --> 00:20:24,950

Church which is not a charismatic church

390

00:20:31,450 --> 00:20:27,640

but it's fairly fundamental

391

00:20:34,720 --> 00:20:31,460

fundamentalist Christian Church and we

392

00:20:37,090 --> 00:20:34,730

did have you know people who would you

393

00:20:38,770 --> 00:20:37,100

know the Holy Ghost we didn't call it

394

00:20:41,950 --> 00:20:38,780

the Holy Spirit it was the Holy Ghost

395

00:20:43,330 --> 00:20:41,960

would come upon them and they would come

396

00:20:45,490 --> 00:20:43,340

up to the front of the church and they

397

00:20:47,500 --> 00:20:45,500

would give a testimonial you know they

398

00:20:50,860 --> 00:20:47,510

would testify in front of the church and

399

00:20:54,100 --> 00:20:50,870

I remember especially as a little girl

400

00:20:56,380 --> 00:20:54,110

you know sitting there thinking okay I'm

401
00:20:59,410 --> 00:20:56,390
ready for the Holy Ghost and the Holy

402
00:21:02,290 --> 00:20:59,420
girl you just never never came and so I

403
00:21:03,550 --> 00:21:02,300
thought oh geez I must be really a bad

404
00:21:08,200 --> 00:21:03,560
bad girl

405
00:21:11,020 --> 00:21:08,210
God made something wrong yeah because

406
00:21:13,180 --> 00:21:11,030
Holy Ghost is just ignoring me but where

407
00:21:14,980 --> 00:21:13,190
it did get me and so I'm thinking well

408
00:21:16,289 --> 00:21:14,990
maybe some people are not as susceptible

409
00:21:18,719 --> 00:21:16,299
to

410
00:21:22,249 --> 00:21:18,729
the programming is deeply as others but

411
00:21:24,989 --> 00:21:22,259
then where it was I noticed you know

412
00:21:27,659 --> 00:21:24,999
growing up I had a very you know strong

413
00:21:29,190 --> 00:21:27,669

interest in you know edgy subjects you

414

00:21:30,149 --> 00:21:29,200

know what some might call friends you

415

00:21:32,009 --> 00:21:30,159

know the things that you write about

416

00:21:35,430 --> 00:21:32,019

that we talk about here

417

00:21:38,339 --> 00:21:35,440

no metaphysics paranormal what have you

418

00:21:39,959 --> 00:21:38,349

conspiracy whatever so I had a lot of

419

00:21:42,599 --> 00:21:39,969

interest in things like that but I felt

420

00:21:44,519 --> 00:21:42,609

a little bit guilty like maybe I was

421

00:21:46,949 --> 00:21:44,529

messing around in the devil's business

422

00:21:50,399 --> 00:21:46,959

or something and then when I started to

423

00:21:52,440 --> 00:21:50,409

really read as a young adult books like

424

00:22:03,029 --> 00:21:52,450

Holy Blood Holy Grail which called into

425

00:22:06,209 --> 00:22:03,039

question for me it totally changed the

426

00:22:08,549 --> 00:22:06,219

course of my life and my ruling yeah

427

00:22:11,339 --> 00:22:08,559

absolutely I ended up making a movie

428

00:22:13,919 --> 00:22:11,349

about the whole thing but it was um I

429

00:22:16,259 --> 00:22:13,929

remember thinking oh my gosh I'm

430

00:22:20,310 --> 00:22:16,269

probably gonna go straight to hell for

431

00:22:23,219 --> 00:22:20,320

even reading this book and several more

432

00:22:26,879 --> 00:22:23,229

years before I was able just to shake

433

00:22:29,579 --> 00:22:26,889

all that that Baptist guilt you know so

434

00:22:32,119 --> 00:22:29,589

yeah whether powerful weapon isn't it

435

00:22:35,659 --> 00:22:32,129

guilt and well guilt and shame the two

436

00:22:38,999 --> 00:22:35,669

sisters of my mental and behavioral

437

00:22:42,329 --> 00:22:39,009

control and and they work they got work

438

00:22:44,579 --> 00:22:42,339

I mean I'm a falling Catholic when I was

439

00:22:45,659 --> 00:22:44,589

little I loved the ritual of the

440

00:22:49,139 --> 00:22:45,669

Catholic Church I thought it was

441

00:22:51,209 --> 00:22:49,149

beautiful it was it was rapturous I

442

00:22:53,699 --> 00:22:51,219

remember maybe being seven eight years

443

00:22:55,469 --> 00:22:53,709

old going we would only go to church on

444

00:22:57,509 --> 00:22:55,479

you know Christmas Easter that kind of

445

00:23:00,209 --> 00:22:57,519

thing but I love the lights and the

446

00:23:03,659 --> 00:23:00,219

candles and the way that they you know

447

00:23:05,579 --> 00:23:03,669

did the the you know they spoke

448

00:23:07,829 --> 00:23:05,589

lyrically like they were half singing

449

00:23:10,379 --> 00:23:07,839

and me and I wouldn't go into altered

450

00:23:12,529 --> 00:23:10,389

states as soon as I got older though and

451
00:23:15,089 --> 00:23:12,539
I understood what they were saying and

452
00:23:17,279 --> 00:23:15,099
then it was like all bets are off and

453
00:23:19,739 --> 00:23:17,289
like you I read books like Holy Blood

454
00:23:22,979 --> 00:23:19,749
Holy Grail and you know got into the

455
00:23:25,739 --> 00:23:22,989
whole Magdalenian stuff and that's like

456
00:23:28,979 --> 00:23:25,749
wait a minute and and when the nog

457
00:23:30,090 --> 00:23:28,989
Hammadi texts and I started reading the

458
00:23:31,980 --> 00:23:30,100
different gospel

459
00:23:34,950 --> 00:23:31,990
didn't get included in the Bible and

460
00:23:36,870 --> 00:23:34,960
it's and but a lot of people don't ever

461
00:23:39,360 --> 00:23:36,880
do that they couldn't you know one of

462
00:23:40,800 --> 00:23:39,370
the fallacies about mind control is that

463
00:23:42,420 --> 00:23:40,810

it really is all about controlling your

464

00:23:44,760 --> 00:23:42,430

mind and that's not true

465

00:23:48,210 --> 00:23:44,770

much of mind control involves

466

00:23:50,970 --> 00:23:48,220

controlling the behavior and actions not

467

00:23:52,950 --> 00:23:50,980

just thought and believed but the

468

00:23:54,600 --> 00:23:52,960

behavior of other people and I'm a

469

00:23:56,610 --> 00:23:54,610

really good friend who grew up Southern

470

00:23:58,980 --> 00:23:56,620

Baptists and just the other night we

471

00:24:00,720 --> 00:23:58,990

were talking about her childhood and her

472

00:24:03,390 --> 00:24:00,730

use and you know she was a rebellious

473

00:24:06,060 --> 00:24:03,400

teenager and there you know you either

474

00:24:09,750 --> 00:24:06,070

followed a very specific set of rules

475

00:24:12,000 --> 00:24:09,760

set down by the church or you were you

476

00:24:18,330 --> 00:24:12,010

were a misfit you know you were a cast

477

00:24:19,350 --> 00:24:18,340

out you were a bad girl and that's you

478

00:24:21,720 --> 00:24:19,360

know one of the ways that they

479

00:24:24,060 --> 00:24:21,730

manipulate you is by guilting and

480

00:24:26,130 --> 00:24:24,070

shaming not just the thoughts that go

481

00:24:29,100 --> 00:24:26,140

through your head but the behaviors and

482

00:24:31,620 --> 00:24:29,110

actions and when you get caught you know

483

00:24:33,510 --> 00:24:31,630

you're punished the punished you're sort

484

00:24:35,790 --> 00:24:33,520

of hung out to dry in front of the whole

485

00:24:38,820 --> 00:24:35,800

church well look what the fat girl did

486

00:24:40,380 --> 00:24:38,830

she's a [h__h] a [h__h] you know yeah of

487

00:24:43,950 --> 00:24:40,390

course it was always unusually with the

488

00:24:46,530 --> 00:24:43,960

women that got treated that way back

489

00:24:47,730 --> 00:24:46,540

yeah I mean what you're saying is so

490

00:24:51,120 --> 00:24:47,740

funny you mentioned Holy Blood Holy

491

00:24:54,780 --> 00:24:51,130

Grail because a lot of times people will

492

00:24:58,110 --> 00:24:54,790

be under the spell of the very cult-like

493

00:25:02,660 --> 00:24:58,120

behavior that churches and religious

494

00:25:06,600 --> 00:25:02,670

institutions use and ask if you're lucky

495

00:25:09,540 --> 00:25:06,610

something falls in your path of person

496

00:25:11,520 --> 00:25:09,550

you take a class you know you go out in

497

00:25:14,040 --> 00:25:11,530

the woods and meditate and you have

498

00:25:17,190 --> 00:25:14,050

something some sort of an aha moment

499

00:25:20,520 --> 00:25:17,200

that totally wakes you up out of that

500

00:25:22,980 --> 00:25:20,530

spell because it really is like you're

501
00:25:24,870 --> 00:25:22,990
under some type of spell this doesn't

502
00:25:27,210 --> 00:25:24,880
happen for a lot of people or it doesn't

503
00:25:29,790 --> 00:25:27,220
happen until much later in life right

504
00:25:32,220 --> 00:25:29,800
now I think you know so many people are

505
00:25:35,430 --> 00:25:32,230
under the spell of the media in much the

506
00:25:37,470 --> 00:25:35,440
same way you and I are talking about how

507
00:25:40,470 --> 00:25:37,480
people are under the spell of religion

508
00:25:43,950 --> 00:25:40,480
same thing same types of techniques that

509
00:25:46,170 --> 00:25:43,960
are being used and do you think that we

510
00:25:49,110 --> 00:25:46,180
this you know you don't believe what

511
00:25:51,330 --> 00:25:49,120
this newest person says you're you know

512
00:25:53,700 --> 00:25:51,340
what kind of a dummy er you know you're

513
00:25:55,260 --> 00:25:53,710

stupid and you're uneducated and then

514

00:25:58,400 --> 00:25:55,270

the other side saying the same thing

515

00:26:01,080 --> 00:25:58,410

yeah yeah you don't understand this bill

516

00:26:02,550 --> 00:26:01,090

you know the Republicans Democrats are

517

00:26:05,970 --> 00:26:02,560

cheering they're both they're all the

518

00:26:08,790 --> 00:26:05,980

same but they'll find ways to make the

519

00:26:12,150 --> 00:26:08,800

other side look like idiots if they

520

00:26:16,890 --> 00:26:12,160

don't buy into the rhetoric that they're

521

00:26:19,410 --> 00:26:16,900

viewing well you know the the the news

522

00:26:20,790 --> 00:26:19,420

media is kind of an obvious one you know

523

00:26:22,770 --> 00:26:20,800

because they're supposed to be telling

524

00:26:24,810 --> 00:26:22,780

us what's really going on and so we're

525

00:26:28,260 --> 00:26:24,820

supposed to really believe it but do you

526

00:26:31,440 --> 00:26:28,270

think that that that mind control aspect

527

00:26:34,650 --> 00:26:31,450

and I'm getting this from a question in

528

00:26:38,220 --> 00:26:34,660

the chat room and in my experience as

529

00:26:40,620 --> 00:26:38,230

the television film producer I have not

530

00:26:44,190 --> 00:26:40,630

ever had anyone try to control what I

531

00:26:46,140 --> 00:26:44,200

would say except maybe the you know the

532

00:26:49,410 --> 00:26:46,150

the network executives who wanted to

533

00:26:55,050 --> 00:26:49,420

make the story more exciting by you know

534

00:26:57,480 --> 00:26:55,060

putting some sex in or something like

535

00:27:00,420 --> 00:26:57,490

that but the question from the chat room

536

00:27:03,950 --> 00:27:00,430

is from chat which and she says do you

537

00:27:08,490 --> 00:27:03,960

think that corporations like MK use

538

00:27:11,970 --> 00:27:08,500

MKULTRA to control the movie and music

539

00:27:16,680 --> 00:27:11,980

stars to push their products I don't

540

00:27:19,140 --> 00:27:16,690

know about because yeah I'm a writer I'm

541

00:27:22,020 --> 00:27:19,150

working in the film and TV industry I'm

542

00:27:24,060 --> 00:27:22,030

a writer on the novelist nobody controls

543

00:27:25,830 --> 00:27:24,070

what I write about at least not that I

544

00:27:28,650 --> 00:27:25,840

know of so that's where you know where's

545

00:27:30,870 --> 00:27:28,660

that fine line between I believe I am

546

00:27:33,930 --> 00:27:30,880

under hundred percent under my own power

547

00:27:36,000 --> 00:27:33,940

right and I write about what I like and

548

00:27:38,070 --> 00:27:36,010

wondering oh you know who's putting

549

00:27:40,980 --> 00:27:38,080

these thoughts in my head and that's

550

00:27:44,780 --> 00:27:40,990

entirely possible however there are

551
00:27:49,380 --> 00:27:44,790
there are movies and television series

552
00:27:53,340 --> 00:27:49,390
that government officials and agents

553
00:27:56,370 --> 00:27:53,350
have consulted on taking part in we do

554
00:27:58,279 --> 00:27:56,380
know that we know you know one third

555
00:28:01,740 --> 00:27:58,289
time yeah

556
00:28:04,769 --> 00:28:01,750
that's my favorite movie and I know

557
00:28:07,320 --> 00:28:04,779
there was 200 times hosts Encounters of

558
00:28:09,810 --> 00:28:07,330
the Third Kind so on the surface it's a

559
00:28:12,090 --> 00:28:09,820
really wonderful movie about an ordinary

560
00:28:14,129 --> 00:28:12,100
man put in its burden airy circumstances

561
00:28:16,980 --> 00:28:14,139
one of the typical plot lines that

562
00:28:19,230 --> 00:28:16,990
you'll find in Hollywood but you know

563
00:28:20,820 --> 00:28:19,240

dogs so dr. J Allen Hynek who was the

564

00:28:23,460 --> 00:28:20,830

head of Project Blue Book at the time

565

00:28:26,669 --> 00:28:23,470

was the consultant on that movie and

566

00:28:30,690 --> 00:28:26,679

there was also a lot of discussion that

567

00:28:33,769 --> 00:28:30,700

even Spielberg had been talking to CIA

568

00:28:37,740 --> 00:28:33,779

and you know other government officials

569

00:28:39,899 --> 00:28:37,750

mainly about what could be shown and

570

00:28:42,330 --> 00:28:39,909

what should be avoided that kind of

571

00:28:45,299 --> 00:28:42,340

thing now that's that's probably very

572

00:28:48,360 --> 00:28:45,309

true yeah and there's been some other

573

00:28:51,419 --> 00:28:48,370

situations like that I don't believe in

574

00:28:54,629 --> 00:28:51,429

the I don't I don't believe in the

575

00:28:57,210 --> 00:28:54,639

extreme conspiracy theory that I hear

576

00:28:59,009 --> 00:28:57,220

all the time that you know beyond saying

577

00:29:02,009 --> 00:28:59,019

all these people are all controlled

578

00:29:04,529 --> 00:29:02,019

these are people that are out to make

579

00:29:07,080 --> 00:29:04,539

money doing what they love to do they're

580

00:29:10,919 --> 00:29:07,090

extremely successful so they're targets

581

00:29:15,360 --> 00:29:10,929

for everybody's you know spin to put on

582

00:29:17,850 --> 00:29:15,370

them and are they all MKULTRA controlled

583

00:29:20,519 --> 00:29:17,860

wouldn't it be funny if they were you

584

00:29:23,369 --> 00:29:20,529

know I cannot with 100% certainty say no

585

00:29:25,470 --> 00:29:23,379

they're not I don't know but because I'm

586

00:29:27,720 --> 00:29:25,480

in that industry I worked for a record I

587

00:29:30,889 --> 00:29:27,730

worked for Warner records for seven

588

00:29:32,879 --> 00:29:30,899

eight years and I knew tons of musicians

589

00:29:36,330 --> 00:29:32,889

and favorite ones

590

00:29:45,990 --> 00:29:36,340

so you know they were and I was married

591

00:29:48,600 --> 00:29:46,000

to a rocker I was a guitar player and a

592

00:29:51,930 --> 00:29:48,610

really great one and he did what he was

593

00:29:54,450 --> 00:29:51,940

in love to do and so I back that's a

594

00:29:56,909 --> 00:29:54,460

really interesting question that is

595

00:29:59,970 --> 00:29:56,919

almost impossible to answer with 100%

596

00:30:03,990 --> 00:29:59,980

certainty because as artists we're just

597

00:30:07,049 --> 00:30:04,000

doing what we love to do and yet you

598

00:30:10,680 --> 00:30:07,059

know our our all of our minds being

599

00:30:11,730 --> 00:30:10,690

manipulated I can't say no and I can't

600

00:30:15,540 --> 00:30:11,740

say yes

601
00:30:17,040 --> 00:30:15,550
that was scary on that note take a rake

602
00:30:18,000 --> 00:30:17,050
and when we come back we'll try to read

603
00:30:21,390 --> 00:30:18,010
to him ourselves

604
00:30:26,340 --> 00:30:21,400
we'll be back into the deep down so stay

605
00:30:28,140 --> 00:30:26,350
with us welcome back to night vision I'm

606
00:30:30,990 --> 00:30:28,150
your host Renee Barnett if you're just

607
00:30:32,910 --> 00:30:31,000
joining us tonight we have with us

608
00:30:35,010 --> 00:30:32,920
Murray Dee Jones she's author and a

609
00:30:39,200 --> 00:30:35,020
screenwriter and we've been talking

610
00:30:43,020 --> 00:30:39,210
about her book mind wars and about how

611
00:30:45,390 --> 00:30:43,030
not only our governments have practiced

612
00:30:47,790 --> 00:30:45,400
mind control and done mind control

613
00:30:50,370 --> 00:30:47,800

research on private citizens and all

614

00:30:52,500 --> 00:30:50,380

that jazz but also how really mind

615

00:30:55,500 --> 00:30:52,510

control has come in to play throughout

616

00:30:59,100 --> 00:30:55,510

history including you know in ancient

617

00:31:00,900 --> 00:30:59,110

times and even up into the the medieval

618

00:31:05,070 --> 00:31:00,910

times of the Knights Templar and others

619

00:31:06,960 --> 00:31:05,080

it's it's a way that people you might it

620

00:31:09,570 --> 00:31:06,970

might not be something obvious it might

621

00:31:11,520 --> 00:31:09,580

not be a mind-control program but

622

00:31:13,950 --> 00:31:11,530

they're using certain ways and certain

623

00:31:20,640 --> 00:31:13,960

techniques and certain symbols certain

624

00:31:22,200 --> 00:31:20,650

language to manipulate us so are we in a

625

00:31:27,020 --> 00:31:22,210

world of hurt Murray what can we do

626

00:31:31,820 --> 00:31:27,030

about this problem or interpersonal

627

00:31:38,510 --> 00:31:34,620

and your friendship and your romantic

628

00:31:41,090 --> 00:31:38,520

relationships there's constant mind

629

00:31:44,280 --> 00:31:41,100

control and behavioral control

630

00:31:57,570 --> 00:31:44,290

manipulation going on whether it's you

631

00:31:59,730 --> 00:31:57,580

know having a parent narcissistic and

632

00:32:02,040 --> 00:31:59,740

and all of the mind manipulation that

633

00:32:05,240 --> 00:32:02,050

goes on so again this is part of our

634

00:32:07,770 --> 00:32:05,250

natural human behavior and my feeling is

635

00:32:12,690 --> 00:32:07,780

when you start looking around your own

636

00:32:14,669 --> 00:32:12,700

personal life and how other people try

637

00:32:17,640 --> 00:32:14,679

to get you to think behaving a certain

638

00:32:22,409 --> 00:32:17,650

ways to benefit them and then even

639

00:32:25,260 --> 00:32:22,419

beyond that having you do it yes that

640

00:32:25,620 --> 00:32:25,270

yeah that and we wrote about that in the

641

00:32:27,720 --> 00:32:25,630

book

642

00:32:30,510 --> 00:32:27,730

since we really felt strongly that if

643

00:32:32,930 --> 00:32:30,520

you don't clean up the manipulation that

644

00:32:36,470 --> 00:32:32,940

goes on in here in our individual lives

645

00:32:39,330 --> 00:32:36,480

well continue to fall under the spell of

646

00:32:42,210 --> 00:32:39,340

that safe manipulation on a grander

647

00:32:45,240 --> 00:32:42,220

scale whether it's politics religion the

648

00:32:47,760 --> 00:32:45,250

government you know what have you and

649

00:32:49,890 --> 00:32:47,770

when you start to wake up to you to

650

00:32:52,680 --> 00:32:49,900

where this is happening in your own life

651
00:32:58,770 --> 00:32:52,690
and the type of language that is being

652
00:33:04,290 --> 00:32:58,780
the type of then you start to see

653
00:33:05,850 --> 00:33:04,300
happening on the news wake up to it once

654
00:33:09,750 --> 00:33:05,860
you're aware of it that's where you get

655
00:33:11,820 --> 00:33:09,760
your power back you know I wake up you

656
00:33:14,040 --> 00:33:11,830
know we should have our power back then

657
00:33:19,560 --> 00:33:14,050
we can figure out how to start hauling

658
00:33:22,530 --> 00:33:19,570
it out you know when I try to you know

659
00:33:26,280 --> 00:33:22,540
briefly you know examine you know

660
00:33:28,800 --> 00:33:26,290
obviously I can you know just out of

661
00:33:32,100 --> 00:33:28,810
hand you know pick up a couple of

662
00:33:34,890 --> 00:33:32,110
examples of how I myself if tried to

663
00:33:40,110 --> 00:33:34,900

manipulate someone let's say I'm writing

664

00:33:43,110 --> 00:33:40,120

a an email to someone in business and

665

00:33:45,090 --> 00:33:43,120

I'm you know trying to get them to do

666

00:33:48,180 --> 00:33:45,100

business with me or I'm pitching a show

667

00:33:51,630 --> 00:33:48,190

or or something I'm wanting something

668

00:33:55,380 --> 00:33:51,640

from them I'm gonna frame that letter or

669

00:33:57,360 --> 00:33:55,390

that email right in such a way and I'm

670

00:33:59,670 --> 00:33:57,370

going to go back over it and say ooh

671

00:34:03,930 --> 00:33:59,680

this word sounds a little bit better

672

00:34:07,050 --> 00:34:03,940

then this or that and it sort of changes

673

00:34:10,440 --> 00:34:07,060

slightly the tone or the meaning you

674

00:34:13,409 --> 00:34:10,450

know I mean like how do you know when

675

00:34:16,680 --> 00:34:13,419

you're doing something that is just

676
00:34:18,600 --> 00:34:16,690
ordinary behavior and ordinary business

677
00:34:20,730 --> 00:34:18,610
because of course you want to put your

678
00:34:22,950 --> 00:34:20,740
best foot forward when you're trying to

679
00:34:26,850 --> 00:34:22,960
close a business deal but when does it

680
00:34:28,530 --> 00:34:26,860
become manipulation or when does it come

681
00:34:30,780 --> 00:34:28,540
become negative I guess it's all

682
00:34:35,090 --> 00:34:30,790
manipulation but when does it oh my god

683
00:34:39,540 --> 00:34:35,100
what do you know you're doing a bad way

684
00:34:43,830 --> 00:34:39,550
well and you're right of me we all use

685
00:34:46,020 --> 00:34:43,840
exaggeration embellishment positive

686
00:34:49,590 --> 00:34:46,030
negative reinforcement

687
00:34:52,700 --> 00:34:49,600
you know praise credit we all use these

688
00:34:56,669 --> 00:34:52,710

same techniques in our personal lives

689

00:34:59,700 --> 00:34:56,679

because that's how that's how we jockey

690

00:35:01,950 --> 00:34:59,710

to get you know the position that we

691

00:35:05,160 --> 00:35:01,960

need for what we feel like we need to

692

00:35:07,830 --> 00:35:05,170

survive and thrive and you're especially

693

00:35:09,930 --> 00:35:07,840

in business you want to get a certain

694

00:35:11,760 --> 00:35:09,940

outcome and it's like well what's the

695

00:35:15,960 --> 00:35:11,770

what's the best way for me to get this

696

00:35:18,330 --> 00:35:15,970

outcome this deal or this merger or you

697

00:35:19,950 --> 00:35:18,340

know you and I we we pitch ideas we want

698

00:35:22,860 --> 00:35:19,960

to get them to greenlight one of our

699

00:35:25,440 --> 00:35:22,870

ideas and yes there's an awful lot of

700

00:35:27,420 --> 00:35:25,450

manipulation that goes on is the

701

00:35:31,380 --> 00:35:27,430

difference is when you really try to

702

00:35:34,380 --> 00:35:31,390

change another person there's that line

703

00:35:36,870 --> 00:35:34,390

where you you know you can think you can

704

00:35:38,970 --> 00:35:36,880

sort of encourage them to behave or

705

00:35:39,720 --> 00:35:38,980

respond a certain way or to give you

706

00:35:42,150 --> 00:35:39,730

what you want

707

00:35:44,580 --> 00:35:42,160

hopefully it's for both of your benefits

708

00:35:47,430 --> 00:35:44,590

that's always a good thing is if it

709

00:35:50,520 --> 00:35:47,440

hurts the other person if you're trying

710

00:35:51,870 --> 00:35:50,530

to change them you know and you're and

711

00:35:53,820 --> 00:35:51,880

you're using a lot of negative

712

00:35:56,610 --> 00:35:53,830

reinforcement and you're judging and

713

00:35:58,500 --> 00:35:56,620

criticizing and really you know almost

714

00:36:02,010 --> 00:35:58,510

like character destroying their

715

00:36:04,770 --> 00:36:02,020

character I think when it when those

716

00:36:07,890 --> 00:36:04,780

attempts turn negative and you're

717

00:36:10,680 --> 00:36:07,900

hurting somebody or you're manipulating

718

00:36:13,770 --> 00:36:10,690

somebody to get something from them

719

00:36:16,950 --> 00:36:13,780

that's going to hurt them even as it

720

00:36:19,740 --> 00:36:16,960

benefits you you know sure we need to

721

00:36:22,830 --> 00:36:19,750

really look at that behavior how can we

722

00:36:24,750 --> 00:36:22,840

expect our religious and you know

723

00:36:27,990 --> 00:36:24,760

political leaders to behave any

724

00:36:31,860 --> 00:36:28,000

differently when we're making excuses

725

00:36:34,110 --> 00:36:31,870

for those same types of behaviors and I

726

00:36:38,010 --> 00:36:34,120

think it just really is a lot you know a

727

00:36:41,070 --> 00:36:38,020

lot of self-reflection yes when I pitch

728

00:36:43,920 --> 00:36:41,080

a project or you know I might make

729

00:36:47,670 --> 00:36:43,930

myself look really great and I'm pumping

730

00:36:49,440 --> 00:36:47,680

up the the verbage and you know I want I

731

00:36:51,870 --> 00:36:49,450

want it I'm giving them the hard sell

732

00:36:53,010 --> 00:36:51,880

and you know when you want to merge with

733

00:36:54,900 --> 00:36:53,020

another company

734

00:36:57,090 --> 00:36:54,910

years given them all of the good reasons

735

00:36:58,920 --> 00:36:57,100

why it's going to help their company if

736

00:37:01,320 --> 00:36:58,930

they merge and how they're gonna benefit

737

00:37:03,900 --> 00:37:01,330

financially and you might leave out some

738

00:37:06,360 --> 00:37:03,910

of the negative but I think if you're

739

00:37:08,880 --> 00:37:06,370

really doing things that hurt the other

740

00:37:11,130 --> 00:37:08,890

person or the other people were you

741

00:37:13,140 --> 00:37:11,140

trying to change them where you're

742

00:37:17,700 --> 00:37:13,150

trying to control them in a very

743

00:37:20,490 --> 00:37:17,710

oppressive way and make them bad make

744

00:37:23,460 --> 00:37:20,500

them the enemy if they go against what

745

00:37:25,170 --> 00:37:23,470

you want you know and I think it's just

746

00:37:29,010 --> 00:37:25,180

something that we all have to kind of

747

00:37:32,220 --> 00:37:29,020

feel where is that line that's a great

748

00:37:34,680 --> 00:37:32,230

question okay I guess you know if you

749

00:37:37,920 --> 00:37:34,690

have some self-awareness or you're

750

00:37:40,920 --> 00:37:37,930

developing self-awareness I guess you

751

00:37:43,530 --> 00:37:40,930

know you kind of know if something is is

752

00:37:45,630 --> 00:37:43,540

is not gonna do somebody else you know

753

00:37:49,620 --> 00:37:45,640

it's like you found it can use your own

754

00:37:51,960 --> 00:37:49,630

gut in your own conscience I think maybe

755

00:37:56,420 --> 00:37:51,970

in in those instances I don't know but

756

00:37:58,770 --> 00:37:56,430

it's true I mean there is a lot of

757

00:38:02,160 --> 00:37:58,780

manipulation and it seems like not all

758

00:38:04,260 --> 00:38:02,170

of it is entirely bad so we have to be

759

00:38:05,910 --> 00:38:04,270

discerning just like we do with the news

760

00:38:08,100 --> 00:38:05,920

just like we do with everything is

761

00:38:09,840 --> 00:38:08,110

actually because you know what we're

762

00:38:12,360 --> 00:38:09,850

human beings and we're all trying to get

763

00:38:14,580 --> 00:38:12,370

what we need and a lot of times what

764

00:38:17,460 --> 00:38:14,590

stands in our way other human beings and

765

00:38:21,060 --> 00:38:17,470

I think you see this more than anywhere

766

00:38:25,590 --> 00:38:21,070

else in romantic relationships romantic

767

00:38:29,220 --> 00:38:25,600

relationships are the perfect model for

768

00:38:32,580 --> 00:38:29,230

mind control and behavioral control that

769

00:38:34,500 --> 00:38:32,590

you can then extrapolate to the bigger

770

00:38:37,860 --> 00:38:34,510

things like government politics and

771

00:38:39,150 --> 00:38:37,870

religion the way that we you know try to

772

00:38:42,360 --> 00:38:39,160

get our needs met

773

00:38:44,850 --> 00:38:42,370

sometimes desperately and and the

774

00:38:48,780 --> 00:38:44,860

violence and abuse that can arise and

775

00:38:50,460 --> 00:38:48,790

the addiction you know to another person

776

00:38:53,250 --> 00:38:50,470

it's just the same as a drug addiction

777

00:38:55,650 --> 00:38:53,260

and the cult-like behavior is that you

778

00:38:58,410 --> 00:38:55,660

know he loves me he loves me not and and

779

00:39:01,620 --> 00:38:58,420

just the craziness of a romantic

780

00:39:02,460 --> 00:39:01,630

relationship is such a great model or

781

00:39:06,900 --> 00:39:02,470

blueprint

782

00:39:08,880 --> 00:39:06,910

I always feel like you know I was

783

00:39:11,460 --> 00:39:08,890

I look at some of our government leaders

784

00:39:13,800 --> 00:39:11,470

as everyone else does and and on all

785

00:39:15,510 --> 00:39:13,810

sides of the fence and thinks oh my god

786

00:39:17,690 --> 00:39:15,520

is this the best we can do but then when

787

00:39:21,090 --> 00:39:17,700

I realizes they're they're our

788

00:39:23,760 --> 00:39:21,100

representatives they represent us and

789

00:39:26,970 --> 00:39:23,770

there is so much truth in that

790

00:39:31,890 --> 00:39:26,980

because real I cheat steal manipulate

791

00:39:34,950 --> 00:39:31,900

you know judge could do all the same

792

00:39:36,810 --> 00:39:34,960

sins that they are doing they just do

793

00:39:40,290 --> 00:39:36,820

monitor yourself and it affects more

794

00:39:41,670 --> 00:39:40,300

people so I think one of you know you

795

00:39:44,370 --> 00:39:41,680

were saying well how do we deal with

796

00:39:47,610 --> 00:39:44,380

this what good can come out of this well

797

00:39:49,560 --> 00:39:47,620

get control of yourself get control of

798

00:39:52,800 --> 00:39:49,570

your thoughts get control of your life

799

00:39:56,070 --> 00:39:52,810

your life and and really try to start

800

00:39:58,740 --> 00:39:56,080

identifying where you have been just

801
00:40:01,740 --> 00:39:58,750
sort of blindly lead into different

802
00:40:04,470 --> 00:40:01,750
beliefs and ideals that maybe you really

803
00:40:06,570 --> 00:40:04,480
don't even agree with they came from

804
00:40:09,060 --> 00:40:06,580
parents that came from peers they came

805
00:40:12,000 --> 00:40:09,070
from your religious and situations that

806
00:40:14,100 --> 00:40:12,010
came from your college professors who

807
00:40:17,070 --> 00:40:14,110
are you I think that really is at the

808
00:40:20,520 --> 00:40:17,080
bottom of this you know who are you and

809
00:40:24,090 --> 00:40:20,530
they just bought are you yeah you know

810
00:40:27,150 --> 00:40:24,100
who who are you for real and who are you

811
00:40:28,860 --> 00:40:27,160
in the eyes of those that wish to use

812
00:40:31,320 --> 00:40:28,870
and manipulate you those are two

813
00:40:33,570 --> 00:40:31,330

different people oftentimes they really

814

00:40:34,530 --> 00:40:33,580

are I mean my biggest pet peeve is you

815

00:40:36,930 --> 00:40:34,540

know when you're having a discussion

816

00:40:40,170 --> 00:40:36,940

with someone you feel like you're making

817

00:40:42,330 --> 00:40:40,180

a point and you know some kind of really

818

00:40:44,790 --> 00:40:42,340

salient point and then they say well

819

00:40:47,190 --> 00:40:44,800

that's just not how I was raised and you

820

00:40:54,660 --> 00:40:47,200

want to go like oh my god that's exactly

821

00:40:56,970 --> 00:40:54,670

what I did that thing we used to say is

822

00:41:01,230 --> 00:40:56,980

kids everybody jumped off a cliff would

823

00:41:06,150 --> 00:41:01,240

you do it too you know okay there's a

824

00:41:08,460 --> 00:41:06,160

lot of truth in that saying you know

825

00:41:12,270 --> 00:41:08,470

getting aware of ourselves and getting

826

00:41:14,460 --> 00:41:12,280

control of ourselves I think your book

827

00:41:15,720 --> 00:41:14,470

on and please forgive me I don't have

828

00:41:17,730 --> 00:41:15,730

the title of it right here in front of

829

00:41:20,460 --> 00:41:17,740

me as I should have the art book on

830

00:41:22,980 --> 00:41:20,470

archetypes again how are

831

00:41:25,140 --> 00:41:22,990

right yes in how we use those to

832

00:41:27,690 --> 00:41:25,150

overcome this programming and reprogram

833

00:41:31,920 --> 00:41:27,700

ourselves how does that come into play

834

00:41:33,960 --> 00:41:31,930

and could you first Oh before I say that

835

00:41:36,650 --> 00:41:33,970

I've got to ask you a question from the

836

00:41:40,349 --> 00:41:36,660

chat room because I asked them there

837

00:41:44,450 --> 00:41:40,359

asks please ask Marie her views on the

838

00:41:49,500 --> 00:41:44,460

role of the pineal gland real or fiction

839

00:41:51,960 --> 00:41:49,510

that have any part don't well yeah and I

840

00:41:55,320 --> 00:41:51,970

mean I think it's kind of dormant and

841

00:41:57,930 --> 00:41:55,330

most people and I don't think it's

842

00:42:01,920 --> 00:41:57,940

fictional at all I think it's the third

843

00:42:04,530 --> 00:42:01,930

eye that is so often referred to in you

844

00:42:09,109 --> 00:42:04,540

know missing and some of the religious

845

00:42:12,560 --> 00:42:09,119

texts the processing the problem is

846

00:42:15,660 --> 00:42:12,570

learning to see through that third eye

847

00:42:18,260 --> 00:42:15,670

activating that gland I don't know a lot

848

00:42:22,800 --> 00:42:18,270

about it from what I understand

849

00:42:24,420 --> 00:42:22,810

scientifically it's kind of treated

850

00:42:29,849 --> 00:42:24,430

almost like an afterthought like a

851
00:42:32,790 --> 00:42:29,859
dormant gland and yet could be the basis

852
00:42:34,530 --> 00:42:32,800
for spiritual experiences you know

853
00:42:38,550 --> 00:42:34,540
things that we refer to as paranormal

854
00:42:42,660 --> 00:42:38,560
experiences altered states of

855
00:42:44,880 --> 00:42:42,670
consciousness so no I would not say it's

856
00:42:46,560 --> 00:42:44,890
fictional at all I think that there

857
00:42:49,770 --> 00:42:46,570
might be a lot of misinformation out

858
00:42:52,230 --> 00:42:49,780
there about what it is sure you know if

859
00:42:53,880 --> 00:42:52,240
you pure ly Google any kind of

860
00:42:56,160 --> 00:42:53,890
scientific research you're going to see

861
00:43:00,599 --> 00:42:56,170
you know everything from the medical

862
00:43:02,940 --> 00:43:00,609
point of view but no I mean I something

863
00:43:06,450 --> 00:43:02,950

that fascinates and intrigues me too and

864

00:43:09,750 --> 00:43:06,460

every now and then I think you know just

865

00:43:12,470 --> 00:43:09,760

as with right people who research with

866

00:43:18,210 --> 00:43:12,480

DMT and don't ask me to name the whole

867

00:43:20,609 --> 00:43:18,220

die messy you know is present in very

868

00:43:22,859 --> 00:43:20,619

small amounts in the human brain when

869

00:43:24,780 --> 00:43:22,869

it's activated could that be what's

870

00:43:27,420 --> 00:43:24,790

creating paranormal and religious

871

00:43:28,770 --> 00:43:27,430

rapture spiritual experiences and I

872

00:43:34,080 --> 00:43:28,780

think it's the same with the plane a

873

00:43:36,000 --> 00:43:34,090

land yeah and do you think

874

00:43:39,120 --> 00:43:36,010

the doorway to other universes there's

875

00:43:42,210 --> 00:43:39,130

all kinds of labels that I hear or when

876

00:43:46,710 --> 00:43:42,220

you say that you know and I agree that a

877

00:43:49,650 --> 00:43:46,720

lot of people in their pineal gland is

878

00:43:51,540 --> 00:43:49,660

lying dormant do you think that is part

879

00:43:55,350 --> 00:43:51,550

of our programming because certainly if

880

00:43:59,190 --> 00:43:55,360

everybody's third eye was wide open we

881

00:44:00,480 --> 00:43:59,200

wouldn't accept able to control well I

882

00:44:03,240 --> 00:44:00,490

think I've heard too that there is

883

00:44:07,230 --> 00:44:03,250

actual I could say the word

884

00:44:10,740 --> 00:44:07,240

calcification of the pineal gland that

885

00:44:12,210 --> 00:44:10,750

occurs when it's not used yeah and I

886

00:44:14,520 --> 00:44:12,220

think that's you know par for the course

887

00:44:16,920 --> 00:44:14,530

for a lot of supress of the human body

888

00:44:19,080 --> 00:44:16,930

that especially parts of our brain that

889

00:44:20,370 --> 00:44:19,090

are dormant that are yet activated and

890

00:44:24,210 --> 00:44:20,380

other people like if you look at

891

00:44:25,950 --> 00:44:24,220

prodigies and savants yeah they're you

892

00:44:29,580 --> 00:44:25,960

know definitely using parts of the

893

00:44:33,330 --> 00:44:29,590

brains that some of us probably you know

894

00:44:35,190 --> 00:44:33,340

rarely touch upon so I know that there's

895

00:44:37,920 --> 00:44:35,200

a lot of talk about the pineal gland

896

00:44:41,550 --> 00:44:37,930

being calcified or having calcification

897

00:44:42,840 --> 00:44:41,560

because it doesn't get used however and

898

00:44:46,410 --> 00:44:42,850

then you hear you know a lot of

899

00:44:49,980 --> 00:44:46,420

metaphysical spiritual writers talk

900

00:44:51,750 --> 00:44:49,990

about when it's activated when you look

901
00:44:54,860 --> 00:44:51,760
through and I'm not talking about

902
00:44:57,060 --> 00:44:54,870
literally looking you know we're good

903
00:44:59,430 --> 00:44:57,070
looking at something the way that you

904
00:45:03,740 --> 00:44:59,440
would visually but when you experience

905
00:45:06,720 --> 00:45:03,750
or perceive through that third eye

906
00:45:09,690 --> 00:45:06,730
that's where you get the real truth

907
00:45:16,190 --> 00:45:09,700
that's where you actually find clarity

908
00:45:18,720 --> 00:45:16,200
but we are conditioned mind control as a

909
00:45:22,320 --> 00:45:18,730
society to believe that what we see with

910
00:45:24,990 --> 00:45:22,330
our two eyeballs is the truth that what

911
00:45:28,140 --> 00:45:25,000
we see visually and what we perceive

912
00:45:30,060 --> 00:45:28,150
visually is reality but we you know come

913
00:45:32,040 --> 00:45:30,070

on our our quantum Asiya reticle

914

00:45:34,980 --> 00:45:32,050

physicists are constantly telling us no

915

00:45:37,800 --> 00:45:34,990

no there's a lot a lot more to reality

916

00:45:41,490 --> 00:45:37,810

than what you see with your two eyes and

917

00:45:45,450 --> 00:45:41,500

what meets the eye and so perhaps that

918

00:45:47,880 --> 00:45:45,460

gland when it's active when it's working

919

00:45:49,499 --> 00:45:47,890

properly is where we get to

920

00:45:51,900 --> 00:45:49,509

see we had to precede those other

921

00:45:53,339 --> 00:45:51,910

realities and I don't know that that's

922

00:45:55,680 --> 00:45:53,349

something that were meant to do all the

923

00:45:59,430 --> 00:45:55,690

time because if you think about it it

924

00:46:01,470 --> 00:45:59,440

would be really hard to function in the

925

00:46:04,859 --> 00:46:01,480

life that we are consciously aware of

926
00:46:08,069 --> 00:46:04,869
which is this one if we were constantly

927
00:46:10,979 --> 00:46:08,079
being exposed to other universes or

928
00:46:14,519 --> 00:46:10,989
timelines or realities or dimensions or

929
00:46:16,859 --> 00:46:14,529
what-have-you or even having spiritual

930
00:46:19,680 --> 00:46:16,869
or paranormal or religious experiences

931
00:46:22,079 --> 00:46:19,690
24/7 I honestly think that would drive

932
00:46:24,239 --> 00:46:22,089
people crazy and I know crazy isn't

933
00:46:24,930 --> 00:46:24,249
saying it would you win it them in

934
00:46:31,650 --> 00:46:24,940
balance

935
00:46:34,440 --> 00:46:31,660
it probably has in certain people yeah a

936
00:46:38,130 --> 00:46:34,450
lot of our great artists and musicians

937
00:46:42,690 --> 00:46:38,140
and geniuses you you know they were not

938
00:46:45,059 --> 00:46:42,700

able to live the normal realities that

939

00:46:46,979 --> 00:46:45,069

we take for granted because they're they

940

00:46:49,200 --> 00:46:46,989

were more activated than we were even

941

00:46:51,720 --> 00:46:49,210

I'm just speculating here you know even

942

00:46:54,390 --> 00:46:51,730

Einstein you know he could barely you

943

00:46:57,269 --> 00:46:54,400

know find his own house you know he was

944

00:46:58,710 --> 00:46:57,279

so much it's so funny because my dad my

945

00:47:01,170 --> 00:46:58,720

dad passed away a few years though he

946

00:47:03,720 --> 00:47:01,180

was a geophysicist he was a scientist

947

00:47:05,489 --> 00:47:03,730

we saw his pieces he was like this

948

00:47:08,130 --> 00:47:05,499

brilliant scientist but he couldn't

949

00:47:10,229 --> 00:47:08,140

match his socks really you know he was

950

00:47:12,509 --> 00:47:10,239

like that when it came to life she was

951
00:47:15,989 --> 00:47:12,519
inept yeah we would and he would laugh

952
00:47:20,249 --> 00:47:15,999
about it too but you know as a scientist

953
00:47:23,430 --> 00:47:20,259
he was brilliant he could see realities

954
00:47:27,180 --> 00:47:23,440
that you know but then he couldn't find

955
00:47:30,420 --> 00:47:27,190
two pair two black socks and that will

956
00:47:32,039 --> 00:47:30,430
be true and I like to think that when

957
00:47:33,779 --> 00:47:32,049
we're having these discussions and

958
00:47:36,059 --> 00:47:33,789
people in the chat room that anybody who

959
00:47:39,029 --> 00:47:36,069
is interested in this kind of thing and

960
00:47:42,420 --> 00:47:39,039
opens their mind to it is getting rid of

961
00:47:45,180 --> 00:47:42,430
some of that calcification and getting

962
00:47:48,420 --> 00:47:45,190
it active again and and trying to

963
00:47:50,729 --> 00:47:48,430

perceive the the real truth that

964

00:47:53,910 --> 00:47:50,739

underlies all realities if we can ever

965

00:47:59,009 --> 00:47:53,920

possibly do that so just the act of

966

00:48:01,680 --> 00:47:59,019

seeking the truth wanting the truth it's

967

00:48:07,440 --> 00:48:01,690

actually part of the activation process

968

00:48:09,540 --> 00:48:07,450

I would think that it'd be there further

969

00:48:11,940 --> 00:48:09,550

English did have that desire without

970

00:48:14,040 --> 00:48:11,950

that desire I guess there's there's no

971

00:48:18,330 --> 00:48:14,050

further development but now what about

972

00:48:20,690 --> 00:48:18,340

the archetypes can you explain just you

973

00:48:24,950 --> 00:48:20,700

know in case someone listening may not

974

00:48:27,300 --> 00:48:24,960

have a clear idea what is an archetype

975

00:48:30,570 --> 00:48:27,310

well one of the reasons why I wrote this

976

00:48:38,160 --> 00:48:30,580

book was after my mind words I was like

977

00:48:40,230 --> 00:48:38,170

oh my god well guess what I think even

978

00:48:43,560 --> 00:48:40,240

most people have heard it said that 90%

979

00:48:45,870 --> 00:48:43,570

of your behavior and your actions

980

00:48:48,330 --> 00:48:45,880

beliefs who you are is programmed in

981

00:48:53,010 --> 00:48:48,340

your subconscious your conscious mind is

982

00:48:55,410 --> 00:48:53,020

clueless so 90% and I've seen that

983

00:48:58,080 --> 00:48:55,420

amount you know in different studies and

984

00:49:00,030 --> 00:48:58,090

things that's like the average so what

985

00:49:02,600 --> 00:49:00,040

that means is that a very large part of

986

00:49:05,220 --> 00:49:02,610

who you are as a human being is on

987

00:49:07,140 --> 00:49:05,230

automatic pilot you're not even aware

988

00:49:07,620 --> 00:49:07,150

that you're not aware of where it came

989

00:49:10,170 --> 00:49:07,630

from

990

00:49:11,580 --> 00:49:10,180

you're not aware why you believe certain

991

00:49:13,500 --> 00:49:11,590

you don't even question it why because

992

00:49:16,050 --> 00:49:13,510

we're all busy we don't have time to

993

00:49:18,750 --> 00:49:16,060

slow down and go you know why the hell

994

00:49:21,000 --> 00:49:18,760

did the same patterns keep showing up in

995

00:49:22,770 --> 00:49:21,010

my life where did this all start why do

996

00:49:24,990 --> 00:49:22,780

I believe this it doesn't really feel

997

00:49:27,630 --> 00:49:25,000

right this is resonate how why if I

998

00:49:31,140 --> 00:49:27,640

believe this on my life so I wrote the

999

00:49:33,240 --> 00:49:31,150

book because I had been going through a

1000

00:49:36,540 --> 00:49:33,250

period where a lot of very specific

1001
00:49:40,830 --> 00:49:36,550
behavioral patterns kept raising their

1002
00:49:44,370 --> 00:49:40,840
ugly head in my life and I noticed how

1003
00:49:44,940 --> 00:49:44,380
we label ourselves I'm an alcoholic I'm

1004
00:49:47,520 --> 00:49:44,950
going at it

1005
00:49:49,860 --> 00:49:47,530
dyma I'm just you know I'm skinny I'm

1006
00:49:53,340 --> 00:49:49,870
fat I'm ugly

1007
00:49:57,540 --> 00:49:53,350
you know we label ourselves we we choose

1008
00:49:59,100 --> 00:49:57,550
symbols by which we express ourselves

1009
00:50:01,950 --> 00:49:59,110
I'm a writer

1010
00:50:04,020 --> 00:50:01,960
well I most stay-at-home mom I'm an

1011
00:50:06,300 --> 00:50:04,030
entrepreneur okay so everything that we

1012
00:50:09,630 --> 00:50:06,310
use to express ourselves kind of comes

1013
00:50:13,700 --> 00:50:09,640

down to symbol but do those symbols

1014

00:50:15,150 --> 00:50:13,710

service now archetypes are very specific

1015

00:50:20,230 --> 00:50:15,160

Universal

1016

00:50:23,290 --> 00:50:20,240

symbols that are found in in myth and

1017

00:50:26,200 --> 00:50:23,300

story and religion and they're found in

1018

00:50:28,720 --> 00:50:26,210

every aspect of life and what makes them

1019

00:50:32,230 --> 00:50:28,730

so powerful is that they exist in what

1020

00:50:34,930 --> 00:50:32,240

Carl Jung the great psychoanalyst called

1021

00:50:37,900 --> 00:50:34,940

the collective unconscious and the

1022

00:50:42,280 --> 00:50:37,910

collective unconscious is a part of each

1023

00:50:44,290 --> 00:50:42,290

and every human being that is like just

1024

00:50:48,280 --> 00:50:44,300

below the level of the subconscious mind

1025

00:50:49,750 --> 00:50:48,290

and it unifies us but there's a whole

1026

00:50:52,300 --> 00:50:49,760

lot of crap down there that we don't

1027

00:50:56,250 --> 00:50:52,310

even question get it dry and use our

1028

00:50:59,380 --> 00:50:56,260

lives and that's where archetypes live

1029

00:51:02,080 --> 00:50:59,390

so the archetypes like the goddess the

1030

00:51:05,350 --> 00:51:02,090

hero the villain the victim that's a big

1031

00:51:10,090 --> 00:51:05,360

one in society right now you know the

1032

00:51:13,720 --> 00:51:10,100

anti zero V the the mother the father

1033

00:51:15,760 --> 00:51:13,730

figure the Prince the diva there's just

1034

00:51:18,160 --> 00:51:15,770

so many different archetypes that I go

1035

00:51:20,410 --> 00:51:18,170

through in the book talk about what they

1036

00:51:23,520 --> 00:51:20,420

are were they kind of originated from

1037

00:51:27,250 --> 00:51:23,530

and how they are influencing our lives

1038

00:51:30,310 --> 00:51:27,260

and the key is that if we slow down long

1039

00:51:34,090 --> 00:51:30,320

enough to really look at the way that we

1040

00:51:37,570 --> 00:51:34,100

describe ourselves and also look at the

1041

00:51:39,490 --> 00:51:37,580

way other people see us that's when we

1042

00:51:42,040 --> 00:51:39,500

can identify the archetypes that are

1043

00:51:46,180 --> 00:51:42,050

driving our behaviors and actions and

1044

00:51:51,190 --> 00:51:46,190

believe from me for years the big one

1045

00:51:54,160 --> 00:51:51,200

was victim oh my gosh and I got to a

1046

00:51:57,550 --> 00:51:54,170

point where I was sick and tired of

1047

00:52:00,190 --> 00:51:57,560

being a victim and I really have a look

1048

00:52:02,920 --> 00:52:00,200

at where did this start or how is it

1049

00:52:05,770 --> 00:52:02,930

perpetuated how am I still buying into

1050

00:52:07,450 --> 00:52:05,780

this archetypal symbol in my life now

1051
00:52:08,830 --> 00:52:07,460
how do I change it I don't want to be

1052
00:52:12,550 --> 00:52:08,840
victim anymore I want to be a warrior

1053
00:52:14,680 --> 00:52:12,560
and I started doing certain processes

1054
00:52:17,200 --> 00:52:14,690
some of which are in the book in order

1055
00:52:19,570 --> 00:52:17,210
to switch out the archetypes that I

1056
00:52:22,630 --> 00:52:19,580
thought were not helpful and serving me

1057
00:52:27,040 --> 00:52:22,640
well and replace them with them more

1058
00:52:28,480 --> 00:52:27,050
empowering positive beneficial powerful

1059
00:52:31,420 --> 00:52:28,490
archetype

1060
00:52:33,540 --> 00:52:31,430
because really everything is you know

1061
00:52:34,750 --> 00:52:33,550
we're all a hodgepodge of different

1062
00:52:38,290 --> 00:52:34,760
archetypes

1063
00:52:40,530 --> 00:52:38,300

it's the ones that we allow to control

1064

00:52:43,540 --> 00:52:40,540

us there's that mind control connection

1065

00:52:46,240 --> 00:52:43,550

that create the life that we're living

1066

00:52:48,280 --> 00:52:46,250

so if you say to yourself how the hell

1067

00:52:50,950 --> 00:52:48,290

did I get here

1068

00:52:53,170 --> 00:52:50,960

how why is my life like this my life is

1069

00:52:55,180 --> 00:52:53,180

a mess I you know I'm not married to the

1070

00:52:58,480 --> 00:52:55,190

person that I love a blood and it's a

1071

00:53:00,339 --> 00:52:58,490

job that I love I'm unhealthy well if

1072

00:53:03,120 --> 00:53:00,349

you really start to look at the

1073

00:53:06,700 --> 00:53:03,130

behavioral patterns that got you there

1074

00:53:09,400 --> 00:53:06,710

it is because you bought into certain

1075

00:53:12,880 --> 00:53:09,410

symbols that were either given to you

1076

00:53:15,520 --> 00:53:12,890

from other people or you bought into

1077

00:53:18,930 --> 00:53:15,530

yourself along the path of your life and

1078

00:53:21,400 --> 00:53:18,940

now you have the power to identify them

1079

00:53:25,060 --> 00:53:21,410

decide which ones you get to keep and

1080

00:53:34,000 --> 00:53:25,070

kick the other ones to the curd you mean

1081

00:53:35,680 --> 00:53:34,010

like the dirty girl archetype another

1082

00:53:38,650 --> 00:53:35,690

thing with archetypes is how you spin

1083

00:53:41,740 --> 00:53:38,660

them because that's not of you know God

1084

00:53:44,680 --> 00:53:41,750

and Goddess or two of the the archetypes

1085

00:53:46,450 --> 00:53:44,690

that Carl Jung he had a head of about 12

1086

00:53:49,030 --> 00:53:46,460

and some of them kind of have swapped

1087

00:53:52,000 --> 00:53:49,040

out here and there that he felt were

1088

00:53:53,829 --> 00:53:52,010

really the most universal but so you can

1089

00:53:56,710 --> 00:53:53,839

think of yourself as a goddess in a

1090

00:53:59,170 --> 00:53:56,720

positive way but you can also turn that

1091

00:54:04,359 --> 00:53:59,180

negative and be just a diva

1092

00:54:05,829 --> 00:54:04,369

you know bi TCH and think that you're

1093

00:54:10,480 --> 00:54:05,839

you know and be arrogant narcissistic

1094

00:54:14,130 --> 00:54:10,490

about it so each archetype has a sort of

1095

00:54:17,560 --> 00:54:14,140

a positive and a negative spin to it I

1096

00:54:20,560 --> 00:54:17,570

like you know for me really swapping out

1097

00:54:22,599 --> 00:54:20,570

the victim for warrior was so important

1098

00:54:24,700 --> 00:54:22,609

and he turned me into a completely

1099

00:54:27,040 --> 00:54:24,710

different person but I have to be really

1100

00:54:32,109 --> 00:54:27,050

careful that I don't allow the warrior

1101
00:54:35,650 --> 00:54:32,119
to become more like mmm that's when that

1102
00:54:38,560 --> 00:54:35,660
archetype has gone a little too far it

1103
00:54:40,240 --> 00:54:38,570
can be a warrior for your own benefit

1104
00:54:42,220 --> 00:54:40,250
for good for your kids your family

1105
00:54:44,740 --> 00:54:42,230
whatever but if you become more

1106
00:54:47,800 --> 00:54:44,750
like that's you know then you've kind of

1107
00:54:50,500 --> 00:54:47,810
gone into the negative so I love this

1108
00:54:54,880 --> 00:54:50,510
book it's it's one of the first times

1109
00:54:57,760 --> 00:54:54,890
I've really been able to you know really

1110
00:55:00,730 --> 00:54:57,770
look at my own behaviors and then lay

1111
00:55:03,220 --> 00:55:00,740
them down what I've learned and what I

1112
00:55:05,080 --> 00:55:03,230
am learning in a way that I hope and I

1113
00:55:08,349 --> 00:55:05,090

think the feedback already has been

1114

00:55:11,170 --> 00:55:08,359

fantastic that will help other people oh

1115

00:55:13,480 --> 00:55:11,180

that's that's great you know we're gonna

1116

00:55:15,099 --> 00:55:13,490

talk a little bit more about that after

1117

00:55:18,599 --> 00:55:15,109

the break we're going to talk more about

1118

00:55:21,520 --> 00:55:18,609

archetypes and how they can help us and

1119

00:55:23,500 --> 00:55:21,530

also we're gonna get back into the dark

1120

00:55:32,410 --> 00:55:23,510

side before we go tonight we're going to

1121

00:55:37,750 --> 00:55:34,680

[Music]

1122

00:55:39,670 --> 00:55:37,760

hey welcome back to night vision I'm

1123

00:55:41,200 --> 00:55:39,680

having such a good time with my guests

1124

00:55:43,359 --> 00:55:41,210

tonight when Reedy Jones

1125

00:55:45,880 --> 00:55:43,369

author and screenwriter we've been

1126

00:55:48,250 --> 00:55:45,890

talking about mind control and how we've

1127

00:55:49,720 --> 00:55:48,260

been programmed you know our whole lives

1128

00:55:53,380 --> 00:55:49,730

and not only our whole lives but

1129

00:55:55,450 --> 00:55:53,390

throughout the centuries either you know

1130

00:55:58,120 --> 00:55:55,460

people that have a mind control program

1131

00:56:00,670 --> 00:55:58,130

or they're just practicing manipulative

1132

00:56:03,070 --> 00:56:00,680

ways on us and it sort of worked its way

1133

00:56:04,720 --> 00:56:03,080

down through time and it's actually as

1134

00:56:06,910 --> 00:56:04,730

according to Murray is sort of part of

1135

00:56:10,060 --> 00:56:06,920

our human nature to want to control

1136

00:56:11,740 --> 00:56:10,070

things and want to control others so we

1137

00:56:14,140 --> 00:56:11,750

kind of have to watch that in our in our

1138

00:56:18,190 --> 00:56:14,150

own cells we've been talking about then

1139

00:56:21,849 --> 00:56:18,200

after that how to use archetypes to sort

1140

00:56:25,630 --> 00:56:21,859

of change our view of ourselves and in

1141

00:56:29,349 --> 00:56:25,640

in so doing sort of change our direction

1142

00:56:31,380 --> 00:56:29,359

in life and be more positive and going

1143

00:56:34,960 --> 00:56:31,390

more of a direction that we want to go

1144

00:56:38,650 --> 00:56:34,970

so we now you talked about how you use

1145

00:56:42,690 --> 00:56:38,660

the the archetype of the warrior so now

1146

00:56:46,359 --> 00:56:42,700

how did you when you say you used that

1147

00:56:48,790 --> 00:56:46,369

what how did you use it did you just

1148

00:56:52,630 --> 00:56:48,800

start envisioning yourself that way or

1149

00:56:54,820 --> 00:56:52,640

how do you use that archetype when I was

1150

00:56:56,080 --> 00:56:54,830

writing the book I actually interviewed

1151

00:56:58,540 --> 00:56:56,090

a couple of people that had

1152

00:57:00,100 --> 00:56:58,550

different really you know kind of cool

1153

00:57:03,790 --> 00:57:00,110

techniques that I actually put in the

1154

00:57:06,250 --> 00:57:03,800

book meditations and visualizations that

1155

00:57:08,620 --> 00:57:06,260

were really helpful here's the thing

1156

00:57:11,730 --> 00:57:08,630

we're fighting we're fighting not only

1157

00:57:14,290 --> 00:57:11,740

the subconscious mind which is

1158

00:57:16,630 --> 00:57:14,300

unbelievably powerful way more powerful

1159

00:57:19,750 --> 00:57:16,640

than our conscious mind mostly because

1160

00:57:21,850 --> 00:57:19,760

we have no idea everything that's in it

1161

00:57:24,550 --> 00:57:21,860

from the time that we were born you know

1162

00:57:28,090 --> 00:57:24,560

just all of the past memories and

1163

00:57:30,700 --> 00:57:28,100

experiences and and beliefs are all

1164

00:57:32,770 --> 00:57:30,710

accumulated there but then as Carl Jung

1165

00:57:35,680 --> 00:57:32,780

said suggest there's this collective

1166

00:57:37,510 --> 00:57:35,690

unconscious because even below that and

1167

00:57:40,870 --> 00:57:37,520

it's almost like a collective

1168

00:57:42,730 --> 00:57:40,880

subconscious mind but we all share so

1169

00:57:45,880 --> 00:57:42,740

that's one of the reasons why certain

1170

00:57:48,700 --> 00:57:45,890

movies or TV shows or stories or novels

1171

00:57:51,910 --> 00:57:48,710

resonate resonate with so many people

1172

00:57:55,390 --> 00:57:51,920

because they're universal and that's why

1173

00:57:57,970 --> 00:57:55,400

you know fairy tales and Disney stories

1174

00:58:00,720 --> 00:57:57,980

and you know the boy meets girl love

1175

00:58:03,160 --> 00:58:00,730

stories there's certain types of music

1176
00:58:06,940 --> 00:58:03,170
that doesn't matter where you come from

1177
00:58:09,520 --> 00:58:06,950
what country or or nationality or you

1178
00:58:12,580 --> 00:58:09,530
know what your belief system is they

1179
00:58:16,720 --> 00:58:12,590
resonate those are universal and they're

1180
00:58:20,320 --> 00:58:16,730
archetypal so but but when that comes

1181
00:58:23,800 --> 00:58:20,330
down to you as an individual if we don't

1182
00:58:26,350 --> 00:58:23,810
stop and take a look at the behaviors

1183
00:58:28,510 --> 00:58:26,360
and the thoughts going for minds that

1184
00:58:30,850 --> 00:58:28,520
are creating our reality and if we're

1185
00:58:34,300 --> 00:58:30,860
really unhappy with our reality or parts

1186
00:58:37,090 --> 00:58:34,310
of it and we're not able to go deep

1187
00:58:39,430 --> 00:58:37,100
enough to where all of this originated

1188
00:58:41,170 --> 00:58:39,440

which is in the subconscious and then

1189

00:58:42,190 --> 00:58:41,180

even further deep in the collective

1190

00:58:44,350 --> 00:58:42,200

unconscious

1191

00:58:46,690 --> 00:58:44,360

we're never gonna it's like putting a

1192

00:58:48,420 --> 00:58:46,700

bandaid on again a gaping wound we're

1193

00:58:53,350 --> 00:58:48,430

never gonna really be able to heal or

1194

00:58:55,360 --> 00:58:53,360

change so for me it was really I went

1195

00:58:59,050 --> 00:58:55,370

through a couple of classes there were

1196

00:59:01,840 --> 00:58:59,060

actually six month long classes there

1197

00:59:03,700 --> 00:59:01,850

was a women's workshop where we really

1198

00:59:06,670 --> 00:59:03,710

looked at this kind of thing and you've

1199

00:59:08,470 --> 00:59:06,680

got it out on the table and you you know

1200

00:59:09,930 --> 00:59:08,480

a lot of writing and journaling and a

1201
00:59:13,090 --> 00:59:09,940
lot of really

1202
00:59:16,240 --> 00:59:13,100
examining where did my beliefs come from

1203
00:59:18,940 --> 00:59:16,250
why do I keep having the same patterns

1204
00:59:20,950 --> 00:59:18,950
can i trace far as you know as far back

1205
00:59:23,470 --> 00:59:20,960
as I possibly can to wear this pattern

1206
00:59:26,620 --> 00:59:23,480
might have begun and when you do that

1207
00:59:28,090 --> 00:59:26,630
you find out that yes you can and that's

1208
00:59:31,030 --> 00:59:28,100
where you start to say where you've

1209
00:59:34,420 --> 00:59:31,040
given your power away all along the

1210
00:59:37,300 --> 00:59:34,430
course of your life and so if you go

1211
00:59:38,890 --> 00:59:37,310
around oh and and a lot of times the

1212
00:59:41,320 --> 00:59:38,900
clues come from what you complain about

1213
00:59:44,140 --> 00:59:41,330

the most okay so say you're someone who

1214

00:59:45,490 --> 00:59:44,150

complains all the time about I'm really

1215

00:59:47,710 --> 00:59:45,500

sick and tired of people taking

1216

00:59:50,200 --> 00:59:47,720

advantage of me oh my god I'm so tired

1217

00:59:51,310 --> 00:59:50,210

some ticket manager me yeah why am I

1218

00:59:54,550 --> 00:59:51,320

always taking for granted

1219

00:59:55,690 --> 00:59:54,560

bla bla bla those are clues that you are

1220

00:59:58,480 --> 00:59:55,700

playing the victim

1221

01:00:00,370 --> 00:59:58,490

the big V okay that's your archetype

1222

01:00:03,130 --> 01:00:00,380

it's not your only one you've got more

1223

01:00:05,800 --> 01:00:03,140

but that's your big one if you're always

1224

01:00:07,900 --> 01:00:05,810

going around and time says second I'm so

1225

01:00:11,440 --> 01:00:07,910

sick and I so so second I'm so weak

1226

01:00:21,850 --> 01:00:11,450

you're archetype is the the weaklings

1227

01:00:24,520 --> 01:00:21,860

you know you can kind of see right what

1228

01:00:28,120 --> 01:00:24,530

about okay this is what I've noticed in

1229

01:00:32,470 --> 01:00:28,130

myself you know at some point I started

1230

01:00:35,470 --> 01:00:32,480

realizing this having this tiny pin

1231

01:00:40,110 --> 01:00:35,480

light of self-awareness that when

1232

01:00:43,060 --> 01:00:40,120

someone annoys me with a behavior and

1233

01:00:44,740 --> 01:00:43,070

I'm feeling like oh they're so stupid

1234

01:00:47,230 --> 01:00:44,750

they don't know what they're doing and

1235

01:00:49,840 --> 01:00:47,240

why do they do this and that if I really

1236

01:00:52,780 --> 01:00:49,850

look at it there's something in what

1237

01:00:54,900 --> 01:00:52,790

they're doing that I don't like about

1238

01:00:58,300 --> 01:00:54,910

myself

1239

01:01:02,040 --> 01:00:58,310

absolutely absolutely it's a people are

1240

01:01:05,440 --> 01:01:02,050

mirrors they're mirrors for our own

1241

01:01:09,630 --> 01:01:05,450

behaviors and and BS yes that's that

1242

01:01:12,220 --> 01:01:09,640

weird it's like all right to work that

1243

01:01:13,810 --> 01:01:12,230

right yeah and I'll just think oh you

1244

01:01:15,760 --> 01:01:13,820

know how can they do this and do that

1245

01:01:16,180 --> 01:01:15,770

and be that stupid or this that and the

1246

01:01:18,760 --> 01:01:16,190

other MA

1247

01:01:20,050 --> 01:01:18,770

I don't say yeah loud might you because

1248

01:01:22,090 --> 01:01:20,060

I wouldn't want anyone else to know what

1249

01:01:23,410 --> 01:01:22,100

a bad no but it's gone through your head

1250

01:01:25,990 --> 01:01:23,420

you know and the thing is

1251

01:01:27,690 --> 01:01:26,000

we're not aware of 90% if not more of

1252

01:01:30,279 --> 01:01:27,700

the thoughts that go through our head

1253

01:01:33,190 --> 01:01:30,289

and when you become aware what you think

1254

01:01:34,809 --> 01:01:33,200

about you might be in shock about oh wow

1255

01:01:36,759 --> 01:01:34,819

I think about a lot of really negative

1256

01:01:38,650 --> 01:01:36,769

stuff and I really beat the crap out of

1257

01:01:41,440 --> 01:01:38,660

myself and put myself down and call

1258

01:01:43,990 --> 01:01:41,450

myself stupid ugly unattractive a

1259

01:01:48,339 --> 01:01:44,000

failure you know it's like wow

1260

01:01:50,440 --> 01:01:48,349

no wonder my life is but you know so

1261

01:01:53,200 --> 01:01:50,450

easy take us an example though somebody

1262

01:01:56,170 --> 01:01:53,210

let's say it's a woman who care takes

1263

01:01:57,609 --> 01:01:56,180

too much so she's constantly taking care

1264

01:02:00,279 --> 01:01:57,619

of her husband maybe he's an alcoholic

1265

01:02:02,799 --> 01:02:00,289

however she's taken care of her elderly

1266

01:02:06,309 --> 01:02:02,809

parents she's raising six kids

1267

01:02:07,420 --> 01:02:06,319

she's on the PTA board and she's I know

1268

01:02:10,240 --> 01:02:07,430

volunteer

1269

01:02:12,279 --> 01:02:10,250

she's a martyr okay that's her archetype

1270

01:02:14,349 --> 01:02:12,289

she is a murderer and even though she's

1271

01:02:17,589 --> 01:02:14,359

saying all that with love it's building

1272

01:02:19,120 --> 01:02:17,599

incredible resentment in her and it's

1273

01:02:22,299 --> 01:02:19,130

also making her physically and mentally

1274

01:02:23,950 --> 01:02:22,309

fit so until she can listen say oh my

1275

01:02:26,680 --> 01:02:23,960

god I don't want to be a murderer I want

1276

01:02:29,349 --> 01:02:26,690

to be you know I want to take back some

1277

01:02:31,779 --> 01:02:29,359

of my power I want to be a nurturer

1278

01:02:35,460 --> 01:02:31,789

certainly but I want to be more of a

1279

01:02:39,819 --> 01:02:35,470

goddess I want to be more of a you know

1280

01:02:44,589 --> 01:02:39,829

whatever until you until you admit that

1281

01:02:47,859 --> 01:02:44,599

you are something you can't change it or

1282

01:02:51,579 --> 01:02:47,869

fix it or replace it or or tweak it so

1283

01:02:54,819 --> 01:02:51,589

that it's a little more positive admit

1284

01:02:56,170 --> 01:02:54,829

it first that's right like dr. Phil says

1285

01:02:59,200 --> 01:02:56,180

you can't change what you don't

1286

01:03:01,660 --> 01:02:59,210

acknowledge yes and that's the big thing

1287

01:03:04,720 --> 01:03:01,670

about archetypes when you go to the

1288

01:03:06,400 --> 01:03:04,730

movies like everybody loves the new

1289

01:03:10,630 --> 01:03:06,410

Wonder Woman I haven't seen it yet but

1290

01:03:12,970 --> 01:03:10,640

everybody I wanted it's not you know

1291

01:03:16,359 --> 01:03:12,980

yeah from what I hear it's a great movie

1292

01:03:19,349 --> 01:03:16,369

but it's also a universal archetype that

1293

01:03:23,910 --> 01:03:19,359

we have not seen all the lot before a

1294

01:03:26,259 --> 01:03:23,920

powerful loving nurturing woman warrior

1295

01:03:28,960 --> 01:03:26,269

everybody watches games Game of Thrones

1296

01:03:31,509 --> 01:03:28,970

everybody watching Walking Dead Breaking

1297

01:03:34,749 --> 01:03:31,519

Bad I actually in the book look at some

1298

01:03:36,230 --> 01:03:34,759

of the really popular movies and TV

1299

01:03:38,690 --> 01:03:36,240

series and

1300

01:03:39,650 --> 01:03:38,700

even things that sound silly like the

1301

01:03:45,380 --> 01:03:39,660

Brady Bunch

1302

01:03:47,600 --> 01:03:45,390

successful there was some cheesy and yet

1303

01:03:50,150 --> 01:03:47,610

each one of those characters represented

1304

01:03:53,150 --> 01:03:50,160

two different archetypes you had you

1305

01:03:55,700 --> 01:03:53,160

know Cindy the innocent young one and

1306

01:03:59,090 --> 01:03:55,710

then you had jam the misunderstood

1307

01:04:01,730 --> 01:03:59,100

middle child and Marcia was considered

1308

01:04:04,520 --> 01:04:01,740

you know older and then Alice was the

1309

01:04:06,890 --> 01:04:04,530

the martyr I mean you know and it's just

1310

01:04:09,800 --> 01:04:06,900

kind of funny you go look at Gilligan's

1311

01:04:12,470 --> 01:04:09,810

Island you look at newer shows you look

1312

01:04:15,950 --> 01:04:12,480

at new movies I went through the Walking

1313

01:04:18,800 --> 01:04:15,960

Dead and I identified oh my god this is

1314

01:04:19,760 --> 01:04:18,810

why I love the show so much Rick is the

1315

01:04:23,360 --> 01:04:19,770

antihero

1316

01:04:27,370 --> 01:04:23,370

you know and and Carol is the warrior

1317

01:04:29,960 --> 01:04:27,380

and and you start to really see how

1318

01:04:34,120 --> 01:04:29,970

archetypes have been such a big part of

1319

01:04:44,740 --> 01:04:34,130

our lives through stories for movies and

1320

01:04:50,150 --> 01:04:48,950

yes yes okay yep I'm still here I was

1321

01:04:51,770 --> 01:04:50,160

having a little bit of trouble hearing

1322

01:04:54,530 --> 01:04:51,780

you for a moment but I think it's all

1323

01:04:57,710 --> 01:04:54,540

cleared up now now before we get too far

1324

01:05:00,080 --> 01:04:57,720

gone here because we've got about Oh 18

1325

01:05:02,570 --> 01:05:00,090

minutes left I guess in the show I want

1326

01:05:05,840 --> 01:05:02,580

to know how do we get your books I'm

1327

01:05:07,310 --> 01:05:05,850

sure we can go to Amazon but also we

1328

01:05:11,060 --> 01:05:07,320

should go to your website is that Marie

1329

01:05:11,600 --> 01:05:11,070

de Jong's comm Marie Jones comm is my

1330

01:05:13,910 --> 01:05:11,610

website

1331

01:05:16,430 --> 01:05:13,920

the architect book should be in

1332

01:05:20,510 --> 01:05:16,440

bookstores I think it's online it's

1333

01:05:23,750 --> 01:05:20,520

available online already my belief is

1334

01:05:25,790 --> 01:05:23,760

that it hits bookstores next week I like

1335

01:05:26,780 --> 01:05:25,800

I know who knows could already be yeah

1336

01:05:29,870 --> 01:05:26,790

so it should be out soon

1337

01:05:31,370 --> 01:05:29,880

and a mind Wars is already online and in

1338

01:05:33,410 --> 01:05:31,380

bookstores that's been out for a little

1339

01:05:36,980 --> 01:05:33,420

over a year and then I have a new book

1340

01:05:38,900 --> 01:05:36,990

coming out in November or September and

1341

01:05:41,390 --> 01:05:38,910

sorry about one of the biggest

1342

01:05:44,650 --> 01:05:41,400

archetypes of all it's the history of

1343

01:05:48,560 --> 01:05:44,660

demons the devil and fallen angels and

1344

01:05:49,570 --> 01:05:48,570

boy talk about universal symbols wow

1345

01:05:52,450 --> 01:05:49,580

that's

1346

01:05:53,830 --> 01:05:52,460

big one so that would be out so people

1347

01:05:56,230 --> 01:05:53,840

can go to their normal brick-and-mortar

1348

01:05:58,510 --> 01:05:56,240

bookstores if they don't have low order

1349

01:06:05,020 --> 01:05:58,520

it you know it doesn't cost you anything

1350

01:06:08,140 --> 01:06:05,030

or buy them online either way great

1351

01:06:11,320 --> 01:06:08,150

great now the demon book do you have a

1352

01:06:13,870 --> 01:06:11,330

title for it yet it's I believe it's

1353

01:06:17,800 --> 01:06:13,880

called demons the devil and fallen

1354

01:06:19,960 --> 01:06:17,810

angels and a digital Express which is a

1355

01:06:23,580 --> 01:06:19,970

new publisher that I'm working with and

1356

01:06:29,410 --> 01:06:23,590

they're really awesome and they do these

1357

01:06:31,810 --> 01:06:29,420

gigantic almost encyclopedic books so

1358

01:06:34,650 --> 01:06:31,820

that book is going to have just about

1359

01:06:39,190 --> 01:06:34,660

everything you could possibly imagine

1360

01:06:42,970 --> 01:06:39,200

having to do literally I document the

1361

01:06:44,620 --> 01:06:42,980

history of evil demons the devil fallen

1362

01:06:47,230 --> 01:06:44,630

angels not just you know the way we

1363

01:06:51,550 --> 01:06:47,240

think about them in modern times but in

1364

01:06:53,500 --> 01:06:51,560

a concept how did they evolve as ideas

1365

01:06:57,460 --> 01:06:53,510

the idea of evil where that come from

1366

01:06:59,440 --> 01:06:57,470

and the devil and Satan and Lucifer and

1367

01:07:01,840 --> 01:06:59,450

how they're the same and yet they're all

1368

01:07:05,440 --> 01:07:01,850

different and just all kinds of stuff it

1369

01:07:09,130 --> 01:07:05,450

really is encyclopedic oh that's really

1370

01:07:12,490 --> 01:07:09,140

a star cover you cover are you gonna

1371

01:07:16,870 --> 01:07:12,500

cover things like Asmodeus and King

1372

01:07:20,440 --> 01:07:16,880

Solomon and everything oh it's gonna be

1373

01:07:23,440 --> 01:07:20,450

good IKEA and what was really

1374

01:07:27,010 --> 01:07:23,450

fascinating yeah I mean you know it goes

1375

01:07:28,990 --> 01:07:27,020

from the origin of evil and how it was a

1376

01:07:32,050 --> 01:07:29,000

necessity of you know our belief in

1377

01:07:34,450 --> 01:07:32,060

duality is as primitive people when we

1378

01:07:36,790 --> 01:07:34,460

looked at nature we began to categorize

1379

01:07:40,900 --> 01:07:36,800

things that happen and oh that's good

1380

01:07:43,750 --> 01:07:40,910

that benefits me and oh lightning storm

1381

01:07:46,570 --> 01:07:43,760

you know earthquakes that bad that's yes

1382

01:07:51,220 --> 01:07:46,580

that's how really how evil and then we

1383

01:07:53,920 --> 01:07:51,230

then we applied Dandy's to those ideas

1384

01:07:56,500 --> 01:07:53,930

and just you know trace the whole origin

1385

01:07:59,290 --> 01:07:56,510

of these concepts right up to modern

1386

01:08:03,100 --> 01:07:59,300

times you know the book goes through the

1387

01:08:03,370 --> 01:08:03,110

satanic panic and modern Dayton ISM it

1388

01:08:05,529 --> 01:08:03,380

goes

1389

01:08:08,529 --> 01:08:05,539

back to the Inquisition and the witch

1390

01:08:11,640 --> 01:08:08,539

burnings and how the you know the

1391

01:08:15,160 --> 01:08:11,650

Catholic Church was involved in shaping

1392

01:08:19,570 --> 01:08:15,170

our perceptions of Satan and demons and

1393

01:08:21,970 --> 01:08:19,580

it goes through Jen and oh really how

1394

01:08:24,610 --> 01:08:21,980

aliens and demons have possibly been

1395

01:08:26,620 --> 01:08:24,620

interchanged and are just literally

1396

01:08:29,649 --> 01:08:26,630

every single thing you could think of if

1397

01:08:34,360 --> 01:08:29,659

I left anything out of that book I will

1398

01:08:36,669 --> 01:08:34,370

be surprised yeah I wonder I did wonder

1399

01:08:40,149 --> 01:08:36,679

about that because you do hear you know

1400

01:08:44,200 --> 01:08:40,159

some people you know have the idea that

1401

01:08:47,979 --> 01:08:44,210

you know ETS or demons and any talk

1402

01:08:53,129 --> 01:08:47,989

about UFOs and aliens is flirting with a

1403

01:08:57,340 --> 01:08:53,139

devil well then and is it possible that

1404

01:09:01,629 --> 01:08:57,350

you know two thousand years ago somebody

1405

01:09:04,090 --> 01:09:01,639

saw a UFO or even an alien you know a

1406

01:09:06,329 --> 01:09:04,100

gray or whatever the kind of aliens that

1407

01:09:09,820 --> 01:09:06,339

were used to hearing about and miss

1408

01:09:12,249 --> 01:09:09,830

identified it as a demon because their

1409

01:09:15,099 --> 01:09:12,259

religious belief you know where that

1410

01:09:17,200 --> 01:09:15,109

anything that didn't come from here came

1411

01:09:18,939 --> 01:09:17,210

from Hell and it's just really

1412

01:09:24,129 --> 01:09:18,949

interesting to see how a lot of these

1413

01:09:25,899 --> 01:09:24,139

ideas sort of come into play and you

1414

01:09:28,689 --> 01:09:25,909

know I talked about I have interviews

1415

01:09:31,689 --> 01:09:28,699

with demonologists and talk about

1416

01:09:33,220 --> 01:09:31,699

possession and exorcism it was a really

1417

01:09:36,280 --> 01:09:33,230

fascinating book to write but it's so

1418

01:09:39,729 --> 01:09:36,290

funny because when I began writing it I

1419

01:09:41,939 --> 01:09:39,739

got a lot of warnings from my friends

1420

01:09:44,530 --> 01:09:41,949

and colleagues in the paranormal field

1421

01:09:47,620 --> 01:09:44,540

you know it should be careful that when

1422

01:09:50,829 --> 01:09:47,630

you open this door you know that my god

1423

01:09:52,930 --> 01:09:50,839

happen well nothing bad happened except

1424

01:09:55,750 --> 01:09:52,940

for computer issues which I have you

1425

01:09:58,090 --> 01:09:55,760

know all the time anyway but I really

1426

01:09:59,709 --> 01:09:58,100

did you know and I wrote it and it was

1427

01:10:01,570 --> 01:09:59,719

written objectively the book is written

1428

01:10:04,570 --> 01:10:01,580

very objectively it's really meant to

1429

01:10:07,450 --> 01:10:04,580

convey information more so than personal

1430

01:10:11,140 --> 01:10:07,460

opinion but I did kind of start looking

1431

01:10:13,330 --> 01:10:11,150

around and looking over my shoulder you

1432

01:10:14,979 --> 01:10:13,340

know do I want to try to not do I want

1433

01:10:17,010 --> 01:10:14,989

to try to get out of this deal maybe I

1434

01:10:20,920 --> 01:10:17,020

should ask my agent if

1435

01:10:22,690 --> 01:10:20,930

but I powered through and nothing bad

1436

01:10:26,850 --> 01:10:22,700

happens and it was absolutely

1437

01:10:30,250 --> 01:10:26,860

fascinating to learn about the different

1438

01:10:36,640 --> 01:10:30,260

beliefs all over the world and how they

1439

01:10:40,450 --> 01:10:36,650

involved certain cultures and religions

1440

01:10:44,380 --> 01:10:40,460

don't believe in Satan or hell that was

1441

01:10:47,260 --> 01:10:44,390

a concentration and I I don't really if

1442

01:10:49,480 --> 01:10:47,270

I'm mistaken I do apologize to all my

1443

01:10:52,000 --> 01:10:49,490

Jewish friends and listeners but I do

1444

01:10:54,670 --> 01:10:52,010

believe that in the Jewish faith they

1445

01:10:57,340 --> 01:10:54,680

don't have the concept of you know you

1446

01:11:12,190 --> 01:10:57,350

send you to go to hell you know and they

1447

01:11:14,920 --> 01:11:12,200

don't demon bull personifications you

1448

01:11:20,950 --> 01:11:14,930

could say but those are you know those

1449

01:11:22,750 --> 01:11:20,960

are evolved around own responsibility

1450

01:11:26,770 --> 01:11:22,760

and paying the consequences for your

1451

01:11:30,580 --> 01:11:26,780

actions you know and in Buddhism we know

1452

01:11:33,910 --> 01:11:30,590

that that you pay karmic debt karmic

1453

01:11:35,830 --> 01:11:33,920

consequences and the only way you ever

1454

01:11:39,100 --> 01:11:35,840

get off the wheel of karma is when you

1455

01:11:40,530 --> 01:11:39,110

are free from having to do that so yeah

1456

01:11:44,440 --> 01:11:40,540

there's all these different

1457

01:11:46,870 --> 01:11:44,450

personifications fascinating because

1458

01:11:50,820 --> 01:11:46,880

they're really wonderful evidence out

1459

01:11:55,140 --> 01:11:50,830

there that the whole concept came from

1460

01:11:59,050 --> 01:11:55,150

our you know our ancestors venus the

1461

01:12:01,330 --> 01:11:59,060

bright shining morning star and hell

1462

01:12:04,120 --> 01:12:01,340

lucifer is actually referred to in the

1463

01:12:07,210 --> 01:12:04,130

Bible a couple of times and as the

1464

01:12:09,280 --> 01:12:07,220

morning star it's really interesting

1465

01:12:12,730 --> 01:12:09,290

stuff that I had never been exposed to

1466

01:12:15,490 --> 01:12:12,740

very much I think for anybody who thinks

1467

01:12:16,510 --> 01:12:15,500

they know about the subject matter I

1468

01:12:18,550 --> 01:12:16,520

think they're gonna be blown away

1469

01:12:21,790 --> 01:12:18,560

they're gonna learn something I just did

1470

01:12:25,930 --> 01:12:21,800

right then because I I did not know ya

1471

01:12:27,640 --> 01:12:25,940

really dig it it's amazing when you are

1472

01:12:29,650 --> 01:12:27,650

forced because of writing a book and you

1473

01:12:30,490 --> 01:12:29,660

have to research and you're forced to

1474

01:12:33,490 --> 01:12:30,500

really dig

1475

01:12:36,190 --> 01:12:33,500

to find you know where did all this

1476

01:12:40,660 --> 01:12:36,200

stuff begin and and I oh and I love the

1477

01:12:42,340 --> 01:12:40,670

history of words had a technology oh yes

1478

01:12:44,800 --> 01:12:42,350

a feature yes

1479

01:12:48,100 --> 01:12:44,810

because you can learn so much about

1480

01:12:51,960 --> 01:12:48,110

something by tracing the history of the

1481

01:12:55,270 --> 01:12:51,970

word itself going back to the room yeah

1482

01:12:56,620 --> 01:12:55,280

came from the old English whatever oh

1483

01:12:59,770 --> 01:12:56,630

wow

1484

01:13:02,880 --> 01:12:59,780

okay that's unusual and it I love that

1485

01:13:08,320 --> 01:13:02,890

it's just I always try to include that

1486

01:13:11,290 --> 01:13:08,330

yes I've started really getting into the

1487

01:13:14,700 --> 01:13:11,300

power of words and also about how we say

1488

01:13:17,350 --> 01:13:14,710

words but we don't really we say them

1489

01:13:19,090 --> 01:13:17,360

because you know it's a shorthand for

1490

01:13:21,190 --> 01:13:19,100

getting our point across but we don't

1491

01:13:23,470 --> 01:13:21,200

really think about the words and what

1492

01:13:27,330 --> 01:13:23,480

the origin was and what they really

1493

01:13:32,890 --> 01:13:27,340

really mean it's it's very interesting

1494

01:13:36,520 --> 01:13:32,900

yeah well and what's really interesting

1495

01:13:38,980 --> 01:13:36,530

too is that you know so much as before

1496

01:13:41,950 --> 01:13:38,990

the written and and spoken language

1497

01:13:44,920 --> 01:13:41,960

ruiny became sophisticated we really

1498

01:13:48,310 --> 01:13:44,930

communicated in symbols and drawings and

1499

01:13:51,010 --> 01:13:48,320

images so a lot of that goes back to the

1500

01:13:53,740 --> 01:13:51,020

archetypal images that we no matter what

1501

01:13:55,450 --> 01:13:53,750

tribe you came from you know or no

1502

01:13:59,080 --> 01:13:55,460

matter where in the world you were

1503

01:14:03,160 --> 01:13:59,090

wandering around you understood what

1504

01:14:06,310 --> 01:14:03,170

that meant yes and how even today we

1505

01:14:08,170 --> 01:14:06,320

have those subtleties in our language we

1506

01:14:12,220 --> 01:14:08,180

have things that are we have subtext

1507

01:14:15,570 --> 01:14:12,230

things that are understood on a a more

1508

01:14:20,680 --> 01:14:15,580

subtle level and it's just you know I

1509

01:14:23,590 --> 01:14:20,690

mean it's not like blaming religion but

1510

01:14:26,950 --> 01:14:23,600

when you look at the devil and and the

1511

01:14:29,620 --> 01:14:26,960

idea of Satan and demons from a

1512

01:14:33,460 --> 01:14:29,630

historical aspect and you really try to

1513

01:14:38,250 --> 01:14:33,470

trace it back to the origin you really

1514

01:14:42,640 --> 01:14:38,260

get to see firsthand the influence that

1515

01:14:43,240 --> 01:14:42,650

religion had on taking ideas and making

1516

01:14:45,850 --> 01:14:43,250

them

1517

01:14:48,640 --> 01:14:45,860

their own for their own purposes now I'm

1518

01:14:51,730 --> 01:14:48,650

not saying they did that for sinister

1519

01:14:54,610 --> 01:14:51,740

purposes you know I believe that the

1520

01:14:57,490 --> 01:14:54,620

Catholic Church felt the need to keep

1521

01:15:01,210 --> 01:14:57,500

its people under control by bringing

1522

01:15:03,190 --> 01:15:01,220

into their belief system the idea that

1523

01:15:04,060 --> 01:15:03,200

if you do something bad you're gonna go

1524

01:15:06,370 --> 01:15:04,070

to hell

1525

01:15:10,710 --> 01:15:06,380

and say we'll be there and he's not very

1526

01:15:14,440 --> 01:15:10,720

nice yes I remember did being told that

1527

01:15:16,990 --> 01:15:14,450

so they didn't hijack some of the the

1528

01:15:20,140 --> 01:15:17,000

beliefs the concepts as they were

1529

01:15:22,150 --> 01:15:20,150

evolving and made them their own for

1530

01:15:26,020 --> 01:15:22,160

their own benefit just as every other

1531

01:15:29,200 --> 01:15:26,030

religion did you know and that led to

1532

01:15:31,510 --> 01:15:29,210

the especially lien and witch burnings

1533

01:15:33,910 --> 01:15:31,520

and you know and unfortunately they're

1534

01:15:36,030 --> 01:15:33,920

still persecution today another really

1535

01:15:39,100 --> 01:15:36,040

fascinating thing I learned is how

1536

01:15:41,830 --> 01:15:39,110

Satanism the true Church of Satan and

1537

01:15:44,500 --> 01:15:41,840

you know the temple of set modern

1538

01:15:48,010 --> 01:15:44,510

Satanism is not what people think it is

1539

01:15:50,140 --> 01:15:48,020

and that there are people I've met a lot

1540

01:15:52,570 --> 01:15:50,150

of churches st. members over the course

1541

01:15:55,450 --> 01:15:52,580

of my life since I started writing these

1542

01:15:58,630 --> 01:15:55,460

books interesting right who are almost

1543

01:16:01,180 --> 01:15:58,640

like atheist they're very pro science

1544

01:16:03,460 --> 01:16:01,190

they're they're you know they're they're

1545

01:16:05,470 --> 01:16:03,470

hedonist they don't believe in violence

1546

01:16:07,810 --> 01:16:05,480

they don't kill babies they don't

1547

01:16:10,090 --> 01:16:07,820

sacrifice animals they don't murder rape

1548

01:16:13,000 --> 01:16:10,100

or any of those things they're very much

1549

01:16:15,700 --> 01:16:13,010

into ritual and they embrace the dark

1550

01:16:17,590 --> 01:16:15,710

side and the light and it was really

1551

01:16:19,330 --> 01:16:17,600

interesting because I had you know I had

1552

01:16:21,460 --> 01:16:19,340

those things during their types there

1553

01:16:23,260 --> 01:16:21,470

are cults out there there are satanic

1554

01:16:27,610 --> 01:16:23,270

cults that take it to the extreme but

1555

01:16:32,410 --> 01:16:27,620

they're not following the true doctrines

1556

01:16:34,780 --> 01:16:32,420

that the real faintness do that was

1557

01:16:36,910 --> 01:16:34,790

fascinating to me because I was one of

1558

01:16:37,780 --> 01:16:36,920

those people that thought they were baby

1559

01:16:41,440 --> 01:16:37,790

killings

1560

01:16:43,000 --> 01:16:41,450

you know dog or cat eating you know and

1561

01:16:46,330 --> 01:16:43,010

that was really fascinating to find out

1562

01:16:49,420 --> 01:16:46,340

that those are those are the extreme nut

1563

01:16:54,120 --> 01:16:49,430

nut jobs yeah I guess there's a whole

1564

01:16:55,860 --> 01:16:54,130

esoteric study or involvement in

1565

01:16:58,080 --> 01:16:55,870

luciferianism yeah

1566

01:17:00,840 --> 01:16:58,090

which I think these a lot of different

1567

01:17:03,210 --> 01:17:00,850

movie stars were involved in it - yes

1568

01:17:03,780 --> 01:17:03,220

and because they wanted to study the

1569

01:17:05,430 --> 01:17:03,790

occult

1570

01:17:08,730 --> 01:17:05,440

they wanted to understand the shadow

1571

01:17:12,210 --> 01:17:08,740

that are the you know the darker aspects

1572

01:17:16,110 --> 01:17:12,220

of reality and and you could say that

1573

01:17:18,390 --> 01:17:16,120

it's more self-centered definitely

1574

01:17:20,280 --> 01:17:18,400

hedonistic but but that was fascinating

1575

01:17:24,300 --> 01:17:20,290

and I'm sure I'm going to get a lot of

1576

01:17:26,010 --> 01:17:24,310

flack for that but I'm sure my job as

1577

01:17:31,530 --> 01:17:26,020

the writers to present the information

1578

01:17:34,710 --> 01:17:31,540

as it is and and not cater to anybody's

1579

01:17:37,080 --> 01:17:34,720

particular beliefs so and I and I think

1580

01:17:41,010 --> 01:17:37,090

this book includes every there's a

1581

01:17:42,750 --> 01:17:41,020

amazingly shocking piece about a guy

1582

01:17:45,270 --> 01:17:42,760

that I know he's been in touch with me

1583

01:17:48,510 --> 01:17:45,280

for a couple of years who is claims to

1584

01:17:52,170 --> 01:17:48,520

be a survivor of satanic ritual abuse

1585

01:17:54,180 --> 01:17:52,180

and I could give sa in there

1586

01:17:57,560 --> 01:17:54,190

because I wanted to show both sides of

1587

01:18:00,990 --> 01:17:57,570

the coin and it's MKULTRA it is very

1588

01:18:02,730 --> 01:18:01,000

scary stuff I can't prove any of it

1589

01:18:04,760 --> 01:18:02,740

either way but I thought you know this

1590

01:18:10,290 --> 01:18:04,770

is important these people are out there

1591

01:18:12,630 --> 01:18:10,300

making these claims and you know this

1592

01:18:15,960 --> 01:18:12,640

needs to be shown this needs to be seen

1593

01:18:18,750 --> 01:18:15,970

as part of the dialogue so it couldn't

1594

01:18:20,520 --> 01:18:18,760

be an interesting book oh gosh it sounds

1595

01:18:23,670 --> 01:18:20,530

like it now you mentioned that a lot of

1596

01:18:25,740 --> 01:18:23,680

you know Hollywood stars were involved

1597

01:18:28,380 --> 01:18:25,750

in I know there were people that were

1598

01:18:36,060 --> 01:18:28,390

involved in you know an Tama BAE's

1599

01:18:39,030 --> 01:18:36,070

Church of say yeah yeah back in the day

1600

01:18:41,910 --> 01:18:39,040

but you know you know I don't know about

1601

01:18:44,100 --> 01:18:41,920

the luciferianism side of I don't know

1602

01:18:46,440 --> 01:18:44,110

if that's the same thing but in your

1603

01:18:48,330 --> 01:18:46,450

book that's coming up are you going to

1604

01:18:50,820 --> 01:18:48,340

talk about any of those people and in

1605

01:18:57,330 --> 01:18:50,830

sharing any of those stories or are you

1606

01:19:01,190 --> 01:18:57,340

not naming and a lot of them are you

1607

01:19:06,570 --> 01:19:05,310

I mean the one that comes to my mind is

1608

01:19:10,330 --> 01:19:06,580

Jane Mansfield

1609

01:19:13,570 --> 01:19:10,340

that yes yes

1610

01:19:16,150 --> 01:19:13,580

yeah and oh gosh now I'm like drawing a

1611

01:19:18,010 --> 01:19:16,160

blank but they're stars of that era and

1612

01:19:20,830 --> 01:19:18,020

the yes leaders you know we're not

1613

01:19:23,590 --> 01:19:20,840

talking about anybody today because and

1614

01:19:26,800 --> 01:19:23,600

those people very well could be but I

1615

01:19:29,290 --> 01:19:26,810

wanted to show how this was a very

1616

01:19:32,200 --> 01:19:29,300

trendy thing you know what that's like

1617

01:19:34,900 --> 01:19:32,210

Aleister Crowley Jimmy Page from Led

1618

01:19:38,230 --> 01:19:34,910

Zeppelin was oh yeah oh no a huge

1619

01:19:41,280 --> 01:19:38,240

follower of his work Jimmy Page was not

1620

01:19:46,420 --> 01:19:41,290

a bad person he was just fascinated with

1621

01:19:51,340 --> 01:19:46,430

with ritual magic and really embraced a

1622

01:19:53,320 --> 01:19:51,350

lot of album covers and whatnot and he

1623

01:19:56,680 --> 01:19:53,330

bought ionely to Crowley's house didn't

1624

01:19:58,540 --> 01:19:56,690

he lived in Allen did yeah yeah oh I

1625

01:20:00,430 --> 01:19:58,550

just thought that was so I was like oh I

1626
01:20:02,860 --> 01:20:00,440
want to go there and you know Aleister

1627
01:20:06,730 --> 01:20:02,870
Crowley was a very interesting person

1628
01:20:09,340 --> 01:20:06,740
area sorcerer very own character so I

1629
01:20:12,910 --> 01:20:09,350
get into him I get into Anton LaVey and

1630
01:20:15,940 --> 01:20:12,920
some of the other characters that that

1631
01:20:18,190 --> 01:20:15,950
sort of set the foundation for Satanism

1632
01:20:19,870 --> 01:20:18,200
the occult you know it and everybody

1633
01:20:22,180 --> 01:20:19,880
groups all that did the same thing but

1634
01:20:25,360 --> 01:20:22,190
really I really wanted to show how each

1635
01:20:27,250 --> 01:20:25,370
thing is so different oh I can't wait to

1636
01:20:29,020 --> 01:20:27,260
for that to come out that's gonna be

1637
01:20:30,430 --> 01:20:29,030
very enlightening I know I'm gonna learn

1638
01:20:32,980 --> 01:20:30,440

some new things since I already learned

1639

01:20:38,050 --> 01:20:32,990

a couple things tonight I imagine I

1640

01:20:41,280 --> 01:20:38,060

figured what else I'm gonna learn if I

1641

01:20:44,260 --> 01:20:41,290

read the whole book but gosh we're

1642

01:20:46,390 --> 01:20:44,270

heading right in to the end of the show

1643

01:20:49,120 --> 01:20:46,400

in fact I believe the music has just

1644

01:20:51,400 --> 01:20:49,130

started rolling so thank you very much

1645

01:20:53,440 --> 01:20:51,410

Marie Dee Jones for joining me tonight

1646

01:20:56,710 --> 01:20:53,450

much much appreciated

1647

01:21:01,420 --> 01:20:56,720

been waiting long back after the devil

1648

01:21:03,100 --> 01:21:01,430

book is out Oh that'll be great thank

1649

01:21:16,900 --> 01:21:03,110

you so much and thanks everyone for
