102
00:05:15,339 --> 00:05:11,810
tune in over there a p.m. Central

103
00:05:18,670 --> 00:05:15,349
Standard Time idea Eastern until it's an

104
00:05:21,820 --> 00:05:18,680
hour and a half so we have fun over

105
00:05:24,279 --> 00:05:21,830
there but sometimes I just like to wrap

106
00:05:25,899 --> 00:05:24,289
my hands around somebody's neck ain't

107
00:05:27,550 --> 00:05:25,909

115

00:05:51,309 --> 00:05:49,120

coming on in to the outlandish corner I

116

00:05:53,439 --> 00:05:51,319

I've actually heard from several people

117

00:05:54,820 --> 00:05:53,449

who are like my favorite part is

118

00:05:57,430 --> 00:05:54,830

outlandish corner you've been skipping

119

00:05:59,680 --> 00:05:57,440

it lately I'm sorry I was trying to do

120

00:06:01,570 --> 00:05:59,690

some bigger interviews longer I was

121

00:06:03,249 --> 00:06:01,580

getting some demands for that and just

122

00:06:04,809 --> 00:06:03,259

kind of wanted to mix it up a little bit

123

00:06:07,930 --> 00:06:04,819

because I usually for the first 30

124

00:06:10,779 --> 00:06:07,940

minutes would answer and read off

125

00:06:12,459 --> 00:06:10,789

different people's emails or even invite

126

00:06:14,290 --> 00:06:12,469

them to come on and and chat you know

127

00:06:16,779 --> 00:06:14,300

call in we just chat about what it is

128

00:06:19,450 --> 00:06:16,789

they're experiencing so please keep your

129

00:06:22,050 --> 00:06:19,460

emails coming just write me at dusk

130

00:06:27,279 --> 00:06:22,060

132

00:06:31,029 --> 00:06:29,330

emails or if you find me on Facebook

133

00:06:33,159 --> 00:06:31,039

134

00:06:37,390 --> 00:06:33,169

182

00:09:15,130 --> 00:09:11,290

ex-navy operative and has been working

183

00:09:18,850 --> 00:09:15,140

with various aerospace companies for

184

00:09:21,670 --> 00:09:18,860

decades and he came forward and he just

185

00:09:24,480 --> 00:09:21,680

added much more information about the

186

00:09:28,560 --> 00:09:24,490

Navy's role in this secret space

187

00:09:33,210 --> 00:09:28,570

program that has these large space

188

00:09:35,340 --> 00:09:33,220

battle groups out there and he just has

189

00:09:38,790 --> 00:09:35,350

a phenomenal amount of information and

190

00:09:41,490 --> 00:09:38,800

experience in terms of helping design

191

00:09:44,040 --> 00:09:41,500

these and getting intelligence on what

192

00:09:46,800 --> 00:09:44,050

is out there and that's and that's our

193

00:09:52,680 --> 00:09:46,810

William Tompkins who's who's 94 - who's

194

00:09:54,480 --> 00:09:52,690

94 or in made this year so he really is

195

00:09:57,269 --> 00:09:54,490

a wealth of knowledge and so I was very

196

00:09:59,220 --> 00:09:57,279

happy to be able to meet him and

197

00:10:02,430 --> 00:09:59,230

interview him and a lot of his

198

00:10:05,730 --> 00:10:02,440

information basically was what led to

199

00:10:07,970 --> 00:10:05,740

this second book on secret space

200

00:10:12,389 --> 00:10:07,980

programs that focuses on the Navy

201
00:10:14,460 --> 00:10:12,399
holy smokes so he's he's 94 so we're

202
00:10:18,180 --> 00:10:14,470
talking about this goes pretty far back

203
00:10:20,699 --> 00:10:18,190
then correct while he was there at in

204
00:10:23,070 --> 00:10:20,709
terms of the very beginning of how the

205
00:10:25,519 --> 00:10:23,080
Navy got involved in all of this he

206
00:10:28,110 --> 00:10:25,529
talks about the Los Angeles air raid in

207
00:10:32,490 --> 00:10:28,120
1942 he was actually a witness he was

208
00:10:35,449 --> 00:10:32,500
living in Los Angeles a Long Beach the

209
00:10:38,970 --> 00:10:35,459
Long Beach area and he he witnessed the

210
00:10:43,470 --> 00:10:38,980
flying saucers that over flew Los

211
00:10:46,290 --> 00:10:43,480
Angeles and was basically covered at

212
00:10:49,110 --> 00:10:46,300
length by the media because there was a

213
00:10:50,760 --> 00:10:49,120

famous artillery barrage several

214

00:10:54,389 --> 00:10:50,770

thousand artillery shells were launched

215

00:10:57,350 --> 00:10:54,399

into the sky and and the next day

216

00:10:59,970 --> 00:10:57,360

basically the Navy and the army

217

00:11:03,750 --> 00:10:59,980

secretaries released a statement saying

218

00:11:06,090 --> 00:11:03,760

that well you know there was nothing up

219

00:11:08,370 --> 00:11:06,100

there or you know we don't know what it

220

00:11:09,900 --> 00:11:08,380

was that was up there and you know

221

00:11:14,610 --> 00:11:09,910

that's it

222

00:11:17,340 --> 00:11:14,620

and but what we do know from some others

223

00:11:19,410 --> 00:11:17,350

is that in fact this was the beginning

224

00:11:22,380 --> 00:11:19,420

of the flying saucer age for the United

225

00:11:25,530 --> 00:11:22,390

States because the the US actually

226

00:11:28,920 --> 00:11:25,540

recovered two flying saucers from that

227

00:11:31,650 --> 00:11:28,930

1942 incident in February and that

228

00:11:35,160 --> 00:11:31,660

basically set off a whole chain of

229

00:11:38,430 --> 00:11:35,170

events that culminated in the Navy

230

00:11:40,500 --> 00:11:38,440

eventually developing

231

00:11:42,810 --> 00:11:40,510

based battlegroups you know based on the

232

00:11:45,540 --> 00:11:42,820

anti-gravity propulsion systems that

233

00:11:48,120 --> 00:11:45,550

they found in these craft that had been

234

00:11:51,450 --> 00:11:48,130

recovered and also you know based on

235

00:11:54,300 --> 00:11:51,460

what William Tompkins learned from the

236

00:11:56,670 --> 00:11:54,310

from Germany which at the time was

237

00:11:59,580 --> 00:11:56,680

developing flying saucer prototypes

238

00:12:01,560 --> 00:11:59,590

you know Tompkins was actually part of

239

00:12:03,810 --> 00:12:01,570

that as well you know he was he was

240

00:12:06,630 --> 00:12:03,820

serving during the Second World War he

241

00:12:08,220 --> 00:12:06,640

was based at Naval Air Station San Diego

242

00:12:11,190 --> 00:12:08,230

throughout the Second World War and he

243

00:12:14,460 --> 00:12:11,200

had a covert assignment to basically be

244

00:12:17,640 --> 00:12:14,470

part of the briefings of Navy spies

245

00:12:20,040 --> 00:12:17,650

embedded with through the german

246

00:12:22,530 --> 00:12:20,050

aerospace community who would report

247

00:12:24,480 --> 00:12:22,540

back and reveal what it was the Germans

248

00:12:27,090 --> 00:12:24,490

were working on so you know from all of

249

00:12:29,520 --> 00:12:27,100

that information the Navy was able to

250

00:12:31,970 --> 00:12:29,530

act on that and Bill Tompkins was was

251

00:12:34,310 --> 00:12:31,980

part of it from the very beginning oh

252

00:12:37,830 --> 00:12:34,320

boy did you strike gold

253

00:12:40,050 --> 00:12:37,840

Wow that's pretty amazing I mean to have

254

00:12:42,090 --> 00:12:40,060

someone that was an absolute witness and

255

00:12:45,180 --> 00:12:42,100

knows that all of the beginnings that's

256

00:12:49,080 --> 00:12:45,190

that's quite unheard of I I'm you know I

257

00:12:51,450 --> 00:12:49,090

have to tell you doctor it and as of

258

00:12:53,400 --> 00:12:51,460

like the past couple of months I don't

259

00:12:55,740 --> 00:12:53,410

know what is going on out there in the

260

00:12:58,170 --> 00:12:55,750

world but there's a lot of people

261

00:13:00,960 --> 00:12:58,180

stepping forward talking about what

262

00:13:04,430 --> 00:13:00,970

they've witnessed and what they know and

263

00:13:07,770 --> 00:13:04,440

I'm talking about I have had four

264

00:13:10,230 --> 00:13:07,780

personally tell me stories that have

265

00:13:13,440 --> 00:13:10,240

blown my mind that they have not shared

266

00:13:15,840 --> 00:13:13,450

out there in the world just yet I what

267

00:13:17,850 --> 00:13:15,850

is happening I mean it is there like an

268

00:13:20,040 --> 00:13:17,860

expiration date on when people are

269

00:13:22,890 --> 00:13:20,050

supposed to disclose I mean do they sign

270

00:13:26,910 --> 00:13:22,900

a contract that says in the year 2017

271

00:13:28,950 --> 00:13:26,920

spill your guts I mean what is this well

272

00:13:31,560 --> 00:13:28,960

you know I think it really is a

273

00:13:36,120 --> 00:13:31,570

reflection of the mass consciousness

274

00:13:38,370 --> 00:13:36,130

yeah people at a collective level I

275

00:13:40,350 --> 00:13:38,380

think that at an unconscious level

276

00:13:42,200 --> 00:13:40,360

they're deciding that they're ready for

277

00:13:45,660 --> 00:13:42,210

this that they're ready to move into

278

00:13:47,760 --> 00:13:45,670

this kind of era of open disclosure you

279

00:13:49,860 --> 00:13:47,770

know cuz people often say well you know

280

00:13:51,930 --> 00:13:49,870

what's responsible for the cover-up and

281

00:13:52,290 --> 00:13:51,940

you know it's the Illuminati it's the

282

00:13:54,690 --> 00:13:52,300

big

283

00:13:57,120 --> 00:13:54,700

oil companies it's the national security

284

00:14:00,180 --> 00:13:57,130

system and you know that's all true but

285

00:14:03,180 --> 00:14:00,190

you know ultimately I feel as though you

286

00:14:06,360 --> 00:14:03,190

know people like Carl Jung and others

287

00:14:08,640 --> 00:14:06,370

that study the collective consciousness

288

00:14:10,230 --> 00:14:08,650

of humanity that really it's the

289

00:14:13,230 --> 00:14:10,240

collective consciousness that drives

290

00:14:16,200 --> 00:14:13,240

global events and at an unconscious

291

00:14:18,810 --> 00:14:16,210

level I think up until recently people I

292

00:14:21,960 --> 00:14:18,820

don't think that they were really ready

293

00:14:23,700 --> 00:14:21,970

for the magnitude of all of this but now

294

00:14:25,170 --> 00:14:23,710

they are and I think especially the

295

00:14:27,480 --> 00:14:25,180

younger generation does that's something

296

00:14:29,310 --> 00:14:27,490

that's really impressed me is just how

297

00:14:31,290 --> 00:14:29,320

the younger generation you know they're

298

00:14:33,330 --> 00:14:31,300

ready for this they're in dive into this

299

00:14:35,280 --> 00:14:33,340

big time and you know and they

300

00:14:36,350 --> 00:14:35,290

intuitively know this information is

301

00:14:39,600 --> 00:14:36,360

real they're having their own

302

00:14:41,940 --> 00:14:39,610

experiences they're seeing orbs you know

303

00:14:43,740 --> 00:14:41,950

they listen to whistleblowers contact DS

304

00:14:45,810 --> 00:14:43,750

and they get it right away

305

00:14:48,150 --> 00:14:45,820

where's the older generation or you know

306

00:14:51,420 --> 00:14:48,160

they're into the nuts and bolts side you

307

00:14:53,370 --> 00:14:51,430

know they're just like well you know a

308

00:14:55,200 --> 00:14:53,380

lot of them kind of like I've been

309

00:14:57,270 --> 00:14:55,210

struggling with this for decades but the

310

00:14:59,460 --> 00:14:57,280

younger generation they're they're ready

311

00:15:02,460 --> 00:14:59,470

for it and I think that's what's driving

312

00:15:04,800 --> 00:15:02,470

the process forward and so I think we're

313

00:15:07,380 --> 00:15:04,810

just getting closer and closer to all of

314

00:15:10,710 --> 00:15:07,390

this being revealed well you know one of

315

00:15:14,370 --> 00:15:10,720

the folks that is aware of the goings on

316

00:15:16,440 --> 00:15:14,380

in the military and whatnot they

317

00:15:18,770 --> 00:15:16,450

essentially said you know a lot of us

318

00:15:22,560 --> 00:15:18,780

are getting tired of the secrecy and

319

00:15:25,770 --> 00:15:22,570

young and old and they feel that it is

320

00:15:27,660 --> 00:15:25,780

time for this to come forward and

321

00:15:29,820 --> 00:15:27,670

because I'm like wow how can you speak

322

00:15:31,590 --> 00:15:29,830

on this and not be afraid for your life

323

00:15:35,850 --> 00:15:31,600

that the government will come and you

324

00:15:38,100 --> 00:15:35,860

know smush you or something in and this

325

00:15:40,080 --> 00:15:38,110

person was very much like you know

326

00:15:42,120 --> 00:15:40,090

there's others that support and me

327

00:15:44,430 --> 00:15:42,130

stepping forward I was like well cool

328

00:15:46,560 --> 00:15:44,440

you know it's like it's fascinating to

329

00:15:49,050 --> 00:15:46,570

me it's a I mean just really shocking

330

00:15:50,640 --> 00:15:49,060

yeah I sometimes wonder there's a target

331

00:15:53,070 --> 00:15:50,650

painted on my back like talk to me about

332

00:15:58,140 --> 00:15:53,080

weird stuff I mean well that it is never

333

00:15:59,760 --> 00:15:58,150

mind but it's it just blows my mind the

334

00:16:04,350 --> 00:15:59,770

things that are coming forward out of

335

00:16:05,220 --> 00:16:04,360

the most unexpected places I mean my job

336

00:16:09,480 --> 00:16:05,230

I'm

337

00:16:11,730 --> 00:16:09,490

what's going on here it's just it just

338

00:16:13,280 --> 00:16:11,740

rocks my world every time I I come

339

00:16:16,920 --> 00:16:13,290

across one of these spontaneous

340

00:16:21,620 --> 00:16:16,930

revelations and got one yesterday I'm

341

00:16:24,960 --> 00:16:21,630

just thrown and blown away but um so

342

00:16:26,970 --> 00:16:24,970

I've always said you know there oh the

343

00:16:29,460 --> 00:16:26,980

government feels all the people couldn't

344

00:16:31,500 --> 00:16:29,470

handle the truth and what's going on but

345

00:16:34,260 --> 00:16:31,510

who runs the government people I hope

346

00:16:36,210 --> 00:16:34,270

and they're handling it just fine so I'm

347

00:16:39,590 --> 00:16:36,220

not surprised that any generation could

348

00:16:45,210 --> 00:16:39,600

handle this these bits of information so

349

00:16:47,490 --> 00:16:45,220

in speaking to mr. Tompkins and how

350

00:16:49,680 --> 00:16:47,500

things began I mean I'm just darn

351

00:16:51,810 --> 00:16:49,690

curious how they handled it in the

352

00:16:53,790 --> 00:16:51,820

beginning were they all freaked out and

353

00:16:55,410 --> 00:16:53,800

fumbling and you know wanting to shoot

354

00:16:58,350 --> 00:16:55,420

at everything that moved

355

00:17:03,900 --> 00:16:58,360

I mean or where they rather I don't know

356

00:17:08,880 --> 00:17:03,910

organized they were there was a lot of

357

00:17:11,190 --> 00:17:08,890

disbelief over how advanced Nazi Germany

358

00:17:13,730 --> 00:17:11,200

had gotten in the study of these flying

359

00:17:17,210 --> 00:17:13,740

saucer craft because basically

360

00:17:21,380 --> 00:17:17,220

throughout the 1920s and the 1930s

361

00:17:24,270 --> 00:17:21,390

Germany was really you know pursuing

362

00:17:28,140 --> 00:17:24,280

developing flying saucer technologies

363

00:17:30,690 --> 00:17:28,150

based on you know psychic communications

364

00:17:33,510 --> 00:17:30,700

you know this was something that you

365

00:17:35,400 --> 00:17:33,520

know Western scientists and national

366

00:17:38,010 --> 00:17:35,410

security cell establishments they just

367

00:17:39,660 --> 00:17:38,020

kind of dismissed that idea but in

368

00:17:41,640 --> 00:17:39,670

Germany I mean they took it very

369

00:17:44,250 --> 00:17:41,650

seriously there were a lot of top German

370

00:17:47,670 --> 00:17:44,260

scientists that understood that there

371

00:17:50,610 --> 00:17:47,680

was an in an a really close connection

372

00:17:53,040 --> 00:17:50,620

between consciousness and advanced

373

00:17:55,920 --> 00:17:53,050

technologies and the Germans began

374

00:17:59,130 --> 00:17:55,930

studying this linkage pretty early on

375

00:18:01,620 --> 00:17:59,140

and so by the 1940s

376

00:18:04,560 --> 00:18:01,630

you know when the after the war began

377

00:18:06,090 --> 00:18:04,570

and and and the u.s. recovered its first

378

00:18:08,040 --> 00:18:06,100

flying saucers from the Los Angeles

379

00:18:10,980 --> 00:18:08,050

craft and then they started getting

380

00:18:13,140 --> 00:18:10,990

intelligence reports from these Navy

381

00:18:16,770 --> 00:18:13,150

spies that had embedded themselves in

382

00:18:18,540 --> 00:18:16,780

the top german aerospace companies and

383

00:18:20,670 --> 00:18:18,550

they're getting these a report

384

00:18:22,860 --> 00:18:20,680

these fantastic reports about the kind

385

00:18:25,950 --> 00:18:22,870

of technologies that the Germans had

386

00:18:29,060 --> 00:18:25,960

developed and their communications and

387

00:18:31,530 --> 00:18:29,070

their dealings with different you know

388

00:18:35,100 --> 00:18:31,540

extraterrestrial civilizations and at

389

00:18:38,180 --> 00:18:35,110

the beginning the the top brass in the

390

00:18:40,890 --> 00:18:38,190

Navy really had difficulty establishing

391

00:18:43,410 --> 00:18:40,900

this they they thought it was a lot of

392

00:18:49,020 --> 00:18:43,420

disinformation and I think it was only

393

00:18:52,620 --> 00:18:49,030

in 1946-47 with operation Highjump when

394

00:18:55,380 --> 00:18:52,630

the Navy sent a flotilla down to

395

00:18:58,770 --> 00:18:55,390

Antarctica to investigate these rumors

396

00:19:00,750 --> 00:18:58,780

of Nazi Germany establishing secret

397

00:19:03,360 --> 00:19:00,760

bases under Antarctica with these

398

00:19:05,490 --> 00:19:03,370

advanced flying saucer craft that the

399

00:19:07,440 --> 00:19:05,500

Navy finally had its you know

400

00:19:10,560 --> 00:19:07,450

come-to-jesus moment where it was like

401
00:19:13,680 --> 00:19:10,570
wow this stuff is real we had no idea

402
00:19:15,900 --> 00:19:13,690
and so they then you know they went into

403
00:19:17,640 --> 00:19:15,910
it you know big time then in trying to

404
00:19:19,740 --> 00:19:17,650
understand what was really going on

405
00:19:21,660 --> 00:19:19,750
because up until that time you know

406
00:19:25,020 --> 00:19:21,670
there were a lot of rumors a lot of kind

407
00:19:27,600 --> 00:19:25,030
of espionage reports and you know craft

408
00:19:30,060 --> 00:19:27,610
being sighted here and and you know and

409
00:19:32,460 --> 00:19:30,070
kind of prototypes being being recovered

410
00:19:35,490 --> 00:19:32,470
in Germany and so forth but when they

411
00:19:38,190 --> 00:19:35,500
went down to Antarctica and saw these

412
00:19:40,140 --> 00:19:38,200
operational craft that the Germans had

413
00:19:42,360 --> 00:19:40,150

built down there and that these were

414

00:19:45,270 --> 00:19:42,370

using directed-energy weapons and that

415

00:19:47,970 --> 00:19:45,280

they could fly at hypersonic speeds from

416

00:19:50,610 --> 00:19:47,980

pole to pole like Admiral Byrd said you

417

00:19:51,780 --> 00:19:50,620

know like the the Navy people just

418

00:19:55,380 --> 00:19:51,790

really were shocked

419

00:19:59,610 --> 00:19:55,390

and and since that time they've been

420

00:20:02,220 --> 00:19:59,620

playing catch-up what seems so you know

421

00:20:05,550 --> 00:20:02,230

there's been people who have witnessed

422

00:20:08,760 --> 00:20:05,560

the government still toying with

423

00:20:12,570 --> 00:20:08,770

different crafts I mean way past the 40s

424

00:20:16,920 --> 00:20:12,580

and I can't help but to think that they

425

00:20:20,730 --> 00:20:16,930

are still how can I stay car jacking

426

00:20:22,530 --> 00:20:20,740

UFOs whenever they can the latest models

427

00:20:26,040 --> 00:20:22,540

and still trying to figure them out I

428

00:20:27,750 --> 00:20:26,050

mean is that a possibility because some

429

00:20:29,550 --> 00:20:27,760

of the witnesses are like oh hey I saw

430

00:20:31,530 --> 00:20:29,560

them testing something and they weren't

431

00:20:35,370 --> 00:20:31,540

getting it right and

432

00:20:37,020 --> 00:20:35,380

it wasn't way back when you know well

433

00:20:40,140 --> 00:20:37,030

you'd be interesting to hear what the

434

00:20:42,780 --> 00:20:40,150

witnesses had to say I know that it took

435

00:20:44,640 --> 00:20:42,790

them a long time to kind of like really

436

00:20:49,170 --> 00:20:44,650

perfect these technologies I think it

437

00:20:51,240 --> 00:20:49,180

was only in the 1970s and 80s that you

438

00:20:53,390 --> 00:20:51,250

know in the Navy in particular and and

439

00:20:56,010 --> 00:20:53,400

the Air Force were able to develop

440

00:20:59,010 --> 00:20:56,020

operational flying saucer craft of their

441

00:21:02,940 --> 00:20:59,020

own that were able to travel you know to

442

00:21:04,830 --> 00:21:02,950

the moon to Mars and elsewhere because

443

00:21:07,470 --> 00:21:04,840

the Germans did this in the 40s but it

444

00:21:09,720 --> 00:21:07,480

took the u.s. you know an extra two or

445

00:21:11,160 --> 00:21:09,730

three decades to catch up to what the

446

00:21:14,570 --> 00:21:11,170

Germans are done and of course the

447

00:21:17,130 --> 00:21:14,580

Germans you know they continued to

448

00:21:22,080 --> 00:21:17,140

develop their their technologies we're

449

00:21:24,570 --> 00:21:22,090

now you know a lot of what this secret

450

00:21:27,120 --> 00:21:24,580

German program did out of Antarctica

451
00:21:29,070 --> 00:21:27,130
it's almost indistinguishable from an

452
00:21:31,710 --> 00:21:29,080
extraterrestrial civilization you know

453
00:21:36,570 --> 00:21:31,720
we you know because they've become so

454
00:21:38,100 --> 00:21:36,580
advanced that really you know you really

455
00:21:39,240 --> 00:21:38,110
can't tell the difference between them

456
00:21:41,850 --> 00:21:39,250
and an extraterrestrial technology

457
00:21:44,220 --> 00:21:41,860
whereas in the case of you know the Air

458
00:21:46,710 --> 00:21:44,230
Force and the Navy and the Russian space

459
00:21:49,590 --> 00:21:46,720
program I know the Chinese are playing

460
00:21:51,150 --> 00:21:49,600
catch-up as well the Brits and the

461
00:21:53,070 --> 00:21:51,160
Australians and the Canadians are also

462
00:21:55,050 --> 00:21:53,080
working closely with the US you know

463
00:21:57,840 --> 00:21:55,060

they're still developing things they

464

00:22:00,780 --> 00:21:57,850

still you know getting that you know

465

00:22:04,830 --> 00:22:00,790

doing testing of you know new

466

00:22:06,990 --> 00:22:04,840

generations of spacecraft but yeah it's

467

00:22:10,860 --> 00:22:07,000

just a constant process of developing

468

00:22:13,500 --> 00:22:10,870

newer and more powerful technologies but

469

00:22:15,690 --> 00:22:13,510

but I know I know you know thanks from

470

00:22:17,790 --> 00:22:15,700

what William Thompkins has said and

471

00:22:19,710 --> 00:22:17,800

others like Corey Goode have said and

472

00:22:22,920 --> 00:22:19,720

there been a few other whistleblowers

473

00:22:27,000 --> 00:22:22,930

that essentially since the late 70s

474

00:22:29,940 --> 00:22:27,010

early 1980s the the US Navy has

475

00:22:32,070 --> 00:22:29,950

operational battle groups in space so

476

00:22:35,250 --> 00:22:32,080

we're talking like aircraft battle

477

00:22:37,170 --> 00:22:35,260

groups aircraft carrier type battle

478

00:22:39,110 --> 00:22:37,180

groups you know with the cruiser at

479

00:22:41,520 --> 00:22:39,120

aircraft carrier destroyers minesweepers

480

00:22:44,550 --> 00:22:41,530

escorts and all of that that the Navy

481

00:22:45,330 --> 00:22:44,560

has something equivalent to that in deep

482

00:22:46,830 --> 00:22:45,340

space

483

00:22:49,289 --> 00:22:46,840

and that they actually have eight of

484

00:22:54,899 --> 00:22:49,299

these things eight space battle groups

485

00:22:59,639 --> 00:22:54,909

that operational oh I I believe it I

486

00:23:01,980 --> 00:22:59,649

just came across oh let me see space

487

00:23:04,799 --> 00:23:01,990

wars is an article space war is why the

488

00:23:09,690 --> 00:23:04,809

Air Force and Navy will fight for

489

00:23:12,450 --> 00:23:09,700

control of the space Corp as if they are

490

00:23:14,310 --> 00:23:12,460

trying to develop you know we've got the

491

00:23:19,499 --> 00:23:14,320

Navy we got the Air Force but they want

492

00:23:22,289 --> 00:23:19,509

to have a space force as well and like

493

00:23:24,779 --> 00:23:22,299

oh you guys are almost making it

494

00:23:29,749 --> 00:23:24,789

official that this is going to be so

495

00:23:32,759 --> 00:23:29,759

necessary it is already going on it's

496

00:23:36,060 --> 00:23:32,769

nothing it's not a big secret I I don't

497

00:23:38,489 --> 00:23:36,070

feel anymore but our government this is

498

00:23:41,549 --> 00:23:38,499

what kills me though - it's like here -

499

00:23:45,029 --> 00:23:41,559

China Russia there are no good friends

500

00:23:46,919 --> 00:23:45,039

of ours how are we and they able to keep

501
00:23:49,919 --> 00:23:46,929
these things under wraps

502
00:23:52,109 --> 00:23:49,929
where it's not quite released out to the

503
00:23:55,259 --> 00:23:52,119
public I mean how are we able to keep

504
00:24:00,289 --> 00:23:55,269
that in agreement to button our lips on

505
00:24:05,039 --> 00:24:00,299
that well you know these major nations

506
00:24:07,259 --> 00:24:05,049
they able to make deals behind the

507
00:24:08,730 --> 00:24:07,269
scenes to share advanced technologies

508
00:24:11,279 --> 00:24:08,740
because that's one of the things that

509
00:24:13,320 --> 00:24:11,289
all of the major nations you know are

510
00:24:16,440 --> 00:24:13,330
desperately wanting is you know what's

511
00:24:17,940 --> 00:24:16,450
the latest and best technology and you

512
00:24:19,950 --> 00:24:17,950
know and they're prepared to make deals

513
00:24:22,560 --> 00:24:19,960

behind the scenes to get access to that

514

00:24:25,859 --> 00:24:22,570

so you know from the very beginning the

515

00:24:27,779 --> 00:24:25,869

United States and the Soviet Union you

516

00:24:30,330 --> 00:24:27,789

know they they got their hands on some

517

00:24:32,340 --> 00:24:30,340

of the most advanced technologies but it

518

00:24:34,830 --> 00:24:32,350

was the United States that made deals

519

00:24:37,680 --> 00:24:34,840

with these German with this German

520

00:24:40,710 --> 00:24:37,690

breakaway colony in Antarctica so the

521

00:24:43,259 --> 00:24:40,720

United States got the best technologies

522

00:24:45,899 --> 00:24:43,269

out of the you know as a result of that

523

00:24:47,789 --> 00:24:45,909

of those deals and so the Russians then

524

00:24:49,590 --> 00:24:47,799

made deals with the US because it was

525

00:24:51,119 --> 00:24:49,600

trickled down you know they were hoping

526

00:24:53,669 --> 00:24:51,129

that they'd get something from the u.s.

527

00:24:55,560 --> 00:24:53,679

end and and then the Chinese gonna come

528

00:24:57,930 --> 00:24:55,570

in and do the same thing because there's

529

00:24:59,100 --> 00:24:57,940

because there's no way you know that

530

00:25:02,700 --> 00:24:59,110

major nations

531

00:25:05,370 --> 00:25:02,710

like you know Russia or or China ever

532

00:25:07,590 --> 00:25:05,380

gonna get in getting to sort of a

533

00:25:09,930 --> 00:25:07,600

military conflict with the country like

534

00:25:12,840 --> 00:25:09,940

the United States which has all of these

535

00:25:15,810 --> 00:25:12,850

incredibly sophisticated covert

536

00:25:18,450 --> 00:25:15,820

technologies with with space

537

00:25:21,390 --> 00:25:18,460

capabilities where essentially from deep

538

00:25:23,520 --> 00:25:21,400

space they could obliterate you know the

539

00:25:25,680 --> 00:25:23,530

kind of industrial manufacturing and

540

00:25:28,380 --> 00:25:25,690

population centers of other countries

541

00:25:30,750 --> 00:25:28,390

without using nuclear weapons you know

542

00:25:34,710 --> 00:25:30,760

this is kind of like really advanced

543

00:25:38,880 --> 00:25:34,720

space technologies that they have so

544

00:25:40,770 --> 00:25:38,890

okay so you said early 80s that was when

545

00:25:44,760 --> 00:25:40,780

they finally developed something that

546

00:25:47,520 --> 00:25:44,770

was spaceworthy so where are they gone

547

00:25:50,159 --> 00:25:47,530

what how far have they gone I I'm I'm

548

00:25:52,760 --> 00:25:50,169

dying to know because it's a you know

549

00:25:55,440 --> 00:25:52,770

people have been catching stuff on their

550

00:25:57,570 --> 00:25:55,450

personal telescopes for a very long time

551
00:26:00,900 --> 00:25:57,580
and they're like hey that shouldn't be

552
00:26:02,909 --> 00:26:00,910
there what's that doing so how far how

553
00:26:06,750 --> 00:26:02,919
far are these things going and where are

554
00:26:09,150 --> 00:26:06,760
they settled at sure well you know I

555
00:26:11,580 --> 00:26:09,160
cover this kind of like at length in the

556
00:26:14,280 --> 00:26:11,590
in the the Navy secret space program

557
00:26:15,780 --> 00:26:14,290
book but basically in a nutshell you

558
00:26:17,880 --> 00:26:15,790
know we need as far as the u.s. is

559
00:26:20,820 --> 00:26:17,890
concerned we need to think of you know

560
00:26:22,320 --> 00:26:20,830
the Air Force with the intelligence

561
00:26:24,270 --> 00:26:22,330
community the National Reconnaissance

562
00:26:29,400 --> 00:26:24,280
Office the Defense Intelligence Agency

563
00:26:34,860 --> 00:26:29,410

NSA what what they did was that you know

564

00:26:39,390 --> 00:26:34,870

they'd be they began in the 1970s 60s

565

00:26:42,419 --> 00:26:39,400

and 70s in deploying kind of stealth

566

00:26:44,640 --> 00:26:42,429

space stations around the earth so these

567

00:26:47,940 --> 00:26:44,650

space stations there are at least two of

568

00:26:51,330 --> 00:26:47,950

them they're deployed around 500 miles

569

00:26:55,230 --> 00:26:51,340

in orbit and basically they're being

570

00:26:57,440 --> 00:26:55,240

there since the early 70s and you know

571

00:27:00,870 --> 00:26:57,450

they're there to kind of like perform a

572

00:27:04,200 --> 00:27:00,880

kind of surveillance system you know not

573

00:27:07,500 --> 00:27:04,210

only of the planet Earth but also of the

574

00:27:10,530 --> 00:27:07,510

space environment near the earth and so

575

00:27:12,659 --> 00:27:10,540

the Air Force has these US space

576

00:27:15,960 --> 00:27:12,669

stations and also

577

00:27:21,359 --> 00:27:15,970

some anti-gravity craft and hypersonic

578

00:27:24,930 --> 00:27:21,369

vehicles like the Aurora ssr74 that is

579

00:27:29,090 --> 00:27:24,940

able to service these space stations and

580

00:27:31,979 --> 00:27:29,100

also any gravity vehicles like the tr-3b

581

00:27:34,919 --> 00:27:31,989

that is able to do kind of like travel -

582

00:27:38,249 --> 00:27:34,929

you know distances like travel from here

583

00:27:40,830 --> 00:27:38,259

to the moon and also capable of doing

584

00:27:43,019 --> 00:27:40,840

some long-distance flights like to Mars

585

00:27:44,970 --> 00:27:43,029

but that's about it as far as the Air

586

00:27:47,609 --> 00:27:44,980

Force is concerned and the Air Force is

587

00:27:50,099 --> 00:27:47,619

aware of a basis on Mars

588

00:27:55,649 --> 00:27:50,109

the Navy program is much more

589

00:27:58,289 --> 00:27:55,659

sophisticated just just as yeah it's as

590

00:28:00,930 --> 00:27:58,299

far ahead of the of the Air Force

591

00:28:02,909 --> 00:28:00,940

program as the Air Force program is

592

00:28:04,169 --> 00:28:02,919

ahead of the NASA program just that

593

00:28:08,940 --> 00:28:04,179

gives you kind of an idea of

594

00:28:18,450 --> 00:28:11,279

Air Force versus Navy guys you know that

595

00:28:20,909 --> 00:28:18,460

right yeah well when the Air Force guys

596

00:28:23,609 --> 00:28:20,919

found out about this that there was this

597

00:28:25,950 --> 00:28:23,619

kind of Navy space program I mean they

598

00:28:28,320 --> 00:28:25,960

were very angry because they you know

599

00:28:31,080 --> 00:28:28,330

that they they thought that they were

600

00:28:33,409 --> 00:28:31,090

the the expression I was told was that

601
00:28:38,249 --> 00:28:33,419
they thought that they were their quote

602
00:28:39,720 --> 00:28:38,259
tip of the tip of the spear and yeah and

603
00:28:46,769 --> 00:28:39,730
now they find out that they're being

604
00:28:48,060 --> 00:28:46,779
Coast Guard they don't like that because

605
00:28:51,330 --> 00:28:48,070
they really thought they had the best

606
00:28:54,570 --> 00:28:51,340
stuff but the Navy has these battle

607
00:28:58,590 --> 00:28:54,580
groups that deploys in deep space and

608
00:29:00,779 --> 00:28:58,600
they're able to go to the outer reaches

609
00:29:03,090 --> 00:29:00,789
of our solar system that that's where

610
00:29:06,690 --> 00:29:03,100
they regularly deployed throughout our

611
00:29:09,690 --> 00:29:06,700
solar system actually into the the

612
00:29:11,879 --> 00:29:09,700
Cooper belt which is well beyond the

613
00:29:15,149 --> 00:29:11,889

orbit of Neptune and that they have some

614

00:29:17,609 --> 00:29:15,159

bases out there in the Cooper belt and

615

00:29:22,470 --> 00:29:17,619

and so you know that the Navy space

616

00:29:26,490 --> 00:29:22,480

program has a much broader space of

617

00:29:28,830 --> 00:29:26,500

operations in terms of operating through

618

00:29:30,450 --> 00:29:28,840

our solar system and so they're you know

619

00:29:33,029 --> 00:29:30,460

they're way ahead of anything that the

620

00:29:36,060 --> 00:29:33,039

Air Force has so you know for the Air

621

00:29:38,909 --> 00:29:36,070

Force guys they they really having

622

00:29:40,980 --> 00:29:38,919

trouble accepting this information that

623

00:29:44,310 --> 00:29:40,990

the Navy has this program but but but

624

00:29:47,100 --> 00:29:44,320

they do and you know the Navy has always

625

00:29:49,230 --> 00:29:47,110

been much better at keeping secrets you

626
00:29:51,690 --> 00:29:49,240
know anyone can confirm this you know

627
00:29:56,490 --> 00:29:51,700
you you do a Google search on virtually

628
00:29:58,049 --> 00:29:56,500
any forced our efforts general and

629
00:29:59,610 --> 00:29:58,059
you'll find the big you know you'll find

630
00:30:01,799 --> 00:29:59,620
lots of biographies the Air Force

631
00:30:10,440 --> 00:30:01,809
typically has biography pages lots of

632
00:30:11,970 --> 00:30:10,450
information you try new that we've got

633
00:30:13,020 --> 00:30:11,980
to get to our break you guys you're

634
00:30:17,090 --> 00:30:13,030
listening to me how do you how's the

635
00:30:21,539 --> 00:30:19,770
welcome back everybody you're listening

636
00:30:23,520 --> 00:30:21,549
to me Heidi house the Outlander

637
00:30:25,740 --> 00:30:23,530
remembering always if it's weird we're

638
00:30:28,560 --> 00:30:25,750

here we're giving you advice and insight

639

00:30:31,100 --> 00:30:28,570

on outlandish topics and I have a doctor

640

00:30:36,810 --> 00:30:31,110

Michael Salah speaking on Exopolitics

641

00:30:38,970 --> 00:30:36,820

way exile politic way out there we're

642

00:30:43,200 --> 00:30:38,980

talking about the Navy and their

643

00:30:45,360 --> 00:30:43,210

involvement with a very very secret

644

00:30:47,390 --> 00:30:45,370

space program everybody's always assumed

645

00:30:50,370 --> 00:30:47,400

you know this is interesting doc

646

00:30:52,710 --> 00:30:50,380

everybody's always assumed that the Air

647

00:30:55,740 --> 00:30:52,720

Force has been behind absolutely

648

00:30:58,500 --> 00:30:55,750

everything even the mylabs you know I've

649

00:31:01,500 --> 00:30:58,510

had some and they wear a white shirt and

650

00:31:05,430 --> 00:31:01,510

a navy blue colored tie and it's like oh

651
00:31:08,310 --> 00:31:05,440
that is so airforce now we're getting

652
00:31:12,120 --> 00:31:08,320
this this different insight that it's

653
00:31:14,250 --> 00:31:12,130
it's the Navy so I mean I'm surprised do

654
00:31:18,210 --> 00:31:14,260
you think I mean are there they are they

655
00:31:20,549 --> 00:31:18,220
launching these special craft that

656
00:31:22,710 --> 00:31:20,559
they've happened to develop from reverse

657
00:31:26,250 --> 00:31:22,720
engineering UFOs are they launching them

658
00:31:28,350 --> 00:31:26,260
off from Navy ships a lot oftentimes I

659
00:31:30,539 --> 00:31:28,360
mean that they started to I mean to be

660
00:31:33,149 --> 00:31:30,549
out of prying eyes of the public or you

661
00:31:36,810 --> 00:31:33,159
know what was this also an incentive to

662
00:31:39,630 --> 00:31:36,820
expand the Navy program you know well

663
00:31:40,350 --> 00:31:39,640

then the Navy you know it's a it's a

664

00:31:43,020 --> 00:31:40,360

much

665

00:31:45,870 --> 00:31:43,030

the service than the Air Force and the

666

00:31:48,060 --> 00:31:45,880

Navy operates in all the spheres that

667

00:31:51,390 --> 00:31:48,070

operates in the oceans or you know

668

00:31:54,240 --> 00:31:51,400

operates on land the Marines in the air

669

00:31:56,820 --> 00:31:54,250

it's got its its air we you're listening

670

00:31:57,539 --> 00:31:56,830

to love advice with LeAnn caller you're

671

00:31:59,460 --> 00:31:57,549

on the air

672

00:32:02,280 --> 00:31:59,470

hi LeeAnn longtime listener first-time

673

00:32:04,620 --> 00:32:02,290

caller why in your professional opinion

674

00:32:05,669 --> 00:32:04,630

do you never take my calls off the air

675

00:32:08,340 --> 00:32:05,679

is this Carl

676

00:32:11,100 --> 00:32:08,350

yep it's Carl we had a few dates

677

00:32:14,130 --> 00:32:11,110

everything was great I thought well you

678

00:32:15,780 --> 00:32:14,140

know when you switch to Geico you could

679

00:32:18,750 --> 00:32:15,790

save a lot of money on car insurance

680

00:32:21,060 --> 00:32:18,760

okay awesome you should call them I will

681

00:32:23,490 --> 00:32:21,070

Geico because saving 15% or more on car

682

00:32:27,570 --> 00:32:23,500

insurance is always a great answer Kings

683

00:32:30,750 --> 00:32:27,580

operates under the oceans it has kind of

684

00:32:33,299 --> 00:32:30,760

underground bases for you know for its

685

00:32:36,530 --> 00:32:33,309

submarines to go into so the Navy has

686

00:32:38,820 --> 00:32:36,540

the most experience it operates

687

00:32:39,270 --> 00:32:38,830

throughout the planet all over the

688

00:32:42,240 --> 00:32:39,280

planet

689

00:32:45,860 --> 00:32:42,250

it's you know using the oceans it has it

690

00:32:49,289 --> 00:32:45,870

can go anywhere and and so it's able to

691

00:32:51,570 --> 00:32:49,299

do things in much more secrecy than than

692

00:32:54,690 --> 00:32:51,580

the airforce and from the very beginning

693

00:32:57,030 --> 00:32:54,700

you know the way in which the public was

694

00:32:59,669 --> 00:32:57,040

convinced into thinking that the Air

695

00:33:03,450 --> 00:32:59,679

Force was the one that was in charge of

696

00:33:05,190 --> 00:33:03,460

the UFO phenomenon and that it's the Air

697

00:33:07,409 --> 00:33:05,200

Force we need to look to if we want to

698

00:33:10,020 --> 00:33:07,419

get answers that was pure disinformation

699

00:33:14,159 --> 00:33:10,030

from the very beginning the Air Force

700

00:33:16,409 --> 00:33:14,169

you know especially 1947-1948 when they

701
00:33:19,380 --> 00:33:16,419
launched the first investigations

702
00:33:22,320 --> 00:33:19,390
project sign and then project grudge and

703
00:33:25,980 --> 00:33:22,330
then project Bluebook that became you

704
00:33:27,450 --> 00:33:25,990
know that became very famous in 1952 and

705
00:33:30,900 --> 00:33:27,460
that lasted to 1969

706
00:33:33,270 --> 00:33:30,910
you know that was really a ploy to get

707
00:33:36,630 --> 00:33:33,280
the public's attention away from the

708
00:33:38,970 --> 00:33:36,640
Navy and on to the Air Force and just

709
00:33:40,830 --> 00:33:38,980
focus on the Air Force's having the

710
00:33:43,350 --> 00:33:40,840
answers to this phenomena but the Air

711
00:33:45,240 --> 00:33:43,360
Force never really had all the answers

712
00:33:48,030 --> 00:33:45,250
to it at all because the Navy was the

713
00:33:49,710 --> 00:33:48,040

one that you know during the Second

714

00:33:51,330 --> 00:33:49,720

World War it was the one that was

715

00:33:53,910 --> 00:33:51,340

getting all of the intelligence on what

716

00:33:56,280 --> 00:33:53,920

the or see when he

717

00:33:59,730 --> 00:33:56,290

don't it was it had its own secret

718

00:34:03,230 --> 00:33:59,740

facilities for reverse engineering craft

719

00:34:05,520 --> 00:34:03,240

it it was actually working with

720

00:34:07,500 --> 00:34:05,530

different extraterrestrial groups this

721

00:34:11,760 --> 00:34:07,510

is something that William Tompkins has

722

00:34:15,120 --> 00:34:11,770

pointed out that the Navy was working

723

00:34:18,110 --> 00:34:15,130

with some leading aerospace companies

724

00:34:20,669 --> 00:34:18,120

where extraterrestrials had secretly

725

00:34:23,130 --> 00:34:20,679

infiltrated and were helping the

726
00:34:25,980 --> 00:34:23,140
engineers and the architects for these

727
00:34:28,710 --> 00:34:25,990
companies come up with the designs for

728
00:34:32,760 --> 00:34:28,720
these a future space battle groups so

729
00:34:35,880 --> 00:34:32,770
the Navy had this kind of relationship a

730
00:34:38,340 --> 00:34:35,890
cooperative relationship with a kind of

731
00:34:41,040 --> 00:34:38,350
more positive group of extraterrestrials

732
00:34:42,899 --> 00:34:41,050
that would better human looking people

733
00:34:44,730 --> 00:34:42,909
often refer to them as Nordics but

734
00:34:46,440 --> 00:34:44,740
they're not necessarily Scandinavian

735
00:34:49,050 --> 00:34:46,450
looking they're just you know human

736
00:34:51,210 --> 00:34:49,060
looking and and that the Navy has been

737
00:34:54,510 --> 00:34:51,220
working with these people for a long

738
00:34:56,370 --> 00:34:54,520

long time and and for example you know

739

00:34:59,580 --> 00:34:56,380

you could have an aircraft carrier out

740

00:35:01,890 --> 00:34:59,590

there with a battle group and an admiral

741

00:35:04,170 --> 00:35:01,900

running the the battle group and you can

742

00:35:06,780 --> 00:35:04,180

have one of these Nordic flying saucers

743

00:35:09,480 --> 00:35:06,790

landing on the aircraft carrier and and

744

00:35:13,770 --> 00:35:09,490

having a kind of diplomatic exchange

745

00:35:15,510 --> 00:35:13,780

with Navy top Navy officials without you

746

00:35:18,390 --> 00:35:15,520

know in total secrecy because in

747

00:35:21,150 --> 00:35:18,400

aircraft carrier can be anywhere in the

748

00:35:23,160 --> 00:35:21,160

ocean so the Navy has always been the

749

00:35:25,980 --> 00:35:23,170

the military institution in the United

750

00:35:27,810 --> 00:35:25,990

States that is known the most about all

751
00:35:31,710 --> 00:35:27,820
of these topics extraterrestrial life

752
00:35:36,660 --> 00:35:31,720
you know Nazi Nazi any gravity programs

753
00:35:40,290 --> 00:35:36,670
and advanced spacecraft using these kind

754
00:35:44,730 --> 00:35:40,300
of exotic propulsion systems goodness

755
00:35:47,070 --> 00:35:44,740
well you know I get it why we would have

756
00:35:49,860 --> 00:35:47,080
agreements and negotiate with more

757
00:35:52,620 --> 00:35:49,870
advanced beings such as as these Nordic

758
00:35:54,870 --> 00:35:52,630
types but what's their interest in us

759
00:35:57,150 --> 00:35:54,880
but what's the trade-off I mean what do

760
00:36:01,410 --> 00:35:57,160
we really have to offer that would be

761
00:36:04,020 --> 00:36:01,420
equivalent to us advancing so far well

762
00:36:07,350 --> 00:36:04,030
you know based on on all the research I

763
00:36:11,660 --> 00:36:07,360

have extraterrestrials

764

00:36:15,060 --> 00:36:11,670

basically have been genetically

765

00:36:18,030 --> 00:36:15,070

experimenting on surface humanity for up

766

00:36:20,940 --> 00:36:18,040

to five hundred thousand years so you

767

00:36:22,880 --> 00:36:20,950

know there is not a time in our human

768

00:36:25,080 --> 00:36:22,890

history where we can say

769

00:36:28,290 --> 00:36:25,090

extraterrestrials were not involved with

770

00:36:30,540 --> 00:36:28,300

us in some way whether it's through

771

00:36:33,120 --> 00:36:30,550

genetic engineering whether it's through

772

00:36:35,300 --> 00:36:33,130

helping build a civilization whether

773

00:36:38,960 --> 00:36:35,310

it's through providing kind of like a

774

00:36:42,510 --> 00:36:38,970

kind of inspiration for religious texts

775

00:36:44,670 --> 00:36:42,520

that is part of our history and that

776

00:36:46,170 --> 00:36:44,680

there are different groups different

777

00:36:48,330 --> 00:36:46,180

groups of extraterrestrials that have

778

00:36:50,010 --> 00:36:48,340

been doing this that not all the

779

00:36:52,230 --> 00:36:50,020

extra-terrestrial groups see on the same

780

00:36:54,690 --> 00:36:52,240

pay are on the same page when it comes

781

00:36:56,910 --> 00:36:54,700

to the future of humanity you know some

782

00:36:59,820 --> 00:36:56,920

groups see us as kind of like a very

783

00:37:02,460 --> 00:36:59,830

primitive aggressive savage species that

784

00:37:04,590 --> 00:37:02,470

needs to be controlled you know we need

785

00:37:06,960 --> 00:37:04,600

to have a tight leash over us whether

786

00:37:08,910 --> 00:37:06,970

we're whereas other groups say that well

787

00:37:11,220 --> 00:37:08,920

you know humanity has the spark of God

788

00:37:14,430 --> 00:37:11,230

within them they're capable of following

789

00:37:16,560 --> 00:37:14,440

their kind of inner divine guidance so

790

00:37:19,470 --> 00:37:16,570

we need to let them give them space that

791

00:37:21,750 --> 00:37:19,480

they can kind of like get to follow that

792

00:37:24,780 --> 00:37:21,760

kind of inner light and and develop a

793

00:37:27,750 --> 00:37:24,790

culture and a civilization which is more

794

00:37:29,580 --> 00:37:27,760

reflective of their true potential as a

795

00:37:32,910 --> 00:37:29,590

species so you know you have

796

00:37:36,180 --> 00:37:32,920

diametrically opposite perspectives on

797

00:37:38,730 --> 00:37:36,190

our on our on us as a civilization by

798

00:37:40,290 --> 00:37:38,740

different extraterrestrial groups so it

799

00:37:41,820 --> 00:37:40,300

all depends on you know which

800

00:37:45,780 --> 00:37:41,830

extraterrestrial group has more

801
00:37:48,540 --> 00:37:45,790
influence and which organization is more

802
00:37:51,960 --> 00:37:48,550
responsive to them so I think for

803
00:37:55,380 --> 00:37:51,970
example you know the Air Force has been

804
00:37:57,510 --> 00:37:55,390
working much more with a kind of

805
00:38:00,450 --> 00:37:57,520
extraterrestrial groups who have a much

806
00:38:02,340 --> 00:38:00,460
more negative view of humanity that

807
00:38:05,280 --> 00:38:02,350
they're more into control and

808
00:38:07,740 --> 00:38:05,290
manipulation whereas the Navy where as

809
00:38:09,990 --> 00:38:07,750
the Navy have a kind of relationship

810
00:38:12,720 --> 00:38:10,000
with you know a more positive group who

811
00:38:14,850 --> 00:38:12,730
who really do see humanity as having

812
00:38:19,500 --> 00:38:14,860
great potential and want to kind of like

813
00:38:21,390 --> 00:38:19,510

give us the opportunity to find our way

814

00:38:24,150 --> 00:38:21,400

because you know oftentimes I run into

815

00:38:26,670 --> 00:38:24,160

these folks who are like all aliens are

816

00:38:30,120 --> 00:38:26,680

good and they're here to just be loved

817

00:38:32,520 --> 00:38:30,130

like know what just because they have a

818

00:38:35,310 --> 00:38:32,530

shinier goofy it's your ride doesn't

819

00:38:39,000 --> 00:38:35,320

mean that they're more advanced socially

820

00:38:41,280 --> 00:38:39,010

or emotionally you know it just blows my

821

00:38:42,930 --> 00:38:41,290

mind so I'm glad that you you mentioned

822

00:38:45,540 --> 00:38:42,940

that you know they're not all fuzzy and

823

00:38:47,670 --> 00:38:45,550

warm on the inside or outside because

824

00:38:50,190 --> 00:38:47,680

there's a lot of horrible stories out

825

00:38:54,210 --> 00:38:50,200

there and I don't know where you sit on

826
00:38:56,700 --> 00:38:54,220
the idea of the government masquerading

827
00:38:58,770 --> 00:38:56,710
around as aliens abducting people trying

828
00:39:00,780 --> 00:38:58,780
to make them believe they're aliens

829
00:39:02,760 --> 00:39:00,790
abducting people where do you where do

830
00:39:06,599 --> 00:39:02,770
you sit on that opinion and is that a

831
00:39:09,960 --> 00:39:06,609
reality okay well that's something that

832
00:39:11,790 --> 00:39:09,970
Steven Greer has been pushing he's

833
00:39:15,090 --> 00:39:11,800
saying that the government has created

834
00:39:16,950 --> 00:39:15,100
these kind of alien look-alikes he calls

835
00:39:20,250 --> 00:39:16,960
them programmed life-forms that they're

836
00:39:23,910 --> 00:39:20,260
kind of synthetic gray looking alien and

837
00:39:25,680 --> 00:39:23,920
they're and I like using them in these

838
00:39:27,390 --> 00:39:25,690

abductions of people and making people

839

00:39:29,700 --> 00:39:27,400

believe that aliens are bad and that

840

00:39:31,770 --> 00:39:29,710

this is something he's being saying well

841

00:39:34,080 --> 00:39:31,780

you know I've done a lot of research on

842

00:39:36,990 --> 00:39:34,090

this and I I can say that that's really

843

00:39:39,050 --> 00:39:37,000

not true that's not accurate at all that

844

00:39:43,470 --> 00:39:39,060

there that there are gray

845

00:39:46,890 --> 00:39:43,480

extraterrestrials that I think that they

846

00:39:50,040 --> 00:39:46,900

are synthetic and that they are working

847

00:39:53,070 --> 00:39:50,050

under other groups I think there are

848

00:39:55,680 --> 00:39:53,080

some gray aliens that are that are kind

849

00:39:58,370 --> 00:39:55,690

of like working closely with the Air

850

00:40:01,080 --> 00:39:58,380

Force in particular and under control of

851

00:40:03,930 --> 00:40:01,090

Air Force officials but I think by and

852

00:40:06,090 --> 00:40:03,940

large most of these greys aliens are

853

00:40:09,030 --> 00:40:06,100

working either or independently or

854

00:40:11,070 --> 00:40:09,040

underneath other more evolved

855

00:40:15,000 --> 00:40:11,080

extraterrestrials such as the reptilians

856

00:40:17,040 --> 00:40:15,010

or the praying mantis and yeah even some

857

00:40:21,780 --> 00:40:17,050

human looking extraterrestrials you have

858

00:40:24,150 --> 00:40:21,790

the gray case that was a Nordic looking

859

00:40:28,620 --> 00:40:24,160

type that was directing the grey beings

860

00:40:30,450 --> 00:40:28,630

that were abducting him exactly so you

861

00:40:32,760 --> 00:40:30,460

know we really need to think of these

862

00:40:33,000 --> 00:40:32,770

greys as it's kind of like a you know

863

00:40:39,090 --> 00:40:33,010

like

864

00:40:42,150 --> 00:40:39,100

life-form and and it's really you know

865

00:40:45,000 --> 00:40:42,160

whoever programs them and whatever

866

00:40:48,270 --> 00:40:45,010

purpose they put them to that's going to

867

00:40:50,750 --> 00:40:48,280

be the key in understanding you know

868

00:40:54,150 --> 00:40:50,760

their impact and and so for some groups

869

00:40:56,850 --> 00:40:54,160

you know this is you know the the kind

870

00:41:00,240 --> 00:40:56,860

of reptilian group the airforce group I

871

00:41:04,080 --> 00:41:00,250

think that they use these greys for kind

872

00:41:06,030 --> 00:41:04,090

of like abductions and and doing kind of

873

00:41:09,690 --> 00:41:06,040

all kinds of genetic experiments on

874

00:41:13,320 --> 00:41:09,700

people and other groups have might have

875

00:41:15,060 --> 00:41:13,330

more benign designs for these greys and

876

00:41:18,480 --> 00:41:15,070

also you know I think that there are

877

00:41:20,550 --> 00:41:18,490

some greys that are kind of following

878

00:41:22,800 --> 00:41:20,560

that path to you know complete

879

00:41:24,150 --> 00:41:22,810

independence and autonomy that you know

880

00:41:26,400 --> 00:41:24,160

don't want to be controlled or

881

00:41:28,740 --> 00:41:26,410

manipulated by other groups and they're

882

00:41:30,120 --> 00:41:28,750

trying to find their own way and and so

883

00:41:32,550 --> 00:41:30,130

that's kind of like you know we have

884

00:41:35,220 --> 00:41:32,560

people like Darryl anchor talking about

885

00:41:37,020 --> 00:41:35,230

the SS Ani so you know I think yet there

886

00:41:38,280 --> 00:41:37,030

are many different groups you know we

887

00:41:41,550 --> 00:41:38,290

really need to be careful about

888

00:41:44,160 --> 00:41:41,560

generalizing you know you know we can't

889

00:41:46,440 --> 00:41:44,170

say that all greys are bad or reptilians

890

00:41:48,240 --> 00:41:46,450

are bad you know all Nordics are good

891

00:41:49,470 --> 00:41:48,250

that it's not as simple as that there's

892

00:41:55,170 --> 00:41:49,480

a lot of crossover

893

00:41:58,260 --> 00:41:55,180

yeah well follow their actions that

894

00:42:00,990 --> 00:41:58,270

isn't cool yeah I mean it's kind of

895

00:42:02,940 --> 00:42:01,000

common sense but I'm like if they're

896

00:42:05,490 --> 00:42:02,950

programmable I mean it's something that

897

00:42:08,190 --> 00:42:05,500

probably somebody like Walmart will soon

898

00:42:10,260 --> 00:42:08,200

be purchase may be able to purchase the

899

00:42:14,640 --> 00:42:10,270

rights to put it out there or something

900

00:42:16,830 --> 00:42:14,650

my goodness these these beings you know

901
00:42:18,480 --> 00:42:16,840
we're if we have the access if our

902
00:42:21,060 --> 00:42:18,490
governments have the access to these

903
00:42:22,830 --> 00:42:21,070
beings and they're able to access so

904
00:42:26,070 --> 00:42:22,840
much technology and and they're just

905
00:42:30,990 --> 00:42:26,080
using it to fly in outer space and do

906
00:42:33,180 --> 00:42:31,000
all these cool little doodads why not do

907
00:42:34,770 --> 00:42:33,190
more for the planet that we have already

908
00:42:37,530 --> 00:42:34,780
instead of looking at the other ones

909
00:42:40,200 --> 00:42:37,540
we've got you know gazillions of little

910
00:42:43,560 --> 00:42:40,210
pellets of plastic floating in the

911
00:42:46,440 --> 00:42:43,570
oceans killing our creatures we've got

912
00:42:48,620 --> 00:42:46,450
oil spills that have destroyed so much

913
00:42:51,809 --> 00:42:48,630

you know there's so much that could be

914

00:42:54,210 --> 00:42:51,819

rectified here but it doesn't sound like

915

00:42:58,140 --> 00:42:54,220

our rotten good-for-nothing governments

916

00:43:01,230 --> 00:42:58,150

are really aiming to help this planet

917

00:43:04,230 --> 00:43:01,240

they're helping themselves to have fun I

918

00:43:07,049 --> 00:43:04,240

mean you know if you ask any guy like

919

00:43:10,890 --> 00:43:07,059

what could you what would you you make a

920

00:43:12,240 --> 00:43:10,900

few if you had no limit on cash and it's

921

00:43:13,950 --> 00:43:12,250

like I make the fastest car that I could

922

00:43:15,809 --> 00:43:13,960

make or you know it's always about you

923

00:43:17,970 --> 00:43:15,819

know really cool things that they can

924

00:43:19,890 --> 00:43:17,980

make to zip around and check something

925

00:43:23,250 --> 00:43:19,900

out and it's like you know slow it down

926
00:43:25,470 --> 00:43:23,260
and and back up and have a look around

927
00:43:27,510 --> 00:43:25,480
have a heart with what it is that you're

928
00:43:29,789 --> 00:43:27,520
really asking for if you have the

929
00:43:32,069 --> 00:43:29,799
ability to I mean is any of that being

930
00:43:33,539 --> 00:43:32,079
done and and I mean or did your cancer

931
00:43:36,390 --> 00:43:33,549
for crying out loud I know they got the

932
00:43:38,220 --> 00:43:36,400
cure why are they not having a heart in

933
00:43:40,940 --> 00:43:38,230
these conversations are having with

934
00:43:44,370 --> 00:43:40,950
these so-called advanced beings then

935
00:43:47,010 --> 00:43:44,380
well I think we really need to separate

936
00:43:48,660 --> 00:43:47,020
the government from the secret

937
00:43:50,730 --> 00:43:48,670
government or you know people call it

938
00:43:52,589 --> 00:43:50,740

the deep the deep state or the shadow

939

00:43:54,450 --> 00:43:52,599

government or the Illuminati but

940

00:43:58,020 --> 00:43:54,460

essentially you know these are groups of

941

00:44:05,339 --> 00:43:58,030

people that really have psychopathic

942

00:44:08,160 --> 00:44:05,349

tendencies that they they're all about

943

00:44:09,780 --> 00:44:08,170

control they're all about kind of like

944

00:44:11,430 --> 00:44:09,790

manipulating the the rest of humanity

945

00:44:14,430 --> 00:44:11,440

and there have been studies that show

946

00:44:15,990 --> 00:44:14,440

that you know some way you know that 1%

947

00:44:19,440 --> 00:44:16,000

of the population are genetically

948

00:44:21,270 --> 00:44:19,450

psychopaths and another 4% sociopaths

949

00:44:23,069 --> 00:44:21,280

which is you know through environmental

950

00:44:25,170 --> 00:44:23,079

conditions that they you know like that

951
00:44:27,420 --> 00:44:25,180
empathic connection so that means you

952
00:44:30,480 --> 00:44:27,430
know 95 percent of the rest of humanity

953
00:44:32,609 --> 00:44:30,490
are capable of that basic empathic

954
00:44:34,440 --> 00:44:32,619
connection with another person where

955
00:44:37,740 --> 00:44:34,450
something like killing another person

956
00:44:40,530 --> 00:44:37,750
you know is is it is deeply shocking and

957
00:44:42,450 --> 00:44:40,540
upsetting and you really need to train

958
00:44:44,910 --> 00:44:42,460
people that's what Miller the military

959
00:44:47,309 --> 00:44:44,920
does it trains people to make it feel

960
00:44:49,230 --> 00:44:47,319
like it's okay to kill another human

961
00:44:50,940 --> 00:44:49,240
being because you're doing it for this

962
00:44:54,150 --> 00:44:50,950
this and this and this reason but you

963
00:44:54,660 --> 00:44:54,160

know but basically for 90% 95% of

964

00:44:57,420 --> 00:44:54,670

humanity

965

00:44:59,130 --> 00:44:57,430

killing another person is deeply

966

00:45:00,240 --> 00:44:59,140

traumatic at some level whereas for the

967

00:45:02,700 --> 00:45:00,250

sociopaths and the soccer

968

00:45:04,859 --> 00:45:02,710

that's you know it really means a little

969

00:45:07,020 --> 00:45:04,869

to them they can do it without a second

970

00:45:08,940 --> 00:45:07,030

thought and and these are the people

971

00:45:11,250 --> 00:45:08,950

that really are the ones that are in

972

00:45:13,290 --> 00:45:11,260

control of major corporations that

973

00:45:16,109 --> 00:45:13,300

they're in control of governments in a

974

00:45:19,740 --> 00:45:16,119

date that they identify you know bright

975

00:45:22,800 --> 00:45:19,750

up-and-coming politicians or corporate

976

00:45:27,030 --> 00:45:22,810

executives they ensnare them in some

977

00:45:29,040 --> 00:45:27,040

kind of you know a pedophile ring or

978

00:45:31,470 --> 00:45:29,050

some kind of satanic practice or

979

00:45:33,900 --> 00:45:31,480

something that compromises them at a

980

00:45:35,490 --> 00:45:33,910

deep level so that then they have a

981

00:45:37,530 --> 00:45:35,500

control file on them and then they can

982

00:45:39,150 --> 00:45:37,540

manipulate them to get them to do

983

00:45:41,910 --> 00:45:39,160

whatever they want you know whether in

984

00:45:44,520 --> 00:45:41,920

it whether they are in a high government

985

00:45:46,740 --> 00:45:44,530

position or whether they rise through

986

00:45:50,130 --> 00:45:46,750

the ranks of a corporation and become a

987

00:45:52,859 --> 00:45:50,140

CEO that these people can be controlled

988

00:45:56,760 --> 00:45:52,869

by these Psychopaths that are part of

989

00:45:58,080 --> 00:45:56,770

this kind of government disgusting

990

00:46:00,920 --> 00:45:58,090

it really is somebody's got to be

991

00:46:05,609 --> 00:46:00,930

cross-checking these fools I mean it

992

00:46:08,430 --> 00:46:05,619

uh-huh my head anyways um I I wanted to

993

00:46:10,770 --> 00:46:08,440

get on to some of the the good juicy

994

00:46:14,339 --> 00:46:10,780

bits that are in your book I guess a

995

00:46:17,760 --> 00:46:14,349

good place to start off is who is Leslie

996

00:46:21,390 --> 00:46:17,770

Stevens and what is going on with his

997

00:46:24,210 --> 00:46:21,400

dealings in Hollywood well he is a

998

00:46:28,740 --> 00:46:24,220

really interesting guy I mean he was the

999

00:46:32,910 --> 00:46:28,750

son of of a Navy admiral who was part of

1000

00:46:35,550 --> 00:46:32,920

the Navy's developing a secret space

1001
00:46:40,079 --> 00:46:35,560
program and getting all of this

1002
00:46:43,349 --> 00:46:40,089
intelligence about these Nazi programs

1003
00:46:46,290 --> 00:46:43,359
out of Antarctica and also about this

1004
00:46:47,790 --> 00:46:46,300
kind of advanced Nordic extraterrestrial

1005
00:46:52,940 --> 00:46:47,800
race that were trying to help humanity

1006
00:46:56,690 --> 00:46:52,950
and so Leslie Stevens he's his father

1007
00:47:00,450 --> 00:46:56,700
gave him all this information because

1008
00:47:02,370 --> 00:47:00,460
Leslie Stevens was had a background in

1009
00:47:04,740 --> 00:47:02,380
military intelligence during the Second

1010
00:47:08,099 --> 00:47:04,750
World War and his father was an admiral

1011
00:47:10,560 --> 00:47:08,109
who ran psychological operations for the

1012
00:47:12,960 --> 00:47:10,570
Navy immediately after the Second World

1013
00:47:14,200 --> 00:47:12,970

War and so Leslie Stevens actually

1014

00:47:17,140 --> 00:47:14,210

entered in

1015

00:47:21,520 --> 00:47:17,150

to Hollywood and he was the the creator

1016

00:47:23,890 --> 00:47:21,530

of the Outer Limits sci-fi series and so

1017

00:47:27,790 --> 00:47:23,900

in the outer limits series you actually

1018

00:47:30,940 --> 00:47:27,800

have a lot of a lot of these kind of

1019

00:47:33,730 --> 00:47:30,950

sci-fi themes in the outer limits being

1020

00:47:35,710 --> 00:47:33,740

this kind of navy sanctioned disclosure

1021

00:47:40,020 --> 00:47:35,720

initiative where the people would learn

1022

00:47:43,359 --> 00:47:40,030

about different covert programs and

1023

00:47:45,609 --> 00:47:43,369

Leslie Stevens basically briefed Gene

1024

00:47:47,920 --> 00:47:45,619

Roddenberry on the Navy's secret space

1025

00:47:50,470 --> 00:47:47,930

program and so that's how Roddenberry

1026

00:47:53,980 --> 00:47:50,480

came up with the idea of Star Trek

1027

00:47:57,390 --> 00:47:53,990

so Star Trek really was something that

1028

00:48:00,550 --> 00:47:57,400

wasn't just a result of Gene

1029

00:48:04,300 --> 00:48:00,560

Roddenberry's creativity it was because

1030

00:48:09,579 --> 00:48:04,310

he was helped by Leslie Stevens to come

1031

00:48:12,839 --> 00:48:09,589

up with this idea of a kind of as you

1032

00:48:16,000 --> 00:48:12,849

know this advanced human looking

1033

00:48:20,140 --> 00:48:16,010

civilization that operated in deep space

1034

00:48:21,960 --> 00:48:20,150

which was very ethical and that was you

1035

00:48:24,910 --> 00:48:21,970

know kind of like an explorer type

1036

00:48:28,870 --> 00:48:24,920

civilization and and so these were ideas

1037

00:48:31,900 --> 00:48:28,880

that Roddenberry got from Stevens who

1038

00:48:33,790 --> 00:48:31,910

had in turn got mem from his father who

1039

00:48:36,220 --> 00:48:33,800

was familiar with this kind of Nordic

1040

00:48:38,200 --> 00:48:36,230

extraterrestrial civilization that

1041

00:48:40,960 --> 00:48:38,210

operated in this way so in other words

1042

00:48:45,820 --> 00:48:40,970

the Star Trek series was actually

1043

00:48:49,450 --> 00:48:45,830

inspired by a real-life kind of Nordic

1044

00:48:52,150 --> 00:48:49,460

human looking civilization very much

1045

00:48:54,730 --> 00:48:52,160

like the Federation of Planets depicted

1046

00:48:58,359 --> 00:48:54,740

in Star Trek so so there's a deep truth

1047

00:49:02,170 --> 00:48:58,369

there in Star Trek that that that

1048

00:49:04,120 --> 00:49:02,180

Federation was it was in existence at

1049

00:49:09,430 --> 00:49:04,130

the time a lot of Captain Kirk

1050

00:49:11,530 --> 00:49:09,440

look-alike so I mean and the technology

1051
00:49:14,589 --> 00:49:11,540
of course I mean the flip phones been

1052
00:49:16,630 --> 00:49:14,599
able to talk into your watch I mean so

1053
00:49:20,109 --> 00:49:16,640
much of the technology and what was able

1054
00:49:22,839 --> 00:49:20,119
to be made into reality I'm just looking

1055
00:49:24,520 --> 00:49:22,849
for the the teleportation to come and

1056
00:49:28,450 --> 00:49:24,530
effect but I heard it already is they're

1057
00:49:31,030 --> 00:49:28,460
just not showing us oh it is exactly

1058
00:49:34,260 --> 00:49:31,040
they already have it they've been

1059
00:49:37,020 --> 00:49:34,270
developing and testing that since the

1060
00:49:41,290 --> 00:49:37,030
1960s and 70s these kinds of

1061
00:49:44,230 --> 00:49:41,300
teleportation are devices and they just

1062
00:49:46,900 --> 00:49:44,240
these are still very highly classified

1063
00:49:49,380 --> 00:49:46,910

programs they're not sharing it at the

1064

00:49:53,380 --> 00:49:49,390

moment though you know the open sites

1065

00:49:55,780 --> 00:49:53,390

open source literature does refer to you

1066

00:49:58,240 --> 00:49:55,790

know teleportation being viable with

1067

00:50:00,359 --> 00:49:58,250

photons so you know that in itself is

1068

00:50:03,940 --> 00:50:00,369

kind of like acknowledging that

1069

00:50:07,570 --> 00:50:03,950

teleportation is feasible because if you

1070

00:50:10,270 --> 00:50:07,580

can teleport photons you know then you

1071

00:50:12,210 --> 00:50:10,280

know you have the basis for in the

1072

00:50:15,630 --> 00:50:12,220

future being able to kind of upgrade and

1073

00:50:18,490 --> 00:50:15,640

teleport you know molecules and

1074

00:50:21,579 --> 00:50:18,500

eventually kind of like organic fully

1075

00:50:23,020 --> 00:50:21,589

organic beings like like humans but but

1076

00:50:25,240 --> 00:50:23,030

in the classified arena they've been

1077

00:50:27,310 --> 00:50:25,250

doing this a long time because they have

1078

00:50:29,500 --> 00:50:27,320

the supercomputers the quantum computers

1079

00:50:32,500 --> 00:50:29,510

to be able to kind of like you know

1080

00:50:35,050 --> 00:50:32,510

download all of the information and to

1081

00:50:38,650 --> 00:50:35,060

be able to instantaneously transport it

1082

00:50:40,450 --> 00:50:38,660

to another part of the solid solar

1083

00:50:42,520 --> 00:50:40,460

system or even the galaxies elsewhere in

1084

00:50:46,140 --> 00:50:42,530

the galaxy you know if everything people

1085

00:50:49,660 --> 00:50:46,150

see in sci-fi series like Stargate sg-1

1086

00:50:53,829 --> 00:50:49,670

you know yeah there's a lot of truth in

1087

00:50:56,620 --> 00:50:53,839

that that that technology does exist is

1088

00:50:59,740 --> 00:50:56,630

you know I just find this this whole

1089

00:51:03,550 --> 00:50:59,750

secrecy to be so darn selfish it's like

1090

00:51:07,150 --> 00:51:03,560

how and why would they not want the rest

1091

00:51:10,000 --> 00:51:07,160

of society to join in the fun and help

1092

00:51:12,670 --> 00:51:10,010

give some awesome input instead of them

1093

00:51:16,089 --> 00:51:12,680

going through a crowd of saying you you

1094

00:51:17,890 --> 00:51:16,099

and maybe you can be in on it and help

1095

00:51:20,140 --> 00:51:17,900

us figure this out so we could beat the

1096

00:51:23,829 --> 00:51:20,150

Russians you know it's it's B it's

1097

00:51:26,380 --> 00:51:23,839

become a like a a sense of warfare and

1098

00:51:28,540 --> 00:51:26,390

and it doesn't need to be I mean we

1099

00:51:32,170 --> 00:51:28,550

could go into the days of Star Trek

1100

00:51:34,900 --> 00:51:32,180

where people do and explore just because

1101
00:51:36,579 --> 00:51:34,910
you know and people don't have to work

1102
00:51:38,740 --> 00:51:36,589
for a living because we provide and

1103
00:51:42,040 --> 00:51:38,750
because we're able to but there's those

1104
00:51:44,230 --> 00:51:42,050
people who like to I don't know

1105
00:51:46,570 --> 00:51:44,240
put gold chains on their sheep like they

1106
00:51:48,640 --> 00:51:46,580
do and like the Saudis do I was really

1107
00:51:50,260 --> 00:51:48,650
shocked to see that because they want to

1108
00:51:53,050 --> 00:51:50,270
stay rich they want to remain the ones

1109
00:51:56,440 --> 00:51:53,060
in power and it's it's such a it's just

1110
00:51:57,610 --> 00:51:56,450
I am you know what I I was an alien I

1111
00:51:59,590 --> 00:51:57,620
don't know if I'd want to get to know

1112
00:52:01,870 --> 00:51:59,600
these people I mean because it's just

1113
00:52:04,150 --> 00:52:01,880

like you would think that they would be

1114

00:52:06,640 --> 00:52:04,160

disgusted at the secrecy I I'm shocked

1115

00:52:08,800 --> 00:52:06,650

at that has that ever been expressed of

1116

00:52:11,050 --> 00:52:08,810

by them like why don't you tell

1117

00:52:12,310 --> 00:52:11,060

everybody else I mean these are good

1118

00:52:16,330 --> 00:52:12,320

beings quote unquote

1119

00:52:18,610 --> 00:52:16,340

why wouldn't they wonder yeah well you

1120

00:52:21,670 --> 00:52:18,620

know this is the thing that you know the

1121

00:52:25,020 --> 00:52:21,680

ones that the secret government the deep

1122

00:52:28,030 --> 00:52:25,030

state that really are in control of

1123

00:52:30,820 --> 00:52:28,040

planetary institutions and treat us like

1124

00:52:32,710 --> 00:52:30,830

sheep you know like you said they what

1125

00:52:35,560 --> 00:52:32,720

they want to kind of put that gold leash

1126
00:52:38,080 --> 00:52:35,570
on us and just kind of keep a tight

1127
00:52:40,360 --> 00:52:38,090
leash type control over us because they

1128
00:52:42,430 --> 00:52:40,370
really don't think that we're capable of

1129
00:52:45,270 --> 00:52:42,440
anything more than just you know being

1130
00:52:48,010 --> 00:52:45,280
able to produce you know the kind of

1131
00:52:50,620 --> 00:52:48,020
technologies and the wealth that they

1132
00:52:52,900 --> 00:52:50,630
need for their secret space programs and

1133
00:52:55,180 --> 00:52:52,910
and they've work with certain

1134
00:52:59,500 --> 00:52:55,190
extraterrestrial groups that have that

1135
00:53:01,750 --> 00:52:59,510
kind of more negative mindset about us

1136
00:53:04,450 --> 00:53:01,760
as a species that were very aggressive

1137
00:53:06,340 --> 00:53:04,460
and quite savage and you know you kind

1138
00:53:09,430 --> 00:53:06,350

of scratch the veneer of civilization

1139

00:53:12,370 --> 00:53:09,440

and humans can be very barbaric towards

1140

00:53:14,200 --> 00:53:12,380

one another but you know there's there's

1141

00:53:16,000 --> 00:53:14,210

another group of extraterrestrials that

1142

00:53:18,310 --> 00:53:16,010

you know believe very differently that

1143

00:53:20,560 --> 00:53:18,320

you know that they can see that we have

1144

00:53:22,840 --> 00:53:20,570

this enormous potential and that if

1145

00:53:25,560 --> 00:53:22,850

we're just given space if we just you

1146

00:53:27,850 --> 00:53:25,570

know have these restrictive practices

1147

00:53:30,370 --> 00:53:27,860

released then and this advanced

1148

00:53:32,560 --> 00:53:30,380

technology kind of you know that were

1149

00:53:35,620 --> 00:53:32,570

allowed to get access to it that our

1150

00:53:37,500 --> 00:53:35,630

civilization will kind of flourish very

1151
00:53:39,880 --> 00:53:37,510
quickly and that will become very

1152
00:53:43,150 --> 00:53:39,890
peaceful but that's what that's what the

1153
00:53:44,740 --> 00:53:43,160
that's what the deeps press stayed or

1154
00:53:47,380 --> 00:53:44,750
the controllers don't want they don't

1155
00:53:50,530 --> 00:53:47,390
want us being peaceful because you know

1156
00:53:53,290 --> 00:53:50,540
through war and conflict they can make

1157
00:53:56,010 --> 00:53:53,300
enormous profits the peace and harmony

1158
00:54:02,170 --> 00:53:56,020
is not good for profit

1159
00:54:05,140 --> 00:54:02,180
that is a crying shame you know how are

1160
00:54:08,410 --> 00:54:05,150
we to know without right certainty that

1161
00:54:10,960 --> 00:54:08,420
the ones who are in power and who are

1162
00:54:14,789 --> 00:54:10,970
hoarding the knowledge and the

1163
00:54:17,740 --> 00:54:14,799

technology of all of this stuff that

1164

00:54:20,230 --> 00:54:17,750

they're not aliens themselves how do we

1165

00:54:23,319 --> 00:54:20,240

not know I mean if they could appear as

1166

00:54:25,420 --> 00:54:23,329

one of us I mean perhaps we're being

1167

00:54:27,700 --> 00:54:25,430

played by both sides like Oh a generous

1168

00:54:30,370 --> 00:54:27,710

alien and then oh it's his buddy that's

1169

00:54:31,960 --> 00:54:30,380

like being greedy pretending to be a

1170

00:54:35,440 --> 00:54:31,970

human being I mean how would we how

1171

00:54:37,510 --> 00:54:35,450

would we not know or know right well you

1172

00:54:39,940 --> 00:54:37,520

know it's a good question you know the

1173

00:54:41,470 --> 00:54:39,950

first thing is to keep in mind that you

1174

00:54:45,730 --> 00:54:41,480

know that these extraterrestrials have

1175

00:54:48,789 --> 00:54:45,740

been genetically intermixing or splicing

1176

00:54:51,339 --> 00:54:48,799

their genetics into us on the you know

1177

00:54:53,710 --> 00:54:51,349

on this planet for over 500,000 years so

1178

00:54:56,770 --> 00:54:53,720

we are all kind of like extraterrestrial

1179

00:54:59,200 --> 00:54:56,780

hybrids the big question is to what

1180

00:55:01,900 --> 00:54:59,210

degree do we have extraterrestrial

1181

00:55:04,539 --> 00:55:01,910

genetics within us those that have the

1182

00:55:06,539 --> 00:55:04,549

genetics of some of these more kind of

1183

00:55:09,339 --> 00:55:06,549

like aggressive or Imperial

1184

00:55:11,770 --> 00:55:09,349

extraterrestrial races you know they

1185

00:55:13,809 --> 00:55:11,780

typically form the the bluebloods

1186

00:55:18,039 --> 00:55:13,819

you know they are part of these kind of

1187

00:55:20,470 --> 00:55:18,049

13 ruling families that go back many

1188

00:55:23,859 --> 00:55:20,480

millennia in terms of having a lot of

1189

00:55:26,500 --> 00:55:23,869

control over humanity so you know they

1190

00:55:28,329 --> 00:55:26,510

have a lot of that they have the the

1191

00:55:30,900 --> 00:55:28,339

genetics of you know a particular

1192

00:55:33,670 --> 00:55:30,910

extraterrestrial group you know that

1193

00:55:38,020 --> 00:55:33,680

that has more influence in them and

1194

00:55:40,870 --> 00:55:38,030

others you know we might be reflective

1195

00:55:43,180 --> 00:55:40,880

of other more positive extraterrestrial

1196

00:55:45,640 --> 00:55:43,190

groups but you know we are kind of

1197

00:55:47,559 --> 00:55:45,650

outside of the ruling elite families

1198

00:55:50,140 --> 00:55:47,569

that but not being that monopolize

1199

00:55:53,559 --> 00:55:50,150

wealth because capitalism is really good

1200

00:55:57,819 --> 00:55:53,569

for Psychopaths that want to basically

1201
00:55:59,620 --> 00:55:57,829
monopolize wealth sorry we've got to get

1202
00:56:01,059 --> 00:55:59,630
to our next break you guys you listen to

1203
00:56:03,809 --> 00:56:01,069
me how you house the Outlander and we

1204
00:56:08,500 --> 00:56:06,339
welcome back you are listening to me

1205
00:56:10,540 --> 00:56:08,510
honey house the Outland are remembering

1206
00:56:13,030 --> 00:56:10,550
always if it's weird we're here and we

1207
00:56:17,319 --> 00:56:13,040
are speaking with dr. Salah and regards

1208
00:56:20,140 --> 00:56:17,329
to Exopolitics in regards to the crazy

1209
00:56:23,010 --> 00:56:20,150
madness called the secret space program

1210
00:56:26,440 --> 00:56:23,020
that the Navy and Air Force are both

1211
00:56:29,050 --> 00:56:26,450
involved in oh my gosh it runs so deep

1212
00:56:30,760 --> 00:56:29,060
and I'm sorry for interrupting you but I

1213
00:56:33,250 --> 00:56:30,770

don't know if you recall where your

1214

00:56:37,210 --> 00:56:33,260

thought was on it but I'll give you the

1215

00:56:43,630 --> 00:56:37,220

floor dr. Salah well thank you I

1216

00:56:47,559 --> 00:56:43,640

actually done good

1217

00:56:51,880 --> 00:56:47,569

I I have a question that was posted in

1218

00:56:53,890 --> 00:56:51,890

the chat room by Carol and he said that

1219

00:56:59,170 --> 00:56:53,900

you're aware of this it what your take

1220

00:57:02,890 --> 00:56:59,180

is on projects serpo sure well you know

1221

00:57:07,030 --> 00:57:02,900

project super I think is something

1222

00:57:10,109 --> 00:57:07,040

connected to the air force's

1223

00:57:13,270 --> 00:57:10,119

relationship with a group of

1224

00:57:16,240 --> 00:57:13,280

extraterrestrials that you know that are

1225

00:57:19,900 --> 00:57:16,250

kind of like grey that are part of that

1226

00:57:24,760 --> 00:57:19,910

kind of synthetic or gray lineage and

1227

00:57:28,359 --> 00:57:24,770

that that this group has been working

1228

00:57:34,170 --> 00:57:28,369

with the Air Force for several decades

1229

00:57:36,900 --> 00:57:34,180

and in the 1960s 1970s that they

1230

00:57:41,500 --> 00:57:36,910

participated in an exchange program

1231

00:57:46,780 --> 00:57:41,510

where I think it was about a dozen Air

1232

00:57:49,780 --> 00:57:46,790

Force personnel were allowed to be taken

1233

00:57:54,760 --> 00:57:49,790

by this group of extraterrestrials to

1234

00:57:59,470 --> 00:57:54,770

their homeworld I think it's kind of the

1235

00:58:02,050 --> 00:57:59,480

planet serpo in in the z-row reticulum

1236

00:58:05,859 --> 00:58:02,060

star system as I kind of vaguely recall

1237

00:58:10,450 --> 00:58:05,869

it but nevertheless and there was a

1238

00:58:13,089 --> 00:58:10,460

group of these grey aliens that worked

1239

00:58:15,000 --> 00:58:13,099

with the Air Force in their various

1240

00:58:17,700 --> 00:58:15,010

secret programs

1241

00:58:21,330 --> 00:58:17,710

and and so the project super material

1242

00:58:24,240 --> 00:58:21,340

was the release of a lot of information

1243

00:58:28,080 --> 00:58:24,250

pertaining to that by a group of

1244

00:58:30,080 --> 00:58:28,090

anonymous whistleblowers that were

1245

00:58:33,960 --> 00:58:30,090

associated with the Defense Intelligence

1246

00:58:35,460 --> 00:58:33,970

Agency and and very recently really only

1247

00:58:37,530 --> 00:58:35,470

I think it was about two months ago

1248

00:58:41,160 --> 00:58:37,540

there was another Defense Intelligence

1249

00:58:44,490 --> 00:58:41,170

Agency document that was real that was

1250

00:58:48,480 --> 00:58:44,500

leaked which gave a lot more information

1251

00:58:51,180 --> 00:58:48,490

about this exchange program so you know

1252

00:58:54,270 --> 00:58:51,190

essentially this is a program like for

1253

00:58:56,940 --> 00:58:54,280

an exchange difference or something well

1254

00:58:59,040 --> 00:58:56,950

you know kind of like that you know when

1255

00:59:00,780 --> 00:58:59,050

you you have the Air Force doing this

1256

00:59:03,140 --> 00:59:00,790

exchange with this group of

1257

00:59:05,640 --> 00:59:03,150

extraterrestrials from the planet Serpa

1258

00:59:07,620 --> 00:59:05,650

and that way you know there can be any

1259

00:59:11,000 --> 00:59:07,630

kind of information sharing a cult

1260

00:59:14,040 --> 00:59:11,010

cultural kind of acclimation program

1261

00:59:16,080 --> 00:59:14,050

developing so this was you know with the

1262

00:59:20,040 --> 00:59:16,090

Air Force Defense Intelligence Agency

1263

00:59:23,490 --> 00:59:20,050

the NRO which as I mentioned earlier is

1264

00:59:25,910 --> 00:59:23,500

a separate program to what the Navy has

1265

00:59:29,220 --> 00:59:25,920

been doing in terms of its own

1266

00:59:31,440 --> 00:59:29,230

relationship with extraterrestrials and

1267

00:59:33,600 --> 00:59:31,450

in particular a Nordic human-looking

1268

00:59:37,830 --> 00:59:33,610

group so these are these are different

1269

00:59:40,860 --> 00:59:37,840

programs but but nevertheless you know I

1270

00:59:44,360 --> 00:59:40,870

think that the Air Force you know they

1271

00:59:47,660 --> 00:59:44,370

were able to get information from these

1272

00:59:50,670 --> 00:59:47,670

exchanges that help them with their

1273

00:59:51,900 --> 00:59:50,680

program development it's amazing how the

1274

00:59:54,120 --> 00:59:51,910

right hand doesn't know what the left

1275

00:59:56,640 --> 00:59:54,130

hand is doing I mean with different

1276

01:00:00,330 --> 00:59:56,650

aliens or the Navy versus the Air Force

1277

01:00:02,790 --> 01:00:00,340

and I don't I'm I don't know I just

1278

01:00:04,830 --> 01:00:02,800

think you know with more cooperation the

1279

01:00:06,360 --> 01:00:04,840

the more likely you'll the further

1280

01:00:08,250 --> 01:00:06,370

you'll get an understanding and

1281

01:00:10,020 --> 01:00:08,260

development so I I don't understand

1282

01:00:12,270 --> 01:00:10,030

their division I mean is are they that

1283

01:00:14,730 --> 01:00:12,280

prideful like Air Force Navy you know I

1284

01:00:16,680 --> 01:00:14,740

know how they get in the you know who's

1285

01:00:20,130 --> 01:00:16,690

better than the other but yeah that's

1286

01:00:23,790 --> 01:00:20,140

just a little that's right but you know

1287

01:00:25,140 --> 01:00:23,800

when it when it comes to and you were

1288

01:00:28,470 --> 01:00:25,150

speaking about Leslie Stevens earlier

1289

01:00:30,960 --> 01:00:28,480

and and he also developed

1290

01:00:34,710 --> 01:00:30,970

my favorite television sci-fi series

1291

01:00:36,720 --> 01:00:34,720

Battlestar Galactica Why What

1292

01:00:39,950 --> 01:00:36,730

why do you believe that that was an

1293

01:00:43,970 --> 01:00:39,960

example of soft disclosure to an extent

1294

01:00:47,910 --> 01:00:43,980

well you know that Battlestar Galactica

1295

01:00:52,560 --> 01:00:47,920

the pilot episode 4 that was actually

1296

01:00:55,920 --> 01:00:52,570

written by Glenn LA are by Leslie

1297

01:01:00,089 --> 01:00:55,930

Stevens and he helped Glenn Larson's

1298

01:01:03,390 --> 01:01:00,099

who is attributed as the creator of the

1299

01:01:06,000 --> 01:01:03,400

Battlestar Galactica series but in fact

1300

01:01:09,030 --> 01:01:06,010

the person who gave him the information

1301

01:01:11,960 --> 01:01:09,040

and the insights into this series was

1302

01:01:15,839 --> 01:01:11,970

again Leslie Stevens the same guy that

1303

01:01:19,680 --> 01:01:15,849

that basically gave Gene Roddenberry the

1304

01:01:22,650 --> 01:01:19,690

information about Star Trek now he gave

1305

01:01:26,430 --> 01:01:22,660

Leslie Stevens gave Glenn Larson's this

1306

01:01:29,370 --> 01:01:26,440

information I think it was in the 70s

1307

01:01:32,520 --> 01:01:29,380

early 80s you know for the original

1308

01:01:38,780 --> 01:01:32,530

Battlestar Galactica series because at

1309

01:01:40,680 --> 01:01:38,790

that time the you have learned danger of

1310

01:01:45,120 --> 01:01:40,690

your intelligence

1311

01:01:48,020 --> 01:01:45,130

was for developing civilizations that by

1312

01:01:50,700 --> 01:01:48,030

the time the Navy had learned from their

1313

01:01:52,020 --> 01:01:50,710

relationship with these human King

1314

01:01:54,150 --> 01:01:52,030

extraterrestrials that artificial

1315

01:01:58,230 --> 01:01:54,160

intelligence was a really big problem

1316

01:02:00,359 --> 01:01:58,240

throughout the galaxy that civilizations

1317

01:02:03,210 --> 01:02:00,369

that went down the path of developing

1318

01:02:06,390 --> 01:02:03,220

artificial intelligence eventually reach

1319

01:02:09,089 --> 01:02:06,400

a point where if they're not careful the

1320

01:02:11,520 --> 01:02:09,099

artificial intelligence turns on them

1321

01:02:13,440 --> 01:02:11,530

just as it did in these in the

1322

01:02:16,829 --> 01:02:13,450

Battlestar Galactica series and

1323

01:02:19,500 --> 01:02:16,839

especially in the reboot where where you

1324

01:02:23,940 --> 01:02:19,510

actually have this synthetic looking

1325

01:02:25,829 --> 01:02:23,950

human which is an AI that that you're

1326

01:02:27,450 --> 01:02:25,839

listening to love advice with Leanne

1327

01:02:29,609 --> 01:02:27,460

caller you're on the air

1328

01:02:32,370 --> 01:02:29,619

hi Leanne longtime listener first-time

1329

01:02:34,740 --> 01:02:32,380

caller why in your professional opinion

1330

01:02:38,099 --> 01:02:34,750

do you never take my calls off the air

1331

01:02:39,270 --> 01:02:38,109

is this Carl yep it's Carl I mean we had

1332

01:02:41,819 --> 01:02:39,280

a few dates everything was great I

1333

01:02:44,459 --> 01:02:41,829

thought well you know

1334

01:02:46,049 --> 01:02:44,469

when you switch to Geico you could save

1335

01:02:48,900 --> 01:02:46,059

a lot of money on car insurance

1336

01:02:51,329 --> 01:02:48,910

okay awesome you should call them I will

1337

01:02:53,130 --> 01:02:51,339

Geico because saving 15% or more on car

1338

01:02:56,519 --> 01:02:53,140

insurance is always a great answer

1339

01:03:00,089 --> 01:02:56,529

actually is something that has happened

1340

01:03:02,009 --> 01:03:00,099

again and again in our galaxy so so

1341

01:03:05,939 --> 01:03:02,019

Battlestar Galactica was really this

1342

01:03:08,219 --> 01:03:05,949

this warning and and why you know and

1343

01:03:12,029 --> 01:03:08,229

one of the things to keep in mind about

1344

01:03:14,219 --> 01:03:12,039

Battlestar Galactica was that it of all

1345

01:03:17,279 --> 01:03:14,229

the science fiction shows it is the only

1346

01:03:21,019 --> 01:03:17,289

one where I believe it was in either

1347

01:03:24,630 --> 01:03:21,029

2009 or 2010 I don't have the exact day

1348

01:03:28,199 --> 01:03:24,640

but that Battlestar Galactica the cast

1349

01:03:31,739 --> 01:03:28,209

and the producers of the series were

1350

01:03:35,689 --> 01:03:31,749

invited to the United Nations New York

1351

01:03:39,120 --> 01:03:35,699

headquarters to give a seminar on on how

1352

01:03:43,309 --> 01:03:39,130

on the insights that Battlestar

1353

01:03:49,759 --> 01:03:43,319

Galactica provides on interspecies

1354

01:03:55,919 --> 01:03:52,979

that's right it's low why why would the

1355

01:04:00,359 --> 01:03:55,929

United Nations invite the cast and

1356

01:04:04,169 --> 01:04:00,369

producers of this sci-fi show to give a

1357

01:04:08,279 --> 01:04:04,179

talk to to the United Nations on you

1358

01:04:16,380 --> 01:04:08,289

know lessons the clothes must have been

1359

01:04:18,419 --> 01:04:16,390

furious I'm just kidding but I you know

1360

01:04:20,849 --> 01:04:18,429

if and if people haven't seen Battlestar

1361

01:04:23,309 --> 01:04:20,859

Galactica I love the reboot especially I

1362

01:04:25,169 --> 01:04:23,319

mean it is worth binge watching even the

1363

01:04:28,079 --> 01:04:25,179

old one I mean there's two different

1364

01:04:31,380 --> 01:04:28,089

ones out there so i alright that's wild

1365

01:04:32,729 --> 01:04:31,390

that is wild you know I wanted it to is

1366

01:04:34,559 --> 01:04:32,739

we don't have a whole heck of a lot of

1367

01:04:35,880 --> 01:04:34,569

time I could tell I told you in the

1368

01:04:37,999 --> 01:04:35,890

break I could talk to you forever

1369

01:04:41,309 --> 01:04:38,009

because there's so much to discuss and

1370

01:04:45,239 --> 01:04:41,319

so much wiggle room our government has

1371

01:04:47,309 --> 01:04:45,249

and hiding things you know you you feel

1372

01:04:50,789 --> 01:04:47,319

that the Navy

1373

01:04:52,359 --> 01:04:50,799

it supports full disclosure why do you

1374

01:04:53,890 --> 01:04:52,369

feel that and

1375

01:04:56,200 --> 01:04:53,900

what role do you think that Trump may

1376

01:04:57,670 --> 01:04:56,210

have in this I mean he's got a whole

1377

01:04:59,739 --> 01:04:57,680

different approach out there in the

1378

01:05:04,749 --> 01:04:59,749

world I mean I hope he takes a strong

1379

01:05:07,470 --> 01:05:04,759

step in the direction of disclosure well

1380

01:05:10,720 --> 01:05:07,480

you know the thing is that the Navy

1381

01:05:12,519 --> 01:05:10,730

institutionally regards itself as kind

1382

01:05:15,400 --> 01:05:12,529

of like the defenders of the Republic

1383

01:05:17,440 --> 01:05:15,410

you know it goes back to you know John

1384

01:05:19,450 --> 01:05:17,450

Paul Jones and you know the American

1385

01:05:22,620 --> 01:05:19,460

Revolution the Navy's history goes all

1386

01:05:26,650 --> 01:05:22,630

the way plaid so this is way before

1387

01:05:29,499 --> 01:05:26,660

corporations began to you know develop

1388

01:05:32,289 --> 01:05:29,509

and get a lot of influence over the US

1389

01:05:35,349 --> 01:05:32,299

political system and and the Navy in

1390

01:05:38,920 --> 01:05:35,359

particular is is very concerned about

1391

01:05:41,920 --> 01:05:38,930

the growing power of the Econo of

1392

01:05:45,579 --> 01:05:41,930

corporations in controlling the American

1393

01:05:48,640 --> 01:05:45,589

political system and the media and and

1394

01:05:51,299 --> 01:05:48,650

how corporations really have created

1395

01:05:54,970 --> 01:05:51,309

this kind of military-industrial complex

1396

01:05:56,529 --> 01:05:54,980

that now politicians are really at the

1397

01:05:59,680 --> 01:05:56,539

beck and call of these major

1398

01:06:01,930 --> 01:05:59,690

corporations and that and who controls

1399

01:06:04,299 --> 01:06:01,940

the corporations it's the the deep spade

1400

01:06:06,400 --> 01:06:04,309

the kind of you know the ruling blood

1401

01:06:10,599 --> 01:06:06,410

thirteen bloodline families the

1402

01:06:12,640 --> 01:06:10,609

Illuminati and so the Navy he has been

1403

01:06:15,160 --> 01:06:12,650

watching all of this and so they are

1404

01:06:17,890 --> 01:06:15,170

very opposed to it and so they've been

1405

01:06:20,529 --> 01:06:17,900

from the very beginning encouraging

1406

01:06:22,749 --> 01:06:20,539

people you know encouraging the

1407

01:06:24,400 --> 01:06:22,759

disclosure of this information and you

1408

01:06:27,460 --> 01:06:24,410

don't have to go too far back you can

1409

01:06:29,140 --> 01:06:27,470

see that you know some of the the people

1410

01:06:33,729 --> 01:06:29,150

that were most in favor of disclosure

1411

01:06:36,309 --> 01:06:33,739

were people like James Forrestal who was

1412

01:06:39,099 --> 01:06:36,319

the Secretary of Defense Admiral Roscoe

1413

01:06:41,259 --> 01:06:39,109

Hill and Carter who was the director of

1414

01:06:43,420 --> 01:06:41,269

the Central Intelligence and you know he

1415

01:06:45,599 --> 01:06:43,430

became one of the board members of the

1416

01:06:47,859 --> 01:06:45,609

board of directors of the National

1417

01:06:50,950 --> 01:06:47,869

investigations community for aerial

1418

01:06:53,259 --> 01:06:50,960

phenomenon John F Kennedy was a Navy guy

1419

01:06:55,150 --> 01:06:53,269

you know you just go through a long line

1420

01:06:57,279 --> 01:06:55,160

of people who've been getting trying to

1421

01:06:59,829 --> 01:06:57,289

get this information out and it all

1422

01:07:02,319 --> 01:06:59,839

comes back to the Navy so the Navy are

1423

01:07:04,980 --> 01:07:02,329

behind William Tompkins are they're

1424

01:07:10,840 --> 01:07:08,140

Corie good behind a number of other

1425

01:07:12,700 --> 01:07:10,850

whistleblowers who are wanting to come

1426

01:07:16,000 --> 01:07:12,710

out with this information so definitely

1427

01:07:18,790 --> 01:07:16,010

the Navy has always been along with the

1428

01:07:20,620 --> 01:07:18,800

Marines the US Marine Corps are also but

1429

01:07:23,560 --> 01:07:20,630

they're part of the Navy Department of

1430

01:07:25,420 --> 01:07:23,570

Navy include includes the Navy service

1431

01:07:27,550 --> 01:07:25,430

and the Marine Corps service so the

1432

01:07:30,550 --> 01:07:27,560

Department of the Navy of all of the

1433

01:07:33,180 --> 01:07:30,560

militaries this has always been the ones

1434

01:07:37,120 --> 01:07:33,190

that have been pushing the disclosure

1435

01:07:40,080 --> 01:07:37,130

issue both more strongly than anyone

1436

01:07:42,220 --> 01:07:40,090

else and the Air Force is the

1437

01:07:44,320 --> 01:07:42,230

institution which as you know

1438

01:07:47,260 --> 01:07:44,330

unfortunately been the one that has been

1439

01:07:49,420 --> 01:07:47,270

most compromised by the corporations and

1440

01:07:54,910 --> 01:07:49,430

by this more kind of a regressive

1441

01:07:57,700 --> 01:07:54,920

extraterrestrial affection so if if

1442

01:07:59,710 --> 01:07:57,710

they're in support of disclosure then

1443

01:08:01,810 --> 01:07:59,720

why the mylabs why the military

1444

01:08:03,340 --> 01:08:01,820

abductions what what are they trying to

1445

01:08:06,610 --> 01:08:03,350

accomplish with that and who's doing

1446

01:08:08,680 --> 01:08:06,620

that then well you know if you look at

1447

01:08:14,140 --> 01:08:08,690

if you look at the descriptions of the

1448

01:08:17,740 --> 01:08:14,150

mylabs you'll find that most of them you

1449

01:08:20,579 --> 01:08:17,750

know where people see Air Force officers

1450

01:08:24,610 --> 01:08:20,589

or they're taken to Air Force facilities

1451

01:08:27,760 --> 01:08:24,620

so you know I struggles to think of any

1452

01:08:31,120 --> 01:08:27,770

kind of abductee that talks about an

1453

01:08:33,579 --> 01:08:31,130

abduction involving the Navy typically

1454

01:08:36,460 --> 01:08:33,589

it's always involving Air Force because

1455

01:08:39,670 --> 01:08:36,470

the Air Force does work with these kind

1456

01:08:41,620 --> 01:08:39,680

of extraterrestrial groups that are more

1457

01:08:45,160 --> 01:08:41,630

into control and manipulating the

1458

01:08:49,300 --> 01:08:45,170

population doing kind of regressive mind

1459

01:08:52,349 --> 01:08:49,310

control and genetic experiments and so

1460

01:08:57,099 --> 01:08:52,359

forth that the these are by and large

1461

01:09:03,760 --> 01:08:57,109

Air Force Air Force collusion in these

1462

01:09:06,460 --> 01:09:03,770

my labs see it's it's sad that that our

1463

01:09:08,770 --> 01:09:06,470

own people are allowing for this this

1464

01:09:11,230 --> 01:09:08,780

type of infiltration and abduction and

1465

01:09:14,650 --> 01:09:11,240

mutilation of their own people their own

1466

01:09:17,470 --> 01:09:14,660

kind I mean it's is it really worth you

1467

01:09:19,660 --> 01:09:17,480

know even a single life to be disrupted

1468

01:09:23,200 --> 01:09:19,670

to get a shiny new ship I mean that's

1469

01:09:25,809 --> 01:09:23,210

that's just I don't get it and I don't

1470

01:09:28,840 --> 01:09:25,819

know it's it's just it's it's horrible I

1471

01:09:33,460 --> 01:09:28,850

would hope that you know what these more

1472

01:09:35,440 --> 01:09:33,470

positive beings see in us of being a so

1473

01:09:36,940 --> 01:09:35,450

having so much potential I hope that it

1474

01:09:38,470 --> 01:09:36,950

comes through at some freaking time

1475

01:09:41,700 --> 01:09:38,480

because it sure has taken a heck of a

1476

01:09:44,019 --> 01:09:41,710

lot of time to get to the point of

1477

01:09:45,729 --> 01:09:44,029

others stepping forward and saying yeah

1478

01:09:48,309 --> 01:09:45,739

this is real this is happening it's like

1479

01:09:50,650 --> 01:09:48,319

okay then you know let's take the next

1480

01:09:53,170 --> 01:09:50,660

step let's let's be friends with the

1481

01:09:56,260 --> 01:09:53,180

universe let's let's all work towards

1482

01:09:58,960 --> 01:09:56,270

you know that's really kumbaya moment

1483

01:10:01,510 --> 01:09:58,970

already I just it just feels like it's

1484

01:10:03,430 --> 01:10:01,520

taking so long I I don't know whether

1485

01:10:06,070 --> 01:10:03,440

this is supposed to happen but I hope

1486

01:10:07,600 --> 01:10:06,080

it's within my lifetime I mean is there

1487

01:10:11,560 --> 01:10:07,610

light at the end of the tunnel with the

1488

01:10:12,850 --> 01:10:11,570

disclosure some official level well

1489

01:10:14,560 --> 01:10:12,860

definitely you know like what you're

1490

01:10:16,690 --> 01:10:14,570

doing now with your radio show

1491

01:10:19,450 --> 01:10:16,700

you know the Outlander and so many

1492

01:10:20,920 --> 01:10:19,460

similar shows where people are getting

1493

01:10:22,120 --> 01:10:20,930

this information out there you know

1494

01:10:25,060 --> 01:10:22,130

you've got to think about it that it's

1495

01:10:26,920 --> 01:10:25,070

only been you know 10 years or less that

1496

01:10:29,830 --> 01:10:26,930

we've had it actually had an alternative

1497

01:10:31,810 --> 01:10:29,840

media where the Internet has grown to

1498

01:10:33,520 --> 01:10:31,820

the point where you know people can set

1499

01:10:35,740 --> 01:10:33,530

up their podcasts and set up their

1500

01:10:38,650 --> 01:10:35,750

YouTube channels and you know set up

1501
01:10:40,690 --> 01:10:38,660
blog sites and make an income and kind

1502
01:10:44,050 --> 01:10:40,700
of like get the message out and now the

1503
01:10:46,600 --> 01:10:44,060
alternative media is just continuing to

1504
01:10:48,550 --> 01:10:46,610
grow it's it's and and I think that as

1505
01:10:51,970 --> 01:10:48,560
the alternative media continues to grow

1506
01:10:54,040 --> 01:10:51,980
more and more people get information by

1507
01:10:56,590 --> 01:10:54,050
listening to your show than so many

1508
01:10:58,540 --> 01:10:56,600
hundreds of other kind of shows that are

1509
01:11:01,150 --> 01:10:58,550
kind of doing this kind of work in

1510
01:11:03,400 --> 01:11:01,160
getting these alternative this

1511
01:11:05,530 --> 01:11:03,410
alternative information out there and

1512
01:11:06,940 --> 01:11:05,540
you know I think that that's going to

1513
01:11:10,210 --> 01:11:06,950

grow you know I mean we know now for

1514

01:11:13,000 --> 01:11:10,220

example you know Alex Jones infowars.com

1515

01:11:16,270 --> 01:11:13,010

you know that's you know that's become

1516

01:11:17,979 --> 01:11:16,280

this kind of 800-pound gorilla now you

1517

01:11:20,229 --> 01:11:17,989

know the the kind of mainstream media

1518

01:11:22,720 --> 01:11:20,239

are all running scared of Alex Jones

1519

01:11:24,790 --> 01:11:22,730

well eventually um you know a lot of

1520

01:11:26,860 --> 01:11:24,800

shows like yours and many others coast

1521

01:11:29,830 --> 01:11:26,870

to coast am you know they're going to

1522

01:11:31,360 --> 01:11:29,840

become eight 800-pound gorillas and the

1523

01:11:33,580 --> 01:11:31,370

mainstream media be

1524

01:11:36,160 --> 01:11:33,590

he's scared of you know what what you're

1525

01:11:41,740 --> 01:11:36,170

covering in your show next week and

1526

01:11:44,500 --> 01:11:41,750

safety fingers crossed that's the

1527

01:11:46,330 --> 01:11:44,510

direction and I think I don't think

1528

01:11:48,640 --> 01:11:46,340

it'll take ten years I think it'll it'll

1529

01:11:51,030 --> 01:11:48,650

be a lot less than that because you know

1530

01:11:53,590 --> 01:11:51,040

that's where the people are going people

1531

01:11:55,630 --> 01:11:53,600

by and large are deserting the

1532

01:11:57,760 --> 01:11:55,640

mainstream media and they're getting

1533

01:11:59,950 --> 01:11:57,770

their news for what's really happening

1534

01:12:02,590 --> 01:11:59,960

out there from the mainstream from the

1535

01:12:04,630 --> 01:12:02,600

alternative media and you know that

1536

01:12:07,600 --> 01:12:04,640

means that eventually they're gonna find

1537

01:12:10,300 --> 01:12:07,610

their way to shows like yours yeah you

1538

01:12:14,560 --> 01:12:10,310

know it is you know things are growing

1539

01:12:15,970 --> 01:12:14,570

with this entire network this show gets

1540

01:12:17,710 --> 01:12:15,980

about five hundred fifty thousand

1541

01:12:20,800 --> 01:12:17,720

listeners other one I do on Tuesdays

1542

01:12:24,700 --> 01:12:20,810

about 900 thousand I mean it people are

1543

01:12:27,430 --> 01:12:24,710

looking for alternative access to what's

1544

01:12:29,290 --> 01:12:27,440

really going on but we do have those

1545

01:12:31,660 --> 01:12:29,300

folks that are like okay you told us a

1546

01:12:33,790 --> 01:12:31,670

cool story but where's the proof where's

1547

01:12:36,490 --> 01:12:33,800

the evidence who is this Hopkins guy you

1548

01:12:38,560 --> 01:12:36,500

know how how can we hand that to the

1549

01:12:42,420 --> 01:12:38,570

folks for them to really allow it to

1550

01:12:45,100 --> 01:12:42,430

sink in their heads this is real people

1551

01:12:47,470 --> 01:12:45,110

well you know in in the book the Navy

1552

01:12:50,230 --> 01:12:47,480

secret space program book are having a

1553

01:12:53,110 --> 01:12:50,240

lot of documents in there you know

1554

01:12:55,180 --> 01:12:53,120

either from William Tompkins or from the

1555

01:12:59,050 --> 01:12:55,190

the National Archives Freedom of

1556

01:13:01,180 --> 01:12:59,060

Information Act and I thought maybe

1557

01:13:04,120 --> 01:13:01,190

personnel that corroborate what William

1558

01:13:06,040 --> 01:13:04,130

Thomas is said so you know people that

1559

01:13:08,190 --> 01:13:06,050

are that want that kind of hard evidence

1560

01:13:10,690 --> 01:13:08,200

that documentary evidence and that

1561

01:13:12,790 --> 01:13:10,700

corroborating kind of witness testimony

1562

01:13:17,430 --> 01:13:12,800

it's bad elbow

1563

01:13:20,170 --> 01:13:17,440

so yeah bill Tompkins he's really very

1564

01:13:22,480 --> 01:13:20,180

helpful because you know he's got the

1565

01:13:25,090 --> 01:13:22,490

institutional history or he knows about

1566

01:13:27,820 --> 01:13:25,100

what institutions what companies what

1567

01:13:29,590 --> 01:13:27,830

Navy programs have been involved in this

1568

01:13:31,900 --> 01:13:29,600

going all the way back to the Second

1569

01:13:33,640 --> 01:13:31,910

World War so yeah he's a great asset and

1570

01:13:35,230 --> 01:13:33,650

there are many others like him and you

1571

01:13:38,290 --> 01:13:35,240

know and I think as more and more people

1572

01:13:40,630 --> 01:13:38,300

come forward who have these are kind of

1573

01:13:42,610 --> 01:13:40,640

long associations with the military or

1574

01:13:45,160 --> 01:13:42,620

corporations and share their information

1575

01:13:47,110 --> 01:13:45,170

and share whatever documents they have

1576

01:13:49,120 --> 01:13:47,120

then you know I think you know we're

1577

01:13:52,330 --> 01:13:49,130

gonna reach a tipping point where people

1578

01:13:53,680 --> 01:13:52,340

are going to start taking the what

1579

01:13:56,020 --> 01:13:53,690

they're already taking this subject

1580

01:13:57,760 --> 01:13:56,030

seriously but I think it'll just help a

1581

01:13:59,530 --> 01:13:57,770

lot of others that are kind of more nuts

1582

01:14:02,250 --> 01:13:59,540

and bolts to kind of like get their

1583

01:14:05,500 --> 01:14:02,260

attention that yeah this is very real

1584

01:14:08,200 --> 01:14:05,510

amazing well I I'm hoping that it really

1585

01:14:10,090 --> 01:14:08,210

sinks into people's heads I'm I mean all

1586

01:14:12,490 --> 01:14:10,100

we can do is put it out there and let

1587

01:14:16,209 --> 01:14:12,500

them filter through it and cross our

1588

01:14:19,600 --> 01:14:16,219

fingers what have you personally had any

1589

01:14:22,030 --> 01:14:19,610

issues happened to you because you have

1590

01:14:26,490 --> 01:14:22,040

touched on some pretty touchy yeah

1591

01:14:29,470 --> 01:14:26,500

topics well I haven't had anything

1592

01:14:31,930 --> 01:14:29,480

directly happened to me that you know

1593

01:14:35,320 --> 01:14:31,940

explains why I'm doing this research you

1594

01:14:37,060 --> 01:14:35,330

know to me it was like in 2001 I just

1595

01:14:39,459 --> 01:14:37,070

had you know my alarm went off it was

1596

01:14:41,590 --> 01:14:39,469

just like at the time I was an assistant

1597

01:14:46,360 --> 01:14:41,600

professor in the School of International

1598

01:14:48,250 --> 01:14:46,370

Service at American University and I I

1599

01:14:51,880 --> 01:14:48,260

heard the disclosure project press

1600

01:14:54,729 --> 01:14:51,890

conference video that Steven Greer had

1601

01:14:57,250 --> 01:14:54,739

put together and I listened to that and

1602

01:15:00,430 --> 01:14:57,260

and I swear it was like I listened to

1603

01:15:02,560 --> 01:15:00,440

these 21 witnesses and everything that

1604

01:15:04,510 --> 01:15:02,570

they said just resonated it's true I

1605

01:15:06,970 --> 01:15:04,520

just like I knew these people were

1606

01:15:09,610 --> 01:15:06,980

telling the truth and my life was

1607

01:15:11,709 --> 01:15:09,620

changed after watching that one video so

1608

01:15:16,150 --> 01:15:11,719

you know I think it was just you know

1609

01:15:18,760 --> 01:15:16,160

just that was my time I was ready I just

1610

01:15:21,280 --> 01:15:18,770

needed to have someone sound the bell

1611

01:15:23,439 --> 01:15:21,290

and you know Steven Greer did that with

1612

01:15:26,229 --> 01:15:23,449

those witnesses that he could put

1613

01:15:30,070 --> 01:15:26,239

together and I've been researching it

1614

01:15:33,490 --> 01:15:30,080

ever since and really have been enjoying

1615

01:15:37,689 --> 01:15:33,500

this journey it is a it is a big rabbit

1616

01:15:40,810 --> 01:15:37,699

hole and it's still winding down into

1617

01:15:42,790 --> 01:15:40,820

these kind of winding dark corridors but

1618

01:15:44,530 --> 01:15:42,800

I'm enjoying it every step of the way I

1619

01:15:47,410 --> 01:15:44,540

feel as though I'm getting more and more

1620

01:15:49,270 --> 01:15:47,420

the truth of what's really going on it

1621

01:15:52,390 --> 01:15:49,280

sounds like you're really having fun

1622

01:15:58,720 --> 01:15:52,400

I mean it's deep it's serious but it is

1623

01:16:00,670 --> 01:15:58,730

delicious isn't it it is it's delicious

1624

01:16:02,800 --> 01:16:00,680

and I'm not fine you know I've always

1625

01:16:05,320 --> 01:16:02,810

loved puzzles you know one of the things

1626

01:16:07,810 --> 01:16:05,330

I remember when I was a kid I just loved

1627

01:16:09,520 --> 01:16:07,820

puzzles and this is the puzzle the

1628

01:16:12,310 --> 01:16:09,530

beetle puzzle this is the mother of all

1629

01:16:14,590 --> 01:16:12,320

puzzles this one you know I I dig I dig

1630

01:16:17,470 --> 01:16:14,600

it I'm a puzzle person too and I've got

1631

01:16:19,660 --> 01:16:17,480

a crazy habit of buying weird Rubik's

1632

01:16:23,290 --> 01:16:19,670

cubes and I can't solve not one of them

1633

01:16:28,930 --> 01:16:23,300

I think I just like to torture myself

1634

01:16:31,570 --> 01:16:28,940

but anyways I'm not kidding I do but if

1635

01:16:33,280 --> 01:16:31,580

there is one thing or a couple of things

1636

01:16:36,550 --> 01:16:33,290

that you would like people to take away

1637

01:16:38,820 --> 01:16:36,560

from what it is you're presenting what

1638

01:16:42,670 --> 01:16:38,830

would it be

1639

01:16:45,340 --> 01:16:42,680

I'll think it's always important to try

1640

01:16:47,710 --> 01:16:45,350

and find a balance in terms of like you

1641

01:16:49,420 --> 01:16:47,720

know gang down that rabbit hole you know

1642

01:16:52,210 --> 01:16:49,430

finding out what's going on in there

1643

01:16:57,580 --> 01:16:52,220

which projects going on and but to also

1644

01:16:59,860 --> 01:16:57,590

develop some kind of meditation practice

1645

01:17:03,340 --> 01:16:59,870

some prayer practice so that you can

1646

01:17:05,080 --> 01:17:03,350

connect to this kind of consciousness

1647

01:17:08,010 --> 01:17:05,090

field around us because I think that's

1648

01:17:10,390 --> 01:17:08,020

the key you know the more we're able to

1649

01:17:13,810 --> 01:17:10,400

connect with this consciousness field

1650

01:17:17,170 --> 01:17:13,820

the more were able to empathically feel

1651

01:17:19,810 --> 01:17:17,180

another person just connect with them

1652

01:17:23,110 --> 01:17:19,820

empathically but better able we're going

1653

01:17:25,090 --> 01:17:23,120

to be in terms of understanding the big

1654

01:17:27,880 --> 01:17:25,100

puzzle the big picture of what's going

1655

01:17:30,430 --> 01:17:27,890

on and then when it comes to you know

1656

01:17:34,690 --> 01:17:30,440

dealing with extraterrestrials I think

1657

01:17:36,040 --> 01:17:34,700

we are going to be able to deal with

1658

01:17:38,050 --> 01:17:36,050

them as equals because you know

1659

01:17:40,140 --> 01:17:38,060

essentially you know to me it's like you

1660

01:17:42,460 --> 01:17:40,150

know we got home ground advantage

1661

01:17:43,660 --> 01:17:42,470

because in terms of dealing with extra

1662

01:17:46,900 --> 01:17:43,670

trestles we got home ground advantage

1663

01:17:49,390 --> 01:17:46,910

because Gaia this planet is a living

1664

01:17:51,730 --> 01:17:49,400

breathing entity and we can empathically

1665

01:17:53,020 --> 01:17:51,740

connect with her much more deeply and

1666

01:17:56,170 --> 01:17:53,030

much more powerfully than any

1667

01:17:58,750 --> 01:17:56,180

extraterrestrial visitors so when we

1668

01:18:00,820 --> 01:17:58,760

connect with Gaia we are able to tap

1669

01:18:02,890 --> 01:18:00,830

into our home ground advantage and we

1670

01:18:04,720 --> 01:18:02,900

can deal with the extraterrestrials not

1671

01:18:06,790 --> 01:18:04,730

just as equals but as actually

1672

01:18:08,590 --> 01:18:06,800

spokespersons for the planet and say

1673

01:18:10,480 --> 01:18:08,600

what are you guys doing here

1674

01:18:12,820 --> 01:18:10,490

are you helping humanity are you helping

1675

01:18:14,800 --> 01:18:12,830

the planet and you know if maybe we

1676

01:18:16,240 --> 01:18:14,810

we write them but if you don't have that

1677

01:18:17,500 --> 01:18:16,250

connection to the planet you're just

1678

01:18:21,400 --> 01:18:17,510

kind of like you know you'll like this

1679

01:18:23,680 --> 01:18:21,410

leaf in the breeze you know the new with

1680

01:18:25,900 --> 01:18:23,690

these beings that kind of come in with

1681

01:18:28,720 --> 01:18:25,910

their shining starships and you know

1682

01:18:30,400 --> 01:18:28,730

impressive mental telepathic abilities

1683

01:18:32,590 --> 01:18:30,410

you don't know but you know when you're

1684

01:18:34,680 --> 01:18:32,600

connected with the planet and you can

1685

01:18:38,050 --> 01:18:34,690

impassively connect with the other

1686

01:18:39,460 --> 01:18:38,060

people on this on this planet then you

1687

01:18:41,530 --> 01:18:39,470

know you're you you got home ground

1688

01:18:44,500 --> 01:18:41,540

advantage and you can go in there and

1689

01:18:45,850 --> 01:18:44,510

you can speak to them as an authority so

1690

01:18:48,490 --> 01:18:45,860

that's what I would encourage every

1691

01:18:53,080 --> 01:18:48,500

listener to do I like the way you think

1692

01:18:56,590 --> 01:18:53,090

I really feel that we will get there we

1693

01:19:01,240 --> 01:18:56,600

will we will reach that threshold of

1694

01:19:03,700 --> 01:19:01,250

being able to join what is it the the

1695

01:19:07,210 --> 01:19:03,710

Federation of Planets or whatever people

1696

01:19:09,790 --> 01:19:07,220

have these different names for it and to

1697

01:19:12,340 --> 01:19:09,800

evolve and to get it and to be kind to

1698

01:19:14,800 --> 01:19:12,350

one another and and hopefully our boys

1699

01:19:17,380 --> 01:19:14,810

out there in space who are going way way

1700

01:19:20,140 --> 01:19:17,390

out there aren't getting ourselves into

1701

01:19:21,820 --> 01:19:20,150

trouble are they like Star Trek Kirk

1702

01:19:24,610 --> 01:19:21,830

didn't always make the best decision

1703

01:19:26,620 --> 01:19:24,620

sometimes and he would get into battles

1704

01:19:30,700 --> 01:19:26,630

are they having anything like that going

1705

01:19:32,500 --> 01:19:30,710

on up there I'm curious oh yes there's

1706

01:19:34,990 --> 01:19:32,510

definitely a lot of that going on

1707

01:19:37,060 --> 01:19:35,000

there's a lot of kind of space battles

1708

01:19:39,730 --> 01:19:37,070

out there there's a lot of bad things

1709

01:19:41,530 --> 01:19:39,740

that are happening out there you know

1710

01:19:44,200 --> 01:19:41,540

but I think it's because you know these

1711

01:19:45,520 --> 01:19:44,210

people that are part of these programs a

1712

01:19:48,610 --> 01:19:45,530

lot of them are not very kind of

1713

01:19:51,220 --> 01:19:48,620

spiritual they're not very you know I'm

1714

01:19:53,890 --> 01:19:51,230

trying to be empathic and so you know we

1715

01:19:55,870 --> 01:19:53,900

are the ones that have to you know

1716

01:19:57,730 --> 01:19:55,880

getting the into the positions of

1717

01:20:00,340 --> 01:19:57,740

authority so that you know this kind of

1718

01:20:03,070 --> 01:20:00,350

more empathic is you know just be kind

1719

01:20:05,710 --> 01:20:03,080

and respectful and civil to one another

1720

01:20:07,930 --> 01:20:05,720

you know that kind of attitude that that

1721

01:20:09,970 --> 01:20:07,940

is what needs to percolate into these

1722

01:20:11,830 --> 01:20:09,980

secret space programs and into the

1723

01:20:15,340 --> 01:20:11,840

hierarchy and that and there comes when

1724

01:20:17,680 --> 01:20:15,350

people like you and your listeners that

1725

01:20:20,260 --> 01:20:17,690

you're able to kind of like have some

1726

01:20:22,090 --> 01:20:20,270

kind of authority and have a voice in

1727

01:20:23,410 --> 01:20:22,100

this sense and to do this we need to

1728

01:20:26,680 --> 01:20:23,420

have transparency we need to have

1729

01:20:28,930 --> 01:20:26,690

disclosure and then our value system can

1730

01:20:33,970 --> 01:20:28,940

you late into the way these secret space

1731

01:20:36,700 --> 01:20:33,980

programs operate yeah I'm hoping they

1732

01:20:38,770 --> 01:20:36,710

stop sending the butt heads out there

1733

01:20:42,100 --> 01:20:38,780

that will keep budding other people's or

1734

01:20:45,459 --> 01:20:42,110

other beings heads then make some

1735

01:20:48,070 --> 01:20:45,469

progress I want people to check out dr.

1736

01:20:50,580 --> 01:20:48,080

Salle's newest book US Navy's secret

1737

01:20:52,479 --> 01:20:50,590

space program and Nordic

1738

01:20:55,000 --> 01:20:52,489

extraterrestrial alliance that was

1739

01:20:59,470 --> 01:20:55,010

released in March his website exile

1740

01:21:01,810 --> 01:20:59,480

politics dot o-r-g you know this this

1741

01:21:03,580 --> 01:21:01,820

has been very insightful I have got to

1742

01:21:06,640 --> 01:21:03,590

have you back on there's so many more

1743

01:21:08,950 --> 01:21:06,650

questions to ask so much more to discuss

1744

01:21:11,200 --> 01:21:08,960

I cannot thank you enough for coming on

1745

01:21:14,680 --> 01:21:11,210

the show this evening this is a lot of

1746

01:21:16,780 --> 01:21:14,690

fun well thank you Heidi for inviting me

1747

01:21:19,630 --> 01:21:16,790

and thanks for all that you do to bring

1748

01:21:21,459 --> 01:21:19,640

this information out we are trying we

1749

01:21:24,490 --> 01:21:21,469

are so trying hold on the line for me

1750

01:21:27,240 --> 01:21:24,500

and I'm gonna close out the show oh my

1751

01:21:30,010 --> 01:21:27,250

goodness this this was a mouthful of

1752

01:21:33,060 --> 01:21:30,020

information that it's just honestly left

1753

01:21:36,520 --> 01:21:33,070

me kind of speechless at times it's like

1754

01:21:38,439 --> 01:21:36,530

my head is absolutely exploding um you

1755

01:21:40,240 --> 01:21:38,449

know you guys you could catch me here

1756

01:21:41,530 --> 01:21:40,250

every Friday a p.m. central 9 p.m.

1757

01:21:43,600 --> 01:21:41,540
