Supernatural Girlz

Guest: Dr. Chris Hardy

1
00:00:30,710 --> 00:00:28,700
archangels ghosts and Bigfoot oh my it's

2
00:00:33,890 --> 00:00:30,720
just another night for Supernatural

3
00:00:36,260 --> 00:00:33,900
girls real stories real answers to

4
00:00:38,630 --> 00:00:36,270
life's biggest supernatural mysteries

5
00:00:41,060 --> 00:00:38,640
and now for another exciting interview

6
00:00:44,270 --> 00:00:41,070
with paranormal experts in this world

7
00:00:51,060 --> 00:00:44,280
and here's your host paranormal

8
00:01:09,740 --> 00:01:06,969
[Music]

9
00:01:12,469 --> 00:01:09,750
welcome everyone to another exciting

10
00:01:14,870 --> 00:01:12,479
episode of Supernatural girls radio

11
00:01:19,039 --> 00:01:14,880
I'm your host Patricia Baker I'm here

12
00:01:22,819 --> 00:01:19,049
with my co-host pique from Tucson facing

13
00:01:24,950 --> 00:01:22,829

some storms tonight huh how are they

14

00:01:26,859 --> 00:01:24,960

tell us I'm doing great it's nicely

15

00:01:29,690 --> 00:01:26,869

being that pretty face of yours tonight

16

00:01:32,149 --> 00:01:29,700

same with you say with you it's always

17

00:01:33,889 --> 00:01:32,159

great to see you and again I'm so

18

00:01:35,929 --> 00:01:33,899

excited you're going to actually be here

19

00:01:38,300 --> 00:01:35,939

with me in a couple of years that's

20

00:01:40,730 --> 00:01:38,310

right it's going to be fun it's going to

21

00:01:42,830 --> 00:01:40,740

be a blast we are going to tear up town

22

00:01:44,449 --> 00:01:42,840

I'm telling you well I just want to know

23

00:01:46,910 --> 00:01:44,459

what's supernatural whatever's going to

24

00:01:49,160 --> 00:01:46,920

come and make himself known to us

25

00:01:52,490 --> 00:01:49,170

I mean we're double hitter after all I

26

00:01:53,779 --> 00:01:52,500

do it I I don't even know what's going

27

00:01:56,270 --> 00:01:53,789

to happen but it's going to be big

28

00:01:58,399 --> 00:01:56,280

whatever it is you saw the bear that

29

00:01:59,809 --> 00:01:58,409

came up the driveway I did I did I

30

00:02:02,120 --> 00:01:59,819

thought you were going to get a saddle

31

00:02:03,679 --> 00:02:02,130

so I could write it when I came out well

32

00:02:06,410 --> 00:02:03,689

you know it's funny just that we're back

33

00:02:08,150 --> 00:02:06,420

like you know right that's a good one he

34

00:02:10,069 --> 00:02:08,160

looked like he was smiling I've got to

35

00:02:13,370 --> 00:02:10,079

put it on her supernatural Girls website

36

00:02:14,900 --> 00:02:13,380

he was a very beautiful bear and I'm

37

00:02:18,229 --> 00:02:14,910

glad I didn't encounter him on the

38

00:02:19,720 --> 00:02:18,239

driveway so but lovely to look at from

39

00:02:22,370 --> 00:02:19,730

the camera

40

00:02:24,319 --> 00:02:22,380

I've always amazed some of the beautiful

41

00:02:26,750 --> 00:02:24,329

animals you have in your yard

42

00:02:28,759 --> 00:02:26,760

I just gorgeous yeah they are I feel

43

00:02:31,550 --> 00:02:28,769

very blessed to be here I can't imagine

44

00:02:34,370 --> 00:02:31,560

living in any city any more because it's

45

00:02:37,309 --> 00:02:34,380

like wonderful being one with nature

46

00:02:40,340 --> 00:02:37,319

with the animals it's just a beautiful

47

00:02:42,229 --> 00:02:40,350

beautiful way to live in my opinion and

48

00:02:44,750 --> 00:02:42,239

you are out in the desert which is my

49

00:02:47,930 --> 00:02:44,760

next favorite place to be well I have

50

00:02:49,729 --> 00:02:47,940

the Bobcats in the Coyotes you know that

51
00:02:53,050 --> 00:02:49,739
kind of thing but that's not quite as

52
00:02:54,920 --> 00:02:53,060
glamorous as your big black bear is

53
00:02:58,699 --> 00:02:54,930
that's for sure

54
00:03:00,770 --> 00:02:58,709
so we have a lot going on again we've

55
00:03:02,539 --> 00:03:00,780
got first of all terrific guests tonight

56
00:03:05,960 --> 00:03:02,549
that will bring on in a few minutes

57
00:03:08,900 --> 00:03:05,970
Chris Hardy dr. hardy is she's a genius

58
00:03:11,990 --> 00:03:08,910
let's face it now I didn't understand

59
00:03:14,059 --> 00:03:12,000
our past with the Annunaki 's and

60
00:03:16,220 --> 00:03:14,069
everything has come about from them but

61
00:03:17,809 --> 00:03:16,230
she understands where we're going and

62
00:03:20,899 --> 00:03:17,819
that's what we're going to be

63
00:03:23,629 --> 00:03:20,909

talking about tonight is wonderful stuff

64

00:03:25,849 --> 00:03:23,639

of what we can do how to expand our own

65

00:03:28,009 --> 00:03:25,859

consciousness how to tap into these

66

00:03:30,259 --> 00:03:28,019

teller fields she's going to be

67

00:03:32,059 --> 00:03:30,269

directing us on all of these things that

68

00:03:35,300 --> 00:03:32,069

we need to know because things are

69

00:03:38,420 --> 00:03:35,310

changing right now changing rapidly very

70

00:03:40,520 --> 00:03:38,430

quickly yes yes so tell me about the

71

00:03:42,080 --> 00:03:40,530

numbers what's happening well I thought

72

00:03:43,039 --> 00:03:42,090

we'd do something a little different

73

00:03:45,949 --> 00:03:43,049

about the numbers

74

00:03:47,569 --> 00:03:45,959

this month is about our finances of

75

00:03:49,750 --> 00:03:47,579

putting things in order everybody knows

76
00:03:52,580 --> 00:03:49,760
that because we've talked about it and

77
00:03:55,459 --> 00:03:52,590
today is a nine-day kind of ending old

78
00:03:57,110 --> 00:03:55,469
stuff tomorrow starts brand-new and I

79
00:03:59,929 --> 00:03:57,120
thought what brand new let's do

80
00:04:02,179 --> 00:03:59,939
something new because all this is going

81
00:04:05,809 --> 00:04:02,189
to be a review for every man woman and

82
00:04:08,479 --> 00:04:05,819
child of last year's issues and a lot of

83
00:04:10,399 --> 00:04:08,489
us stumbled through it we didn't make it

84
00:04:13,640 --> 00:04:10,409
through all the things the way we wanted

85
00:04:17,120 --> 00:04:13,650
so I thought I'd offer those that have

86
00:04:20,150 --> 00:04:17,130
questions send me their birth name and

87
00:04:23,029 --> 00:04:20,160
their birth date we'll take a look at it

88
00:04:25,640 --> 00:04:23,039

and if it's a quick topic we'll talk on

89

00:04:28,999 --> 00:04:25,650

and on the air without stating their

90

00:04:32,450 --> 00:04:29,009

name of course and if not I will be

91

00:04:35,180 --> 00:04:32,460

happy to set back a quick little info to

92

00:04:37,670 --> 00:04:35,190

them about what's going on that's so

93

00:04:40,159 --> 00:04:37,680

nice of you so yes so everybody if you'd

94

00:04:42,320 --> 00:04:40,169

like to send something to pique our

95

00:04:45,020 --> 00:04:42,330

email address is hotlinked on the

96

00:04:47,510 --> 00:04:45,030

supernatural girls homepage so you can

97

00:04:51,140 --> 00:04:47,520

go to supernatural girls with a Z comm

98

00:04:52,879 --> 00:04:51,150

and you will find PK and her address

99

00:04:55,010 --> 00:04:52,889

right there so you can just click on it

100

00:04:56,390 --> 00:04:55,020

and send her an email and ask for those

101
00:05:00,020 --> 00:04:56,400
questions because this is a big

102
00:05:02,540 --> 00:05:00,030
transition oh yeah yeah into August a

103
00:05:04,249 --> 00:05:02,550
big one we didn't get through everything

104
00:05:06,589 --> 00:05:04,259
we wanted to last year that's the

105
00:05:08,570 --> 00:05:06,599
problem and this gives everybody a

106
00:05:12,200 --> 00:05:08,580
chance to get a clean slate because come

107
00:05:14,180 --> 00:05:12,210
September it is a review of this year so

108
00:05:16,730 --> 00:05:14,190
let's get blessed your stuff sign you

109
00:05:19,399 --> 00:05:16,740
off the table that didn't we have you

110
00:05:20,870 --> 00:05:19,409
interesting couple of months yes that

111
00:05:23,990 --> 00:05:20,880
would be nice that has been a lot of

112
00:05:26,149 --> 00:05:24,000
earthquakes big ones yeah lately one in

113
00:05:29,000 --> 00:05:26,159

Russia almost eight on the Richter scale

114

00:05:31,320 --> 00:05:29,010

is that showing up in the numbers for

115

00:05:34,590 --> 00:05:31,330

August also more of this

116

00:05:36,570 --> 00:05:34,600

yes I'm afraid it does because that's a

117

00:05:38,280 --> 00:05:36,580

nine month and it's ending a lot of old

118

00:05:41,160 --> 00:05:38,290

things a lot of these things were

119

00:05:43,080 --> 00:05:41,170

bouncing around last year we had bits

120

00:05:46,290 --> 00:05:43,090

and pieces of it and we had some major

121

00:05:48,210 --> 00:05:46,300

issues last year but it's kind of I hate

122

00:05:51,300 --> 00:05:48,220

to say unfinished business

123

00:05:52,950 --> 00:05:51,310

prison we didn't pay attention we do

124

00:05:56,520 --> 00:05:52,960

need to make a difference in how we

125

00:05:59,250 --> 00:05:56,530

handle things and unfortunately too many

126

00:06:01,080 --> 00:05:59,260

of us have been taking shortcuts and the

127

00:06:04,140 --> 00:06:01,090

shortcuts about ready to bite us right

128

00:06:05,730 --> 00:06:04,150

now you know we're oh boy I know I know

129

00:06:08,820 --> 00:06:05,740

what you know and I can understand why

130

00:06:11,460 --> 00:06:08,830

people take shortcuts because time seems

131

00:06:14,850 --> 00:06:11,470

to be moving so rapidly maybe it's my

132

00:06:17,670 --> 00:06:14,860

imagination but I just I mean I turn

133

00:06:19,680 --> 00:06:17,680

around the week's over I know and like

134

00:06:21,330 --> 00:06:19,690

how did this happen and when I taught I

135

00:06:23,220 --> 00:06:21,340

thought maybe it's because we're older

136

00:06:25,590 --> 00:06:23,230

and we're experiencing time differently

137

00:06:27,990 --> 00:06:25,600

but when I talk to younger people they

138

00:06:31,200 --> 00:06:28,000

say the same thing yes so they're

139

00:06:34,590 --> 00:06:31,210

experiencing the same rapid onslaught of

140

00:06:36,480 --> 00:06:34,600

you know time so it just it feels very

141

00:06:40,770 --> 00:06:36,490

different than when we were young I

142

00:06:43,500 --> 00:06:40,780

don't know if the earth is traveling and

143

00:06:45,480 --> 00:06:43,510

that's access faster or what's happening

144

00:06:47,580 --> 00:06:45,490

but something with time is really

145

00:06:49,710 --> 00:06:47,590

critical here it's changing everything

146

00:06:51,090 --> 00:06:49,720

it is you know what almost feels like

147

00:06:53,670 --> 00:06:51,100

you don't want you ever twelve O'Clock

148

00:06:54,990 --> 00:06:53,680

too tight and after that point where it

149

00:06:58,410 --> 00:06:55,000

but doesn't budget and all of a sudden

150

00:07:00,690 --> 00:06:58,420

ago Jean is it yeah spiral value that's

151
00:07:03,990 --> 00:07:00,700
exact exactly that's exactly the feeling

152
00:07:08,990 --> 00:07:04,000
that I'm getting yeah again everybody

153
00:07:12,420 --> 00:07:09,000
feels off-key nothing feels in balance

154
00:07:14,280 --> 00:07:12,430
so it sounded like you just can't get a

155
00:07:17,100 --> 00:07:14,290
grip on anything like everything is

156
00:07:19,410 --> 00:07:17,110
moving so fast it's just you know you

157
00:07:23,040 --> 00:07:19,420
have all you can do to just keep up I

158
00:07:24,660 --> 00:07:23,050
can't keep up no and I can I refuse my

159
00:07:27,030 --> 00:07:24,670
Twitter because somebody else is master

160
00:07:28,860 --> 00:07:27,040
at that one so we will look but just let

161
00:07:30,840 --> 00:07:28,870
that part don't for the now that's a no

162
00:07:31,920 --> 00:07:30,850
let it go we're going to let it go well

163
00:07:34,440 --> 00:07:31,930

we've got a couple of interesting

164

00:07:38,460 --> 00:07:34,450

stories here and supernatural girls too

165

00:07:40,320 --> 00:07:38,470

and one of them you know of course

166

00:07:42,840 --> 00:07:40,330

everybody you know to go to our Facebook

167

00:07:44,820 --> 00:07:42,850

page because we post videos there we

168

00:07:45,180 --> 00:07:44,830

post all kinds of really cool stories

169

00:07:48,420 --> 00:07:45,190

there

170

00:07:50,940 --> 00:07:48,430

every single day and PK and I came

171

00:07:53,760 --> 00:07:50,950

across a couple of them now one it was

172

00:07:57,600 --> 00:07:53,770

about this mysterious first century

173

00:08:00,900 --> 00:07:57,610

cursed tablet yeah you know I like that

174

00:08:02,360 --> 00:08:00,910

yeah I don't think I want to open that

175

00:08:05,100 --> 00:08:02,370

thing how about you

176

00:08:08,850 --> 00:08:05,110

well I'm sure yosity you know women and

177

00:08:10,950 --> 00:08:08,860

curiosity how can you say but if you

178

00:08:14,550 --> 00:08:10,960

opened it in it was something really

179

00:08:16,620 --> 00:08:14,560

fabulous rb+ that's negative

180

00:08:19,710 --> 00:08:16,630

well we don't know we just know that

181

00:08:22,290 --> 00:08:19,720

it's a mysterious curse tablet found on

182

00:08:25,470 --> 00:08:22,300

the island of Jersey okay and apparently

183

00:08:27,420 --> 00:08:25,480

nobody wants to open this thing so I

184

00:08:30,510 --> 00:08:27,430

think we have to find some brave soul

185

00:08:32,399 --> 00:08:30,520

who's encase themself and lead and who

186

00:08:34,620 --> 00:08:32,409

will open it and then let the rest of us

187

00:08:37,170 --> 00:08:34,630

know what's in it but it is some type of

188

00:08:41,070 --> 00:08:37,180

a curse how did they decide it was

189

00:08:43,350 --> 00:08:41,080

cursed oh I don't know the answer to

190

00:08:47,640 --> 00:08:43,360

that question and as the part that had

191

00:08:49,290 --> 00:08:47,650

me going yeah is the assumption that it

192

00:08:51,410 --> 00:08:49,300

is cursed because of where it was

193

00:08:55,020 --> 00:08:51,420

founded because of the age of it and

194

00:08:58,530 --> 00:08:55,030

their superstitions or beliefs of the

195

00:09:00,810 --> 00:08:58,540

area or is it really something really

196

00:09:01,830 --> 00:09:00,820

fabulous that's going to give us a way

197

00:09:04,380 --> 00:09:01,840

to look at things

198

00:09:07,290 --> 00:09:04,390

yeah I don't know but I think somebody

199

00:09:08,940 --> 00:09:07,300

needs to really get courageous and do

200

00:09:11,190 --> 00:09:08,950

something with it and then tell us what

201
00:09:12,770 --> 00:09:11,200
it's that I think they need to check it

202
00:09:15,240 --> 00:09:12,780
out and call us that's all the really

203
00:09:18,750 --> 00:09:15,250
gonna get on the show and I'll say this

204
00:09:20,940 --> 00:09:18,760
is what happened well yeah right right

205
00:09:24,030 --> 00:09:20,950
and here's a puff of smoke yeah that's

206
00:09:27,900 --> 00:09:26,280
but that was an interesting story so

207
00:09:29,910 --> 00:09:27,910
I've got our license page you want to

208
00:09:31,680 --> 00:09:29,920
read more about it go to our Facebook

209
00:09:35,460 --> 00:09:31,690
supernatural girls page and then the

210
00:09:39,440 --> 00:09:35,470
other thing is there is a video a silver

211
00:09:42,360 --> 00:09:39,450
UFO filmed flying over Leeds in the UK

212
00:09:44,100 --> 00:09:42,370
now we were talking about this before we

213
00:09:46,410 --> 00:09:44,110

got on the air tonight what's so nice

214

00:09:49,500 --> 00:09:46,420

about this video is somebody shot it

215

00:09:51,390 --> 00:09:49,510

very well so it's a clear video and

216

00:09:53,820 --> 00:09:51,400

there's no screaming and yelling

217

00:09:55,560 --> 00:09:53,830

hysterically in the background which was

218

00:09:58,800 --> 00:09:55,570

a relief because I'm kind of tired of

219

00:09:59,340 --> 00:09:58,810

that aren't you definitely it was great

220

00:10:02,700 --> 00:09:59,350

just

221

00:10:04,590 --> 00:10:02,710

see this is a silver object that it was

222

00:10:08,070 --> 00:10:04,600

flying in the sky the person did a great

223

00:10:10,830 --> 00:10:08,080

job videotaping it and so thank you

224

00:10:13,050 --> 00:10:10,840

whoever did this but take a look at it

225

00:10:15,690 --> 00:10:13,060

it is on our supernatural Ghost Facebook

226

00:10:17,640 --> 00:10:15,700

page so make sure you go over to that

227

00:10:20,490 --> 00:10:17,650

page give us a like and then you'll be

228

00:10:21,930 --> 00:10:20,500

following us and also sign up for the

229

00:10:23,990 --> 00:10:21,940

fringe files we're going to be making

230

00:10:26,970 --> 00:10:24,000

some changes to that newsletter and

231

00:10:29,460 --> 00:10:26,980

sending it out again you know at the

232

00:10:32,550 --> 00:10:29,470

beginning of next week so don't forget

233

00:10:34,590 --> 00:10:32,560

to join the community we've got a great

234

00:10:37,020 --> 00:10:34,600

community here we have the best audience

235

00:10:39,870 --> 00:10:37,030

in the world they are the smartest of

236

00:10:43,650 --> 00:10:39,880

the smart and we love love love talking

237

00:10:46,800 --> 00:10:43,660

to you guys every single week so tonight

238

00:10:49,230 --> 00:10:46,810

here we go we're going to learn a lot

239

00:10:52,800 --> 00:10:49,240

tonight PK oh that's a fact

240

00:10:56,130 --> 00:10:52,810

haha we have dr. Chris Hardy she is a

241

00:10:58,680 --> 00:10:56,140

psychological anthropologist with a

242

00:11:01,860 --> 00:10:58,690

specialty in system theory she is the

243

00:11:05,190 --> 00:11:01,870

author of eight books including the

244

00:11:08,520 --> 00:11:05,200

sacred network DNA of the gods her

245

00:11:11,190 --> 00:11:08,530

latest book which is fascinating Wars of

246

00:11:13,350 --> 00:11:11,200

the Anunnaki she has worked as a

247

00:11:15,390 --> 00:11:13,360

parapsychological researcher at the

248

00:11:16,800 --> 00:11:15,400

psychophysical laboratory Princeton New

249

00:11:19,740 --> 00:11:16,810

Jersey and done a million other things

250

00:11:21,690 --> 00:11:19,750

but she's well known well known for her

251
00:11:24,600 --> 00:11:21,700
books and her understanding of

252
00:11:27,060 --> 00:11:24,610
consciousness I think since Chris was a

253
00:11:29,280 --> 00:11:27,070
little little child she knew there was

254
00:11:31,380 --> 00:11:29,290
more and she's been searching for it

255
00:11:33,210 --> 00:11:31,390
ever since so we are going to welcome

256
00:11:36,000 --> 00:11:33,220
her to the show right now

257
00:11:39,540 --> 00:11:36,010
Chris hearty welcome to the show yeah

258
00:11:41,760 --> 00:11:39,550
thank you thank you so much to inviting

259
00:11:43,890 --> 00:11:41,770
me into show well it's such a pleasure

260
00:11:47,390 --> 00:11:43,900
and I know must be very late there what

261
00:11:53,480 --> 00:11:47,400
time is it there in France oh it's only

262
00:11:57,030 --> 00:11:53,490
1:30 a.m. but you know I'm a I'm a

263
00:12:01,200 --> 00:11:57,040

person who is working every night and

264

00:12:02,970 --> 00:12:01,210

chiller past don't like cuz I go to

265

00:12:07,140 --> 00:12:02,980

sleep like 6 7 o clock in the morning

266

00:12:11,910 --> 00:12:07,150

and this is my secret on my answer to

267

00:12:16,619 --> 00:12:11,920

your question about how do you cope with

268

00:12:19,999 --> 00:12:16,629

the augmentation of the frequency that

269

00:12:24,829 --> 00:12:20,009

we are experiencing on earth yes because

270

00:12:29,189 --> 00:12:24,839

if you want to have a part of your life

271

00:12:34,019 --> 00:12:29,199

systematically into some kind of inner

272

00:12:36,629 --> 00:12:34,029

state where you are in tune with your

273

00:12:40,799 --> 00:12:36,639

inner higher self you know your inner

274

00:12:46,769 --> 00:12:40,809

self then you do like me you keep the

275

00:12:52,049 --> 00:12:46,779

night for those state on working by

276

00:12:54,499 --> 00:12:52,059

yourself in a very nice room and you do

277

00:12:59,909 --> 00:12:54,509

that every night on you leave the day

278

00:13:04,139 --> 00:12:59,919

part of the day for all the social on

279

00:13:05,129 --> 00:13:04,149

the tasks we have to do that's

280

00:13:07,379 --> 00:13:05,139

interesting

281

00:13:09,989 --> 00:13:07,389

Wow well that's a great way to handle it

282

00:13:12,269 --> 00:13:09,999

so and again you're the other eight

283

00:13:14,909 --> 00:13:12,279

fabulous books in your latest when wars

284

00:13:17,189 --> 00:13:14,919

of the anunnaki but what we wanted to

285

00:13:19,619 --> 00:13:17,199

talk about with you because you have a

286

00:13:23,429 --> 00:13:19,629

deep understanding Chris of

287

00:13:25,590 --> 00:13:23,439

consciousness and we are making a leap

288

00:13:27,359 --> 00:13:25,600

in consciousness is what you're calling

289

00:13:30,659 --> 00:13:27,369

it and you have the keys to

290

00:13:32,519 --> 00:13:30,669

understanding that so we we also want to

291

00:13:34,319 --> 00:13:32,529

talk about the Anunnaki because there's

292

00:13:36,239 --> 00:13:34,329

a lot of questions that come in about

293

00:13:38,249 --> 00:13:36,249

the Anunnaki are they good guys bad guys

294

00:13:40,919 --> 00:13:38,259

do they wear the white hats or the black

295

00:13:45,389 --> 00:13:40,929

athlete you constantly have questions on

296

00:13:48,929 --> 00:13:45,399

that so in terms of where we are today

297

00:13:50,369 --> 00:13:48,939

and where we've come from we want to try

298

00:13:52,710 --> 00:13:50,379

to bring it all together for our

299

00:13:55,379 --> 00:13:52,720

audience but again our audience is

300

00:13:58,559 --> 00:13:55,389

always interested in expanding in

301
00:14:01,710 --> 00:13:58,569
becoming more telepathic more psychic

302
00:14:04,139 --> 00:14:01,720
more tuned in and and certainly you have

303
00:14:06,989 --> 00:14:04,149
a profound understanding of all of that

304
00:14:10,169 --> 00:14:06,999
so you've been researching all this

305
00:14:12,119 --> 00:14:10,179
since you were a very very young right

306
00:14:15,059 --> 00:14:12,129
you started understanding some of this

307
00:14:18,029 --> 00:14:15,069
when you were just a child um not

308
00:14:21,629 --> 00:14:18,039
exactly as child I had the very few

309
00:14:25,049 --> 00:14:21,639
things happening until I was 18 years

310
00:14:25,639 --> 00:14:25,059
old and I started the making some

311
00:14:29,499 --> 00:14:25,649
meditation

312
00:14:35,329 --> 00:14:29,509
of course it's true that when I was a

313
00:14:39,939 --> 00:14:35,339

younger adolescent like starting 14 to

314

00:14:43,910 --> 00:14:39,949

18 15 maybe to 18 I was writing poetry

315

00:14:48,460 --> 00:14:43,920

so I was used to those state of

316

00:14:51,619 --> 00:14:48,470

consciousness where you become one with

317

00:14:54,799 --> 00:14:51,629

with nature with the environment because

318

00:14:59,239 --> 00:14:54,809

I would always go when I felt it I felt

319

00:15:01,850 --> 00:14:59,249

an urge to go in the forest and I my

320

00:15:04,189 --> 00:15:01,860

parents had a country house where I was

321

00:15:07,730 --> 00:15:04,199

trying to stay by myself

322

00:15:11,299 --> 00:15:07,740

and writing so I had this but it's only

323

00:15:15,619 --> 00:15:11,309

when I started meditation and I was 18

324

00:15:19,910 --> 00:15:15,629

years old that suddenly very quickly I

325

00:15:24,939 --> 00:15:19,920

mean in those times I had only found a

326

00:15:28,400 --> 00:15:24,949

book with some not even halfa dozen

327

00:15:32,150 --> 00:15:28,410

postures of yoga you know the very

328

00:15:37,040 --> 00:15:32,160

simple posture yoga and I took the first

329

00:15:42,230 --> 00:15:37,050

one well the most simple you know cross

330

00:15:45,860 --> 00:15:42,240

leg picture posture under I immediately

331

00:15:49,669 --> 00:15:45,870

got into high state but again because I

332

00:15:52,340 --> 00:15:49,679

was used to get into the state in nature

333

00:15:57,519 --> 00:15:52,350

where I would feel while I was writing

334

00:16:02,780 --> 00:15:57,529

poetry that I was communicating with

335

00:16:05,119 --> 00:16:02,790

trees the flowers the wall of nature so

336

00:16:09,439 --> 00:16:05,129

I got very quickly into the state and

337

00:16:18,019 --> 00:16:09,449

then it's like I must have connected

338

00:16:22,129 --> 00:16:18,029

with my Higher Self however good or bad

339

00:16:26,480 --> 00:16:22,139

was the communication I was already a

340

00:16:32,030 --> 00:16:26,490

kind of overshadowed in a very positive

341

00:16:35,499 --> 00:16:32,040

way by my hair of self and at that point

342

00:16:38,439 --> 00:16:35,509

I was guided by

343

00:16:43,199 --> 00:16:38,449

inside you know by my inner guide which

344

00:16:48,599 --> 00:16:43,209

is not nobody else than our higher self

345

00:16:54,069 --> 00:16:48,609

as I came to understand on this took me

346

00:16:57,519 --> 00:16:54,079

something like 19 19 years old I had my

347

00:17:02,879 --> 00:16:57,529

first experience of Taylor field that

348

00:17:05,949 --> 00:17:02,889

I'm going to recount to you on the I had

349

00:17:10,689 --> 00:17:05,959

earlier than that I had an experience in

350

00:17:12,970 --> 00:17:10,699

Tunisia where I had an awakening of my

351
00:17:19,360 --> 00:17:12,980
heart chakra and of course I could not

352
00:17:24,669 --> 00:17:19,370
understand at all why of state of

353
00:17:27,250 --> 00:17:24,679
consciousness of much greater higher

354
00:17:30,159 --> 00:17:27,260
state of consciousness was connected to

355
00:17:34,120 --> 00:17:30,169
a part of my body which was the heart

356
00:17:36,549 --> 00:17:34,130
chakra and understand them and it's only

357
00:17:39,639 --> 00:17:36,559
yeah well yeah so all of this gave you

358
00:17:43,659 --> 00:17:39,649
an experience of a connection with

359
00:17:46,000 --> 00:17:43,669
beingness rather than ego so you had

360
00:17:47,620 --> 00:17:46,010
this transitional experience and like

361
00:17:51,100 --> 00:17:47,630
you've mentioned Tunisia sounds like it

362
00:17:52,210 --> 00:17:51,110
was very powerful but let me just ask

363
00:17:56,529 --> 00:17:52,220

you this

364

00:17:58,570 --> 00:17:56,539

the Anunnaki are they good bad were they

365

00:18:02,139 --> 00:17:58,580

I mean what where would you categorize

366

00:18:06,549 --> 00:18:02,149

them are they our ancestors that were

367

00:18:10,330 --> 00:18:06,559

also slight masters to us and and can we

368

00:18:15,600 --> 00:18:10,340

get beyond what they wanted from us and

369

00:18:21,340 --> 00:18:15,610

the way they've controlled us yes we're

370

00:18:24,730 --> 00:18:21,350

15 genuine aqui we're a family of

371

00:18:27,549 --> 00:18:24,740

Hawaiians who came from another planet

372

00:18:32,289 --> 00:18:27,559

and who came on earth from and created

373

00:18:36,610 --> 00:18:32,299

us on in Jesus family we're basically

374

00:18:40,299 --> 00:18:36,620

two clans one term was the scientific

375

00:18:45,039 --> 00:18:40,309

term and we have the first term prince

376

00:18:47,740 --> 00:18:45,049

who as the first son of King Daniel from

377

00:18:48,820 --> 00:18:47,750

the other planet nibiru who came on

378

00:18:51,970 --> 00:18:48,830

earth

379

00:18:56,020 --> 00:18:51,980

and it was a scientist head scientist in

380

00:18:58,330 --> 00:18:56,030

all matter sciences his sister nimah was

381

00:19:01,810 --> 00:18:58,340

the one who created us because she was

382

00:19:08,200 --> 00:19:01,820

the head scientist in life sciences on

383

00:19:12,520 --> 00:19:08,210

one of the son of Anki was the person we

384

00:19:17,440 --> 00:19:12,530

call her mess of thought in egypt and he

385

00:19:22,200 --> 00:19:17,450

was the first one let's say when we look

386

00:19:26,890 --> 00:19:22,210

at his writings it was the first one to

387

00:19:30,300 --> 00:19:26,900

explain clearly some inner state and how

388

00:19:33,610 --> 00:19:30,310

to get to higher state of consciousness

389

00:19:37,230 --> 00:19:33,620

with some very specific techniques that

390

00:19:40,840 --> 00:19:37,240

we will find later much much later in

391

00:19:42,610 --> 00:19:40,850

into East you know in India Japan China

392

00:19:49,060 --> 00:19:42,620

in Taoism

393

00:19:52,690 --> 00:19:49,070

on the in Hinduism on Tibetan religion

394

00:19:55,450 --> 00:19:52,700

on Donder also in shamanism but in the

395

00:19:58,720 --> 00:19:55,460

different way this is our legacy I mean

396

00:20:00,250 --> 00:19:58,730

we have from what we've been told and TK

397

00:20:01,900 --> 00:20:00,260

you and I have interviewed a lot of

398

00:20:06,790 --> 00:20:01,910

people on the show and say that there

399

00:20:09,040 --> 00:20:06,800

are some some entities they come from

400

00:20:12,610 --> 00:20:09,050

other planets that want us under their

401
00:20:16,570 --> 00:20:12,620
thumb they want to control us they want

402
00:20:19,330 --> 00:20:16,580
if you stay in the darkness and you can

403
00:20:21,040 --> 00:20:19,340
do whatever they want us to do so that

404
00:20:25,300 --> 00:20:21,050
they can feed off of our negative

405
00:20:26,980 --> 00:20:25,310
emotions and then there's another side

406
00:20:29,860 --> 00:20:26,990
to this where apparently we have some

407
00:20:33,490 --> 00:20:29,870
help coming in from other star systems

408
00:20:39,370 --> 00:20:33,500
that want us to assume our rightful

409
00:20:43,660 --> 00:20:39,380
place you know so yes we have to we have

410
00:20:46,360 --> 00:20:43,670
to be aware that about the Anunnaki we

411
00:20:49,680 --> 00:20:46,370
have two clans we have the scientific

412
00:20:53,350 --> 00:20:49,690
plan I was talking about was always

413
00:20:59,110 --> 00:20:53,360

taken the side of humanity but we are

414

00:21:02,080 --> 00:20:59,120

not a really high spiritual individuals

415

00:21:03,370 --> 00:21:02,090

we don't have this in a among the

416

00:21:07,390 --> 00:21:03,380

Annunaki

417

00:21:10,210 --> 00:21:07,400

in the long time ago but we have the

418

00:21:16,570 --> 00:21:10,220

other clown which was a clown of the

419

00:21:20,680 --> 00:21:16,580

ruler of earth Enlil on account is a was

420

00:21:25,510 --> 00:21:20,690

the one - when devoted for the creation

421

00:21:28,270 --> 00:21:25,520

of a hybrid race that would have partly

422

00:21:33,340 --> 00:21:28,280

their own genome and partly the genome

423

00:21:36,160 --> 00:21:33,350

of her Homo erectus of a biped that was

424

00:21:39,210 --> 00:21:36,170

roaming in the jungle of Africa when

425

00:21:42,570 --> 00:21:39,220

they voted in the Assembly of the Gods

426
00:21:47,710 --> 00:21:42,580
found the creation of this hybrid the

427
00:21:50,830 --> 00:21:47,720
race space yes they wanted slave and

428
00:21:53,320 --> 00:21:50,840
they wanted people to be able just to be

429
00:21:57,250 --> 00:21:53,330
enough intelligent enough that they

430
00:22:00,760 --> 00:21:57,260
could work in the mind and it was not

431
00:22:03,010 --> 00:22:00,770
the aim of Anki and minima and Hermes

432
00:22:04,480 --> 00:22:03,020
who wanted

433
00:22:08,500 --> 00:22:04,490
we had understood that their

434
00:22:13,740 --> 00:22:08,510
civilization was totally decadent on the

435
00:22:19,770 --> 00:22:13,750
way out and they wanted to create

436
00:22:24,460 --> 00:22:19,780
humanity as a very intelligent sensible

437
00:22:27,700 --> 00:22:24,470
able to learn kind of personality and

438
00:22:32,620 --> 00:22:27,710

the givers they are best but again they

439

00:22:35,580 --> 00:22:32,630

were not at all at the level of apart

440

00:22:38,950 --> 00:22:35,590

from Hermes they are not at all the

441

00:22:43,120 --> 00:22:38,960

older generation we are not at the level

442

00:22:48,670 --> 00:22:43,130

of what we call now a spirit spiritual

443

00:22:52,000 --> 00:22:48,680

being like the way we are exploring high

444

00:22:55,090 --> 00:22:52,010

state of consciousness it was not their

445

00:22:58,630 --> 00:22:55,100

prophecy it was not their stink you know

446

00:23:01,600 --> 00:22:58,640

yeah it kind of seems to us that what

447

00:23:05,860 --> 00:23:01,610

happened is there's a lot more of the

448

00:23:08,140 --> 00:23:05,870

under their thumb energy the negative

449

00:23:11,380 --> 00:23:08,150

energy seems much more prevalent than

450

00:23:14,560 --> 00:23:11,390

any of the energy that would help us

451
00:23:16,210 --> 00:23:14,570
ascend and you know become enlightened

452
00:23:18,310 --> 00:23:16,220
become

453
00:23:21,399 --> 00:23:18,320
masters of our own destiny it just seems

454
00:23:24,700 --> 00:23:21,409
like it's very imbalanced energetically

455
00:23:27,850 --> 00:23:24,710
is that what's happening uh I don't

456
00:23:30,820 --> 00:23:27,860
think that turn I think that we really

457
00:23:34,600 --> 00:23:30,830
have in our genes because they gave us

458
00:23:37,870 --> 00:23:34,610
our own genome you know I would say 90%

459
00:23:41,710 --> 00:23:37,880
they were a human race of giants in my

460
00:23:45,760 --> 00:23:41,720
neck Quasimoto so we have their genes

461
00:23:49,299 --> 00:23:45,770
and specifically I believe as a gene the

462
00:23:53,890 --> 00:23:49,309
genome of hermas and they where they

463
00:23:57,250 --> 00:23:53,900

were having a really horrible kind of

464

00:24:01,930 --> 00:23:57,260

emotion they were prone to anger they

465

00:24:06,220 --> 00:24:01,940

were you had a lot of rapes violence

466

00:24:08,590 --> 00:24:06,230

Enlil wanted continually to erase

467

00:24:11,940 --> 00:24:08,600

humanity from the face of the earth as

468

00:24:16,180 --> 00:24:11,950

we can see in the Bible written clearly

469

00:24:19,630 --> 00:24:16,190

he gave me put on humanity all the time

470

00:24:22,419 --> 00:24:19,640

the responsibility of anything that was

471

00:24:26,200 --> 00:24:22,429

happening that was not of there of his

472

00:24:29,850 --> 00:24:26,210

liking like for example when the

473

00:24:34,539 --> 00:24:29,860

Nephilim wanted to marry on the Builder

474

00:24:39,549 --> 00:24:34,549

families he there put the responsibility

475

00:24:45,159 --> 00:24:39,559

of on those poor woman we were compared

476
00:24:49,090 --> 00:24:45,169
to the powerful gent Annunaki were not

477
00:24:53,020 --> 00:24:49,100
able even to say anything for our gains

478
00:24:56,789 --> 00:24:53,030
but we're loved and on the unconstructed

479
00:25:01,299 --> 00:24:56,799
family but then when the deluge happened

480
00:25:05,590 --> 00:25:01,309
any force the other gods in the assembly

481
00:25:09,039 --> 00:25:05,600
and we have all the rapport of these a

482
00:25:12,220 --> 00:25:09,049
zombies if all the other gods not to

483
00:25:19,409 --> 00:25:12,230
disclose who humanity that a huge

484
00:25:23,680 --> 00:25:19,419
tsunami caused by some astronomical

485
00:25:27,730 --> 00:25:23,690
condition was going to erupt and on

486
00:25:29,590 --> 00:25:27,740
earth uncover the earth on on so on the

487
00:25:32,200 --> 00:25:29,600
twelve angels ago

488
00:25:35,680 --> 00:25:32,210

the information was that the great flood

489

00:25:38,850 --> 00:25:35,690

then that were really so that was it

490

00:25:42,760 --> 00:25:38,860

because they fly twice I don't hate that

491

00:25:45,850 --> 00:25:42,770

is everything to realize that it was NT

492

00:25:48,580 --> 00:25:45,860

we gave to Noah the information or not

493

00:25:51,490 --> 00:25:48,590

it on any it was totally upset when he

494

00:25:55,510 --> 00:25:51,500

showed Noah surviving on the riving

495

00:25:58,810 --> 00:25:55,520

after Mount Ararat yes yes I mean it's

496

00:26:00,730 --> 00:25:58,820

it's a fascinating history and that

497

00:26:04,450 --> 00:26:00,740

you've uncovered and I know others have

498

00:26:07,240 --> 00:26:04,460

too but if this is this is our history

499

00:26:10,419 --> 00:26:07,250

but then how do we keep continue to keep

500

00:26:12,700 --> 00:26:10,429

in our minds that we need to make a leap

501
00:26:15,039 --> 00:26:12,710
into a whole other place of

502
00:26:18,279 --> 00:26:15,049
consciousness now here's before we go

503
00:26:20,799 --> 00:26:18,289
there again here is a question Chris

504
00:26:23,289 --> 00:26:20,809
from the chat room this is from yogi

505
00:26:25,120 --> 00:26:23,299
spirit he says hi dr. Chris do you

506
00:26:27,970 --> 00:26:25,130
believe modern-day humans are

507
00:26:30,730 --> 00:26:27,980
descendants of star seeds or could this

508
00:26:34,000 --> 00:26:30,740
process still be ongoing and we are

509
00:26:42,610 --> 00:26:34,010
possibly living among first generation

510
00:26:47,470 --> 00:26:42,620
aliens well the the fact as now I talk

511
00:26:51,850 --> 00:26:47,480
as a person was experience a lot of

512
00:26:56,440 --> 00:26:51,860
contact with aliens on the from the time

513
00:26:59,590 --> 00:26:56,450

I was like 25 years old month I have an

514

00:27:03,159 --> 00:26:59,600

encounter already different races on the

515

00:27:07,510 --> 00:27:03,169

I see that other people are also up

516

00:27:11,440 --> 00:27:07,520

talking but very specific contact with

517

00:27:16,899 --> 00:27:11,450

different races on my opinion on that

518

00:27:20,860 --> 00:27:16,909

has always been that the humanity we

519

00:27:25,270 --> 00:27:20,870

have actually we were making actually is

520

00:27:28,360 --> 00:27:25,280

has different source we are not we are

521

00:27:32,710 --> 00:27:28,370

practically all of us I mean you can say

522

00:27:35,610 --> 00:27:32,720

that all the life in the universe first

523

00:27:41,560 --> 00:27:35,620

of all the universe is teeming with life

524

00:27:43,080 --> 00:27:41,570

so gone it's I believe on the made even

525

00:27:53,090 --> 00:27:43,090

a theory about that

526

00:27:57,810 --> 00:27:53,100

I mean that what is it I don't know I

527

00:27:59,999 --> 00:27:57,820

don't know but so we are I think what

528

00:28:04,860 --> 00:28:00,009

this question you're answering is we are

529

00:28:07,460 --> 00:28:04,870

descendants of of these people these

530

00:28:13,860 --> 00:28:07,470

beings that come from other planets and

531

00:28:17,129 --> 00:28:13,870

so we are a genetic soup of whatever

532

00:28:20,039 --> 00:28:17,139

they put together and make us and again

533

00:28:22,230 --> 00:28:20,049

no they didn't yes I have a lot of

534

00:28:26,869 --> 00:28:22,240

questions about how they short-circuited

535

00:28:30,779 --> 00:28:26,879

our ability to really figure out what

536

00:28:32,970 --> 00:28:30,789

what we need to do in order to be who

537

00:28:36,149 --> 00:28:32,980

are meant to be everybody says well we

538

00:28:38,399 --> 00:28:36,159

are godlike we are creators we can

539

00:28:41,249 --> 00:28:38,409

create our own reality but then there's

540

00:28:44,399 --> 00:28:41,259

something they did genetically way back

541

00:28:47,190 --> 00:28:44,409

then the short circuited our ability to

542

00:28:50,279 --> 00:28:47,200

really do those things right I mean that

543

00:28:52,799 --> 00:28:50,289

night I don't believe so I think there's

544

00:28:57,330 --> 00:28:52,809

that we've been short-circuited work hey

545

00:29:01,139 --> 00:28:57,340

no no no I believe that we definitely

546

00:29:04,049 --> 00:29:01,149

had the despot god Enlil the ruler of

547

00:29:09,899 --> 00:29:04,059

Earth but that was so long ago on the

548

00:29:12,840 --> 00:29:09,909

self destroy when they use nukes to to

549

00:29:16,230 --> 00:29:12,850

destroy the cities and the scene I saw

550

00:29:18,930 --> 00:29:16,240

the mangamma during their wars between

551
00:29:23,009 --> 00:29:18,940
one plant and the other one what I

552
00:29:26,419 --> 00:29:23,019
believe is that again we we have

553
00:29:29,430 --> 00:29:26,429
different seeds one the merger feed of

554
00:29:32,639 --> 00:29:29,440
genome of humanity must be really

555
00:29:36,029 --> 00:29:32,649
Knightly wand but again the universe is

556
00:29:39,570 --> 00:29:36,039
teeming with life all the metals and

557
00:29:43,560 --> 00:29:39,580
understand that all the methods the

558
00:29:47,669 --> 00:29:43,570
heavy metals are from the explosion of

559
00:29:51,960 --> 00:29:47,679
Scipio nove all the atoms of ether gen

560
00:29:55,980 --> 00:29:51,970
light gases are from the beginning the

561
00:29:56,700 --> 00:29:55,990
early Big Bang universe on the last in

562
00:29:59,850 --> 00:29:56,710
the same

563
00:30:02,789 --> 00:29:59,860

item that's our grounders you're having

564

00:30:03,990 --> 00:30:02,799

so [h__h] it right before the line Chris

565

00:30:05,279 --> 00:30:04,000

we're going to have to take a short

566

00:30:07,560 --> 00:30:05,289

commercial break and we're going to

567

00:30:09,000 --> 00:30:07,570

finish answering that question then we

568

00:30:11,519 --> 00:30:09,010

have other questions coming into the

569

00:30:15,180 --> 00:30:11,529

chat room everybody feel free to write

570

00:30:17,669 --> 00:30:15,190

into the chat room irr chat comm ir and

571

00:30:20,460 --> 00:30:17,679

chat comm will ask your questions for

572

00:30:23,039 --> 00:30:20,470

you to dr. Chris Hardy she is the author

573

00:30:26,880 --> 00:30:23,049

of a new book war of the anunnaki

574

00:30:29,399 --> 00:30:26,890

as well as seven more books about all of

575

00:30:32,820 --> 00:30:29,409

this our history our consciousness we

576
00:30:34,590 --> 00:30:32,830
are changing we are transforming so stay

577
00:30:37,230 --> 00:30:34,600
tuned everybody this is supernatural

578
00:30:39,539 --> 00:30:37,240
girls radio and we will be right back

579
00:30:40,350 --> 00:30:39,549
welcome back everyone to supernatural

580
00:30:42,720 --> 00:30:40,360
girls radio

581
00:30:45,600 --> 00:30:42,730
I'm your host Patricia Baker I'm here

582
00:30:48,330 --> 00:30:45,610
with my co-host famous numerologist PK

583
00:30:50,760 --> 00:30:48,340
and don't forget if you have a question

584
00:30:53,340 --> 00:30:50,770
and you want PK to answer it we're going

585
00:30:56,240 --> 00:30:53,350
from a nine to oh one here it's a big

586
00:31:00,090 --> 00:30:56,250
transition into August mmm and PK is

587
00:31:02,490 --> 00:31:00,100
generously generously offered to answer

588
00:31:04,950 --> 00:31:02,500

your questions at no charge this is your

589

00:31:08,760 --> 00:31:04,960

opportunity go to Supernatural girls

590

00:31:11,159 --> 00:31:08,770

comm homepage you will see right there

591

00:31:13,380 --> 00:31:11,169

PK's email address and you can shoot her

592

00:31:16,740 --> 00:31:13,390

off an email and ask her any question

593

00:31:19,830 --> 00:31:16,750

you need to have an answer to she will

594

00:31:22,769 --> 00:31:19,840

help you with a transition and it's the

595

00:31:25,620 --> 00:31:22,779

big one it's a big one just now their

596

00:31:28,380 --> 00:31:25,630

birth name in their birth date that's on

597

00:31:31,860 --> 00:31:28,390

a birthdate and question and you're off

598

00:31:36,200 --> 00:31:31,870

and running saturator go and we have a

599

00:31:40,440 --> 00:31:36,210

very very exciting guest tonight we have

600

00:31:43,110 --> 00:31:40,450

dr. Krieger T she is the author of eight

601
00:31:43,799 --> 00:31:43,120
books and her latest one is War of the

602
00:31:45,450 --> 00:31:43,809
anunnaki

603
00:31:49,260 --> 00:31:45,460
but what we're talking about tonight is

604
00:31:51,180 --> 00:31:49,270
not only our past with the Anunnaki but

605
00:31:53,039 --> 00:31:51,190
we're talking about where we go from

606
00:31:54,919 --> 00:31:53,049
here there is a new leap of

607
00:31:58,200 --> 00:31:54,929
consciousness that is happening and

608
00:31:59,850 --> 00:31:58,210
Chris has a deep understanding of this

609
00:32:02,100 --> 00:31:59,860
and she's leading us in the right

610
00:32:07,019 --> 00:32:02,110
direction so that we'll know what to do

611
00:32:07,830 --> 00:32:07,029
and how to do it right Chris hahaha yeah

612
00:32:14,080 --> 00:32:07,840
absolutely

613
00:32:16,690 --> 00:32:14,090

the main point about this leap in

614

00:32:20,799 --> 00:32:16,700

consciousness that I believe is going to

615

00:32:26,490 --> 00:32:20,809

be the wall of humanity undergoing it

616

00:32:31,380 --> 00:32:26,500

however the person were experiencing it

617

00:32:34,149 --> 00:32:31,390

the first one of course all the people

618

00:32:38,200 --> 00:32:34,159

working on themselves with whatever

619

00:32:44,310 --> 00:32:38,210

technique they do it could be you know

620

00:32:50,430 --> 00:32:44,320

from meditation to any kind of

621

00:32:55,390 --> 00:32:50,440

creativity or even music or whatever

622

00:33:00,010 --> 00:32:55,400

creativity is very important on the as I

623

00:33:03,669 --> 00:33:00,020

came to understand the the great

624

00:33:08,260 --> 00:33:03,679

transformation that we are going to go

625

00:33:13,299 --> 00:33:08,270

through in in the humanity has to do

626

00:33:17,409 --> 00:33:13,309

with a collective consciousness and it

627

00:33:21,760 --> 00:33:17,419

had been very well predicted by two

628

00:33:25,360 --> 00:33:21,770

great thinkers one was philosopher Te'o

629

00:33:30,750 --> 00:33:25,370

- Adam and he came with the concept of

630

00:33:35,020 --> 00:33:30,760

no sphere on saying that humanity will

631

00:33:39,930 --> 00:33:35,030

get as into a collective consciousness

632

00:33:43,360 --> 00:33:39,940

and after the long long era of

633

00:33:48,840 --> 00:33:43,370

developing our own individuality on our

634

00:33:54,279 --> 00:33:48,850

will on our intention we will go into

635

00:33:56,640 --> 00:33:54,289

developing a harmonious relationship not

636

00:34:00,490 --> 00:33:56,650

only with other people but also with

637

00:34:04,570 --> 00:34:00,500

nature on with the earth and so that was

638

00:34:08,079 --> 00:34:04,580

they are - Adam and another one is of

639

00:34:11,290 --> 00:34:08,089

course psychologist Carl Jung much more

640

00:34:14,320 --> 00:34:11,300

known to us with the concept of the

641

00:34:17,710 --> 00:34:14,330

collective unconscious and the

642

00:34:22,780 --> 00:34:17,720

collective unconscious is how we are

643

00:34:32,470 --> 00:34:22,790

tied all of us through our deep

644

00:34:38,740 --> 00:34:32,480

psyche to the root of of our psyche but

645

00:34:44,110 --> 00:34:38,750

also it's like in each person higher

646

00:34:46,870 --> 00:34:44,120

self its living in a dimension which is

647

00:34:51,909 --> 00:34:46,880

beyond space and time and in this

648

00:34:55,419 --> 00:34:51,919

dimension of of consciousness we are all

649

00:35:01,600 --> 00:34:55,429

connected so I believe this is a the

650

00:35:04,420 --> 00:35:01,610

main process that is happening and this

651

00:35:09,070 --> 00:35:04,430

is why we are experiencing so many

652

00:35:11,230 --> 00:35:09,080

thank-you initiatives I mean things that

653

00:35:15,280 --> 00:35:11,240

are happening at the moment who are

654

00:35:18,730 --> 00:35:15,290

talking about it like we we think about

655

00:35:23,440 --> 00:35:18,740

a friend underneath calling but also the

656

00:35:27,790 --> 00:35:23,450

message that are coming to us announcer

657

00:35:31,470 --> 00:35:27,800

two very specific questions this is a I

658

00:35:34,390 --> 00:35:31,480

could give you an example if you want

659

00:35:37,240 --> 00:35:34,400

yeah I mean this is this is what's being

660

00:35:39,430 --> 00:35:37,250

reported to us as host of the show we

661

00:35:41,130 --> 00:35:39,440

hear this a lot lately exactly what

662

00:35:43,420 --> 00:35:41,140

you're describing that these

663

00:35:48,010 --> 00:35:43,430

synchronicities are happening much more

664

00:35:51,190 --> 00:35:48,020

and that it seems to be that these

665

00:35:53,890 --> 00:35:51,200

fields of connection are happening

666

00:35:55,330 --> 00:35:53,900

almost by themselves is that what's

667

00:35:58,420 --> 00:35:55,340

happening

668

00:36:01,870 --> 00:35:58,430

well what going under what I could make

669

00:36:06,460 --> 00:36:01,880

out is that when you have for example

670

00:36:09,390 --> 00:36:06,470

you know let's say a collective prayer

671

00:36:15,250 --> 00:36:09,400

or call a concert for example with a

672

00:36:20,560 --> 00:36:15,260

large public if you have three two or

673

00:36:25,300 --> 00:36:20,570

three people able to get in in harmony

674

00:36:27,690 --> 00:36:25,310

with their own higher self they are

675

00:36:31,320 --> 00:36:27,700

going to create one of those

676

00:36:35,740 --> 00:36:31,330

telepathic harmonic field on the wall

677

00:36:38,080 --> 00:36:35,750

room on the wall audience on then

678

00:36:41,580 --> 00:36:38,090

all the other people that are not at

679

00:36:48,760 --> 00:36:41,590

this level of consciousness who be aware

680

00:36:52,150 --> 00:36:48,770

of what's happening we still be taken by

681

00:36:55,840 --> 00:36:52,160

it you know like the informal ation of

682

00:36:58,180 --> 00:36:55,850

this possibility of connection this

683

00:37:02,260 --> 00:36:58,190

possibility of consciousness of living

684

00:37:05,380 --> 00:37:02,270

at a higher level of consciousness will

685

00:37:09,460 --> 00:37:05,390

be the information will be in them in

686

00:37:15,700 --> 00:37:09,470

the unconscious and then then it may

687

00:37:18,520 --> 00:37:15,710

consider on if they happen to be willing

688

00:37:21,370 --> 00:37:18,530

to work on themselves this is of course

689

00:37:25,570 --> 00:37:21,380

extremely important to be willing to

690

00:37:30,040 --> 00:37:25,580

work on oneself to improve oneself to to

691

00:37:34,000 --> 00:37:30,050

give some time to our own inner life and

692

00:37:37,650 --> 00:37:34,010

development and then if they just want

693

00:37:42,790 --> 00:37:37,660

this it's going to bloom like a flower

694

00:37:45,850 --> 00:37:42,800

those are very natural I would say

695

00:37:48,700 --> 00:37:45,860

develop mountain on growth in well

696

00:37:50,500 --> 00:37:48,710

witness it does seem to be ramping up it

697

00:37:53,890 --> 00:37:50,510

does seem to be more powerful than ever

698

00:37:59,020 --> 00:37:53,900

before and it reminds me of a paranormal

699

00:38:03,850 --> 00:37:59,030

witness show that I saw and I was I've

700

00:38:06,340 --> 00:38:03,860

never been so taken with a show like I

701
00:38:10,390 --> 00:38:06,350
was with this particular one there was a

702
00:38:14,500 --> 00:38:10,400
psychic medium she was tracking a serial

703
00:38:18,550 --> 00:38:14,510
killer and the police couldn't touch

704
00:38:22,810 --> 00:38:18,560
this guy but yet she knew he was about

705
00:38:26,920 --> 00:38:22,820
to kill his third female victim and

706
00:38:31,210 --> 00:38:26,930
watch what she did was you're talking

707
00:38:32,920 --> 00:38:31,220
about she gathered people together that

708
00:38:34,600 --> 00:38:32,930
she had worked with before so they're

709
00:38:38,230 --> 00:38:34,610
actually I think about four or five

710
00:38:42,610 --> 00:38:38,240
people around her and they prayed they

711
00:38:45,220 --> 00:38:42,620
prayed so hard that the next victim

712
00:38:48,010 --> 00:38:45,230
would be protected and would not want to

713
00:38:48,859 --> 00:38:48,020

come to this serial killer and what

714

00:38:50,690 --> 00:38:48,869

happened was the

715

00:38:52,400 --> 00:38:50,700

bizarre thing the police had no

716

00:38:54,259 --> 00:38:52,410

explanation nobody had an explanation

717

00:38:56,749 --> 00:38:54,269

for it because we know what happened

718

00:39:00,979 --> 00:38:56,759

this teller field that you've mentioned

719

00:39:03,529 --> 00:39:00,989

in your books affected the outcome what

720

00:39:06,920 --> 00:39:03,539

happened was this man who had stabbed to

721

00:39:09,709 --> 00:39:06,930

death his previous victims was driving

722

00:39:13,539 --> 00:39:09,719

in his van looking for the next victim

723

00:39:18,249 --> 00:39:13,549

and all of a sudden he was stabbed from

724

00:39:21,799 --> 00:39:18,259

behind right through the seat of his car

725

00:39:24,759 --> 00:39:21,809

of his van and he ends up calling the

726

00:39:27,950 --> 00:39:24,769

police because he's been stabbed and

727

00:39:35,180 --> 00:39:27,960

they come and they arrest him because

728

00:39:38,599 --> 00:39:35,190

they find oh my god other people and it

729

00:39:42,049 --> 00:39:38,609

stopped it so this other person this

730

00:39:45,019 --> 00:39:42,059

other woman he had targeted survived but

731

00:39:48,049 --> 00:39:45,029

anyways it's a great river sorry

732

00:39:50,120 --> 00:39:48,059

yeah because it exhilarates exactly what

733

00:39:52,870 --> 00:39:50,130

you're saying oh this is wonderful could

734

00:39:56,569 --> 00:39:52,880

you just write it down on the other

735

00:39:59,329 --> 00:39:56,579

websites on the name of days on

736

00:40:01,849 --> 00:39:59,339

everything I if I would love to read one

737

00:40:03,680 --> 00:40:01,859

before but it's very simple what you've

738

00:40:07,130 --> 00:40:03,690

been talking about with the tell our

739

00:40:09,140 --> 00:40:07,140

fields and powerful we are as a today

740

00:40:11,450 --> 00:40:09,150

with you are more gathered you know

741

00:40:13,370 --> 00:40:11,460

here's gethered I think four or five

742

00:40:15,680 --> 00:40:13,380

people as I remember correctly

743

00:40:17,779 --> 00:40:15,690

yeah they prayed on it and here's the

744

00:40:19,579 --> 00:40:17,789

here's the result so again it's a

745

00:40:23,599 --> 00:40:19,589

perfect result exactly what you're

746

00:40:28,130 --> 00:40:23,609

talking about yeah I have another one

747

00:40:33,849 --> 00:40:28,140

another historical case on the it's it

748

00:40:39,289 --> 00:40:33,859

happened in the fifth century in Paris

749

00:40:43,940 --> 00:40:39,299

the the barber of the hand huh each you

750

00:40:48,079 --> 00:40:43,950

and as we're arriving from the North

751
00:40:51,829 --> 00:40:48,089
East on the way are going to come to

752
00:40:56,950 --> 00:40:51,839
Paris on in Paris it was a time of her

753
00:41:06,799 --> 00:41:02,930
I'm sorry if we come on Santa John Jeb

754
00:41:08,750 --> 00:41:06,809
was recognized as a saint because she

755
00:41:12,200 --> 00:41:08,760
was a so special child

756
00:41:14,930 --> 00:41:12,210
and she did not want to marry on the so

757
00:41:17,720 --> 00:41:14,940
she was recognized as a saint already by

758
00:41:20,059 --> 00:41:17,730
the people of Paris and when they heard

759
00:41:22,819 --> 00:41:20,069
when they everybody knew that their

760
00:41:26,960 --> 00:41:22,829
hands were coming and they would

761
00:41:31,400 --> 00:41:26,970
devastate Paris she talked to the world

762
00:41:36,980 --> 00:41:31,410
population and she said look listen to

763
00:41:40,849 --> 00:41:36,990

me we are going to stop the hands I want

764

00:41:46,370 --> 00:41:40,859

all the women of Paris to get into

765

00:41:50,150 --> 00:41:46,380

prayer and to say into prayer until the

766

00:41:56,960 --> 00:41:50,160

danger is gone and she added I cannot

767

00:42:01,970 --> 00:41:56,970

ask this from men as a as a necessity

768

00:42:05,900 --> 00:42:01,980

but of course the moment would be better

769

00:42:09,470 --> 00:42:05,910

on all the women of Paris got into

770

00:42:13,760 --> 00:42:09,480

prayer on the hand believe it or not

771

00:42:17,289 --> 00:42:13,770

pass like a few kilometers on we are not

772

00:42:21,099 --> 00:42:17,299

able to steal Paris and they kept going

773

00:42:26,390 --> 00:42:21,109

further on the same to another town

774

00:42:29,510 --> 00:42:26,400

which after she was sending some food

775

00:42:32,599 --> 00:42:29,520

because they were in distress so it was

776

00:42:36,680 --> 00:42:32,609

a power of collective prayer you know

777

00:42:38,990 --> 00:42:36,690

with an enormous firm what was very

778

00:42:41,780 --> 00:42:39,000

strange is that she knew she could do

779

00:42:44,569 --> 00:42:41,790

that with the people they were together

780

00:42:47,870 --> 00:42:44,579

yeah because she did not tell them let's

781

00:42:51,020 --> 00:42:47,880

try to do something she said I asked you

782

00:42:53,120 --> 00:42:51,030

to stay in prayer until the danger is

783

00:42:56,420 --> 00:42:53,130

gone on that happen like that

784

00:42:59,030 --> 00:42:56,430

Wow amazing yeah see we we need to

785

00:43:00,650 --> 00:42:59,040

remember this about ourselves that we

786

00:43:04,940 --> 00:43:00,660

are there powerful when we come together

787

00:43:07,789 --> 00:43:04,950

in prayer and and and also in a peaceful

788

00:43:09,530 --> 00:43:07,799

prayer I mean this is this is just these

789

00:43:10,430 --> 00:43:09,540

are incredible stories and this is a

790

00:43:12,770 --> 00:43:10,440

leap in

791

00:43:16,730 --> 00:43:12,780

this is the key right that you're

792

00:43:20,630 --> 00:43:16,740

talking about yes yes I believe this is

793

00:43:23,390 --> 00:43:20,640

a key to our own time the leap of

794

00:43:26,510 --> 00:43:23,400

consciousness that we are undergoing now

795

00:43:29,420 --> 00:43:26,520

it's not the first time the humanities

796

00:43:34,670 --> 00:43:29,430

and they're going elite in consciousness

797

00:43:40,640 --> 00:43:34,680

of course but this one is we can feel it

798

00:43:48,069 --> 00:43:40,650

as you said with the frequencies of even

799

00:43:51,500 --> 00:43:48,079

you know it's a it's all inside the

800

00:43:54,829 --> 00:43:51,510

frequency of our life the frequency of

801
00:43:59,569 --> 00:43:54,839
our thinking we are getting into higher

802
00:44:02,359 --> 00:43:59,579
frequencies and this is a one part and

803
00:44:05,180 --> 00:44:02,369
we are getting more and more connected

804
00:44:08,990 --> 00:44:05,190
and it it is starting

805
00:44:12,470 --> 00:44:09,000
I give information it is starting it it

806
00:44:15,890 --> 00:44:12,480
is in everybody now who is able to be a

807
00:44:20,500 --> 00:44:15,900
big sensitive whether you work on

808
00:44:23,059 --> 00:44:20,510
yourself or not it is a field that is in

809
00:44:25,660 --> 00:44:23,069
information and knowledge that is inside

810
00:44:31,280 --> 00:44:25,670
your unconscious and you just have to

811
00:44:36,140 --> 00:44:31,290
let it to trust it and let it take the

812
00:44:40,370 --> 00:44:36,150
room take you to higher state and it's

813
00:44:42,920 --> 00:44:40,380

why we as we said earlier is why we are

814

00:44:46,370 --> 00:44:42,930

experiencing more and more connection

815

00:44:48,559 --> 00:44:46,380

the people are I mean it's 30 years now

816

00:44:52,160 --> 00:44:48,569

that we know that the people are

817

00:44:56,569 --> 00:44:52,170

becoming more and more telepathic in

818

00:45:00,890 --> 00:44:56,579

your higher sense of telepathy because

819

00:45:02,990 --> 00:45:00,900

they tell our field they are hostility

820

00:45:06,380 --> 00:45:03,000

that's why I call them teller because

821

00:45:10,940 --> 00:45:06,390

they are telepathic on harmonic tell her

822

00:45:14,510 --> 00:45:10,950

but the when you are in a for example I

823

00:45:17,809 --> 00:45:14,520

experiences when I was 21 and I got to

824

00:45:21,230 --> 00:45:17,819

the sacred town of Nashik in India

825

00:45:23,190 --> 00:45:21,240

although I was it was not the first time

826

00:45:29,339 --> 00:45:23,200

I was a science in this

827

00:45:33,270 --> 00:45:29,349

but when I when I walk down a tiny

828

00:45:36,390 --> 00:45:33,280

little street that was curving to

829

00:45:39,900 --> 00:45:36,400

towards the center of this sacred town

830

00:45:45,359 --> 00:45:39,910

which was full of hundreds of temple

831

00:45:49,950 --> 00:45:45,369

around the river you know at one point I

832

00:45:53,970 --> 00:45:49,960

made one step on the earth one step more

833

00:45:59,700 --> 00:45:53,980

and I was in taken into the most

834

00:46:04,079 --> 00:45:59,710

unbelievable harmony field and and it's

835

00:46:06,720 --> 00:46:04,089

like you know you are you are one with

836

00:46:12,000 --> 00:46:06,730

all the ascetics that are meditating in

837

00:46:16,760 --> 00:46:12,010

those places the pilgrims also and also

838

00:46:20,550 --> 00:46:16,770

the temples who have the temples have a

839

00:46:23,700 --> 00:46:20,560

seat filled you know this wealthy the

840

00:46:26,310 --> 00:46:23,710

energy of consciousness it's for me now

841

00:46:29,010 --> 00:46:26,320

I know it's a high third dimension on

842

00:46:32,280 --> 00:46:29,020

the in the cosmos it's cosmic

843

00:46:34,920 --> 00:46:32,290

consciousness it's a hyper dimension it

844

00:46:41,190 --> 00:46:34,930

has very specific faster-than-light

845

00:46:45,059 --> 00:46:41,200

particles but it is inside each one of

846

00:46:47,400 --> 00:46:45,069

ourselves on them and in any way we are

847

00:46:50,069 --> 00:46:47,410

connected you know yes oh they're

848

00:46:51,839 --> 00:46:50,079

linking everything everything and what

849

00:46:53,490 --> 00:46:51,849

you're saying is that we're now coming

850

00:46:55,170 --> 00:46:53,500

into a time and you're saying over the

851
00:46:58,910 --> 00:46:55,180
past 30 years this has grown

852
00:47:02,609 --> 00:46:58,920
exponentially where we have more access

853
00:47:04,410 --> 00:47:02,619
we are we have the connection it is

854
00:47:07,290 --> 00:47:04,420
enhanced more than it's ever been before

855
00:47:09,780 --> 00:47:07,300
it's easier it seems because I know when

856
00:47:11,940 --> 00:47:09,790
I try to connect it's easier and like

857
00:47:13,890 --> 00:47:11,950
you mentioned it earlier in the shell

858
00:47:16,440 --> 00:47:13,900
the synchronicities are coming more

859
00:47:18,450 --> 00:47:16,450
frequently so there must be more and

860
00:47:21,089 --> 00:47:18,460
more of a connection amongst all of us

861
00:47:26,040 --> 00:47:21,099
whether we are conscious of it or not

862
00:47:28,950 --> 00:47:26,050
right it's definitely societies this is

863
00:47:34,230 --> 00:47:28,960

a this is a you can know you can imagine

864

00:47:36,690 --> 00:47:34,240

that each first piece field is inside

865

00:47:39,630 --> 00:47:36,700

those particles other

866

00:47:44,520 --> 00:47:39,640

a dimension inside that all particles or

867

00:47:47,579 --> 00:47:44,530

all of our cells on all of our organism

868

00:47:51,390 --> 00:47:47,589

and of course our hi what we call the

869

00:47:56,730 --> 00:47:51,400

higher-self of the self with a big s is

870

00:48:00,750 --> 00:47:56,740

only the hyper dimension part of our own

871

00:48:05,819 --> 00:48:00,760

being so it is living in on its own

872

00:48:10,849 --> 00:48:05,829

level it is connecting on this level it

873

00:48:14,790 --> 00:48:10,859

is connecting with all self all web

874

00:48:20,400 --> 00:48:14,800

people that are on of the same type of

875

00:48:23,700 --> 00:48:20,410

firm you know the same psychology is

876

00:48:27,690 --> 00:48:23,710

where the same values who have the same

877

00:48:30,599 --> 00:48:27,700

aims on so the did feel this spreading

878

00:48:33,530 --> 00:48:30,609

we have a lot of friends that we don't

879

00:48:36,960 --> 00:48:33,540

know anything about in our little ego

880

00:48:40,140 --> 00:48:36,970

from the higher dimension all right yes

881

00:48:42,780 --> 00:48:40,150

we do now here's a question from Katou

882

00:48:46,050 --> 00:48:42,790

in the chat room he says how do you feel

883

00:48:46,650 --> 00:48:46,060

about human initiated contact with

884

00:48:52,130 --> 00:48:46,660

aliens

885

00:48:58,400 --> 00:48:55,020

this is a very very difficult question

886

00:49:01,589 --> 00:48:58,410

and I don't think I can give an answer

887

00:49:07,920 --> 00:49:01,599

it's not something that you quote could

888

00:49:10,800 --> 00:49:07,930

try it for me it came to me as a as a

889

00:49:15,569 --> 00:49:10,810

contact because I had known those

890

00:49:20,880 --> 00:49:15,579

entities in a incredibly long time ago

891

00:49:24,180 --> 00:49:20,890

and so the contact came again but and

892

00:49:28,829 --> 00:49:24,190

then I was able to initiate some other

893

00:49:33,780 --> 00:49:28,839

contact but I am protected because I did

894

00:49:37,440 --> 00:49:33,790

a lot of meditation on one way you let's

895

00:49:41,040 --> 00:49:37,450

say I would say very clear simply that

896

00:49:43,800 --> 00:49:41,050

the more you are working on yourself on

897

00:49:48,900 --> 00:49:43,810

the more you are doing some type of

898

00:49:50,220 --> 00:49:48,910

technique of inner development the more

899

00:49:51,930 --> 00:49:50,230

you are protecting

900

00:49:54,210 --> 00:49:51,940

yourself the more you are in contact

901
00:49:58,590 --> 00:49:54,220
with your higher-self the more you are

902
00:50:01,170 --> 00:49:58,600
able to be harmonized inside yourself

903
00:50:03,780 --> 00:50:01,180
the more you are protected and the more

904
00:50:07,410 --> 00:50:03,790
you have you are protected then you can

905
00:50:10,650 --> 00:50:07,420
allow yourself anything you want but you

906
00:50:15,240 --> 00:50:10,660
have to be first you have to be sure

907
00:50:20,609 --> 00:50:15,250
that you you you have your signposts you

908
00:50:24,200 --> 00:50:20,619
you have marked down your allies you

909
00:50:27,750 --> 00:50:24,210
know that yeah so that you're aware of

910
00:50:30,480 --> 00:50:27,760
your shadow self you've worked on the

911
00:50:33,420 --> 00:50:30,490
skeletons in your closet taking them out

912
00:50:35,730 --> 00:50:33,430
shaking them up and basically cleared a

913
00:50:38,520 --> 00:50:35,740

lot in your consciousness so that you

914

00:50:40,220 --> 00:50:38,530

are more of a channel and and you don't

915

00:50:43,020 --> 00:50:40,230

bring in a lot of baggage to these

916

00:50:44,609 --> 00:50:43,030

relationships with extraterrestrials or

917

00:50:46,890 --> 00:50:44,619

interdimensional and I think you're

918

00:50:49,490 --> 00:50:46,900

right that's very important otherwise

919

00:50:53,370 --> 00:50:49,500

you're going to be safe along here

920

00:50:56,550 --> 00:50:53,380

yes especially if Patricia what you said

921

00:51:00,090 --> 00:50:56,560

is perfect that especially because we

922

00:51:03,870 --> 00:51:00,100

have to realize that as I said that the

923

00:51:07,530 --> 00:51:03,880

cosmos is teeming with life on the

924

00:51:09,960 --> 00:51:07,540

intelligent life is the aim of the wall

925

00:51:12,660 --> 00:51:09,970

of life in the universe I believe

926
00:51:15,120 --> 00:51:12,670
because the consciousness the cosmic

927
00:51:17,640 --> 00:51:15,130
consciousness came first and if you see

928
00:51:21,090 --> 00:51:17,650
things like that then you have to

929
00:51:24,570 --> 00:51:21,100
understand that we have a lot of

930
00:51:26,370 --> 00:51:24,580
neighbors aliens are everywhere and of

931
00:51:29,099 --> 00:51:26,380
course we know they are coming to us

932
00:51:33,300 --> 00:51:29,109
with good intention and banned intention

933
00:51:36,150 --> 00:51:33,310
so we have the same exact type of

934
00:51:41,520 --> 00:51:36,160
problems with the audience that we have

935
00:51:45,150 --> 00:51:41,530
with our neighbors in on earth our

936
00:51:47,700 --> 00:51:45,160
family neighbors and also our country

937
00:51:49,800 --> 00:51:47,710
neighboring country whatever we have the

938
00:51:52,410 --> 00:51:49,810

goods about the mill the mediums

939

00:51:57,590 --> 00:51:52,420

whatever you know the Buddha is

940

00:52:02,970 --> 00:51:57,600

embodying this right all all very very

941

00:52:03,900 --> 00:52:02,980

complex and so I believe that there is

942

00:52:06,000 --> 00:52:03,910

absolutely

943

00:52:10,890 --> 00:52:06,010

no question that there is some kind of

944

00:52:14,910 --> 00:52:10,900

Federation in attritional part of the of

945

00:52:17,809 --> 00:52:14,920

the galaxy it has to we we are very

946

00:52:20,880 --> 00:52:17,819

young world I mean we can have a

947

00:52:23,539 --> 00:52:20,890

civilization that are a million years

948

00:52:28,140 --> 00:52:23,549

older than Earth of course younger to

949

00:52:32,039 --> 00:52:28,150

but also you know maybe year 100 million

950

00:52:35,670 --> 00:52:32,049

years order yes exactly I mean we have

951
00:52:38,400 --> 00:52:35,680
that there is just we are very young but

952
00:52:40,200 --> 00:52:38,410
I think your answer to claw to is a good

953
00:52:42,750 --> 00:52:40,210
one you know you have to really clear

954
00:52:44,430 --> 00:52:42,760
yourself before you reach out to anybody

955
00:52:46,049 --> 00:52:44,440
you know whether it's your neighbor or

956
00:52:48,510 --> 00:52:46,059
whether it's an alien from another

957
00:52:50,190 --> 00:52:48,520
planet or another dimension you have to

958
00:52:52,890 --> 00:52:50,200
make sure you're not bringing baggage

959
00:52:55,170 --> 00:52:52,900
into that relationship that is going to

960
00:52:57,990 --> 00:52:55,180
cloud it color it or make it dangerous

961
00:52:58,710 --> 00:52:58,000
in some way so I think that's good

962
00:53:02,400 --> 00:52:58,720
advice

963
00:53:05,490 --> 00:53:02,410

and yeah so again I'm going to take

964

00:53:08,579 --> 00:53:05,500

another very short break in a minute

965

00:53:10,200 --> 00:53:08,589

and also again everybody feel free to

966

00:53:14,210 --> 00:53:10,210

continue to write your questions into

967

00:53:19,559 --> 00:53:14,220

the chat room it is I are in chat

968

00:53:23,670 --> 00:53:19,569

commnets irn chat calm and we will ask

969

00:53:25,140 --> 00:53:23,680

the questions to dr. Chris Hardy and she

970

00:53:30,720 --> 00:53:25,150

will answer them for you

971

00:53:33,630 --> 00:53:30,730

again that's irn chat comm irn chat calm

972

00:53:36,089 --> 00:53:33,640

and also go to our Facebook page for

973

00:53:39,120 --> 00:53:36,099

Supernatural girls with a Z so you can

974

00:53:43,200 --> 00:53:39,130

watch that UFO video and read about that

975

00:53:45,930 --> 00:53:43,210

curse tablet don't miss those so we are

976
00:53:49,200 --> 00:53:45,940
speaking with dr. Chris Hardy tonight

977
00:53:51,120 --> 00:53:49,210
about the Anunnaki 's and our key to the

978
00:53:52,400 --> 00:53:51,130
next sleep in consciousness we'll be

979
00:53:54,930 --> 00:53:52,410
right back

980
00:53:56,970 --> 00:53:54,940
welcome back everyone to supernatural

981
00:54:02,990 --> 00:53:56,980
Girls radio I am your host Patricia

982
00:54:07,010 --> 00:54:03,000
Baker I am here with PK from Tucson and

983
00:54:09,420 --> 00:54:07,020
we are here yes was wonderful

984
00:54:12,120 --> 00:54:09,430
tremendous guest tonight and he had to

985
00:54:15,390 --> 00:54:12,130
use this ecology dr. hardy she is the

986
00:54:17,730 --> 00:54:15,400
author of eight books on where we come

987
00:54:21,480 --> 00:54:17,740
from the Anunnaki and

988
00:54:23,460 --> 00:54:21,490

also our sacred right to connect in

989

00:54:25,290 --> 00:54:23,470

these tell our fields and now that we're

990

00:54:27,150 --> 00:54:25,300

talking about tonight is our elite in

991

00:54:30,750 --> 00:54:27,160

consciousness we are ready to make that

992

00:54:34,680 --> 00:54:30,760

leap I think so yes

993

00:54:38,130 --> 00:54:34,690

yeah I believe so yeah I can't oh yeah

994

00:54:42,270 --> 00:54:38,140

in it right we are now here's a question

995

00:54:44,240 --> 00:54:42,280

for you Chris from starlight who says do

996

00:54:48,120 --> 00:54:44,250

you think people on earth will

997

00:54:52,770 --> 00:54:48,130

experience another phase of physical and

998

00:54:58,680 --> 00:54:52,780

intellectual evolution because of alien

999

00:55:02,640 --> 00:54:58,690

influence ah well I'm a little upset

1000

00:55:07,500 --> 00:55:02,650

about the fact that we are always

1001
00:55:09,930 --> 00:55:07,510
putting on the aliens everything good we

1002
00:55:14,310 --> 00:55:09,940
can do and everything bad that happened

1003
00:55:16,500 --> 00:55:14,320
to us and in fact you know we were

1004
00:55:20,820 --> 00:55:16,510
talking about the Anunnaki before I'm in

1005
00:55:25,740 --> 00:55:20,830
the eye now a very long past we are far

1006
00:55:28,880 --> 00:55:25,750
beyond them right now we are starting

1007
00:55:33,090 --> 00:55:28,890
this leap of consciousness as a

1008
00:55:35,970 --> 00:55:33,100
collective planetary consciousness and

1009
00:55:43,410 --> 00:55:35,980
it is our planetary consciousness of

1010
00:55:47,820 --> 00:55:43,420
Earth well whether we are the descendant

1011
00:55:50,580 --> 00:55:47,830
of the Anunnaki or from some alien films

1012
00:55:53,160 --> 00:55:50,590
whatever it doesn't matter

1013
00:55:58,530 --> 00:55:53,170

everybody in the cosmos has many

1014

00:56:02,780 --> 00:55:58,540

multiple roots I would say we share

1015

00:56:06,750 --> 00:56:02,790

usually shares a genes we share the

1016

00:56:10,500 --> 00:56:06,760

consciousness and so we we have to take

1017

00:56:12,690 --> 00:56:10,510

our own responsibility that we are going

1018

00:56:16,320 --> 00:56:12,700

to be able as a collective consciousness

1019

00:56:21,870 --> 00:56:16,330

as a planetary tell event to make it

1020

00:56:25,620 --> 00:56:21,880

stable 24 hours a day and so that each

1021

00:56:30,380 --> 00:56:25,630

time we are able to connect to be open

1022

00:56:33,800 --> 00:56:30,390

to high state to our inner

1023

00:56:38,320 --> 00:56:33,810

self that we are going to be able to

1024

00:56:41,950 --> 00:56:38,330

communicate in this field and make it

1025

00:56:44,600 --> 00:56:41,960

tag solid you know this is our own

1026
00:56:50,500 --> 00:56:44,610
collective consciousness that is going

1027
00:56:53,540 --> 00:56:50,510
to the mall we build it the more it will

1028
00:57:00,100 --> 00:56:53,550
happen by itself that it will keep going

1029
00:57:08,540 --> 00:57:04,310
sacred work you know it like a an

1030
00:57:13,940 --> 00:57:08,550
alchemic alchemical work you know great

1031
00:57:19,540 --> 00:57:13,950
work of our time and so we we are going

1032
00:57:23,030 --> 00:57:19,550
to be faced with terrible aliens want to

1033
00:57:27,560 --> 00:57:23,040
keep us in control as you said earlier

1034
00:57:31,580 --> 00:57:27,570
this also is existing I'm not denying we

1035
00:57:34,550 --> 00:57:31,590
are going to meet States allies this is

1036
00:57:39,380 --> 00:57:34,560
my next book science fiction which is

1037
00:57:43,460 --> 00:57:39,390
going to be called space alive we have

1038
00:57:46,700 --> 00:57:43,470

already chose allies we have a lot of an

1039

00:57:51,260 --> 00:57:46,710

immense number of alien races that are

1040

00:57:56,120 --> 00:57:51,270

just so on so are not interest by earth

1041

00:58:00,920 --> 00:57:56,130

we are not interesting them but we are

1042

00:58:04,600 --> 00:58:00,930

going to in my opinion soon we have

1043

00:58:08,060 --> 00:58:04,610

already the contact with the Federation

1044

00:58:12,250 --> 00:58:08,070

in my opinion now I'm talking I mean

1045

00:58:24,170 --> 00:58:21,320

it's a it's going to be like it's going

1046

00:58:28,790 --> 00:58:24,180

to be like Federation on earth you know

1047

00:58:31,160 --> 00:58:28,800

the UN at the Galactic level so it will

1048

00:58:33,710 --> 00:58:31,170

be the Galactic Federation here on earth

1049

00:58:36,080 --> 00:58:33,720

which would be interesting I think and

1050

00:58:40,160 --> 00:58:36,090

certainly some people have mind to be in

1051
00:58:42,290 --> 00:58:40,170
contact with Galactic Federation agents

1052
00:58:43,269 --> 00:58:42,300
or officers or whatever you want to call

1053
00:58:45,099 --> 00:58:43,279
them

1054
00:58:46,659 --> 00:58:45,109
and some of these people I believe I

1055
00:58:48,969 --> 00:58:46,669
mean I think they're very credible they

1056
00:58:51,939 --> 00:58:48,979
are telling an experience that I think

1057
00:58:54,099 --> 00:58:51,949
is very real and certainly why wouldn't

1058
00:58:55,029 --> 00:58:54,109
there be a Galactic Federation it makes

1059
00:58:57,640 --> 00:58:55,039
perfect sense

1060
00:59:00,759 --> 00:58:57,650
it's to have something like that some

1061
00:59:03,399 --> 00:59:00,769
type of organization oh yeah I think

1062
00:59:06,279 --> 00:59:03,409
that it is rural and I does yeah I think

1063
00:59:10,419 --> 00:59:06,289

we can eventually participate to some

1064

00:59:13,779 --> 00:59:10,429

degree in this hopefully yes so it's

1065

00:59:17,219 --> 00:59:13,789

like we are going to be faced with sort

1066

00:59:23,259 --> 00:59:17,229

of totally different types of politics

1067

00:59:25,559 --> 00:59:23,269

but nothing that will be different from

1068

00:59:28,539 --> 00:59:25,569

what we are experiencing now in

1069

00:59:31,809 --> 00:59:28,549

democracies you know I deal with that

1070

00:59:34,719 --> 00:59:31,819

very good but here's my question - I

1071

00:59:37,449 --> 00:59:34,729

mean this there seems to be also a lot

1072

00:59:40,959 --> 00:59:37,459

of number of people that have come

1073

00:59:44,099 --> 00:59:40,969

forward and they say that there are

1074

00:59:47,859 --> 00:59:44,109

entities here that are of not friendly

1075

00:59:52,089 --> 00:59:47,869

that are out to harm us and there's been

1076
00:59:55,209 --> 00:59:52,099
a lot said about Antarctica and ss-she's

1077
00:59:57,039 --> 00:59:55,219
in an article now do you you know

1078
00:59:59,890 --> 00:59:57,049
anything about that you know if these

1079
01:00:01,809 --> 00:59:59,900
are some unknown Aki's that are that

1080
01:00:05,199 --> 01:00:01,819
have been put in a cryo state and are

1081
01:00:07,749 --> 01:00:05,209
being brought back to life but don't

1082
01:00:09,969 --> 01:00:07,759
thank you John I don't they're Giants

1083
01:00:16,989 --> 01:00:09,979
down there in Antarctica that they found

1084
01:00:21,029 --> 01:00:16,999
uh well I may not know enough about that

1085
01:00:26,009 --> 01:00:21,039
to be you're clear I know there are some

1086
01:00:32,709 --> 01:00:26,019
aliens in Antarctica I know also that I

1087
01:00:39,039 --> 01:00:32,719
feel um no strongly that Hitler was the

1088
01:00:44,319 --> 01:00:39,049

first despot to be overshadowed by

1089

01:00:47,169 --> 01:00:44,329

aliens and we we do have this problem we

1090

01:00:51,819 --> 01:00:47,179

had the problem that we have a strong

1091

01:00:55,839 --> 01:00:51,829

alien presence on earth that but if you

1092

01:00:57,009 --> 01:00:55,849

if you can this is what I am able to

1093

01:00:59,139 --> 01:00:57,019

explain in my

1094

01:01:01,449 --> 01:00:59,149

in fiction because you can do whatever

1095

01:01:04,149 --> 01:01:01,459

you can say whatever you want

1096

01:01:10,389 --> 01:01:04,159

you know and I'm having what we are

1097

01:01:13,209 --> 01:01:10,399

allowing to discuss it on the on what

1098

01:01:17,709 --> 01:01:13,219

other people say but and if you imagine

1099

01:01:21,009 --> 01:01:17,719

that let's say we have let's safe to be

1100

01:01:26,109 --> 01:01:21,019

clear like to be simple 20 different

1101

01:01:31,389 --> 01:01:26,119

alien races in galaxies all of different

1102

01:01:34,599 --> 01:01:31,399

age some being 10 million years order in

1103

01:01:40,209 --> 01:01:34,609

their civilizations and earth also one

1104

01:01:44,019 --> 01:01:40,219

that I'm not even at the stage of biped

1105

01:01:48,779 --> 01:01:44,029

you know all the world and so you have

1106

01:01:54,309 --> 01:01:48,789

this extremely differentiated type of

1107

01:01:58,539 --> 01:01:54,319

landscape of intelligent realism and if

1108

01:02:01,239 --> 01:01:58,549

you if you catch it like that then you

1109

01:02:04,589 --> 01:02:01,249

you will understand if there cannot not

1110

01:02:08,169 --> 01:02:04,599

be a federation of those races that are

1111

01:02:10,209 --> 01:02:08,179

much older than us well they had to

1112

01:02:13,289 --> 01:02:10,219

organize themselves like we are

1113

01:02:16,120 --> 01:02:13,299

organizing on earth it's a stage of a

1114

01:02:19,629 --> 01:02:16,130

civilization that you suddenly become

1115

01:02:20,739 --> 01:02:19,639

global on start organizing at a at a

1116

01:02:23,169 --> 01:02:20,749

global level

1117

01:02:25,449 --> 01:02:23,179

you know we have to go through that we

1118

01:02:29,879 --> 01:02:25,459

have to keep our freedom but we cannot

1119

01:02:32,319 --> 01:02:29,889

not move with some type of globalization

1120

01:02:35,229 --> 01:02:32,329

everything is global the Internet is

1121

01:02:40,019 --> 01:02:35,239

global this is a good point a good thing

1122

01:02:43,539 --> 01:02:40,029

so if we if you have this then you

1123

01:02:50,169 --> 01:02:43,549

understand also that they are they may

1124

01:02:53,399 --> 01:02:50,179

be looking toward the world that are

1125

01:02:59,979 --> 01:02:53,409

exactly at our own stage of development

1126

01:03:02,259 --> 01:02:59,989

meaning that we start being being we

1127

01:03:07,689 --> 01:03:02,269

start knowing for sure that they cannot

1128

01:03:10,960 --> 01:03:07,699

not be aliens everywhere around us as on

1129

01:03:15,210 --> 01:03:10,970

the same time they're here yes

1130

01:03:17,770 --> 01:03:15,220

at the same time we have government

1131

01:03:20,680 --> 01:03:17,780

establishment science that are still

1132

01:03:23,170 --> 01:03:20,690

blocking this information while they

1133

01:03:25,960 --> 01:03:23,180

have it of course and so because

1134

01:03:27,609 --> 01:03:25,970

supposedly we are not ready but if you

1135

01:03:30,370 --> 01:03:27,619

understand the big picture like that

1136

01:03:32,410 --> 01:03:30,380

then you will understand that those were

1137

01:03:36,930 --> 01:03:32,420

that are much more advanced in the

1138

01:03:41,309 --> 01:03:36,940

Federation would have put some kind of

1139

01:03:47,680 --> 01:03:41,319

racers to look over very young planet on

1140

01:03:52,299 --> 01:03:47,690

those crystalline aliens may not be at

1141

01:03:57,490 --> 01:03:52,309

all from the same human film and may not

1142

01:03:59,620 --> 01:03:57,500

be at all sympathetic to our own path of

1143

01:04:01,750 --> 01:03:59,630

development in terms of collective

1144

01:04:03,309 --> 01:04:01,760

control me ask let me ask you this about

1145

01:04:06,309 --> 01:04:03,319

the Anunnaki because I know you're

1146

01:04:08,170 --> 01:04:06,319

you've done a lot of research about them

1147

01:04:11,109 --> 01:04:08,180

do you think there's any remnants of the

1148

01:04:14,079 --> 01:04:11,119

Anunnaki here today I mean other than us

1149

01:04:16,240 --> 01:04:14,089

we are their genetic children but are

1150

01:04:18,180 --> 01:04:16,250

there any remnants of the leaders of old

1151

01:04:23,710 --> 01:04:18,190

are they still here with us somewhere

1152

01:04:25,779 --> 01:04:23,720

our if there is a two or three Anunnaki

1153

01:04:28,380 --> 01:04:25,789

remaining because I remember you that

1154

01:04:32,740 --> 01:04:28,390

they self destroyed by a nuclear

1155

01:04:37,289 --> 01:04:32,750

explosion on Palestine you know like

1156

01:04:40,960 --> 01:04:37,299

something like 2,000 years be seen on

1157

01:04:43,089 --> 01:04:40,970

the destroy oh this they destroyed their

1158

01:04:47,079 --> 01:04:43,099

own civilization in the wall of

1159

01:04:50,559 --> 01:04:47,089

Mesopotamia meaning Sumer by radioactive

1160

01:04:54,849 --> 01:04:50,569

clouds from Palestine okay so a lot of

1161

01:04:59,380 --> 01:04:54,859

them are are gone they died they were

1162

01:05:04,210 --> 01:04:59,390

too sick and finally died the last there

1163

01:05:09,579 --> 01:05:04,220

are quasi immortality and if we have two

1164

01:05:15,609 --> 01:05:09,589

or three of them remaining they may not

1165

01:05:20,500 --> 01:05:15,619

have the type of control that we that

1166

01:05:24,460 --> 01:05:20,510

they had before you know yes long as we

1167

01:05:29,230 --> 01:05:24,470

are becoming stronger and we are not

1168

01:05:34,660 --> 01:05:32,410

going in their ways you know that we're

1169

01:05:37,599 --> 01:05:34,670

not going to be slaves anymore which is

1170

01:05:39,450 --> 01:05:37,609

a good thing well we have never been we

1171

01:05:43,510 --> 01:05:39,460

have never been I tell you something

1172

01:05:47,020 --> 01:05:43,520

Angie wanted to have us to keep us as

1173

01:05:51,820 --> 01:05:47,030

slaves this is a fact he tried to erase

1174

01:05:54,400 --> 01:05:51,830

it erases the world of humanity at three

1175

01:05:59,820 --> 01:05:54,410

different times including the deluge and

1176

01:06:03,010 --> 01:05:59,830

it was not able to do that because of

1177

01:06:07,180 --> 01:06:03,020

the scientific clan and Keenan man

1178

01:06:10,390 --> 01:06:07,190

Hellmuth on one and because we we are

1179

01:06:14,920 --> 01:06:10,400

starting to be already able to have our

1180

01:06:18,099 --> 01:06:14,930

own life force and intelligence on to

1181

01:06:21,460 --> 01:06:18,109

grow so what what has not been able to

1182

01:06:26,370 --> 01:06:21,470

be done are ages ago

1183

01:06:32,800 --> 01:06:26,380

like the deluge is like something like

1184

01:06:35,560 --> 01:06:32,810

11,000 years BC so it cannot be

1185

01:06:38,980 --> 01:06:35,570

happening now especially now that we are

1186

01:06:42,040 --> 01:06:38,990

starting to have this planetary

1187

01:06:44,589 --> 01:06:42,050

collective field we are coming very very

1188

01:06:48,220 --> 01:06:44,599

strong and we are now going to be able

1189

01:06:50,740 --> 01:06:48,230

to take our destiny into our own hands

1190

01:06:53,950 --> 01:06:50,750

even if we get into the Federation it

1191

01:06:56,380 --> 01:06:53,960

will be as a very strong collective

1192

01:06:59,230 --> 01:06:56,390

consciousness on the planet that's

1193

01:07:01,990 --> 01:06:59,240

wonderful news and now the Anunnaki

1194

01:07:04,359 --> 01:07:02,000

obviously were quite advanced and they

1195

01:07:07,780 --> 01:07:04,369

had the ability of total telepathy as

1196

01:07:10,270 --> 01:07:07,790

well as other mind control and and

1197

01:07:13,930 --> 01:07:10,280

things like that but here's my question

1198

01:07:15,760 --> 01:07:13,940

do you feel that we're going to go to a

1199

01:07:18,190 --> 01:07:15,770

level that's even beyond what the

1200

01:07:20,440 --> 01:07:18,200

Anunnaki have with their because we are

1201

01:07:24,550 --> 01:07:20,450

already at a level that is beyond what

1202

01:07:28,510 --> 01:07:24,560

the Anunnaki where other because this is

1203

01:07:31,210 --> 01:07:28,520

a very very long time already because

1204

01:07:33,810 --> 01:07:31,220

the type of spirituality that you can

1205

01:07:38,360 --> 01:07:33,820

see in ancient books

1206

01:07:42,750 --> 01:07:38,370

in Eastern philosophies and religions in

1207

01:07:46,470 --> 01:07:42,760

mysticism in the in the religions of the

1208

01:07:50,930 --> 01:07:46,480

book like Sufism like Christian

1209

01:07:54,870 --> 01:07:50,940

Mississippi me this is a much higher

1210

01:07:58,410 --> 01:07:54,880

level in terms of values I mean the

1211

01:08:00,510 --> 01:07:58,420

Annunaki had absolutely awful cycles

1212

01:08:05,670 --> 01:08:00,520

they were unable to reflect on

1213

01:08:09,660 --> 01:08:05,680

themselves they were unable to accept

1214

01:08:13,140 --> 01:08:09,670

their own shortcomings and they were not

1215

01:08:17,849 --> 01:08:13,150

looking at all to improve themselves

1216

01:08:20,370 --> 01:08:17,859

like now we are all on a quest to to

1217

01:08:22,920 --> 01:08:20,380

move on you know it's totally does and

1218

01:08:25,920 --> 01:08:22,930

like you mentioned earlier to basically

1219

01:08:29,130 --> 01:08:25,930

clear out some of these things from the

1220

01:08:31,499 --> 01:08:29,140

past and from our own energy systems

1221

01:08:33,510 --> 01:08:31,509

so yeah they weren't interested in any

1222

01:08:36,240 --> 01:08:33,520

of that so it did hold back their own

1223

01:08:40,200 --> 01:08:36,250

evolution here's a question for you

1224

01:08:42,900 --> 01:08:40,210

whatever happened to the UN's effort to

1225

01:08:46,079 --> 01:08:42,910

establish a committee to deal with

1226

01:08:47,690 --> 01:08:46,089

possible contact with aliens I don't

1227

01:08:51,090 --> 01:08:47,700

know whatever happened to that do you

1228

01:08:53,940 --> 01:08:51,100

know I don't know I would love to have

1229

01:08:56,670 --> 01:08:53,950

some buddies on the other talk about it

1230

01:08:58,620 --> 01:08:56,680

it was quite a topic there for quite

1231

01:09:01,260 --> 01:08:58,630

some time in it it's just almost like

1232

01:09:05,099 --> 01:09:01,270

somebody erased it yeah I just thought

1233

01:09:08,490 --> 01:09:05,109

when is window what kind of search time

1234

01:09:11,190 --> 01:09:08,500

I mean when did it happen there's no

1235

01:09:13,829 --> 01:09:11,200

date on it but do you know a date PK I

1236

01:09:14,910 --> 01:09:13,839

don't remember but no yeah this is

1237

01:09:19,110 --> 01:09:14,920

instead of ABBA

1238

01:09:21,570 --> 01:09:19,120

yeah it must have been at the time that

1239

01:09:26,460 --> 01:09:21,580

they were allowed they were putting out

1240

01:09:30,870 --> 01:09:26,470

some laws about a non militarization of

1241

01:09:33,450 --> 01:09:30,880

space it must be at this gigantic time I

1242

01:09:36,210 --> 01:09:33,460

will have the possibility would say yeah

1243

01:09:38,999 --> 01:09:36,220

maybe link maybe that's what the person

1244

01:09:42,420 --> 01:09:39,009

asking the question is talking about as

1245

01:09:47,280 --> 01:09:42,430

a day has been it has been putted to a

1246

01:09:51,030 --> 01:09:47,290

low I mean we have clear laws about the

1247

01:09:54,960 --> 01:09:51,040

facts that which we should not get our

1248

01:09:58,350 --> 01:09:54,970

military into space yes right yes but

1249

01:10:00,540 --> 01:09:58,360

there's a lot of talk about you know

1250

01:10:03,300 --> 01:10:00,550

even with the Pope and Catholic Church

1251

01:10:05,280 --> 01:10:03,310

about aliens coming here being here

1252

01:10:07,860 --> 01:10:05,290

whatever it just seems like there are

1253

01:10:11,910 --> 01:10:07,870

some organizations is still want to put

1254

01:10:15,360 --> 01:10:11,920

their stamp of ownership on this so yes

1255

01:10:18,240 --> 01:10:15,370

yes look this is what I was telling you

1256

01:10:20,700 --> 01:10:18,250

if you if you were understand that in

1257

01:10:23,670 --> 01:10:20,710

the fairy generation we have they have

1258

01:10:27,240 --> 01:10:23,680

to look on younger planets that are soon

1259

01:10:30,330 --> 01:10:27,250

going to be aware of alien presence and

1260

01:10:33,150 --> 01:10:30,340

then will be accepted in the Federation

1261

01:10:36,090 --> 01:10:33,160

then you have a custodian power on this

1262

01:10:40,290 --> 01:10:36,100

creature than power on earth now this is

1263

01:10:43,230 --> 01:10:40,300

all of my own sensitivity size and

1264

01:10:46,890 --> 01:10:43,240

activity that I can express in my sci-fi

1265

01:10:49,380 --> 01:10:46,900

books and I believe that the the

1266

01:10:54,900 --> 01:10:49,390

crystalline power that had been on earth

1267

01:11:01,380 --> 01:10:54,910

in the last seven or so of 10 millennia

1268

01:11:05,550 --> 01:11:01,390

since the deluge is not truthful is not

1269

01:11:07,980 --> 01:11:05,560

a human special on is not sympathetic to

1270

01:11:10,590 --> 01:11:07,990

our advancement because if you have a

1271

01:11:14,010 --> 01:11:10,600

custodian power like the despot a

1272

01:11:17,100 --> 01:11:14,020

despotic power this crystalline power

1273

01:11:21,320 --> 01:11:17,110

will have all interest in keeping us

1274

01:11:25,350 --> 01:11:21,330

blind and this is why I agree with you

1275

01:11:28,440 --> 01:11:25,360

and I am a parapsychologist to you know

1276

01:11:31,770 --> 01:11:28,450

um I did my doctoral thesis was on my

1277

01:11:35,430 --> 01:11:31,780

research on I have been seeing these a

1278

01:11:38,790 --> 01:11:35,440

very specific information totally

1279

01:11:43,710 --> 01:11:38,800

blocked in very specific domains in

1280

01:11:45,540 --> 01:11:43,720

science and in trying to block the

1281

01:11:49,020 --> 01:11:45,550

people from getting the information

1282

01:11:51,390 --> 01:11:49,030

about their own experience of SCI and

1283

01:11:56,210 --> 01:11:51,400

this has been in very specific domain

1284

01:11:59,160 --> 01:11:56,220

which are SCI aliens the alien

1285

01:12:01,110 --> 01:11:59,170

possibility existing in the universe on

1286

01:12:04,800 --> 01:12:01,120

the alien presence of

1287

01:12:08,010 --> 01:12:04,810

on the 13 is higher state of

1288

01:12:12,810 --> 01:12:08,020

consciousness high spirituality which is

1289

01:12:15,960 --> 01:12:12,820

not in octodome lines you know these

1290

01:12:18,120 --> 01:12:15,970

three domains have been they have tried

1291

01:12:20,640 --> 01:12:18,130

and tried and tried to block the

1292

01:12:24,600 --> 01:12:20,650

information from us but our own

1293

01:12:26,580 --> 01:12:24,610

awakening is so strong that we are

1294

01:12:31,110 --> 01:12:26,590

passing the information between us

1295

01:12:33,450 --> 01:12:31,120

quicker than by anything genetic or

1296

01:12:37,410 --> 01:12:33,460

whatever this is what's happening now

1297

01:12:41,850 --> 01:12:37,420

it's at the level of the self the higher

1298

01:12:44,460 --> 01:12:41,860

self of each one of us they they we are

1299

01:12:47,490 --> 01:12:44,470

exchanging information and going further

1300

01:12:49,410 --> 01:12:47,500

very quickly yeah we really are and

1301

01:12:51,090 --> 01:12:49,420

you're right they can't lock information

1302

01:12:54,510 --> 01:12:51,100

like they used to in fact we had a

1303

01:12:56,490 --> 01:12:54,520

former FBI gentleman on our show and

1304

01:12:59,130 --> 01:12:56,500

that's one of the things he said is they

1305

01:13:02,340 --> 01:12:59,140

don't even try to block a lot of it they

1306

01:13:04,080 --> 01:13:02,350

just let it all out everybody is like

1307

01:13:06,600 --> 01:13:04,090

either overwhelmed or they don't know

1308

01:13:10,710 --> 01:13:06,610

what's real or whatever but again this

1309

01:13:13,830 --> 01:13:10,720

is why what you have to say is so

1310

01:13:17,450 --> 01:13:13,840

important Chris because you are urging

1311

01:13:20,870 --> 01:13:17,460

all of us to continue to go inside

1312

01:13:24,870 --> 01:13:20,880

connect with that field of unity and

1313

01:13:27,150 --> 01:13:24,880

keep working from that place and that's

1314

01:13:30,120 --> 01:13:27,160

where our power is that's where we can

1315

01:13:33,360 --> 01:13:30,130

really affect change you know of your

1316

01:13:35,730 --> 01:13:33,370

messages is very is very important I

1317

01:13:39,990 --> 01:13:35,740

think to all of us because there's so

1318

01:13:43,320 --> 01:13:40,000

much information disinformation and it

1319

01:13:44,370 --> 01:13:43,330

can just drive you nuts why not just do

1320

01:13:47,610 --> 01:13:44,380

what you're suggesting

1321

01:13:51,990 --> 01:13:47,620

go inside whether it's meditation or

1322

01:13:54,420 --> 01:13:52,000

song or prayer it doesn't matter but

1323

01:13:58,230 --> 01:13:54,430

that's a very powerful thing to do and

1324

01:14:00,210 --> 01:13:58,240

we can ride the wave of the energy that

1325

01:14:02,130 --> 01:14:00,220

is surrounding yours right now we can

1326

01:14:04,860 --> 01:14:02,140

take advantage of that and maybe if

1327

01:14:07,200 --> 01:14:04,870

stronger was very nice yes yes yes of

1328

01:14:11,060 --> 01:14:07,210

course of course it all goes together

1329

01:14:14,760 --> 01:14:11,070

you know I have the my feeling is that

1330

01:14:19,110 --> 01:14:14,770

you have to see the cosmos as a

1331

01:14:22,130 --> 01:14:19,120

a hologram on it it's possible and it's

1332

01:14:26,580 --> 01:14:22,140

an idea I developed in this book space

1333

01:14:31,020 --> 01:14:26,590

allies is that it's very very possible

1334

01:14:35,850 --> 01:14:31,030

that the kind of leap in consciousness

1335

01:14:39,870 --> 01:14:35,860

that we are riding now as a very very

1336

01:14:42,690 --> 01:14:39,880

powerful wave is also happening in some

1337

01:14:48,000 --> 01:14:42,700

other civilizations that are sympathetic

1338

01:14:52,530 --> 01:14:48,010

to consciousness you know and then it

1339

01:14:56,850 --> 01:14:52,540

would mean and this is the story in my

1340

01:15:01,770 --> 01:14:56,860

next book specialize is the fact that we

1341

01:15:04,410 --> 01:15:01,780

are going to make this leap a different

1342

01:15:07,680 --> 01:15:04,420

world together and it's not because

1343

01:15:10,680 --> 01:15:07,690

earth is not a member of the Federation

1344

01:15:14,100 --> 01:15:10,690

yet that we are not important we have to

1345

01:15:16,860 --> 01:15:14,110

understand that in a hologram it's like

1346

01:15:20,130 --> 01:15:16,870

we are connected to those spaced allies

1347

01:15:24,060 --> 01:15:20,140

the civilizations that are also looking

1348

01:15:27,060 --> 01:15:24,070

to improve their own culture you know

1349

01:15:29,520 --> 01:15:27,070

internal consciousness rights possible

1350

01:15:33,450 --> 01:15:29,530

it's possible that those specialized as

1351

01:15:36,990 --> 01:15:33,460

I picture them they are all societies

1352

01:15:41,360 --> 01:15:37,000

our science their world politics is

1353

01:15:44,340 --> 01:15:41,370

based on moving into the room of

1354

01:15:49,170 --> 01:15:44,350

consciousness you know are not matter

1355

01:15:52,220 --> 01:15:49,180

not riches on power you know yes exactly

1356

01:15:55,440 --> 01:15:52,230

I mean it's a big change of foot and

1357

01:15:57,390 --> 01:15:55,450

that's why I think your books are at the

1358

01:15:59,130 --> 01:15:57,400

leading edge of all of this and again we

1359

01:16:02,160 --> 01:15:59,140

can't recommend your books highly enough

1360

01:16:04,500 --> 01:16:02,170

if you want to understand the history of

1361

01:16:07,050 --> 01:16:04,510

all of this which you have lots of books

1362

01:16:10,140 --> 01:16:07,060

about the history of this your most

1363

01:16:12,900 --> 01:16:10,150

recent book war of the Anunnaki which is

1364

01:16:15,150 --> 01:16:12,910

a great book and then all of your other

1365

01:16:18,480 --> 01:16:15,160

ones too that support this leap of

1366

01:16:20,900 --> 01:16:18,490

consciousness that we are in the middle

1367

01:16:23,490 --> 01:16:20,910

of and looks like we'll be launching

1368

01:16:24,979 --> 01:16:23,500

ourselves from it on to the next year

1369

01:16:27,979 --> 01:16:24,989

right

1370

01:16:30,380 --> 01:16:27,989

so it's all it's all good because again

1371

01:16:32,570 --> 01:16:30,390

we want to take our power back you know

1372

01:16:34,150 --> 01:16:32,580

we don't know what to do we know in

1373

01:16:37,010 --> 01:16:34,160

displaying we don't we already

1374

01:16:40,280 --> 01:16:37,020

misinformed this informed we want our

1375

01:16:42,470 --> 01:16:40,290

power to come back to us and so it's

1376

01:16:45,350 --> 01:16:42,480

very important to do these things than

1377

01:16:47,060 --> 01:16:45,360

to get enter those tell Hartfield and I

1378

01:16:50,750 --> 01:16:47,070

think like you said you know when you're

1379

01:16:54,020 --> 01:16:50,760

there is you can feel it oh let me just

1380

01:16:57,470 --> 01:16:54,030

mention that all these so understanding

1381

01:17:00,650 --> 01:16:57,480

about telehealth fient is in my book

1382

01:17:03,890 --> 01:17:00,660

called the sacred network which I run a

1383

01:17:07,130 --> 01:17:03,900

publisher at the inner traditions yes

1384

01:17:11,120 --> 01:17:07,140

another great book by dr. Chris Hardy

1385

01:17:12,860 --> 01:17:11,130

the sacred network and Chris we can't

1386

01:17:15,470 --> 01:17:12,870

thank you enough for coming on the show

1387

01:17:18,830 --> 01:17:15,480

late at night from all the way from

1388

01:17:21,560 --> 01:17:18,840

France it's been a delight as always to

1389

01:17:24,380 --> 01:17:21,570

talk to you so knowledgeable and so

1390

01:17:27,380 --> 01:17:24,390

helpful to everybody in our audience so

1391

01:17:31,240 --> 01:17:27,390

thank you thank you thank you and we

1392

01:17:34,160 --> 01:17:31,250

await your next book and in the meantime

1393

01:17:36,490 --> 01:17:34,170

people if you have questions about your

1394

01:17:40,490 --> 01:17:36,500

numbers going from a nine to a one

1395

01:17:43,220 --> 01:17:40,500

month's then send PK your name and your

1396

01:17:46,010 --> 01:17:43,230

birthdate and she's going to do her best

1397

01:17:48,229 --> 01:17:46,020

to answer your questions all for free

1398

01:17:50,360 --> 01:17:48,239

cause they love you guys we're happy

1399

01:17:53,090 --> 01:17:50,370

that you listened to the show and we

1400

01:17:56,959 --> 01:17:53,100

want to give to you everything that you

1401

01:18:01,040 --> 01:17:56,969

need so in the meantime we will be back

1402

01:18:03,350 --> 01:18:01,050

next week with another great show we

1403

01:18:05,570 --> 01:18:03,360

have Close Encounters man coming we're

1404

01:18:09,530 --> 01:18:05,580

going to be talking about where it all

1405

01:18:11,180 --> 01:18:09,540

started with J Allen Hynek and I can't

1406

01:18:13,340 --> 01:18:11,190

wait to find out what this guy has to

1407

01:18:17,630 --> 01:18:13,350

say about this man so we're going to

1408

01:18:20,300 --> 01:18:17,640

find out and until then I'll see you on

1409

01:18:22,439 --> 01:18:20,310

the blue Highway good night everybody

1410

01:18:24,820 --> 01:18:22,449

good night
