

Gloria Amendola

Listen on

inceptionradionetwork.com

1
00:00:11,910 --> 00:00:08,340
you're tuned in tonight vision radio

2
00:00:14,709 --> 00:00:11,920
exposing the truth one secret at a time

3
00:00:17,200 --> 00:00:14,719
prepare yourself as we explore the

4
00:00:20,890 --> 00:00:17,210
shadow worlds of suppressed history

5
00:00:23,230 --> 00:00:20,900
secret knowledge forbidden religion and

6
00:00:25,980 --> 00:00:23,240
shine a light on the conspiracies to

7
00:00:39,570 --> 00:00:25,990
keep it all from us

8
00:00:39,580 --> 00:01:06,080
[Music]

9
00:01:16,819 --> 00:01:15,050
welcome to night-vision radio hey

10
00:01:18,859 --> 00:01:16,829
welcome to the show I'm Renee Barnett

11
00:01:20,810 --> 00:01:18,869
your host I'm gonna get right into it

12
00:01:24,260 --> 00:01:20,820
because I'm excited about tonight's

13
00:01:26,120 --> 00:01:24,270

guests and our subject matter we have a

14

00:01:28,580 --> 00:01:26,130

guest that a lot of you guys are already

15

00:01:30,620 --> 00:01:28,590

familiar with because she is a good

16

00:01:33,710 --> 00:01:30,630

friend of night vision and she's one of

17

00:01:36,859 --> 00:01:33,720

my best and dearest friends and fellow

18

00:01:39,529 --> 00:01:36,869

researcher and we've done lots of fun

19

00:01:41,840 --> 00:01:39,539

projects together let some tours to

20

00:01:45,980 --> 00:01:41,850

Southwest France in the UK in different

21

00:01:48,320 --> 00:01:45,990

places and we constantly have these

22

00:01:50,839 --> 00:01:48,330

really interesting telephone

23

00:01:53,570 --> 00:01:50,849

conversations because we're on opposite

24

00:01:54,919 --> 00:01:53,580

coasts of the United States I think you

25

00:01:56,839 --> 00:01:54,929

a lot of you already know who I'm

26

00:02:00,850 --> 00:01:56,849

talking about I'm talking about author

27

00:02:04,999 --> 00:02:00,860

and intuitive Gloria Amendola hey Gloria

28

00:02:07,010 --> 00:02:05,009

hey Rene how are you oh I'm good it's

29

00:02:09,859 --> 00:02:07,020

been a crazy week I know it has for you

30

00:02:13,039 --> 00:02:09,869

too it's it's just been wild I mean it's

31

00:02:15,770 --> 00:02:13,049

probably same thing for everybody but

32

00:02:18,650 --> 00:02:15,780

gosh it just seems like things are just

33

00:02:22,699 --> 00:02:18,660

coming at us so fast and I know you lost

34

00:02:24,979 --> 00:02:22,709

a dear one this week as did I so we've

35

00:02:27,440 --> 00:02:24,989

got that to contend with but we're going

36

00:02:29,900 --> 00:02:27,450

to do our best and to share you some

37

00:02:32,870 --> 00:02:29,910

good and fun information because

38

00:02:34,550 --> 00:02:32,880

laughter is the best medicine and also

39

00:02:36,039 --> 00:02:34,560

it's always good to learn something I

40

00:02:39,080 --> 00:02:36,049

learned some stuff today that I'm

41

00:02:41,360 --> 00:02:39,090

excited to talk about it I guess you

42

00:02:44,210 --> 00:02:41,370

can't teach an old dog new tricks after

43

00:02:47,120 --> 00:02:44,220

all but folks tonight

44

00:02:50,870 --> 00:02:47,130

we are actually venturing in the world

45

00:02:55,520 --> 00:02:50,880

of 3d radio and we are covering the

46

00:02:57,379 --> 00:02:55,530

ground of dreams disclosure and destiny

47

00:02:59,569 --> 00:02:57,389

we're going to start out with dreams

48

00:03:03,440 --> 00:02:59,579

we're going to talk about what they mean

49

00:03:08,240 --> 00:03:03,450

and all kinds of things the nature of

50

00:03:10,910 --> 00:03:08,250

dreams second the second half hour we'll

51
00:03:13,309 --> 00:03:10,920
be talking about disclosure and and what

52
00:03:15,490 --> 00:03:13,319
does disclosure going to look like if

53
00:03:17,449 --> 00:03:15,500
disclosure already happening is

54
00:03:19,910 --> 00:03:17,459
disclosures are going to be some kind of

55
00:03:21,830 --> 00:03:19,920
announcement or is it going to have

56
00:03:24,320 --> 00:03:21,840
and more with just new discoveries

57
00:03:27,559 --> 00:03:24,330
coming down the pike from different

58
00:03:30,949 --> 00:03:27,569
people from around the world and the

59
00:03:33,860 --> 00:03:30,959
third and final subject and not last but

60
00:03:37,210 --> 00:03:33,870
not least is destiny our destiny as

61
00:03:42,050 --> 00:03:37,220
humans and what it means to be human and

62
00:03:44,530 --> 00:03:42,060
if indeed we have been and are being

63
00:03:47,990 --> 00:03:44,540

visited by beings from other dimensions

64

00:03:51,740 --> 00:03:48,000

other planets other realms then what is

65

00:03:53,479 --> 00:03:51,750

it about us that interest them and what

66

00:03:56,150 --> 00:03:53,489

do we have in common with them so we're

67

00:03:58,670 --> 00:03:56,160

gonna get into all that but Gloria I you

68

00:04:02,390 --> 00:03:58,680

know we're going to talk about dreams to

69

00:04:02,780 --> 00:04:02,400

start with and in preparing for the show

70

00:04:05,270 --> 00:04:02,790

tonight

71

00:04:07,580 --> 00:04:05,280

you know it's reading some various

72

00:04:10,580 --> 00:04:07,590

articles on dreams and of course every

73

00:04:13,009 --> 00:04:10,590

time I think about dream symbolism and

74

00:04:16,870 --> 00:04:13,019

you know dream analysis and that sort of

75

00:04:18,860 --> 00:04:16,880

thing I always think about Carl Jung and

76

00:04:22,069 --> 00:04:18,870

you know I'm sorry to say I don't know

77

00:04:24,409 --> 00:04:22,079

as much about Carl Jung as is I probably

78

00:04:27,860 --> 00:04:24,419

should and probably will know because I

79

00:04:30,260 --> 00:04:27,870

learned some new things today and we he

80

00:04:32,810 --> 00:04:30,270

talked about you know obviously the

81

00:04:36,140 --> 00:04:32,820

collective unconscious but he did say

82

00:04:40,040 --> 00:04:36,150

something about you know dreams and he

83

00:04:43,070 --> 00:04:40,050

felt like that was the the way that our

84

00:04:46,909 --> 00:04:43,080

minds or that we actually integrate our

85

00:04:48,320 --> 00:04:46,919

conscious and unconscious lives and that

86

00:04:52,550 --> 00:04:48,330

he called that the process of

87

00:04:55,520 --> 00:04:52,560

individuation and it means sort of

88

00:04:59,810 --> 00:04:55,530

reconciling ourselves our unconscious

89

00:05:01,100 --> 00:04:59,820

with our conscious and what is that what

90

00:05:04,969 --> 00:05:01,110

do you agree with that I mean that

91

00:05:08,350 --> 00:05:04,979

sounds like a very very good definition

92

00:05:11,090 --> 00:05:08,360

to me of the process that he talks about

93

00:05:12,770 --> 00:05:11,100

individuation reconciling our conscious

94

00:05:17,029 --> 00:05:12,780

with our unconscious and we do that in

95

00:05:19,909 --> 00:05:17,039

dreams he says well I agree with that in

96

00:05:23,240 --> 00:05:19,919

in the regard that I believe that the

97

00:05:26,900 --> 00:05:23,250

dream time is quantum so I believe past

98

00:05:30,860 --> 00:05:26,910

present and future are all at play at

99

00:05:32,990 --> 00:05:30,870

once so a reconciliation probably could

100

00:05:33,330 --> 00:05:33,000

happen there much more easily or we can

101
00:05:36,210 --> 00:05:33,340
call

102
00:05:39,360 --> 00:05:36,220
the gap between separation because in

103
00:05:44,340 --> 00:05:39,370
that in that space of the Dreamtime all

104
00:05:47,490 --> 00:05:44,350
aspects are a play simultaneously yeah

105
00:05:49,469 --> 00:05:47,500
absolutely you know we talked we were

106
00:05:52,409 --> 00:05:49,479
talking earlier in the week about about

107
00:05:54,810 --> 00:05:52,419
dreams and significant dreams and of

108
00:05:57,840 --> 00:05:54,820
course we've been talking of late quite

109
00:06:01,260 --> 00:05:57,850
a bit about our you know what it means

110
00:06:04,379 --> 00:06:01,270
to be a human being our origins possible

111
00:06:06,810 --> 00:06:04,389
genetic links with you know visitors

112
00:06:09,360 --> 00:06:06,820
from other places everyone's heard the

113
00:06:11,430 --> 00:06:09,370

ascension material and and others

114

00:06:14,640 --> 00:06:11,440

talking about you know the Anunnaki

115

00:06:17,340 --> 00:06:14,650

coming here and intermingling with our

116

00:06:23,219 --> 00:06:17,350

race but we were also talking about

117

00:06:25,350 --> 00:06:23,229

dreams and I know you had a very strange

118

00:06:27,480 --> 00:06:25,360

dream that you wanted to share because I

119

00:06:31,230 --> 00:06:27,490

was sharing with you a dream I had sort

120

00:06:34,230 --> 00:06:31,240

of in that realm of ETS and UFOs which I

121

00:06:38,120 --> 00:06:34,240

I'll tell it a minute but I'd like to

122

00:06:40,890 --> 00:06:38,130

hear about yours all right I'd like to

123

00:06:43,379 --> 00:06:40,900

lay just a little bit of groundwork into

124

00:06:45,719 --> 00:06:43,389

into my work in the dream time to make

125

00:06:47,820 --> 00:06:45,729

the first dream that I'm going to share

126

00:06:50,490 --> 00:06:47,830

a little bit more understandable to the

127

00:06:53,219 --> 00:06:50,500

listening audience I believe there are

128

00:06:55,650 --> 00:06:53,229

dreams that when we go to sleep we're

129

00:06:58,320 --> 00:06:55,660

just kind of processing our day our week

130

00:07:01,680 --> 00:06:58,330

or what's going on in our life and those

131

00:07:04,230 --> 00:07:01,690

feel to me a certain way and I've had

132

00:07:07,230 --> 00:07:04,240

you know four separate trainings that

133

00:07:10,320 --> 00:07:07,240

I've done in dream levels of teaching

134

00:07:12,330 --> 00:07:10,330

and shamanic understanding and soul

135

00:07:14,520 --> 00:07:12,340

recovery and things like that so I take

136

00:07:16,920 --> 00:07:14,530

this very seriously it's really a deep

137

00:07:18,930 --> 00:07:16,930

passion of mine and we learned in the

138

00:07:21,089 --> 00:07:18,940

beginning stages how we have dreams of

139

00:07:23,400 --> 00:07:21,099

the future in a dream you can dream

140

00:07:25,740 --> 00:07:23,410

something that is going to happen in the

141

00:07:29,010 --> 00:07:25,750

future and waking reality but in dream

142

00:07:31,080 --> 00:07:29,020

time and sleeping it happens again in

143

00:07:34,200 --> 00:07:31,090

that quantum field and then we pull it

144

00:07:35,370 --> 00:07:34,210

out as we wake up and we decide what

145

00:07:41,010 --> 00:07:35,380

we're going to do with that information

146

00:07:42,309 --> 00:07:41,020

on there's also healing dreams where you

147

00:07:44,739 --> 00:07:42,319

might dream of

148

00:07:47,709 --> 00:07:44,749

health situation and different outcomes

149

00:07:49,869 --> 00:07:47,719

of how to address a health situation

150

00:07:51,969 --> 00:07:49,879

that you might be dealing with so

151
00:07:55,089 --> 00:07:51,979
there's there's a transpersonal dreams

152
00:07:58,420 --> 00:07:55,099
and I've had them where people that I

153
00:08:01,149 --> 00:07:58,430
know who crossed over come to me in the

154
00:08:03,549 --> 00:08:01,159
dream time and it's not just dreaming

155
00:08:06,129 --> 00:08:03,559
about them but it's actually being able

156
00:08:08,529 --> 00:08:06,139
to connect with them more easily in the

157
00:08:11,709 --> 00:08:08,539
dream time and usually you know that

158
00:08:14,799 --> 00:08:11,719
transpersonal dream by the way you feel

159
00:08:17,649 --> 00:08:14,809
when you wake up you feel the glow of

160
00:08:19,959 --> 00:08:17,659
having connected with someone that if

161
00:08:22,239 --> 00:08:19,969
it's someone you really cared about you

162
00:08:25,299 --> 00:08:22,249
you have that glow that feeling so it

163
00:08:27,399 --> 00:08:25,309

really transcends the notion of just

164

00:08:30,100 --> 00:08:27,409

dreaming about that person but actually

165

00:08:31,989 --> 00:08:30,110

having contact with that person so for

166

00:08:34,749 --> 00:08:31,999

me there are I think when I was studying

167

00:08:36,639 --> 00:08:34,759

dreams and training and all that we were

168

00:08:39,790 --> 00:08:36,649

looking at seven levels of the dream

169

00:08:42,189 --> 00:08:39,800

time and so it really has great depth

170

00:08:44,860 --> 00:08:42,199

like the movie Inception right that that

171

00:08:48,340 --> 00:08:44,870

had great depth and the possibility of

172

00:08:49,780 --> 00:08:48,350

dreams so I wanted to set that stage

173

00:08:52,300 --> 00:08:49,790

because the first dream I'm going to

174

00:08:53,889 --> 00:08:52,310

share is really kind of weird and I mean

175

00:08:55,960 --> 00:08:53,899

I've known you for a lot of years Renee

176

00:08:59,259 --> 00:08:55,970

and I remember telling you this dream

177

00:09:02,500 --> 00:08:59,269

because my my beloved pitbull Rocky was

178

00:09:05,050 --> 00:09:02,510

still alive and that was 2010 so seven

179

00:09:07,449 --> 00:09:05,060

years ago I had that dream about the

180

00:09:09,670 --> 00:09:07,459

keys and you're one of the first people

181

00:09:12,400 --> 00:09:09,680

I called because you understand that

182

00:09:16,900 --> 00:09:12,410

world more than I do you know you've had

183

00:09:20,230 --> 00:09:16,910

more exposure to it than me so I'm a

184

00:09:22,059 --> 00:09:20,240

little Spacey are you trying to say not

185

00:09:25,000 --> 00:09:22,069

at all I'm saying you understand the

186

00:09:28,780 --> 00:09:25,010

ecology world much better than me and

187

00:09:30,639 --> 00:09:28,790

just that I've done in the past on UFO

188

00:09:33,429 --> 00:09:30,649

magazine and on some of the programs

189

00:09:35,110 --> 00:09:33,439

that I've done yeah I have been quite

190

00:09:38,230 --> 00:09:35,120

involved in that world and I I do

191

00:09:40,800 --> 00:09:38,240

remember you calling me you know it

192

00:09:43,990 --> 00:09:40,810

blows my mind that you say it was 2010

193

00:09:45,639 --> 00:09:44,000

because it just seems you know first of

194

00:09:49,120 --> 00:09:45,649

all it seems like good old rocky was

195

00:09:52,329 --> 00:09:49,130

just here yesterday and you know it's

196

00:09:55,329 --> 00:09:52,339

just amazing how time flies like that

197

00:09:56,079 --> 00:09:55,339

but you know please refresh my memory

198

00:09:59,259 --> 00:09:56,089

and

199

00:10:01,499 --> 00:09:59,269

share it with the listeners on about

200

00:10:05,379 --> 00:10:01,509

that dream because it was pretty wild

201
00:10:09,910 --> 00:10:05,389
especially hearing it from you at that

202
00:10:12,189 --> 00:10:09,920
time because at that time I had you know

203
00:10:15,400 --> 00:10:12,199
left the field of ufology pretty much

204
00:10:18,280 --> 00:10:15,410
and what's really really steeped in all

205
00:10:22,739 --> 00:10:18,290
this I guess you might call it da Vinci

206
00:10:27,790 --> 00:10:22,749
Code esque Holy Grail holy blood line

207
00:10:30,189 --> 00:10:27,800
type research as you were so it was like

208
00:10:34,119 --> 00:10:30,199
I didn't want to really hear about ETS

209
00:10:37,059 --> 00:10:34,129
at that time right and I really been in

210
00:10:38,949 --> 00:10:37,069
the past couple years few years or so

211
00:10:42,009 --> 00:10:38,959
that both of us have had to admit to

212
00:10:45,009 --> 00:10:42,019
each other that no matter how we have

213
00:10:47,049 --> 00:10:45,019

276
00:13:39,220 --> 00:13:36,320
seen so much of start tweaking something

277
00:13:42,910 --> 00:13:39,230
in these young girls in their ovaries

278
00:13:44,590 --> 00:13:42,920
and I get incensed when I see that in

279
00:13:46,600 --> 00:13:44,600
this experience in the dream time

280
00:13:49,180 --> 00:13:46,610
because I know the girls aren't aware of

281
00:13:52,930 --> 00:13:49,190
it so this is being done without their

282
00:13:56,100 --> 00:13:52,940
consent and that really angers me in the

283
00:13:59,410 --> 00:13:56,110
dream so all of a sudden the ETS

284
00:14:01,870 --> 00:13:59,420
telepathically tell me to get out of

285
00:14:03,790 --> 00:14:01,880
there and I say no I get really defiant

286
00:14:06,490 --> 00:14:03,800
because these girls don't know what's

287
00:14:08,740 --> 00:14:06,500
happening to them so they literally pull

288
00:14:13,480 --> 00:14:08,750

301
00:14:49,990 --> 00:14:47,540
girls with light and I know when they're

302
00:14:51,400 --> 00:14:50,000
doing that they're creating amnesia so

303
00:14:54,040 --> 00:14:51,410
they don't have a memory of what's just

304
00:14:56,410 --> 00:14:54,050
been done to them and I start screaming

305
00:15:00,220 --> 00:14:56,420
because the light is creating that

306
00:15:05,710 --> 00:15:00,230
amnesia and I wake up and so when I wake

307
00:15:09,400 --> 00:15:05,720
up in my in my home I'm so I'm drenched

308
00:15:13,480 --> 00:15:09,410
with sweat my heart is racing and my dog

309
00:15:15,400 --> 00:15:13,490
rocky was so concerned for me he started

310
00:15:18,400 --> 00:15:15,410
barking like crazy was about 3:00 in the

311
00:15:20,889 --> 00:15:18,410
morning and for about a half hour we

312
00:15:24,009 --> 00:15:20,899
went all around the house looking to see

313
00:15:27,309 --> 00:15:24,019

351
00:17:13,780 --> 00:17:09,560
the invisible garden and in the Church

352
00:17:16,240 --> 00:17:13,790
of Mary Magdalene and in that space when

353
00:17:19,179 --> 00:17:16,250
I went to sleep my mom comes to me and

354
00:17:21,819 --> 00:17:19,189
she's such a young soul that she has a

355
00:17:24,760 --> 00:17:21,829
hard time coming through I mean I bring

356
00:17:26,530 --> 00:17:24,770
people through from other levels of

357
00:17:29,050 --> 00:17:26,540
reality all the time and the work I do

358
00:17:31,720 --> 00:17:29,060
is an intuitive and a medium but my own

359
00:17:34,090 --> 00:17:31,730
mother it was just her she just doesn't

360
00:17:36,340 --> 00:17:34,100
have the ability but she does in certain

361
00:17:36,760 --> 00:17:36,350
places and relish chateau was one of

362
00:17:40,210 --> 00:17:36,770
them

363
00:17:43,720 --> 00:17:40,220

426
00:20:35,650 --> 00:20:33,350
know this but I was one of the original

427
00:20:37,900 --> 00:20:35,660
founders of close encounter research

428
00:20:40,810 --> 00:20:37,910
organization which still exists under

429
00:20:43,600 --> 00:20:40,820
the leadership of Yvonne Smith is the

430
00:20:45,550 --> 00:20:43,610
hypnotherapist and it's called Close

431
00:20:49,990 --> 00:20:45,560
Encounters research organization or Ciro

432
00:20:52,810 --> 00:20:50,000
and Yvonne's you know HIPAA licensed

433
00:20:56,400 --> 00:20:52,820
Seminole therapists and I actually took

434
00:21:01,000 --> 00:20:56,410
hypnotherapy training myself in order to

435
00:21:02,740 --> 00:21:01,010
research the phenomenon that was really

436
00:21:04,840 --> 00:21:02,750
just becoming

437
00:21:08,230 --> 00:21:04,850
prominent in the public eye at that time

438
00:21:11,860 --> 00:21:08,240

451
00:21:45,610 --> 00:21:42,620
end-of-the-world dream and that's all I

452
00:21:48,640 --> 00:21:45,620
would ask and it was amazing how similar

453
00:21:51,010 --> 00:21:48,650
people Street so many people's dreams

454
00:21:53,260 --> 00:21:51,020
were and the reason I started asking

455
00:21:56,350 --> 00:21:53,270
that question was because I had had a

456
00:21:58,710 --> 00:21:56,360
dream my whole life long recurring that

457
00:22:03,310 --> 00:21:58,720
I called my end of the world dream and

458
00:22:08,530 --> 00:22:03,320
in it every time I would be out outside

459
00:22:12,180 --> 00:22:08,540
and it would usually be nighttime but in

460
00:22:16,180 --> 00:22:12,190
any case the sky was just full of

461
00:22:18,730 --> 00:22:16,190
spaceships of armada of spaceships just

462
00:22:22,240 --> 00:22:18,740
coming coming in different formations

463
00:22:24,450 --> 00:22:22,250

476
00:23:02,740 --> 00:23:01,130
one woman said oh I was standing you

477
00:23:04,690 --> 00:23:02,750
know I have this dream I had over and

478
00:23:06,880 --> 00:23:04,700
over again I'm standing at the ocean and

479
00:23:09,370 --> 00:23:06,890
these I look up and there's just these

480
00:23:11,140 --> 00:23:09,380
spaceships just filling the sky and just

481
00:23:14,620 --> 00:23:11,150
coming coming and he wouldn't believe

482
00:23:16,520 --> 00:23:14,630
how many times that happened that people

483
00:23:18,740 --> 00:23:16,530
had had that dream and I never gave him

484
00:23:20,390 --> 00:23:18,750
that's ahead of time that it had

485
00:23:23,060 --> 00:23:20,400
anything to do with the sky full of

486
00:23:25,550 --> 00:23:23,070
ships of course they were there for UFO

487
00:23:28,240 --> 00:23:25,560
studies so that might have been a might

488
00:23:32,000 --> 00:23:28,250

501
00:24:15,020 --> 00:24:13,380
thinking of so a lot of times in the

502
00:24:16,880 --> 00:24:15,030
work I've done with people that have a

503
00:24:19,580 --> 00:24:16,890
lot of these scene memories the memories

504
00:24:22,280 --> 00:24:19,590
of the Essene community that was around

505
00:24:25,610 --> 00:24:22,290
before and during the time of Jesus and

506
00:24:27,650 --> 00:24:25,620
after a lot of people gravitate towards

507
00:24:30,170 --> 00:24:27,660
me and they have these memories and it's

508
00:24:32,270 --> 00:24:30,180
just fascinating and it reminds me of

509
00:24:35,180 --> 00:24:32,280
like Delores cannon and Jesus and these

510
00:24:37,760 --> 00:24:35,190
scenes or even Stuart Wilson and Joe an

511
00:24:39,800 --> 00:24:37,770
apprentice children of the light it's

512
00:24:42,350 --> 00:24:39,810
just amazing how it's happening so I can

513
00:24:44,660 --> 00:24:42,360

551
00:26:27,890 --> 00:26:25,200
remember but earlier in the week we were

552
00:26:31,340 --> 00:26:27,900
having a conversation in which Akashic

553
00:26:33,140 --> 00:26:31,350
records came up and I said oh well you

554
00:26:34,910 --> 00:26:33,150
know it to me it's kind of like the

555
00:26:37,580 --> 00:26:34,920
collective unconscious it's something we

556
00:26:39,800 --> 00:26:37,590
can and you go well not it's something

557
00:26:42,110 --> 00:26:39,810
different you went on to explain sort of

558
00:26:45,020 --> 00:26:42,120
you know what you thought that Akashic

559
00:26:47,990 --> 00:26:45,030
record was well today when I was getting

560
00:26:50,150 --> 00:26:48,000
ready for the show you know well of

561
00:26:53,060 --> 00:26:50,160
course the collective unconscious you

562
00:26:55,720 --> 00:26:53,070
know comes again from our good friend

563
00:26:58,880 --> 00:26:55,730

751
00:35:41,570 --> 00:35:39,510
assassination

752
00:35:44,090 --> 00:35:41,580
now I've studied the Kennedy

753
00:35:45,620 --> 00:35:44,100
assassination and all those pieces and I

754
00:35:48,500 --> 00:35:45,630
just thought that this was kind of a

755
00:35:51,290 --> 00:35:48,510
leap forward in information on the

756
00:35:53,930 --> 00:35:51,300
History Channel not on the internet not

757
00:35:57,050 --> 00:35:53,940
on certain YouTube videos and perhaps

758
00:36:00,020 --> 00:35:57,060
other programming but for that which has

759
00:36:02,660 --> 00:36:00,030
a more mass audience I just thought that

760
00:36:06,860 --> 00:36:02,670
that was a big step forward is that

761
00:36:11,030 --> 00:36:06,870
disclosure I don't know yeah I don't

762
00:36:15,760 --> 00:36:11,040
know you know interestingly talking

763
00:36:18,860 --> 00:36:15,770

the a-team and we interviewed my little

789

00:37:41,210 --> 00:37:39,510

sprig Leo and had him on a couple of

790

00:37:44,210 --> 00:37:41,220

times I think and then I got in touch

791

00:37:47,930 --> 00:37:44,220

with him much later for a television

792

00:37:50,300 --> 00:37:47,940

program but that was what his book was

793

00:37:51,770 --> 00:37:50,310

about so it kind of dovetails a little

794

00:37:53,840 --> 00:37:51,780

bit with what you're saying now I'm not

795

00:37:56,500 --> 00:37:53,850

saying that's a confirmation that that's

796

00:38:02,060 --> 00:37:56,510

all true but it is kind of interesting

797

00:38:04,520 --> 00:38:02,070

that that allegation is that Kennedy was

798

00:38:07,580 --> 00:38:04,530

killed because he was going to talk

799

00:38:11,450 --> 00:38:07,590

about et or get involved or he get was

800

00:38:13,850 --> 00:38:11,460

getting too close and then this guy

801
00:38:17,930 --> 00:38:13,860
saying Merrill Monroe was killed for the

802
00:38:19,430 --> 00:38:17,940
same reason so because she was going to

803
00:38:21,710 --> 00:38:19,440
go public she was going to have a press

804
00:38:24,140 --> 00:38:21,720
conference because she had really been

805
00:38:26,840 --> 00:38:24,150
done dirty by the Kennedy brothers you

806
00:38:30,500 --> 00:38:26,850
know well you know dr. Ritter says the

807
00:38:33,620 --> 00:38:30,510
same thing and he even and I have it in

808
00:38:36,770 --> 00:38:33,630
my notes somewhere when I did a took a

809
00:38:39,200 --> 00:38:36,780
four hour webinar from him in you know

810
00:38:41,120 --> 00:38:39,210
delved into his information but he says

811
00:38:41,830 --> 00:38:41,130
the same thing that the CIA killed

812
00:38:44,860 --> 00:38:41,840
Merrill

813
00:38:49,000 --> 00:38:44,870

actually authors the specific name of

814

00:38:52,990 --> 00:38:49,010

the person in the CIA and he says that

815

00:38:56,260 --> 00:38:53,000

in his archive of information and

816

00:38:58,720 --> 00:38:56,270

documents and so forth that they have a

817

00:39:02,050 --> 00:38:58,730

an audio cassette whatever the

818

00:39:04,540 --> 00:39:02,060

technology was at that time of JFK

819

00:39:07,720 --> 00:39:04,550

actually weeping in the Oval Office

820

00:39:09,790 --> 00:39:07,730

because all of this is is like he's

821

00:39:10,990 --> 00:39:09,800

coming into realization of what happened

822

00:39:14,350 --> 00:39:11,000

to Marilyn Monroe

823

00:39:16,600 --> 00:39:14,360

she was now dead there was this you know

824

00:39:21,460 --> 00:39:16,610

secret space program shadow government

825

00:39:23,620 --> 00:39:21,470

et presence and he was absolutely

826

00:39:28,630 --> 00:39:23,630

overwhelmed by that now in this ancient

827

00:39:31,210 --> 00:39:28,640

alien episode series season 12 episode 9

828

00:39:33,670 --> 00:39:31,220

there's a guy that comes forward and I

829

00:39:37,540 --> 00:39:33,680

think his name is Douglas caddy and he

830

00:39:40,150 --> 00:39:37,550

was friends with a Howard hunt and he he

831

00:39:42,400 --> 00:39:40,160

he says he Howard hunt who some of you

832

00:39:45,550 --> 00:39:42,410

may know was a person that some believed

833

00:39:49,360 --> 00:39:45,560

was part of the Boxcar bombs on the

834

00:39:52,240 --> 00:39:49,370

grassy knoll area in the JFK

835

00:39:54,220 --> 00:39:52,250

assassination and he was CIA and he got

836

00:39:55,780 --> 00:39:54,230

in trouble later on and he was going to

837

00:39:57,400 --> 00:39:55,790

be going to jail so I believe it was

838

00:39:59,880 --> 00:39:57,410

Douglass caddy he called in and said hey

839

00:40:02,950 --> 00:39:59,890

let's go out to dinner and they did and

840

00:40:05,830 --> 00:40:02,960

when they were on the street you know

841

00:40:08,290 --> 00:40:05,840

getting ready to part ways he leaned in

842

00:40:10,900 --> 00:40:08,300

and asked he Howard hunt you know what

843

00:40:13,930 --> 00:40:10,910

you know who killed or you know what

844

00:40:20,650 --> 00:40:13,940

happened to JFK and basically his

845

00:40:26,860 --> 00:40:20,660

response was the aliens in that JFK was

846

00:40:28,720 --> 00:40:26,870

going to share it with the Russians now

847

00:40:33,220 --> 00:40:28,730

why would he do that

848

00:40:35,920 --> 00:40:33,230

I don't know but you know some of this

849

00:40:38,860 --> 00:40:35,930

stuff where we're shown a cold war and

850

00:40:41,020 --> 00:40:38,870

were shown whatever we're shown in the

851
00:40:42,790 --> 00:40:41,030
media isn't always necessarily what's

852
00:40:44,530 --> 00:40:42,800
going on and there's a lot of

853
00:40:47,310 --> 00:40:44,540
documentation out there that actually

854
00:40:50,680 --> 00:40:47,320
these governments were working together

855
00:40:53,140 --> 00:40:50,690
on a secret space program if you will so

856
00:40:54,520 --> 00:40:53,150
they so they already did have some

857
00:40:57,310 --> 00:40:54,530
knowledge and perhaps you

858
00:40:59,590 --> 00:40:57,320
looking for an ally in that regard I

859
00:41:01,600 --> 00:40:59,600
don't know i'm normally assuming they

860
00:41:03,190 --> 00:41:01,610
don't go into it it's not my area of

861
00:41:06,100 --> 00:41:03,200
strength so I don't have a lot of

862
00:41:10,750 --> 00:41:06,110
research to to provide but that was his

863
00:41:13,540 --> 00:41:10,760

honest that was what he says that ll how

864

00:41:15,070 --> 00:41:13,550

her hunt claimed to be and then he

865

00:41:17,110 --> 00:41:15,080

walked off into the night like a

866

00:41:19,750 --> 00:41:17,120

Hollywood movie and this guy never saw

867

00:41:22,960 --> 00:41:19,760

him again but wait but when we're

868

00:41:24,820 --> 00:41:22,970

talking about disclosure it's I think

869

00:41:27,130 --> 00:41:24,830

for me because you asked me what is it

870

00:41:30,460 --> 00:41:27,140

for me it's like you hear all these

871

00:41:32,560 --> 00:41:30,470

pieces over and over and again and some

872

00:41:34,990 --> 00:41:32,570

turn out to be true some turn out to be

873

00:41:38,800 --> 00:41:35,000

false and you begin to piece together

874

00:41:40,870 --> 00:41:38,810

what you think or feel is truth and then

875

00:41:44,590 --> 00:41:40,880

all of a sudden one day like the light

876

00:41:46,780 --> 00:41:44,600

bulb goes off and all the pieces well

877

00:41:49,300 --> 00:41:46,790

most of the pieces fall into place and

878

00:41:52,390 --> 00:41:49,310

maybe for a lot of us on a collective

879

00:42:01,230 --> 00:41:52,400

level we're hitting that point we're

880

00:42:05,050 --> 00:42:01,240

reaching that level hmm it may be I mean

881

00:42:08,460 --> 00:42:05,060

it seems like you know truth is being

882

00:42:11,250 --> 00:42:08,470

exposed here they're everywhere you know

883

00:42:15,100 --> 00:42:11,260

historical truths archaeological truths

884

00:42:17,290 --> 00:42:15,110

it seems like the earth is just a big

885

00:42:19,990 --> 00:42:17,300

giant time capsule and things are just

886

00:42:21,790 --> 00:42:20,000

popping out of it all the time we're

887

00:42:24,850 --> 00:42:21,800

learning more and more and more at a

888

00:42:27,220 --> 00:42:24,860

very very rapid pace and I guess that

889

00:42:29,740 --> 00:42:27,230

ties in with what you're saying is at

890

00:42:34,390 --> 00:42:29,750

some point you know it's just gonna be

891

00:42:36,040 --> 00:42:34,400

okay this is it well yeah I mean you can

892

00:42:39,160 --> 00:42:36,050

think about it five and ten years ago

893

00:42:42,820 --> 00:42:39,170

forget 20 and 30 years ago if you talked

894

00:42:46,180 --> 00:42:42,830

about ETS or aliens or star beings or

895

00:42:51,310 --> 00:42:46,190

whatever phrases you put - - these

896

00:42:53,530 --> 00:42:51,320

species of entities or I don't even know

897

00:42:56,470 --> 00:42:53,540

what to call them that may be humanoid

898

00:42:58,150 --> 00:42:56,480

maybe not I'm not really sure you know

899

00:43:00,970 --> 00:42:58,160

people would have laughed you out of the

900

00:43:03,640 --> 00:43:00,980

room in general and yet I know for me

901
00:43:06,820 --> 00:43:03,650
and my own personal experience that my

902
00:43:08,980 --> 00:43:06,830
dad was a huge Star Trek fan

903
00:43:11,350 --> 00:43:08,990
he just thought it was unbelievable and

904
00:43:13,480 --> 00:43:11,360
it wasn't until he retired from the Air

905
00:43:16,390 --> 00:43:13,490
Force that he began to put the pieces

906
00:43:18,190 --> 00:43:16,400
together because his awareness had come

907
00:43:20,260 --> 00:43:18,200
to that point and he was seeing more and

908
00:43:22,630 --> 00:43:20,270
more of it that there really was

909
00:43:25,240 --> 00:43:22,640
something that went on in Roswell and

910
00:43:27,190 --> 00:43:25,250
that he actually had a direct experience

911
00:43:28,180 --> 00:43:27,200
with Colonel Blanchard who was involved

912
00:43:30,790 --> 00:43:28,190
in that

913
00:43:32,770 --> 00:43:30,800

and perhaps the cover-up and not in you

914

00:43:35,020 --> 00:43:32,780

know unwittingly he didn't even know it

915

00:43:37,420 --> 00:43:35,030

and I watched him come into that

916

00:43:39,460 --> 00:43:37,430

understanding and he was very open with

917

00:43:41,860 --> 00:43:39,470

me we didn't talk about it with other

918

00:43:43,390 --> 00:43:41,870

family members but it was a personal

919

00:43:45,220 --> 00:43:43,400

connection because my brother and I were

920

00:43:47,950 --> 00:43:45,230

born there and he spent so many years

921

00:43:50,830 --> 00:43:47,960

there that we began to put the pieces

922

00:43:54,550 --> 00:43:50,840

together so you know I think disclosure

923

00:43:57,190 --> 00:43:54,560

happens on a bigger scale when more and

924

00:43:58,840 --> 00:43:57,200

more people begin to make sense of

925

00:44:00,760 --> 00:43:58,850

things and then all of a sudden it's

926
00:44:03,640 --> 00:44:00,770
like yeah that is that's really what I

927
00:44:05,020 --> 00:44:03,650
think happened and you know no we don't

928
00:44:08,620 --> 00:44:05,030
think you're crazy if you think of

929
00:44:11,080 --> 00:44:08,630
aliens and star beings and in UFOs and

930
00:44:15,310 --> 00:44:11,090
all that because a lot of people now

931
00:44:17,380 --> 00:44:15,320
last survey I saw is a ridiculous amount

932
00:44:21,190 --> 00:44:17,390
of the world population that believes in

933
00:44:23,500 --> 00:44:21,200
this stuff absolutely and you know which

934
00:44:26,950 --> 00:44:23,510
it sort of falls into the category of

935
00:44:29,770 --> 00:44:26,960
you know psychic abilities and all that

936
00:44:31,330 --> 00:44:29,780
it's like people kind of have a weird

937
00:44:35,290 --> 00:44:31,340
thought about it they think it's all

938
00:44:40,180 --> 00:44:35,300

kind of strange or woowoo and again I'm

939

00:44:42,790 --> 00:44:40,190

gonna go back to Carl Jung what he said

940

00:44:45,870 --> 00:44:42,800

about psychic abilities he said I would

941

00:44:48,610 --> 00:44:45,880

not assert the law behind them is

942

00:44:50,680 --> 00:44:48,620

supernatural but merely something which

943

00:44:54,430 --> 00:44:50,690

we cannot get at yet with our present

944

00:44:57,400 --> 00:44:54,440

knowledge and I so agree with that I saw

945

00:45:00,580 --> 00:44:57,410

a girl meet me today writing articles

946

00:45:02,740 --> 00:45:00,590

today about DNA and what science is

947

00:45:04,990 --> 00:45:02,750

finding out about DNA that even five

948

00:45:06,600 --> 00:45:05,000

years ago if I mentioned him to people

949

00:45:10,540 --> 00:45:06,610

they would have said I was crazy

950

00:45:14,680 --> 00:45:10,550

absolutely absolutely and you know it's

951
00:45:16,810 --> 00:45:14,690
like it's sort of you know there are

952
00:45:19,090 --> 00:45:16,820
some people that have you know obvious

953
00:45:20,680 --> 00:45:19,100
abilities like yourself and others who

954
00:45:22,780 --> 00:45:20,690
actually you know

955
00:45:24,460 --> 00:45:22,790
do readings for four people

956
00:45:26,680 --> 00:45:24,470
professionally and that sort of thing

957
00:45:31,300 --> 00:45:26,690
and then there you know there are people

958
00:45:34,660 --> 00:45:31,310
like me who I just kind of follow my

959
00:45:37,630 --> 00:45:34,670
intuition and I never really realized

960
00:45:39,970 --> 00:45:37,640
even that I was doing it it sort of

961
00:45:43,930 --> 00:45:39,980
started really becoming apparent to me

962
00:45:48,819 --> 00:45:43,940
in the 90s when we really started using

963
00:45:50,589 --> 00:45:48,829

the Internet and I remember I it was mid

964

00:45:52,660 --> 00:45:50,599

90s and I was working on a television

965

00:45:54,760 --> 00:45:52,670

show called strange universe I had just

966

00:45:57,880 --> 00:45:54,770

left the magazine got my first TV job

967

00:46:01,059 --> 00:45:57,890

and was trying to act like I knew what I

968

00:46:03,010 --> 00:46:01,069

was doing and also you know the internet

969

00:46:05,680 --> 00:46:03,020

was really kind of new and I remember

970

00:46:07,870 --> 00:46:05,690

our search engine at the time the big

971

00:46:11,319 --> 00:46:07,880

search engine engine was meta crawler

972

00:46:14,290 --> 00:46:11,329

and I remember when I started using meta

973

00:46:17,859 --> 00:46:14,300

crawler and looking stuff up I started

974

00:46:20,079 --> 00:46:17,869

realizing that there was like some kind

975

00:46:24,040 --> 00:46:20,089

of psychic thing going on between me and

976
00:46:25,870 --> 00:46:24,050
the computer and I could almost you know

977
00:46:27,640 --> 00:46:25,880
search for something with my eyes closed

978
00:46:30,370 --> 00:46:27,650
and then open my eyes and there it would

979
00:46:32,230 --> 00:46:30,380
be you know or it would be a thing that

980
00:46:34,359 --> 00:46:32,240
was even better than what you know what

981
00:46:38,020 --> 00:46:34,369
I was looking for but I felt a real

982
00:46:40,329 --> 00:46:38,030
connection with not really necessarily

983
00:46:41,770 --> 00:46:40,339
with the commute computer but kind of

984
00:46:45,180 --> 00:46:41,780
going through the computer and

985
00:46:49,930 --> 00:46:45,190
connection directly with the information

986
00:46:52,599 --> 00:46:49,940
and so I think that you know it's like

987
00:46:55,870 --> 00:46:52,609
it wasn't something I really had ever

988
00:46:57,490 --> 00:46:55,880

really thought about but it just seemed

989

00:47:00,280 --> 00:46:57,500

to always happen and I thought oh lucky

990

00:47:02,079 --> 00:47:00,290

lucky I'm lucky lucky stroke you know

991

00:47:04,839 --> 00:47:02,089

and then I thought what can't be luck if

992

00:47:08,910 --> 00:47:04,849

it happens every single time you know so

993

00:47:12,579 --> 00:47:08,920

I think that a lot of us walk around

994

00:47:16,000 --> 00:47:12,589

using our intuition and because it is a

995

00:47:17,770 --> 00:47:16,010

natural thing and it's not a spooky

996

00:47:21,670 --> 00:47:17,780

thing and it's probably a very

997

00:47:25,420 --> 00:47:21,680

scientific thing that you know we don't

998

00:47:28,420 --> 00:47:25,430

even regard it you know but we've all

999

00:47:33,069 --> 00:47:28,430

got it going on and it's just a matter

1000

00:47:34,480 --> 00:47:33,079

of recognizing it and using it for you

1001
00:47:36,850 --> 00:47:34,490
know for the best advantage and

1002
00:47:41,520 --> 00:47:36,860
for the highest purpose that we have but

1003
00:47:45,310 --> 00:47:41,530
it it's just so interesting how you know

1004
00:47:48,790 --> 00:47:45,320
we have things that now that you know

1005
00:47:50,230 --> 00:47:48,800
obviously technology that people you

1006
00:47:53,320 --> 00:47:50,240
know 100 years ago would have thought

1007
00:47:55,570 --> 00:47:53,330
was some kind of magic you know and in a

1008
00:47:57,520 --> 00:47:55,580
hundred years from now we're gonna look

1009
00:47:59,290 --> 00:47:57,530
at what we're doing now that we think is

1010
00:48:01,630 --> 00:47:59,300
so state-of-the-art and it's gonna look

1011
00:48:05,470 --> 00:48:01,640
very primitive and there's gonna be so

1012
00:48:06,730 --> 00:48:05,480
much more going on it's really well you

1013
00:48:11,050 --> 00:48:06,740

know we're gonna have to take a break

1014

00:48:14,050 --> 00:48:11,060

and when we come back I'm really excited

1015

00:48:18,400 --> 00:48:14,060

to get to the last part of the show

1016

00:48:20,800 --> 00:48:18,410

which is going to be destiny destiny or

1017

00:48:24,400 --> 00:48:20,810

ourselves as humans what it means to be

1018

00:48:27,550 --> 00:48:24,410

human and what it is you know is might

1019

00:48:31,420 --> 00:48:27,560

be interested in about us I have to say

1020

00:48:33,850 --> 00:48:31,430

this Rene before we go to break you just

1021

00:48:36,340 --> 00:48:33,860

said something that is very much a part

1022

00:48:38,980 --> 00:48:36,350

of the channeling that I did earlier

1023

00:48:41,470 --> 00:48:38,990

this evening got very quiet and

1024

00:48:44,230 --> 00:48:41,480

connected with the spirit I know as Mary

1025

00:48:46,750 --> 00:48:44,240

Magdalene and she that really what her

1026
00:48:48,370 --> 00:48:46,760
message is about so I think on an

1027
00:48:52,930 --> 00:48:48,380
intuitive level you're already picking

1028
00:48:58,720 --> 00:48:52,940
that up oh wow I can't wait MJ we're

1029
00:49:01,240 --> 00:48:58,730
gonna go break we'll be right back we're

1030
00:49:02,950 --> 00:49:01,250
back with my radio I'm your host Renee

1031
00:49:05,530 --> 00:49:02,960
Barnett if you're just joining us we've

1032
00:49:08,080 --> 00:49:05,540
got author and intuitive Gloria Amendola

1033
00:49:11,530 --> 00:49:08,090
she's returning to visit us once again

1034
00:49:13,060 --> 00:49:11,540
and we are doing 3d radio here on night

1035
00:49:16,690 --> 00:49:13,070
vision because we have been talking

1036
00:49:19,090 --> 00:49:16,700
about dreams disclosure and now we're

1037
00:49:20,710 --> 00:49:19,100
ready for destiny we're talking about

1038
00:49:23,020 --> 00:49:20,720

our destiny

1039

00:49:25,599 --> 00:49:23,030

where are we going and who are we what

1040

00:49:28,510 --> 00:49:25,609

does it mean to be human and what might

1041

00:49:33,640 --> 00:49:28,520

it be if we're indeed being visited

1042

00:49:36,030 --> 00:49:33,650

being manipulated in physically mentally

1043

00:49:40,630 --> 00:49:36,040

or otherwise spiritually psychologically

1044

00:49:44,200 --> 00:49:40,640

by ETS what could it be about us that

1045

00:49:47,849 --> 00:49:44,210

they find so interesting so Gloria what

1046

00:49:56,279 --> 00:49:50,339

you know in terms of the whole idea of

1047

00:49:57,150 --> 00:49:56,289

aliens in what is what is the purpose of

1048

00:50:01,279 --> 00:49:57,160

all of this

1049

00:50:05,910 --> 00:50:01,289

I really am still formulating

1050

00:50:07,499 --> 00:50:05,920

possibilities in my in my mind about you

1051
00:50:09,029 --> 00:50:07,509
know what is really going on and one of

1052
00:50:12,120 --> 00:50:09,039
the things we were talking about the

1053
00:50:17,220 --> 00:50:12,130
other night when this came up I said to

1054
00:50:21,839 --> 00:50:17,230
you what if they're really not all that

1055
00:50:23,759 --> 00:50:21,849
powerful or perhaps powerful maybe maybe

1056
00:50:26,880 --> 00:50:23,769
their power is more concentrated in

1057
00:50:29,309 --> 00:50:26,890
different environments you know a

1058
00:50:31,339 --> 00:50:29,319
different biosphere but maybe on planet

1059
00:50:34,759 --> 00:50:31,349
Earth where things are a bit denser

1060
00:50:38,309 --> 00:50:34,769
maybe maybe they're not as powerful as

1061
00:50:40,170 --> 00:50:38,319
beings as they are in other places and I

1062
00:50:42,739 --> 00:50:40,180
and I said what if they're really like

1063
00:50:46,079 --> 00:50:42,749

The Wizard of Oz behind the curtain

1064

00:50:48,690 --> 00:50:46,089

projecting this almighty presence in

1065

00:50:50,819 --> 00:50:48,700

this idea that we see in Hollywood

1066

00:50:54,599 --> 00:50:50,829

movies but what if in fact they're

1067

00:50:57,210 --> 00:50:54,609

really not I don't know I don't know

1068

00:50:59,609 --> 00:50:57,220

what the agenda is I think there's

1069

00:51:02,729 --> 00:50:59,619

multiple possibilities and there's

1070

00:51:04,499 --> 00:51:02,739

multiple species who have different just

1071

00:51:06,509 --> 00:51:04,509

like and just like in life there's a lot

1072

00:51:09,390 --> 00:51:06,519

of different people on the planet you

1073

00:51:11,489 --> 00:51:09,400

know we're a very diverse bunch and a

1074

00:51:14,789 --> 00:51:11,499

lot of people have different ideas of

1075

00:51:19,920 --> 00:51:14,799

what they want out of life so I think

1076

00:51:22,200 --> 00:51:19,930

that it's not all sinister and I don't

1077

00:51:25,650 --> 00:51:22,210

but I think so I think some of its dark

1078

00:51:28,589 --> 00:51:25,660

I think some of it is very much to

1079

00:51:30,989 --> 00:51:28,599

liberate us into more fuller

1080

00:51:34,499 --> 00:51:30,999

understanding of who we are and what our

1081

00:51:37,319 --> 00:51:34,509

capabilities are so that's about as far

1082

00:51:39,680 --> 00:51:37,329

as I think I've gotten on on destiny in

1083

00:51:42,479 --> 00:51:39,690

that regard but I know the death is

1084

00:51:45,479 --> 00:51:42,489

about the human body and what we're

1085

00:51:48,299 --> 00:51:45,489

capable of well you know a couple weeks

1086

00:51:51,509 --> 00:51:48,309

back I'm not maybe three weeks or so ago

1087

00:51:54,620 --> 00:51:51,519

we had on dr. Chris Hardy from France I

1088

00:51:59,809 --> 00:51:54,630

know you're familiar with her work and

1089

00:52:01,780 --> 00:51:59,819

yeah and she was talking about that I

1090

00:52:04,750 --> 00:52:01,790

mean her theory was

1091

00:52:08,950 --> 00:52:04,760

that we did have certain abilities that

1092

00:52:11,230 --> 00:52:08,960

they lacked and what the main thing I

1093

00:52:16,150 --> 00:52:11,240

think she was talking about was sort of

1094

00:52:18,370 --> 00:52:16,160

psychic abilities and that maybe they

1095

00:52:20,680 --> 00:52:18,380

were trying to sort of control us out of

1096

00:52:23,970 --> 00:52:20,690

that and then you know that sort of got

1097

00:52:27,130 --> 00:52:23,980

done by other agencies and in

1098

00:52:29,280 --> 00:52:27,140

organisations along the way is because

1099

00:52:33,580 --> 00:52:29,290

they you know it was demonized it was

1100

00:52:38,620 --> 00:52:33,590

you know made to be either crazy or evil

1101
00:52:41,470 --> 00:52:38,630
so it could be that because we I was

1102
00:52:44,590 --> 00:52:41,480
saying you know if if there are among us

1103
00:52:46,600 --> 00:52:44,600
if they're here then why aren't they

1104
00:52:49,330 --> 00:52:46,610
making themselves known well another

1105
00:52:51,250 --> 00:52:49,340
reason for that could be or one reason

1106
00:52:53,590 --> 00:52:51,260
for that could be is that maybe they

1107
00:52:55,510 --> 00:52:53,600
aren't so all-powerful and maybe they

1108
00:52:58,210 --> 00:52:55,520
are maybe they do have vulnerabilities

1109
00:53:00,460 --> 00:52:58,220
you know we always think of them as you

1110
00:53:02,160 --> 00:53:00,470
know all-powerful because you know

1111
00:53:04,390 --> 00:53:02,170
they're able to get here well maybe

1112
00:53:06,910 --> 00:53:04,400
technologically they're very very

1113
00:53:08,710 --> 00:53:06,920

advanced but maybe not physically or

1114

00:53:11,440 --> 00:53:08,720

maybe even not psychologically or

1115

00:53:14,530 --> 00:53:11,450

spiritually and now we're aligned with

1116

00:53:17,320 --> 00:53:14,540

dr. Hardy's take on the Anunnaki in her

1117

00:53:19,750 --> 00:53:17,330

book DNA of the gods because she's very

1118

00:53:23,710 --> 00:53:19,760

clear in her book about how Enlil and

1119

00:53:25,990 --> 00:53:23,720

his group in his gang are really very

1120

00:53:28,540 --> 00:53:26,000

impulsive in in although they had a

1121

00:53:31,900 --> 00:53:28,550

powerful and advanced technologies and

1122

00:53:34,150 --> 00:53:31,910

she names certain apparatus in her books

1123

00:53:38,250 --> 00:53:34,160

she names five things very specifically

1124

00:53:41,320 --> 00:53:38,260

but she says like on an emotional level

1125

00:53:43,930 --> 00:53:41,330

you know really lacking really lacking

1126

00:53:46,060 --> 00:53:43,940

in the wisdom Department you know not

1127

00:53:48,940 --> 00:53:46,070

high on the list you know being more

1128

00:53:54,520 --> 00:53:48,950

impulsive so that was so that supports

1129

00:53:57,460 --> 00:53:54,530

that that idea or for her I'm sure she's

1130

00:54:02,650 --> 00:53:57,470

taken it from certain sources that she's

1131

00:54:04,300 --> 00:54:02,660

worked with so I don't know it's

1132

00:54:06,550 --> 00:54:04,310

interesting to look at it you know from

1133

00:54:08,800 --> 00:54:06,560

the other side of the coin you know it's

1134

00:54:10,870 --> 00:54:08,810

like we've always kind of thought of

1135

00:54:14,130 --> 00:54:10,880

ourselves as being the vulnerable ones

1136

00:54:15,579 --> 00:54:14,140

sort of being you know victimized or

1137

00:54:17,620 --> 00:54:15,589

possible victim

1138

00:54:20,289 --> 00:54:17,630

so these powers you know coming from

1139

00:54:22,809 --> 00:54:20,299

space and and all that but maybe it's

1140

00:54:26,559 --> 00:54:22,819

really not that way maybe they do have

1141

00:54:30,130 --> 00:54:26,569

certain you know again technology and

1142

00:54:33,459 --> 00:54:30,140

abilities in that realm that we have not

1143

00:54:36,160 --> 00:54:33,469

achieved yet but certainly we're getting

1144

00:54:38,469 --> 00:54:36,170

there by leaps and bounds but you know

1145

00:54:40,239 --> 00:54:38,479

maybe they're physically not as strong

1146

00:54:42,339 --> 00:54:40,249

and maybe that's why they come in the

1147

00:54:44,589 --> 00:54:42,349

night you know when people talk about

1148

00:54:46,329 --> 00:54:44,599

having all these alien abduction

1149

00:54:48,910 --> 00:54:46,339

experiences or that's why they make

1150

00:54:54,400 --> 00:54:48,920

people unconscious because they really

1151

00:54:56,589 --> 00:54:54,410

could be overtaken by a human being we

1152

00:55:02,019 --> 00:54:56,599

would by their physical stature that

1153

00:55:03,939 --> 00:55:02,029

that would be true you know I don't know

1154

00:55:06,160 --> 00:55:03,949

I mean for some reason when you were

1155

00:55:09,459 --> 00:55:06,170

talking about that I remembered in Tom

1156

00:55:11,469 --> 00:55:09,469

Kenyon's arcturion anthology he's

1157

00:55:14,769 --> 00:55:11,479

actually in the the Renault chateau area

1158

00:55:16,719 --> 00:55:14,779

when he has an encounter with and what

1159

00:55:20,049 --> 00:55:16,729

he says is a North Korean and it's at

1160

00:55:21,999 --> 00:55:20,059

Lille Avenue which is below the belugas

1161

00:55:24,929 --> 00:55:22,009

Van Buren plateau and really Chateau

1162

00:55:28,089 --> 00:55:24,939

it's in a field there and he's you know

1163

00:55:31,059 --> 00:55:28,099

hiking all around the area and this

1164

00:55:33,069 --> 00:55:31,069

information begins to come to him and of

1165

00:55:35,620 --> 00:55:33,079

course Mountain Dew garages part of this

1166

00:55:37,719 --> 00:55:35,630

whole experience that he has so with

1167

00:55:39,069 --> 00:55:37,729

that you know and that part it is really

1168

00:55:42,249 --> 00:55:39,079

interesting but one of the things the

1169

00:55:44,979 --> 00:55:42,259

Arcturians tell him and I consider Tom a

1170

00:55:47,279 --> 00:55:44,989

pretty strong channel they say that

1171

00:55:49,809 --> 00:55:47,289

they're here to protect us so perhaps

1172

00:55:53,709 --> 00:55:49,819

you know in this variety of species

1173

00:55:55,329 --> 00:55:53,719

that's in the the galaxy if you will you

1174

00:55:58,089 --> 00:55:55,339

know there's a real cast of characters

1175

00:56:00,309 --> 00:55:58,099

but it seems like those guardians of our

1176

00:56:02,079 --> 00:56:00,319

space our air space if you will

1177

00:56:04,689 --> 00:56:02,089

according to Tom's book where the

1178

00:56:06,969 --> 00:56:04,699

Arcturians well that's good because

1179

00:56:09,880 --> 00:56:06,979

maybe we have guardians and we have help

1180

00:56:12,039 --> 00:56:09,890

towards intense technologies but I think

1181

00:56:15,699 --> 00:56:12,049

when it comes to the greys I think I

1182

00:56:18,039 --> 00:56:15,709

don't I don't think they're as powerful

1183

00:56:20,620 --> 00:56:18,049

of species and I think this idea of

1184

00:56:23,469 --> 00:56:20,630

projecting virtual realities to have us

1185

00:56:26,140 --> 00:56:23,479

believe certain things I feel that that

1186

00:56:26,900 --> 00:56:26,150

really has been done to us and it's been

1187

00:56:28,789 --> 00:56:26,910

done

1188

00:56:31,760 --> 00:56:28,799

maybe they understand the Dreamtime more

1189

00:56:36,650 --> 00:56:31,770

I don't know but I think we're coming to

1190

00:56:39,559 --> 00:56:36,660

a point where we're beginning to realize

1191

00:56:43,460 --> 00:56:39,569

more especially with science being so

1192

00:56:44,870 --> 00:56:43,470

succinct now that the biology and energy

1193

00:56:49,160 --> 00:56:44,880

fields of the human being are

1194

00:56:51,470 --> 00:56:49,170

extraordinarily powerful hmm well you

1195

00:56:53,440 --> 00:56:51,480

know I know you have something special

1196

00:56:56,420 --> 00:56:53,450

for us and I don't want to get too far

1197

00:56:59,960 --> 00:56:56,430

down into the final half-hour here

1198

00:57:01,609 --> 00:56:59,970

before we we get that information and

1199

00:57:04,460 --> 00:57:01,619

then we have a chance to talk about it a

1200

00:57:07,700 --> 00:57:04,470

little bit but I but before we do that I

1201

00:57:10,220 --> 00:57:07,710

did want to throw a question for your

1202

00:57:14,450 --> 00:57:10,230

consideration from the chat room from

1203

00:57:16,760 --> 00:57:14,460

DARPA she asks do you think that we all

1204

00:57:19,460 --> 00:57:16,770

have a connection and just most of us

1205

00:57:21,380 --> 00:57:19,470

are not in tune to it and I asked her

1206

00:57:25,910 --> 00:57:21,390

back you know to each other and she said

1207

00:57:28,460 --> 00:57:25,920

to the aliens and she it's a compound

1208

00:57:32,240 --> 00:57:28,470

question abductees do you think they

1209

00:57:35,599 --> 00:57:32,250

were selected before birth okay so

1210

00:57:39,049 --> 00:57:35,609

there's two questions are we do you feel

1211

00:57:42,019 --> 00:57:39,059

a connection to two ETS do you think we

1212

00:57:44,960 --> 00:57:42,029

all have a connection I haven't figured

1213

00:57:47,710 --> 00:57:44,970

that out yet to tell you the truth well

1214

00:57:50,359 --> 00:57:47,720

for me because I do intuitive and medium

1215

00:57:53,299 --> 00:57:50,369

mediumship or I'm in constant contact

1216

00:57:56,089 --> 00:57:53,309

through circles and in with individuals

1217

00:57:58,849 --> 00:57:56,099

and groups and events you know one thing

1218

00:58:00,829 --> 00:57:58,859

we do is we like to call them star

1219

00:58:03,620 --> 00:58:00,839

beings it has a little different feel

1220

00:58:05,720 --> 00:58:03,630

and we we've learned and we've applied

1221

00:58:06,980 --> 00:58:05,730

techniques over the course of years I

1222

00:58:09,680 --> 00:58:06,990

have one group where we've been doing

1223

00:58:13,579 --> 00:58:09,690

this for 10 years and we use sound sound

1224

00:58:16,849 --> 00:58:13,589

through drums and Tibetan bowls and so

1225

00:58:18,980 --> 00:58:16,859

on and so forth and the DNA articles

1226
00:58:21,559 --> 00:58:18,990
that I was reading talk about how sound

1227
00:58:24,200 --> 00:58:21,569
is this intense conduit for in

1228
00:58:26,480 --> 00:58:24,210
especially genetically so I think that

1229
00:58:28,400 --> 00:58:26,490
we all have the ability if we practice

1230
00:58:31,490 --> 00:58:28,410
it's just like anything else just

1231
00:58:33,470 --> 00:58:31,500
practicing to connect with many levels

1232
00:58:35,420 --> 00:58:33,480
of beings because they're they're all

1233
00:58:37,630 --> 00:58:35,430
holding different frequencies if you

1234
00:58:39,819 --> 00:58:37,640
will and I think we all have that

1235
00:58:42,190 --> 00:58:39,829
ability it's just going through some

1236
00:58:45,069 --> 00:58:42,200
training some study and practice

1237
00:58:47,259 --> 00:58:45,079
practice practice to be able to connect

1238
00:58:48,990 --> 00:58:47,269

in but I yeah I think it's I think it's

1239

00:58:52,180 --> 00:58:49,000

our birthright I think it's who we are

1240

00:58:54,549 --> 00:58:52,190

that we come from the stars so we should

1241

00:58:57,759 --> 00:58:54,559

be able to connect with people who are

1242

00:59:00,000 --> 00:58:57,769

from other places being anything it's

1243

00:59:04,720 --> 00:59:00,010

you're looking that way I tell you and

1244

00:59:06,190 --> 00:59:04,730

to your second question DARPA about

1245

00:59:08,620 --> 00:59:06,200

abductees do you think that they were

1246

00:59:11,609 --> 00:59:08,630

selected before birth I guess what I

1247

00:59:15,329 --> 00:59:11,619

would say to that is you know in my work

1248

00:59:19,210 --> 00:59:15,339

talking to many many many people who

1249

00:59:22,630 --> 00:59:19,220

felt that they had that experience in

1250

00:59:25,569 --> 00:59:22,640

many many cases their parents had had an

1251
00:59:27,579 --> 00:59:25,579
experience their siblings had experience

1252
00:59:30,519 --> 00:59:27,589
or even their grandparents had told them

1253
00:59:34,120 --> 00:59:30,529
stories so it seems to be a generational

1254
00:59:37,839 --> 00:59:34,130
thing if that's indeed the case I would

1255
00:59:40,720 --> 00:59:37,849
say yes it looks it could look that way

1256
00:59:42,400 --> 00:59:40,730
that you know a grandparent has an

1257
00:59:44,200 --> 00:59:42,410
experience and then they have a child

1258
00:59:46,359 --> 00:59:44,210
and that child has the experience and

1259
00:59:48,309 --> 00:59:46,369
then they have a child and they have an

1260
00:59:52,269 --> 00:59:48,319
experience as well or a continued

1261
00:59:53,740 --> 00:59:52,279
experience you know obviously that was

1262
00:59:56,559 --> 00:59:53,750
something that was going on before they

1263
00:59:58,960 --> 00:59:56,569

were born so I guess the answer to that

1264

01:00:05,380 --> 00:59:58,970

would be yeah that could that could be

1265

01:00:07,150 --> 01:00:05,390

true yeah I grew that and I also think

1266

01:00:09,670 --> 01:00:07,160

that there's been an agreement and it's

1267

01:00:12,579 --> 01:00:09,680

definitely based on the majestic 12

1268

01:00:15,490 --> 01:00:12,589

documents but also in my own what's in

1269

01:00:16,990 --> 01:00:15,500

my bones how I feel personally is that I

1270

01:00:19,029 --> 01:00:17,000

do think that there's been an agreement

1271

01:00:21,940 --> 01:00:19,039

with our government in these other

1272

01:00:25,329 --> 01:00:21,950

species these other you know peoples

1273

01:00:27,490 --> 01:00:25,339

over humanoids whatever they are to do

1274

01:00:29,740 --> 01:00:27,500

some experimenting I mean he'll our

1275

01:00:31,839 --> 01:00:29,750

government does it on us anyway so

1276

01:00:34,269 --> 01:00:31,849

there's there has been experimentation

1277

01:00:36,640 --> 01:00:34,279

done and in the documents that were

1278

01:00:38,319 --> 01:00:36,650

shown on ancient aliens it said that

1279

01:00:41,079 --> 01:00:38,329

they would basically meet at military

1280

01:00:42,400 --> 01:00:41,089

installations by mutual agreement so

1281

01:00:45,009 --> 01:00:42,410

that was an environment they could

1282

01:00:48,710 --> 01:00:45,019

control and I do believe in exchange for

1283

01:00:51,170 --> 01:00:48,720

technology in certain alien species one

1284

01:00:53,540 --> 01:00:51,180

- perhaps experiments on us maybe they

1285

01:00:57,020 --> 01:00:53,550

wanted to jumpstart an evolutionary

1286

01:00:58,430 --> 01:00:57,030

process I don't know I mean you know dr.

1287

01:01:01,849 --> 01:00:58,440

hardy talks about that from the UH

1288

01:01:04,520 --> 01:01:01,859

Nanaki perspective and Enki and minima

1289

01:01:06,859 --> 01:01:04,530

and so on and so forth so that idea

1290

01:01:09,680 --> 01:01:06,869

isn't new and I think some of that has

1291

01:01:14,330 --> 01:01:09,690

been going on and I think children of

1292

01:01:16,670 --> 01:01:14,340

those GIS are enlisted men have been

1293

01:01:19,040 --> 01:01:16,680

watched through the generations as well

1294

01:01:23,990 --> 01:01:19,050

so that's another aspect of it that I've

1295

01:01:28,310 --> 01:01:24,000

really come coming to accept very well

1296

01:01:34,640 --> 01:01:28,320

now we want our surprise so what it is

1297

01:01:39,440 --> 01:01:34,650

what did you do what did you do I got

1298

01:01:43,250 --> 01:01:39,450

quiet and I connected in with the spirit

1299

01:01:44,990 --> 01:01:43,260

that I know is Mary Magdalene and I

1300

01:01:47,900 --> 01:01:45,000

asked if there was a message for the

1301

01:01:50,720 --> 01:01:47,910

listening audience especially for this

1302

01:01:54,650 --> 01:01:50,730

destiny part as we go through this very

1303

01:01:56,420 --> 01:01:54,660

intense energy portal time that we're

1304

01:01:59,240 --> 01:01:56,430

experiencing right now on so many levels

1305

01:02:02,660 --> 01:01:59,250

and it's not a really long message but

1306

01:02:05,540 --> 01:02:02,670

it really ties in to what we've been

1307

01:02:08,060 --> 01:02:05,550

talking about so here it goes so I asked

1308

01:02:10,490 --> 01:02:08,070

her and so this is Mary Magdalene now

1309

01:02:14,089 --> 01:02:10,500

speaking through me and I'm recording or

1310

01:02:16,760 --> 01:02:14,099

scribing the message you want to know

1311

01:02:19,970 --> 01:02:16,770

what all of this chaos and craziness in

1312

01:02:22,160 --> 01:02:19,980

your world means at this time did you

1313

01:02:25,190 --> 01:02:22,170

not think that this would happen given

1314

01:02:27,710 --> 01:02:25,200

all the factors in play look at your

1315

01:02:35,170 --> 01:02:27,720

okay keep your eyes closed okay I want

1316

01:02:42,800 --> 01:02:39,530

and so be honest what do you think well

1317

01:02:44,180 --> 01:02:42,810

I like how if you switch to Geico you

1318

01:02:44,660 --> 01:02:44,190

could save hundreds of dollars on car

1319

01:02:47,930 --> 01:02:44,670

insurance

1320

01:02:50,180 --> 01:02:47,940

oh yeah that's that's true yeah here why

1321

01:02:53,030 --> 01:02:50,190

don't I hold your paintbrush while you

1322

01:02:54,950 --> 01:02:53,040

call them Geico because saving 15% or

1323

01:02:57,710 --> 01:02:54,960

more on car insurance is always a great

1324

01:03:00,760 --> 01:02:57,720

answer world it is struggling to move

1325

01:03:05,710 --> 01:03:00,770

beyond the old models of

1326

01:03:08,110 --> 01:03:05,720

ruling societies your America was a

1327

01:03:10,840 --> 01:03:08,120

great experiment and what could be in

1328

01:03:13,060 --> 01:03:10,850

this world did you not think the dark

1329

01:03:16,120 --> 01:03:13,070

forces especially the ones that lay

1330

01:03:18,490 --> 01:03:16,130

dormant inside of you would not show

1331

01:03:22,120 --> 01:03:18,500

themselves as they near their point of

1332

01:03:25,210 --> 01:03:22,130

extinction you must hold tight as this

1333

01:03:28,690 --> 01:03:25,220

doorway opens you know I've called it

1334

01:03:30,700 --> 01:03:28,700

the eye of the needle many are not

1335

01:03:33,760 --> 01:03:30,710

choosing to move through this opening

1336

01:03:37,630 --> 01:03:33,770

it's just too hard given their past

1337

01:03:42,670 --> 01:03:37,640

choices they do not see hope nor a way

1338

01:03:45,760 --> 01:03:42,680

forward they see doom and gloom but I

1339

01:03:48,670 --> 01:03:45,770

tell you with all my heart that there

1340

01:03:52,360 --> 01:03:48,680

are wondrous moments unfolding in your

1341

01:03:56,020 --> 01:03:52,370

world so many things are coming alive as

1342

01:03:58,480 --> 01:03:56,030

others are falling away and yes you

1343

01:04:01,030 --> 01:03:58,490

worry about artificial intelligence and

1344

01:04:03,550 --> 01:04:01,040

there are concerns to be had

1345

01:04:06,700 --> 01:04:03,560

but the deeper truth is that your

1346

01:04:11,260 --> 01:04:06,710

emotions are creating your reality and

1347

01:04:15,760 --> 01:04:11,270

that is the X Factor human beings hold

1348

01:04:20,200 --> 01:04:15,770

in their hands worlds are created from

1349

01:04:25,480 --> 01:04:20,210

emotions so what will you choose fear

1350

01:04:30,690 --> 01:04:25,490

hatred division separation or will you

1351

01:04:32,680 --> 01:04:30,700

choose love generosity wisdom compassion

1352

01:04:35,890 --> 01:04:32,690

the choice is yours

1353

01:04:39,130 --> 01:04:35,900

your elders are there to assist you as

1354

01:04:43,300 --> 01:04:39,140

are the star beings call in the

1355

01:04:45,940 --> 01:04:43,310

assistance you need day by day stay

1356

01:04:52,230 --> 01:04:45,950

centered in your heart and prepare for

1357

01:04:56,230 --> 01:04:52,240

the leap time for it is upon you wow

1358

01:04:59,230 --> 01:04:56,240

that and that just came today that came

1359

01:05:01,270 --> 01:04:59,240

did that come this evening I came home

1360

01:05:04,720 --> 01:05:01,280

and I needed to clear out my head so I

1361

01:05:06,730 --> 01:05:04,730

took a 20-minute nap and I got up from

1362

01:05:08,110 --> 01:05:06,740

that and I felt refreshed and then I

1363

01:05:11,950 --> 01:05:08,120

tapped in and asked

1364

01:05:14,080 --> 01:05:11,960

and that's what came huh as you

1365

01:05:16,450 --> 01:05:14,090

mentioned the eye of a needle it reminds

1366

01:05:19,030 --> 01:05:16,460

me of that scripture you know it's

1367

01:05:21,610 --> 01:05:19,040

easier for a camel to go through the eye

1368

01:05:25,960 --> 01:05:21,620

of a needle than a rich man to get into

1369

01:05:29,980 --> 01:05:25,970

heaven and that was supposedly a quote

1370

01:05:33,310 --> 01:05:29,990

from Jesus in Matthew and yeah it's

1371

01:05:37,300 --> 01:05:33,320

funny that that term came through again

1372

01:05:40,170 --> 01:05:37,310

and it sounded like you said that she

1373

01:05:44,770 --> 01:05:40,180

said that she'd used that term before

1374

01:05:48,040 --> 01:05:44,780

yes in my book she talks about in where

1375

01:05:50,820 --> 01:05:48,050

we are in the the place of

1376

01:05:53,550 --> 01:05:50,830

reconciliation in the eye of the needle

1377

01:05:57,040 --> 01:05:53,560

well but what I thought was remarkable

1378

01:06:00,490 --> 01:05:57,050

remarkable about it was this phrase of

1379

01:06:02,440 --> 01:06:00,500

ruling societies it is look at your

1380

01:06:05,620 --> 01:06:02,450

world it is struggling to move beyond

1381

01:06:07,540 --> 01:06:05,630

the old models of ruling societies I

1382

01:06:11,500 --> 01:06:07,550

just thought that that was pretty unique

1383

01:06:14,170 --> 01:06:11,510

I've never heard her say that but what

1384

01:06:17,350 --> 01:06:14,180

what really brought this home to me is

1385

01:06:21,940 --> 01:06:17,360

that she was reminding us that our power

1386

01:06:24,730 --> 01:06:21,950

is with his world's are created from our

1387

01:06:30,300 --> 01:06:24,740

emotions and it was really specifically

1388

01:06:34,240 --> 01:06:30,310

human emotion how powerful it really is

1389

01:06:37,930 --> 01:06:34,250

and do you think she was meaning that we

1390

01:06:42,370 --> 01:06:37,940

manifest what emotions were bringing up

1391

01:06:45,370 --> 01:06:42,380

or was she talking about that you know

1392

01:06:51,280 --> 01:06:45,380

we need to well I guess it could be both

1393

01:06:53,170 --> 01:06:51,290

that we have the power to change things

1394

01:06:56,040 --> 01:06:53,180

or to make things what we want them to

1395

01:06:59,020 --> 01:06:56,050

be rather than the chaos that they are

1396

01:07:03,660 --> 01:06:59,030

well I think she's saying that that we

1397

01:07:06,310 --> 01:07:03,670

need to remember how powerful emotions

1398

01:07:10,240 --> 01:07:06,320

that emotions the worlds are created

1399

01:07:13,990 --> 01:07:10,250

from emotions and how powerful we are

1400

01:07:16,750 --> 01:07:14,000

that we can interject that into the

1401

01:07:18,809 --> 01:07:16,760

grids or into the world so so we must

1402

01:07:21,239 --> 01:07:18,819

you know we must be much

1403

01:07:23,609 --> 01:07:21,249

full of what we choose what will be our

1404

01:07:25,469 --> 01:07:23,619

choice and that's why initiation has

1405

01:07:27,689 --> 01:07:25,479

always been a tried-and-true method of

1406

01:07:30,329 --> 01:07:27,699

mastery because we don't want to

1407

01:07:34,409 --> 01:07:30,339

eliminate our emotions but we don't want

1408

01:07:38,699 --> 01:07:34,419

to be enslaved by them we want to master

1409

01:07:40,979 --> 01:07:38,709

them and you know so that's where she

1410

01:07:44,339 --> 01:07:40,989

said so what will you choose fear hatred

1411

01:07:48,089 --> 01:07:44,349

division separation or will you choose

1412

01:07:50,130 --> 01:07:48,099

love generosity wisdom compassion she's

1413

01:07:52,319 --> 01:07:50,140

saying we all have these choices and

1414

01:07:54,299 --> 01:07:52,329

when she was talking about people that

1415

01:07:57,150 --> 01:07:54,309

are really opting out right now that are

1416

01:07:58,409 --> 01:07:57,160

leaving the planet she's saying they're

1417

01:08:00,659 --> 01:07:58,419

doing one of the reasons they're doing

1418

01:08:03,479 --> 01:08:00,669

this it's just too hard given their past

1419

01:08:06,989 --> 01:08:03,489

choices like they just can't they just

1420

01:08:09,959 --> 01:08:06,999

can't turn it around that quickly at

1421

01:08:12,959 --> 01:08:09,969

this for certain people you know in

1422

01:08:16,559 --> 01:08:12,969

others others are choosing you know love

1423

01:08:18,180 --> 01:08:16,569

compassion generosity wisdom and it's

1424

01:08:20,939 --> 01:08:18,190

taking them in a different world and in

1425

01:08:22,919 --> 01:08:20,949

a different direction but she says

1426

01:08:24,019 --> 01:08:22,929

prepare for the leap time for it is upon

1427

01:08:30,299 --> 01:08:24,029

us

1428

01:08:32,819 --> 01:08:30,309

know they don't there's not a phrase

1429

01:08:37,049 --> 01:08:32,829

called growing pains for nothing you

1430

01:08:39,660 --> 01:08:37,059

know so maybe all of this chaos and

1431

01:08:43,680 --> 01:08:39,670

division that we're going through is

1432

01:08:47,160 --> 01:08:43,690

just a highlight and sort of showcasing

1433

01:08:51,030 --> 01:08:47,170

those things for us so that we see them

1434

01:08:52,950 --> 01:08:51,040

and we can do something about it we can

1435

01:08:54,629 --> 01:08:52,960

make a choice to do something about it

1436

01:09:01,579 --> 01:08:54,639

we can make a choice to make it

1437

01:09:03,959 --> 01:09:01,589

different and yeah I I you know in past

1438

01:09:06,930 --> 01:09:03,969

channelings that Magdalen has given me

1439

01:09:09,899 --> 01:09:06,940

in October of last year she said to not

1440

01:09:12,229 --> 01:09:09,909

fear the different choices that people

1441

01:09:16,589 --> 01:09:12,239

are making as Extreme as they might seem

1442

01:09:19,349 --> 01:09:16,599

because the tension of opposites would

1443

01:09:21,809 --> 01:09:19,359

be one of the catalysts that moves us

1444

01:09:25,049 --> 01:09:21,819

into this leap time you know it right

1445

01:09:28,019 --> 01:09:25,059

it's like pulling on that rubber band so

1446

01:09:30,820 --> 01:09:28,029

hard that at some point it's just gonna

1447

01:09:32,490 --> 01:09:30,830

snap and break because of the tension

1448

01:09:37,590 --> 01:09:32,500

and that somehow that was just a

1449

01:09:39,730 --> 01:09:37,600

necessary catalyst in this alchemical

1450

01:09:43,480 --> 01:09:39,740

solution you know this out chemical

1451

01:09:45,460 --> 01:09:43,490

experience we find ourselves in but I

1452

01:09:48,160 --> 01:09:45,470

like the idea of remembering how

1453

01:09:50,710 --> 01:09:48,170

powerful my emotions are that made that

1454

01:09:55,990 --> 01:09:50,720

really gives me hope that gives me a

1455

01:09:57,700 --> 01:09:56,000

sense of empowerment like if that's what

1456

01:09:59,950 --> 01:09:57,710

I've come to learn and do the work I've

1457

01:10:02,050 --> 01:09:59,960

done to become conscious and you know

1458

01:10:05,200 --> 01:10:02,060

clear out the dross and the mess and the

1459

01:10:08,140 --> 01:10:05,210

craziness as best I can then I can use

1460

01:10:11,260 --> 01:10:08,150

my emotions as a great artist as a

1461

01:10:17,950 --> 01:10:11,270

co-creator and make this world more of

1462

01:10:20,100 --> 01:10:17,960

what I wish it to be and I guess there's

1463

01:10:22,900 --> 01:10:20,110

no reason we couldn't all do that oh

1464

01:10:25,390 --> 01:10:22,910

absolutely and then I think that gets

1465

01:10:27,430 --> 01:10:25,400

back to the collective again in what you

1466

01:10:30,340 --> 01:10:27,440

know what science is showing us in terms

1467

01:10:31,870 --> 01:10:30,350

of when people get together and they're

1468

01:10:36,970 --> 01:10:31,880

you know they're putting forth

1469

01:10:39,340 --> 01:10:36,980

compassion as a feeling as a very strong

1470

01:10:42,430 --> 01:10:39,350

feeling what that can do and what the

1471

01:10:44,980 --> 01:10:42,440

back intersect in their world gregg

1472

01:10:47,170 --> 01:10:44,990

braden reports some of this research but

1473

01:10:50,110 --> 01:10:47,180

it's not really his it's others that he

1474

01:10:52,360 --> 01:10:50,120

draws from and I mean it's just building

1475

01:10:54,790 --> 01:10:52,370

up now to more and more and more so I

1476

01:10:56,710 --> 01:10:54,800

think she's saying hey we have a choice

1477

01:10:59,140 --> 01:10:56,720

and and what are we going to choose

1478

01:11:02,740 --> 01:10:59,150

because we do have a choice at this time

1479

01:11:04,840 --> 01:11:02,750

that's part of the destiny I mean it is

1480

01:11:07,630 --> 01:11:04,850

true we really are powerful much more

1481

01:11:13,180 --> 01:11:07,640

powerful than I think people really

1482

01:11:15,970 --> 01:11:13,190

consciously perceive but we can't affect

1483

01:11:19,150 --> 01:11:15,980

you know everything that's in our that's

1484

01:11:21,820 --> 01:11:19,160

in our little scope here in our own

1485

01:11:25,270 --> 01:11:21,830

little personal universe you know it

1486

01:11:29,370 --> 01:11:25,280

people's emotions can have an actual

1487

01:11:33,390 --> 01:11:29,380

physical effect on them and on others

1488

01:11:36,820 --> 01:11:33,400

both good and bad positive negative

1489

01:11:39,100 --> 01:11:36,830

right depending on what we do depending

1490

01:11:43,820 --> 01:11:39,110

on what we are transmitting what we're

1491

01:11:46,760 --> 01:11:43,830

putting out for others to to pick up on

1492

01:11:50,360 --> 01:11:46,770

and maybe we are reaching some sort of

1493

01:11:53,180 --> 01:11:50,370

critical mass where that will become the

1494

01:11:56,660 --> 01:11:53,190

norm rather than the exception in this

1495

01:11:59,710 --> 01:11:56,670

world but we all know people that and I

1496

01:12:03,050 --> 01:11:59,720

said this so many times where you know

1497

01:12:05,350 --> 01:12:03,060

people a person can walk into the room

1498

01:12:09,830 --> 01:12:05,360

and it's just like a burst of sunshine

1499

01:12:13,640 --> 01:12:09,840

you can feel the good energy and the

1500

01:12:16,790 --> 01:12:13,650

happiness and they make you smile and by

1501
01:12:18,440 --> 01:12:16,800
the same token we know when we know all

1502
01:12:20,060 --> 01:12:18,450
know people that they walk into the room

1503
01:12:24,770 --> 01:12:20,070
it feels like they just sucked all the

1504
01:12:27,380 --> 01:12:24,780
air out of the room because they're

1505
01:12:31,010 --> 01:12:27,390
complaining they're they're criticizing

1506
01:12:34,100 --> 01:12:31,020
others they're being hateful you know

1507
01:12:36,500 --> 01:12:34,110
it's a it's amazing and I don't think

1508
01:12:41,510 --> 01:12:36,510
that generally people give enough

1509
01:12:43,940 --> 01:12:41,520
credence to what how we affect all that

1510
01:12:46,040 --> 01:12:43,950
is around us and if we're affecting

1511
01:12:47,750 --> 01:12:46,050
people we're probably affecting animals

1512
01:12:50,320 --> 01:12:47,760
or probably affecting plants we're

1513
01:12:53,180 --> 01:12:50,330

probably affecting every single thing

1514

01:12:57,410 --> 01:12:53,190

yeah I did some of the research that I

1515

01:13:01,460 --> 01:12:57,420

was just reading really supports that

1516

01:13:03,470 --> 01:13:01,470

it's it's wonderful the research I don't

1517

01:13:06,050 --> 01:13:03,480

have it committed to memory and I will

1518

01:13:08,720 --> 01:13:06,060

tell you something else that I just took

1519

01:13:11,480 --> 01:13:08,730

in this weekend I was listening to a

1520

01:13:14,060 --> 01:13:11,490

webinar of this gentleman who's teaching

1521

01:13:16,100 --> 01:13:14,070

this course and it was a free webinar

1522

01:13:18,020 --> 01:13:16,110

and it was about the plants because I'm

1523

01:13:20,630 --> 01:13:18,030

into plant-based medicine as opposed to

1524

01:13:23,210 --> 01:13:20,640

Pharma if I you know if I can make that

1525

01:13:25,070 --> 01:13:23,220

transition so I keep going deeper into

1526

01:13:27,320 --> 01:13:25,080

that and one of the fascinating things

1527

01:13:29,420 --> 01:13:27,330

he said and he was studied in all

1528

01:13:32,300 --> 01:13:29,430

traditions is that the plants have

1529

01:13:34,970 --> 01:13:32,310

created a biosphere on their earth for

1530

01:13:36,980 --> 01:13:34,980

informing us of the higher intelligence

1531

01:13:39,110 --> 01:13:36,990

you know because because nature is very

1532

01:13:41,570 --> 01:13:39,120

harmonious right very mathematical it's

1533

01:13:43,340 --> 01:13:41,580

very harmonious and he talked about how

1534

01:13:45,890 --> 01:13:43,350

it's actually been informing

1535

01:13:47,390 --> 01:13:45,900

consciousness for a very long time and I

1536

01:13:50,780 --> 01:13:47,400

had never seen it that way

1537

01:13:52,630 --> 01:13:50,790

I understood spirit you know spirit of

1538

01:13:54,920 --> 01:13:52,640

the plant but not that there was this

1539

01:13:56,280 --> 01:13:54,930

collective consciousness of even the

1540

01:13:58,890 --> 01:13:56,290

plant kingdom

1541

01:14:01,460 --> 01:13:58,900

how everything is all connected and how

1542

01:14:05,640 --> 01:14:01,470

everything does affect everything else

1543

01:14:08,070 --> 01:14:05,650

well you know before we get too far down

1544

01:14:11,970 --> 01:14:08,080

the pike here I want to remind everybody

1545

01:14:15,120 --> 01:14:11,980

that you can find Gloria at Gloria

1546

01:14:18,210 --> 01:14:15,130

Amendola calm she does reading she does

1547

01:14:20,640 --> 01:14:18,220

them remotely as well as in person for

1548

01:14:23,970 --> 01:14:20,650

those that are in her area there in New

1549

01:14:27,210 --> 01:14:23,980

England and you can see what she has

1550

01:14:29,820 --> 01:14:27,220

coming up she's got some tours coming up

1551

01:14:32,160 --> 01:14:29,830

and just connect with her that way

1552

01:14:36,150 --> 01:14:32,170

easily also on Facebook you can find

1553

01:14:38,580 --> 01:14:36,160

Gloria as you can me but oh and links to

1554

01:14:42,060 --> 01:14:38,590

her books are also on her site or you

1555

01:14:43,710 --> 01:14:42,070

can find them on amazon.com and or just

1556

01:14:48,150 --> 01:14:43,720

google them and you'll find them I also

1557

01:14:50,490 --> 01:14:48,160

wanted to say a little something timothy

1558

01:14:52,880 --> 01:14:50,500

Beckley just put out a new book called

1559

01:14:55,320 --> 01:14:52,890

hidden treasures of the knight templar

1560

01:14:57,630 --> 01:14:55,330

secrets of rennes-le-chateau Rosslyn

1561

01:15:01,380 --> 01:14:57,640

Chapel Oak Island and the Masonic Order

1562

01:15:03,930 --> 01:15:01,390

and I am listed as a co-author on the

1563

01:15:06,540 --> 01:15:03,940

book I actually only wrote a chapter and

1564

01:15:09,420 --> 01:15:06,550

of course it was on Rhenish at OU but

1565

01:15:11,430 --> 01:15:09,430

just wanted to mention that and give him

1566

01:15:14,070 --> 01:15:11,440

it myself maybe a little bit of a plug

1567

01:15:16,920 --> 01:15:14,080

but also be sure and look up glorious

1568

01:15:20,070 --> 01:15:16,930

books and I highly recommend her series

1569

01:15:23,550 --> 01:15:20,080

on the channeling the channel work on

1570

01:15:26,490 --> 01:15:23,560

Mary Magdalene I mean my goodness they

1571

01:15:30,200 --> 01:15:26,500

are amazing and I you know I've been

1572

01:15:32,400 --> 01:15:30,210

watching or reading Gloria's

1573

01:15:33,360 --> 01:15:32,410

channellings and hearing about them for

1574

01:15:36,210 --> 01:15:33,370

a long long time

1575

01:15:38,400 --> 01:15:36,220

oh we got the music rolling but they are

1576

01:15:40,200 --> 01:15:38,410

amazing I would suggest and they do have

1577

01:15:42,390 --> 01:15:40,210

the ring of truth to them so I would

1578

01:15:44,880 --> 01:15:42,400

suggest you get that book or get those

1579

01:15:47,580 --> 01:15:44,890

books and go to Gloria a module comm

1580

01:15:48,750 --> 01:15:47,590

Thank You Gloria thanks everybody we

1581

01:15:59,620 --> 01:15:48,760

love you today
