

STAR WARS The Last Jedi Roundtable Discussion!

Listen on

inceptionradionetwork.com

1
00:00:06,150 --> 00:00:03,190
okay kevin for the grand prize of one

2
00:00:08,230 --> 00:00:06,160
million dollars what color is the white

3
00:00:10,790 --> 00:00:08,240
house um

4
00:00:13,589 --> 00:00:10,800
i know this i know this i know this

5
00:00:15,190 --> 00:00:13,599
um five seconds oh

6
00:00:17,349 --> 00:00:15,200
switching to geico could save you a

7
00:00:18,390 --> 00:00:17,359
bunch of money on car insurance

8
00:00:20,070 --> 00:00:18,400
okay

9
00:00:22,070 --> 00:00:20,080
judges

10
00:00:25,590 --> 00:00:22,080
that's true kevin they'll allow it

11
00:00:27,990 --> 00:00:25,600
congratulations you're a winner

12
00:00:48,870 --> 00:00:28,000
geico because saving 15 or more on car

13
00:01:17,030 --> 00:00:54,070

[Music]

14

00:01:22,149 --> 00:01:18,950

welcome back to paranormal now i'm your

15

00:01:23,990 --> 00:01:22,159

host alan b smith and tonight we have

16

00:01:25,590 --> 00:01:24,000

something a little bit different for you

17

00:01:27,429 --> 00:01:25,600

uh normally yes we're talking about

18

00:01:29,590 --> 00:01:27,439

aliens and ghosts and the paranormal in

19

00:01:31,749 --> 00:01:29,600

general um but we do a little bit of

20

00:01:34,230 --> 00:01:31,759

everything and tonight we're doing star

21

00:01:36,630 --> 00:01:34,240

wars particularly the history of the

22

00:01:38,469 --> 00:01:36,640

jedi as our focus but it's open game

23

00:01:41,190 --> 00:01:38,479

we've got three great grass guests i'm

24

00:01:43,910 --> 00:01:41,200

gonna introduce them in just a moment

25

00:01:46,890 --> 00:01:43,920

but before i do that i'm going to play

26
00:01:52,920 --> 00:01:46,900
this for you

27
00:02:03,810 --> 00:01:53,890
[Applause]

28
00:02:18,630 --> 00:02:06,630
[Music]

29
00:02:19,650 --> 00:02:18,640
just

30
00:02:21,990 --> 00:02:19,660
breathe

31
00:02:23,830 --> 00:02:22,000
[Music]

32
00:02:30,150 --> 00:02:23,840
now

33
00:02:34,869 --> 00:02:32,000
what do you see

34
00:02:49,670 --> 00:02:34,879
[Music]

35
00:02:49,680 --> 00:02:54,390
the darkness

36
00:02:54,400 --> 00:02:59,880
is so much bigger

37
00:03:22,309 --> 00:03:13,750
[Music]

38
00:03:48,470 --> 00:03:25,670

it's time for the jedi

39

00:03:52,229 --> 00:03:51,190

and that was the trailer for the last

40

00:03:54,869 --> 00:03:52,239

jedi

41

00:03:57,670 --> 00:03:54,879

um and every time i listen to that on my

42

00:04:00,390 --> 00:03:57,680

headset that gives me goosebumps i swear

43

00:04:02,949 --> 00:04:00,400

because they listening to that amazing

44

00:04:04,390 --> 00:04:02,959

oh my yeah it's it's one of the best one

45

00:04:06,630 --> 00:04:04,400

of the best experiences i've had as far

46

00:04:10,630 --> 00:04:06,640

as trailers go seriously hands down um

47

00:04:12,550 --> 00:04:10,640

so before um we get um

48

00:04:14,550 --> 00:04:12,560

get too excited let me introduce the the

49

00:04:18,469 --> 00:04:14,560

guests that i have on tonight which i i

50

00:04:20,150 --> 00:04:18,479

just realized um were all actors so that

51

00:04:23,189 --> 00:04:20,160

was totally not

52

00:04:24,550 --> 00:04:23,199

my intention but here we are so

53

00:04:26,230 --> 00:04:24,560

it's true true story i know a bunch of

54

00:04:28,870 --> 00:04:26,240

actors hang out together

55

00:04:30,629 --> 00:04:28,880

who knows what's gonna happen so

56

00:04:33,350 --> 00:04:30,639

um i'm welcoming on to the show i've got

57

00:04:35,670 --> 00:04:33,360

camille bettina atkinson i've got uh

58

00:04:38,150 --> 00:04:35,680

drew gregory and i have mac barnes mack

59

00:04:39,909 --> 00:04:38,160

barnes has actually been on epic voyages

60

00:04:43,189 --> 00:04:39,919

radio the other program that i do on the

61

00:04:45,270 --> 00:04:43,199

inception radio network um and he is an

62

00:04:48,230 --> 00:04:45,280

encyclopedia of

63

00:04:49,350 --> 00:04:48,240

star wars um so let's start with um

64

00:04:50,950 --> 00:04:49,360

camille you want to just tell us a

65

00:04:51,830 --> 00:04:50,960

little bit about yourself

66

00:04:53,110 --> 00:04:51,840

yeah

67

00:04:56,150 --> 00:04:53,120

um

68

00:04:57,189 --> 00:04:56,160

i'm an irrepressible performer type i've

69

00:04:59,430 --> 00:04:57,199

been

70

00:05:01,670 --> 00:04:59,440

uh

71

00:05:04,469 --> 00:05:01,680

i've been all over the place mainly the

72

00:05:06,390 --> 00:05:04,479

french quarter in new york um working

73

00:05:08,230 --> 00:05:06,400

and performing i grew up in new orleans

74

00:05:10,710 --> 00:05:08,240

and i've been in new york city for 22

75

00:05:12,710 --> 00:05:10,720

years i did the things that you do when

76

00:05:15,350 --> 00:05:12,720

you're a performer the voice overs the

77

00:05:17,430 --> 00:05:15,360

tap dancing and everything in between

78

00:05:19,749 --> 00:05:17,440

um and um

79

00:05:21,909 --> 00:05:19,759

the first time i saw star wars i was 18

80

00:05:25,029 --> 00:05:21,919

months old

81

00:05:27,189 --> 00:05:25,039

my mom said it was fine until you wanted

82

00:05:29,270 --> 00:05:27,199

me to sit through it a second time

83

00:05:32,310 --> 00:05:29,280

because i had to hold the seat down so

84

00:05:34,629 --> 00:05:32,320

you wouldn't get flopped up into it

85

00:05:36,950 --> 00:05:34,639

so

86

00:05:40,070 --> 00:05:36,960

that's how my obsession with star wars

87

00:05:43,749 --> 00:05:40,080

got started i was still in diapers

88

00:05:46,150 --> 00:05:43,759

okay cool and um andrew uh drew gregory

89

00:05:47,590 --> 00:05:46,160

as as you are better known uh tell us a

90

00:05:49,909 --> 00:05:47,600

little bit about yourself i have a lot

91

00:05:51,749 --> 00:05:49,919

of names i have a lot of names alan you

92

00:05:53,270 --> 00:05:51,759

do thanks for having me on i appreciate

93

00:05:54,790 --> 00:05:53,280

it

94

00:05:56,950 --> 00:05:54,800

yeah absolutely thanks man so yeah tell

95

00:05:59,590 --> 00:05:56,960

us a little about yourself

96

00:06:03,430 --> 00:06:01,670

alan and i have known each other quite

97

00:06:05,189 --> 00:06:03,440

some time

98

00:06:11,110 --> 00:06:05,199

we used to mess around back at the tasha

99

00:06:16,790 --> 00:06:14,230

and uh anyway so andrew and i yeah we

100

00:06:18,550 --> 00:06:16,800

we've met we go way back we go way back

101
00:06:21,350 --> 00:06:18,560
become friends many a year in the new

102
00:06:24,390 --> 00:06:21,360
york city exactly um andrew is also

103
00:06:26,150 --> 00:06:24,400
a fast friend of the star wars franchise

104
00:06:27,590 --> 00:06:26,160
um

105
00:06:28,710 --> 00:06:27,600
maybe we've been around me my entire

106
00:06:30,230 --> 00:06:28,720
life

107
00:06:31,510 --> 00:06:30,240
yeah maybe we won't talk too much about

108
00:06:33,749 --> 00:06:31,520
episodes one two and three but i think

109
00:06:35,830 --> 00:06:33,759
we kind of have to some of us are okay

110
00:06:37,350 --> 00:06:35,840
with it some of us um were not cool with

111
00:06:39,990 --> 00:06:37,360
those first three i know i'm pretty sure

112
00:06:42,469 --> 00:06:40,000
mac was um so mac why don't you tell us

113
00:06:45,270 --> 00:06:42,479

about yourself

114

00:06:47,430 --> 00:06:45,280

uh hey everybody um it's great to be on

115

00:06:49,270 --> 00:06:47,440

this show as alan already said i've been

116

00:06:51,510 --> 00:06:49,280

on his show before and we've always had

117

00:06:53,909 --> 00:06:51,520

a great time um

118

00:06:55,270 --> 00:06:53,919

i know a good bit about star wars i

119

00:06:57,430 --> 00:06:55,280

think it's a little much to call me an

120

00:06:59,510 --> 00:06:57,440

encyclopedia though but i do

121

00:07:02,710 --> 00:06:59,520

pay attention to all mediums in which

122

00:07:05,670 --> 00:07:02,720

star wars can be um learned i collect

123

00:07:08,790 --> 00:07:05,680

all the comic books from the

124

00:07:12,070 --> 00:07:08,800

um now canonized version from what

125

00:07:13,510 --> 00:07:12,080

happened in april 2014

126

00:07:15,110 --> 00:07:13,520

all the way to the current day i have

127

00:07:17,670 --> 00:07:15,120

every canon comic book i have all the

128

00:07:20,150 --> 00:07:17,680

movies watched them each probably

129

00:07:22,230 --> 00:07:20,160

50 times each including rogue one even

130

00:07:23,430 --> 00:07:22,240

though it's been out less than a year

131

00:07:25,830 --> 00:07:23,440

um

132

00:07:28,469 --> 00:07:25,840

and pretty much i just pay attention to

133

00:07:30,150 --> 00:07:28,479

everything star wars every day the first

134

00:07:33,029 --> 00:07:30,160

one of the first things i do after i

135

00:07:35,189 --> 00:07:33,039

brush my teeth is uh click type in star

136

00:07:36,790 --> 00:07:35,199

wars on google and then just hit the

137

00:07:40,309 --> 00:07:36,800

news tab just to see if anything's

138

00:07:43,510 --> 00:07:41,830

yeah and yeah

139

00:07:45,589 --> 00:07:43,520

was there anything in particular that

140

00:07:47,990 --> 00:07:45,599

caught your eye

141

00:07:51,510 --> 00:07:48,000

um i just i think i thought it was

142

00:07:53,990 --> 00:07:51,520

pretty funny that uh i caught um the

143

00:07:54,869 --> 00:07:54,000

behind the scenes video that uh star

144

00:07:56,790 --> 00:07:54,879

wars

145

00:07:59,909 --> 00:07:56,800

uh posted on their youtube channel i

146

00:08:01,990 --> 00:07:59,919

called it before um like i have my

147

00:08:04,390 --> 00:08:02,000

notifications or like the little bell on

148

00:08:05,670 --> 00:08:04,400

youtube set for star wars just in case

149

00:08:08,629 --> 00:08:05,680

anything they post i get the

150

00:08:10,550 --> 00:08:08,639

notification and i actually saw

151

00:08:12,309 --> 00:08:10,560

on there that the video was posted

152

00:08:14,629 --> 00:08:12,319

before the bell even gave me the

153

00:08:15,909 --> 00:08:14,639

notification so i saw like what i'm

154

00:08:17,589 --> 00:08:15,919

thinking is probably before the

155

00:08:19,029 --> 00:08:17,599

notification was sent out which means i

156

00:08:21,189 --> 00:08:19,039

was probably one of the first people to

157

00:08:21,830 --> 00:08:21,199

see it that's it you probably just typed

158

00:08:23,270 --> 00:08:21,840

in

159

00:08:24,629 --> 00:08:23,280

yeah yeah i mean it's like you typed it

160

00:08:29,189 --> 00:08:24,639

in right

161

00:08:32,949 --> 00:08:31,189

yeah so i'm sorry alan did you did you

162

00:08:35,350 --> 00:08:32,959

say that mac

163

00:08:38,070 --> 00:08:35,360

actually he he enjoys the uh

164

00:08:52,470 --> 00:08:38,080

prequel trilogy did he did you say that

165

00:09:01,750 --> 00:08:56,949

when i saw episode four i was two

166

00:09:03,190 --> 00:09:01,760

and it blew my mind okay when i saw

167

00:09:07,030 --> 00:09:03,200

episode one

168

00:09:09,910 --> 00:09:07,040

i had a four-year-old next to me

169

00:09:12,389 --> 00:09:09,920

it was it was the same experience

170

00:09:15,910 --> 00:09:12,399

yes it was a little goony yes it was a

171

00:09:17,269 --> 00:09:15,920

little put together yes jar jar whatever

172

00:09:18,949 --> 00:09:17,279

is actually my favorite character from

173

00:09:21,430 --> 00:09:18,959

the prequel he's the only character in

174

00:09:23,030 --> 00:09:21,440

all defense he's a jamaican we all know

175

00:09:24,630 --> 00:09:23,040

that jar jar is a jamaican and that's

176

00:09:25,829 --> 00:09:24,640

what makes it okay

177

00:09:28,790 --> 00:09:25,839

but

178

00:09:30,230 --> 00:09:28,800

i love the story my favorite thing about

179

00:09:32,230 --> 00:09:30,240

this whole thing is that i've been

180

00:09:34,550 --> 00:09:32,240

watching this story

181

00:09:37,910 --> 00:09:34,560

since i was tiny

182

00:09:38,870 --> 00:09:37,920

like watching these characters grow

183

00:09:41,350 --> 00:09:38,880

and

184

00:09:43,269 --> 00:09:41,360

trying so hard to apply those lessons to

185

00:09:46,150 --> 00:09:43,279

my messed up life all of our lives are

186

00:09:48,389 --> 00:09:46,160

messed up we're all fighting a battle

187

00:09:49,829 --> 00:09:48,399

you know and so the first few episodes

188

00:09:51,829 --> 00:09:49,839

they were messed up because guess who

189

00:09:54,310 --> 00:09:51,839

else was fighting a battle

190

00:09:57,910 --> 00:09:54,320

george lucas

191

00:10:01,670 --> 00:09:59,829

don't yeah i

192

00:10:02,790 --> 00:10:01,680

i have to agree andrew and andrew i know

193

00:10:05,590 --> 00:10:02,800

you probably don't want to hear this but

194

00:10:08,389 --> 00:10:05,600

i have been a little more forgiving

195

00:10:09,590 --> 00:10:08,399

but not episode two i am sorry i have so

196

00:10:11,910 --> 00:10:09,600

many problems with episode two but

197

00:10:14,630 --> 00:10:11,920

episode one and episode three

198

00:10:16,150 --> 00:10:14,640

um i i kind of i've grown to like again

199

00:10:17,509 --> 00:10:16,160

with the exception of jar jar binks but

200

00:10:18,389 --> 00:10:17,519

then if i was a kid maybe i would have

201
00:10:20,630 --> 00:10:18,399
loved it

202
00:10:22,550 --> 00:10:20,640
um yeah sure but i i actually wasn't

203
00:10:24,790 --> 00:10:22,560
there is actually pretty dope man like

204
00:10:27,110 --> 00:10:24,800
ja jar in the clone wars he plays a big

205
00:10:29,829 --> 00:10:27,120
role he plays a real pivotal role man i

206
00:10:32,310 --> 00:10:29,839
love jar jar yep and i love i love three

207
00:10:35,190 --> 00:10:32,320
god three huh

208
00:10:36,710 --> 00:10:35,200
three i cannot agree with that at all i

209
00:10:38,150 --> 00:10:36,720
love it

210
00:10:41,030 --> 00:10:38,160
so mac what about yourself because i

211
00:10:42,470 --> 00:10:41,040
know you were you were pretty young when

212
00:10:44,470 --> 00:10:42,480
mac you were pretty young when uh one

213
00:10:49,829 --> 00:10:44,480

two and three came out right

214

00:10:52,470 --> 00:10:49,839

um i was i'm 97 so i'm 19 years of age

215

00:10:54,949 --> 00:10:52,480

almost 20 20 in october

216

00:10:58,949 --> 00:10:54,959

so uh i'm definitely the youngest person

217

00:11:01,910 --> 00:11:00,949

all right one second yeah i knew i knew

218

00:11:03,670 --> 00:11:01,920

that he would definitely be the

219

00:11:05,509 --> 00:11:03,680

strongest with the force i knew this was

220

00:11:07,269 --> 00:11:05,519

after just like the little pregame

221

00:11:09,030 --> 00:11:07,279

business now

222

00:11:10,949 --> 00:11:09,040

i i put him somewhere he's probably the

223

00:11:11,910 --> 00:11:10,959

jedi max definitely the jedi master of

224

00:11:13,750 --> 00:11:11,920

the group

225

00:11:15,750 --> 00:11:13,760

you and i are somewhere probably around

226

00:11:17,829 --> 00:11:15,760

jedi knight now camille i don't know too

227

00:11:19,269 --> 00:11:17,839

much about like where where you're at

228

00:11:21,190 --> 00:11:19,279

with this i think you're at least a

229

00:11:22,710 --> 00:11:21,200

padawan learner i have a couple

230

00:11:24,790 --> 00:11:22,720

questions for you real quick i just want

231

00:11:25,910 --> 00:11:24,800

to these are these to be interpreted

232

00:11:29,190 --> 00:11:25,920

anyway i just want to know how you

233

00:11:30,710 --> 00:11:29,200

answer them tremendous underestimation

234

00:11:32,949 --> 00:11:30,720

of my power

235

00:11:34,790 --> 00:11:32,959

all right so okay andrew go ahead yeah

236

00:11:39,990 --> 00:11:34,800

ask your questions and we'll see

237

00:11:44,310 --> 00:11:41,990

in the original hand in the remake

238

00:11:46,150 --> 00:11:44,320

[h__\h] sorry i said i wasn't going to

239

00:11:47,990 --> 00:11:46,160

swear but that's what it is

240

00:11:50,150 --> 00:11:48,000

what's your so what's your final answer

241

00:11:53,590 --> 00:11:50,160

i need one answer one answer

242

00:11:56,870 --> 00:11:54,470

okay

243

00:12:00,150 --> 00:11:56,880

how about you mac what do you say

244

00:12:01,990 --> 00:12:00,160

well see uh this is where i can answer

245

00:12:04,710 --> 00:12:02,000

your answer will explain explains

246

00:12:07,829 --> 00:12:04,720

volumes it's gotta be greater

247

00:12:09,509 --> 00:12:07,839

okay yeah okay okay do you know why do

248

00:12:11,269 --> 00:12:09,519

you know why i say that

249

00:12:12,150 --> 00:12:11,279

so you all say burrito

250

00:12:14,629 --> 00:12:12,160

yeah

251
00:12:16,550 --> 00:12:14,639
but no no but i didn't say just greedo i

252
00:12:18,949 --> 00:12:16,560
said in one version han

253
00:12:21,190 --> 00:12:18,959
and in the other other version greedo

254
00:12:24,230 --> 00:12:21,200
and the reason for that is and this is

255
00:12:28,870 --> 00:12:24,240
my theory it is a sound editing error

256
00:12:31,750 --> 00:12:30,230
oh yeah

257
00:12:34,629 --> 00:12:31,760
oh that's interesting i haven't heard

258
00:12:35,990 --> 00:12:34,639
that before yeah

259
00:12:37,829 --> 00:12:36,000
people are like why did he do it i'm

260
00:12:39,829 --> 00:12:37,839
like maybe he didn't do it on purpose

261
00:12:41,829 --> 00:12:39,839
there's so much he didn't do on purpose

262
00:12:43,430 --> 00:12:41,839
that happened okay well i know i know

263
00:12:45,910 --> 00:12:43,440

we're doing this for like for a lot of

264

00:12:48,310 --> 00:12:45,920

star wars geek fans

265

00:12:50,150 --> 00:12:48,320

i think you might be something with this

266

00:12:51,670 --> 00:12:50,160

well andrew hold on just hold on one sec

267

00:12:54,069 --> 00:12:51,680

guys um

268

00:12:55,350 --> 00:12:54,079

because even though a lot of star wars

269

00:12:57,670 --> 00:12:55,360

geek fans are going to be listening to

270

00:12:58,870 --> 00:12:57,680

this um let's just remind ourselves that

271

00:13:00,550 --> 00:12:58,880

there are going to be some people who

272

00:13:01,590 --> 00:13:00,560

are not hardcore fans listening to this

273

00:13:03,750 --> 00:13:01,600

as well so

274

00:13:04,870 --> 00:13:03,760

um this the scene we're talking about

275

00:13:07,910 --> 00:13:04,880

andrew you want to set the stage for

276

00:13:09,670 --> 00:13:07,920

that yeah so basically

277

00:13:11,350 --> 00:13:09,680

in the original movies the original

278

00:13:12,629 --> 00:13:11,360

films

279

00:13:15,509 --> 00:13:12,639

there's a scene in the mos eisley

280

00:13:16,870 --> 00:13:15,519

cantina where han solo is confronted by

281

00:13:18,230 --> 00:13:16,880

greedo

282

00:13:20,710 --> 00:13:18,240

it's when he sits he puts him down at

283

00:13:22,310 --> 00:13:20,720

the table and he basically tells him the

284

00:13:24,310 --> 00:13:22,320

same thing the job of the hutt tells him

285

00:13:25,670 --> 00:13:24,320

in the later added scene but that's a

286

00:13:28,150 --> 00:13:25,680

whole nother story

287

00:13:30,870 --> 00:13:28,160

anyway in the original film which is how

288

00:13:33,030 --> 00:13:30,880

i always saw it growing up han solo out

289

00:13:35,030 --> 00:13:33,040

draws greedo and he shoots him first

290

00:13:38,629 --> 00:13:35,040

but when the special edition came around

291

00:13:41,030 --> 00:13:38,639

in the 90s 97 is it i think mac can i

292

00:13:43,269 --> 00:13:41,040

get a call on that i believe so and then

293

00:13:44,550 --> 00:13:43,279

i think they redid it again in o4

294

00:13:46,710 --> 00:13:44,560

and so when the special edition came

295

00:13:49,030 --> 00:13:46,720

around george added a lot of

296

00:13:51,190 --> 00:13:49,040

a lot of uh special effects and visual

297

00:13:52,389 --> 00:13:51,200

effects to enhance some of the scenes

298

00:13:54,310 --> 00:13:52,399

like most sizes he looked more like a

299

00:13:55,829 --> 00:13:54,320

city which was kind of cool same thing

300

00:13:58,150 --> 00:13:55,839

with like the best been in empire

301
00:14:00,310 --> 00:13:58,160
strikes back but anyway he changed the

302
00:14:02,870 --> 00:14:00,320
scene with han and greedo

303
00:14:04,629 --> 00:14:02,880
he to make greedo shoot first and like

304
00:14:05,990 --> 00:14:04,639
it doesn't even look right on film like

305
00:14:08,230 --> 00:14:06,000
you can clearly tell that it's been

306
00:14:09,990 --> 00:14:08,240
edited and it just looks terrible and i

307
00:14:12,310 --> 00:14:10,000
feel like it completely changes the

308
00:14:14,310 --> 00:14:12,320
whole principle of the character so i've

309
00:14:16,629 --> 00:14:14,320
never been a fan of that

310
00:14:19,670 --> 00:14:16,639
i agree okay yeah mac what's your take

311
00:14:23,509 --> 00:14:21,990
what on the the bar scene the cantina

312
00:14:25,110 --> 00:14:23,519
scene yeah i mean camille made a good

313
00:14:27,189 --> 00:14:25,120

point it could have been an editing

314

00:14:28,629 --> 00:14:27,199

problem because andrew even

315

00:14:30,710 --> 00:14:28,639

yeah i mean andrew said it looked it

316

00:14:34,949 --> 00:14:30,720

looked sloppy so it does make me wonder

317

00:14:35,829 --> 00:14:34,959

was was it initially a major mistake

318

00:14:37,750 --> 00:14:35,839

um

319

00:14:40,870 --> 00:14:37,760

i don't know if it was a mistake

320

00:14:42,949 --> 00:14:40,880

i think that um he probably warned it

321

00:14:45,110 --> 00:14:42,959

was like a stick george messed up i

322

00:14:47,269 --> 00:14:45,120

think if you get a second go around what

323

00:14:49,910 --> 00:14:47,279

he wanted to do was uh

324

00:14:51,750 --> 00:14:49,920

he wanted to portray han less of like

325

00:14:53,590 --> 00:14:51,760

you know the jerk type even though he

326

00:14:56,470 --> 00:14:53,600

was kind of a jerk but he was an

327

00:14:59,030 --> 00:14:56,480

anti-hero so he was supposed to stay

328

00:15:00,069 --> 00:14:59,040

that way even though i do disagree with

329

00:15:01,910 --> 00:15:00,079

him

330

00:15:04,310 --> 00:15:01,920

redoing it making greedo shoot first i

331

00:15:06,310 --> 00:15:04,320

can see why he did it from a

332

00:15:09,189 --> 00:15:06,320

um love of the

333

00:15:11,269 --> 00:15:09,199

uh original triad of main characters for

334

00:15:12,949 --> 00:15:11,279

that perspective because

335

00:15:15,110 --> 00:15:12,959

then it makes han solo look like he's

336

00:15:17,430 --> 00:15:15,120

more defending himself but he still does

337

00:15:19,590 --> 00:15:17,440

it and i mean they didn't take away the

338

00:15:21,750 --> 00:15:19,600

coin flip at the end or the credit flip

339

00:15:23,590 --> 00:15:21,760

if you you know you watch that after he

340

00:15:24,949 --> 00:15:23,600

blasts him i mean he still walks over to

341

00:15:27,829 --> 00:15:24,959

the bar and flips a coin to the

342

00:15:29,350 --> 00:15:27,839

bartender so he's still a badass i mean

343

00:15:32,470 --> 00:15:29,360

i mean whether you're the first one to

344

00:15:34,949 --> 00:15:32,480

shoot or not he's still awesome

345

00:15:37,189 --> 00:15:34,959

yeah i mean i i like the i like the

346

00:15:39,430 --> 00:15:37,199

original cut better

347

00:15:40,790 --> 00:15:39,440

well can i say i have to agree yeah yeah

348

00:15:43,189 --> 00:15:40,800

go ahead okay

349

00:15:46,550 --> 00:15:43,199

all right so what i was going to say is

350

00:15:48,069 --> 00:15:46,560

that whole scene at the mos eisley

351
00:15:49,990 --> 00:15:48,079
i love that song right you can see that

352
00:15:51,749 --> 00:15:50,000
on repeat forever

353
00:15:53,749 --> 00:15:51,759
um

354
00:15:56,710 --> 00:15:53,759
that he goes in you know there's

355
00:15:58,870 --> 00:15:56,720
swinging doors it's a it's a saloon

356
00:16:01,590 --> 00:15:58,880
right pretty much yeah it's a saloon

357
00:16:03,670 --> 00:16:01,600
right so we have this the our american

358
00:16:05,990 --> 00:16:03,680
mythology which is the wild west and

359
00:16:08,389 --> 00:16:06,000
we've transported it into space which is

360
00:16:09,189 --> 00:16:08,399
our our fantasy for the future

361
00:16:10,870 --> 00:16:09,199
and

362
00:16:12,710 --> 00:16:10,880
they're using

363
00:16:16,389 --> 00:16:12,720

uh motifs

364

00:16:19,030 --> 00:16:16,399

and gestures and atmosphere to try and

365

00:16:21,030 --> 00:16:19,040

invoke something that will familiar with

366

00:16:23,430 --> 00:16:21,040

in the story of the old west

367

00:16:25,829 --> 00:16:23,440

and it's about who shoots first

368

00:16:28,310 --> 00:16:25,839

it's about who's the fastest draw

369

00:16:30,870 --> 00:16:28,320

and that's not always epic that's not

370

00:16:33,430 --> 00:16:30,880

always ethical in the wild west the

371

00:16:37,350 --> 00:16:33,440

heroes from the wild west are the are

372

00:16:39,590 --> 00:16:37,360

the bad guys and i'm a zina fan

373

00:16:41,030 --> 00:16:39,600

i really like seeing people get stabbed

374

00:16:42,710 --> 00:16:41,040

in the heart

375

00:16:43,749 --> 00:16:42,720

but did you say like xena warrior

376

00:16:44,790 --> 00:16:43,759

princess

377

00:16:46,629 --> 00:16:44,800

yes

378

00:16:48,069 --> 00:16:46,639

can you cannot hear a xena call i'm not

379

00:16:49,350 --> 00:16:48,079

the only one

380

00:16:51,910 --> 00:16:49,360

not anymore

381

00:16:53,829 --> 00:16:51,920

that's how i met my ex-wife

382

00:16:56,470 --> 00:16:53,839

so andrew yeah

383

00:16:57,829 --> 00:16:56,480

he's just like it's the original han

384

00:16:59,509 --> 00:16:57,839

han's dead to rights man like readers

385

00:17:02,310 --> 00:16:59,519

got him dead duress greedo's gonna kill

386

00:17:04,789 --> 00:17:02,320

him so sneakily under the table he

387

00:17:06,789 --> 00:17:04,799

undoes his blaster from his holster and

388

00:17:08,870 --> 00:17:06,799

then he blasts greedo under the table it

389

00:17:11,189 --> 00:17:08,880

was very slick it was very sly and i

390

00:17:13,029 --> 00:17:11,199

think it plays out a lot better than the

391

00:17:14,309 --> 00:17:13,039

than what they did in special edition

392

00:17:15,350 --> 00:17:14,319

agreed

393

00:17:16,710 --> 00:17:15,360

the only thing

394

00:17:19,029 --> 00:17:16,720

i really don't think i really don't

395

00:17:20,230 --> 00:17:19,039

think grito shooting him at first makes

396

00:17:22,150 --> 00:17:20,240

han like

397

00:17:24,230 --> 00:17:22,160

more or less of a like a better of a

398

00:17:25,909 --> 00:17:24,240

character a better person i think it was

399

00:17:27,350 --> 00:17:25,919

very silly

400

00:17:30,950 --> 00:17:27,360

well i think

401
00:17:34,630 --> 00:17:30,960
that most conspiracy theories don't pan

402
00:17:37,190 --> 00:17:34,640
out and the main reason is people are

403
00:17:39,110 --> 00:17:37,200
just too stupid to get that kind of

404
00:17:41,110 --> 00:17:39,120
thought process going

405
00:17:43,510 --> 00:17:41,120
we're not i can't even remember to do

406
00:17:45,750 --> 00:17:43,520
the dishes before i go to bed

407
00:17:47,510 --> 00:17:45,760
so like i think that somebody was in the

408
00:17:49,750 --> 00:17:47,520
editing room and they're doing this

409
00:17:52,230 --> 00:17:49,760
whole reboot and this is a moment and it

410
00:17:54,789 --> 00:17:52,240
gets out it causes a controversy which

411
00:17:56,549 --> 00:17:54,799
creates publicity

412
00:17:59,029 --> 00:17:56,559
i mean maybe because i think there might

413
00:18:01,590 --> 00:17:59,039

be some credence to that only because

414

00:18:03,270 --> 00:18:01,600

could if you're like some people who

415

00:18:04,789 --> 00:18:03,280

criticized the first films and the

416

00:18:08,470 --> 00:18:04,799

oversights

417

00:18:10,150 --> 00:18:08,480

in the films

418

00:18:11,990 --> 00:18:10,160

it's like if there were other storyline

419

00:18:12,630 --> 00:18:12,000

oversights why wouldn't there be

420

00:18:14,950 --> 00:18:12,640

an

421

00:18:16,789 --> 00:18:14,960

editing oversight um especially because

422

00:18:18,630 --> 00:18:16,799

george lucas is one man

423

00:18:21,110 --> 00:18:18,640

you know running in an empire

424

00:18:23,350 --> 00:18:21,120

um so i i i yeah i wouldn't he needed to

425

00:18:25,270 --> 00:18:23,360

split the work i'm so glad he sold the

426

00:18:26,789 --> 00:18:25,280

rights it was the best thing for

427

00:18:28,789 --> 00:18:26,799

everybody that was a good idea it was a

428

00:18:30,310 --> 00:18:28,799

good idea okay i'm gonna say this one on

429

00:18:31,830 --> 00:18:30,320

the topic and then we've gotta move on

430

00:18:34,390 --> 00:18:31,840

we'll talk about the the jedi's a little

431

00:18:38,390 --> 00:18:34,400

bit more um okay but

432

00:18:40,070 --> 00:18:38,400

yeah i i think personally that um like

433

00:18:42,470 --> 00:18:40,080

andrew said him being more sly and

434

00:18:45,430 --> 00:18:42,480

pulling the trigger first is not

435

00:18:47,510 --> 00:18:45,440

because i never i never saw it and he's

436

00:18:49,510 --> 00:18:47,520

a murderer or he's a bad person

437

00:18:50,710 --> 00:18:49,520

i saw as he knew exactly what that guy

438

00:18:52,390 --> 00:18:50,720

was going to do

439

00:18:54,390 --> 00:18:52,400

right before he did it

440

00:18:56,310 --> 00:18:54,400

so he shot first because he knew that

441

00:18:58,150 --> 00:18:56,320

guy was going to kill him that's i think

442

00:19:00,070 --> 00:18:58,160

that's just as fair as

443

00:19:01,909 --> 00:19:00,080

sticking up your gun

444

00:19:02,630 --> 00:19:01,919

and in reaction to someone raising their

445

00:19:04,470 --> 00:19:02,640

gun

446

00:19:06,470 --> 00:19:04,480

but it's a movie so i think it's fair i

447

00:19:08,789 --> 00:19:06,480

think it works that's true

448

00:19:11,270 --> 00:19:08,799

both of them are true but we know you

449

00:19:13,430 --> 00:19:11,280

and i know and the people

450

00:19:15,990 --> 00:19:13,440

who got onto the film when it was just

451
00:19:18,230 --> 00:19:16,000
that film that was only film we knew han

452
00:19:19,990 --> 00:19:18,240
was a good guy and we saw that and we

453
00:19:22,150 --> 00:19:20,000
knew what happened

454
00:19:23,830 --> 00:19:22,160
and you can't take that away from us he

455
00:19:25,990 --> 00:19:23,840
shot first in self-defense you can't

456
00:19:28,150 --> 00:19:26,000
argue about it forever if it's your

457
00:19:29,990 --> 00:19:28,160
imagination okay

458
00:19:31,270 --> 00:19:30,000
true story true story it was our our

459
00:19:32,390 --> 00:19:31,280
experience and then other people had

460
00:19:34,470 --> 00:19:32,400
different experience and that's just the

461
00:19:36,070 --> 00:19:34,480
way it is we can't change other people's

462
00:19:38,549 --> 00:19:36,080
experiences just because we think ours

463
00:19:40,390 --> 00:19:38,559

is better so okay moving on let's talk

464

00:19:41,990 --> 00:19:40,400

about this trailer the last jedi

465

00:19:44,470 --> 00:19:42,000

official trailer i'm going to start

466

00:19:47,430 --> 00:19:44,480

let's start with mac um i want to get

467

00:19:49,909 --> 00:19:47,440

like your overall take on what you

468

00:19:51,270 --> 00:19:49,919

got out of the trailer

469

00:19:52,390 --> 00:19:51,280

um

470

00:19:53,830 --> 00:19:52,400

well i wish

471

00:19:56,150 --> 00:19:53,840

i wish we were talking about while we

472

00:19:58,070 --> 00:19:56,160

were watching it um because there's so

473

00:20:01,029 --> 00:19:58,080

many things that you just don't think

474

00:20:03,590 --> 00:20:01,039

about once uh the actual

475

00:20:06,710 --> 00:20:03,600

visual aspect of what you're analyzing

476

00:20:08,549 --> 00:20:06,720

is uh over so i mean

477

00:20:10,950 --> 00:20:08,559

just things off the top of my head i

478

00:20:14,230 --> 00:20:10,960

think that um

479

00:20:15,830 --> 00:20:14,240

that uh landscape shot where rey is like

480

00:20:18,310 --> 00:20:15,840

uh obvi it looks like she's just

481

00:20:20,549 --> 00:20:18,320

swinging the lightsaber but you know

482

00:20:22,390 --> 00:20:20,559

she's got to be training but uh that

483

00:20:25,669 --> 00:20:22,400

looks really cool i'm interested about

484

00:20:27,430 --> 00:20:25,679

that and all the all the dialogue from

485

00:20:30,470 --> 00:20:27,440

luke throughout the entire trailer where

486

00:20:32,390 --> 00:20:30,480

he's asking her what she feels and to

487

00:20:35,830 --> 00:20:32,400

reach out and things like that i can't

488

00:20:37,270 --> 00:20:35,840

wait to see him mentor her in the movie

489

00:20:39,110 --> 00:20:37,280

because you know that's going to happen

490

00:20:41,750 --> 00:20:39,120

plenty

491

00:20:43,909 --> 00:20:41,760

so if any of you guys

492

00:20:45,350 --> 00:20:43,919

if yeah if any of you guys want to watch

493

00:20:47,510 --> 00:20:45,360

it while we're talking that's fine just

494

00:20:50,070 --> 00:20:47,520

turn the volume down on on the youtube

495

00:20:52,230 --> 00:20:50,080

and then we're we're good um

496

00:20:54,070 --> 00:20:52,240

so okay i think that's a good start um

497

00:20:55,510 --> 00:20:54,080

camille what do you think

498

00:20:57,270 --> 00:20:55,520

oh my god

499

00:20:59,669 --> 00:20:57,280

the way that these last

500

00:21:00,789 --> 00:20:59,679

couple films have rolled out has just

501
00:21:03,110 --> 00:21:00,799
been

502
00:21:05,909 --> 00:21:03,120
so amazing

503
00:21:08,390 --> 00:21:05,919
and this one is not like oh my god it's

504
00:21:10,950 --> 00:21:08,400
not disappointing me on any level

505
00:21:13,590 --> 00:21:10,960
i love where this this story has gone

506
00:21:16,149 --> 00:21:13,600
and the visuals just like you said the

507
00:21:19,909 --> 00:21:16,159
visuals are just so like you could eat

508
00:21:21,669 --> 00:21:19,919
them they're like steak they're so good

509
00:21:22,470 --> 00:21:21,679
yeah yeah okay and that's the cinnamon

510
00:21:27,510 --> 00:21:22,480
toast

511
00:21:30,390 --> 00:21:27,520
i like steak i like steak a lot oh baby

512
00:21:33,029 --> 00:21:30,400
is this steak for you drew

513
00:21:35,190 --> 00:21:33,039

oh my goodness yes i definitely consume

514

00:21:36,950 --> 00:21:35,200

star wars more than i do steak on a

515

00:21:38,710 --> 00:21:36,960

yearly basis that is that's healthier

516

00:21:41,190 --> 00:21:38,720

that's definitely healthier for you

517

00:21:42,070 --> 00:21:41,200

it certainly is i don't end up like john

518

00:21:43,669 --> 00:21:42,080

wayne

519

00:21:48,310 --> 00:21:43,679

you don't know how that ended what

520

00:21:50,950 --> 00:21:49,909

all right i mean look i know we're all

521

00:21:52,070 --> 00:21:50,960

cool all right

522

00:21:53,430 --> 00:21:52,080

the trailer is trying to watch the

523

00:21:56,149 --> 00:21:53,440

languages guys

524

00:21:57,350 --> 00:21:56,159

i apologize i'm trying i i did stop if

525

00:21:59,190 --> 00:21:57,360

you play it back you'll hear that i

526

00:22:00,950 --> 00:21:59,200

stopped at midway i apologize for all

527

00:22:02,230 --> 00:22:00,960

the kids at home i know this is a family

528

00:22:03,909 --> 00:22:02,240

show

529

00:22:06,470 --> 00:22:03,919

but yeah the trailer is great uh i

530

00:22:08,549 --> 00:22:06,480

really think that uh

531

00:22:09,990 --> 00:22:08,559

clearly something bad's gonna go down

532

00:22:11,350 --> 00:22:10,000

like they're they're teasing it they're

533

00:22:12,390 --> 00:22:11,360

teasing it they're really they're really

534

00:22:14,950 --> 00:22:12,400

teasing us

535

00:22:16,470 --> 00:22:14,960

and yeah i feel i feel that too the you

536

00:22:18,789 --> 00:22:16,480

know they're following the same formula

537

00:22:20,630 --> 00:22:18,799

as the first the first uh or the

538

00:22:23,350 --> 00:22:20,640

original the holy trilogy you know the

539

00:22:24,950 --> 00:22:23,360

following.org that's the best yeah so

540

00:22:27,750 --> 00:22:24,960

that was my only grew up with the first

541

00:22:29,350 --> 00:22:27,760

one like er i'm sorry seven

542

00:22:31,190 --> 00:22:29,360

like uh the fourth what is it the fourth

543

00:22:33,909 --> 00:22:31,200

what is it

544

00:22:35,510 --> 00:22:33,919

no no yeah the focus wiggins thank you

545

00:22:37,270 --> 00:22:35,520

it was too close to a new hope a new

546

00:22:39,190 --> 00:22:37,280

hope is my favorite and i love it i

547

00:22:41,350 --> 00:22:39,200

understand it's kind of like a

548

00:22:43,669 --> 00:22:41,360

remake in sorts but it was just if i

549

00:22:46,789 --> 00:22:43,679

followed us too closely it followed a

550

00:22:48,470 --> 00:22:46,799

little too close but as we know

551
00:22:50,149 --> 00:22:48,480
okay so this i'm gonna bring up

552
00:22:52,310 --> 00:22:50,159
something really quickly so when i was

553
00:22:53,830 --> 00:22:52,320
younger i read i read nintendo power

554
00:22:55,669 --> 00:22:53,840
because that's how cool of the kid i was

555
00:22:57,750 --> 00:22:55,679
oh my god i remember that

556
00:22:58,870 --> 00:22:57,760
yeah it was a magazine that was amazing

557
00:22:59,909 --> 00:22:58,880
and uh

558
00:23:01,430 --> 00:22:59,919
when

559
00:23:02,789 --> 00:23:01,440
they made there was a series of star

560
00:23:04,630 --> 00:23:02,799
wars games that came out for super

561
00:23:06,310 --> 00:23:04,640
nintendo that were really awesome they

562
00:23:08,390 --> 00:23:06,320
were really really good and they came

563
00:23:10,470 --> 00:23:08,400

out like every two years kind of the way

564

00:23:12,149 --> 00:23:10,480

the films did maybe maybe it was a

565

00:23:14,710 --> 00:23:12,159

little bit sooner maybe it was a year i

566

00:23:16,950 --> 00:23:14,720

don't recall but anyway there was a

567

00:23:18,789 --> 00:23:16,960

promo for return to the jedi the game

568

00:23:20,549 --> 00:23:18,799

for on super nintendo and i'll never

569

00:23:22,070 --> 00:23:20,559

forget the promo it said it said

570

00:23:24,470 --> 00:23:22,080

something like this it's not an exact

571

00:23:26,549 --> 00:23:24,480

quote but it says something like

572

00:23:29,110 --> 00:23:26,559

the first time we won

573

00:23:31,990 --> 00:23:29,120

the second time they won

574

00:23:33,270 --> 00:23:32,000

this time there won't be a next time

575

00:23:34,950 --> 00:23:33,280

and i always thought that was like

576
00:23:37,110 --> 00:23:34,960
really awesome like that pretty much

577
00:23:39,350 --> 00:23:37,120
sums up the holy trilogy

578
00:23:41,029 --> 00:23:39,360
it's it sums it up very well

579
00:23:42,470 --> 00:23:41,039
i feel that seven eight and nine are

580
00:23:44,310 --> 00:23:42,480
going to follow suit

581
00:23:46,390 --> 00:23:44,320
we know empire strikes back like a lot

582
00:23:49,190 --> 00:23:46,400
you know the empire wins man like things

583
00:23:50,470 --> 00:23:49,200
go down that's i feel the last is going

584
00:23:52,870 --> 00:23:50,480
to be the same way

585
00:23:55,190 --> 00:23:52,880
it's such a good story

586
00:23:58,230 --> 00:23:55,200
and they are very similar

587
00:24:00,149 --> 00:23:58,240
but i i thought of something when i was

588
00:24:01,750 --> 00:24:00,159

watching the trailer

589

00:24:03,830 --> 00:24:01,760

and um

590

00:24:04,950 --> 00:24:03,840

i saw the wonder woman movie and i liked

591

00:24:06,870 --> 00:24:04,960

it very much and this is not a

592

00:24:08,789 --> 00:24:06,880

discussion of the wonder woman movie i

593

00:24:11,350 --> 00:24:08,799

hope but

594

00:24:12,230 --> 00:24:11,360

i still haven't seen it reserve judgment

595

00:24:13,669 --> 00:24:12,240

yes

596

00:24:17,669 --> 00:24:13,679

the

597

00:24:20,070 --> 00:24:17,679

whole promo that whole trailer

598

00:24:22,549 --> 00:24:20,080

summed up the entire film of wonder

599

00:24:28,070 --> 00:24:25,750

in two minutes and 38 seconds

600

00:24:29,669 --> 00:24:28,080

it was the whole film pretty much it was

601
00:24:31,669 --> 00:24:29,679
amazing

602
00:24:33,669 --> 00:24:31,679
so you don't need to see wonder woman

603
00:24:35,269 --> 00:24:33,679
you saw this trailer

604
00:24:36,390 --> 00:24:35,279
no it's no it's really it's really funny

605
00:24:37,590 --> 00:24:36,400
you said that

606
00:24:39,909 --> 00:24:37,600
because

607
00:24:40,789 --> 00:24:39,919
and i know it's not totally true

608
00:24:43,190 --> 00:24:40,799
but

609
00:24:44,950 --> 00:24:43,200
after watching this trailer

610
00:24:46,549 --> 00:24:44,960
this is one of my favorite

611
00:24:47,830 --> 00:24:46,559
it's not my favorite star wars trailer

612
00:24:49,190 --> 00:24:47,840
so far

613
00:24:50,710 --> 00:24:49,200

i almost don't want the movie to come

614

00:24:52,230 --> 00:24:50,720

out because i'm afraid it won't be as

615

00:24:54,630 --> 00:24:52,240

good as a trailer

616

00:24:56,870 --> 00:24:54,640

because this thing gave me goosebumps up

617

00:24:59,350 --> 00:24:56,880

and down man like and and when i put

618

00:25:00,390 --> 00:24:59,360

when i played on my my good headphones

619

00:25:01,990 --> 00:25:00,400

it it

620

00:25:03,190 --> 00:25:02,000

john williams just blows me away with

621

00:25:04,470 --> 00:25:03,200

his music

622

00:25:08,789 --> 00:25:04,480

um

623

00:25:13,269 --> 00:25:11,029

well the score is

624

00:25:14,310 --> 00:25:13,279

yes it definitely has to be yeah don't i

625

00:25:16,870 --> 00:25:14,320

don't agree i don't agree with his

626
00:25:19,590 --> 00:25:16,880
extracurriculars i apologize to anyone

627
00:25:21,590 --> 00:25:19,600
that he may have hurt

628
00:25:23,990 --> 00:25:21,600
oh i i don't know about the wait wait

629
00:25:25,510 --> 00:25:24,000
okay that what are the extra curriculars

630
00:25:26,870 --> 00:25:25,520
that's a whole other show

631
00:25:28,149 --> 00:25:26,880
anyway uh

632
00:25:30,149 --> 00:25:28,159
okay well just to go along with the

633
00:25:31,990 --> 00:25:30,159
trailer can we discuss on the like the

634
00:25:33,990 --> 00:25:32,000
behind the scenes that they came out

635
00:25:35,190 --> 00:25:34,000
this recently id23 just to go along with

636
00:25:37,750 --> 00:25:35,200
the trailer

637
00:25:39,110 --> 00:25:37,760
there's a couple of quotes that

638
00:25:42,230 --> 00:25:39,120

well he said that there's gonna be

639

00:25:44,230 --> 00:25:42,240

something shocking and it's very real

640

00:25:45,990 --> 00:25:44,240

and they talk about ryan johnson the

641

00:25:47,510 --> 00:25:46,000

director and it's going to be very

642

00:25:49,110 --> 00:25:47,520

shocking there's something very shocking

643

00:25:50,470 --> 00:25:49,120

going to happen they promise something

644

00:25:52,710 --> 00:25:50,480

very shocking

645

00:25:53,990 --> 00:25:52,720

now the way i understand it when empire

646

00:25:57,830 --> 00:25:54,000

strikes back

647

00:26:00,630 --> 00:25:57,840

came out you know back in 1880 1980

648

00:26:02,310 --> 00:26:00,640

uh when that big reveal that

649

00:26:03,350 --> 00:26:02,320

that when vader tells luke that he's his

650

00:26:04,950 --> 00:26:03,360

father

651
00:26:07,430 --> 00:26:04,960
that was

652
00:26:08,870 --> 00:26:07,440
you know that's part of cinema history

653
00:26:11,269 --> 00:26:08,880
and it's on many lists in like one of

654
00:26:12,870 --> 00:26:11,279
the top five moments in cinema history

655
00:26:14,470 --> 00:26:12,880
so many people were not expecting that

656
00:26:16,870 --> 00:26:14,480
and it completely

657
00:26:18,870 --> 00:26:16,880
captivated audiences i have a feeling

658
00:26:22,870 --> 00:26:18,880
we're going to see something of that

659
00:26:26,549 --> 00:26:22,880
magnitude go down in last jedi

660
00:26:30,230 --> 00:26:28,230
yeah the last jedi

661
00:26:33,029 --> 00:26:30,240
yeah but i mean i guess some people

662
00:26:35,190 --> 00:26:33,039
speculated luke has had a child

663
00:26:36,470 --> 00:26:35,200

and maybe raised that child is that

664

00:26:38,630 --> 00:26:36,480

possible

665

00:26:40,070 --> 00:26:38,640

uh yeah

666

00:26:43,430 --> 00:26:40,080

yeah i'm kind of on the i kind of think

667

00:26:44,390 --> 00:26:43,440

that rey or luke are going to go bad i

668

00:26:46,149 --> 00:26:44,400

have a feeling that one of them is going

669

00:26:48,470 --> 00:26:46,159

to either switch

670

00:26:49,990 --> 00:26:48,480

switch over to the dark side or

671

00:26:57,269 --> 00:26:50,000

oh my god

672

00:27:00,390 --> 00:26:58,789

well i know i know mark hamill is

673

00:27:03,430 --> 00:27:00,400

watching an interview

674

00:27:08,950 --> 00:27:03,440

i'm a dark saber person i'm sorry sorry

675

00:27:13,350 --> 00:27:10,950

what's your favorite who what jedi has

676
00:27:16,470 --> 00:27:13,360
the favorite lightsaber like what design

677
00:27:18,630 --> 00:27:16,480
what design lightsaber is your favorite

678
00:27:24,870 --> 00:27:18,640
do you have one

679
00:27:29,669 --> 00:27:26,870
i mean the classic green or blue seem

680
00:27:32,230 --> 00:27:29,679
like yours your standard like

681
00:27:34,630 --> 00:27:32,240
your standard 34. you know what i mean

682
00:27:35,909 --> 00:27:34,640
looks really reliable but i mean are

683
00:27:37,430 --> 00:27:35,919
there any like jedi like if they all

684
00:27:38,310 --> 00:27:37,440
have their own design is there anyone

685
00:27:40,149 --> 00:27:38,320
that like

686
00:27:41,510 --> 00:27:40,159
you thought was cooler than the others i

687
00:27:42,310 --> 00:27:41,520
always thought darth maul's was pretty

688
00:27:44,549 --> 00:27:42,320

bad

689

00:27:46,549 --> 00:27:44,559

yes i know i've tried the darth maul

690

00:27:48,549 --> 00:27:46,559

lightsaber i'm five foot tall so it

691

00:27:51,430 --> 00:27:48,559

really doesn't work for me

692

00:27:53,190 --> 00:27:51,440

i see that makes sense yeah

693

00:27:54,310 --> 00:27:53,200

i did try

694

00:27:57,669 --> 00:27:54,320

well

695

00:27:59,029 --> 00:27:57,679

hear

696

00:28:01,029 --> 00:27:59,039

um what you have to think what your

697

00:28:03,350 --> 00:28:01,039

theory is about luke and what this big

698

00:28:04,230 --> 00:28:03,360

surprise might be

699

00:28:05,830 --> 00:28:04,240

me

700

00:28:07,830 --> 00:28:05,840

oh man

701
00:28:09,909 --> 00:28:07,840
something shocking and real

702
00:28:12,149 --> 00:28:09,919
i have like an intense

703
00:28:21,029 --> 00:28:12,159
theory that is no joke like three

704
00:28:24,630 --> 00:28:22,870
hold on mack let's we'll do that when we

705
00:28:26,710 --> 00:28:24,640
come back from the break i have a minute

706
00:28:28,630 --> 00:28:26,720
can you describe to me your

707
00:28:31,350 --> 00:28:28,640
favorite lightsaber and why before we

708
00:28:33,909 --> 00:28:31,360
come back my favorite lightsaber is

709
00:28:35,750 --> 00:28:33,919
honestly probably mace windu's not not

710
00:28:37,830 --> 00:28:35,760
for the color how most people would

711
00:28:39,110 --> 00:28:37,840
think so the route the rounded handle i

712
00:28:40,950 --> 00:28:39,120
like the circular rounds like the

713
00:28:43,110 --> 00:28:40,960

multiples it's pretty dope i agree

714

00:28:45,990 --> 00:28:43,120

that is a good answer that's a good

715

00:28:48,070 --> 00:28:46,000

answer mac that's good

716

00:28:49,190 --> 00:28:48,080

is that is that what it is

717

00:28:51,669 --> 00:28:49,200

that's cool

718

00:28:53,269 --> 00:28:51,679

mac finish

719

00:28:55,110 --> 00:28:53,279

it's cool that it's purple and it's cool

720

00:28:57,190 --> 00:28:55,120

that it's circular and it's got a good

721

00:28:59,110 --> 00:28:57,200

grip and like just the symmetry of the

722

00:29:00,630 --> 00:28:59,120

lightsaber but really the coolest part

723

00:29:02,149 --> 00:29:00,640

to me is that one thing that darth

724

00:29:04,470 --> 00:29:02,159

sidious and mace windu's lightsabers

725

00:29:07,029 --> 00:29:04,480

have in common is that uh the lightsaber

726
00:29:10,070 --> 00:29:07,039
is finished with an uh an element called

727
00:29:13,190 --> 00:29:10,080
electrum and electrum is uh for senior

728
00:29:15,590 --> 00:29:13,200
members of the jedi council only and it

729
00:29:17,909 --> 00:29:15,600
has like um lightsabers can't cut

730
00:29:19,590 --> 00:29:17,919
through it so his lightsaber can't be

731
00:29:21,510 --> 00:29:19,600
cut through like we've seen many

732
00:29:23,669 --> 00:29:21,520
lightsabers

733
00:29:26,230 --> 00:29:23,679
throughout

734
00:29:28,950 --> 00:29:26,240
it can't be called what do you

735
00:29:30,789 --> 00:29:28,960
no like if you take another lightsaber

736
00:29:33,430 --> 00:29:30,799
and try to cut through the hilt of his

737
00:29:35,590 --> 00:29:33,440
blade or if through his lightsaber you

738
00:29:37,350 --> 00:29:35,600

can't cut through it because electrum is

739

00:29:39,830 --> 00:29:37,360

uh one of the few elements in the star

740

00:29:41,669 --> 00:29:39,840

wars world that is immune to lightsaber

741

00:29:42,389 --> 00:29:41,679

class you should talk about the handle

742

00:29:43,750 --> 00:29:42,399

yeah

743

00:29:45,430 --> 00:29:43,760

oh that's awesome i didn't know that

744

00:29:48,070 --> 00:29:45,440

yeah you're definitely the jedi man's

745

00:29:49,269 --> 00:29:48,080

master mac for sure

746

00:29:51,269 --> 00:29:49,279

all right cool well let's hold it there

747

00:29:53,830 --> 00:29:51,279

so when we come back after this first

748

00:29:55,909 --> 00:29:53,840

very short break um we are going to dive

749

00:29:57,909 --> 00:29:55,919

in deep and we will try not to run

750

00:30:00,149 --> 00:29:57,919

astray we'll dive in deep into

751
00:30:04,549 --> 00:30:00,159
um what is going on

752
00:30:06,870 --> 00:30:04,559
with luke skywalker and his new

753
00:30:09,269 --> 00:30:06,880
outlook on the force

754
00:30:10,149 --> 00:30:09,279
and what will this groundbreaking news

755
00:30:14,549 --> 00:30:10,159
be

756
00:30:16,310 --> 00:30:14,559
this is alan b smith for paranormal now

757
00:30:31,430 --> 00:30:16,320
on the inception radio network stay

758
00:30:34,549 --> 00:30:32,549
you didn't forget what's coming up

759
00:30:36,789 --> 00:30:34,559
tonight did you hi inception radio

760
00:30:38,149 --> 00:30:36,799
network listeners this is amanda never

761
00:30:39,750 --> 00:30:38,159
miss that interview you were looking

762
00:30:43,510 --> 00:30:39,760
forward to or the show on your favorite

763
00:30:45,909 --> 00:30:43,520

topic follow irn on twitter i underscore

764

00:30:48,470 --> 00:30:45,919

our underscore n and get reminders about

765

00:30:50,310 --> 00:30:48,480

the evening's live shows as well as fun

766

00:30:52,870 --> 00:30:50,320

you're listening to love advice with

767

00:30:54,950 --> 00:30:52,880

leanne caller you're on the air uh hi

768

00:30:55,990 --> 00:30:54,960

leanne long time listener first time

769

00:30:57,909 --> 00:30:56,000

caller

770

00:31:00,070 --> 00:30:57,919

why in your professional opinion do you

771

00:31:01,190 --> 00:31:00,080

never take my calls off the air is this

772

00:31:05,830 --> 00:31:01,200

carl

773

00:31:07,190 --> 00:31:05,840

everything was great i thought uh well

774

00:31:09,029 --> 00:31:07,200

you know

775

00:31:11,029 --> 00:31:09,039

when you switched to geico you could

776

00:31:13,750 --> 00:31:11,039

save a lot of money on car insurance

777

00:31:16,230 --> 00:31:13,760

okay awesome you should call them i will

778

00:31:18,230 --> 00:31:16,240

geico because saving 15 or more on car

779

00:31:20,389 --> 00:31:18,240

insurance is always the great answer

780

00:31:23,190 --> 00:31:20,399

important updates throughout the week

781

00:31:27,430 --> 00:31:23,200

that's i underscore our underscore

782

00:31:32,389 --> 00:31:29,990

hello inception radio network listeners

783

00:31:34,789 --> 00:31:32,399

this is amanda remember you can take

784

00:31:36,470 --> 00:31:34,799

your inception radio shows on the go

785

00:31:39,430 --> 00:31:36,480

just download the inception radio

786

00:31:41,590 --> 00:31:39,440

network app for your iphone ipad or

787

00:31:44,070 --> 00:31:41,600

android smartphones and access

788

00:31:46,630 --> 00:31:44,080

live shows past shows guest lineups and

789

00:31:48,470 --> 00:31:46,640

much more just visit the itunes store or

790

00:31:51,920 --> 00:31:48,480

the google play marketplace and download

791

00:33:02,070 --> 00:31:51,930

it today for free

792

00:33:06,630 --> 00:33:03,830

and welcome back to paranormal now i'm

793

00:33:09,750 --> 00:33:06,640

alan b smith your host on the inception

794

00:33:11,509 --> 00:33:09,760

radio network um while this is a podcast

795

00:33:13,350 --> 00:33:11,519

we are part of a live stream every

796

00:33:15,909 --> 00:33:13,360

saturday night 11 p.m eastern standard

797

00:33:17,830 --> 00:33:15,919

time if you want to find out more about

798

00:33:20,070 --> 00:33:17,840

us just go to paranormal now radio on

799

00:33:23,110 --> 00:33:20,080

facebook or on instagram

800

00:33:24,389 --> 00:33:23,120

at paranormal now and of course anytime

801
00:33:26,389 --> 00:33:24,399
you're listening to the inception radio

802
00:33:28,149 --> 00:33:26,399
network if you do not have internet

803
00:33:30,070 --> 00:33:28,159
connection and you are desperate to

804
00:33:32,630 --> 00:33:30,080
listen to our station and get your

805
00:33:37,110 --> 00:33:32,640
paranormal fix you can always call

806
00:33:40,950 --> 00:33:38,470
zero zero 401-283-6700 you can listen

807
00:33:43,110 --> 00:33:40,960
live to the stream 24 7. also other ways

808
00:33:45,430 --> 00:33:43,120
to listen to the show live 365 stitcher

809
00:33:47,909 --> 00:33:45,440
radio nobex radio tune in itunes radio

810
00:33:49,509 --> 00:33:47,919
stream shoutcast win amp win media

811
00:33:52,870 --> 00:33:49,519
player and quicktime and of course on

812
00:33:56,070 --> 00:33:52,880
roku okay so we left it off with

813
00:33:57,350 --> 00:33:56,080

our speculations of luke skywalker and

814

00:34:00,070 --> 00:33:57,360

some

815

00:34:02,789 --> 00:34:00,080

amazing turn or catastrophic

816

00:34:04,149 --> 00:34:02,799

um turn of event in the storyline so mac

817

00:34:06,389 --> 00:34:04,159

i want to get your

818

00:34:07,909 --> 00:34:06,399

point of view on what you suspect based

819

00:34:11,430 --> 00:34:07,919

on this trailer what you think is going

820

00:34:13,109 --> 00:34:11,440

to happen to luke skywalker

821

00:34:15,349 --> 00:34:13,119

honestly i think it's going to be

822

00:34:16,629 --> 00:34:15,359

something that's less surprising about

823

00:34:19,030 --> 00:34:16,639

the actual

824

00:34:21,829 --> 00:34:19,040

story and the progression of the

825

00:34:23,909 --> 00:34:21,839

character development and the way um

826

00:34:25,510 --> 00:34:23,919

we find out about rey's parenting i

827

00:34:26,710 --> 00:34:25,520

think it's gonna be more like something

828

00:34:28,950 --> 00:34:26,720

like either

829

00:34:30,710 --> 00:34:28,960

luke has turned to the dark side or luke

830

00:34:32,550 --> 00:34:30,720

is like sick and he's like on the verge

831

00:34:36,230 --> 00:34:32,560

of death

832

00:34:39,829 --> 00:34:38,629

oh i like that theory

833

00:34:41,669 --> 00:34:39,839

you think you might have turned the dark

834

00:34:42,869 --> 00:34:41,679

side but i i do i do wonder because in

835

00:34:45,109 --> 00:34:42,879

the trailer

836

00:34:47,430 --> 00:34:45,119

we see that shot of

837

00:34:48,389 --> 00:34:47,440

you know something like a papyrus or an

838

00:34:49,349 --> 00:34:48,399

old

839

00:34:50,310 --> 00:34:49,359

um

840

00:34:52,629 --> 00:34:50,320

script

841

00:34:54,310 --> 00:34:52,639

from like an ancient jedi library we

842

00:34:55,109 --> 00:34:54,320

would assume

843

00:34:56,550 --> 00:34:55,119

um

844

00:34:58,870 --> 00:34:56,560

yeah and so that makes me think that

845

00:35:00,630 --> 00:34:58,880

maybe luke was actually spending more

846

00:35:03,030 --> 00:35:00,640

time digging into the past and learning

847

00:35:05,670 --> 00:35:03,040

things that he just that even yoda

848

00:35:08,069 --> 00:35:05,680

didn't pass on to him

849

00:35:09,589 --> 00:35:08,079

he's seen some things lucas seen some

850

00:35:11,430 --> 00:35:09,599

things

851
00:35:14,150 --> 00:35:11,440
i mean do do you think that that's where

852
00:35:16,069 --> 00:35:14,160
his backstory was that he was scouring

853
00:35:17,510 --> 00:35:16,079
um the galaxy to find out as much as he

854
00:35:18,950 --> 00:35:17,520
can about the

855
00:35:20,870 --> 00:35:18,960
the jedi

856
00:35:22,550 --> 00:35:20,880
well i know for a fact it was because

857
00:35:24,710 --> 00:35:22,560
like i said before i collect all the

858
00:35:27,270 --> 00:35:24,720
comic books and um

859
00:35:30,230 --> 00:35:27,280
i can't tell you exactly which issue or

860
00:35:32,230 --> 00:35:30,240
even which uh book because i have

861
00:35:34,390 --> 00:35:32,240
probably over a hundred since it's okay

862
00:35:37,510 --> 00:35:34,400
we believe you we believe you

863
00:35:41,030 --> 00:35:37,520

but um he has revisited the original

864

00:35:44,310 --> 00:35:41,040

jedi temple um a few times and went into

865

00:35:46,230 --> 00:35:44,320

like secret like safes and uh places

866

00:35:49,270 --> 00:35:46,240

that not even darth sidious knew about

867

00:35:50,310 --> 00:35:49,280

when he uh changed the jedi temple over

868

00:35:52,950 --> 00:35:50,320

to

869

00:35:55,109 --> 00:35:52,960

like his main coruscant office

870

00:35:57,190 --> 00:35:55,119

um so he's taken a few books and like

871

00:35:58,550 --> 00:35:57,200

relics and things like that to uh

872

00:36:03,670 --> 00:35:58,560

further his

873

00:36:08,470 --> 00:36:05,990

well i i guess when i saw the symbol on

874

00:36:10,470 --> 00:36:08,480

there that um well actually the symbol

875

00:36:13,829 --> 00:36:10,480

reminded me of

876

00:36:15,190 --> 00:36:13,839

the original star wars poster with luke

877

00:36:17,589 --> 00:36:15,200

when he has his arms up and the

878

00:36:19,670 --> 00:36:17,599

lightsaber yeah

879

00:36:21,030 --> 00:36:19,680

it does it totally does doesn't it yeah

880

00:36:22,790 --> 00:36:21,040

yeah yeah

881

00:36:25,109 --> 00:36:22,800

good looks on that

882

00:36:27,589 --> 00:36:25,119

so and i and i so i was reading about

883

00:36:30,950 --> 00:36:27,599

the the history of the jedi and before

884

00:36:31,910 --> 00:36:30,960

there was the jedi there was the jedi

885

00:36:32,950 --> 00:36:31,920

order

886

00:36:38,390 --> 00:36:32,960

do you guys know anything about these

887

00:36:44,630 --> 00:36:41,349

on an island called jahab or something

888

00:36:48,390 --> 00:36:44,640

like that sorry um yeah

889

00:36:50,630 --> 00:36:48,400

g what is it j e d a h

890

00:36:58,710 --> 00:36:50,640

are these their favorite culture there

891

00:37:03,030 --> 00:37:01,190

right and this was on python but mac you

892

00:37:05,589 --> 00:37:03,040

know you know that that the origins

893

00:37:06,630 --> 00:37:05,599

became before that correct

894

00:37:08,310 --> 00:37:06,640

yes

895

00:37:10,150 --> 00:37:08,320

okay can you tell us about the origins

896

00:37:13,430 --> 00:37:10,160

the very beginning before the even the

897

00:37:14,550 --> 00:37:13,440

jedi order existed

898

00:37:18,230 --> 00:37:14,560

um

899

00:37:19,270 --> 00:37:18,240

well if i'm correct which i believe i am

900

00:37:20,950 --> 00:37:19,280

there would be

901
00:37:23,109 --> 00:37:20,960
let him finish drew let him finish up

902
00:37:24,790 --> 00:37:23,119
and then you'll jump in and and and take

903
00:37:26,150 --> 00:37:24,800
over no i was just reinforcing i have

904
00:37:27,430 --> 00:37:26,160
nothing to say i was just agreeing that

905
00:37:29,109 --> 00:37:27,440
he's correct

906
00:37:32,550 --> 00:37:29,119
okay cool

907
00:37:33,750 --> 00:37:32,560
uh i believe there were um three known

908
00:37:35,109 --> 00:37:33,760
um

909
00:37:36,390 --> 00:37:35,119
they didn't used to call it the light

910
00:37:38,390 --> 00:37:36,400
side and the dark side

911
00:37:40,069 --> 00:37:38,400
and like gray jedi i guess has been

912
00:37:42,950 --> 00:37:40,079
something that people have played around

913
00:37:45,510 --> 00:37:42,960

with in legends but that is not that

914

00:37:47,750 --> 00:37:45,520

term and the actual role of that even

915

00:37:49,589 --> 00:37:47,760

though we've seen that ahsoka's

916

00:37:51,270 --> 00:37:49,599

she claims that she's not a jedi anymore

917

00:37:53,750 --> 00:37:51,280

but obviously she's not dark side so

918

00:37:55,589 --> 00:37:53,760

many people have called her a gray jedi

919

00:37:57,910 --> 00:37:55,599

they didn't used to be called that they

920

00:38:00,150 --> 00:37:57,920

used to be called back during the jedi

921

00:38:02,710 --> 00:38:00,160

order they used to be called ashla

922

00:38:05,510 --> 00:38:02,720

stood for light bogen which stood for

923

00:38:06,710 --> 00:38:05,520

dark and bendu was the balance

924

00:38:10,069 --> 00:38:06,720

of the both

925

00:38:12,310 --> 00:38:10,079

and uh if you watch star wars rebels um

926

00:38:14,230 --> 00:38:12,320

this past season three which by the way

927

00:38:17,109 --> 00:38:14,240

i'm super pumped up for season four in

928

00:38:19,190 --> 00:38:17,119

the fall but during season three when it

929

00:38:21,670 --> 00:38:19,200

ended this uh earlier this spring

930

00:38:23,510 --> 00:38:21,680

somewhere around march or april a few of

931

00:38:26,870 --> 00:38:23,520

the episodes have this one character

932

00:38:29,510 --> 00:38:26,880

called the vindu and he actually is the

933

00:38:31,030 --> 00:38:29,520

balance between the larkin uh the the

934

00:38:34,950 --> 00:38:31,040

light and the dark

935

00:38:37,510 --> 00:38:34,960

and uh he mentors uh kanan jairus and

936

00:38:40,150 --> 00:38:37,520

helps kanan jairus to kind of understand

937

00:38:42,230 --> 00:38:40,160

what uh

938

00:38:43,990 --> 00:38:42,240

ezra ezra bridger is going through

939

00:38:45,750 --> 00:38:44,000

because

940

00:38:47,349 --> 00:38:45,760

darth maul tried to

941

00:38:48,870 --> 00:38:47,359

been learning from a sith holocron and

942

00:38:49,829 --> 00:38:48,880

everything i'm not going to go too much

943

00:38:50,870 --> 00:38:49,839

into that because i don't want to ruin

944

00:38:51,750 --> 00:38:50,880

it for anyone who hasn't watched the

945

00:38:53,510 --> 00:38:51,760

show

946

00:38:55,190 --> 00:38:53,520

okay so

947

00:38:57,750 --> 00:38:55,200

you've been to i don't know if andrea if

948

00:39:00,390 --> 00:38:57,760

you want to tag in here um was was that

949

00:39:02,790 --> 00:39:00,400

wasn't there a race before the jedi and

950

00:39:04,790 --> 00:39:02,800

they taught um

951

00:39:06,470 --> 00:39:04,800

all these new people on

952

00:39:09,109 --> 00:39:06,480

about the force

953

00:39:11,990 --> 00:39:09,119

was there like a super ancient race

954

00:39:16,150 --> 00:39:12,000

uh i believe so but

955

00:39:17,670 --> 00:39:16,160

i i've been pretty i think um they're

956

00:39:20,710 --> 00:39:17,680

they were pilgrims i believe or

957

00:39:23,190 --> 00:39:20,720

something like that from uh foyor which

958

00:39:24,870 --> 00:39:23,200

i'm not completely sure what uh that is

959

00:39:27,750 --> 00:39:24,880

because that was

960

00:39:30,870 --> 00:39:27,760

way that was probably

961

00:39:35,030 --> 00:39:30,880

at least at least 10 000 years before

962

00:39:36,630 --> 00:39:35,040

the jedi order so i think uh the foyor

963

00:39:37,990 --> 00:39:36,640

is the name of the

964

00:39:42,069 --> 00:39:38,000

uh race

965

00:39:43,990 --> 00:39:42,079

and uh there were eight uh pyramid ships

966

00:39:46,710 --> 00:39:44,000

or ships that look like pyramids

967

00:39:49,589 --> 00:39:46,720

scattered throughout the galaxy um

968

00:39:51,990 --> 00:39:49,599

that uh had different planets like kind

969

00:39:53,190 --> 00:39:52,000

of connected to them through the force

970

00:39:54,470 --> 00:39:53,200

and uh

971

00:40:02,950 --> 00:39:54,480

the

972

00:40:05,670 --> 00:40:02,960

planets and see when uh sentient life

973

00:40:19,510 --> 00:40:05,680

was created or i always mess up that

974

00:40:24,950 --> 00:40:21,589

that's pretty good pawn

975

00:40:28,470 --> 00:40:25,829

yeah

976

00:40:29,990 --> 00:40:28,480

they uh they just kind of start like

977

00:40:33,430 --> 00:40:30,000

they kind of

978

00:40:34,550 --> 00:40:33,440

has anyone here watch the show naruto

979

00:40:35,510 --> 00:40:34,560

no

980

00:40:37,510 --> 00:40:35,520

yeah

981

00:40:38,630 --> 00:40:37,520

about the kid that goes to school to be

982

00:40:40,870 --> 00:40:38,640

a ninja

983

00:40:43,670 --> 00:40:40,880

yeah yeah he's from the leap village

984

00:40:44,870 --> 00:40:43,680

yeah but i know i know of it yeah before

985

00:40:49,109 --> 00:40:44,880

all that

986

00:40:51,829 --> 00:40:49,119

beings that came from

987

00:40:54,069 --> 00:40:51,839

uh another world and basically

988

00:40:56,309 --> 00:40:54,079

instilled this energy which in that show

989

00:40:57,670 --> 00:40:56,319

they call chakra and star wars you can

990

00:40:58,710 --> 00:40:57,680

refer to it as the same thing as the

991

00:41:01,190 --> 00:40:58,720

force

992

00:41:03,589 --> 00:41:01,200

but they instilled it in the in the

993

00:41:05,109 --> 00:41:03,599

beings on those worlds and basically

994

00:41:07,670 --> 00:41:05,119

taught them how to

995

00:41:10,069 --> 00:41:07,680

use the ability and access the ability

996

00:41:12,950 --> 00:41:10,079

and the foyer were

997

00:41:15,030 --> 00:41:12,960

people from an even farther depths of

998

00:41:16,550 --> 00:41:15,040

the galaxy and came to the star wars

999

00:41:19,190 --> 00:41:16,560

galaxy to

1000

00:41:21,510 --> 00:41:19,200

eight individual planets and um

1001
00:41:24,309 --> 00:41:21,520
instilled the force and uh

1002
00:41:27,510 --> 00:41:24,319
the ways to use the force and

1003
00:41:29,829 --> 00:41:27,520
uh showing how it can um

1004
00:41:31,349 --> 00:41:29,839
make your everyday life more peaceful

1005
00:41:34,150 --> 00:41:31,359
and help you

1006
00:41:35,589 --> 00:41:34,160
deal with uh hard times in your anger

1007
00:41:38,309 --> 00:41:35,599
and things like that

1008
00:41:40,230 --> 00:41:38,319
and uh those those planets that got to

1009
00:41:42,390 --> 00:41:40,240
use the force first

1010
00:41:43,430 --> 00:41:42,400
um that's why they have such ancient

1011
00:41:45,829 --> 00:41:43,440
things

1012
00:41:47,829 --> 00:41:45,839
on the planet like uh kashyyyk has this

1013
00:41:49,349 --> 00:41:47,839

one tree i forgot what the tree is

1014

00:41:51,430 --> 00:41:49,359

called but it's basically like the tree

1015

00:41:53,349 --> 00:41:51,440

of life because where the wookies are

1016

00:41:55,109 --> 00:41:53,359

from yeah

1017

00:41:57,190 --> 00:41:55,119

and that was one of the eight first

1018

00:42:00,390 --> 00:41:57,200

planets that um had four sensitive

1019

00:42:02,710 --> 00:42:00,400

beings or was instilled with or like had

1020

00:42:04,630 --> 00:42:02,720

the force pretty much uh

1021

00:42:05,990 --> 00:42:04,640

breathed into it or

1022

00:42:07,349 --> 00:42:06,000

pumped into it

1023

00:42:09,190 --> 00:42:07,359

so

1024

00:42:11,910 --> 00:42:09,200

that was one of the kashyyyk was one of

1025

00:42:12,950 --> 00:42:11,920

the first planets that uh had force

1026
00:42:14,470 --> 00:42:12,960
sensitive

1027
00:42:16,710 --> 00:42:14,480
uh beings

1028
00:42:18,630 --> 00:42:16,720
i just love that entire concept you know

1029
00:42:19,990 --> 00:42:18,640
that entire concept and i feel like a

1030
00:42:21,430 --> 00:42:20,000
lot of religions

1031
00:42:23,430 --> 00:42:21,440
they you know they kind of

1032
00:42:25,589 --> 00:42:23,440
are similar in a ways

1033
00:42:27,670 --> 00:42:25,599
too so they didn't they didn't i didn't

1034
00:42:29,349 --> 00:42:27,680
say i feel like i'm

1035
00:42:32,550 --> 00:42:29,359
ot

1036
00:42:34,230 --> 00:42:32,560
8 from scientology now

1037
00:42:40,790 --> 00:42:34,240
yeah

1038
00:42:40,800 --> 00:42:50,150

no no no offense to myself

1039

00:42:53,030 --> 00:42:51,510

you never know who's listening out there

1040

00:42:54,550 --> 00:42:53,040

there's tens of thousands listening to

1041

00:42:55,990 --> 00:42:54,560

us right now

1042

00:42:57,109 --> 00:42:56,000

without a doubt so

1043

00:42:58,870 --> 00:42:57,119

so

1044

00:43:00,870 --> 00:42:58,880

i think this is interesting because this

1045

00:43:03,109 --> 00:43:00,880

really begs the question between the

1046

00:43:04,390 --> 00:43:03,119

original trilogy and episodes one two

1047

00:43:06,630 --> 00:43:04,400

and three

1048

00:43:13,990 --> 00:43:06,640

why weren't these planets just

1049

00:43:18,309 --> 00:43:16,150

if you want to train people in the force

1050

00:43:19,750 --> 00:43:18,319

and it's a chemistry

1051
00:43:21,190 --> 00:43:19,760
hold on so

1052
00:43:22,550 --> 00:43:21,200
can we can we talk about midi-chlorians

1053
00:43:23,990 --> 00:43:22,560
for a second

1054
00:43:25,030 --> 00:43:24,000
we're talking about it

1055
00:43:26,150 --> 00:43:25,040
i have a feeling that a lot of your

1056
00:43:28,069 --> 00:43:26,160
viewers aren't going to know what they

1057
00:43:29,109 --> 00:43:28,079
are i keep saying viewers but i mean

1058
00:43:30,470 --> 00:43:29,119
listeners

1059
00:43:31,910 --> 00:43:30,480
yeah so okay

1060
00:43:33,670 --> 00:43:31,920
go ahead basically

1061
00:43:34,870 --> 00:43:33,680
middle clause basically if you if you

1062
00:43:37,510 --> 00:43:34,880
turn on the tv in the morning and you

1063
00:43:41,030 --> 00:43:37,520

watch maury povich and it's like are you

1064

00:43:42,790 --> 00:43:41,040

the father all right midichlorians are

1065

00:43:45,109 --> 00:43:42,800

anakin's father

1066

00:43:45,829 --> 00:43:45,119

and like he was not happy let me tell

1067

00:43:49,829 --> 00:43:45,839

you

1068

00:43:51,030 --> 00:43:49,839

okay

1069

00:43:55,430 --> 00:43:51,040

technically midichlorians are

1070

00:43:58,069 --> 00:43:55,440

microscopic organisms that help connect

1071

00:44:00,790 --> 00:43:58,079

the living force to the cosmic force is

1072

00:44:02,150 --> 00:44:00,800

that is that correct mac that is correct

1073

00:44:04,630 --> 00:44:02,160

okay

1074

00:44:07,190 --> 00:44:04,640

i told you i was divorced so this

1075

00:44:10,309 --> 00:44:07,200

terminology is not coming from a healthy

1076

00:44:14,950 --> 00:44:12,309

okay

1077

00:44:15,750 --> 00:44:14,960

they are and because baby daddy right

1078

00:44:17,510 --> 00:44:15,760

right

1079

00:44:20,710 --> 00:44:17,520

we used to call them

1080

00:44:25,670 --> 00:44:20,720

mag accordions because they were little

1081

00:44:29,109 --> 00:44:27,829

i see yeah i see but that's

1082

00:44:30,630 --> 00:44:29,119

kind of

1083

00:44:32,069 --> 00:44:30,640

like there's something a little creepy i

1084

00:44:38,230 --> 00:44:32,079

heard about it i was like oh what the

1085

00:44:41,190 --> 00:44:39,349

and that's coming from somebody who

1086

00:44:43,349 --> 00:44:41,200

actually liked the first episode

1087

00:44:45,349 --> 00:44:43,359

right i know about to say like yeah mega

1088

00:44:47,750 --> 00:44:45,359

glorious are like what us you know

1089

00:44:53,589 --> 00:44:47,760

deniers of the uh

1090

00:44:59,349 --> 00:44:56,790

it is completely flawed but that doesn't

1091

00:45:02,630 --> 00:44:59,359

mean i don't enjoy it

1092

00:45:03,990 --> 00:45:02,640

but i'm like john waters so

1093

00:45:05,270 --> 00:45:04,000

you know george was going the religious

1094

00:45:07,670 --> 00:45:05,280

angle there he was definitely going the

1095

00:45:09,829 --> 00:45:07,680

religious angle we like there's no other

1096

00:45:11,430 --> 00:45:09,839

way there's no other explanation and

1097

00:45:13,910 --> 00:45:11,440

that's fine

1098

00:45:16,470 --> 00:45:13,920

it plays i think i saw it as

1099

00:45:18,470 --> 00:45:16,480

a franchise i think we all accept it now

1100

00:45:20,630 --> 00:45:18,480

like back

1101

00:45:22,790 --> 00:45:20,640

i didn't accept it i i i more or less

1102

00:45:28,630 --> 00:45:22,800

accept it i accept it more than i accept

1103

00:45:32,790 --> 00:45:30,309

exactly mac what do you what's your

1104

00:45:34,870 --> 00:45:32,800

what's your opinion on on that on my

1105

00:45:38,390 --> 00:45:34,880

question to you specifically i mean why

1106

00:45:40,309 --> 00:45:38,400

wouldn't you just put midichlorians um

1107

00:45:43,430 --> 00:45:40,319

inject them into humans or infest them

1108

00:45:46,870 --> 00:45:43,440

on a planet or what you know what i mean

1109

00:45:49,829 --> 00:45:46,880

um i think because in the very beginning

1110

00:45:51,430 --> 00:45:49,839

it was less like um

1111

00:45:53,030 --> 00:45:51,440

the uh

1112

00:45:59,589 --> 00:45:53,040

the

1113

00:46:01,109 --> 00:45:59,599

less wanting to just you know basically

1114

00:46:03,910 --> 00:46:01,119

give them a gift

1115

00:46:05,349 --> 00:46:03,920

but wanting to let because if you do

1116

00:46:07,510 --> 00:46:05,359

something like that

1117

00:46:10,150 --> 00:46:07,520

like if there was a way to

1118

00:46:11,910 --> 00:46:10,160

give someone a force power say that

1119

00:46:14,069 --> 00:46:11,920

your wife or girlfriend was having a

1120

00:46:16,390 --> 00:46:14,079

baby and you could give them the ability

1121

00:46:18,069 --> 00:46:16,400

to use the force would it be cooler if

1122

00:46:19,190 --> 00:46:18,079

you could just um

1123

00:46:21,910 --> 00:46:19,200

somehow

1124

00:46:24,069 --> 00:46:21,920

like inject it into the dna or to be

1125

00:46:25,510 --> 00:46:24,079

cooler if you could actually teach them

1126

00:46:28,069 --> 00:46:25,520

how to use the force and they would know

1127

00:46:30,710 --> 00:46:28,079

where they got it from

1128

00:46:32,870 --> 00:46:30,720

i like to inject it personally

1129

00:46:34,069 --> 00:46:32,880

all right

1130

00:46:35,750 --> 00:46:34,079

well that's like that's the difference

1131

00:46:37,670 --> 00:46:35,760

between somebody who wants to meditate

1132

00:46:38,710 --> 00:46:37,680

or somebody who wants to take mushrooms

1133

00:46:43,589 --> 00:46:38,720

um

1134

00:46:47,190 --> 00:46:45,349

right but you can take the mushrooms and

1135

00:46:49,670 --> 00:46:47,200

get to a place very fast

1136

00:46:50,710 --> 00:46:49,680

but you have less control over yourself

1137

00:46:53,750 --> 00:46:50,720

than you do

1138

00:46:55,829 --> 00:46:53,760

if you're meditating um so and i think

1139

00:46:58,470 --> 00:46:55,839

the meditating is like the slow hard

1140

00:46:59,910 --> 00:46:58,480

learned process and that if you can get

1141

00:47:03,270 --> 00:46:59,920

to that heightened

1142

00:47:04,150 --> 00:47:03,280

um elevated state of consciousness

1143

00:47:06,870 --> 00:47:04,160

through

1144

00:47:08,069 --> 00:47:06,880

hard work and discipline and patience

1145

00:47:09,670 --> 00:47:08,079

then i think that yeah you are going to

1146

00:47:10,630 --> 00:47:09,680

be more of a master than if you take

1147

00:47:12,309 --> 00:47:10,640

this well that's how they train the

1148

00:47:14,550 --> 00:47:12,319

younglings that the younglings have to

1149

00:47:16,230 --> 00:47:14,560

do a lot of meditation younglings is

1150

00:47:17,349 --> 00:47:16,240

obviously the first rank you know in the

1151

00:47:19,589 --> 00:47:17,359

jedi order

1152

00:47:21,829 --> 00:47:19,599

when children show signs of being

1153

00:47:24,470 --> 00:47:21,839

attuned to the force or they have a high

1154

00:47:26,230 --> 00:47:24,480

high midichlorian count you know from

1155

00:47:29,030 --> 00:47:26,240

there

1156

00:47:31,030 --> 00:47:29,040

they're taking away from their family

1157

00:47:33,589 --> 00:47:31,040

exactly which is which is which is the

1158

00:47:35,109 --> 00:47:33,599

right to be fair though so the

1159

00:47:37,270 --> 00:47:35,119

the reason that they did that was

1160

00:47:39,190 --> 00:47:37,280

apparently to keep them away from the

1161

00:47:41,990 --> 00:47:39,200

dark side of the force which is also a

1162

00:47:43,589 --> 00:47:42,000

pretty good parallel to you know

1163

00:47:46,550 --> 00:47:43,599

you know trying to protect us from the

1164

00:47:48,710 --> 00:47:46,560

bad things of life

1165

00:47:51,829 --> 00:47:48,720

is so great like it's just so relatable

1166

00:47:54,309 --> 00:47:51,839

on so many levels and i just love it i

1167

00:47:55,510 --> 00:47:54,319

think i think everyone is

1168

00:47:58,069 --> 00:47:55,520

yeah there's so many parallels with

1169

00:47:59,750 --> 00:47:58,079

buddhism too i mean so

1170

00:48:00,870 --> 00:47:59,760

that's right he was drawing on as well

1171

00:48:02,790 --> 00:48:00,880

yeah

1172

00:48:06,069 --> 00:48:02,800

okay so let's really get let's get back

1173

00:48:09,349 --> 00:48:06,079

to the history of it so um we know that

1174

00:48:10,950 --> 00:48:09,359

that people were sort of plucked i guess

1175

00:48:13,190 --> 00:48:10,960

mac do you know why people were chosen

1176

00:48:15,829 --> 00:48:13,200

to to how they were chosen that they

1177

00:48:18,150 --> 00:48:15,839

were the ones to be learning the force

1178

00:48:20,870 --> 00:48:18,160

um i don't actually think that it was

1179

00:48:23,270 --> 00:48:20,880

any certain uh reason i think it was

1180

00:48:26,069 --> 00:48:23,280

just kind of like like i said the uh

1181

00:48:27,430 --> 00:48:26,079

thorium or the though you're just came

1182

00:48:29,670 --> 00:48:27,440

out of uh

1183

00:48:31,750 --> 00:48:29,680

just deep space and i think they were

1184

00:48:33,270 --> 00:48:31,760

probably just the first eight worlds

1185

00:48:35,190 --> 00:48:33,280

that they stumbled upon like they

1186

00:48:37,430 --> 00:48:35,200

probably just had a number in height and

1187

00:48:39,829 --> 00:48:37,440

in mind there's not an actual

1188

00:48:41,990 --> 00:48:39,839

reason behind it and what i'm speaking

1189

00:48:45,430 --> 00:48:42,000

of right now um

1190

00:48:46,710 --> 00:48:45,440

i'm pretty sure it like is canon but

1191

00:48:50,150 --> 00:48:46,720

they haven't

1192

00:48:55,109 --> 00:48:51,910

comics ever since the only thing that

1193

00:48:57,030 --> 00:48:55,119

we've heard of the jedi order is um a

1194

00:48:59,670 --> 00:48:57,040

few things in the book but nothing that

1195

00:49:01,430 --> 00:48:59,680

actually explains how it came to be

1196

00:49:03,750 --> 00:49:01,440

and um

1197

00:49:06,790 --> 00:49:03,760

from the tv show whenever uh kanan

1198

00:49:09,190 --> 00:49:06,800

jairus is talking with the bendu but he

1199

00:49:11,109 --> 00:49:09,200

doesn't even refer to it as any he

1200

00:49:13,430 --> 00:49:11,119

doesn't even tell him an origin story of

1201

00:49:15,829 --> 00:49:13,440

what happened so really we're kind of

1202

00:49:17,990 --> 00:49:15,839

still in the dark i've just told you as

1203

00:49:20,950 --> 00:49:18,000

much as i know i know you can probably

1204

00:49:22,790 --> 00:49:20,960

look up the foyer and uh read up on it

1205

00:49:24,390 --> 00:49:22,800

yourself why do you spell that could we

1206

00:49:28,549 --> 00:49:24,400

get a spelling on that

1207

00:49:28,559 --> 00:49:31,349

look at that

1208

00:49:36,870 --> 00:49:35,270

so okay so my guess is that that luke is

1209

00:49:39,910 --> 00:49:36,880

doing his research

1210

00:49:42,390 --> 00:49:39,920

and that that he knows all about this

1211

00:49:45,349 --> 00:49:42,400

ancient history which

1212

00:49:47,430 --> 00:49:45,359

back when um you know

1213

00:49:49,430 --> 00:49:47,440

understanding the dark and the light was

1214

00:49:52,390 --> 00:49:49,440

was part of being a jedi i mean didn't

1215

00:49:54,470 --> 00:49:52,400

they send people off of tython to like a

1216

00:49:56,150 --> 00:49:54,480

moon of tython to study specifically

1217

00:49:57,349 --> 00:49:56,160

like the dark side

1218

00:49:59,349 --> 00:49:57,359

um

1219

00:50:01,349 --> 00:49:59,359

yes it wasn't it wasn't neither was

1220

00:50:02,230 --> 00:50:01,359

mutually exclusive right

1221

00:50:04,870 --> 00:50:02,240

no

1222

00:50:06,950 --> 00:50:04,880

in the beginning didn't they teach

1223

00:50:09,910 --> 00:50:06,960

not each jedi both but they taught

1224

00:50:12,549 --> 00:50:09,920

someone and some the other because they

1225

00:50:14,069 --> 00:50:12,559

wanted to keep the balance together

1226

00:50:15,589 --> 00:50:14,079

because there was like well

1227

00:50:17,270 --> 00:50:15,599

there was a division i can't remember

1228

00:50:18,549 --> 00:50:17,280

the energy and they figured if they had

1229

00:50:20,549 --> 00:50:18,559

the balance

1230

00:50:21,589 --> 00:50:20,559

that it would be

1231

00:50:23,510 --> 00:50:21,599

what is it

1232

00:50:26,390 --> 00:50:23,520

that there is not a disturbance in the

1233

00:50:27,430 --> 00:50:26,400

force right that that it would be

1234

00:50:29,030 --> 00:50:27,440

calm

1235

00:50:30,950 --> 00:50:29,040

but what they didn't understand was that

1236

00:50:33,589 --> 00:50:30,960

there was all this radiating dark force

1237

00:50:36,150 --> 00:50:33,599

energy going on too and that pushed the

1238

00:50:37,430 --> 00:50:36,160

balance over if that's i think i think

1239

00:50:40,069 --> 00:50:37,440

that's it

1240

00:50:42,870 --> 00:50:40,079

yeah andrew what do you think

1241

00:50:44,950 --> 00:50:42,880

i think that's absolutely right

1242

00:50:47,270 --> 00:50:44,960

i have nothing further to debate on that

1243

00:50:48,230 --> 00:50:47,280

subject

1244

00:50:50,390 --> 00:50:48,240

so

1245

00:50:51,670 --> 00:50:50,400

i mean honestly they pretty much covered

1246

00:50:52,630 --> 00:50:51,680

it all

1247

00:50:54,230 --> 00:50:52,640

so

1248

00:50:55,510 --> 00:50:54,240

they really

1249

00:50:59,109 --> 00:50:55,520

all right good night everybody that's it

1250

00:50:59,990 --> 00:50:59,119

for paranormal now no i don't know

1251
00:51:02,470 --> 00:51:00,000
but

1252
00:51:03,190 --> 00:51:02,480
now we still have much i mean

1253
00:51:04,549 --> 00:51:03,200
so

1254
00:51:06,309 --> 00:51:04,559
that's just that's just how it was man

1255
00:51:09,030 --> 00:51:06,319
that's just how it was back then right

1256
00:51:11,589 --> 00:51:09,040
okay so i'm back

1257
00:51:13,190 --> 00:51:11,599
a long time ago yeah well pick up on the

1258
00:51:14,870 --> 00:51:13,200
long time ago

1259
00:51:17,349 --> 00:51:14,880
tell us what you think about

1260
00:51:19,349 --> 00:51:17,359
about back in the day when the jedi were

1261
00:51:21,510 --> 00:51:19,359
learning dark and light can you tell us

1262
00:51:23,750 --> 00:51:21,520
more about that

1263
00:51:26,870 --> 00:51:23,760

um

1264

00:51:29,430 --> 00:51:26,880

to be honest uh working behind episode

1265

00:51:31,990 --> 00:51:29,440

one i still know a good bit about uh

1266

00:51:33,349 --> 00:51:32,000

behind episode one and i believe let me

1267

00:51:37,109 --> 00:51:33,359

check really quick

1268

00:51:39,910 --> 00:51:37,119

uh yes the time that the tho your were

1269

00:51:41,910 --> 00:51:39,920

that they came to be uh or came into the

1270

00:51:44,150 --> 00:51:41,920

star wars galaxy was uh thirty six

1271

00:51:46,870 --> 00:51:44,160

thousand four hundred and fifty three

1272

00:51:51,109 --> 00:51:46,880

bby which

1273

00:51:54,630 --> 00:51:51,119

i was about to say that before uh bby

1274

00:51:57,510 --> 00:51:54,640

refers to the event in episode four or

1275

00:51:58,549 --> 00:51:57,520

as uh you old heads like to call just a

1276

00:51:59,990 --> 00:51:58,559

new hope

1277

00:52:15,030 --> 00:52:00,000

um

1278

00:52:20,150 --> 00:52:17,270

stands for after the battle of yavin and

1279

00:52:21,589 --> 00:52:20,160

both of those are pretty much like a d

1280

00:52:22,870 --> 00:52:21,599

and b c

1281

00:52:23,910 --> 00:52:22,880

pretty much identical pretty much

1282

00:52:26,470 --> 00:52:23,920

identical

1283

00:52:27,589 --> 00:52:26,480

to my my guess is that i i i really

1284

00:52:28,790 --> 00:52:27,599

think that this is what's gonna happen

1285

00:52:30,549 --> 00:52:28,800

and this is what

1286

00:52:34,870 --> 00:52:30,559

is supposed to be the big

1287

00:52:38,309 --> 00:52:36,710

shocking and real alan

1288

00:52:40,549 --> 00:52:38,319

because luke actually says in the

1289

00:52:43,190 --> 00:52:40,559

trailer the time of the time of the jedi

1290

00:52:45,030 --> 00:52:43,200

are over so

1291

00:52:46,870 --> 00:52:45,040

i think they're done though i think he's

1292

00:52:48,710 --> 00:52:46,880

going back to the jedi

1293

00:52:50,630 --> 00:52:48,720

origins i think he's gonna he's going to

1294

00:52:52,870 --> 00:52:50,640

play he's going to live in the dark and

1295

00:52:54,870 --> 00:52:52,880

the light and you think he's just going

1296

00:52:57,190 --> 00:52:54,880

to throw midichlorians all over that

1297

00:52:59,349 --> 00:52:57,200

beautiful island

1298

00:53:01,589 --> 00:52:59,359

yes he's it's a it's a disney owned

1299

00:53:03,829 --> 00:53:01,599

franchise now so he just needs a wand

1300

00:53:07,910 --> 00:53:03,839

and he'll put something on that place

1301

00:53:12,069 --> 00:53:10,309

i'm being clean

1302

00:53:14,710 --> 00:53:12,079

i so

1303

00:53:16,630 --> 00:53:14,720

i i yeah i do think that that's what's

1304

00:53:17,829 --> 00:53:16,640

gonna happen that luke is is living on

1305

00:53:19,109 --> 00:53:17,839

both sides

1306

00:53:22,230 --> 00:53:19,119

um

1307

00:53:23,109 --> 00:53:22,240

i think i think that

1308

00:53:24,790 --> 00:53:23,119

i don't know what do you what do you

1309

00:53:26,470 --> 00:53:24,800

guys think about that

1310

00:53:28,870 --> 00:53:26,480

i think that i think that's awesome i i

1311

00:53:30,630 --> 00:53:28,880

actually really like that theory

1312

00:53:31,750 --> 00:53:30,640

because i was they okay so we were

1313

00:53:33,190 --> 00:53:31,760

talking about the trailer we're talking

1314

00:53:34,549 --> 00:53:33,200

about the the behind the scenes and they

1315

00:53:36,790 --> 00:53:34,559

really try to play it like they show

1316

00:53:37,990 --> 00:53:36,800

carrie fisher a lot and they try to show

1317

00:53:40,549 --> 00:53:38,000

they try to [h__\h] they kind of try to

1318

00:53:41,670 --> 00:53:40,559

play it like there's gonna be a surprise

1319

00:53:43,270 --> 00:53:41,680

i really don't think they're gonna kill

1320

00:53:44,870 --> 00:53:43,280

off princess leia i really don't think

1321

00:53:46,470 --> 00:53:44,880

they're going to

1322

00:53:48,309 --> 00:53:46,480

i really don't think that's gonna happen

1323

00:53:51,349 --> 00:53:48,319

they already said that they're not gonna

1324

00:53:52,950 --> 00:53:51,359

use any um

1325

00:53:54,710 --> 00:53:52,960

maybe she maybe she gets on the ship and

1326

00:53:57,349 --> 00:53:54,720

that's the last we see ever i don't know

1327

00:53:59,510 --> 00:53:57,359

but i mean a lot and uh you know i know

1328

00:54:01,430 --> 00:53:59,520

we kind of chatted briefly beforehand

1329

00:54:03,030 --> 00:54:01,440

like still seeing

1330

00:54:05,109 --> 00:54:03,040

still seeing clips in this picture is

1331

00:54:07,750 --> 00:54:05,119

very difficult it's very rough for me oh

1332

00:54:11,589 --> 00:54:07,760

it's horrible

1333

00:54:15,190 --> 00:54:12,950

yeah i mean that that actually might

1334

00:54:17,510 --> 00:54:15,200

make sense andrew uh drew

1335

00:54:18,630 --> 00:54:17,520

sorry man

1336

00:54:20,470 --> 00:54:18,640

i have a look

1337

00:54:22,309 --> 00:54:20,480

he said stan yeah

1338

00:54:24,870 --> 00:54:22,319

great white chocolate

1339

00:54:27,670 --> 00:54:24,880

i i call a man i call him andrew but you

1340

00:54:29,349 --> 00:54:27,680

know he's he's really true um

1341

00:54:31,270 --> 00:54:29,359

so i i think that makes sense i think

1342

00:54:33,030 --> 00:54:31,280

it's sensitive to the fans in a way

1343

00:54:34,870 --> 00:54:33,040

perhaps instead of

1344

00:54:35,829 --> 00:54:34,880

you know quote killing her off right

1345

00:54:38,549 --> 00:54:35,839

away

1346

00:54:40,950 --> 00:54:38,559

maybe you know over for the next episode

1347

00:54:42,950 --> 00:54:40,960

nine i mean um she's just not present

1348

00:54:45,190 --> 00:54:42,960

and somewhere down the line she she's

1349

00:54:48,470 --> 00:54:45,200

killed off

1350

00:54:52,470 --> 00:54:48,480

i think i it was either an im

1351
00:54:55,270 --> 00:54:52,480
db or variety that that her son and

1352
00:54:57,270 --> 00:54:55,280
daughter have given permission

1353
00:54:59,990 --> 00:54:57,280
for them to use the film that they

1354
00:55:03,190 --> 00:55:00,000
already used the studio says they have

1355
00:55:05,670 --> 00:55:03,200
no interest in digitally reproducing a

1356
00:55:08,549 --> 00:55:05,680
performance of her and that they will

1357
00:55:10,790 --> 00:55:08,559
not be using contemporary footage of

1358
00:55:13,190 --> 00:55:10,800
carrie and they are also scrambling to

1359
00:55:15,030 --> 00:55:13,200
try and figure out how to explain her

1360
00:55:16,950 --> 00:55:15,040
disappearance in the next film

1361
00:55:18,470 --> 00:55:16,960
interesting interesting so they're

1362
00:55:21,109 --> 00:55:18,480
basically not going to pull a rogue one

1363
00:55:21,910 --> 00:55:21,119

is what you're saying no

1364

00:55:24,790 --> 00:55:21,920

hope

1365

00:55:26,470 --> 00:55:24,800

rogue one was so dope though it was dope

1366

00:55:28,230 --> 00:55:26,480

i agree with you i agree with you so

1367

00:55:30,230 --> 00:55:28,240

like i feel like this is where the room

1368

00:55:32,150 --> 00:55:30,240

splits i feel like mac and i are on one

1369

00:55:34,309 --> 00:55:32,160

side and alan and miss camille are on

1370

00:55:37,750 --> 00:55:34,319

the other

1371

00:55:39,349 --> 00:55:37,760

no camille likes it you like it right

1372

00:55:40,390 --> 00:55:39,359

i don't really have one that i don't

1373

00:55:41,510 --> 00:55:40,400

like

1374

00:55:42,870 --> 00:55:41,520

yeah

1375

00:55:44,630 --> 00:55:42,880

okay i just really would like to see the

1376

00:55:45,910 --> 00:55:44,640

original of that just want to throw that

1377

00:55:47,990 --> 00:55:45,920

out there i know there's the original

1378

00:55:50,870 --> 00:55:48,000

cut out there if you're listening if

1379

00:55:54,630 --> 00:55:50,880

someone has that let's talk turkey

1380

00:55:56,710 --> 00:55:54,640

i have bitcoin feel me out no one has it

1381

00:55:59,349 --> 00:55:56,720

no one has it

1382

00:56:04,549 --> 00:55:59,359

oh god so we're gonna go deep web for

1383

00:56:09,510 --> 00:56:06,870

deep web is very scary

1384

00:56:10,870 --> 00:56:09,520

yeah i andrew you're right i didn't i

1385

00:56:19,190 --> 00:56:10,880

don't like

1386

00:56:23,750 --> 00:56:20,789

i didn't hate it

1387

00:56:26,390 --> 00:56:23,760

i i just had zero like the execution was

1388

00:56:28,870 --> 00:56:26,400

was well done in my mind but i i had

1389

00:56:31,670 --> 00:56:28,880

zero emotional connection to a single

1390

00:56:33,510 --> 00:56:31,680

character bro listen if you watch the

1391

00:56:35,349 --> 00:56:33,520

original trailer for that if you watch

1392

00:56:37,430 --> 00:56:35,359

the original trailer and compare that to

1393

00:56:39,910 --> 00:56:37,440

like the movie that we saw

1394

00:56:41,910 --> 00:56:39,920

there's like half the trailer is not in

1395

00:56:44,470 --> 00:56:41,920

that movie man they made a lot of

1396

00:56:46,710 --> 00:56:44,480

changes there was a lot of re there was

1397

00:56:47,589 --> 00:56:46,720

a lot of reshoots in that movie

1398

00:56:49,030 --> 00:56:47,599

now

1399

00:56:50,710 --> 00:56:49,040

i thought there were some really had it

1400

00:56:52,870 --> 00:56:50,720

had its moments like i thought donnie

1401

00:56:54,230 --> 00:56:52,880

yen killed it and like i liked his i

1402

00:56:56,309 --> 00:56:54,240

liked his whole like his whole character

1403

00:56:58,549 --> 00:56:56,319

about how he wasn't the jedi but you

1404

00:57:01,349 --> 00:56:58,559

know he believes in the force right you

1405

00:57:03,109 --> 00:57:01,359

know he's forcing the forces with him i

1406

00:57:05,030 --> 00:57:03,119

love i love that i i really did love

1407

00:57:07,589 --> 00:57:05,040

seeing that and you had to know going

1408

00:57:09,270 --> 00:57:07,599

into it spoiler alert that the crew that

1409

00:57:10,950 --> 00:57:09,280

went to take down the death star to get

1410

00:57:12,470 --> 00:57:10,960

the plans wasn't going to make it out

1411

00:57:14,150 --> 00:57:12,480

like you knew that you knew it was gonna

1412

00:57:16,230 --> 00:57:14,160

go down that way

1413

00:57:17,910 --> 00:57:16,240

you know what i mean like i i'm really

1414

00:57:19,349 --> 00:57:17,920

happy with it i'm really happy with it

1415

00:57:21,270 --> 00:57:19,359

and the last thing i'll say about it i

1416

00:57:22,390 --> 00:57:21,280

really thought it was cool how they

1417

00:57:25,030 --> 00:57:22,400

showed that not everyone in the

1418

00:57:26,630 --> 00:57:25,040

rebellion is like a really good guy like

1419

00:57:28,789 --> 00:57:26,640

some of them you know had to do some

1420

00:57:31,270 --> 00:57:28,799

dirty work to get the job done some of

1421

00:57:32,630 --> 00:57:31,280

them are saboteurs assassins i thought

1422

00:57:34,230 --> 00:57:32,640

that was pretty cool because you don't

1423

00:57:35,910 --> 00:57:34,240

see that side of the rebels the

1424

00:57:38,390 --> 00:57:35,920

rebellion you don't see that side in the

1425

00:57:40,950 --> 00:57:38,400

holy trilogy

1426
00:57:42,390 --> 00:57:40,960
uh yeah and and if you look at real life

1427
00:57:44,069 --> 00:57:42,400
first

1428
00:57:46,390 --> 00:57:44,079
yeah i mean think of it think about

1429
00:57:47,990 --> 00:57:46,400
world war two in real life and i'm sorry

1430
00:57:50,789 --> 00:57:48,000
camille

1431
00:57:52,230 --> 00:57:50,799
i said not unless you believe han shot

1432
00:57:53,670 --> 00:57:52,240
first

1433
00:57:56,870 --> 00:57:53,680
right let's not go please let's not go

1434
00:58:00,150 --> 00:57:59,030
thing and i would be like

1435
00:58:01,910 --> 00:58:00,160
but if you think about real life you

1436
00:58:03,829 --> 00:58:01,920
think about the holocaust in world war

1437
00:58:05,829 --> 00:58:03,839
ii um

1438
00:58:06,870 --> 00:58:05,839

and and you make the parallel then the

1439

00:58:09,829 --> 00:58:06,880

rebels

1440

00:58:12,549 --> 00:58:09,839

were you know the anti-nazis then yeah

1441

00:58:13,910 --> 00:58:12,559

people did some some some you know

1442

00:58:16,870 --> 00:58:13,920

hardcore

1443

00:58:18,950 --> 00:58:16,880

um killing because they had to it was a

1444

00:58:20,710 --> 00:58:18,960

matter of survival and it it's and

1445

00:58:23,270 --> 00:58:20,720

that's where the original idea i feel

1446

00:58:25,829 --> 00:58:23,280

like kind of justified someone like

1447

00:58:27,990 --> 00:58:25,839

like han solo that is because right

1448

00:58:29,750 --> 00:58:28,000

being being a scoundrel character if

1449

00:58:31,670 --> 00:58:29,760

your motives are

1450

00:58:33,670 --> 00:58:31,680

um on the side of good you can get away

1451

00:58:35,510 --> 00:58:33,680

with it you gotta do it man he was

1452

00:58:38,710 --> 00:58:35,520

pushed against the wall he knew his life

1453

00:58:40,390 --> 00:58:38,720

was on the line he drew first it doesn't

1454

00:58:42,390 --> 00:58:40,400

change anything about it he's a guy he's

1455

00:58:44,150 --> 00:58:42,400

a dirty scoundrel he's a shrubby looking

1456

00:58:47,190 --> 00:58:44,160

nerve herder man that's not going to

1457

00:58:53,270 --> 00:58:50,230

if your motives and your morals are good

1458

00:58:55,670 --> 00:58:53,280

and you live in an immoral world

1459

00:59:01,190 --> 00:58:55,680

sometimes you have to break the law rosa

1460

00:59:05,829 --> 00:59:03,430

and yep okay you will if you have

1461

00:59:11,030 --> 00:59:05,839

morality you'll regret it later and

1462

00:59:15,030 --> 00:59:13,349

right okay so

1463

00:59:16,150 --> 00:59:15,040

now do you guys see any connection

1464

00:59:18,950 --> 00:59:16,160

between

1465

00:59:20,789 --> 00:59:18,960

uh rogue one and this new film at all

1466

00:59:21,990 --> 00:59:20,799

besides just the basic storyline are

1467

00:59:23,270 --> 00:59:22,000

there any easter eggs that come with

1468

00:59:24,870 --> 00:59:23,280

these two or

1469

00:59:26,549 --> 00:59:24,880

uh i have a feeling they might throw

1470

00:59:27,910 --> 00:59:26,559

something in there i have a feeling

1471

00:59:32,309 --> 00:59:27,920

maybe you'll see like

1472

00:59:34,390 --> 00:59:32,319

k2's like corpse or something like that

1473

00:59:35,510 --> 00:59:34,400

yeah he was to help me he was the homie

1474

00:59:37,589 --> 00:59:35,520

for sure

1475

00:59:39,270 --> 00:59:37,599

yeah okay

1476

00:59:41,109 --> 00:59:39,280

i know i i know you're like not really

1477

00:59:42,549 --> 00:59:41,119

on the road one camp but like tell me

1478

00:59:44,870 --> 00:59:42,559

you didn't feel something when k when

1479

00:59:46,549 --> 00:59:44,880

kate too you know held it down held it

1480

00:59:48,470 --> 00:59:46,559

down oh that was it that that was my

1481

00:59:50,630 --> 00:59:48,480

that was the only character that i liked

1482

00:59:52,789 --> 00:59:50,640

yeah like that you fell for that dude

1483

00:59:55,670 --> 00:59:52,799

you fell for the dude

1484

00:59:57,349 --> 00:59:55,680

he made me laugh he made me sad

1485

01:00:04,630 --> 00:59:57,359

they're not pulling those things

1486

01:00:07,990 --> 01:00:06,230

yeah dude

1487

01:00:09,430 --> 01:00:08,000

honestly look drew you're really not

1488

01:00:11,510 --> 01:00:09,440

about to like me when i say this but i

1489

01:00:13,510 --> 01:00:11,520

think cassian is honestly way cooler

1490

01:00:15,670 --> 01:00:13,520

than han solo

1491

01:00:18,069 --> 01:00:15,680

i can see that though i can see that the

1492

01:00:19,750 --> 01:00:18,079

fact that he survived that that crash

1493

01:00:21,670 --> 01:00:19,760

and honestly like

1494

01:00:23,030 --> 01:00:21,680

the the things that he was able to do at

1495

01:00:25,030 --> 01:00:23,040

that you know

1496

01:00:26,470 --> 01:00:25,040

in force awakens at the at the battle of

1497

01:00:28,230 --> 01:00:26,480

the new death star what do they call

1498

01:00:29,990 --> 01:00:28,240

that the what the dark star what is it

1499

01:00:32,150 --> 01:00:30,000

called the new death star

1500

01:00:33,990 --> 01:00:32,160

the starkiller base pillar

1501
01:00:35,349 --> 01:00:34,000
yeah

1502
01:00:37,349 --> 01:00:35,359
it's kind of hard for me to when they

1503
01:00:38,870 --> 01:00:37,359
when i hear the star killer because

1504
01:00:40,789 --> 01:00:38,880
i don't know if you played uh force

1505
01:00:42,390 --> 01:00:40,799
unleash ii or sports unleashed but like

1506
01:00:43,990 --> 01:00:42,400
his name was starkiller so it's kind of

1507
01:00:45,589 --> 01:00:44,000
weird for me to hear that

1508
01:00:47,589 --> 01:00:45,599
and just hold it right there everybody

1509
01:00:49,109 --> 01:00:47,599
hold on we're gonna take a quick break

1510
01:00:51,030 --> 01:00:49,119
you're listening to paranormal now on

1511
01:00:52,630 --> 01:00:51,040
the inception radio network and we will

1512
01:00:55,430 --> 01:00:52,640
come back and continue geeking out on

1513
01:00:56,870 --> 01:00:55,440

star wars stay tuned we've got so much

1514

01:00:58,230 --> 01:00:56,880

more ground to cover

1515

01:00:59,910 --> 01:00:58,240

all right until

1516

01:01:01,920 --> 01:00:59,920

the next couple of minutes

1517

01:01:04,230 --> 01:01:01,930

hang in there we'll be right back

1518

01:01:06,710 --> 01:01:04,240

[Music]

1519

01:01:09,109 --> 01:01:06,720

hello inception radio network listeners

1520

01:01:11,589 --> 01:01:09,119

this is amanda remember you can take

1521

01:01:13,190 --> 01:01:11,599

your inception radio shows on the go

1522

01:01:16,230 --> 01:01:13,200

just download the inception radio

1523

01:01:18,630 --> 01:01:16,240

network app for your iphone ipad or

1524

01:01:20,390 --> 01:01:18,640

android smartphones and access

1525

01:01:23,030 --> 01:01:20,400

you're listening to love advice with

1526

01:01:25,030 --> 01:01:23,040

leanne caller you're on the air uh hi

1527

01:01:26,069 --> 01:01:25,040

leanne long time listener first time

1528

01:01:27,990 --> 01:01:26,079

caller

1529

01:01:30,230 --> 01:01:28,000

why in your professional opinion do you

1530

01:01:31,270 --> 01:01:30,240

never take my calls off the air is this

1531

01:01:35,910 --> 01:01:31,280

carl

1532

01:01:37,270 --> 01:01:35,920

everything was great i thought uh well

1533

01:01:39,349 --> 01:01:37,280

you know

1534

01:01:41,670 --> 01:01:39,359

when you switch to geico you could save

1535

01:01:43,829 --> 01:01:41,680

a lot of money on car insurance okay

1536

01:01:46,309 --> 01:01:43,839

awesome you should call them i will

1537

01:01:48,789 --> 01:01:46,319

geico because saving 15 or more on car

1538

01:01:51,190 --> 01:01:48,799

insurance is always a great answer live

1539

01:01:53,589 --> 01:01:51,200

shows past shows guest lineups and much

1540

01:01:55,430 --> 01:01:53,599

more just visit the itunes store or the

1541

01:01:59,270 --> 01:01:55,440

google play marketplace and download it

1542

01:02:02,390 --> 01:02:00,470

you didn't forget what's coming up

1543

01:02:04,630 --> 01:02:02,400

tonight did you hi inception radio

1544

01:02:05,990 --> 01:02:04,640

network listeners this is amanda never

1545

01:02:07,670 --> 01:02:06,000

miss that interview you were looking

1546

01:02:11,349 --> 01:02:07,680

forward to or the show on your favorite

1547

01:02:13,829 --> 01:02:11,359

topic follow irn on twitter i underscore

1548

01:02:15,829 --> 01:02:13,839

our underscore n and get reminders about

1549

01:02:17,349 --> 01:02:15,839

the evening's live shows as well as fun

1550

01:02:20,470 --> 01:02:17,359

and important updates throughout the

1551

01:03:33,270 --> 01:02:20,480

week that's i underscore our underscore

1552

01:03:37,829 --> 01:03:36,150

and welcome back to paranormal now

1553

01:03:41,270 --> 01:03:37,839

um all right so we're gonna continue

1554

01:03:42,549 --> 01:03:41,280

geeking out um but before we do drew

1555

01:03:44,630 --> 01:03:42,559

gregory

1556

01:03:45,750 --> 01:03:44,640

is um is there an account an ig account

1557

01:03:47,029 --> 01:03:45,760

or anything that people can get in touch

1558

01:03:50,069 --> 01:03:47,039

with you

1559

01:03:51,510 --> 01:03:50,079

oh yeah the great white chocolate

1560

01:03:52,870 --> 01:03:51,520

i gotta say

1561

01:03:54,230 --> 01:03:52,880

you guys say the whole thing the great

1562

01:03:55,750 --> 01:03:54,240

white chocolate

1563

01:03:57,829 --> 01:03:55,760

and um

1564

01:03:59,349 --> 01:03:57,839

apparently my scene and our friends from

1565

01:04:00,950 --> 01:03:59,359

college which is now streaming on

1566

01:04:02,950 --> 01:04:00,960

netflix made it

1567

01:04:04,150 --> 01:04:02,960

i can't tell you what episode it is but

1568

01:04:06,150 --> 01:04:04,160

just watch the whole thing it's going to

1569

01:04:08,150 --> 01:04:06,160

be real it's real funny i had a great

1570

01:04:10,230 --> 01:04:08,160

time on that set it was a lot of fun so

1571

01:04:11,510 --> 01:04:10,240

look for that thank you

1572

01:04:14,230 --> 01:04:11,520

all right yeah and just for the for the

1573

01:04:15,829 --> 01:04:14,240

record as a reminder um drew is an actor

1574

01:04:17,430 --> 01:04:15,839

as well camille what about yourself is

1575

01:04:19,589 --> 01:04:17,440

there any links or anything that you

1576

01:04:21,910 --> 01:04:19,599

want to share are there any links

1577

01:04:23,349 --> 01:04:21,920

well i'm a professional bad influence so

1578

01:04:24,309 --> 01:04:23,359

you can look for me on the police

1579

01:04:34,950 --> 01:04:24,319

plotter

1580

01:04:37,829 --> 01:04:36,470

because i did forget in the previous

1581

01:04:39,589 --> 01:04:37,839

break taking us out of the break was

1582

01:04:41,670 --> 01:04:39,599

fascination by larue and taking us out

1583

01:04:43,349 --> 01:04:41,680

of the second break was oh yeah power of

1584

01:04:44,789 --> 01:04:43,359

love by huey lewis and the news that's

1585

01:04:49,029 --> 01:04:44,799

because i grew up in the 80s thank you

1586

01:04:49,039 --> 01:05:02,470

well done my friend well done all right

1587

01:05:06,870 --> 01:05:03,750

one of the first movies i remember

1588

01:05:08,789 --> 01:05:06,880

seeing besides it was back to the future

1589

01:05:11,190 --> 01:05:08,799

all right all right pop if this is a

1590

01:05:15,109 --> 01:05:11,200

pop-up video i've never seen back to the

1591

01:05:17,349 --> 01:05:16,390

i'm just throwing that out there doing

1592

01:05:19,510 --> 01:05:17,359

that out there i know that might be

1593

01:05:20,950 --> 01:05:19,520

sacrilegious so that's all we have for

1594

01:05:24,470 --> 01:05:20,960

gregory tonight everybody we're moving

1595

01:05:26,069 --> 01:05:24,480

on the brightness looks pretty dope

1596

01:05:27,750 --> 01:05:26,079

i thought we were friends drew i thought

1597

01:05:29,670 --> 01:05:27,760

we were friends i can't believe i just

1598

01:05:34,829 --> 01:05:29,680

never seen it man i enjoyed the ride at

1599

01:05:40,870 --> 01:05:39,589

coolest is the relationship between

1600

01:05:41,990 --> 01:05:40,880

daisy

1601
01:05:43,349 --> 01:05:42,000
and mark

1602
01:05:45,349 --> 01:05:43,359
[Laughter]

1603
01:05:46,549 --> 01:05:45,359
in real life we're in the film

1604
01:05:48,230 --> 01:05:46,559
no i'm just trying to steer the

1605
01:05:50,789 --> 01:05:48,240
conversation back

1606
01:05:52,630 --> 01:05:50,799
i mean listen

1607
01:05:53,990 --> 01:05:52,640
sorry we could carry it away out like i

1608
01:05:56,470 --> 01:05:54,000
said pick the way back i learned to not

1609
01:05:59,750 --> 01:05:57,990
well i i mean i do want to just keep the

1610
01:06:02,230 --> 01:05:59,760
conversation focused on

1611
01:06:03,829 --> 01:06:02,240
um the jedi as much as possible

1612
01:06:05,750 --> 01:06:03,839
um so we left it off kind of talking

1613
01:06:07,910 --> 01:06:05,760

about the connection perhaps between

1614

01:06:09,190 --> 01:06:07,920

rogue one and uh episode eight which

1615

01:06:11,430 --> 01:06:09,200

maybe there's some easter eggs but we

1616

01:06:12,950 --> 01:06:11,440

haven't really discovered them yet um

1617

01:06:14,630 --> 01:06:12,960

but i think you'll see at least one i

1618

01:06:15,750 --> 01:06:14,640

think you'll see at least

1619

01:06:18,150 --> 01:06:15,760

i feel like i haven't gotten like a

1620

01:06:19,349 --> 01:06:18,160

thorough sense from camille what what do

1621

01:06:20,150 --> 01:06:19,359

you think

1622

01:06:23,109 --> 01:06:20,160

um

1623

01:06:25,910 --> 01:06:23,119

luke skywalker either has been doing and

1624

01:06:27,270 --> 01:06:25,920

or what what do you think he is planning

1625

01:06:30,630 --> 01:06:27,280

on doing

1626

01:06:32,309 --> 01:06:30,640

i think he went like on a jesus trip man

1627

01:06:34,950 --> 01:06:32,319

i think he did the whole thing you know

1628

01:06:36,549 --> 01:06:34,960

the axial age we get all our prophets

1629

01:06:38,789 --> 01:06:36,559

and stuff you know

1630

01:06:41,109 --> 01:06:38,799

because so far this has been a story of

1631

01:06:43,910 --> 01:06:41,119

it this has been the hero story this is

1632

01:06:45,990 --> 01:06:43,920

the arthurian quest for the holy grail

1633

01:06:48,789 --> 01:06:46,000

only now it's a sword that cuts people

1634

01:06:51,029 --> 01:06:48,799

with fire and it's fun right it's a fun

1635

01:06:54,710 --> 01:06:51,039

combination of things but the logical

1636

01:06:56,950 --> 01:06:54,720

end of being an ajanu warrior who then

1637

01:06:58,630 --> 01:06:56,960

becomes a master is then you have to

1638

01:07:00,710 --> 01:06:58,640

question your beliefs and you have to

1639

01:07:02,470 --> 01:07:00,720

have new input and you have to learn

1640

01:07:03,349 --> 01:07:02,480

things from people who are smarter than

1641

01:07:05,750 --> 01:07:03,359

you and

1642

01:07:08,549 --> 01:07:05,760

dig up matt damon or whatever it is you

1643

01:07:11,990 --> 01:07:08,559

need to do and so i feel like of course

1644

01:07:14,549 --> 01:07:12,000

we're watching luke develop into

1645

01:07:17,829 --> 01:07:14,559

uh obi-wan

1646

01:07:20,549 --> 01:07:17,839

right who's my favorite character

1647

01:07:23,510 --> 01:07:20,559

of course but the student now surpasses

1648

01:07:25,589 --> 01:07:23,520

the teacher he may have both the dark

1649

01:07:28,390 --> 01:07:25,599

force and the light force balanced

1650

01:07:29,910 --> 01:07:28,400

within him he was set up too i love that

1651

01:07:31,109 --> 01:07:29,920

theory i love that theory that was i

1652

01:07:32,710 --> 01:07:31,119

never thought about that but i think

1653

01:07:34,150 --> 01:07:32,720

that's a great theory

1654

01:07:35,829 --> 01:07:34,160

because what they were doing right we

1655

01:07:37,990 --> 01:07:35,839

were talking about this earlier is that

1656

01:07:40,230 --> 01:07:38,000

they were giving you know some of the

1657

01:07:42,230 --> 01:07:40,240

jedi kids were getting the the jedi

1658

01:07:45,430 --> 01:07:42,240

training and some were getting the dark

1659

01:07:47,029 --> 01:07:45,440

training and so that was a cohesive

1660

01:07:48,150 --> 01:07:47,039

balanced environment but then when went

1661

01:07:49,589 --> 01:07:48,160

out of balance and that's why

1662

01:07:52,789 --> 01:07:49,599

everybody's always obsessed about the

1663

01:07:55,349 --> 01:07:52,799

balance you know so maybe if balance is

1664

01:07:57,270 --> 01:07:55,359

within ourselves

1665

01:08:00,309 --> 01:07:57,280

instead of expecting it to come from

1666

01:08:02,710 --> 01:08:00,319

somebody who is either an antagonist or

1667

01:08:04,470 --> 01:08:02,720

someone who will become a protagonist

1668

01:08:08,069 --> 01:08:04,480

that doesn't really necessarily need to

1669

01:08:09,190 --> 01:08:08,079

happen if you're meditating enough

1670

01:08:12,549 --> 01:08:09,200

makes sense

1671

01:08:17,269 --> 01:08:15,349

yeah um i'm gonna throw this out there

1672

01:08:17,990 --> 01:08:17,279

and mac i'll let you respond first to

1673

01:08:19,030 --> 01:08:18,000

this

1674

01:08:20,630 --> 01:08:19,040

um

1675

01:08:21,910 --> 01:08:20,640

what do you think

1676
01:08:25,269 --> 01:08:21,920
about

1677
01:08:28,950 --> 01:08:25,279
kylo ren aka ben solo

1678
01:08:28,960 --> 01:08:32,870
he said it

1679
01:08:36,950 --> 01:08:34,309
mac

1680
01:08:38,950 --> 01:08:36,960
yeah i just didn't know if you were

1681
01:08:40,870 --> 01:08:38,960
um finishing saying something to that

1682
01:08:43,030 --> 01:08:40,880
yep no

1683
01:08:44,149 --> 01:08:43,040
um so you just want my opinion on kylo

1684
01:08:47,590 --> 01:08:44,159
ren

1685
01:08:51,430 --> 01:08:47,600
he's working for luke

1686
01:08:55,030 --> 01:08:51,440
um no i think uh kylo ren's evil uh kind

1687
01:08:57,349 --> 01:08:55,040
of what uh kylo ren uh my theory

1688
01:08:59,829 --> 01:08:57,359

personally on how rey and luke

1689

01:09:02,870 --> 01:08:59,839

skywalker's related ties in a little bit

1690

01:09:04,550 --> 01:09:02,880

just a slight like little smidge with

1691

01:09:06,229 --> 01:09:04,560

kylo ren i just want to throw this in

1692

01:09:08,070 --> 01:09:06,239

there to ask to just to add this your

1693

01:09:09,749 --> 01:09:08,080

question so like obviously something

1694

01:09:11,910 --> 01:09:09,759

went down with the knights of ren we

1695

01:09:14,709 --> 01:09:11,920

kind of saw like a little like flashback

1696

01:09:16,149 --> 01:09:14,719

to it and for force awakens

1697

01:09:18,829 --> 01:09:16,159

like enlighten us with that what do you

1698

01:09:22,550 --> 01:09:18,839

think that was bro i know it all goes

1699

01:09:24,950 --> 01:09:22,560

together um honestly i think

1700

01:09:27,030 --> 01:09:24,960

i don't know i don't think that is

1701

01:09:28,630 --> 01:09:27,040

totally um

1702

01:09:30,950 --> 01:09:28,640

i don't think that's totally what that

1703

01:09:33,669 --> 01:09:30,960

was i don't think that was him

1704

01:09:36,950 --> 01:09:33,679

uh and the rest of the knights of ren

1705

01:09:39,349 --> 01:09:36,960

sacking whatever temple that uh or

1706

01:09:42,229 --> 01:09:39,359

training facility that luke

1707

01:09:44,870 --> 01:09:42,239

had i think that was um something that's

1708

01:09:47,030 --> 01:09:44,880

going to end up happening to ray or

1709

01:09:48,709 --> 01:09:47,040

happening to luke later that that was

1710

01:09:51,749 --> 01:09:48,719

kind of a foreshadowing for episode

1711

01:09:52,870 --> 01:09:51,759

eight or even episode nine

1712

01:09:55,350 --> 01:09:52,880

well just to go along what we were

1713

01:09:58,709 --> 01:09:55,360

talking about though i mean

1714

01:10:00,870 --> 01:09:58,719

do you think that luke did something

1715

01:10:02,470 --> 01:10:00,880

that the rest of the knights of ren did

1716

01:10:04,310 --> 01:10:02,480

not agree with

1717

01:10:06,630 --> 01:10:04,320

and that's why they went their way and

1718

01:10:08,149 --> 01:10:06,640

he went his and he went into exile i

1719

01:10:10,390 --> 01:10:08,159

mean i thought we kind of like thought

1720

01:10:12,709 --> 01:10:10,400

about that's kind of my theory that like

1721

01:10:13,510 --> 01:10:12,719

in last jedi either luke's gonna go bad

1722

01:10:15,350 --> 01:10:13,520

or so

1723

01:10:17,350 --> 01:10:15,360

like i kind of like allen's theory about

1724

01:10:19,750 --> 01:10:17,360

how he's half he's half light he's half

1725

01:10:21,189 --> 01:10:19,760

dark i kind of feel like some something

1726

01:10:22,390 --> 01:10:21,199

happened there man something clearly

1727

01:10:24,950 --> 01:10:22,400

went down

1728

01:10:26,790 --> 01:10:24,960

where luke knows kylo ren he knows the

1729

01:10:28,830 --> 01:10:26,800

other knights of ran we don't know if

1730

01:10:31,510 --> 01:10:28,840

they're around anymore

1731

01:10:34,149 --> 01:10:31,520

but uh so something something happened

1732

01:10:36,310 --> 01:10:34,159

there man something happened there

1733

01:10:39,510 --> 01:10:36,320

i think because um

1734

01:10:42,070 --> 01:10:39,520

i think because kylo ren or at the time

1735

01:10:44,390 --> 01:10:42,080

before he became kylo ren ben solo knew

1736

01:10:47,189 --> 01:10:44,400

about his family's history and how

1737

01:10:49,510 --> 01:10:47,199

strong uh in the force the skywalker

1738

01:10:50,790 --> 01:10:49,520

bloodline is uh his grandfather anakin

1739

01:10:54,310 --> 01:10:50,800

skywalker

1740

01:10:57,430 --> 01:10:54,320

before darth vader and uh then

1741

01:10:59,350 --> 01:10:57,440

training him his uncle luke skywalker

1742

01:11:02,470 --> 01:10:59,360

how immensely powerful they both are in

1743

01:11:05,189 --> 01:11:02,480

the force he felt like um he wanted in a

1744

01:11:07,189 --> 01:11:05,199

sense to have that uh injection of

1745

01:11:09,350 --> 01:11:07,199

minichlorians and just wanted the easy

1746

01:11:11,350 --> 01:11:09,360

way out in the fast way and that's the

1747

01:11:13,669 --> 01:11:11,360

way of the dark side and that's why he

1748

01:11:17,270 --> 01:11:13,679

and luke didn't get along because luke

1749

01:11:20,310 --> 01:11:17,280

was saying that yes it's okay to have

1750

01:11:22,630 --> 01:11:20,320

darkness and have demons but at the same

1751

01:11:24,830 --> 01:11:22,640

time you must be able to

1752

01:11:28,229 --> 01:11:24,840

hold on to yourself and

1753

01:11:31,030 --> 01:11:28,239

uh kind of keep your consciousness and

1754

01:11:31,990 --> 01:11:31,040

your morals kind of all uh wound

1755

01:11:35,189 --> 01:11:32,000

together

1756

01:11:37,830 --> 01:11:35,199

and keep from doing irrational things

1757

01:11:40,870 --> 01:11:37,840

like uh the dark side characters that

1758

01:11:43,430 --> 01:11:40,880

we've seen through the entire saga do

1759

01:11:45,430 --> 01:11:43,440

so i think it was really just his

1760

01:11:47,430 --> 01:11:45,440

he was having a power rush when he first

1761

01:11:50,310 --> 01:11:47,440

started getting a little bit of training

1762

01:11:52,470 --> 01:11:50,320

and realizing uh that maybe there was a

1763

01:11:55,270 --> 01:11:52,480

possibility that he was uh

1764

01:11:58,149 --> 01:11:55,280

succeeding or that he was um learning

1765

01:12:01,110 --> 01:11:58,159

things faster than his classmates or the

1766

01:12:03,830 --> 01:12:01,120

other uh younglings or padawans and he

1767

01:12:05,669 --> 01:12:03,840

was thinking uh that he was wasting his

1768

01:12:06,790 --> 01:12:05,679

time by trying to

1769

01:12:08,950 --> 01:12:06,800

be so

1770

01:12:10,470 --> 01:12:08,960

precise and uh

1771

01:12:12,229 --> 01:12:10,480

just kind of

1772

01:12:15,510 --> 01:12:12,239

taking in the slow

1773

01:12:18,149 --> 01:12:15,520

and hard but well deserved way he wanted

1774

01:12:20,229 --> 01:12:18,159

to just go go and luke was like no

1775

01:12:23,830 --> 01:12:20,239

you can't do that and so he said okay

1776

01:12:25,430 --> 01:12:23,840

well i'll just i'll defeat you or and he

1777

01:12:27,189 --> 01:12:25,440

probably tried to attack luke or

1778

01:12:28,709 --> 01:12:27,199

something like that and

1779

01:12:31,430 --> 01:12:28,719

when he realized he couldn't do that he

1780

01:12:32,950 --> 01:12:31,440

probably just said okay well i'll just

1781

01:12:35,990 --> 01:12:32,960

keep you from being able to teach

1782

01:12:39,910 --> 01:12:36,000

anybody these stupid ways and just

1783

01:12:43,350 --> 01:12:41,430

i think you pretty much just like

1784

01:12:46,229 --> 01:12:43,360

telegraphed you know the shocking scene

1785

01:12:48,070 --> 01:12:46,239

that's going to occur in the last jedi

1786

01:12:51,830 --> 01:12:48,080

if it goes down i think max just called

1787

01:12:53,830 --> 01:12:51,840

it same scene somebody gets cut down

1788

01:12:55,669 --> 01:12:53,840

with a lightsaber someone's losing an

1789

01:12:57,510 --> 01:12:55,679

army we know someone's losing an arm or

1790

01:12:59,030 --> 01:12:57,520

a hand you know that that that's that

1791

01:13:00,630 --> 01:12:59,040

just has to happen

1792

01:13:03,910 --> 01:13:00,640

i like it i know it's tradition it's

1793

01:13:06,149 --> 01:13:03,920

tradition it's a tradition at this point

1794

01:13:08,870 --> 01:13:06,159

maybe maybe it's a foot now instead wait

1795

01:13:11,189 --> 01:13:08,880

so mac do you agree though that luke at

1796

01:13:14,229 --> 01:13:11,199

one point was leader of the the knights

1797

01:13:15,750 --> 01:13:14,239

of ren you do agree with that um i don't

1798

01:13:17,990 --> 01:13:15,760

i don't agree that he was the leader of

1799

01:13:20,470 --> 01:13:18,000

the knights of ren i think that if the

1800

01:13:21,990 --> 01:13:20,480

knights of ren are uh people or do you

1801
01:13:23,830 --> 01:13:22,000
think they respond from his teachings do

1802
01:13:25,990 --> 01:13:23,840
you think they spawn from okay i think

1803
01:13:28,149 --> 01:13:26,000
they spawned from him but they were

1804
01:13:30,790 --> 01:13:28,159
probably just like kylo ren wasn't

1805
01:13:33,350 --> 01:13:30,800
always kylo ren he was at once ben solo

1806
01:13:37,030 --> 01:13:33,360
say that uh one of the other knights of

1807
01:13:38,950 --> 01:13:37,040
ren's name is alan smith or and uh

1808
01:13:39,750 --> 01:13:38,960
you know drew gregory

1809
01:13:41,830 --> 01:13:39,760
yeah

1810
01:13:44,229 --> 01:13:41,840
but i mean

1811
01:13:46,950 --> 01:13:44,239
but then once they became evil they had

1812
01:13:49,350 --> 01:13:46,960
to take on an alias or another name to

1813
01:13:51,830 --> 01:13:49,360

mask their previous identity

1814

01:13:55,030 --> 01:13:51,840

no that totally makes it not confusing

1815

01:13:57,030 --> 01:13:55,040

when some character has three four right

1816

01:14:00,470 --> 01:13:57,040

three names yeah

1817

01:14:01,830 --> 01:14:00,480

exactly and then we're here i mean we

1818

01:14:05,110 --> 01:14:01,840

and we all know

1819

01:14:07,110 --> 01:14:05,120

that kylo ren has skywalker blood and

1820

01:14:09,270 --> 01:14:07,120

knowing the skywalker history being

1821

01:14:12,830 --> 01:14:09,280

anxious to learn fast is is definitely

1822

01:14:16,390 --> 01:14:12,840

in the blood so i am

1823

01:14:18,550 --> 01:14:16,400

surprised and not good

1824

01:14:20,310 --> 01:14:18,560

and not and not good i mean even even

1825

01:14:22,229 --> 01:14:20,320

luke was tempted to cross over to the

1826

01:14:25,030 --> 01:14:22,239

dark side i mean he had it but he had to

1827

01:14:30,390 --> 01:14:27,590

you know saying you gotta balance that

1828

01:14:32,470 --> 01:14:30,400

[h__\h] out in yourself i mean exactly

1829

01:14:34,950 --> 01:14:32,480

you know so my

1830

01:14:36,790 --> 01:14:34,960

my dark dark suspicion

1831

01:14:39,430 --> 01:14:36,800

is that let's hear it

1832

01:14:42,870 --> 01:14:39,440

in luke's in luke's attempt to try to

1833

01:14:44,870 --> 01:14:42,880

balance being light and dark he is

1834

01:14:47,669 --> 01:14:44,880

actually behind

1835

01:14:49,270 --> 01:14:47,679

behind the the destruction of the temple

1836

01:14:51,830 --> 01:14:49,280

and

1837

01:14:53,750 --> 01:14:51,840

all the slaughtering i i think that that

1838

01:14:55,669 --> 01:14:53,760

he may have motivated that it might have

1839

01:14:57,510 --> 01:14:55,679

gone out of control

1840

01:14:58,870 --> 01:14:57,520

but i think that

1841

01:15:00,310 --> 01:14:58,880

i think he was dipping into the dark

1842

01:15:04,950 --> 01:15:00,320

side

1843

01:15:06,790 --> 01:15:04,960

mac who destroyed the jedi temple where

1844

01:15:13,270 --> 01:15:06,800

i

1845

01:15:15,990 --> 01:15:13,280

who who just who

1846

01:15:18,310 --> 01:15:16,000

i can't remember mac you know this

1847

01:15:19,750 --> 01:15:18,320

you can't remember why the who destroyed

1848

01:15:20,950 --> 01:15:19,760

the jedi

1849

01:15:24,630 --> 01:15:20,960

temple

1850

01:15:29,669 --> 01:15:24,640

um i think that it was probably uh kylo

1851

01:15:32,709 --> 01:15:29,679

ren but it wasn't kylo ren that was or

1852

01:15:35,189 --> 01:15:32,719

i think it was ben solo not kylo ren i

1853

01:15:36,709 --> 01:15:35,199

think it was ben solo because

1854

01:15:38,550 --> 01:15:36,719

in the movie

1855

01:15:41,030 --> 01:15:38,560

in uh seven

1856

01:15:43,510 --> 01:15:41,040

um leia and han are talking when they're

1857

01:15:44,630 --> 01:15:43,520

back at the resistance base

1858

01:15:45,910 --> 01:15:44,640

um

1859

01:15:49,030 --> 01:15:45,920

yeah and

1860

01:15:51,350 --> 01:15:49,040

uh leia says that uh snoke had been kind

1861

01:15:53,590 --> 01:15:51,360

of trying to take

1862

01:15:55,510 --> 01:15:53,600

uh ben away from them for a long time

1863

01:15:57,510 --> 01:15:55,520

and ended up succeeding so i think that

1864

01:15:59,590 --> 01:15:57,520

he was probably like whispering in his

1865

01:16:02,229 --> 01:15:59,600

ear from a distant like through either

1866

01:16:05,350 --> 01:16:02,239

through the force or you know meeting

1867

01:16:07,350 --> 01:16:05,360

him at some location and was planting a

1868

01:16:09,270 --> 01:16:07,360

seed in his head to become dark and

1869

01:16:12,229 --> 01:16:09,280

that's why he's now

1870

01:16:14,550 --> 01:16:12,239

working as you know snoke's apprentice

1871

01:16:16,790 --> 01:16:14,560

and the master of the knights of ren

1872

01:16:22,709 --> 01:16:16,800

it's it's just

1873

01:16:27,110 --> 01:16:24,390

because

1874

01:16:30,550 --> 01:16:27,120

if ben solo had this

1875

01:16:33,350 --> 01:16:30,560

gift and we know who his mother is

1876

01:16:36,070 --> 01:16:33,360

people would feel that

1877

01:16:37,189 --> 01:16:36,080

and that would be dangerous

1878

01:16:39,750 --> 01:16:37,199

however

1879

01:16:41,590 --> 01:16:39,760

there's no institutional structure for

1880

01:16:44,870 --> 01:16:41,600

him to get trained

1881

01:16:48,229 --> 01:16:46,390

because you remember how they were like

1882

01:16:51,270 --> 01:16:48,239

no luke is too old obviously right okay

1883

01:16:53,669 --> 01:16:51,280

but this is a kid and he's got all those

1884

01:16:56,950 --> 01:16:53,679

midichlorian type genes

1885

01:17:03,270 --> 01:16:59,830

i blame society well drew what do you

1886

01:17:06,630 --> 01:17:05,030

before i forget because

1887

01:17:08,390 --> 01:17:06,640

it's so rare that i'm here with here

1888

01:17:09,590 --> 01:17:08,400

with the jedi master and i just want to

1889

01:17:12,310 --> 01:17:09,600

ask mack

1890

01:17:14,229 --> 01:17:12,320

do you think that snoke

1891

01:17:16,709 --> 01:17:14,239

is an existing character that we've

1892

01:17:20,310 --> 01:17:16,719

already met or is he a character that

1893

01:17:22,149 --> 01:17:20,320

was introduced in force awakens

1894

01:17:22,950 --> 01:17:22,159

well um

1895

01:17:39,750 --> 01:17:22,960

i

1896

01:17:41,990 --> 01:17:39,760

character we've already seen

1897

01:17:44,950 --> 01:17:42,000

okay who do you think it is

1898

01:17:46,550 --> 01:17:44,960

dude i gotta go with because he's not i

1899

01:17:48,149 --> 01:17:46,560

got to know it i gotta tell you tell me

1900

01:17:49,990 --> 01:17:48,159

who is it to me he's not really

1901

01:17:52,470 --> 01:17:50,000

traditional dark side like the way

1902

01:17:55,990 --> 01:17:52,480

sidious and vader were like it's kind of

1903

01:17:58,950 --> 01:17:56,000

like a new dark side so i'd have to say

1904

01:18:01,030 --> 01:17:58,960

it's either in my opinion it's got to be

1905

01:18:03,030 --> 01:18:01,040

either plagueis survived his injuries

1906

01:18:03,750 --> 01:18:03,040

from palpatine whenever possible tried

1907

01:18:05,750 --> 01:18:03,760

to

1908

01:18:07,189 --> 01:18:05,760

murder him in his sleep

1909

01:18:08,470 --> 01:18:07,199

i guess was like the the most powerful

1910

01:18:09,990 --> 01:18:08,480

sith of all time

1911

01:18:10,870 --> 01:18:10,000

it's mace windy

1912

01:18:13,590 --> 01:18:10,880

oh

1913

01:18:15,030 --> 01:18:13,600

seven i've heard

1914

01:18:16,790 --> 01:18:15,040

100

1915

01:18:19,030 --> 01:18:16,800

always making oh you think so camille

1916

01:18:21,590 --> 01:18:19,040

you think it's mace windu

1917

01:18:24,470 --> 01:18:21,600

and come back for episode 8 or 9. i

1918

01:18:27,189 --> 01:18:24,480

would love to see that he was the isaac

1919

01:18:29,189 --> 01:18:27,199

hayes of star wars

1920

01:18:32,229 --> 01:18:29,199

case

1921

01:18:35,750 --> 01:18:32,239

i like that he's the chef of star wars

1922

01:18:38,550 --> 01:18:35,760

okay so wait wait wait wait so okay but

1923

01:18:42,229 --> 01:18:38,560

you can't have samuel coming back

1924

01:18:45,990 --> 01:18:43,830

but you already have andy circus doing

1925

01:18:47,110 --> 01:18:46,000

snoke's voice and he's great he's a

1926

01:18:49,030 --> 01:18:47,120

graphic

1927

01:18:51,590 --> 01:18:49,040

yeah but it's been it's been over the

1928

01:18:54,950 --> 01:18:51,600

it's been time has passed alan time has

1929

01:18:57,110 --> 01:18:54,960

passed i mean i don't sound as young and

1930

01:18:58,870 --> 01:18:57,120

surprised as i did from five years ago

1931

01:19:01,270 --> 01:18:58,880

you know that things happened a couple

1932

01:19:03,270 --> 01:19:01,280

of years i noticed that i noticed that

1933

01:19:05,030 --> 01:19:03,280

i know i know it's terrible i probably

1934

01:19:06,830 --> 01:19:05,040

sound awful on audio this evening i

1935

01:19:09,669 --> 01:19:06,840

apologize to all the

1936

01:19:10,550 --> 01:19:09,679

listeners are they but

1937

01:19:11,750 --> 01:19:10,560

but

1938

01:19:13,030 --> 01:19:11,760

i just don't see how it's possible

1939

01:19:16,390 --> 01:19:13,040

unless i mean

1940

01:19:19,189 --> 01:19:16,400

and now this morph would be less extreme

1941

01:19:20,790 --> 01:19:19,199

but clearly the emperor could could when

1942

01:19:23,189 --> 01:19:20,800

when he's when he's breaking out his

1943

01:19:24,310 --> 01:19:23,199

powers he i mean his face literally

1944

01:19:25,030 --> 01:19:24,320

changes

1945

01:19:27,110 --> 01:19:25,040

so

1946

01:19:27,830 --> 01:19:27,120

um you know he gets he gets that

1947

01:19:29,430 --> 01:19:27,840

so

1948

01:19:32,149 --> 01:19:29,440

maybe maybe

1949

01:19:33,990 --> 01:19:32,159

you know samuel can appear in a dis more

1950

01:19:35,030 --> 01:19:34,000

disfigured form

1951

01:19:37,510 --> 01:19:35,040

um

1952

01:19:38,950 --> 01:19:37,520

miss windu i i don't know i don't know i

1953

01:19:40,709 --> 01:19:38,960

don't know if i think it's that divine

1954

01:19:42,709 --> 01:19:40,719

smoke wasn't born that way like he

1955

01:19:44,470 --> 01:19:42,719

didn't come out the womb like that like

1956

01:19:46,310 --> 01:19:44,480

that that that dude that has gone

1957

01:19:47,669 --> 01:19:46,320

through some things he's definitely had

1958

01:19:48,630 --> 01:19:47,679

a change or two

1959

01:19:50,630 --> 01:19:48,640

you know

1960

01:19:53,110 --> 01:19:50,640

gone down in his life

1961

01:19:55,110 --> 01:19:53,120

and why would mace when do be be dark on

1962

01:19:57,590 --> 01:19:55,120

the dark side

1963

01:19:59,189 --> 01:19:57,600

you know because mace windu before

1964

01:20:01,270 --> 01:19:59,199

before the uh

1965

01:20:05,350 --> 01:20:01,280

before um

1966

01:20:07,030 --> 01:20:05,360

we all see him he was he was already uh

1967

01:20:08,790 --> 01:20:07,040

playing with about that's the reason his

1968

01:20:10,229 --> 01:20:08,800

lightsaber's purple he was balancing the

1969

01:20:12,229 --> 01:20:10,239

dark and the light side that's why he

1970

01:20:15,510 --> 01:20:12,239

created his own lightsaber combat form

1971

01:20:18,390 --> 01:20:15,520

called the pod because um or as many

1972

01:20:20,550 --> 01:20:18,400

people like to say vape had um because

1973

01:20:23,189 --> 01:20:20,560

there wasn't a lightsaber combat form

1974

01:20:24,149 --> 01:20:23,199

that really uh did his

1975

01:20:25,430 --> 01:20:24,159

um

1976

01:20:28,229 --> 01:20:25,440

jedi way

1977

01:20:29,910 --> 01:20:28,239

or his way of training justice because

1978

01:20:32,390 --> 01:20:29,920

all of them were

1979

01:20:34,310 --> 01:20:32,400

tailored to purely light side force

1980

01:20:36,870 --> 01:20:34,320

users so he had to create his own

1981

01:20:40,709 --> 01:20:36,880

lightsaber form called the pod because

1982

01:20:42,149 --> 01:20:40,719

he balanced the light and the dark

1983

01:20:44,070 --> 01:20:42,159

see that's why

1984

01:20:46,870 --> 01:20:44,080

it has to be said right there okay is

1985

01:20:48,229 --> 01:20:46,880

closed and he didn't exactly die either

1986

01:20:49,990 --> 01:20:48,239

right i mean we just see him falling

1987

01:20:53,110 --> 01:20:50,000

falling out the window yeah he went out

1988

01:20:56,390 --> 01:20:55,030

out the window a lot of cats that went

1989

01:20:58,470 --> 01:20:56,400

out the window in the starboard in the

1990

01:21:00,870 --> 01:20:58,480

star wars trilogy

1991

01:21:02,790 --> 01:21:00,880

and we know

1992

01:21:04,390 --> 01:21:02,800

the forced lightning from the emperor it

1993

01:21:06,229 --> 01:21:04,400

doesn't necessarily kill you on impact

1994

01:21:08,390 --> 01:21:06,239

we've seen that force lightning doesn't

1995

01:21:10,310 --> 01:21:08,400

kill instantly so he could have taken a

1996

01:21:12,630 --> 01:21:10,320

lot of that and been fighting it doesn't

1997

01:21:26,950 --> 01:21:12,640

kill jedi instantly

1998

01:21:31,189 --> 01:21:28,390

i mean we've seen

1999

01:21:32,550 --> 01:21:31,199

luke get hit with uh forced lightning

2000

01:21:34,390 --> 01:21:32,560

we've seen mace get hit with force

2001

01:21:36,470 --> 01:21:34,400

lightning luke lived i don't see why

2002

01:21:40,790 --> 01:21:36,480

mace can't we've also seen anakin

2003

01:21:43,350 --> 01:21:40,800

skywalker speaking of the exact same

2004

01:21:45,189 --> 01:21:43,360

setting we've seen uh or anakin

2005

01:21:48,070 --> 01:21:45,199

skywalker rather we've seen anakin

2006

01:21:50,790 --> 01:21:48,080

skywalker jump out of the uh speeder and

2007

01:21:53,350 --> 01:21:50,800

coruscant and land down on zamosel's uh

2008

01:21:56,229 --> 01:21:53,360

oh yeah speeder so if he can jump

2009

01:21:59,030 --> 01:21:56,239

and fall down that like those i'm sure

2010

01:22:01,110 --> 01:21:59,040

that was at least 50 stories if he could

2011

01:22:03,110 --> 01:22:01,120

jump and fall all the way down there and

2012

01:22:05,910 --> 01:22:03,120

land on the ship perfectly fine i don't

2013

01:22:08,470 --> 01:22:05,920

see why mace went and and oh this just

2014

01:22:10,950 --> 01:22:08,480

came to mind uh luke skywalker could

2015

01:22:12,709 --> 01:22:10,960

fall off of the thing uh the

2016

01:22:15,110 --> 01:22:12,719

the little uh forgot what it's called

2017

01:22:16,310 --> 01:22:15,120

the antenna or like the little thing

2018

01:22:18,310 --> 01:22:16,320

that's fitting

2019

01:22:20,229 --> 01:22:18,320

yeah yeah yeah the closest fell off i

2020

01:22:21,270 --> 01:22:20,239

don't see why uh mace windu couldn't

2021

01:22:24,950 --> 01:22:21,280

live from falling out of the

2022

01:22:28,390 --> 01:22:27,430

why can't han solo survive a fall i know

2023

01:22:30,070 --> 01:22:28,400

he's not

2024

01:22:33,030 --> 01:22:30,080

you know exactly force-sensitive it's

2025

01:22:34,229 --> 01:22:33,040

not more sensitive exactly

2026

01:22:36,390 --> 01:22:34,239

he's not

2027

01:22:38,070 --> 01:22:36,400

but we didn't actually see him die right

2028

01:22:40,229 --> 01:22:38,080

let's think of it from from a disney

2029

01:22:42,950 --> 01:22:40,239

standpoint now hold on like to making

2030

01:22:43,990 --> 01:22:42,960

money disney owns star wars disney owns

2031

01:22:44,870 --> 01:22:44,000

marvel

2032

01:22:46,790 --> 01:22:44,880

okay

2033

01:22:49,110 --> 01:22:46,800

i i love him having sam jackson bring

2034

01:22:50,070 --> 01:22:49,120

sam jackson back as stoke why not why

2035

01:22:55,110 --> 01:22:50,080

not

2036

01:22:59,510 --> 01:22:56,629

in star wars

2037

01:23:02,390 --> 01:22:59,520

the completely traumatizing death

2038

01:23:03,990 --> 01:23:02,400

that turns someone into a hero

2039

01:23:06,550 --> 01:23:04,000

the inconsequential death of some

2040

01:23:10,629 --> 01:23:06,560

soldier or robot who cares

2041

01:23:12,709 --> 01:23:10,639

and then there is the questionable death

2042

01:23:14,629 --> 01:23:12,719

the questionable suspense that makes us

2043

01:23:17,990 --> 01:23:14,639

want to go see the next movie

2044

01:23:22,629 --> 01:23:19,750

i mean here's the thing he got stabbed

2045

01:23:25,270 --> 01:23:22,639

with a lightsaber but if upon being

2046

01:23:28,550 --> 01:23:25,280

stabbed stabbed not sliced stabbed by a

2047

01:23:30,790 --> 01:23:28,560

lightsaber if the the force user of the

2048

01:23:33,910 --> 01:23:30,800

lightsaber is not imbuing force energy

2049

01:23:36,149 --> 01:23:33,920

into the lightsaber it is obviously we

2050

01:23:38,390 --> 01:23:36,159

see that he that it didn't melt his

2051

01:23:40,390 --> 01:23:38,400

insides instantly right

2052

01:23:42,790 --> 01:23:40,400

yeah but he even just listened to that

2053

01:23:46,149 --> 01:23:42,800

master hold on was he a master it was he

2054

01:23:47,590 --> 01:23:46,159

just a master at night max no whatever

2055

01:23:49,350 --> 01:23:47,600

never saying that he's probably no no no

2056

01:23:51,189 --> 01:23:49,360

but i'm speaking about han solo here han

2057

01:23:53,430 --> 01:23:51,199

solo got stabbed by ben

2058

01:23:55,350 --> 01:23:53,440

oh he's down he's done that's right

2059

01:23:57,270 --> 01:23:55,360

but no but it didn't melt him right away

2060

01:23:58,149 --> 01:23:57,280

why didn't why didn't the the lightsaber

2061

01:24:00,870 --> 01:23:58,159

just

2062

01:24:03,189 --> 01:24:00,880

obliterate his organs instantly i think

2063

01:24:05,510 --> 01:24:03,199

yeah i think that when

2064

01:24:07,510 --> 01:24:05,520

people are at a certain ot level sorry

2065

01:24:09,510 --> 01:24:07,520

i'm just watching all this stuff um when

2066

01:24:11,510 --> 01:24:09,520

you reach a certain level

2067

01:24:13,910 --> 01:24:11,520

you can because we i still think that

2068

01:24:16,149 --> 01:24:13,920

obi-wan could was had learned how to

2069

01:24:17,830 --> 01:24:16,159

bring people back to life but i think

2070

01:24:21,030 --> 01:24:17,840

that when your energy is in a certain

2071

01:24:23,669 --> 01:24:21,040

place you can manipulate stuff but han

2072

01:24:25,510 --> 01:24:23,679

wasn't one of those folks

2073

01:24:27,430 --> 01:24:25,520

no but what i'm saying is couldn't ben

2074

01:24:29,750 --> 01:24:27,440

manipulate the lightsaber

2075

01:24:30,629 --> 01:24:29,760

this is what i'm saying because when ben

2076

01:24:34,390 --> 01:24:30,639

gets

2077

01:24:36,390 --> 01:24:34,400

decapitated by the lightsaber he just

2078

01:24:38,310 --> 01:24:36,400

disappears and then he goes into the

2079

01:24:39,910 --> 01:24:38,320

ether and he has a

2080

01:24:42,470 --> 01:24:39,920

a uh

2081

01:24:44,550 --> 01:24:42,480

an intangible form that represents who

2082

01:24:46,390 --> 01:24:44,560

he is entirely including his intentions

2083

01:24:48,470 --> 01:24:46,400

and his belief system

2084

01:24:51,350 --> 01:24:48,480

that's not the same kind of death that

2085

01:24:53,669 --> 01:24:51,360

goes into the mysterious death

2086

01:24:56,390 --> 01:24:53,679

category the traumatizing death the

2087

01:24:59,669 --> 01:24:56,400

inconsequential death and the

2088

01:25:01,110 --> 01:24:59,679

mysterious death that's how i see it

2089

01:25:02,709 --> 01:25:01,120

i don't know mac what do you think do

2090

01:25:03,910 --> 01:25:02,719

you think that that

2091

01:25:05,030 --> 01:25:03,920

um

2092

01:25:06,950 --> 01:25:05,040

kylo ren

2093

01:25:08,629 --> 01:25:06,960

um could have

2094

01:25:10,470 --> 01:25:08,639

purposely controlled the energy of that

2095

01:25:12,390 --> 01:25:10,480

lifesaver so as not to just completely

2096

01:25:14,070 --> 01:25:12,400

obliterate the insides of his father han

2097

01:25:16,229 --> 01:25:14,080

solo

2098

01:25:18,229 --> 01:25:16,239

well as much as i

2099

01:25:20,950 --> 01:25:18,239

know that star wars fans or at least

2100

01:25:22,870 --> 01:25:20,960

other star wars fans uh such as drew

2101

01:25:25,510 --> 01:25:22,880

like it to be

2102

01:25:29,030 --> 01:25:25,520

mostly mystical and hate when science

2103

01:25:30,390 --> 01:25:29,040

plays a part um science in everyday life

2104

01:25:33,590 --> 01:25:30,400

i mean let me just say i believe in

2105

01:25:34,470 --> 01:25:33,600

science and everything that it does

2106

01:25:37,910 --> 01:25:34,480

um

2107

01:25:41,750 --> 01:25:37,920

god god made us all but god made us all

2108

01:25:47,189 --> 01:25:41,760

with science i that that's my i mean

2109

01:25:51,350 --> 01:25:48,870

right

2110

01:25:52,629 --> 01:25:51,360

um anyone know that reference no

2111

01:25:58,310 --> 01:25:52,639

no i got done

2112

01:26:01,910 --> 01:26:00,390

um all right so okay but now here's the

2113

01:26:03,669 --> 01:26:01,920

thing mac i think you make a good point

2114

01:26:05,910 --> 01:26:03,679

um and i was thinking about this earlier

2115

01:26:07,189 --> 01:26:05,920

in our conversation um

2116

01:26:08,390 --> 01:26:07,199

and it hadn't actually occurred to me

2117

01:26:11,510 --> 01:26:08,400

and it's probably right in front of my

2118

01:26:13,510 --> 01:26:11,520

face in the movie um but the idea of

2119

01:26:15,830 --> 01:26:13,520

metaphorians actually when i was 19 and

2120

01:26:18,310 --> 01:26:15,840

i was smoking a lot of

2121

01:26:20,550 --> 01:26:18,320

uh herbs at the time

2122

01:26:23,910 --> 01:26:20,560

let's call it uh

2123

01:26:29,590 --> 01:26:27,750

yeah some um natural green herbs um i i

2124

01:26:31,830 --> 01:26:29,600

was really into episode one i mean i

2125

01:26:32,870 --> 01:26:31,840

loved it and the whole and i didn't

2126

01:26:34,310 --> 01:26:32,880

really

2127

01:26:36,470 --> 01:26:34,320

i thought the medichlorian thing was

2128

01:26:39,110 --> 01:26:36,480

really cool and i thought that it still

2129

01:26:40,629 --> 01:26:39,120

kept a metaphysical aspect to it because

2130

01:26:43,990 --> 01:26:40,639

the midichlorians

2131

01:26:48,390 --> 01:26:46,310

maybe they only work if you are already

2132

01:26:50,550 --> 01:26:48,400

strongly force sensitive like you can't

2133

01:26:52,870 --> 01:26:50,560

just inject midichlorians into anybody

2134

01:26:54,470 --> 01:26:52,880

and at work okay no

2135

01:26:55,189 --> 01:26:54,480

right oh yeah

2136

01:26:56,550 --> 01:26:55,199

yeah

2137

01:26:58,550 --> 01:26:56,560

so you're still you're still marrying

2138

01:27:00,550 --> 01:26:58,560

mysticism and and science so that's a

2139

01:27:02,790 --> 01:27:00,560

beautiful thing

2140

01:27:04,550 --> 01:27:02,800

yeah right okay you got to expose the

2141

01:27:07,510 --> 01:27:04,560

tune

2142

01:27:10,550 --> 01:27:07,520

you know i was really gonna uh hit you

2143

01:27:12,149 --> 01:27:10,560

hit you with um a trivia effect or a

2144

01:27:14,709 --> 01:27:12,159

factor you please

2145

01:27:16,790 --> 01:27:14,719

do it do it mac probably never thought

2146

01:27:19,510 --> 01:27:16,800

about um

2147

01:27:21,910 --> 01:27:19,520

you remember do you remember in 1977

2148

01:27:25,189 --> 01:27:21,920

when the first star wars movie came out

2149

01:27:28,149 --> 01:27:25,199

another cantina scene was when uh panda

2150

01:27:31,430 --> 01:27:28,159

baba grabbed which is what many people

2151

01:27:34,070 --> 01:27:31,440

call walrus man grabbed luke skywalker

2152

01:27:37,350 --> 01:27:34,080

and had a problem with him and dr evazon

2153

01:27:39,669 --> 01:27:37,360

who was his partner he doesn't like you

2154

01:27:42,790 --> 01:27:39,679

yeah he was saying that he had a problem

2155

01:27:44,790 --> 01:27:42,800

with him i don't like you either

2156

01:27:47,110 --> 01:27:44,800

and all that stuff

2157

01:27:48,310 --> 01:27:47,120

well uh you know when panda boxes watch

2158

01:27:52,550 --> 01:27:48,320

yourself

2159

01:27:52,560 --> 01:27:57,830

systems

2160

01:28:03,270 --> 01:28:00,310

but uh whenever he got his arm chopped

2161

01:28:06,229 --> 01:28:03,280

off uh his forearm you saw a blood on

2162

01:28:08,870 --> 01:28:06,239

the floor that is the only movie that

2163

01:28:11,350 --> 01:28:08,880

you see blood on the floor or like blood

2164

01:28:12,709 --> 01:28:11,360

from getting an um

2165

01:28:14,390 --> 01:28:12,719

chopped off

2166

01:28:15,270 --> 01:28:14,400

right that is

2167

01:28:18,070 --> 01:28:15,280

uh

2168

01:28:20,870 --> 01:28:18,080

here's the science behind that the race

2169

01:28:23,350 --> 01:28:20,880

that panda baba is is called aqualish

2170

01:28:27,189 --> 01:28:23,360

aquas are kind of like spider creatures

2171

01:28:29,750 --> 01:28:27,199

in a way spiders in the real world have

2172

01:28:32,149 --> 01:28:29,760

open circulatory system which means you

2173

01:28:34,390 --> 01:28:32,159

cut off a finger you cut off the arm

2174

01:28:36,070 --> 01:28:34,400

there's no veins or anything like they

2175

01:28:37,990 --> 01:28:36,080

literally pump blood straight through

2176

01:28:40,070 --> 01:28:38,000

their foot like there's it's hollow on

2177

01:28:42,790 --> 01:28:40,080

the inside there's only blood there

2178

01:28:45,110 --> 01:28:42,800

so when his arm got cut off there was

2179

01:28:47,910 --> 01:28:45,120

nothing there was nothing to cauterize

2180

01:28:50,629 --> 01:28:47,920

so that's why there was blood but any

2181

01:28:52,070 --> 01:28:50,639

other like humans wookies pretty much

2182

01:28:54,709 --> 01:28:52,080

any other ray

2183

01:28:57,110 --> 01:28:54,719

in star wars has a closed circulatory

2184

01:28:59,430 --> 01:28:57,120

system like human beings so whenever you

2185

01:29:01,270 --> 01:28:59,440

cut off their arm or their leg or

2186

01:29:03,830 --> 01:29:01,280

anything that's why it's cauterized and

2187

01:29:06,550 --> 01:29:03,840

there's no blood

2188

01:29:08,950 --> 01:29:06,560

i love that okay i never do it yeah

2189

01:29:10,470 --> 01:29:08,960

that makes perfect sense

2190

01:29:11,430 --> 01:29:10,480

now if you're if you're force sensitive

2191

01:29:14,149 --> 01:29:11,440

though can

2192

01:29:15,750 --> 01:29:14,159

can you control um you know what's going

2193

01:29:17,030 --> 01:29:15,760

on with you internally if you're if

2194

01:29:21,669 --> 01:29:17,040

you're injured

2195

01:29:25,669 --> 01:29:23,669

if there is i can honestly say i don't

2196

01:29:27,830 --> 01:29:25,679

have an answer to that i love being

2197

01:29:30,149 --> 01:29:27,840

called the jedi master but i mean

2198

01:29:32,149 --> 01:29:30,159

everyone should know you want in this

2199

01:29:33,270 --> 01:29:32,159

room buddy when it when it comes to star

2200

01:29:37,350 --> 01:29:33,280

wars

2201

01:29:40,149 --> 01:29:37,360

you i honestly have come to uh

2202

01:29:42,310 --> 01:29:40,159

come to justice with um the fact that i

2203

01:29:43,990 --> 01:29:42,320

don't think i'll ever know everything i

2204

01:29:46,390 --> 01:29:44,000

think i'll always know a lot but i don't

2205

01:29:49,430 --> 01:29:46,400

think i'll ever know everything no just

2206

01:29:51,430 --> 01:29:49,440

because there's constantly new material

2207

01:29:54,550 --> 01:29:51,440

coming out and even though i'm trying my

2208

01:29:56,950 --> 01:29:54,560

best to keep up with it um there's not

2209

01:29:59,669 --> 01:29:56,960

more than one mac barn and

2210

01:30:02,950 --> 01:29:59,679

i still have other uh humanly things

2211

01:30:05,750 --> 01:30:02,960

that i have to do so i mean as i'd like

2212

01:30:07,990 --> 01:30:05,760

to say that yeah probably away um it

2213

01:30:10,149 --> 01:30:08,000

hasn't been stated yet in anything any

2214

01:30:12,470 --> 01:30:10,159

medium that i've read so far comics

2215

01:30:14,709 --> 01:30:12,480

movies anything like that but i'm sure

2216

01:30:16,709 --> 01:30:14,719

i'm sure if you're a jedi and you can do

2217

01:30:19,350 --> 01:30:16,719

things like have lightning and fire come

2218

01:30:21,750 --> 01:30:19,360

out of your fingertips i'm

2219

01:30:24,310 --> 01:30:21,760

i'm more than positive that there's an

2220

01:30:26,149 --> 01:30:24,320

ability where you can uh control your

2221

01:30:29,189 --> 01:30:26,159

lightsaber to where how much damage it

2222

01:30:31,350 --> 01:30:29,199

does pretty much yeah okay i agree well

2223

01:30:33,430 --> 01:30:31,360

yeah plagueis could he could troll alive

2224

01:30:34,870 --> 01:30:33,440

and death though plagueis could

2225

01:30:36,070 --> 01:30:34,880

oh there's going to be a

2226

01:30:37,270 --> 01:30:36,080

there's going to be other cats that were

2227

01:30:38,709 --> 01:30:37,280

you know sensitive with the force that

2228

01:30:39,669 --> 01:30:38,719

could do something similar there's got

2229

01:30:41,990 --> 01:30:39,679

to be

2230

01:30:43,110 --> 01:30:42,000

oh yeah i agree with that okay cool

2231

01:30:45,510 --> 01:30:43,120

let's hold it right there guys we're

2232

01:30:48,070 --> 01:30:45,520

going to take another quick and last

2233

01:30:51,030 --> 01:30:48,080

break um this is allen b smith for

2234

01:30:55,430 --> 01:30:51,040

paranormal now my guests are drew

2235

01:30:57,510 --> 01:30:55,440

gregory uh camille bettina atkinson and

2236

01:30:59,830 --> 01:30:57,520

mack barnes who doesn't like to be

2237

01:31:05,910 --> 01:30:59,840

called the star wars encyclopedia but

2238

01:31:10,790 --> 01:31:08,390

hello inception radio network listeners

2239

01:31:13,270 --> 01:31:10,800

this is amanda remember you can take

2240

01:31:14,870 --> 01:31:13,280

your inception radio shows on the go

2241

01:31:17,910 --> 01:31:14,880

just download the inception radio

2242

01:31:20,310 --> 01:31:17,920

network app for your iphone ipad or

2243

01:31:22,790 --> 01:31:20,320

android smartphones and access live

2244

01:31:25,189 --> 01:31:22,800

shows past shows guest lineups and much

2245

01:31:26,950 --> 01:31:25,199

more just visit the itunes store or the

2246

01:31:29,580 --> 01:31:26,960

google play marketplace and download it

2247

01:31:48,950 --> 01:31:29,590

today for free

2248

01:31:54,470 --> 01:31:51,510

okay kevin for the grand prize of one

2249

01:31:56,550 --> 01:31:54,480

million dollars what color is the white

2250

01:31:59,189 --> 01:31:56,560

house um

2251

01:32:01,910 --> 01:31:59,199

i know this i know this i know this

2252

01:32:03,590 --> 01:32:01,920

um five seconds oh

2253

01:32:05,750 --> 01:32:03,600

switching to geico could save you a

2254

01:32:06,790 --> 01:32:05,760

bunch of money on car insurance

2255

01:32:08,470 --> 01:32:06,800

okay

2256

01:32:10,470 --> 01:32:08,480

judges

2257

01:32:13,990 --> 01:32:10,480

that's true kevin they'll allow it

2258

01:32:16,470 --> 01:32:14,000

congratulations you're a winner

2259

01:32:19,010 --> 01:32:16,480

geico because saving 15 or more on car

2260

01:32:37,940 --> 01:32:19,020

insurance is always a great answer

2261

01:32:37,950 --> 01:33:22,870

[Music]

2262

01:33:26,550 --> 01:33:24,709

welcome back to paranormal now i'm your

2263

01:33:29,110 --> 01:33:26,560

host alan b smith on the inception radio

2264

01:33:30,790 --> 01:33:29,120

network and uh my guest tonight oh we

2265

01:33:32,629 --> 01:33:30,800

are all geeking out and talking about

2266

01:33:34,149 --> 01:33:32,639

star wars um

2267

01:33:37,350 --> 01:33:34,159

i want to pick it up a little bit where

2268

01:33:38,709 --> 01:33:37,360

we left off um oh and i almost forgot

2269

01:33:40,790 --> 01:33:38,719

coming out of the break was what i got

2270

01:33:42,629 --> 01:33:40,800

by sublime uh let's pick it up if you

2271

01:33:44,709 --> 01:33:42,639

were if you were at comic con yesterday

2272

01:33:47,110 --> 01:33:44,719

happy star wars day

2273

01:33:54,950 --> 01:33:47,120

it's saturday now obviously but friday

2274

01:33:59,990 --> 01:33:57,350

so let's let's talk about the science

2275

01:34:02,070 --> 01:34:00,000

um a little bit more

2276

01:34:04,709 --> 01:34:02,080

uh i think that when the first films

2277

01:34:07,510 --> 01:34:04,719

came out and science wasn't really that

2278

01:34:08,790 --> 01:34:07,520

important do you think

2279

01:34:09,669 --> 01:34:08,800

i think that's a great i don't agree

2280

01:34:10,790 --> 01:34:09,679

with that

2281

01:34:11,590 --> 01:34:10,800

yeah

2282

01:34:53,270 --> 01:34:11,600

i

2283

01:34:55,750 --> 01:34:53,280

makes sense to me

2284

01:34:58,229 --> 01:34:55,760

i i can't believe i'm saying this but i

2285

01:34:59,990 --> 01:34:58,239

i get why you like the prequel you know

2286

01:35:03,350 --> 01:35:00,000

you were around for the original holy

2287

01:35:06,149 --> 01:35:03,360

trilogy i get it i get it now yes

2288

01:35:07,990 --> 01:35:06,159

i'm so sorry i'm so sorry

2289

01:35:09,030 --> 01:35:08,000

for all the things i committed

2290

01:35:12,629 --> 01:35:09,040

just like

2291

01:35:14,550 --> 01:35:12,639

star wars universe

2292

01:35:16,470 --> 01:35:14,560

salutes the kind of diversity that we

2293

01:35:18,550 --> 01:35:16,480

have and to have different ideas fosters

2294

01:35:20,390 --> 01:35:18,560

conversation it's not a bad thing you

2295

01:35:22,310 --> 01:35:20,400

know and i would never ever try to

2296

01:35:23,990 --> 01:35:22,320

convince somebody

2297

01:35:25,910 --> 01:35:24,000

that they're wrong when it comes to a

2298

01:35:26,870 --> 01:35:25,920

piece of fiction

2299

01:35:30,149 --> 01:35:26,880

right

2300

01:35:31,510 --> 01:35:30,159

yeah

2301
01:35:33,590 --> 01:35:31,520
you know although i think we all we all

2302
01:35:34,550 --> 01:35:33,600
have our theories and you know

2303
01:35:35,910 --> 01:35:34,560
yeah

2304
01:35:37,430 --> 01:35:35,920
that's why i love you talking about

2305
01:35:39,669 --> 01:35:37,440
especially the hypotheticals there was a

2306
01:35:42,629 --> 01:35:39,679
lot of hypotheticals today i loved it

2307
01:35:44,870 --> 01:35:42,639
stations about literature and tracks of

2308
01:35:46,870 --> 01:35:44,880
history those conversations think about

2309
01:35:49,910 --> 01:35:46,880
the knowledge that's encased in the

2310
01:35:52,550 --> 01:35:49,920
torah it's basically a series of

2311
01:35:54,310 --> 01:35:52,560
criticisms of the bible and people can

2312
01:35:56,950 --> 01:35:54,320
keep writing in it

2313
01:35:59,590 --> 01:35:56,960

right

2314

01:36:01,110 --> 01:35:59,600

perfect

2315

01:36:05,750 --> 01:36:01,120

no

2316

01:36:07,990 --> 01:36:05,760

just to go along with that all right so

2317

01:36:10,070 --> 01:36:08,000

obviously you know lucas no longer has

2318

01:36:11,750 --> 01:36:10,080

the rights and it's been sold to disney

2319

01:36:12,550 --> 01:36:11,760

we have a lot of star wars movies coming

2320

01:36:15,189 --> 01:36:12,560

out

2321

01:36:16,629 --> 01:36:15,199

do you think they continue the trilogy

2322

01:36:19,910 --> 01:36:16,639

or you know

2323

01:36:22,790 --> 01:36:19,920

after 789 do you could did you continue

2324

01:36:24,470 --> 01:36:22,800

it do you give us a 10 11 12 or do you

2325

01:36:25,910 --> 01:36:24,480

focus on different characters do you

2326

01:36:28,310 --> 01:36:25,920

focus on different aspects of the

2327

01:36:30,149 --> 01:36:28,320

universe guys honestly like i've heard

2328

01:36:32,070 --> 01:36:30,159

i've had enough of the main characters

2329

01:36:34,470 --> 01:36:32,080

let's just let's just explore other

2330

01:36:37,430 --> 01:36:34,480

areas i'm gonna die anyway but here's

2331

01:36:40,709 --> 01:36:37,440

the thing every single one of those

2332

01:36:43,430 --> 01:36:40,719

movies was a first star wars movie to

2333

01:36:45,270 --> 01:36:43,440

someone who is a fan now

2334

01:36:47,669 --> 01:36:45,280

every single one

2335

01:36:49,430 --> 01:36:47,679

and so if those movies are good and they

2336

01:36:52,470 --> 01:36:49,440

tell a good story and people forget

2337

01:36:54,070 --> 01:36:52,480

about homework for two hours fine

2338

01:36:56,390 --> 01:36:54,080

sidebar to my 80s cats that are

2339

01:36:58,870 --> 01:36:56,400

listening uh camille have you seen have

2340

01:37:00,470 --> 01:36:58,880

you seen the ewoks movies have you seen

2341

01:37:01,430 --> 01:37:00,480

them

2342

01:37:03,430 --> 01:37:01,440

no i'm just saying have you have you

2343

01:37:04,830 --> 01:37:03,440

seen the ebooks movies and mac have you

2344

01:37:06,470 --> 01:37:04,840

seen the ewoks

2345

01:37:08,070 --> 01:37:06,480

movies because i've definitely seen them

2346

01:37:09,910 --> 01:37:08,080

yeah i agree with you they're amazing

2347

01:37:11,030 --> 01:37:09,920

they're incredible and

2348

01:37:13,750 --> 01:37:11,040

you know hopefully we'll see them in

2349

01:37:15,030 --> 01:37:13,760

high definition one day mind jesus i

2350

01:37:17,189 --> 01:37:15,040

didn't think i would think about that

2351

01:37:21,970 --> 01:37:17,199

ever

2352

01:37:21,980 --> 01:37:33,030

[Music]

2353

01:37:36,310 --> 01:37:34,550

the bat yeah battle for endor and the

2354

01:37:37,350 --> 01:37:36,320

ewok adventure right

2355

01:37:38,870 --> 01:37:37,360

oh no

2356

01:37:40,790 --> 01:37:38,880

i saw the

2357

01:37:41,910 --> 01:37:40,800

star wars christmas special when it was

2358

01:37:44,070 --> 01:37:41,920

on

2359

01:37:46,149 --> 01:37:44,080

that and that is why camille i will bow

2360

01:37:47,270 --> 01:37:46,159

down to you well done that's why i do

2361

01:37:48,550 --> 01:37:47,280

drugs wow

2362

01:37:49,990 --> 01:37:48,560

wow yeah

2363

01:37:52,310 --> 01:37:50,000

yep that's that's the original

2364

01:37:54,229 --> 01:37:52,320

appearance of a fat little little pop-up

2365

01:37:56,149 --> 01:37:54,239

video fact

2366

01:37:58,950 --> 01:37:56,159

appeared in the

2367

01:38:00,390 --> 01:37:58,960

star wars holiday special as an animated

2368

01:38:02,870 --> 01:38:00,400

character

2369

01:38:03,990 --> 01:38:02,880

before he became you know pop culture

2370

01:38:05,669 --> 01:38:04,000

and icon

2371

01:38:06,629 --> 01:38:05,679

baby chewbacca

2372

01:38:08,149 --> 01:38:06,639

um

2373

01:38:10,390 --> 01:38:08,159

so alan i wanted to talk a little bit

2374

01:38:12,070 --> 01:38:10,400

about what it's like to be i said you

2375

01:38:14,070 --> 01:38:12,080

know i asked you to say one word but i

2376

01:38:17,669 --> 01:38:14,080

think this is specific what is it like

2377

01:38:19,990 --> 01:38:17,679

to be a femme who likes star wars

2378

01:38:22,709 --> 01:38:20,000

um because not all people with a female

2379

01:38:23,590 --> 01:38:22,719

perspective are men or women

2380

01:38:24,470 --> 01:38:23,600

so

2381

01:38:26,550 --> 01:38:24,480

um

2382

01:38:30,070 --> 01:38:26,560

from a femme perspective obviously the

2383

01:38:32,470 --> 01:38:30,080

costumes are extraordinarily important

2384

01:38:34,229 --> 01:38:32,480

and why are they important because

2385

01:38:35,669 --> 01:38:34,239

they're not about

2386

01:38:37,189 --> 01:38:35,679

sexy body

2387

01:38:39,750 --> 01:38:37,199

right

2388

01:38:41,350 --> 01:38:39,760

carrie fisher was wearing a bath sheet

2389

01:38:42,830 --> 01:38:41,360

and i

2390

01:38:44,629 --> 01:38:42,840

wasn't good

2391

01:38:46,950 --> 01:38:44,639

mama looks she looked amazing it was

2392

01:38:47,990 --> 01:38:46,960

beautiful it was like a donna karen

2393

01:38:50,070 --> 01:38:48,000

piece but

2394

01:38:52,229 --> 01:38:50,080

looking at the hair i was a little girl

2395

01:38:55,189 --> 01:38:52,239

who had to wear double-sided ponytails

2396

01:38:57,189 --> 01:38:55,199

every day and i hated it

2397

01:38:59,830 --> 01:38:57,199

because my grandma would do them so

2398

01:39:01,109 --> 01:38:59,840

tight i would get a migraine but i saw

2399

01:39:03,270 --> 01:39:01,119

princess leia and i was like i'm gonna

2400

01:39:05,510 --> 01:39:03,280

wear those buns you know

2401
01:39:07,990 --> 01:39:05,520
and it was you know this this superhero

2402
01:39:09,590 --> 01:39:08,000
who saved the prince and wasn't really

2403
01:39:10,790 --> 01:39:09,600
keen on getting with him i mean she

2404
01:39:13,350 --> 01:39:10,800
thought he was fascinating but she

2405
01:39:15,030 --> 01:39:13,360
wasn't all like save my father and i'll

2406
01:39:17,030 --> 01:39:15,040
be yours forever i didn't have to deal

2407
01:39:19,669 --> 01:39:17,040
with this damsel crap

2408
01:39:21,750 --> 01:39:19,679
and then to watch that character you

2409
01:39:23,430 --> 01:39:21,760
know they didn't have nearly as many

2410
01:39:24,790 --> 01:39:23,440
female characters as i would have

2411
01:39:26,790 --> 01:39:24,800
enjoyed but

2412
01:39:27,910 --> 01:39:26,800
um to see that character become a

2413
01:39:29,830 --> 01:39:27,920

general

2414

01:39:32,390 --> 01:39:29,840

i mean come on

2415

01:39:34,470 --> 01:39:32,400

i couldn't see because all of the tears

2416

01:39:36,149 --> 01:39:34,480

and the snot it was so

2417

01:39:37,510 --> 01:39:36,159

beautiful

2418

01:39:41,350 --> 01:39:37,520

to see that

2419

01:39:43,270 --> 01:39:41,360

storyline structure allow her to

2420

01:39:46,550 --> 01:39:43,280

manifest power

2421

01:39:48,550 --> 01:39:46,560

to succeed and to be influential because

2422

01:39:50,709 --> 01:39:48,560

she was meant to and having lost

2423

01:39:52,229 --> 01:39:50,719

everyone and everything she knew

2424

01:39:53,669 --> 01:39:52,239

in order to start this quest that she

2425

01:39:56,629 --> 01:39:53,679

didn't know was going to take her on

2426

01:40:00,790 --> 01:39:58,229

i feel like i feel like it's a fair

2427

01:40:02,149 --> 01:40:00,800

assumption to make as a as a male

2428

01:40:05,510 --> 01:40:02,159

um

2429

01:40:07,030 --> 01:40:05,520

for all males that even if even if we

2430

01:40:10,149 --> 01:40:07,040

appreciate

2431

01:40:11,350 --> 01:40:10,159

um the importance of that character

2432

01:40:14,950 --> 01:40:11,360

princess leia

2433

01:40:16,870 --> 01:40:14,960

or or any resp respected female heroine

2434

01:40:19,109 --> 01:40:16,880

or lead character so particularly

2435

01:40:21,189 --> 01:40:19,119

princess leia there's no way there's an

2436

01:40:22,870 --> 01:40:21,199

og man like how many other characters we

2437

01:40:24,310 --> 01:40:22,880

can't for her she's definitely but it

2438

01:40:26,070 --> 01:40:24,320

can never

2439

01:40:27,590 --> 01:40:26,080

right but it could never resonate uh

2440

01:40:29,350 --> 01:40:27,600

with us like it

2441

01:40:31,030 --> 01:40:29,360

could a woman true

2442

01:40:32,310 --> 01:40:31,040

we just could never we could never feel

2443

01:40:34,790 --> 01:40:32,320

it the same way

2444

01:40:37,030 --> 01:40:34,800

it has us

2445

01:40:40,070 --> 01:40:37,040

because she's also

2446

01:40:41,669 --> 01:40:40,080

um a minority in her situation without a

2447

01:40:44,470 --> 01:40:41,679

doubt

2448

01:40:46,950 --> 01:40:44,480

and she's gone ahead and gone up now

2449

01:40:49,430 --> 01:40:46,960

when we talk about podme i do love

2450

01:40:51,669 --> 01:40:49,440

natalie portman but i don't know why she

2451

01:40:54,470 --> 01:40:51,679

turned into a popsicle stick for that

2452

01:40:56,870 --> 01:40:54,480

role i don't know

2453

01:40:58,149 --> 01:40:56,880

it was sometimes direction can go

2454

01:40:59,910 --> 01:40:58,159

totally against what you want a

2455

01:41:02,390 --> 01:40:59,920

character to do and that's difficult and

2456

01:41:08,229 --> 01:41:02,400

i think that's where the problem was so

2457

01:41:12,310 --> 01:41:10,709

the stateliness the egyptian majesty all

2458

01:41:14,709 --> 01:41:12,320

that stuff stealing from every culture

2459

01:41:16,550 --> 01:41:14,719

and making it universal that was just a

2460

01:41:18,790 --> 01:41:16,560

dream come true

2461

01:41:20,149 --> 01:41:18,800

right because this was the only time we

2462

01:41:21,990 --> 01:41:20,159

were going to get to see pretty things

2463

01:41:23,109 --> 01:41:22,000

in this whole series

2464

01:41:25,270 --> 01:41:23,119

right

2465

01:41:26,229 --> 01:41:25,280

after the shit's just like torn jedi

2466

01:41:27,990 --> 01:41:26,239

robes

2467

01:41:30,950 --> 01:41:28,000

let's not talk about the scene where

2468

01:41:33,750 --> 01:41:30,960

haran and it can frolic in the meadow of

2469

01:41:35,109 --> 01:41:33,760

naboo one of the worst scenes in the

2470

01:41:37,109 --> 01:41:35,119

entire

2471

01:41:39,510 --> 01:41:37,119

franchise

2472

01:41:41,669 --> 01:41:39,520

but i digress

2473

01:41:43,109 --> 01:41:41,679

aren't they called that's about her that

2474

01:41:45,030 --> 01:41:43,119

ain't her that ain't her that's not on

2475

01:41:46,550 --> 01:41:45,040

padme that's not unnatally i love you

2476

01:41:49,030 --> 01:41:46,560

girl

2477

01:41:52,070 --> 01:41:49,040

no i i agree with camille though that i

2478

01:41:54,950 --> 01:41:52,080

the character is great but i feel like

2479

01:41:57,430 --> 01:41:54,960

i've seen much better acting from her

2480

01:41:58,790 --> 01:41:57,440

than in the character at padme we are we

2481

01:42:01,189 --> 01:41:58,800

talking natalie appointment we thought

2482

01:42:03,350 --> 01:42:01,199

harry potter yep portman

2483

01:42:05,990 --> 01:42:03,360

yeah i agree like she's a great actress

2484

01:42:08,470 --> 01:42:06,000

but like i she definitely phoned that

2485

01:42:09,750 --> 01:42:08,480

one in she definitely phoned that one in

2486

01:42:11,830 --> 01:42:09,760

star wars

2487

01:42:15,270 --> 01:42:11,840

episode i don't know i think i think i

2488

01:42:18,629 --> 01:42:17,270

like and let's be real like episode one

2489

01:42:20,310 --> 01:42:18,639

like okay

2490

01:42:22,149 --> 01:42:20,320

you know she's there she she really

2491

01:42:26,229 --> 01:42:22,159

pretty much doesn't age from episode one

2492

01:42:28,950 --> 01:42:26,239

and two but anakin definitely ages like

2493

01:42:30,390 --> 01:42:28,960

mama's a cougar padme is a cougar

2494

01:42:32,149 --> 01:42:30,400

they don't want to say that they want to

2495

01:42:36,470 --> 01:42:32,159

say that but it's a true story it's a

2496

01:42:40,629 --> 01:42:38,070

jake

2497

01:42:44,629 --> 01:42:40,639

camille what do you think about that

2498

01:42:49,189 --> 01:42:47,109

i i see it with

2499

01:42:50,950 --> 01:42:49,199

both hayden christensen in that film and

2500

01:42:52,629 --> 01:42:50,960

natalie portman

2501

01:42:54,390 --> 01:42:52,639

uh that they are

2502

01:43:04,470 --> 01:42:54,400

they i can see their instincts i can

2503

01:43:09,350 --> 01:43:07,270

that their instincts as performers they

2504

01:43:12,310 --> 01:43:09,360

even have chemistry that's nice of them

2505

01:43:14,229 --> 01:43:12,320

to have chemistry but it gets kind of

2506

01:43:16,149 --> 01:43:14,239

weird and then all of their scenes have

2507

01:43:18,870 --> 01:43:16,159

kind of this weirdness and i really feel

2508

01:43:21,030 --> 01:43:18,880

like like if it's one actor who's doing

2509

01:43:23,109 --> 01:43:21,040

that that's a problem with a performer

2510

01:43:25,189 --> 01:43:23,119

but if it's more than one actor doing

2511

01:43:27,750 --> 01:43:25,199

that that's a problem with whoever is

2512

01:43:29,270 --> 01:43:27,760

directing the scene i agree

2513

01:43:30,550 --> 01:43:29,280

exactly

2514

01:43:32,709 --> 01:43:30,560

i can't agree with you more and i think

2515

01:43:35,830 --> 01:43:32,719

it comes from originally anakin being

2516

01:43:37,750 --> 01:43:35,840

you know 10 plus years younger than her

2517

01:43:40,310 --> 01:43:37,760

it was it was always kind of weird and

2518

01:43:41,750 --> 01:43:40,320

it never really played and like

2519

01:43:44,629 --> 01:43:41,760

all of a sudden you know in episode two

2520

01:43:46,149 --> 01:43:44,639

he's more her age but like it just never

2521

01:43:47,590 --> 01:43:46,159

really played man it just never really

2522

01:43:48,950 --> 01:43:47,600

played for me

2523

01:43:50,790 --> 01:43:48,960

i don't think it's that weird because

2524

01:43:53,120 --> 01:43:50,800

they're they're not they're not 10 years

2525

01:43:54,950 --> 01:43:53,130

apart they're only five

2526

01:43:56,550 --> 01:43:54,960

[Music]

2527

01:43:58,629 --> 01:43:56,560

agreed to disagree

2528

01:44:00,390 --> 01:43:58,639

i thought seven because you know boys in

2529

01:44:04,830 --> 01:44:00,400

the whole puberty thing it can take a

2530

01:44:11,270 --> 01:44:08,550

uh the uh this this is actually canon

2531

01:44:14,070 --> 01:44:11,280

but it was never said in movies or

2532

01:44:17,189 --> 01:44:14,080

anything like that it took a weird al

2533

01:44:20,070 --> 01:44:17,199

yankovic or yankovich to

2534

01:44:23,430 --> 01:44:20,080

uh bring it out in his uh song about

2535

01:44:25,030 --> 01:44:23,440

episode one when he says um

2536

01:44:27,750 --> 01:44:25,040

great story

2537

01:44:31,270 --> 01:44:27,760

when he's talking about uh anakin and

2538

01:44:32,950 --> 01:44:31,280

padme the lyrics say uh though he's nine

2539

01:44:35,990 --> 01:44:32,960

and she's 14

2540

01:44:38,629 --> 01:44:36,000

but he's going to marry her someday

2541

01:44:40,390 --> 01:44:38,639

so and then i looked it up to back it up

2542

01:44:42,550 --> 01:44:40,400

and to see if george lucas had said

2543

01:44:45,430 --> 01:44:42,560

anything about it yeah he did state that

2544

01:44:48,470 --> 01:44:45,440

he was nine and she was 14 at the scene

2545

01:44:52,310 --> 01:44:48,480

you know weirdo listen weirdo does his

2546

01:44:53,750 --> 01:44:52,320

research weird al does his research he's

2547

01:44:57,750 --> 01:44:53,760

not going to be

2548

01:45:02,390 --> 01:45:00,390

so like yeah you have to wonder how much

2549

01:45:03,910 --> 01:45:02,400

time he spent researching before you

2550

01:45:05,990 --> 01:45:03,920

were born my friend

2551

01:45:07,990 --> 01:45:06,000

we we know weirdo for a while like he's

2552

01:45:10,310 --> 01:45:08,000

been around he's the goat

2553

01:45:13,189 --> 01:45:10,320

he definitely is the cat

2554

01:45:15,910 --> 01:45:13,199

he has hits and he's transcended tan he

2555

01:45:16,790 --> 01:45:15,920

may be a jedi himself dude that would be

2556

01:45:19,510 --> 01:45:16,800

great

2557

01:45:21,189 --> 01:45:19,520

one more thing

2558

01:45:23,750 --> 01:45:21,199

the force awakens

2559

01:45:26,870 --> 01:45:23,760

as a brown person

2560

01:45:28,629 --> 01:45:26,880

i was so happy

2561

01:45:30,790 --> 01:45:28,639

so happy

2562

01:45:33,189 --> 01:45:30,800

because a lot of times people of color

2563

01:45:35,590 --> 01:45:33,199

we have to look to whoever is the

2564

01:45:37,189 --> 01:45:35,600

underdog in a story to find somebody to

2565

01:45:39,430 --> 01:45:37,199

identify with

2566

01:45:42,790 --> 01:45:39,440

and not only did we have a hero to

2567

01:45:44,390 --> 01:45:42,800

identify with but he was badass

2568

01:45:45,350 --> 01:45:44,400

so i just want to say that's awesome

2569

01:45:47,109 --> 01:45:45,360

thank you

2570

01:45:48,709 --> 01:45:47,119

i agree and i think that's really cool

2571

01:45:52,470 --> 01:45:48,719

let me just ask you something about that

2572

01:45:54,070 --> 01:45:52,480

specific topic so i know when the movie

2573

01:45:55,270 --> 01:45:54,080

first came out the original promotional

2574

01:45:56,229 --> 01:45:55,280

material

2575

01:45:57,350 --> 01:45:56,239

said

2576

01:46:00,390 --> 01:45:57,360

that

2577

01:46:02,070 --> 01:46:00,400

finn's father was lindo calrissian like

2578

01:46:03,430 --> 01:46:02,080

you can actually like look it up like

2579

01:46:05,910 --> 01:46:03,440

the original promotional material and

2580

01:46:08,310 --> 01:46:05,920

they've since retconned that and i think

2581

01:46:09,750 --> 01:46:08,320

that's a great idea because the only two

2582

01:46:11,990 --> 01:46:09,760

brothers in the star wars universe you

2583

01:46:14,229 --> 01:46:12,000

know are not related you know and i i

2584

01:46:15,189 --> 01:46:14,239

hope they keep with that i really do

2585

01:46:16,310 --> 01:46:15,199

because

2586

01:46:18,470 --> 01:46:16,320

youtube

2587

01:46:21,590 --> 01:46:18,480

should not be related in any way shape

2588

01:46:22,790 --> 01:46:21,600

or form if they do that i may rescind

2589

01:46:24,709 --> 01:46:22,800

the entire

2590

01:46:26,709 --> 01:46:24,719

franchise i know drew but you are

2591

01:46:29,750 --> 01:46:26,719

overlooking the fact that chewbacca is a

2592

01:46:33,270 --> 01:46:31,750

let me just say this if chewbacca shaved

2593

01:46:34,070 --> 01:46:33,280

it all off would you still think he's

2594

01:46:39,030 --> 01:46:34,080

cute

2595

01:46:42,390 --> 01:46:40,790

do you i think i think a great way to to

2596

01:46:44,229 --> 01:46:42,400

uh i just want to throw this out there

2597

01:46:46,550 --> 01:46:44,239

in the promo segment they they all make

2598

01:46:49,109 --> 01:46:46,560

fun of the the fact that the director of

2599

01:46:51,109 --> 01:46:49,119

last jedi and ryan johnson

2600

01:46:52,870 --> 01:46:51,119

can't do a wookiee noise i think we

2601
01:46:55,350 --> 01:46:52,880
should all do a working noise before we

2602
01:46:58,550 --> 01:46:55,360
say goodbye i don't know about that

2603
01:47:02,550 --> 01:47:00,229
i think i think that's the point i don't

2604
01:47:05,850 --> 01:47:02,560
think anyone can do it

2605
01:47:13,109 --> 01:47:05,860
i'll go first

2606
01:47:16,070 --> 01:47:14,470
all right now you know you're listening

2607
01:47:19,189 --> 01:47:16,080
to paranormal now because things just

2608
01:47:24,390 --> 01:47:19,199
got really weird really fast

2609
01:47:28,629 --> 01:47:26,550
um okay so guys actually i'm glad you

2610
01:47:32,229 --> 01:47:28,639
mentioned that drew because i wanted to

2611
01:47:33,109 --> 01:47:32,239
ask you about rain johnson um

2612
01:47:35,430 --> 01:47:33,119
now

2613
01:47:37,830 --> 01:47:35,440

he directed the film

2614

01:47:39,270 --> 01:47:37,840

um i know that i was slipping my mind

2615

01:47:41,510 --> 01:47:39,280

was it loopers

2616

01:47:44,550 --> 01:47:41,520

right and now he's directing star wars

2617

01:47:46,390 --> 01:47:44,560

oh yeah ryan johnson yeah yeah

2618

01:47:55,030 --> 01:47:46,400

how many got the job homie got the job

2619

01:47:58,629 --> 01:47:56,310

if you watch the if you watch that

2620

01:48:00,790 --> 01:47:58,639

behind the scenes footage you see they

2621

01:48:02,390 --> 01:48:00,800

all respect the director you know thing

2622

01:48:05,189 --> 01:48:02,400

gives them a little a little crap for

2623

01:48:06,790 --> 01:48:05,199

not doing the rookie thing but clearly

2624

01:48:08,870 --> 01:48:06,800

no no no one else volunteered their

2625

01:48:11,430 --> 01:48:08,880

wookie sound so i have a feeling that

2626
01:48:12,950 --> 01:48:11,440
yours were not much better than his like

2627
01:48:15,030 --> 01:48:12,960
i think i think the man's on the right

2628
01:48:17,270 --> 01:48:15,040
track he he continued with practical

2629
01:48:20,870 --> 01:48:17,280
effects just like jj did

2630
01:48:22,550 --> 01:48:20,880
and they they promised a shocking

2631
01:48:24,870 --> 01:48:22,560
yet real

2632
01:48:27,350 --> 01:48:24,880
reveal that's gonna happen carrie fisher

2633
01:48:29,030 --> 01:48:27,360
also says that last jedi is all about

2634
01:48:32,070 --> 01:48:29,040
family that was like the last quote they

2635
01:48:34,149 --> 01:48:32,080
show and that little like you know scene

2636
01:48:36,070 --> 01:48:34,159
that that uh that that behind the scenes

2637
01:48:37,910 --> 01:48:36,080
thing here you that they basically and

2638
01:48:39,590 --> 01:48:37,920

with carrie fisher saying you know it's

2639

01:48:41,030 --> 01:48:39,600

all about family you know this film's

2640

01:48:41,910 --> 01:48:41,040

all about family

2641

01:48:43,510 --> 01:48:41,920

you know

2642

01:48:47,590 --> 01:48:43,520

it's going down it's going down in the

2643

01:48:53,750 --> 01:48:50,229

mac do you have anything to say on that

2644

01:48:57,109 --> 01:48:53,760

yeah i think the the reason star wars

2645

01:48:59,510 --> 01:48:57,119

wasn't just um another pop culture thing

2646

01:49:02,470 --> 01:48:59,520

to me when i was growing up and it's

2647

01:49:04,870 --> 01:49:02,480

resonated with me so long and when he

2648

01:49:07,830 --> 01:49:04,880

was growing up he's still growing up

2649

01:49:09,910 --> 01:49:07,840

let's be honest yeah mac well done well

2650

01:49:12,229 --> 01:49:09,920

done my friend i gotta say i bow down to

2651
01:49:13,430 --> 01:49:12,239
you you've done amazing continue sorry

2652
01:49:16,070 --> 01:49:13,440
but uh

2653
01:49:18,950 --> 01:49:16,080
why while i'm still growing up why i

2654
01:49:21,910 --> 01:49:18,960
love star wars so much and i don't have

2655
01:49:26,149 --> 01:49:21,920
nearly as deep a love for

2656
01:49:28,229 --> 01:49:26,159
uh say captain america or marvel or

2657
01:49:31,350 --> 01:49:28,239
alien versus predator since we're on a

2658
01:49:33,030 --> 01:49:31,360
sci-fi show or ghostbusters that i do

2659
01:49:34,950 --> 01:49:33,040
for star wars

2660
01:49:36,149 --> 01:49:34,960
is because

2661
01:49:38,390 --> 01:49:36,159
first of all

2662
01:49:41,189 --> 01:49:38,400
there's two main reasons the first

2663
01:49:42,870 --> 01:49:41,199

reason is because family there's nothing

2664

01:49:45,830 --> 01:49:42,880

more important to me on this entire

2665

01:49:46,870 --> 01:49:45,840

earth than family and that's what star

2666

01:49:51,510 --> 01:49:46,880

wars

2667

01:49:53,669 --> 01:49:51,520

nucleus of everything that has ever been

2668

01:49:55,669 --> 01:49:53,679

stars and everything every amount of

2669

01:49:56,790 --> 01:49:55,679

content that will ever be produced by

2670

01:49:57,590 --> 01:49:56,800

disney

2671

01:49:59,990 --> 01:49:57,600

um

2672

01:50:02,229 --> 01:50:00,000

or marvel if it's comic books about star

2673

01:50:03,750 --> 01:50:02,239

wars will always be centered around

2674

01:50:07,510 --> 01:50:03,760

family and how

2675

01:50:10,149 --> 01:50:07,520

uh there's the tragedies and the

2676

01:50:13,109 --> 01:50:10,159

um

2677

01:50:15,830 --> 01:50:13,119

connections that uh family weave

2678

01:50:19,030 --> 01:50:15,840

together and how powerful uh

2679

01:50:20,790 --> 01:50:19,040

familial bonds is if i used that word

2680

01:50:22,310 --> 01:50:20,800

correctly um

2681

01:50:23,750 --> 01:50:22,320

you did well done

2682

01:50:26,310 --> 01:50:23,760

but uh

2683

01:50:29,189 --> 01:50:26,320

yeah start that first and foremost and

2684

01:50:31,669 --> 01:50:29,199

then second star wars is so expansive

2685

01:50:32,629 --> 01:50:31,679

there's i can't think of another

2686

01:50:34,870 --> 01:50:32,639

um

2687

01:50:39,109 --> 01:50:34,880

i can't think of another

2688

01:50:41,910 --> 01:50:39,119

series or saga or anything that has as

2689

01:50:44,229 --> 01:50:41,920

powerful following and and so much

2690

01:50:46,070 --> 01:50:44,239

material that i've already stated in the

2691

01:50:48,709 --> 01:50:46,080

show that i don't think i'll ever be

2692

01:50:51,590 --> 01:50:48,719

able to know every single thing

2693

01:50:54,149 --> 01:50:51,600

like it is so expensi it's it's a new

2694

01:50:55,270 --> 01:50:54,159

genre of film it's a new genre of film

2695

01:50:56,950 --> 01:50:55,280

it's crazy

2696

01:50:58,550 --> 01:50:56,960

movies and you have star wars movies now

2697

01:51:01,430 --> 01:50:58,560

that's how that's the world we're living

2698

01:51:02,550 --> 01:51:01,440

now pretty much it's just amazing to me

2699

01:51:03,510 --> 01:51:02,560

like

2700

01:51:42,149 --> 01:51:03,520

i

2701
01:51:45,350 --> 01:51:42,159
to learn about star wars

2702
01:51:47,030 --> 01:51:45,360
okay so i i just sent you guys an image

2703
01:51:48,950 --> 01:51:47,040
um i don't know if you can pull it up

2704
01:51:52,470 --> 01:51:48,960
right now but it's the

2705
01:51:53,750 --> 01:51:52,480
the imdb poster that is posted for the

2706
01:51:55,109 --> 01:51:53,760
last jedi

2707
01:51:57,109 --> 01:51:55,119
if you look at this i like it better

2708
01:51:59,750 --> 01:51:57,119
than the the ones they just released of

2709
01:52:02,390 --> 01:51:59,760
every of all the different characters

2710
01:52:04,709 --> 01:52:02,400
because this is the best character yeah

2711
01:52:06,070 --> 01:52:04,719
it is the best one because all the ones

2712
01:52:07,750 --> 01:52:06,080
with the different you had literally

2713
01:52:09,589 --> 01:52:07,760

like there's one with finn there's one

2714

01:52:11,990 --> 01:52:09,599

of red there's one of leia

2715

01:52:13,589 --> 01:52:12,000

there's one of the handle all that like

2716

01:52:15,589 --> 01:52:13,599

they're all in the red they're wearing a

2717

01:52:16,709 --> 01:52:15,599

red coat like basically their outfit is

2718

01:52:18,629 --> 01:52:16,719

red

2719

01:52:21,430 --> 01:52:18,639

i i didn't like how it looked man

2720

01:52:23,109 --> 01:52:21,440

clearly basically all i got from that is

2721

01:52:25,510 --> 01:52:23,119

something's gonna go down in the last

2722

01:52:27,270 --> 01:52:25,520

jedi something bad's gonna happen and

2723

01:52:28,629 --> 01:52:27,280

they're clearly conveying that i feel

2724

01:52:30,070 --> 01:52:28,639

like it's a little bit over the top

2725

01:52:31,430 --> 01:52:30,080

honestly

2726

01:52:34,149 --> 01:52:31,440

well it kind of reminded me of like a

2727

01:52:35,669 --> 01:52:34,159

netflix ad for daredevil season three

2728

01:52:37,589 --> 01:52:35,679

well this is touching on what we already

2729

01:52:41,109 --> 01:52:37,599

what we already discussed before

2730

01:52:43,589 --> 01:52:41,119

but um lu i mean uh mark hamilton

2731

01:52:46,790 --> 01:52:43,599

said a hamel hamilton not the ice skater

2732

01:52:48,790 --> 01:52:46,800

or camel um

2733

01:52:49,669 --> 01:52:48,800

they're both they're both amazing okay

2734

01:52:51,109 --> 01:52:49,679

anyway

2735

01:52:53,189 --> 01:52:51,119

mark campbell said when he first was

2736

01:52:53,990 --> 01:52:53,199

approached about this new trilogy

2737

01:52:55,430 --> 01:52:54,000

um

2738

01:52:57,910 --> 01:52:55,440

that the storyline that they're going

2739

01:52:59,510 --> 01:52:57,920

with he was completely against until he

2740

01:53:01,030 --> 01:52:59,520

sat down and talked to them about it and

2741

01:53:02,229 --> 01:53:01,040

they convinced him and then he said wow

2742

01:53:05,750 --> 01:53:02,239

this is really

2743

01:53:07,910 --> 01:53:05,760

a powerful and he was convinced to do it

2744

01:53:11,510 --> 01:53:07,920

and then i look at this

2745

01:53:12,470 --> 01:53:11,520

who wait but just look at this poster

2746

01:53:16,310 --> 01:53:12,480

and

2747

01:53:19,589 --> 01:53:16,320

tell me who looks the most angry

2748

01:53:24,709 --> 01:53:22,470

dude i so think it's kylo

2749

01:53:29,669 --> 01:53:24,719

i think i think luke looks so

2750

01:53:33,350 --> 01:53:31,830

both sides i think that's going to play

2751

01:53:34,149 --> 01:53:33,360

i think that that's going to play on the

2752

01:53:36,950 --> 01:53:34,159

day

2753

01:53:40,870 --> 01:53:36,960

when we go to the theaters and you know

2754

01:53:42,870 --> 01:53:40,880

mid-december i don't know i don't think

2755

01:53:45,109 --> 01:53:42,880

that that's anger i think that that

2756

01:53:45,830 --> 01:53:45,119

that's focus and intention do you think

2757

01:53:46,629 --> 01:53:45,840

so

2758

01:53:49,510 --> 01:53:46,639

okay

2759

01:53:51,669 --> 01:53:49,520

this is serious intent but no but now

2760

01:53:53,510 --> 01:53:51,679

he's a very passionate practicer and

2761

01:53:54,790 --> 01:53:53,520

teacher of his beliefs

2762

01:53:59,189 --> 01:53:54,800

right

2763

01:54:01,430 --> 01:53:59,199

it's not going to be like we know that

2764

01:54:04,070 --> 01:54:01,440

kylo ren's a bad guy we know that kylo

2765

01:54:05,990 --> 01:54:04,080

ren's not going to do something bad like

2766

01:54:07,990 --> 01:54:06,000

that that's not going to happen it's

2767

01:54:09,750 --> 01:54:08,000

going to be something more extreme than

2768

01:54:11,830 --> 01:54:09,760

that because they've teased it they've

2769

01:54:13,589 --> 01:54:11,840

teased it so much it's gonna

2770

01:54:15,510 --> 01:54:13,599

that they can't now go back on their

2771

01:54:16,790 --> 01:54:15,520

word and disney's been good about it

2772

01:54:17,750 --> 01:54:16,800

this has been good about keeping their

2773

01:54:19,910 --> 01:54:17,760

word

2774

01:54:21,510 --> 01:54:19,920

well also the symbolism here too i mean

2775

01:54:24,149 --> 01:54:21,520

maybe i'm just reading too much into it

2776

01:54:26,550 --> 01:54:24,159

but you have you have rey right in the

2777

01:54:29,830 --> 01:54:26,560

middle splitting these two in half as if

2778

01:54:34,390 --> 01:54:32,149

she might be

2779

01:54:36,790 --> 01:54:34,400

she very well may be i love that i think

2780

01:54:39,189 --> 01:54:36,800

that's a great way to put it down maybe

2781

01:54:41,669 --> 01:54:39,199

maybe luke has learned quite a bit in

2782

01:54:43,589 --> 01:54:41,679

his research and practice but maybe

2783

01:54:46,149 --> 01:54:43,599

he's going to teach her how to balance

2784

01:54:47,669 --> 01:54:46,159

the dark and the light not himself

2785

01:54:50,950 --> 01:54:47,679

hey hold on a second i just thought that

2786

01:54:52,629 --> 01:54:50,960

this kid just came to me is luke snoke

2787

01:54:54,149 --> 01:54:52,639

is luke's oh

2788

01:54:56,310 --> 01:54:54,159

god i don't know

2789

01:54:58,470 --> 01:54:56,320

oh how is is that going to happen is

2790

01:55:00,229 --> 01:54:58,480

that going to come out i don't know

2791

01:55:01,990 --> 01:55:00,239

hold on that might be the shocking

2792

01:55:03,910 --> 01:55:02,000

reveal i think i just came i think i

2793

01:55:05,910 --> 01:55:03,920

just broke broke it all i think i just

2794

01:55:08,470 --> 01:55:05,920

killed the internet i think i just put

2795

01:55:10,790 --> 01:55:08,480

it out how would he look that way though

2796

01:55:14,390 --> 01:55:10,800

interesting let's listen listen

2797

01:55:16,830 --> 01:55:14,400

luke is the wizard of oz effect exactly

2798

01:55:19,270 --> 01:55:16,840

the last jedi he's the last jedi he can

2799

01:55:21,350 --> 01:55:19,280

definitely stop the business but

2800

01:55:23,910 --> 01:55:21,360

i do want to say if that is correct and

2801
01:55:25,589 --> 01:55:23,920
luke turns out being snoko i do want to

2802
01:55:27,669 --> 01:55:25,599
to give credit to all of you because i

2803
01:55:29,910 --> 01:55:27,679
would not have come to that conclusion

2804
01:55:31,510 --> 01:55:29,920
if it happened thank you

2805
01:55:32,629 --> 01:55:31,520
for the evidence that you presented to

2806
01:55:34,870 --> 01:55:32,639
me today

2807
01:55:37,669 --> 01:55:34,880
in this court of law thank you

2808
01:55:39,830 --> 01:55:37,679
what i like to do the poster is

2809
01:55:43,270 --> 01:55:39,840
it's it's gone back to the original

2810
01:55:47,189 --> 01:55:43,280
image which was so evocative i mean no

2811
01:55:50,390 --> 01:55:47,199
movie poster was that cool and then

2812
01:55:51,510 --> 01:55:50,400
you know the the rebel alliance symbol

2813
01:55:53,750 --> 01:55:51,520

and

2814

01:55:55,830 --> 01:55:53,760

it's just it's a nice image to come back

2815

01:55:57,430 --> 01:55:55,840

to it does have a balance of dark and

2816

01:55:59,109 --> 01:55:57,440

light which was always

2817

01:56:00,870 --> 01:55:59,119

part of the

2818

01:56:04,070 --> 01:56:00,880

metaphor of the show sort of you know

2819

01:56:06,229 --> 01:56:04,080

this whole ying yang through the mythos

2820

01:56:08,550 --> 01:56:06,239

yeah exactly of the dark and the light

2821

01:56:11,109 --> 01:56:08,560

and even if you see at the top

2822

01:56:12,790 --> 01:56:11,119

the the light from the lightsaber is red

2823

01:56:15,109 --> 01:56:12,800

on the bottom it's blue

2824

01:56:17,189 --> 01:56:15,119

there you go

2825

01:56:19,910 --> 01:56:17,199

probably right exactly yep

2826

01:56:22,870 --> 01:56:19,920

so it's not just one color it's it's

2827

01:56:25,189 --> 01:56:22,880

it's it's white light which is probably

2828

01:56:26,470 --> 01:56:25,199

a pure saver they probably went back to

2829

01:56:29,669 --> 01:56:26,480

i'm going to say keratin i know that's

2830

01:56:31,910 --> 01:56:29,679

not it to get new lightsaber stuff

2831

01:56:33,990 --> 01:56:31,920

right yes she's not just dividing

2832

01:56:35,109 --> 01:56:34,000

dividing them but in the balance but the

2833

01:56:37,589 --> 01:56:35,119

balance is in the color of her

2834

01:56:39,669 --> 01:56:37,599

lightsaber too

2835

01:56:41,350 --> 01:56:39,679

and inside the master

2836

01:56:43,510 --> 01:56:41,360

and also remember in the video she

2837

01:56:45,430 --> 01:56:43,520

throws the hood up so generally when the

2838

01:56:48,070 --> 01:56:45,440

jedi throws the hood up you know

2839

01:56:48,950 --> 01:56:48,080

something's gone down

2840

01:56:51,350 --> 01:56:48,960

oh

2841

01:56:52,870 --> 01:56:51,360

okay yeah yeah

2842

01:56:54,790 --> 01:56:52,880

towards the end towards the end of the

2843

01:56:56,470 --> 01:56:54,800

footage you see a shot of rey with the

2844

01:56:58,149 --> 01:56:56,480

hood up and that's the first one we've

2845

01:57:00,229 --> 01:56:58,159

seen with her with the hood up

2846

01:57:03,830 --> 01:57:00,239

something's gone down something's gone

2847

01:57:07,510 --> 01:57:05,109

it's like at work when you need to go

2848

01:57:14,310 --> 01:57:07,520

cry in the bathroom

2849

01:57:18,950 --> 01:57:16,470

when a jedi pulls their hood up it's the

2850

01:57:21,030 --> 01:57:18,960

equivalent of you and i going into the

2851

01:57:22,390 --> 01:57:21,040

bathroom to cry at work

2852

01:57:24,390 --> 01:57:22,400

just need a minute

2853

01:57:26,870 --> 01:57:24,400

all right so guys we have we have um

2854

01:57:28,709 --> 01:57:26,880

just uh a few minutes left of the show

2855

01:57:33,589 --> 01:57:28,719

um so if you guys want to get any major

2856

01:57:38,070 --> 01:57:36,550

iverson i resembled

2857

01:57:38,950 --> 01:57:38,080

well you already did your your chewy

2858

01:57:40,950 --> 01:57:38,960

grout

2859

01:57:42,629 --> 01:57:40,960

uh i definitely and i was the only one

2860

01:57:44,950 --> 01:57:42,639

who did it by the way so clearly it's

2861

01:57:46,950 --> 01:57:44,960

not just ryan johnson then he did so now

2862

01:57:48,629 --> 01:57:46,960

you but now you own that yup three of

2863

01:57:50,830 --> 01:57:48,639

the three of the four three of the four

2864

01:57:54,310 --> 01:57:50,840

did not present the

2865

01:57:57,350 --> 01:57:54,320

wookie verbalization if you will

2866

01:57:59,589 --> 01:57:57,360

hey mac yeah matt go ahead

2867

01:58:01,669 --> 01:57:59,599

uh two questions first question do you

2868

01:58:05,589 --> 01:58:01,679

think there's any way that you could get

2869

01:58:06,790 --> 01:58:05,599

a full star wars show at your studio

2870

01:58:09,189 --> 01:58:06,800

uh what do you mean well this is a

2871

01:58:10,950 --> 01:58:09,199

two-hour show and we're still recording

2872

01:58:11,830 --> 01:58:10,960

so i'm not sure

2873

01:58:14,709 --> 01:58:11,840

uh

2874

01:58:17,589 --> 01:58:14,719

we are today it is what i mean yeah but

2875

01:58:19,830 --> 01:58:17,599

i mean this is i forgot the exact name

2876

01:58:22,310 --> 01:58:19,840

of the show but it's like paranormal

2877

01:58:24,550 --> 01:58:22,320

like it covers everything like it's not

2878

01:58:26,629 --> 01:58:24,560

specifically start like it's like a

2879

01:58:28,550 --> 01:58:26,639

science fiction like paranormal show

2880

01:58:30,709 --> 01:58:28,560

like it covers everything i'm sure i'm

2881

01:58:32,229 --> 01:58:30,719

not on every week obviously but i'm sure

2882

01:58:35,430 --> 01:58:32,239

every week you have a different topic

2883

01:58:41,189 --> 01:58:37,430

like collider has jedi council like

2884

01:58:42,950 --> 01:58:41,199

where they only talk about star wars

2885

01:58:45,750 --> 01:58:42,960

we make like a series out of it at some

2886

01:58:49,270 --> 01:58:45,760

point dude well i mean we're definitely

2887

01:58:50,950 --> 01:58:49,280

that sounds like something

2888

01:58:53,030 --> 01:58:50,960

yeah absolutely that that's a really

2889

01:58:55,350 --> 01:58:53,040

great idea i mean we obviously like i

2890

01:58:57,350 --> 01:58:55,360

said before we're visiting star wars

2891

01:58:59,430 --> 01:58:57,360

we'll be revisiting star wars up until

2892

01:59:01,669 --> 01:58:59,440

and through in the next couple of movies

2893

01:59:02,950 --> 01:59:01,679

um intermittently um but as far as like

2894

01:59:04,550 --> 01:59:02,960

a regular

2895

01:59:07,109 --> 01:59:04,560

program i'm not sure we'll have to let's

2896

01:59:08,070 --> 01:59:07,119

talk about that um later after the show

2897

01:59:10,390 --> 01:59:08,080

um

2898

01:59:12,870 --> 01:59:10,400

so okay so my my

2899

01:59:17,350 --> 01:59:12,880

i want to ask you guys

2900

01:59:20,229 --> 01:59:19,109

seeing prince princess leia because i

2901

01:59:22,390 --> 01:59:20,239

know for me

2902

01:59:23,510 --> 01:59:22,400

i've seen carrie fisher

2903

01:59:24,870 --> 01:59:23,520

you know it's going to be rough i don't

2904

01:59:26,629 --> 01:59:24,880

even no matter what the storyline's

2905

01:59:28,709 --> 01:59:26,639

going to be um

2906

01:59:31,430 --> 01:59:28,719

there's there's no doubt that she's had

2907

01:59:32,709 --> 01:59:31,440

an impact on all of us um

2908

01:59:34,310 --> 01:59:32,719

so camille you touched on that a little

2909

01:59:35,350 --> 01:59:34,320

bit before but you know do you think

2910

01:59:37,270 --> 01:59:35,360

you'll be able to make it through this

2911

01:59:38,629 --> 01:59:37,280

movie without kind of losing it and just

2912

01:59:40,390 --> 01:59:38,639

and focusing on the story make it

2913

01:59:42,229 --> 01:59:40,400

through the last one

2914

01:59:45,109 --> 01:59:42,239

i like when i saw

2915

01:59:47,510 --> 01:59:45,119

um spoiler han i just was like

2916

01:59:50,070 --> 01:59:47,520

it was beautiful you left me this is my

2917

01:59:52,310 --> 01:59:50,080

science fiction fabulous

2918

01:59:54,629 --> 01:59:52,320

like it was ugly and people were looking

2919

01:59:55,910 --> 01:59:54,639

i didn't care because i was in brooklyn

2920

01:59:59,750 --> 01:59:55,920

but anyway

2921

02:00:04,310 --> 02:00:01,990

not just the princess leia thing i mean

2922

02:00:06,390 --> 02:00:04,320

she was she was a performer who was the

2923

02:00:09,510 --> 02:00:06,400

daughter of a performer

2924

02:00:11,270 --> 02:00:09,520

who my family loved and her father was

2925

02:00:12,950 --> 02:00:11,280

somebody that my grandmother bought a

2926

02:00:15,030 --> 02:00:12,960

record of and

2927

02:00:17,109 --> 02:00:15,040

you know i knew about carrie fisher

2928

02:00:19,109 --> 02:00:17,119

before she was in star wars and to see

2929

02:00:21,510 --> 02:00:19,119

her turn around and take that step into

2930

02:00:23,430 --> 02:00:21,520

having her own career was exciting

2931

02:00:26,149 --> 02:00:23,440

but then when she had a problem with

2932

02:00:28,390 --> 02:00:26,159

drugs as a lot of people did in the 80s

2933

02:00:29,510 --> 02:00:28,400

a lot of people had really bad drug

2934

02:00:31,750 --> 02:00:29,520

problems

2935

02:00:34,149 --> 02:00:31,760

she was one of the only people who said

2936

02:00:35,589 --> 02:00:34,159

listen dudes this sucks i got lots of

2937

02:00:37,109 --> 02:00:35,599

mental illness i'm going to tell you

2938

02:00:45,669 --> 02:00:37,119

about it here's a book it's going to

2939

02:00:52,070 --> 02:00:49,270

was like such a seminal point of pop

2940

02:00:54,390 --> 02:00:52,080

culture and the thing

2941

02:00:56,390 --> 02:00:54,400

i loved about her the most was that she

2942

02:00:59,030 --> 02:00:56,400

was a realist about her struggles with

2943

02:01:01,430 --> 02:00:59,040

depression and mental illness and

2944

02:01:03,030 --> 02:01:01,440

electroshock therapy she was a realist

2945

02:01:05,430 --> 02:01:03,040

in a way that you know people who have

2946

02:01:07,350 --> 02:01:05,440

to deal with mental illness specifically

2947

02:01:08,709 --> 02:01:07,360

suicidal symptoms you have to deal with

2948

02:01:10,229 --> 02:01:08,719

the fact that

2949

02:01:12,229 --> 02:01:10,239

every moment that you're awake is a

2950

02:01:14,310 --> 02:01:12,239

precious gift and you have to fight to

2951

02:01:16,070 --> 02:01:14,320

stay alive

2952

02:01:19,270 --> 02:01:16,080

yeah i will say that

2953

02:01:20,629 --> 02:01:19,280

the person behind the entertainer was

2954

02:01:22,709 --> 02:01:20,639

yeah yeah the person behind the

2955

02:01:24,070 --> 02:01:22,719

entertainer was a humanitarian

2956

02:01:27,270 --> 02:01:24,080

and she
