

See You in the Parking Lot

Listen on

inceptionradionetwork.com

1
00:00:10,780 --> 00:00:07,249
there are over 1000 UFO sightings

2
00:00:13,129 --> 00:00:10,790
reported around the world every month

3
00:00:17,599 --> 00:00:13,139
90% of these sightings can be explained

4
00:00:19,370 --> 00:00:17,609
but interesting and not officially and

5
00:00:23,540 --> 00:00:19,380
unofficially the US government has been

6
00:00:25,400 --> 00:00:23,550
investigating UFOs since 1947 new

7
00:00:30,830 --> 00:00:25,410
top-secret goal is to find out what's

8
00:00:33,049 --> 00:00:30,840
behind these unexplained sightings the

9
00:00:35,990 --> 00:00:33,059
Pentagon classifies these as unusual

10
00:00:37,140 --> 00:00:36,000
airborne anomalies but a better term is

11
00:00:41,020 --> 00:00:37,150
X Files

12
00:00:44,690 --> 00:00:41,030
[Music]

13
00:00:48,020 --> 00:00:44,700

join us as Mac Longbourn and Commander

14

00:00:50,029 --> 00:00:48,030

Cobra it's for these unsolved cases UFO

15

00:00:54,110 --> 00:00:50,039

incidents that even baffle the US

16

00:00:56,410 --> 00:00:54,120

military this is mech Melones military

17

00:01:05,299 --> 00:00:56,420

x-files

18

00:01:07,609 --> 00:01:05,309

and now here's Mack Bologna south show

19

00:01:09,950 --> 00:01:07,619

here on the distant Thunder radio

20

00:01:11,840 --> 00:01:09,960

network this is Mack mommy we have a

21

00:01:15,890 --> 00:01:11,850

very extensive for you tonight but first

22

00:01:19,820 --> 00:01:15,900

let me introduce the D Boston 16th week

23

00:01:21,740 --> 00:01:19,830

in a row I think it might be 15 okay

24

00:01:25,219 --> 00:01:21,750

right we skip last week so maybe that's

25

00:01:26,359 --> 00:01:25,229

what it's good at my math anyway but one

26

00:01:29,210 --> 00:01:26,369

is here in person

27

00:01:31,609 --> 00:01:29,220

at least 15 15 years ago it just seems

28

00:01:34,550 --> 00:01:31,619

like there's been so much fun 15 weeks

29

00:01:37,340 --> 00:01:34,560

in a row here in the studio arriving and

30

00:01:40,730 --> 00:01:37,350

that's before y'all that happened he was

31

00:01:44,210 --> 00:01:40,740

absent for a couple months because he in

32

00:01:46,280 --> 00:01:44,220

Cobra written this uh secret mission

33

00:01:49,700 --> 00:01:46,290

secret naam a secret mission it was it

34

00:01:52,340 --> 00:01:49,710

was a bunka env the bucket in the Archie

35

00:01:54,020 --> 00:01:52,350

Bunker that's right and I'm repainting

36

00:01:59,060 --> 00:01:54,030

the Archie Parker are you really yeah

37

00:02:01,069 --> 00:01:59,070

what is it camo and it came out so good

38

00:02:08,690 --> 00:02:01,079

that I crashed right into it cuz I

39

00:02:09,910 --> 00:02:08,700

didn't see it oh really yeah it blended

40

00:02:12,500 --> 00:02:09,920

right in with myself

41

00:02:14,930 --> 00:02:12,510

okay I didn't know what you meant by

42

00:02:26,300 --> 00:02:14,940

camel at first yeah I would have guessed

43

00:02:31,100 --> 00:02:26,310

your truth yeah what are we talking

44

00:02:32,030 --> 00:02:31,110

about okay that's the one on painting is

45

00:02:34,520 --> 00:02:32,040

buggy camo

46

00:02:35,960 --> 00:02:34,530

now have you repainted it I had to put

47

00:02:39,110 --> 00:02:35,970

some white stripes through it so that I

48

00:02:41,930 --> 00:02:39,120

could see it really yeah yeah that's a

49

00:02:43,970 --> 00:02:41,940

little sad but I'm it is anyone one want

50

00:02:46,010 --> 00:02:43,980

to see a 15 weeks in Rouen I used to go

51
00:02:47,840 --> 00:02:46,020
down to an army base in Massachusetts

52
00:02:50,120 --> 00:02:47,850
it's no longer an army base but it's in

53
00:02:51,740 --> 00:02:50,130
here Massachusetts is yes otherwise

54
00:02:53,660 --> 00:02:51,750
known as Fort Devens all right snows in

55
00:02:54,650 --> 00:02:53,670
Fort Devens now it's Park Devin's or

56
00:02:57,560 --> 00:02:54,660
something okay

57
00:03:02,180 --> 00:02:57,570
and my brother-in-law was stationed

58
00:03:05,210 --> 00:03:02,190
there and I would park always beside the

59
00:03:06,980 --> 00:03:05,220
dumpster which were painted camo okay so

60
00:03:09,080 --> 00:03:06,990
I get out of the castle those commies

61
00:03:11,510 --> 00:03:09,090
won't get that trash I'd get out of the

62
00:03:15,470 --> 00:03:11,520
car and then mrs. Warren ones getting FS

63
00:03:18,710 --> 00:03:15,480

and they go boom crash right head to the

64

00:03:22,070 --> 00:03:18,720

deficit damn I didn't think was there I

65

00:03:23,750 --> 00:03:22,080

couldn't see it painted camo I couldn't

66

00:03:24,290 --> 00:03:23,760

see the forest for the dumpsters Yeah

67

00:03:26,720 --> 00:03:24,300

right

68

00:03:30,080 --> 00:03:26,730

why would they do that why would they do

69

00:03:32,180 --> 00:03:30,090

that usually you have discipline

70

00:03:33,770 --> 00:03:32,190

problems and the boys have been sent out

71

00:03:37,520 --> 00:03:33,780

to paint the dumpster right after they

72

00:03:40,640 --> 00:03:37,530

paint the rocks and when you throw the

73

00:03:44,150 --> 00:03:40,650

dumpster you can start on the rungs so 1

74

00:03:48,080 --> 00:03:44,160

1 15 weeks narrow paint in the bunker

75

00:03:49,759 --> 00:03:48,090

okay yeah you got everything because you

76
00:03:51,860 --> 00:03:49,769
know who is Sergeant Pepper thank you

77
00:03:55,610 --> 00:03:51,870
very much okay yep tomorrow it I'm gonna

78
00:03:57,440 --> 00:03:55,620
buy my own copy someone gave me a get an

79
00:03:57,949 --> 00:03:57,450
unauthorized version of the new size of

80
00:04:00,770 --> 00:03:57,959
pepper ammo

81
00:04:02,750 --> 00:04:00,780
I'm gonna buy my own really well it's

82
00:04:04,340 --> 00:04:02,760
all mine steering of the show guy but

83
00:04:08,180 --> 00:04:04,350
sounded good it's not a great yeah

84
00:04:10,490 --> 00:04:08,190
version sock well unauthorized it wasn't

85
00:04:15,710 --> 00:04:10,500
paid for got it do you really have to

86
00:04:19,310 --> 00:04:15,720
give me the what a great straight man

87
00:04:21,180 --> 00:04:19,320
really bringing tears to my eyes all I

88
00:04:24,240 --> 00:04:21,190

can me now like Apple was on my

89

00:04:29,340 --> 00:04:24,250

okay it sounds very good everyone should

90

00:04:33,960 --> 00:04:29,350

go out and buy their own copy but yeah

91

00:04:35,460 --> 00:04:33,970

oh it's your call you know why don't you

92

00:04:38,790 --> 00:04:35,470

being a little too hard on her I didn't

93

00:04:39,300 --> 00:04:38,800

know that's what mrs. cleaver used to

94

00:04:42,960 --> 00:04:39,310

say that

95

00:04:43,850 --> 00:04:42,970

oh come on say it say it so Jeff I'll

96

00:04:46,470 --> 00:04:43,860

have something to do

97

00:04:48,210 --> 00:04:46,480

we're a little bit weird you're too hard

98

00:04:55,160 --> 00:04:48,220

on the beaver last night what's your

99

00:05:00,450 --> 00:04:58,140

anyway chomping at the bit to be

100

00:05:03,600 --> 00:05:00,460

introduced and that's why I was giving

101
00:05:06,330 --> 00:05:03,610
you a hurry sign okay Amanda Cobra is

102
00:05:08,340 --> 00:05:06,340
here in the disclosed location one

103
00:05:09,630 --> 00:05:08,350
studio over from us behind the

104
00:05:11,760 --> 00:05:09,640
bulletproof glass good evening gentlemen

105
00:05:15,570 --> 00:05:11,770
salute Brenda tookies oh that's right

106
00:05:17,700 --> 00:05:15,580
yeah we won one and I had our own

107
00:05:19,350 --> 00:05:17,710
dressing ceremony in the parking lot of

108
00:05:22,380 --> 00:05:19,360
the studios tonight direct a lot of

109
00:05:24,120 --> 00:05:22,390
attention dressing ceremony saluting and

110
00:05:25,710 --> 00:05:24,130
doing our facing maneuvers out there in

111
00:05:30,050 --> 00:05:25,720
the parking lot also to pin those magic

112
00:05:33,630 --> 00:05:32,040
shouldering the shouldering the golf

113
00:05:35,550 --> 00:05:33,640

clubs like there were weapons it was it

114

00:05:36,690 --> 00:05:35,560

was fun wait were we were juvenile

115

00:05:38,190 --> 00:05:36,700

delinquents waiting for you to open up

116

00:05:40,140 --> 00:05:38,200

the city oh yeah you know I appreciate

117

00:05:41,370 --> 00:05:40,150

the golf clubs but don't do that stuff

118

00:05:43,320 --> 00:05:41,380

anymore on the pond come on all right

119

00:05:44,850 --> 00:05:43,330

I'm okay with the key what did Pete say

120

00:05:46,980 --> 00:05:44,860

when last we show that he's beginning

121

00:05:48,510 --> 00:05:46,990

reports of people acting strange oh yeah

122

00:05:52,470 --> 00:05:48,520

you've got your get reports wait till

123

00:05:55,170 --> 00:05:52,480

you get this week's report did you upset

124

00:05:55,380 --> 00:05:55,180

gumdrop zona by any chance huh no okay

125

00:05:58,140 --> 00:05:55,390

good

126

00:05:59,340 --> 00:05:58,150

all right then see all is forgiven the

127

00:06:03,330 --> 00:05:59,350

great if she is out looking at you guys

128

00:06:05,670 --> 00:06:03,340

know anyway - inside so we have an

129

00:06:08,550 --> 00:06:05,680

interesting show tonight because we're

130

00:06:12,480 --> 00:06:08,560

going to be talking to rub back housing

131

00:06:16,920 --> 00:06:12,490

about two of the craziest weapon systems

132

00:06:20,220 --> 00:06:16,930

you can imagine and one of them I think

133

00:06:22,050 --> 00:06:20,230

I have a lawsuit against Isis Isis

134

00:06:25,260 --> 00:06:22,060

actually stole an idea from a book every

135

00:06:26,430 --> 00:06:25,270

one or 12 years ago what about that well

136

00:06:29,760 --> 00:06:26,440

you know that they're really dedicated

137

00:06:32,010 --> 00:06:29,770

bands they - the whole trademark patent

138

00:06:33,650 --> 00:06:32,020

thing they're really really up on that

139

00:06:35,780 --> 00:06:33,660

see that's him laughing at me

140

00:06:37,760 --> 00:06:35,790

you'll see you'll see Cobra and you will

141

00:06:39,290 --> 00:06:37,770

show the evidence in you'll degree I

142

00:06:41,420 --> 00:06:39,300

already know what you're going at night

143

00:06:46,910 --> 00:06:41,430

Mary are you doing okay that you mean

144

00:06:52,940 --> 00:06:46,920

sing happy I was being sarcastic in

145

00:06:55,640 --> 00:06:52,950

cheese of Isis yes yes anyway hand Court

146

00:06:57,410 --> 00:06:55,650

home with the US with the US and the

147

00:07:00,920 --> 00:06:57,420

coalition blowing up their money you

148

00:07:01,850 --> 00:07:00,930

better get in there quick you know also

149

00:07:03,950 --> 00:07:01,860

um

150

00:07:05,720 --> 00:07:03,960

switchblade is going to give us his full

151
00:07:07,700 --> 00:07:05,730
report tonight about this strange

152
00:07:09,590 --> 00:07:07,710
occurrence that happened a few years ago

153
00:07:12,950 --> 00:07:09,600
out in Washington state where people

154
00:07:15,050 --> 00:07:12,960
started seeing a rash of Bigfoot

155
00:07:16,850 --> 00:07:15,060
sightings and also a rash of UFO

156
00:07:18,470 --> 00:07:16,860
sightings and we're always on the

157
00:07:21,050 --> 00:07:18,480
lookout for those but because sometimes

158
00:07:24,260 --> 00:07:21,060
we've talked on the show about how maybe

159
00:07:25,670 --> 00:07:24,270
ghosts and Bigfoot and UFOs and Loch

160
00:07:27,620 --> 00:07:25,680
NESA moments and maybe all this crazy

161
00:07:29,900 --> 00:07:27,630
stuff that people see is all part of the

162
00:07:33,110 --> 00:07:29,910
same thing it's kind of cool so switch

163
00:07:35,180 --> 00:07:33,120

will be joining us now we speak about

164

00:07:38,210 --> 00:07:35,190

lawyers you might not know this one one

165

00:07:40,370 --> 00:07:38,220

but we had a legal agreement between

166

00:07:42,170 --> 00:07:40,380

Cobra and I over the sound effects

167

00:07:44,600 --> 00:07:42,180

machine yes you know were you following

168

00:07:46,490 --> 00:07:44,610

that Cobra is okay with you if I just

169

00:07:49,790 --> 00:07:46,500

read a little bit of the legalese you

170

00:07:54,560 --> 00:07:49,800

got the door turn and then burn my copy

171

00:07:56,600 --> 00:07:54,570

of it as I took my sworn oath basically

172

00:07:58,250 --> 00:07:56,610

legal agreement with Cobra on the sound

173

00:08:00,590 --> 00:07:58,260

effects he has a son that picks machine

174

00:08:02,030 --> 00:08:00,600

I have a son he gave me one and he gave

175

00:08:04,010 --> 00:08:02,040

you but I don't dare bring it in save

176

00:08:05,810 --> 00:08:04,020

you no thank you one Lana I appreciate

177

00:08:09,650 --> 00:08:05,820

that you know my place yeah loyalty will

178

00:08:12,220 --> 00:08:09,660

not go on in this life or the next

179

00:08:14,720 --> 00:08:12,230

all the time yes oh do you really I do

180

00:08:17,930 --> 00:08:14,730

okay numbers show this is one one loves

181

00:08:29,810 --> 00:08:17,940

it I'm always giving myself a rim shot

182

00:08:35,290 --> 00:08:29,820

back to yesterday anyway I thought that

183

00:08:38,089 --> 00:08:35,300

was impossible to do yeah so anyway

184

00:08:40,430 --> 00:08:38,099

Cobras lawyers get ahold of my lawyer

185

00:08:43,339 --> 00:08:40,440

and said okay we're gonna work this out

186

00:08:45,650 --> 00:08:43,349

okay right Cobra obviously has like

187

00:08:46,610 --> 00:08:45,660

ex-military lawyers and my lawyer is the

188

00:08:48,620 --> 00:08:46,620

guy who

189

00:08:51,350 --> 00:08:48,630

you know put the foundation for my house

190

00:08:53,420 --> 00:08:51,360

okay also gets air DUIs now I was gonna

191

00:08:55,610 --> 00:08:53,430

say I get really good madela

192

00:08:56,570 --> 00:08:55,620

she used some ham Thank You Cobra for

193

00:08:59,570 --> 00:08:56,580

jumping on the bed

194

00:09:04,220 --> 00:08:59,580

what kind of cheese mozzarella okay I

195

00:09:05,540 --> 00:09:04,230

said I didn't mixed up some Italian you

196

00:09:10,850 --> 00:09:05,550

are if you don't know how to do it one

197

00:09:12,590 --> 00:09:10,860

one will show you anyway you know we got

198

00:09:14,210 --> 00:09:12,600

to do a show on a segment on that I told

199

00:09:20,600 --> 00:09:14,220

you how it turns out Lois Lane is

200

00:09:25,250 --> 00:09:20,610

actually not Irish no street western

201
00:09:27,260 --> 00:09:25,260
part of Europe right next to nothing no

202
00:09:29,630 --> 00:09:27,270
no no yeah I guess it's nice to Spain

203
00:09:31,730 --> 00:09:29,640
yeah yeah I don't want to quiz you on

204
00:09:33,680 --> 00:09:31,740
the geography Dorchester Yeah right

205
00:09:35,870 --> 00:09:33,690
right next to Spain and bordered by the

206
00:09:38,000 --> 00:09:35,880
Atlantic Ocean yeah I may be wrong it's

207
00:09:40,700 --> 00:09:38,010
the boat the boat shaped country yeah

208
00:09:42,800 --> 00:09:40,710
the Mediterranean for some reason that

209
00:09:44,210 --> 00:09:42,810
she looks like she should be on a poster

210
00:09:45,410 --> 00:09:44,220
for the Irish tourist board doesn't she

211
00:09:46,190 --> 00:09:45,420
doesn't she can't look like yeah

212
00:09:47,690 --> 00:09:46,200
absolutely

213
00:09:49,310 --> 00:09:47,700

and her main name was Kennedy I

214

00:09:50,620 --> 00:09:49,320

shouldn't probably see yeah so you know

215

00:09:54,640 --> 00:09:50,630

we're all kind of fits

216

00:09:57,170 --> 00:09:54,650

turns out long last name is Giovanni Oh

217

00:09:58,490 --> 00:09:57,180

Dante Giovanni was a great-grandfather

218

00:10:00,800 --> 00:09:58,500

Wow

219

00:10:02,329 --> 00:10:00,810

explains the excellent meatballs and

220

00:10:05,000 --> 00:10:02,339

spaghetti and stuff like that you know

221

00:10:06,920 --> 00:10:05,010

really does doesn't explain why the

222

00:10:10,130 --> 00:10:06,930

Colombian cabbage is good on st. Patty's

223

00:10:12,050 --> 00:10:10,140

Day though but yeah could be just a good

224

00:10:14,540 --> 00:10:12,060

cook but that right that's sure what you

225

00:10:16,579 --> 00:10:14,550

know why go for the simple of

226

00:10:18,380 --> 00:10:16,589

explanation I wouldn't be fine Oh racist

227

00:10:20,600 --> 00:10:18,390

I need to have a sample because of my

228

00:10:24,040 --> 00:10:20,610

mother's side the name was Catania from

229

00:10:27,140 --> 00:10:24,050

child stop hmm he was in a minority van

230

00:10:30,980 --> 00:10:27,150

go ahead I know you would think so what

231

00:10:33,019 --> 00:10:30,990

are you one-quarter I am Bob half

232

00:10:34,760 --> 00:10:33,029

Italian half of half Filipino

233

00:10:39,440 --> 00:10:34,770

okay all right that explains a few

234

00:10:40,430 --> 00:10:39,450

things and I'm a dust yeah explain it to

235

00:10:42,620 --> 00:10:40,440

me of any huh

236

00:10:44,660 --> 00:10:42,630

and a tent at the lowest Lane her other

237

00:10:47,840 --> 00:10:44,670

half is German this gentleman you know

238

00:10:49,460 --> 00:10:47,850

yeah so which is good which is good this

239

00:10:49,970 --> 00:10:49,470

is good keeps everything in order you

240

00:10:51,860 --> 00:10:49,980

know what I mean

241

00:10:53,180 --> 00:10:51,870

yep you know and I said to her the other

242

00:10:54,590 --> 00:10:53,190

night just haven't beaten I says you

243

00:10:56,329 --> 00:10:54,600

know this what's good is that you you

244

00:10:58,260 --> 00:10:56,339

know you're half German comes out at the

245

00:11:01,300 --> 00:10:58,270

right time she goes well yeah

246

00:11:03,600 --> 00:11:01,310

[Laughter]

247

00:11:07,870 --> 00:11:03,610

[Music]

248

00:11:09,569 --> 00:11:07,880

anyway so yeah but yeah the legal

249

00:11:12,699 --> 00:11:09,579

document basically says I got to read it

250

00:11:15,280 --> 00:11:12,709

on the air out of the agreement use that

251
00:11:18,069 --> 00:11:15,290
latin term verbatim verbatim ozone that

252
00:11:20,110 --> 00:11:18,079
means ok begins come into Cobra has been

253
00:11:22,150 --> 00:11:20,120
a principal part of the Mac Milani show

254
00:11:25,509 --> 00:11:22,160
blah blah blah blah blah legally stuff

255
00:11:29,910 --> 00:11:25,519
right so he's allowed to do two sound

256
00:11:31,780 --> 00:11:29,920
effects a show okay but they cannot be

257
00:11:36,490 --> 00:11:31,790
Cobras yes

258
00:11:40,060 --> 00:11:36,500
but they cannot be in any way imitate

259
00:11:42,360 --> 00:11:40,070
Mac's signature rimshot bomb sounds

260
00:11:44,500 --> 00:11:42,370
filthy especially rimshot right

261
00:11:46,240 --> 00:11:44,510
incessant it's us it's what are you

262
00:11:47,920 --> 00:11:46,250
trying to say then one its we all the

263
00:11:53,410 --> 00:11:47,930

plate all rim shots all the time

264

00:11:54,970 --> 00:11:53,420

that's right so anyway now this good I

265

00:11:57,759 --> 00:11:54,980

didn't understand the bulletproof glass

266

00:11:59,410 --> 00:11:57,769

but I'm starting a feeling I'm saying is

267

00:12:02,860 --> 00:11:59,420

they're gonna get a certain sense for

268

00:12:05,380 --> 00:12:02,870

right now has a brink over in the same

269

00:12:09,759 --> 00:12:05,390

also I'd like to add that my lawyer is

270

00:12:16,389 --> 00:12:09,769

attempting to allow me to save up my

271

00:12:18,040 --> 00:12:16,399

sound effects what's wrong with the

272

00:12:20,550 --> 00:12:18,050

country today is these friggin lawyers

273

00:12:23,769 --> 00:12:20,560

just you know they never satisfied

274

00:12:28,030 --> 00:12:23,779

Nicole bro choose when he uses them it

275

00:12:32,680 --> 00:12:28,040

said said some voice from me yeah some

276

00:12:36,120 --> 00:12:32,690

like the ghost of JFK actually I just

277

00:12:39,220 --> 00:12:36,130

want to know the terms and conditions

278

00:12:41,590 --> 00:12:39,230

Thank You mr. Nichols and what was the

279

00:12:46,230 --> 00:12:41,600

ghost of JFK's he had a hit a phrase

280

00:12:55,600 --> 00:12:52,810

where are the broad okay just get a

281

00:12:57,130 --> 00:12:55,610

little serious now I was reading this in

282

00:12:58,449 --> 00:12:57,140

the New York Post the other day and it's

283

00:12:59,100 --> 00:12:58,459

really kind of freaky when you think

284

00:13:02,500 --> 00:12:59,110

about it

285

00:13:04,540 --> 00:13:02,510

you know but a year ago they turn the

286

00:13:06,490 --> 00:13:04,550

Hubble telescope out to the Kuiper belt

287

00:13:08,800 --> 00:13:06,500

the type of belt is like an asteroid

288

00:13:10,720 --> 00:13:08,810

belt out near Neptune yeah there's one

289

00:13:11,140 --> 00:13:10,730

Nehemiah's small one and this one is up

290

00:13:14,830 --> 00:13:11,150

in them

291

00:13:19,480 --> 00:13:14,840

where the hell of them and they were

292

00:13:21,790 --> 00:13:19,490

looking for somewhere for as a given one

293

00:13:23,620 --> 00:13:21,800

of those voyagers that just went by you

294

00:13:25,270 --> 00:13:23,630

know I don't want to say Uranus but yeah

295

00:13:27,700 --> 00:13:25,280

I guess it did that's my favorite plan

296

00:13:30,310 --> 00:13:27,710

it makes it here he comes

297

00:13:32,260 --> 00:13:30,320

Wow and then we're looking for a good

298

00:13:34,390 --> 00:13:32,270

place to direct it to so they were

299

00:13:36,010 --> 00:13:34,400

looking at this object in the Kuiper

300

00:13:37,960 --> 00:13:36,020

belt gets into this whole thing which

301
00:13:39,610 --> 00:13:37,970
way the objects in the Kuiper belt the

302
00:13:41,230 --> 00:13:39,620
pointing if they point towards the Sun

303
00:13:42,880 --> 00:13:41,240
that's the way the supposed to yeah

304
00:13:45,490 --> 00:13:42,890
but they found a bunch of metal pointing

305
00:13:47,500 --> 00:13:45,500
in the opposite direction so they said

306
00:13:49,630 --> 00:13:47,510
well there must be something massive out

307
00:13:52,450 --> 00:13:49,640
there like like bigger than a planet

308
00:13:54,790 --> 00:13:52,460
yeah even okay so why don't we kind of

309
00:13:56,200 --> 00:13:54,800
steer this thing towards it so they were

310
00:13:57,460 --> 00:13:56,210
doing that so they went to Rome this

311
00:13:59,290 --> 00:13:57,470
about a year ago I guess it was in the

312
00:14:00,610 --> 00:13:59,300
paper they they're called the Planet X

313
00:14:02,920 --> 00:14:00,620

they thought they had found playing at

314

00:14:06,790 --> 00:14:02,930

Ang's so now they're getting ready to

315

00:14:08,680 --> 00:14:06,800

actually aim this thing they go back out

316

00:14:11,050 --> 00:14:08,690

there with the Hubble and there's two

317

00:14:13,900 --> 00:14:11,060

things on that one of them wasn't there

318

00:14:18,580 --> 00:14:13,910

a year ago Oh sighs little planet Wow

319

00:14:22,090 --> 00:14:18,590

okay what could that be if it wasn't

320

00:14:23,410 --> 00:14:22,100

there a year ago it's not a planet would

321

00:14:24,340 --> 00:14:23,420

be there for millions and millions of

322

00:14:25,690 --> 00:14:24,350

years and they think if they found

323

00:14:27,640 --> 00:14:25,700

playing at X it would have been there

324

00:14:29,290 --> 00:14:27,650

but for one of these another of these

325

00:14:31,540 --> 00:14:29,300

things you can't just kind of show up up

326

00:14:34,390 --> 00:14:31,550

there it reminds me of when we were

327

00:14:36,160 --> 00:14:34,400

split off from something else but for it

328

00:14:37,840 --> 00:14:36,170

to get in Anna no maybe but it's a

329

00:14:40,930 --> 00:14:37,850

pretty big you know chunk of whatever

330

00:14:43,330 --> 00:14:40,940

the size of planet may be even bigger

331

00:14:45,730 --> 00:14:43,340

than the size of size of my thing Wow

332

00:14:47,140 --> 00:14:45,740

and for it to suddenly appear you know

333

00:14:48,430 --> 00:14:47,150

who knows so of course this guy because

334

00:14:50,710 --> 00:14:48,440

there's an e I post said you know some

335

00:14:52,390 --> 00:14:50,720

people are saying they remember the show

336

00:14:54,220 --> 00:14:52,400

we did about a year ago about the people

337

00:14:55,930 --> 00:14:54,230

thought they saw an alien super

338

00:14:57,760 --> 00:14:55,940

structure going around a style way the

339

00:14:58,090 --> 00:14:57,770

hello this call Hercules or something

340

00:15:00,580 --> 00:14:58,100

yeah

341

00:15:02,140 --> 00:15:00,590

same kind of thing people say hey maybe

342

00:15:03,340 --> 00:15:02,150

this is something an alien thing and

343

00:15:06,220 --> 00:15:03,350

here they come

344

00:15:09,370 --> 00:15:06,230

I can't wait yeah I mean come on show

345

00:15:11,170 --> 00:15:09,380

yourself come on yeah so anyway yeah I

346

00:15:13,210 --> 00:15:11,180

found that kind of fascinating so

347

00:15:15,480 --> 00:15:13,220

another thing to worry about in these

348

00:15:17,830 --> 00:15:15,490

things so that's what I needed

349

00:15:19,510 --> 00:15:17,840

yes right that's what we all needed well

350

00:15:20,860 --> 00:15:19,520

listen I'm worried about North Korea now

351

00:15:22,480 --> 00:15:20,870

because we don't talk about that but

352

00:15:24,439 --> 00:15:22,490

there are plenty of ways to forget the

353

00:15:28,489 --> 00:15:24,449

Aman I'd be more worried about the

354

00:15:30,109 --> 00:15:28,499

the camouflage box out frankly that's

355

00:15:31,220 --> 00:15:30,119

just me yeah and that's what I meant how

356

00:15:34,669 --> 00:15:31,230

are you gonna find them

357

00:15:38,359 --> 00:15:34,679

also a shout-out to Agent X who had a 1

358

00:15:41,859 --> 00:15:38,369

under the knife today he's changing

359

00:15:47,859 --> 00:15:41,869

genders no I'm only kidding oh he knows

360

00:15:50,179 --> 00:15:47,869

we did he get a his shoulder scoped

361

00:15:52,999 --> 00:15:50,189

showed the scope yeah plenty of

362

00:15:54,799 --> 00:15:53,009

painkillers and because he's true blue I

363

00:15:56,780 --> 00:15:54,809

mean he's not gonna use them so he said

364

00:16:00,249 --> 00:15:56,790

he bring them in here we could there's a

365

00:16:03,889 --> 00:16:00,259

paid killer was he coming in tonight

366

00:16:07,159 --> 00:16:03,899

already Wow the only way he's recovering

367

00:16:09,769 --> 00:16:07,169

man I think we fund every cent that like

368

00:16:12,379 --> 00:16:09,779

a nurse stripper-gram over him yeah I

369

00:16:13,669 --> 00:16:12,389

think his wife I'm 50/50 and whether his

370

00:16:15,739 --> 00:16:13,679

wife would think would be funny in that

371

00:16:17,030 --> 00:16:15,749

she living you think so I think anybody

372

00:16:20,479 --> 00:16:17,040

married to age and excess to have

373

00:16:21,379 --> 00:16:20,489

acquittal yeah very true you don't know

374

00:16:24,590 --> 00:16:21,389

how true that is

375

00:16:26,059 --> 00:16:24,600

I've seen them in action so maybe all

376

00:16:26,449 --> 00:16:26,069

right we'll tease the stripper-gram who

377

00:16:29,479 --> 00:16:26,459

knows

378

00:16:30,559 --> 00:16:29,489

we can get them as a sponsor yeah so

379

00:16:31,549 --> 00:16:30,569

I'll tell you what why don't we take a

380

00:16:34,340 --> 00:16:31,559

commercial break now

381

00:16:37,099 --> 00:16:34,350

oh right now yep and that why do you

382

00:16:38,659 --> 00:16:37,109

have anything else you find just keep

383

00:16:40,279 --> 00:16:38,669

it's really okay you had a week off

384

00:16:41,239 --> 00:16:40,289

what'd you do over that I was totally

385

00:16:44,569 --> 00:16:41,249

bored out of my mind

386

00:16:48,829 --> 00:16:44,579

really yeah Wow Mac yes back is it

387

00:16:50,629 --> 00:16:48,839

possible for me to surrender my sound

388

00:16:51,710 --> 00:16:50,639

effects to one one during the show we

389

00:16:55,249 --> 00:16:51,720

never really covered that in the

390

00:16:56,389 --> 00:16:55,259

negotiations I'm not at liberty to talk

391

00:16:57,710 --> 00:16:56,399

about that you'll have to all right

392

00:16:59,689 --> 00:16:57,720

we'll take that under advisement so I'll

393

00:17:01,069 --> 00:16:59,699

bring that back why you want him in

394

00:17:03,769 --> 00:17:01,079

control the sound effects is that what

395

00:17:05,659 --> 00:17:03,779

you mean no just you said I have two per

396

00:17:08,299 --> 00:17:05,669

show if I choose not to use them and I

397

00:17:10,399 --> 00:17:08,309

don't want to carry them over I was know

398

00:17:12,110 --> 00:17:10,409

maybe I could loan them give them to one

399

00:17:14,210 --> 00:17:12,120

one but when it when our great

400

00:17:15,949 --> 00:17:14,220

government surrenders the floor to the

401
00:17:17,329 --> 00:17:15,959
gentleman from New Hampshire I don't

402
00:17:18,889 --> 00:17:17,339
know if that agreement is transferable

403
00:17:21,169 --> 00:17:18,899
Kover of course is not that's what I'm

404
00:17:23,269 --> 00:17:21,179
working on one look at the big brain on

405
00:17:26,329 --> 00:17:23,279
you excellent that was just wonderful

406
00:17:27,799 --> 00:17:26,339
once again I see I'm seeing the terms

407
00:17:32,029 --> 00:17:27,809
and conditions it was mutually agreed

408
00:17:34,340 --> 00:17:32,039
right had nothing in there no first well

409
00:17:37,780 --> 00:17:34,350
let's not get into mutuality complex

410
00:17:39,670 --> 00:17:37,790
here because that's a complex statement

411
00:17:40,990 --> 00:17:39,680
yeah we don't want to be complex I get a

412
00:17:43,360 --> 00:17:41,000
feeling this is gonna be another eight

413
00:17:45,430 --> 00:17:43,370

to one one is this another knife in the

414

00:17:47,140 --> 00:17:45,440

bag this is what started before we met

415

00:17:48,460 --> 00:17:47,150

that would dock tomorrow now we have to

416

00:17:51,130 --> 00:17:48,470

meet with arrogance and right

417

00:17:53,860 --> 00:17:51,140

dr. Lyra Clara listen I mean yeah I'll

418

00:17:55,420 --> 00:17:53,870

are whoever I don't only cuz I've

419

00:17:57,040 --> 00:17:55,430

listened to that segment so many times

420

00:17:59,470 --> 00:17:57,050

you called her dr. Laura about nine

421

00:18:02,130 --> 00:17:59,480

times okay but she forgive you they gave

422

00:18:05,320 --> 00:18:02,140

you she did we have to have her back on

423

00:18:10,960 --> 00:18:05,330

maybe a lot of this time maybe she'll be

424

00:18:12,400 --> 00:18:10,970

the one who have to work on it you know

425

00:18:15,280 --> 00:18:12,410

I'm not sure what that means I really

426

00:18:15,850 --> 00:18:15,290

know about them so when we take this rim

427

00:18:19,390 --> 00:18:15,860

shot

428

00:18:23,140 --> 00:18:19,400

any but that one you don't know what it

429

00:18:25,570 --> 00:18:23,150

means okay good that's not even known

430

00:18:27,790 --> 00:18:25,580

she's in California right and I believe

431

00:18:30,490 --> 00:18:27,800

mr. Nicholson through any self-control

432

00:18:33,820 --> 00:18:30,500

just how very special of him you just

433

00:18:35,500 --> 00:18:33,830

whisper that line list we have listeners

434

00:18:37,660 --> 00:18:35,510

in Peoria and they're not going to be

435

00:18:42,100 --> 00:18:37,670

happy with that mr. Nicholson I didn't

436

00:18:45,520 --> 00:18:42,110

hear it and well why don't we take a

437

00:18:48,250 --> 00:18:45,530

commercial break now and we'll be right

438

00:18:49,390 --> 00:18:48,260

back with another fascinating segment so

439

00:18:52,270 --> 00:18:49,400

you're listening to Mike Moniz

440

00:18:54,070 --> 00:18:52,280

military-style show here on the distant

441

00:18:58,080 --> 00:18:54,080

Thunder radio network Cobra have

442

00:19:00,550 --> 00:18:58,090

anything more than in two seconds one No

443

00:19:03,010 --> 00:19:00,560

we'll be right back after words over the

444

00:19:04,750 --> 00:19:03,020

years Air Force Major Hawk Hunter and

445

00:19:06,790 --> 00:19:04,760

his band of patriotic fighter pilots

446

00:19:08,950 --> 00:19:06,800

have fought tirelessly to reunite a

447

00:19:12,520 --> 00:19:08,960

fractured America devastated by a

448

00:19:14,230 --> 00:19:12,530

Russian sneak attack now returning from

449

00:19:16,390 --> 00:19:14,240

a mysterious Space Odyssey

450

00:19:18,850 --> 00:19:16,400

hunter finds a huge Russian army

451
00:19:21,610 --> 00:19:18,860
occupying New York City ready to invade

452
00:19:23,500 --> 00:19:21,620
the rest of America buzzing through the

453
00:19:25,750 --> 00:19:23,510
city's skyscraper canyons in a tiny

454
00:19:27,910 --> 00:19:25,760
top-secret ghost plane and seeing the

455
00:19:29,830 --> 00:19:27,920
invaders massive weaponry for himself

456
00:19:31,780 --> 00:19:29,840
Huck realizes he's up against the

457
00:19:32,550 --> 00:19:31,790
greatest danger its homeland has ever

458
00:19:35,170 --> 00:19:32,560
faced

459
00:19:36,880 --> 00:19:35,180
but equally alarming are reports

460
00:19:38,770 --> 00:19:36,890
claiming that Hawks former girlfriend

461
00:19:41,020 --> 00:19:38,780
Dominique is living with the head of the

462
00:19:43,870 --> 00:19:41,030
Russian secret police in a Manhattan

463
00:19:47,110 --> 00:19:43,880

that is she is prisoner or is she

464

00:19:49,120 --> 00:19:47,120

something else with the woman in the

465

00:19:51,280 --> 00:19:49,130

country he loves in dire peril hawk

466

00:19:53,320 --> 00:19:51,290

hunter a wingman will apply all his

467

00:19:55,750 --> 00:19:53,330

aviation prowess to launch the most

468

00:19:58,810 --> 00:19:55,760

crucial battle for America yet no matter

469

00:20:00,850 --> 00:19:58,820

what the risks filled with fast-paced

470

00:20:03,010 --> 00:20:00,860

action a wide range of aircraft and

471

00:20:04,180 --> 00:20:03,020

military hardware battle for a merit

472

00:20:06,370 --> 00:20:04,190

that brings back your favorite

473

00:20:08,620 --> 00:20:06,380

characters from earlier books in the

474

00:20:11,940 --> 00:20:08,630

wingman series and delivers a riveting

475

00:20:16,150 --> 00:20:11,950

story daddy where do babies come from

476

00:20:19,120 --> 00:20:16,160

well honey mommy went to the store oh

477

00:20:22,810 --> 00:20:19,130

well you see um well there's a mommy and

478

00:20:25,450 --> 00:20:22,820

a daddy right and see when they call

479

00:20:26,200 --> 00:20:25,460

Geico they could save a bunch of money

480

00:20:28,990 --> 00:20:26,210

on car insurance

481

00:20:31,270 --> 00:20:29,000

oh really and that makes them happy yes

482

00:20:33,460 --> 00:20:31,280

that makes them very happy that's good

483

00:20:36,820 --> 00:20:33,470

yeah well I'm glad we could have this

484

00:20:38,380 --> 00:20:36,830

talk sunshine Geico because saving 15%

485

00:20:40,960 --> 00:20:38,390

or more on car insurance is always a

486

00:20:43,860 --> 00:20:40,970

great answer that reveals new insight on

487

00:20:47,260 --> 00:20:43,870

America's most famous hero but wingman

488

00:20:50,290 --> 00:20:47,270

that's wingman 18 the battle for America

489

00:20:51,980 --> 00:20:50,300

on sale now amazon.com and available at

490

00:21:09,210 --> 00:20:51,990

your local bookstore

491

00:21:15,240 --> 00:21:13,110

I am Arnold Schwarzenegger and you are

492

00:21:18,000 --> 00:21:15,250

listening to Mack Maloney's military

493

00:21:24,210 --> 00:21:18,010

x-files show on distant on the Radio

494

00:21:26,970 --> 00:21:24,220

Network show here on the distant Thunder

495

00:21:31,080 --> 00:21:26,980

radio network Minh in the studio with us

496

00:21:32,790 --> 00:21:31,090

tonight 15 weeks in a row 1 1 is here in

497

00:21:35,160 --> 00:21:32,800

person just told us off the air he's

498

00:21:36,900 --> 00:21:35,170

trying to change his look ok that's

499

00:21:38,940 --> 00:21:36,910

right trying on my faceless new hat

500

00:21:41,040 --> 00:21:38,950

might be quite a mountain to climb them

501
00:21:44,490 --> 00:21:41,050
I know but it's got to be Tom Brady type

502
00:21:46,920 --> 00:21:44,500
of stuff of course no ok if if you were

503
00:21:49,470 --> 00:21:46,930
going to do one of your old sanctioned

504
00:21:53,160 --> 00:21:49,480
sound effects I think Tom Brady would be

505
00:21:56,790 --> 00:21:53,170
the trigger could be okay good thank you

506
00:21:58,740 --> 00:21:56,800
very much Tom's the man let the record

507
00:22:00,750 --> 00:21:58,750
show that that was not my rim shot oh

508
00:22:02,340 --> 00:22:00,760
that's right now when I shot every show

509
00:22:04,650 --> 00:22:02,350
has to be digitally you know

510
00:22:09,000 --> 00:22:04,660
investigated to make sure who did the

511
00:22:15,810 --> 00:22:09,010
rim it has to be recorded under

512
00:22:17,670 --> 00:22:15,820
advisement acquired - okay hey listen

513
00:22:21,180 --> 00:22:17,680

you know you're never a big show when

514

00:22:23,010 --> 00:22:21,190

celebrities just pop in on you and one

515

00:22:28,860 --> 00:22:23,020

has just pumped in on us very famous

516

00:22:31,110 --> 00:22:28,870

anthem Mike Sapulpa laughter of the last

517

00:22:34,650 --> 00:22:31,120

launch um that's right the last moment

518

00:22:36,960 --> 00:22:34,660

things everyone s selling book if needed

519

00:22:39,930 --> 00:22:36,970

a gift to my mother for birthday which

520

00:22:42,090 --> 00:22:39,940

he loved she gushed over it she loved it

521

00:22:43,560 --> 00:22:42,100

I'm very happy about that I love hearing

522

00:22:46,380 --> 00:22:43,570

that never gets old it's hard it's hard

523

00:22:49,080 --> 00:22:46,390

to get Cobra's mother as a endorsement

524

00:22:50,400 --> 00:22:49,090

on Amazon but I'm working on her I used

525

00:22:53,700 --> 00:22:50,410

to be a longshoreman there's about four

526

00:22:55,530 --> 00:22:53,710

jokes and then that we're gonna wet lie

527

00:22:57,680 --> 00:22:55,540

because we're talking about Cobras

528

00:23:00,300 --> 00:22:57,690

mother she's an angel

529

00:23:02,840 --> 00:23:00,310

anyway anyone out there who's interested

530

00:23:05,010 --> 00:23:02,850

in what Boston you know gangsters and

531

00:23:06,750 --> 00:23:05,020

politics and so on was like before

532

00:23:09,120 --> 00:23:06,760

whitey bulger way Belcher gets all the

533

00:23:10,710 --> 00:23:09,130

press check out this book because this

534

00:23:13,020 --> 00:23:10,720

is what happened right before that and

535

00:23:15,990 --> 00:23:13,030

the years before way Belgium absolutely

536

00:23:17,550 --> 00:23:16,000

and so it's it's it's cool book it's a

537

00:23:19,830 --> 00:23:17,560

good book and you're still talking to

538

00:23:21,730 --> 00:23:19,840

Gollywood is that the angle yeah we're

539

00:23:23,320 --> 00:23:21,740

still talking to people in LA

540

00:23:25,720 --> 00:23:23,330

some people actually in Boston to now

541

00:23:27,370 --> 00:23:25,730

have reached out to me so maybe I can

542

00:23:28,900 --> 00:23:27,380

pick each other that's cool all right

543

00:23:30,669 --> 00:23:28,910

well you know you've got to invite us to

544

00:23:32,410 --> 00:23:30,679

the premiere absolutely okay and you

545

00:23:34,390 --> 00:23:32,420

might have a Lucas I mean the girls on

546

00:23:38,020 --> 00:23:34,400

the red carpet right you're responsible

547

00:23:40,390 --> 00:23:38,030

for Thalia as the writer yeah the one

548

00:23:41,830 --> 00:23:40,400

responsible for all the goodies so

549

00:23:45,070 --> 00:23:41,840

Mike's a pool that's gonna sit in with

550

00:23:46,450 --> 00:23:45,080

us for a while yeah okay I better get

551
00:23:48,070 --> 00:23:46,460
his autograph now because he's gonna be

552
00:23:49,480 --> 00:23:48,080
famous yes right okay

553
00:23:50,860 --> 00:23:49,490
maybe we'll get the autograph on the

554
00:23:52,930 --> 00:23:50,870
trek down the headquarters after the

555
00:23:56,200 --> 00:23:52,940
show we can you can have his autograph

556
00:24:01,240 --> 00:23:56,210
one there you guys need love to hear

557
00:24:05,169 --> 00:24:01,250
that glad that's on tape so also on the

558
00:24:09,790 --> 00:24:05,179
I also in the studio with us I should

559
00:24:19,290 --> 00:24:09,800
say is one of our favorite yes Phil yeah

560
00:24:24,340 --> 00:24:19,300
but the UFO committee is here Wow yes

561
00:24:34,060 --> 00:24:24,350
without vocals just I got no idea how

562
00:24:35,860 --> 00:24:34,070
you did that there my name is Phil yabba

563
00:24:38,200 --> 00:24:35,870

is not only a comedian but he's an

564

00:24:38,890 --> 00:24:38,210

impressionist as well yeah that's right

565

00:24:40,600 --> 00:24:38,900

that's right

566

00:24:50,950 --> 00:24:40,610

yeah we get a really nice show is that

567

00:24:53,140 --> 00:24:50,960

Ronald Reagan and on the phone with us

568

00:24:53,980 --> 00:24:53,150

from Dallas Texas murder capital of the

569

00:24:57,070 --> 00:24:53,990

planet

570

00:24:59,470 --> 00:24:57,080

I'll say graveyard of beloved presidents

571

00:25:02,350 --> 00:24:59,480

rap back housing from Dallas all the

572

00:25:03,669 --> 00:25:02,360

exes go how you doing again yeah I'm

573

00:25:07,450 --> 00:25:03,679

pretty good yeah okay

574

00:25:10,690 --> 00:25:07,460

anything new like Dallas yeah you know

575

00:25:12,940 --> 00:25:10,700

gunfire wise oh I was gonna say I heard

576

00:25:15,370 --> 00:25:12,950

someone is shopping for a new glasses I

577

00:25:17,710 --> 00:25:15,380

just ordered some mm-hmm and myself and

578

00:25:20,169 --> 00:25:17,720

I know I noticed when I went to go

579

00:25:22,690 --> 00:25:20,179

excite Warren the same specs for years

580

00:25:23,830 --> 00:25:22,700

when I went to go shop you know you look

581

00:25:26,290 --> 00:25:23,840

you're looking at the eyeglasses

582

00:25:28,600 --> 00:25:26,300

and how men's eyeglasses there's all

583

00:25:31,240 --> 00:25:28,610

these big thick black frame glasses and

584

00:25:35,049 --> 00:25:31,250

okay I'm in the style like Holly yeah

585

00:25:38,019 --> 00:25:35,059

well I think of obscure reference but

586

00:25:39,999 --> 00:25:38,029

erich honecker who was the head of East

587

00:25:44,409 --> 00:25:40,009

Germany when the Berlin Wall went down

588

00:25:46,180 --> 00:25:44,419

great diversity when did we ever see

589

00:25:49,779 --> 00:25:46,190

pictures of him he's got this ridiculous

590

00:25:51,879 --> 00:25:49,789

khaki jacket and these giant black frame

591

00:25:53,409 --> 00:25:51,889

spectacles and I always think they're a

592

00:25:55,840 --> 00:25:53,419

chronic ER when I see those glasses well

593

00:25:57,659 --> 00:25:55,850

I don't think they look I mean that's

594

00:26:00,190 --> 00:25:57,669

okay

595

00:26:07,659 --> 00:26:00,200

found it easy now to get used to not

596

00:26:10,359 --> 00:26:07,669

having x-ray glasses x-ray glasses he's

597

00:26:13,659 --> 00:26:10,369

confused that was explained by Cobra on

598

00:26:15,340 --> 00:26:13,669

the rim shot let's um there's another

599

00:26:17,889 --> 00:26:15,350

thing that we saw in the paper today

600

00:26:20,440 --> 00:26:17,899

about Dallas you know that Texas is just

601
00:26:22,659 --> 00:26:20,450
such a screwed up place did you hear

602
00:26:26,019 --> 00:26:22,669
this one one you heard the strident this

603
00:26:30,580 --> 00:26:26,029
guy who's on trial for murder murdering

604
00:26:31,659 --> 00:26:30,590
his sixth wife and the guy he hired to

605
00:26:33,999 --> 00:26:31,669
murder her live it

606
00:26:36,220 --> 00:26:34,009
he murdered five wires no no he's

607
00:26:38,680 --> 00:26:36,230
married six times he married well they

608
00:26:41,289 --> 00:26:38,690
don't know who knows hang on you she

609
00:26:45,609 --> 00:26:41,299
said his six wife he murdered allegedly

610
00:26:48,970 --> 00:26:45,619
Mack Mack rim shot yes right

611
00:26:50,799 --> 00:26:48,980
see we don't know the what one through

612
00:26:52,899 --> 00:26:50,809
five you went through even if they still

613
00:26:55,299 --> 00:26:52,909

breathing who knows okay but wife number

614

00:27:00,159 --> 00:26:55,309

six he murdered and then murdered the

615

00:27:02,230 --> 00:27:00,169

guy he hired to murder her okay so this

616

00:27:04,840 --> 00:27:02,240

guy walks into court and the first thing

617

00:27:07,359 --> 00:27:04,850

he requested the judge is is it okay if

618

00:27:11,230 --> 00:27:07,369

I wear my Tony Romo shirt during the

619

00:27:14,529 --> 00:27:11,240

laughs okay this Tony Romo game okay and

620

00:27:17,080 --> 00:27:14,539

the judge says yes so he is sitting in

621

00:27:17,769 --> 00:27:17,090

trial is there some the TV down there um

622

00:27:21,609 --> 00:27:17,779

it must be

623

00:27:23,529 --> 00:27:21,619

I've actually missed the story down

624

00:27:25,570 --> 00:27:23,539

there and in this case so he's going

625

00:27:26,830 --> 00:27:25,580

through the whole trial within he get

626

00:27:29,019 --> 00:27:26,840

convicted now they're just waiting for

627

00:27:30,940 --> 00:27:29,029

his sentence okay so you don't knowwe

628

00:27:33,580 --> 00:27:30,950

the courtroom was he saying ever since I

629

00:27:35,590 --> 00:27:33,590

was 12 years old or something I've been

630

00:27:37,480 --> 00:27:35,600

a fan of Tony Romo oh yeah that's he

631

00:27:39,549 --> 00:27:37,490

said I grew up watching Tony Romo you

632

00:27:41,259 --> 00:27:39,559

know he's the greatest but obviously

633

00:27:43,470 --> 00:27:41,269

it's a way to sway the jury is how I

634

00:27:46,890 --> 00:27:43,480

took beyond the story yeah

635

00:27:50,250 --> 00:27:46,900

right okay maybe zooming this is an this

636

00:27:53,160 --> 00:27:50,260

is a this is an this is in Dallas yeah

637

00:27:54,750 --> 00:27:53,170

yeah maybe I've missed yes I think it

638

00:27:56,490 --> 00:27:54,760

isn't Dallas yes it has to do with

639

00:28:01,440 --> 00:27:56,500

Dallas that crummy team down there that

640

00:28:04,220 --> 00:28:01,450

was compa okay ray gun robbed about the

641

00:28:06,720 --> 00:28:04,230

Dallas Cowboys and know what's next

642

00:28:08,430 --> 00:28:06,730

we're gonna talk about submarines I know

643

00:28:11,490 --> 00:28:08,440

but but can we talk about who I'm gonna

644

00:28:14,310 --> 00:28:11,500

sue Isis first for stealing the idea

645

00:28:16,710 --> 00:28:14,320

out of what oh this was your idea okay

646

00:28:18,930 --> 00:28:16,720

yes let me just say okay so you're gonna

647

00:28:21,360 --> 00:28:18,940

tell me about how they stole it from you

648

00:28:25,040 --> 00:28:21,370

I'll start out I'll explain what what

649

00:28:27,390 --> 00:28:25,050

they did talk about a legal problem okay

650

00:28:28,890 --> 00:28:27,400

opportunity you never know okay they

651

00:28:30,930 --> 00:28:28,900

also stole a truck from Texas all

652

00:28:32,730 --> 00:28:30,940

mentioned before this they or they they

653

00:28:35,550 --> 00:28:32,740

bought a truck it was a I think it was

654

00:28:37,280 --> 00:28:35,560

an oil company near Galveston and it was

655

00:28:39,810 --> 00:28:37,290

this pickup truck and it wound up in

656

00:28:45,320 --> 00:28:39,820

Iraq with a machine gun bolted in the

657

00:28:47,760 --> 00:28:45,330

bed it was a Toyota but the company's

658

00:28:53,040 --> 00:28:47,770

logo and phone number was on the side

659

00:28:54,450 --> 00:28:53,050

right you never know good promotion had

660

00:28:56,850 --> 00:28:54,460

that really tied down a good promotion

661

00:28:58,110 --> 00:28:56,860

is it away I mean there's like I mean I

662

00:29:00,060 --> 00:28:58,120

don't know if the owner was too happy

663

00:29:01,650 --> 00:29:00,070

about the phone calls he received you

664

00:29:03,720 --> 00:29:01,660

know they realize you soap yourself

665

00:29:07,340 --> 00:29:03,730

eternity gets shipped overseas it binds

666

00:29:10,200 --> 00:29:07,350

up who knows where but anyhow so the

667

00:29:14,880 --> 00:29:10,210

battle for Mosul Iraq's second largest

668

00:29:16,830 --> 00:29:14,890

city is you know that it's almost almost

669

00:29:18,090 --> 00:29:16,840

over I mean it's it's you hear the Iraqi

670

00:29:19,560 --> 00:29:18,100

government say that we you know we've

671

00:29:23,280 --> 00:29:19,570

declared victory but they're still

672

00:29:25,100 --> 00:29:23,290

holdouts and so these are rocky forces

673

00:29:28,440 --> 00:29:25,110

they came across it was an interesting

674

00:29:31,080 --> 00:29:28,450

battlefield contraption yes these two

675

00:29:34,200 --> 00:29:31,090

shipping containers yes oh and they

676

00:29:37,680 --> 00:29:34,210

opened the door inside at the in that

677

00:29:41,280 --> 00:29:37,690

they were far end inside the container

678

00:29:45,170 --> 00:29:41,290

was a they built a they had taken a he

679

00:29:47,790 --> 00:29:45,180

looked like a t-55 this is a Soviet tank

680

00:29:50,040 --> 00:29:47,800

the turret from the tank and they built

681

00:29:52,470 --> 00:29:50,050

it into the rear of the shipping

682

00:29:55,140 --> 00:29:52,480

container with the barrel kind of you

683

00:29:57,390 --> 00:29:55,150

know stretched down the length of the

684

00:30:00,480 --> 00:29:57,400

container so when he'd pop open the

685

00:30:02,490 --> 00:30:00,490

doors they'd fire a boom okay yeah and

686

00:30:03,690 --> 00:30:02,500

it's a camouflage tank gun which I

687

00:30:07,650 --> 00:30:03,700

thought was very interesting I mean it's

688

00:30:11,700 --> 00:30:07,660

not that unusual but what page 9:119

689

00:30:14,130 --> 00:30:11,710

super hawks one published in 2008 okay

690

00:30:16,080 --> 00:30:14,140

you won the ship there there another

691

00:30:17,940 --> 00:30:16,090

come on the cover group on a container

692

00:30:19,650 --> 00:30:17,950

ship and all the containers have their

693

00:30:22,470 --> 00:30:19,660

weapons in them and one of them you open

694

00:30:23,220 --> 00:30:22,480

is a tank damn bah boom now is that just

695

00:30:27,480 --> 00:30:23,230

a coincidence

696

00:30:29,820 --> 00:30:27,490

yeah Thank You Cobra thank you hold you

697

00:30:32,280 --> 00:30:29,830

over and over again you are creating the

698

00:30:35,820 --> 00:30:32,290

playbook for the world we live in when

699

00:30:37,170 --> 00:30:35,830

it comes to know I'm become we've talked

700

00:30:39,420 --> 00:30:37,180

about this before I mean there was on

701

00:30:41,430 --> 00:30:39,430

your latest book there's no mission it

702

00:30:42,690 --> 00:30:41,440

but there's the the aircraft carrier

703

00:30:45,240 --> 00:30:42,700

board you'll see what's what would that

704

00:30:47,220 --> 00:30:45,250

be rubble that your battle for America

705

00:30:48,600 --> 00:30:47,230

until I'm 18 yep

706

00:30:50,550 --> 00:30:48,610

on sale yeah but that's not as

707

00:30:52,080 --> 00:30:50,560

actionable as this you know I mean we're

708

00:30:53,790 --> 00:30:52,090

gonna go to the Hague and fight Isis and

709

00:30:55,140 --> 00:30:53,800

try to win in court what they can't do

710

00:30:59,640 --> 00:30:55,150

on the battlefield one one that's the

711

00:31:01,200 --> 00:30:59,650

plan so that Mac Maloney vs Isis World

712

00:31:05,430 --> 00:31:01,210

Court be there or be square

713

00:31:09,060 --> 00:31:05,440

chapter one so is that idea a copyright

714

00:31:10,470 --> 00:31:09,070

Apple thing or what it was in 2008 are

715

00:31:13,140 --> 00:31:10,480

you saying that the library Congress

716

00:31:14,820 --> 00:31:13,150

number in his book it's not binding

717

00:31:16,770 --> 00:31:14,830

it's lying it's Elektra property and

718

00:31:22,770 --> 00:31:16,780

these it's a steel on it and you know

719

00:31:23,940 --> 00:31:22,780

something has to be done Jack Nicholson

720

00:31:41,180 --> 00:31:23,950

what do you think about this should I

721

00:31:45,690 --> 00:31:43,890

by the way military we talk about

722

00:31:47,850 --> 00:31:45,700

military thrill novels and there was a

723

00:31:49,590 --> 00:31:47,860

well I remember what a point 9/11

724

00:31:50,700 --> 00:31:49,600

happened I was thinking so I'd read a

725

00:31:53,220 --> 00:31:50,710

bunch of Tom Clancy books

726
00:31:54,450 --> 00:31:53,230
yes I thought of those sounds you know

727
00:31:57,030 --> 00:31:54,460
Mike when people really knew was a

728
00:31:59,820 --> 00:31:57,040
terrorist attack I was thinking of was

729
00:32:02,310 --> 00:31:59,830
that book one where they flew it into

730
00:32:07,290 --> 00:32:02,320
the Capitol maybe out yeah some of all

731
00:32:08,760 --> 00:32:07,300
life is the sum of all times and so yeah

732
00:32:10,500 --> 00:32:08,770
I mean there was two of these I mean

733
00:32:11,160 --> 00:32:10,510
they weren't I mean I clearly the idea

734
00:32:14,160 --> 00:32:11,170
behind these

735
00:32:17,370 --> 00:32:14,170
take you know container tank cannons was

736
00:32:19,470 --> 00:32:17,380
to hide them from airstrikes right hide

737
00:32:21,510 --> 00:32:19,480
them from aerial reconnaissance yes

738
00:32:22,950 --> 00:32:21,520

and it apparently worked I mean judging

739

00:32:24,600 --> 00:32:22,960

from the fact that they were captured

740

00:32:26,820 --> 00:32:24,610

intact and not destroyed from the air

741

00:32:29,640 --> 00:32:26,830

this which would have likely been the

742

00:32:31,830 --> 00:32:29,650

fate of any you know exposed t-55 which

743

00:32:35,700 --> 00:32:31,840

the ISIS had captured this back two

744

00:32:39,210 --> 00:32:35,710

dozen of them and it was interesting is

745

00:32:41,220 --> 00:32:39,220

another little kind of Mad Max asked I

746

00:32:42,600 --> 00:32:41,230

think you know I think you've ice he

747

00:32:45,270 --> 00:32:42,610

sounds like he's gonna be testifying for

748

00:32:50,190 --> 00:32:45,280

the defense yeah doesn't exactly seem to

749

00:32:53,280 --> 00:32:50,200

me on my side interject because we were

750

00:32:56,460 --> 00:32:53,290

on a very tight legal stance here okay

751
00:32:59,760 --> 00:32:56,470
we meant to say debt of honor not sum of

752
00:33:03,120 --> 00:32:59,770
all fears honor was the one where the

753
00:33:05,070 --> 00:33:03,130
Japanese pilot takes the jl airplane on

754
00:33:07,590 --> 00:33:05,080
a maintenance run and crashes it into

755
00:33:08,940 --> 00:33:07,600
the sum of all fears was the red one

756
00:33:10,890 --> 00:33:08,950
where they won't have to take the

757
00:33:13,290 --> 00:33:10,900
Israeli bomb bring it in to the United

758
00:33:15,180 --> 00:33:13,300
States and blow it up in Denver oh okay

759
00:33:17,520 --> 00:33:15,190
all right what Denver cuz they went down

760
00:33:19,860 --> 00:33:17,530
the Bronco France they eat a lot of

761
00:33:22,770 --> 00:33:19,870
bacon there and that was a mess three

762
00:33:25,290 --> 00:33:22,780
well get ready Jeff get some red balls

763
00:33:28,680 --> 00:33:25,300

once again they could be audience to

764

00:33:30,150 --> 00:33:28,690

know that I have not used any of my rim

765

00:33:31,590 --> 00:33:30,160

shots tonight okay

766

00:33:32,670 --> 00:33:31,600

that's right well if you're twinning um

767

00:33:34,620 --> 00:33:32,680

late you have no idea what he's talking

768

00:33:37,650 --> 00:33:34,630

about sounds filthy so the Rayleigh's

769

00:33:40,170 --> 00:33:37,660

quarters to use Danny anyway so

770

00:33:41,610 --> 00:33:40,180

yep Rob so we'll probably getting into

771

00:33:43,380 --> 00:33:41,620

this later but basically what we're

772

00:33:44,840 --> 00:33:43,390

saying is that you know Isis those when

773

00:33:47,580 --> 00:33:44,850

I leave fellows have been putting

774

00:33:50,130 --> 00:33:47,590

weaponizing containers and and

775

00:33:52,020 --> 00:33:50,140

containers go on container ships and and

776

00:33:54,330 --> 00:33:52,030

the whole idea behind super hikes number

777

00:33:56,400 --> 00:33:54,340

one published in 2008 is that an

778

00:33:57,990 --> 00:33:56,410

undercover special ops group is on the

779

00:34:00,000 --> 00:33:58,000

container ship in every container has a

780

00:34:00,480 --> 00:34:00,010

different kind of weapon that that's

781

00:34:03,180 --> 00:34:00,490

interesting

782

00:34:05,760 --> 00:34:03,190

okay action yes there was also I should

783

00:34:07,560 --> 00:34:05,770

note that again the idea is an entirely

784

00:34:10,530 --> 00:34:07,570

new there was a Russian company which

785

00:34:13,710 --> 00:34:10,540

makes a the club it's called the K with

786

00:34:15,870 --> 00:34:13,720

a club with a K anti-ship missile nice

787

00:34:18,780 --> 00:34:15,880

which they a couple years ago put out a

788

00:34:20,760 --> 00:34:18,790

video little marketing video you know

789

00:34:23,280 --> 00:34:20,770

suggesting it could be installed inside

790

00:34:24,780 --> 00:34:23,290

a container you know like on a container

791

00:34:26,010 --> 00:34:24,790

ship so you could

792

00:34:28,169 --> 00:34:26,020

almost like the top of the container

793

00:34:30,480 --> 00:34:28,179

pops open and the missile yeah launched

794

00:34:32,610 --> 00:34:30,490

out at the top oh yeah yeah this is the

795

00:34:34,590 --> 00:34:32,620

Russians are very still not paying for

796

00:34:35,850 --> 00:34:34,600

some I mean it's a very GI Joe you know

797

00:34:37,800 --> 00:34:35,860

kind of playset

798

00:34:39,900 --> 00:34:37,810

you know pop-up missile and but the idea

799

00:34:41,970 --> 00:34:39,910

is you could sell it to you know a third

800

00:34:45,200 --> 00:34:41,980

world country you know military that

801
00:34:48,510 --> 00:34:45,210
wants a you know hidden concealable

802
00:34:50,070 --> 00:34:48,520
anti-ship capability yeah and and you

803
00:34:51,390 --> 00:34:50,080
know it's nice we're very realistic I

804
00:34:54,150 --> 00:34:51,400
mean and you know that those types of

805
00:34:55,860 --> 00:34:54,160
weapons are proliferating globally and

806
00:34:58,980 --> 00:34:55,870
you know the US Navy has also been

807
00:35:02,090 --> 00:34:58,990
thinking about ways to use these the

808
00:35:03,600 --> 00:35:02,100
there was a retired Admiral who in

809
00:35:08,040 --> 00:35:03,610
proceedings which is a really

810
00:35:09,720 --> 00:35:08,050
influential naval journal right if you

811
00:35:11,970 --> 00:35:09,730
see now the Hunt for Red October movie

812
00:35:14,190 --> 00:35:11,980
you'll see these four people don't know

813
00:35:15,720 --> 00:35:14,200

proceedings Jack Ryan in his studies got

814

00:35:18,270 --> 00:35:15,730

these you know stacks of these magazines

815

00:35:19,920 --> 00:35:18,280

around it's read by you know people in

816

00:35:21,180 --> 00:35:19,930

the Navy yeah they talk about how they

817

00:35:25,200 --> 00:35:21,190

have a the Navy has a big problem

818

00:35:27,810 --> 00:35:25,210

because our anti-ship missiles can't be

819

00:35:29,790 --> 00:35:27,820

reloaded at sea well you know once you

820

00:35:31,980 --> 00:35:29,800

fire off all the you know harpoon

821

00:35:35,580 --> 00:35:31,990

missiles right on these what are called

822

00:35:38,430 --> 00:35:35,590

VLS vertical launch systems they have to

823

00:35:39,480 --> 00:35:38,440

go back to port which is well that's

824

00:35:43,560 --> 00:35:39,490

going to take it that's going to take

825

00:35:44,700 --> 00:35:43,570

time and if you're gonna be there's a

826

00:35:47,970 --> 00:35:44,710

big problem the Navy's outgunned

827

00:35:52,380 --> 00:35:47,980

essentially by you know rising powers

828

00:35:54,090 --> 00:35:52,390

like China so if you can you not only

829

00:35:57,060 --> 00:35:54,100

ever not only are our missiles not

830

00:35:59,790 --> 00:35:57,070

long-range enough but we can't reload

831

00:36:02,010 --> 00:35:59,800

them and so they're talking about how

832

00:36:04,830 --> 00:36:02,020

what if we take a older ship a container

833

00:36:07,530 --> 00:36:04,840

ship more you know the US the Navy has

834

00:36:09,060 --> 00:36:07,540

them the or even an infamous assault

835

00:36:11,820 --> 00:36:09,070

ship you know these light carriers these

836

00:36:14,280 --> 00:36:11,830

flat tops right and you could fly a

837

00:36:15,930 --> 00:36:14,290

container loaded with missiles on a

838

00:36:16,350 --> 00:36:15,940

heavy-lift helicopter drop it on the

839

00:36:19,140 --> 00:36:16,360

deck

840

00:36:20,820 --> 00:36:19,150

fire it back up you know replace it and

841

00:36:23,940 --> 00:36:20,830

keep it and stay in the fight yeah sure

842

00:36:26,060 --> 00:36:23,950

yeah so you know the future of the the

843

00:36:31,800 --> 00:36:26,070

future of naval warfare might not be

844

00:36:34,830 --> 00:36:31,810

like how we see it today it can be a

845

00:36:35,210 --> 00:36:34,840

little more down on the tether a little

846

00:36:37,640 --> 00:36:35,220

bit

847

00:36:39,020 --> 00:36:37,650

not cheeping but I mean really couldn't

848

00:36:41,300 --> 00:36:39,030

you really when you think about it just

849

00:36:43,070 --> 00:36:41,310

get a container ship put a bunch of

850

00:36:45,170 --> 00:36:43,080

weapons on it like you say in the proofs

851
00:36:46,490 --> 00:36:45,180
of the weapons open up or whatever how

852
00:36:48,320 --> 00:36:46,500
the fronts open up and that's your

853
00:36:50,150 --> 00:36:48,330
that's the defense of the ship and the

854
00:36:51,290 --> 00:36:50,160
roofs open up and that's you anti-ship

855
00:36:53,109 --> 00:36:51,300
missiles or whatever and just you know

856
00:36:56,240 --> 00:36:53,119
put it out there and probably do it for

857
00:36:57,740 --> 00:36:56,250
100 that sounds a lot like the Arsenal

858
00:36:59,420 --> 00:36:57,750
ship that they talked about and then

859
00:37:00,589 --> 00:36:59,430
went away from a number of times where

860
00:37:02,990 --> 00:37:00,599
the ship was just going to be a giant

861
00:37:06,560 --> 00:37:03,000
gunboat there's gonna be a huge gunboat

862
00:37:08,660 --> 00:37:06,570
and your container ship analogy and

863
00:37:10,250 --> 00:37:08,670

metaphor has been used the Brits

864

00:37:12,530 --> 00:37:10,260

actually because they didn't have

865

00:37:15,290 --> 00:37:12,540

aircraft carriers took cargo ships put

866

00:37:17,750 --> 00:37:15,300

Harriers on cargo ships and use the

867

00:37:19,550 --> 00:37:17,760

physical containers to make hangars at

868

00:37:21,740 --> 00:37:19,560

sea and they were launching vertically

869

00:37:23,030 --> 00:37:21,750

and recovering them vertically to do the

870

00:37:24,470 --> 00:37:23,040

strikes when they went to the Falklands

871

00:37:26,300 --> 00:37:24,480

yeah until they had enough ships in the

872

00:37:29,570 --> 00:37:26,310

air and they actually had Stanley Port

873

00:37:32,720 --> 00:37:29,580

Stanley able to take the aircraft okay

874

00:37:35,210 --> 00:37:32,730

well yeah I mean yeah well the idea is

875

00:37:37,130 --> 00:37:35,220

you don't want to focus you don't want

876

00:37:40,430 --> 00:37:37,140

to put too much priority on the hull you

877

00:37:42,050 --> 00:37:40,440

know you could have a pretty simple in

878

00:37:43,339 --> 00:37:42,060

just platforms for firing lots of

879

00:37:45,079 --> 00:37:43,349

missiles in a way it's kind of almost

880

00:37:48,410 --> 00:37:45,089

like a battleship right Chum without the

881

00:37:49,880 --> 00:37:48,420

armor right a lot of guns why don't they

882

00:37:51,349 --> 00:37:49,890

do that why don't they just make I mean

883

00:37:52,670 --> 00:37:51,359

I know the Arsenal ships a different

884

00:37:53,839 --> 00:37:52,680

thing this is what I'm talking about

885

00:37:55,880 --> 00:37:53,849

like something that's really kind of

886

00:37:58,640 --> 00:37:55,890

down and dirty but you know you know

887

00:38:01,040 --> 00:37:58,650

it's still kind of you know viable and

888

00:38:05,150 --> 00:38:01,050

could be used just it doesn't look

889

00:38:08,030 --> 00:38:05,160

pretty you know what that means back we

890

00:38:10,700 --> 00:38:08,040

talked was a year ago when the the Brits

891

00:38:12,170 --> 00:38:10,710

got a cot and they were wearing or they

892

00:38:15,290 --> 00:38:12,180

they disclosed that they were wearing

893

00:38:17,410 --> 00:38:15,300

the the female garb so that the guys

894

00:38:19,670 --> 00:38:17,420

could move around dressed as women

895

00:38:20,960 --> 00:38:19,680

behind the line I have no idea what

896

00:38:22,640 --> 00:38:20,970

you're talking about you know what I'm

897

00:38:24,650 --> 00:38:22,650

talking about me that that King might be

898

00:38:26,240 --> 00:38:24,660

on I'll come up behind the boat roof and

899

00:38:27,740 --> 00:38:26,250

we'll get down in here he knows now

900

00:38:30,410 --> 00:38:27,750

knock it off you know that I'm talking

901
00:38:32,870 --> 00:38:30,420
the SAS there was a disclosure that they

902
00:38:35,740 --> 00:38:32,880
would wear the ha Jeep and they were

903
00:38:38,210 --> 00:38:35,750
moving around freely because of the the

904
00:38:40,099 --> 00:38:38,220
Islamic code of not to interfere with

905
00:38:42,500 --> 00:38:40,109
women yes and they were able to do that

906
00:38:43,940 --> 00:38:42,510
yes if you do this with container ships

907
00:38:46,400 --> 00:38:43,950
and move it around

908
00:38:48,230 --> 00:38:46,410
that's not now potentially means every

909
00:38:48,770 --> 00:38:48,240
ship that's afloat that's got containers

910
00:38:51,350 --> 00:38:48,780
must be

911
00:38:53,450 --> 00:38:51,360
a shooter right it has been wet boil in

912
00:38:55,250 --> 00:38:53,460
an x-ray to know that's the order or you

913
00:38:58,640 --> 00:38:55,260

now have to plan for many more enemies

914

00:39:00,170 --> 00:38:58,650

yes right so what are you saying that

915

00:39:02,480 --> 00:39:00,180

the world is too civilized to go down

916

00:39:04,820 --> 00:39:02,490

that road no I think it's a great idea

917

00:39:07,670 --> 00:39:04,830

and I hopefully somebody you know on our

918

00:39:09,980 --> 00:39:07,680

side there's people thinking about it I

919

00:39:11,750 --> 00:39:09,990

mean there's you know there's that

920

00:39:14,540 --> 00:39:11,760

conceptual work being done but I think a

921

00:39:17,120 --> 00:39:14,550

big problem is you know shipbuilding

922

00:39:22,280 --> 00:39:17,130

takes is planned years decades in

923

00:39:23,840 --> 00:39:22,290

advance and Congress also you know my

924

00:39:29,810 --> 00:39:23,850

favorite people on the planet thanks for

925

00:39:32,450 --> 00:39:29,820

bringing them up Rob swing sound effect

926
00:39:33,830 --> 00:39:32,460
that to play I'm not using you my sound

927
00:39:35,600 --> 00:39:33,840
effects I'm only allowed to you know

928
00:39:37,220 --> 00:39:35,610
come on please tell me what sound

929
00:39:41,810 --> 00:39:37,230
effects to use Rob or we're gonna end up

930
00:39:43,760 --> 00:39:41,820
an unhappy place okay but you know the

931
00:39:46,610 --> 00:39:43,770
idea is that Congress you know they

932
00:39:49,430 --> 00:39:46,620
mandate number of ships types of ships

933
00:39:51,800 --> 00:39:49,440
and you know they they give the Navy

934
00:39:54,680 --> 00:39:51,810
options you know it's like okay we do

935
00:39:57,290 --> 00:39:54,690
plan a plan B Plan C but all for your

936
00:39:59,510 --> 00:39:57,300
parents are constrained try this on how

937
00:40:02,900 --> 00:39:59,520
about Congress you know in between

938
00:40:05,180 --> 00:40:02,910

vacations days off weekends and voting

939

00:40:07,700 --> 00:40:05,190

their own pay raises how about this they

940

00:40:09,500 --> 00:40:07,710

put out a couple letters of marque to

941

00:40:11,390 --> 00:40:09,510

these merchant ships put these weapon

942

00:40:14,750 --> 00:40:11,400

systems on board with a small squad of

943

00:40:15,710 --> 00:40:14,760

sailors and or Marines and now with that

944

00:40:17,420 --> 00:40:15,720

letter of marque

945

00:40:20,090 --> 00:40:17,430

they don't have to worry about all that

946

00:40:22,010 --> 00:40:20,100

and they go forward with it's time for

947

00:40:23,420 --> 00:40:22,020

Optimum's red hot sail get two hundred

948

00:40:25,190 --> 00:40:23,430

Meg internet TV with over two hundred

949

00:40:27,560 --> 00:40:25,200

and sixty channels and unlimited home

950

00:40:29,150 --> 00:40:27,570

phone all for \$69.99 a month for one

951
00:40:31,340 --> 00:40:29,160
year guarantee and for a limited time

952
00:40:33,050 --> 00:40:31,350
HBO and Showtime are included for one

953
00:40:36,410 --> 00:40:33,060
year switch today click for details and

954
00:40:37,610 --> 00:40:36,420
special web only offers what's out I

955
00:40:39,500 --> 00:40:37,620
think it sounds the letter mark is a

956
00:40:41,870 --> 00:40:39,510
legal part we used to use it until we

957
00:40:43,850 --> 00:40:41,880
had a large standing Navy that said to a

958
00:40:45,680 --> 00:40:43,860
privateer which is a privately owned

959
00:40:46,730 --> 00:40:45,690
vessel you will now go out under

960
00:40:48,500 --> 00:40:46,740
commission of the United States

961
00:40:51,050 --> 00:40:48,510
government and engage the enemy

962
00:40:53,660 --> 00:40:51,060
yes okay so are you saying that this is

963
00:40:55,820 --> 00:40:53,670

a good idea for the president huh yes

964

00:40:57,350 --> 00:40:55,830

absolutely if we have all these legal

965

00:40:58,940 --> 00:40:57,360

all of a sudden we have all these legal

966

00:41:00,440 --> 00:40:58,950

constraints that we can't build ships

967

00:41:02,599 --> 00:41:00,450

and all the stuff and Congress has to

968

00:41:04,160 --> 00:41:02,609

weigh in on it we want a 350

969

00:41:06,200 --> 00:41:04,170

chef's Navy I got an easy way to do that

970

00:41:08,059 --> 00:41:06,210

by next week well see yeah I agree

971

00:41:09,140 --> 00:41:08,069

you're like but like you said though

972

00:41:11,569 --> 00:41:09,150

you're gonna happen or uncomfortable

973

00:41:13,069 --> 00:41:11,579

because you and I agree no but then you

974

00:41:15,620 --> 00:41:13,079

would have to search every container

975

00:41:17,930 --> 00:41:15,630

ship that comes in to every point you

976

00:41:20,329 --> 00:41:17,940

know you it would take you years to

977

00:41:21,710 --> 00:41:20,339

you'd be back like four years and every

978

00:41:23,450 --> 00:41:21,720

time I see a container going down the

979

00:41:26,329 --> 00:41:23,460

highway I think what's in that yeah it's

980

00:41:30,499 --> 00:41:26,339

like a jacket in the box but it doesn't

981

00:41:31,940 --> 00:41:30,509

end well you open that container yes yet

982

00:41:33,950 --> 00:41:31,950

the jack-in-the-box right and I should

983

00:41:35,779 --> 00:41:33,960

remind you that on that the mystery at

984

00:41:37,160 --> 00:41:35,789

mystery it when I saw them flying that

985

00:41:39,259 --> 00:41:37,170

drone they're right they were shipping

986

00:41:40,640 --> 00:41:39,269

in one that's the one that's not

987

00:41:43,789 --> 00:41:40,650

connected to the government yeah one

988

00:41:48,019 --> 00:41:43,799

it's not connected to that lab out there

989

00:41:50,089 --> 00:41:48,029

Lincoln labs yeah anyway yes so that was

990

00:41:51,680 --> 00:41:50,099

in a container so maybe this is the wave

991

00:41:53,269 --> 00:41:51,690

of the future you know well I'll say if

992

00:41:54,739 --> 00:41:53,279

we don't then you know the Russians are

993

00:41:56,239 --> 00:41:54,749

already thinking about how to do it

994

00:41:58,970 --> 00:41:56,249

themselves we don't talk about them on

995

00:42:00,829 --> 00:41:58,980

the show and China you know they the

996

00:42:03,279 --> 00:42:00,839

Chinese military I mean they have a

997

00:42:08,569 --> 00:42:03,289

private essentially or it's a

998

00:42:11,900 --> 00:42:08,579

quasi-military paramilitary naval boat

999

00:42:14,329 --> 00:42:11,910

that's out on fishing boats oh yeah with

1000

00:42:17,269 --> 00:42:14,339

with weapons hidden inside you know that

1001
00:42:19,210 --> 00:42:17,279
are going on harassing us ships there's

1002
00:42:21,859 --> 00:42:19,220
all kinds of it you know this

1003
00:42:23,809 --> 00:42:21,869
skulduggery and cloak-and-dagger webs a

1004
00:42:24,910 --> 00:42:23,819
little commie tonight unleash a little

1005
00:42:28,249 --> 00:42:24,920
commie

1006
00:42:31,700 --> 00:42:28,259
skulduggery it's a word you don't hear

1007
00:42:34,130 --> 00:42:31,710
very often Mickelson we got a commie in

1008
00:42:38,299 --> 00:42:34,140
the land ooh well we're gonna take him

1009
00:42:41,859 --> 00:42:38,309
out back have a convo that's why we

1010
00:42:46,549 --> 00:42:41,869
watch on that wall mr. Mickelson we need

1011
00:42:49,579 --> 00:42:46,559
we live in a world that has walls in so

1012
00:42:51,620 --> 00:42:49,589
Rob moving on another interesting story

1013
00:42:53,559 --> 00:42:51,630

and why was boring Robert work so why

1014

00:42:55,880 --> 00:42:53,569

was boring Juarez boring dot-com best

1015

00:42:57,170 --> 00:42:55,890

military writing on the internet they

1016

00:43:00,499 --> 00:42:57,180

didn't do a story about us sometime

1017

00:43:01,999 --> 00:43:00,509

won't you know man for us yeah about how

1018

00:43:04,539 --> 00:43:02,009

we've had him on for three years all

1019

00:43:10,680 --> 00:43:07,039

the US Navy okay that you don't sound

1020

00:43:12,780 --> 00:43:10,690

bitter Rob is a good get you know

1021

00:43:14,880 --> 00:43:12,790

great channel not everybody know what

1022

00:43:17,160 --> 00:43:14,890

Jesus said one hand washes the other

1023

00:43:19,770 --> 00:43:17,170

that's right that was clutches pilot oh

1024

00:43:21,300 --> 00:43:19,780

don't worry about it okay alright you

1025

00:43:22,800 --> 00:43:21,310

can drive a thousand six degrees of

1026

00:43:25,530 --> 00:43:22,810

separation

1027

00:43:27,650 --> 00:43:25,540

can you do one what did Jesus sound like

1028

00:43:33,920 --> 00:43:27,660

I know is what he sounded like

1029

00:43:40,020 --> 00:43:36,540

come on Jesus he's speaking dead please

1030

00:43:48,410 --> 00:43:40,030

Jesus to genuine I wanted an air mail

1031

00:43:52,920 --> 00:43:51,660

so rub iPad this story there was and

1032

00:43:54,990 --> 00:43:52,930

then why was boring the other day about

1033

00:43:58,170 --> 00:43:55,000

to have the US Navy this is a cool story

1034

00:43:59,700 --> 00:43:58,180

used to drop little tiny magnets on top

1035

00:44:02,580 --> 00:43:59,710

of fresh and submarines to help track

1036

00:44:04,380 --> 00:44:02,590

them right uh yeah well for a little

1037

00:44:05,670 --> 00:44:04,390

while it didn't work all that well but

1038

00:44:09,840 --> 00:44:05,680

it was interesting

1039

00:44:13,280 --> 00:44:09,850

technologically so the we have to go

1040

00:44:16,770 --> 00:44:13,290

back to the 1960s where at the time the

1041

00:44:17,910 --> 00:44:16,780

Soviet Union had the largest submarine

1042

00:44:21,570 --> 00:44:17,920

force in the world

1043

00:44:23,670 --> 00:44:21,580

it was around 300 300 diesel electric

1044

00:44:28,290 --> 00:44:23,680

boats okay and there are also some

1045

00:44:29,370 --> 00:44:28,300

nuclear propelled models so you know

1046

00:44:30,510 --> 00:44:29,380

there was a lot of interesting ideas

1047

00:44:32,880 --> 00:44:30,520

I've had to deal with that I mean

1048

00:44:39,530 --> 00:44:32,890

because you know a submarines greatest

1049

00:44:42,870 --> 00:44:39,540

asset is its is it's how quiet it is and

1050

00:44:44,849 --> 00:44:42,880

you know it stealth and especially at

1051

00:44:46,590 --> 00:44:44,859

the time when some you know you the u.s.

1052

00:44:49,820 --> 00:44:46,600

was worried about Soviet submarines

1053

00:44:53,970 --> 00:44:49,830

creeping up onto American Coast lines is

1054

00:44:56,070 --> 00:44:53,980

finding ways to make them noisier became

1055

00:45:00,720 --> 00:44:56,080

a priority so the idea was youth this

1056

00:45:04,140 --> 00:45:00,730

Canadian scientists developed a guess it

1057

00:45:07,320 --> 00:45:04,150

called a sticky undersea noisemaker

1058

00:45:11,400 --> 00:45:07,330

magnet as a craze of the night sticky

1059

00:45:13,320 --> 00:45:11,410

and see noisy magnet yeah a little

1060

00:45:16,830 --> 00:45:13,330

redundant sticky magnet you know but

1061

00:45:18,660 --> 00:45:16,840

yeah good name for a band on one good

1062

00:45:19,430 --> 00:45:18,670

name for being the slightly man movie

1063

00:45:22,970 --> 00:45:19,440

here

1064

00:45:25,430 --> 00:45:22,980

boss who is that who just jumped in

1065

00:45:27,410 --> 00:45:25,440

there was that Jackman's no just me okay

1066

00:45:28,910 --> 00:45:27,420

just film okay

1067

00:45:30,920 --> 00:45:28,920

undersea magnet that sounds like a

1068

00:45:32,870 --> 00:45:30,930

letter like an album name first no and

1069

00:45:35,990 --> 00:45:32,880

this alignment what did the magnets do

1070

00:45:37,730 --> 00:45:36,000

they created a a rougher edge for the

1071

00:45:39,049 --> 00:45:37,740

water to flow over the submarine so that

1072

00:45:41,750 --> 00:45:39,059

makes more ripples in the water or

1073

00:45:43,220 --> 00:45:41,760

something they would drop firt well

1074

00:45:45,650 --> 00:45:43,230

first of all they would you know if you

1075

00:45:49,029 --> 00:45:45,660

would detected the submarine you would

1076

00:45:51,470 --> 00:45:49,039

fly oh you could fly over the area in a

1077

00:45:54,770 --> 00:45:51,480

patrol plane drop the magnets into the

1078

00:45:57,200 --> 00:45:54,780

water and they would attach themselves

1079

00:45:59,150 --> 00:45:57,210

to the hull of the submarine and then

1080

00:46:05,299 --> 00:45:59,160

also but also bang up and down against

1081

00:46:06,470 --> 00:46:05,309

the hull one one is an expert and a SW

1082

00:46:07,130 --> 00:46:06,480

right that's right anti-submarine

1083

00:46:08,900 --> 00:46:07,140

warfare

1084

00:46:10,970 --> 00:46:08,910

all right so doesn't make sense to me to

1085

00:46:13,400 --> 00:46:10,980

lose screen doors right that's banging

1086

00:46:15,920 --> 00:46:13,410

in the wind right and the idea was is

1087

00:46:18,140 --> 00:46:15,930

that you could just yeah impair their

1088

00:46:21,109 --> 00:46:18,150

undersea activities there's an interest

1089

00:46:28,010 --> 00:46:21,119

story actually about why they weren't

1090

00:46:31,420 --> 00:46:28,020

used very long okay and so in 1962 the I

1091

00:46:33,589 --> 00:46:31,430

should note this is a not an American

1092

00:46:35,120 --> 00:46:33,599

idea though the US Navy work with them

1093

00:46:38,420 --> 00:46:35,130

okay

1094

00:46:42,140 --> 00:46:38,430

the British Navy sent a submarine called

1095

00:46:44,269 --> 00:46:42,150

the HMS Auriga mmm to Nova Scotia and

1096

00:46:45,170 --> 00:46:44,279

they were going to train with this thing

1097

00:46:48,260 --> 00:46:45,180

mm-hmm

1098

00:46:50,599 --> 00:46:48,270

they dropped the magnets and it worked

1099

00:46:52,579 --> 00:46:50,609

they you know clang but you know tasks

1100

00:46:54,589 --> 00:46:52,589

themselves with the whole claying made a

1101

00:46:56,539 --> 00:46:54,599

lot of noise sooner operators now you

1102

00:46:59,089 --> 00:46:56,549

could hear it loud and clear but toward

1103

00:47:01,900 --> 00:46:59,099

the end of the exercise the magnets kind

1104

00:47:05,269 --> 00:47:01,910

of made their they made their way into

1105

00:47:07,849 --> 00:47:05,279

these holes and slots that are on the

1106

00:47:10,730 --> 00:47:07,859

subs outer hull yes that are designed to

1107

00:47:14,599 --> 00:47:10,740

let water flow okay so like the top of

1108

00:47:17,839 --> 00:47:14,609

the ballast tanks and you just nooks and

1109

00:47:20,089 --> 00:47:17,849

crannies yes that are very hard to room

1110

00:47:22,579 --> 00:47:20,099

it was very hard to remove them and so

1111

00:47:25,880 --> 00:47:22,589

now and they can't be removed at sea

1112

00:47:33,019 --> 00:47:25,890

okay so this submarine was now

1113

00:47:37,689 --> 00:47:35,390

impossible to train with and really

1114

00:47:41,120 --> 00:47:37,699

expensive to remove and time-consuming

1115

00:47:43,699 --> 00:47:41,130

then when they just dumped blank a

1116

00:47:50,269 --> 00:47:43,709

Russian submarine with them they did for

1117

00:47:54,199 --> 00:47:50,279

they did on a few times but but they

1118

00:47:58,099 --> 00:47:54,209

were never never considered to be

1119

00:48:00,439 --> 00:47:58,109

practical on a large scale so that as

1120

00:48:01,759 --> 00:48:00,449

far as we know let me ask you a question

1121

00:48:02,749 --> 00:48:01,769

do you think that the reason they didn't

1122

00:48:03,949 --> 00:48:02,759

do it is there's some kind of a

1123

00:48:06,679 --> 00:48:03,959

gentlemen's agreement

1124

00:48:08,299 --> 00:48:06,689

let's see some things you don't do that

1125

00:48:15,109 --> 00:48:08,309

might be one of them ruin our subs with

1126

00:48:17,799 --> 00:48:15,119

little magnets no okay I was waiting for

1127

00:48:19,939 --> 00:48:17,809

10 minutes on that and he's very succeed

1128

00:48:21,199 --> 00:48:19,949

so well I don't know it sounds like a

1129

00:48:23,509 --> 00:48:21,209

cool idea I know that the way that

1130

00:48:26,509 --> 00:48:23,519

nuclear subs are like the way that US

1131

00:48:28,640 --> 00:48:26,519

nuclear subs a bill maybe wash it has

1132

00:48:30,289 --> 00:48:28,650

like a little puppy thing in it you know

1133

00:48:33,499 --> 00:48:30,299

even wash it every screw has like a

1134

00:48:34,159 --> 00:48:33,509

rubber washer yeah everyone has to wear

1135

00:48:36,229 --> 00:48:34,169

sneakers

1136

00:48:38,809 --> 00:48:36,239

you know everyone everything every

1137

00:48:40,789 --> 00:48:38,819

little - right noise that is made but

1138

00:48:43,249 --> 00:48:40,799

everything about the sound signature

1139

00:48:44,809 --> 00:48:43,259

that's produced from the submarine so if

1140

00:48:46,549 --> 00:48:44,819

you could somehow have like a little

1141

00:48:51,739 --> 00:48:46,559

screen door rattling on a submarine I

1142

00:48:53,809 --> 00:48:51,749

could see it would help you but I would

1143

00:48:55,549 --> 00:48:53,819

note that as we write we write and

1144

00:48:57,529 --> 00:48:55,559

report on military issues that

1145

00:48:59,779 --> 00:48:57,539

submarines are one of the hardest things

1146

00:49:02,959 --> 00:48:59,789

to write about because it's so secretive

1147

00:49:05,599 --> 00:49:02,969

and you know there's very you know

1148

00:49:08,269 --> 00:49:05,609

that's sighted the silent service mm-hmm

1149

00:49:09,829 --> 00:49:08,279

right and so you know you get glimpses

1150

00:49:11,630 --> 00:49:09,839

here and there but there's no telling

1151

00:49:13,880 --> 00:49:11,640

you know like what's out there right

1152

00:49:17,899 --> 00:49:13,890

yeah different kinds of technologies

1153

00:49:19,939 --> 00:49:17,909

that are being employed today we have no

1154

00:49:22,189 --> 00:49:19,949

idea but you said that the Russians had

1155

00:49:24,589 --> 00:49:22,199

the most subs right but I mean it

1156

00:49:27,019 --> 00:49:24,599

seriously it was in the 60s right no my

1157

00:49:30,109 --> 00:49:27,029

mom would just rap crap right exactly

1158

00:49:32,419 --> 00:49:30,119

I mean oh can I bring up very quickly a

1159

00:49:35,329 --> 00:49:32,429

movie plug that is well worth anybody

1160

00:49:37,370 --> 00:49:35,339

interested in a okay it's actually at

1161

00:49:39,349 --> 00:49:37,380

almost a conspiratorial level it's

1162

00:49:43,239 --> 00:49:39,359

called the movies called The Phantom the

1163

00:49:47,540 --> 00:49:43,249

Phantom's got ed Harris David Duchovny

1164

00:49:49,760 --> 00:49:47,550

there's a secret drive that there

1165

00:49:51,980 --> 00:49:49,770

working in there this is mr. Duchovny in

1166

00:49:53,240 --> 00:49:51,990

the room is that Harris in the room did

1167

00:49:56,050 --> 00:49:53,250

we able to bring them out tonight no

1168

00:49:58,520 --> 00:49:56,060

okay they were busy checking the bomb

1169

00:50:00,620 --> 00:49:58,530

it's an excellent movie because it's

1170

00:50:02,150 --> 00:50:00,630

it's it's fictionalized but it's based

1171

00:50:05,030 --> 00:50:02,160

on what they believe are some actual

1172

00:50:07,150 --> 00:50:05,040

events and it appears that the Russians

1173

00:50:11,840 --> 00:50:07,160

were very close in the mid-60s

1174

00:50:15,920 --> 00:50:11,850

then Soviets feeling a drive system that

1175

00:50:17,900 --> 00:50:15,930

mimicked the sounds of other ships that

1176
00:50:19,940 --> 00:50:17,910
had heard so that when the American

1177
00:50:22,720 --> 00:50:19,950
fleet would approach it sub or surface

1178
00:50:25,550 --> 00:50:22,730
ship mm-hmm it would emanate a sound

1179
00:50:26,780 --> 00:50:25,560
that matched and you would go past it

1180
00:50:29,300 --> 00:50:26,790
and say okay that's one of our like a

1181
00:50:33,080 --> 00:50:29,310
mocking girl of my maken right a

1182
00:50:34,940 --> 00:50:33,090
submarine impersonator yeah Wow that's

1183
00:50:36,710 --> 00:50:34,950
interested some kind of a sorry they

1184
00:50:39,800 --> 00:50:36,720
seem they could mimic the signature for

1185
00:50:41,270 --> 00:50:39,810
American or NATO sudden boom they're

1186
00:50:43,580 --> 00:50:41,280
really interesting movie to watch yeah

1187
00:50:45,470 --> 00:50:43,590
really is that based on fact of the

1188
00:50:48,020 --> 00:50:45,480

Russians actually true it is based on

1189

00:50:50,450 --> 00:50:48,030

fact and I don't know how far the movie

1190

00:50:52,070 --> 00:50:50,460

bears from what fact part of it is it's

1191

00:50:55,700 --> 00:50:52,080

called the Phantom and it's excellent

1192

00:50:58,460 --> 00:50:55,710

I believe Sean Connery like that movie

1193

00:51:02,890 --> 00:50:58,470

hmm yeah shy actually I thought it was a

1194

00:51:12,080 --> 00:51:07,340

no way no way you know trying to be

1195

00:51:15,110 --> 00:51:12,090

humble Chinese anyway nothing boxy yeah

1196

00:51:17,030 --> 00:51:15,120

have a Moxie so proud no no I mean so

1197

00:51:18,380 --> 00:51:17,040

well yeah well what's the state of that

1198

00:51:20,540 --> 00:51:18,390

no I'm not even gonna get that but

1199

00:51:22,130 --> 00:51:20,550

obviously the Russia the US Navy is the

1200

00:51:25,340 --> 00:51:22,140

strongest Navy in the world right now

1201

00:51:27,650 --> 00:51:25,350

they rob yes no yes okay in that the

1202

00:51:31,580 --> 00:51:27,660

next 11 navies stronger you don't go

1203

00:51:32,120 --> 00:51:31,590

down list our allies yes that's a good

1204

00:51:33,620 --> 00:51:32,130

question

1205

00:51:36,260 --> 00:51:33,630

you're gonna put me on the spot okay

1206

00:51:38,690 --> 00:51:36,270

China is catching up okay all right

1207

00:51:40,730 --> 00:51:38,700

Russia is still you know they've still

1208

00:51:42,170 --> 00:51:40,740

got you know fairly sizable threatening

1209

00:51:45,650 --> 00:51:42,180

summary Navy I mean of course much

1210

00:51:47,690 --> 00:51:45,660

reduced from they still building new

1211

00:51:49,190 --> 00:51:47,700

subs that are okay but but what how

1212

00:51:51,500 --> 00:51:49,200

about I mean just the state of the Navy

1213

00:51:53,330 --> 00:51:51,510

yeah it took them like six months to tow

1214

00:51:55,850 --> 00:51:53,340

their aircraft carrier down to the

1215

00:51:59,530 --> 00:51:55,860

Mediterranean off of Syria correct where

1216

00:52:01,150 --> 00:51:59,540

it was - yeah Kuznetsov which is a

1217

00:52:02,830 --> 00:52:01,160

very special ship that's this yeah it's

1218

00:52:04,570 --> 00:52:02,840

so special it's followed by two tugs

1219

00:52:07,240 --> 00:52:04,580

everywhere it goes correct in case it

1220

00:52:09,370 --> 00:52:07,250

breaks down yeah isn't that right yes

1221

00:52:11,350 --> 00:52:09,380

but at least one but I know Cobras also

1222

00:52:13,060 --> 00:52:11,360

has informed has informed us and me

1223

00:52:15,010 --> 00:52:13,070

because I've made light of this on was

1224

00:52:17,260 --> 00:52:15,020

boring that that's not that unusual in

1225

00:52:19,270 --> 00:52:17,270

the US Navy also has me know ships that

1226

00:52:23,650 --> 00:52:19,280

can do that kind of work that do they

1227

00:52:25,480 --> 00:52:23,660

our aircraft carriers around 24/7 Cobra

1228

00:52:28,150 --> 00:52:25,490

see no they do not know that you know

1229

00:52:30,880 --> 00:52:28,160

you don't owe us but I would like to say

1230

00:52:33,310 --> 00:52:30,890

that your next legal case would be from

1231

00:52:36,490 --> 00:52:33,320

the wingman series when you had the

1232

00:52:37,930 --> 00:52:36,500

tugboats that had the shamrocks on the

1233

00:52:40,000 --> 00:52:37,940

top of them right it was part of that

1234

00:52:41,500 --> 00:52:40,010

visionary dream that the wingman went

1235

00:52:43,120 --> 00:52:41,510

through pulling the aircraft carrier

1236

00:52:44,950 --> 00:52:43,130

across the Atlantic for a title the

1237

00:52:46,480 --> 00:52:44,960

loose I think the Russians had that on

1238

00:52:47,620 --> 00:52:46,490

the translation I think that they

1239

00:52:50,020 --> 00:52:47,630

thought this was a great way to move

1240

00:52:53,080 --> 00:52:50,030

around also on some loser we're saying

1241

00:52:54,940 --> 00:52:53,090

wingman 3 I believe um maybe two I'm not

1242

00:52:56,080 --> 00:52:54,950

sure but anyway it's you like they're

1243

00:52:58,810 --> 00:52:56,090

looking up in the file sir I think it

1244

00:53:00,100 --> 00:52:58,820

was number three thank you so um well

1245

00:53:01,600 --> 00:53:00,110

anyway for instance the French and

1246

00:53:03,630 --> 00:53:01,610

British navies as well I should get a

1247

00:53:06,400 --> 00:53:03,640

mention in there in terms of submarines

1248

00:53:08,230 --> 00:53:06,410

yeah well I was on the Russian submarine

1249

00:53:11,950 --> 00:53:08,240

once it was the submarine that was used

1250

00:53:13,870 --> 00:53:11,960

in k1 the destroyer was that the name of

1251

00:53:15,700 --> 00:53:13,880

the movie k1 or something

1252

00:53:18,130 --> 00:53:15,710

it wasn't Hunt for Red October as a

1253

00:53:22,660 --> 00:53:18,140

movie Harrison Ford was in it he played

1254

00:53:24,670 --> 00:53:22,670

basically Sean k-19 k-19 it's in town it

1255

00:53:26,710 --> 00:53:24,680

was docked down in Providence Rhode

1256

00:53:29,470 --> 00:53:26,720

Island for a long time as a museum I

1257

00:53:33,160 --> 00:53:29,480

went down there and they gave us a tour

1258

00:53:37,570 --> 00:53:33,170

of they sub Lois Lane and I and it was

1259

00:53:43,870 --> 00:53:37,580

like being in a at a carnival being in

1260

00:53:44,350 --> 00:53:43,880

like the okay going to the house is the

1261

00:53:46,000 --> 00:53:44,360

funhouse

1262

00:53:48,340 --> 00:53:46,010

you got a baby and where it isn't really

1263

00:53:50,770 --> 00:53:48,350

fun and the deeper you walked into this

1264

00:53:53,830 --> 00:53:50,780

thing that's scarier it became it was

1265

00:53:56,710 --> 00:53:53,840

just like a bad dream or something that

1266

00:53:58,960 --> 00:53:56,720

you would actually I was afraid being in

1267

00:54:01,270 --> 00:53:58,970

it tied up to the dock I can't imagine

1268

00:54:03,670 --> 00:54:01,280

anyone going on and I'm not kidding you

1269

00:54:05,050 --> 00:54:03,680

stuff was like nothing was perfected

1270

00:54:06,820 --> 00:54:05,060

nothing was finished everything was just

1271

00:54:09,460 --> 00:54:06,830

you know paint was just brushes you know

1272

00:54:12,020 --> 00:54:09,470

brushstrokes still there the guys stared

1273

00:54:13,640 --> 00:54:12,030

at by sitting on a little bench

1274

00:54:15,650 --> 00:54:13,650

with with a something that looked like

1275

00:54:16,820 --> 00:54:15,660

the emergency brake on a Volkswagen you

1276

00:54:18,650 --> 00:54:16,830

know what I mean just a little bit of a

1277

00:54:21,440 --> 00:54:18,660

you know yeah that that's how they

1278

00:54:24,290 --> 00:54:21,450

steered it you know the offices room was

1279

00:54:27,170 --> 00:54:24,300

made of not just would be like why would

1280

00:54:28,820 --> 00:54:27,180

fake plywood on the thick wooden panels

1281

00:54:31,910 --> 00:54:28,830

and stuff and then we guide the to a guy

1282

00:54:33,650 --> 00:54:31,920

said you know it would take us about 30

1283

00:54:36,260 --> 00:54:33,660

seconds for this whole place to go up

1284

00:54:38,000 --> 00:54:36,270

with one spot cuz they're all smoking

1285

00:54:40,940 --> 00:54:38,010

cigar I'll smoke in two guys and it's

1286

00:54:42,680 --> 00:54:40,950

this oxygen in there you know crazy

1287

00:54:43,970 --> 00:54:42,690

I wouldn't go it was just it was

1288

00:54:46,040 --> 00:54:43,980

horrible it really was we thought we

1289

00:54:48,080 --> 00:54:46,050

gonna have a fun time with just about

1290

00:54:50,690 --> 00:54:48,090

yes which wingman did you think that

1291

00:54:52,430 --> 00:54:50,700

that was number three the loose yes

1292

00:54:58,849 --> 00:54:52,440

would you think the number was number

1293

00:55:00,830 --> 00:54:58,859

three excellent of right that's where

1294

00:55:03,680 --> 00:55:00,840

they tow the the broken-down aircraft

1295

00:55:05,240 --> 00:55:03,690

carrier the USS Saratoga across the

1296

00:55:07,070 --> 00:55:05,250

Mediterranean because they need an

1297

00:55:10,490 --> 00:55:07,080

airbase floating in base over in the

1298

00:55:11,960 --> 00:55:10,500

Middle East so they tow it right in they

1299

00:55:14,330 --> 00:55:11,970

push that will be your second legal case

1300

00:55:16,640 --> 00:55:14,340

to take up yep alright I'm gonna be busy

1301

00:55:17,180 --> 00:55:16,650

right behind the ISIS and back versus

1302

00:55:24,410 --> 00:55:17,190

the world

1303

00:55:29,150 --> 00:55:24,420

Oh Rob so what else is going on anything

1304

00:55:30,770 --> 00:55:29,160

you can tell us like I mean you

1305

00:55:33,230 --> 00:55:30,780

mentioned submarines that are submarine

1306

00:55:34,940 --> 00:55:33,240

parks I mean there we have here in Texas

1307

00:55:37,640 --> 00:55:34,950

we have the was a Sea Wolf which is an

1308

00:55:39,890 --> 00:55:37,650

old world war two submarine in Galveston

1309

00:55:42,440 --> 00:55:39,900

next to the USS Texas which is okay

1310

00:55:44,960 --> 00:55:42,450

battle easy right Don yeah battleship

1311

00:55:46,760 --> 00:55:44,970

from World War one right and that's fun

1312

00:55:49,460 --> 00:55:46,770

superior in Galveston it's not a lot to

1313

00:55:51,160 --> 00:55:49,470

do in Galveston right yeah yeah this

1314

00:55:55,120 --> 00:55:51,170

right on the ocean breakup and so on

1315

00:55:58,609 --> 00:55:55,130

Galveston who wrote it

1316

00:56:02,240 --> 00:55:58,619

who wrote it Jimmy Webb oh never oh my

1317

00:56:03,560 --> 00:56:02,250

god thump I please my my dad's from

1318

00:56:05,030 --> 00:56:03,570

there and he grew up there and they

1319

00:56:07,280 --> 00:56:05,040

always say that there's no there's no

1320

00:56:08,329 --> 00:56:07,290

waves really at all just because to

1321

00:56:10,550 --> 00:56:08,339

whenever there's a hurricane you'll see

1322

00:56:16,280 --> 00:56:10,560

surfers go out free no roads no that's

1323

00:56:17,570 --> 00:56:16,290

sad no Hampshire run the water all

1324

00:56:19,250 --> 00:56:17,580

they're doing is riding the board you

1325

00:56:21,690 --> 00:56:19,260

know because there's not enough waves my

1326

00:56:24,299 --> 00:56:21,700

daughter surfed to Santa Cruz

1327

00:56:26,640 --> 00:56:24,309

they were going to experience a typhoon

1328

00:56:28,559 --> 00:56:26,650

hmm and all the kids from University of

1329

00:56:30,660 --> 00:56:28,569

California Santa Cruz wanted to run out

1330

00:56:33,920 --> 00:56:30,670

there and watch the typhoon from the

1331

00:56:35,579 --> 00:56:33,930

shoreline and people of surfing Andaman

1332

00:56:38,640 --> 00:56:35,589

had something done

1333

00:56:41,309 --> 00:56:38,650

she texted me and says this is the state

1334

00:56:43,529 --> 00:56:41,319

of the education system a go at least in

1335

00:56:45,450 --> 00:56:43,539

California anyway crystal walking

1336

00:56:47,880 --> 00:56:45,460

doesn't have you ever done surfing yeah

1337

00:56:51,029 --> 00:56:47,890

you know once in a while I like to get

1338

00:56:58,440 --> 00:56:51,039

on the boogie board really yeah you

1339

00:57:01,650 --> 00:56:58,450

drive a woody that's private drive it -

1340

00:57:02,940 --> 00:57:01,660

what laughs a minute it says the self

1341

00:57:05,400 --> 00:57:02,950

rimshot man

1342

00:57:10,140 --> 00:57:05,410

so Rob anything going on in the kitchen

1343

00:57:12,359 --> 00:57:10,150

if you know what I mean hmm no no it's a

1344

00:57:16,109 --> 00:57:12,369

long time we talked he was watching love

1345

00:57:20,009 --> 00:57:16,119

flying at 2:00 in the morning 1 1 right

1346

00:57:23,279 --> 00:57:20,019

you find out I really stepped it sure

1347

00:57:27,839 --> 00:57:23,289

then we saw his profile online all right

1348

00:57:31,710 --> 00:57:29,880

we're here to help okay did it say he

1349

00:57:37,529 --> 00:57:31,720

likes pina coladas and watch on the

1350

00:57:39,839 --> 00:57:37,539

beach anyway thank you rob for joining

1351
00:57:41,759 --> 00:57:39,849
us yep we can't because we like you

1352
00:57:43,349 --> 00:57:41,769
that's right I know I know

1353
00:57:44,940 --> 00:57:43,359
all right but it would be more

1354
00:57:46,440 --> 00:57:44,950
interesting bit if you found someone

1355
00:57:47,970 --> 00:57:46,450
else to come in and why should this is

1356
00:57:50,160 --> 00:57:47,980
you know I'm gonna be frank with you so

1357
00:57:53,849 --> 00:57:50,170
why don't you look you want me to find

1358
00:57:55,140 --> 00:57:53,859
somebody so you could you can press me

1359
00:58:03,359 --> 00:57:55,150
to bringing them on the radio

1360
00:58:04,380 --> 00:58:03,369
yeah that's a go Wow he's a short yes

1361
00:58:07,950 --> 00:58:04,390
exactly

1362
00:58:10,289 --> 00:58:07,960
undercover reporting right there so now

1363
00:58:13,529 --> 00:58:10,299

you got it so you know time to put on

1364

00:58:14,970 --> 00:58:13,539

the fourth gear okay all right no we're

1365

00:58:16,680 --> 00:58:14,980

all gonna get worse we're offering a

1366

00:58:18,870 --> 00:58:16,690

help if Craig's List down in Dallas

1367

00:58:20,609 --> 00:58:18,880

right don't be some extra little freaks

1368

00:58:23,009 --> 00:58:20,619

on there right crystal Walker no

1369

00:58:27,339 --> 00:58:23,019

friction yes no turnover if you want to

1370

00:58:37,820 --> 00:58:30,560

maybe a little too deep who knows thank

1371

00:58:41,800 --> 00:58:37,830

you nice fun that was well done 37

1372

00:58:44,240 --> 00:58:41,810

minutes thank you rob for joining us

1373

00:58:48,440 --> 00:58:44,250

we're actually we're off next we're

1374

00:58:51,380 --> 00:58:48,450

taking a what's the word why hiatus you

1375

00:58:53,030 --> 00:58:51,390

go sounds dirty but it's not and we'll

1376

00:58:55,370 --> 00:58:53,040

probably run you know some kind of a

1377

00:58:57,260 --> 00:58:55,380

bust off but we'll take you in two weeks

1378

00:58:59,210 --> 00:58:57,270

let's run let's run a two-hour blooper

1379

00:59:00,920 --> 00:58:59,220

reel - I don't think we have two hours

1380

00:59:02,720 --> 00:59:00,930

brother sure we do I'm saving that for

1381

00:59:06,740 --> 00:59:02,730

man back at the dock you should know

1382

00:59:08,270 --> 00:59:06,750

that okay Mara mad at Mac oh you see

1383

00:59:09,470 --> 00:59:08,280

someone didn't get the memo or if they

1384

00:59:12,290 --> 00:59:09,480

did they're not paying attention

1385

00:59:16,490 --> 00:59:12,300

no could be hearing from Alfred Enuma

1386

00:59:18,170 --> 00:59:16,500

now big my hero when I was after college

1387

00:59:20,930 --> 00:59:18,180

I used to walk his key chain without fit

1388

00:59:22,460 --> 00:59:20,940

he knew so much for an analyst is that

1389

00:59:23,660 --> 00:59:22,470

when you're going to film school that's

1390

00:59:26,480 --> 00:59:23,670

when I was going to film school thank

1391

00:59:28,490 --> 00:59:26,490

you and beyond actually thanks agreement

1392

00:59:31,070 --> 00:59:28,500

Rob thank you that was really really

1393

00:59:32,300 --> 00:59:31,080

popular ge will talk to half that key

1394

00:59:35,599 --> 00:59:32,310

chain we're ignoring them

1395

00:59:37,280 --> 00:59:35,609

thank you Rob and I'll tell you we gonna

1396

00:59:39,680 --> 00:59:37,290

take a commercial break now if that's

1397

00:59:42,829 --> 00:59:39,690

okay with you commander am i stepping on

1398

00:59:44,540 --> 00:59:42,839

them on their own okay good yeah I will

1399

00:59:45,560 --> 00:59:44,550

talk to y'all thank you for a few weeks

1400

00:59:48,290 --> 00:59:45,570

we appreciate it

1401
00:59:50,390 --> 00:59:48,300
Rob talked to some yeah Rob Beck house

1402
00:59:53,390 --> 00:59:50,400
of Juarez blowing horns growing become

1403
00:59:55,550 --> 00:59:53,400
the best military rating on the net

1404
00:59:58,160 --> 00:59:55,560
someday they're gonna do a major story

1405
00:59:58,760 --> 00:59:58,170
on that isn't that Jane's book of James

1406
01:00:01,670 --> 00:59:58,770
come on

1407
01:00:03,800 --> 01:00:01,680
it's a pansies war is boring dot-com

1408
01:00:05,180 --> 01:00:03,810
really some funny braiders this is good

1409
01:00:07,760 --> 01:00:05,190
some of the stuff that I read in them

1410
01:00:09,170 --> 01:00:07,770
like I'm just reading saying this can't

1411
01:00:11,300 --> 01:00:09,180
possibly be true you know just like

1412
01:00:14,510 --> 01:00:11,310
stupid things no theory does not just on

1413
01:00:15,950 --> 01:00:14,520

military either but it is true it's hard

1414

01:00:19,880 --> 01:00:15,960

to believe it it's hard to believe right

1415

01:00:21,980 --> 01:00:19,890

but it's a bit a sense of humor well

1416

01:00:24,320 --> 01:00:21,990

right under it well where's boring

1417

01:00:26,300 --> 01:00:24,330

dot-com so anyway why don't we take a

1418

01:00:29,630 --> 01:00:26,310

commercial break now and when we come

1419

01:00:31,220 --> 01:00:29,640

back we will present another fascinating

1420

01:00:32,690 --> 01:00:31,230

segment so stay tuned you let's make

1421

01:00:33,950 --> 01:00:32,700

money military I'll show here on the

1422

01:00:35,839 --> 01:00:33,960

distant Thunder radio network we'll be

1423

01:00:37,010 --> 01:00:35,849

right back after daddy where do babies

1424

01:00:40,230 --> 01:00:37,020

come from

1425

01:00:43,650 --> 01:00:40,240

uh well honey my

1426

01:00:45,690 --> 01:00:43,660

to the store oh well you see um well

1427

01:00:50,190 --> 01:00:45,700

there's a mommy and a daddy right and

1428

01:00:51,630 --> 01:00:50,200

see when they call Geico they could save

1429

01:00:54,300 --> 01:00:51,640

a bunch of money on car insurance

1430

01:00:56,880 --> 01:00:54,310

oh really and that makes them happy yes

1431

01:00:58,770 --> 01:00:56,890

that makes them very happy that's good

1432

01:01:01,380 --> 01:00:58,780

yeah well I'm glad we could have this

1433

01:01:02,730 --> 01:01:01,390

talk sunshine Geico because saving

1434

01:01:06,150 --> 01:01:02,740

fifteen percent or more on car insurance

1435

01:01:08,190 --> 01:01:06,160

is always a great answer this UFOs are

1436

01:01:11,520 --> 01:01:08,200

found in Renaissance art on ancient

1437

01:01:14,220 --> 01:01:11,530

coins and etched on cave walls they are

1438

01:01:16,350 --> 01:01:14,230

even reported in the Bible but more

1439

01:01:20,730 --> 01:01:16,360

surprising is when UFOs have seen the

1440

01:01:22,860 --> 01:01:20,740

most in times of war through centuries

1441

01:01:24,900 --> 01:01:22,870

thousands of UFO sightings have been

1442

01:01:28,290 --> 01:01:24,910

made by high-ranking officials military

1443

01:01:30,330 --> 01:01:28,300

pilots and ordinary soldiers often these

1444

01:01:32,910 --> 01:01:30,340

fantastic appearances occur at the

1445

01:01:36,330 --> 01:01:32,920

height of great battles from World War

1446

01:01:39,390 --> 01:01:36,340

one to d-day to Korea Vietnam and beyond

1447

01:01:41,670 --> 01:01:39,400

military investigators are baffled why

1448

01:01:42,420 --> 01:01:41,680

do UFO sighting spike so drastically

1449

01:01:45,210 --> 01:01:42,430

during wartime

1450

01:01:48,450 --> 01:01:45,220

could it be mistaken aircraft or is

1451
01:01:50,730 --> 01:01:48,460
someone or some thing looking in on us

1452
01:01:52,800 --> 01:01:50,740
in UFOs in wartime

1453
01:01:54,420 --> 01:01:52,810
what they didn't want you to know Mac

1454
01:01:56,280 --> 01:01:54,430
Malone II chronicles centuries of these

1455
01:01:58,650 --> 01:01:56,290
incredible sightings and tries to solve

1456
01:02:01,890 --> 01:01:58,660
the puzzle of why so many UFOs are seen

1457
01:02:04,260 --> 01:02:01,900
while Humanity is at war read about the

1458
01:02:06,600 --> 01:02:04,270
scare ships the ghost planes and the

1459
01:02:09,600 --> 01:02:06,610
ghost rockets alien Giants in the

1460
01:02:13,080 --> 01:02:09,610
jungles of Vietnam UFOs controlling our

1461
01:02:16,560 --> 01:02:13,090
ICBM bases dogfights with flying saucers

1462
01:02:19,470 --> 01:02:16,570
during the Gulf War and more 300 pages

1463
01:02:20,610 --> 01:02:19,480

of unbelievable stories along with many

1464

01:02:23,940 --> 01:02:20,620

startling photographs

1465

01:02:26,640 --> 01:02:23,950

that's UFOs in wartime what they didn't

1466

01:02:31,930 --> 01:02:26,650

want you to know by Mack Bologna on sale

1467

01:02:31,940 --> 01:02:44,360

[Music]

1468

01:02:51,380 --> 01:02:48,170

the truth the truth you can't handle the

1469

01:02:52,630 --> 01:02:51,390

truth only commander Cobra can handle

1470

01:02:54,800 --> 01:02:52,640

the truth

1471

01:02:57,380 --> 01:02:54,810

welcome back at once that one is no

1472

01:03:00,350 --> 01:02:57,390

French sauce oh yeah on the distant

1473

01:03:02,540 --> 01:03:00,360

Thunder radio network let's make mom let

1474

01:03:04,520 --> 01:03:02,550

me introduce the crew in the studio with

1475

01:03:05,690 --> 01:03:04,530

us tonight on this timeless segment the

1476

01:03:12,740 --> 01:03:05,700

one is here

1477

01:03:14,450 --> 01:03:12,750

yes sir mark how's it going Mack okay

1478

01:03:16,340 --> 01:03:14,460

the true feelings come through they want

1479

01:03:19,190 --> 01:03:16,350

one you know that's not Freudian people

1480

01:03:22,940 --> 01:03:19,200

yeah when people misspeak they really

1481

01:03:26,000 --> 01:03:22,950

mean it anyway thanks for being here one

1482

01:03:27,530 --> 01:03:26,010

more whatever that's a nice Cobra as

1483

01:03:31,070 --> 01:03:27,540

always jumping on his own

1484

01:03:34,310 --> 01:03:31,080

intro so Manta Cobras here disclosed

1485

01:03:36,920 --> 01:03:34,320

location nearby you know Oh such

1486

01:03:38,840 --> 01:03:36,930

enthusiasm it's interacting with all yet

1487

01:03:40,160 --> 01:03:38,850

tonight having a hard time seeing the

1488

01:03:41,750 --> 01:03:40,170

signals from the lead of the formations

1489

01:03:46,750 --> 01:03:41,760

sorry about that I'll go back to my

1490

01:03:57,650 --> 01:03:51,410

anyway he's here also very famous author

1491

01:03:58,760 --> 01:03:57,660

Mike the poolman mark yes I stopped by I

1492

01:04:02,390 --> 01:03:58,770

heard you guys are giving away some

1493

01:04:06,350 --> 01:04:02,400

scotch and cigars but I decided are you

1494

01:04:10,760 --> 01:04:08,270

scotch and cigars that's a good name for

1495

01:04:12,860 --> 01:04:10,770

a song by the butter jelly Gleason and

1496

01:04:14,690 --> 01:04:12,870

his are cassettes yeah right exactly in

1497

01:04:18,230 --> 01:04:14,700

Cobra of course is a big Scott chance

1498

01:04:20,240 --> 01:04:18,240

again right no cigars just a scotch okay

1499

01:04:24,710 --> 01:04:20,250

what's the best coach in the world right

1500

01:04:26,930 --> 01:04:24,720

now quick I would say Irishman a single

1501

01:04:28,970 --> 01:04:26,940

malt that coming out of out of Ireland

1502

01:04:31,100 --> 01:04:28,980

yes it's a whiskey obviously

1503

01:04:32,630 --> 01:04:31,110

phenomenal for the price it is

1504

01:04:36,020 --> 01:04:32,640

unbelievable what's it called

1505

01:04:38,290 --> 01:04:36,030

Paddy's no the Irishman oh yeah that's

1506

01:04:40,820 --> 01:04:38,300

the little name of this Scotch is

1507

01:04:42,950 --> 01:04:40,830

unbelie-- for the price average is like

1508

01:04:45,020 --> 01:04:42,960

thirty thirty-two dollars unbelievable

1509

01:04:47,450 --> 01:04:45,030

yeah okay and what's it smooth is that

1510

01:04:50,210 --> 01:04:47,460

what a smooth I don't know what kind of

1511

01:04:52,040 --> 01:04:50,220

casket they're using to do the Aging in

1512

01:04:54,080 --> 01:04:52,050

it but it's like Mother's Milk I mean

1513

01:04:57,050 --> 01:04:54,090

it's just it's killing it

1514

01:05:00,170 --> 01:04:57,060

I'm all over it it's not that video yes

1515

01:05:06,020 --> 01:05:00,180

no not the dispenser one one the actual

1516

01:05:08,810 --> 01:05:06,030

drink Oh see now you're bumming me all

1517

01:05:09,980 --> 01:05:08,820

right so it's better than the stuff I'm

1518

01:05:12,080 --> 01:05:09,990

drinking which is called a leprechaun

1519

01:05:13,940 --> 01:05:12,090

there you go that's a little racist it

1520

01:05:17,150 --> 01:05:13,950

comes to this short half Filipino half

1521

01:05:19,460 --> 01:05:17,160

fightin Italian back supporter so what's

1522

01:05:21,050 --> 01:05:19,470

going on with you might you know same

1523

01:05:23,030 --> 01:05:21,060

old same oh okay well what's good to

1524

01:05:27,260 --> 01:05:23,040

know the exciting light I'm a writer I

1525

01:05:29,480 --> 01:05:27,270

know it well yeah yeah watch TV a lot of

1526

01:05:32,210 --> 01:05:29,490

daytime TV man you know I watch a lot of

1527

01:05:34,430 --> 01:05:32,220

celebrity Family Feud and stuff like I

1528

01:05:39,200 --> 01:05:34,440

don't know how you write watch TV watch

1529

01:05:40,970 --> 01:05:39,210

all sports I'll fight you know I send

1530

01:05:43,220 --> 01:05:40,980

you an email he replies back in two

1531

01:05:47,960 --> 01:05:43,230

seconds you bet baby boom I'm right now

1532

01:05:49,490 --> 01:05:47,970

it he's honest right anyway we have a

1533

01:05:51,650 --> 01:05:49,500

special guest with us tonight you know

1534

01:05:53,270 --> 01:05:51,660

what's funny is that we talked to a few

1535

01:05:55,100 --> 01:05:53,280

weeks ago about this really weird thing

1536

01:05:56,480 --> 01:05:55,110

called black-eyed children-- it's one of

1537

01:05:58,970 --> 01:05:56,490

the things that I really kind of freaks

1538

01:06:02,150 --> 01:05:58,980

me out and the paranormal genre

1539

01:06:05,120 --> 01:06:02,160

okay UFOs not really scary you know

1540

01:06:07,370 --> 01:06:05,130

Bigfoot and you know seen one Bigfoot

1541

01:06:08,660 --> 01:06:07,380

you see like this monster interesting

1542

01:06:10,910 --> 01:06:08,670

but you know he's not going to eat you

1543

01:06:12,530 --> 01:06:10,920

up or anything but these things called

1544

01:06:15,380 --> 01:06:12,540

black-eyed children-- started in europe

1545

01:06:18,320 --> 01:06:15,390

and you hear reports of them now over in

1546

01:06:20,420 --> 01:06:18,330

the US over here in the US in some

1547

01:06:22,670 --> 01:06:20,430

reason they tend to go to military bases

1548

01:06:24,860 --> 01:06:22,680

yeah and basically what it is is that

1549

01:06:26,660 --> 01:06:24,870

you'll be home at night Oh be always

1550

01:06:27,860 --> 01:06:26,670

like past nine o'clock it's not and

1551

01:06:29,560 --> 01:06:27,870

you'll have someone at the door you open

1552

01:06:32,000 --> 01:06:29,570

up and they leave these two kids

1553

01:06:33,560 --> 01:06:32,010

offering to come you know asking you can

1554

01:06:34,820 --> 01:06:33,570

you help us were in you know we have a

1555

01:06:36,410 --> 01:06:34,830

problem

1556

01:06:38,300 --> 01:06:36,420

you know we're lost or something like

1557

01:06:39,650 --> 01:06:38,310

that and but they have black eyes and if

1558

01:06:41,540 --> 01:06:39,660

you bring them into your house even for

1559

01:06:42,860 --> 01:06:41,550

like a second you're doomed

1560

01:06:45,620 --> 01:06:42,870

you know what I mean people kind of die

1561

01:06:47,180 --> 01:06:45,630

is yummy an earth day who knows there's

1562

01:06:49,550 --> 01:06:47,190

been reports of them down what Benning

1563

01:06:50,780 --> 01:06:49,560

Georgia of all place went to a bunch of

1564

01:06:53,000 --> 01:06:50,790

them like about a year ago people

1565

01:06:54,020 --> 01:06:53,010

reporting in also who would make that up

1566

01:06:55,730 --> 01:06:54,030

you know what I mean you're on the

1567

01:06:57,770 --> 01:06:55,740

military base high alert I'm sure and it

1568

01:07:01,100 --> 01:06:57,780

wasn't Halloween or no no I was like in

1569

01:07:02,780 --> 01:07:01,110

springtime or whatever yeah so it just

1570

01:07:05,940 --> 01:07:02,790

seems a strange place for them to show

1571

01:07:08,460 --> 01:07:05,950

up and to I can't believe it's a hoax

1572

01:07:10,260 --> 01:07:08,470

these days anyway we're honored to have

1573

01:07:11,640 --> 01:07:10,270

one were their children that maybe came

1574

01:07:13,349 --> 01:07:11,650

back from the dead that they died

1575

01:07:16,050 --> 01:07:13,359

there's no strain show it's one of the

1576

01:07:17,520 --> 01:07:16,060

theories with us sometimes ordinarily

1577

01:07:20,940 --> 01:07:17,530

connect to vampires

1578

01:07:23,310 --> 01:07:20,950

demon-possession well aliens there's

1579

01:07:24,690 --> 01:07:23,320

been the whole catalogue has been

1580

01:07:27,000 --> 01:07:24,700

covered by what their sources

1581

01:07:28,079 --> 01:07:27,010

yeah what's great about that is that the

1582

01:07:30,599 --> 01:07:28,089

we're honored tonight to have a

1583

01:07:33,120 --> 01:07:30,609

black-eyed child in the studio with us

1584

01:07:34,230 --> 01:07:33,130

wandering off the street man we didn't

1585

01:07:35,990 --> 01:07:34,240

have that and we'd have to dim the

1586

01:07:39,690 --> 01:07:36,000

lights no it was very nice

1587

01:07:41,970 --> 01:07:39,700

see you know a cute little kid looks a

1588

01:07:43,829 --> 01:07:41,980

little ragged around the edges hail

1589

01:07:48,140 --> 01:07:43,839

great pale looks like he hasn't had a

1590

01:07:53,579 --> 01:07:50,220

yes that's what's weird about it yeah

1591

01:07:54,599 --> 01:07:53,589

kind of enjoyment yeah yeah so well what

1592

01:07:59,640 --> 01:07:54,609

are you doing on the street and they

1593

01:08:02,480 --> 01:07:59,650

ticket looking in your window okay look

1594

01:08:07,410 --> 01:08:02,490

in your window if you get black eyes

1595

01:08:12,650 --> 01:08:07,420

then that blind why do you give them a

1596

01:08:18,660 --> 01:08:14,819

the way they look at each other I think

1597

01:08:20,670 --> 01:08:18,670

it's not taking this really well yeah

1598

01:08:24,809 --> 01:08:20,680

but it's me it's me that causes the

1599

01:08:27,300 --> 01:08:24,819

problem yeah now we have a black eye

1600

01:08:28,170 --> 01:08:27,310

child and one one's picking a fight oh

1601

01:08:38,690 --> 01:08:28,180

yeah

1602

01:08:43,769 --> 01:08:42,120

inappropriate what are you doing out

1603

01:08:50,940 --> 01:08:43,779

there at night kitty walking around that

1604

01:08:52,349 --> 01:08:50,950

you wash what's going on oh you are okay

1605

01:08:55,220 --> 01:08:52,359

all right yeah all right what do you get

1606

01:08:58,499 --> 01:08:55,230

I shadow no wait hold it

1607

01:09:01,550 --> 01:08:58,509

black-eyed kids one they come out at

1608

01:09:05,490 --> 01:09:01,560

night so he's not sowing sunblock no

1609

01:09:13,120 --> 01:09:05,500

okay well you know sorry

1610

01:09:15,549 --> 01:09:13,130

you hear those at night everyone's a lot

1611

01:09:17,079 --> 01:09:15,559

of protein so why do you have black eyes

1612

01:09:37,340 --> 01:09:17,089

or should we ask you have you've been in

1613

01:09:45,189 --> 01:09:39,299

[Music]

1614

01:09:47,529 --> 01:09:45,199

so why why you wanted with way you want

1615

01:09:49,479 --> 01:09:47,539

it used to eat whip it live it up why

1616

01:09:50,919 --> 01:09:49,489

you get a sec man excellent I'm trying

1617

01:09:55,029 --> 01:09:50,929

to you know say that what do you think

1618

01:09:56,229 --> 01:09:55,039

you don't look at what room is that do

1619

01:10:17,580 --> 01:09:56,239

you think it's Halloween that's why

1620

01:10:27,970 --> 01:10:21,399

checks in yes I love meeting an old

1621

01:10:33,180 --> 01:10:27,980

friend for dinner just dropped in on

1622

01:10:38,770 --> 01:10:36,040

where was your meeting the brains and

1623

01:10:42,879 --> 01:10:38,780

frying it in the pan a second yeah I was

1624

01:10:45,580 --> 01:10:42,889

Hannibal yeah did you see that movie

1625

01:10:54,879 --> 01:10:45,590

they around with a black eyed kid wrote

1626

01:10:56,529 --> 01:10:54,889

him 100 Silence of the Lambs Phil you

1627

01:11:03,609 --> 01:10:56,539

ever run for his money there with that -

1628

01:11:08,020 --> 01:11:03,619

an impression no Clarice Wow no how dare

1629

01:11:11,950 --> 01:11:08,030

I give him crickets a nice Chianti tell

1630

01:11:16,669 --> 01:11:11,960

you what I can understand him wanting to

1631

01:11:27,140 --> 01:11:22,959

I was about I was just gonna say one one

1632

01:11:28,549 --> 01:11:27,150

in 10 seconds Jodie Foster so Jodie

1633

01:11:31,310 --> 01:11:28,559

Foster 10 seconds

1634

01:11:33,979 --> 01:11:31,320

Jodie Foster is awesome she doesn't give

1635

01:11:37,549 --> 01:11:33,989

you any BS she's never in the tabloids

1636

01:11:41,029 --> 01:11:37,559

she has a good record with movies and

1637

01:11:43,189 --> 01:11:41,039

with people and keeps her mouth shut and

1638

01:11:44,870 --> 01:11:43,199

just it just doesn't work she's slice

1639

01:11:52,100 --> 01:11:44,880

that's what you like to keep when they

1640

01:11:53,270 --> 01:11:52,110

keep them all this quiet yes okay she's

1641

01:11:56,060 --> 01:11:53,280

just doing her work and making great

1642

01:11:59,509 --> 01:11:56,070

movies do you find her you find her

1643

01:12:02,509 --> 01:11:59,519

sexually attractive I do you do mellow

1644

01:12:04,939 --> 01:12:02,519

tone down way huh like almost like

1645

01:12:06,259 --> 01:12:04,949

average girl next door that's right a

1646

01:12:08,209 --> 01:12:06,269

black-eyed kid I don't think he has a

1647

01:12:15,109 --> 01:12:08,219

clue what's going on with Jodie Foster

1648

01:12:18,799 --> 01:12:15,119

you know yeah you don't know who Johnny

1649

01:12:27,049 --> 01:12:18,809

Foster is accused what she yeah yeah

1650

01:12:29,959 --> 01:12:27,059

okay all right I like pinball okay Cobra

1651

01:12:32,509 --> 01:12:29,969

you want to educate him or just a new

1652

01:12:35,540 --> 01:12:32,519

hotel in New Hampshire I thought was one

1653

01:12:37,669 --> 01:12:35,550

of her early great works okay all right

1654

01:12:40,160 --> 01:12:37,679

Mike cipolla famous author do you want

1655

01:12:42,500 --> 01:12:40,170

to educate these boys on what they might

1656

01:12:45,290 --> 01:12:42,510

be missing 20 foster I only know about

1657

01:12:47,209 --> 01:12:45,300

the pool the pool to pool the pool will

1658

01:12:47,479 --> 01:12:47,219

stick for the pool showcase they painted

1659

01:12:49,160 --> 01:12:47,489

it

1660

01:12:50,870 --> 01:12:49,170

thank you Mike the poolman very famous

1661

01:12:52,819 --> 01:12:50,880

on the figure thank you mark I don't

1662

01:12:54,830 --> 01:12:52,829

believe a pool stick was actually it was

1663

01:12:56,839 --> 01:12:54,840

a pinball machine involvement Seneca

1664

01:12:58,250 --> 01:12:56,849

there was a pinball machine and that was

1665

01:12:59,929 --> 01:12:58,260

down in New Bedford maybe that was a

1666

01:13:00,770 --> 01:12:59,939

book she's made 90 movies and that's

1667

01:13:04,540 --> 01:13:00,780

what you guys remember

1668

01:13:07,100 --> 01:13:04,550

right maybe though maybe I was the book

1669

01:13:11,239 --> 01:13:07,110

Jodie Foster is married to a woman want

1670

01:13:14,000 --> 01:13:11,249

one no only enhances only enhance just

1671

01:13:17,839 --> 01:13:14,010

one license really yes where have you

1672

01:13:21,939 --> 01:13:17,849

been that's how quiet she is does it

1673

01:13:26,179 --> 01:13:23,959

what does that mean does it make her

1674

01:13:28,930 --> 01:13:26,189

more sexually attractive yes it does for

1675

01:13:34,130 --> 01:13:32,360

no I guess we're yeah reading too many

1676

01:13:36,050 --> 01:13:34,140

beetle magazine there you go you get

1677

01:13:38,300 --> 01:13:36,060

between people in national fire right

1678

01:13:44,270 --> 01:13:38,310

and that funny day round little white

1679

01:13:45,590 --> 01:13:44,280

kid with me back white black I kid do

1680

01:13:52,480 --> 01:13:45,600

you know anything about that boys we

1681

01:13:57,260 --> 01:13:52,490

brought national enquirer bat point

1682

01:13:59,660 --> 01:13:57,270

famous National Enquirer presents for

1683

01:14:03,410 --> 01:13:59,670

many many years I thought maybe you two

1684

01:14:05,630 --> 01:14:03,420

would have we're together are you

1685

01:14:09,110 --> 01:14:05,640

talking about a baseball game bat boy or

1686

01:14:11,380 --> 01:14:09,120

you know bad boy the human bat hi bird

1687

01:14:14,060 --> 01:14:11,390

that was it was graced the covers of

1688

01:14:16,970 --> 01:14:14,070

National Enquirer and Midnight Express

1689

01:14:23,860 --> 01:14:16,980

the different papers that used to occupy

1690

01:14:30,950 --> 01:14:26,240

there was obscene where she had given

1691

01:14:35,870 --> 01:14:30,960

birth okay let's go like I kid you don't

1692

01:14:38,810 --> 01:14:35,880

any of you know what that is sick right

1693

01:14:40,790 --> 01:14:38,820

eating people not so much no reading

1694

01:14:43,550 --> 01:14:40,800

that's across the wine I'm sorry it's

1695

01:14:46,460 --> 01:14:43,560

vegetarian the kid needs nutrition I

1696

01:14:48,470 --> 01:14:46,470

mean I heard nutrition whatever you yeah

1697

01:14:50,210 --> 01:14:48,480

I'm like you dressed him like fifties

1698

01:14:52,180 --> 01:14:50,220

clothes I don't know what this is going

1699

01:14:57,650 --> 01:14:52,190

for a retro look a one-liner is this the

1700

01:15:00,170 --> 01:14:57,660

kid he was trapped in the fifties

1701

01:15:03,290 --> 01:15:00,180

Salvation Army store oh wow interesting

1702

01:15:16,640 --> 01:15:03,300

ok you must know who Chuck Berry is then

1703

01:15:18,110 --> 01:15:16,650

right check memory do you know Mary you

1704

01:15:19,550 --> 01:15:18,120

know it's a good guy just don't call the

1705

01:15:21,620 --> 01:15:19,560

bathroom in his restaurant other than

1706

01:15:23,450 --> 01:15:21,630

that great guy great musician expect to

1707

01:15:26,150 --> 01:15:23,460

be taped there you go and he doesn't

1708

01:15:27,920 --> 01:15:26,160

mean what Scott stick though it did was

1709

01:15:30,680 --> 01:15:27,930

videotape as it turned out there was

1710

01:15:33,920 --> 01:15:30,690

yeah something like sixteen hundred

1711

01:15:36,230 --> 01:15:33,930

hours of women go on the bathroom he

1712

01:15:38,330 --> 01:15:36,240

went to jail for it

1713

01:15:39,740 --> 01:15:38,340

and in each each shot was like you only

1714

01:15:41,330 --> 01:15:39,750

looking about two three seconds you know

1715

01:15:43,130 --> 01:15:41,340

so you had them catalogued and you know

1716

01:15:44,690 --> 01:15:43,140

everybody boiler and that kind of stuff

1717

01:15:47,000 --> 01:15:44,700

just string them together to make it

1718

01:15:47,600 --> 01:15:47,010

like yes like a compilation they come in

1719

01:15:49,220 --> 01:15:47,610

in the business

1720

01:15:51,140 --> 01:15:49,230

whoops hit check promise now check

1721

01:15:52,820 --> 01:15:51,150

spelling ash from jail right lawyer

1722

01:15:54,800 --> 01:15:52,830

talking away right now checks been dead

1723

01:15:57,140 --> 01:15:54,810

for about six months and sorry crazy

1724

01:16:00,230 --> 01:15:57,150

yeah back in the days of Chuck Berry was

1725

01:16:03,710 --> 01:16:00,240

wicked popular yes what was all the

1726

01:16:07,040 --> 01:16:03,720

songs about being sixteen mmm now the

1727

01:16:10,820 --> 01:16:07,050

show but yeah with that Bill sixteen

1728

01:16:12,740 --> 01:16:10,830

sixteen Candles yeah you know you're 16

1729

01:16:16,520 --> 01:16:12,750

you're beautiful and your mind yeah they

1730

01:16:17,900 --> 01:16:16,530

don't sound whisper it because you know

1731

01:16:19,520 --> 01:16:17,910

we have a lot of great listeners down in

1732

01:16:21,920 --> 01:16:19,530

the beautiful salt all over this country

1733

01:16:23,060 --> 01:16:21,930

we're gonna marry the missus at 18 but

1734

01:16:25,130 --> 01:16:23,070

you know you're thinking a Jerry Lee

1735

01:16:28,460 --> 01:16:25,140

Lewis no Charlie Lewis married his

1736

01:16:34,520 --> 01:16:28,470

cousin my cousin was 13 yeah black I kid

1737

01:16:35,960 --> 01:16:34,530

you knew that right yeah okay would you

1738

01:16:39,560 --> 01:16:35,970

play with Bobby's together that that me

1739

01:16:52,910 --> 01:16:39,570

what was your favorite Jerry Lee Lewis

1740

01:16:55,060 --> 01:16:52,920

up alright yeah well so so you should

1741

01:16:59,530 --> 01:16:55,070

bat trap back in the fifties he she

1742

01:17:01,970 --> 01:16:59,540

Jerry Lee Lewis you know Chuck Berry I

1743

01:17:02,510 --> 01:17:01,980

get a Jerry Lee Lewis record on Sun

1744

01:17:04,670 --> 01:17:02,520

Records

1745

01:17:06,260 --> 01:17:04,680

it says Jerry Lee Lewis and his pumping

1746

01:17:08,450 --> 01:17:06,270

piano well there you go

1747

01:17:13,490 --> 01:17:08,460

the pumping piano pumping pianist you

1748

01:17:15,530 --> 01:17:13,500

know okay well he's got quite a track

1749

01:17:16,730 --> 01:17:15,540

record too because you know and then of

1750

01:17:18,740 --> 01:17:16,740

there was one point where the guy who

1751

01:17:20,510 --> 01:17:18,750

owned son records said I'm gonna put

1752

01:17:22,790 --> 01:17:20,520

everyone out on the road so it was Elvis

1753

01:17:25,790 --> 01:17:22,800

Jerry Lee Lewis Charl Perkins how

1754

01:17:27,740 --> 01:17:25,800

Perkins Johnny Cash Johnny Cash and one

1755

01:17:29,180 --> 01:17:27,750

more Elvis was on some crazy got Jerry

1756

01:17:30,770 --> 01:17:29,190

Lee Lewis I think said they would they

1757

01:17:32,120 --> 01:17:30,780

just they never made any money they

1758

01:17:35,060 --> 01:17:32,130

drank it all the way they just went

1759

01:17:37,070 --> 01:17:35,070

crazy six months sorry

1760

01:17:38,660 --> 01:17:37,080

nuts none you know well you know that

1761

01:17:42,830 --> 01:17:38,670

that's a movie to make if you did really

1762

01:17:45,410 --> 01:17:42,840

good anyway a little kid from like I did

1763

01:17:47,690 --> 01:17:45,420

you know who Elvis is right thank you

1764

01:17:49,209 --> 01:17:47,700

very much yeah okay I mean you'll like

1765

01:17:51,959 --> 01:17:49,219

him

1766

01:17:53,860 --> 01:17:51,969

what what's many he's doing in Ellis oh

1767

01:17:55,959 --> 01:17:53,870

thank you thank you very much

1768

01:17:58,180 --> 01:17:55,969

I can't get impression like a tablespoon

1769

01:18:11,970 --> 01:17:58,190

his wife left the building

1770

01:18:24,100 --> 01:18:14,950

I'm not going up there

1771

01:18:24,790 --> 01:18:24,110

I heard that joke that joke in the

1772

01:18:28,270 --> 01:18:24,800

second grade

1773

01:18:29,470 --> 01:18:28,280

never gets I bet you get a lot of people

1774

01:18:31,570 --> 01:18:29,480

saying they're happy to see you I I

1775

01:18:33,670 --> 01:18:31,580

don't think like I get the we're very

1776

01:18:36,970 --> 01:18:33,680

misunderstood why in what way

1777

01:18:39,189 --> 01:18:36,980

please explain wanna be friends why be

1778

01:18:43,500 --> 01:18:39,199

friends go ahead forever no and I'm

1779

01:18:46,540 --> 01:18:45,700

that's what all cannibals say they say

1780

01:18:48,040 --> 01:18:46,550

they just want to eat their victims

1781

01:18:49,990 --> 01:18:48,050

because they want them to be part of

1782

01:19:01,180 --> 01:18:50,000

them you're not really violent to me in

1783

01:19:03,250 --> 01:19:01,190

anything right no I won't feel a thing

1784

01:19:06,400 --> 01:19:03,260

Wow hey Shep this kind of

1785

01:19:08,500 --> 01:19:06,410

passive-aggressive to to the kid you

1786

01:19:09,729 --> 01:19:08,510

know I'll scare you now and now I'm

1787

01:19:12,189 --> 01:19:09,739

gonna be looking on the roof of my car

1788

01:19:17,620 --> 01:19:12,199

in the trunk underneath the seat the

1789

01:19:19,390 --> 01:19:17,630

shower Wow bad enough I'm afraid of

1790

01:19:21,850 --> 01:19:19,400

containers now I got container phobia

1791

01:19:23,380 --> 01:19:21,860

there you go right now we can't go so

1792

01:19:26,229 --> 01:19:23,390

well what do you do with me and I should

1793

01:19:28,060 --> 01:19:26,239

deal with one of our email was just

1794

01:19:42,390 --> 01:19:28,070

asked well how do you prepare human

1795

01:19:42,400 --> 01:19:50,700

so you eat the skin no I wear it okay

1796

01:19:56,380 --> 01:19:52,560

thank you

1797

01:20:07,480 --> 01:20:05,680

still nip they'll talk well we do you

1798

01:20:09,670 --> 01:20:07,490

want tonight somebody's like that kid

1799

01:20:20,500 --> 01:20:09,680

you buy a lot is gross

1800

01:20:25,330 --> 01:20:20,510

shrinkage washing cool water and drip

1801
01:20:27,040 --> 01:20:25,340
dry well that's the secret hmm well you

1802
01:20:28,890 --> 01:20:27,050
don't look really well fin know we

1803
01:20:31,930 --> 01:20:28,900
supposed to take some kind of a baby

1804
01:20:34,990 --> 01:20:31,940
hungry yeah he's looking at us you know

1805
01:20:37,030 --> 01:20:35,000
yeah stop bugging him about his well fed

1806
01:20:59,310 --> 01:20:37,040
miss st. Gilles the other skinny one in

1807
01:21:07,000 --> 01:21:05,080
that's my career I better watch out okay

1808
01:21:09,520 --> 01:21:07,010
keep your eyes closed okay I want to

1809
01:21:11,740 --> 01:21:09,530
show you my first ever painting all

1810
01:21:16,750 --> 01:21:11,750
right okay open your eyes

1811
01:21:19,900 --> 01:21:16,760
oh that's a lot of colors and shades so

1812
01:21:22,210 --> 01:21:19,910
be honest what do you think well I like

1813
01:21:23,380 --> 01:21:22,220

how if you switch to Geico you could

1814

01:21:23,860 --> 01:21:23,390

save hundreds of dollars on car

1815

01:21:27,130 --> 01:21:23,870

insurance

1816

01:21:29,380 --> 01:21:27,140

oh yeah that's that's true yeah here why

1817

01:21:29,980 --> 01:21:29,390

don't I hold your paintbrush while you

1818

01:21:32,470 --> 01:21:29,990

call them

1819

01:21:34,960 --> 01:21:32,480

Geico because saving 15% or more on car

1820

01:21:36,880 --> 01:21:34,970

insurance is always a great answer is it

1821

01:21:45,070 --> 01:21:36,890

with Jeff and you know surgically remove

1822

01:21:48,930 --> 01:21:45,080

that Thanks maybe you have the one in

1823

01:21:53,230 --> 01:21:51,340

nightmares see you know is the thing the

1824

01:21:55,750 --> 01:21:53,240

one one here's this attraction to him

1825

01:21:58,330 --> 01:21:55,760

any kind of you know email of him and we

1826

01:22:00,340 --> 01:21:58,340

get are always females asking about you

1827

01:22:03,250 --> 01:22:00,350

it's insane I don't know at least they

1828

01:22:05,320 --> 01:22:03,260

are saying they're females it doesn't

1829

01:22:07,280 --> 01:22:05,330

make it different something no one knows

1830

01:22:10,130 --> 01:22:07,290

you're a dog right in that's right

1831

01:22:13,130 --> 01:22:10,140

that's right I could be naked for

1832

01:22:14,630 --> 01:22:13,140

anybody else notice you oh wow like it's

1833

01:22:20,090 --> 01:22:14,640

any warmer here I think I'm gonna yeah

1834

01:22:22,040 --> 01:22:20,100

no you know be down to my skin so if we

1835

01:22:28,300 --> 01:22:22,050

were to link all these interesting I got

1836

01:22:34,700 --> 01:22:32,360

yeah no it's fine we should probably

1837

01:22:37,460 --> 01:22:34,710

please give me the sign of like you're

1838

01:22:40,130 --> 01:22:37,470

licking his chops yep yep okay yeah all

1839

01:22:42,770 --> 01:22:40,140

right I think you take a break how are

1840

01:22:44,240 --> 01:22:42,780

we gonna give them a downstairs like I

1841

01:22:52,610 --> 01:22:44,250

could get anything last words you want

1842

01:22:53,870 --> 01:22:52,620

to say good luck sleeping Thanks perfect

1843

01:23:06,470 --> 01:22:53,880

it's very high the back seat of my car

1844

01:23:11,780 --> 01:23:06,480

oh yeah well we give me what do you want

1845

01:23:13,130 --> 01:23:11,790

20 bucks or something kid yeah I was

1846

01:23:15,410 --> 01:23:13,140

gonna say need a bite to eat I didn't

1847

01:23:16,910 --> 01:23:15,420

want to go in yeah sounds a Kentucky

1848

01:23:17,240 --> 01:23:16,920

Fried Chicken hate to swim in there all

1849

01:23:22,130 --> 01:23:17,250

the time

1850

01:23:25,430 --> 01:23:22,140

here you go that interests you just get

1851
01:23:31,580 --> 01:23:25,440
them fatter and then BOOM thank you

1852
01:23:32,630 --> 01:23:31,590
black I'd get a great future ahead of so

1853
01:23:34,820 --> 01:23:32,640
listen why don't we take a commercial

1854
01:23:39,320 --> 01:23:34,830
break down the in one line and settle

1855
01:23:40,700 --> 01:23:39,330
down calm down okay and we'll be right

1856
01:23:42,410 --> 01:23:40,710
back after listen you listen to my

1857
01:23:45,260 --> 01:23:42,420
qualities miltank style show here on the

1858
01:23:49,400 --> 01:23:45,270
distance Thunder radio network we'll be

1859
01:23:51,590 --> 01:23:49,410
right back after over the years Air

1860
01:23:53,660 --> 01:23:51,600
Force Major Hawk Hunter and his band of

1861
01:23:55,880 --> 01:23:53,670
patriotic fighter pilots have fought

1862
01:23:58,460 --> 01:23:55,890
tirelessly to reunite a fractured

1863
01:23:59,710 --> 01:23:58,470

America devastated by a Russian sneak

1864

01:24:02,740 --> 01:23:59,720

attack

1865

01:24:05,920 --> 01:24:02,750

now returning from a mysterious Space

1866

01:24:08,620 --> 01:24:05,930

Odyssey hunter finds a huge Russian army

1867

01:24:11,740 --> 01:24:08,630

occupying New York City ready to invade

1868

01:24:13,810 --> 01:24:11,750

the rest of America buzzing through the

1869

01:24:16,330 --> 01:24:13,820

city skyscraper canyons in a tiny

1870

01:24:18,700 --> 01:24:16,340

top-secret ghost plane and seeing the

1871

01:24:20,830 --> 01:24:18,710

invaders massive weaponry for himself

1872

01:24:22,990 --> 01:24:20,840

Hawk realizes he's up against the

1873

01:24:23,970 --> 01:24:23,000

greatest danger his homeland has ever

1874

01:24:26,770 --> 01:24:23,980

faced

1875

01:24:28,690 --> 01:24:26,780

but equally alarming are reports

1876

01:24:30,820 --> 01:24:28,700

claiming that Hawks former girlfriend

1877

01:24:32,830 --> 01:24:30,830

Dominique is living with the head of the

1878

01:24:36,430 --> 01:24:32,840

Russian secret police in a Manhattan

1879

01:24:40,030 --> 01:24:36,440

penthouse is she is prisoner or is she

1880

01:24:42,250 --> 01:24:40,040

something else with the woman in the

1881

01:24:44,650 --> 01:24:42,260

country he loves in dire peril hawk

1882

01:24:46,900 --> 01:24:44,660

hunter the wing man will apply all his

1883

01:24:49,600 --> 01:24:46,910

aviation prowess to launch the most

1884

01:24:53,020 --> 01:24:49,610

crucial battle for America yet no matter

1885

01:24:55,270 --> 01:24:53,030

what the risks filled with fast-paced

1886

01:24:57,760 --> 01:24:55,280

action a wide range of aircraft and

1887

01:24:59,500 --> 01:24:57,770

military hardware battle for America

1888

01:25:02,230 --> 01:24:59,510

brings back your favorite characters

1889

01:25:04,750 --> 01:25:02,240

from earlier books in the wingman series

1890

01:25:07,030 --> 01:25:04,760

and delivers a riveting story that

1891

01:25:11,110 --> 01:25:07,040

reveals new insight on America's most

1892

01:25:14,440 --> 01:25:11,120

famous hero the wingman that's wingman

1893

01:25:16,990 --> 01:25:14,450

18 the battle for America on sale now at

1894

01:25:21,700 --> 01:25:17,000

amazon.com and available at your local

1895

01:25:23,500 --> 01:25:21,710

bookstore after the events of 9/11 we

1896

01:25:26,620 --> 01:25:23,510

thought America would never be the same

1897

01:25:29,290 --> 01:25:26,630

our homeland was attacked our fellow

1898

01:25:33,520 --> 01:25:29,300

Americans killed by terrorists it seemed

1899

01:25:35,230 --> 01:25:33,530

like all hope was lost until a special

1900

01:25:37,930 --> 01:25:35,240

group of Patriots came together and

1901
01:25:41,710 --> 01:25:37,940
defied the Pentagon and vowed to take

1902
01:25:43,570 --> 01:25:41,720
revenge but in their own way they took

1903
01:25:45,430 --> 01:25:43,580
the battle to the terrorists doorstep

1904
01:25:48,070 --> 01:25:45,440
turning the tables on the murderers

1905
01:25:50,500 --> 01:25:48,080
fighting with no rules taking no

1906
01:25:53,170 --> 01:25:50,510
prisoners until they became terrorists

1907
01:25:56,140 --> 01:25:53,180
themselves this is the story of the

1908
01:25:58,750 --> 01:25:56,150
super Hawks soldiers so secret even the

1909
01:26:00,940 --> 01:25:58,760
president didn't know they existed their

1910
01:26:02,500 --> 01:26:00,950
mission was to kill bin Laden but they

1911
01:26:05,680 --> 01:26:02,510
wound up saving the world

1912
01:26:07,990 --> 01:26:05,690
super hawks a new series for Kindles and

1913
01:26:11,360 --> 01:26:08,000

nooks by Mack Maloney available on

1914

01:26:11,370 --> 01:26:25,919

[Music]

1915

01:26:30,810 --> 01:26:28,229

I'm Liam Neeson you're listening to the

1916

01:26:33,209 --> 01:26:30,820

Mack Maloney military x-file show on

1917

01:26:35,370 --> 01:26:33,219

distant Thunder radio network if you

1918

01:26:39,410 --> 01:26:35,380

don't listen to him I have a particular

1919

01:26:41,250 --> 01:26:39,420

set of skills and I will find you

1920

01:26:43,020 --> 01:26:41,260

welcome back I'm going to my college

1921

01:26:45,060 --> 01:26:43,030

mill tracks our show here on the distant

1922

01:26:47,100 --> 01:26:45,070

Thunder radio and network this McClung

1923

01:26:50,330 --> 01:26:47,110

and the studio with us tonight the very

1924

01:26:57,209 --> 01:26:50,340

same as one one is here sir I'm here

1925

01:27:03,209 --> 01:26:57,219

right oh really yeah and you're a wash

1926

01:27:05,070 --> 01:27:03,219

and Tom Brady year ago last week now do

1927

01:27:06,689 --> 01:27:05,080

you go shopping at a certain time of

1928

01:27:08,340 --> 01:27:06,699

year for the new year then we'll come

1929

01:27:09,689 --> 01:27:08,350

out like in about a month or so I keep

1930

01:27:12,149 --> 01:27:09,699

an eye on what's going on with the

1931

01:27:14,520 --> 01:27:12,159

Patriots Pro Shop oh really oh okay all

1932

01:27:18,630 --> 01:27:14,530

right no they got jewelry they could you

1933

01:27:19,740 --> 01:27:18,640

yeah it's a crafted jewelry I don't know

1934

01:27:21,209 --> 01:27:19,750

I don't know if there's any earrings

1935

01:27:22,770 --> 01:27:21,219

that look like Tom Brady but they're on

1936

01:27:24,120 --> 01:27:22,780

getting some for my son if that's what I

1937

01:27:25,890 --> 01:27:24,130

was gonna get give a Christmas one one

1938

01:27:27,419 --> 01:27:25,900

you do this I think this earrings that

1939

01:27:29,060 --> 01:27:27,429

look like the Super Bowl they're really

1940

01:27:30,990 --> 01:27:29,070

nice with your bellybutton piercing

1941

01:27:32,970 --> 01:27:31,000

bellybutton that's another let's see

1942

01:27:34,590 --> 01:27:32,980

that's another dig at no bellybutton man

1943

01:27:37,200 --> 01:27:34,600

you see how are you kind of can jumped

1944

01:27:40,500 --> 01:27:37,210

in it's just T b12 or something like

1945

01:27:43,229 --> 01:27:40,510

that I'm all over it Wow okay also in

1946

01:27:45,720 --> 01:27:43,239

the studio with us tonight at a

1947

01:27:49,649 --> 01:27:45,730

disclosed location one studio OVA

1948

01:27:54,540 --> 01:27:49,659

makeovers here good evening gentlemen

1949

01:27:57,090 --> 01:27:54,550

we exchanged salutes with one one

1950

01:27:58,830 --> 01:27:57,100

earlier so that covers it oh wow that

1951

01:28:03,630 --> 01:27:58,840

covers nice right okay you guys can

1952

01:28:05,209 --> 01:28:03,640

salute I could stand precedent as I'll

1953

01:28:07,200 --> 01:28:05,219

strum the studio with us tonight a

1954

01:28:08,160 --> 01:28:07,210

celebrity drop and the very famous

1955

01:28:13,729 --> 01:28:08,170

author

1956

01:28:18,570 --> 01:28:15,810

shaking me huh did you see the lights

1957

01:28:21,450 --> 01:28:18,580

flashing up here is what we get reports

1958

01:28:24,899 --> 01:28:21,460

of from our own last week man that wall

1959

01:28:28,320 --> 01:28:24,909

away yeah reports of lights flashing it

1960

01:28:36,330 --> 01:28:28,330

was three things like flashing women

1961

01:28:38,809 --> 01:28:36,340

going at all hours and smoke down near

1962

01:28:41,759 --> 01:28:38,819

the front door that's why I came by

1963

01:28:43,290 --> 01:28:41,769

we're really disappointed okay

1964

01:28:46,079 --> 01:28:43,300

these are neighbors from across I still

1965

01:28:48,029 --> 01:28:46,089

like you guys thought yeah if that

1966

01:28:50,309 --> 01:28:48,039

happens one one you'll be the first to

1967

01:28:54,659 --> 01:28:50,319

know okay good code word for that

1968

01:28:57,629 --> 01:28:54,669

operation will be dumb drops mics the

1969

01:29:01,020 --> 01:28:57,639

pool of the last longshoremen no Amazon

1970

01:29:02,579 --> 01:29:01,030

and and Piatt yeah yeah it's cool it's a

1971

01:29:04,349 --> 01:29:02,589

cool book it's a cool book

1972

01:29:06,209 --> 01:29:04,359

it's about crime in Boston before whitey

1973

01:29:07,770 --> 01:29:06,219

bulger makes whitey bulger look like I

1974

01:29:10,589 --> 01:29:07,780

want to say boy scout I don't want to

1975

01:29:12,779 --> 01:29:10,599

get mad at me but there were rough

1976

01:29:15,209 --> 01:29:12,789

people you know and cool waiting on the

1977

01:29:19,819 --> 01:29:15,219

waterfront in South Boston it thanks for

1978

01:29:25,169 --> 01:29:19,829

dropping in anytime guys you know and

1979

01:29:26,609 --> 01:29:25,179

gangster dependence getting back no

1980

01:29:31,770 --> 01:29:26,619

absolutely not how weak I made it

1981

01:29:36,839 --> 01:29:31,780

through alive I was a columnist in

1982

01:29:38,819 --> 01:29:36,849

Boston yeah I don't agree with anything

1983

01:29:40,079 --> 01:29:38,829

he says but he's got guts man because he

1984

01:29:42,959 --> 01:29:40,089

would write a story about why you punk

1985

01:29:44,520 --> 01:29:42,969

ever almost everyday years you know just

1986

01:29:46,770 --> 01:29:44,530

tell him the story about what was really

1987

01:29:48,809 --> 01:29:46,780

going on and finally they catch up with

1988

01:29:51,209 --> 01:29:48,819

a lady but yeah he they could have

1989

01:29:52,859 --> 01:29:51,219

knocked him off at any anything at any

1990

01:29:54,479 --> 01:29:52,869

moment they set the message you know

1991

01:29:56,399 --> 01:29:54,489

yeah they could write him down

1992

01:29:59,819 --> 01:29:56,409

did they really yeah they they got when

1993

01:30:12,239 --> 01:29:59,829

we finally I don't know what it was but

1994

01:30:14,549 --> 01:30:12,249

the pansy no no I'm going back go back I

1995

01:30:17,669 --> 01:30:14,559

mean well before he went on the run no

1996

01:30:18,929 --> 01:30:17,679

no no no you know it's funny because you

1997

01:30:20,609 --> 01:30:18,939

know you always hear these you know

1998

01:30:22,649 --> 01:30:20,619

criminals that never really smart people

1999

01:30:24,540 --> 01:30:22,659

is what they usually say you know but

2000

01:30:26,520 --> 01:30:24,550

you know at least he had like a getaway

2001

01:30:27,959 --> 01:30:26,530

plan he really had like he got away for

2002

01:30:30,479 --> 01:30:27,969

him you know he had money stashed in

2003

01:30:31,859 --> 01:30:30,489

like seven or eight cities and we just

2004

01:30:33,899 --> 01:30:31,869

jet between them and you'd have like you

2005

01:30:35,489 --> 01:30:33,909

know 20,000 bucks in the wall it helps

2006

01:30:39,209 --> 01:30:35,499

to have an assist from the FBI you know

2007

01:30:41,089 --> 01:30:39,219

yeah oh yeah ten most wanted list ten

2008

01:30:45,270 --> 01:30:41,099

most water we do not want to find

2009

01:30:46,169 --> 01:30:45,280

exactly anyway really trip down Boston

2010

01:30:49,529 --> 01:30:46,179

laying there huh

2011

01:30:49,820 --> 01:30:49,539

Mike's the Pula the last longshoremen go

2012

01:30:55,670 --> 01:30:49,830

on

2013

01:30:59,900 --> 01:30:55,680

and you can see what we have the

2014

01:31:00,830 --> 01:30:59,910

products of right thank you much for

2015

01:31:02,300 --> 01:31:00,840

joining us thanks it

2016

01:31:03,650 --> 01:31:02,310

thanks to hip-hopping here thank you I

2017

01:31:07,010 --> 01:31:03,660

mean I felt good about my Charlestown

2018

01:31:09,110 --> 01:31:07,020

roots you know just a weekend Tony yeah

2019

01:31:11,120 --> 01:31:09,120

we can't Anna you go there yeah this is

2020

01:31:13,940 --> 01:31:11,130

just a physical of the weekend okay all

2021

01:31:16,250 --> 01:31:13,950

right we can use that again I know my

2022

01:31:19,010 --> 01:31:16,260

way around them oh yeah Charles don't

2023

01:31:21,020 --> 01:31:19,020

yeah my territory was Sullivan squared

2024

01:31:23,630 --> 01:31:21,030

of to the Bukka Hill Monument

2025

01:31:26,030 --> 01:31:23,640

Wow man that was my hood and what you do

2026

01:31:27,830 --> 01:31:26,040

go in urinating every comment DeSoto in

2027

01:31:29,990 --> 01:31:27,840

every corner free donuts went into this

2028

01:31:31,490 --> 01:31:30,000

earth little convenience store which

2029

01:31:34,700 --> 01:31:31,500

back then was called the you know the

2030

01:31:36,260 --> 01:31:34,710

the penny candy store I get the little

2031

01:31:37,940 --> 01:31:36,270

one wine coming up till they did you

2032

01:31:39,530 --> 01:31:37,950

yeah you maybe can imitate I love a

2033

01:31:41,240 --> 01:31:39,540

donut in the root beer barrels pigs

2034

01:31:53,810 --> 01:31:41,250

thank you What did he say like way back

2035

01:31:56,900 --> 01:31:53,820

then when saying that little one one

2036

01:32:00,080 --> 01:31:56,910

sounded like back then donuts and the

2037

01:32:01,790 --> 01:32:00,090

dots on the paper really candy dots that

2038

01:32:04,430 --> 01:32:01,800

appeal off the paper yeah

2039

01:32:06,830 --> 01:32:04,440

love those it's the one of the more

2040

01:32:08,990 --> 01:32:06,840

paper than candies it and I get the

2041

01:32:10,580 --> 01:32:09,000

freed Necco wafers when they lived in

2042

01:32:12,230 --> 01:32:10,590

Cambridge really yeah would you go to

2043

01:32:14,090 --> 01:32:12,240

the door of the year walk through

2044

01:32:15,830 --> 01:32:14,100

Central Square by the factory one of the

2045

01:32:18,320 --> 01:32:15,840

oldest confections the United States

2046

01:32:20,570 --> 01:32:18,330

Necco they went to the Civil War with

2047

01:32:22,070 --> 01:32:20,580

Union troops did they you sure they

2048

01:32:26,420 --> 01:32:22,080

didn't sell them nickel waifus to the

2049

01:32:28,460 --> 01:32:26,430

rebels very sure they went before with

2050

01:32:30,920 --> 01:32:28,470

the Union troops businesses on the in

2051

01:32:33,170 --> 01:32:30,930

the east they sold to both sides they

2052

01:32:34,430 --> 01:32:33,180

got big notorious for that so we didn't

2053

01:32:37,040 --> 01:32:34,440

say nickel candy might have done one

2054

01:32:39,350 --> 01:32:37,050

upon England confectionery company hmm a

2055

01:32:41,480 --> 01:32:39,360

little kid you eat Necco candy Devon you

2056

01:32:46,460 --> 01:32:41,490

know in Nicholas I yeah yeah you like

2057

01:32:48,110 --> 01:32:46,470

him I would have thought the black ones

2058

01:32:55,040 --> 01:32:48,120

would have been your favorite like your

2059

01:32:57,260 --> 01:32:55,050

is the last thing anyway hey switch yeah

2060

01:32:59,450 --> 01:32:57,270

so we serve you got a visit Boston one

2061

01:33:00,950 --> 01:32:59,460

of these days oh yeah visit these and to

2062

01:33:02,780 --> 01:33:00,960

tell locations that we're talking about

2063

01:33:07,760 --> 01:33:02,790

yeah well we'd love to share accomplish

2064

01:33:09,710 --> 01:33:07,770

and in one night we'll go to each

2065

01:33:14,600 --> 01:33:09,720

neighborhood in one night that'd be fun

2066

01:33:19,190 --> 01:33:14,610

well standoff in the sub dent okay so

2067

01:33:21,380 --> 01:33:19,200

switch you switch me there I thought I'd

2068

01:33:23,810 --> 01:33:21,390

wait you know he was googling every

2069

01:33:28,580 --> 01:33:23,820

place he we just one upset back and

2070

01:33:31,000 --> 01:33:28,590

jumping on it what is it with this upset

2071

01:33:33,170 --> 01:33:31,010

magnetic or is this part of your plan to

2072

01:33:36,320 --> 01:33:33,180

increase the number sound effect you can

2073

01:33:38,690 --> 01:33:36,330

do press show how about that for any of

2074

01:33:40,250 --> 01:33:38,700

my assigned sound effects so I don't

2075

01:33:42,800 --> 01:33:40,260

think that's true at all sir and under

2076

01:33:43,730 --> 01:33:42,810

advisement of my attorney I will not be

2077

01:33:48,230 --> 01:33:43,740

answering that question

2078

01:33:54,950 --> 01:33:48,240

oh hey little kid that sound like a boy

2079

01:33:57,110 --> 01:33:54,960

I wrote that right so switch yes

2080

01:33:59,750 --> 01:33:57,120

okay we were talking a couple weeks ago

2081

01:34:02,480 --> 01:33:59,760

about how in Washington State this seems

2082

01:34:04,190 --> 01:34:02,490

to be a convergence of like Bigfoot

2083

01:34:05,570 --> 01:34:04,200

sightings and UFO sightings is that

2084

01:34:07,850 --> 01:34:05,580

right that's right

2085

01:34:10,730 --> 01:34:07,860

we talked to it we kind of teased it a

2086

01:34:16,190 --> 01:34:10,740

little bit but we started out with this

2087

01:34:20,390 --> 01:34:16,200

in 1959 April there was this C 118 plane

2088

01:34:23,090 --> 01:34:20,400

had taken off and it all of a sudden was

2089

01:34:25,100 --> 01:34:23,100

a mayday call and they say you know

2090

01:34:28,360 --> 01:34:25,110

Mayday Mayday we've hit something and

2091

01:34:31,910 --> 01:34:28,370

then that's it the plane crash landed

2092

01:34:35,210 --> 01:34:31,920

between orking and summer Washington

2093

01:34:37,130 --> 01:34:35,220

State and this was actually this was

2094

01:34:40,750 --> 01:34:37,140

reported by Frank Edwards we remember

2095

01:34:43,520 --> 01:34:40,760

Frank books he used to write write and

2096

01:34:45,110 --> 01:34:43,530

apparently they they immediately the

2097

01:34:49,790 --> 01:34:45,120

military came in cordoned off the area

2098

01:34:52,940 --> 01:34:49,800

nobody could get in and and so it was

2099

01:34:54,890 --> 01:34:52,950

everything was shut down now some of the

2100

01:34:56,870 --> 01:34:54,900

investigators from a pro that was the

2101
01:34:59,630 --> 01:34:56,880
aerial phenomena research organization

2102
01:35:01,840 --> 01:34:59,640
one of the really good UFO organizations

2103
01:35:04,310 --> 01:35:01,850
at the time and of course long-defunct

2104
01:35:07,040 --> 01:35:04,320
they located several of the witnesses

2105
01:35:08,660 --> 01:35:07,050
that saw this thing go down and they

2106
01:35:12,350 --> 01:35:08,670
said that this plane seemed to be

2107
01:35:15,980 --> 01:35:12,360
pursued by some kind of orange yellow

2108
01:35:16,670 --> 01:35:15,990
objects more it seemed like there like

2109
01:35:17,810 --> 01:35:16,680
like or

2110
01:35:20,570 --> 01:35:17,820
or something like that they didn't

2111
01:35:22,850 --> 01:35:20,580
really call it a metallic object but you

2112
01:35:25,010 --> 01:35:22,860
know just some type of strange light had

2113
01:35:27,290 --> 01:35:25,020

been following this craft before it went

2114

01:35:29,210 --> 01:35:27,300

down and there had been several reports

2115

01:35:32,540 --> 01:35:29,220

of these strange lights in that area

2116

01:35:34,850 --> 01:35:32,550

earlier of course eight there was a

2117

01:35:36,950 --> 01:35:34,860

spokesman for McChord Air Force Base and

2118

01:35:39,680 --> 01:35:36,960

he said you know nothing to see here

2119

01:35:42,290 --> 01:35:39,690

what the people had seen were parachute

2120

01:35:43,610 --> 01:35:42,300

flares hmm well then he's come out of

2121

01:35:46,040 --> 01:35:43,620

that excuse that's what they said in

2122

01:35:50,570 --> 01:35:46,050

Phoenix so the Phoenix my parachute

2123

01:35:54,410 --> 01:35:50,580

hazard please sure please so now we

2124

01:35:57,560 --> 01:35:54,420

flash forward from 1959 to the early 70s

2125

01:36:00,110 --> 01:35:57,570

a lady named Sally Shepherd Wolford and

2126

01:36:03,770 --> 01:36:00,120

her husband John and her three daughters

2127

01:36:05,870 --> 01:36:03,780

moved to this a very small cabin in

2128

01:36:07,820 --> 01:36:05,880

ording in the same general area and

2129

01:36:12,200 --> 01:36:07,830

there right along the I guess it's

2130

01:36:13,700 --> 01:36:12,210

pronounced Carbon River CA RPO in anyway

2131

01:36:16,160 --> 01:36:13,710

this is a really very rural area they

2132

01:36:17,600 --> 01:36:16,170

have a few neighbors a very small cabin

2133

01:36:22,190 --> 01:36:17,610

for this number of people to be crammed

2134

01:36:24,890 --> 01:36:22,200

in and the significance is now her her

2135

01:36:28,220 --> 01:36:24,900

youngest daughter autumn autumn Williams

2136

01:36:29,810 --> 01:36:28,230

it is going to be known by any anybody

2137

01:36:31,970 --> 01:36:29,820

that's interested in Bigfoot or Bigfoot

2138

01:36:34,310 --> 01:36:31,980

researchers she grew up to be very very

2139

01:36:35,690 --> 01:36:34,320

prominent in the Bigfoot community and a

2140

01:36:36,230 --> 01:36:35,700

really good research what's her name you

2141

01:36:39,800 --> 01:36:36,240

know

2142

01:36:41,450 --> 01:36:39,810

autumn Williams Wow now this is

2143

01:36:47,200 --> 01:36:41,460

chronicled it was like someone Ferran as

2144

01:37:01,090 --> 01:36:56,450

yeah a magnet serious stuff I Sally

2145

01:37:03,680 --> 01:37:01,100

wrote a book in later years to kind of

2146

01:37:05,720 --> 01:37:03,690

you know when autumn became interested

2147

01:37:07,820 --> 01:37:05,730

in Bigfoot and so forth she didn't

2148

01:37:10,070 --> 01:37:07,830

really she was only like three to five

2149

01:37:11,840 --> 01:37:10,080

when she was living in this area she

2150

01:37:13,790 --> 01:37:11,850

didn't remember too much of it so Sally

2151
01:37:17,450 --> 01:37:13,800
wrote the book called valley of the

2152
01:37:19,520 --> 01:37:17,460
Skookum that's sko o kay um which is the

2153
01:37:22,340 --> 01:37:19,530
Native American one of the many Native

2154
01:37:23,930 --> 01:37:22,350
American words for Bigfoot and it's a

2155
01:37:28,870 --> 01:37:23,940
chronicle all the bazzara stuff that

2156
01:37:32,649 --> 01:37:28,880
happened there okay now

2157
01:37:34,510 --> 01:37:32,659
I was Sally started hearing when she'd

2158
01:37:36,640 --> 01:37:34,520
go to sleep at night her husband John

2159
01:37:38,530 --> 01:37:36,650
would go out now he's super skeptical

2160
01:37:42,010 --> 01:37:38,540
she wouldn't tell him any of this other

2161
01:37:44,169 --> 01:37:42,020
stuff that she started to see but Oh

2162
01:37:47,050 --> 01:37:44,179
before I get to that I wanted to mention

2163
01:37:49,930 --> 01:37:47,060

that she had a one of her neighbors was

2164

01:37:52,840 --> 01:37:49,940

named Jody a Native American lady and

2165

01:37:55,149 --> 01:37:52,850

what they did was they she can read this

2166

01:37:58,000 --> 01:37:55,159

report about this collision or crash

2167

01:37:59,260 --> 01:37:58,010

whatever it was in Frank Edwards book so

2168

01:38:01,149 --> 01:37:59,270

they decided why don't they go to the

2169

01:38:03,490 --> 01:38:01,159

local newspaper and see what they can

2170

01:38:05,140 --> 01:38:03,500

find out and so they they get there and

2171

01:38:07,540 --> 01:38:05,150

they find out they've had new owners and

2172

01:38:08,770 --> 01:38:07,550

they're not kind of just organized so

2173

01:38:12,160 --> 01:38:08,780

they they had to go back and actually

2174

01:38:14,649 --> 01:38:12,170

put the the papers in order themselves

2175

01:38:17,200 --> 01:38:14,659

and I'm I'm I suspect this was just a

2176
01:38:18,879 --> 01:38:17,210
weekly hunka because otherwise it would

2177
01:38:20,979 --> 01:38:18,889
have been unmanageable because they

2178
01:38:24,399 --> 01:38:20,989
actually had some issues that dated back

2179
01:38:26,919 --> 01:38:24,409
to the late 1800s hmm so they have

2180
01:38:28,959 --> 01:38:26,929
anyway the long story short they go in

2181
01:38:30,399 --> 01:38:28,969
they get down to the date that this is

2182
01:38:32,500 --> 01:38:30,409
supposed to have happened and then

2183
01:38:34,780 --> 01:38:32,510
newspaper is missing and then it's also

2184
01:38:36,820 --> 01:38:34,790
missing for several days afterwards no

2185
01:38:38,830 --> 01:38:36,830
what was the date what date would they

2186
01:38:41,620 --> 01:38:38,840
look now 8 while April first was the

2187
01:38:47,729 --> 01:38:41,630
first date all right April first what

2188
01:38:51,669 --> 01:38:47,739

shot lines up pretty good right ok so

2189

01:38:57,100 --> 01:38:51,679

then as as time goes on well actually

2190

01:38:58,840 --> 01:38:57,110

one of the first incidents they had all

2191

01:39:01,120 --> 01:38:58,850

they had was this little wood stove to

2192

01:39:02,350 --> 01:39:01,130

cook into heat mmm initially when they

2193

01:39:05,410 --> 01:39:02,360

if they later on they got electricity

2194

01:39:08,350 --> 01:39:05,420

but so when the when John was at work

2195

01:39:09,790 --> 01:39:08,360

and the older girls were in school Sally

2196

01:39:12,310 --> 01:39:09,800

and her daughter autumn would go out and

2197

01:39:15,310 --> 01:39:12,320

pick up wooden sticks and so forth well

2198

01:39:17,410 --> 01:39:15,320

one one misty morning after they hadn't

2199

01:39:20,229 --> 01:39:17,420

been there very long Sally looks up and

2200

01:39:22,419 --> 01:39:20,239

sees a seven-foot tall hairy Bigfoot was

2201

01:39:24,850 --> 01:39:22,429

standing looking at her next to it is

2202

01:39:29,560 --> 01:39:24,860

they won about half the size mmm they're

2203

01:39:32,530 --> 01:39:29,570

just kind of standing there hmm so she's

2204

01:39:38,439 --> 01:39:32,540

like a parent than in a child apparently

2205

01:39:40,300 --> 01:39:38,449

yeah okay well hey in a studio what do

2206

01:39:42,129 --> 01:39:40,310

you think of that a big Bigfoot and then

2207

01:39:46,830 --> 01:39:42,139

half size before

2208

01:39:48,909 --> 01:39:46,840

I don't like being in at waist level I

2209

01:39:50,799 --> 01:39:48,919

can see why

2210

01:39:56,409 --> 01:39:50,809

sorry about that switch go ahead please

2211

01:39:59,139 --> 01:39:56,419

I switch it why we're obviously truck

2212

01:40:01,839 --> 01:39:59,149

impose ourselves here you said a hairy

2213

01:40:03,639 --> 01:40:01,849

Bigfoot have we had any reports of non

2214

01:40:07,319 --> 01:40:03,649

hairy big for me like a shaven big

2215

01:40:10,449 --> 01:40:07,329

actually there are some that are much

2216

01:40:13,779 --> 01:40:10,459

supposedly much less hairy and in fact

2217

01:40:15,399 --> 01:40:13,789

these two looked very human when when

2218

01:40:17,469 --> 01:40:15,409

autumn was asked in later years I mean

2219

01:40:20,290 --> 01:40:17,479

she vaguely remembered this incident as

2220

01:40:21,879 --> 01:40:20,300

a child she didn't think anything of it

2221

01:40:24,069 --> 01:40:21,889

I mean her mother told her you know turn

2222

01:40:26,109 --> 01:40:24,079

around and don't run just walk away and

2223

01:40:29,739 --> 01:40:26,119

then she sadly ran grabbed her and they

2224

01:40:32,379 --> 01:40:29,749

took off but as autumn remembers it they

2225

01:40:34,629 --> 01:40:32,389

they looked very human to her only with

2226

01:40:37,540 --> 01:40:34,639

more hair and in the early 70s when

2227

01:40:39,520 --> 01:40:37,550

people were you know lost in a sea of

2228

01:40:41,379 --> 01:40:39,530

hair and facial hair she just thought

2229

01:40:44,229 --> 01:40:41,389

yeah it's no big deal that just they

2230

01:40:46,120 --> 01:40:44,239

look like my father's friends so to the

2231

01:40:48,669 --> 01:40:46,130

mind of the child they didn't look they

2232

01:40:52,209 --> 01:40:48,679

didn't look very similar let's put it

2233

01:40:54,509 --> 01:40:52,219

that way all right like Chewbacca didn't

2234

01:40:57,250 --> 01:40:54,519

like that different in that pattern well

2235

01:40:59,489 --> 01:40:57,260

okay so why would these people living in

2236

01:41:02,080 --> 01:40:59,499

such a remote location ever get a yeah I

2237

01:41:03,459 --> 01:41:02,090

I don't not sure why they picked the

2238

01:41:04,750 --> 01:41:03,469

area they picked the cabin because it

2239

01:41:06,939 --> 01:41:04,760

was all the only thing they could afford

2240

01:41:11,319 --> 01:41:06,949

no I mean it was very very rustic very

2241

01:41:12,540 --> 01:41:11,329

uh you know very no no frills and they

2242

01:41:15,969 --> 01:41:12,550

just were you know in a situation

2243

01:41:18,520 --> 01:41:15,979

financial situation where they had to do

2244

01:41:22,209 --> 01:41:18,530

that okay okay so I'm sorry so they see

2245

01:41:24,429 --> 01:41:22,219

these two big feet and right well at

2246

01:41:26,979 --> 01:41:24,439

night after night she's hearing these

2247

01:41:28,199 --> 01:41:26,989

large animals or whatever moving through

2248

01:41:31,000 --> 01:41:28,209

the woods

2249

01:41:33,040 --> 01:41:31,010

smashing trash cans sometimes she'd

2250

01:41:34,799 --> 01:41:33,050

smell the that's horrible odor that's

2251

01:41:37,600 --> 01:41:34,809

associated with these things sometimes

2252

01:41:40,899 --> 01:41:37,610

okay Kevin for the grand prize of 1

2253

01:41:44,469 --> 01:41:40,909

million dollars what color is the White

2254

01:41:47,379 --> 01:41:44,479

House I know this I know this I know

2255

01:41:50,020 --> 01:41:47,389

this five seconds

2256

01:41:52,089 --> 01:41:50,030

Oh switching to Geico could save you a

2257

01:41:56,500 --> 01:41:52,099

bunch of money on car insurance

2258

01:41:59,319 --> 01:41:56,510

okay judges that's true Kevin Dillon

2259

01:42:02,619 --> 01:41:59,329

Owen congratulations you're a winner

2260

01:42:05,040 --> 01:42:02,629

yeah Geico because saving 15% or more on

2261

01:42:07,839 --> 01:42:05,050

car insurance is always a great answer

2262

01:42:09,069 --> 01:42:07,849

her husband would be sound asleep and

2263

01:42:10,869 --> 01:42:09,079

she couldn't even wake him up

2264

01:42:12,639 --> 01:42:10,879

and this sounds very similar to some

2265

01:42:15,459 --> 01:42:12,649

actually other paranormal or UFO

2266

01:42:18,549 --> 01:42:15,469

incidents where one person is awake and

2267

01:42:20,290 --> 01:42:18,559

it was unable to you know awaken the

2268

01:42:23,109 --> 01:42:20,300

other person for some reason right yeah

2269

01:42:24,790 --> 01:42:23,119

but she she actually didn't tell him of

2270

01:42:28,779 --> 01:42:24,800

this incident because she knew how

2271

01:42:30,879 --> 01:42:28,789

skeptical he was but then I you know you

2272

01:42:33,759 --> 01:42:30,889

look at this thing and there's all kinds

2273

01:42:35,889 --> 01:42:33,769

of other things that happened now her

2274

01:42:39,060 --> 01:42:35,899

her friend yo D her family was also

2275

01:42:42,310 --> 01:42:39,070

experiencing a lot of this weird stuff

2276

01:42:45,069 --> 01:42:42,320

they also had sort of a strange like

2277

01:42:47,080 --> 01:42:45,079

poltergeist phenomena happened in the

2278

01:42:48,549 --> 01:42:47,090

house there the lights would go on and

2279

01:42:50,500 --> 01:42:48,559

off without the flipping the lights

2280

01:42:53,109 --> 01:42:50,510

which the burners on the stove would

2281

01:42:54,879 --> 01:42:53,119

turn on by themselves the washer once

2282

01:42:57,939 --> 01:42:54,889

they got a washer that would fill by

2283

01:42:59,859 --> 01:42:57,949

itself and her husband couldn't figure

2284

01:43:01,719 --> 01:42:59,869

it out he was an electrician and the

2285

01:43:03,609 --> 01:43:01,729

electrical part he couldn't he

2286

01:43:05,349 --> 01:43:03,619

absolutely you know would rewire stuff

2287

01:43:06,790 --> 01:43:05,359

and and pull his hair out trying to

2288

01:43:09,699 --> 01:43:06,800

figure out what was going on hmm

2289

01:43:12,099 --> 01:43:09,709

well now his first dose of reality was

2290

01:43:13,629 --> 01:43:12,109

when the Karman river flooded they they

2291

01:43:16,540 --> 01:43:13,639

nearly lost their cabin and I guess some

2292

01:43:18,459 --> 01:43:16,550

of their friends did but he was John was

2293

01:43:20,229 --> 01:43:18,469

out checking on neighbors to see how

2294

01:43:23,409 --> 01:43:20,239

they were doing and he and one of his

2295

01:43:27,069 --> 01:43:23,419

one of his neighbors looked across the

2296

01:43:29,500 --> 01:43:27,079

river and they saw in in full view

2297

01:43:31,449 --> 01:43:29,510

daylight a Bigfoot climbing up the bank

2298

01:43:33,759 --> 01:43:31,459

hmm and it would stop it would turn

2299

01:43:35,529 --> 01:43:33,769

around and look at them and then turn

2300

01:43:37,719 --> 01:43:35,539

back around and they'd keep climbing up

2301

01:43:40,330 --> 01:43:37,729

the bank until it went over the rise and

2302

01:43:43,899 --> 01:43:40,340

they couldn't see it anymore hmm Wow but

2303

01:43:46,359 --> 01:43:43,909

even then he just flatly he was in shock

2304

01:43:47,859 --> 01:43:46,369

when he got home and he didn't say what

2305

01:43:51,459 --> 01:43:47,869

happened his friend did friend told

2306

01:43:54,339 --> 01:43:51,469

Sally hmm yeah he just he still he was

2307

01:43:55,899 --> 01:43:54,349

in denial right before at least four up

2308

01:43:57,849 --> 01:43:55,909

here two times let's you guys think you

2309

01:43:59,080 --> 01:43:57,859

know who would hoax it then it's it's

2310

01:44:01,119 --> 01:43:59,090

during the flood you know people's

2311

01:44:03,399 --> 01:44:01,129

houses being washed away and so on my

2312

01:44:04,280 --> 01:44:03,409

father why do I have all the times to do

2313

01:44:06,020 --> 01:44:04,290

a home

2314

01:44:13,040 --> 01:44:06,030

I'm gonna do it quick there you go quick

2315

01:44:14,690 --> 01:44:13,050

laughs yeah okay please do I the

2316

01:44:18,080 --> 01:44:14,700

strangeness continued yo Dee's daughter

2317

01:44:20,060 --> 01:44:18,090

saw one of the Bigfoots at night and she

2318

01:44:22,310 --> 01:44:20,070

saw it clearly enough though it was dark

2319

01:44:23,960 --> 01:44:22,320

and then all the sudden it vanished I

2320

01:44:28,160 --> 01:44:23,970

mean it didn't didn't melt into the

2321

01:44:29,630 --> 01:44:28,170

trees it simply just disappeared once

2322

01:44:32,090 --> 01:44:29,640

there was one pretty Pacific tacular

2323

01:44:34,550 --> 01:44:32,100

night they actually got they couldn't yo

2324

01:44:35,570 --> 01:44:34,560

Dee and Sally their houses were just far

2325

01:44:37,460 --> 01:44:35,580

enough apart they couldn't see each

2326

01:44:39,200 --> 01:44:37,470

other there's the path that connected

2327

01:44:40,730 --> 01:44:39,210

them but they got Seabees where they

2328

01:44:43,100 --> 01:44:40,740

could talk back and forth to each other

2329

01:44:45,740 --> 01:44:43,110

mm-hmm well one night yo Dee and her

2330

01:44:47,780 --> 01:44:45,750

husband witnessed three Bigfoot's for a

2331

01:44:50,120 --> 01:44:47,790

long period of time just kind of in

2332

01:44:51,620 --> 01:44:50,130

their yard moving around mm-hmm and it

2333

01:44:56,660 --> 01:44:51,630

was it really freaked out her husband

2334

01:44:58,580 --> 01:44:56,670

and and he heard her daughter Emily also

2335

01:45:01,130 --> 01:44:58,590

witnessed it and it was really strange

2336

01:45:04,010 --> 01:45:01,140

because you I think you've heard of

2337

01:45:06,230 --> 01:45:04,020

situations where people have had some

2338

01:45:12,640 --> 01:45:06,240

kind of UFO encounter mm-hm or something

2339

01:45:25,010 --> 01:45:22,550

probed he's just begging for Emily had

2340

01:45:27,760 --> 01:45:25,020

been the shy and retiring young lady and

2341

01:45:30,680 --> 01:45:27,770

she just completely changed he became

2342

01:45:33,230 --> 01:45:30,690

incredibly outgoing she wouldn't shut up

2343

01:45:35,510 --> 01:45:33,240

she was just you know full of life and

2344

01:45:37,970 --> 01:45:35,520

exuberance her husband on the other hand

2345

01:45:39,860 --> 01:45:37,980

turned into kind of a wimp he kind of

2346

01:45:41,750 --> 01:45:39,870

withdrew within himself he'd wrap

2347

01:45:43,370 --> 01:45:41,760

himself in blankets and drink tea if

2348

01:45:45,320 --> 01:45:43,380

ever he saw the you know had this

2349

01:45:49,100 --> 01:45:45,330

experience it just absolutely freaked

2350

01:45:50,930 --> 01:45:49,110

him out right Wow well what happens if I

2351

01:45:53,720 --> 01:45:50,940

want one one dental psychology in

2352

01:45:55,730 --> 01:45:53,730

college I did yeah what do you think

2353

01:45:58,640 --> 01:45:55,740

about that at first wrapping yourself in

2354

01:46:01,550 --> 01:45:58,650

well know that the woman was very you

2355

01:46:03,620 --> 01:46:01,560

know kind of a not the dominant part of

2356

01:46:06,560 --> 01:46:03,630

the couple the husband was to see you a

2357

01:46:09,530 --> 01:46:06,570

falling on sudden they were their rules

2358

01:46:11,720 --> 01:46:09,540

change it seems well obviously they were

2359

01:46:13,970 --> 01:46:11,730

abducted and then they just decided to

2360

01:46:16,520 --> 01:46:13,980

switch brains switch brains okay all

2361

01:46:17,570 --> 01:46:16,530

right so it was probably a switch brain

2362

01:46:20,210 --> 01:46:17,580

switching operation

2363

01:46:24,620 --> 01:46:20,220

right that that fills in all the wines

2364

01:46:27,380 --> 01:46:24,630

you suck you suck the blame rain energy

2365

01:46:29,270 --> 01:46:27,390

out of the brain oh okay

2366

01:46:30,650 --> 01:46:29,280

put it in the other brain I said do the

2367

01:46:32,360 --> 01:46:30,660

same thing it was fun because she gets

2368

01:46:38,900 --> 01:46:32,370

stronger and funnier and he couldn't

2369

01:46:40,580 --> 01:46:38,910

shut her up after that okay now Sally

2370

01:46:41,690 --> 01:46:40,590

and John couldn't see I mean they were

2371

01:46:44,140 --> 01:46:41,700

they were hearing what was going on over

2372

01:46:46,850 --> 01:46:44,150

the CB but when they looked at the path

2373

01:46:50,660 --> 01:46:46,860

connecting it they could see John could

2374

01:46:51,440 --> 01:46:50,670

see footprints appear in the dirt but

2375

01:46:53,960 --> 01:46:51,450

nothing was there

2376

01:46:56,000 --> 01:46:53,970

Wow that that was that got his attention

2377

01:46:57,530 --> 01:46:56,010

enough that he became a believer that

2378

01:46:59,600 --> 01:46:57,540

something really bizarre was going on

2379

01:47:01,130 --> 01:46:59,610

but stranger we've talked about this

2380

01:47:04,100 --> 01:47:01,140

before I mean because a lot of people

2381

01:47:05,810 --> 01:47:04,110

say that the Bigfoots just disappear

2382

01:47:07,190 --> 01:47:05,820

just they'll see them and they're there

2383

01:47:09,620 --> 01:47:07,200

one minute and then they're gone almost

2384

01:47:12,980 --> 01:47:09,630

like they have this you know what I mean

2385

01:47:14,780 --> 01:47:12,990

it's kind of absolutely but they see the

2386

01:47:16,820 --> 01:47:14,790

footprint yeah some kind of I don't know

2387

01:47:18,650 --> 01:47:16,830

I hate to say it because Tom stop

2388

01:47:21,860 --> 01:47:18,660

tracking something like a cloaking you

2389

01:47:24,290 --> 01:47:21,870

know why would some kind of a animal

2390

01:47:25,400 --> 01:47:24,300

that doesn't even wear clothes why would

2391

01:47:27,740 --> 01:47:25,410

they come up why would they have some

2392

01:47:29,390 --> 01:47:27,750

kind of technology like that or or see

2393

01:47:31,340 --> 01:47:29,400

it's like the predator effect like we've

2394

01:47:32,450 --> 01:47:31,350

talked about or Jack Nicholson you were

2395

01:47:36,440 --> 01:47:32,460

in predator weren't you

2396

01:47:38,060 --> 01:47:36,450

no no but that was a while by hey I mix

2397

01:47:39,320 --> 01:47:38,070

you guys about that I wasn't I wasn't

2398

01:47:41,840 --> 01:47:39,330

working with the predator

2399

01:47:43,840 --> 01:47:41,850

I heard the predator was only demands

2400

01:47:47,810 --> 01:47:43,850

yeah when come out of his trailer oh

2401
01:47:55,250 --> 01:47:47,820
yeah yeah that's that's code for drama

2402
01:47:57,640 --> 01:47:55,260
queen okay it gets it gets weirder okay

2403
01:48:00,080 --> 01:47:57,650
no I can imagine that but they start

2404
01:48:01,700 --> 01:48:00,090
experiencing these orange orbs about

2405
01:48:04,370 --> 01:48:01,710
basketball sized start to appear and

2406
01:48:06,350 --> 01:48:04,380
sometimes chase cars down there a

2407
01:48:07,970 --> 01:48:06,360
section of the river they began to hear

2408
01:48:09,440 --> 01:48:07,980
loud and clear here don't wait I just

2409
01:48:13,730 --> 01:48:09,450
want to be clear here monkey okay

2410
01:48:15,260 --> 01:48:13,740
orange orbs the size of basketballs yes

2411
01:48:20,480 --> 01:48:15,270
maybe they were about chance they were

2412
01:48:23,180 --> 01:48:20,490
basketball I unlikely why hard to bounce

2413
01:48:23,960 --> 01:48:23,190

basketballs in the woods that's true

2414

01:48:26,060 --> 01:48:23,970

that's true

2415

01:48:28,840 --> 01:48:26,070

not even the Boston Celtics Larry Bird

2416

01:48:31,070 --> 01:48:28,850

should do that right one one right

2417

01:48:32,870 --> 01:48:31,080

don't piss him off if don't piss them

2418

01:48:33,950 --> 01:48:32,880

off and just when YouTube and say why

2419

01:48:35,690 --> 01:48:33,960

you don't get married

2420

01:48:40,070 --> 01:48:35,700

what was it we had the words why you

2421

01:48:41,540 --> 01:48:40,080

don't get Larry Bird mad at you and he

2422

01:48:43,700 --> 01:48:41,550

just you know someone pushed him down

2423

01:48:46,280 --> 01:48:43,710

real quick bloodied his nose and then

2424

01:48:48,320 --> 01:48:46,290

for like the next it was just a little

2425

01:48:52,340 --> 01:48:48,330

bit woman half of the game he scored 40

2426

01:48:54,110 --> 01:48:52,350

points didn't miss a shot didn't miss a

2427

01:48:56,810 --> 01:48:54,120

shot you know that's why you don't get

2428

01:48:58,970 --> 01:48:56,820

him pissed off at you we're really going

2429

01:49:00,440 --> 01:48:58,980

down the monster highways in March to

2430

01:49:01,670 --> 01:49:00,450

bring us back to this I won here see we

2431

01:49:07,880 --> 01:49:01,680

should bring switch here and then he

2432

01:49:09,800 --> 01:49:07,890

know he'd be okay well okay there's

2433

01:49:12,740 --> 01:49:09,810

several weird things so they started

2434

01:49:14,450 --> 01:49:12,750

hearing loud pounding noises and the

2435

01:49:16,310 --> 01:49:14,460

ground would vibrate I mean they'd hear

2436

01:49:18,320 --> 01:49:16,320

the sounds of machinery it's not much

2437

01:49:21,590 --> 01:49:18,330

like a factory or whatever and it even

2438

01:49:24,130 --> 01:49:21,600

get blast of heat like a factory but it

2439

01:49:27,410 --> 01:49:24,140

seemed to be coming from underground

2440

01:49:29,660 --> 01:49:27,420

also there was a they discovered that

2441

01:49:31,880 --> 01:49:29,670

that meteor had struck the area in the

2442

01:49:34,370 --> 01:49:31,890

early 50s it had left a crater the size

2443

01:49:37,480 --> 01:49:34,380

of a basketball field I mean ice

2444

01:49:41,450 --> 01:49:37,490

basketball field poor baseball people

2445

01:49:42,920 --> 01:49:41,460

and so they they contacted a guy named

2446

01:49:45,080 --> 01:49:42,930

Clarence who remembered that had

2447

01:49:47,420 --> 01:49:45,090

happened he showed them the area and

2448

01:49:49,940 --> 01:49:47,430

then he says he leaves his kind of

2449

01:49:51,680 --> 01:49:49,950

ominously he says you know you should be

2450

01:49:55,250 --> 01:49:51,690

careful about checking out things like

2451

01:49:57,530 --> 01:49:55,260

this and the things that they're into

2452

01:49:58,100 --> 01:49:57,540

because you may be visited by the men

2453

01:49:59,810 --> 01:49:58,110

Wow

2454

01:50:03,380 --> 01:49:59,820

and he just kind of left it hanging like

2455

01:50:04,760 --> 01:50:03,390

that okay so one thing that came out was

2456

01:50:07,030 --> 01:50:04,770

that you know there are some people to

2457

01:50:10,070 --> 01:50:07,040

believe that the geology of the area

2458

01:50:12,410 --> 01:50:10,080

limestone and so forth and iron have

2459

01:50:14,270 --> 01:50:12,420

maybe some effect on attracting these

2460

01:50:16,220 --> 01:50:14,280

energies or whatever for what it's worth

2461

01:50:18,080 --> 01:50:16,230

well the meteor was examined it was

2462

01:50:21,380 --> 01:50:18,090

virtually all made of iron

2463

01:50:23,360 --> 01:50:21,390

no okay well but then we get into John

2464

01:50:24,020 --> 01:50:23,370

Key old territory yes okay great awesome

2465

01:50:25,970 --> 01:50:24,030

okay

2466

01:50:28,790 --> 01:50:25,980

yo Dee's daughter got a call from a

2467

01:50:30,470 --> 01:50:28,800

voice wanting to talk to her mother it

2468

01:50:32,360 --> 01:50:30,480

was one of these strange mechanical

2469

01:50:35,420 --> 01:50:32,370

voices oh wow would I be right here in

2470

01:50:38,890 --> 01:50:35,430

the studio with us what was that put

2471

01:50:44,980 --> 01:50:42,100

thank you please I'm sorry the next

2472

01:50:45,850 --> 01:50:44,990

morning the next morning yo D found two

2473

01:50:49,720 --> 01:50:45,860

men at the door

2474

01:50:53,980 --> 01:50:49,730

classic men and black black suits fedora

2475

01:50:55,600 --> 01:50:53,990

hats ruby syphilis leave they leave

2476
01:50:57,760 --> 01:50:55,610
their child may be here because you can

2477
01:50:58,870 --> 01:50:57,770
confirm their eye color if their child

2478
01:51:04,060 --> 01:50:58,880
may be with us

2479
01:51:07,630 --> 01:51:04,070
I can't they may be buying hidin adults

2480
01:51:09,880 --> 01:51:07,640
that's good enough anyway okay we're out

2481
01:51:12,040 --> 01:51:09,890
looking they had kind of the classic you

2482
01:51:15,640 --> 01:51:12,050
know sort of sort of aging countenance

2483
01:51:17,200 --> 01:51:15,650
but definitely not Asian yeah so forth

2484
01:51:21,730 --> 01:51:17,210
they said they were encyclopedia

2485
01:51:26,770 --> 01:51:21,740
salesmen again those guys yes yo yo D

2486
01:51:28,660 --> 01:51:26,780
called her Bluff is what I would like to

2487
01:51:30,610 --> 01:51:28,670
see a sample and it's almost like they

2488
01:51:32,320 --> 01:51:30,620

weren't ready for that so I'm gonna have

2489

01:51:34,690 --> 01:51:32,330

to go back to our car and they're

2490

01:51:36,190 --> 01:51:34,700

speaking in a monotone you know and so

2491

01:51:39,070 --> 01:51:36,200

they went back to the car

2492

01:51:40,690 --> 01:51:39,080

and they she never saw him again the odd

2493

01:51:42,880 --> 01:51:40,700

part is I mean that's not enough but

2494

01:51:45,910 --> 01:51:42,890

they weren't wearing any shoes they

2495

01:51:47,980 --> 01:51:45,920

suddenly before other reports of I've

2496

01:51:49,930 --> 01:51:47,990

heard John keel upon reports where the

2497

01:51:51,820 --> 01:51:49,940

these guys would come to the door they

2498

01:51:53,890 --> 01:51:51,830

they notice their shoes how so perfect

2499

01:51:57,040 --> 01:51:53,900

and and shine they are yet they walked

2500

01:51:58,660 --> 01:51:57,050

through a muddy pathway to get there so

2501

01:52:01,360 --> 01:51:58,670

this is I don't know what this is self

2502

01:52:09,340 --> 01:52:01,370

shining shoes right yeah Cobra just like

2503

01:52:12,850 --> 01:52:09,350

the self licking ice cream Cobra he was

2504

01:52:13,900 --> 01:52:12,860

else wide oh yeah occupy house well no I

2505

01:52:17,230 --> 01:52:13,910

I mean we

2506

01:52:18,850 --> 01:52:17,240

he says he just left it hanging nothing

2507

01:52:21,430 --> 01:52:18,860

now we're talking about self licking ice

2508

01:52:22,840 --> 01:52:21,440

cream and shoes and we don't supposed to

2509

01:52:24,480 --> 01:52:22,850

jump in every yes that's what you're

2510

01:52:27,520 --> 01:52:24,490

here for

2511

01:52:29,050 --> 01:52:27,530

switch continue anyway wait this sounds

2512

01:52:33,120 --> 01:52:29,060

this actually sounds more believable

2513

01:52:33,130 --> 01:52:36,790

excellent name for a band

2514

01:52:40,840 --> 01:52:39,040

they had more encounters with a men in

2515

01:52:41,920 --> 01:52:40,850

black have you remember the phantom

2516

01:52:43,660 --> 01:52:41,930

photographers from the Mothman

2517

01:52:45,070 --> 01:52:43,670

Prophecies when they would these guys

2518

01:52:48,220 --> 01:52:45,080

would set up a camera and take their

2519

01:52:50,350 --> 01:52:48,230

picture that happened to yo D Sally also

2520

01:52:51,640 --> 01:52:50,360

saw these guys driving around on their

2521

01:52:55,840 --> 01:52:51,650

cars

2522

01:52:57,010 --> 01:52:55,850

there there was they went to like want

2523

01:53:00,580 --> 01:52:57,020

to get hold of clearance you know the

2524

01:53:02,410 --> 01:53:00,590

meteor guy again his phone was

2525

01:53:06,640 --> 01:53:02,420

disconnected so they went to his house

2526

01:53:08,080 --> 01:53:06,650

he wasn't there anymore it was gone not

2527

01:53:13,270 --> 01:53:08,090

none of this really made any sense you

2528

01:53:15,520 --> 01:53:13,280

know as usual so they had also that the

2529

01:53:16,899 --> 01:53:15,530

television set had bizarre interference

2530

01:53:19,680 --> 01:53:16,909

with mm-hmm

2531

01:53:21,250 --> 01:53:19,690

so I mean the whole whole litany of

2532

01:53:22,810 --> 01:53:21,260

strange stuff

2533

01:53:24,340 --> 01:53:22,820

they even here's here's one of the

2534

01:53:26,800 --> 01:53:24,350

weirdest things that happened yeah well

2535

01:53:28,930 --> 01:53:26,810

we've all heard of you know alleged wood

2536

01:53:31,240 --> 01:53:28,940

knocks that supposedly Bigfoot makes

2537

01:53:34,000 --> 01:53:31,250

back and forth to communicate right yeah

2538

01:53:37,209 --> 01:53:34,010

okay there was a sound like a wood knock

2539

01:53:39,370 --> 01:53:37,219

coming from a tree in the area and it

2540

01:53:40,990 --> 01:53:39,380

was it was coming from the tree they put

2541

01:53:44,530 --> 01:53:41,000

their hands on the tree they feel the

2542

01:53:46,959 --> 01:53:44,540

vibration and it didn't last forever but

2543

01:53:49,479 --> 01:53:46,969

they there was no explanation as to what

2544

01:53:51,790 --> 01:53:49,489

you know what was causing it right right

2545

01:53:52,450 --> 01:53:51,800

so so well what do you call them wood

2546

01:53:55,720 --> 01:53:52,460

knocks

2547

01:53:56,979 --> 01:53:55,730

you no one on this show is Finding

2548

01:53:58,660 --> 01:53:56,989

Bigfoot or whatever they're always out

2549

01:54:03,340 --> 01:53:58,670

there they're doing they're they're

2550

01:54:05,500 --> 01:54:03,350

moronic but Bigfoot calls and they knock

2551
01:54:07,169 --> 01:54:05,510
on the tree and if the hero would not in

2552
01:54:10,390 --> 01:54:07,179
return supposedly that's the Bigfoot

2553
01:54:12,189 --> 01:54:10,400
answering them oh you don't hear it like

2554
01:54:13,750 --> 01:54:12,199
you don't hear it you hear it like but

2555
01:54:16,000 --> 01:54:13,760
by putting your ear to the tree like the

2556
01:54:18,010 --> 01:54:16,010
vibration oh no you hear it you hear it

2557
01:54:21,370 --> 01:54:18,020
oh really yeah well but this is this was

2558
01:54:24,189 --> 01:54:21,380
a really bizarre you know situation if

2559
01:54:26,290 --> 01:54:24,199
true that I was actually emanating from

2560
01:54:28,780 --> 01:54:26,300
the tree I've never heard anything can

2561
01:54:32,680 --> 01:54:28,790
you confirm that they used the shave and

2562
01:54:36,760 --> 01:54:32,690
a haircut method of the knock you have

2563
01:54:38,649 --> 01:54:36,770

to do the audio there I think that [\h__\h]

2564

01:54:42,399 --> 01:54:38,659

comes as one of his sound I'm afraid it

2565

01:54:43,810 --> 01:54:42,409

was fun confirmed right all right so

2566

01:54:45,760 --> 01:54:43,820

anyway that was there was no resolution

2567

01:54:47,380 --> 01:54:45,770

to this Sally

2568

01:54:48,760 --> 01:54:47,390

moved away there was some was some

2569

01:54:50,260 --> 01:54:48,770

falling out with some friends and so

2570

01:54:52,689 --> 01:54:50,270

forth it was there's some painful

2571

01:54:54,850 --> 01:54:52,699

memories associated with this plus I

2572

01:54:56,320 --> 01:54:54,860

mean the the weirdness was kept

2573

01:54:58,120 --> 01:54:56,330

accelerating I mean he's kept taking a

2574

01:55:00,850 --> 01:54:58,130

stranger and a stranger and they moved

2575

01:55:02,949 --> 01:55:00,860

away so she just buried this she didn't

2576

01:55:05,259 --> 01:55:02,959

want to talk about it or anything

2577

01:55:07,089 --> 01:55:05,269

and then about 20 years later and autumn

2578

01:55:09,489 --> 01:55:07,099

was probably some well I'm sure

2579

01:55:12,459 --> 01:55:09,499

somewhere in her 20s she's talking to

2580

01:55:15,129 --> 01:55:12,469

her mom on the phone and she said mom do

2581

01:55:16,929 --> 01:55:15,139

you remember seeing some strange animals

2582

01:55:18,850 --> 01:55:16,939

where we used to live in or during

2583

01:55:21,009 --> 01:55:18,860

mm-hmm and then it all kind of came back

2584

01:55:22,689 --> 01:55:21,019

and then so she started telling her

2585

01:55:24,939 --> 01:55:22,699

daughter the things that happened and

2586

01:55:27,160 --> 01:55:24,949

her daughter was already you know into

2587

01:55:28,660 --> 01:55:27,170

the Bigfoot research at this time right

2588

01:55:30,250 --> 01:55:28,670

so she sat down I wrote this this isn't

2589

01:55:32,199 --> 01:55:30,260

really an excellent book I know this is

2590

01:55:33,449 --> 01:55:32,209

a it was a wild ride and there's all

2591

01:55:36,100 --> 01:55:33,459

kinds of strange stuff in here but

2592

01:55:38,259 --> 01:55:36,110

excellently very well-written book I got

2593

01:55:40,540 --> 01:55:38,269

a chance to hear Sally Shepherd Wolford

2594

01:55:43,689 --> 01:55:40,550

interviewed some years ago on darkness

2595

01:55:45,580 --> 01:55:43,699

radio very interesting lady yeah what's

2596

01:55:49,929 --> 01:55:45,590

the name of the book again Valley of the

2597

01:55:52,089 --> 01:55:49,939

Skookum sko okay um Wow Sally Sheppard

2598

01:55:55,600 --> 01:55:52,099

Wolford not a Filipino we're in them

2599

01:55:57,370 --> 01:55:55,610

right no I've just spell it one more

2600

01:56:00,699 --> 01:55:57,380

time yeah please

2601
01:56:02,199 --> 01:56:00,709
eske oh okay um okay all right and it's

2602
01:56:03,429 --> 01:56:02,209
an Indian we're a Native American word

2603
01:56:05,199 --> 01:56:03,439
yes one of the men either

2604
01:56:06,969 --> 01:56:05,209
there are many Native American words for

2605
01:56:09,160 --> 01:56:06,979
a Bigfoot depending on the tribes and so

2606
01:56:11,109 --> 01:56:09,170
forth right yeah I remember someone was

2607
01:56:12,459 --> 01:56:11,119
on one time and they said that you know

2608
01:56:15,009 --> 01:56:12,469
that there's some truth to the Bigfoot

2609
01:56:17,379 --> 01:56:15,019
you know story because all the tribes up

2610
01:56:19,719 --> 01:56:17,389
and especially the Pacific Northwest who

2611
01:56:22,149 --> 01:56:19,729
usually didn't and they miss their they

2612
01:56:24,429 --> 01:56:22,159
were all like Lodge rabbit's Lodge foxes

2613
01:56:26,199 --> 01:56:24,439

Lodge wolves lodged flying hunters it's

2614

01:56:27,910 --> 01:56:26,209

never like dinosaurs and stuff you know

2615

01:56:30,969 --> 01:56:27,920

it's it's something that they see just

2616

01:56:35,020 --> 01:56:30,979

you know kind of expanding and what they

2617

01:56:37,209 --> 01:56:35,030

said but something like 200 out of 3 250

2618

01:56:40,029 --> 01:56:37,219

tribes had some kind of word fought for

2619

01:56:41,799 --> 01:56:40,039

Bigfoot oh and another thing they would

2620

01:56:44,319 --> 01:56:41,809

she would hear the the chatter the

2621

01:56:47,290 --> 01:56:44,329

Bigfoot chatter remembered we've talked

2622

01:56:49,149 --> 01:56:47,300

about Ron Morehead mm-hmm and he was the

2623

01:56:51,459 --> 01:56:49,159

guy that captured a Sierra sounds and

2624

01:56:53,799 --> 01:56:51,469

the Sierra Nevadas with Allen berry the

2625

01:56:55,239 --> 01:56:53,809

reporter and they're very well known now

2626

01:56:56,620 --> 01:56:55,249

you can hear him on the internet and

2627

01:56:58,540 --> 01:56:56,630

this was about the same time they would

2628

01:57:01,179 --> 01:56:58,550

have been out there and it has that kind

2629

01:57:05,560 --> 01:57:01,189

of singsong lack of a better word

2630

01:57:08,649 --> 01:57:05,570

Chinese let go you know it's uh but

2631

01:57:11,080 --> 01:57:08,659

anyway those have been examined and a

2632

01:57:12,549 --> 01:57:11,090

lot of credibility has been put on those

2633

01:57:14,410 --> 01:57:12,559

particular tapes but that was the kind

2634

01:57:16,600 --> 01:57:14,420

of stuff that they were hearing at night

2635

01:57:19,180 --> 01:57:16,610

okay in the area you know in the

2636

01:57:21,520 --> 01:57:19,190

we have left is anything been happening

2637

01:57:25,930 --> 01:57:21,530

there you know lately in that part of

2638

01:57:27,760 --> 01:57:25,940

the world I then I don't know her I know

2639

01:57:31,149 --> 01:57:27,770

her daughter had been back several times

2640

01:57:33,070 --> 01:57:31,159

in an area as a Bigfoot researcher Sally

2641

01:57:34,899 --> 01:57:33,080

had not going back she was going to get

2642

01:57:36,910 --> 01:57:34,909

a reunion with some of the old friends

2643

01:57:38,290 --> 01:57:36,920

and I don't know if that ever came about

2644

01:57:40,030 --> 01:57:38,300

it but I'm sure it did it's been several

2645

01:57:42,490 --> 01:57:40,040

years since I heard the interview mm-hmm

2646

01:57:45,399 --> 01:57:42,500

but that that whole area Washington

2647

01:57:47,530 --> 01:57:45,409

State Oregon is really a hotbed and all

2648

01:57:49,990 --> 01:57:47,540

this stuff it's just that it's it's so

2649

01:57:52,000 --> 01:57:50,000

interesting that you look at the you

2650

01:57:54,580 --> 01:57:52,010

know you almost can't look at a straight

2651
01:57:56,950 --> 01:57:54,590
Bigfoot report anymore who's the weird

2652
01:57:58,450 --> 01:57:56,960
stuff that seems to follow yeah yeah I

2653
01:58:00,189 --> 01:57:58,460
mean I just remember that photograph

2654
01:58:02,590 --> 01:58:00,199
someone took it's probably two years now

2655
01:58:03,910 --> 01:58:02,600
where they they took it was in

2656
01:58:05,830 --> 01:58:03,920
California they took a picture of a

2657
01:58:08,140 --> 01:58:05,840
haunted house during the day yeah and

2658
01:58:10,300 --> 01:58:08,150
you can see you know someone in the

2659
01:58:12,760 --> 01:58:10,310
window someone is in the window okay and

2660
01:58:14,560 --> 01:58:12,770
then on top of it you can see a UFO and

2661
01:58:15,879 --> 01:58:14,570
they you know they haven't both studied

2662
01:58:17,260 --> 01:58:15,889
and so on and so forth they can't

2663
01:58:18,760 --> 01:58:17,270

explain why these things run the picture

2664

01:58:20,680 --> 01:58:18,770

unless they how about there it was just

2665

01:58:23,260 --> 01:58:20,690

kind of almost too much of a coincidence

2666

01:58:24,729 --> 01:58:23,270

you see a ghost in the other switch

2667

01:58:27,520 --> 01:58:24,739

Amino thanks very much anything else

2668

01:58:29,830 --> 01:58:27,530

going on there eustress spider-man right

2669

01:58:33,070 --> 01:58:29,840

we talked about that up here right it's

2670

01:58:34,540 --> 01:58:33,080

my I'm working on my be doing a talk at

2671

01:58:37,060 --> 01:58:34,550

the moment festival creature that's

2672

01:58:38,470 --> 01:58:37,070

right I'm gathering all my we throw all

2673

01:58:41,200 --> 01:58:38,480

my archive okay we're gonna give you a

2674

01:58:47,020 --> 01:58:41,210

round of applause stuff because which

2675

01:58:49,680 --> 01:58:47,030

has been called bonds right how many

2676
01:58:53,590 --> 01:58:49,690
minutes do you have to speak well it's

2677
01:58:55,300 --> 01:58:53,600
probably about 4550 minutes leave a few

2678
01:58:56,890 --> 01:58:55,310
minutes for questions and time for the

2679
01:58:58,870 --> 01:58:56,900
next speaker to get on well will you be

2680
01:59:02,109 --> 01:58:58,880
wearing me Mac call me military x-files

2681
01:59:05,530 --> 01:59:02,119
t-shirts you know what I might actually

2682
01:59:08,910 --> 01:59:05,540
wear a white shirt and tie and slacks

2683
01:59:11,770 --> 01:59:08,920
and kind of you know but okay you know

2684
01:59:14,379 --> 01:59:11,780
I'm kind of trying to classy but I it's

2685
01:59:17,050 --> 01:59:14,389
very likely that I'll drop Mac Melones

2686
01:59:19,090 --> 01:59:17,060
military x-files a couple times okay all

2687
01:59:20,649 --> 01:59:19,100
right you know we could see that you

2688
01:59:22,090 --> 01:59:20,659

know you better than Santa you know in

2689

01:59:23,590 --> 01:59:22,100

my head of thinking sending some girls

2690

01:59:24,310 --> 01:59:23,600

in bikinis and have it you know written

2691

01:59:26,950 --> 01:59:24,320

on them

2692

01:59:28,180 --> 01:59:26,960

it's tattoos and they sit there and

2693

01:59:29,919 --> 01:59:28,190

listen and the other ones that ask the

2694

01:59:31,240 --> 01:59:29,929

questions after 45 minutes alright well

2695

01:59:33,939 --> 01:59:31,250

if it's 45 minutes you should get to

2696

01:59:35,970 --> 01:59:33,949

work there my friend yeah go yeah I've

2697

01:59:38,050 --> 01:59:35,980

got a lot of famous a lot of ideas and

2698

01:59:39,700 --> 01:59:38,060

going like I say I'm going through the

2699

01:59:41,859 --> 01:59:39,710

archives you know what's good is that

2700

01:59:43,689 --> 01:59:41,869

you know once you write it okay you can

2701

01:59:45,459 --> 01:59:43,699

appear anywhere you know and just do the

2702

01:59:49,839 --> 01:59:45,469

same gig over and over it's perfect

2703

01:59:53,890 --> 01:59:49,849

yeah sure so yeah we'll take 10% well

2704

01:59:55,240 --> 01:59:53,900

book you okay okay thank you Switzer

2705

01:59:57,160 --> 01:59:55,250

Moreno my pleasure

2706

02:00:00,879 --> 01:59:57,170

all right good to see you guys see you

2707

02:00:02,290 --> 02:00:00,889

Steve thanks whitter me know well that's

2708

02:00:03,700 --> 02:00:02,300

interesting the thing is is when I hear

2709

02:00:05,229 --> 02:00:03,710

people who like have moved into a

2710

02:00:06,910 --> 02:00:05,239

haunted house or into a house you know

2711

02:00:08,950 --> 02:00:06,920

that UFOs they were Bigfoot's looking

2712

02:00:11,800 --> 02:00:08,960

how long would you stay I'd get my car

2713

02:00:16,300 --> 02:00:11,810

immediately and leave yeah but wouldn't

2714

02:00:18,700 --> 02:00:16,310

you put on your researcher hat and come

2715

02:00:21,310 --> 02:00:18,710

on no no you would do that

2716

02:00:22,959 --> 02:00:21,320

no you just bolt and in the car and get

2717

02:00:25,629 --> 02:00:22,969

out of there maybe go back with you know

2718

02:00:28,120 --> 02:00:25,639

100 or so people and see what's going on

2719

02:00:29,620 --> 02:00:28,130

yeah yeah yeah you don't have to do it

2720

02:00:31,030 --> 02:00:29,630

like the movie you know they go back and

2721

02:00:32,680 --> 02:00:31,040

say hey I'll be right back I'm going up

2722

02:00:35,140 --> 02:00:32,690

in the attic just to check things up you

2723

02:00:35,859 --> 02:00:35,150

know I was going to hang out see this

2724

02:00:37,720 --> 02:00:35,869

for myself

2725

02:00:39,520 --> 02:00:37,730

really yeah what do you think of that

2726

02:00:46,720 --> 02:00:39,530

they've rattled up like a kid he's

2727

02:00:48,160 --> 02:00:46,730

willing to go right into the doc thank

2728

02:00:49,540 --> 02:00:48,170

you very much for dress hey this the end

2729

02:00:51,669 --> 02:00:49,550

of the show we'd better hurry up yet

2730

02:00:54,010 --> 02:00:51,679

thank you very much Manitoba for joining

2731

02:00:56,439 --> 02:00:54,020

us yeah Camaros all week okay thank you

2732

02:00:58,270 --> 02:00:56,449

Rob Beck how's my I was boring please

2733

02:01:00,069 --> 02:00:58,280

stay safe for the next week down the end

2734

02:01:02,260 --> 02:01:00,079

the Murrah capital over the world rock

2735

02:01:04,930 --> 02:01:02,270

was a blast as always which amino thank

2736

02:01:08,589 --> 02:01:04,940

you very much for joining us my pleasure

2737

02:01:10,149 --> 02:01:08,599

okay well tight you in two weeks two

2738

02:01:13,660 --> 02:01:10,159

weeks yeah

2739

02:01:18,850 --> 02:01:13,670

and very famous awesome man Maxo Pula

2740

02:01:21,669 --> 02:01:18,860

some reason why they last long sure my

2741

02:01:24,160 --> 02:01:21,679

go on Amazon that come and also the

2742

02:01:25,660 --> 02:01:24,170

black eyed kid who stayed to the entire

2743

02:01:29,500 --> 02:01:25,670

show with us just about thanks for

2744

02:01:35,560 --> 02:01:32,770

thank you thank you so much thanks good

2745

02:01:38,920 --> 02:01:35,570

okay good one one will lead you out KITT

2746

02:01:39,580 --> 02:01:38,930

okay that's right he's starting to get

2747

02:01:44,530 --> 02:01:39,590

under my skin

2748

02:01:47,710 --> 02:01:44,540

oh there you go last one of the night so

2749

02:01:51,610 --> 02:01:47,720

until then this is Mack Maloney for the

2750

02:01:55,300 --> 02:01:51,620

gang and the posse saying be safe be
