gonna start doing doubt Lynch corner

81

00:03:31,809 --> 00:03:29,239

comments and questions and stories about

85

00:03:40,449 --> 00:03:38,810

everything that you guys are very

86

00:03:42,640 --> 00:03:40,459

experienced and what you may have

87

00:03:45,099 --> 00:03:42,650

questions about no I'm not a psychic a

88

00:03:52,119 --> 00:03:45,109

psychic or guru though I play one on

89

00:03:56,890 --> 00:03:52,129

television that's kidding but some

90

00:03:58,890 --> 00:03:56,900

level-headed advice so outlandish corner

94

00:04:10,900 --> 00:04:08,720

95

00:04:13,210 --> 00:04:10,910

me tell you either it's haunted or it's

96

00:04:14,740 --> 00:04:13,220

against me or something is going on that

97

00:04:16,599 --> 00:04:14,750

should not be going on but I don't get

98

00:04:18,819 --> 00:04:16,609

all those messages I'm just gonna say it

99

00:04:21,279 --> 00:04:18,829

I don't I don't know why I don't know

100

00:04:24,520 --> 00:04:21,289

00:04:32,920 --> 00:04:31,039
30-minute break here we're gonna have

105
00:04:36,129 --> 00:04:32,930
Chris Brown very shortly and we're gonna

106
00:04:37,869 --> 00:04:36,139
talk about an alien UFO sighting that

107
00:04:40,450 --> 00:04:37,879
you have never heard of before

108
00:04:42,990 --> 00:04:40,460
don't Dom okay maybe you did because

109
00:04:45,730 --> 00:04:43,000
he's been a guest on here before but

110
00:04:49,499 --> 00:04:45,740
talk about it anyways because it's just

111
00:04:51,550 --> 00:04:49,509
fascinating stuff anywho guess what

112
00:04:56,279 --> 00:04:51,560
we're gonna do the outlandish corner

113
00:05:01,510 --> 00:04:56,289

mm-hmm right now roll out the red carpet

114

00:05:04,209 --> 00:05:01,520

no not red purple what's I thinking okay

115

00:05:07,350 --> 00:05:04,219

anyways here we go okay everybody

116

00:05:10,899 --> 00:05:07,360

this one says dear Heidi that's me I

117

00:05:14,140 --> 00:05:10,909

encountered hat man in 1995 while in the

118

00:05:16,600 --> 00:05:14,150

Marine Corps hmm I was a student at a

119

00:05:19,270 --> 00:05:16,610

support service school that was on a

120

00:05:21,550 --> 00:05:19,280

base that was part of camp illusion

121

00:05:23,290 --> 00:05:21,560

North Carolina hmm I don't know he's

122

00:05:25,709 --> 00:05:23,300

pronounced that we were on the peace

123

00:05:29,379 --> 00:05:25,719

that was formerly Maude Fort Point

124

00:05:31,839 --> 00:05:29,389

Monforte Point a bit that the base where

125

00:05:36,040 --> 00:05:31,849

black Marines trained during segregation

126

00:05:39,010 --> 00:05:36,050

Oh due to overcrowding we lived in one

127

00:05:41,800 --> 00:05:39,020

of the old barracks a few times while on

128

00:05:46,059 --> 00:05:41,810

fire watch which is called night

129

00:05:49,209 --> 00:05:46,069

security I saw a shadow of a man wearing

130

00:05:52,059 --> 00:05:49,219

a hat at the far end of the open

131

00:05:54,430 --> 00:05:52,069

barracks I would walk to where I saw him

132

00:05:57,640 --> 00:05:54,440

to find nothing oh no it looked back

133

00:05:59,320 --> 00:05:57,650

down the floor he would be at that far

134

00:06:02,619 --> 00:05:59,330

end as if you were playing a

135

00:06:05,499 --> 00:06:02,629

cat-and-mouse game with me well one

136

00:06:08,320 --> 00:06:05,509

morning prior to our morning formation I

137

00:06:10,839 --> 00:06:08,330

asked other Marines that live with me if

138

00:06:14,409 --> 00:06:10,849

they had seen anything strange while on

139

00:06:17,740 --> 00:06:14,419

fire watch without hesitation other

140

00:06:25,029 --> 00:06:17,750

young Marines began to describe the same

141

00:06:27,010 --> 00:06:25,039

shadow man at first we thought that it

142

00:06:29,920 --> 00:06:27,020

had something to do with the military

143

00:06:31,990 --> 00:06:29,930

history of the place after having an

144

00:06:36,550 --> 00:06:32,000

in-depth conversation about it we all

145

00:06:39,730 --> 00:06:36,560

agreed that this at was not a military

146

00:06:43,150 --> 00:06:39,740

style hat whatever it was was

147

00:06:46,570 --> 00:06:43,160

not military-related i have thankfully

148

00:06:48,879 --> 00:06:46,580

not encountered him since and i hope

149

00:06:51,540 --> 00:06:48,889

that i never do again have there been

150

00:06:53,890 --> 00:06:51,550

other military sightings similar to this

151
00:06:57,570 --> 00:06:53,900
thank you

152
00:07:01,210 --> 00:06:57,580
there is no name after this one oh

153
00:07:05,379 --> 00:07:01,220
that's interesting um let me think for a

154
00:07:06,339 --> 00:07:05,389
second mystery man military barracks

155
00:07:15,879 --> 00:07:06,349
sightings

156
00:07:17,890 --> 00:07:15,889
understandably but not yeah yeah some

157
00:07:20,499 --> 00:07:17,900
people try to get me on their prison

158
00:07:23,740 --> 00:07:20,509
email list but I have to allow them

159
00:07:26,680 --> 00:07:23,750
access to and something tells me that

160
00:07:28,210 --> 00:07:26,690
wouldn't be a good idea so I haven't

161
00:07:30,070 --> 00:07:28,220
even though I looked up a couple of

162
00:07:32,520 --> 00:07:30,080
those people to see if they were violent

163
00:07:35,409 --> 00:07:32,530

offenders intended to be like federal

164

00:07:39,399 --> 00:07:35,419

prisoners with white collar crimes but

165

00:07:42,159 --> 00:07:39,409

still yeah anyway so why were we we're

166

00:07:45,510 --> 00:07:42,169

talking about military barrack stuff I

167

00:07:48,570 --> 00:07:45,520

can say that I don't recall having that

168

00:07:51,820 --> 00:07:48,580

hmm I've had people in the military

169

00:07:54,730 --> 00:07:51,830

definitely write me but not to say it

170

00:07:57,790 --> 00:07:54,740

was connected to a certain location on a

171

00:07:59,770 --> 00:07:57,800

military base but you know what with all

172

00:08:01,870 --> 00:07:59,780

of the emails I've gotten even though I

173

00:08:07,029 --> 00:08:01,880

really do my best to get through this

174

00:08:09,760 --> 00:08:07,039

mystery hole that is called Facebook

175

00:08:12,249 --> 00:08:09,770

messenger that has been really trapping

176
00:08:14,620 --> 00:08:12,259
a lot of messages to me who knows there

177
00:08:16,839 --> 00:08:14,630
might be a gazillion of messages about

178
00:08:18,969 --> 00:08:16,849
military barracks with a hat man

179
00:08:21,640 --> 00:08:18,979
wandering around and chatter people I

180
00:08:23,649 --> 00:08:21,650
don't know because every time I go in

181
00:08:25,180 --> 00:08:23,659
there there's just a few hundred more

182
00:08:26,980 --> 00:08:25,190
and a few hundred more maybe thousands

183
00:08:29,499 --> 00:08:26,990
more I I don't know if somebody

184
00:08:31,330 --> 00:08:29,509
understands this please let me know I'll

185
00:08:35,019 --> 00:08:31,340
tell you a brief what the issue is

186
00:08:37,269 --> 00:08:35,029
people send me a message that are not on

187
00:08:38,920 --> 00:08:37,279
my friends list and it goes into the

188
00:08:44,019 --> 00:08:38,930

special whole of the universe called

189

00:08:46,630 --> 00:08:44,029

facebook Messenger and and then if a

190

00:08:50,079 --> 00:08:46,640

person makes a personal request I think

191

00:08:53,440 --> 00:08:50,089

a request to add me to messenger all of

192

00:08:55,960 --> 00:08:53,450

a sudden all those mystery messages show

193

00:08:58,470 --> 00:08:55,970

in this other folder that wasn't there

194

00:09:01,060 --> 00:08:58,480

prior to getting that request and

195

00:09:02,890 --> 00:09:01,070

without knowing I would go and answer

196

00:09:04,990 --> 00:09:02,900

that request and bring all those

197

00:09:10,570 --> 00:09:05,000

messages disappear they're not there

198

00:09:13,270 --> 00:09:10,580

anymore I'm like is that so I won't

199

00:09:14,770 --> 00:09:13,280

answer a messenger requests so I can

200

00:09:17,260 --> 00:09:14,780

hopefully get through all the hundreds

201
00:09:19,330 --> 00:09:17,270
if not thousands of messages and like it

202
00:09:22,240 --> 00:09:19,340
only reveals like 20 at a time or

203
00:09:23,830 --> 00:09:22,250
something so I'll go and now one week I

204
00:09:25,660 --> 00:09:23,840
just kept going at it's like 20 at a

205
00:09:27,760 --> 00:09:25,670
time 20 at a time responding respondent

206
00:09:30,010 --> 00:09:27,770
responding saves they say and they just

207
00:09:33,220 --> 00:09:30,020
kept coming it doesn't end and there

208
00:09:33,550 --> 00:09:33,230
they go for years it's crazy I don't get

209
00:09:42,940 --> 00:09:33,560
it

210
00:09:46,960 --> 00:09:42,950
one this one says hello Heidi hello

211
00:09:49,150 --> 00:09:46,970
how's it going my name is Brandon I know

212
00:09:53,830 --> 00:09:49,160
you have thousands of people daily that

213
00:09:57,610 --> 00:09:53,840

message you oh I wish that's no that's a

214

00:10:00,220 --> 00:09:57,620

stretch but if you by chance happen to

215

00:10:02,560 --> 00:10:00,230

get to read this I ask you to please

216

00:10:06,700 --> 00:10:02,570

reach out to me in some kind of way

217

00:10:08,590 --> 00:10:06,710

shape and form oh I've heard a few of

218

00:10:12,310 --> 00:10:08,600

your interviews regarding the Hat man a

219

00:10:15,190 --> 00:10:12,320

shadow people I am a living witness to

220

00:10:19,390 --> 00:10:15,200

this ordeal I am 33 and I have been

221

00:10:22,690 --> 00:10:19,400

seeing this entity for 425 that I can

222

00:10:26,050 --> 00:10:22,700

remember I am currently a soldier in the

223

00:10:27,880 --> 00:10:26,060

US Army what now didn't we just have I

224

00:10:30,490 --> 00:10:27,890

mean I swear guys I picked these

225

00:10:32,890 --> 00:10:30,500

randomly and it just always seems like

226

00:10:35,740 --> 00:10:32,900

we get a coincidence going at cool to

227

00:10:38,980 --> 00:10:35,750

think going on between emails it's wild

228

00:10:41,080 --> 00:10:38,990

so anyways okay I am currently a soldier

229

00:10:44,920 --> 00:10:41,090

in the US Army and I have served for

230

00:10:48,100 --> 00:10:44,930

going on 16 years this year however

231

00:10:53,650 --> 00:10:48,110

every location around the world I have

232

00:10:56,680 --> 00:10:53,660

seen this man and yes he speaks he's

233

00:11:01,980 --> 00:10:56,690

left a scratch mark on my right lower

234

00:11:06,400 --> 00:11:01,990

bicep upper elbow I need some help or

235

00:11:07,300 --> 00:11:06,410

insight I don't know how to reach out to

236

00:11:12,130 --> 00:11:07,310

you other than

237

00:11:15,490 --> 00:11:12,140

and he kept it please help yes I am of

238

00:11:18,940 --> 00:11:15,500

faith yes I have had battles with him in

239

00:11:21,910 --> 00:11:18,950

the shadow type people however I wasn't

240

00:11:24,970 --> 00:11:21,920

the one to battle him but a celestial

241

00:11:28,450 --> 00:11:24,980

presence that won't necessarily allow me

242

00:11:31,870 --> 00:11:28,460

to see it but it is pure light in sheer

243

00:11:36,460 --> 00:11:31,880

darkness when this happens I'm still

244

00:11:41,050 --> 00:11:36,470

kinda PSD PTSD about it and the last

245

00:11:44,800 --> 00:11:41,060

time I saw any skirmish was when I was

246

00:11:48,490 --> 00:11:44,810

around 20 or in my early 20s I'm 33 now

247

00:11:50,290 --> 00:11:48,500

I would love to get into detail on any

248

00:11:53,260 --> 00:11:50,300

of my stories around the world in this

249

00:11:56,170 --> 00:11:53,270

man but I don't want to be too

250

00:11:59,019 --> 00:11:56,180

long-winded at the core of my stories

251
00:12:04,030 --> 00:11:59,029
the Hat man appears to be after the use

252
00:12:10,960 --> 00:12:04,040
of my and maybe others gifts as in the

253
00:12:14,110 --> 00:12:10,970
gifts that God gives us as a team just

254
00:12:16,990 --> 00:12:14,120
prior to joining the military and going

255
00:12:19,690 --> 00:12:17,000
to West Point to become an officer he

256
00:12:25,020 --> 00:12:19,700
tried to prophesize this happening and

257
00:12:27,340 --> 00:12:25,030
asked me to join his cause per se I

258
00:12:30,190 --> 00:12:27,350
didn't know what this meant doesn't kid

259
00:12:32,200 --> 00:12:30,200
in teen I see and know now as I'm

260
00:12:35,590 --> 00:12:32,210
getting older and experiencing this

261
00:12:38,550 --> 00:12:35,600
stuff as I go on in life please get in

262
00:12:44,230 --> 00:12:38,560
touch with me in caps some kind of way

263
00:12:54,130 --> 00:12:44,240

my email is number call text whatever

264

00:12:56,770 --> 00:12:54,140

you like oh okay I just I mean to pause

265

00:13:01,120 --> 00:12:56,780

for dramatic pause is not happening I am

266

00:13:05,350 --> 00:13:01,130

just you guys I mean I get so many so

267

00:13:07,390 --> 00:13:05,360

many letters and what this beast of a

268

00:13:12,750 --> 00:13:07,400

hat man is doing what he's what he's

269

00:13:18,400 --> 00:13:12,760

pulling on people is absolutely beyond

270

00:13:21,090 --> 00:13:18,410

what I mean just sit seat like a hood

271

00:13:23,500 --> 00:13:21,100

right now I would paced the room

272

00:13:24,520 --> 00:13:23,510

but I can't because I have really poor

273

00:13:28,210 --> 00:13:24,530

reception where I'm at

274

00:13:31,540 --> 00:13:28,220

I probably lose you guys it is it is

275

00:13:35,290 --> 00:13:31,550

getting worse out there it is getting so

276

00:13:41,760 --> 00:13:35,300

much worse and and I I just I mean first

277

00:13:47,800 --> 00:13:41,770

babies then toddlers teens lifelong

278

00:13:53,290 --> 00:13:47,810

harassment and abuse and now he's

279

00:13:57,550 --> 00:13:53,300

recruiting and and the thing is it's

280

00:14:00,250 --> 00:13:57,560

it's wearing people down I was enough I

281

00:14:02,710 --> 00:14:00,260

have a chat group on Facebook please do

282

00:14:03,730 --> 00:14:02,720

join especially if you have interests or

283

00:14:04,690 --> 00:14:03,740

would like to help others that are

284

00:14:07,350 --> 00:14:04,700

experiencing this because it's

285

00:14:11,200 --> 00:14:07,360

traumatizing the gentleman here is a

286

00:14:17,560 --> 00:14:11,210

veteran he's still in the military and

287

00:14:22,960 --> 00:14:17,570

he has PTSD from this PTSD from demons

288

00:14:26,230 --> 00:14:22,970

okay I mean what does that tell you your

289

00:14:27,520 --> 00:14:26,240

soul it something it to be standing

290

00:14:31,390 --> 00:14:27,530

there in front of the enemy of all

291

00:14:33,060 --> 00:14:31,400

enemies and and he's able to scare you

292

00:14:38,290 --> 00:14:33,070

to the soul of you

293

00:14:40,900 --> 00:14:38,300

what the hell what the hell what what we

294

00:14:44,140 --> 00:14:40,910

have all got to stand up for each other

295

00:14:48,040 --> 00:14:44,150

we have all got to throw our hats into

296

00:14:51,010 --> 00:14:48,050

the pile and take this crap on so go to

297

00:14:55,140 --> 00:14:51,020

Facebook go to hat man shadow people and

298

00:14:57,670 --> 00:14:55,150

hat man experiences grow and you know

299

00:14:59,290 --> 00:14:57,680

it's hard for me to keep up all the time

300

00:15:01,330 --> 00:14:59,300

with the check that goes on there I have

301
00:15:03,810 --> 00:15:01,340
a wonderful that's on there that manages

302
00:15:08,620 --> 00:15:03,820
name Francie and she does a great job

303
00:15:10,030 --> 00:15:08,630
keeping track of things and last night

304
00:15:14,590 --> 00:15:10,040
quite early in the morning that was a

305
00:15:18,720 --> 00:15:14,600
pretty late I say several people

306
00:15:22,930 --> 00:15:18,730
chatting in there and one gentleman

307
00:15:24,610 --> 00:15:22,940
giving at 3:30 in the morning so he

308
00:15:26,170 --> 00:15:24,620
doesn't fall asleep at night because he

309
00:15:30,040 --> 00:15:26,180
wasn't in the mood for the Hat man in

310
00:15:32,470 --> 00:15:30,050
his crap he wanted to not have to deal

311
00:15:34,889 --> 00:15:32,480
with him at night last night was last

312
00:15:37,290 --> 00:15:34,899
night another person try

313
00:15:38,639 --> 00:15:37,300

Xena says oMG I just went for a walk at

314

00:15:42,449 --> 00:15:38,649

2:00 in the morning around the block for

315

00:15:44,999 --> 00:15:42,459

the same reason I mean this is just it's

316

00:15:47,040 --> 00:15:45,009

there is no break there's no break heat

317

00:15:49,139 --> 00:15:47,050

and and in the gentleman that's you know

318

00:15:50,879 --> 00:15:49,149

driving around 3:30 in the morning he

319

00:15:52,650 --> 00:15:50,889

said thanks for quiet for several years

320

00:15:55,439 --> 00:15:52,660

with him and now he's back and I'm

321

00:15:57,119 --> 00:15:55,449

seeing this pattern again with people

322

00:15:58,949 --> 00:15:57,129

saying the same thing I hadn't seen him

323

00:16:02,910 --> 00:15:58,959

since I was a kid or and now he's back

324

00:16:06,660 --> 00:16:02,920

and he's he's worse than ever and I'm

325

00:16:08,579 --> 00:16:06,670

trying to get a hold on what is going on

326

00:16:11,340 --> 00:16:08,589

out there fully so I welcome people

327

00:16:15,329 --> 00:16:11,350

please write me as much detail as you

328

00:16:16,799 --> 00:16:15,339

can in regards to what it is that you're

329

00:16:21,299 --> 00:16:16,809

experiencing what he's saying what he's

330

00:16:23,910 --> 00:16:21,309

doing and that's let's grab him by it by

331

00:16:28,679 --> 00:16:23,920

the bull horns I know what you thought

332

00:16:31,139 --> 00:16:28,689

I'd say but bull horns and let's twist

333

00:16:32,819 --> 00:16:31,149

them a couple of knots and and bring him

334

00:16:37,019 --> 00:16:32,829

to his knees if you know what I'm saying

335

00:16:38,040 --> 00:16:37,029

I've had enough I've had enough and I

336

00:16:41,369 --> 00:16:38,050

think a lot of these people have had

337

00:16:45,780 --> 00:16:41,379

enough too I tell people that I am in a

338

00:16:49,650 --> 00:16:45,790

war against death I am because this guy

339

00:16:52,619 --> 00:16:49,660

brings death and this evil crown it's oh

340

00:16:54,239 --> 00:16:52,629

it's so ridiculous I I guess so angry so

341

00:16:56,069 --> 00:16:54,249

angry doesn't help anything to get angry

342

00:17:01,980 --> 00:16:56,079

so we'll just keep the humor going and

343

00:17:04,230 --> 00:17:01,990

oh but oh he needs to go down it we all

344

00:17:09,299 --> 00:17:04,240

have to pull our efforts together we

345

00:17:12,449 --> 00:17:09,309

have to its him great join the fight and

346

00:17:16,649 --> 00:17:12,459

awareness and helping people who are

347

00:17:17,549 --> 00:17:16,659

experiencing this guttural beast oh he's

348

00:17:21,120 --> 00:17:17,559

a piece of crap

349

00:17:25,949 --> 00:17:21,130

god I can't stand him PTSD a veteran of

350

00:17:27,630 --> 00:17:25,959

16 years has PTSD from him not from I

351

00:17:28,919 --> 00:17:27,640

didn't hear anything about other things

352

00:17:30,960 --> 00:17:28,929

I'm sure the other stuff but in that

353

00:17:35,880 --> 00:17:30,970

he's probably experiencing and combat

354

00:17:39,720 --> 00:17:35,890

are not anything fantastic - for for

355

00:17:42,659 --> 00:17:39,730

keeping one's mind calm as well but well

356

00:17:43,440 --> 00:17:42,669

this is just that's crazy this is

357

00:17:47,010 --> 00:17:43,450

absolutely crazy

358

00:17:49,360 --> 00:17:47,020

so um Brandon I will be giving you a

359

00:17:52,900 --> 00:17:52,240

it's just it's too much it's too much I

360

00:17:55,560 --> 00:17:52,910

understand

361

00:17:58,299 --> 00:17:55,570

we shall chat I will be calling you

362

00:17:59,950 --> 00:17:58,309

already and I think that that was a

363

00:18:02,020 --> 00:17:59,960

message I got from Facebook see this is

364

00:18:04,510 --> 00:18:02,030

a kicker I think that was when I grabbed

365

00:18:06,850 --> 00:18:04,520

an email to myself to address at some

366

00:18:08,650 --> 00:18:06,860

point I'm pretty sure it is because it

367

00:18:11,620 --> 00:18:08,660

doesn't have an email address at the top

368

00:18:14,470 --> 00:18:11,630

and that's that's what sucks with this

369

00:18:16,360 --> 00:18:14,480

messenger problem I'm having is it'll be

370

00:18:19,510 --> 00:18:16,370

so delayed and people have been

371

00:18:23,530 --> 00:18:19,520

suffering and I couldn't get to it crap

372

00:18:25,600 --> 00:18:23,540

oh just so frustrating so um yeah we

373

00:18:31,660 --> 00:18:25,610

shall talk alright I got another big one

374

00:18:33,850 --> 00:18:31,670

that's what I get called this all day

375

00:18:36,220 --> 00:18:33,860

long because people blow into my first

376

00:18:37,990 --> 00:18:36,230

and last name and I do get it at times

377

00:18:44,530 --> 00:18:38,000

and emails and texts but this is just

378

00:18:46,330 --> 00:18:44,540

classic dear Holly mm-hmm I did not have

379

00:18:48,190 --> 00:18:46,340

a lifetime experience with what has been

380

00:18:50,950 --> 00:18:48,200

coined shadow people

381

00:18:54,220 --> 00:18:50,960

but recently came upon an entire

382

00:18:56,530 --> 00:18:54,230

community of them I am a professional

383

00:18:58,450 --> 00:18:56,540

business owner and I'm well known in our

384

00:19:01,390 --> 00:18:58,460

community so coming out with this

385

00:19:04,150 --> 00:19:01,400

discovery it was just among other things

386

00:19:07,000 --> 00:19:04,160

that don't tell nobody just a chat here

387

00:19:10,000 --> 00:19:07,010

I could put your name out I have just

388

00:19:11,740 --> 00:19:10,010

read your first book and if my discovery

389

00:19:19,240 --> 00:19:11,750

is authentic it might be important to

390

00:19:23,350 --> 00:19:19,250

your research Wow in a quick synopsis a

391

00:19:25,419 --> 00:19:23,360

place a place what a place an offer

392

00:19:28,240 --> 00:19:25,429

oh I place an offer on a residence -

393

00:19:30,370 --> 00:19:28,250

fixed up and resell I took some

394

00:19:33,160 --> 00:19:30,380

preliminary pictures to show my business

395

00:19:36,549 --> 00:19:33,170

partner when I got home and looked at

396

00:19:38,890 --> 00:19:36,559

the pics for my cell and expanded one of

397

00:19:41,890 --> 00:19:38,900

the pools of a stunned scared horrified

398

00:19:46,210 --> 00:19:41,900

and frozen for about 30 minutes what I

399

00:19:49,480 --> 00:19:46,220

saw makes no sense I saw at least 13

400

00:19:52,350 --> 00:19:49,490

shadow people a Batman and some other

401
00:19:55,030 --> 00:19:52,360
things I can only describe as trolls

402
00:19:59,780 --> 00:19:55,040
there are three of them and one is as

403
00:20:05,630 --> 00:20:03,320
we returned to the property for the home

404
00:20:07,010 --> 00:20:05,640
inspection as my partner had me

405
00:20:10,100 --> 00:20:07,020
believing the photos were just

406
00:20:14,840 --> 00:20:10,110
distortion for my phone malfunctioning

407
00:20:17,000 --> 00:20:14,850
at the time of the inspection I asked to

408
00:20:19,280 --> 00:20:17,010
use her phone to take additional photos

409
00:20:21,020 --> 00:20:19,290
she reluctantly agreed when I got home

410
00:20:24,350 --> 00:20:21,030
again looked at the pictures and there

411
00:20:27,400 --> 00:20:24,360
was a tall shadow man and a hat standing

412
00:20:29,810 --> 00:20:27,410
arrogantly watching us near a fence I

413
00:20:31,510 --> 00:20:29,820

compared that photo to an earlier one of

414

00:20:34,580 --> 00:20:31,520

the fence and there was nothing there

415

00:20:36,940 --> 00:20:34,590

what's odd about all this is that all

416

00:20:39,170 --> 00:20:36,950

these photos were taken in the bright

417

00:20:41,540 --> 00:20:39,180

Florida sunshine in the middle of the

418

00:20:44,290 --> 00:20:41,550

day there are more oddities about this

419

00:20:47,660 --> 00:20:44,300

house the realtor until the neighbors

420

00:20:49,730 --> 00:20:47,670

raining from longtime hmm raining

421

00:20:52,790 --> 00:20:49,740

raining from longtime illnesses of two

422

00:20:55,220 --> 00:20:52,800

families stories of the former homeowner

423

00:20:59,270 --> 00:20:55,230

and his illness an instance of one old

424

00:21:00,890 --> 00:20:59,280

neighbor appearing out of nowhere while

425

00:21:03,980 --> 00:21:00,900

I was doing my first walk through the

426
00:21:05,720 --> 00:21:03,990
property I'm quite sure all these beings

427
00:21:07,940 --> 00:21:05,730
have been there a very long time I think

428
00:21:09,470 --> 00:21:07,950
the only reason I was able to take the

429
00:21:11,750 --> 00:21:09,480
first and most revealing picture is that

430
00:21:15,620 --> 00:21:11,760
I took it from inside the house and I

431
00:21:18,500 --> 00:21:15,630
could not have not it's hard to read

432
00:21:21,650 --> 00:21:18,510
this I don't know that's whatever could

433
00:21:25,000 --> 00:21:21,660
not have seen taken the picture from

434
00:21:27,740 --> 00:21:25,010
outside and down the hill near the water

435
00:21:29,990 --> 00:21:27,750
these things seemed to go in and out of

436
00:21:32,300 --> 00:21:30,000
the water way which opens up to the Gulf

437
00:21:36,080 --> 00:21:32,310
of Mexico directly maybe there's a

438
00:21:41,060 --> 00:21:36,090

portal heard of portals occurring during

439

00:21:45,200 --> 00:21:41,070

an episode of the show dead files okay

440

00:21:47,960 --> 00:21:45,210

ah I know you are an extremely busy

441

00:21:49,640 --> 00:21:47,970

professional yeah I have very much

442

00:21:51,680 --> 00:21:49,650

appreciate reading your works I find

443

00:21:53,690 --> 00:21:51,690

them to be extremely brave renderings

444

00:21:56,780 --> 00:21:53,700

among other things in your background

445

00:21:59,420 --> 00:21:56,790

and education is unequivocal in these

446

00:22:01,400 --> 00:21:59,430

areas well I thank you if you would like

447

00:22:03,530 --> 00:22:01,410

me to share this photographs I'm happy

448

00:22:05,510 --> 00:22:03,540

to do so but I do believe they are quite

449

00:22:07,430 --> 00:22:05,520

rare considering I have not been able to

450

00:22:07,970 --> 00:22:07,440

locate any similar findings on the

451

00:22:11,990 --> 00:22:07,980

Internet

452

00:22:14,270 --> 00:22:12,000

thank you I don't see the name on

453

00:22:17,120 --> 00:22:14,280

this one talk to the name I think I just

454

00:22:20,210 --> 00:22:17,130

clipped it by mistake but I do have

455

00:22:26,840 --> 00:22:20,220

access to this Oh Michelle

456

00:22:28,850 --> 00:22:26,850

there it is oh my goodness hey everybody

457

00:22:32,840 --> 00:22:28,860

everybody all together now

458

00:22:37,130 --> 00:22:32,850

holy smokes we found a mother lode I

459

00:22:44,570 --> 00:22:37,140

mean I don't understand I really don't

460

00:22:47,210 --> 00:22:44,580

understand what I mean I'm speechless

461

00:22:50,510 --> 00:22:47,220

this is too much it's too much

462

00:22:55,040 --> 00:22:50,520

so you happen to find a mother lode of

463

00:22:56,900 --> 00:22:55,050

shadow demon things hanging out I think

464

00:22:58,940 --> 00:22:56,910

it would be kind of interesting to be

465

00:23:03,860 --> 00:22:58,950

able to go to a location where there's

466

00:23:04,910 --> 00:23:03,870

such a rotten bit of them I would need

467

00:23:09,290 --> 00:23:04,920

to bring a priest

468

00:23:11,660 --> 00:23:09,300

I mean I've literally been talking about

469

00:23:13,490 --> 00:23:11,670

lately that you know there's a lot of

470

00:23:16,910 --> 00:23:13,500

people that have that lovely mail and

471

00:23:18,350 --> 00:23:16,920

order pastor hood that they do just

472

00:23:22,700 --> 00:23:18,360

doesn't feel quite right to do such a

473

00:23:25,010 --> 00:23:22,710

thing but I am I'm doing okay as far as

474

00:23:27,020 --> 00:23:25,020

demonic influences coming about me and

475

00:23:30,140 --> 00:23:27,030

stuff I I'm pretty good with my faith

476

00:23:35,060 --> 00:23:30,150

wall mm-hmm I build it up and keep it

477

00:23:37,820 --> 00:23:35,070

steady look at all day all day 24/7 but

478

00:23:39,980 --> 00:23:37,830

you know and getting like letters like

479

00:23:43,760 --> 00:23:39,990

this and hearing stories of people who

480

00:23:46,130 --> 00:23:43,770

are dealing with this type of thing on a

481

00:23:47,780 --> 00:23:46,140

regular basis or they like they caught a

482

00:23:49,040 --> 00:23:47,790

whole mother load of them trying to

483

00:23:54,110 --> 00:23:49,050

sneak over

484

00:23:55,850 --> 00:23:54,120

I need more ammunition I do I need to be

485

00:23:58,760 --> 00:23:55,860

able to throw a Bible verse or a viable

486

00:24:06,100 --> 00:23:58,770

atom or or sprinkle some Jesus on him I

487

00:24:09,170 --> 00:24:06,110

I I mean I think I need to look into

488

00:24:10,730 --> 00:24:09,180

potentially I don't know what do you

489

00:24:13,310 --> 00:24:10,740

call it become a demonologist what is

490

00:24:15,740 --> 00:24:13,320

that I mean is that a deacon what is it

491

00:24:18,440 --> 00:24:15,750

I think I need to do something along

492

00:24:20,150 --> 00:24:18,450

those lines because I can't take these

493

00:24:22,520 --> 00:24:20,160

things on myself I don't recommend

494

00:24:22,850 --> 00:24:22,530

people to take these on by themselves

495

00:24:26,010 --> 00:24:22,860

either

496

00:24:29,400 --> 00:24:26,020

I don't ever I have Jesus standing for

497

00:24:30,480 --> 00:24:29,410

uh but a lot of people of course you

498

00:24:33,480 --> 00:24:30,490

know everybody has their doubts about

499

00:24:36,390 --> 00:24:33,490

their face how can we echoey remedy that

500

00:24:39,180 --> 00:24:36,400

how can we fix that and I think

501
00:24:42,810 --> 00:24:39,190
sometimes you need to have a bit more

502
00:24:45,660 --> 00:24:42,820
more junk in your trunk to throw

503
00:24:49,140 --> 00:24:45,670
something at these beasts and I'm really

504
00:24:53,900 --> 00:24:49,150
considering getting educated in the area

505
00:25:00,090 --> 00:24:53,910
of I don't know I'm not Catholic I don't

506
00:25:03,960 --> 00:25:00,100
call it demon hood I don't know we'll

507
00:25:06,120 --> 00:25:03,970
see I'm thinking it over I'm tasting it

508
00:25:08,490 --> 00:25:06,130
I'm swishing it around in my mouth and

509
00:25:10,260 --> 00:25:08,500
tastes good I think I think I need I

510
00:25:12,990 --> 00:25:10,270
think I need that and I think I need it

511
00:25:16,590 --> 00:25:13,000
to help others it's not for myself it's

512
00:25:18,960 --> 00:25:16,600
to help others and time yeah I mean what

513
00:25:21,510 --> 00:25:18,970

do you do when you come upon a cesspool

514

00:25:23,040 --> 00:25:21,520

of demons I wouldn't want to bring my

515

00:25:25,740 --> 00:25:23,050

friends with me because that's my hope

516

00:25:28,710 --> 00:25:25,750

oh this stinks really bad it's like you

517

00:25:31,610 --> 00:25:28,720

know I'm a Walking Dead fan okay you

518

00:25:34,500 --> 00:25:31,620

guys see in fear the walking dead I mean

519

00:25:36,390 --> 00:25:34,510

it's more like a pile of these things

520

00:25:38,820 --> 00:25:36,400

and they throw somebody in it to see how

521

00:25:41,130 --> 00:25:38,830

well they do I mean that's what I

522

00:25:46,020 --> 00:25:41,140

imagine seeing a cesspool of shadow

523

00:25:48,870 --> 00:25:46,030

beings and demons and trolls what the

524

00:25:50,790 --> 00:25:48,880

heck who would I throw in there I don't

525

00:25:53,910 --> 00:25:50,800

even think there's anybody I don't like

526

00:25:55,560 --> 00:25:53,920

not even know yeah I don't know if

527

00:25:59,550 --> 00:25:55,570

there's nobody I would want to do that

528

00:26:01,890 --> 00:25:59,560

to you know I really don't so I mean how

529

00:26:05,040 --> 00:26:01,900

do you take that on Catholic churches

530

00:26:09,060 --> 00:26:05,050

very decisive on who and what they

531

00:26:11,220 --> 00:26:09,070

assist with so we need warriors I need

532

00:26:12,720 --> 00:26:11,230

more warriors we need some we need some

533

00:26:14,340 --> 00:26:12,730

people that can help out these priests

534

00:26:17,070 --> 00:26:14,350

yeah I don't know if you guys heard it

535

00:26:20,250 --> 00:26:17,080

was about a year or two ago oh there was

536

00:26:22,920 --> 00:26:20,260

an emergency training of exorcists the

537

00:26:25,560 --> 00:26:22,930

priests are being overrun with people

538

00:26:27,690 --> 00:26:25,570

who are possessed isn't that something

539

00:26:30,900 --> 00:26:27,700

so what do we have to do we have to

540

00:26:33,990 --> 00:26:30,910

somehow pull up our bootstraps in and

541

00:26:37,230 --> 00:26:34,000

say all right all right I guess I need

542

00:26:39,020 --> 00:26:37,240

to help out my my local pastor priests

543

00:26:40,760 --> 00:26:39,030

minister and and

544

00:26:42,920 --> 00:26:40,770

take on some responsibility for what's

545

00:26:44,660 --> 00:26:42,930

happening you know for the longest time

546

00:26:46,130 --> 00:26:44,670

I was like I got to put up this book I

547

00:26:47,870 --> 00:26:46,140

hope that this reaches right people

548

00:26:50,270 --> 00:26:47,880

they'll find it if it's meant to be in

549

00:26:51,800 --> 00:26:50,280

their hands and ditto and then and I did

550

00:26:53,960 --> 00:26:51,810

the column and I'm like okay I'm gonna

551
00:26:55,310 --> 00:26:53,970
answer all these people's emails and put

552
00:26:57,050 --> 00:26:55,320
it in a column and I hope it's reaching

553
00:26:58,760 --> 00:26:57,060
the right people and then I'm like gosh

554
00:27:00,740 --> 00:26:58,770
I'm just I felt like I had to keep

555
00:27:03,170 --> 00:27:00,750
reaching more and so then got the

556
00:27:05,360 --> 00:27:03,180
opportunity to be on another radio

557
00:27:08,150 --> 00:27:05,370
network and I'm like oh I did everything

558
00:27:10,220 --> 00:27:08,160
I could to put word out there and talk

559
00:27:12,530 --> 00:27:10,230
on as much as I can and educate people

560
00:27:15,740 --> 00:27:12,540
and and and now I still have the urge

561
00:27:18,770 --> 00:27:15,750
and the need to go further and it's like

562
00:27:22,010 --> 00:27:18,780
if it's gotta be TV I I mean whatever it

563
00:27:23,750 --> 00:27:22,020

takes to reach people I'm willing to do

564

00:27:26,870 --> 00:27:23,760

it because it's not about me it's not

565

00:27:30,380 --> 00:27:26,880

about anything but helping the souls of

566

00:27:32,600 --> 00:27:30,390

people I mean how how can anybody sit by

567

00:27:35,870 --> 00:27:32,610

it and I feel like I'm getting funneled

568

00:27:37,810 --> 00:27:35,880

all of this you know so many people turn

569

00:27:40,130 --> 00:27:37,820

their backs against their their church

570

00:27:42,200 --> 00:27:40,140

because they feel the church turned

571

00:27:43,640 --> 00:27:42,210

their backs on them so or a lot of

572

00:27:45,080 --> 00:27:43,650

people just haven't been educated in the

573

00:27:47,810 --> 00:27:45,090

church or about the church they don't

574

00:27:48,740 --> 00:27:47,820

know I don't go to church that would be

575

00:27:50,720 --> 00:27:48,750

honest I don't

576

00:27:52,910 --> 00:27:50,730

I'm not terrible no it's not terrible

577

00:27:54,980 --> 00:27:52,920

cuz I was taught that my body is my

578

00:27:57,200 --> 00:27:54,990

temple and that's where I worship and

579

00:27:58,760 --> 00:27:57,210

I've moved around a lot so it's like mmm

580

00:28:01,010 --> 00:27:58,770

how do you get son old and yeah I got

581

00:28:04,610 --> 00:28:01,020

all the excuses in the world but I'm

582

00:28:07,070 --> 00:28:04,620

very Christian I believe faithfully

583

00:28:11,570 --> 00:28:07,080

truly no doubts about where I stand with

584

00:28:13,760 --> 00:28:11,580

things and um I just think I need to

585

00:28:16,460 --> 00:28:13,770

take a step further and try to help my

586

00:28:18,650 --> 00:28:16,470

fellow human being and and we all could

587

00:28:21,280 --> 00:28:18,660

do that we all could do that and I think

588

00:28:25,250 --> 00:28:21,290

that we'd help encourage each other

589

00:28:27,170 --> 00:28:25,260

together it's showing that we're taking

590

00:28:30,110 --> 00:28:27,180

a stance together against the evil

591

00:28:31,580 --> 00:28:30,120

cuz it has to be done how else they're

592

00:28:35,570 --> 00:28:31,590

not enough priests to go around for

593

00:28:37,670 --> 00:28:35,580

crying out loud so let's let's all do

594

00:28:38,990 --> 00:28:37,680

that you know I I want to thank

595

00:28:40,910 --> 00:28:39,000

everybody for taking the time to write

596

00:28:46,160 --> 00:28:40,920

me I could carry on and on about this

597

00:28:48,830 --> 00:28:46,170

topic because it really boils me it's it

598

00:28:51,470 --> 00:28:48,840

boil you all too so um you know what

599

00:28:52,490 --> 00:28:51,480

write me that's outlandish Corner at

got over the outlandish corner and I'm

609
00:29:17,779 --> 00:29:15,030
getting to my awesome guest for this

610
00:29:21,710 --> 00:29:17,789
evening Chris Brown who is a

611
00:29:25,370 --> 00:29:21,720
stay-at-home dad father of three born

612
00:29:29,270 --> 00:29:25,380
and raised in Portland Oregon and he is

613
00:29:31,669 --> 00:29:29,280

here to share about his very unique

614

00:29:34,760 --> 00:29:31,679

encounter and some of his new insights

615

00:29:36,919 --> 00:29:34,770

in regards to an encounter that he and

616

00:29:39,440 --> 00:29:36,929

it was your son that also experienced

617

00:29:41,090 --> 00:29:39,450

the same kind of crack that's right yeah

618

00:29:43,700 --> 00:29:41,100

well welcome to the show once again

619

00:29:45,740 --> 00:29:43,710

crazy you you've come here a couple of

620

00:29:47,690 --> 00:29:45,750

times and we've always had a pretty good

621

00:29:50,360 --> 00:29:47,700

conversation in regards to this topic

622

00:29:52,370 --> 00:29:50,370

and and you feel I remember the last

623

00:29:55,100 --> 00:29:52,380

time that we spoke like it's your

624

00:29:57,770 --> 00:29:55,110

mission to really like bring the reality

625

00:29:59,779 --> 00:29:57,780

of this other reality forward correct

626

00:30:02,840 --> 00:29:59,789

that's what I was like kind of stuck

627

00:30:05,120 --> 00:30:02,850

with when you told me about that well

628

00:30:07,700 --> 00:30:05,130

yeah yeah that you're right and you know

629

00:30:09,860 --> 00:30:07,710

of course I'm the biggest thing is is

630

00:30:13,039 --> 00:30:09,870

self-preservation in my set and myself

631

00:30:15,799 --> 00:30:13,049

because it's you know me trying trying

632

00:30:18,350 --> 00:30:15,809

to help you know get get get in and a

633

00:30:20,330 --> 00:30:18,360

piece for myself in a lot of ways and by

634

00:30:22,250 --> 00:30:20,340

getting it out there and and in just to

635

00:30:24,350 --> 00:30:22,260

help other people I guess now to I guess

636

00:30:29,270 --> 00:30:24,360

that's that's another mission I'm on so

637

00:30:30,049 --> 00:30:29,280

I am Thomas fixtures almost later too by

638

00:30:32,720 --> 00:30:30,059

the way

639

00:30:34,880 --> 00:30:32,730

six years ago okay almost will be the

640

00:30:38,529 --> 00:30:34,890

six year anniversary next month on the

641

00:30:41,690 --> 00:30:38,539

18th in the and the 27th of August Wow

642

00:30:43,940 --> 00:30:41,700

fascinating so do do tell us give us

643

00:30:46,490 --> 00:30:43,950

some insight of what took place I mean

644

00:30:48,610 --> 00:30:46,500

paint the picture I love when details

645

00:30:51,980 --> 00:30:48,620

come forward because I like to imagine

646

00:30:54,140 --> 00:30:51,990

being that that casual person and being

647

00:30:58,370 --> 00:30:54,150

thrown into the reality of something

648

00:31:00,740 --> 00:30:58,380

said to not to be true so do tell you

649

00:31:02,790 --> 00:31:00,750

pride myself on the casual person that

650

00:31:05,340 --> 00:31:02,800

is why I'm here

651
00:31:07,140 --> 00:31:05,350
you know that's that's exactly it you

652
00:31:08,820 --> 00:31:07,150
know it's just you know I I've talked to

653
00:31:11,280 --> 00:31:08,830
story a hundred times or you know I

654
00:31:13,470 --> 00:31:11,290
guess I with the encountered a tizzy you

655
00:31:15,870 --> 00:31:13,480
know on me you'll start off like what my

656
00:31:18,630 --> 00:31:15,880
was my big encounter on that on the huge

657
00:31:22,260 --> 00:31:18,640
disk you okay Kevin for the grand prize

658
00:31:26,130 --> 00:31:22,270
of 1 million dollars what color is the

659
00:31:29,100 --> 00:31:26,140
White House I know this I know this I

660
00:31:31,740 --> 00:31:29,110
know this five seconds

661
00:31:33,380 --> 00:31:31,750
Oh switching to Geico could save you a

662
00:31:43,770 --> 00:31:33,390
bunch of money on car insurance

663
00:31:45,210 --> 00:31:43,780

okay judges Geico because saving fifteen

664

00:31:48,240 --> 00:31:45,220

percent or more on car insurance is

665

00:31:51,330 --> 00:31:48,250

always a great answer now on the 18th of

666

00:31:54,300 --> 00:31:51,340

August you know and that one there's big

667

00:31:57,720 --> 00:31:54,310

with me because when I look at that big

668

00:32:00,840 --> 00:31:57,730

disk the huge things I described was the

669

00:32:03,000 --> 00:32:00,850

glass diamond looking dome on top of it

670

00:32:06,060 --> 00:32:03,010

what was happening what happened you're

671

00:32:08,640 --> 00:32:06,070

out hanging out oh yes there was out

672

00:32:11,130 --> 00:32:08,650

water in my water my yard it was it was

673

00:32:14,520 --> 00:32:11,140

on the 18th of August and I was pulling

674

00:32:15,870 --> 00:32:14,530

out my hose to to do the the front yard

675

00:32:17,340 --> 00:32:15,880

and when I pull it out I had to get that

676

00:32:19,880 --> 00:32:17,350

out in the street to pull the kinks out

677

00:32:22,560 --> 00:32:19,890

and when I got it out in the street I

678

00:32:24,330 --> 00:32:22,570

noticed a little bit of some unusual

679

00:32:26,070 --> 00:32:24,340

lights out in the field that that were

680

00:32:28,950 --> 00:32:26,080

you know but my little neighborhood

681

00:32:31,260 --> 00:32:28,960

surrounded by nothing but fields and but

682

00:32:34,590 --> 00:32:31,270

I just didn't really take it in in

683

00:32:37,110 --> 00:32:34,600

because I you know if I had been a few

684

00:32:38,820 --> 00:32:37,120

years that I had lived there boom I

685

00:32:40,860 --> 00:32:38,830

would took it him right away it would've

686

00:32:42,060 --> 00:32:40,870

been like a wobbler there but what you

687

00:32:45,330 --> 00:32:42,070

know and then I what I had maybe more

688

00:32:47,250 --> 00:32:45,340

time to more time to sit there and look

689

00:32:50,340 --> 00:32:47,260

at what I was getting at and to call

690

00:32:51,990 --> 00:32:50,350

people maybe people who take notice but

691

00:32:54,840 --> 00:32:52,000

I had just been in the neighborhood just

692

00:32:59,520 --> 00:32:54,850

just you know roughly about a year

693

00:33:01,260 --> 00:32:59,530

just little worrier and so you know it

694

00:33:02,580 --> 00:33:01,270

just looked at a place at in but but it

695

00:33:04,560 --> 00:33:02,590

just didn't really take it in so I

696

00:33:09,810 --> 00:33:04,570

continued to go to walk to water my yard

697

00:33:12,240 --> 00:33:09,820

and and I put a bunch of weed stuff on

698

00:33:15,030 --> 00:33:12,250

my yard that day and and was trying to

699

00:33:15,700 --> 00:33:15,040

clean up my yard and and was watering it

700

00:33:20,230 --> 00:33:15,710

real good

701
00:33:23,800 --> 00:33:20,240
and so I did the second half and that

702
00:33:26,920 --> 00:33:23,810
was all I had probably good 20 minutes

703
00:33:30,190 --> 00:33:26,930
later and I found myself in the backyard

704
00:33:32,320 --> 00:33:30,200
again and pulling myself in the out from

705
00:33:33,820 --> 00:33:32,330
the yard again into the street did to

706
00:33:38,520 --> 00:33:33,830
pull out the kinks and it was a little

707
00:33:41,890 --> 00:33:38,530
bit darker than it was 9 9 o'clock p.m.

708
00:33:43,570 --> 00:33:41,900
when I went and started water so right

709
00:33:45,580 --> 00:33:43,580
about that time it was like 9 20 you

710
00:33:47,710 --> 00:33:45,590
know and then that's when I could

711
00:33:49,600 --> 00:33:47,720
visibly see it so it's like around this

712
00:33:51,940 --> 00:33:49,610
time you know that I mean that the Sun

713
00:33:54,550 --> 00:33:51,950

was going down you know kind of was

714

00:33:56,170 --> 00:33:54,560

staying up late but but but kind of was

715

00:33:57,430 --> 00:33:56,180

at that point in August that kind of

716

00:33:59,320 --> 00:33:57,440

starts to go down a little bit quicker

717

00:34:00,820 --> 00:33:59,330

you know it was really starting to go

718

00:34:04,570 --> 00:34:00,830

down right at that time so then it was

719

00:34:09,850 --> 00:34:04,580

just visibly there just boom and then

720

00:34:12,940 --> 00:34:09,860

that's that's what I thought there Heidi

721

00:34:15,850 --> 00:34:12,950

for the longest time well it's real

722

00:34:19,000 --> 00:34:15,860

monitoring but enough time sitting there

723

00:34:22,960 --> 00:34:19,010

wondering if it was happening at that

724

00:34:25,060 --> 00:34:22,970

was the biggest thing wondering what am

725

00:34:28,030 --> 00:34:25,070

I seeing is this happening and then the

726
00:34:28,900 --> 00:34:28,040
town being so dead you know I talked

727
00:34:31,900 --> 00:34:28,910
about that before

728
00:34:34,210 --> 00:34:31,910
about at this town was I mean granted

729
00:34:37,330 --> 00:34:34,220
it's a small town but it was just that

730
00:34:39,340 --> 00:34:37,340
that that one time that people are

731
00:34:40,810 --> 00:34:39,350
always out there people are always just

732
00:34:43,840 --> 00:34:40,820
kind of usually out there right at that

733
00:34:45,220 --> 00:34:43,850
time water in their yards because it's

734
00:34:49,300 --> 00:34:45,230
always just that kind of that time to

735
00:34:51,070 --> 00:34:49,310
water and then people go on nightly

736
00:34:53,230 --> 00:34:51,080
strolls you know it was a nice happy

737
00:34:55,450 --> 00:34:53,240
little town I know it's people out there

738
00:34:57,130 --> 00:34:55,460

are kids and stuff and couples going on

739

00:34:58,330 --> 00:34:57,140

their nightly strolls over couples and

740

00:35:02,080 --> 00:34:58,340

stuff you know what's going around there

741

00:35:03,970 --> 00:35:02,090

we knew but nobody nobody just dead and

742

00:35:05,680 --> 00:35:03,980

you know when I was sitting there

743

00:35:08,740 --> 00:35:05,690

staring because when I looked out in the

744

00:35:10,930 --> 00:35:08,750

field there was I had to look over the

745

00:35:14,590 --> 00:35:10,940

Dement the main road that goes from from

746

00:35:18,010 --> 00:35:14,600

Staton into sublimity and narrow was

747

00:35:19,480 --> 00:35:18,020

just dead now maybe I was just so

748

00:35:21,370 --> 00:35:19,490

engrossed what was happening I wasn't

749

00:35:24,880 --> 00:35:21,380

paying attention that the cars going by

750

00:35:28,360 --> 00:35:24,890

that's that's certainly plausible but

751

00:35:30,850 --> 00:35:28,370

there just was nobody around and

752

00:35:37,180 --> 00:35:30,860

then that's like I say then that's when

753

00:35:45,630 --> 00:35:37,190

I ran well I started to run to my

754

00:35:48,280 --> 00:35:45,640

neighbors and I liked him on there their

755

00:35:50,800 --> 00:35:48,290

little light came on you know their

756

00:35:52,930 --> 00:35:50,810

porch light and then I stopped and I was

757

00:35:54,130 --> 00:35:52,940

what am I gonna say to these people I'm

758

00:35:56,440 --> 00:35:54,140

not gonna go at me like deer in the

759

00:35:59,440 --> 00:35:56,450

headlights you know like what am I gonna

760

00:36:01,810 --> 00:35:59,450

say right I mean I you know what it like

761

00:36:04,840 --> 00:36:01,820

and here it goes again if I had been in

762

00:36:07,720 --> 00:36:04,850

the neighborhood longer sure I don't

763

00:36:10,720 --> 00:36:07,730

paint on the door and guys got you know

764

00:36:14,080 --> 00:36:10,730

very well but you know I just didn't I

765

00:36:16,480 --> 00:36:14,090

wasn't comfortable them then and so I

766

00:36:17,920 --> 00:36:16,490

just went back into this street still

767

00:36:20,560 --> 00:36:17,930

trying to figure out if this happening

768

00:36:31,150 --> 00:36:20,570

right yet won't go knock on the door for

769

00:36:35,170 --> 00:36:31,160

some reason and so that is when I just

770

00:36:37,150 --> 00:36:35,180

right then that this feeling of really

771

00:36:38,590 --> 00:36:37,160

kind of just like say first to looking

772

00:36:40,570 --> 00:36:38,600

at it one thing that still happened they

773

00:36:43,990 --> 00:36:40,580

started to move a little bit just a

774

00:36:46,750 --> 00:36:44,000

little bit then that's when I and then

775

00:36:49,180 --> 00:36:46,760

and then I was because I wasn't I had to

776

00:36:52,180 --> 00:36:49,190

go run to the stoplight after that to

777

00:36:55,210 --> 00:36:52,190

kind of get a closer look and but but

778

00:36:58,870 --> 00:36:55,220

right before then right as I say I got

779

00:37:04,570 --> 00:36:58,880

this feeling of hmm I guess it could I

780

00:37:08,520 --> 00:37:04,580

call weightlessness weightlessness the

781

00:37:11,320 --> 00:37:08,530

the everything look purplish kind of a

782

00:37:13,210 --> 00:37:11,330

bluish kind of purplish color and it

783

00:37:15,280 --> 00:37:13,220

just kind of felt like a rub vibration

784

00:37:17,320 --> 00:37:15,290

like that like I like that you know like

785

00:37:19,090 --> 00:37:17,330

it said this before you know if you put

786

00:37:20,650 --> 00:37:19,100

your hands sometimes vibrating really

787

00:37:23,740 --> 00:37:20,660

hard you know they have on those video

788

00:37:25,240 --> 00:37:23,750

much machine games that you can always

789

00:37:27,250 --> 00:37:25,250

go you'll remember in the 80s where you

790

00:37:28,750 --> 00:37:27,260

would go and you did a damn spy around

791

00:37:30,460 --> 00:37:28,760

still somewhere and you'd put the money

792

00:37:31,720 --> 00:37:30,470

in and it vibrate really super super

793

00:37:33,100 --> 00:37:31,730

super and get harder harder and then

794

00:37:36,370 --> 00:37:33,110

however long you could hold onto it

795

00:37:37,840 --> 00:37:36,380

right and almost let's kind of like that

796

00:37:39,790 --> 00:37:37,850

feeling well you're like everything was

797

00:37:42,040 --> 00:37:39,800

just vibrant yet it was like a warm kind

798

00:37:44,380 --> 00:37:42,050

of a feeling but just worse

799

00:37:49,360 --> 00:37:44,390

yeah just for a second and then that and

800

00:37:53,230 --> 00:37:49,370

and it well to me it felt like it was

801
00:37:56,610 --> 00:37:53,240
pulling me in I felt like as crazy as it

802
00:38:00,160 --> 00:37:56,620
sounded like it was pulling me my soul

803
00:38:02,560 --> 00:38:00,170
my body mm-hmm

804
00:38:05,530 --> 00:38:02,570
that's just all I could say it just felt

805
00:38:07,870 --> 00:38:05,540
like it was sucking me in and it really

806
00:38:10,150 --> 00:38:07,880
scared me it scared me really bad and

807
00:38:15,270 --> 00:38:10,160
and the first thing I said it was Oh God

808
00:38:21,420 --> 00:38:18,430
then of course you like say oh that or

809
00:38:25,630 --> 00:38:21,430
like my typical help mommy right right

810
00:38:26,170 --> 00:38:25,640
yeah anyway but it really did it was

811
00:38:27,760 --> 00:38:26,180
scary

812
00:38:29,440 --> 00:38:27,770
this is where I get to everybody would

813
00:38:31,900 --> 00:38:29,450

always gets to hey Chris you won't have

814

00:38:34,270 --> 00:38:31,910

that I haven't come on Organa or oh I

815

00:38:37,780 --> 00:38:34,280

would love to have an encounter right

816

00:38:40,360 --> 00:38:37,790

yeah be careful what you wish you

817

00:38:42,790 --> 00:38:40,370

because I I've been at yeah you know and

818

00:38:47,980 --> 00:38:42,800

and it really was you know the unknown

819

00:38:57,100 --> 00:38:47,990

so I might think of the Twilight Zone

820

00:38:58,630 --> 00:38:57,110

episode to serve man so anyway I was

821

00:39:00,880 --> 00:38:58,640

though I think that was the episode that

822

00:39:06,450 --> 00:39:00,890

the name of it but it was on The

823

00:39:11,410 --> 00:39:08,700

[Laughter]

824

00:39:13,240 --> 00:39:11,420

but no but you know that that is what it

825

00:39:17,800 --> 00:39:13,250

was so but you know and then I just got

826

00:39:19,090 --> 00:39:17,810

over it then I go over you know I you

827

00:39:20,620 --> 00:39:19,100

know because here it is still right in

828

00:39:23,020 --> 00:39:20,630

front of me I'm like oh my god this

829

00:39:24,430 --> 00:39:23,030

thing's here and first I'll be on going

830

00:39:25,870 --> 00:39:24,440

in my head oh my god I gotta get this on

831

00:39:28,480 --> 00:39:25,880

video I get this on video

832

00:39:30,640 --> 00:39:28,490

Holy Smoke this is gonna be here right

833

00:39:33,430 --> 00:39:30,650

this is it it's just you that's out

834

00:39:35,440 --> 00:39:33,440

there looking at this manger and and it

835

00:39:38,050 --> 00:39:35,450

was so that it was like so like right

836

00:39:42,910 --> 00:39:38,060

there I mean it was crowded it was it

837

00:39:45,700 --> 00:39:42,920

was a half mile away so big I mean I

838

00:39:48,460 --> 00:39:45,710

I've never seen okay I've never seen

839

00:39:51,700 --> 00:39:48,470

anything not big before my eyes that's

840

00:39:53,390 --> 00:39:51,710

all I can say I've never seen lados like

841

00:39:56,550 --> 00:39:53,400

a football stadium

842

00:39:57,360 --> 00:39:56,560

you know it takes that into a whole

843

00:40:01,160 --> 00:39:57,370

other level

844

00:40:05,520 --> 00:40:01,170

okay I've never seen anything to put a

845

00:40:11,820 --> 00:40:05,530

falling object of that size the only

846

00:40:15,420 --> 00:40:11,830

thing I can I can wait it to or

847

00:40:20,730 --> 00:40:15,430

something yeah yeah I get quoted to

848

00:40:24,150 --> 00:40:20,740

would be a aircraft carrier bike about

849

00:40:27,510 --> 00:40:24,160

three or four room put together it you

850

00:40:29,340 --> 00:40:27,520

know I I personally I've seen a UFO that

851
00:40:31,740 --> 00:40:29,350
was about three football fields and and

852
00:40:34,320 --> 00:40:31,750
sighs it it took up the whole sky when I

853
00:40:36,150 --> 00:40:34,330
looked up you couldn't see around it so

854
00:40:38,700 --> 00:40:36,160
I get that I really do

855
00:40:40,440 --> 00:40:38,710
yeah well that was it and that's where I

856
00:40:42,570 --> 00:40:40,450
stopped off on that very beginning here

857
00:40:43,800 --> 00:40:42,580
on the cool on the core on the clear

858
00:40:46,380 --> 00:40:43,810
diamond

859
00:40:50,220 --> 00:40:46,390
I call it glass but I want to throw that

860
00:40:52,980 --> 00:40:50,230
right out the window because there to me

861
00:40:54,750 --> 00:40:52,990
it looked like a diamond and and and I

862
00:40:59,840 --> 00:40:54,760
have to say that if there was anything

863
00:41:04,110 --> 00:40:59,850

on it that looked like it was a diamond

864

00:41:06,270 --> 00:41:04,120

type of stone structure the way that it

865

00:41:07,520 --> 00:41:06,280

reflected off of the mean and off of

866

00:41:10,470 --> 00:41:07,530

Czar's

867

00:41:12,540 --> 00:41:10,480

with that with that gleam that that

868

00:41:15,930 --> 00:41:12,550

glistening kind of that that Jewish

869

00:41:19,910 --> 00:41:15,940

gleam was something that that looked

870

00:41:23,090 --> 00:41:19,920

very diminished to me and it's seem very

871

00:41:26,070 --> 00:41:23,100

seem very ET for sure didn't seem

872

00:41:28,440 --> 00:41:26,080

government in the sense because I could

873

00:41:32,970 --> 00:41:28,450

never I could never see anything that

874

00:41:35,880 --> 00:41:32,980

that we would never have anything that

875

00:41:39,300 --> 00:41:35,890

big of a structure of a glass structure

876

00:41:41,550 --> 00:41:39,310

and if we did it would be the world's

877

00:41:45,660 --> 00:41:41,560

biggest blast structure that could ever

878

00:41:48,690 --> 00:41:45,670

be you know made so he's describing

879

00:41:51,030 --> 00:41:48,700

you're describing a bottom part was it

880

00:41:53,820 --> 00:41:51,040

was a with a saucer shape yeah the

881

00:41:56,700 --> 00:41:53,830

diamond shape on top what the diamond

882

00:42:00,960 --> 00:41:56,710

dome on top panel is that clear I mean I

883

00:42:03,870 --> 00:42:00,970

mean polished kind of looking real

884

00:42:06,990 --> 00:42:03,880

polished looking just a just a bubble

885

00:42:08,880 --> 00:42:07,000

dome thing on it thanks almost

886

00:42:12,210 --> 00:42:08,890

like that like they do in the movies

887

00:42:13,830 --> 00:42:12,220

it's like eyes like the Jetsons yep just

888

00:42:16,830 --> 00:42:13,840

like the Jetsons and you know what I

889

00:42:18,030 --> 00:42:16,840

believe if they go back into where you

890

00:42:21,150 --> 00:42:18,040

have but you know we need somebody like

891

00:42:22,590 --> 00:42:21,160

Clarkson here we need somebody you know

892

00:42:24,090 --> 00:42:22,600

who are these old schools that really

893

00:42:27,240 --> 00:42:24,100

can pin all these different kinds of

894

00:42:29,700 --> 00:42:27,250

down and bill burns or whoever you know

895

00:42:31,290 --> 00:42:29,710

but but that might be the very first

896

00:42:34,410 --> 00:42:31,300

ones that really have ever been reported

897

00:42:35,970 --> 00:42:34,420

I think people sing or ones that have

898

00:42:37,650 --> 00:42:35,980

that shape to them which is probably

899

00:42:41,130 --> 00:42:37,660

goes back to why they've always kind of

900

00:42:44,310 --> 00:42:41,140

used that general design in in TV what

901
00:42:46,440 --> 00:42:44,320
we've always kind of seen so less than a

902
00:42:48,030 --> 00:42:46,450
lot of sunshine natural lighting I if I

903
00:42:53,010 --> 00:42:48,040
were an alien I'd want natural lighting

904
00:42:55,680 --> 00:42:53,020
so I get it yeah so that's that's that's

905
00:42:58,290 --> 00:42:55,690
the biggest thing you know you I see

906
00:42:59,790 --> 00:42:58,300
that and I guess I get that so that but

907
00:43:02,070 --> 00:42:59,800
that's what gets me to think that maybe

908
00:43:03,870 --> 00:43:02,080
it wasn't anything to do with with

909
00:43:05,970 --> 00:43:03,880
government the government you know

910
00:43:09,870 --> 00:43:05,980
because the fact that the sheer size of

911
00:43:12,600 --> 00:43:09,880
that and it just looks so Jewish now now

912
00:43:15,360 --> 00:43:12,610
granted you know I mean who knows things

913
00:43:17,340 --> 00:43:15,370

are things are you know made big and we

914

00:43:18,870 --> 00:43:17,350

got big things that made and if they can

915

00:43:20,480 --> 00:43:18,880

make anti-gravity maybe they could say

916

00:43:23,550 --> 00:43:20,490

hey we could just lift anything I

917

00:43:26,340 --> 00:43:23,560

totally get that in the sense of a free

918

00:43:27,750 --> 00:43:26,350

weightlessness that that we lift

919

00:43:29,400 --> 00:43:27,760

anything and we can build these things

920

00:43:31,950 --> 00:43:29,410

underground where nobody's gonna see

921

00:43:33,420 --> 00:43:31,960

where they're gonna be made and and no

922

00:43:35,160 --> 00:43:33,430

we do I have people going and taking

923

00:43:38,430 --> 00:43:35,170

tours to go see where were these big

924

00:43:40,350 --> 00:43:38,440

submarines and and and aircraft carriers

925

00:43:42,450 --> 00:43:40,360

and stuff like that or are made and

926
00:43:44,220 --> 00:43:42,460
getting all these special you know stuff

927
00:43:47,340 --> 00:43:44,230
we get on them you know those are all

928
00:43:49,410 --> 00:43:47,350
silent things those are all frames that

929
00:43:50,970 --> 00:43:49,420
are you know and so what they could else

930
00:43:54,390 --> 00:43:50,980
they could be building down in those

931
00:43:57,540 --> 00:43:54,400
areas is you know or beyond that it's

932
00:43:59,520 --> 00:43:57,550
just you know no but you know like I say

933
00:44:01,050 --> 00:43:59,530
and so anyway so I ran down there you

934
00:44:06,030 --> 00:44:01,060
know that's like say they get off topic

935
00:44:08,190 --> 00:44:06,040
a little bit there but you know so I you

936
00:44:10,350 --> 00:44:08,200
know I had boom you know I felt like

937
00:44:12,300 --> 00:44:10,360
that I was right instantly remembered

938
00:44:15,350 --> 00:44:12,310

here I'm just explaining these feelings

939

00:44:19,080 --> 00:44:15,360

I instantly remembered that I had my

940

00:44:20,250 --> 00:44:19,090

ipod that I had had but the only kids

941

00:44:20,880 --> 00:44:20,260

were always playing around at that time

942

00:44:23,580 --> 00:44:20,890

it's come

943

00:44:25,620 --> 00:44:23,590

new thing to me sorry but anyway so but

944

00:44:27,720 --> 00:44:25,630

I do remember how to Wi-Fi buddy that's

945

00:44:30,570 --> 00:44:27,730

about all I knew how to do and find well

946

00:44:32,310 --> 00:44:30,580

I could find the the the the video thing

947

00:44:34,200 --> 00:44:32,320

a lot faster if I just had it longer

948

00:44:35,580 --> 00:44:34,210

knew what to do but I didn't not switch

949

00:44:38,250 --> 00:44:35,590

through all the little settings right so

950

00:44:39,930 --> 00:44:38,260

anyway I run down there to go try to get

951

00:44:42,150 --> 00:44:39,940

a video of the stains I go I got a

952

00:44:44,990 --> 00:44:42,160

bigger remnant right Louis I was you

953

00:44:47,820 --> 00:44:45,000

know talk about me shaking so hard yeah

954

00:44:49,710 --> 00:44:47,830

man you know I'm telling you sit here

955

00:44:53,090 --> 00:44:49,720

it's just thinkin about how you know my

956

00:44:59,930 --> 00:44:53,100

handshake I was saying shaking so hard I

957

00:45:06,510 --> 00:45:03,120

you see something that sighs floating

958

00:45:08,190 --> 00:45:06,520

silently come on down and I know I in my

959

00:45:15,030 --> 00:45:08,200

experience you know I probably always

960

00:45:17,850 --> 00:45:15,040

thought everybody but everybody got out

961

00:45:18,540 --> 00:45:17,860

here you know yeah nobody and nobody's

962

00:45:20,820 --> 00:45:18,550

around

963

00:45:23,070 --> 00:45:20,830

so what happens next so you could not

964

00:45:25,290 --> 00:45:23,080

get the the video to work Oh writing

965

00:45:26,820 --> 00:45:25,300

this thing gee well well I was I ran

966

00:45:28,560 --> 00:45:26,830

down the stop sign like say trying to

967

00:45:30,660 --> 00:45:28,570

get this video of it trying to search

968

00:45:32,310 --> 00:45:30,670

around my hand shaking I finally just

969

00:45:33,750 --> 00:45:32,320

kind of gave up on that or it's been

970

00:45:35,540 --> 00:45:33,760

just still sitting there you know and

971

00:45:38,550 --> 00:45:35,550

then finally I'm just staring at it and

972

00:45:40,260 --> 00:45:38,560

and once again the town so dead nobody

973

00:45:46,200 --> 00:45:40,270

going by I'm Stan thought I'd say at the

974

00:45:48,030 --> 00:45:46,210

stoplight here you know and it it moved

975

00:45:50,790 --> 00:45:48,040

back and forth from my estimate move

976

00:45:55,170 --> 00:45:50,800

back and forth from from you know I'd

977

00:45:59,400 --> 00:45:55,180

say 30 feet the first few times and then

978

00:46:00,990 --> 00:45:59,410

after that it it would Swint east toward

979

00:46:03,330 --> 00:46:01,000

the mountains and then that's you know

980

00:46:05,400 --> 00:46:03,340

that's when I could see just a Sears the

981

00:46:07,260 --> 00:46:05,410

sights of anyway like to see the size of

982

00:46:09,570 --> 00:46:07,270

it it's like oh my god before but when

983

00:46:16,160 --> 00:46:09,580

it like took off it was like mind me of

984

00:46:20,580 --> 00:46:18,600

mountains was it heading towards like

985

00:46:22,380 --> 00:46:20,590

where you look ahead toward well I was

986

00:46:24,530 --> 00:46:22,390

in sublimity there so it was heading

987

00:46:27,540 --> 00:46:24,540

east its hadn't actually toward an

988

00:46:33,870 --> 00:46:27,550

McCauley Mountain and I'm heading toward

989

00:46:38,940 --> 00:46:36,990

bachelor area Oh mom bachelor or pop

990

00:46:40,980 --> 00:46:38,950

popular area for those people that know

991

00:46:52,650 --> 00:46:40,990

all about skiing and all that well you

992

00:46:54,540 --> 00:46:52,660

can have okay so it looked like it was

993

00:46:57,060 --> 00:46:54,550

heading a backtrack it's actually in bin

994

00:46:59,310 --> 00:46:57,070

but it's now Mount Bachelor is the name

995

00:47:01,560 --> 00:46:59,320

but it's in Bandar cordon so anyway

996

00:47:04,280 --> 00:47:01,570

headed toward McCauley mountain which is

997

00:47:09,660 --> 00:47:04,290

another mountains out there which is

998

00:47:11,580 --> 00:47:09,670

that direction and then I found myself

999

00:47:14,250 --> 00:47:11,590

you know like like say we're seeing how

1000

00:47:16,290 --> 00:47:14,260

big it is and then I went and find

1001
00:47:18,780 --> 00:47:16,300
myself running one run back to my house

1002
00:47:21,660 --> 00:47:18,790
they can I get better sight of it maybe

1003
00:47:24,300 --> 00:47:21,670
in my back yard just I don't get better

1004
00:47:25,680 --> 00:47:24,310
sliders right right i start running but

1005
00:47:27,300 --> 00:47:25,690
just as eyes and i just happen to be

1006
00:47:31,050 --> 00:47:27,310
kind of looking up at that point to

1007
00:47:34,520 --> 00:47:31,060
obviously but then I seen a a like a

1008
00:47:38,520 --> 00:47:34,530
star that was like directly above the

1009
00:47:40,320 --> 00:47:38,530
were was in space but it was a star I

1010
00:47:41,790 --> 00:47:40,330
mean it was for all I know it could have

1011
00:47:45,480 --> 00:47:41,800
been the same thing with that fast you

1012
00:47:47,520 --> 00:47:45,490
know but uh it was moving just like like

1013
00:47:50,070 --> 00:47:47,530

if I took a rock and threw a rock this

1014

00:47:52,890 --> 00:47:50,080

hard in the air that's how fast is

1015

00:47:54,210 --> 00:47:52,900

moving in space but it was in space they

1016

00:47:56,460 --> 00:47:54,220

look like I'm sitting right next to the

1017

00:47:57,900 --> 00:47:56,470

star and there was a star and I it's

1018

00:47:59,610 --> 00:47:57,910

remember whoa

1019

00:48:03,840 --> 00:47:59,620

so then that's you know I'm kind of

1020

00:48:05,970 --> 00:48:03,850

in-between that I'm running back and not

1021

00:48:08,370 --> 00:48:05,980

really wave too much from the stop sign

1022

00:48:09,960 --> 00:48:08,380

I guess it was when I caught that so I

1023

00:48:12,420 --> 00:48:09,970

was kind of like halfway my house when I

1024

00:48:14,100 --> 00:48:12,430

seen that and then I kind of tried to

1025

00:48:16,860 --> 00:48:14,110

run back once again and tried to get a

1026

00:48:19,650 --> 00:48:16,870

better to try to Wi-Fi again but then I

1027

00:48:21,860 --> 00:48:19,660

lost sight of it you know to my name

1028

00:48:25,320 --> 00:48:21,870

getting back running back to my um my

1029

00:48:28,710 --> 00:48:25,330

driveway which was about fifty feet away

1030

00:48:30,240 --> 00:48:28,720

you know and so then I'm sitting here

1031

00:48:33,480 --> 00:48:30,250

trying to figure out this darn thing to

1032

00:48:35,730 --> 00:48:33,490

Wi-Fi and looking all around and then on

1033

00:48:38,430 --> 00:48:35,740

my right-hand shoulder and it was it's

1034

00:48:42,630 --> 00:48:38,440

right at that same time being my dog

1035

00:48:45,000 --> 00:48:42,640

goes inside he made a park and then this

1036

00:48:47,730 --> 00:48:45,010

craft came over the neighborhood now it

1037

00:48:49,650 --> 00:48:47,740

was smaller it wasn't as big

1038

00:48:51,750 --> 00:48:49,660

by the lights and all that from

1039

00:48:54,030 --> 00:48:51,760

underneath I'd say it was probably about

1040

00:48:56,609 --> 00:48:54,040

maybe your honor hauling about 15 feet

1041

00:48:58,170 --> 00:48:56,619

by 15 feet no so you're saying your dog

1042

00:49:00,570 --> 00:48:58,180

barked and all of a sudden a smaller

1043

00:49:02,190 --> 00:49:00,580

craft comes at you yeah we know where

1044

00:49:04,550 --> 00:49:02,200

the wood looked over the right-hand side

1045

00:49:07,560 --> 00:49:04,560

of my shoulder and then it came over the

1046

00:49:11,400 --> 00:49:07,570

the neighborhood flew over my house it

1047

00:49:13,980 --> 00:49:11,410

went over the neighborhood all the dogs

1048

00:49:16,950 --> 00:49:13,990

kind of just start all simultaneously

1049

00:49:18,870 --> 00:49:16,960

just kind of barked all when they had

1050

00:49:20,310 --> 00:49:18,880

everyone there had a dog and then it

1051

00:49:23,970 --> 00:49:20,320

went over to the other side of the

1052

00:49:25,950 --> 00:49:23,980

neighborhood were my friends lid and

1053

00:49:28,290 --> 00:49:25,960

kind of what's over on top of their

1054

00:49:31,650 --> 00:49:28,300

house and their dogs are barking and

1055

00:49:33,599 --> 00:49:31,660

then what did this craft look like well

1056

00:49:37,470 --> 00:49:33,609

this one I've described I'd say it's

1057

00:49:39,660 --> 00:49:37,480

about 15 by 15 feet in diameter I could

1058

00:49:41,579 --> 00:49:39,670

only tell I could just see because it

1059

00:49:45,270 --> 00:49:41,589

was it's getting real dark button in I

1060

00:49:47,670 --> 00:49:45,280

could only see it from just from

1061

00:49:51,060 --> 00:49:47,680

underneath so I couldn't get anything

1062

00:49:53,579 --> 00:49:51,070

any any real visual on it you know I

1063

00:49:56,370 --> 00:49:53,589

could just say it's almost like you know

1064

00:49:58,800 --> 00:49:56,380

we're you know the the monster or the

1065

00:50:01,140 --> 00:49:58,810

UFO comes over and it paralyzes the town

1066

00:50:03,810 --> 00:50:01,150

and and somebody's conscious and aware

1067

00:50:05,670 --> 00:50:03,820

and they accidentally kick a can and and

1068

00:50:09,150 --> 00:50:05,680

so they send out a little probe to go

1069

00:50:11,490 --> 00:50:09,160

investigate that's it's like like you

1070

00:50:13,890 --> 00:50:11,500

got caught because your dog open his

1071

00:50:15,089 --> 00:50:13,900

mouth but then all the dogs seem to like

1072

00:50:17,010 --> 00:50:15,099

my pants

1073

00:50:19,620 --> 00:50:17,020

I would have seen in anyway tell you the

1074

00:50:21,839 --> 00:50:19,630

truth I I really do because it was this

1075

00:50:28,290 --> 00:50:21,849

is like pretty much as soon as I caught

1076

00:50:31,290 --> 00:50:28,300

my to it then it then it then it was

1077

00:50:33,570 --> 00:50:31,300

then being barked so I mean it was it

1078

00:50:35,370 --> 00:50:33,580

was it's like it has been a while now I

1079

00:50:36,930 --> 00:50:35,380

guess I think it maybe it was him but I

1080

00:50:39,750 --> 00:50:36,940

mean he's like right there I mean it was

1081

00:50:42,950 --> 00:50:39,760

almost like you know both of us almost

1082

00:50:46,050 --> 00:50:42,960

at the same time caught on to it and so

1083

00:50:47,910 --> 00:50:46,060

yeah you know and so you know it just

1084

00:50:50,400 --> 00:50:47,920

went over to the other end of the to the

1085

00:50:52,109 --> 00:50:50,410

neighborhood like I said and then it sat

1086

00:50:53,700 --> 00:50:52,119

there for a second it stopped it's out

1087

00:50:55,710 --> 00:50:53,710

there for a second and then it kind of

1088

00:50:57,960 --> 00:50:55,720

got bright and then it just disappeared

1089

00:51:00,810 --> 00:50:57,970

and then of course I'm the only one at

1090

00:51:04,020 --> 00:51:00,820

the house at that point in time and

1091

00:51:06,210 --> 00:51:04,030

and my wife was gone and in the family

1092

00:51:10,140 --> 00:51:06,220

and she just comes home like 10 minutes

1093

00:51:12,090 --> 00:51:10,150

I'd say ten minutes afterwards yeah

1094

00:51:13,650 --> 00:51:12,100

everybody starts flying into the

1095

00:51:15,180 --> 00:51:13,660

neighborhood right and as soon as the

1096

00:51:19,260 --> 00:51:15,190

thing takes off you know it's like Grand

1097

00:51:25,830 --> 00:51:19,270

Central Station so I don't know but

1098

00:51:28,800 --> 00:51:25,840

anyway yeah you know I I one element

1099

00:51:32,550 --> 00:51:28,810

that you and I have in common besides

1100

00:51:34,980 --> 00:51:32,560

seeing monster-sized UFO as as a child I

1101

00:51:38,010 --> 00:51:34,990

had severe epilepsy and and this is

1102

00:51:40,260 --> 00:51:38,020

something it also flicks you and and I

1103

00:51:43,160 --> 00:51:40,270

see a lot of strange things and I've

1104

00:51:48,210 --> 00:51:43,170

seen some major UFOs as well and and you

1105

00:51:49,830 --> 00:51:48,220

attribute your your epilepsy to whatever

1106

00:51:53,040 --> 00:51:49,840

it took place like what how do you

1107

00:51:55,860 --> 00:51:53,050

connect that dot as crazy as it is I do

1108

00:52:00,600 --> 00:51:55,870

I I really believe that it that somehow

1109

00:52:02,310 --> 00:52:00,610

someway by me I have a lot of them have

1110

00:52:04,710 --> 00:52:02,320

I you know I open up a little bit about

1111

00:52:06,630 --> 00:52:04,720

my helpers I've never it's another thing

1112

00:52:09,420 --> 00:52:06,640

that feel that feels me it's a nothing

1113

00:52:12,330 --> 00:52:09,430

else need to tell my encounter to tell

1114

00:52:13,710 --> 00:52:12,340

people it's because you know like you

1115

00:52:16,260 --> 00:52:13,720

know certain people have been in my life

1116

00:52:18,930 --> 00:52:16,270

for a while and Jay notes and knows how

1117

00:52:22,610 --> 00:52:18,940

severe it is and and but I've almost

1118

00:52:25,800 --> 00:52:22,620

died multiple times from it and so I

1119

00:52:28,260 --> 00:52:25,810

that's what feels me to tell my story to

1120

00:52:30,900 --> 00:52:28,270

get it out because it's just me and when

1121

00:52:33,060 --> 00:52:30,910

I if something happens to me then it is

1122

00:52:35,640 --> 00:52:33,070

but I feel that my seizures have been

1123

00:52:38,940 --> 00:52:35,650

something that that is me being able to

1124

00:52:40,890 --> 00:52:38,950

to possibly connect on another level

1125

00:52:43,470 --> 00:52:40,900

another another you know people talk

1126
00:52:47,430 --> 00:52:43,480
about them going on in their dimension

1127
00:52:49,280 --> 00:52:47,440
another frequency and you know people

1128
00:52:51,960 --> 00:52:49,290
with the seizures and stuff are

1129
00:52:53,640 --> 00:52:51,970
completely off frequency they're they're

1130
00:52:54,960 --> 00:52:53,650
not they're not tuned in they're having

1131
00:52:56,370 --> 00:52:54,970
short circuits and that's why they're

1132
00:52:59,430 --> 00:52:56,380
having seizures and things are happening

1133
00:53:00,690 --> 00:52:59,440
and and I have small wounds a lot I had

1134
00:53:02,220 --> 00:53:00,700
that's that's what I've sucked if I have

1135
00:53:05,130 --> 00:53:02,230
small ones I have big ones I have to

1136
00:53:08,880 --> 00:53:05,140
maintain a diet to keep the big ones

1137
00:53:10,920 --> 00:53:08,890
away because if if I don't live on this

1138
00:53:14,470 --> 00:53:10,930

diet and I don't keep my life a certain

1139

00:53:19,510 --> 00:53:14,480

way then then things can happen

1140

00:53:21,760 --> 00:53:19,520

I say yeah so anyway you know your

1141

00:53:24,700 --> 00:53:21,770

different frequency they probably were

1142

00:53:28,540 --> 00:53:24,710

not expecting the new guy who's been

1143

00:53:32,770 --> 00:53:28,550

there for less than a year to be keeping

1144

00:53:35,290 --> 00:53:32,780

keeping watch like abductions before and

1145

00:53:38,440 --> 00:53:35,300

there's a new guy we forgot to tune

1146

00:53:39,880 --> 00:53:38,450

things up for him well you know the

1147

00:53:43,960 --> 00:53:39,890

thing of it is my thing is I was

1148

00:53:46,000 --> 00:53:43,970

consistently praying for these things

1149

00:53:48,160 --> 00:53:46,010

you know when I hadn't I wanted one

1150

00:53:50,170 --> 00:53:48,170

encounter persistently praying for it to

1151
00:53:52,240 --> 00:53:50,180
come back yeah I want the thing to come

1152
00:53:56,530 --> 00:53:52,250
back I want you know sitting up there

1153
00:53:59,470 --> 00:53:56,540
for my yard for four days on end laying

1154
00:54:01,720 --> 00:53:59,480
in bed at night laying in bed at night

1155
00:54:04,540 --> 00:54:01,730
wanting it to come back wishing it to

1156
00:54:06,970 --> 00:54:04,550
come back hoping wanting it to get um

1157
00:54:11,890 --> 00:54:06,980
wanting it to to come back to

1158
00:54:14,200 --> 00:54:11,900
essentially do what it did and show the

1159
00:54:15,640 --> 00:54:14,210
world yeah yeah you're right

1160
00:54:17,800 --> 00:54:15,650
and that's that's what I that's what I

1161
00:54:19,690 --> 00:54:17,810
told everybody and that side if I told

1162
00:54:21,130 --> 00:54:19,700
you that's what I told myself I was

1163
00:54:22,720 --> 00:54:21,140

gonna tell everybody when it was

1164

00:54:24,250 --> 00:54:22,730

happening right the one I was wanting to

1165

00:54:25,780 --> 00:54:24,260

do and I but I wanted a video of course

1166

00:54:28,240 --> 00:54:25,790

right forget all the other having to do

1167

00:54:30,610 --> 00:54:28,250

with with no video and all that just my

1168

00:54:32,920 --> 00:54:30,620

rankings and all that right mr. K well

1169

00:54:34,270 --> 00:54:32,930

Chris we've got to get to our next break

1170

00:54:35,680 --> 00:54:34,280

you guys you're listening to me how do

1171

00:54:40,420 --> 00:54:35,690

you host the Outlander and we'll be

1172

00:54:41,770 --> 00:54:40,430

right back welcome back everybody you're

1173

00:54:43,840 --> 00:54:41,780

listening to me Heidi Hollis

1174

00:54:45,850 --> 00:54:43,850

the Outlander remembering always if it's

1175

00:54:48,430 --> 00:54:45,860

weird we're here we're giving you advice

1176

00:54:50,280 --> 00:54:48,440

and insight on outlandish topics I have

1177

00:54:53,770 --> 00:54:50,290

Chris Brown here who's sharing a very

1178

00:54:56,770 --> 00:54:53,780

exciting encounter that he had that is

1179

00:54:58,900 --> 00:54:56,780

not typical and it really captures the

1180

00:55:01,750 --> 00:54:58,910

imagination of what it must have been

1181

00:55:05,110 --> 00:55:01,760

like to witness such a thing and and

1182

00:55:07,780 --> 00:55:05,120

some of the possibilities about why you

1183

00:55:11,800 --> 00:55:07,790

witness what you did Chris I mean to me

1184

00:55:14,560 --> 00:55:11,810

it almost sounds like a mass abduction

1185

00:55:18,010 --> 00:55:14,570

or a mass infiltration of some sort that

1186

00:55:19,780 --> 00:55:18,020

the the whole town was paralyzed except

1187

00:55:24,700 --> 00:55:19,790

for you and as we said before the break

1188

00:55:27,490 --> 00:55:24,710

you have a particular medical situation

1189

00:55:28,210 --> 00:55:27,500

where you have minor seizures quite

1190

00:55:30,849 --> 00:55:28,220

often

1191

00:55:31,330 --> 00:55:30,859

so if they put the Whammy on everybody

1192

00:55:33,910 --> 00:55:31,340

else

1193

00:55:35,620 --> 00:55:33,920

you would have been that that one out of

1194

00:55:38,440 --> 00:55:35,630

the crowd that could have broke the

1195

00:55:42,040 --> 00:55:38,450

whammy because you are not on the same

1196

00:55:43,359 --> 00:55:42,050

frequency as other people yeah you know

1197

00:55:45,099 --> 00:55:43,369

I always kind of like to ever think of

1198

00:55:49,839 --> 00:55:45,109

the reversal like they did something

1199

00:55:50,980 --> 00:55:49,849

with me so that the town the town

1200

00:55:52,359 --> 00:55:50,990

probably was just going straight

1201

00:55:54,400 --> 00:55:52,369

everybody was probably just doing

1202

00:55:57,099 --> 00:55:54,410

whatever thing they did and maybe it was

1203

00:56:04,510 --> 00:55:57,109

on my end I'm perceiving what out of the

1204

00:56:07,270 --> 00:56:04,520

matrix that's that's another angle to

1205

00:56:09,550 --> 00:56:07,280

look at it my goodness you know there's

1206

00:56:12,180 --> 00:56:09,560

a couple of questions that were put in

1207

00:56:16,810 --> 00:56:12,190

the chat room and MJ was kind enough to

1208

00:56:19,000 --> 00:56:16,820

translate they were asking if if

1209

00:56:21,160 --> 00:56:19,010

whatever took place with whatever

1210

00:56:23,680 --> 00:56:21,170

whoever was flying this craft if you

1211

00:56:27,520 --> 00:56:23,690

felt that it communicated with you in

1212

00:56:32,020 --> 00:56:27,530

any way and how so and did any other

1213

00:56:35,050 --> 00:56:32,030

strange events happen afterwards you

1214

00:56:37,089 --> 00:56:35,060

know I I felt they did can communicate

1215

00:56:38,920 --> 00:56:37,099

you know to get more into my to my car

1216

00:56:44,290 --> 00:56:38,930

and we don't have too much of time but

1217

00:56:47,589 --> 00:56:44,300

on the encounter with the orb I feel

1218

00:56:50,079 --> 00:56:47,599

like it did have the the it communicated

1219

00:56:53,770 --> 00:56:50,089

with me and it wasn't you know sky I

1220

00:56:56,440 --> 00:56:53,780

know what you talked about and you know

1221

00:56:58,660 --> 00:56:56,450

how you you it you felt it talk to you

1222

00:57:00,700 --> 00:56:58,670

and and you could when it was there and

1223

00:57:04,359 --> 00:57:00,710

how yet so the feelings that you got and

1224

00:57:10,210 --> 00:57:04,369

and mine was a little bit different than

1225

00:57:12,280 --> 00:57:10,220

that mine was in the sense almost mmm I

1226
00:57:14,140 --> 00:57:12,290
could say winning orbits right there and

1227
00:57:16,060 --> 00:57:14,150
it was happening it was time slowed down

1228
00:57:17,740 --> 00:57:16,070
for everything of course I would make

1229
00:57:19,540 --> 00:57:17,750
such a huge thing of course you of

1230
00:57:21,630 --> 00:57:19,550
course it's like a car accident or

1231
00:57:30,280 --> 00:57:21,640
anything it's just content slows down

1232
00:57:32,290 --> 00:57:30,290
but it I I wasn't it really it was the

1233
00:57:35,020 --> 00:57:32,300
following days I was really just not a

1234
00:57:39,070 --> 00:57:35,030
UFO guy when any of this hit I mean I

1235
00:57:41,780 --> 00:57:39,080
have this it mean it hit a fool it hit

1236
00:57:43,910 --> 00:57:41,790
somebody who you mentioned

1237
00:57:47,540 --> 00:57:43,920
anything do you fo an only thing I could

1238
00:57:51,260 --> 00:57:47,550

say at this point was was my was was was

1239

00:57:53,060 --> 00:57:51,270

the television show UFO Hunters with my

1240

00:57:55,910 --> 00:57:53,070

with my when therefore with our friend

1241

00:57:57,890 --> 00:57:55,920

bill birnes alright and and you know and

1242

00:57:59,960 --> 00:57:57,900

to know that he's you know I I know I am

1243

00:58:02,210 --> 00:57:59,970

I could call him a acquaintance and and

1244

00:58:04,010 --> 00:58:02,220

and and I know them personally he's

1245

00:58:06,410 --> 00:58:04,020

incredible thing to me just you know and

1246

00:58:07,670 --> 00:58:06,420

he knows my encounter because that's

1247

00:58:08,780 --> 00:58:07,680

what I wanted the very first thing what

1248

00:58:09,890 --> 00:58:08,790

happened I got to go to hole this guy

1249

00:58:10,550 --> 00:58:09,900

just never thought that would ever

1250

00:58:12,830 --> 00:58:10,560

happen

1251
00:58:14,900 --> 00:58:12,840
and it's just bad are just perseverance

1252
00:58:17,660 --> 00:58:14,910
to keep going to keep going but anyway

1253
00:58:19,430 --> 00:58:17,670
um you know wasn't like I said it goes

1254
00:58:21,350 --> 00:58:19,440
to the fact that what me was a few days

1255
00:58:23,420 --> 00:58:21,360
afterwards when I felt it spoke to me

1256
00:58:28,310 --> 00:58:23,430
and it spoke to me after the fact that I

1257
00:58:32,210 --> 00:58:28,320
had gotten very I've gotten very sick I

1258
00:58:35,290 --> 00:58:32,220
gotten very sick was about two days

1259
00:58:37,640 --> 00:58:35,300
after the encounter and my wife my mom

1260
00:58:40,220 --> 00:58:37,650
and people around me thought that maybe

1261
00:58:42,530 --> 00:58:40,230
I was poisoned from from the encounter

1262
00:58:45,110 --> 00:58:42,540
she know I fought that I got something

1263
00:58:48,110 --> 00:58:45,120

from it like radiation poisoning what

1264

00:58:51,050 --> 00:58:48,120

was it what were your symptoms nauseated

1265

00:58:53,030 --> 00:58:51,060

super sick I was so sick I I couldn't

1266

00:58:55,100 --> 00:58:53,040

even I couldn't even move I was just

1267

00:58:58,040 --> 00:58:55,110

throwing up consistently throwing up

1268

00:59:00,020 --> 00:58:58,050

consistently but the MUFON people had

1269

00:59:04,580 --> 00:59:00,030

came over the MUFON people had already

1270

00:59:06,350 --> 00:59:04,590

came over and and they did there they

1271

00:59:08,000 --> 00:59:06,360

did there and you because I called him

1272

00:59:10,310 --> 00:59:08,010

right away after the second encounter

1273

00:59:12,230 --> 00:59:10,320

cuz I kind of had already had leads on

1274

00:59:13,910 --> 00:59:12,240

kind of Hootie who's going for and I

1275

00:59:15,110 --> 00:59:13,920

finally found out about MUFON like like

1276

00:59:16,700 --> 00:59:15,120

the next day after it happened or

1277

00:59:18,110 --> 00:59:16,710

something so I called him like that

1278

00:59:20,120 --> 00:59:18,120

following day or I don't know where I

1279

00:59:21,530 --> 00:59:20,130

found out seems I found out and they

1280

00:59:24,140 --> 00:59:21,540

came over like that following day after

1281

00:59:26,300 --> 00:59:24,150

that I told him and but then it was like

1282

00:59:28,580 --> 00:59:26,310

a day or so was a few days after that I

1283

00:59:32,510 --> 00:59:28,590

guess but I got sick and but when I woke

1284

00:59:34,520 --> 00:59:32,520

up things I just I can't understand it

1285

00:59:36,530 --> 00:59:34,530

it's still odd it's still bizarre still

1286

00:59:40,850 --> 00:59:36,540

don't just oh just tell us we went to

1287

00:59:43,370 --> 00:59:40,860

here you're talking to the queen of

1288

00:59:45,260 --> 00:59:43,380

bizarre it's all I know I just it was

1289

00:59:48,680 --> 00:59:45,270

just weird because the way that things

1290

00:59:51,590 --> 00:59:48,690

were in my head because I didn't it was

1291

00:59:53,600 --> 00:59:51,600

like it simplified everything for me it

1292

00:59:54,370 --> 00:59:53,610

like really presented me as sensing gave

1293

00:59:57,340 --> 00:59:54,380

me a

1294

01:00:00,040 --> 00:59:57,350

of something what special I guess that I

1295

01:00:01,630 --> 01:00:00,050

seen I witnessed because to me it when

1296

01:00:03,760 --> 01:00:01,640

it first happened I was just telling

1297

01:00:06,340 --> 01:00:03,770

people about it and it was an incredible

1298

01:00:09,670 --> 01:00:06,350

thing or whatever but I didn't grasp the

1299

01:00:11,980 --> 01:00:09,680

detail and what exactly I like it you

1300

01:00:13,870 --> 01:00:11,990

know I just because you know mine's a

1301

01:00:15,490 --> 01:00:13,880

detailed encounter as you know and and

1302

01:00:17,350 --> 01:00:15,500

it was just right there six feet from us

1303

01:00:18,430 --> 01:00:17,360

and I could see perfectly inside of it

1304

01:00:20,740 --> 01:00:18,440

and it was like I'm looking at the

1305

01:00:22,750 --> 01:00:20,750

chatter so this is you're talking about

1306

01:00:28,120 --> 01:00:22,760

the the second walk honor we didn't get

1307

01:00:30,190 --> 01:00:28,130

into that second and catch up with what

1308

01:00:31,960 --> 01:00:30,200

or what I would open a little work yeah

1309

01:00:33,490 --> 01:00:31,970

that was like I say it was been you know

1310

01:00:35,560 --> 01:00:33,500

that the after the first encounter

1311

01:00:37,600 --> 01:00:35,570

everybody I had been out there I've been

1312

01:00:39,790 --> 01:00:37,610

waiting for for the same to come back I

1313

01:00:41,800 --> 01:00:39,800

told all the neighbors I'd walked around

1314

01:00:44,740 --> 01:00:41,810

talking to neighbors couldn't find

1315

01:00:48,310 --> 01:00:44,750

anybody talk to two to the one neighbor

1316

01:00:50,740 --> 01:00:48,320

on there on the on the left-hand side

1317

01:00:52,570 --> 01:00:50,750

that I was gonna run over their house I

1318

01:00:54,790 --> 01:00:52,580

actually did tell them afterwards and

1319

01:00:56,380 --> 01:00:54,800

then he and Chuck says well cursive

1320

01:00:58,900 --> 01:00:56,390

playing gonna happen do you don't expect

1321

01:01:00,430 --> 01:00:58,910

that day he took me in and you know

1322

01:01:02,310 --> 01:01:00,440

because he had said he had seen some

1323

01:01:04,720 --> 01:01:02,320

somewhere lights he's a big hunter and

1324

01:01:06,730 --> 01:01:04,730

so he took me in baby he says well don't

1325

01:01:08,860 --> 01:01:06,740

expect that to happen again crest all

1326

01:01:10,750 --> 01:01:08,870

right so what happened what happened so

1327

01:01:13,150 --> 01:01:10,760

so anyway and then I told the neighbor

1328

01:01:14,650 --> 01:01:13,160

on the other side there right next my

1329

01:01:16,480 --> 01:01:14,660

sandwiched in between him I told the

1330

01:01:17,740 --> 01:01:16,490

other neighborhoods my age and her she

1331

01:01:20,890 --> 01:01:17,750

went told her daughter and their

1332

01:01:22,480 --> 01:01:20,900

daughter came over and said my friend

1333

01:01:25,540 --> 01:01:22,490

seen the same disc that night to a

1334

01:01:27,160 --> 01:01:25,550

McCauley Mountain amazing yeah so there

1335

01:01:29,590 --> 01:01:27,170

would get to that real quick so anyway

1336

01:01:31,420 --> 01:01:29,600

so here it is I've been out there

1337

01:01:32,860 --> 01:01:31,430

waiting water in my yard for hovering

1338

01:01:35,500 --> 01:01:32,870

bidets waiting for this thing to come

1339

01:01:36,790 --> 01:01:35,510

back out there had my boy out there and

1340

01:01:38,320 --> 01:01:36,800

the kids out there I had the wife out

1341

01:01:39,880 --> 01:01:38,330

there water and wasn't but with the

1342

01:01:41,920 --> 01:01:39,890

video camera Ron I had the video camera

1343

01:01:45,250 --> 01:01:41,930

this time just rolling my water night

1344

01:01:47,960 --> 01:01:45,260

one of my art video camera and finding

1345

01:01:50,630 --> 01:01:47,970

out what it was Saturday night okay

1346

01:01:55,220 --> 01:01:50,640

for the grand prize of 1 million dollars

1347

01:01:58,550 --> 01:01:55,230

what color is the White House I know

1348

01:01:59,300 --> 01:01:58,560

this I know this I know this five

1349

01:02:01,940 --> 01:01:59,310

seconds

1350

01:02:03,580 --> 01:02:01,950

Oh switching to Geico could save you a

1351

01:02:11,800 --> 01:02:03,590

bunch of money on car insurance

1352

01:02:14,630 --> 01:02:11,810

okay judges that's true congratulations

1353

01:02:16,760 --> 01:02:14,640

Geico because saving 15% or more on car

1354

01:02:21,820 --> 01:02:16,770

insurance is always a great answer

1355

01:02:27,109 --> 01:02:24,620

it was almost midnight and I guess it

1356

01:02:29,630 --> 01:02:27,119

was and so I had to go out there in

1357

01:02:31,730 --> 01:02:29,640

water and it was been Saturday then and

1358

01:02:33,080 --> 01:02:31,740

so i drugged my boy out because it was

1359

01:02:40,280 --> 01:02:33,090

summertime the kids are out late

1360

01:02:42,620 --> 01:02:40,290

watching yes anyway and so I had my boy

1361

01:02:46,070 --> 01:02:42,630

up there watching and you don't kind of

1362

01:02:47,750 --> 01:02:46,080

keep a sky watch for me and so well he

1363

01:02:49,820 --> 01:02:47,760

was wanting to go in and didn't look you

1364

01:02:51,980 --> 01:02:49,830

know and and we're out there ten minutes

1365

01:02:53,390 --> 01:02:51,990

or so and and I kind of hurried up I

1366

01:02:54,530 --> 01:02:53,400

said well okay cold mice I guess it

1367

01:02:57,349 --> 01:02:54,540

don't look like we're gonna see anything

1368

01:02:59,300 --> 01:02:57,359

tonight and I walked up to the curb

1369

01:03:01,640 --> 01:02:59,310

where he was and I and I and I dropped

1370

01:03:04,000 --> 01:03:01,650

the hose and like a drop of water first

1371

01:03:06,230 --> 01:03:04,010

maybe you know drop the hose now and

1372

01:03:07,640 --> 01:03:06,240

I'll turn off the camera and I put in my

1373

01:03:08,900 --> 01:03:07,650

pocket and that's why I say okay well

1374

01:03:11,210 --> 01:03:08,910

they look like we're gonna see the night

1375

01:03:15,230 --> 01:03:11,220

cold and then they both of us just turn

1376

01:03:17,990 --> 01:03:15,240

around and that's when this pop behind

1377

01:03:20,089 --> 01:03:18,000

us a with the flash we just turned

1378

01:03:22,400 --> 01:03:20,099

around just right there I just saw I

1379

01:03:24,890 --> 01:03:22,410

mean you know instantly it just was like

1380

01:03:26,750 --> 01:03:24,900

a transformer went out at the same time

1381

01:03:27,859 --> 01:03:26,760

you know just happened to be at the same

1382

01:03:31,040 --> 01:03:27,869

time or something maybe someone's

1383

01:03:32,570 --> 01:03:31,050

shooting off a firework yeah yeah but it

1384

01:03:34,790 --> 01:03:32,580

pretty quickly came into shape what it

1385

01:03:37,099 --> 01:03:34,800

was and that was all I can say it was

1386

01:03:40,190 --> 01:03:37,109

just like a bubble a bubble but it was

1387

01:03:42,650 --> 01:03:40,200

like a magnetic type of if you can think

1388

01:03:44,990 --> 01:03:42,660

of a just a soap bubble but being a

1389

01:03:48,349 --> 01:03:45,000

magnetic when the outside of it was like

1390

01:03:51,680 --> 01:03:48,359

fire white like night electrical yellow

1391

01:03:54,380 --> 01:03:51,690

kind of a yellowish kind of a color I

1392

01:03:56,930 --> 01:03:54,390

guess not really white but anyway in how

1393

01:04:01,079 --> 01:03:56,940

big was this thing I took five feet and

1394

01:04:03,809 --> 01:04:01,089

five feet button diameter and it was

1395

01:04:06,899 --> 01:04:03,819

bright-yellow you said on the outside of

1396

01:04:11,519 --> 01:04:06,909

it and then on the inside of it it had

1397

01:04:13,859 --> 01:04:11,529

mixed in like teal color like a and then

1398

01:04:17,159 --> 01:04:13,869

inside of it was all this golden dust

1399

01:04:18,569 --> 01:04:17,169

that was swarming oh hell man there's so

1400

01:04:19,559 --> 01:04:18,579

much of it it was but it was like a

1401

01:04:22,199 --> 01:04:19,569

bunch of bees

1402

01:04:25,439 --> 01:04:22,209

I really felt this is where the living

1403

01:04:27,630 --> 01:04:25,449

computer within the orb because that

1404

01:04:29,880 --> 01:04:27,640

stuff felt like a living computer to me

1405

01:04:35,009 --> 01:04:29,890

that was floating around this Center

1406

01:04:37,589 --> 01:04:35,019

it's this this this this this clear ball

1407

01:04:39,059 --> 01:04:37,599

sphere to me once again it looked like a

1408

01:04:40,439 --> 01:04:39,069

diamond which was Colton who was the

1409

01:04:41,669 --> 01:04:40,449

very first one to say that it looked

1410

01:04:44,969 --> 01:04:41,679

like a dying man named it's one that

1411

01:04:47,640 --> 01:04:44,979

brought up that word yeah and and in the

1412

01:04:49,890 --> 01:04:47,650

center of it had a cherry red liquid and

1413

01:04:51,539 --> 01:04:49,900

it was spinning backwards what's going

1414

01:04:52,769 --> 01:04:51,549

for it just like ah bright cyan always

1415

01:04:55,169 --> 01:04:52,779

did with the spinning you know that

1416

01:04:57,359 --> 01:04:55,179

counterclockwise yeah red with the red

1417

01:04:59,370 --> 01:04:57,369

cherry glowing now we couldn't see that

1418

01:05:01,380 --> 01:04:59,380

it was in a tear drop shape until it

1419

01:05:08,669 --> 01:05:01,390

went spinning away from us we could see

1420

01:05:11,489 --> 01:05:08,679

it and mm-hmm I guess by about 15 feet

1421

01:05:15,299 --> 01:05:11,499

away from us yeah for some reason I

1422

01:05:18,809 --> 01:05:15,309

imagine a giant ping-pong ball below us

1423

01:05:21,539 --> 01:05:18,819

going on the inside of it well I guess I

1424

01:05:24,479 --> 01:05:21,549

guess yeah you know I mean it just was

1425

01:05:26,370 --> 01:05:24,489

it just looked like a clear ball but

1426

01:05:28,140 --> 01:05:26,380

wouldn't that with like a magnetic

1427

01:05:31,319 --> 01:05:28,150

bubble around it with all this golden

1428

01:05:33,779 --> 01:05:31,329

duster on it and it had the red liquid

1429

01:05:37,169 --> 01:05:33,789

in the middle of the clear ball that was

1430

01:05:40,049 --> 01:05:37,179

like the power of the whole thing like a

1431

01:05:42,390 --> 01:05:40,059

nothing but a just a big inner energy

1432

01:05:43,649 --> 01:05:42,400

ball that was just completely electing

1433

01:05:45,599 --> 01:05:43,659

me you know it looked so radioactive

1434

01:05:48,149 --> 01:05:45,609

that power and there like it was just

1435

01:05:50,699 --> 01:05:48,159

thank you you drew a picture of this

1436

01:05:54,870 --> 01:05:50,709

know I already like it so um yeah so

1450

01:06:39,120 --> 01:06:34,869

facebook.com backslash the - sublimity -

1451

01:06:40,710 --> 01:06:39,130

close encounter a close - encounter just

1452

01:06:43,080 --> 01:06:40,720

some people can check that out so yeah

1453

01:06:45,480 --> 01:06:43,090

so you saw this you and your son I'm

1454

01:06:47,609 --> 01:06:45,490

looking at this so we're looking at your

1455

01:06:50,390 --> 01:06:47,619

cameras in your pocket in the pocket

1456

01:06:52,500 --> 01:06:50,400

haven't pulled it out yet what do you do

1457

01:06:53,609 --> 01:06:52,510

I call this world what should have been

1458

01:06:56,460 --> 01:06:53,619

shooting back out she'd been just

1459

01:06:59,609 --> 01:06:56,470

hanging on my wrist so what did you do

1460

01:07:02,670 --> 01:06:59,619

what happened well so I ended up going

1461

01:07:05,130 --> 01:07:02,680

and like I say it just went we're

1462

01:07:07,590 --> 01:07:05,140

spinning away about 15 3 on us and then

1463

01:07:09,840 --> 01:07:07,600

it just sat there and then like say I'm

1464

01:07:12,120 --> 01:07:09,850

just that's when I should have been you

1465

01:07:15,150 --> 01:07:12,130

know I mean man it wasn't there for

1466

01:07:17,580 --> 01:07:15,160

probably I'd say another 3 4 seconds up

1467

01:07:20,280 --> 01:07:17,590

at the Barry I don't even say that I had

1468

01:07:23,580 --> 01:07:20,290

suggest couple seconds you know the most

1469

01:07:27,540 --> 01:07:23,590

and then it's sponge or I diagonally

1470

01:07:30,990 --> 01:07:27,550

away but another 6 7 feet and it hit the

1471

01:07:36,000 --> 01:07:31,000

iron plate manhole cover on the road and

1472

01:07:37,680 --> 01:07:36,010

then it it it just arced it just was

1473

01:07:39,240 --> 01:07:37,690

gonna made the same popping noise that

1474

01:07:41,099 --> 01:07:39,250

it did when it showed up and it made

1475

01:07:43,410 --> 01:07:41,109

little sparkler rolled around on there

1476

01:07:45,390 --> 01:07:43,420

and played manhole cover and then then

1477

01:07:49,500 --> 01:07:45,400

there's a power pole that was right

1478

01:07:51,240 --> 01:07:49,510

there and there's a there went also a

1479

01:07:52,920 --> 01:07:51,250

power line that went across into the

1480

01:07:57,450 --> 01:07:52,930

little cul-de-sac that was right there -

1481

01:08:00,060 --> 01:07:57,460

and I had sparks that flew off the

1482

01:08:01,980 --> 01:08:00,070

transformer you know so I don't say it

1483

01:08:03,930 --> 01:08:01,990

was just gone and now this happened a

1484

01:08:06,960 --> 01:08:03,940

couple days after you saw the big ship

1485

01:08:14,570 --> 01:08:06,970

yeah that was 11 days after 11 days Wow

1486

01:08:17,820 --> 01:08:14,580

yeah and so yeah and and so you know I

1487

01:08:20,010 --> 01:08:17,830

went and my wife's friend came out right

1488

01:08:22,530 --> 01:08:20,020

after that and I thought oh they seen it

1489

01:08:24,960 --> 01:08:22,540

well no they didn't see it then she just

1490

01:08:28,170 --> 01:08:24,970

was leaving and well I did tell her we

1491

01:08:28,440 --> 01:08:28,180

said something but gosh you know just it

1492

01:08:37,820 --> 01:08:28,450

just

1493

01:08:40,950 --> 01:08:37,830

really didn't I don't know I I guess

1494

01:08:45,360 --> 01:08:40,960

yeah I was in a wooden how was your son

1495

01:08:48,810 --> 01:08:45,370

reacting well he was his first thing was

1496

01:08:52,440 --> 01:08:48,820

whoa and both of us at the at the same

1497

01:08:57,720 --> 01:08:52,450

time and how old is he when that

1498

01:09:00,060 --> 01:08:57,730

happened well he's now he's now 15 so

1499

01:09:01,890 --> 01:09:00,070

and he was 19 when it happened

1500

01:09:03,210 --> 01:09:01,900

amazing I'm sure he remembers it like it

1501
01:09:06,060 --> 01:09:03,220
was yesterday it's one of those things

1502
01:09:07,350 --> 01:09:06,070
you wouldn't forget Wow so this thing

1503
01:09:11,910 --> 01:09:07,360
took off did it go in the same direction

1504
01:09:14,130 --> 01:09:11,920
as that made the big ship well it took

1505
01:09:18,510 --> 01:09:14,140
off so fast I just don't know I mean it

1506
01:09:22,950 --> 01:09:18,520
was just gone I ended up hit the manhole

1507
01:09:26,340 --> 01:09:22,960
hit the fire the electric pole it took

1508
01:09:31,970 --> 01:09:26,350
off yep what's going about this is

1509
01:09:34,140 --> 01:09:31,980
amazing Wow and so I I had heard you

1510
01:09:37,740 --> 01:09:34,150
know like I say my wife you know she

1511
01:09:39,330 --> 01:09:37,750
went she came over and Frankie my ID

1512
01:09:42,000 --> 01:09:39,340
like we said we didn't say anything cuz

1513
01:09:43,920 --> 01:09:42,010

we're just like so then she got in her

1514

01:09:46,050 --> 01:09:43,930

car and she took I said something it

1515

01:09:47,610 --> 01:09:46,060

just wasn't I don't know it just didn't

1516

01:09:51,480 --> 01:09:47,620

what didn't really stick with her so she

1517

01:09:52,890 --> 01:09:51,490

ended up going and she takes off well

1518

01:09:55,980 --> 01:09:52,900

then the neighbour girl comes home they

1519

01:09:57,810 --> 01:09:55,990

had her friend seen the UFO yeah

1520

01:09:59,130 --> 01:09:57,820

right at the same time and I'm like oh

1521

01:10:00,180 --> 01:09:59,140

my god Briana you weren't gonna believe

1522

01:10:02,040 --> 01:10:00,190

it and here we are sitting there

1523

01:10:06,810 --> 01:10:02,050

chit-chatting about it and then all of a

1524

01:10:09,030 --> 01:10:06,820

sudden this streak in front of us and we

1525

01:10:14,790 --> 01:10:09,040

clearly see it was it was it was streak

1526

01:10:16,890 --> 01:10:14,800

of a disc and she her and I like wow and

1527

01:10:20,010 --> 01:10:16,900

my boys like Colton's like whoa well

1528

01:10:22,470 --> 01:10:20,020

that one that disc was over the neighbor

1529

01:10:24,030 --> 01:10:22,480

the neighbor's house 40 feet above and

1530

01:10:25,890 --> 01:10:24,040

Colton could see inside of it and he

1531

01:10:27,450 --> 01:10:25,900

wrote his and that's where you see his

1532

01:10:30,570 --> 01:10:27,460

picture of his drawings and stuff like

1533

01:10:33,600 --> 01:10:30,580

that on the Sunda on Buffon report

1534

01:10:35,460 --> 01:10:33,610

anyway and so you know the go on I read

1535

01:10:37,260 --> 01:10:35,470

and chat about afterwards about 10

1536

01:10:39,780 --> 01:10:37,270

minutes afterwards I did hear some some

1537

01:10:41,000 --> 01:10:39,790

helicopters I couldn't see you know it's

1538

01:10:44,180 --> 01:10:41,010

heard

1539

01:10:47,900 --> 01:10:44,190

and you know and then I I did I did

1540

01:10:49,430 --> 01:10:47,910

happen to - you know when I called MUFON

1541

01:10:53,210 --> 01:10:49,440

and stuff everything worked real well on

1542

01:10:55,940 --> 01:10:53,220

my phone and all that but after after I

1543

01:10:58,130 --> 01:10:55,950

record after I called MUFON that's when

1544

01:10:59,960 --> 01:10:58,140

my phone guy he where everything went

1545

01:11:04,340 --> 01:10:59,970

good let's talk about my encounters and

1546

01:11:05,870 --> 01:11:04,350

then all of a sudden I got to that

1547

01:11:08,090 --> 01:11:05,880

second one I started talking with detail

1548

01:11:11,570 --> 01:11:08,100

there and also my phone right write it

1549

01:11:13,880 --> 01:11:11,580

out on me and had it at a black suburban

1550

01:11:17,570 --> 01:11:13,890

that kept cutting out on me it did that

1551
01:11:20,990 --> 01:11:17,580
on my first radio show when I first went

1552
01:11:22,550 --> 01:11:21,000
on was the Kevin Smith Kevin Smith show

1553
01:11:26,990 --> 01:11:22,560
by the way arrested piece Kevin Smith

1554
01:11:29,990 --> 01:11:27,000
yeah and I hits one of those shows and

1555
01:11:34,970 --> 01:11:30,000
also here on one of the shows that was

1556
01:11:37,250 --> 01:11:34,980
on this network and so this is it was

1557
01:11:41,200 --> 01:11:37,260
something happened I went on for like

1558
01:11:44,470 --> 01:11:41,210
say probably a good few weeks you know

1559
01:11:46,820 --> 01:11:44,480
you know after the encounter and then or

1560
01:11:50,780 --> 01:11:46,830
maybe a month and then I had a weird

1561
01:11:54,830 --> 01:11:50,790
suburban come by my house up Yemen the

1562
01:11:56,390 --> 01:11:54,840
neighbor over to - two houses over was

1563
01:11:57,800 --> 01:11:56,400

that was the lead mechanic from the

1564

01:11:59,990 --> 01:11:57,810

Chevy dealership right in my backyard

1565

01:12:01,640 --> 01:12:00,000

there what's he doing home some cars

1566

01:12:03,140 --> 01:12:01,650

every now and then you know maybe some

1567

01:12:04,520 --> 01:12:03,150

suburban or something he was working on

1568

01:12:06,440 --> 01:12:04,530

he was a leading the can up there you

1569

01:12:08,750 --> 01:12:06,450

know and he at lunchtime he was coming

1570

01:12:12,410 --> 01:12:08,760

home at lunch and I thought maybe it was

1571

01:12:14,600 --> 01:12:12,420

him but it was you know go normal speeds

1572

01:12:17,330 --> 01:12:14,610

it was all black I had all tenant out

1573

01:12:21,080 --> 01:12:17,340

windows and as soon as it got right to

1574

01:12:23,120 --> 01:12:21,090

the brettton where I was at in the front

1575

01:12:27,320 --> 01:12:23,130

yard I was doing yard work it went super

1576

01:12:30,050 --> 01:12:27,330

slow creepingly slow yeah you all a just

1577

01:12:32,620 --> 01:12:30,060

kind of going past mouths so you're

1578

01:12:35,540 --> 01:12:32,630

under surveillance

1579

01:12:37,250 --> 01:12:35,550

it's that up it sped up to go real fast

1580

01:12:39,920 --> 01:12:37,260

just to go there and flip eue

1581

01:12:41,660 --> 01:12:39,930

to come to come back down again and to

1582

01:12:44,570 --> 01:12:41,670

go just normal speed until it hit back

1583

01:12:45,710 --> 01:12:44,580

me again and so I caught on to it by

1584

01:12:47,600 --> 01:12:45,720

that time so that's getting all these

1585

01:12:49,160 --> 01:12:47,610

you know my phone was messing up and all

1586

01:12:50,750 --> 01:12:49,170

that but I just gave him a crappy look

1587

01:12:52,459 --> 01:12:50,760

on the wave definitely it sounds like

1588

01:12:54,410 --> 01:12:52,469

you're you're under surveillance you

1589

01:12:58,160 --> 01:12:54,420

know we don't have much time I wanted a

1590

01:13:00,410 --> 01:12:58,170

ask you do you feel that you you may

1591

01:13:02,510 --> 01:13:00,420

have had a closer encounter than you

1592

01:13:05,270 --> 01:13:02,520

recall that you might be able to get

1593

01:13:08,360 --> 01:13:05,280

into hypnosis to reveal have you ever

1594

01:13:10,100 --> 01:13:08,370

considered it all about 1/2 I have

1595

01:13:12,380 --> 01:13:10,110

considered it's just it's been kind of a

1596

01:13:14,780 --> 01:13:12,390

you know I don't know it's many thing

1597

01:13:16,580 --> 01:13:14,790

and and also I'm afraid I'm afraid I'm

1598

01:13:18,430 --> 01:13:16,590

afraid that it's been stressful deal

1599

01:13:23,030 --> 01:13:18,440

it's been really hard for me to let go

1600

01:13:25,580 --> 01:13:23,040

yeah I feel like and I and I am

1601
01:13:27,530 --> 01:13:25,590
skeptical on some of those those things

1602
01:13:29,720 --> 01:13:27,540
myself but who knows but I feel that if

1603
01:13:31,669 --> 01:13:29,730
I did know anything more happened then

1604
01:13:35,320 --> 01:13:31,679
the net would just stressed me out more

1605
01:13:38,229 --> 01:13:35,330
and I would dwell on it more and mm-hmm

1606
01:13:41,390 --> 01:13:38,239
more answers but some people do

1607
01:13:43,220 --> 01:13:41,400
definitely have more problems

1608
01:13:45,590 --> 01:13:43,230
post-traumatic stress disorder for

1609
01:13:47,540 --> 01:13:45,600
example but then others sometimes feel

1610
01:13:49,820 --> 01:13:47,550
relief that they got answers that they

1611
01:13:52,520 --> 01:13:49,830
don't feel as confused about what took

1612
01:13:55,459 --> 01:13:52,530
place or they may have seen military

1613
01:13:58,189 --> 01:13:55,469

people involved in a mass abduction I I

1614

01:14:00,560 --> 01:13:58,199

knew someone that had witnessed a whole

1615

01:14:02,540 --> 01:14:00,570

neighborhood being abducted while they

1616

01:14:04,250 --> 01:14:02,550

watched they were a kid and they were

1617

01:14:07,310 --> 01:14:04,260

the only one that weren't affected I

1618

01:14:09,229 --> 01:14:07,320

mean how horrifying but yeah so it's

1619

01:14:10,820 --> 01:14:09,239

definitely could be something that would

1620

01:14:12,979 --> 01:14:10,830

you know change your life forever to be

1621

01:14:15,290 --> 01:14:12,989

in the know it for myself you know I

1622

01:14:17,419 --> 01:14:15,300

used to be terrified of things in the

1623

01:14:19,370 --> 01:14:17,429

dark as well you know like you know what

1624

01:14:21,830 --> 01:14:19,380

may happen because I was seeing things

1625

01:14:24,140 --> 01:14:21,840

that a lot of people weren't describing

1626

01:14:26,510 --> 01:14:24,150

in their daily lives and once I got over

1627

01:14:28,580 --> 01:14:26,520

that fear like a whole world of

1628

01:14:31,760 --> 01:14:28,590

information came my way and the good

1629

01:14:33,800 --> 01:14:31,770

came through the darkness and that's

1630

01:14:36,740 --> 01:14:33,810

what I tend to focus on more than

1631

01:14:40,790 --> 01:14:36,750

anything so I I get it so do you feel

1632

01:14:45,000 --> 01:14:40,800

that you may indeed be in contact with

1633

01:14:51,310 --> 01:14:45,010

something still or ever again

1634

01:14:54,550 --> 01:14:51,320

well I don't know I I feel like no

1635

01:14:57,220 --> 01:14:54,560

but then again I I kind of I I still

1636

01:14:59,140 --> 01:14:57,230

watch where I go outside I still look

1637

01:15:01,660 --> 01:14:59,150

like if I'm afraid to look I look up in

1638

01:15:06,460 --> 01:15:01,670

the air for a long time I'm afraid to -

1639

01:15:08,530 --> 01:15:06,470

I'm still it's mmm wounded so I'm really

1640

01:15:10,180 --> 01:15:08,540

I still AM wounded a little bit even

1641

01:15:12,970 --> 01:15:10,190

though I moved and I'm in the middle of

1642

01:15:20,200 --> 01:15:12,980

a city now I'm not in this just

1643

01:15:25,180 --> 01:15:20,210

beautiful you know God's Mother Nature

1644

01:15:27,940 --> 01:15:25,190

right yeah yeah Wow so so you do suffer

1645

01:15:29,740 --> 01:15:27,950

a bit from a little PTSD you saw

1646

01:15:31,600 --> 01:15:29,750

something that traumatized your world

1647

01:15:34,660 --> 01:15:31,610

and and like you said you've become

1648

01:15:37,300 --> 01:15:34,670

somewhat fixated on it but I you know I

1649

01:15:38,920 --> 01:15:37,310

I wonder if you should change that

1650

01:15:41,680 --> 01:15:38,930

instead of being you know maybe

1651
01:15:43,840 --> 01:15:41,690
victimized of it but being on a mission

1652
01:15:45,820 --> 01:15:43,850
of sorts because you really are you're

1653
01:15:48,670 --> 01:15:45,830
aiding to help other people to open up

1654
01:15:51,580 --> 01:15:48,680
their eyes and to get them to realize

1655
01:15:53,290 --> 01:15:51,590
this is a real thing others have

1656
01:15:55,420 --> 01:15:53,300
sweetness this around the world

1657
01:15:57,940 --> 01:15:55,430
witnessed odd things around the globe

1658
01:16:01,690 --> 01:15:57,950
and you know to normalize the paranormal

1659
01:16:03,790 --> 01:16:01,700
because you know this is reality so I I

1660
01:16:05,500 --> 01:16:03,800
would hope that you know you could get

1661
01:16:08,170 --> 01:16:05,510
to that point because I think your

1662
01:16:10,210 --> 01:16:08,180
message is powerful your experience is

1663
01:16:12,940 --> 01:16:10,220

powerful and you're not alone in the

1664

01:16:16,180 --> 01:16:12,950

reality your son was there and you know

1665

01:16:19,300 --> 01:16:16,190

lucky you that he did see that is he

1666

01:16:21,250 --> 01:16:19,310

handling this okay well what he

1667

01:16:23,170 --> 01:16:21,260

experienced this that's that's the thing

1668

01:16:25,840 --> 01:16:23,180

that's that's that's worn a little bit

1669

01:16:29,350 --> 01:16:25,850

of a divided house because he's he does

1670

01:16:31,720 --> 01:16:29,360

but um you know it's something he just

1671

01:16:36,880 --> 01:16:31,730

doesn't want to talk about and and so he

1672

01:16:38,560 --> 01:16:36,890

is traumatized hmm I don't know you know

1673

01:16:41,530 --> 01:16:38,570

I'm gonna be honest we just don't talk

1674

01:16:43,450 --> 01:16:41,540

about it much it's an on top it's an on

1675

01:16:45,250 --> 01:16:43,460

topic and I'm in a little bit of divided

1676

01:16:47,920 --> 01:16:45,260

household it's a little bit about I mean

1677

01:16:50,050 --> 01:16:47,930

we we do we talk about it but and he

1678

01:16:51,820 --> 01:16:50,060

would have came on the show but he

1679

01:16:54,790 --> 01:16:51,830

doesn't come on many shows and it just

1680

01:16:56,890 --> 01:16:54,800

isn't anything we even you know I mean

1681

01:16:58,839 --> 01:16:56,900

because some like he's frustrated with

1682

01:17:01,330 --> 01:16:58,849

me would would like me to he want

1683

01:17:03,009 --> 01:17:01,340

he wants to get out warm wants other

1684

01:17:04,419 --> 01:17:03,019

bigger things to happen like I wanted to

1685

01:17:07,060 --> 01:17:04,429

happen I guess what you want to call

1686

01:17:08,889 --> 01:17:07,070

pipe dream I feel like it's that's where

1687

01:17:11,169 --> 01:17:08,899

I'm the wounded where it's Carol said in

1688

01:17:13,119 --> 01:17:11,179

here because I feel like I've just set

1689

01:17:14,949 --> 01:17:13,129

myself up for something like that and I

1690

01:17:16,899 --> 01:17:14,959

had big things happen and I've gotten a

1691

01:17:18,969 --> 01:17:16,909

long ways from yeah from when I very

1692

01:17:21,459 --> 01:17:18,979

first came on this network and all it

1693

01:17:22,779 --> 01:17:21,469

was was just a MUFON encounter and I've

1694

01:17:24,580 --> 01:17:22,789

gone I've done all these other things

1695

01:17:26,830 --> 01:17:24,590

since then but I feel like it's still

1696

01:17:32,649 --> 01:17:26,840

never enough and I keep wanting to get

1697

01:17:34,389 --> 01:17:32,659

out more and everybody tells me ray

1698

01:17:36,129 --> 01:17:34,399

tells max you can make a book and I

1699

01:17:37,750 --> 01:17:36,139

should do a book I should do a book and

1700

01:17:40,029 --> 01:17:37,760

this and that but I don't have money for

1701

01:17:41,290 --> 01:17:40,039

that and I don't I'm just you know I'm

1702

01:17:43,119 --> 01:17:41,300

just here you know trying to tell my

1703

01:17:44,979 --> 01:17:43,129

story if I had money for a book maybe I

1704

01:17:49,949 --> 01:17:44,989

would but I got I got a family to feed I

1705

01:17:57,429 --> 01:17:54,639

just say there is a way but you know

1706

01:17:59,259 --> 01:17:57,439

it's it's I understand you know people

1707

01:18:01,869 --> 01:17:59,269

who have had an unbelievable experience

1708

01:18:05,909 --> 01:18:01,879

like yourself they get this Drive in

1709

01:18:08,799 --> 01:18:05,919

them that just cannot be satisfied so

1710

01:18:10,750 --> 01:18:08,809

well I've said it again I said it again

1711

01:18:13,089 --> 01:18:10,760

that the UFO really landed on a person

1712

01:18:16,060 --> 01:18:13,099

that just doesn't give up and you know

1713

01:18:17,500 --> 01:18:16,070

Ill know that that that maybe people

1714

01:18:19,449 --> 01:18:17,510

want to maybe roll their eyes or

1715

01:18:20,889 --> 01:18:19,459

whatever but I feel in my heart and my

1716

01:18:22,989 --> 01:18:20,899

son and a lot of people feel we've seen

1717

01:18:25,149 --> 01:18:22,999

something really special and a lot of

1718

01:18:27,129 --> 01:18:25,159

people out to debunk Bob Lazar and what

1719

01:18:29,080 --> 01:18:27,139

Bob Lazar seen or what he didn't or

1720

01:18:30,339 --> 01:18:29,090

maybe you worked with or maybe he didn't

1721

01:18:33,609 --> 01:18:30,349

work with but I can tell you what

1722

01:18:35,589 --> 01:18:33,619

whatever he knew and he knew you know

1723

01:18:39,729 --> 01:18:35,599

I'm not saying what I seen it was a was

1724

01:18:42,399 --> 01:18:39,739

was anything but we seen as far as a we

1725

01:18:44,799 --> 01:18:42,409

made but that technology that Bob has

1726

01:18:50,229 --> 01:18:44,809

talked about yeah there and it was

1727

01:18:52,770 --> 01:18:50,239

happening and full effect and and you

1728

01:18:55,599 --> 01:18:52,780

know you look at that image that I made

1729

01:18:57,099 --> 01:18:55,609

you know that you see on that report and

1730

01:18:59,529 --> 01:18:57,109

then you start going and googling

1731

01:19:01,089 --> 01:18:59,539

pictures of what Ezekiel's wheel and

1732

01:19:03,399 --> 01:19:01,099

what you're gonna do is you're gonna

1733

01:19:04,839 --> 01:19:03,409

look at it basically what I say but

1734

01:19:06,699 --> 01:19:04,849

you're gonna look at what Ezekiel you

1735

01:19:08,469 --> 01:19:06,709

know he has to put wheels on it and way

1736

01:19:10,179 --> 01:19:08,479

he wrote it down he and scripture dit

1737

01:19:12,159 --> 01:19:10,189

and when Ezekiel of course had this

1738

01:19:12,460 --> 01:19:12,169

encounter but he could only go around on

1739

01:19:14,080 --> 01:19:12,470

tell

1740

01:19:15,580 --> 01:19:14,090

everybody back then that it was a dream

1741

01:19:17,020 --> 01:19:15,590

because well that's probably anything he

1742

01:19:18,790 --> 01:19:17,030

could figure out it was back then

1743

01:19:20,080 --> 01:19:18,800

a diner he was just telling everybody

1744

01:19:21,250 --> 01:19:20,090

that because he knew that's the only

1745

01:19:24,490 --> 01:19:21,260

thing you tell them for them to go oh

1746

01:19:26,230 --> 01:19:24,500

yeah XE Keo and then let them just kind

1747

01:19:27,910 --> 01:19:26,240

of still be their buddy right here that

1748

01:19:35,410 --> 01:19:27,920

or if you kept going on say no no no

1749

01:19:37,030 --> 01:19:35,420

really yeah I have you know I hate to

1750

01:19:38,800 --> 01:19:37,040

say but we've come to the bottom and all

1751

01:19:40,690 --> 01:19:38,810

we have of this show so I don't think

1752

01:19:42,940 --> 01:19:40,700

you once again Chris Brown for coming on

1753

01:19:45,160 --> 01:19:42,950

the program and your story's powerful

1754

01:19:47,980 --> 01:19:45,170

don't give up keep strong keep positive

1755

01:19:49,390 --> 01:19:47,990

and this is not a way to make a living

1756

01:19:51,970 --> 01:19:49,400

off from this I'll tell you that but

1757

01:19:54,930 --> 01:19:51,980

passion passion driven that is

1758

01:19:57,520 --> 01:19:54,940

definitely something that is a very

1759

01:19:59,410 --> 01:19:57,530

plentiful in this field so thank you

1760

01:20:01,690 --> 01:19:59,420

once again Chris I appreciate you coming

1761

01:20:03,310 --> 01:20:01,700

on the program tonight all right guys

1762

01:20:04,960 --> 01:20:03,320

we've come to the bottom of another

1763

01:20:07,690 --> 01:20:04,970

program remember you catch me here every
