

Byron Belitsos

California Radio
MUFON
LORIE FENTON

WEDNESDAY 11PM EASTERN
8PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:12,670 --> 00:00:06,160
and now your host of California MUFON

2
00:00:15,129 --> 00:00:12,680
radio Laurie infant welcome everyone to

3
00:00:18,550 --> 00:00:15,139
the California MUFON radio show I'm your

4
00:00:21,610 --> 00:00:18,560
host Lori in Vinton wowie-zowie that's

5
00:00:23,200 --> 00:00:21,620
the only the only words I can use to

6
00:00:24,970 --> 00:00:23,210
describe what I have been through in the

7
00:00:26,650 --> 00:00:24,980
last two weeks since I have not talked

8
00:00:29,529 --> 00:00:26,660
to you guys oh my god

9
00:00:32,380 --> 00:00:29,539
I miss my MUFON family over here at IR

10
00:00:35,049 --> 00:00:32,390
and I can't believe it oh my god you

11
00:00:37,059 --> 00:00:35,059
guys I'm telling ya what can I say I

12
00:00:39,279 --> 00:00:37,069
better get in the chatroom I got a funny

13
00:00:41,799 --> 00:00:39,289

feeling my little rant tonight's gonna

14

00:00:45,639 --> 00:00:41,809

take on a whole new dimension by the

15

00:00:47,380 --> 00:00:45,649

time I get done so let me get into the

16

00:00:48,879 --> 00:00:47,390

chatroom I knew there was something I

17

00:00:50,979 --> 00:00:48,889

was supposed to be doing you know I am

18

00:00:53,410 --> 00:00:50,989

like the world's worst radio talk-show

19

00:00:57,250 --> 00:00:53,420

host it wasn't for MJ nothing would

20

00:01:00,459 --> 00:00:57,260

happen I just be sitting here talking to

21

00:01:03,160 --> 00:01:00,469

myself all night that was so much fun

22

00:01:04,719 --> 00:01:03,170

actually I've done that I've been on

23

00:01:06,520 --> 00:01:04,729

other networks where I'm sitting there

24

00:01:08,859 --> 00:01:06,530

and I go for an hour then I realize

25

00:01:12,670 --> 00:01:08,869

someone pops in and says oh you've been

26

00:01:15,999 --> 00:01:12,680

off air for 45 minutes I like oh great

27

00:01:17,920 --> 00:01:16,009

this is great anyhow so thank God MJ's

28

00:01:20,050 --> 00:01:17,930

behind the wheel that's all I gotta say

29

00:01:21,940 --> 00:01:20,060

here cuz it just wouldn't be the same

30

00:01:24,429 --> 00:01:21,950

without him that's for sure and I would

31

00:01:26,469 --> 00:01:24,439

be able to get into the chat room dammit

32

00:01:28,719 --> 00:01:26,479

login as a guest tonight let's see if

33

00:01:31,630 --> 00:01:28,729

you can do that let's login as a guest

34

00:01:33,340 --> 00:01:31,640

they turn off all the notifications I

35

00:01:36,340 --> 00:01:33,350

don't hear the little Bell buzzing the

36

00:01:38,080 --> 00:01:36,350

whole time there we go okay so I'm ready

37

00:01:38,709 --> 00:01:38,090

to rock and roll okay so where do I

38

00:01:42,910 --> 00:01:38,719

start

39
00:01:45,609 --> 00:01:42,920
okay I got to the MUFON symposium and it

40
00:01:47,560 --> 00:01:45,619
was very interesting they put me out in

41
00:01:50,380 --> 00:01:47,570
the lobby I don't know if you guys saw

42
00:01:52,599 --> 00:01:50,390
the Facebook postings but I was not in

43
00:01:54,999 --> 00:01:52,609
the vendor room this time which was

44
00:01:58,120 --> 00:01:55,009
great and I did request not to be in the

45
00:02:01,660 --> 00:01:58,130
vendor room because I assumed stupid me

46
00:02:04,450 --> 00:02:01,670
I assumed that our so the other network

47
00:02:06,819 --> 00:02:04,460
that deals with MUFON would be out in

48
00:02:09,609 --> 00:02:06,829
the lobby as well so I was kind of

49
00:02:12,520 --> 00:02:09,619
demanding that I be given equal casting

50
00:02:14,680 --> 00:02:12,530
to the other network and that was great

51
00:02:16,570 --> 00:02:14,690
and the new owners of the next the other

52
00:02:17,230 --> 00:02:16,580
network are actually pretty nice people

53
00:02:18,610 --> 00:02:17,240
and

54
00:02:20,200 --> 00:02:18,620
you know everything was good they were

55
00:02:22,120 --> 00:02:20,210
in the vendor room I was out in the

56
00:02:24,220 --> 00:02:22,130
lobby everybody's doing their interviews

57
00:02:27,220 --> 00:02:24,230
everything was good except for two

58
00:02:28,750 --> 00:02:27,230
things first of all my hot spot would

59
00:02:30,790 --> 00:02:28,760
not work in the building they put a

60
00:02:34,810 --> 00:02:30,800
dampening field that's like the cone of

61
00:02:37,090 --> 00:02:34,820
silence I'll get smart over that stupid

62
00:02:39,070 --> 00:02:37,100
building that you cannot get any you

63
00:02:41,050 --> 00:02:39,080

can't get a signal out er in no one

64

00:02:43,600 --> 00:02:41,060

could make a phone call I mean it was

65

00:02:48,010 --> 00:02:43,610

unbelievable how these guys blocked us

66

00:02:50,080 --> 00:02:48,020

from doing anything without you know

67

00:02:52,060 --> 00:02:50,090

paying for it they wanted 10 bucks a day

68

00:02:56,050 --> 00:02:52,070

for you to get any access anywhere it

69

00:02:59,080 --> 00:02:56,060

was insane so finally after three hours

70

00:03:01,890 --> 00:02:59,090

of trying to get on inception radio

71

00:03:04,510 --> 00:03:01,900

network late night in the Midlands and

72

00:03:06,490 --> 00:03:04,520

revolution radio I tried all three to

73

00:03:08,710 --> 00:03:06,500

get connected to all three so I could do

74

00:03:11,020 --> 00:03:08,720

live broadcasting from the event and

75

00:03:15,090 --> 00:03:11,030

keep you guys posted on what was going

76

00:03:17,980 --> 00:03:15,100

on I gave up after three or four hours I

77

00:03:20,080 --> 00:03:17,990

during that time on Friday trying to

78

00:03:23,470 --> 00:03:20,090

hook up to all the networks what

79

00:03:26,020 --> 00:03:23,480

happened was there was a press

80

00:03:29,910 --> 00:03:26,030

conference and in the press conference

81

00:03:34,840 --> 00:03:29,920

was an debisch I go mark McCandlish

82

00:03:37,420 --> 00:03:34,850

Michael Salah by Michael shre at Quarry

83

00:03:40,690 --> 00:03:37,430

good a whole bunch of people and I had

84

00:03:43,000 --> 00:03:40,700

brought Aaron my buddy Aaron who is my

85

00:03:44,950 --> 00:03:43,010

tech guy for this weekend and he helped

86

00:03:46,450 --> 00:03:44,960

me out a lot at the conference and I

87

00:03:49,720 --> 00:03:46,460

want to thank him for that he did an

88

00:03:51,520 --> 00:03:49,730

amazing job and he came along and I said

89

00:03:53,020 --> 00:03:51,530

hey I can't get to this thing I'm still

90

00:03:54,280 --> 00:03:53,030

trying to connect to all the networks

91

00:03:57,460 --> 00:03:54,290

even though I'm supposed to be there

92

00:04:00,880 --> 00:03:57,470

asking questions and you know throwing

93

00:04:03,490 --> 00:04:00,890

slings and arrows I guess I'm not to be

94

00:04:05,470 --> 00:04:03,500

and he says no that's fine I'll go for

95

00:04:07,420 --> 00:04:05,480

ya and I said well just the only thing I

96

00:04:09,820 --> 00:04:07,430

want out of it at the end they usually

97

00:04:12,370 --> 00:04:09,830

ask if you want an interview with the

98

00:04:13,720 --> 00:04:12,380

guys or if they don't then you go up to

99

00:04:15,400 --> 00:04:13,730

them and ask them if they'll do an

100

00:04:18,160 --> 00:04:15,410

interview and I want you to get Cory

101
00:04:20,860 --> 00:04:18,170
good sitting behind my table at the end

102
00:04:23,980 --> 00:04:20,870
of that thing or later tonight or

103
00:04:25,900 --> 00:04:23,990
tomorrow okay you're sure no problem

104
00:04:28,719 --> 00:04:25,910
so of course the first thing he does is

105
00:04:31,050 --> 00:04:28,729
the second it ends and the guy says the

106
00:04:33,970 --> 00:04:31,060
the PR marketing guy for move on

107
00:04:35,500 --> 00:04:33,980
come on up and yeah you know I'll get

108
00:04:37,720 --> 00:04:35,510
you an interview with any of the people

109
00:04:41,020 --> 00:04:37,730
up here on the panel he's the first one

110
00:04:43,780 --> 00:04:41,030
to add them and he says I my my radio

111
00:04:45,970 --> 00:04:43,790
talk show whole ad lady and I want to

112
00:04:48,310 --> 00:04:45,980
you know interview Corey good and I went

113
00:04:50,230 --> 00:04:48,320

to videotape and everything and the guy

114

00:04:51,580 --> 00:04:50,240

goes sure no problem and he walks over

115

00:04:54,010 --> 00:04:51,590

to Corey and they walk out in the

116

00:04:55,720 --> 00:04:54,020

hallway they have a chat he comes back

117

00:04:58,540 --> 00:04:55,730

in and says yeah he'll be down in about

118

00:05:00,460 --> 00:04:58,550

an hour and all's good and so Aaron

119

00:05:02,230 --> 00:05:00,470

comes back and tells me so I'm like

120

00:05:04,600 --> 00:05:02,240

sitting there trying to get connected

121

00:05:06,910 --> 00:05:04,610

still never good so we got the video

122

00:05:09,910 --> 00:05:06,920

camera set up we got all recording stuff

123

00:05:11,500 --> 00:05:09,920

set up I turned away Ben moss and I

124

00:05:13,180 --> 00:05:11,510

turned away another person I can't

125

00:05:15,880 --> 00:05:13,190

remember who it was right now for Oh

126

00:05:18,340 --> 00:05:15,890

Frank and I turned these people away

127

00:05:20,470 --> 00:05:18,350

that had appointments with me to sit in

128

00:05:21,970 --> 00:05:20,480

the hot seat and do an interview even

129

00:05:25,600 --> 00:05:21,980

though I was only recording at this

130

00:05:28,930 --> 00:05:25,610

point and Corey good never shows up so

131

00:05:31,990 --> 00:05:28,940

later on that evening about 7:30 I think

132

00:05:34,240 --> 00:05:32,000

this is now 4:30 at 7:00 7:00 7:30 when

133

00:05:35,950 --> 00:05:34,250

the bidders gonna start he shows up and

134

00:05:38,560 --> 00:05:35,960

he's talking to my good friend Janet

135

00:05:40,600 --> 00:05:38,570

right at the entrance at this big Lobby

136

00:05:41,830 --> 00:05:40,610

and I see him across the way and Aaron

137

00:05:44,650 --> 00:05:41,840

sees them and Aaron goes should I go

138

00:05:49,270 --> 00:05:44,660

talk don't grab him now and I said nope

139

00:05:53,560 --> 00:05:49,280

let me do it so as you guys all know I

140

00:05:56,620 --> 00:05:53,570

am not shy with anybody so here we go I

141

00:05:58,150 --> 00:05:56,630

walk up and Janet says Oh cor I'd like

142

00:05:59,770 --> 00:05:58,160

you to meet my good friend Laurie and

143

00:06:01,450 --> 00:05:59,780

Annie sticks out his hand he looks at me

144

00:06:03,160 --> 00:06:01,460

and I says I grabbed his hand I shake it

145

00:06:05,440 --> 00:06:03,170

I said I know you Corey I've met you

146

00:06:09,070 --> 00:06:05,450

before and I'm not real happy about the

147

00:06:11,830 --> 00:06:09,080

fact that you blew me off for my bar

148

00:06:13,390 --> 00:06:11,840

interview and he's dumbfounded he goes I

149

00:06:15,730 --> 00:06:13,400

didn't have an interview with anybody I

150

00:06:17,770 --> 00:06:15,740

said yeah you did with me I go you made

151

00:06:21,010 --> 00:06:17,780

the arrangements with the I think his

152

00:06:23,560 --> 00:06:21,020

name was Barry or Jerry at the the MUFON

153

00:06:25,690 --> 00:06:23,570

press conference he goes oh no I just I

154

00:06:28,300 --> 00:06:25,700

was gonna come down in about an hour I

155

00:06:31,000 --> 00:06:28,310

never made any appointment so basically

156

00:06:33,040 --> 00:06:31,010

you know there was a little lack of

157

00:06:36,040 --> 00:06:33,050

communication there and I probably

158

00:06:37,780 --> 00:06:36,050

cornered him too hard and and got kind

159

00:06:39,400 --> 00:06:37,790

of angry with him and I basically said

160

00:06:40,870 --> 00:06:39,410

I'll see you tomorrow and we'll do an

161

00:06:43,240 --> 00:06:40,880

interview then of course I knew he'd

162

00:06:44,740 --> 00:06:43,250

never show up now having said all that

163

00:06:46,600 --> 00:06:44,750

I'm not into manic

164

00:06:49,240 --> 00:06:46,610

worried about all this I'm more mad at

165

00:06:51,730 --> 00:06:49,250

myself because what I should have done

166

00:06:53,890 --> 00:06:51,740

is I should have gone to his handler

167

00:06:56,910 --> 00:06:53,900

which is this marketing guy that was

168

00:06:59,830 --> 00:06:56,920

with them and this blonde lady that is a

169

00:07:01,540 --> 00:06:59,840

interviewer or sorts that interviewed

170

00:07:04,180 --> 00:07:01,550

his wife they were all kind of around

171

00:07:05,650 --> 00:07:04,190

him in an entourage situation and I

172

00:07:07,480 --> 00:07:05,660

should have gone up there and said look

173

00:07:09,910 --> 00:07:07,490

we really need an interview for MUFON

174

00:07:11,920 --> 00:07:09,920

radio and I'd like to have it done and

175

00:07:14,560 --> 00:07:11,930

just kind of cordon them all and let

176

00:07:15,820 --> 00:07:14,570

them be with him during the interview

177

00:07:18,100 --> 00:07:15,830

because I think what's going on with

178

00:07:19,960 --> 00:07:18,110

Cory is I don't think they're allowing

179

00:07:25,030 --> 00:07:19,970

him to do interviews with anybody that

180

00:07:26,980 --> 00:07:25,040

isn't pre-approved by whomever so I just

181

00:07:29,290 --> 00:07:26,990

I kind of got that feeling as the days

182

00:07:31,840 --> 00:07:29,300

went by what was happening is I saw him

183

00:07:33,610 --> 00:07:31,850

surrounded by thoughts Raj so I just

184

00:07:34,960 --> 00:07:33,620

figured well you know it's my fault I

185

00:07:37,060 --> 00:07:34,970

should have done something different and

186

00:07:38,560 --> 00:07:37,070

you know I gotta say he was pretty busy

187

00:07:40,930 --> 00:07:38,570

he was tired he had a lot of things on

188

00:07:42,670 --> 00:07:40,940

his mind I'm sure he had much more than

189

00:07:44,170 --> 00:07:42,680

that on his mind because if I get to the

190

00:07:46,390 --> 00:07:44,180

next part you guys will probably just

191

00:07:49,380 --> 00:07:46,400

all hate me but you know what I don't

192

00:07:53,050 --> 00:07:49,390

care I'm pretty much at the point where

193

00:07:55,750 --> 00:07:53,060

the whole MUFON seen the whole UFO seen

194

00:07:59,140 --> 00:07:55,760

the whole craziness of it all I'm just

195

00:08:01,270 --> 00:07:59,150

starting to wonder if anybody has any if

196

00:08:03,969 --> 00:08:01,280

anybody has any brains left in the whole

197

00:08:06,070 --> 00:08:03,979

group at all seriously folks I'm just

198

00:08:06,760 --> 00:08:06,080

I'm I got home and I thought this is it

199

00:08:08,560 --> 00:08:06,770

I'm done

200

00:08:10,180 --> 00:08:08,570

I don't want to do another MUFON Nene I

201
00:08:13,180 --> 00:08:10,190
don't want to do anything I got to that

202
00:08:15,670 --> 00:08:13,190
exasperated place again but since then

203
00:08:17,620 --> 00:08:15,680
I've snapped back and now I'm telling

204
00:08:19,300 --> 00:08:17,630
you guys everything I feel about all

205
00:08:21,010 --> 00:08:19,310
this so anyhow so that was the first

206
00:08:22,600 --> 00:08:21,020
thing that happened now I need to sit

207
00:08:24,790 --> 00:08:22,610
with my coffee cuz this is gonna be

208
00:08:30,880 --> 00:08:24,800
there's gonna be one of those long rants

209
00:08:33,159 --> 00:08:30,890
so okay so that's Friday night or Friday

210
00:08:35,920 --> 00:08:33,169
afternoon into Friday evening then

211
00:08:38,620 --> 00:08:35,930
Saturday comes along and I finally got a

212
00:08:40,209 --> 00:08:38,630
hold of Jan Harsin now I love Jan you

213
00:08:42,310 --> 00:08:40,219

guys all know that I stick for him up

214

00:08:44,290 --> 00:08:42,320

for him all the time he's the executive

215

00:08:47,020 --> 00:08:44,300

director of Lou fond he has inherited a

216

00:08:49,060 --> 00:08:47,030

can of worms he's doing the best he can

217

00:08:52,930 --> 00:08:49,070

and I really got to give him kudos for

218

00:08:55,210 --> 00:08:52,940

bringing in Andy Bush a go Corey good

219

00:08:58,120 --> 00:08:55,220

you know and all the people that are

220

00:09:00,970 --> 00:08:58,130

Earth's never been at a MUFON

221

00:09:02,890 --> 00:09:00,980

symposium in their life before are never

222

00:09:05,530 --> 00:09:02,900

invited because their stories were so

223

00:09:07,270 --> 00:09:05,540

far out there that no other director

224

00:09:09,340 --> 00:09:07,280

would even take the chance so I got to

225

00:09:11,530 --> 00:09:09,350

give him credit for that and what it

226

00:09:13,360 --> 00:09:11,540

really did and I told Janice at the very

227

00:09:16,150 --> 00:09:13,370

end of the conference I said you know

228

00:09:18,820 --> 00:09:16,160

what you've done it she polarized the

229

00:09:20,260 --> 00:09:18,830

community and he goes well I wasn't

230

00:09:21,820 --> 00:09:20,270

really trying to pull rise and I was

231

00:09:24,580 --> 00:09:21,830

trying to get them to start thinking

232

00:09:27,010 --> 00:09:24,590

about the different facets of it I said

233

00:09:28,930 --> 00:09:27,020

I get that but we really didn't quite

234

00:09:30,850 --> 00:09:28,940

polarize them and I said it may be a

235

00:09:33,040 --> 00:09:30,860

good thing cuz what's gonna happen is

236

00:09:34,740 --> 00:09:33,050

people are gonna start saying do I want

237

00:09:37,420 --> 00:09:34,750

proof or do I want

238

00:09:40,180 --> 00:09:37,430

fantasy you know it's gonna really draw

239

00:09:41,590 --> 00:09:40,190

the line between who's given us proof

240

00:09:44,740 --> 00:09:41,600

and it's kind of like taking us back to

241

00:09:47,110 --> 00:09:44,750

the 50s and 60s and 70s you know like I

242

00:09:49,000 --> 00:09:47,120

want my proof or do I want to go with

243

00:09:50,860 --> 00:09:49,010

this thing that says time and space

244

00:09:53,230 --> 00:09:50,870

don't matter and consciousness is the

245

00:09:54,940 --> 00:09:53,240

key and it's all what you know the

246

00:09:58,090 --> 00:09:54,950

aliens are doing to us in our

247

00:10:00,100 --> 00:09:58,100

consciousness you know and that's okay I

248

00:10:02,380 --> 00:10:00,110

have no problem with ideas I thought it

249

00:10:04,540 --> 00:10:02,390

was a brilliant move actually because

250

00:10:07,180 --> 00:10:04,550

you can have both feelings about it like

251

00:10:09,430 --> 00:10:07,190

I do I I want the proof but I also I

252

00:10:11,800 --> 00:10:09,440

really embrace the consciousness aspect

253

00:10:15,190 --> 00:10:11,810

of it so I thought it's pretty cool but

254

00:10:18,970 --> 00:10:15,200

the problem I had was when Corey Goode

255

00:10:21,640 --> 00:10:18,980

got up on stage he started talking now

256

00:10:25,690 --> 00:10:21,650

I'm gonna preface this with everybody

257

00:10:27,370 --> 00:10:25,700

that knows me on God did he speaks

258

00:10:29,800 --> 00:10:27,380

Sunday I think it was Sunday that he

259

00:10:32,650 --> 00:10:29,810

spoke I see he spoke at 10:30 in the

260

00:10:35,440 --> 00:10:32,660

morning and everybody that knows me

261

00:10:38,650 --> 00:10:35,450

begged me to stay home and watch it from

262

00:10:40,090 --> 00:10:38,660

my friend's house and I said why and

263

00:10:41,980 --> 00:10:40,100

they say because we don't trust you I

264

00:10:43,930 --> 00:10:41,990

said what do you mean you don't trust me

265

00:10:46,450 --> 00:10:43,940

this is all my best friend's right and

266

00:10:48,250 --> 00:10:46,460

people and MUFON that are higher up I

267

00:10:49,810 --> 00:10:48,260

mean they're they're like watching me

268

00:10:52,240 --> 00:10:49,820

like a hawk because they're afraid I'm

269

00:10:53,770 --> 00:10:52,250

gonna do something really outlandish and

270

00:10:55,800 --> 00:10:53,780

you know I have been known to do

271

00:10:58,150 --> 00:10:55,810

something outlandish here and there and

272

00:10:59,830 --> 00:10:58,160

so they've kind of begged me to stay

273

00:11:04,780 --> 00:10:59,840

home and watch it on the live stream

274

00:11:06,940 --> 00:11:04,790

which I had access to and so I did and

275

00:11:09,280 --> 00:11:06,950

they you know what they were absolutely

276

00:11:11,500 --> 00:11:09,290

right if I had been there I probably

277

00:11:11,950 --> 00:11:11,510

would have blown a gasket about halfway

278

00:11:14,710 --> 00:11:11,960

through

279

00:11:18,910 --> 00:11:14,720

his presentation ran up to the stage not

280

00:11:21,310 --> 00:11:18,920

in cameras over as I went and yelling at

281

00:11:23,830 --> 00:11:21,320

him and grabbing the microphone inciting

282

00:11:26,530 --> 00:11:23,840

everybody that I heard and steal a story

283

00:11:29,560 --> 00:11:26,540

from right down the line because I'm not

284

00:11:33,010 --> 00:11:29,570

a aunt okay I'm not an idiot and I

285

00:11:35,380 --> 00:11:33,020

remember things and it really got me

286

00:11:37,180 --> 00:11:35,390

going when I heard him say and then

287

00:11:38,590 --> 00:11:37,190

there's this that happened and this that

288

00:11:41,650 --> 00:11:38,600

happened and this that happened if this

289

00:11:44,080 --> 00:11:41,660

that happened not once saying this is my

290

00:11:46,000 --> 00:11:44,090

experience and if you don't want to

291

00:11:48,340 --> 00:11:46,010

believe it that's fine but this is what

292

00:11:50,980 --> 00:11:48,350

I experienced he never once said that he

293

00:11:53,130 --> 00:11:50,990

said this is what people have said this

294

00:11:55,810 --> 00:11:53,140

is what people have said and he stoled

295

00:11:58,780 --> 00:11:55,820

everybody in uniform then it's been out

296

00:12:00,670 --> 00:11:58,790

there since 1965 it's told every one of

297

00:12:03,730 --> 00:12:00,680

their stories and put them up there like

298

00:12:05,680 --> 00:12:03,740

their facts and you know I get that most

299

00:12:07,300 --> 00:12:05,690

of these are facts and half of them

300

00:12:09,760 --> 00:12:07,310

aren't and whatever you know I don't

301

00:12:12,790 --> 00:12:09,770

care but for him to get up there and

302

00:12:14,950 --> 00:12:12,800

steal everybody else's stuff and act

303

00:12:17,560 --> 00:12:14,960

like it's his and that he's the great

304

00:12:20,260 --> 00:12:17,570

Messiah bringing it all together put me

305

00:12:22,180 --> 00:12:20,270

into a tizzy I mean I was absolutely I

306

00:12:23,890 --> 00:12:22,190

I'm lucky I didn't get a ticket driving

307

00:12:27,160 --> 00:12:23,900

back to the hotel right at the end of

308

00:12:29,320 --> 00:12:27,170

the speech I was so angry thank God I

309

00:12:31,870 --> 00:12:29,330

had a 10-minute Drive because I calmed

310

00:12:35,620 --> 00:12:31,880

down by the time I got there thank God

311

00:12:37,450 --> 00:12:35,630

and I was you know at that point I just

312

00:12:39,970 --> 00:12:37,460

said you know what what am I gonna do at

313

00:12:41,710 --> 00:12:39,980

this point what do you do I thought

314

00:12:43,360 --> 00:12:41,720

here's what I'm gonna do I'm mister

315

00:12:45,940 --> 00:12:43,370

walking around the room and I'm gonna

316

00:12:48,940 --> 00:12:45,950

start pulling people as to how they felt

317

00:12:50,920 --> 00:12:48,950

about his presentation and honest to god

318

00:12:53,290 --> 00:12:50,930

folks I thought I was the only one

319

00:12:56,740 --> 00:12:53,300

thinking the way I was thinking every

320

00:12:58,540 --> 00:12:56,750

old-timer in the room was livid they

321

00:13:00,250 --> 00:12:58,550

were they were very angry because they

322

00:13:01,900 --> 00:13:00,260

remembered all these stories and they

323

00:13:07,120 --> 00:13:01,910

remembered it every time he said

324

00:13:09,730 --> 00:13:07,130

something they also or you know that

325

00:13:12,280 --> 00:13:09,740

belongs to so and so and and he even

326

00:13:14,110 --> 00:13:12,290

blatantly stole stuff from me our Easley

327

00:13:16,180 --> 00:13:14,120

which would just really pissed though

328

00:13:19,330 --> 00:13:16,190

and I just really got me going because

329

00:13:22,810 --> 00:13:19,340

n'yar has been abused for so long and

330

00:13:25,170 --> 00:13:22,820

again another woman abused in the UFO

331

00:13:27,690 --> 00:13:25,180

community and totally trashed and

332

00:13:30,840 --> 00:13:27,700

whole bit now he's up there embracing

333

00:13:33,720 --> 00:13:30,850

her story as if it's his own Oh God

334

00:13:36,300 --> 00:13:33,730

anyhow everybody was upset and I guess

335

00:13:38,280 --> 00:13:36,310

the kicker for me was when he said you

336

00:13:39,750 --> 00:13:38,290

know we all just need to get along I

337

00:13:41,550 --> 00:13:39,760

mean didn't say it like that he

338

00:13:43,200 --> 00:13:41,560

basically said you know it's time that

339

00:13:45,240 --> 00:13:43,210

would you follow gee we all start

340

00:13:47,100 --> 00:13:45,250

working together a bladder lab of that

341

00:13:49,560 --> 00:13:47,110

you know basically it's you know I can't

342

00:13:53,100 --> 00:13:49,570

we all just get along routine and then

343

00:13:55,830 --> 00:13:53,110

he had the nerve the absolute nerve that

344

00:13:58,650 --> 00:13:55,840

made me this is the part where I I was

345

00:14:00,330 --> 00:13:58,660

insane when I got in the car to say I'm

346

00:14:02,760 --> 00:14:00,340

putting on conferences that are gonna

347

00:14:04,830 --> 00:14:02,770

change the world of ufology and I

348

00:14:06,990 --> 00:14:04,840

thought where were you 30 years ago

349

00:14:09,360 --> 00:14:07,000

where were you when Bob Brown put on the

350

00:14:11,280 --> 00:14:09,370

first international UFO Congress 25

351

00:14:13,650 --> 00:14:11,290

years ago where were you when all this

352

00:14:16,950 --> 00:14:13,660

was going on back then you were nobody

353

00:14:19,560 --> 00:14:16,960

you were not even born you know and you

354

00:14:21,480 --> 00:14:19,570

have the nerve to stand up here after a

355

00:14:23,820 --> 00:14:21,490

damn ski and all those guys did it in

356

00:14:25,830 --> 00:14:23,830

the 50s to tell us that you're the

357

00:14:27,660 --> 00:14:25,840

coming of God Christ in the UFO

358

00:14:32,840 --> 00:14:27,670

community and you're gonna bring us all

359

00:14:36,000 --> 00:14:32,850

together well I'm sorry you're not and

360

00:14:39,060 --> 00:14:36,010

okay so that's how I feel about that

361

00:14:41,700 --> 00:14:39,070

having said that his presentation was

362

00:14:43,200 --> 00:14:41,710

okay he did sit in a chair again he had

363

00:14:44,970 --> 00:14:43,210

the same look on his face the whole

364

00:14:46,830 --> 00:14:44,980

thing time like he's a mind-controlled

365

00:14:49,140 --> 00:14:46,840

victim like I've been saying all along

366

00:14:51,180 --> 00:14:49,150

he's a contacting mind-control victim

367

00:14:53,730 --> 00:14:51,190

psyops operative that is my absolute

368

00:14:55,620 --> 00:14:53,740

opinion after seeing this one I just you

369

00:14:57,840 --> 00:14:55,630

know I'm like how people can't see this

370

00:15:00,330 --> 00:14:57,850

I am absolutely and sensed about why

371

00:15:02,700 --> 00:15:00,340

people can't see this it's making me

372

00:15:04,380 --> 00:15:02,710

nuts okay so that's number one and the

373

00:15:07,290 --> 00:15:04,390

second part was he had some pretty

374

00:15:12,060 --> 00:15:07,300

pictures up on a screen gee that's nice

375

00:15:14,730 --> 00:15:12,070

what happened to the the secret space

376

00:15:18,780 --> 00:15:14,740

program craft that we all saw with an

377

00:15:20,760 --> 00:15:18,790

f15 chasing it over giant rocket to less

378

00:15:23,100 --> 00:15:20,770

than 200 feet above our heads and we've

379

00:15:25,530 --> 00:15:23,110

got videotape to prove it that we

380

00:15:28,290 --> 00:15:25,540

actually 62 people saw a secret space

381

00:15:31,860 --> 00:15:28,300

program craft why was that not at the

382

00:15:33,420 --> 00:15:31,870

MUFON meeting okay I went up to Jan 19

383

00:15:34,890 --> 00:15:33,430

go up to janitors two weeks before the

384

00:15:36,720 --> 00:15:34,900

conference I called him one afternoon

385

00:15:39,100 --> 00:15:36,730

and I said hey look why don't you open

386

00:15:41,710 --> 00:15:39,110

with Melinda talking on stage for

387

00:15:44,889 --> 00:15:41,720

five minutes showing the video of this

388

00:15:47,050 --> 00:15:44,899

craft in this jet escorting it it wasn't

389

00:15:50,350 --> 00:15:47,060

chasing it was escorting the space

390

00:15:52,600 --> 00:15:50,360

program craft and you have her up there

391

00:15:55,030 --> 00:15:52,610

on stage with me and Aaron and Tana and

392

00:15:56,949 --> 00:15:55,040

and Misha and and everybody else that

393

00:15:59,410 --> 00:15:56,959

was out a giant rock in the front row

394

00:16:01,000 --> 00:15:59,420

just stand up and say I am an eyewitness

395

00:16:03,400 --> 00:16:01,010

this folks it was absolutely true and

396

00:16:06,460 --> 00:16:03,410

real we all saw it together why is it

397

00:16:08,860 --> 00:16:06,470

why did that happen I am nuts over why

398

00:16:11,050 --> 00:16:08,870

that didn't happen that is the absolute

399

00:16:13,090 --> 00:16:11,060

truth it was there was salt it was real

400

00:16:14,710 --> 00:16:13,100

62 people experience it we got it on

401
00:16:16,060 --> 00:16:14,720
videotape and then have a whole

402
00:16:17,829 --> 00:16:16,070
conference around the secret space

403
00:16:19,660 --> 00:16:17,839
program and they can't put her up on

404
00:16:21,069 --> 00:16:19,670
stage for five minutes to open the

405
00:16:23,980 --> 00:16:21,079
conference with that footage to prove

406
00:16:26,350 --> 00:16:23,990
that it does exist you know really that

407
00:16:28,210 --> 00:16:26,360
may mean nuts and then I got to the

408
00:16:29,800 --> 00:16:28,220
conference and I said Jan why is it neat

409
00:16:31,420 --> 00:16:29,810
Melinda up on stage with that footage

410
00:16:33,340 --> 00:16:31,430
we'll pull it together for you in five

411
00:16:35,440 --> 00:16:33,350
minutes yes oh well I don't know much

412
00:16:38,079 --> 00:16:35,450
about it did it get investigated you

413
00:16:40,540 --> 00:16:38,089

know it's another case of women in the

414

00:16:42,400 --> 00:16:40,550

community not being being ignored and

415

00:16:43,870 --> 00:16:42,410

thirty years of research under their

416

00:16:47,350 --> 00:16:43,880

belt due to all kinds of stuff and

417

00:16:48,939 --> 00:16:47,360

they're totally ignored I'm sorry I'm

418

00:16:51,280 --> 00:16:48,949

really upset right now I shouldn't be

419

00:16:53,949 --> 00:16:51,290

talking about this on the radio show but

420

00:16:57,009 --> 00:16:53,959

I am really upset you guys it's not just

421

00:17:00,930 --> 00:16:57,019

MUFON it's the whole UFO community they

422

00:17:03,579 --> 00:17:00,940

do not give a little tiny mouse but

423

00:17:05,890 --> 00:17:03,589

about us women in the community that

424

00:17:08,380 --> 00:17:05,900

I've been out here in the trenches for

425

00:17:11,140 --> 00:17:08,390

them reporting to them all everything we

426
00:17:14,140 --> 00:17:11,150
do everything we see everything we we

427
00:17:15,819 --> 00:17:14,150
can contribute and we are the

428
00:17:17,860 --> 00:17:15,829
contributors you know you look at it and

429
00:17:19,539 --> 00:17:17,870
most of the guys out there I mean I love

430
00:17:22,030 --> 00:17:19,549
them all don't get me wrong I love John

431
00:17:23,880 --> 00:17:22,040
Mac I love you know the list goes on and

432
00:17:27,039 --> 00:17:23,890
on it the amazing men in the community

433
00:17:28,570 --> 00:17:27,049
but you know they all say if it wasn't

434
00:17:29,830 --> 00:17:28,580
for my wife letting me do this I

435
00:17:31,510 --> 00:17:29,840
wouldn't be able to do it if it wasn't

436
00:17:32,980 --> 00:17:31,520
for this person I would be able to do

437
00:17:35,530 --> 00:17:32,990
this you know they always get help from

438
00:17:37,780 --> 00:17:35,540

us and we're always out here we've

439

00:17:39,400 --> 00:17:37,790

always got their back but it seems that

440

00:17:41,740 --> 00:17:39,410

these conferences and these conference

441

00:17:43,600 --> 00:17:41,750

producers never have hours they will let

442

00:17:45,220 --> 00:17:43,610

people like David Wilcock and Corey

443

00:17:49,150 --> 00:17:45,230

Goode and all these people get up and

444

00:17:52,660 --> 00:17:49,160

speak when there are 50 million not not

445

00:17:55,330 --> 00:17:52,670

50 million okay I know 50 women easily

446

00:17:57,460 --> 00:17:55,340

in the UFO community that have the most

447

00:17:59,350 --> 00:17:57,470

extraordinary stories and the most

448

00:18:01,360 --> 00:17:59,360

amazing things happen to them

449

00:18:03,970 --> 00:18:01,370

and they won't speak anywhere because

450

00:18:05,650 --> 00:18:03,980

they say they're treated like dirt they

451
00:18:08,200 --> 00:18:05,660
said why would I want to go do that to

452
00:18:10,810 --> 00:18:08,210
myself you know and that's why at my

453
00:18:12,910 --> 00:18:10,820
conferences I have I try to have 50

454
00:18:14,860 --> 00:18:12,920
percent women 50 percent men speaking

455
00:18:16,720 --> 00:18:14,870
and they're all treated equally nobody

456
00:18:18,850 --> 00:18:16,730
gets paid more than the other nobody

457
00:18:21,130 --> 00:18:18,860
gets paid anything but the point is

458
00:18:23,770 --> 00:18:21,140
they're all treated equally I do not

459
00:18:25,480 --> 00:18:23,780
play favorites with people that I think

460
00:18:26,200 --> 00:18:25,490
have a bigger name and get paid bigger

461
00:18:27,550 --> 00:18:26,210
bucks

462
00:18:29,470 --> 00:18:27,560
you know these poor women that

463
00:18:32,140 --> 00:18:29,480

contacting the desert are lucky to get a

464

00:18:36,370 --> 00:18:32,150

table and in a sunshade

465

00:18:39,880 --> 00:18:36,380

you know seriously ah okay I'm trying to

466

00:18:41,830 --> 00:18:39,890

keep trying to keep my composure okay I

467

00:18:46,030 --> 00:18:41,840

think that's all I wanted to say about

468

00:18:48,880 --> 00:18:46,040

that night I think I better leave it at

469

00:18:52,360 --> 00:18:48,890

that because I'm just I'm so upset you

470

00:18:55,900 --> 00:18:52,370

guys I can't begin to even tell you I I

471

00:18:58,780 --> 00:18:55,910

just feel bad you know today I I got a

472

00:19:01,750 --> 00:18:58,790

phone call from PBS television out of

473

00:19:07,270 --> 00:19:01,760

Chicago and they need my help pulling

474

00:19:09,460 --> 00:19:07,280

together a conspiracy TV show you know

475

00:19:11,140 --> 00:19:09,470

and I never asked to be on these things

476

00:19:14,260 --> 00:19:11,150

and I don't really care I don't want to

477

00:19:16,780 --> 00:19:14,270

be on them but what I do and I don't

478

00:19:19,120 --> 00:19:16,790

think a lot of you know this and I very

479

00:19:20,710 --> 00:19:19,130

seldom talk about it is over the years

480

00:19:22,830 --> 00:19:20,720

what I have done is I have pulled

481

00:19:26,080 --> 00:19:22,840

together more people for more TV shows

482

00:19:27,970 --> 00:19:26,090

more movies more stuff than you guys can

483

00:19:30,310 --> 00:19:27,980

shake a stick at if you only knew how

484

00:19:33,250 --> 00:19:30,320

many people called me a month I probably

485

00:19:35,440 --> 00:19:33,260

get firecracker I'm not gonna go into

486

00:19:37,030 --> 00:19:35,450

all the different companies but I have

487

00:19:38,530 --> 00:19:37,040

all these companies that call me and say

488

00:19:39,250 --> 00:19:38,540

hey do you know somebody who does blah

489

00:19:41,080 --> 00:19:39,260

blah blah

490

00:19:43,090 --> 00:19:41,090

and I go yeah yeah and then we sit and

491

00:19:45,160 --> 00:19:43,100

chat and we've developed some things for

492

00:19:47,080 --> 00:19:45,170

them and help them so they can find the

493

00:19:49,300 --> 00:19:47,090

right people for what they need by the

494

00:19:54,010 --> 00:19:49,310

time I'm done you know I have just now

495

00:19:55,780 --> 00:19:54,020

put 16 people on TV you know and I've

496

00:19:58,210 --> 00:19:55,790

never been thanked for it never gotten a

497

00:20:00,370 --> 00:19:58,220

penny for never done anything and this

498

00:20:02,530 --> 00:20:00,380

is the kind of stuff that I know that

499

00:20:04,600 --> 00:20:02,540

there are at least five to ten other

500

00:20:06,670 --> 00:20:04,610

women out there like myself that do this

501
00:20:09,490 --> 00:20:06,680
and most of the people we end up

502
00:20:10,990 --> 00:20:09,500
or men which is fine because they happen

503
00:20:12,820 --> 00:20:11,000
to be the experts in the field this

504
00:20:16,120 --> 00:20:12,830
happens to be under conspiracy so they

505
00:20:18,190 --> 00:20:16,130
were JFK people and sadly one of our JFK

506
00:20:19,780 --> 00:20:18,200
people has died today and that is Jim

507
00:20:22,480 --> 00:20:19,790
Marcus if you didn't know about it he

508
00:20:24,850 --> 00:20:22,490
did pass this morning early this morning

509
00:20:26,230 --> 00:20:24,860
so we're gonna talk about that a little

510
00:20:28,570 --> 00:20:26,240
bit with our guests here in a few

511
00:20:31,210 --> 00:20:28,580
minutes but I just wanted to say you

512
00:20:33,190 --> 00:20:31,220
know I do everything I can to help up

513
00:20:37,270 --> 00:20:33,200

the community I've given my heart my

514

00:20:39,400 --> 00:20:37,280

soul my money and you can't and nobody

515

00:20:41,200 --> 00:20:39,410

will have me on a stage and I think the

516

00:20:43,540 --> 00:20:41,210

reason they will not let me speak at

517

00:20:45,370 --> 00:20:43,550

these conferences is because I am

518

00:20:48,040 --> 00:20:45,380

getting down to the nitty-gritty and

519

00:20:50,290 --> 00:20:48,050

telling them the truth the truth is this

520

00:20:52,690 --> 00:20:50,300

folks you've got to use discernment and

521

00:20:55,120 --> 00:20:52,700

you've got to look at everything from

522

00:20:57,610 --> 00:20:55,130

both sides of the fence you can't just

523

00:20:59,410 --> 00:20:57,620

sit up there and say you know the blue

524

00:21:01,570 --> 00:20:59,420

avians came and got me and this is

525

00:21:03,970 --> 00:21:01,580

what's gonna happen and I went 20 years

526
00:21:06,700 --> 00:21:03,980
and back you know you need to look at it

527
00:21:07,990 --> 00:21:06,710
from all angles and that's why I think

528
00:21:11,140 --> 00:21:08,000
they're afraid because they know that

529
00:21:12,820 --> 00:21:11,150
I'm gonna tell them that probably a good

530
00:21:15,130 --> 00:21:12,830
portion of these people are mind control

531
00:21:17,290 --> 00:21:15,140
that probably good portion are contact

532
00:21:19,000 --> 00:21:17,300
these and if they are contact these

533
00:21:21,250 --> 00:21:19,010
who's controlling them during the

534
00:21:23,320 --> 00:21:21,260
contact that's very important to know

535
00:21:25,930 --> 00:21:23,330
and then the people that are having

536
00:21:28,030 --> 00:21:25,940
recall why are they having the recall

537
00:21:29,799 --> 00:21:28,040
you know I want to know why they can

538
00:21:32,169 --> 00:21:29,809

remember stuff and other people can't

539

00:21:35,799 --> 00:21:32,179

and if what they're remembering is

540

00:21:37,600 --> 00:21:35,809

actually the truth okay so you know

541

00:21:39,310 --> 00:21:37,610

there's a lot of you know people just

542

00:21:41,049 --> 00:21:39,320

say I tell them what I want to talk

543

00:21:43,090 --> 00:21:41,059

about and they just go oh that was

544

00:21:44,890 --> 00:21:43,100

interesting beau we don't know who you

545

00:21:48,160 --> 00:21:44,900

are so I'm sorry you can't speak at our

546

00:21:50,650 --> 00:21:48,170

conference I actually had friends ask

547

00:21:52,900 --> 00:21:50,660

people to let me speak at their

548

00:21:55,570 --> 00:21:52,910

conferences over the last year and

549

00:21:58,060 --> 00:21:55,580

through and those people said I'm sorry

550

00:22:00,280 --> 00:21:58,070

but we don't know who you are and we

551

00:22:02,830 --> 00:22:00,290

don't particularly like the topic so

552

00:22:04,480 --> 00:22:02,840

you're not gonna speak for us and I get

553

00:22:06,640 --> 00:22:04,490

it I totally get it I don't have a book

554

00:22:10,600 --> 00:22:06,650

out about it I totally get it but you

555

00:22:12,640 --> 00:22:10,610

know it's just it's disappointing that

556

00:22:14,470 --> 00:22:12,650

no one wants to hear the truth or the

557

00:22:16,810 --> 00:22:14,480

truth as I see it and I think I'm a

558

00:22:18,370 --> 00:22:16,820

pretty good realist about it so you

559

00:22:20,110 --> 00:22:18,380

think they'd be happy to have somebody

560

00:22:21,760 --> 00:22:20,120

out there saying a

561

00:22:24,130 --> 00:22:21,770

look it isn't all just you know aliens

562

00:22:26,110 --> 00:22:24,140

and flying saucers it could be more than

563

00:22:29,350 --> 00:22:26,120

that folks you might want to look at it

564

00:22:31,210 --> 00:22:29,360

you know so okay I'm done I'm done

565

00:22:33,400 --> 00:22:31,220

ranting I'm feeling much better now you

566

00:22:36,760 --> 00:22:33,410

guys always make me feel so good but I

567

00:22:41,290 --> 00:22:36,770

get them my little rants so my guest

568

00:22:43,750 --> 00:22:41,300

tonight is Brian a Byron cell itself did

569

00:22:48,820 --> 00:22:43,760

I say that right Byron you got it this

570

00:22:51,040 --> 00:22:48,830

time I did yeah oh good only took me

571

00:22:54,250 --> 00:22:51,050

five to five different radio shows to

572

00:22:56,890 --> 00:22:54,260

get it right what can I say so dear um

573

00:22:58,240 --> 00:22:56,900

what we wanted to talk about tonight we

574

00:23:00,580 --> 00:22:58,250

got a whole bunch of things to talk

575

00:23:02,500 --> 00:23:00,590

about with you ranch a book aliens UFOs

576
00:23:04,930 --> 00:23:02,510
what they've got to do with you rancher

577
00:23:07,210 --> 00:23:04,940
the whole bit but what I'd like to talk

578
00:23:10,030 --> 00:23:07,220
about first before we get started is

579
00:23:11,170 --> 00:23:10,040
about Jim Mars now I just found out when

580
00:23:12,880 --> 00:23:11,180
we were getting started for the show

581
00:23:15,670 --> 00:23:12,890
he's a good friend of yours or was a

582
00:23:18,750 --> 00:23:15,680
good friend of yours yes that's Jim Jim

583
00:23:21,670 --> 00:23:18,760
and I were really really close because I

584
00:23:24,930 --> 00:23:21,680
published his 9/11 book I don't know if

585
00:23:28,660 --> 00:23:24,940
you know that Lori oh I didn't know that

586
00:23:30,610 --> 00:23:28,670
because it was a very kind of anomalous

587
00:23:33,820 --> 00:23:30,620
situation because he was about to put

588
00:23:36,550 --> 00:23:33,830

this book out in 2003 with her per

589

00:23:38,920 --> 00:23:36,560

Collins and you know and he was an

590

00:23:42,100 --> 00:23:38,930

author to the big agents and so he got a

591

00:23:43,690 --> 00:23:42,110

huge advance over six-figure advance and

592

00:23:46,660 --> 00:23:43,700

it being Jim Marrs he went in there and

593

00:23:49,480 --> 00:23:46,670

he absolutely cleaned up that story he's

594

00:23:51,910 --> 00:23:49,490

really the first journalist all-around

595

00:23:54,460 --> 00:23:51,920

journalist to get in to the story that

596

00:23:58,240 --> 00:23:54,470

we now know that it was an inside job

597

00:24:00,130 --> 00:23:58,250

you know he's an intrepid interviewer as

598

00:24:03,160 --> 00:24:00,140

we know from his JFK books and other

599

00:24:05,710 --> 00:24:03,170

books and he just he just nailed this

600

00:24:08,500 --> 00:24:05,720

thing now when he completed it it was

601
00:24:11,770 --> 00:24:08,510
accepted by the chief editor there and

602
00:24:16,930 --> 00:24:11,780
went upstairs and they quashed it oh

603
00:24:19,770 --> 00:24:16,940
you're kidding yes indeed and so you

604
00:24:23,350 --> 00:24:19,780
know he they said keep the advance is

605
00:24:25,170 --> 00:24:23,360
\$125,000 and just just we don't want to

606
00:24:28,480 --> 00:24:25,180
do it we can't do it it's too much and

607
00:24:31,330 --> 00:24:28,490
they sent him away and he circulated and

608
00:24:32,500 --> 00:24:31,340
he found me and at that time I was you

609
00:24:33,490 --> 00:24:32,510
know I had a pretty good staff and

610
00:24:35,470 --> 00:24:33,500
pretty good

611
00:24:38,620 --> 00:24:35,480
Publishing operation and I picked it up

612
00:24:40,180 --> 00:24:38,630
I was you know really well away unknown

613
00:24:44,020 --> 00:24:40,190

compared to you know anything on the

614

00:24:47,410 --> 00:24:44,030

East Coast but we had we had the right

615

00:24:50,590 --> 00:24:47,420

people in place and I got some funding

616

00:24:52,870 --> 00:24:50,600

from people a lot of people that knew of

617

00:24:55,450 --> 00:24:52,880

Jim came forward with enough funding to

618

00:24:57,880 --> 00:24:55,460

really do it big so Jim and I went on

619

00:25:00,930 --> 00:24:57,890

this adventure with this book kind of

620

00:25:04,770 --> 00:25:00,940

early on there weren't very many other

621

00:25:08,710 --> 00:25:04,780

spokespeople at his level at that time

622

00:25:11,710 --> 00:25:08,720

2003-2004 why I'd circulated with him I

623

00:25:13,840 --> 00:25:11,720

traveled with him to conferences and I

624

00:25:16,120 --> 00:25:13,850

even put on a conference and made him

625

00:25:19,450 --> 00:25:16,130

the keynote it was one in our

626
00:25:21,580 --> 00:25:19,460
neighborhood here Laurie Anna mm three

627
00:25:25,150 --> 00:25:21,590
or four I don't like if she didn't know

628
00:25:28,270 --> 00:25:25,160
about it but do you remember

629
00:25:30,580 --> 00:25:28,280
yeah what's called 9/11 convergence oh I

630
00:25:32,950 --> 00:25:30,590
did know about it I couldn't make it I'd

631
00:25:35,410 --> 00:25:32,960
already had plans it was on a Saturday

632
00:25:37,180 --> 00:25:35,420
afternoon wasn't it I was two days it

633
00:25:38,950 --> 00:25:37,190
was a Saturday and a Sunday no maybe

634
00:25:41,620 --> 00:25:38,960
wasn't all day but it was it was it was

635
00:25:45,550 --> 00:25:41,630
many speakers but Jim was too yeah well

636
00:25:47,620 --> 00:25:45,560
did you have the 9/11 truthers and and

637
00:25:49,630 --> 00:25:47,630
did she have like change you know we are

638
00:25:51,640 --> 00:25:49,640

change and some of the other guys there

639

00:25:55,390 --> 00:25:51,650

I I've tried to remember this as so long

640

00:25:57,640 --> 00:25:55,400

ago before the we are change people

641

00:26:00,490 --> 00:25:57,650

actually it was so was it okay yeah I

642

00:26:02,650 --> 00:26:00,500

did hear about it but I was just so um I

643

00:26:04,510 --> 00:26:02,660

had so many things going on back then I

644

00:26:09,730 --> 00:26:04,520

actually was working full-time then so

645

00:26:11,560 --> 00:26:09,740

it was crazy yeah but you know Jim also

646

00:26:14,710 --> 00:26:11,570

you know but he spoke also at the

647

00:26:16,540 --> 00:26:14,720

historic conference that Carroll brulee

648

00:26:19,330 --> 00:26:16,550

put on I don't know if you were that one

649

00:26:22,450 --> 00:26:19,340

oh no I was not now where was that once

650

00:26:25,240 --> 00:26:22,460

that was in San Francisco around the

651
00:26:26,920 --> 00:26:25,250
same time just prior no I did not know

652
00:26:28,330 --> 00:26:26,930
anything about that one now I heard it

653
00:26:30,670 --> 00:26:28,340
the other one but I did not know about

654
00:26:32,770 --> 00:26:30,680
that one so very interesting the most

655
00:26:35,500 --> 00:26:32,780
important conference of that era that

656
00:26:38,170 --> 00:26:35,510
were really brought everybody together

657
00:26:40,060 --> 00:26:38,180
for the first time face to face seeing

658
00:26:42,040 --> 00:26:40,070
everybody and a lot of people showed up

659
00:26:45,950 --> 00:26:42,050
and Jim gave a major speech there

660
00:26:48,169 --> 00:26:45,960
because Jim you know was the only really

661
00:26:49,970 --> 00:26:48,179
you know highly trained journalists and

662
00:26:52,880 --> 00:26:49,980
in those days there one or two other

663
00:26:56,090 --> 00:26:52,890

ones but Jim got the story in

664

00:26:58,519 --> 00:26:56,100

generalistic detail and that was a big

665

00:27:01,190 --> 00:26:58,529

deal there and around that time is when

666

00:27:02,419 --> 00:27:01,200

we had printed his book so it got out to

667

00:27:05,659 --> 00:27:02,429

that audience and then away at the

668

00:27:08,510 --> 00:27:05,669

conference here and then I got very

669

00:27:11,750 --> 00:27:08,520

active in the movement even though I was

670

00:27:16,909 --> 00:27:11,760

just a publisher but I was traveling

671

00:27:19,490 --> 00:27:16,919

with him and I emceed the 2006 major

672

00:27:24,019 --> 00:27:19,500

9/11 conference in Chicago where he

673

00:27:27,730 --> 00:27:24,029

spoke also oh well he has he and I have

674

00:27:32,389 --> 00:27:27,740

just tracked each other he spoke at the

675

00:27:35,779 --> 00:27:32,399

2009 conference on deep politics and

676

00:27:38,240 --> 00:27:35,789

Santa Cruz were you at that um no I was

677

00:27:40,340 --> 00:27:38,250

not but I did hear about it wasn't our

678

00:27:43,130 --> 00:27:40,350

guy who's passed on now and the Santa

679

00:27:45,919 --> 00:27:43,140

Cruz radio network got a kid the doctor

680

00:27:48,169 --> 00:27:45,929

Monteith wasn't he part of that one

681

00:27:50,210 --> 00:27:48,179

you know he was not he should have been

682

00:27:50,840 --> 00:27:50,220

but he was not my chief I thought he put

683

00:27:54,080 --> 00:27:50,850

that one on

684

00:27:57,320 --> 00:27:54,090

maybe I see there's so many I my dear

685

00:28:01,130 --> 00:27:57,330

that you know I probably go 250 a year

686

00:28:03,500 --> 00:28:01,140

now I need not 50 but at least 30 I can

687

00:28:05,210 --> 00:28:03,510

think of and I'm telling ya I can't

688

00:28:07,310 --> 00:28:05,220

remember him all anymore it's gotten

689

00:28:08,810 --> 00:28:07,320

insane do remember all the conspiracy

690

00:28:11,090 --> 00:28:08,820

cons I mean I think they were all

691

00:28:13,340 --> 00:28:11,100

speaking there at some point too right

692

00:28:15,500 --> 00:28:13,350

so Jim was speaking at those and and you

693

00:28:18,830 --> 00:28:15,510

know he was he was everywhere and they

694

00:28:20,299 --> 00:28:18,840

you know he didn't turn down you know

695

00:28:22,669 --> 00:28:20,309

and then he would just show up because

696

00:28:25,430 --> 00:28:22,679

he he was in it was a public servant I

697

00:28:27,799 --> 00:28:25,440

know that's what I'd love that that

698

00:28:30,080 --> 00:28:27,809

loved about him he you know he used to

699

00:28:31,789 --> 00:28:30,090

say I'd call him and say you know I

700

00:28:33,590 --> 00:28:31,799

don't have any money Jim I can barely

701

00:28:35,180 --> 00:28:33,600

afford to get you out here I can barely

702

00:28:37,399 --> 00:28:35,190

afford to do this or that or when you

703

00:28:40,159 --> 00:28:37,409

come down to JFK this year in Dallas or

704

00:28:42,289 --> 00:28:40,169

you know whatever and he'd be like well

705

00:28:44,570 --> 00:28:42,299

you put up my assistant for me in a

706

00:28:49,159 --> 00:28:44,580

separate room and I go Yap you go okay

707

00:28:51,950 --> 00:28:49,169

done deal he was so cool about that I

708

00:28:53,630 --> 00:28:51,960

just loved it so all the authors I've

709

00:28:57,049 --> 00:28:53,640

worked with and I've worked with over 40

710

00:28:59,610 --> 00:28:57,059

of them he was my favorite he was always

711

00:29:02,250 --> 00:28:59,620

jolly always

712

00:29:03,870 --> 00:29:02,260

always telling great stories he would

713

00:29:05,940 --> 00:29:03,880

get you know he'd get in the room and

714

00:29:08,250 --> 00:29:05,950

everyone just gather around and Jim

715

00:29:11,070 --> 00:29:08,260

would just wow us with what he knew and

716

00:29:12,740 --> 00:29:11,080

with his stories and and and but more

717

00:29:16,380 --> 00:29:12,750

than anything else he was very

718

00:29:20,070 --> 00:29:16,390

personally involved in and loving you

719

00:29:26,460 --> 00:29:20,080

and and caring about you at any turn

720

00:29:28,500 --> 00:29:26,470

whatever was going on and I well we have

721

00:29:30,029 --> 00:29:28,510

to take a break so when we get back what

722

00:29:32,279 --> 00:29:30,039

we're gonna do is I'm going to tell you

723

00:29:34,529 --> 00:29:32,289

some stories about Jim about he and I

724

00:29:36,360 --> 00:29:34,539

together over the last few years and

725

00:29:38,190 --> 00:29:36,370

then if you've got any fun stories about

726

00:29:39,659 --> 00:29:38,200

him we'll talk about it then

727

00:29:41,850 --> 00:29:39,669

so everybody stick around we do a little

728

00:29:44,010 --> 00:29:41,860

bit more on Jim Marrs here tonight and I

729

00:29:46,649 --> 00:29:44,020

think irn is coming up with some kind of

730

00:29:47,820 --> 00:29:46,659

special around it so stick around for

731

00:29:49,470 --> 00:29:47,830

that too maybe we'll have an

732

00:29:51,299 --> 00:29:49,480

announcement by the end of the show but

733

00:29:53,130 --> 00:29:51,309

when it's gonna be I don't know but

734

00:29:55,620 --> 00:29:53,140

we'll try to get that information to you

735

00:29:57,570 --> 00:29:55,630

and stick around we got some great stuff

736

00:29:59,549 --> 00:29:57,580

coming about the rancher book and that

737

00:30:04,039 --> 00:29:59,559

what Byron's been up to in his life so

738

00:30:09,360 --> 00:30:06,779

welcome back everyone to the California

739

00:30:11,669 --> 00:30:09,370

MUFON radio show I am your host loriann

740

00:30:14,490 --> 00:30:11,679

Fenton and I am really happy to have

741

00:30:19,580 --> 00:30:14,500

Byron Bella's Bella's soso Bela took

742

00:30:25,409 --> 00:30:23,549

with me here tonight and he is um are

743

00:30:27,659 --> 00:30:25,419

you see you're not the author of

744

00:30:30,389 --> 00:30:27,669

anything that I know of are you oh no

745

00:30:32,789 --> 00:30:30,399

you are my book your book is right here

746

00:30:35,490 --> 00:30:32,799

in front of me on my desk what an idiot

747

00:30:38,180 --> 00:30:35,500

I am so tell everybody about your books

748

00:30:42,480 --> 00:30:38,190

I know there's there's two right is it -

749

00:30:45,120 --> 00:30:42,490

well I I'm co-authored six books and but

750

00:30:47,850 --> 00:30:45,130

this is teased it's the first one that I

751
00:30:51,779 --> 00:30:47,860
authored on my own I tend to work with

752
00:30:52,950 --> 00:30:51,789
authors who need a and editor and they

753
00:30:55,740 --> 00:30:52,960
often say well look you know why don't

754
00:30:57,029 --> 00:30:55,750
you go co-author with me and because I'm

755
00:30:59,190 --> 00:30:57,039
a fast writer and I'm you know

756
00:31:01,769 --> 00:30:59,200
highly-trained editor so I have done a

757
00:31:04,289 --> 00:31:01,779
lot of that but did this one you know I

758
00:31:06,060 --> 00:31:04,299
just got to a point where I okay keep

759
00:31:09,570 --> 00:31:06,070
your eyes closed okay I want to show you

760
00:31:13,500 --> 00:31:09,580
my first ever painting alright okay

761
00:31:16,890 --> 00:31:13,510
open your eyes oh that's a lot of colors

762
00:31:20,430 --> 00:31:16,900
huh and shade so be honest what do you

763
00:31:21,840 --> 00:31:20,440

think well I like how if you switch to

764

00:31:22,680 --> 00:31:21,850

Geico you could save hundreds of dollars

765

00:31:25,950 --> 00:31:22,690

on car insurance

766

00:31:28,200 --> 00:31:25,960

oh yeah that's that's true yeah here why

767

00:31:29,670 --> 00:31:28,210

don't I hold your paintbrush while you

768

00:31:31,290 --> 00:31:29,680

call them Geico

769

00:31:33,570 --> 00:31:31,300

because saving 15% or more on car

770

00:31:36,840 --> 00:31:33,580

insurance is always a great answer I

771

00:31:39,840 --> 00:31:36,850

wanted to make a statement about this

772

00:31:42,900 --> 00:31:39,850

controversial topic that nobody else is

773

00:31:46,020 --> 00:31:42,910

coming forward to do and kind of like

774

00:31:47,700 --> 00:31:46,030

you Lori and I I'm a gadfly and I try to

775

00:31:51,240 --> 00:31:47,710

bring in new topics that nobody else

776

00:31:54,870 --> 00:31:51,250

will so I would finally just step out

777

00:31:56,250 --> 00:31:54,880

and do this book and the timing was not

778

00:31:58,470 --> 00:31:56,260

as bad as I thought because people are

779

00:32:00,450 --> 00:31:58,480

receiving it very well because there's

780

00:32:02,550 --> 00:32:00,460

you know because of the global crisis

781

00:32:04,830 --> 00:32:02,560

and the you know the crisis in the

782

00:32:08,460 --> 00:32:04,840

United States people are interested in

783

00:32:11,970 --> 00:32:08,470

things that are brand-new unheard of you

784

00:32:14,520 --> 00:32:11,980

know that that have Universal import and

785

00:32:16,230 --> 00:32:14,530

I think the rancher book does and I

786

00:32:18,030 --> 00:32:16,240

think it is kind of designed for for the

787

00:32:20,220 --> 00:32:18,040

time that we're in so yeah I just put

788

00:32:23,730 --> 00:32:20,230

this book out a couple months ago you're

789

00:32:27,000 --> 00:32:23,740

evolving soul the cosmic spirituality

790

00:32:29,040 --> 00:32:27,010

the rancher revelation there we go I

791

00:32:31,860 --> 00:32:29,050

just found it under my made Brussels

792

00:32:36,600 --> 00:32:31,870

fascism in America and I have history by

793

00:32:39,390 --> 00:32:36,610

William Matson law nothing like having a

794

00:32:42,150 --> 00:32:39,400

diverse desk here I gotta tell you so

795

00:32:44,490 --> 00:32:42,160

anyhow first of all let's just tell

796

00:32:46,620 --> 00:32:44,500

people how they can get to your website

797

00:32:49,770 --> 00:32:46,630

your book or whatever it is that you're

798

00:32:53,280 --> 00:32:49,780

doing you know or for the show and then

799

00:32:55,710 --> 00:32:53,290

let's get back to Jim Marrs and then

800

00:32:58,740 --> 00:32:55,720

we'll get back to your your books okay

801
00:33:00,150 --> 00:32:58,750
yeah so just just anywhere books are

802
00:33:02,730 --> 00:33:00,160
sold you know that I've got distribution

803
00:33:06,030 --> 00:33:02,740
in all bookstores and Amazon so just

804
00:33:10,230 --> 00:33:06,040
look for your evolving soul my website

805
00:33:12,180 --> 00:33:10,240
is evolving - Souls dot-org to get

806
00:33:14,760 --> 00:33:12,190
background on the book and press clips

807
00:33:19,620 --> 00:33:14,770
and and some of the video that I've done

808
00:33:21,450 --> 00:33:19,630
of it's on evolving - Souls org and yeah

809
00:33:22,710 --> 00:33:21,460
so you notice came back from book tour

810
00:33:26,340 --> 00:33:22,720
in the

811
00:33:29,460 --> 00:33:26,350
for Boulder area and they had a major

812
00:33:32,850 --> 00:33:29,470
international conference of the urantia

813
00:33:34,380 --> 00:33:32,860

book their people you know don't know

814

00:33:36,240 --> 00:33:34,390

about such things because it's so

815

00:33:39,270 --> 00:33:36,250

esoteric but it's actually a big

816

00:33:40,500 --> 00:33:39,280

following and Europe in Latin America so

817

00:33:43,440 --> 00:33:40,510

there were a lot of people from a lot of

818

00:33:46,710 --> 00:33:43,450

countries at this major conference in

819

00:33:49,380 --> 00:33:46,720

Denver where I also just spoke wow

820

00:33:51,210 --> 00:33:49,390

that's really cool you know you told me

821

00:33:54,810 --> 00:33:51,220

about that conference and I totally

822

00:33:56,670 --> 00:33:54,820

forgot about it is I'm so bad you know

823

00:33:59,340 --> 00:33:56,680

why I forgot about it I was having such

824

00:34:01,200 --> 00:33:59,350

a you know an experience in Las Vegas

825

00:34:03,300 --> 00:34:01,210

with this MUFON symposium it kind of

826
00:34:03,990 --> 00:34:03,310
washed everything out of my out of my

827
00:34:08,160 --> 00:34:04,000
brain

828
00:34:11,550 --> 00:34:08,170
i canti got just overtaken by the moment

829
00:34:15,540 --> 00:34:11,560
I think so how did the conference go oh

830
00:34:18,510 --> 00:34:15,550
you know they they have a very good

831
00:34:21,240 --> 00:34:18,520
leadership I think in that the you know

832
00:34:24,780 --> 00:34:21,250
if you spend much your life with the you

833
00:34:28,230 --> 00:34:24,790
Rancho revelation it it it changes you

834
00:34:29,730 --> 00:34:28,240
and turns you into a but like Jamar's

835
00:34:31,740 --> 00:34:29,740
you've become a public servants and

836
00:34:35,100 --> 00:34:31,750
that's what it teaches his service

837
00:34:37,260 --> 00:34:35,110
service to others and i just found a lot

838
00:34:39,750 --> 00:34:37,270

of very loving people there and i always

839

00:34:42,090 --> 00:34:39,760

go to their events and i usually put on

840

00:34:45,390 --> 00:34:42,100

a workshop and this time was unusual

841

00:34:48,180 --> 00:34:45,400

because people from somewhat outside

842

00:34:50,460 --> 00:34:48,190

that community were invited into the

843

00:34:53,550 --> 00:34:50,470

community to speak about their work and

844

00:34:58,080 --> 00:34:53,560

in particular Barbara Marx Hubbard gave

845

00:35:00,450 --> 00:34:58,090

a key go over many years I've been

846

00:35:02,340 --> 00:35:00,460

talking here really 20 years about the

847

00:35:05,400 --> 00:35:02,350

rancha book and when she was a neighbor

848

00:35:08,130 --> 00:35:05,410

of mine here in Marin County and then

849

00:35:10,080 --> 00:35:08,140

since then and I worked with her on one

850

00:35:12,750 --> 00:35:10,090

of her books got to be pretty close but

851

00:35:15,660 --> 00:35:12,760

it was never the case that she was all

852

00:35:18,780 --> 00:35:15,670

that interested in the Rancho revelation

853

00:35:20,760 --> 00:35:18,790

but lately she's changed you know it's

854

00:35:23,760 --> 00:35:20,770

part of the trend I think that you know

855

00:35:25,470 --> 00:35:23,770

she wanted to look at my manuscript for

856

00:35:28,500 --> 00:35:25,480

this book and helped me and coached me

857

00:35:30,780 --> 00:35:28,510

with it a little bit and then she read

858

00:35:32,790 --> 00:35:30,790

it thoroughly and wanted to be at that

859

00:35:36,210 --> 00:35:32,800

conference so she gave a keynote that

860

00:35:36,540 --> 00:35:36,220

was remarkable because she she said to

861

00:35:38,850 --> 00:35:36,550

the

862

00:35:41,820 --> 00:35:38,860

that her work which is you know very

863

00:35:45,720 --> 00:35:41,830

broad and visionary she said her work is

864

00:35:49,110 --> 00:35:45,730

really a subset of what the vision of

865

00:35:50,790 --> 00:35:49,120

the rancher Brooke is oh yeah that makes

866

00:35:55,560 --> 00:35:50,800

sense I get it

867

00:35:58,020 --> 00:35:55,570

that's very cool and that was me no such

868

00:36:00,660 --> 00:35:58,030

say such thing in a big public space is

869

00:36:02,730 --> 00:36:00,670

is a pretty big breakthrough yeah it is

870

00:36:05,160 --> 00:36:02,740

you know cause like you know I told you

871

00:36:08,340 --> 00:36:05,170

I never did tackle the ranch a book

872

00:36:10,110 --> 00:36:08,350

because it's just so volumous and I and

873

00:36:11,820 --> 00:36:10,120

I just don't have the time anymore to

874

00:36:14,430 --> 00:36:11,830

sit and read like I used to I mean

875

00:36:16,770 --> 00:36:14,440

before the internet I was reading you

876

00:36:20,730 --> 00:36:16,780

know six books a week you know five to

877

00:36:24,450 --> 00:36:20,740

six books at least and my problem now is

878

00:36:26,130 --> 00:36:24,460

I'm working way too much and I'm on the

879

00:36:28,290 --> 00:36:26,140

internet all the time working there as

880

00:36:30,750 --> 00:36:28,300

well so you know when do you have fun

881

00:36:33,480 --> 00:36:30,760

you know fine time to sit and read it's

882

00:36:35,610 --> 00:36:33,490

pretty difficult and so when your book

883

00:36:37,470 --> 00:36:35,620

came out I'm like oh yeah but it's right

884

00:36:40,380 --> 00:36:37,480

here on my desk I will get to reading it

885

00:36:42,000 --> 00:36:40,390

one of these days because I'm actually

886

00:36:44,130 --> 00:36:42,010

starting to take a little more time to

887

00:36:47,130 --> 00:36:44,140

read again which is wonderful that's a

888

00:36:50,220 --> 00:36:47,140

present for myself this year is that I'm

889

00:36:52,470 --> 00:36:50,230

actually reading again so yeah and yours

890

00:36:54,240 --> 00:36:52,480

is one of the three I'm reading so there

891

00:36:58,290 --> 00:36:54,250

you go is this at the bottom right now

892

00:37:00,330 --> 00:36:58,300

so I'll eventually get to it but yeah

893

00:37:02,220 --> 00:37:00,340

it's it's very interesting to meet the

894

00:37:04,320 --> 00:37:02,230

ranch is the whole ranch a story so

895

00:37:06,330 --> 00:37:04,330

let's take a few more minutes though

896

00:37:08,820 --> 00:37:06,340

before we get into it and the book

897

00:37:11,880 --> 00:37:08,830

itself to talk a little bit more about

898

00:37:13,920 --> 00:37:11,890

Jim Marrs and do you have any stories

899

00:37:16,110 --> 00:37:13,930

about anything funny he ever did with

900

00:37:18,960 --> 00:37:16,120

you or interesting or just that quirky

901
00:37:20,550 --> 00:37:18,970
or just something cool about Jim that

902
00:37:21,440 --> 00:37:20,560
you know about that maybe other people

903
00:37:25,470 --> 00:37:21,450
don't know

904
00:37:29,910 --> 00:37:25,480
it was wide-ranging in his interest and

905
00:37:33,750 --> 00:37:29,920
he is I I think he's the the first

906
00:37:36,090 --> 00:37:33,760
person ever to you know on the topic of

907
00:37:40,590 --> 00:37:36,100
the rancher book for example and in the

908
00:37:44,670 --> 00:37:40,600
last maybe 10 pages of ancient of

909
00:37:47,460 --> 00:37:44,680
nitrogen aliens of the alien agenda his

910
00:37:49,890 --> 00:37:47,470
great his great book the alien Jim one

911
00:37:54,810 --> 00:37:49,900
of the best books on that in the field

912
00:37:58,170 --> 00:37:54,820
yes section is I was shocked to see that

913
00:38:04,250 --> 00:37:58,180

he did a comparison of the rancher book

914

00:38:08,460 --> 00:38:04,260
of prehistory story with the Sitchin

915

00:38:11,190 --> 00:38:08,470
prehistory story oh yeah yeah I forgot

916

00:38:13,980 --> 00:38:11,200
about that you're right he did and he

917

00:38:18,030 --> 00:38:13,990
was way ahead of his time on that nobody

918

00:38:19,470 --> 00:38:18,040
has done it since then other than you

919

00:38:22,710 --> 00:38:19,480
know people like me who are advocates of

920

00:38:26,370 --> 00:38:22,720
the ranch book anyway Jim you know this

921

00:38:29,520 --> 00:38:26,380
was how I got to understand Jim Jim was

922

00:38:32,670 --> 00:38:29,530
fearless and he's a great researcher and

923

00:38:35,220 --> 00:38:32,680
he's a great writer and he's great speak

924

00:38:39,030 --> 00:38:35,230
he was a great speaker and so in this

925

00:38:41,430 --> 00:38:39,040
case because of his vast research he saw

926

00:38:43,800 --> 00:38:41,440

this issue which is a very big issue in

927

00:38:46,920 --> 00:38:43,810

my humble opinion in our community that

928

00:38:49,280 --> 00:38:46,930

the Sitchin story has become the

929

00:38:51,990 --> 00:38:49,290

predominant story of our prehistory

930

00:38:55,290 --> 00:38:52,000

whereas the rancho story has much more

931

00:38:58,410 --> 00:38:55,300

coherence and very strong evidence and

932

00:39:03,180 --> 00:38:58,420

it is hardly is almost totally unknown

933

00:39:04,950 --> 00:39:03,190

but Jim did see that and he did say look

934

00:39:07,200 --> 00:39:04,960

this is a big mystery which of these

935

00:39:10,860 --> 00:39:07,210

guys is right they're both strong

936

00:39:13,260 --> 00:39:10,870

sources and we need to you know work

937

00:39:15,360 --> 00:39:13,270

this out and and he did go on to work it

938

00:39:17,610 --> 00:39:15,370

out but left that to people other people

939

00:39:19,590 --> 00:39:17,620

like myself so that that's a story but I

940

00:39:22,290 --> 00:39:19,600

mean I don't know it's hard to it was

941

00:39:24,540 --> 00:39:22,300

every time I saw Jim at these

942

00:39:27,660 --> 00:39:24,550

conferences you know there were you know

943

00:39:29,670 --> 00:39:27,670

conferences on conspiracies or UFOs or

944

00:39:32,490 --> 00:39:29,680

things of that nature they tend to be

945

00:39:34,530 --> 00:39:32,500

sometimes grim or there's controversy or

946

00:39:37,200 --> 00:39:34,540

there's you know people getting into ego

947

00:39:40,230 --> 00:39:37,210

conflicts but every time I would see Jim

948

00:39:43,230 --> 00:39:40,240

he would be laughing he would be telling

949

00:39:45,540 --> 00:39:43,240

stories to people and I just any

950

00:39:51,990 --> 00:39:45,550

possible time I would just be with him

951
00:39:55,170 --> 00:39:52,000
because he would just keep me happy your

952
00:39:59,940 --> 00:39:55,180
stories and we think I mean one time you

953
00:40:03,640 --> 00:39:59,950
told me that his family was not

954
00:40:05,229 --> 00:40:03,650
particularly supportive of his

955
00:40:08,650 --> 00:40:05,239
I didn't realize that I don't know if

956
00:40:13,209 --> 00:40:08,660
you did Lorien yeah I had we've had our

957
00:40:17,019 --> 00:40:13,219
moments about that yeah his wife and his

958
00:40:19,930 --> 00:40:17,029
kid you know kids then they never really

959
00:40:21,400 --> 00:40:19,940
understood him in this regard which is a

960
00:40:23,380 --> 00:40:21,410
little shocking to me because you know

961
00:40:26,289 --> 00:40:23,390
he was moving all over the country

962
00:40:28,479 --> 00:40:26,299
speaking and making a big impact but his

963
00:40:32,079 --> 00:40:28,489

so he didn't have that much support at

964

00:40:34,569 --> 00:40:32,089

home that phrase yeah so I was sad to

965

00:40:36,789 --> 00:40:34,579

know that about Jim because he was

966

00:40:39,249 --> 00:40:36,799

giving us so much but not getting

967

00:40:42,759 --> 00:40:39,259

support sufficient support at home I

968

00:40:45,700 --> 00:40:42,769

believe yeah yeah well I think you know

969

00:40:47,469 --> 00:40:45,710

I early on I think he was having a lot

970

00:40:50,349 --> 00:40:47,479

more issues with it

971

00:40:52,719 --> 00:40:50,359

but I know in the last few years his

972

00:40:55,870 --> 00:40:52,729

wife actually was coming to one of the

973

00:40:57,609 --> 00:40:55,880

JFK conferences with him to be with us

974

00:40:59,529 --> 00:40:57,619

she couldn't make it that year because

975

00:41:01,509 --> 00:40:59,539

something happened or whatever but she

976

00:41:04,779 --> 00:41:01,519

was planning on driving with him over

977

00:41:06,670 --> 00:41:04,789

there so there were you know I think his

978

00:41:08,529 --> 00:41:06,680

as he got older and she got older I

979

00:41:11,079 --> 00:41:08,539

think she's starting to kind of get it

980

00:41:13,479 --> 00:41:11,089

you know which was very cool you know I

981

00:41:15,219 --> 00:41:13,489

just loved her for for kind of finally

982

00:41:17,979 --> 00:41:15,229

you know getting on his side on the

983

00:41:20,589 --> 00:41:17,989

bandwagon as they say so I think things

984

00:41:22,329 --> 00:41:20,599

were mellowing in that area yeah the

985

00:41:24,370 --> 00:41:22,339

kids will never understand just like my

986

00:41:26,109 --> 00:41:24,380

nieces and nephews and my sisters and

987

00:41:28,239 --> 00:41:26,119

you know nobody will ever understand

988

00:41:31,630 --> 00:41:28,249

what I do they have no idea what I do I

989

00:41:34,239 --> 00:41:31,640

don't even know what I do right at least

990

00:41:36,249 --> 00:41:34,249

Jim was a journalist and an author and a

991

00:41:38,529 --> 00:41:36,259

speaker at least he had some titles I'm

992

00:41:40,359 --> 00:41:38,539

a nobody out there and I you know and I

993

00:41:42,670 --> 00:41:40,369

do all kinds of stuff every day as you

994

00:41:44,380 --> 00:41:42,680

know and you're like that too you're

995

00:41:45,849 --> 00:41:44,390

you're kind of like me you're always in

996

00:41:48,370 --> 00:41:45,859

the background putting people together

997

00:41:50,440 --> 00:41:48,380

and doing things and you know talking

998

00:41:52,900 --> 00:41:50,450

about what we can do to change things or

999

00:41:54,640 --> 00:41:52,910

how it can be different or what kind of

1000

00:41:56,319 --> 00:41:54,650

conference can we put on that will

1001
00:41:58,479 --> 00:41:56,329
enlighten people I mean we're never

1002
00:42:00,370 --> 00:41:58,489
sitting here on our thumbs twiddling

1003
00:42:05,079 --> 00:42:00,380
them I can tell you that or on our hands

1004
00:42:07,900 --> 00:42:05,089
doing nothing that's for sure yes or

1005
00:42:09,249 --> 00:42:07,910
similar that way we're producers we're

1006
00:42:11,769 --> 00:42:09,259
not out front

1007
00:42:13,569 --> 00:42:11,779
typically and I am a little bit

1008
00:42:15,190 --> 00:42:13,579
uncomfortable being out front with my

1009
00:42:16,880 --> 00:42:15,200
own book to tell you the truth it's not

1010
00:42:20,120 --> 00:42:16,890
my usual role

1011
00:42:23,330 --> 00:42:20,130
but but getting back to Jim Jim was

1012
00:42:24,860 --> 00:42:23,340
designed for this work you know he

1013
00:42:30,260 --> 00:42:24,870

started out I think you know that he was

1014

00:42:32,960 --> 00:42:30,270

in military intelligence yep yeah so he

1015

00:42:36,290 --> 00:42:32,970

learned swords be a detective you might

1016

00:42:38,780 --> 00:42:36,300

say and was you know a straight guy he

1017

00:42:40,880 --> 00:42:38,790

you know he went into the military he

1018

00:42:42,890 --> 00:42:40,890

served the country I guess do you think

1019

00:42:45,950 --> 00:42:42,900

about Jim has said he was a patriot I

1020

00:42:47,840 --> 00:42:45,960

mean all the time all he was always you

1021

00:42:50,180 --> 00:42:47,850

know tuned into what was best for this

1022

00:42:52,370 --> 00:42:50,190

country and when I first you know met

1023

00:42:55,580 --> 00:42:52,380

him and published that book I was taken

1024

00:43:05,240 --> 00:42:55,590

aback because I didn't realize that the

1025

00:43:07,280 --> 00:43:05,250

there was an alt right that's how I

1026
00:43:09,470 --> 00:43:07,290
learned about it because you know I was

1027
00:43:13,220 --> 00:43:09,480
gonna I was gonna promote his book to

1028
00:43:15,590 --> 00:43:13,230
the left in the United States and what

1029
00:43:17,450 --> 00:43:15,600
turned out is you know Jim you know let

1030
00:43:19,490 --> 00:43:17,460
me try that but he said look the

1031
00:43:21,890 --> 00:43:19,500
following is actually the all right and

1032
00:43:23,630 --> 00:43:21,900
that those are those are my people and I

1033
00:43:25,580 --> 00:43:23,640
said but Jim you know this is Northern

1034
00:43:27,320 --> 00:43:25,590
California I mean I'm not going to be

1035
00:43:29,150 --> 00:43:27,330
able to you know put this to that

1036
00:43:31,040 --> 00:43:29,160
audience as well I'll show you you know

1037
00:43:33,110 --> 00:43:31,050
who they are and who the whole radio

1038
00:43:35,330 --> 00:43:33,120

hosts are and and you just go ahead and

1039

00:43:40,960 --> 00:43:35,340

pitch them and so for the first time I

1040

00:43:45,770 --> 00:43:43,460

know these people were out there I mean

1041

00:43:47,330 --> 00:43:45,780

I heard see this and that but that there

1042

00:43:50,120 --> 00:43:47,340

they were and I realized there's this

1043

00:43:52,520 --> 00:43:50,130

huge underground of people who come

1044

00:43:55,730 --> 00:43:52,530

above ground and since then that are

1045

00:43:57,500 --> 00:43:55,740

tuned into ufology turned into

1046

00:44:02,330 --> 00:43:57,510

conspiracy turn you know all the stuff

1047

00:44:04,820 --> 00:44:02,340

that that the left thinks you know the

1048

00:44:06,980 --> 00:44:04,830

left thinks it has used to think you

1049

00:44:09,110 --> 00:44:06,990

that hit had the handle on what was

1050

00:44:11,720 --> 00:44:09,120

wrong with this country but you know Jim

1051
00:44:12,950 --> 00:44:11,730
taught up me and many of us that there's

1052
00:44:18,800 --> 00:44:12,960
this other point of view and they're

1053
00:44:20,900 --> 00:44:18,810
just as angry as the left I don't know

1054
00:44:24,050 --> 00:44:20,910
where I stand in any of this but Jim

1055
00:44:26,150 --> 00:44:24,060
always made me laugh about it cuz I'm

1056
00:44:28,130 --> 00:44:26,160
gonna try to get this picture up there

1057
00:44:30,589 --> 00:44:28,140
to everybody I don't know if anybody's

1058
00:44:34,670 --> 00:44:30,599
seen it on Facebook not too

1059
00:44:37,870 --> 00:44:34,680
you offer anything but I the last

1060
00:44:40,069 --> 00:44:37,880
conference I was at with Jim and I

1061
00:44:41,719 --> 00:44:40,079
poured away start okay I'm gonna start

1062
00:44:42,559 --> 00:44:41,729
at the beginning with Jim just quickly

1063
00:44:47,870 --> 00:44:42,569

and I'm going to go through this very

1064

00:44:49,759 --> 00:44:47,880

quickly folks I met Jim in 2010 or 11 I

1065

00:44:51,499 --> 00:44:49,769

can't remember where i met him that's

1066

00:44:53,059 --> 00:44:51,509

the worst part about both I'm racking my

1067

00:44:57,019 --> 00:44:53,069

brains all day trying to figure it out I

1068

00:44:59,539 --> 00:44:57,029

can't remember I know that in 12 I was

1069

00:45:03,979 --> 00:44:59,549

with him at a JFK thing somewhere I know

1070

00:45:06,829 --> 00:45:03,989

that in 13 and 14 I was - I know that by

1071

00:45:10,729 --> 00:45:06,839

14 he and I were crossing over together

1072

00:45:13,099 --> 00:45:10,739

into ufology and the JFK scene and was

1073

00:45:17,660 --> 00:45:13,109

so funny it was at conscious life Expo

1074

00:45:19,819 --> 00:45:17,670

2015 2014 I walked up to him and he

1075

00:45:22,489 --> 00:45:19,829

grabs me gives me a big hug is this how

1076

00:45:24,410 --> 00:45:22,499

you do it I said you know yo coot you

1077

00:45:27,079 --> 00:45:24,420

know the weirdest part about you and me

1078

00:45:30,890 --> 00:45:27,089

and he goes what's that I said you and I

1079

00:45:34,339 --> 00:45:30,900

are like alien 9/11

1080

00:45:37,190 --> 00:45:34,349

JFK truthers and we go to all three

1081

00:45:39,380 --> 00:45:37,200

rings of the circus and nobody else is

1082

00:45:41,599 --> 00:45:39,390

there but you and I and you started

1083

00:45:44,509 --> 00:45:41,609

laughing he thought that was hysterical

1084

00:45:45,920 --> 00:45:44,519

because I just ran into him it oh I just

1085

00:45:47,479 --> 00:45:45,930

ran into him somewhere else and I and

1086

00:45:49,609 --> 00:45:47,489

then I ran into a couple months later

1087

00:45:51,739 --> 00:45:49,619

contact in the desert and then it was

1088

00:45:53,870 --> 00:45:51,749

like everywhere we went there was just

1089

00:45:55,910 --> 00:45:53,880

the two of us and it was like everybody

1090

00:45:59,329 --> 00:45:55,920

else fell away until we got back to the

1091

00:46:02,539 --> 00:45:59,339

next alien finger or JFK thing or 9/11

1092

00:46:04,160 --> 00:46:02,549

truth thing or you know whatever so yeah

1093

00:46:07,400 --> 00:46:04,170

he had a great time with that he thought

1094

00:46:10,880 --> 00:46:07,410

it was hysterical another story about

1095

00:46:13,329 --> 00:46:10,890

Jim yeah Kenny believes he come to mind

1096

00:46:17,120 --> 00:46:13,339

you know just some time ago I published

1097

00:46:21,440 --> 00:46:17,130

the first of the series of books by

1098

00:46:24,920 --> 00:46:21,450

Phillip crop about his alien abduction

1099

00:46:26,839 --> 00:46:24,930

contact right so because of you know

1100

00:46:30,499 --> 00:46:26,849

getting around the UFO congress's with

1101

00:46:39,319 --> 00:46:30,509

that that was 2002 three four five and

1102

00:46:41,959 --> 00:46:39,329

we I got a note from Gordon Novell way

1103

00:46:43,519 --> 00:46:41,969

way back and it was like 2004 or

1104

00:46:44,930 --> 00:46:43,529

something and I never heard of Gordon

1105

00:46:47,059 --> 00:46:44,940

novella Gordon's

1106

00:46:51,049 --> 00:46:47,069

in this email I need to talk to your

1107

00:46:54,349 --> 00:46:51,059

author because I want him to ask the ETS

1108

00:46:56,630 --> 00:46:54,359

that that he had been abducted some

1109

00:47:00,049 --> 00:46:56,640

questions because we want to reverse

1110

00:47:05,660 --> 00:47:00,059

engineer a UFO craft and we have some

1111

00:47:07,430 --> 00:47:05,670

technical questions because he had the

1112

00:47:09,829 --> 00:47:07,440

impression that fill crop was able to

1113

00:47:12,680 --> 00:47:09,839

you know sort of address address them

1114

00:47:14,599 --> 00:47:12,690

telepathically well you know that's

1115

00:47:17,089 --> 00:47:14,609

interesting you brought that up but I'm

1116

00:47:19,789 --> 00:47:17,099

not trying to decide you know sideswipe

1117

00:47:21,799 --> 00:47:19,799

our conversation here but that's one of

1118

00:47:23,960 --> 00:47:21,809

the premises of my my new book

1119

00:47:26,269 --> 00:47:23,970

extraordinary contact is the fact that

1120

00:47:28,430 --> 00:47:26,279

it's time for us to start really trying

1121

00:47:30,950 --> 00:47:28,440

to communicate with them and bringing

1122

00:47:33,259 --> 00:47:30,960

back the information on a cognitive you

1123

00:47:34,789 --> 00:47:33,269

know level so anyhow but go ahead I

1124

00:47:37,069 --> 00:47:34,799

think that's interesting that Gordon

1125

00:47:39,829 --> 00:47:37,079

Novell was actually asking you this way

1126

00:47:44,329 --> 00:47:39,839

back then you know 15 years ago whatever

1127

00:47:47,390 --> 00:47:44,339

you know he was and I said look you know

1128

00:47:48,559 --> 00:47:47,400

Phil crop can't do that it will I mean

1129

00:47:50,150 --> 00:47:48,569

he doesn't know when they're going to

1130

00:47:52,400 --> 00:47:50,160

come to him and he doesn't have

1131

00:47:54,109 --> 00:47:52,410

telepathic contact so sorry about that

1132

00:47:58,759 --> 00:47:54,119

but who are you you know when he goes

1133

00:48:01,579 --> 00:47:58,769

well I I part of this group that's

1134

00:48:03,019 --> 00:48:01,589

trying to reverse engineer a UFO and I'm

1135

00:48:04,370 --> 00:48:03,029

like what do you mean by that you know I

1136

00:48:06,890 --> 00:48:04,380

did that back then didn't realize what

1137

00:48:09,019 --> 00:48:06,900

that was all about at all so he said

1138

00:48:11,089 --> 00:48:09,029

look you know I know you're a publisher

1139

00:48:13,039 --> 00:48:11,099

and you have an interest in you know it

1140

00:48:16,999 --> 00:48:13,049

turns out that I also have a book about

1141

00:48:18,349 --> 00:48:17,009

this manuscript I said okay send me the

1142

00:48:23,420 --> 00:48:18,359

man so sensitive this thing it was like

1143

00:48:26,539 --> 00:48:23,430

900 pages Jesus okay pretty good he was

1144

00:48:29,470 --> 00:48:26,549

prolific and a lot of great detail in

1145

00:48:32,900 --> 00:48:29,480

this book about about the abduction

1146

00:48:35,809 --> 00:48:32,910

situated more on the the the phenomenon

1147

00:48:37,130 --> 00:48:35,819

of the shooting down of craft and the

1148

00:48:39,349 --> 00:48:37,140

fact that we had already verse

1149

00:48:41,539 --> 00:48:39,359

engineered it an area theory or

1150

00:48:44,749 --> 00:48:41,549

somewhere and that he had evidence of

1151
00:48:48,880 --> 00:48:44,759
that and that not only that but he he he

1152
00:48:52,390 --> 00:48:48,890
got a group of people to smuggle out

1153
00:48:54,589 --> 00:48:52,400
well this is how I first met McCandlish

1154
00:48:58,220 --> 00:48:54,599
exactly I'm just gonna say now this

1155
00:49:02,960 --> 00:49:00,670
but it led to Jim Marrs because oh

1156
00:49:04,750 --> 00:49:02,970
that's interesting I didn't know Jim was

1157
00:49:08,750 --> 00:49:04,760
part of that group

1158
00:49:11,599 --> 00:49:08,760
because Gordon Oval you know he worship

1159
00:49:13,490 --> 00:49:11,609
Jim is an American hero and he found out

1160
00:49:15,650 --> 00:49:13,500
that I knew Jim and he said look you

1161
00:49:17,780 --> 00:49:15,660
know we need to get Jim in on this and I

1162
00:49:19,010 --> 00:49:17,790
said well okay what do you suggest he

1163
00:49:21,260 --> 00:49:19,020

said well the you know the book that

1164

00:49:25,099 --> 00:49:21,270

I've written I'd like to have him as a

1165

00:49:27,859 --> 00:49:25,109

co-author on the book with me because

1166

00:49:30,020 --> 00:49:27,869

I'm not a writer but I have a lot of it

1167

00:49:33,080 --> 00:49:30,030

so I said that's a cool idea let's put

1168

00:49:36,500 --> 00:49:33,090

that together so we we we we got to Jim and

1169

00:49:41,090 --> 00:49:36,510

it turns out that we he's we flew to Las

1170

00:49:44,930 --> 00:49:41,100

Vegas to meet Novell and a few of his

1171

00:49:47,150 --> 00:49:44,940

colleagues and he he wanted to meet Jim

1172

00:49:50,000 --> 00:49:47,160

and get Jim on board to do this book

1173

00:49:53,330 --> 00:49:50,010

with with him which I would publish

1174

00:49:55,880 --> 00:49:53,340

which was unwieldy it was very long but

1175

00:49:58,340 --> 00:49:55,890

had great information that he had spent

1176

00:50:01,420 --> 00:49:58,350

really like his adult life doing this

1177

00:50:03,920 --> 00:50:01,430

background Lisa that's true I mean

1178

00:50:06,050 --> 00:50:03,930

people know who Gordon Oval is he was

1179

00:50:09,080 --> 00:50:06,060

quite a larger-than-life character back

1180

00:50:11,540 --> 00:50:09,090

in the early 2000s of the UFO community

1181

00:50:14,720 --> 00:50:11,550

he really wanted to build a spaceship

1182

00:50:17,060 --> 00:50:14,730

and it did you know I I never met him

1183

00:50:19,970 --> 00:50:17,070

I've only seen a couple of pictures of

1184

00:50:22,550 --> 00:50:19,980

him way back and I really don't know

1185

00:50:24,650 --> 00:50:22,560

much about the man but he was seriously

1186

00:50:28,160 --> 00:50:24,660

larger-than-life right I mean this guy

1187

00:50:30,230 --> 00:50:28,170

lived as live like I don't know I mean I

1188

00:50:32,420 --> 00:50:30,240

from what I heard he was just you know

1189

00:50:34,250 --> 00:50:32,430

when you met him you knew you'd met

1190

00:50:36,230 --> 00:50:34,260

Gordon oval right

1191

00:50:38,740 --> 00:50:36,240

nothing like Novell and and and the

1192

00:50:41,720 --> 00:50:38,750

story I want to tell us the story of how

1193

00:50:44,420 --> 00:50:41,730

know Velma Jim bars in the same room at

1194

00:50:45,680 --> 00:50:44,430

the same time there's just never seen

1195

00:50:50,660 --> 00:50:45,690

anything like it too

1196

00:50:52,550 --> 00:50:50,670

very larger I American heroes who were

1197

00:50:55,190 --> 00:50:52,560

great rock on tours you know great

1198

00:50:58,280 --> 00:50:55,200

storytellers because you know Norton

1199

00:51:01,760 --> 00:50:58,290

Oval was notorious for exaggerating

1200

00:51:04,099 --> 00:51:01,770

telling exaggerated stories yeah that

1201
00:51:06,680 --> 00:51:04,109
were the full of long truths at the same

1202
00:51:10,250 --> 00:51:06,690
time but he dramatically exaggerated

1203
00:51:12,050 --> 00:51:10,260
these things for for humor humorous

1204
00:51:16,070 --> 00:51:12,060
effect and

1205
00:51:18,620 --> 00:51:16,080
so to entertain you and you there was a

1206
00:51:21,710 --> 00:51:18,630
lot of truth in it but he was

1207
00:51:24,050 --> 00:51:21,720
overstating it but he he got you pulled

1208
00:51:26,510 --> 00:51:24,060
everybody in so you know one point you

1209
00:51:27,830 --> 00:51:26,520
know so he said look you you and Jim you

1210
00:51:30,530 --> 00:51:27,840
guys are gonna make this thing work I

1211
00:51:32,180 --> 00:51:30,540
want you to get this get this manuscript

1212
00:51:34,370 --> 00:51:32,190
and start writing it and I'm gonna get

1213
00:51:36,140 --> 00:51:34,380

you the funds for that we wouldn't

1214

00:51:38,660 --> 00:51:36,150

needed a lot of funds to get Jim Morris

1215

00:51:41,450 --> 00:51:38,670

to work on this huge unwieldy manuscript

1216

00:51:43,190 --> 00:51:41,460

any night to get the money but the story

1217

00:51:45,530 --> 00:51:43,200

the way that the last thing that

1218

00:51:47,870 --> 00:51:45,540

probably happened with this is he wasn't

1219

00:51:50,510 --> 00:51:47,880

coming up with the money but we became

1220

00:51:55,640 --> 00:51:50,520

very close friends with him and we went

1221

00:51:58,280 --> 00:51:55,650

to see him at Laughlin I think Jim

1222

00:52:01,490 --> 00:51:58,290

Morris was speaking and I went and we we

1223

00:52:02,630 --> 00:52:01,500

met off-site to talk about how we're

1224

00:52:05,690 --> 00:52:02,640

gonna do this because we don't have any

1225

00:52:07,910 --> 00:52:05,700

money and the two of them just went on

1226
00:52:10,760 --> 00:52:07,920
and told the funniest stories and at one

1227
00:52:11,990 --> 00:52:10,770
point they both say well you know what

1228
00:52:14,960 --> 00:52:12,000
I'm gonna do about the First Amendment

1229
00:52:18,500 --> 00:52:14,970
we we can't carry you know we should all

1230
00:52:22,190 --> 00:52:18,510
have guns right and then but Jim Jim Jim

1231
00:52:28,790 --> 00:52:22,200
goes Jim goes yes but I always carry a

1232
00:52:32,390 --> 00:52:28,800
switchblade and I too carry a

1233
00:52:36,140 --> 00:52:32,400
switchblade and they both pulled out

1234
00:52:44,990 --> 00:52:36,150
their switch blades and they both had

1235
00:52:46,310 --> 00:52:45,000
big ones I mean they were like I'm just

1236
00:52:49,100 --> 00:52:46,320
sitting there just like little fly in

1237
00:52:56,630 --> 00:52:49,110
the wall and there was showing off who

1238
00:52:58,790 --> 00:52:56,640

had the biggest Witchblade laughed about

1239

00:53:02,690 --> 00:52:58,800

that for weeks it was just a great scene

1240

00:53:04,820 --> 00:53:02,700

when I will never forget and with that

1241

00:53:10,520 --> 00:53:04,830

that's what they were like and they were

1242

00:53:13,520 --> 00:53:10,530

equivalent but Novell was more further

1243

00:53:16,220 --> 00:53:13,530

out than anyone I've ever met because he

1244

00:53:18,950 --> 00:53:16,230

at the end of this process he did

1245

00:53:22,040 --> 00:53:18,960

convene engineers scientists software

1246

00:53:25,580 --> 00:53:22,050

people Hardware people in a big meeting

1247

00:53:27,650 --> 00:53:25,590

in Los Angeles and he had

1248

00:53:35,990 --> 00:53:27,660

Mars and I come because we were to be

1249

00:53:38,540 --> 00:53:36,000

the scribes and the journalists any

1250

00:53:40,670 --> 00:53:38,550

money they never caught the money they

1251
00:53:43,700 --> 00:53:40,680
never got the money I know they never

1252
00:53:46,520 --> 00:53:43,710
did McCandless never came around much

1253
00:53:48,980 --> 00:53:46,530
but he was in that circle and and they

1254
00:53:51,560 --> 00:53:48,990
they just I think that you know and he

1255
00:53:54,290 --> 00:53:51,570
you know we we believe that that that

1256
00:53:56,480 --> 00:53:54,300
Novell was under surveillance yeah I

1257
00:53:58,730 --> 00:53:56,490
think he was too I also think he was a

1258
00:54:02,050 --> 00:53:58,740
targeted individual before targeted

1259
00:54:07,370 --> 00:54:02,060
individuals were known you know it was a

1260
00:54:10,190 --> 00:54:07,380
yeah he had all sorts of energetic tax

1261
00:54:12,200 --> 00:54:10,200
on him all the time so much so that you

1262
00:54:15,590 --> 00:54:12,210
couldn't even believe it he had people

1263
00:54:20,960 --> 00:54:15,600

open his door with guns you know I mean

1264

00:54:23,480 --> 00:54:20,970

he was going to do project come he'll

1265

00:54:28,040 --> 00:54:23,490

you know and then he finally he died

1266

00:54:31,460 --> 00:54:28,050

under suspicious circumstances yeah but

1267

00:54:34,330 --> 00:54:31,470

his son you know insisted that that you

1268

00:54:37,190 --> 00:54:34,340

know they didn't think it was foul play

1269

00:54:39,530 --> 00:54:37,200

but you know Jim and I really mourned

1270

00:54:42,950 --> 00:54:39,540

over that because you know we were ready

1271

00:54:44,780 --> 00:54:42,960

to do the book and he just never got got

1272

00:54:46,880 --> 00:54:44,790

it together it's you know you never

1273

00:54:48,830 --> 00:54:46,890

really you know thought that the

1274

00:54:50,180 --> 00:54:48,840

manuscript was quite writing home wanted

1275

00:54:51,890 --> 00:54:50,190

to improve it and then he want to get

1276
00:54:55,340 --> 00:54:51,900
the money and he want to pay Jim a huge

1277
00:54:56,990 --> 00:54:55,350
event advance and so that's that's the

1278
00:55:00,260 --> 00:54:57,000
but anyway the story of the two of the

1279
00:55:03,050 --> 00:55:00,270
switchblades is unforgettable that is

1280
00:55:05,120 --> 00:55:03,060
cute I gotta say so we we have to take

1281
00:55:07,550 --> 00:55:05,130
our next break here pretty quick so I

1282
00:55:09,740 --> 00:55:07,560
just want to say there is a couple more

1283
00:55:11,480 --> 00:55:09,750
episodes with Jim that I'm gonna say for

1284
00:55:14,660 --> 00:55:11,490
another day another time but when it

1285
00:55:20,630 --> 00:55:14,670
involves lots of JB and and clog-dancing

1286
00:55:23,600 --> 00:55:20,640
with Jim and the other one involves him

1287
00:55:26,420 --> 00:55:23,610
in its up on Facebook everywhere

1288
00:55:29,990 --> 00:55:26,430

it's where Jim tricked me into kissing

1289

00:55:32,750 --> 00:55:30,000

him on the lips but all all you guys see

1290

00:55:34,430 --> 00:55:32,760

is me kissing him on the cheek so it's

1291

00:55:35,010 --> 00:55:34,440

got a funny story around that it was a

1292

00:55:37,290 --> 00:55:35,020

jail

1293

00:55:38,520 --> 00:55:37,300

kay event last year and I walked up to

1294

00:55:39,960 --> 00:55:38,530

him and I said I don't want a picture

1295

00:55:42,060 --> 00:55:39,970

with you I've never had a picture with

1296

00:55:43,770 --> 00:55:42,070

you all the years so he did it and he

1297

00:55:45,960 --> 00:55:43,780

goes well now kiss me right here on the

1298

00:55:47,790 --> 00:55:45,970

cheek and I go okay so I started to

1299

00:55:50,130 --> 00:55:47,800

pucker up and go to kiss them and he

1300

00:55:52,860 --> 00:55:50,140

whips his head around and smacks a big

1301
00:55:54,360 --> 00:55:52,870
one on me and I send you dirty dog I

1302
00:55:56,490 --> 00:55:54,370
said I went to your wife gets a hold of

1303
00:55:58,440 --> 00:55:56,500
that picture and he started laughing and

1304
00:56:00,990 --> 00:55:58,450
then I didn't kiss him on the Jeep and

1305
00:56:03,570 --> 00:56:01,000
that's what you see up on Facebook is

1306
00:56:06,030 --> 00:56:03,580
median him in a big laugh because I said

1307
00:56:07,320 --> 00:56:06,040
I was gonna tell to his wife because if

1308
00:56:08,010 --> 00:56:07,330
he was just laughs he thought that was

1309
00:56:10,260 --> 00:56:08,020
so funny

1310
00:56:12,150 --> 00:56:10,270
so anyhow there you go enough Jim

1311
00:56:15,900 --> 00:56:12,160
stories for the night folks were to come

1312
00:56:18,780 --> 00:56:15,910
back with Brock Byron bellicose and

1313
00:56:21,660 --> 00:56:18,790

we're gonna talk about his book your

1314

00:56:24,830 --> 00:56:21,670

evolving soul when we come right back so

1315

00:56:29,610 --> 00:56:27,540

welcome back everyone to the California

1316

00:56:31,830 --> 00:56:29,620

MUFON radio show of your host Laurie

1317

00:56:34,920 --> 00:56:31,840

inventing we're here tonight with Byron

1318

00:56:37,620 --> 00:56:34,930

bellicose and we're talking about his

1319

00:56:39,630 --> 00:56:37,630

book your evolving soul but we've also

1320

00:56:42,810 --> 00:56:39,640

been talking quite a bit about Jim Marrs

1321

00:56:44,700 --> 00:56:42,820

he passed today and you know good all I

1322

00:56:47,100 --> 00:56:44,710

can say is that I've had some really

1323

00:56:50,600 --> 00:56:47,110

good experiences with Jim and I know

1324

00:56:55,620 --> 00:56:50,610

he's up there he's at the the the Texas

1325

00:56:58,290 --> 00:56:55,630

bar in the sky he's having a great time

1326

00:57:00,750 --> 00:56:58,300

because he truly was a Texan there's

1327

00:57:03,840 --> 00:57:00,760

there was nothing about Jim Marrs that

1328

00:57:06,300 --> 00:57:03,850

didn't wreck Texas you know you know

1329

00:57:08,580 --> 00:57:06,310

what I mean by right it's just like yeah

1330

00:57:11,010 --> 00:57:08,590

everywhere he went he had his drawl he

1331

00:57:15,540 --> 00:57:11,020

had his hat he had his boots you know

1332

00:57:18,840 --> 00:57:15,550

and his belts and and it's just great

1333

00:57:21,090 --> 00:57:18,850

stuff so anyhow he'll be sorely he's

1334

00:57:23,580 --> 00:57:21,100

gonna be really missed I mean really as

1335

00:57:25,890 --> 00:57:23,590

more and more we're gonna miss him yeah

1336

00:57:28,440 --> 00:57:25,900

yeah because you know and this goes back

1337

00:57:30,540 --> 00:57:28,450

to the problem and you know it's even

1338

00:57:33,420 --> 00:57:30,550

part of your book in a weird way I'm

1339

00:57:36,060 --> 00:57:33,430

getting to it you know this last

1340

00:57:38,100 --> 00:57:36,070

conference I went to I was so angry and

1341

00:57:41,040 --> 00:57:38,110

I felt so betrayed I think that the

1342

00:57:43,620 --> 00:57:41,050

bottom line was I felt betrayed I felt

1343

00:57:46,260 --> 00:57:43,630

like the community is starting to not

1344

00:57:48,590 --> 00:57:46,270

really remember anything in that they're

1345

00:57:52,400 --> 00:57:48,600

letting the media

1346

00:57:55,430 --> 00:57:52,410

their existence and that's really scary

1347

00:57:58,730 --> 00:57:55,440

to me and I know that the ranch ebook

1348

00:58:00,260 --> 00:57:58,740

has messages for people to live by and

1349

00:58:02,330 --> 00:58:00,270

I'm starting to think that maybe we

1350

00:58:05,210 --> 00:58:02,340

should just get back to square one like

1351

00:58:08,870 --> 00:58:05,220

we did back in the 50s with a damn ski

1352

00:58:11,270 --> 00:58:08,880

and all that gang and try to live by one

1353

00:58:13,220 --> 00:58:11,280

you know golden rule and that is you

1354

00:58:15,230 --> 00:58:13,230

know that there are space brothers and

1355

00:58:18,950 --> 00:58:15,240

we need to stop all this insanity

1356

00:58:22,790 --> 00:58:18,960

in between you know I'm just I'm really

1357

00:58:25,190 --> 00:58:22,800

I'm discouraged you know well I think

1358

00:58:26,870 --> 00:58:25,200

you know widening the the perspective

1359

00:58:29,840 --> 00:58:26,880

was something like the rancher book is

1360

00:58:32,480 --> 00:58:29,850

what you need in a time when of all so

1361

00:58:33,800 --> 00:58:32,490

much conflict in so much confusion you

1362

00:58:37,340 --> 00:58:33,810

know that you know it's so refreshing

1363

00:58:41,210 --> 00:58:37,350

that there is off planet not just

1364

00:58:44,570 --> 00:58:41,220

extraterrestrials but but but but higher

1365

00:58:46,730 --> 00:58:44,580

beings Angelics exactly Angelics I'm

1366

00:58:49,040 --> 00:58:46,740

just gonna say you know I my contact is

1367

00:58:53,060 --> 00:58:49,050

with angels I've never not once in my

1368

00:58:55,370 --> 00:58:53,070

entire existence of that said that my my

1369

00:58:57,830 --> 00:58:55,380

aliens aren't angelic or higher

1370

00:59:00,200 --> 00:58:57,840

dimensional means and I and those are

1371

00:59:02,570 --> 00:59:00,210

the the beans that brought us the ranch

1372

00:59:04,940 --> 00:59:02,580

am I correct that is correct there's a

1373

00:59:07,370 --> 00:59:04,950

group of about thirty of them that are

1374

00:59:08,960 --> 00:59:07,380

the authors of these papers and there's

1375

00:59:10,850 --> 00:59:08,970

you know it's we call them papers

1376

00:59:14,810 --> 00:59:10,860

they're chapters but they're big

1377

00:59:17,480 --> 00:59:14,820

chapters and there's 196 chapters and

1378

00:59:20,270 --> 00:59:17,490

they actually have names associated with

1379

00:59:22,700 --> 00:59:20,280

them which are celestial beings for most

1380

00:59:26,750 --> 00:59:22,710

of them but some of them do not have an

1381

00:59:29,120 --> 00:59:26,760

a an actual name but a category of being

1382

00:59:32,240 --> 00:59:29,130

is a type of being like a type of our

1383

00:59:34,430 --> 00:59:32,250

Archangel that will be the author of a

1384

00:59:35,780 --> 00:59:34,440

paper about Archangels and they won't

1385

00:59:40,460 --> 00:59:35,790

have a name but often they have names

1386

00:59:42,620 --> 00:59:40,470

such as maca venta Melchizedek and we've

1387

00:59:44,060 --> 00:59:42,630

heard about Melchizedek in the order of

1388

00:59:46,400 --> 00:59:44,070

Melchizedek but they actually give you

1389

00:59:49,160 --> 00:59:46,410

the first name of this beat of this

1390

00:59:51,500 --> 00:59:49,170

person named Melchizedek in the Bible so

1391

00:59:55,370 --> 00:59:51,510

you actually know who these celestial

1392

00:59:57,320 --> 00:59:55,380

authors names are in many cases and so

1393

01:00:00,620 --> 00:59:57,330

that's the refreshing thing about this

1394

01:00:02,320 --> 01:00:00,630

is that they care enough not just to

1395

01:00:04,150 --> 01:00:02,330

inspire us and you know kind

1396

01:00:06,160 --> 01:00:04,160

fly around like angels do but to

1397

01:00:09,880 --> 01:00:06,170

actually communicate with us in a huge

1398

01:00:11,590 --> 01:00:09,890

textbook it's 2,000 pages long to try to

1399

01:00:14,380 --> 01:00:11,600

help us straighten out our affairs on

1400

01:00:16,570 --> 01:00:14,390

planet earth well yeah this is

1401
01:00:18,460 --> 01:00:16,580
interesting to me because every time we

1402
01:00:20,290 --> 01:00:18,470
talk about the ranch of book then I have

1403
01:00:23,860 --> 01:00:20,300
to go back to the book I'm writing about

1404
01:00:25,540 --> 01:00:23,870
extraordinary contact and wonder if I

1405
01:00:27,820 --> 01:00:25,550
should be writing a whole chapter

1406
01:00:30,130 --> 01:00:27,830
dedicated to the other dimensional beans

1407
01:00:32,890 --> 01:00:30,140
that are actually making contact with us

1408
01:00:36,070 --> 01:00:32,900
here because my whole quip about the

1409
01:00:38,260 --> 01:00:36,080
book is this that it those of us who can

1410
01:00:41,670 --> 01:00:38,270
remember our contact and have these

1411
01:00:43,960 --> 01:00:41,680
amazing visions and downloads and and

1412
01:00:45,970 --> 01:00:43,970
experiences or have children on other

1413
01:00:47,830 --> 01:00:45,980

planets or you know whatever it is that

1414

01:00:50,830 --> 01:00:47,840

we're doing right now with these

1415

01:00:53,050 --> 01:00:50,840

different types of beings need to start

1416

01:00:55,660 --> 01:00:53,060

getting that communication brought to us

1417

01:00:58,630 --> 01:00:55,670

and it needs to be in a more open

1418

01:01:00,070 --> 01:00:58,640

flowing type of communication now I love

1419

01:01:02,650 --> 01:01:00,080

the ranch a book I think it's great that

1420

01:01:04,780 --> 01:01:02,660

they wrote it all down but what's got to

1421

01:01:07,960 --> 01:01:04,790

happen next is there's got to be

1422

01:01:10,960 --> 01:01:07,970

sightings like you know medic Oreo or

1423

01:01:14,140 --> 01:01:10,970

you know places like that where people

1424

01:01:17,800 --> 01:01:14,150

are getting contact with a being that

1425

01:01:19,540 --> 01:01:17,810

everybody's seen and they're all getting

1426

01:01:21,790 --> 01:01:19,550

some kind of contact at the same time

1427

01:01:24,160 --> 01:01:21,800

and that we're able to take that back

1428

01:01:26,590 --> 01:01:24,170

into our life with us you know not

1429

01:01:30,190 --> 01:01:26,600

necessarily the spaceships all landing

1430

01:01:32,290 --> 01:01:30,200

you know because you know this is a

1431

01:01:34,570 --> 01:01:32,300

spaceship that's great but you know we

1432

01:01:36,790 --> 01:01:34,580

can see angels be okay keep your eyes

1433

01:01:43,600 --> 01:01:36,800

closed okay I want to show you my first

1434

01:01:46,990 --> 01:01:43,610

ever painting all right okay Oh colors

1435

01:01:50,560 --> 01:01:47,000

and shades so be honest what do you

1436

01:01:51,730 --> 01:01:50,570

think well I like how if you switch to

1437

01:01:52,810 --> 01:01:51,740

Geico you could save hundreds of dollars

1438

01:01:56,050 --> 01:01:52,820

on car insurance

1439

01:01:58,330 --> 01:01:56,060

oh yeah that's that's true yeah here why

1440

01:01:58,930 --> 01:01:58,340

don't I hold your paintbrush well you

1441

01:02:01,540 --> 01:01:58,940

call them

1442

01:02:03,790 --> 01:02:01,550

Geico because saving 15% or more on car

1443

01:02:07,080 --> 01:02:03,800

insurance is always a great answer you

1444

01:02:10,750 --> 01:02:07,090

can see um you know Christ or you know

1445

01:02:13,300 --> 01:02:10,760

whatever and you know why not have them

1446

01:02:16,090 --> 01:02:13,310

give us a little more lift instead of

1447

01:02:19,950 --> 01:02:16,100

just being back in the you know I

1448

01:02:23,320 --> 01:02:19,960

say the dark ages but what year was

1449

01:02:26,490 --> 01:02:23,330

deciding in Portugal but the the kids

1450

01:02:28,720 --> 01:02:26,500

what year was that that was nineteen

1451

01:02:31,060 --> 01:02:28,730

fifteen sixteen seventeen we're on that

1452

01:02:33,070 --> 01:02:31,070

time because it was around World War one

1453

01:02:34,510 --> 01:02:33,080

you know when they say that's right

1454

01:02:37,420 --> 01:02:34,520

that's absolutely right now do we have

1455

01:02:41,140 --> 01:02:37,430

any pictures of that because I've been

1456

01:02:43,090 --> 01:02:41,150

wondering lately if I think I saw some

1457

01:02:44,590 --> 01:02:43,100

pictures of what they thought was you

1458

01:02:46,420 --> 01:02:44,600

know they were seeing the Virgin Mary

1459

01:02:50,050 --> 01:02:46,430

but to me it was just a big glowing orb

1460

01:02:54,550 --> 01:02:50,060

and looked like a typical alien

1461

01:02:57,100 --> 01:02:54,560

spacecraft that we have now yeah exactly

1462

01:02:59,770 --> 01:02:57,110

and you know that there's a pretty good

1463

01:03:02,710 --> 01:02:59,780

book on on that that actually Andy

1464

01:03:05,020 --> 01:03:02,720

basiago was the editor for and I helped

1465

01:03:08,290 --> 01:03:05,030

them edit this book it was translated

1466

01:03:11,290 --> 01:03:08,300

from Portuguese fact that those were

1467

01:03:14,830 --> 01:03:11,300

extra extraterrestrials not angels it

1468

01:03:18,970 --> 01:03:14,840

appeared there yes very well done well

1469

01:03:21,370 --> 01:03:18,980

written an evidenced account of no this

1470

01:03:23,560 --> 01:03:21,380

was not angelic it was extraterrestrial

1471

01:03:25,780 --> 01:03:23,570

because here are witnesses that we have

1472

01:03:28,480 --> 01:03:25,790

in archives this state that they saw a

1473

01:03:30,720 --> 01:03:28,490

ship even though they that that's that

1474

01:03:33,130 --> 01:03:30,730

the Catholics interpreted that as

1475

01:03:34,600 --> 01:03:33,140

angelic sighting and it's not really the

1476

01:03:37,780 --> 01:03:34,610

case

1477

01:03:39,990 --> 01:03:37,790

and so but to your larger point which is

1478

01:03:43,810 --> 01:03:40,000

you know why don't they show themselves

1479

01:03:46,030 --> 01:03:43,820

yeah we've met this now yeah not just

1480

01:03:48,310 --> 01:03:46,040

channeling things as one is one is nice

1481

01:03:51,370 --> 01:03:48,320

but Ryan we and then you know what I

1482

01:03:54,100 --> 01:03:51,380

what I generally feel and what I know

1483

01:03:56,050 --> 01:03:54,110

from the Rancho teaching is they're not

1484

01:03:58,930 --> 01:03:56,060

even permitted to do that unless there's

1485

01:04:02,320 --> 01:03:58,940

a situation an extraordinary situation

1486

01:04:06,250 --> 01:04:02,330

because it would upset the evolution of

1487

01:04:09,400 --> 01:04:06,260

the planet tune too much to do a divine

1488

01:04:12,100 --> 01:04:09,410

intervention that is so you know so so

1489

01:04:17,610 --> 01:04:12,110

stark that it was shortcut people's

1490

01:04:20,320 --> 01:04:17,620

faith process if you know what I mean oh

1491

01:04:25,420 --> 01:04:20,330

okay so what they're worried about is

1492

01:04:26,830 --> 01:04:25,430

our spirituality in a way and yeah but

1493

01:04:29,290 --> 01:04:26,840

they're here for anyway but it's sort of

1494

01:04:29,960 --> 01:04:29,300

like the prime imperative in Star Trek

1495

01:04:33,099 --> 01:04:29,970

is

1496

01:04:36,620 --> 01:04:33,109

you don't want to intervene in another

1497

01:04:39,140 --> 01:04:36,630

planetary culture and and chin and

1498

01:04:42,230 --> 01:04:39,150

change their own trajectory it's not

1499

01:04:46,370 --> 01:04:42,240

fair to them and they haven't

1500

01:04:48,950 --> 01:04:46,380

necessarily earned it yeah yeah

1501

01:04:52,190 --> 01:04:48,960

so it's unearned but however that said

1502

01:04:54,230 --> 01:04:52,200

there are K times when it is earned in

1503

01:04:56,750 --> 01:04:54,240

other words you the population has done

1504

01:04:58,910 --> 01:04:56,760

everything they possibly can to reform

1505

01:05:00,349 --> 01:04:58,920

their institutions and improve and they

1506

01:05:03,190 --> 01:05:00,359

just get to a point where that just

1507

01:05:07,880 --> 01:05:03,200

cannot do it because there's too much

1508

01:05:09,620 --> 01:05:07,890

sort of evil opposition and that's what

1509

01:05:13,339 --> 01:05:09,630

the Ranchi book says is the case with

1510

01:05:17,810 --> 01:05:13,349

Christ coming here that they had to do a

1511

01:05:20,630 --> 01:05:17,820

divine intervention at that time to move

1512

01:05:23,839 --> 01:05:20,640

you know and that was a very massive

1513

01:05:29,210 --> 01:05:23,849

intervention to have an incarnation of a

1514

01:05:32,830 --> 01:05:29,220

deity but those are done very very

1515

01:05:36,140 --> 01:05:32,840

carefully judiciously in such a way that

1516

01:05:38,420 --> 01:05:36,150

it doesn't it will it will disrupt

1517

01:05:41,120 --> 01:05:38,430

evolution but it's something that the

1518

01:05:43,730 --> 01:05:41,130

people earned and you look at the Roman

1519

01:05:46,250 --> 01:05:43,740

times you know that the timing of this

1520

01:05:48,560 --> 01:05:46,260

was people were desperate they were

1521

01:05:51,260 --> 01:05:48,570

really reaching out and all those

1522

01:05:53,480 --> 01:05:51,270

religions were stating this has got to

1523

01:05:54,800 --> 01:05:53,490

be a time of Revelation it's that this

1524

01:05:56,390 --> 01:05:54,810

is the end time you know everybody

1525

01:05:59,240 --> 01:05:56,400

thought this was the end of the end of

1526

01:06:01,790 --> 01:05:59,250

history and then the Messiah shows up

1527

01:06:06,140 --> 01:06:01,800

and actually said yeah it's the end

1528

01:06:08,810 --> 01:06:06,150

that's the end of the age I'm here so

1529

01:06:11,290 --> 01:06:08,820

when they when it's time for the what

1530

01:06:14,390 --> 01:06:11,300

they call the termination of the age

1531

01:06:17,060 --> 01:06:14,400

that you know the or that you know known

1532

01:06:19,730 --> 01:06:17,070

as a dispensation in in biblical terms

1533

01:06:24,260 --> 01:06:19,740

you know the a dispensation is an age of

1534

01:06:26,839 --> 01:06:24,270

history that has come to its flowering

1535

01:06:29,420 --> 01:06:26,849

and fruition and then the the human

1536

01:06:31,609 --> 01:06:29,430

effort can't get any further and they've

1537

01:06:34,190 --> 01:06:31,619

done their best and that's when

1538

01:06:36,430 --> 01:06:34,200

something will come in and and change

1539

01:06:38,750 --> 01:06:36,440

and some kind of revelation will come

1540

01:06:41,060 --> 01:06:38,760

you know and it depends because you know

1541

01:06:43,460 --> 01:06:41,070

there's normally it's not global it's

1542

01:06:44,770 --> 01:06:43,470

it's a revelation to a particular civil

1543

01:06:49,010 --> 01:06:44,780

is

1544

01:06:52,430 --> 01:06:49,020

you know you know India had its own you

1545

01:06:55,040 --> 01:06:52,440

know set of revelations and and the so

1546

01:06:57,020 --> 01:06:55,050

did Tibet and so did China you know they

1547

01:06:57,410 --> 01:06:57,030

had loud sue at the right time in their

1548

01:06:59,330 --> 01:06:57,420

history

1549

01:07:02,180 --> 01:06:59,340

you know other other teacher great

1550

01:07:04,490 --> 01:07:02,190

teachers in these cultures that are that

1551
01:07:08,600 --> 01:07:04,500
have they they have they're really you

1552
01:07:10,960 --> 01:07:08,610
know often supernatural and so you know

1553
01:07:15,290 --> 01:07:10,970
the evolution is punctuated by

1554
01:07:17,960 --> 01:07:15,300
revelation if it's well earned very

1555
01:07:21,590 --> 01:07:17,970
interesting I think we're on the verge

1556
01:07:25,400 --> 01:07:21,600
of having another big event like that I

1557
01:07:27,170 --> 01:07:25,410
really do because I think that I really

1558
01:07:29,810 --> 01:07:27,180
I hope and pray we have another event

1559
01:07:32,359 --> 01:07:29,820
like that because it will solve a lot of

1560
01:07:34,880 --> 01:07:32,369
it doesn't have to be the aliens landing

1561
01:07:38,300 --> 01:07:34,890
in Washington for disclosure but it

1562
01:07:42,920 --> 01:07:38,310
needs to be more than 62 people watching

1563
01:07:45,530 --> 01:07:42,930

an f15 chasing a secret space program

1564

01:07:47,930 --> 01:07:45,540

craft obviously for anybody to pay

1565

01:07:50,630 --> 01:07:47,940

attention to it and it needs to be

1566

01:07:52,730 --> 01:07:50,640

something where we can prove to a very

1567

01:07:54,260 --> 01:07:52,740

large amount of people all at the same

1568

01:07:56,960 --> 01:07:54,270

time that this is real and that

1569

01:07:58,970 --> 01:07:56,970

something and when I say that it means

1570

01:08:02,390 --> 01:07:58,980

it has to be something big enough that

1571

01:08:04,609 --> 01:08:02,400

the media cannot ignore it that's our

1572

01:08:06,140 --> 01:08:04,619

biggest hurdle here and I keep telling

1573

01:08:09,910 --> 01:08:06,150

people that but they don't understand is

1574

01:08:13,040 --> 01:08:09,920

the media will quash change ridicule

1575

01:08:15,349 --> 01:08:13,050

gosh you know off the skate I mean

1576

01:08:20,539 --> 01:08:15,359

they're gonna change everything we say

1577

01:08:22,579 --> 01:08:20,549

if there's 50 people if you have 7,000

1578

01:08:24,950 --> 01:08:22,589

people if you have 10,000 people if you

1579

01:08:28,370 --> 01:08:24,960

have 50,000 people having an experience

1580

01:08:30,590 --> 01:08:28,380

together it's much harder to do it but

1581

01:08:32,720 --> 01:08:30,600

then I hear myself saying that then I go

1582

01:08:34,460 --> 01:08:32,730

oh my God look what happened with 9/11

1583

01:08:37,970 --> 01:08:34,470

they were able to pull that off in a

1584

01:08:39,470 --> 01:08:37,980

whole city of billions of people so you

1585

01:08:44,150 --> 01:08:39,480

know I don't know maybe I'm just

1586

01:08:48,110 --> 01:08:44,160

dreaming of you know human nature is too

1587

01:08:49,640 --> 01:08:48,120

weak we are designed by by deity we we

1588

01:08:52,220 --> 01:08:49,650

are we are curtain we have a creator

1589

01:08:54,410 --> 01:08:52,230

that's transcendental creator and it's

1590

01:08:56,999 --> 01:08:54,420

like our parents and we want our parent

1591

01:08:59,069 --> 01:08:57,009

where the children where the sons

1592

01:09:03,029 --> 01:08:59,079

daughters of God as a wrench what we put

1593

01:09:06,479 --> 01:09:03,039

it and we want our parents to love us

1594

01:09:10,379 --> 01:09:06,489

and show love so that we know we're

1595

01:09:13,680 --> 01:09:10,389

loved and they they're very they're very

1596

01:09:17,459 --> 01:09:13,690

careful though because again they want

1597

01:09:21,269 --> 01:09:17,469

you to develop the imagination of their

1598

01:09:23,430 --> 01:09:21,279

presence sufficiently that you that that

1599

01:09:25,589 --> 01:09:23,440

you're ready for their real presence and

1600

01:09:28,709 --> 01:09:25,599

the reason for the appeal to imagination

1601

01:09:32,430 --> 01:09:28,719

line that I make is that our faith is

1602

01:09:38,430 --> 01:09:35,970

faith is not us not not like faith in a

1603

01:09:41,819 --> 01:09:38,440

proposition some some Dogma or some

1604

01:09:44,640 --> 01:09:41,829

doctrine faith says I I don't have to

1605

01:09:47,160 --> 01:09:44,650

have a demonstration he hit me over the

1606

01:09:51,959 --> 01:09:47,170

head like a baseball bat I can imagine

1607

01:09:54,029 --> 01:09:51,969

that I am loved I can imagine that that

1608

01:09:56,879 --> 01:09:54,039

this is a friendly universe I can

1609

01:09:59,700 --> 01:09:56,889

imagine that that these avatars like

1610

01:10:02,580 --> 01:09:59,710

Krishna or Christ or others really did

1611

01:10:05,549 --> 01:10:02,590

come here and teach us about love and

1612

01:10:09,000 --> 01:10:05,559

yes if you can develop that Faculty of

1613

01:10:10,950 --> 01:10:09,010

what I call faith imagination then you

1614

01:10:14,250 --> 01:10:10,960

are growing spiritually in the most

1615

01:10:17,850 --> 01:10:14,260

progressive way and in fact it you grow

1616

01:10:21,270 --> 01:10:17,860

more in this absence of the appearance

1617

01:10:24,060 --> 01:10:21,280

of higher beings than in their presence

1618

01:10:25,620 --> 01:10:24,070

and it's a sounds like a paradox well

1619

01:10:27,299 --> 01:10:25,630

that's very interesting yeah it does

1620

01:10:29,370 --> 01:10:27,309

sound like a paradox so you think you'd

1621

01:10:32,160 --> 01:10:29,380

have to have one with it to grow the

1622

01:10:35,850 --> 01:10:32,170

other right but I think you've got a

1623

01:10:38,850 --> 01:10:35,860

good point point that you see in all the

1624

01:10:41,430 --> 01:10:38,860

religions really is that is that we yes

1625

01:10:43,770 --> 01:10:41,440

that you know the divine is is loves you

1626

01:10:45,899 --> 01:10:43,780

and is your parent but it wants you to

1627

01:10:47,370 --> 01:10:45,909

grow up on your own because you need to

1628

01:10:49,859 --> 01:10:47,380

stand on your own two feet through your

1629

01:10:52,200 --> 01:10:49,869

own efforts and and so it will give you

1630

01:10:54,479 --> 01:10:52,210

lots of clues and will give you

1631

01:10:57,479 --> 01:10:54,489

scriptures you know but it will only

1632

01:11:03,379 --> 01:10:57,489

rarely show up you know in the sky so to

1633

01:11:07,049 --> 01:11:03,389

speak yeah the other words have faith

1634

01:11:10,340 --> 01:11:07,059

but moved from faith to knowledge inside

1635

01:11:13,010 --> 01:11:10,350

and within you it's the knowledge gnosis

1636

01:11:14,570 --> 01:11:13,020

is something within that that's the real

1637

01:11:16,910 --> 01:11:14,580

growth and that's what my book my book

1638

01:11:18,800 --> 01:11:16,920

is actually about it's about the the

1639

01:11:21,290 --> 01:11:18,810

inner growth that we call the soul or

1640

01:11:24,290 --> 01:11:21,300

that that the soul is a result of inner

1641

01:11:27,650 --> 01:11:24,300

growth and is it's not necessarily

1642

01:11:32,300 --> 01:11:27,660

advanced by you know signs and wonders

1643

01:11:34,550 --> 01:11:32,310

as a saying as Christians would say yeah

1644

01:11:36,020 --> 01:11:34,560

so they did the you know jesus warned

1645

01:11:39,490 --> 01:11:36,030

about this is that you know this

1646

01:11:42,950 --> 01:11:39,500

generation is looking for a sign and

1647

01:11:46,700 --> 01:11:42,960

because they're their faithless they

1648

01:11:48,140 --> 01:11:46,710

they want to be shown what is really

1649

01:11:50,320 --> 01:11:48,150

something that they need to show

1650

01:11:53,450 --> 01:11:50,330

themselves on in their inner life

1651

01:11:55,700 --> 01:11:53,460

through their faith through their faith

1652

01:11:57,500 --> 01:11:55,710

imagination so so not to belabor this

1653

01:12:03,350 --> 01:11:57,510

but I think it's important for our

1654

01:12:06,920 --> 01:12:03,360

moment that we we be patient and develop

1655

01:12:11,540 --> 01:12:06,930

the ability to know they're present with

1656

01:12:13,520 --> 01:12:11,550

us caring absolutely absolutely and you

1657

01:12:16,850 --> 01:12:13,530

know that's why I tell my friends that

1658

01:12:18,830 --> 01:12:16,860

are Catholic and Baptist and and you

1659

01:12:21,560 --> 01:12:18,840

know the my born again Christian friends

1660

01:12:23,900 --> 01:12:21,570

and everybody out there that we are not

1661

01:12:26,090 --> 01:12:23,910

that different than they is they they

1662

01:12:28,340 --> 01:12:26,100

really get on my case about the aliens

1663

01:12:30,860 --> 01:12:28,350

and they say that I'm worshipping demons

1664

01:12:32,990 --> 01:12:30,870

and I'm like no no now hold on a minute

1665

01:12:35,090 --> 01:12:33,000

here where do you think your guys came

1666

01:12:37,880 --> 01:12:35,100

from if you believe in Christ

1667

01:12:39,830 --> 01:12:37,890

you know then obviously he had to come

1668

01:12:43,640 --> 01:12:39,840

from some higher dimensional space right

1669

01:12:45,500 --> 01:12:43,650

I go my guys are equally as nice and

1670

01:12:47,270 --> 01:12:45,510

they're you know they've never caused me

1671

01:12:49,940 --> 01:12:47,280

a problem and they've saved my life a

1672

01:12:54,380 --> 01:12:49,950

million times not a million but enough

1673

01:12:56,840 --> 01:12:54,390

and so you know bottom line is how do we

1674

01:12:58,250 --> 01:12:56,850

know that my guys aren't a Christ - how

1675

01:13:01,550 --> 01:12:58,260

do we know it's not his brother

1676

01:13:03,170 --> 01:13:01,560

you know it's sent by Christ you might

1677

01:13:05,390 --> 01:13:03,180

say if you're a Christian you would say

1678

01:13:08,930 --> 01:13:05,400

the Angels you know are working under

1679

01:13:11,120 --> 01:13:08,940

under Christ's Authority and becoming

1680

01:13:13,760 --> 01:13:11,130

being sent to you and Laurie and I know

1681

01:13:16,160 --> 01:13:13,770

you've had all kinds of angelic contact

1682

01:13:18,980 --> 01:13:16,170

and I think that's that is just what you

1683

01:13:22,310 --> 01:13:18,990

you have earned that you know and but

1684

01:13:24,170 --> 01:13:22,320

those who who don't have much faith and

1685

01:13:28,100 --> 01:13:24,180

are not in service to humanity

1686

01:13:30,170 --> 01:13:28,110

like like you like Jim Marrs les is

1687

01:13:33,470 --> 01:13:30,180

going to be given to them but to those

1688

01:13:36,470 --> 01:13:33,480

that have lots that has been given much

1689

01:13:38,600 --> 01:13:36,480

much as expected but the more the more

1690

01:13:42,230 --> 01:13:38,610

you give the more that the celestial

1691

01:13:44,630 --> 01:13:42,240

world will come to you and show

1692

01:13:47,450 --> 01:13:44,640

themselves but the the population

1693

01:13:50,360 --> 01:13:47,460

doesn't necessarily merit that the

1694

01:13:51,140 --> 01:13:50,370

populate the population may or may not

1695

01:13:53,510 --> 01:13:51,150

be ready

1696

01:13:57,560 --> 01:13:53,520

however the parent is not going to let

1697

01:14:00,470 --> 01:13:57,570

the people perish in the end right right

1698

01:14:02,240 --> 01:14:00,480

absolutely yeah and you know what's

1699

01:14:04,550 --> 01:14:02,250

interesting is we could get back into

1700

01:14:07,130 --> 01:14:04,560

ufology here for a second away from the

1701

01:14:09,020 --> 01:14:07,140

book there's the whole phenomena as you

1702

01:14:10,370 --> 01:14:09,030

know we're you know ten people are

1703

01:14:12,050 --> 01:14:10,380

standing there and two can see a

1704

01:14:14,810 --> 01:14:12,060

spacecraft and the other eight doning

1705

01:14:17,240 --> 01:14:14,820

can't see nothing right so they're

1706

01:14:19,670 --> 01:14:17,250

obviously not ready you know they

1707

01:14:21,860 --> 01:14:19,680

obviously do not have what it takes to

1708

01:14:23,780 --> 01:14:21,870

see it and that may be that their

1709

01:14:25,580 --> 01:14:23,790

frequency is lower and that doesn't

1710

01:14:27,470 --> 01:14:25,590

vibrate their optic nerve at the right

1711

01:14:29,210 --> 01:14:27,480

frequency to see that they're there all

1712

01:14:31,430 --> 01:14:29,220

the time or they're you know or they're

1713

01:14:35,360 --> 01:14:31,440

there for that moment or whatever the

1714

01:14:38,300 --> 01:14:35,370

case may be and maybe those people are

1715

01:14:41,690 --> 01:14:38,310

the ones who have just the ability to

1716

01:14:43,820 --> 01:14:41,700

understand that it's real you know maybe

1717

01:14:46,220 --> 01:14:43,830

that's the key I think that's the key I

1718

01:14:48,770 --> 01:14:46,230

think the higher beings understand and

1719

01:14:51,740 --> 01:14:48,780

and know and often are omniscient we

1720

01:14:55,040 --> 01:14:51,750

know who is ready and who is not ready

1721

01:14:58,070 --> 01:14:55,050

and they work under a kind of

1722

01:15:01,220 --> 01:14:58,080

legislation on high which says again

1723

01:15:04,700 --> 01:15:01,230

there's a prime prime directive do not

1724

01:15:07,460 --> 01:15:04,710

intervene without sort of a collective

1725

01:15:10,250 --> 01:15:07,470

decision in the heavens that the the

1726

01:15:12,980 --> 01:15:10,260

people have earned and are ready and I

1727

01:15:15,950 --> 01:15:12,990

think we now can say yep the planet has

1728

01:15:17,300 --> 01:15:15,960

pretty much earned this and I say that

1729

01:15:19,040 --> 01:15:17,310

to myself I say you know we're really

1730

01:15:21,140 --> 01:15:19,050

ready for this so why don't they show up

1731

01:15:24,920 --> 01:15:21,150

and then I remember you know for example

1732

01:15:30,410 --> 01:15:24,930

I once had a guru long ago in the

1733

01:15:33,440 --> 01:15:30,420

seventh Tibetan Buddhist teacher

1734

01:15:37,340 --> 01:15:33,450

named Troopa Rinpoche a ricochet oh I

1735

01:15:38,120 --> 01:15:37,350

liked him yeah a fabulous a charismatic

1736

01:15:39,770 --> 01:15:38,130

teacher

1737

01:15:42,980 --> 01:15:39,780

the reason I bring that up is because

1738

01:15:46,100 --> 01:15:42,990

they would have these huge events right

1739

01:15:48,500 --> 01:15:46,110

where he was supposed to speak at 8 p.m.

1740

01:15:51,290 --> 01:15:48,510

okay so there'd be you know hundreds of

1741

01:15:59,590 --> 01:15:51,300

people that would be there for the talk

1742

01:16:02,300 --> 01:15:59,600

and he would show up really late and I

1743

01:16:04,670 --> 01:16:02,310

first always live it I mean how could

1744

01:16:07,820 --> 01:16:04,680

you know such a great man a famous man

1745

01:16:10,370 --> 01:16:07,830

show up 90 minutes late and then all

1746

01:16:12,410 --> 01:16:10,380

these plates so what happened is while

1747

01:16:15,140 --> 01:16:12,420

we were waiting for him the the

1748

01:16:18,050 --> 01:16:15,150

community got to know one another and

1749

01:16:21,320 --> 01:16:18,060

they self organized themselves in those

1750

01:16:25,730 --> 01:16:21,330

90 even two-hour you know we get there

1751

01:16:28,610 --> 01:16:25,740

like 10 o'clock and by the time he got

1752

01:16:32,300 --> 01:16:28,620

there the anticipation the energy the

1753

01:16:35,990 --> 01:16:32,310

faith the love had become that kind of

1754

01:16:37,480 --> 01:16:36,000

ecstatic and and it was he was doing we

1755

01:16:41,690 --> 01:16:37,490

found out he was doing this on purpose

1756

01:16:44,450 --> 01:16:41,700

sure sure smart man and I think that's

1757

01:16:46,910 --> 01:16:44,460

what the Celestials do they they they

1758

01:16:48,530 --> 01:16:46,920

are right like two inches from us and

1759

01:16:51,200 --> 01:16:48,540

and they're there but they're not

1760

01:16:53,390 --> 01:16:51,210

showing themselves overtly because

1761

01:16:55,580 --> 01:16:53,400

they're enhancing our faith they're

1762

01:16:58,160 --> 01:16:55,590

giving us little signs here little signs

1763

01:17:01,220 --> 01:16:58,170

there and and we're building up our own

1764

01:17:04,040 --> 01:17:01,230

momentum our own self organization that

1765

01:17:06,980 --> 01:17:04,050

we will do it ourselves with them

1766

01:17:10,850 --> 01:17:06,990

hovering over us over lighting us and

1767

01:17:13,040 --> 01:17:10,860

not short-circuiting our process because

1768

01:17:16,100 --> 01:17:13,050

you know what's once a high being shows

1769

01:17:18,080 --> 01:17:16,110

it shows him or herself you know it's

1770

01:17:20,510 --> 01:17:18,090

kind of all over you know it's a new era

1771

01:17:22,520 --> 01:17:20,520

well true because at that point you

1772

01:17:24,890 --> 01:17:22,530

become the enlightened being with them

1773

01:17:26,570 --> 01:17:24,900

as well because you now are in

1774

01:17:29,450 --> 01:17:26,580

communication with them on a telepathic

1775

01:17:33,530 --> 01:17:29,460

or energetic level and you're now

1776

01:17:35,450 --> 01:17:33,540

ascended also and that may be what

1777

01:17:37,370 --> 01:17:35,460

everybody's you know really hoping about

1778

01:17:39,110 --> 01:17:37,380

you know is that they are they talk

1779

01:17:41,420 --> 01:17:39,120

about this ascension that's must be

1780

01:17:43,250 --> 01:17:41,430

happening and they say that the big

1781

01:17:46,580 --> 01:17:43,260

eclipse is coming up is the big thing

1782

01:17:51,680 --> 01:17:46,590

for the next ascension I'm like okay how

1783

01:17:58,520 --> 01:17:56,290

12 now I'm hearing it again yes we are

1784

01:18:00,800 --> 01:17:58,530

well what do you think do you think

1785

01:18:02,510 --> 01:18:00,810

there truly is an ascension process and

1786

01:18:06,230 --> 01:18:02,520

that we are gonna be hitting it on the

1787

01:18:07,940 --> 01:18:06,240

21st of this month and something's all

1788

01:18:09,290 --> 01:18:07,950

gonna shift for us I mean or do you

1789

01:18:11,510 --> 01:18:09,300

think something's already happened and

1790

01:18:12,800 --> 01:18:11,520

we have shifted well we are shifting you

1791

01:18:15,580 --> 01:18:12,810

know day by day and incrementally

1792

01:18:18,200 --> 01:18:15,590

shifting and energetically on the planet

1793

01:18:20,960 --> 01:18:18,210

one curious thing about that that that

1794

01:18:25,010 --> 01:18:20,970

eclipses is that from the Ranchod people

1795

01:18:27,170 --> 01:18:25,020

is that day is Christmas according to

1796

01:18:30,110 --> 01:18:27,180

the rancher book it's the birth date of

1797

01:18:32,660 --> 01:18:30,120

Christ in the ranch book has historic

1798

01:18:36,340 --> 01:18:32,670

details which is rich with detail and it

1799

01:18:39,710 --> 01:18:36,350

states that he was born on August 21st

1800

01:18:40,640 --> 01:18:39,720

okay you know what that's my birthday

1801

01:18:46,610 --> 01:18:40,650

too

1802

01:18:49,520 --> 01:18:46,620

no way really really yeah 21st 1957 I'm

1803

01:18:51,110 --> 01:18:49,530

gonna be 60 years old on the Eclipse and

1804

01:18:54,110 --> 01:18:51,120

the Eclipse is happening at the same

1805

01:18:57,170 --> 01:18:54,120

time I was born there's some cool 60

1806

01:19:00,440 --> 01:18:57,180

years ago yeah it's really a trip that's

1807

01:19:01,580 --> 01:19:00,450

totally auspicious well yeah there's a

1808

01:19:04,040 --> 01:19:01,590

lot of your wretched people that are

1809

01:19:05,840 --> 01:19:04,050

running around going wild because not

1810

01:19:07,820 --> 01:19:05,850

only is that eclipse on the birthday of

1811

01:19:12,740 --> 01:19:07,830

Christ but the second Eclipse which will

1812

01:19:14,930 --> 01:19:12,750

be was it 2022 or 2024 yes 2020 these

1813

01:19:16,850 --> 01:19:14,940

debates what do I want to say could be

1814

01:19:19,850 --> 01:19:16,860

2024 but I remember it's coming up in

1815

01:19:22,990 --> 01:19:19,860

the 20s early 20s and ten years and that

1816

01:19:26,960 --> 01:19:23,000

day is the day of the historic

1817

01:19:28,640 --> 01:19:26,970

resurrection of Christ really yeah so

1818

01:19:31,100 --> 01:19:28,650

it's kind of pretty pretty odd but I

1819

01:19:33,020 --> 01:19:31,110

don't think it means anything particular

1820

01:19:35,420 --> 01:19:33,030

but there's a lot of people saying well

1821

01:19:37,310 --> 01:19:35,430

you know maybe this is on dis by design

1822

01:19:40,430 --> 01:19:37,320

that you're giving us a sign that this

1823

01:19:42,950 --> 01:19:40,440

is the birthday of Christ and maybe we

1824

01:19:46,520 --> 01:19:42,960

should look for some kind of

1825

01:19:47,870 --> 01:19:46,530

manifestation that day but you know I

1826

01:19:51,040 --> 01:19:47,880

don't go with those kind of prophecies

1827

01:19:54,560 --> 01:19:51,050

there because they don't mean that much

1828

01:19:57,260 --> 01:19:54,570

personally to me when it's pegged to a

1829

01:19:59,600 --> 01:19:57,270

date and it's it's really people trying

1830

01:20:02,270 --> 01:19:59,610

to short-circuit this process of

1831

01:20:04,910 --> 01:20:02,280

developing their inner life on their own

1832

01:20:05,240 --> 01:20:04,920

with you know with inspiration you know

1833

01:20:07,550 --> 01:20:05,250

this is

1834

01:20:11,750 --> 01:20:07,560

divine inspiration but not having to

1835

01:20:14,660 --> 01:20:11,760

have signs in the sky you know which

1836

01:20:16,790 --> 01:20:14,670

which which which shorts which really do

1837

01:20:19,820 --> 01:20:16,800

short-circuit that process I'm not sure

1838

01:20:20,420 --> 01:20:19,830

that miracles start like winning the

1839

01:20:24,470 --> 01:20:20,430

lottery

1840

01:20:25,880 --> 01:20:24,480

think you know this is greatest thing

1841

01:20:29,270 --> 01:20:25,890

ever happen but a lot of people when

1842

01:20:31,760 --> 01:20:29,280

lotteries don't grow up they don't they

1843

01:20:35,420 --> 01:20:31,770

miss spend their money they don't use

1844

01:20:36,080 --> 01:20:35,430

yeah you know that kind of thing if you

1845

01:20:38,330 --> 01:20:36,090

know what I mean

1846

01:20:39,560 --> 01:20:38,340

I know exactly what you mean and I think

1847

01:20:42,020 --> 01:20:39,570

you're absolutely right about that

1848

01:20:44,360 --> 01:20:42,030

observation it's like you know if you if

1849

01:20:46,520 --> 01:20:44,370

you end up putting this all out there is

1850

01:20:49,880 --> 01:20:46,530

the answer then you never really try to

1851

01:20:52,100 --> 01:20:49,890

get to the truth yourself that's the

1852

01:20:54,200 --> 01:20:52,110

real bottom line here and that's what

1853

01:20:57,290 --> 01:20:54,210

that's what the whole kind of omission

1854

01:20:58,790 --> 01:20:57,300

is is that each individual finds this in

1855

01:21:00,470 --> 01:20:58,800

their inner life through their

1856

01:21:02,480 --> 01:21:00,480

meditation through their prayer or

1857

01:21:04,790 --> 01:21:02,490

whatever you want to call that that that

1858

01:21:07,820 --> 01:21:04,800

they are feeling the presence of the

1859

01:21:11,240 --> 01:21:07,830

Divine inside themselves because it's

1860

01:21:13,280 --> 01:21:11,250

there and that that should in theory at

1861

01:21:16,460 --> 01:21:13,290

least that is sufficient you don't need

1862

01:21:20,240 --> 01:21:16,470

to see it and and you you know because

1863

01:21:23,630 --> 01:21:20,250

it that we are by design able to have a

1864

01:21:26,120 --> 01:21:23,640

cognition of the presence of the Spirit

1865

01:21:27,740 --> 01:21:26,130

already and and that's what the

1866

01:21:29,330 --> 01:21:27,750

scriptures are telling us in the first

1867

01:21:31,480 --> 01:21:29,340

place well absolutely and that's what

1868

01:21:33,740 --> 01:21:31,490

the rancho book is saying also right

1869

01:21:35,990 --> 01:21:33,750

that's really the whole import of the

1870

01:21:38,450 --> 01:21:36,000

text and that's my book is about that

1871

01:21:41,660 --> 01:21:38,460

too it's saying as you have these

1872

01:21:44,510 --> 01:21:41,670

incremental perceptions of the of the

1873

01:21:46,790 --> 01:21:44,520

presence of the Divine which can show up

1874

01:21:48,710 --> 01:21:46,800

in terms of just a beautiful sunset or

1875

01:21:51,410 --> 01:21:48,720

you know somebody giving you a gift out

1876

01:21:54,140 --> 01:21:51,420

of the blue or just you making a

1877

01:21:58,070 --> 01:21:54,150

discovery in science for example any of

1878

01:22:01,850 --> 01:21:58,080

these these advances in in your life are

1879

01:22:05,390 --> 01:22:01,860

the presence of the divine in the most

1880

01:22:08,030 --> 01:22:05,400

vivid possible way which becomes part of

1881

01:22:09,890 --> 01:22:08,040

you and the way I put it in and this is

1882

01:22:13,640 --> 01:22:09,900

following in Rancho book is every

1883

01:22:16,850 --> 01:22:13,650

important experience is saved it's like

1884

01:22:19,250 --> 01:22:16,860

hitting a Save button inside it's saved

1885

01:22:22,280 --> 01:22:19,260

in and as your soul

1886

01:22:25,070 --> 01:22:22,290

Wow okay now with that we have to take

1887

01:22:27,970 --> 01:22:25,080

our final break of the night it saved as

1888

01:22:30,410 --> 01:22:27,980

your soul man that is profound okay

1889

01:22:33,260 --> 01:22:30,420

we'll be right back folks and we'll

1890

01:22:35,270 --> 01:22:33,270

discuss it's being saved as you're saved

1891

01:22:37,729 --> 01:22:35,280

as part of your experiences being saved

1892

01:22:40,970 --> 01:22:37,739

as part of your soul when we get back

1893

01:22:43,130 --> 01:22:40,980

with pyrovile it's those and we'll be

1894

01:22:44,960 --> 01:22:43,140

right back so hang in there but we'll be

1895

01:22:49,670 --> 01:22:44,970

right back after these breaks I guess

1896

01:22:52,010 --> 01:22:49,680

that's what I supposed to say welcome

1897

01:22:54,290 --> 01:22:52,020

back everyone to the California MUFON

1898

01:22:56,690 --> 01:22:54,300

radio show I am your host Lori Ann

1899

01:22:59,479 --> 01:22:56,700

Fenton and I hope you guys have a chance

1900

01:23:02,180 --> 01:22:59,489

to get over here to IR and and get on

1901
01:23:04,640 --> 01:23:02,190
the website and get the app I you know

1902
01:23:07,550 --> 01:23:04,650
MJ you're going to think I'm crazy

1903
01:23:10,130 --> 01:23:07,560
but I can't find the app any more on the

1904
01:23:12,860 --> 01:23:10,140
new website and maybe you could tell me

1905
01:23:16,820 --> 01:23:12,870
where it is I keep telling people to get

1906
01:23:18,500 --> 01:23:16,830
it and then I go where is it so there we

1907
01:23:20,000 --> 01:23:18,510
go I need to know where that app is

1908
01:23:21,590 --> 01:23:20,010
hiding because I know it's here

1909
01:23:24,020 --> 01:23:21,600
somewhere

1910
01:23:26,240 --> 01:23:24,030
anyhow I need you guys to go to IR and I

1911
01:23:30,920 --> 01:23:26,250
need you to get the app and download it

1912
01:23:33,979 --> 01:23:30,930
onto your Android or iPhone or whatever

1913
01:23:36,800 --> 01:23:33,989

it is you're using your moto or mojo or

1914

01:23:38,750 --> 01:23:36,810

whatever they call that phone and do

1915

01:23:42,979 --> 01:23:38,760

that so let's see what we can I'm still

1916

01:23:45,710 --> 01:23:42,989

looking for it um is it MJ

1917

01:23:48,710 --> 01:23:45,720

well MJ will tell me soon enough I'll

1918

01:23:50,030 --> 01:23:48,720

know maybe it's not there anymore oh my

1919

01:23:55,180 --> 01:23:50,040

god I'd better be there

1920

01:23:58,580 --> 01:23:55,190

oh wait listen I see it MJ more tears

1921

01:24:00,260 --> 01:23:58,590

yeah just tell them to go to their app

1922

01:24:02,680 --> 01:24:00,270

stores and download the app to in the

1923

01:24:05,330 --> 01:24:02,690

Android Google Play Store and the iTunes

1924

01:24:08,240 --> 01:24:05,340

Store app store they can download the

1925

01:24:10,640 --> 01:24:08,250

app right from there too oh cool cool

1926

01:24:12,620 --> 01:24:10,650

and I did see it MJ finally says there's

1927

01:24:15,530 --> 01:24:12,630

more ways to listen at the bottom of the

1928

01:24:19,850 --> 01:24:15,540

page Android guy there's an Apple dude

1929

01:24:22,220 --> 01:24:19,860

there is god there's a win windows media

1930

01:24:24,590 --> 01:24:22,230

player kind of looks like or iTunes

1931

01:24:27,680 --> 01:24:24,600

there's God you guys there's all kinds

1932

01:24:29,570 --> 01:24:27,690

of places now Laurie and LuAnn we're on

1933

01:24:32,000 --> 01:24:29,580

I Heart Radio right now too and we're on

1934

01:24:32,960 --> 01:24:32,010

tune in radio stitcher radio you can

1935

01:24:37,610 --> 01:24:32,970

call and listen

1936

01:24:40,810 --> 01:24:37,620

of course 401 283 6700 and in online

1937

01:24:50,090 --> 01:24:40,820

again that's so interesting

1938

01:24:51,740 --> 01:24:50,100

he said he's saying hi to us yes I love

1939

01:24:53,510 --> 01:24:51,750

it well thanks for him thanks for giving

1940

01:24:55,550 --> 01:24:53,520

me that info I'm J cuz I never knew

1941

01:24:57,020 --> 01:24:55,560

where it was after the website changed

1942

01:24:59,780 --> 01:24:57,030

I've just been telling people to get it

1943

01:25:03,980 --> 01:24:59,790

so there you go many many ways to listen

1944

01:25:05,720 --> 01:25:03,990

right MJ right okay great and the other

1945

01:25:07,580 --> 01:25:05,730

thing I want to remind you guys is that

1946

01:25:10,850 --> 01:25:07,590

late night in the Midlands always

1947

01:25:12,830 --> 01:25:10,860

replays my show so does god they're

1948

01:25:16,660 --> 01:25:12,840

going to be doing it over at not spaced

1949

01:25:20,180 --> 01:25:16,670

out radio but another network with them

1950

01:25:21,860 --> 01:25:20,190

gene chip Tatum is also gonna revive my

1951

01:25:24,230 --> 01:25:21,870

shows and start playing them again on

1952

01:25:25,790 --> 01:25:24,240

his network and and you know there's a

1953

01:25:27,710 --> 01:25:25,800

lot of people out there playing it and I

1954

01:25:30,020 --> 01:25:27,720

do really appreciate them all I want to

1955

01:25:32,270 --> 01:25:30,030

thank ire and as usual for being the

1956

01:25:34,640 --> 01:25:32,280

spearhead of letting me get my voice out

1957

01:25:36,410 --> 01:25:34,650

there to the world because you know I'm

1958

01:25:38,120 --> 01:25:36,420

not the voice everybody wants to hear

1959

01:25:40,790 --> 01:25:38,130

but I'm the voice you guys are stuck

1960

01:25:41,360 --> 01:25:40,800

with out of Wednesday night so there you

1961

01:25:44,120 --> 01:25:41,370

go

1962

01:25:45,920 --> 01:25:44,130

and yeah become a member of the insiders

1963

01:25:48,260 --> 01:25:45,930

club if you'd like and that'll support

1964

01:25:51,170 --> 01:25:48,270

the network and keep me here and keep my

1965

01:25:53,690 --> 01:25:51,180

MJ you know a and Jo and everybody else

1966

01:25:56,300 --> 01:25:53,700

that helps out Bob and keep the network

1967

01:25:59,090 --> 01:25:56,310

alive and you can do that by going to

1968

01:26:01,090 --> 01:25:59,100

let's see where it is maybe empty I have

1969

01:26:04,040 --> 01:26:01,100

to help me with that - I'm not sure

1970

01:26:05,780 --> 01:26:04,050

members I go to the members button I

1971

01:26:07,880 --> 01:26:05,790

think there you go you can get a

1972

01:26:10,280 --> 01:26:07,890

membership level you can go to the IR in

1973

01:26:13,130 --> 01:26:10,290

insiders club it's only \$4.99 a month

1974

01:26:16,250 --> 01:26:13,140

you guys and I really encourage you to

1975

01:26:20,600 --> 01:26:16,260

do so because at some point in the near

1976

01:26:24,320 --> 01:26:20,610

future I'm gonna be videotaping some of

1977

01:26:26,900 --> 01:26:24,330

my MUFON events and I will give I or and

1978

01:26:29,840 --> 01:26:26,910

some exclusive time with these events

1979

01:26:32,750 --> 01:26:29,850

and that will be only seen in the iron

1980

01:26:34,250 --> 01:26:32,760

and insiders Club so I want you guys to

1981

01:26:35,600 --> 01:26:34,260

know that so there are you know

1982

01:26:38,090 --> 01:26:35,610

hopefully I can start getting some

1983

01:26:40,400 --> 01:26:38,100

things there for them to have some juicy

1984

01:26:43,010 --> 01:26:40,410

content that you'll never see anywhere

1985

01:26:45,710 --> 01:26:43,020

else so there you go so get down there

1986

01:26:46,610 --> 01:26:45,720

to the membership button on the top of

1987

01:26:48,740 --> 01:26:46,620

the page

1988

01:26:51,140 --> 01:26:48,750

it says members click on that you can

1989

01:26:54,170 --> 01:26:51,150

join the insiders club or you can become

1990

01:26:55,310 --> 01:26:54,180

an iron fan club member for free alright

1991

01:26:57,920 --> 01:26:55,320

so there you go those are my

1992

01:26:59,210 --> 01:26:57,930

advertisements for the night okay we're

1993

01:27:02,450 --> 01:26:59,220

back with the byron

1994

01:27:04,970 --> 01:27:02,460

a bullet sews and i want to say that his

1995

01:27:07,040 --> 01:27:04,980

book you're evolving soul is on my desk

1996

01:27:09,140 --> 01:27:07,050

that means i'm going to read it if the

1997

01:27:12,110 --> 01:27:09,150

cosmic spirituality of the you rancher

1998

01:27:13,970 --> 01:27:12,120

revelation and byron you know there's

1999

01:27:16,610 --> 01:27:13,980

one thing we haven't talked about before

2000

01:27:19,210 --> 01:27:16,620

we get to questions tonight and that is

2001

01:27:21,440 --> 01:27:19,220

really what was the the major

2002

01:27:23,900 --> 01:27:21,450

inspiration that got you to write the

2003

01:27:26,120 --> 01:27:23,910

book itself but what was the one thing

2004

01:27:27,890 --> 01:27:26,130

that you said oh my god I've got to do

2005

01:27:29,660 --> 01:27:27,900

this is it because of people like me who

2006

01:27:31,880 --> 01:27:29,670

looked at you with that blank stare at

2007

01:27:34,040 --> 01:27:31,890

all these conferences and said I can't

2008

01:27:40,000 --> 01:27:34,050

read the Ranchod book it's only three

2009

01:27:46,460 --> 01:27:42,620

that is indeed what has happened with

2010

01:27:48,020 --> 01:27:46,470

friends girlfriends family like what

2011

01:27:49,550 --> 01:27:48,030

does it really mean to you why you know

2012

01:27:56,840 --> 01:27:49,560

says it okay look I'm gonna write this

2013

01:27:58,730 --> 01:27:56,850

thing so 20 years ago I started this is

2014

01:28:02,510 --> 01:27:58,740

like forever to get this book they

2015

01:28:04,070 --> 01:28:02,520

happen did I was a little shy about it I

2016

01:28:06,350 --> 01:28:04,080

didn't think the timing was right either

2017

01:28:08,120 --> 01:28:06,360

and you know I was trying to make a

2018

01:28:10,940 --> 01:28:08,130

living producing other people's books

2019

01:28:13,220 --> 01:28:10,950

that that I knew would be you know

2020

01:28:13,970 --> 01:28:13,230

bigger sellers and for example somebody

2021

01:28:16,970 --> 01:28:13,980

like Jim Marrs

2022

01:28:19,640 --> 01:28:16,980

and I didn't think there was an interest

2023

01:28:22,700 --> 01:28:19,650

in this until the last couple of years

2024

01:28:24,410 --> 01:28:22,710

and so I accelerated and and then I just

2025

01:28:27,100 --> 01:28:24,420

suddenly got this download that said

2026

01:28:30,800 --> 01:28:27,110

this is the time get this thing done and

2027

01:28:33,620 --> 01:28:30,810

it really had to do not so much with the

2028

01:28:37,750 --> 01:28:33,630

political crisis on the planet but what

2029

01:28:43,880 --> 01:28:37,760

I what I saw is a kind of spiritual

2030

01:28:46,250 --> 01:28:43,890

springtime yeah that of a sort where you

2031

01:28:49,010 --> 01:28:46,260

could see that people wanted to go

2032

01:28:52,130 --> 01:28:49,020

beyond whatever their paradigm was and

2033

01:28:55,550 --> 01:28:52,140

what's next kind of feeling and I think

2034

01:28:58,040 --> 01:28:55,560

that this is a what's next item there's

2035

01:29:00,110 --> 01:28:58,050

other things along that line not just a

2036

01:29:02,090 --> 01:29:00,120

rant revelation that are what's next

2037

01:29:04,550 --> 01:29:02,100

there's new things coming in every

2038

01:29:08,900 --> 01:29:04,560

category that are revolutionary but I

2039

01:29:11,810 --> 01:29:08,910

think in in spirituality this and and

2040

01:29:13,490 --> 01:29:11,820

things that are talking about the soul

2041

01:29:16,250 --> 01:29:13,500

are what's next

2042

01:29:19,010 --> 01:29:16,260

why because I think the other piece of

2043

01:29:23,060 --> 01:29:19,020

videos what we have with near-death

2044

01:29:25,220 --> 01:29:23,070

experience literature and stories is is

2045

01:29:27,380 --> 01:29:25,230

it's part and parcel of this and that's

2046

01:29:29,990 --> 01:29:27,390

why the opening part of my book I talk

2047

01:29:34,130 --> 01:29:30,000

about near-death experience and the

2048

01:29:36,020 --> 01:29:34,140

terrific movement around that which is

2049

01:29:39,050 --> 01:29:36,030

part of this West what's next well

2050

01:29:44,260 --> 01:29:39,060

what's next is we need to know much more

2051

01:29:51,620 --> 01:29:48,260

variants is telling us in vivid terms

2052

01:29:54,290 --> 01:29:51,630

with credible witnesses that come back

2053

01:29:56,690 --> 01:29:54,300

people like eben Alexander you know who

2054

01:30:00,140 --> 01:29:56,700

are you know a Harvard you know you know

2055

01:30:01,970 --> 01:30:00,150

doctor people like that or changing the

2056

01:30:03,910 --> 01:30:01,980

world because they've gotten real

2057

01:30:06,350 --> 01:30:03,920

experience with higher dimensions and

2058

01:30:08,840 --> 01:30:06,360

this is what the Rancho book has been

2059

01:30:11,540 --> 01:30:08,850

saying you know for decades and people

2060

01:30:15,770 --> 01:30:11,550

haven't quite been ready but I think now

2061

01:30:17,810 --> 01:30:15,780

and that's why again I agree that now

2062

01:30:19,490 --> 01:30:17,820

it's the time that the Rancho book I

2063

01:30:22,070 --> 01:30:19,500

think is going to be able to stand on

2064

01:30:24,740 --> 01:30:22,080

its own two legs you know I mean I think

2065

01:30:26,200 --> 01:30:24,750

it's standing pretty well as of having

2066

01:30:29,120 --> 01:30:26,210

been at their international conference

2067

01:30:31,400 --> 01:30:29,130

where a number of people from other

2068

01:30:34,430 --> 01:30:31,410

religions were invited to come and

2069

01:30:36,620 --> 01:30:34,440

listen in and also get up on panels and

2070

01:30:38,630 --> 01:30:36,630

say you know what what did they feel

2071

01:30:40,700 --> 01:30:38,640

about their introduction and they were

2072

01:30:42,890 --> 01:30:40,710

very very positive they said this is

2073

01:30:45,950 --> 01:30:42,900

complementary to the world's scriptures

2074

01:30:50,630 --> 01:30:45,960

that we now know about but it's it's

2075

01:30:52,610 --> 01:30:50,640

like an update of Scripture the

2076

01:30:54,290 --> 01:30:52,620

scriptures that we have or you know

2077

01:30:56,210 --> 01:30:54,300

pretty ancient I mean they're you know

2078

01:30:57,650 --> 01:30:56,220

four with a few exceptions like

2079

01:30:59,600 --> 01:30:57,660

something like Course in Miracles is

2080

01:31:04,520 --> 01:30:59,610

like a scripture and that's very modern

2081

01:31:08,120 --> 01:31:04,530

almost all of them are pre-modern and we

2082

01:31:12,250 --> 01:31:08,130

you know urgently need a a scripture

2083

01:31:13,830 --> 01:31:12,260

that is commensurate with the scientific

2084

01:31:16,280 --> 01:31:13,840

mentality and the ranch

2085

01:31:20,670 --> 01:31:16,290

has a very very strong scientific

2086

01:31:22,440 --> 01:31:20,680

cosmological Astrophysical teaching that

2087

01:31:24,270 --> 01:31:22,450

you know make you know the Bible is just

2088

01:31:27,390 --> 01:31:24,280

like just like a color and like a

2089

01:31:31,320 --> 01:31:27,400

cartoon book compared to this because

2090

01:31:33,570 --> 01:31:31,330

that's a flat earth cosmology and you

2091

01:31:35,280 --> 01:31:33,580

know the Ranchi book is telling you that

2092

01:31:39,360 --> 01:31:35,290

there are not just billions but

2093

01:31:43,020 --> 01:31:39,370

trillions of inhabited planets oh yeah

2094

01:31:46,470 --> 01:31:43,030

it has big sections on life on other

2095

01:31:49,980 --> 01:31:46,480

planets details in particular about the

2096

01:31:53,070 --> 01:31:49,990

government of another planet a whole

2097

01:31:54,840 --> 01:31:53,080

chapter on how this other planet governs

2098

01:31:58,860 --> 01:31:54,850

itself just like can you believe it it's

2099

01:32:01,940 --> 01:31:58,870

like a 30 page chapter on that and a big

2100

01:32:05,250 --> 01:32:01,950

section on the types of

2101
01:32:08,370 --> 01:32:05,260
extraterrestrials okay Kevin for the

2102
01:32:12,600 --> 01:32:08,380
grand prize of 1 million dollars what

2103
01:32:16,290 --> 01:32:12,610
color is the White House I know this I

2104
01:32:18,930 --> 01:32:16,300
know this I know this five seconds

2105
01:32:21,570 --> 01:32:18,940
Oh switching to Geico could save you a

2106
01:32:28,820 --> 01:32:21,580
bunch of money on car insurance okay

2107
01:32:34,140 --> 01:32:31,770
Geico because saving 15% or more on car

2108
01:32:35,940 --> 01:32:34,150
insurance is always a great answer that

2109
01:32:39,440 --> 01:32:35,950
exists in the universe or tithers

2110
01:32:44,400 --> 01:32:39,450
there's a I think about ten types a

2111
01:32:46,020 --> 01:32:44,410
typology that they provide about life on

2112
01:32:48,320 --> 01:32:46,030
other planets you know I mean wow I mean

2113
01:32:51,660 --> 01:32:48,330

where do you get that in a scripture

2114

01:32:53,970 --> 01:32:51,670

well exactly see that's that's the part

2115

01:32:56,370 --> 01:32:53,980

about the Bible that never really got me

2116

01:32:57,780 --> 01:32:56,380

going was because it's great with it's

2117

01:33:00,210 --> 01:32:57,790

stories about what people were doing

2118

01:33:02,190 --> 01:33:00,220

here and the giants and the Nephilim and

2119

01:33:04,800 --> 01:33:02,200

this and that but it's always about here

2120

01:33:08,370 --> 01:33:04,810

it's never about heaven quote unquote

2121

01:33:10,950 --> 01:33:08,380

heaven and what's out there so you know

2122

01:33:12,630 --> 01:33:10,960

this is the time I think you ranch a

2123

01:33:14,340 --> 01:33:12,640

book is you know we're ready for it

2124

01:33:16,740 --> 01:33:14,350

ready for the answers that's going to

2125

01:33:19,410 --> 01:33:16,750

give us I just think it's an amazing

2126
01:33:21,720 --> 01:33:19,420
book I just I'm so glad you put out your

2127
01:33:24,450 --> 01:33:21,730
book though because it really it does

2128
01:33:26,480 --> 01:33:24,460
wrap things up for me so I don't have to

2129
01:33:28,280 --> 01:33:26,490
sit there and necessary

2130
01:33:31,730 --> 01:33:28,290
read the whole you ranch book unless I

2131
01:33:33,920 --> 01:33:31,740
want to write well a lot of people come

2132
01:33:36,410 --> 01:33:33,930
to these you Rancho study groups and

2133
01:33:38,240 --> 01:33:36,420
they you can tell they're really into it

2134
01:33:41,150 --> 01:33:38,250
they're fervent about it but they've got

2135
01:33:43,670 --> 01:33:41,160
jobs that get kids they've got rent to

2136
01:33:45,650 --> 01:33:43,680
pay and they don't come back with a they

2137
01:33:47,360 --> 01:33:45,660
often like email me saying I really want

2138
01:33:50,060 --> 01:33:47,370

to come I really want to but I just

2139

01:33:52,790 --> 01:33:50,070

can't make the time because I have so

2140

01:33:55,870 --> 01:33:52,800

many issues economic issues and you know

2141

01:33:58,700 --> 01:33:55,880

family issue and I totally get it and

2142

01:34:01,880 --> 01:33:58,710

that's another reason why I did this

2143

01:34:03,740 --> 01:34:01,890

book and why I'm speaking out you know

2144

01:34:06,500 --> 01:34:03,750

it kind of late in my life hear about

2145

01:34:08,870 --> 01:34:06,510

this because I know people want to know

2146

01:34:10,580 --> 01:34:08,880

but they can't find the time to read

2147

01:34:13,790 --> 01:34:10,590

this huge tome and somehow I don't know

2148

01:34:16,430 --> 01:34:13,800

why I did I didn't have kids I didn't

2149

01:34:19,310 --> 01:34:16,440

have a family really I've been I've been

2150

01:34:22,250 --> 01:34:19,320

married a few times but I never had a

2151

01:34:24,320 --> 01:34:22,260

family kids you're right on the same

2152

01:34:26,330 --> 01:34:24,330

path I am I've never had children and

2153

01:34:28,610 --> 01:34:26,340

I've been married a few times and I just

2154

01:34:31,460 --> 01:34:28,620

always felt that my service was to

2155

01:34:34,100 --> 01:34:31,470

others instead of having kids and you

2156

01:34:36,020 --> 01:34:34,110

know I just I just knew you know and I

2157

01:34:40,010 --> 01:34:36,030

don't know about you that that's how you

2158

01:34:41,690 --> 01:34:40,020

felt - but I just seems that that's it

2159

01:34:43,850 --> 01:34:41,700

seems that a lot of people in this

2160

01:34:46,820 --> 01:34:43,860

community that are really doing the

2161

01:34:49,820 --> 01:34:46,830

yeoman's work I'd say never had a family

2162

01:34:51,530 --> 01:34:49,830

because they for some reason the angels

2163

01:34:53,240 --> 01:34:51,540

or the other dimensional beings always

2164

01:34:56,750 --> 01:34:53,250

knew that we we didn't have time for

2165

01:34:58,400 --> 01:34:56,760

that you know I'm saying so it's a

2166

01:35:00,800 --> 01:34:58,410

biological function to have a family

2167

01:35:03,710 --> 01:35:00,810

it's it's kind of natural but this this

2168

01:35:06,260 --> 01:35:03,720

is stuff that's that's cultural it's you

2169

01:35:08,300 --> 01:35:06,270

know this exactly we're designed to not

2170

01:35:10,700 --> 01:35:08,310

just be biological we're designed to be

2171

01:35:12,740 --> 01:35:10,710

you know artists or you know people

2172

01:35:15,410 --> 01:35:12,750

doing literature or doing culture or

2173

01:35:17,660 --> 01:35:15,420

doing you know ufology and you got to

2174

01:35:19,700 --> 01:35:17,670

really have you got to carve out a lot

2175

01:35:22,040 --> 01:35:19,710

of time to follow these complicated

2176

01:35:24,500 --> 01:35:22,050

difficult like your story about the

2177

01:35:26,510 --> 01:35:24,510

MUFON conference I mean you know how

2178

01:35:28,340 --> 01:35:26,520

could you have a family while you're

2179

01:35:35,120 --> 01:35:28,350

trying to track with MUFON well you know

2180

01:35:38,060 --> 01:35:35,130

which is such a mess that's all I gotta

2181

01:35:40,520 --> 01:35:38,070

say about that I'm telling you we'll

2182

01:35:46,910 --> 01:35:40,530

talk and Corey good and all these

2183

01:35:49,760 --> 01:35:46,920

you know math players together yeah I do

2184

01:35:51,800 --> 01:35:49,770

the same yeah there's one part to this

2185

01:35:54,830 --> 01:35:51,810

that I did get to say is that you know

2186

01:35:57,620 --> 01:35:54,840

my job is must be the agitator for all

2187

01:35:59,360 --> 01:35:57,630

of these groups because it seems to me

2188

01:36:01,430 --> 01:35:59,370

that they all run screaming the other

2189

01:36:03,650 --> 01:36:01,440

direction when they see me coming and I

2190

01:36:06,770 --> 01:36:03,660

don't know what it is but my angels did

2191

01:36:09,500 --> 01:36:06,780

tell me my path was not going to be the

2192

01:36:12,110 --> 01:36:09,510

easy path on this it was going to be to

2193

01:36:14,870 --> 01:36:12,120

open the eyes of people that thought

2194

01:36:16,760 --> 01:36:14,880

they were on the righteous path and to

2195

01:36:18,100 --> 01:36:16,770

realize that maybe they were doing

2196

01:36:20,870 --> 01:36:18,110

something that was a little more

2197

01:36:23,840 --> 01:36:20,880

self-serving and that they needed to

2198

01:36:26,300 --> 01:36:23,850

understand that that it wasn't

2199

01:36:29,180 --> 01:36:26,310

necessarily that way and I get to be the

2200

01:36:31,250 --> 01:36:29,190

antagonist and I'm not saying that's a

2201

01:36:32,870 --> 01:36:31,260

great position to begin because I'm not

2202

01:36:35,120 --> 01:36:32,880

sure many people are going to put up

2203

01:36:37,880 --> 01:36:35,130

with me much longer but you know the

2204

01:36:41,120 --> 01:36:37,890

reality is somebody's got to do it and I

2205

01:36:42,710 --> 01:36:41,130

guess it was me so what is you know I've

2206

01:36:45,170 --> 01:36:42,720

always wanted to ask you this what does

2207

01:36:47,000 --> 01:36:45,180

the rancher book say about people that

2208

01:36:50,470 --> 01:36:47,010

are that are like that that are kind of

2209

01:36:54,410 --> 01:36:50,480

like the the Mythbusters or the you know

2210

01:36:56,780 --> 01:36:54,420

of the you ranch or world do they have

2211

01:36:59,060 --> 01:36:56,790

people like that in there do they angels

2212

01:37:00,950 --> 01:36:59,070

talk about that yeah they really do I

2213

01:37:03,080 --> 01:37:00,960

mean these are the leaders of humankind

2214

01:37:06,440 --> 01:37:03,090

these are the people in evaders that

2215

01:37:10,130 --> 01:37:06,450

that create the great religions or the

2216

01:37:12,950 --> 01:37:10,140

or that invent new governmental you know

2217

01:37:15,830 --> 01:37:12,960

structures that yeah definitely talks

2218

01:37:18,590 --> 01:37:15,840

about the heroes of history all down

2219

01:37:19,970 --> 01:37:18,600

through the ages that you know many of

2220

01:37:23,030 --> 01:37:19,980

them are you know spiritually inspired

2221

01:37:25,760 --> 01:37:23,040

or they're angelically guided to do that

2222

01:37:28,940 --> 01:37:25,770

you know and yeah you know Christ is one

2223

01:37:31,100 --> 01:37:28,950

of course but it talks about other prot

2224

01:37:32,930 --> 01:37:31,110

you know the Hebrew prophets for example

2225

01:37:34,360 --> 01:37:32,940

you know the evil prophets were doing

2226

01:37:37,370 --> 01:37:34,370

the kind of the same work they were

2227

01:37:40,280 --> 01:37:37,380

gadflies in their community who got

2228

01:37:42,350 --> 01:37:40,290

killed you know for it and uh yeah

2229

01:37:44,780 --> 01:37:42,360

that's a function that is absolutely

2230

01:37:46,400 --> 01:37:44,790

necessary and you know it's important

2231

01:37:48,950 --> 01:37:46,410

when you're coming you're talking about

2232

01:37:50,540 --> 01:37:48,960

the ranch book to realize that it's even

2233

01:37:53,900 --> 01:37:50,550

more important to have such people

2234

01:37:54,109 --> 01:37:53,910

because the planet took a wrong turn in

2235

01:37:57,729 --> 01:37:54,119

it

2236

01:38:01,820 --> 01:37:57,739

prehistory and and and the dark side of

2237

01:38:04,100 --> 01:38:01,830

the planet you know be prevailed for for

2238

01:38:07,250 --> 01:38:04,110

a very long time and still does in the

2239

01:38:10,910 --> 01:38:07,260

form of the Cabal right now and that's

2240

01:38:13,490 --> 01:38:10,920

why especially you know we have you know

2241

01:38:14,240 --> 01:38:13,500

gadflies journalists prophets who get in

2242

01:38:16,339 --> 01:38:14,250

big trouble

2243

01:38:19,839 --> 01:38:16,349

you know they get killed they get

2244

01:38:22,820 --> 01:38:19,849

assassinated you know they they have

2245

01:38:26,390 --> 01:38:22,830

there's there's more for them there's

2246

01:38:28,760 --> 01:38:26,400

more of the corruption here than on a

2247

01:38:32,600 --> 01:38:28,770

typical planet we're told in the rancher

2248

01:38:34,669 --> 01:38:32,610

book really oh five by far oh very much

2249

01:38:38,260 --> 01:38:34,679

so that's one of them oh my god well

2250

01:38:40,910 --> 01:38:38,270

what's their take on the Bilderbergers

2251

01:38:43,280 --> 01:38:40,920

do they have any take on any of these

2252

01:38:45,500 --> 01:38:43,290

evil guys that are running this place I

2253

01:38:47,240 --> 01:38:45,510

mean I'm just wondering yeah it's one of

2254

01:38:50,479 --> 01:38:47,250

the reasons why the ranch book is so is

2255

01:38:52,100 --> 01:38:50,489

so long it's they're telling you I think

2256

01:38:54,500 --> 01:38:52,110

we broached a little bit last time

2257

01:38:57,890 --> 01:38:54,510

Lorient about the the lucifer rebellion

2258

01:38:59,330 --> 01:38:57,900

oh yeah yeah that was interesting but

2259

01:39:01,910 --> 01:38:59,340

this is a whole new audience and they

2260

01:39:03,530 --> 01:39:01,920

don't know much about it and and you

2261

01:39:05,390 --> 01:39:03,540

know sadly we only have eight minutes

2262

01:39:06,800 --> 01:39:05,400

left in the show but if you could touch

2263

01:39:09,020 --> 01:39:06,810

upon it a little bit I think that'd be

2264

01:39:12,109 --> 01:39:09,030

wonderful well it's important for a

2265

01:39:14,990 --> 01:39:12,119

folks interested in ufology to know that

2266

01:39:18,020 --> 01:39:15,000

the quarantine of our planet that is

2267

01:39:21,729 --> 01:39:18,030

sometimes talked about is because the

2268

01:39:26,870 --> 01:39:21,739

the planet was a victimized by its own

2269

01:39:29,330 --> 01:39:26,880

angelic host in that the angels of

2270

01:39:32,990 --> 01:39:29,340

planet Earth that is you ranch on the

2271

01:39:37,189 --> 01:39:33,000

name of our planet Urantia went to the

2272

01:39:39,169 --> 01:39:37,199

dark side in in prehistoric times there

2273

01:39:41,089 --> 01:39:39,179

was a rebellion in the heavens that's

2274

01:39:43,399 --> 01:39:41,099

spoken about in book of Revelation in

2275

01:39:45,919 --> 01:39:43,409

the Bible and very kind of cartoonish

2276

01:39:49,550 --> 01:39:45,929

terms but it but the ranch of books

2277

01:39:50,930 --> 01:39:49,560

gives you a straight story about what

2278

01:39:54,620 --> 01:39:50,940

happened and why

2279

01:39:56,899 --> 01:39:54,630

things are so complicated here and they

2280

01:39:59,390 --> 01:39:56,909

say this is not typical of other planets

2281

01:40:03,229 --> 01:39:59,400

other planets don't have a holocaust

2282

01:40:06,439 --> 01:40:03,239

they don't have a world war two they

2283

01:40:07,530 --> 01:40:06,449

don't have atrocities like this in their

2284

01:40:09,360 --> 01:40:07,540

modern era they

2285

01:40:12,210 --> 01:40:09,370

they have it in their pre-modern eras

2286

01:40:14,130 --> 01:40:12,220

when people are kind of barbaric but you

2287

01:40:17,270 --> 01:40:14,140

know it's a highly technological era

2288

01:40:21,330 --> 01:40:17,280

it's it's one in a million planets

2289

01:40:23,040 --> 01:40:21,340

literally that makes total sense I mean

2290

01:40:26,490 --> 01:40:23,050

it just makes total sense because I

2291

01:40:29,160 --> 01:40:26,500

don't understand any of it yeah I'm like

2292

01:40:31,230 --> 01:40:29,170

I'm not I don't get it but that's okay

2293

01:40:33,000 --> 01:40:31,240

I'm not supposed to I guess well no I

2294

01:40:35,220 --> 01:40:33,010

mean you you're getting it you know with

2295

01:40:37,110 --> 01:40:35,230

these new teachings you're answering one

2296

01:40:39,000 --> 01:40:37,120

of them which is saying the truth about

2297

01:40:43,410 --> 01:40:39,010

the planet is that that there has been a

2298

01:40:45,420 --> 01:40:43,420

cabal running the planet both off planet

2299

01:40:47,190 --> 01:40:45,430

and on planet they work together and

2300

01:40:50,190 --> 01:40:47,200

they have steered the planet in the

2301
01:40:52,020 --> 01:40:50,200
wrong direction which is why the Prophet

2302
01:40:55,140 --> 01:40:52,030
the Hebrew prophets were all killed

2303
01:40:58,080 --> 01:40:55,150
including Christ and why somebody like

2304
01:41:00,600 --> 01:40:58,090
Martin Luther King gets killed or Robert

2305
01:41:02,960 --> 01:41:00,610
F Kennedy gets killed etcetera that's

2306
01:41:06,000 --> 01:41:02,970
not typical on other planets that they

2307
01:41:09,540 --> 01:41:06,010
assassinate they're their best people

2308
01:41:11,310 --> 01:41:09,550
and and so the rancher book goes on and

2309
01:41:13,290 --> 01:41:11,320
on and on about life on other planets

2310
01:41:17,160 --> 01:41:13,300
being much more progressive much more

2311
01:41:19,530 --> 01:41:17,170
spiritual and that's why wait they had

2312
01:41:22,440 --> 01:41:19,540
to give us this big revelation to

2313
01:41:23,070 --> 01:41:22,450

explain we are here to help you get out

2314

01:41:25,440 --> 01:41:23,080

of this

2315

01:41:30,060 --> 01:41:25,450

you didn't even create this situation

2316

01:41:34,590 --> 01:41:30,070

you humans knew or victims of of the

2317

01:41:37,890 --> 01:41:34,600

celestial realm I know that sounds you

2318

01:41:41,700 --> 01:41:37,900

know kind of scary but if you think

2319

01:41:44,190 --> 01:41:41,710

about it it's plausible yeah that that

2320

01:41:47,430 --> 01:41:44,200

this is not a universe where every

2321

01:41:50,880 --> 01:41:47,440

planet has you know atrocity you know

2322

01:41:54,420 --> 01:41:50,890

genocide you know throughout yeah that

2323

01:41:57,780 --> 01:41:54,430

is not the design of our Creator this is

2324

01:42:01,110 --> 01:41:57,790

an anomalous situation that is that

2325

01:42:02,100 --> 01:42:01,120

they're doing remediation for all kinds

2326

01:42:04,410 --> 01:42:02,110
of remediation

2327

01:42:06,020 --> 01:42:04,420
then the extraterrestrials are part of

2328

01:42:07,530 --> 01:42:06,030
that that is the positive

2329

01:42:10,860 --> 01:42:07,540
extraterrestrials are part of the

2330

01:42:14,130 --> 01:42:10,870
remediation and it's very very delicate

2331

01:42:17,370 --> 01:42:14,140
situation because the the the Cabal the

2332

01:42:20,970 --> 01:42:17,380
human aspect of the Cabal is still

2333

01:42:21,540 --> 01:42:20,980
empowering in most cases and trying to

2334

01:42:24,960 --> 01:42:21,550
repair

2335

01:42:27,960 --> 01:42:24,970
all this this the gift the gifts were

2336

01:42:29,840 --> 01:42:27,970
getting in fact it is my view that the

2337

01:42:33,480 --> 01:42:29,850
rancher book itself has been suppressed

2338

01:42:34,800 --> 01:42:33,490

by these forces so that the population

2339

01:42:38,640 --> 01:42:34,810

doesn't know about it

2340

01:42:42,180 --> 01:42:38,650

right that makes sense to me because you

2341

01:42:44,130 --> 01:42:42,190

know it just seems to me that it's

2342

01:42:46,650 --> 01:42:44,140

always been out there but always within

2343

01:42:49,380 --> 01:42:46,660

a not within our reach because if

2344

01:42:54,630 --> 01:42:49,390

there's too much to digest and I

2345

01:42:58,080 --> 01:42:54,640

sometimes wonder if if it if it can't it

2346

01:42:59,910 --> 01:42:58,090

it might be that the Angels already knew

2347

01:43:01,500 --> 01:42:59,920

this and they gave it to you all in one

2348

01:43:04,410 --> 01:43:01,510

big chunk because they knew it'd be

2349

01:43:06,570 --> 01:43:04,420

sometime out here on this planet before

2350

01:43:09,510 --> 01:43:06,580

it actually got to be able to be

2351

01:43:13,770 --> 01:43:09,520

digested I guess I'm what I'm trying to

2352

01:43:16,380 --> 01:43:13,780

say is thank God for your book because

2353

01:43:18,270 --> 01:43:16,390

the reality is I don't think they

2354

01:43:21,030 --> 01:43:18,280

understand time like we do so it's been

2355

01:43:22,920 --> 01:43:21,040

what 20 years since she's this the seed

2356

01:43:24,480 --> 01:43:22,930

got into your mind to kind of get the

2357

01:43:27,480 --> 01:43:24,490

revelations and you read a book out

2358

01:43:31,200 --> 01:43:27,490

there but how long is the you Ranch a

2359

01:43:34,980 --> 01:43:31,210

book been in existence 1955 it was first

2360

01:43:39,330 --> 01:43:34,990

printed okay so it's it's 62 years old

2361

01:43:42,210 --> 01:43:39,340

and maybe 62 years to them is a blink of

2362

01:43:44,250 --> 01:43:42,220

the eye you know it is and particularly

2363

01:43:47,010 --> 01:43:44,260

when they're dealing with a dark and

2364

01:43:49,770 --> 01:43:47,020

confused planet like this they know that

2365

01:43:52,650 --> 01:43:49,780

there was going to be difficulty getting

2366

01:43:56,070 --> 01:43:52,660

this across and that there would be

2367

01:43:59,160 --> 01:43:56,080

opposition to the truth particularly the

2368

01:44:02,940 --> 01:43:59,170

truth about you know Satanism and the

2369

01:44:06,150 --> 01:44:02,950

Lucifer Lucifer agenda that that those

2370

01:44:09,150 --> 01:44:06,160

you know the retro book is a huge expose

2371

01:44:10,920 --> 01:44:09,160

of luciferianism so you don't think

2372

01:44:13,260 --> 01:44:10,930

they're trying to suppress it in the

2373

01:44:16,790 --> 01:44:13,270

media the media never covers this of

2374

01:44:19,230 --> 01:44:16,800

course oh never yeah you got it

2375

01:44:21,210 --> 01:44:19,240

adventurous and courageous people like

2376

01:44:28,260 --> 01:44:21,220

you cover it and those are the people

2377

01:44:30,300 --> 01:44:28,270

that interview me exclusively fails

2378

01:44:32,130 --> 01:44:30,310

doesn't that the people out there that

2379

01:44:33,600 --> 01:44:32,140

would that actually don't understand

2380

01:44:34,440 --> 01:44:33,610

what's going on well we do understand

2381

01:44:35,009 --> 01:44:34,450

what's going on this planet we

2382

01:44:37,409 --> 01:44:35,019

understand

2383

01:44:39,389 --> 01:44:37,419

there's a lot of evil going on and you

2384

01:44:40,739 --> 01:44:39,399

know we speak the truth as best we can

2385

01:44:42,599 --> 01:44:40,749

those are the people that have your

2386

01:44:45,239 --> 01:44:42,609

rancher people on their show right

2387

01:44:47,789 --> 01:44:45,249

that's yeah like Midland of what is it

2388

01:44:49,409 --> 01:44:47,799

midnight in the Midlands or a late night

2389

01:44:51,389 --> 01:44:49,419

in the Midlands with Michael vari yeah

2390

01:44:53,759 --> 01:44:51,399

Mike's a good friend of mine yeah yeah

2391

01:44:56,039 --> 01:44:53,769

he covers this you know for example he's

2392

01:44:57,419 --> 01:44:56,049

courageous and has covered it you know

2393

01:44:58,139 --> 01:44:57,429

it isn't quite you know understand what

2394

01:45:01,379 --> 01:44:58,149

I'm talking about

2395

01:45:04,049 --> 01:45:01,389

yeah damn it isn't the sexy thing you

2396

01:45:07,019 --> 01:45:04,059

know and I get that you know but to me

2397

01:45:09,569 --> 01:45:07,029

it is to me it's about spirituality your

2398

01:45:11,759 --> 01:45:09,579

soul and in the end it's all about love

2399

01:45:14,939 --> 01:45:11,769

and that's what really I was told so

2400

01:45:16,919 --> 01:45:14,949

many years ago that it truly is in the

2401

01:45:20,519 --> 01:45:16,929

end it's all about love when I was a

2402

01:45:22,859 --> 01:45:20,529

teenager they told me that and spend my

2403

01:45:25,889 --> 01:45:22,869

you know driving force since I had my

2404

01:45:28,349 --> 01:45:25,899

first vision when I was first big vision

2405

01:45:30,599 --> 01:45:28,359

I was about 12 years old well I mean I I

2406

01:45:32,669 --> 01:45:30,609

had all kinds of visions but that one

2407

01:45:36,269 --> 01:45:32,679

was the one where I became one with the

2408

01:45:38,309 --> 01:45:36,279

the cloud in the universe when the cloud

2409

01:45:42,569 --> 01:45:38,319

in the universe was a a mass

2410

01:45:45,919 --> 01:45:42,579

consciousness of love and I knew then

2411

01:45:54,929 --> 01:45:45,929

that that's where I came from you know

2412

01:45:56,579 --> 01:45:54,939

and I never understood being here well

2413

01:45:59,569 --> 01:45:56,589

it that's just it we're kind of like

2414

01:46:02,099 --> 01:45:59,579

aliens down here that are stuck and

2415

01:46:03,750 --> 01:46:02,109

we're trying to sort of get out of here

2416

01:46:05,189 --> 01:46:03,760

but the good thing about and what my

2417

01:46:07,949 --> 01:46:05,199

book is also about

2418

01:46:11,250 --> 01:46:07,959

is that you the people in live on on

2419

01:46:13,500 --> 01:46:11,260

messed up planets get bigger souls as a

2420

01:46:16,229 --> 01:46:13,510

result because they have to make these

2421

01:46:18,539 --> 01:46:16,239

hard choices almost every day and the

2422

01:46:21,149 --> 01:46:18,549

harder you know the more adversity that

2423

01:46:24,539 --> 01:46:21,159

your face the more you develop this

2424

01:46:28,250 --> 01:46:24,549

toughness that as I was saying is what

2425

01:46:31,079 --> 01:46:28,260

the soul the soul is the record of your

2426

01:46:34,289 --> 01:46:31,089

significant and spiritual decisions it's

2427

01:46:37,709 --> 01:46:34,299

it there's a part of us that saves that

2428

01:46:38,849 --> 01:46:37,719

in in and as the soul and so that what

2429

01:46:40,819 --> 01:46:38,859

is said in the arranger book is that

2430

01:46:44,159 --> 01:46:40,829

people who come from planet Earth are

2431

01:46:46,199 --> 01:46:44,169

that are the most honored people in the

2432

01:46:48,780 --> 01:46:46,209

higher realms because we've dealt with

2433

01:46:54,320 --> 01:46:48,790

the front lines of dark

2434

01:46:57,750 --> 01:46:54,330

miss and evil and we've survived Wow

2435

01:47:00,390 --> 01:46:57,760

well I gotta say on that note it's the

2436

01:47:01,950 --> 01:47:00,400

end of the show and I just I can't

2437

01:47:03,240 --> 01:47:01,960

believe it so tell people how they can

2438

01:47:05,430 --> 01:47:03,250

get your book because this book is

2439

01:47:07,020 --> 01:47:05,440

fabulous folks I've already pawed

2440

01:47:08,460 --> 01:47:07,030

through it many times I haven't read the

2441

01:47:10,470 --> 01:47:08,470

whole thing yet but I pawed through it

2442

01:47:13,020 --> 01:47:10,480

enough to know it's really really good

2443

01:47:14,490 --> 01:47:13,030

so go ahead Tom how to get it well if

2444

01:47:16,050 --> 01:47:14,500

you're near a bookstore get it at the

2445

01:47:19,410 --> 01:47:16,060

bookstore I prefer that but you know the

2446

01:47:21,180 --> 01:47:19,420

Amazon you know is got the you know

2447

01:47:22,770 --> 01:47:21,190

ships right away and they have a lot of

2448

01:47:25,470 --> 01:47:22,780

good reviews on there by the way

2449

01:47:27,180 --> 01:47:25,480

so just wherever you buy books you know

2450

01:47:30,900 --> 01:47:27,190

you can find my book you're evolving

2451

01:47:34,290 --> 01:47:30,910

soul and it's at save the website one

2452

01:47:35,100 --> 01:47:34,300

more times always botch it for you it's

2453

01:47:43,350 --> 01:47:35,110

evolving

2454

01:47:45,150 --> 01:47:43,360

with a hyphen and please sign up and get

2455

01:47:48,240 --> 01:47:45,160

my updates because I'm gonna do a much

2456

01:47:50,190 --> 01:47:48,250

more updating blogs and actually

2457

01:47:52,920 --> 01:47:50,200

starting a podcast as well for the same

2458

01:47:54,990 --> 01:47:52,930

oh wonderful well I look forward to that

2459

01:47:57,600 --> 01:47:55,000

I'll probably be listening so that'll be

2460

01:47:59,880 --> 01:47:57,610

great oh love it and one last thing I

2461

01:48:03,840 --> 01:47:59,890

want to say folks go to Laurieann Fenton

2462

01:48:06,690 --> 01:48:03,850

calm that's lor I en F ent oh and my

2463

01:48:09,240 --> 01:48:06,700

name calm and check out my birthday

2464

01:48:12,600 --> 01:48:09,250

party that will be coming up and posted

2465

01:48:14,520 --> 01:48:12,610

by Sunday night it'll be on August 19th

2466

01:48:17,460 --> 01:48:14,530

here in Northern California and it's

2467

01:48:20,400 --> 01:48:17,470

about a 20 or 25 dollar price to get in

2468

01:48:23,160 --> 01:48:20,410

and it's a benefit for my kitty cats and

2469

01:48:26,760 --> 01:48:23,170

you can find out their little story over

2470

01:48:30,780 --> 01:48:26,770

at MUFON Marin Sonoma calm right now

2471

01:48:32,910 --> 01:48:30,790

that's MUFON Marin Sonoma comm check out

2472

01:48:35,670 --> 01:48:32,920

August 19th on the schedule of meetings

2473

01:48:37,410 --> 01:48:35,680

they'll be much more and a place to buy

2474

01:48:39,330 --> 01:48:37,420

your ticket it's gonna be a potluck

2475

01:48:41,880 --> 01:48:39,340

there's some people playing music and

2476

01:48:44,070 --> 01:48:41,890

there's gonna be people skyping in from

2477

01:48:45,930 --> 01:48:44,080

all over the world to say hi to me and

2478

01:48:48,510 --> 01:48:45,940

say hi to you guys and talk about their

2479

01:48:50,580 --> 01:48:48,520

experiences and Byron will probably be

2480

01:48:52,290 --> 01:48:50,590

there as well and gosh who knows who's

2481

01:48:53,970 --> 01:48:52,300

gonna show up so it's gonna be a lot of

2482

01:48:56,670 --> 01:48:53,980

fun if you're in Northern California

2483

01:48:59,490 --> 01:48:56,680

please stop by and have fun with us like

2484

01:49:01,680 --> 01:48:59,500

I said the bet is benefits my cat's the

2485

01:49:02,520 --> 01:49:01,690

story as to what's going on with it is

2486

01:49:05,100 --> 01:49:02,530

on the web

2487

01:49:05,550 --> 01:49:05,110

like that's lufenuron sonoma calm for

2488

01:49:08,010 --> 01:49:05,560

now

2489

01:49:09,840 --> 01:49:08,020

by Monday check out Laurie inventing

2490

01:49:11,880 --> 01:49:09,850

calm it'll have everything up there

2491

01:49:13,380 --> 01:49:11,890

about the party so great hope you guys

2492

01:49:15,000 --> 01:49:13,390

do it I'm gonna leave you with this for

2493

01:49:17,250 --> 01:49:15,010

max in the chat room and I'm sorry I

2494

01:49:19,950 --> 01:49:17,260

even get to questions tonight but Mack

2495

01:49:21,810 --> 01:49:19,960

says the flat earth is not possible if

2496

01:49:24,630 --> 01:49:21,820

the earth were flat the cats would have

2497

01:49:25,620 --> 01:49:24,640

already knocked everything off so there

2498

01:49:27,990 --> 01:49:25,630

you go folks

2499

01:49:30,660 --> 01:49:28,000

that's the the wisdom for Maxim chat

2500

01:49:31,830 --> 01:49:30,670

guys have a great night great week and

2501

01:49:33,690 --> 01:49:31,840

we'll see you next time here on

2502

01:49:34,290 --> 01:49:33,700

California MUFON radio good night

2503

01:49:36,600 --> 01:49:34,300

everybody
