HEIDI HOLLIS
THE OUTLANDER

FRIDAY 9PM EASTERN
6PM PACIFIC

Listen on

inceptionradionetwork.com

1
00:00:09,270 --> 00:00:07,670
welcome welcome to my awesome friday

2
00:00:11,190 --> 00:00:09,280
evening you guys you're listening to me

3
00:00:12,790 --> 00:00:11,200
heidi hollis the outlanders welcome to

4
00:00:14,950 --> 00:00:12,800
the show everybody

5
00:00:17,750 --> 00:00:14,960
i'm gonna tell you this show

6
00:00:19,670 --> 00:00:17,760
is about some really fun stuff um this

7
00:00:21,429 --> 00:00:19,680
show's about bringing outlandish and

8
00:00:24,550 --> 00:00:21,439
interesting topics to the forefront from

9
00:00:27,269 --> 00:00:24,560
aliens angels ghost demons conspiracy

10
00:00:29,109 --> 00:00:27,279
theories shadow people to bigfoot to

11
00:00:31,990 --> 00:00:29,119
the outlandish i always say if it's

12
00:00:34,470 --> 00:00:32,000
weird we're here and now you are too so

13
00:00:36,389 --> 00:00:34,480

hey you're among friends everybody if

14

00:00:38,229 --> 00:00:36,399

you do not know who i am

15

00:00:40,709 --> 00:00:38,239

i'm going to tell you right now

16

00:00:42,950 --> 00:00:40,719

count to three one

17

00:00:44,790 --> 00:00:42,960

when it comes to the outlandish i'm

18

00:00:46,709 --> 00:00:44,800

someone who has been there seen that

19

00:00:48,790 --> 00:00:46,719

experienced it freaked out

20

00:00:50,630 --> 00:00:48,800

found some answers i think wrote about

21

00:00:52,470 --> 00:00:50,640

it got over it and now i'm hoping to

22

00:00:56,950 --> 00:00:52,480

help others do the same darn thing and

23

00:00:59,590 --> 00:00:56,960

understand this crazy world of ours

24

00:01:00,709 --> 00:00:59,600

so if you do dare go to my main website

25

00:01:03,349 --> 00:01:00,719

which is

26

00:01:05,670 --> 00:01:03,359

heidi hollis.com

27

00:01:10,149 --> 00:01:05,680

there's so much stuff on there i swear

28

00:01:12,710 --> 00:01:10,159

my parents have not even seen half of it

29

00:01:14,230 --> 00:01:12,720

i think they're still proud though um

30

00:01:17,350 --> 00:01:14,240

i want to tell you guys also how you can

31

00:01:20,070 --> 00:01:17,360

hear this uh this program you hear this

32

00:01:23,030 --> 00:01:20,080

show through the irn app

33

00:01:23,990 --> 00:01:23,040

and that is the inception radio network

34

00:01:25,910 --> 00:01:24,000

app

35

00:01:27,590 --> 00:01:25,920

and most people tend to listen to the

36

00:01:30,070 --> 00:01:27,600

program that way which is all good but

37

00:01:33,429 --> 00:01:30,080

we are also launched on i heart radio

38

00:01:35,429 --> 00:01:33,439

recently and the numbers just grow and

39

00:01:37,670 --> 00:01:35,439

grow and i want to also tell you guys

40

00:01:40,469 --> 00:01:37,680

how you can hear this program with a

41

00:01:42,710 --> 00:01:40,479

simple phone call four zero one two

42

00:01:45,670 --> 00:01:42,720

eight three sixty seven hundred

43

00:01:47,350 --> 00:01:45,680

and it is a magical thing especially if

44

00:01:50,230 --> 00:01:47,360

you don't wanna fuss with the internet

45

00:01:52,310 --> 00:01:50,240

or if your internet is fussy

46

00:01:54,429 --> 00:01:52,320

and i welcome you guys to call into the

47

00:01:56,950 --> 00:01:54,439

program

48

00:01:59,830 --> 00:01:56,960

1-888-919-2355 or skype

49

00:02:01,429 --> 00:01:59,840

your comments and questions to inception

50

00:02:03,270 --> 00:02:01,439

radio network

51

00:02:05,109 --> 00:02:03,280

and

52

00:02:06,069 --> 00:02:05,119

i take your questions through the chat

53

00:02:10,070 --> 00:02:06,079

room

54

00:02:14,710 --> 00:02:12,470

and you will find others in there who

55

00:02:15,750 --> 00:02:14,720

can chat things up with you about

56

00:02:18,150 --> 00:02:15,760

anything and everything out of the

57

00:02:19,910 --> 00:02:18,160

ordinary it's a lot of fun unfortunately

58

00:02:22,390 --> 00:02:19,920

right now i can't get in there

59

00:02:25,190 --> 00:02:22,400

i've got some issues because my internet

60

00:02:29,030 --> 00:02:25,200

is fuzzy oh i hear banging going on

61

00:02:30,229 --> 00:02:29,040

i think somebody's collapsing

62

00:02:37,830 --> 00:02:30,239

but

63

00:02:39,589 --> 00:02:37,840

i also want to tell you guys about

64

00:02:42,229 --> 00:02:39,599

my comic strip i want to thank you guys

65

00:02:44,150 --> 00:02:42,239

for so much support the comic is growing

66

00:02:46,229 --> 00:02:44,160

the outlanders comics so go to the

67

00:02:49,270 --> 00:02:46,239

outlanderscomic.com or go to

68

00:02:52,949 --> 00:02:51,190

and you could go and find on the main

69

00:02:55,110 --> 00:02:52,959

page right there

70

00:02:57,830 --> 00:02:55,120

so much information

71

00:02:59,270 --> 00:02:57,840

it's amazing and you can also

72

00:03:01,830 --> 00:02:59,280

find some things to laugh about with a

73

00:03:03,830 --> 00:03:01,840

comic there so i mean i i'm just i've

74

00:03:05,670 --> 00:03:03,840

been really really appreciative of all

75

00:03:06,630 --> 00:03:05,680

the positive feedback about the comics

76

00:03:07,589 --> 00:03:06,640

so

77

00:03:08,790 --> 00:03:07,599

now

78

00:03:11,110 --> 00:03:08,800

i want to tell you guys i'm going to

79

00:03:13,430 --> 00:03:11,120

forgo the outlandish corner for a very

80

00:03:17,190 --> 00:03:13,440

good reason today

81

00:03:20,790 --> 00:03:17,200

and i'm still hearing something but

82

00:03:20,800 --> 00:03:24,229

mute it up

83

00:03:29,990 --> 00:03:25,350

about the

84

00:03:32,229 --> 00:03:30,000

of my favorite things is to do is to

85

00:03:34,229 --> 00:03:32,239

take your comments and questions and

86

00:03:35,910 --> 00:03:34,239

experiences about everything that you

87

00:03:38,309 --> 00:03:35,920

guys are experiencing out there i get a

88

00:03:39,509 --> 00:03:38,319

ton of stuff about shadow people

89

00:03:43,670 --> 00:03:39,519

hat man

90

00:03:45,589 --> 00:03:43,680

aliens but i am open to absolutely 100

91

00:03:47,350 --> 00:03:45,599

everything out of the ordinary so

92

00:03:48,710 --> 00:03:47,360

honestly i'm not a guru i'm not a

93

00:03:50,070 --> 00:03:48,720

psychic

94

00:03:51,589 --> 00:03:50,080

but i do my best to give some level

95

00:03:55,270 --> 00:03:51,599

health advice so

96

00:03:57,509 --> 00:03:55,280

write me at dusoutlander@gmail.com

97

00:03:59,509 --> 00:03:57,519

and i will definitely keep taking your

98

00:04:01,509 --> 00:03:59,519

your messages and we will get to that

99

00:04:03,509 --> 00:04:01,519

but there's a reason why i'm forgoing

100

00:04:05,350 --> 00:04:03,519

outlandish corner today because i was

101
00:04:07,910 --> 00:04:05,360
chatting with a good friend of mine

102
00:04:09,670 --> 00:04:07,920
who was uh i don't know what she's doing

103
00:04:12,550 --> 00:04:09,680
i didn't

104
00:04:15,350 --> 00:04:12,560
it's a whole lot of something going on

105
00:04:18,150 --> 00:04:15,360
but i have mary sutherland on

106
00:04:20,069 --> 00:04:18,160
this evening for the first half of this

107
00:04:21,909 --> 00:04:20,079
program mary how are you doing

108
00:04:25,030 --> 00:04:21,919
girlfriend what is going on what

109
00:04:27,430 --> 00:04:25,040
happened to the mute button well you

110
00:04:30,790 --> 00:04:27,440
well i don't like the view button

111
00:04:37,909 --> 00:04:33,270
well they heard everything

112
00:04:40,230 --> 00:04:37,919
they can't hear me dropping things

113
00:04:42,950 --> 00:04:40,240

yeah

114

00:04:45,189 --> 00:04:42,960

okay but how are you doing i mean i we

115

00:04:47,270 --> 00:04:45,199

had an interesting chat this uh

116

00:04:50,230 --> 00:04:47,280

not too long ago and i'm like you have

117

00:04:51,670 --> 00:04:50,240

got to come on my show and talk about

118

00:04:54,070 --> 00:04:51,680

what is happening in your neck of the

119

00:04:56,230 --> 00:04:54,080

woods but first off i i don't have your

120

00:04:58,310 --> 00:04:56,240

bio so i figured i'd let you kind of

121

00:05:00,790 --> 00:04:58,320

introduce yourself about who you are

122

00:05:03,590 --> 00:05:00,800

what you do and why we're delving into

123

00:05:09,510 --> 00:05:03,600

the topic we are today

124

00:05:13,670 --> 00:05:11,909

well that's a good question i guess that

125

00:05:15,029 --> 00:05:13,680

kind of depends on who you're talking

126
00:05:17,510 --> 00:05:15,039
with huh

127
00:05:20,550 --> 00:05:17,520
i like that can you guys hear me well

128
00:05:25,590 --> 00:05:20,560
enough we hear you perfectly fine

129
00:05:30,790 --> 00:05:28,390
well as everybody knows everything is

130
00:05:33,670 --> 00:05:30,800
connected interconnected

131
00:05:35,590 --> 00:05:33,680
so it used to be that i would work on a

132
00:05:37,749 --> 00:05:35,600
project and somebody

133
00:05:39,110 --> 00:05:37,759
and i'd be interested in another project

134
00:05:41,510 --> 00:05:39,120
would come along it was totally

135
00:05:42,870 --> 00:05:41,520
different like i'd be working on ufos

136
00:05:45,350 --> 00:05:42,880
and then all of a sudden something

137
00:05:47,830 --> 00:05:45,360
happened and it'd be paranormal so i'd

138
00:05:49,510 --> 00:05:47,840

work on that then something else would

139

00:05:51,670 --> 00:05:49,520

happen i'd be worked like ancient my own

140

00:05:53,270 --> 00:05:51,680

builders or something and he says mary

141

00:05:56,230 --> 00:05:53,280

you got to focus here you got to

142

00:05:58,070 --> 00:05:56,240

concentrate on one subject

143

00:06:00,710 --> 00:05:58,080

i says i can't because it's all

144

00:06:02,629 --> 00:06:00,720

interconnected it all closed together

145

00:06:03,990 --> 00:06:02,639

so anyhow i kind of stuck with that

146

00:06:05,510 --> 00:06:04,000

principle all through the years and

147

00:06:07,510 --> 00:06:05,520

probably drove quite a lot of people

148

00:06:10,469 --> 00:06:07,520

nuts trying to uh

149

00:06:13,029 --> 00:06:10,479

you know trying to um

150

00:06:13,909 --> 00:06:13,039

explain who i am what i am

151

00:06:16,629 --> 00:06:13,919

but

152

00:06:19,110 --> 00:06:16,639

i i can totally relate

153

00:06:21,110 --> 00:06:19,120

yeah but i i mean you know i've got

154

00:06:23,830 --> 00:06:21,120

seven books uh

155

00:06:25,510 --> 00:06:23,840

but i've got a five book series on uh in

156

00:06:27,670 --> 00:06:25,520

search of ancient man

157

00:06:30,469 --> 00:06:27,680

i have a spirituality book called living

158

00:06:33,510 --> 00:06:30,479

in the light believe in the magic i have

159

00:06:35,830 --> 00:06:33,520

a paranormal book called the haunted

160

00:06:39,110 --> 00:06:35,840

burlington wisconsin

161

00:06:42,469 --> 00:06:39,120

and then i have uh just um

162

00:06:44,870 --> 00:06:42,479

a kind of a fun book and it's based on

163

00:06:46,950 --> 00:06:44,880

the mysteries of burlington and

164

00:06:49,110 --> 00:06:46,960

southeastern wisconsin

165

00:06:52,950 --> 00:06:49,120

which now i have to extend into illinois

166

00:06:55,909 --> 00:06:52,960

since now this is where i live now um

167

00:06:58,870 --> 00:06:55,919

i used to have uh for how many years god

168

00:07:00,150 --> 00:06:58,880

six years i think it was um the sci-fi

169

00:07:03,110 --> 00:07:00,160

cafe

170

00:07:05,110 --> 00:07:03,120

six years or longer maybe 10. and that

171

00:07:07,189 --> 00:07:05,120

was a lot of fun i mean you really

172

00:07:09,189 --> 00:07:07,199

attracted a lot of cool interesting

173

00:07:10,950 --> 00:07:09,199

people in conversation there and

174

00:07:11,830 --> 00:07:10,960

conferences i might add

175

00:07:14,710 --> 00:07:11,840

right

176

00:07:17,029 --> 00:07:14,720

and well we always had that

177

00:07:18,629 --> 00:07:17,039

the ominous was that

178

00:07:21,589 --> 00:07:18,639

who

179

00:07:24,309 --> 00:07:21,599

you it was okay to talk about it was

180

00:07:26,790 --> 00:07:24,319

like a safety zone for everyone

181

00:07:28,790 --> 00:07:26,800

you know where you know how you go out

182

00:07:30,390 --> 00:07:28,800

there and try talking to people or

183

00:07:32,950 --> 00:07:30,400

you're in a cafe or something trying to

184

00:07:35,270 --> 00:07:32,960

bring up a conversation ufo's paranormal

185

00:07:39,510 --> 00:07:35,280

everybody looks at you as crazy

186

00:07:41,830 --> 00:07:39,520

but there if everybody in the area knew

187

00:07:43,189 --> 00:07:41,840

that when they came to sci-fi cafe they

188

00:07:45,749 --> 00:07:43,199

had friends

189

00:07:48,390 --> 00:07:45,759

and people of like minds around them so

190

00:07:52,230 --> 00:07:48,400

you know they were always there you know

191

00:07:54,710 --> 00:07:52,240

and got to talk about everything

192

00:07:55,670 --> 00:07:54,720

and even some normal stuff every once in

193

00:07:58,869 --> 00:07:55,680

a while

194

00:08:00,629 --> 00:07:58,879

and uh so it was a place you know it was

195

00:08:03,510 --> 00:08:00,639

like a sanctuary

196

00:08:05,270 --> 00:08:03,520

and it was it was good because at that

197

00:08:07,430 --> 00:08:05,280

point of time there really wasn't that

198

00:08:09,990 --> 00:08:07,440

many places available

199

00:08:12,070 --> 00:08:10,000

that you could actually feel at ease

200

00:08:14,869 --> 00:08:12,080

going someplace meeting friends and

201
00:08:17,270 --> 00:08:14,879
talking you know about the you know

202
00:08:18,550 --> 00:08:17,280
bigfoot cryptids you know the various

203
00:08:19,909 --> 00:08:18,560
cryptids

204
00:08:22,390 --> 00:08:19,919
you know what

205
00:08:25,029 --> 00:08:22,400
you know ufos or whatever

206
00:08:27,350 --> 00:08:25,039
so and then we used to have conferences

207
00:08:28,150 --> 00:08:27,360
there and all different types of meetups

208
00:08:32,149 --> 00:08:28,160
and

209
00:08:33,509 --> 00:08:32,159
i got a lot actually that's where i met

210
00:08:34,870 --> 00:08:33,519
you heidi

211
00:08:37,589 --> 00:08:34,880
it sure is

212
00:08:41,190 --> 00:08:37,599
yeah i just got yes

213
00:08:46,310 --> 00:08:41,200

well ufo days as well dundee oh yeah i

214

00:08:47,269 --> 00:08:46,320

had um i had got bufo radio for uh

215

00:08:50,230 --> 00:08:47,279

uh

216

00:08:51,269 --> 00:08:50,240

16 years something like that

217

00:08:56,790 --> 00:08:51,279

yeah

218

00:08:59,509 --> 00:08:56,800

shows

219

00:09:01,430 --> 00:08:59,519

uh using facebook live stream and

220

00:09:02,949 --> 00:09:01,440

youtube

221

00:09:05,190 --> 00:09:02,959

and so

222

00:09:07,750 --> 00:09:05,200

and people get to interact you know

223

00:09:09,910 --> 00:09:07,760

before this radio show now they can you

224

00:09:12,150 --> 00:09:09,920

know they've got like a little chat room

225

00:09:15,590 --> 00:09:12,160

they can go into listen to the show

226

00:09:18,150 --> 00:09:15,600

visit with me ask questions and

227

00:09:21,350 --> 00:09:18,160

and then we put it out on as an archive

228

00:09:23,910 --> 00:09:21,360

show you know on facebook and youtube so

229

00:09:24,790 --> 00:09:23,920

and it actually goes out on twitter now

230

00:09:27,750 --> 00:09:24,800

too

231

00:09:29,829 --> 00:09:27,760

and they're awesome haunted woods

232

00:09:31,430 --> 00:09:29,839

i didn't even know my shows were being

233

00:09:33,670 --> 00:09:31,440

going through twitter

234

00:09:35,430 --> 00:09:33,680

but then i realized that my shows were

235

00:09:38,310 --> 00:09:35,440

my twitter account was hooked up to my

236

00:09:41,030 --> 00:09:38,320

facebook account so which is awesome

237

00:09:43,030 --> 00:09:41,040

yeah that was kind of a plus yeah

238

00:09:45,269 --> 00:09:43,040

so you're you're out there and the

239

00:09:48,829 --> 00:09:45,279

haunted woods that you tours that you

240

00:09:50,630 --> 00:09:48,839

give are you yeah and i do the

241

00:09:53,509 --> 00:09:50,640

see

242

00:09:55,829 --> 00:09:53,519

oh yeah and i also do haunted tours and

243

00:09:58,630 --> 00:09:55,839

sacred site tours now

244

00:10:00,710 --> 00:09:58,640

and we've been doing pretty good with

245

00:10:02,310 --> 00:10:00,720

the tourists this year

246

00:10:03,829 --> 00:10:02,320

um

247

00:10:05,750 --> 00:10:03,839

you know even though we've been having

248

00:10:08,150 --> 00:10:05,760

so much rain and floods

249

00:10:09,750 --> 00:10:08,160

i was really i was really concerned over

250

00:10:12,470 --> 00:10:09,760

how many mosquitoes we were going to

251

00:10:15,350 --> 00:10:12,480

have out there but but it hasn't been

252

00:10:17,509 --> 00:10:15,360

bad at all and that really surprises me

253

00:10:21,430 --> 00:10:17,519

because you know you're kind of walking

254

00:10:23,190 --> 00:10:21,440

through a swampy area in the woods

255

00:10:25,910 --> 00:10:23,200

and flooding going on you would think

256

00:10:29,670 --> 00:10:25,920

that we would have been ate alive but

257

00:10:33,910 --> 00:10:33,030

no complaints here on that so we had the

258

00:10:36,790 --> 00:10:33,920

the

259

00:10:38,630 --> 00:10:36,800

wonderful little conversation today in

260

00:10:39,829 --> 00:10:38,640

regards to uh

261

00:10:42,230 --> 00:10:39,839

a very

262

00:10:44,710 --> 00:10:42,240

bothersome but fascinating topic at the

263

00:10:48,310 --> 00:10:44,720

same time so tell us what's going on in

264

00:10:49,829 --> 00:10:48,320

your neck of the woods in regards to

265

00:10:51,509 --> 00:10:49,839

i i don't know

266

00:10:53,350 --> 00:10:51,519

it just

267

00:10:55,670 --> 00:10:53,360

boggles the mind that's all i can say

268

00:10:57,350 --> 00:10:55,680

boggles of mine what's going on over

269

00:10:58,829 --> 00:10:57,360

there so do share

270

00:11:06,550 --> 00:10:58,839

okay

271

00:11:09,829 --> 00:11:06,560

to one of my researchers uh cat home

272

00:11:12,550 --> 00:11:09,839

uh she still lives in burlington and she

273

00:11:14,150 --> 00:11:12,560

came across a newspaper

274

00:11:24,630 --> 00:11:14,160

uh

275

00:11:29,269 --> 00:11:24,640

nadoysky

276

00:11:30,710 --> 00:11:29,279

and anyhow it i'm going to read it okay

277

00:11:33,269 --> 00:11:30,720

because that's what kind of sets

278

00:11:35,350 --> 00:11:33,279

everything off right sounds good yes

279

00:11:39,750 --> 00:11:35,360

okay now

280

00:11:42,710 --> 00:11:39,760

is there a way that i can put pictures

281

00:11:44,870 --> 00:11:42,720

through here into the chat room

282

00:11:46,949 --> 00:11:44,880

not that i'm aware of but you can place

283

00:11:48,389 --> 00:11:46,959

it on your facebook page and then just

284

00:11:50,710 --> 00:11:48,399

link it on over

285

00:11:52,550 --> 00:11:50,720

okay that's how i'll do it then

286

00:11:55,190 --> 00:11:52,560

but anyhow there's this great big

287

00:11:58,710 --> 00:11:55,200

picture you know on the paper

288

00:12:01,190 --> 00:11:58,720

uh and it shows all these dump trucks

289

00:12:03,829 --> 00:12:01,200

and back hoes and

290

00:12:07,910 --> 00:12:05,269

i don't know a whole bunch of different

291

00:12:10,550 --> 00:12:07,920

types of construction with a big old

292

00:12:13,990 --> 00:12:10,560

yellow and white sign and the cones a

293

00:12:16,389 --> 00:12:14,000

big old sign that says road closed

294

00:12:19,829 --> 00:12:16,399

and the title of the article that was

295

00:12:23,110 --> 00:12:19,839

written was no bones about it

296

00:12:24,550 --> 00:12:23,120

street project delay will benefit pool

297

00:12:29,350 --> 00:12:24,560

project

298

00:12:32,069 --> 00:12:29,360

so they actually wrote it up as you know

299

00:12:33,829 --> 00:12:32,079

i you know it's see this is how strange

300

00:12:36,470 --> 00:12:33,839

the universe works

301
00:12:39,269 --> 00:12:36,480
you know you make plans to do one thing

302
00:12:42,550 --> 00:12:39,279
but then the universe you know

303
00:12:46,949 --> 00:12:42,560
it has its way of you know

304
00:12:50,310 --> 00:12:48,550
just kind of like how what happened here

305
00:12:52,870 --> 00:12:50,320
tonight with your guest

306
00:12:55,350 --> 00:12:52,880
yeah okay well yeah we'll see

307
00:12:59,590 --> 00:12:55,360
so anyhow first of all comes this big

308
00:13:02,629 --> 00:12:59,600
old picture of them tearing up the road

309
00:13:05,670 --> 00:13:02,639
in uh in burlington

310
00:13:08,389 --> 00:13:05,680
and i had told brad

311
00:13:10,230 --> 00:13:08,399
you know because that burlington got hit

312
00:13:11,509 --> 00:13:10,240
harder than any place else with that

313
00:13:13,110 --> 00:13:11,519

flood

314

00:13:15,590 --> 00:13:13,120

yeah and

315

00:13:17,750 --> 00:13:15,600

you know and i told brad i says you know

316

00:13:21,750 --> 00:13:17,760

with those underground tunnels that

317

00:13:22,790 --> 00:13:21,760

burlington's got and those mounds and

318

00:13:24,230 --> 00:13:22,800

and

319

00:13:27,430 --> 00:13:24,240

you know

320

00:13:31,030 --> 00:13:27,440

i says don't be surprised that flood

321

00:13:32,470 --> 00:13:31,040

doesn't wash up some artifacts of some

322

00:13:35,350 --> 00:13:32,480

sort

323

00:13:36,550 --> 00:13:35,360

and so well that's just about what

324

00:13:39,190 --> 00:13:36,560

happened too

325

00:13:41,590 --> 00:13:39,200

because underneath that picture

326

00:13:43,269 --> 00:13:41,600

it says um

327

00:13:45,670 --> 00:13:43,279

hold on i gotta

328

00:13:49,350 --> 00:13:45,680

bring it up your old boxes right there

329

00:13:51,590 --> 00:13:49,360

cruise from riesling excavating work on

330

00:13:52,790 --> 00:13:51,600

the reconstruction of kendall street in

331

00:13:55,990 --> 00:13:52,800

burlington

332

00:13:59,030 --> 00:13:56,000

tuesday the city has approved using

333

00:14:01,990 --> 00:13:59,040

discarded get this discarded material

334

00:14:05,189 --> 00:14:02,000

from the project to fill in low areas of

335

00:14:06,870 --> 00:14:05,199

the proposed aquatic center site

336

00:14:10,389 --> 00:14:06,880

all right

337

00:14:11,269 --> 00:14:10,399

so they're taking the fill out of this

338

00:14:13,829 --> 00:14:11,279

and

339

00:14:18,150 --> 00:14:13,839

taking it to this aquatic center that

340

00:14:19,269 --> 00:14:18,160

they're building and using it there

341

00:14:22,150 --> 00:14:19,279

okay

342

00:14:23,590 --> 00:14:22,160

so now this guy's the editor-in-chief i

343

00:14:25,910 --> 00:14:23,600

don't have the uh

344

00:14:28,550 --> 00:14:25,920

for some reason i forgot to put the

345

00:14:31,509 --> 00:14:28,560

newspaper name on it darn it

346

00:14:34,310 --> 00:14:31,519

uh i had eternity what could have been a

347

00:14:37,110 --> 00:14:34,320

costly delay in the re reconstruction of

348

00:14:39,269 --> 00:14:37,120

kendall street will likely end up saving

349

00:14:41,670 --> 00:14:39,279

burlington taxpayer money on the

350

00:14:43,750 --> 00:14:41,680

construction of a new aquatic center a

351
00:14:46,629 --> 00:14:43,760
city official said

352
00:14:50,310 --> 00:14:46,639
okay because the costly delay was

353
00:14:52,949 --> 00:14:50,320
because of the flooding right right 1.1

354
00:14:54,949 --> 00:14:52,959
million dollar street project which

355
00:14:57,590 --> 00:14:54,959
includes replacement of water and sewer

356
00:14:59,910 --> 00:14:57,600
service lines and re reconstruction of

357
00:15:03,430 --> 00:14:59,920
the roadway came to the grinding hall in

358
00:15:04,949 --> 00:15:03,440
a late april when the project contractor

359
00:15:07,590 --> 00:15:04,959
reese mann's

360
00:15:10,069 --> 00:15:07,600
excavating unearthed what appeared to be

361
00:15:13,990 --> 00:15:10,079
human bones

362
00:15:16,310 --> 00:15:14,000
city administrator karina walter said

363
00:15:19,030 --> 00:15:16,320

officials reported the findings which

364

00:15:21,030 --> 00:15:19,040

led to the state mandated work

365

00:15:23,110 --> 00:15:21,040

stoppage until this could be

366

00:15:26,310 --> 00:15:23,120

investigated by the wisconsin state

367

00:15:28,629 --> 00:15:26,320

historical society

368

00:15:31,670 --> 00:15:28,639

okay walter said

369

00:15:34,629 --> 00:15:31,680

the investigation

370

00:15:37,829 --> 00:15:34,639

revealed records of prehistoric burial

371

00:15:41,030 --> 00:15:37,839

grounds in the area walters noted in a

372

00:15:43,030 --> 00:15:41,040

memo circulated by city council members

373

00:15:45,269 --> 00:15:43,040

it is approximately six weeks after the

374

00:15:48,230 --> 00:15:45,279

work was halted before the city received

375

00:15:50,710 --> 00:15:48,240

notice from the state historical society

376

00:15:52,629 --> 00:15:50,720

to resume the project

377

00:15:54,870 --> 00:15:52,639

i think at first when we realized it was

378

00:15:57,910 --> 00:15:54,880

at a standstill her thinking was how can

379

00:16:00,389 --> 00:15:57,920

we maximize this walter said we took

380

00:16:03,189 --> 00:16:00,399

something that wasn't a good situation

381

00:16:05,749 --> 00:16:03,199

and we'll be able to maximize it what

382

00:16:07,910 --> 00:16:05,759

she means is because the delay the city

383

00:16:10,949 --> 00:16:07,920

will now be able to use the rubble

384

00:16:14,710 --> 00:16:10,959

generator or in other words

385

00:16:17,110 --> 00:16:14,720

the bones the skeletal remains

386

00:16:17,910 --> 00:16:17,120

a burial site

387

00:16:20,629 --> 00:16:17,920

well

388

00:16:22,550 --> 00:16:20,639

so she calls it rubble generated by the

389

00:16:25,269 --> 00:16:22,560

demolition of the roadway

390

00:16:27,509 --> 00:16:25,279

to be used as filling

391

00:16:31,749 --> 00:16:27,519

for the state for the site of the plan

392

00:16:32,629 --> 00:16:31,759

new aqua aqua aquatic center in denver

393

00:16:37,990 --> 00:16:32,639

park

394

00:16:40,790 --> 00:16:39,509

you could about imagine what it did for

395

00:16:43,990 --> 00:16:40,800

me

396

00:16:45,829 --> 00:16:44,000

okay in her let's see

397

00:16:48,629 --> 00:16:45,839

so uh

398

00:16:50,710 --> 00:16:48,639

so discovery could be

399

00:16:51,590 --> 00:16:50,720

okay hold on

400

00:16:53,829 --> 00:16:51,600

so

401
00:16:55,990 --> 00:16:53,839
this pavement she's not talking about

402
00:16:57,990 --> 00:16:56,000
the pavement they upturned

403
00:16:59,910 --> 00:16:58,000
she's talking about the whole shebang

404
00:17:01,670 --> 00:16:59,920
yeah because see what happened was when

405
00:17:04,549 --> 00:17:01,680
that flood came through

406
00:17:06,470 --> 00:17:04,559
they probably had it at a certain point

407
00:17:08,069 --> 00:17:06,480
dug down so they could lay their

408
00:17:09,829 --> 00:17:08,079
pavement right

409
00:17:11,750 --> 00:17:09,839
but

410
00:17:13,669 --> 00:17:11,760
because you can see that by the you can

411
00:17:16,309 --> 00:17:13,679
see by the um

412
00:17:19,510 --> 00:17:16,319
uh you can see by the road

413
00:17:21,429 --> 00:17:19,520

on the picture that any

414

00:17:24,150 --> 00:17:21,439

you know like cement and all that stuff

415

00:17:25,029 --> 00:17:24,160

had already been removed

416

00:17:28,230 --> 00:17:25,039

okay

417

00:17:30,310 --> 00:17:28,240

so what they're talking about is when

418

00:17:32,710 --> 00:17:30,320

that flood came through and they had dug

419

00:17:37,590 --> 00:17:32,720

down so deep

420

00:17:41,190 --> 00:17:37,600

it pushed it pushed the bones

421

00:17:44,789 --> 00:17:41,200

out of the the mounds

422

00:17:47,110 --> 00:17:44,799

and they were basically floating in

423

00:17:48,070 --> 00:17:47,120

the you know in the foundation part of

424

00:17:49,190 --> 00:17:48,080

the road

425

00:17:50,390 --> 00:17:49,200

wild

426
00:17:51,510 --> 00:17:50,400
so they had

427
00:17:53,909 --> 00:17:51,520
yeah

428
00:17:56,070 --> 00:17:53,919
rubble you mean the rubble was rolling

429
00:17:58,390 --> 00:17:56,080
down the street

430
00:17:59,990 --> 00:17:58,400
and so they cared to have just not

431
00:18:01,270 --> 00:18:00,000
because they had hit the you know

432
00:18:03,669 --> 00:18:01,280
because they were taking it down into

433
00:18:06,390 --> 00:18:03,679
the sewer lines too

434
00:18:10,549 --> 00:18:06,400
so anyhow they dug in there and uh and

435
00:18:12,710 --> 00:18:10,559
it and they didn't say historic remains

436
00:18:15,350 --> 00:18:12,720
which would be a big difference because

437
00:18:17,350 --> 00:18:15,360
that would be native american they said

438
00:18:21,190 --> 00:18:17,360

pre-historic

439

00:18:22,470 --> 00:18:21,200

that would mean the mound builders

440

00:18:23,909 --> 00:18:22,480

my

441

00:18:26,870 --> 00:18:23,919

goodness

442

00:18:29,029 --> 00:18:26,880

have have bones been recovered before

443

00:18:31,350 --> 00:18:29,039

from the mountains

444

00:18:32,950 --> 00:18:31,360

yeah i'm gonna get to that okay okay

445

00:18:34,870 --> 00:18:32,960

okay let's do

446

00:18:37,110 --> 00:18:34,880

okay i love it

447

00:18:38,789 --> 00:18:37,120

so let me just have to say

448

00:18:48,549 --> 00:18:38,799

so

449

00:18:50,390 --> 00:18:48,559

i know i think at first when we realized

450

00:18:52,789 --> 00:18:50,400

it was at a standstill our thinking was

451

00:18:55,830 --> 00:18:52,799

how can we maximize this we took

452

00:18:58,710 --> 00:18:55,840

something that was wasn't a good

453

00:19:00,950 --> 00:18:58,720

situation we were able to maximize it

454

00:19:03,350 --> 00:19:00,960

what she means is because of the delay

455

00:19:04,390 --> 00:19:03,360

the city will now be able to use the

456

00:19:06,470 --> 00:19:04,400

rubble

457

00:19:09,110 --> 00:19:06,480

generated by the demolition of the

458

00:19:12,070 --> 00:19:09,120

roadway to begin filling the site of the

459

00:19:16,070 --> 00:19:12,080

plan new aquatic center

460

00:19:20,070 --> 00:19:16,080

in devore park in her memo walter said

461

00:19:23,270 --> 00:19:20,080

the pool project required about 13 500

462

00:19:25,430 --> 00:19:23,280

cubic yards of imported material to fill

463

00:19:29,350 --> 00:19:25,440

the low spots in the park to accommodate

464

00:19:30,310 --> 00:19:29,360

the new pole and by using this fill

465

00:19:32,070 --> 00:19:30,320

you know

466

00:19:34,230 --> 00:19:32,080

from this mound

467

00:19:36,710 --> 00:19:34,240

from kendall street rather than

468

00:19:39,110 --> 00:19:36,720

importing it from remote sites they'll

469

00:19:41,510 --> 00:19:39,120

be able to save two hundred thousand

470

00:19:43,830 --> 00:19:41,520

dollars

471

00:19:46,070 --> 00:19:43,840

oh gosh

472

00:19:47,190 --> 00:19:46,080

the work the city council on tuesday

473

00:19:49,190 --> 00:19:47,200

approved

474

00:19:51,590 --> 00:19:49,200

a change order in the contract with

475

00:19:53,789 --> 00:19:51,600

riesman's the contract will be paid an

476
00:19:57,110 --> 00:19:53,799
additional 137

477
00:19:59,029 --> 00:19:57,120
386 dollars to prepare the pool site to

478
00:20:01,350 --> 00:19:59,039
receive the bill and transport the bill

479
00:20:04,070 --> 00:20:01,360
from kendall street to the polls site

480
00:20:05,669 --> 00:20:04,080
the greatest portion of that expense 60

481
00:20:08,150 --> 00:20:05,679
615

482
00:20:11,270 --> 00:20:08,160
will be for the transport of 13

483
00:20:13,870 --> 00:20:11,280
500 cubic yards of fill from kendall

484
00:20:18,150 --> 00:20:13,880
street to devore park an additional

485
00:20:21,590 --> 00:20:18,160
9788 is foresight preparation 15801

486
00:20:23,110 --> 00:20:21,600
is where erosion control and 51 000 for

487
00:20:25,909 --> 00:20:23,120
site work

488
00:20:27,909 --> 00:20:25,919

um the funding for the change order will

489

00:20:30,950 --> 00:20:27,919

come from

490

00:20:33,350 --> 00:20:30,960

a 5.4 million

491

00:20:35,430 --> 00:20:33,360

dollars earmarked for pool construction

492

00:20:37,190 --> 00:20:35,440

according to the city waldrop says they

493

00:20:39,590 --> 00:20:37,200

will take up to two ways to prepare the

494

00:20:41,430 --> 00:20:39,600

pool site including installing a

495

00:20:44,070 --> 00:20:41,440

construction fence to separate the

496

00:20:46,470 --> 00:20:44,080

current pool from the fill area before

497

00:20:49,430 --> 00:20:46,480

the project is

498

00:20:52,549 --> 00:20:49,440

can proceed

499

00:20:57,350 --> 00:20:55,750

so anyhow and now see there's a federal

500

00:20:58,710 --> 00:20:57,360

law

501
00:20:59,909 --> 00:20:58,720
against

502
00:21:03,190 --> 00:20:59,919
going uh

503
00:21:06,549 --> 00:21:03,200
you know destroying an ancient mountain

504
00:21:09,110 --> 00:21:06,559
or a burial site all right that's a

505
00:21:10,950 --> 00:21:09,120
federal law that's that

506
00:21:13,510 --> 00:21:10,960
and the thing is instead of them

507
00:21:16,549 --> 00:21:13,520
contacting the state historical or the

508
00:21:18,950 --> 00:21:16,559
state archaeological department

509
00:21:21,029 --> 00:21:18,960
they contacted the state historical

510
00:21:23,270 --> 00:21:21,039
society

511
00:21:27,350 --> 00:21:23,280
and so they found a

512
00:21:29,270 --> 00:21:27,360
a means around it you might say i say

513
00:21:31,590 --> 00:21:29,280

what you're saying wow

514

00:21:33,990 --> 00:21:31,600

yeah and so

515

00:21:36,390 --> 00:21:34,000

anyhow i have the um

516

00:21:37,430 --> 00:21:36,400

i have the whole um

517

00:21:40,070 --> 00:21:37,440

uh

518

00:21:42,230 --> 00:21:40,080

i have the pictures and everything

519

00:21:45,270 --> 00:21:42,240

but she says i think it's good forward

520

00:21:46,950 --> 00:21:45,280

progress for the community to see

521

00:21:48,710 --> 00:21:46,960

well it's like

522

00:21:51,750 --> 00:21:48,720

i don't think so

523

00:21:53,909 --> 00:21:51,760

so these are prehistoric bones these are

524

00:21:56,310 --> 00:21:53,919

prehistoric these are the ones that i

525

00:21:58,870 --> 00:21:56,320

have been trying to prove for what now

526

00:22:02,310 --> 00:21:58,880

16 years or nearly two decades that

527

00:22:03,669 --> 00:22:02,320

actually were in burlington

528

00:22:05,190 --> 00:22:03,679

and now they've been on earth now they

529

00:22:06,390 --> 00:22:05,200

were on earth before though you're

530

00:22:09,270 --> 00:22:06,400

you're saying

531

00:22:11,350 --> 00:22:09,280

yes but never document it

532

00:22:12,390 --> 00:22:11,360

this is the first time we've actually

533

00:22:15,270 --> 00:22:12,400

had

534

00:22:16,710 --> 00:22:15,280

documentation

535

00:22:18,470 --> 00:22:16,720

in print

536

00:22:21,909 --> 00:22:18,480

supported by

537

00:22:23,270 --> 00:22:21,919

the historical state historical society

538

00:22:24,830 --> 00:22:23,280

and the

539

00:22:27,590 --> 00:22:24,840

the city

540

00:22:29,669 --> 00:22:27,600

council and um

541

00:22:33,430 --> 00:22:29,679

in this newspaper

542

00:22:36,630 --> 00:22:33,440

that these are in fact pre-historic

543

00:22:36,640 --> 00:22:41,990

remains is not native american indeed

544

00:22:46,549 --> 00:22:44,310

wow so and i didn't realize that you'd

545

00:22:49,270 --> 00:22:46,559

been trying all these years to try to

546

00:22:51,990 --> 00:22:49,280

prove yes these are these bones exist

547

00:22:53,190 --> 00:22:52,000

somewhere we just got to get to them wow

548

00:22:56,310 --> 00:22:53,200

that's wild

549

00:22:58,549 --> 00:22:56,320

well yeah that's that's why everything

550

00:23:00,630 --> 00:22:58,559

started for me um

551
00:23:02,870 --> 00:23:00,640
is because um

552
00:23:04,710 --> 00:23:02,880
uh

553
00:23:06,390 --> 00:23:04,720
because i was trying to prove out the

554
00:23:09,430 --> 00:23:06,400
underground tunnels

555
00:23:11,190 --> 00:23:09,440
system and to prove this ancient race

556
00:23:14,390 --> 00:23:11,200
and that's what most of my books are

557
00:23:16,710 --> 00:23:14,400
about is in search of ancient man

558
00:23:18,789 --> 00:23:16,720
which is the whole kadesh well when the

559
00:23:21,990 --> 00:23:18,799
indians came to this area they said that

560
00:23:25,350 --> 00:23:22,000
there was giants living in the land uh

561
00:23:27,990 --> 00:23:25,360
that road white skinned red-haired

562
00:23:30,789 --> 00:23:28,000
giants they call and they were told the

563
00:23:33,270 --> 00:23:30,799

name of them these people were called

564

00:23:34,310 --> 00:23:33,280

the hulkadesh

565

00:23:37,750 --> 00:23:34,320

and

566

00:23:40,070 --> 00:23:37,760

in the hookah dish um

567

00:23:42,149 --> 00:23:40,080

let's see uh and they said that the

568

00:23:44,470 --> 00:23:42,159

population was as thick as the tree

569

00:23:47,430 --> 00:23:44,480

leaves on the trees

570

00:23:50,549 --> 00:23:47,440

now this is why the

571

00:23:53,750 --> 00:23:50,559

haunt we have the serpent ridge because

572

00:23:56,710 --> 00:23:53,760

the serpent ridge in the haunted woods

573

00:23:58,789 --> 00:23:56,720

and that sacred circle up there

574

00:24:01,430 --> 00:23:58,799

those were all man-made but i could

575

00:24:04,870 --> 00:24:01,440

never prove it

576

00:24:06,710 --> 00:24:04,880

wow because even i had even called

577

00:24:09,990 --> 00:24:06,720

contacted

578

00:24:13,430 --> 00:24:10,000

they found about oh i don't know

579

00:24:14,230 --> 00:24:13,440

15 14 15 years ago they had found

580

00:24:15,350 --> 00:24:14,240

a

581

00:24:18,870 --> 00:24:15,360

skull

582

00:24:22,070 --> 00:24:18,880

when they were digging out the uh

583

00:24:24,070 --> 00:24:22,080

the foundation for kmart i think it was

584

00:24:25,750 --> 00:24:24,080

my goodness you know just so you know

585

00:24:27,590 --> 00:24:25,760

mary that we did get the the other

586

00:24:32,710 --> 00:24:27,600

person on the line so

587

00:24:36,470 --> 00:24:34,710

the information do you think these are

588

00:24:37,269 --> 00:24:36,480

the red-haired giants that you read

589

00:24:40,470 --> 00:24:37,279

about

590

00:24:43,029 --> 00:24:40,480

yes they have to be they have to be

591

00:24:44,549 --> 00:24:43,039

these are the ones that um

592

00:24:47,350 --> 00:24:44,559

uh uh

593

00:24:49,750 --> 00:24:47,360

that the the stranglight mormons wrote

594

00:24:51,990 --> 00:24:49,760

about um um

595

00:24:54,549 --> 00:24:52,000

saying that uh they were well now the

596

00:24:58,710 --> 00:24:54,559

mormons claim that they were uh like the

597

00:25:01,350 --> 00:24:58,720

lost uh plus people of israel but they

598

00:25:04,149 --> 00:25:01,360

they as they drew them out they look um

599

00:25:04,950 --> 00:25:04,159

they had the roach hair they had uh

600

00:25:16,630 --> 00:25:04,960

they

601
00:25:20,070 --> 00:25:16,640
skinned

602
00:25:22,390 --> 00:25:20,080
and so anyhow so that goes to show you

603
00:25:25,590 --> 00:25:22,400
that the work that the mormons did in

604
00:25:26,710 --> 00:25:25,600
that area to prove out these giants

605
00:25:29,750 --> 00:25:26,720
was

606
00:25:30,870 --> 00:25:29,760
true as well this whole this whole

607
00:25:34,149 --> 00:25:30,880
article

608
00:25:36,549 --> 00:25:34,159
that i put together or that was given to

609
00:25:39,590 --> 00:25:36,559
me and i'm putting everything now i'm

610
00:25:40,870 --> 00:25:39,600
trying to collate all my work on it

611
00:25:43,830 --> 00:25:40,880
because

612
00:25:45,830 --> 00:25:43,840
it's being picked up now by a senator a

613
00:25:49,909 --> 00:25:45,840

local senator

614

00:25:52,310 --> 00:25:49,919

and he want he is on it told me not to

615

00:25:54,870 --> 00:25:52,320

worry about it that he is going to

616

00:25:55,750 --> 00:25:54,880

contact the governors the congress

617

00:25:58,549 --> 00:25:55,760

people

618

00:26:01,269 --> 00:25:58,559

he is contacting everybody and he's

619

00:26:02,549 --> 00:26:01,279

going to get this stopped and even if

620

00:26:07,350 --> 00:26:02,559

that

621

00:26:10,470 --> 00:26:07,360

center is built they can always you know

622

00:26:13,590 --> 00:26:10,480

put out a warrant you know um take them

623

00:26:15,990 --> 00:26:13,600

to court and force them to tear that

624

00:26:17,269 --> 00:26:16,000

aquatic center down to get those remains

625

00:26:19,990 --> 00:26:17,279

out of there

626
00:26:22,830 --> 00:26:20,000
unbelievable who would want to swim on

627
00:26:25,750 --> 00:26:22,840
the bones of prehistoric buddies

628
00:26:27,909 --> 00:26:25,760
findings nobody's going to know that and

629
00:26:30,310 --> 00:26:27,919
remember we remember how i've been

630
00:26:32,070 --> 00:26:30,320
trying to prove out that that uh pyramid

631
00:26:35,510 --> 00:26:32,080
that we have in burlington that step

632
00:26:38,549 --> 00:26:35,520
flat top period right these are the same

633
00:26:42,310 --> 00:26:38,559
people that built that pyramid

634
00:26:44,710 --> 00:26:42,320
so anyhow all my work is coming it's all

635
00:26:48,149 --> 00:26:44,720
closing together you must have goose

636
00:26:51,110 --> 00:26:48,159
bumps i mean come on this is huge and to

637
00:26:53,590 --> 00:26:51,120
be so close let's be so close mary and

638
00:26:57,750 --> 00:26:53,600

not rush down there to the site and just

639

00:27:00,070 --> 00:26:57,760

grab a bone must be like agonizing well

640

00:27:01,830 --> 00:27:00,080

if i grab the funny part is they're

641

00:27:03,909 --> 00:27:01,840

allowing all this to happen even though

642

00:27:05,990 --> 00:27:03,919

that they know that they're prehistoric

643

00:27:08,870 --> 00:27:06,000

bones but if i so much just went down

644

00:27:11,590 --> 00:27:08,880

there and got one little shard that i

645

00:27:13,269 --> 00:27:11,600

would be in federal pen uh federal jail

646

00:27:15,510 --> 00:27:13,279

but they can general

647

00:27:16,870 --> 00:27:15,520

because it's against the law for us to

648

00:27:19,110 --> 00:27:16,880

touch them

649

00:27:21,110 --> 00:27:19,120

so is it is is everything halted right

650

00:27:23,029 --> 00:27:21,120

now i mean what are they doing

651

00:27:25,190 --> 00:27:23,039

well i don't know

652

00:27:27,269 --> 00:27:25,200

i i have a researcher down there in

653

00:27:29,590 --> 00:27:27,279

burlington and she's going to go and

654

00:27:32,390 --> 00:27:29,600

start talking to a few people and plus

655

00:27:33,430 --> 00:27:32,400

that now i've um i'm working with dan

656

00:27:36,149 --> 00:27:33,440

zen

657

00:27:39,750 --> 00:27:36,159

and uh his um well it was through my

658

00:27:42,390 --> 00:27:39,760

luck meeting zanzan or dan zan

659

00:27:45,269 --> 00:27:42,400

that his first cousin that he's very

660

00:27:49,590 --> 00:27:45,279

very close to happens to be the senator

661

00:27:51,830 --> 00:27:49,600

that's interested in in the preservation

662

00:27:52,789 --> 00:27:51,840

of the earth and mountains

663

00:27:55,190 --> 00:27:52,799

wow

664

00:27:56,389 --> 00:27:55,200

so in wisconsin burlington wisconsin we

665

00:28:00,149 --> 00:27:56,399

may have

666

00:28:02,630 --> 00:28:00,159

a true prehistoric finding that uh is

667

00:28:05,909 --> 00:28:02,640

unprecedented to be honest

668

00:28:07,990 --> 00:28:05,919

it's never this will be this is big if

669

00:28:10,950 --> 00:28:08,000

it gets handled right

670

00:28:13,190 --> 00:28:10,960

this can be big and you know me when i

671

00:28:14,870 --> 00:28:13,200

get a hold of something i

672

00:28:17,510 --> 00:28:14,880

i handle it right

673

00:28:20,630 --> 00:28:17,520

and we've got uh sena now that we've got

674

00:28:22,710 --> 00:28:20,640

uh dan's uh first cousin the senator he

675

00:28:25,190 --> 00:28:22,720

told me he says he wants to get right on

676

00:28:27,830 --> 00:28:25,200

it get all the information put together

677

00:28:29,669 --> 00:28:27,840

and he is chomping at the bits how can

678

00:28:31,350 --> 00:28:29,679

people keep in touch with you and keep

679

00:28:32,630 --> 00:28:31,360

apprised of the progress that you're

680

00:28:35,190 --> 00:28:32,640

making on this

681

00:28:37,590 --> 00:28:35,200

uh they can go to facebook.com forward

682

00:28:39,669 --> 00:28:37,600

slash mary sutherland

683

00:28:42,549 --> 00:28:39,679

the best way to do it no i'm sorry that

684

00:28:44,389 --> 00:28:42,559

was wrong anyhow facebook.com forward

685

00:28:47,110 --> 00:28:44,399

slice groups

686

00:28:48,870 --> 00:28:47,120

forward slash mary sutherland and

687

00:28:51,990 --> 00:28:48,880

burlingtonnews.com

688

00:28:54,230 --> 00:28:52,000

or they can go to burlingtonnews.net

689

00:28:55,909 --> 00:28:54,240

dot net all righty well i hate to say we

690

00:28:58,070 --> 00:28:55,919

gotta go mary i'm glad we got that

691

00:28:59,350 --> 00:28:58,080

squeezed in there thank you so much for

692

00:29:00,630 --> 00:28:59,360

joining me

693

00:29:03,909 --> 00:29:00,640

this is awesome

694

00:29:06,070 --> 00:29:03,919

this is this is totally awesome oh my

695

00:29:07,510 --> 00:29:06,080

gosh i will keep in touch and keep a

696

00:29:09,350 --> 00:29:07,520

prize maybe we'll just have to do a full

697

00:29:11,029 --> 00:29:09,360

show on it uh yeah guys we're gonna go

698

00:29:15,269 --> 00:29:11,039

to a break you're listening to me how's

699

00:29:19,350 --> 00:29:17,190

welcome back everybody you're listening

700

00:29:21,430 --> 00:29:19,360

to me heidi haus the outlander

701
00:29:23,669 --> 00:29:21,440
remembering always if it's weird we're

702
00:29:25,350 --> 00:29:23,679
here we're giving you advice and insight

703
00:29:28,430 --> 00:29:25,360
on outlandish topics phone lines are

704
00:29:32,950 --> 00:29:30,710
1-888-919-2355 but i am aware that most

705
00:29:34,789 --> 00:29:32,960
of you listen to us through the app

706
00:29:38,070 --> 00:29:34,799
or iheart when we're not live so it's

707
00:29:40,310 --> 00:29:38,080
all good it's all good i have a another

708
00:29:42,149 --> 00:29:40,320
fantastic guest that's joining us right

709
00:29:44,269 --> 00:29:42,159
now i'm going to introduce him

710
00:29:46,389 --> 00:29:44,279
james schwartz is a board certified

711
00:29:48,470 --> 00:29:46,399
hypnotherapist and an

712
00:29:50,230 --> 00:29:48,480
lp practitioner

713
00:29:52,630 --> 00:29:50,240

he is certified by the national guild of

714

00:29:55,590 --> 00:29:52,640

hypnotists and a member of the colorado

715

00:29:57,430 --> 00:29:55,600

association of psychotherapists

716

00:29:59,909 --> 00:29:57,440

james is the founder and director of the

717

00:30:01,909 --> 00:29:59,919

rocky mountain hypnotherapy center in

718

00:30:03,750 --> 00:30:01,919

lakewood colorado

719

00:30:05,510 --> 00:30:03,760

and the certified and complementary

720

00:30:09,430 --> 00:30:05,520

medical hypnosis

721

00:30:12,389 --> 00:30:09,440

wow hypno birthing uh neuro linguistic

722

00:30:14,549 --> 00:30:12,399

programming and he's a graduate of cal

723

00:30:17,110 --> 00:30:14,559

state dominguez hills

724

00:30:19,269 --> 00:30:17,120

and san diego state university james is

725

00:30:21,750 --> 00:30:19,279

a gifted teacher speaker writer and

726

00:30:25,190 --> 00:30:21,760

musician he's also the author of

727

00:30:27,830 --> 00:30:25,200

one voice sacred wisdom and the mind

728

00:30:30,789 --> 00:30:27,840

body fertility connection everybody

729

00:30:32,950 --> 00:30:30,799

round of applause for james schwartz

730

00:30:34,950 --> 00:30:32,960

they are going mental james how's it

731

00:30:36,950 --> 00:30:34,960

going this evening how are you doing

732

00:30:40,630 --> 00:30:36,960

great how are you doing

733

00:30:45,990 --> 00:30:43,669

my goodness so you you touch on uh

734

00:30:48,230 --> 00:30:46,000

something that i don't usually

735

00:30:51,669 --> 00:30:48,240

chat on this program though i could i

736

00:30:53,590 --> 00:30:51,679

could more uh hypnosis hypnotherapy in

737

00:30:56,149 --> 00:30:53,600

general is something that i i believe

738

00:30:57,750 --> 00:30:56,159

goes hand in hand with

739

00:31:01,190 --> 00:30:57,760

the mystery

740

00:31:03,510 --> 00:31:01,200

called this life and how to tap into

741

00:31:06,710 --> 00:31:03,520

different elements of this life

742

00:31:08,549 --> 00:31:06,720

and it's kind of a unique area and it's

743

00:31:10,950 --> 00:31:08,559

one of those things that it's you know

744

00:31:13,110 --> 00:31:10,960

it exists you can't put it in your hands

745

00:31:16,149 --> 00:31:13,120

but you know it's there

746

00:31:20,149 --> 00:31:16,159

and somehow you're able to grasp it in

747

00:31:25,750 --> 00:31:20,159

other ways so i i'm curious how do you

748

00:31:27,750 --> 00:31:25,760

describe the the whole thing of hypnosis

749

00:31:29,269 --> 00:31:27,760

well if you have a lowe's advantage card

750

00:31:31,190 --> 00:31:29,279

you can get an extra five percent off

751
00:31:32,789 --> 00:31:31,200
every day on items big or small so you

752
00:31:34,549 --> 00:31:32,799
can save an extra five percent on a new

753
00:31:36,389 --> 00:31:34,559
coat of paint updating appliances

754
00:31:38,149 --> 00:31:36,399
replacing the flooring and even save an

755
00:31:39,830 --> 00:31:38,159
extra five percent on little things like

756
00:31:41,990 --> 00:31:39,840
cleaning supplies laundry detergent and

757
00:31:43,830 --> 00:31:42,000
air filters the big to-do's to the

758
00:31:45,590 --> 00:31:43,840
everyday essentials you get an extra

759
00:31:47,350 --> 00:31:45,600
five percent savings every day when you

760
00:31:49,590 --> 00:31:47,360
use your lowe's advantage card if you

761
00:31:51,430 --> 00:31:49,600
don't have one apply today all projects

762
00:31:52,789 --> 00:31:51,440
have a starting point start with lows

763
00:31:53,990 --> 00:31:52,799

subject to credit approval and can't be

764

00:31:55,750 --> 00:31:54,000

combined with any other credit offers

765

00:31:57,750 --> 00:31:55,760

exclusions apply c store for details us

766

00:31:59,269 --> 00:31:57,760

only well hypnosis is the best way to

767

00:32:01,750 --> 00:31:59,279

look at it is

768

00:32:02,710 --> 00:32:01,760

a way of working with the subconscious

769

00:32:04,950 --> 00:32:02,720

mind

770

00:32:06,710 --> 00:32:04,960

what happens is we try and kind of just

771

00:32:08,950 --> 00:32:06,720

divert the attention of the critical or

772

00:32:10,870 --> 00:32:08,960

conscious mind out of the way that way

773

00:32:13,029 --> 00:32:10,880

we can focus on the subconscious mind

774

00:32:13,750 --> 00:32:13,039

and that seems to be where all the roots

775

00:32:16,070 --> 00:32:13,760

of

776

00:32:18,710 --> 00:32:16,080

our issues are you know all our stuff is

777

00:32:20,470 --> 00:32:18,720

all our preconceived ideas and notions

778

00:32:23,029 --> 00:32:20,480

and beliefs that we have in our lifetime

779

00:32:26,830 --> 00:32:23,039

so it's kind of a direct way

780

00:32:29,750 --> 00:32:26,840

to work on people's issues without any

781

00:32:30,870 --> 00:32:29,760

interference hmm that's interesting it's

782

00:32:32,389 --> 00:32:30,880

a little bit hard to hear i don't know

783

00:32:36,149 --> 00:32:32,399

if you could pull your mic up a little

784

00:32:38,310 --> 00:32:36,159

bit like like i kind of hear you but um

785

00:32:39,350 --> 00:32:38,320

what that that that makes sense you know

786

00:32:45,029 --> 00:32:39,360

it's

787

00:32:50,549 --> 00:32:48,230

an inner self that we may want to look

788

00:32:53,029 --> 00:32:50,559

at but then sometimes we may regret if

789

00:32:55,190 --> 00:32:53,039

we look at it and it's like how can we

790

00:32:58,470 --> 00:32:55,200

filter that is there really any kind of

791

00:33:01,509 --> 00:32:58,480

control in being able to filter

792

00:33:04,310 --> 00:33:01,519

what it is you reveal about yourself

793

00:33:06,310 --> 00:33:04,320

in a hypnotic session

794

00:33:08,630 --> 00:33:06,320

well in the session the client is

795

00:33:10,870 --> 00:33:08,640

actually in control the entire time

796

00:33:12,470 --> 00:33:10,880

so you know i joke with clients and say

797

00:33:13,990 --> 00:33:12,480

you're not going to tell me where you've

798

00:33:15,669 --> 00:33:14,000

hidden that money in your backyard

799

00:33:16,549 --> 00:33:15,679

they're not going to do things like that

800

00:33:20,070 --> 00:33:16,559

just

801
00:33:22,149 --> 00:33:20,080
let things go like that um so they're in

802
00:33:24,470 --> 00:33:22,159
control of things but usually by the

803
00:33:26,549 --> 00:33:24,480
time they come to see a hypnotherapist

804
00:33:28,710 --> 00:33:26,559
to work on some of the deeper issues you

805
00:33:31,430 --> 00:33:28,720
know that might be things like anxiety

806
00:33:33,830 --> 00:33:31,440
or anger or fears or phobias

807
00:33:35,669 --> 00:33:33,840
they're wanting to really make a change

808
00:33:37,430 --> 00:33:35,679
and a lot of them are saying you know

809
00:33:38,549 --> 00:33:37,440
let's do it and let's do it you know in

810
00:33:40,630 --> 00:33:38,559
a big way

811
00:33:42,870 --> 00:33:40,640
and so by just going to the source of

812
00:33:44,549 --> 00:33:42,880
the roots of what's going on

813
00:33:47,509 --> 00:33:44,559

we get it

814

00:33:51,269 --> 00:33:47,519

results much quicker and results that

815

00:33:57,750 --> 00:33:55,110

now in your book one voice sacred wisdom

816

00:34:00,710 --> 00:33:57,760

you explore into something i i find

817

00:34:03,190 --> 00:34:00,720

absolutely fascinating is digging into

818

00:34:04,549 --> 00:34:03,200

other realms other realities and and

819

00:34:06,870 --> 00:34:04,559

other uh

820

00:34:09,909 --> 00:34:06,880

i don't know forms that we take and that

821

00:34:12,710 --> 00:34:09,919

others can take how do you explain what

822

00:34:13,750 --> 00:34:12,720

exactly we're reaching into

823

00:34:15,589 --> 00:34:13,760

uh

824

00:34:17,510 --> 00:34:15,599

when you say another realm people say

825

00:34:19,669 --> 00:34:17,520

dimensions it's like well what is what

826

00:34:22,869 --> 00:34:19,679

is it i mean again we can't put in our

827

00:34:25,829 --> 00:34:22,879

hands so what are we talking about

828

00:34:27,430 --> 00:34:25,839

well when i first started this i guess i

829

00:34:28,869 --> 00:34:27,440

should go back and say you know about

830

00:34:30,470 --> 00:34:28,879

two years ago

831

00:34:31,270 --> 00:34:30,480

what i did was

832

00:34:32,310 --> 00:34:31,280

i

833

00:34:34,389 --> 00:34:32,320

spent

834

00:34:36,550 --> 00:34:34,399

two years with hypnosis clients having

835

00:34:38,149 --> 00:34:36,560

them communicate with their guides

836

00:34:39,909 --> 00:34:38,159

and those guys could be like angels or

837

00:34:42,310 --> 00:34:39,919

spirit guides or animal guides or

838

00:34:44,149 --> 00:34:42,320

ancestors and i would ask questions like

839

00:34:46,069 --> 00:34:44,159

what happens when we die is there such a

840

00:34:49,109 --> 00:34:46,079

thing as karma how do we heal ourselves

841

00:34:51,349 --> 00:34:49,119

those kinds of things and

842

00:34:53,109 --> 00:34:51,359

when i asked about what happens when we

843

00:34:54,310 --> 00:34:53,119

die

844

00:34:59,829 --> 00:34:54,320

the

845

00:35:01,750 --> 00:34:59,839

guides was

846

00:35:03,910 --> 00:35:01,760

when we die

847

00:35:06,390 --> 00:35:03,920

the body just kind of falls away but our

848

00:35:07,750 --> 00:35:06,400

spirit or our energy our essence or

849

00:35:09,510 --> 00:35:07,760

higher self whatever you want to call it

850

00:35:14,230 --> 00:35:09,520

continues on

851
00:35:15,910 --> 00:35:14,240
where and that's when they started

852
00:35:19,670 --> 00:35:15,920
talking about other realms and other

853
00:35:24,630 --> 00:35:22,069
that's fascinating so

854
00:35:26,790 --> 00:35:24,640
these different layers of

855
00:35:28,950 --> 00:35:26,800
like i've heard literally like heaven is

856
00:35:31,670 --> 00:35:28,960
literally on earth that's just another

857
00:35:33,910 --> 00:35:31,680
dimension that we personally can't see

858
00:35:35,670 --> 00:35:33,920
is this other dimension literally on the

859
00:35:36,790 --> 00:35:35,680
earth or are we talking about into the

860
00:35:41,270 --> 00:35:36,800
ethers

861
00:35:42,870 --> 00:35:41,280
and i can kind of tell you the story

862
00:35:44,069 --> 00:35:42,880
about how this came about which is i

863
00:35:46,710 --> 00:35:44,079

think a really interesting story if

864

00:35:48,069 --> 00:35:46,720

you'd like please do yes

865

00:35:49,270 --> 00:35:48,079

okay so

866

00:35:51,510 --> 00:35:49,280

when i would

867

00:35:53,990 --> 00:35:51,520

talk to the guides the way it would work

868

00:35:56,150 --> 00:35:54,000

is i would talk to the hypnosis client

869

00:35:57,750 --> 00:35:56,160

and it was really their guides that they

870

00:35:59,349 --> 00:35:57,760

were communicating with

871

00:36:01,430 --> 00:35:59,359

and they could get answers or

872

00:36:03,589 --> 00:36:01,440

communicate in three different ways

873

00:36:06,069 --> 00:36:03,599

the first one is the client would

874

00:36:08,310 --> 00:36:06,079

actually sort of channel the

875

00:36:10,550 --> 00:36:08,320

what the guides were saying and that was

876

00:36:13,510 --> 00:36:10,560

kind of interesting because that means

877

00:36:15,190 --> 00:36:13,520

they change speech patterns they change

878

00:36:16,550 --> 00:36:15,200

breathing patterns they sometimes have

879

00:36:18,310 --> 00:36:16,560

an accent they have a different

880

00:36:19,589 --> 00:36:18,320

inflection so it's almost like a

881

00:36:21,109 --> 00:36:19,599

different person speaking through them

882

00:36:24,230 --> 00:36:21,119

so that's one option

883

00:36:26,150 --> 00:36:24,240

the second one is that the clients

884

00:36:28,310 --> 00:36:26,160

would get the answers directly from the

885

00:36:30,230 --> 00:36:28,320

guy they would either hear it or

886

00:36:32,390 --> 00:36:30,240

they would just get it by intuition and

887

00:36:33,510 --> 00:36:32,400

then they would give me the response but

888

00:36:35,270 --> 00:36:33,520

the third

889

00:36:36,550 --> 00:36:35,280

way that the clients and the guides

890

00:36:39,190 --> 00:36:36,560

would communicate

891

00:36:41,829 --> 00:36:39,200

is the guides would actually take

892

00:36:44,550 --> 00:36:41,839

the client to a scene or to an

893

00:36:46,069 --> 00:36:44,560

experience so that the client

894

00:36:48,069 --> 00:36:46,079

would experience it firsthand and then

895

00:36:50,550 --> 00:36:48,079

they could share that experience with me

896

00:36:52,470 --> 00:36:50,560

so for example like i remember asking

897

00:36:54,870 --> 00:36:52,480

one client you know how do we bring more

898

00:36:57,829 --> 00:36:54,880

peace to the world and how do we bring

899

00:36:59,750 --> 00:36:57,839

more calmness and more unity and she

900

00:37:01,270 --> 00:36:59,760

said oh they took me to this place where

901
00:37:02,870 --> 00:37:01,280
these people are holding hands and

902
00:37:05,109 --> 00:37:02,880
they're all singing and praying and

903
00:37:07,190 --> 00:37:05,119
their their intention is to really bring

904
00:37:09,430 --> 00:37:07,200
light and love to the planet and that's

905
00:37:11,349 --> 00:37:09,440
how a big question was answered

906
00:37:13,990 --> 00:37:11,359
so anyway kind of going back what

907
00:37:15,349 --> 00:37:14,000
happened is i asked about what happens

908
00:37:17,030 --> 00:37:15,359
after we die

909
00:37:18,310 --> 00:37:17,040
and i'm being told about these other

910
00:37:20,069 --> 00:37:18,320
realms

911
00:37:23,750 --> 00:37:20,079
and i work with this woman that i call

912
00:37:25,430 --> 00:37:23,760
danielle in the book and i say well you

913
00:37:27,589 --> 00:37:25,440

know are there other planes are there

914

00:37:30,230 --> 00:37:27,599

other existences

915

00:37:31,589 --> 00:37:30,240

and she just kind of lights up her face

916

00:37:33,589 --> 00:37:31,599

just lights up

917

00:37:34,710 --> 00:37:33,599

and then she starts whispering and she

918

00:37:36,950 --> 00:37:34,720

goes

919

00:37:38,470 --> 00:37:36,960

he took me to a different plane he of

920

00:37:40,310 --> 00:37:38,480

course is the guide

921

00:37:41,270 --> 00:37:40,320

and she goes it's very high it's very

922

00:37:42,790 --> 00:37:41,280

light

923

00:37:44,390 --> 00:37:42,800

and i'm going okay well well tell me

924

00:37:46,550 --> 00:37:44,400

about that and she goes

925

00:37:47,990 --> 00:37:46,560

it's very hard to talk the frequency is

926
00:37:50,550 --> 00:37:48,000
very high

927
00:37:52,069 --> 00:37:50,560
and the vibration is taking me time to

928
00:37:54,390 --> 00:37:52,079
get used to

929
00:37:56,710 --> 00:37:54,400
so he shows me that's the answer to your

930
00:37:57,990 --> 00:37:56,720
question he took me to where he says i

931
00:38:00,550 --> 00:37:58,000
work at night

932
00:38:02,230 --> 00:38:00,560
although i'm here on earth physically

933
00:38:05,670 --> 00:38:02,240
i could be in a different plane at the

934
00:38:07,750 --> 00:38:05,680
same time and that kind of opened up the

935
00:38:10,069 --> 00:38:07,760
whole world of these other realms and

936
00:38:12,790 --> 00:38:10,079
planes and then once that happened i

937
00:38:14,069 --> 00:38:12,800
figured if the guide is willing and the

938
00:38:15,430 --> 00:38:14,079

client is willing

939

00:38:16,790 --> 00:38:15,440

we're going to go to other guides and

940

00:38:18,390 --> 00:38:16,800

experience

941

00:38:20,310 --> 00:38:18,400

what our other realms and see what's

942

00:38:23,270 --> 00:38:20,320

going on there so you're saying like a

943

00:38:25,510 --> 00:38:23,280

duality of existence

944

00:38:28,950 --> 00:38:25,520

a person can have so they could be here

945

00:38:31,589 --> 00:38:28,960

physically mowing the lawn but

946

00:38:33,510 --> 00:38:31,599

spiritually they can be

947

00:38:35,910 --> 00:38:33,520

experiencing something all new

948

00:38:38,310 --> 00:38:35,920

altogether

949

00:38:39,670 --> 00:38:38,320

yes absolutely so that's

950

00:38:42,150 --> 00:38:39,680

that well

951
00:38:44,790 --> 00:38:42,160
what they were really talking about was

952
00:38:47,030 --> 00:38:44,800
parallel planes in other words different

953
00:38:48,470 --> 00:38:47,040
existences that are happening at the

954
00:38:50,710 --> 00:38:48,480
same time

955
00:38:52,710 --> 00:38:50,720
and you know i have to preface this by

956
00:38:54,470 --> 00:38:52,720
saying i didn't really believe in this

957
00:38:57,030 --> 00:38:54,480
stuff when i started out so it was kind

958
00:38:57,829 --> 00:38:57,040
of a new adventure for me

959
00:39:00,550 --> 00:38:57,839
so

960
00:39:02,950 --> 00:39:00,560
i said all right if that's really true

961
00:39:04,310 --> 00:39:02,960
let's experiment let's try it and so i

962
00:39:06,790 --> 00:39:04,320
would have people

963
00:39:08,230 --> 00:39:06,800

go to these other realms

964

00:39:10,550 --> 00:39:08,240

and

965

00:39:11,910 --> 00:39:10,560

tell me about them but i also they

966

00:39:13,990 --> 00:39:11,920

started talking about well there's

967

00:39:15,829 --> 00:39:14,000

parallel planes

968

00:39:17,990 --> 00:39:15,839

while you're here on this planet so in

969

00:39:20,470 --> 00:39:18,000

other words while i'm talking to you

970

00:39:22,470 --> 00:39:20,480

and you're the host of this radio show

971

00:39:24,310 --> 00:39:22,480

you might also be like a professor in

972

00:39:26,390 --> 00:39:24,320

england at the same time in a different

973

00:39:27,510 --> 00:39:26,400

body but that's your same spirit energy

974

00:39:29,750 --> 00:39:27,520

and you're saying

975

00:39:31,990 --> 00:39:29,760

you know essence or higher self and you

976

00:39:33,750 --> 00:39:32,000

might be you know like i'm a rock star i

977

00:39:35,510 --> 00:39:33,760

don't know if you will yet but i'm just

978

00:39:36,340 --> 00:39:35,520

going to say it

979

00:39:39,670 --> 00:39:36,350

that could be

980

00:39:42,550 --> 00:39:39,680

[Laughter]

981

00:39:43,430 --> 00:39:42,560

geez wow that's what you know i i'm i'm

982

00:40:00,390 --> 00:39:43,440

a

983

00:40:01,510 --> 00:40:00,400

set your own schedule for the first time

984

00:40:03,030 --> 00:40:01,520

in your life i'm living in the

985

00:40:05,510 --> 00:40:03,040

dormitories

986

00:40:07,430 --> 00:40:05,520

and i was living such a a full and

987

00:40:08,230 --> 00:40:07,440

complete life when i would go to bed at

988

00:40:11,430 --> 00:40:08,240

night

989

00:40:14,150 --> 00:40:11,440

i hated waking up the next day to this

990

00:40:16,550 --> 00:40:14,160

other life and so i started sleeping

991

00:40:19,030 --> 00:40:16,560

sporadically two hours at a time so i

992

00:40:19,990 --> 00:40:19,040

didn't get so involved in where i was

993

00:40:21,430 --> 00:40:20,000

going

994

00:40:22,950 --> 00:40:21,440

because it was too heartbreaking to

995

00:40:25,750 --> 00:40:22,960

leave

996

00:40:28,069 --> 00:40:25,760

so it's it's kind of it's kind of

997

00:40:30,150 --> 00:40:28,079

fascinating to hear this and and other

998

00:40:31,750 --> 00:40:30,160

other odd uh

999

00:40:33,270 --> 00:40:31,760

ties are popping up in my head when

1000

00:40:35,270 --> 00:40:33,280

you're talking about this so i'm i'm

1001
00:40:36,790 --> 00:40:35,280
truly intrigued i i don't know if i've

1002
00:40:39,510 --> 00:40:36,800
heard others

1003
00:40:43,510 --> 00:40:39,520
discuss that so in detail so

1004
00:40:44,310 --> 00:40:43,520
so we're able to live these dual lives

1005
00:40:46,710 --> 00:40:44,320
for

1006
00:40:49,270 --> 00:40:46,720
it it makes me you know people if you're

1007
00:40:51,670 --> 00:40:49,280
a mom especially you think you have

1008
00:40:54,230 --> 00:40:51,680
enough in one life to keep busy but now

1009
00:40:56,470 --> 00:40:54,240
you're saying

1010
00:40:59,030 --> 00:40:56,480
what is this just

1011
00:41:02,230 --> 00:40:59,040
maddening to some i'm sure to hear or is

1012
00:41:04,230 --> 00:41:02,240
it is it just how things are

1013
00:41:06,150 --> 00:41:04,240

i think it's how things are but i think

1014

00:41:07,510 --> 00:41:06,160

it's actually kind of comforting to know

1015

00:41:08,950 --> 00:41:07,520

because

1016

00:41:11,270 --> 00:41:08,960

if we

1017

00:41:13,270 --> 00:41:11,280

have all these different existences

1018

00:41:15,109 --> 00:41:13,280

and it sounds like you know i tried to

1019

00:41:16,309 --> 00:41:15,119

pin them down with numbers and the

1020

00:41:17,990 --> 00:41:16,319

guides would say things like well it

1021

00:41:19,510 --> 00:41:18,000

depends how evolved the person is you

1022

00:41:22,309 --> 00:41:19,520

know how many different experiences how

1023

00:41:24,470 --> 00:41:22,319

many different planes there they're in

1024

00:41:27,109 --> 00:41:24,480

but you know you might be in a hundred

1025

00:41:29,030 --> 00:41:27,119

places at the same time but it makes you

1026

00:41:31,030 --> 00:41:29,040

realize that

1027

00:41:32,630 --> 00:41:31,040

this lifetime you know it seems very

1028

00:41:34,390 --> 00:41:32,640

important to us and it is it's very

1029

00:41:36,230 --> 00:41:34,400

significant but

1030

00:41:39,030 --> 00:41:36,240

if we have hundreds of life's going on

1031

00:41:40,790 --> 00:41:39,040

at the same time and

1032

00:41:43,270 --> 00:41:40,800

you know maybe

1033

00:41:45,990 --> 00:41:43,280

tens or thousands of them going on

1034

00:41:49,349 --> 00:41:46,000

over time then

1035

00:41:51,430 --> 00:41:49,359

it's not as scary to face death or know

1036

00:41:52,390 --> 00:41:51,440

that when we transition we just go to

1037

00:42:03,670 --> 00:41:52,400

another

1038

00:42:05,750 --> 00:42:03,680

that is fascinating i i i swear i i wish

1039

00:42:08,390 --> 00:42:05,760

you lived closer i we could talk we

1040

00:42:09,910 --> 00:42:08,400

could still talk

1041

00:42:11,910 --> 00:42:09,920

this is just

1042

00:42:14,630 --> 00:42:11,920

i literally i don't even know i i

1043

00:42:18,309 --> 00:42:14,640

literally remember a

1044

00:42:20,150 --> 00:42:18,319

gentleman that agreed uh or the body

1045

00:42:22,150 --> 00:42:20,160

agreed i don't know but um if something

1046

00:42:23,510 --> 00:42:22,160

would were to happen to me i i know what

1047

00:42:24,630 --> 00:42:23,520

i would look like

1048

00:42:26,790 --> 00:42:24,640

um

1049

00:42:28,870 --> 00:42:26,800

and it's in real time it's like up if i

1050

00:42:30,550 --> 00:42:28,880

croak here i know where i'm going and i

1051
00:42:32,550 --> 00:42:30,560
even told my sister i'm like so if a guy

1052
00:42:34,150 --> 00:42:32,560
says he's from here and he looks like

1053
00:42:36,390 --> 00:42:34,160
this that's me

1054
00:42:40,790 --> 00:42:36,400
and she's like what are you kidding me

1055
00:42:42,390 --> 00:42:40,800
like no i i don't i i'm so certain of of

1056
00:42:45,750 --> 00:42:42,400
that and uh

1057
00:42:49,190 --> 00:42:45,760
yeah just just so bizarre so are others

1058
00:42:51,750 --> 00:42:49,200
having this type of memory and reality

1059
00:42:53,270 --> 00:42:51,760
of having this duality um

1060
00:42:55,270 --> 00:42:53,280
forward in their minds or is it

1061
00:42:57,430 --> 00:42:55,280
something that has to be

1062
00:42:59,430 --> 00:42:57,440
found through hypnosis only

1063
00:43:01,349 --> 00:42:59,440

have you met others that remember these

1064

00:43:04,069 --> 00:43:01,359

things outright

1065

00:43:06,069 --> 00:43:04,079

um not so much it's really kind of

1066

00:43:12,550 --> 00:43:06,079

something i've discovered in the process

1067

00:43:16,550 --> 00:43:14,550

and i have had other people who've you

1068

00:43:18,790 --> 00:43:16,560

know had alien existences by the way

1069

00:43:19,670 --> 00:43:18,800

just so so you don't oh oh i've got

1070

00:43:21,270 --> 00:43:19,680

stories

1071

00:43:23,910 --> 00:43:21,280

hey i've got a couple of books on that

1072

00:43:25,510 --> 00:43:23,920

too so it's all good wow

1073

00:43:27,510 --> 00:43:25,520

wow that's

1074

00:43:29,750 --> 00:43:27,520

cool so but people again there's still

1075

00:43:32,069 --> 00:43:29,760

it's having to happen through hypnosis

1076

00:43:34,790 --> 00:43:32,079

you're saying mostly

1077

00:43:37,030 --> 00:43:34,800

that well it seems see what if we can go

1078

00:43:39,190 --> 00:43:37,040

to there's like different states of

1079

00:43:41,270 --> 00:43:39,200

consciousness so there's like

1080

00:43:43,030 --> 00:43:41,280

the beta state which is kind of waking

1081

00:43:45,829 --> 00:43:43,040

that alpha is like falling asleep then

1082

00:43:48,309 --> 00:43:45,839

theta is like hypnosis or you know a

1083

00:43:50,870 --> 00:43:48,319

deeper state if you can go to those

1084

00:43:53,349 --> 00:43:50,880

states then i think this information is

1085

00:43:55,270 --> 00:43:53,359

much more accessible to us and so that's

1086

00:43:57,109 --> 00:43:55,280

why hypnosis is kind of a good vehicle

1087

00:44:00,390 --> 00:43:57,119

for this

1088

00:44:02,390 --> 00:44:00,400

is everybody able to be hypnotized

1089

00:44:05,829 --> 00:44:02,400

there's you know if somebody wants to

1090

00:44:07,910 --> 00:44:05,839

block it if someone is very fearful or

1091

00:44:08,630 --> 00:44:07,920

resistant they can definitely block it

1092

00:44:10,790 --> 00:44:08,640

so

1093

00:44:12,950 --> 00:44:10,800

i was at a seminar one time where

1094

00:44:14,550 --> 00:44:12,960

the guy said i'm gonna make you all make

1095

00:44:16,230 --> 00:44:14,560

it so you don't like chocolate anymore

1096

00:44:17,990 --> 00:44:16,240

and i thought well i love chocolate i'm

1097

00:44:20,550 --> 00:44:18,000

not gonna do that you know so i just

1098

00:44:21,990 --> 00:44:20,560

gotta put up the the block the screens

1099

00:44:24,230 --> 00:44:22,000

the shields or whatever just said i'm

1100

00:44:26,950 --> 00:44:24,240

not going to do that but generally yes

1101

00:44:28,470 --> 00:44:26,960

any pretty much anyone can you know they

1102

00:44:30,950 --> 00:44:28,480

have to be able to follow directions of

1103

00:44:32,309 --> 00:44:30,960

course and they have to be a willing

1104

00:44:33,829 --> 00:44:32,319

subject that's those are the two main

1105

00:44:36,069 --> 00:44:33,839

things

1106

00:44:38,230 --> 00:44:36,079

that's fascinating but it now i've heard

1107

00:44:39,270 --> 00:44:38,240

that once you are able to be hypnotized

1108

00:44:44,150 --> 00:44:39,280

that

1109

00:44:45,910 --> 00:44:44,160

true yes each time you go a little

1110

00:44:47,109 --> 00:44:45,920

deeper each time you remember a little

1111

00:44:49,270 --> 00:44:47,119

bit more

1112

00:44:51,190 --> 00:44:49,280

so the more people practice things like

1113

00:44:53,270 --> 00:44:51,200

self-hypnosis

1114

00:44:55,030 --> 00:44:53,280

the deeper they're gonna go and the more

1115

00:44:57,030 --> 00:44:55,040

access they're gonna have to work with

1116

00:44:59,109 --> 00:44:57,040

like guides and angels and spirits and

1117

00:45:01,190 --> 00:44:59,119

totems and things like that my brain is

1118

00:45:03,349 --> 00:45:01,200

a thick wall then because i've tried and

1119

00:45:06,550 --> 00:45:03,359

i have not been successful

1120

00:45:09,190 --> 00:45:06,560

oh but okay so

1121

00:45:11,910 --> 00:45:09,200

people are going to

1122

00:45:13,589 --> 00:45:11,920

life between life as well as the

1123

00:45:15,430 --> 00:45:13,599

afterlife in some of these sessions

1124

00:45:17,910 --> 00:45:15,440

you're you're having

1125

00:45:20,710 --> 00:45:17,920

they do and a lot of times what you're

1126
00:45:22,950 --> 00:45:20,720
looking at in that time and space

1127
00:45:25,190 --> 00:45:22,960
is kind of the life review in other

1128
00:45:27,190 --> 00:45:25,200
words what were they supposed to learn

1129
00:45:29,670 --> 00:45:27,200
in a particular existence

1130
00:45:31,670 --> 00:45:29,680
and maybe what their objective or goal

1131
00:45:34,630 --> 00:45:31,680
is as they move forward into the next

1132
00:45:37,990 --> 00:45:34,640
life so it's kind of it can be a very

1133
00:45:40,309 --> 00:45:38,000
informative area to investigate

1134
00:45:41,829 --> 00:45:40,319
is it all love and light or is somebody

1135
00:45:43,510 --> 00:45:41,839
going to the pits of hell just tell it

1136
00:45:45,589 --> 00:45:43,520
like this i really want to hear this

1137
00:45:48,550 --> 00:45:45,599
because everything is fluffy and i'm

1138
00:45:50,710 --> 00:45:48,560

like somebody's got to go to hell i hope

1139

00:45:53,030 --> 00:45:50,720

hitler's in hell i mean

1140

00:45:55,510 --> 00:45:53,040

come on we can't give him polite and

1141

00:45:57,109 --> 00:45:55,520

love can we well i hate to break it to

1142

00:45:59,030 --> 00:45:57,119

you but it's all pretty much light in

1143

00:46:00,950 --> 00:45:59,040

love

1144

00:46:03,270 --> 00:46:00,960

i would ask one of the first questions i

1145

00:46:06,069 --> 00:46:03,280

asked when i was working on one voice

1146

00:46:07,510 --> 00:46:06,079

sacred wisdom was i i would have

1147

00:46:11,510 --> 00:46:07,520

i would ask

1148

00:46:13,349 --> 00:46:11,520

these these clients guides to tell me

1149

00:46:16,870 --> 00:46:13,359

what i would the way i had the word it

1150

00:46:18,550 --> 00:46:16,880

was is there such a thing as god or

1151

00:46:20,230 --> 00:46:18,560

universe or creator or source or

1152

00:46:22,390 --> 00:46:20,240

whatever you want to call it

1153

00:46:23,990 --> 00:46:22,400

and if so

1154

00:46:25,430 --> 00:46:24,000

what is it tell me about it and the way

1155

00:46:27,670 --> 00:46:25,440

i had to word it that way because if i

1156

00:46:29,349 --> 00:46:27,680

said is there a god in heaven then that

1157

00:46:31,030 --> 00:46:29,359

kind of implies okay there is a god and

1158

00:46:32,390 --> 00:46:31,040

there is a heaven but i wanted to be

1159

00:46:34,950 --> 00:46:32,400

objective in the way i ask these

1160

00:46:36,069 --> 00:46:34,960

questions but when they answer the

1161

00:46:37,190 --> 00:46:36,079

questions

1162

00:46:39,270 --> 00:46:37,200

almost

1163

00:46:40,470 --> 00:46:39,280

always like 100 percent pretty much

1164

00:46:43,030 --> 00:46:40,480

would say

1165

00:46:46,069 --> 00:46:43,040

that it's energy it's in us

1166

00:46:47,510 --> 00:46:46,079

and it's all loving and forgiving so

1167

00:46:49,109 --> 00:46:47,520

when you have a loving and forgiving

1168

00:46:51,349 --> 00:46:49,119

energy out there then

1169

00:46:52,950 --> 00:46:51,359

there's not really a hell or purgatory

1170

00:46:55,430 --> 00:46:52,960

or all those things that we're taught in

1171

00:46:58,309 --> 00:46:55,440

religion but some people are truly meant

1172

00:47:00,550 --> 00:46:58,319

for it though james

1173

00:47:03,430 --> 00:47:00,560

i mean there are some people who really

1174

00:47:06,069 --> 00:47:03,440

take delight in the suffering of another

1175

00:47:08,309 --> 00:47:06,079

where you can't help but wonder

1176
00:47:12,870 --> 00:47:08,319
what pit did they crawl out of they need

1177
00:47:15,750 --> 00:47:12,880
to go back there so it's just so like

1178
00:47:17,430 --> 00:47:15,760
it's really disappointing

1179
00:47:19,270 --> 00:47:17,440
well there if it makes you feel any

1180
00:47:22,550 --> 00:47:19,280
better there's a couple things here okay

1181
00:47:24,630 --> 00:47:22,560
okay okay one is the life review is

1182
00:47:25,990 --> 00:47:24,640
actually really crucial

1183
00:47:28,390 --> 00:47:26,000
so you've heard about people like

1184
00:47:29,910 --> 00:47:28,400
near-death experiences when they yes

1185
00:47:32,470 --> 00:47:29,920
they die and they see their life play

1186
00:47:36,069 --> 00:47:32,480
out before like a movie right yep

1187
00:47:37,750 --> 00:47:36,079
okay so what happens in that life review

1188
00:47:39,750 --> 00:47:37,760

is you can either look at everything

1189

00:47:42,069 --> 00:47:39,760

that happened and say wow i was a good

1190

00:47:44,470 --> 00:47:42,079

person and i helped a lot of people and

1191

00:47:46,870 --> 00:47:44,480

you know i gave a lot and

1192

00:47:48,390 --> 00:47:46,880

i did so much i taught people and feel

1193

00:47:49,990 --> 00:47:48,400

really good about it

1194

00:47:52,710 --> 00:47:50,000

or you could look at that life review

1195

00:47:55,109 --> 00:47:52,720

and go oh boy was i ever a jerk and i

1196

00:47:57,190 --> 00:47:55,119

swindled people and i use people and you

1197

00:47:59,190 --> 00:47:57,200

know i did everything for me you know i

1198

00:48:01,990 --> 00:47:59,200

was really selfish or whatever and then

1199

00:48:04,390 --> 00:48:02,000

you basically you decide this not the

1200

00:48:07,829 --> 00:48:04,400

energy or universe or karma or anything

1201
00:48:10,710 --> 00:48:07,839
else you say all right hit me harder

1202
00:48:12,550 --> 00:48:10,720
next time in other words give me a life

1203
00:48:14,550 --> 00:48:12,560
where i don't have as many tools and the

1204
00:48:15,910 --> 00:48:14,560
lessons hit me even harder so those

1205
00:48:17,510 --> 00:48:15,920
people who

1206
00:48:19,030 --> 00:48:17,520
you know would seem to get away with

1207
00:48:21,109 --> 00:48:19,040
everything

1208
00:48:23,030 --> 00:48:21,119
they are choosing for themselves in the

1209
00:48:24,230 --> 00:48:23,040
next existence

1210
00:48:25,990 --> 00:48:24,240
to

1211
00:48:27,910 --> 00:48:26,000
have a more difficult life so that they

1212
00:48:29,829 --> 00:48:27,920
learn

1213
00:48:33,030 --> 00:48:29,839

and i have a challenge for you james i'd

1214

00:48:35,990 --> 00:48:33,040
love for you to hypnotize a fully

1215

00:48:39,430 --> 00:48:36,000
possessed levitating person

1216

00:48:42,150 --> 00:48:39,440
and to pull them out of this reality and

1217

00:48:43,990 --> 00:48:42,160
to see where the heck they came from

1218

00:48:47,190 --> 00:48:44,000
if there's nothing evil

1219

00:48:48,950 --> 00:48:47,200
if they could levitate and contort

1220

00:48:50,870 --> 00:48:48,960
i am just like

1221

00:48:53,270 --> 00:48:50,880
where did that come from i mean do you

1222

00:48:55,670 --> 00:48:53,280
think that there are spirits that may

1223

00:48:58,390 --> 00:48:55,680
not be quite human that are doing these

1224

00:49:03,030 --> 00:49:00,390
i guess that you know in talking to the

1225

00:49:05,349 --> 00:49:03,040
guides what they basically said is

1226
00:49:07,589 --> 00:49:05,359
you know there's not really like a devil

1227
00:49:09,510 --> 00:49:07,599
or there's not like a satan or those

1228
00:49:11,510 --> 00:49:09,520
those kind of energies that that's more

1229
00:49:13,510 --> 00:49:11,520
of a man-made concept

1230
00:49:16,549 --> 00:49:13,520
oh and they're good at it then because

1231
00:49:18,950 --> 00:49:16,559
men could be awful

1232
00:49:20,870 --> 00:49:18,960
you know it's like did we invent this or

1233
00:49:22,790 --> 00:49:20,880
what we we've really got to get it

1234
00:49:25,109 --> 00:49:22,800
patented then because

1235
00:49:26,950 --> 00:49:25,119
this is rare in the universe apparently

1236
00:49:28,549 --> 00:49:26,960
um i mean it's just

1237
00:49:30,470 --> 00:49:28,559
i i don't know but you know there's a

1238
00:49:32,710 --> 00:49:30,480

good question here in uh in the chat

1239

00:49:33,829 --> 00:49:32,720

room mary sutherland is asking if you've

1240

00:49:36,230 --> 00:49:33,839

ever

1241

00:49:39,109 --> 00:49:36,240

had anybody go past the light in

1242

00:49:43,829 --> 00:49:42,309

i don't really have them do that i mean

1243

00:49:45,270 --> 00:49:43,839

in terms of because i don't want you

1244

00:49:46,470 --> 00:49:45,280

know to lose somebody and not have them

1245

00:49:49,270 --> 00:49:46,480

come back

1246

00:49:50,150 --> 00:49:49,280

what i do have them experience though

1247

00:49:53,109 --> 00:49:50,160

is

1248

00:49:55,349 --> 00:49:53,119

they can feel their body i can have help

1249

00:49:57,589 --> 00:49:55,359

sort of assist with this where they have

1250

00:49:59,270 --> 00:49:57,599

their you know whatever energy they're

1251
00:50:02,630 --> 00:49:59,280
working with or

1252
00:50:04,790 --> 00:50:02,640
fill their body with like love and light

1253
00:50:07,270 --> 00:50:04,800
and essence of

1254
00:50:09,349 --> 00:50:07,280
like the pure love that's you know

1255
00:50:10,549 --> 00:50:09,359
people would experience say when they've

1256
00:50:13,270 --> 00:50:10,559
passed on

1257
00:50:14,470 --> 00:50:13,280
and it's a really amazing feeling

1258
00:50:16,069 --> 00:50:14,480
because

1259
00:50:17,829 --> 00:50:16,079
people sometimes come out of that and

1260
00:50:19,750 --> 00:50:17,839
say i i didn't want to come back that

1261
00:50:22,630 --> 00:50:19,760
felt so great that felt so good so i

1262
00:50:24,390 --> 00:50:22,640
have them kind of feel that essence or

1263
00:50:26,710 --> 00:50:24,400

that spirit energy

1264

00:50:28,150 --> 00:50:26,720

and it's really something that's i guess

1265

00:50:29,109 --> 00:50:28,160

pretty profound from what my clients

1266

00:50:31,510 --> 00:50:29,119

tell me

1267

00:50:33,430 --> 00:50:31,520

nice well hold on you said from what

1268

00:50:35,910 --> 00:50:33,440

they tell you you mean you've not gone

1269

00:50:37,910 --> 00:50:35,920

there i've i've tried to experience it

1270

00:50:40,069 --> 00:50:37,920

on my own i don't know anybody who does

1271

00:50:42,150 --> 00:50:40,079

exactly what i do to tell you the truth

1272

00:50:44,710 --> 00:50:42,160

um but i've kind of experienced it on my

1273

00:50:45,670 --> 00:50:44,720

own and it is pretty amazing but i feel

1274

00:50:47,030 --> 00:50:45,680

like

1275

00:50:48,470 --> 00:50:47,040

you know you talked about levitating

1276

00:50:50,950 --> 00:50:48,480

these people are levitating in a good

1277

00:50:53,270 --> 00:50:50,960

way i feel like it's almost like they're

1278

00:50:54,950 --> 00:50:53,280

rising out of the chair and i'd be like

1279

00:50:57,430 --> 00:50:54,960

i want to experience it to that level

1280

00:50:58,309 --> 00:50:57,440

that would be great if they speak latin

1281

00:50:59,990 --> 00:50:58,319

run

1282

00:51:02,790 --> 00:51:00,000

um

1283

00:51:04,710 --> 00:51:02,800

so i i was going to ask for a referral

1284

00:51:06,710 --> 00:51:04,720

like gosh you know i've been thinking it

1285

00:51:08,950 --> 00:51:06,720

would be awfully cool

1286

00:51:11,750 --> 00:51:08,960

to get hypnotically regressed by someone

1287

00:51:13,349 --> 00:51:11,760

who was really good at it and to look at

1288

00:51:14,069 --> 00:51:13,359

life between life because i have a lot

1289

00:51:17,109 --> 00:51:14,079

of

1290

00:51:19,190 --> 00:51:17,119

forward memories in general and

1291

00:51:20,230 --> 00:51:19,200

it's bizarre i remember before i was

1292

00:51:22,630 --> 00:51:20,240

born

1293

00:51:25,030 --> 00:51:22,640

i don't know why others don't um but

1294

00:51:26,790 --> 00:51:25,040

it's it's just uh it's one of those

1295

00:51:28,790 --> 00:51:26,800

things and i'm like well shoot imagine

1296

00:51:31,589 --> 00:51:28,800

if i could be hypnotized i i could

1297

00:51:33,750 --> 00:51:31,599

really pull some stuff forward but um

1298

00:51:35,430 --> 00:51:33,760

i i don't know who to trust but now i

1299

00:51:37,430 --> 00:51:35,440

know it's only you so i have to go where

1300

00:51:40,069 --> 00:51:37,440

there's little oxygen in the mountains

1301
00:51:41,430 --> 00:51:40,079
of colorado and be half

1302
00:51:43,910 --> 00:51:41,440
half a

1303
00:51:46,309 --> 00:51:43,920
anoxic to be able to uh

1304
00:51:47,910 --> 00:51:46,319
be hypnotized darn um

1305
00:51:49,190 --> 00:51:47,920
and i'm sure there's a lot of good hip

1306
00:51:50,549 --> 00:51:49,200
that's i know there's a lot of good

1307
00:51:51,990 --> 00:51:50,559
hypnosis out there i'm not saying i'm

1308
00:51:54,309 --> 00:51:52,000
the only one to do this but i'm just

1309
00:51:55,990 --> 00:51:54,319
this is kind of a new thing for me that

1310
00:51:58,710 --> 00:51:56,000
i've just kind of

1311
00:52:00,549 --> 00:51:58,720
you know duality and working with yeah

1312
00:52:02,309 --> 00:52:00,559
so it's kind of new and i'm sure it's

1313
00:52:03,109 --> 00:52:02,319

going to spread out as time goes on

1314

00:52:06,230 --> 00:52:03,119

because people are going to be

1315

00:52:08,309 --> 00:52:06,240

interested in working with their guides

1316

00:52:10,790 --> 00:52:08,319

huh okay so

1317

00:52:12,950 --> 00:52:10,800

a quick question for you so you you've

1318

00:52:15,510 --> 00:52:12,960

taken people to the other side you've

1319

00:52:16,870 --> 00:52:15,520

taken people to in between their lives

1320

00:52:17,990 --> 00:52:16,880

you've taken them to the other side of

1321

00:52:20,069 --> 00:52:18,000

the planet while they're sitting there

1322

00:52:23,510 --> 00:52:20,079

talking to you

1323

00:52:26,390 --> 00:52:23,520

are there any specific places

1324

00:52:28,790 --> 00:52:26,400

uh i don't know in another plane or or

1325

00:52:31,190 --> 00:52:28,800

dimension that is easily

1326
00:52:34,230 --> 00:52:31,200
recognizable by more than one client of

1327
00:52:36,470 --> 00:52:34,240
yours that everybody seems to go to

1328
00:52:38,309 --> 00:52:36,480
this location or something that looks

1329
00:52:39,430 --> 00:52:38,319
like that is there anything that stands

1330
00:52:42,230 --> 00:52:39,440
out

1331
00:52:44,710 --> 00:52:42,240
in so far in doing this they kind of go

1332
00:52:47,190 --> 00:52:44,720
in different areas different places

1333
00:52:48,470 --> 00:52:47,200
there's the only one similarity i've

1334
00:52:50,870 --> 00:52:48,480
seen is

1335
00:52:53,109 --> 00:52:50,880
sort of almost like being out and part

1336
00:52:55,430 --> 00:52:53,119
of the solar system like being a star or

1337
00:52:58,069 --> 00:52:55,440
something they describe that i've had

1338
00:53:00,470 --> 00:52:58,079

several clients to skype describe almost

1339

00:53:01,750 --> 00:53:00,480

like they're a star out in the universe

1340

00:53:03,589 --> 00:53:01,760

and

1341

00:53:05,430 --> 00:53:03,599

i don't know

1342

00:53:07,750 --> 00:53:05,440

exactly what that is you know i mean

1343

00:53:09,910 --> 00:53:07,760

it's it's hard because it's they don't

1344

00:53:12,390 --> 00:53:09,920

have the words to describe it i say in

1345

00:53:14,390 --> 00:53:12,400

the book that most people

1346

00:53:15,910 --> 00:53:14,400

they'll say oh it was kind of like this

1347

00:53:19,510 --> 00:53:15,920

movie because

1348

00:53:21,430 --> 00:53:19,520

there aren't human experiences to really

1349

00:53:22,790 --> 00:53:21,440

put words to it it's more like you have

1350

00:53:24,870 --> 00:53:22,800

to say well here's something that was

1351

00:53:28,150 --> 00:53:24,880

really kind of fantastical in a movie

1352

00:53:30,230 --> 00:53:28,160

and that's like what do they zip past

1353

00:53:32,309 --> 00:53:30,240

other planets and go wow there's green

1354

00:53:34,950 --> 00:53:32,319

guys on that one i mean we come back

1355

00:53:37,990 --> 00:53:34,960

with that kind of revelation

1356

00:53:40,230 --> 00:53:38,000

well no i've had people like i said that

1357

00:53:42,390 --> 00:53:40,240

that have gone to other

1358

00:53:44,309 --> 00:53:42,400

existences where they were

1359

00:53:46,950 --> 00:53:44,319

sort of alien existences i guess you

1360

00:53:49,430 --> 00:53:46,960

might say where they you know their past

1361

00:53:50,470 --> 00:53:49,440

life or their other realm was on another

1362

00:53:51,990 --> 00:53:50,480

planet

1363

00:53:54,390 --> 00:53:52,000

yeah

1364

00:53:57,270 --> 00:53:54,400

ah very fascinating stuff

1365

00:53:59,430 --> 00:53:57,280

i i'm curious about something i know as

1366

00:54:01,510 --> 00:53:59,440

like a crystal city anybody ever report

1367

00:54:03,109 --> 00:54:01,520

something like that looks like funny in

1368

00:54:05,430 --> 00:54:03,119

the book actually i do have somebody who

1369

00:54:07,430 --> 00:54:05,440

described something just like that see

1370

00:54:10,230 --> 00:54:07,440

that that's what i was digging for

1371

00:54:11,910 --> 00:54:10,240

because i've seen it i've seen it i'll

1372

00:54:12,950 --> 00:54:11,920

have to share more with you about that

1373

00:54:15,430 --> 00:54:12,960

so

1374

00:54:18,230 --> 00:54:15,440

others have more than one or

1375

00:54:19,589 --> 00:54:18,240

um i can only think of one but i and she

1376

00:54:21,349 --> 00:54:19,599

was describing it

1377

00:54:23,270 --> 00:54:21,359

said something about like the crystal

1378

00:54:25,109 --> 00:54:23,280

things in superman and it's been a while

1379

00:54:28,150 --> 00:54:25,119

since i've seen yes like the crystal

1380

00:54:30,390 --> 00:54:28,160

fortress of superman exactly well we're

1381

00:54:32,150 --> 00:54:30,400

gonna get to um our next break here

1382

00:54:33,270 --> 00:54:32,160

james and uh

1383

00:54:35,109 --> 00:54:33,280

hey you guys you're listening to me

1384

00:54:38,630 --> 00:54:35,119

heidi hollis the outlander and we will

1385

00:54:42,630 --> 00:54:40,309

welcome back everybody you're listening

1386

00:54:45,030 --> 00:54:42,640

to me heidi hollis the outlander we're

1387

00:54:47,589 --> 00:54:45,040

speaking with james schwartz about

1388

00:54:49,349 --> 00:54:47,599

everything on the in between and i was

1389

00:54:52,549 --> 00:54:49,359

just trying to blow his mind during the

1390

00:54:55,349 --> 00:54:52,559

commercial break it's all good um but i

1391

00:54:56,710 --> 00:54:55,359

mean i was talking to him in regards to

1392

00:54:57,670 --> 00:54:56,720

duality

1393

00:55:00,710 --> 00:54:57,680

and

1394

00:55:03,430 --> 00:55:00,720

remembering things that are just not

1395

00:55:05,670 --> 00:55:03,440

quite of the norm and for myself i

1396

00:55:07,910 --> 00:55:05,680

remember before i was born and all these

1397

00:55:09,990 --> 00:55:07,920

odd things and and

1398

00:55:12,150 --> 00:55:10,000

having people recognize you from what

1399

00:55:13,030 --> 00:55:12,160

you recall as being more of a dream but

1400

00:55:15,670 --> 00:55:13,040

they

1401

00:55:17,910 --> 00:55:15,680

saw you someplace else and it's it's

1402

00:55:19,670 --> 00:55:17,920

just bizarre how does that happen i've

1403

00:55:22,950 --> 00:55:19,680

heard of people having

1404

00:55:25,589 --> 00:55:22,960

been spotted in two different locations

1405

00:55:26,790 --> 00:55:25,599

but they're like no i wasn't there and

1406

00:55:31,910 --> 00:55:26,800

that's

1407

00:55:34,790 --> 00:55:31,920

like a dream is that part of this dual

1408

00:55:35,750 --> 00:55:34,800

existence you're speaking of

1409

00:55:37,829 --> 00:55:35,760

well

1410

00:55:39,270 --> 00:55:37,839

the way that i can explain it i don't

1411

00:55:41,750 --> 00:55:39,280

know if that'll this will shed light on

1412

00:55:43,670 --> 00:55:41,760

it or not but here's here's an example

1413

00:55:45,589 --> 00:55:43,680

that i got from working with the guides

1414

00:55:46,870 --> 00:55:45,599

was that

1415

00:55:49,910 --> 00:55:46,880

we are

1416

00:55:51,670 --> 00:55:49,920

like a power station so your soul or

1417

00:55:53,190 --> 00:55:51,680

your essence or your energy or your

1418

00:55:54,470 --> 00:55:53,200

higher self whatever you call it is like

1419

00:55:57,589 --> 00:55:54,480

a power station

1420

00:55:58,390 --> 00:55:57,599

and it's got all these arms that reach

1421

00:56:00,069 --> 00:55:58,400

out

1422

00:56:01,510 --> 00:56:00,079

sort of like a power station would have

1423

00:56:03,510 --> 00:56:01,520

cables that would reach out and light up

1424

00:56:06,069 --> 00:56:03,520

different houses well it's lighting up

1425

00:56:07,670 --> 00:56:06,079

different existences we have now some of

1426

00:56:09,430 --> 00:56:07,680

those existences

1427

00:56:11,349 --> 00:56:09,440

are you know might be in other realms

1428

00:56:14,390 --> 00:56:11,359

but on earth there may be several

1429

00:56:17,270 --> 00:56:14,400

existences and so you can be in these

1430

00:56:19,270 --> 00:56:17,280

multiple places kind of at the same time

1431

00:56:21,190 --> 00:56:19,280

and so there might be like i said

1432

00:56:22,390 --> 00:56:21,200

a part of you doing this show right now

1433

00:56:24,390 --> 00:56:22,400

but another part of you is this

1434

00:56:25,990 --> 00:56:24,400

professor in england you know and

1435

00:56:29,670 --> 00:56:26,000

so

1436

00:56:30,950 --> 00:56:29,680

well maybe eating ice cream i think yeah

1437

00:56:34,710 --> 00:56:30,960

there's the part of you that's the rock

1438

00:56:37,829 --> 00:56:34,720

star too right oh that too yes

1439

00:56:39,030 --> 00:56:37,839

yeah so you know maybe some people are

1440

00:56:41,109 --> 00:56:39,040

able to

1441

00:56:43,190 --> 00:56:41,119

move between those different existences

1442

00:56:44,710 --> 00:56:43,200

easier than others you know maybe people

1443

00:56:46,309 --> 00:56:44,720

a lot of people are just really stuck in

1444

00:56:48,390 --> 00:56:46,319

the human body in the human existence

1445

00:56:50,549 --> 00:56:48,400

but maybe there's people who

1446

00:56:53,430 --> 00:56:50,559

can move a little freer and can see this

1447

00:56:57,349 --> 00:56:53,440

and can experience this than others

1448

00:56:59,430 --> 00:56:57,359

fascinating is there something that you

1449

00:57:02,309 --> 00:56:59,440

teach or instruct people

1450

00:57:04,470 --> 00:57:02,319

to be able to realize their

1451

00:57:07,910 --> 00:57:04,480

fullest potential to

1452

00:57:12,549 --> 00:57:07,920

do something or be aware of this duality

1453

00:57:15,109 --> 00:57:12,559

or the existences of other dimensions

1454

00:57:17,750 --> 00:57:15,119

well a lot of times i'll do

1455

00:57:19,750 --> 00:57:17,760

something where i have people go back

1456

00:57:22,470 --> 00:57:19,760

to the between state

1457

00:57:25,109 --> 00:57:22,480

and kind of look at why they're here

1458

00:57:27,430 --> 00:57:25,119

and you know what their purpose is

1459

00:57:29,670 --> 00:57:27,440

what their their contract might be that

1460

00:57:30,710 --> 00:57:29,680

kind of thing and so that way they can

1461

00:57:32,870 --> 00:57:30,720

look at

1462

00:57:35,670 --> 00:57:32,880

the bigger picture and go okay

1463

00:57:37,670 --> 00:57:35,680

i understand here's my

1464

00:57:39,270 --> 00:57:37,680

my reason for being on the planet what

1465

00:57:41,109 --> 00:57:39,280

i'm here to do

1466

00:57:43,510 --> 00:57:41,119

and that really helps people with their

1467

00:57:45,510 --> 00:57:43,520

understanding quite a bit

1468

00:57:48,789 --> 00:57:45,520

fascinating now you also

1469

00:57:50,470 --> 00:57:48,799

have done extensive work in an area that

1470

00:57:52,069 --> 00:57:50,480

i mean it's just kind of mind-blowing

1471

00:57:55,510 --> 00:57:52,079

infertility

1472

00:57:57,190 --> 00:57:55,520

in patients how does that work with your

1473

00:57:58,309 --> 00:57:57,200

other work

1474

00:57:59,430 --> 00:57:58,319

okay

1475

00:58:01,109 --> 00:57:59,440

well

1476

00:58:04,390 --> 00:58:01,119

there's a lot of

1477

00:58:06,309 --> 00:58:04,400

blocks that go on in infertility and

1478

00:58:08,390 --> 00:58:06,319

when i say blocks like

1479

00:58:10,470 --> 00:58:08,400

someone will want to have a baby

1480

00:58:12,230 --> 00:58:10,480

but they might have like emotional

1481

00:58:14,069 --> 00:58:12,240

blocks or stressors well that's when you

1482

00:58:16,630 --> 00:58:14,079

throw your husband out i mean we

1483

00:58:17,910 --> 00:58:16,640

understand that

1484

00:58:21,670 --> 00:58:17,920

so

1485

00:58:22,950 --> 00:58:21,680

they can have it could be the husband

1486

00:58:25,589 --> 00:58:22,960

but they you know maybe they've had a

1487

00:58:26,950 --> 00:58:25,599

couple miscarriages let's say or maybe

1488

00:58:29,109 --> 00:58:26,960

they're afraid of childbirth or

1489

00:58:31,030 --> 00:58:29,119

something like that well hypnosis is

1490

00:58:33,109 --> 00:58:31,040

perfect for getting rid of all those

1491

00:58:34,150 --> 00:58:33,119

blocks for those issues that kind of get

1492

00:58:36,710 --> 00:58:34,160

in the way

1493

00:58:38,789 --> 00:58:36,720

plus if you take them to the theta state

1494

00:58:40,470 --> 00:58:38,799

you can teach a mind-body healing and

1495

00:58:42,309 --> 00:58:40,480

the way i do that it's sort of based

1496

00:58:43,589 --> 00:58:42,319

more on eastern medicine than western

1497

00:58:44,950 --> 00:58:43,599

medicine because

1498

00:58:46,630 --> 00:58:44,960

you know i think eastern medicine is

1499

00:58:47,589 --> 00:58:46,640

really looking at the roots of all the

1500

00:58:49,349 --> 00:58:47,599

different

1501
00:58:52,150 --> 00:58:49,359
you know things that are going on in our

1502
00:58:53,270 --> 00:58:52,160
physical bodies but then the other piece

1503
00:58:54,549 --> 00:58:53,280
of this

1504
00:58:58,470 --> 00:58:54,559
is

1505
00:58:59,990 --> 00:58:58,480
a big enemy in terms of when you're

1506
00:59:01,829 --> 00:59:00,000
trying to get pregnant you know what

1507
00:59:03,990 --> 00:59:01,839
will happen is people who are stressed

1508
00:59:06,470 --> 00:59:04,000
they go into survival mode instead of

1509
00:59:09,109 --> 00:59:06,480
reproductive mode and

1510
00:59:11,190 --> 00:59:09,119
so if we teach them self-hypnosis we

1511
00:59:13,190 --> 00:59:11,200
teach them how to relax and then the

1512
00:59:16,789 --> 00:59:13,200
stress goes way down and they can move

1513
00:59:18,950 --> 00:59:16,799

from survival mode to reproductive mode

1514

00:59:20,870 --> 00:59:18,960

so that's why i felt this was really

1515

00:59:22,950 --> 00:59:20,880

important to talk about and that's why i

1516

00:59:24,789 --> 00:59:22,960

did that the first book the mind body

1517

00:59:26,549 --> 00:59:24,799

fertility connection is because i i

1518

00:59:29,190 --> 00:59:26,559

wanted people know

1519

00:59:30,950 --> 00:59:29,200

there's other alternatives to just doing

1520

00:59:32,950 --> 00:59:30,960

you know the medical procedures there's

1521

00:59:36,670 --> 00:59:32,960

other ways they can work on this

1522

00:59:37,990 --> 00:59:36,680

which are very costly i've heard uh the

1523

00:59:41,430 --> 00:59:38,000

mindbodyfertilityconnection.com people

1524

00:59:45,589 --> 00:59:41,440

to check that out and myhypnotherapy.com

1525

00:59:47,190 --> 00:59:45,599

so folks can go there and read along

1526

00:59:50,069 --> 00:59:47,200

so

1527

00:59:52,309 --> 00:59:50,079

when it comes to i i love i love things

1528

00:59:55,030 --> 00:59:52,319

about the afterlife and uh you were

1529

00:59:58,069 --> 00:59:55,040

gonna talk about this lovely place that

1530

01:00:00,630 --> 00:59:58,079

i'm very familiar with a crystal city of

1531

01:00:02,309 --> 01:00:00,640

sorts you said that you recall

1532

01:00:04,950 --> 01:00:02,319

one of your clients haven't experienced

1533

01:00:08,309 --> 01:00:04,960

something like that what did they see

1534

01:00:10,150 --> 01:00:08,319

and how did it make them feel

1535

01:00:12,069 --> 01:00:10,160

they

1536

01:00:13,349 --> 01:00:12,079

well the existence was

1537

01:00:15,510 --> 01:00:13,359

a lot of times you go to these other

1538

01:00:17,670 --> 01:00:15,520

realms and

1539

01:00:19,829 --> 01:00:17,680

it's not like you have an earthly body

1540

01:00:22,309 --> 01:00:19,839

or a human body and so

1541

01:00:24,069 --> 01:00:22,319

when they describe it a lot of times

1542

01:00:25,109 --> 01:00:24,079

you'll be in another realm where maybe

1543

01:00:31,270 --> 01:00:25,119

you're just

1544

01:00:32,549 --> 01:00:31,280

experiencing peace or something and so

1545

01:00:34,549 --> 01:00:32,559

usually

1546

01:00:37,589 --> 01:00:34,559

a lot of times clients are like oh it

1547

01:00:39,589 --> 01:00:37,599

just feels so good and so peaceful you

1548

01:00:41,030 --> 01:00:39,599

know it's just a sensation

1549

01:00:44,230 --> 01:00:41,040

that they

1550

01:00:47,030 --> 01:00:44,240

that really relaxes them i guess

1551
01:00:48,390 --> 01:00:47,040
and then like we were talking about they

1552
01:00:50,309 --> 01:00:48,400
they usually don't have the words to

1553
01:00:52,470 --> 01:00:50,319
describe it but she was saying there

1554
01:00:55,589 --> 01:00:52,480
were all these crystals

1555
01:00:56,390 --> 01:00:55,599
in this this place this other existence

1556
01:01:02,630 --> 01:00:56,400
and

1557
01:01:05,510 --> 01:01:02,640
kind of like

1558
01:01:11,270 --> 01:01:08,390
did she describe the buildings or the

1559
01:01:13,030 --> 01:01:11,280
shapes of things no just

1560
01:01:14,150 --> 01:01:13,040
as far as i remember just the crystals

1561
01:01:16,950 --> 01:01:14,160
you know and

1562
01:01:18,150 --> 01:01:16,960
that that's the piece i remember anyway

1563
01:01:21,589 --> 01:01:18,160

wow

1564

01:01:22,549 --> 01:01:21,599

any goings-on in this place

1565

01:01:24,789 --> 01:01:22,559

she

1566

01:01:27,190 --> 01:01:24,799

i don't remember

1567

01:01:29,109 --> 01:01:27,200

that either yeah so what was yours you

1568

01:01:30,230 --> 01:01:29,119

said you had a experience with the

1569

01:01:36,230 --> 01:01:30,240

crystals

1570

01:01:38,950 --> 01:01:36,240

what i refer to it as but um more of a

1571

01:01:40,069 --> 01:01:38,960

a place of learning

1572

01:01:42,789 --> 01:01:40,079

yeah so

1573

01:01:44,390 --> 01:01:42,799

uh it's it's just it's so needed and

1574

01:01:46,309 --> 01:01:44,400

it's kind of a

1575

01:01:48,710 --> 01:01:46,319

something i've heard of quite a bit from

1576

01:01:50,630 --> 01:01:48,720

from different people now i have i have

1577

01:01:52,390 --> 01:01:50,640

another question here in the chat room

1578

01:01:53,190 --> 01:01:52,400

they're asking if you know anyone that

1579

01:01:55,270 --> 01:01:53,200

took

1580

01:01:57,030 --> 01:01:55,280

or worked with anyone that has taken the

1581

01:01:58,789 --> 01:01:57,040

spirit drug if you have a lowe's

1582

01:02:00,549 --> 01:01:58,799

advantage card you can get an extra five

1583

01:02:02,150 --> 01:02:00,559

percent off every day on items big or

1584

01:02:03,990 --> 01:02:02,160

small so you can save an extra five

1585

01:02:05,910 --> 01:02:04,000

percent on a new coat of paint updating

1586

01:02:07,430 --> 01:02:05,920

appliances replacing the flooring and

1587

01:02:08,950 --> 01:02:07,440

even save an extra five percent on

1588

01:02:10,950 --> 01:02:08,960

little things like cleaning supplies

1589

01:02:13,190 --> 01:02:10,960

laundry detergent and air filters the

1590

01:02:15,030 --> 01:02:13,200

big to do's to the everyday essentials

1591

01:02:16,390 --> 01:02:15,040

you get an extra five percent savings

1592

01:02:18,069 --> 01:02:16,400

every day when you use your lowe's

1593

01:02:20,230 --> 01:02:18,079

advantage card if you don't have one

1594

01:02:22,150 --> 01:02:20,240

apply today all projects have a starting

1595

01:02:23,349 --> 01:02:22,160

point start with lows subject to credit

1596

01:02:24,950 --> 01:02:23,359

approval and can't be combined with any

1597

01:02:27,510 --> 01:02:24,960

other credit offers exclusion supply c

1598

01:02:29,190 --> 01:02:27,520

store for details us only dmt are you

1599

01:02:32,150 --> 01:02:29,200

familiar with that

1600

01:02:33,510 --> 01:02:32,160

i guess i'm not no yeah okay yeah but

1601

01:02:35,430 --> 01:02:33,520

that one is a

1602

01:02:37,430 --> 01:02:35,440

something really really different like

1603

01:02:39,670 --> 01:02:37,440

it's illegal here in the united states

1604

01:02:42,470 --> 01:02:39,680

and a lot of people go

1605

01:02:43,990 --> 01:02:42,480

to uh different places to experience it

1606

01:02:46,630 --> 01:02:44,000

especially those that have experienced

1607

01:02:49,589 --> 01:02:46,640

things like ptsd or something and it's

1608

01:02:51,670 --> 01:02:49,599

just one time and they are cured it's

1609

01:02:53,190 --> 01:02:51,680

it's something supposedly really

1610

01:02:55,109 --> 01:02:53,200

tremendous and puts you really in touch

1611

01:02:57,270 --> 01:02:55,119

with your soul and sorts

1612

01:02:59,349 --> 01:02:57,280

um if that's um

1613

01:03:01,270 --> 01:02:59,359

if i may define what i i know about it

1614

01:03:03,829 --> 01:03:01,280

anyways but um

1615

01:03:05,589 --> 01:03:03,839

so when you go to

1616

01:03:07,470 --> 01:03:05,599

to have these these people that come to

1617

01:03:09,349 --> 01:03:07,480

talk to you that are seeking

1618

01:03:11,670 --> 01:03:09,359

hypnotherapy

1619

01:03:13,109 --> 01:03:11,680

what is their biggest question they seem

1620

01:03:14,829 --> 01:03:13,119

to have

1621

01:03:18,950 --> 01:03:14,839

uh for going

1622

01:03:20,710 --> 01:03:18,960

to probably for me the the most common

1623

01:03:24,549 --> 01:03:20,720

thing i have are people who feel like

1624

01:03:25,750 --> 01:03:24,559

they're really stuck in life and

1625

01:03:27,349 --> 01:03:25,760

yeah

1626

01:03:29,589 --> 01:03:27,359

well they could be stuck in terms of

1627

01:03:31,349 --> 01:03:29,599

relationship or it could be in terms of

1628

01:03:33,109 --> 01:03:31,359

prosperity but it can also a lot of

1629

01:03:35,589 --> 01:03:33,119

times politics

1630

01:03:37,349 --> 01:03:35,599

well you have that too

1631

01:03:38,789 --> 01:03:37,359

but it could be uh

1632

01:03:40,710 --> 01:03:38,799

you know they're stuck in terms they

1633

01:03:42,470 --> 01:03:40,720

feel like they're not doing what they're

1634

01:03:44,150 --> 01:03:42,480

supposed to be doing here on the planet

1635

01:03:46,309 --> 01:03:44,160

you know that's what it comes down to is

1636

01:03:48,150 --> 01:03:46,319

people feel there's sort of a level of

1637

01:03:51,190 --> 01:03:48,160

frustration i hear that all the time

1638

01:03:53,270 --> 01:03:51,200

it's like you know i got a job and it

1639

01:03:56,069 --> 01:03:53,280

feels like it's okay but it's not you

1640

01:03:58,390 --> 01:03:56,079

know what i'm what i'm really here to do

1641

01:04:00,870 --> 01:03:58,400

and so i hear that probably more than

1642

01:04:01,750 --> 01:04:00,880

anything i mean but people come to me

1643

01:04:03,750 --> 01:04:01,760

for

1644

01:04:06,549 --> 01:04:03,760

all of i guess what i call the other

1645

01:04:07,750 --> 01:04:06,559

stuff you know i i do smoking cessation

1646

01:04:10,069 --> 01:04:07,760

and weight management and those kind of

1647

01:04:11,589 --> 01:04:10,079

things of course but um a lot of people

1648

01:04:15,190 --> 01:04:11,599

will come to see me for things like you

1649

01:04:16,789 --> 01:04:15,200

know infertility or anxiety or like i

1650

01:04:18,630 --> 01:04:16,799

said being stuck in life or a lot of

1651
01:04:19,910 --> 01:04:18,640
people come for healing because they

1652
01:04:21,829 --> 01:04:19,920
feel like

1653
01:04:23,829 --> 01:04:21,839
you know they want to know what's the

1654
01:04:26,710 --> 01:04:23,839
root or the source of what's going on

1655
01:04:29,510 --> 01:04:26,720
with this physical disharmony and then

1656
01:04:31,829 --> 01:04:29,520
because i know you know some basics in

1657
01:04:33,910 --> 01:04:31,839
eastern medicine i can also help work

1658
01:04:35,029 --> 01:04:33,920
with them in terms of mind-body healing

1659
01:04:37,190 --> 01:04:35,039
and so we can put that in their

1660
01:04:38,630 --> 01:04:37,200
self-hypnosis so they feel like

1661
01:04:40,470 --> 01:04:38,640
they're suddenly

1662
01:04:42,309 --> 01:04:40,480
taking charge of whatever's going on in

1663
01:04:44,789 --> 01:04:42,319

their life and they can

1664

01:04:48,069 --> 01:04:44,799

process the roots and heal those things

1665

01:04:49,029 --> 01:04:48,079

and they can work on healing themselves

1666

01:04:51,430 --> 01:04:49,039

yeah

1667

01:04:53,109 --> 01:04:51,440

it seems uh there's a lot of extra

1668

01:04:56,390 --> 01:04:53,119

tension going on in this country

1669

01:04:58,390 --> 01:04:56,400

politics again um

1670

01:05:00,870 --> 01:04:58,400

uh you know

1671

01:05:01,589 --> 01:05:00,880

do you find a lot of people go to you

1672

01:05:03,670 --> 01:05:01,599

for

1673

01:05:06,150 --> 01:05:03,680

like having a weird pain

1674

01:05:07,670 --> 01:05:06,160

or or i don't know injury that that is

1675

01:05:10,069 --> 01:05:07,680

repetitive

1676

01:05:13,910 --> 01:05:10,079

and only to find in a past life or

1677

01:05:16,870 --> 01:05:13,920

something that that's the cause of it

1678

01:05:19,270 --> 01:05:16,880

that'll happen sometimes like people

1679

01:05:21,910 --> 01:05:19,280

i actually did that myself where i was

1680

01:05:24,309 --> 01:05:21,920

having lower back pain the very first

1681

01:05:25,750 --> 01:05:24,319

time when i went to experience hypnosis

1682

01:05:27,829 --> 01:05:25,760

this is long before i knew i was going

1683

01:05:30,150 --> 01:05:27,839

to do it and that was one of my

1684

01:05:32,549 --> 01:05:30,160

questions was is there something from a

1685

01:05:33,430 --> 01:05:32,559

past life that's related to this

1686

01:05:35,910 --> 01:05:33,440

and

1687

01:05:36,950 --> 01:05:35,920

it turned out i went into this past life

1688

01:05:39,029 --> 01:05:36,960

where

1689

01:05:40,549 --> 01:05:39,039

i was

1690

01:05:43,109 --> 01:05:40,559

i guess

1691

01:05:44,789 --> 01:05:43,119

not able to speak and so they looked at

1692

01:05:46,950 --> 01:05:44,799

that like oh he must be possessed or

1693

01:05:48,950 --> 01:05:46,960

something like that you know it must be

1694

01:05:52,549 --> 01:05:48,960

a wizard or something

1695

01:05:54,069 --> 01:05:52,559

and i was publicly executed and put like

1696

01:05:55,990 --> 01:05:54,079

on a meat hook

1697

01:05:57,349 --> 01:05:56,000

in the town square

1698

01:05:59,349 --> 01:05:57,359

ouch

1699

01:06:00,789 --> 01:05:59,359

i guess was part of the lower back pain

1700

01:06:02,950 --> 01:06:00,799

that's any other that's what that came

1701

01:06:05,190 --> 01:06:02,960

up in that past life anyway

1702

01:06:06,950 --> 01:06:05,200

wow did they eat you or something that's

1703

01:06:08,150 --> 01:06:06,960

crazy

1704

01:06:09,750 --> 01:06:08,160

it was i think just a public

1705

01:06:11,510 --> 01:06:09,760

demonstration to show you know this is

1706

01:06:12,549 --> 01:06:11,520

what happens if you

1707

01:06:14,870 --> 01:06:12,559

are

1708

01:06:16,069 --> 01:06:14,880

a bad person it must have been dracula's

1709

01:06:17,029 --> 01:06:16,079

castle

1710

01:06:19,190 --> 01:06:17,039

oh

1711

01:06:20,710 --> 01:06:19,200

goodness i i couldn't even imagine but

1712

01:06:22,870 --> 01:06:20,720

uh

1713

01:06:25,029 --> 01:06:22,880

you know you speak of directly

1714

01:06:25,910 --> 01:06:25,039

communicating with people's guides do

1715

01:06:27,670 --> 01:06:25,920

people

1716

01:06:30,309 --> 01:06:27,680

your clients get a good look at what

1717

01:06:33,430 --> 01:06:30,319

these guides appear as

1718

01:06:34,870 --> 01:06:33,440

um some people have very

1719

01:06:37,829 --> 01:06:34,880

clear images

1720

01:06:38,789 --> 01:06:37,839

with others it's um a little it's harder

1721

01:06:42,870 --> 01:06:38,799

to

1722

01:06:44,390 --> 01:06:42,880

it'll even just be a ball of energy or a

1723

01:06:45,910 --> 01:06:44,400

ball of light

1724

01:06:48,069 --> 01:06:45,920

a lot of times when people bring in

1725

01:06:49,829 --> 01:06:48,079

angels they say that the

1726

01:06:52,309 --> 01:06:49,839

the facial features of an angel

1727

01:06:53,750 --> 01:06:52,319

sometimes are not

1728

01:06:55,750 --> 01:06:53,760

really clear

1729

01:06:58,309 --> 01:06:55,760

but the energy the tremendous energy

1730

01:06:59,670 --> 01:06:58,319

that they got give off really is clear

1731

01:07:02,950 --> 01:06:59,680

now you do also have people who have

1732

01:07:05,029 --> 01:07:02,960

like spirit guides and spirit guides are

1733

01:07:06,549 --> 01:07:05,039

like they look like people but they look

1734

01:07:08,309 --> 01:07:06,559

like they're from a different time and

1735

01:07:10,309 --> 01:07:08,319

place so you might have like a native

1736

01:07:13,430 --> 01:07:10,319

american will come in from

1737

01:07:16,150 --> 01:07:13,440

300 years ago or something into their

1738

01:07:18,630 --> 01:07:16,160

uh into their session and so

1739

01:07:21,430 --> 01:07:18,640
they usually have a pretty clear

1740

01:07:23,670 --> 01:07:21,440
visual of those people

1741

01:07:27,430 --> 01:07:23,680
interesting now

1742

01:07:29,670 --> 01:07:27,440
i always wonder if these guides

1743

01:07:31,270 --> 01:07:29,680
go walking around flapping around naked

1744

01:07:33,510 --> 01:07:31,280
or something because

1745

01:07:36,630 --> 01:07:33,520
uh in the christian bible it's taught

1746

01:07:38,789 --> 01:07:36,640
that you know when adam and eve felt

1747

01:07:41,430 --> 01:07:38,799
shame is when they covered up and so

1748

01:07:44,230 --> 01:07:41,440
when i i hear of angelic beings with a

1749

01:07:46,150 --> 01:07:44,240
long robe or something i'm like hey

1750

01:07:48,470 --> 01:07:46,160
were they ashamed

1751

01:07:50,069 --> 01:07:48,480

so it's like did they have clothes on

1752

01:07:51,750 --> 01:07:50,079

you know what what's what's going on

1753

01:07:54,470 --> 01:07:51,760

here but um

1754

01:07:57,829 --> 01:07:54,480

i i just i think it it's so very neat

1755

01:07:59,670 --> 01:07:57,839

that uh people are having these

1756

01:08:01,990 --> 01:07:59,680

connections and i've heard of things

1757

01:08:05,510 --> 01:08:02,000

called soul groups like

1758

01:08:08,069 --> 01:08:05,520

people incarnate with at the same

1759

01:08:10,870 --> 01:08:08,079

souls like you think you bumped in some

1760

01:08:12,390 --> 01:08:10,880

to some guy ted down the street and and

1761

01:08:14,630 --> 01:08:12,400

he turns out to be a great friend you're

1762

01:08:16,550 --> 01:08:14,640

like well gosh that was such great luck

1763

01:08:19,349 --> 01:08:16,560

that i made this great friend but then

1764

01:08:20,950 --> 01:08:19,359

you get hypnotized and you find i've

1765

01:08:22,870 --> 01:08:20,960

known this bum for

1766

01:08:24,470 --> 01:08:22,880

many lifetimes

1767

01:08:25,669 --> 01:08:24,480

is that what you're finding a pattern of

1768

01:08:27,590 --> 01:08:25,679

as well

1769

01:08:29,749 --> 01:08:27,600

there are what we call

1770

01:08:30,709 --> 01:08:29,759

soul families and like you said soul

1771

01:08:31,590 --> 01:08:30,719

groups

1772

01:08:34,229 --> 01:08:31,600

and

1773

01:08:35,430 --> 01:08:34,239

so that's that's one of the reasons this

1774

01:08:41,349 --> 01:08:35,440

whole

1775

01:08:42,789 --> 01:08:41,359

sacred wisdom book and these sessions

1776

01:08:44,950 --> 01:08:42,799

is because

1777

01:08:47,189 --> 01:08:44,960

i would work with people who had maybe

1778

01:08:48,630 --> 01:08:47,199

lost someone close to them and that was

1779

01:08:50,470 --> 01:08:48,640

their fear it's like have we lost them

1780

01:08:52,950 --> 01:08:50,480

for good are they really gone

1781

01:08:54,470 --> 01:08:52,960

and so i asked that question and one of

1782

01:08:55,749 --> 01:08:54,480

the best answers that i got from the

1783

01:08:57,590 --> 01:08:55,759

guides was

1784

01:09:00,149 --> 01:08:57,600

someone who said they they compared us

1785

01:09:02,630 --> 01:09:00,159

to like geese and they said you know

1786

01:09:03,990 --> 01:09:02,640

geese they fly in a big flock and then

1787

01:09:06,309 --> 01:09:04,000

some of them will go off in a different

1788

01:09:08,229 --> 01:09:06,319

direction they go feed or whatever come

1789

01:09:10,630 --> 01:09:08,239

back join the group then they may go off

1790

01:09:12,390 --> 01:09:10,640

to some other pond or lake or something

1791

01:09:15,189 --> 01:09:12,400

then they come back and join the group

1792

01:09:18,789 --> 01:09:15,199

and we're kind of the same way is that

1793

01:09:21,349 --> 01:09:18,799

we do apparently keep reincarnating with

1794

01:09:23,749 --> 01:09:21,359

the same people or your soul family on a

1795

01:09:25,510 --> 01:09:23,759

regular basis and so

1796

01:09:27,110 --> 01:09:25,520

you know that person you know that

1797

01:09:27,910 --> 01:09:27,120

sister you're really close to in this

1798

01:09:29,669 --> 01:09:27,920

life

1799

01:09:33,430 --> 01:09:29,679

might become your best friend in another

1800

01:09:35,030 --> 01:09:33,440

existence and maybe you know she's that

1801

01:09:37,910 --> 01:09:35,040

your father or something in another

1802

01:09:39,910 --> 01:09:37,920

existence and that loyal warrior that

1803

01:09:41,910 --> 01:09:39,920

you fought next to in medieval times

1804

01:09:44,070 --> 01:09:41,920

might be a brother or a best friend in

1805

01:09:47,430 --> 01:09:44,080

this life or something so

1806

01:09:49,349 --> 01:09:47,440

apparently we we do move together yes

1807

01:09:52,309 --> 01:09:49,359

no only one of my sisters thinks that

1808

01:09:53,189 --> 01:09:52,319

she's my dad or the boss of me so um

1809

01:09:55,669 --> 01:09:53,199

yeah

1810

01:09:58,310 --> 01:09:55,679

there goes duality for you right there a

1811

01:09:59,910 --> 01:09:58,320

sister and a boss maybe she was the dad

1812

01:10:02,709 --> 01:09:59,920

in the past

1813

01:10:03,669 --> 01:10:02,719

there you go i have six sisters pick one

1814

01:10:05,030 --> 01:10:03,679

i don't know

1815

01:10:10,790 --> 01:10:05,040

um

1816

01:10:12,470 --> 01:10:10,800

if there was anything and as a single

1817

01:10:13,750 --> 01:10:12,480

thing that you wish you could get across

1818

01:10:16,790 --> 01:10:13,760

to people

1819

01:10:19,350 --> 01:10:16,800

about what it is you're learning with

1820

01:10:21,990 --> 01:10:19,360

all of these hypnotic journeys what is

1821

01:10:25,270 --> 01:10:22,000

it that you wish that like the

1822

01:10:27,030 --> 01:10:25,280

anybody could really understand

1823

01:10:29,030 --> 01:10:27,040

the guides are

1824

01:10:31,510 --> 01:10:29,040

begging us to communicate and connect

1825

01:10:33,910 --> 01:10:31,520

with them that's the big thing they

1826

01:10:36,229 --> 01:10:33,920

every time that we go in and do this

1827

01:10:38,310 --> 01:10:36,239

they're they're saying we're always here

1828

01:10:40,149 --> 01:10:38,320

just ask us people think we're too busy

1829

01:10:41,750 --> 01:10:40,159

we're not we're here to be with you

1830

01:10:44,390 --> 01:10:41,760

we're here to guide you

1831

01:10:46,149 --> 01:10:44,400

we're here to support you and give you

1832

01:10:48,390 --> 01:10:46,159

love and everything and so

1833

01:10:49,350 --> 01:10:48,400

a lot of times you find people who are

1834

01:10:50,790 --> 01:10:49,360

feeling

1835

01:10:53,350 --> 01:10:50,800

you know sort of

1836

01:10:55,350 --> 01:10:53,360

depressed or feeling lost in life or

1837

01:10:57,189 --> 01:10:55,360

whatever they're not connecting with

1838

01:10:59,189 --> 01:10:57,199

their guides and they're saying you've

1839

01:11:01,270 --> 01:10:59,199

got this whole support network and we're

1840

01:11:02,149 --> 01:11:01,280

here for you and we want you to do that

1841

01:11:04,149 --> 01:11:02,159

and

1842

01:11:06,310 --> 01:11:04,159

one of the things they

1843

01:11:07,669 --> 01:11:06,320

they brought up i didn't ask at the end

1844

01:11:09,270 --> 01:11:07,679

of session sometimes i'd say you know

1845

01:11:12,310 --> 01:11:09,280

what else do we need to know what else

1846

01:11:13,990 --> 01:11:12,320

are we paying attention to and they said

1847

01:11:15,590 --> 01:11:14,000

you know the technology is really

1848

01:11:17,510 --> 01:11:15,600

distracting you

1849

01:11:19,830 --> 01:11:17,520

from connecting with them from

1850

01:11:21,669 --> 01:11:19,840

connecting with spirit

1851
01:11:24,470 --> 01:11:21,679
and you know when you look at it on a

1852
01:11:26,470 --> 01:11:24,480
typical day we might spend 8 or 10 or 12

1853
01:11:28,390 --> 01:11:26,480
or 14 hours in front of a

1854
01:11:30,470 --> 01:11:28,400
our electronic devices our computers our

1855
01:11:32,709 --> 01:11:30,480
phones our tablets our tvs

1856
01:11:34,149 --> 01:11:32,719
and like zero minutes

1857
01:11:36,390 --> 01:11:34,159
connecting with

1858
01:11:38,070 --> 01:11:36,400
you know spirit i guess you might say

1859
01:11:40,950 --> 01:11:38,080
and and it doesn't mean we have to stop

1860
01:11:42,070 --> 01:11:40,960
those those technology you know advances

1861
01:11:44,550 --> 01:11:42,080
it just means there's got to be some

1862
01:11:45,910 --> 01:11:44,560
balance and they're just saying start

1863
01:11:47,669 --> 01:11:45,920

connecting with us because we want to

1864

01:11:48,470 --> 01:11:47,679

help you evolve

1865

01:11:51,750 --> 01:11:48,480

and

1866

01:11:56,070 --> 01:11:51,760

each individual spirit has this innate

1867

01:12:01,669 --> 01:11:57,590

oh what was that i'm sorry i was looking

1868

01:12:04,390 --> 01:12:01,679

at my phone anyways i'm just kidding

1869

01:12:05,110 --> 01:12:04,400

i heard everything

1870

01:12:07,430 --> 01:12:05,120

but

1871

01:12:10,390 --> 01:12:07,440

i know those conversations where you're

1872

01:12:13,270 --> 01:12:10,400

like could you just throw your phone

1873

01:12:14,709 --> 01:12:13,280

in in your backpack or your purse or

1874

01:12:16,870 --> 01:12:14,719

something it's

1875

01:12:19,669 --> 01:12:16,880

it is really uh

1876

01:12:21,430 --> 01:12:19,679

yeah it's a really really detached

1877

01:12:24,070 --> 01:12:21,440

kind of world we're living in i don't

1878

01:12:24,790 --> 01:12:24,080

know if you saw the cartoon called wall

1879

01:12:30,390 --> 01:12:24,800

e

1880

01:12:32,709 --> 01:12:30,400

plumpy things that float around on

1881

01:12:35,669 --> 01:12:32,719

chairs and are only interacting with a

1882

01:12:38,229 --> 01:12:35,679

screen and they forget how to be human

1883

01:12:40,950 --> 01:12:38,239

and their their skeletal

1884

01:12:43,750 --> 01:12:40,960

insides are are tiny and cannot support

1885

01:12:45,189 --> 01:12:43,760

their big fat frames and it's like we're

1886

01:12:47,189 --> 01:12:45,199

becoming that

1887

01:12:50,830 --> 01:12:47,199

this is our future

1888

01:12:53,110 --> 01:12:50,840

and it's a very scary one so i i i

1889

01:12:55,510 --> 01:12:53,120

understand um

1890

01:12:56,790 --> 01:12:55,520

for myself when i look at

1891

01:12:59,430 --> 01:12:56,800

the things that are going on in this

1892

01:13:01,430 --> 01:12:59,440

world and we're living the superficial

1893

01:13:03,830 --> 01:13:01,440

life looking at screens communicating

1894

01:13:05,669 --> 01:13:03,840

through screens text messages instead of

1895

01:13:07,030 --> 01:13:05,679

phone calls

1896

01:13:09,510 --> 01:13:07,040

and and

1897

01:13:10,709 --> 01:13:09,520

i i just i don't know the level of

1898

01:13:13,669 --> 01:13:10,719

darkness

1899

01:13:15,910 --> 01:13:13,679

in some people is so

1900

01:13:18,070 --> 01:13:15,920

running rampant out there and and it's

1901

01:13:20,070 --> 01:13:18,080

like well hold on if you're not looking

1902

01:13:21,830 --> 01:13:20,080

back at your soul if you're not

1903

01:13:24,310 --> 01:13:21,840

thinking about if you're not aiming too

1904

01:13:25,830 --> 01:13:24,320

educated or nurture it feed it let it

1905

01:13:27,830 --> 01:13:25,840

grow

1906

01:13:29,990 --> 01:13:27,840

where are we going to end up i mean are

1907

01:13:34,070 --> 01:13:30,000

are we getting dumb and dumber out there

1908

01:13:35,669 --> 01:13:34,080

what are we just neglectful um

1909

01:13:37,510 --> 01:13:35,679

something's got to change and it's like

1910

01:13:41,430 --> 01:13:37,520

how do you get people

1911

01:13:43,430 --> 01:13:41,440

to look that way this new generation

1912

01:13:45,430 --> 01:13:43,440

they're very content with their video

1913

01:13:47,350 --> 01:13:45,440

games and cell phones and

1914

01:13:49,510 --> 01:13:47,360

i don't see anything changing with that

1915

01:13:50,950 --> 01:13:49,520

anytime soon outside of them implanting

1916

01:13:53,350 --> 01:13:50,960

it right behind their eyeball so they

1917

01:13:55,510 --> 01:13:53,360

could project it

1918

01:13:57,110 --> 01:13:55,520

well i think what gets people's

1919

01:13:59,430 --> 01:13:57,120

attention is

1920

01:14:01,590 --> 01:13:59,440

when there are blocks or things aren't

1921

01:14:03,910 --> 01:14:01,600

going well or they do have like a

1922

01:14:05,510 --> 01:14:03,920

physical disharmony in their body it has

1923

01:14:07,189 --> 01:14:05,520

to be something like that almost that

1924

01:14:09,510 --> 01:14:07,199

stops them and make them go oh it makes

1925

01:14:11,669 --> 01:14:09,520

them go all right what do i need to look

1926

01:14:14,630 --> 01:14:11,679

at you know what's the root or what's

1927

01:14:16,870 --> 01:14:14,640

the source what's happening here and

1928

01:14:18,470 --> 01:14:16,880

that's kind of the way i think

1929

01:14:20,950 --> 01:14:18,480

you know our attention gets drawn to

1930

01:14:23,270 --> 01:14:20,960

these things is it's almost like for

1931

01:14:25,830 --> 01:14:23,280

some people something has to go wrong to

1932

01:14:27,910 --> 01:14:25,840

get them to kind of look inward like a

1933

01:14:31,189 --> 01:14:27,920

death all of a sudden whoa where'd they

1934

01:14:33,270 --> 01:14:31,199

go where oh my gosh what did i miss here

1935

01:14:35,430 --> 01:14:33,280

what's this thing called a soul again

1936

01:14:37,430 --> 01:14:35,440

yeah oh and then they hate god because

1937

01:14:39,590 --> 01:14:37,440

that shouldn't happen it's like

1938

01:14:42,630 --> 01:14:39,600

you should have got educated about this

1939

01:14:44,630 --> 01:14:42,640

before that happened that's that's a

1940

01:14:47,030 --> 01:14:44,640

shame uh

1941

01:14:49,510 --> 01:14:47,040

so you're you're uh

1942

01:14:51,350 --> 01:14:49,520

do you go and speak anywhere do you

1943

01:14:55,030 --> 01:14:51,360

lecture or

1944

01:14:57,270 --> 01:14:55,040

are you just crazy busy with your work

1945

01:14:58,390 --> 01:14:57,280

kind of a combination of both i do i did

1946

01:15:03,030 --> 01:14:58,400

a

1947

01:15:05,350 --> 01:15:03,040

couple weeks

1948

01:15:07,510 --> 01:15:05,360

one and uh called talking books plus in

1949

01:15:09,189 --> 01:15:07,520

denver so that's going to be on the 18th

1950

01:15:11,510 --> 01:15:09,199

of august and

1951

01:15:12,310 --> 01:15:11,520

um a couple of the things in the works

1952

01:15:14,790 --> 01:15:12,320

there

1953

01:15:18,229 --> 01:15:14,800

i know in uh

1954

01:15:19,910 --> 01:15:18,239

let's see may of 2018 i'm going to be a

1955

01:15:21,590 --> 01:15:19,920

speaker at a paranormal conference

1956

01:15:25,030 --> 01:15:21,600

that's also no

1957

01:15:26,470 --> 01:15:25,040

yeah which one um it's actually i think

1958

01:15:28,630 --> 01:15:26,480

it's the first time around that they're

1959

01:15:30,630 --> 01:15:28,640

doing this paranormal conference in in

1960

01:15:32,870 --> 01:15:30,640

denver so

1961

01:15:34,630 --> 01:15:32,880

that'll be kind of exciting so yes i do

1962

01:15:36,390 --> 01:15:34,640

i've got like a powerpoint presentation

1963

01:15:38,630 --> 01:15:36,400

where i talk about all the different

1964

01:15:40,630 --> 01:15:38,640

questions and answers that

1965

01:15:42,310 --> 01:15:40,640

you know my questions and then i

1966

01:15:44,870 --> 01:15:42,320

actually use a lot of the answers that

1967

01:15:46,950 --> 01:15:44,880

the guides gave gave us during you know

1968

01:15:48,790 --> 01:15:46,960

these sessions and

1969

01:15:50,470 --> 01:15:48,800

talk about them discuss them you know

1970

01:15:53,189 --> 01:15:50,480

let the audience ask their questions and

1971

01:15:55,669 --> 01:15:53,199

everything so that's

1972

01:15:57,350 --> 01:15:55,679

that's all something else i do as well

1973

01:16:02,310 --> 01:15:57,360

love it let me know if they need someone

1974

01:16:04,550 --> 01:16:03,030

but

1975

01:16:07,030 --> 01:16:04,560

it's not all love and light in my

1976

01:16:09,350 --> 01:16:07,040

reality that's all i could tell you but

1977

01:16:11,110 --> 01:16:09,360

i wish it was i really do

1978

01:16:14,229 --> 01:16:11,120

um

1979

01:16:17,830 --> 01:16:14,239

i i find it absolutely uh

1980

01:16:19,669 --> 01:16:17,840

intriguing that people are

1981

01:16:22,229 --> 01:16:19,679

seeking you out for these types of

1982

01:16:25,910 --> 01:16:22,239

things it gives me new hope but i i have

1983

01:16:28,310 --> 01:16:25,920

a sinking feeling it's not 18 year olds

1984

01:16:30,870 --> 01:16:28,320

and 20 somethings i think it's people

1985

01:16:31,830 --> 01:16:30,880

that have a little bit more

1986

01:16:35,110 --> 01:16:31,840

depth

1987

01:16:37,030 --> 01:16:35,120

as far as in life experience uh am i

1988

01:16:38,950 --> 01:16:37,040

wrong i mean every

1989

01:16:40,550 --> 01:16:38,960

what is there a certain age group you're

1990

01:16:43,590 --> 01:16:40,560

seeing coming your way

1991

01:16:46,390 --> 01:16:43,600

it's like you said people with more life

1992

01:16:47,189 --> 01:16:46,400

experience you know people who are

1993

01:16:49,910 --> 01:16:47,199

are

1994

01:16:51,910 --> 01:16:49,920

kind of searching for more answers so

1995

01:16:54,310 --> 01:16:51,920

but i do see occasional

1996

01:16:55,830 --> 01:16:54,320

younger people who come in and it's kind

1997

01:16:58,630 --> 01:16:55,840

of difficult for them because they're

1998

01:17:00,470 --> 01:16:58,640

having trouble finding

1999

01:17:03,189 --> 01:17:00,480

you know that spirituality or that

2000

01:17:05,189 --> 01:17:03,199

evolution in some of their peers but

2001

01:17:07,430 --> 01:17:05,199

there's more and more people are seeking

2002

01:17:09,110 --> 01:17:07,440

this out you know so and which i think

2003

01:17:09,910 --> 01:17:09,120

is great that's fabulous you know the

2004

01:17:11,750 --> 01:17:09,920

more

2005

01:17:14,070 --> 01:17:11,760

that each of us

2006

01:17:16,229 --> 01:17:14,080

evolves you know and we raise our

2007

01:17:17,990 --> 01:17:16,239

consciousness then it influences

2008

01:17:19,669 --> 01:17:18,000

everybody around us and it influences

2009

01:17:21,510 --> 01:17:19,679

our collective consciousness and of

2010

01:17:22,709 --> 01:17:21,520

course makes us a better world for us

2011

01:17:24,390 --> 01:17:22,719

all

2012

01:17:26,709 --> 01:17:24,400

i want to learn how to do the vulcan

2013

01:17:30,229 --> 01:17:26,719

mind meld that's my goal

2014

01:17:32,950 --> 01:17:30,239

i i want to get hypnotized to pull forth

2015

01:17:33,310 --> 01:17:32,960

the force in me i just think it would be

2016

01:17:37,110 --> 01:17:33,320

neat

2017

01:17:39,430 --> 01:17:37,120

[Laughter]

2018

01:17:43,350 --> 01:17:39,440

if there is a

2019

01:17:45,910 --> 01:17:43,360

if there's a way that you could

2020

01:17:48,709 --> 01:17:45,920

tune people in like how how what would

2021

01:17:51,350 --> 01:17:48,719

you suggest for people to do to

2022

01:17:54,870 --> 01:17:51,360

go within and to seek on their own if

2023

01:17:57,270 --> 01:17:54,880

it's self-hypnosis or what

2024

01:17:58,550 --> 01:17:57,280

um even working with kind of a

2025

01:18:01,830 --> 01:17:58,560

meditation

2026

01:18:04,950 --> 01:18:01,840

thing where people find a quiet place

2027

01:18:06,790 --> 01:18:04,960

that feels like they're you know that's

2028

01:18:08,390 --> 01:18:06,800

spiritual or sacred to them you know

2029

01:18:10,229 --> 01:18:08,400

that might be

2030

01:18:13,030 --> 01:18:10,239

a garden that's near their house or

2031

01:18:15,030 --> 01:18:13,040

maybe it's a waterfall in the forest or

2032

01:18:17,830 --> 01:18:15,040

maybe it's just even a place in their

2033

01:18:20,550 --> 01:18:17,840

own house that's quiet and safe and

2034

01:18:22,470 --> 01:18:20,560

then to start it sort of get quiet to

2035

01:18:25,669 --> 01:18:22,480

really be present

2036

01:18:27,990 --> 01:18:25,679

and then just try it try and start a

2037

01:18:30,229 --> 01:18:28,000

conversation with their guides or angels

2038

01:18:31,830 --> 01:18:30,239

or spirits and for people different

2039

01:18:33,189 --> 01:18:31,840

people it's going to be

2040

01:18:34,790 --> 01:18:33,199

whoever they call in might be a little

2041

01:18:36,950 --> 01:18:34,800

bit different to somebody who's really

2042

01:18:38,630 --> 01:18:36,960

connected to the earth you know then it

2043

01:18:40,390 --> 01:18:38,640

might be an owl or something that comes

2044

01:18:42,470 --> 01:18:40,400

in or a wolf or something but if it's

2045

01:18:43,590 --> 01:18:42,480

somebody who's maybe had a lot of

2046

01:18:45,830 --> 01:18:43,600

religious

2047

01:18:47,189 --> 01:18:45,840

input in their early life maybe they

2048

01:18:48,470 --> 01:18:47,199

feel comfortable with angels and an

2049

01:18:49,430 --> 01:18:48,480

angel is going to come in or whatever

2050

01:18:51,910 --> 01:18:49,440

but

2051

01:18:53,510 --> 01:18:51,920

you have to start at some point sort of

2052

01:18:55,350 --> 01:18:53,520

opening the door for this communication

2053

01:18:56,390 --> 01:18:55,360

to happen maybe even just closing your

2054

01:18:58,709 --> 01:18:56,400

eyes and

2055

01:19:00,310 --> 01:18:58,719

and just trying to connect somehow and

2056

01:19:02,550 --> 01:19:00,320

you have to understand that it may not

2057

01:19:05,030 --> 01:19:02,560

be the first time or the first couple

2058

01:19:07,590 --> 01:19:05,040

times but the more you practice the

2059

01:19:10,149 --> 01:19:07,600

better it gets and you know it's just i

2060

01:19:11,830 --> 01:19:10,159

tell people it's like those those

2061

01:19:13,830 --> 01:19:11,840

you know monks from tibet they didn't

2062

01:19:16,070 --> 01:19:13,840

get to where they are by just doing this

2063

01:19:18,470 --> 01:19:16,080

once or twice you know you spend time

2064

01:19:20,950 --> 01:19:18,480

with that connection and then eventually

2065

01:19:23,270 --> 01:19:20,960

it grows and before you know it you're

2066

01:19:24,950 --> 01:19:23,280

able to start having some dialogues and

2067

01:19:26,550 --> 01:19:24,960

some communication

2068

01:19:27,990 --> 01:19:26,560

and then it kind of opens this whole new

2069

01:19:31,030 --> 01:19:28,000

world for people

2070

01:19:33,669 --> 01:19:31,040

wow one voice sacred wisdom and the mind

2071

01:19:35,830 --> 01:19:33,679

body fertility connection

2072

01:19:37,750 --> 01:19:35,840

this has been a fascinating conversation

2073

01:19:39,669 --> 01:19:37,760

i i i can't believe we've already come

2074

01:19:41,750 --> 01:19:39,679

to the bottom of this show i i want to

2075

01:19:43,830 --> 01:19:41,760

thank you so much james for coming on

2076

01:19:45,430 --> 01:19:43,840

and uh what's the best website for

2077

01:19:47,350 --> 01:19:45,440

people to get a hold of you at if they

2078

01:19:48,630 --> 01:19:47,360

want to make use of your services or get

2079

01:19:53,110 --> 01:19:48,640

your books

2080

01:19:54,550 --> 01:19:53,120

um the best one for my services is our

2081

01:19:57,510 --> 01:19:54,560

www

2082

01:20:01,189 --> 01:19:57,520

dot r for rocky m for mountain

2083

01:20:03,350 --> 01:20:01,199

hypnotherapy so rmhypnotherapy.com

2084

01:20:05,110 --> 01:20:03,360

if they want to know about the one voice

2085

01:20:07,030 --> 01:20:05,120

sacred wisdom book

2086

01:20:08,470 --> 01:20:07,040

they can actually put that title in is

2087

01:20:12,950 --> 01:20:08,480

all one word so it's

2088

01:20:18,709 --> 01:20:15,430

all right that'll be great

2089

01:20:20,950 --> 01:20:18,719

awesome well you guys this has been

2090

01:20:23,270 --> 01:20:20,960

another fantastic show

2091

01:20:25,110 --> 01:20:23,280

remember you catch me here every friday

2092

01:20:26,630 --> 01:20:25,120

8pm central 9pm eastern you've been

2093

01:20:28,390 --> 01:20:26,640

listening to me heidi hollis the

2094

01:20:31,510 --> 01:20:28,400

outlander remembering always if it's

2095

01:20:43,189 --> 01:20:31,520

weird we're here good night everybody
