56
00:03:44,220 --> 00:03:41,640
investigator spiritualist and empath is

57
00:03:46,530 --> 00:03:44,230
the last 28 years helping individual

58
00:03:48,570 --> 00:03:46,540
families deal with both human spirits

59
00:03:50,970 --> 00:03:48,580
who linger in their lives and then human

60
00:03:54,810 --> 00:03:50,980
spirits he ruined them his training and

61
00:03:56,700 --> 00:03:54,820
experience began by following in the

62
00:03:58,920 --> 00:03:56,710
footsteps of his close personal friends

63
00:04:01,370 --> 00:03:58,930

and mentors the late ed Warren and his

64

00:04:04,290 --> 00:04:01,380

wife Lorene best-selling authors

65

00:04:05,790 --> 00:04:04,300

demonologists Luba consultants who

66

00:04:09,210 --> 00:04:05,800

started the modern ghost hunting craze

67

00:04:11,100 --> 00:04:09,220

that drives today he conducts engaging

68

00:04:13,830 --> 00:04:11,110

presentations on the subjects of

69

00:04:16,740 --> 00:04:13,840

spirituality consciousness quantum

70

00:04:19,979 --> 00:04:16,750

physics meditation metaphysics

71

00:04:21,780 --> 00:04:19,989

paranormal investigation in Eamon ology

72

00:04:23,250 --> 00:04:21,790

was the third question and I said I

73

00:04:24,300 --> 00:04:23,260

believe it is interested well welcome

74

00:04:26,670 --> 00:04:24,310

you know

75

00:04:28,680 --> 00:04:26,680

aboard and basically that was what I

76

00:04:30,780 --> 00:04:28,690

call the universal law of intention

77

00:04:32,730 --> 00:04:30,790

sitting with my friend Lou saying it'd

78

00:04:34,230 --> 00:04:32,740

be so cool to work with them yeah no

79

00:04:36,180 --> 00:04:34,240

kidding and then with the universal law

80

00:04:39,210 --> 00:04:36,190

of conscious manifestations that totally

81

00:04:40,470 --> 00:04:39,220

have that happen instantly and that's

82

00:04:42,270 --> 00:04:40,480

you know nothing like that has ever

83

00:04:43,980 --> 00:04:42,280

happened to me before but it's all about

84

00:04:45,360 --> 00:04:43,990

synchronicity and things don't happen in

85

00:04:47,010 --> 00:04:45,370

your life by chance it's all

86

00:04:51,090 --> 00:04:47,020

synchronicity when you're ready for it

87

00:04:52,920 --> 00:04:51,100

when you make the intention known to the

88

00:04:55,740 --> 00:04:52,930

creator of all things

89

00:04:59,250 --> 00:04:55,750

then if it is something that is meant to

90

00:05:00,480 --> 00:04:59,260

be that if it's meant for you then

91

00:05:05,040 --> 00:05:00,490

you're going to get involved in that

92

00:05:07,860 --> 00:05:05,050

that was pretty much I just you know was

93

00:05:11,400 --> 00:05:07,870

totally enthralled by the whole thing

94

00:05:13,860 --> 00:05:11,410

and you know that Monday night class is

95

00:05:16,620 --> 00:05:13,870

pretty much it was probably 10 15 people

96

00:05:19,380 --> 00:05:16,630

sometimes 20 from all over Connecticut

97

00:05:25,230 --> 00:05:19,390

who were very serious people interested

98

00:05:26,850 --> 00:05:25,240

in exploring this phenomena and I was

99

00:05:28,560 --> 00:05:26,860

blessed to be able to be a part of that

100

00:05:29,969 --> 00:05:28,570

and of course Andrew Thompson was there

101

00:05:32,190 --> 00:05:29,979

and he was almost as sensitive as

102

00:05:35,100 --> 00:05:32,200

Lorraine I dare say almost equally

103

00:05:37,940 --> 00:05:35,110

sensitive but when get into what psychic

104

00:05:40,140 --> 00:05:37,950

abilities are and how they function but

105

00:05:42,630 --> 00:05:40,150

other people there of course their

106

00:05:46,529 --> 00:05:42,640

nephew John Zaffis of course way back

107

00:05:49,270 --> 00:05:46,539

back in 1989-90 and serve all other you

108

00:05:50,920 --> 00:05:49,280

know very interesting investigators who

109

00:05:53,650 --> 00:05:50,930

I'm still in contact today in fact we're

110

00:05:55,120 --> 00:05:53,660

I'm discussing recreating one of the

111

00:05:57,070 --> 00:05:55,130

cases that was actually absolutely

112

00:06:00,990 --> 00:05:57,080

pivotal as far as my own understanding

113

00:06:04,960 --> 00:06:01,000

and my very first psychic experience

114

00:06:06,700 --> 00:06:04,970

together but we have to consider whether

115

00:06:08,080 --> 00:06:06,710

or not you know we're going to have to

116

00:06:10,930 --> 00:06:08,090

change names and things like that

117

00:06:12,850 --> 00:06:10,940

because uh you know all the legal

118

00:06:14,560 --> 00:06:12,860

mumbo-jumbo but people really want to

119

00:06:16,360 --> 00:06:14,570

know what it was like to work with the

120

00:06:18,730 --> 00:06:16,370

Warrens and I'm so blessed to be able to

121

00:06:20,920 --> 00:06:18,740

say that I did and that's really the

122

00:06:22,960 --> 00:06:20,930

primary reason why I ended up writing

123

00:06:24,850 --> 00:06:22,970

about this case that I wrote about in my

124

00:06:27,520 --> 00:06:24,860

books called dark siege

125

00:06:30,220 --> 00:06:27,530

a Connecticut family's nightmare and

126
00:06:33,820 --> 00:06:30,230
also the sequel and there's a reason I

127
00:06:36,580 --> 00:06:33,830
had to divide them as well but that's

128
00:06:37,960 --> 00:06:36,590
where I really just hit the ground

129
00:06:39,490 --> 00:06:37,970
running working with the Warrens and

130
00:06:43,000 --> 00:06:39,500
Lorne said the more that you're involved

131
00:06:44,830 --> 00:06:43,010
in work of this nature the more you're

132
00:06:47,230 --> 00:06:44,840
sensitive sensitivities will increase

133
00:06:51,520 --> 00:06:47,240
and we'll see what those turn out to be

134
00:06:52,840 --> 00:06:51,530
over time and we can get into that as

135
00:06:55,390 --> 00:06:52,850
well so I'm not sure where you want to

136
00:06:57,850 --> 00:06:55,400
go with this but um I can go down any

137
00:07:01,000 --> 00:06:57,860
any road or down any path that you'd

138
00:07:02,440 --> 00:07:01,010

like to steer me down tonight so far

139

00:07:05,770 --> 00:07:02,450

you're going right down the list I'm

140

00:07:07,900 --> 00:07:05,780

saying this is uh this is yeah this is

141

00:07:10,779 --> 00:07:07,910

awesome it's wonderful what an honor it

142

00:07:13,480 --> 00:07:10,789

must be good to have work with and and

143

00:07:17,680 --> 00:07:13,490

the whole collective the whole unit of

144

00:07:18,990 --> 00:07:17,690

people and personally I've always

145

00:07:21,820 --> 00:07:19,000

believed that uh

146

00:07:24,219 --> 00:07:21,830

you know we don't believe in and there

147

00:07:26,980 --> 00:07:24,229

are no coincidences but I always said a

148

00:07:28,770 --> 00:07:26,990

true coincidence would be or is more

149

00:07:31,779 --> 00:07:28,780

paranormal than any paranormal event

150

00:07:32,740 --> 00:07:31,789

just because you know I don't believe in

151

00:07:35,430 --> 00:07:32,750

coincidences

152

00:07:39,730 --> 00:07:35,440

so that's that's an amazing story and

153

00:07:41,800 --> 00:07:39,740

yeah you can't get any more would you

154

00:07:43,779 --> 00:07:41,810

call it it's like but it's like the law

155

00:07:48,250 --> 00:07:43,789

of attraction which you put out to the

156

00:07:50,650 --> 00:07:48,260

universe you get back yeah yeah right

157

00:07:52,900 --> 00:07:50,660

and it wasn't you know like I said when

158

00:07:55,000 --> 00:07:52,910

I when I read that book at that time I

159

00:07:57,219 --> 00:07:55,010

was not ready in my own mind in my own

160

00:07:57,790 --> 00:07:57,229

heart and I said nope not for me right

161

00:08:03,129 --> 00:07:57,800

now

162

00:08:08,800 --> 00:08:03,139

that time so it was nineteen eating late

163

00:08:10,899 --> 00:08:08,810

nine early 1990 that just you know

164

00:08:12,850 --> 00:08:10,909

everything just came together and that

165

00:08:14,890 --> 00:08:12,860

was the way it happened but well what's

166

00:08:16,929 --> 00:08:14,900

interesting is I was actually at the

167

00:08:19,239 --> 00:08:16,939

time attending sacred art University

168

00:08:20,769 --> 00:08:19,249

right in Fairfield Bridgeport line it

169

00:08:22,179 --> 00:08:20,779

was a Catholic University and they all

170

00:08:25,570 --> 00:08:22,189

got wind that I was working with the

171

00:08:27,339 --> 00:08:25,580

Warrens and I was always interested in

172

00:08:31,019 --> 00:08:27,349

writing as a young young man I was

173

00:08:33,399 --> 00:08:31,029

writing screenplay and and things and I

174

00:08:35,620 --> 00:08:33,409

was writing for the Sacred Heart

175

00:08:38,110 --> 00:08:35,630

University spectrum newspaper a column

176

00:08:40,329 --> 00:08:38,120

called hauntings that I wrote and it was

177

00:08:43,920 --> 00:08:40,339

basically of all about the cases that we

178

00:08:46,300 --> 00:08:43,930

were investigating and so forth and and

179

00:08:47,680 --> 00:08:46,310

that was really well received by

180

00:08:48,790 --> 00:08:47,690

everybody on campus and of course they

181

00:08:50,740 --> 00:08:48,800

all know who the Warrens weren't were

182

00:08:53,860 --> 00:08:50,750

because they would go to Sacred Heart

183

00:08:55,300 --> 00:08:53,870

for their college lectures in fact I

184

00:08:57,040 --> 00:08:55,310

attended a couple of those a couple

185

00:08:58,480 --> 00:08:57,050

times and the most terrifying thing that

186

00:09:00,579 --> 00:08:58,490

they ever you know they would show

187

00:09:02,530 --> 00:09:00,589

slides you know keep in mind this is

188

00:09:04,780 --> 00:09:02,540

back in 1990s timeframe and then it

189

00:09:07,870 --> 00:09:04,790

through the 80s as well but it was all

190

00:09:09,400 --> 00:09:07,880

slides and audio cassette you know

191

00:09:10,960 --> 00:09:09,410

footage and things like that and the

192

00:09:13,750 --> 00:09:10,970

most terrifying thing was always the

193

00:09:15,699 --> 00:09:13,760

street voices that took place that was

194

00:09:18,069 --> 00:09:15,709

in a case called the Enfield voices and

195

00:09:22,449 --> 00:09:18,079

that was what Edie called it it turned

196

00:09:23,680 --> 00:09:22,459

out to be the movie about note the name

197

00:09:26,050 --> 00:09:23,690

I don't know what they know called the

198

00:09:28,840 --> 00:09:26,060

name it was maybe it was conjuring 2 but

199

00:09:30,400 --> 00:09:28,850

it was the the case in England about the

200

00:09:32,380 --> 00:09:30,410

house in England and the the you know

201
00:09:35,620 --> 00:09:32,390
the spirits there but that was always

202
00:09:37,329 --> 00:09:35,630
the most terrifying for the students

203
00:09:38,920 --> 00:09:37,339
that were there to look at the less

204
00:09:40,780 --> 00:09:38,930
listened to the lectures and many people

205
00:09:41,889 --> 00:09:40,790
would actually walk out because they

206
00:09:44,550 --> 00:09:41,899
couldn't take it they were really

207
00:09:52,930 --> 00:09:44,560
terrified about what was going on and

208
00:09:54,340 --> 00:09:52,940
but I was always eager to go and pretty

209
00:09:56,439 --> 00:09:54,350
much participate in anything that I was

210
00:10:00,100 --> 00:09:56,449
given the opportunity to participate in

211
00:10:01,329 --> 00:10:00,110
and I can go into some of those cases in

212
00:10:02,650 --> 00:10:01,339
detail if you want I'm actually going to

213
00:10:08,620 --> 00:10:02,660

be writing about them from my own

214

00:10:11,199 --> 00:10:08,630

perspective and but I remember very

215

00:10:13,120 --> 00:10:11,209

clearly the first called the very first

216

00:10:14,860 --> 00:10:13,130

case that Lou and I went on there's

217

00:10:16,210 --> 00:10:14,870

actually interesting story I've done

218

00:10:16,889 --> 00:10:16,220

some of these shows I don't know what

219

00:10:19,980 --> 00:10:16,899

I've said in

220

00:10:22,049 --> 00:10:19,990

but so during the Monday night meeting

221

00:10:25,019 --> 00:10:22,059

the Warrens would explain the cases that

222

00:10:26,790 --> 00:10:25,029

they've become aware of asked for

223

00:10:29,160 --> 00:10:26,800

volunteers or just pretty much

224

00:10:31,049 --> 00:10:29,170

hand-picked people to go on specific

225

00:10:32,460 --> 00:10:31,059

cases and there was a case that they

226

00:10:37,139 --> 00:10:32,470

talked about that happened actually in

227

00:10:38,790 --> 00:10:37,149

Devon Connecticut and it was a newlywed

228

00:10:40,499 --> 00:10:38,800

couple they just had a baby they moved

229

00:10:43,230 --> 00:10:40,509

into a house that they purchased it was

230

00:10:46,259 --> 00:10:43,240

a small house two-story the upstairs was

231

00:10:48,780 --> 00:10:46,269

just a bathroom hallway separating two

232

00:10:52,230 --> 00:10:48,790

bedrooms and every night they said the

233

00:10:54,540 --> 00:10:52,240

spirit a full spectral Spectre would

234

00:10:55,799 --> 00:10:54,550

come through the wall of this woman

235

00:10:58,139 --> 00:10:55,809

inspector of this woman would come

236

00:11:00,419 --> 00:10:58,149

through the wall right in their bedroom

237

00:11:02,189 --> 00:11:00,429

walked down the hallway stopped in front

238

00:11:04,109 --> 00:11:02,199

of the baby's crib scare the baby out of

239

00:11:05,699 --> 00:11:04,119

its width walk through the crib and

240

00:11:08,429 --> 00:11:05,709

disappear every night like clockwork and

241

00:11:12,090 --> 00:11:08,439

I said well okay so they signed Lou and

242

00:11:12,780 --> 00:11:12,100

I to go to this case alone representing

243

00:11:15,419 --> 00:11:12,790

the Warrens

244

00:11:17,400 --> 00:11:15,429

on our very first night well that was

245

00:11:19,559 --> 00:11:17,410

Lou's second class and mine was the

246

00:11:21,929 --> 00:11:19,569

first but I was actually dumbfounded I

247

00:11:25,079 --> 00:11:21,939

was like you serious you know so we got

248

00:11:27,389 --> 00:11:25,089

to go and I borrowed my mom's camcorder

249

00:11:31,290 --> 00:11:27,399

with old VHS camcorder so again this is

250

00:11:33,600 --> 00:11:31,300

back in 90 and set it up on a tripod in

251
00:11:35,040 --> 00:11:33,610
the parents bedroom aiming at the wall

252
00:11:35,610 --> 00:11:35,050
where she would come out I drew the

253
00:11:38,610 --> 00:11:35,620
blinds

254
00:11:40,650 --> 00:11:38,620
you know lit some candles and then Lou

255
00:11:42,540 --> 00:11:40,660
and I and the husband and wife waited in

256
00:11:46,379 --> 00:11:42,550
the baby's room peering down the hallway

257
00:11:48,239 --> 00:11:46,389
waiting for this woman to come floating

258
00:11:50,189 --> 00:11:48,249
down the hallway to stop in front of the

259
00:11:53,730 --> 00:11:50,199
baby's crib well as we're all peering

260
00:11:55,350 --> 00:11:53,740
down the hallway we were looking for of

261
00:11:58,230 --> 00:11:55,360
us and it was like lightning went off it

262
00:12:00,600 --> 00:11:58,240
was like this bright bright blue violet

263
00:12:02,999 --> 00:12:00,610

flash of light like a ball of lightning

264

00:12:04,499 --> 00:12:03,009

went on like in a flash and we all just

265

00:12:06,809 --> 00:12:04,509

stared at each other with our mouths

266

00:12:10,530 --> 00:12:06,819

hanging slack saying are you did you see

267

00:12:12,210 --> 00:12:10,540

that we all saw it and about five

268

00:12:13,739 --> 00:12:12,220

minutes later we decided to walk we're

269

00:12:15,299 --> 00:12:13,749

waiting patiently for this see if you

270

00:12:16,949 --> 00:12:15,309

know this woman who's going to come down

271

00:12:20,720 --> 00:12:16,959

but nothing happened but we walked into

272

00:12:24,960 --> 00:12:20,730

the bedroom and we smelled a very

273

00:12:28,169 --> 00:12:24,970

overpowering sickly sweet almond smell

274

00:12:30,239 --> 00:12:28,179

for some reason and then nothing more

275

00:12:31,000 --> 00:12:30,249

happened so we went back into the baby's

276
00:12:32,740 --> 00:12:31,010
German

277
00:12:35,170 --> 00:12:32,750
try it again just waited patiently

278
00:12:37,600 --> 00:12:35,180
looking staring down the hallway and at

279
00:12:39,009 --> 00:12:37,610
30 minutes later exactly another flash

280
00:12:41,019 --> 00:12:39,019
of light happens when it was happens

281
00:12:43,629 --> 00:12:41,029
intense when we went into the bedroom

282
00:12:46,000 --> 00:12:43,639
the smell was happens intense and when

283
00:12:48,490 --> 00:12:46,010
we decided to call it for the evening is

284
00:12:51,819 --> 00:12:48,500
nothing more happened we put the tape in

285
00:12:53,560 --> 00:12:51,829
the VHS machine watching it and we're

286
00:12:54,879 --> 00:12:53,570
fast forwarding and fast-forwarding

287
00:12:56,439 --> 00:12:54,889
fast-forwarding seeing the candles

288
00:12:58,810 --> 00:12:56,449

flicker and so forth waiting to see this

289

00:13:01,030 --> 00:12:58,820

bright blue flash of light when we you

290

00:13:02,829 --> 00:13:01,040

know when we hit play we heard my voice

291

00:13:04,720 --> 00:13:02,839

that we've just experienced the second

292

00:13:08,050 --> 00:13:04,730

flash of light there was absolutely

293

00:13:12,160 --> 00:13:08,060

nothing on the audio I'm a video

294

00:13:14,800 --> 00:13:12,170

cassette and we were just again we're

295

00:13:17,110 --> 00:13:14,810

just pretty stunned and then Lou said

296

00:13:17,829 --> 00:13:17,120

Joanna and we're like what and it was a

297

00:13:22,900 --> 00:13:17,839

heartbeat

298

00:13:24,490 --> 00:13:22,910

sound he goes that is a diuretic

299

00:13:26,470 --> 00:13:24,500

heartbeat I think that's what he said

300

00:13:28,300 --> 00:13:26,480

and then there was another heartbeat and

301
00:13:30,310 --> 00:13:28,310
then a third type of heartbeat he

302
00:13:31,960 --> 00:13:30,320
arthritic thigh arthritic and something

303
00:13:34,930 --> 00:13:31,970
else I think those are the names so I'm

304
00:13:38,949 --> 00:13:34,940
not a medic but he was absolutely like

305
00:13:40,480 --> 00:13:38,959
ghost white nope no pun intended and to

306
00:13:43,689 --> 00:13:40,490
hear these heartbeats and we would have

307
00:13:45,100 --> 00:13:43,699
completely missed it the three of us the

308
00:13:46,630 --> 00:13:45,110
husband and wife and myself because

309
00:13:49,840 --> 00:13:46,640
we're not trained medics to listen to

310
00:13:51,670 --> 00:13:49,850
very faint heartbeats so when we went to

311
00:13:53,829 --> 00:13:51,680
the next Monday night actually dropped

312
00:13:56,139 --> 00:13:53,839
the tape off the next evening at their

313
00:13:57,670 --> 00:13:56,149

house and then we all waited for the

314

00:13:59,380 --> 00:13:57,680

following Monday where Lorraine pretty

315

00:14:02,410 --> 00:13:59,390

much explained that the woman was very

316

00:14:04,269 --> 00:14:02,420

much there present in the house but she

317

00:14:06,100 --> 00:14:04,279

wasn't going to give us the evidence

318

00:14:10,930 --> 00:14:06,110

that we were looking for on and on the

319

00:14:12,730 --> 00:14:10,940

tape but the what happened with that

320

00:14:16,360 --> 00:14:12,740

flash of light is of course it doesn't

321

00:14:18,100 --> 00:14:16,370

show up on the video cassette and she

322

00:14:20,740 --> 00:14:18,110

didn't give any explanation for that but

323

00:14:22,900 --> 00:14:20,750

other than she wasn't going to prove us

324

00:14:24,699 --> 00:14:22,910

any proof but it was the heartbeat there

325

00:14:27,790 --> 00:14:24,709

was a specific message for Lou and Lou

326

00:14:33,009 --> 00:14:27,800

alone and that scared Lou about 50% out

327

00:14:34,720 --> 00:14:33,019

of the whole yeah even getting involved

328

00:14:37,210 --> 00:14:34,730

and that really makes me you know

329

00:14:38,949 --> 00:14:37,220

chuckle inside because this poor guy is

330

00:14:42,160 --> 00:14:38,959

witnessed absolutely horrors on the

331

00:14:43,660 --> 00:14:42,170

battlefield and you know you can imagine

332

00:14:44,680 --> 00:14:43,670

what you experience as the medic he's

333

00:14:47,890 --> 00:14:44,690

told me some amazing

334

00:14:51,250 --> 00:14:47,900

to be to be afraid of hearing a

335

00:14:53,350 --> 00:14:51,260

heartbeat on a videocassette really it's

336

00:14:56,620 --> 00:14:53,360

interesting but so let me explain from

337

00:14:59,110 --> 00:14:56,630

my purse okay I didn't say anything

338

00:15:02,460 --> 00:14:59,120

going oh I thought somebody say

339

00:15:07,060 --> 00:15:02,470

something so from what I understand now

340

00:15:08,980 --> 00:15:07,070

all these many years later is that the

341

00:15:10,870 --> 00:15:08,990

same thing that happens with UFO

342

00:15:12,310 --> 00:15:10,880

phenomena the same thing happens with

343

00:15:14,230 --> 00:15:12,320

the same thing that happens with

344

00:15:18,130 --> 00:15:14,240

anything related to the paranormal is

345

00:15:19,900 --> 00:15:18,140

that one person or one individual see

346

00:15:22,510 --> 00:15:19,910

something or maybe a group well but none

347

00:15:24,870 --> 00:15:22,520

of the others in the group well or they

348

00:15:27,400 --> 00:15:24,880

all well but there's no evidence on it

349

00:15:29,650 --> 00:15:27,410

you're listening to love advice with

350

00:15:31,540 --> 00:15:29,660

Leanne caller you're on the air

351

00:15:34,330 --> 00:15:31,550

hi Leanne longtime listener first-time

352

00:15:36,670 --> 00:15:34,340

caller why in your professional opinion

353

00:15:39,910 --> 00:15:36,680

do you never take my calls off the air

354

00:15:41,200 --> 00:15:39,920

is this carleeee yep it's Carl I mean we

355

00:15:45,010 --> 00:15:41,210

had a few dates everything was great I

356

00:15:47,050 --> 00:15:45,020

thought well you know when you switch to

357

00:15:49,600 --> 00:15:47,060

Geico you could save a lot of money on

358

00:15:52,030 --> 00:15:49,610

car insurance okay awesome you should

359

00:15:53,410 --> 00:15:52,040

call them I will Geico because saving

360

00:15:55,810 --> 00:15:53,420

fifteen percent or more on car insurance

361

00:15:58,090 --> 00:15:55,820

is always a great answer physical

362

00:15:59,620 --> 00:15:58,100

instrument that's trying to record the

363

00:16:01,510 --> 00:15:59,630

events that took place in the house well

364

00:16:04,780 --> 00:16:01,520

how is this possible it's because our

365

00:16:06,160 --> 00:16:04,790

pineal gland has rods and cones it's

366

00:16:09,280 --> 00:16:06,170

been called throughout history the third

367

00:16:13,090 --> 00:16:09,290

eye or the sixth sense it's a it's a

368

00:16:14,110 --> 00:16:13,100

grain of rice or pea-sized gland in the

369

00:16:16,870 --> 00:16:14,120

center of the left and right hemispheres

370

00:16:18,850 --> 00:16:16,880

of our brains and that is what is

371

00:16:22,060 --> 00:16:18,860

photosensitive and that is what picks up

372

00:16:24,520 --> 00:16:22,070

the psychic visions and that is where

373

00:16:27,520 --> 00:16:24,530

this flash of light was projected into

374

00:16:29,560 --> 00:16:27,530

all of our minds instant instantly and

375

00:16:33,190 --> 00:16:29,570

simultaneously so when you think about

376

00:16:35,740 --> 00:16:33,200

it how is this possible and it can

377

00:16:37,720 --> 00:16:35,750

happen because when you vacate the body

378

00:16:40,690 --> 00:16:37,730

is like an insulator right when you

379

00:16:43,810 --> 00:16:40,700

vacate the body you have the ability

380

00:16:47,079 --> 00:16:43,820

these people who leave their bodies have

381

00:16:49,900 --> 00:16:47,089

the ability to hear everyone's thoughts

382

00:16:52,420 --> 00:16:49,910

all around them there's no there's no

383

00:16:54,550 --> 00:16:52,430

inflation anymore they can also project

384

00:16:56,500 --> 00:16:54,560

things right into our minds Eduardo I

385

00:16:58,600 --> 00:16:56,510

said he says hauntings always begin in

386

00:17:00,460 --> 00:16:58,610

the money and

387

00:17:02,440 --> 00:17:00,470

when you think about when you have a

388

00:17:04,179 --> 00:17:02,450

dream at night you're sleeping your eye

389

00:17:04,960 --> 00:17:04,189

lit your eyes are closed your eyelids

390

00:17:07,630 --> 00:17:04,970

are closed

391

00:17:10,590 --> 00:17:07,640

you're not even consciously united

392

00:17:14,590 --> 00:17:10,600

conscious yet you're having a full color

393

00:17:16,720 --> 00:17:14,600

you know high-definition movie image in

394

00:17:18,520 --> 00:17:16,730

your mind that's because you're able to

395

00:17:19,960 --> 00:17:18,530

opening in your through your pineal

396

00:17:21,880 --> 00:17:19,970

gland which is accessing higher

397

00:17:25,750 --> 00:17:21,890

vibrations and higher frequencies but

398

00:17:26,860 --> 00:17:25,760

and with the with the heartbeat it was

399

00:17:28,690 --> 00:17:26,870

the same thing there was never any

400

00:17:31,720 --> 00:17:28,700

physical body near enough in the

401
00:17:32,350 --> 00:17:31,730
camcorder for the camcorder to pick up a

402
00:17:35,110 --> 00:17:32,360
heartbeat

403
00:17:36,669 --> 00:17:35,120
and nor was it sensitive enough yet here

404
00:17:38,890 --> 00:17:36,679
it was we weren't even in the same room

405
00:17:41,620 --> 00:17:38,900
at this time yeah you're hearing the

406
00:17:43,470 --> 00:17:41,630
heartbeats going on so the thing that

407
00:17:45,640 --> 00:17:43,480
scared Lou out of his mind

408
00:17:47,020 --> 00:17:45,650
totally out the door was when we all

409
00:17:49,169 --> 00:17:47,030
went to Dudley town and I'm not sure

410
00:17:53,200 --> 00:17:49,179
your if you're familiar with that whole

411
00:17:54,820 --> 00:17:53,210
area but that it was absolutely very

412
00:17:58,110 --> 00:17:54,830
very fascinating and I believe that's

413
00:18:00,880 --> 00:17:58,120

when they've got the entire Blair Witch

414

00:18:07,240 --> 00:18:00,890

idea from this place are you lay with

415

00:18:08,710 --> 00:18:07,250

Dudley town uh no not okay I don't spend

416

00:18:11,680 --> 00:18:08,720

too much time into that but if they

417

00:18:13,330 --> 00:18:11,690

actually a haunted village in near

418

00:18:15,040 --> 00:18:13,340

Cornwall Connecticut all the remain

419

00:18:17,530 --> 00:18:15,050

there now our foundations but it was

420

00:18:19,060 --> 00:18:17,540

this actual whole history but you can

421

00:18:22,299 --> 00:18:19,070

research that you can look that up on

422

00:18:24,370 --> 00:18:22,309

Google or there's videos made called

423

00:18:25,840 --> 00:18:24,380

Dudley town but that was absolutely

424

00:18:27,460 --> 00:18:25,850

terrifying for Lou and he couldn't take

425

00:18:28,600 --> 00:18:27,470

it anymore but they won't even let you

426
00:18:30,549 --> 00:18:28,610
in there any more than the state police

427
00:18:31,780 --> 00:18:30,559
will actually come and throw you out if

428
00:18:35,650 --> 00:18:31,790
you end up going in there because people

429
00:18:37,330 --> 00:18:35,660
disappear it's really serious it's

430
00:18:38,740 --> 00:18:37,340
actual it's a real haunted place it's

431
00:18:41,710 --> 00:18:38,750
really actually quite dangerous to go

432
00:18:42,730 --> 00:18:41,720
into and that's a whole other story I

433
00:18:45,159 --> 00:18:42,740
was got actually gonna write a book

434
00:18:46,810 --> 00:18:45,169
about that but no I have all these books

435
00:18:48,460 --> 00:18:46,820
in the works I have six different books

436
00:18:51,340 --> 00:18:48,470
in the works right now and I'm trying to

437
00:18:53,440 --> 00:18:51,350
get you out before the the fall of this

438
00:18:54,640 --> 00:18:53,450

year and I'm actually way behind

439

00:18:57,130 --> 00:18:54,650

schedule but I have so many other

440

00:19:02,590 --> 00:18:57,140

projects going on and it's just so

441

00:19:05,520 --> 00:19:02,600

interesting to be doing what I do and so

442

00:19:09,400 --> 00:19:05,530

and then how would you like to go now

443

00:19:11,460 --> 00:19:09,410

well um the case that you wrote about

444

00:19:15,000 --> 00:19:11,470

your book

445

00:19:19,280 --> 00:19:15,010

what was it about the case that made you

446

00:19:22,400 --> 00:19:19,290

decide on documenting a specific one I

447

00:19:24,540 --> 00:19:22,410

was never going to talk about this case

448

00:19:27,600 --> 00:19:24,550

the family never wanted to talk about

449

00:19:30,180 --> 00:19:27,610

this case because of the back that it

450

00:19:33,870 --> 00:19:30,190

was so absolutely terrifying and so

451
00:19:36,480 --> 00:19:33,880
devastating to them and their friends

452
00:19:40,680 --> 00:19:36,490
and to their neighbors and to everybody

453
00:19:43,350 --> 00:19:40,690
involved in any way and the reason I

454
00:19:46,470 --> 00:19:43,360
ended up writing about it is because it

455
00:19:49,800 --> 00:19:46,480
was backed around 2012 early 2012 and I

456
00:19:51,480 --> 00:19:49,810
I was never a big social media guy and

457
00:19:54,660 --> 00:19:51,490
that's when I first got into Facebook

458
00:19:56,700 --> 00:19:54,670
and that's when I noticed all these

459
00:19:58,710 --> 00:19:56,710
paranormal groups I mean just one after

460
00:20:00,900 --> 00:19:58,720
the other you know with the t-shirts and

461
00:20:03,210 --> 00:20:00,910
the sunglasses and the baseball hats and

462
00:20:05,610 --> 00:20:03,220
the you know almost owner stuff and I

463
00:20:07,410 --> 00:20:05,620

said wow I said I had no idea you know

464

00:20:08,910 --> 00:20:07,420

because I've always kept to myself I've

465

00:20:10,530 --> 00:20:08,920

done my own thing I've never you know

466

00:20:15,090 --> 00:20:10,540

sought the limelight or any of that

467

00:20:16,680 --> 00:20:15,100

stuff and in fact Andrew one of my close

468

00:20:18,870 --> 00:20:16,690

friends was actually working with the

469

00:20:20,960 --> 00:20:18,880

Warrens when I first got involved he was

470

00:20:24,090 --> 00:20:20,970

actually going to be on the first ghost

471

00:20:25,800 --> 00:20:24,100

hunter show and he said I want nothing

472

00:20:28,610 --> 00:20:25,810

to do with this because it's gonna end

473

00:20:31,080 --> 00:20:28,620

up being scripted tabloid television and

474

00:20:32,640 --> 00:20:31,090

even to this day he's long the same

475

00:20:35,040 --> 00:20:32,650

mites that I am is we want to help

476

00:20:38,780 --> 00:20:35,050

people work along you know on the

477

00:20:41,370 --> 00:20:38,790

sidelines and and just do what we do so

478

00:20:43,230 --> 00:20:41,380

to you know to give you a gist real I

479

00:20:46,500 --> 00:20:43,240

have about a half hour left right or 40

480

00:20:47,970 --> 00:20:46,510

47 minutes 37 minutes yeah we take a

481

00:20:49,620 --> 00:20:47,980

hurt I break it five minutes from now

482

00:20:51,780 --> 00:20:49,630

okay

483

00:20:53,220 --> 00:20:51,790

so I try to jump I'll try to tell you

484

00:20:54,450 --> 00:20:53,230

about the brief history before I got

485

00:20:57,510 --> 00:20:54,460

involved in this case and then we can

486

00:20:59,160 --> 00:20:57,520

get involved about this case and why I

487

00:21:02,310 --> 00:20:59,170

decided write about it but when I was

488

00:21:05,040 --> 00:21:02,320

working at the Warrens I'd took me in my

489

00:21:07,890 --> 00:21:05,050

first demonic case we actually

490

00:21:10,440 --> 00:21:07,900

experienced I had my first totally

491

00:21:14,100 --> 00:21:10,450

amazing psychic experience on a case

492

00:21:16,920 --> 00:21:14,110

that we all investigated together where

493

00:21:20,610 --> 00:21:16,930

I pick up the emotion of this woman who

494

00:21:22,200 --> 00:21:20,620

had Perisher her body had perished and

495

00:21:23,790 --> 00:21:22,210

heard she went to the house because she

496

00:21:25,860 --> 00:21:23,800

was missing her child she was on her way

497

00:21:28,230 --> 00:21:25,870

to go give birth

498

00:21:29,400 --> 00:21:28,240

being rushed to the house via horse and

499

00:21:31,350 --> 00:21:29,410

wagon horse and carriage and the

500

00:21:33,420 --> 00:21:31,360

carriage went off the ridge and broke

501
00:21:37,860 --> 00:21:33,430
you know collapsed and crushed her and

502
00:21:40,320 --> 00:21:37,870
crushed the fetus the the infant baby

503
00:21:41,790 --> 00:21:40,330
and her last conscious thought was get

504
00:21:44,070 --> 00:21:41,800
to the house to deliver the baby

505
00:21:49,020 --> 00:21:44,080
well the conscious awareness that was

506
00:21:51,270 --> 00:21:49,030
going to use the body of the newborn

507
00:21:54,150 --> 00:21:51,280
baby for its particular life experience

508
00:21:55,890 --> 00:21:54,160
either never came down fusing with the

509
00:21:57,690 --> 00:21:55,900
few with the fetus or the baby when I

510
00:22:01,230 --> 00:21:57,700
was about to be born or it crossed right

511
00:22:04,140 --> 00:22:01,240
over immediately but to her the baby was

512
00:22:07,710 --> 00:22:04,150
missing and if you can imagine a woman's

513
00:22:09,930 --> 00:22:07,720

grief as she was about to go give birth

514

00:22:12,810 --> 00:22:09,940

to find babies nowhere to be found

515

00:22:15,060 --> 00:22:12,820

that grief I completely was overcome by

516

00:22:16,530 --> 00:22:15,070

and my jaw dropped and literally tears

517

00:22:18,419 --> 00:22:16,540

just streaming down my eyes and actually

518

00:22:22,980 --> 00:22:18,429

we just found the but the audio cassette

519

00:22:26,790 --> 00:22:22,990

of that entire spirit communication with

520

00:22:28,410 --> 00:22:26,800

Warren's and six other associates and I

521

00:22:31,080 --> 00:22:28,420

actually was the one that drove us up

522

00:22:32,700 --> 00:22:31,090

there but that changed my life

523

00:22:35,400 --> 00:22:32,710

completely because it made me realize

524

00:22:37,470 --> 00:22:35,410

that the grief and the sorrow and the

525

00:22:38,669 --> 00:22:37,480

sadness that some of these people there

526

00:22:41,250 --> 00:22:38,679

are people just like you or I who

527

00:22:43,080 --> 00:22:41,260

vacated the physical body when the body

528

00:22:45,120 --> 00:22:43,090

is no longer able to function but

529

00:22:49,320 --> 00:22:45,130

they're still very much alive because we

530

00:22:51,570 --> 00:22:49,330

are eternal and the grief of this woman

531

00:22:53,549 --> 00:22:51,580

felt it changed my life and it made me

532

00:22:58,169 --> 00:22:53,559

want to help these people in any way

533

00:23:00,030 --> 00:22:58,179

that I can in fact it even affected me

534

00:23:01,590 --> 00:23:00,040

on the way home in the next day when I

535

00:23:03,930 --> 00:23:01,600

was writing about it for the column for

536

00:23:05,820 --> 00:23:03,940

the newspaper to the point where I was

537

00:23:08,270 --> 00:23:05,830

just you know obsessed with getting back

538

00:23:10,290 --> 00:23:08,280

to the house to help this poor woman but

539

00:23:12,299 --> 00:23:10,300

after that I went out to college in

540

00:23:13,710 --> 00:23:12,309

Washington State to pursue my English

541

00:23:15,299 --> 00:23:13,720

creative writing degree and while I was

542

00:23:18,990 --> 00:23:15,309

out there the warrants Laureen asked me

543

00:23:20,790 --> 00:23:19,000

to investigate a case in Idaho I was in

544

00:23:22,560 --> 00:23:20,800

eastern Washington - it was just you

545

00:23:25,290 --> 00:23:22,570

know good 40 minutes across the border

546

00:23:27,330 --> 00:23:25,300

and that was fascinating but then we had

547

00:23:29,130 --> 00:23:27,340

the warrants flown out to Eastern

548

00:23:30,750 --> 00:23:29,140

Washington University to do their

549

00:23:32,810 --> 00:23:30,760

college lecture and I took the my

550

00:23:35,760 --> 00:23:32,820

fraternity house and we went all across

551
00:23:37,380 --> 00:23:35,770
Spokane and the surrounding area and

552
00:23:38,580 --> 00:23:37,390
then the haunted places on campus and

553
00:23:42,029 --> 00:23:38,590
that created

554
00:23:43,830 --> 00:23:42,039
Shabazz that I actually started I formed

555
00:23:45,600 --> 00:23:43,840
the Northwest Society for paranormal

556
00:23:47,730 --> 00:23:45,610
research to mirror their northeast

557
00:23:51,000 --> 00:23:47,740
that's when I started actually teaching

558
00:23:53,070 --> 00:23:51,010
classes about this stuff and that was a

559
00:23:54,930 --> 00:23:53,080
lot of fun and really really rewarding

560
00:23:57,419 --> 00:23:54,940
but then it's when I started actually

561
00:23:59,430 --> 00:23:57,429
putting ads in the paper for people to

562
00:24:01,980 --> 00:23:59,440
be able to you know call me for help if

563
00:24:04,740 --> 00:24:01,990

they're looking for help with a haunting

564

00:24:05,909 --> 00:24:04,750

situation that they may have that was

565

00:24:08,549 --> 00:24:05,919

incredible and I started actually

566

00:24:10,560 --> 00:24:08,559

relaying information and picking things

567

00:24:12,029 --> 00:24:10,570

up and I caught picking it up because I

568

00:24:12,899 --> 00:24:12,039

didn't hear anything I didn't see

569

00:24:16,500 --> 00:24:12,909

anything

570

00:24:18,000 --> 00:24:16,510

it was just a knowing in my mind like

571

00:24:19,649 --> 00:24:18,010

knowing a name or knowing why this

572

00:24:23,789 --> 00:24:19,659

individual didn't cross over or that

573

00:24:30,409 --> 00:24:23,799

sort of thing and that was something

574

00:24:32,100 --> 00:24:30,419

that was completely fulfilling but I

575

00:24:33,090 --> 00:24:32,110

think we were cutting out there I

576
00:24:37,080 --> 00:24:33,100
couldn't really hear what you're saying

577
00:24:40,230 --> 00:24:37,090
oh no it's about it's about to take our

578

publisher of UFO truth magazine Gary

Heseltine really looking forward to that

616

00:26:34,810 --> 00:26:31,610

oh okay bring her back on yeah Jason you

617

00:26:37,750 --> 00:26:34,820

still with us I am you were discussing

618

00:26:40,800 --> 00:26:37,760

your book and we had asked you

619

00:26:46,360 --> 00:26:40,810

specifically why you had chosen at

620

00:26:48,130 --> 00:26:46,370

specific story right so I was never

621

00:26:49,960 --> 00:26:48,140

going to talk about this case the family

622

00:26:51,220 --> 00:26:49,970

didn't want to talk about it I became

623

00:26:53,680 --> 00:26:51,230

aware of all the different Facebook

624

00:26:55,960 --> 00:26:53,690

groups out there that you know all the

625

00:26:57,220 --> 00:26:55,970

different paranormal groups and I said

626

00:26:58,210 --> 00:26:57,230

I've worked with the pioneers of the

627

00:27:00,220 --> 00:26:58,220

entire field

628

00:27:02,110 --> 00:27:00,230

you know the whole modern ghost

629

00:27:06,340 --> 00:27:02,120

investigation craze that thrives today

630

00:27:09,400 --> 00:27:06,350

and I said you know the second reason

631

00:27:11,890 --> 00:27:09,410

was is because of the rampant increase

632

00:27:19,170 --> 00:27:11,900

in Ouija board use and that was always

633

00:27:21,610 --> 00:27:19,180

dead warrants my mentor and friends most

634

00:27:23,110 --> 00:27:21,620

interesting warning was that the Ouija

635

00:27:24,940 --> 00:27:23,120

board is the most dangerous piece of

636

00:27:28,870 --> 00:27:24,950

negative occult paraphernalia there is

637

00:27:30,640 --> 00:27:28,880

and I have to agree with them because

638

00:27:32,280 --> 00:27:30,650

every time that I've ever become aware

639

00:27:37,900 --> 00:27:32,290

of a case that has existed

640

00:27:40,150 --> 00:27:37,910

we're obviously preternatural entities

641

00:27:43,180 --> 00:27:40,160

were infesting people's homes and

642

00:27:45,010 --> 00:27:43,190

causing things to happen in a way that

643

00:27:48,670 --> 00:27:45,020

would boggle most people's minds unless

644

00:27:50,620 --> 00:27:48,680

they witness it themselves that is

645

00:27:52,510 --> 00:27:50,630

absolutely true and it was actually

646

00:27:55,330 --> 00:27:52,520

absolutely true in this case that I

647

00:27:57,250 --> 00:27:55,340

wrote about that I call dark siege of

648

00:27:58,960 --> 00:27:57,260

Connecticut family's nightmare when I

649

00:28:00,790 --> 00:27:58,970

graduated college I came back to

650

00:28:03,160 --> 00:28:00,800

Connecticut and I put it Flyers all over

651
00:28:04,720 --> 00:28:03,170
the place living in Westport but I put

652
00:28:05,860 --> 00:28:04,730
fliers all over the place for a seminar

653
00:28:10,530 --> 00:28:05,870
called transcend

654
00:28:14,410 --> 00:28:10,540
I was putting on at the Westport in and

655
00:28:16,840 --> 00:28:14,420
the family found actually a family

656
00:28:20,410 --> 00:28:16,850
friend found one of these fliers in fact

657
00:28:22,330 --> 00:28:20,420
it was actually in a newspaper that the

658
00:28:25,299 --> 00:28:22,340
family found while they were in the

659
00:28:26,980 --> 00:28:25,309
diner desperate to find help they didn't

660
00:28:28,690 --> 00:28:26,990
ever hear about the Warrens they had no

661
00:28:30,880 --> 00:28:28,700
interest in ghosts and no interest in

662
00:28:33,880 --> 00:28:30,890
the paranormal they weren't you know

663
00:28:36,100 --> 00:28:33,890

religious really at all they you know

664

00:28:39,190 --> 00:28:36,110

they described themselves as non

665

00:28:43,180 --> 00:28:39,200

practicing Christians but this case was

666

00:28:45,610 --> 00:28:43,190

so absolutely devastating for this

667

00:28:49,570 --> 00:28:45,620

family because they did everything wrong

668

00:28:50,770 --> 00:28:49,580

at the absolute worst time and I decided

669

00:28:52,180 --> 00:28:50,780

I was going to write about it I was

670

00:28:56,650 --> 00:28:52,190

gonna use my creative writing degree

671

00:28:58,750 --> 00:28:56,660

that I'd recently earned and was going

672

00:29:01,120 --> 00:28:58,760

to write about this case in a true crime

673

00:29:04,120 --> 00:29:01,130

novel Stephen King asked horror fiction

674

00:29:06,100 --> 00:29:04,130

format meaning it was very detailed it

675

00:29:08,680 --> 00:29:06,110

was very descriptive I'm very good about

676
00:29:11,470 --> 00:29:08,690
writing about weather and about you know

677
00:29:13,780 --> 00:29:11,480
I paint a scene and people described it

678
00:29:16,150 --> 00:29:13,790
as a cinematic writing style and it's

679
00:29:17,919 --> 00:29:16,160
done remarkably well for two reasons and

680
00:29:19,930 --> 00:29:17,929
I'll get into those reasons after I

681
00:29:23,260 --> 00:29:19,940
explain the the horrific nature of the

682
00:29:26,650 --> 00:29:23,270
case but this was a case that happened

683
00:29:28,540 --> 00:29:26,660
back in 93 and it was a six year old

684
00:29:30,190 --> 00:29:28,550
girl and her mother who were happen to

685
00:29:32,080 --> 00:29:30,200
be driving by one of the most haunted

686
00:29:34,960 --> 00:29:32,090
cemeteries in all of New England if not

687
00:29:36,580 --> 00:29:34,970
the world called Union cemetery and it's

688
00:29:41,919 --> 00:29:36,590

actually where Ed Warren filmed the

689

00:29:43,870 --> 00:29:41,929

white lady where a spectral form called

690

00:29:46,419 --> 00:29:43,880

red eyes as didn't photograph them and

691

00:29:48,220 --> 00:29:46,429

filmed on many occasions but they had no

692

00:29:49,510 --> 00:29:48,230

interest in cemeteries they have no

693

00:29:53,260 --> 00:29:49,520

interest in ghosts it was actually a

694

00:29:56,590 --> 00:29:53,270

very stormy afternoon October 20

695

00:29:59,110 --> 00:29:56,600

timeframe and 93 very storming the

696

00:30:02,169 --> 00:29:59,120

classic you know driving by a cemetery

697

00:30:03,430 --> 00:30:02,179

well the mother was you know just joking

698

00:30:05,350 --> 00:30:03,440

with the six-year-old daughter who was

699

00:30:08,140 --> 00:30:05,360

buckled into the back seat on the right

700

00:30:10,120 --> 00:30:08,150

hand side you know be very watchful

701
00:30:11,590 --> 00:30:10,130
Kelly maybe we'll sneak ghosts you know

702
00:30:13,299 --> 00:30:11,600
and she said that's scary you know she

703
00:30:14,680 --> 00:30:13,309
wasn't you know happy about that at all

704
00:30:15,669 --> 00:30:14,690
because the rain was coming down the

705
00:30:17,410 --> 00:30:15,679
leaves are blowing all over the place

706
00:30:19,299 --> 00:30:17,420
but then she was actually looking for it

707
00:30:20,830 --> 00:30:19,309
and my

708
00:30:23,529 --> 00:30:20,840
was an artist which makes her a natural

709
00:30:31,060 --> 00:30:23,539
sensitive and little Kelly ended up

710
00:30:35,669 --> 00:30:31,070
being very sensitive but no but and are

711
00:30:37,749 --> 00:30:35,679
you still there we are okay I I lost my

712
00:30:46,659 --> 00:30:37,759
sound system here for a second but

713
00:30:50,320 --> 00:30:46,669

anyway I'm sitting in my carpeting that

714

00:30:52,269 --> 00:30:50,330

good stuff signal here on the stick in

715

00:30:56,710 --> 00:30:52,279

Connecticut anyway she was actually

716

00:31:01,539 --> 00:30:56,720

seeing a form walk daddy where do babies

717

00:31:04,749 --> 00:31:01,549

come from well honey mommy went to the

718

00:31:07,930 --> 00:31:04,759

store oh well you see um well there's a

719

00:31:11,350 --> 00:31:07,940

mommy and a daddy right and see when

720

00:31:12,399 --> 00:31:11,360

they call Geico they could save a bunch

721

00:31:15,129 --> 00:31:12,409

of money on car insurance

722

00:31:17,470 --> 00:31:15,139

oh really and that makes I'm happy yes

723

00:31:19,629 --> 00:31:17,480

that makes them very happy that's good

724

00:31:20,619 --> 00:31:19,639

yeah well I'm glad we could have this

725

00:31:23,470 --> 00:31:20,629

talk sunshine

726

00:31:25,239 --> 00:31:23,480

Geico because saving 15% or more on car

727

00:31:28,119 --> 00:31:25,249

insurance is always a great answer

728

00:31:32,289 --> 00:31:28,129

through the gravestones toward the car

729

00:31:35,739 --> 00:31:32,299

walk through the wrought iron fence up

730

00:31:40,289 --> 00:31:35,749

toward the car and follow the car

731

00:31:49,450 --> 00:31:44,320

was actually quite frightened about the

732

00:31:50,470 --> 00:31:49,460

storm and came up be right up to the

733

00:31:52,210 --> 00:31:50,480

back of the window and scared to the

734

00:31:54,159 --> 00:31:52,220

death and she screamed and mom cut the

735

00:31:56,019 --> 00:31:54,169

wheel and sliding on the slick leaves

736

00:31:57,879 --> 00:31:56,029

and she almost had an accident so forth

737

00:32:00,999 --> 00:31:57,889

mean classic horror horror story right

738

00:32:02,200 --> 00:32:01,009

there but when mom questioned her and

739

00:32:03,730 --> 00:32:02,210

asked you know why in the world are you

740

00:32:07,119 --> 00:32:03,740

screaming and she was trying to explain

741

00:32:08,379 --> 00:32:07,129

how she saw the ghost she judged her

742

00:32:09,759 --> 00:32:08,389

rational mind said there's no such

743

00:32:13,060 --> 00:32:09,769

things as ghosts guy said no it just

744

00:32:14,889 --> 00:32:13,070

then ghosts and she insisted that there

745

00:32:17,830 --> 00:32:14,899

were ghosts of course because she saw

746

00:32:21,669 --> 00:32:17,840

one and it wasn't until the next morning

747

00:32:22,989 --> 00:32:21,679

that mom herself actually when the kids

748

00:32:25,710 --> 00:32:22,999

were at school and her husband of the

749

00:32:29,470 --> 00:32:25,720

work president was a real estate broker

750

00:32:32,109 --> 00:32:29,480

totally got brain scientific type of

751
00:32:32,919 --> 00:32:32,119
individual who had no capacity to even

752
00:32:34,959 --> 00:32:32,929
register the

753
00:32:37,570 --> 00:32:34,969
give me anything of a spiritual nature

754
00:32:39,999 --> 00:32:37,580
that existed but she herself experienced

755
00:32:43,599 --> 00:32:40,009
this same form that Kelly described

756
00:32:45,399 --> 00:32:43,609
earlier to her in the kitchen and it

757
00:32:47,289 --> 00:32:45,409
wasn't until the 16 year old brother and

758
00:32:50,619 --> 00:32:47,299
his two best friends got off the bus

759
00:32:52,539 --> 00:32:50,629
later that afternoon and saw this man

760
00:32:54,339 --> 00:32:52,549
when they're inside saw this form

761
00:32:57,430 --> 00:32:54,349
walking on the outside perimeter of

762
00:33:00,219 --> 00:32:57,440
their yard and when they run ran out

763
00:33:03,519 --> 00:33:00,229

onto the back lawn to confront him it

764

00:33:04,779 --> 00:33:03,529

was actually snowing and very early

765

00:33:09,489 --> 00:33:04,789

winter that year which was really

766

00:33:10,719 --> 00:33:09,499

bizarre but um he completely vanished

767

00:33:13,029 --> 00:33:10,729

without trace and when they looked back

768

00:33:16,539 --> 00:33:13,039

the sliding glass door closed on them

769

00:33:17,950 --> 00:33:16,549

and when they finally got back to the

770

00:33:19,149 --> 00:33:17,960

house and got inside they started

771

00:33:20,919 --> 00:33:19,159

experiencing things that they couldn't

772

00:33:22,269 --> 00:33:20,929

explain right there it was actually

773

00:33:26,039 --> 00:33:22,279

trying to make contact and cause

774

00:33:29,560 --> 00:33:26,049

problems for them but they were

775

00:33:31,089 --> 00:33:29,570

absolutely frightened out of their minds

776

00:33:34,180 --> 00:33:31,099

at one point and they decided they would

777

00:33:39,639 --> 00:33:34,190

go and buy a Ouija board at the Trumbull

778

00:33:41,440 --> 00:33:39,649

MA thank you well they knew right run

779

00:33:42,940 --> 00:33:41,450

one voice that that is really stupid

780

00:33:44,799 --> 00:33:42,950

idea and the other ones that those

781

00:33:46,419 --> 00:33:44,809

things are stupid they don't work the

782

00:33:48,399 --> 00:33:46,429

other one said well why not what do we

783

00:33:49,930 --> 00:33:48,409

have to lose so they didn't know I mean

784

00:33:51,849 --> 00:33:49,940

again they weren't they didn't study any

785

00:33:53,680 --> 00:33:51,859

of this they know it did no interesting

786

00:33:55,299 --> 00:33:53,690

that they were just typical being back

787

00:33:57,700 --> 00:33:55,309

then it really wasn't that much of a

788

00:33:59,200 --> 00:33:57,710

craze about all these ghosts and they

789

00:34:00,940 --> 00:33:59,210

were certainly weren't any television

790

00:34:04,239 --> 00:34:00,950

show it was just pretty much the Warrens

791

00:34:07,359 --> 00:34:04,249

and that was it but can they were pretty

792

00:34:11,440 --> 00:34:07,369

low-key as well so and now it's just out

793

00:34:12,879 --> 00:34:11,450

of control so he went to the mall and

794

00:34:15,549 --> 00:34:12,889

they brought the Ouija board home and

795

00:34:17,950 --> 00:34:15,559

they actually had a very amazing what I

796

00:34:22,240 --> 00:34:17,960

would determined to be angelic or a

797

00:34:24,819 --> 00:34:22,250

guide spirit guide encounter right there

798

00:34:26,710 --> 00:34:24,829

was in the form of this elderly woman

799

00:34:28,180 --> 00:34:26,720

just standing right there when they were

800

00:34:30,490 --> 00:34:28,190

deciding whether or not to buy the

801
00:34:32,079 --> 00:34:30,500
shelves where she says boys do

802
00:34:34,690 --> 00:34:32,089
yourselves a favor and put that back on

803
00:34:36,460 --> 00:34:34,700
the shelf and they're just looking at

804
00:34:39,309 --> 00:34:36,470
each other giggling and when they look

805
00:34:41,769 --> 00:34:39,319
back she's gone and they're all on the

806
00:34:43,389 --> 00:34:41,779
track team and Tyler actually ran out of

807
00:34:45,369 --> 00:34:43,399
the store trying to find this lady and

808
00:34:46,770 --> 00:34:45,379
she was nowhere to be found and when he

809
00:34:48,750 --> 00:34:46,780
got back to his friend Nate

810
00:34:50,610 --> 00:34:48,760
vodka spot the Ouija board and the store

811
00:34:51,990 --> 00:34:50,620
was closing you know that the metal

812
00:34:53,970 --> 00:34:52,000
grate was down it was at the mall and

813
00:34:55,200 --> 00:34:53,980

they were like you know too late we

814

00:34:59,400 --> 00:34:55,210

already have it so they went back to the

815

00:35:01,560 --> 00:34:59,410

house and used it and started you know

816

00:35:04,830 --> 00:35:01,570

the typical thing right where they use

817

00:35:06,330 --> 00:35:04,840

the board and it moves a bit and looking

818

00:35:08,160 --> 00:35:06,340

each other all scared and the other guys

819

00:35:09,810 --> 00:35:08,170

you know giggles and says okay I moved

820

00:35:11,070 --> 00:35:09,820

it or so forth and just making the big

821

00:35:13,320 --> 00:35:11,080

joke that I get is a game because that's

822

00:35:16,290 --> 00:35:13,330

when it's sold out of the game but it's

823

00:35:18,750 --> 00:35:16,300

nothing it's not a game and it was made

824

00:35:20,430 --> 00:35:18,760

in manufactured in of all places Salem

825

00:35:22,200 --> 00:35:20,440

Massachusetts and television that's what

826

00:35:23,840 --> 00:35:22,210

Parker Brothers was and if you look at

827

00:35:28,470 --> 00:35:23,850

the Parker Brothers logo by the way

828

00:35:31,260 --> 00:35:28,480

Google that the freaking vortex right

829

00:35:35,850 --> 00:35:31,270

yeah they know what they're doing right

830

00:35:38,400 --> 00:35:35,860

oh yeah absolutely absolutely so anyway

831

00:35:40,650 --> 00:35:38,410

they used the board they got completely

832

00:35:42,120 --> 00:35:40,660

freaked out and then the elder sister

833

00:35:43,320 --> 00:35:42,130

came home and they tried to tell her

834

00:35:46,410 --> 00:35:43,330

that they were communicating with the

835

00:35:49,110 --> 00:35:46,420

ghost it was after Kelly and she said he

836

00:35:50,880 --> 00:35:49,120

you know she was a 1 year older but you

837

00:35:53,430 --> 00:35:50,890

know two 16 year old 1 years as a

838

00:35:55,170 --> 00:35:53,440

teacher but you know she was scolding

839

00:35:56,520 --> 00:35:55,180

I'm saying don't you dare say a word of

840

00:35:58,470 --> 00:35:56,530

this to Kelly or anything like that or

841

00:36:00,420 --> 00:35:58,480

chill you know and she's like you know

842

00:36:04,290 --> 00:36:00,430

that's a bunch of BS and when they

843

00:36:06,180 --> 00:36:04,300

actually were in bed classic three

844

00:36:08,250 --> 00:36:06,190

o'clock in the morning and there's a

845

00:36:09,420 --> 00:36:08,260

reason behind that of course god I feel

846

00:36:11,070 --> 00:36:09,430

like we're so pressed for time I'm

847

00:36:15,300 --> 00:36:11,080

trying to really rush through this stuff

848

00:36:18,300 --> 00:36:15,310

but it was an absolute horror show that

849

00:36:21,360 --> 00:36:18,310

very evening and the older sister Sarah

850

00:36:22,740 --> 00:36:21,370

witnessed it and she they were terrified

851

00:36:25,260 --> 00:36:22,750

out of their minds and that is pretty

852

00:36:26,610 --> 00:36:25,270

much they issued all the wrongs all the

853

00:36:29,370 --> 00:36:26,620

wrong statements all the wrong

854

00:36:31,080 --> 00:36:29,380

challenges at all the wrong times and

855

00:36:32,460 --> 00:36:31,090

there's you know chances are things like

856

00:36:34,140 --> 00:36:32,470

this aren't going to happen to the

857

00:36:36,810 --> 00:36:34,150

average family obviously because I did

858

00:36:39,090 --> 00:36:36,820

be so well known and there'd be so

859

00:36:43,430 --> 00:36:39,100

frequent but if you open the wrong door

860

00:36:45,930 --> 00:36:43,440

at the wrong time and the wrong things

861

00:36:48,630 --> 00:36:45,940

are on the other side of that doorway or

862

00:36:50,970 --> 00:36:48,640

gateway or Stargate or portal or vortex

863

00:36:53,340 --> 00:36:50,980

that ever you want to call it and they

864

00:36:54,000 --> 00:36:53,350

come through and they basically accept

865

00:36:57,660 --> 00:36:54,010

your challenge

866

00:36:58,650 --> 00:36:57,670

Edwin always says it cannot interfere in

867

00:37:00,090 --> 00:36:58,660

your life unless you give them

868

00:37:00,690 --> 00:37:00,100

permission to and it could be something

869

00:37:02,910 --> 00:37:00,700

as simple as

870

00:37:05,910 --> 00:37:02,920

prove to me exist or show me what you

871

00:37:07,140 --> 00:37:05,920

look like or you know take me on or some

872

00:37:09,180 --> 00:37:07,150

like that whenever you're inviting them

873

00:37:11,400 --> 00:37:09,190

and your awareness that's what that's

874

00:37:12,780 --> 00:37:11,410

how this whole thing began and if they

875

00:37:14,609 --> 00:37:12,790

never played with the Ouija board and

876

00:37:15,930 --> 00:37:14,619

all we had to deal with was the spirit

877

00:37:18,950 --> 00:37:15,940

of a man who was a very negative

878

00:37:21,480 --> 00:37:18,960

individual but just still as human

879

00:37:23,160 --> 00:37:21,490

consciousness it would have been so much

880

00:37:25,349 --> 00:37:23,170

easier to handle this in a very

881

00:37:27,390 --> 00:37:25,359

compassionate loving way and to talk to

882

00:37:29,370 --> 00:37:27,400

the talk this man into going on instead

883

00:37:31,680 --> 00:37:29,380

of staying here earthbound but because

884

00:37:35,240 --> 00:37:31,690

they flung those doors wide open this

885

00:37:38,640 --> 00:37:35,250

was the most horrific case of demonic

886

00:37:41,339 --> 00:37:38,650

diabolical infestation oppression and

887

00:37:43,980 --> 00:37:41,349

possession and exorcism that I've ever

888

00:37:46,380 --> 00:37:43,990

witnessed in my life and I said I have

889

00:37:49,170 --> 00:37:46,390

to tell this tale in a way that's going

890

00:37:50,640 --> 00:37:49,180

to warn the teenagers about Ouija board

891

00:37:52,380 --> 00:37:50,650

use because that's what everybody starts

892

00:37:54,660 --> 00:37:52,390

to delve into them you know late you

893

00:37:57,539 --> 00:37:54,670

know early adolescence early teen years

894

00:37:58,680 --> 00:37:57,549

and you think you're invincible you

895

00:38:01,170 --> 00:37:58,690

think you know it all you think

896

00:38:05,039 --> 00:38:01,180

nothing's going to affect you and that

897

00:38:08,849 --> 00:38:05,049

it's all you know just hocus-pocus but

898

00:38:10,020 --> 00:38:08,859

it's not and family to this day does not

899

00:38:12,210 --> 00:38:10,030

want to go call the guide paranormal

900

00:38:15,510 --> 00:38:12,220

witness call me wanted to basically have

901

00:38:17,250 --> 00:38:15,520

everybody on got this case but the

902

00:38:19,920 --> 00:38:17,260

reason they don't want to is because

903

00:38:21,420 --> 00:38:19,930

what happened the second round and I had

904

00:38:22,829 --> 00:38:21,430

to release it in two different volumes

905

00:38:25,349 --> 00:38:22,839

because one it would have been an

906

00:38:27,089 --> 00:38:25,359

800-page book and I would have been a

907

00:38:31,079 --> 00:38:27,099

really tough sell for somebody who's a

908

00:38:35,250 --> 00:38:31,089

self publisher and especially when I

909

00:38:38,400 --> 00:38:35,260

wasn't known at the time and plus what

910

00:38:40,650 --> 00:38:38,410

happened I wrote the first book as a

911

00:38:45,539 --> 00:38:40,660

warning to teenagers first and foremost

912

00:38:46,950 --> 00:38:45,549

for housewives for families and to help

913

00:38:48,420 --> 00:38:46,960

them understand that this lack of

914

00:38:50,430 --> 00:38:48,430

communication that took played a

915

00:38:52,770 --> 00:38:50,440

different family between the husband and

916

00:38:56,789 --> 00:38:52,780

wife between the the parents and the

917

00:38:59,220 --> 00:38:56,799

children between the kids themselves was

918

00:39:00,720 --> 00:38:59,230

absolutely the worst the big thing that

919

00:39:02,430 --> 00:39:00,730

could have done because nobody knew what

920

00:39:04,140 --> 00:39:02,440

was going on things were happening to

921

00:39:06,390 --> 00:39:04,150

everybody simultaneously if they only

922

00:39:09,539 --> 00:39:06,400

talked about it they would have maybe

923

00:39:11,339 --> 00:39:09,549

made it easier on themselves but it

924

00:39:13,319 --> 00:39:11,349

involved the possession of one of the

925

00:39:14,620 --> 00:39:13,329

family members that involved exorcism it

926

00:39:17,680 --> 00:39:14,630

involved possession

927

00:39:19,420 --> 00:39:17,690

rushon an exorcism it involves a process

928

00:39:21,160 --> 00:39:19,430

called Susu mitigation which is what I

929

00:39:24,910 --> 00:39:21,170

performed in the house of the exorcism

930

00:39:27,339 --> 00:39:24,920

the taking place can it was devastating

931

00:39:29,259 --> 00:39:27,349

for their for their neighbors for the

932

00:39:31,569 --> 00:39:29,269

family friends for these percerin's

933

00:39:33,999 --> 00:39:31,579

boyfriend for the clergy for the

934

00:39:36,579 --> 00:39:34,009

investigators for the psychics for the I

935

00:39:39,039 --> 00:39:36,589

mean it was just absolutely horrific and

936

00:39:41,769 --> 00:39:39,049

the reason I wrote the second book is a

937

00:39:44,710 --> 00:39:41,779

separate volume is because for 18 and up

938

00:39:46,269 --> 00:39:44,720

is because of the graphic sexual attacks

939

00:39:48,579 --> 00:39:46,279

that took place on two of the teenage

940

00:39:51,460 --> 00:39:48,589

boys one was a Incubus attack and one

941

00:39:55,329 --> 00:39:51,470

was a succubus attack one was straight

942

00:39:57,549 --> 00:39:55,339

one was gay and she's demonic entities

943

00:39:59,950 --> 00:39:57,559

they'll go after you based on what you

944

00:40:03,549 --> 00:39:59,960

are you know who you are who and what

945

00:40:05,920 --> 00:40:03,559

you're attracted to to weave their way

946

00:40:10,390 --> 00:40:05,930

into your life and then make you pay and

947

00:40:13,900 --> 00:40:10,400

make them pay they did and it was poor

948

00:40:16,509 --> 00:40:13,910

so chance you know what happened in that

949

00:40:21,880 --> 00:40:16,519

case is very rare but it devastated the

950

00:40:23,440 --> 00:40:21,890

lives of consisting people and maybe

951
00:40:24,910 --> 00:40:23,450
eventually they'll want to talk about it

952
00:40:26,920 --> 00:40:24,920
they agreed to talk about it with their

953
00:40:29,019 --> 00:40:26,930
you know with their identities masked

954
00:40:31,720 --> 00:40:29,029
and things like that because with

955
00:40:33,309 --> 00:40:31,730
recognition basically what happened is

956
00:40:34,690 --> 00:40:33,319
after it was resolved the first time

957
00:40:37,240 --> 00:40:34,700
without giving anything away or any of

958
00:40:39,370 --> 00:40:37,250
the details is we told them don't talk

959
00:40:41,460 --> 00:40:39,380
about it don't think about it right

960
00:40:44,799 --> 00:40:41,470
don't even let it enter your mind

961
00:40:47,289 --> 00:40:44,809
because giving these things recognition

962
00:40:49,990 --> 00:40:47,299
through quantum mechanics through

963
00:40:52,329 --> 00:40:50,000

entanglement we're all connected anyway

964

00:40:54,730 --> 00:40:52,339

and most people don't even know how to

965

00:40:58,240 --> 00:40:54,740

separate or sever the connections or cut

966

00:41:00,249 --> 00:40:58,250

the cords between people let alone an

967

00:41:02,769 --> 00:41:00,259

entity that's never walked the earth in

968

00:41:06,309 --> 00:41:02,779

human form that is existing outside of

969

00:41:10,269 --> 00:41:06,319

the laws of physics that we know they

970

00:41:12,490 --> 00:41:10,279

came right back and you know ruined it

971

00:41:14,680 --> 00:41:12,500

was twice as devastating it and readers

972

00:41:16,509 --> 00:41:14,690

have said both books by the way are

973

00:41:18,460 --> 00:41:16,519

required reading for Bishop James Long's

974

00:41:20,980 --> 00:41:18,470

demonology class you know the teaching

975

00:41:24,999 --> 00:41:20,990

the demonology study but my books are

976

00:41:27,099 --> 00:41:25,009

called dark siege dar ksi ege a

977

00:41:28,480 --> 00:41:27,109

Connecticut family's nightmare which is

978

00:41:30,310 --> 00:41:28,490

the subtitle

979

00:41:34,900 --> 00:41:30,320

Siegel's dark siege to the nightmare

980

00:41:36,880 --> 00:41:34,910

returns because return that did and you

981

00:41:41,200 --> 00:41:36,890

can find them on my website including

982

00:41:43,210 --> 00:41:41,210

the first chapter of each book in its

983

00:41:45,670 --> 00:41:43,220

entirety to read for free dark siege

984

00:41:48,040 --> 00:41:45,680

calm now what makes the book so

985

00:41:49,750 --> 00:41:48,050

fascinating and so well received is

986

00:41:51,730 --> 00:41:49,760

because the way I wrote it as a true

987

00:41:55,510 --> 00:41:51,740

crime novel Stephen King asked or a

988

00:41:57,520 --> 00:41:55,520

fiction format but each book as a 100

989

00:41:58,900 --> 00:41:57,530

page chapter by chapter analysis where I

990

00:42:01,600 --> 00:41:58,910

explained much of what we've discussed

991

00:42:03,520 --> 00:42:01,610

tonight how I met the Warrens my beliefs

992

00:42:06,040 --> 00:42:03,530

growing up my spiritual beliefs and so

993

00:42:07,870 --> 00:42:06,050

forth my first several cases and

994

00:42:10,420 --> 00:42:07,880

breaking down all the activity in each

995

00:42:12,850 --> 00:42:10,430

chapter explaining why these things

996

00:42:14,800 --> 00:42:12,860

happen the science and spirituality

997

00:42:16,270 --> 00:42:14,810

behind the paranormal pretty much why

998

00:42:19,120 --> 00:42:16,280

these things happen to some people and

999

00:42:20,410 --> 00:42:19,130

not others what the family did right and

1000

00:42:22,000 --> 00:42:20,420

wrong every step of the way in each

1001

00:42:23,740 --> 00:42:22,010

chapter by breaking down the activity

1002

00:42:26,650 --> 00:42:23,750

and explaining what other people have

1003

00:42:28,300 --> 00:42:26,660

done in these situations by referencing

1004

00:42:31,390 --> 00:42:28,310

some of the very well-known cases and

1005

00:42:34,260 --> 00:42:31,400

some cases that aren't well known I was

1006

00:42:37,540 --> 00:42:34,270

involved in warrens were involved in

1007

00:42:39,970 --> 00:42:37,550

that I knew about because I was studying

1008

00:42:42,250 --> 00:42:39,980

under them but to help people really

1009

00:42:44,530 --> 00:42:42,260

understand why these things happen but

1010

00:42:46,300 --> 00:42:44,540

most importantly how to protect yourself

1011

00:42:48,370 --> 00:42:46,310

how to understand that we are intimately

1012

00:42:50,560 --> 00:42:48,380

and permanently connected to our Creator

1013

00:42:53,560 --> 00:42:50,570

we have the light and the love of the

1014

00:42:55,720 --> 00:42:53,570

creator as our core source of energy

1015

00:42:57,970 --> 00:42:55,730

when you know that you believe that and

1016

00:42:59,260 --> 00:42:57,980

you understand the most important

1017

00:43:01,120 --> 00:42:59,270

message I have for everybody I call

1018

00:43:03,190 --> 00:43:01,130

myself a double agent because I go to

1019

00:43:05,020 --> 00:43:03,200

these conventions huge conventions like

1020

00:43:07,930 --> 00:43:05,030

scare fest and horror fest and all the

1021

00:43:09,970 --> 00:43:07,940

comic conventions and kairkhan and

1022

00:43:11,349 --> 00:43:09,980

whatever name you can pick up there's

1023

00:43:14,650 --> 00:43:11,359

there's been a convention that I penned

1024

00:43:16,180 --> 00:43:14,660

it but it's a I have a great table

1025

00:43:17,470 --> 00:43:16,190

display and I sell my books and I talk

1026
00:43:19,930 --> 00:43:17,480
to people and I try to help them

1027
00:43:21,760 --> 00:43:19,940
understand if you want real paranormal

1028
00:43:23,440 --> 00:43:21,770
and you want to read a real story about

1029
00:43:25,450 --> 00:43:23,450
what happened to this average American

1030
00:43:29,410 --> 00:43:25,460
family who had no interest in the

1031
00:43:32,140 --> 00:43:29,420
paranormal at all here you go but I call

1032
00:43:35,080 --> 00:43:32,150
myself a double agent because I present

1033
00:43:37,090 --> 00:43:35,090
a terrifying ordeal to people who are

1034
00:43:39,580 --> 00:43:37,100
hungry for horror and terror and things

1035
00:43:41,740 --> 00:43:39,590
like that but it's the analysis section

1036
00:43:42,340 --> 00:43:41,750
that is information that they would

1037
00:43:44,980 --> 00:43:42,350
never

1038
00:43:46,740 --> 00:43:44,990

go out and seek themselves by the law of

1039

00:43:49,210 --> 00:43:46,750

attraction for instance the law of

1040

00:43:50,860 --> 00:43:49,220

intention or conscious manifestation and

1041

00:43:54,940 --> 00:43:50,870

how these things can come about and how

1042

00:43:57,430 --> 00:43:54,950

your thoughts and your your feelings and

1043

00:43:59,560 --> 00:43:57,440

your emotion can actually dictate what

1044

00:44:01,090 --> 00:43:59,570

happens to you and this this experience

1045

00:44:03,760 --> 00:44:01,100

but and then get into what this

1046

00:44:06,520 --> 00:44:03,770

experience really is all about and then

1047

00:44:08,830 --> 00:44:06,530

but also how love is the highest

1048

00:44:12,040 --> 00:44:08,840

frequency of them all and fear is the

1049

00:44:14,350 --> 00:44:12,050

lowest and love will conquer darkness

1050

00:44:16,150 --> 00:44:14,360

every single time if you stand on your

1051
00:44:19,540 --> 00:44:16,160
own power know that you're protected by

1052
00:44:21,910 --> 00:44:19,550
the Creator through your core radiating

1053
00:44:25,120 --> 00:44:21,920
love from your heart and being in heart

1054
00:44:27,700 --> 00:44:25,130
centered awareness and being a kind and

1055
00:44:29,830 --> 00:44:27,710
compassionate individual radiating love

1056
00:44:31,660 --> 00:44:29,840
from your heart is the opposite of what

1057
00:44:33,910 --> 00:44:31,670
they want they want you to be terrorized

1058
00:44:37,630 --> 00:44:33,920
and full of fear and depression and

1059
00:44:41,080 --> 00:44:37,640
helplessness and they want to crack your

1060
00:44:42,820 --> 00:44:41,090
your your aural your auric field your

1061
00:44:45,340 --> 00:44:42,830
emotional body and your emotional body

1062
00:44:47,230 --> 00:44:45,350
and your spiritual body and how that is

1063
00:44:50,560 --> 00:44:47,240

so very important as far as our own

1064

00:44:52,240 --> 00:44:50,570

protection and and and so forth going

1065

00:44:53,830 --> 00:44:52,250

into there any places for instance or

1066

00:44:55,750 --> 00:44:53,840

just even being in a situation where

1067

00:44:59,190 --> 00:44:55,760

there's actually spirits around or

1068

00:45:01,990 --> 00:44:59,200

demonic entities around a contra bit but

1069

00:45:04,510 --> 00:45:02,000

it helps empower people to understand

1070

00:45:06,550 --> 00:45:04,520

why these things happen how how you can

1071

00:45:09,100 --> 00:45:06,560

make sure they don't happen to you or to

1072

00:45:12,310 --> 00:45:09,110

anyone you love and what to do about it

1073

00:45:14,050 --> 00:45:12,320

if it does happen and like I said bishop

1074

00:45:17,500 --> 00:45:14,060

long it's made the books required

1075

00:45:19,360 --> 00:45:17,510

reading for his demonology study and I

1076

00:45:20,800 --> 00:45:19,370

was on coast to coast am about this case

1077

00:45:22,720 --> 00:45:20,810

twice actually the first time he

1078

00:45:24,250 --> 00:45:22,730

actually was on by himself I mean he

1079

00:45:26,710 --> 00:45:24,260

said we have to tell people about this

1080

00:45:28,750 --> 00:45:26,720

this book series and that's a great

1081

00:45:29,890 --> 00:45:28,760

endorsement he would he's a spiritual

1082

00:45:33,310 --> 00:45:29,900

warrior if there ever was one

1083

00:45:36,130 --> 00:45:33,320

but I've been blessed to work with

1084

00:45:37,630 --> 00:45:36,140

amazing people and I have so many other

1085

00:45:40,690 --> 00:45:37,640

books in the works in fact that to you

1086

00:45:43,540 --> 00:45:40,700

coming out just before Halloween this

1087

00:45:45,960 --> 00:45:43,550

year and I know we're running short

1088

00:45:48,880 --> 00:45:45,970

but anyway again it's dark siege

1089

00:45:52,210 --> 00:45:48,890

Academy's nightmare dark siege to the

1090

00:45:53,950 --> 00:45:52,220

nightmare returns at dark siege calm if

1091

00:45:56,270 --> 00:45:53,960

you go on Amazon you can see I have over

1092

00:45:59,300 --> 00:45:56,280

170 reviews are almost all five

1093

00:46:01,190 --> 00:45:59,310

ratings I encourage you if you want an

1094

00:46:03,380 --> 00:46:01,200

autographed copy to get it to my website

1095

00:46:06,340 --> 00:46:03,390

because I find it autograph it

1096

00:46:08,570 --> 00:46:06,350

personalized and we'll mail it out

1097

00:46:09,500 --> 00:46:08,580

anybody wants an autographed copy that's

1098

00:46:14,870 --> 00:46:09,510

the way to go

1099

00:46:17,240 --> 00:46:14,880

but take questions at this point or well

1100

00:46:21,320 --> 00:46:17,250

the questions we have are so varied in

1101

00:46:23,270 --> 00:46:21,330

the camera we were we have a couple of

1102

00:46:27,860 --> 00:46:23,280

your photos up and in people skating and

1103

00:46:29,030 --> 00:46:27,870

whatnot um you I do want to ask you do

1104

00:46:33,050 --> 00:46:29,040

you believe there's a spiritual

1105

00:46:36,260 --> 00:46:33,060

awakening going absolutely yeah

1106

00:46:39,860 --> 00:46:36,270

it's everything is vibration everything

1107

00:46:42,380 --> 00:46:39,870

is vibration everybody is there

1108

00:46:45,350 --> 00:46:42,390

frequency is raising if you want to

1109

00:46:47,900 --> 00:46:45,360

really accelerate the process meditate

1110

00:46:49,880 --> 00:46:47,910

right surround here's the here's a quick

1111

00:46:52,460 --> 00:46:49,890

meditation you ready this is what I

1112

00:46:54,620 --> 00:46:52,470

talked about everybody that I comes to

1113

00:46:56,660 --> 00:46:54,630

my table especially anybody children

1114

00:46:58,160 --> 00:46:56,670

women who tell me how their kids do

1115

00:47:01,160 --> 00:46:58,170

something like that so everybody close

1116

00:47:03,770 --> 00:47:01,170

your eyes take a deep breath obviously

1117

00:47:05,780 --> 00:47:03,780

or two but visualize a golden golf

1118

00:47:08,360 --> 00:47:05,790

ball-sized field of energy in your

1119

00:47:10,700 --> 00:47:08,370

hearts and know this is the creator's

1120

00:47:14,770 --> 00:47:10,710

light and the creator's love for you

1121

00:47:16,580 --> 00:47:14,780

it's I called to God spark and just

1122

00:47:18,380 --> 00:47:16,590

something that you're completely

1123

00:47:20,780 --> 00:47:18,390

connected to at all times you can never

1124

00:47:22,810 --> 00:47:20,790

not be connected to the Creator because

1125

00:47:25,910 --> 00:47:22,820

I like in the Creator to the brilliant

1126
00:47:27,920 --> 00:47:25,920
glowing radiant Sun and we're all sparks

1127
00:47:30,590 --> 00:47:27,930
cast off in that creator we have that

1128
00:47:34,400 --> 00:47:30,600
spark within us at our core it is our

1129
00:47:38,030 --> 00:47:34,410
energy field as our our cheese our prana

1130
00:47:40,970 --> 00:47:38,040
it's our life force energy so the god of

1131
00:47:43,190 --> 00:47:40,980
the creator of the universe is within

1132
00:47:44,870 --> 00:47:43,200
all right the kingdom of heaven is

1133
00:47:46,310 --> 00:47:44,880
within I and the father are one that's

1134
00:47:47,620 --> 00:47:46,320
what those things come from so I'm

1135
00:47:49,610 --> 00:47:47,630
talking I'm not talking about any

1136
00:47:50,570 --> 00:47:49,620
spirituality or not any organized

1137
00:47:53,060 --> 00:47:50,580
religion but I'm talking about

1138
00:47:54,620 --> 00:47:53,070

spirituality a connectedness that we all

1139

00:47:56,170 --> 00:47:54,630

are now beginning to understand and

1140

00:47:58,640 --> 00:47:56,180

that's be waking I'm trying to explain

1141

00:48:00,770 --> 00:47:58,650

visualize this golden field of light in

1142

00:48:03,650 --> 00:48:00,780

your heart start doing spanned to the

1143

00:48:06,170 --> 00:48:03,660

size of the baseball it's growing

1144

00:48:07,910 --> 00:48:06,180

further and inside of the basketball the

1145

00:48:10,160 --> 00:48:07,920

medicine ball it's completely

1146

00:48:13,880 --> 00:48:10,170

surrounding you in a perfect

1147

00:48:15,589 --> 00:48:13,890

fear of brilliant golden light and just

1148

00:48:19,430 --> 00:48:15,599

visualize this brilliant golden light

1149

00:48:21,259 --> 00:48:19,440

and say I am the love of God I am the

1150

00:48:23,359 --> 00:48:21,269

light of God manifested on this earth

1151
00:48:25,609 --> 00:48:23,369
and we all are nobodies any more special

1152
00:48:28,130 --> 00:48:25,619
than anybody else we're all part of the

1153
00:48:30,680 --> 00:48:28,140
same substance you can be a heart

1154
00:48:32,390 --> 00:48:30,690
centered individual meaning you're

1155
00:48:35,140 --> 00:48:32,400
resonating and heart centered awareness

1156
00:48:38,089 --> 00:48:35,150
meaning that you respect all life right

1157
00:48:40,250 --> 00:48:38,099
from the smallest insect to the to the

1158
00:48:43,190 --> 00:48:40,260
greatest form that you can imagine and

1159
00:48:46,039 --> 00:48:43,200
you're kind to one another and you

1160
00:48:47,809 --> 00:48:46,049
respect one another the thing will

1161
00:48:52,130 --> 00:48:47,819
spiral out of control and that's that's

1162
00:48:53,960 --> 00:48:52,140
the end of this control network that has

1163
00:48:56,750 --> 00:48:53,970

been keeping humanity enslaved forever

1164

00:48:58,250 --> 00:48:56,760

keeping us full of fear keeping us under

1165

00:49:00,230 --> 00:48:58,260

the illusion that we're separate from

1166

00:49:03,950 --> 00:49:00,240

one another you know whether it's race

1167

00:49:05,329 --> 00:49:03,960

or gender or nationality or any of those

1168

00:49:07,339 --> 00:49:05,339

things

1169

00:49:10,069 --> 00:49:07,349

they're all just subdivisions they're

1170

00:49:12,019 --> 00:49:10,079

all just basically tribal mentality us

1171

00:49:14,029 --> 00:49:12,029

versus them we're all on this together

1172

00:49:17,210 --> 00:49:14,039

we're all connected all life is

1173

00:49:19,309 --> 00:49:17,220

connected to this this web invisible web

1174

00:49:20,900 --> 00:49:19,319

that is beyond our perception that

1175

00:49:25,309 --> 00:49:20,910

connects everybody in the entire

1176
00:49:27,499 --> 00:49:25,319
multiverse together to our Creator and

1177
00:49:30,019 --> 00:49:27,509
that is the power that I've always felt

1178
00:49:32,150 --> 00:49:30,029
and that's why I felt I was never going

1179
00:49:34,130 --> 00:49:32,160
to be harmed walking in my first amount

1180
00:49:35,990 --> 00:49:34,140
of case that Ed Warren took me on all

1181
00:49:38,690 --> 00:49:36,000
those years ago why I've never been

1182
00:49:41,690 --> 00:49:38,700
attacked and and how this has helped me

1183
00:49:44,690 --> 00:49:41,700
especially in volume 2 of dark siege to

1184
00:49:47,240 --> 00:49:44,700
push these entities right outside of my

1185
00:49:48,769 --> 00:49:47,250
awareness right out of my car and off

1186
00:49:50,359 --> 00:49:48,779
the property altogether because that's

1187
00:49:55,099 --> 00:49:50,369
how powerful we really are but you have

1188
00:50:00,109 --> 00:49:55,109

1189

00:50:03,410 --> 00:50:00,119
